[Music]

2
00:01:34,600 --> 00:01:15,270
foreign

3
00:02:14,089 --> 00:01:49,570
[Music]

4
00:02:14,099 --> 00:02:17,650
foreign

5
00:02:17,660 --> 00:02:39,650
[Music]

6
00:02:39,660 --> 00:02:43,110
foreign

7
00:03:14,260 --> 00:03:11,930
[Music]

8
00:03:52,449 --> 00:03:14,270
foreign

9
00:03:56,330 --> 00:03:52,459
[Music]

10
00:04:01,369 --> 00:03:58,369
greetings and

11
00:04:05,030 --> 00:04:01,379
salutations and welcome back friends I'm

12
00:04:07,369 --> 00:04:05,040
happy to be back after a weekend away uh

13
00:04:09,830 --> 00:04:07,379

and what a weekend it has been because

14

00:04:12,410 --> 00:04:09,840

all weekend apparently

15

00:04:16,310 --> 00:04:12,420

things were being shot down over

16

00:04:18,409 --> 00:04:16,320

Canadian and American Skies an

17

00:04:21,710 --> 00:04:18,419

unprecedented

18

00:04:25,370 --> 00:04:21,720

slurry of military activity in the Skies

19

00:04:28,010 --> 00:04:25,380

over Alaska the United States proper or

20

00:04:30,050 --> 00:04:28,020

continental United States and uh the

21

00:04:31,490 --> 00:04:30,060

nation of Canada

22

00:04:33,469 --> 00:04:31,500

but

23

00:04:37,430 --> 00:04:33,479

um the more

24

00:04:41,990 --> 00:04:37,440

coverage of these events I watched the

25

00:04:45,770 --> 00:04:42,000

more questions I had rather than answers

26

00:04:48,950 --> 00:04:45,780

so I started to dig in and go to some

27

00:04:51,650 --> 00:04:48,960

information information sources of my

28

00:04:54,249 --> 00:04:51,660

own within the military that I know and

29

00:04:56,150 --> 00:04:54,259

trust to give me accurate information

30

00:05:00,230 --> 00:04:56,160

and more

31

00:05:02,749 --> 00:05:00,240

and really dig in and uh one of the

32

00:05:06,409 --> 00:05:02,759

things that I found most troubling is

33

00:05:09,350 --> 00:05:06,419

the inconsistent reporting

34

00:05:11,030 --> 00:05:09,360

uh and we are going to dig deeper into

35

00:05:17,030 --> 00:05:11,040

that tonight we're going to go deep on

36

00:05:19,730 --> 00:05:17,040

these events and try to uh bring you the

37

00:05:21,650 --> 00:05:19,740

real information now another thing that

38

00:05:24,469 --> 00:05:21,660

I noticed over the weekend while

39

00:05:27,969 --> 00:05:24,479

monitoring this situation is that there

40

00:05:31,430 --> 00:05:27,979

is an absolute

41

00:05:35,330 --> 00:05:31,440

Mountain a Mudslide of disinformation

42

00:05:37,550 --> 00:05:35,340

fake information misinformation and

43

00:05:39,409 --> 00:05:37,560

grifting going on

44

00:05:42,350 --> 00:05:39,419

and uh

45

00:05:44,570 --> 00:05:42,360

the best example I can give of this too

46

00:05:46,310 --> 00:05:44,580

and this by the way is not just the

47

00:05:49,310 --> 00:05:46,320

alternative media

48

00:05:51,890 --> 00:05:49,320

those sources in conspiracy land that

49

00:05:53,330 --> 00:05:51,900

you tune into to get their take on

50

00:05:56,090 --> 00:05:53,340

things

51
00:05:59,210 --> 00:05:56,100
um it appears that across all aspects of

52
00:06:02,529 --> 00:05:59,220
the media there is a great deal of

53
00:06:05,810 --> 00:06:02,539
misinformation disinformation and

54
00:06:07,310 --> 00:06:05,820
inconsistent reporting going on about

55
00:06:10,249 --> 00:06:07,320
these objects

56
00:06:12,710 --> 00:06:10,259
first of all multiple or most most

57
00:06:15,650 --> 00:06:12,720
organizations especially in the

58
00:06:17,990 --> 00:06:15,660
mainstream media are reporting all of

59
00:06:20,749 --> 00:06:18,000
the objects as UFOs

60
00:06:23,330 --> 00:06:20,759
even as high-ranking senators and

61
00:06:26,050 --> 00:06:23,340
Military sources are confirming that the

62
00:06:29,450 --> 00:06:26,060
objects were balloons

63
00:06:31,730 --> 00:06:29,460

and look at this reporting well this one

64

00:06:33,890 --> 00:06:31,740

was shaped like an octagon this one was

65

00:06:36,050 --> 00:06:33,900

spherical shaped

66

00:06:40,189 --> 00:06:36,060

um all of those things can be balloons

67

00:06:42,950 --> 00:06:40,199

so immediately I was perplexed by the

68

00:06:46,189 --> 00:06:42,960

amount of strange

69

00:06:49,430 --> 00:06:46,199

let's just say disconnects in reporting

70

00:06:52,430 --> 00:06:49,440

how is it that uh Senator Chuck Schumer

71

00:06:54,469 --> 00:06:52,440

and several others I've found confirmed

72

00:06:56,090 --> 00:06:54,479

at the time when there was three

73

00:06:58,430 --> 00:06:56,100

balloons

74

00:06:59,629 --> 00:06:58,440

pardon me we'll call them objects for

75

00:07:02,809 --> 00:06:59,639

now

76
00:07:05,629 --> 00:07:02,819
at the time when there was three objects

77
00:07:08,270 --> 00:07:05,639
shot down Senator Chuck Schumer several

78
00:07:10,070 --> 00:07:08,280
others and several military sources were

79
00:07:12,710 --> 00:07:10,080
confirming that the objects were

80
00:07:18,350 --> 00:07:15,770
Friends by definition if the objects or

81
00:07:21,409 --> 00:07:18,360
balloons they are not unidentified

82
00:07:24,230 --> 00:07:21,419
either whatever term you want to use if

83
00:07:27,710 --> 00:07:24,240
you prefer the older unidentified flying

84
00:07:29,689 --> 00:07:27,720
object a balloon once identified provide

85
00:07:32,510 --> 00:07:29,699
as a balloon is not an unidentified

86
00:07:35,029 --> 00:07:32,520
flying object a balloon once identified

87
00:07:37,490 --> 00:07:35,039
as a balloon is not an unidentified

88
00:07:40,189 --> 00:07:37,500

aerial phenomenon

89

00:07:43,189 --> 00:07:40,199

neither of those terms fit and yet

90

00:07:46,689 --> 00:07:43,199

somehow most or all members of the media

91

00:07:51,529 --> 00:07:46,699

were still using the terms UAP and UFO

92

00:07:56,150 --> 00:07:51,539

interchangeably now uh I I have my own

93

00:07:57,770 --> 00:07:56,160

suspensions of why that is after all uh I

94

00:08:00,170 --> 00:07:57,780

think if you look at it from a

95

00:08:02,870 --> 00:08:00,180

perspective of clicks and Views and

96

00:08:05,150 --> 00:08:02,880

traffic right

97

00:08:08,629 --> 00:08:05,160

um you're going to get more clicks and

98

00:08:11,749 --> 00:08:08,639

views on us shoots down UFOs than you

99

00:08:14,870 --> 00:08:11,759

are with the same story saying U.S

100

00:08:16,969 --> 00:08:14,880

shoots down balloons so we've got

101
00:08:19,550 --> 00:08:16,979
multiple or most news organizations

102
00:08:22,610 --> 00:08:19,560
reporting all the objects even the first

103
00:08:26,029 --> 00:08:22,620
one where we all saw videos and films of

104
00:08:27,830 --> 00:08:26,039
it being a balloon being reported as a

105
00:08:29,930 --> 00:08:27,840
UFO shot down

106
00:08:33,949 --> 00:08:29,940
over the coast of the Carolinas it

107
00:08:36,350 --> 00:08:33,959
wasn't a UFO so I'm kind of uh

108
00:08:39,050 --> 00:08:36,360
you know it's true part of me was

109
00:08:41,990 --> 00:08:39,060
shocked by the inaccuracy of the

110
00:08:45,110 --> 00:08:42,000
reporting that we see and this is not

111
00:08:48,710 --> 00:08:45,120
just in conspiracy land shows this is in

112
00:08:51,710 --> 00:08:48,720
on CNN on Fox news on MSN on NBC News

113
00:08:55,310 --> 00:08:51,720

CBS News all of them doing the same

114

00:08:57,829 --> 00:08:55,320

thing calling these objects which

115

00:09:01,310 --> 00:08:57,839

it could be arguably said have been

116

00:09:06,710 --> 00:09:01,320

identified calling them UFOs

117

00:09:12,949 --> 00:09:09,949

I just don't understand how an editor at

118

00:09:15,590 --> 00:09:12,959

these organizations or a producer or

119

00:09:19,310 --> 00:09:15,600

someone in charge of the the headlines

120

00:09:21,230 --> 00:09:19,320

going out doesn't stop and say but wait

121

00:09:22,970 --> 00:09:21,240

a minute they're not unidentified if

122

00:09:25,009 --> 00:09:22,980

they're balloons they're not

123

00:09:27,050 --> 00:09:25,019

unidentified aerial phenomenon they're

124

00:09:28,910 --> 00:09:27,060

not unidentified flying objects they're

125

00:09:31,009 --> 00:09:28,920

balloons this has been confirmed by

126
00:09:33,110 --> 00:09:31,019
high-ranking Senators these objects were

127
00:09:36,470 --> 00:09:33,120
balloons we shouldn't write that

128
00:09:40,430 --> 00:09:36,480
headline and yet the headlines went out

129
00:09:43,910 --> 00:09:40,440
and much like we saw after the 2017 New

130
00:09:45,590 --> 00:09:43,920
York Times article piece on Lou Elizondo

131
00:09:48,790 --> 00:09:45,600
uh

132
00:09:52,790 --> 00:09:48,800
that was filled with inaccuracies

133
00:09:55,850 --> 00:09:52,800
half-truths and outright lies the lazy

134
00:09:57,590 --> 00:09:55,860
mainstream media apparently once a few

135
00:09:59,690 --> 00:09:57,600
of these organizations did this

136
00:10:02,389 --> 00:09:59,700
everybody just copied and pasted

137
00:10:04,610 --> 00:10:02,399
headlines change a few words get

138
00:10:08,150 --> 00:10:04,620

somebody to write the story that was on

139

00:10:10,550 --> 00:10:08,160

MSN again but put it on CNN but we'll

140

00:10:13,970 --> 00:10:10,560

change the wording around right

141

00:10:16,130 --> 00:10:13,980

this appears to be exactly like what

142

00:10:19,130 --> 00:10:16,140

happened in the situation of this Lou

143

00:10:21,170 --> 00:10:19,140

Elizondo horrible horrible story in the

144

00:10:23,150 --> 00:10:21,180

New York Times that was filled with

145

00:10:25,790 --> 00:10:23,160

outright lies

146

00:10:28,310 --> 00:10:25,800

other media Outlets saw the traffic that

147

00:10:31,730 --> 00:10:28,320

story got and just started copying and

148

00:10:34,550 --> 00:10:31,740

pasting and cloning the story from the

149

00:10:36,530 --> 00:10:34,560

original news Outlet now I tried to do

150

00:10:40,130 --> 00:10:36,540

an analysis to track down the first few

151
00:10:42,949 --> 00:10:40,140
who did this I wasn't able to really get

152
00:10:45,550 --> 00:10:42,959
to the heart of that matter

153
00:10:48,590 --> 00:10:45,560
um now on to this information

154
00:10:52,370 --> 00:10:48,600
as you could well predict

155
00:10:56,630 --> 00:10:52,380
um there is a great number of UFO

156
00:11:01,430 --> 00:10:56,640
profiteering hucksters that are are all

157
00:11:06,230 --> 00:11:01,440
trying to cash in on some things

158
00:11:10,910 --> 00:11:09,530
I appear to have lost my One camera so I

159
00:11:12,650 --> 00:11:10,920
apologize

160
00:11:16,430 --> 00:11:12,660
well let's go to this one's a little

161
00:11:20,210 --> 00:11:16,440
better okay so what we've got is we've

162
00:11:23,569 --> 00:11:20,220
got uh an epidemic an epidemic of UFO

163
00:11:26,750 --> 00:11:23,579

profiteering hucksters who are all

164

00:11:29,509 --> 00:11:26,760

cashing in on these events claiming that

165

00:11:30,470 --> 00:11:29,519

these things are aliens and I just want

166

00:11:33,410 --> 00:11:30,480

to say

167

00:11:35,750 --> 00:11:33,420

that I can't express my disappointment

168

00:11:38,870 --> 00:11:35,760

with all of the clowns doing this enough

169

00:11:43,730 --> 00:11:38,880

well but to be clear we have two

170

00:11:45,650 --> 00:11:43,740

different Avenues of of uh of story that

171

00:11:47,990 --> 00:11:45,660

are going out

172

00:11:49,910 --> 00:11:48,000

um and the First Avenue is that these

173

00:11:52,490 --> 00:11:49,920

are aliens

174

00:11:54,410 --> 00:11:52,500

um which I uh completely and totally

175

00:11:57,410 --> 00:11:54,420

disagree with although that would be

176

00:12:00,050 --> 00:11:57,420
cooler than balloons wouldn't it

177

00:12:02,329 --> 00:12:00,060
um no there is absolutely positively

178

00:12:04,910 --> 00:12:02,339
zero evidence that these are alien

179

00:12:05,630 --> 00:12:04,920
spacecraft so let's get that out of the

180

00:12:08,990 --> 00:12:05,640
way

181

00:12:10,389 --> 00:12:09,000
and then the other Avenue of

182

00:12:15,050 --> 00:12:10,399
disinformation

183

00:12:17,150 --> 00:12:15,060
that I've seen is the people all of

184

00:12:20,389 --> 00:12:17,160
which usually who are making money with

185

00:12:22,850 --> 00:12:20,399
and from Dr Steven Greer or associated

186

00:12:25,490 --> 00:12:22,860
with Dr Stephen Greer are all saying

187

00:12:29,170 --> 00:12:25,500
that this is the start of the fake Alien

188

00:12:31,790 --> 00:12:29,180

Invasion but we can see

189

00:12:33,710 --> 00:12:31,800

absolute proof that that can't be the

190

00:12:35,090 --> 00:12:33,720

case because according to Greer and many

191

00:12:37,430 --> 00:12:35,100

of the other people this is supposed to

192

00:12:40,190 --> 00:12:37,440

be Project Blue beam was supposed to be

193

00:12:42,769 --> 00:12:40,200

that event in which Holograms of

194

00:12:44,389 --> 00:12:42,779

advanced Starships would be projected in

195

00:12:46,190 --> 00:12:44,399

the skies fooling everybody into

196

00:12:48,290 --> 00:12:46,200

believing there's an alien invasion so

197

00:12:49,730 --> 00:12:48,300

they could take over the world well

198

00:12:53,269 --> 00:12:49,740

first of all

199

00:12:56,150 --> 00:12:53,279

Dr Stephen Greer is the biggest grifter

200

00:12:58,670 --> 00:12:56,160

slime ball scumball liar

201
00:12:59,930 --> 00:12:58,680
ever to put his name next to the word

202
00:13:02,569 --> 00:12:59,940
UFOs

203
00:13:06,949 --> 00:13:02,579
he has been responsible for countless

204
00:13:09,829 --> 00:13:06,959
hoaxes fake UFOs fake aliens fake

205
00:13:11,690 --> 00:13:09,839
pictures of aliens fake pictures of I

206
00:13:14,870 --> 00:13:11,700
guess interdimensional aliens that

207
00:13:18,230 --> 00:13:14,880
turned out to be moths and more

208
00:13:20,569 --> 00:13:18,240
and he is not a credible source of

209
00:13:23,269 --> 00:13:20,579
information but that doesn't stop people

210
00:13:25,670 --> 00:13:23,279
from repeating his narratives as if they

211
00:13:28,190 --> 00:13:25,680
were true so of course we've got third

212
00:13:30,410 --> 00:13:28,200
phase of fake the cousins idiot brothers

213
00:13:34,129 --> 00:13:30,420

running around

214

00:13:36,470 --> 00:13:34,139

um yeah hey These Are UFOs they did the

215

00:13:38,629 --> 00:13:36,480

same thing everybody else did their

216

00:13:40,490 --> 00:13:38,639

clickbait titles all saying the

217

00:13:42,730 --> 00:13:40,500

government shooting down UFOs they're

218

00:13:45,530 --> 00:13:42,740

not UFOs 100

219

00:13:48,470 --> 00:13:45,540

inaccurate titles they knew they weren't

220

00:13:50,629 --> 00:13:48,480

UFOs they used the word UFOs anyway why

221

00:13:54,050 --> 00:13:50,639

so they could get more clicks and Views

222

00:13:56,150 --> 00:13:54,060

then we've got grift on idiot uh saying

223

00:13:58,730 --> 00:13:56,160

that this is the start of an alien

224

00:14:01,310 --> 00:13:58,740

invasion but don't worry he put a

225

00:14:03,530 --> 00:14:01,320

question mark behind it so it absolves

226

00:14:06,710 --> 00:14:03,540

him from any responsibility of doing

227

00:14:09,110 --> 00:14:06,720

that and the stupid people all flock to

228

00:14:12,110 --> 00:14:09,120

people like third phase of fake and

229

00:14:14,569 --> 00:14:12,120

Grifton who are gonna lie to you and

230

00:14:17,269 --> 00:14:14,579

tell you false information because they

231

00:14:19,970 --> 00:14:17,279

know it's what you want to hear

232

00:14:22,670 --> 00:14:19,980

so congratulations to get a big influx

233

00:14:26,410 --> 00:14:22,680

of new stupid people listening to them

234

00:14:29,030 --> 00:14:26,420

lied it lie to make money

235

00:14:33,470 --> 00:14:29,040

and quite honestly

236

00:14:36,050 --> 00:14:33,480

I was enraged when I saw the amount of

237

00:14:39,290 --> 00:14:36,060

traffic that the grift Squad are all

238

00:14:43,310 --> 00:14:39,300

getting who were all pro-alien were

239

00:14:46,069 --> 00:14:43,320

pro-ufo and not giving the audience the

240

00:14:48,949 --> 00:14:46,079

actual evidence not giving them the

241

00:14:51,949 --> 00:14:48,959

actual truth not telling them the truth

242

00:14:54,590 --> 00:14:51,959

about what's actually happening but

243

00:14:56,629 --> 00:14:54,600

instead using these events as an

244

00:15:01,189 --> 00:14:56,639

opportunity to grift money out of people

245

00:15:03,889 --> 00:15:01,199

stupid people gullible people or perhaps

246

00:15:06,650 --> 00:15:03,899

just desperate people who so desperately

247

00:15:08,870 --> 00:15:06,660

want to cling to their faith-based

248

00:15:11,810 --> 00:15:08,880

belief that the aliens are coming any

249

00:15:15,829 --> 00:15:11,820

day now that they'll listen to scammy

250

00:15:17,810 --> 00:15:15,839

scammers like third phase of fake grift

251

00:15:20,210 --> 00:15:17,820

on and others

252

00:15:21,949 --> 00:15:20,220

we want to thank Anthony Peterson for a

253

00:15:23,629 --> 00:15:21,959

Kind and Generous two dollar Super Chat

254

00:15:26,030 --> 00:15:23,639

thank you for your kindness generosity

255

00:15:28,490 --> 00:15:26,040

and support of the show it is much much

256

00:15:30,410 --> 00:15:28,500

appreciated thank you my friend for

257

00:15:32,150 --> 00:15:30,420

helping us we are a viewer supported

258

00:15:35,629 --> 00:15:32,160

show thank you for helping to support

259

00:15:39,230 --> 00:15:35,639

the show helping us to praise the cash

260

00:15:45,290 --> 00:15:43,129

so I suppose uh you know I'm glad that I

261

00:15:47,509 --> 00:15:45,300

did not broadcast yesterday because I

262

00:15:50,509 --> 00:15:47,519

needed a day to get out of my bad mood

263

00:15:54,110 --> 00:15:50,519

and come to terms with the fact that we

264

00:15:57,170 --> 00:15:54,120

will always pay a truth tax here what do

265

00:16:01,090 --> 00:15:57,180

I mean we don't lie to audiences not

266

00:16:03,769 --> 00:16:01,100

intentionally not not you know if

267

00:16:05,750 --> 00:16:03,779

anything within our power to give our

268

00:16:07,490 --> 00:16:05,760

audience all the facts all the evidence

269

00:16:12,470 --> 00:16:07,500

we do

270

00:16:14,509 --> 00:16:12,480

know

271

00:16:16,610 --> 00:16:14,519

give the audience what they want and

272

00:16:19,490 --> 00:16:16,620

apparently what the UFO audience what

273

00:16:22,310 --> 00:16:19,500

what they want is to

274

00:16:25,550 --> 00:16:22,320

they want to know that these are aliens

275

00:16:27,769 --> 00:16:25,560

not balloons so they're scummy people

276

00:16:30,650 --> 00:16:27,779

like grift on and third phase and

277

00:16:32,810 --> 00:16:30,660

everybody else doing this stuff more

278

00:16:34,730 --> 00:16:32,820

than willing to tell people these are

279

00:16:40,670 --> 00:16:34,740

aliens or this is the start of Stephen

280

00:16:47,030 --> 00:16:43,269

pleased

281

00:16:49,129 --> 00:16:47,040

you audio files

282

00:16:50,870 --> 00:16:49,139

will have to excuse my coughing and

283

00:16:53,509 --> 00:16:50,880

acting still got a terrible man flu

284

00:16:55,850 --> 00:16:53,519

we're getting over it so

285

00:16:58,670 --> 00:16:55,860

I want to share with you just some of

286

00:17:00,470 --> 00:16:58,680

the ridiculous disinformation

287

00:17:03,470 --> 00:17:00,480

and um

288

00:17:06,350 --> 00:17:03,480

it's it's very troubling to me it's very

289

00:17:08,569 --> 00:17:06,360

troubling to me that this stuff is out

290

00:17:12,829 --> 00:17:10,789

um here's one great example I found and

291

00:17:14,630 --> 00:17:12,839

by the way I have a background in

292

00:17:17,329 --> 00:17:14,640

computer science and one of the things

293

00:17:20,110 --> 00:17:17,339

that bothers me about things that I

294

00:17:22,370 --> 00:17:20,120

believe are psyops or at the very least

295

00:17:25,789 --> 00:17:22,380

there are events that have happened

296

00:17:28,850 --> 00:17:25,799

within the UFO Community where I truly

297

00:17:31,190 --> 00:17:28,860

truly believe that some nefarious

298

00:17:34,250 --> 00:17:31,200

government organization puts their thumb

299

00:17:38,510 --> 00:17:34,260

on the scale of an event

300

00:17:40,850 --> 00:17:38,520

and they try to influence infiltrate and

301
00:17:43,250 --> 00:17:40,860
influence the UFO community and for

302
00:17:44,690 --> 00:17:43,260
anybody who thinks that I'm crazy it's a

303
00:17:46,850 --> 00:17:44,700
proven fact that the United States

304
00:17:49,750 --> 00:17:46,860
government has infiltrated tried to

305
00:17:52,850 --> 00:17:49,760
influence spied on and manipulated

306
00:17:55,070 --> 00:17:52,860
members of the UFO Community several

307
00:17:57,070 --> 00:17:55,080
times before these are facts these are

308
00:18:00,529 --> 00:17:57,080
irrefutable facts that that has happened

309
00:18:03,110 --> 00:18:00,539
so I believe that there are times where

310
00:18:05,950 --> 00:18:03,120
stories break and get pushed into the

311
00:18:09,409 --> 00:18:05,960
UFO Community this being one of them

312
00:18:10,430 --> 00:18:09,419
where somebody has their thumb on the

313
00:18:13,909 --> 00:18:10,440

scale

314

00:18:17,210 --> 00:18:13,919

and suddenly cyborg grifters are getting

315

00:18:19,070 --> 00:18:17,220

twice the viewers right that they

316

00:18:21,590 --> 00:18:19,080

usually would get

317

00:18:26,870 --> 00:18:21,600

and twice the views

318

00:18:27,470 --> 00:18:26,880

and suddenly all over UFO Twitter we see

319

00:18:29,930 --> 00:18:27,480

um

320

00:18:32,810 --> 00:18:29,940

nameless faceless accounts does this

321

00:18:34,970 --> 00:18:32,820

sound familiar nameless faceless brand

322

00:18:38,570 --> 00:18:34,980

new Twitter accounts all created within

323

00:18:42,049 --> 00:18:38,580

the last year are all pushing the false

324

00:18:44,210 --> 00:18:42,059

information about these events are

325

00:18:47,270 --> 00:18:44,220

either pushing it's aliens it's

326

00:18:50,270 --> 00:18:47,280

definitely got to be aliens or the

327

00:18:51,890 --> 00:18:50,280

Stephen Greer false flag Alien Invasion

328

00:18:54,409 --> 00:18:51,900

thing

329

00:18:56,810 --> 00:18:54,419

uh by the way the only source for that

330

00:18:59,810 --> 00:18:56,820

was a woman named Carol rosin who claims

331

00:19:01,549 --> 00:18:59,820

that she worked for Werner Von Braun no

332

00:19:03,950 --> 00:19:01,559

one ever heard Werner Von Braun say

333

00:19:06,169 --> 00:19:03,960

these things so it is literally when

334

00:19:08,270 --> 00:19:06,179

Stephen Greer does this by the way he

335

00:19:10,669 --> 00:19:08,280

raised half a million dollars to tell us

336

00:19:12,890 --> 00:19:10,679

all about that right

337

00:19:16,490 --> 00:19:12,900

and he only spent what 10 or 20 on the

338

00:19:18,529 --> 00:19:16,500

actual documentary great grift but

339

00:19:21,350 --> 00:19:18,539

the only person who ever heard

340

00:19:23,570 --> 00:19:21,360

this was Carol rosin who heard it from

341

00:19:25,669 --> 00:19:23,580

Werner Von Braun at least that's the

342

00:19:28,789 --> 00:19:25,679

story so then it goes to Stephen Greer

343

00:19:32,169 --> 00:19:28,799

and we've got a third hand account

344

00:19:34,789 --> 00:19:32,179

of hearsay from a Dead Nazi scientist

345

00:19:37,370 --> 00:19:34,799

saying that the plan is to do a fake

346

00:19:39,470 --> 00:19:37,380

Alien Invasion and we're all supposed to

347

00:19:41,450 --> 00:19:39,480

believe it and here we have one of these

348

00:19:43,010 --> 00:19:41,460

nameless faceless brand new Twitter

349

00:19:45,350 --> 00:19:43,020

account

350

00:19:47,570 --> 00:19:45,360

and they say according to reputable

351

00:19:49,970 --> 00:19:47,580

sources who are the reputable sources

352

00:19:52,010 --> 00:19:49,980

Stephen Greer is a reputable source is a

353

00:19:55,190 --> 00:19:52,020

man who's been caught lying who's been

354

00:19:57,890 --> 00:19:55,200

grifting and scamming the UFO believer

355

00:20:00,830 --> 00:19:57,900

Community for 20 years he's a reputable

356

00:20:05,270 --> 00:20:00,840

Source right oh no then they play this

357

00:20:07,130 --> 00:20:05,280

video right which is great and I'm so

358

00:20:09,770 --> 00:20:07,140

glad that I was familiar with this to

359

00:20:11,750 --> 00:20:09,780

instantly identify it but the post from

360

00:20:12,770 --> 00:20:11,760

the nameless faceless

361

00:20:14,330 --> 00:20:12,780

um

362

00:20:20,150 --> 00:20:14,340

Twitter account

363

00:20:22,730 --> 00:20:20,160

I completed my analysis on this aspect

364

00:20:25,850 --> 00:20:22,740

of all these events today and what I can

365

00:20:31,669 --> 00:20:29,029

that right now there are hundreds and

366

00:20:34,010 --> 00:20:31,679

hundreds and hundreds of nameless

367

00:20:36,049 --> 00:20:34,020

faceless Twitter accounts all created

368

00:20:38,169 --> 00:20:36,059

within the last year with no real

369

00:20:41,270 --> 00:20:38,179

identities no real profile pictures

370

00:20:43,610 --> 00:20:41,280

again all nameless faceless accounts in

371

00:20:45,409 --> 00:20:43,620

other words sock accounts there are

372

00:20:47,650 --> 00:20:45,419

hundreds and hundreds and hundreds of

373

00:20:50,450 --> 00:20:47,660

sock accounts right now on Twitter

374

00:20:53,090 --> 00:20:50,460

pushing one of two narratives either

375

00:20:55,250 --> 00:20:53,100

that all these objects being shot down

376

00:20:56,930 --> 00:20:55,260

by the United States governments they're

377

00:20:59,750 --> 00:20:56,940

really aliens and the government is

378

00:21:02,450 --> 00:20:59,760

lying to us and this is the start of of

379

00:21:03,529 --> 00:21:02,460

disclosure and aliens coming here and

380

00:21:06,110 --> 00:21:03,539

they're going to have to tell us the

381

00:21:08,450 --> 00:21:06,120

truth and the second narrative is the

382

00:21:10,310 --> 00:21:08,460

Steven Greer this is the beginning of

383

00:21:12,650 --> 00:21:10,320

the false flag narrative so

384

00:21:14,990 --> 00:21:12,660

congratulations to idiots like Griffon

385

00:21:18,110 --> 00:21:15,000

because you are now part of a government

386

00:21:20,510 --> 00:21:18,120

psyop you dummy

387

00:21:22,669 --> 00:21:20,520

um my analysis completed today proves

