

# ANOTHER MEDBED SCAM! **RANDY CRAMER** THE STOLEN VALOR SWINDLER!

quantum joke makes you feel good

1  
00:00:57,780 --> 00:00:19,230  
foreign

2  
00:00:57,790 --> 00:01:08,149  
[Music]

3  
00:01:08,159 --> 00:01:12,740  
foreign

4  
00:01:39,710 --> 00:01:18,500  
[Music]

5  
00:02:06,300 --> 00:01:41,940  
foreign

6  
00:02:06,310 --> 00:02:12,170  
[Music]

7  
00:02:12,180 --> 00:02:22,580  
foreign

8  
00:03:09,530 --> 00:02:59,980  
[Music]

foreign

10  
00:04:01,070 --> 00:03:57,500  
[Music]

11  
00:04:07,729 --> 00:04:03,949  
greetings and salutations friends and

12  
00:04:10,610 --> 00:04:07,739  
welcome back so tonight we are uh sort

13  
00:04:12,170 --> 00:04:10,620

of finishing our coverage of The Stolen

14

00:04:13,910 --> 00:04:12,180

Valor swindler

15

00:04:16,009 --> 00:04:13,920

uh we've been looking into this

16

00:04:19,729 --> 00:04:16,019

gentleman for some time and that would

17

00:04:22,969 --> 00:04:19,739

be one fake Space Marine Randy Kramer

18

00:04:26,390 --> 00:04:22,979

who you may have seen on Gaia TV you

19

00:04:29,210 --> 00:04:26,400

know along with uh such wonderful great

20

00:04:31,909 --> 00:04:29,220

sources of information as Corey Goode

21

00:04:34,370 --> 00:04:31,919

and David Wilcock people like that

22

00:04:37,850 --> 00:04:34,380

so uh

23

00:04:40,850 --> 00:04:37,860

I think it's important that while Randy

24

00:04:43,610 --> 00:04:40,860

Kramer is on to new scams his current

25

00:04:45,409 --> 00:04:43,620

one is selling people's superpowers for

26

00:04:48,409 --> 00:04:45,419

99 a month

27

00:04:50,810 --> 00:04:48,419

and you might get super powers where you

28

00:04:52,249 --> 00:04:50,820

could shoot electricity out of your

29

00:04:55,189 --> 00:04:52,259

fingers

30

00:04:58,010 --> 00:04:55,199

according to Randy Cramer's claims uh

31

00:05:00,170 --> 00:04:58,020

you know if you uh work hard enough at

32

00:05:02,330 --> 00:05:00,180

his new course you could have

33

00:05:05,930 --> 00:05:02,340

electricity shooting out of your fingers

34

00:05:08,030 --> 00:05:05,940

and this this is just the latest in a

35

00:05:10,550 --> 00:05:08,040

long line of absolutely ridiculous

36

00:05:12,830 --> 00:05:10,560

claims from a guy who claimed that he

37

00:05:14,990 --> 00:05:12,840

was an active duty United States Marine

38

00:05:16,430 --> 00:05:15,000

Corps member who was even given

39

00:05:19,189 --> 00:05:16,440

permission to talk about the secret

40

00:05:22,430 --> 00:05:19,199

space program and be the spokesperson

41

00:05:25,189 --> 00:05:22,440

for the United States Marine Corps uh

42

00:05:27,790 --> 00:05:25,199

too bad none of that is true uh Randy

43

00:05:31,129 --> 00:05:27,800

Kramer is not now nor has he ever been

44

00:05:33,650 --> 00:05:31,139

active duty Marine Corps member in fact

45

00:05:35,450 --> 00:05:33,660

he's never joined the Marines at various

46

00:05:37,129 --> 00:05:35,460

times he's also claimed to be a Navy

47

00:05:39,529 --> 00:05:37,139

SEAL

48

00:05:43,909 --> 00:05:39,539

um which is extremely problematic for Mr

49

00:05:47,290 --> 00:05:43,919

Kramer because there is a big list of

50

00:05:50,570 --> 00:05:47,300

um Navy Seals in other words if you are

51  
00:05:52,550 --> 00:05:50,580  
uh strong enough passionate enough and

52  
00:05:55,249 --> 00:05:52,560  
lucky enough to finish SEAL training

53  
00:05:58,189 --> 00:05:55,259  
your name gets put on a list

54  
00:06:00,830 --> 00:05:58,199  
that list is public guess who's not on

55  
00:06:03,050 --> 00:06:00,840  
that list that's right the fake Captain

56  
00:06:05,210 --> 00:06:03,060  
Randy Kramer

57  
00:06:08,270 --> 00:06:05,220  
and I'm sure there's all kinds of

58  
00:06:11,930 --> 00:06:08,280  
excuses for why that is according to his

59  
00:06:14,570 --> 00:06:11,940  
supporters uh some of which are nameless

60  
00:06:18,050 --> 00:06:14,580  
faceless sock accounts on Twitter that

61  
00:06:19,969 --> 00:06:18,060  
I'm sure is actually Randy Kramer that's

62  
00:06:21,830 --> 00:06:19,979  
my opinion but I'm entitled to it

63  
00:06:25,850 --> 00:06:21,840

because no one

64

00:06:28,010 --> 00:06:25,860

go find me another person besides the

65

00:06:30,350 --> 00:06:28,020

one on Twitter arguing with me about

66

00:06:32,689 --> 00:06:30,360

these issues that cares enough about

67

00:06:35,510 --> 00:06:32,699

Randy Kramer and his Integrity to spend

68

00:06:38,689 --> 00:06:35,520

10 hours a day arguing about it

69

00:06:41,270 --> 00:06:38,699

that's ridiculous that's not a supporter

70

00:06:44,809 --> 00:06:41,280

that's Randy Kramer hiding behind a sock

71

00:06:47,029 --> 00:06:44,819

puppet account offering excuses for all

72

00:06:48,890 --> 00:06:47,039

of the wonderful Revelations that we

73

00:06:52,550 --> 00:06:48,900

found that would seem to indicate that

74

00:06:56,029 --> 00:06:52,560

Randy Kramer is both a fraud and a liar

75

00:06:59,090 --> 00:06:56,039

and a Serial scammer and we're going to

76

00:07:01,370 --> 00:06:59,100

get into all of it tonight

77

00:07:05,270 --> 00:07:01,380

um I thought that we should start

78

00:07:07,510 --> 00:07:05,280

however with one of his big defenses is

79

00:07:10,850 --> 00:07:07,520

that he passed a lie detector test

80

00:07:15,469 --> 00:07:10,860

administered to him by Gaia TV

81

00:07:17,870 --> 00:07:15,479

uh now first of all Gaia TV is the uh

82

00:07:20,510 --> 00:07:17,880

less than credible entity that brought

83

00:07:24,170 --> 00:07:20,520

us such luminaries as uh let's see

84

00:07:26,749 --> 00:07:24,180

lately Anjali whose entire story was

85

00:07:28,670 --> 00:07:26,759

busted as fake and false yet they still

86

00:07:30,770 --> 00:07:28,680

let her come on their Network and tell

87

00:07:33,529 --> 00:07:30,780

her whole story as if it hadn't been

88

00:07:36,529 --> 00:07:33,539

busted as completely and totally fake

89

00:07:39,350 --> 00:07:36,539

fictional and false by the way we're the

90

00:07:41,990 --> 00:07:39,360

ones who did that we covered that and

91

00:07:44,689 --> 00:07:42,000

her entire Story anjali's entire

92

00:07:46,790 --> 00:07:44,699

original story Came Crashing Down and

93

00:07:49,189 --> 00:07:46,800

the so-called witnesses to the Alien

94

00:07:51,710 --> 00:07:49,199

Encounter said none of this happened

95

00:07:53,990 --> 00:07:51,720

they still let her come on their Network

96

00:07:56,570 --> 00:07:54,000

and tell her story as if it were true

97

00:08:01,309 --> 00:07:56,580

and hadn't been busted

98

00:08:03,770 --> 00:08:01,319

uh not exactly a trustworthy company but

99

00:08:07,010 --> 00:08:03,780

Mr Kramer likes to run around and and

100

00:08:09,290 --> 00:08:07,020

make these claims that he passed a

101  
00:08:11,270 --> 00:08:09,300  
polygraph what does that mean what were

102  
00:08:13,969 --> 00:08:11,280  
the questions can we see the charts who

103  
00:08:16,129 --> 00:08:13,979  
was the administrator well Randy Kramer

104  
00:08:18,469 --> 00:08:16,139  
claims that it's a former Marine and a

105  
00:08:22,129 --> 00:08:18,479  
former police officer who administered

106  
00:08:25,070 --> 00:08:22,139  
the test then he gives a name of a

107  
00:08:27,230 --> 00:08:25,080  
polygraph company that doesn't exist I

108  
00:08:29,830 --> 00:08:27,240  
found a similar one however but we've

109  
00:08:32,930 --> 00:08:29,840  
made multiple calls to that company

110  
00:08:35,209 --> 00:08:32,940  
uh and that company is called Thomas

111  
00:08:36,350 --> 00:08:35,219  
Hoff and Associates he said it was half

112  
00:08:40,070 --> 00:08:36,360  
and half

113  
00:08:42,050 --> 00:08:40,080

in Colorado no there is no hoffenhof

114

00:08:44,089 --> 00:08:42,060

there's a Thomas Hoffman Associates but

115

00:08:47,210 --> 00:08:44,099

we don't know if that's the person he's

116

00:08:49,670 --> 00:08:47,220

referring to while he's bragging that he

117

00:08:52,910 --> 00:08:49,680

passed a lie detector test I don't

118

00:08:55,610 --> 00:08:52,920

believe that he passed any anything I

119

00:08:58,870 --> 00:08:55,620

don't believe it uh and I'm entitled to

120

00:09:02,329 --> 00:08:58,880

that belief based on Kramer's other

121

00:09:05,090 --> 00:09:02,339

various lies that we have caught him in

122

00:09:07,610 --> 00:09:05,100

further if a company is hired by

123

00:09:10,670 --> 00:09:07,620

somebody like Gaia TV

124

00:09:13,009 --> 00:09:10,680

uh I just don't trust that company to to

125

00:09:15,350 --> 00:09:13,019

be fair and accurate if he wants to take

126

00:09:18,530 --> 00:09:15,360

an independently administered polygraph

127

00:09:20,810 --> 00:09:18,540

I know a former FBI polygrapher who I

128

00:09:23,870 --> 00:09:20,820

can send to his house I'll pay for it

129

00:09:26,269 --> 00:09:23,880

and we'll get the results and we're

130

00:09:28,430 --> 00:09:26,279

going to ask the right questions like

131

00:09:31,130 --> 00:09:28,440

when did you enlist in the United States

132

00:09:34,610 --> 00:09:31,140

Marine Corps where and when did you

133

00:09:37,670 --> 00:09:34,620

attend Navy SEAL training

134

00:09:40,490 --> 00:09:37,680

he will fall apart under the scrutiny of

135

00:09:43,970 --> 00:09:40,500

a real polygraph examiner no I think

136

00:09:45,889 --> 00:09:43,980

Gaia TV started floating this idea that

137

00:09:48,769 --> 00:09:45,899

they're issuing polygraphs to their

138

00:09:51,410 --> 00:09:48,779

people after Corey Goode

139

00:09:53,269 --> 00:09:51,420

uh apparently Jason rice passed the lie

140

00:09:55,730 --> 00:09:53,279

detector test and he told Fantastical

141

00:09:58,610 --> 00:09:55,740

fairy tales just like Corey good so I'm

142

00:10:01,430 --> 00:09:58,620

sorry I don't believe a calligrapher

143

00:10:04,490 --> 00:10:01,440

who's being paid to bolster the stories

144

00:10:06,230 --> 00:10:04,500

of Liars on Gaia TV but still the same

145

00:10:08,030 --> 00:10:06,240

we'll put up our fair use banner and

146

00:10:10,670 --> 00:10:08,040

we'll hear these claims then we're going

147

00:10:13,790 --> 00:10:10,680

to call that lie detector company live

148

00:10:15,350 --> 00:10:13,800

on air right here and this is fair use

149

00:10:17,090 --> 00:10:15,360

we're educating the public and we're

150

00:10:19,490 --> 00:10:17,100

critiquing the videos we're sharing this

151

00:10:21,230 --> 00:10:19,500

is covered under fair use by the way I

152

00:10:24,949 --> 00:10:21,240

have already called this polygraph

153

00:10:27,110 --> 00:10:24,959

company which matches at least the name

154

00:10:29,750 --> 00:10:27,120

he said half and half it's not half and

155

00:10:32,570 --> 00:10:29,760

half it's Thomas Hoffman Associates

156

00:10:35,630 --> 00:10:32,580

uh but I was unable to verify if that

157

00:10:37,670 --> 00:10:35,640

person was a former Marine or former

158

00:10:40,250 --> 00:10:37,680

police officer like he claimed and they

159

00:10:43,430 --> 00:10:40,260

will not return any phone calls so that

160

00:10:45,230 --> 00:10:43,440

should tell you that this Randy Kramer

161

00:10:46,730 --> 00:10:45,240

running around claiming I passed a lie

162

00:10:48,650 --> 00:10:46,740

detector test and they'll verify

163

00:10:50,870 --> 00:10:48,660

everything well apparently not because

164

00:10:52,190 --> 00:10:50,880

I've called five times and no one will

165

00:10:54,530 --> 00:10:52,200

call me back

166

00:10:57,710 --> 00:10:54,540

that says something about the legitimacy

167

00:11:01,190 --> 00:10:57,720

of Mr Kramer's claims but In fairness

168

00:11:07,490 --> 00:11:01,200

we'll still uh we're still going to

169

00:11:10,910 --> 00:11:07,500

share his uh various claims uh and this

170

00:11:13,910 --> 00:11:10,920

is from an appearance with Michael Salah

171

00:11:16,910 --> 00:11:13,920

who is the root of all of these secret

172

00:11:20,090 --> 00:11:16,920

space program scammers they all come

173

00:11:24,650 --> 00:11:20,100

through him whether it's Corey good or

174

00:11:28,370 --> 00:11:24,660

uh Elena Dannon lately right and others

175

00:11:31,970 --> 00:11:28,380

Randy Kramer also came through

176

00:11:33,769 --> 00:11:31,980

Michael Salah who basically just

177

00:11:37,430 --> 00:11:33,779

believes everyone and doesn't want to

178

00:11:40,610 --> 00:11:37,440

see any information by the way uh just

179

00:11:41,990 --> 00:11:40,620

to be clear I sent Michael Salah all of

180

00:11:44,030 --> 00:11:42,000

the paperwork from the national

181

00:11:46,370 --> 00:11:44,040

Personnel records Center which verifies

182

00:11:48,889 --> 00:11:46,380

Randy Kramer was not nail nor was he

183

00:11:50,150 --> 00:11:48,899

ever in the United States Marine Corps I

184

00:11:52,310 --> 00:11:50,160

sent him the paperwork from the United

185

00:11:55,490 --> 00:11:52,320

States Navy which proves that Randy

186

00:11:57,829 --> 00:11:55,500

Kramer was is not now nor was he ever a

187

00:12:00,470 --> 00:11:57,839

member of the United States Navy I asked

188

00:12:02,870 --> 00:12:00,480

him for comment crickets crickets

189

00:12:04,730 --> 00:12:02,880

Michael Salah is an intellectual coward

190

00:12:06,110 --> 00:12:04,740

in a weakling and when confronted with

191

00:12:10,610 --> 00:12:06,120

real evidence

192

00:12:13,490 --> 00:12:10,620

he runs away like a little [h\_\_h]

