

SKINWALKER RANCH

THIS IS THEIR BEST EVIDENCE?

2021-05-21 01:54:01

Truth Seekers

1
00:00:24,230 --> 00:00:13,240
foreign

2
00:00:39,150 --> 00:00:37,670
[Music]

3
00:00:45,570 --> 00:00:39,160
foreign

4
00:01:13,730 --> 00:00:56,210
[Music]

5
00:01:34,990 --> 00:01:15,650
foreign

6
00:01:35,000 --> 00:01:44,690
[Music]

7
00:01:44,700 --> 00:01:49,960
foreign

8
00:01:49,970 --> 00:02:13,250
[Music]

9
00:02:13,260 --> 00:02:19,240
[Applause]

10
00:02:19,250 --> 00:02:51,650
[Music]

00:03:06,009 --> 00:02:52,930
foreign

12
00:03:11,210 --> 00:03:09,410
state of music is always changing as we

13
00:03:14,390 --> 00:03:11,220

slowly Embrace a full Digital Life

14

00:03:16,130 --> 00:03:14,400

Revolution uploading acapellas drum

15

00:03:18,670 --> 00:03:16,140

beats and guitar riffs to the world wide

16

00:03:21,830 --> 00:03:18,680

web from one Countryside to the next

17

00:03:24,470 --> 00:03:21,840

it's an International Love Affair and

18

00:03:26,690 --> 00:03:24,480

new music is our gift to the Free World

19

00:03:29,690 --> 00:03:26,700

afraid of expression is only limited by

20

00:03:31,790 --> 00:03:29,700

our creativity so we stand together and

21

00:03:34,309 --> 00:03:31,800

because of it our forces are unlimited

22

00:03:36,649 --> 00:03:34,319

we represent every corner of the World

23

00:03:39,589 --> 00:03:36,659

As We broadcast our necessary every

24

00:03:44,590 --> 00:03:41,030

how does that Express tremendous

25

00:03:44,600 --> 00:03:47,869

[Music]

26

00:03:55,729 --> 00:03:50,130

to the world

27

00:05:22,670 --> 00:03:55,739

[Music]

28

00:05:22,680 --> 00:05:25,730

foreign

29

00:05:25,740 --> 00:05:29,010

to the world

30

00:05:57,469 --> 00:05:42,730

[Music]

31

00:05:58,490 --> 00:05:57,479

thank you

32

00:06:11,280 --> 00:05:58,500

foreign

33

00:06:11,290 --> 00:06:23,650

[Music]

34

00:06:29,330 --> 00:06:26,450

greetings and sanitation's friends and

35

00:06:33,170 --> 00:06:29,340

welcome back we are broadcasting live on

36

00:06:36,770 --> 00:06:33,180

Facebook YouTube twitch Twitter Rumble

37

00:06:38,809 --> 00:06:36,780

Odyssey and D live and uh tonight we're

38

00:06:42,590 --> 00:06:38,819

gonna finally do something people have

39

00:06:45,350 --> 00:06:42,600

been asking me for ages to cover this uh

40

00:06:49,909 --> 00:06:45,360

secrets of Skinwalker Ranch television

41

00:06:53,029 --> 00:06:49,919

show even people in my friends and

42

00:06:55,610 --> 00:06:53,039

family who know you know of my interest

43

00:06:57,469 --> 00:06:55,620

in the strange and esoteric many many

44

00:06:59,390 --> 00:06:57,479

people have asked me for a long time

45

00:07:03,050 --> 00:06:59,400

what do you think of this and to be very

46

00:07:07,670 --> 00:07:03,060

honest uh you know spoiler alert I think

47

00:07:11,510 --> 00:07:07,680

that Skinwalker Ranch is largely garbage

48

00:07:14,029 --> 00:07:11,520

um I think that it is sold as a One-Stop

49

00:07:16,430 --> 00:07:14,039

shop for Paranormal Activity are you

50

00:07:19,010 --> 00:07:16,440

interested in UFOs and aliens we've got

51
00:07:23,589 --> 00:07:19,020
them poltergeists and demons we've got

52
00:07:26,930 --> 00:07:23,599
that too portals time travel

53
00:07:27,830 --> 00:07:26,940
ancient Cryptid creatures we've got that

54
00:07:30,710 --> 00:07:27,840
too

55
00:07:32,689 --> 00:07:30,720
do you like werewolves we here at the

56
00:07:35,870 --> 00:07:32,699
Skinwalker Ranch have werewolves and

57
00:07:37,730 --> 00:07:35,880
let's not forget the dino beavers I keep

58
00:07:40,370 --> 00:07:37,740
forgetting to steal that Dino Beaver

59
00:07:44,150 --> 00:07:40,380
animation from uh Stephen Green Street

60
00:07:47,089 --> 00:07:44,160
we don't have the budget for one so uh

61
00:07:54,770 --> 00:07:50,390
thing with Skinwalker Ranch is is to me

62
00:07:57,110 --> 00:07:54,780
it is built on a lot of stories

63
00:07:59,749 --> 00:07:57,120

um but as detailed by Stephen Green

64

00:08:02,089 --> 00:07:59,759

Street by the way in his recent series

65

00:08:03,430 --> 00:08:02,099

uh for the New York Post the basement

66

00:08:06,529 --> 00:08:03,440

office

67

00:08:08,830 --> 00:08:06,539

uh people have made literally millions

68

00:08:11,589 --> 00:08:08,840

of dollars selling the public

69

00:08:15,650 --> 00:08:11,599

Fantastical stories about this place

70

00:08:18,650 --> 00:08:15,660

Skinwalker Ranch which by the way is a

71

00:08:21,290 --> 00:08:18,660

uh Ranch in the middle of nowhere and it

72

00:08:24,230 --> 00:08:21,300

hasn't been a working Ranch for what 30

73

00:08:27,350 --> 00:08:24,240

years or more more maybe

74

00:08:29,629 --> 00:08:27,360

and it's interesting that people can

75

00:08:31,070 --> 00:08:29,639

make literally millions and millions of

76

00:08:34,010 --> 00:08:31,080

dollars

77

00:08:35,990 --> 00:08:34,020

talking about all the Fantastical things

78

00:08:39,350 --> 00:08:36,000

that Skinwalker Ranch but all we ever

79

00:08:41,149 --> 00:08:39,360

see is garbage as far as actual evidence

80

00:08:43,670 --> 00:08:41,159

you know you want a film of that

81

00:08:45,590 --> 00:08:43,680

werewolf sorry we don't have it what you

82

00:08:48,590 --> 00:08:45,600

want pictures of the dino Beaver that

83

00:08:50,810 --> 00:08:48,600

that guy saw sorry we don't have it but

84

00:08:55,970 --> 00:08:50,820

hey there's demons and there's uh

85

00:08:58,670 --> 00:08:55,980

hitchhikers which are reputed to be evil

86

00:09:00,889 --> 00:08:58,680

demonic entities which attach themselves

87

00:09:04,550 --> 00:09:00,899

to visitors of the ranch and then haunt

88

00:09:06,590 --> 00:09:04,560

them or you know hurt them

89

00:09:08,690 --> 00:09:06,600

when they leave the ranch and go home

90

00:09:10,790 --> 00:09:08,700

and let's not forget

91

00:09:13,810 --> 00:09:10,800

what was it sexually transmitted

92

00:09:16,370 --> 00:09:13,820

diseases infecting people by Poltergeist

93

00:09:19,550 --> 00:09:16,380

yeah that was another story out of

94

00:09:22,430 --> 00:09:19,560

Skinwalker Ranch and largely yesterday

95

00:09:25,190 --> 00:09:22,440

we covered the Ridiculousness of one

96

00:09:28,490 --> 00:09:25,200

George Knapp who was uh him along with

97

00:09:30,949 --> 00:09:28,500

Jeremy Corbell are the two largest

98

00:09:34,970 --> 00:09:30,959

profiteers of what we could call the

99

00:09:37,090 --> 00:09:34,980

Bigelow era of Skinwalker Ranch and

100

00:09:39,949 --> 00:09:37,100

there's multiple books written about it

101
00:09:42,710 --> 00:09:39,959
documentary films everybody's making

102
00:09:46,310 --> 00:09:42,720
money telling these Skinwalker Ranch

103
00:09:49,370 --> 00:09:46,320
stories but when you actually ask for

104
00:09:51,290 --> 00:09:49,380
you know evidence like George Knapp said

105
00:09:54,290 --> 00:09:51,300
that his books were based on physical

106
00:09:57,230 --> 00:09:54,300
evidence you get nothing

107
00:10:00,110 --> 00:09:57,240
and when pressed on a recent episode of

108
00:10:02,449 --> 00:10:00,120
The Joe Rogan podcast for evidence

109
00:10:03,949 --> 00:10:02,459
George Knapp twice said well we you know

110
00:10:07,310 --> 00:10:03,959
if you want physical evidence we don't

111
00:10:12,170 --> 00:10:07,320
have that yet his book says it is based

112
00:10:14,449 --> 00:10:12,180
on the reams of physical evidence that

113
00:10:16,430 --> 00:10:14,459

they have accumulated on Skinwalker

114

00:10:18,829 --> 00:10:16,440

Ranch and as a taxpayer in the United

115

00:10:22,130 --> 00:10:18,839

States you might also be interested in

116

00:10:24,829 --> 00:10:22,140

knowing that one Senator Harry Reid and

117

00:10:27,170 --> 00:10:24,839

a few other Senators got together and

118

00:10:29,449 --> 00:10:27,180

created what many people describe as a

119

00:10:31,550 --> 00:10:29,459

sweetheart deal for the owner of the

120

00:10:34,190 --> 00:10:31,560

ranch one Bob Bigelow

121

00:10:37,070 --> 00:10:34,200

in which you know people were supposed

122

00:10:40,430 --> 00:10:37,080

to bid on a contract to study Paranormal

123

00:10:42,650 --> 00:10:40,440

Activity the only bidder was Bob Bigelow

124

00:10:45,410 --> 00:10:42,660

who owns Skinwalker Ranch at the time

125

00:10:48,769 --> 00:10:45,420

and our United States government gave

126

00:10:51,829 --> 00:10:48,779

him 22 million dollars to study

127

00:10:54,350 --> 00:10:51,839

Paranormal Activity this was the 22

128

00:10:57,470 --> 00:10:54,360

million dollars that later Liars like

129

00:10:59,949 --> 00:10:57,480

Lou Elizondo said was given to him to

130

00:11:02,630 --> 00:10:59,959

study UFOs turns out that's not the case

131

00:11:04,190 --> 00:11:02,640

uh and what did we get for our 22

132

00:11:07,430 --> 00:11:04,200

million dollars well we got a lot of

133

00:11:10,190 --> 00:11:07,440

stories written reports of strange and

134

00:11:13,430 --> 00:11:10,200

anomalous activity at this place called

135

00:11:16,250 --> 00:11:13,440

Skinwalker Ranch and by the way why why

136

00:11:17,750 --> 00:11:16,260

is it even legal like for somebody to

137

00:11:21,470 --> 00:11:17,760

say well I own a ranch and it's

138

00:11:23,569 --> 00:11:21,480

paranormal so you Senators give me 22

139

00:11:26,210 --> 00:11:23,579

million dollars and I'll study the ranch

140

00:11:29,210 --> 00:11:26,220

for you that I own

141

00:11:31,250 --> 00:11:29,220

there has never been an investigation

142

00:11:34,370 --> 00:11:31,260

into that money

143

00:11:37,370 --> 00:11:34,380

and where it went why it was even given

144

00:11:39,710 --> 00:11:37,380

to Bob Bigelow who by the way is a

145

00:11:42,410 --> 00:11:39,720

billionaire right

146

00:11:45,290 --> 00:11:42,420

why why are we giving billionaires 22

147

00:11:48,350 --> 00:11:45,300

million dollars to play Ghostbusters on

148

00:11:51,590 --> 00:11:48,360

a ranch they own and interesting that

149

00:11:56,110 --> 00:11:51,600

that happened and uh people have

150

00:11:59,389 --> 00:11:56,120

detailed right uh that we got nothing

151
00:12:02,750 --> 00:11:59,399
uh we got nothing for 22 million dollars

152
00:12:04,190 --> 00:12:02,760
as tax paying Americans uh but that

153
00:12:07,550 --> 00:12:04,200
doesn't surprise me the United States

154
00:12:09,949 --> 00:12:07,560
government is the most wasteful entity

155
00:12:13,490 --> 00:12:09,959
in the world right just look at what

156
00:12:16,430 --> 00:12:13,500
they spend on stupid things like food

157
00:12:19,550 --> 00:12:16,440
services and things like that

158
00:12:22,130 --> 00:12:19,560
um so Senator Harry Reid gives his buddy

159
00:12:25,310 --> 00:12:22,140
who contributed to his campaigns

160
00:12:27,710 --> 00:12:25,320
constantly 22 million dollars to study

161
00:12:30,470 --> 00:12:27,720
the ranch and we get back almost nothing

162
00:12:31,910 --> 00:12:30,480
almost nothing

163
00:12:34,730 --> 00:12:31,920

later

164

00:12:37,910 --> 00:12:34,740

a man named Brandon fugle who we'll get

165

00:12:41,269 --> 00:12:37,920

into uh purchase the ranch and by the

166

00:12:42,889 --> 00:12:41,279

way some of those common grifters that

167

00:12:46,069 --> 00:12:42,899

you may have heard their names bandied

168

00:12:48,470 --> 00:12:46,079

about you know in techno scams like tsa

169

00:12:49,850 --> 00:12:48,480

the Techno scam where they promised

170

00:12:51,769 --> 00:12:49,860

everybody they were going to build a

171

00:12:54,430 --> 00:12:51,779

spaceship with a revolutionary power

172

00:12:58,310 --> 00:12:54,440

source one man involved in that scam

173

00:13:01,490 --> 00:12:58,320

technoscam investment scam was one hell

174

00:13:04,250 --> 00:13:01,500

put off who was also heavily involved in

175

00:13:06,290 --> 00:13:04,260

Skinwalker Ranch and Bob Bigelow isn't

176

00:13:09,110 --> 00:13:06,300

that interesting and isn't it

177

00:13:11,569 --> 00:13:09,120

interesting that the one person who

178

00:13:15,650 --> 00:13:11,579

profited probably the most from all this

179

00:13:20,810 --> 00:13:15,660

Skinwalker Ranch Mythos or mythology was

180

00:13:25,810 --> 00:13:20,820

one George Knapp who was employed by Bob

181

00:13:28,850 --> 00:13:25,820

Bigelow to I think it was what was it to

182

00:13:30,949 --> 00:13:28,860

coordinate the researchers

183

00:13:32,810 --> 00:13:30,959

so George Knapp gets paid money out of

184

00:13:35,750 --> 00:13:32,820

that 22 million dollars did he give the

185

00:13:37,970 --> 00:13:35,760

money back to the taxpayers no he wrote

186

00:13:40,790 --> 00:13:37,980

some books with a lot of stories and

187

00:13:43,310 --> 00:13:40,800

made more money on Skinwalker all

188

00:13:44,269 --> 00:13:43,320

without providing any evidence other

189

00:13:47,629 --> 00:13:44,279

than

190

00:13:51,410 --> 00:13:47,639

trust me dude somebody told me this

191

00:13:53,329 --> 00:13:51,420

right and you know to be fair I haven't

192

00:13:55,790 --> 00:13:53,339

interviewed the people that uh George

193

00:13:57,710 --> 00:13:55,800

Knapp interviewed but I have uh

194

00:14:00,170 --> 00:13:57,720

requested that George Knapp give me all

195

00:14:02,030 --> 00:14:00,180

their contact information so that I can

196

00:14:04,370 --> 00:14:02,040

interview them and find out if they even

197

00:14:06,710 --> 00:14:04,380

said any of the [h__h] that's in his book

198

00:14:08,810 --> 00:14:06,720

you know these things are important but

199

00:14:11,509 --> 00:14:08,820

that you know don't let things like

200

00:14:14,949 --> 00:14:11,519

facts and evidence get in the way of a

201
00:14:17,930 --> 00:14:14,959
good story that you can sell tell

202
00:14:21,470 --> 00:14:17,940
yeah it's sell so

203
00:14:24,410 --> 00:14:21,480
uh after wasting 22 million dollars of

204
00:14:26,530 --> 00:14:24,420
government taxpayer funds studying the

205
00:14:28,610 --> 00:14:26,540
ranch and by the way we heard wonderful

206
00:14:30,650 --> 00:14:28,620
accounts through Stephen Green Street

207
00:14:33,410 --> 00:14:30,660
that people who worked for Bob Bigelow

208
00:14:35,449 --> 00:14:33,420
knew that he was getting agitated at the

209
00:14:38,750 --> 00:14:35,459
lack of paranormal activity at the ranch

210
00:14:41,569 --> 00:14:38,760
so they would get drunk and fax him fake

211
00:14:43,790 --> 00:14:41,579
stories of Paranormal Activity and one

212
00:14:45,769 --> 00:14:43,800
would have to ask themselves then which

213
00:14:47,590 --> 00:14:45,779

were the real stories and which were the

214

00:14:50,150 --> 00:14:47,600

stories generated by drunk people

215

00:14:53,329 --> 00:14:50,160

drinking vodka at the ranch trying to

216

00:14:54,949 --> 00:14:53,339

keep those you know big checks rolling

217

00:14:57,170 --> 00:14:54,959

in while they were supposed to be

218

00:14:59,389 --> 00:14:57,180

studying the so-called paranormal

219

00:15:02,030 --> 00:14:59,399

activity at the ranch

220

00:15:04,850 --> 00:15:02,040

are those the fake stories or those the

221

00:15:06,650 --> 00:15:04,860

real stories are those the stories that

222

00:15:07,910 --> 00:15:06,660

George Knapp is including when he's

223

00:15:11,389 --> 00:15:07,920

getting paid

224

00:15:13,910 --> 00:15:11,399

to uh talk at UFO conferences about

225

00:15:16,850 --> 00:15:13,920

Skinwalker Ranch is it the fake stories

226

00:15:20,870 --> 00:15:16,860

he's retelling or the real ones

227

00:15:24,050 --> 00:15:20,880

the world may never know but uh

228

00:15:27,290 --> 00:15:24,060

after the government and Bob Bigelow

229

00:15:30,769 --> 00:15:27,300

wasted 22 million dollars studying the

230

00:15:34,069 --> 00:15:30,779

Skinwalker Ranch and uh providing scan

231

00:15:36,650 --> 00:15:34,079

or little or no evidence of any

232

00:15:38,090 --> 00:15:36,660

paranormal activity for that 22 million

233

00:15:39,650 --> 00:15:38,100

dollars

234

00:15:43,310 --> 00:15:39,660

um

235

00:15:45,350 --> 00:15:43,320

Bob Bigelow after a period of so-called

236

00:15:47,210 --> 00:15:45,360

inactivity at the ranch became

237

00:15:48,170 --> 00:15:47,220

disillusioned they wanted to sell the

238

00:15:51,050 --> 00:15:48,180

ranch

239

00:15:53,509 --> 00:15:51,060

so he gets Hal put off and another guy

240

00:15:55,370 --> 00:15:53,519

whose Name Escapes me to approach

241

00:15:57,170 --> 00:15:55,380

another billionaire I think he's a

242

00:15:59,449 --> 00:15:57,180

billionaire I could be wrong I'm not

243

00:16:01,970 --> 00:15:59,459

sure if Brandon fugle is just incredibly

244

00:16:04,310 --> 00:16:01,980

100 couple hundred million dollars rich

245

00:16:06,350 --> 00:16:04,320

or billionaire Rich

246

00:16:08,569 --> 00:16:06,360

um you know and I would reach out for

247

00:16:10,910 --> 00:16:08,579

comment but I can't now more on that

248

00:16:17,210 --> 00:16:14,509

I have been blocked by Brandon fugel and

249

00:16:20,689 --> 00:16:17,220

and at first I said why is he blocking

250

00:16:23,210 --> 00:16:20,699

me I never even tweeted at him uh on

251
00:16:25,370 --> 00:16:23,220
Twitter I never said anything to Brandon

252
00:16:29,449 --> 00:16:25,380
fugle uh

253
00:16:31,430 --> 00:16:29,459
and and but then I realized that I had

254
00:16:33,050 --> 00:16:31,440
um so yeah I'm not going to show you

255
00:16:37,689 --> 00:16:33,060
that I'm blocked but I will show you

256
00:16:40,970 --> 00:16:37,699
what I think caused him to block me

257
00:16:44,509 --> 00:16:40,980
Brandon fugle by all accounts seems to

258
00:16:47,210 --> 00:16:44,519
be very uh you know he's interested

259
00:16:50,629 --> 00:16:47,220
after all he's laid out millions of

260
00:16:54,350 --> 00:16:50,639
dollars of his own money to purchase the

261
00:16:56,870 --> 00:16:54,360
ranch and to study the ranch

262
00:16:59,449 --> 00:16:56,880
um but I'd love to see the accounting in

263
00:17:01,730 --> 00:16:59,459

other words uh how much did he purchase

264

00:17:04,069 --> 00:17:01,740

the ranch for how much has he spent

265

00:17:07,189 --> 00:17:04,079

investigating the ranch

266

00:17:09,289 --> 00:17:07,199

and how much money has he made from the

267

00:17:11,870 --> 00:17:09,299

television show and by the way there's a

268

00:17:13,730 --> 00:17:11,880

whole new controversy because members of

269

00:17:16,549 --> 00:17:13,740

the television show are taking money

270

00:17:17,809 --> 00:17:16,559

from the local municipality for God

271

00:17:20,150 --> 00:17:17,819

knows what

272

00:17:22,730 --> 00:17:20,160

um and Jack Brewer did an excellent job

273

00:17:24,530 --> 00:17:22,740

we do know what right Economic

274

00:17:26,270 --> 00:17:24,540

Development I'm not sure what they

275

00:17:30,890 --> 00:17:26,280

economically developed for the local

276

00:17:34,909 --> 00:17:30,900

people but many stars of uh Skinwalker

277

00:17:36,529 --> 00:17:34,919

Ranch are involved with that money deal

278

00:17:37,610 --> 00:17:36,539

um and that is beyond the scope of

279

00:17:40,610 --> 00:17:37,620

tonight tonight we're going to

280

00:17:44,810 --> 00:17:40,620

concentrate just on the so-called best

281

00:17:46,730 --> 00:17:44,820

evidence that TV stars from Secret of

282

00:17:49,190 --> 00:17:46,740

the Skinwalker Ranch have to share with

283

00:17:51,529 --> 00:17:49,200

us after what is it six years of

284

00:17:54,770 --> 00:17:51,539

investigating the ranch three years of

285

00:17:56,810 --> 00:17:54,780

seasons of a television show so I'd be

286

00:17:58,669 --> 00:17:56,820

interested to see what what is the

287

00:18:01,669 --> 00:17:58,679

accounting breakdown how much money did

288

00:18:03,470 --> 00:18:01,679

Brandon fogle put in how much money did

289

00:18:05,570 --> 00:18:03,480

he invest in all the equipment and

290

00:18:06,830 --> 00:18:05,580

paying all these scientists and by the

291

00:18:08,770 --> 00:18:06,840

way

292

00:18:11,390 --> 00:18:08,780

um if you want to know

293

00:18:14,210 --> 00:18:11,400

you know one of the things that I think

294

00:18:17,029 --> 00:18:14,220

is that Brandon fogle is now suffering

295

00:18:19,310 --> 00:18:17,039

from what we'll call Bigelow syndrome

296

00:18:22,549 --> 00:18:19,320

you're a member how Stephen Green Street

297

00:18:24,950 --> 00:18:22,559

detailed uh in his report that the

298

00:18:26,870 --> 00:18:24,960

people that worked for Bob Bigelow knew

299

00:18:28,549 --> 00:18:26,880

that that he was getting pissed off

300

00:18:30,230 --> 00:18:28,559

because there's not enough paranormal

301

00:18:32,090 --> 00:18:30,240

activity or things going on and he's

302

00:18:33,830 --> 00:18:32,100

paying everybody's bills he's paying all

303

00:18:35,450 --> 00:18:33,840

these paychecks to people who live at

304

00:18:37,190 --> 00:18:35,460

the ranch study the ranch he's buying

305

00:18:40,070 --> 00:18:37,200

equipment and they're not giving him

306

00:18:41,810 --> 00:18:40,080

enough Paranormal Activity so they all

307

00:18:44,270 --> 00:18:41,820

started getting drunk and sending them

308

00:18:45,830 --> 00:18:44,280

faxes with fake stories about paranormal

309

00:18:47,330 --> 00:18:45,840

[h__\h]

