

A blue sky background. In the upper right, a white balloon is visible with a trail of white smoke. Below it, a white, irregularly shaped object is shown with a trail of white smoke, suggesting it is falling or moving rapidly. The main title is written in large, white, bold, sans-serif capital letters, slanted upwards from left to right. At the bottom center, the words 'Truth Seekers' are written in a stylized, cursive font with a red and orange flame-like glow.

00:03:54,190 --> 00:03:52,190
tations friends and welcome back

11
00:03:57,830 --> 00:03:54,200
we are back today

12
00:04:01,610 --> 00:03:57,840
after I have taken an extensive trip

13
00:04:04,309 --> 00:04:01,620

through the history of ballooning and

14

00:04:06,350 --> 00:04:04,319

spy balloons and even weapons balloons

15

00:04:10,429 --> 00:04:06,360

and more

16

00:04:13,869 --> 00:04:10,439

recently a Chinese spy balloon appeared

17

00:04:17,830 --> 00:04:13,879

across Midwestern United States

18

00:04:20,449 --> 00:04:17,840

not coincidentally I think right above

19

00:04:24,290 --> 00:04:20,459

areas of

20

00:04:27,110 --> 00:04:24,300

a great deal of nuclear missile silos

21

00:04:29,450 --> 00:04:27,120

this presents a whole lot of problems

22

00:04:32,570 --> 00:04:29,460

and more proof that the United States

23

00:04:36,710 --> 00:04:32,580

government lies to us constantly I

24

00:04:40,010 --> 00:04:36,720

thought we could get into this story uh

25

00:04:43,490 --> 00:04:40,020

with sort of a lens also on the world of

26

00:04:47,030 --> 00:04:43,500

UFOs because it would appear that

27

00:04:50,990 --> 00:04:47,040

some of these Chinese incursions of both

28

00:04:53,570 --> 00:04:51,000

spy balloons and drones

29

00:04:55,610 --> 00:04:53,580

are related to the UFO Community because

30

00:04:56,390 --> 00:04:55,620

there are profiteering hucksters out

31

00:04:59,810 --> 00:04:56,400

there

32

00:05:03,110 --> 00:04:59,820

who are taking videos and images that I

33

00:05:05,210 --> 00:05:03,120

believe are of Chinese origin and

34

00:05:07,730 --> 00:05:05,220

profiting from them claiming that they

35

00:05:10,430 --> 00:05:07,740

are alien spacecraft

36

00:05:12,890 --> 00:05:10,440

one of the most notable examples that I

37

00:05:15,290 --> 00:05:12,900

could think of too where balloons are

38

00:05:17,810 --> 00:05:15,300

constantly connected to the world of

39

00:05:20,230 --> 00:05:17,820

UFOs are when profiteering hucksters

40

00:05:23,689 --> 00:05:20,240

like George Knapp and Jeremy Corbell

41

00:05:25,909 --> 00:05:23,699

post images that are clearly balloons

42

00:05:27,890 --> 00:05:25,919

like the infamous Batman balloon and

43

00:05:30,830 --> 00:05:27,900

claim it's some sort of unidentified

44

00:05:33,950 --> 00:05:30,840

craft when in fact it's an easily

45

00:05:35,090 --> 00:05:33,960

identifiable consumer balloon that got

46

00:05:40,310 --> 00:05:35,100

away

47

00:05:42,710 --> 00:05:40,320

but this incursion into our uh airspace

48

00:05:45,350 --> 00:05:42,720

even sensitive airspace is very

49

00:05:46,610 --> 00:05:45,360

concerning from a national

50

00:05:49,909 --> 00:05:46,620

uh

51
00:05:53,210 --> 00:05:49,919
a National Defense

52
00:05:56,150 --> 00:05:53,220
perspective after all

53
00:06:00,110 --> 00:05:56,160
the United States government we spend

54
00:06:03,170 --> 00:06:00,120
more money on our military than all the

55
00:06:05,810 --> 00:06:03,180
other nations of the earth combined

56
00:06:07,010 --> 00:06:05,820
and somehow even spending trillions of

57
00:06:10,010 --> 00:06:07,020
dollars a year

58
00:06:13,610 --> 00:06:10,020
we are either unable or perhaps

59
00:06:16,310 --> 00:06:13,620
unwilling to shoot down a spy balloon

60
00:06:20,029 --> 00:06:16,320
over very sensitive

61
00:06:23,029 --> 00:06:20,039
areas of our airspace

62
00:06:28,969 --> 00:06:23,039
you know every state in the Union also

63
00:06:32,270 --> 00:06:28,979

importantly has a uh an air defense

64

00:06:35,629 --> 00:06:32,280

this balloon apparently made its way

65

00:06:39,469 --> 00:06:35,639

from China through Alaska

66

00:06:43,189 --> 00:06:39,479

spent a short time over the airspace of

67

00:06:47,029 --> 00:06:43,199

Canada a very close Ally to us and then

68

00:06:48,469 --> 00:06:47,039

made its way over nuclear silos in

69

00:06:52,550 --> 00:06:48,479

Montana

70

00:06:55,450 --> 00:06:52,560

and was not stopped was not popped was

71

00:06:58,129 --> 00:06:55,460

not challenged and was not reported on

72

00:07:01,249 --> 00:06:58,139

also important to note

73

00:07:03,830 --> 00:07:01,259

that the Biden Administration apparently

74

00:07:08,870 --> 00:07:03,840

knew about the balloon as far back as

75

00:07:10,189 --> 00:07:08,880

January 28th uh which would mean

76

00:07:19,570 --> 00:07:10,199

that

77

00:07:23,450 --> 00:07:19,580

balloon was in our national airspace

78

00:07:25,670 --> 00:07:23,460

over sensitive targets some would say

79

00:07:29,450 --> 00:07:25,680

including

80

00:07:32,870 --> 00:07:29,460

missile silos this is very problematic

81

00:07:35,589 --> 00:07:32,880

from a National Defense perspective and

82

00:07:38,749 --> 00:07:35,599

highlights the failure of our military

83

00:07:41,390 --> 00:07:38,759

to be effective even when we're pumping

84

00:07:45,950 --> 00:07:41,400

trillions and trillions and trillions of

85

00:07:47,930 --> 00:07:45,960

dollars into air defenses every year

86

00:07:50,809 --> 00:07:47,940

friends if the United States military

87

00:07:54,110 --> 00:07:50,819

can't stop a balloon

88

00:07:57,770 --> 00:07:54,120

how will they stop swarms of

89

00:08:01,010 --> 00:07:57,780

drones how will they stop

90

00:08:04,510 --> 00:08:01,020

nuclear missiles how will they stop

91

00:08:08,210 --> 00:08:04,520

dirty bombs or EMP

92

00:08:10,129 --> 00:08:08,220

X and I believe the answer is they won't

93

00:08:13,189 --> 00:08:10,139

they can't

94

00:08:15,890 --> 00:08:13,199

some things uh are just

95

00:08:19,189 --> 00:08:15,900

too difficult to defend against look at

96

00:08:20,749 --> 00:08:19,199

the failures of 9 11 and where that led

97

00:08:23,869 --> 00:08:20,759

us

98

00:08:26,930 --> 00:08:23,879

so very troubling that these things have

99

00:08:29,749 --> 00:08:26,940

happened but even more troubling is the

100

00:08:33,290 --> 00:08:29,759

revelations that this one spy balloon

101
00:08:36,110 --> 00:08:33,300
sort of prompted see once in a while we

102
00:08:37,850 --> 00:08:36,120
get to peel behind peel back the layers

103
00:08:42,110 --> 00:08:37,860
of deception

104
00:08:44,530 --> 00:08:42,120
of this ruling class Elite system where

105
00:08:47,690 --> 00:08:44,540
the ruling class rule over us working

106
00:08:49,670 --> 00:08:47,700
poor you know us peasants and only tell

107
00:08:52,370 --> 00:08:49,680
us what they want to

108
00:08:54,530 --> 00:08:52,380
because somehow

109
00:08:56,509 --> 00:08:54,540
through the revelation of this one spy

110
00:08:58,370 --> 00:08:56,519
balloon which they couldn't deny because

111
00:09:01,070 --> 00:08:58,380
people were seeing it all over Montana

112
00:09:06,530 --> 00:09:01,080
and other Midwestern states as it may

113
00:09:07,250 --> 00:09:06,540

it's across America over several days

114

00:09:10,550 --> 00:09:07,260

um

115

00:09:13,070 --> 00:09:10,560

very very troubling Revelations would

116

00:09:15,949 --> 00:09:13,080

soon come after including the Revelation

117

00:09:18,470 --> 00:09:15,959

that there have been at least five

118

00:09:22,449 --> 00:09:18,480

Chinese spy balloons

119

00:09:27,769 --> 00:09:22,459

in our sky is in the last several years

120

00:09:29,870 --> 00:09:27,779

uh recent news reports revealing that uh

121

00:09:32,329 --> 00:09:29,880

there was some three different Chinese

122

00:09:34,610 --> 00:09:32,339

spy balloons over the United States

123

00:09:37,070 --> 00:09:34,620

during the Trump Administration just a

124

00:09:39,590 --> 00:09:37,080

few years ago there was also an

125

00:09:41,810 --> 00:09:39,600

additional Chinese spy balloon over the

126

00:09:44,509 --> 00:09:41,820

United States right at the beginning of

127

00:09:46,670 --> 00:09:44,519

the Biden Administration and now we have

128

00:09:49,449 --> 00:09:46,680

this latest Chinese spy balloon that

129

00:09:53,810 --> 00:09:49,459

brings the total that we now know about

130

00:09:56,750 --> 00:09:53,820

uh up to five count them five different

131

00:09:58,310 --> 00:09:56,760

Chinese spy balloons and one might ask

132

00:10:01,910 --> 00:09:58,320

themselves what happened to the other

133

00:10:05,690 --> 00:10:01,920

four well I spent some day some time

134

00:10:08,690 --> 00:10:05,700

today on the phone and emailing

135

00:10:10,490 --> 00:10:08,700

and got zero answers about what happened

136

00:10:12,290 --> 00:10:10,500

to the other four were they shot down

137

00:10:15,590 --> 00:10:12,300

were they just allowed to freely fly

138

00:10:18,110 --> 00:10:15,600

over sensitive United States airspace

139

00:10:20,449 --> 00:10:18,120

including military or perhaps even

140

00:10:24,170 --> 00:10:20,459

nuclear insulations

141

00:10:27,769 --> 00:10:24,180

no no one knows or no one is telling us

142

00:10:30,170 --> 00:10:27,779

peasants again very very troubling what

143

00:10:32,690 --> 00:10:30,180

happened to those other four Chinese spy

144

00:10:35,410 --> 00:10:32,700

balloons and all of this

145

00:10:38,389 --> 00:10:35,420

all of these spy balloon incursions into

146

00:10:41,570 --> 00:10:38,399

sensitive United States airspace is even

147

00:10:43,070 --> 00:10:41,580

more troubling when we consider the

148

00:10:45,470 --> 00:10:43,080

implications

149

00:10:48,110 --> 00:10:45,480

what this means is that the United

150

00:10:51,889 --> 00:10:48,120

States government or military is either

151
00:10:54,710 --> 00:10:51,899
unable or unwilling to stop incursions

152
00:10:57,650 --> 00:10:54,720
into United States airspace

153
00:10:59,750 --> 00:10:57,660
by lighter than aircraft

154
00:11:02,329 --> 00:10:59,760
and this becomes very very problematic

155
00:11:03,410 --> 00:11:02,339
when we consider the possibility of an

156
00:11:06,110 --> 00:11:03,420
EMP

157
00:11:08,090 --> 00:11:06,120
attack we're going to get into all of

158
00:11:11,690 --> 00:11:08,100
that but before we do

159
00:11:13,730 --> 00:11:11,700
I thought it would be good just to go

160
00:11:17,750 --> 00:11:13,740
over quickly

161
00:11:19,850 --> 00:11:17,760
um some of the history of world war or

162
00:11:22,090 --> 00:11:19,860
excuse me some of the history of spy

163
00:11:24,110 --> 00:11:22,100

balloons

164

00:11:26,990 --> 00:11:24,120

in the last

165

00:11:29,810 --> 00:11:27,000

couple of centuries

166

00:11:32,150 --> 00:11:29,820

interesting uh

167

00:11:34,970 --> 00:11:32,160

there's a lot of interesting history

168

00:11:38,269 --> 00:11:34,980

here which is why this is a story I sort

169

00:11:42,530 --> 00:11:38,279

of dug into because I was aware of some

170

00:11:44,150 --> 00:11:42,540

of this history uh one second let me get

171

00:11:51,829 --> 00:11:44,160

my

172

00:11:51,839 --> 00:11:55,850

on second friends

173

00:12:03,230 --> 00:11:59,690

so it is interesting uh if we look at

174

00:12:07,009 --> 00:12:03,240

this from a historical perspective about

175

00:12:09,829 --> 00:12:07,019

some of the Spy balloons that have been

176

00:12:11,870 --> 00:12:09,839

around since at the very least the Civil

177

00:12:13,190 --> 00:12:11,880

War they have been in use since the

178

00:12:18,050 --> 00:12:13,200

Civil War

179

00:12:19,810 --> 00:12:18,060

quite quite long history of spy balloons

180

00:12:22,730 --> 00:12:19,820

and their uses

181

00:12:29,750 --> 00:12:22,740

uh one second here

182

00:12:35,870 --> 00:12:32,210

okay so

183

00:12:38,329 --> 00:12:35,880

um I have a short history here of spy

184

00:12:40,790 --> 00:12:38,339

balloons also known as reconnaissance

185

00:12:43,850 --> 00:12:40,800

balloons have been in use for military

186

00:12:46,490 --> 00:12:43,860

purposes for over a century

187

00:12:48,590 --> 00:12:46,500

at least their aerial vehicles that are

188

00:12:50,569 --> 00:12:48,600

designed to float into in the atmosphere

189

00:12:52,069 --> 00:12:50,579

and gather intelligence from high

190

00:12:55,009 --> 00:12:52,079

altitudes

191

00:12:56,569 --> 00:12:55,019

over the past year spy balloon spy

192

00:12:58,370 --> 00:12:56,579

balloons have played a significant role

193

00:12:59,990 --> 00:12:58,380

in military operations and have been

194

00:13:02,210 --> 00:13:00,000

used for various purposes including

195

00:13:03,889 --> 00:13:02,220

reconnaissance surveillance and

196

00:13:05,750 --> 00:13:03,899

communication

197

00:13:07,190 --> 00:13:05,760

so let's explore the history of spy

198

00:13:10,550 --> 00:13:07,200

balloons and their use in military

199

00:13:12,410 --> 00:13:10,560

operations the first recorded use of spy

200

00:13:14,090 --> 00:13:12,420

balloons was during the American Civil

201
00:13:17,090 --> 00:13:14,100
War where they were used to gather

202
00:13:19,970 --> 00:13:17,100
information on enemy positions during

203
00:13:21,710 --> 00:13:19,980
the War Union army officers Thaddeus

204
00:13:24,889 --> 00:13:21,720
Lowe and John

205
00:13:26,329 --> 00:13:24,899
the mountain were among the first to use

206
00:13:29,210 --> 00:13:26,339
reconnaissance balloons to gather

207
00:13:31,550 --> 00:13:29,220
information on Confederate forces the

208
00:13:33,769 --> 00:13:31,560
balloons were Tethered to the ground and

209
00:13:36,230 --> 00:13:33,779
provided an aerial view of the

210
00:13:38,389 --> 00:13:36,240
battlefield allowing officers to see

211
00:13:40,970 --> 00:13:38,399
enemy positions and play in their next

212
00:13:42,530 --> 00:13:40,980
move this marked the beginning of the

213
00:13:43,910 --> 00:13:42,540

use of spy balloons in military

214

00:13:46,310 --> 00:13:43,920

operations

215

00:13:49,370 --> 00:13:46,320

so we could see that spy balloons have a

216

00:13:51,110 --> 00:13:49,380

pretty interesting history

217

00:13:55,550 --> 00:13:51,120

um especially

218

00:13:58,730 --> 00:13:55,560

for war purposes balloons uh

219

00:14:02,269 --> 00:13:58,740

have been used since at least World War

220

00:14:05,449 --> 00:14:02,279

excuse me at least the Civil War even

221

00:14:06,949 --> 00:14:05,459

for a uh a function as simple as being

222

00:14:10,430 --> 00:14:06,959

able to just

223

00:14:13,009 --> 00:14:10,440

see the battlefield that would provide a

224

00:14:17,449 --> 00:14:13,019

tremendous advantage over your enemy who

225

00:14:20,150 --> 00:14:17,459

does is not able to see the battlefield

226

00:14:22,190 --> 00:14:20,160

in World War One spyballoons became more

227

00:14:24,650 --> 00:14:22,200

sophisticated and were used extensively

228

00:14:26,569 --> 00:14:24,660

by both sides of the conflict the German

229

00:14:28,490 --> 00:14:26,579

Army used reconnaissance balloons to

230

00:14:31,610 --> 00:14:28,500

gather information on enemy positions

231

00:14:33,470 --> 00:14:31,620

and to direct artillery fire the

232

00:14:35,569 --> 00:14:33,480

balloons were equipped with cameras and

233

00:14:37,009 --> 00:14:35,579

Communications equipment allowing the

234

00:14:39,829 --> 00:14:37,019

soldiers on the ground to receive

235

00:14:41,930 --> 00:14:39,839

real-time information from the air the

236

00:14:44,750 --> 00:14:41,940

British and French also used spy

237

00:14:46,910 --> 00:14:44,760

balloons for reconnaissance reasons and

238

00:14:48,829 --> 00:14:46,920

both sides develop new technologies to

239

00:14:50,930 --> 00:14:48,839

improve their capabilities

240

00:14:52,610 --> 00:14:50,940

spy balloons continue to be used during

241

00:14:55,550 --> 00:14:52,620

World War II where they played a

242

00:14:58,129 --> 00:14:55,560

significant role in military operations

243

00:14:59,629 --> 00:14:58,139

the British and German air forces use

244

00:15:02,389 --> 00:14:59,639

reconnaissance balloons to gather

245

00:15:03,769 --> 00:15:02,399

information on enemy positions and to

246

00:15:07,370 --> 00:15:03,779

direct

247

00:15:08,810 --> 00:15:07,380

Air Raids the US Army also used spy

248

00:15:10,610 --> 00:15:08,820

balloons for reconnaissance and

249

00:15:13,730 --> 00:15:10,620

communication purposes and they were

250

00:15:16,910 --> 00:15:13,740

instrumental in the Normandy Landings

251

00:15:19,490 --> 00:15:16,920

and the liberation of Paris

252

00:15:21,829 --> 00:15:19,500

in the post-world War II era spyballoons

253

00:15:23,930 --> 00:15:21,839

were used by in a number of conflict

254

00:15:26,269 --> 00:15:23,940

including the Korean War and the Vietnam

255

00:15:27,889 --> 00:15:26,279

war in the Korean War U.S and South

256

00:15:30,230 --> 00:15:27,899

Korean forces used reconnaissance

257

00:15:33,170 --> 00:15:30,240

balloons to gather information

258

00:15:35,990 --> 00:15:33,180

on North Korean positions and to direct

259

00:15:37,670 --> 00:15:36,000

Air Raids during the Vietnam war U.S

260

00:15:39,350 --> 00:15:37,680

forces used spy balloons for

261

00:15:41,870 --> 00:15:39,360

reconnaissance and communication

262

00:15:45,350 --> 00:15:41,880

purposes and they were also used to

263

00:15:48,050 --> 00:15:45,360

monitor the Ho Chi Minh trail a key

264

00:15:50,329 --> 00:15:48,060

Supply route for North Vietnamese forces

265

00:15:51,889 --> 00:15:50,339

in recent years spy balloons have been

266

00:15:54,230 --> 00:15:51,899

used in a variety of military and

267

00:15:57,350 --> 00:15:54,240

non-military operations the U.S military

268

00:15:59,329 --> 00:15:57,360

has used spy balloons in Afghanistan and

269

00:16:01,009 --> 00:15:59,339

Iraq for reconnaissance and

270

00:16:03,050 --> 00:16:01,019

Communications purposes and they have

271

00:16:05,269 --> 00:16:03,060

been used by various government agencies

272

00:16:07,850 --> 00:16:05,279

for Border surveillance and

273

00:16:10,009 --> 00:16:07,860

environmental monitoring additionally

274

00:16:12,230 --> 00:16:10,019

spy balloons are now used for

275

00:16:14,810 --> 00:16:12,240

non-military purposes such as providing

276

00:16:17,930 --> 00:16:14,820

internet access in remote areas and

277

00:16:21,170 --> 00:16:17,940

monitoring weather patterns

278

00:16:23,569 --> 00:16:21,180

interesting balloons are used to monitor

279

00:16:25,490 --> 00:16:23,579

weather patterns and just so you're

280

00:16:27,170 --> 00:16:25,500

aware the Chinese government is

281

00:16:30,650 --> 00:16:27,180

essentially claiming that these spy

282

00:16:33,530 --> 00:16:30,660

balloons were weather balloons and they

283

00:16:35,870 --> 00:16:33,540

were civilian not military

284

00:16:38,389 --> 00:16:35,880

I I believe that most people would beg

285

00:16:40,790 --> 00:16:38,399

to differ seeing the package that these

286

00:16:43,189 --> 00:16:40,800

balloons had on them and their ability

287

00:16:46,009 --> 00:16:43,199

to maneuver weather balloons generally

288

00:16:49,009 --> 00:16:46,019

do not have an ability to maneuver

289

00:16:50,930 --> 00:16:49,019

the Chinese spy balloon caught over the

290

00:16:53,389 --> 00:16:50,940

United States had extensive

291

00:16:54,110 --> 00:16:53,399

maneuverability capabilities meaning it

292

00:16:58,129 --> 00:16:54,120

had

293

00:16:59,569 --> 00:16:58,139

engines and was able to steer and plot a

294

00:17:01,370 --> 00:16:59,579

course

295

00:17:03,350 --> 00:17:01,380

so spyballoons have played a significant

296

00:17:04,789 --> 00:17:03,360

role in military operations over the

297

00:17:07,069 --> 00:17:04,799

past Century from their use in the

298

00:17:10,250 --> 00:17:07,079

American Civil War to their deployment

299

00:17:11,390 --> 00:17:10,260

in the very most recent conflicts of the

300

00:17:14,350 --> 00:17:11,400

United States

301
00:17:16,669 --> 00:17:14,360
spy balloons have provided valuable

302
00:17:19,730 --> 00:17:16,679
