8
00:02:08,389 --> 00:02:07,429
s and salutations friends and welcome

9
00:02:11,930 --> 00:02:08,399
back

10
00:02:15,110 --> 00:02:11,940
today we will be venturing off into

11
00:02:19,550 --> 00:02:15,120
other subjects for the first time in

12
00:02:22,690 --> 00:02:19,560
quite a while uh and this case is a case

13
00:02:25,070 --> 00:02:22,700

that I have been following very closely

14

00:02:27,410 --> 00:02:25,080

today we'll be talking about the

15

00:02:29,930 --> 00:02:27,420

University of Idaho killings

16

00:02:33,290 --> 00:02:29,940

uh we're going to be providing an update

17

00:02:38,150 --> 00:02:33,300

on many things and information that has

18

00:02:40,970 --> 00:02:38,160

been uh released or being talked about

19

00:02:42,589 --> 00:02:40,980

since the arrest of a suspect but just

20

00:02:44,930 --> 00:02:42,599

to give a quick overview for those

21

00:02:47,770 --> 00:02:44,940

completely unfamiliar with the case in

22

00:02:51,770 --> 00:02:47,780

the early morning hours of November 13

23

00:02:53,990 --> 00:02:51,780

2022 for University of Idaho students

24

00:02:58,250 --> 00:02:54,000

were fatally stabbed in their off-campus

25

00:03:00,470 --> 00:02:58,260

residence in the town of Moscow Idaho on

26

00:03:03,110 --> 00:03:00,480

December 30th 28 year old Brian

27

00:03:05,570 --> 00:03:03,120

Christopher coburger was arrested in

28

00:03:07,670 --> 00:03:05,580

Monroe County Pennsylvania and

29

00:03:10,250 --> 00:03:07,680

interestingly I have a connection to

30

00:03:12,410 --> 00:03:10,260

Monroe County Pennsylvania and I even

31

00:03:14,050 --> 00:03:12,420

feel like I may have seen this suspect

32

00:03:18,350 --> 00:03:14,060

around town

33

00:03:20,210 --> 00:03:18,360

that is very very close to a cabin that

34

00:03:22,850 --> 00:03:20,220

I own in the Pocono Mountains of

35

00:03:25,190 --> 00:03:22,860

Pennsylvania Brian was from the Pocono

36

00:03:27,350 --> 00:03:25,200

Mountains of Pennsylvania and he was

37

00:03:30,190 --> 00:03:27,360

arrested on four counts of murder in the

38

00:03:33,949 --> 00:03:30,200

first degree and felony burglary

39

00:03:38,930 --> 00:03:33,959

interestingly the suspect is a very

40

00:03:41,809 --> 00:03:38,940

steeped in the world of criminology and

41

00:03:45,830 --> 00:03:41,819

before we begin however I think it's

42

00:03:49,309 --> 00:03:45,840

always important that we recognize

43

00:03:53,690 --> 00:03:49,319

that these are this is a human tragedy

44

00:03:56,210 --> 00:03:53,700

so I've seen many different people cover

45

00:03:58,550 --> 00:03:56,220

this story and and they fail to even

46

00:04:00,830 --> 00:03:58,560

mention the names of the students please

47

00:04:04,670 --> 00:04:00,840

remember these are human beings

48

00:04:09,309 --> 00:04:04,680

uh the victims were Ethan Chapin 20 of

49

00:04:14,330 --> 00:04:09,319

Conway Washington Kaylee then Collins 21

50

00:04:17,990 --> 00:04:14,340

uh of Rathdrum Idaho zaina kernodle 20

51
00:04:22,129 --> 00:04:18,000
of Avondale Arizona she later lived in

52
00:04:26,810 --> 00:04:22,139
Post Falls Idaho and Madison Logan 21

53
00:04:28,850 --> 00:04:26,820
of uh guard deleen Idaho

54
00:04:31,550 --> 00:04:28,860
and um

55
00:04:35,050 --> 00:04:31,560
you know we should take a moment of

56
00:04:38,270 --> 00:04:35,060
silence to remember those victims

57
00:04:40,490 --> 00:04:38,280
before we begin

58
00:04:42,830 --> 00:04:40,500
please keep them and their friends and

59
00:04:46,010 --> 00:04:42,840
family in your thoughts and prayers now

60
00:04:49,010 --> 00:04:46,020
joining us uh I I we have a special

61
00:04:51,890 --> 00:04:49,020
guest today who lives in the area and is

62
00:04:54,230 --> 00:04:51,900
also has been very uh lives in the area

63
00:04:56,629 --> 00:04:54,240

that these tragic murders took place in

64

00:04:59,870 --> 00:04:56,639

and has been following this case very

65

00:05:01,790 --> 00:04:59,880

closely so let's welcome Aaron good to

66

00:05:03,730 --> 00:05:01,800

see you Aaron thank you for having me on

67

00:05:06,469 --> 00:05:03,740

Stephen yeah

68

00:05:09,050 --> 00:05:06,479

yeah great I'm glad I'm so glad to have

69

00:05:11,150 --> 00:05:09,060

you and just so people understand Aaron

70

00:05:13,249 --> 00:05:11,160

contacted me and tell us a little bit

71

00:05:16,730 --> 00:05:13,259

about you and where you live and and and

72

00:05:18,590 --> 00:05:16,740

that so people understand why uh you

73

00:05:20,330 --> 00:05:18,600

know the context because I think that

74

00:05:22,189 --> 00:05:20,340

you're uniquely qualified to come here

75

00:05:25,070 --> 00:05:22,199

and talk about this with me because you

76

00:05:26,930 --> 00:05:25,080

live right there right yes uh just

77

00:05:28,249 --> 00:05:26,940

across the street from the University of

78

00:05:29,450 --> 00:05:28,259

Idaho

79

00:05:33,409 --> 00:05:29,460

um probably about a minute and a half

80

00:05:37,370 --> 00:05:33,419

from where uh they uh the event happened

81

00:05:40,790 --> 00:05:37,380

I'm a student there I had class canceled

82

00:05:44,510 --> 00:05:40,800

was around uh the entire police response

83

00:05:46,969 --> 00:05:44,520

the whole time and uh pretty I've been

84

00:05:49,249 --> 00:05:46,979

keeping up with this case and yeah the

85

00:05:51,590 --> 00:05:49,259

public around here has been reacting

86

00:05:54,170 --> 00:05:51,600

and before we begin on on some updates

87

00:05:57,230 --> 00:05:54,180

because I don't know about you but I'm

88

00:06:00,409 --> 00:05:57,240

finding it difficult to get new

89

00:06:02,510 --> 00:06:00,419

information of of the the suspect and

90

00:06:04,670 --> 00:06:02,520

what's going on with that but before we

91

00:06:06,110 --> 00:06:04,680

begin I think maybe since you live right

92

00:06:08,390 --> 00:06:06,120

there it would be important to help

93

00:06:11,930 --> 00:06:08,400

people understand what was the

94

00:06:13,490 --> 00:06:11,940

atmosphere like when the the murders

95

00:06:15,830 --> 00:06:13,500

were sort of announced when people

96

00:06:18,290 --> 00:06:15,840

started hearing about this was there

97

00:06:21,650 --> 00:06:18,300

increased police presence was there fear

98

00:06:24,590 --> 00:06:21,660

paranoia were people uh running out and

99

00:06:26,629 --> 00:06:24,600

buying guns and security systems because

100

00:06:29,210 --> 00:06:26,639

you know this is not something this is a

101
00:06:30,529 --> 00:06:29,220
little small town like a a quadruple

102
00:06:34,490 --> 00:06:30,539
murder in the middle of the night

103
00:06:37,790 --> 00:06:34,500
doesn't generally happen there no no the

104
00:06:39,409 --> 00:06:37,800
first time I did I think most people

105
00:06:42,770 --> 00:06:39,419
heard about it was about four hours

106
00:06:44,870 --> 00:06:42,780
after the initial 9-1-1 call I remember

107
00:06:47,090 --> 00:06:44,880
distinctly the Moscow Pullman Daily News

108
00:06:48,469 --> 00:06:47,100
put out a Facebook post at around 4 30

109
00:06:52,790 --> 00:06:48,479
in the afternoon

110
00:06:56,450 --> 00:06:52,800
uh the day that it had happened uh and

111
00:06:58,670 --> 00:06:56,460
people were surprised uh like I said

112
00:07:00,790 --> 00:06:58,680
there was uh nobody really locks their

113
00:07:04,189 --> 00:07:00,800

doors out here uh

114

00:07:07,129 --> 00:07:04,199

right yeah like my friend don't lock

115

00:07:09,890 --> 00:07:07,139

their doors and uh it's very laid back

116

00:07:12,770 --> 00:07:09,900

atmosphere uh not a lot of bad things

117

00:07:14,809 --> 00:07:12,780

happen here it's a lot of mostly uh

118

00:07:17,150 --> 00:07:14,819

families and college students

119

00:07:19,850 --> 00:07:17,160

so a lot of people were kind of hesitant

120

00:07:21,950 --> 00:07:19,860

to even walk around the campus and

121

00:07:23,930 --> 00:07:21,960

um I there's a there's a gas station

122

00:07:27,290 --> 00:07:23,940

across the street from here across the

123

00:07:30,550 --> 00:07:27,300

street from the University and uh the uh

124

00:07:33,290 --> 00:07:30,560

the cashiers were spooked as well

125

00:07:34,969 --> 00:07:33,300

uh see I can imagine especially if you

126

00:07:36,830 --> 00:07:34,979

have like all my convenience store

127

00:07:38,210 --> 00:07:36,840

that's gets a little scary somebody's

128

00:07:40,969 --> 00:07:38,220

running around killing people at four

129

00:07:43,249 --> 00:07:40,979

o'clock in the morning if you're you

130

00:07:44,749 --> 00:07:43,259

know working overnight because you you

131

00:07:49,189 --> 00:07:44,759

never really know

132

00:07:51,350 --> 00:07:49,199

but so after after that day though

133

00:07:53,390 --> 00:07:51,360

did there appear to you to be like an

134

00:07:56,629 --> 00:07:53,400

increased police presence at night was

135

00:07:59,689 --> 00:07:56,639

there increased patrols or not for about

136

00:08:02,150 --> 00:07:59,699

the first three days uh they canceled

137

00:08:03,650 --> 00:08:02,160

class the day following that Monday I

138

00:08:05,930 --> 00:08:03,660

think it was that Monday they had

139

00:08:08,510 --> 00:08:05,940

cancel class uh

140

00:08:10,129 --> 00:08:08,520

and it wasn't and think though they put

141

00:08:12,589 --> 00:08:10,139

out like a press conference and after

142

00:08:14,689 --> 00:08:12,599

that it wasn't even I didn't see the

143

00:08:16,070 --> 00:08:14,699

local police department really it was

144

00:08:18,650 --> 00:08:16,080

the state troopers

145

00:08:19,909 --> 00:08:18,660

and the way that this town is built is

146

00:08:22,010 --> 00:08:19,919

that there's a lot of Choke points

147

00:08:24,770 --> 00:08:22,020

because it's like the towns goes back to

148

00:08:26,689 --> 00:08:24,780

the 18 late 1800s it wasn't built for

149

00:08:29,029 --> 00:08:26,699

like the population that now has there

150

00:08:30,409 --> 00:08:29,039

was only so many roads so there's a lot

151
00:08:31,850 --> 00:08:30,419
of Choke points like there's maybe only

152
00:08:34,370 --> 00:08:31,860
like two ways you can get to the other

153
00:08:36,589 --> 00:08:34,380
side of town and one of them yeah well

154
00:08:38,690 --> 00:08:36,599
that's interesting yeah one of them

155
00:08:40,909 --> 00:08:38,700
being right next to where it happened

156
00:08:44,449 --> 00:08:40,919
there was constantly like three patrol

157
00:08:47,389 --> 00:08:44,459
cars there there was uh always patrol

158
00:08:49,730 --> 00:08:47,399
cars I you I leave the library like at

159
00:08:51,769 --> 00:08:49,740
midnight and even getting in my car

160
00:08:53,090 --> 00:08:51,779
there's a patrol car driving home

161
00:08:54,230 --> 00:08:53,100
there's like three more and they're all

162
00:08:55,430 --> 00:08:54,240
state troopers

163
00:08:57,170 --> 00:08:55,440

uh

164

00:09:00,050 --> 00:08:57,180

they're yeah they're I didn't see like

165

00:09:02,810 --> 00:09:00,060

Moscow PD at all for for a while

166

00:09:06,530 --> 00:09:02,820

um even what was the sense what was the

167

00:09:10,190 --> 00:09:06,540

sense I'm curious did people think oh

168

00:09:13,550 --> 00:09:10,200

this is a this is a targeted killing and

169

00:09:16,910 --> 00:09:13,560

and you know a Revenge thing a serial

170

00:09:18,949 --> 00:09:16,920

killer what was the General mood or or

171

00:09:21,230 --> 00:09:18,959

things people were saying about

172

00:09:24,470 --> 00:09:21,240

this this happening

173

00:09:25,910 --> 00:09:24,480

people of the first thought because

174

00:09:28,130 --> 00:09:25,920

these were attractive people they

175

00:09:31,009 --> 00:09:28,140

thought that it may have been an X

176

00:09:32,449 --> 00:09:31,019

that that did it yeah like a Revenge

177

00:09:36,530 --> 00:09:32,459

killing that's what I thought that was

178

00:09:39,050 --> 00:09:36,540

my my my two original thoughts were that

179

00:09:41,690 --> 00:09:39,060

this is some kind of frustrated simp

180

00:09:46,670 --> 00:09:41,700

who can't get laid or you know some sort

181

00:09:49,550 --> 00:09:46,680

of uh you know weirdo that's angry and

182

00:09:51,470 --> 00:09:49,560

hates women or this is a Revenge killing

183

00:09:53,810 --> 00:09:51,480

and the other three were just happened

184

00:09:56,210 --> 00:09:53,820

to be there or whatever so we had to

185

00:09:59,329 --> 00:09:56,220

kill them too

186

00:10:01,250 --> 00:09:59,339

because yeah well before we go on I have

187

00:10:03,710 --> 00:10:01,260

to say that currently I think there's a

188

00:10:05,630 --> 00:10:03,720

gag order for all parties involved by a

189

00:10:07,610 --> 00:10:05,640

later County judge so therefore like

190

00:10:09,470 --> 00:10:07,620

whatever we have at this point is all

191

00:10:10,910 --> 00:10:09,480

we're going to have until like June when

192

00:10:12,769 --> 00:10:10,920

there's there's more yeah and also

193

00:10:14,930 --> 00:10:12,779

people will have to forgive me because

194

00:10:16,730 --> 00:10:14,940

I'm sort of new to True Crime so I

195

00:10:20,329 --> 00:10:16,740

didn't give the normal speech and I will

196

00:10:22,250 --> 00:10:20,339

give it now uh all suspects are innocent

197

00:10:24,829 --> 00:10:22,260

until proven guilty in a court of law

198

00:10:26,570 --> 00:10:24,839

they have arrested a suspect but he is

199

00:10:28,070 --> 00:10:26,580

still considered innocent until proven

200

00:10:29,630 --> 00:10:28,080

guilty

201
00:10:31,610 --> 00:10:29,640
um and and let's talk about that for a

202
00:10:33,170 --> 00:10:31,620
minute do you believe that they have the

203
00:10:35,690 --> 00:10:33,180
right guy

204
00:10:38,630 --> 00:10:35,700
well what do you think after all we're

205
00:10:41,150 --> 00:10:38,640
going to discuss here yeah I think I

206
00:10:43,790 --> 00:10:41,160
think we make we may have gotten him but

207
00:10:45,050 --> 00:10:43,800
I will say I I'm sure they they got I'm

208
00:10:47,990 --> 00:10:45,060
pretty sure that they got the right guy

209
00:10:50,030 --> 00:10:48,000
but what I'm concerned with is a thing

210
00:10:52,730 --> 00:10:50,040
called Reasonable Doubt

211
00:10:54,230 --> 00:10:52,740
because there's a lot of evidence uh

212
00:10:56,269 --> 00:10:54,240
we'll share this in a moment that you

213
00:10:58,910 --> 00:10:56,279

sent me his cell phone was right near

214

00:11:01,250 --> 00:10:58,920

that area uh where the murder took place

215

00:11:04,490 --> 00:11:01,260

many times

216

00:11:07,210 --> 00:11:04,500

um there is uh DNA from a knife sheath

217

00:11:10,310 --> 00:11:07,220

left at the scene of the crime

218

00:11:13,910 --> 00:11:10,320

uh and you know

219

00:11:16,550 --> 00:11:13,920

but I still think that and also one of

220

00:11:17,690 --> 00:11:16,560

the surviving roommates saw the

221

00:11:19,730 --> 00:11:17,700

perpetrator

222

00:11:22,490 --> 00:11:19,740

but he had a mask on

223

00:11:24,530 --> 00:11:22,500

so I'm still concerned with Reasonable

224

00:11:27,050 --> 00:11:24,540

Doubt because these are things you know

225

00:11:28,970 --> 00:11:27,060

he could say hey I have insomnia so I

226

00:11:32,150 --> 00:11:28,980

drive around at night and I drive in

227

00:11:33,949 --> 00:11:32,160

that area or I shop near there so that's

228

00:11:37,610 --> 00:11:33,959

why I was there so many times in that

229

00:11:41,030 --> 00:11:37,620

area or you know and and the the

230

00:11:44,329 --> 00:11:41,040

surviving roommate seeing someone in a

231

00:11:46,370 --> 00:11:44,339

mask is is that's reasonable doubt right

232

00:11:48,829 --> 00:11:46,380

there it's it's a person in a mask you

233

00:11:53,030 --> 00:11:48,839

saw his eyebrows in his eyes you can't

234

00:11:56,389 --> 00:11:53,040

you know for for 100 sure identify him

235

00:11:58,310 --> 00:11:56,399

don't you think that the case they have

236

00:12:01,610 --> 00:11:58,320

good evidence and I think they have the

237

00:12:03,710 --> 00:12:01,620

right guy but you know we've seen many

238

00:12:06,710 --> 00:12:03,720

different cases where all it takes is

239

00:12:08,509 --> 00:12:06,720

one juror to say Reasonable Doubt and

240

00:12:11,030 --> 00:12:08,519

this guy could get off for four murders

241

00:12:13,130 --> 00:12:11,040

that would be tragic well

242

00:12:15,110 --> 00:12:13,140

um there's another thing that could add

243

00:12:17,930 --> 00:12:15,120

to the Reasonable Doubt I'm not sure if

244

00:12:21,650 --> 00:12:17,940

you remember the grub truck footage yes

245

00:12:23,630 --> 00:12:21,660

from like it happened probably an hour

246

00:12:26,150 --> 00:12:23,640

to an hour and a half before the event

247

00:12:28,430 --> 00:12:26,160

supposedly took place there were two of

248

00:12:31,550 --> 00:12:28,440

the victims were clearly intoxicated

249

00:12:34,250 --> 00:12:31,560

it's a college town There's a bar

250

00:12:35,990 --> 00:12:34,260

there's like a downtown Street and

251

00:12:37,310 --> 00:12:36,000

there's multiple bars along there it's

252

00:12:40,190 --> 00:12:37,320

very common for people to walk

253

00:12:41,870 --> 00:12:40,200

intoxicated up and down and get tacos at

254

00:12:45,290 --> 00:12:41,880

this taco truck and they stream live to

255

00:12:46,850 --> 00:12:45,300

Twitich their security footage right and

256

00:12:48,590 --> 00:12:46,860

they were waiting in line for food

257

00:12:50,870 --> 00:12:48,600

clearly intoxicated and there was

258

00:12:53,509 --> 00:12:50,880

somebody that came up to them they were

259

00:12:55,550 --> 00:12:53,519

they they were they were clothed little

260

00:12:58,250 --> 00:12:55,560

bit too much they had hat on they had

261

00:12:59,930 --> 00:12:58,260

their their hood on like that yeah he

262

00:13:01,910 --> 00:12:59,940

was an early suspect but apparently the

263

00:13:04,009 --> 00:13:01,920

police cleared him but that's again

264

00:13:05,210 --> 00:13:04,019

Reasonable Doubt why it could have been

265

00:13:06,530 --> 00:13:05,220

him could have been this person could

266

00:13:08,629 --> 00:13:06,540

have been that person you know he went

267

00:13:10,490 --> 00:13:08,639

to Boise that like that exact same night

268

00:13:12,530 --> 00:13:10,500

like at you know it's like a seven hour

269

00:13:15,530 --> 00:13:12,540

drive down to Boise why would you leave

270

00:13:18,110 --> 00:13:15,540

to Boise up you know 4 4 30 in the

271

00:13:19,610 --> 00:13:18,120

morning uh so that's that's one thing

272

00:13:21,290 --> 00:13:19,620

but that was like the first thing that

273

00:13:23,449 --> 00:13:21,300

people thought was like it was this guy

274

00:13:25,670 --> 00:13:23,459

and they were they everybody was

275

00:13:27,949 --> 00:13:25,680

centered in on that at first but he said

276

00:13:29,389 --> 00:13:27,959

he got cleared uh yeah and let's talk

277

00:13:32,449 --> 00:13:29,399

for a minute it's just so people are

278

00:13:36,110 --> 00:13:32,459

aware at the scene of a murder there was

279

00:13:38,269 --> 00:13:36,120

a leather night knife sheath was left by

280

00:13:41,329 --> 00:13:38,279

one of the victims and it said United

281

00:13:44,449 --> 00:13:41,339

States Marine Corps on it and in the

282

00:13:47,629 --> 00:13:44,459

snap or the Buckle of it is where they

283

00:13:49,670 --> 00:13:47,639

found a tiny Speck of this Brian

284

00:13:52,250 --> 00:13:49,680

coburger's DNA

285

00:13:54,650 --> 00:13:52,260

but couldn't he easily say to raise

286

00:13:56,509 --> 00:13:54,660

reasonable doubt that knife was stolen

287

00:13:59,509 --> 00:13:56,519

from him or

288

00:14:03,889 --> 00:13:59,519

something like that and again you know

289

00:14:06,470 --> 00:14:03,899

uh also on the knife knife sheath I I

290

00:14:08,449 --> 00:14:06,480

thought that him being a let's talk for

291

00:14:11,690 --> 00:14:08,459

a minute about his background he is a

292

00:14:14,030 --> 00:14:11,700

got a lot of education and criminology

293

00:14:16,370 --> 00:14:14,040

and psychology

294

00:14:18,290 --> 00:14:16,380

and apparently was fascinated with

295

00:14:20,629 --> 00:14:18,300

serial killers

296

00:14:23,150 --> 00:14:20,639

um I thought that he may have left that

297

00:14:24,829 --> 00:14:23,160

there as a red herring on purpose to

298

00:14:26,810 --> 00:14:24,839

throw off the police so they would go

299

00:14:29,150 --> 00:14:26,820

looking for somebody who was a marine or

300