310

00:18:49,310 --> 00:18:47,340

um I think

311

00:18:51,770 --> 00:18:49,320

and this is my opinion in speculation

312

00:18:54,830 --> 00:18:51,780

but I'm entitled to it I think that

313

00:18:57,529 --> 00:18:54,840

Brandon fugle may be uh the people who

314

00:18:59,630 --> 00:18:57,539

work for Brandon fugle may be suffering

315

00:19:01,669 --> 00:18:59,640

from Bigelow syndrome

316

00:19:04,850 --> 00:19:01,679

because after all they're all making all

317

00:19:06,529 --> 00:19:04,860

this money right I believe that some of

318

00:19:08,150 --> 00:19:06,539

them live there full time and they're at

319

00:19:11,450 --> 00:19:08,160

the ranch full-time studying those

320

00:19:14,029 --> 00:19:11,460

ghosts and demons and uh werewolves and

321

00:19:16,310 --> 00:19:14,039

I'm sorry wait I have a list I do have a

322

00:19:19,310 --> 00:19:16,320

list of of the uh

323

00:19:21,289 --> 00:19:19,320

now now I can't find it of course I had

324

00:19:24,409 --> 00:19:21,299

a list

325

00:19:30,230 --> 00:19:27,350

okay so some of the list of Paranormal

326

00:19:32,930 --> 00:19:30,240

Activity reported at the ranch by

327

00:19:35,750 --> 00:19:32,940

profiteering promoters of Skinwalker

328

00:19:37,970 --> 00:19:35,760

Ranch are flying saucers blue meanies

329

00:19:40,850 --> 00:19:37,980

poltergeists bulletproof werewolves

330

00:19:43,370 --> 00:19:40,860

flying refrigerators portals dogmen Dino

331

00:19:46,010 --> 00:19:43,380

beavers nine foot tall creatures

332

00:19:48,830 --> 00:19:46,020

hitchhiker poltergeists

333

00:19:50,810 --> 00:19:48,840

ghosts demons shape shifters cloaked

334

00:19:53,690 --> 00:19:50,820

eight or nine foot tall cloak monsters

335

00:19:55,070 --> 00:19:53,700

that you could hear wore for miles and

336

00:19:57,409 --> 00:19:55,080

much much more

337

00:20:00,710 --> 00:19:57,419

so you know these people are getting

338

00:20:03,169 --> 00:20:00,720

paid for this and let's be clear I don't

339

00:20:06,110 --> 00:20:03,179

know what what do you get paid to be on

340

00:20:09,409 --> 00:20:06,120

a television show it's it's at least

341

00:20:12,230 --> 00:20:09,419

thousands of dollars per episode uh in

342

00:20:14,029 --> 00:20:12,240

my limited experience with that uh and

343

00:20:17,510 --> 00:20:14,039

people that I know who were until

344

00:20:19,669 --> 00:20:17,520

similar television shows thousands of

345

00:20:23,570 --> 00:20:19,679

dollars per episode you're getting paid

346

00:20:26,390 --> 00:20:23,580

so could it be that maybe just maybe

347

00:20:27,890 --> 00:20:26,400

Brandon fugel is also getting snowed by

348

00:20:29,570 --> 00:20:27,900

some of the people that he worked there

349

00:20:31,490 --> 00:20:29,580

now I don't have any evidence or proof

350

00:20:33,529 --> 00:20:31,500

of that but it's a reasonable assumption

351
00:20:36,770 --> 00:20:33,539
to make that people who are making

352
00:20:40,370 --> 00:20:36,780
hordes of money off of this Skinwalker

353
00:20:43,490 --> 00:20:40,380
Ranch may not be entirely trustworthy

354
00:20:46,070 --> 00:20:43,500
when it comes to uh these so-called

355
00:20:46,970 --> 00:20:46,080
Paranormal Activity taking place at the

356
00:20:50,810 --> 00:20:46,980
ranch

357
00:20:54,049 --> 00:20:50,820
and you know how uh ethical or moral

358
00:20:55,490 --> 00:20:54,059
they are how honest they are

359
00:20:57,890 --> 00:20:55,500
because

360
00:20:59,390 --> 00:20:57,900
many many people have asked me what I

361
00:21:01,490 --> 00:20:59,400
think of the television show and you

362
00:21:04,250 --> 00:21:01,500
used to look into this Stephen and okay

363
00:21:07,070 --> 00:21:04,260

so I watched a few episodes and what

364

00:21:09,230 --> 00:21:07,080

largely I came away from that television

365

00:21:11,150 --> 00:21:09,240

show thinking is that they're trying to

366

00:21:13,070 --> 00:21:11,160

make something out of nothing

367

00:21:15,230 --> 00:21:13,080

constantly now I watch four or five

368

00:21:18,490 --> 00:21:15,240

episodes of it and it seemed like in

369

00:21:21,310 --> 00:21:18,500

every episode they're trying to create

370

00:21:24,470 --> 00:21:21,320

Paranormal Activity out of ordinary

371

00:21:26,090 --> 00:21:24,480

Earthly things things that aren't

372

00:21:29,210 --> 00:21:26,100

paranormal things that are not

373

00:21:31,970 --> 00:21:29,220

mysterious now that may be just my

374

00:21:34,370 --> 00:21:31,980

perception but it's not my perception

375

00:21:36,529 --> 00:21:34,380

alone many other people who have watched

376

00:21:38,930 --> 00:21:36,539

this television show including Mick West

377

00:21:40,190 --> 00:21:38,940

Mick West said the same thing it seems

378

00:21:42,649 --> 00:21:40,200

like you're trying to make something out

379

00:21:45,230 --> 00:21:42,659

of nothing uh and Midwest for those

380

00:21:48,529 --> 00:21:45,240

unaware is a very well-known skeptic of

381

00:21:50,029 --> 00:21:48,539

Paranormal Activity uh and the creator

382

00:21:52,490 --> 00:21:50,039

of metabunk

383

00:21:56,090 --> 00:21:52,500

the website that debunks a lot of

384

00:21:59,330 --> 00:21:56,100

garbage fake paranormal claims

385

00:22:04,570 --> 00:22:02,270

back to Brandon fugle blocking me which

386

00:22:08,210 --> 00:22:04,580

you know is really unfortunate because

387

00:22:11,690 --> 00:22:08,220

uh up until recently I never said

388

00:22:13,310 --> 00:22:11,700

anything to him publicly and I will say

389

00:22:16,490 --> 00:22:13,320

this I've said it before I will say it

390

00:22:18,470 --> 00:22:16,500

again I just instantly didn't like him

391

00:22:20,330 --> 00:22:18,480

from the very beginning of this

392

00:22:22,909 --> 00:22:20,340

television show saw a little bit of it

393

00:22:25,850 --> 00:22:22,919

said uh this new guys this is another

394

00:22:27,649 --> 00:22:25,860

money grab uh that's what I thought that

395

00:22:30,590 --> 00:22:27,659

was my perception I'm entitled to that

396

00:22:33,529 --> 00:22:30,600

perception having seen the Bigelow money

397

00:22:35,990 --> 00:22:33,539

grab along comes another guy who's going

398

00:22:37,850 --> 00:22:36,000

to investigate paranormal activity at

399

00:22:41,510 --> 00:22:37,860

the same range that we've already wasted

400

00:22:44,029 --> 00:22:41,520

22 million dollars on and got nothing as

401
00:22:46,250 --> 00:22:44,039
far as proof or evidence right at least

402
00:22:48,470 --> 00:22:46,260
in my that's my perception I'm allowed

403
00:22:51,470 --> 00:22:48,480
to have that perception show me you know

404
00:22:55,010 --> 00:22:51,480
videos of bulletproof werewolves show me

405
00:22:58,310 --> 00:22:55,020
videos of cloaking alien eight foot nine

406
00:23:01,669 --> 00:22:58,320
foot tall creatures show me the smoking

407
00:23:05,810 --> 00:23:01,679
dogs right the smoking dogs

408
00:23:08,450 --> 00:23:05,820
show me uh the werewolf with his arms

409
00:23:09,169 --> 00:23:08,460
crossed you know I'd like to see this

410
00:23:11,870 --> 00:23:09,179
stuff

411
00:23:16,490 --> 00:23:13,970
I'm allowed to be skeptical because

412
00:23:19,310 --> 00:23:16,500
somebody's already wasted 22 million

413
00:23:21,110 --> 00:23:19,320

dollars of taxpayer money pretending

414

00:23:22,669 --> 00:23:21,120

that there's some sort and that's my

415

00:23:25,010 --> 00:23:22,679

view they were pretending that there's

416

00:23:28,070 --> 00:23:25,020

some sort of paranormal activity at this

417

00:23:29,330 --> 00:23:28,080

place in order to make money right and

418

00:23:33,409 --> 00:23:29,340

uh

419

00:23:35,810 --> 00:23:33,419

you know we got no proof no evidence no

420

00:23:39,830 --> 00:23:35,820

proof and no evidence of this but we did

421

00:23:43,070 --> 00:23:39,840

get an awful lot of stories and people

422

00:23:45,590 --> 00:23:43,080

made millions of dollars telling stories

423

00:23:47,270 --> 00:23:45,600

about Skinwalker Ranch you know stories

424

00:23:49,610 --> 00:23:47,280

like this one they come down this dirt

425

00:23:51,710 --> 00:23:49,620

road one night and they see two two

426

00:23:54,350 --> 00:23:51,720

figures humanoid looking figures

427

00:23:56,029 --> 00:23:54,360

standing up uh with their backs to the

428

00:23:57,529 --> 00:23:56,039

road it looked like they're smoking

429

00:23:59,510 --> 00:23:57,539

cigarettes they had trench coats on

430

00:24:01,070 --> 00:23:59,520

smoking cigarettes standing out on the

431

00:24:03,289 --> 00:24:01,080

road these guys figure one of these

432

00:24:04,789 --> 00:24:03,299

fellas up to so they're pulling up and

433

00:24:07,130 --> 00:24:04,799

they're they're shining their lights on

434

00:24:08,390 --> 00:24:07,140

the guys and they turn around and they

435

00:24:12,710 --> 00:24:08,400

were dogs

436

00:24:16,549 --> 00:24:15,049

now if you think that's ridiculous we

437

00:24:18,770 --> 00:24:16,559

can't forget about my other favorite

438

00:24:20,930 --> 00:24:18,780

story from Skinwalker Ranch from

439

00:24:23,510 --> 00:24:20,940

Skinwalker ranch's number one profiteer

440

00:24:26,149 --> 00:24:23,520

who wrote two books one of which he said

441

00:24:28,190 --> 00:24:26,159

was filled with evidence that they

442

00:24:30,289 --> 00:24:28,200

amassed from the reams of physical

443

00:24:32,630 --> 00:24:30,299

evidence that they gathered during the

444

00:24:35,090 --> 00:24:32,640

investigation phase of writing the book

445

00:24:37,610 --> 00:24:35,100

and then later admitted on Joe Rogan

446

00:24:41,090 --> 00:24:37,620

that there was no evidence of physical

447

00:24:47,149 --> 00:24:43,370

uh but this is my other favorite story

448

00:24:50,149 --> 00:24:47,159

uh of Skinwalker Ranch she saw this

449

00:24:53,529 --> 00:24:50,159

but standing on two legs a wolf creature

450

00:24:56,270 --> 00:24:53,539

a a wolf standing in her yard it's Paws

451
00:24:57,710 --> 00:24:56,280
crossed like this leaning on a tree

452
00:25:02,090 --> 00:24:57,720
staring back at her

453
00:25:07,730 --> 00:25:04,850
and those by the way came courtesy of uh

454
00:25:09,890 --> 00:25:07,740
Stephen green Street's uh Twitter please

455
00:25:12,890 --> 00:25:09,900
follow him on Twitter

456
00:25:16,310 --> 00:25:12,900
um he makes a great Twitter posts about

457
00:25:20,090 --> 00:25:16,320
all this circus this is a goddamn circus

458
00:25:22,310 --> 00:25:20,100
of Ridiculousness right and and very few

459
00:25:25,130 --> 00:25:22,320
people will actually stand up and show

460
00:25:28,190 --> 00:25:25,140
people how ridiculous it is

461
00:25:29,390 --> 00:25:28,200
um so but I have to be very clear and be

462
00:25:32,990 --> 00:25:29,400
very fair

463
00:25:36,470 --> 00:25:33,000

it's the uh Brandon fugel and his crew

464

00:25:39,230 --> 00:25:36,480

of you know top-notch scientists right

465

00:25:41,810 --> 00:25:39,240

uh

466

00:25:44,570 --> 00:25:41,820

they did not make these claims the

467

00:25:46,610 --> 00:25:44,580

previous people studying the ranch for

468

00:25:49,310 --> 00:25:46,620

the 22 million dollar skate that

469

00:25:51,289 --> 00:25:49,320

taxpayers got scammed out of yeah those

470

00:25:53,210 --> 00:25:51,299

people made these claims and then people

471

00:25:56,029 --> 00:25:53,220

like George Knapp went on to write books

472

00:25:57,950 --> 00:25:56,039

Jeremy Corbell makes documentaries and

473

00:25:59,570 --> 00:25:57,960

with all of these stories and no

474

00:26:01,610 --> 00:25:59,580

evidence

475

00:26:03,350 --> 00:26:01,620

um but we have to be very clear in that

476

00:26:06,409 --> 00:26:03,360

Brandon fugle didn't make those claims

477

00:26:09,230 --> 00:26:06,419

the previous crew or people including

478

00:26:12,169 --> 00:26:09,240

Bob Bigelow George Knapp Jeremy Corbell

479

00:26:14,690 --> 00:26:12,179

made all of these Fantastical claims and

480

00:26:17,510 --> 00:26:14,700

can provide zero there's no evidence of

481

00:26:20,090 --> 00:26:17,520

any of these stories or actually true or

482

00:26:23,930 --> 00:26:20,100

really happened other than anecdotal

483

00:26:24,890 --> 00:26:23,940

stories great stories uh no evidence for

484

00:26:26,810 --> 00:26:24,900

them

485

00:26:29,810 --> 00:26:26,820

so

486

00:26:32,630 --> 00:26:29,820

on to Brandon fugle Fugal is contacted

487

00:26:35,750 --> 00:26:32,640

by uh Hal putoff and uh

488

00:26:39,049 --> 00:26:35,760

I think maybe kit green uh and Hal put

489

00:26:41,269 --> 00:26:39,059

off contacted him on behalf of Bigelow

490

00:26:43,310 --> 00:26:41,279

who was fed up with the lack of

491

00:26:45,289 --> 00:26:43,320

paranormal activity at the ranch you

492

00:26:47,210 --> 00:26:45,299

know they were having a dry spell I

493

00:26:48,890 --> 00:26:47,220

guess they ran out of vodka at the ranch

494

00:26:51,110 --> 00:26:48,900

and the guys who used to sit around

495

00:26:53,690 --> 00:26:51,120

getting drunk faxing Bigelow fake

496

00:26:56,450 --> 00:26:53,700

stories of werewolves and [h__h] ran

497

00:26:58,789 --> 00:26:56,460

out of vodka so they had a dry spell at

498

00:27:00,230 --> 00:26:58,799

Skinwalker Ranch and Bob Bigelow you

499

00:27:01,610 --> 00:27:00,240

know he's a businessman he's like I'm

500

00:27:03,049 --> 00:27:01,620

paying all these people all this money

501
00:27:06,350 --> 00:27:03,059
we're not getting enough Paranormal

502
00:27:09,470 --> 00:27:06,360
Activity go go to this other billionaire

503
00:27:11,029 --> 00:27:09,480
that's interested in this stuff I'll put

504
00:27:12,409 --> 00:27:11,039
off a kick green and tell them I want to

505
00:27:14,690 --> 00:27:12,419
sell the ranch and that's what happened

506
00:27:16,970 --> 00:27:14,700
and Brandon fugel bought the ranch and

507
00:27:20,390 --> 00:27:16,980
by the way for a while it was this big

508
00:27:24,049 --> 00:27:20,400
private thing even though

509
00:27:26,630 --> 00:27:24,059
I searched the real estate records and

510
00:27:28,909 --> 00:27:26,640
got uh

511
00:27:30,350 --> 00:27:28,919
clued in of who bought the ranch but it

512
00:27:33,289 --> 00:27:30,360
was a big secret for a while but

513
00:27:34,970 --> 00:27:33,299

eventually Brandon fugle uh came out in

514

00:27:36,669 --> 00:27:34,980

public he's the new owner of the ranch

515

00:27:39,529 --> 00:27:36,679

and he's going to conduct real

516

00:27:41,630 --> 00:27:39,539

scientific study of paranormal activity

517

00:27:44,090 --> 00:27:41,640

at the ranch and what does he do he

518

00:27:46,549 --> 00:27:44,100

instantly signs up well not instantly

519

00:27:49,610 --> 00:27:46,559

but sometime after purchasing the ranch

520

00:27:52,010 --> 00:27:49,620

signs up for a television show a reality

521

00:27:54,950 --> 00:27:52,020

show because nothing says scientific

522

00:27:58,610 --> 00:27:54,960

credibility like let's go put this [h__h]