intelligence and have been instrumental

303
00:17:21,650 --> 00:17:19,740
in military operations as technology

304
00:17:23,569 --> 00:17:21,660
continues to advance it is likely that

305
00:17:25,610 --> 00:17:23,579
spy balloons will continue to be used in

306
00:17:27,770 --> 00:17:25,620
a variety of military and non-military

307
00:17:29,030 --> 00:17:27,780
operations in the future

308
00:17:33,590 --> 00:17:29,040
but

309
00:17:36,770 --> 00:17:33,600
uh it's very interesting that

310
00:17:38,810 --> 00:17:36,780
there's a real big problem here with the

311
00:17:41,570 --> 00:17:38,820
Chinese use of

312
00:17:43,490 --> 00:17:41,580
spy balloons especially when we consider

313
00:17:46,390 --> 00:17:43,500

that the Chinese has have apparently

314

00:17:50,150 --> 00:17:46,400

used spy balloons in the past

315

00:17:52,130 --> 00:17:50,160

uh several years some five times against

316

00:17:54,710 --> 00:17:52,140

the United States

317

00:17:58,190 --> 00:17:54,720

and here's the problem the Chinese have

318

00:18:01,490 --> 00:17:58,200

a very Advanced uh

319

00:18:04,669 --> 00:18:01,500

some would say more advanced than us

320

00:18:08,150 --> 00:18:04,679

space program so advanced in fact that

321

00:18:11,029 --> 00:18:08,160

many Security National Security analysts

322

00:18:14,630 --> 00:18:11,039

believe that the Chinese spy satellite

323

00:18:18,529 --> 00:18:14,640

capability is greater than the United

324

00:18:20,990 --> 00:18:18,539

States spy capability

325

00:18:24,529 --> 00:18:21,000

which means that the Chinese government

326

00:18:26,330 --> 00:18:24,539

or the CCP is more than able to image

327

00:18:29,510 --> 00:18:26,340

whatever they want to image over the

328

00:18:31,610 --> 00:18:29,520

United States without using spy balloons

329

00:18:34,190 --> 00:18:31,620

they could get higher resolution better

330

00:18:36,049 --> 00:18:34,200

photographs and video of anything in the

331

00:18:38,450 --> 00:18:36,059

United States they want to

332

00:18:41,930 --> 00:18:38,460

through the use of their

333

00:18:45,230 --> 00:18:41,940

spy satellites in space

334

00:18:47,870 --> 00:18:45,240

so it becomes quite a a question then

335

00:18:50,450 --> 00:18:47,880

why then would the Chinese government or

336

00:18:54,110 --> 00:18:50,460

the CCP be willing to risk an

337

00:18:56,450 --> 00:18:54,120

international crisis or conflict by

338

00:18:59,510 --> 00:18:56,460

intentionally using

339

00:19:02,270 --> 00:18:59,520

what some would call very low tech means

340

00:19:07,430 --> 00:19:04,130

functions that they have greater

341

00:19:08,570 --> 00:19:07,440

capabilities in their Arsenal in other

342

00:19:11,330 --> 00:19:08,580

words

343

00:19:15,230 --> 00:19:11,340

does not make any sense that the Chinese

344

00:19:17,810 --> 00:19:15,240

government would risk a war literally or

345

00:19:19,850 --> 00:19:17,820

at least risk Rising tensions between

346

00:19:22,850 --> 00:19:19,860

the United States and the the Chinese

347

00:19:24,529 --> 00:19:22,860

government by intentionally using

348

00:19:29,870 --> 00:19:24,539

spy balloons

349

00:19:32,450 --> 00:19:29,880

would provide greater resolution or more

350

00:19:36,169 --> 00:19:32,460

information than a Chinese spy satellite

351
00:19:38,810 --> 00:19:36,179
which we know they have would use

352
00:19:40,250 --> 00:19:38,820
now this has led many people to

353
00:19:43,310 --> 00:19:40,260
speculate then

354
00:19:45,110 --> 00:19:43,320
and if we're going to speculate let's

355
00:19:47,630 --> 00:19:45,120
just acknowledge that this is

356
00:19:50,270 --> 00:19:47,640
speculation however

357
00:19:53,630 --> 00:19:50,280
um another use of balloons is as a

358
00:19:56,210 --> 00:19:53,640
weapons delivery system

359
00:19:59,930 --> 00:19:56,220
now this opens up an entire can of worms

360
00:20:03,169 --> 00:19:59,940
because now this means that

361
00:20:06,169 --> 00:20:03,179
if if we are to believe the analysts who

362
00:20:07,430 --> 00:20:06,179
say it does not make any sense that the

363
00:20:09,350 --> 00:20:07,440

Chinese government would use spy

364

00:20:11,750 --> 00:20:09,360

balloons

365

00:20:14,150 --> 00:20:11,760

then we're left with the question

366

00:20:17,289 --> 00:20:14,160

if they're not using these balloons to

367

00:20:22,610 --> 00:20:17,299

spy on us are they using these balloons

368

00:20:25,250 --> 00:20:22,620

in tests for weapons Delivery Systems

369

00:20:27,470 --> 00:20:25,260

we've all just been through a global

370

00:20:30,169 --> 00:20:27,480

pandemic

371

00:20:32,690 --> 00:20:30,179

um some hesitant to even bring it up but

372

00:20:34,490 --> 00:20:32,700

let's be very very clear a balloon

373

00:20:36,310 --> 00:20:34,500

system such as the one

374

00:20:38,990 --> 00:20:36,320

that we have just

375

00:20:41,510 --> 00:20:39,000

encountered from the Chinese government

376
00:20:44,750 --> 00:20:41,520
would be more than capable of dispersing

377
00:20:46,789 --> 00:20:44,760
a biological weapon

378
00:20:49,250 --> 00:20:46,799
more troubling

379
00:20:51,830 --> 00:20:49,260
the very same system could be used to

380
00:20:56,090 --> 00:20:51,840
deploy an EMP weapon

381
00:20:59,510 --> 00:20:56,100
for those unaware uh an EMP weapon is a

382
00:21:02,690 --> 00:20:59,520
very low-grade nuclear device that is

383
00:21:05,090 --> 00:21:02,700
exploded several miles up into the

384
00:21:08,330 --> 00:21:05,100
atmosphere above a Target

385
00:21:11,330 --> 00:21:08,340
and what that pulse will do is knock out

386
00:21:15,230 --> 00:21:11,340
the entire power grid for hundreds

387
00:21:21,049 --> 00:21:18,230
so when I look at this Chinese spy

388
00:21:23,270 --> 00:21:21,059

balloon knowing you know through the

389

00:21:26,630 --> 00:21:23,280

lens of knowing that they can't possibly

390

00:21:29,690 --> 00:21:26,640

be using this to spy on us they have

391

00:21:31,549 --> 00:21:29,700

incredibly much greater capability in

392

00:21:33,770 --> 00:21:31,559

the form of their own spy satellites it

393

00:21:34,850 --> 00:21:33,780

makes no sense that this was a spy

394

00:21:38,029 --> 00:21:34,860

balloon

395

00:21:40,970 --> 00:21:38,039

or that its purpose was simply spying

396

00:21:44,570 --> 00:21:40,980

and I believe that the purpose of this

397

00:21:47,029 --> 00:21:44,580

balloon was a test to see what the

398

00:21:49,669 --> 00:21:47,039

United States military would do if a

399

00:21:52,370 --> 00:21:49,679

balloon from a foreign some would say

400

00:21:54,649 --> 00:21:52,380

enemy at least four in hostile power

401
00:21:58,010 --> 00:21:54,659
ended up in our airspace

402
00:22:00,350 --> 00:21:58,020
and look what we did nothing we let it

403
00:22:02,510 --> 00:22:00,360
we let it float all across the United

404
00:22:05,090 --> 00:22:02,520
States from the Midwest all the way to

405
00:22:08,870 --> 00:22:05,100
the Atlantic coast over the coast of the

406
00:22:11,930 --> 00:22:08,880
Carolinas before it was then shot down

407
00:22:14,690 --> 00:22:11,940
so this is very troubling then why are

408
00:22:16,669 --> 00:22:14,700
the Chinese using spy balloons are they

409
00:22:19,430 --> 00:22:16,679
really spy balloons or are these tests

410
00:22:21,710 --> 00:22:19,440
of weapon system balloons it gets

411
00:22:23,510 --> 00:22:21,720
further complicated when we realize that

412
00:22:25,370 --> 00:22:23,520
the United States government is recently

413
00:22:28,690 --> 00:22:25,380

admitting that there are swarms of

414

00:22:32,510 --> 00:22:28,700

Chinese drones essentially

415

00:22:35,990 --> 00:22:32,520

uh monitoring and or

416

00:22:38,210 --> 00:22:36,000

flying over sensitive airspace of our

417

00:22:40,070 --> 00:22:38,220

United States Navy

418

00:22:42,470 --> 00:22:40,080

these are two new things that we've

419

00:22:45,710 --> 00:22:42,480

never heard of

420

00:22:49,610 --> 00:22:45,720

foreign power actively

421

00:22:52,909 --> 00:22:49,620

flying drones over our military assets a

422

00:22:56,690 --> 00:22:52,919

foreign power actively flying balloons

423

00:23:00,649 --> 00:22:56,700

over our cities our military bases our

424

00:23:03,289 --> 00:23:00,659

nuclear silos and where oh where is the

425

00:23:05,570 --> 00:23:03,299

military during all of this do we not

426
00:23:08,270 --> 00:23:05,580
have the capability of shooting

427
00:23:10,490 --> 00:23:08,280
drones down do we not have the

428
00:23:13,250 --> 00:23:10,500
capability of shooting a balloon down

429
00:23:15,350 --> 00:23:13,260
well yes of course we do

430
00:23:17,510 --> 00:23:15,360
but for reasons unknown the United

431
00:23:20,110 --> 00:23:17,520
States government has not

432
00:23:23,750 --> 00:23:20,120
I would say aggressively

433
00:23:26,450 --> 00:23:23,760
engaged these incursions into our

434
00:23:28,850 --> 00:23:26,460
sensitive airspace leaving me to

435
00:23:32,270 --> 00:23:28,860
question why

436
00:23:33,830 --> 00:23:32,280
it makes no sense that you would allow

437
00:23:35,810 --> 00:23:33,840
foreign power

438
00:23:39,890 --> 00:23:35,820

to actively

439

00:23:41,950 --> 00:23:39,900

test our military capability like this

440

00:23:46,010 --> 00:23:41,960

interestingly

441

00:23:49,850 --> 00:23:46,020

reports are that President Biden told

442

00:23:52,789 --> 00:23:49,860

them to shoot it down January 28th but

443

00:23:55,789 --> 00:23:52,799

we did not do so for fear of Civilian

444

00:23:56,870 --> 00:23:55,799

casualties should it be shot down now I

445

00:24:00,289 --> 00:23:56,880

don't know if you've ever been to

446

00:24:03,470 --> 00:24:00,299

Montana but I have and uh there are

447

00:24:06,649 --> 00:24:03,480

Miles tens of miles of corn fields and

448

00:24:08,330 --> 00:24:06,659

Farms everywhere not a very super

449

00:24:11,570 --> 00:24:08,340

populated area

450

00:24:13,310 --> 00:24:11,580

so I for one am puzzled as to why they

451
00:24:17,930 --> 00:24:13,320
did not shoot it down

452
00:24:20,029 --> 00:24:17,940
immediately upon its detection

453
00:24:21,950 --> 00:24:20,039
one might also ask themselves why wasn't

454
00:24:25,070 --> 00:24:21,960
a shot down while it was over Alaskan

455
00:24:28,190 --> 00:24:25,080
airspace that's our airspace

456
00:24:29,630 --> 00:24:28,200
they could see where it was heading it

457
00:24:33,409 --> 00:24:29,640
was heading towards the United States

458
00:24:36,770 --> 00:24:33,419
was it detected over Alaska or not

459
00:24:39,710 --> 00:24:36,780
and what about our friends the Canadians

460
00:24:43,010 --> 00:24:39,720
why would the Canadians

461
00:24:47,210 --> 00:24:43,020
detect and realize that there was a spy

462
00:24:49,130 --> 00:24:47,220
balloon from a hostile foreign Nation to

463
00:24:51,770 --> 00:24:49,140

the United States and Canada flying over

464

00:24:54,409 --> 00:24:51,780

its airspace heading into its allies

465

00:24:57,950 --> 00:24:54,419

airspace and not notify us

466

00:25:00,710 --> 00:24:57,960

why would they not shoot it down

467

00:25:05,270 --> 00:25:00,720

what I'm left with when examining this

468

00:25:08,450 --> 00:25:05,280

situation is more questions than answers

469

00:25:12,950 --> 00:25:08,460

now let's get into the use of balloons

470

00:25:15,590 --> 00:25:12,960

as a weapons delivery platform because

471

00:25:20,510 --> 00:25:15,600

you might be surprised to know

472

00:25:22,370 --> 00:25:20,520

uh that there were during World War II

473

00:25:23,510 --> 00:25:22,380

um there were something called balloon

474

00:25:24,950 --> 00:25:23,520

bombs

475

00:25:27,830 --> 00:25:24,960

and

476
00:25:29,930 --> 00:25:27,840
people in the United States were killed

477
00:25:31,970 --> 00:25:29,940
uh

478
00:25:33,169 --> 00:25:31,980
people in the United States were once

479
00:25:34,850 --> 00:25:33,179
killed

480
00:25:37,850 --> 00:25:34,860
the only people to die on the United

481
00:25:41,950 --> 00:25:37,860
States soil during World War II were

482
00:25:46,430 --> 00:25:44,450
these balloon bombs were released from

483
00:25:47,690 --> 00:25:46,440
Japan

484
00:25:54,169 --> 00:25:47,700
and

485
00:25:56,810 --> 00:25:54,179
not only did they make it there

486
00:26:00,590 --> 00:25:56,820
some of them were successful in killing

487
00:26:04,190 --> 00:26:00,600
United States citizens so a balloon

488
00:26:06,830 --> 00:26:04,200

is a proven weapons platform

489

00:26:09,590 --> 00:26:06,840

making this whole situation further

490

00:26:12,230 --> 00:26:09,600

troubling and when we get into the

491

00:26:14,870 --> 00:26:12,240

history of these Japanese balloon bombs

492

00:26:16,850 --> 00:26:14,880

this situation with the this Chinese

493

00:26:19,870 --> 00:26:16,860

balloon getting through our air defenses

494

00:26:22,250 --> 00:26:19,880

becomes even more

495

00:26:24,890 --> 00:26:22,260

questionable because we're supposed to

496

00:26:26,750 --> 00:26:24,900

have defenses in place since these World

497

00:26:28,490 --> 00:26:26,760

War II balloon bombs

498

00:26:30,890 --> 00:26:28,500

so during World War II the Japanese

499

00:26:32,990 --> 00:26:30,900

developed an unusual weapon to attack

500

00:26:35,029 --> 00:26:33,000

the United States it was called the

501
00:26:38,510 --> 00:26:35,039
balloon bomb commonly

502
00:26:39,590 --> 00:26:38,520
the balloon bomb also known as the fugo

503
00:26:43,549 --> 00:26:39,600
weapon

504
00:26:46,850 --> 00:26:43,559
was designed to cross the Pacific Ocean

505
00:26:49,070 --> 00:26:46,860
and cause destruction on the mainland of

506
00:26:51,649 --> 00:26:49,080
the United States the idea of using

507
00:26:53,810 --> 00:26:51,659
balloons as weapons of war was first

508
00:26:57,110 --> 00:26:53,820
proposed by Japanese scientists and

509
00:26:59,210 --> 00:26:57,120
inventor haidito akatawa

510
00:27:01,070 --> 00:26:59,220
he believed that the balloon bomb could

511
00:27:03,130 --> 00:27:01,080
be used to deliver bombs in other

512
00:27:06,470 --> 00:27:03,140
destructive devices to the United States

513
00:27:09,950 --> 00:27:06,480

bypassing the strong Naval and air power

514

00:27:11,930 --> 00:27:09,960

that was guarding the coast in 1944 the

515

00:27:14,330 --> 00:27:11,940

Japanese Imperial Navy began the

516

00:27:16,370 --> 00:27:14,340

production of balloon bombs which were

517

00:27:19,250 --> 00:27:16,380

made from paper and rubber and filled

518

00:27:21,110 --> 00:27:19,260

with hydrogen gas the balloon bombs were

519

00:27:23,210 --> 00:27:21,120

launched from Japan and carried across

520

00:27:25,610 --> 00:27:23,220

the Pacific Ocean by prevailing winds

521

00:27:27,890 --> 00:27:25,620

they were equipped with a filming

522

00:27:30,409 --> 00:27:27,900

mechanism that would release

523

00:27:32,930 --> 00:27:30,419

excuse me they were equipped with a

524

00:27:35,029 --> 00:27:32,940

timing mechanism that would release the

525

00:27:38,570 --> 00:27:35,039

bombs and destroy the balloon when it

526

00:27:40,850 --> 00:27:38,580

reached its predetermined altitude it

527

00:27:43,250 --> 00:27:40,860

was estimated that about 9 000 balloon

528

00:27:45,049 --> 00:27:43,260

bombs were launched by the Japanese but

529

00:27:46,490 --> 00:27:45,059

only a small percentage of them actually

530

00:27:49,130 --> 00:27:46,500

reached the mainland of the United

531

00:27:52,610 --> 00:27:50,930

despite the low success rate the

532

00:27:54,649 --> 00:27:52,620

Japanese balloon bombs caused

533

00:27:56,930 --> 00:27:54,659

significant damage and panic in the

534

00:27:58,549 --> 00:27:56,940

United States in the months following

535

00:27:59,510 --> 00:27:58,559

their launch reports of the balloon

536

00:28:01,430 --> 00:27:59,520

bombs

537

00:28:03,649 --> 00:28:01,440

to reach the mainland and the government

538

00:28:05,870 --> 00:28:03,659

issued learnings to the public to be

539

00:28:08,090 --> 00:28:05,880

cautious of any strange objects they

540

00:28:09,950 --> 00:28:08,100

might encounter the first reported

541

00:28:11,990 --> 00:28:09,960

incident of balloon bombs was in Oregon

542

00:28:14,269 --> 00:28:12,000

where a woman and five children were

543

00:28:16,430 --> 00:28:14,279

killed while attempting to retrieve a

544

00:28:19,310 --> 00:28:16,440

balloon that had landed in a nearby

545

00:28:21,169 --> 00:28:19,320

Field the U.S military was concerned

546

00:28:22,909 --> 00:28:21,179

about the potential threat posed by the

547

00:28:25,730 --> 00:28:22,919

balloon bombs and launched a secret

548

00:28:27,710 --> 00:28:25,740

operation to locate and disarm them

549

00:28:29,630 --> 00:28:27,720

the military worked with the office of

550

00:28:32,750 --> 00:28:29,640

War information in the Federal Bureau of

551
00:28:36,169 --> 00:28:32,760
Investigation to conceal the threat from

552
00:28:38,090 --> 00:28:36,179
the public so here we see a long history

553
00:28:40,430 --> 00:28:38,100
of the United States government lying to

554
00:28:41,930 --> 00:28:40,440
us about balloons and their Potential

555
00:28:44,570 --> 00:28:41,940
Threat

556
00:28:46,669 --> 00:28:44,580
the operation was referred to as the

557
00:28:48,890 --> 00:28:46,679
balloon project the military also worked

558
00:28:50,990 --> 00:28:48,900
with civilian defense Council to

559
00:28:55,250 --> 00:28:51,000
organize volunteers to search for the

560
00:28:58,909 --> 00:28:57,049
but despite the efforts of the military

561
00:29:02,390 --> 00:28:58,919
the balloon bombs continued to cause

562
00:29:04,430 --> 00:29:02,400
damage and panic in one incident a

563
00:29:06,710 --> 00:29:04,440

balloon bomb exploded over a church in

564

00:29:08,570 --> 00:29:06,720

California causing significant damage to

565

00:29:11,930 --> 00:29:08,580

the building and injuring several people

566

00:29:13,970 --> 00:29:11,940

and another interest incident a balloon

567

00:29:14,990 --> 00:29:13,980

bomb was found in the mountains of

568

00:29:19,130 --> 00:29:15,000

Colorado

569

00:29:21,470 --> 00:29:19,140

where it had caused a small forest fire

570

00:29:23,149 --> 00:29:21,480

the Japanese balloon bomb campaign was

571

00:29:25,789 --> 00:29:23,159

short-lived and by the end of the war

572

00:29:28,130 --> 00:29:25,799

the threat had diminished never the

573

00:29:29,930 --> 00:29:28,140

nevertheless the balloon bombs remain an

574

00:29:33,049 --> 00:29:29,940

interesting and unusual weapon of World

575

00:29:35,750 --> 00:29:33,059

War II and a reminder of the creative

576

00:29:37,909 --> 00:29:35,760

and Innovative methods that the Japanese

577

00:29:39,350 --> 00:29:37,919

used in their attempts to defeat the

578

00:29:41,389 --> 00:29:39,360

United States

579

00:29:43,250 --> 00:29:41,399

the Japanese balloon bombs were a unique

580

00:29:44,870 --> 00:29:43,260

and Innovative weapon that caused

581

00:29:46,490 --> 00:29:44,880

significant damage and panic in the

582

00:29:48,889 --> 00:29:46,500

United States during World War II

583

00:29:50,690 --> 00:29:48,899

despite the low success rate the balloon

584

00:29:53,210 --> 00:29:50,700

bombs remain an interesting and unusual

585

00:29:55,310 --> 00:29:53,220

chapter in the history of war and a

586

00:29:57,830 --> 00:29:55,320

reminder the creative methods of the

587

00:30:00,409 --> 00:29:57,840

Japanese used

588

00:30:03,950 --> 00:30:00,419

post the balloon bomb program of the

589

00:30:06,830 --> 00:30:03,960

Japanese the United States put in place

590

00:30:10,130 --> 00:30:06,840

new defense mechanisms to stop balloons

591

00:30:12,529 --> 00:30:10,140

or other lighter than air vehicles from

592

00:30:15,649 --> 00:30:12,539

reaching or

593

00:30:18,289 --> 00:30:15,659

penetrating U.S airspace

594

00:30:20,149 --> 00:30:18,299

so after World War II and these balloon

595

00:30:23,269 --> 00:30:20,159

bombs the United States said we can't

596

00:30:26,090 --> 00:30:23,279

let people just fly balloons into our

597

00:30:26,990 --> 00:30:26,100

airspace we have to do something about

598

00:30:29,210 --> 00:30:27,000

this

599

00:30:32,990 --> 00:30:29,220

so again

600

00:30:35,570 --> 00:30:33,000

how on God's green earth the this thing