193

00:12:14,810 --> 00:12:13,500

but anyway uh let's hear his lie

194

00:12:16,730 --> 00:12:14,820

detector claims then we're going to call

195

00:12:19,250 --> 00:12:16,740

the lie detector company just to show

196

00:12:21,410 --> 00:12:19,260

you that that lie detector company

197

00:12:24,550 --> 00:12:21,420

apparently it's just a voicemail service

198

00:12:27,290 --> 00:12:24,560

and they never return their calls never

199

00:12:30,170 --> 00:12:27,300

uh by the way I called an hour before

200

00:12:33,290 --> 00:12:30,180

broadcast and I called earlier today as

201  
00:12:34,610 --> 00:12:33,300  
well no return call I've made Five phone

202  
00:12:36,650 --> 00:12:34,620  
calls

203  
00:12:38,990 --> 00:12:36,660  
to the polygraph company that I believe

204  
00:12:41,990 --> 00:12:39,000  
he's mentioning here they won't return

205  
00:12:45,110 --> 00:12:42,000  
my call or verify any of Randy clamor

206  
00:12:47,269 --> 00:12:45,120  
Randy Kramer's claims that he makes in

207  
00:12:51,170 --> 00:12:47,279  
this video in this video essentially he

208  
00:12:53,810 --> 00:12:51,180  
claims he aced a polygraph uh I beg to

209  
00:12:56,449 --> 00:12:53,820  
differ but okay

210  
00:12:59,389 --> 00:12:56,459  
all right I've got this cued up here

211  
00:13:01,069 --> 00:12:59,399  
let's get into it Friends by the way

212  
00:13:02,750 --> 00:13:01,079  
this is fair use for educating the

213  
00:13:05,269 --> 00:13:02,760

public and we're going to be talking

214

00:13:06,829 --> 00:13:05,279

about the claims of this fake Stolen

215

00:13:09,889 --> 00:13:06,839

Valor fraud

216

00:13:11,269 --> 00:13:09,899

the fake Captain Randy Kramer as a

217

00:13:13,490 --> 00:13:11,279

researcher you know one of the things we

218

00:13:16,129 --> 00:13:13,500

look at in terms of like assessing

219

00:13:18,290 --> 00:13:16,139

uh Witnesses is you know how consistent

220

00:13:22,190 --> 00:13:18,300

are their stories and since our first

221

00:13:23,990 --> 00:13:22,200

interview was in 2014 announced 2022

222

00:13:27,590 --> 00:13:24,000

that's eight years your story hasn't

223

00:13:31,550 --> 00:13:27,600

changed yeah I love this this is the

224

00:13:34,610 --> 00:13:31,560

go-to for all of the scan Squad that

225

00:13:36,410 --> 00:13:34,620

likes to sell fake people selling fake

226

00:13:38,690 --> 00:13:36,420

stories well their story hasn't changed

227

00:13:41,150 --> 00:13:38,700

in all this time people do this with Bob

228

00:13:44,030 --> 00:13:41,160

Lazar Bob Lazar story changes constantly

229

00:13:46,610 --> 00:13:44,040

they do this with Corey good Corey good

230

00:13:48,470 --> 00:13:46,620

story changes constantly and this clown

231

00:13:51,410 --> 00:13:48,480

is doing it with this guy just because

232

00:13:53,990 --> 00:13:51,420

someone is able to say the same thing

233

00:13:56,030 --> 00:13:54,000

consistently doesn't mean that their

234

00:13:58,670 --> 00:13:56,040

story is truthful it just means that

235

00:14:01,370 --> 00:13:58,680

they have a good grasp of their story

236

00:14:03,290 --> 00:14:01,380

and have either memorized it well if

237

00:14:05,629 --> 00:14:03,300

it's fictitious or they're a good liar

238

00:14:07,790 --> 00:14:05,639

it doesn't mean that their story is true

239

00:14:10,430 --> 00:14:07,800

evidence means their story is true

240

00:14:12,650 --> 00:14:10,440

Michael Salah you clown

241

00:14:14,509 --> 00:14:12,660

that's essentially the same

242

00:14:16,490 --> 00:14:14,519

um so if I remember it yeah you just

243

00:14:19,009 --> 00:14:16,500

remember a little bit more now

244

00:14:21,829 --> 00:14:19,019

um that and uh a little more clear yeah

245

00:14:23,990 --> 00:14:21,839

that's so that's a very good sign and I

246

00:14:25,550 --> 00:14:24,000

think it's also important to mention for

247

00:14:27,949 --> 00:14:25,560

people who ask it to go that you

248

00:14:31,430 --> 00:14:27,959

actually did do a lie detector test and

249

00:14:34,910 --> 00:14:31,440

a Gaia TV gets you through that so and

250

00:14:37,790 --> 00:14:34,920

by the way Gaia TV also claimed that

251  
00:14:40,850 --> 00:14:37,800  
people gluing together body parts had

252  
00:14:44,269 --> 00:14:40,860  
alien mummies so we have to consider the

253  
00:14:46,189 --> 00:14:44,279  
source if Gaia TV is saying oh Randy

254  
00:14:48,230 --> 00:14:46,199  
Kramer passed a lie detector this is the

255  
00:14:50,629 --> 00:14:48,240  
same company that said a bunch of guys

256  
00:14:52,730 --> 00:14:50,639  
remember those Nazca mummies those alien

257  
00:14:55,009 --> 00:14:52,740  
mummies where somebody literally stole

258  
00:14:58,189 --> 00:14:55,019  
body parts and bones

259  
00:14:59,389 --> 00:14:58,199  
from a burial site and glued them all

260  
00:15:03,230 --> 00:14:59,399  
together

261  
00:15:04,970 --> 00:15:03,240  
with duct tape and uh plaster and then

262  
00:15:07,370 --> 00:15:04,980  
claimed that those were alien mummies

263  
00:15:11,990 --> 00:15:07,380

that's the same company that is claiming

264

00:15:14,030 --> 00:15:12,000

Randy Kramer passed a polygraph sorry

265

00:15:16,069 --> 00:15:14,040

you need more than that you want to tell

266

00:15:18,829 --> 00:15:16,079

us about you know what happened with

267

00:15:20,689 --> 00:15:18,839

Gaia TV why oh sure the Logitech the

268

00:15:23,750 --> 00:15:20,699

test and the result yeah I'm always

269

00:15:26,210 --> 00:15:23,760

happy to give them a plug uh so doing

270

00:15:28,069 --> 00:15:26,220

done some episodes for Cosmic disclosure

271

00:15:29,750 --> 00:15:28,079

with Gaia and

272

00:15:31,970 --> 00:15:29,760

um they

273

00:15:33,530 --> 00:15:31,980

a little while back we're like hey do

274

00:15:36,470 --> 00:15:33,540

you want to do a polygraph and I was

275

00:15:40,009 --> 00:15:36,480

like absolutely I want to do a polygraph

276

00:15:43,129 --> 00:15:40,019

so I was psyched and we they set it up

277

00:15:46,189 --> 00:15:43,139

with a here's where we get into the

278

00:15:47,810 --> 00:15:46,199

specific claims and again uh we're going

279

00:15:50,150 --> 00:15:47,820

to leave a message for this polygraph

280

00:15:52,250 --> 00:15:50,160

company and ask him if he's a former

281

00:15:55,250 --> 00:15:52,260

United States Marine or former police

282

00:15:58,009 --> 00:15:55,260

officer like Randy Kramer claimed and by

283

00:16:00,350 --> 00:15:58,019

the way there's another Hoff there's a

284

00:16:02,569 --> 00:16:00,360

Brian Hoff in Colorado who does

285

00:16:05,990 --> 00:16:02,579

polygraphs so here's where there's some

286

00:16:08,870 --> 00:16:06,000

confusion and this this is important

287

00:16:12,230 --> 00:16:08,880

So Randy Kramer gives essentially gives

288

00:16:15,290 --> 00:16:12,240

the wrong Randy Kramer gives the wrong

289

00:16:17,509 --> 00:16:15,300

name of a company that does polygraphs I

290

00:16:19,490 --> 00:16:17,519

think he did that intentionally because

291

00:16:22,069 --> 00:16:19,500

there's two Hoff's in the state of

292

00:16:23,930 --> 00:16:22,079

Colorado who do polygraphs one of them

293

00:16:25,790 --> 00:16:23,940

is the company I found that won't return

294

00:16:27,889 --> 00:16:25,800

any phone calls Thomas Hoffman

295

00:16:30,170 --> 00:16:27,899

Associates and the other one is a man

296

00:16:32,509 --> 00:16:30,180

named Brian Hoff who works for a

297

00:16:36,769 --> 00:16:32,519

non-profit and he used to be until

298

00:16:39,949 --> 00:16:36,779

recently a grade school teacher I

299

00:16:42,050 --> 00:16:39,959

believe and he's just a self-taught guy

300

00:16:43,730 --> 00:16:42,060

who does polygraphs I don't know if he

301

00:16:47,569 --> 00:16:43,740

does it for a hobby I don't know if he

302

00:16:49,610 --> 00:16:47,579

does it for fun for side Hustle but uh

303

00:16:50,990 --> 00:16:49,620

if if he's talking about a former school

304

00:16:54,050 --> 00:16:51,000

teacher

305

00:16:56,569 --> 00:16:54,060

that's a real problem so who is the

306

00:16:58,189 --> 00:16:56,579

actual person who actually administered

307

00:16:59,990 --> 00:16:58,199

to polygraph because it's there's no

308

00:17:02,629 --> 00:17:00,000

company called half and half why would

309

00:17:05,569 --> 00:17:02,639

he get that so wrong but he did

310

00:17:07,970 --> 00:17:05,579

so we've got two people in the state of

311

00:17:10,010 --> 00:17:07,980

Colorado who give polygraphs one of them

312

00:17:12,409 --> 00:17:10,020

is Thomas Hoff and Associates who I keep

313

00:17:14,449 --> 00:17:12,419

calling and they won't return any calls

314

00:17:18,230 --> 00:17:14,459

which is very suspicious and the other

315

00:17:20,270 --> 00:17:18,240

one is a uh a grade school teacher and

316

00:17:22,010 --> 00:17:20,280

part-time polygrapher

317

00:17:24,470 --> 00:17:22,020

person who is probably the most

318

00:17:26,090 --> 00:17:24,480

qualified polygraph examiner in the

319

00:17:28,549 --> 00:17:26,100

state of Colorado that I could have

320

00:17:29,990 --> 00:17:28,559

gotten who was a gentleman and his son

321

00:17:33,830 --> 00:17:30,000

who are father-son team called

322

00:17:36,409 --> 00:17:33,840

hoffenhoff of Colorado Springs uh Thomas

323

00:17:38,150 --> 00:17:36,419

Hoff is a well there he does name them

324

00:17:39,770 --> 00:17:38,160

so we have the right person but his

325

00:17:40,549 --> 00:17:39,780

father is no longer working for the

326  
00:17:43,310 --> 00:17:40,559  
company

327  
00:17:44,990 --> 00:17:43,320  
so I stand corrected Thomas Hoff veteran

328  
00:17:46,970 --> 00:17:45,000  
police officer of the Los Angeles the

329  
00:17:50,090 --> 00:17:46,980  
police department detective for like

330  
00:17:53,750 --> 00:17:50,100  
over 20 years uh administered polygraph

331  
00:17:56,390 --> 00:17:53,760  
exams for them for over 22 years uh has

332  
00:18:00,529 --> 00:17:56,400  
done administered over 10 000 polygraph

333  
00:18:02,930 --> 00:18:00,539  
exams and is the uh president of the

334  
00:18:06,049 --> 00:18:02,940  
Colorado polygraph examiners Association

335  
00:18:08,029 --> 00:18:06,059  
no he's not I checked but uh

336  
00:18:09,370 --> 00:18:08,039  
interestingly

337  
00:18:13,970 --> 00:18:09,380  
um

338  
00:18:15,950 --> 00:18:13,980

the sock puppet account on Twitter who

339

00:18:18,350 --> 00:18:15,960

is arguing with me

340

00:18:21,730 --> 00:18:18,360

or spent quite some time arguing with me

341

00:18:24,770 --> 00:18:21,740

that Randy Kramer is the real deal also

342

00:18:27,830 --> 00:18:24,780

repeated all of these exact talking

343

00:18:30,169 --> 00:18:27,840

points well he he had a polygraph from a

344

00:18:32,210 --> 00:18:30,179

guy who administered 10 000 polygraphs

345

00:18:33,710 --> 00:18:32,220

he's been doing it for 22 years and he's

346

00:18:35,870 --> 00:18:33,720

a former Marine and a former police

347

00:18:37,909 --> 00:18:35,880

officer then why won't the guy call me

348

00:18:40,730 --> 00:18:37,919

back and verify all of this

349

00:18:43,370 --> 00:18:40,740

very suspicious as well as a former

350

00:18:45,830 --> 00:18:43,380

Marine so I could not have asked for a

351

00:18:49,250 --> 00:18:45,840

more qualified polygraph examiner to

352

00:18:51,710 --> 00:18:49,260

give me a polygraph and other people

353

00:18:53,930 --> 00:18:51,720

don't understand polygraphs uh

354

00:18:56,330 --> 00:18:53,940

polygraphs are not a

355

00:18:58,850 --> 00:18:56,340

stress detector on whether you feel

356

00:19:02,690 --> 00:18:58,860

guilty about telling a lie or something

357

00:19:06,289 --> 00:19:02,700

it is autonomic responses uh blood clot

358

00:19:08,570 --> 00:19:06,299

sorry blood pressure blood pressure uh

359

00:19:11,690 --> 00:19:08,580

the dilation of the capillaries on your

360

00:19:14,750 --> 00:19:11,700

fingertips uh and a couple other things

361

00:19:15,610 --> 00:19:14,760

uh surf Electro Z seems awfully educated

362

00:19:19,130 --> 00:19:15,620

on

363

00:19:20,990 --> 00:19:19,140

polygraphs uh yeah and by the way you

364

00:19:24,529 --> 00:19:21,000

know there's a reason polygraphs are not

365

00:19:27,830 --> 00:19:24,539

admissible in court very unreliable

366

00:19:30,409 --> 00:19:27,840

there are people uh who spent a lifetime

367

00:19:32,270 --> 00:19:30,419

being polygraph examiners and then came

368

00:19:34,490 --> 00:19:32,280

out and said that it's all bunk

369

00:19:36,289 --> 00:19:34,500

and it really is up to the determination

370

00:19:38,630 --> 00:19:36,299

of the person administering the test

371

00:19:40,310 --> 00:19:38,640

whether somebody passes or fails there's

372

00:19:42,230 --> 00:19:40,320

an awful lot of problems with polygrass

373

00:19:44,570 --> 00:19:42,240

but let's move on throw transmission

374

00:19:48,830 --> 00:19:44,580

signals on the surface of your skin

375

00:19:51,590 --> 00:19:48,840

that are that register when you tell a

376

00:19:53,390 --> 00:19:51,600

fiction so you can tell something that

377

00:19:55,669 --> 00:19:53,400

you have no emotional attachment to no

378

00:19:57,770 --> 00:19:55,679

guilt for like I had an elephant

379

00:19:59,210 --> 00:19:57,780

sandwich for breakfast today and it will

380

00:20:02,150 --> 00:19:59,220

totally show that you are not telling

381

00:20:05,630 --> 00:20:02,160

the truth so it's it's not a stress

382

00:20:07,610 --> 00:20:05,640

detector it's not a I feel bad or guilty

383

00:20:10,210 --> 00:20:07,620

about telling this lie so it's going to

384

00:20:12,409 --> 00:20:10,220

detect me one other thing comes to mind

385

00:20:14,090 --> 00:20:12,419

sociopaths and Psychopaths and

386

00:20:16,370 --> 00:20:14,100

pathological Liars have no problem

387

00:20:17,150 --> 00:20:16,380

passing polygraph exams did you know

388

00:20:18,789 --> 00:20:17,160

that

389

00:20:21,830 --> 00:20:18,799

yeah

390

00:20:24,590 --> 00:20:21,840

and also uh people who just believe

391

00:20:27,230 --> 00:20:24,600

their BS can pass a polygraph it doesn't

392

00:20:28,970 --> 00:20:27,240

mean that their stories are true it just

393

00:20:31,730 --> 00:20:28,980

means they believe their stories are

394

00:20:34,370 --> 00:20:31,740

true it is a or

395

00:20:36,470 --> 00:20:34,380

they have a psychological condition like

396

00:20:38,270 --> 00:20:36,480

I mentioned which makes it easy for them

397

00:20:41,330 --> 00:20:38,280

to pass a polygraph because they don't

398

00:20:44,690 --> 00:20:41,340

have the normal responses a quote normal

399

00:20:48,409 --> 00:20:44,700

person would have while lying

400

00:20:50,510 --> 00:20:48,419

for autonomic systems in the body that

401  
00:20:53,690 --> 00:20:50,520  
trigger when we tell things that are

402  
00:20:56,630 --> 00:20:53,700  
simply uh not fact in our fiction that

403  
00:20:58,970 --> 00:20:56,640  
show up and they also do this test with

404  
00:21:01,250 --> 00:20:58,980  
a Baseline and the Baseline is a

405  
00:21:03,169 --> 00:21:01,260  
question that they ask you which you are

406  
00:21:04,669 --> 00:21:03,179  
supposed to lie to on purpose because

407  
00:21:06,409 --> 00:21:04,679  
that gives them a baseline of what

408  
00:21:09,350 --> 00:21:06,419  
happens when you tell a lie and how that

409  
00:21:11,810 --> 00:21:09,360  
looks on the test so I want to say the

410  
00:21:15,289 --> 00:21:11,820  
question uh that they would ask when I

411  
00:21:17,810 --> 00:21:15,299  
did the test was have you ever said

412  
00:21:21,169 --> 00:21:17,820  
anything to anyone in Anger that you

413  
00:21:23,029 --> 00:21:21,179

regret it and since everybody has uh

414

00:21:25,430 --> 00:21:23,039

including myself you're supposed to say

415

00:21:26,870 --> 00:21:25,440

no to that answer it's an obvious lie to

416

00:21:29,810 --> 00:21:26,880

a question that everyone the answer

417

00:21:31,370 --> 00:21:29,820

would be yes to and so that's the

418

00:21:33,830 --> 00:21:31,380

Baseline question and the Baseline

419

00:21:35,330 --> 00:21:33,840

question is repeated like throughout the

420

00:21:37,730 --> 00:21:35,340

questions as they repeat the questions

421

00:21:40,130 --> 00:21:37,740

you get asked the questions and by the

422

00:21:42,649 --> 00:21:40,140

way this is

423

00:21:44,870 --> 00:21:42,659

this is where we get into nonsense this

424

00:21:48,529 --> 00:21:44,880

is there's no one standard way that a

425

00:21:50,390 --> 00:21:48,539

polygraph exam is stirred some examiners

426  
00:21:53,029 --> 00:21:50,400  
will do the Baseline question multiple

427  
00:21:56,390 --> 00:21:53,039  
times some will just do it once and

428  
00:21:58,490 --> 00:21:56,400  
that's it so you know Mr expert here

429  
00:22:01,310 --> 00:21:58,500  
that they're trying to get you tested on

430  
00:22:03,110 --> 00:22:01,320  
ask multiple times you get the test

431  
00:22:05,630 --> 00:22:03,120  
question the Baseline question asked

432  
00:22:09,169 --> 00:22:05,640  
multiple times so you end up with a

433  
00:22:11,270 --> 00:22:09,179  
chart that shows you you know how flat

434  
00:22:13,310 --> 00:22:11,280  
is the flat line you know when we asked

435  
00:22:16,190 --> 00:22:13,320  
him the question how high is the spike

436  
00:22:17,330 --> 00:22:16,200  
when we pass the test question and then

437  
00:22:21,470 --> 00:22:17,340  
you get

438  
00:22:23,210 --> 00:22:21,480

is basically telling the truth or not I

439

00:22:25,250 --> 00:22:23,220

was told I think it's interesting too

440

00:22:27,950 --> 00:22:25,260

that Salah just said tell us about that

441

00:22:29,570 --> 00:22:27,960

polygraph exam you passed and and

442

00:22:32,330 --> 00:22:29,580

meanwhile he's going to give everybody

443

00:22:35,029 --> 00:22:32,340

this entire education on polygraphs and

444

00:22:38,930 --> 00:22:35,039

how they work and an awful lot of detail

445

00:22:41,270 --> 00:22:38,940

by uh Thomas that I aced the test which

446

00:22:43,490 --> 00:22:41,280

means okay so he was told by Thomas that

447

00:22:45,409 --> 00:22:43,500

he aced the test but he doesn't tell us

448

00:22:47,810 --> 00:22:45,419

what the questions were

449

00:22:50,750 --> 00:22:47,820

and we don't get to see the charts or

450

00:22:52,610 --> 00:22:50,760

interview the polygraph examiner to

451  
00:22:53,450 --> 00:22:52,620  
determine if Randy is telling the truth

452  
00:22:57,830 --> 00:22:53,460  
here

453  
00:22:59,870 --> 00:22:57,840  
that my lies were a nice sharp Peak like

454  
00:23:02,149 --> 00:22:59,880  
they should be and which is the test

455  
00:23:04,610 --> 00:23:02,159  
question and that every single other

456  
00:23:08,390 --> 00:23:04,620  
question I was asked was an absolute

457  
00:23:10,310 --> 00:23:08,400  
flat line of absolute certain truth so

458  
00:23:12,890 --> 00:23:10,320  
I'm thrilled to have taken the test

459  
00:23:14,930 --> 00:23:12,900  
couldn't have been asked uh to get

460  
00:23:17,570 --> 00:23:14,940  
someone a more qualified examiner to

461  
00:23:20,270 --> 00:23:17,580  
give the test and aced it according to

462  
00:23:22,250 --> 00:23:20,280  
him and he said anytime if anybody

463  
00:23:24,110 --> 00:23:22,260

really has questions about that test or

464

00:23:26,630 --> 00:23:24,120

doubts about it they can contact him so

465

00:23:28,730 --> 00:23:26,640

hoffenhof Colorado Springs you want to

466

00:23:30,710 --> 00:23:28,740

ask questions about the test you contact

467

00:23:32,990 --> 00:23:30,720

them and talk to them about it

468

00:23:35,510 --> 00:23:33,000

yeah except there's a real problem here

469

00:23:37,370 --> 00:23:35,520

and that is that this person who

470

00:23:40,310 --> 00:23:37,380

administered to test will not return

471

00:23:42,529 --> 00:23:40,320

phone calls and uh we're gonna we're

472

00:23:44,510 --> 00:23:42,539

gonna call around okay Randy we can call

473

00:23:49,070 --> 00:23:44,520

and verify the test right we can call

474

00:23:49,080 --> 00:23:59,210

so we're gonna call right now

475

00:24:04,669 --> 00:24:01,730

I called five five times already it's

476  
00:24:15,610 --> 00:24:07,190  
and no one has called me back to verify

477  
00:24:21,950 --> 00:24:17,870  
and we'll get back to you as soon as

478  
00:24:21,960 --> 00:24:30,890  
John please record yourself

479  
00:24:36,110 --> 00:24:33,110  
hello sir my name is Steven I called you

480  
00:24:38,870 --> 00:24:36,120  
several times previously uh I have just

481  
00:24:41,930 --> 00:24:38,880  
reviewed a video where uh this fake

482  
00:24:44,090 --> 00:24:41,940  
Space Marine Captain Randy Kramer uh he

483  
00:24:46,190 --> 00:24:44,100  
claims that you're a former Marine Corps

484  
00:24:48,470 --> 00:24:46,200  
member and a former police officer and

485  
00:24:50,450 --> 00:24:48,480  
that you said anyone who wants to verify

486  
00:24:52,970 --> 00:24:50,460  
the results of his polygraph and him

487  
00:24:55,190 --> 00:24:52,980  
acing it can call and talk to you and

488  
00:24:58,130 --> 00:24:55,200

you'll verify that he aced the polygraph

489

00:24:59,990 --> 00:24:58,140

that you administered to him I'd

490

00:25:11,710 --> 00:25:00,000

appreciate a return call you can reach

491

00:25:17,210 --> 00:25:14,990

all right there we have it so uh that's

492

00:25:19,850 --> 00:25:17,220

it for the polygraph uh I'm sorry Mr

493

00:25:23,390 --> 00:25:19,860

Kramer nice try with the silk screen but

494

00:25:26,090 --> 00:25:23,400

unless people can actually verify what

495

00:25:27,169 --> 00:25:26,100

you're saying it doesn't matter it means

496

00:25:29,690 --> 00:25:27,179

nothing

497

00:25:31,850 --> 00:25:29,700

and uh we want to see the list of

498

00:25:36,110 --> 00:25:31,860

questions and we want to interview the

499

00:25:41,230 --> 00:25:36,120

poligrapher right oh Jimmy church has uh

500

00:25:47,269 --> 00:25:44,450

no comment no comment it's best not to

501  
00:25:49,370 --> 00:25:47,279  
comment all right so uh what do I think

502  
00:25:52,190 --> 00:25:49,380  
of the polygraph claims I think they're

503  
00:25:56,750 --> 00:25:52,200  
garbage just like his military claims

504  
00:26:00,590 --> 00:25:56,760  
but what we're gonna do uh next is talk

505  
00:26:04,669 --> 00:26:00,600  
specifically about the uh Medved scam

506  
00:26:06,169 --> 00:26:04,679  
claims and uh I have some items to share

507  
00:26:08,810 --> 00:26:06,179  
about that

508  
00:26:12,710 --> 00:26:08,820  
uh which are very very interesting

509  
00:26:14,450 --> 00:26:12,720  
and uh let me let me share those here

510  
00:26:18,230 --> 00:26:14,460  
with you

511  
00:26:26,450 --> 00:26:18,240  
all right and let me uh change something

512  
00:26:33,230 --> 00:26:29,450  
there we go and we'll make that bigger

513  
00:26:35,630 --> 00:26:33,240

and so uh here is the original posting

514

00:26:37,130 --> 00:26:35,640  
on GoFundMe which is extremely

515

00:26:40,130 --> 00:26:37,140  
problematic

516

00:26:41,870 --> 00:26:40,140  
Randy Cramer's heroic efforts to help

517

00:26:44,810 --> 00:26:41,880  
research and develop Earth's first

518

00:26:48,049 --> 00:26:44,820  
holographic regenerating Med beds

519

00:26:50,510 --> 00:26:48,059  
his funds are running low

520

00:26:52,370 --> 00:26:50,520  
to continue this awesome Endeavor he

521

00:26:54,470 --> 00:26:52,380  
needs your help this seventy thousand

522

00:26:57,110 --> 00:26:54,480  
dollar goal will help bridge the gap

523

00:26:59,269 --> 00:26:57,120  
once Captain Randy Kramer has these

524

00:27:01,669 --> 00:26:59,279  
funds his mission and here's where it

525

00:27:04,669 --> 00:27:01,679  
gets really problematic for Randy Kramer

526  
00:27:07,549 --> 00:27:04,679  
it says his mission is sanctioned by his

527  
00:27:09,830 --> 00:27:07,559  
Brigadier General how does a fake Marine

528  
00:27:10,789 --> 00:27:09,840  
have a brigadier general he's not a real

529  
00:27:13,370 --> 00:27:10,799  
Marine

530  
00:27:16,970 --> 00:27:13,380  
I guess the Brigadier General is fake

531  
00:27:19,250 --> 00:27:16,980  
too and how slimy is it to pretend that

532  
00:27:22,730 --> 00:27:19,260  
you're a marine and you are going to

533  
00:27:24,890 --> 00:27:22,740  
bring Medved technology and help all

534  
00:27:26,269 --> 00:27:24,900  
those injured veterans and you're being

535  
00:27:30,529 --> 00:27:26,279  
sanctioned

536  
00:27:35,750 --> 00:27:30,539  
right this whole project this whole med

537  
00:27:38,269 --> 00:27:35,760  
bed is Project is sanctioned or I

538  
00:27:40,730 --> 00:27:38,279

suppose sponsored or endorsed by his

539

00:27:43,490 --> 00:27:40,740

Brigadier General it's to bring together

540

00:27:45,409 --> 00:27:43,500

large investors to employ full-time

541

00:27:46,789 --> 00:27:45,419

medical engineers and computer software

542

00:27:49,610 --> 00:27:46,799

engineers

543

00:27:51,830 --> 00:27:49,620

Security Services and other Personnel an

544

00:27:55,010 --> 00:27:51,840

a team of professionals to develop the

545

00:28:00,529 --> 00:27:57,470

yeah

546

00:28:02,990 --> 00:28:00,539

this 70 000 goal to help bridge the gap

547

00:28:04,010 --> 00:28:03,000

once Randy Kramer has these funds his

548

00:28:06,710 --> 00:28:04,020

mission

549

00:28:08,870 --> 00:28:06,720

sanctioned by his Brigadier General

550

00:28:11,090 --> 00:28:08,880

moves forward right

551  
00:28:15,710 --> 00:28:11,100  
the eventual mass production of these

552  
00:28:17,870 --> 00:28:15,720  
futuristic Med beds means we the Earth's

553  
00:28:21,289 --> 00:28:17,880  
population can finally have access to a

554  
00:28:24,830 --> 00:28:21,299  
technology which can one regrow limbs

555  
00:28:28,549 --> 00:28:24,840  
Two Cure All diseases including cancer

556  
00:28:29,990 --> 00:28:28,559  
three age regress an older body to a

557  
00:28:32,870 --> 00:28:30,000  
younger body

558  
00:28:35,870 --> 00:28:32,880  
four allow us to live much longer to

559  
00:28:38,450 --> 00:28:35,880  
have fun and contribute more these funds

560  
00:28:40,130 --> 00:28:38,460  
are needed right now right now in

561  
00:28:42,890 --> 00:28:40,140  
capital letters he definitely needed the

562  
00:28:46,070 --> 00:28:42,900  
money during this Medved scan These

563  
00:28:49,130 --> 00:28:46,080

funds go directly and only to

564

00:28:52,789 --> 00:28:49,140

Independent field commander Randy Kramer

565

00:28:57,710 --> 00:28:55,370

Mars Defense Force yes

566

00:28:59,450 --> 00:28:57,720

the sooner we can reach this goal the

567

00:29:02,409 --> 00:28:59,460

sooner we can all have access to these

568

00:29:07,250 --> 00:29:02,419

amazing amazing Elysium style

569

00:29:15,950 --> 00:29:09,890

this technology is cheaper faster less

570

00:29:21,889 --> 00:29:18,169

and it works better and it costs less

571

00:29:25,430 --> 00:29:21,899

money it cures everything everything

572

00:29:28,090 --> 00:29:25,440

it can cure blindness deafness limbs

573

00:29:31,130 --> 00:29:28,100

that are damaged limbs they're gone

574

00:29:34,010 --> 00:29:31,140

organs that are damaged neurological

575

00:29:37,130 --> 00:29:34,020

diseases genetic disorders

576  
00:29:40,909 --> 00:29:37,140  
and regrowing limbs

577  
00:29:43,430 --> 00:29:40,919  
it would absolutely fix and cure every

578  
00:29:45,649 --> 00:29:43,440  
single thing even the things that are

579  
00:29:48,710 --> 00:29:45,659  
modern Medical Science can't

580  
00:29:51,590 --> 00:29:48,720  
not only uh can you fix everything

581  
00:29:54,830 --> 00:29:51,600  
cellular regeneration for Life Extension

582  
00:29:57,350 --> 00:29:54,840  
is not even complicated

583  
00:30:00,950 --> 00:29:57,360  
and here is where things get interesting

584  
00:30:04,549 --> 00:30:00,960  
because this is a YouTuber named pot of

585  
00:30:07,250 --> 00:30:04,559  
gold and pot of gold apparently gave

586  
00:30:09,169 --> 00:30:07,260  
well first she said 78 000 Australian

587  
00:30:11,690 --> 00:30:09,179  
dollars to Captain Randy Kramer's

588  
00:30:13,430 --> 00:30:11,700

holographic regenerating Med beds and

589

00:30:16,490 --> 00:30:13,440

research and development project then

590

00:30:20,210 --> 00:30:16,500

she corrected herself and said No I gave

591

00:30:24,350 --> 00:30:20,220

80 000 Australian dollars sixty thousand

592

00:30:26,810 --> 00:30:24,360

U.S dollars to Captain Randy Cramer's

593

00:30:30,169 --> 00:30:26,820

holographic regenerating Med beds

594

00:30:33,950 --> 00:30:30,179

research and development project

595

00:30:36,289 --> 00:30:33,960

so uh there's 60 000 US dollars that

596

00:30:39,529 --> 00:30:36,299

apparently Randy Kramer was given

597

00:30:41,630 --> 00:30:39,539

for this Medved scam but it's important

598

00:30:44,690 --> 00:30:41,640

to realize that that sixty thousand

599

00:30:46,490 --> 00:30:44,700

dollars didn't go to the GoFundMe so she

600

00:30:49,070 --> 00:30:46,500

must have sent it to him by PayPal or

601  
00:30:51,950 --> 00:30:49,080  
some separate means if she even did it

602  
00:30:54,070 --> 00:30:51,960  
all for all we know this is a sock

603  
00:30:58,430 --> 00:30:54,080  
puppet account and Randy Kramer is

604  
00:31:01,789 --> 00:30:58,440  
pumping people to you know donate big by

605  
00:31:04,430 --> 00:31:01,799  
claiming that someone donated

606  
00:31:07,909 --> 00:31:04,440  
sixty thousand US dollars

607  
00:31:09,950 --> 00:31:07,919  
we have no verification however

608  
00:31:12,230 --> 00:31:09,960  
um a researcher named Richard Cole

609  
00:31:14,029 --> 00:31:12,240  
reached out to her and claimed and she

610  
00:31:15,169 --> 00:31:14,039  
claimed that she got nothing for her

611  
00:31:17,930 --> 00:31:15,179  
money

612  
00:31:20,409 --> 00:31:17,940  
same researcher Richard Cole also

613  
00:31:24,649 --> 00:31:20,419

verified that the GoFundMe

614

00:31:27,409 --> 00:31:24,659

page had 10 000 US Dollars reached

615

00:31:31,010 --> 00:31:27,419

before GoFundMe pulled it for being a

616

00:31:33,470 --> 00:31:31,020

scam so if we believe this person part

617

00:31:37,669 --> 00:31:33,480

of me if we believe this person and we

618

00:31:39,529 --> 00:31:37,679

also believe uh the GoFundMe there's no

619

00:31:41,450 --> 00:31:39,539

reason to

620

00:31:44,450 --> 00:31:41,460

not believe the ten thousand dollar

621

00:31:46,490 --> 00:31:44,460

figure from GoFundMe this one I'm not

622

00:31:48,409 --> 00:31:46,500

sure of it's in question I haven't seen

623

00:31:50,090 --> 00:31:48,419

you know Bank deposits or canceled

624

00:31:52,370 --> 00:31:50,100

checks or anything to verify that this

625

00:31:55,010 --> 00:31:52,380

woman actually gave him sixty thousand

626

00:31:58,190 --> 00:31:55,020

ufs dollars but if we take her for her

627

00:32:00,950 --> 00:31:58,200

word that means that Randy Kramer made

628

00:32:03,529 --> 00:32:00,960

at least 70

629

00:32:06,529 --> 00:32:03,539

000 US Dollars seventy thousand US

630

00:32:08,810 --> 00:32:06,539

dollars in this Medved scam if this is

631

00:32:12,710 --> 00:32:08,820

fake he made at least ten thousand

632

00:32:14,690 --> 00:32:12,720

dollars U.S in this Medved scam and by

633

00:32:17,750 --> 00:32:14,700

the way uh that person who claimed to

634

00:32:20,090 --> 00:32:17,760

give 60 000 US Dollars claims she got

635

00:32:23,450 --> 00:32:20,100

nothing in return

636

00:32:25,669 --> 00:32:23,460

she gave Captain fake Space Marine

637

00:32:29,870 --> 00:32:25,679

Captain Randy Kramer

638

00:32:31,789 --> 00:32:29,880

UH 60 000 US Dollars and she got nothing

639

00:32:34,250 --> 00:32:31,799

nothing in return

640

00:32:37,430 --> 00:32:34,260

uh what's most troubling to me

641

00:32:41,470 --> 00:32:37,440

is that this guy is so stupid that he

642

00:32:44,630 --> 00:32:41,480

went on a tour of sorts and ran around

643

00:32:47,450 --> 00:32:44,640

pumping people to donate to this Medved

644

00:32:51,370 --> 00:32:47,460

scam GoFundMe and while he was doing it

645

00:32:54,250 --> 00:32:51,380

he was making an awful lot of absolutely

646

00:32:58,130 --> 00:32:54,260

Fantastical claims

647

00:33:00,710 --> 00:32:58,140

and uh I thought that we should see his

648

00:33:03,110 --> 00:33:00,720

pitch because his pitch is hysterical

649

00:33:04,789 --> 00:33:03,120

I'll take a moment just to check in with

650

00:33:06,830 --> 00:33:04,799

a live chat we want to welcome all of

651  
00:33:10,250 --> 00:33:06,840  
you if you're just now joining us

652  
00:33:14,690 --> 00:33:10,260  
uh you are watching true Seekers and we

653  
00:33:17,149 --> 00:33:14,700  
are uh right now we are showing the

654  
00:33:21,409 --> 00:33:17,159  
results of our investigation into Randy

655  
00:33:24,769 --> 00:33:21,419  
Kramer fakes face Marines Medved scam

656  
00:33:28,669 --> 00:33:24,779  
which apparently or allegedly or

657  
00:33:30,529 --> 00:33:28,679  
maybe netted him some seventy thousand

658  
00:33:32,810 --> 00:33:30,539  
dollars and he has yet to produce

659  
00:33:34,130 --> 00:33:32,820  
anything for the seventy thousand

660  
00:33:38,210 --> 00:33:34,140  
dollars nothing

661  
00:33:41,389 --> 00:33:38,220  
absolutely nothing and in fact after the

662  
00:33:43,370 --> 00:33:41,399  
GoFundMe uh page was shut down Randy

663  
00:33:45,169 --> 00:33:43,380

Kramer laid low for a while

664

00:33:46,610 --> 00:33:45,179

maybe he was spending all that money

665

00:33:48,049 --> 00:33:46,620

that he stole

666

00:33:50,389 --> 00:33:48,059

allegedly

667

00:33:53,269 --> 00:33:50,399

and then

668

00:33:58,610 --> 00:33:53,279

he has popped up recently with a new

669

00:34:00,889 --> 00:33:58,620

project where you can for 99 you can

670

00:34:02,269 --> 00:34:00,899

take a course with him and you can get

671

00:34:05,029 --> 00:34:02,279

super powers

672

00:34:06,889 --> 00:34:05,039

we've covered that part of the Randy

673

00:34:09,409 --> 00:34:06,899

Kramer swindle

674

00:34:13,669 --> 00:34:09,419

previously we're going to stick to the

675

00:34:15,050 --> 00:34:13,679

med bed uh Swindle tonight so let's get

676  
00:34:18,310 --> 00:34:15,060  
into that

677  
00:34:21,169 --> 00:34:18,320  
uh and this is a video that I have

678  
00:34:23,810 --> 00:34:21,179  
compiled from various public appearances

679  
00:34:24,710 --> 00:34:23,820  
that he's made and

680  
00:34:28,730 --> 00:34:24,720  
um

681  
00:34:31,730 --> 00:34:28,740  
show appearances and by the way shame on

682  
00:34:33,950 --> 00:34:31,740  
all of these show hosts who did not vet

683  
00:34:35,869 --> 00:34:33,960  
any of his claims let him go on their

684  
00:34:38,210 --> 00:34:35,879  
show and claim he was a marine or a Navy

685  
00:34:39,889 --> 00:34:38,220  
SEAL or whatever while he's scamming

686  
00:34:41,869 --> 00:34:39,899  
people telling people that he's going to

687  
00:34:46,310 --> 00:34:41,879  
create Med beds that

688  
00:34:47,750 --> 00:34:46,320

cure cancer blindness deafness he even

689

00:34:50,570 --> 00:34:47,760

in one appearance and we're going to

690

00:34:53,210 --> 00:34:50,580

watch that one claimed that his Med beds

691

00:34:54,950 --> 00:34:53,220

could cure autism and mental retardation

692

00:34:58,190 --> 00:34:54,960

in children

693

00:35:01,849 --> 00:34:58,200

besides being able to regrow limbs

694

00:35:04,310 --> 00:35:01,859

and I guess the troubling part for me is

695

00:35:07,730 --> 00:35:04,320

this sales pitch that he

696

00:35:09,530 --> 00:35:07,740

gives wherein he is telling people that

697

00:35:11,690 --> 00:35:09,540

while on Mars he was getting his arms

698

00:35:13,670 --> 00:35:11,700

and legs blown off constantly but it's

699

00:35:15,530 --> 00:35:13,680

okay because they put him in the med bed

700

00:35:17,089 --> 00:35:15,540

and just would regrow his arms and legs

701  
00:35:20,810 --> 00:35:17,099  
that got blown off in a couple of hours

702  
00:35:23,089 --> 00:35:20,820  
and while he was there he learned all

703  
00:35:25,910 --> 00:35:23,099  
the secrets to this Medved technology

704  
00:35:32,030 --> 00:35:25,920  
and he's going to bring it to us

705  
00:35:37,670 --> 00:35:35,150  
all right oh and by the way for all of

706  
00:35:41,569 --> 00:35:37,680  
you audio files please please don't

707  
00:35:44,510 --> 00:35:41,579  
complain to me uh Randy Kramer

708  
00:35:47,930 --> 00:35:44,520  
apparently this is the guy Randy Kramer

709  
00:35:51,589 --> 00:35:47,940  
the super soldier Space Marine who uh is

710  
00:35:53,690 --> 00:35:51,599  
going to let's see cure cancer cure

711  
00:35:56,890 --> 00:35:53,700  
mental retardation and autism in

712  
00:36:00,589 --> 00:35:56,900  
children cure blindness pure deafness

713  
00:36:02,630 --> 00:36:00,599

regrow limbs age regress people even if

714

00:36:04,849 --> 00:36:02,640

you're 85 you can go right back to pin

715

00:36:07,670 --> 00:36:04,859

21 years old and more

716

00:36:09,829 --> 00:36:07,680

uh Randy Kramer has a microphone that he

717

00:36:12,230 --> 00:36:09,839

got at Five Below and some of these

718

00:36:15,470 --> 00:36:12,240

podcast appearances he it's like

719

00:36:17,990 --> 00:36:15,480

distorted and echoing and he's literally

720

00:36:19,790 --> 00:36:18,000

using a five dollar microphone as he's

721

00:36:23,089 --> 00:36:19,800

begging people for millions of dollars

722

00:36:25,790 --> 00:36:23,099

in this Medved scam uh I'm just pointing

723

00:36:28,430 --> 00:36:25,800

that out so please don't complain to me

724

00:36:29,870 --> 00:36:28,440

that the audio about the audio quality I

725

00:36:31,490 --> 00:36:29,880

did the best that I could quickly to

726

00:36:34,069 --> 00:36:31,500

clean it up before broadcast tonight

727

00:36:36,829 --> 00:36:34,079

it's really Randy Kramer Space Marines

728

00:36:39,109 --> 00:36:36,839

uh five dollar microphone

729

00:36:41,690 --> 00:36:39,119

killing dying getting blown up getting

730

00:36:44,690 --> 00:36:41,700

rebuilt again we have these really cool

731

00:36:46,730 --> 00:36:44,700

medically uh these holographic

732

00:36:48,710 --> 00:36:46,740

regenerating medical beds

733

00:36:51,349 --> 00:36:48,720

so cool

734

00:36:53,030 --> 00:36:51,359

they make every other Medical Technology

735

00:36:55,310 --> 00:36:53,040

you have ever heard of

736

00:36:57,230 --> 00:36:55,320

Dark Ages obsolete

737

00:36:59,329 --> 00:36:57,240

's results

738

00:37:02,150 --> 00:36:59,339

a holographic regenerating medical bed

739

00:37:04,670 --> 00:37:02,160

major technology that we use because it

740

00:37:06,950 --> 00:37:04,680

just fixes everything uh and when you're

741

00:37:08,750 --> 00:37:06,960

especially when you're talking about

742

00:37:10,910 --> 00:37:08,760

um where you're having to deal with

743

00:37:13,430 --> 00:37:10,920

massive tissue damage and regeneration

744

00:37:15,290 --> 00:37:13,440

and so forth um you know you can't just

745

00:37:17,270 --> 00:37:15,300

inject a serum into somebody's arm to

746

00:37:19,310 --> 00:37:17,280

grow back their hand and so forth and

747

00:37:22,849 --> 00:37:19,320

fix their to restore a liver that's been

748

00:37:27,349 --> 00:37:25,010

Whoa We want to thank Chris Joe Hansen

749

00:37:28,569 --> 00:37:27,359

for a Kind and Generous 100 Canadian

750

00:37:31,310 --> 00:37:28,579

dollars

751  
00:37:34,190 --> 00:37:31,320  
very generous of you praise the cash

752  
00:37:36,589 --> 00:37:34,200  
praise the cash thank God Almighty Chris

753  
00:37:40,190 --> 00:37:36,599  
Johansson's here he's praising the cash

754  
00:37:42,250 --> 00:37:40,200  
big time today I I feel it I feel the

755  
00:37:44,630 --> 00:37:42,260  
generosity in the air Chris Johansen

756  
00:37:46,910 --> 00:37:44,640  
praised the cash praise the cash

757  
00:37:49,190 --> 00:37:46,920  
Hallelujah uh thank you for your

758  
00:37:57,010 --> 00:37:49,200  
kindness generosity and support and for

759  
00:38:02,630 --> 00:37:59,990  
thank you for your kindness thank you

760  
00:38:06,250 --> 00:38:02,640  
for your generosity praise the cash

761  
00:38:06,260 --> 00:38:10,329  
[Music]