00:14:32,030 --> 00:14:29,160

something like that but apparently maybe

301

00:14:34,790 --> 00:14:32,040

he didn't clean it enough inside the

302

00:14:36,889 --> 00:14:34,800

Buckle strap you know the inside the

303

00:14:39,470 --> 00:14:36,899

button is where they found a tiny Speck

304

00:14:42,470 --> 00:14:39,480

of DNA which they then matched to his

305

00:14:45,050 --> 00:14:42,480

father and then him apparently

306

00:14:48,650 --> 00:14:45,060

you know uh that's that's a strange

307

00:14:50,930 --> 00:14:48,660

thing for somebody who is uh so educated

308

00:14:54,050 --> 00:14:50,940

in criminology to make a mistake like

309

00:14:56,569 --> 00:14:54,060

that so what's your take on this knife

310

00:14:59,150 --> 00:14:56,579

sheath do you think he dropped it by

311

00:15:01,310 --> 00:14:59,160

accident or did he put it there to throw

312

00:15:04,250 --> 00:15:01,320

off the police and just didn't clean it

313

00:15:07,069 --> 00:15:04,260

and and the police got lucky finding a

314

00:15:07,850 --> 00:15:07,079

scrap of his skin cells or something on

315

00:15:12,829 --> 00:15:07,860

it

316

00:15:14,509 --> 00:15:12,839

looking at them and uh observing his

317

00:15:17,030 --> 00:15:14,519

body language you could tell his IQ is

318

00:15:19,670 --> 00:15:17,040

not low like this guy's not I don't

319

00:15:21,470 --> 00:15:19,680

think he's a dumb person but he did some

320

00:15:23,629 --> 00:15:21,480

like especially what we're gonna go over

321

00:15:26,389 --> 00:15:23,639

is a lot of the thumb things were really

322

00:15:28,310 --> 00:15:26,399

like dumb little things that he did that

323

00:15:29,629 --> 00:15:28,320

would it just doesn't make sense that he

324

00:15:32,590 --> 00:15:29,639

would leave

325

00:15:37,550 --> 00:15:32,600

something like a like a sheath with DNA

326

00:15:39,170 --> 00:15:37,560

uh on your uh uh where you did it

327

00:15:42,290 --> 00:15:39,180

it doesn't it doesn't make any sense

328

00:15:44,329 --> 00:15:42,300

well I I I would I thought as well like

329

00:15:46,069 --> 00:15:44,339

if this really is his first time

330

00:15:49,250 --> 00:15:46,079

murdering people

331

00:15:51,470 --> 00:15:49,260

you know uh especially murdering four

332

00:15:53,389 --> 00:15:51,480

people at once like things can get crazy

333

00:15:55,069 --> 00:15:53,399

uh I'm sure some of the victims

334

00:15:57,530 --> 00:15:55,079

attempted to fight back or whatever

335

00:16:00,470 --> 00:15:57,540

maybe he faced more resistance than he

336

00:16:03,650 --> 00:16:00,480

thought he would or something and and

337

00:16:06,590 --> 00:16:03,660

drop the knife in the heat of uh killing

338

00:16:10,730 --> 00:16:06,600

these people it's strange but here is uh

339

00:16:13,550 --> 00:16:10,740

some images of this Brian coburger and

340

00:16:17,870 --> 00:16:13,560

he was a student at a nearby school

341

00:16:20,449 --> 00:16:17,880

right WSU and a PhD candidate in what

342

00:16:24,530 --> 00:16:20,459

subject criminology

343

00:16:28,310 --> 00:16:24,540

that's amazing to me fascinating that a

344

00:16:31,129 --> 00:16:28,320

man who has a p is a PhD candidate in

345

00:16:32,629 --> 00:16:31,139

criminology gets caught murdering four

346

00:16:35,150 --> 00:16:32,639

people

347

00:16:36,769 --> 00:16:35,160

and is there some other things you can

348

00:16:39,769 --> 00:16:36,779

share that you've learned about Mr

349

00:16:42,470 --> 00:16:39,779

coburger I know that I have a connection

350

00:16:45,050 --> 00:16:42,480

to him and that is I swear he seems so

351

00:16:47,810 --> 00:16:45,060

familiar to me that I may have seen him

352

00:16:50,090 --> 00:16:47,820

in the Pocono Mountains you know for

353

00:16:51,769 --> 00:16:50,100

those unaware of the Poconos it's just a

354

00:16:53,030 --> 00:16:51,779

bunch of little small towns but there's

355

00:16:55,430 --> 00:16:53,040

only

356

00:16:56,569 --> 00:16:55,440

as far as big box stores let's talk

357

00:16:58,550 --> 00:16:56,579

about that

358

00:17:01,129 --> 00:16:58,560

in the Pocono Mountains there's like one

359

00:17:04,730 --> 00:17:01,139

Walmart maybe two there's one Home Depot

360

00:17:06,949 --> 00:17:04,740

maybe two so there's not many shopping

361

00:17:08,809 --> 00:17:06,959

areas I swear I've seen this guy

362

00:17:10,490 --> 00:17:08,819

somewhere before he seemed incredibly

363

00:17:12,169 --> 00:17:10,500

familiar to me and the Poconos is a

364

00:17:15,289 --> 00:17:12,179

bunch of small towns in the mountains

365

00:17:17,449 --> 00:17:15,299

but the shopping centers are all in

366

00:17:19,429 --> 00:17:17,459

other words 25 small towns around the

367

00:17:21,289 --> 00:17:19,439

Pocono Mountains all go to the same

368

00:17:23,870 --> 00:17:21,299

Walmart there's only one or two or

369

00:17:26,210 --> 00:17:23,880

whatever you know so I swear that I've

370

00:17:28,309 --> 00:17:26,220

seen this guy before he looks very

371

00:17:29,570 --> 00:17:28,319

familiar to me

372

00:17:31,549 --> 00:17:29,580

um and I may have seen him around the

373

00:17:33,770 --> 00:17:31,559

Pocono Mountains for all I know

374

00:17:36,409 --> 00:17:33,780

um but he's got a background in

375

00:17:39,470 --> 00:17:36,419

Psychology and criminology and

376

00:17:41,630 --> 00:17:39,480

apparently sort of a fascination with uh

377

00:17:44,690 --> 00:17:41,640

serial killers he did this student

378

00:17:47,390 --> 00:17:44,700

project where he asked criminals to tell

379

00:17:50,390 --> 00:17:47,400

him all about how they felt going into

380

00:17:53,210 --> 00:17:50,400

the crime and it's just

381

00:17:55,250 --> 00:17:53,220

I think he was teaching he was teaching

382

00:17:57,409 --> 00:17:55,260

he was teaching at the time and I think

383

00:17:59,990 --> 00:17:57,419

he avoided the subject of what had

384

00:18:02,090 --> 00:18:00,000

happened during the last they were

385

00:18:04,250 --> 00:18:02,100

talking about the murders in his classes

386

00:18:06,770 --> 00:18:04,260

yeah and he sort of avoided them right

387

00:18:08,690 --> 00:18:06,780

yes he did I mean just imagine what it

388

00:18:10,789 --> 00:18:08,700

must be like to have been a student in

389

00:18:12,710 --> 00:18:10,799

his class you go on break after the end

390

00:18:14,990 --> 00:18:12,720

of the semester and you find out that

391

00:18:17,390 --> 00:18:15,000

your teacher is a suspect in this

392

00:18:21,049 --> 00:18:17,400

right yeah how would that feel

393

00:18:22,669 --> 00:18:21,059

oh yeah that is really crazy and

394

00:18:25,190 --> 00:18:22,679

some of the other things we know about

395

00:18:26,330 --> 00:18:25,200

him is that he was apparently a militant

396

00:18:28,909 --> 00:18:26,340

vegan

397

00:18:30,770 --> 00:18:28,919

of refusing to even eat food that was

398

00:18:33,350 --> 00:18:30,780

cooked in pots that may have one time

399

00:18:36,169 --> 00:18:33,360

contained meat yes that's a little

400

00:18:38,750 --> 00:18:36,179

strange and may show some signs of uh

401
00:18:44,529 --> 00:18:38,760
psychological problems maybe to be that

402
00:18:49,909 --> 00:18:46,850
he claimed that the reason he turned the

403
00:18:52,490 --> 00:18:49,919
the supposedly like I don't know but

404
00:18:54,350 --> 00:18:52,500
there was I think the FBI has gone back

405
00:18:56,750 --> 00:18:54,360
and found like threads that he had like

406
00:18:58,010 --> 00:18:56,760
been commenting on yeah I was gonna I

407
00:19:00,770 --> 00:18:58,020
have a note here to talk about his

408
00:19:05,330 --> 00:19:00,780
online presence which was bizarre he

409
00:19:07,370 --> 00:19:05,340
said that being vegan uh alleviated some

410
00:19:10,190 --> 00:19:07,380
symptoms psychological symptoms of

411
00:19:14,029 --> 00:19:10,200
dissociation perhaps or what was what

412
00:19:15,409 --> 00:19:14,039
was the term used here where he um it

413
00:19:16,850 --> 00:19:15,419

wasn't like a it was almost like a state

414

00:19:19,430 --> 00:19:16,860
of blackout

415

00:19:21,830 --> 00:19:19,440
which is is rather strange but he claims

416

00:19:24,950 --> 00:19:21,840
that veganism alleviated those symptoms

417

00:19:25,850 --> 00:19:24,960
and he became militant about it as a

418

00:19:28,310 --> 00:19:25,860
result

419

00:19:30,909 --> 00:19:28,320
oh yeah

420

00:19:34,610 --> 00:19:30,919
yeah it's kind of just kind of a strange

421

00:19:36,650 --> 00:19:34,620
situation and also you know I heard some

422

00:19:39,770 --> 00:19:36,660
people that knew him in high school and

423

00:19:42,409 --> 00:19:39,780
grew up with him and apparently this guy

424

00:19:44,870 --> 00:19:42,419
was not let's just say very lucky with

425

00:19:46,789 --> 00:19:44,880
the ladies and that may lead to some

426

00:19:49,669 --> 00:19:46,799

sort of motive that this guy is a

427

00:19:52,789 --> 00:19:49,679

man-hating sort of synth or involved in

428

00:19:55,610 --> 00:19:52,799

that sort of movement or Community

429

00:19:59,270 --> 00:19:55,620

um and that is you know involuntary

430

00:20:01,130 --> 00:19:59,280

celibate in other words not very lucky

431

00:20:03,830 --> 00:20:01,140

with the ladies and therefore some of

432

00:20:05,090 --> 00:20:03,840

these guys get very angry towards women

433

00:20:07,549 --> 00:20:05,100

and

434

00:20:09,770 --> 00:20:07,559

I originally when I saw that I thought

435

00:20:12,950 --> 00:20:09,780

that the murders I thought that that had

436

00:20:17,870 --> 00:20:12,960

to be a sex crime but there was no signs

437

00:20:21,950 --> 00:20:19,909

well from what we know there was one of

438

00:20:24,529 --> 00:20:21,960

the victims who was

439

00:20:27,830 --> 00:20:24,539

um affected who was wounded a little

440

00:20:31,130 --> 00:20:27,840

more personally where uh yeah more

441

00:20:34,070 --> 00:20:31,140

wounds but I kind of disagree some

442

00:20:37,730 --> 00:20:34,080

people for those unaware out of the four

443

00:20:39,529 --> 00:20:37,740

victims one of them was uh suffered more

444

00:20:42,230 --> 00:20:39,539

vicious wounds

445

00:20:45,049 --> 00:20:42,240

and more of an attack uh than the other

446

00:20:47,270 --> 00:20:45,059

three so people speculated that that was

447

00:20:48,890 --> 00:20:47,280

the victim and the others were just

448

00:20:52,370 --> 00:20:48,900

incidental because they happened to be

449

00:20:54,110 --> 00:20:52,380

there that was the Target but I talked

450

00:20:55,909 --> 00:20:54,120

to a few people in law enforcement who

451

00:20:57,770 --> 00:20:55,919

told me that's not always the case it

452

00:21:01,669 --> 00:20:57,780

may just be that that specific victim

453

00:21:05,150 --> 00:21:01,679

fought back more or was uh harder to

454

00:21:07,850 --> 00:21:05,160

kill you may say you know so that may be

455

00:21:09,850 --> 00:21:07,860

the reason could I quote some rather

456

00:21:12,890 --> 00:21:09,860

yeah sure sure I could be wrong sure

457

00:21:14,630 --> 00:21:12,900

supposedly when when according to one of

458

00:21:16,730 --> 00:21:14,640

the eyewitnesses that was there because

459

00:21:19,610 --> 00:21:16,740

they I think one of them said that there

460

00:21:22,130 --> 00:21:19,620

was like a party supposedly going on and

461

00:21:23,510 --> 00:21:22,140

thought something or one of them

462

00:21:24,830 --> 00:21:23,520

supposedly cleaned like and there's a

463

00:21:26,450 --> 00:21:24,840

gag order so we're not going to find out

464

00:21:32,090 --> 00:21:26,460

until there's more hearings

465

00:21:34,850 --> 00:21:32,100

but supposedly allegedly as he was uh

466

00:21:38,149 --> 00:21:34,860

hurting one of the victims

467

00:21:41,289 --> 00:21:38,159

the witness claimed to have heard him

468

00:21:45,350 --> 00:21:41,299

tell the victim

469

00:21:47,690 --> 00:21:45,360

shush I'm here I'm gonna help you

470

00:21:49,430 --> 00:21:47,700

and then proceeded to hurt them

471

00:21:52,630 --> 00:21:49,440

after telling him that he's going to

472

00:21:55,430 --> 00:21:52,640

help them which is uh I mean if if

473

00:21:58,190 --> 00:21:55,440

whoever did it whoever whoever did the

474

00:22:00,950 --> 00:21:58,200

crime supposedly said that which

475

00:22:03,409 --> 00:22:00,960

indicates absolute psychopathy uh or at

476
00:22:05,570 --> 00:22:03,419
least yeah yeah absolutely and if you've

477
00:22:08,330 --> 00:22:05,580
seen some of this guys online presence

478
00:22:11,270 --> 00:22:08,340
because there's also various rumors that

479
00:22:13,970 --> 00:22:11,280
this guy may have been on Reddit arguing

480
00:22:15,350 --> 00:22:13,980
with people about the murders leading up

481
00:22:18,230 --> 00:22:15,360
to his arrest

482
00:22:20,870 --> 00:22:18,240
I heard about that yeah yeah yeah in

483
00:22:23,870 --> 00:22:20,880
other words people were saying oh uh

484
00:22:25,490 --> 00:22:23,880
this guy was the the the murder was this

485
00:22:27,529 --> 00:22:25,500
or the murder was that and he was

486
00:22:30,169 --> 00:22:27,539
correcting them talking about how the

487
00:22:31,909 --> 00:22:30,179
murders took place in very explicit

488
00:22:33,950 --> 00:22:31,919

details that were turned out to be

489

00:22:37,070 --> 00:22:33,960

correct whoever this Reddit poster was

490

00:22:38,690 --> 00:22:37,080

and then interestingly that person who

491

00:22:40,250 --> 00:22:38,700

was posting about the murders and

492

00:22:43,549 --> 00:22:40,260

arguing with people about the murders

493

00:22:46,789 --> 00:22:43,559

every day after this Brian coburger was

494

00:22:50,570 --> 00:22:46,799

arrested those posts stopped completely

495

00:22:53,270 --> 00:22:50,580

so this guy may have been on Reddit

496

00:22:55,310 --> 00:22:53,280

sick enough to argue with people about

497

00:22:57,770 --> 00:22:55,320

the motivations of the murderer what

498

00:23:00,169 --> 00:22:57,780

kind of a person he was you know he was

499

00:23:03,409 --> 00:23:00,179

like correcting this Reddit poster was

500

00:23:06,110 --> 00:23:03,419

correcting people uh yes about details

501
00:23:07,610 --> 00:23:06,120
of the murder and then some people claim

502
00:23:09,770 --> 00:23:07,620
that he was talking about things that

503
00:23:11,870 --> 00:23:09,780
only the murderer would know but we

504
00:23:15,110 --> 00:23:11,880
won't know until more details of the

505
00:23:17,450 --> 00:23:15,120
case emerge what was truly him one thing

506
00:23:19,430 --> 00:23:17,460
that I do know is uh during the visual

507
00:23:21,649 --> 00:23:19,440
that was at the local football stadium

508
00:23:23,510 --> 00:23:21,659
on campus yeah it looks like he was

509
00:23:25,190 --> 00:23:23,520
there no well I'm not sure if he was

510
00:23:27,649 --> 00:23:25,200
there I know that the uh that law

511
00:23:31,549 --> 00:23:27,659
enforcement was closely monitoring those

512
00:23:33,710 --> 00:23:31,559
who went there because people who do

513
00:23:35,510 --> 00:23:33,720

these crimes tend to want to it's almost

514

00:23:37,730 --> 00:23:35,520

like a certain like a form of mocking

515

00:23:39,590 --> 00:23:37,740

their victims yeah they go to the

516

00:23:40,850 --> 00:23:39,600

funerals yeah like I did it and then I

517

00:23:44,810 --> 00:23:40,860

went to your funeral I went to your

518

00:23:47,029 --> 00:23:44,820

visual just uh it's it's it does the

519

00:23:49,250 --> 00:23:47,039

sick Dynamic that goes on well I yeah

520

00:23:51,470 --> 00:23:49,260

there's actually exists one case I'm

521

00:23:53,690 --> 00:23:51,480

aware of where the murderer was a

522

00:23:56,029 --> 00:23:53,700

pallbearer at the funeral of a murder

523

00:23:57,950 --> 00:23:56,039

victim in other words he not only

524

00:23:58,850 --> 00:23:57,960

attended the funeral but he carried the

525

00:24:01,730 --> 00:23:58,860

casket

526

00:24:03,590 --> 00:24:01,740

of the girl he killed that's so people

527

00:24:05,810 --> 00:24:03,600

inject them these murderers inject

528

00:24:08,570 --> 00:24:05,820

themselves and they get some sort of

529

00:24:09,710 --> 00:24:08,580

strange psychological thrill out of

530

00:24:12,110 --> 00:24:09,720

being there

531

00:24:14,149 --> 00:24:12,120

and there does exist a video it's still

532

00:24:16,010 --> 00:24:14,159

unconfirmed if it was his or not but a

533

00:24:18,289 --> 00:24:16,020

lot of people believe that this Brian

534

00:24:21,590 --> 00:24:18,299

coburger attended this Candlelight

535

00:24:22,549 --> 00:24:21,600

visual vigil for the victims after the

536

00:24:25,730 --> 00:24:22,559

murders

537

00:24:27,770 --> 00:24:25,740

that's crazy I was not aware of that but

538

00:24:29,149 --> 00:24:27,780

I you know I I didn't know that law

539

00:24:31,370 --> 00:24:29,159

enforcement was looking out for people

540

00:24:33,770 --> 00:24:31,380

that were going in and out of the of

541

00:24:35,330 --> 00:24:33,780

course that they were they were holding

542

00:24:38,750 --> 00:24:35,340

um and I know this is all speculation

543

00:24:41,270 --> 00:24:38,760

but yes when we when you saw this guy

544

00:24:44,029 --> 00:24:41,280

get arrested and and you know that some

545

00:24:46,310 --> 00:24:44,039

of the grisly details of this murder

546

00:24:49,430 --> 00:24:46,320

for me I didn't think that this was his

547

00:24:52,310 --> 00:24:49,440

first murder because to go from zero to

548

00:24:54,529 --> 00:24:52,320

killing four people at once is very very

549

00:24:56,210 --> 00:24:54,539

uncommon I would think an extreme

550

00:24:57,770 --> 00:24:56,220

usually

551
00:25:03,409 --> 00:24:57,780
you know

552
00:25:05,750 --> 00:25:03,419
he'll kill one victim then maybe two

553
00:25:08,390 --> 00:25:05,760
then go on to do something like

554
00:25:10,850 --> 00:25:08,400
insane like four at once

555
00:25:11,810 --> 00:25:10,860
do you think this was his first actual

556
00:25:15,110 --> 00:25:11,820
murder

557
00:25:17,690 --> 00:25:15,120
and we may see more or do you think

558
00:25:21,529 --> 00:25:17,700
um that this was his first time

559
00:25:24,409 --> 00:25:21,539
I think that if it was a search murder

560
00:25:27,529 --> 00:25:24,419
and he snapped he's going to be studied

561
00:25:29,090 --> 00:25:27,539
by a criminal psychologist for a long

562
00:25:31,549 --> 00:25:29,100
time coming because you're correct

563
00:25:33,529 --> 00:25:31,559

typically I don't think it's typical for

564

00:25:36,470 --> 00:25:33,539

somebody to just go out and and and and

565

00:25:39,110 --> 00:25:36,480

and and and do this to four people at

566

00:25:42,350 --> 00:25:39,120

once but if he did snap and this was his

567

00:25:43,970 --> 00:25:42,360

first go at it the for a psychologist to

568

00:25:46,909 --> 00:25:43,980

study that would be something that they

569

00:25:50,450 --> 00:25:46,919

would really have to closely look at

570

00:25:52,070 --> 00:25:50,460

um what factors could have right this

571

00:25:53,630 --> 00:25:52,080

guy is particularly I have a feeling

572

00:25:55,909 --> 00:25:53,640

he's going to be studied for a long time

573

00:25:58,490 --> 00:25:55,919

by criminal psychologists if it is

574

00:26:01,010 --> 00:25:58,500

specifically if it was his first go at

575

00:26:03,830 --> 00:26:01,020

at this crime

576

00:26:05,930 --> 00:26:03,840

um yeah yeah I I I I'm not I'm not

577

00:26:08,990 --> 00:26:05,940

sure what to think of that he could have

578

00:26:11,630 --> 00:26:09,000

snapped he could have snapped I I said

579

00:26:14,510 --> 00:26:11,640

he doesn't look like he has

580

00:26:15,769 --> 00:26:14,520

a lot of uh muscle mass to him you know

581

00:26:18,649 --> 00:26:15,779

for him to do this to four people they

582

00:26:20,390 --> 00:26:18,659

had to have been intoxicated uh even if

583

00:26:22,310 --> 00:26:20,400

they well you're talking about three

584

00:26:26,390 --> 00:26:22,320

women and I believe two of them were

585

00:26:29,810 --> 00:26:26,400

very small and petite and the man wasn't

586

00:26:31,850 --> 00:26:29,820

a big man that was murdered so but still

587

00:26:35,029 --> 00:26:31,860

you know

588

00:26:37,250 --> 00:26:35,039

it's it's it was shocking to me first

589

00:26:38,870 --> 00:26:37,260

that he's a criminology student and he

590

00:26:41,930 --> 00:26:38,880

we're going to get into the Amateur hour

591

00:26:45,169 --> 00:26:41,940

mistakes that he seems to have made and

592