523

00:28:00,409 --> 00:27:58,620

on TV right and we can talk about that

524

00:28:02,990 --> 00:28:00,419

for a moment because I think it's an

525

00:28:05,810 --> 00:28:03,000

important here if you really were

526

00:28:10,010 --> 00:28:05,820

interested in the truth or or the

527

00:28:12,409 --> 00:28:10,020

science behind the Paranormal Activity

528

00:28:15,350 --> 00:28:12,419

um maybe you could have just conducted

529

00:28:17,450 --> 00:28:15,360

the scientific exploration of this Ranch

530

00:28:20,090 --> 00:28:17,460

in private and then published the

531

00:28:24,529 --> 00:28:20,100

results in scientifically peer-reviewed

532

00:28:25,730 --> 00:28:24,539

papers perhaps or scientific journals

533

00:28:29,950 --> 00:28:25,740

perhaps

534

00:28:33,769 --> 00:28:29,960

or very credible you could have you know

535

00:28:37,490 --> 00:28:33,779

invited in very credible Science and

536

00:28:42,169 --> 00:28:37,500

Technology reporters and shown them all

537

00:28:44,750 --> 00:28:42,179

of your facts data evidence videos still

538

00:28:46,549 --> 00:28:44,760

images pictures you know all of the

539

00:28:48,110 --> 00:28:46,559

evidence that you have gathered but they

540

00:28:53,570 --> 00:28:48,120

didn't do that

541

00:28:56,870 --> 00:28:53,580

but In fairness to Brandon fogle uh he

542

00:28:59,450 --> 00:28:56,880

is a business person so maybe and this

543

00:29:01,669 --> 00:28:59,460

is again my opinion in speculation maybe

544

00:29:04,190 --> 00:29:01,679

he saw the television show as a chance

545

00:29:06,950 --> 00:29:04,200

to recoup some of the money that he

546

00:29:10,430 --> 00:29:06,960

would have to dump into this thing and

547

00:29:12,890 --> 00:29:10,440

and or funding to pay the people doing

548

00:29:14,750 --> 00:29:12,900

the scientific you know so-called

549

00:29:17,149 --> 00:29:14,760

scientific research and I call it

550

00:29:19,970 --> 00:29:17,159

so-called scientific research because

551

00:29:22,269 --> 00:29:19,980

I don't believe that these people that

552

00:29:25,250 --> 00:29:22,279

he has working for him are credible

553

00:29:27,830 --> 00:29:25,260

trustworthy and honest I think they are

554

00:29:30,289 --> 00:29:27,840

clouded by money and fame and the desire

555

00:29:32,930 --> 00:29:30,299

to continue those paychecks going that's

556

00:29:34,730 --> 00:29:32,940

my opinion having observed

557

00:29:38,090 --> 00:29:34,740

um I don't know

558

00:29:39,710 --> 00:29:38,100

four five six episodes of this show it

559

00:29:41,750 --> 00:29:39,720

just appears to me that they're trying

560

00:29:44,210 --> 00:29:41,760

to make mountains out of mole Hills they

561

00:29:46,549 --> 00:29:44,220

they've got nothing largely and tonight

562

00:29:48,889 --> 00:29:46,559

we're gonna see some of that but before

563

00:29:50,870 --> 00:29:48,899

we get into that uh speaking on the

564

00:29:53,510 --> 00:29:50,880

subject of credibility Brandon fugle

565

00:29:55,549 --> 00:29:53,520

likes to pretend or say that they're

566

00:29:58,190 --> 00:29:55,559

using the scientific method and this is

567

00:30:00,889 --> 00:29:58,200

a serious scientific investigation into

568

00:30:05,029 --> 00:30:00,899

the Paranormal phenomenon at Skinwalker

569

00:30:07,010 --> 00:30:05,039

Ranch and I beg to differ because one of

570

00:30:08,470 --> 00:30:07,020

the other profit things that he's doing

571

00:30:12,049 --> 00:30:08,480

is putting

572

00:30:13,909 --> 00:30:12,059

reports or special things right behind a

573

00:30:15,889 --> 00:30:13,919

paywall

574

00:30:19,130 --> 00:30:15,899

I don't understand why you would do that

575

00:30:20,870 --> 00:30:19,140

except maybe Again In fairness to him

576

00:30:23,269 --> 00:30:20,880

maybe he's trying to generate some

577

00:30:25,909 --> 00:30:23,279

Revenue to pay all those scientists and

578

00:30:28,010 --> 00:30:25,919

and pay for all that equipment I did see

579

00:30:31,250 --> 00:30:28,020

and by the way I have a background in

580

00:30:33,529 --> 00:30:31,260

computer science I did see some very

581

00:30:36,649 --> 00:30:33,539

interesting details on the main computer

582

00:30:39,289 --> 00:30:36,659

that they were using and boy

583

00:30:41,810 --> 00:30:39,299

that thing gave me a geek heart on like

584

00:30:44,510 --> 00:30:41,820

you would not I haven't had a geek card

585

00:30:47,090 --> 00:30:44,520

on that good uh since

586

00:30:50,870 --> 00:30:47,100

I don't know I one time got a server

587

00:30:52,669 --> 00:30:50,880

with four Xeon processors that had eight

588

00:30:54,710 --> 00:30:52,679

cores each or something like that years

589

00:30:56,029 --> 00:30:54,720

ago before anybody had anything like

590

00:31:01,190 --> 00:30:56,039

that

591

00:31:03,409 --> 00:31:01,200

thing but this monster main computer

592

00:31:06,049 --> 00:31:03,419

that they have at Skinwalker Ranch they

593

00:31:07,430 --> 00:31:06,059

posted some information and details on

594

00:31:12,049 --> 00:31:07,440

that

595

00:31:13,909 --> 00:31:12,059

but it cost according to uh the main

596

00:31:16,070 --> 00:31:13,919

scientists running that computer at

597

00:31:18,289 --> 00:31:16,080

Skinwalker Ranch something like thirty

598

00:31:21,610 --> 00:31:18,299

thousand dollars so

599

00:31:24,409 --> 00:31:21,620

and and by the way motion detected

600

00:31:27,049 --> 00:31:24,419

detector capable cameras infrared

601
00:31:28,789 --> 00:31:27,059
cameras night vision cameras the whole

602
00:31:31,070 --> 00:31:28,799
place is wired with all these cameras

603
00:31:32,990 --> 00:31:31,080
that's not cheap and paying full-time

604
00:31:35,450 --> 00:31:33,000
scientists to sit around at Skinwalker

605
00:31:38,330 --> 00:31:35,460
Ranch and hopefully not drink vodka and

606
00:31:40,310 --> 00:31:38,340
make up fake stories uh you know or get

607
00:31:43,610 --> 00:31:40,320
drunk and you know anyway

608
00:31:45,710 --> 00:31:43,620
he I would give him this Brandon fugle's

609
00:31:49,130 --> 00:31:45,720
been all chips in on this that's what

610
00:31:51,710 --> 00:31:49,140
I'll say nice about him he spared no

611
00:31:54,289 --> 00:31:51,720
expense right what kind of computer do

612
00:31:57,350 --> 00:31:54,299
we need let's get the best computer that

613
00:32:01,250 --> 00:31:57,360

we could possibly get to handle all

614

00:32:03,649 --> 00:32:01,260

these incoming video feeds right and uh

615

00:32:05,450 --> 00:32:03,659

processing the data and whatever they

616

00:32:08,450 --> 00:32:05,460

need a computer for they've got a

617

00:32:11,029 --> 00:32:08,460

monster of a computer that made my geek

618

00:32:13,490 --> 00:32:11,039

[h__h] hard it's thirty thousand dollars

619

00:32:16,430 --> 00:32:13,500

worth of processing wonderment it's

620

00:32:21,230 --> 00:32:16,440

beautiful three huge I think three maybe

621

00:32:23,810 --> 00:32:21,240

more huge uh monitors right it's the

622

00:32:26,029 --> 00:32:23,820

computer of my dreams and many any geek

623

00:32:29,029 --> 00:32:26,039

streams it's wonderful

624

00:32:31,070 --> 00:32:29,039

so maybe just maybe Brandon

625

00:32:35,930 --> 00:32:31,080

has done things like the television show

626
00:32:39,169 --> 00:32:35,940
deal and the uh members only get behind

627
00:32:41,630 --> 00:32:39,179
our paywall deal to recoup some of his

628
00:32:44,750 --> 00:32:41,640
investment after all these things are

629
00:32:47,029 --> 00:32:44,760
not cheap so I don't want anybody to get

630
00:32:49,789 --> 00:32:47,039
the wrong idea I am not being critical

631
00:32:51,950 --> 00:32:49,799
of him for making these decisions in

632
00:32:53,870 --> 00:32:51,960
fact I support him making those

633
00:32:56,389 --> 00:32:53,880
decisions because he's a business person

634
00:32:59,090 --> 00:32:56,399
I'm a terrible business person he's

635
00:33:01,909 --> 00:32:59,100
obviously a great business person I'll

636
00:33:04,549 --> 00:33:01,919
give him that as well anywhere you go

637
00:33:06,529 --> 00:33:04,559
near where he lives his name is on every

638
00:33:08,930 --> 00:33:06,539

other building like he's real estate

639

00:33:11,510 --> 00:33:08,940

developer building huge office complexes

640

00:33:14,750 --> 00:33:11,520

and all these things he's incredibly

641

00:33:16,669 --> 00:33:14,760

incredibly successful at business and

642

00:33:20,810 --> 00:33:16,679

he's also a science fiction nerd which

643

00:33:22,909 --> 00:33:20,820

makes me like him and he had had a

644

00:33:25,789 --> 00:33:22,919

custom made thirty thousand dollar

645

00:33:28,250 --> 00:33:25,799

computer made for him that makes me like

646

00:33:29,810 --> 00:33:28,260

the guy right there so I don't want

647

00:33:32,590 --> 00:33:29,820

anybody to get the wrong I'm not being

648

00:33:35,930 --> 00:33:32,600

critical of having a paywall however

649

00:33:38,509 --> 00:33:35,940

Brandon fugle likes to you know portray

650

00:33:41,029 --> 00:33:38,519

that he's very serious about this very

651
00:33:44,090 --> 00:33:41,039
serious scientific investigation

652
00:33:46,669 --> 00:33:44,100
but there are some indicators that uh

653
00:33:48,710 --> 00:33:46,679
that that's not the case and we're going

654
00:33:52,490 --> 00:33:48,720
to get into that but back to the reason

655
00:33:54,889 --> 00:33:52,500
uh back to him blocking me on Twitter I

656
00:33:58,370 --> 00:33:54,899
really forgot that I did this so you

657
00:34:01,430 --> 00:33:58,380
know it was my fault but I was reading a

658
00:34:04,070 --> 00:34:01,440
a tweet thread between Stephen Green

659
00:34:06,289 --> 00:34:04,080
Street and Nick West and Brandon fogle

660
00:34:08,089 --> 00:34:06,299
and and again good for Brandon fogle

661
00:34:11,750 --> 00:34:08,099
because he's engaging with the critics

662
00:34:14,089 --> 00:34:11,760
and the Skeptics and the debunkers and

663
00:34:16,609 --> 00:34:14,099

uh and he's defending himself I thought

664

00:34:19,550 --> 00:34:16,619

quite well against some of what people

665

00:34:21,230 --> 00:34:19,560

are saying being very critical of his

666

00:34:22,070 --> 00:34:21,240

efforts

667

00:34:24,530 --> 00:34:22,080

um

668

00:34:26,210 --> 00:34:24,540

and I noticed like that you know you get

669

00:34:27,770 --> 00:34:26,220

that notice that you can't see these

670

00:34:30,290 --> 00:34:27,780

tweets or these tweets are limited or

671

00:34:32,869 --> 00:34:30,300

what and I go what happened Brandon

672

00:34:35,990 --> 00:34:32,879

fugle you blocked me why did you block

673

00:34:39,649 --> 00:34:36,000

me and then and then I suddenly realized

674

00:34:41,750 --> 00:34:39,659

I go first I said I've never even

675

00:34:43,849 --> 00:34:41,760

tweeted at him I've never said anything

676
00:34:47,210 --> 00:34:43,859
to him why did he block me and then I

677
00:34:49,129 --> 00:34:47,220
realized I tweeted at him one time when

678
00:34:51,290 --> 00:34:49,139
I saw this and we're going to share this

679
00:34:53,089 --> 00:34:51,300
and talk about it

680
00:34:55,310 --> 00:34:53,099
all right

681
00:34:57,349 --> 00:34:55,320
here we go

682
00:34:59,329 --> 00:34:57,359
so this is what apparently got me

683
00:35:01,609 --> 00:34:59,339
blocked it must be because this is the

684
00:35:04,010 --> 00:35:01,619
only time I've ever said anything to

685
00:35:06,530 --> 00:35:04,020
Brandon fogle I said nice advertising

686
00:35:08,390 --> 00:35:06,540
for your paywall the same girl who told

687
00:35:11,150 --> 00:35:08,400
everyone the Montauk project was real

688
00:35:12,950 --> 00:35:11,160

without any investigation she left out

689

00:35:15,170 --> 00:35:12,960

the part about the jerking off in the

690

00:35:17,569 --> 00:35:15,180

chair parties with the Montauk boys and

691

00:35:20,630 --> 00:35:17,579

the sex creepers pushing that story

692

00:35:23,329 --> 00:35:20,640

and this is the advertisement for the

693

00:35:25,970 --> 00:35:23,339

paywall and you get Insider member

694

00:35:28,790 --> 00:35:25,980

membership benefits exclusive Skinwalker

695

00:35:32,510 --> 00:35:28,800

Ranch content disturbing and Anonymous

696

00:35:35,089 --> 00:35:32,520

audio infrasonic and frequency data

697

00:35:37,490 --> 00:35:35,099

access to confidential historical data

698

00:35:41,270 --> 00:35:37,500

live q and A's with the Skinwalker Ranch

699

00:35:44,810 --> 00:35:41,280

teams but who she has here and this this

700

00:35:46,849 --> 00:35:44,820

is no surprise to me you got you've got

701

00:35:49,730 --> 00:35:46,859

to know that I'm not a fan of this girl

702

00:35:52,010 --> 00:35:49,740

and there's reasons for that and Brandon

703

00:35:54,290 --> 00:35:52,020

fugel you should be aware that the

704

00:35:57,470 --> 00:35:54,300

person you have advertising on your

705

00:36:01,370 --> 00:35:57,480

paywall works for Jimmy church or with

706

00:36:04,130 --> 00:36:01,380

Jimmy Church the guy who has hosted more

707

00:36:06,290 --> 00:36:04,140

scammers in UFO land and conspiracy land

708

00:36:08,810 --> 00:36:06,300

than anybody on Earth

709

00:36:10,310 --> 00:36:08,820

uh you know you you don't know this

710

00:36:14,030 --> 00:36:10,320

Brandon but

711

00:36:17,030 --> 00:36:14,040

uh Jimmy Church hosted David Wilcock who

712

00:36:19,730 --> 00:36:17,040

pumped up not one but two separate scams

713

00:36:22,430 --> 00:36:19,740

on Jimmy Church's show and of course

714

00:36:25,849 --> 00:36:22,440

Corey good he platformed him uh let's

715

00:36:27,230 --> 00:36:25,859

see Jimmy Church platforms uh who's that

716

00:36:29,030 --> 00:36:27,240

guy

717

00:36:31,490 --> 00:36:29,040

well we'll go with the girls Sarah R

718

00:36:33,710 --> 00:36:31,500

Adams who was selling fake Med beds she

719

00:36:35,930 --> 00:36:33,720

was running a scam selling fake Med beds

720

00:36:37,550 --> 00:36:35,940

he's hosting her not asking her any

721

00:36:39,950 --> 00:36:37,560

questions about the scam she's running

722

00:36:41,690 --> 00:36:39,960

didn't ask David Wilcock about any of

723

00:36:45,050 --> 00:36:41,700

the questions any questions about the

724

00:36:47,630 --> 00:36:45,060

scams he was running and of course got

725

00:36:50,030 --> 00:36:47,640

right behind Corey good the fake secret

726

00:36:52,370 --> 00:36:50,040

space program Insider who we now know

727

00:36:54,950 --> 00:36:52,380

through public deposition while under

728

00:36:57,410 --> 00:36:54,960

oath he's never been to space and she

729

00:37:00,349 --> 00:36:57,420

works with and for him but more than

730

00:37:02,630 --> 00:37:00,359

that she did shows on Montauk

731

00:37:05,810 --> 00:37:02,640

the Montauk project

732

00:37:08,750 --> 00:37:05,820

as if it was a real thing but she left

733

00:37:12,550 --> 00:37:08,760

out the part where the guys who promoted

734

00:37:15,470 --> 00:37:12,560

the Montauk project stories really were

735

00:37:17,750 --> 00:37:15,480

homosexual sex creepers who would make

736

00:37:20,870 --> 00:37:17,760

people jerk off in chairs in front of

737

00:37:23,390 --> 00:37:20,880

them and this is well documented and

738

00:37:26,390 --> 00:37:23,400

that's who you've got advertising your

739

00:37:28,490 --> 00:37:26,400

paywall I now I real I'm gonna I'm gonna

740

00:37:30,530 --> 00:37:28,500

sign up Brandon I'm gonna sign up and

741

00:37:33,370 --> 00:37:30,540

we're going to cover what you get with

742

00:37:36,230 --> 00:37:33,380

your so-called Insider benefits right

743

00:37:39,050 --> 00:37:36,240

why why is anything an Insider benefit

744

00:37:41,510 --> 00:37:39,060

right I mean I've seen the quality of

745

00:37:43,790 --> 00:37:41,520

the garbage on the television show that

746

00:37:46,550 --> 00:37:43,800

you're calling evidence of Paranormal

747

00:37:48,250 --> 00:37:46,560

Activity somehow or maybe not calling it

748

00:37:51,950 --> 00:37:48,260

but implying that there's something

749

00:37:54,890 --> 00:37:51,960

mysterious or paranormal going on here

750

00:37:57,290 --> 00:37:54,900

so what are you saving to combine the

751

00:37:59,510 --> 00:37:57,300

paywall that's and is it better than

752

00:38:01,190 --> 00:37:59,520

what the crap garbage that's on the

753

00:38:04,430 --> 00:38:01,200

television show is that how this works

754

00:38:06,589 --> 00:38:04,440

you gotta pay to get to the good stuff

755

00:38:08,450 --> 00:38:06,599

um and I'm sorry but if you're gonna say

756

00:38:12,109 --> 00:38:08,460

that you're running a serious scientific

757

00:38:15,230 --> 00:38:12,119

research effort maybe not going with a

758

00:38:18,290 --> 00:38:15,240

girl who works for the biggest UFO

759

00:38:20,930 --> 00:38:18,300

scammer platformer in the history of

760

00:38:23,930 --> 00:38:20,940

this entire thing

761

00:38:25,970 --> 00:38:23,940

helping you advertise is a good idea but

762

00:38:29,150 --> 00:38:25,980

then I remembered you gave her an

763

00:38:32,630 --> 00:38:29,160

interview right because she's a UFO

764

00:38:35,390 --> 00:38:32,640

Circle jerker a big fan of UFO scammers

765

00:38:38,390 --> 00:38:35,400

and everybody else and she asks no hard

766

00:38:41,150 --> 00:38:38,400

questions does little to no research and

767

00:38:43,910 --> 00:38:41,160

just I suppose pretends everything is

768

00:38:46,069 --> 00:38:43,920

real so it's no surprise to me it gave

769

00:38:48,589 --> 00:38:46,079

her an interview I was surprised however

770

00:38:50,810 --> 00:38:48,599

that you gave Stephen Green Street an

771

00:38:53,150 --> 00:38:50,820

interview and and that level of access

772

00:38:54,589 --> 00:38:53,160

and good for you for doing that that

773

00:38:56,870 --> 00:38:54,599

means that you're not afraid of the

774

00:38:58,490 --> 00:38:56,880

scrutiny but I think that Mr fugle may

775

00:39:01,490 --> 00:38:58,500

already be regretting

776

00:39:03,410 --> 00:39:01,500

letting Mr Green Street onto the

777

00:39:05,990 --> 00:39:03,420

property and to do that piece for the

778

00:39:08,569 --> 00:39:06,000

New York Post because it didn't go well

779

00:39:12,349 --> 00:39:08,579

so far for the Skinwalker Ranch

780

00:39:15,290 --> 00:39:12,359

Community of researchers

781

00:39:15,950 --> 00:39:15,300

um so this is what got me

782

00:39:19,550 --> 00:39:15,960

um

783

00:39:22,910 --> 00:39:19,560

blocked by Brandon fugle and here's what

784

00:39:24,589 --> 00:39:22,920

I will say I apologize Mr fugle if you

785

00:39:29,089 --> 00:39:24,599

were offended

786

00:39:32,390 --> 00:39:29,099

Enough by my tweet to block me but what

787

00:39:34,910 --> 00:39:32,400

I said here is 100 factually accurate

788

00:39:37,250 --> 00:39:34,920

she covered the Montauk project

789

00:39:39,589 --> 00:39:37,260

your advertising girl or maybe she's

790

00:39:41,750 --> 00:39:39,599

just a model for your paywall I don't

791

00:39:45,230 --> 00:39:41,760

know but she covers the Montauk project

792

00:39:48,589 --> 00:39:45,240

among other 100 percent provably fake

793

00:39:51,470 --> 00:39:48,599

stories right and she leaves out the

794

00:39:53,930 --> 00:39:51,480

part about all the jerking off going on

795

00:39:57,410 --> 00:39:53,940

so she forgot to talk about all the

796

00:39:59,630 --> 00:39:57,420

jerking off Brandon fugle the the you

797

00:40:01,970 --> 00:39:59,640

know the gay guys that used to jerk off

798

00:40:03,650 --> 00:40:01,980

in chairs in front of each other right

799

00:40:06,890 --> 00:40:03,660

because you got to get up that Sexual

800

00:40:09,650 --> 00:40:06,900

Energy in the chair like at the Montauk

801
00:40:12,170 --> 00:40:09,660
project and you got to keep spanking off

802
00:40:15,050 --> 00:40:12,180
until you reach that Climax and that

803
00:40:18,890 --> 00:40:15,060
somehow lets you teleport or teleport in

804
00:40:21,829 --> 00:40:18,900
Monsters right and by the way Mr fogle

805
00:40:24,650 --> 00:40:21,839
unlike the person that you have helping

806
00:40:27,890 --> 00:40:24,660
you advertise your paywall I did Cover

807
00:40:30,349 --> 00:40:27,900
the Montauk project and I went there in

808
00:40:31,609 --> 00:40:30,359
person I looked for the evidence I

809
00:40:33,710 --> 00:40:31,619
climbed the fence I could have got

810
00:40:35,750 --> 00:40:33,720
arrested for what I did it's out of

811
00:40:39,230 --> 00:40:35,760
Statute now it can't get me now it was

812
00:40:40,970 --> 00:40:39,240
years ago but I I hopped the fence I

813
00:40:44,390 --> 00:40:40,980

went looking for vents underground

814

00:40:47,150 --> 00:40:44,400

entrances any sign that anything in the

815

00:40:49,730 --> 00:40:47,160

Montauk project was true accurate or

816

00:40:52,910 --> 00:40:49,740

real do you know what I found nothing

817

00:40:55,790 --> 00:40:52,920

there is no evidence there at that base

818

00:40:58,790 --> 00:40:55,800

of anything like the people promoting

819

00:41:02,530 --> 00:40:58,800

the Montauk project talked about that

820

00:41:05,930 --> 00:41:02,540

was a for-profit fake story generated by

821

00:41:08,750 --> 00:41:05,940

homosexuals who like to watch young men

822

00:41:11,329 --> 00:41:08,760

jerk off in chairs in front of them and

823

00:41:13,069 --> 00:41:11,339

this has been well documented and did

824

00:41:14,990 --> 00:41:13,079

you know a form of therapy or

825

00:41:17,630 --> 00:41:15,000

deprogramming should you have been a

826
00:41:19,970 --> 00:41:17,640
victim of the Montauk project involved

827
00:41:21,470 --> 00:41:19,980
more sex Creeper stuff sweat jerking off

828
00:41:24,349 --> 00:41:21,480
in front of a dude or letting a dude

829
00:41:26,990 --> 00:41:24,359
jerk you off or and and hey let's all

830
00:41:28,970 --> 00:41:27,000
jerk each other off to prove that we

831
00:41:30,770 --> 00:41:28,980
were part of the Montauk project this is

832
00:41:33,589 --> 00:41:30,780
just get all of us could just get our

833
00:41:36,290 --> 00:41:33,599
[h__h] out and jerk each other off and

834
00:41:40,670 --> 00:41:36,300
talk about the secret Montauk project

835
00:41:42,770 --> 00:41:40,680
underground base which did not exist

836
00:41:45,650 --> 00:41:42,780
she pretended it did

837
00:41:47,569 --> 00:41:45,660
so you know and and why would you

838
00:41:50,390 --> 00:41:47,579

associate yourself with somebody who

839

00:41:52,849 --> 00:41:50,400

works with and for Jimmy Church who

840

00:41:55,370 --> 00:41:52,859

constantly hosts scammers like Jason

841

00:41:57,950 --> 00:41:55,380

sherka who tells people that you can

842

00:42:00,290 --> 00:41:57,960

cure autism with camel milk and

843

00:42:01,190 --> 00:42:00,300

essential oils behind a paywall of

844

00:42:05,030 --> 00:42:01,200

course

845

00:42:08,630 --> 00:42:05,040

right or Billy Carson who was arrested

846

00:42:10,130 --> 00:42:08,640

for fraud pled guilty of Fraud and is

847

00:42:12,650 --> 00:42:10,140

right now selling let's just say

848

00:42:14,569 --> 00:42:12,660

questionable products that's who she

849

00:42:17,329 --> 00:42:14,579

works with and for

850

00:42:20,810 --> 00:42:17,339

and the Montauk project is a come 100

851
00:42:23,930 --> 00:42:20,820
percent completely fake story and she

852
00:42:25,730 --> 00:42:23,940
left out all the jerking off you got to

853
00:42:27,950 --> 00:42:25,740
leave out the parts of the jerking off

854
00:42:29,569 --> 00:42:27,960
and the homo parties right not that

855
00:42:31,609 --> 00:42:29,579
there's anything wrong with homo parties

856
00:42:34,130 --> 00:42:31,619
you want to have a homosexual party and

857
00:42:36,230 --> 00:42:34,140
jerk each other off I'm fine with that

858
00:42:39,109 --> 00:42:36,240
I'm okay with that it's okay if that's

859
00:42:41,210 --> 00:42:39,119
your thing do it jerk off you know but

860
00:42:44,329 --> 00:42:41,220
don't pretend

861
00:42:46,730 --> 00:42:44,339
that you were you know have some secret

862
00:42:49,849 --> 00:42:46,740
knowledge of some secret project that

863
00:42:52,310 --> 00:42:49,859

was kidnapping children and abusing them

864

00:42:55,370 --> 00:42:52,320

and using them in some nefarious

865

00:42:58,069 --> 00:42:55,380

underground base that by the way does

866

00:42:59,930 --> 00:42:58,079

not exist Brandon Frugal I went there I

867

00:43:02,630 --> 00:42:59,940

hopped the fence I spent two days

868

00:43:04,250 --> 00:43:02,640

looking for vents or underground base

869

00:43:07,190 --> 00:43:04,260

entrances I went through all the

870

00:43:10,550 --> 00:43:07,200

abandoned buildings in on that base

871

00:43:13,730 --> 00:43:10,560

there is nothing there like the Montauk

872

00:43:15,910 --> 00:43:13,740

project people described nothing

873

00:43:19,370 --> 00:43:15,920

and this is who you have helping you

874

00:43:23,990 --> 00:43:19,380

advertise for what it is that you are

875

00:43:26,870 --> 00:43:24,000

selling uh sorry not sorry

876

00:43:28,790 --> 00:43:26,880

this is a bad look for you and even

877

00:43:31,250 --> 00:43:28,800

giving somebody in an interview like

878

00:43:34,190 --> 00:43:31,260

that I would think is a bad look for you

879

00:43:36,109 --> 00:43:34,200

but I'm biased I will admit I'm biased

880

00:43:39,290 --> 00:43:36,119

because I don't like who she works with

881

00:43:42,050 --> 00:43:39,300

and I don't like the fact that she wants

882

00:43:44,930 --> 00:43:42,060

to take all the benefit of her uh

883

00:43:48,410 --> 00:43:44,940

association with slime ball scam scam

884

00:43:50,030 --> 00:43:48,420

promoter hoax promoter Jimmy church do

885

00:43:52,130 --> 00:43:50,040

you know who else he promoted Brandon

886

00:43:53,150 --> 00:43:52,140

fugle a completely and totally fake

887

00:43:55,190 --> 00:43:53,160

doctor

888

00:43:56,930 --> 00:43:55,200

we caught him with that one completely

889

00:44:00,170 --> 00:43:56,940

totally fake doctor wasn't who he said

890

00:44:02,569 --> 00:44:00,180

he was fake name yeah yeah the guy who

891

00:44:05,329 --> 00:44:02,579

had the alien in his freezer he promoted

892

00:44:07,910 --> 00:44:05,339

that she says nothing about all this

893

00:44:10,190 --> 00:44:07,920

stuff and I'm the bad guy for pointing

894

00:44:12,950 --> 00:44:10,200

out facts and evidence like the jerk off

895

00:44:15,950 --> 00:44:12,960

parties of the Montauk project that she

896

00:44:17,630 --> 00:44:15,960

left out of her story because you know

897

00:44:20,150 --> 00:44:17,640

telling people the truth that those

898

00:44:22,250 --> 00:44:20,160

stories were promoted by guys who like

899

00:44:24,050 --> 00:44:22,260

to have homo parties homosexual parties

900

00:44:27,530 --> 00:44:24,060

and jerk each other off or watch each

901
00:44:30,290 --> 00:44:27,540
other jerk off in chairs that doesn't

902
00:44:33,349 --> 00:44:30,300
really help sell the story of the

903
00:44:36,109 --> 00:44:33,359
Paranormal you know events that took

904
00:44:37,970 --> 00:44:36,119
place at the secret Montauk base that by

905
00:44:39,890 --> 00:44:37,980
the way doesn't exist I spent two days

906
00:44:43,190 --> 00:44:39,900
of my life right

907
00:44:46,490 --> 00:44:43,200
so you know pardon me if I get a little

908
00:44:48,589 --> 00:44:46,500
pissy when some girl is sitting there

909
00:44:50,089 --> 00:44:48,599
doing the right click research thing let

910
00:44:52,849 --> 00:44:50,099
me look up on the Internet what people

911
00:44:56,210 --> 00:44:52,859
said about this and just repeat it right

912
00:44:57,890 --> 00:44:56,220
and that's one that's only one of the

913
00:44:59,930 --> 00:44:57,900

problems with that girl

914

00:45:02,990 --> 00:44:59,940

but you rewarded her with an interview

915

00:45:05,150 --> 00:45:03,000

apparently not knowing that she's a

916

00:45:07,550 --> 00:45:05,160

piss-poor researcher who leaves out

917

00:45:10,370 --> 00:45:07,560

things like jerk off parties because

918

00:45:14,270 --> 00:45:10,380

that doesn't help sell the story and now

919

00:45:18,829 --> 00:45:14,280

she's plastered all over your buy our

920

00:45:22,190 --> 00:45:18,839

paywall page great nothing says credible

921

00:45:25,730 --> 00:45:22,200

credible scientific research like

922

00:45:27,950 --> 00:45:25,740

putting a girl on your page that talks

923

00:45:31,069 --> 00:45:27,960

about the Montauk project but leaves out

924

00:45:33,470 --> 00:45:31,079

all the homosexual stuff and the sex

925

00:45:36,349 --> 00:45:33,480

creeper parties and the jerking off

926

00:45:38,690 --> 00:45:36,359

constantly and you gotta jerk off in

927

00:45:40,550 --> 00:45:38,700

front of that guy to prove that you were

928

00:45:42,410 --> 00:45:40,560

part of the Montauk project and this

929

00:45:44,150 --> 00:45:42,420

guy's jerking this guy off and oh

930

00:45:46,190 --> 00:45:44,160

there's a form of therapy the

931

00:45:49,250 --> 00:45:46,200

deprogramming for being a victim of

932

00:45:51,650 --> 00:45:49,260

Montauk project is to let a guy jerk you

933

00:45:55,010 --> 00:45:51,660

off or jerk off in front of him you know

934

00:45:59,270 --> 00:45:55,020

it's all just leave all that out nothing

935

00:46:03,290 --> 00:45:59,280

says credibility Brandon fugel like that

936

00:46:07,010 --> 00:46:03,300

and while again I will apologize if Mr

937

00:46:08,450 --> 00:46:07,020

fugle was so offended by my statement of

938

00:46:10,910 --> 00:46:08,460

fact there

939

00:46:13,490 --> 00:46:10,920

that he blocked me on Twitter I was

940

00:46:16,250 --> 00:46:13,500

defending him I was defending him but I

941

00:46:18,530 --> 00:46:16,260

did see that and said he should know

942

00:46:20,569 --> 00:46:18,540

he should know that's who he's using to

943

00:46:21,530 --> 00:46:20,579

help him advertise what he's selling

944

00:46:23,870 --> 00:46:21,540

people

945

00:46:27,050 --> 00:46:23,880

I think that's very fair

946

00:46:29,150 --> 00:46:27,060

right yeah and I think uh Mr Ian is

947

00:46:30,170 --> 00:46:29,160

asking is The Jerk Fest over has it

948

00:46:31,550 --> 00:46:30,180

stopped

949

00:46:34,430 --> 00:46:31,560

uh

950

00:46:37,309 --> 00:46:34,440

yeah the guy died one of those guys died

951

00:46:38,870 --> 00:46:37,319

so the jerk off party stopped I think

952

00:46:42,650 --> 00:46:38,880

but there's still other guys that are

953

00:46:47,329 --> 00:46:45,770

yes and Mr blood vessel says I live near

954

00:46:49,670 --> 00:46:47,339

Montauk I wish I knew you were visiting

955

00:46:52,250 --> 00:46:49,680

it was some time ago

956

00:46:55,490 --> 00:46:52,260

um but I did spend two days there

957

00:46:57,050 --> 00:46:55,500

and uh committed a few crimes but I was

958

00:46:59,270 --> 00:46:57,060

so

959

00:47:01,670 --> 00:46:59,280

I was obsessed with knowing if that

960

00:47:04,250 --> 00:47:01,680

story was true you ever you ever just

961

00:47:06,290 --> 00:47:04,260

get into a story and it just grabs you

962

00:47:08,510 --> 00:47:06,300

that story grabbed me and I read the

963

00:47:11,569 --> 00:47:08,520

books and I saw what people were saying

964

00:47:13,250 --> 00:47:11,579

and I'm like Montauk is not that far

965

00:47:16,550 --> 00:47:13,260

from me I'm in Pennsylvania I could

966

00:47:18,970 --> 00:47:16,560

drive there let's go see that base and I

967

00:47:21,530 --> 00:47:18,980

did and you know what I saw nothing

968

00:47:24,950 --> 00:47:21,540

absolutely nothing like the people who

969

00:47:26,030 --> 00:47:24,960

promote that story describe nothing now

970

00:47:27,530 --> 00:47:26,040

I'm sure they're going to bring in the

971

00:47:29,450 --> 00:47:27,540

Men in Black and they covered up the

972

00:47:31,609 --> 00:47:29,460

base and they filled in the underground

973

00:47:33,290 --> 00:47:31,619

parks and the tunnels sure I went

974

00:47:37,069 --> 00:47:33,300

looking there's no tunnels there's

975

00:47:40,609 --> 00:47:37,079

nothing there abandoned buildings uh you

976
00:47:42,050 --> 00:47:40,619
know left to to be destroyed by time

977
00:47:43,809 --> 00:47:42,060
that's it

978
00:47:47,630 --> 00:47:43,819
so

979
00:47:49,609 --> 00:47:47,640
recently uh Stephen Green Street again

980
00:47:53,569 --> 00:47:49,619
who did an excellent report and I'm

981
00:47:55,670 --> 00:47:53,579
gonna uh I'm gonna fix uh something here

982
00:47:56,690 --> 00:47:55,680
and that is that I'm a terrible show

983
00:47:58,970 --> 00:47:56,700
host

984
00:48:00,829 --> 00:47:58,980
and I did not put

985
00:48:02,750 --> 00:48:00,839
the video that we'll be sharing tonight

986
00:48:05,390 --> 00:48:02,760
under fair use of course in the

987
00:48:07,730 --> 00:48:05,400
description of the video

988
00:48:09,950 --> 00:48:07,740

um that you are watching so let me go

989

00:48:11,990 --> 00:48:09,960

and do that very quickly and while I'm

990

00:48:14,750 --> 00:48:12,000

doing this I want to welcome

991

00:48:16,870 --> 00:48:14,760

for joining us especially those new

992

00:48:19,550 --> 00:48:16,880

friends that we are finding through

993

00:48:21,710 --> 00:48:19,560

these new video Platforms in our new

994

00:48:24,410 --> 00:48:21,720

distribution Network including those

995

00:48:27,109 --> 00:48:24,420

listening on Twitch Rumble and odyssey

996

00:48:28,970 --> 00:48:27,119

or watching on Twitch Rumble and odyssey

997

00:48:31,430 --> 00:48:28,980

you are most welcome

998

00:48:33,710 --> 00:48:31,440

so glad to have this increased audience

999

00:48:36,890 --> 00:48:33,720

now uh and I'm just going to put videos

1000

00:48:38,990 --> 00:48:36,900

shared by Stephen Green Street

1001

00:48:41,089 --> 00:48:39,000

I'm a terrible show host

1002

00:48:42,410 --> 00:48:41,099

you know sometimes I say I'll put it in

1003

00:48:45,170 --> 00:48:42,420

the description of the video and then

1004

00:48:47,410 --> 00:48:45,180

after the show I forget never do it and

1005

00:48:49,390 --> 00:48:47,420

people get pissed off

1006

00:48:52,849 --> 00:48:49,400

all right so

1007

00:48:55,309 --> 00:48:52,859

let's do it let's see

1008

00:48:57,650 --> 00:48:55,319

okay so Stephen Green Street

1009

00:49:00,230 --> 00:48:57,660

did an incredible job by the way

1010

00:49:02,809 --> 00:49:00,240

detailing all the garbage fake stories

1011

00:49:06,050 --> 00:49:02,819

that George Knapp Jeremy Cordell and

1012

00:49:09,349 --> 00:49:06,060

others have sold and told about this

1013

00:49:11,210 --> 00:49:09,359

Skinwalker Ranch and also

1014

00:49:13,250 --> 00:49:11,220

um the fact that there's no evidence for

1015

00:49:15,230 --> 00:49:13,260

any of it even though

1016

00:49:16,970 --> 00:49:15,240

George Knapp said that the book was

1017

00:49:20,150 --> 00:49:16,980

based on all this evidence when pressed

1018

00:49:23,030 --> 00:49:20,160

for evidence he doesn't have any

1019

00:49:25,130 --> 00:49:23,040

um yeah so let me put up our fair use

1020

00:49:26,750 --> 00:49:25,140

Banner this is transformative work we're

1021

00:49:29,329 --> 00:49:26,760

educating the public and critiquing the

1022

00:49:30,950 --> 00:49:29,339

video that we're sharing and this is of

1023

00:49:32,630 --> 00:49:30,960

course a transformative work and we'll

1024

00:49:34,370 --> 00:49:32,640

be discussing this with the live chat as

1025

00:49:36,230 --> 00:49:34,380

well so you guys helped to make this a

1026
00:49:38,750 --> 00:49:36,240
transformative work and make this all

1027
00:49:41,030 --> 00:49:38,760
possible uh and thank you for being here

1028
00:49:43,190 --> 00:49:41,040
to do that so

1029
00:49:45,650 --> 00:49:43,200
Stephen Green Street excellent report

1030
00:49:47,329 --> 00:49:45,660
detailing that the Bigelow error is a

1031
00:49:49,490 --> 00:49:47,339
crook of [h__h] I'm just going to say it

1032
00:49:56,750 --> 00:49:49,500
like that the Bigelow error is a crock

1033
00:50:00,410 --> 00:49:57,950
nothing

1034
00:50:02,390 --> 00:50:00,420
if you go buys it he's going to do it

1035
00:50:04,490 --> 00:50:02,400
the bet the right way the scientific way

1036
00:50:06,829 --> 00:50:04,500
uh you know they're going to do it the

1037
00:50:08,210 --> 00:50:06,839
right way uh even though they got a girl

1038
00:50:10,790 --> 00:50:08,220

that's

1039

00:50:13,370 --> 00:50:10,800

very questionable helping them advertise

1040

00:50:17,030 --> 00:50:13,380

the crap that they're selling the fans

1041

00:50:18,950 --> 00:50:17,040

of the show and and again you know Mr

1042

00:50:21,109 --> 00:50:18,960

fugel if you want to be perceived as

1043

00:50:22,550 --> 00:50:21,119

credible maybe having somebody that

1044

00:50:25,370 --> 00:50:22,560

works with Jimmy Church the biggest

1045

00:50:27,650 --> 00:50:25,380

slime ball in UFO land is not a good

1046

00:50:30,710 --> 00:50:27,660

look for you maybe ought to reevaluate

1047

00:50:33,050 --> 00:50:30,720

those decisions but I get it she's a big

1048

00:50:34,910 --> 00:50:33,060

friend and fan and he interviewed and

1049

00:50:37,430 --> 00:50:34,920

She interviewed him and gave him the

1050

00:50:40,250 --> 00:50:37,440

softball circle jerk right and didn't

1051
00:50:42,010 --> 00:50:40,260
ask him any hard questions like about

1052
00:50:45,349 --> 00:50:42,020
the financial

1053
00:50:47,750 --> 00:50:45,359
arrangements and stuff going on like

1054
00:50:50,569 --> 00:50:47,760
stars of the television show getting

1055
00:50:53,270 --> 00:50:50,579
money from the local municipality for

1056
00:50:54,770 --> 00:50:53,280
what Brandon fugel and by the way you

1057
00:50:57,410 --> 00:50:54,780
haven't commented on any of that stuff

1058
00:51:01,430 --> 00:50:57,420
publicly have you I think you should

1059
00:51:04,250 --> 00:51:01,440
uh it's problematic because after all

1060
00:51:06,410 --> 00:51:04,260
the American taxpayers were in my view

1061
00:51:08,750 --> 00:51:06,420
scanned out of 22 million dollars

1062
00:51:11,750 --> 00:51:08,760
previously for Skinwalker Ranch now

1063
00:51:13,849 --> 00:51:11,760

apparently some other taxpayers are

1064

00:51:17,150 --> 00:51:13,859

giving money to people involved with

1065

00:51:18,770 --> 00:51:17,160

Skinwalker Ranch I would think being a

1066

00:51:21,410 --> 00:51:18,780

business person yourself you would

1067

00:51:23,990 --> 00:51:21,420

understand that that doesn't look good

1068

00:51:25,270 --> 00:51:24,000

especially considering the history of

1069

00:51:28,549 --> 00:51:25,280

somebody else

1070

00:51:31,250 --> 00:51:28,559

essentially taking 22 million dollars of

1071

00:51:34,130 --> 00:51:31,260

taxpayer money for Skinwalker Ranch now

1072

00:51:36,670 --> 00:51:34,140

we've got people involved with Brandon

1073

00:51:40,069 --> 00:51:36,680

fugel Skinwalker Ranch taking money

1074

00:51:42,530 --> 00:51:40,079

taxpayer money

1075

00:51:43,670 --> 00:51:42,540

and by the way to be clear I'm not

1076
00:51:45,470 --> 00:51:43,680
saying there's anything wrong with that

1077
00:51:49,370 --> 00:51:45,480
but I think Brandon fugel should do a

1078
00:51:52,370 --> 00:51:49,380
show and talk about that and defend

1079
00:51:59,210 --> 00:51:55,490
whatever defend their

1080
00:52:01,190 --> 00:51:59,220
reasoning for taking taxpayer money

1081
00:52:03,829 --> 00:52:01,200
why are people from Skinwalker Ranch

1082
00:52:05,089 --> 00:52:03,839
taking taxpayer money Brandon fugle it's

1083
00:52:07,309 --> 00:52:05,099
a fair question

1084
00:52:09,290 --> 00:52:07,319
and uh I know somebody that worked for

1085
00:52:11,109 --> 00:52:09,300
you talked to Jack Brewer but that was

1086
00:52:14,809 --> 00:52:11,119
kind of hard to follow I I don't

1087
00:52:18,049 --> 00:52:14,819
completely understand why are you guys

1088
00:52:20,930 --> 00:52:18,059

taking taxpayer money and why is that

1089

00:52:23,390 --> 00:52:20,940

ethically or morally okay

1090

00:52:26,589 --> 00:52:23,400

I don't understand I I just don't

1091

00:52:28,549 --> 00:52:26,599

understand and what about these huge

1092

00:52:32,030 --> 00:52:28,559

events right

1093

00:52:34,010 --> 00:52:32,040

like that just happened and Travis

1094

00:52:35,750 --> 00:52:34,020

Taylor how much money did he get paid to

1095

00:52:38,510 --> 00:52:35,760

talk at that conference

1096

00:52:41,210 --> 00:52:38,520

right is this is this about science or

1097

00:52:43,250 --> 00:52:41,220

is this about cash right we got TV show

1098

00:52:47,329 --> 00:52:43,260

cash we got money from the local

1099

00:52:49,370 --> 00:52:47,339

municipality coming in we got uh paywall

1100

00:52:51,650 --> 00:52:49,380

where you could get behind the paywall

1101
00:52:53,450 --> 00:52:51,660
and you see that nice picture of the

1102
00:52:55,730 --> 00:52:53,460
girl who forgot about the Montauk

1103
00:52:57,829 --> 00:52:55,740
project jerk off parties when she told

1104
00:53:00,230 --> 00:52:57,839
everybody essentially that that's a true

1105
00:53:02,990 --> 00:53:00,240
story with her slimeball partner Jimmy

1106
00:53:05,750 --> 00:53:03,000
Church yeah great so we've got money

1107
00:53:07,910 --> 00:53:05,760
from the television show Deal we've got

1108
00:53:10,510 --> 00:53:07,920
money from behind the paywall and then

1109
00:53:13,069 --> 00:53:10,520
we've got conference appearance money

1110
00:53:16,430 --> 00:53:13,079
and money coming in from the local

1111
00:53:23,329 --> 00:53:20,569
real real scientific it seems to me to

1112
00:53:26,990 --> 00:53:23,339
me all right so

1113
00:53:28,970 --> 00:53:27,000

Green Street uh gets to be invited to

1114

00:53:31,490 --> 00:53:28,980

Skinwalker Ranch and by the way I'm

1115

00:53:34,190 --> 00:53:31,500

pretty sure after this broadcast I will

1116

00:53:37,069 --> 00:53:34,200

never be allowed to step foot

1117

00:53:40,730 --> 00:53:37,079

on Skinwalker Ranch so my dream of

1118

00:53:43,790 --> 00:53:40,740

visiting there is now probably gone and

1119

00:53:47,930 --> 00:53:43,800

uh by the way Mr fugel I would uh

1120

00:53:50,390 --> 00:53:47,940

certainly like I say I I'm just

1121

00:53:52,250 --> 00:53:50,400

maybe I'm just being honest with you

1122

00:53:55,490 --> 00:53:52,260

where other people are dancing on

1123

00:53:59,030 --> 00:53:55,500

eggshells uh and and by the way that's a

1124

00:54:02,569 --> 00:53:59,040

good person to have around you you got

1125

00:54:04,430 --> 00:54:02,579

yes men around you I think uh so maybe

1126

00:54:07,250 --> 00:54:04,440

just maybe there's still possibility

1127

00:54:09,770 --> 00:54:07,260

that brand of Hugo's gonna email me and

1128

00:54:11,750 --> 00:54:09,780

tell me that I'm welcome to go uh with

1129

00:54:14,270 --> 00:54:11,760

cameras and my own equipment by the way

1130

00:54:16,130 --> 00:54:14,280

Mr fugle I have my own equipment I've

1131

00:54:20,030 --> 00:54:16,140

got all kinds of stuff magnetometers

1132

00:54:22,670 --> 00:54:20,040

night vision uh infrared you know all

1133

00:54:24,650 --> 00:54:22,680

kinds of sensor equipment and more and I

1134

00:54:26,930 --> 00:54:24,660

would be happy to come there uh and

1135

00:54:29,750 --> 00:54:26,940

spend two weeks I would spend two weeks

1136

00:54:33,049 --> 00:54:29,760

there trying to capture some form of

1137

00:54:36,109 --> 00:54:33,059

Paranormal Activity but I suppose that

1138

00:54:38,809 --> 00:54:36,119

like most people that are selling a

1139

00:54:40,309 --> 00:54:38,819

fairy tale he does not want the scrutiny

1140

00:54:43,190 --> 00:54:40,319

I'm surprised he let Stephen Green

1141

00:54:44,390 --> 00:54:43,200

Street anywhere near this thing but I'm

1142

00:54:47,089 --> 00:54:44,400

glad that he did

1143

00:54:48,770 --> 00:54:47,099

because while there Stephen Green Street

1144

00:54:50,210 --> 00:54:48,780

asked a very important question can you

1145

00:54:52,010 --> 00:54:50,220

show me some of the most compelling

1146

00:54:55,010 --> 00:54:52,020

evidence that you have you have this

1147

00:54:56,630 --> 00:54:55,020

super computer and you've got what do

1148

00:54:58,970 --> 00:54:56,640

they got 100 cameras throughout the

1149

00:55:00,650 --> 00:54:58,980

ranch I don't know cameras all over the

1150

00:55:03,890 --> 00:55:00,660

ranch all feeding into this

1151
00:55:06,890 --> 00:55:03,900
supercomputer which then tags things

1152
00:55:10,370 --> 00:55:06,900
that that are worthy of you know

1153
00:55:13,069 --> 00:55:10,380
interests of the human operators so

1154
00:55:16,490 --> 00:55:13,079
Stephen Green Street asks him show me

1155
00:55:18,770 --> 00:55:16,500
the best that you got and I almost fell

1156
00:55:21,849 --> 00:55:18,780
out of my chair when I saw this because

1157
00:55:24,049 --> 00:55:21,859
remember this ongoing scientific

1158
00:55:26,930 --> 00:55:24,059
paranormal investigation has been going

1159
00:55:30,829 --> 00:55:26,940
on for years we're up to three seasons

1160
00:55:33,589 --> 00:55:30,839
of a television show and he's got at

1161
00:55:34,910 --> 00:55:33,599
least two professional scientists there

1162
00:55:37,430 --> 00:55:34,920
right there's the guy who works the

1163
00:55:38,990 --> 00:55:37,440

computer sorry His Name Escapes me

1164

00:55:42,170 --> 00:55:39,000

um

1165

00:55:43,970 --> 00:55:42,180

Chief science officer I guess like Star

1166

00:55:46,250 --> 00:55:43,980

Trek that guy and then he got Travis

1167

00:55:49,609 --> 00:55:46,260

Taylor who every time he sees something

1168

00:55:52,309 --> 00:55:49,619

he's convinced it's paranormal

1169

00:55:53,510 --> 00:55:52,319

or it's a Tic Tac it's got to be a Tic

1170

00:55:56,329 --> 00:55:53,520

Tac

1171

00:55:58,329 --> 00:55:56,339

um I almost fell off my chair when I saw

1172

00:56:01,430 --> 00:55:58,339

what they showed Stephen Green Street

1173

00:56:04,670 --> 00:56:01,440

and does this mean this is really the

1174

00:56:07,549 --> 00:56:04,680

best that they have after years of

1175

00:56:10,010 --> 00:56:07,559

camera feeds after years of Brandon

1176
00:56:13,130 --> 00:56:10,020
fugle dumping money after money after

1177
00:56:15,770 --> 00:56:13,140
money into this place paint is he paying

1178
00:56:19,190 --> 00:56:15,780
all these people's salaries to get this

1179
00:56:21,230 --> 00:56:19,200
level of garbage this is garbage and

1180
00:56:23,390 --> 00:56:21,240
we're gonna get into it all right so

1181
00:56:26,750 --> 00:56:23,400
we've cited fair use uh we're gonna

1182
00:56:29,089 --> 00:56:26,760
share this uh and this is from

1183
00:56:32,750 --> 00:56:29,099
Stephen Green Street the New York posts

1184
00:56:34,549 --> 00:56:32,760
uh he he does episodes uh for the New

1185
00:56:36,589 --> 00:56:34,559
York Post called the basement office all

1186
00:56:38,990 --> 00:56:36,599
about UFOs and Paranormal Activity if

1187
00:56:41,390 --> 00:56:39,000
you've never seen it go see it

1188
00:56:43,370 --> 00:56:41,400

um and the video that we are sharing is

1189

00:56:44,870 --> 00:56:43,380

in the description of this video that

1190

00:56:46,790 --> 00:56:44,880

you are watching wherever you are

1191

00:56:48,349 --> 00:56:46,800

watching it so you can go and see the

1192

00:56:50,750 --> 00:56:48,359

entire thing we're only going to be

1193

00:56:52,190 --> 00:56:50,760

sharing the relevant portion of it

1194

00:56:54,650 --> 00:56:52,200

and

1195

00:56:57,890 --> 00:56:54,660

uh let me do that one more time always

1196

00:57:01,309 --> 00:56:57,900

forget to share the audio

1197

00:57:04,190 --> 00:57:01,319

or make sure I'm sharing the audio

1198

00:57:06,730 --> 00:57:04,200

and so the chief Science Guy shows

1199

00:57:09,650 --> 00:57:06,740

Brandon fuggle some rocks they look like

1200

00:57:11,809 --> 00:57:09,660

I decide I need to see more than just

1201
00:57:14,329 --> 00:57:11,819
normal looking rocks discovered where

1202
00:57:17,089 --> 00:57:14,339
rocks are usually found

1203
00:57:19,910 --> 00:57:17,099
Fugal has installed dozens and dozens of

1204
00:57:22,790 --> 00:57:19,920
surveillance cameras on the ranch and

1205
00:57:25,250 --> 00:57:22,800
all of that video comes through here and

1206
00:57:26,690 --> 00:57:25,260
computers highlight any movement or

1207
00:57:29,210 --> 00:57:26,700
strangeness

1208
00:57:34,549 --> 00:57:29,220
so with cameras all over the place

1209
00:57:36,950 --> 00:57:34,559
running 24 7 for many years now what are

1210
00:57:38,870 --> 00:57:36,960
the best examples of Paranormal Activity

1211
00:57:41,150 --> 00:57:38,880
they've captured on video

1212
00:57:43,010 --> 00:57:41,160
yeah and and by the way I would like

1213
00:57:44,510 --> 00:57:43,020

Brandon fogle to comment on this

1214

00:57:46,130 --> 00:57:44,520

specific thing

1215

00:57:48,170 --> 00:57:46,140

uh

1216

00:57:51,470 --> 00:57:48,180

and and the reason I would ask that

1217

00:57:55,670 --> 00:57:51,480

Brandon fogle comment on this is because

1218

00:57:58,790 --> 00:57:55,680

um we don't know you know I didn't

1219

00:58:02,089 --> 00:57:58,800

I I just want to be sure that like

1220

00:58:03,109 --> 00:58:02,099

maybe his this guy didn't understand the

1221

00:58:05,089 --> 00:58:03,119

question

1222

00:58:07,370 --> 00:58:05,099

but Stephen Greenstreet is saying

1223

00:58:09,290 --> 00:58:07,380

essentially you got all these cameras

1224

00:58:11,990 --> 00:58:09,300

everywhere it's all fed in right here

1225

00:58:15,770 --> 00:58:12,000

let me see the best evidence that you

1226

00:58:17,390 --> 00:58:15,780

got maybe he misunderstood him maybe he

1227

00:58:19,250 --> 00:58:17,400

does he's got a folder somewhere or

1228

00:58:22,370 --> 00:58:19,260

better stuff that we didn't see maybe

1229

00:58:25,430 --> 00:58:22,380

this is just recent I just can't believe

1230

00:58:27,290 --> 00:58:25,440

that this this has been going on for

1231

00:58:28,309 --> 00:58:27,300

years and years and years all this video

1232

00:58:33,350 --> 00:58:28,319

feed

1233

00:58:47,030 --> 00:58:39,890

[Laughter]