601
00:30:38,570 --> 00:30:35,580
make its way all the way through Alaska

602
00:30:41,090 --> 00:30:38,580
all the way through Canada then into the

603
00:30:42,769 --> 00:30:41,100
United States and then get to fly

604
00:30:46,549 --> 00:30:42,779
all the way through the United States to

605
00:30:49,789 --> 00:30:46,559
the Atlantic coast before it was indeed

606
00:30:52,370 --> 00:30:49,799
shot down now I'm gonna share my screen

607
00:30:56,210 --> 00:30:52,380
once again because I have uh one of the

608
00:30:58,370 --> 00:30:56,220
I think few high-resolution images

609
00:31:01,310 --> 00:30:58,380
and interesting we have Nikki Nielsen

610
00:31:03,649 --> 00:31:01,320
Nielsen Nikki on Twitter at Nielsen

611
00:31:05,510 --> 00:31:03,659
underscore Nikki says this clear photo

612
00:31:07,610 --> 00:31:05,520
is possible but never in the history of

613
00:31:09,409 --> 00:31:07,620

UFOs have we seen a photo just half as

614

00:31:11,930 --> 00:31:09,419

good as this why is it all fake

615

00:31:14,090 --> 00:31:11,940

seriously why

616

00:31:19,430 --> 00:31:14,100

um and there are various excuses that

617

00:31:23,870 --> 00:31:21,470

as to why this thing was able to

618

00:31:27,169 --> 00:31:23,880

penetrate United States Air Force so

619

00:31:30,289 --> 00:31:27,179

easily and also why so many people were

620

00:31:33,289 --> 00:31:30,299

able to get good high resolution photos

621

00:31:37,250 --> 00:31:33,299

and images of it

622

00:31:40,490 --> 00:31:37,260

what we can see is that this thing has

623

00:31:43,750 --> 00:31:40,500

um I've done an analysis and larger blow

624

00:31:47,510 --> 00:31:43,760

up this thing has some sort of engines

625

00:31:50,330 --> 00:31:47,520

on each tier of this T allowing it to

626
00:31:53,450 --> 00:31:50,340
maneuver meaning that it can be steered

627
00:31:56,149 --> 00:31:53,460
and controlled remotely

628
00:31:58,250 --> 00:31:56,159
this balloon also raises some other

629
00:32:00,950 --> 00:31:58,260
questions like where is this balloon

630
00:32:03,590 --> 00:32:00,960
being controlled from

631
00:32:06,649 --> 00:32:03,600
can they control this thing while

632
00:32:07,610 --> 00:32:06,659
sitting in a military base in the middle

633
00:32:11,210 --> 00:32:07,620
of China

634
00:32:13,850 --> 00:32:11,220
maybe maybe not and if not that raises

635
00:32:16,610 --> 00:32:13,860
further concerns like is there Chinese

636
00:32:19,149 --> 00:32:16,620
spy ships parked off the coast of the

637
00:32:22,970 --> 00:32:19,159
United States some people say there are

638
00:32:24,950 --> 00:32:22,980

who are controlling this balloon while

639

00:32:28,310 --> 00:32:24,960

it went over the United States during

640

00:32:31,490 --> 00:32:28,320

whatever Mission it had

641

00:32:34,010 --> 00:32:31,500

um interesting this is not a normal

642

00:32:35,810 --> 00:32:34,020

weather balloon I've seen many different

643

00:32:38,450 --> 00:32:35,820

weather balloons including balloons that

644

00:32:43,669 --> 00:32:38,460

include instrument packages this appears

645

00:32:46,269 --> 00:32:43,679

to be uh much much more advanced

646

00:32:50,210 --> 00:32:46,279

weather balloons generally do not have

647

00:32:54,230 --> 00:32:50,220

uh the capability to maneuver

648

00:32:56,210 --> 00:32:54,240

this thing is uh something else

649

00:32:57,830 --> 00:32:56,220

and interesting

650

00:33:00,769 --> 00:32:57,840

that it has

651
00:33:03,409 --> 00:33:00,779
a great deal of capability and I believe

652
00:33:06,409 --> 00:33:03,419
that we're going to see more or hear

653
00:33:10,850 --> 00:33:06,419
more about this balloon's capability

654
00:33:13,549 --> 00:33:10,860
as more information comes out about this

655
00:33:16,610 --> 00:33:13,559
whole situation so let me know in the

656
00:33:19,310 --> 00:33:16,620
live chat what do you think why was this

657
00:33:21,529 --> 00:33:19,320
thing allowed to just fly over the

658
00:33:25,549 --> 00:33:21,539
United States and now

659
00:33:28,549 --> 00:33:25,559
uh also I wanted to get into some of the

660
00:33:30,169 --> 00:33:28,559
other implications because when we get

661
00:33:32,330 --> 00:33:30,179
to the UFO world

662
00:33:35,630 --> 00:33:32,340
this thing is shedding light on an awful

663
00:33:37,430 --> 00:33:35,640

lot of awful lot of things

664

00:33:39,889 --> 00:33:37,440

um

665

00:33:41,570 --> 00:33:39,899

here is an excellent tweet from Stephen

666

00:33:44,149 --> 00:33:41,580

Green Street

667

00:33:46,610 --> 00:33:44,159

uh smaller balloons detected off the

668

00:33:49,250 --> 00:33:46,620

coast of Virginia where Chinese radar

669

00:33:51,289 --> 00:33:49,260

jamming devices the media previously

670

00:33:53,210 --> 00:33:51,299

reported UFOs of Virginia that looked

671

00:33:55,370 --> 00:33:53,220

like a cube within a sphere remember

672

00:33:59,330 --> 00:33:55,380

that UFO thing the cube within the

673

00:34:02,029 --> 00:33:59,340

sphere yeah well apparently uh

674

00:34:05,330 --> 00:34:02,039

those were radar reflectors so once

675

00:34:08,389 --> 00:34:05,340

again Jeremy Corbell and George Knapp

676
00:34:10,310 --> 00:34:08,399
get the story 100 wrong are you

677
00:34:14,869 --> 00:34:10,320
listening now

678
00:34:18,530 --> 00:34:14,879
Jeremy Corbell you made me do this to

679
00:34:21,409 --> 00:34:18,540
you this uh Prophet these profiteering

680
00:34:25,070 --> 00:34:21,419
huckstering losers will take anything

681
00:34:28,190 --> 00:34:25,080
any chance they can and report it as it

682
00:34:29,510 --> 00:34:28,200
must be aliens essentially in order to

683
00:34:33,349 --> 00:34:29,520
make money

684
00:34:35,810 --> 00:34:33,359
but eventually their stories just like

685
00:34:38,510 --> 00:34:35,820
the Bob Lazar Story come crashing down

686
00:34:41,750 --> 00:34:38,520
smashing down around them when the truth

687
00:34:45,290 --> 00:34:41,760
comes out so essentially

688
00:34:51,169 --> 00:34:47,570

I wanted to show you before we get into

689

00:34:53,629 --> 00:34:51,179

it what a radar what these radar jammers

690

00:34:55,550 --> 00:34:53,639

or radar reflectors look like

691

00:34:58,670 --> 00:34:55,560

remember

692

00:35:01,010 --> 00:34:58,680

a circle within a sphere oh this has got

693

00:35:04,250 --> 00:35:01,020

to be aliens it's a circle within a

694

00:35:07,430 --> 00:35:04,260

sphere or a sphere within a circle

695

00:35:09,530 --> 00:35:07,440

uh various things look like a cube

696

00:35:12,530 --> 00:35:09,540

within a sphere yeah

697

00:35:17,510 --> 00:35:12,540

uh that's a radar jammer

698

00:35:20,270 --> 00:35:17,520

and I have uh even better than a drawing

699

00:35:22,370 --> 00:35:20,280

I have actual images of what those

700

00:35:25,970 --> 00:35:22,380

things look like and these are things

701
00:35:29,030 --> 00:35:25,980
that Jeremy Corbell and uh Georgia Knapp

702
00:35:30,470 --> 00:35:29,040
were claiming were essentially UFOs that

703
00:35:33,829 --> 00:35:30,480
were being reported

704
00:35:36,890 --> 00:35:33,839
this is inflatable radar reflector and

705
00:35:37,730 --> 00:35:36,900
again it appears to be a cube within a

706
00:35:39,290 --> 00:35:37,740
sphere

707
00:35:43,010 --> 00:35:39,300
here's another one

708
00:35:45,109 --> 00:35:43,020
much more pronounced here and easy to

709
00:35:48,349 --> 00:35:45,119
say wow this is something strange or

710
00:35:51,910 --> 00:35:48,359
unidentified right

711
00:35:55,310 --> 00:35:51,920
yes commercial options available

712
00:35:58,069 --> 00:35:55,320
although these are smaller in size

713
00:36:01,010 --> 00:35:58,079

again these are just some of the things

714

00:36:03,770 --> 00:36:01,020

being seen that UFO profiteering

715

00:36:06,349 --> 00:36:03,780

hucksters like Jeremy Corbell and Bob

716

00:36:07,450 --> 00:36:06,359

Lazar or not Bob Lazar he never talked

717

00:36:10,849 --> 00:36:07,460

about this

718

00:36:13,310 --> 00:36:10,859

like Jeremy Corbell and George Knapp are

719

00:36:17,030 --> 00:36:13,320

huckstering oh somebody saw a cube

720

00:36:21,530 --> 00:36:17,040

within a sphere must be aliens no it's

721

00:36:23,870 --> 00:36:21,540

radar reflectors or it's radar jammers

722

00:36:26,510 --> 00:36:23,880

very very common occurrence apparently

723

00:36:28,670 --> 00:36:26,520

to see these in the sky and they are

724

00:36:32,569 --> 00:36:28,680

being operated by

725

00:36:35,810 --> 00:36:32,579

foreign powers by the Chinese just like

726

00:36:38,410 --> 00:36:35,820

a lot of those videos or images that

727

00:36:42,290 --> 00:36:38,420

Korbel was sharing maybe Chinese drones

728

00:36:46,130 --> 00:36:42,300

and Korbel doesn't care about what it is

729

00:36:49,430 --> 00:36:46,140

he cares about what he can sell you

730

00:36:51,890 --> 00:36:49,440

oh boys pyramid UFOs look great who

731

00:36:54,829 --> 00:36:51,900

cares if it's a camera artifact as long

732

00:36:58,250 --> 00:36:54,839

as he can make some money off of it

733

00:37:00,710 --> 00:36:58,260

and this is a perfect example of Jeremy

734

00:37:04,790 --> 00:37:00,720

Corbell and George nappy in clown shoes

735

00:37:07,730 --> 00:37:04,800

because they reported these uh cubes

736

00:37:09,530 --> 00:37:07,740

within a sphere as aliens or UFOs right

737

00:37:10,790 --> 00:37:09,540

unidentified

738

00:37:12,829 --> 00:37:10,800

and

739

00:37:15,290 --> 00:37:12,839

now we're getting this stunning

740

00:37:19,030 --> 00:37:15,300

Revelation that these are Chinese radar

741

00:37:22,550 --> 00:37:19,040

reflectors and Chinese radar jammers

742

00:37:24,470 --> 00:37:22,560

and this is even being reported in the

743

00:37:28,370 --> 00:37:24,480

mainstream news

744

00:37:31,310 --> 00:37:28,380

so extremely problematic for the for the

745

00:37:34,190 --> 00:37:31,320

UFO huckster Squad like Jeremy Corbell

746

00:37:36,890 --> 00:37:34,200

and and George Knapp by the way YouTube

747

00:37:41,690 --> 00:37:36,900

clowns have a podcast now are you gonna

748

00:37:44,030 --> 00:37:41,700

apologize for being wrong about this one

749

00:37:46,490 --> 00:37:44,040

did they ever apologize for being wrong

750

00:37:48,829 --> 00:37:46,500

about Bob Lazar

751
00:37:50,870 --> 00:37:48,839
has Jeremy Corbell

752
00:37:55,670 --> 00:37:50,880
has he apologized for being wrong about

753
00:38:01,430 --> 00:37:58,670
did Korbelt and Knapp apologize for being

754
00:38:03,589 --> 00:38:01,440
wrong about the Batman balloon

755
00:38:04,430 --> 00:38:03,599
are they going to apologize about this

756
00:38:08,530 --> 00:38:04,440
one

757
00:38:12,050 --> 00:38:08,540
they got it incredibly wrong again again

758
00:38:15,290 --> 00:38:12,060
and you know at some point we really

759
00:38:18,890 --> 00:38:15,300
have to ask ourselves do they care about

760
00:38:20,930 --> 00:38:18,900
the truth at all or will they take any

761
00:38:24,310 --> 00:38:20,940
opportunity whether it's a radar

762
00:38:29,270 --> 00:38:24,320
reflecting balloon or a spy balloon or a

763
00:38:31,849 --> 00:38:29,280

Chinese drones or just you know

764

00:38:34,790 --> 00:38:31,859

commercial drones

765

00:38:37,069 --> 00:38:34,800

they will use any opportunity they can

766

00:38:39,970 --> 00:38:37,079

to sell you a story about UFOs and

767

00:38:43,550 --> 00:38:39,980

aliens they do zero investigatory work

768

00:38:45,710 --> 00:38:43,560

zero actual Research into what the

769

00:38:48,890 --> 00:38:45,720

sighting could be they just jump

770

00:38:51,470 --> 00:38:48,900

straight to UFOs and aliens right

771

00:38:53,150 --> 00:38:51,480

because that's where the money is that

772

00:38:54,950 --> 00:38:53,160

is where the money is there's no money

773

00:38:57,290 --> 00:38:54,960

in saying wow we're seeing people are

774

00:38:59,930 --> 00:38:57,300

seeing UFOs that appear to be a cube

775

00:39:01,550 --> 00:38:59,940

within a sphere and then doing research

776

00:39:04,430 --> 00:39:01,560

and finding out that those are typical

777

00:39:07,250 --> 00:39:04,440

configurations of radar jammers or radar

778

00:39:10,069 --> 00:39:07,260

reflectors by the way I mentioned this

779

00:39:12,470 --> 00:39:10,079

as a possibility back then and I got

780

00:39:15,109 --> 00:39:12,480

attacked viciously for it now it seems

781

00:39:17,089 --> 00:39:15,119

that I get to be Vindicated I was right

782

00:39:19,310 --> 00:39:17,099

others were right that saw this

783

00:39:21,050 --> 00:39:19,320

situation for what it was at the time

784

00:39:24,829 --> 00:39:21,060

Corbell

785

00:39:26,270 --> 00:39:24,839

and that rushing to the alien

786

00:39:28,609 --> 00:39:26,280

explanation

787

00:39:30,290 --> 00:39:28,619

a little too quick right because that's

788

00:39:32,870 --> 00:39:30,300

where the money is go on get the money

789

00:39:34,430 --> 00:39:32,880

and run Jeremy Corbell go on get the

790

00:39:36,710 --> 00:39:34,440

money and run George Knapp you were

791

00:39:38,569 --> 00:39:36,720

wrong again

792

00:39:41,870 --> 00:39:38,579

and this is from

793

00:39:44,270 --> 00:39:41,880

an article in Politico

794

00:39:47,089 --> 00:39:44,280

Biden Administration offers to break

795

00:39:49,730 --> 00:39:47,099

brief Trump officials on past Chinese

796

00:39:51,650 --> 00:39:49,740

spy balloon incursions the Biden

797

00:39:53,990 --> 00:39:51,660

Administration is willing to brief

798

00:39:55,910 --> 00:39:54,000

former Trump officials on newly

799

00:39:58,130 --> 00:39:55,920

discovered intelligence the China sent

800

00:40:00,950 --> 00:39:58,140

spyballoons into U.S airspace during

801
00:40:04,490 --> 00:40:00,960
their time in charge

802
00:40:07,550 --> 00:40:04,500
and by the way why are we just now

803
00:40:11,810 --> 00:40:10,010
the offer described by a senior Biden

804
00:40:14,030 --> 00:40:11,820
Administration officials on Sunday Night

805
00:40:15,470 --> 00:40:14,040
Comes as former president Donald Trump

806
00:40:17,390 --> 00:40:15,480
and senior members of his National

807
00:40:19,670 --> 00:40:17,400
Security team

808
00:40:23,030 --> 00:40:19,680
say they were never briefed on such an

809
00:40:25,910 --> 00:40:23,040
incursion by Beijing sent aircraft this

810
00:40:29,089 --> 00:40:25,920
information was discovered after the

811
00:40:31,069 --> 00:40:29,099
prior Administration left so apparently

812
00:40:32,810 --> 00:40:31,079
Trump's talking all kinds of smack about

813
00:40:35,270 --> 00:40:32,820

this would never have happened under my

814

00:40:37,190 --> 00:40:35,280

watch and meanwhile

815

00:40:39,230 --> 00:40:37,200

it's come to light that there was some

816

00:40:41,030 --> 00:40:39,240

three spy balloons over the United

817

00:40:42,890 --> 00:40:41,040

States or incursions in the United

818

00:40:46,609 --> 00:40:42,900

States airspace during the Trump

819

00:40:50,329 --> 00:40:48,050

uh

820

00:40:52,490 --> 00:40:50,339

the intelligence Community is prepared

821

00:40:54,530 --> 00:40:52,500

to offer key officials from the Trump

822

00:40:56,329 --> 00:40:54,540

Administration briefings on China's

823

00:40:57,890 --> 00:40:56,339

surveillance program one of the

824

00:40:59,810 --> 00:40:57,900

officials said the official along with

825

00:41:03,349 --> 00:40:59,820

several others asked not to be named in

826

00:41:06,170 --> 00:41:03,359

order to discuss sensitive information

827

00:41:08,390 --> 00:41:06,180

so essentially maybe just to shut up

828

00:41:11,150 --> 00:41:08,400

Trump who's essentially you know

829

00:41:13,970 --> 00:41:11,160

claiming that uh Biden is an idiot and

830

00:41:16,609 --> 00:41:13,980

that might be true or a weakling and

831

00:41:17,750 --> 00:41:16,619

again that might be true so Trump is

832

00:41:19,190 --> 00:41:17,760

saying that he would have shot it down

833

00:41:20,569 --> 00:41:19,200

right away this never would have

834

00:41:24,950 --> 00:41:20,579

happened apparently it happened three

835

00:41:31,670 --> 00:41:29,690

okay and someone says I'm not aware of a

836

00:41:33,290 --> 00:41:31,680

single civilian National Security leader

837

00:41:34,550 --> 00:41:33,300

from the Trump Administration who heard

838

00:41:37,490 --> 00:41:34,560

of this the Trump Administration

839

00:41:39,349 --> 00:41:37,500

National Security official says but the

840

00:41:40,730 --> 00:41:39,359

difference between past instances and

841

00:41:42,770 --> 00:41:40,740

this one from last week defense

842

00:41:44,630 --> 00:41:42,780

Department officials said is that those

843

00:41:46,490 --> 00:41:44,640

balloons never stayed above U.S

844

00:41:47,810 --> 00:41:46,500

territory for a significant amount of

845

00:41:50,030 --> 00:41:47,820

time

846

00:41:51,710 --> 00:41:50,040

when pressed for specifics such as the

847

00:41:54,290 --> 00:41:51,720

date location and duration of these

848

00:41:56,109 --> 00:41:54,300

instances Biden Administration officials

849

00:41:59,030 --> 00:41:56,119

refused to provide them to politco

850

00:42:00,410 --> 00:41:59,040

citing the classified nature of that

851
00:42:02,750 --> 00:42:00,420
information

852
00:42:05,930 --> 00:42:02,760
some officials did speak in generalities

853
00:42:07,609 --> 00:42:05,940
however DOD tracks hundreds of balloons

854
00:42:10,670 --> 00:42:07,619
every day but they're typically not

855
00:42:13,069 --> 00:42:10,680
deemed a threat their presence close to

856
00:42:14,690 --> 00:42:13,079
or over the United States would not be

857
00:42:16,370 --> 00:42:14,700
brought to the attention of senior

858
00:42:18,890 --> 00:42:16,380
leaders unless their behavior was

859
00:42:21,589 --> 00:42:18,900
completely out of the ordinary

860
00:42:22,609 --> 00:42:21,599
this one said the senior Pentagon

861
00:42:25,190 --> 00:42:22,619
official

862
00:42:26,930 --> 00:42:25,200
so it would appear that we've had three

863
00:42:29,270 --> 00:42:26,940

right

864

00:42:31,430 --> 00:42:29,280

they go on to say we've gotten better at

865

00:42:33,230 --> 00:42:31,440

detection over time senior Biden

866

00:42:34,970 --> 00:42:33,240

Administration official says noting that

867

00:42:36,650 --> 00:42:34,980

those responsible for surveilling

868

00:42:38,170 --> 00:42:36,660

Chinese spy balloons can remain in

869

00:42:40,849 --> 00:42:38,180

government even when a new president

870

00:42:42,290 --> 00:42:40,859

even with a new president in the Oval

871

00:42:44,450 --> 00:42:42,300

Office

872

00:42:46,670 --> 00:42:44,460

before abiding administration's new

873

00:42:48,290 --> 00:42:46,680

offer Trump officials denied any of this

874

00:42:50,270 --> 00:42:48,300

ever happened I don't ever recall

875

00:42:52,190 --> 00:42:50,280

somebody coming to my office or reading

876

00:42:53,750 --> 00:42:52,200

anything that the Chinese had a

877

00:42:55,910 --> 00:42:53,760

surveillance balloon above the United

878

00:42:59,030 --> 00:42:55,920

States Trump's second defense secretary

879

00:43:00,589 --> 00:42:59,040

Mark esper told CNN on Friday this never

880

00:43:02,569 --> 00:43:00,599

happened in the first two years of the

881

00:43:05,510 --> 00:43:02,579

Trump Administration a former DOD

882

00:43:11,690 --> 00:43:07,730

a senior Trump intelligence

883

00:43:14,210 --> 00:43:11,700

said nothing like that ever transpired

884

00:43:15,950 --> 00:43:14,220

over the past week happened during all

885

00:43:17,950 --> 00:43:15,960

four years of my previous of the

886

00:43:20,390 --> 00:43:17,960

previous Administrations

887

00:43:21,829 --> 00:43:20,400

Biden's administration of no given no

888

00:43:24,470 --> 00:43:21,839

indication that it will downgrade

889

00:43:26,329 --> 00:43:24,480

intelligence to make a public case that

890

00:43:28,730 --> 00:43:26,339

there were past examples of Chinese spy

891

00:43:32,510 --> 00:43:28,740

balloons above the U.S from 2017 to

892

00:43:35,450 --> 00:43:32,520

2021. so what we have here is a stunning

893

00:43:37,550 --> 00:43:35,460

admission that there were past examples

894

00:43:40,910 --> 00:43:37,560

of Chinese five balloons above the U.S

895

00:43:43,250 --> 00:43:40,920

from 2017 to 2021.