00:26:47,630 --> 00:26:45,179

second that he would go from zero to I'm

593

00:26:49,850 --> 00:26:47,640

gonna go kill four people at once and

594

00:26:53,029 --> 00:26:49,860

then there's the whole issue of he left

595

00:26:55,490 --> 00:26:53,039

two victims downstairs one of which may

596

00:26:56,350 --> 00:26:55,500

be able to ID him or at least his you

597

00:27:02,630 --> 00:26:56,360

know

598

00:27:04,850 --> 00:27:02,640

be crazy to me but to go from zero to

599

00:27:07,669 --> 00:27:04,860

I'm gonna go I'm gonna break in this

600

00:27:10,370 --> 00:27:07,679

home and there's six people in it and

601
00:27:13,549 --> 00:27:10,380
I'm gonna murder people there that seems

602
00:27:15,649 --> 00:27:13,559
to be first maybe he's a very arrogant

603
00:27:17,750 --> 00:27:15,659
person and he thought his

604
00:27:20,750 --> 00:27:17,760
study of criminology would help him get

605
00:27:23,210 --> 00:27:20,760
away with it somehow but it just seems

606
00:27:25,970 --> 00:27:23,220
very extreme to me to go from

607
00:27:28,130 --> 00:27:25,980
you know very little or no criminal

608
00:27:30,289 --> 00:27:28,140
background to I'm gonna go in this house

609
00:27:32,750 --> 00:27:30,299
and kill four people at once

610
00:27:36,049 --> 00:27:32,760
yes because of the gag order going on

611
00:27:38,090 --> 00:27:36,059
right now we we we're not sure if he was

612
00:27:40,190 --> 00:27:38,100
following anybody on Instagram for

613
00:27:42,110 --> 00:27:40,200

example the fem I think that hurts

614

00:27:44,750 --> 00:27:42,120

there's rumors yeah there's rumors that

615

00:27:46,250 --> 00:27:44,760

he was following some of them or were

616

00:27:48,049 --> 00:27:46,260

the family claims to have found a

617

00:27:49,250 --> 00:27:48,059

connection with at least one of them and

618

00:27:51,289 --> 00:27:49,260

if you look at the house where it

619

00:27:53,330 --> 00:27:51,299

happened it's it's like especially if

620

00:27:55,549 --> 00:27:53,340

you're driving by like a Greek Road you

621

00:27:58,070 --> 00:27:55,559

could see it it looks kind of like now

622

00:27:59,990 --> 00:27:58,080

it kind of stands out right

623

00:28:01,430 --> 00:28:00,000

um I think it's going to stand out for a

624

00:28:04,730 --> 00:28:01,440

long time oh that's the murder house

625

00:28:06,110 --> 00:28:04,740

yeah had they just locked their door I

626
00:28:08,029 --> 00:28:06,120
mean this probably wouldn't have gone

627
00:28:11,230 --> 00:28:08,039
you know what I mean like unfortunately

628
00:28:14,210 --> 00:28:11,240
but like you know

629
00:28:16,190 --> 00:28:14,220
he didn't like force his way in there

630
00:28:18,710 --> 00:28:16,200
and he just walked out you know because

631
00:28:20,149 --> 00:28:18,720
people aren't used to that around here

632
00:28:21,890 --> 00:28:20,159
um yeah

633
00:28:23,810 --> 00:28:21,900
yeah well

634
00:28:26,570 --> 00:28:23,820
yeah and I was going to share we could

635
00:28:28,909 --> 00:28:26,580
talk about the uh the stalking because

636
00:28:30,769 --> 00:28:28,919
you have a great graphic here I'm going

637
00:28:33,769 --> 00:28:30,779
to share my screen

638
00:28:36,470 --> 00:28:33,779

so apparently his cell phone pinged and

639

00:28:38,990 --> 00:28:36,480

and was right near

640

00:28:41,810 --> 00:28:39,000

uh right near the murder scene many

641

00:28:44,330 --> 00:28:41,820

times yes

642

00:28:45,830 --> 00:28:44,340

we have August 21st Brian coburger's

643

00:28:49,010 --> 00:28:45,840

phone is picked up close to Moscow

644

00:28:50,210 --> 00:28:49,020

murder house between 10 34 p.m and 11 35

645

00:28:53,330 --> 00:28:50,220

P.M

646

00:28:55,850 --> 00:28:53,340

he makes it 11 subsequent visits before

647

00:28:58,750 --> 00:28:55,860

the November 13th murders

648

00:29:01,730 --> 00:28:58,760

so 11 times he was right near the home

649

00:29:03,769 --> 00:29:01,740

uh November 13th co-burger's phone is

650

00:29:06,590 --> 00:29:03,779

picked up near the home and

651
00:29:08,330 --> 00:29:06,600
Pullman Washington phone began to travel

652
00:29:11,269 --> 00:29:08,340
South through Pullman before going

653
00:29:13,909 --> 00:29:11,279
offline so his phone goes he turns his

654
00:29:15,529 --> 00:29:13,919
phone off when he goes allegedly goes to

655
00:29:18,529 --> 00:29:15,539
do the murders

656
00:29:19,549 --> 00:29:18,539
4 a.m to 4 20 a.m is when the murders

657
00:29:23,269 --> 00:29:19,559
occur

658
00:29:26,210 --> 00:29:23,279
uh 4 48 a.m coburger's phone pings again

659
00:29:29,269 --> 00:29:26,220
on Idaho State Highway 95 south of

660
00:29:31,549 --> 00:29:29,279
Moscow so if we believe he's the

661
00:29:34,190 --> 00:29:31,559
murderer it appears that he turned his

662
00:29:35,690 --> 00:29:34,200
phone off before he went in to do the

663
00:29:39,049 --> 00:29:35,700

murders and then turned his phone off

664

00:29:41,750 --> 00:29:39,059

driving back on driving home which again

665

00:29:44,389 --> 00:29:41,760

is is another Amateur hour mistake I

666

00:29:46,190 --> 00:29:44,399

would think being so well educated in

667

00:29:48,710 --> 00:29:46,200

criminology he would know that could be

668

00:29:50,630 --> 00:29:48,720

a problem for him later there's so much

669

00:29:52,070 --> 00:29:50,640

there's so much to unpack there's like

670

00:29:54,830 --> 00:29:52,080

at least three points to be made here

671

00:29:57,830 --> 00:29:54,840

particularly the first one is the August

672

00:30:00,049 --> 00:29:57,840

21st 2002 there's a point to be made

673

00:30:01,850 --> 00:30:00,059

there because

674

00:30:03,649 --> 00:30:01,860

um if you've ever like there's it's

675

00:30:06,230 --> 00:30:03,659

there's only one road from here to Boise

676

00:30:08,090 --> 00:30:06,240

and about two or three days before the

677

00:30:09,950 --> 00:30:08,100

start of the semester it's packed

678

00:30:12,110 --> 00:30:09,960

because people are coming over here or

679

00:30:13,490 --> 00:30:12,120

when the semester ends right and the

680

00:30:17,870 --> 00:30:13,500

first day of the semester for the fall

681

00:30:19,190 --> 00:30:17,880

of 2022 was it was August 22nd so he was

682

00:30:21,529 --> 00:30:19,200

the first time he pinged at the

683

00:30:23,389 --> 00:30:21,539

residence was literally about eight

684

00:30:25,250 --> 00:30:23,399

hours before the start of class on the

685

00:30:27,409 --> 00:30:25,260

first day of the semester

686

00:30:29,269 --> 00:30:27,419

right yeah that's a little suspect and

687

00:30:31,070 --> 00:30:29,279

what no there's no reason for him to

688

00:30:32,870 --> 00:30:31,080

have been and specifically in that part

689

00:30:34,370 --> 00:30:32,880

of town where there's like there's

690

00:30:35,870 --> 00:30:34,380

nothing there it's close to like the

691

00:30:37,970 --> 00:30:35,880

high-end part of town or the upper class

692

00:30:39,350 --> 00:30:37,980

part of town right that where the nicer

693

00:30:41,510 --> 00:30:39,360

houses are but it's like right next to

694

00:30:45,049 --> 00:30:41,520

campus there's no reason for somebody

695

00:30:47,149 --> 00:30:45,059

who went to WSU to be in that part of

696

00:30:48,289 --> 00:30:47,159

town number one you can't even Park on

697

00:30:51,529 --> 00:30:48,299

that road really well because the

698

00:30:55,130 --> 00:30:51,539

parking situation is terrible there and

699

00:30:57,110 --> 00:30:55,140

for you to be for an hour there at 10 30

700

00:31:00,230 --> 00:30:57,120

the day before the start of the semester

701
00:31:01,730 --> 00:31:00,240
is so suspect I I can't it's hard to

702
00:31:04,070 --> 00:31:01,740
wrap your mind around

703
00:31:06,710 --> 00:31:04,080
yeah so apparently he may have been

704
00:31:08,750 --> 00:31:06,720
stalking one or more of these victims

705
00:31:11,029 --> 00:31:08,760
driving by their house

706
00:31:13,130 --> 00:31:11,039
maybe he was getting obsessed or

707
00:31:14,570 --> 00:31:13,140
obsessive about one or more of these

708
00:31:19,010 --> 00:31:14,580
female victims

709
00:31:21,230 --> 00:31:19,020
or male victim for all we know you know

710
00:31:23,510 --> 00:31:21,240
the situation is strange though but

711
00:31:26,210 --> 00:31:23,520
couldn't again to play Devil's Advocate

712
00:31:28,909 --> 00:31:26,220
I'm worried about Reasonable Doubt you

713
00:31:31,250 --> 00:31:28,919

know could this guy have been uh like a

714

00:31:34,310 --> 00:31:31,260

GrubHub delivery driver or an Uber

715

00:31:36,350 --> 00:31:34,320

driver or what you know could he have

716

00:31:39,649 --> 00:31:36,360

some excuse for being there is there

717

00:31:41,450 --> 00:31:39,659

shopping nearby there like a there's a

718

00:31:43,850 --> 00:31:41,460

supermarket nearby there right or

719

00:31:47,870 --> 00:31:43,860

shopping center over a year ago I did

720

00:31:49,610 --> 00:31:47,880

deliver uh uh a doordash shorter to like

721

00:31:52,370 --> 00:31:49,620

the lot next to it

722

00:31:54,350 --> 00:31:52,380

but it's it's just a bunch of Apartments

723

00:31:56,570 --> 00:31:54,360

it's like it's a huge apartment complex

724

00:31:58,430 --> 00:31:56,580

to one side it's house it's it's

725

00:32:00,590 --> 00:31:58,440

apartments across the street it's

726

00:32:03,590 --> 00:32:00,600

apartments behind it there's a house

727

00:32:05,630 --> 00:32:03,600

next to it there's no shop so there's no

728

00:32:08,210 --> 00:32:05,640

real re yeah there's no real reason for

729

00:32:10,549 --> 00:32:08,220

him to be going down that road no it's

730

00:32:13,190 --> 00:32:10,559

all residential it's all it's all just

731

00:32:15,169 --> 00:32:13,200

apartment complex and and that that's it

732

00:32:17,210 --> 00:32:15,179

well I think then he's going to have a

733

00:32:19,370 --> 00:32:17,220

problem explaining these things and why

734

00:32:20,389 --> 00:32:19,380

he was so close to that house so many

735

00:32:23,149 --> 00:32:20,399

times

736

00:32:26,450 --> 00:32:23,159

well and it's very common right for for

737

00:32:28,570 --> 00:32:26,460

murderers to stalk victims and fantasize

738

00:32:31,430 --> 00:32:28,580

right maybe he drove there 12 times

739

00:32:33,710 --> 00:32:31,440

thinking about doing it and on this

740

00:32:37,130 --> 00:32:33,720

fateful night he decided to go in and do

741

00:32:39,350 --> 00:32:37,140

it after you know fantasizing about it

742

00:32:42,409 --> 00:32:39,360

and thinking about it for so long well

743

00:32:44,269 --> 00:32:42,419

the August 21st one it seems to me that

744

00:32:47,029 --> 00:32:44,279

he knew that they had come back to town

745

00:32:48,769 --> 00:32:47,039

or something like they they went away

746

00:32:51,830 --> 00:32:48,779

for the summer and they're coming back

747

00:32:53,389 --> 00:32:51,840

the semester starts the next morning and

748

00:32:56,090 --> 00:32:53,399

that you're going to be there stalking

749

00:32:58,549 --> 00:32:56,100

them for an hour in the evening that

750

00:33:00,289 --> 00:32:58,559

that that's more that's it's plausible

751

00:33:02,990 --> 00:33:00,299

it's very it's very plausible that that

752

00:33:05,090 --> 00:33:03,000

was the case because it was like right

753

00:33:07,490 --> 00:33:05,100

before the start of the semester there

754

00:33:10,269 --> 00:33:07,500

yeah and there's some other other very

755

00:33:13,970 --> 00:33:10,279

suspicious things like for those unaware

756

00:33:16,370 --> 00:33:13,980

uh right after the murders he he somehow

757

00:33:20,330 --> 00:33:16,380

decides that he's going to drive

758

00:33:23,269 --> 00:33:20,340

from uh Washington you know uh all the

759

00:33:25,669 --> 00:33:23,279

way to Pennsylvania right

760

00:33:27,470 --> 00:33:25,679

well before before we before we move to

761

00:33:29,269 --> 00:33:27,480

that point can can we can we unpack one

762

00:33:32,149 --> 00:33:29,279

more point and this yeah yeah sure sure

763

00:33:35,630 --> 00:33:32,159

yeah absolutely uh can you pull up the

764

00:33:39,289 --> 00:33:35,640

slide again oh sure the phone slide uh

765

00:33:41,389 --> 00:33:39,299

no the uh the route the route uh okay

766

00:33:44,149 --> 00:33:41,399

yeah oh wait a minute and we have some

767

00:33:48,769 --> 00:33:44,159

uh on the record we have uh

768

00:33:50,870 --> 00:33:48,779

notice of Rights paperwork no uh

769

00:33:52,850 --> 00:33:50,880

I'm sorry I'm not sure which one you

770

00:33:56,149 --> 00:33:52,860

want me to share let me look here

771

00:33:57,710 --> 00:33:56,159

the one with the the route uh oh okay

772

00:33:59,870 --> 00:33:57,720

the one you just you know what you're

773

00:34:03,590 --> 00:33:59,880

showing okay hold on one second let me

774

00:34:03,600 --> 00:34:08,210

okay I got it let me share my screen

775

00:34:13,970 --> 00:34:11,030

yeah and and for those unaware so so

776

00:34:17,030 --> 00:34:13,980

this suspect was uh just 10 minutes away

777

00:34:20,629 --> 00:34:17,040

at another school right across the state

778

00:34:22,369 --> 00:34:20,639

line right right and that the reason why

779

00:34:24,310 --> 00:34:22,379

I wanted there's the state line between

780

00:34:27,470 --> 00:34:24,320

Washington and Idaho

781

00:34:29,570 --> 00:34:27,480

yes now but it's really you see that's

782

00:34:31,250 --> 00:34:29,580

where it gets deceptive and people get

783

00:34:33,230 --> 00:34:31,260

confused easily right Aaron because

784

00:34:35,089 --> 00:34:33,240

people say well he lived in Washington

785

00:34:37,250 --> 00:34:35,099

state why would he drive all the way to

786

00:34:40,609 --> 00:34:37,260

Idaho to do a murder it's 10 minutes

787

00:34:43,129 --> 00:34:40,619

away it's right on the state line yes

788

00:34:45,589 --> 00:34:43,139

and there's a road connecting Pullman

789

00:34:48,950 --> 00:34:45,599

and Moscow directly like you you could

790

00:34:51,169 --> 00:34:48,960

get there in 15 minutes right now that

791

00:34:54,490 --> 00:34:51,179

route that he took going 95 South down

792

00:34:57,290 --> 00:34:54,500

to Genesee and then going to the the the

793

00:34:59,030 --> 00:34:57,300

Washington side of that southern route

794

00:35:02,270 --> 00:34:59,040

part of that route would be Uniontown

795

00:35:04,130 --> 00:35:02,280

right you're adding an unnecessary hour

796

00:35:06,650 --> 00:35:04,140

to your trip

797

00:35:09,290 --> 00:35:06,660

right uh you're turning a 15-minute

798

00:35:11,089 --> 00:35:09,300

drive into an hour and 10 minute drive

799

00:35:14,390 --> 00:35:11,099

probably

800

00:35:16,849 --> 00:35:14,400

um by doing this route which is so

801
00:35:19,310 --> 00:35:16,859
unnecessary to do

802
00:35:21,290 --> 00:35:19,320
you understand like there's no there's

803
00:35:23,750 --> 00:35:21,300
no reason for some for for a normal

804
00:35:25,130 --> 00:35:23,760
person would just go from like Moscow to

805
00:35:26,870 --> 00:35:25,140
Pullman on on the straight road that

806
00:35:29,390 --> 00:35:26,880
connects the Two Towns you wouldn't go

807
00:35:30,770 --> 00:35:29,400
for Moscow or allegedly on the night

808
00:35:33,710 --> 00:35:30,780
that it happened he went from Pullman

809
00:35:35,930 --> 00:35:33,720
down to Uniontown to Genesee back up to

810
00:35:38,990 --> 00:35:35,940
Moscow and then went back the other way

811
00:35:40,849 --> 00:35:39,000
like nobody nobody would do that no no

812
00:35:42,349 --> 00:35:40,859
nobody would that you would just take

813
00:35:44,450 --> 00:35:42,359

the one road that takes you 10 minutes

814

00:35:45,950 --> 00:35:44,460

yeah your most direct route yeah I don't

815

00:35:47,270 --> 00:35:45,960

know about you but every every time I

816

00:35:48,829 --> 00:35:47,280

drive somewhere I take the most direct

817

00:35:50,569 --> 00:35:48,839

route I don't I don't want to drive any

818

00:35:54,170 --> 00:35:50,579

longer than I have to

819

00:35:56,030 --> 00:35:54,180

yeah exactly oh and you know I think

820

00:35:59,569 --> 00:35:56,040

it's also interesting that we have note

821

00:36:03,050 --> 00:35:59,579

here that uh after the murders he goes

822

00:36:05,450 --> 00:36:03,060

back at uh after so he gets home to his

823

00:36:07,430 --> 00:36:05,460

home at 5 30 a.m which was an apartment

824

00:36:09,230 --> 00:36:07,440

house right across the state line from

825

00:36:10,130 --> 00:36:09,240

the the home where the murders took

826
00:36:12,530 --> 00:36:10,140
place

827
00:36:13,490 --> 00:36:12,540
at 9 00 a.m his phone begins to move

828
00:36:16,430 --> 00:36:13,500
again

829
00:36:18,770 --> 00:36:16,440
and at 9 32 a.m right after the murders

830
00:36:20,210 --> 00:36:18,780
his phone is picked up near the Moscow

831
00:36:23,270 --> 00:36:20,220
murder house

832
00:36:25,430 --> 00:36:23,280
that's very suspicious you know maybe he

833
00:36:27,530 --> 00:36:25,440
was driving back to see if the police

834
00:36:29,030 --> 00:36:27,540
were there yet or what was going on over

835
00:36:32,150 --> 00:36:29,040
there right

836
00:36:34,190 --> 00:36:32,160
it it you said it was a lot of uh

837
00:36:37,730 --> 00:36:34,200
mistakes there's a lot of mistakes going

838
00:36:40,370 --> 00:36:37,740

on like why would why that's and because

839

00:36:43,550 --> 00:36:40,380

of the area I mean the only reason I

840

00:36:46,069 --> 00:36:43,560

think they were able to to find the the

841

00:36:48,470 --> 00:36:46,079

route he went on the on his way out he

842

00:36:50,510 --> 00:36:48,480

went through the upper class part of

843

00:36:52,970 --> 00:36:50,520

town and it's like a maze there's a lot

844

00:36:54,770 --> 00:36:52,980

of twists and turns in that part and I

845

00:36:56,870 --> 00:36:54,780

think the only way that they saw his

846

00:36:58,910 --> 00:36:56,880

white car driving away because of some

847

00:37:01,190 --> 00:36:58,920

uh surveillance you know property

848

00:37:03,109 --> 00:37:01,200

surveillance footage that homeowners may

849

00:37:07,550 --> 00:37:03,119

have had in the area

850

00:37:09,050 --> 00:37:07,560

um and uh yeah he wouldn't see that that

851

00:37:10,970 --> 00:37:09,060

right there was

852

00:37:14,030 --> 00:37:10,980

um you know there there is a way that he

853

00:37:16,609 --> 00:37:14,040

could have done this and not have had uh

854

00:37:19,370 --> 00:37:16,619

it would have been a lot easier I mean

855

00:37:20,810 --> 00:37:19,380

it would have been a lot uh difficult a

856

00:37:22,790 --> 00:37:20,820

lot more difficult for for law

857

00:37:24,230 --> 00:37:22,800

enforcement to to say oh we need to look

858

00:37:25,430 --> 00:37:24,240

for a white car

859

00:37:26,630 --> 00:37:25,440

um there is a way he could have done

860

00:37:29,870 --> 00:37:26,640

this

861

00:37:33,290 --> 00:37:29,880

um instead of driving from where he did

862

00:37:35,810 --> 00:37:33,300

it supposedly uh in getting in his car

863

00:37:37,790 --> 00:37:35,820

and driving away he left he got on

864

00:37:39,890 --> 00:37:37,800

surveillance footage and and they they

865

00:37:42,410 --> 00:37:39,900

were able to and this is another mistake

866

00:37:44,630 --> 00:37:42,420

and yeah I think I think some things

867

00:37:46,370 --> 00:37:44,640

that are worthy of considering is that

868

00:37:48,829 --> 00:37:46,380

the days where somebody can get away

869

00:37:51,950 --> 00:37:48,839

with murder are are

870

00:37:54,770 --> 00:37:51,960

really gone I mean you know imagine

871

00:37:56,329 --> 00:37:54,780

murders before DNA all they have is like

872

00:37:57,829 --> 00:37:56,339

fingerprints so all you have to do is

873

00:38:00,710 --> 00:37:57,839

wear gloves and you could get away with

874

00:38:03,950 --> 00:38:00,720

murder today everybody has cameras

875

00:38:06,650 --> 00:38:03,960

everywhere you know like people have

876

00:38:08,089 --> 00:38:06,660

doordash cameras or or not door dash

877

00:38:10,130 --> 00:38:08,099

cameras but you know what I mean like

878

00:38:12,710 --> 00:38:10,140

there's just uh I forget what they're

879

00:38:14,630 --> 00:38:12,720

called we have one you know there's and

880

00:38:18,530 --> 00:38:14,640

and we could see if somebody drives by

881

00:38:20,270 --> 00:38:18,540

our home it records it so you know it's

882

00:38:22,849 --> 00:38:20,280

a lot more difficult to get away with

883

00:38:26,089 --> 00:38:22,859

these things there's a lot more ways to

884

00:38:28,190 --> 00:38:26,099