388

00:21:24,770 --> 00:21:22,679

that there is something strange going on

389

00:21:26,810 --> 00:21:24,780

when suddenly there's hundreds of

390

00:21:29,870 --> 00:21:26,820

accounts all

391

00:21:33,169 --> 00:21:29,880

and by the way I spreadsheeted them

392

00:21:34,549 --> 00:21:33,179

um it's statistically impossible for

393

00:21:36,230 --> 00:21:34,559

this to happen

394

00:21:38,950 --> 00:21:36,240

unless

395

00:21:42,590 --> 00:21:38,960

somebody's got their thumb on the scale

396

00:21:45,409 --> 00:21:42,600

trying to manipulate perceptions about

397

00:21:47,029 --> 00:21:45,419

these events

398

00:21:49,070 --> 00:21:47,039

so

399

00:21:52,010 --> 00:21:49,080

this account says according to reputable

400

00:21:54,529 --> 00:21:52,020

sources the government are going to take

401
00:21:57,890 --> 00:21:54,539
are going to fake part of me a global

402
00:22:01,250 --> 00:21:57,900
Alien Invasion approximately near the

403
00:22:03,770 --> 00:22:01,260
year 2024 in order to form a One World

404
00:22:07,070 --> 00:22:03,780
Government remember they have a

405
00:22:08,450 --> 00:22:07,080
technology called project bluebeam and

406
00:22:10,549 --> 00:22:08,460
by the way

407
00:22:12,950 --> 00:22:10,559
it's easy to prove that this wasn't

408
00:22:15,230 --> 00:22:12,960
project bluebeam because we saw these

409
00:22:16,549 --> 00:22:15,240
objects were solid we saw them at least

410
00:22:19,610 --> 00:22:16,559
the first one

411
00:22:21,110 --> 00:22:19,620
being shot out of the sky by a missile a

412
00:22:23,930 --> 00:22:21,120
missile would go right through a

413
00:22:26,149 --> 00:22:23,940

hologram or a a projection

414

00:22:28,850 --> 00:22:26,159

a missile does not go through a solid

415

00:22:31,789 --> 00:22:28,860

object that's real so the people pushing

416

00:22:34,310 --> 00:22:31,799

bluebeam hey I love old conspiracy

417

00:22:37,190 --> 00:22:34,320

nonsense as much as the next person this

418

00:22:40,190 --> 00:22:37,200

is not bluebeam these are real and solid

419

00:22:42,649 --> 00:22:40,200

objects but

420

00:22:44,169 --> 00:22:42,659

Let's uh oh let me put my fair use

421

00:22:47,930 --> 00:22:44,179

banner up

422

00:22:50,510 --> 00:22:47,940

uh one second

423

00:22:53,090 --> 00:22:50,520

let me uh

424

00:22:55,010 --> 00:22:53,100

let me find that this is fair use this

425

00:22:57,909 --> 00:22:55,020

is a transformative work and wait till I

426

00:23:00,890 --> 00:22:57,919

tell you what what

427

00:23:03,770 --> 00:23:00,900

this reliable source that this nameless

428

00:23:06,310 --> 00:23:03,780

faceless Twitter account is using is

429

00:23:08,510 --> 00:23:06,320

right

430

00:23:10,370 --> 00:23:08,520

uh one second

431

00:23:15,169 --> 00:23:10,380

all right so this is a transformative

432

00:23:17,270 --> 00:23:15,179

work we are uh critiquing the video

433

00:23:20,390 --> 00:23:17,280

being shared and we're educating the

434

00:23:24,710 --> 00:23:20,400

public about this information in the UFO

435

00:23:27,590 --> 00:23:24,720

space or conspiracy Land Community let's

436

00:23:29,570 --> 00:23:27,600

change that as well all right let's get

437

00:23:32,990 --> 00:23:29,580

let's get into this because this is

438

00:23:37,250 --> 00:23:33,000

great absolutely great be ready for a

439

00:23:39,890 --> 00:23:37,260

fake alien invasion in 2024. 2024

440

00:23:41,390 --> 00:23:39,900

a global event will alter the course of

441

00:23:43,310 --> 00:23:41,400

Mankind's future

442

00:23:46,070 --> 00:23:43,320

the world will stand witness to a

443

00:23:48,529 --> 00:23:46,080

massive alien invasion thousands of

444

00:23:52,010 --> 00:23:48,539

projected holographic alien warships

445

00:23:53,930 --> 00:23:52,020

will blanket the skies and this is

446

00:23:56,870 --> 00:23:53,940

saying thousands not three or four

447

00:23:59,630 --> 00:23:56,880

sending people into a global Panic real

448

00:24:01,669 --> 00:23:59,640

military crafts within the Holograms or

449

00:24:03,649 --> 00:24:01,679

inflict actual damage to the surrounding

450

00:24:05,870 --> 00:24:03,659

areas to sell beginner

451
00:24:06,950 --> 00:24:05,880
and as a result of the ensuing human

452
00:24:10,730 --> 00:24:06,960
chaos

453
00:24:16,490 --> 00:24:10,740
a one world or two yeah a One World

454
00:24:19,250 --> 00:24:16,500
Government will be formed but again uh

455
00:24:22,010 --> 00:24:19,260
interesting that this nameless faceless

456
00:24:24,590 --> 00:24:22,020
I believe uh part of the psyop of this

457
00:24:27,169 --> 00:24:24,600
whole thing account is saying according

458
00:24:30,110 --> 00:24:27,179
to reputable sources right

459
00:24:33,370 --> 00:24:30,120
and where is this video from

460
00:24:36,649 --> 00:24:33,380
this video is from a fictional movie

461
00:24:38,870 --> 00:24:36,659
it's a from a fictional it's from a

462
00:24:42,110 --> 00:24:38,880
science fiction movie

463
00:24:45,289 --> 00:24:42,120

and I have found uh many many accounts

464

00:24:47,930 --> 00:24:45,299

sharing this exact clip again all of

465

00:24:49,850 --> 00:24:47,940

them nameless faceless accounts that are

466

00:24:53,149 --> 00:24:49,860

brand new or created on Twitter within

467

00:24:56,750 --> 00:24:53,159

the past year or 18 months

468

00:25:00,230 --> 00:24:56,760

to me this is not a coincidence

469

00:25:04,250 --> 00:25:00,240

and I have more to share with you

470

00:25:08,029 --> 00:25:04,260

uh just a few more examples of these

471

00:25:10,130 --> 00:25:08,039

nameless faceless accounts

472

00:25:12,890 --> 00:25:10,140

that are sharing disinformation

473

00:25:15,350 --> 00:25:12,900

misinformation or just false straight

474

00:25:18,830 --> 00:25:15,360

fake information

475

00:25:20,630 --> 00:25:18,840

here we see exiled Earthling again a

476
00:25:22,130 --> 00:25:20,640
nameless faceless account with no real

477
00:25:23,990 --> 00:25:22,140
name no real

478
00:25:24,830 --> 00:25:24,000
face that was created within the past

479
00:25:27,409 --> 00:25:24,840
year

480
00:25:29,330 --> 00:25:27,419
and this account says

481
00:25:31,730 --> 00:25:29,340
are these the images from the Yukon

482
00:25:34,190 --> 00:25:31,740
Canada that was shot down recently

483
00:25:36,110 --> 00:25:34,200
definitely fits the description Canadian

484
00:25:40,370 --> 00:25:36,120
officials did release

485
00:25:43,610 --> 00:25:40,380
uh and here we see these images which by

486
00:25:46,190 --> 00:25:43,620
the way these are solar balloons

487
00:25:48,169 --> 00:25:46,200
very clearly these are solar balloons

488
00:25:50,570 --> 00:25:48,179

but that person didn't want to hear

489

00:25:53,029 --> 00:25:50,580

about that they they actually wanted to

490

00:25:55,789 --> 00:25:53,039

argue with everybody who suggested that

491

00:25:58,850 --> 00:25:55,799

they were solar balloons but again this

492

00:26:01,250 --> 00:25:58,860

is just one more example of the fake

493

00:26:04,090 --> 00:26:01,260

information and again I believe that

494

00:26:07,549 --> 00:26:04,100

somebody this is a perception management

495

00:26:10,010 --> 00:26:07,559

operation if I ever saw one because why

496

00:26:11,750 --> 00:26:10,020

else would hundreds and hundreds of

497

00:26:14,029 --> 00:26:11,760

nameless faceless brand new Twitter

498

00:26:17,330 --> 00:26:14,039

accounts be pushing

499

00:26:20,390 --> 00:26:17,340

fake information false information

500

00:26:22,190 --> 00:26:20,400

again the two narratives seem to be that

501
00:26:24,529 --> 00:26:22,200
these are aliens

502
00:26:26,810 --> 00:26:24,539
that are being shot down or this is the

503
00:26:29,690 --> 00:26:26,820
beginning of a false flag operation

504
00:26:32,450 --> 00:26:29,700
and of course there's no evidence of

505
00:26:35,930 --> 00:26:32,460
either of those things being the case

506
00:26:38,450 --> 00:26:35,940
but still during my analysis today I was

507
00:26:40,610 --> 00:26:38,460
shocked at just how many nameless

508
00:26:42,529 --> 00:26:40,620
faceless brand new Twitter accounts are

509
00:26:45,470 --> 00:26:42,539
pushing this and by the way this

510
00:26:48,110 --> 00:26:45,480
reminded me of something during the TTS

511
00:26:51,350 --> 00:26:48,120
ttsa techno scam

512
00:26:53,409 --> 00:26:51,360
that's the last time after that 2017 New

513
00:26:56,570 --> 00:26:53,419

York Times article that's the last time

514

00:26:58,430 --> 00:26:56,580

well there's been three times now that

515

00:27:01,669 --> 00:26:58,440

I've noticed what I'm calling this thumb

516

00:27:04,630 --> 00:27:01,679

on the scale from some nefarious entity

517

00:27:07,690 --> 00:27:04,640

be it private or government I don't know

518

00:27:11,149 --> 00:27:07,700

but it's interesting

519

00:27:14,690 --> 00:27:11,159

that this same sort of thing occurred

520

00:27:16,490 --> 00:27:14,700

after the 2017 New York Times article

521

00:27:18,470 --> 00:27:16,500

about Lou Elizondo

522

00:27:20,630 --> 00:27:18,480

suddenly there's hundreds and hundreds

523

00:27:22,789 --> 00:27:20,640

and hundreds of nameless faceless brand

524

00:27:25,190 --> 00:27:22,799

new Twitter accounts talking about how

525

00:27:27,110 --> 00:27:25,200

Lou Elizondo was the real deal and he

526

00:27:29,149 --> 00:27:27,120

ran this government program and he's

527

00:27:32,149 --> 00:27:29,159

going to bring us disclosure

528

00:27:34,669 --> 00:27:32,159

and then ttsa

529

00:27:37,730 --> 00:27:34,679

all these nameless faceless branding

530

00:27:39,890 --> 00:27:37,740

Twitter accounts promoting ttsa telling

531

00:27:42,470 --> 00:27:39,900

everybody to invest they're going to

532

00:27:45,470 --> 00:27:42,480

bring us Disclosure by the way that was

533

00:27:48,529 --> 00:27:45,480

a CIA op if I ever saw one everybody

534

00:27:51,950 --> 00:27:48,539

that was a member of ttsa with the

535

00:27:53,870 --> 00:27:51,960

possible exception of Tom DeLong was a

536

00:27:57,350 --> 00:27:53,880

member of an intelligence organization

537

00:27:58,730 --> 00:27:57,360

or or straight CIA and it's in their

538

00:28:01,149 --> 00:27:58,740

biography

539

00:28:03,529 --> 00:28:01,159

so was that a perception management

540

00:28:06,529 --> 00:28:03,539

psyop of some type

541

00:28:09,049 --> 00:28:06,539

and the the latest time before now that

542

00:28:11,710 --> 00:28:09,059

I've seen this nameless faceless Deluge

543

00:28:15,710 --> 00:28:11,720

of accounts pushing false information

544

00:28:19,669 --> 00:28:15,720

was when Lou Elizondo was doing you know

545

00:28:21,710 --> 00:28:19,679

hundreds of uh podcasts that were

546

00:28:24,110 --> 00:28:21,720

friendly to his narratives and would

547

00:28:26,510 --> 00:28:24,120

give him softball interviews I don't

548

00:28:29,510 --> 00:28:26,520

believe once did he do any

549

00:28:32,269 --> 00:28:29,520

any uh shows that would actually ask him

550

00:28:34,190 --> 00:28:32,279

real questions like about why he lied to

551
00:28:38,330 --> 00:28:34,200
the New York Times people writing that

552
00:28:42,590 --> 00:28:38,340
article or why he uh pretended that the

553
00:28:44,210 --> 00:28:42,600
organization he pretended to run uh and

554
00:28:46,370 --> 00:28:44,220
by the way that's the only place that

555
00:28:49,010 --> 00:28:46,380
organization existed in his imagination

556
00:28:51,769 --> 00:28:49,020
it had no funding

557
00:28:53,990 --> 00:28:51,779
um you know we saw those nameless

558
00:28:57,549 --> 00:28:54,000
faceless accounts coming out to protect

559
00:28:59,630 --> 00:28:57,559
blue Elizondo and push that CIA

560
00:29:02,690 --> 00:28:59,640
disclosure narrative

561
00:29:04,909 --> 00:29:02,700
in a very perplexed that now we have all

562
00:29:08,149 --> 00:29:04,919
of these balloon shutdowns happening

563
00:29:10,370 --> 00:29:08,159

and again we see these hundreds and

564

00:29:13,190 --> 00:29:10,380

hundreds of nameless faceless brand new

565

00:29:15,529 --> 00:29:13,200

Twitter accounts pushing false

566

00:29:18,049 --> 00:29:15,539

narratives

567

00:29:19,490 --> 00:29:18,059

makes me very very suspicious of what is

568

00:29:20,810 --> 00:29:19,500

really going on

569

00:29:23,990 --> 00:29:20,820

and who

570

00:29:26,029 --> 00:29:24,000

is behind all of those perception

571

00:29:27,830 --> 00:29:26,039

management operations but I can

572

00:29:29,870 --> 00:29:27,840

guarantee you that it's some kind of

573

00:29:34,070 --> 00:29:29,880

intelligence organization

574

00:29:36,409 --> 00:29:34,080

that has a purpose there's a reason that

575

00:29:39,529 --> 00:29:36,419

some of these people are pushing

576

00:29:42,049 --> 00:29:39,539

these alien stories and false narratives

577

00:29:45,169 --> 00:29:42,059

now some of them are just useful stupid

578

00:29:47,570 --> 00:29:45,179

idiots like Grifton right he's helping

579

00:29:50,750 --> 00:29:47,580

push the Steven Greer narrative because

580

00:29:52,970 --> 00:29:50,760

his overlords third phase of fake who by

581

00:29:56,330 --> 00:29:52,980

the way just got caught pushing a

582

00:29:59,750 --> 00:29:56,340

graduation balloon as a UFO great job

583

00:30:01,850 --> 00:29:59,760

guys real UFO experts over there and I

584

00:30:03,470 --> 00:30:01,860

love how Grifton is reveling in this

585

00:30:06,110 --> 00:30:03,480

story because he's finally getting

586

00:30:07,010 --> 00:30:06,120

people to tune into him and what does he

587

00:30:09,470 --> 00:30:07,020

do

588

00:30:12,230 --> 00:30:09,480

he finally gets an audience he lies to

589

00:30:14,990 --> 00:30:12,240

them he he pushes a false narrative

590

00:30:16,789 --> 00:30:15,000

great job Richard Griffith on I hope it

591

00:30:19,010 --> 00:30:16,799

was worth a little bit of money and by

592

00:30:20,330 --> 00:30:19,020

the way wasn't Grifton supposed to get a

593

00:30:21,409 --> 00:30:20,340

job by now

594

00:30:23,090 --> 00:30:21,419

right

595

00:30:27,230 --> 00:30:23,100

he was supposed to get a job and cut

596

00:30:31,789 --> 00:30:30,169

where's the job Richie Griffith on no

597

00:30:34,070 --> 00:30:31,799

job he's never going to get a job he's

598

00:30:37,070 --> 00:30:34,080

going to grift off the UFO Community he

599

00:30:40,250 --> 00:30:37,080

would broadcast from a cardboard box

600

00:30:42,769 --> 00:30:40,260

right and a phone if he had to to drift

601
00:30:44,090 --> 00:30:42,779
off the UFO community

602
00:30:48,470 --> 00:30:44,100
so

603
00:30:51,830 --> 00:30:48,480
um

604
00:30:54,289 --> 00:30:51,840
so there are profiteering hucksters

605
00:30:57,049 --> 00:30:54,299
including third phase of moon and

606
00:30:59,289 --> 00:30:57,059
Grifton uh that are pushing false

607
00:31:02,510 --> 00:30:59,299
narratives provably false narratives

608
00:31:04,730 --> 00:31:02,520
that at the same time hundreds and

609
00:31:07,130 --> 00:31:04,740
hundreds of nameless faceless brand new

610
00:31:09,409 --> 00:31:07,140
Twitter accounts are pushing similar

611
00:31:12,470 --> 00:31:09,419
false narratives on Twitter

612
00:31:16,310 --> 00:31:12,480
and spreading disinformation false

613
00:31:19,130 --> 00:31:16,320

information misinformation and fake news

614

00:31:21,409 --> 00:31:19,140

uh I find that funny that third phase of

615

00:31:25,310 --> 00:31:21,419

moon and Grifton are on the the same

616

00:31:28,250 --> 00:31:25,320

side as whatever this disinformation op

617

00:31:29,930 --> 00:31:28,260

is right isn't that interesting those

618

00:31:32,510 --> 00:31:29,940

guys are pushing the same false

619

00:31:34,250 --> 00:31:32,520

narrative that hundreds and hundreds of

620

00:31:36,529 --> 00:31:34,260

nameless faceless brand new Twitter

621

00:31:38,149 --> 00:31:36,539

accounts are currently pushing on

622

00:31:40,190 --> 00:31:38,159

Twitter and you don't have to take my

623

00:31:41,450 --> 00:31:40,200

word for it go on Twitter look up UFO

624

00:31:43,430 --> 00:31:41,460

Twitter and look at all the nameless

625

00:31:46,130 --> 00:31:43,440

faceless accounts and look at the

626
00:31:48,710 --> 00:31:46,140
information that they are pushing

627
00:31:50,570 --> 00:31:48,720
we've also got uh

628
00:31:53,510 --> 00:31:50,580
profiteering hucksters Like Richard

629
00:31:55,669 --> 00:31:53,520
Hoagland Whitley strieber we've got

630
00:31:57,769 --> 00:31:55,679
David pallades you know the missing

631
00:32:00,529 --> 00:31:57,779
4-1-1 guy

632
00:32:04,010 --> 00:32:00,539
and other UFO profiteers all claiming

633
00:32:07,190 --> 00:32:04,020
these objects are or quite possibly may

634
00:32:08,990 --> 00:32:07,200
be aliens and all of these people who

635
00:32:11,870 --> 00:32:09,000
are pushing these narratives are doing

636
00:32:16,190 --> 00:32:11,880
so with no evidence

637
00:32:19,549 --> 00:32:16,200
no cited sources just trust me dude it's

638
00:32:27,830 --> 00:32:24,529

other UFO profiteering people uh the

639

00:32:30,049 --> 00:32:27,840

usual UFO and the alien grifters are

640

00:32:33,710 --> 00:32:30,059

standing on the fence perhaps waiting to

641

00:32:36,169 --> 00:32:33,720

see uh which analysis they could give

642

00:32:38,210 --> 00:32:36,179

would be the most profitable but from

643

00:32:40,190 --> 00:32:38,220

what I've seen so far

644

00:32:43,430 --> 00:32:40,200

um the people that are pushing the false

645

00:32:47,750 --> 00:32:43,440

Alien Invasion or these are aliens are

646

00:32:49,850 --> 00:32:47,760

making uh you know all the money

647

00:32:52,490 --> 00:32:49,860

and we've seen this inconsistent

648

00:32:55,549 --> 00:32:52,500

reporting with some sources stating that

649

00:32:58,310 --> 00:32:55,559

at least three of the four objects shut

650

00:33:01,310 --> 00:32:58,320

down are confirmed to be Balloons with

651
00:33:03,649 --> 00:33:01,320
payloads Chuck Schumer and others

652
00:33:05,289 --> 00:33:03,659
high-ranking Senators high-ranking

653
00:33:08,570 --> 00:33:05,299
intelligence officials have said

654
00:33:11,210 --> 00:33:08,580
Balloons with payloads

655
00:33:15,169 --> 00:33:11,220
um and other sources

656
00:33:17,289 --> 00:33:15,179
are using the terms UAP UFO or quote

657
00:33:20,570 --> 00:33:17,299
unknown object

658
00:33:23,570 --> 00:33:20,580
and I do want to share

659
00:33:25,730 --> 00:33:23,580
you know I gotta since I don't have that

660
00:33:27,409 --> 00:33:25,740
camera this is the first time I

661
00:33:30,409 --> 00:33:27,419
apologize the close-up camera is gone

662
00:33:34,730 --> 00:33:30,419
I'll try to fix it during a break okay

663
00:33:37,610 --> 00:33:34,740

uh I am going to uh share my screen and

664

00:33:40,789 --> 00:33:37,620

share some other interesting uh

665

00:33:45,409 --> 00:33:40,799

information that I have found

666

00:33:45,419 --> 00:33:48,830

I know I had it

667

00:33:52,789 --> 00:33:50,930

yes

668

00:33:55,009 --> 00:33:52,799

okay

669

00:33:59,750 --> 00:33:55,019

so the other thing that we've got going

670

00:34:02,990 --> 00:33:59,760

on is all of those Pro UAP people the

671

00:34:05,389 --> 00:34:03,000

UAP disclosure Squad whether they be

672

00:34:09,169 --> 00:34:05,399

Christopher Mellon

673

00:34:11,389 --> 00:34:09,179

um Sean Cahill uh

674

00:34:13,369 --> 00:34:11,399

Lou Elizondo

675

00:34:17,810 --> 00:34:13,379

Senator job

676

00:34:19,970 --> 00:34:17,820

brand here uh or Timber chat or others

677

00:34:23,389 --> 00:34:19,980

all of which have been pushing that this

678

00:34:26,270 --> 00:34:23,399

might be aliens for years now

679

00:34:28,849 --> 00:34:26,280

are all taking a Victory lap saying uh

680

00:34:30,770 --> 00:34:28,859

we're so glad that we pushed for this so

681

00:34:33,530 --> 00:34:30,780

that now we'd have better defenses

682

00:34:36,230 --> 00:34:33,540

here's Kristen gillibrand changing the

683

00:34:37,970 --> 00:34:36,240

script doing a complete 180 this is

684

00:34:40,669 --> 00:34:37,980

exactly why we need to be studying

685

00:34:42,470 --> 00:34:40,679

unidentified aerial phenomenon and why I

686

00:34:45,349 --> 00:34:42,480

fought to increase interagency

687

00:34:49,970 --> 00:34:47,510

and reduce stigma for reporting

688

00:34:52,609 --> 00:34:49,980

sightings because we're collecting and

689

00:34:55,070 --> 00:34:52,619

studying the data we were able to detect

690

00:34:56,690 --> 00:34:55,080

these incursions and protect our skies

691

00:34:59,810 --> 00:34:56,700

now

692

00:35:01,490 --> 00:34:59,820

uh a note about why we're suddenly able

693

00:35:02,770 --> 00:35:01,500

to detect these objects and during the

694

00:35:06,290 --> 00:35:02,780

Trump Administration we weren't

695

00:35:08,750 --> 00:35:06,300

apparently NORAD tweaked the dials of

696

00:35:11,329 --> 00:35:08,760

their detection software and equipment

697

00:35:13,430 --> 00:35:11,339

uh to be more precise and they're

698

00:35:15,109 --> 00:35:13,440

suddenly finding a lot more objects than

699

00:35:17,810 --> 00:35:15,119

they used to when investigating a lot

700

00:35:19,670 --> 00:35:17,820

more objects than they used to this just

701
00:35:22,550 --> 00:35:19,680
happened in the last week or so this has

702
00:35:24,710 --> 00:35:22,560
nothing to do with Kristen gillibrand or

703
00:35:26,510 --> 00:35:24,720
the efforts of Timber Chet or the

704
00:35:28,730 --> 00:35:26,520
efforts of Lou Elizondo Christopher

705
00:35:32,150 --> 00:35:28,740
melon Sean Cahill or any of the

706
00:35:34,609 --> 00:35:32,160
disclosure jerk-off squads that have

707
00:35:37,550 --> 00:35:34,619
been all saying aliens it's got to be

708
00:35:39,829 --> 00:35:37,560
aliens for the past two years everyone

709
00:35:41,750 --> 00:35:39,839
from corbel to Elizondo Christopher

710
00:35:44,210 --> 00:35:41,760
melon oh these are these got to be

711
00:35:47,030 --> 00:35:44,220
off-world uh Technologies and uh you

712
00:35:49,069 --> 00:35:47,040
know all of them now claiming a Victory

713
00:35:51,349 --> 00:35:49,079

lap saying it's because of them that we

714

00:35:53,690 --> 00:35:51,359

were able to detect these balloons no

715

00:35:56,930 --> 00:35:53,700

the reporting is very clear

716

00:35:58,250 --> 00:35:56,940

NORAD tweaked the dials very very

717

00:36:01,250 --> 00:35:58,260

recently

718

00:36:05,390 --> 00:36:01,260

had nothing to do with any of the

719

00:36:08,030 --> 00:36:05,400

disclosure Squad uh con Squad uh that

720

00:36:11,329 --> 00:36:08,040

have been out there making lots of money

721

00:36:15,230 --> 00:36:11,339

claiming there's you know uh an urgent

722

00:36:18,530 --> 00:36:15,240

need for more UAP research and funding

723

00:36:20,329 --> 00:36:18,540

right and isn't it interesting that many

724

00:36:23,750 --> 00:36:20,339

of them who used to work in the

725

00:36:26,930 --> 00:36:23,760

government are now Jumping Ship people

726

00:36:28,609 --> 00:36:26,940

like Travis Taylor and others jumping

727

00:36:30,770 --> 00:36:28,619

ship to private companies who are

728

00:36:31,930 --> 00:36:30,780

getting big government contracts to do

729

00:36:37,550 --> 00:36:31,940

what

730

00:36:42,829 --> 00:36:40,490

U.S general says Pentagon didn't detect

731

00:36:45,589 --> 00:36:42,839

some intrusions by Chinese by balloons

732

00:36:48,230 --> 00:36:45,599

in Prior Administration he called it a

733

00:36:50,510 --> 00:36:48,240

domain awareness Gap U.S analysts

734

00:36:54,410 --> 00:36:50,520

uncovered those events after 2020 doing

735

00:36:57,230 --> 00:36:54,420

a review of UFO phenomenon

736

00:36:59,210 --> 00:36:57,240

here is an example of again another

737

00:37:01,730 --> 00:36:59,220

nameless faceless Anonymous Twitter

738

00:37:05,349 --> 00:37:01,740

account that's brand new

739

00:37:09,230 --> 00:37:05,359

this is a screenshot

740

00:37:13,370 --> 00:37:09,240

real.jpg this is supposed to be uh the

741

00:37:13,910 --> 00:37:13,380

Alaska craft after it got shut down

742

00:37:16,910 --> 00:37:13,920

um

743

00:37:19,609 --> 00:37:16,920

and by the way that's the quality that

744

00:37:21,230 --> 00:37:19,619

it was given in

745

00:37:25,730 --> 00:37:21,240

so you've got

746

00:37:28,430 --> 00:37:25,740

a a picture you took

747

00:37:31,930 --> 00:37:28,440

of the crash site of the Alaska object

748

00:37:35,089 --> 00:37:31,940

and it's this big this level of quality

749

00:37:38,270 --> 00:37:35,099

dude I can almost count the number of

750

00:37:40,849 --> 00:37:38,280

pixels in this image this is absolutely

751

00:37:43,490 --> 00:37:40,859

ridiculous and the this is the stuff

752

00:37:47,990 --> 00:37:43,500

that the pro alien Nutters are passing

753

00:37:52,370 --> 00:37:50,030

senate about a thousand feet in the air

754

00:37:54,650 --> 00:37:52,380

this is Drone footage apparently right

755

00:37:57,050 --> 00:37:54,660

400 yards in the perimeter was hoping to

756

00:37:59,870 --> 00:37:57,060

snag this photo of the crash site it's

757

00:38:02,750 --> 00:37:59,880

happening yeah and again what's

758

00:38:04,790 --> 00:38:02,760

happening the aliens are coming

759

00:38:08,930 --> 00:38:04,800

the aliens are coming the aliens are

760

00:38:15,349 --> 00:38:11,329

this is completely and totally

761

00:38:17,630 --> 00:38:15,359

ridiculous but again

762

00:38:20,810 --> 00:38:17,640

all of what I'm showing you is being

763

00:38:23,030 --> 00:38:20,820

pushed on Twitter by nameless faceless

764

00:38:26,270 --> 00:38:23,040

brand new Twitter accounts and other

765

00:38:28,730 --> 00:38:26,280

sites by the way nameless faceless well

766

00:38:31,490 --> 00:38:28,740

they're all on Reddit that way but still

767

00:38:33,530 --> 00:38:31,500

brand new Reddit accounts and other and

768

00:38:35,750 --> 00:38:33,540

and other social media sites all brand

769

00:38:38,329 --> 00:38:35,760

new accounts all Anonymous accounts

770

00:38:40,430 --> 00:38:38,339

nameless faceless this stuff is being

771

00:38:43,150 --> 00:38:40,440

pushed all over the Internet first

772

00:38:46,849 --> 00:38:43,160

photos of a UFO shot down over Canada