762  
00:38:14,569 --> 00:38:12,829  
incredibly generous of you thank you for

763  
00:38:15,950 --> 00:38:14,579

your kindness generosity and continued

764

00:38:18,470 --> 00:38:15,960

support of the show

765

00:38:20,630 --> 00:38:18,480

a big time show supporter throwing it

766

00:38:23,750 --> 00:38:20,640

down tonight and setting a good example

767

00:38:26,510 --> 00:38:23,760

for everyone else thank you for your

768

00:38:28,250 --> 00:38:26,520

kindness much much appreciated uh

769

00:38:30,349 --> 00:38:28,260

that'll go a long way towards hope

770

00:38:33,650 --> 00:38:30,359

helping our show and we thank you for

771

00:38:35,750 --> 00:38:33,660

your kindness generosity and support uh

772

00:38:37,130 --> 00:38:35,760

Chris says you're welcome uh no you're

773

00:38:39,829 --> 00:38:37,140

welcome I'm going to keep you in my

774

00:38:42,410 --> 00:38:39,839

prayers Chris thank you very much I

775

00:38:44,030 --> 00:38:42,420

appreciate it right yes so nice and

776

00:38:46,310 --> 00:38:44,040

generous we have the most generous

777

00:38:48,710 --> 00:38:46,320

people here right

778

00:38:52,010 --> 00:38:48,720

and thank you I I appreciate it

779

00:38:53,329 --> 00:38:52,020

immensely so uh essentially I don't know

780

00:38:56,510 --> 00:38:53,339

if we're going to go through all of this

781

00:38:59,750 --> 00:38:56,520

I might uh I'm gonna post this video

782

00:39:02,270 --> 00:38:59,760

separately this whole video which I made

783

00:39:04,790 --> 00:39:02,280

is clips of Randy Kramer trying to sell

784

00:39:08,210 --> 00:39:04,800

the Medved scam and all of these media

785

00:39:10,310 --> 00:39:08,220

appearances were made while the go fund

786

00:39:11,810 --> 00:39:10,320

me was still active and live so pretty

787

00:39:13,490 --> 00:39:11,820

much the holographic regenerating

788

00:39:15,170 --> 00:39:13,500

medical bench was the only thing that

789

00:39:16,849 --> 00:39:15,180

you know could keep people together fast

790

00:39:18,470 --> 00:39:16,859

enough and quick enough and especially

791

00:39:20,630 --> 00:39:18,480

what I'm really excited about is the

792

00:39:22,730 --> 00:39:20,640

medical regenerating Med Beds which can

793

00:39:26,030 --> 00:39:22,740

regrow Limbs and restore damaged organs

794

00:39:28,970 --> 00:39:26,040

Etc the holographic uh Region Medical

795

00:39:32,270 --> 00:39:28,980

bed technology is probably one of the

796

00:39:35,089 --> 00:39:32,280

most amazing Technologies and by the way

797

00:39:38,290 --> 00:39:35,099

again this man is claiming that he could

798

00:39:41,690 --> 00:39:38,300

regrow limbs cure cancer cure every

799

00:39:43,910 --> 00:39:41,700

disease in the world but he only has

800

00:39:45,670 --> 00:39:43,920

access to a five dollar microphone I

801  
00:39:49,010 --> 00:39:45,680  
have ever seen or heard of

802  
00:39:50,930 --> 00:39:49,020  
and certainly for me to be standing here

803  
00:39:52,670 --> 00:39:50,940  
with body parts that have been ripped

804  
00:39:56,030 --> 00:39:52,680  
apart and blown off so many times is

805  
00:39:58,730 --> 00:39:56,040  
miraculous and Miracle of science so

806  
00:40:02,150 --> 00:39:58,740  
he's had his body parts blown off and

807  
00:40:05,030 --> 00:40:02,160  
regenerated multiple times uh in and of

808  
00:40:07,310 --> 00:40:05,040  
itself I would have to say and

809  
00:40:11,510 --> 00:40:07,320  
my favorite part about this technology

810  
00:40:15,230 --> 00:40:11,520  
is that we Now understand that we have

811  
00:40:17,569 --> 00:40:15,240  
the basic components on planet Earth in

812  
00:40:19,910 --> 00:40:17,579  
the civilian world to start putting this

813  
00:40:21,890 --> 00:40:19,920

technology together and by the way the

814

00:40:24,109 --> 00:40:21,900

claims that are being made in text on

815

00:40:27,470 --> 00:40:24,119

the screen I did not add

816

00:40:30,829 --> 00:40:27,480

a supporter the woman who gave him 60

817

00:40:32,690 --> 00:40:30,839

000 US Dollars added those so

818

00:40:35,690 --> 00:40:32,700

um essentially the two main components

819

00:40:38,569 --> 00:40:35,700

of this technology are a computer that

820

00:40:40,430 --> 00:40:38,579

has the ability to uh have a genetic

821

00:40:43,069 --> 00:40:40,440

code entered into it

822

00:40:44,750 --> 00:40:43,079

yeah and by the way uh I just want to

823

00:40:47,030 --> 00:40:44,760

take a moment to mention that I do have

824

00:40:48,710 --> 00:40:47,040

some expertise in the world of computers

825

00:40:50,630 --> 00:40:48,720

I have a background in computer science

826

00:40:53,390 --> 00:40:50,640

I've never seen

827

00:40:55,370 --> 00:40:53,400

a computer that has the ability to enter

828

00:40:59,569 --> 00:40:55,380

a genetic code into it

829

00:41:03,050 --> 00:40:59,579

but uh given the vast amounts of data

830

00:41:05,329 --> 00:41:03,060

that DNA encompasses it would have to be

831

00:41:06,890 --> 00:41:05,339

a hell of a computer perhaps one that

832

00:41:08,150 --> 00:41:06,900

doesn't even exist isn't that

833

00:41:11,210 --> 00:41:08,160

interesting

834

00:41:13,730 --> 00:41:11,220

and be able to create a virtual model of

835

00:41:16,609 --> 00:41:13,740

that person based on that genetic code

836

00:41:19,370 --> 00:41:16,619

the other this is where we get into the

837

00:41:21,230 --> 00:41:19,380

realm of Science Fiction so this system

838

00:41:24,770 --> 00:41:21,240

of his uses a computer that doesn't

839

00:41:26,630 --> 00:41:24,780

exist to create a model of a person just

840

00:41:29,870 --> 00:41:26,640

from their genetic code

841

00:41:31,609 --> 00:41:29,880

wow sounds like Star Trek to me because

842

00:41:33,950 --> 00:41:31,619

these things don't exist in the real

843

00:41:36,770 --> 00:41:33,960

world Randy Kramer

844

00:41:38,990 --> 00:41:36,780

do you need main component is a

845

00:41:41,329 --> 00:41:39,000

holographic projector essentially the

846

00:41:42,589 --> 00:41:41,339

lensing uh of a hall that projects a

847

00:41:45,770 --> 00:41:42,599

holograph a three-dimensional

848

00:41:48,890 --> 00:41:45,780

holographic light image uh you need that

849

00:41:51,470 --> 00:41:48,900

now and by the way uh calligraphy is

850

00:41:53,870 --> 00:41:51,480

still a very young science and I have

851  
00:41:57,290 --> 00:41:53,880  
some experience with Holograms as well

852  
00:42:00,230 --> 00:41:57,300  
in fact I used something like projectors

853  
00:42:02,329 --> 00:42:00,240  
uh or holographic projectors or what

854  
00:42:04,310 --> 00:42:02,339  
people might call a holographic

855  
00:42:08,270 --> 00:42:04,320  
projector in my magic shows and you can

856  
00:42:10,609 --> 00:42:08,280  
see examples of my uh work on that on my

857  
00:42:13,370 --> 00:42:10,619  
previous uh YouTube channel

858  
00:42:16,790 --> 00:42:13,380  
the the things he's describing don't

859  
00:42:19,010 --> 00:42:16,800  
exist there does not currently exist you

860  
00:42:21,349 --> 00:42:19,020  
can you can have the illusion of 3D but

861  
00:42:22,730 --> 00:42:21,359  
a 3D hologram projector I don't believe

862  
00:42:25,430 --> 00:42:22,740  
one exists

863  
00:42:27,349 --> 00:42:25,440

not like he's describing there are some

864

00:42:30,349 --> 00:42:27,359

other components to the technology that

865

00:42:32,150 --> 00:42:30,359

we used on Mars that are way more

866

00:42:33,650 --> 00:42:32,160

advanced oh you used it on Mars we're

867

00:42:35,870 --> 00:42:33,660

going to be able to build here for sure

868

00:42:37,849 --> 00:42:35,880

generating technology the medical

869

00:42:39,589 --> 00:42:37,859

regeneration bed technology which I've

870

00:42:41,690 --> 00:42:39,599

talked quite a bit about the answer to

871

00:42:45,050 --> 00:42:41,700

whether this technology is recreatable

872

00:42:47,930 --> 00:42:45,060

is yes the answer further is it will

873

00:42:49,609 --> 00:42:47,940

take some time the components of the

874

00:42:52,730 --> 00:42:49,619

technology to the resolution that we

875

00:42:54,650 --> 00:42:52,740

need uh to be able to do that I have

876  
00:42:56,510 --> 00:42:54,660  
some medical engineers who are working

877  
00:42:58,849 --> 00:42:56,520  
on this problem

878  
00:43:01,910 --> 00:42:58,859  
working on building great he has some

879  
00:43:03,950 --> 00:43:01,920  
medical engineers so when the police ask

880  
00:43:05,690 --> 00:43:03,960  
him for the names and phone numbers of

881  
00:43:07,670 --> 00:43:05,700  
the medical engineers that he has

882  
00:43:08,990 --> 00:43:07,680  
working on this system while he's

883  
00:43:11,569 --> 00:43:09,000  
soliciting

884  
00:43:13,790 --> 00:43:11,579  
donations from the public he'll be able

885  
00:43:17,450 --> 00:43:13,800  
to provide the names of those

886  
00:43:19,490 --> 00:43:17,460  
people right right hey Randy can I

887  
00:43:21,410 --> 00:43:19,500  
interview those medical engineers that

888  
00:43:22,790 --> 00:43:21,420

were working on this Medved scam with

889

00:43:36,609 --> 00:43:22,800

you

890

00:43:42,349 --> 00:43:39,950

people are applauding a swindler isn't

891

00:43:44,930 --> 00:43:43,730

if I'm gonna take a little money you

892

00:43:47,450 --> 00:43:44,940

don't worry about that I don't need your

893

00:43:51,290 --> 00:43:48,950

I've you know we're going to sort that

894

00:43:53,569 --> 00:43:51,300

out okay so the main components that you

895

00:43:56,450 --> 00:43:53,579

need are computer software that you can

896

00:43:59,030 --> 00:43:56,460

put a DNA code and a virtual Club model

897

00:44:00,890 --> 00:43:59,040

of Andy holographic lens projecting

898

00:44:03,530 --> 00:44:00,900

technology that you can project I'm

899

00:44:06,589 --> 00:44:03,540

sorry about the audio this clown that's

900

00:44:10,430 --> 00:44:06,599

going to cure cancer he only has

901  
00:44:12,230 --> 00:44:10,440  
a five dollar microphone friends

902  
00:44:13,609 --> 00:44:12,240  
I hope he took some of that seventy

903  
00:44:15,470 --> 00:44:13,619  
thousand dollars and bought a decent

904  
00:44:18,530 --> 00:44:15,480  
microphone for himself for his next and

905  
00:44:23,329 --> 00:44:20,990  
basically

906  
00:44:25,069 --> 00:44:23,339  
the rocket science behind it

907  
00:44:27,710 --> 00:44:25,079  
yeah this works because it turns out

908  
00:44:30,050 --> 00:44:27,720  
that a two essential pieces of

909  
00:44:33,109 --> 00:44:30,060  
Technology are involved that we now have

910  
00:44:35,630 --> 00:44:33,119  
so basically there he's saying that he

911  
00:44:37,250 --> 00:44:35,640  
has the technology so when the police

912  
00:44:39,710 --> 00:44:37,260  
come around and they want to see his

913  
00:44:43,010 --> 00:44:39,720

holographic projector and his computer

914

00:44:45,349 --> 00:44:43,020

and his software he'll be able to show

915

00:44:48,410 --> 00:44:45,359

that right hey Randy Kramer can we see

916

00:44:50,390 --> 00:44:48,420

the holographic projector can we see the

917

00:44:52,130 --> 00:44:50,400

computer that doesn't exist that you

918

00:44:54,650 --> 00:44:52,140

claim you could just enter a DNA code in

919

00:44:57,170 --> 00:44:54,660

you just said we have that

920

00:45:00,170 --> 00:44:57,180

great basically what you need is a

921

00:45:04,309 --> 00:45:00,180

computer program needs software

922

00:45:06,589 --> 00:45:04,319

that can lay out a genetic code all the

923

00:45:09,470 --> 00:45:06,599

tgacs here's more proof it's a scam

924

00:45:10,490 --> 00:45:09,480

coming virtual model

925

00:45:13,309 --> 00:45:10,500

right

926  
00:45:15,109 --> 00:45:13,319  
so basically you put that in you put the

927  
00:45:16,550 --> 00:45:15,119  
DNA into the computer but once you put

928  
00:45:18,829 --> 00:45:16,560  
that information into the computer it

929  
00:45:19,849 --> 00:45:18,839  
will build a virtual Model A little CGI

930  
00:45:21,950 --> 00:45:19,859  
person

931  
00:45:24,050 --> 00:45:21,960  
right that looks like what that genetic

932  
00:45:27,410 --> 00:45:24,060  
code looks like

933  
00:45:29,450 --> 00:45:27,420  
now a bunch of doesn't exist from some

934  
00:45:30,589 --> 00:45:29,460  
smarty University that is escaping me at

935  
00:45:33,589 --> 00:45:30,599  
the moment I want to say it was like

936  
00:45:36,170 --> 00:45:33,599  
some Cambridge Stanford guys or whatever

937  
00:45:38,210 --> 00:45:36,180  
here's more proof they come out and

938  
00:45:40,490 --> 00:45:38,220

they've got the software you can put the

939

00:45:44,089 --> 00:45:40,500

DNA code in and you get a rudimentary

940

00:45:46,190 --> 00:45:44,099

sort of CGI person that it builds

941

00:45:48,109 --> 00:45:46,200

and do whatever they want with that

942

00:45:49,910 --> 00:45:48,119

technology I'm just stoked they made it

943

00:45:51,710 --> 00:45:49,920

because I'm going to appropriate it

944

00:45:53,750 --> 00:45:51,720

and use it for what I need to use it for

945

00:45:56,569 --> 00:45:53,760

because I need that same software the

946

00:45:58,430 --> 00:45:56,579

difference that yeah and here's where it

947

00:46:01,609 --> 00:45:58,440

gets interesting so he says some smart

948

00:46:04,210 --> 00:46:01,619

guys at Cambridge invented software that

949

00:46:06,530 --> 00:46:04,220

could do what he's describing

950

00:46:10,490 --> 00:46:06,540

uh I checked in with Cambridge

951  
00:46:11,390 --> 00:46:10,500  
University no such uh research has taken

952  
00:46:14,089 --> 00:46:11,400  
place

953  
00:46:16,190 --> 00:46:14,099  
however here he's claiming he's just

954  
00:46:19,550 --> 00:46:16,200  
going to take software from those smart

955  
00:46:21,530 --> 00:46:19,560  
guys at Cambridge University he's just

956  
00:46:23,809 --> 00:46:21,540  
going to appropriate it that's not how

957  
00:46:26,089 --> 00:46:23,819  
this works you can't just steal software

958  
00:46:27,890 --> 00:46:26,099  
from a research University who's

959  
00:46:31,550 --> 00:46:27,900  
researching something

960  
00:46:35,329 --> 00:46:31,560  
This Is A Swindle this is a scam and I

961  
00:46:35,339 --> 00:46:39,710  
you have

962  
00:46:49,670 --> 00:46:43,250  
I need that like CGI science fiction

963  
00:46:57,109 --> 00:46:53,569

and just a note to say that the data

964

00:46:59,329 --> 00:46:57,119

involved with generating a hologram down

965

00:47:02,750 --> 00:46:59,339

to the cellular level

966

00:47:05,990 --> 00:47:02,760

it would be enormous orders of magnitude

967

00:47:09,050 --> 00:47:06,000

above the computing power of every

968

00:47:11,150 --> 00:47:09,060

computer on Earth in my opinion but what

969

00:47:12,890 --> 00:47:11,160

do I know I'm just a guy with a

970

00:47:14,210 --> 00:47:12,900

background in computer science that has

971

00:47:16,309 --> 00:47:14,220

been involved in the computer industry

972

00:47:19,190 --> 00:47:16,319

my whole life like what do I know right

973

00:47:28,309 --> 00:47:19,200

no believe the fake Space Marine

974

00:47:34,130 --> 00:47:32,210

was great uh and here is where there's

975

00:47:36,950 --> 00:47:34,140

more proof of a scam coming but

976

00:47:40,790 --> 00:47:36,960

interestingly uh what what I think is

977

00:47:43,309 --> 00:47:40,800

very interesting here is that uh a

978

00:47:45,710 --> 00:47:43,319

holographic lens he's claiming he has

979

00:47:47,329 --> 00:47:45,720

those already so when the police knock

980

00:47:49,250 --> 00:47:47,339

on his door and want to see the

981

00:47:51,710 --> 00:47:49,260

holographic lenses that he claimed that

982

00:47:54,650 --> 00:47:51,720

he had while he was begging for

983

00:47:56,990 --> 00:47:54,660

donations for his uh Medved scam here

984

00:47:58,550 --> 00:47:57,000

he'll be able to show us the holographic

985

00:48:00,770 --> 00:47:58,560

lenses right

986

00:48:03,230 --> 00:48:00,780

of course not

987

00:48:05,690 --> 00:48:03,240

the Michael Jackson hologram you know

988

00:48:07,609 --> 00:48:05,700

with Grammys or something

989

00:48:09,710 --> 00:48:07,619

it's not bad

990

00:48:12,290 --> 00:48:09,720

and by the way right there he doesn't

991

00:48:15,109 --> 00:48:12,300

say we have the same holographic

992

00:48:17,329 --> 00:48:15,119

technology that the Grammys used to

993

00:48:20,630 --> 00:48:17,339

generate a hologram of Michael Jackson

994

00:48:22,210 --> 00:48:20,640

but he certainly implies that he has the

995

00:48:24,410 --> 00:48:22,220

same technology

996

00:48:28,069 --> 00:48:24,420

just just

997

00:48:31,069 --> 00:48:28,079

listen that would be millions of dollars

998

00:48:34,910 --> 00:48:31,079

of equipment and millions of dollars of

999

00:48:37,069 --> 00:48:34,920

Technology do we believe that a space a

1000

00:48:38,870 --> 00:48:37,079

fake Space Marine clown who's been

1001  
00:48:41,210 --> 00:48:38,880  
running around telling super soldier

1002  
00:48:43,670 --> 00:48:41,220  
stories for the past five years has

1003  
00:48:45,890 --> 00:48:43,680  
millions of dollars worth of holographic

1004  
00:48:49,309 --> 00:48:45,900  
technology or equipment

1005  
00:48:51,710 --> 00:48:49,319  
he just implied we have them and then he

1006  
00:48:55,069 --> 00:48:51,720  
mentions the Michael Jackson Grammy

1007  
00:48:56,690 --> 00:48:55,079  
hologram which by the way took millions

1008  
00:48:58,370 --> 00:48:56,700  
of dollars worth of equipment to

1009  
00:49:09,589 --> 00:48:58,380  
generate that

1010  
00:49:15,109 --> 00:49:12,710  
cellular resolution so first he says he

1011  
00:49:18,710 --> 00:49:15,119  
has the lenses now he says he needs a

1012  
00:49:18,720 --> 00:49:21,650  
you have

1013  
00:49:25,849 --> 00:49:23,450

project a CGI image that cellular

1014

00:49:27,290 --> 00:49:25,859

resolution then use that holographic

1015

00:49:30,950 --> 00:49:27,300

projector

1016

00:49:33,230 --> 00:49:30,960

to project that image that that CGI

1017

00:49:36,530 --> 00:49:33,240

image that you just made to the cellular

1018

00:49:39,109 --> 00:49:36,540

resolution level you can now project

1019

00:49:40,309 --> 00:49:39,119

the human body to the cellular level

1020

00:49:43,670 --> 00:49:40,319

over

1021

00:49:47,030 --> 00:49:43,680

another person's photography

1022

00:49:50,089 --> 00:49:47,040

yeah so I don't think so

1023

00:49:52,130 --> 00:49:50,099

holographic arm over let's say a Stumpy

1024

00:49:54,230 --> 00:49:52,140

arm that's been blown off

1025

00:49:56,170 --> 00:49:54,240

what normally when your cells reach

1026  
00:49:59,690 --> 00:49:56,180  
there and they go oh we can't go anymore

1027  
00:50:01,609 --> 00:49:59,700  
now they're cool by this holographic arm

1028  
00:50:03,710 --> 00:50:01,619  
and they go oh let's keep going and

1029  
00:50:05,990 --> 00:50:03,720  
that's how you can regrow a limb by

1030  
00:50:09,589 --> 00:50:06,000  
essentially projecting that holographic

1031  
00:50:12,170 --> 00:50:09,599  
arm which kind of acts as a system

1032  
00:50:14,990 --> 00:50:12,180  
and listen this is where it gets so

1033  
00:50:16,490 --> 00:50:15,000  
ridiculous so uh did you blow a limb off

1034  
00:50:19,069 --> 00:50:16,500  
in a war

1035  
00:50:21,410 --> 00:50:19,079  
no problem just use our holographic med

1036  
00:50:24,470 --> 00:50:21,420  
bed technology that we don't have that

1037  
00:50:26,930 --> 00:50:24,480  
doesn't exist right give me lots of

1038  
00:50:29,750 --> 00:50:26,940

money and if you've blown your arms off

1039

00:50:33,650 --> 00:50:29,760

or legs off or hey what if you were born

1040

00:50:36,230 --> 00:50:33,660

without legs without legs or arms we

1041

00:50:38,470 --> 00:50:36,240

could fix that too are you deaf we can

1042

00:50:41,510 --> 00:50:38,480

fix that are you blind we can fix that

1043

00:50:44,329 --> 00:50:41,520

and this is where it gets personal for

1044

00:50:47,049 --> 00:50:44,339

me do you have autistic children we can

1045

00:50:51,230 --> 00:50:47,059

cure that with our med bed technology

1046

00:50:52,910 --> 00:50:51,240

what a slime ball scammer he also

1047

00:50:55,609 --> 00:50:52,920

promised that his Medved technology

1048

00:50:57,290 --> 00:50:55,619

could cure mental retardation in

1049

00:51:00,109 --> 00:50:57,300

children so if you have a child with

1050

00:51:02,510 --> 00:51:00,119

Down Syndrome or some other mental uh

1051  
00:51:06,109 --> 00:51:02,520  
you know neurological issue or problem

1052  
00:51:10,130 --> 00:51:06,119  
or deficiency hey he can cure it

1053  
00:51:13,750 --> 00:51:10,140  
talk about offering hope to the Hopeless

1054  
00:51:17,870 --> 00:51:13,760  
you can cure blindness cancer leukemia

1055  
00:51:21,770 --> 00:51:17,880  
diabetes even aging it's absolutely

1056  
00:51:23,630 --> 00:51:21,780  
ridiculous that anybody would platform

1057  
00:51:28,309 --> 00:51:23,640  
this guy saying all this stuff and by

1058  
00:51:29,990 --> 00:51:28,319  
the way I have had to sit through hours

1059  
00:51:32,329 --> 00:51:30,000  
and hours into this guy pitching this

1060  
00:51:34,309 --> 00:51:32,339  
garbage and these are older interviews

1061  
00:51:37,609 --> 00:51:34,319  
from while the GoFundMe scam was still

1062  
00:51:40,010 --> 00:51:37,619  
in our operation not one show host

1063  
00:51:43,010 --> 00:51:40,020

changed him on any of these claims not

1064

00:51:46,309 --> 00:51:43,020

one they just let him his fake garbage

1065

00:51:48,170 --> 00:51:46,319

if you will or or the sells to just keep

1066

00:51:50,089 --> 00:51:48,180

growing I'm like oh yeah let's just keep

1067

00:51:52,190 --> 00:51:50,099

going and there's more harm until you go

1068

00:51:55,250 --> 00:51:52,200

back the whole arm it also has the

1069

00:51:57,470 --> 00:51:55,260

ability to have damaged cells they want

1070

00:52:01,450 --> 00:51:57,480

they want this is a very interesting

1071

00:52:05,030 --> 00:52:01,460

concept but they want to conform to that

1072

00:52:07,370 --> 00:52:05,040

orderly pattern so they actually want to

1073

00:52:09,890 --> 00:52:07,380

regenerate and restore themselves based

1074

00:52:11,329 --> 00:52:09,900

on that harmonic healthy pattern from

1075

00:52:12,770 --> 00:52:11,339

the damage pattern and that's how you

1076

00:52:14,950 --> 00:52:12,780

have this ability to do completely

1077

00:52:17,690 --> 00:52:14,960

non-invasive no drugs no surgery

1078

00:52:20,089 --> 00:52:17,700

reconstruction of organs

1079

00:52:22,609 --> 00:52:20,099

by the way just to note I I shouldn't

1080

00:52:26,329 --> 00:52:22,619

have to say this but there is zero and

1081

00:52:29,329 --> 00:52:26,339

evidence that a stump or you know the

1082

00:52:31,609 --> 00:52:29,339

end of somebody's missing arm will

1083

00:52:34,250 --> 00:52:31,619

suddenly start growing the rest of the

1084

00:52:37,490 --> 00:52:34,260

arm because somebody placed a lattice or

1085

00:52:40,750 --> 00:52:37,500

hologram made out of light at the end of

1086

00:52:43,549 --> 00:52:40,760

it this is absolutely science fiction

1087

00:52:46,130 --> 00:52:43,559

gobbledygook garbage

1088

00:52:48,890 --> 00:52:46,140

no one challenged him they just let him

1089

00:52:51,530 --> 00:52:48,900

Swindle they just let him sell this fake

1090

00:52:54,650 --> 00:52:51,540

nonsense two pieces of Technology we

1091

00:52:57,710 --> 00:52:54,660

have those now as a civilian population

1092

00:53:02,089 --> 00:52:57,720

we have the holographic projector and

1093

00:53:03,710 --> 00:53:02,099

just last summer uh a science team at a

1094

00:53:05,930 --> 00:53:03,720

couple different universities managed to

1095

00:53:08,630 --> 00:53:05,940

put together not necessarily for the

1096

00:53:10,690 --> 00:53:08,640

purposes yeah it'll cure everything

1097

00:53:13,069 --> 00:53:10,700

lunar Sparkles

1098

00:53:14,030 --> 00:53:13,079

software that you put in the genetic

1099

00:53:15,829 --> 00:53:14,040

code

1100

00:53:19,069 --> 00:53:15,839

in a very base

1101  
00:53:21,470 --> 00:53:19,079  
uh building uh model of what that person

1102  
00:53:22,970 --> 00:53:21,480  
looks like or would look like if the

1103  
00:53:25,250 --> 00:53:22,980  
technology itself

1104  
00:53:26,390 --> 00:53:25,260  
that's what we needed we needed that

1105  
00:53:30,049 --> 00:53:26,400  
technology

1106  
00:53:33,349 --> 00:53:30,059  
harmonic resonance

1107  
00:53:35,030 --> 00:53:33,359  
the cells NSYNC called Kramer they want

1108  
00:53:37,549 --> 00:53:35,040  
their they want their headset back

1109  
00:53:40,490 --> 00:53:37,559  
example that's a perfect example right

1110  
00:53:42,650 --> 00:53:40,500  
it's your pure genetic code so let's say

1111  
00:53:48,290 --> 00:53:42,660  
you create a holographic projection of

1112  
00:53:52,370 --> 00:53:50,750  
blueprint from your DNA code so the

1113  
00:53:55,010 --> 00:53:52,380

holographic image of that will be an

1114

00:53:58,069 --> 00:53:55,020

undamaged perfect never used

1115

00:54:00,410 --> 00:53:58,079

now let's say

1116

00:54:02,150 --> 00:54:00,420

maybe your actual liver is not doing so

1117

00:54:05,030 --> 00:54:02,160

good yeah and here's where it gets

1118

00:54:07,790 --> 00:54:05,040

disgusting oh are you an alcoholic don't

1119

00:54:09,950 --> 00:54:07,800

worry about it we can we can repair your

1120

00:54:11,270 --> 00:54:09,960

liver with our holographic Medved

1121

00:54:14,049 --> 00:54:11,280

technology

1122

00:54:17,210 --> 00:54:14,059

nonsense absolutely

1123

00:54:20,030 --> 00:54:17,220

nonsensical this is absolutely nonsense

1124

00:54:21,470 --> 00:54:20,040

okay or maybe any other reasons I mean

1125

00:54:23,870 --> 00:54:21,480

you could not be a drinker and not have

1126  
00:54:26,210 --> 00:54:23,880  
liver failure but your organs can go bad

1127  
00:54:30,410 --> 00:54:26,220  
for any reason but if you project that

1128  
00:54:32,690 --> 00:54:30,420  
Perfect Image over a damaged organ

1129  
00:54:35,030 --> 00:54:32,700  
dominant harmonic frequency resonance

1130  
00:54:36,349 --> 00:54:35,040  
means that that organ is going to want

1131  
00:54:41,569 --> 00:54:36,359  
to

1132  
00:54:44,450 --> 00:54:41,579  
over a period of time

1133  
00:54:46,490 --> 00:54:44,460  
those cells are just going to want to

1134  
00:54:48,109 --> 00:54:46,500  
look like those healthy cells and

1135  
00:54:51,230 --> 00:54:48,119  
they're and they're just going to change

1136  
00:54:53,329 --> 00:54:51,240  
the cell the very raw cellular structure

1137  
00:54:56,630 --> 00:54:53,339  
matching up with this image Perfect

1138  
00:54:58,549 --> 00:54:56,640

Image just wants to conform to that

1139

00:55:00,950 --> 00:54:58,559  
shape because it's a it's a it's a

1140

00:55:01,790 --> 00:55:00,960  
slightly solid light form being a

1141

00:55:04,250 --> 00:55:01,800  
hologram it's a sort of

1142

00:55:06,230 --> 00:55:04,260  
three-dimensional semi-solid light okay

1143

00:55:07,790 --> 00:55:06,240  
so according to him if you have a bad

1144

00:55:10,549 --> 00:55:07,800  
liver we're just going to project a

1145

00:55:12,890 --> 00:55:10,559  
hologram of a perfect liver on top of

1146

00:55:15,650 --> 00:55:12,900  
your damaged liver and your liver is

1147

00:55:16,870 --> 00:55:15,660  
just going to instantly conform and heal

1148

00:55:21,410 --> 00:55:16,880  
itself

1149

00:55:25,549 --> 00:55:21,420  
absolute science fiction fantasy Goblin

1150

00:55:27,890 --> 00:55:25,559  
book nonsense this guy was selling

1151  
00:55:31,190 --> 00:55:27,900  
garbage and what's more disturbing is

1152  
00:55:35,690 --> 00:55:31,200  
everyone let him source that Excel can

1153  
00:55:42,790 --> 00:55:38,809  
the things that we need to do we're back

1154  
00:55:49,309 --> 00:55:46,190  
is actually very simple it is to

1155  
00:55:53,569 --> 00:55:49,319  
increase the resolution of both of these

1156  
00:55:55,670 --> 00:55:53,579  
Technologies to the cellular level so so

1157  
00:55:57,109 --> 00:55:55,680  
when we have the ability to yeah and

1158  
00:55:58,730 --> 00:55:57,119  
this is science fiction nonsense too

1159  
00:56:00,890 --> 00:55:58,740  
what does that even mean

1160  
00:56:04,430 --> 00:56:00,900  
nobody knows because he's making this up

1161  
00:56:08,089 --> 00:56:04,440  
software and tell that genetic code to

1162  
00:56:09,349 --> 00:56:08,099  
print us out a virtual image of just

1163  
00:56:11,750 --> 00:56:09,359

like you don't have to get the whole

1164

00:56:14,089 --> 00:56:11,760

body let's just say we want a finger but

1165

00:56:15,950 --> 00:56:14,099

down to the cellular level of that

1166

00:56:18,410 --> 00:56:15,960

finger and then if we can get the

1167

00:56:19,790 --> 00:56:18,420

holographic projector to be able to

1168

00:56:21,710 --> 00:56:19,800

again it doesn't have to be able to

1169

00:56:24,230 --> 00:56:21,720

project the entire distance of the whole

1170

00:56:26,990 --> 00:56:24,240

body but to be able to put like a three

1171

00:56:31,089 --> 00:56:27,000

by three area of a resolution that's

1172

00:56:33,710 --> 00:56:31,099

down to that cellular level okay now

1173

00:56:42,430 --> 00:56:33,720

oh yeah we're just going to regrow your

1174

00:56:46,549 --> 00:56:44,510

you know the parts of someone's arm

1175

00:56:48,170 --> 00:56:46,559

because you can project the part of the

1176

00:56:50,510 --> 00:56:48,180

arm that needs to be in front of the

1177

00:56:52,370 --> 00:56:50,520

cell growth and allow the cell growth to

1178

00:56:54,049 --> 00:56:52,380

slowly you know match up to the

1179

00:56:57,290 --> 00:56:54,059

holographic projection and be able to

1180

00:56:59,210 --> 00:56:57,300

regrow limbs a holographic uh harmonic

1181

00:57:01,790 --> 00:56:59,220

dominant harmonic frequency sort of

1182

00:57:04,250 --> 00:57:01,800

process where yeah a holographic

1183

00:57:07,010 --> 00:57:04,260

dominant harmonic frequency

1184

00:57:08,809 --> 00:57:07,020

uh that's a bunch of disconnected terms

1185

00:57:11,450 --> 00:57:08,819

that don't make any sense for Andy

1186

00:57:14,569 --> 00:57:11,460

Kramer but don't let things like science

1187

00:57:17,630 --> 00:57:14,579

and technology terms that are real get

1188

00:57:20,270 --> 00:57:17,640

in the way of a good scam you Project A

1189

00:57:22,069 --> 00:57:20,280

Perfect Image uh I'll say you know my

1190

00:57:23,870 --> 00:57:22,079

arm is damaged it's been burnt you know

1191

00:57:26,150 --> 00:57:23,880

third degree and we project a perfect

1192

00:57:28,190 --> 00:57:26,160

image of you know my arm holographically

1193

00:57:30,109 --> 00:57:28,200

down to the cellular level eventually

1194

00:57:31,549 --> 00:57:30,119

this arm will just heal itself it will

1195

00:57:32,990 --> 00:57:31,559

just want to go oh those are those are

1196

00:57:34,730 --> 00:57:33,000

the cells that we actually want to look

1197

00:57:37,190 --> 00:57:34,740

like and it will just it'll fix itself

1198

00:57:40,430 --> 00:57:37,200

and if my arm gets blown off right here

1199

00:57:42,530 --> 00:57:40,440

and I don't have a hand uh normally when

1200

00:57:44,630 --> 00:57:42,540

your cells reach the air they go oh we

1201  
00:57:46,910 --> 00:57:44,640  
can't grow anymore well if you Project A

1202  
00:57:49,849 --> 00:57:46,920  
Perfect Image down to the cellular level

1203  
00:57:51,950 --> 00:57:49,859  
of that hand yeah and by the way this is

1204  
00:57:53,630 --> 00:57:51,960  
taken from multiple appearances just so

1205  
00:57:55,670 --> 00:57:53,640  
everybody's aware and it would appear

1206  
00:57:57,770 --> 00:57:55,680  
that he just keeps repeating the same

1207  
00:58:00,349 --> 00:57:57,780  
thing you just project the lattice of

1208  
00:58:02,210 --> 00:58:00,359  
holographic uh the rest of the arm and

1209  
00:58:03,950 --> 00:58:02,220  
the arm just heals itself Anthony

1210  
00:58:05,930 --> 00:58:03,960  
Peterson with a Kylie generous five

1211  
00:58:07,549 --> 00:58:05,940  
dollars says I need the portable Medved

1212  
00:58:08,930 --> 00:58:07,559  
model to help me get out of bed in the

1213  
00:58:11,390 --> 00:58:08,940

morning I'm sure it could get me going

1214

00:58:13,010 --> 00:58:11,400

like caffeine yeah and you can age

1215

00:58:16,190 --> 00:58:13,020

regress yourself to when you were

1216

00:58:19,069 --> 00:58:16,200

younger and had a much much easier time

1217

00:58:20,870 --> 00:58:19,079

uh you know getting out of bed Anthony

1218

00:58:23,329 --> 00:58:20,880

Peterson and thank you for your kindness

1219

00:58:24,950 --> 00:58:23,339

your generosity and your support uh

1220

00:58:30,290 --> 00:58:24,960

thank you for helping us to praise the

1221

00:58:36,370 --> 00:58:34,329

[Music]

1222

00:58:42,370 --> 00:58:36,380

all right

1223

00:58:45,770 --> 00:58:42,380

[Music]

1224

00:58:48,170 --> 00:58:45,780

thank you Anthony Peterson for your

1225

00:58:51,349 --> 00:58:48,180

continued support of the show it is much

1226

00:58:53,210 --> 00:58:51,359

much appreciated uh we appreciate your

1227

00:58:56,089 --> 00:58:53,220

kindness and generosity

1228

00:58:58,970 --> 00:58:56,099

and uh it's good to see uh so many

1229

00:59:00,470 --> 00:58:58,980

people here in the live chat tonight uh

1230

00:59:01,970 --> 00:59:00,480

we want to thank all of you for joining

1231

00:59:04,849 --> 00:59:01,980

us if you're just now joining us we're

1232

00:59:07,849 --> 00:59:04,859

covering Randy Kramer's The Stolen Valor

1233

00:59:09,770 --> 00:59:07,859

swindler and his ridiculous Medved scam

1234

00:59:11,630 --> 00:59:09,780

of your arm the cells hit the

1235

00:59:13,789 --> 00:59:11,640

holographic projection and go oh we can

1236

00:59:15,230 --> 00:59:13,799

keep going and it essentially fools the

1237

00:59:16,309 --> 00:59:15,240

cells into just go and keep going and

1238

00:59:18,950 --> 00:59:16,319

going all the way down your fingertips

1239

00:59:20,930 --> 00:59:18,960

until you've completely regrown the

1240

00:59:22,130 --> 00:59:20,940

damaged limb yeah and I'm going to tell

1241

00:59:24,230 --> 00:59:22,140

you something that you should already

1242

00:59:26,990 --> 00:59:24,240

know Randy Kramer

1243

00:59:29,750 --> 00:59:27,000

um cells can't just grow on beams of

1244

00:59:32,510 --> 00:59:29,760

light you idiot second thing that it

1245

00:59:34,069 --> 00:59:32,520

does is let's say I get my arm blown off

1246

00:59:36,829 --> 00:59:34,079

right at my elbow

1247

00:59:38,950 --> 00:59:36,839

which I have had a number of times

1248

00:59:42,410 --> 00:59:38,960

more than I can count

1249

00:59:45,109 --> 00:59:42,420

do you hear this so he has had his arm

1250

00:59:46,730 --> 00:59:45,119

blown off below the elbow more times

1251  
00:59:49,250 --> 00:59:46,740  
than he can count

1252  
00:59:52,309 --> 00:59:49,260  
this man just claimed that he had his

1253  
00:59:53,530 --> 00:59:52,319  
arm blown off more times than he can

1254  
00:59:56,089 --> 00:59:53,540  
count

1255  
00:59:57,950 --> 00:59:56,099  
and that's why he learned the secret of

1256  
00:59:59,690 --> 00:59:57,960  
the med bed technology because they kept

1257  
01:00:00,829 --> 00:59:59,700  
putting him in the machine to regrow all

1258  
01:00:03,109 --> 01:00:00,839  
his arms

1259  
01:00:04,730 --> 01:00:03,119  
every time he blew them off but I

1260  
01:00:07,549 --> 01:00:04,740  
thought he was a super soldier right

1261  
01:00:09,289 --> 01:00:07,559  
this makes no sense this idiot ran

1262  
01:00:11,270 --> 01:00:09,299  
around telling everybody that he had

1263  
01:00:13,010 --> 01:00:11,280

arms and legs blown off and they just

1264

01:00:15,589 --> 01:00:13,020

rebuilt his arms and legs each time

1265

01:00:18,650 --> 01:00:15,599

countless times more times than he can

1266

01:00:20,270 --> 01:00:18,660

count he had his arms blown off

1267

01:00:22,490 --> 01:00:20,280

are you gonna be able to prove that to

1268

01:00:24,589 --> 01:00:22,500

police when they knock on your door

1269

01:00:26,930 --> 01:00:24,599

I think you might be in for a trip to

1270

01:00:28,849 --> 01:00:26,940

the Pokey stupid and why would you let

1271

01:00:31,970 --> 01:00:28,859

people record you saying this ridiculous

1272

01:00:33,950 --> 01:00:31,980

stuff all everywhere you idiot

1273

01:00:35,750 --> 01:00:33,960

more times than I can count waking up

1274

01:00:37,069 --> 01:00:35,760

going oh which part of me got blown off

1275

01:00:39,410 --> 01:00:37,079

this time

1276

01:00:41,809 --> 01:00:39,420

right it's not so much fun but you don't

1277

01:00:43,430 --> 01:00:41,819

feel it most of the time either so I

1278

01:00:44,870 --> 01:00:43,440

can't really say that most often the

1279

01:00:46,730 --> 01:00:44,880

times that I had body parts blown off

1280

01:00:48,349 --> 01:00:46,740

that I suffered a lot because most of

1281

01:00:50,150 --> 01:00:48,359

the time I didn't oh yeah you get body

1282

01:00:58,309 --> 01:00:50,160

parts blown off you don't even feel it

1283

01:01:04,069 --> 01:01:01,190

but let us just say I get my arm blown

1284

01:01:06,530 --> 01:01:04,079

off cut off right here at the elbow now

1285

01:01:08,990 --> 01:01:06,540

if I project a holographic image of this

1286

01:01:11,390 --> 01:01:09,000

arm past this elbow connecting up to

1287

01:01:13,069 --> 01:01:11,400

this elbow normally what happens the

1288

01:01:14,750 --> 01:01:13,079

reason your cell stops growing is they

1289

01:01:16,730 --> 01:01:14,760

hit air they hit oxygen it keeps

1290

01:01:18,650 --> 01:01:16,740

explaining the same thing so we gotta

1291

01:01:19,370 --> 01:01:18,660

stop right here arm's gone it's not

1292

01:01:22,010 --> 01:01:19,380

there

1293

01:01:23,710 --> 01:01:22,020

well this fool we're going to fast

1294

01:01:26,809 --> 01:01:23,720

forward this

1295

01:01:28,730 --> 01:01:26,819

oh wait a second

1296

01:01:31,789 --> 01:01:28,740

here here's a part where he talks about

1297

01:01:34,730 --> 01:01:31,799

four or five days oh yeah he gets time

1298

01:01:36,829 --> 01:01:34,740

off we had a

1299

01:01:40,789 --> 01:01:36,839

holographic regenerating med bed that

1300

01:01:46,549 --> 01:01:43,069

four hours

1301

01:01:48,890 --> 01:01:46,559

arm blown off at 10 am

1302

01:01:51,049 --> 01:01:48,900

you're cleared to go back to duty by

1303

01:01:52,130 --> 01:01:51,059

dinner time

1304

01:01:54,829 --> 01:01:52,140

okay

1305

01:01:59,870 --> 01:01:54,839

no days off

1306

01:02:01,370 --> 01:01:59,880

gotta get a few limbs blown off and then

1307

01:02:03,170 --> 01:02:01,380

you're like and then you ask that you

1308

01:02:04,670 --> 01:02:03,180

know when you come to one of the first

1309

01:02:07,010 --> 01:02:04,680

things I would always remember to ask is

1310

01:02:09,109 --> 01:02:07,020

that how long am I going to be here for

1311

01:02:11,150 --> 01:02:09,119

you know like when I get blown off and

1312

01:02:12,530 --> 01:02:11,160

they'll just be like you know I need to

1313

01:02:14,930 --> 01:02:12,540

be out of here by this afternoon well

1314

01:02:16,069 --> 01:02:14,940

tomorrow afternoon oh and it's going to

1315

01:02:18,470 --> 01:02:16,079

be a while you're gonna be here for four

1316

01:02:20,690 --> 01:02:18,480

or five days

1317

01:02:22,670 --> 01:02:20,700

yeah celebrating getting time off

1318

01:02:24,470 --> 01:02:22,680

because you got your arms and legs blown

1319

01:02:27,170 --> 01:02:24,480

off

1320

01:02:29,390 --> 01:02:27,180

this is how ridiculous this is this is

1321

01:02:31,370 --> 01:02:29,400

and remember what he said is you could

1322

01:02:33,710 --> 01:02:31,380

get your you can get your arm blown off

1323

01:02:35,210 --> 01:02:33,720

at 10 A.M and be cleared for Duty by

1324

01:02:37,670 --> 01:02:35,220

dinner time

1325

01:02:39,950 --> 01:02:37,680

yeah this isn't science fiction at all

1326

01:02:41,210 --> 01:02:39,960

it's not going to take four hours

1327

01:02:42,950 --> 01:02:41,220

but taking longer

1328

01:02:43,849 --> 01:02:42,960

and we don't need to project the entire

1329

01:02:45,829 --> 01:02:43,859

arm

1330

01:02:48,289 --> 01:02:45,839

actually I only need to project enough

1331

01:02:49,910 --> 01:02:48,299

that the arm that connected the cells

1332

01:02:52,190 --> 01:02:49,920

that keep going so you could project

1333

01:02:54,470 --> 01:02:52,200

let's say you know like a disc that's

1334

01:02:56,089 --> 01:02:54,480

you know this thick in that round of

1335

01:02:59,089 --> 01:02:56,099

your arm so you don't need to project

1336

01:03:01,609 --> 01:02:59,099

that much space to do this yeah it seems

1337

01:03:03,109 --> 01:03:01,619

like an infomercial paid crowd

1338

01:03:04,430 --> 01:03:03,119

so the technology that we're talking

1339

01:03:06,829 --> 01:03:04,440

about doing we'll be able to grow back

1340

01:03:08,990 --> 01:03:06,839

someone's limbs arms legs whatever but

1341

01:03:11,930 --> 01:03:09,000

yeah let's see him blow his own arm off

1342

01:03:14,809 --> 01:03:11,940

I agree over a creative days or weeks

1343

01:03:16,010 --> 01:03:14,819

but I say so what

1344

01:03:18,400 --> 01:03:16,020

yeah because you're still going to get

1345

01:03:20,510 --> 01:03:18,410

to grow people's arms and legs

1346

01:03:21,770 --> 01:03:20,520

[Applause]

1347

01:03:24,710 --> 01:03:21,780

here

1348

01:03:26,990 --> 01:03:24,720

I want to be perfectly clear that as

1349

01:03:28,910 --> 01:03:27,000

much as I would love to get here's where

1350

01:03:31,549 --> 01:03:28,920

it gets creepy

1351

01:03:34,849 --> 01:03:31,559

remember he's a fake Space Marine

1352

01:03:36,770 --> 01:03:34,859

first okay are all the veterans who've

1353

01:03:41,329 --> 01:03:36,780

had their arms

1354

01:03:43,670 --> 01:03:41,339

[Applause]

