

1
00:00:03,060 --> 00:00:08,230
now

2
00:00:13,490 --> 00:00:10,190
to the man

3
00:00:14,570 --> 00:00:13,500
I wished became a colleague from the

4
00:00:18,170 --> 00:00:14,580
start

5
00:00:20,570 --> 00:00:18,180
commonly known by his association with

6
00:00:23,150 --> 00:00:20,580
the concept of blue extraterrestrial

7
00:00:27,230 --> 00:00:23,160
volatiles

8
00:00:32,990 --> 00:00:28,670
I

9
00:00:36,590 --> 00:00:33,000
genuinely wanted to be your friend

10
00:00:40,490 --> 00:00:36,600
I wished at first that we would put in

11
00:00:43,670 --> 00:00:40,500
common our information and work together

12
00:00:46,430 --> 00:00:43,680
bought a disclosure with all the others

13
00:00:48,529 --> 00:00:46,440

but instead you raised a crusade against

14

00:00:51,229 --> 00:00:48,539

me

15

00:00:54,290 --> 00:00:51,239

I was never interested in responding to

16

00:00:59,930 --> 00:00:57,049

I never criticized you

17

00:01:04,750 --> 00:00:59,940

and I remained silenced

18

00:01:11,149 --> 00:01:07,789

your own personal pain

19

00:01:14,870 --> 00:01:11,159

caused harm in this community

20

00:01:17,870 --> 00:01:14,880

when you brutally turned your back to

21

00:01:20,810 --> 00:01:17,880

the wonderful well-knowledgeable scholar

22

00:01:22,249 --> 00:01:20,820

in exopolitics who gave you all his

23

00:01:25,070 --> 00:01:22,259

support

24

00:01:34,429 --> 00:01:25,080

you hurt this whole Community but in the

25

00:01:40,609 --> 00:01:39,469

here is what jorhan iridium told me

26

00:01:44,510 --> 00:01:40,619

about you

27

00:01:48,770 --> 00:01:46,789

[Music]

28

00:01:52,609 --> 00:01:48,780

he said that

29

00:01:55,550 --> 00:01:52,619

you didn't lie at the start

30

00:02:01,960 --> 00:01:55,560

he said that you are original experience

31

00:02:05,749 --> 00:02:04,069

[Music]

32

00:02:11,570 --> 00:02:05,759

all of it was true

33

00:02:16,910 --> 00:02:13,790

but then he said that you had a

34

00:02:19,330 --> 00:02:16,920

programming that switched on later when

35

00:02:22,610 --> 00:02:19,340

your informants changed

36

00:02:25,130 --> 00:02:22,620

your programming is clearly about

37

00:02:27,770 --> 00:02:25,140

aborting the space program's witness

38

00:02:32,030 --> 00:02:27,780

disclosure

39

00:02:33,110 --> 00:02:32,040

I have withheld this information for so

40

00:02:41,869 --> 00:02:33,120

long

41

00:02:49,850 --> 00:02:45,410

you own nothing but your own truth

42

00:02:51,410 --> 00:02:49,860

dear child of source

43

00:02:53,210 --> 00:02:51,420

sincerely

44

00:02:54,770 --> 00:02:53,220

wish

45

00:02:57,290 --> 00:02:54,780

that one day

46

00:02:58,970 --> 00:02:57,300

you find the seat of light