1234

00:58:47,040 --> 00:58:51,170

this is what he shows me

1235

00:58:54,650 --> 00:58:53,150

go ahead and say it out loud what's your

1236

00:58:56,150 --> 00:58:54,660

first impression

1237

00:58:58,430 --> 00:58:56,160

what's the first thing that comes to

1238

00:58:59,870 --> 00:58:58,440

mind when you see that that movement uh

1239

00:59:01,970 --> 00:58:59,880

bug yes

1240

00:59:03,710 --> 00:59:01,980

um I see a spider hanging from a web

1241

00:59:05,809 --> 00:59:03,720

that you can't is not being picked up on

1242

00:59:07,789 --> 00:59:05,819

camera in the wind blowing it is what I

1243

00:59:10,430 --> 00:59:07,799

see you can see legs almost it almost

1244

00:59:12,250 --> 00:59:10,440

looks like a body I don't see that what

1245

00:59:14,690 --> 00:59:12,260

I see here is a moth

1246

00:59:17,030 --> 00:59:14,700

and the reason that I'm saying that is

1247

00:59:20,990 --> 00:59:17,040

because I have trail cams at my camera

1248

00:59:23,089 --> 00:59:21,000

that are you know infrared night vision

1249

00:59:26,569 --> 00:59:23,099

whatever and

1250

00:59:28,670 --> 00:59:26,579

occasionally I catch footage like this

1251

00:59:31,010 --> 00:59:28,680

um and it's a moth

1252

00:59:34,250 --> 00:59:31,020

it's nothing paranormal it's nothing

1253

00:59:37,609 --> 00:59:34,260

mysterious it's a moth but night vision

1254

00:59:41,150 --> 00:59:37,619

cameras will amplify sometimes

1255

00:59:44,030 --> 00:59:41,160

you know a white or light colored moth

1256

00:59:46,549 --> 00:59:44,040

to look more like an orb like this

1257

00:59:49,789 --> 00:59:46,559

that's my take on this that this is a

1258

00:59:52,190 --> 00:59:49,799

moth I could be wrong we don't know for

1259

00:59:53,030 --> 00:59:52,200

certain but

1260

00:59:56,150 --> 00:59:53,040

um

1261

00:59:59,809 --> 00:59:56,160

again Stephen Green Street asked him to

1262

01:00:04,010 --> 00:59:59,819

show him the best footage of anomalous

1263

01:00:07,069 --> 01:00:04,020

activity that they had and and this is

1264

01:00:10,309 --> 01:00:07,079

what the guy pulls out after years this

1265

01:00:11,990 --> 01:00:10,319

dude has been getting paid big time to

1266

01:00:14,870 --> 01:00:12,000

be on a television show he's getting

1267

01:00:16,490 --> 01:00:14,880

paid by Brandon I don't know is he one

1268

01:00:19,730 --> 01:00:16,500

of the guys getting paid by the local

1269

01:00:21,950 --> 01:00:19,740

municipality and taxpayer money too like

1270

01:00:23,270 --> 01:00:21,960

I don't know that he's talking at

1271

01:00:26,030 --> 01:00:23,280

conferences I don't know he's getting

1272

01:00:27,710 --> 01:00:26,040

conference money appearance but maybe is

1273

01:00:31,069 --> 01:00:27,720

he getting paid from the behind the

1274

01:00:32,990 --> 01:00:31,079

paywall talks you know when they do

1275

01:00:35,089 --> 01:00:33,000

talks with cast members is he getting

1276

01:00:38,690 --> 01:00:35,099

paid for that too and Stephen Green

1277

01:00:41,690 --> 01:00:38,700

Street he had some show me the best you

1278

01:00:45,289 --> 01:00:41,700

got and

1279

01:00:48,829 --> 01:00:45,299

see what legs going like this okay okay

1280

01:00:51,589 --> 01:00:48,839

the video clip is only 20 seconds long

1281

01:00:54,530 --> 01:00:51,599

as such we're not able to see what

1282

01:00:56,750 --> 01:00:54,540

occurred before or after the blurry bug

1283

01:00:59,030 --> 01:00:56,760

thing appeared and by the way Stephen

1284

01:01:02,329 --> 01:00:59,040

Green Street May well be right it may be

1285

01:01:04,250 --> 01:01:02,339

a spider also Amplified by the camera

1286

01:01:07,190 --> 01:01:04,260

artifact

1287

01:01:09,170 --> 01:01:07,200

this limits the ability to fully come to

1288

01:01:10,549 --> 01:01:09,180

a conclusion so this thing goes out of

1289

01:01:12,650 --> 01:01:10,559

sight and you see there's other bugs

1290

01:01:15,650 --> 01:01:12,660

that flew in front of the camera why are

1291

01:01:19,370 --> 01:01:15,660

those not anomalous and that's it that's

1292

01:01:20,690 --> 01:01:19,380

it so is it conclusive uh no I don't I

1293

01:01:23,630 --> 01:01:20,700

don't think it is but boy it's

1294

01:01:25,430 --> 01:01:23,640

interesting they show this same clip on

1295

01:01:26,390 --> 01:01:25,440

the History Channel show here's where it

1296

01:01:29,210 --> 01:01:26,400

gets better

1297

01:01:31,309 --> 01:01:29,220

and and here's where we get back to my

1298

01:01:32,690 --> 01:01:31,319

concept well I thought it was my concept

1299

01:01:34,910 --> 01:01:32,700

but apparently a lot of people think it

1300

01:01:36,970 --> 01:01:34,920

including Mick West that they try to

1301

01:01:40,309 --> 01:01:36,980

make something out of nothing

1302

01:01:42,109 --> 01:01:40,319

let's say for an example that either

1303

01:01:44,750 --> 01:01:42,119

Stephen Green Street is right that it's

1304

01:01:48,530 --> 01:01:44,760

a spider dangling from a spider web or

1305

01:01:52,430 --> 01:01:48,540

I'm right that it's a moth right what if

1306

01:01:55,430 --> 01:01:52,440

Stephen Green Street or I are correct

1307

01:01:58,670 --> 01:01:55,440

and our cursory examination you know

1308

01:02:00,829 --> 01:01:58,680

quite honestly if I captured that

1309

01:02:03,250 --> 01:02:00,839

on a camera equipped with night vision

1310

01:02:06,349 --> 01:02:03,260

or infrared or whatever

1311

01:02:08,690 --> 01:02:06,359

I wouldn't waste any time on it zero I

1312

01:02:12,710 --> 01:02:08,700

would waste zero time on that

1313

01:02:15,349 --> 01:02:12,720

but uh again back to the concept of

1314

01:02:17,930 --> 01:02:15,359

making a mountain out of a molehill or

1315

01:02:20,450 --> 01:02:17,940

making something out of nothing

1316

01:02:24,410 --> 01:02:20,460

these guys are getting paid big bucks to

1317

01:02:26,690 --> 01:02:24,420

be on a television show and let's

1318

01:02:30,109 --> 01:02:26,700

examine for a moment

1319

01:02:33,589 --> 01:02:32,089

if they broadcast this on the television

1320

01:02:35,870 --> 01:02:33,599

show and just said yeah it's probably a

1321

01:02:38,569 --> 01:02:35,880

moth or spider or insect it's it's

1322

01:02:41,390 --> 01:02:38,579

nothing mysterious or paranormal and

1323

01:02:46,490 --> 01:02:43,309

well there won't be much of a television

1324

01:02:47,750 --> 01:02:46,500

show would there I don't think so I mean

1325

01:02:49,670 --> 01:02:47,760

if you're going to have a paranormal

1326
01:02:51,349 --> 01:02:49,680
television show you have to show some

1327
01:02:53,510 --> 01:02:51,359
Paranormal Activity

1328
01:02:55,870 --> 01:02:53,520
so is it a big stretch to think that

1329
01:03:00,230 --> 01:02:55,880
maybe just maybe this is a blurry bug

1330
01:03:01,970 --> 01:03:00,240
and and you know is Created from the

1331
01:03:05,930 --> 01:03:01,980
artifact of the camera being a night

1332
01:03:05,940 --> 01:03:10,130
let's see what Travis Taylor

1333
01:03:16,970 --> 01:03:13,970
has to say about what this really is

1334
01:03:19,910 --> 01:03:16,980
but they edit it in a way that makes it

1335
01:03:21,410 --> 01:03:19,920
seem like it appears out of thin air I

1336
01:03:24,770 --> 01:03:21,420
really want your thoughts on what this

1337
01:03:31,609 --> 01:03:29,210
what on Earth is that deceptive editing

1338
01:03:36,230 --> 01:03:31,619

all paranormal shows in my experience

1339

01:03:37,970 --> 01:03:36,240

they all do deceptive editing and I

1340

01:03:40,549 --> 01:03:37,980

think that even Brandon fugle would

1341

01:03:43,069 --> 01:03:40,559

admit that this is deceptive editing

1342

01:03:45,710 --> 01:03:43,079

it's very deceptive editing because in

1343

01:03:49,010 --> 01:03:45,720

the true or real

1344

01:03:52,430 --> 01:03:49,020

um raw footage you see it just come into

1345

01:03:54,530 --> 01:03:52,440

frame it doesn't blink into existence or

1346

01:03:56,809 --> 01:03:54,540

seem to appear out of nowhere like they

1347

01:03:59,870 --> 01:03:56,819

made it appear on the show

1348

01:04:02,210 --> 01:03:59,880

this is deceptive editing it's deceptive

1349

01:04:04,370 --> 01:04:02,220

practices designed to

1350

01:04:08,450 --> 01:04:04,380

convince you of something

1351
01:04:10,370 --> 01:04:08,460
deceptive practices designed to sell you

1352
01:04:14,089 --> 01:04:10,380
something

1353
01:04:16,750 --> 01:04:14,099
ordinary as extraordinary

1354
01:04:19,910 --> 01:04:16,760
then after only briefly looking at it

1355
01:04:22,849 --> 01:04:19,920
Travis Taylor suggests the blurry bug

1356
01:04:24,890 --> 01:04:22,859
thing might be something like yeah I'll

1357
01:04:27,289 --> 01:04:24,900
tell you what it reminds me of the Tic

1358
01:04:29,510 --> 01:04:27,299
Tac UAP video

1359
01:04:31,490 --> 01:04:29,520
the UAP that appeared in the Tic Tac

1360
01:04:34,250 --> 01:04:31,500
video that was recorded by the USS

1361
01:04:37,069 --> 01:04:34,260
Nemesis group in 2004. how do you go

1362
01:04:39,349 --> 01:04:37,079
from a moth to a Tic-Tac UFO I don't

1363
01:04:40,750 --> 01:04:39,359

know but he did and look even this

1364

01:04:44,390 --> 01:04:40,760

dragon guy

1365

01:04:46,910 --> 01:04:44,400

even this guy's like is he for real is

1366

01:04:48,170 --> 01:04:46,920

this guy serious this guy's got a

1367

01:04:51,530 --> 01:04:48,180

science degree

1368

01:04:53,690 --> 01:04:51,540

uh uh what

1369

01:04:56,270 --> 01:04:53,700

here's some night vision footage I found

1370

01:04:58,849 --> 01:04:56,280

of a spider spinning a web

1371

01:05:00,950 --> 01:04:58,859

these white orbs are just the infrared

1372

01:05:03,589 --> 01:05:00,960

reflecting off the silk

1373

01:05:06,170 --> 01:05:03,599

it's not a perfect match but it makes

1374

01:05:08,690 --> 01:05:06,180

more sense than a Tic Tac UFO that can

1375

01:05:11,030 --> 01:05:08,700

travel at 80 000 miles an hour that is

1376

01:05:13,549 --> 01:05:11,040

very very good the infrared light will

1377

01:05:17,089 --> 01:05:13,559

bounce off of the

1378

01:05:18,770 --> 01:05:17,099

um silk silken spider web and if you ask

1379

01:05:21,049 --> 01:05:18,780

me that's a very good match so maybe

1380

01:05:23,630 --> 01:05:21,059

Steven Green Street is more correct in

1381

01:05:27,170 --> 01:05:23,640

his analysis than I was

1382

01:05:30,250 --> 01:05:27,180

um but regardless this is to me this is

1383

01:05:33,049 --> 01:05:30,260

garbage pumping this up as something

1384

01:05:36,049 --> 01:05:33,059

paranormal or anomalous

1385

01:05:38,450 --> 01:05:36,059

or an anomaly even

1386

01:05:40,130 --> 01:05:38,460

without even investigating the

1387

01:05:43,069 --> 01:05:40,140

possibility that it could be something

1388

01:05:45,950 --> 01:05:43,079

very you know ordinary

1389

01:05:47,930 --> 01:05:45,960

and Mr fugel's got all this money why

1390

01:05:50,510 --> 01:05:47,940

don't you bring in a spider expert to

1391

01:05:52,490 --> 01:05:50,520

look at this footage and ask him if he

1392

01:05:55,849 --> 01:05:52,500

believes that that is just

1393

01:05:57,710 --> 01:05:55,859

what Stephen Green Street is uh coming

1394

01:06:01,970 --> 01:05:57,720

to the conclusion it is

1395

01:06:03,710 --> 01:06:01,980

before you jump right to Tic Tac UFO and

1396

01:06:05,569 --> 01:06:03,720

by the way how much money are you paying

1397

01:06:08,690 --> 01:06:05,579

Travis Taylor to do that

1398

01:06:11,630 --> 01:06:08,700

to jump right to Tic Tac UFOs from this

1399

01:06:14,270 --> 01:06:11,640

garbage footage this is garbage footage

1400

01:06:17,329 --> 01:06:14,280

it has nothing to do with UFOs maybe

1401

01:06:20,150 --> 01:06:17,339

ghostly orbs you could say but to jump

1402

01:06:21,770 --> 01:06:20,160

right to a Tic Tac UFO and try to

1403

01:06:23,200 --> 01:06:21,780

connect those dots

1404

01:06:24,829 --> 01:06:23,210

jeez

1405

01:06:28,190 --> 01:06:24,839

[Music]

1406

01:06:31,250 --> 01:06:28,200

this is the next video that they show me

1407

01:06:33,410 --> 01:06:31,260

okay yeah so some things up here move in

1408

01:06:35,990 --> 01:06:33,420

what I think is like a moth it's very

1409

01:06:39,529 --> 01:06:36,000

bug-like it isn't it yeah it's very

1410

01:06:41,809 --> 01:06:39,539

erratic and bug-like remember Stephen

1411

01:06:43,910 --> 01:06:41,819

Green Street asked him to show him the

1412

01:06:46,250 --> 01:06:43,920

very best footage that they had from all

1413

01:06:49,910 --> 01:06:46,260

these years of all these cameras running

1414

01:06:52,970 --> 01:06:49,920

and this is what they should

1415

01:06:54,230 --> 01:06:52,980

I'm sorry this is a bug too here's the

1416

01:06:55,789 --> 01:06:54,240

problem

1417

01:06:57,710 --> 01:06:55,799

look at look at the time stamp look at

1418

01:07:01,190 --> 01:06:57,720

the date um

1419

01:07:04,670 --> 01:07:01,200

oh cold yeah oh it's middle winter yep

1420

01:07:05,690 --> 01:07:04,680

okay you see the problem yeah yeah the

1421

01:07:07,730 --> 01:07:05,700

thing that caught my attention about

1422

01:07:09,470 --> 01:07:07,740

this is the way this thing exits the

1423

01:07:12,170 --> 01:07:09,480

scene I can see that this object

1424

01:07:13,910 --> 01:07:12,180

literally shrinks as it recedes as if

1425

01:07:17,630 --> 01:07:13,920

towards the horizon

1426

01:07:19,849 --> 01:07:17,640

again we need a lot more data is this an

1427

01:07:22,069 --> 01:07:19,859

infrared camera a night vision camera

1428

01:07:24,589 --> 01:07:22,079

you know that could explain this

1429

01:07:27,109 --> 01:07:24,599

so-called anomaly but to jump right to

1430

01:07:29,770 --> 01:07:27,119

something paranormal it looks like a bug

1431

01:07:32,750 --> 01:07:29,780

to me and I'm sorry uh it being winner

1432

01:07:35,270 --> 01:07:32,760

is not an excuse for there being no bugs

1433

01:07:38,870 --> 01:07:35,280

there's bugs in Winter you ever see

1434

01:07:41,029 --> 01:07:38,880

um a carpenter bees with a disturbed

1435

01:07:43,370 --> 01:07:41,039

nest in the middle of winter

1436

01:07:46,609 --> 01:07:43,380

they'll fly all over the place for a

1437

01:07:49,069 --> 01:07:46,619

while until they die from the cold

1438

01:07:51,349 --> 01:07:49,079

um you could have flies inside the

1439

01:07:54,770 --> 01:07:51,359

structures the heated structures of

1440

01:07:57,529 --> 01:07:54,780

Skinwalker Ranch that fly out and fly in

1441

01:08:00,529 --> 01:07:57,539

front of cameras it being winter is not

1442

01:08:02,569 --> 01:08:00,539

enough to uh preclude the possibility

1443

01:08:06,770 --> 01:08:02,579

that this is bugs

1444

01:08:11,890 --> 01:08:09,109

see what happens here play it again so

1445

01:08:13,970 --> 01:08:11,900

it moves like a fly or a bum me

1446

01:08:15,950 --> 01:08:13,980

that's kind of it's like the Millennium

1447

01:08:17,510 --> 01:08:15,960

Falcon type of space you know you know

1448

01:08:20,450 --> 01:08:17,520

and that's why sometimes when I play

1449

01:08:23,630 --> 01:08:20,460

this for people I'll make that noise

1450

01:08:27,169 --> 01:08:23,640

while it may be fun to pretend that this

1451
01:08:30,229 --> 01:08:27,179
is a craft zipping away at high speed in

1452
01:08:33,110 --> 01:08:30,239
reality there is simply not enough data

1453
01:08:35,269 --> 01:08:33,120
there to fully identify what it is

1454
01:08:36,950 --> 01:08:35,279
do you understand how someone could

1455
01:08:38,570 --> 01:08:36,960
go down a rabbit hole looks like a bug

1456
01:08:41,630 --> 01:08:38,580
an endless rabbit hole on something like

1457
01:08:44,809 --> 01:08:41,640
this where when I see that I'm like

1458
01:08:47,870 --> 01:08:44,819
I think that's a moth pending any new

1459
01:08:49,309 --> 01:08:47,880
data Beyond this one video is it worth

1460
01:08:51,349 --> 01:08:49,319
my time

1461
01:08:53,269 --> 01:08:51,359
yeah and that's the problem

1462
01:08:55,910 --> 01:08:53,279
is this worth

1463
01:08:58,189 --> 01:08:55,920

the investment that Brandon fugle you

1464

01:09:00,229 --> 01:08:58,199

know how many hundreds of thousands of

1465

01:09:03,769 --> 01:09:00,239

dollars has Brandon fugle paid these

1466

01:09:04,970 --> 01:09:03,779

science guys to find evidence of the

1467

01:09:07,070 --> 01:09:04,980

Paranormal

1468

01:09:09,709 --> 01:09:07,080

and this is what they give them

1469

01:09:12,229 --> 01:09:09,719

I mean if I was Brandon fugle I'd want

1470

01:09:15,890 --> 01:09:12,239

my money back but that's me I'm pretty

1471

01:09:18,530 --> 01:09:15,900

cheap really to obsessed about it yeah

1472

01:09:19,970 --> 01:09:18,540

there is no there is no authoritative

1473

01:09:22,370 --> 01:09:19,980

answer you're the one who's going to

1474

01:09:26,390 --> 01:09:22,380

provide that answer

1475

01:09:28,309 --> 01:09:26,400

yeah this is the final video I'm shown

1476

01:09:31,010 --> 01:09:28,319

in one of the ranch's abandoned

1477

01:09:35,090 --> 01:09:31,020

buildings in the middle of the day

1478

01:09:39,110 --> 01:09:35,100

two glowing objects float in midair

1479

01:09:42,110 --> 01:09:39,120

a bird flaps around and squawks

1480

01:09:44,030 --> 01:09:42,120

the two objects appear to float up

1481

01:09:46,849 --> 01:09:44,040

towards the bird

1482

01:09:49,550 --> 01:09:46,859

the bird then flies away

1483

01:09:52,490 --> 01:09:49,560

oh dude the instant it reaches the bird

1484

01:09:54,410 --> 01:09:52,500

it flies away yeah

1485

01:09:57,470 --> 01:09:54,420

okay so here's what I'm going to ask you

1486

01:10:01,610 --> 01:09:57,480

to do I want you to give me

1487

01:10:02,990 --> 01:10:01,620

uh one or two prosaic explanations for

1488

01:10:05,150 --> 01:10:03,000

this sure

1489

01:10:07,310 --> 01:10:05,160

um caterpillars you know the silk worms

1490

01:10:09,410 --> 01:10:07,320

yes like the caterpillars they do I

1491

01:10:11,150 --> 01:10:09,420

think he nailed it personally but I have

1492

01:10:13,490 --> 01:10:11,160

another explanation and we'll talk about

1493

01:10:15,890 --> 01:10:13,500

it in a moment do that they hang they

1494

01:10:19,310 --> 01:10:15,900

suspend in air

1495

01:10:20,090 --> 01:10:19,320

like that and so when I saw let's take a

1496

01:10:22,490 --> 01:10:20,100

look

1497

01:10:24,110 --> 01:10:22,500

I like I like this this comparison the

1498

01:10:27,530 --> 01:10:24,120

other thing that makes me think it's not

1499

01:10:29,930 --> 01:10:27,540

this is just the light there does seem

1500

01:10:33,649 --> 01:10:32,209

a source of light right

1501

01:10:35,990 --> 01:10:33,659

that is strange though I'll give you

1502

01:10:39,950 --> 01:10:36,000

that that's that is weird why should

1503

01:10:41,810 --> 01:10:39,960

your average person care is it in the

1504

01:10:44,990 --> 01:10:41,820

grand scheme of things is what I just

1505

01:10:47,149 --> 01:10:45,000

saw on this like Kook cares so we've

1506

01:10:50,149 --> 01:10:47,159

gone from seeing two flashes of light in

1507

01:10:53,030 --> 01:10:50,159

a carriage house to some really deep

1508

01:10:55,250 --> 01:10:53,040

dive philosophical questions and to me

1509

01:10:57,770 --> 01:10:55,260

that's that's at least part of the point

1510

01:10:59,689 --> 01:10:57,780

of this okay um I thought part of the

1511

01:11:01,990 --> 01:10:59,699

point of this was to prove Paranormal

1512

01:11:07,790 --> 01:11:02,000

Activity not to discuss philosophical

1513

01:11:09,430 --> 01:11:07,800

questions but that's just me and again

1514

01:11:13,070 --> 01:11:09,440

um you know

1515

01:11:14,570 --> 01:11:13,080

I think it's important that you

1516

01:11:17,750 --> 01:11:14,580

if you're going to claim something is

1517

01:11:18,610 --> 01:11:17,760

Paranormal you have to eliminate all

1518

01:11:22,070 --> 01:11:18,620

other

1519

01:11:24,950 --> 01:11:22,080

prosaic or ordinary explanations of an

1520

01:11:27,709 --> 01:11:24,960

event first why can't they bring on a

1521

01:11:30,050 --> 01:11:27,719

caterpillar expert to look at that and

1522

01:11:32,689 --> 01:11:30,060

determine if that's truly caterpillar's

1523

01:11:35,570 --> 01:11:32,699

silkworm caterpillars which by the way

1524

01:11:37,430 --> 01:11:35,580

are very bright white and on a very

1525

01:11:38,689 --> 01:11:37,440

sunny day you can see from that footage

1526

01:11:41,630 --> 01:11:38,699

it's super sunny

1527

01:11:43,970 --> 01:11:41,640

even inside this wreck of a carriage

1528

01:11:47,030 --> 01:11:43,980

house that's falling apart and has uh

1529

01:11:47,689 --> 01:11:47,040

you know holes in the roof

1530

01:11:50,209 --> 01:11:47,699

um

1531

01:11:54,169 --> 01:11:50,219

I I don't get it and and the other thing

1532

01:11:56,750 --> 01:11:54,179

is I'm going to do some tests myself but

1533

01:11:59,030 --> 01:11:56,760

I would think on a very sunny day in an

1534

01:12:01,970 --> 01:11:59,040

environment like that you could create

1535

01:12:05,930 --> 01:12:01,980

that with a couple of handheld mirrors

1536

01:12:08,030 --> 01:12:05,940

reflecting sunlight onto those beams

1537

01:12:11,030 --> 01:12:08,040

um that's just one thing that I thought

1538

01:12:13,430 --> 01:12:11,040

of but Mr Green Street may be more

1539

01:12:16,130 --> 01:12:13,440

correct I would want an insect expert or

1540

01:12:19,070 --> 01:12:16,140

caterpillar expert someone who studies

1541

01:12:21,169 --> 01:12:19,080

silkworms to look at those and

1542

01:12:25,250 --> 01:12:21,179

caterpillars and determine if that's

1543

01:12:27,050 --> 01:12:25,260

what it is and wouldn't doing that be a

1544

01:12:29,450 --> 01:12:27,060

little more

1545

01:12:31,790 --> 01:12:29,460

in line with the so-called scientific

1546

01:12:33,709 --> 01:12:31,800

method that Brandon fugle claims he's

1547

01:12:35,630 --> 01:12:33,719

doing this investigation with

1548

01:12:38,330 --> 01:12:35,640

instead of let's talk about what it

1549

01:12:41,810 --> 01:12:38,340

could be and forget about what forget

1550

01:12:44,209 --> 01:12:41,820

about identifying what it actually is

1551

01:12:46,070 --> 01:12:44,219

these are important questions I like

1552

01:12:47,870 --> 01:12:46,080

this this disc of course I like to take

1553

01:12:49,610 --> 01:12:47,880

it there take the moment and forget

1554

01:12:51,050 --> 01:12:49,620

about all the other mundane stuff you

1555

01:12:53,330 --> 01:12:51,060

know the stuff that goes on in daily

1556

01:12:55,970 --> 01:12:53,340

life and and think for a moment about

1557

01:12:58,070 --> 01:12:55,980

what would it mean to me by the way I

1558

01:13:00,649 --> 01:12:58,080

was wrong it's for huge monitors in

1559

01:13:02,750 --> 01:13:00,659

order to see that type of an event

1560

01:13:05,330 --> 01:13:02,760

okay I don't think there's just one

1561

01:13:08,209 --> 01:13:05,340

answer to this I have my answer you have

1562

01:13:09,649 --> 01:13:08,219

yours I think I would assume but I think

1563

01:13:12,709 --> 01:13:09,659

what you just said is

1564

01:13:15,169 --> 01:13:12,719

what would happen if yes

1565

01:13:16,729 --> 01:13:15,179

that just that that question what would

1566

01:13:19,010 --> 01:13:16,739

happen if

1567

01:13:23,030 --> 01:13:19,020

I think sums up

1568

01:13:28,390 --> 01:13:23,040

UFOs the Paranormal yes

1569

01:13:32,870 --> 01:13:30,189

[Music]

1570

01:13:35,330 --> 01:13:32,880

Brandon fogle flies back to Salt Lake

1571

01:13:37,689 --> 01:13:35,340

City to attend to his real estate

1572

01:13:40,310 --> 01:13:37,699

business

1573

01:13:43,010 --> 01:13:40,320

he's given me permission to sleep

1574

01:13:46,490 --> 01:13:43,020

overnight in a tent

1575

01:13:49,370 --> 01:13:46,500

out at Homestead too yeah and uh Stephen

1576

01:13:51,770 --> 01:13:49,380

Green Street sort of ends it there uh

1577

01:13:53,990 --> 01:13:51,780

the next episode we'll uh get to see

1578

01:13:56,870 --> 01:13:54,000

what happened when he camped out in a

1579

01:13:59,930 --> 01:13:56,880

tent near the supposedly most haunted

1580

01:14:03,470 --> 01:13:59,940

site on the Skinwalker Ranch I'm anxious

1581

01:14:07,189 --> 01:14:03,480

to see what actually happens with this

1582

01:14:09,470 --> 01:14:07,199

but I wanted to get into this uh just

1583

01:14:11,570 --> 01:14:09,480

this this

1584

01:14:14,570 --> 01:14:11,580

to me displays that there's nothing

1585

01:14:15,470 --> 01:14:14,580

there that's my opinion and I'm entitled

1586

01:14:19,010 --> 01:14:15,480

to it

1587

01:14:23,450 --> 01:14:19,020

if all you've gotten after six years of

1588

01:14:25,370 --> 01:14:23,460

serious scientific investigation is two

1589

01:14:27,770 --> 01:14:25,380

videos of likely bugs and one of

1590

01:14:32,510 --> 01:14:27,780

caterpillars or light Reflections

1591

01:14:35,090 --> 01:14:32,520

somehow and by the way I would want to

1592

01:14:38,510 --> 01:14:35,100

if I could be there in person I would

1593

01:14:40,430 --> 01:14:38,520

take some mirrors with me and see if I

1594

01:14:42,729 --> 01:14:40,440

could recreate that with just some

1595

01:14:45,530 --> 01:14:42,739

handheld mirrors reflecting sunlight

1596

01:14:48,350 --> 01:14:45,540

onto those beams

1597

01:14:51,950 --> 01:14:48,360

and by the way I'm not accusing somebody

1598

01:14:56,270 --> 01:14:51,960

of purposefully hoaxing that footage but

1599

01:14:59,450 --> 01:14:56,280

that is indeed a real possibility of how

1600

01:15:01,490 --> 01:14:59,460

that could have happened somebody off

1601

01:15:05,390 --> 01:15:01,500

camera holding a couple of mirrors

1602

01:15:08,930 --> 01:15:05,400

reflecting light onto those wood beams

1603

01:15:12,410 --> 01:15:08,940

and uh it's very within the realm of

1604

01:15:15,410 --> 01:15:12,420

possibility so someday on a sunny day

1605

01:15:17,990 --> 01:15:15,420

I've got little handheld mirrors

1606

01:15:20,149 --> 01:15:18,000

don't ask why I've got all kinds of junk

1607

01:15:24,169 --> 01:15:20,159

in my garage for building things

1608

01:15:25,850 --> 01:15:24,179

including laser displays and Laser uh

1609

01:15:27,649 --> 01:15:25,860

light show stuff so I've got a whole

1610

01:15:30,290 --> 01:15:27,659

bunch of these little mirrors

1611

01:15:33,290 --> 01:15:30,300

and uh I remember being somewhere with

1612

01:15:35,330 --> 01:15:33,300

the mirror and going wow that's cool it

1613

01:15:39,410 --> 01:15:35,340

reflects light incredibly

1614

01:15:43,550 --> 01:15:39,420

and maybe just maybe that that is a

1615

01:15:50,530 --> 01:15:43,560

creation and not something paranormal

1616

01:15:56,870 --> 01:15:54,410

so what do you guys think

1617

01:16:00,830 --> 01:15:56,880

this

1618

01:16:06,169 --> 01:16:03,410

when Stephen Green Street asked to see

1619

01:16:07,970 --> 01:16:06,179

the best footage that they have

1620

01:16:10,370 --> 01:16:07,980

and this is years of scientific

1621

01:16:11,810 --> 01:16:10,380

investigation

1622

01:16:15,649 --> 01:16:11,820

and we get

1623

01:16:22,130 --> 01:16:19,610

we talked previously about a few things

1624

01:16:26,090 --> 01:16:22,140

like

1625

01:16:28,910 --> 01:16:26,100

how when selling a fake paranormal or

1626

01:16:34,189 --> 01:16:28,920

alien story or UFO story

1627

01:16:39,229 --> 01:16:36,950

and every story that we have looked into

1628

01:16:41,510 --> 01:16:39,239

follows

1629

01:16:44,090 --> 01:16:41,520

this plan

1630

01:16:47,450 --> 01:16:44,100

in order to sell the story you have to

1631

01:16:50,689 --> 01:16:47,460

Super hype it over hype it and you have

1632

01:16:53,169 --> 01:16:50,699

to under deliver

1633

01:16:57,830 --> 01:16:53,179

because you have to Hype it up so much

1634

01:17:00,290 --> 01:16:57,840

remember werewolves Dino beavers portals

1635

01:17:02,510 --> 01:17:00,300

flying refrigerators nine foot tall

1636

01:17:05,390 --> 01:17:02,520

cloaked alien or Monster creatures that

1637

01:17:06,350 --> 01:17:05,400

you could hear roar for miles

1638

01:17:08,270 --> 01:17:06,360

um

1639

01:17:09,590 --> 01:17:08,280

shape shifting

1640

01:17:13,250 --> 01:17:09,600

right

1641

01:17:15,610 --> 01:17:13,260

uh bulletproof werewolves

1642

01:17:19,669 --> 01:17:15,620

um teleportation

1643

01:17:23,390 --> 01:17:19,679

poltergeists demons hitchhikers uh

1644

01:17:30,470 --> 01:17:26,750

alien spacecraft that

1645

01:17:34,310 --> 01:17:30,480

is the overhype that is the over

1646

01:17:37,490 --> 01:17:34,320

promising of Skinwalker Ranch

1647

01:17:40,370 --> 01:17:37,500

and what do we get when a serious

1648

01:17:42,770 --> 01:17:40,380

journalist is there and says

1649

01:17:47,450 --> 01:17:42,780

show me your best evidence

1650

01:17:50,030 --> 01:17:47,460

well we get the under delivering and the

1651

01:17:52,669 --> 01:17:50,040

inevitable big letdown

1652

01:17:55,310 --> 01:17:52,679

for all the hype all the incredible

1653

01:17:57,229 --> 01:17:55,320

stories coming out of this place that's

1654

01:18:01,430 --> 01:17:57,239

all they got

1655

01:18:03,050 --> 01:18:01,440

after what is it six years now or let's

1656

01:18:04,970 --> 01:18:03,060

just say it's three years because three

1657

01:18:09,430 --> 01:18:04,980

years of the television show

1658

01:18:13,910 --> 01:18:09,440

after three years of constant filming

1659

01:18:15,890 --> 01:18:13,920

and on staff on-site scientists

1660

01:18:19,729 --> 01:18:15,900

and

1661

01:18:21,830 --> 01:18:19,739

that's what you got that's all you got

1662

01:18:24,410 --> 01:18:21,840

if I was Brandon Fugal I would want

1663

01:18:27,350 --> 01:18:24,420

every penny of my money back

1664

01:18:30,050 --> 01:18:27,360

but again like many other stories and

1665

01:18:33,590 --> 01:18:30,060

conspiracy land and UFO land

1666

01:18:37,610 --> 01:18:33,600

this follows the usual course of

1667

01:18:40,370 --> 01:18:37,620

overhype over promise and then the

1668

01:18:42,649 --> 01:18:40,380

inevitable happens they under deliver on

1669

01:18:47,149 --> 01:18:42,659

all that overhyping and over promising

1670

01:18:49,669 --> 01:18:47,159

and then comes the big letdown

1671

01:18:51,649 --> 01:18:49,679

even if you're a fan of the television

1672

01:18:53,810 --> 01:18:51,659

show and by the way you know good for

1673

01:18:56,630 --> 01:18:53,820

you if it's entertaining to you and you

1674

01:18:59,750 --> 01:18:56,640

enjoy it then I find no fault with

1675

01:19:02,689 --> 01:18:59,760

people watching it just know

1676

01:19:05,030 --> 01:19:02,699

that they are over hyping over promising

1677

01:19:07,930 --> 01:19:05,040

and they are under delivering

1678

01:19:10,310 --> 01:19:07,940

and that will lead you to the inevitable

1679

01:19:14,149 --> 01:19:10,320

big letdown

1680

01:19:17,570 --> 01:19:14,159

it's unfortunate but this is the the way

1681

01:19:19,970 --> 01:19:17,580

that these things work in my observation

1682

01:19:20,689 --> 01:19:19,980

and experience so far they all work that

1683

01:19:22,310 --> 01:19:20,699

way

1684

01:19:25,189 --> 01:19:22,320

right

1685

01:19:27,530 --> 01:19:25,199

you'd have Jeremy Corbell how much did

1686

01:19:29,689 --> 01:19:27,540

he hype that Bob Lazar documentary and

1687

01:19:31,550 --> 01:19:29,699

then he under delivered and then it led

1688

01:19:35,030 --> 01:19:31,560

to the big letdown what about George

1689

01:19:36,290 --> 01:19:35,040

Knapp was he over hyping the book when

1690

01:19:39,290 --> 01:19:36,300

he was talking about bulletproof

1691

01:19:43,010 --> 01:19:39,300

werewolves and shape-shifting aliens and

1692

01:19:44,390 --> 01:19:43,020

dogs that smoking dogs and all this [h__h]

