

COREY GOODE

GARBAGE "INTEL" GETS WORSE!

QUE SERA, SERA

Truth Seekers

1
00:01:12,649 --> 00:00:23,040
[Music]

2
00:01:33,790 --> 00:01:14,440
foreign

3
00:02:10,390 --> 00:01:48,760
[Music]

4
00:02:17,390 --> 00:02:14,330
of things can you guys feel this no

5
00:02:19,910 --> 00:02:17,400
longer are we the strange group man it's

6
00:02:22,130 --> 00:02:19,920
the rest of the world that's tripping am

7
00:02:32,410 --> 00:02:22,140
I right

8
00:02:39,040 --> 00:02:35,930
to you Mr Corey good Corey get it up

9
00:02:39,050 --> 00:02:47,270
[Applause]

10
00:02:47,280 --> 00:02:55,490
is this a sign

11
00:03:21,770 --> 00:02:56,809
well thank you for joining me I

12
00:03:29,570 --> 00:03:26,290
I was then having these uh interesting

13
00:03:32,270 --> 00:03:29,580

dreams that developed into more physical

14

00:03:33,890 --> 00:03:32,280

contact with the blue avians like for

15

00:03:36,190 --> 00:03:33,900

example some of the creation would be

16

00:03:39,050 --> 00:03:36,200

the fact that

17

00:03:41,690 --> 00:03:39,060

you say you've been visited by over as a

18

00:03:45,050 --> 00:03:41,700

six foot tall blue looking chicken type

19

00:03:47,210 --> 00:03:45,060

creature blue avian trademark yeah

20

00:03:49,130 --> 00:03:47,220

so that's something that hasn't really

21

00:03:50,869 --> 00:03:49,140

happened but that's a story you tell to

22

00:03:54,770 --> 00:03:50,879

assist people to something it was a part

23

00:03:57,170 --> 00:03:54,780

of uh my meditative State between the

24

00:03:59,170 --> 00:03:57,180

age of 16 and 17 years old I was

25

00:04:03,190 --> 00:03:59,180

transported to the Moon

26

00:04:10,869 --> 00:04:07,369

did I ever go to space yes I uh in my

27

00:04:13,789 --> 00:04:10,879

physical body yes I don't believe so

28

00:04:16,629 --> 00:04:13,799

uh just make sure I'm clear you haven't

29

00:04:19,789 --> 00:04:16,639

lived on the moon right now

30

00:04:22,909 --> 00:04:19,799

but you stated at one point you lived on

31

00:04:26,290 --> 00:04:22,919

Venus that's just

32

00:04:31,490 --> 00:04:29,870

you never said that you lived on March

33

00:04:34,189 --> 00:04:31,500

did you ever see you visited another

34

00:04:37,090 --> 00:04:34,199

planet yes about the different and it's

35

00:04:41,050 --> 00:04:37,100

different stories a part of my AP yes we

36

00:04:44,090 --> 00:04:41,060

discussed uh Mars

37

00:04:46,490 --> 00:04:44,100

uh even planets that aren't even in the

38

00:04:49,969 --> 00:04:46,500

solar system you know very similar to

39

00:04:52,730 --> 00:04:49,979

Star Wars long long ago galaxy far far

40

00:04:54,050 --> 00:04:52,740

away so you discussed going there in a

41

00:04:55,550 --> 00:04:54,060

fictional sense

42

00:04:58,370 --> 00:04:55,560

correct

43

00:05:03,770 --> 00:05:01,909

just never lived on Mars never said that

44

00:05:06,290 --> 00:05:03,780

you never said that you lived on Mars

45

00:05:10,810 --> 00:05:08,170

they would ship

46

00:05:13,310 --> 00:05:10,820

I don't everything was prefabricated

47

00:05:14,330 --> 00:05:13,320

everything had been put together on

48

00:05:17,930 --> 00:05:14,340

Earth

49

00:05:21,710 --> 00:05:17,940

designed to go together like a a puzzle

50

00:05:22,990 --> 00:05:21,720

uh puzzle by numbers and I helped

51

00:05:26,749 --> 00:05:23,000

actually

52

00:05:28,430 --> 00:05:26,759

to build out an outpost on Mars and we

53

00:05:29,510 --> 00:05:28,440

used a lot of the local materials on the