896

00:43:44,990 --> 00:43:43,260

and now what we're being told is that

897

00:43:47,750 --> 00:43:45,000

even the president wasn't told about

898

00:43:50,089 --> 00:43:47,760

this in the previous administration and

899

00:43:51,290 --> 00:43:50,099

we are just now hearing about this when

900

00:43:53,270 --> 00:43:51,300

apparently

901
00:43:57,109 --> 00:43:53,280
there was Chinese five balloons above

902
00:44:02,690 --> 00:44:00,650
so what we have here is quite an

903
00:44:06,230 --> 00:44:02,700
interesting connection to the UFO

904
00:44:09,410 --> 00:44:06,240
Community because uh one might ask

905
00:44:12,109 --> 00:44:09,420
themselves then how many of these UFO

906
00:44:14,870 --> 00:44:12,119
sightings that we have been getting you

907
00:44:18,050 --> 00:44:14,880
know rammed in our throats by UFO

908
00:44:21,349 --> 00:44:18,060
profiteering hucksters were in fact

909
00:44:23,210 --> 00:44:21,359
balloons Chinese spy balloons and if

910
00:44:25,370 --> 00:44:23,220
even the Trump Administration didn't

911
00:44:27,349 --> 00:44:25,380
know they were Chinese spy balloons I

912
00:44:29,870 --> 00:44:27,359
highly doubt that UFO profiteering

913
00:44:32,270 --> 00:44:29,880

hucksters wanting to make money off of

914

00:44:35,170 --> 00:44:32,280

the True Believers claiming everything

915

00:44:37,609 --> 00:44:35,180

that they see in the sky must be aliens

916

00:44:38,630 --> 00:44:37,619

knew that these were Chinese spy

917

00:44:42,349 --> 00:44:38,640

balloons

918

00:44:44,990 --> 00:44:42,359

they were reported as other things so

919

00:44:48,710 --> 00:44:45,000

how many of these UFO stories that we

920

00:44:53,450 --> 00:44:48,720

have been getting since 2016 are indeed

921

00:44:58,130 --> 00:44:53,460

actually just balloons I would suspect a

922

00:45:01,970 --> 00:44:58,140

very good number of them in fact

923

00:45:05,210 --> 00:45:01,980

so uh let me know what you think in the

924

00:45:09,349 --> 00:45:05,220

comments are uh

925

00:45:13,190 --> 00:45:09,359

are these Chinese spy balloons

926
00:45:15,470 --> 00:45:13,200
does this mean that a lot of you UFO

927
00:45:18,230 --> 00:45:15,480
sightings

928
00:45:20,710 --> 00:45:18,240
uh are indeed

929
00:45:23,270 --> 00:45:20,720
that's Chinese spy balloons apparently

930
00:45:26,750 --> 00:45:23,280
there's quite a lot of them we know

931
00:45:29,329 --> 00:45:26,760
about at least five

932
00:45:32,390 --> 00:45:29,339
Chinese spy balloons

933
00:45:35,210 --> 00:45:32,400
over the continental United States in

934
00:45:38,210 --> 00:45:35,220
the past five or six years

935
00:45:42,430 --> 00:45:38,220
why were we never told about that

936
00:45:47,450 --> 00:45:45,230
what is the United States military doing

937
00:45:49,730 --> 00:45:47,460
they can't shoot down these balloons

938
00:45:51,530 --> 00:45:49,740

before they reach

939

00:45:53,510 --> 00:45:51,540

sensitive airspace within the

940

00:45:56,690 --> 00:45:53,520

continental United States why would they

941

00:46:01,250 --> 00:45:56,700

just let them spy on on our country

942

00:46:04,430 --> 00:46:01,260

isn't their job to defend our airspace

943

00:46:06,050 --> 00:46:04,440

all this all of this story is incredibly

944

00:46:09,170 --> 00:46:06,060

troubling but

945

00:46:11,030 --> 00:46:09,180

don't worry it gets even more troubling

946

00:46:14,829 --> 00:46:11,040

uh

947

00:46:18,230 --> 00:46:14,839

when we consider the possibility of a

948

00:46:21,530 --> 00:46:18,240

biological weapons attack launched from

949

00:46:25,790 --> 00:46:21,540

one of these balloons or

950

00:46:27,230 --> 00:46:25,800

I believe possibly worse an EMP attack

951
00:46:30,530 --> 00:46:27,240
launched

952
00:46:32,390 --> 00:46:30,540
from one of these

953
00:46:35,510 --> 00:46:32,400
Chinese balloons

954
00:46:42,410 --> 00:46:39,130
perhaps just perhaps the United the the

955
00:46:44,210 --> 00:46:42,420
CCP the Chinese government they're not

956
00:46:46,250 --> 00:46:44,220
interested in spying on us with these

957
00:46:47,809 --> 00:46:46,260
balloons they're interested in seeing if

958
00:46:49,670 --> 00:46:47,819
they could get balloons over their

959
00:46:54,290 --> 00:46:49,680
targets

960
00:46:57,470 --> 00:46:54,300
and this brings in a horror show of

961
00:47:01,190 --> 00:46:57,480
apocalyptic possibilities coming for us

962
00:47:03,230 --> 00:47:01,200
we see tensions Rising all around the

963
00:47:06,710 --> 00:47:03,240

world between the United States and

964

00:47:08,809 --> 00:47:06,720

Russia between the CCP and the United

965

00:47:17,270 --> 00:47:08,819

States over Taiwan

966

00:47:22,849 --> 00:47:19,430

and who's pulling the strings of course

967

00:47:26,030 --> 00:47:22,859

the military industrial complex the rich

968

00:47:28,970 --> 00:47:26,040

the powerful the elite all of which get

969

00:47:30,710 --> 00:47:28,980

a lot richer during wartime than they do

970

00:47:32,870 --> 00:47:30,720

during peace time

971

00:47:34,670 --> 00:47:32,880

so this is very very troubling but let

972

00:47:37,250 --> 00:47:34,680

me explain something that's even more

973

00:47:40,609 --> 00:47:37,260

troubling and that is the threat of an

974

00:47:42,589 --> 00:47:40,619

EMP attack an EMP or electromagnetic

975

00:47:44,750 --> 00:47:42,599

pulse attack is a type of weapon that

976

00:47:47,690 --> 00:47:44,760

can cause widespread disruption and

977

00:47:49,970 --> 00:47:47,700

disruption to the electronic devices and

978

00:47:52,609 --> 00:47:49,980

infrastructure and the event of an EMP

979

00:47:55,849 --> 00:47:52,619

attack a high intensity burst of

980

00:47:58,130 --> 00:47:55,859

electromagnetic energy would be released

981

00:47:59,990 --> 00:47:58,140

which would Fry Electronics disrupt

982

00:48:01,430 --> 00:48:00,000

Communications and [h__\h] the

983

00:48:04,430 --> 00:48:01,440

electrical grid

984

00:48:06,650 --> 00:48:04,440

an EMP attack on the United States could

985

00:48:09,010 --> 00:48:06,660

have devastating consequences and pose

986

00:48:12,770 --> 00:48:09,020

significant threat to National Security

987

00:48:15,950 --> 00:48:12,780

EMP attacks can be caused by a nuclear

988

00:48:19,069 --> 00:48:15,960

explosion or by a non-nuclear EMP device

989

00:48:21,470 --> 00:48:19,079

a nuclear EMP attack would involve a

990

00:48:22,849 --> 00:48:21,480

nuclear bomb that is detonated high in

991

00:48:25,069 --> 00:48:22,859

the atmosphere

992

00:48:27,530 --> 00:48:25,079

was that Chinese balloon high in the

993

00:48:30,109 --> 00:48:27,540

atmosphere yes it was

994

00:48:32,809 --> 00:48:30,119

do the Chinese government have access to

995

00:48:37,670 --> 00:48:32,819

nuclear weapons yes they do

996

00:48:39,530 --> 00:48:37,680

so this scenario is not only possible I

997

00:48:42,230 --> 00:48:39,540

believe it is very plausible that

998

00:48:44,690 --> 00:48:42,240

they're testing our defense systems to

999

00:48:47,510 --> 00:48:44,700

see if they could get an EMP or perhaps

1000

00:48:51,050 --> 00:48:47,520

a biological weapon deployed over the

1001

00:48:56,450 --> 00:48:54,530

okay so an EMP attack uh would usually

1002

00:48:58,790 --> 00:48:56,460

involve a nuclear bomb that is detonated

1003

00:49:00,950 --> 00:48:58,800

high in the atmosphere it would produce

1004

00:49:03,349 --> 00:49:00,960

a massive burst of electromagnetic

1005

00:49:04,309 --> 00:49:03,359

energy that would spread over a wide

1006

00:49:06,770 --> 00:49:04,319

area

1007

00:49:09,230 --> 00:49:06,780

a non-nuclear EMP device on the other

1008

00:49:11,750 --> 00:49:09,240

hand could be small portable device that

1009

00:49:14,089 --> 00:49:11,760

could be detonated from the ground

1010

00:49:15,650 --> 00:49:14,099

the consequences of an EMP attack on the

1011

00:49:17,510 --> 00:49:15,660

United States would be far-reaching in

1012

00:49:19,670 --> 00:49:17,520

catastrophic the electrical grid would

1013

00:49:21,890 --> 00:49:19,680

be severely impacted with widespread

1014

00:49:24,650 --> 00:49:21,900

power outages that could last for weeks

1015

00:49:26,750 --> 00:49:24,660

months or even years the loss of power

1016

00:49:28,790 --> 00:49:26,760

would also result in the failure of

1017

00:49:31,490 --> 00:49:28,800

critical infrastructure such as water

1018

00:49:34,490 --> 00:49:31,500

treatment plants transportation systems

1019

00:49:36,710 --> 00:49:34,500

and communication Networks

1020

00:49:38,809 --> 00:49:36,720

say goodbye to the internet for sure if

1021

00:49:41,750 --> 00:49:38,819

there's an EMP attack also

1022

00:49:43,450 --> 00:49:41,760

this would have a domino effect leading

1023

00:49:45,710 --> 00:49:43,460

to food and water shortages

1024

00:49:48,170 --> 00:49:45,720

Transportation disruptions and

1025

00:49:50,210 --> 00:49:48,180

widespread chaos in addition to the

1026
00:49:52,609 --> 00:49:50,220
disruption to critical infrastructure

1027
00:49:55,910 --> 00:49:52,619
and EMP attack would also have a

1028
00:49:58,190 --> 00:49:55,920
significant Economic Consequences the

1029
00:49:59,030 --> 00:49:58,200
loss of power would disrupt Commerce and

1030
00:50:01,550 --> 00:49:59,040
trade

1031
00:50:03,589 --> 00:50:01,560
with businesses unable to function and

1032
00:50:04,790 --> 00:50:03,599
Supply chains disrupted or even

1033
00:50:07,430 --> 00:50:04,800
destroyed

1034
00:50:10,550 --> 00:50:07,440
this could lead to widespread job losses

1035
00:50:12,470 --> 00:50:10,560
and severe economic recession the impact

1036
00:50:13,609 --> 00:50:12,480
of the financial on the financial sector

1037
00:50:15,730 --> 00:50:13,619
would be

1038
00:50:19,309 --> 00:50:15,740

significant

1039

00:50:22,430 --> 00:50:19,319

with banks and stock exchanges unable to

1040

00:50:24,410 --> 00:50:22,440

operate and transactions being disrupted

1041

00:50:26,690 --> 00:50:24,420

so during an EMP attack nobody's getting

1042

00:50:29,569 --> 00:50:26,700

any money from the bank the banks are

1043

00:50:31,430 --> 00:50:29,579

essentially gone at that point

1044

00:50:33,829 --> 00:50:31,440

the threat of an EMP attack on the

1045

00:50:36,109 --> 00:50:33,839

United States is real and growing with

1046

00:50:38,150 --> 00:50:36,119

both state and non-state actors having

1047

00:50:40,130 --> 00:50:38,160

the capability of the launch just such

1048

00:50:42,190 --> 00:50:40,140

an attack a number of countries

1049

00:50:45,109 --> 00:50:42,200

including North Korea

1050

00:50:47,390 --> 00:50:45,119

uh and Iran have made significant

1051
00:50:50,030 --> 00:50:47,400
advancements in their nuclear and EMP

1052
00:50:52,430 --> 00:50:50,040
capabilities and the threat of an EMP

1053
00:50:54,589 --> 00:50:52,440
attack is a growing concern for the

1054
00:50:56,390 --> 00:50:54,599
United States government

1055
00:50:58,250 --> 00:50:56,400
to prepare for the threat of an EMP

1056
00:51:00,230 --> 00:50:58,260
attack the U.S government has taken

1057
00:51:03,290 --> 00:51:00,240
steps to harden critical infrastructure

1058
00:51:05,270 --> 00:51:03,300
and improve its resilience this includes

1059
00:51:07,609 --> 00:51:05,280
investing in the development of EMP

1060
00:51:10,130 --> 00:51:07,619
resistant Technologies improving the

1061
00:51:13,250 --> 00:51:10,140
security of the electrical grid and

1062
00:51:16,970 --> 00:51:13,260
conducting simulations and exercises to

1063
00:51:19,250 --> 00:51:16,980

test the Readiness of response agencies

1064

00:51:20,930 --> 00:51:19,260

the government has also worked with the

1065

00:51:22,609 --> 00:51:20,940

private sector to encourage the

1066

00:51:24,650 --> 00:51:22,619

development of EMP resistant

1067

00:51:26,030 --> 00:51:24,660

Technologies and to raise awareness of

1068

00:51:28,790 --> 00:51:26,040

the threat

1069

00:51:31,849 --> 00:51:28,800

so an EMP attack on the United States is

1070

00:51:34,730 --> 00:51:31,859

a real and growing threat

1071

00:51:37,970 --> 00:51:34,740

that could have catastrophic some would

1072

00:51:39,230 --> 00:51:37,980

say apocalyptic consequences the loss of

1073

00:51:41,410 --> 00:51:39,240

power disruption to critical

1074

00:51:44,329 --> 00:51:41,420

infrastructure and economic consequences

1075

00:51:46,370 --> 00:51:44,339

would be far-reaching and long-lasting

1076
00:51:48,829 --> 00:51:46,380
the government must continue to invest

1077
00:51:50,809 --> 00:51:48,839
in the development of EMP resistant

1078
00:51:52,910 --> 00:51:50,819
Technologies and improve its Readiness

1079
00:51:56,210 --> 00:51:52,920
for this type of attack

1080
00:51:59,450 --> 00:51:56,220
so let's just examine for a moment what

1081
00:52:01,790 --> 00:51:59,460
happens during an EMP attack and maybe

1082
00:52:04,130 --> 00:52:01,800
the next time you encounter someone that

1083
00:52:06,349 --> 00:52:04,140
people would call a prepper you'll think

1084
00:52:07,910 --> 00:52:06,359
he's a little less crazy

1085
00:52:10,670 --> 00:52:07,920
so

1086
00:52:13,010 --> 00:52:10,680
the EMP initial attack knocks out the

1087
00:52:15,470 --> 00:52:13,020
power grid it knocks out Communications

1088
00:52:18,290 --> 00:52:15,480

it knocks out the banks it knocks out

1089

00:52:21,829 --> 00:52:18,300

the internet it knocks out power it

1090

00:52:25,390 --> 00:52:21,839

knocks out water pumping you know

1091

00:52:28,670 --> 00:52:25,400

all of us are very used to our very

1092

00:52:31,670 --> 00:52:28,680

modern convenient lives where everything

1093

00:52:35,329 --> 00:52:31,680

is push button we turn on the faucet and

1094

00:52:37,250 --> 00:52:35,339

water comes out but just so you're aware

1095

00:52:40,069 --> 00:52:37,260

all of that is provided through the

1096

00:52:42,890 --> 00:52:40,079

power grid the water has to be pumped

1097

00:52:45,829 --> 00:52:42,900

into those pipes into your home

1098

00:52:47,630 --> 00:52:45,839

treatment plants run on power

1099

00:52:49,370 --> 00:52:47,640

so

1100

00:52:52,790 --> 00:52:49,380

if the water is not treated it's not

1101
00:52:56,630 --> 00:52:52,800
drinkable if there was an EMP attack

1102
00:53:00,829 --> 00:52:56,640
the entire the entirety of human

1103
00:53:06,470 --> 00:53:00,839
existence on in this country would grind

1104
00:53:12,109 --> 00:53:09,589
with Communications disrupted Supply

1105
00:53:15,170 --> 00:53:12,119
Chains would be disrupted with no power

1106
00:53:16,790 --> 00:53:15,180
the supermarkets would be unable to

1107
00:53:19,250 --> 00:53:16,800
store food

1108
00:53:21,890 --> 00:53:19,260
there's only seven days worth of food in

1109
00:53:25,730 --> 00:53:21,900
an average Supermarket for that area

1110
00:53:27,290 --> 00:53:25,740
so after seven days there's no food what

1111
00:53:29,329 --> 00:53:27,300
do you think is going to happen in this

1112
00:53:34,309 --> 00:53:29,339
country if there's no food we would have

1113
00:53:37,730 --> 00:53:34,319

food riots civil unrest mass murder and

1114

00:53:41,150 --> 00:53:37,740

all kinds of apocalyptic scenarios would

1115

00:53:43,069 --> 00:53:41,160

emerge in the event of an EMP attack

1116

00:53:45,349 --> 00:53:43,079

now I for one

1117

00:53:47,809 --> 00:53:45,359

am wondering

1118

00:53:50,210 --> 00:53:47,819

did the United States know for a fact

1119

00:53:53,210 --> 00:53:50,220

that that balloon did not contain an EMP

1120

00:53:55,849 --> 00:53:53,220

weapon in its payload how did they know

1121

00:53:57,650 --> 00:53:55,859

that did they know that where did they

1122

00:54:00,770 --> 00:53:57,660

just think oh it's just a spy balloon

1123

00:54:04,190 --> 00:54:00,780

without confirmation of that

1124

00:54:06,770 --> 00:54:04,200

this Bible of the situation is so

1125

00:54:09,349 --> 00:54:06,780

troubling because

1126
00:54:11,510 --> 00:54:09,359
it could have been an EMP it could have

1127
00:54:13,910 --> 00:54:11,520
been an EMP weapon loaded in that

1128
00:54:16,309 --> 00:54:13,920
payload it could have been a biological

1129
00:54:19,370 --> 00:54:16,319
weapon loaded in that pay in that

1130
00:54:22,490 --> 00:54:19,380
payload now we can say with some degree

1131
00:54:25,250 --> 00:54:22,500
of certainty that was not the case now

1132
00:54:26,569 --> 00:54:25,260
and the payload contained surveillance

1133
00:54:27,829 --> 00:54:26,579
equipment

1134
00:54:29,990 --> 00:54:27,839
still

1135
00:54:32,630 --> 00:54:30,000
I wonder

1136
00:54:36,109 --> 00:54:32,640
how could they be so sure how could they

1137
00:54:40,609 --> 00:54:36,119
let some five Chinese spy balloons just

1138
00:54:46,910 --> 00:54:44,089

now this latest one was destroyed off

1139

00:54:51,530 --> 00:54:46,920

the coast of the Carolinas and uh I of

1140

00:54:53,990 --> 00:54:51,540

course have a video of that we can share

1141

00:54:56,450 --> 00:54:54,000

um but I found it incredibly interesting

1142

00:54:57,829 --> 00:54:56,460

before we do that we we can't forget

1143

00:55:00,829 --> 00:54:57,839

that

1144

00:55:03,470 --> 00:55:00,839

the uh

1145

00:55:12,290 --> 00:55:03,480

we can't forget the wonderful memes at

1146

00:55:30,710 --> 00:55:13,790

yeah

1147

00:55:33,410 --> 00:55:30,720

it's kind of funny to laugh at this

1148

00:55:36,170 --> 00:55:33,420

stuff but

1149

00:55:40,309 --> 00:55:36,180

when I consider that these balloons

1150

00:55:42,770 --> 00:55:40,319

could easily have had another purpose uh

1151
00:55:45,170 --> 00:55:42,780
I'm I'm not laughing I'm not laughing at

1152
00:55:48,650 --> 00:55:45,180
these Chinese balloon incursions over

1153
00:55:50,930 --> 00:55:48,660
sensitive airspace not at all and here

1154
00:55:55,069 --> 00:55:50,940
we can see the moment that the balloon

1155
00:55:57,170 --> 00:55:55,079
was actually oop sorry about that

1156
00:56:00,349 --> 00:55:57,180
why do people always put commercial

1157
00:56:04,670 --> 00:56:02,569
so I apologize no audio but there's the

1158
00:56:08,990 --> 00:56:04,680
moment that the

1159
00:56:13,549 --> 00:56:11,089
and I wonder why they couldn't do that

1160
00:56:16,970 --> 00:56:13,559
before it got

1161
00:56:19,370 --> 00:56:16,980
so far into the United States

1162
00:56:21,049 --> 00:56:19,380
and you know with modern Communications

1163
00:56:23,390 --> 00:56:21,059

capabilities

1164

00:56:26,089 --> 00:56:23,400

they waited until it went off the coast

1165

00:56:28,010 --> 00:56:26,099

to destroy it it already had completed

1166

00:56:31,309 --> 00:56:28,020

its Mission if its mission was indeed

1167

00:56:32,630 --> 00:56:31,319

surveillance and reconnaissance it

1168

00:56:34,089 --> 00:56:32,640

already took all the pictures it was

1169

00:56:37,430 --> 00:56:34,099

going to take over the United States

1170

00:56:39,970 --> 00:56:37,440

Mainland and it was uh flying off the

1171

00:56:43,910 --> 00:56:39,980

coast over the ocean

1172

00:56:47,329 --> 00:56:43,920

and I am told that recovery operations

1173

00:56:50,950 --> 00:56:47,339

are proceeding they're trying to recover

1174

00:56:54,710 --> 00:56:50,960

as much of the payload of this balloon

1175

00:56:58,910 --> 00:56:54,720

as they possibly can before continuing

1176
00:57:00,890 --> 00:56:58,920
on uh you know the I suppose journey to

1177
00:57:02,870 --> 00:57:00,900
figure out what the mission here was

1178
00:57:04,190 --> 00:57:02,880
what was the mission

1179
00:57:07,069 --> 00:57:04,200
and again

1180
00:57:09,530 --> 00:57:07,079
I just want to stress that it's very

1181
00:57:12,410 --> 00:57:09,540
important that we consider that the CCP

1182
00:57:14,569 --> 00:57:12,420
has incredible spy satellites as good or

1183
00:57:17,390 --> 00:57:14,579
better than the United States they don't

1184
00:57:21,049 --> 00:57:17,400
need to launch balloons to do

1185
00:57:23,270 --> 00:57:21,059
surveillance of you know military bases

1186
00:57:25,849 --> 00:57:23,280
in the United States

1187
00:57:30,230 --> 00:57:25,859
so let me know what you think of the

1188
00:57:35,930 --> 00:57:33,770

could we be in for uh an attack in the

1189

00:57:38,690 --> 00:57:35,940

near future or were they testing their

1190

00:57:40,910 --> 00:57:38,700

attack capabilities to see if they could

1191

00:57:42,530 --> 00:57:40,920

get a balloon over the United States so

1192

00:57:45,770 --> 00:57:42,540

that they could do something like a

1193

00:57:47,329 --> 00:57:45,780

biological weapons attack or and some

1194

00:57:50,030 --> 00:57:47,339

would argue they've already done that to

1195

00:57:51,349 --> 00:57:50,040

us but you know we don't talk about that

1196

00:57:52,130 --> 00:57:51,359

here

1197

00:57:54,650 --> 00:57:52,140

um

1198

00:57:56,930 --> 00:57:54,660

very very easily

1199

00:57:58,910 --> 00:57:56,940

and you know I I don't know I'm just

1200

00:58:00,829 --> 00:57:58,920

puzzled that we let this thing just fly

1201
00:58:02,690 --> 00:58:00,839
over the whole United States before we

1202
00:58:05,450 --> 00:58:02,700
shot it down

1203
00:58:07,069 --> 00:58:05,460
does this signal a weakness on our

1204
00:58:09,829 --> 00:58:07,079
military or on our current

1205
00:58:12,109 --> 00:58:09,839
Administration I believe it does we

1206
00:58:17,030 --> 00:58:12,119
should have a zero tolerance policy

1207
00:58:20,030 --> 00:58:17,040
towards foreign powers flying over our

1208
00:58:23,770 --> 00:58:22,010
I I just don't understand not shooting

1209
00:58:25,849 --> 00:58:23,780
it down sooner I don't understand

1210
00:58:27,170 --> 00:58:25,859
essentially they the Biden

1211
00:58:30,230 --> 00:58:27,180
Administration and the United States

1212
00:58:33,290 --> 00:58:30,240
military allowed it to complete whatever

1213
00:58:35,750 --> 00:58:33,300

its mission was fly all the way across

1214

00:58:39,950 --> 00:58:35,760

the United States from the Midwest to

1215

00:58:42,470 --> 00:58:39,960

the Atlantic coast over the Carolinas

1216

00:58:45,470 --> 00:58:42,480

before they did anything

1217

00:58:47,390 --> 00:58:45,480

before they shot it down and why were we

1218

00:58:49,069 --> 00:58:47,400

not told about this when they knew about

1219

00:58:50,750 --> 00:58:49,079

it

1220

00:58:53,569 --> 00:58:50,760

we don't have the right to know that

1221

00:58:57,170 --> 00:58:53,579

there's Chinese surveillance balloon

1222

00:58:59,210 --> 00:58:57,180

flying over our states

1223

00:59:04,010 --> 00:58:59,220

and by the way

1224

00:59:07,250 --> 00:59:04,020

uh conspiracy land is already brimming

1225

00:59:08,950 --> 00:59:07,260

with uh conspiracies

1226
00:59:12,349 --> 00:59:08,960
there is

1227
00:59:15,410 --> 00:59:12,359
uh a lot of information about an

1228
00:59:17,690 --> 00:59:15,420
explosion that happened over Montana

1229
00:59:21,349 --> 00:59:17,700
so some people are saying that there was

1230
00:59:22,069 --> 00:59:21,359
not one spy balloon but many and we have

1231
00:59:26,030 --> 00:59:22,079
to

1232
00:59:27,230 --> 00:59:26,040
keep that open as a possibility after

1233
00:59:29,390 --> 00:59:27,240
all

1234
00:59:31,970 --> 00:59:29,400
I don't believe what the government

1235
00:59:34,609 --> 00:59:31,980
tells us they lie to us every chance

1236
00:59:36,890 --> 00:59:34,619
they get so here's an article woman

1237
00:59:39,230 --> 00:59:36,900
shares video of an explosion in the sky

1238
00:59:41,150 --> 00:59:39,240

above Montana a woman saw what she

1239

00:59:44,270 --> 00:59:41,160

claims was the possible explosion in the

1240

00:59:46,490 --> 00:59:44,280

sky over Billings on Friday February 3rd

1241

00:59:47,390 --> 00:59:46,500

she shared the video of that incident on

1242

00:59:49,130 --> 00:59:47,400

Twitter

1243

00:59:51,589 --> 00:59:49,140

Dolly Moore who lives near the

1244

00:59:54,170 --> 00:59:51,599

intersection of Grand Avenue and Shiloh

1245

00:59:56,329 --> 00:59:54,180

road posted on Twitter that she saw a