773

00:38:51,349 --> 00:38:49,069

dude that looks straight out of a video

774

00:38:53,390 --> 00:38:51,359

game that I'm sure I have but I can't

775

00:38:56,630 --> 00:38:53,400

for the life of me remember what that

776

00:38:59,630 --> 00:38:56,640

looks like but still this is the quality

777

00:39:03,470 --> 00:38:59,640

of the so-called Pro alien information

778

00:39:05,690 --> 00:39:03,480

being hurried about right and we're all

779

00:39:07,730 --> 00:39:05,700

supposed to just accept that that's the

780

00:39:09,770 --> 00:39:07,740

truth this is reality the aliens are

781

00:39:12,170 --> 00:39:09,780

coming look at that alien spaceship

782

00:39:14,569 --> 00:39:12,180

great job

783

00:39:17,450 --> 00:39:14,579

all right and now here's where things

784

00:39:21,170 --> 00:39:17,460

get really conspiratorial

785

00:39:22,970 --> 00:39:21,180

NORAD General van hurk on the search for

786

00:39:24,950 --> 00:39:22,980

objects we have adjusted some of those

787

00:39:27,170 --> 00:39:24,960

gates to give us better Fidelity on

788

00:39:29,750 --> 00:39:27,180

seeing smaller objects you can also

789

00:39:31,250 --> 00:39:29,760

filter out by attitude and so with some

790

00:39:33,890 --> 00:39:31,260

adjustments we've been able to get a

791

00:39:36,470 --> 00:39:33,900

better characterization of radar tracks

792

00:39:43,010 --> 00:39:38,630

now here's where it gets really

793

00:39:46,870 --> 00:39:43,020

conspiratorial and crazy and nutty

794

00:39:50,930 --> 00:39:46,880

because besides being the NORAD uh

795

00:39:54,290 --> 00:39:50,940

Commander General van hurk is also the

796

00:39:55,910 --> 00:39:54,300

commander the north com Commander and a

797

00:39:58,430 --> 00:39:55,920

lot of people are not aware of this or

798

00:40:00,589 --> 00:39:58,440

don't know this but if you study a

799

00:40:03,170 --> 00:40:00,599

little bit of how our government works

800

00:40:06,710 --> 00:40:03,180

you would become quickly aware of this

801
00:40:09,530 --> 00:40:06,720
General van hurk is also the north com

802
00:40:12,710 --> 00:40:09,540
Commander and what does that mean

803
00:40:16,670 --> 00:40:12,720
well during a continuity of government

804
00:40:18,890 --> 00:40:16,680
situation this man would become the de

805
00:40:20,810 --> 00:40:18,900
facto president in the event of an

806
00:40:22,970 --> 00:40:20,820
emergency

807
00:40:26,030 --> 00:40:22,980
it would then appoint Regional Governors

808
00:40:28,550 --> 00:40:26,040
all around the country and defend the

809
00:40:31,670 --> 00:40:28,560
country until an election could take

810
00:40:34,430 --> 00:40:31,680
place this is of course

811
00:40:36,650 --> 00:40:34,440
um these continuity of government

812
00:40:38,630 --> 00:40:36,660
plans were created during the Cold War

813
00:40:40,190 --> 00:40:38,640

in the event of a nuclear war what

814

00:40:43,370 --> 00:40:40,200

happens if the president or Washington

815

00:40:46,910 --> 00:40:43,380

DC is nuked and destroyed we've got

816

00:40:50,450 --> 00:40:46,920

to have some way to have continuity of

817

00:40:53,569 --> 00:40:50,460

government this man is the de facto

818

00:40:56,990 --> 00:40:53,579

President should something happen

819

00:40:58,970 --> 00:40:57,000

some emergency take place this man would

820

00:41:00,710 --> 00:40:58,980

become the president

821

00:41:02,810 --> 00:41:00,720

the commander

822

00:41:04,849 --> 00:41:02,820

and he would

823

00:41:06,410 --> 00:41:04,859

he would essentially become the The

824

00:41:08,930 --> 00:41:06,420

Dictator

825

00:41:11,510 --> 00:41:08,940

of the United States until such time as

826
00:41:13,490 --> 00:41:11,520
we can hold free and fair elections and

827
00:41:16,130 --> 00:41:13,500
who knows how long that could be but

828
00:41:21,170 --> 00:41:16,140
it's interesting that this man is where

829
00:41:23,390 --> 00:41:21,180
a lot of the pro-alien and uh these

830
00:41:26,890 --> 00:41:23,400
people are quoting him so it's

831
00:41:30,790 --> 00:41:26,900
interesting we've got the North Cog

832
00:41:33,950 --> 00:41:30,800
North com Cog Commander

833
00:41:36,530 --> 00:41:33,960
telling people that first of all we've

834
00:41:38,630 --> 00:41:36,540
adjusted some of the gates we've we've

835
00:41:41,270 --> 00:41:38,640
we've tweaked the dials on the NORAD

836
00:41:44,230 --> 00:41:41,280
detection system the grid that the text

837
00:41:47,750 --> 00:41:44,240
flying objects and and consequently

838
00:41:49,250 --> 00:41:47,760

threats uh We've tweaked those dials and

839

00:41:51,230 --> 00:41:49,260
now we're able to do a better job

840

00:41:54,829 --> 00:41:51,240
suddenly

841

00:41:57,190 --> 00:41:54,839
doesn't make any sense but okay and he's

842

00:41:59,510 --> 00:41:57,200
also saying I have not ruled out

843

00:42:00,589 --> 00:41:59,520
extraterrestrials as the source of these

844

00:42:03,470 --> 00:42:00,599
objects

845

00:42:05,450 --> 00:42:03,480
why would he say that when

846

00:42:08,150 --> 00:42:05,460
people higher ranking in the government

847

00:42:10,609 --> 00:42:08,160
than him including Senator Chuck Schumer

848

00:42:14,329 --> 00:42:10,619
are saying these are balloons

849

00:42:18,950 --> 00:42:14,339
why do we have this disconnect between

850

00:42:21,710 --> 00:42:18,960
the NORAD commander and a very very high

851
00:42:24,890 --> 00:42:21,720
ranking United States Senator multiple

852
00:42:27,050 --> 00:42:24,900
senators and by the way take from this

853
00:42:29,450 --> 00:42:27,060
what you will but my military sources

854
00:42:32,270 --> 00:42:29,460
confirmed for me that Chuck Schumer was

855
00:42:35,210 --> 00:42:32,280
exactly right and told me that there are

856
00:42:37,670 --> 00:42:35,220
briefings taking place of the

857
00:42:39,710 --> 00:42:37,680
intelligence committee members of

858
00:42:42,290 --> 00:42:39,720
Congress and several other high-ranking

859
00:42:46,010 --> 00:42:42,300
senators and they're telling them these

860
00:42:48,050 --> 00:42:46,020
are balloons likely Chinese balloons and

861
00:42:50,690 --> 00:42:48,060
some of that is leaking out to the media

862
00:42:53,810 --> 00:42:50,700
but we've got the NORAD Commander saying

863
00:42:56,450 --> 00:42:53,820

I can't rule out aliens and so all the

864

00:42:58,790 --> 00:42:56,460

pro-alien people are running with the

865

00:43:01,790 --> 00:42:58,800

fact that this man said that and it's

866

00:43:04,309 --> 00:43:01,800

very suspicious because let's say there

867

00:43:06,109 --> 00:43:04,319

was an alien invasion guess what would

868

00:43:08,270 --> 00:43:06,119

happen this guy would become the

869

00:43:10,130 --> 00:43:08,280

dictator or could possibly become the

870

00:43:12,410 --> 00:43:10,140

dictator of the United States while we

871

00:43:14,270 --> 00:43:12,420

fought off the alien invasion

872

00:43:16,970 --> 00:43:14,280

he also

873

00:43:18,790 --> 00:43:16,980

essentially said we're unable to confirm

874

00:43:20,990 --> 00:43:18,800

that those objects were all balloons

875

00:43:24,109 --> 00:43:21,000

while other members of the government

876

00:43:26,150 --> 00:43:24,119

are saying it's balloons at least three

877

00:43:28,910 --> 00:43:26,160

or four of them at the time there was

878

00:43:32,750 --> 00:43:28,920

three at the at that time not four all

879

00:43:34,849 --> 00:43:32,760

confirmed their balloons so why is our

880

00:43:37,309 --> 00:43:34,859

top ranking military person who's in

881

00:43:40,010 --> 00:43:37,319

charge of all this saying one thing and

882

00:43:41,809 --> 00:43:40,020

senators and congressmen are saying

883

00:43:45,650 --> 00:43:41,819

they're balloons

884

00:43:49,849 --> 00:43:47,329

yes

885

00:43:52,609 --> 00:43:49,859

so uh

886

00:43:55,010 --> 00:43:52,619

this is from David hambling

887

00:43:56,990 --> 00:43:55,020

one was described as being this the size

888

00:43:58,970 --> 00:43:57,000

of a small car but according to BBC

889

00:44:01,309 --> 00:43:58,980

there was no indication these are the

890

00:44:03,770 --> 00:44:01,319

other talking points that the pro-alien

891

00:44:05,630 --> 00:44:03,780

people are using to say see it must be

892

00:44:08,450 --> 00:44:05,640

aliens

893

00:44:10,130 --> 00:44:08,460

there was no indication of how it was

894

00:44:11,990 --> 00:44:10,140

able to fly

895

00:44:13,790 --> 00:44:12,000

yeah do you know what else has no

896

00:44:16,490 --> 00:44:13,800

indication of how it's able to fly a

897

00:44:19,730 --> 00:44:16,500

balloon or we've seen various other

898

00:44:21,890 --> 00:44:19,740

quotes like the object showed no signs

899

00:44:24,290 --> 00:44:21,900

of visible propulsion

900

00:44:26,750 --> 00:44:24,300

okay do you know what else shows no

901
00:44:28,790 --> 00:44:26,760
signs of visible propulsion usually a

902
00:44:30,829 --> 00:44:28,800
balloon

903
00:44:32,510 --> 00:44:30,839
then we have a quote I'm not going to

904
00:44:34,210 --> 00:44:32,520
categorize them as balloons we're

905
00:44:38,210 --> 00:44:34,220
calling them objects for a reason

906
00:44:40,490 --> 00:44:38,220
Northern command Commander General Glenn

907
00:44:43,130 --> 00:44:40,500
van hurk again

908
00:44:45,770 --> 00:44:43,140
all of these denials that their balloons

909
00:44:49,609 --> 00:44:45,780
are coming from One Source generally

910
00:44:52,430 --> 00:44:49,619
this General Glenn van hurk who is the

911
00:44:55,609 --> 00:44:52,440
NORAD and North com Commander this is

912
00:44:57,349 --> 00:44:55,619
very very suspicious to me why is there

913
00:45:00,950 --> 00:44:57,359

such a disconnect why can't we get a

914

00:45:03,650 --> 00:45:00,960

straight answer balloons or not balloons

915

00:45:07,309 --> 00:45:03,660

um and by the way this is from just

916

00:45:08,890 --> 00:45:07,319

today and Senator Chuck Schumer and

917

00:45:11,089 --> 00:45:08,900

others within the government

918

00:45:14,390 --> 00:45:11,099

high-ranking congressmen and Senators

919

00:45:17,930 --> 00:45:14,400

have said they wear balloons as of

920

00:45:19,970 --> 00:45:17,940

yesterday right early morning yesterday

921

00:45:23,690 --> 00:45:19,980

said they were balloons

922

00:45:27,170 --> 00:45:23,700

so do who do we believe then here

923

00:45:29,990 --> 00:45:27,180

as the American public why are these

924

00:45:32,470 --> 00:45:30,000

conflicts happening why can't we get a

925

00:45:34,670 --> 00:45:32,480

straight answer by the way I'm sorry I

926

00:45:36,890 --> 00:45:34,680

neglected to check I'm going to check in

927

00:45:47,390 --> 00:45:36,900

with the live chat chat make sure we

928

00:45:52,010 --> 00:45:50,329

the game is Halo thank you spooky for

929

00:45:54,470 --> 00:45:52,020

your kindness generosity support and

930

00:45:55,970 --> 00:45:54,480

stop signing super chats you know how to

931

00:45:58,190 --> 00:45:55,980

reach me

932

00:46:01,849 --> 00:45:58,200

um you should text me on my phone if

933

00:46:04,430 --> 00:46:01,859

there's something that you want to share

934

00:46:06,890 --> 00:46:04,440

Steve Nicholson says alien bot grifters

935

00:46:08,690 --> 00:46:06,900

that's what I've been able to determine

936

00:46:10,130 --> 00:46:08,700

through a very detailed analysis and

937

00:46:12,230 --> 00:46:10,140

people can believe whatever they want to

938

00:46:15,829 --> 00:46:12,240

believe but I do have a background in

939

00:46:19,309 --> 00:46:15,839

computer science and social media we

940

00:46:21,170 --> 00:46:19,319

thank you Anthony Peterson as well Cube

941

00:46:23,210 --> 00:46:21,180

Van Halen riff silence earthling my name

942

00:46:25,550 --> 00:46:23,220

is Darth Vader I am an extraterrestrial

943

00:46:28,849 --> 00:46:25,560

from the planet Vulcan the message that

944

00:46:31,250 --> 00:46:28,859

Norad picked up yeah and uh by the way

945

00:46:34,010 --> 00:46:31,260

there's more strangeness going on so

946

00:46:36,109 --> 00:46:34,020

we're gonna get through these things I

947

00:46:37,630 --> 00:46:36,119

have to share we have a very data Rich

948

00:46:40,490 --> 00:46:37,640

Show today

949

00:46:41,870 --> 00:46:40,500

and thank you Anthony Peterson thank I

950

00:46:44,089 --> 00:46:41,880

think we got them all now so we're all

951
00:46:46,250 --> 00:46:44,099
caught up thanks all of you for your

952
00:46:49,970 --> 00:46:46,260
kindness generosity and continued

953
00:46:51,650 --> 00:46:49,980
support of the show we appreciate your

954
00:46:53,030 --> 00:46:51,660
kindness generosity and support thanks

955
00:46:55,550 --> 00:46:53,040
for helping us to praise the cash

956
00:46:55,560 --> 00:46:59,660
foreign

957
00:46:59,670 --> 00:47:13,849
[Music]

958
00:47:20,030 --> 00:47:18,050
yes so uh a few more things that I have

959
00:47:22,309 --> 00:47:20,040
to share that's interesting that that's

960
00:47:25,190 --> 00:47:22,319
from the game Halo you know why I wasn't

961
00:47:28,250 --> 00:47:25,200
sure it's spooky because I missed all of

962
00:47:31,609 --> 00:47:28,260
Halo can you believe it everybody that I

963
00:47:33,650 --> 00:47:31,619

knew was playing Halo and I noticed that

964

00:47:36,829 --> 00:47:33,660

all of my friends colleagues at work

965

00:47:39,589 --> 00:47:36,839

other people neighbors all the men that

966

00:47:41,390 --> 00:47:39,599

I knew were playing Halo constantly and

967

00:47:43,370 --> 00:47:41,400

I noticed they were all doing it for

968

00:47:45,349 --> 00:47:43,380

hours and hours and hours a day so I was

969

00:47:47,930 --> 00:47:45,359

afraid to get sucked into it I have

970

00:47:49,970 --> 00:47:47,940

never maybe once or twice like at a

971

00:47:52,550 --> 00:47:49,980

friend's house I played Halo for 10

972

00:47:55,190 --> 00:47:52,560

minutes but I have never played through

973

00:47:57,589 --> 00:47:55,200

any of the Halo games uh and it's on my

974

00:47:59,210 --> 00:47:57,599

list of things to do thank you Deb from

975

00:48:01,670 --> 00:47:59,220

Sac for a Kind and Generous five dollar

976

00:48:03,230 --> 00:48:01,680

super sticker we appreciate your

977

00:48:08,530 --> 00:48:03,240

kindness generosity and support in

978

00:48:13,490 --> 00:48:11,569

all right we're gonna get through

979

00:48:17,150 --> 00:48:13,500

um some more things that I have to share

980

00:48:17,160 --> 00:48:23,329

is David palladis who's grifting right

981

00:48:28,609 --> 00:48:25,910

the description is different octagonal

982

00:48:30,829 --> 00:48:28,619

they are also saying it was 20 000 feet

983

00:48:33,050 --> 00:48:30,839

and had moved substantially why they

984

00:48:35,510 --> 00:48:33,060

were monitoring it yeah you know what

985

00:48:38,630 --> 00:48:35,520

else moves while you're monitoring it

986

00:48:41,450 --> 00:48:38,640

a balloon they move in the Wind

987

00:48:44,270 --> 00:48:41,460

our research has identified two missing

988

00:48:46,970 --> 00:48:44,280

clusters of people over I think he's

989

00:48:52,490 --> 00:48:46,980

saying New Mexico or or north northern

990

00:48:55,910 --> 00:48:52,500

Michigan in some cases involve UFOs so

991

00:48:58,730 --> 00:48:55,920

if you're a UFO grifter

992

00:49:00,950 --> 00:48:58,740

or whatever you have to connect your

993

00:49:03,530 --> 00:49:00,960

grip to these events and that's what I

994

00:49:05,690 --> 00:49:03,540

see all of the grifters doing right now

995

00:49:08,809 --> 00:49:05,700

all right so we've gotten through that

996

00:49:13,910 --> 00:49:11,329

just to display a point about how

997

00:49:15,530 --> 00:49:13,920

inconsistent all the reports are I'm

998

00:49:17,690 --> 00:49:15,540

sure everyone within the sound of my

999

00:49:21,589 --> 00:49:17,700

voice have seen all the headlines UFOs

1000

00:49:23,530 --> 00:49:21,599

shot down by so and so right

1001

00:49:25,790 --> 00:49:23,540

um

1002

00:49:29,210 --> 00:49:25,800

what an incredible amount of

1003

00:49:33,650 --> 00:49:29,220

inconsistencies in in these reports

1004

00:49:36,109 --> 00:49:33,660

John Iye says it was Bigfoot yeah

1005

00:49:38,270 --> 00:49:36,119

I think I think you're absolutely right

1006

00:49:42,530 --> 00:49:38,280

it's got to be Bigfoot that's what it is

1007

00:49:45,170 --> 00:49:42,540

these they're balloons carrying Bigfoot

1008

00:49:47,569 --> 00:49:45,180

um let me share my screen again and

1009

00:49:50,690 --> 00:49:47,579

we'll cite fair use we're going to be uh

1010

00:49:53,809 --> 00:49:50,700

sharing this article this is from CNN

1011

00:49:56,630 --> 00:49:53,819

and by the way I'm just a suspicious of

1012

00:49:59,329 --> 00:49:56,640

CNN but multiple media Outlets are

1013

00:50:02,230 --> 00:49:59,339

reporting this Pentagon memo says the

1014

00:50:05,089 --> 00:50:02,240

object shot down over Canada was a small

1015

00:50:07,370 --> 00:50:05,099

metallic balloon

1016

00:50:09,650 --> 00:50:07,380

the unidentified objects shot down in

1017

00:50:12,530 --> 00:50:09,660

Canadian airspace on Saturday appeared

1018

00:50:16,790 --> 00:50:12,540

to be a quote small metallic balloon

1019

00:50:19,069 --> 00:50:16,800

unquote with a tethered payload below it

1020

00:50:22,190 --> 00:50:19,079

according to a pentagon memo sent to

1021

00:50:24,650 --> 00:50:22,200

lawmakers on Monday and obtained by CNN

1022

00:50:26,809 --> 00:50:24,660

the memo offers the first official

1023

00:50:28,490 --> 00:50:26,819

details of one of these three objects

1024

00:50:32,270 --> 00:50:28,500

shot down in recent days that was

1025

00:50:34,670 --> 00:50:32,280

previously described as a and here again

1026
00:50:38,630 --> 00:50:34,680
all these alien pushers the people push

1027
00:50:40,510 --> 00:50:38,640
into aliens oh it was a century uh how

1028
00:50:42,650 --> 00:50:40,520
do you even say that

1029
00:50:45,290 --> 00:50:42,660
cylindrical that's how you say it

1030
00:50:48,470 --> 00:50:45,300
cylindrical object yeah that's a round

1031
00:50:51,230 --> 00:50:48,480
object the object

1032
00:50:52,730 --> 00:50:51,240
crossed near U.S sensitive sites before

1033
00:50:54,950 --> 00:50:52,740
it was shot there on the memo set

1034
00:50:56,870 --> 00:50:54,960
defense officials also wrote that the

1035
00:50:58,270 --> 00:50:56,880
object shot down over Lake Huron in

1036
00:51:01,130 --> 00:50:58,280
Michigan on Sunday

1037
00:51:05,809 --> 00:51:01,140
subsequently slowly descended into the

1038
00:51:09,770 --> 00:51:07,190

yeah

1039

00:51:13,010 --> 00:51:09,780

uh and that would be consistent with the

1040

00:51:15,170 --> 00:51:13,020

balloon shot down as well too the new

1041

00:51:17,569 --> 00:51:15,180

details in the memo come as lawmakers on

1042

00:51:20,030 --> 00:51:17,579

Cal Capitol Hill are pressing to gain a

1043

00:51:22,309 --> 00:51:20,040

better understanding of why the Biden

1044

00:51:24,170 --> 00:51:22,319

Administration shot down three and here

1045

00:51:26,990 --> 00:51:24,180

we go they're still doing it

1046

00:51:29,030 --> 00:51:27,000

unidentified objects in the three days

1047

00:51:31,430 --> 00:51:29,040

following the takedown well at least two

1048

00:51:33,349 --> 00:51:31,440

of them according to this article are

1049

00:51:35,870 --> 00:51:33,359

now not identified the first one was

1050

00:51:38,390 --> 00:51:35,880

definitely In Bloom we all saw footage

1051
00:51:41,030 --> 00:51:38,400
of it we all saw videos of it and we saw

1052
00:51:43,069 --> 00:51:41,040
videos of it being shut down we saw high

1053
00:51:45,470 --> 00:51:43,079
resolution close-up pictures of the

1054
00:51:47,750 --> 00:51:45,480
first one it was a balloon that's not a

1055
00:51:49,730 --> 00:51:47,760
non-identified object now you're in

1056
00:51:51,650 --> 00:51:49,740
possession of a memo that says small

1057
00:51:54,710 --> 00:51:51,660
metallic balloon therefore it's

1058
00:51:57,230 --> 00:51:54,720
identified it's no longer unidentified

1059
00:51:58,609 --> 00:51:57,240
this stuff drives me nuts the inaccuracy

1060
00:52:00,470 --> 00:51:58,619
of the reporting

1061
00:52:02,450 --> 00:52:00,480
there has been caution inside the

1062
00:52:04,430 --> 00:52:02,460
administration on the pilot descriptions

1063
00:52:06,410 --> 00:52:04,440

of the unidentified objects due to the

1064

00:52:09,290 --> 00:52:06,420

circumstances in which the objects were

1065

00:52:11,329 --> 00:52:09,300

blued were viewed these objects did not

1066

00:52:14,390 --> 00:52:11,339

closely resemble and were much smaller

1067

00:52:16,730 --> 00:52:14,400

than the PRC People's Republic of China

1068

00:52:18,710 --> 00:52:16,740

balloon and we will not definitely

1069

00:52:20,750 --> 00:52:18,720

characterize them until we can recover

1070

00:52:22,910 --> 00:52:20,760

the debris which we are working on a

1071

00:52:25,549 --> 00:52:22,920

National Security Council spokesperson

1072

00:52:27,650 --> 00:52:25,559

said the memo said the object shot down

1073

00:52:30,049 --> 00:52:27,660

over Alaska on Friday was the size of a

1074

00:52:32,329 --> 00:52:30,059

small car and not similar to the Chinese

1075

00:52:34,549 --> 00:52:32,339

balloon shot off the coast of South

1076
00:52:36,710 --> 00:52:34,559
Carolina we have no further details

1077
00:52:38,510 --> 00:52:36,720
about about the object at this time

1078
00:52:42,230 --> 00:52:38,520
including the full scope of its

1079
00:52:44,870 --> 00:52:42,240
capabilities its purpose or its origin

1080
00:52:46,549 --> 00:52:44,880
the Pentagon meme said it should be

1081
00:52:49,510 --> 00:52:46,559
assumed that the events of the past few

1082
00:52:54,109 --> 00:52:49,520
days are connected yeah you think

1083
00:52:56,990 --> 00:52:54,119
this is so stupid all right and uh

1084
00:52:58,490 --> 00:52:57,000
we also have I also have an article from

1085
00:53:00,290 --> 00:52:58,500
the hill

1086
00:53:02,450 --> 00:53:00,300
um I'll share this quickly in which

1087
00:53:04,069 --> 00:53:02,460
Schumer says you know what I'm not even

1088
00:53:06,589 --> 00:53:04,079

going to share that one there's an

1089

00:53:08,569 --> 00:53:06,599

article at the hill where Schumer I'll

1090

00:53:09,890 --> 00:53:08,579

just read from this

1091

00:53:12,410 --> 00:53:09,900

foreign

1092

00:53:13,910 --> 00:53:12,420

Schumer said the administration believes

1093

00:53:16,010 --> 00:53:13,920

the object were much smaller than the

1094

00:53:20,030 --> 00:53:16,020

suspected Chinese balloon shot down off

1095

00:53:24,410 --> 00:53:22,670

okay so Senate Majority Leader Charles

1096

00:53:27,049 --> 00:53:24,420

Schumer

1097

00:53:28,849 --> 00:53:27,059

said on Sunday the U.S believes the

1098

00:53:31,250 --> 00:53:28,859

objects that were shot down over the

1099

00:53:33,710 --> 00:53:31,260

American Canadian territory including

1100

00:53:36,770 --> 00:53:33,720

Alaska Alaska over the past few days

1101
00:53:38,390 --> 00:53:36,780
were balloons citing a briefing by

1102
00:53:40,970 --> 00:53:38,400
President Biden's National Security

1103
00:53:42,829 --> 00:53:40,980
adviser Jake Sullivan so he had the

1104
00:53:45,349 --> 00:53:42,839
National Security advisor is briefing

1105
00:53:48,049 --> 00:53:45,359
people three of the four objects as of

1106
00:53:49,670 --> 00:53:48,059
yesterday were balloons

1107
00:53:52,250 --> 00:53:49,680
um

1108
00:53:54,770 --> 00:53:52,260
yeah

1109
00:53:56,750 --> 00:53:54,780
when asked if they were sure they were

1110
00:53:57,890 --> 00:53:56,760
balloons Schumer said they believed they

1111
00:53:59,510 --> 00:53:57,900
were yes

1112
00:54:01,910 --> 00:53:59,520
Schumer said when asked by George

1113
00:54:03,950 --> 00:54:01,920

Stephanopoulos this week on whether or

1114

00:54:05,930 --> 00:54:03,960

not the objects were balloons but much

1115

00:54:09,109 --> 00:54:05,940

smaller than the first one

1116

00:54:11,150 --> 00:54:09,119

so again additional confirmation that

1117

00:54:12,589 --> 00:54:11,160

these were balloons and let me close out

1118

00:54:16,190 --> 00:54:12,599

some of this stuff

1119

00:54:17,710 --> 00:54:16,200

now you may have also heard

1120

00:54:23,030 --> 00:54:17,720

um that

1121

00:54:26,150 --> 00:54:23,040

there is claims by China that they are

1122

00:54:28,910 --> 00:54:26,160

tracking and soon to be

1123

00:54:32,089 --> 00:54:28,920

shooting down balloons as well

1124

00:54:35,030 --> 00:54:32,099

but the United States has denied that

1125

00:54:36,770 --> 00:54:35,040

they have a spy balloons in China but

1126

00:54:39,470 --> 00:54:36,780

there's a big problem with that and that

1127

00:54:42,230 --> 00:54:39,480

is that the United States and China have

1128

00:54:45,109 --> 00:54:42,240

put significant money into

1129

00:54:48,049 --> 00:54:45,119

what Spy balloons this is an article

1130

00:54:50,390 --> 00:54:48,059

from Politico from 2019.

1131

00:54:53,630 --> 00:54:50,400

U.S military's newest weapon against

1132

00:54:55,549 --> 00:54:53,640

China and Russia hot air the Pentagon is

1133

00:54:57,170 --> 00:54:55,559

working on a new plan to rise above the

1134

00:54:59,809 --> 00:54:57,180

competition from China and Russia

1135

00:55:01,910 --> 00:54:59,819

balloons high altitude Inflatables

1136

00:55:03,710 --> 00:55:01,920

flying at between sixty thousand and

1137

00:55:05,569 --> 00:55:03,720

ninety thousand feet would be added to

1138

00:55:07,849 --> 00:55:05,579

the pentagon's extensive surveillance

1139

00:55:10,609 --> 00:55:07,859

Network and could eventually be used to

1140

00:55:12,589 --> 00:55:10,619

track Hypersonic weapons the idea may

1141

00:55:14,809 --> 00:55:12,599

sound like science fiction but pentagon

1142

00:55:16,970 --> 00:55:14,819

budget documents signal that technology

1143

00:55:19,849 --> 00:55:16,980

is moving from dod's scientific

1144

00:55:22,730 --> 00:55:19,859

Community to the military services this

1145

00:55:24,170 --> 00:55:22,740

was in 2019 guess when they said they

1146

00:55:27,530 --> 00:55:24,180

they would start using these

1147

00:55:29,329 --> 00:55:27,540

Technologies 2022.