54

00:05:32,930 --> 00:05:29,520

surface

55

00:05:35,629 --> 00:05:32,940

after they had built below ground and

56

00:05:38,090 --> 00:05:35,639

and and it was very much like this it

57

00:05:40,249 --> 00:05:38,100

was it was much lower attack than you'd

58

00:05:41,510 --> 00:05:40,259

expect never lived on Mars mom never

59

00:05:59,930 --> 00:05:41,520

said that

60

00:06:04,610 --> 00:06:02,270

after the dumpster fire of a deposition

61

00:06:06,469 --> 00:06:04,620

Corey good is in spin mode

62

00:06:07,790 --> 00:06:06,479

is there another name for this

63

00:06:11,510 --> 00:06:07,800

organization that you haven't shared yet

64

00:06:15,110 --> 00:06:11,520

the ggl'n yeah uh dark Fleet Global

65

00:06:17,210 --> 00:06:15,120

Galactic League of Nations uh these are

66

00:06:18,529 --> 00:06:17,220

names that I created so when you hear

67

00:06:19,390 --> 00:06:18,539

people out there saying I was in dark

68

00:06:22,689 --> 00:06:19,400

Fleet

69

00:06:24,950 --> 00:06:22,699

[h__\h] that if they it wasn't the

70

00:06:26,029 --> 00:06:24,960

waffle all these different things people

71

00:06:28,969 --> 00:06:26,039

are creating

72

00:06:32,330 --> 00:06:28,979

we were very careful on releasing the

73

00:06:34,909 --> 00:06:32,340

different uh on not releasing the actual

74

00:06:37,490 --> 00:06:34,919

names uh because it would cause a whole

75

00:06:38,990 --> 00:06:37,500

lot of problems but also because of all

76
00:06:40,189 --> 00:06:39,000
the people we wanted to know when people

77
00:06:43,370 --> 00:06:40,199
approached us

78
00:06:45,290 --> 00:06:43,380
if they used the proper names for things

79
00:06:49,610 --> 00:06:45,300
um which none of the people have so far

80
00:06:54,170 --> 00:06:52,189
conscious life Expo with Corey good and

81
00:06:56,330 --> 00:06:54,180
David Wilcock versus Corey Good's

82
00:06:57,590 --> 00:06:56,340
deposition about three days later two

83
00:07:00,050 --> 00:06:57,600
three days later I forget whether it was

84
00:07:02,330 --> 00:07:00,060
28 or 29 days in 2015 or February but

85
00:07:03,830 --> 00:07:02,340
you actually got I say teleported but

86
00:07:05,270 --> 00:07:03,840
that was wrong it was it was a transport

87
00:07:07,670 --> 00:07:05,280
right that was when you had the dark

88
00:07:09,830 --> 00:07:07,680

craft right to this lunar Operations

89

00:07:12,350 --> 00:07:09,840

Command now this is brand new this was

90

00:07:14,150 --> 00:07:12,360

what was sent to my backyard to pick me

91

00:07:16,490 --> 00:07:14,160

up to take me

92

00:07:17,809 --> 00:07:16,500

on to several different places but in on

93

00:07:21,890 --> 00:07:17,819

this occasion to the lunar operation

94

00:07:26,990 --> 00:07:24,770

did I ever go to space yes I uh in my

95

00:07:29,570 --> 00:07:27,000

physical body yes I don't believe so but

96

00:07:34,730 --> 00:07:29,580

I traveled uh astrally and I traveled to

97

00:07:37,610 --> 00:07:36,110

do you ever say you lived on any other

98

00:07:39,710 --> 00:07:37,620

planet I've never lived on it I've never

99

00:07:41,210 --> 00:07:39,720

said that I lived on another planet no

100

00:07:43,070 --> 00:07:41,220

did you ever see you visited another

101
00:07:45,350 --> 00:07:43,080
planet yes about the different things

102
00:07:47,330 --> 00:07:45,360
different stories part of my IP yes we

103
00:07:48,770 --> 00:07:47,340
uh discussed uh Mars

104
00:07:51,050 --> 00:07:48,780
[Music]