1246

00:59:58,430 --> 00:59:56,339

jet go by and then heard what she

1247

01:00:00,890 --> 00:59:58,440

described as an explosion in the sky

1248

01:00:03,650 --> 01:00:00,900

loud noise can be heard in the video but

1249

01:00:07,130 --> 01:00:03,660

it's unclear where it's coming from and

1250

01:00:09,049 --> 01:00:07,140

here we see this uh video here and

1251

01:00:11,930 --> 01:00:09,059

what's interesting about this situation

1252

01:00:14,150 --> 01:00:11,940

is that everybody's denying that there

1253

01:00:16,250 --> 01:00:14,160

was any explosion and we have multiple

1254

01:00:19,250 --> 01:00:16,260

Witnesses with multiple cameras and

1255

01:00:22,849 --> 01:00:19,260

multiple images of an explosion and

1256

01:00:24,829 --> 01:00:22,859

something coming down over Montana

1257

01:00:26,450 --> 01:00:24,839

it's bizarre

1258

01:00:28,309 --> 01:00:26,460

they're just going to deny that this

1259

01:00:30,349 --> 01:00:28,319

happened there's videos of it and not

1260

01:00:34,370 --> 01:00:30,359

just from this woman from multiple

1261

01:00:37,069 --> 01:00:34,380

people explosions over Montana

1262

01:00:39,109 --> 01:00:37,079

some sort of fighter aircraft flying by

1263

01:00:40,490 --> 01:00:39,119

shooting something and then something

1264

01:00:43,910 --> 01:00:40,500

coming down

1265

01:00:46,730 --> 01:00:43,920

but we get nothing but denials from the

1266

01:00:50,870 --> 01:00:46,740

actual government this makes no sense

1267

01:00:54,049 --> 01:00:50,880

whatsoever unless unless there was more

1268

01:00:55,730 --> 01:00:54,059

than one Chinese spy balloon and one of

1269

01:00:58,910 --> 01:00:55,740

them was shot down

1270

01:01:04,370 --> 01:00:58,920

look at that does that look like nothing

1271

01:01:04,380 --> 01:01:09,170

what that was but there

1272

01:01:12,589 --> 01:01:11,870

is a ton of military aircraft in the

1273

01:01:15,650 --> 01:01:12,599

area

1274

01:01:17,390 --> 01:01:15,660

smoke yeah ton of smoke and there's

1275

01:01:18,950 --> 01:01:17,400

military aircraft flying around the

1276

01:01:21,470 --> 01:01:18,960

skies in this area

1277

01:01:23,270 --> 01:01:21,480

over Billings Montana

1278

01:01:25,370 --> 01:01:23,280

which is just a short distance from

1279

01:01:26,750 --> 01:01:25,380

where the Chinese balloon

1280

01:01:28,750 --> 01:01:26,760

was

1281

01:01:31,430 --> 01:01:28,760

first spotted

1282

01:01:32,930 --> 01:01:31,440

city of Billings posted on Twitter we

1283

01:01:36,170 --> 01:01:32,940

are aware of the video shared on Twitter

1284

01:01:38,390 --> 01:01:36,180

and claims of a massive explosion over

1285

01:01:40,430 --> 01:01:38,400

Billings however our Police Department

1286

01:01:42,349 --> 01:01:40,440

fire and Airport have not been called to

1287

01:01:44,450 --> 01:01:42,359

any incidents related to this video and

1288

01:01:46,730 --> 01:01:44,460

there haven't been any plane crashes

1289

01:01:48,950 --> 01:01:46,740

picked up on radar

1290

01:01:50,809 --> 01:01:48,960

while authorities have confirmed the

1291

01:01:52,250 --> 01:01:50,819

balloon left Montana and was seen in the

1292

01:01:54,589 --> 01:01:52,260

midwest part of the country on Friday

1293

01:01:57,109 --> 01:01:54,599

Moore said she still thought that she

1294

01:02:01,130 --> 01:01:57,119

saw what may have been related to the

1295

01:02:02,750 --> 01:02:01,140

balloon at 7 18 p.m the city of Billings

1296

01:02:04,750 --> 01:02:02,760

said officials have confirmed with

1297

01:02:08,450 --> 01:02:04,760

Montana disaster and emergency services

1298

01:02:10,670 --> 01:02:08,460

and with Governor Greg Gior Forte that

1299

01:02:13,430 --> 01:02:10,680

there have not been any explosions in or

1300

01:02:15,349 --> 01:02:13,440

around or across Montana they're rare

1301

01:02:16,970 --> 01:02:15,359

the video and it can't be substantiated

1302

01:02:19,609 --> 01:02:16,980

and by the way there are multiple videos

1303

01:02:22,430 --> 01:02:19,619

of this event now and multiple pictures

1304

01:02:25,130 --> 01:02:22,440

but the government still tight-lipped

1305

01:02:28,789 --> 01:02:25,140

saying it can't be substantiated

1306

01:02:31,430 --> 01:02:28,799

so what was that over Montana

1307

01:02:32,690 --> 01:02:31,440

military aircraft seen in the in the

1308

01:02:36,049 --> 01:02:32,700

location

1309

01:02:37,910 --> 01:02:36,059

and then something exploded and Came

1310

01:02:39,829 --> 01:02:37,920

Crashing Down

1311

01:02:41,450 --> 01:02:39,839

but the city of Billings and the

1312

01:02:44,870 --> 01:02:41,460

government

1313

01:02:47,630 --> 01:02:44,880

um they call it unsubstantiated so it

1314

01:02:49,609 --> 01:02:47,640

gets very very this whole situation to

1315

01:02:51,950 --> 01:02:49,619

me has been very very troubling and it

1316

01:02:56,150 --> 01:02:51,960

1319

01:03:03,109 --> 01:03:00,420

truth they are not here to tell us the

1320

01:03:05,510 --> 01:03:03,119

truth they're here to lie to us and do

1321

01:03:07,370 --> 01:03:05,520

and we're back and you'll have to excuse

1389

01:07:10,970 --> 01:07:08,460

my scratchy throat

1390

01:07:14,029 --> 01:07:10,980

um anybody who has children

1391

01:07:16,309 --> 01:07:14,039

uh will be able to tell you that

1392

01:07:18,370 --> 01:07:16,319

they are

1393

01:07:21,289 --> 01:07:18,380

really great at

1394

01:07:24,589 --> 01:07:21,299

spreading germs I just got over a

1395

01:07:27,289 --> 01:07:24,599

stomach virus uh my whole family got it

1396

01:07:29,930 --> 01:07:27,299

except for my wife and uh that was a fun

1397

01:07:31,190 --> 01:07:29,940

couple of weeks of uh nursing my

1398

01:07:32,809 --> 01:07:31,200

children and

1399

01:07:35,990 --> 01:07:32,819

cleaning up puke and my wife was

1400

01:07:39,430 --> 01:07:36,000

cleaning up puke and then and then I got

1401

01:07:43,069 --> 01:07:39,440

it finally get over that and now we

1402

01:07:45,770 --> 01:07:43,079

apparently my older son has a cold flu

1403

01:07:46,609 --> 01:07:45,780

thing don't believe it's covid but who

1404

01:07:48,829 --> 01:07:46,619

knows

1405

01:07:50,270 --> 01:07:48,839

I have a terrible sore throat we're

1406

01:07:53,390 --> 01:07:50,280

going to try to get through this however

1407

01:07:55,549 --> 01:07:53,400

can't just take a week off for a bad

1408

01:07:59,210 --> 01:07:55,559

cold or or uh

1409

01:08:01,910 --> 01:07:59,220

you know throat funk but

1410

01:08:04,010 --> 01:08:01,920

when this happens I hate it because it

1411

01:08:06,289 --> 01:08:04,020

makes it very difficult to work you need

1412

01:08:09,049 --> 01:08:06,299

my voice to work

1413

01:08:11,089 --> 01:08:09,059

two u-2s were used to jam signals on the

1414

01:08:13,270 --> 01:08:11,099

balloon I did not hear that so maybe

1415

01:08:16,430 --> 01:08:13,280

they were doing uh something right

1416

01:08:19,070 --> 01:08:16,440

YouTube spy planes could be used to jam

1417

01:08:20,809 --> 01:08:19,080

uh communication signals so maybe they

1418

01:08:23,450 --> 01:08:20,819

were jamming it you're right Lord

1419

01:08:25,789 --> 01:08:23,460

ludicrous then that is something that I

1420

01:08:28,370 --> 01:08:25,799

may have missed and I apologize to the

1421

01:08:30,530 --> 01:08:28,380

military if they did do that that would

1422

01:08:33,050 --> 01:08:30,540

be the correct thing to do Jam those

1423

01:08:34,849 --> 01:08:33,060

signals and don't let any signals back

1424

01:08:37,130 --> 01:08:34,859

to

1425

01:08:38,829 --> 01:08:37,140

um the controller or whoever is

1426

01:08:41,630 --> 01:08:38,839

controlling that device

1427

01:08:44,749 --> 01:08:41,640

and it's very troubling to me that

1428

01:08:47,269 --> 01:08:44,759

somewhere somebody had to be controlling

1429

01:08:49,430 --> 01:08:47,279

that thing was it controlled from China

1430

01:08:51,349 --> 01:08:49,440

was it controlled through the internet

1431

01:08:54,829 --> 01:08:51,359

for all we know that thing hacked into

1432

01:08:57,769 --> 01:08:54,839

internet here and was being controlled

1433

01:08:59,990 --> 01:08:57,779

or piloted remotely through the internet

1434

01:09:02,269 --> 01:09:00,000

very very troubling Lord Ludacris but

1435

01:09:03,890 --> 01:09:02,279

I'm glad to hear if they did Jam those

1436

01:09:06,110 --> 01:09:03,900

signals that would be the proper thing

1437

01:09:08,930 --> 01:09:06,120

to do Jam the signals don't let it

1438

01:09:10,490 --> 01:09:08,940

communicate with home base thanks for

1439

01:09:12,769 --> 01:09:10,500

letting us know that and thanks for your

1440

01:09:15,289 --> 01:09:12,779

kindness your generosity and your

1441

01:09:17,570 --> 01:09:15,299

support of the show uh Lord Ludicrous

1442

01:09:19,849 --> 01:09:17,580

longtime show supporter thank you for

1443

01:09:22,309 --> 01:09:19,859

helping us to praise the cash and if I

1444

01:09:24,289 --> 01:09:22,319

could find my bumpers here yes I could

1445

01:09:26,269 --> 01:09:24,299

thanks for helping us praise the cash

1446

01:09:29,080 --> 01:09:26,279

Lord Ludacris

1447

01:09:40,749 --> 01:09:29,090

foreign

1448

01:09:45,050 --> 01:09:40,759

[Music]

1449

01:09:47,030 --> 01:09:45,060

yes so thank you Lord Ludacris uh and

1450

01:09:50,150 --> 01:09:47,040

here we go with the uh

1451

01:09:51,470 --> 01:09:50,160

Hall's cherry cough drops again they'll

1452

01:09:54,530 --> 01:09:51,480

get you through

1453

01:09:57,709 --> 01:09:54,540

and thank you Robert Redmond for kind

1454

01:09:59,570 --> 01:09:57,719

and generous five dollar Super Chat uh

1455

01:10:02,330 --> 01:09:59,580

who is giving some excellent advice

1456

01:10:04,250 --> 01:10:02,340

stock up on food and water yeah you

1457

01:10:06,229 --> 01:10:04,260

never know what's gonna happen

1458

01:10:08,450 --> 01:10:06,239

it's always a good idea to have some

1459

01:10:10,729 --> 01:10:08,460

extra supplies just in case something

1460

01:10:14,570 --> 01:10:10,739

happens it has been a crazy couple of

1461

01:10:16,750 --> 01:10:14,580

years here on planet Earth and you know

1462

01:10:20,689 --> 01:10:16,760

a few years ago

1463

01:10:24,050 --> 01:10:20,699

the thought of a an another worldwide

1464

01:10:26,990 --> 01:10:24,060

war was pretty far from my Consciousness

1465

01:10:30,110 --> 01:10:27,000

or you know my mind

1466

01:10:32,630 --> 01:10:30,120

I never thought it was uh possible you

1467

01:10:35,390 --> 01:10:32,640

know these guys tensions rise but then

1468

01:10:36,830 --> 01:10:35,400

they figure it out but lately it appears

1469

01:10:38,090 --> 01:10:36,840

that there's an awful lot of tensions

1470

01:10:40,550 --> 01:10:38,100

lately

1471

01:10:42,709 --> 01:10:40,560

and who knows what could happen but

1472

01:10:44,270 --> 01:10:42,719

thank you uh Robert Redmond for your

1473

01:10:45,770 --> 01:10:44,280

kindness your generosity and your

1474

01:10:49,209 --> 01:10:45,780

support of the show and helping us to

1475

01:10:55,250 --> 01:10:52,149

all right

1476

01:10:57,950 --> 01:10:55,260

thank you for your kindness thank you

1477

01:10:59,880 --> 01:10:57,960

for your generosity praise the cash

1478

01:11:05,830 --> 01:10:59,890

crazy cash break the cash

1479

01:11:11,810 --> 01:11:09,709

thank you Robert Redmond and Amy Collins

1480

01:11:13,010 --> 01:11:11,820

is here and says these balloons payload

1481

01:11:16,370 --> 01:11:13,020

are large enough that they could take

1482

01:11:21,350 --> 01:11:18,470

well

1483

01:11:23,510 --> 01:11:21,360

I don't know I sort of beg to differ Amy

1484

01:11:25,610 --> 01:11:23,520

because if you're if you're gonna shoot

1485

01:11:28,250 --> 01:11:25,620

this thing with a missile you know

1486

01:11:32,030 --> 01:11:28,260

there'd probably be you know it would

1487

01:11:34,610 --> 01:11:32,040

probably be reduced to dusks coming down

1488

01:11:36,169 --> 01:11:34,620

um now I I don't know like I said why

1489

01:11:39,350 --> 01:11:36,179

they didn't shoot it down but Lord

1490

01:11:40,250 --> 01:11:39,360

Ludacris brings up a very good point in

1491

01:11:43,130 --> 01:11:40,260

that

1492

01:11:45,950 --> 01:11:43,140

if they were able to jam the signals to

1493

01:11:47,990 --> 01:11:45,960

prevent this thing from transmitting

1494

01:11:51,050 --> 01:11:48,000

pictures images or intelligence

1495

01:11:52,970 --> 01:11:51,060

gathering information back home then I

1496

01:11:54,470 --> 01:11:52,980

guess it's okay just Jam the signal wait

1497

01:11:56,270 --> 01:11:54,480

for it to be over the ocean and then

1498

01:11:59,390 --> 01:11:56,280

take it down that makes a little more

1499

01:12:01,910 --> 01:11:59,400

sense but it still doesn't

1500

01:12:05,810 --> 01:12:01,920

it doesn't really project an image of

1501

01:12:08,090 --> 01:12:05,820

power and good defense and good strategy

1502

01:12:10,610 --> 01:12:08,100

to just let the thing slowly float over

1503

01:12:11,990 --> 01:12:10,620

the United States for days on end before

1504

01:12:15,229 --> 01:12:12,000

you shoot it down

1505

01:12:16,550 --> 01:12:15,239

I would think a stronger message to the

1506

01:12:19,130 --> 01:12:16,560

Chinese government would have been to

1507

01:12:21,890 --> 01:12:19,140

shoot it down immediately the moment it

1508

01:12:23,689 --> 01:12:21,900

entered Alaskan airspace before it even

1509

01:12:25,910 --> 01:12:23,699

got anywhere near the continental United

1510

01:12:27,290 --> 01:12:25,920

States in my opinion it should have been

1511

01:12:29,630 --> 01:12:27,300

shot down

1512

01:12:33,050 --> 01:12:29,640

and Amy also States another key idea

1513

01:12:34,090 --> 01:12:33,060

they might not be after photos but

1514

01:12:37,850 --> 01:12:34,100

um

1515

01:12:40,010 --> 01:12:37,860

radar data yeah it could be and also

1516

01:12:42,290 --> 01:12:40,020

just to test our capabilities of

1517

01:12:44,810 --> 01:12:42,300

detection would they

1518

01:12:46,310 --> 01:12:44,820

want to know especially if they were

1519

01:12:49,370 --> 01:12:46,320

planning something like balloon

1520

01:12:51,110 --> 01:12:49,380

delivered biological or EMP weapons

1521

01:12:54,050 --> 01:12:51,120

they would want to know if they could

1522

01:12:57,649 --> 01:12:54,060

get a balloon through our radar systems

1523

01:12:59,750 --> 01:12:57,659

through our detection grids you know it

1524

01:13:01,970 --> 01:12:59,760

just makes me wonder where NORAD was and

1525

01:13:05,390 --> 01:13:01,980

you know we have people that are paid

1526

01:13:07,970 --> 01:13:05,400

lots of money to monitor the skies and

1527

01:13:11,290 --> 01:13:07,980

to protect us from just such foreign

1528

01:13:14,330 --> 01:13:11,300

incursions into our airspace

1529

01:13:17,450 --> 01:13:14,340

this is a tremendous failure of the

1530

01:13:21,169 --> 01:13:17,460

United States defense industry

1531

01:13:23,390 --> 01:13:21,179

absolutely a complete and total failure

1532

01:13:26,930 --> 01:13:23,400

it's embarrassing

1533

01:13:29,209 --> 01:13:26,940

uh that we just let this thing float all

1534

01:13:31,729 --> 01:13:29,219

the way across our country

1535

01:13:34,790 --> 01:13:31,739

you're making it out like it says made

1536

01:13:36,950 --> 01:13:34,800

in China on it and has a nuke inside now

1537

01:13:40,850 --> 01:13:36,960

I never said either of those things

1538

01:13:43,070 --> 01:13:40,860

but uh it's been confirmed that the

1539

01:13:45,350 --> 01:13:43,080

balloon came from China

1540

01:13:49,010 --> 01:13:45,360

the Chinese government however is saying

1541

01:13:52,430 --> 01:13:49,020

that it is a civilian aircraft uh a

1542

01:13:54,709 --> 01:13:52,440

civilian unmanned balloon that's what

1543

01:13:57,350 --> 01:13:54,719

they called it uh that was apparently

1544

01:13:59,870 --> 01:13:57,360

for weather purposes and I never said it

1545

01:14:02,570 --> 01:13:59,880

had a nuke inside

1546

01:14:06,590 --> 01:14:02,580

I said we've talked about the capability

1547

01:14:09,229 --> 01:14:06,600

of uh if it could fly over the United

1548

01:14:11,270 --> 01:14:09,239

States it could have had one how do we

1549

01:14:13,669 --> 01:14:11,280

know what the payload is until the

1550

01:14:15,830 --> 01:14:13,679

payload is delivered the truth is Jim

1551

01:14:18,410 --> 01:14:15,840

Bud Royale we don't know what the

1552

01:14:20,570 --> 01:14:18,420

payload is that thing could have been

1553

01:14:22,310 --> 01:14:20,580

filled with biological weapon that thing

1554

01:14:23,510 --> 01:14:22,320

could have been filled with an EMP

1555

01:14:25,970 --> 01:14:23,520

device

1556

01:14:29,870 --> 01:14:25,980

or other

1557

01:14:32,689 --> 01:14:29,880

technology capable of inflicting uh Mass

1558

01:14:35,209 --> 01:14:32,699

casualties on residents of the United

1559

01:14:38,030 --> 01:14:35,219

States and our government just let it

1560

01:14:41,450 --> 01:14:38,040

sail all the way over the country before

1561

01:14:47,630 --> 01:14:44,570

um and by the way uh military experts

1562

01:14:50,209 --> 01:14:47,640

not just me are having the same

1563

01:14:53,570 --> 01:14:50,219

Revelation that this could have been a

1564

01:14:54,290 --> 01:14:53,580

test of our defense systems

1565

01:14:57,229 --> 01:14:54,300

um

1566

01:14:59,870 --> 01:14:57,239

from the Chinese government to see what

1567

01:15:02,810 --> 01:14:59,880

could they get a nuclear device through

1568

01:15:05,930 --> 01:15:02,820

to do an EMP attack could they get a

1569

01:15:08,510 --> 01:15:05,940

biological weapon through on a balloon

1570

01:15:10,370 --> 01:15:08,520

uh if they want it to attack us and

1571

01:15:12,350 --> 01:15:10,380

unfortunately now we know that that

1572

01:15:15,290 --> 01:15:12,360

answer is yes

1573

01:15:18,189 --> 01:15:15,300

now because of this situation and the

1574

01:15:20,689 --> 01:15:18,199

embarrassment caused by this situation

1575

01:15:22,430 --> 01:15:20,699

maybe we'll be a little more on the ball

1576

01:15:23,810 --> 01:15:22,440

about shooting balloons down in the

1577

01:15:26,570 --> 01:15:23,820

future

1578

01:15:27,950 --> 01:15:26,580

uh

1579

01:15:31,189 --> 01:15:27,960

yeah

1580

01:15:36,050 --> 01:15:31,199

Jim you're not obviously you're not very

1581

01:15:39,110 --> 01:15:36,060

uh well versed in things like emps or

1582

01:15:41,209 --> 01:15:39,120

biological weapons it's made out of rice

1583

01:15:43,910 --> 01:15:41,219

paper not much of a threat to America

1584

01:15:44,990 --> 01:15:43,920

really is it

1585

01:15:46,850 --> 01:15:45,000

really

1586

01:15:49,810 --> 01:15:46,860

is that what you're gonna go with it's

1587

01:15:54,709 --> 01:15:52,850

that same exact balloon could have held

1588

01:15:56,810 --> 01:15:54,719

an EMP

1589

01:15:59,510 --> 01:15:56,820

payload

1590

01:16:02,689 --> 01:15:59,520

do you have any idea the destruction

1591

01:16:04,370 --> 01:16:02,699

that an EMP would have caused if it was

1592

01:16:05,990 --> 01:16:04,380

detonated there right in the middle of

1593

01:16:08,990 --> 01:16:06,000

the United States would take probably

1594

01:16:12,050 --> 01:16:09,000

take the entire United States power grid

1595

01:16:16,910 --> 01:16:14,630

but hey you know if you want to live in

1596

01:16:18,709 --> 01:16:16,920

a fantasy world where everything's great

1597

01:16:21,050 --> 01:16:18,719

and don't worry the United States

1598

01:16:23,149 --> 01:16:21,060

government will take care of us then you

1599

01:16:24,649 --> 01:16:23,159

live in that fantasy world I live in the

1600

01:16:26,030 --> 01:16:24,659

real world

1601

01:16:29,450 --> 01:16:26,040

yeah

1602

01:16:34,790 --> 01:16:29,460

it was made in Taiwan

1603

01:16:38,930 --> 01:16:36,830

what are you beefing about Jim I hate

1604

01:16:42,709 --> 01:16:38,940

the evil CCP the Chinese people are

1605

01:16:44,630 --> 01:16:42,719

great people yeah uh listen for a time I

1606

01:16:46,250 --> 01:16:44,640

worked for a Chinese family I have

1607

01:16:47,810 --> 01:16:46,260

tremendous respect Chinese people are

1608

01:16:50,149 --> 01:16:47,820

hard working they're the kind of people

1609

01:16:52,550 --> 01:16:50,159

that work 18 hours a day they do

1610

01:16:54,110 --> 01:16:52,560

whatever they got to do to get ahead to

1611

01:16:56,270 --> 01:16:54,120

take care of their families to make sure

1612

01:16:58,370 --> 01:16:56,280

that they have enough funds or whatever

1613

01:17:00,470 --> 01:16:58,380

to take care of their responsibilities

1614

01:17:02,810 --> 01:17:00,480

they're tremendously responsible

1615

01:17:04,729 --> 01:17:02,820

hard-working

1616

01:17:07,729 --> 01:17:04,739

um decent people it's just their

1617

01:17:10,189 --> 01:17:07,739

government is the problem right

1618

01:17:13,970 --> 01:17:10,199

if no help comes an EMP attack happens

1619

01:17:17,870 --> 01:17:13,980

90 95 casualties in one year and a few

1620

01:17:19,790 --> 01:17:17,880

more 99 yeah and but some people you

1621

01:17:21,770 --> 01:17:19,800

know don't don't think of these

1622

01:17:24,709 --> 01:17:21,780

possibilities and

1623

01:17:29,330 --> 01:17:24,719

listen we have to be very very clear in

1624

01:17:32,810 --> 01:17:29,340

in this uh and this is irrefutable

1625

01:17:34,790 --> 01:17:32,820

um if that balloon

1626

01:17:37,669 --> 01:17:34,800

if that balloon

1627

01:17:40,430 --> 01:17:37,679

that they just shot down

1628

01:17:43,430 --> 01:17:40,440

if that thing was carrying an EMP device

1629

01:17:44,510 --> 01:17:43,440

it would have been successful in its

1630

01:17:46,850 --> 01:17:44,520

delivery

1631

01:17:49,310 --> 01:17:46,860

I'm going to say that again if that

1632

01:17:51,709 --> 01:17:49,320

thing was carrying an EMT device it

1633

01:17:56,030 --> 01:17:51,719

would have been successful in its

1634

01:17:58,370 --> 01:17:56,040

delivery now go look up EMP attacks and

1635

01:18:00,290 --> 01:17:58,380

the Carnage that an EMP attack would

1636

01:18:02,870 --> 01:18:00,300

cause and then come back here and tell

1637

01:18:04,610 --> 01:18:02,880

me that I'm crazy that thing's made out

1638

01:18:07,189 --> 01:18:04,620

of rice paper and it's nothing to worry

1639

01:18:11,930 --> 01:18:09,290

I'm not worried about what apparently

1640

01:18:13,669 --> 01:18:11,940

happened which is an errant balloon just

1641

01:18:15,830 --> 01:18:13,679

suddenly made its way through the United

1642

01:18:18,649 --> 01:18:15,840

States unchallenged

1643

01:18:21,709 --> 01:18:18,659

I'm worried about the implications

1644

01:18:23,930 --> 01:18:21,719

what that means what that means is that

1645

01:18:28,189 --> 01:18:23,940

if they could get that one through they

1646

01:18:31,010 --> 01:18:28,199

could launch 25 EMP balloon attacks and

1647

01:18:33,350 --> 01:18:31,020

one of them would likely get through

1648

01:18:36,290 --> 01:18:33,360

and I think it's important that we

1649

01:18:41,570 --> 01:18:36,300

recognize the threat that this situation

1650

01:18:43,130 --> 01:18:41,580

has or could have on National Security

1651

01:18:45,830 --> 01:18:43,140

um

1652

01:18:49,669 --> 01:18:45,840

you know there's a reason

1653

01:18:50,990 --> 01:18:49,679

there's a reason that people

1654

01:18:52,910 --> 01:18:51,000

there's a reason that the government

1655

01:18:55,370 --> 01:18:52,920

isn't telling us any more than they have

1656

01:18:59,390 --> 01:18:55,380

to do you think they don't realize the

1657

01:19:02,990 --> 01:18:59,400

implications of this of course they do

1658

01:19:06,410 --> 01:19:03,000

an EMP attack would [h__h] the United

1659

01:19:09,050 --> 01:19:06,420

States in seven days or less [h__h]