1355

01:03:46,069 --> 01:03:43,680

got his arms and legs back

1356

01:03:47,930 --> 01:03:46,079

no we don't have that and not give them

1357

01:03:49,849 --> 01:03:47,940

their arms and legs back when we can I

1358

01:03:51,049 --> 01:03:49,859

think that's [h\_\_\h] and if I have

1359

01:03:54,890 --> 01:03:51,059

anything to say about it I'm going to

1360

01:03:58,670 --> 01:03:56,030

[h\_\_\h] yeah

1361

01:04:00,410 --> 01:03:58,680

applaud when I do it then you can give

1362

01:04:02,450 --> 01:04:00,420

me a rousing round of applause when it

1363

01:04:04,990 --> 01:04:02,460

happens until then just be hopeful and

1364

01:04:10,250 --> 01:04:07,910

so nice that a fake Marine is going to

1365

01:04:12,049 --> 01:04:10,260

give real Marines who were injured in

1366

01:04:14,030 --> 01:04:12,059

battle and had their arms and legs blown

1367

01:04:16,970 --> 01:04:14,040

off give them back their arms and legs

1368

01:04:18,530 --> 01:04:16,980

with his med bed technology and if you

1369

01:04:23,450 --> 01:04:18,540

want to help make that happen you just

1370

01:04:28,010 --> 01:04:26,329

despicable absolutely despicable this

1371

01:04:30,710 --> 01:04:28,020

clown did this

1372

01:04:34,970 --> 01:04:30,720

so basically we're talking about the

1373

01:04:36,950 --> 01:04:34,980

ability to cure and restore any cellular

1374

01:04:38,510 --> 01:04:36,960

biological process here's where it says

1375

01:04:44,329 --> 01:04:38,520

it can cure any disease

1376

01:04:47,030 --> 01:04:44,339

a matter of hours or days oops anything

1377

01:04:48,890 --> 01:04:47,040

in fact the cures anything that's going

1378

01:05:00,109 --> 01:04:48,900

to

1379

01:05:01,789 --> 01:05:00,119

tissue like get better like that happens

1380

01:05:03,530 --> 01:05:01,799

pretty quickly so anytime you're dealing

1381

01:05:05,030 --> 01:05:03,540

with tissue that's already there you're

1382

01:05:08,569 --> 01:05:05,040

going to be able to clean that up in no

1383

01:05:11,030 --> 01:05:08,579

time curing cancer is is easy according

1384

01:05:13,069 --> 01:05:11,040

to him and thank you Tim Frick for a

1385

01:05:17,510 --> 01:05:13,079

Kind and Generous five dollar Super Chat

1386

01:05:20,450 --> 01:05:17,520

says this guy is an a you know what an a

1387

01:05:22,970 --> 01:05:20,460

a-hole yes have you ever looked into

1388

01:05:24,589 --> 01:05:22,980

Andy Pirro I contacted him while he was

1389

01:05:26,750 --> 01:05:24,599

in jail here in New Jersey

1390

01:05:30,410 --> 01:05:26,760

he got out and went to Texas and killed

1391

01:05:32,150 --> 01:05:30,420

a woman uh on my list actually uh Tim

1392

01:05:34,910 --> 01:05:32,160

Frick and I thank you for your kindness

1393

01:05:37,309 --> 01:05:34,920

generosity and support of the show and

1394

01:05:41,030 --> 01:05:37,319

as always for helping us to praise the

1395

01:05:46,370 --> 01:05:43,030

guys

1396

01:05:46,380 --> 01:05:48,970

foreign

1397

01:05:54,230 --> 01:05:52,730

Frick I'll add I will uh raise him on

1398

01:05:57,829 --> 01:05:54,240

the list if you want to see a show about

1399

01:05:59,750 --> 01:05:57,839

him I'll do it uh let me know uh I have

1400

01:06:02,510 --> 01:05:59,760

looked into him a little bit but not

1401  
01:06:04,549 --> 01:06:02,520  
enough to do the whole show so we can

1402  
01:06:06,470 --> 01:06:04,559  
revisit that and when you kind and

1403  
01:06:08,690 --> 01:06:06,480  
generous show supporters show your

1404  
01:06:10,970 --> 01:06:08,700  
support and ask me to cover something I

1405  
01:06:13,849 --> 01:06:10,980  
raise it in my list of priorities and I

1406  
01:06:17,930 --> 01:06:13,859  
will do that for you let's get back to

1407  
01:06:19,910 --> 01:06:17,940  
Stolen Valor swindler a wild cocktail of

1408  
01:06:22,430 --> 01:06:19,920  
drugs mostly Growers can consider

1409  
01:06:24,650 --> 01:06:22,440  
physical performance drugs so your liver

1410  
01:06:27,049 --> 01:06:24,660  
would go out about every five to six

1411  
01:06:29,329 --> 01:06:27,059  
weeks and so you would get regular you

1412  
01:06:30,829 --> 01:06:29,339  
know testing to see how your liver was

1413  
01:06:33,049 --> 01:06:30,839

doing and then when it would be about

1414

01:06:34,970 --> 01:06:33,059

time and your liver is about to go out

1415

01:06:36,650 --> 01:06:34,980

they would say no no your you know

1416

01:06:39,410 --> 01:06:36,660

numbers are down you got to come in and

1417

01:06:41,630 --> 01:06:39,420

get a liver recognition

1418

01:06:43,430 --> 01:06:41,640

yeah just get your liver reconditioned

1419

01:06:46,430 --> 01:06:43,440

in cases you could go out in an

1420

01:06:48,349 --> 01:06:46,440

afternoon or a day of combat and

1421

01:06:50,029 --> 01:06:48,359

depending on how much you were I mean we

1422

01:06:51,349 --> 01:06:50,039

had these injectors inside the suits

1423

01:06:53,690 --> 01:06:51,359

that would go right into your leg so

1424

01:06:55,609 --> 01:06:53,700

depending on how much you're getting I

1425

01:06:57,890 --> 01:06:55,619

mean you could knock out your kidneys or

1426

01:06:59,870 --> 01:06:57,900

your liver in an afternoon or a day I

1427

01:07:01,549 --> 01:06:59,880

mean the drugs were that intense and

1428

01:07:02,930 --> 01:07:01,559

what that physically damaged but they

1429

01:07:06,190 --> 01:07:02,940

have again this is the technology to fix

1430

01:07:11,690 --> 01:07:09,770

yeah give Lieutenant Dan his legs

1431

01:07:13,309 --> 01:07:11,700

come on instead of little children who

1432

01:07:19,730 --> 01:07:13,319

need organ Transport oh here's where it

1433

01:07:24,710 --> 01:07:22,490

do you have children that have that need

1434

01:07:27,910 --> 01:07:24,720

an organ transplant don't worry about it

1435

01:07:30,950 --> 01:07:27,920

my med bed technology can fix that

1436

01:07:33,230 --> 01:07:30,960

despicable Despicable and this is who

1437

01:07:34,750 --> 01:07:33,240

this guy is preying on to donate to his

1438

01:07:38,270 --> 01:07:34,760

Medved scan

1439

01:07:42,109 --> 01:07:38,280

desperate sick people and their families

1440

01:07:44,150 --> 01:07:42,119

because we're working is closed yeah

1441

01:07:46,490 --> 01:07:44,160

this is years ago he was this close so

1442

01:07:48,529 --> 01:07:46,500

where's the med beds Randy where's the

1443

01:07:51,650 --> 01:07:48,539

med beds can we see them

1444

01:07:54,170 --> 01:07:51,660

can we see the engineers can I look at

1445

01:07:56,029 --> 01:07:54,180

the source code for the software you're

1446

01:07:57,770 --> 01:07:56,039

claiming that you have or you're

1447

01:07:58,910 --> 01:07:57,780

stealing from those smart guys at

1448

01:08:01,370 --> 01:07:58,920

Cambridge

1449

01:08:04,010 --> 01:08:01,380

can we see the computers the holographic

1450

01:08:06,470 --> 01:08:04,020

projectors can we see anything what

1451  
01:08:08,870 --> 01:08:06,480  
happened to all the money that you took

1452  
01:08:11,650 --> 01:08:08,880  
from People Randy Kramer for this

1453  
01:08:14,210 --> 01:08:11,660  
nonsense you're this close

1454  
01:08:17,090 --> 01:08:14,220  
to being able to actually make it a

1455  
01:08:20,990 --> 01:08:19,789  
yeah Star Trek that's where Med beds

1456  
01:08:22,610 --> 01:08:21,000  
come from

1457  
01:08:23,510 --> 01:08:22,620  
being able to make this technology a

1458  
01:08:26,150 --> 01:08:23,520  
reality

1459  
01:08:28,130 --> 01:08:26,160  
being able to do away with archaic and

1460  
01:08:31,189 --> 01:08:28,140  
Dark Ages Medical Technology that we

1461  
01:08:33,349 --> 01:08:31,199  
live in right now yeah and by the way

1462  
01:08:36,709 --> 01:08:33,359  
all of the medical

1463  
01:08:39,410 --> 01:08:36,719

people in the world all the doctors all

1464

01:08:42,110 --> 01:08:39,420

the nurses all the researchers all the

1465

01:08:46,490 --> 01:08:42,120

professors of Medical Science in the

1466

01:08:48,829 --> 01:08:46,500

world aren't going to bring us this

1467

01:08:50,090 --> 01:08:48,839

incredible Medical Technology do you

1468

01:08:53,390 --> 01:08:50,100

know who is

1469

01:08:56,269 --> 01:08:53,400

a guy who was a High School drama guy

1470

01:08:58,249 --> 01:08:56,279

who lied and said he was a Marine Corps

1471

01:09:01,370 --> 01:08:58,259

member who lied and said he was a Navy

1472

01:09:04,189 --> 01:09:01,380

SEAL who lied and said he was you know

1473

01:09:05,450 --> 01:09:04,199

fighting Space Battles on Mars he's

1474

01:09:07,430 --> 01:09:05,460

going to bring us this incredible

1475

01:09:10,010 --> 01:09:07,440

technology you just need to donate money

1476

01:09:11,630 --> 01:09:10,020

to him all those professors and doctors

1477

01:09:13,189 --> 01:09:11,640

all over the world those are idiots

1478

01:09:16,669 --> 01:09:13,199

they're in the dark ages of medical

1479

01:09:21,110 --> 01:09:16,679

technology they don't have what he has

1480

01:09:28,249 --> 01:09:22,849

Ence

1481

01:09:32,890 --> 01:09:30,650

which would bring us up to part of the

1482

01:09:36,289 --> 01:09:32,900

other interviews

1483

01:09:37,849 --> 01:09:36,299

who don't cut people's arms off hear

1484

01:09:40,610 --> 01:09:37,859

people open to replace what we're doing

1485

01:09:43,370 --> 01:09:40,620

you know and give people drugs so

1486

01:09:45,890 --> 01:09:43,380

essentially how this game is working is

1487

01:09:48,590 --> 01:09:45,900

he's claiming he has access to alien

1488

01:09:50,630 --> 01:09:48,600

technology and for a price he's going to

1489

01:09:52,610 --> 01:09:50,640

share it with humanity and save

1490

01:09:54,410 --> 01:09:52,620

everybody that's deaf everybody that's

1491

01:09:58,150 --> 01:09:54,420

blind everybody that's got cancer

1492

01:10:02,450 --> 01:09:58,160

leukemia or diabetes has a failing organ

1493

01:10:04,910 --> 01:10:02,460

is missing limbs has autism he's going

1494

01:10:07,010 --> 01:10:04,920

to cure everything just give him money

1495

01:10:09,050 --> 01:10:07,020

you know that old saying if it sounds

1496

01:10:10,310 --> 01:10:09,060

too good to be true what well what what

1497

01:10:12,950 --> 01:10:10,320

medical

1498

01:10:15,290 --> 01:10:12,960

you know problems can this can this

1499

01:10:18,110 --> 01:10:15,300

treat oh it cures everything he

1500

01:10:22,669 --> 01:10:18,120

literally said it cured everything on

1501

01:10:27,410 --> 01:10:24,830

because it's cheaper faster less

1502

01:10:30,290 --> 01:10:27,420

invasive less dramatic it just works

1503

01:10:32,030 --> 01:10:30,300

better costs less money so we're talking

1504

01:10:34,189 --> 01:10:32,040

about the ability once we have this

1505

01:10:38,630 --> 01:10:34,199

technology developed it's not even going

1506

01:10:43,570 --> 01:10:40,669

of these you know medical regenerating

1507

01:10:46,189 --> 01:10:43,580

events I mean the cost difference is

1508

01:10:49,250 --> 01:10:46,199

staggering so yeah that's crazy too so

1509

01:10:52,910 --> 01:10:49,260

let's he just said that for the cost of

1510

01:10:57,530 --> 01:10:52,920

one MRI machine Let's see what does an

1511

01:11:00,410 --> 01:10:57,540

MRI well let's just fact check them uh

1512

01:11:05,390 --> 01:11:00,420

let's just fact check them

1513

01:11:07,370 --> 01:11:05,400

oh I got an MRI machine price list here

1514

01:11:11,630 --> 01:11:07,380

uh

1515

01:11:15,110 --> 01:11:11,640

let's see what is the MRI price list

1516

01:11:18,470 --> 01:11:15,120

yeah this is not going to be easy uh

1517

01:11:20,990 --> 01:11:18,480

what let me just let me uh refine my

1518

01:11:25,130 --> 01:11:21,000

search we'll uh we'll come back to that

1519

01:11:31,970 --> 01:11:25,140

I'll I'll put what is the average cost

1520

01:11:36,229 --> 01:11:34,189

yeah a machine costs about a million

1521

01:11:39,470 --> 01:11:36,239

dollars so what did he say we can build

1522

01:11:43,070 --> 01:11:39,480

50. this is where it gets ridiculous

1523

01:11:45,770 --> 01:11:43,080

this is where it gets ridiculous so for

1524

01:11:46,910 --> 01:11:45,780

one million dollars he can build 50 med

1525

01:11:54,110 --> 01:11:46,920

beds

1526

01:11:59,630 --> 01:11:55,790

all right we're gonna we're gonna do

1527

01:12:06,229 --> 01:12:02,930

yeah so uh

1528

01:12:07,970 --> 01:12:06,239

I don't know you do the math he claims

1529

01:12:11,870 --> 01:12:07,980

that for one million dollars he can

1530

01:12:15,770 --> 01:12:11,880

build 50 med beds that do all of this

1531

01:12:17,810 --> 01:12:15,780

stuff I call [h\_\_h] what you would get

1532

01:12:21,770 --> 01:12:17,820

cost benefit wise

1533

01:12:23,750 --> 01:12:21,780

changes this ever burdening medical

1534

01:12:26,390 --> 01:12:23,760

system that's becoming this increasing

1535

01:12:29,090 --> 01:12:26,400

percentage of GDP every year and we can

1536

01:12:32,209 --> 01:12:29,100

go from an increasing we're almost up to

1537

01:12:34,070 --> 01:12:32,219

20 GDP as our our health care costs we

1538

01:12:36,649 --> 01:12:34,080

can crank that right back down into

1539

01:12:39,890 --> 01:12:36,659

single digits with a technology that's

1540

01:12:43,990 --> 01:12:39,900

faster easier and less expensive and

1541

01:12:46,370 --> 01:12:44,000

cures everything everything blindness

1542

01:12:48,370 --> 01:12:46,380

limbs that are damaged limbs that are

1543

01:12:51,410 --> 01:12:48,380

gone organs that are damaged

1544

01:12:53,870 --> 01:12:51,420

neurological diseases genetic disorders

1545

01:12:55,669 --> 01:12:53,880

it would absolutely fix and cure every

1546

01:12:57,470 --> 01:12:55,679

single thing even the things that our

1547

01:12:59,870 --> 01:12:57,480

modern Medical Science can't the factory

1548

01:13:01,790 --> 01:12:59,880

touch or do anything about right now and

1549

01:13:06,310 --> 01:13:01,800

it would be cheaper and more cost

1550

01:13:13,070 --> 01:13:10,610

yeah conform the projected image to that

1551

01:13:16,910 --> 01:13:13,080

so when if you just want the projected

1552

01:13:19,910 --> 01:13:16,920

image of your 30 year old body and you

1553

01:13:21,530 --> 01:13:19,920

are in treatments for that you know long

1554

01:13:24,110 --> 01:13:21,540

enough as long yeah and here's where it

1555

01:13:26,090 --> 01:13:24,120

gets into age regression too so if

1556

01:13:28,070 --> 01:13:26,100

you're if you're 90 years old and you

1557

01:13:31,310 --> 01:13:28,080

want to have a 30 year old body again

1558

01:13:34,209 --> 01:13:31,320

his med bed technology can do that too

1559

01:13:36,590 --> 01:13:34,219

send me some money you could be 30 again

1560

01:13:39,350 --> 01:13:36,600

ridiculous as it takes to sort of do

1561

01:13:42,169 --> 01:13:39,360

that yeah you can restore all your cells

1562

01:13:43,910 --> 01:13:42,179

to you know when you were 30 or 18 if

1563

01:13:46,910 --> 01:13:43,920

you really wanted to yeah essentially

1564

01:13:49,910 --> 01:13:46,920

you can take all of this ridiculous uh

1565

01:13:52,430 --> 01:13:49,920

industry around Rejuvenation you know

1566

01:13:54,470 --> 01:13:52,440

creams and techniques and things and

1567

01:13:58,070 --> 01:13:54,480

actually do something that works on a

1568

01:13:59,810 --> 01:13:58,080

cellular level uh and so instead of you

1569

01:14:02,209 --> 01:13:59,820

know you know convincing people that

1570

01:14:03,890 --> 01:14:02,219

they need to buy more creams uh you

1571

01:14:07,490 --> 01:14:03,900

actually just have a technology that

1572

01:14:09,169 --> 01:14:07,500

works yeah this would also be the

1573

01:14:11,510 --> 01:14:09,179

gateway to

1574

01:14:13,250 --> 01:14:11,520

um yeah as well as stolen Valley this is

1575

01:14:15,530 --> 01:14:13,260

really I think I think yeah it's

1576

01:14:17,990 --> 01:14:15,540

important to note he's telling people he

1577

01:14:21,050 --> 01:14:18,000

can essentially cure everything

1578

01:14:23,149 --> 01:14:21,060

uh and that's really ridiculous

1579

01:14:25,130 --> 01:14:23,159

opportunity because we can really get

1580

01:14:27,229 --> 01:14:25,140

away from this transhumanist sort of

1581

01:14:29,510 --> 01:14:27,239

thing where we think that we need to

1582

01:14:31,790 --> 01:14:29,520

make robots and then transport ourselves

1583

01:14:35,649 --> 01:14:31,800

into robot bodies because that's how we

1584

01:14:39,770 --> 01:14:37,729

this technology you can keep

1585

01:14:42,649 --> 01:14:39,780

rejuvenating your physical body for

1586

01:14:44,750 --> 01:14:42,659

centuries so we can we can start living

1587

01:14:47,689 --> 01:14:44,760

for centuries just based on the ability

1588

01:14:49,370 --> 01:14:47,699

to keep rejuvenating uh our bodies on a

1589

01:14:52,370 --> 01:14:49,380

regular basis

1590

01:14:56,030 --> 01:14:52,380

again talk about over promising and

1591

01:14:59,709 --> 01:14:56,040

under delivering this man apparently uh

1592

01:15:02,270 --> 01:14:59,719

took 60 or 70 000 from the public

1593

01:15:04,970 --> 01:15:02,280

claiming that you could live to be

1594

01:15:07,130 --> 01:15:04,980

hundreds of years old yet twenty

1595

01:15:10,130 --> 01:15:07,140

thousand dollars thank you Mark Toronto

1596

01:15:12,169 --> 01:15:10,140

I'm terrible at basic math I don't tell

1597

01:15:13,669 --> 01:15:12,179

people at all math but uh I don't know

1598

01:15:16,370 --> 01:15:13,679

why I just couldn't figure it out I'm

1599

01:15:18,709 --> 01:15:16,380

like why is my calculator not working so

1600

01:15:20,390 --> 01:15:18,719

according to Randy Kramer you can build

1601  
01:15:23,570 --> 01:15:20,400  
one of these Med beds for twenty

1602  
01:15:26,689 --> 01:15:23,580  
thousand dollars right

1603  
01:15:29,750 --> 01:15:26,699  
yeah does it cure delusions that's a

1604  
01:15:31,729 --> 01:15:29,760  
good point right this is so ridiculous

1605  
01:15:33,709 --> 01:15:31,739  
that this man ran around and said these

1606  
01:15:35,390 --> 01:15:33,719  
things in public

1607  
01:15:37,250 --> 01:15:35,400  
so we don't need to go to go robot

1608  
01:15:39,169 --> 01:15:37,260  
bodies we have we can use this

1609  
01:15:41,209 --> 01:15:39,179  
holographic regenerating technology to

1610  
01:15:45,709 --> 01:15:41,219  
just live for centuries

1611  
01:15:47,450 --> 01:15:45,719  
the sort of tool donate money to me and

1612  
01:15:50,750 --> 01:15:47,460  
you'll be able to live for Centuries

1613  
01:15:54,050 --> 01:15:50,760

with my technology sure however in order

1614

01:15:57,530 --> 01:15:54,060

for the tool to be used at its fastest

1615

01:15:59,810 --> 01:15:57,540

acceleration they do pump in some raw

1616

01:16:01,790 --> 01:15:59,820

fluids and some raw aminos into the

1617

01:16:04,130 --> 01:16:01,800

physical areas which so your body can

1618

01:16:06,350 --> 01:16:04,140

reconstruct faster if they didn't do

1619

01:16:08,510 --> 01:16:06,360

that it would just take your body a lot

1620

01:16:10,790 --> 01:16:08,520

longer to continue to rebuild and regrow

1621

01:16:13,070 --> 01:16:10,800

those cells one at a time

1622

01:16:17,410 --> 01:16:13,080

um so it to accelerate that process they

1623

01:16:22,310 --> 01:16:20,450

yeah let's just pump some extra fluid in

1624

01:16:25,729 --> 01:16:22,320

there

1625

01:16:27,590 --> 01:16:25,739

and regrow whole limbs expect it as a

1626

01:16:29,930 --> 01:16:27,600

technology that if someone else isn't

1627

01:16:31,550 --> 01:16:29,940

willing to bring to us we'll get to

1628

01:16:33,169 --> 01:16:31,560

eventually we'll bring we'll bring it to

1629

01:16:36,649 --> 01:16:33,179

everyone eventually

1630

01:16:38,270 --> 01:16:36,659

um because it's not that hard and it's

1631

01:16:40,850 --> 01:16:38,280

not that hard if it works and I really

1632

01:16:43,970 --> 01:16:40,860

just do that it's not that hard to cure

1633

01:16:46,550 --> 01:16:43,980

every illness known to man to extend

1634

01:16:49,850 --> 01:16:46,560

human lifespans to hundreds of years old

1635

01:16:52,550 --> 01:16:49,860

to age regress 90 year old people to be

1636

01:16:55,910 --> 01:16:52,560

18 to cure deafness blindness autism

1637

01:16:59,330 --> 01:16:55,920

mental retardation and children diabetes

1638

01:17:01,130 --> 01:16:59,340

leukemia Parkinson's disease and

1639

01:17:03,709 --> 01:17:01,140

everything else that ails the human

1640

01:17:06,649 --> 01:17:03,719

species it's not that hard

1641

01:17:11,030 --> 01:17:09,350

time money and Engineers to put on the

1642

01:17:12,290 --> 01:17:11,040

project and make it happen I know people

1643

01:17:13,970 --> 01:17:12,300

who are very excited about the project

1644

01:17:16,970 --> 01:17:13,980

and as soon as I can afford to pay them

1645

01:17:19,010 --> 01:17:16,980

salaries they will be working 24 7 365

1646

01:17:20,810 --> 01:17:19,020

to make it happen so yeah well he did

1647

01:17:22,550 --> 01:17:20,820

collect seventy thousand dollars so I'd

1648

01:17:24,729 --> 01:17:22,560

like to see a list of people he hired

1649

01:17:27,770 --> 01:17:24,739

and what he did with that money right

1650

01:17:30,229 --> 01:17:27,780

allegedly he collected seventy thousand

1651  
01:17:31,970 --> 01:17:30,239  
dollars yeah I would say that that the

1652  
01:17:34,610 --> 01:17:31,980  
fact that you still have an energetic

1653  
01:17:37,550 --> 01:17:34,620  
hand or an energetic body in there is

1654  
01:17:40,610 --> 01:17:37,560  
you know maybe why your hand is going to

1655  
01:17:43,729 --> 01:17:40,620  
still regrow down there but we're

1656  
01:17:45,709 --> 01:17:43,739  
basically just using an external

1657  
01:17:48,830 --> 01:17:45,719  
crutch if you will or an external

1658  
01:17:51,050 --> 01:17:48,840  
augmentation of that that essentially

1659  
01:17:53,390 --> 01:17:51,060  
takes over something I mean if you were

1660  
01:17:54,770 --> 01:17:53,400  
enlightened enough to go oh my energy

1661  
01:17:57,050 --> 01:17:54,780  
body is still there I'm just going to

1662  
01:17:59,209 --> 01:17:57,060  
regrow my arm than you could but if

1663  
01:18:01,270 --> 01:17:59,219

you're not quite there then you know a

1664

01:18:04,550 --> 01:18:01,280

piece of technology

1665

01:18:07,490 --> 01:18:04,560

yeah if you're unable to regrow your

1666

01:18:13,010 --> 01:18:07,500

limbs just by thinking about it you need

1667

01:18:18,229 --> 01:18:15,709

this dude got Corey no good Perez what's

1668

01:18:20,570 --> 01:18:18,239

his face flimsy stick Wilcox all of them

1669

01:18:22,390 --> 01:18:20,580

I know I could not believe when I was

1670

01:18:26,510 --> 01:18:22,400

finding all these clips

1671

01:18:28,970 --> 01:18:26,520

uh you know I could not believe that he

1672

01:18:31,490 --> 01:18:28,980

said all this stuff in public and these

1673

01:18:34,550 --> 01:18:31,500

are all public YouTube videos these are

1674

01:18:37,130 --> 01:18:34,560

all public videos all of them

1675

01:18:39,530 --> 01:18:37,140

it's not as Rocket surgery as some

1676

01:18:41,689 --> 01:18:39,540

people might think it is and so the two

1677

01:18:45,470 --> 01:18:41,699

basic components of that technology to

1678

01:18:47,750 --> 01:18:45,480

make it work uh are a computer software

1679

01:18:50,450 --> 01:18:47,760

that essentially you can enter in a

1680

01:18:53,050 --> 01:18:50,460

genetic code and it will create a CGI

1681

01:18:55,270 --> 01:18:53,060

model of that genetic code

1682

01:18:58,790 --> 01:18:55,280

which I'm smart

1683

01:19:00,890 --> 01:18:58,800

just did a couple years ago uh crudely

1684

01:19:03,410 --> 01:19:00,900

it's not it's not the resolution that we

1685

01:19:05,090 --> 01:19:03,420

would require but that software has been

1686

01:19:07,250 --> 01:19:05,100

created so I can tell you from a

1687

01:19:09,590 --> 01:19:07,260

development standpoint not having to

1688

01:19:11,750 --> 01:19:09,600

start at square one and develop that

1689

01:19:13,850 --> 01:19:11,760

software from the get-go basically being

1690

01:19:15,590 --> 01:19:13,860

able to adapt someone who's already made

1691

01:19:17,930 --> 01:19:15,600

that software and just focus on getting

1692

01:19:19,729 --> 01:19:17,940

better resolution that's a much more

1693

01:19:21,590 --> 01:19:19,739

doable pass that's something that you

1694

01:19:24,350 --> 01:19:21,600

know we can sort of predict a time span

1695

01:19:27,189 --> 01:19:24,360

yeah and first of all the software he's

1696

01:19:30,229 --> 01:19:27,199

describing does not exist currently

1697

01:19:31,910 --> 01:19:30,239

uh and I asked around and not to my

1698

01:19:34,130 --> 01:19:31,920

knowledge I even know somebody who does

1699

01:19:36,050 --> 01:19:34,140

work on medical software and he was like

1700

01:19:40,010 --> 01:19:36,060

what are you asking me this is

1701

01:19:42,229 --> 01:19:40,020

ridiculous Stephen and I said I know

1702

01:19:44,689 --> 01:19:42,239

but he's essentially claiming here that

1703

01:19:47,870 --> 01:19:44,699

he's just going to take software that is

1704

01:19:49,729 --> 01:19:47,880

amazing and probably would be worth a

1705

01:19:51,709 --> 01:19:49,739

billion dollars he's just going to take

1706

01:19:54,169 --> 01:19:51,719

their software and use it for his

1707

01:19:56,270 --> 01:19:54,179

project that's not how any of this works

1708

01:19:58,430 --> 01:19:56,280

if somebody spent millions or billions

1709

01:20:00,110 --> 01:19:58,440

of dollars developing software they're

1710

01:20:04,430 --> 01:20:00,120

just not going to hand it over to a fake

1711

01:20:06,110 --> 01:20:04,440

Space Marine clown swindler to use you

1712

01:20:07,930 --> 01:20:06,120

know the so first of all the software

1713

01:20:10,550 --> 01:20:07,940

that he's describing doesn't even exist

1714

01:20:12,470 --> 01:20:10,560

second of all if it did exist they're

1715

01:20:13,970 --> 01:20:12,480

not just going to give it to him he

1716

01:20:15,649 --> 01:20:13,980

would have to buy it he would have to

1717

01:20:18,290 --> 01:20:15,659

reimburse them for all their development

1718

01:20:20,870 --> 01:20:18,300

costs all the salaries they paid the

1719

01:20:24,110 --> 01:20:20,880

software developers this is nonsense

1720

01:20:26,510 --> 01:20:24,120

once we can dedicate time Engineers you

1721

01:20:29,030 --> 01:20:26,520

know to that task we expect within a

1722

01:20:31,669 --> 01:20:29,040

certain time Frink of years not decades

1723

01:20:34,010 --> 01:20:31,679

that will have Solutions it's been years

1724

01:20:36,050 --> 01:20:34,020

now I guess he's done he's got Med beds

1725

01:20:39,950 --> 01:20:36,060

the other component essentially

1726

01:20:41,090 --> 01:20:39,960

is a holographic uh projecting lens and

1727

01:20:48,010 --> 01:20:41,100

we have those we have pretty good

1728

01:20:53,810 --> 01:20:50,930

absolute respect he's a space hero he's

1729

01:20:56,450 --> 01:20:53,820

a Navy SEAL he's a U.S marine active

1730

01:21:00,890 --> 01:20:56,460

duty service member special section

1731

01:21:02,689 --> 01:21:00,900

a 90 of any of the company 99 of any

1732

01:21:04,850 --> 01:21:02,699

company or in Engineers that tried to

1733

01:21:06,590 --> 01:21:04,860

undertake that task without knowing a

1734

01:21:08,090 --> 01:21:06,600

couple other secrets that you need to

1735

01:21:11,149 --> 01:21:08,100

know about the configuration of that

1736

01:21:12,470 --> 01:21:11,159

holographic lens believe me they are not

1737

01:21:14,209 --> 01:21:12,480

going to be able to replicate the

1738

01:21:16,610 --> 01:21:14,219

technology from just those two things

1739

01:21:20,510 --> 01:21:16,620

but yeah and here is where it gets into

1740

01:21:22,910 --> 01:21:20,520

the scam well I had access to these

1741

01:21:25,729 --> 01:21:22,920

medical Technologies while I was a Space

1742

01:21:26,990 --> 01:21:25,739

Marine so anybody else that tries to do

1743

01:21:30,530 --> 01:21:27,000

this they're not going to be able to do

1744

01:21:32,450 --> 01:21:30,540

it but I am so send me money send me

1745

01:21:34,370 --> 01:21:32,460

money I'll be able to do it it's been

1746

01:21:36,410 --> 01:21:34,380

years where's the med beds Randy what

1747

01:21:38,209 --> 01:21:36,420

did you do with the money

1748

01:21:40,070 --> 01:21:38,219

once you understand the special

1749

01:21:41,630 --> 01:21:40,080

properties about that lens that need to

1750

01:21:42,950 --> 01:21:41,640

be special and you can get the

1751  
01:21:44,270 --> 01:21:42,960  
resolution that you need and you have

1752  
01:21:46,189 --> 01:21:44,280  
the computer program that gets you the

1753  
01:21:47,930 --> 01:21:46,199  
resolution you need then you're

1754  
01:21:53,390 --> 01:21:47,940  
basically able to project a very very

1755  
01:21:56,030 --> 01:21:53,400  
small high resolution image and recode a

1756  
01:21:57,590 --> 01:21:56,040  
a very very high density area in a very

1757  
01:22:00,010 --> 01:21:57,600  
small space and a very so you're able to

1758  
01:22:02,209 --> 01:22:00,020  
make very very small high resolution

1759  
01:22:04,370 --> 01:22:02,219  
adjustments about that size so then you

1760  
01:22:06,830 --> 01:22:04,380  
can start to rebuild you know a finger

1761  
01:22:09,110 --> 01:22:06,840  
start to build your own arms slowly and

1762  
01:22:10,189 --> 01:22:09,120  
a little spiral as you know pretty slow

1763  
01:22:11,810 --> 01:22:10,199

process at this point because you're

1764

01:22:14,770 --> 01:22:11,820

working a very tiny parts of the body

1765

01:22:19,610 --> 01:22:14,780

but that has Amazon

1766

01:22:23,510 --> 01:22:19,620

from that point shut up shut up shut up

1767

01:22:26,090 --> 01:22:23,520

XXX this dude is going to cure cancer

1768

01:22:28,790 --> 01:22:26,100

he's going to cure leukemia he's going

1769

01:22:32,390 --> 01:22:28,800

to regrow limbs he's going to cure uh

1770

01:22:34,130 --> 01:22:32,400

diabetes deafness blindness autism and

1771

01:22:35,570 --> 01:22:34,140

everything else he's going to cure

1772

01:22:38,750 --> 01:22:35,580

everything

1773

01:22:41,270 --> 01:22:38,760

shut up so what if he has ten dollar uh

1774

01:22:43,550 --> 01:22:41,280

Amazon headphones shut up

1775

01:22:44,510 --> 01:22:43,560

this is he's a space hero have some

1776

01:22:46,250 --> 01:22:44,520

respect

1777

01:22:49,430 --> 01:22:46,260

technology to get more precise better

1778

01:22:51,110 --> 01:22:49,440

you know bigger spread more power you

1779

01:22:53,930 --> 01:22:51,120

know a higher powered computer to give

1780

01:22:55,490 --> 01:22:53,940

you you know more coding perv uh image

1781

01:22:57,229 --> 01:22:55,500

that you can make per second per

1782

01:22:58,430 --> 01:22:57,239

centimeter and all these issues that you

1783

01:23:00,169 --> 01:22:58,440

have to think about in the engineering

1784

01:23:02,810 --> 01:23:00,179

and then essentially you've got the

1785

01:23:05,870 --> 01:23:02,820

ability to uh restore any damage

1786

01:23:07,610 --> 01:23:05,880

software exists on PC games yes the

1787

01:23:10,130 --> 01:23:07,620

cellular structure chemical structure of

1788

01:23:12,530 --> 01:23:10,140

anybody so yeah that's exactly how I

1789

01:23:14,689 --> 01:23:12,540

feel heavy metal poisoning uh every kind

1790

01:23:16,130 --> 01:23:14,699

of bacteria toxicity blah blah blah

1791

01:23:18,950 --> 01:23:16,140

could all be straightened out damaged

1792

01:23:22,310 --> 01:23:18,960

organs of any kind can be uh completely

1793

01:23:24,770 --> 01:23:22,320

restored and the big one is of course

1794

01:23:27,470 --> 01:23:24,780

the Rosetta Stone of medicine regrowing

1795

01:23:29,930 --> 01:23:27,480

limbs oh yeah it's gonna regrow all

1796

01:23:31,790 --> 01:23:29,940

those limbs you know say well we can put

1797

01:23:33,830 --> 01:23:31,800

a limb back on that's been blown off I

1798

01:23:34,850 --> 01:23:33,840

mean we're great with prosthetics and

1799

01:23:36,290 --> 01:23:34,860

we're just going to get better and

1800

01:23:39,110 --> 01:23:36,300

better with prosthetics if that's what

1801

01:23:40,850 --> 01:23:39,120

we focus on but I think we can just

1802

01:23:42,890 --> 01:23:40,860

throw stuff back and it's actually it's

1803

01:23:45,410 --> 01:23:42,900

actually cheaper good faster easier to

1804

01:23:47,750 --> 01:23:45,420

be honest there's less time energy

1805

01:23:50,270 --> 01:23:47,760

resources and dollars that would go into

1806

01:23:52,250 --> 01:23:50,280

regrowing someone's arm than building a

1807

01:23:54,050 --> 01:23:52,260

robot arm for that person and putting a

1808

01:23:56,270 --> 01:23:54,060

robot arm on them so all right he just

1809

01:23:59,149 --> 01:23:56,280

said that it's cheaper to just regrow

1810

01:24:02,330 --> 01:23:59,159

people's limbs than it is

1811

01:24:07,310 --> 01:24:02,340

to just to just

1812

01:24:09,649 --> 01:24:07,320

build a prosthetic or robot arm uh

1813

01:24:13,610 --> 01:24:09,659

how many times did his head blow off

1814

01:24:16,310 --> 01:24:13,620

I don't know uh and yes Dollar Store

1815

01:24:19,070 --> 01:24:16,320

microphone the man who's going to cure

1816

01:24:21,830 --> 01:24:19,080

cancer and Leukemia and everything else

1817

01:24:24,770 --> 01:24:21,840

in the world all he can afford is a

1818

01:24:28,729 --> 01:24:24,780

dollar store microphone so

1819

01:24:30,709 --> 01:24:28,739

um in the end and it turns out that when

1820

01:24:32,390 --> 01:24:30,719

you've done all of that and this is

1821

01:24:35,450 --> 01:24:32,400

things that I know from what we know

1822

01:24:37,250 --> 01:24:35,460

about the med beds that the military you

1823

01:24:39,530 --> 01:24:37,260

know gets from the contractors that they

1824

01:24:40,729 --> 01:24:39,540

contract for uh and the ones that they

1825

01:24:42,770 --> 01:24:40,739

build themselves

1826

01:24:44,390 --> 01:24:42,780

that we're not allowed to have one but

1827

01:24:47,090 --> 01:24:44,400

I'm allowed to take what I know and make

1828

01:24:48,950 --> 01:24:47,100

one that's the loophole right here's

1829

01:24:50,750 --> 01:24:48,960

some more accusations towards the US

1830

01:24:53,390 --> 01:24:50,760

military he's claiming that the U.S

1831

01:24:54,890 --> 01:24:53,400

military has these Med beds in their

1832

01:24:57,229 --> 01:24:54,900

possession but we're not allowed to have

1833

01:24:58,550 --> 01:24:57,239

them but he's going to bring us normal

1834

01:25:01,550 --> 01:24:58,560

people

1835

01:25:03,530 --> 01:25:01,560

this technology and you know this is

1836

01:25:05,930 --> 01:25:03,540

where it gets ridiculous because if the

1837

01:25:09,110 --> 01:25:05,940

U.S military really had these wouldn't

1838

01:25:12,350 --> 01:25:09,120

they use it on Biden or or some of these

1839

01:25:14,689 --> 01:25:12,360

other Rich powerful Elite people to age

1840

01:25:15,830 --> 01:25:14,699

regress them so they're not like half

1841

01:25:19,010 --> 01:25:15,840

dead

1842

01:25:21,350 --> 01:25:19,020

wouldn't uh Bill Gates have access to it

1843

01:25:24,110 --> 01:25:21,360

wouldn't you know so he's not like a fat

1844

01:25:26,450 --> 01:25:24,120

slob that looks like terrible wouldn't

1845

01:25:28,310 --> 01:25:26,460

uh I don't know the Rothschilds have

1846

01:25:30,590 --> 01:25:28,320

them wouldn't like Christopher Mellon

1847

01:25:32,030 --> 01:25:30,600

had one his family's loaded melon

1848

01:25:35,689 --> 01:25:32,040

banking family

1849

01:25:38,030 --> 01:25:35,699

so this idea that these things exist and

1850

01:25:40,729 --> 01:25:38,040

they're being withheld it doesn't make

1851  
01:25:43,010 --> 01:25:40,739  
any sense because Rich powerful Elite

1852  
01:25:45,350 --> 01:25:43,020  
people die all the time if these things

1853  
01:25:47,390 --> 01:25:45,360  
existed the rich the powerful the ruling

1854  
01:25:48,410 --> 01:25:47,400  
class would have access to them they

1855  
01:25:50,830 --> 01:25:48,420  
don't

1856  
01:25:54,350 --> 01:25:50,840  
that's how you know it's garbage

1857  
01:25:58,490 --> 01:25:54,360  
materials costs what goes into it you're

1858  
01:26:01,910 --> 01:25:58,500  
talking about end product that is less

1859  
01:26:04,430 --> 01:26:01,920  
than a quarter of the cost of an MRI

1860  
01:26:06,950 --> 01:26:04,440  
machine something that no before he said

1861  
01:26:09,669 --> 01:26:06,960  
you could build 50 of these for the cost

1862  
01:26:12,830 --> 01:26:09,679  
of an MRI machine

1863  
01:26:14,209 --> 01:26:12,840

now he's saying they're less than the

1864

01:26:18,590 --> 01:26:14,219

quarter of one

1865

01:26:20,770 --> 01:26:18,600

great to be able to create for uh um a

1866

01:26:23,629 --> 01:26:20,780

fraction of the cost of an MRI machine

1867

01:26:26,570 --> 01:26:23,639

and that can fix anything

1868

01:26:29,090 --> 01:26:26,580

over a period of time then you you see

1869

01:26:32,930 --> 01:26:29,100

this is how you know he's a liar

1870

01:26:34,010 --> 01:26:32,940

Liars forget the lies so previously he

1871

01:26:36,649 --> 01:26:34,020

said

1872

01:26:39,530 --> 01:26:36,659

that he could build 50 of these Med beds

1873

01:26:41,030 --> 01:26:39,540

for the cost of one MRI machine

1874

01:26:43,250 --> 01:26:41,040

somebody here did the math and that

1875

01:26:45,290 --> 01:26:43,260

turned out to be 20 MRI machines for one

1876

01:26:48,050 --> 01:26:45,300

million dollars now he's saying it's

1877

01:26:51,890 --> 01:26:48,060

less than a quarter of the price of an

1878

01:26:53,510 --> 01:26:51,900

MRI a machine which would be 250 000 how

1879

01:26:56,030 --> 01:26:53,520

could he make such an amateur hour

1880

01:26:58,430 --> 01:26:56,040

stupid mistake

1881

01:27:00,410 --> 01:26:58,440

he's a liar that's how he made this

1882

01:27:02,209 --> 01:27:00,420

mistake he forgot what he said in a

1883

01:27:04,430 --> 01:27:02,219

previous ex uh

1884

01:27:08,330 --> 01:27:04,440

you know in a previous appearance

1885

01:27:11,390 --> 01:27:08,340

pumping this Medved scam he forgot the

1886

01:27:14,209 --> 01:27:11,400

previous lies and so

1887

01:27:16,310 --> 01:27:14,219

was he lying there or is he lying here

1888

01:27:18,890 --> 01:27:16,320

he was lying both times if you ask me

1889

01:27:22,550 --> 01:27:18,900

because he's a liar start to be able to

1890

01:27:25,010 --> 01:27:22,560

address the all of everything that's the

1891

01:27:27,770 --> 01:27:25,020

most serious everything that's the most

1892

01:27:29,330 --> 01:27:27,780

critical obviously you know terminal

1893

01:27:32,030 --> 01:27:29,340

children's medicine and organ

1894

01:27:33,590 --> 01:27:32,040

transplants for children and so forth uh

1895

01:27:35,870 --> 01:27:33,600

but eventually you get to a place where

1896

01:27:38,570 --> 01:27:35,880

not only can you fix everything

1897

01:27:41,330 --> 01:27:38,580

but cellular regeneration for Life

1898

01:27:44,629 --> 01:27:41,340

Extension is just not even complicated

1899

01:27:49,370 --> 01:27:47,390

so essentially he can cure all childhood

1900

01:27:52,310 --> 01:27:49,380

diseases right

1901

01:27:53,810 --> 01:27:52,320

it can cure all childhood diseases and

1902

01:27:56,090 --> 01:27:53,820

and

1903

01:27:57,410 --> 01:27:56,100

he could age regress you so you could be

1904

01:27:59,629 --> 01:27:57,420

young again

1905

01:28:02,270 --> 01:27:59,639

you know sounds is it sounding too good

1906

01:28:03,530 --> 01:28:02,280

to be true yet it is to me but when

1907

01:28:05,930 --> 01:28:03,540

you're done with all of that research

1908

01:28:12,790 --> 01:28:05,940

and development this very very low cost

1909

01:28:17,510 --> 01:28:16,070

structure of here are the problems here

1910

01:28:19,129 --> 01:28:17,520

are the costs and solutions for those

1911

01:28:20,689 --> 01:28:19,139

problems and you know what those charts

1912

01:28:23,090 --> 01:28:20,699

sort of look like and when you can make

1913

01:28:25,250 --> 01:28:23,100

all of that go away and go here's a

1914

01:28:27,709 --> 01:28:25,260

stack of problems and they can all be

1915

01:28:30,530 --> 01:28:27,719

dealt with this one thing that costs

1916

01:28:33,290 --> 01:28:30,540

this much then you know all the medical

1917

01:28:35,810 --> 01:28:33,300

problems you know are dealt with a G and

1918

01:28:37,669 --> 01:28:35,820

GDP that's like this instead of one

1919

01:28:39,709 --> 01:28:37,679

that's you know going to break our spine

1920

01:28:46,090 --> 01:28:39,719

if it gets up to 23 percent it's

1921

01:28:51,169 --> 01:28:49,189

it's a dead end of medical technology in

1922

01:28:54,410 --> 01:28:51,179

the sense that if you just keep going

1923

01:28:56,390 --> 01:28:54,420

down that road the cost the exponential

1924

01:28:58,729 --> 01:28:56,400

cost of those things versus the benefit

1925

01:29:00,950 --> 01:28:58,739

it just outweighs and it becomes

1926

01:29:02,750 --> 01:29:00,960

completely pointless to continue to

1927

01:29:04,370 --> 01:29:02,760

pursue uh that kind of medical

1928

01:29:06,169 --> 01:29:04,380

technology so we think at this some

1929

01:29:07,910 --> 01:29:06,179

point you just have to go we're not

1930

01:29:09,530 --> 01:29:07,920

doing leeches anymore and we're going to

1931

01:29:11,530 --> 01:29:09,540

do this instead you know and just

1932

01:29:15,229 --> 01:29:11,540

transitioning to something this way

1933

01:29:18,229 --> 01:29:15,239

deeper and more effective and

1934

01:29:19,550 --> 01:29:18,239

um it does exist though at least leeches

1935

01:29:21,350 --> 01:29:19,560

exist that we're going to need to put

1936

01:29:22,970 --> 01:29:21,360

together and how they need to be put

1937

01:29:24,709 --> 01:29:22,980

together what we're mostly waiting for

1938

01:29:27,709 --> 01:29:24,719

at the moment is to resolve some other

1939

01:29:30,350 --> 01:29:27,719

projects to get paid for so that we can

1940

01:29:33,410 --> 01:29:30,360

put money in let's regenerate Jimmy

1941

01:29:35,090 --> 01:29:33,420

Church's personality is yes when we're

1942

01:29:36,410 --> 01:29:35,100

able to get paid for a few other things

1943

01:29:38,050 --> 01:29:36,420

that we're working hard to remember

1944

01:29:40,970 --> 01:29:38,060

alive in the truth

1945

01:29:42,770 --> 01:29:40,980

and that's really where you know when I

1946

01:29:44,689 --> 01:29:42,780

hire five engineers and I say here's

1947

01:29:46,610 --> 01:29:44,699

your job here's what we're doing and we

1948

01:29:48,830 --> 01:29:46,620

go over everything that I know and that

1949

01:29:50,570 --> 01:29:48,840

I then get to teach them and you know as

1950

01:29:52,490 --> 01:29:50,580

we research what we know in the public

1951  
01:29:55,370 --> 01:29:52,500  
sphere and he just said he was going to

1952  
01:29:57,709 --> 01:29:55,380  
hire five Engineers I'd love to see the

1953  
01:29:59,689 --> 01:29:57,719  
their resumes and I'd love to see their

1954  
01:30:01,610 --> 01:29:59,699  
job applications with you and I'd love

1955  
01:30:03,649 --> 01:30:01,620  
to interview those Engineers you hired

1956  
01:30:05,209 --> 01:30:03,659  
because you took a lot of money from the

1957  
01:30:06,709 --> 01:30:05,219  
public where's the people you hired

1958  
01:30:08,030 --> 01:30:06,719  
Randy we start to break down all that

1959  
01:30:09,770 --> 01:30:08,040  
information like a team of Engineers

1960  
01:30:12,470 --> 01:30:09,780  
would so at this point we're like

1961  
01:30:13,910 --> 01:30:12,480  
waiting for the funding to come from

1962  
01:30:16,310 --> 01:30:13,920  
something else that we're waiting that's

1963  
01:30:18,229 --> 01:30:16,320

how I feel about it is going to be five

1964

01:30:19,790 --> 01:30:18,239

years down the road we expect within 24

1965

01:30:23,950 --> 01:30:19,800

months that I will have Engineers

1966

01:30:30,410 --> 01:30:28,189

that can uh pass muster and work on a

1967

01:30:34,490 --> 01:30:30,420

person these things will happen within a

1968

01:30:37,189 --> 01:30:34,500

number of years because I I'm let's just

1969

01:30:38,870 --> 01:30:37,199

look let's just say we're in what I

1970

01:30:40,370 --> 01:30:38,880

would say at the very early stages of

1971

01:30:42,350 --> 01:30:40,380

all of the research and development of

1972

01:30:44,450 --> 01:30:42,360

this technology and other Technologies

1973

01:30:48,410 --> 01:30:44,460

to make them a reality and to make them

1974

01:30:52,010 --> 01:30:48,420

happen so now again it's inconsistencies

1975

01:30:54,110 --> 01:30:52,020

he said we're this close we're this

1976

01:30:56,510 --> 01:30:54,120

close to making this a reality that's

1977

01:30:59,270 --> 01:30:56,520

what he said in a previous appearance on

1978

01:31:01,310 --> 01:30:59,280

a podcast on this podcast he said we're

1979

01:31:04,010 --> 01:31:01,320

just in the beginning stages this

1980

01:31:06,950 --> 01:31:04,020

appearance is after the other one

1981

01:31:08,570 --> 01:31:06,960

so how was he this close and now he's

1982

01:31:11,590 --> 01:31:08,580

just in the beginning stages of the

1983

01:31:15,169 --> 01:31:11,600

research for it he's covering himself

1984

01:31:17,930 --> 01:31:15,179

for when he doesn't produce anything you

1985

01:31:20,270 --> 01:31:17,940

know the fact that we know that these

1986

01:31:22,729 --> 01:31:20,280

new technologies we just have to refine

1987

01:31:24,950 --> 01:31:22,739

the resolution of you know those two

1988

01:31:27,350 --> 01:31:24,960

technologies he described do not exist

1989

01:31:29,990 --> 01:31:27,360

and I challenge him to show me working

1990

01:31:32,570 --> 01:31:30,000

prototypes of either of those

1991

01:31:35,570 --> 01:31:32,580

Technologies either 3D

1992

01:31:38,030 --> 01:31:35,580

hologram generators that can generate

1993

01:31:42,350 --> 01:31:38,040

Holograms down to a cellular level or a

1994

01:31:44,270 --> 01:31:42,360

computer that can input DNA and all of

1995

01:31:47,149 --> 01:31:44,280

these magical things he's describing

1996

01:31:48,830 --> 01:31:47,159

they do not exist he keeps saying these

1997

01:31:51,470 --> 01:31:48,840

two things already exist we just have to

1998

01:31:53,390 --> 01:31:51,480

put them together but they don't exist

1999

01:31:55,550 --> 01:31:53,400

I've already had conversations with

2000

01:31:58,310 --> 01:31:55,560

Engineers software engineers and and

2001  
01:32:01,070 --> 01:31:58,320  
Technical Engineers on you know where do

2002  
01:32:02,629 --> 01:32:01,080  
we where's the starting point for

2003  
01:32:04,250 --> 01:32:02,639  
understanding these Technologies I'm

2004  
01:32:06,470 --> 01:32:04,260  
pretty sure that's a cannabis vape pen

2005  
01:32:08,450 --> 01:32:06,480  
and he's been hitting it way too much

2006  
01:32:09,950 --> 01:32:08,460  
just saying do you think getting a

2007  
01:32:13,310 --> 01:32:09,960  
better resolution

2008  
01:32:21,490 --> 01:32:13,320  
so we're gonna get this stuff done in a

2009  
01:32:21,500 --> 01:32:30,740  
he's directing Engineers yeah

2010  
01:32:35,990 --> 01:32:33,129  
[Music]