get caught on film and apparently they

885

00:38:30,950 --> 00:38:28,200

have him in multiple

886

00:38:32,210 --> 00:38:30,960

multiple locations driving away from the

887

00:38:34,370 --> 00:38:32,220

scene and

888

00:38:37,790 --> 00:38:34,380

the interesting and then let's talk

889

00:38:40,270 --> 00:38:37,800

about so after the murders he his father

890

00:38:45,109 --> 00:38:40,280

flies to Washington from Pennsylvania

891

00:38:46,910 --> 00:38:45,119

and the two of them go and drive back to

892

00:38:49,250 --> 00:38:46,920

Pennsylvania

893

00:38:51,470 --> 00:38:49,260

while they are looking for the vehicle

894

00:38:53,270 --> 00:38:51,480

so they're looking for his vehicle he

895

00:38:57,589 --> 00:38:53,280

decides he's going to drive his vehicle

896

00:39:01,450 --> 00:38:57,599

back to Pennsylvania with his father

897

00:39:04,609 --> 00:39:01,460

um that seems very strange to me because

898

00:39:06,650 --> 00:39:04,619

if let's let's play Devil's Advocate if

899

00:39:07,970 --> 00:39:06,660

he's not the murderer the police are

900

00:39:10,849 --> 00:39:07,980

putting out all kinds of bulletins

901
00:39:13,370 --> 00:39:10,859
looking for that vehicle apparently he

902
00:39:14,870 --> 00:39:13,380
does not respond and say hey I have that

903
00:39:17,390 --> 00:39:14,880
vehicle but I wasn't involved or

904
00:39:19,370 --> 00:39:17,400
anything like that instead his father

905
00:39:21,650 --> 00:39:19,380
flies in from Pennsylvania to Washington

906
00:39:24,290 --> 00:39:21,660
and they decide to drive that vehicle

907
00:39:26,210 --> 00:39:24,300
that the police are looking for back to

908
00:39:29,150 --> 00:39:26,220
Pennsylvania

909
00:39:31,910 --> 00:39:29,160
have you seen the traffic stop footage

910
00:39:34,430 --> 00:39:31,920
yes I have yes okay so what happened

911
00:39:36,890 --> 00:39:34,440
during finals week is that there was uh

912
00:39:40,790 --> 00:39:36,900
probably close to where he lives uh

913
00:39:43,609 --> 00:39:40,800

there was a SWOT related incident

914

00:39:47,329 --> 00:39:43,619

um in Pullman and he mentioned that

915

00:39:49,609 --> 00:39:47,339

incident in the traffic uh stop uh

916

00:39:51,109 --> 00:39:49,619

footage in Pennsylvania there's like oh

917

00:39:53,870 --> 00:39:51,119

where are you coming from I'm coming I'm

918

00:39:57,530 --> 00:39:53,880

from WSU why are you here I live here

919

00:40:00,050 --> 00:39:57,540

other was uh there was a a SWOT related

920

00:40:01,010 --> 00:40:00,060

incident in Pullman I'm driving back

921

00:40:03,770 --> 00:40:01,020

home

922

00:40:06,770 --> 00:40:03,780

right and he could use that as a defense

923

00:40:11,089 --> 00:40:06,780

and for those unaware apparently this

924

00:40:12,950 --> 00:40:11,099

man was under surveillance and the FBI

925

00:40:15,950 --> 00:40:12,960

or the authorities

926
00:40:18,770 --> 00:40:15,960
got him pulled over on purpose because

927
00:40:21,170 --> 00:40:18,780
they wanted the people so in other words

928
00:40:24,109 --> 00:40:21,180
him getting pulled over for minor

929
00:40:26,030 --> 00:40:24,119
traffic violations was a ruse they

930
00:40:27,349 --> 00:40:26,040
wanted the body cam footage and to see

931
00:40:32,810 --> 00:40:27,359
his hands

932
00:40:35,030 --> 00:40:32,820
and he was just being surveilled and

933
00:40:36,829 --> 00:40:35,040
followed all the way back to

934
00:40:38,930 --> 00:40:36,839
Pennsylvania because he was already a

935
00:40:41,150 --> 00:40:38,940
suspect but he wasn't aware of that he

936
00:40:43,130 --> 00:40:41,160
thought he's getting pulled over for a

937
00:40:45,710 --> 00:40:43,140
minor traffic violation like failure to

938
00:40:48,410 --> 00:40:45,720

Signal before changing lanes and things

939

00:40:51,349 --> 00:40:48,420

like this twice he was pulled over and

940

00:40:53,329 --> 00:40:51,359

twice they were sort of looking at him

941

00:40:55,910 --> 00:40:53,339

and focusing on

942

00:40:59,329 --> 00:40:55,920

I suppose his hands I've heard to see if

943

00:41:02,990 --> 00:40:59,339

he had you know some sort of defensive

944

00:41:05,329 --> 00:41:03,000

wounds or scratches on his hands but

945

00:41:06,650 --> 00:41:05,339

interesting that the police he he had to

946

00:41:08,510 --> 00:41:06,660

know that the police were looking for

947

00:41:09,890 --> 00:41:08,520

his car right that was all over the

948

00:41:13,849 --> 00:41:09,900

local media

949

00:41:15,349 --> 00:41:13,859

and instead of volunteering uh hey I

950

00:41:18,290 --> 00:41:15,359

have that kind of a car but I wasn't

951
00:41:20,270 --> 00:41:18,300
involved or whatever he decides to drive

952
00:41:23,329 --> 00:41:20,280
the vehicle back to Pennsylvania perhaps

953
00:41:25,849 --> 00:41:23,339
in an effort to get rid of the car right

954
00:41:27,950 --> 00:41:25,859
yes but how many white how many Hawaii

955
00:41:31,730 --> 00:41:27,960
Hyundai's are there in the local area

956
00:41:33,650 --> 00:41:31,740
right and then if if if if they got a

957
00:41:36,290 --> 00:41:33,660
list of all those and then they got the

958
00:41:38,150 --> 00:41:36,300
match with their credit cards right the

959
00:41:39,589 --> 00:41:38,160
FBI could just be like oh well this

960
00:41:42,050 --> 00:41:39,599
credit card that belongs to this white

961
00:41:43,370 --> 00:41:42,060
car is driving somewhere else we should

962
00:41:46,130 --> 00:41:43,380
check this out

963
00:41:48,829 --> 00:41:46,140

oh yeah right they they like I said you

964

00:41:50,930 --> 00:41:48,839

it's those days where you know they only

965

00:41:52,609 --> 00:41:50,940

had fingerprints to go off of are pretty

966

00:41:55,630 --> 00:41:52,619

much over

967

00:41:57,770 --> 00:41:55,640

um they have data analysts now they have

968

00:42:00,170 --> 00:41:57,780

all sorts of information credit card

969

00:42:01,670 --> 00:42:00,180

yeah everywhere you go you're tracked

970

00:42:04,130 --> 00:42:01,680

with a credit card if you use a credit

971

00:42:06,890 --> 00:42:04,140

card they know you've been in a store

972

00:42:10,190 --> 00:42:06,900

the stores have surveillance we see that

973

00:42:12,650 --> 00:42:10,200

very very often now like you know uh

974

00:42:14,930 --> 00:42:12,660

especially in crime cases like oh uh

975

00:42:16,370 --> 00:42:14,940

this this person went into Walmart an

976

00:42:18,290 --> 00:42:16,380

hour before they were murdered or

977

00:42:20,630 --> 00:42:18,300

whatever and here's the footage you know

978

00:42:23,030 --> 00:42:20,640

and we get all that so if we're getting

979

00:42:25,550 --> 00:42:23,040

all that as the public for sure the

980

00:42:27,230 --> 00:42:25,560

police are getting all that as well

981

00:42:29,750 --> 00:42:27,240

um and and I wanted to talk for a minute

982

00:42:33,109 --> 00:42:29,760

about other suspicious things like

983

00:42:35,810 --> 00:42:33,119

apparently uh co-worker was removing

984

00:42:39,710 --> 00:42:35,820

trash from his parents home and putting

985

00:42:42,829 --> 00:42:39,720

it in the neighbors uh the neighbors

986

00:42:44,690 --> 00:42:42,839

trash and just so people are aware uh

987

00:42:47,210 --> 00:42:44,700

I'm very familiar with the Pocono

988

00:42:49,430 --> 00:42:47,220

Mountains and all the towns your

989

00:42:50,630 --> 00:42:49,440

neighbor is not right next to you in

990

00:42:54,530 --> 00:42:50,640

most cases

991

00:42:56,990 --> 00:42:54,540

so you have to walk a little bit if I

992

00:42:58,790 --> 00:42:57,000

wanted to put my trash where my place is

993

00:43:01,309 --> 00:42:58,800

and my neighbors

994

00:43:03,170 --> 00:43:01,319

trash can it would be a little bit of a

995

00:43:05,510 --> 00:43:03,180

walk you know you're not just going

996

00:43:07,730 --> 00:43:05,520

outside in like in a city and there's

997

00:43:09,890 --> 00:43:07,740

trash cans right next to yours that are

998

00:43:12,109 --> 00:43:09,900

your neighbors then apparently he was

999

00:43:15,410 --> 00:43:12,119

wearing gloves

1000

00:43:19,069 --> 00:43:15,420

so he was observed taking trash from his

1001
00:43:21,589 --> 00:43:19,079
parents home and with gloves on and

1002
00:43:24,230 --> 00:43:21,599
taking it and putting it in to his

1003
00:43:26,690 --> 00:43:24,240
neighbor's trash cans so do you think

1004
00:43:28,550 --> 00:43:26,700
that was maybe maybe he he was

1005
00:43:31,430 --> 00:43:28,560
suspicious that they may be on to him

1006
00:43:34,010 --> 00:43:31,440
and trying to get his or his

1007
00:43:35,089 --> 00:43:34,020
you know DNA and and that's why that was

1008
00:43:36,670 --> 00:43:35,099
done

1009
00:43:40,309 --> 00:43:36,680
well

1010
00:43:44,210 --> 00:43:40,319
it I I don't I don't know I do know that

1011
00:43:46,670 --> 00:43:44,220
the search on his apartment yielded uh

1012
00:43:48,230 --> 00:43:46,680
not so much

1013
00:43:50,930 --> 00:43:48,240

um that the authorities said they were

1014

00:43:53,569 --> 00:43:50,940

rather discontent with what they were

1015

00:43:56,210 --> 00:43:53,579

able to find in his apartment so he

1016

00:43:58,790 --> 00:43:56,220

could have gotten a lot of the evidence

1017

00:44:02,630 --> 00:43:58,800

and taken it to PA to dispose of it

1018

00:44:04,130 --> 00:44:02,640

potentially they only found the raid on

1019

00:44:06,890 --> 00:44:04,140

his apartment only found a Walmart

1020

00:44:09,349 --> 00:44:06,900

receipt two Marshalls receipts which is

1021

00:44:13,069 --> 00:44:09,359

you know it's a town here he right in

1022

00:44:14,750 --> 00:44:13,079

not in Pullman uh dust container from a

1023

00:44:19,730 --> 00:44:14,760

vacuum

1024

00:44:23,870 --> 00:44:19,740

uh multiple hair strands and possible uh

1025

00:44:26,150 --> 00:44:23,880

animal hair strands two cutting two

1026

00:44:29,150 --> 00:44:26,160

cuttings from an uncased pillow with

1027

00:44:31,190 --> 00:44:29,160

reddish brown stains two top and bottom

1028

00:44:33,950 --> 00:44:31,200

mattress covers with stains

1029

00:44:37,309 --> 00:44:33,960

items with a dark red spots a computer

1030

00:44:38,990 --> 00:44:37,319

tower and a Fire TV stick that's all

1031

00:44:41,630 --> 00:44:39,000

yeah that's all they had in his

1032

00:44:44,809 --> 00:44:41,640

apartment yeah yeah that's strange

1033

00:44:48,490 --> 00:44:44,819

that's very very strange and it is uh

1034

00:44:50,870 --> 00:44:48,500

you know this guy still uh essentially

1035

00:44:53,630 --> 00:44:50,880

let's talk for a moment have you heard

1036

00:44:54,650 --> 00:44:53,640

that he has like four defense attorneys

1037

00:44:56,390 --> 00:44:54,660

all of a sudden

1038

00:44:58,130 --> 00:44:56,400

yes and there's a major conflict of

1039

00:44:59,930 --> 00:44:58,140

interest with one of them actually yeah

1040

00:45:02,690 --> 00:44:59,940

let's talk about that because this is

1041

00:45:05,089 --> 00:45:02,700

crazy one of them has one of his lawyers

1042

00:45:07,210 --> 00:45:05,099

has a connection to the victim or

1043

00:45:10,790 --> 00:45:07,220

victims families right

1044

00:45:13,030 --> 00:45:10,800

yes yes there was uh one of the victims

1045

00:45:16,730 --> 00:45:13,040

uh

1046

00:45:18,410 --> 00:45:16,740

one of the victims mothers had a felony

1047

00:45:19,790 --> 00:45:18,420

arrest warrant for her arrest in

1048

00:45:21,950 --> 00:45:19,800

Kootenai County which is in Coeur

1049

00:45:23,089 --> 00:45:21,960

d'Alene at Quarter Lane north of here

1050

00:45:25,849 --> 00:45:23,099

right

1051

00:45:29,510 --> 00:45:25,859

um uh she had a felony arrest warrant

1052

00:45:34,609 --> 00:45:29,520

and what uh her attorney

1053

00:45:37,250 --> 00:45:34,619

dropped her case to go and represent him

1054

00:45:38,809 --> 00:45:37,260

yeah that's a big problem

1055

00:45:41,930 --> 00:45:38,819

so

1056

00:45:44,569 --> 00:45:41,940

one of his one of this murder suspects

1057

00:45:47,569 --> 00:45:44,579

attorneys was representing the mother of

1058

00:45:50,569 --> 00:45:47,579

one of the victims and he drops the case

1059

00:45:53,450 --> 00:45:50,579

to go and uh

1060

00:45:55,790 --> 00:45:53,460

to go and represent him he's a public

1061

00:45:56,630 --> 00:45:55,800

defender public defender dropped her

1062

00:45:58,190 --> 00:45:56,640

case

1063

00:46:00,650 --> 00:45:58,200

right

1064

00:46:04,190 --> 00:46:00,660

um and that's I highly like not ethical

1065

00:46:06,829 --> 00:46:04,200

right you can't that's a problem yeah I

1066

00:46:09,050 --> 00:46:06,839

would assume that's a big problem right

1067

00:46:11,050 --> 00:46:09,060

yeah absolutely

1068

00:46:14,510 --> 00:46:11,060

um

1069

00:46:17,930 --> 00:46:14,520

yeah and you had you had uh me you had

1070

00:46:21,230 --> 00:46:17,940

sent me a video too of uh of driving by

1071

00:46:23,990 --> 00:46:21,240

right I think yes yes

1072

00:46:26,210 --> 00:46:24,000

let me see if I can't find that here

1073

00:46:28,430 --> 00:46:26,220

they don't have police at the at the

1074

00:46:30,109 --> 00:46:28,440

place I think it's private security that

1075

00:46:33,470 --> 00:46:30,119

keeps an eye on the property right now

1076

00:46:35,990 --> 00:46:33,480

but it's all taped off so you it's you

1077

00:46:38,690 --> 00:46:36,000

can't really so we've got it

1078

00:46:41,930 --> 00:46:38,700

with thanks to Aaron we have exclusive

1079

00:46:45,050 --> 00:46:41,940

footage right right at the uh at the

1080

00:46:46,730 --> 00:46:45,060

murder scene uh that no one's ever seen

1081

00:46:48,290 --> 00:46:46,740

before

1082

00:46:50,410 --> 00:46:48,300

well there was other there was a there

1083

00:46:52,790 --> 00:46:50,420

was better footage that I sent in even

1084

00:46:54,650 --> 00:46:52,800

taped off

1085

00:46:56,870 --> 00:46:54,660

all right so this is behind the crap

1086

00:46:59,630 --> 00:46:56,880

right there I went back the I went back

1087

00:47:01,970 --> 00:46:59,640

that same afternoon

1088

00:47:04,250 --> 00:47:01,980

oh I'm sorry so there's other did you

1089

00:47:06,530 --> 00:47:04,260

send me other Clips yes I did it's I

1090

00:47:08,270 --> 00:47:06,540

sent it to True Seeker show uh oh email

1091

00:47:11,510 --> 00:47:08,280

okay all right well let's look at this

1092

00:47:15,950 --> 00:47:13,309

that's the door that's the house right

1093

00:47:22,730 --> 00:47:18,829

yeah as you can see they've collected

1094

00:47:26,210 --> 00:47:25,010

yeah and interesting you said that they

1095

00:47:28,370 --> 00:47:26,220

uh

1096

00:47:30,890 --> 00:47:28,380

the neighbors all have signs on their

1097

00:47:33,890 --> 00:47:30,900

doors no comment because at least one

1098

00:47:35,750 --> 00:47:33,900

year at least the media's got to be

1099

00:47:37,809 --> 00:47:35,760

handling all the neighbors right because

1100

00:47:40,250 --> 00:47:37,819

this is such a big story

1101

00:47:43,069 --> 00:47:40,260

there was actually I did want to bring

1102

00:47:45,829 --> 00:47:43,079

up the one of the neighbors it's on the

1103

00:47:47,750 --> 00:47:45,839

police log and discussed on the on a

1104

00:47:50,569 --> 00:47:47,760

local Facebook group where there was

1105

00:47:52,550 --> 00:47:50,579

five people that dressed up pretending

1106

00:47:54,829 --> 00:47:52,560

to be police officers I went and knocked

1107

00:47:56,630 --> 00:47:54,839

on the neighbor's door in the middle of

1108

00:47:58,730 --> 00:47:56,640

the night and were asking questions

1109

00:48:00,829 --> 00:47:58,740

regarding the case

1110

00:48:02,690 --> 00:48:00,839

they were they were impersonating I mean

1111

00:48:04,550 --> 00:48:02,700

that people are there's a lot of crazy

1112

00:48:06,589 --> 00:48:04,560

stuff that people are doing as oh we can

1113

00:48:08,390 --> 00:48:06,599

get into where there was five people

1114

00:48:09,589 --> 00:48:08,400

that were impersonating a peace officer

1115

00:48:10,609 --> 00:48:09,599

that went on knocked on the neighbor's

1116

00:48:12,050 --> 00:48:10,619

door in the middle of the night asking

1117

00:48:15,109 --> 00:48:12,060

about the case

1118

00:48:17,990 --> 00:48:15,119

that's crazy that's absolutely crazy but

1119

00:48:20,569 --> 00:48:18,000

you know when you consider them there's

1120

00:48:23,510 --> 00:48:20,579

everybody's I'm sure got a financial

1121

00:48:25,190 --> 00:48:23,520

motive for an exclusive Story related to

1122

00:48:27,829 --> 00:48:25,200

this case it could be worth quite a lot

1123

00:48:30,589 --> 00:48:27,839

of money so I guess you know some of the

1124

00:48:32,270 --> 00:48:30,599

Slime balls are coming out and also we

1125

00:48:36,589 --> 00:48:32,280

could talk for a moment about that there

1126
00:48:39,349 --> 00:48:36,599
is uh a lot of opportunistic people that

1127
00:48:41,150 --> 00:48:39,359
are doing things like one person on

1128
00:48:44,030 --> 00:48:41,160
YouTube somehow connected this Brian

1129
00:48:46,670 --> 00:48:44,040
coburger to like five other murders

1130
00:48:48,530 --> 00:48:46,680
and his only evidence is nonsense like

1131
00:48:51,349 --> 00:48:48,540
well there were stabbing murders so it

1132
00:48:54,650 --> 00:48:51,359
had to be Brian like this this is this

1133
00:48:56,930 --> 00:48:54,660
is garbage and this guy got like a half

1134
00:48:59,450 --> 00:48:56,940
a million views and started a whole

1135
00:49:01,510 --> 00:48:59,460
YouTube channel continually connecting

1136
00:49:04,490 --> 00:49:01,520
this suspect to all these other murders

1137
00:49:06,650 --> 00:49:04,500
trying to make him into some kind of uh

1138
00:49:09,109 --> 00:49:06,660

you know Monster serial killer that

1139

00:49:11,930 --> 00:49:09,119

killed 20 people before this and there's

1140

00:49:14,750 --> 00:49:11,940

just little or no evidence of of this of

1141

00:49:16,430 --> 00:49:14,760

these connections another one that I

1142

00:49:17,990 --> 00:49:16,440

heard of is that well two of the victims

1143

00:49:20,870 --> 00:49:18,000

were employees at a restaurant downtown

1144

00:49:24,470 --> 00:49:20,880

called The Mad Greek and this restaurant

1145

00:49:26,329 --> 00:49:24,480

sells uh vegan uh meals yeah that's the

1146

00:49:29,030 --> 00:49:26,339

same same person that's connecting all

1147

00:49:31,190 --> 00:49:29,040

these things yeah but the the owner the

1148

00:49:33,109 --> 00:49:31,200

owner of the of of the restaurant says

1149

00:49:35,030 --> 00:49:33,119

that's not true that he's never been

1150

00:49:36,170 --> 00:49:35,040

associated with that restaurant at all

1151

00:49:38,030 --> 00:49:36,180

so

1152

00:49:41,450 --> 00:49:38,040

um a lot of people are showing their

1153

00:49:43,490 --> 00:49:41,460

their uh their crazy side I think a

1154

00:49:45,470 --> 00:49:43,500

professor at the University of Idaho had

1155

00:49:48,710 --> 00:49:45,480

to engage in a slander a lawsuit against

1156

00:49:50,270 --> 00:49:48,720

other content creators online for uh

1157

00:49:52,069 --> 00:49:50,280

being told that they had something to do

1158

00:49:53,809 --> 00:49:52,079

with it as well like there was content

1159

00:49:55,250 --> 00:49:53,819

creators going around saying well this

1160

00:49:56,870 --> 00:49:55,260

professor had something to do with it so

1161

00:50:00,589 --> 00:49:56,880

now there's a slander lots of going on

1162

00:50:04,910 --> 00:50:00,599

with that and uh yeah the hotels here

1163

00:50:07,430 --> 00:50:04,920

are getting packed for the June hearings

1164

00:50:10,309 --> 00:50:07,440

um here people are gonna start showing

1165

00:50:12,349 --> 00:50:10,319

up uh or reserving to come here and and

1166

00:50:13,970 --> 00:50:12,359

see what happens

1167

00:50:15,710 --> 00:50:13,980

um but yeah a lot of people do crazy

1168

00:50:18,109 --> 00:50:15,720

things like especially I feel bad for

1169

00:50:19,970 --> 00:50:18,119

the Neighbors you shouldn't have to have

1170

00:50:21,410 --> 00:50:19,980

people impersonating police officers

1171

00:50:23,150 --> 00:50:21,420

show up at your front door asking

1172

00:50:25,670 --> 00:50:23,160

questions about the case

1173

00:50:27,530 --> 00:50:25,680

yeah well you could imagine there's I

1174

00:50:30,589 --> 00:50:27,540

can imagine there's quite a media frenzy

1175

00:50:32,870 --> 00:50:30,599

there because it seems to be that every

1176
00:50:37,010 --> 00:50:32,880
media Outlet wants some kind of a story

1177
00:50:39,950 --> 00:50:37,020