1660

01:19:12,890 --> 01:19:09,060

the entire country

1661

01:19:14,630 --> 01:19:12,900

who are large portions of it right if if

1662

01:19:16,430 --> 01:19:14,640

there was an EMP attack over the West

1663

01:19:19,310 --> 01:19:16,440

Coast it may only affect the west coast

1664

01:19:23,890 --> 01:19:19,320

and parts of the Midwest not the entire

1665

01:19:26,750 --> 01:19:23,900

country but if an EMP is delivered and

1666

01:19:28,729 --> 01:19:26,760

exploded over the middle of the

1667

01:19:31,610 --> 01:19:28,739

continental United States it will likely

1668

01:19:34,990 --> 01:19:31,620

depending on the power and the range of

1669

01:19:38,450 --> 01:19:35,000

the EMP pulse it would likely

1670

01:19:40,130 --> 01:19:38,460

destroy the entire power grid in the

1671

01:19:41,930 --> 01:19:40,140

United States do you have any idea how

1672

01:19:42,890 --> 01:19:41,940

long it would take to rebuild that power

1673

01:19:46,669 --> 01:19:42,900

grid

1674

01:19:48,649 --> 01:19:46,679

most experts guesstimate 10 years so

1675

01:19:51,110 --> 01:19:48,659

we're all just going to live like Amish

1676
01:19:53,990 --> 01:19:51,120
people for 10 years with no internet no

1677
01:19:57,470 --> 01:19:54,000
power no Refrigeration

1678
01:19:59,390 --> 01:19:57,480
um no electricity for 10 years

1679
01:20:01,669 --> 01:19:59,400
what do you think would happen here in

1680
01:20:03,169 --> 01:20:01,679
the United States if everybody was

1681
01:20:06,470 --> 01:20:03,179
suddenly just forced to live without

1682
01:20:08,390 --> 01:20:06,480
power for 10 years how many people do

1683
01:20:11,270 --> 01:20:08,400
you think would be murdered in their

1684
01:20:12,410 --> 01:20:11,280
sleep for whatever little resources they

1685
01:20:14,630 --> 01:20:12,420
might have

1686
01:20:18,110 --> 01:20:14,640
the answer is an awful lot of people

1687
01:20:21,410 --> 01:20:18,120
would be murdered or this the whole

1688
01:20:26,149 --> 01:20:21,420

situation we would devolve

1689

01:20:28,370 --> 01:20:26,159

into uh murderous cavemen in the space

1690

01:20:31,010 --> 01:20:28,380

of two weeks that's my prediction two

1691

01:20:36,290 --> 01:20:33,590

no power means no Refrigeration no

1692

01:20:40,090 --> 01:20:36,300

Refrigeration means no food no food

1693

01:20:44,530 --> 01:20:40,100

means mass murder

1694

01:20:49,450 --> 01:20:44,540

riots food riots chaos and destruction

1695

01:20:54,410 --> 01:20:52,130

the baker says read the book

1696

01:20:56,390 --> 01:20:54,420

from about 15 or 20 years ago that was

1697

01:20:58,729 --> 01:20:56,400

Chinese Colonels wrote China does having

1698

01:21:00,590 --> 01:20:58,739

a plan to take out the US U.S with

1699

01:21:03,709 --> 01:21:00,600

asymmetric weapons of course they do

1700

01:21:07,910 --> 01:21:05,630

yes they have recovered some of the

1701
01:21:09,950 --> 01:21:07,920
equipment but we have not Stacy Wright

1702
01:21:12,290 --> 01:21:09,960
asking a very good question I'm

1703
01:21:14,570 --> 01:21:12,300
wondering if they if they recovered any

1704
01:21:16,250 --> 01:21:14,580
of the equipment after it was shot down

1705
01:21:17,990 --> 01:21:16,260
yes apparently they have but they're

1706
01:21:20,209 --> 01:21:18,000
being very tight-lipped about that

1707
01:21:22,910 --> 01:21:20,219
equipment and we will likely not hear

1708
01:21:27,470 --> 01:21:22,920
very many details about the capabilities

1709
01:21:31,669 --> 01:21:29,689
Robert Redmond says thanks for what you

1710
01:21:33,470 --> 01:21:31,679
do God bless you and all well thank you

1711
01:21:34,910 --> 01:21:33,480
for your kindness your generosity and

1712
01:21:36,400 --> 01:21:34,920
your support of the show and helping us

1713
01:21:39,590 --> 01:21:36,410

to praise the cash Robert

1714

01:21:43,250 --> 01:21:41,450

thank you for your kindness generosity

1715

01:21:46,189 --> 01:21:43,260

and support we appreciate all of you

1716

01:21:47,930 --> 01:21:46,199

kind and generous benefactors uh so

1717

01:21:50,570 --> 01:21:47,940

questions for me please put them in all

1718

01:21:56,149 --> 01:21:50,580

capital letters

1719

01:22:02,209 --> 01:21:58,669

well let me see I have to go over to the

1720

01:22:04,669 --> 01:22:02,219

live chat to get that uh to get that we

1721

01:22:08,270 --> 01:22:04,679

could take a look at that

1722

01:22:16,310 --> 01:22:10,790

failing of this software I have to go to

1723

01:22:22,610 --> 01:22:19,130

but good link we'll see we'll share that

1724

01:22:28,189 --> 01:22:25,250

Chinese spy balloon answering all your

1725

01:22:30,890 --> 01:22:28,199

questions and dispelling the myths

1726

01:22:33,490 --> 01:22:30,900

yeah so it's about the size of an F22

1727

01:22:36,530 --> 01:22:33,500

the payload anyway

1728

01:22:38,630 --> 01:22:36,540

interesting to see

1729

01:22:41,630 --> 01:22:38,640

photos show the Chinese spy balloon

1730

01:22:43,790 --> 01:22:41,640

being shot down by an F-22 raptor Raptor

1731

01:22:46,669 --> 01:22:43,800

from Myrtle Beach South Carolina

1732

01:22:48,709 --> 01:22:46,679

why wasn't it shut down sooner

1733

01:22:50,390 --> 01:22:48,719

American government wanted to ensure it

1734

01:22:52,850 --> 01:22:50,400

didn't risk hurting anyone or damaging

1735

01:22:54,890 --> 01:22:52,860

any property as the balloon estimated to

1736

01:22:57,169 --> 01:22:54,900

be about three school buses in lengths

1737

01:22:59,270 --> 01:22:57,179

hurled to the ground after being shot

1738

01:23:01,669 --> 01:22:59,280

down

1739

01:23:04,189 --> 01:23:01,679

did the balloon collect valuable Intel

1740

01:23:05,689 --> 01:23:04,199

for China the short answer is no defense

1741

01:23:07,189 --> 01:23:05,699

officials have been clear that steps

1742

01:23:10,310 --> 01:23:07,199

were taken to mitigate the system's

1743

01:23:11,930 --> 01:23:10,320

ability to collect or relay any data and

1744

01:23:13,250 --> 01:23:11,940

Savvy Twitter and Reddit users were

1745

01:23:16,610 --> 01:23:13,260

quick to note the presence of the

1746

01:23:17,750 --> 01:23:16,620

aircraft like the rc-135 rivet joint

1747

01:23:19,970 --> 01:23:17,760

mirror

1748

01:23:22,850 --> 01:23:19,980

near the areas the balloon

1749

01:23:26,030 --> 01:23:22,860

uh traversed so the rivet joint is a

1750

01:23:27,050 --> 01:23:26,040

highly modified Boeing c-135 strato

1751

01:23:29,890 --> 01:23:27,060

lifter

1752

01:23:32,209 --> 01:23:29,900

a sibling of Boeing civilian 707

1753

01:23:35,689 --> 01:23:32,219

jam-packed with electronic warfare so

1754

01:23:37,490 --> 01:23:35,699

yes apparently they deployed electronic

1755

01:23:39,649 --> 01:23:37,500

counter measures

1756

01:23:41,810 --> 01:23:39,659

and here's the question I raised why use

1757

01:23:44,290 --> 01:23:41,820

a balloon when Chinese spy satellites

1758

01:23:47,090 --> 01:23:44,300

are already zooming overhead

1759

01:23:48,770 --> 01:23:47,100

spy satellites can only carry a finite

1760

01:23:51,229 --> 01:23:48,780

amount of fuel for onboard pressures

1761

01:23:52,790 --> 01:23:51,239

meant to adjust orbital course and as a

1762

01:23:55,130 --> 01:23:52,800

result satellite orbits are rather

1763

01:23:57,709 --> 01:23:55,140

predictable hiding something from Spy

1764

01:23:59,030 --> 01:23:57,719

satellites orbiting High overhead simply

1765

01:24:00,890 --> 01:23:59,040

becomes a question of tucking your

1766

01:24:02,450 --> 01:24:00,900

secrets away during this set times you

1767

01:24:04,850 --> 01:24:02,460

know the satellite has a direct line of

1768

01:24:06,470 --> 01:24:04,860

sight however I would argue that they

1769

01:24:08,630 --> 01:24:06,480

have enough spy satellites that they'd

1770

01:24:10,850 --> 01:24:08,640

be able to see anything that they want

1771

01:24:14,209 --> 01:24:10,860

to see over the continental United

1772

01:24:16,189 --> 01:24:14,219

States at just about any time

1773

01:24:19,130 --> 01:24:16,199

what if the balloon had been carrying an

1774

01:24:20,870 --> 01:24:19,140

EMP or nuclear weapon

1775

01:24:22,790 --> 01:24:20,880

while the balloon was traversed in the

1776

01:24:24,229 --> 01:24:22,800

United States many took to social media

1777

01:24:26,570 --> 01:24:24,239

to express their concerns that the

1778

01:24:28,370 --> 01:24:26,580

balloon could carry an EMP or nuclear

1779

01:24:29,530 --> 01:24:28,380

weapon on board the Pentagon was not

1780

01:24:31,970 --> 01:24:29,540

overly

1781

01:24:33,590 --> 01:24:31,980

expressed how they were certain it

1782

01:24:35,570 --> 01:24:33,600

wasn't the case but a combination of

1783

01:24:38,390 --> 01:24:35,580

context and Common Sense can take you

1784

01:24:40,610 --> 01:24:38,400

far on this one emps can damage

1785

01:24:42,709 --> 01:24:40,620

electronic devices over large swaths of

1786

01:24:45,250 --> 01:24:42,719

territory but the amount of energy

1787

01:24:48,410 --> 01:24:45,260

required to do so is immense

1788

01:24:50,570 --> 01:24:48,420

I would argue no a small-scale nuclear

1789

01:24:52,430 --> 01:24:50,580

weapon would be enough in fact most

1790

01:24:53,990 --> 01:24:52,440

feasible way to affect an entire region

1791

01:24:56,149 --> 01:24:54,000

in the United States with an EMP would

1792

01:24:58,970 --> 01:24:56,159

be to detonate a nuclear weapon above

1793

01:25:01,130 --> 01:24:58,980

the country at a high altitude

1794

01:25:02,870 --> 01:25:01,140

this brings up concerns for the balloon

1795

01:25:04,490 --> 01:25:02,880

itself may have been carrying a nuclear

1796

01:25:06,410 --> 01:25:04,500

biological weapon

1797

01:25:07,910 --> 01:25:06,420

the fact of the matter is if China were

1798

01:25:10,070 --> 01:25:07,920

interested in detonating a nuclear

1799

01:25:11,570 --> 01:25:10,080

weapon over the United States missiles

1800

01:25:15,110 --> 01:25:11,580

would be far more effective means of

1801
01:25:18,169 --> 01:25:15,120
doing so unlike balloons missiles allow

1802
01:25:20,810 --> 01:25:18,179
for much higher degree of precision yeah

1803
01:25:23,930 --> 01:25:20,820
but one might argue look at the failure

1804
01:25:25,910 --> 01:25:23,940
would we shoot down a missile sure

1805
01:25:27,890 --> 01:25:25,920
if we saw a missile coming from China

1806
01:25:29,630 --> 01:25:27,900
headed towards continental United States

1807
01:25:32,870 --> 01:25:29,640
we'd be all chips in shooting it down

1808
01:25:35,570 --> 01:25:32,880
but if we saw a balloon would we be as

1809
01:25:37,250 --> 01:25:35,580
quick to shoot it down apparently not

1810
01:25:39,530 --> 01:25:37,260
right

1811
01:25:41,570 --> 01:25:39,540
why use an expensive missile to shoot a

1812
01:25:43,550 --> 01:25:41,580
balloon down believe it or not the less

1813
01:25:45,290 --> 01:25:43,560

expensive guns use similar balloon to

1814

01:25:47,689 --> 01:25:45,300

prove ineffective in the past two

1815

01:25:50,030 --> 01:25:47,699

Canadian cf-18s were dispatched to

1816

01:25:51,290 --> 01:25:50,040

intercept of runaway weather balloon of

1817

01:25:53,689 --> 01:25:51,300

similar size

1818

01:25:55,610 --> 01:25:53,699

the two fighters fired more than a

1819

01:25:56,890 --> 01:25:55,620

thousand twenty millimeter rounds from

1820

01:26:01,550 --> 01:25:56,900

their

1821

01:26:03,649 --> 01:26:01,560

m61a1 Vulcan Auto cannons at the balloon

1822

01:26:05,450 --> 01:26:03,659

which amounts to nearly a full magazine

1823

01:26:07,310 --> 01:26:05,460

carried by these jets these are not

1824

01:26:10,189 --> 01:26:07,320

small rounds below the is the picture

1825

01:26:11,689 --> 01:26:10,199

wow that's interesting despite poking

1826

01:26:13,550 --> 01:26:11,699

lots of large holes in the balloon

1827

01:26:15,830 --> 01:26:13,560

however it remained airborne and

1828

01:26:18,590 --> 01:26:15,840

continue to float for days after

1829

01:26:20,390 --> 01:26:18,600

so I guess you got to use a missile what

1830

01:26:22,729 --> 01:26:20,400

if this was all a practice run for a

1831

01:26:24,530 --> 01:26:22,739

future attack many have voiced concerns

1832

01:26:26,390 --> 01:26:24,540

that the blue is actually sent as a sort

1833

01:26:28,430 --> 01:26:26,400

of practice run for future balloon-based

1834

01:26:30,350 --> 01:26:28,440

attacks we're wearing that America has

1835

01:26:32,689 --> 01:26:30,360

now demonstrated that would allow such

1836

01:26:35,330 --> 01:26:32,699

balloons to enter its airspace

1837

01:26:37,010 --> 01:26:35,340

the truth is balloon-based attacks are

1838

01:26:40,669 --> 01:26:37,020

not particularly effective as Japan

1839

01:26:42,830 --> 01:26:40,679

World learned during World War II but

1840

01:26:44,689 --> 01:26:42,840

even if they were allowing the balloon

1841

01:26:46,430 --> 01:26:44,699

to keep flying doesn't establish a

1842

01:26:47,290 --> 01:26:46,440

precedent that must be adhered to in the

1843

01:26:50,209 --> 01:26:47,300

future

1844

01:26:53,149 --> 01:26:50,219

but it does establish that it's entirely

1845

01:26:55,790 --> 01:26:53,159

possible Right

1846

01:26:57,530 --> 01:26:55,800

have Chinese balloons ever flown over

1847

01:26:59,450 --> 01:26:57,540

the U.S before the short answer is yes

1848

01:27:00,830 --> 01:26:59,460

according to defense officials similar

1849

01:27:03,110 --> 01:27:00,840

balloons traversed the United States

1850

01:27:05,149 --> 01:27:03,120

twice during the Trump Administration

1851
01:27:07,550 --> 01:27:05,159
and once during the Biden Administration

1852
01:27:09,050 --> 01:27:07,560
though in none of these instances where

1853
01:27:12,530 --> 01:27:09,060
the

1854
01:27:14,870 --> 01:27:12,540
periods of time so that's interesting

1855
01:27:16,010 --> 01:27:14,880
just some more prospective sort of

1856
01:27:17,030 --> 01:27:16,020
echoing

1857
01:27:19,310 --> 01:27:17,040
um

1858
01:27:21,709 --> 01:27:19,320
some of the speculation that we had here

1859
01:27:24,169 --> 01:27:21,719
as well I've been preparing for some

1860
01:27:27,169 --> 01:27:24,179
time now but then the virus hit I really

1861
01:27:29,209 --> 01:27:27,179
started cracking down

1862
01:27:29,930 --> 01:27:29,219
uh yeah

1863
01:27:33,290 --> 01:27:29,940

um

1864

01:27:35,570 --> 01:27:33,300

yeah one good thing about that whole

1865

01:27:37,610 --> 01:27:35,580

situation mysterious moon bases is that

1866

01:27:39,770 --> 01:27:37,620

a lot less people thought I was crazy

1867

01:27:42,950 --> 01:27:39,780

for building an apocalypse Cabin in the

1868

01:27:48,530 --> 01:27:46,669

China is carrying it back good luck yeah

1869

01:27:49,610 --> 01:27:48,540

I don't know about that I don't think

1870

01:27:52,370 --> 01:27:49,620

we're going to give it back to them

1871

01:27:53,990 --> 01:27:52,380

we're gonna rip that thing apart and

1872

01:27:55,610 --> 01:27:54,000

take a look at what they were doing with

1873

01:27:57,770 --> 01:27:55,620

it

1874

01:27:59,510 --> 01:27:57,780

even when they did get the grid back up

1875

01:28:01,070 --> 01:27:59,520

all electric appliances batteries

1876

01:28:02,570 --> 01:28:01,080

Electronics would be fried they would

1877

01:28:04,310 --> 01:28:02,580

have to manufacture new but couldn't

1878

01:28:06,350 --> 01:28:04,320

start until the grid goes up yeah it's

1879

01:28:09,310 --> 01:28:06,360

another good point right

1880

01:28:13,129 --> 01:28:09,320

and I actually have radios

1881

01:28:15,290 --> 01:28:13,139

and communication equipment in

1882

01:28:16,729 --> 01:28:15,300

something called a faraday cage buried

1883

01:28:18,770 --> 01:28:16,739

at the cabin

1884

01:28:20,090 --> 01:28:18,780

so that if there were an EMP attack I

1885

01:28:21,530 --> 01:28:20,100

would be able to dig it up after the

1886

01:28:23,750 --> 01:28:21,540

attack and still have communications

1887

01:28:25,129 --> 01:28:23,760

capabilities

1888

01:28:26,930 --> 01:28:25,139

um these are things that the average

1889

01:28:29,930 --> 01:28:26,940

citizen just doesn't think about however

1890

01:28:33,410 --> 01:28:31,189

it probably turned out to be a weather

1891

01:28:36,649 --> 01:28:33,420

balloon from China like they said

1892

01:28:38,570 --> 01:28:36,659

and they can say I Told You So USA

1893

01:28:41,390 --> 01:28:38,580

maybe

1894

01:28:43,070 --> 01:28:41,400

um but I doubt it I doubt that was just

1895

01:28:45,590 --> 01:28:43,080

a weather balloon it seemed awfully

1896

01:28:47,330 --> 01:28:45,600

sophisticated awfully large to be just a

1897

01:28:48,950 --> 01:28:47,340

weather balloon normally weather balloon

1898

01:28:51,110 --> 01:28:48,960

has one or two instruments in an

1899

01:28:53,689 --> 01:28:51,120

instrument package below it no

1900

01:28:55,910 --> 01:28:53,699

propulsion capability no maneuverability

1901

01:28:59,930 --> 01:28:55,920

this thing was much more advanced than

1902

01:29:01,970 --> 01:28:59,940

that which screams military to me

1903

01:29:03,110 --> 01:29:01,980

John my buddy was a nuclear submarine

1904

01:29:05,270 --> 01:29:03,120

crew member

1905

01:29:07,070 --> 01:29:05,280

they watch them regularly I can't say

1906

01:29:12,010 --> 01:29:07,080

much on here obviously but very scary

1907

01:29:17,390 --> 01:29:14,870

an old microwave oven yeah that's true

1908

01:29:19,610 --> 01:29:17,400

an old microwave oven can be used to as

1909

01:29:22,010 --> 01:29:19,620

a faraday cage well

1910

01:29:25,129 --> 01:29:22,020

essentially any metal box

1911

01:29:26,810 --> 01:29:25,139

uh can function as a faraday cage and

1912

01:29:30,649 --> 01:29:26,820

especially

1913

01:29:32,629 --> 01:29:30,659

effective if you bury it uh so a lot of

1914

01:29:34,250 --> 01:29:32,639

people have portable Faraday cages that

1915

01:29:36,709 --> 01:29:34,260

are about the size of a microwave mine

1916

01:29:38,810 --> 01:29:36,719

is and I just put radios and

1917

01:29:40,430 --> 01:29:38,820

communication equipment in it and bury

1918

01:29:42,229 --> 01:29:40,440

it at the cabin should something happen

1919

01:29:44,330 --> 01:29:42,239

I could dig it up and I would be able to

1920

01:29:46,370 --> 01:29:44,340

communicate

1921

01:29:49,250 --> 01:29:46,380

um quite effectively with with the

1922

01:29:52,729 --> 01:29:49,260

radios that I have there

1923

01:29:55,010 --> 01:29:52,739

if shot down off of uh AK Coast can't

1924

01:29:58,129 --> 01:29:55,020

retrieve it other land is people no no

1925

01:30:01,010 --> 01:29:58,139

South Carolina coast was shallow yeah I

1926

01:30:03,590 --> 01:30:01,020

guess they shot it I heard that the

1927

01:30:05,750 --> 01:30:03,600

brief field was seven miles long

1928

01:30:08,930 --> 01:30:05,760

and that the instrument package was the

1929

01:30:10,610 --> 01:30:08,940

size of a school bus so

1930

01:30:12,709 --> 01:30:10,620

again for people saying it's just a

1931

01:30:14,390 --> 01:30:12,719

weather balloon whether balloons don't

1932

01:30:16,850 --> 01:30:14,400

have instrument packages the size of

1933

01:30:18,850 --> 01:30:16,860

school buses that's military that's

1934

01:30:22,610 --> 01:30:18,860

definitely military

1935

01:30:25,010 --> 01:30:22,620

uh weather balloons tend to be a one or

1936

01:30:26,570 --> 01:30:25,020

two small instruments hanging from the

1937

01:30:29,930 --> 01:30:26,580

bottom of the balloon with a radio

1938

01:30:31,729 --> 01:30:29,940

transmitter to transmit data back to the

1939

01:30:33,669 --> 01:30:31,739

home base that the balloon is being

1940

01:30:37,010 --> 01:30:33,679

launched from

1941

01:30:39,950 --> 01:30:37,020

B Baker says gamma ray enhanced EMP

1942

01:30:42,229 --> 01:30:39,960

nukes is 10 to 100 times more powerful

1943

01:30:44,510 --> 01:30:42,239

than normal nuke EMP will fry even

1944

01:30:46,990 --> 01:30:44,520

hardened military integrated circuits

1945

01:30:48,950 --> 01:30:47,000

yes absolutely

1946

01:30:50,870 --> 01:30:48,960

but again you can look up something

1947

01:30:52,490 --> 01:30:50,880

called a faraday cage that will protect

1948

01:30:56,709 --> 01:30:52,500

your electronic devices from being

1949

01:31:01,790 --> 01:31:00,050

any simple blueprints for a cage I you

1950

01:31:03,649 --> 01:31:01,800

know I bought it I bought it from a

1951

01:31:05,629 --> 01:31:03,659

prepper site and that's what I would

1952

01:31:07,129 --> 01:31:05,639

tell you and there were only as I recall

1953

01:31:08,930 --> 01:31:07,139

it was only a couple hundred bucks the

1954

01:31:12,290 --> 01:31:08,940

one that I got

1955

01:31:14,350 --> 01:31:12,300

um I wouldn't trust a home built one for

1956

01:31:18,530 --> 01:31:14,360

something for critical things like that

1957

01:31:20,209 --> 01:31:18,540

I I spend the money you know

1958

01:31:23,450 --> 01:31:20,219

um you can

1959

01:31:25,010 --> 01:31:23,460

look on eBay as well I think but I

1960

01:31:26,810 --> 01:31:25,020

wouldn't know how to build one I mean

1961

01:31:28,970 --> 01:31:26,820

it's metal box it's not rocket science

1962