1148

00:55:33,290 --> 00:55:29,339

so this is very interesting the

1149

00:55:34,910 --> 00:55:33,300

government not your average balloon uh

1150

00:55:36,770 --> 00:55:34,920

when currents allow the balloon to float

1151
00:55:38,510 --> 00:55:36,780
along the desired flight path and the

1152
00:55:40,370 --> 00:55:38,520
company takes advantage of different

1153
00:55:42,650 --> 00:55:40,380
wind speeds and directions to move the

1154
00:55:45,170 --> 00:55:42,660
balloon to the Target area but that's

1155
00:55:47,329 --> 00:55:45,180
not all Raven Aerostar uses a

1156
00:55:49,609 --> 00:55:47,339
proprietary machine learning algorithm

1157
00:55:52,510 --> 00:55:49,619
that predicts wind directions and fuses

1158
00:55:54,470 --> 00:55:52,520
incoming sensor data in real time

1159
00:55:56,750 --> 00:55:54,480
vanderworth said the company also

1160
00:55:59,750 --> 00:55:56,760
employs a software program to Pilot and

1161
00:56:01,549 --> 00:55:59,760
monitor its balloon Fleet and has a

1162
00:56:04,430 --> 00:56:01,559
mission operations center manned with

1163
00:56:07,790 --> 00:56:04,440

trained flight Engineers 24 hours a day

1164

00:56:11,150 --> 00:56:07,800

so the United States government invested

1165

00:56:13,370 --> 00:56:11,160

as far back as 2019 very very heavily

1166

00:56:16,730 --> 00:56:13,380

into Balloon technology

1167

00:56:18,589 --> 00:56:16,740

there was um in 2010 the Army was

1168

00:56:21,410 --> 00:56:18,599

investing in spy blink program that had

1169

00:56:23,270 --> 00:56:21,420

ultimately canceled in 2017 this program

1170

00:56:24,730 --> 00:56:23,280

replaced that effort by the United

1171

00:56:27,589 --> 00:56:24,740

States government

1172

00:56:29,210 --> 00:56:27,599

and again these Technologies were

1173

00:56:33,109 --> 00:56:29,220

supposed to be transferred to Military

1174

00:56:33,970 --> 00:56:33,119

and put in place as of 2022. if we can

1175

00:56:36,770 --> 00:56:33,980

just

1176

00:56:39,829 --> 00:56:36,780

grow up and get over our Hang-Ups about

1177

00:56:42,609 --> 00:56:39,839

the jln es event the future can be

1178

00:56:44,870 --> 00:56:42,619

bright for dirigibles balloons and

1179

00:56:46,910 --> 00:56:44,880

aerostats the center of strategic and

1180

00:56:50,990 --> 00:56:46,920

International Studies Tom

1181

00:56:53,930 --> 00:56:51,000

uh que Oro said interesting these

1182

00:56:56,870 --> 00:56:53,940

Technologies were being studied and

1183

00:57:01,010 --> 00:56:56,880

again this article is from some time ago

1184

00:57:06,710 --> 00:57:03,770

interesting that

1185

00:57:10,370 --> 00:57:06,720

these Technologies are being

1186

00:57:12,230 --> 00:57:10,380

um deployed of course against foreign

1187

00:57:13,670 --> 00:57:12,240

adversaries but now the Chinese are

1188

00:57:16,190 --> 00:57:13,680

saying that we

1189

00:57:17,930 --> 00:57:16,200

are doing it to them and isn't it

1190

00:57:20,930 --> 00:57:17,940

interesting they just got caught doing

1191

00:57:23,390 --> 00:57:20,940

it to us so maybe that's just a smoke

1192

00:57:24,890 --> 00:57:23,400

screen smoke and mirrors misdirection oh

1193

00:57:27,950 --> 00:57:24,900

we're not doing it to you you're doing

1194

00:57:30,829 --> 00:57:27,960

it to us who knows uh but I thought that

1195

00:57:33,890 --> 00:57:30,839

was very very interesting and we've got

1196

00:57:35,690 --> 00:57:33,900

additional updates from CNN significant

1197

00:57:37,790 --> 00:57:35,700

portion of Chinese spy balloon wreckage

1198

00:57:39,710 --> 00:57:37,800

has been recovered defense officials

1199

00:57:41,809 --> 00:57:39,720

says a significant portion of wreckage

1200

00:57:44,150 --> 00:57:41,819

of the Chinese spy balloon has been

1201
00:57:46,130 --> 00:57:44,160
recovered in about 50 feet of water off

1202
00:57:48,109 --> 00:57:46,140
the coast of South Carolina according to

1203
00:57:49,910 --> 00:57:48,119
defense official a salvaged ship

1204
00:57:52,549 --> 00:57:49,920
equipped with a crane arrived in the

1205
00:57:54,530 --> 00:57:52,559
area on Friday and began raising debris

1206
00:57:56,870 --> 00:57:54,540
from the sea floor as weather permitted

1207
00:57:59,690 --> 00:57:56,880
including some of the structure of the

1208
00:58:02,089 --> 00:57:59,700
payload carried under the balloon and

1209
00:58:04,430 --> 00:58:02,099
the electronics the payload carried by

1210
00:58:06,410 --> 00:58:04,440
the balloon weighed approximately two

1211
00:58:08,089 --> 00:58:06,420
thousand pounds that's why that balloon

1212
00:58:10,250 --> 00:58:08,099
was so big you know how big of a balloon

1213
00:58:12,950 --> 00:58:10,260

you need to raise two thousand Pounds

1214

00:58:14,690 --> 00:58:12,960

into the size into the sky

1215

00:58:16,910 --> 00:58:14,700

and it was the size of three school

1216

00:58:18,530 --> 00:58:16,920

buses the sensitive components will be

1217

00:58:20,569 --> 00:58:18,540

handed over to the FBI for further

1218

00:58:24,290 --> 00:58:20,579

investigation according to the official

1219

00:58:28,309 --> 00:58:24,300

and by the way that's the first one so

1220

00:58:30,950 --> 00:58:28,319

there is a significant number of uh

1221

00:58:32,930 --> 00:58:30,960

recovery efforts taking place right now

1222

00:58:34,790 --> 00:58:32,940

they're going to get every bit of these

1223

00:58:37,789 --> 00:58:34,800

things that they can and they're going

1224

00:58:39,289 --> 00:58:37,799

to rip them apart back engineer them do

1225

00:58:42,589 --> 00:58:39,299

whatever they have to do to figure out

1226

00:58:44,690 --> 00:58:42,599

their capabilities to try to get to what

1227

00:58:47,510 --> 00:58:44,700

is the Chinese doing with these things

1228

00:58:49,490 --> 00:58:47,520

if it is indeed all the Chinese I

1229

00:58:50,270 --> 00:58:49,500

believe that it is

1230

00:58:53,930 --> 00:58:50,280

um

1231

00:58:56,450 --> 00:58:53,940

either Chinese or foreign adversary

1232

00:59:00,410 --> 00:58:56,460

um very very interesting

1233

00:59:03,470 --> 00:59:00,420

now I want to remind you before uh you

1234

00:59:05,990 --> 00:59:03,480

know tuning in and listening to the UFO

1235

00:59:07,910 --> 00:59:06,000

con Squad like Jeremy Corbell third

1236

00:59:09,650 --> 00:59:07,920

phase of moon

1237

00:59:12,950 --> 00:59:09,660

um

1238

00:59:16,730 --> 00:59:12,960

Lou Elizondo Christopher Mellon or any

1239

00:59:19,370 --> 00:59:16,740

of these UFO personalities

1240

00:59:23,150 --> 00:59:19,380

um it wasn't that long ago in fact I

1241

00:59:26,210 --> 00:59:23,160

have an article here from Newsmax and

1242

00:59:29,809 --> 00:59:26,220

this is just July 2021

1243

00:59:34,849 --> 00:59:29,819

and in this article

1244

00:59:37,490 --> 00:59:34,859

Jeremy Corbell essentially says that

1245

00:59:40,670 --> 00:59:37,500

um the United States government has

1246

00:59:43,190 --> 00:59:40,680

confirmed for him that these UFOs were

1247

00:59:46,309 --> 00:59:43,200

not foreign adversaries

1248

00:59:49,490 --> 00:59:46,319

right these UFOs being experienced were

1249

00:59:52,730 --> 00:59:49,500

not foreign adversaries that's from UFO

1250

00:59:55,130 --> 00:59:52,740

filmmaker Jeremy Corbell to Newsmax that

1251
00:59:57,950 --> 00:59:55,140
was last year and just in the past year

1252
01:00:01,430 --> 00:59:57,960
we found out that there are drones

1253
01:00:03,890 --> 01:00:01,440
swarming Navy ships so Jeremy Corbell

1254
01:00:11,270 --> 01:00:03,900
was 100 wrong

1255
01:00:14,870 --> 01:00:13,130
all of these events were happening at

1256
01:00:17,690 --> 01:00:14,880
the same time we're talking upwards of

1257
01:00:20,030 --> 01:00:17,700
50 to 100 unidentified contacts that

1258
01:00:21,710 --> 01:00:20,040
were again swarming our Navy airships

1259
01:00:24,890 --> 01:00:21,720
yeah you know what was swarming our Navy

1260
01:00:28,130 --> 01:00:24,900
airships Jeremy Corbell drones Chinese

1261
01:00:30,950 --> 01:00:28,140
drones that's a proven fact nail he was

1262
01:00:34,430 --> 01:00:30,960
completely and totally wrong by pushing

1263
01:00:36,770 --> 01:00:34,440

aliens this is why you should not trust

1264

01:00:39,349 --> 01:00:36,780

these UFO con Squad personalities

1265

01:00:41,770 --> 01:00:39,359

because they're wrong because they've

1266

01:00:46,370 --> 01:00:41,780

already made up their mind they're not

1267

01:00:48,250 --> 01:00:46,380

assessing the evidence and making a an

1268

01:00:52,010 --> 01:00:48,260

informed decision based on available

1269

01:00:55,250 --> 01:00:52,020

evidence they have their pre-existent

1270

01:00:56,210 --> 01:00:55,260

they already believe it's aliens and

1271

01:01:00,589 --> 01:00:56,220

they're just

1272

01:01:03,010 --> 01:01:00,599

trainer put the evidence to fit their

1273

01:01:09,890 --> 01:01:03,020

already drawn conclusions it's very very

1274

01:01:15,230 --> 01:01:12,470

yes gabber Beast TV is here thank you

1275

01:01:18,170 --> 01:01:15,240

for chiming in UFO shot down in Alaska

1276

01:01:20,329 --> 01:01:18,180

and Canada everything on Twitter we

1277

01:01:23,650 --> 01:01:20,339

deconstructed and all the pictures and

1278

01:01:29,270 --> 01:01:26,990

well I think you're right

1279

01:01:31,490 --> 01:01:29,280

about all but the first one the first

1280

01:01:34,549 --> 01:01:31,500

one we did get real pictures of and it

1281

01:01:38,089 --> 01:01:34,559

was clearly a balloon carrying a large

1282

01:01:40,190 --> 01:01:38,099

payload the rest of them that I have

1283

01:01:43,010 --> 01:01:40,200

seen on Twitter I agree with you are all

1284

01:01:44,690 --> 01:01:43,020

fakes we literally have people copying

1285

01:01:47,990 --> 01:01:44,700

stuff from video games saying that

1286

01:01:49,309 --> 01:01:48,000

that's what was seen it's absolutely

1287

01:01:53,390 --> 01:01:49,319

ridiculous

1288

01:01:58,430 --> 01:01:53,400

um

1289

01:02:02,690 --> 01:01:58,440

yeah so look what what I can tell you is

1290

01:02:05,870 --> 01:02:02,700

that let me go back to my notes Here

1291

01:02:08,630 --> 01:02:05,880

so there are four possibilities of what

1292

01:02:11,390 --> 01:02:08,640

these things can be and I apologize but

1293

01:02:13,910 --> 01:02:11,400

this camera situation is driving me nuts

1294

01:02:15,410 --> 01:02:13,920

so I'm going to try to fix that we're

1295

01:02:17,870 --> 01:02:15,420

going to take a very very short break

1296

01:02:20,690 --> 01:02:17,880

Show's not over we're only an hour in I

1297

01:02:22,250 --> 01:02:20,700

have a great deal more of information to

1298

01:02:26,890 --> 01:02:22,260

share with you you don't want to miss

1299

01:02:30,890 --> 01:02:29,150

upset that rich people want to mine

1300

01:02:33,170 --> 01:02:30,900

asteroids so their children can stay

1301

01:02:36,349 --> 01:02:33,180

effing richer than rich in the future

1302

01:02:37,130 --> 01:02:36,359

yeah how dare they

1303

01:02:45,829 --> 01:02:37,140

oh

1304

01:02:48,650 --> 01:02:45,839

Stephen Nicholson

1305

01:02:52,010 --> 01:02:48,660

um my leading hypothesis is that these

1306

01:02:54,109 --> 01:02:52,020

are not spy balloons and there's reasons

1307

01:02:56,150 --> 01:02:54,119

for that and we'll get into it after a

1308

01:02:58,250 --> 01:02:56,160

short break so here's what we're going

1309

01:03:01,730 --> 01:02:58,260

to do friends we are going to take a

1310

01:03:03,230 --> 01:03:01,740

short short break and when we return

1311

01:03:04,849 --> 01:03:03,240

um hopefully I'll have my close-up

1312

01:03:07,970 --> 01:03:04,859

camera fixed because that's driving me

1313

01:03:10,549 --> 01:03:07,980

nuts and then we're going to examine the

1314

01:03:13,670 --> 01:03:10,559

four biggest possibilities of what these

1315

01:03:17,030 --> 01:03:13,680

things truly are what is really going on

1316

01:03:19,609 --> 01:03:17,040

I have identified four of the top

1317

01:03:21,589 --> 01:03:19,619

possibilities of what that what's really

1318

01:03:24,829 --> 01:03:21,599

going on and we're going to talk about

1319

01:03:26,569 --> 01:03:24,839

those possibilities uh immediately when

1320

01:03:28,730 --> 01:03:26,579

we return

1321

01:03:30,650 --> 01:03:28,740

um I'm going to fix my camera here we'll

1322

01:03:43,390 --> 01:03:30,660

be right back friends

1323

01:03:43,400 --> 01:03:48,490

[Music]

1324

01:03:55,670 --> 01:03:51,970

Super Chat soup stickers super thanks

1325

01:03:58,030 --> 01:03:55,680

PayPal or cash out instructions for how

1326

01:04:01,370 --> 01:03:58,040

to help are in the description

1327

01:04:03,589 --> 01:04:01,380

you can also join our patreon and for as

1328

01:04:06,950 --> 01:04:03,599

little as one dollar a month you can get

1329

01:04:09,710 --> 01:04:06,960

extra content patreon supporters get a

1330

01:04:11,329 --> 01:04:09,720

backstage pass Early Access to all my

1331

01:04:13,849 --> 01:04:11,339

production videos before they are

1332

01:04:16,609 --> 01:04:13,859

distributed publicly Stephen campion's

1333

01:04:19,910 --> 01:04:16,619

music private writings a monthly show

1334

01:04:21,890 --> 01:04:19,920

journal and more you also become a

1335

01:04:24,589 --> 01:04:21,900

YouTube channel member for five dollars

1336

01:04:27,349 --> 01:04:24,599

a month a YouTube membership includes

1337

01:04:30,230 --> 01:04:27,359

all the patreon benefits plus a special

1338

01:04:32,930 --> 01:04:30,240

members badge priority reply to video

1339

01:04:36,109 --> 01:04:32,940

comments and the live chat plus a

1340

01:04:39,230 --> 01:04:36,119

monthly Members Only video we thank you

1341

01:04:42,589 --> 01:04:39,240

all kind and generous benefactors for

1342

01:04:53,890 --> 01:04:42,599

supporting truth Seekers thank you for

1343

01:04:53,900 --> 01:04:56,920

thank you

foreign

1346

01:05:31,030 --> 01:05:48,170

[Music]

1347

01:05:52,910 --> 01:05:50,329

podcast we love and appreciate you

1348

01:05:55,849 --> 01:05:52,920

listeners but you are missing the live

1349

01:05:58,609 --> 01:05:55,859

tapings all our shows are recorded live

1350

01:06:00,829 --> 01:05:58,619

with video themes we'd love you to come

1351

01:06:03,890 --> 01:06:00,839

be a part of our live broadcasts and

1352

01:06:06,349 --> 01:06:03,900

tapings for the podcast head on over to

1353

01:06:09,230 --> 01:06:06,359

YouTube click the Search tool the little

1354

01:06:11,210 --> 01:06:09,240

magnifying glass or truth Seekers one

1355

01:06:13,609 --> 01:06:11,220

word in the search bar and hit enter

1356

01:06:15,890 --> 01:06:13,619

you'll see a strange and mysterious guy

1357

01:06:18,349 --> 01:06:15,900

with sunglasses that means you found the

1358

01:06:21,109 --> 01:06:18,359

channel go ahead smash the Subscribe

1359

01:06:23,329 --> 01:06:21,119

button and hit the notification Bell to

1360

01:06:26,029 --> 01:06:23,339

receive up-to-date info on our YouTube

1361

01:06:28,910 --> 01:06:26,039

channel we welcome you to be a part of

1362

01:06:34,250 --> 01:06:28,920

our live taping and our chat room during

1363

01:06:34,260 --> 01:06:41,250

this is truth Seekers

1364

01:06:41,260 --> 01:06:49,910

[Music]