2011  
01:32:38,570 --> 01:32:36,000  
no we'll get into that generator it's

2012  
01:32:41,030 --> 01:32:38,580  
one of the most amazing electron pumps

2013  
01:32:43,610 --> 01:32:41,040

energy saving devices that he got a

2014

01:32:45,470 --> 01:32:43,620

patent for it's out there it should be

2015

01:32:50,330 --> 01:32:45,480

being able to be Mass manufactured by

2016

01:32:52,669 --> 01:32:50,340

now but watching how his progress has

2017

01:32:54,590 --> 01:32:52,679

been hampered by all of these industries

2018

01:32:55,729 --> 01:32:54,600

who either didn't really understand the

2019

01:32:59,930 --> 01:32:55,739

project

2020

01:33:02,270 --> 01:32:59,940

forward and how that's taken something

2021

01:33:04,490 --> 01:33:02,280

that should have been in production back

2022

01:33:07,790 --> 01:33:04,500

in 2000 yes please smash the like button

2023

01:33:10,129 --> 01:33:07,800

it really really does help

2024

01:33:11,390 --> 01:33:10,139

over 10 years later by the way I tried

2025

01:33:13,310 --> 01:33:11,400

to look up the patent that he's

2026

01:33:15,110 --> 01:33:13,320

describing here I wasn't able to find it

2027

01:33:17,629 --> 01:33:15,120

doesn't mean it doesn't exist but given

2028

01:33:19,490 --> 01:33:17,639

the likelihood given the amount of lies

2029

01:33:21,169 --> 01:33:19,500

that this guy tells it's very likely

2030

01:33:23,390 --> 01:33:21,179

that he's just making stuff up here

2031

01:33:25,610 --> 01:33:23,400

about somebody else he's trying to

2032

01:33:28,070 --> 01:33:25,620

compare well I I know somebody who got a

2033

01:33:31,129 --> 01:33:28,080

patent and is going to Market and uh

2034

01:33:33,410 --> 01:33:31,139

yeah bull you're instilled not having a

2035

01:33:35,510 --> 01:33:33,420

Mainline production model of an electron

2036

01:33:37,910 --> 01:33:35,520

pump that's the size of a bread box that

2037

01:33:39,649 --> 01:33:37,920

can pump out 10 kilowatts

2038

01:33:41,990 --> 01:33:39,659

um you know we could be done and off the

2039

01:33:44,629 --> 01:33:42,000

grid with the Meg if that had just

2040

01:33:47,750 --> 01:33:44,639

gone oh now he's promising free energy

2041

01:33:49,970 --> 01:33:47,760

along with curing literally every

2042

01:33:53,209 --> 01:33:49,980

disease in the world now he's promising

2043

01:33:56,090 --> 01:33:53,219

free energy is a good you know byproduct

2044

01:33:58,790 --> 01:33:56,100

of his of his technology sure it is to

2045

01:34:01,129 --> 01:33:58,800

go forward so learning the lessons of

2046

01:34:04,550 --> 01:34:01,139

not partnering with people who are going

2047

01:34:06,110 --> 01:34:04,560

to not make your idea go faster we've

2048

01:34:08,330 --> 01:34:06,120

made here to only talk with the people

2049

01:34:11,090 --> 01:34:08,340

who are willing to

2050

01:34:13,310 --> 01:34:11,100

give unattached resources to make this

2051

01:34:15,229 --> 01:34:13,320

stuff happen uh who are also very

2052

01:34:17,770 --> 01:34:15,239

motivated to see this stuff happen and

2053

01:34:21,770 --> 01:34:17,780

are not you know

2054

01:34:23,450 --> 01:34:21,780

all so it sounds like he's given this

2055

01:34:26,810 --> 01:34:23,460

interview while he's writing Space

2056

01:34:29,510 --> 01:34:26,820

Mountain at uh Disneyland we're being

2057

01:34:30,770 --> 01:34:29,520

dollar microphone Randy Kramer that's

2058

01:34:32,209 --> 01:34:30,780

what I'm going to call him from now very

2059

01:34:33,770 --> 01:34:32,219

specific to make sure that we're not

2060

01:34:36,590 --> 01:34:33,780

going to be hampered in any way and that

2061

01:34:39,430 --> 01:34:36,600

when I have the people who are in yeah I

2062

01:34:42,229 --> 01:34:39,440

doubt he's directing Engineers

2063

01:34:44,090 --> 01:34:42,239

oh he's getting smart people to help him

2064

01:34:46,129 --> 01:34:44,100

should we have

2065

01:34:47,930 --> 01:34:46,139

the funding to make sure that we can pay

2066

01:34:50,590 --> 01:34:47,940

them salaries you know for a number of

2067

01:34:52,450 --> 01:34:50,600

years so that they can work on this and

2068

01:34:54,770 --> 01:34:52,460

man better

2069

01:34:57,590 --> 01:34:54,780

with the people who can make all that

2070

01:34:59,510 --> 01:34:57,600

happen or more than one person who's

2071

01:35:02,450 --> 01:34:59,520

very very interested in making that

2072

01:35:04,010 --> 01:35:02,460

happen so funny whacks I have no doubt

2073

01:35:05,870 --> 01:35:04,020

that even if

2074

01:35:07,550 --> 01:35:05,880

we don't get the funding that we need

2075

01:35:08,930 --> 01:35:07,560

through those channels that there are

2076

01:35:10,550 --> 01:35:08,940

other things that are happening that

2077

01:35:12,290 --> 01:35:10,560

will start to produce long-term funding

2078

01:35:14,570 --> 01:35:12,300

within the next couple of years

2079

01:35:16,250 --> 01:35:14,580

that I that I know would also be able to

2080

01:35:17,209 --> 01:35:16,260

let that work out it was really just a

2081

01:35:20,450 --> 01:35:17,219

matter of

2082

01:35:23,450 --> 01:35:20,460

funding funds from Source a b or c

2083

01:35:25,669 --> 01:35:23,460

whether we're talking about uh whether I

2084

01:35:28,550 --> 01:35:25,679

have a working model in three years five

2085

01:35:31,250 --> 01:35:28,560

years or ten years so

2086

01:35:33,350 --> 01:35:31,260

yeah and and here there's claims that a

2087

01:35:37,250 --> 01:35:33,360

hundred thousand US Dollars was happily

2088

01:35:40,310 --> 01:35:37,260

invested by rainbow light being

2089

01:35:43,550 --> 01:35:40,320

from Pot of Gold YouTube channel so

2090

01:35:46,790 --> 01:35:43,560

first somebody said oh I invested 50 000

2091

01:35:50,450 --> 01:35:46,800

then it was sixty thousand now the claim

2092

01:35:52,250 --> 01:35:50,460

is a hundred thousand was invested

2093

01:35:53,450 --> 01:35:52,260

so I'm a little suspicious of that

2094

01:35:56,030 --> 01:35:53,460

person who keeps claiming they're

2095

01:36:01,870 --> 01:35:56,040

investing all this money so it's a

2096

01:36:07,310 --> 01:36:04,550

to make it happen overnight he's

2097

01:36:09,649 --> 01:36:07,320

guaranteeing this med bed technology is

2098

01:36:12,290 --> 01:36:09,659

going to happen just give him money

2099

01:36:14,530 --> 01:36:12,300

this is a couple years ago where's the

2100

01:36:16,550 --> 01:36:14,540

med beds Randy

2101

01:36:18,169 --> 01:36:16,560

or they're gonna have to kill me and

2102

01:36:19,910 --> 01:36:18,179

make it not happen but I'm pretty

2103

01:36:22,250 --> 01:36:19,920

motivated oh you're gonna have to kill

2104

01:36:24,350 --> 01:36:22,260

him to make it not happen and why did he

2105

01:36:26,990 --> 01:36:24,360

give up on the Medved scam oh that's

2106

01:36:30,530 --> 01:36:27,000

right the the GoFundMe got taken down

2107

01:36:32,030 --> 01:36:30,540

right apparently he got to keep the ten

2108

01:36:41,390 --> 01:36:32,040

thousand dollars that the GoFundMe

2109

01:36:45,530 --> 01:36:43,189

continuing to tell and convince me that

2110

01:36:47,450 --> 01:36:45,540

well you don't have any other options so

2111

01:36:49,310 --> 01:36:47,460

we have to rip your body open and

2112

01:36:51,229 --> 01:36:49,320

replace your spine with you know these

2113

01:36:53,030 --> 01:36:51,239

plastic parts or we have to tear you

2114

01:36:56,270 --> 01:36:53,040

open and replace you with this you know

2115

01:36:58,550 --> 01:36:56,280

he knows better than every doctor in the

2116

01:37:01,250 --> 01:36:58,560

world right just give him money

2117

01:37:03,050 --> 01:37:01,260

Boone Oregon or we have to you're just

2118

01:37:04,490 --> 01:37:03,060

gonna die or you're just gonna have to

2119

01:37:07,790 --> 01:37:04,500

suffer or you're never gonna walk again

2120

01:37:10,250 --> 01:37:07,800

I'm as fed up as anybody as hearing uh

2121

01:37:12,350 --> 01:37:10,260

Dark Ages answers to 21st century

2122

01:37:15,310 --> 01:37:12,360

questions we should have 21st century

2123

01:37:18,590 --> 01:37:15,320

solutions to 21st century questions not

2124

01:37:20,510 --> 01:37:18,600

yet so he's going to bring us 21st

2125

01:37:22,870 --> 01:37:20,520

century Solutions and he's got a dollar

2126

01:37:25,790 --> 01:37:22,880

store microphone I'm incredibly

2127

01:37:29,030 --> 01:37:25,800

incredibly motivated to make that

2128

01:37:32,090 --> 01:37:29,040

technology happen it's a game changer in

2129

01:37:34,550 --> 01:37:32,100

every sense of the word and could just

2130

01:37:37,370 --> 01:37:34,560

be the difference between the old

2131

01:37:39,649 --> 01:37:37,380

civilization and the new civilization

2132

01:37:43,189 --> 01:37:39,659

so there we have it he's going to bring

2133

01:37:45,709 --> 01:37:43,199

us the new civilization uh I beg to

2134

01:37:49,189 --> 01:37:45,719

differ right

2135

01:37:50,629 --> 01:37:49,199

uh do I think there is a SSP yes I do

2136

01:37:52,550 --> 01:37:50,639

believe that there's a secret space

2137

01:37:55,629 --> 01:37:52,560

program but it's nothing like these

2138

01:37:59,149 --> 01:37:55,639

Fantastical fairy tale tellers provide

2139

01:38:01,729 --> 01:37:59,159

or describe one can just look to

2140

01:38:04,010 --> 01:38:01,739

something like the X-37B which is a

2141

01:38:06,290 --> 01:38:04,020

secret drone space shuttle that spends

2142

01:38:09,169 --> 01:38:06,300

years in orbit and we're not allowed to

2143

01:38:12,410 --> 01:38:09,179

know what it does that alone is proof

2144

01:38:14,870 --> 01:38:12,420

that there is indeed a secret space

2145

01:38:16,669 --> 01:38:14,880

program there is substantial and

2146

01:38:18,890 --> 01:38:16,679

supportive evidence of other secret

2147

01:38:22,370 --> 01:38:18,900

space program

2148

01:38:23,530 --> 01:38:22,380

um programs including spy satellites and

2149

01:38:26,990 --> 01:38:23,540

more

2150

01:38:28,729 --> 01:38:27,000

we don't know what it is they have I do

2151  
01:38:30,770 --> 01:38:28,739  
believe there is a secret space program

2152  
01:38:34,970 --> 01:38:30,780  
but do I believe that people are

2153  
01:38:37,010 --> 01:38:34,980  
battling uh you know Martian aliens no

2154  
01:38:39,229 --> 01:38:37,020  
there's no evidence for that and further

2155  
01:38:41,570 --> 01:38:39,239  
anybody with a telescope would be able

2156  
01:38:43,669 --> 01:38:41,580  
to see activity on the surface of Mars

2157  
01:38:46,729 --> 01:38:43,679  
that some of these fake secret space

2158  
01:38:49,850 --> 01:38:46,739  
program people talk about we don't see

2159  
01:38:53,450 --> 01:38:49,860  
that and there's a reason we don't see

2160  
01:38:56,990 --> 01:38:53,460  
that because it does not exist

2161  
01:38:59,390 --> 01:38:57,000  
in my opinion uh just like I don't

2162  
01:39:02,209 --> 01:38:59,400  
believe their secret moon bases on the

2163  
01:39:05,470 --> 01:39:02,219

dark side of the moon the whole moon has

2164

01:39:10,370 --> 01:39:05,480

been imaged uh it would be a tremendous

2165

01:39:12,110 --> 01:39:10,380

uh tremendous tremendous conspiracy if

2166

01:39:14,270 --> 01:39:12,120

everyone

2167

01:39:17,990 --> 01:39:14,280

was lying to us

2168

01:39:19,729 --> 01:39:18,000

not every astronomer all the amateur

2169

01:39:23,290 --> 01:39:19,739

astronomers in the world I guess they're

2170

01:39:27,350 --> 01:39:23,300

all just lying to us as well right yes

2171

01:39:31,370 --> 01:39:27,360

x37b alone is proof of a secret space

2172

01:39:37,010 --> 01:39:35,209

and uh Wesley says everybody gets Fed Up

2173

01:39:40,070 --> 01:39:37,020

When the doctor gives you bad news but

2174

01:39:44,930 --> 01:39:40,080

imaginary miracle cures don't exist I

2175

01:39:46,669 --> 01:39:44,940

agree with you I agree with you 100 and

2176

01:39:49,010 --> 01:39:46,679

here's what's really troubling about

2177

01:39:51,890 --> 01:39:49,020

this is that this man who lied about

2178

01:39:56,270 --> 01:39:51,900

being a marine who then lied about being

2179

01:39:58,189 --> 01:39:56,280

uh also lied about being a Navy SEAL ran

2180

01:40:00,590 --> 01:39:58,199

around and told all these lies and

2181

01:40:02,209 --> 01:40:00,600

collected at least that we know of ten

2182

01:40:05,570 --> 01:40:02,219

thousand dollars from the GoFundMe

2183

01:40:07,189 --> 01:40:05,580

because the GoFundMe listed ten thousand

2184

01:40:09,649 --> 01:40:07,199

dollars raised now there's been various

2185

01:40:13,070 --> 01:40:09,659

claims by this YouTube channel which for

2186

01:40:16,070 --> 01:40:13,080

all we know is Randy Shilling pretending

2187

01:40:18,470 --> 01:40:16,080

to be a big donor to encourage other

2188

01:40:20,870 --> 01:40:18,480

people to donate to the scan

2189

01:40:24,050 --> 01:40:20,880

uh it's very common that scammers use

2190

01:40:26,209 --> 01:40:24,060

those sort of tactics so until until I

2191

01:40:28,790 --> 01:40:26,219

see cancel checks or bank transfer

2192

01:40:31,550 --> 01:40:28,800

information proving that this woman gave

2193

01:40:33,890 --> 01:40:31,560

Randy Kramer 60 000 or a hundred

2194

01:40:35,930 --> 01:40:33,900

thousand dollars I I can't

2195

01:40:39,169 --> 01:40:35,940

I can't speak on that

2196

01:40:42,050 --> 01:40:39,179

is it possible sure it's possible there

2197

01:40:45,290 --> 01:40:42,060

are what the grifters call whales in the

2198

01:40:47,330 --> 01:40:45,300

UFO community and what what's a whale a

2199

01:40:49,729 --> 01:40:47,340

whale is a big donor somebody that's got

2200

01:40:52,370 --> 01:40:49,739

tons of money and doesn't mind sharing a

2201

01:40:54,530 --> 01:40:52,380

lot of money with the rifters people

2202

01:40:56,750 --> 01:40:54,540

like David Wilcox Corey good the big

2203

01:40:58,669 --> 01:40:56,760

donors are called whales maybe she's one

2204

01:41:00,950 --> 01:40:58,679

of those kind of people and really

2205

01:41:04,790 --> 01:41:00,960

believe Randy was going to bring this

2206

01:41:07,490 --> 01:41:04,800

bed technology so

2207

01:41:10,430 --> 01:41:07,500

she donated sixty thousand dollars you

2208

01:41:11,510 --> 01:41:10,440

know who knows

2209

01:41:15,950 --> 01:41:11,520

um

2210

01:41:17,629 --> 01:41:15,960

I uh would like to talk I try to reach

2211

01:41:20,390 --> 01:41:17,639

out to her but there's no email address

2212

01:41:23,870 --> 01:41:20,400

or any contact way to contact them

2213

01:41:27,649 --> 01:41:23,880

listed on that YouTube channel and it's

2214

01:41:28,850 --> 01:41:27,659

now pretty much a defunct YouTube uh

2215

01:41:31,610 --> 01:41:28,860

Channel

2216

01:41:33,649 --> 01:41:31,620

yeah YouTube makes 30 off of scammers

2217

01:41:36,050 --> 01:41:33,659

yeah it's great

2218

01:41:39,350 --> 01:41:36,060

sad and disgusting says not my rabbit

2219

01:41:42,890 --> 01:41:39,360

hole and I agree with you I am uh equal

2220

01:41:45,649 --> 01:41:42,900

parts discussed it and sort of sad

2221

01:41:49,010 --> 01:41:45,659

this person is claiming all kinds of

2222

01:41:52,189 --> 01:41:49,020

things including that he can regrow

2223

01:41:54,590 --> 01:41:52,199

limbs for people missing limbs pure

2224

01:41:59,109 --> 01:41:54,600

paralysis cancer

2225

01:42:05,570 --> 01:42:03,470

part of me all right so

2226

01:42:07,669 --> 01:42:05,580

the presentation is not complete I've

2227

01:42:11,390 --> 01:42:07,679

got a few more things to share with you

2228

01:42:15,109 --> 01:42:11,400

and we want to get this all done and out

2229

01:42:17,450 --> 01:42:15,119

of the way tonight because first of all

2230

01:42:19,430 --> 01:42:17,460

um as evidenced by the attendance

2231

01:42:21,530 --> 01:42:19,440

tonight I know there's not much about

2232

01:42:24,530 --> 01:42:21,540

Randy Kramer so we don't want to waste

2233

01:42:26,930 --> 01:42:24,540

any more time on him than we have to and

2234

01:42:30,649 --> 01:42:26,940

also I'm disgusted Enough by this slime

2235

01:42:34,550 --> 01:42:30,659

ball scumball scammer that I don't want

2236

01:42:36,470 --> 01:42:34,560

to uh waste any more time on him I've

2237

01:42:38,270 --> 01:42:36,480

got one more video to share and a blog

2238

01:42:41,689 --> 01:42:38,280

post from researcher Richard Cole with

2239

01:42:44,270 --> 01:42:41,699

sort of an update on serial scammer uh

2240

01:42:46,490 --> 01:42:44,280

Randy Kramer and we'll be sharing those

2241

01:42:47,450 --> 01:42:46,500

when I return

2242

01:42:50,209 --> 01:42:47,460

um

2243

01:42:52,550 --> 01:42:50,219

we just want to take a moment to remind

2244

01:42:54,470 --> 01:42:52,560

you that we are a viewer supported show

2245

01:42:57,229 --> 01:42:54,480

and let you know how you can help

2246

01:42:57,890 --> 01:42:57,239

support the show

2247

01:43:00,050 --> 01:42:57,900

um

2248

01:43:02,149 --> 01:43:00,060

interesting that Randy Kramer might have

2249

01:43:04,550 --> 01:43:02,159

made seventy thousand dollars lying to

2250

01:43:06,709 --> 01:43:04,560

people it's nice however that people

2251

01:43:09,830 --> 01:43:06,719

will support me to show people the truth

2252

01:43:11,990 --> 01:43:09,840

behind these scams scammers and various

2253

01:43:14,390 --> 01:43:12,000

Cosmic con artists and we truly

2254

01:43:16,850 --> 01:43:14,400

appreciate your help and assistance to

2255

01:43:19,550 --> 01:43:16,860

keep us investigating these clowns and

2256

01:43:23,149 --> 01:43:19,560

exposing them here's Ian to let you know

2257

01:43:23,159 --> 01:43:33,790

foreign

2258

01:43:39,770 --> 01:43:37,490

show wonderful people like you who enjoy

2259

01:43:42,490 --> 01:43:39,780

this show send pledges in the form of

2260

01:43:46,189 --> 01:43:42,500

Super Chat soup stickers super thanks

2261

01:43:48,550 --> 01:43:46,199

PayPal or cash out instructions for how

2262

01:43:51,890 --> 01:43:48,560

to help are in the description

2263

01:43:54,109 --> 01:43:51,900

you can also join our patreon and for as

2264

01:43:57,470 --> 01:43:54,119

little as one dollar a month you can get

2265

01:44:00,290 --> 01:43:57,480

extra content patreon supporters in a

2266

01:44:01,910 --> 01:44:00,300

park stage pass Early Access to all our

2267

01:44:04,490 --> 01:44:01,920

production videos before they are

2268

01:44:07,129 --> 01:44:04,500

distributed publicly Stephen Canyon's

2269

01:44:10,430 --> 01:44:07,139

music private writings a monthly show

2270

01:44:12,470 --> 01:44:10,440

journal and more you also become a

2271

01:44:15,109 --> 01:44:12,480

YouTube channel member for five dollars

2272

01:44:17,870 --> 01:44:15,119

a month a YouTube membership includes

2273

01:44:20,810 --> 01:44:17,880

all the patreon benefits plus a special

2274

01:44:23,510 --> 01:44:20,820

members badge priority reply to video

2275

01:44:26,689 --> 01:44:23,520

comments and the live chat plus some

2276

01:44:29,750 --> 01:44:26,699

monthly Members Only video we thank you

2277

01:44:33,169 --> 01:44:29,760

all kinds and generous benefactors for

2278

01:44:38,629 --> 01:44:33,179

supporting truth Seekers thank you for

2279

01:44:38,639 --> 01:44:43,550

stop

2280

01:44:43,560 --> 01:44:47,480

foreign

2281

01:45:21,970 --> 01:44:56,660

[Music]

2282

01:45:27,470 --> 01:45:24,770

thanks for being here this is truth

2283

01:45:30,290 --> 01:45:27,480

Seekers with your hosts Stephen Campion

2284

01:45:32,870 --> 01:45:30,300

please rate like and comment on our

2285

01:45:35,209 --> 01:45:32,880

videos and podcasts if you are listening

2286

01:45:37,250 --> 01:45:35,219

to all your podcast please write us five

2287

01:45:39,770 --> 01:45:37,260

stars to help us rise in the search

2288

01:45:42,470 --> 01:45:39,780

rankings if you're watching on YouTube

2289

01:45:44,870 --> 01:45:42,480

please like comment and subscribe to our

2290

01:45:46,669 --> 01:45:44,880

Channel if you're listening to all your

2291

01:45:49,250 --> 01:45:46,679

podcasts we love and appreciate you

2292

01:45:52,189 --> 01:45:49,260

listeners but you are missing the live

2293

01:45:54,950 --> 01:45:52,199

tapings all our shows are recorded live

2294

01:45:57,169 --> 01:45:54,960

with video themes we'd love you to come

2295

01:46:00,290 --> 01:45:57,179

be a part of our live broadcasts and

2296

01:46:02,750 --> 01:46:00,300

tapings for the podcast head on over to

2297

01:46:05,570 --> 01:46:02,760

YouTube click the Search tool the little

2298

01:46:07,550 --> 01:46:05,580

magnifying glass what should Seekers one

2299

01:46:09,950 --> 01:46:07,560

word in the search bar and hit enter

2300

01:46:12,290 --> 01:46:09,960

you'll see a strange and mysterious guy

2301

01:46:15,109 --> 01:46:12,300

with sunglasses that means you found the

2302

01:46:17,810 --> 01:46:15,119

channel go as smash the Subscribe button

2303

01:46:20,570 --> 01:46:17,820

and hit the notification Bell to receive

01:46:37,580 --> 01:46:46,250

[Music]