01:31:32,390 --> 01:31:28,980

but still it's got to be the right kind

1963

01:31:34,129 --> 01:31:32,400

of metal to withstand the pulse so

1964

01:31:35,990 --> 01:31:34,139

um for something like that I would just

1965

01:31:38,030 --> 01:31:36,000

purchase it power grid custom large

1966

01:31:40,790 --> 01:31:38,040

foreign manufacturer Transformers are

1967

01:31:44,810 --> 01:31:40,800

being Fried by an EMP is the problem due

1968

01:31:47,030 --> 01:31:44,820

to replacement availability yeah if

1969

01:31:48,830 --> 01:31:47,040

if all those Transformers got fried at

1970

01:31:50,629 --> 01:31:48,840

once we've only got so many Replacements

1971

01:31:53,270 --> 01:31:50,639

so they would not be able to get the

1972

01:31:55,129 --> 01:31:53,280

grid back up quickly it would take an

1973

01:31:58,550 --> 01:31:55,139

international effort and and it would

1974

01:32:00,709 --> 01:31:58,560

take help from all of our allies to be

1975

01:32:05,450 --> 01:32:00,719

if an EMP

1976

01:32:09,470 --> 01:32:07,669

all the power would be gone we've only

1977

01:32:11,750 --> 01:32:09,480

got so many replacement parts we'd only

1978

01:32:14,390 --> 01:32:11,760

be able to get I would say 10 or 20

1979

01:32:16,910 --> 01:32:14,400

percent I've heard of experts say of the

1980

01:32:19,850 --> 01:32:16,920

power grid back up and then we would be

1981

01:32:21,830 --> 01:32:19,860

reliant on

1982

01:32:27,890 --> 01:32:21,840

foreign

1983

01:32:29,750 --> 01:32:27,900

fly over all the Transformers and parks

1984

01:32:31,729 --> 01:32:29,760

and things that they could in even

1985

01:32:33,590 --> 01:32:31,739

Manpower so that we could get the thing

1986

01:32:36,530 --> 01:32:33,600

going again

1987

01:32:40,729 --> 01:32:36,540

um an EMP attack is an apocalyptic

1988

01:32:42,709 --> 01:32:40,739

situation it is a uh

1989

01:32:46,070 --> 01:32:42,719

a real situation

1990

01:32:48,649 --> 01:32:46,080

that could end a country very quickly

1991

01:32:51,169 --> 01:32:48,659

and that's why so many terrorist cells

1992

01:32:54,470 --> 01:32:51,179

and Rogue nations are looking into those

1993

01:32:56,570 --> 01:32:54,480

attacks against us because they know it

1994

01:32:58,850 --> 01:32:56,580

would destroy this country and we might

1995

01:33:02,450 --> 01:32:58,860

have 10 years with no power

1996

01:33:04,550 --> 01:33:02,460

imagine the chaos that would erupt from

1997

01:33:06,410 --> 01:33:04,560

that are you familiar with the Patriot

1998

01:33:08,390 --> 01:33:06,420

power sidekick can be charged using

1999

01:33:10,250 --> 01:33:08,400

sunshine I have two of them great

2000

01:33:12,890 --> 01:33:10,260

products for Preppers no but I have my

2001
01:33:15,229 --> 01:33:12,900
own solar power backup system Robert

2002
01:33:18,430 --> 01:33:15,239
Redmond at the cabin and a duplicate of

2003
01:33:21,470 --> 01:33:18,440
it buried in a metal box

2004
01:33:23,330 --> 01:33:21,480
so one way or the other

2005
01:33:26,330 --> 01:33:23,340
I also have some things at the cabin

2006
01:33:29,629 --> 01:33:26,340
like crank hand generator I got a pedal

2007
01:33:30,709 --> 01:33:29,639
generator as well I have a I haven't

2008
01:33:33,910 --> 01:33:30,719
ever

2009
01:33:37,610 --> 01:33:33,920
used it but I also have some small

2010
01:33:41,390 --> 01:33:37,620
uh wind turbines as well

2011
01:33:44,270 --> 01:33:41,400
and uh pretty pretty set there at the

2012
01:33:47,090 --> 01:33:44,280
cabin for the event of something world

2013
01:33:48,649 --> 01:33:47,100

changing I will say Robert Redmond that

2014

01:33:50,990 --> 01:33:48,659

just having it that cabin was great

2015

01:33:52,910 --> 01:33:51,000

during covet because you didn't have

2016

01:33:55,370 --> 01:33:52,920

everybody else had nowhere to go nothing

2017

01:33:58,610 --> 01:33:55,380

to do you're stuck in your house we went

2018

01:34:00,290 --> 01:33:58,620

to the cabin and uh we got to go to

2019

01:34:01,070 --> 01:34:00,300

lakes and

2020

01:34:03,110 --> 01:34:01,080

um

2021

01:34:05,870 --> 01:34:03,120

you know spend a great deal of time

2022

01:34:08,930 --> 01:34:05,880

outside which is good for your for your

2023

01:34:11,090 --> 01:34:08,940

immune system you soak up we soaked up

2024

01:34:13,010 --> 01:34:11,100

an awful lot of sunshine during that and

2025

01:34:14,330 --> 01:34:13,020

I know that we were in betterment than

2026

01:34:19,550 --> 01:34:14,340

some of our neighbors who were stuck in

2027

01:34:24,830 --> 01:34:21,830

yes I am aware of that mysterious moon

2028

01:34:26,629 --> 01:34:24,840

bases and in fact he called me and told

2029

01:34:28,729 --> 01:34:26,639

me he was going to build that before he

2030

01:34:31,010 --> 01:34:28,739

built it I talked about it on a previous

2031

01:34:35,030 --> 01:34:31,020

episode of the show

2032

01:34:37,729 --> 01:34:35,040

um and it was John McAfee he made a

2033

01:34:40,010 --> 01:34:37,739

room-sized faraday cage that he would uh

2034

01:34:42,290 --> 01:34:40,020

record in because he didn't want any

2035

01:34:44,450 --> 01:34:42,300

signals getting in or out

2036

01:34:46,430 --> 01:34:44,460

another great benefit of a faraday cage

2037

01:34:48,290 --> 01:34:46,440

no signals can get in or out of a

2038

01:34:50,270 --> 01:34:48,300

faraday cage

2039

01:34:51,590 --> 01:34:50,280

um and it's the same thing that the the

2040

01:34:53,810 --> 01:34:51,600

United States government use in

2041

01:34:55,790 --> 01:34:53,820

something called a skiff you go inside

2042

01:34:58,790 --> 01:34:55,800

this little room

2043

01:35:02,090 --> 01:34:58,800

and uh no signals can come in or out and

2044

01:35:04,490 --> 01:35:02,100

no recording devices so you can securely

2045

01:35:06,770 --> 01:35:04,500

talk about classified things

2046

01:35:08,330 --> 01:35:06,780

what about all the USA spy balloons that

2047

01:35:11,209 --> 01:35:08,340

are flown over China every day should

2048

01:35:13,790 --> 01:35:11,219

they be shot down uh yeah I think so and

2049

01:35:15,470 --> 01:35:13,800

by the way you're right Jim Bud Royal I

2050

01:35:17,689 --> 01:35:15,480

forgot to mention that the United States

2051
01:35:20,810 --> 01:35:17,699
has been employing these methods against

2052
01:35:22,490 --> 01:35:20,820
our adversaries for years now so maybe

2053
01:35:25,129 --> 01:35:22,500
we're getting a taste of our own

2054
01:35:27,590 --> 01:35:25,139
medicine right

2055
01:35:29,570 --> 01:35:27,600
to Shield stuff from gamma ray and hand

2056
01:35:31,729 --> 01:35:29,580
stick your EMP you have to bury it four

2057
01:35:33,530 --> 01:35:31,739
or five feet in the ground and shielded

2058
01:35:35,810 --> 01:35:33,540
in a metal box yes that's called a

2059
01:35:38,750 --> 01:35:35,820
faraday cage and mine is buried six feet

2060
01:35:40,910 --> 01:35:38,760
down B Baker my communications equipment

2061
01:35:42,830 --> 01:35:40,920
my backup equipment at the cabin is

2062
01:35:45,830 --> 01:35:42,840
buried six feet underground

2063
01:35:47,689 --> 01:35:45,840

uh so I'm pretty sure in the event of

2064

01:35:51,050 --> 01:35:47,699

any EMP including a gamma ray and

2065

01:35:54,470 --> 01:35:51,060

advanced and enhanced EMP I will still

2066

01:35:56,990 --> 01:35:54,480

be able to communicate right our reader

2067

01:36:00,169 --> 01:35:57,000

can see through anything that's slow and

2068

01:36:02,149 --> 01:36:00,179

count the bolts quite possibly right M

2069

01:36:04,129 --> 01:36:02,159

Stone if you're going to worry about all

2070

01:36:05,810 --> 01:36:04,139

the scenarios where we Humanity push

2071

01:36:08,390 --> 01:36:05,820

ourselves back to the Stone Age you'll

2072

01:36:12,169 --> 01:36:08,400

never leave the house well I wouldn't

2073

01:36:15,110 --> 01:36:12,179

say I worry I'd say that I have concerns

2074

01:36:18,110 --> 01:36:15,120

and M Stone I don't know if you have

2075

01:36:20,750 --> 01:36:18,120

children but I do and I consider my

2076

01:36:23,270 --> 01:36:20,760

responsibility to provide for and take

2077

01:36:26,930 --> 01:36:23,280

care of my children incredibly important

2078

01:36:29,570 --> 01:36:26,940

to me and maybe that causes some anxiety

2079

01:36:31,910 --> 01:36:29,580

about issues and situations like this

2080

01:36:34,669 --> 01:36:31,920

but I feel a little better knowing that

2081

01:36:37,669 --> 01:36:34,679

I have taken steps to prepare in the

2082

01:36:40,370 --> 01:36:37,679

case of a severe emergency I will have

2083

01:36:44,030 --> 01:36:40,380

someplace incredibly

2084

01:36:47,570 --> 01:36:44,040

safe to go I will have some place uh

2085

01:36:52,610 --> 01:36:47,580

where my family can remain warm and fed

2086

01:36:55,669 --> 01:36:52,620

and and happy and ride out the storm

2087

01:36:59,750 --> 01:36:55,679

um but I agree with you that's you know

2088

01:37:03,050 --> 01:36:59,760

it's easy to let the anxiety become

2089

01:37:06,830 --> 01:37:05,090

um and I try not to but I do worry

2090

01:37:08,450 --> 01:37:06,840

because I have a wife and I have

2091

01:37:11,330 --> 01:37:08,460

children and again I take that

2092

01:37:14,510 --> 01:37:11,340

responsibility to be their protector and

2093

01:37:16,910 --> 01:37:14,520

and caretaker and provider very very

2094

01:37:20,570 --> 01:37:16,920

seriously right

2095

01:37:22,430 --> 01:37:20,580

oh I didn't know that okay so well we're

2096

01:37:26,930 --> 01:37:22,440

good still something good to mention

2097

01:37:30,830 --> 01:37:29,330

Long Island Bigfoot says I'm starting to

2098

01:37:32,330 --> 01:37:30,840

wonder if there's a side show for

2099

01:37:33,410 --> 01:37:32,340

something bigger that they don't want us

2100

01:37:37,129 --> 01:37:33,420

looking at

2101
01:37:38,990 --> 01:37:37,139
look at the birdie type scenario yeah a

2102
01:37:41,090 --> 01:37:39,000
lot of people are thinking that this

2103
01:37:42,530 --> 01:37:41,100
Chinese spy balloon was some sort of

2104
01:37:45,350 --> 01:37:42,540
distraction

2105
01:37:47,149 --> 01:37:45,360
who knows

2106
01:37:51,770 --> 01:37:47,159
toilet paper will be worth more than

2107
01:37:57,169 --> 01:37:54,830
but children have their own future uh

2108
01:37:59,090 --> 01:37:57,179
yeah as long as you help them make it to

2109
01:38:00,950 --> 01:37:59,100
their future you know I consider a

2110
01:38:04,490 --> 01:38:00,960
responsibility to do that very very

2111
01:38:10,189 --> 01:38:06,649
just a broad stance I try to adhere to

2112
01:38:17,649 --> 01:38:10,199
yeah me as well you know

2113
01:38:21,410 --> 01:38:19,790

yes and now

2114

01:38:24,530 --> 01:38:21,420

I'm gonna have to power through this

2115

01:38:26,030 --> 01:38:24,540

thing this week I have uh more shows

2116

01:38:27,890 --> 01:38:26,040

planned we'll be back tomorrow night at

2117

01:38:29,990 --> 01:38:27,900

9 00 PM Eastern Standard Time and

2118

01:38:32,810 --> 01:38:30,000

Wednesday and uh

2119

01:38:35,149 --> 01:38:32,820

Thursday as well probably if I can make

2120

01:38:37,729 --> 01:38:35,159

it through with this uh

2121

01:38:38,750 --> 01:38:37,739

sore throat death cold flu thing going

2122

01:38:41,330 --> 01:38:38,760

on

2123

01:38:42,830 --> 01:38:41,340

I hate that I just hate being sick

2124

01:38:45,290 --> 01:38:42,840

especially in the winter you're already

2125

01:38:47,510 --> 01:38:45,300

cold now I have to be cold and miserable

2126

01:38:49,669 --> 01:38:47,520

but

2127

01:38:53,390 --> 01:38:49,679

I'm taking a lot of vitamin C

2128

01:38:57,169 --> 01:38:53,400

and uh you know I got cough drops and we

2129

01:38:59,030 --> 01:38:57,179

got loaded up on cold medicine Galore uh

2130

01:39:01,010 --> 01:38:59,040

that helps a little bit at least it

2131

01:39:03,890 --> 01:39:01,020

clears your throat a little bit and

2132

01:39:06,050 --> 01:39:03,900

clears the your nasal passages out a

2133

01:39:08,149 --> 01:39:06,060

little bit but really all you could do

2134

01:39:10,430 --> 01:39:08,159

is wait for this thing to pass and that

2135

01:39:14,030 --> 01:39:10,440

is annoying to me

2136

01:39:14,930 --> 01:39:14,040

Dave mt9e says too bad they don't still

2137

01:39:17,229 --> 01:39:14,940

make

2138

01:39:19,850 --> 01:39:17,239

type com gear which is immune to EMP

2139

01:39:21,530 --> 01:39:19,860

that's why Russian Jets still utilize

2140

01:39:23,870 --> 01:39:21,540

tube gears and they don't fall out of

2141

01:39:25,729 --> 01:39:23,880

the sky during an EMP that's interesting

2142

01:39:27,890 --> 01:39:25,739

I never heard that they use tube gear

2143

01:39:33,169 --> 01:39:27,900

but that would ensure that they are EMP

2144

01:39:38,090 --> 01:39:35,270

no bull truth you think you could be

2145

01:39:41,209 --> 01:39:38,100

targeted Now by who

2146

01:39:42,530 --> 01:39:41,219

um yeah but you know I I we get threats

2147

01:39:44,629 --> 01:39:42,540

a lot here but it's usually from

2148

01:39:46,790 --> 01:39:44,639

grifters that don't like us messing with

2149

01:39:50,330 --> 01:39:46,800

their scams and telling people the truth

2150

01:39:56,149 --> 01:39:53,629

wano saving JFK Jr is in charge of the

2151
01:39:59,090 --> 01:39:56,159
white hats working for Trump who is

2152
01:40:01,370 --> 01:39:59,100
still the active president not yeah

2153
01:40:03,169 --> 01:40:01,380
that's the Land of Make-Believe that

2154
01:40:05,810 --> 01:40:03,179
some of these people live in Chuck bam

2155
01:40:07,790 --> 01:40:05,820
it's really really ridiculous

2156
01:40:09,590 --> 01:40:07,800
Chu dung says children are stronger than

2157
01:40:13,010 --> 01:40:09,600
adults what usually makes them weak is

2158
01:40:14,450 --> 01:40:13,020
dependence through parents create AKA

2159
01:40:19,129 --> 01:40:14,460
helicopter mom

2160
01:40:20,810 --> 01:40:19,139
well you know I I don't know my children

2161
01:40:22,729 --> 01:40:20,820
one of my children is autistic

2162
01:40:24,770 --> 01:40:22,739
non-verbal so he needs a great deal of

2163
01:40:27,770 --> 01:40:24,780

care more than a normal child

2164

01:40:28,370 --> 01:40:27,780

and I hate that term normal child but

2165

01:40:32,290 --> 01:40:28,380

um

2166

01:40:35,689 --> 01:40:32,300

my six-year-old is very independent and

2167

01:40:38,810 --> 01:40:35,699

nobody's helicoptering mom or dad him

2168

01:40:42,649 --> 01:40:38,820

I think he'll be great in a

2169

01:40:45,169 --> 01:40:42,659

artisonne but we want to raise him up

2170

01:40:48,110 --> 01:40:45,179

right and teach him good lessons

2171

01:40:51,590 --> 01:40:48,120

probably a collaboration between China

2172

01:40:53,570 --> 01:40:51,600

and Russia to test our awareness yeah it

2173

01:40:55,669 --> 01:40:53,580

very well could could have been I

2174

01:40:57,890 --> 01:40:55,679

believe that that's what this was I

2175

01:40:58,970 --> 01:40:57,900

believe this was a test of to see what

2176

01:41:04,490 --> 01:40:58,980

would happen

2177

01:41:08,750 --> 01:41:04,500

uh

2178

01:41:10,850 --> 01:41:08,760

when we encountered it right

2179

01:41:14,510 --> 01:41:10,860

I'm not worried I buried it six feet

2180

01:41:16,610 --> 01:41:14,520

down yeah I'm not worried

2181

01:41:19,610 --> 01:41:16,620

that three or four feet is usually

2182

01:41:21,590 --> 01:41:19,620

enough the urban way but we do I I go

2183

01:41:23,689 --> 01:41:21,600

overboard at that cabin we're gonna make

2184

01:41:26,209 --> 01:41:23,699

sure we're able to communicate get news

2185

01:41:29,870 --> 01:41:26,219

and information in the event of an

2186

01:41:31,790 --> 01:41:29,880

apocalyptic type event uh after all what

2187

01:41:34,090 --> 01:41:31,800

good is an apocalypse cabin if you can't

2188

01:41:38,750 --> 01:41:34,100

survive there and even Thrive there

2189

01:41:43,310 --> 01:41:40,850

wouldn't your phone communication

2190

01:41:44,450 --> 01:41:43,320

equipment be useless if all com Towers

2191

01:41:47,090 --> 01:41:44,460

were down

2192

01:41:51,950 --> 01:41:47,100

uh yeah but there are like-minded people

2193

01:41:53,750 --> 01:41:51,960

and there's uh you know Ham radios uh

2194

01:41:58,310 --> 01:41:53,760

and communication equipment that would

2195

01:42:01,550 --> 01:41:58,320

work after the EMP and in the event that

2196

01:42:04,930 --> 01:42:01,560

they were properly stored during the EMP

2197

01:42:08,689 --> 01:42:04,940

so it would be like sort of a reboot

2198

01:42:10,970 --> 01:42:08,699

uh of electronic equipment right and

2199

01:42:13,189 --> 01:42:10,980

going back to some old things and old

2200

01:42:15,109 --> 01:42:13,199

technology like shortwave radios and Ham

2201

01:42:19,490 --> 01:42:15,119

radios and things like that

2202

01:42:25,850 --> 01:42:21,950

the alien says now he's selling me on a

2203

01:42:27,590 --> 01:42:25,860

cabin well I highly recommend it uh in

2204

01:42:30,050 --> 01:42:27,600

the event of an emergency it's a good

2205

01:42:32,750 --> 01:42:30,060

it's it's a very good thing to have

2206

01:42:36,830 --> 01:42:34,550

Long Island and Bigfoot says I have two

2207

01:42:38,689 --> 01:42:36,840

autistic son my son is still non-verbal

2208

01:42:40,370 --> 01:42:38,699

oh I didn't know that about you Long

2209

01:42:42,709 --> 01:42:40,380

Island Bigfoot we should talk sometime

2210

01:42:44,750 --> 01:42:42,719

and I'm sorry to hear that about your

2211

01:42:47,209 --> 01:42:44,760

son still being non-verbal mine is

2212

01:42:50,570 --> 01:42:47,219

mostly non-verbal he says a few words

2213

01:42:52,790 --> 01:42:50,580

but most of it is uh requests requests

2214

01:42:54,709 --> 01:42:52,800

for food usually right

2215

01:42:56,629 --> 01:42:54,719

he knows some words like cookies

2216

01:43:00,050 --> 01:42:56,639

crackers chips

2217

01:43:01,910 --> 01:43:00,060

CCP is doing a global Flex it's meant to

2218

01:43:04,070 --> 01:43:01,920

say we can enter your airspace and you

2219

01:43:06,709 --> 01:43:04,080

won't do anything about it a test if you

2220

01:43:09,350 --> 01:43:06,719

will they will ramp it up count on it

2221

01:43:10,669 --> 01:43:09,360

yeah that's exactly what I'm thinking

2222

01:43:14,470 --> 01:43:10,679

right

2223

01:43:17,570 --> 01:43:14,480

shovel and cabin stock just went up yeah

2224

01:43:19,129 --> 01:43:17,580

yeah it's interesting to think that I

2225

01:43:21,470 --> 01:43:19,139

believe that this was a test of our

2226

01:43:24,050 --> 01:43:21,480

capabilities and a test to see what

2227

01:43:26,689 --> 01:43:24,060

would we do are we just going to let

2228

01:43:28,550 --> 01:43:26,699

um are we going to just let

2229

01:43:48,649 --> 01:43:28,560

a

2230

01:43:50,390 --> 01:43:48,659

before we knocked it down right

2231

01:43:51,830 --> 01:43:50,400

I can't believe that there was nowhere

2232

01:43:53,510 --> 01:43:51,840

in the United States that they could

2233

01:43:54,709 --> 01:43:53,520

have taken it down safely until it got

2234

01:43:57,410 --> 01:43:54,719

to water

2235

01:43:59,689 --> 01:43:57,420

you know especially in the midwest where

2236

01:44:00,890 --> 01:43:59,699

people there's Farms everywhere that

2237

01:44:05,689 --> 01:44:00,900

thing would have came down in the middle

2238

01:44:07,910 --> 01:44:05,699

of a farm not you know but also I guess

2239

01:44:09,649 --> 01:44:07,920

I wasn't thinking about it but a payload

2240

01:44:12,550 --> 01:44:09,659

the size of a school bus is a pretty big

2241

01:44:18,590 --> 01:44:14,950

so maybe they did the best thing

2242

01:44:20,629 --> 01:44:18,600

possible in order to avoid

2243

01:44:22,490 --> 01:44:20,639

um problems

2244

01:44:24,709 --> 01:44:22,500

and things like that

2245

01:44:32,270 --> 01:44:24,719

who knows right

2246

01:44:37,070 --> 01:44:34,669

I wanted to make an announcement and

2247

01:44:38,810 --> 01:44:37,080

that is that we finally have a website

2248

01:44:40,310 --> 01:44:38,820

2261

01:45:19,310 --> 01:45:17,280

01:45:48,229 --> 01:45:45,000

checking it again but it appears that it

2272

01:45:50,149 --> 01:45:48,239

works quite well and uh this is a great

2273

01:45:52,430 --> 01:45:50,159

2288

01:46:30,530 --> 01:46:27,000

website

2289

01:46:32,930 --> 01:46:30,540

that's huge thank you Long Island

2290

01:46:36,290 --> 01:46:32,940

Bigfoot it only took me two years to do

2291

01:46:38,149 --> 01:46:36,300

it I it's been so long since I had to do

2292

01:46:40,250 --> 01:46:38,159

a website I used to do websites for

2293

01:46:43,850 --> 01:46:40,260

customers and clients

2294

01:46:45,410 --> 01:46:43,860

usually small businesses or bands for a

2295

01:46:48,290 --> 01:46:45,420

while I was doing a lot of bands and

2296

01:46:51,590 --> 01:46:48,300

artists websites I've been a long long

2297

01:46:53,090 --> 01:46:51,600

time since I've had to do that uh and

2298

01:46:55,129 --> 01:46:53,100

it's been an even longer time since I've

2299

01:46:58,729 --> 01:46:55,139

had to do one for myself but we finally

2300