about this this situation do we know um

1178
00:50:41,690 --> 00:50:39,960
when any sort of trial is going to be

1179
00:50:43,670 --> 00:50:41,700
taking place this is going to be a while

1180
00:50:46,970 --> 00:50:43,680
right mid-june

1181
00:50:50,329 --> 00:50:46,980
every wow mid-june so right now he's

1182
00:50:52,730 --> 00:50:50,339
sitting in jail down the street but he's

1183
00:50:56,030 --> 00:50:52,740
just gonna sit there eating vegan food

1184
00:50:57,890 --> 00:50:56,040
for as long as until June oh that's

1185
00:50:59,569 --> 00:50:57,900
right that you you have the right I

1186
00:51:02,030 --> 00:50:59,579
guess as a prisoner they have to give

1187
00:51:04,670 --> 00:51:02,040
you vegan food if you request it

1188
00:51:08,329 --> 00:51:04,680

oh yeah

1189

00:51:11,329 --> 00:51:08,339

interesting and so not until June well

1190

00:51:13,790 --> 00:51:11,339

we know more and it's interesting that

1191

00:51:15,710 --> 00:51:13,800

you mentioned there's a gag order so no

1192

00:51:18,290 --> 00:51:15,720

nobody involved with the case is allowed

1193

00:51:20,510 --> 00:51:18,300

to say anything so these things that are

1194

00:51:22,490 --> 00:51:20,520

coming out a lot of which there's a lot

1195

00:51:24,530 --> 00:51:22,500

of things that are basically just leaks

1196

00:51:27,049 --> 00:51:24,540

right which are in some cases

1197

00:51:27,829 --> 00:51:27,059

unconfirmed we should stress that you

1198

00:51:31,970 --> 00:51:27,839

know

1199

00:51:34,250 --> 00:51:31,980

for a fact because they were in the

1200

00:51:38,870 --> 00:51:34,260

probable cause affidavit

1201
00:51:45,650 --> 00:51:41,150
right so

1202
00:51:48,170 --> 00:51:45,660
I mean I I don't know I don't know

1203
00:51:50,930 --> 00:51:48,180
what it seems to me that there's a lot

1204
00:51:53,030 --> 00:51:50,940
of disinformation or misinformation and

1205
00:51:54,710 --> 00:51:53,040
I want to be very clear that some of the

1206
00:51:57,049 --> 00:51:54,720
things that we're talking about of

1207
00:51:58,910 --> 00:51:57,059
course is speculation some things did

1208
00:52:00,470 --> 00:51:58,920
come from the probable cause affidavit

1209
00:52:02,809 --> 00:52:00,480
that we could be sure of

1210
00:52:04,690 --> 00:52:02,819
let's talk for a minute about the DNA

1211
00:52:08,690 --> 00:52:04,700
matching because that was interesting

1212
00:52:12,230 --> 00:52:08,700
apparently they took trash from the

1213
00:52:14,630 --> 00:52:12,240

father's uh trash and they matched it to

1214

00:52:16,609 --> 00:52:14,640

the the knife sheath

1215

00:52:20,150 --> 00:52:16,619

but then do we know that they later

1216

00:52:22,790 --> 00:52:20,160

matched it to actually to Brian the DNA

1217

00:52:24,650 --> 00:52:22,800

from the knife sheath well his his

1218

00:52:28,609 --> 00:52:24,660

neighbor

1219

00:52:30,290 --> 00:52:28,619

claims that uh the suspect had told him

1220

00:52:34,630 --> 00:52:30,300

that he had submitted his DNA in the

1221

00:52:42,049 --> 00:52:37,430

if that's accurate

1222

00:52:43,730 --> 00:52:42,059

um right but I've heard of other cases

1223

00:52:46,730 --> 00:52:43,740

as well where even if you didn't submit

1224

00:52:49,490 --> 00:52:46,740

your DNA right if your sibling submitted

1225

00:52:50,990 --> 00:52:49,500

your DNA and you're like the only uh

1226

00:52:53,569 --> 00:52:51,000

brother that they have you're the only

1227

00:52:54,950 --> 00:52:53,579

one with a Y chromosome so right it must

1228

00:52:57,710 --> 00:52:54,960

like oh well it's a sibling of this

1229

00:53:00,170 --> 00:52:57,720

person right sure it's like they only

1230

00:53:01,790 --> 00:53:00,180

have one male like you know yeah and for

1231

00:53:04,190 --> 00:53:01,800

those unaware we're talking about these

1232

00:53:07,609 --> 00:53:04,200

genealogical databases like when people

1233

00:53:09,410 --> 00:53:07,619

go to 23 and me and these other things

1234

00:53:12,650 --> 00:53:09,420

to get their DNA

1235

00:53:16,309 --> 00:53:12,660

uh analyzed for to find out you know

1236

00:53:18,530 --> 00:53:16,319

like uh what their ethnic makeup is uh

1237

00:53:20,930 --> 00:53:18,540

those things get put in that database

1238

00:53:22,190 --> 00:53:20,940

and those databases those companies will

1239

00:53:24,589 --> 00:53:22,200

will

1240

00:53:26,690 --> 00:53:24,599

uh cooperate with authorities that's how

1241

00:53:29,150 --> 00:53:26,700

they solve the Golden State murder case

1242

00:53:32,410 --> 00:53:29,160

they got a familial match and then they

1243

00:53:35,450 --> 00:53:32,420

worked back from there so in this case

1244

00:53:37,670 --> 00:53:35,460

apparently they matched the DNA on the

1245

00:53:40,670 --> 00:53:37,680

knife sheet first to this Brian

1246

00:53:43,069 --> 00:53:40,680

coburger's father and then to him

1247

00:53:44,930 --> 00:53:43,079

which is interesting and they could get

1248

00:53:46,790 --> 00:53:44,940

that DNA from your trash too people

1249

00:53:49,010 --> 00:53:46,800

don't realize it but if you drink a soda

1250

00:53:50,630 --> 00:53:49,020

and throw it in the trash your DNA is on

1251

00:53:54,049 --> 00:53:50,640

that rim of that can

1252

00:53:56,569 --> 00:53:54,059

or or whatever you know

1253

00:53:58,670 --> 00:53:56,579

what what would really

1254

00:54:01,549 --> 00:53:58,680

um I think be enough for a conviction

1255

00:54:03,650 --> 00:54:01,559

for this guy is that if there is pet

1256

00:54:06,230 --> 00:54:03,660

hair that got on him and then that pet

1257

00:54:08,750 --> 00:54:06,240

hair was later found at his apartment

1258

00:54:10,849 --> 00:54:08,760

that would be that's you there's no

1259

00:54:13,670 --> 00:54:10,859

that's beyond A Reasonable Doubt right

1260

00:54:15,530 --> 00:54:13,680

like I know that there was regularly

1261

00:54:17,030 --> 00:54:15,540

parties at that house with over a

1262

00:54:18,829 --> 00:54:17,040

hundred people in them

1263

00:54:20,150 --> 00:54:18,839

so I mean that's about the only thing

1264

00:54:22,210 --> 00:54:20,160

that the defense could say is that oh

1265

00:54:25,010 --> 00:54:22,220

well he went to a party at that house

1266

00:54:26,390 --> 00:54:25,020

before he did this and then he got to

1267

00:54:28,730 --> 00:54:26,400

pet her and then it ended up at his

1268

00:54:30,589 --> 00:54:28,740

apartment but if if that gets blown out

1269

00:54:34,490 --> 00:54:30,599

of the water how did the pet her end up

1270

00:54:37,549 --> 00:54:35,210

um

1271

00:54:40,549 --> 00:54:37,559

yeah and also we should mention that

1272

00:54:43,010 --> 00:54:40,559

this is got to be it had to be a

1273

00:54:45,049 --> 00:54:43,020

problematic crime scene right because

1274

00:54:47,390 --> 00:54:45,059

this is basically I remember college

1275

00:54:49,370 --> 00:54:47,400

party houses like there's people in and

1276

00:54:52,069 --> 00:54:49,380

out of these college party houses every

1277

00:54:54,049 --> 00:54:52,079

day it's not like a mule or an animal I

1278

00:54:57,290 --> 00:54:54,059

saw him yeah one time I was at a college

1279

00:54:59,630 --> 00:54:57,300

party I think it was somewhere and uh

1280

00:55:01,370 --> 00:54:59,640

that there was a somebody had a donkey

1281

00:55:03,589 --> 00:55:01,380

they're just a donkey walking through

1282

00:55:05,930 --> 00:55:03,599

this party house and and everybody was

1283

00:55:09,589 --> 00:55:05,940

drunk and laughing and somebody tried to

1284

00:55:12,829 --> 00:55:09,599

ride the donkey and it was weird yeah so

1285

00:55:15,530 --> 00:55:12,839

problematic crime scene because you got

1286

00:55:17,510 --> 00:55:15,540

50 people coming in and out of there so

1287

00:55:20,870 --> 00:55:17,520

when you find a hair you don't know if

1288

00:55:22,430 --> 00:55:20,880

it's the murderers the victims or one of

1289

00:55:24,770 --> 00:55:22,440

the 50 people that have been in and out

1290

00:55:27,890 --> 00:55:24,780

of there recently you know

1291

00:55:29,930 --> 00:55:27,900

but I think also we should talk about

1292

00:55:32,329 --> 00:55:29,940

the police because for a while the

1293

00:55:33,470 --> 00:55:32,339

police were under intense pressure and

1294

00:55:36,170 --> 00:55:33,480

people were saying they weren't doing

1295

00:55:37,970 --> 00:55:36,180

enough they weren't communicating and

1296

00:55:39,530 --> 00:55:37,980

even one of the victim's fathers was

1297

00:55:42,290 --> 00:55:39,540

very upset with them but he later

1298

00:55:45,349 --> 00:55:42,300

apologized because it appears that they

1299

00:55:47,329 --> 00:55:45,359

got onto this Brian coburger right away

1300

00:55:48,530 --> 00:55:47,339

but they were staying silent about it

1301

00:55:52,430 --> 00:55:48,540

right

1302

00:55:55,609 --> 00:55:52,440

well there was on YouTube there's a

1303

00:55:59,510 --> 00:55:55,619

retired New York City detective who

1304

00:56:01,670 --> 00:55:59,520

criticized the Moscow PD for failing to

1305

00:56:03,290 --> 00:56:01,680

do proper searches there was no grid

1306

00:56:07,329 --> 00:56:03,300

search or I think one of there was no

1307

00:56:11,210 --> 00:56:07,339

greater spiral search done and they they

1308

00:56:12,530 --> 00:56:11,220

mishandled a lot of or they didn't do it

1309

00:56:14,150 --> 00:56:12,540

well I mean like I said this stuff

1310

00:56:16,250 --> 00:56:14,160

doesn't really happen here right like

1311

00:56:17,630 --> 00:56:16,260

the staff probably does everybody was

1312

00:56:20,450 --> 00:56:17,640

probably surprised of what happened

1313

00:56:22,430 --> 00:56:20,460

nobody yeah I mean in their defense this

1314

00:56:24,109 --> 00:56:22,440

is some little Podunk town no offense

1315

00:56:27,109 --> 00:56:24,119

Aaron I know you live there but just

1316

00:56:29,150 --> 00:56:27,119

beautiful place but yeah but it's just

1317

00:56:31,370 --> 00:56:29,160

some little Podunk town they don't have

1318

00:56:34,670 --> 00:56:31,380

quadruple homicides all the time like

1319

00:56:37,430 --> 00:56:34,680

New York City does or whatever so that

1320

00:56:39,589 --> 00:56:37,440

maybe they didn't even you know have a

1321

00:56:40,970 --> 00:56:39,599

procedure in place for what to do here

1322

00:56:42,710 --> 00:56:40,980

they're flying by the seat of their

1323

00:56:45,049 --> 00:56:42,720

pants but to their credit

1324

00:56:48,170 --> 00:56:45,059

I'm aware that they instantly brought in

1325

00:56:49,510 --> 00:56:48,180

experts from the FBI experts from other

1326

00:56:53,630 --> 00:56:49,520

jurisdictions

1327

00:56:57,530 --> 00:56:53,640

uh right away and that may have led to

1328

00:57:00,290 --> 00:56:57,540

why you know it's very probable that if

1329

00:57:01,609 --> 00:57:00,300

they didn't do their job well this

1330

00:57:05,150 --> 00:57:01,619

person would have got away with this

1331

00:57:08,870 --> 00:57:05,160

right there was one thing like I think

1332

00:57:11,569 --> 00:57:08,880

for me it just I think they his biggest

1333

00:57:14,690 --> 00:57:11,579

like what happened is that he

1334

00:57:18,290 --> 00:57:14,700

he he used his car so close to what he

1335

00:57:20,650 --> 00:57:18,300

did so where he did the crime allegedly

1336

00:57:22,970 --> 00:57:20,660

you know the car was really close by

1337

00:57:26,089 --> 00:57:22,980

there was a way that he could have done

1338

00:57:28,069 --> 00:57:26,099

this and not had his car so close by how

1339

00:57:30,349 --> 00:57:28,079

do you park his car at the local

1340

00:57:32,690 --> 00:57:30,359

Arboretum parking lot

1341

00:57:35,030 --> 00:57:32,700

he could have right

1342

00:57:36,770 --> 00:57:35,040

but yeah walked from his car did the

1343

00:57:38,750 --> 00:57:36,780

murder walk back to his car and then

1344

00:57:41,510 --> 00:57:38,760

they wouldn't have cracked his car

1345

00:57:43,910 --> 00:57:41,520

there's no surveillance on on the way he

1346

00:57:46,790 --> 00:57:43,920

the auditorium is right next to where

1347

00:57:48,710 --> 00:57:46,800

the the crime happened had he you know

1348

00:57:52,010 --> 00:57:48,720

like allegedly if he's the one that did

1349

00:57:53,750 --> 00:57:52,020

it not put your car so close to what he

1350

00:57:55,250 --> 00:57:53,760

did and instead put it some distance

1351
00:57:56,990 --> 00:57:55,260
away and know that you're not going to

1352
00:57:59,270 --> 00:57:57,000
be monitored on the through the

1353
00:58:00,950 --> 00:57:59,280
Arboretum that there they would have

1354
00:58:02,990 --> 00:58:00,960
made it a lot more difficult for law

1355
00:58:04,670 --> 00:58:03,000
enforcement to get a suspect but that's

1356
00:58:06,890 --> 00:58:04,680
not what happened along with other

1357
00:58:09,170 --> 00:58:06,900
mistakes that you've claimed that he

1358
00:58:10,790 --> 00:58:09,180
made like the the sheath with the DNA

1359
00:58:12,950 --> 00:58:10,800
and it's very surprising for somebody

1360
00:58:14,569 --> 00:58:12,960
with such an education to have right

1361
00:58:17,270 --> 00:58:14,579
yeah and there may be boot prints

1362
00:58:20,510 --> 00:58:17,280
outside as well in the snow that they

1363
00:58:22,370 --> 00:58:20,520

made casts of so but I didn't see

1364

00:58:24,950 --> 00:58:22,380

anything in the probable cause affidavit

1365

00:58:26,630 --> 00:58:24,960

about the boots or the boot prints that

1366

00:58:28,309 --> 00:58:26,640

may also have been just a police

1367

00:58:30,470 --> 00:58:28,319

officer's boot print because apparently

1368

00:58:34,670 --> 00:58:30,480

it's a very common boot like a military

1369

00:58:37,130 --> 00:58:34,680

style boot and also I noticed from his

1370

00:58:37,970 --> 00:58:37,140

social media that he was following a lot

1371

00:58:40,309 --> 00:58:37,980

of

1372

00:58:43,190 --> 00:58:40,319

I guess what I'm familiar with or what I

1373

00:58:45,710 --> 00:58:43,200

would call tactical gear companies in

1374

00:58:50,870 --> 00:58:45,720

other words companies that sell military

1375

00:58:53,089 --> 00:58:50,880

clothing knives body armor things of

1376

00:58:54,710 --> 00:58:53,099

that nature and

1377

00:58:56,809 --> 00:58:54,720

um interesting that he was following

1378

00:59:00,650 --> 00:58:56,819

those kind and also on his social media

1379

00:59:03,589 --> 00:59:00,660

with some very disturbing posts uh like

1380

00:59:05,930 --> 00:59:03,599

you know uh somebody murdering people

1381

00:59:09,549 --> 00:59:05,940

and uh things like that pools of blood

1382

00:59:13,010 --> 00:59:09,559

being cleaned up so this guy was really

1383

00:59:15,589 --> 00:59:13,020

described as kind of a weird guy I guess

1384

00:59:18,470 --> 00:59:15,599

by his social media and also apparently

1385

00:59:21,289 --> 00:59:18,480

he had many fake or let's call them

1386

00:59:23,510 --> 00:59:21,299

Anonymous social media accounts

1387

00:59:25,549 --> 00:59:23,520

which is a little strange to me why he

1388

00:59:27,950 --> 00:59:25,559

would have so many

1389

00:59:29,450 --> 00:59:27,960

you know it would seem to me like if

1390

00:59:31,910 --> 00:59:29,460

you're trying to conceal what you're

1391

00:59:33,650 --> 00:59:31,920

looking at or doing online you wouldn't

1392

00:59:35,809 --> 00:59:33,660

do it with your real name you would do

1393

00:59:37,910 --> 00:59:35,819

it with a what I guess you would

1394

00:59:40,970 --> 00:59:37,920

commonly call a soccer camp right like

1395

00:59:43,069 --> 00:59:40,980

or an alias or an alias or something

1396

00:59:45,470 --> 00:59:43,079

like that so apparently he was following

1397

00:59:47,630 --> 00:59:45,480

a lot of weird sick stuff

1398

00:59:49,670 --> 00:59:47,640

on these alt accounts but the police

1399

00:59:50,930 --> 00:59:49,680

were able to and that's another

1400

00:59:52,430 --> 00:59:50,940

interesting part I don't know if you've

1401
00:59:54,470 --> 00:59:52,440
heard but a lot of his social media

1402
00:59:55,549 --> 00:59:54,480
accounts disappeared shortly after his

1403
00:59:57,890 --> 00:59:55,559
arrests

1404
01:00:00,650 --> 00:59:57,900
that were wiped

1405
01:00:04,910 --> 01:00:00,660
yeah that's weird that's weird um I I

1406
01:00:07,789 --> 01:00:04,920
was not aware of that uh but yeah and

1407
01:00:09,049 --> 01:00:07,799
again so well here here's like what I

1408
01:00:12,710 --> 01:00:09,059
would want to know is a go through

1409
01:00:15,890 --> 01:00:12,720
social media uh history and see if

1410
01:00:18,770 --> 01:00:15,900
there's any uh indicator of uh being an

1411
01:00:20,870 --> 01:00:18,780
incel or being somebody who has trouble

1412
01:00:23,329 --> 01:00:20,880
because that would have been like if he

1413
01:00:24,710 --> 01:00:23,339

did snap and he hadn't like if he hadn't

1414

01:00:27,349 --> 01:00:24,720

done this in the past and he actually

1415

01:00:29,589 --> 01:00:27,359

went ahead and snapped and and did this

1416

01:00:33,710 --> 01:00:29,599

all at once right

1417

01:00:36,710 --> 01:00:33,720

the incel angle to this would have right

1418

01:00:38,870 --> 01:00:36,720

and so people I don't think they're

1419

01:00:40,670 --> 01:00:38,880

they're not the like the kind of people

1420

01:00:42,049 --> 01:00:40,680

to go out and like do this 20 times

1421

01:00:44,030 --> 01:00:42,059

before they

1422

01:00:46,370 --> 01:00:44,040

right it just doesn't

1423

01:00:50,930 --> 01:00:46,380

they normally snap and do it once yeah

1424

01:00:53,569 --> 01:00:50,940

you're right right so what if if is

1425

01:00:56,089 --> 01:00:53,579

there go through with social media and

1426

01:00:59,510 --> 01:00:56,099

see if there's any hints of this uh well

1427

01:01:01,430 --> 01:00:59,520

actually there was he did that there

1428

01:01:05,410 --> 01:01:01,440

allegedly he did display that behavior

1429

01:01:12,710 --> 01:01:09,589

as well allegedly uh yeah at a local bar

1430

01:01:15,230 --> 01:01:12,720

it has said that he was on sort of their

1431

01:01:18,710 --> 01:01:15,240

troubled customer list because he was

1432

01:01:21,770 --> 01:01:18,720

nasty and rude to the female staff there

1433

01:01:23,809 --> 01:01:21,780

uh and also kind of this guy also

1434

01:01:25,730 --> 01:01:23,819

bragged that he could he could bang any

1435

01:01:28,250 --> 01:01:25,740

woman that he wanted or something like

1436

01:01:30,410 --> 01:01:28,260

that which is an odd thing for a guy

1437

01:01:32,870 --> 01:01:30,420

that has trouble with women to be

1438

01:01:34,970 --> 01:01:32,880

running around boasting

1439

01:01:37,069 --> 01:01:34,980

um I don't know but to most people

1440

01:01:40,809 --> 01:01:37,079

including former students of him he was

1441

01:01:43,329 --> 01:01:40,819

described as arrogant but but very high

1442

01:01:47,930 --> 01:01:43,339

intellects like he was very intelligent

1443

01:01:50,329 --> 01:01:47,940

but he was arrogant and uh sort of uh

1444

01:01:52,609 --> 01:01:50,339

just off people said he was a little

1445

01:01:54,109 --> 01:01:52,619

strange he was a little off which I

1446

01:01:55,970 --> 01:01:54,119

guess would fit the profile of somebody

1447

01:01:59,210 --> 01:01:55,980

who would suddenly snap and kill four

1448

01:02:01,609 --> 01:01:59,220

people right right which is I don't

1449

01:02:03,650 --> 01:02:01,619

think I don't think that it's it's

1450

01:02:06,410 --> 01:02:03,660

possible he didn't go around doing this

1451

01:02:08,150 --> 01:02:06,420

beforehand I I if he wasn't an in so if

1452

01:02:09,650 --> 01:02:08,160

he does have that Dynamic going on and

1453

01:02:11,089 --> 01:02:09,660

because I don't I don't think that there

1454

01:02:12,770 --> 01:02:11,099

is such thing as an insult I think it's

1455

01:02:15,829 --> 01:02:12,780

a I think it's a matter of low

1456

01:02:19,130 --> 01:02:15,839

self-esteem or or or or or whatever but

1457

01:02:21,650 --> 01:02:19,140

uh if if he did snap

1458

01:02:23,630 --> 01:02:21,660

um in yeah I

1459

01:02:26,690 --> 01:02:23,640

well yeah and just so people are aware

1460

01:02:29,150 --> 01:02:26,700

there there are forums and websites for

1461

01:02:31,309 --> 01:02:29,160

these guys that they get together and

1462

01:02:34,430 --> 01:02:31,319

essentially they blame women for all

1463

01:02:37,130 --> 01:02:34,440

their problems right they

1464

01:02:39,950 --> 01:02:37,140

they claim to be involuntary celibate