1693

01:19:46,669 --> 01:19:44,400

and then

1694

01:19:48,350 --> 01:19:46,679

when asked for evidence from Joe Rogan

1695

01:19:52,370 --> 01:19:48,360

he said well we don't have any evidence

1696

01:19:54,350 --> 01:19:52,380

you know it's just stories

1697

01:19:57,470 --> 01:19:54,360

but this is where we're at and this is

1698

01:20:01,669 --> 01:19:57,480

where we find ourselves and uh now I

1699

01:20:02,450 --> 01:20:01,679

find myself blocked by Brandon fugel and

1700

01:20:04,550 --> 01:20:02,460

um

1701

01:20:07,970 --> 01:20:04,560

you know I don't even know what to say

1702

01:20:11,810 --> 01:20:07,980

about that I I will apologize maybe it

1703

01:20:14,090 --> 01:20:11,820

was the uh jerking off I I know Mr fugle

1704

01:20:16,010 --> 01:20:14,100

is a religious man

1705

01:20:18,530 --> 01:20:16,020

um and by the way that's something that

1706

01:20:21,709 --> 01:20:18,540

we should talk about because

1707

01:20:24,470 --> 01:20:21,719

but I'm hesitant to do that

1708

01:20:26,270 --> 01:20:24,480

Mr Fugal and many of the people involved

1709

01:20:28,430 --> 01:20:26,280

with the ranch are Mormons

1710

01:20:30,649 --> 01:20:28,440

and uh

1711

01:20:32,030 --> 01:20:30,659

you know I'm not really gonna say much I

1712

01:20:34,130 --> 01:20:32,040

will say that they have some very

1713

01:20:36,770 --> 01:20:34,140

strange beliefs Mormons but then again

1714

01:20:39,189 --> 01:20:36,780

I'm Catholic I was raised Catholic I'm

1715

01:20:41,390 --> 01:20:39,199

now what most people would consider

1716

01:20:44,570 --> 01:20:41,400

non-denominational Christian

1717

01:20:46,310 --> 01:20:44,580

I'm a recovering Catholic and Catholics

1718

01:20:48,470 --> 01:20:46,320

believe a lot of strange things you know

1719

01:20:50,810 --> 01:20:48,480

like we're eating the body of Christ and

1720

01:20:54,410 --> 01:20:50,820

drinking his blood at every Mass

1721

01:20:56,990 --> 01:20:54,420

uh you know but

1722

01:20:59,270 --> 01:20:57,000

I wondered about all these people being

1723

01:21:02,390 --> 01:20:59,280

Mormons and believing in things like the

1724

01:21:05,330 --> 01:21:02,400

magic underwear if they were maybe uh

1725

01:21:08,510 --> 01:21:05,340

predisposed to believe in strange things

1726

01:21:12,350 --> 01:21:08,520

and accept strange things on faith

1727

01:21:14,450 --> 01:21:12,360

rather than on evidence but the same can

1728

01:21:16,550 --> 01:21:14,460

be said for Catholics the same can be

1729

01:21:19,430 --> 01:21:16,560

said for orthodox Christians methodists

1730

01:21:23,149 --> 01:21:19,440

whatever religion has comes with a lot

1731

01:21:25,430 --> 01:21:23,159

of really really strange beliefs but one

1732

01:21:27,350 --> 01:21:25,440

thing that's kind of troubling to me

1733

01:21:29,090 --> 01:21:27,360

about Brandon fugle and others being

1734

01:21:32,750 --> 01:21:29,100

Mormon is that

1735

01:21:36,110 --> 01:21:32,760

there is a mountain of evidence that

1736

01:21:39,709 --> 01:21:36,120

uh the founder of Jesus Christ of

1737

01:21:42,350 --> 01:21:39,719

Latter-day Saints Church uh Smith was a

1738

01:21:45,590 --> 01:21:42,360

con artist and a fraudster

1739

01:21:50,709 --> 01:21:47,870

you know what I could say about

1740

01:21:53,030 --> 01:21:50,719

Mormonism is that there is a Biblical

1741

01:21:55,310 --> 01:21:53,040

concept and you've heard me talk about

1742

01:21:56,270 --> 01:21:55,320

it many many times called the test of a

1743

01:21:59,570 --> 01:21:56,280

prophet

1744

01:22:02,510 --> 01:21:59,580

and the angel that Joseph Smith is

1745

01:22:04,430 --> 01:22:02,520

talking to gives many prophecies and

1746

01:22:07,790 --> 01:22:04,440

they fail

1747

01:22:10,310 --> 01:22:07,800

which means that that information did

1748

01:22:12,350 --> 01:22:10,320

not come from a Divine Source because

1749

01:22:14,570 --> 01:22:12,360

the test of a prophet states that a

1750

01:22:17,030 --> 01:22:14,580

prophet can never be wrong

1751

01:22:19,790 --> 01:22:17,040

right information that comes from a

1752

01:22:22,430 --> 01:22:19,800

Divine source is not deceptive or wrong

1753

01:22:25,610 --> 01:22:22,440

it comes from a Divine Source it's right

1754

01:22:28,010 --> 01:22:25,620

every single time that's how we know

1755

01:22:30,229 --> 01:22:28,020

that false prophets and fake psychic

1756

01:22:31,729 --> 01:22:30,239

grifters like David Wilcock are frauds

1757

01:22:34,550 --> 01:22:31,739

because he makes predictions and they

1758

01:22:35,630 --> 01:22:34,560

fail that means he's not a prophet they

1759

01:22:38,030 --> 01:22:35,640

those

1760

01:22:40,310 --> 01:22:38,040

prophecies did not come from Divine

1761

01:22:41,689 --> 01:22:40,320

Source they came from deceptive sources

1762

01:22:43,970 --> 01:22:41,699

like demons

1763

01:22:46,250 --> 01:22:43,980

and uh but I don't really want to get

1764

01:22:49,970 --> 01:22:46,260

too deep into the religious aspect it's

1765

01:22:51,950 --> 01:22:49,980

just enough to mention that you know

1766

01:22:54,530 --> 01:22:51,960

people who are Mormons believe in many

1767

01:22:57,649 --> 01:22:54,540

strange things like you know Jesus

1768

01:23:00,470 --> 01:22:57,659

walking on uh in a new world and

1769

01:23:02,090 --> 01:23:00,480

interacting with uh Native Americans and

1770

01:23:05,330 --> 01:23:02,100

you know

1771

01:23:08,149 --> 01:23:05,340

I I don't know and and and so I did

1772

01:23:09,950 --> 01:23:08,159

think though that if he believes in many

1773

01:23:13,250 --> 01:23:09,960

of the

1774

01:23:16,490 --> 01:23:13,260

if if Brandon fuggle honestly and truly

1775

01:23:18,770 --> 01:23:16,500

believes a 100 percent many of the

1776

01:23:21,410 --> 01:23:18,780

things of the Mormon faith

1777

01:23:23,510 --> 01:23:21,420

he might be a little predisposed to

1778

01:23:25,610 --> 01:23:23,520

believe people pushing paranormal

1779

01:23:28,970 --> 01:23:25,620

nonsense without evidence

1780

01:23:31,729 --> 01:23:28,980

but again in his defense I'm a Christian

1781

01:23:34,430 --> 01:23:31,739

and many you can attack Christianity and

1782

01:23:36,709 --> 01:23:34,440

and and find things that are Wackadoo or

1783

01:23:39,470 --> 01:23:36,719

wacky about Christianity

1784

01:23:41,390 --> 01:23:39,480

uh but it's worthy of mention that many

1785

01:23:43,070 --> 01:23:41,400

of the people involved with Skinwalker

1786

01:23:44,810 --> 01:23:43,080

Ranch and I found it interesting that

1787

01:23:46,669 --> 01:23:44,820

Stephen Green Street was Mormon as well

1788

01:23:49,729 --> 01:23:46,679

or at least I'm not sure if he still is

1789

01:23:52,250 --> 01:23:49,739

but he was raised a Mormon and went on

1790

01:23:53,090 --> 01:23:52,260

the missions and things like that

1791

01:23:55,790 --> 01:23:53,100

um

1792

01:23:57,590 --> 01:23:55,800

I just think it's a little weird that

1793

01:23:59,750 --> 01:23:57,600

everybody involved in this thing by the

1794

01:24:01,610 --> 01:23:59,760

way including Senator Harry Reid who got

1795

01:24:03,290 --> 01:24:01,620

the money to go look into Skinwalker

1796

01:24:05,209 --> 01:24:03,300

Ranch to begin with that we all got

1797

01:24:06,950 --> 01:24:05,219

defrauded out of the 22 million dollars

1798

01:24:10,669 --> 01:24:06,960

was also Mormon

1799

01:24:13,610 --> 01:24:10,679

and if these people believe in strange

1800

01:24:16,430 --> 01:24:13,620

things like magic underwear

1801

01:24:20,149 --> 01:24:16,440

um maybe they're a little too believer

1802

01:24:23,750 --> 01:24:20,159

brained to do serious scientific

1803

01:24:26,750 --> 01:24:23,760

you know study into the Paranormal but

1804

01:24:29,030 --> 01:24:26,760

in his defense I haven't seen anything

1805

01:24:32,090 --> 01:24:29,040

from Mr fogle that would make me believe

1806

01:24:34,070 --> 01:24:32,100

that he's a wackadoo except for perhaps

1807

01:24:37,490 --> 01:24:34,080

who he chooses to help him promote

1808

01:24:39,709 --> 01:24:37,500

getting behind his paywall you know you

1809

01:24:41,570 --> 01:24:39,719

can't you can't say we're doing serious

1810

01:24:44,090 --> 01:24:41,580

scientific research here and then

1811

01:24:47,810 --> 01:24:44,100

associate your project with people

1812

01:24:51,470 --> 01:24:47,820

working for literally the biggest

1813

01:24:54,050 --> 01:24:51,480

scam promoter in the whole field of UFOs

1814

01:24:55,550 --> 01:24:54,060

and that would be Jimmy church right and

1815

01:24:57,530 --> 01:24:55,560

again that girl wants all the benefits

1816

01:24:59,570 --> 01:24:57,540

she wants all those subscribers give me

1817

01:25:01,850 --> 01:24:59,580

give me the money right give me those

1818

01:25:03,350 --> 01:25:01,860

deals that Jimmy church can get me but

1819

01:25:06,110 --> 01:25:03,360

she doesn't want to talk about all the

1820

01:25:09,410 --> 01:25:06,120

scammers that Jimmy church has backed

1821

01:25:11,510 --> 01:25:09,420

promoted and profited from that's a

1822

01:25:13,490 --> 01:25:11,520

problem and it's a problem for her and

1823

01:25:17,030 --> 01:25:13,500

it's a problem for Brandon fugle by

1824

01:25:20,870 --> 01:25:17,040

associating her with his project

1825

01:25:22,130 --> 01:25:20,880

um and otherwise what I will say is you

1826
01:25:25,130 --> 01:25:22,140
know they're going to just keep pushing

1827
01:25:27,169 --> 01:25:25,140
this dead horse up the hill you know

1828
01:25:28,970 --> 01:25:27,179
they're not going to go well we did this

1829
01:25:32,030 --> 01:25:28,980
for three four years we didn't find [h__h]

1830
01:25:34,010 --> 01:25:32,040
other than bugs we got videos of bugs

1831
01:25:35,990 --> 01:25:34,020
and that's all we got in four or five

1832
01:25:36,890 --> 01:25:36,000
years so we're gonna we're gonna pack it

1833
01:25:40,070 --> 01:25:36,900
in

1834
01:25:41,090 --> 01:25:40,080
no I hear there's plans to put a hotel

1835
01:25:43,850 --> 01:25:41,100
there

1836
01:25:44,630 --> 01:25:43,860
and so maybe I will get to go

1837
01:25:46,550 --> 01:25:44,640
um

1838
01:25:48,410 --> 01:25:46,560

I don't know if it's true these are

1839

01:25:50,330 --> 01:25:48,420

rumors and speculations so take from

1840

01:25:53,510 --> 01:25:50,340

this what you will but I heard from

1841

01:25:55,130 --> 01:25:53,520

multiple people and we have to also

1842

01:25:57,410 --> 01:25:55,140

remember that Brandon fugle is a real

1843

01:25:59,510 --> 01:25:57,420

estate developer but I have heard that

1844

01:26:00,530 --> 01:25:59,520

Brandon fugel is going to put a hotel

1845

01:26:04,070 --> 01:26:00,540

there

1846

01:26:05,990 --> 01:26:04,080

and then you can go spend a weekend at

1847

01:26:08,209 --> 01:26:06,000

Skinwalker Ranch I don't know if that's

1848

01:26:10,070 --> 01:26:08,219

true I wish he hadn't blocked me because

1849

01:26:11,810 --> 01:26:10,080

I'd like to ask him if that's within the

1850

01:26:14,149 --> 01:26:11,820

realm of possibilities of his future

1851

01:26:16,910 --> 01:26:14,159

plans for Skinwalker Ranch

1852

01:26:19,010 --> 01:26:16,920

and I gotta say as skeptical as I am and

1853

01:26:20,570 --> 01:26:19,020

is a big of a nothing Burger as I think

1854

01:26:22,729 --> 01:26:20,580

this place is

1855

01:26:25,250 --> 01:26:22,739

just based on all the Legends and

1856

01:26:26,810 --> 01:26:25,260

stories I would go I would still go I

1857

01:26:29,930 --> 01:26:26,820

would plop down my few hundred bucks and

1858

01:26:32,270 --> 01:26:29,940

see if I saw any you know that I want to

1859

01:26:33,470 --> 01:26:32,280

see a goddamn Dino Beaver that's what I

1860

01:26:35,810 --> 01:26:33,480

want to see I don't know what you want

1861

01:26:36,830 --> 01:26:35,820

to see I want to see a goddamn Dino

1862

01:26:39,229 --> 01:26:36,840

beaver

1863

01:26:43,070 --> 01:26:39,239

so

1864

01:26:44,570 --> 01:26:43,080

what I could say in closing is uh you

1865

01:26:47,149 --> 01:26:44,580

know I really believe that what I said

1866

01:26:50,990 --> 01:26:47,159

earlier is the case here over promise

1867

01:26:54,649 --> 01:26:51,000

under deliver and now we get the big let

1868

01:26:56,930 --> 01:26:54,659

down and the big letdown is pretty big I

1869

01:26:59,030 --> 01:26:56,940

mean you've invested Brandon fugo has

1870

01:27:01,310 --> 01:26:59,040

invested millions of dollars into this

1871

01:27:04,310 --> 01:27:01,320

thing if that's the best that he has

1872

01:27:06,770 --> 01:27:04,320

after years and years and years

1873

01:27:08,629 --> 01:27:06,780

I feel bad for him and I hope that he

1874

01:27:10,430 --> 01:27:08,639

gets his money back

1875

01:27:12,350 --> 01:27:10,440

so we want to take some time to

1876

01:27:14,810 --> 01:27:12,360

recognize Our Kind and Generous

1877

01:27:19,010 --> 01:27:14,820

supporters for those unaware we are a

1878

01:27:20,750 --> 01:27:19,020

viewer supported show so let me uh go

1879

01:27:22,970 --> 01:27:20,760

over there I apologize during the

1880

01:27:25,490 --> 01:27:22,980

presentation we missed these

1881

01:27:27,470 --> 01:27:25,500

we have maze rage 86 with a kind of

1882

01:27:29,570 --> 01:27:27,480

generous dollar 99 Super Chat says

1883

01:27:32,450 --> 01:27:29,580

Dragon the security officer was great

1884

01:27:34,129 --> 01:27:32,460

comic relief I agree and thank you for

1885

01:27:35,689 --> 01:27:34,139

your kindness generosity and support we

1886

01:27:38,270 --> 01:27:35,699

have totem r

1887

01:27:40,250 --> 01:27:38,280

with a Kylie Jenner is five dollar super

1888

01:27:42,890 --> 01:27:40,260

chats has been catching up on old

1889

01:27:44,810 --> 01:27:42,900

episodes you're prolific Stephen Danka

1890

01:27:46,310 --> 01:27:44,820

I'm assuming you're German

1891

01:27:50,570 --> 01:27:46,320

uh

1892

01:27:52,189 --> 01:27:50,580

generosity and support and we have my

1893

01:27:54,590 --> 01:27:52,199

flockas everywhere the kind and generous

1894

01:27:56,390 --> 01:27:54,600

two dollar Super Chat says hi Stephen

1895

01:27:58,910 --> 01:27:56,400

praise the cash well thank you for

1896

01:28:01,729 --> 01:27:58,920

kindness generosity and support it is

1897

01:28:05,030 --> 01:28:01,739

much much appreciated and uh we can

1898

01:28:06,350 --> 01:28:05,040

remind you that you can also besides the

1899

01:28:07,610 --> 01:28:06,360

Super Chat that would be the money

1900

01:28:10,610 --> 01:28:07,620

button down there where you could throw

1901

01:28:12,770 --> 01:28:10,620

money at us there is also a PayPal and

1902

01:28:14,870 --> 01:28:12,780

instructions for how to send a PayPal or

1903

01:28:17,209 --> 01:28:14,880

in the description of this video or

1904

01:28:20,510 --> 01:28:17,219

podcast if you're listening to the audio

1905

01:28:23,870 --> 01:28:20,520

podcast and but please do if you send a

1906

01:28:26,390 --> 01:28:23,880

Super Chat add a note and then

1907

01:28:27,290 --> 01:28:26,400

write anything you want and we will read

1908

01:28:29,810 --> 01:28:27,300

it out

1909

01:28:33,410 --> 01:28:29,820

so far people have been very good about

1910

01:28:35,750 --> 01:28:33,420

not doing things like uh you know saying

1911

01:28:37,850 --> 01:28:35,760

I love Cox making me read that or

1912

01:28:40,189 --> 01:28:37,860

anything like that we got good listeners

1913

01:28:41,990 --> 01:28:40,199

good people here now I'm going to get a

1914

01:28:45,350 --> 01:28:42,000

bunch of PayPal messages with note that

1915

01:28:48,649 --> 01:28:47,209

all right so we've checked in with the

1916

01:28:51,770 --> 01:28:48,659

PayPal we've checked in with the Super

1917

01:28:53,570 --> 01:28:51,780

Chat I am going to remind everybody well

1918

01:28:55,970 --> 01:28:53,580

actually I'm not going to do it I'm so

1919

01:28:57,110 --> 01:28:55,980

thankful and thank him for this by the

1920

01:29:00,350 --> 01:28:57,120

way

1921

01:29:04,070 --> 01:29:00,360

um Ian helped us to make bumpers so that

1922

01:29:06,950 --> 01:29:04,080

I don't have to uh do the Super Chat

1923

01:29:08,810 --> 01:29:06,960

Shuffle and uh do the you know let

1924

01:29:11,110 --> 01:29:08,820

people know how they can support us but

1925

01:29:13,669 --> 01:29:11,120

we are viewer supported show here's Ian

1926

01:29:15,290 --> 01:29:13,679

to let you know how you can support the

1927

01:29:36,129 --> 01:29:15,300

show

1928

01:29:39,890 --> 01:29:36,139

Super Chat soup stickers super thanks

1929

01:29:42,709 --> 01:29:39,900

PayPal or cash out instructions for how

1930

01:29:45,530 --> 01:29:42,719

to help are in the description

1931

01:29:47,750 --> 01:29:45,540

you can also join our patreon and for as

1932

01:29:50,930 --> 01:29:47,760

little as one dollar a month you can get

1933

01:29:53,930 --> 01:29:50,940

extra content patreon supporters go

1934

01:29:55,550 --> 01:29:53,940

backstage pass Early Access to all our

1935

01:29:58,070 --> 01:29:55,560

production videos before they are

1936

01:30:00,770 --> 01:29:58,080

distributed publicly Stephen campion's

1937

01:30:04,129 --> 01:30:00,780

music private writings a monthly show

1938

01:30:06,229 --> 01:30:04,139

journal and more you also become a

1939

01:30:08,810 --> 01:30:06,239

YouTube channel member for five dollars

1940

01:30:11,570 --> 01:30:08,820

a month a YouTube membership includes

1941

01:30:14,450 --> 01:30:11,580

all the patreon benefits plus a special

1942

01:30:17,209 --> 01:30:14,460

members badge priority reply to video

1943

01:30:20,390 --> 01:30:17,219

comments and the live chat plus a

1944

01:30:23,450 --> 01:30:20,400

monthly Members Only video we thank you

1945

01:30:26,870 --> 01:30:23,460

all kind and generous benefactors for

1946

01:30:30,250 --> 01:30:26,880

supporting truth Seekers thank you for

1947

01:30:37,189 --> 01:30:30,260

your generosity and support

1948

01:30:37,199 --> 01:30:41,140

foreign

1949

01:31:09,790 --> 01:30:50,330

[Music]

1950

01:31:15,290 --> 01:31:12,470

thanks for being here this is true

1951

01:31:18,169 --> 01:31:15,300

Seekers with your house Stephen Campion

1952

01:31:20,689 --> 01:31:18,179

please rate like and comment on our

1953

01:31:22,790 --> 01:31:20,699

videos and podcasts if you are listening

1954

01:31:25,070 --> 01:31:22,800

to all your podcasts please write us

1955

01:31:27,590 --> 01:31:25,080

five stars to help us rise in the search

1956

01:31:30,290 --> 01:31:27,600

rankings if you're watching on YouTube

1957

01:31:32,689 --> 01:31:30,300

please like comment and subscribe to our

1958

01:31:34,490 --> 01:31:32,699

Channel if you're listening to all your

1959

01:31:37,070 --> 01:31:34,500

podcasts we love and appreciate you

1960

01:31:40,010 --> 01:31:37,080

listeners but you are missing the live

1961

01:31:42,770 --> 01:31:40,020

tapings all our shows are recorded live

1962

01:31:45,050 --> 01:31:42,780

with video themes we'd love you to come

1963

01:31:48,110 --> 01:31:45,060

be a part of our live broadcasts and

1964

01:31:50,570 --> 01:31:48,120

tapings for the podcast head on over to

1965

01:31:53,390 --> 01:31:50,580

YouTube click the Search tool the little

1966

01:31:55,430 --> 01:31:53,400

magnifying glass or truth Seekers one

1967

01:31:57,770 --> 01:31:55,440

word in the search bar and hit enter

1968

01:32:00,110 --> 01:31:57,780

you'll see a strange and mysterious guy

1969

01:32:02,930 --> 01:32:00,120

with sunglasses that means you found the

1970

01:32:05,689 --> 01:32:02,940

channel go as smash the Subscribe button

1971

01:32:08,390 --> 01:32:05,699

and hit the notification Bell to receive

1972

01:32:10,550 --> 01:32:08,400

up-to-date info on our YouTube channel

1973

01:32:13,550 --> 01:32:10,560

we welcome you to be a part of our life

1974

01:32:17,750 --> 01:32:13,560

David and our childhood during the live

1975

01:32:34,070 --> 01:32:17,760

broadcasts seek the truth speak the

1976

01:32:38,990 --> 01:32:36,830

okay and we are back I I saw somebody

1977

01:32:40,129 --> 01:32:39,000

ask me earlier if I'm still sick and

1978

01:32:42,649 --> 01:32:40,139

yeah

1979

01:32:47,090 --> 01:32:42,659

still feeling very under the weather but

1980

01:32:49,490 --> 01:32:47,100

luckily my wonderful wife got me some I

1981

01:32:53,090 --> 01:32:49,500

got all these cold pills severe cold and

1982

01:32:55,510 --> 01:32:53,100

flu relief uh what is this one

1983

01:32:59,870 --> 01:32:55,520

this is multi-symptom flu

1984

01:33:01,550 --> 01:32:59,880

HBP whatever that is yeah and um my

1985

01:33:04,970 --> 01:33:01,560

favorite thing when I'm sick is Cherry

1986

01:33:07,610 --> 01:33:04,980

Hall's mental litness right well these

1987

01:33:10,610 --> 01:33:07,620

really help they'll get me through and I

1988

01:33:12,350 --> 01:33:10,620

just decided it's a bad cold or

1989

01:33:14,450 --> 01:33:12,360

something it's a bad cold or something

1990

01:33:16,010 --> 01:33:14,460

like that which is terrible when you

1991

01:33:20,709 --> 01:33:16,020

have to talk though

1992

01:33:23,629 --> 01:33:20,719

uh to do the show uh and uh

1993

01:33:25,970 --> 01:33:23,639

but you know I have got a lovely wife so

1994

01:33:28,370 --> 01:33:25,980

thank her she made a special stop off to

1995

01:33:31,390 --> 01:33:28,380

get this stuff and uh

1996

01:33:34,070 --> 01:33:31,400

yeah uh we're gonna power through right

1997

01:33:35,930 --> 01:33:34,080

Heidi uh

1998

01:33:37,610 --> 01:33:35,940

I demand is here and says one thing I

1999

01:33:39,530 --> 01:33:37,620

really like about Stephen is how honesty

2000

01:33:43,129 --> 01:33:39,540

is plus he can apologize for any mistake

2001

01:33:45,950 --> 01:33:43,139

not many can do that in this field well

2002

01:33:48,169 --> 01:33:45,960

being that crude or maybe what some

2003

01:33:51,410 --> 01:33:48,179

would perceive as nasty to Brandon fogle

2004

01:33:53,930 --> 01:33:51,420

I'll admit was probably a mistake uh had

2005

01:33:55,910 --> 01:33:53,940

he had open DMS or some other way for me

2006

01:33:58,070 --> 01:33:55,920

I just thought it's important like if

2007

01:34:00,590 --> 01:33:58,080

he's trying to be we're so sciency about

2008

01:34:02,870 --> 01:34:00,600

this that maybe he would want to know

2009

01:34:05,750 --> 01:34:02,880

who he's using to help him advertise

2010

01:34:07,790 --> 01:34:05,760

what he's selling is is not a good idea

2011

01:34:09,770 --> 01:34:07,800

and that's my opinion and I'm entitled

2012

01:34:11,270 --> 01:34:09,780

to it I'm sorry if he took such offense

2013

01:34:13,669 --> 01:34:11,280

to it that he had to block me on Twitter

2014

01:34:16,550 --> 01:34:13,679

which further complicates things because

2015

01:34:19,790 --> 01:34:16,560

we have more to share on Mick West and

2016

01:34:23,570 --> 01:34:19,800

his debunk of this garbage footage and

2017

01:34:25,550 --> 01:34:23,580

uh now I have to go through this special

2018

01:34:28,550 --> 01:34:25,560

process you know I have to open an

2019

01:34:30,410 --> 01:34:28,560

incognito window so we can see what

2020

01:34:34,090 --> 01:34:30,420

Brandon fugle is saying

2021

01:34:37,910 --> 01:34:34,100

it's just it complicates things right

2022

01:34:39,410 --> 01:34:37,920

Mario's tico taco is here and says I am

2023

01:34:41,689 --> 01:34:39,420

sick too I can't even talk well thanks

2024

01:34:44,030 --> 01:34:41,699

for being a member and we'll lose our

2025

01:34:45,770 --> 01:34:44,040

voices together and it's it is

2026

01:34:47,390 --> 01:34:45,780

interesting whoever's going on with me

2027

01:34:50,149 --> 01:34:47,400

is definitely voice based because

2028

01:34:53,390 --> 01:34:50,159

yesterday I didn't talk all day I stayed

2029

01:34:56,390 --> 01:34:53,400

you know I try to make sure that I saved

2030

01:34:58,610 --> 01:34:56,400

up my voice to do the show and then last

2031

01:35:01,610 --> 01:34:58,620

night I did the show and and the

2032

01:35:03,470 --> 01:35:01,620

terrible sore throat came back so I'm

2033

01:35:05,510 --> 01:35:03,480

gonna try to stay off my voice as much

2034

01:35:08,149 --> 01:35:05,520

as possible you'll have to excuse if we

2035

01:35:11,209 --> 01:35:08,159

don't do some of these uh three and four

2036

01:35:15,709 --> 01:35:11,219

hour shows we're gonna keep it as brief

2037

01:35:20,030 --> 01:35:15,719

as possible to preserve my voice and

2038

01:35:25,010 --> 01:35:20,040

let me uh let's get into the Midwest

2039

01:35:28,070 --> 01:35:25,020

debunk uh yeah we have uh some more

2040

01:35:30,229 --> 01:35:28,080

information to share with you because uh

2041

01:35:33,770 --> 01:35:30,239

there's an interesting exchange going on

2042

01:35:37,250 --> 01:35:33,780

between Mick West and Stephen Green

2043

01:35:40,250 --> 01:35:37,260

Street and and Brandon fogle

2044

01:35:41,990 --> 01:35:40,260

and uh now because of being blocked I

2045

01:35:44,090 --> 01:35:42,000

have to go through this special process

2046

01:35:46,370 --> 01:35:44,100

to be able to come on Brandon fugel just

2047

01:35:48,410 --> 01:35:46,380

unblock me so I have to do this crap I'm

2048

01:35:50,930 --> 01:35:48,420

sorry if I pissed you off talking about

2049

01:35:52,669 --> 01:35:50,940

the girl with the jerking off story that

2050

01:35:55,550 --> 01:35:52,679

she left out okay

2051

01:35:58,669 --> 01:35:55,560

I'm sorry that I let you know that

2052

01:36:01,490 --> 01:35:58,679

you've got a you know somebody that's a

2053

01:36:03,350 --> 01:36:01,500

little less incredible uh helping you

2054

01:36:05,629 --> 01:36:03,360

sell behind your paywall can you just

2055

01:36:07,310 --> 01:36:05,639

unblock me because I have to cover you

2056

01:36:09,050 --> 01:36:07,320

now

2057

01:36:10,490 --> 01:36:09,060

and this is going to complicate things

2058

01:36:12,890 --> 01:36:10,500

I'm going to always have to open an

2059

01:36:14,990 --> 01:36:12,900

incognito window or log out of Twitter

2060

01:36:17,450 --> 01:36:15,000

to be able to see what the hell you're

2061

01:36:19,070 --> 01:36:17,460

saying that's not fair

2062

01:36:21,169 --> 01:36:19,080

and by the way

2063

01:36:24,470 --> 01:36:21,179

though I apologize perhaps for the

2064

01:36:29,209 --> 01:36:24,480

crudeness of what I tweeted at you it is

2065

01:36:31,490 --> 01:36:29,219

100 factually accurate what I said so do

2066

01:36:32,330 --> 01:36:31,500

you just not like facts is that what it

2067

01:36:34,790 --> 01:36:32,340

is

2068

01:36:38,149 --> 01:36:34,800

do you you you just

2069

01:36:40,729 --> 01:36:38,159

you know are you gonna you know put your

2070

01:36:43,790 --> 01:36:40,739

blinders on anytime somebody tells you a

2071

01:36:45,169 --> 01:36:43,800

fact that you don't agree with or find

2072

01:36:47,270 --> 01:36:45,179

you know

2073

01:36:49,790 --> 01:36:47,280

I don't know I mean that's the first

2074

01:36:52,189 --> 01:36:49,800

thing I ever said to the guy and it's

2075

01:36:54,950 --> 01:36:52,199

true it's a hundred percent true and

2076
01:36:56,750 --> 01:36:54,960
accurate look into it Brandon before you

2077
01:36:59,689 --> 01:36:56,760
just blocked me

2078
01:37:02,510 --> 01:36:59,699
I guess my invitation to Skinwalker

2079
01:37:03,530 --> 01:37:02,520
Ranch is never going to happen now it

2080
01:37:04,669 --> 01:37:03,540
was probably never going to happen

2081
01:37:07,070 --> 01:37:04,679
anyway

2082
01:37:09,770 --> 01:37:07,080
Jay roach with a Kind and Generous is

2083
01:37:11,390 --> 01:37:09,780
that Australian 299 I think so long time

2084
01:37:14,209 --> 01:37:11,400
supporter keep up the great work well

2085
01:37:17,090 --> 01:37:14,219
thank you uh Jay roach and we want to

2086
01:37:20,030 --> 01:37:17,100
also uh thank all the people who helped

2087
01:37:22,129 --> 01:37:20,040
us tonight to praise the cash it is much

2088
01:37:24,590 --> 01:37:22,139

much appreciated

2089

01:37:26,570 --> 01:37:24,600

um and by the way somebody said

2090

01:37:28,550 --> 01:37:26,580

something nasty in the comments about us

2091

01:37:30,709 --> 01:37:28,560

joking about praising the cash and of

2092

01:37:34,310 --> 01:37:30,719

course this is a joke you know it's

2093

01:37:37,250 --> 01:37:34,320

ingests that we do this and it's uh take

2094

01:37:39,649 --> 01:37:37,260

off of two things televangelists who are

2095

01:37:42,649 --> 01:37:39,659

always like Praise Jesus send me money

2096

01:37:45,410 --> 01:37:42,659

and and also the people doing the Super

2097

01:37:47,629 --> 01:37:45,420

Chat Shuffle and you know we're making

2098

01:37:50,030 --> 01:37:47,639

fun of that so if you don't like it it's

2099

01:37:54,050 --> 01:37:50,040

relax it's a joke but thank you Jay

2100

01:37:56,930 --> 01:37:54,060

roach and also uh thank you to maze rage

2101
01:37:59,270 --> 01:37:56,940
86 totem R and my flock is everywhere

2102
01:38:03,169 --> 01:37:59,280
kind and generous supporters and thanks

2103
01:38:04,790 --> 01:38:03,179
to all of the patreon supporters and all

2104
01:38:06,830 --> 01:38:04,800
of you channel members there's a join

2105
01:38:09,649 --> 01:38:06,840
button now and you can get some extra

2106
01:38:11,750 --> 01:38:09,659
goodies by joining either our patreon

2107
01:38:13,250 --> 01:38:11,760
and

2108
01:38:16,550 --> 01:38:13,260
um by the way

2109
01:38:18,229 --> 01:38:16,560
there's a huge amount of back posts on

2110
01:38:20,209 --> 01:38:18,239
patreon that aren't on the members page

2111
01:38:22,970 --> 01:38:20,219
and I apologize for that and I'm trying

2112
01:38:25,610 --> 01:38:22,980
to figure out how to get you guys all

2113
01:38:28,669 --> 01:38:25,620

two years worth of monthly

2114

01:38:31,010 --> 01:38:28,679

two or three posts to share it on the

2115

01:38:33,649 --> 01:38:31,020

member page I'm figuring it out and soon

2116

01:38:35,870 --> 01:38:33,659

all of the channel members will have all

2117

01:38:38,570 --> 01:38:35,880

of that back you know if you join

2118

01:38:40,490 --> 01:38:38,580

patreon you get every patreon post I

2119

01:38:42,950 --> 01:38:40,500

ever made going back several years now

2120

01:38:44,810 --> 01:38:42,960

lots of extra goodies if you join the

2121

01:38:47,629 --> 01:38:44,820

channel member page it only goes back a

2122

01:38:49,790 --> 01:38:47,639

month or two so I apologize for that

2123

01:38:52,430 --> 01:38:49,800

we're fixing it but thanks to all of you

2124

01:38:56,149 --> 01:38:52,440

patreon supporters members thanks to Jay

2125

01:38:58,610 --> 01:38:56,159

roach and uh maze rage 86 totem R and my

2126
01:38:59,430 --> 01:38:58,620
flock is everywhere for helping us to

2127
01:39:08,030 --> 01:38:59,440
praise the cash

2128
01:39:14,750 --> 01:39:11,850
crazy cash prize to cash

2129
01:39:17,330 --> 01:39:14,760
[Music]