2309

01:46:49,790 --> 01:46:47,629

okay

2310

01:46:53,330 --> 01:46:49,800

welcome back if you're just joining us

2311

01:46:56,870 --> 01:46:53,340

we are uh discussing the

2312

01:47:00,290 --> 01:46:56,880

Stolen Valor swindler Randy Kramer fake

2313

01:47:06,410 --> 01:47:00,300

Marine fake Navy SEAL and apparently

2314

01:47:10,189 --> 01:47:06,420

fake medical uh device Creator uh

2315

01:47:11,870 --> 01:47:10,199

so what we're gonna do is uh we have

2316

01:47:13,729 --> 01:47:11,880

just a little bit more in our

2317

01:47:16,310 --> 01:47:13,739

presentation we want to get it all out

2318

01:47:20,209 --> 01:47:16,320

all out of the way and this is something

2319

01:47:22,129 --> 01:47:20,219

from the Goldfish report and I I'm gonna

2320

01:47:24,649 --> 01:47:22,139

have to contact the golden probe Awards

2321

01:47:26,510 --> 01:47:24,659

because we have to give an award to the

2322

01:47:27,290 --> 01:47:26,520

stupidest show host I've ever seen in my

2323

01:47:30,109 --> 01:47:27,300

life

2324

01:47:32,510 --> 01:47:30,119

all she is here to do this goldfish

2325

01:47:35,149 --> 01:47:32,520

report person is help Randy Kramer sell

2326

01:47:36,770 --> 01:47:35,159

this scam it's very obvious that that's

2327

01:47:38,870 --> 01:47:36,780

her function here

2328

01:47:42,229 --> 01:47:38,880

absolutely ridiculous that this woman

2329

01:47:44,689 --> 01:47:42,239

helped Randy Kramer sell this scam

2330

01:47:46,490 --> 01:47:44,699

uh let's get into it uh we're gonna see

2331

01:47:48,770 --> 01:47:46,500

a little bit of the introduction and

2332

01:47:51,370 --> 01:47:48,780

then I'm specifically interested in what

2333

01:47:53,990 --> 01:47:51,380

he has to say about his Medved devices

2334

01:47:56,750 --> 01:47:54,000

curing autism

2335

01:47:58,430 --> 01:47:56,760

let's get into it friends hi everyone

2336

01:48:02,870 --> 01:47:58,440

welcome to the Goldfish report I'm your

2337

01:48:04,970 --> 01:48:02,880

host Louisa and today with me I have my

2338

01:48:07,129 --> 01:48:04,980

co-host from our country roads uh

2339

01:48:09,050 --> 01:48:07,139

another woman with a dollar Microsoft we

2340

01:48:11,750 --> 01:48:09,060

have Winston co-hosting with me today

2341

01:48:14,870 --> 01:48:11,760

how are you Winston you've been okay

2342

01:48:19,010 --> 01:48:14,880

and everyone knows our our next guest uh

2343

01:48:22,250 --> 01:48:19,020

from he's a U.S Marine Corps special

2344

01:48:24,649 --> 01:48:22,260

section uh 20 and back program Captain

2345

01:48:27,470 --> 01:48:24,659

Randy Kramer and Randy is here to talk

2346

01:48:29,149 --> 01:48:27,480

about some very interesting technology I

2347

01:48:32,209 --> 01:48:29,159

love how she just says he's in the

2348

01:48:34,189 --> 01:48:32,219

Marines hey honey did you check on his

2349

01:48:36,590 --> 01:48:34,199

records because we did and he was never

2350

01:48:37,729 --> 01:48:36,600

in the Marines you dummy so you just

2351

01:48:40,729 --> 01:48:37,739

said he was in the Marines

2352

01:48:42,290 --> 01:48:40,739

congratulations you're an idiot LG

2353

01:48:44,090 --> 01:48:42,300

called medveds welcome back to the

2354

01:48:45,530 --> 01:48:44,100

Goldfish report Randy it's good to see

2355

01:48:50,090 --> 01:48:45,540

you

2356

01:48:52,250 --> 01:48:50,100

Randy we've heard a lot about these Med

2357

01:48:54,770 --> 01:48:52,260

beds and I know that you have uh

2358

01:48:56,870 --> 01:48:54,780

personal experience with this and many

2359

01:48:59,570 --> 01:48:56,880

viewers have contacted us

2360

01:49:02,629 --> 01:48:59,580

um as a result of this conversation

2361

01:49:04,609 --> 01:49:02,639

coming up in previous reports by the way

2362

01:49:06,830 --> 01:49:04,619

I didn't put my fair use banner up so

2363

01:49:08,990 --> 01:49:06,840

let's do that uh this is fair use this

2364

01:49:12,530 --> 01:49:09,000

is a transformative work we're educating

2365

01:49:14,930 --> 01:49:12,540

the public uh about Medved scams and

2366

01:49:16,669 --> 01:49:14,940

fake Stolen Valor frauds like Randy

2367

01:49:18,890 --> 01:49:16,679

Kramer and they wanted to get more

2368

01:49:21,709 --> 01:49:18,900

information and this is perfect timing

2369

01:49:23,510 --> 01:49:21,719

for us to do this report you have a

2370

01:49:26,149 --> 01:49:23,520

program you have personal experience

2371

01:49:27,290 --> 01:49:26,159

with this first can you tell us about a

2372

01:49:29,090 --> 01:49:27,300

little bit about your personal

2373

01:49:33,229 --> 01:49:29,100

experience with this and how you got

2374

01:49:35,510 --> 01:49:33,239

into the program that uh that you have

2375

01:49:37,370 --> 01:49:35,520

uh going and we're going to share that

2376

01:49:40,310 --> 01:49:37,380

with our viewers as well yeah and by the

2377

01:49:43,970 --> 01:49:40,320

way she shares everything including the

2378

01:49:48,290 --> 01:49:43,980

GoFundMe links to help this scammer get

2379

01:49:52,510 --> 01:49:48,300

donations brilliant lady brilliant

2380

01:49:56,629 --> 01:49:52,520

sure well when I was uh in the MDF uh

2381

01:49:58,850 --> 01:49:56,639

MDF the Mars Defense Force great this is

2382

01:50:00,470 --> 01:49:58,860

the Mars Defense Force and spent a

2383

01:50:02,149 --> 01:50:00,480

number of years there getting my arms

2384

01:50:04,970 --> 01:50:02,159

and legs in various body parts blown

2385

01:50:06,590 --> 01:50:04,980

apart on a pretty regular basis it

2386

01:50:08,750 --> 01:50:06,600

certainly would not it would have been a

2387

01:50:11,350 --> 01:50:08,760

short career uh if they didn't have the

2388

01:50:14,810 --> 01:50:11,360

technology to pack so again he's making

2389

01:50:16,910 --> 01:50:14,820

claims that he was on Mars and he was

2390

01:50:19,129 --> 01:50:16,920

routinely getting his arms and legs

2391

01:50:22,490 --> 01:50:19,139

blown off awesome back up into that

2392

01:50:24,530 --> 01:50:22,500

amazingly incredible way and so the

2393

01:50:26,930 --> 01:50:24,540

ability at that level we're not talking

2394

01:50:28,570 --> 01:50:26,940

about like what we could introduce to

2395

01:50:30,830 --> 01:50:28,580

the general public to be the same

2396

01:50:32,689 --> 01:50:30,840

evolved and developed technology that we

2397

01:50:34,550 --> 01:50:32,699

were using but we're definitely talking

2398

01:50:37,729 --> 01:50:34,560

about the same technology that can do

2399

01:50:39,410 --> 01:50:37,739

the same thing just not as fast uh not

2400

01:50:42,169 --> 01:50:39,420

as efficiently he's got the same

2401

01:50:45,050 --> 01:50:42,179

technology as the aliens right it's just

2402

01:50:47,270 --> 01:50:45,060

not quite as fast so when I say that we

2403

01:50:49,070 --> 01:50:47,280

were able to restore arms and legs

2404

01:50:50,930 --> 01:50:49,080

within depending on the the amount of

2405

01:50:53,450 --> 01:50:50,940

damage sort of cubic centimeters of

2406

01:50:55,550 --> 01:50:53,460

damage uh as you're talking about hours

2407

01:50:59,030 --> 01:50:55,560

or days at the most

2408

01:51:01,490 --> 01:50:59,040

with hours or days to regrow blown off

2409

01:51:03,229 --> 01:51:01,500

limbs awesome the technology that we're

2410

01:51:06,169 --> 01:51:03,239

going to be introducing it's going to

2411

01:51:08,390 --> 01:51:06,179

take longer to restore tissue they're

2412

01:51:09,709 --> 01:51:08,400

going to have to do sessions with people

2413

01:51:11,629 --> 01:51:09,719

where they're going to have to be in the

2414

01:51:13,010 --> 01:51:11,639

machine or act part of the you know

2415

01:51:15,950 --> 01:51:13,020

machine is over them for a certain

2416

01:51:18,590 --> 01:51:15,960

number of hours you know day if every

2417

01:51:20,810 --> 01:51:18,600

day or daily or several times a day over

2418

01:51:23,510 --> 01:51:20,820

a period of weeks for to really restore

2419

01:51:25,189 --> 01:51:23,520

like an arm that's been removed or a leg

2420

01:51:27,590 --> 01:51:25,199

that's been broken but we'll still be

2421

01:51:29,450 --> 01:51:27,600

able to do it so the fact that it will

2422

01:51:31,189 --> 01:51:29,460

take much longer and be a little more

2423

01:51:32,990 --> 01:51:31,199

tedious of a process as we get out the

2424

01:51:35,649 --> 01:51:33,000

gate than the advanced technology that

2425

01:51:37,970 --> 01:51:35,659

we use it's just the difference between

2426

01:51:40,970 --> 01:51:37,980

technology that's been developed for

2427

01:51:42,350 --> 01:51:40,980

decades versus technology that in the

2428

01:51:44,810 --> 01:51:42,360

civilian World we're essentially having

2429

01:51:47,209 --> 01:51:44,820

to developed on the ground up which this

2430

01:51:49,490 --> 01:51:47,219

is another inconsistency because earlier

2431

01:51:51,890 --> 01:51:49,500

he was talking about

2432

01:51:55,310 --> 01:51:51,900

the technology being able to you could

2433

01:51:58,129 --> 01:51:55,320

get your arm blown off at 10 am and by

2434

01:52:00,050 --> 01:51:58,139

dinner time you were cleared for Duty

2435

01:52:02,209 --> 01:52:00,060

again but maybe he was talking about the

2436

01:52:05,030 --> 01:52:02,219

military technology and his is slower

2437

01:52:07,729 --> 01:52:05,040

who knows the reason we have to do that

2438

01:52:11,229 --> 01:52:07,739

is because of this wall of

2439

01:52:13,970 --> 01:52:11,239

classifications Espionage activities Etc

2440

01:52:14,930 --> 01:52:13,980

which means that no one can hand me a

2441

01:52:17,330 --> 01:52:14,940

blueprint

2442

01:52:19,669 --> 01:52:17,340

no one can hand me a schematic no one

2443

01:52:21,109 --> 01:52:19,679

can hand me a prototype no one can hand

2444

01:52:24,709 --> 01:52:21,119

me a component

2445

01:52:26,390 --> 01:52:24,719

but if oh there's a loophole he'll still

2446

01:52:28,490 --> 01:52:26,400

be able to develop the technology if we

2447

01:52:31,370 --> 01:52:28,500

give him enough money here's how I

2448

01:52:34,850 --> 01:52:31,380

understand how those things work

2449

01:52:37,729 --> 01:52:34,860

there are people who I can get advice

2450

01:52:39,709 --> 01:52:37,739

from asking specific questions they

2451

01:52:41,330 --> 01:52:39,719

can't necessarily again hand the

2452

01:52:43,129 --> 01:52:41,340

information to me but if I understand

2453

01:52:45,709 --> 01:52:43,139

the information and the component well

2454

01:52:47,270 --> 01:52:45,719

enough to ask the right questions I will

2455

01:52:48,770 --> 01:52:47,280

always be able to get a correct answer

2456

01:52:50,810 --> 01:52:48,780

so that

2457

01:52:53,030 --> 01:52:50,820

when I say I like how the next section

2458

01:52:55,070 --> 01:52:53,040

is is it criminal to deny this

2459

01:52:56,990 --> 01:52:55,080

technology well I don't know about that

2460

01:52:59,030 --> 01:52:57,000

but it's criminal to accept donations

2461

01:53:00,709 --> 01:52:59,040

for this technology that doesn't exist

2462

01:53:03,109 --> 01:53:00,719

and then spend all the money and have

2463

01:53:05,090 --> 01:53:03,119

nothing to show anybody after you've

2464

01:53:08,149 --> 01:53:05,100

spent all the money you know we have

2465

01:53:10,550 --> 01:53:08,159

enough information to develop this we do

2466

01:53:12,109 --> 01:53:10,560

we do but we certainly it is also in

2467

01:53:14,270 --> 01:53:12,119

puzzle pieces that we have to put

2468

01:53:16,430 --> 01:53:14,280

together because this wall of

2469

01:53:18,410 --> 01:53:16,440

classification is designed to do just

2470

01:53:20,750 --> 01:53:18,420

exactly what it's doing which is prevent

2471

01:53:22,689 --> 01:53:20,760

the quick easy fast access of this

2472

01:53:26,689 --> 01:53:22,699

technology into the civilian world so

2473

01:53:29,450 --> 01:53:26,699

exactly again here we are again with him

2474

01:53:31,430 --> 01:53:29,460

claiming this technology already exists

2475

01:53:33,890 --> 01:53:31,440

and the rich in the ruling class have

2476  
01:53:37,310 --> 01:53:33,900  
access to this technology then explain

2477  
01:53:40,129 --> 01:53:37,320  
to me why Rothschilds die right explain

2478  
01:53:44,390 --> 01:53:40,139  
to me how rich powerful Elite people all

2479  
01:53:47,390 --> 01:53:44,400  
over the world die all the time he can't

2480  
01:53:50,870 --> 01:53:47,400  
if this technology truly existed people

2481  
01:53:52,910 --> 01:53:50,880  
like Bill Gates Elon Musk and others

2482  
01:53:55,550 --> 01:53:52,920  
that are rich and Powerful would not age

2483  
01:53:58,189 --> 01:53:55,560  
yet they do

2484  
01:53:59,510 --> 01:53:58,199  
we accept that we accept that obstacle

2485  
01:54:01,250 --> 01:53:59,520  
we accept that it's not going to happen

2486  
01:54:02,750 --> 01:54:01,260  
fast we accept that it's not going to be

2487  
01:54:04,490 --> 01:54:02,760  
quick we accept that it's not going to

2488  
01:54:07,010 --> 01:54:04,500

be easy and we accept that it's not

2489

01:54:09,109 --> 01:54:07,020

going to be a full component modeled

2490

01:54:10,490 --> 01:54:09,119

device that we can just use that we're

2491

01:54:13,370 --> 01:54:10,500

going to have to put the pieces together

2492

01:54:15,649 --> 01:54:13,380

but I can assure you I understand the

2493

01:54:17,450 --> 01:54:15,659

components very well and the two main

2494

01:54:19,430 --> 01:54:17,460

components yeah he understands the

2495

01:54:22,729 --> 01:54:19,440

components that do not exist very well

2496

01:54:25,310 --> 01:54:22,739

it's our software and Hardware the

2497

01:54:27,530 --> 01:54:25,320

software luckily someone else already

2498

01:54:30,350 --> 01:54:27,540

took some time to develop the early

2499

01:54:31,910 --> 01:54:30,360

software and so great so Randy Kramer

2500

01:54:33,950 --> 01:54:31,920

when the cops knock on your door you'll

2501  
01:54:35,870 --> 01:54:33,960  
be able to tell the cops who developed

2502  
01:54:37,189 --> 01:54:35,880  
the software and how you acquired it

2503  
01:54:40,450 --> 01:54:37,199  
right because you said you were just

2504  
01:54:43,970 --> 01:54:40,460  
going to acquire it somehow again

2505  
01:54:46,490 --> 01:54:43,980  
ridiculous nonsense fantasy fairy tales

2506  
01:54:50,390 --> 01:54:46,500  
from Randy Kramer we're already looking

2507  
01:54:52,609 --> 01:54:50,400  
at the modeling of that software and

2508  
01:54:55,010 --> 01:54:52,619  
talking about problem solving to get it

2509  
01:54:56,390 --> 01:54:55,020  
to be the software that we needed

2510  
01:55:01,669 --> 01:54:56,400  
we've already looked at the hardware

2511  
01:55:07,030 --> 01:55:03,590  
part of the device the functional parts

2512  
01:55:08,990 --> 01:55:07,040  
of the device that are the most critical

2513  
01:55:13,070 --> 01:55:09,000

and

2514

01:55:15,770 --> 01:55:13,080

basic functions of those Hardware

2515

01:55:19,070 --> 01:55:15,780

components the basic place where

2516

01:55:21,229 --> 01:55:19,080

industry sort of has the efficiency and

2517

01:55:23,149 --> 01:55:21,239

precision of those components and then

2518

01:55:25,370 --> 01:55:23,159

at what point we're picking that up and

2519

01:55:27,250 --> 01:55:25,380

moving to the level of precision and you

2520

01:55:30,169 --> 01:55:27,260

know that we need

2521

01:55:33,370 --> 01:55:30,179

yeah he's just gonna buy off the shelf

2522

01:55:36,229 --> 01:55:33,380

components and build

2523

01:55:38,870 --> 01:55:36,239

holographic Medved regenerating

2524

01:55:41,990 --> 01:55:38,880

technology from off-the-shelf components

2525

01:55:43,910 --> 01:55:42,000

apparently and and from using stolen

2526

01:55:46,129 --> 01:55:43,920

software somebody else developed somehow

2527

01:55:48,470 --> 01:55:46,139

quickly sees wavelengths and sort of

2528

01:55:50,990 --> 01:55:48,480

picometers turns out we're measuring in

2529

01:55:52,490 --> 01:55:51,000

that we're going after and this is the

2530

01:55:53,870 --> 01:55:52,500

part where I start getting really

2531

01:55:55,310 --> 01:55:53,880

tight-knit because I've talked to my

2532

01:55:57,229 --> 01:55:55,320

chief and my software Engineers enough

2533

01:55:59,030 --> 01:55:57,239

to know to not talk too much about more

2534

01:56:01,070 --> 01:55:59,040

about our proprietary process and where

2535

01:56:02,890 --> 01:56:01,080

we're going from that okay so he's got

2536

01:56:06,290 --> 01:56:02,900

to stay tight-lipped about this because

2537

01:56:08,149 --> 01:56:06,300

his chief engineer and his software

2538

01:56:10,550 --> 01:56:08,159

engineer

2539

01:56:13,370 --> 01:56:10,560

told him not to talk too much about it

2540

01:56:16,189 --> 01:56:13,380

so I guess when the police want to talk

2541

01:56:19,070 --> 01:56:16,199

to your software engineer and talk to

2542

01:56:20,629 --> 01:56:19,080

your chief engineer Randy Kramer you'll

2543

01:56:22,729 --> 01:56:20,639

be able to give them the names or how

2544

01:56:25,370 --> 01:56:22,739

about me can I interview your Chief

2545

01:56:27,410 --> 01:56:25,380

software engineer or your chief engineer

2546

01:56:29,810 --> 01:56:27,420

right

2547

01:56:32,330 --> 01:56:29,820

yeah how come Med beds doesn't cure

2548

01:56:34,070 --> 01:56:32,340

eating too many carbs on him yeah a

2549

01:56:37,810 --> 01:56:34,080

little fat but I can't say much I gotta

2550

01:56:44,450 --> 01:56:41,390

ridiculous this guy is got him in his

2551  
01:56:46,430 --> 01:56:44,460  
imaginary team his imaginary friends are

2552  
01:56:48,590 --> 01:56:46,440  
developing Medved technology can we talk

2553  
01:56:51,950 --> 01:56:48,600  
to any of them Randy Kramer of course

2554  
01:56:54,709 --> 01:56:51,960  
not he won't but satisfied to say that

2555  
01:56:57,109 --> 01:56:54,719  
there's a couple of components

2556  
01:56:59,689 --> 01:56:57,119  
I've had them used on me so many times

2557  
01:57:01,669 --> 01:56:59,699  
that you know I have all my digits where

2558  
01:57:03,709 --> 01:57:01,679  
they want many many times over well it

2559  
01:57:05,030 --> 01:57:03,719  
looks good the arms arms you know like

2560  
01:57:06,729 --> 01:57:05,040  
they function

2561  
01:57:13,970 --> 01:57:06,739  
s

2562  
01:57:16,370 --> 01:57:13,980  
and regenerated

2563  
01:57:19,790 --> 01:57:16,380

while he's soliciting public donations

2564

01:57:22,609 --> 01:57:19,800

in a GoFundMe scam uh this is pure fraud

2565

01:57:24,770 --> 01:57:22,619

yeah that's a good job I mean it really

2566

01:57:27,709 --> 01:57:24,780

is complete it looks very very you know

2567

01:57:30,169 --> 01:57:27,719

thorough like ah look at this this

2568

01:57:31,850 --> 01:57:30,179

lady's so stupid oh yeah your arms and

2569

01:57:35,089 --> 01:57:31,860

legs look great for being regenerated

2570

01:57:38,510 --> 01:57:35,099

once this is very good good technology

2571

01:57:40,189 --> 01:57:38,520

Randy Kramer yeah yeah if it only healed

2572

01:57:41,930 --> 01:57:40,199

the psychological and emotional problem

2573

01:57:43,850 --> 01:57:41,940

of having your body blown apart and

2574

01:57:45,129 --> 01:57:43,860

ripped apart you know several thousand

2575

01:57:47,689 --> 01:57:45,139

times

2576

01:57:51,169 --> 01:57:47,699

he just said that he's had his body

2577

01:57:54,470 --> 01:57:51,179

blown apart and ripped apart several

2578

01:57:56,390 --> 01:57:54,480

thousand times it's getting deep in here

2579

01:57:58,129 --> 01:57:56,400

so

2580

01:58:00,470 --> 01:57:58,139

um that's my own thing that I have to

2581

01:58:02,209 --> 01:58:00,480

deal with but um but you know that's

2582

01:58:04,010 --> 01:58:02,219

okay because I can at least have a

2583

01:58:06,109 --> 01:58:04,020

positive outlook of you know I got all

2584

01:58:07,729 --> 01:58:06,119

my fingers my toes Okay so

2585

01:58:09,169 --> 01:58:07,739

right I mean look at these guys that

2586

01:58:11,149 --> 01:58:09,179

come back from these wars and they're

2587

01:58:13,189 --> 01:58:11,159

you know they're sadly I mean sadly

2588

01:58:14,930 --> 01:58:13,199

they're walking around some aren't even

2589

01:58:16,970 --> 01:58:14,940

walking I mean but they've they're in

2590

01:58:18,649 --> 01:58:16,980

Walter Reed but they're trying to

2591

01:58:20,629 --> 01:58:18,659

rehabilitate with their Prosthetics and

2592

01:58:22,669 --> 01:58:20,639

all that stuff and that's you know and

2593

01:58:24,589 --> 01:58:22,679

they have they that's tough you know

2594

01:58:26,390 --> 01:58:24,599

that's really tough too so it's yeah it

2595

01:58:29,629 --> 01:58:26,400

is tough and you know what's tougher an

2596

01:58:32,570 --> 01:58:29,639

idiot like you helping Randy Kramer scam

2597

01:58:34,729 --> 01:58:32,580

people like that with fake technology

2598

01:58:36,770 --> 01:58:34,739

that doesn't exist and taking donations

2599

01:58:39,350 --> 01:58:36,780

you dumb woman

2600

01:58:40,669 --> 01:58:39,360

I'm sorry but how can this woman be this

2601

01:58:42,770 --> 01:58:40,679

stupid

2602

01:58:45,350 --> 01:58:42,780

you know it's like that old saying from

2603

01:58:47,870 --> 01:58:45,360

George Carlin you know think about how

2604

01:58:51,050 --> 01:58:47,880

stupid some people are and then realize

2605

01:58:54,109 --> 01:58:51,060

that they're stupider even than that

2606

01:58:56,510 --> 01:58:54,119

yeah it's it's really a shame to deny

2607

01:58:58,669 --> 01:58:56,520

them this technology I mean you know I'm

2608

01:59:00,589 --> 01:58:58,679

sure Winston has seen that too but well

2609

01:59:02,629 --> 01:59:00,599

I I think we could go a step further and

2610

01:59:05,030 --> 01:59:02,639

I think it's criminal to be honest with

2611

01:59:07,669 --> 01:59:05,040

you I think denying them the the

2612

01:59:10,430 --> 01:59:07,679

criminal thinks it's criminal to deny

2613

01:59:13,910 --> 01:59:10,440

the technology that doesn't exist to

2614

01:59:15,890 --> 01:59:13,920

service members by the way the deny that

2615

01:59:18,470 --> 01:59:15,900

technology to real veterans and real

2616

01:59:21,109 --> 01:59:18,480

service members not fake Marines or fake

2617

01:59:23,270 --> 01:59:21,119

Navy Seals like this clown the access to

2618

01:59:25,910 --> 01:59:23,280

technology which

2619

01:59:29,030 --> 01:59:25,920

is commensurate with their dedication of

2620

01:59:32,089 --> 01:59:29,040

Life of service uh that you know there's

2621

01:59:34,010 --> 01:59:32,099

a justification there uh both civil

2622

01:59:36,910 --> 01:59:34,020

legal and moral that is a criminal

2623

01:59:40,330 --> 01:59:36,920

violation actually to deny them the

2624

01:59:42,770 --> 01:59:40,340

level of care which could

2625

01:59:45,430 --> 01:59:42,780

completely change the quality of their

2626  
01:59:48,290 --> 01:59:45,440  
lives and make the difference between

2627  
01:59:50,870 --> 01:59:48,300  
functional and just not functional at

2628  
01:59:53,570 --> 01:59:50,880  
all and to the people who under who

2629  
01:59:56,030 --> 01:59:53,580  
become functional with the handicaps of

2630  
01:59:58,550 --> 01:59:56,040  
losing arms and legs it's never going to

2631  
02:00:00,830 --> 01:59:58,560  
be the same you know as how you could

2632  
02:00:03,169 --> 02:00:00,840  
function yeah great so this guy so

2633  
02:00:05,570 --> 02:00:03,179  
drifting off of people yeah we we're

2634  
02:00:09,290 --> 02:00:05,580  
drifting off of people that lost arms

2635  
02:00:12,709 --> 02:00:09,300  
and legs in Wars grifting off of people

2636  
02:00:14,510 --> 02:00:12,719  
who lost arms and legs in Wars

2637  
02:00:18,229 --> 02:00:14,520  
all right and we're going to skip ahead

2638  
02:00:20,629 --> 02:00:18,239

I'm very interested to share with you

2639

02:00:23,270 --> 02:00:20,639

for those unaware

2640

02:00:25,609 --> 02:00:23,280

um most of you I believe are aware but

2641

02:00:28,850 --> 02:00:25,619

in case you're not I have a son who is

2642

02:00:31,209 --> 02:00:28,860

autistic severely autistic he is a

2643

02:00:34,669 --> 02:00:31,219

non-verbal autistic is what it's called

2644

02:00:38,390 --> 02:00:34,679

and uh it's very debilitating Condition

2645

02:00:42,410 --> 02:00:38,400

it's very difficult he requires 24 hours

2646

02:00:45,709 --> 02:00:42,420

seven days a week attention and care

2647

02:00:47,810 --> 02:00:45,719

it's very difficult both on him and on

2648

02:00:49,010 --> 02:00:47,820

our family

2649

02:00:51,290 --> 02:00:49,020

um

2650

02:00:54,589 --> 02:00:51,300

autism is uh something that I wouldn't

2651  
02:00:56,570 --> 02:00:54,599  
wish on even my worst enemy it is really

2652  
02:01:00,950 --> 02:00:56,580  
the most challenging and difficult thing

2653  
02:01:01,970 --> 02:01:00,960  
in my life I love my son I hate autism

2654  
02:01:04,669 --> 02:01:01,980  
um

2655  
02:01:05,990 --> 02:01:04,679  
my son is unable to communicate

2656  
02:01:08,750 --> 02:01:06,000  
his

2657  
02:01:11,510 --> 02:01:08,760  
problems desires needs because he's

2658  
02:01:14,570 --> 02:01:11,520  
non-verbal which means he has many

2659  
02:01:17,930 --> 02:01:14,580  
meltdowns and gets upset very easily or

2660  
02:01:21,290 --> 02:01:17,940  
agitated he has sensory issues so even

2661  
02:01:23,689 --> 02:01:21,300  
things like loud noises or too many

2662  
02:01:27,050 --> 02:01:23,699  
people inside a store or too much

2663  
02:01:29,689 --> 02:01:27,060

sensory input at once can set him off

2664

02:01:31,609 --> 02:01:29,699

and and you know I'm not going to

2665

02:01:33,410 --> 02:01:31,619

explain all of autism to you but it's

2666

02:01:35,930 --> 02:01:33,420

enough to say that it is a tremendous

2667

02:01:38,089 --> 02:01:35,940

burden both on the person that has it

2668

02:01:39,470 --> 02:01:38,099

and on the family members caring for

2669

02:01:43,310 --> 02:01:39,480

that person

2670

02:01:45,950 --> 02:01:43,320

Stow Randy Kramer

2671

02:01:48,589 --> 02:01:45,960

Stolen Valor fraud swindler

2672

02:01:51,770 --> 02:01:48,599

is not just promising that he's going to

2673

02:01:54,169 --> 02:01:51,780

cure cancer or regrow limbs for people

2674

02:01:55,490 --> 02:01:54,179

who had their limbs blown off he's not

2675

02:01:58,129 --> 02:01:55,500

just promising he's going to cure

2676

02:02:01,310 --> 02:01:58,139

blindness or deafness

2677

02:02:02,089 --> 02:02:01,320

in this interview in a in a few moments

2678

02:02:04,669 --> 02:02:02,099

here

2679

02:02:07,070 --> 02:02:04,679

we're gonna you're gonna cue it up to

2680

02:02:10,910 --> 02:02:07,080

that he claims that his Medved

2681

02:02:13,010 --> 02:02:10,920

technology can cure autism and mental

2682

02:02:16,250 --> 02:02:13,020

retardation in children

2683

02:02:17,750 --> 02:02:16,260

let's get to that uh you know it doesn't

2684

02:02:19,250 --> 02:02:17,760

matter how old you get we don't want you

2685

02:02:20,390 --> 02:02:19,260

to look younger than that because you

2686

02:02:22,729 --> 02:02:20,400

won't look in the mirror and see the

2687

02:02:23,750 --> 02:02:22,739

right I hear he's talking about age when

2688

02:02:25,189 --> 02:02:23,760

she's younger and more or less

2689

02:02:27,169 --> 02:02:25,199

experienced and that protection when he

2690

02:02:29,450 --> 02:02:27,179

talks about autism and you'll identify

2691

02:02:31,310 --> 02:02:29,460

with that person in the mirror more than

2692

02:02:33,470 --> 02:02:31,320

you might identify with the page that

2693

02:02:35,149 --> 02:02:33,480

you actually are and as an exam and as a

2694

02:02:37,370 --> 02:02:35,159

perfect example to that

2695

02:02:40,430 --> 02:02:37,380

when I was restored I don't hear that uh

2696

02:02:43,689 --> 02:02:40,440

back to 17 years old and put back in you

2697

02:02:47,030 --> 02:02:43,699

know a position in a time space

2698

02:02:50,209 --> 02:02:47,040

what I'm 17 Again I look in the mirror

2699

02:02:52,310 --> 02:02:50,219

I see a 17 year old and I'm oh this is

2700

02:02:54,589 --> 02:02:52,320

where I was when I was 17. what do I do

2701

02:02:56,270 --> 02:02:54,599

I identify myself that way now I

2702

02:02:58,609 --> 02:02:56,280

struggled with that right of course like

2703

02:03:01,370 --> 02:02:58,619

wait I don't I'm not am I really this

2704

02:03:03,470 --> 02:03:01,380

age why do I feel older why do I not

2705

02:03:06,050 --> 02:03:03,480

feel the age I'm supposed to be I mean

2706

02:03:08,629 --> 02:03:06,060

it was a struggle but I still identified

2707

02:03:11,510 --> 02:03:08,639

with who I spoke in the mirror who was

2708

02:03:13,010 --> 02:03:11,520

looking back at me so you will identify

2709

02:03:14,689 --> 02:03:13,020

with that person and so we don't want to

2710

02:03:16,129 --> 02:03:14,699

use it for cosmetic purposes to make

2711

02:03:20,109 --> 02:03:16,139

people younger than they really are

2712

02:03:30,410 --> 02:03:24,550

with this technology have any uh benefit

2713

02:03:35,390 --> 02:03:32,470

foreign

2714

02:03:38,330 --> 02:03:35,400

question and some of that is going to

2715

02:03:40,310 --> 02:03:38,340

definitely come up to the actual mapping

2716

02:03:42,129 --> 02:03:40,320

of the DNA

2717

02:03:45,830 --> 02:03:42,139

um

2718

02:03:47,930 --> 02:03:45,840

we love our autism has been caused by

2719

02:03:51,370 --> 02:03:47,940

all of these vaccinations that are

2720

02:03:57,109 --> 02:03:53,810

they don't be very concerned about that

2721

02:03:59,990 --> 02:03:57,119

right and some of it does uh affect

2722

02:04:02,089 --> 02:04:00,000

genetics uh and affects the DNA and so

2723

02:04:04,669 --> 02:04:02,099

the question then becomes how has the

2724

02:04:06,229 --> 02:04:04,679

DNA been affected uh in such a way that

2725

02:04:08,290 --> 02:04:06,239

we can then

2726

02:04:11,450 --> 02:04:08,300

either

2727

02:04:14,030 --> 02:04:11,460

change and in some cases you know these

2728

02:04:17,149 --> 02:04:14,040

are changes that cause the amygdala to

2729

02:04:20,390 --> 02:04:17,159

develop differently and so forth so the

2730

02:04:25,129 --> 02:04:20,400

question because and again

2731

02:04:26,990 --> 02:04:25,139

um just just to clarify this idiot is

2732

02:04:29,089 --> 02:04:27,000

claiming that there's changes to the

2733

02:04:30,169 --> 02:04:29,099

amygdala and that's what causes autism

2734

02:04:34,310 --> 02:04:30,179

or something

2735

02:04:36,589 --> 02:04:34,320

he has no idea what he's talking about

2736

02:04:39,770 --> 02:04:36,599

he's bluffing his way through a question

2737

02:04:42,010 --> 02:04:39,780

will your med beds cure autism and of

2738

02:04:46,129 --> 02:04:42,020

course they will but he's got to Bluff

2739

02:04:47,689 --> 02:04:46,139

what causes autism he's an idiot comes

2740

02:04:49,550 --> 02:04:47,699

and there's some tinkering that we

2741

02:04:51,950 --> 02:04:49,560

understand we can do uh in the research

2742

02:04:53,450 --> 02:04:51,960

and development of this which is once

2743

02:04:55,070 --> 02:04:53,460

you understand what something's perfect

2744

02:04:57,530 --> 02:04:55,080

model is

2745

02:04:58,970 --> 02:04:57,540

what if it turns out that that thing is

2746

02:05:01,310 --> 02:04:58,980

not developed properly what if it turns

2747

02:05:03,050 --> 02:05:01,320

out that someone's genetics I agree told

2748

02:05:05,750 --> 02:05:03,060

a part of their brain and not develop

2749

02:05:07,430 --> 02:05:05,760

fully and so you're essentially the DNA

2750

02:05:08,870 --> 02:05:07,440

model that you want to use to make it

2751  
02:05:10,430 --> 02:05:08,880  
into perfection

2752  
02:05:14,209 --> 02:05:10,440  
isn't there

2753  
02:05:18,290 --> 02:05:14,219  
we know at that point that we can start

2754  
02:05:19,970 --> 02:05:18,300  
to Tinker with the software oh configure

2755  
02:05:22,970 --> 02:05:19,980  
with the software virtually and you can

2756  
02:05:26,390 --> 02:05:22,980  
cure autism software tell the software

2757  
02:05:28,850 --> 02:05:26,400  
to build that cellular tissue

2758  
02:05:31,129 --> 02:05:28,860  
then that will be projected and then the

2759  
02:05:33,649 --> 02:05:31,139  
body will go we'll build that so there

2760  
02:05:36,709 --> 02:05:33,659  
is some modification that can be done in

2761  
02:05:38,990 --> 02:05:36,719  
order to restore or rebuild things that

2762  
02:05:41,030 --> 02:05:39,000  
were degenerative or not supposed to

2763  
02:05:43,070 --> 02:05:41,040

sort of you know due to genetic defect

2764

02:05:44,629 --> 02:05:43,080

we're not there in the first place so

2765

02:05:46,129 --> 02:05:44,639

again that's something that we have to

2766

02:05:48,890 --> 02:05:46,139

really iron out in the research and

2767

02:05:51,470 --> 02:05:48,900

we'll be ironed out over time as we use

2768

02:05:53,750 --> 02:05:51,480

the technology more and more but we

2769

02:05:57,830 --> 02:05:53,760

think that we can certainly use the

2770

02:06:00,410 --> 02:05:57,840

technology to restore a brain damaged

2771

02:06:03,050 --> 02:06:00,420

neurologically undeveloped potentially

2772

02:06:05,629 --> 02:06:03,060

even developmentally disabled brains

2773

02:06:08,030 --> 02:06:05,639

into healthy brains and I and so I don't

2774

02:06:10,189 --> 02:06:08,040

want to go too far but I think it I do

2775

02:06:13,189 --> 02:06:10,199

honestly think that we can cure and

2776

02:06:16,310 --> 02:06:13,199

restore most mental disorders most

2777

02:06:19,270 --> 02:06:16,320

artistic disorders uh and even most

2778

02:06:22,490 --> 02:06:19,280

mental retardation and development

2779

02:06:24,109 --> 02:06:22,500

okay just to just to clarify he said

2780

02:06:25,790 --> 02:06:24,119

that his Med beds we're going to back it

2781

02:06:28,430 --> 02:06:25,800

up we're going to hear that again

2782

02:06:31,010 --> 02:06:28,440

he's saying that his Medved technology

2783

02:06:33,169 --> 02:06:31,020

if you just donate to him can cure

2784

02:06:37,910 --> 02:06:33,179

mental disorders

2785

02:06:40,490 --> 02:06:37,920

autism and even mental retardation

2786

02:06:43,729 --> 02:06:40,500

but I think it I do honestly think that

2787

02:06:47,390 --> 02:06:43,739

we can cure and restore most mental

2788

02:06:49,070 --> 02:06:47,400

disorders most artistic disorders uh and

2789

02:06:50,950 --> 02:06:49,080

even most mental retardation and

2790

02:06:55,430 --> 02:06:50,960

development

2791

02:06:58,490 --> 02:06:55,440

okay what about uh in utero okay I've

2792

02:07:02,510 --> 02:06:58,500

had enough I've had enough and by the

2793

02:07:06,169 --> 02:07:02,520

way uh the Goldfish report is a wackadoo

2794

02:07:08,330 --> 02:07:06,179

herself and she's running gofundme's due

2795

02:07:12,470 --> 02:07:08,340

to the constant use of unconstitutional

2796

02:07:15,169 --> 02:07:12,480

law fair directed against her Luisa was

2797

02:07:18,649 --> 02:07:15,179

forced into bankruptcy so she's running

2798

02:07:20,330 --> 02:07:18,659

gofundme's herself it's no surprise that

2799

02:07:23,169 --> 02:07:20,340

she's willing to help this guy with his

2800

02:07:28,669 --> 02:07:23,179

GoFundMe scam she's likely running

2801

02:07:33,950 --> 02:07:30,470

so

2802

02:07:40,070 --> 02:07:37,430

apparently Captain Randy Kramer who was

2803

02:07:42,950 --> 02:07:40,080

not a captain in anything right Captain

2804

02:07:45,770 --> 02:07:42,960

Crunch is more of a real Captain than

2805

02:07:50,089 --> 02:07:45,780

Captain Randy Kramer literally Captain

2806

02:07:51,850 --> 02:07:50,099

Crunch is a real Captain Captain Randy

2807

02:07:55,370 --> 02:07:51,860

Kramer is not a captain of anything

2808

02:07:59,750 --> 02:07:55,380

except scamming people

2809

02:08:03,109 --> 02:07:59,760

Captain Randy Kramer is a fake Marine he

2810

02:08:06,589 --> 02:08:03,119

is a fake Navy SEAL

2811

02:08:10,310 --> 02:08:06,599

and Captain Randy Kramer

2812

02:08:13,370 --> 02:08:10,320

has run a GoFundMe scam which netted

2813

02:08:15,669 --> 02:08:13,380

somewhere between 10 000 and apparently

2814

02:08:17,990 --> 02:08:15,679

a hundred and ten thousand dollars

2815

02:08:19,669 --> 02:08:18,000

depending on whether we believe this

2816

02:08:21,830 --> 02:08:19,679

YouTube channel who claims that they

2817

02:08:24,229 --> 02:08:21,840

donated first they said fifty thousand

2818

02:08:26,689 --> 02:08:24,239

dollars then sixty thousand dollars then

2819

02:08:29,390 --> 02:08:26,699

in one of Randy Kramer's video claimed

2820

02:08:31,250 --> 02:08:29,400

to donate a hundred thousand dollars try

2821

02:08:33,649 --> 02:08:31,260

to reach out for them to them for

2822

02:08:33,659 --> 02:08:37,310

no contact information

2823

02:08:42,770 --> 02:08:40,250

let's go with the low ball

2824

02:08:45,410 --> 02:08:42,780

Randy Kramer ran around all these

2825

02:08:46,970 --> 02:08:45,420

podcasts promising that his Medved

2826

02:08:49,490 --> 02:08:46,980

technology could literally cure

2827

02:08:52,790 --> 02:08:49,500

everything let's recap just off the top

2828

02:08:56,450 --> 02:08:52,800

of my head now it can cure cancer it can

2829

02:08:57,890 --> 02:08:56,460

regrow limbs it can repair damaged

2830

02:09:00,050 --> 02:08:57,900

organs so if you need an organ

2831

02:09:02,330 --> 02:09:00,060

transplant lung transplant kidney

2832

02:09:05,450 --> 02:09:02,340

transplant heart transplant don't worry

2833

02:09:08,270 --> 02:09:05,460

our med bed technology can do that and

2834

02:09:09,890 --> 02:09:08,280

create and just repair whatever whatever

2835

02:09:12,169 --> 02:09:09,900

ails you

2836

02:09:14,270 --> 02:09:12,179

uh it can cure

2837

02:09:18,050 --> 02:09:14,280

mental defects

2838

02:09:22,570 --> 02:09:18,060

autism and mental retardation it can

2839

02:09:26,990 --> 02:09:22,580

cure deafness blindness leukemia

2840

02:09:29,330 --> 02:09:27,000

uh diabetes Parkinson's disease or

2841

02:09:33,950 --> 02:09:29,340

anything else anything wrong with you

2842

02:09:36,589 --> 02:09:33,960

his med bed technology can cure or fix

2843

02:09:39,950 --> 02:09:36,599

and if that's not enough if you're 90

2844

02:09:42,830 --> 02:09:39,960

years old and you'd like to be 21 again

2845

02:09:46,070 --> 02:09:42,840

his med bed technology will be able to

2846

02:09:50,270 --> 02:09:46,080

age regress you from 90 years old all

2847

02:09:55,970 --> 02:09:53,209

folks that old saying if it sounds too

2848

02:09:58,970 --> 02:09:55,980

good to be true it probably is

2849

02:10:01,550 --> 02:09:58,980

Randy Kramer is a fake Marine fake Navy

2850

02:10:04,430 --> 02:10:01,560

SEAL who by the way

2851  
02:10:06,649 --> 02:10:04,440  
every time he was making these claims he

2852  
02:10:09,470 --> 02:10:06,659  
was claiming that he was an active duty

2853  
02:10:11,390 --> 02:10:09,480  
or at least he was a U.S Marine Corps

2854  
02:10:13,790 --> 02:10:11,400  
veteran

2855  
02:10:16,729 --> 02:10:13,800  
uh and you might be surprised to find

2856  
02:10:18,709 --> 02:10:16,739  
this out but it's not a crime to claim

2857  
02:10:21,169 --> 02:10:18,719  
that you're a United States Marine Corps

2858  
02:10:22,970 --> 02:10:21,179  
active duty service member or veteran

2859  
02:10:24,050 --> 02:10:22,980  
when you indeed never served in the

2860  
02:10:25,850 --> 02:10:24,060  
military

2861  
02:10:30,890 --> 02:10:25,860  
it's a crime to claim you have certain

2862  
02:10:35,209 --> 02:10:30,900  
medals however I believe that using he's

2863  
02:10:39,169 --> 02:10:35,219

using the respect that people give

2864

02:10:41,750 --> 02:10:39,179

service members right I have tremendous

2865

02:10:44,450 --> 02:10:41,760

respect for armed service people

2866

02:10:47,209 --> 02:10:44,460

most people do because it's a tremendous

2867

02:10:48,589 --> 02:10:47,219

sacrifice and it's difficult going in

2868

02:10:50,750 --> 02:10:48,599

the military going through all that

2869

02:10:53,330 --> 02:10:50,760

training waking up at 5 a.m and running

2870

02:10:55,189 --> 02:10:53,340

five miles or whatever obstacle courses

2871

02:10:58,010 --> 02:10:55,199

training training training drilling

2872

02:11:01,250 --> 02:10:58,020

drilling Drilling

2873

02:11:04,609 --> 02:11:01,260

people have tremendous respect

2874

02:11:07,010 --> 02:11:04,619

for Marine Corps members he's using the

2875

02:11:08,330 --> 02:11:07,020

perceived credibility of being a Marine

2876

02:11:12,770 --> 02:11:08,340

Corps member

2877

02:11:17,689 --> 02:11:12,780

to add credibility to his Petty

2878

02:11:20,270 --> 02:11:17,699

scams these are Petty scams and he made

2879

02:11:22,609 --> 02:11:20,280

somewhere between ten thousand dollars

2880

02:11:26,870 --> 02:11:22,619

and a hundred and ten thousand dollars

2881

02:11:30,410 --> 02:11:26,880

on this one scam now he's on to a new

2882

02:11:33,709 --> 02:11:30,420

scan and his new scam is

2883

02:11:35,870 --> 02:11:33,719

University of conscious evolution with

2884

02:11:40,669 --> 02:11:35,880

Captain Randy Kramer

2885

02:11:44,109 --> 02:11:40,679

and in that he claims uh all kinds of

2886

02:11:46,490 --> 02:11:44,119

things but he sells courses for 99

2887

02:11:49,370 --> 02:11:46,500

where he's going to teach you to have

2888

02:11:52,129 --> 02:11:49,380

super powers for 99 dollars

2889

02:11:54,109 --> 02:11:52,139

and you have to ask yourself

2890

02:11:56,810 --> 02:11:54,119

would you trust a guy to sell you

2891

02:11:59,330 --> 02:11:56,820

superpowers for 99 a month

2892

02:12:02,930 --> 02:11:59,340

when you could get to see what his

2893

02:12:05,990 --> 02:12:02,940

previous scam was all about

2894

02:12:07,850 --> 02:12:06,000

this is absolutely ridiculous this man

2895

02:12:10,550 --> 02:12:07,860

ran around promising people he was going

2896

02:12:13,550 --> 02:12:10,560

to regrow limbs cure cancer cure

2897

02:12:16,550 --> 02:12:13,560

blindness cure deafness cure autism age

2898

02:12:18,830 --> 02:12:16,560

regress people fix broken Limbs and

2899

02:12:21,770 --> 02:12:18,840

regrow people who had their arms and

2900

02:12:24,890 --> 02:12:21,780

legs blown off

2901

02:12:27,530 --> 02:12:24,900

this man is the very definition of

2902

02:12:30,070 --> 02:12:27,540

over-promise and under deliver in the

2903

02:12:32,990 --> 02:12:30,080

scam and just hype it that's what he did

2904

02:12:37,250 --> 02:12:33,000

and by the way he went around

2905

02:12:39,410 --> 02:12:37,260

and made the rounds selling

2906

02:12:42,830 --> 02:12:39,420

this scam we're talking about tonight

2907

02:12:45,530 --> 02:12:42,840

this is the med bed scam we're gonna get

2908

02:12:48,770 --> 02:12:45,540

into the University of Consciousness

2909

02:12:49,609 --> 02:12:48,780

scam because Randy Kramer also sells

2910

02:12:54,770 --> 02:12:49,619

that

2911

02:12:57,649 --> 02:12:54,780

States Marine Corps member right and

2912

02:13:00,649 --> 02:12:57,659

we've seen what happens we saw what

2913

02:13:03,709 --> 02:13:00,659

happened when you confront a Stolen

2914

02:13:06,109 --> 02:13:03,719

Valor fraud usually

2915

02:13:08,330 --> 02:13:06,119

they make a bunch of excuses and try to

2916

02:13:10,310 --> 02:13:08,340

slink away or they get real pissed off

2917

02:13:11,689 --> 02:13:10,320

and angry he got real pissed off and

2918

02:13:14,390 --> 02:13:11,699

angry when we asked to see medical

2919

02:13:17,629 --> 02:13:14,400

records and by the way

2920

02:13:20,089 --> 02:13:17,639

Ryan from the experience or support

2921

02:13:22,609 --> 02:13:20,099

Association platform this guy multiple

2922

02:13:25,010 --> 02:13:22,619

times even after I warned him several

2923

02:13:27,229 --> 02:13:25,020

times that this person was a scammer and

2924

02:13:29,629 --> 02:13:27,239

because of Ryan several people who have

2925

02:13:31,810 --> 02:13:29,639

come here have communicated to me that

2926

02:13:34,970 --> 02:13:31,820

they've signed up for Randy Kramer's 99

2927

02:13:36,649 --> 02:13:34,980

a month course based on his appearance

2928

02:13:38,990 --> 02:13:36,659

with Ryan

2929

02:13:42,410 --> 02:13:39,000

at the experience or support Association

2930

02:13:45,470 --> 02:13:42,420

so good job Ryan good job helping him

2931

02:13:47,750 --> 02:13:45,480

find more victims right and I suppose

2932

02:13:52,010 --> 02:13:47,760

Ryan wants to claim that he and I teamed

2933

02:13:53,930 --> 02:13:52,020

up to get him then why Ryan did you not

2934

02:13:56,030 --> 02:13:53,940

run

2935

02:13:58,250 --> 02:13:56,040

right why didn't you put out a statement

2936

02:14:00,830 --> 02:13:58,260

at the time that Randy Kramer's military

2937

02:14:04,189 --> 02:14:00,840

credentials are fake you helped him

2938

02:14:07,010 --> 02:14:04,199

defend himself from that question and

2939

02:14:09,770 --> 02:14:07,020

you refuse to even share it on this

2940

02:14:12,050 --> 02:14:09,780

screen so that everybody could hear the

2941

02:14:14,089 --> 02:14:12,060

question

2942

02:14:18,290 --> 02:14:14,099

it's disappointing that so many people

2943

02:14:20,209 --> 02:14:18,300

helped this scammer sell his scams and

2944

02:14:22,729 --> 02:14:20,219

right now he's making the rounds again

2945

02:14:25,430 --> 02:14:22,739

going on journey to truth podcast and

2946

02:14:27,890 --> 02:14:25,440

all those other UFO circle jerk shows

2947

02:14:31,010 --> 02:14:27,900

talking about how he was trained in the

2948

02:14:34,430 --> 02:14:31,020

United States military in psionics and

2949

02:14:36,649 --> 02:14:34,440

how he learned telekinesis and all kinds

2950

02:14:39,229 --> 02:14:36,659

of other superpowers he could start

2951

02:14:41,930 --> 02:14:39,239

fires with his mind

2952

02:14:44,930 --> 02:14:41,940

he can freeze things with his mind he

2953

02:14:47,990 --> 02:14:44,940

can move things with his mind he has the

2954

02:14:49,970 --> 02:14:48,000

ability called precognition precognition

2955

02:14:52,550 --> 02:14:49,980

whatever you want to call it he can see

2956

02:14:55,569 --> 02:14:52,560

future events before they happen he's a

2957

02:14:59,750 --> 02:14:55,579

remote viewer and more

2958

02:15:02,689 --> 02:14:59,760

interesting that uh all of these clowns

2959

02:15:05,390 --> 02:15:02,699

sign up to help Randy Kramer sell his

2960

02:15:09,109 --> 02:15:05,400

latest scam but I wonder

2961

02:15:12,910 --> 02:15:09,119

were they educated in his previous scam

2962

02:15:16,490 --> 02:15:12,920

this Medved scam right

2963

02:15:22,129 --> 02:15:16,500

uh incredible that this is allowed to

2964

02:15:26,450 --> 02:15:22,139

happen and I I just I I am both angry

2965

02:15:28,970 --> 02:15:26,460

and sad that a bunch of idiot clowns on

2966

02:15:31,750 --> 02:15:28,980

the internet are helping this guy find

2967

02:15:34,490 --> 02:15:31,760

more victims and not a one of them

2968

02:15:36,470 --> 02:15:34,500

checked on his military service

2969

02:15:39,530 --> 02:15:36,480

first thing I do to be honest with you

2970

02:15:42,109 --> 02:15:39,540

when a let's let's say a controversial

2971

02:15:44,870 --> 02:15:42,119

figure claiming he was a marine came

2972

02:15:47,930 --> 02:15:44,880

into my life or my show the first thing

2973

02:15:49,310 --> 02:15:47,940

I do is check their military claims to

2974

02:15:51,530 --> 02:15:49,320

see if they're true or not and if

2975

02:15:53,750 --> 02:15:51,540

they're not I cut ties immediately

2976

02:15:55,729 --> 02:15:53,760

because if he's lying about that he's

2977

02:15:59,270 --> 02:15:55,739

probably lying about more Fantastical

2978

02:16:02,750 --> 02:15:59,280

things in his story and this is what we

2979

02:16:06,830 --> 02:16:02,760

see with Randy Kramer we see a bunch of

2980

02:16:10,550 --> 02:16:06,840

lazy slob hack UFO Circle jerkers

2981

02:16:12,229 --> 02:16:10,560

they are they can't wait to have Randy

2982

02:16:14,510 --> 02:16:12,239

look at that girl at the beginning of

2983

02:16:17,390 --> 02:16:14,520

that she's beaming oh my special guest

2984

02:16:21,169 --> 02:16:17,400

today we've got Randy Cramer secret

2985

02:16:25,250 --> 02:16:21,179

Space Marine she's a wackadoo and a fan

2986

02:16:28,850 --> 02:16:25,260

of his so she can't wait to help him

2987

02:16:31,669 --> 02:16:28,860

sell people lies sell people lies and

2988

02:16:33,770 --> 02:16:31,679

it's unfortunate but this is those

2989

02:16:36,709 --> 02:16:33,780

people who are helping these Liars grip

2990

02:16:38,929 --> 02:16:36,719

their scammers and con artists they get

2991

02:16:41,270 --> 02:16:38,939

10 times the financial support our show

2992

02:16:43,250 --> 02:16:41,280

does here and let me be clear I'm not

2993

02:16:46,070 --> 02:16:43,260

complaining we have kind and generous

2994

02:16:49,030 --> 02:16:46,080

people all over the world helping us to

2995

02:16:50,990 --> 02:16:49,040

tell people the truth but lies sell

2996

02:16:53,810 --> 02:16:51,000

fantasy cells

2997

02:16:57,950 --> 02:16:53,820

and Fantastical stories

2998

02:16:59,209 --> 02:16:57,960

are much more monetizable than the cold

2999

02:17:01,910 --> 02:16:59,219

hard truth

3000

02:17:04,969 --> 02:17:01,920

that's unfortunate but that's the way

3001  
02:17:07,310 --> 02:17:04,979  
the world works but these clowns that

3002  
02:17:09,709 --> 02:17:07,320  
run these UFO circle jerk shows are all

3003  
02:17:12,169 --> 02:17:09,719  
falling over each other trying to get in

3004  
02:17:13,790 --> 02:17:12,179  
line to get captain Randy Kramer on

3005  
02:17:16,070 --> 02:17:13,800  
their show so they can get clicks and

3006  
02:17:18,110 --> 02:17:16,080  
Views and as long as they get the clicks

3007  
02:17:21,469 --> 02:17:18,120  
and Views they don't care if Their

3008  
02:17:23,030 --> 02:17:21,479  
audience gets scammed by this serial

3009  
02:17:26,089 --> 02:17:23,040  
scammer

3010  
02:17:28,370 --> 02:17:26,099  
he was selling this Medved scam now he's

3011  
02:17:31,070 --> 02:17:28,380  
selling a superpower scam and I'm gonna

3012  
02:17:33,770 --> 02:17:31,080  
call it that and and Randy Kramer can

3013  
02:17:37,549 --> 02:17:33,780

say or do whatever he wants to do

3014

02:17:42,650 --> 02:17:37,559

and by the way uh we do have just a

3015

02:17:42,660 --> 02:17:46,549

yeah and uh

3016

02:17:51,169 --> 02:17:48,889

oh but first we want to thank UFO John

3017

02:17:53,270 --> 02:17:51,179

Doe for a Kind and Generous 999 Super

3018

02:17:56,929 --> 02:17:53,280

Chat and for being a YouTube channel

3019

02:17:59,150 --> 02:17:56,939

member uh very kind of you a continuing

3020

02:18:01,790 --> 02:17:59,160

show supporter long time show supporter

3021

02:18:03,349 --> 02:18:01,800

always happy to see UFO John Doe always

3022

02:18:06,830 --> 02:18:03,359

throwing a couple of bucks in our hat

3023

02:18:08,870 --> 02:18:06,840

and helping us to continue to praise the

3024

02:18:10,969 --> 02:18:08,880

cash uh thank you for your kindness

3025

02:18:17,049 --> 02:18:10,979

generosity and continued support UFO

3026

02:18:22,669 --> 02:18:20,030

thank you for your kindness thank you

3027

02:18:24,140 --> 02:18:22,679

for your generosity praise the cash

3028

02:18:30,169 --> 02:18:24,150

crazy cash crazy cash

3029

02:18:35,750 --> 02:18:32,990

thank you UFO John Doe and all of you

3030

02:18:37,849 --> 02:18:35,760

kind and generous uh channel members and

3031

02:18:40,190 --> 02:18:37,859

patreon supporters everybody throwing a

3032

02:18:41,330 --> 02:18:40,200

couple of bucks in our hat I appreciate

3033

02:18:43,549 --> 02:18:41,340

it

3034

02:18:45,410 --> 02:18:43,559

UFO John Doe says maybe should start

3035

02:18:47,330 --> 02:18:45,420

calling local news investigators about

3036

02:18:48,889 --> 02:18:47,340

the people in their city-state who are

3037

02:18:50,450 --> 02:18:48,899

defrauding people give them attention

3038

02:18:53,750 --> 02:18:50,460

and real exposure they're looking for

3039

02:18:55,929 --> 02:18:53,760

well for the first time ever UFO John

3040

02:18:58,669 --> 02:18:55,939

Doe I'm uh

3041

02:19:01,810 --> 02:18:58,679

compiling this evidence and I'm giving

3042

02:19:05,330 --> 02:19:01,820

it to Mr Kramer's local law enforcement

3043

02:19:06,950 --> 02:19:05,340

and I'm asking them I will continue to

3044

02:19:08,929 --> 02:19:06,960

follow up with them I want to know what

3045

02:19:11,330 --> 02:19:08,939

they're going to do about it I want to I

3046

02:19:13,070 --> 02:19:11,340

want an on the record comment

3047

02:19:16,310 --> 02:19:13,080

are you good just going to let this guy

3048

02:19:18,889 --> 02:19:16,320

do this scam blind people scam deaf

3049

02:19:21,290 --> 02:19:18,899

people scam parents of autistic children

3050

02:19:23,509 --> 02:19:21,300

or parents of children with Down

3051  
02:19:26,209 --> 02:19:23,519  
Syndrome or scammed veterans who have

3052  
02:19:27,709 --> 02:19:26,219  
had their legs and arms blown off or are

3053  
02:19:31,070 --> 02:19:27,719  
you going to do something about it and

3054  
02:19:33,349 --> 02:19:31,080  
by the way the simple Act of lying while

3055  
02:19:36,709 --> 02:19:33,359  
he's taking these donations

3056  
02:19:38,270 --> 02:19:36,719  
is is in and of itself an act of Fraud

3057  
02:19:40,610 --> 02:19:38,280  
and

3058  
02:19:42,530 --> 02:19:40,620  
forget about the lies about this medical

3059  
02:19:44,870 --> 02:19:42,540  
technology that doesn't exist that he

3060  
02:19:47,150 --> 02:19:44,880  
claims he's going to develop if he's

3061  
02:19:48,950 --> 02:19:47,160  
saying I'm a United States Marine Corps

3062  
02:19:52,610 --> 02:19:48,960  
member while he's soliciting these

3063  
02:19:55,670 --> 02:19:52,620

donations and that is the only thing we

3064

02:19:59,870 --> 02:19:55,680

prove is a lie it's still fraud it's 100

3065

02:20:02,990 --> 02:19:59,880

still fraud so for the first time uh we

3066

02:20:04,070 --> 02:20:03,000

are going to get a packet together and I

3067

02:20:06,770 --> 02:20:04,080

want

3068

02:20:09,590 --> 02:20:06,780

comment I I wanna I'm gonna send them

3069

02:20:11,810 --> 02:20:09,600

all the evidence and I want to know what

3070

02:20:14,330 --> 02:20:11,820

what's going on with this I want to know

3071

02:20:16,490 --> 02:20:14,340

are you investigating is this a crime

3072

02:20:19,490 --> 02:20:16,500

are you arresting him are you

3073

02:20:25,070 --> 02:20:21,830

and we'll see what happens and all I can

3074

02:20:27,590 --> 02:20:25,080

do is do that UFO John Doe at a certain

3075

02:20:31,610 --> 02:20:27,600

point things here raised to a level

3076

02:20:34,849 --> 02:20:31,620

where I feel like I'm I'm morally and

3077

02:20:37,010 --> 02:20:34,859

ethically bound to protect the potential

3078

02:20:39,410 --> 02:20:37,020

victims of this idiot

3079

02:20:40,670 --> 02:20:39,420

so I have to turn it over to law

3080

02:20:42,230 --> 02:20:40,680

enforcement let them do what they're

3081

02:20:43,490 --> 02:20:42,240

going to do but I want to know about it

3082

02:20:47,330 --> 02:20:43,500

I want to know what you're going to do

3083

02:20:50,510 --> 02:20:47,340

about it and we'll do an update on that

3084

02:20:53,330 --> 02:20:50,520

yes Captain Crunch Kramer Captain Crunch

3085

02:20:55,610 --> 02:20:53,340

Kramer and thank you UFO John Doe much

3086

02:20:58,010 --> 02:20:55,620

much appreciate it and I appreciate the

3087

02:20:59,210 --> 02:20:58,020

sentiment as well you and I are on the

3088

02:21:01,730 --> 02:20:59,220

same page

3089

02:21:03,469 --> 02:21:01,740

yeah don't question my grift and I won't

3090

02:21:05,030 --> 02:21:03,479

question yours isn't it interesting that

3091

02:21:08,030 --> 02:21:05,040

the girl who was helping him sell his

3092

02:21:10,250 --> 02:21:08,040

GoFundMe scam has her own GoFundMe scam

3093

02:21:12,410 --> 02:21:10,260

she's probably one of those one of those

3094

02:21:14,330 --> 02:21:12,420

uh Sovereign citizen types it sounds

3095

02:21:16,010 --> 02:21:14,340

like like

3096

02:21:17,750 --> 02:21:16,020

do you ever see one of those people in

3097

02:21:20,330 --> 02:21:17,760

court thinking that they can use that

3098

02:21:22,550 --> 02:21:20,340

fake legalese nonsense to get out of a

3099

02:21:23,750 --> 02:21:22,560

criminal charge or a traffic ticket it's

3100

02:21:29,030 --> 02:21:23,760

laughable

3101  
02:21:31,910 --> 02:21:29,040  
a little bit more to share with you and

3102  
02:21:35,270 --> 02:21:31,920  
we will have made it through The Saga of

3103  
02:21:38,150 --> 02:21:35,280  
the Randy Kramer Medved scam we

3104  
02:21:40,550 --> 02:21:38,160  
previously brought you information uh

3105  
02:21:43,969 --> 02:21:40,560  
from Richard K Cole Jr who we could see

3106  
02:21:45,650 --> 02:21:43,979  
here from his profile picture he is uh

3107  
02:21:47,389 --> 02:21:45,660  
well let me share that a little bigger

3108  
02:21:50,090 --> 02:21:47,399  
not really

3109  
02:21:52,790 --> 02:21:50,100  
uh he is a real

3110  
02:21:55,130 --> 02:21:52,800  
a real United States Marine Corps

3111  
02:21:58,670 --> 02:21:55,140  
veteran and he doesn't like fake

3112  
02:22:00,490 --> 02:21:58,680  
Space Marines and he doesn't like Stolen

3113  
02:22:03,950 --> 02:22:00,500

Valor frauds

3114

02:22:07,370 --> 02:22:03,960

so he has been working with me to

3115

02:22:13,610 --> 02:22:07,380

investigate Randy Kramer and his claims

3116

02:22:18,490 --> 02:22:16,790

serial scammer Randy Kramer resurfaces I

3117

02:22:21,710 --> 02:22:18,500

have previously published results of a

3118

02:22:24,469 --> 02:22:21,720

2019-2020 investigation of Randy Kramer

3119

02:22:26,929 --> 02:22:24,479

here oh and by the way I will

3120

02:22:28,610 --> 02:22:26,939

uh put that in the I'll put this in the

3121

02:22:31,070 --> 02:22:28,620

description of the video

3122

02:22:32,990 --> 02:22:31,080

uh the link to this my investigation

3123

02:22:34,490 --> 02:22:33,000

obtained evidence that his claims of

3124

02:22:36,469 --> 02:22:34,500

military service are false and I

3125

02:22:38,270 --> 02:22:36,479

published those documents gofundme.com

3126

02:22:41,389 --> 02:22:38,280

conducted its own investigation of

3127

02:22:44,210 --> 02:22:41,399

Kramer's quote holographic regenerating

3128

02:22:48,230 --> 02:22:44,220

Med beds fundraising Campaign which was

3129

02:22:51,770 --> 02:22:48,240

determined to be fraud and removed so

3130

02:22:54,950 --> 02:22:51,780

the good news is GoFundMe removed the

3131

02:22:57,710 --> 02:22:54,960

GoFundMe campaign the bad news is Randy

3132

02:22:59,389 --> 02:22:57,720

Kramer got to keep I believe ten

3133

02:23:00,950 --> 02:22:59,399

thousand dollars of that money you don't

3134

02:23:04,309 --> 02:23:00,960

need to hit the goal to get the money

3135

02:23:07,309 --> 02:23:04,319

with GoFundMe you get to keep the money

3136

02:23:11,570 --> 02:23:07,319

so apparently he got to keep according

3137

02:23:14,929 --> 02:23:11,580

to Mr Cole at the time that the Medved

3138

02:23:17,090 --> 02:23:14,939

scam GoFundMe was taken down it was

3139

02:23:18,650 --> 02:23:17,100

showing ten thousand dollars raised now

3140

02:23:20,929 --> 02:23:18,660

that doesn't include this other money

3141

02:23:23,270 --> 02:23:20,939

that this woman claimed to give him

3142

02:23:25,370 --> 02:23:23,280

either 50 or 60 or 100

3143

02:23:29,570 --> 02:23:25,380

000 US dollars depending on

3144

02:23:31,130 --> 02:23:29,580

uh which source you use for her claims

3145

02:23:35,090 --> 02:23:31,140

okay

3146

02:23:38,929 --> 02:23:35,100

after disappearing for over a year

3147

02:23:41,450 --> 02:23:38,939

covert Space Cowboy Mars Marie Marine

3148

02:23:44,870 --> 02:23:41,460

serial scammer and fraudster Randy

3149

02:23:46,070 --> 02:23:44,880

Kramer has now reappeared

3150

02:23:48,770 --> 02:23:46,080

yeah

3151  
02:23:50,809 --> 02:23:48,780  
so this is the way it works friends they

3152  
02:23:51,770 --> 02:23:50,819  
go away for a little while after the

3153  
02:23:53,690 --> 02:23:51,780  
scan

3154  
02:23:56,389 --> 02:23:53,700  
and then they come back with a new scam

3155  
02:23:59,150 --> 02:23:56,399  
right

3156  
02:24:01,010 --> 02:23:59,160  
despite being exposed as a fraud Kramer

3157  
02:24:03,110 --> 02:24:01,020  
has doubled down on his previous claims

3158  
02:24:06,050 --> 02:24:03,120  
to be an active duty U.S marine Captain

3159  
02:24:07,969 --> 02:24:06,060  
special section and former member of a

3160  
02:24:11,030 --> 02:24:07,979  
top secret unacknowledged special Access

3161  
02:24:14,389 --> 02:24:11,040  
program after relocating the Sedona

3162  
02:24:17,510 --> 02:24:14,399  
Arizona Kramer created the University of

3163  
02:24:20,809 --> 02:24:17,520

## Consciousness evolution

3164

02:24:23,389 --> 02:24:20,819

Kramer has resurrected a retro science

3165

02:24:25,070 --> 02:24:23,399

fiction pseudoscience known as psionics

3166

02:24:27,230 --> 02:24:25,080

the word psionics first appeared in

3167

02:24:29,389 --> 02:24:27,240

print in a novella by science fiction

3168

02:24:31,190 --> 02:24:29,399

writer Jack Williamson published an

3169

02:24:32,809 --> 02:24:31,200

astounding science fiction magazine in

3170

02:24:35,630 --> 02:24:32,819

1951.