1465

01:02:42,710 --> 01:02:39,960

they want to be with a woman especially

1466

01:02:45,650 --> 01:02:42,720

attractive women they they tend to make

1467

01:02:47,450 --> 01:02:45,660

those attractive women the enemy and the

1468

01:02:49,250 --> 01:02:47,460

cause of all their problems it's their

1469

01:02:51,349 --> 01:02:49,260

fault that they're not in a relationship

1470

01:02:53,569 --> 01:02:51,359

these women are the problem

1471

01:02:55,130 --> 01:02:53,579

and these guys get together and there

1472

01:02:56,990 --> 01:02:55,140

have been cases of this before where

1473

01:02:58,789 --> 01:02:57,000

guys on these forums that get together

1474

01:03:00,349 --> 01:02:58,799

they're they're hateful towards women

1475

01:03:02,690 --> 01:03:00,359

they're blaming women for all their

1476

01:03:05,630 --> 01:03:02,700

problems they get together

1477

01:03:07,549 --> 01:03:05,640

uh some of these guys snap and go kill a

1478

01:03:09,549 --> 01:03:07,559

woman or women

1479

01:03:12,109 --> 01:03:09,559

because of their frustrations somehow

1480

01:03:15,109 --> 01:03:12,119

blaming the women for their for their

1481

01:03:16,730 --> 01:03:15,119

lack of success with women it doesn't I

1482

01:03:18,890 --> 01:03:16,740

I don't know to me it doesn't make sense

1483

01:03:21,349 --> 01:03:18,900

well he claims a psychological condition

1484

01:03:23,329 --> 01:03:21,359

where he has it's like it's called I

1485

01:03:24,950 --> 01:03:23,339

think he calls it like supposedly if it

1486

01:03:29,210 --> 01:03:24,960

was him on those forums calling it like

1487

01:03:32,150 --> 01:03:29,220

a whiteout or something where he right

1488

01:03:35,510 --> 01:03:32,160

um well like I like

1489

01:03:38,630 --> 01:03:35,520

he's not like an ugly guy right like he

1490

01:03:41,150 --> 01:03:38,640

there must be something like wrong with

1491

01:03:43,670 --> 01:03:41,160

him as far as like socializing with like

1492

01:03:44,870 --> 01:03:43,680

women if he wasn't in Seoul because I

1493

01:03:46,250 --> 01:03:44,880

mean like I said I don't really think

1494

01:03:49,130 --> 01:03:46,260

that there is such thing as like an

1495

01:03:51,230 --> 01:03:49,140

insult it's like somebody who doesn't

1496

01:03:53,630 --> 01:03:51,240

want to uh

1497

01:03:56,329 --> 01:03:53,640

who has problems like maybe relating to

1498

01:03:59,390 --> 01:03:56,339

people or or something else that like

1499

01:04:01,849 --> 01:03:59,400

yeah and also some guys just some guys

1500

01:04:03,530 --> 01:04:01,859

just don't I don't know some guys I've

1501

01:04:06,650 --> 01:04:03,540

known guys that were just like a little

1502

01:04:08,690 --> 01:04:06,660

bit off like they they you know they

1503

01:04:11,390 --> 01:04:08,700

were guys that were I I've known guys

1504

01:04:13,670 --> 01:04:11,400

that were like you know just incredibly

1505

01:04:16,430 --> 01:04:13,680

not successful live at home with Mom and

1506

01:04:19,309 --> 01:04:16,440

Dad kind of losers and then they would

1507

01:04:22,190 --> 01:04:19,319

get upset because they asked out some 10

1508

01:04:23,990 --> 01:04:22,200

super hot girl who said not interested

1509

01:04:25,609 --> 01:04:24,000

you know what I mean like there's some

1510

01:04:28,549 --> 01:04:25,619

sort of Disconnect with some of these

1511

01:04:30,829 --> 01:04:28,559

guys like a social disconnect yeah right

1512

01:04:33,410 --> 01:04:30,839

like just socially awkward and

1513

01:04:35,150 --> 01:04:33,420

disconnected from from reality you know

1514

01:04:39,410 --> 01:04:35,160

you got to know what's within your realm

1515

01:04:41,210 --> 01:04:39,420

of possibility right right right like

1516

01:04:42,829 --> 01:04:41,220

um yeah yeah somebody out of your league

1517

01:04:45,109 --> 01:04:42,839

you got to be they're they're you got to

1518

01:04:48,109 --> 01:04:45,119

be like realistic about about certain

1519

01:04:50,150 --> 01:04:48,119

things in life this is just a weird

1520

01:04:53,210 --> 01:04:50,160

phenomenon and there are people who have

1521

01:04:55,549 --> 01:04:53,220

trouble like seeing that as like those

1522

01:04:57,349 --> 01:04:55,559

social dynamics that play out right yeah

1523

01:05:00,470 --> 01:04:57,359

and I mean I don't know me I've seen

1524

01:05:02,329 --> 01:05:00,480

guys who blame the women you know like I

1525

01:05:05,569 --> 01:05:02,339

remember one time I was somewhere and

1526

01:05:07,010 --> 01:05:05,579

this guy uh in a bar somewhere and he

1527

01:05:09,230 --> 01:05:07,020

was talking about this woman across the

1528

01:05:10,849 --> 01:05:09,240

bar like oh my God this woman's so

1529

01:05:12,950 --> 01:05:10,859

beautiful I want to marry her look at

1530

01:05:14,569 --> 01:05:12,960

her she's perfect and then he goes over

1531

01:05:16,849 --> 01:05:14,579

and talks to her and she blows him off

1532

01:05:19,609 --> 01:05:16,859

and he comes back to us and we go what

1533

01:05:22,970 --> 01:05:19,619

happened and he says she's a dyke you

1534

01:05:25,069 --> 01:05:22,980

know like just blame the woman it's her

1535

01:05:27,410 --> 01:05:25,079

fault that she's not interested and this

1536

01:05:29,809 --> 01:05:27,420

is a weird societal thing this in self

1537

01:05:31,430 --> 01:05:29,819

thing is is a recent phenomenon in the

1538

01:05:33,109 --> 01:05:31,440

last you know I don't know 10 or 20

1539

01:05:35,510 --> 01:05:33,119

years this popped up

1540

01:05:37,549 --> 01:05:35,520

and but it is kind of crazy that there's

1541

01:05:40,190 --> 01:05:37,559

forums where guys get together just to

1542

01:05:41,750 --> 01:05:40,200

hate on women it's you know you know

1543

01:05:44,809 --> 01:05:41,760

it's you know what's crazier

1544

01:05:46,150 --> 01:05:44,819

allegedly now that uh all this is

1545

01:05:49,190 --> 01:05:46,160

getting out

1546

01:05:51,530 --> 01:05:49,200

allegedly he's in jail right now and

1547

01:05:53,270 --> 01:05:51,540

he's getting Love Letters From dozens of

1548

01:05:55,549 --> 01:05:53,280

people

1549

01:05:58,970 --> 01:05:55,559

the yeah that's a strange phenomenon

1550

01:06:01,549 --> 01:05:58,980

soda Ted Bundy so did many serial

1551
01:06:03,710 --> 01:06:01,559
killers got fan lighters from attractive

1552
01:06:06,710 --> 01:06:03,720
females that wanted to start a

1553
01:06:08,870 --> 01:06:06,720
relationship with them Ted Bundy and all

1554
01:06:10,849 --> 01:06:08,880
these other serial killers it's so weird

1555
01:06:13,670 --> 01:06:10,859
that's a weird thing

1556
01:06:16,069 --> 01:06:13,680
like this guy yeah he's a suspect and

1557
01:06:18,589 --> 01:06:16,079
and you're gonna send him letters and

1558
01:06:20,329 --> 01:06:18,599
all this stuff it's it's I think Manson

1559
01:06:22,450 --> 01:06:20,339
as well right Manson

1560
01:06:25,069 --> 01:06:22,460
where he I think he uh he had a child

1561
01:06:27,230 --> 01:06:25,079
we'll take some comments and questions I

1562
01:06:29,630 --> 01:06:27,240
heard this as well Melinda says he was

1563
01:06:32,569 --> 01:06:29,640

messaging one of the victims repeatedly

1564

01:06:35,270 --> 01:06:32,579

and she didn't respond to him

1565

01:06:37,430 --> 01:06:35,280

so that could be again some kind of

1566

01:06:39,170 --> 01:06:37,440

spurned attempt at uh starting a

1567

01:06:40,010 --> 01:06:39,180

relationship with one of them that could

1568

01:06:43,370 --> 01:06:40,020

be

1569

01:06:46,670 --> 01:06:43,380

I mean I can't think of other other

1570

01:06:49,370 --> 01:06:46,680

motives for him the insult Theory seems

1571

01:06:51,410 --> 01:06:49,380

to fit the best from what I've heard

1572

01:06:54,950 --> 01:06:51,420

from you know now we have some of his

1573

01:06:58,490 --> 01:06:54,960

former friends even a former a girl that

1574

01:07:00,770 --> 01:06:58,500

he dated one time I heard like literally

1575

01:07:03,349 --> 01:07:00,780

everybody that ever knew this guy is

1576

01:07:06,230 --> 01:07:03,359

doing interviews now and most say that

1577

01:07:10,849 --> 01:07:06,240

he was very socially awkward arrogant

1578

01:07:11,870 --> 01:07:10,859

and uh had problems with women he was on

1579

01:07:14,510 --> 01:07:11,880

um

1580

01:07:16,250 --> 01:07:14,520

in a local bar he was on a troubled list

1581

01:07:18,890 --> 01:07:16,260

like this guy's a troubled Customer

1582

01:07:20,029 --> 01:07:18,900

because he was rude and nasty to the

1583

01:07:22,970 --> 01:07:20,039

female staff

1584

01:07:25,130 --> 01:07:22,980

or aggressive with them so he gets put

1585

01:07:28,789 --> 01:07:25,140

on a trouble list people are saying that

1586

01:07:31,430 --> 01:07:28,799

he's uh arrogant and uh socially awkward

1587

01:07:34,069 --> 01:07:31,440

has problems with women

1588

01:07:36,410 --> 01:07:34,079

um narcissism perhaps even right some

1589

01:07:39,770 --> 01:07:36,420

sort of uh racism but at the same time

1590

01:07:41,510 --> 01:07:39,780

some sort of uh social uh social like

1591

01:07:42,710 --> 01:07:41,520

and I don't want to say ineptitude I

1592

01:07:44,930 --> 01:07:42,720

don't think that's the correct word but

1593

01:07:46,849 --> 01:07:44,940

having trouble with relationships with

1594

01:07:49,970 --> 01:07:46,859

people and also having narcissistic

1595

01:07:53,089 --> 01:07:49,980

Tendencies at the same time uh possible

1596

01:07:55,670 --> 01:07:53,099

so possible

1597

01:07:57,529 --> 01:07:55,680

yeah this this is interesting some

1598

01:08:00,950 --> 01:07:57,539

people think he wanted to be caught or

1599

01:08:04,250 --> 01:08:00,960

at least accepted it he had to know as a

1600

01:08:06,349 --> 01:08:04,260

criminology PhD student you know he had

1601

01:08:08,990 --> 01:08:06,359

to know how difficult it is to get away

1602

01:08:11,870 --> 01:08:09,000

with something like this he had to know

1603

01:08:13,309 --> 01:08:11,880

you know you're always you're always

1604

01:08:15,410 --> 01:08:13,319

going to make a mistake I think a

1605

01:08:18,650 --> 01:08:15,420

mistake for him was that knife sheath

1606

01:08:21,169 --> 01:08:18,660

because even wearing gloves whatever you

1607

01:08:23,990 --> 01:08:21,179

might get a skin cell or something on

1608

01:08:25,610 --> 01:08:24,000

that knife sheath uh could this could

1609

01:08:27,410 --> 01:08:25,620

this be a thing like where he wanted to

1610

01:08:29,570 --> 01:08:27,420

get caught to feed his narcissism if he

1611

01:08:31,370 --> 01:08:29,580

is a narcissistic person possibly yeah

1612

01:08:34,309 --> 01:08:31,380

well apparently he was fascinated with

1613

01:08:37,189 --> 01:08:34,319

Killers like BTK and the Green River

1614

01:08:38,990 --> 01:08:37,199

Killer and others for all we know he was

1615

01:08:41,450 --> 01:08:39,000

a big fan of

1616

01:08:45,530 --> 01:08:41,460

serial killers and plan to be one and

1617

01:08:48,709 --> 01:08:45,540

this was his first attempt at it but I

1618

01:08:51,289 --> 01:08:48,719

still find it uh I still find it odd if

1619

01:08:53,570 --> 01:08:51,299

this was his first murder that he killed

1620

01:08:56,090 --> 01:08:53,580

four people at once that's a hell of a

1621

01:08:59,809 --> 01:08:56,100

hell of any you would have to be this

1622

01:09:01,729 --> 01:08:59,819

guy has to be arrogant to think that he

1623

01:09:03,590 --> 01:09:01,739

he's going to kill four people and

1624

01:09:07,370 --> 01:09:03,600

somehow get away with it perhaps through

1625

01:09:09,229 --> 01:09:07,380

his knowledge of criminology and uh you

1626
01:09:11,090 --> 01:09:09,239
know we've got statements from the the

1627
01:09:13,490 --> 01:09:11,100
lawyers which basically said he's

1628
01:09:15,110 --> 01:09:13,500
anxious to get back to Idaho and prove

1629
01:09:18,890 --> 01:09:15,120
his innocence so he waived his

1630
01:09:21,709 --> 01:09:18,900
extradition hearing which I I don't know

1631
01:09:23,209 --> 01:09:21,719
what we can take from that but

1632
01:09:24,890 --> 01:09:23,219
extradition hearing is kind of a

1633
01:09:27,110 --> 01:09:24,900
formality they were going to extradite

1634
01:09:29,870 --> 01:09:27,120
him so maybe he just chose to get it

1635
01:09:31,430 --> 01:09:29,880
over with and just agree to go back but

1636
01:09:34,189 --> 01:09:31,440
through his lawyer he said he was

1637
01:09:35,930 --> 01:09:34,199
anxious to get back to Idaho and prove

1638
01:09:37,130 --> 01:09:35,940

his innocence and that he was shocked at

1639

01:09:39,349 --> 01:09:37,140

his arrest

1640

01:09:43,729 --> 01:09:39,359

so he's got to have some kind of the

1641

01:09:46,370 --> 01:09:43,739

defense plan here right could he might

1642

01:09:49,550 --> 01:09:46,380

well honestly I sent you I sent you an

1643

01:09:51,950 --> 01:09:49,560

image where he did not answer whether he

1644

01:09:53,930 --> 01:09:51,960

was coerced or not

1645

01:09:55,970 --> 01:09:53,940

um in in whatever statements that he

1646

01:09:57,830 --> 01:09:55,980

made so maybe that might be part of his

1647

01:10:00,050 --> 01:09:57,840

defense to say that he was coerced into

1648

01:10:02,030 --> 01:10:00,060

doing this and say that he acted alone

1649

01:10:03,770 --> 01:10:02,040

or that he didn't act alone or that he

1650

01:10:05,930 --> 01:10:03,780

may have been an accessory to it under

1651

01:10:08,150 --> 01:10:05,940

yeah that's another interesting point

1652

01:10:10,910 --> 01:10:08,160

when he was arrested he asked the police

1653

01:10:13,250 --> 01:10:10,920

if they arrested anyone else

1654

01:10:14,450 --> 01:10:13,260

now that may be him trying to throw off

1655

01:10:17,090 --> 01:10:14,460

the police

1656

01:10:20,209 --> 01:10:17,100

but it's very possible that he didn't

1657

01:10:22,669 --> 01:10:20,219

act alone because four people murdering

1658

01:10:25,130 --> 01:10:22,679

four people maybe he had maybe two guys

1659

01:10:28,189 --> 01:10:25,140

went in and he was one of them we don't

1660

01:10:30,830 --> 01:10:28,199

know yet but more will be coming out as

1661

01:10:31,750 --> 01:10:30,840

the case progresses right

1662

01:10:33,490 --> 01:10:31,760

yeah yeah

1663

01:10:36,950 --> 01:10:33,500

Anthony Anthony

1664

01:10:39,470 --> 01:10:36,960

is a retired police officer so he has

1665

01:10:41,209 --> 01:10:39,480

some insight and he says thank God they

1666

01:10:44,030 --> 01:10:41,219

caught this guy he could have gone on a

1667

01:10:46,010 --> 01:10:44,040

rampage yeah I mean it could have been a

1668

01:10:49,070 --> 01:10:46,020

mass shooting next you know or or

1669

01:10:51,590 --> 01:10:49,080

something if you imagine what he would

1670

01:10:53,570 --> 01:10:51,600

do if he wasn't arrested he he would

1671

01:10:55,669 --> 01:10:53,580

think I just got away with murdering

1672

01:10:57,410 --> 01:10:55,679

four people maybe next time I'll kill

1673

01:11:00,410 --> 01:10:57,420

eight people or something this could

1674

01:11:02,450 --> 01:11:00,420

have gone a whole different way right

1675

01:11:05,630 --> 01:11:02,460

well people were hesitant to come back

1676

01:11:08,990 --> 01:11:05,640

to class or the for the new semester or

1677

01:11:11,330 --> 01:11:09,000

even yeah Brian coburger is the name of

1678

01:11:14,390 --> 01:11:11,340

the suspect arrested and we want to

1679

01:11:16,910 --> 01:11:14,400

stress of course for legal reasons that

1680

01:11:19,189 --> 01:11:16,920

all parties discussed here are innocent

1681

01:11:21,590 --> 01:11:19,199

until proven guilty in a court of law he

1682

01:11:24,229 --> 01:11:21,600

has been arrested for the crime of

1683

01:11:27,530 --> 01:11:24,239

multiple crimes of murder but he has not

1684

01:11:29,270 --> 01:11:27,540

been convicted or found guilty yet and

1685

01:11:32,450 --> 01:11:29,280

uh Aaron says the case should begin

1686

01:11:34,130 --> 01:11:32,460

around June is that going to be boy do

1687

01:11:35,510 --> 01:11:34,140

you think this case is good I think it's

1688

01:11:37,790 --> 01:11:35,520

going to be a huge this is going to be

1689

01:11:40,850 --> 01:11:37,800

the biggest murder case televised murder

1690

01:11:44,470 --> 01:11:40,860

case probably since O.J

1691

01:11:47,870 --> 01:11:44,480

that's crazy for a small town like this

1692

01:11:52,850 --> 01:11:47,880

uh that's uh yeah I'm sorry his words

1693

01:11:58,310 --> 01:11:55,070

Ah that's that's very arrogant or

1694

01:12:04,250 --> 01:11:58,320

narcissistic of uh if if

1695

01:12:09,649 --> 01:12:06,770

James Holt or James Holmes serial killer

1696

01:12:12,110 --> 01:12:09,659

with a llama fetish that's weird Jimmy's

1697

01:12:14,390 --> 01:12:12,120

llama is a key related blogger with a

1698

01:12:16,669 --> 01:12:14,400

crush on him just weird yeah

1699

01:12:19,250 --> 01:12:16,679

uh

1700

01:12:21,189 --> 01:12:19,260

yeah I I I'm wondering what's gonna

1701

01:12:24,229 --> 01:12:21,199

happen next because

1702

01:12:26,030 --> 01:12:24,239

also we should also be aware right Aaron

1703

01:12:28,490 --> 01:12:26,040

that this probably all the information

1704

01:12:30,709 --> 01:12:28,500

about the forensic evidence and the

1705

01:12:33,649 --> 01:12:30,719

evidence that they have against him

1706

01:12:36,649 --> 01:12:33,659

wasn't in that probable cause affidavit

1707

01:12:38,810 --> 01:12:36,659

they've got a lot more I think they do

1708

01:12:40,490 --> 01:12:38,820

they do but they're not going to release

1709

01:12:43,070 --> 01:12:40,500

it and they can't there's there's

1710

01:12:45,350 --> 01:12:43,080

there's an order for no but no parties

1711

01:12:48,530 --> 01:12:45,360

can say anything so for the moment what

1712

01:12:50,090 --> 01:12:48,540

we got is what we got right and yeah

1713

01:12:52,310 --> 01:12:50,100

we're not going to get more information

1714

01:12:54,110 --> 01:12:52,320

until the case Begins the case is

1715

01:12:55,669 --> 01:12:54,120

actually going forward anything going

1716

01:12:58,970 --> 01:12:55,679

forward might be people trying to

1717

01:13:03,410 --> 01:12:58,980

mislead or have uh

1718

01:13:09,229 --> 01:13:05,810

yeah uh Blacklist that says people

1719

01:13:12,470 --> 01:13:09,239

Revere serial killers it's quite sick

1720

01:13:15,890 --> 01:13:12,480

yeah and and also you know for all we

1721

01:13:19,250 --> 01:13:15,900

know that America's fascination with uh

1722

01:13:21,770 --> 01:13:19,260

serial killers may be what caused this

1723

01:13:26,390 --> 01:13:21,780

guy to do this uh you got to imagine

1724

01:13:29,209 --> 01:13:26,400

this guy being so narcissistic and

1725

01:13:32,270 --> 01:13:29,219

um arrogant maybe thought he would get

1726

01:13:35,090 --> 01:13:32,280

away with it and be famous as a serial

1727

01:13:37,970 --> 01:13:35,100

killer like some of his if it's true

1728

01:13:40,610 --> 01:13:37,980

that he was so interested in this BTK

1729

01:13:42,950 --> 01:13:40,620

there's even some information BTK

1730

01:13:45,350 --> 01:13:42,960

Killer's daughter said that he may have

1731

01:13:47,510 --> 01:13:45,360

been in contact with her her father

1732

01:13:49,910 --> 01:13:47,520

so he may be he may have been writing

1733

01:13:52,910 --> 01:13:49,920

letters to serial killers in prison and

1734

01:13:55,790 --> 01:13:52,920

talking to them and you know that might

1735

01:13:58,130 --> 01:13:55,800

I can imagine yeah I can imagine though

1736

01:14:00,110 --> 01:13:58,140

that if a if a serial killer sitting in

1737

01:14:01,850 --> 01:14:00,120

prison bored and somebody writes him and

1738

01:14:03,830 --> 01:14:01,860

says hey I'm a PhD student in

1739

01:14:05,689 --> 01:14:03,840

criminology I'm interested in your case

1740

01:14:07,250 --> 01:14:05,699

they could strike up a relationship very

1741

01:14:10,310 --> 01:14:07,260

quickly and easily

1742

01:14:12,649 --> 01:14:10,320

you know right

1743

01:14:14,870 --> 01:14:12,659

do you think if he wasn't if he is the

1744

01:14:16,550 --> 01:14:14,880

murderer and he wasn't caught there

1745

01:14:17,570 --> 01:14:16,560

would have been more murders in your

1746

01:14:19,910 --> 01:14:17,580

area

1747

01:14:22,669 --> 01:14:19,920

wow that's a good

1748

01:14:24,470 --> 01:14:22,679

question

1749

01:14:26,209 --> 01:14:24,480

um it's that

1750

01:14:27,410 --> 01:14:26,219

if he's the one that did it and he

1751

01:14:29,090 --> 01:14:27,420