2130
01:39:19,070 --> 01:39:17,340
Mike is here and says a great show

2131
01:39:21,470 --> 01:39:19,080
Stephen well thanks good to see you here

2132
01:39:22,910 --> 01:39:21,480
we have UFO John Doe here says all the

2133
01:39:24,490 --> 01:39:22,920
same characters

2134
01:39:28,189 --> 01:39:24,500
yeah

2135
01:39:29,750 --> 01:39:28,199
Mike says this is a jerk-free Zone well

2136
01:39:33,770 --> 01:39:29,760
listen

2137
01:39:36,850 --> 01:39:33,780
if a stupid paranormal Story number one

2138
01:39:39,169 --> 01:39:36,860

is fake and number two involves

2139

01:39:41,870 --> 01:39:39,179

homosexual males who like to watch each

2140

01:39:44,450 --> 01:39:41,880

other jerk off I think that's relevant

2141

01:39:46,610 --> 01:39:44,460

and for her to leave that out says

2142

01:39:49,850 --> 01:39:46,620

everything about her everybody that's

2143

01:39:51,649 --> 01:39:49,860

really really done real research and dug

2144

01:39:53,510 --> 01:39:51,659

into that story knows that it's about

2145

01:39:54,830 --> 01:39:53,520

homosexuals who like to watch each other

2146

01:39:56,570 --> 01:39:54,840

jerk off

2147

01:39:58,490 --> 01:39:56,580

and for her to leave you got to leave

2148

01:40:01,490 --> 01:39:58,500

that out or the story sounds ridiculous

2149

01:40:03,950 --> 01:40:01,500

she did that on purpose in my opinion

2150

01:40:05,990 --> 01:40:03,960

and by the way I really did go there

2151

01:40:08,209 --> 01:40:06,000

I've got pictures and everything

2152

01:40:11,870 --> 01:40:08,219

probably broke a few laws to find out

2153

01:40:14,750 --> 01:40:11,880

the truth about that story right

2154

01:40:16,610 --> 01:40:14,760

uh no but thank you Jay roach we

2155

01:40:18,770 --> 01:40:16,620

appreciate your kindness generosity and

2156

01:40:21,169 --> 01:40:18,780

support and all of you uh kind and

2157

01:40:22,790 --> 01:40:21,179

generous people maze rage 86 totemore my

2158

01:40:25,430 --> 01:40:22,800

flock is everywhere

2159

01:40:26,149 --> 01:40:25,440

uh thank you

2160

01:40:29,870 --> 01:40:26,159

um

2161

01:40:33,470 --> 01:40:29,880

if you can't debunk Mr West's debunk

2162

01:40:34,910 --> 01:40:33,480

dare to call your [h__h] evidence yeah I

2163

01:40:37,610 --> 01:40:34,920

agree with you

2164

01:40:40,310 --> 01:40:37,620

if the devil is real so is God uh well

2165

01:40:42,530 --> 01:40:40,320

yeah and one would stand a reason

2166

01:40:45,350 --> 01:40:42,540

yeah Mr Ian says you see what we did

2167

01:40:47,270 --> 01:40:45,360

there yeah

2168

01:40:49,129 --> 01:40:47,280

totem r with another kind of generous

2169

01:40:52,250 --> 01:40:49,139

five dollar Super Chat says caught up on

2170

01:40:53,750 --> 01:40:52,260

Corey Good's Tarot deck episode WTF I

2171

01:40:56,810 --> 01:40:53,760

know five-year-olds that can do better

2172

01:40:58,209 --> 01:40:56,820

depressing hilarious a Fantasia of

2173

01:41:01,550 --> 01:40:58,219

feelings

2174

01:41:04,910 --> 01:41:01,560

thank you totem or and

2175

01:41:06,950 --> 01:41:04,920

um I am going to have my six-year-old

2176

01:41:08,390 --> 01:41:06,960

make a Tarot deck with me that'll be

2177

01:41:11,090 --> 01:41:08,400

much better and we're going to do a

2178

01:41:13,189 --> 01:41:11,100

parody of that right except I'm going to

2179

01:41:15,050 --> 01:41:13,199

talk about how we really need money so

2180

01:41:17,149 --> 01:41:15,060

you've got to draw a talent deck Xavier

2181

01:41:18,830 --> 01:41:17,159

because we need the money you gotta help

2182

01:41:21,530 --> 01:41:18,840

Daddy make some money and praise the

2183

01:41:26,149 --> 01:41:23,870

and by the way thank you Jason very kind

2184

01:41:28,370 --> 01:41:26,159

and generous three dollar super sticker

2185

01:41:30,290 --> 01:41:28,380

and for being a channel member and totem

2186

01:41:32,149 --> 01:41:30,300

R for being a Kind and Generous

2187

01:41:32,630 --> 01:41:32,159

supporter and helping us to praise the

2188

01:41:35,270 --> 01:41:32,640

cat

2189

01:41:37,310 --> 01:41:35,280

[Music]