3171

02:24:38,870 --> 02:24:35,640

Williamson derived it from the Scion a

3172

02:24:40,969 --> 02:24:38,880

fictitious unit of mental energy psionic

3173

02:24:43,429 --> 02:24:40,979

abilities began to appear frequently in

3174

02:24:46,130 --> 02:24:43,439

magazine science fiction stories in the

3175

02:24:48,889 --> 02:24:46,140

mid-1950s providing characters with

3176  
02:24:50,570 --> 02:24:48,899  
supernormal or supernatural abilities in

3177  
02:24:53,210 --> 02:24:50,580  
the years after the term was coined in

3178  
02:24:55,250 --> 02:24:53,220  
1951 it became increasingly evident that

3179  
02:24:59,090 --> 02:24:55,260  
no scientific evidence supports the

3180  
02:25:00,770 --> 02:24:59,100  
existence of quote psionic abilities

3181  
02:25:03,110 --> 02:25:00,780  
some of the wind was taken out of the

3182  
02:25:05,090 --> 02:25:03,120  
sails of psionics in 1957 when Martin

3183  
02:25:07,670 --> 02:25:05,100  
Gardner in the updated edition of his

3184  
02:25:10,070 --> 02:25:07,680  
book fads and fallacies in the name of

3185  
02:25:13,010 --> 02:25:10,080  
science wrote that the study of psionics

3186  
02:25:15,230 --> 02:25:13,020  
is even funnier than Dianetics or Ray

3187  
02:25:17,210 --> 02:25:15,240  
Palmer's shaver stories

3188  
02:25:19,330 --> 02:25:17,220

and criticized the beliefs and

3189

02:25:22,490 --> 02:25:19,340

assertations of Campbell as

3190

02:25:25,490 --> 02:25:22,500

anti-scientific nonsense now we get

3191

02:25:28,790 --> 02:25:25,500

Randy Kramer gets a a scammy scam

3192

02:25:31,550 --> 02:25:28,800

partner Kendra Soleil Kramer and his new

3193

02:25:34,070 --> 02:25:31,560

partner Kendra Soleil

3194

02:25:36,230 --> 02:25:34,080

offer a number of courses and private

3195

02:25:38,389 --> 02:25:36,240

consultations for various fees ranging

3196

02:25:41,990 --> 02:25:38,399

from a hundred dollars to a thousand

3197

02:25:44,270 --> 02:25:42,000

dollars so Leo is a self-described quote

3198

02:25:47,750 --> 02:25:44,280

psionic healer a Consciousness life

3199

02:25:51,830 --> 02:25:47,760

coach unquote and works as an owner at

3200

02:25:54,170 --> 02:25:51,840

evolve since 2018. a search for evolve

3201  
02:25:56,389 --> 02:25:54,180  
in Sedona shows a Hospitality Rental

3202  
02:25:59,210 --> 02:25:56,399  
Management Company offering private home

3203  
02:26:01,190 --> 02:25:59,220  
vacation rentals evolved lists about 80

3204  
02:26:03,889 --> 02:26:01,200  
private homes as vacation rentals near

3205  
02:26:05,330 --> 02:26:03,899  
Sedona Arizona qualified homeowners can

3206  
02:26:07,730 --> 02:26:05,340  
partner with evolve to market the

3207  
02:26:11,090 --> 02:26:07,740  
property and schedule rentals

3208  
02:26:13,070 --> 02:26:11,100  
Kramer's University once behind Cramer's

3209  
02:26:15,309 --> 02:26:13,080  
paywall students can review courses on

3210  
02:26:18,770 --> 02:26:15,319  
meditation psionic ability development

3211  
02:26:21,110 --> 02:26:18,780  
telekinesis psionic self-defense and

3212  
02:26:23,090 --> 02:26:21,120  
skill development self-healing and

3213  
02:26:25,610 --> 02:26:23,100

self-mastery

3214

02:26:28,309 --> 02:26:25,620

a list of Kramer's psionic abilities

3215

02:26:31,610 --> 02:26:28,319

also includes remote viewing dowsing

3216

02:26:33,770 --> 02:26:31,620

telepathy precognition pyrokinesis

3217

02:26:36,230 --> 02:26:33,780

that's starting fires with your mind

3218

02:26:38,570 --> 02:26:36,240

that's a great superpower and

3219

02:26:41,150 --> 02:26:38,580

chirokinesis that's freezing things with

3220

02:26:45,290 --> 02:26:41,160

your mind another great superpower

3221

02:26:47,150 --> 02:26:45,300

uh we got an Intel in uh into this

3222

02:26:50,690 --> 02:26:47,160

background check that listed an address

3223

02:26:52,670 --> 02:26:50,700

for Creator in Sedona Arizona

3224

02:26:56,030 --> 02:26:52,680

um and I I don't want to get too much

3225

02:26:58,730 --> 02:26:56,040

further into this because uh this will

3226

02:27:00,530 --> 02:26:58,740

pretty much reveal where Kramer lives we

3227

02:27:04,490 --> 02:27:00,540

don't want to dox anybody but here's

3228

02:27:09,290 --> 02:27:06,950

Randy Kramer is now living in a half a

3229

02:27:12,290 --> 02:27:09,300

million dollar home in Sedona Arizona

3230

02:27:13,730 --> 02:27:12,300

which is a rental

3231

02:27:15,290 --> 02:27:13,740

um I don't know what it costs to rent a

3232

02:27:17,469 --> 02:27:15,300

half a million dollar home but I can't

3233

02:27:20,270 --> 02:27:17,479

imagine it's cheap so that will give us

3234

02:27:22,670 --> 02:27:20,280

some indication of just how much money

3235

02:27:26,090 --> 02:27:22,680

Randy Kramer is raking in

3236

02:27:27,290 --> 02:27:26,100

uh selling people superpowers

3237

02:27:29,090 --> 02:27:27,300

um

3238

02:27:32,510 --> 02:27:29,100

through the course of the investigation

3239

02:27:34,250 --> 02:27:32,520

also Richard reached out to uh Sedona

3240

02:27:35,630 --> 02:27:34,260

City officials and we were able to

3241

02:27:38,090 --> 02:27:35,640

determine that he doesn't have a

3242

02:27:40,849 --> 02:27:38,100

business license however he lives

3243

02:27:43,790 --> 02:27:40,859

outside Sedona City Limits so there's a

3244

02:27:45,590 --> 02:27:43,800

loophole there he doesn't really need a

3245

02:27:48,889 --> 02:27:45,600

business license

3246

02:27:51,650 --> 02:27:48,899

there's more here including the fact

3247

02:27:53,330 --> 02:27:51,660

that I finally we have finally found the

3248

02:27:56,389 --> 02:27:53,340

proper person in the United States

3249

02:27:58,910 --> 02:27:56,399

Marine Corps to report Mr Kramer to and

3250

02:28:01,849 --> 02:27:58,920

ask for comment about all of these scams

3251

02:28:03,770 --> 02:28:01,859

that he's run and continues to run but

3252

02:28:06,349 --> 02:28:03,780

at the time of this broadcast they have

3253

02:28:07,730 --> 02:28:06,359

not gotten back to me though they claim

3254

02:28:10,929 --> 02:28:07,740

that they will review the information

3255

02:28:15,410 --> 02:28:10,939

sent to them and get back to me further

3256

02:28:18,530 --> 02:28:15,420

uh we will be posting the Medved sales

3257

02:28:21,050 --> 02:28:18,540

pitch as a separate video

3258

02:28:23,389 --> 02:28:21,060

um probably late tonight like two

3259

02:28:25,790 --> 02:28:23,399

o'clock in the morning if you want to be

3260

02:28:27,950 --> 02:28:25,800

around we'll do a premiere for that and

3261

02:28:31,969 --> 02:28:27,960

I'll be in the live chat

3262

02:28:35,030 --> 02:28:31,979

um we want to make sure that that stays

3263

02:28:37,730 --> 02:28:35,040

for uh all time

3264

02:28:40,070 --> 02:28:37,740

it's important

3265

02:28:42,590 --> 02:28:40,080

that I point out that before you plop

3266

02:28:45,429 --> 02:28:42,600

down 99 to this clown to teach you

3267

02:28:50,570 --> 02:28:45,439

superpowers just

3268

02:28:53,030 --> 02:28:50,580

digest what his last claims were

3269

02:28:55,870 --> 02:28:53,040

those were pretty Fantastical claims and

3270

02:28:58,730 --> 02:28:55,880

nothing of his claims was ever proven

3271

02:29:01,250 --> 02:28:58,740

besides the fact that this man makes

3272

02:29:04,370 --> 02:29:01,260

absolutely Fantastical claims like he

3273

02:29:07,010 --> 02:29:04,380

fought aliens on Mars for 20 years or

3274

02:29:09,469 --> 02:29:07,020

was it 17 years I think right then did a

3275

02:29:11,570 --> 02:29:09,479

20 and back Corey good might sue him

3276

02:29:14,630 --> 02:29:11,580

he's using Corey Goods

3277

02:29:15,349 --> 02:29:14,640

trademark terms right

3278

02:29:18,650 --> 02:29:15,359

um

3279

02:29:22,190 --> 02:29:18,660

what I would say about Mr Kramer is that

3280

02:29:24,170 --> 02:29:22,200

anybody who platforms him is helping him

3281

02:29:27,770 --> 02:29:24,180

find more victims because now he's

3282

02:29:32,150 --> 02:29:27,780

pushing this these 99 a month courses

3283

02:29:34,550 --> 02:29:32,160

right 99 to get behind his paywall and

3284

02:29:37,910 --> 02:29:34,560

uh get your superpowers

3285

02:29:40,969 --> 02:29:37,920

now uh since I haven't taken the courses

3286

02:29:43,550 --> 02:29:40,979

I can't 100 prove to you that nobody got

3287

02:29:45,950 --> 02:29:43,560

super powers but I have spoken to

3288

02:29:49,610 --> 02:29:45,960

several dissatisfied customers of Mr

3289

02:29:52,550 --> 02:29:49,620

Kramer all of which felt ripped off

3290

02:29:54,410 --> 02:29:52,560

after giving him 99 for a few months for

3291

02:29:58,370 --> 02:29:54,420

his courses

3292

02:30:01,969 --> 02:29:58,380

of

3293

02:30:04,910 --> 02:30:01,979

uh psychic nonsense and self-help

3294

02:30:07,490 --> 02:30:04,920

garbage and meditation stuff that you

3295

02:30:08,990 --> 02:30:07,500

can get for free all over the internet

3296

02:30:11,030 --> 02:30:09,000

so

3297

02:30:13,490 --> 02:30:11,040

this is where we're at and this is where

3298

02:30:18,349 --> 02:30:13,500

we find ourselves we have concluded the

3299

02:30:20,929 --> 02:30:18,359

investigation however I will be uh

3300

02:30:23,690 --> 02:30:20,939

forwarding all that we have to both the

3301

02:30:27,290 --> 02:30:23,700

United States Marine Corps his local FBI

3302

02:30:29,090 --> 02:30:27,300

and local law enforcement and

3303

02:30:31,790 --> 02:30:29,100

I will be following up with them

3304

02:30:34,389 --> 02:30:31,800

requesting comment for how this man is

3305

02:30:37,309 --> 02:30:34,399

allowed to continue to operate

3306

02:30:40,309 --> 02:30:37,319

uh selling these questionable

3307

02:30:42,889 --> 02:30:40,319

products and services especially given

3308

02:30:44,690 --> 02:30:42,899

the fact that all of his sales pitches

3309

02:30:47,870 --> 02:30:44,700

involve him claiming that he's the

3310

02:30:50,929 --> 02:30:47,880

United States Marine Corps person and he

3311

02:30:53,510 --> 02:30:50,939

is not now nor has he ever been in a

3312

02:30:56,570 --> 02:30:53,520

United States Marine Corps member that

3313

02:30:59,330 --> 02:30:56,580

alone means that what he is doing every

3314

02:31:03,170 --> 02:30:59,340

time he offers a service or something to

3315

02:31:05,570 --> 02:31:03,180

sell using that is from in my opinion

3316

02:31:07,010 --> 02:31:05,580

I'm not a lawyer I'm not a law

3317

02:31:09,170 --> 02:31:07,020

enforcement officer we're going to

3318

02:31:12,410 --> 02:31:09,180

afford it to them let them sort it out

3319

02:31:14,570 --> 02:31:12,420

but I will be on top of this asking for

3320

02:31:17,690 --> 02:31:14,580

comment we want to know

3321

02:31:20,690 --> 02:31:17,700

how is this legal we want to know

3322

02:31:23,150 --> 02:31:20,700

uh how is he not being you know pursued

3323

02:31:25,550 --> 02:31:23,160

for this or at least told to stop

3324

02:31:27,170 --> 02:31:25,560

claiming to be at the very very least

3325

02:31:29,210 --> 02:31:27,180

Randy Kramer

3326

02:31:31,490 --> 02:31:29,220

should stop claiming to be a United

3327

02:31:33,889 --> 02:31:31,500

States Marine Corps member because that

3328

02:31:37,130 --> 02:31:33,899

alone makes it fraud if I were to tell

3329

02:31:38,990 --> 02:31:37,140

you uh I'm a I'm a United States Marine

3330

02:31:40,790 --> 02:31:39,000

Corps member you should hire me to cut

3331

02:31:42,710 --> 02:31:40,800

your grass

3332

02:31:45,110 --> 02:31:42,720

and I wasn't a United States Marine

3333

02:31:48,650 --> 02:31:45,120

Corps member in my opinion that would be

3334

02:31:51,830 --> 02:31:48,660

fraud because I'm using you know

3335

02:31:53,750 --> 02:31:51,840

I'm using the legitimacy where I'm

3336

02:31:57,170 --> 02:31:53,760

trying to pull on your heartstrings I'm

3337

02:32:00,010 --> 02:31:57,180

a veteran I'm an ethical you know good

3338

02:32:03,590 --> 02:32:00,020

person I'm a marine you should hire me

3339

02:32:06,349 --> 02:32:03,600

and I'm not a Marine to me that's a form

3340

02:32:08,389 --> 02:32:06,359

of fraud but again to be clear I'm not a

3341

02:32:10,070 --> 02:32:08,399

law enforcement officer I'm not a lawyer

3342

02:32:12,429 --> 02:32:10,080

we will

3343

02:32:16,190 --> 02:32:12,439

follow up with the appropriate parties

3344

02:32:17,870 --> 02:32:16,200

and uh you know it is what it is we'll

3345

02:32:20,690 --> 02:32:17,880

we'll let the chips fall where they may

3346

02:32:22,969 --> 02:32:20,700

we'll do a short update about this on a

3347

02:32:26,210 --> 02:32:22,979

future show however

3348

02:32:28,790 --> 02:32:26,220

given my disgust with this clown and

3349

02:32:31,790 --> 02:32:28,800

isn't it think about what kind of a

3350

02:32:35,929 --> 02:32:31,800

person thinks I know what I'll do I'll

3351

02:32:38,929 --> 02:32:35,939

pray on sick desperate people to scam

3352

02:32:41,570 --> 02:32:38,939

money out of people while offering false

3353

02:32:44,030 --> 02:32:41,580

hope for their medical conditions

3354

02:32:46,190 --> 02:32:44,040

did you get a limb blown off in Desert

3355

02:32:48,710 --> 02:32:46,200

Storm just give me money I'm going to

3356

02:32:51,110 --> 02:32:48,720

develop Med beds and fix you up do you

3357

02:32:53,030 --> 02:32:51,120

have terminal cancer just give me money

3358

02:32:55,790 --> 02:32:53,040

I'm we're going to be able to cure

3359

02:32:58,490 --> 02:32:55,800

cancer that's the easy part he said that

3360

02:33:01,130 --> 02:32:58,500

that's the easy part

3361

02:33:02,690 --> 02:33:01,140

um are you deaf just give me money and

3362

02:33:05,270 --> 02:33:02,700

I'm going to develop this technology it

3363

02:33:07,370 --> 02:33:05,280

won't be deaf anymore are you blind just

3364

02:33:09,590 --> 02:33:07,380

give me money and I'll be able to

3365

02:33:13,010 --> 02:33:09,600

develop this technology and you won't be

3366

02:33:16,010 --> 02:33:13,020

blind anymore or what about the parents

3367

02:33:17,809 --> 02:33:16,020

of children with organ failure it was

3368

02:33:20,270 --> 02:33:17,819

targeting them too

3369

02:33:23,570 --> 02:33:20,280

just give me money and we'll fix your

3370

02:33:25,910 --> 02:33:23,580

child right up what about the people

3371

02:33:28,790 --> 02:33:25,920

that are parents of children with autism

3372

02:33:30,410 --> 02:33:28,800

parents like me now I would never fall

3373

02:33:31,910 --> 02:33:30,420

for this kind of a scam I know better

3374

02:33:34,630 --> 02:33:31,920

but

3375

02:33:37,969 --> 02:33:34,640

I can't tell you

3376

02:33:40,010 --> 02:33:37,979

how hopeless and desperate some parents

3377

02:33:43,070 --> 02:33:40,020

of autistic children become they're

3378

02:33:45,590 --> 02:33:43,080

willing to try anything look up MMS that

3379

02:33:48,230 --> 02:33:45,600

was a scam targeting parents of autistic

3380

02:33:51,230 --> 02:33:48,240

children where you essentially force

3381

02:33:52,910 --> 02:33:51,240

your child to ingest bleach

3382

02:33:54,889 --> 02:33:52,920

and that was supposed to cure their

3383

02:33:58,429 --> 02:33:54,899

autism and believe it or not parents did

3384

02:34:01,370 --> 02:33:58,439

that desperate hopeless people

3385

02:34:02,870 --> 02:34:01,380

are what this man has preyed on

3386

02:34:05,110 --> 02:34:02,880

sick

3387

02:34:07,010 --> 02:34:05,120

ailing

3388

02:34:10,730 --> 02:34:07,020

desperate

3389

02:34:15,349 --> 02:34:10,740

hopeless people some of them dying is

3390

02:34:16,550 --> 02:34:15,359

who this man chose to Target in this

3391

02:34:20,929 --> 02:34:16,560

scam

3392

02:34:24,230 --> 02:34:20,939

and to me that makes him a Despicable

3393

02:34:30,469 --> 02:34:27,290

and with that said we will be moving on

3394

02:34:33,530 --> 02:34:30,479

to other topics

3395

02:34:37,389 --> 02:34:33,540

and while I appreciate that everybody

3396

02:34:39,710 --> 02:34:37,399

some people like these exposed shows

3397

02:34:41,690 --> 02:34:39,720

they're very difficult and they're very

3398

02:34:44,330 --> 02:34:41,700

trying they take a tremendous amount of

3399

02:34:46,550 --> 02:34:44,340

time I want to thank Richard Cole who

3400

02:34:49,250 --> 02:34:46,560

has been literally on the case for a

3401

02:34:51,530 --> 02:34:49,260

full-on week digging and digging and

3402

02:34:53,929 --> 02:34:51,540

digging and digging and between the two

3403

02:34:56,990 --> 02:34:53,939

of us I think that we've gotten to the

3404

02:34:58,429 --> 02:34:57,000

bottom of this and we will forward what

3405

02:35:00,110 --> 02:34:58,439

we've found

3406

02:35:02,510 --> 02:35:00,120

uh

3407

02:35:04,849 --> 02:35:02,520

and I agree with the sentiments of the

3408

02:35:07,429 --> 02:35:04,859

live chat Mark Toronto calls him a

3409

02:35:10,510 --> 02:35:07,439

low-life scumbag it takes a low-life

3410

02:35:15,469 --> 02:35:10,520

scumbag to prey on weak

3411

02:35:18,349 --> 02:35:15,479

dying sick people hopeless people right

3412

02:35:21,349 --> 02:35:18,359

it's absolutely ridiculous that this man

3413

02:35:24,889 --> 02:35:21,359

is allowed to continue with these scams

3414

02:35:26,809 --> 02:35:24,899

and by the way one of the defenses of

3415

02:35:28,429 --> 02:35:26,819

Randy Kramer according to the sock

3416

02:35:30,889 --> 02:35:28,439

puppet accounts that defend him on

3417

02:35:33,290 --> 02:35:30,899

Twitter is that

3418

02:35:35,389 --> 02:35:33,300

he's been reported to the FBI and they

3419

02:35:39,650 --> 02:35:35,399

never did anything so that's proof that

3420

02:35:42,530 --> 02:35:39,660

he's the real deal garbage I advise you

3421

02:35:45,050 --> 02:35:42,540

go try to call the FBI and report a

3422

02:35:47,630 --> 02:35:45,060

stolen valor fraud right now and let me

3423

02:35:49,670 --> 02:35:47,640

know how it goes for you

3424

02:35:52,550 --> 02:35:49,680

um I don't know if I'm going to be able

3425

02:35:57,950 --> 02:35:52,560

to do this but yeah I probably can

3426

02:36:02,110 --> 02:36:01,130

one day's oh no it's not it's not gonna

3427

02:36:05,270 --> 02:36:02,120

work

3428

02:36:07,610 --> 02:36:05,280

what I can tell you is that I spent

3429

02:36:11,330 --> 02:36:07,620

uh something like

3430

02:36:13,429 --> 02:36:11,340

15 hours on the phone just trying to get

3431

02:36:15,170 --> 02:36:13,439

to the right person in the Marines to

3432

02:36:18,469 --> 02:36:15,180

handle this

3433

02:36:22,490 --> 02:36:18,479

um I called multiple FBI field offices

3434

02:36:25,849 --> 02:36:22,500

all of which were uh voicemails

3435

02:36:28,849 --> 02:36:25,859

so these people claiming oh ever people

3436

02:36:32,090 --> 02:36:28,859

reported him and nothing happened but I

3437

02:36:34,610 --> 02:36:32,100

don't think that the the I I highly

3438

02:36:37,309 --> 02:36:34,620

doubt that the right and proper

3439

02:36:40,070 --> 02:36:37,319

authorities have ever been notified

3440

02:36:41,690 --> 02:36:40,080

of what Randy Kramer has been up to the

3441

02:36:44,990 --> 02:36:41,700

right and proper authorities are his

3442

02:36:49,130 --> 02:36:45,000

local FBI field office and his local law

3443

02:36:52,429 --> 02:36:49,140

enforcement agency as well as I have now

3444

02:36:54,790 --> 02:36:52,439

the proper I finally got a proper oh

3445

02:36:57,889 --> 02:36:54,800

yeah I could just I don't know I can't

3446

02:36:59,389 --> 02:36:57,899

sorry I was going to show you I was

3447

02:37:01,550 --> 02:36:59,399

going to scroll through all the phone

3448

02:37:03,770 --> 02:37:01,560

calls that I've had to make this weekend

3449

02:37:05,630 --> 02:37:03,780

last week it's absolutely ridiculous

3450

02:37:07,309 --> 02:37:05,640

trying to get the right person to handle

3451

02:37:10,250 --> 02:37:07,319

this kind of a situation on the phone

3452

02:37:12,469 --> 02:37:10,260

you won't you won't find them

3453

02:37:14,330 --> 02:37:12,479

um I have finally found the right and

3454

02:37:17,870 --> 02:37:14,340

proper person in the Marine Corps that's

3455

02:37:21,290 --> 02:37:17,880

responsible for handling questions from

3456

02:37:23,270 --> 02:37:21,300

the media and uh the they too will be

3457

02:37:26,150 --> 02:37:23,280

sent this packet of evidence and

3458

02:37:30,050 --> 02:37:26,160

information and by the way

3459

02:37:32,389 --> 02:37:30,060

later tonight I will be debuting we we

3460

02:37:34,969 --> 02:37:32,399

did the commentary over it but I think

3461

02:37:37,610 --> 02:37:34,979

it's important we're going to put that

3462

02:37:40,070 --> 02:37:37,620

Randy Kramer sales pitch just in its own

3463

02:37:42,170 --> 02:37:40,080

video here on our channel so that

3464

02:37:45,050 --> 02:37:42,180

anybody can sit through and listen to

3465

02:37:46,429 --> 02:37:45,060

this clown who made all of these public

3466

02:37:48,889 --> 02:37:46,439

statements

3467

02:37:50,389 --> 02:37:48,899

you know oh I got my I got my arms and

3468

02:37:52,730 --> 02:37:50,399

legs blown off

3469

02:37:54,950 --> 02:37:52,740

countless times I can't remember how

3470

02:37:57,230 --> 02:37:54,960

many times thousands of times and

3471

02:38:00,050 --> 02:37:57,240

regenerated these are absolutely

3472

02:38:02,809 --> 02:38:00,060

Fantastical and ridiculous claims and he

3473

02:38:06,410 --> 02:38:02,819

made those claims again while he was

3474

02:38:08,990 --> 02:38:06,420

soliciting money in a GoFundMe scam and

3475

02:38:11,570 --> 02:38:09,000

by the way GoFundMe agreed with Richard

3476

02:38:15,050 --> 02:38:11,580

Cole who reported him in that that was a

3477

02:38:16,730 --> 02:38:15,060

scam and they took it down uh that alone

3478

02:38:19,790 --> 02:38:16,740

will tell you that what he was running

3479

02:38:22,309 --> 02:38:19,800

was a scam GoFundMe doesn't take down

3480

02:38:24,590 --> 02:38:22,319

uh people if they're you know

3481

02:38:27,650 --> 02:38:24,600

legitimately running a real fundraiser

3482

02:38:29,630 --> 02:38:27,660

they take down scams they take down

3483

02:38:32,030 --> 02:38:29,640

frauds

3484

02:38:34,730 --> 02:38:32,040

and in this case they took down Randy

3485

02:38:36,590 --> 02:38:34,740

Kramer so we'll take some questions and

3486

02:38:39,530 --> 02:38:36,600

comments from the live chat before we

3487

02:38:47,330 --> 02:38:39,540

bounce on out of here

3488

02:38:52,070 --> 02:38:50,210

yes we covered that as well Amy Collins

3489

02:38:53,510 --> 02:38:52,080

says that couple in Australia was also

3490

02:38:56,330 --> 02:38:53,520

pushing them early on and they were

3491

02:38:58,670 --> 02:38:56,340

fighting with Adams about who was legit

3492

02:39:00,530 --> 02:38:58,680

yeah we covered that before and then

3493

02:39:03,590 --> 02:39:00,540

unfortunately Amy Collins I got

3494

02:39:05,690 --> 02:39:03,600

threatened with a lawsuit by them and so

3495

02:39:07,790 --> 02:39:05,700

I took the videos down and I'm having

3496

02:39:09,530 --> 02:39:07,800

trouble I have to go through my backups

3497

02:39:11,210 --> 02:39:09,540

because I never do this but for some

3498

02:39:13,250 --> 02:39:11,220

reason I think I was just pissed off and

3499

02:39:16,670 --> 02:39:13,260

aggravated I deleted them from YouTube

3500

02:39:19,070 --> 02:39:16,680

instead of just marking them private so

3501

02:39:21,650 --> 02:39:19,080

but I know that I backed them up to

3502

02:39:25,250 --> 02:39:21,660

multiple places so when I get a chance

3503

02:39:28,849 --> 02:39:25,260

I'm going to dig those out and re-upload

3504

02:39:31,969 --> 02:39:28,859

them uh Sarah R Adams is a scammer and

3505

02:39:34,730 --> 02:39:31,979

this Roxy and Pete I think were the were

3506

02:39:37,309 --> 02:39:34,740

the couple in Australia that was a

3507

02:39:39,230 --> 02:39:37,319

separate Medved scam and we covered that

3508

02:39:41,090 --> 02:39:39,240

as well I want to get that video back up

3509

02:39:44,030 --> 02:39:41,100

we're gonna have a playlist of MedVet

3510

02:39:45,950 --> 02:39:44,040

scammers here soon this MedVet scam

3511

02:39:48,889 --> 02:39:45,960

thing there's lots and lots of Medved

3512

02:39:51,349 --> 02:39:48,899

scams and now we have Jason shirka also

3513

02:39:54,349 --> 02:39:51,359

running around with I would just call it

3514

02:39:56,630 --> 02:39:54,359

something like a med bed scam and those

3515

02:39:58,250 --> 02:39:56,640

devices are in wellness centers all

3516

02:40:00,410 --> 02:39:58,260

around the world

3517

02:40:04,010 --> 02:40:00,420

so great

3518

02:40:06,230 --> 02:40:04,020

uh then I don't know that she's and also

3519

02:40:09,290 --> 02:40:06,240

there was another there was another

3520

02:40:11,570 --> 02:40:09,300

Medved scam involving Sarah R Adams

3521

02:40:14,330 --> 02:40:11,580

where they got a tanning booth she got

3522

02:40:17,030 --> 02:40:14,340

an artist who got a tanning booth and

3523

02:40:19,130 --> 02:40:17,040

then he glued organite and magnets in it

3524

02:40:21,349 --> 02:40:19,140

and she was going to set up an office in

3525

02:40:24,550 --> 02:40:21,359

Sedona and charge people money per

3526

02:40:28,070 --> 02:40:24,560

session to lay in a magnet

3527

02:40:30,950 --> 02:40:28,080

glued in magnet tanning bed that she

3528

02:40:32,750 --> 02:40:30,960

called the med bed that was another scan

3529

02:40:35,570 --> 02:40:32,760

right

3530

02:40:37,610 --> 02:40:35,580

yeah I could it's not important it's

3531

02:40:40,490 --> 02:40:37,620

enough to say that I made so many phone

3532

02:40:42,770 --> 02:40:40,500

calls it's ridiculous so when people

3533

02:40:45,530 --> 02:40:42,780

claim that people reported Randy Kramer

3534

02:40:47,330 --> 02:40:45,540

show me the reports because it's like

3535

02:40:49,130 --> 02:40:47,340

near impossible to get the right person

3536

02:40:51,830 --> 02:40:49,140

on the phone and make a report of this

3537

02:40:53,630 --> 02:40:51,840

stuff that's why he's been able to get

3538

02:40:57,530 --> 02:40:53,640

away with this so long because of

3539

02:41:00,950 --> 02:40:59,030

you should really have way more

3540

02:41:02,990 --> 02:41:00,960

subscribers it's almost criminal well

3541

02:41:04,790 --> 02:41:03,000

thank you mstone we appreciate the

3542

02:41:07,610 --> 02:41:04,800

support and I'm fine with the number of

3543

02:41:09,530 --> 02:41:07,620

subscribers we're slowly building and

3544

02:41:13,250 --> 02:41:09,540

you know would I like to be at a hundred

3545

02:41:15,770 --> 02:41:13,260

thousand right uh sure

3546

02:41:26,990 --> 02:41:15,780

uh

3547

02:41:28,370 --> 02:41:27,000

comments for me please put them in all

3548

02:41:29,889 --> 02:41:28,380

capital letters I'll take some questions

3549

02:41:33,349 --> 02:41:29,899

and comments before we roll out

3550

02:41:36,050 --> 02:41:33,359

University of conscious evolution

3551  
02:41:38,929 --> 02:41:36,060  
with Captain Randy Kramer and Kendra

3552  
02:41:40,929 --> 02:41:38,939  
Soleil meditation Academy for psionic

3553  
02:41:45,170 --> 02:41:40,939  
Ability development healing and personal

3554  
02:41:47,030 --> 02:41:45,180  
Evolution oh you can get a free trial

3555  
02:41:53,809 --> 02:41:47,040  
if they want a credit card I'm not doing

3556  
02:41:58,190 --> 02:41:56,090  
yeah they want a credit card

3557  
02:41:59,870 --> 02:41:58,200  
sorry

3558  
02:42:07,070 --> 02:41:59,880  
damn it I thought we're gonna be able to

3559  
02:42:15,349 --> 02:42:11,090  
but I will share this tab instead

3560  
02:42:17,389 --> 02:42:15,359  
all your plan is just 999 dollars access

3561  
02:42:20,030 --> 02:42:17,399  
to all course including teaching videos

3562  
02:42:23,210 --> 02:42:20,040  
beginning course for meditation psionics

3563  
02:42:26,210 --> 02:42:23,220

and self-mastery emotional self-mastery

3564

02:42:28,849 --> 02:42:26,220

course coming soon a monthly class q a

3565

02:42:31,190 --> 02:42:28,859

access to Captain Randy Cramer's Inner

3566

02:42:34,130 --> 02:42:31,200

Circle monthly Zoom call monthly

3567

02:42:37,010 --> 02:42:34,140

newsletter psionic power cleanse guided

3568

02:42:40,309 --> 02:42:37,020

meditation free pass to upcoming

3569

02:42:42,889 --> 02:42:40,319

telekinesis intensive learn the real

3570

02:42:44,750 --> 02:42:42,899

deal plus future intensive for specific

3571

02:42:47,809 --> 02:42:44,760

psionic skills

3572

02:42:50,510 --> 02:42:47,819

yeah uh great

3573

02:42:55,910 --> 02:42:50,520

and it's just 99 a month

3574

02:42:57,770 --> 02:42:55,920

you too can get super powers right and I

3575

02:42:59,870 --> 02:42:57,780

don't know that I let me make sure that

3576

02:43:02,870 --> 02:42:59,880

I share this with the audio we'll uh

3577

02:43:09,469 --> 02:43:06,670

oh one more time how do I do that again

3578

02:43:17,030 --> 02:43:09,479

all right share system audio we're good

3579

02:43:26,650 --> 02:43:19,309

became the public about people that sell

3580

02:43:30,950 --> 02:43:29,210

is our way of reaching out and meeting

3581

02:43:32,929 --> 02:43:30,960

people where they're at we know times

3582

02:43:34,849 --> 02:43:32,939

haven't been easy and it's not simple to

3583

02:43:36,590 --> 02:43:34,859

drop hundreds of dollars on courses with

3584

02:43:38,389 --> 02:43:36,600

all of life's obligations and

3585

02:43:40,190 --> 02:43:38,399

uncertainty

3586

02:43:42,230 --> 02:43:40,200

that's why we're responding with our new

3587

02:43:44,090 --> 02:43:42,240

membership program your monthly

3588

02:43:46,010 --> 02:43:44,100

membership is the price of admission and

3589

02:43:48,410 --> 02:43:46,020

the gateway to any of our materials you

3590

02:43:50,690 --> 02:43:48,420

want on your own time and at your own

3591

02:43:52,130 --> 02:43:50,700

pace you can subscribe and go through

3592

02:43:54,590 --> 02:43:52,140

the beginning course on meditation

3593

02:43:56,630 --> 02:43:54,600

psionics and self Mastery which is up

3594

02:43:58,610 --> 02:43:56,640

now and then have access to the new

3595

02:43:59,809 --> 02:43:58,620

courses as they drop each month over the

3596

02:44:02,330 --> 02:43:59,819

next few months

3597

02:44:06,050 --> 02:44:02,340

you can do all the courses and many

3598

02:44:11,570 --> 02:44:06,060

courses you want and whenever you want

3599

02:44:15,410 --> 02:44:13,550

let me see if we can go back to the main

3600

02:44:17,450 --> 02:44:15,420

page there

3601  
02:44:19,790 --> 02:44:17,460  
Lord Ludacris with a Kind and Generous

3602  
02:44:21,349 --> 02:44:19,800  
4.99 says here's some money towards the

3603  
02:44:23,990 --> 02:44:21,359  
paywall your shows just keep getting

3604  
02:44:26,330 --> 02:44:24,000  
better getting better love the show and

3605  
02:44:28,070 --> 02:44:26,340  
rock on keep on keeping it on well thank

3606  
02:44:30,650 --> 02:44:28,080  
you Lord Ludacris for your kindness

3607  
02:44:32,630 --> 02:44:30,660  
generosity and support of the show thank

3608  
02:44:35,389 --> 02:44:32,640  
you for helping us to praise the cash

3609  
02:44:37,309 --> 02:44:35,399  
and thank you uh to all of you members

3610  
02:44:39,830 --> 02:44:37,319  
patreon supporters super chatter super

3611  
02:44:41,150 --> 02:44:39,840  
thinkers and PayPal pledgers we have to

3612  
02:44:43,550 --> 02:44:41,160  
check in with that thank you for

3613  
02:44:49,630 --> 02:44:43,560

reminding me praise the cash Lord

3614

02:44:49,640 --> 02:44:54,610

thank you for your kindness

3615

02:45:03,070 --> 02:44:56,730

crazy cash

3616

02:45:08,990 --> 02:45:06,050

thank you Lord ludicrous longtime show

3617

02:45:10,490 --> 02:45:09,000

supporter long time viewer and we also

3618

02:45:11,929 --> 02:45:10,500

want to thank

3619

02:45:17,450 --> 02:45:11,939

uh

3620

02:45:20,270 --> 02:45:17,460

Caroline with kindly generous 20 PayPal

3621

02:45:22,250 --> 02:45:20,280

pledge who says I never get tired of

3622

02:45:23,929 --> 02:45:22,260

these secret space soldiers pretending

3623

02:45:26,750 --> 02:45:23,939

they have a background in science and

3624

02:45:28,429 --> 02:45:26,760

biology this idiot said once the cells

3625

02:45:31,370 --> 02:45:28,439

touch air they can't regrow unless you

3626

02:45:34,730 --> 02:45:31,380

have his special med bed haha what a

3627

02:45:37,370 --> 02:45:34,740

dumbass Caroline thank you sweet

3628

02:45:39,349 --> 02:45:37,380

Caroline uh for your kindness generosity

3629

02:45:41,330 --> 02:45:39,359

and support of the show longtime show

3630

02:45:43,670 --> 02:45:41,340

supporter always throwing a couple of

3631

02:45:46,610 --> 02:45:43,680

bucks in our hat to keep us here and

3632

02:45:49,969 --> 02:45:46,620

going and same for Lord ludicrous and

3633

02:45:51,950 --> 02:45:49,979

UFO John Doe and all of you uh kind and

3634

02:45:53,690 --> 02:45:51,960

generous supporters and especially want

3635

02:45:56,389 --> 02:45:53,700

to thank tonight

3636

02:46:00,469 --> 02:45:56,399

um our our big donor for the evening

3637

02:46:03,050 --> 02:46:00,479

right once in a while uh one of you is

3638

02:46:06,469 --> 02:46:03,060

incredibly incredibly generous you're

3639

02:46:09,969 --> 02:46:06,479

all generous but tonight uh I especially

3640

02:46:13,330 --> 02:46:09,979

so we want to thank everybody that uh

3641

02:46:16,790 --> 02:46:13,340

sent some support tonight

3642

02:46:19,990 --> 02:46:16,800

uh including Lord ludicrous UFO John Doe

3643

02:46:23,510 --> 02:46:20,000

Tim Frick Anthony Peterson

3644

02:46:26,389 --> 02:46:23,520

and of course Chris Johansen with a big

3645

02:46:28,309 --> 02:46:26,399

hundred dollar donation uh thank you for

3646

02:46:30,349 --> 02:46:28,319

your kindness generosity and support of

3647

02:46:33,349 --> 02:46:30,359

the show it's much much appreciated and

3648

02:46:35,450 --> 02:46:33,359

of course Sweet Sweet Caroline as well I

3649

02:46:38,690 --> 02:46:35,460

wanted to check here uh with the

3650

02:46:42,309 --> 02:46:38,700

University of conscious education here

3651

02:46:44,750 --> 02:46:42,319

uh or whatever the University of

3652

02:46:47,990 --> 02:46:44,760

unconscious nonsense

3653

02:46:52,670 --> 02:46:48,000

uh courses cons oh you can get consults

3654

02:46:57,410 --> 02:46:55,490

and they have literally Decades of study

3655

02:46:59,809 --> 02:46:57,420

training and experience in the

3656

02:47:02,210 --> 02:46:59,819