wasn't caught

1752

01:14:30,830 --> 01:14:29,100

there could have been more there could

1753

01:14:32,570 --> 01:14:30,840

have been more because it's not it

1754

01:14:34,790 --> 01:14:32,580

doesn't seem like the the type to just

1755

01:14:36,649 --> 01:14:34,800

go somewhere else right it almost seems

1756

01:14:38,149 --> 01:14:36,659

like he wants to be caught

1757

01:14:40,189 --> 01:14:38,159

so maybe he could have kept doing until

1758

01:14:42,709 --> 01:14:40,199

he got caught but we don't we don't know

1759

01:14:44,990 --> 01:14:42,719

that um

1760

01:14:46,490 --> 01:14:45,000

yeah that's pretty interesting

1761

01:14:48,950 --> 01:14:46,500

well

1762

01:14:51,050 --> 01:14:48,960

um did you do you recall ever seeing him

1763

01:14:53,410 --> 01:14:51,060

around your campus though did he look

1764

01:14:57,290 --> 01:14:53,420

familiar to you when you saw his arrest

1765

01:14:59,630 --> 01:14:57,300

no because he's it's WSU I've never I've

1766

01:15:01,310 --> 01:14:59,640

never attended WSU those are like two

1767

01:15:04,130 --> 01:15:01,320

universities that are rival universities

1768

01:15:05,870 --> 01:15:04,140

right so WSU is like 15 minutes down the

1769

01:15:08,689 --> 01:15:05,880

road it's a whole nother town with like

1770

01:15:10,070 --> 01:15:08,699

30 000 people in it and this town is a

1771

01:15:13,250 --> 01:15:10,080

little smaller than that and it's it's

1772

01:15:15,410 --> 01:15:13,260

it's another University uh so yeah and

1773

01:15:17,750 --> 01:15:15,420

Kalani is confirming what you said they

1774

01:15:21,410 --> 01:15:17,760

didn't find much in his apartment or in

1775

01:15:23,870 --> 01:15:21,420

his WSU office just some hairs and some

1776

01:15:26,810 --> 01:15:23,880

cold stained things like a pillow no

1777

01:15:28,490 --> 01:15:26,820

knife of any sort pocket kitchen EDC

1778

01:15:31,370 --> 01:15:28,500

that he didn't even have kitchen knives

1779

01:15:32,870 --> 01:15:31,380

in his apartment that's weird no shoes

1780

01:15:35,030 --> 01:15:32,880

no clothes

1781

01:15:36,890 --> 01:15:35,040

wow that's interesting why would he have

1782

01:15:39,050 --> 01:15:36,900

no shoes or no clothes in his apartment

1783

01:15:42,110 --> 01:15:39,060

most people have clothes and shoes where

1784

01:15:44,270 --> 01:15:42,120

they live and no kitchen knife

1785

01:15:47,090 --> 01:15:44,280

he got rid of the kitchen knives that's

1786

01:15:52,669 --> 01:15:50,209

this that's very very strange very very

1787

01:15:55,430 --> 01:15:52,679

strange and you know I think it's really

1788

01:15:58,250 --> 01:15:55,440

eerie if it is true

1789

01:16:01,550 --> 01:15:58,260

if we look at this from the lens of a

1790

01:16:04,669 --> 01:16:01,560

killer the fact that he was teaching

1791

01:16:07,130 --> 01:16:04,679

classes in criminology where the

1792

01:16:08,030 --> 01:16:07,140

students were discussing the case of the

1793

01:16:10,550 --> 01:16:08,040

murder

1794

01:16:14,450 --> 01:16:10,560

even asking him what he thought about it

1795

01:16:16,310 --> 01:16:14,460

right and he's the murderer and then

1796

01:16:19,490 --> 01:16:16,320

people are discussing these murders

1797

01:16:22,729 --> 01:16:19,500

online on Reddit and other websites and

1798

01:16:24,530 --> 01:16:22,739

he is allegedly going on to Reddit and

1799

01:16:26,750 --> 01:16:24,540

correcting people

1800

01:16:29,030 --> 01:16:26,760

you know about how the murders took

1801
01:16:30,110 --> 01:16:29,040
place and the details of who was killed

1802
01:16:33,290 --> 01:16:30,120
first

1803
01:16:35,390 --> 01:16:33,300
that's pretty arrogant and pretty Eerie

1804
01:16:37,250 --> 01:16:35,400
right it's almost like you couldn't help

1805
01:16:39,229 --> 01:16:37,260
himself if he's the one that did it and

1806
01:16:41,030 --> 01:16:39,239
he's like well no no no I'm going to

1807
01:16:43,070 --> 01:16:41,040
tell you how it happened right like

1808
01:16:45,350 --> 01:16:43,080
can't help yeah

1809
01:16:47,209 --> 01:16:45,360
yeah and and uh Melinda's here and says

1810
01:16:50,149 --> 01:16:47,219
he applied to be a researcher with the

1811
01:16:53,930 --> 01:16:50,159
Moscow police that came out recently

1812
01:16:56,390 --> 01:16:53,940
you know yeah that's

1813
01:16:58,669 --> 01:16:56,400

pretty crazy right well I wouldn't want

1814

01:17:00,410 --> 01:16:58,679

him to be a cop Sandy Smith says I

1815

01:17:02,390 --> 01:17:00,420

wonder if the victims were restrained in

1816

01:17:05,149 --> 01:17:02,400

any fashion it would have been very

1817

01:17:06,890 --> 01:17:05,159

difficult to it not uh have at least one

1818

01:17:10,130 --> 01:17:06,900

escaping when his attention was

1819

01:17:13,430 --> 01:17:10,140

elsewhere well apparently not that I'm

1820

01:17:15,530 --> 01:17:13,440

aware of but that could be the case it

1821

01:17:17,810 --> 01:17:15,540

appears that he took him out one at a

1822

01:17:19,970 --> 01:17:17,820

time and they were sleeping and may have

1823

01:17:23,510 --> 01:17:19,980

been all four of them may have been

1824

01:17:25,010 --> 01:17:23,520

intoxicated in the morning yeah four in

1825

01:17:27,530 --> 01:17:25,020

the morning after a long night of

1826

01:17:30,350 --> 01:17:27,540

drinking sort of passed out drunk in

1827

01:17:33,649 --> 01:17:30,360

their beds and Along Comes this guy and

1828

01:17:36,110 --> 01:17:33,659

apparently kills them one by one

1829

01:17:38,090 --> 01:17:36,120

um but it is Eerie the other the other

1830

01:17:39,890 --> 01:17:38,100

Eerie thing is that

1831

01:17:41,990 --> 01:17:39,900

the surviving

1832

01:17:43,669 --> 01:17:42,000

um roommates on the first floor she

1833

01:17:45,770 --> 01:17:43,679

heard some things came out of her room a

1834

01:17:48,050 --> 01:17:45,780

bunch of times and the last time she

1835

01:17:50,750 --> 01:17:48,060

came out of her room she saw what she

1836

01:17:54,649 --> 01:17:50,760

thought was a black figure with a mask

1837

01:17:57,410 --> 01:17:54,659

on run by her door and or walked by her

1838

01:17:59,990 --> 01:17:57,420

door I don't know if he saw her or not

1839

01:18:02,270 --> 01:18:00,000

but she saw him and then he went out the

1840

01:18:04,610 --> 01:18:02,280

sliding glass doors which is apparently

1841

01:18:06,770 --> 01:18:04,620

the way that he made entry to the home

1842

01:18:08,630 --> 01:18:06,780

and then she locked her door and went

1843

01:18:11,330 --> 01:18:08,640

back to bed and a lot she's getting a

1844

01:18:13,490 --> 01:18:11,340

lot of heat from people the defense is

1845

01:18:16,070 --> 01:18:13,500

going to use that a lot because it's

1846

01:18:17,750 --> 01:18:16,080

like well you know why maybe she had

1847

01:18:19,490 --> 01:18:17,760

something to do with it why did the why

1848

01:18:22,070 --> 01:18:19,500

were the cops called until noon the next

1849

01:18:24,950 --> 01:18:22,080

day yeah right so it is a little strange

1850

01:18:26,990 --> 01:18:24,960

but you also have to remember that that

1851

01:18:29,689 --> 01:18:27,000

girl may have been intoxicated that girl

1852

01:18:31,729 --> 01:18:29,699

may have been on drugs and just scared

1853

01:18:33,590 --> 01:18:31,739

or maybe she thought it was sort of a

1854

01:18:35,149 --> 01:18:33,600

prank like I said if you've ever been to

1855

01:18:37,370 --> 01:18:35,159

a college party house there's people

1856

01:18:39,649 --> 01:18:37,380

coming in and out maybe wearing masks

1857

01:18:41,510 --> 01:18:39,659

like I mentioned I was at a college

1858

01:18:43,729 --> 01:18:41,520

party house once and suddenly there was

1859

01:18:46,310 --> 01:18:43,739

a donkey walking through the house so

1860

01:18:49,189 --> 01:18:46,320

strange things happen maybe she you know

1861

01:18:51,290 --> 01:18:49,199

in her defense maybe and I'm sure she's

1862

01:18:53,030 --> 01:18:51,300

really broken up about this because yeah

1863

01:18:55,850 --> 01:18:53,040

if she had called the police right away

1864

01:18:57,290 --> 01:18:55,860

maybe some of the victims hadn't died

1865

01:18:59,990 --> 01:18:57,300

yet and they could have got medical

1866

01:19:02,630 --> 01:19:00,000

attention and survived so I'm sure that

1867

01:19:04,550 --> 01:19:02,640

she's ridden with guilt over not calling

1868

01:19:06,290 --> 01:19:04,560

sooner but she may have been attacked

1869

01:19:07,850 --> 01:19:06,300

intoxicated she may have thought it was

1870

01:19:10,189 --> 01:19:07,860

a prank there was parties there

1871

01:19:13,790 --> 01:19:10,199

constantly maybe it's somebody coming in

1872

01:19:16,729 --> 01:19:13,800

or out maybe it's a maybe she thought

1873

01:19:20,630 --> 01:19:16,739

maybe it was a you know a mask like uh

1874

01:19:23,390 --> 01:19:20,640

like a coveted mask not a you know ski

1875

01:19:26,209 --> 01:19:23,400

mask she was intoxicated she locked her

1876

01:19:28,910 --> 01:19:26,219

door went to bed and the victims weren't

1877

01:19:30,950 --> 01:19:28,920

found until later that day around noon

1878

01:19:33,229 --> 01:19:30,960

right Aaron it was supposedly two people

1879

01:19:34,550 --> 01:19:33,239

that were in in the house it's a

1880

01:19:37,189 --> 01:19:34,560

three-story house and the thing that's

1881

01:19:39,770 --> 01:19:37,199

surprising about the house is how small

1882

01:19:41,810 --> 01:19:39,780

the square area of the the floors are

1883

01:19:43,370 --> 01:19:41,820

himself it's not a very big house it's

1884

01:19:45,649 --> 01:19:43,380

probably about the size of a two-bedroom

1885

01:19:48,290 --> 01:19:45,659

apartment except like three stories tall

1886

01:19:49,850 --> 01:19:48,300

yeah like we call that a trinity in

1887

01:19:52,189 --> 01:19:49,860

Philadelphia from where I'm from it's

1888

01:19:53,990 --> 01:19:52,199

like one room one room one room you know

1889

01:19:55,550 --> 01:19:54,000

yeah but it's like a two bedroom

1890

01:19:57,950 --> 01:19:55,560

apartment on each floor maybe a little

1891

01:20:00,890 --> 01:19:57,960

less even it's it's not it's not that

1892

01:20:03,410 --> 01:20:00,900

big which is uh right and it is a lot of

1893

01:20:05,810 --> 01:20:03,420

people like the next lot has like 100

1894

01:20:07,850 --> 01:20:05,820

people living in apartment complex and

1895

01:20:09,550 --> 01:20:07,860

then there's so many people around there

1896

01:20:12,890 --> 01:20:09,560

like somebody must have heard something

1897

01:20:16,610 --> 01:20:12,900

but nobody I mean only the two people

1898

01:20:18,290 --> 01:20:16,620

that were left alive uh upstairs claimed

1899

01:20:19,790 --> 01:20:18,300

to have heard something but that was I

1900

01:20:21,950 --> 01:20:19,800

mean again the defense will use like why

1901

01:20:23,570 --> 01:20:21,960

didn't they call the cops what did they

1902

01:20:26,030 --> 01:20:23,580

have something to do with it right but

1903

01:20:28,550 --> 01:20:26,040

they must be catching a lot of heat yeah

1904

01:20:31,910 --> 01:20:28,560

and that's honestly what I'm aware I I

1905

01:20:34,370 --> 01:20:31,920

worry when I see only the evidence and

1906

01:20:36,169 --> 01:20:34,380

the probable cause after affidavit but

1907

01:20:38,030 --> 01:20:36,179

again I was reminded by somebody that's

1908

01:20:39,890 --> 01:20:38,040

in law enforcement oh no he told me oh

1909

01:20:42,110 --> 01:20:39,900

no Steve and they've got a lot more they

1910

01:20:43,970 --> 01:20:42,120

don't put everything in there they wait

1911

01:20:45,950 --> 01:20:43,980

until the trial they've got a lot more

1912

01:20:47,630 --> 01:20:45,960

on that guy than they put they put just

1913

01:20:49,910 --> 01:20:47,640

enough in the probable cause after David

1914

01:20:52,310 --> 01:20:49,920

to get the judge to sign off on the

1915

01:20:53,930 --> 01:20:52,320

arrest you know they only have to show

1916

01:20:56,209 --> 01:20:53,940

enough that there's probable cause for

1917

01:20:59,030 --> 01:20:56,219

the arrest they have more information

1918

01:21:01,910 --> 01:20:59,040

but I'm very concerned with with

1919

01:21:04,130 --> 01:21:01,920

Reasonable Doubt because

1920

01:21:06,470 --> 01:21:04,140

you know like I said he could say oh

1921

01:21:08,570 --> 01:21:06,480

that murder sheath with my skin cells on

1922

01:21:11,330 --> 01:21:08,580

it somebody stole that from me it was

1923

01:21:13,310 --> 01:21:11,340

taken out of my car I dropped it when I

1924

01:21:15,110 --> 01:21:13,320

was hiking whatever he could say

1925

01:21:17,270 --> 01:21:15,120

anything and he could try to explain

1926

01:21:19,250 --> 01:21:17,280

away those

1927

01:21:22,189 --> 01:21:19,260

um his car being near the scene of the

1928

01:21:24,110 --> 01:21:22,199

crime 12 times as you know anything oh I

1929

01:21:27,890 --> 01:21:24,120

I have insomnia I drive around at night

1930

01:21:29,110 --> 01:21:27,900

or whatever all it takes is one you know

1931

01:21:33,530 --> 01:21:29,120

uh

1932

01:21:36,890 --> 01:21:33,540

one member of the jury to be not sure

1933

01:21:38,630 --> 01:21:36,900

you know to to for him to get off but

1934

01:21:41,450 --> 01:21:38,640

I'm hopeful that they have a lot more

1935

01:21:43,189 --> 01:21:41,460

evidence and they'll get more evidence I

1936

01:21:46,370 --> 01:21:43,199

think that heard that because there was

1937

01:21:48,950 --> 01:21:46,380

concerns uh regarding getting a not

1938

01:21:50,689 --> 01:21:48,960

biased jury like there's not a lot of

1939

01:21:53,330 --> 01:21:50,699

people in this town and a lot of people

1940

01:21:55,130 --> 01:21:53,340

feel very strongly about this so if it's

1941

01:21:57,890 --> 01:21:55,140

going to be like a lay talk County jury

1942

01:21:59,390 --> 01:21:57,900

would it be a fair jury there was some

1943

01:22:00,830 --> 01:21:59,400

discussion about that I'm not exactly

1944

01:22:02,750 --> 01:22:00,840

sure how the laws work in this state

1945

01:22:04,790 --> 01:22:02,760

they may move it yeah they may move it

1946

01:22:06,830 --> 01:22:04,800

it's a different venue they may move it

1947

01:22:09,050 --> 01:22:06,840

to a different venue right they might

1948

01:22:13,250 --> 01:22:09,060

move it down to Boise and then I mean

1949

01:22:14,750 --> 01:22:13,260

and then that might come right archaic

1950

01:22:18,050 --> 01:22:14,760

revival see this is what I'm talking

1951

01:22:19,970 --> 01:22:18,060

about so you gotta what what I think is

1952

01:22:21,770 --> 01:22:19,980

that surviving victim is going to be

1953

01:22:23,689 --> 01:22:21,780

suffering from tremendous survivors

1954

01:22:25,310 --> 01:22:23,699

guilt and she's going to feel terrible

1955

01:22:27,709 --> 01:22:25,320

for the rest of her life for not having

1956

01:22:30,410 --> 01:22:27,719

called the police right away or whatever

1957

01:22:32,390 --> 01:22:30,420

or can't Revival was at a college party

1958

01:22:36,050 --> 01:22:32,400

and a dude walked in wearing mirrored

1959

01:22:38,090 --> 01:22:36,060

scale male asses chaps so weird things

1960

01:22:40,310 --> 01:22:38,100

happen in these college party houses all

1961

01:22:42,590 --> 01:22:40,320

the time she may have just

1962

01:22:44,810 --> 01:22:42,600

certainly I'm sure the first thing that

1963

01:22:46,610 --> 01:22:44,820

popped in her head wasn't a murderer

1964

01:22:50,209 --> 01:22:46,620

came in here and killed all my roommates

1965

01:22:52,490 --> 01:22:50,219

just now you know it's it's unfortunate

1966

01:22:55,669 --> 01:22:52,500

but uh

1967

01:22:57,950 --> 01:22:55,679

yeah it's just but how Eerie must it

1968

01:22:59,510 --> 01:22:57,960

must that woman feel the next day

1969

01:23:01,910 --> 01:22:59,520

knowing that all those people were

1970

01:23:03,169 --> 01:23:01,920

killed and for those unaware the

1971

01:23:05,810 --> 01:23:03,179

roommates thought that they were

1972

01:23:07,550 --> 01:23:05,820

unconscious or or something they knocked

1973

01:23:10,310 --> 01:23:07,560

on their doors and nobody answered

1974

01:23:12,410 --> 01:23:10,320

upstairs right and the other areas of

1975

01:23:15,290 --> 01:23:12,420

the house right and they were concerned

1976

01:23:17,510 --> 01:23:15,300

so they called the police and the police

1977

01:23:20,149 --> 01:23:17,520

arrived the another thing that the

1978

01:23:22,910 --> 01:23:20,159

defense could use is uh the 9-1-1 call

1979

01:23:25,149 --> 01:23:22,920

wasn't over uh concerns of a homicide it

1980

01:23:28,070 --> 01:23:25,159

was over concerns of uh

1981

01:23:29,870 --> 01:23:28,080

non-responsiveness right but yeah you're

1982

01:23:32,450 --> 01:23:29,880

not gonna like realize that some you

1983

01:23:34,490 --> 01:23:32,460

know I mean the graphic details of the

1984

01:23:35,450 --> 01:23:34,500

aftermath of what happened like how are

1985

01:23:37,370 --> 01:23:35,460

you not going to notice those those

1986

01:23:39,350 --> 01:23:37,380

details right like why would you say

1987

01:23:41,270 --> 01:23:39,360

that that person was

1988

01:23:43,729 --> 01:23:41,280

um not responsive why can't you say well

1989

01:23:46,010 --> 01:23:43,739

I see a bunch of red everywhere right

1990

01:23:48,169 --> 01:23:46,020

and then that was that that could be

1991

01:23:50,570 --> 01:23:48,179

used as well by the defense

1992

01:23:52,790 --> 01:23:50,580

yeah Wesley says he could have given the

1993

01:23:54,890 --> 01:23:52,800

real killer the knife to use

1994

01:23:56,750 --> 01:23:54,900

and he asked if anyone else has been

1995

01:23:58,669 --> 01:23:56,760

arrested not knowing the killer made a

1996

01:24:01,010 --> 01:23:58,679

mistake leaving the knife cover behind

1997

01:24:03,590 --> 01:24:01,020

could be and a lot of people have

1998

01:24:05,510 --> 01:24:03,600

suggested that he left that knife sheath

1999

01:24:08,510 --> 01:24:05,520

on purpose to throw off the police

2000

01:24:11,270 --> 01:24:08,520

because it was the U.S Marines uh sheath

2001
01:24:13,250 --> 01:24:11,280
and he wasn't a U.S marine so maybe drop

2002
01:24:14,930 --> 01:24:13,260
that on purpose so the police think that

2003
01:24:17,330 --> 01:24:14,940
it's uh somebody in the military was

2004
01:24:20,570 --> 01:24:17,340
involved there's so many possibilities

2005
01:24:22,189 --> 01:24:20,580
that this case makes my head spin and

2006
01:24:24,649 --> 01:24:22,199
and not about you Aaron but I just want

2007
01:24:26,450 --> 01:24:24,659
to get to the to the trial and hear all

2008
01:24:28,189 --> 01:24:26,460
the information and it's very you're

2009
01:24:31,189 --> 01:24:28,199
right this gag order is very frustrating

2010
01:24:32,990 --> 01:24:31,199
because it leads to a lot of

2011
01:24:34,490 --> 01:24:33,000
misinformation out there and we don't

2012
01:24:35,990 --> 01:24:34,500
know if what we're hearing is accurate

2013
01:24:38,750 --> 01:24:36,000

in many cases

2014

01:24:41,090 --> 01:24:38,760

and uh I I just want to hear the case

2015

01:24:43,490 --> 01:24:41,100

and get all of the information out there

2016

01:24:47,510 --> 01:24:43,500

but I understand you know they got to

2017

01:24:49,310 --> 01:24:47,520

keep it I will give you one last bit of

2018

01:24:52,010 --> 01:24:49,320

uh just kind of like an irrelevant Point

2019

01:24:54,229 --> 01:24:52,020

almost uh right around like a day or two

2020

01:24:57,950 --> 01:24:54,239

after it happened like I frequent the

2021

01:24:59,149 --> 01:24:57,960

local gas station at around 12 30 quite

2022

01:25:01,310 --> 01:24:59,159

often

2023

01:25:03,649 --> 01:25:01,320

um and there were I was talking to the

2024

01:25:07,010 --> 01:25:03,659

cashier there and she said that they

2025

01:25:09,229 --> 01:25:07,020

found a bag with blood in the in in the

2026

01:25:11,510 --> 01:25:09,239

garbage can and they called the Moscow

2027

01:25:13,250 --> 01:25:11,520

PD to check it out they're not you know

2028

01:25:15,530 --> 01:25:13,260

but it's probably like hunting related

2029

01:25:17,570 --> 01:25:15,540

somebody probably went home oh that's

2030

01:25:19,310 --> 01:25:17,580

gross yeah right and they probably could

2031

01:25:21,770 --> 01:25:19,320

be related yeah it could be related

2032

01:25:23,750 --> 01:25:21,780

right so it's like you know imagine if

2033

01:25:25,490 --> 01:25:23,760

that happened where like after it

2034