2190

01:41:45,169 --> 01:41:37,320

all right

2191

01:41:49,310 --> 01:41:47,810

y Raymond anyone see how weird it was

2192

01:41:51,649 --> 01:41:49,320

regarding the sad football player

2193

01:41:54,590 --> 01:41:51,659

incident yeah I did see that and uh

2194

01:41:58,070 --> 01:41:54,600

quite honestly uh I'm very nervous about

2195

01:42:00,950 --> 01:41:58,080

that whole situation you know

2196

01:42:03,350 --> 01:42:00,960

you believe what you're being told is is

2197

01:42:05,390 --> 01:42:03,360

factually or scientifically accurate you

2198

01:42:07,970 --> 01:42:05,400

think you make the best choice

2199

01:42:09,890 --> 01:42:07,980

maybe not so right but we don't talk

2200

01:42:13,430 --> 01:42:09,900

about those things here like the Health

2201
01:42:16,729 --> 01:42:13,440
crisis or the you know the fouchy algae

2202
01:42:19,189 --> 01:42:16,739
whatever we don't talk about that here

2203
01:42:21,470 --> 01:42:19,199
um yeah

2204
01:42:23,870 --> 01:42:21,480
totem R says this channel has brought me

2205
01:42:26,450 --> 01:42:23,880
so much joy nothing compares to you and

2206
01:42:28,850 --> 01:42:26,460
that that's I heard it in Sinead

2207
01:42:30,950 --> 01:42:28,860
O'Connor's voice I heard her sing

2208
01:42:34,609 --> 01:42:30,960
nothing compares to you

2209
01:42:37,010 --> 01:42:34,619
uh love that song growing up I thought

2210
01:42:42,770 --> 01:42:37,020
she did an amazing uh version of that

2211
01:42:47,750 --> 01:42:45,890
how did so many ytmds make a video

2212
01:42:50,270 --> 01:42:47,760
minutes after what happened to this poor

2213
01:42:51,950 --> 01:42:50,280

young man again I I understand but we

2214

01:42:54,410 --> 01:42:51,960

kind of try to not talk about these

2215

01:42:55,550 --> 01:42:54,420

things here in Dima I demand YouTube

2216

01:42:57,950 --> 01:42:55,560

doesn't

2217

01:42:59,510 --> 01:42:57,960

I don't even know are you loud now you

2218

01:43:01,370 --> 01:42:59,520

used to not be allowed to talk about it

2219

01:43:03,410 --> 01:43:01,380

or you know there could be consequences

2220

01:43:05,209 --> 01:43:03,420

I don't even know and the same thing

2221

01:43:07,310 --> 01:43:05,219

goes for 17th letter of the alphabet

2222

01:43:10,550 --> 01:43:07,320

there was a period of time where even if

2223

01:43:12,530 --> 01:43:10,560

you covered letter of the alphabet as an

2224

01:43:15,109 --> 01:43:12,540

absolute skeptic and talked about how

2225

01:43:16,669 --> 01:43:15,119

stupid it is and how it's all fake you

2226

01:43:20,030 --> 01:43:16,679

would get a strike you would get it you

2227

01:43:23,090 --> 01:43:20,040

would get a strike so I I don't know if

2228

01:43:24,770 --> 01:43:23,100

we're uh quote allowed unquote to talk

2229

01:43:26,149 --> 01:43:24,780

about those things now

2230

01:43:28,250 --> 01:43:26,159

who knows

2231

01:43:29,750 --> 01:43:28,260

Praises cash great show from sweet

2232

01:43:33,050 --> 01:43:29,760

cheeks thank you for your kindness

2233

01:43:34,850 --> 01:43:33,060

generosity and support of the show uh we

2234

01:43:35,850 --> 01:43:34,860

appreciate you helping us to praise the

2235

01:43:39,109 --> 01:43:35,860

cash sweet cheese

2236

01:43:43,129 --> 01:43:40,669

hahaha

2237

01:43:46,310 --> 01:43:43,139

by the way I mentioned that my son is uh

2238

01:43:49,729 --> 01:43:46,320

he's shaking me down he's made several

2239

01:43:52,390 --> 01:43:49,739

demands he's not doing new bumpers

2240

01:43:55,790 --> 01:43:52,400

except unless he gets a contract

2241

01:43:58,189 --> 01:43:55,800

renegotiation sweet cheeks he's got to

2242

01:44:02,149 --> 01:43:58,199

renegotiate his contract in order to

2243

01:44:05,270 --> 01:44:02,159

work for me again you know because he

2244

01:44:07,550 --> 01:44:05,280

has decided that uh those praise the

2245

01:44:10,729 --> 01:44:07,560

cash bumpers are making me a lot of

2246

01:44:12,890 --> 01:44:10,739

money and so in order to make more he

2247

01:44:15,229 --> 01:44:12,900

wants to make a lot of money and it is

2248

01:44:17,149 --> 01:44:15,239

very cute I'm very proud of him though

2249

01:44:20,350 --> 01:44:17,159

because I'm not sure what he's up to

2250

01:44:24,709 --> 01:44:20,360

sweet cheeks I think he's up to

2251

01:44:26,450 --> 01:44:24,719

76 or 78 dollars that he has saved from

2252

01:44:29,450 --> 01:44:26,460

birthday money Christmas money whatever

2253

01:44:31,370 --> 01:44:29,460

money money I gave him to do to work

2254

01:44:33,350 --> 01:44:31,380

help me with the show

2255

01:44:35,990 --> 01:44:33,360

he's saving up for his trip to

2256

01:44:39,109 --> 01:44:36,000

Disneyland which by the way I don't know

2257

01:44:41,570 --> 01:44:39,119

when my wife my wife's like he's saving

2258

01:44:43,550 --> 01:44:41,580

up money we gotta go now and I'm like

2259

01:44:46,729 --> 01:44:43,560

you better get a bank loan do you know

2260

01:44:48,470 --> 01:44:46,739

how expensive that is but uh yeah every

2261

01:44:51,530 --> 01:44:48,480

kid should go to Disneyland so we're

2262

01:44:53,270 --> 01:44:51,540

going to take him probably next year and

2263

01:44:55,910 --> 01:44:53,280

that'll give him some time to save up

2264

01:44:57,649 --> 01:44:55,920

money maybe by then he'll have like 276

2265

01:44:59,930 --> 01:44:57,659

dollars and he'll be able to afford I

2266

01:45:01,370 --> 01:44:59,940

don't know a few lunches and some drinks

2267

01:45:04,490 --> 01:45:01,380

at Disneyland you ever been there it's

2268

01:45:06,950 --> 01:45:04,500

like 10 bucks for a water

2269

01:45:08,570 --> 01:45:06,960

and I know he's gonna want the sweet

2270

01:45:10,609 --> 01:45:08,580

cheeks I know he's gonna want one of

2271

01:45:13,870 --> 01:45:10,619

those lightsabers where you make it you

2272

01:45:16,850 --> 01:45:13,880

know and that's like 300 bucks so

2273

01:45:18,830 --> 01:45:16,860

we're just recovering from Christmas

2274

01:45:20,689 --> 01:45:18,840

well we're still recovering from

2275

01:45:22,850 --> 01:45:20,699

Christmas that was a rough one you know

2276

01:45:24,530 --> 01:45:22,860

PlayStation bunch of games a bunch of

2277

01:45:26,450 --> 01:45:24,540

other stuff

2278

01:45:27,830 --> 01:45:26,460

sweet cheeks say pay the kid I'm gonna

2279

01:45:30,050 --> 01:45:27,840

give them your five bucks that's what

2280

01:45:32,410 --> 01:45:30,060

I'm gonna do I promise you I will give

2281

01:45:35,270 --> 01:45:32,420

him your five bucks right

2282

01:45:38,510 --> 01:45:35,280

Mario's Taco says I wish him a bright

2283

01:45:41,209 --> 01:45:38,520

future yeah if you do super chats it's

2284

01:45:43,310 --> 01:45:41,219

for Steve's son please mark it so yeah

2285

01:45:45,649 --> 01:45:43,320

you can choose to you can choose to say

2286

01:45:48,649 --> 01:45:45,659

this is for your son and I will and I

2287

01:45:50,570 --> 01:45:48,659

make note of that and I give him those

2288

01:45:53,750 --> 01:45:50,580

um but don't do it too much because

2289

01:45:55,609 --> 01:45:53,760

Daddy needs money more than my son

2290

01:45:58,189 --> 01:45:55,619

foreign

2291

01:45:59,750 --> 01:45:58,199

yeah

2292

01:46:02,689 --> 01:45:59,760

Steven should come out this way

2293

01:46:05,390 --> 01:46:02,699

sometimes and do a show overlooking uh

2294

01:46:07,790 --> 01:46:05,400

SWR yeah I would like that they have a

2295

01:46:09,709 --> 01:46:07,800

UFO Campground have a place here if you

2296

01:46:11,930 --> 01:46:09,719

need one maybe a few will hook you up

2297

01:46:13,729 --> 01:46:11,940

when he comes around yeah maybe he'll

2298

01:46:15,770 --> 01:46:13,739

get over getting pissed off because I

2299

01:46:18,169 --> 01:46:15,780

talked about the jerk off thing I'm

2300

01:46:20,390 --> 01:46:18,179

sorry Mr fogle but that's really what

2301

01:46:22,370 --> 01:46:20,400

Montauk is about look into it do it

2302

01:46:25,010 --> 01:46:22,380

swirl low and prep the Nickels those

2303

01:46:26,629 --> 01:46:25,020

guys right they like to jerk off and

2304

01:46:29,750 --> 01:46:26,639

they used to make people jerk off in

2305

01:46:32,870 --> 01:46:29,760

chairs I'm not making this up it really

2306

01:46:34,850 --> 01:46:32,880

happened it's great and I'm sorry but

2307

01:46:37,129 --> 01:46:34,860

anybody who leaves that out of the story

2308

01:46:39,109 --> 01:46:37,139

is doing the Lie by omission and trying

2309

01:46:41,209 --> 01:46:39,119

to sell you a fake paranormal story

2310

01:46:44,810 --> 01:46:41,219

because it makes the story ridiculous

2311

01:46:46,490 --> 01:46:44,820

and exactly what it is a [h__h] fake

2312

01:46:48,050 --> 01:46:46,500

story you know

2313

01:46:50,930 --> 01:46:48,060

all right and by the way we're going to

2314

01:46:56,270 --> 01:46:53,450

we're going to get into uh

2315

01:46:58,850 --> 01:46:56,280

the Skinwalker Ranch stuff that

2316

01:47:00,310 --> 01:46:58,860

Mick West posted because I think it's

2317

01:47:02,930 --> 01:47:00,320

important

2318

01:47:06,410 --> 01:47:02,940

Skinwalker Ranch carrots house lights

2319

01:47:08,209 --> 01:47:06,420

and bird on a sunny day and when Steve

2320

01:47:10,850 --> 01:47:08,219

at Green Street visited Skinwalker Ranch

2321

01:47:14,090 --> 01:47:10,860

in the summer of 2022 he has to see

2322

01:47:16,370 --> 01:47:14,100

their best evidence I think Mick kind of

2323

01:47:19,129 --> 01:47:16,380

laughed at this too he has to say their

2324

01:47:20,810 --> 01:47:19,139

best evidence of anomalous events one of

2325

01:47:23,030 --> 01:47:20,820

the things they showed him was the above

2326

01:47:33,609 --> 01:47:23,040

video and uh

2327

01:47:39,950 --> 01:47:36,709

yeah I think that's caterpillars now I

2328

01:47:42,229 --> 01:47:39,960

don't think that's light because it

2329

01:47:44,390 --> 01:47:42,239

would uh

2330

01:47:45,890 --> 01:47:44,400

it wouldn't hang in the air like that it

2331

01:47:51,350 --> 01:47:45,900

would go to

2332

01:47:51,360 --> 01:47:56,570

well let's watch it one more time

2333

01:47:59,510 --> 01:47:58,189

sometimes I look at it I think it's the

2334

01:48:04,310 --> 01:47:59,520

caterpillars and the other times I think

2335

01:48:11,810 --> 01:48:06,890

it seems to go on to the background of

2336

01:48:17,870 --> 01:48:14,390

it looks like light and sometimes it

2337

01:48:21,950 --> 01:48:19,370

but I don't know that it's anything

2338

01:48:23,750 --> 01:48:21,960

paranormal

2339

01:48:25,250 --> 01:48:23,760

it shows the interior of abandoned

2340

01:48:26,750 --> 01:48:25,260

Carriage House the camera is facing the

2341

01:48:28,910 --> 01:48:26,760

stun which streams through the open door

2342

01:48:30,530 --> 01:48:28,920

and upper opening and numerous gaps in

2343

01:48:31,970 --> 01:48:30,540

the roof there are rafters visible which

2344

01:48:33,950 --> 01:48:31,980

I'd refer

2345

01:48:35,750 --> 01:48:33,960

to starting with the one closest to the

2346

01:48:37,790 --> 01:48:35,760

camera is the first rafter we see two

2347

01:48:39,709 --> 01:48:37,800

luminous objects on the right and they

2348

01:48:41,629 --> 01:48:39,719

are the same bright white as the sky

2349

01:48:43,189 --> 01:48:41,639

that's important

2350

01:48:45,109 --> 01:48:43,199

the objects seem to dance around

2351
01:48:47,090 --> 01:48:45,119
randomly a bird flies from the chimney

2352
01:48:48,709 --> 01:48:47,100
to the fourth reactor rack at this point

2353
01:48:51,109 --> 01:48:48,719
the upper of the two objects and

2354
01:48:52,490 --> 01:48:51,119
presumably both of them is in front of

2355
01:48:55,609 --> 01:48:52,500
the second rafter

2356
01:48:58,850 --> 01:48:55,619
the object's waft around move right and

2357
01:49:00,530 --> 01:48:58,860
fade out and then the bird flies away

2358
01:49:03,050 --> 01:49:00,540
Green Street suggested they might be

2359
01:49:04,729 --> 01:49:03,060
small caterpillars that's possible but

2360
01:49:06,830 --> 01:49:04,739
to me their emotion and the way they

2361
01:49:08,930 --> 01:49:06,840
fade out at the end suggests a silk and

2362
01:49:11,870 --> 01:49:08,940
a thumb being explanation

2363
01:49:13,310 --> 01:49:11,880

I think the illusion the unusual light

2364

01:49:15,169 --> 01:49:13,320

connection mean that the beam of

2365

01:49:17,810 --> 01:49:15,179

sunlight is strongly backlighting two

2366

01:49:20,870 --> 01:49:17,820

silk threads fairly close to the camera

2367

01:49:23,689 --> 01:49:20,880

now that's another great explanation

2368

01:49:26,570 --> 01:49:23,699

I did an indoor experiment

2369

01:49:30,290 --> 01:49:26,580

with a simulated Sunbeam so let's look

2370

01:49:35,750 --> 01:49:32,689

yeah he's trying to stimulate some being

2371

01:49:39,530 --> 01:49:35,760

here hitting a strand

2372

01:49:47,990 --> 01:49:39,540

that's pretty good very close

2373

01:50:01,070 --> 01:49:52,729

or it's uh you know a skinwalker

2374

01:50:01,080 --> 01:50:06,950

for example of the world

2375

01:50:14,870 --> 01:50:09,470

these are just quick experiments he's

2376

01:50:19,850 --> 01:50:18,169

very close to what we see

2377

01:50:23,450 --> 01:50:19,860

yeah

2378

01:50:29,930 --> 01:50:23,460

the strands would be

2379

01:50:34,070 --> 01:50:32,870

excellent job on that we see the correct

2380

01:50:36,530 --> 01:50:34,080

angle we could get a super bright

2381

01:50:39,649 --> 01:50:36,540

segment of the fishing line when the

2382

01:50:43,250 --> 01:50:39,659

exposure is set to show the interior

2383

01:50:48,229 --> 01:50:46,609

did anybody ask him why he saw fit to

2384

01:50:49,729 --> 01:50:48,239

take videos of the interior of the

2385

01:50:52,010 --> 01:50:49,739

derelict building they have constant

2386

01:50:53,750 --> 01:50:52,020

surveillance of several locations hoping

2387

01:50:55,129 --> 01:50:53,760

to see something anomalous this is one

2388

01:50:57,950 --> 01:50:55,139

of the best things they found over the

2389

01:51:00,109 --> 01:50:57,960

years they have been doing it

2390

01:51:02,330 --> 01:51:00,119

at the time the sun would be almost 15

2391

01:51:04,310 --> 01:51:02,340

degrees up at a heading yeah and here's

2392

01:51:06,290 --> 01:51:04,320

where it gets good because he shows

2393

01:51:08,689 --> 01:51:06,300

exactly where the sun would be shining

2394

01:51:12,109 --> 01:51:08,699

in this situation

2395

01:51:15,470 --> 01:51:14,030

I mean it's not a perfect debunk but

2396

01:51:17,270 --> 01:51:15,480

it's pretty close

2397

01:51:19,910 --> 01:51:17,280

pretty good I think

2398

01:51:22,129 --> 01:51:19,920

um so but we're going to share this

2399

01:51:25,790 --> 01:51:22,139

exchange between

2400

01:51:30,050 --> 01:51:25,800

Brandon fogle and uh

2401

01:51:30,060 --> 01:51:35,689

if I can get to my

2402

01:51:41,990 --> 01:51:39,050

can I even share that I thought I could

2403

01:51:43,430 --> 01:51:42,000

hold on one second let me uh close down

2404

01:51:55,070 --> 01:51:43,440

everything else make it a little easier

2405

01:51:59,270 --> 01:51:57,470

all right I've shut down everything but

2406

01:52:01,609 --> 01:51:59,280

that other one so let's see if it's

2407

01:52:07,430 --> 01:52:01,619

gonna let me

2408

01:52:07,440 --> 01:52:13,550

oh here we go we got it all right

2409

01:52:17,990 --> 01:52:16,550

the light the sunlight on and around the

2410

01:52:19,250 --> 01:52:18,000

objects matches the lights ordering

2411

01:52:21,590 --> 01:52:19,260

around other things in the Carriage

2412

01:52:23,510 --> 01:52:21,600

House limited change in size and first

2413

01:52:25,189 --> 01:52:23,520

objects are nowhere near the bird but

2414

01:52:27,649 --> 01:52:25,199

closer to the camera

2415

01:52:29,330 --> 01:52:27,659

it's a pretty detailed analysis

2416

01:52:32,870 --> 01:52:29,340

and about

2417

01:52:35,149 --> 01:52:32,880

midwest's uh analysis Brandon fugle says

2418

01:52:37,010 --> 01:52:35,159

deeply flawed and far from an adequate

2419

01:52:39,410 --> 01:52:37,020

explanation I have yet to see attempts

2420

01:52:41,330 --> 01:52:39,420

to replicate find a comparable or

2421

01:52:43,790 --> 01:52:41,340

explain this that does not woefully fall

2422

01:52:45,530 --> 01:52:43,800

short it's a relatively small space it's

2423

01:52:47,810 --> 01:52:45,540

a fun exercise though

2424

01:52:49,910 --> 01:52:47,820

love the challenge and Cirque du Soleil

2425

01:52:51,890 --> 01:52:49,920

as gymnastics

2426
01:52:53,570 --> 01:52:51,900
typically what about mixed very detailed

2427
01:52:57,530 --> 01:52:53,580
analysis do you consider far from

2428
01:52:59,330 --> 01:52:57,540
adequate and woefully falls short

2429
01:53:00,890 --> 01:52:59,340
Brandon fugel says inaccurate

2430
01:53:02,270 --> 01:53:00,900
assumptions without actually working in

2431
01:53:04,550 --> 01:53:02,280
the environment accounting for the

2432
01:53:07,370 --> 01:53:04,560
geometry along with failure to provide

2433
01:53:09,830 --> 01:53:07,380
any true comparable

2434
01:53:12,290 --> 01:53:09,840
simply invoking spider silk and daylight

2435
01:53:14,270 --> 01:53:12,300
no infrared given the environment and

2436
01:53:15,169 --> 01:53:14,280
all vectors is inadequate then add the

2437
01:53:16,970 --> 01:53:15,179
bird

2438
01:53:19,010 --> 01:53:16,980

haha

2439

01:53:21,590 --> 01:53:19,020

Stephen Greenstreet argues that some

2440

01:53:23,450 --> 01:53:21,600

geometry was indeed accounted for I

2441

01:53:25,550 --> 01:53:23,460

guess I was asking for for What

2442

01:53:27,890 --> 01:53:25,560

specifically about West's analysis you

2443

01:53:29,450 --> 01:53:27,900

feel is flawed for example do you agree

2444

01:53:31,430 --> 01:53:29,460

with the analysis that at the time of

2445

01:53:34,010 --> 01:53:31,440

this video the sun was 15 degrees up and

2446

01:53:36,050 --> 01:53:34,020

at a heading of 103 degrees

2447

01:53:37,850 --> 01:53:36,060

Brandon fugel says you are correct in

2448

01:53:39,410 --> 01:53:37,860

that some geometry is accounted for

2449

01:53:41,629 --> 01:53:39,420

distance of the objects to the camera

2450

01:53:43,550 --> 01:53:41,639

orientation and trajectory are merely

2451

01:53:45,830 --> 01:53:43,560

assumptions you have to take into

2452

01:53:47,390 --> 01:53:45,840

account all variables and does anybody

2453

01:53:49,850 --> 01:53:47,400

else think it's kind of ridiculous for

2454

01:53:52,010 --> 01:53:49,860

him to say that can't be it you're this

2455

01:53:54,890 --> 01:53:52,020

is inadequate well then show us what it

2456

01:53:58,270 --> 01:53:54,900

is tell us prove its paranormal brain

2457

01:54:00,649 --> 01:53:58,280

and bugle you can Midwest

2458

01:54:02,390 --> 01:54:00,659

can you post the video of the best

2459

01:54:03,770 --> 01:54:02,400

replication effort you did I'm

2460

01:54:06,530 --> 01:54:03,780

interested in seeing what the closest

2461

01:54:08,209 --> 01:54:06,540

and how you eliminated silk and more

2462

01:54:09,950 --> 01:54:08,219

generally simply asserting that you went

2463

01:54:12,109 --> 01:54:09,960

through a similar process is not that

2464

01:54:13,970 --> 01:54:12,119

convincing if you want to have a broader

2465

01:54:15,709 --> 01:54:13,980

scientific Community more engaged than

2466

01:54:17,750 --> 01:54:15,719

actually sharing your science would be

2467

01:54:20,870 --> 01:54:17,760

helpful

2468

01:54:23,689 --> 01:54:20,880

also crowd serves crowdsourcing works

2469

01:54:25,430 --> 01:54:23,699

but it needs data Brandon fugle says I

2470

01:54:27,649 --> 01:54:25,440

haven't been conducting my investigate

2471

01:54:29,109 --> 01:54:27,659

investigation to be convincing or

2472

01:54:32,270 --> 01:54:29,119

engaged with the scientific Community

2473

01:54:33,530 --> 01:54:32,280

this is my privately funded project well

2474

01:54:36,229 --> 01:54:33,540

there's a problem with that brain and

2475

01:54:38,030 --> 01:54:36,239

fugle it's not privately funded isn't

2476

01:54:39,229 --> 01:54:38,040

the TV show paying you and everybody on

2477

01:54:41,689 --> 01:54:39,239

the TV show

2478

01:54:44,330 --> 01:54:41,699

that means it's well I guess it's still

2479

01:54:46,370 --> 01:54:44,340

privately funded but he seems to suggest

2480

01:54:47,330 --> 01:54:46,380

here that he's putting out all the money

2481

01:54:49,250 --> 01:54:47,340

for this

2482

01:54:51,410 --> 01:54:49,260

which isn't the case and what about the

2483

01:54:53,390 --> 01:54:51,420

local municipality paying members of the

2484

01:54:54,470 --> 01:54:53,400

Skinwalker Ranch television show for God

2485

01:54:56,810 --> 01:54:54,480

knows what

2486

01:54:59,149 --> 01:54:56,820

that's public money

2487

01:55:02,510 --> 01:54:59,159

but I guess they're not paying for the

2488

01:55:04,910 --> 01:55:02,520

investigation so we'll let that go

2489

01:55:06,830 --> 01:55:04,920
originally expecting to debunk it I

2490

01:55:09,229 --> 01:55:06,840
never intended to reveal my Identity or

2491

01:55:12,050 --> 01:55:09,239
go public with my research I reluctantly

2492

01:55:15,709 --> 01:55:12,060
agreed to after years

2493

01:55:18,830 --> 01:55:15,719
and here we see some shots of the

2494

01:55:21,649 --> 01:55:18,840
so-called second Homestead

2495

01:55:24,290 --> 01:55:21,659
and his wonderful helicopter

2496

01:55:25,850 --> 01:55:24,300
and uh boy pretty interesting rocks

2497

01:55:27,470 --> 01:55:25,860
there right

2498

01:55:29,510 --> 01:55:27,480
pretty interesting

2499

01:55:32,209 --> 01:55:29,520
I think he part says disappointing reply

2500

01:55:33,470 --> 01:55:32,219
how is it disappointing why wouldn't you

2501

01:55:35,750 --> 01:55:33,480

want to engage with the scientific

2502

01:55:37,010 --> 01:55:35,760

Community get that it's personal Pursuit

2503

01:55:38,390 --> 01:55:37,020

but you're choosing to make it public

2504

01:55:40,310 --> 01:55:38,400

for profit

2505

01:55:43,370 --> 01:55:40,320

if there weren't people potentially hurt

2506

01:55:45,470 --> 01:55:43,380

by the belief I'd say go 10 seasons but

2507

01:55:46,370 --> 01:55:45,480

it's better to open up the data in my

2508

01:55:48,050 --> 01:55:46,380

opinion

2509

01:55:49,550 --> 01:55:48,060

I should add that I once had an

2510

01:55:50,870 --> 01:55:49,560

encounter with a glowing orb in my house

2511

01:55:53,570 --> 01:55:50,880

and I've always wondered what it was

2512

01:55:56,270 --> 01:55:53,580

ball lightning interdimensional I really

2513

01:55:59,330 --> 01:55:56,280

like a full Hands-On deck study of this

2514

01:56:02,930 --> 01:55:59,340

that involves every possible angle and

2515

01:56:04,910 --> 01:56:02,940

every type of thinking applied

2516

01:56:06,530 --> 01:56:04,920

and this is an interesting book that by

2517

01:56:08,390 --> 01:56:06,540

the way every once in a while I see an

2518

01:56:10,430 --> 01:56:08,400

interesting book and I buy it I'm gonna

2519

01:56:13,790 --> 01:56:10,440

buy this book it's called remarkable

2520

01:56:16,430 --> 01:56:13,800

luminous phenomena in nature by William

2521

01:56:18,649 --> 01:56:16,440

R Corliss he says one of the first

2522

01:56:20,930 --> 01:56:18,659

things I worked with Eric bard

2523

01:56:23,030 --> 01:56:20,940

my principal investigator and full-time

2524

01:56:25,729 --> 01:56:23,040

physicist that's the guy that said when

2525

01:56:28,129 --> 01:56:25,739

he shows people that footage he does

2526

01:56:30,169 --> 01:56:28,139

who showed the best footage that was his

2527

01:56:31,550 --> 01:56:30,179

name thank you Brandon Frugal for

2528

01:56:33,770 --> 01:56:31,560

letting me know his name is Eric Bard

2529

01:56:35,990 --> 01:56:33,780

and he's a physicist to evaluate

2530

01:56:38,149 --> 01:56:36,000

included material documenting remarkable

2531

01:56:39,950 --> 01:56:38,159

luminous phenomenon in nature I wanted

2532

01:56:42,830 --> 01:56:39,960

to identify every possible nature

2533

01:56:46,070 --> 01:56:42,840

natural prosaic explanation for what had

2534

01:56:49,910 --> 01:56:47,810

Brandon fugel goes on to say the

2535

01:56:51,590 --> 01:56:49,920

docu-series is an effort to dynamically

2536

01:56:54,050 --> 01:56:51,600

document the ongoing scientific

2537

01:56:56,390 --> 01:56:54,060

investigation and research at Skinwalker

2538

01:56:58,250 --> 01:56:56,400

Ranch the ranch investigation scientific

2539

01:57:00,050 --> 01:56:58,260

platforms and team were in place long

2540

01:57:02,149 --> 01:57:00,060

before any docu-series and we will

2541

01:57:04,149 --> 01:57:02,159

continue regardless employing the

2542

01:57:07,189 --> 01:57:04,159

scientific method

2543

01:57:09,229 --> 01:57:07,199

while posting a girl who forgot to tell

2544

01:57:11,870 --> 01:57:09,239

people about the Montauk jerk off stuff

2545

01:57:14,209 --> 01:57:11,880

right that's not very scientific brain

2546

01:57:15,649 --> 01:57:14,219

If you go but okay Nick West that is

2547

01:57:17,330 --> 01:57:15,659

unfortunate that your team would assert

2548

01:57:19,010 --> 01:57:17,340

to the world that the glowing orbs are

2549

01:57:21,290 --> 01:57:19,020

great examples of anomalous events

2550

01:57:24,189 --> 01:57:21,300

without detailing the steps to taking

2551
01:57:27,410 --> 01:57:24,199
taken to find and eliminate explanations

2552
01:57:28,790 --> 01:57:27,420
you don't owe anyone anything but it

2553
01:57:32,330 --> 01:57:28,800
makes your whole Endeavor appear

2554
01:57:34,609 --> 01:57:32,340
superficial Brandon fugle boy this is

2555
01:57:35,930 --> 01:57:34,619
getting good those two are going at it I

2556
01:57:37,790 --> 01:57:35,940
don't believe that is a fair criticism

2557
01:57:39,589 --> 01:57:37,800
or statement we engage third-party

2558
01:57:41,629 --> 01:57:39,599
experts why didn't they engage a

2559
01:57:43,490 --> 01:57:41,639
third-party caterpillar expert to see if

2560
01:57:45,290 --> 01:57:43,500
it's caterpillars utilizing

2561
01:57:47,270 --> 01:57:45,300
state-of-the-art equipment repeating and

2562
01:57:49,129 --> 01:57:47,280
expanding the scope of experiments

2563
01:57:51,470 --> 01:57:49,139

anyone actually pay attention to all

2564

01:57:54,410 --> 01:57:51,480

that we have presented can see it's not

2565

01:57:56,030 --> 01:57:54,420

superficial maques says unfortunately

2566

01:57:57,589 --> 01:57:56,040

though that is the impression that the

2567

01:57:59,629 --> 01:57:57,599

show conveys perhaps due to the

2568

01:58:02,510 --> 01:57:59,639

limitations of the format many people

2569

01:58:04,070 --> 01:58:02,520

watching the show including may get the

2570

01:58:05,629 --> 01:58:04,080

impression it's trying very hard to make

2571

01:58:07,850 --> 01:58:05,639

something out of nothing you could

2572

01:58:11,030 --> 01:58:07,860

improve on that by releasing actual data

2573

01:58:12,890 --> 01:58:11,040

and Analysis Brandon fugle again an

2574

01:58:14,270 --> 01:58:12,900

unfair inaccurate statement especially

2575

01:58:16,669 --> 01:58:14,280

when weighed against the events and

2576

01:58:18,410 --> 01:58:16,679

activity documented during numerous

2577

01:58:20,270 --> 01:58:18,420

experiments involving third-party

2578

01:58:22,250 --> 01:58:20,280

experts scientists state-of-the-art

2579

01:58:24,709 --> 01:58:22,260

equipment and repeated UFO sightings and

2580

01:58:26,990 --> 01:58:24,719

strange activity with Witnesses in video

2581

01:58:30,589 --> 01:58:27,000

documentation then where's the video

2582

01:58:32,450 --> 01:58:30,599

Brandon fugel where's the UFO videos

2583

01:58:34,490 --> 01:58:32,460

Stephen Green Street asked to see the

2584

01:58:37,010 --> 01:58:34,500

best evidence and he got this garbage

2585

01:58:39,410 --> 01:58:37,020

and then Mick West had a debunk it and

2586

01:58:42,169 --> 01:58:39,420

then you argued with Mick West that may

2587

01:58:43,850 --> 01:58:42,179

be how you see it Midwest chimes in but

2588

01:58:46,490 --> 01:58:43,860

I assure you it's not the impression the

2589

01:58:50,209 --> 01:58:46,500

show conveys constantly ignoring mundane

2590

01:58:52,450 --> 01:58:50,219

explanations like with the photograph

2591

01:58:55,430 --> 01:58:52,460

I'm not even going to try to

2592

01:58:57,649 --> 01:58:55,440

photogrammetry glitch who exactly told

2593

01:59:00,109 --> 01:58:57,659

you it was inexplicable why not follow

2594

01:59:02,030 --> 01:59:00,119

up if it's genuine and this is a whole

2595

01:59:03,709 --> 01:59:02,040

other situation where they try to claim

2596

01:59:05,149 --> 01:59:03,719

that a camera glitch was something

2597

01:59:07,729 --> 01:59:05,159

mysterious

2598

01:59:10,129 --> 01:59:07,739

who told us it was inexplicable the

2599

01:59:12,410 --> 01:59:10,139

operator and vendor picks 4D stated it

2600

01:59:14,330 --> 01:59:12,420

was highly unusual we continue to follow

2601
01:59:17,109 --> 01:59:14,340
up testing theories and repeat surveys

2602
01:59:19,430 --> 01:59:17,119
of the area as is the case with GPS

2603
01:59:21,530 --> 01:59:19,440
electromagnetic and other anomalies off

2604
01:59:22,910 --> 01:59:21,540
of the rant at the ranches is often

2605
01:59:25,189 --> 01:59:22,920
transient

2606
01:59:27,109 --> 01:59:25,199
request who by the way is a computer

2607
01:59:29,149 --> 01:59:27,119
programmer and I think is qualified to

2608
01:59:32,030 --> 01:59:29,159
make this assessment says it's a

2609
01:59:35,510 --> 01:59:32,040
software error photogrammetry works by

2610
01:59:37,990 --> 01:59:35,520
taking lots of photos and then feature

2611
01:59:40,310 --> 01:59:38,000
matching to create 3D print Point Cloud

2612
01:59:42,410 --> 01:59:40,320
these points in the air were not visible

2613
01:59:44,149 --> 01:59:42,420

not in the photos so it's essentially an

2614

01:59:51,169 --> 01:59:44,159

error in the software probably dealing

2615

01:59:55,370 --> 01:59:53,510

yeah oh here's troubled minds and that's

2616

01:59:57,290 --> 01:59:55,380

where I saw this he says we were told

2617

01:59:59,330 --> 01:59:57,300

they would release peer-reviewed and

2618

02:00:01,550 --> 01:59:59,340

science peer-reviewed science and raw

2619

02:00:03,709 --> 02:00:01,560

data for the masses to analyze years ago

2620

02:00:05,930 --> 02:00:03,719

I used to believe it at least we got an

2621

02:00:07,970 --> 02:00:05,940

Insider subscription program with a

2622

02:00:11,330 --> 02:00:07,980

T-shirt and some Cherry Picked dated

2623

02:00:13,729 --> 02:00:11,340

releases and by the way the statement he

2624

02:00:16,550 --> 02:00:13,739

made that the software company told him

2625

02:00:17,810 --> 02:00:16,560

it was something mysterious somebody

2626

02:00:22,070 --> 02:00:17,820

came out

2627

02:00:25,010 --> 02:00:22,080

and said uh no I work for pix4d we never

2628

02:00:27,050 --> 02:00:25,020

said that we never talked to him so

2629

02:00:29,510 --> 02:00:27,060

who's telling the truth here

2630

02:00:32,390 --> 02:00:29,520

you know I really don't know and it's

2631

02:00:35,270 --> 02:00:32,400

unfortunate but apparently

2632

02:00:38,030 --> 02:00:35,280

um Brandon fogle is

2633

02:00:40,250 --> 02:00:38,040

tweeting inaccurate information to try

2634

02:00:42,709 --> 02:00:40,260

to back up their claims that a software

2635

02:00:46,609 --> 02:00:42,719

glitch is something mysterious or

2636

02:00:48,649 --> 02:00:46,619

paranormal or anomalous it's not

2637

02:00:51,950 --> 02:00:48,659

um and that's where we're at and that's

2638

02:00:52,850 --> 02:00:51,960

where we find ourselves right

2639

02:00:54,950 --> 02:00:52,860

um

2640

02:00:57,890 --> 02:00:54,960

I I don't think there's anything to this

2641

02:01:00,890 --> 02:00:57,900

I mean six years and the best you got is

2642

02:01:05,330 --> 02:01:00,900

some videos of bugs right or a

2643

02:01:08,149 --> 02:01:05,340

caterpillar likely a caterpillar or silk

2644

02:01:11,629 --> 02:01:08,159

uh or light glinting off of spider webs

2645

02:01:13,729 --> 02:01:11,639

or you know silk from silkworms that's

2646

02:01:15,649 --> 02:01:13,739

not paranormal it's not mysterious it's

2647

02:01:19,310 --> 02:01:15,659

not even interesting to me

2648

02:01:21,109 --> 02:01:19,320

and personally uh if I was in charge of

2649

02:01:23,750 --> 02:01:21,119

this investigation and I saw these three

2650

02:01:27,530 --> 02:01:23,760

videos I wouldn't even waste any time on

2651
02:01:30,470 --> 02:01:27,540
them because they don't prove anything

2652
02:01:34,490 --> 02:01:30,480
paranormal they don't it's not proof

2653
02:01:38,689 --> 02:01:34,500
it's is it strange maybe but it's it's

2654
02:01:41,330 --> 02:01:38,699
strange for a bug you know like it could

2655
02:01:43,310 --> 02:01:41,340
be a bug very likely bugs

2656
02:01:49,250 --> 02:01:43,320
insects

2657
02:01:52,070 --> 02:01:49,260
paranormal and what a far cry from the

2658
02:01:53,870 --> 02:01:52,080
ridiculous out there outlandish stories

2659
02:01:56,450 --> 02:01:53,880
of

2660
02:01:59,270 --> 02:01:56,460
George Knapp with the werewolves that

2661
02:02:02,390 --> 02:01:59,280
are bulletproof and the nine foot tall

2662
02:02:04,850 --> 02:02:02,400
cloaked alien creatures that Roar that

2663
02:02:06,830 --> 02:02:04,860

you could hear for miles and the flying

2664

02:02:10,790 --> 02:02:06,840

refrigerators and the blue meanies and

2665

02:02:18,890 --> 02:02:13,370

those are the stories we get

2666

02:02:20,450 --> 02:02:18,900

from Skinwalker promoters and by the way

2667

02:02:24,370 --> 02:02:20,460

is it

2668

02:02:27,050 --> 02:02:24,380

relevant that the two biggest profiteers

2669

02:02:28,970 --> 02:02:27,060

from Skinwalker Ranch previous to

2670

02:02:32,450 --> 02:02:28,980

Brandon fugel that is

2671

02:02:34,310 --> 02:02:32,460

where two people who have also profited

2672

02:02:37,209 --> 02:02:34,320

from provably fake stories like Bob

2673

02:02:39,830 --> 02:02:37,219

Lazar even Brandon fugel's own employee

2674

02:02:42,530 --> 02:02:39,840

scientist Travis Walton or not Travis

2675

02:02:44,570 --> 02:02:42,540

Walton Travis Taylor says that Bob's a

2676

02:02:48,830 --> 02:02:44,580

Crocker crap

2677

02:02:51,290 --> 02:02:48,840

so you know I think that if somebody has

2678

02:02:54,350 --> 02:02:51,300

sold provably fake stories before for

2679

02:02:57,050 --> 02:02:54,360

decades maybe just make we shouldn't

2680

02:02:59,629 --> 02:02:57,060

trust them when they tell new stories

2681

02:03:01,010 --> 02:02:59,639

with no evidence that are Fantastical

2682

02:03:03,169 --> 02:03:01,020

remember

2683

02:03:05,270 --> 02:03:03,179

fantastic claims require fantastic

2684

02:03:07,189 --> 02:03:05,280

evidence and not only does George knap

2685

02:03:10,330 --> 02:03:07,199

not have fantastic evidence he doesn't

2686

02:03:14,510 --> 02:03:10,340

have any evidence of these absolutely

2687

02:03:15,890 --> 02:03:14,520

out of this world Fantastical claims and

2688

02:03:17,209 --> 02:03:15,900

these stories that he's getting paid

2689

02:03:20,570 --> 02:03:17,219

money to tell

2690

02:03:23,570 --> 02:03:20,580

and sell in the form of his books

2691

02:03:24,350 --> 02:03:23,580

I'm very I'm very suspect of this whole

2692

02:03:26,689 --> 02:03:24,360

thing

2693

02:03:29,209 --> 02:03:26,699

I think it's all big money play that's

2694

02:03:31,609 --> 02:03:29,219

what I think uh

2695

02:03:35,209 --> 02:03:31,619

how many millions of dollars is going to

2696

02:03:36,890 --> 02:03:35,219

be wasted looking at videos and trying

2697

02:03:39,890 --> 02:03:36,900

to prove there's something paranormal at

2698

02:03:42,410 --> 02:03:39,900

this place Bob Bigelow wasted 22 million

2699

02:03:44,209 --> 02:03:42,420

dollars of American taxpayer money

2700

02:03:47,510 --> 02:03:44,219

and didn't prove that there was anything

2701

02:03:49,129 --> 02:03:47,520

paranormal there now Brandon fugle has

2702

02:03:51,350 --> 02:03:49,139

wasted at least a few million dollars

2703

02:03:54,649 --> 02:03:51,360

and granted that might be his own money

2704

02:03:56,330 --> 02:03:54,659

but still what are we up to 25 million

2705

02:03:58,370 --> 02:03:56,340

dollars wasted on this place and the

2706

02:04:01,310 --> 02:03:58,380

best we got is some images of something

2707

02:04:04,250 --> 02:04:01,320

that is likely insects

2708

02:04:07,370 --> 02:04:04,260

films of insects that's all we get for

2709

02:04:09,350 --> 02:04:07,380

25 million dollars listen if you have

2710

02:04:13,129 --> 02:04:09,360

dumped 25 million dollars into this

2711

02:04:16,129 --> 02:04:13,139

place and the best evidence you have is

2712

02:04:17,689 --> 02:04:16,139

videos that are likely insects and by

2713

02:04:19,430 --> 02:04:17,699

the way

2714

02:04:21,350 --> 02:04:19,440

I will concede I can't prove their

2715

02:04:23,629 --> 02:04:21,360

insects but what I would say is why

2716

02:04:25,430 --> 02:04:23,639

doesn't brainer fuel go higher insect

2717

02:04:27,649 --> 02:04:25,440

experts to look at these videos and say

2718

02:04:31,189 --> 02:04:27,659

is that a bug is that a caterpillar is

2719

02:04:34,310 --> 02:04:31,199

that uh light reflector off of soap from

2720

02:04:35,689 --> 02:04:34,320

spiderwebs or silkworms and if they say

2721

02:04:38,089 --> 02:04:35,699

yes it is

2722

02:04:39,770 --> 02:04:38,099

game over this isn't paranormal you

2723

02:04:42,770 --> 02:04:39,780

should trust the experts if you get a

2724

02:04:45,050 --> 02:04:42,780

good qualified expert so for 25 million

2725

02:04:47,149 --> 02:04:45,060

dollars and by the way it might be much

2726

02:04:48,830 --> 02:04:47,159

much more than 25 million dollars I'm

2727

02:04:50,750 --> 02:04:48,840

just guesstimating

2728

02:04:51,950 --> 02:04:50,760

I'm sure the ranch costs a pretty penny

2729

02:04:53,870 --> 02:04:51,960

and then he had to put in all that

2730

02:04:56,149 --> 02:04:53,880

equipment thirty thousand dollars

2731

02:04:57,649 --> 02:04:56,159

computer all those cameras let's just

2732

02:05:00,290 --> 02:04:57,659

say Brandon fugel spent three million

2733

02:05:02,030 --> 02:05:00,300

dollars so far in the past six years and

2734

02:05:03,770 --> 02:05:02,040

considering that he has full-time staff

2735

02:05:05,450 --> 02:05:03,780

there all hours of the day and night

2736

02:05:06,950 --> 02:05:05,460

seven days a week that's very reasonable

2737

02:05:09,229 --> 02:05:06,960

half a million dollars a year for the

2738

02:05:11,270 --> 02:05:09,239

past six years he's on the ranch I think

2739

02:05:13,010 --> 02:05:11,280

it's six years he's on the ranch that

2740

02:05:15,709 --> 02:05:13,020

would be three million dollars

2741

02:05:17,930 --> 02:05:15,719

very reasonable amount

2742

02:05:20,870 --> 02:05:17,940

so

2743

02:05:23,930 --> 02:05:20,880

25 million dollars invested in the

2744

02:05:26,930 --> 02:05:23,940

Skinwalker Ranch investigating it to

2745

02:05:29,570 --> 02:05:26,940