1365

01:06:55,069 --> 01:06:52,670

okay friends we are back and I've still

1366

01:06:56,270 --> 01:06:55,079

got some notes and stuff to share to go

1367

01:06:57,890 --> 01:06:56,280

through and then we'll be taking

1368

01:06:59,329 --> 01:06:57,900

comments and questions from the live

1369

01:07:02,089 --> 01:06:59,339

chat

1370

01:07:04,609 --> 01:07:02,099

um great attendance tonight glad to see

1371

01:07:07,430 --> 01:07:04,619

so many here okay so the four

1372

01:07:10,190 --> 01:07:07,440

possibilities uh

1373

01:07:12,470 --> 01:07:10,200

I have them here in my notes this does

1374

01:07:16,490 --> 01:07:12,480

not necessarily mean that I believe all

1375

01:07:18,230 --> 01:07:16,500

of them the first and least likely is

1376

01:07:19,250 --> 01:07:18,240

what the grifters are pushing people

1377

01:07:28,309 --> 01:07:19,260

like

1378

01:07:30,230 --> 01:07:28,319

artist grifters that make money from UFO

1379

01:07:32,510 --> 01:07:30,240

believers

1380

01:07:37,609 --> 01:07:32,520

and that first possibility is Alien

1381

01:07:40,630 --> 01:07:37,619

Invasion or fake alien invasion psyop

1382

01:07:43,309 --> 01:07:40,640

now this gets really interesting because

1383

01:07:46,010 --> 01:07:43,319

the reason I discount that is even

1384

01:07:47,510 --> 01:07:46,020

within a realm of possibility is because

1385

01:07:49,609 --> 01:07:47,520

I don't believe the government would

1386

01:07:51,049 --> 01:07:49,619

tell us the truth if that was indeed

1387

01:07:54,650 --> 01:07:51,059

what was happening

1388

01:07:56,990 --> 01:07:54,660

certainly if this was a fake alien

1389

01:07:58,849 --> 01:07:57,000

invasion they wouldn't be telling us

1390

01:08:01,670 --> 01:07:58,859

that they're balloons and allowing

1391

01:08:04,130 --> 01:08:01,680

people to take pictures and videos of

1392

01:08:06,710 --> 01:08:04,140

balloons both flying over the whole

1393

01:08:08,510 --> 01:08:06,720

United States and being shot down they

1394

01:08:10,490 --> 01:08:08,520

just wouldn't allow that out on the

1395

01:08:13,190 --> 01:08:10,500

media and they do have their thumb on

1396

01:08:15,589 --> 01:08:13,200

the scale enough to control the internet

1397

01:08:19,010 --> 01:08:15,599

enough to stop people from posting those

1398

01:08:22,309 --> 01:08:19,020

images now as far as Alien Invasion I've

1399

01:08:25,490 --> 01:08:22,319

seen zero absolutely zero evidence that

1400

01:08:28,910 --> 01:08:25,500

these things are in in origin Earthly

1401
01:08:31,430 --> 01:08:28,920
man-made technology clearly Earthly

1402
01:08:34,910 --> 01:08:31,440
man-made technology

1403
01:08:38,329 --> 01:08:34,920
the second possibility is Chinese or

1404
01:08:41,269 --> 01:08:38,339
adversary balloons of unknown purpose I

1405
01:08:43,309 --> 01:08:41,279
say unknown purpose because I I agree

1406
01:08:45,650 --> 01:08:43,319
they could be spy balloons

1407
01:08:48,349 --> 01:08:45,660
uh or intelligence gathering balloons

1408
01:08:52,189 --> 01:08:48,359
but they also and this is the most

1409
01:08:55,970 --> 01:08:52,199
troubling possibility these objects or

1410
01:08:58,130 --> 01:08:55,980
balloons could very easily be weapons

1411
01:09:01,550 --> 01:08:58,140
delivery

1412
01:09:03,709 --> 01:09:01,560
platform tests

1413
01:09:05,390 --> 01:09:03,719

um and it's very easy to see that if

1414

01:09:07,610 --> 01:09:05,400

they could get a balloon all the way

1415

01:09:10,729 --> 01:09:07,620

into the United States and let it fly

1416

01:09:13,729 --> 01:09:10,739

all the way over the United States with

1417

01:09:15,590 --> 01:09:13,739

a 2 000 pound payload

1418

01:09:18,950 --> 01:09:15,600

um and this is where it gets very very

1419

01:09:21,650 --> 01:09:18,960

troubling for me because do you have any

1420

01:09:24,950 --> 01:09:21,660

idea how much 2 000 pounds of a

1421

01:09:26,630 --> 01:09:24,960

biological weapon what that could do to

1422

01:09:28,610 --> 01:09:26,640

major cities in the United States

1423

01:09:30,950 --> 01:09:28,620

especially if a balloon was just allowed

1424

01:09:32,510 --> 01:09:30,960

to freely float over the whole

1425

01:09:34,490 --> 01:09:32,520

Continental or most of the whole

1426

01:09:37,970 --> 01:09:34,500

continental United States slowly

1427

01:09:38,990 --> 01:09:37,980

releasing biological weapons or agents

1428

01:09:42,950 --> 01:09:39,000

or

1429

01:09:46,010 --> 01:09:42,960

who knows pathogens viruses Anthrax the

1430

01:09:49,130 --> 01:09:46,020

possibilities for

1431

01:09:52,309 --> 01:09:49,140

any kind of thing like that 2 000 pounds

1432

01:09:53,990 --> 01:09:52,319

of it that's an awful lot of biological

1433

01:09:56,330 --> 01:09:54,000

agent

1434

01:09:59,090 --> 01:09:56,340

um and we've seen just a tiny tiny

1435

01:10:00,950 --> 01:09:59,100

amount of something you know

1436

01:10:03,350 --> 01:10:00,960

um something like Anthrax can be

1437

01:10:06,890 --> 01:10:03,360

delivered in an envelope by mail and

1438

01:10:09,229 --> 01:10:06,900

kill multiple people in one one building

1439

01:10:12,350 --> 01:10:09,239

many many people in one building so

1440

01:10:15,410 --> 01:10:12,360

imagine two thousand pounds of that

1441

01:10:17,990 --> 01:10:15,420

could they be testing our defense and

1442

01:10:20,149 --> 01:10:18,000

capabilities and our

1443

01:10:22,850 --> 01:10:20,159

um What would most military men would

1444

01:10:27,290 --> 01:10:22,860

call situational Readiness I suppose

1445

01:10:30,649 --> 01:10:27,300

to deal with uh some sort of threat or

1446

01:10:33,649 --> 01:10:30,659

uh weapon delivery system the other

1447

01:10:35,930 --> 01:10:33,659

weapons delivery uh possibility that I

1448

01:10:38,450 --> 01:10:35,940

thought of was an EMP device certainly

1449

01:10:41,750 --> 01:10:38,460

one of those could be built within that

1450

01:10:46,070 --> 01:10:41,760

two thousand pound range that could do

1451

01:10:48,110 --> 01:10:46,080

major damage and literally destroy uh

1452

01:10:50,810 --> 01:10:48,120

whole power grids in the United States

1453

01:10:52,370 --> 01:10:50,820

now we've got a Midwest power grid an

1454

01:10:53,810 --> 01:10:52,380

East Coast power grid and a West Coast

1455

01:10:57,229 --> 01:10:53,820

power grid

1456

01:10:59,570 --> 01:10:57,239

certainly I believe based on my

1457

01:11:02,510 --> 01:10:59,580

understanding of those technologies that

1458

01:11:05,030 --> 01:11:02,520

a 2 000 pound device could take out an

1459

01:11:07,970 --> 01:11:05,040

entire power grid either East Coast West

1460

01:11:10,669 --> 01:11:07,980

Coast you know Midwest or the Texas

1461

01:11:12,169 --> 01:11:10,679

power grid Texas has apparently has

1462

01:11:14,750 --> 01:11:12,179

their own

1463

01:11:16,689 --> 01:11:14,760

um but still our power grid is a cobbled

1464

01:11:19,070 --> 01:11:16,699

together mess all of them

1465

01:11:21,410 --> 01:11:19,080

that has been cobbled together from

1466

01:11:24,410 --> 01:11:21,420

ancient old technology over the past

1467

01:11:27,290 --> 01:11:24,420

hundred years we do not have a power

1468

01:11:31,729 --> 01:11:27,300

grid capable of withstanding EMP attack

1469

01:11:33,410 --> 01:11:31,739

period so this is very very troubling

1470

01:11:34,790 --> 01:11:33,420

and uh

1471

01:11:36,590 --> 01:11:34,800

actually

1472

01:11:40,310 --> 01:11:36,600

um

1473

01:11:41,689 --> 01:11:40,320

the third possibility is a false flag or

1474

01:11:44,810 --> 01:11:41,699

um

1475

01:11:47,330 --> 01:11:44,820

perceptual management psyop

1476

01:11:50,090 --> 01:11:47,340

to distract people from current events

1477

01:11:52,310 --> 01:11:50,100

isn't it interesting that apparently

1478

01:11:54,410 --> 01:11:52,320

there is multiple sources around the

1479

01:11:55,970 --> 01:11:54,420

world confirming that President Biden

1480

01:11:58,310 --> 01:11:55,980

tried to start World War Three by

1481

01:12:01,189 --> 01:11:58,320

attacking the nordstream pipeline or

1482

01:12:03,950 --> 01:12:01,199

destroying the Nordstrom pipeline that

1483

01:12:07,729 --> 01:12:03,960

literally would cause an international

1484

01:12:10,130 --> 01:12:07,739

disaster and could literally could cause

1485

01:12:11,689 --> 01:12:10,140

a thermonuclear war with Russia a

1486

01:12:15,010 --> 01:12:11,699

nuclear power

1487

01:12:17,870 --> 01:12:15,020

we've got those Pfizer Revelations boy

1488

01:12:20,750 --> 01:12:17,880

we haven't heard anything

1489

01:12:24,590 --> 01:12:20,760

we have not heard anything anything

1490

01:12:26,390 --> 01:12:24,600

about Biden trying to or being

1491

01:12:28,250 --> 01:12:26,400

responsible or the United States being

1492

01:12:30,649 --> 01:12:28,260

responsible for attacking or destroying

1493

01:12:33,890 --> 01:12:30,659

that Nordstrom pipeline we haven't heard

1494

01:12:37,310 --> 01:12:33,900

anything about the Pfizer Revelations

1495

01:12:39,770 --> 01:12:37,320

uh since this balloon situation began

1496

01:12:42,169 --> 01:12:39,780

and interestingly

1497

01:12:43,790 --> 01:12:42,179

um the situation in Ohio which we're

1498

01:12:45,830 --> 01:12:43,800

going to be covering later in the week

1499

01:12:47,750 --> 01:12:45,840

and I've got calls into all kinds of

1500

01:12:50,390 --> 01:12:47,760

government agencies including the EPA

1501
01:12:52,430 --> 01:12:50,400
demanding comment and boy things got

1502
01:12:54,890 --> 01:12:52,440
heated with somebody over at the EPA

1503
01:12:56,330 --> 01:12:54,900
with me on the phone today I did record

1504
01:12:58,310 --> 01:12:56,340
it

1505
01:13:02,090 --> 01:12:58,320
they didn't like me and they didn't like

1506
01:13:03,950 --> 01:13:02,100
my questions the situation in Ohio is

1507
01:13:07,370 --> 01:13:03,960
that there was a trained derailment and

1508
01:13:10,370 --> 01:13:07,380
a huge explosion with toxic chemicals

1509
01:13:13,610 --> 01:13:10,380
Galore and there's a huge environmental

1510
01:13:15,530 --> 01:13:13,620
disaster currently in Ohio which is

1511
01:13:17,090 --> 01:13:15,540
concerning to me because that's right on

1512
01:13:18,350 --> 01:13:17,100
the Pennsylvania border where that

1513
01:13:20,689 --> 01:13:18,360

happened I happen to live in

1514

01:13:23,149 --> 01:13:20,699

Pennsylvania and there are various

1515

01:13:26,290 --> 01:13:23,159

reports from local residents of pets

1516

01:13:28,970 --> 01:13:26,300

dying chickens dying livestock dying

1517

01:13:30,649 --> 01:13:28,980

people getting sick when they go outside

1518

01:13:31,610 --> 01:13:30,659

of their homes

1519

01:13:36,350 --> 01:13:31,620

um

1520

01:13:37,689 --> 01:13:36,360

the Ohio situation is a literal I

1521

01:13:39,890 --> 01:13:37,699

believe that that is the biggest

1522

01:13:42,649 --> 01:13:39,900

environmental disaster in the

1523

01:13:45,290 --> 01:13:42,659

continental United States since uh the

1524

01:13:47,450 --> 01:13:45,300

gulf oil disaster

1525

01:13:50,090 --> 01:13:47,460

literally the biggest environmental

1526

01:13:52,490 --> 01:13:50,100

disaster in a decade and what are we

1527

01:13:54,590 --> 01:13:52,500

hearing about that on the media we're

1528

01:13:57,890 --> 01:13:54,600

not we're hearing about Chinese balloons

1529

01:14:00,169 --> 01:13:57,900

in the media right

1530

01:14:01,250 --> 01:14:00,179

um and the fourth possibility is that

1531

01:14:05,090 --> 01:14:01,260

this is some sort of government

1532

01:14:09,110 --> 01:14:05,100

operation to increase funding for UFO

1533

01:14:11,030 --> 01:14:09,120

UAP studies and defense spending and

1534

01:14:13,669 --> 01:14:11,040

that's a good possibility as well you're

1535

01:14:15,530 --> 01:14:13,679

getting a little bit of uh pushback when

1536

01:14:16,970 --> 01:14:15,540

you're demanding more defense spending

1537

01:14:19,610 --> 01:14:16,980

or demanding

1538

01:14:23,630 --> 01:14:19,620

billions of dollars be put into UAP or

1539

01:14:26,770 --> 01:14:23,640

UFO studies and organizations and uh

1540

01:14:32,810 --> 01:14:30,229

investigatory uh organizations you want

1541

01:14:37,070 --> 01:14:32,820

to be you want to have

1542

01:14:39,010 --> 01:14:37,080

do a media psyop and convince everyone

1543

01:14:42,649 --> 01:14:39,020

that this is not only

1544

01:14:46,610 --> 01:14:42,659

uh necessary but a great idea to just

1545

01:14:50,330 --> 01:14:46,620

increase funding for more UAP UFO

1546

01:14:52,970 --> 01:14:50,340

studies and more defense study

1547

01:14:55,370 --> 01:14:52,980

um yeah and I I just want to show you as

1548

01:14:59,410 --> 01:14:55,380

an example third phase of fake on this

1549

01:15:01,610 --> 01:14:59,420

this is so they are so ridiculous

1550

01:15:04,070 --> 01:15:01,620

but apparently if you want to be

1551

01:15:05,990 --> 01:15:04,080

successful all you have to do is lie to

1552

01:15:07,610 --> 01:15:06,000

people because apparently people love to

1553

01:15:10,490 --> 01:15:07,620

be lied to and I'm not going to play the

1554

01:15:13,370 --> 01:15:10,500

video because they've threatened

1555

01:15:16,790 --> 01:15:13,380

um copyright strikes before super clear

1556

01:15:18,950 --> 01:15:16,800

UFO footage just in what on Earth are

1557

01:15:20,689 --> 01:15:18,960

they you see the question mark That's

1558

01:15:22,490 --> 01:15:20,699

What absolves You of any responsibility

1559

01:15:23,810 --> 01:15:22,500

I'm going to start I we're starting it

1560

01:15:25,010 --> 01:15:23,820

we're putting question marks at the end

1561

01:15:28,130 --> 01:15:25,020

of everything now

1562

01:15:30,830 --> 01:15:28,140

because this is a graduation party

1563

01:15:33,290 --> 01:15:30,840

balloon and the idiots over at third

1564

01:15:36,470 --> 01:15:33,300

phase are posting this as super clear

1565

01:15:38,330 --> 01:15:36,480

UFO footage this was debunked by Mick

1566

01:15:40,130 --> 01:15:38,340

West in five minutes that's why they

1567

01:15:42,649 --> 01:15:40,140

hate Mick West because Mick West looks

1568

01:15:46,070 --> 01:15:42,659

them makes them look like the stupid ass

1569

01:15:49,550 --> 01:15:46,080

clowns that they are this is not a UFO

1570

01:15:53,030 --> 01:15:49,560

this is a graduation party balloon you

1571

01:15:55,550 --> 01:15:53,040

dummies and where's grift on to jump all

1572

01:15:57,709 --> 01:15:55,560

over them being stupid right to call

1573

01:15:59,570 --> 01:15:57,719

them grifters and scammers and hoaxers

1574

01:16:01,550 --> 01:15:59,580

oh he's not going to do that because

1575

01:16:05,209 --> 01:16:01,560

they're his buddies and they're allowed

1576
01:16:07,550 --> 01:16:05,219
to put out fake [h__\h] every week and he

1577
01:16:09,590 --> 01:16:07,560
says nothing why because he benefits

1578
01:16:12,410 --> 01:16:09,600
from that relationship

1579
01:16:14,630 --> 01:16:12,420
with third phase of fake

1580
01:16:17,870 --> 01:16:14,640
but

1581
01:16:21,229 --> 01:16:17,880
um and I can also show you that they are

1582
01:16:23,930 --> 01:16:21,239
falsely labeling things as UFOs that we

1583
01:16:26,330 --> 01:16:23,940
know are not UFOs these things the

1584
01:16:29,570 --> 01:16:26,340
balloons the third phase of moon are

1585
01:16:33,169 --> 01:16:29,580
falsely labeling them as UFOs

1586
01:16:35,450 --> 01:16:33,179
in Click bait titles to make money

1587
01:16:38,630 --> 01:16:35,460
government shoots down multiple UFOs

1588
01:16:42,590 --> 01:16:38,640

this is 19 hours ago this is after the

1589

01:16:45,530 --> 01:16:42,600

reporting that they were balloons

1590

01:16:47,750 --> 01:16:45,540

I'm going to tell the the UFO experts

1591

01:16:49,970 --> 01:16:47,760

goofan and third phase of fake something

1592

01:16:53,030 --> 01:16:49,980

that they should already know

1593

01:16:56,450 --> 01:16:53,040

a balloon is not a UFO

1594

01:17:00,770 --> 01:16:56,460

a balloon is an identified object and

1595

01:17:06,229 --> 01:17:04,729

they did it again Canada orders UFO shot

1596

01:17:10,070 --> 01:17:06,239

down

1597

01:17:11,990 --> 01:17:10,080

that's one day ago and one day ago the

1598

01:17:16,689 --> 01:17:12,000

government said that was a balloon

1599

01:17:18,250 --> 01:17:16,699

they still reported it as a UFO right

1600

01:17:23,209 --> 01:17:18,260

syndrick

1601
01:17:26,870 --> 01:17:23,219
centritical UFO UFO UFO UFO it's it was

1602
01:17:30,410 --> 01:17:26,880
all balloons third phase of fake and hey

1603
01:17:32,870 --> 01:17:30,420
Grifton are you gonna go after them for

1604
01:17:35,689 --> 01:17:32,880
lying to everyone when they knew it was

1605
01:17:38,709 --> 01:17:35,699
Balloons by the time they posted this

1606
01:17:42,110 --> 01:17:38,719
[h__\h] this garbage this disinformation

1607
01:17:44,689 --> 01:17:42,120
misinformation garbage from third phase

1608
01:17:46,550 --> 01:17:44,699
of fake but hey

1609
01:17:51,830 --> 01:17:46,560
let's not let

1610
01:17:54,890 --> 01:17:51,840
take all the credit for being part of

1611
01:17:58,610 --> 01:17:54,900
literally a government this information

1612
01:18:01,250 --> 01:17:58,620
uh situation right here's Grifton

1613
01:18:03,649 --> 01:18:01,260

getting big numbers finally right people

1614

01:18:06,649 --> 01:18:03,659

are finally tuning in and all he had to

1615

01:18:10,030 --> 01:18:06,659

do to get people to tune in is use click

1616

01:18:12,770 --> 01:18:10,040

bait garbage titles and lie to everyone

1617

01:18:15,290 --> 01:18:12,780

congratulations grift on

1618

01:18:17,390 --> 01:18:15,300

here's his title is this the false flag

1619

01:18:20,810 --> 01:18:17,400

alien invasion

1620

01:18:22,490 --> 01:18:20,820

now China spotted a UFO six objects

1621

01:18:24,530 --> 01:18:22,500

documented

1622

01:18:27,950 --> 01:18:24,540

great

1623

01:18:30,470 --> 01:18:27,960

UFOs at Super Bowls really there was

1624

01:18:33,890 --> 01:18:30,480

UFOs at the Super Bowl

1625

01:18:36,610 --> 01:18:33,900

this is Click bait garbage nonsense this

1626

01:18:39,530 --> 01:18:36,620

is goofan lying to people for money

1627

01:18:41,930 --> 01:18:39,540

congratulations on the big influx of new

1628

01:18:44,570 --> 01:18:41,940

stupid people because you're willing

1629

01:18:47,209 --> 01:18:44,580

he's willing to lie to people to get the

1630

01:18:51,229 --> 01:18:47,219

views he's willing to just lie fake

1631

01:18:53,870 --> 01:18:51,239

titles click bait garbage right and I

1632

01:18:57,110 --> 01:18:53,880

love that he lied twice once in a

1633

01:18:59,930 --> 01:18:57,120

thumbnail text and once in the in the

1634

01:19:02,450 --> 01:18:59,940

description of the video

1635

01:19:04,370 --> 01:19:02,460

amazing to me and this is why I get

1636

01:19:06,590 --> 01:19:04,380

pissed off because

1637

01:19:09,770 --> 01:19:06,600

you know we try to do things the right

1638

01:19:13,250 --> 01:19:09,780

way here and not lie to the audience and

1639

01:19:16,250 --> 01:19:13,260

not garbage click bait titles that we

1640

01:19:19,250 --> 01:19:16,260

know are false he knew there was no UFOs

1641

01:19:22,130 --> 01:19:19,260

at the Super Bowl this debuted after the

1642

01:19:26,209 --> 01:19:22,140

Super Bowl look at his title UFOs at

1643

01:19:33,410 --> 01:19:29,810

so but this is this is the this is the

1644

01:19:35,570 --> 01:19:33,420

disgusting deplorable world right this

1645

01:19:40,430 --> 01:19:35,580

is my beat now I have to compete with

1646

01:19:44,930 --> 01:19:42,709

and let's not forget that Griffon lied

1647

01:19:47,330 --> 01:19:44,940

to his entire audience for what like a

1648

01:19:49,250 --> 01:19:47,340

year saying that third phase never

1649

01:19:51,590 --> 01:19:49,260

hoaxed anything never hoaxed anything in

1650

01:19:55,130 --> 01:19:51,600

five years three years last year last

1651
01:19:56,450 --> 01:19:55,140
week he knew we showed the emails he

1652
01:19:59,930 --> 01:19:56,460
knew that people were sending third

1653
01:20:02,090 --> 01:19:59,940
phase of moon 100 fake videos he kept

1654
01:20:04,130 --> 01:20:02,100
his mouth shut about all that and he

1655
01:20:05,750 --> 01:20:04,140
came after people like me who told

1656
01:20:08,990 --> 01:20:05,760
people the truth about it because

1657
01:20:13,550 --> 01:20:09,000
Grifton is a lying scumbag

1658
01:20:15,830 --> 01:20:13,560
liar scumbag both your titles are lies

1659
01:20:18,290 --> 01:20:15,840
here both of them

1660
01:20:21,910 --> 01:20:18,300
UFOs at Super Bowls where was the UFOs

1661
01:20:23,930 --> 01:20:21,920
at Super Bowls you [h__h] liar scumbag

1662
01:20:26,870 --> 01:20:23,940
Dirtbag liar

1663
01:20:30,169 --> 01:20:26,880

right is this the start of the alien

1664

01:20:33,229 --> 01:20:30,179

invasion what is it because third phase

1665

01:20:35,090 --> 01:20:33,239

of moon are not done milking yeah by the

1666

01:20:37,189 --> 01:20:35,100

way third phase of fake have a new

1667

01:20:40,010 --> 01:20:37,199

documentary with Stephen Greer hoaxer

1668

01:20:43,550 --> 01:20:40,020

extraordinaire liar scammer grifter

1669

01:20:46,490 --> 01:20:43,560

Stephen Greer right great job great job

1670

01:20:48,890 --> 01:20:46,500

Richard grift on right

1671

01:20:51,950 --> 01:20:48,900

why should you work for a living when

1672

01:20:54,950 --> 01:20:51,960

you can just suck the balls of Steven

1673

01:20:59,169 --> 01:20:54,960

Greer congratulations you're a Stephen

1674

01:21:02,090 --> 01:20:59,179

Greer [h__\h] now you [h__\h]