01:25:27,649 --> 01:25:25,500

happened he dropped like a bag full of

2035

01:25:29,689 --> 01:25:27,659

blood in uh in the garbage can at the

2036

01:25:31,010 --> 01:25:29,699

gas station right and they ended up

2037

01:25:33,229 --> 01:25:31,020

calling the police over it but it's

2038

01:25:35,750 --> 01:25:33,239

probably just hunting related but that's

2039

01:25:39,770 --> 01:25:35,760

something to keep in mind as well

2040

01:25:41,810 --> 01:25:39,780

yeah yeah well Aaron what is uh we'll

2041

01:25:44,270 --> 01:25:41,820

close with this what is the mood around

2042

01:25:46,370 --> 01:25:44,280

the campus now that they've arrested the

2043

01:25:48,890 --> 01:25:46,380

suspect is everybody taking like sort of

2044

01:25:50,630 --> 01:25:48,900

breathe the sigh of relief is the

2045

01:25:52,790 --> 01:25:50,640

general consensus that they got the

2046

01:25:56,570 --> 01:25:52,800

right guy and everybody

2047

01:25:58,970 --> 01:25:56,580

feels a little safer now or or what what

2048

01:26:02,149 --> 01:25:58,980

is it like no I would I would say that's

2049

01:26:04,490 --> 01:26:02,159

about it yeah I think most people are

2050

01:26:07,010 --> 01:26:04,500

are pretty convinced at this point uh

2051

01:26:09,470 --> 01:26:07,020

but regard you know giving what's been

2052

01:26:13,669 --> 01:26:09,480

put out so far most people are convinced

2053

01:26:15,830 --> 01:26:13,679

that the suspect will be found guilty uh

2054

01:26:17,930 --> 01:26:15,840

but every the atmosphere has calm down

2055

01:26:20,330 --> 01:26:17,940

there are like I still go to the library

2056

01:26:22,370 --> 01:26:20,340

every night and come back there are no

2057

01:26:25,370 --> 01:26:22,380

more State Police there are no more cops

2058

01:26:27,709 --> 01:26:25,380

there are police presence has has ramped

2059

01:26:29,830 --> 01:26:27,719

down since the arrest there's no there's

2060

01:26:32,390 --> 01:26:29,840

no police almost anywhere like anymore

2061

01:26:34,490 --> 01:26:32,400

everybody's calm now about it

2062

01:26:36,590 --> 01:26:34,500

everybody's certain that that person is

2063

01:26:38,810 --> 01:26:36,600

is the correct person that they got yeah

2064

01:26:41,750 --> 01:26:38,820

generally yeah

2065

01:26:44,450 --> 01:26:41,760

yeah well well good I hope that they did

2066

01:26:46,610 --> 01:26:44,460

get the right guy and I I for one sure

2067

01:26:48,229 --> 01:26:46,620

hope that he's convicted I mean there's

2068

01:26:50,930 --> 01:26:48,239

always a possibility there won't be a

2069

01:26:53,090 --> 01:26:50,940

trial if if they if there's gonna be is

2070

01:26:55,850 --> 01:26:53,100

do you know in Idaho is there the death

2071

01:26:58,010 --> 01:26:55,860

penalty yes that's on the table right

2072

01:27:00,169 --> 01:26:58,020

now so that's why you kill four people

2073

01:27:01,970 --> 01:27:00,179

you're get you you've got a real good

2074

01:27:03,890 --> 01:27:01,980

possibility of the death penalty you

2075

01:27:05,330 --> 01:27:03,900

know he qualifies he qualifies for a

2076

01:27:07,610 --> 01:27:05,340

death penalty about three times over

2077

01:27:08,930 --> 01:27:07,620

right now because it was uh if you kill

2078

01:27:10,550 --> 01:27:08,940

somebody while you're killing somebody

2079

01:27:12,229 --> 01:27:10,560

else in Idaho that gets you for the

2080

01:27:14,090 --> 01:27:12,239

death penalty

2081

01:27:15,770 --> 01:27:14,100

um in a manner in which it was done and

2082

01:27:17,390 --> 01:27:15,780

so he qualifies for a death penalty like

2083

01:27:19,129 --> 01:27:17,400

three or four like three to five times

2084

01:27:20,750 --> 01:27:19,139

at least that I could think of off top

2085

01:27:22,669 --> 01:27:20,760

of my head the thing is I think it has

2086

01:27:24,290 --> 01:27:22,679

to be a unanimous jury so if they move

2087

01:27:27,110 --> 01:27:24,300

it down to Ada County it's less likely

2088

01:27:29,149 --> 01:27:27,120

to happen yeah but still when the death

2089

01:27:30,770 --> 01:27:29,159

penalty is on the table a lot of these

2090

01:27:32,750 --> 01:27:30,780

guys plead

2091

01:27:34,910 --> 01:27:32,760

because they'd rather do life in prison

2092

01:27:37,850 --> 01:27:34,920

so he might take a plea deal for life in

2093

01:27:39,010 --> 01:27:37,860

prison and there won't be a trial but

2094

01:27:40,970 --> 01:27:39,020

but

2095

01:27:43,129 --> 01:27:40,980

he's so hey I was just going to say

2096

01:27:44,629 --> 01:27:43,139

given this guy's level of arrogance and

2097

01:27:47,689 --> 01:27:44,639

how he thinks he's better than everybody

2098

01:27:49,010 --> 01:27:47,699

and smarter than everybody I still think

2099

01:27:51,649 --> 01:27:49,020

he thinks he's going to get away with

2100

01:27:53,270 --> 01:27:51,659

this and he's going to go to trial could

2101
01:27:56,450 --> 01:27:53,280
you imagine if he does get away with

2102
01:27:58,250 --> 01:27:56,460
this like what that would be like the

2103
01:28:00,110 --> 01:27:58,260
history that would that would be bigger

2104
01:28:03,890 --> 01:28:00,120
I mean that would be like OJ like let me

2105
01:28:09,110 --> 01:28:03,900
right I mean but yeah that would that

2106
01:28:15,229 --> 01:28:11,750
yeah well I appreciate you coming here

2107
01:28:17,090 --> 01:28:15,239
and uh starting our series on this we'll

2108
01:28:18,770 --> 01:28:17,100
maybe we'll do another update when the

2109
01:28:21,649 --> 01:28:18,780
trial comes around or when we actually

2110
01:28:23,870 --> 01:28:21,659
have new or real information it's very

2111
01:28:26,090 --> 01:28:23,880
frustrating now you know I keep trying

2112
01:28:28,370 --> 01:28:26,100
to find more information but there's

2113
01:28:31,310 --> 01:28:28,380

very little out there until the case

2114

01:28:33,050 --> 01:28:31,320

uh until the case progresses right until

2115

01:28:34,850 --> 01:28:33,060

we get to the actual

2116

01:28:37,010 --> 01:28:34,860

you know case and I'm sure it's going to

2117

01:28:39,950 --> 01:28:37,020

be televised and we'll get every sort of

2118

01:28:41,629 --> 01:28:39,960

detail eventually right yes and it's not

2119

01:28:44,570 --> 01:28:41,639

the trial it's the preliminary hearing

2120

01:28:45,890 --> 01:28:44,580

in in June so it's gonna oh so it's

2121

01:28:47,750 --> 01:28:45,900

still going to be a while before the

2122

01:28:48,530 --> 01:28:47,760

trial then you have preliminary hearing

2123

01:28:51,169 --> 01:28:48,540

yeah

2124

01:28:52,790 --> 01:28:51,179

right okay well I want to thank you for

2125

01:28:54,050 --> 01:28:52,800

joining us and you're always welcome to

2126

01:28:55,490 --> 01:28:54,060

come back we're going to be covering

2127

01:28:57,950 --> 01:28:55,500

other True Crime stuff if you're

2128

01:29:00,050 --> 01:28:57,960

interested but this one I thought

2129

01:29:02,030 --> 01:29:00,060

for sure you got to come on Aaron's you

2130

01:29:03,470 --> 01:29:02,040

live right there you know well thank you

2131

01:29:04,970 --> 01:29:03,480

so much for having me Stephen I'm a huge

2132

01:29:05,870 --> 01:29:04,980

fan of the show and I watch every night

2133

01:29:09,169 --> 01:29:05,880

and

2134

01:29:11,330 --> 01:29:09,179

it was great yeah yeah great see I'm

2135

01:29:12,890 --> 01:29:11,340

going to be anytime that uh anytime I

2136

01:29:14,750 --> 01:29:12,900

meet somebody like you as soon as you

2137

01:29:17,030 --> 01:29:14,760

tell me where you're from I'm like do

2138

01:29:19,610 --> 01:29:17,040

you know about this item these murders

2139

01:29:21,830 --> 01:29:19,620

you know yeah it's just a good

2140

01:29:24,110 --> 01:29:21,840

synchronicity and and thanks for going

2141

01:29:25,550 --> 01:29:24,120

and getting the footage and and sharing

2142

01:29:27,410 --> 01:29:25,560

your thoughts especially from the local

2143

01:29:29,570 --> 01:29:27,420

residents it's good to see how they feel

2144

01:29:31,610 --> 01:29:29,580

or or what people are saying right there

2145

01:29:33,830 --> 01:29:31,620

in the area

2146

01:29:35,810 --> 01:29:33,840

right anyway well thank you so much

2147

01:29:38,330 --> 01:29:35,820

Stephen for having me on all right I

2148

01:29:40,970 --> 01:29:38,340

appreciate it thanks very much all right

2149

01:29:43,729 --> 01:29:40,980

friends so uh we have successfully

2150

01:29:46,850 --> 01:29:43,739

gotten through another episode tonight

2151
01:29:50,510 --> 01:29:46,860
at 9 00 PM eastern time uh we have

2152
01:29:51,890 --> 01:29:50,520
another great show for you I am doubling

2153
01:29:54,709 --> 01:29:51,900
up today

2154
01:29:57,050 --> 01:29:54,719
uh and we are going to have an interview

2155
01:30:00,410 --> 01:29:57,060
tonight with Brian Dunning from skept

2156
01:30:03,590 --> 01:30:00,420
away media uh Brian is an incredible

2157
01:30:06,169 --> 01:30:03,600
author researcher and interested in all

2158
01:30:08,209 --> 01:30:06,179
things strange and mysterious but leads

2159
01:30:10,189 --> 01:30:08,219
towards the skeptical and scientific

2160
01:30:12,709 --> 01:30:10,199
side he runs a non-profit called

2161
01:30:15,290 --> 01:30:12,719
skeptoic media

2162
01:30:16,910 --> 01:30:15,300
um and uh you really want to be here

2163
01:30:19,189 --> 01:30:16,920

tonight for that it's going to be a

2164

01:30:19,810 --> 01:30:19,199

great interview

2165

01:30:22,910 --> 01:30:19,820

um

2166

01:30:26,149 --> 01:30:22,920

I'll uh take a few questions or comments

2167

01:30:28,310 --> 01:30:26,159

what if he didn't do it well

2168

01:30:30,350 --> 01:30:28,320

I think it would be an incredible turn

2169

01:30:32,689 --> 01:30:30,360

of events if it turned out that he was

2170

01:30:34,490 --> 01:30:32,699

innocent but I'm open to the possibility

2171

01:30:36,590 --> 01:30:34,500

but I think there's just too much

2172

01:30:40,669 --> 01:30:36,600

evidence pointing right at him

2173

01:30:43,370 --> 01:30:40,679

uh I can't I can't imagine them finding

2174

01:30:44,570 --> 01:30:43,380

him Innocent but stranger things has

2175

01:30:46,610 --> 01:30:44,580

have happened

2176

01:30:49,189 --> 01:30:46,620

blacklisted he will drag out the trial

2177

01:30:51,290 --> 01:30:49,199

for publicity yeah I think he's going to

2178

01:30:55,850 --> 01:30:51,300

enjoy being the center of attention

2179

01:30:58,189 --> 01:30:55,860

being so arrogant and self-important I I

2180

01:30:59,629 --> 01:30:58,199

agree with you 100 blacklisted and by

2181

01:31:02,990 --> 01:30:59,639

the way I wanted to mention I see a lot

2182

01:31:05,629 --> 01:31:03,000

of new faces here in the description or

2183

01:31:08,149 --> 01:31:05,639

excuse me here in the live chat that we

2184

01:31:10,310 --> 01:31:08,159

haven't seen before True Crime is not

2185

01:31:12,830 --> 01:31:10,320

our usual we're wheelhouse but it's one

2186

01:31:15,290 --> 01:31:12,840

of my other great interests and passions

2187

01:31:17,270 --> 01:31:15,300

so we will be

2188

01:31:20,149 --> 01:31:17,280

um we will be

2189

01:31:23,149 --> 01:31:20,159

pursuing more of it I want to just check

2190

01:31:26,450 --> 01:31:23,159

2191

01:31:28,430 --> 01:31:26,460

2193

2194

01:31:34,910 --> 01:31:32,219

2195

01:31:36,229 --> 01:31:34,920

2197

01:31:41,270 --> 01:31:39,060

[Music]

2281

01:36:25,729 --> 01:36:23,750

yeah and we are back so I want to thank

2282

01:36:27,350 --> 01:36:25,739

all of you guys for coming here

2283

01:36:30,890 --> 01:36:27,360

especially since this isn't our usual

2284

01:36:33,890 --> 01:36:30,900

sort of topics uh and like I said I saw

2285

01:36:36,050 --> 01:36:33,900

many new people here in the live chat uh

2286

01:36:38,270 --> 01:36:36,060

Melinda says I've been following a while

2287

01:36:40,129 --> 01:36:38,280

just don't get to catch lives off in her

2288

01:36:42,890 --> 01:36:40,139

chat it's a crack up to see you go after

2289

01:36:44,750 --> 01:36:42,900

all those super soldiers I'm sorry but I

2290

01:36:47,270 --> 01:36:44,760

grew up on the reading Captain America

2291

01:36:49,970 --> 01:36:47,280

comic books and I know all about the

2292

01:36:51,709 --> 01:36:49,980

super soldier serum and everything and

2293

01:36:56,870 --> 01:36:51,719

it's just so funny to me that these guys

2294

01:36:58,729 --> 01:36:56,880

have super powers in fact I uh I don't

2295

01:37:00,649 --> 01:36:58,739

know if you were aware Melinda but I

2296

01:37:02,810 --> 01:37:00,659

challenged Randy Kramer to a boxing

2297

01:37:03,830 --> 01:37:02,820

match so he can prove that he has super

2298

01:37:07,790 --> 01:37:03,840

powers

2299

01:37:09,050 --> 01:37:07,800

and uh he he declined he didn't want to

2300

01:37:10,970 --> 01:37:09,060

do it

2301

01:37:15,410 --> 01:37:10,980

um but I did offer him ten thousand

2302

01:37:18,110 --> 01:37:15,420

dollars to do a boxing match with me uh

2303

01:37:21,290 --> 01:37:18,120

and I thought that he should be able to

2304

01:37:24,110 --> 01:37:21,300

uh easily he should be able to beat me

2305

01:37:27,110 --> 01:37:24,120

up because he has super powers but

2306

01:37:29,510 --> 01:37:27,120

apparently uh Mr Kramer did not want to

2307

01:37:31,250 --> 01:37:29,520

take part in that it was going to be for

2308

01:37:33,709 --> 01:37:31,260

charity I thought it was a good idea

2309

01:37:36,290 --> 01:37:33,719

here we see

2310

01:37:38,629 --> 01:37:36,300

true Seekers promotions presents pound

2311

01:37:41,470 --> 01:37:38,639

for pound ten thousand dollar prize

2312

01:37:44,750 --> 01:37:41,480

who's fooling who cambium versus Kramer

2313

01:37:47,450 --> 01:37:44,760

uh and it does say that uh superpowers

2314

01:37:50,270 --> 01:37:47,460

strictly prohibited but that's kind of

2315

01:37:52,970 --> 01:37:50,280

the joke the point of it was to allow

2316

01:37:55,189 --> 01:37:52,980

him to prove that he has superpowers

2317

01:37:57,110 --> 01:37:55,199

uh isn't it interesting that none of

2318

01:37:58,910 --> 01:37:57,120

these guys none of these guys want to

2319

01:38:01,490 --> 01:37:58,920

prove that they have the superpowers

2320

01:38:03,110 --> 01:38:01,500

right none of them want to prove it uh

2321

01:38:04,850 --> 01:38:03,120

interesting

2322

01:38:08,090 --> 01:38:04,860

um so

2323

01:38:10,850 --> 01:38:08,100

I don't know it's it's a strange

2324

01:38:12,110 --> 01:38:10,860

it's a strange sort of hobby of mine to

2325

01:38:15,229 --> 01:38:12,120

listen to these guys tell their

2326

01:38:16,729 --> 01:38:15,239

superpowers there's Hulks uh there's

2327

01:38:18,770 --> 01:38:16,739

guys that claim that they have

2328

01:38:19,970 --> 01:38:18,780

superpowers like the Incredible Hulk

2329

01:38:22,490 --> 01:38:19,980

some of them are like Captain America

2330

01:38:24,350 --> 01:38:22,500

one guy's got lasers that pop out of his

2331

01:38:28,610 --> 01:38:24,360

forearms and stuff but he can't show

2332

01:38:31,250 --> 01:38:28,620

them to you it's just ridiculous right

2333

01:38:33,290 --> 01:38:31,260

um yes and uh I want to remind uh star

2334

01:38:35,750 --> 01:38:33,300

Hunter saying don't forget patreon and

2335

01:38:37,010 --> 01:38:35,760

Twitter uh for those unaware I'm gonna

2336

01:38:40,610 --> 01:38:37,020

show you

2337

01:38:43,610 --> 01:38:40,620

um uh let's see if we can't uh let's see

2338

01:38:45,770 --> 01:38:43,620

if I can't show you a few people ask me

2339

01:38:48,350 --> 01:38:45,780

what you get in the patreon OR for being

2340

01:38:52,250 --> 01:38:48,360

a member uh you get some extra goodies

2341

01:38:55,310 --> 01:38:52,260

including Early Access uh so I will show

2342

01:38:58,790 --> 01:38:55,320

you right here we've had

2343

01:39:01,610 --> 01:38:58,800

um four I think four

2344

01:39:03,229 --> 01:39:01,620

members videos this month but those are

2345

01:39:05,570 --> 01:39:03,239

Early Access

2346

Superstar we've got a video Randy melts

2349

01:39:15,169 --> 01:39:13,440

down threatens violence one question

2350

01:39:17,209 --> 01:39:15,179

caused all this this is when he was

2351

01:39:19,990 --> 01:39:17,219

forced to answer questions about his

2352

01:39:23,030 --> 01:39:20,000

he's a fake marine and a fake Navy SEAL

2353

01:39:25,310 --> 01:39:23,040

so we've got all the records to prove

2354

01:39:27,410 --> 01:39:25,320

that we he was forced on a show to

2355

01:39:28,970 --> 01:39:27,420

answer about that and he started

2356

01:39:30,110 --> 01:39:28,980

threatening violence and cursing and

2357

01:39:33,290 --> 01:39:30,120

screaming

2358

01:39:35,689 --> 01:39:33,300

uh we've got a Bonus video recorded good

2359

01:39:38,270 --> 01:39:35,699

deposition Fallout the lies and

2360

01:39:42,709 --> 01:39:38,280

contradictions and a new music video for

2361

01:39:45,709 --> 01:39:42,719

me uh with uh AI artist Sheila aliens

2362

01:39:47,770 --> 01:39:45,719

and these are all Early Access videos so

2363

01:39:50,870 --> 01:39:47,780

those will debut sometime this weekend

2364

01:39:54,290 --> 01:39:50,880

this is our new plan what I'm doing now

2365

01:39:55,970 --> 01:39:54,300

is those short produced videos with all

2366

01:39:58,910 --> 01:39:55,980

the bells and whistles the music and

2367

01:40:00,890 --> 01:39:58,920

better production Better Sound those are

2368

01:40:02,870 --> 01:40:00,900

all being released to patreon and

2369

01:40:05,689 --> 01:40:02,880

members and then

2370

01:40:07,129 --> 01:40:05,699

on the weekends they will debut and

2371

01:40:09,590 --> 01:40:07,139

these are short videos three minutes

2372

01:40:11,930 --> 01:40:09,600

five minutes ten minute videos these

2373

01:40:13,910 --> 01:40:11,940

aren't the long form videos

2374

01:40:16,010 --> 01:40:13,920

um and just so you're aware

2375

01:40:18,110 --> 01:40:16,020

all of our content will always be free

2376

01:40:21,830 --> 01:40:18,120

though perhaps ad support it you have to

2377

01:40:24,770 --> 01:40:21,840

you know uh we're available on all audio

2378

01:40:27,649 --> 01:40:24,780

podcast networks we're available on

2379

01:40:29,270 --> 01:40:27,659

Facebook uh YouTube twitch Twitter

2380

01:40:31,490 --> 01:40:29,280

Rumble

2381

01:40:33,890 --> 01:40:31,500

Odyssey and more

2382

01:40:35,570 --> 01:40:33,900

um so all of our content is free we're

2383

01:40:37,490 --> 01:40:35,580

viewers supported though so if you enjoy

2384

01:40:40,910 --> 01:40:37,500

what we do throw a couple bucks in our

2385

01:40:43,129 --> 01:40:40,920

hat and help us uh continue this journey

2386

01:40:46,010 --> 01:40:43,139

but all of our content is always free

2387

01:40:48,290 --> 01:40:46,020

with few exceptions there's a monthly

2388

01:40:50,450 --> 01:40:48,300

show Journal sort of a backstage pass

2389

01:40:53,689 --> 01:40:50,460

and some other things for the patreon

2390

01:40:55,370 --> 01:40:53,699

supporters and channel members but if

2391

01:40:57,890 --> 01:40:55,380

you're a big fan of the show and you're

2392

01:41:00,530 --> 01:40:57,900

really in a I understand it's a tough

2393

01:41:03,110 --> 01:41:00,540

economy just email me if you want those

2394

01:41:04,550 --> 01:41:03,120

extra goodies uh if there's other ways

2395

01:41:05,990 --> 01:41:04,560

that you could support our show other

2396

01:41:08,030 --> 01:41:06,000

than having you know I don't want

2397

01:41:09,830 --> 01:41:08,040

anybody to not be able to get that stuff

2398

01:41:12,169 --> 01:41:09,840

I hate putting things behind a paywall

2399

01:41:14,149 --> 01:41:12,179

but it's a necessary thing to keep

2400

01:41:16,729 --> 01:41:14,159

things going right

2401

01:41:21,229 --> 01:41:16,739

uh

2402

01:41:23,270 --> 01:41:21,239

2403

01:41:25,610 --> 01:41:23,280

hear that

2404

2406

01:41:32,750 --> 01:41:31,440

where all those people are right pretty

2407

01:41:35,629 --> 01:41:32,760

2408

01:41:37,669 --> 01:41:35,639

suddenly the audio podcast is really

2415

01:41:56,930 --> 01:41:54,659

bumping and there's lots of uh activity

2416

01:41:58,669 --> 01:41:56,940

over there that wasn't really there

2417

01:42:01,250 --> 01:41:58,679

before

2418

01:42:05,030 --> 01:42:01,260

um so we want to recognize and thank you

2419

01:42:06,830 --> 01:42:05,040

2420

01:42:09,530 --> 01:42:06,840

2426

01:42:23,030 --> 01:42:21,300

our usual wheelhouse and given that

2439

01:42:54,890 --> 01:42:52,199

2440

01:42:57,590 --> 01:42:54,900