01:47:00,950 --> 01:46:58,739

dug in we got it done and next up if I'm

2301

01:47:03,649 --> 01:47:00,960

I'm feeling like crap because of this

2302

01:47:05,090 --> 01:47:03,659

cold flu thing going on but

2303

01:47:06,950 --> 01:47:05,100

um my next

2304

01:47:08,629 --> 01:47:06,960

thing to get off my to-do list is

2305

01:47:10,550 --> 01:47:08,639

merchandise for all of you who have

2306

01:47:12,109 --> 01:47:10,560

asked I get it you want a shirt you want

2307

01:47:13,070 --> 01:47:12,119

some swag we're going to try to make

2308

01:47:15,410 --> 01:47:13,080

that happen

2309

01:47:16,729 --> 01:47:15,420

M Stone says I think parents are too

2310

01:47:18,470 --> 01:47:16,739

invested in their dream of the future

2311

01:47:20,750 --> 01:47:18,480

for their kids prior to the pandemic

2312

01:47:23,030 --> 01:47:20,760

when in fact it will just prolong

2313

01:47:24,709 --> 01:47:23,040

whatever's going to happen you know

2314

01:47:28,910 --> 01:47:24,719

maybe I don't know one of the most

2315

01:47:31,189 --> 01:47:28,920

worrisome things is being a father to me

2316

01:47:33,050 --> 01:47:31,199

I don't want to

2317

01:47:35,450 --> 01:47:33,060

um

2318

01:47:37,729 --> 01:47:35,460

I don't want to be too protective of my

2319

01:47:41,209 --> 01:47:37,739

child I I want to

2320

01:47:43,850 --> 01:47:41,219

you know teach him the right lessons and

2321

01:47:47,090 --> 01:47:43,860

and and hopefully he comes down a good

2322

01:47:49,010 --> 01:47:47,100

person but it's a lot of worrying that's

2323

01:47:52,250 --> 01:47:49,020

a lot of worrying involved in that like

2324

01:47:55,010 --> 01:47:52,260

am I doing enough am I doing too much am

2325

01:47:57,410 --> 01:47:55,020

I um

2326

01:47:59,450 --> 01:47:57,420

being too protective where I maybe

2327

01:48:03,410 --> 01:47:59,460

should just allow him a little more

2328

01:48:04,010 --> 01:48:03,420

leeway I always worry about these things

2329

01:48:07,910 --> 01:48:04,020

um

2330

01:48:10,310 --> 01:48:07,920

I I always worry about these things

2331

01:48:11,870 --> 01:48:10,320

Stacy Wright says there is a type of

2332

01:48:14,030 --> 01:48:11,880

paint you can buy that will shield your

2333

01:48:15,229 --> 01:48:14,040

room from an EMP it's made in Russia but

2334

01:48:17,030 --> 01:48:15,239

it's available

2335

01:48:19,430 --> 01:48:17,040

oh that's interesting I never heard

2336

01:48:22,570 --> 01:48:19,440

about that I always get the rumble

2337

01:48:24,830 --> 01:48:22,580

notification there you go

2338

01:48:26,689 --> 01:48:24,840

alien scientist says I've been having

2339

01:48:28,850 --> 01:48:26,699

hell with my website I'd like to recycle

2340

01:48:31,070 --> 01:48:28,860

the content from Bob Lazar debunk.com

2341

01:48:33,470 --> 01:48:31,080

maybe you could turn that into a

2342

01:48:36,709 --> 01:48:33,480

permanent page and make a debunk bin on

2343

01:48:38,930 --> 01:48:36,719

your website now maybe yeah good idea

2344

01:48:40,729 --> 01:48:38,940

and Spooky's always right there to

2345

01:48:43,250 --> 01:48:40,739

volunteer me to do a whole lot of work

2346

01:48:47,390 --> 01:48:43,260

good idea

2347

01:48:49,729 --> 01:48:47,400

would entail or what I would have to

2348

01:48:52,129 --> 01:48:49,739

admit right

2349

01:48:54,590 --> 01:48:52,139

em Stone says nobody wants to admit how

2350

01:48:57,410 --> 01:48:54,600

bad the past three years have [h__h]

2351

01:49:01,010 --> 01:48:57,420

the educations of the children yeah

2352

01:49:03,050 --> 01:49:01,020

um kids are behind my son's uh not very

2353

01:49:05,270 --> 01:49:03,060

good with reading I noticed and I

2354

01:49:07,129 --> 01:49:05,280

thought he was but

2355

01:49:09,350 --> 01:49:07,139

he's been playing these PlayStation 5

2356

01:49:11,450 --> 01:49:09,360

video games and he misses when the game

2357

01:49:13,010 --> 01:49:11,460

tells you something in writing

2358

01:49:16,070 --> 01:49:13,020

when the game tells him something

2359

01:49:17,750 --> 01:49:16,080

verbally he understands but when it's

2360

01:49:19,310 --> 01:49:17,760

written on the screen he's missing

2361

01:49:22,790 --> 01:49:19,320

things and I'm like didn't you read that

2362

01:49:23,870 --> 01:49:22,800

and then he's like oh no and I have to

2363

01:49:26,209 --> 01:49:23,880

help him

2364

01:49:27,890 --> 01:49:26,219

so I'm going to be spending some time

2365

01:49:31,430 --> 01:49:27,900

with them we're going to get some more

2366

01:49:32,330 --> 01:49:31,440

books and and deal but yeah a lot of

2367

01:49:34,970 --> 01:49:32,340

kids

2368

01:49:37,729 --> 01:49:34,980

um get got behind

2369

01:49:40,250 --> 01:49:37,739

and you know listen man I can tell you

2370

01:49:43,129 --> 01:49:40,260

from a parent's perspective especially

2371

01:49:45,590 --> 01:49:43,139

an autistic parent's perspective it was

2372

01:49:47,090 --> 01:49:45,600

a literal nightmare having to do remote

2373

01:49:49,129 --> 01:49:47,100

learning

2374

01:49:49,970 --> 01:49:49,139

not so much for

2375

01:49:52,370 --> 01:49:49,980

um

2376

01:49:55,010 --> 01:49:52,380

sorry let me uh let me put my phone on

2377

01:49:56,870 --> 01:49:55,020

do not disturb I apologize and by the

2378

01:49:58,250 --> 01:49:56,880

way did you hear that please don't

2379

01:49:59,629 --> 01:49:58,260

message me at three o'clock in the

2380

01:50:03,109 --> 01:49:59,639

morning people are doing that to me

2381

01:50:07,010 --> 01:50:03,119

again I'm on East Coast time which means

2382

01:50:08,209 --> 01:50:07,020

if you message me 20 times that's what I

2383

01:50:12,050 --> 01:50:08,219

hear at three o'clock in the morning

2384

01:50:14,030 --> 01:50:12,060

ping ping ping ping ping ping ping so

2385

01:50:15,770 --> 01:50:14,040

please ask yourself before you message

2386

01:50:17,870 --> 01:50:15,780

me at three or four o'clock in the

2387

01:50:20,330 --> 01:50:17,880

morning is this important enough to wake

2388

01:50:22,010 --> 01:50:20,340

up Stephen and if not maybe I should

2389

01:50:24,709 --> 01:50:22,020

send this to him during East Coast

2390

01:50:26,149 --> 01:50:24,719

business hours not right now that would

2391

01:50:28,850 --> 01:50:26,159

be great

2392

01:50:31,609 --> 01:50:28,860

um I don't like to put my phone on do

2393

01:50:33,590 --> 01:50:31,619

not disturb because my wife might leave

2394

01:50:36,350 --> 01:50:33,600

for work early in the morning

2395

01:50:38,149 --> 01:50:36,360

or run an errand at four o'clock at five

2396

01:50:41,090 --> 01:50:38,159

o'clock in the morning she does that I

2397

01:50:43,070 --> 01:50:41,100

don't know why who can explain women and

2398

01:50:44,510 --> 01:50:43,080

I can't have my phone on do not disturb

2399

01:50:46,250 --> 01:50:44,520

because if she tries to call me for

2400

01:50:47,510 --> 01:50:46,260

something especially an emergency I want

2401

01:50:49,370 --> 01:50:47,520

to be able to pick up the phone so

2402

01:50:51,470 --> 01:50:49,380

please people

2403

01:50:54,470 --> 01:50:51,480

especially all you crazy people who want

2404

01:50:55,910 --> 01:50:54,480

to send me 27 videos about something at

2405

01:50:58,310 --> 01:50:55,920

three o'clock in the morning don't do it

2406

01:50:59,870 --> 01:50:58,320

please don't do it on messenger please

2407

01:51:02,030 --> 01:50:59,880

don't do it anywhere do it during

2408

01:51:04,609 --> 01:51:02,040

business hours when I'm up like you know

2409

01:51:09,050 --> 01:51:04,619

10 o'clock in the morning till 4 P.M

2410

01:51:14,270 --> 01:51:11,090

I don't like reading in games anymore

2411

01:51:17,390 --> 01:51:14,280

either yeah he's doing good though uh

2412

01:51:20,330 --> 01:51:17,400

but I gotta tell you CR these games are

2413

01:51:24,950 --> 01:51:20,340

aggravating me like

2414

01:51:28,250 --> 01:51:26,750

he came to me

2415

01:51:30,649 --> 01:51:28,260

I was in the office here and he's

2416

01:51:33,169 --> 01:51:30,659

downstairs playing PlayStation

2417

01:51:35,810 --> 01:51:33,179

and he comes and he says Dad I got an

2418

01:51:38,209 --> 01:51:35,820

emergency in Spider-Man I'm like what's

2419

01:51:40,430 --> 01:51:38,219

the matter he goes I got stuck in this

2420

01:51:42,950 --> 01:51:40,440

room this box room and I can't get out

2421

01:51:44,870 --> 01:51:42,960

of it and it won't let me when I reset

2422

01:51:47,030 --> 01:51:44,880

the game it's I'm just in the Box again

2423

01:51:49,550 --> 01:51:47,040

so I had to go and help him figure out

2424

01:51:52,310 --> 01:51:49,560

how to go to the last checkpoint

2425

01:51:53,810 --> 01:51:52,320

and then he suckered me into helping him

2426

01:51:55,910 --> 01:51:53,820

because some of the puzzles in this

2427

01:51:58,370 --> 01:51:55,920

Spider-Man game are like connect

2428

01:52:01,189 --> 01:51:58,380

power conduits and he didn't know how to

2429

01:52:03,470 --> 01:52:01,199

do it neither did I

2430

01:52:05,270 --> 01:52:03,480

told my wife I can't take the stress of

2431

01:52:08,050 --> 01:52:05,280

trying to save the world in the

2432

01:52:11,270 --> 01:52:08,060

Spider-Man game it's too much

2433

01:52:13,609 --> 01:52:11,280

like it's just aggravating if you don't

2434

01:52:15,709 --> 01:52:13,619

know what to do to make the game

2435

01:52:18,290 --> 01:52:15,719

progress and he gets stuck and

2436

01:52:20,209 --> 01:52:18,300

aggravated then he drags me into it and

2437

01:52:22,209 --> 01:52:20,219

I'm getting stuck and aggravated not

2438

01:52:25,010 --> 01:52:22,219

knowing how to make the game progress

2439

01:52:26,270 --> 01:52:25,020

not having fun with that PlayStation so

2440

01:52:28,550 --> 01:52:26,280

far right

2441

01:52:31,490 --> 01:52:28,560

in fact I haven't even started an

2442

01:52:37,970 --> 01:52:31,500

account I keep saying I'm going to do it

2443

01:52:43,430 --> 01:52:39,830

all right so

2444

01:52:45,109 --> 01:52:43,440

we have done our due diligence today

2445

01:52:47,750 --> 01:52:45,119

quite honestly I'm feeling beat up

2446

01:52:49,310 --> 01:52:47,760

enough from this bad cold

2447

01:52:51,050 --> 01:52:49,320

that I was going to kill tonight's show

2448

01:52:53,510 --> 01:52:51,060

and just come back tomorrow but then I

2449

01:52:55,550 --> 01:52:53,520

thought I'd be a a show behind for the

2450

01:52:56,750 --> 01:52:55,560

week and I didn't want to do that

2451

01:52:59,770 --> 01:52:56,760

so

2452

01:53:02,330 --> 01:52:59,780

we showed up

2453

01:53:04,070 --> 01:53:02,340

we powered through and we made it

2454

01:53:05,149 --> 01:53:04,080

through and thank you for being here

2455

01:53:07,609 --> 01:53:05,159

with me

2456

01:53:10,669 --> 01:53:07,619

please excuse my scratchy voice for the

2457

01:53:13,189 --> 01:53:10,679

next couple of days uh I'm gonna go eat

2458

01:53:16,729 --> 01:53:13,199

a bunch of cold pills and vitamin C

2459

01:53:18,530 --> 01:53:16,739

pills and drink some uh eat some chicken

2460

01:53:20,290 --> 01:53:18,540

soup

2461

01:53:23,570 --> 01:53:20,300

it's a rough one

2462

01:53:27,950 --> 01:53:23,580

oh my poor wife I've got a man called my

2463

01:53:33,470 --> 01:53:30,890

chuck if you think so but we would shoot

2464

01:53:36,590 --> 01:53:33,480

a missile down apparently we won't shoot

2465

01:53:37,910 --> 01:53:36,600

a balloon down so a balloon is a

2466

01:53:41,209 --> 01:53:37,920

perfectly good delivery device

2467

01:53:42,890 --> 01:53:41,219

apparently but you're right EMP would

2468

01:53:46,729 --> 01:53:42,900

come from China or Russia Hypersonic

2469

01:53:50,990 --> 01:53:49,250

yeah but it could come from a balloon

2470

01:53:52,609 --> 01:53:51,000

and apparently we would let that balloon

2471

01:53:56,149 --> 01:53:52,619

fly all the way over the United States

2472

01:54:00,590 --> 01:53:58,250

have your children read for one hour a

2473

01:54:06,709 --> 01:54:00,600

day increases reading levels three-fold

2474

01:54:11,450 --> 01:54:09,470

yeah gemstone says hardest working man

2475

01:54:13,070 --> 01:54:11,460

in the biz uh thanks Steve and well

2476
01:54:13,910 --> 01:54:13,080
thanks for being here M Stone good to

2477
01:54:18,970 --> 01:54:13,920
see you

2478
01:54:23,689 --> 01:54:21,010
giving me

2479
01:54:25,550 --> 01:54:23,699
something else to worry about when a

2480
01:54:26,990 --> 01:54:25,560
tsunami happens the animals get the

2481
01:54:28,790 --> 01:54:27,000
message and head to High Ground while

2482
01:54:31,490 --> 01:54:28,800
the Human animals have no idea what is

2483
01:54:33,290 --> 01:54:31,500
about to happen that's true for some

2484
01:54:36,830 --> 01:54:33,300
reason animals know about things like

2485
01:54:38,810 --> 01:54:36,840
earthquakes and uh tsunamis before they

2486
01:54:42,950 --> 01:54:38,820
happen

2487
01:54:48,290 --> 01:54:45,649
yeah a balloon filled with a nuclear

2488
01:54:50,330 --> 01:54:48,300

virus let it come

2489

01:54:51,410 --> 01:54:50,340

uh I don't know you're ready to check

2490

01:54:53,990 --> 01:54:51,420

out yet

2491

01:54:56,450 --> 01:54:54,000

or die a horrible slow death starving to

2492

01:54:58,910 --> 01:54:56,460

death Seraph but I'm not

2493

01:55:01,070 --> 01:54:58,920

CR says disappointing the claims of

2494

01:55:03,550 --> 01:55:01,080

norad's capabilities with this situation

2495

01:55:06,530 --> 01:55:03,560

yeah I think we all are

2496

01:55:07,910 --> 01:55:06,540

apparently anybody could just fly a

2497

01:55:10,129 --> 01:55:07,920

balloon over the continental United

2498

01:55:11,930 --> 01:55:10,139

States and we don't know about it until

2499

01:55:14,270 --> 01:55:11,940

the last minute and we don't shoot it

2500

01:55:17,510 --> 01:55:14,280

down we just let it fly this whole

2501

01:55:19,129 --> 01:55:17,520

situation is is very troubling very

2502

01:55:21,530 --> 01:55:19,139

troubling to me

2503

01:55:23,570 --> 01:55:21,540

wow space dude says love your content

2504

01:55:25,609 --> 01:55:23,580

it's helped me see through a lot of bull

2505

01:55:27,290 --> 01:55:25,619

that I've been through dealing with edge

2506

01:55:30,770 --> 01:55:27,300

of Wonder frauds and losing a ton of

2507

01:55:33,530 --> 01:55:30,780

money yeah and I did get your messages

2508

01:55:35,330 --> 01:55:33,540

and I apologize uh I've put those people

2509

01:55:36,950 --> 01:55:35,340

that you wanted me to look into on my

2510

01:55:38,390 --> 01:55:36,960

list but I would tell you right off the

2511

01:55:40,129 --> 01:55:38,400

but if they're working with edge of

2512

01:55:42,709 --> 01:55:40,139

Wonder they're most likely frauds and

2513

01:55:45,410 --> 01:55:42,719

scammers and you wonder are frauds and

2514

01:55:48,530 --> 01:55:45,420

scammers uh who are employed by a

2515

01:55:50,510 --> 01:55:48,540

Chinese cult falun gong

2516

01:55:52,689 --> 01:55:50,520

and they pretend to be independent

2517

01:55:56,209 --> 01:55:52,699

content creators they're not

2518

01:55:57,890 --> 01:55:56,219

they're working for a Chinese cult have

2519

01:55:59,870 --> 01:55:57,900

your children do chores one hour a day

2520

01:56:03,410 --> 01:55:59,880

it doesn't really benefit them but then

2521

01:56:06,229 --> 01:56:03,420

you don't have to do them so that's nice

2522

01:56:08,629 --> 01:56:06,239

yeah now my kids are pretty spoiled they

2523

01:56:11,149 --> 01:56:08,639

don't have especially my older son is

2524

01:56:13,850 --> 01:56:11,159

autistic he doesn't understand

2525

01:56:15,530 --> 01:56:13,860

he wouldn't be very helpful with chores

2526

01:56:19,729 --> 01:56:15,540

but my younger son he's going to get

2527

01:56:23,930 --> 01:56:22,490

Eisen says that PS5 offer to anyone in

2528

01:56:26,629 --> 01:56:23,940

the community here if you want to play

2529

01:56:30,050 --> 01:56:26,639

in the Discord I'll give you my the

2530

01:56:32,330 --> 01:56:30,060

PlayStation name yeah that's

2531

01:56:35,149 --> 01:56:32,340

um I haven't even begun with PlayStation

2532

01:56:38,330 --> 01:56:35,159

but I will be

2533

01:56:40,669 --> 01:56:38,340

I'll try it eventually uh I keep saying

2534

01:56:43,129 --> 01:56:40,679

I'm gonna get one of these PCS going

2535

01:56:47,270 --> 01:56:43,139

with some older PC games and I mean

2536

01:56:50,229 --> 01:56:47,280

older I'm so behind in games you know

2537

01:56:53,870 --> 01:56:50,239

like I barely played Halo

2538

01:56:55,970 --> 01:56:53,880

one so imagine how far behind I am in

2539

01:56:57,590 --> 01:56:55,980

games just don't have the time or the

2540

01:57:00,050 --> 01:56:57,600

interest I'd rather do other things with

2541

01:57:02,750 --> 01:57:00,060

my spare time I was in Thailand just

2542

01:57:04,910 --> 01:57:02,760

after the tsunami says Gaza ablet a

2543

01:57:07,129 --> 01:57:04,920

whole bunch of dead animals so I don't

2544

01:57:11,090 --> 01:57:07,139

know about that logic yeah some of them

2545

01:57:13,790 --> 01:57:11,100

uh maybe Birds no I think Birds know but

2546

01:57:19,870 --> 01:57:13,800

maybe the other animals not so much

2547

01:57:25,070 --> 01:57:23,390

yeah I had a run-in with this falun gong

2548

01:57:27,770 --> 01:57:25,080

and I even investigated them having

2549

01:57:29,750 --> 01:57:27,780

Chinese slaves working for them and what

2550

01:57:31,129 --> 01:57:29,760

I found out well space dude is that when

2551

01:57:33,169 --> 01:57:31,139

they would show up to an event and they

2552

01:57:36,890 --> 01:57:33,179

had like Chinese 10 Chinese people with

2553

01:57:39,470 --> 01:57:36,900

them those were literally Chinese slaves

2554

01:57:41,530 --> 01:57:39,480

from the cult phylum gong whose job it

2555

01:57:45,770 --> 01:57:41,540

was to work for these two American guys

2556

01:57:48,109 --> 01:57:45,780

it's a dirty situation right

2557

01:57:50,330 --> 01:57:48,119

in all seriousness my five-year-old has

2558

01:57:52,129 --> 01:57:50,340

autism too makes me sad sometimes I need

2559

01:57:54,470 --> 01:57:52,139

to create a sibling for him

2560

01:57:56,390 --> 01:57:54,480

yeah you know

2561

01:57:58,910 --> 01:57:56,400

um we were only going to have one child

2562

01:58:00,890 --> 01:57:58,920

and be done and then our older son is

2563

01:58:03,709 --> 01:58:00,900

autistic and we weren't planning it but

2564

01:58:05,330 --> 01:58:03,719

we had a younger son and I'm really glad

2565

01:58:08,030 --> 01:58:05,340

that we did because

2566

01:58:10,490 --> 01:58:08,040

his younger brother really helps him and

2567

01:58:12,470 --> 01:58:10,500

takes care of him and and those two are

2568

01:58:15,050 --> 01:58:12,480

the like the best of friends

2569

01:58:16,669 --> 01:58:15,060

I hope they always will be and it does

2570

01:58:18,129 --> 01:58:16,679

give me a little bit of comfort knowing

2571

01:58:20,629 --> 01:58:18,139

that

2572

01:58:22,430 --> 01:58:20,639

you know my wife and I aren't going to

2573

01:58:25,370 --> 01:58:22,440

be here forever and I worry about what's

2574

01:58:27,470 --> 01:58:25,380

going to happen to Zachary

2575

01:58:31,430 --> 01:58:27,480

um because he needs so much care after

2576

01:58:33,589 --> 01:58:31,440

we're gone you know now at least I think

2577

01:58:35,390 --> 01:58:33,599

he'll have his younger brother to look

2578

01:58:36,890 --> 01:58:35,400

out for him and make sure he's being

2579

01:58:39,050 --> 01:58:36,900

treated well

2580

01:58:41,030 --> 01:58:39,060

in like a group home or something that

2581

01:58:44,390 --> 01:58:41,040

he may end up in after we're too old to

2582

01:58:45,410 --> 01:58:44,400

care for him or or die

2583

01:58:47,030 --> 01:58:45,420

um

2584

01:58:49,430 --> 01:58:47,040

that gives me a little bit of comfort

2585

01:58:51,229 --> 01:58:49,440

and they're like best friends uh they

2586

01:58:53,330 --> 01:58:51,239

really love each other so

2587

01:58:55,250 --> 01:58:53,340

I'm confident that his younger brother

2588

01:58:57,470 --> 01:58:55,260

will always make sure that he's well

2589

01:58:59,510 --> 01:58:57,480

cared for and taken care of well

2590

01:59:01,609 --> 01:58:59,520

and and that gives me

2591

01:59:04,910 --> 01:59:01,619

a good deal of comfort about the future

2592

01:59:07,910 --> 01:59:04,920

you know so it was a good it was a good

2593

01:59:09,589 --> 01:59:07,920

idea to have another child uh if for

2594

01:59:11,810 --> 01:59:09,599

nothing else than to make sure that

2595

01:59:14,330 --> 01:59:11,820

Zachary is always has somebody in his

2596

01:59:16,910 --> 01:59:14,340

corner somebody looking out for him and

2597

01:59:19,129 --> 01:59:16,920

making sure that he's being cared for

2598

01:59:20,870 --> 01:59:19,139

and taken care of

2599

01:59:23,870 --> 01:59:20,880

and with that

2600

01:59:25,790 --> 01:59:23,880

so that's all we got for your friends uh

2601
01:59:27,229 --> 01:59:25,800
we'll be back tomorrow night 9 p.m

2602

Eastern Time

2603
01:59:31,129 --> 01:59:30,420