1675

01:21:05,149 --> 01:21:02,100

congratulations straight

1676

01:21:08,209 --> 01:21:05,159

all right so I've got uh something to

1677

01:21:10,149 --> 01:21:08,219

share with you uh that I thought that

1678

01:21:14,149 --> 01:21:10,159

most of the coverage that I saw was

1679

01:21:17,930 --> 01:21:14,159

absolute garbage but occasionally some

1680

01:21:19,850 --> 01:21:17,940

but he does do there are some still some

1681

01:21:21,530 --> 01:21:19,860

good people out there when people ask me

1682

01:21:23,209 --> 01:21:21,540

all the time like well what do you

1683

01:21:25,310 --> 01:21:23,219

listen to Steve and one of the things I

1684

01:21:28,430 --> 01:21:25,320

do listen to is troubled minds and he

1685

01:21:30,709 --> 01:21:28,440

did an excellent breakdown of this so uh

1686

01:21:32,450 --> 01:21:30,719

we're gonna cite fair use I didn't get a

1687

01:21:34,130 --> 01:21:32,460

chance to ask him but he's he's a

1688

01:21:36,350 --> 01:21:34,140

believer in fair use he's not going to

1689

01:21:39,530 --> 01:21:36,360

mind us sharing his

1690

01:21:42,110 --> 01:21:39,540

um his breakdown of these things I think

1691

01:21:45,410 --> 01:21:42,120

he did an excellent breakdown

1692

01:21:47,750 --> 01:21:45,420

especially when we consider all of the

1693

01:21:50,830 --> 01:21:47,760

inconsistencies and how things are not

1694

01:21:53,330 --> 01:21:50,840

right like why are one government agency

1695

01:21:54,770 --> 01:21:53,340

uh telling us one thing in another

1696

01:21:56,750 --> 01:21:54,780

government agency is telling us

1697

01:21:59,209 --> 01:21:56,760

something completely different it's

1698

01:22:00,830 --> 01:21:59,219

we're not saying it was balloons it's

1699

01:22:03,350 --> 01:22:00,840

definitely balloons

1700

01:22:06,649 --> 01:22:03,360

we we can't confirm it was all balloons

1701

01:22:09,830 --> 01:22:06,659

we can confirm it was all balloons

1702

01:22:13,130 --> 01:22:09,840

this none of this makes any sense and I

1703

01:22:15,890 --> 01:22:13,140

think that he's having he's having some

1704

01:22:18,290 --> 01:22:15,900

of the same uh problems in his brain

1705

01:22:23,209 --> 01:22:18,300

trying to digest

1706

01:22:25,610 --> 01:22:23,219

the way I put his video in the

1707

01:22:27,410 --> 01:22:25,620

description of our video here if you

1708

01:22:29,390 --> 01:22:27,420

want to check it out in its entirety

1709

01:22:31,370 --> 01:22:29,400

especially without me

1710

01:22:34,130 --> 01:22:31,380

um having to talk over it for fair use

1711

01:22:36,649 --> 01:22:34,140

purposes it's called North America

1712

01:22:39,530 --> 01:22:36,659

shocked four UFOs shot down in just

1713

01:22:41,330 --> 01:22:39,540

eight days and uh I've forgive him for

1714

01:22:44,030 --> 01:22:41,340

the use of the term UFO

1715

01:22:47,330 --> 01:22:44,040

see I think a lot of the problem is that

1716

01:22:48,410 --> 01:22:47,340

most media agencies are saying that the

1717

01:22:49,970 --> 01:22:48,420

United States government is shooting

1718

01:22:52,790 --> 01:22:49,980

down UFOs

1719

01:22:55,010 --> 01:22:52,800

and people are just forgetting that the

1720

01:22:56,930 --> 01:22:55,020

the United States government also said

1721

01:22:58,669 --> 01:22:56,940

these are all balloons or many people

1722

01:23:04,189 --> 01:22:58,679

within the government have said these

1723

01:23:08,630 --> 01:23:06,530

one second let me do that again and make

1724

01:23:15,229 --> 01:23:08,640

sure I always do that make sure I have

1725

01:23:20,090 --> 01:23:17,930

check this out a fourth object which

1726

01:23:23,390 --> 01:23:20,100

shot down today a fourth that's right

1727

01:23:25,550 --> 01:23:23,400

four objects in eight days and they're

1728

01:23:27,350 --> 01:23:25,560

calling these objects notice because of

1729

01:23:28,850 --> 01:23:27,360

yeah and that I agree with them on they

1730

01:23:31,669 --> 01:23:28,860

weren't calling them balloons they were

1731

01:23:34,310 --> 01:23:31,679

calling them objects and isn't that

1732

01:23:35,930 --> 01:23:34,320

weird why would they call them objects

1733

01:23:37,250 --> 01:23:35,940

if they knew they were balloons and not

1734

01:23:39,350 --> 01:23:37,260

just call them balloons from the start

1735

01:23:42,169 --> 01:23:39,360

of course the first one we know was a

1736

01:23:43,610 --> 01:23:42,179

balloon shot down February 4th after it

1737

01:23:46,669 --> 01:23:43,620

floated all the way across the country

1738

01:23:48,770 --> 01:23:46,679

from presumably Alaska and through

1739

01:23:51,890 --> 01:23:48,780

Canada it was the size of three school

1740

01:23:54,229 --> 01:23:51,900

buses had some sort of scaffolding and

1741

01:23:55,790 --> 01:23:54,239

data collection equipment on it yeah and

1742

01:23:57,830 --> 01:23:55,800

by the way that's another thing that I

1743

01:24:00,110 --> 01:23:57,840

wanted to mention

1744

01:24:03,290 --> 01:24:00,120

um several

1745

01:24:06,050 --> 01:24:03,300

people uh in the military are commenting

1746

01:24:08,590 --> 01:24:06,060

from military intelligence that the

1747

01:24:11,689 --> 01:24:08,600

first balloon did not contain

1748

01:24:14,270 --> 01:24:11,699

surveillance Electronics what does that

1749

01:24:17,330 --> 01:24:14,280

mean that means they were not trying to

1750

01:24:18,830 --> 01:24:17,340

image things the electronics at least

1751

01:24:20,990 --> 01:24:18,840

this is what I was told take from it

1752

01:24:24,470 --> 01:24:21,000

what you will maybe rumors and

1753

01:24:27,470 --> 01:24:24,480

speculation the electronics in the first

1754

01:24:28,330 --> 01:24:27,480

object the big the big one

1755

01:24:33,110 --> 01:24:28,340

um

1756

01:24:35,570 --> 01:24:33,120

that was containing signals Gathering

1757

01:24:38,630 --> 01:24:35,580

Electronics what does that mean that

1758

01:24:41,450 --> 01:24:38,640

means that they were collecting data not

1759

01:24:45,470 --> 01:24:41,460

images that's what the payload was

1760

01:24:48,410 --> 01:24:45,480

collecting that could be radio waves

1761

01:24:51,550 --> 01:24:48,420

that could be uh

1762

01:24:55,010 --> 01:24:51,560

Wi-Fi internet information

1763

01:24:57,530 --> 01:24:55,020

signals intelligence not image

1764

01:24:59,570 --> 01:24:57,540

intelligence and apparently China

1765

01:25:01,189 --> 01:24:59,580

claimed it was theirs that's the first

1766

01:25:03,290 --> 01:25:01,199

one but check this out this gets even

1767

01:25:05,270 --> 01:25:03,300

more weird over the weekend we've got

1768

01:25:07,490 --> 01:25:05,280

this happening February 4th that's the

1769

01:25:10,310 --> 01:25:07,500

one we just talked about February 10th

1770

01:25:12,709 --> 01:25:10,320

the U.S Downs another object off

1771

01:25:15,110 --> 01:25:12,719

northern Alaska which officials said

1772

01:25:17,410 --> 01:25:15,120

lacked any system or propulsion or

1773

01:25:19,430 --> 01:25:17,420

control yeah I think they need Mick West

1774

01:25:21,290 --> 01:25:19,440

I really think the United States

1775

01:25:23,630 --> 01:25:21,300

government has to hire Mick West to be

1776

01:25:26,030 --> 01:25:23,640

the UFO guy right

1777

01:25:28,070 --> 01:25:26,040

and first of all Mick West can debunk

1778

01:25:30,890 --> 01:25:28,080

what's fake tell people no that's a

1779

01:25:33,350 --> 01:25:30,900

balloon and then he can also I think

1780

01:25:35,689 --> 01:25:33,360

that if you had somebody that actually

1781

01:25:38,050 --> 01:25:35,699

cared about things like correct

1782

01:25:42,830 --> 01:25:38,060

terminology and correct headlines

1783

01:25:45,169 --> 01:25:42,840

because this these the information that

1784

01:25:46,669 --> 01:25:45,179

is being distributed to the media is all

1785

01:25:49,430 --> 01:25:46,679

over the place

1786

01:25:52,010 --> 01:25:49,440

February 11th an American fighter jet

1787

01:25:55,070 --> 01:25:52,020

shoots down a high altitude Airborne

1788

01:25:57,649 --> 01:25:55,080

object over Canada's Yukon Territory

1789

01:26:00,590 --> 01:25:57,659

about 100 miles from the U.S border it

1790

01:26:02,570 --> 01:26:00,600

was described as cylindrical and smaller

1791

01:26:06,169 --> 01:26:02,580

than the first balloon and then February

1792

01:26:09,169 --> 01:26:06,179

12th that was today U.S Jets shoot down

1793

01:26:12,350 --> 01:26:09,179

a fourth high altitude object near Lake

1794

01:26:14,870 --> 01:26:12,360

Huron out of an abundance of caution now

1795

01:26:16,910 --> 01:26:14,880

this seems completely sus doesn't it for

1796

01:26:18,590 --> 01:26:16,920

a lot of reasons suddenly we're calling

1797

01:26:20,090 --> 01:26:18,600

these things objects the first one of

1798

01:26:21,590 --> 01:26:20,100

course has been confirmed as a balloon

1799

01:26:24,590 --> 01:26:21,600

but then we've got three days running

1800

01:26:26,570 --> 01:26:24,600

the 10th the 11th and the 12th yeah and

1801
01:26:28,430 --> 01:26:26,580
this is why it got confusing because the

1802
01:26:31,010 --> 01:26:28,440
first one was a balloon you don't want

1803
01:26:32,750 --> 01:26:31,020
to just assume the other objects are

1804
01:26:36,050 --> 01:26:32,760
automatically balloons because the first

1805
01:26:40,129 --> 01:26:36,060
one was and the the statements coming

1806
01:26:42,350 --> 01:26:40,139
out of the media were objects UFOs uaps

1807
01:26:45,169 --> 01:26:42,360
nobody said balloon for the next ones

1808
01:26:47,810 --> 01:26:45,179
these situations happening four objects

1809
01:26:49,729 --> 01:26:47,820
shot down and one was a confirmed

1810
01:26:51,770 --> 01:26:49,739
balloon but the other three they're

1811
01:26:54,110 --> 01:26:51,780
saying have some peculiar things about

1812
01:26:57,410 --> 01:26:54,120
them and whatever and then there comes

1813
01:27:00,430 --> 01:26:57,420

some reporting that is interesting that

1814

01:27:02,750 --> 01:27:00,440

I want and and here's another problem

1815

01:27:04,810 --> 01:27:02,760

there are various people all over

1816

01:27:07,490 --> 01:27:04,820

Twitter and Elsewhere on the internet

1817

01:27:09,410 --> 01:27:07,500

reporting what the

1818

01:27:11,689 --> 01:27:09,420

Pilots saw

1819

01:27:13,910 --> 01:27:11,699

but we don't get the name of any Pilots

1820

01:27:16,669 --> 01:27:13,920

so these are people who could be just

1821

01:27:19,610 --> 01:27:16,679

making stuff up claiming the pilot saw

1822

01:27:21,830 --> 01:27:19,620

this claiming the pilots saw that but we

1823

01:27:24,770 --> 01:27:21,840

don't get any on the record statement

1824

01:27:27,229 --> 01:27:24,780

who were these Pilots I want to talk to

1825

01:27:29,209 --> 01:27:27,239

them I want to interview them you can't

1826
01:27:31,189 --> 01:27:29,219
you just have to trust that what people

1827
01:27:33,770 --> 01:27:31,199
are saying the pilot said is really

1828
01:27:36,890 --> 01:27:33,780
coming from the pilots this is also

1829
01:27:39,050 --> 01:27:36,900
extremely problematic I mean by that is

1830
01:27:41,209 --> 01:27:39,060
some of the pilots have reported that

1831
01:27:43,610 --> 01:27:41,219
they were jamming some of their

1832
01:27:46,310 --> 01:27:43,620
instruments which is odd another thing

1833
01:27:49,370 --> 01:27:46,320
that's super weird about this is it was

1834
01:27:52,070 --> 01:27:49,380
reported that these objects are not

1835
01:27:53,870 --> 01:27:52,080
balloons and as they did at Pentagon

1836
01:27:55,129 --> 01:27:53,880
press briefing earlier I'll have the

1837
01:27:56,810 --> 01:27:55,139
links in the description if you want to

1838
01:28:00,770 --> 01:27:56,820

watch that yes and we've been over this

1839

01:28:02,629 --> 01:28:00,780

so General Glenn van hurk said we're not

1840

01:28:05,330 --> 01:28:02,639

calling we're calling them objects not

1841

01:28:08,629 --> 01:28:05,340

balloons for a reason says U.S Air Force

1842

01:28:12,050 --> 01:28:08,639

General Glenn van hurk the NORAD

1843

01:28:14,450 --> 01:28:12,060

Commander and meanwhile other members of

1844

01:28:17,030 --> 01:28:14,460

the media are saying they are balloons

1845

01:28:18,350 --> 01:28:17,040

on the same exact day this would be

1846

01:28:21,169 --> 01:28:18,360

yesterday

1847

01:28:23,030 --> 01:28:21,179

So Yesterday General Glenn Glenn van

1848

01:28:26,450 --> 01:28:23,040

hurk says we're calling them objects not

1849

01:28:29,090 --> 01:28:26,460

balloons for a reason meanwhile members

1850

01:28:32,390 --> 01:28:29,100

of the Senate intelligence committee are

1851
01:28:34,010 --> 01:28:32,400
saying that they were briefed and in the

1852
01:28:35,270 --> 01:28:34,020
briefing they were told that these were

1853
01:28:37,129 --> 01:28:35,280
balloons

1854
01:28:39,229 --> 01:28:37,139
none of this makes any sense it's

1855
01:28:42,590 --> 01:28:39,239
entirety but this is reported today

1856
01:28:45,890 --> 01:28:42,600
Pentagon does not know what keeps these

1857
01:28:48,290 --> 01:28:45,900
objects Aloft unknown propulsion systems

1858
01:28:51,229 --> 01:28:48,300
quote we're calling them objects not

1859
01:28:54,590 --> 01:28:51,239
balloons for a reason says U.S Air Force

1860
01:28:56,629 --> 01:28:54,600
General Glenn van hurk seems strange am

1861
01:28:59,330 --> 01:28:56,639
I right then yeah this definitely does

1862
01:29:02,209 --> 01:28:59,340
seem strange especially when you have

1863
01:29:04,550 --> 01:29:02,219

two completely conflicting sources of

1864

01:29:07,250 --> 01:29:04,560

information both high-ranking government

1865

01:29:10,250 --> 01:29:07,260

officials saying 180 degree

1866

01:29:11,830 --> 01:29:10,260

diametrically opposed information both

1867

01:29:14,810 --> 01:29:11,840

on the same day

1868

01:29:17,270 --> 01:29:14,820

something is not right here this comes

1869

01:29:19,370 --> 01:29:17,280

out shortly thereafter General van hurk

1870

01:29:21,770 --> 01:29:19,380

says that he hasn't ruled out anything

1871

01:29:24,050 --> 01:29:21,780

yet when asked whether he rules out

1872

01:29:27,350 --> 01:29:24,060

aliens okay if this doesn't seem like a

1873

01:29:29,870 --> 01:29:27,360

war of the world situation to you oh no

1874

01:29:31,610 --> 01:29:29,880

the aliens are coming according to the

1875

01:29:33,350 --> 01:29:31,620

NORAD commander and the north com

1876

01:29:35,209 --> 01:29:33,360

commander who would take over our whole

1877

01:29:37,610 --> 01:29:35,219

country in the event of an alien

1878

01:29:40,550 --> 01:29:37,620

invasion I'm not sure exactly what does

1879

01:29:43,669 --> 01:29:40,560

and then finally hours later the update

1880

01:29:46,070 --> 01:29:43,679

is unnamed U.S defense official now

1881

01:29:48,890 --> 01:29:46,080

tells Reuters that there is quote no

1882

01:29:51,410 --> 01:29:48,900

indication of aliens or extraterrestrial

1883

01:29:54,050 --> 01:29:51,420

activity end quote in recent takedowns

1884

01:29:55,310 --> 01:29:54,060

of aerial objects so the question is and

1885

01:29:58,250 --> 01:29:55,320

again

1886

01:30:00,410 --> 01:29:58,260

um it's not just the discrepancies or

1887

01:30:03,110 --> 01:30:00,420

the the diametrically opposed statements

1888

01:30:06,550 --> 01:30:03,120

between General van hurk and Senator

1889

01:30:09,229 --> 01:30:06,560

Chuck Schumer you've got other defense

1890

01:30:11,149 --> 01:30:09,239

officials telling Reuters there is no

1891

01:30:13,550 --> 01:30:11,159

indication of aliens or extraterrestrial

1892

01:30:16,250 --> 01:30:13,560

activity there was also a press briefing

1893

01:30:18,770 --> 01:30:16,260

where Biden's press secretary said we've

1894

01:30:21,169 --> 01:30:18,780

ruled out aliens as a possibility

1895

01:30:23,390 --> 01:30:21,179

well then why would the NORAD General

1896

01:30:25,370 --> 01:30:23,400

say we haven't ruled out aliens and then

1897

01:30:27,110 --> 01:30:25,380

you roll out two other officials to say

1898

01:30:29,330 --> 01:30:27,120

we've ruled out aliens

1899

01:30:32,209 --> 01:30:29,340

this is the problem I have with this

1900

01:30:35,030 --> 01:30:32,219

whole event from a media perspective why

1901

01:30:37,790 --> 01:30:35,040

can't we get a straight answer why can't

1902

01:30:41,990 --> 01:30:37,800

these guys you know have a meeting in

1903

01:30:43,430 --> 01:30:42,000

Washington DC and all agree on what the

1904

01:30:46,490 --> 01:30:43,440

information they're going to distribute

1905

01:30:50,570 --> 01:30:46,500

to the to the public be so that it's

1906

01:30:53,689 --> 01:30:50,580

accurate and consistent and not so 180

1907

01:30:56,270 --> 01:30:53,699

this this is so ridiculous we we haven't

1908

01:30:58,370 --> 01:30:56,280

ruled out aliens we've ruled out aliens

1909

01:31:00,410 --> 01:30:58,380

it's definitely we're saying objects not

1910

01:31:03,770 --> 01:31:00,420

balloons for a reason it's that you know

1911

01:31:06,649 --> 01:31:03,780

uh it's it's definitely balloons

1912

01:31:08,209 --> 01:31:06,659

this is ridiculous what is it like what

1913

01:31:11,510 --> 01:31:08,219

the hell is going on here it doesn't

1914

01:31:13,729 --> 01:31:11,520

seem like this is easily defined let's

1915

01:31:16,669 --> 01:31:13,739

say I think that's probably and here's

1916

01:31:19,490 --> 01:31:16,679

another problem like I said all of the

1917

01:31:21,350 --> 01:31:19,500

media all the members of the media that

1918

01:31:23,990 --> 01:31:21,360

I have seen are saying U.S military

1919

01:31:26,390 --> 01:31:24,000

shoots down at UFO none of them are

1920

01:31:29,930 --> 01:31:26,400

saying shoots down balloon even though

1921

01:31:32,209 --> 01:31:29,940

members of the high-ranking intelligence

1922

01:31:33,649 --> 01:31:32,219

senate committee like Chuck Schumer are

1923

01:31:36,290 --> 01:31:33,659

saying it's balloons

1924

01:31:38,330 --> 01:31:36,300

so who are we supposed to believe and

1925

01:31:40,490 --> 01:31:38,340

this is what is causing all the problems

1926

01:31:42,050 --> 01:31:40,500

in the so-called UFO Community is

1927

01:31:44,270 --> 01:31:42,060

because the True Believers are going to

1928

01:31:46,010 --> 01:31:44,280

take the statements like it's not

1929

01:31:47,750 --> 01:31:46,020

balloons we're saying objects for a

1930

01:31:50,330 --> 01:31:47,760

reason and

1931

01:31:51,830 --> 01:31:50,340

um we haven't ruled out aliens and

1932

01:31:54,050 --> 01:31:51,840

they're going to run with that and the

1933

01:31:56,870 --> 01:31:54,060

more skeptical grounded people are going

1934

01:31:58,850 --> 01:31:56,880

to run with no they said it was balloons

1935

01:31:59,990 --> 01:31:58,860

they said it had nothing to do with the

1936

01:32:04,189 --> 01:32:00,000

aliens

1937

01:32:06,110 --> 01:32:04,199

so we've got this split both in in the

1938

01:32:08,649 --> 01:32:06,120

media in the United States government

1939

01:32:10,729 --> 01:32:08,659

and consequently in the UFO Community

1940

01:32:11,870 --> 01:32:10,739

Based on all these conflicting

1941

01:32:13,550 --> 01:32:11,880

statements

1942

01:32:15,050 --> 01:32:13,560

coming out of the government best way to

1943

01:32:17,209 --> 01:32:15,060

put it and so what do you think is going

1944

01:32:18,830 --> 01:32:17,219

on suddenly we've got these things that

1945

01:32:21,290 --> 01:32:18,840

have mysterious propulsion they say

1946

01:32:23,750 --> 01:32:21,300

they're not balloons initially they said

1947

01:32:26,030 --> 01:32:23,760

they're not ruling out extraterrestrial

1948

01:32:28,850 --> 01:32:26,040

life okay now I know everybody wants to

1949

01:32:30,590 --> 01:32:28,860

jump to aliens all the time yeah I

1950

01:32:32,689 --> 01:32:30,600

definitely want it to be aliens it would

1951

01:32:34,970 --> 01:32:32,699

be so much more interesting if this

1952

01:32:37,189 --> 01:32:34,980

story was aliens and not Chinese people

1953

01:32:39,890 --> 01:32:37,199

spying on us heard some caution here

1954

01:32:42,290 --> 01:32:39,900

because I think they may be trying to

1955

01:32:45,410 --> 01:32:42,300

pull one over on us in terms of denying

1956

01:32:47,870 --> 01:32:45,420

or not denying things in a sort of say

1957

01:32:49,970 --> 01:32:47,880

something but say nothing sort of way if

1958

01:32:51,709 --> 01:32:49,980

you catch my drift by saying we're not

1959

01:32:53,270 --> 01:32:51,719

ruling anything out I don't believe

1960

01:32:54,830 --> 01:32:53,280

they're actually thinking this is aliens

1961

01:32:56,990 --> 01:32:54,840

because think about it this way if

1962

01:32:58,910 --> 01:32:57,000

you're actually shooting down objects

1963

01:33:01,129 --> 01:32:58,920

first you would have to know what those

1964

01:33:03,169 --> 01:33:01,139

objects are otherwise why would you

1965

01:33:04,610 --> 01:33:03,179

shoot them down I agree with them I

1966

01:33:07,310 --> 01:33:04,620

don't believe

1967

01:33:09,050 --> 01:33:07,320

that the United States government is

1968

01:33:10,610 --> 01:33:09,060

going we're we don't know what these

1969

01:33:12,709 --> 01:33:10,620

objects are but we're going to shoot

1970

01:33:14,090 --> 01:33:12,719

them down anyway

1971

01:33:17,090 --> 01:33:14,100

I think that would be incredibly

1972

01:33:19,129 --> 01:33:17,100

irresponsible of them to do

1973

01:33:21,649 --> 01:33:19,139

um they could be research balloons they

1974

01:33:24,890 --> 01:33:21,659

could be high altitude reconnaissance

1975

01:33:28,189 --> 01:33:24,900

craft from a friendly Nation you don't

1976

01:33:29,930 --> 01:33:28,199

just go shoot down things especially if

1977

01:33:31,910 --> 01:33:29,940

you're not sure what they are you

1978

01:33:33,770 --> 01:33:31,920

investigate first you look at all the

1979

01:33:35,870 --> 01:33:33,780

available data and then you make an

1980

01:33:39,169 --> 01:33:35,880

informed decision what these objects are

1981

01:33:41,090 --> 01:33:39,179

what they're likely where they're likely

1982

01:33:42,830 --> 01:33:41,100

from before making a decision to shoot

1983

01:33:44,990 --> 01:33:42,840

them down you don't just shoot them down

1984

01:33:47,450 --> 01:33:45,000

wouldn't you want to collect data on

1985

01:33:49,189 --> 01:33:47,460

them observe them watch them on radar

1986

01:33:50,629 --> 01:33:49,199

but that's not what happened they shot

1987

01:33:53,270 --> 01:33:50,639

these things down now the first one

1988

01:33:55,129 --> 01:33:53,280

again China balloon Etc the next three

1989

01:33:58,430 --> 01:33:55,139

over the course of this weekend that's

1990

01:34:00,590 --> 01:33:58,440

four objects in eight days shot down by

1991

01:34:04,370 --> 01:34:00,600

U.S fighter jets and that one in Canada

1992

01:34:06,169 --> 01:34:04,380

was also shot down by a F-22 us fighter

1993

01:34:09,110 --> 01:34:06,179

you don't actually yeah and isn't it

1994

01:34:11,629 --> 01:34:09,120

interesting Justin Joe sort of claimed

1995

01:34:14,270 --> 01:34:11,639

credit for ordering the shoot down of

1996

01:34:16,010 --> 01:34:14,280

the one over Canada but I don't believe

1997

01:34:17,930 --> 01:34:16,020

that that was his decision at all I

1998

01:34:20,870 --> 01:34:17,940

believe Luke NORAD called him and said

1999

01:34:23,030 --> 01:34:20,880

you've got a bogey and it's flying into

2000

01:34:25,430 --> 01:34:23,040

our airspace we're gonna go take it out

2001

01:34:27,290 --> 01:34:25,440

and he said okay that's what I believe

2002

01:34:29,629 --> 01:34:27,300

happened he didn't have anything to do

2003

01:34:31,490 --> 01:34:29,639

with ordering anything he didn't order

2004

01:34:33,110 --> 01:34:31,500

anything the United States has already

2005

01:34:36,110 --> 01:34:33,120

decided that they were going to go shoot

2006

01:34:38,090 --> 01:34:36,120

it down over Canadian airspace before

2007

01:34:40,610 --> 01:34:38,100

Ford entered the United States airspace

2008

01:34:42,470 --> 01:34:40,620

and he allowed them to do it that's

2009

01:34:44,629 --> 01:34:42,480

quite different than ordering the shoot

2010

01:34:46,729 --> 01:34:44,639

down of an oven you shoot things down

2011

01:34:48,890 --> 01:34:46,739

that you don't know what they are do you

2012

01:34:51,110 --> 01:34:48,900

in any case we've got a lot of bizarre

2013

01:34:53,510 --> 01:34:51,120

reporting on this including Chuck

2014

01:34:55,370 --> 01:34:53,520

Schumer saying that these are all just

2015

01:34:57,770 --> 01:34:55,380

balloons now we all know Chuck Schumer

2016

01:35:00,169 --> 01:34:57,780

is just a scumbag because politicians

2017

01:35:01,850 --> 01:35:00,179

are scumbags that I cannot argue with

2018

01:35:04,490 --> 01:35:01,860

Chuck Schumer is a big scumbag

2019

01:35:06,470 --> 01:35:04,500

absolutely all politicians are if you

2020

01:35:08,750 --> 01:35:06,480

ask me but it still leaves me wondering

2021

01:35:11,930 --> 01:35:08,760

what the hell is happening here is this

2022

01:35:15,350 --> 01:35:11,940

and this is where I'm at I agree at 100

2023

01:35:17,510 --> 01:35:15,360

with troubled Minds here because

2024

01:35:20,629 --> 01:35:17,520

what are we supposed to believe we're

2025

01:35:23,990 --> 01:35:20,639

being told completely 100 different

2026

01:35:26,689 --> 01:35:24,000

things by different U.S officials on the

2027

01:35:29,270 --> 01:35:26,699

same day it's the same day they're

2028

01:35:31,490 --> 01:35:29,280

saying 100 different things it's going

2029

01:35:34,010 --> 01:35:31,500

to escalate if these are indeed Chinese

2030

01:35:36,530 --> 01:35:34,020

balloons is this a bad look not just

2031

01:35:38,450 --> 01:35:36,540

politically but also strategically as

2032

01:35:40,370 --> 01:35:38,460

some sort of domain Gap as they're

2033

01:35:43,430 --> 01:35:40,380

calling it meaning that they're sensors

2034

01:35:46,070 --> 01:35:43,440

for their Radars in North America are

2035

01:35:48,290 --> 01:35:46,080

not fine-tuned enough to keep up with

2036

01:35:49,970 --> 01:35:48,300

incredibly slow moving objects which

2037

01:35:51,890 --> 01:35:49,980

means there's going to be a ton of these

2038

01:35:53,810 --> 01:35:51,900

balloons up there and China has probably

2039

01:35:55,910 --> 01:35:53,820

known and been taken advantage of this

2040

01:35:57,649 --> 01:35:55,920

for quite some time now it could very

2041

01:35:59,990 --> 01:35:57,659

well be that China has had these

2042

01:36:01,729 --> 01:36:00,000

balloons over our skies for years and

2043

01:36:04,910 --> 01:36:01,739

years and years and we just haven't been

2044

01:36:07,310 --> 01:36:04,920

detecting them and enforcing our

2045

01:36:09,350 --> 01:36:07,320

airspace the way that we should be oh

2046

01:36:11,209 --> 01:36:09,360

the speculation is odd if it is a

2047

01:36:12,470 --> 01:36:11,219

Chinese type stuff it's by Tech or

2048

01:36:14,149 --> 01:36:12,480

whatever what are they doing because

2049

01:36:16,610 --> 01:36:14,159

clearly satellites can do something

2050

01:36:18,350 --> 01:36:16,620

similar is this just a cheap version of

2051

01:36:19,729 --> 01:36:18,360

a satellite without having to launch it

2052

01:36:22,250 --> 01:36:19,739

into orbit and go through all the

2053

01:36:23,930 --> 01:36:22,260

business or yeah and this is also why I

2054

01:36:25,850 --> 01:36:23,940

believe that these are weapons delivery

2055

01:36:27,950 --> 01:36:25,860

tests because

2056

01:36:31,189 --> 01:36:27,960

the Chinese government has very very

2057

01:36:33,410 --> 01:36:31,199

advanced Space Program they have just as

2058

01:36:36,229 --> 01:36:33,420

good spy satellites as we do they would

2059

01:36:39,770 --> 01:36:36,239

have no need to use such low-tech game

2060

01:36:41,750 --> 01:36:39,780

you know possibly dangerous means to

2061

01:36:44,090 --> 01:36:41,760

image things

2062

01:36:46,189 --> 01:36:44,100

or is something else happening per usual

2063

01:36:48,890 --> 01:36:46,199

I'm not trying to make conclusions here

2064

01:36:51,530 --> 01:36:48,900

I do have to say that this is all

2065

01:36:54,830 --> 01:36:51,540

incredibly worrisome because it's not

2066

01:36:57,590 --> 01:36:54,840

typical for anything to be shot down in

2067

01:36:59,570 --> 01:36:57,600

North America at all specifically yeah I

2068

01:37:02,149 --> 01:36:59,580

can't remember any object being shot

2069

01:37:03,890 --> 01:37:02,159

down in my lifetime over United States

2070

01:37:05,689 --> 01:37:03,900

airspace I don't know about the rest of

2071

01:37:08,890 --> 01:37:05,699

you I don't remember them shooting

2072

01:37:11,030 --> 01:37:08,900

anything down over the United States

2073

01:37:15,129 --> 01:37:11,040

especially nothing from a foreign

2074

01:37:18,410 --> 01:37:15,139

adversary so this is groundbreaking

2075

01:37:20,450 --> 01:37:18,420

for this F-22 stealth fighter that we've

2076

01:37:22,610 --> 01:37:20,460

had sitting around for years now that's

2077

01:37:24,950 --> 01:37:22,620

never had a confirmed kill and now it

2078

01:37:26,870 --> 01:37:24,960

has three confirmed kills in the past

2079

01:37:30,229 --> 01:37:26,880

week or yeah that's interesting they're

2080

01:37:33,410 --> 01:37:30,239

using stealth fighter technology to

2081

01:37:35,629 --> 01:37:33,420

shoot these things down and in one case

2082

01:37:39,590 --> 01:37:35,639

it was an F-16 in the other cases it was

2083

01:37:40,729 --> 01:37:39,600

stealth fighter F22 eight days you see

2084

01:37:42,770 --> 01:37:40,739

what's going on here I think it was an

2085

01:37:44,750 --> 01:37:42,780

F-16 that shot down the final object

2086

01:37:46,669 --> 01:37:44,760

today so there's something afoot here

2087

01:37:49,010 --> 01:37:46,679

and I don't know what it is what do you

2088

01:37:51,169 --> 01:37:49,020

guys think leave your comment down below

2089

01:37:53,330 --> 01:37:51,179

and let me know is this against some

2090

01:37:55,010 --> 01:37:53,340

sort of distraction is this yeah a lot

2091

01:37:58,550 --> 01:37:55,020

of people do believe that this is a

2092

01:38:00,709 --> 01:37:58,560

distraction based on currently breaking

2093

01:38:02,330 --> 01:38:00,719

stories around the media they've got to

2094

01:38:04,729 --> 01:38:02,340

distract us from some of that stuff

2095

01:38:07,070 --> 01:38:04,739

because boy is some of that stuff that

2096

01:38:09,470 --> 01:38:07,080

they seem to be distracting us from or

2097

01:38:11,510 --> 01:38:09,480

could be distracting us from really

2098

01:38:14,149 --> 01:38:11,520

really

2099

01:38:15,530 --> 01:38:14,159

bad news right something anomalous in

2100

01:38:17,510 --> 01:38:15,540

this guy that they don't want to tell us

2101
01:38:19,189 --> 01:38:17,520
is this something that they know exactly

2102
01:38:21,350 --> 01:38:19,199
what it is they just don't want to let

2103
01:38:23,870 --> 01:38:21,360
us in on the information just yet and

2104
01:38:25,910 --> 01:38:23,880
are we expecting to find dozens or even

2105
01:38:28,970 --> 01:38:25,920
hundreds more of these things over the

2106
01:38:32,090 --> 01:38:28,980
coming months and possibly years seems

2107
01:38:35,090 --> 01:38:32,100
strange stay tuned yeah so thanks

2108
01:38:37,370 --> 01:38:35,100
troubled Minds we appreciate your uh

2109
01:38:39,350 --> 01:38:37,380
unique perspective and Analysis he did a

2110
01:38:41,510 --> 01:38:39,360
good job

2111
01:38:44,510 --> 01:38:41,520
I think trying to cover

2112
01:38:46,310 --> 01:38:44,520
um and and you know sort of notice the

2113
01:38:49,010 --> 01:38:46,320

same thing I did that there's some

2114

01:38:51,590 --> 01:38:49,020

strangeness with the reporting here why

2115

01:38:55,070 --> 01:38:51,600

are we getting such conflicting reports

2116

01:38:57,950 --> 01:38:55,080

about the same exact events none of this

2117

01:39:01,310 --> 01:38:57,960

seems to make any sense to me

2118

01:39:04,189 --> 01:39:01,320

uh so we are going to take

2119

01:39:09,470 --> 01:39:06,470

yeah Mark Tarana says I've seen images

2120

01:39:11,030 --> 01:39:09,480

of on Twitter of a bloom platform with

2121

01:39:12,649 --> 01:39:11,040

what looks like missiles well if it

2122

01:39:15,590 --> 01:39:12,659

could carry 2 000 pounds then it could

2123

01:39:17,390 --> 01:39:15,600

probably carry some missiles right and

2124

01:39:19,189 --> 01:39:17,400

what's in those missiles right could be

2125