application of self-mastery and personal

3657

02:47:03,950 --> 02:47:02,220

development our Consciousness team is

3658

02:47:05,630 --> 02:47:03,960

ever endeavoring to bring you the most

3659

02:47:07,490 --> 02:47:05,640

practical and comprehensive collection

3660

02:47:11,270 --> 02:47:07,500

of courses and tools to assist you in

3661

02:47:13,910 --> 02:47:11,280

personal growth and psionic development

3662

02:47:17,510 --> 02:47:13,920

uh

3663

02:47:22,490 --> 02:47:21,110

yes our main teacher see here's where it

3664

02:47:24,889 --> 02:47:22,500

gets interesting because

3665

02:47:28,010 --> 02:47:24,899

I don't see United States Marine Corps

3666

02:47:30,050 --> 02:47:28,020

on this current website why is that if

3667

02:47:32,510 --> 02:47:30,060

you were a proud United States Marine

3668

02:47:35,690 --> 02:47:32,520

Corps member like you claimed you would

3669

02:47:38,570 --> 02:47:35,700

uh you would list here he just says

3670

02:47:41,090 --> 02:47:38,580

Captain Randy Kramer served in this

3671

02:47:43,370 --> 02:47:41,100

special program since his youth

3672

02:47:46,130 --> 02:47:43,380

and he is the official spokesman oh yeah

3673

02:47:48,830 --> 02:47:46,140

he does for the Command Staff of all

3674

02:47:50,090 --> 02:47:48,840

United States Marine Corps he thinks

3675

02:47:54,469 --> 02:47:50,100

this is going to get him out of trouble

3676  
02:47:57,650 --> 02:47:54,479  
saying SS Special section alongside his

3677  
02:47:59,389 --> 02:47:57,660  
partner so he does he is using the

3678  
02:48:03,110 --> 02:47:59,399  
legitimacy of the United States Marine

3679  
02:48:05,150 --> 02:48:03,120  
Corps to sell this nonsense and I want

3680  
02:48:07,670 --> 02:48:05,160  
to know from law enforcement why he's

3681  
02:48:12,170 --> 02:48:07,680  
allowed to do that that's fraud

3682  
02:48:14,510 --> 02:48:12,180  
that is fraud uh and we'll see what they

3683  
02:48:17,630 --> 02:48:14,520  
say that's all we can do is report them

3684  
02:48:20,330 --> 02:48:17,640  
and ask for comment why is this man able

3685  
02:48:27,170 --> 02:48:23,630  
is there a disclaimer uh I don't I don't

3686  
02:48:29,510 --> 02:48:27,180  
see anything uh

3687  
02:48:32,389 --> 02:48:29,520  
yeah I don't see any disclaimer I've

3688  
02:48:35,750 --> 02:48:32,399

looked through this before

3689

02:48:38,150 --> 02:48:35,760

um there is no you know some of these

3690

02:48:40,370 --> 02:48:38,160

clowns will put like for for

3691

02:48:43,070 --> 02:48:40,380

entertainment purposes or something like

3692

02:48:47,809 --> 02:48:43,080

that on the website I don't see

3693

02:48:49,910 --> 02:48:47,819

I don't see any disclaimer uh I could be

3694

02:48:52,429 --> 02:48:49,920

wrong but you know I I've looked through

3695

02:48:55,570 --> 02:48:52,439

this oh look you could buy gift cards

3696

02:48:58,250 --> 02:48:55,580

let's buy a gift card and help somebody

3697

02:49:02,389 --> 02:48:58,260

you can buy a gift card for this

3698

02:49:04,610 --> 02:49:02,399

[h\_\_h] this is amazing this is amazing

3699

02:49:11,150 --> 02:49:04,620

I am amazed that you could buy a gift

3700

02:49:16,490 --> 02:49:14,030

after uh April they are cutting the

3701  
02:49:19,849 --> 02:49:16,500  
pandemic allotment by a hundred if you

3702  
02:49:22,190 --> 02:49:19,859  
get EBT oh sorry to hear that starting

3703  
02:49:23,270 --> 02:49:22,200  
in April in California I'm sorry to hear

3704  
02:49:26,690 --> 02:49:23,280  
that

3705  
02:49:28,670 --> 02:49:26,700  
I don't see a disclaimer there uh

3706  
02:49:29,630 --> 02:49:28,680  
I don't see a disclaimer there Wesley

3707  
02:49:32,990 --> 02:49:29,640  
but

3708  
02:49:35,809 --> 02:49:33,000  
yeah and uh by the way uh lunar Sparkles

3709  
02:49:37,370 --> 02:49:35,819  
one the least the government can do is

3710  
02:49:40,070 --> 02:49:37,380  
give everybody a hundred dollars a month

3711  
02:49:43,610 --> 02:49:40,080  
even just to offset the cost of eggs

3712  
02:49:45,770 --> 02:49:43,620  
alone it's absolutely ridiculous by the

3713  
02:49:48,830 --> 02:49:45,780

way several of you have asked me if we

3714

02:49:52,750 --> 02:49:48,840

will cover the chicken feed conspiracy

3715

02:49:55,610 --> 02:49:52,760

and yes we will uh

3716

02:49:57,170 --> 02:49:55,620

in all my life I never thought that I

3717

02:49:59,150 --> 02:49:57,180

would be doing a show on something

3718

02:50:02,030 --> 02:49:59,160

called the chicken feed conspiracy but

3719

02:50:06,469 --> 02:50:04,490

congrats to Randy Kramer for finding a

3720

02:50:09,110 --> 02:50:06,479

woman she's probably a reptilian though

3721

02:50:11,929 --> 02:50:09,120

says Stephen quickly hey you never know

3722

02:50:13,849 --> 02:50:11,939

you never know

3723

02:50:16,550 --> 02:50:13,859

all these frauds should be buried under

3724

02:50:19,370 --> 02:50:16,560

rocks not platforms well the purpose of

3725

02:50:21,710 --> 02:50:19,380

this broadcast we we don't encourage any

3726

02:50:25,550 --> 02:50:21,720

violence or you know somebody taking

3727

02:50:27,469 --> 02:50:25,560

revenge on one of these uh people uh the

3728

02:50:29,270 --> 02:50:27,479

purpose of our broadcast is simply to

3729

02:50:31,690 --> 02:50:29,280

educate the public

3730

02:50:34,429 --> 02:50:31,700

um you know like I said uh

3731

02:50:37,130 --> 02:50:34,439

I understand your sentiment but we can't

3732

02:50:38,990 --> 02:50:37,140

endorse or condone those kind of

3733

02:50:40,670 --> 02:50:39,000

statements in fact

3734

02:50:43,370 --> 02:50:40,680

um

3735

02:50:46,490 --> 02:50:43,380

you know I will pray for Randy Kramer

3736

02:50:48,830 --> 02:50:46,500

that he does something with his uh

3737

02:50:52,550 --> 02:50:48,840

talents other than lie to people for a

3738

02:50:55,670 --> 02:50:52,560

living that's what uh I will do

3739

02:50:57,650 --> 02:50:55,680

my flock shared it shared us out uh

3740

02:51:00,170 --> 02:50:57,660

great well I thank you for your kindness

3741

02:51:02,510 --> 02:51:00,180

and I thank you for the help doing that

3742

02:51:04,370 --> 02:51:02,520

so

3743

02:51:05,750 --> 02:51:04,380

this is where we're at and this is where

3744

02:51:10,070 --> 02:51:05,760

we find ourselves

3745

02:51:12,889 --> 02:51:10,080

uh now uh I I'm not sure but I think

3746

02:51:15,370 --> 02:51:12,899

there will be a show tomorrow night at 9

3747

02:51:19,250 --> 02:51:15,380

00 PM because

3748

02:51:21,410 --> 02:51:19,260

uh it's gonna be zero at the cabin and

3749

02:51:23,990 --> 02:51:21,420

uh I don't know if you've ever been in

3750

02:51:26,630 --> 02:51:24,000

zero degree temperatures but it's not

3751  
02:51:28,910 --> 02:51:26,640  
fun part of me wants to go to the cabin

3752  
02:51:31,370 --> 02:51:28,920  
and test my whole

3753  
02:51:33,830 --> 02:51:31,380  
heating system and everything and see

3754  
02:51:36,650 --> 02:51:33,840  
like if it's zero outside am I going to

3755  
02:51:38,690 --> 02:51:36,660  
be good I think so but the other part of

3756  
02:51:42,710 --> 02:51:38,700  
me doesn't want to go there and suffer

3757  
02:51:44,270 --> 02:51:42,720  
if uh you know the heating system has

3758  
02:51:46,490 --> 02:51:44,280  
trouble keeping up

3759  
02:51:48,770 --> 02:51:46,500  
I've been there when it was Zero before

3760  
02:51:51,650 --> 02:51:48,780  
but that was before all the insulation

3761  
02:51:55,610 --> 02:51:51,660  
was in the cabin and it was cold and no

3762  
02:51:57,349 --> 02:51:55,620  
amount of you know firewood I was doing

3763  
02:51:59,870 --> 02:51:57,359

anything it was just running right out

3764

02:52:02,870 --> 02:51:59,880

because there was no insulation in the

3765

02:52:04,849 --> 02:52:02,880

ceiling and in the walls so now all

3766

02:52:07,670 --> 02:52:04,859

that's done I would kind of like to test

3767

02:52:10,309 --> 02:52:07,680

it I'm gonna decide later tonight but it

3768

02:52:12,950 --> 02:52:10,319

it would appear that I'm gonna bail on

3769

02:52:14,570 --> 02:52:12,960

the cabin this weekend and if so I'll be

3770

02:52:17,030 --> 02:52:14,580

here we might do a show Friday might do

3771

02:52:19,429 --> 02:52:17,040

a show Saturday

3772

02:52:21,950 --> 02:52:19,439

Sandy Smith is here and says great show

3773

02:52:25,130 --> 02:52:21,960

and content is as usual you send all

3774

02:52:26,510 --> 02:52:25,140

chat members oh I forgot I forgot we

3775

02:52:30,110 --> 02:52:26,520

have a very important announcement

3776

02:52:33,590 --> 02:52:30,120

before I go uh and I'm so happy that

3777

02:52:35,990 --> 02:52:33,600

this is finally a reality

3778

02:52:38,269 --> 02:52:36,000

for those unaware you know I worked in

3779

02:52:39,710 --> 02:52:38,279

the computer field and one of the things

3780

02:52:41,510 --> 02:52:39,720

that I did for a while was design

3781

02:52:45,050 --> 02:52:41,520

websites for people

3782

02:52:47,210 --> 02:52:45,060

and uh I hated it I was I I didn't

3783

02:52:50,150 --> 02:52:47,220

really enjoy that work but I was good at

3784

02:52:52,550 --> 02:52:50,160

it uh but I have not designed a website

3785

02:52:55,190 --> 02:52:52,560

either for a customer or client for a

3786

02:52:57,250 --> 02:52:55,200

long time and it's been even longer

3787

02:53:00,650 --> 02:52:57,260

since I've designed a website for myself

3788

02:53:03,710 --> 02:53:00,660

I remember back before right before

3789

02:53:05,990 --> 02:53:03,720

Myspace I was making websites for every

3790

02:53:08,630 --> 02:53:06,000

band I knew I was just making a few

3791

02:53:11,150 --> 02:53:08,640

websites a week for bands and making

3792

02:53:13,429 --> 02:53:11,160

great money doing it but then Myspace

3793

02:53:16,070 --> 02:53:13,439

came and every band just put their band

3794

02:53:17,929 --> 02:53:16,080

on MySpace and felt like so that kind of

3795

02:53:20,990 --> 02:53:17,939

killed the website thing but I still did

3796

02:53:24,710 --> 02:53:21,000

it for other clients to business small

3797

02:53:27,230 --> 02:53:24,720

businesses and corporations whatever but

3798

02:53:28,969 --> 02:53:27,240

I haven't done a website in forever and

3799

02:53:31,429 --> 02:53:28,979

I've been dreading doing one for the

3800

02:53:34,550 --> 02:53:31,439

show but many of you asked why don't we

3801  
02:53:37,070 --> 02:53:34,560  
have a website and many of you made very

3802  
02:53:39,469 --> 02:53:37,080  
good points and here what is what people

3803  
02:53:41,510 --> 02:53:39,479  
would say they would say Stephen you

3804  
02:53:43,910 --> 02:53:41,520  
gotta have a website because

3805  
02:53:45,889 --> 02:53:43,920  
if you have a website you can put

3806  
02:53:47,809 --> 02:53:45,899  
everything all in one place and then

3807  
02:53:49,910 --> 02:53:47,819  
it's not all disconnected

3808  
02:53:52,550 --> 02:53:49,920  
and even though I feel like we have the

3809  
02:53:54,889 --> 02:53:52,560  
Facebook page and that's enough uh and

3810  
02:53:57,769 --> 02:53:54,899  
we post everything there they're right

3811  
02:54:00,710 --> 02:53:57,779  
there was not one single place where you

3812  
02:54:04,969 --> 02:54:00,720  
could go and get all of our videos all

3813  
02:54:08,630 --> 02:54:04,979

of our audio podcasts or whatever and we

3814

02:54:11,450 --> 02:54:08,640

never had a uh we never had a mailing

3815

02:54:13,130 --> 02:54:11,460

list that you could subscribe to do you

3816

02:54:16,190 --> 02:54:13,140

know how many of you tell me you don't

3817

02:54:18,469 --> 02:54:16,200

get the YouTube notifications well a

3818

02:54:21,410 --> 02:54:18,479

mailing list solves that problem because

3819

02:54:23,090 --> 02:54:21,420

every time there's new content it will

3820

02:54:25,309 --> 02:54:23,100

shoot you an email to let you know

3821

02:54:28,010 --> 02:54:25,319

there's a new show available here at

3822

02:54:30,590 --> 02:54:28,020

trueseekers we haven't had that we

3823

02:54:33,170 --> 02:54:30,600

haven't had a website ever but I'm happy

3824

02:54:36,050 --> 02:54:33,180

to say that we finally nailed do and it

3825

02:54:41,750 --> 02:54:36,060

is available and online right now and it

3826

02:54:48,170 --> 02:54:44,809

and that would be a singular truth

3827

02:54:51,550 --> 02:54:48,180

Seeker it's just like our email address

3828

02:54:55,610 --> 02:54:51,560

our email address is truthseekershow

3829

02:54:59,269 --> 02:54:55,620

gmail.com our website address and it's

3830

02:55:02,330 --> 02:54:59,279

now available is truthseekershow.com

3831

02:55:04,550 --> 02:55:02,340

one truth Seeker uh it's too confusing

3832

02:55:07,130 --> 02:55:04,560

with the two s's and

3833

02:55:08,570 --> 02:55:07,140

and uh people will screw that up so

3834

02:55:11,090 --> 02:55:08,580

we've registered the.com

3835

02:55:14,929 --> 02:55:11,100

truthseekershow.com

3836

02:55:16,670 --> 02:55:14,939

and uh the the website is available it's

3837

02:55:18,349 --> 02:55:16,680

pretty basic right now but I wanted to

3838

02:55:21,349 --> 02:55:18,359

make it basic and make sure that it

3839

02:55:24,769 --> 02:55:21,359

works on everything what do I mean this

3840

02:55:27,650 --> 02:55:24,779

website works on laptops and PCs this

3841

02:55:30,590 --> 02:55:27,660

website works on tablets and iPads and

3842

02:55:33,889 --> 02:55:30,600

Android tablets this website works on

3843

02:55:37,550 --> 02:55:33,899

phones mobile devices I even tried it on

3844

02:55:39,590 --> 02:55:37,560

a smart TV it works everywhere that I've

3845

02:55:41,450 --> 02:55:39,600

tried it beautifully that was my main

3846

02:55:44,389 --> 02:55:41,460

goal just make it simple and make sure

3847

02:55:48,469 --> 02:55:44,399

that it works there's a button over here

3848

02:55:49,309 --> 02:55:48,479

in the upper left with the main

3849

02:55:52,670 --> 02:55:49,319

um

3850

02:55:55,370 --> 02:55:52,680

places you can go home episodes this is

3851

02:55:59,090 --> 02:55:55,380

audio episodes videos

3852

02:56:02,150 --> 02:55:59,100

subscribe now if you subscribe this if

3853

02:56:04,670 --> 02:56:02,160

we click that it will add you or no wait

3854

02:56:07,670 --> 02:56:04,680

a minute that's the wrong place if you

3855

02:56:11,809 --> 02:56:07,680

subscribe from the main page here it

3856

02:56:13,790 --> 02:56:11,819

will add you to uh our mailing list and

3857

02:56:16,490 --> 02:56:13,800

then every time there is new content

3858

02:56:19,490 --> 02:56:16,500

whether it's an audio podcast or a video

3859

02:56:21,170 --> 02:56:19,500

on YouTube it will send you an email and

3860

02:56:24,830 --> 02:56:21,180

let you know and give you the link so

3861

02:56:27,950 --> 02:56:24,840

you can go right to it uh that's one

3862

02:56:29,450 --> 02:56:27,960

wonderful feature oh I lost it let me

3863

02:56:31,309 --> 02:56:29,460

try that again

3864

02:56:34,490 --> 02:56:31,319

that wasn't a problem with the website

3865

02:56:37,670 --> 02:56:34,500

that was me back clicking one second

3866

02:56:38,690 --> 02:56:37,680

here let's uh let's share my screen once

3867

02:56:41,750 --> 02:56:38,700

again

3868

02:56:45,050 --> 02:56:41,760

so it's truthseekershow.com

3869

02:56:47,570 --> 02:56:45,060

and the link to the new website is going

3870

02:56:49,610 --> 02:56:47,580

to be right at the top of all our video

3871

02:56:51,469 --> 02:56:49,620

descriptions and all our audio podcast

3872

02:56:53,750 --> 02:56:51,479

descriptions so if you ever can't

3873

02:56:55,670 --> 02:56:53,760

remember it or you're not sure just go

3874

02:56:57,230 --> 02:56:55,680

to any one of our videos and right at

3875

02:56:59,050 --> 02:56:57,240

the top you should be able to click and

3876

02:57:01,849 --> 02:56:59,060

go right to the website

3877

02:57:04,010 --> 02:57:01,859

at the top here is the latest audio

3878

02:57:06,110 --> 02:57:04,020

podcast and that would be last night's

3879

02:57:09,170 --> 02:57:06,120

show Jimmy Church Daniel Brinkley dying

3880

02:57:13,130 --> 02:57:09,180

for cash the website includes a podcast

3881

02:57:14,929 --> 02:57:13,140

player so you can play the uh

3882

02:57:16,190 --> 02:57:14,939

I don't want to do that right I don't

3883

02:57:19,130 --> 02:57:16,200

want to play it because there might be

3884

02:57:21,170 --> 02:57:19,140

commercials here and uh uh copyrighted

3885

02:57:24,170 --> 02:57:21,180

music or whatever but there's a podcast

3886

02:57:26,870 --> 02:57:24,180

player right on the site that you can

3887

02:57:29,690 --> 02:57:26,880

use uh you can listen

3888

02:57:34,250 --> 02:57:29,700

to any audio podcast right from the

3889

02:57:37,969 --> 02:57:34,260

website or you can also watch any video

3890

02:57:39,590 --> 02:57:37,979

right from the website and uh it also

3891

02:57:41,630 --> 02:57:39,600

gives you all the links for all the

3892

02:57:43,809 --> 02:57:41,640

places that you can listen everywhere

3893

02:57:47,269 --> 02:57:43,819

we're on Apple podcast Google podcast

3894

02:57:50,450 --> 02:57:47,279

Spotify YouTube cast box these are I

3895

02:57:54,530 --> 02:57:50,460

heart radio Podcast Addict pod Chaser

3896

02:57:56,929 --> 02:57:54,540

and you can also get our RSS feed

3897

02:57:59,690 --> 02:57:56,939

um and here's the audio podcasts you can

3898

02:58:03,050 --> 02:57:59,700

go through them uh these are the latest

3899

02:58:05,690 --> 02:58:03,060

ones you can view all episodes here and

3900

02:58:08,870 --> 02:58:05,700

it will bring up all of them

3901

02:58:11,630 --> 02:58:08,880

all of the audio podcasts

3902

02:58:14,389 --> 02:58:11,640

19 pages of content

3903

02:58:16,550 --> 02:58:14,399

so uh the great thing about having a

3904

02:58:18,830 --> 02:58:16,560

website now is that everything is all

3905

02:58:21,170 --> 02:58:18,840

integrated in the website which means if

3906

02:58:23,450 --> 02:58:21,180

you want to listen to an audio podcast

3907

02:58:26,389 --> 02:58:23,460

from us you just go to the website you

3908

02:58:29,870 --> 02:58:26,399

can view all episodes or you can look at

3909

02:58:34,670 --> 02:58:29,880

the latest a bunch of episodes

3910

02:58:37,429 --> 02:58:34,680

that we have available for you uh and uh

3911

02:58:39,290 --> 02:58:37,439

and then of course videos and you can do

3912

02:58:42,889 --> 02:58:39,300

the same thing with videos you can view

3913

02:58:45,290 --> 02:58:42,899

all videos and it goes to a page where

3914

02:58:47,690 --> 02:58:45,300

every YouTube video is there and

3915

02:58:49,309 --> 02:58:47,700

available in chronological order I don't

3916

02:58:52,370 --> 02:58:49,319

know why but a couple of thumbnails

3917

02:58:55,610 --> 02:58:52,380

didn't translate with the website not my

3918

02:58:59,210 --> 02:58:55,620

problem it's programmed right so here

3919

02:59:03,050 --> 02:58:59,220

you've got 39 pages of videos on YouTube

3920

02:59:05,230 --> 02:59:03,060

right from our website and you can uh

3921

02:59:09,230 --> 02:59:05,240

play them right from the website here

3922

02:59:12,469 --> 02:59:09,240

and they will play so everything's

3923

02:59:14,630 --> 02:59:12,479

integrated and I highly recommend

3924

02:59:17,090 --> 02:59:14,640

especially for you people who tell me I

3925

02:59:19,490 --> 02:59:17,100

don't get YouTube notifications we'll go

3926

02:59:21,230 --> 02:59:19,500

here and subscribe uh to our mailing

3927

02:59:23,929 --> 02:59:21,240

list and then as soon as there's new

3928

02:59:26,090 --> 02:59:23,939

content you will get a notification

3929

02:59:28,429 --> 02:59:26,100

about it so once again right in the

3930

02:59:32,990 --> 02:59:28,439

description of this video is a link it's

3931

02:59:36,110 --> 02:59:33,000

truthseeker show dot com uh we finally

3932

02:59:39,230 --> 02:59:36,120

got our website and uh

3933

02:59:40,670 --> 02:59:39,240

I promised spooky that next people have

3934

02:59:42,830 --> 02:59:40,680

been asking me for a website for two

3935

02:59:44,450 --> 02:59:42,840

years and I apologize but it's you know

3936

02:59:47,150 --> 02:59:44,460

what it's a case of did you ever know

3937

02:59:50,990 --> 02:59:47,160

like a mechanic whose car was was always

3938

02:59:52,550 --> 02:59:51,000

like crappy running and dying like the

3939

02:59:55,550 --> 02:59:52,560

last thing I want to do is program a

3940

02:59:57,410 --> 02:59:55,560

website for myself if I have to do that

3941

03:00:01,670 --> 02:59:57,420

kind of technical stuff for customers a

3942

03:00:03,950 --> 03:00:01,680

lot I just have it's like terrible to

3943

03:00:08,450 --> 03:00:03,960

get me to do that stuff

3944

03:00:10,490 --> 03:00:08,460

um but I finally did it so that is one

3945

03:00:12,769 --> 03:00:10,500

big thing off my list of my to-do list

3946

03:00:15,710 --> 03:00:12,779

we finally have a website for the show a

3947

03:00:19,010 --> 03:00:15,720

proper website I'm glad it's done

3948

03:00:21,290 --> 03:00:19,020

um and hey I'm on to other things from

3949

03:00:23,990 --> 03:00:21,300

our to-do list for the show many of you

3950

03:00:28,309 --> 03:00:24,000

have asked for t-shirts and swag and

3951

03:00:30,889 --> 03:00:28,319

mugs and merchandise uh next week I am

3952

03:00:32,870 --> 03:00:30,899

gonna this week I tackled the website

3953

03:00:35,150 --> 03:00:32,880

and to be honest with you I said that's

3954

03:00:37,969 --> 03:00:35,160

enough for the week for big things off

3955

03:00:39,889 --> 03:00:37,979

my to-do list uh spooky had talked to me

3956

03:00:41,630 --> 03:00:39,899

yesterday about the merchandise and

3957

03:00:43,130 --> 03:00:41,640

people keep mentioning it where can I

3958

03:00:47,389 --> 03:00:43,140

you should have shirts you should have

3959

03:00:50,090 --> 03:00:47,399

shirts I agree uh so next week

3960

03:00:52,849 --> 03:00:50,100

on my list of things to do is figuring

3961

03:00:54,590 --> 03:00:52,859

out how to get the merchandise spooky

3962

03:00:56,510 --> 03:00:54,600

has a bunch of shirt designs and things

3963

03:00:58,870 --> 03:00:56,520

and I think spooky knows how to work the

3964

03:01:02,269 --> 03:00:58,880

Teespring thing and one way or the other

3965

03:01:05,269 --> 03:01:02,279

uh we're gonna figure it out so uh

3966

03:01:07,269 --> 03:01:05,279

that's excellent news we have uh we have

3967

03:01:10,849 --> 03:01:07,279

some no

3968

03:01:11,990 --> 03:01:10,859

some stuff is only on speaker that's

3969

03:01:12,710 --> 03:01:12,000

not true

3970

03:01:14,690 --> 03:01:12,720

um

3971

03:01:17,269 --> 03:01:14,700

everything is here on the YouTube

3972

03:01:20,150 --> 03:01:17,279

channel but what happened is many things

3973

03:01:22,190 --> 03:01:20,160

didn't get put on speaker early on in

3974

03:01:25,370 --> 03:01:22,200

other words I think we had the video

3975

03:01:27,769 --> 03:01:25,380

show for a year before we went back to

3976

03:01:30,530 --> 03:01:27,779

also putting the video show on an audio

3977

03:01:34,130 --> 03:01:30,540

podcast format so because of that we

3978

03:01:36,830 --> 03:01:34,140

have this backlog of like 500 shows that

3979

03:01:39,469 --> 03:01:36,840

were never on speaker or any audio

3980

03:01:42,650 --> 03:01:39,479

podcast platform so we started putting

3981

03:01:44,809 --> 03:01:42,660

them on the audio podcast platform and

3982

03:01:47,030 --> 03:01:44,819

thanks Tim Frick

3983

03:01:49,309 --> 03:01:47,040

um with a Kind and Generous five dollars

3984

03:01:51,950 --> 03:01:49,319

who says I sent you an email with a

3985

03:01:53,690 --> 03:01:51,960

letter from Andy Pirro great show well

3986

03:01:56,090 --> 03:01:53,700

thank you for your kindness generosity

3987

03:02:00,349 --> 03:01:56,100

and support of the show it is much much

3988

03:02:02,630 --> 03:02:00,359

appreciated and I saw Envy 150 with a

3989

03:02:04,309 --> 03:02:02,640

Kylie Jenner's 299 super sticker thank

3990

03:02:06,410 --> 03:02:04,319

you for your kindness generosity and

3991

03:02:09,950 --> 03:02:06,420

support of the show thanks to all you

3992

03:02:12,950 --> 03:02:09,960

guys uh for helping us to praise the

3993

03:02:12,960 --> 03:02:17,389

stop

3994

03:02:24,230 --> 03:02:20,269

cash Clan likes it when people throw

3995

03:02:26,929 --> 03:02:24,240

money at us thank you very very much

3996

03:02:29,510 --> 03:02:26,939

yeah so I guess that's the news we

3997

03:02:32,570 --> 03:02:29,520

finally have a website for the show

3998

03:02:33,170 --> 03:02:32,580

um somebody asked also about the uh

3999

03:02:35,809 --> 03:02:33,180

The

4000

03:02:37,809 --> 03:02:35,819

Odyssey and the bit shoot page or weeks

4001

03:02:40,490 --> 03:02:37,819

behind and a mess

4002

03:02:43,550 --> 03:02:40,500

uh that's also on my list for next week

4003

03:02:49,550 --> 03:02:45,830

next there will be a truth Seekers app

4004

03:02:51,590 --> 03:02:49,560

yeah uh I I

4005

03:02:53,630 --> 03:02:51,600

that's all my list

4006

03:02:56,809 --> 03:02:53,640

that's on my list as well

4007

03:02:59,210 --> 03:02:56,819

and it will include a 24 hours seven

4008

03:03:02,090 --> 03:02:59,220

days a week live chat like the Discord

4009

03:03:05,929 --> 03:03:02,100

but it'll all be in an app you can watch

4010

03:03:09,410 --> 03:03:05,939

videos go to yeah I've worked on an app

4011

03:03:12,710 --> 03:03:09,420

actually uh I have some software to make

4012

03:03:14,510 --> 03:03:12,720

apps for Android and iPhone on PC so I

4013

03:03:17,469 --> 03:03:14,520

played around with that I just didn't

4014

03:03:19,550 --> 03:03:17,479

get as as very far

4015

03:03:25,130 --> 03:03:19,560

uh like

4016

03:03:29,690 --> 03:03:28,010

yeah and UFO John Dosa site is sick

4017

03:03:31,250 --> 03:03:29,700

checking it out if possible a search

4018

03:03:34,010 --> 03:03:31,260

field would be great to find an episode

4019

03:03:36,230 --> 03:03:34,020

example Bob Lazar on my list for

4020

03:03:39,349 --> 03:03:36,240

improvements for right now UFO John Doe

4021

03:03:41,230 --> 03:03:39,359

I wanted to keep it super simple so

4022

03:03:44,630 --> 03:03:41,240

we're going to leave it simple for now

4023

03:03:46,550 --> 03:03:44,640

uh I think it's a great thing too and I

4024

03:03:48,469 --> 03:03:46,560

hope that it really does increase the

4025

03:03:51,110 --> 03:03:48,479

viewership and the listens of the audio

4026  
03:03:53,389 --> 03:03:51,120  
podcast I think it will because I know

4027  
03:03:55,790 --> 03:03:53,399  
me like if if I

4028  
03:03:57,769 --> 03:03:55,800  
if there was a central place where I

4029  
03:03:59,929 --> 03:03:57,779  
could go and there was it was just

4030  
03:04:01,910 --> 03:03:59,939  
filled with shows from a show host I

4031  
03:04:03,650 --> 03:04:01,920  
like I would go there and I would watch

4032  
03:04:04,849 --> 03:04:03,660  
from there or listen from there or go

4033  
03:04:08,210 --> 03:04:04,859  
there to find something to listen to

4034  
03:04:09,530 --> 03:04:08,220  
while I was working or doing something I

4035  
03:04:12,830 --> 03:04:09,540  
think this is going to be very helpful

4036  
03:04:13,610 --> 03:04:12,840  
to us so yes I understand I will I'll

4037  
03:04:15,889 --> 03:04:13,620  
add

4038  
03:04:19,010 --> 03:04:15,899

God damn it UFO John Doe I just got

4039

03:04:22,490 --> 03:04:19,020

something off my to-do list but I'll add

4040

03:04:24,230 --> 03:04:22,500

add a search engine to the website it

4041

03:04:26,750 --> 03:04:24,240

should have it because sometimes people

4042

03:04:29,450 --> 03:04:26,760

will want a specific show that would be

4043

03:04:31,550 --> 03:04:29,460

very very helpful with uh

4044

03:04:34,849 --> 03:04:31,560

with finding that stuff

4045

03:04:36,490 --> 03:04:34,859

good idea good suggestions true Seekers

4046

03:04:39,769 --> 03:04:36,500

telegram channel

4047

03:04:42,349 --> 03:04:39,779

uh yeah I think I signed up and I never

4048

03:04:46,429 --> 03:04:42,359

used it I didn't really like it but if

4049

03:04:50,030 --> 03:04:46,439

you guys want me to do that I will do it

4050

03:04:54,170 --> 03:04:50,040

true Seekers app does ce5 yeah no we're

4051  
03:04:56,710 --> 03:04:54,180  
going to call rce6 the next level right

4052  
03:04:59,389 --> 03:04:56,720  
we're gonna do it

4053  
03:05:01,670 --> 03:04:59,399  
actually be Baker I'm going to design an

4054  
03:05:05,630 --> 03:05:01,680  
app that does nothing but like it it

4055  
03:05:07,670 --> 03:05:05,640  
plays like a mantra or like or like monk

4056  
03:05:10,849 --> 03:05:07,680  
singing or something like that and and

4057  
03:05:13,250 --> 03:05:10,859  
shows you like funny graphics

4058  
03:05:15,110 --> 03:05:13,260  
and we're going to call that our ce6

4059  
03:05:16,550 --> 03:05:15,120  
alien contact app and we're going to

4060  
03:05:18,650 --> 03:05:16,560  
sell it for ten dollars and we're gonna

4061  
03:05:19,610 --> 03:05:18,660  
make it a goof we're gonna make a joke

4062  
03:05:22,130 --> 03:05:19,620  
of it

4063  
03:05:23,990 --> 03:05:22,140

and if

4064

03:05:27,469 --> 03:05:24,000

Stephen Greer can get away with scamming

4065

03:05:29,929 --> 03:05:27,479

people claiming you can contact UFOs and

4066

03:05:36,530 --> 03:05:29,939

et's for ten dollars uh I should be able

4067

03:05:40,670 --> 03:05:39,290

UFO John Doe sorry brother you just have

4068

03:05:42,590 --> 03:05:40,680

so many shows there are some classic

4069

03:05:45,530 --> 03:05:42,600

Classics I'm sure fans would want to

4070

03:05:49,370 --> 03:05:45,540

find and re-watch like Anjali yes I

4071

03:05:52,370 --> 03:05:49,380

agree I agree every F UFO John though

4072

03:05:54,410 --> 03:05:52,380

every time I really once in a while I

4073

03:05:56,389 --> 03:05:54,420

say I'm going to respond to some YouTube

4074

03:05:58,250 --> 03:05:56,399

comments today because I don't do that

4075

03:06:00,469 --> 03:05:58,260

often enough and when I get extra time

4076

03:06:03,469 --> 03:06:00,479

sometimes I say oh I'll sit for an hour

4077

03:06:06,050 --> 03:06:03,479

or two and have you know uh

4078

03:06:08,450 --> 03:06:06,060

some time with the YouTube comments it's

4079

03:06:11,570 --> 03:06:08,460

amazing how many people come here and

4080

03:06:16,670 --> 03:06:11,580

are still watching those Angeli episodes

4081

03:06:21,349 --> 03:06:19,010

I would be able to meet you folks better

4082

03:06:23,929 --> 03:06:21,359

than YouTube chat I can't use Discord I

4083

03:06:25,610 --> 03:06:23,939

am on telegram no Amy Collins I'm gonna

4084

03:06:27,710 --> 03:06:25,620

sign up for telegram because it can't

4085

03:06:31,090 --> 03:06:27,720

hurt it's one more place though that I

4086

03:06:34,370 --> 03:06:31,100

have to post shows every day so

4087

03:06:36,769 --> 03:06:34,380

yeah I think it might help with the show

4088

03:06:40,250 --> 03:06:36,779

numbers but then it's adding some

4089

03:06:42,650 --> 03:06:40,260

something to my to-do list every day

4090

03:06:45,469 --> 03:06:42,660

um but I'm also I have a Web Bot that

4091

03:06:48,590 --> 03:06:45,479

I've been developing for a while that

4092

03:06:50,809 --> 03:06:48,600

will post things for me in other words

4093

03:06:52,610 --> 03:06:50,819

I just tell the Web Bot to post the

4094

03:06:56,090 --> 03:06:52,620

latest show and it posts it everywhere

4095

03:06:58,190 --> 03:06:56,100

both Facebook pages Twitter wherever I

4096

03:07:00,650 --> 03:06:58,200

could just add Telegram

4097

03:07:04,070 --> 03:07:00,660

so I think that might uh might be

4098

03:07:05,750 --> 03:07:04,080

helpful so friends uh that's all I got

4099

03:07:08,150 --> 03:07:05,760

for you we want to thank the chat room

4100

03:07:09,790 --> 03:07:08,160

moderators we want to thank you kind and

4101  
03:07:13,190 --> 03:07:09,800  
generous supporters

4102  
03:07:15,889 --> 03:07:13,200  
including you patreon supporters you

4103  
03:07:18,889 --> 03:07:15,899  
channel members and now you twitch

4104  
03:07:21,769 --> 03:07:18,899  
subscribers as well thank you to the

4105  
03:07:25,309 --> 03:07:21,779  
kind and generous PayPal pledgers thank

4106  
03:07:28,630 --> 03:07:25,319  
you to uh also to you super Chatters

4107  
03:07:31,670 --> 03:07:28,640  
super sticker purchases and super thanks

4108  
03:07:34,370 --> 03:07:31,680  
uh you too can send us money on YouTube

4109  
03:07:36,170 --> 03:07:34,380  
even when we're not live ordinarily you

4110  
03:07:37,550 --> 03:07:36,180  
have to wait until we're live to send a

4111  
03:07:40,550 --> 03:07:37,560  
Super Chat there's something new called

4112  
03:07:43,790 --> 03:07:40,560  
super thanks you can do that anytime

4113  
03:07:46,790 --> 03:07:43,800

even if you're on the replay crew and we

4114

03:07:48,349 --> 03:07:46,800

love you people in the replay crew so I

4115

03:07:51,170 --> 03:07:48,359

want to thank all of you for joining us

4116

03:07:53,809 --> 03:07:51,180

we'll be back tomorrow night 9 p.m

4117

03:07:56,389 --> 03:07:53,819

Eastern Standard Time unless I go to the

4118

03:07:58,190 --> 03:07:56,399

cabin which is very unlikely I think

4119

03:08:00,290 --> 03:07:58,200

we'll be here tomorrow night 9 p.m

4120

03:08:02,389 --> 03:08:00,300

Eastern Standard time I'm going to have

4121

03:08:05,030 --> 03:08:02,399

a really fun show for you tomorrow it's

4122

03:08:07,969 --> 03:08:05,040

Friday night let's have a good time so

4123

03:08:09,710 --> 03:08:07,979

that's all we got for you friends uh

4124

03:08:12,230 --> 03:08:09,720

until next time my name is Stephen

4125

03:08:13,010 --> 03:08:12,240

cambian good night and God bless all of

4126  
03:08:22,190 --> 03:08:13,020  
you

4127  
03:08:25,250 --> 03:08:22,200  
to people and stop disgracing the United

4128  
03:08:27,530 --> 03:08:25,260  
States Marine Corps by pretending to be

4129  
03:08:33,060 --> 03:08:27,540  
one of its members I will pray for you

4130  
03:09:37,680 --> 03:09:36,550  
[Music]

4131  
03:09:52,030 --> 03:09:37,690  
thank you

4132  
03:09:53,390 --> 03:09:52,040  
[Music]

4133  
03:10:11,170 --> 03:09:53,400  
[Applause]

4134  
03:10:12,390 --> 03:10:11,180  
[Music]

4135  
03:10:14,870 --> 03:10:12,400  
thank you

4136  
03:10:17,190 --> 03:10:14,880  
[Music]

4137  
03:10:30,810 --> 03:10:17,200  
foreign