prove the Paranormal Activity there and

2746

02:05:31,970 --> 02:05:29,580

this is all we get videos there are

2747

02:05:34,129 --> 02:05:31,980

likely bugs or other ordinary Earthly

2748

02:05:36,589 --> 02:05:34,139

things

2749

02:05:37,910 --> 02:05:36,599

very disappointing and again we come

2750

02:05:39,830 --> 02:05:37,920

back to

2751
02:05:42,470 --> 02:05:39,840
all of these people the Paranormal

2752
02:05:44,390 --> 02:05:42,480
pushers they over promise they under

2753
02:05:47,330 --> 02:05:44,400
deliver and then we get to the big

2754
02:05:50,390 --> 02:05:47,340
letdown this entire thing that Stephen

2755
02:05:52,490 --> 02:05:50,400
Green Street showed proves this is a big

2756
02:05:54,709 --> 02:05:52,500
letdown regardless of whether you're a

2757
02:05:56,629 --> 02:05:54,719
believer in this place or not even if

2758
02:05:58,609 --> 02:05:56,639
you're a Believer that's the best they

2759
02:06:01,970 --> 02:05:58,619
got if they're years and years and years

2760
02:06:03,950 --> 02:06:01,980
of constant 24 7 video surveillance all

2761
02:06:06,669 --> 02:06:03,960
over that place that's the best they got

2762
02:06:09,530 --> 02:06:06,679
and 25 million dollars pumped into this

2763
02:06:12,050 --> 02:06:09,540

so-called investigation into this if

2764

02:06:13,550 --> 02:06:12,060

that's a paranormal hot spot why don't

2765

02:06:16,490 --> 02:06:13,560

they have something better than this

2766

02:06:17,450 --> 02:06:16,500

garbage this is garbage for 25 million

2767

02:06:19,370 --> 02:06:17,460

dollars

2768

02:06:22,310 --> 02:06:19,380

and by the way

2769

02:06:24,589 --> 02:06:22,320

I'm gonna try to get 25 million dollars

2770

02:06:26,209 --> 02:06:24,599

I bought some land in the Poconos I'm

2771

02:06:28,790 --> 02:06:26,219

pretty sure it's haunted

2772

02:06:31,250 --> 02:06:28,800

I'm I'm gonna take 25 million dollars

2773

02:06:33,530 --> 02:06:31,260

and see what we find out right and hey

2774

02:06:36,530 --> 02:06:33,540

if it's not paranormal I'm just going to

2775

02:06:37,310 --> 02:06:36,540

keep the 25 million dollars and that's

2776

02:06:39,169 --> 02:06:37,320

it

2777

02:06:41,570 --> 02:06:39,179

so you know

2778

02:06:42,709 --> 02:06:41,580

how many more seasons is he going to go

2779

02:06:46,609 --> 02:06:42,719

on

2780

02:06:49,729 --> 02:06:46,619

with videos of moths bugs and you know

2781

02:06:52,550 --> 02:06:49,739

spider webs here

2782

02:06:56,089 --> 02:06:52,560

and that would that should inform you

2783

02:06:59,030 --> 02:06:56,099

something about the so-called uh you

2784

02:07:01,970 --> 02:06:59,040

know paranormal TV show circuit like

2785

02:07:03,589 --> 02:07:01,980

that's really all you got to do that's

2786

02:07:06,550 --> 02:07:03,599

all you got to show when you're making

2787

02:07:09,229 --> 02:07:06,560

all of these Fantastical out there

2788

02:07:11,750 --> 02:07:09,239

ridiculous claims about this place all

2789

02:07:14,450 --> 02:07:11,760

you have to show after three years is

2790

02:07:17,089 --> 02:07:14,460

some videos of bugs

2791

02:07:18,890 --> 02:07:17,099

spider webs really

2792

02:07:20,450 --> 02:07:18,900

that's all you got to show and you can

2793

02:07:21,950 --> 02:07:20,460

get a multi-million dollar television

2794

02:07:25,490 --> 02:07:21,960

show

2795

02:07:28,310 --> 02:07:25,500

yeah because you over promised and this

2796

02:07:31,790 --> 02:07:28,320

is the inevitable under delivering and

2797

02:07:34,189 --> 02:07:31,800

big letdown so you know

2798

02:07:37,490 --> 02:07:34,199

I I guess I would close with saying that

2799

02:07:40,550 --> 02:07:37,500

the Skinwalker Ranch is one big let down

2800

02:07:43,669 --> 02:07:40,560

this place has been hyped at the Wazoo

2801
02:07:46,370 --> 02:07:43,679
books documentaries television shows but

2802
02:07:49,250 --> 02:07:46,380
look what we get from this place garbage

2803
02:07:52,430 --> 02:07:49,260
this is garbage 25 million dollars

2804
02:07:54,770 --> 02:07:52,440
that's what you got I can go make three

2805
02:07:57,109 --> 02:07:54,780
videos that are more convincingly

2806
02:07:58,070 --> 02:07:57,119
paranormal activity at my cabin this

2807
02:08:01,310 --> 02:07:58,080
weekend

2808
02:08:04,189 --> 02:08:01,320
for free and post them you know like it

2809
02:08:06,890 --> 02:08:04,199
doesn't take 25 million dollars

2810
02:08:09,169 --> 02:08:06,900
um and again over promise oh it's a

2811
02:08:11,870 --> 02:08:09,179
paranormal hot spot really

2812
02:08:14,450 --> 02:08:11,880
why then after years and years and years

2813
02:08:16,370 --> 02:08:14,460

of constant filming is this the level of

2814

02:08:18,530 --> 02:08:16,380

garbage that you've got

2815

02:08:19,609 --> 02:08:18,540

if it's such a paranormal hot spot you

2816

02:08:22,729 --> 02:08:19,619

should have a look you should have

2817

02:08:25,490 --> 02:08:22,739

something spaceship I don't know

2818

02:08:28,310 --> 02:08:25,500

Dino Beaver come on give us one Dino

2819

02:08:31,310 --> 02:08:28,320

Beaver Brandon fogle give us one

2820

02:08:34,070 --> 02:08:31,320

bulletproof werewolf video footage

2821

02:08:37,010 --> 02:08:34,080

something a Bigfoot

2822

02:08:38,810 --> 02:08:37,020

can we see the blue meanies can we see

2823

02:08:40,550 --> 02:08:38,820

the UFOs

2824

02:08:47,649 --> 02:08:40,560

right

2825

02:08:52,850 --> 02:08:51,109

okay the ranch staff told Green Street

2826

02:08:54,830 --> 02:08:52,860

he shouldn't stay out the ranch by

2827

02:08:56,570 --> 02:08:54,840

himself overnight Green Street said he

2828

02:08:58,430 --> 02:08:56,580

wasn't afraid yeah I wouldn't be afraid

2829

02:09:02,149 --> 02:08:58,440

what are you gonna what are you afraid

2830

02:09:03,709 --> 02:09:02,159

of bugs they're gonna be bugs oh such a

2831

02:09:06,070 --> 02:09:03,719

paranormal hot spot it's so haunted

2832

02:09:09,229 --> 02:09:06,080

we're gonna see some bugs tonight I'm

2833

02:09:12,229 --> 02:09:09,239

shaking in my boots Patty I'm so afraid

2834

02:09:15,229 --> 02:09:12,239

of seeing spider webs and bugs

2835

02:09:18,649 --> 02:09:15,239

tonight right

2836

02:09:21,109 --> 02:09:18,659

tons of money for nothing just a joke I

2837

02:09:24,709 --> 02:09:21,119

asking myself how stupid this world can

2838

02:09:26,750 --> 02:09:24,719

be yeah I mean it's it's uh it's it's

2839

02:09:28,970 --> 02:09:26,760

it's amazing to me that they still have

2840

02:09:31,129 --> 02:09:28,980

a television show like that's the best I

2841

02:09:33,229 --> 02:09:31,139

got and again

2842

02:09:37,149 --> 02:09:33,239

you got to remember that all this stuff

2843

02:09:40,850 --> 02:09:37,159

is carefully curated and carefully

2844

02:09:42,470 --> 02:09:40,860

massaged they massage every bit of data

2845

02:09:44,629 --> 02:09:42,480

that they could get and then they do

2846

02:09:47,209 --> 02:09:44,639

things like deceptive editing like we

2847

02:09:48,950 --> 02:09:47,219

saw they deceptively edited that one

2848

02:09:51,410 --> 02:09:48,960

video to make it appear that that thing

2849

02:09:54,050 --> 02:09:51,420

appeared out of nowhere it didn't it

2850

02:09:56,330 --> 02:09:54,060

rolled right into the frame just like a

2851
02:09:58,129 --> 02:09:56,340
moth or a spider on a spider web would

2852
02:10:04,490 --> 02:09:58,139
right

2853
02:10:07,010 --> 02:10:04,500
but it is what it is uh you know uh

2854
02:10:09,410 --> 02:10:07,020
and uh welcome

2855
02:10:11,450 --> 02:10:09,420
I'm uh looking at the twitch chat right

2856
02:10:13,310 --> 02:10:11,460
now several people over there good to

2857
02:10:15,410 --> 02:10:13,320
see we're trying to get our stats up we

2858
02:10:18,530 --> 02:10:15,420
can't get the number of we have to have

2859
02:10:21,050 --> 02:10:18,540
so many concurrent viewers every show in

2860
02:10:23,810 --> 02:10:21,060
order to get monetized over there and

2861
02:10:27,550 --> 02:10:23,820
we're failing miserably at it uh but

2862
02:10:30,430 --> 02:10:27,560
thank you Naomi Pacha Mama

2863
02:10:34,850 --> 02:10:30,440

for being

2864

02:10:37,129 --> 02:10:34,860

I know

2865

02:10:39,169 --> 02:10:37,139

what we're gonna have to do

2866

02:10:42,169 --> 02:10:39,179

in order to get monetized on Twitch is

2867

02:10:44,390 --> 02:10:42,179

drop the twitch streams and then once a

2868

02:10:46,910 --> 02:10:44,400

week do a twitch only stream or whatever

2869

02:10:48,589 --> 02:10:46,920

so that everybody so that we get way

2870

02:10:50,450 --> 02:10:48,599

more than the few people that they want

2871

02:10:52,310 --> 02:10:50,460

us to have in order to get monetized

2872

02:10:54,050 --> 02:10:52,320

because I'm told that once we get

2873

02:10:56,689 --> 02:10:54,060

monetized over there anybody with Amazon

2874

02:10:57,970 --> 02:10:56,699

Prime can give me five bucks a month and

2875

02:11:00,290 --> 02:10:57,980

it doesn't cost them anything Amazon

2876

02:11:02,689 --> 02:11:00,300

gives that to people to give to the

2877

02:11:03,950 --> 02:11:02,699

streamers or something like that got to

2878

02:11:06,109 --> 02:11:03,960

look into it

2879

02:11:09,470 --> 02:11:06,119

so we really need to get monetized over

2880

02:11:13,669 --> 02:11:11,930

Iowa says I was building a deck once and

2881

02:11:16,370 --> 02:11:13,679

jumping spider came out and did a dance

2882

02:11:20,209 --> 02:11:16,380

and since then they have been my

2883

02:11:24,709 --> 02:11:22,970

no bull truth says I think you need to

2884

02:11:27,229 --> 02:11:24,719

be in a hot tub for twitch streams to

2885

02:11:28,970 --> 02:11:27,239

profit uh yeah I heard all about that

2886

02:11:31,790 --> 02:11:28,980

that's a little weird

2887

02:11:34,310 --> 02:11:31,800

a little weird uh Naomi good please

2888

02:11:36,890 --> 02:11:34,320

we're here every night at 9 00 PM Monday

2889

02:11:38,810 --> 02:11:36,900
through Friday please be there we even

2890

02:11:40,910 --> 02:11:38,820
if you just go there and and park

2891

02:11:43,189 --> 02:11:40,920
yourself there and and you're busy and

2892

02:11:45,229 --> 02:11:43,199
you don't watch till later it would

2893

02:11:48,530 --> 02:11:45,239
really help us try to get that affiliate

2894

02:11:51,050 --> 02:11:48,540
badge going so that we could praise the

2895

02:11:52,430 --> 02:11:51,060
cash over there algor Ray says I like

2896

02:11:54,350 --> 02:11:52,440
the idea of a twitch only stream

2897

02:11:56,390 --> 02:11:54,360
occasionally I'm starting them next week

2898

02:11:57,850 --> 02:11:56,400
we're going to get those stats whatever

2899

02:12:01,070 --> 02:11:57,860
we have to do

2900

02:12:03,709 --> 02:12:01,080
to help yeah tell tell twitch people

2901

02:12:07,250 --> 02:12:03,719

Naomi I would appreciate it thank you

2902

02:12:09,770 --> 02:12:07,260

very much thank you very much

2903

02:12:12,830 --> 02:12:09,780

Sarah says great show but she's always

2904

02:12:15,530 --> 02:12:12,840

saying that blue chicken is here

2905

02:12:17,570 --> 02:12:15,540

um blue chicken must be busy given the

2906

02:12:19,970 --> 02:12:17,580

Corey good depositions oh and by the way

2907

02:12:22,250 --> 02:12:19,980

we'll be back tomorrow night at 9 00 PM

2908

02:12:24,229 --> 02:12:22,260

Eastern Standard Time and we're going to

2909

02:12:26,089 --> 02:12:24,239

be covering Jimmy the slime ball Church

2910

02:12:28,010 --> 02:12:26,099

actually said something about the whole

2911

02:12:30,589 --> 02:12:28,020

David Wilcock Corey good deposition

2912

02:12:32,270 --> 02:12:30,599

thing and it's interesting what he said

2913

02:12:34,910 --> 02:12:32,280

we're going to cover that tomorrow night

2914

02:12:39,250 --> 02:12:34,920

9 p.m Eastern Standard Time I hope you

2915

02:12:43,609 --> 02:12:42,290

Carrie uh spooky is here and says we've

2916

02:12:44,750 --> 02:12:43,619

been trying to reach you about your

2917

02:12:47,089 --> 02:12:44,760

warranty

2918

02:12:48,530 --> 02:12:47,099

you made me jump Carrie because I saw

2919

02:12:50,030 --> 02:12:48,540

Carrie and we've been trying to reach

2920

02:12:52,010 --> 02:12:50,040

you and I thought it was something going

2921

02:12:54,830 --> 02:12:52,020

on like I've been muted for the past

2922

02:12:57,589 --> 02:12:54,840

hour and didn't know it

2923

02:12:59,930 --> 02:12:57,599

uh yeah

2924

02:13:02,990 --> 02:12:59,940

I try not to Twitch it draws attention

2925

02:13:05,510 --> 02:13:03,000

my fox says uh

2926

02:13:06,830 --> 02:13:05,520

praise the cash Carrie is spooky yeah

2927

02:13:12,109 --> 02:13:06,840

whatever you do don't ask him about

2928

02:13:17,810 --> 02:13:14,569

Dino beavers Dino beavers Dino beavers

2929

02:13:21,709 --> 02:13:17,820

Go Dino beavers yeah absolutely Go Dino

2930

02:13:23,689 --> 02:13:21,719

beavers so what what else can I say uh

2931

02:13:26,089 --> 02:13:23,699

I've said what I had to say and I and I

2932

02:13:28,129 --> 02:13:26,099

hope that Brandon Frugal like forgives

2933

02:13:30,470 --> 02:13:28,139

me for telling them the truth about who

2934

02:13:33,950 --> 02:13:30,480

he's using to help advertise behind his

2935

02:13:36,109 --> 02:13:33,960

paywall and his offerings not exactly

2936

02:13:39,470 --> 02:13:36,119

good for you know serious scientific

2937

02:13:42,530 --> 02:13:39,480

research to have that on your page right

2938

02:13:44,750 --> 02:13:42,540

unless you like lying to people and

2939

02:13:47,030 --> 02:13:44,760

pretending that the Montauk project is

2940

02:13:49,310 --> 02:13:47,040

not about dudes jerking off in front of

2941

02:13:51,490 --> 02:13:49,320

each other Brandon fuggle right and

2942

02:13:54,649 --> 02:13:51,500

you're a religious man you understand

2943

02:13:56,510 --> 02:13:54,659

if a story is supposed to be about the

2944

02:13:59,030 --> 02:13:56,520

Paranormal but it's really about gay

2945

02:14:00,649 --> 02:13:59,040

dudes jerking off each other and jerking

2946

02:14:02,450 --> 02:14:00,659

off in front of each other and watching

2947

02:14:05,270 --> 02:14:02,460

each other jerk off and the whole story

2948

02:14:09,350 --> 02:14:05,280

revolves around jerking off it's not a

2949

02:14:11,089 --> 02:14:09,360

credible story and having somebody uh on

2950

02:14:13,310 --> 02:14:11,099

your page who pretended it was a

2951

02:14:16,069 --> 02:14:13,320

credible story and left out the jerking

2952

02:14:19,250 --> 02:14:16,079

off part is problematic for you

2953

02:14:22,129 --> 02:14:19,260

I would think so I mean everybody's uh

2954

02:14:24,830 --> 02:14:22,139

you know entitled to their own opinion

2955

02:14:29,209 --> 02:14:24,840

so uh what else can they say we're going

2956

02:14:31,609 --> 02:14:29,219

to bounce on out of here uh because I

2957

02:14:33,169 --> 02:14:31,619

mentioned that my car wasn't running I

2958

02:14:35,750 --> 02:14:33,179

fixed my car

2959

02:14:38,990 --> 02:14:35,760

just in time because my inspection is

2960

02:14:43,129 --> 02:14:39,000

expiring so I drove the car over to the

2961

02:14:45,470 --> 02:14:43,139

mechanic and uh and then I had a walk

2962

02:14:49,129 --> 02:14:45,480

three miles back to my house my wife is

2963

02:14:51,109 --> 02:14:49,139

very busy and I just decided she's too

2964

02:14:53,330 --> 02:14:51,119

busy I'll just walk to three miles it's

2965

02:14:56,810 --> 02:14:53,340

not a big deal and then I almost got hit

2966

02:14:59,149 --> 02:14:56,820

by a car seven times walking

2967

02:15:02,270 --> 02:14:59,159

try to walk home at three o'clock in the

2968

02:15:04,189 --> 02:15:02,280

morning last night but I got home safe

2969

02:15:06,770 --> 02:15:04,199

and I said well I'm glad that's over

2970

02:15:09,589 --> 02:15:06,780

whatever I'll get the guy will inspect

2971

02:15:12,229 --> 02:15:09,599

the car my mechanic will inspect the car

2972

02:15:14,390 --> 02:15:12,239

I'll go get it tomorrow and I won't have

2973

02:15:17,569 --> 02:15:14,400

to worry about it for another year but

2974

02:15:20,330 --> 02:15:17,579

what happened is my battery died in my

2975

02:15:22,910 --> 02:15:20,340

car and for some reason that resets the

2976

02:15:25,010 --> 02:15:22,920

emissions thing or something and now he

2977

02:15:26,450 --> 02:15:25,020

can't inspect the car until I drive it

2978

02:15:31,189 --> 02:15:26,460

for 100 miles

2979

02:15:33,470 --> 02:15:31,199

so now I gotta go walk back there I

2980

02:15:36,109 --> 02:15:33,480

gotta walk back there another three

2981

02:15:39,169 --> 02:15:36,119

miles and get my car and take it home

2982

02:15:41,510 --> 02:15:39,179

and then drive it 100 miles and then

2983

02:15:43,910 --> 02:15:41,520

take it back for the inspection which is

2984

02:15:46,010 --> 02:15:43,920

so stupid

2985

02:15:48,050 --> 02:15:46,020

and they almost got hit by a car a few

2986

02:15:50,030 --> 02:15:48,060

times it's very dangerous the road that

2987

02:15:51,970 --> 02:15:50,040

I have to it's like a highway and

2988

02:15:54,350 --> 02:15:51,980

there's no sidewalk

2989

02:15:56,330 --> 02:15:54,360

and that's the most direct way to walk

2990

02:15:57,470 --> 02:15:56,340

there to get the car so that's what I

2991

02:16:00,770 --> 02:15:57,480

did

2992

02:16:02,810 --> 02:16:00,780

um I can go back and get it now uh but I

2993

02:16:04,790 --> 02:16:02,820

think I'm gonna I'll get down and pay

2994

02:16:07,550 --> 02:16:04,800

the 10 bucks for the lift or whatever so

2995

02:16:10,910 --> 02:16:07,560

I don't die but I gotta do that tonight

2996

02:16:12,950 --> 02:16:10,920

I gotta go get the car and uh it is uh

2997

02:16:15,410 --> 02:16:12,960

my wife's birthday tomorrow so I need

2998

02:16:17,810 --> 02:16:15,420

the car because I got to take my kids

2999

02:16:20,569 --> 02:16:17,820

shopping to get her a cake and and some

3000

02:16:22,370 --> 02:16:20,579

gifts and things like that as soon as

3001

02:16:27,850 --> 02:16:22,380

she gets home and then we're gonna have

3002

02:16:34,310 --> 02:16:31,069

somebody said oh my God call Uber

3003

02:16:38,629 --> 02:16:34,320

electric scooter right

3004

02:16:40,549 --> 02:16:38,639

call Uber yeah I I know I I didn't want

3005

02:16:41,929 --> 02:16:40,559

to spend the 10 bucks though and it was

3006

02:16:44,089 --> 02:16:41,939

three o'clock in the morning last night

3007

02:16:45,950 --> 02:16:44,099

when I went tonight I should be able to

3008

02:16:48,290 --> 02:16:45,960

get an Uber I don't know we'll see

3009

02:16:50,389 --> 02:16:48,300

otherwise I'm just gonna walk again you

3010

02:16:53,270 --> 02:16:50,399

know and by the way my

3011

02:16:55,129 --> 02:16:53,280

I need the exercise Brandi Phillips

3012

02:16:56,570 --> 02:16:55,139

um and I figured out that although

3013

02:16:59,270 --> 02:16:56,580

there's not a sidewalk I could have

3014

02:17:01,490 --> 02:16:59,280

walked on the grass on the side but I

3015

02:17:04,490 --> 02:17:01,500

just figured it would be quicker to not

3016

02:17:07,429 --> 02:17:04,500

be in grass and dirt the whole three

3017

02:17:10,429 --> 02:17:07,439

mile walk so tonight if I do it I'll

3018

02:17:13,009 --> 02:17:10,439

I'll stay on the grass and stay safe and

3019

02:17:15,049 --> 02:17:13,019

I wanted to listen to Ozzy Ozzy

3020

02:17:17,150 --> 02:17:15,059

Osbourne's new album which by the way is

3021

02:17:19,429 --> 02:17:17,160

absolutely fantastic if you're a music

3022

02:17:21,709 --> 02:17:19,439

fan especially somebody that likes rock

3023

02:17:24,530 --> 02:17:21,719

or metal Ozzy Osbourne's new album

3024

02:17:27,049 --> 02:17:24,540

patient number nine it is amazing and

3025

02:17:29,810 --> 02:17:27,059

he's got amazing musicians on it Eric

3026

02:17:33,110 --> 02:17:29,820

Clapton he's got um

3027

02:17:36,770 --> 02:17:33,120

he's got Eric Clapton Jeff Beck and he's

3028

02:17:39,889 --> 02:17:36,780

got uh Zack Wilde and others playing on

3029

02:17:43,310 --> 02:17:39,899

this thing it is amazing amazing one of

3030

02:17:45,410 --> 02:17:43,320

his best albums ever I think

3031

02:17:46,849 --> 02:17:45,420

um especially from a purely Rock there

3032

02:17:48,650 --> 02:17:46,859

was a period there where it seemed like

3033

02:17:50,270 --> 02:17:48,660

he was going a little too digital for me

3034

02:17:52,730 --> 02:17:50,280

he's a rock guy stay away from the

3035

02:17:54,110 --> 02:17:52,740

synthesizers obviously just do you know

3036

02:17:56,389 --> 02:17:54,120

guitar bass and drums that's my

3037

02:17:58,490 --> 02:17:56,399

preference anyway but anyway

3038

02:18:01,730 --> 02:17:58,500

um then the new album is absolutely

3039

02:18:03,290 --> 02:18:01,740

awesome and one of the reasons Brandi

3040

02:18:04,849 --> 02:18:03,300

Phillips I was okay with doing a three

3041

02:18:06,889 --> 02:18:04,859

mile walk is because I knew it was going

3042

02:18:09,889 --> 02:18:06,899

to take me an hour 45 minutes and I

3043

02:18:12,469 --> 02:18:09,899

haven't had a chance to really I like to

3044

02:18:14,690 --> 02:18:12,479

listen to albums that I like from

3045

02:18:16,730 --> 02:18:14,700

artists I like on headphones so I

3046

02:18:18,049 --> 02:18:16,740

thought I'll take a walk I'll drop off

3047

02:18:21,589 --> 02:18:18,059

the car and then I'll take a walk home

3048

02:18:24,410 --> 02:18:21,599

not a big deal yeah I almost got hit by

3049

02:18:28,730 --> 02:18:26,570

yeah if I do get hit by a car don't

3050

02:18:30,830 --> 02:18:28,740

worry I will claim it was the Men in

3051

02:18:32,330 --> 02:18:30,840

Black trying to kill me because I'm

3052

02:18:34,250 --> 02:18:32,340

getting too close to the truth about

3053

02:18:35,690 --> 02:18:34,260

those aliens operation shutdown

3054

02:18:39,349 --> 02:18:35,700

absolutely

3055

02:18:41,929 --> 02:18:39,359

that's what I'm going to do

3056

02:18:44,330 --> 02:18:41,939

you know and you know one of the reasons

3057

02:18:46,370 --> 02:18:44,340

I was so happy about the new Ozzy album

3058

02:18:48,469 --> 02:18:46,380

is because she's getting up there and

3059

02:18:50,450 --> 02:18:48,479

I'm very selfish every time an artist I

3060

02:18:52,250 --> 02:18:50,460

really love dies the first thing I think

3061

02:18:53,870 --> 02:18:52,260

is damn now we're not going to get any

3062

02:18:55,669 --> 02:18:53,880

more music from that guy I thought about

3063

02:18:57,290 --> 02:18:55,679

it when Tom Petty died

3064

02:18:59,030 --> 02:18:57,300

I thought about it when Chris Cornell

3065

02:19:02,089 --> 02:18:59,040

died I thought about it when Lane

3066

02:19:05,509 --> 02:19:02,099

Stanley died I thought about it uh every

3067

02:19:07,669 --> 02:19:05,519

time a musician I really enjoyed dies my

3068

02:19:11,150 --> 02:19:07,679

first selfish thought is we're not going

3069

02:19:14,810 --> 02:19:11,160

to get any more music now you know like

3070

02:19:16,610 --> 02:19:14,820

how many more great how did Tom Petty

3071

02:19:20,150 --> 02:19:16,620

have in them right

3072

02:19:22,790 --> 02:19:20,160

or Johnny Cash or anybody that's a great

3073

02:19:24,230 --> 02:19:22,800

songwriter I love great songwriters and

3074

02:19:27,530 --> 02:19:24,240

respect great songwriters being a

3075

02:19:29,389 --> 02:19:27,540

songwriter myself so we don't know how

3076

02:19:33,589 --> 02:19:29,399

many more Aussie albums we're gonna get

3077

02:19:35,810 --> 02:19:33,599

before Ozzy leaves this Mortal coil so

3078

02:19:38,150 --> 02:19:35,820

it made me realize everybody's mortal

3079

02:19:41,870 --> 02:19:38,160

and and his new album is amazing

3080

02:19:45,410 --> 02:19:41,880

probably it's my one of my most favorite

3081

02:19:47,990 --> 02:19:45,420

since the Scream album the other one it

3082

02:19:49,190 --> 02:19:48,000

was pretty good not not a huge fan of it

3083

02:19:51,469 --> 02:19:49,200

but

3084

02:19:54,230 --> 02:19:51,479

uh the Scream album has a lot of songs

3085

02:19:56,750 --> 02:19:54,240

about like getting over the the problems

3086

02:19:59,410 --> 02:19:56,760

of the past and all these things and

3087

02:20:03,290 --> 02:19:59,420

when I was under the gun

3088

02:20:04,730 --> 02:20:03,300

we had to move quick like a real estate

3089

02:20:07,310 --> 02:20:04,740

developer when we lived in Philadelphia

3090

02:20:09,170 --> 02:20:07,320

just knocked on my door and offered me a

3091

02:20:12,710 --> 02:20:09,180

whole lot of money

3092

02:20:14,450 --> 02:20:12,720

um for the the house that we lived in in

3093

02:20:17,570 --> 02:20:14,460

the studio next door and all the

3094

02:20:19,370 --> 02:20:17,580

property and we weren't expecting to

3095

02:20:20,750 --> 02:20:19,380

move we weren't even trying to sell our

3096

02:20:24,349 --> 02:20:20,760

house but it was such a big offer that

3097

02:20:26,810 --> 02:20:24,359

we went okay we'll move and then I had

3098

02:20:29,210 --> 02:20:26,820

to do all this stuff clean out a huge

3099

02:20:30,770 --> 02:20:29,220

commercial studio for of everything and

3100

02:20:32,690 --> 02:20:30,780

we had no place to put everything so I

3101
02:20:33,770 --> 02:20:32,700
had to sell stuff and so I was so under

3102
02:20:36,469 --> 02:20:33,780
the gun

3103
02:20:38,690 --> 02:20:36,479
and I listened to that Ozzy Osborne

3104
02:20:40,130 --> 02:20:38,700
album screen the whole time and there's

3105
02:20:40,969 --> 02:20:40,140
uh

3106
02:20:43,190 --> 02:20:40,979
um

3107
02:20:46,490 --> 02:20:43,200
there are songs on there that were just

3108
02:20:49,130 --> 02:20:46,500
like perfectly fit the situation that I

3109
02:20:52,070 --> 02:20:49,140
was in uh

3110
02:20:56,330 --> 02:20:52,080
and songs about the past and you know

3111
02:20:59,450 --> 02:20:56,340
let it burn is was one of them and let

3112
02:21:02,090 --> 02:20:59,460
it die I'm sorry uh Life Won't Wait

3113
02:21:04,550 --> 02:21:02,100

right Fearless

3114

02:21:06,469 --> 02:21:04,560

and it was a lot of songs about getting

3115

02:21:08,809 --> 02:21:06,479

over problems of the past and just

3116

02:21:10,670 --> 02:21:08,819

moving along with your life and I to

3117

02:21:12,110 --> 02:21:10,680

this day I love that album I listened to

3118

02:21:14,030 --> 02:21:12,120

it the whole time I was trying to clean

3119

02:21:16,550 --> 02:21:14,040

my house and my studio out and get my

3120

02:21:19,010 --> 02:21:16,560

family moved and make this big deal work

3121

02:21:20,750 --> 02:21:19,020

so that we could get my wife's big house

3122

02:21:23,150 --> 02:21:20,760

in the suburbs she always wanted and

3123

02:21:25,610 --> 02:21:23,160

whatever I love that album but this

3124

02:21:28,730 --> 02:21:25,620

album I like it even more this album

3125

02:21:31,250 --> 02:21:28,740

patient number nine amazing and you can

3126

02:21:36,490 --> 02:21:31,260

hear a lot of his

3127

02:21:39,650 --> 02:21:36,500

mortality displayed in this album

3128

02:21:41,030 --> 02:21:39,660

like he seems to be reflecting on you

3129

02:21:43,790 --> 02:21:41,040

know

3130

02:21:45,710 --> 02:21:43,800

um I'm not getting out alive he says

3131

02:21:49,490 --> 02:21:45,720

during one of the songs and none of us

3132

02:21:51,110 --> 02:21:49,500

are we're all Immortal but uh it was

3133

02:21:54,349 --> 02:21:51,120

great yes and I will look at the

3134

02:21:55,429 --> 02:21:54,359

messages relax all right let's see uh we

3135

02:21:59,150 --> 02:21:55,439

got

3136

02:22:01,130 --> 02:21:59,160

Ari with another uh great thumbnail oh

3137

02:22:02,929 --> 02:22:01,140

no wonder I I didn't get it because I'm

3138

02:22:04,550 --> 02:22:02,939

logged into the truth Seekers profile

3139

02:22:08,389 --> 02:22:04,560

that's what happened there Carly I'm

3140

02:22:10,969 --> 02:22:08,399

blaming Facebook so let's see we'll take

3141

02:22:10,979 --> 02:22:14,889

oh my wife sent me something too

3142

02:22:19,610 --> 02:22:17,570

my wife keeps sending me funny videos of

3143

02:22:29,150 --> 02:22:19,620

men who are sick who are crybabies right

3144

02:22:34,190 --> 02:22:31,429

let's share this we gotta share this

3145

02:22:38,809 --> 02:22:34,200

this is one of the best ever

3146

02:22:43,730 --> 02:22:41,690

uh Jimmy church he won't apologize for

3147

02:22:45,889 --> 02:22:43,740

promoting Corey good and David Wilcock

3148

02:22:47,990 --> 02:22:45,899

oh yeah seriously

3149

02:22:49,969 --> 02:22:48,000

and that is because he says that he

3150

02:22:53,690 --> 02:22:49,979

doesn't worry about things from the past

3151
02:22:56,270 --> 02:22:53,700
spooky and I love a spooky Point The

3152
02:22:59,929 --> 02:22:56,280
Whistleblower Pete Peterson GoFundMe

3153
02:23:02,150 --> 02:22:59,939
scam right on Jimmy Church's head for

3154
02:23:04,550 --> 02:23:02,160
those that don't know Jimmy church let

3155
02:23:07,610 --> 02:23:04,560
David Wilcox promote a 100 percent

3156
02:23:10,910 --> 02:23:07,620
provable GoFundMe scam for his fake

3157
02:23:13,490 --> 02:23:10,920
whistleblower Pete Peterson where in the

3158
02:23:16,130 --> 02:23:13,500
UFO Community was scammed for some fifty

3159
02:23:17,570 --> 02:23:16,140
five thousand dollars for a completely

3160
02:23:20,210 --> 02:23:17,580
fake story

3161
02:23:22,849 --> 02:23:20,220
they claim that uh his house was getting

3162
02:23:24,290 --> 02:23:22,859
uh bulldozed and all his possessions and

3163
02:23:27,950 --> 02:23:24,300

police were there and they wouldn't let

3164

02:23:30,110 --> 02:23:27,960

him get his stuff and that was all lies

3165

02:23:32,929 --> 02:23:30,120

and Jimmy church let David Wilcox

3166

02:23:35,210 --> 02:23:32,939

promote that scam on his show and then

3167

02:23:37,550 --> 02:23:35,220

never apologized even when we here

3168

02:23:39,889 --> 02:23:37,560

proved what a total complete total scam

3169

02:23:42,770 --> 02:23:39,899

it was I couldn't believe it then David

3170

02:23:46,429 --> 02:23:42,780

Wilcock promoted a PayPal donation scam

3171

02:23:48,770 --> 02:23:46,439

for Emery Smith also on Jimmy Church's

3172

02:23:50,809 --> 02:23:48,780

show and Jimmy church has never

3173

02:23:53,510 --> 02:23:50,819

apologized for either of those two big

3174

02:23:58,190 --> 02:23:53,520

scams promoted on his show

3175

02:24:00,710 --> 02:23:58,200

and he says he's not apologizing because

3176

02:24:02,150 --> 02:24:00,720

he doesn't worry about things from the

3177

02:24:03,710 --> 02:24:02,160

past or something like that I'm

3178

02:24:06,170 --> 02:24:03,720

paraphrasing

3179

02:24:09,050 --> 02:24:06,180

um so tomorrow night 9 p.m we will

3180

02:24:10,790 --> 02:24:09,060

present our newest show Jimmy church he

3181

02:24:14,630 --> 02:24:10,800

won't apologize for promoting Corey good

3182

02:24:17,150 --> 02:24:14,640

and David Wilcock oh yes seriously

3183

02:24:19,490 --> 02:24:17,160

and thank you spooky

3184

02:24:22,250 --> 02:24:19,500

uh

3185

02:24:25,809 --> 02:24:22,260

yeah and Al Gary says great thumbnails

3186

02:24:28,670 --> 02:24:25,819

Carrie spooky yeah great thumbnail right

3187

02:24:32,210 --> 02:24:28,680

uh love it love it be here tomorrow

3188

02:24:34,730 --> 02:24:32,220

night 9 p.m Eastern Standard Time and

3189

02:24:37,070 --> 02:24:34,740

you can uh

3190

02:24:38,929 --> 02:24:37,080

you are most welcome uh if you don't

3191

02:24:40,969 --> 02:24:38,939

know much about Jimmy church it's a good

3192

02:24:42,830 --> 02:24:40,979

time to you know we'll give a recap of

3193

02:24:45,050 --> 02:24:42,840

all the scammy Slime balls the Jimmy

3194

02:24:47,809 --> 02:24:45,060

church has platformed and all the fake

3195

02:24:50,389 --> 02:24:47,819

fraud hooks or losers that Jimmy church

3196

02:24:53,330 --> 02:24:50,399

has been perfectly okay with promoting

3197

02:24:55,969 --> 02:24:53,340

as long as he makes some money and we

3198

02:24:58,250 --> 02:24:55,979

will detail how Jimmy Church uh had his

3199

02:25:02,690 --> 02:24:58,260

show at kgra which is run by a child

3200

02:25:05,450 --> 02:25:02,700

rapist yeah and uh or at least employs a

3201
02:25:09,429 --> 02:25:05,460
child rapist then Jimmy Church worked

3202
02:25:13,070 --> 02:25:09,439
for j3 films which was promoting uh

3203
02:25:15,410 --> 02:25:13,080
documentary about a convicted Kitty porn

3204
02:25:18,950 --> 02:25:15,420
collector Jimmy Church also worked for

3205
02:25:21,590 --> 02:25:18,960
them right the world's biggest UFO slime

3206
02:25:23,870 --> 02:25:21,600
ball Jimmy church tomorrow night 9 p.m

3207
02:25:26,809 --> 02:25:23,880
Eastern Standard Time don't copyright

3208
02:25:29,270 --> 02:25:26,819
claim me we'll be sharing some clips

3209
02:25:30,889 --> 02:25:29,280
from him and last time we did that he

3210
02:25:32,570 --> 02:25:30,899
falsely copyright claim to me but then

3211
02:25:34,490 --> 02:25:32,580
he got an education and how this stuff

3212
02:25:36,889 --> 02:25:34,500
works because we have great lawyer

3213
02:25:38,570 --> 02:25:36,899

letter and we fought it and the strike

3214

02:25:40,730 --> 02:25:38,580

reverted to him because he falsely

3215

02:25:42,590 --> 02:25:40,740

copyright claimed us

3216

02:25:45,050 --> 02:25:42,600

um so we'd better not do that again

3217

02:25:47,210 --> 02:25:45,060

lawyer ladder is just standing by I

3218

02:25:50,030 --> 02:25:47,220

don't care if he does

3219

02:25:52,790 --> 02:25:50,040

uh we are allowed to use he's a public

3220

02:25:54,590 --> 02:25:52,800

figure it's on YouTube it's wherever

3221

02:25:57,110 --> 02:25:54,600

it's a public video link we're allowed

3222

02:25:59,090 --> 02:25:57,120

to use it and we will

3223

02:26:00,770 --> 02:25:59,100

so what can I say what else can I say

3224

02:26:02,870 --> 02:26:00,780

friends we're going to bounce on out of

3225

02:26:05,270 --> 02:26:02,880

here I gotta go find out figure out how

3226

02:26:06,889 --> 02:26:05,280

I'm getting my car either I'm walking or

3227

02:26:09,410 --> 02:26:06,899

I'm going to break down if there's an

3228

02:26:11,870 --> 02:26:09,420

Uber available I will get it Uber but

3229

02:26:13,849 --> 02:26:11,880

you know I live in a kind of middle of

3230

02:26:15,469 --> 02:26:13,859

nowhere in the suburbs and sometimes

3231

02:26:17,210 --> 02:26:15,479

there's not an Uber available for an

3232

02:26:19,429 --> 02:26:17,220

hour or two and I just want to get there

3233

02:26:20,990 --> 02:26:19,439

and get it over with so if I have to

3234

02:26:23,330 --> 02:26:21,000

walk I have to walk I'm going to listen

3235

02:26:26,929 --> 02:26:23,340

to Ozzy's excellent album again and I

3236

02:26:29,510 --> 02:26:26,939

encourage you to do so as well uh one of

3237

02:26:31,309 --> 02:26:29,520

the best in years I think uh really

3238

02:26:32,630 --> 02:26:31,319

really good I mean it's kind of hard not

3239

02:26:35,389 --> 02:26:32,640

to make a good album when you've got

3240

02:26:37,370 --> 02:26:35,399

Jeff Beck Eric Clapton and Zack Wilde

3241

02:26:40,969 --> 02:26:37,380

doing the guitars right

3242

02:26:43,309 --> 02:26:40,979

amazing amazing job he did

3243

02:26:46,670 --> 02:26:43,319

um and I think some of the best lyrics

3244

02:26:48,290 --> 02:26:46,680

and best vocal Melodies in a long long

3245

02:26:52,190 --> 02:26:48,300

time from him since the Scream album

3246

02:26:54,469 --> 02:26:52,200

which I also loved all right uh I'm not

3247

02:26:57,530 --> 02:26:54,479

getting paid to promote Ozzy Osbourne by

3248

02:26:59,870 --> 02:26:57,540

the way he's got enough money but God

3249

02:27:02,690 --> 02:26:59,880

bless him God bless Ozzy Osbourne The

3250

02:27:05,510 --> 02:27:02,700

Godfather of heavy metal and hard rock

3251

02:27:08,510 --> 02:27:05,520

really really responsible for a whole

3252

02:27:10,670 --> 02:27:08,520

genre of music may he uh live long and

3253

02:27:14,630 --> 02:27:10,680

prosper I hope we see 10 more albums

3254

02:27:17,929 --> 02:27:14,640

from him and uh I'm hopeful for that now

3255

02:27:21,770 --> 02:27:17,939

loved Ozzy Osbourne growing up and will

3256

02:27:23,570 --> 02:27:21,780

continue to love his music forever uh

3257

02:27:25,309 --> 02:27:23,580

I wish him long life health and

3258

02:27:27,650 --> 02:27:25,319

happiness all right we're gonna bounce

3259

02:27:29,510 --> 02:27:27,660

on out of here remember we'll be back

3260

02:27:30,650 --> 02:27:29,520

tomorrow night 9 pm Eastern Standard

3261

02:27:33,170 --> 02:27:30,660

Time

3262

02:27:35,330 --> 02:27:33,180

and we would like to thank the chat room

3263

02:27:37,610 --> 02:27:35,340

moderators we would like to thank you

3264

02:27:40,910 --> 02:27:37,620

kind and generous benefactors you PayPal

3265

02:27:44,030 --> 02:27:40,920

supporters you channel members you super

3266

02:27:46,429 --> 02:27:44,040

Chatters you PayPal pledgers and we want

3267

02:27:48,290 --> 02:27:46,439

to thank our announcer Ian and of course

3268

02:27:50,750 --> 02:27:48,300

especially spooky for the wonderful

3269

02:27:53,630 --> 02:27:50,760

Graphics uh we'll be back tomorrow night

3270

02:27:55,190 --> 02:27:53,640

9 p.m hope you'll be here with us until

3271

02:27:58,010 --> 02:27:55,200

next time friends my name is Stephen

3272

02:28:01,550 --> 02:27:58,020

cambian good night and God bless all of

3273

02:28:04,969 --> 02:28:01,560

you including you Brandon fogle I'm

3274

02:28:07,190 --> 02:28:04,979

going to pray that you a Christian

3275

02:28:10,010 --> 02:28:07,200

do the Christian thing and forgive me

3276
02:28:12,710 --> 02:28:10,020
for pissing you off tweeting at you one

3277
02:28:14,510 --> 02:28:12,720
time I'm so sorry and I'm going to pray

3278
02:28:17,510 --> 02:28:14,520
that you find it in your Christian heart

3279
02:28:19,790 --> 02:28:17,520
to forgive me and unblock me because if

3280
02:28:22,250 --> 02:28:19,800
you don't it's going to make covering

3281
02:28:24,650 --> 02:28:22,260
you like you know doing stories about

3282
02:28:26,929 --> 02:28:24,660
you and the ranch much more difficult so

3283
02:28:29,750 --> 02:28:26,939
please you know in the name of Jesus

3284
02:28:31,849 --> 02:28:29,760
we're both Christians can you just find

3285
02:28:34,309 --> 02:28:31,859
it in your Christian heart to forgive me

3286
02:28:36,290 --> 02:28:34,319
for telling you facts and evidence and

3287
02:28:38,090 --> 02:28:36,300
telling you the truth can you just

3288
02:28:41,389 --> 02:28:38,100

forgive me for telling you something

3289

02:28:45,230 --> 02:28:41,399

that you didn't like right you're a

3290

02:28:48,590 --> 02:28:47,510

even if you don't Brandon fuggle I

3291

02:28:54,080 --> 02:28:48,600

forgive you

3292

02:28:54,090 --> 02:29:50,170

[Music]

3293

02:30:10,040 --> 02:29:52,020

thank you

3294

02:30:14,400 --> 02:30:13,040

[Music]

3295

02:30:32,710 --> 02:30:14,410

[Applause]

3296

02:30:35,690 --> 02:30:32,720

[Music]

3297

02:30:40,849 --> 02:30:35,700

thank you

3298

02:30:40,859 --> 02:31:04,880

foreign