01:39:21,169 --> 01:39:19,199

anything

2126
01:39:23,330 --> 01:39:21,179
how I win the lottery says you sunk my

2127
01:39:27,110 --> 01:39:23,340
battleship apparently they're they're uh

2128
01:39:30,290 --> 01:39:27,120
yeah so I hate to I gotta use this sorry

2129
01:39:33,169 --> 01:39:30,300
I hate to burst your bubble if you were

2130
01:39:35,629 --> 01:39:33,179
hoping that this was aliens but from all

2131
01:39:37,910 --> 01:39:35,639
available evidence and Analysis not only

2132
01:39:40,189 --> 01:39:37,920
is it not aliens but it would appear

2133
01:39:43,550 --> 01:39:40,199
that there's some sort of

2134
01:39:47,350 --> 01:39:43,560
thumb on the scale trying to push the

2135
01:39:51,229 --> 01:39:47,360
idea that this is aliens or a fake Alien

2136
01:39:52,729 --> 01:39:51,239
Invasion out into the public

2137
01:39:56,510 --> 01:39:52,739
um

2138
01:39:58,850 --> 01:39:56,520

I just don't know right

2139

01:40:00,530 --> 01:39:58,860

yeah Eisen uh people ask me for

2140

01:40:02,450 --> 01:40:00,540

recommendations there's very few people

2141

01:40:05,090 --> 01:40:02,460

that I will stand behind I listen to

2142

01:40:09,169 --> 01:40:05,100

troubled Minds myself uh he reminds me

2143

01:40:13,070 --> 01:40:09,179

of like um Art Bell but a little more uh

2144

01:40:15,890 --> 01:40:13,080

newsy if that makes sense right and uh

2145

01:40:18,410 --> 01:40:15,900

he's on every day he's a glutton for

2146

01:40:20,149 --> 01:40:18,420

punishment so if you need something to

2147

01:40:22,729 --> 01:40:20,159

listen to

2148

01:40:24,770 --> 01:40:22,739

um you can find his channel in the

2149

01:40:26,750 --> 01:40:24,780

description of the video it just says

2150

01:40:29,270 --> 01:40:26,760

video shared and has a link to the video

2151

01:40:32,090 --> 01:40:29,280

that we have just shared

2152

01:40:33,590 --> 01:40:32,100

um highly recommended and also uh it

2153

01:40:36,169 --> 01:40:33,600

should be noted that dark journalists

2154

01:40:38,030 --> 01:40:36,179

did a piece on this General van hurk and

2155

01:40:43,129 --> 01:40:38,040

the continuity of government and that

2156

01:40:46,250 --> 01:40:43,139

piece was very good and uh he got

2157

01:40:48,050 --> 01:40:46,260

a piece of his latest dark journalist

2158

01:40:49,810 --> 01:40:48,060

did a piece on General van hurk and the

2159

01:40:51,890 --> 01:40:49,820

UFOs and the continuity of government

2160

01:40:54,770 --> 01:40:51,900

and uh

2161

01:40:57,649 --> 01:40:54,780

that latest report that he did got

2162

01:40:59,990 --> 01:40:57,659

featured on Alex Jones Show just

2163

01:41:02,450 --> 01:41:00,000

recently and so he got a shout out and

2164

01:41:04,189 --> 01:41:02,460

they played a portion of his report I

2165

01:41:06,649 --> 01:41:04,199

would recommend that you can learn all

2166

01:41:11,510 --> 01:41:06,659

about continuity of government and uh

2167

01:41:13,550 --> 01:41:11,520

yeah how that's uh a little bit of a

2168

01:41:15,770 --> 01:41:13,560

that's a whole Rabbit Hole the

2169

01:41:18,410 --> 01:41:15,780

continuity of government thing is an

2170

01:41:19,910 --> 01:41:18,420

entire Rabbit Hole who knows what's

2171

01:41:22,370 --> 01:41:19,920

going on there

2172

01:41:26,629 --> 01:41:22,380

you know it's like impossible to figure

2173

01:41:29,030 --> 01:41:26,639

this situation out we have done our best

2174

01:41:33,350 --> 01:41:29,040

um I'm gonna shut down some of these

2175

01:41:34,970 --> 01:41:33,360

windows I have so many open here but I

2176
01:41:37,970 --> 01:41:34,980
think one of the most interesting things

2177
01:41:40,370 --> 01:41:37,980
for me is seeing the return of these bot

2178
01:41:43,609 --> 01:41:40,380
Farm Twitter accounts pushing fake

2179
01:41:47,149 --> 01:41:43,619
information and again I have noticed

2180
01:41:52,370 --> 01:41:47,159
this several other times including uh

2181
01:41:54,410 --> 01:41:52,380
when the tsa CIA psyop took place we

2182
01:41:56,450 --> 01:41:54,420
saw that all over Twitter and other

2183
01:41:59,750 --> 01:41:56,460
places on the internet nameless faceless

2184
01:42:03,470 --> 01:41:59,760
accounts pushing that tsa was the

2185
01:42:05,930 --> 01:42:03,480
saviors of disclosure we saw it again uh

2186
01:42:08,510 --> 01:42:05,940
with Lou Elizondo when he was making the

2187
01:42:11,330 --> 01:42:08,520
media rounds

2188
01:42:14,629 --> 01:42:11,340

um I truly believe that there is some

2189

01:42:16,310 --> 01:42:14,639

nefarious situation somebody's got their

2190

01:42:19,070 --> 01:42:16,320

thumb on the scale

2191

01:42:21,169 --> 01:42:19,080

and I've noticed that

2192

01:42:22,669 --> 01:42:21,179

um you know when people push the

2193

01:42:25,310 --> 01:42:22,679

narrative that whatever that

2194

01:42:28,129 --> 01:42:25,320

organization once pushed they get

2195

01:42:32,209 --> 01:42:28,139

rewarded for it more views more viewers

2196

01:42:36,109 --> 01:42:32,219

more subscribers Amplified uh bullhorn

2197

01:42:37,550 --> 01:42:36,119

if you will it's very very it's very

2198

01:42:39,050 --> 01:42:37,560

very interesting

2199

01:42:42,649 --> 01:42:39,060

and then

2200

01:42:45,350 --> 01:42:42,659

it it would appear to be to me based on

2201

01:42:47,330 --> 01:42:45,360

past experience with this we're going to

2202

01:42:50,870 --> 01:42:47,340

come up with a name for it and not the

2203

01:42:54,649 --> 01:42:50,880

dark Alliance okay that's been used

2204

01:42:58,370 --> 01:42:54,659

um but I have noticed also that

2205

01:43:00,890 --> 01:42:58,380

when these media perception management

2206

01:43:03,590 --> 01:43:00,900

that's what I'm calling it for lack of a

2207

01:43:05,810 --> 01:43:03,600

better term uh when these perception

2208

01:43:08,629 --> 01:43:05,820

management operations seem to be taking

2209

01:43:11,149 --> 01:43:08,639

place within the UFO Community I've

2210

01:43:15,169 --> 01:43:11,159

noticed that people who are pro

2211

01:43:17,930 --> 01:43:15,179

that agenda get rewarded again more

2212

01:43:20,390 --> 01:43:17,940

views more viewers right

2213

01:43:22,490 --> 01:43:20,400

and some of it is ridiculous like

2214

01:43:24,050 --> 01:43:22,500

somebody who usually gets 100 live

2215

01:43:25,430 --> 01:43:24,060

viewers is suddenly getting a thousand

2216

01:43:27,590 --> 01:43:25,440

live viewers because they're pushing

2217

01:43:29,109 --> 01:43:27,600

that agenda or somebody that usually

2218

01:43:31,970 --> 01:43:29,119

gets a hundred live viewers is getting

2219

01:43:35,689 --> 01:43:31,980

300 400 live viewers

2220

01:43:37,850 --> 01:43:35,699

while they're pushing that agenda that

2221

01:43:41,450 --> 01:43:37,860

somebody once pushed into the UFO

2222

01:43:43,129 --> 01:43:41,460

community and you know I've heard dark

2223

01:43:44,629 --> 01:43:43,139

journalists and others talk about this

2224

01:43:46,430 --> 01:43:44,639

there are some people in the UFO

2225

01:43:49,209 --> 01:43:46,440

community that are just more than

2226

01:43:53,629 --> 01:43:49,219

willing to sign up for that CIA op right

2227

01:43:55,850 --> 01:43:53,639

like okay uh this is Cia disclosure and

2228

01:43:57,050 --> 01:43:55,860

and here's what we're going to do and uh

2229

01:43:58,910 --> 01:43:57,060

oh we're going to be making some

2230

01:44:00,649 --> 01:43:58,920

documentaries and we can use you in the

2231

01:44:03,830 --> 01:44:00,659

documentaries and people just sign right

2232

01:44:06,770 --> 01:44:03,840

up sign me up right

2233

01:44:09,250 --> 01:44:06,780

it's interesting how quickly some people

2234

01:44:15,169 --> 01:44:09,260

who are supposed to be I would think

2235

01:44:19,970 --> 01:44:15,179

very worry of the and call cautious of

2236

01:44:22,729 --> 01:44:19,980

government operations and CIA psyops are

2237

01:44:26,330 --> 01:44:22,739

so willing to just sign up for to help

2238

01:44:28,550 --> 01:44:26,340

them and we saw that with tsa we saw

2239

01:44:31,790 --> 01:44:28,560

that with Lou Elizondo and the CIA

2240

01:44:33,350 --> 01:44:31,800

disclosure psyop that took place right

2241

01:44:35,270 --> 01:44:33,360

and

2242

01:44:37,129 --> 01:44:35,280

isn't it interesting that all these

2243

01:44:40,790 --> 01:44:37,139

people are getting funding based on

2244

01:44:44,510 --> 01:44:43,250

I think it's very very interesting so

2245

01:44:48,350 --> 01:44:44,520

we're going to take some comments and

2246

01:44:50,390 --> 01:44:48,360

questions from the live chat I guess uh

2247

01:44:53,390 --> 01:44:50,400

yeah this I'm looking just to make sure

2248

01:44:56,090 --> 01:44:53,400

but I think this will conclude tonight's

2249

01:44:59,510 --> 01:44:56,100

presentation I hope that I have helped

2250

01:45:02,390 --> 01:44:59,520

you sift through the disinformation sift

2251

01:45:05,629 --> 01:45:02,400

through the misinformation the false

2252

01:45:10,250 --> 01:45:05,639

flag uh garbage Peddlers who are helping

2253

01:45:13,070 --> 01:45:10,260

the false flag garbage Peddlers right

2254

01:45:14,990 --> 01:45:13,080

yes and Kari is mentioning to me we're

2255

01:45:17,090 --> 01:45:15,000

going to be uh covering this Ohio

2256

01:45:18,950 --> 01:45:17,100

situation I'm even thinking about

2257

01:45:21,109 --> 01:45:18,960

driving there

2258

01:45:23,810 --> 01:45:21,119

um but I just checked and I used to have

2259

01:45:26,450 --> 01:45:23,820

a really good gas mask and respirator

2260

01:45:29,030 --> 01:45:26,460

and I don't any longer I was thinking

2261

01:45:30,770 --> 01:45:29,040

about driving to that Ohio event I think

2262

01:45:33,530 --> 01:45:30,780

we're going to stay safe and stay close

2263

01:45:36,109 --> 01:45:33,540

to home and still cover it

2264

01:45:38,689 --> 01:45:36,119

um residents are reporting skin issues

2265

01:45:42,050 --> 01:45:38,699

respiratory issues and more

2266

01:45:46,070 --> 01:45:42,060

and that is from that Ohio chemical

2267

01:45:49,149 --> 01:45:46,080

spill and they literally decided we're

2268

01:45:53,290 --> 01:45:49,159

gonna explode it and burn off all those

2269

01:45:56,510 --> 01:45:53,300

hazardous chemicals and just release

2270

01:45:59,209 --> 01:45:56,520

cancer-causing terrible chemicals all

2271

01:46:01,490 --> 01:45:59,219

throughout the atmosphere and then they

2272

01:46:05,090 --> 01:46:01,500

started arresting reporters who were

2273

01:46:07,669 --> 01:46:05,100

trying to report on those events so lots

2274

01:46:12,830 --> 01:46:07,679

going on and we will definitely be

2275

01:46:14,570 --> 01:46:12,840

covering this this Ohio situation uh

2276

01:46:16,970 --> 01:46:14,580

this week I still have a lot more

2277

01:46:18,709 --> 01:46:16,980

research to do in order to do a good job

2278

01:46:20,870 --> 01:46:18,719

to do it

2279

01:46:23,629 --> 01:46:20,880

um yes mysterious Oklahoma says the

2280

01:46:25,370 --> 01:46:23,639

water table is compromised yes and

2281

01:46:27,530 --> 01:46:25,380

people were reporting whole schools of

2282

01:46:29,510 --> 01:46:27,540

fish washing up on the shores dead

2283

01:46:32,570 --> 01:46:29,520

people are reporting that their pets are

2284

01:46:34,310 --> 01:46:32,580

dying Livestock in the area is dying

2285

01:46:37,310 --> 01:46:34,320

people who have chickens are reporting

2286

01:46:40,850 --> 01:46:37,320

all their chickens are dying or sick

2287

01:46:45,649 --> 01:46:43,430

Eisen says when corbel is promoting his

2288

01:46:47,990 --> 01:46:45,659

movie about Bob Lazar they want

2289

01:46:49,609 --> 01:46:48,000

to all the UFO channels even ones that

2290

01:46:51,410 --> 01:46:49,619

don't give interviews gave interviews

2291

01:46:54,709 --> 01:46:51,420

they all enjoyed increased viewership

2292

01:46:57,590 --> 01:46:54,719

wow now I see yeah that's it's it's the

2293

01:47:00,229 --> 01:46:57,600

UFO circle jerk all you have to do is

2294

01:47:02,810 --> 01:47:00,239

sell your soul and help grifters sell

2295

01:47:04,970 --> 01:47:02,820

whatever they're they're scamming and

2296

01:47:07,850 --> 01:47:04,980

then you too will get a little cut of

2297

01:47:10,970 --> 01:47:07,860

that money so forget about accurate

2298

01:47:13,609 --> 01:47:10,980

reporting forget about ethics morality a

2299

01:47:14,330 --> 01:47:13,619

perfect example of this stuff is grift

2300

01:47:17,270 --> 01:47:14,340

on

2301
01:47:19,550 --> 01:47:17,280
boy he goes after everybody for being a

2302
01:47:21,830 --> 01:47:19,560
liar and a scammer except for the

2303
01:47:24,470 --> 01:47:21,840
biggest UFO scammers in the history of

2304
01:47:27,169 --> 01:47:24,480
UFO scammers third phase of moon why

2305
01:47:30,830 --> 01:47:27,179
because he benefits from them and since

2306
01:47:34,430 --> 01:47:30,840
their buddy buddy sucking Steven Greer's

2307
01:47:37,729 --> 01:47:34,440
uh junk right and and milking him for

2308
01:47:41,330 --> 01:47:37,739
UFO dollars suddenly

2309
01:47:45,470 --> 01:47:41,340
Richie Grifton is very Pro Steven Greer

2310
01:47:47,390 --> 01:47:45,480
right and uh by the way go to Lions

2311
01:47:50,330 --> 01:47:47,400
ground just search on YouTube for Lions

2312
01:47:52,609 --> 01:47:50,340
ground and look for uh heathcliff's

2313
01:47:55,010 --> 01:47:52,619

piece on Stephen Greer because he made

2314

01:47:57,109 --> 01:47:55,020

griffith on look like the smackdas idiot

2315

01:47:59,629 --> 01:47:57,119

that he is it's it's a beautiful

2316

01:48:02,149 --> 01:47:59,639

beautiful piece right

2317

01:48:03,830 --> 01:48:02,159

Moody Mongol is here sharing spy

2318

01:48:05,870 --> 01:48:03,840

balloons stealth blimps have been flown

2319

01:48:08,209 --> 01:48:05,880

since World War II because they are

2320

01:48:11,209 --> 01:48:08,219

radar invisible both sides in the cold

2321

01:48:12,050 --> 01:48:11,219

war did it mock them up as all sorts of

2322

01:48:14,689 --> 01:48:12,060

things

2323

01:48:17,330 --> 01:48:14,699

China is using old technology I

2324

01:48:20,810 --> 01:48:17,340

absolutely agree with you and then you

2325

01:48:23,270 --> 01:48:20,820

know there are some people uh who are

2326

01:48:25,609 --> 01:48:23,280

claiming well balloons aren't octagonal

2327

01:48:27,410 --> 01:48:25,619

right or balloons aren't this shape or

2328

01:48:30,470 --> 01:48:27,420

that shape there are there's something

2329

01:48:33,830 --> 01:48:30,480

called aerostats and aerostats come in

2330

01:48:38,510 --> 01:48:33,840

all kinds of shapes and sizes it's just

2331

01:48:42,129 --> 01:48:38,520

a um a device for uh

2332

01:48:44,649 --> 01:48:42,139

for carrying lighter than air

2333

01:48:47,390 --> 01:48:44,659

lighter than air

2334

01:48:49,930 --> 01:48:47,400

gases so that it can be a lifting object

2335

01:48:54,590 --> 01:48:49,940

and here we see all kinds of

2336

01:48:58,010 --> 01:48:54,600

aerostats usually the shape or round but

2337

01:49:01,010 --> 01:48:58,020

they can be in this one

2338

01:49:02,930 --> 01:49:01,020

that's not round that looks like it

2339

01:49:04,070 --> 01:49:02,940

could be eight-sided right here's

2340

01:49:06,709 --> 01:49:04,080

another one

2341

01:49:08,149 --> 01:49:06,719

is that round or multi-sided who knows

2342

01:49:10,370 --> 01:49:08,159

look at this

2343

01:49:12,890 --> 01:49:10,380

that could be considered multi-sided not

2344

01:49:15,890 --> 01:49:12,900

round you know there's all kinds of

2345

01:49:18,050 --> 01:49:15,900

different shapes triangles

2346

01:49:20,270 --> 01:49:18,060

um I saw Stephen Green Street post a

2347

01:49:25,010 --> 01:49:20,280

bunch of different shapes of balloon

2348

01:49:31,790 --> 01:49:29,390

look at that aerostat robot Supremacy oh

2349

01:49:34,550 --> 01:49:31,800

no that's something else okay but the

2350

01:49:36,830 --> 01:49:34,560

point is the aerostats can be round but

2351

01:49:38,390 --> 01:49:36,840

they can also be all different kinds of

2352

01:49:39,890 --> 01:49:38,400

shapes

2353

01:49:43,370 --> 01:49:39,900

here's some

2354

01:49:46,129 --> 01:49:43,380

right that looks also shaped

2355

01:49:48,229 --> 01:49:46,139

um so you know to the misinformed people

2356

01:49:50,209 --> 01:49:48,239

that don't know the history here's one

2357

01:49:52,129 --> 01:49:50,219

it looks like a UFO or Flying Saucer

2358

01:49:55,970 --> 01:49:52,139

here's another one that looks like a UFO

2359

01:49:58,310 --> 01:49:55,980

or Flying Saucer another one two of them

2360

01:50:01,250 --> 01:49:58,320

so you know some people are very very

2361

01:50:04,070 --> 01:50:01,260

misinformed about military history I was

2362

01:50:07,070 --> 01:50:04,080

very uh fortunate in that my father was

2363

01:50:12,050 --> 01:50:07,080

a huge he was an aircraft mechanic

2364

01:50:13,729 --> 01:50:12,060

during Vietnam he was a Navy man and he

2365

01:50:15,830 --> 01:50:13,739

was on an aircraft carrier that had

2366

01:50:18,290 --> 01:50:15,840

helicopters he was a helicopter mechanic

2367

01:50:22,609 --> 01:50:18,300

but besides that

2368

01:50:26,270 --> 01:50:22,619

he was a voracious uh

2369

01:50:30,050 --> 01:50:26,280

fan of aviation history and he happened

2370

01:50:31,970 --> 01:50:30,060

to love Zeppelin's dirigibles blimps and

2371

01:50:33,890 --> 01:50:31,980

lighter than air aircraft including

2372

01:50:36,050 --> 01:50:33,900

lighter than air experimental aircraft

2373

01:50:38,990 --> 01:50:36,060

and I have I still have a lot of his

2374

01:50:41,930 --> 01:50:39,000

books he had books on these things and

2375

01:50:45,950 --> 01:50:41,940

on World War II spy balloons or World

2376

01:50:48,950 --> 01:50:45,960

War II uh the the bomb balloons that the

2377

01:50:51,169 --> 01:50:48,960

Japan uh you know launched at the United

2378

01:50:55,550 --> 01:50:51,179

States and I got to read and learn all

2379

01:50:58,790 --> 01:50:55,560

about that and I have seen balloons or

2380

01:51:01,669 --> 01:50:58,800

dirigibles or aerostats of all different

2381

01:51:02,510 --> 01:51:01,679

shapes sizes and configurations look at

2382

01:51:04,189 --> 01:51:02,520

this one

2383

01:51:07,070 --> 01:51:04,199

so

2384

01:51:11,109 --> 01:51:07,080

um you know the pro alien people they

2385

01:51:14,030 --> 01:51:11,119

hear that it's I can never say that

2386

01:51:15,890 --> 01:51:14,040

cylindrical or they hear its octagon

2387

01:51:18,830 --> 01:51:15,900

shaped and suddenly they say well can't

2388

01:51:21,229 --> 01:51:18,840

be a balloon no you're wrong it's most

2389

01:51:22,149 --> 01:51:21,239

certainly can be a balloon there are

2390

01:51:28,149 --> 01:51:22,159

certainly

2391

01:51:30,770 --> 01:51:28,159

uh octagonal balloons there are

2392

01:51:33,950 --> 01:51:30,780

triangle-shaped balloons pyramid-shaped

2393

01:51:36,290 --> 01:51:33,960

balloons and more any shape can be used

2394

01:51:38,270 --> 01:51:36,300

as a balloon

2395

01:51:40,910 --> 01:51:38,280

um so I got to see a lot of that history

2396

01:51:43,430 --> 01:51:40,920

and was aware of it but some people are

2397

01:51:45,770 --> 01:51:43,440

just ignorant and they say stupid things

2398

01:51:48,229 --> 01:51:45,780

like it can't be a balloon it was shaped

2399

01:51:50,689 --> 01:51:48,239

like a flying saucer look at that

2400

01:51:52,729 --> 01:51:50,699

looks like a flying saucer shaped to me

2401
01:51:55,750 --> 01:51:52,739
right

2402
01:51:59,030 --> 01:51:55,760
so certainly many UFOs are simply

2403
01:52:01,430 --> 01:51:59,040
misidentified aircraft uh of a

2404
01:52:03,050 --> 01:52:01,440
conventional nature look at that one you

2405
01:52:06,470 --> 01:52:03,060
know who knows

2406
01:52:09,050 --> 01:52:06,480
what is in the skies look at this and

2407
01:52:12,109 --> 01:52:09,060
this is just one form arstat you can

2408
01:52:15,350 --> 01:52:12,119
also look up I I like solar balloons

2409
01:52:18,850 --> 01:52:15,360
solar balloons are the reason for a lot

2410
01:52:21,590 --> 01:52:18,860
of so-called cigar-shaped UFO sightings

2411
01:52:23,450 --> 01:52:21,600
and the reason I know about solar

2412
01:52:27,229 --> 01:52:23,460
balloons is because

2413
01:52:30,169 --> 01:52:27,239

as a child my brother and I worked at a

2414

01:52:33,530 --> 01:52:30,179

coin hobby shop we assembled bicycles

2415

01:52:35,629 --> 01:52:33,540

for the owner of the store and there was

2416

01:52:38,390 --> 01:52:35,639

something in that Twain Hobby Shop

2417

01:52:41,410 --> 01:52:38,400

called solar balloons I flew so many of

2418

01:52:44,470 --> 01:52:41,420

these as a child they were so much fun

2419

01:52:47,870 --> 01:52:44,480

essentially it is just a long

2420

01:52:50,750 --> 01:52:47,880

cigar-shaped balloon and you run with it

2421

01:52:52,970 --> 01:52:50,760

in a field and then you tie it off and

2422

01:52:57,590 --> 01:52:52,980

tie a string to it you lay it in a field

2423

01:53:01,250 --> 01:52:57,600

in the middle of a sunny field on a good

2424

01:53:03,229 --> 01:53:01,260

sunny day and that thing takes off and

2425

01:53:06,590 --> 01:53:03,239

you got a string tied to it so you can

2426

01:53:08,090 --> 01:53:06,600

pull it around lots of fun I'm gonna in

2427

01:53:09,950 --> 01:53:08,100

fact I'm gonna get some of these I

2428

01:53:11,390 --> 01:53:09,960

haven't done one of these in years and

2429

01:53:13,370 --> 01:53:11,400

this summer I'm going to do one at the

2430

01:53:16,609 --> 01:53:13,380

beach with my children

2431

01:53:19,370 --> 01:53:16,619

lots of fun but here's another common

2432

01:53:21,890 --> 01:53:19,380

object uh you know I think these were

2433

01:53:25,250 --> 01:53:21,900

like ten dollars when I was a kid I hear

2434

01:53:27,649 --> 01:53:25,260

oh that's exactly the one that I had the

2435

01:53:31,550 --> 01:53:27,659

UFO solar bag 10 feet at incredible

2436

01:53:34,010 --> 01:53:31,560

science oh look it's only four bucks

2437

01:53:37,010 --> 01:53:34,020

UFO solar balloon

2438

01:53:39,169 --> 01:53:37,020

yeah and uh you just fill it with air

2439

01:53:41,390 --> 01:53:39,179

and you wait for the the it becomes

2440

01:53:43,970 --> 01:53:41,400

hotter than air

2441

01:53:45,530 --> 01:53:43,980

um and eventually starts flying uh and

2442

01:53:47,209 --> 01:53:45,540

on a good sunny day that thing will fly

2443

01:53:50,750 --> 01:53:47,219

for hours and hours you'll have lots of

2444

01:53:52,790 --> 01:53:50,760

fun I believe that solar balloons are

2445

01:53:55,669 --> 01:53:52,800

the uh

2446

01:53:58,070 --> 01:53:55,679

the cause of many cigar-shaped UFO

2447

01:54:00,350 --> 01:53:58,080

sightings and people sort of ignore that

2448

01:54:04,010 --> 01:54:00,360

but I think it's important that we stay

2449

01:54:10,250 --> 01:54:04,020

grounded and we eliminate possibilities

2450

01:54:14,149 --> 01:54:12,350

we'll have to do that another time Mr

2451

01:54:16,490 --> 01:54:14,159

Ian I'm going to be wrapping things up

2452

01:54:19,189 --> 01:54:16,500

here we're rapidly approaching two hours

2453

01:54:21,590 --> 01:54:19,199

and to be honest it's a miracle I made

2454

01:54:23,149 --> 01:54:21,600

it this far how I win the lottery says

2455

01:54:26,030 --> 01:54:23,159

good show once again star hunter

2456

01:54:29,270 --> 01:54:26,040

thanking the mods yes we thank all of

2457

01:54:31,970 --> 01:54:29,280

the mods anchoring for blue chicken

2458

01:54:34,430 --> 01:54:31,980

shout out to my pops yeah he has passed

2459

01:54:37,790 --> 01:54:34,440

on uh I miss him

2460

01:54:40,850 --> 01:54:37,800

um especially he'd be he'd be probably

2461

01:54:42,770 --> 01:54:40,860

uh a little surprised that I'm doing

2462

01:54:45,310 --> 01:54:42,780

this he didn't have very much interest

2463

01:54:47,750 --> 01:54:45,320

in UFOs but he had a major interest in

2464

01:54:49,609 --> 01:54:47,760

aviation history

2465

01:54:50,450 --> 01:54:49,619

he would have loved

2466

01:54:52,850 --> 01:54:50,460

um

2467

01:54:57,709 --> 01:54:52,860

you know he loved things like the

2468

01:54:59,870 --> 01:54:57,719

Blackbird and space planes and uh he did

2469

01:55:02,330 --> 01:54:59,880

he did have an interest in the Aurora

2470

01:55:04,010 --> 01:55:02,340

and all of those things that were in

2471

01:55:06,109 --> 01:55:04,020

Popular Science magazine and Popular

2472

01:55:08,629 --> 01:55:06,119

Mechanics and yes balloons can be used

2473

01:55:10,910 --> 01:55:08,639

to deliver weapons anytime throughout

2474

01:55:13,070 --> 01:55:10,920

the last Cold War years till now all of

2475

01:55:15,109 --> 01:55:13,080

this copying the Japanese Fugu balloons

2476

01:55:18,229 --> 01:55:15,119

of World War II and more you can't

2477

01:55:20,390 --> 01:55:18,239

handle the truth well I can right

2478

01:55:22,010 --> 01:55:20,400

Mark Tarana says if you like Steven's

2479

01:55:23,750 --> 01:55:22,020

work please support him by hitting that

2480

01:55:25,729 --> 01:55:23,760

like button even better leave a comment

2481

01:55:28,010 --> 01:55:25,739

it will help the algorithm yeah

2482

01:55:29,990 --> 01:55:28,020

unfortunately we have to pay the truth

2483

01:55:32,209 --> 01:55:30,000

tax and I can't just lie and say there

2484

01:55:35,030 --> 01:55:32,219

was UFOs over the Super Bowl to get

2485

01:55:38,870 --> 01:55:35,040

views like some scumbles right

2486

01:55:45,050 --> 01:55:41,810

Aviation is a small community yeah and

2487

01:55:49,310 --> 01:55:45,060

my dad uh T the alien he used to take me

2488

01:55:51,890 --> 01:55:49,320

to air shows and um I even got to sit in

2489

01:55:55,209 --> 01:55:51,900

a in a in a lot of different fighter

2490

01:55:57,169 --> 01:55:55,219

aircraft and and uh

2491

01:56:00,290 --> 01:55:57,179

interesting

2492

01:56:02,510 --> 01:56:00,300

um there was a air show at McGuire Air

2493

01:56:05,090 --> 01:56:02,520

Force Base every year and it was a

2494

01:56:06,530 --> 01:56:05,100

nightmare it was a nightmare to get to

2495

01:56:08,629 --> 01:56:06,540

it and get out of it because it was a

2496

01:56:10,129 --> 01:56:08,639

traffic nightmare but my dad came up

2497

01:56:12,770 --> 01:56:10,139

with this smart idea that we would ride

2498

01:56:15,770 --> 01:56:12,780

our bikes there from our Cottage in New

2499

01:56:18,229 --> 01:56:15,780

Jersey that was only a few miles away

2500

01:56:20,629 --> 01:56:18,239

um and but we would go and my dad would

2501

01:56:22,030 --> 01:56:20,639

be like strapping a cooler to the back

2502

01:56:25,669 --> 01:56:22,040

of his bike

2503

01:56:29,149 --> 01:56:25,679

all to avoid the traffic but they had

2504

01:56:31,430 --> 01:56:29,159

air show too it wasn't just uh you could

2505

01:56:34,129 --> 01:56:31,440

go there and and you could walk in and

2506

01:56:36,109 --> 01:56:34,139

out of all kinds of aircraft helicopters

2507

01:56:38,810 --> 01:56:36,119

and and

2508

01:56:41,450 --> 01:56:38,820

um you know airplanes and fighter jets

2509

01:56:44,570 --> 01:56:41,460

and they'd have them all sitting out and

2510

01:56:46,430 --> 01:56:44,580

you can get an up close view of them and

2511

01:56:49,250 --> 01:56:46,440

then the the highlight of those shows

2512

01:56:51,709 --> 01:56:49,260

however was that they'd have some aerial

2513

01:56:53,870 --> 01:56:51,719

displays they would have

2514

01:56:56,149 --> 01:56:53,880

um the Thunderbirds or the Blue Angels

2515

01:56:58,189 --> 01:56:56,159

doing the stunt flying and I was there

2516

01:57:01,609 --> 01:56:58,199

that year I think it was the

2517

01:57:04,609 --> 01:57:01,619

Thunderbirds there was a big crash

2518

01:57:06,350 --> 01:57:04,619

um and jet fuel and a big fire and uh

2519

01:57:07,910 --> 01:57:06,360

that was a little horrific as a child

2520

01:57:10,609 --> 01:57:07,920

right

2521

01:57:12,229 --> 01:57:10,619

um but every year they had stunt flying

2522

01:57:14,930 --> 01:57:12,239

they didn't for a few years after that

2523

01:57:17,450 --> 01:57:14,940

one but we went every year to the

2524

01:57:18,830 --> 01:57:17,460

McGuire Air Force Base Air Show and got

2525

01:57:21,830 --> 01:57:18,840

to see the latest and greatest in

2526

01:57:24,290 --> 01:57:21,840

aviation technology right

2527

01:57:26,089 --> 01:57:24,300

Tony V says great show I will never look

2528

01:57:28,430 --> 01:57:26,099

at balloons the same way

2529

01:57:31,550 --> 01:57:28,440

yeah

2530

01:57:33,649 --> 01:57:31,560

great experience for a young kid

2531

01:57:38,750 --> 01:57:33,659

uh Amy Collins says one of my favorite

2532

01:57:43,970 --> 01:57:41,270

Bob Perkins don't say things like that

2533

01:57:45,770 --> 01:57:43,980

that's just not funny I I don't

2534

01:57:46,850 --> 01:57:45,780

understand how that's supposed to be

2535

01:57:49,490 --> 01:57:46,860

funny

2536

01:57:51,050 --> 01:57:49,500

right Bob Perkins comes here and says

2537

01:57:53,450 --> 01:57:51,060

nonsense but once in a while he says

2538

01:57:58,970 --> 01:57:53,460

some dangerous nonsense like nervous

2539

01:58:03,530 --> 01:58:01,250

yeah and B Baker reminding everybody to

2540

01:58:06,410 --> 01:58:03,540

please hug the like button subscribe and

2541

01:58:08,390 --> 01:58:06,420

share again we have that truth tax we

2542

01:58:09,709 --> 01:58:08,400

can't get subscribers just by lying to

2543

01:58:12,589 --> 01:58:09,719

people telling them what they want to

2544

01:58:14,510 --> 01:58:12,599

hear we can't get subscribers by lying

2545

01:58:17,750 --> 01:58:14,520

and saying there was UFOs at the Super

2546

01:58:21,410 --> 01:58:17,760

Bowl or that we have EVPs of people who

2547

01:58:23,330 --> 01:58:21,420

just died in our live chat right that's

2548

01:58:25,790 --> 01:58:23,340

the best thrifting off of somebody that

2549

01:58:28,850 --> 01:58:25,800

just died in your live chat

2550

01:58:30,290 --> 01:58:28,860

amazing yeah so we have that truth tax

2551

01:58:32,209 --> 01:58:30,300

it would be very helpful if you could

2552

01:58:35,149 --> 01:58:32,219

like comment subscribe and share these

2553

01:58:37,970 --> 01:58:35,159

videos and also leave a comment what do

2554

01:58:39,589 --> 01:58:37,980

you think these things are am I wrong or

2555

01:58:43,189 --> 01:58:39,599

are they balloons I believe they're

2556

01:58:46,609 --> 01:58:43,199

balloons and by the way

2557

01:58:48,589 --> 01:58:46,619

there should be a lie tax because in the

2558

01:58:50,030 --> 01:58:48,599

coming days we're going to get more

2559

01:58:52,010 --> 01:58:50,040

information and it's going to be

2560

01:58:53,030 --> 01:58:52,020

confirmed that these things were all

2561

01:58:55,310 --> 01:58:53,040

balloons

2562

01:58:57,350 --> 01:58:55,320

and then what is Grifton going to do

2563

01:58:59,629 --> 01:58:57,360

what is third phase of fake who are

2564

01:59:01,310 --> 01:58:59,639

calling them UFOs going to do

2565

01:59:03,350 --> 01:59:01,320

what about all the people on Twitter

2566

01:59:06,169 --> 01:59:03,360

that are pushing these are aliens or

2567

01:59:08,390 --> 01:59:06,179

that these are fake Alien Invasion what

2568

01:59:10,729 --> 01:59:08,400

are all those people going to do the

2569

01:59:12,410 --> 01:59:10,739

information is this close to all being

2570

01:59:14,270 --> 01:59:12,420

released it's all going to come out

2571

01:59:15,229 --> 01:59:14,280

there's leaks constantly out of the

2572

01:59:18,229 --> 01:59:15,239

government

2573

01:59:22,010 --> 01:59:18,239

they're going to brief somebody

2574

01:59:24,229 --> 01:59:22,020

about the capabilities of these balloons

2575

01:59:26,629 --> 01:59:24,239

and then that information is going to

2576

01:59:29,149 --> 01:59:26,639

leak out and Grifton will once again

2577

01:59:30,890 --> 01:59:29,159

look like the lying scumbag that he is

2578

01:59:34,189 --> 01:59:30,900

for saying that this is the start of a

2579

01:59:35,870 --> 01:59:34,199

fake Alien Invasion or oh he put a

2580

01:59:37,970 --> 01:59:35,880

question mark so he absolves himself

2581

01:59:40,550 --> 01:59:37,980

from any responsibility what a slime

2582

01:59:43,430 --> 01:59:40,560

ball dirt ball and he's wrong again

2583

01:59:45,950 --> 01:59:43,440

anyway they're balloons dummy they're

2584

01:59:47,390 --> 01:59:45,960

balloons you dummy you lied to your

2585

01:59:52,850 --> 01:59:47,400

audience again

2586

01:59:56,570 --> 01:59:55,250

the LIE tax is called the loss of

2587

01:59:59,450 --> 01:59:56,580

credibility well you have to have

2588

02:00:02,390 --> 01:59:59,460

credibility to begin with djds in order

2589

02:00:04,250 --> 02:00:02,400

to lose credibility the problem is that

2590

02:00:06,109 --> 02:00:04,260

most of these clowns have no credibility

2591

02:00:09,229 --> 02:00:06,119

so they're they don't have great ability

2592

02:00:17,750 --> 02:00:09,239

to lose right

2593

02:00:22,370 --> 02:00:20,330

so I say Chinese balloons they sent one

2594

02:00:23,930 --> 02:00:22,380

over Russia three weeks ago did they all

2595

02:00:27,550 --> 02:00:23,940

have to look into that that's

2596

02:00:32,870 --> 02:00:31,310

we have better fakes Loser yeah and you

2597

02:00:35,270 --> 02:00:32,880

wanted me to share them I'll share them

2598

02:00:38,930 --> 02:00:35,280

let me find your uh

2599

02:00:41,870 --> 02:00:38,940

I can never find okay we'll show some of

2600

02:00:44,510 --> 02:00:41,880

Ian's wonderful fakes

2601
02:00:47,209 --> 02:00:44,520
oh come on lan how many of you got here

2602
02:00:50,390 --> 02:00:47,219
this is great we have better fakes than

2603
02:00:52,070 --> 02:00:50,400
Grifton and third phase of fake but

2604
02:00:53,629 --> 02:00:52,080
we're telling you they're fake in

2605
02:00:55,669 --> 02:00:53,639
advance we're not

2606
02:00:57,830 --> 02:00:55,679
we're not trying to scam you and pretend

2607
02:01:00,229 --> 02:00:57,840
they're real

2608
02:01:01,970 --> 02:01:00,239
yeah the people are a giveaway though or

2609
02:01:02,990 --> 02:01:01,980
they're supposed to be aliens lan come

2610
02:01:20,330 --> 02:01:03,000
on

2611
02:01:22,490 --> 02:01:20,340
make them look like photographs or older

2612
02:01:24,649 --> 02:01:22,500
photographs that one's good

2613
02:01:27,470 --> 02:01:24,659

that's interesting

2614

02:01:29,629 --> 02:01:27,480

yeah definitely we have better fakes

2615

02:01:31,970 --> 02:01:29,639

than them definitely better fakes look

2616

02:01:34,910 --> 02:01:31,980

at that that one's pretty good and these

2617

02:01:38,570 --> 02:01:34,920

he did in black and white

2618

02:01:41,330 --> 02:01:38,580

oh look it's a Roswell crash we should

2619

02:01:44,810 --> 02:01:41,340

have put this up and and gotten you know

2620

02:01:48,350 --> 02:01:44,820

50 000 views monetized views from it

2621

02:01:50,390 --> 02:01:48,360

so there's a sample lan is is good at

2622

02:01:52,490 --> 02:01:50,400

making fake so good that third phase

2623

02:01:54,530 --> 02:01:52,500

Moon used his fakes even after he told

2624

02:01:56,510 --> 02:01:54,540

them they were fake and how he used them

2625

02:01:59,390 --> 02:01:56,520

and third phase pretended they were

2626

02:02:01,669 --> 02:01:59,400

spaceships or UFOs unknown objects and

2627

02:02:07,609 --> 02:02:01,679

Grifton kept his mouth shut because he's

2628

02:02:12,410 --> 02:02:09,890

all right balloons

2629

02:02:14,570 --> 02:02:12,420

water towers blimps shoot them all down

2630

02:02:17,689 --> 02:02:14,580

who needs any of this crap well yeah it

2631

02:02:22,790 --> 02:02:20,689

blackout survival prepper channel of all

2632

02:02:24,649 --> 02:02:22,800

things has the Russian shutdown of the

2633

02:02:32,510 --> 02:02:24,659

balloon UFO three weeks ago on his

2634

02:02:36,350 --> 02:02:34,609

yeah and stormcrow says the likes of

2635

02:02:38,089 --> 02:02:36,360

goofan and turd phase don't care about

2636

02:02:39,709 --> 02:02:38,099

their credibility they don't have any to

2637

02:02:42,169 --> 02:02:39,719

begin with you you got to have something

2638

02:02:46,070 --> 02:02:42,179

to care about it right he's about as

2639

02:02:47,870 --> 02:02:46,080

grift on is as credible as a crackhead

2640

02:02:49,550 --> 02:02:47,880

you know when I was growing up there was

2641

02:02:50,330 --> 02:02:49,560

always a crackhead somewhere with a gas

2642

02:02:52,609 --> 02:02:50,340

can

2643

02:02:55,070 --> 02:02:52,619

so Grifton is as credible as a crackhead

2644

02:02:56,629 --> 02:02:55,080

with a gas can begging you for money so

2645

02:02:58,729 --> 02:02:56,639

they could get a few gallons of gas and

2646

02:03:04,870 --> 02:02:58,739

make it home that's as credible as

2647

02:03:09,709 --> 02:03:07,550

he talks and talks and talks but don't

2648

02:03:11,990 --> 02:03:09,719

say much can't even do a thorough UFO

2649

02:03:14,450 --> 02:03:12,000

Jesus Take yeah

2650

02:03:17,390 --> 02:03:14,460

I trust UFO Jesus more than I trust

2651

02:03:20,030 --> 02:03:17,400

third phase and grift on right

2652

02:03:25,189 --> 02:03:20,040

third phase trademark blur on those

2653

02:03:27,109 --> 02:03:25,199

photos make them look more credible yeah

2654

02:03:28,790 --> 02:03:27,119

I'm actually glad Steve showed you the

2655

02:03:30,729 --> 02:03:28,800

start of the training model it gets very

2656

02:03:33,830 --> 02:03:30,739

very real

2657

02:03:35,870 --> 02:03:33,840

I still give team at Ram Productions

2658

02:03:39,470 --> 02:03:35,880

half a chance even though he believes Dr

2659

02:03:40,790 --> 02:03:39,480

Reed oh come on Dr Reed is a joke he's

2660

02:03:43,250 --> 02:03:40,800

not a doctor

2661

02:03:45,890 --> 02:03:43,260

there was always a crackhead messing

2662

02:03:48,890 --> 02:03:45,900

around my mom's trailer in the USA oh

2663

02:03:50,930 --> 02:03:48,900

crackheads and trailer parks are

2664

02:03:54,169 --> 02:03:50,940

pretty common around here

2665

02:03:56,510 --> 02:03:54,179

China's military places is also to

2666

02:03:58,430 --> 02:03:56,520

downplay its capability they want us

2667

02:04:00,950 --> 02:03:58,440

focused on balloons and not on the fact

2668

02:04:02,270 --> 02:04:00,960

that they can reach Mars before us they

2669

02:04:04,790 --> 02:04:02,280

may very well

2670

02:04:06,589 --> 02:04:04,800

a crackhead with an empty gas can yeah

2671

02:04:08,390 --> 02:04:06,599

storm Crow I don't know if you know this

2672

02:04:10,250 --> 02:04:08,400

but in the city there's always some drug

2673

02:04:12,350 --> 02:04:10,260

addict and he has a gas can with them

2674

02:04:15,290 --> 02:04:12,360

and that's how they beg and you never

2675

02:04:17,450 --> 02:04:15,300

see the car but they say oh I'm from

2676

02:04:18,830 --> 02:04:17,460

Jersey and that's right across the

2677

02:04:21,830 --> 02:04:18,840

bridge right

2678

02:04:24,050 --> 02:04:21,840

the next state over and they say oh I

2679

02:04:26,629 --> 02:04:24,060

ran out of gas I just need five dollars

2680

02:04:28,430 --> 02:04:26,639

so that I could get some gas so that I

2681

02:04:31,070 --> 02:04:28,440

could make it home could you help me out

2682

02:04:32,629 --> 02:04:31,080

and people give these people money and

2683

02:04:34,910 --> 02:04:32,639

then they put the money in their pocket

2684

02:04:35,990 --> 02:04:34,920

or they go buy crack and smoke crack and

2685

02:04:38,450 --> 02:04:36,000

then they're right back out there

2686

02:04:40,669 --> 02:04:38,460

begging the next person that's what I'm

2687

02:04:45,290 --> 02:04:40,679

saying as far as a crackhead with an

2688

02:04:49,070 --> 02:04:47,270

China isn't messing around they have

2689

02:04:51,890 --> 02:04:49,080

plans 100 years now I'll give them that

2690

02:04:57,310 --> 02:04:51,900

they have patience much more patience

2691

02:05:02,209 --> 02:05:00,649

uh yeah well when you can't make a woman

2692

02:05:04,729 --> 02:05:02,219

come they leave that's what happens

2693

02:05:08,330 --> 02:05:04,739

Bobby Broadway they don't even have gas

2694

02:05:10,370 --> 02:05:08,340

cans in the midwest really

2695

02:05:12,229 --> 02:05:10,380

oh yeah they just Bank yeah well there's

2696

02:05:14,270 --> 02:05:12,239

just Bankers too but the creative ones

2697

02:05:16,970 --> 02:05:14,280

get the gas can right the old gas can

2698

02:05:18,169 --> 02:05:16,980

grift yeah and the fun thing comes when

2699

02:05:20,450 --> 02:05:18,179

you say well show me your car where's

2700

02:05:22,490 --> 02:05:20,460

your car right or give me the gas can

2701

02:05:23,810 --> 02:05:22,500

I'll go fill it for you oh no give me

2702

02:05:25,870 --> 02:05:23,820

the money I don't want you to fill up

2703

02:05:31,430 --> 02:05:25,880

for me it's funny

2704

02:05:34,850 --> 02:05:31,440

the cosmic car con Shuffle yes yes

2705

02:05:38,870 --> 02:05:36,770

can you put a link to the Grift online

2706

02:05:41,570 --> 02:05:38,880

scram video yes I'm going to do that

2707

02:05:44,030 --> 02:05:41,580

right now in fact I'm going to add it to

2708

02:05:46,970 --> 02:05:44,040

the description of the video so that

2709

02:05:47,930 --> 02:05:46,980

people can uh see if you need any more

2710

02:05:51,189 --> 02:05:47,940

proof

2711

02:05:54,169 --> 02:05:51,199

that grift on is an idiot

2712

02:05:55,490 --> 02:05:54,179

it's funny

2713

02:06:06,109 --> 02:05:55,500

uh

2714

02:06:08,270 --> 02:06:06,119

we'll edit this video

2715

02:06:10,250 --> 02:06:08,280

so I'll put it in the description of the

2716

02:06:12,649 --> 02:06:10,260

video I'll just put Lions ground video

2717

02:06:17,390 --> 02:06:12,659

in there

2718

02:06:21,050 --> 02:06:19,250

oh wait a minute

2719

02:06:25,550 --> 02:06:21,060

you're in a twitch chat I'll come over

2720

02:06:29,270 --> 02:06:25,560

there and and give it there as well uh

2721

02:06:30,950 --> 02:06:29,280

uh one second and I have to do this now

2722

02:06:38,109 --> 02:06:30,960

because if I say I'll do it after the

2723

02:06:46,430 --> 02:06:44,089

Lions ground video about Dr Steven Greer

2724

02:06:49,669 --> 02:06:46,440

and griffed on

2725

02:06:51,649 --> 02:06:49,679

and uh I highly recommend that uh

2726

02:06:54,589 --> 02:06:51,659

Heathcliff does great work and

2727

02:06:56,270 --> 02:06:54,599

I don't know I just think that uh the

2728

02:06:58,729 --> 02:06:56,280

stupidest thing Grifton could do is try

2729

02:07:00,310 --> 02:06:58,739

to take on that guy he's smart enough to

2730

02:07:02,810 --> 02:07:00,320

take me on let alone

2731

02:07:05,990 --> 02:07:02,820

anywhere near smart enough to say I

2732

02:07:09,830 --> 02:07:07,970

well it helps that I usually agree with

2733

02:07:12,649 --> 02:07:09,840

lions ground and he does great research

2734

02:07:15,109 --> 02:07:12,659

and he's usually right right so why

2735

02:07:17,209 --> 02:07:15,119

would I uh why would I you know tell him

2736

02:07:19,910 --> 02:07:17,219

he's wrong but essentially what happened

2737

02:07:21,410 --> 02:07:19,920

is that Lions ground made a video about

2738

02:07:23,629 --> 02:07:21,420

Stephen grow

2739

02:07:27,010 --> 02:07:23,639

Stephen Greer being a fraud and a hoaxer

2740

02:07:29,209 --> 02:07:27,020

and a liar and Grifton

2741

02:07:33,470 --> 02:07:29,219

reviewed his video and said that he had

2742

02:07:38,270 --> 02:07:35,750

so Lions ground made a new video making

2743

02:07:41,030 --> 02:07:38,280

Richie Grifton look like an idiot and

2744

02:07:44,390 --> 02:07:41,040

it's fun I'm gonna go over to the twitch

2745

02:07:47,450 --> 02:07:44,400

chat and uh I will put it I will put

2746

02:07:49,250 --> 02:07:47,460

that link into this into the twitch live

2747

02:07:56,410 --> 02:07:49,260

chat here

2748

02:07:56,420 --> 02:08:04,070

okay y'all put Lions ground video

2749

02:08:12,109 --> 02:08:05,990

here

2750

02:08:15,470 --> 02:08:12,119

I've put it in the Twix chat and I will

2751

02:08:17,030 --> 02:08:15,480

put it into the live chat here on

2752

02:08:19,250 --> 02:08:17,040

YouTube as well

2753

02:08:22,310 --> 02:08:19,260

and I will put it in the description of

2754

02:08:25,430 --> 02:08:22,320

the Facebook video and the Twitter video

2755

02:08:27,530 --> 02:08:25,440

so everybody should watch that

2756

02:08:29,870 --> 02:08:27,540

grift on incapable of discerning

2757

02:08:43,750 --> 02:08:29,880

evidence yeah he's pretty stupid and

2758

02:08:49,310 --> 02:08:47,390

says one big issue with the China their

2759

02:08:51,649 --> 02:08:49,320

leadership are corrupts not selected for

2760

02:08:54,169 --> 02:08:51,659

skill but who they are CCP have

2761

02:08:57,169 --> 02:08:54,179

manufacturing but are a paper tiger in

2762

02:08:59,870 --> 02:08:57,179

fight only the big weapons are an issue

2763

02:09:01,370 --> 02:08:59,880

in my opinion well I wouldn't say that I

2764

02:09:03,890 --> 02:09:01,380

mean they have what do they have five

2765

02:09:05,510 --> 02:09:03,900

times our population

2766

02:09:08,149 --> 02:09:05,520

that could be very very very very

2767

02:09:10,790 --> 02:09:08,159

dangerous when you get here I'll share

2768

02:09:13,010 --> 02:09:10,800

your comments so people can read it you

2769

02:09:15,350 --> 02:09:13,020

know going to any kind of Award with

2770

02:09:17,810 --> 02:09:15,360

China would be a stupid idea they have

2771

02:09:19,790 --> 02:09:17,820

at least what if I don't I have to look

2772

02:09:20,990 --> 02:09:19,800

up what their population is but it's far

2773

02:09:23,689 --> 02:09:21,000

more than us

2774

02:09:26,330 --> 02:09:23,699

so you know if it came down to just pure

2775

02:09:28,970 --> 02:09:26,340

numbers game they would win and add to

2776

02:09:32,629 --> 02:09:28,980

that they're nuclearly capable

2777

02:09:34,850 --> 02:09:32,639

add to that they are very Tech capable

2778

02:09:38,629 --> 02:09:34,860

thanks to stealing all of our technology

2779

02:09:40,370 --> 02:09:38,639

and Designs right

2780

02:09:43,910 --> 02:09:40,380

I would not

2781

02:09:47,209 --> 02:09:43,920

wish a war with any other nuclear

2782

02:09:48,950 --> 02:09:47,219

capable power on our country I wouldn't

2783

02:09:51,050 --> 02:09:48,960

wish a war on our country with anybody

2784

02:09:53,030 --> 02:09:51,060

and right now we're in the middle of a

2785

02:09:55,250 --> 02:09:53,040

proxy war with Ukraine

2786

02:09:58,129 --> 02:09:55,260

you know we have given billions listen

2787

02:10:02,390 --> 02:09:58,139

we have given more money to Ukraine in

2788

02:10:05,870 --> 02:10:02,400

the past year than we gave to Vietnam

2789

02:10:09,410 --> 02:10:05,880

from 1957 to 1977 or something like that

2790

02:10:11,689 --> 02:10:09,420

we have given more money to Ukraine than

2791

02:10:15,050 --> 02:10:11,699

any other single country we have given

2792

02:10:18,290 --> 02:10:15,060

in the past 50 years as far as military

2793

02:10:21,410 --> 02:10:18,300

and regular Aid go

2794

02:10:23,270 --> 02:10:21,420

is that sustainable there are homeless

2795

02:10:26,930 --> 02:10:23,280

people all over the United States

2796

02:10:29,030 --> 02:10:26,940

there's a border crisis here there's all

2797

02:10:32,149 --> 02:10:29,040

kinds of problems we have crumbling

2798

02:10:36,169 --> 02:10:32,159

infrastructure our electric powered grid

2799

02:10:38,330 --> 02:10:36,179

is susceptible to EMP attacks and simply

2800

02:10:40,310 --> 02:10:38,340

susceptible to terrorist attacks did you

2801

02:10:42,229 --> 02:10:40,320

hear somebody try to take the power grid

2802

02:10:44,209 --> 02:10:42,239

down recently and they were

2803

02:10:46,310 --> 02:10:44,219

they could have been successful because

2804

02:10:49,490 --> 02:10:46,320

our power grid is a mess

2805

02:10:51,410 --> 02:10:49,500

we have so many problems in our country

2806

02:10:52,970 --> 02:10:51,420

um you know and I get it it's terrible

2807

02:10:55,070 --> 02:10:52,980

what's happening what happened to

2808

02:10:57,649 --> 02:10:55,080

Ukraine but you have to remember that

2809

02:10:59,089 --> 02:10:57,659

you know to say that's unprovoked is a

2810

02:11:01,070 --> 02:10:59,099

joke

2811

02:11:04,430 --> 02:11:01,080

um that's not unprovoked

2812

02:11:07,390 --> 02:11:04,440

the the the uh the propoganda is that

2813

02:11:10,070 --> 02:11:07,400

Russia just uh you know

2814

02:11:13,189 --> 02:11:10,080

unprovoked invaded

2815

02:11:15,950 --> 02:11:13,199

and during the the collapse of the Cold

2816

02:11:18,410 --> 02:11:15,960

War we promised Russia that we would not

2817

02:11:20,089 --> 02:11:18,420

expand NATO

2818

02:11:22,490 --> 02:11:20,099

closer to them

2819

02:11:26,810 --> 02:11:22,500

if they let those countries go Poland

2820

02:11:28,490 --> 02:11:26,820

Yugoslavia Lithuania if they had a deal

2821

02:11:31,310 --> 02:11:28,500

where they would let all those countries

2822

02:11:32,990 --> 02:11:31,320

Go free them from the Soviet Union but

2823

02:11:35,810 --> 02:11:33,000

the deal was they were not supposed to

2824

02:11:38,149 --> 02:11:35,820

join NATO and now they all did

2825

02:11:40,970 --> 02:11:38,159

and now we're trying to get a country

2826

02:11:43,609 --> 02:11:40,980

right on the Russian border to join NATO

2827

02:11:46,250 --> 02:11:43,619

so to say it's unprovoked is is

2828

02:11:48,169 --> 02:11:46,260

extremely misleading I don't believe

2829

02:11:51,109 --> 02:11:48,179

anything that that they're telling us

2830

02:11:53,570 --> 02:11:51,119

about that situation

2831

02:11:55,850 --> 02:11:53,580

um and uh I just pray for peace

2832

02:11:57,649 --> 02:11:55,860

because war is a terrible thing

2833

02:11:59,390 --> 02:11:57,659

I don't want us to get into a situation

2834

02:12:01,490 --> 02:11:59,400

like World War II Japan where we

2835

02:12:03,410 --> 02:12:01,500

overestimate our ability and

2836

02:12:06,589 --> 02:12:03,420

underestimate their resources well many

2837

02:12:08,689 --> 02:12:06,599

people say we dropped those atomic bombs

2838

02:12:11,570 --> 02:12:08,699

on Nagasaki and Hiroshima for a reason

2839

02:12:13,250 --> 02:12:11,580

because the Japan's resolve was so

2840

02:12:15,649 --> 02:12:13,260

strong that

2841

02:12:18,169 --> 02:12:15,659

they thought that the emperor and Japan

2842

02:12:20,209 --> 02:12:18,179

would just fight on forever to the very

2843

02:12:23,990 --> 02:12:20,219

last man unless they did something

2844

02:12:26,390 --> 02:12:24,000

drastic to show them we will destroy

2845

02:12:26,990 --> 02:12:26,400

your whole country

2846

02:12:28,609 --> 02:12:27,000

um

2847

02:12:31,129 --> 02:12:28,619

but that's something I don't agree with

2848

02:12:33,649 --> 02:12:31,139

either imagine imagine being like a

2849

02:12:36,589 --> 02:12:33,659

farmer or a

2850

02:12:39,410 --> 02:12:36,599

fisherman in Japan and not really being

2851

02:12:41,870 --> 02:12:39,420

a part of the war or whatever and you

2852

02:12:44,390 --> 02:12:41,880

live in you know uh Hiroshima or

2853

02:12:48,470 --> 02:12:44,400

Nagasaki and one day your entire world

2854

02:12:51,229 --> 02:12:48,480

just gets obliterated in an instant

2855

02:12:53,569 --> 02:12:51,239

you know it's horrific nuclear weapons

2856

02:12:55,790 --> 02:12:53,579

and atomic weapons are horrific I wish

2857

02:12:56,770 --> 02:12:55,800

they were never invented and I sure hope

2858

02:12:59,390 --> 02:12:56,780

that

2859

02:13:02,030 --> 02:12:59,400

humans have the wisdom not to use them

2860

02:13:08,689 --> 02:13:02,040

because nobody wins and no there's no

2861

02:13:12,709 --> 02:13:10,850

the Chinese feel that they are superior

2862

02:13:15,770 --> 02:13:12,719

people they are intent on controlling

2863

02:13:17,810 --> 02:13:15,780

the world uh quite possibly yes and they

2864

02:13:26,750 --> 02:13:17,820

have a

2865

02:13:31,010 --> 02:13:28,550

that's an awful lot of data collection

2866

02:13:32,209 --> 02:13:31,020

right and isn't it interesting that the

2867

02:13:34,970 --> 02:13:32,219

Chinese limit

2868

02:13:37,430 --> 02:13:34,980

their children to Tick-Tock videos about

2869

02:13:38,629 --> 02:13:37,440

educational subjects but they the people

2870

02:13:40,550 --> 02:13:38,639

in the United States are watching

2871

02:13:50,390 --> 02:13:40,560

nonsense on Tick Tock 12 hours a day

2872

02:13:55,010 --> 02:13:53,390

if our prime minister fishy Rishi sunak

2873

02:13:59,209 --> 02:13:55,020

gives the Ukraine fighter jets I think

2874

02:14:00,709 --> 02:13:59,219

London is in for it from Putin well

2875

02:14:03,229 --> 02:14:00,719

remember that this has all been

2876
02:14:04,370 --> 02:14:03,239
incremental too there was a time you

2877
02:14:06,050 --> 02:14:04,380
said well we're only giving them

2878
02:14:08,530 --> 02:14:06,060
defensive weapons

2879
02:14:10,729 --> 02:14:08,540
Naylor put missile batteries

2880
02:14:13,669 --> 02:14:10,739
missile batteries that could be used for

2881
02:14:15,470 --> 02:14:13,679
offensive purposes and shot into Russia

2882
02:14:17,810 --> 02:14:15,480
and they may put them right on the

2883
02:14:19,970 --> 02:14:17,820
Ukrainian border with Russia who knows

2884
02:14:21,589 --> 02:14:19,980
and then we said only defensive weapons

2885
02:14:24,109 --> 02:14:21,599
were not giving you tags we're not

2886
02:14:25,850 --> 02:14:24,119
giving you airplanes they've they're

2887
02:14:28,310 --> 02:14:25,860
giving them tanks now they're going to

2888
02:14:31,370 --> 02:14:28,320

give them the airplanes billions and

2889

02:14:33,709 --> 02:14:31,380

billions and billions of dollars of

2890

02:14:36,050 --> 02:14:33,719

military aid

2891

02:14:38,390 --> 02:14:36,060

um essentially we are at war with Russia

2892

02:14:48,470 --> 02:14:38,400

it's just the Ukrainian Army is fighting

2893

02:14:52,450 --> 02:14:50,629

we should not defend ourselves what are

2894

02:14:55,790 --> 02:14:52,460

we defending ourselves from

2895

02:14:58,910 --> 02:14:55,800

imperator summonium and thanks for being

2896

02:15:03,550 --> 02:14:58,920

a member I think you misunderstand me

2897

02:15:08,629 --> 02:15:03,560

I don't uh listen if anybody were to

2898

02:15:10,870 --> 02:15:08,639

invade our airspace or our territory

2899

02:15:13,850 --> 02:15:10,880

absolutely we should defend ourselves

2900

02:15:16,850 --> 02:15:13,860

but the situation with Ukraine is a lot

2901

02:15:20,330 --> 02:15:16,860

more complicated we may have caused a

2902

02:15:22,310 --> 02:15:20,340

lot of that by reneging on deals that we

2903

02:15:25,729 --> 02:15:22,320

previously made with the former Soviet

2904

02:15:33,950 --> 02:15:28,010

I'm just saying to say that and by the

2905

02:15:37,850 --> 02:15:36,830

isn't the propaganda and dead man he's

2906

02:15:40,069 --> 02:15:37,860

crazy

2907

02:15:47,209 --> 02:15:40,079

but don't worry he won't use nuclear

2908

02:15:51,410 --> 02:15:50,149

are we allies with Ukraine quite

2909

02:15:55,669 --> 02:15:51,420

possibly

2910

02:15:59,089 --> 02:15:57,290

you know you know I don't want to get

2911

02:15:59,990 --> 02:15:59,099

this is why we don't talk about politics

2912

02:16:03,770 --> 02:16:00,000

here

2913

02:16:05,629 --> 02:16:03,780

because uh I'd rather not disagree with

2914

02:16:08,450 --> 02:16:05,639

uh people who watch the show especially

2915

02:16:10,729 --> 02:16:08,460

members all I'm saying is

2916

02:16:13,370 --> 02:16:10,739

that uh we have given more money to

2917

02:16:16,189 --> 02:16:13,380

Ukraine in the past year than we have

2918

02:16:19,069 --> 02:16:16,199

any other country in the past 50 years

2919

02:16:20,689 --> 02:16:19,079

right and I mean add it up it's it's

2920

02:16:23,750 --> 02:16:20,699

billions and billions and billions of

2921

02:16:26,810 --> 02:16:23,760

dollars we've got our own problems here

2922

02:16:28,910 --> 02:16:26,820

um and it's unfortunate for Ukraine

2923

02:16:31,370 --> 02:16:28,920

right and I do believe that we should

2924

02:16:34,669 --> 02:16:31,380

have helped them with Aid and Refugee

2925

02:16:35,690 --> 02:16:34,679

Aid and maybe defensive weapons but at

2926

02:16:40,450 --> 02:16:35,700

some point

2927

02:16:45,650 --> 02:16:40,460

you know essentially I I related to this

2928

02:16:48,169 --> 02:16:45,660

imperator uh seminium if my

2929

02:16:49,790 --> 02:16:48,179

if my children were not well fed should

2930

02:16:50,750 --> 02:16:49,800

I be feeding other children in the

2931

02:16:54,230 --> 02:16:50,760

neighborhood

2932

02:16:56,830 --> 02:16:54,240

you take care of home first and then

2933

02:16:59,389 --> 02:16:56,840

if you have the means and the ability

2934

02:17:02,150 --> 02:16:59,399

you can try to help take care of others

2935

02:17:04,190 --> 02:17:02,160

but first you take care of yourself So

2936

02:17:06,049 --> 02:17:04,200

for anybody to suggest that we don't

2937

02:17:08,330 --> 02:17:06,059

have our own problems here

2938

02:17:10,009 --> 02:17:08,340

that we should be spending billions of

2939

02:17:13,190 --> 02:17:10,019

dollars on instead of sending billions

2940

02:17:15,110 --> 02:17:13,200

of dollars to a proxy war in in you know

2941

02:17:17,270 --> 02:17:15,120

Russia Ukraine

2942

02:17:20,509 --> 02:17:17,280

that's all I'm saying

2943

02:17:22,549 --> 02:17:20,519

CCP is basically Nazis CCP think the Han

2944

02:17:24,530 --> 02:17:22,559

people are superior ethnic group they

2945

02:17:26,690 --> 02:17:24,540

segregate all ethnic groups call

2946

02:17:28,910 --> 02:17:26,700

minority populations use concentration

2947

02:17:30,830 --> 02:17:28,920

camps and trying to create a race of

2948

02:17:33,530 --> 02:17:30,840

superhumans yeah I heard they were

2949

02:17:36,889 --> 02:17:33,540

looking into two manzies look that up a

2950

02:17:38,509 --> 02:17:36,899

two-man Z Moody Mongol is a chimpanzee

2951
02:17:40,429 --> 02:17:38,519
human hybrid they were looking into that

2952
02:17:47,089 --> 02:17:40,439
for a super soldier program

2953
02:17:52,070 --> 02:17:49,250
because by making massive expenditure

2954
02:17:53,870 --> 02:17:52,080
the country can retrospectively build a

2955
02:17:56,270 --> 02:17:53,880
populace for its actions and aggression

2956
02:17:59,150 --> 02:17:56,280
yeah our children are going to be paying

2957
02:18:03,950 --> 02:17:59,160
for that Aid given to uh

2958
02:18:05,870 --> 02:18:03,960
Ukraine in the past year not us right

2959
02:18:07,370 --> 02:18:05,880
yep you're going to own nothing and be

2960
02:18:09,169 --> 02:18:07,380
happy

2961
02:18:10,730 --> 02:18:09,179
Ukraine government is fundamentally

2962
02:18:12,349 --> 02:18:10,740
corrupt I have no interest in funding

2963
02:18:14,570 --> 02:18:12,359

them the CIA has been trying to start

2964

02:18:15,830 --> 02:18:14,580

War since 2014. well that's the thing

2965

02:18:17,929 --> 02:18:15,840

about war

2966

02:18:20,030 --> 02:18:17,939

when there's a war on all the rich

2967

02:18:22,849 --> 02:18:20,040

powerful Elite people in this country

2968

02:18:24,950 --> 02:18:22,859

and others make tons of money they love

2969

02:18:27,770 --> 02:18:24,960

war that's why they love war because

2970

02:18:31,190 --> 02:18:27,780

they've all got stocks and bonds and you

2971

02:18:32,750 --> 02:18:31,200

know Northrop Grumman and Lockheed and

2972

02:18:35,810 --> 02:18:32,760

all the people that make the missiles

2973

02:18:38,450 --> 02:18:35,820

invest in those companies so when there

2974

02:18:41,570 --> 02:18:38,460

is a war going on anywhere

2975

02:18:44,150 --> 02:18:41,580

especially when we are sending weapons

2976

02:18:47,209 --> 02:18:44,160

to all the rich powerful Elite people

2977

02:18:49,730 --> 02:18:47,219

make tons and tons of money war is a

2978

02:18:52,129 --> 02:18:49,740

profitable business look at what

2979

02:18:54,709 --> 02:18:52,139

happened during Desert Storm look how

2980

02:18:56,870 --> 02:18:54,719

much money people made during Desert

2981

02:18:59,450 --> 02:18:56,880

Storm especially those subcontractor

2982

02:19:01,429 --> 02:18:59,460

companies there were

2983

02:19:05,030 --> 02:19:01,439

I have a family member who was in the

2984

02:19:07,669 --> 02:19:05,040

military and his job was to be a Jeep

2985

02:19:09,950 --> 02:19:07,679

mechanic he was there to work on jeeps

2986

02:19:14,150 --> 02:19:09,960

and and the Humvees

2987

02:19:17,030 --> 02:19:14,160

they hired third-party subcontractors to

2988

02:19:19,669 --> 02:19:17,040

do his job and he was told to just

2989

02:19:22,070 --> 02:19:19,679

go play cards man go read some books

2990

02:19:23,990 --> 02:19:22,080

just we'll take care of the we'll take

2991

02:19:25,370 --> 02:19:24,000

care of the equipment and he's like but

2992

02:19:28,849 --> 02:19:25,380

that's what I'm supposed to be here to

2993

02:19:30,290 --> 02:19:28,859

do no no we were hired to do it you want

2994

02:19:32,450 --> 02:19:30,300

to have an easy tour here you want to

2995

02:19:34,190 --> 02:19:32,460

have a difficult one just just send it

2996

02:19:35,990 --> 02:19:34,200

out man we're here to take care of it

2997

02:19:38,690 --> 02:19:36,000

don't worry about it and he literally

2998

02:19:39,830 --> 02:19:38,700

sat and waited through a tour and then

2999

02:19:42,469 --> 02:19:39,840

went back home

3000

02:19:44,209 --> 02:19:42,479

and that's not the only people that

3001
02:19:46,549 --> 02:19:44,219
experience that lots and lots of people

3002
02:19:48,349 --> 02:19:46,559
experience that but Halliburton made

3003
02:19:51,830 --> 02:19:48,359
billions

3004
02:19:53,630 --> 02:19:51,840
so war is profit and uh that's another

3005
02:19:56,150 --> 02:19:53,640
reason I'm against it all it does is

3006
02:19:59,630 --> 02:19:56,160
enrich the rich the powerful and the

3007
02:20:01,310 --> 02:19:59,640
elite and who fights Wars the poor

3008
02:20:03,650 --> 02:20:01,320
people right

3009
02:20:05,929 --> 02:20:03,660
who are they sending to die in Iraq and

3010
02:20:08,750 --> 02:20:05,939
Afghanistan they weren't sending Senator

3011
02:20:11,150 --> 02:20:08,760
sons and congressmen sons and presidents

3012
02:20:13,250 --> 02:20:11,160
Sons they were sending poor people from

3013
02:20:15,610 --> 02:20:13,260

the inner city and promising them things

3014

02:20:21,650 --> 02:20:15,620

like a better life or education

3015

02:20:25,790 --> 02:20:23,270

all right I'm gonna get off my soapbox

3016

02:20:28,370 --> 02:20:25,800

before I piss off more viewers right

3017

02:20:29,929 --> 02:20:28,380

because no matter what you say

3018

02:20:32,630 --> 02:20:29,939

some people are going to disagree with

3019

02:20:33,830 --> 02:20:32,640

you and I think we should stick to our

3020

02:20:38,570 --> 02:20:33,840

usual

3021

02:20:41,870 --> 02:20:38,580

talk about politics people come here to

3022

02:20:45,469 --> 02:20:41,880

escape reality not to uh you know be

3023

02:20:47,929 --> 02:20:45,479

preached to uh about it so

3024

02:20:51,230 --> 02:20:47,939

that's all we got for you still feel

3025

02:20:53,929 --> 02:20:51,240

like hell I got a terrible cold cough

3026

02:20:58,070 --> 02:20:53,939

sore throat we're going on eight days

3027

02:21:00,830 --> 02:20:58,080

now of this but I'm hopeful that

3028

02:21:03,290 --> 02:21:00,840

I'll be feeling better soon I've been

3029

02:21:06,530 --> 02:21:03,300

taking all kinds of stuff

3030

02:21:08,630 --> 02:21:06,540

I'm taking vitamin D vitamin C echinacea

3031

02:21:10,969 --> 02:21:08,640

uh I just started taking Elderberry

3032

02:21:13,429 --> 02:21:10,979

syrup anybody ever try that

3033

02:21:15,110 --> 02:21:13,439

it's good for a sore throat it helps

3034

02:21:16,610 --> 02:21:15,120

it's like honey sort of for a sore

3035

02:21:17,330 --> 02:21:16,620

throat

3036

02:21:18,950 --> 02:21:17,340

um

3037

02:21:20,929 --> 02:21:18,960

I'm willing to try anything at this

3038

02:21:33,050 --> 02:21:20,939

point because this is a terrible man

3039

02:21:37,130 --> 02:21:34,010

um

3040

02:21:39,410 --> 02:21:37,140

I feel very dehydrated too but I've been

3041

02:21:41,150 --> 02:21:39,420

drinking plenty of liquids so

3042

02:21:43,790 --> 02:21:41,160

hopefully I'll feel better

3043

02:21:46,250 --> 02:21:43,800

I'm gonna get some rest we'll be back

3044

02:21:48,469 --> 02:21:46,260

tomorrow night 9 p.m eastern time I hope

3045

02:21:50,570 --> 02:21:48,479

you'll be here with us

3046

02:21:52,490 --> 02:21:50,580

until next time friends my name is

3047

02:21:56,230 --> 02:21:52,500

Stephen Campion good night and God bless

3048

02:23:15,190 --> 02:23:13,630

[Music]

3049

02:23:16,560 --> 02:23:15,200

thank you

3050

02:23:26,270 --> 02:23:16,570

[Applause]

3051

02:23:27,580 --> 02:23:26,280

[Music]

3052

02:24:07,820 --> 02:23:27,590

foreign

3053

02:24:07,830 --> 02:24:33,130

[Music]