105
00:07:52,969 --> 00:07:51,060
uh even planets that aren't even in the

106
00:07:55,550 --> 00:07:52,979
solar system you know very similar to

107
00:07:57,770 --> 00:07:55,560
Star Wars long long ago in a galaxy far

108
00:08:01,490 --> 00:07:57,780
far away so you discussed going there in

109
00:08:03,290 --> 00:08:01,500
a fictional sense correction yeah and

110
00:08:05,450 --> 00:08:03,300
Corey had just come forward with his

111
00:08:07,370 --> 00:08:05,460
real name as a result of circumstances

112
00:08:09,529 --> 00:08:07,380
outside of his control

113
00:08:12,350 --> 00:08:09,539

and they immediately sound like the law

114

00:08:13,850 --> 00:08:12,360

of one material they have the bird-like

115

00:08:15,589 --> 00:08:13,860

appearance in in raw and the law of one

116

00:08:17,510 --> 00:08:15,599

says that they were that the hawk is

117

00:08:18,710 --> 00:08:17,520

there totem it's their symbol so right

118

00:08:20,749 --> 00:08:18,720

away I'm thinking okay there's something

119

00:08:22,369 --> 00:08:20,759

going on here with the law of one showed

120

00:08:24,110 --> 00:08:22,379

up only because Corey and I start

121

00:08:25,490 --> 00:08:24,120

talking and they sound an awful lot like

122

00:08:27,110 --> 00:08:25,500

the beings described in the law of one

123

00:08:29,029 --> 00:08:27,120

and then sure enough we have William

124

00:08:31,430 --> 00:08:29,039

Henry come along later on the blue

125

00:08:33,589 --> 00:08:31,440

avions are the same ones being noted in

126

00:08:35,690 --> 00:08:33,599

the famous law of one books right no

127

00:08:36,829 --> 00:08:35,700

that's what David Wilcox makes that

128

00:08:40,310 --> 00:08:36,839

connection you don't make that

129

00:08:43,969 --> 00:08:40,320

connection uh I I humor him uh I don't I

130

00:08:46,610 --> 00:08:43,979

they I I kind of started you know basing

131

00:08:48,470 --> 00:08:46,620

information off of uh what David said a

132

00:08:50,090 --> 00:08:48,480

little bit you know about the about the

133

00:08:51,889 --> 00:08:50,100

law of one stuff I was never a big

134

00:08:53,630 --> 00:08:51,899

subscriber to the law of one okay so the

135

00:08:55,310 --> 00:08:53,640

law of one books produced by I I

136

00:08:58,130 --> 00:08:55,320

research in the 80s that's not part of

137

00:09:01,250 --> 00:08:58,140

your IP right no

138

00:09:05,110 --> 00:09:01,260

greetings and salutations friends we are

139

00:09:08,269 --> 00:09:05,120

back once again uh there is new Intel

140

00:09:10,310 --> 00:09:08,279

Intel somebody's getting briefings from

141

00:09:14,690 --> 00:09:10,320

his Imaginary Friends

142

00:09:17,389 --> 00:09:14,700

again yes uh and we are here mostly

143

00:09:19,250 --> 00:09:17,399

because people keep asking me uh when

144

00:09:22,730 --> 00:09:19,260

are you gonna are you gonna talk about

145

00:09:26,870 --> 00:09:22,740

this latest stupid video of his yes I I

146

00:09:30,410 --> 00:09:26,880

suppose we aim to please so uh we are

147

00:09:33,829 --> 00:09:30,420

here to do that and for those unaware uh

148

00:09:36,170 --> 00:09:33,839

we won't retread everything every time

149

00:09:38,750 --> 00:09:36,180

see our previous coverage

150

00:09:41,090 --> 00:09:38,760

Corey good claimed to be a secret space

151
00:09:43,030 --> 00:09:41,100
program Insider and for the past seven

152
00:09:46,910 --> 00:09:43,040
or eight years has made a lot of money

153
00:09:50,329 --> 00:09:46,920
telling people uh allegedly true stories

154
00:09:52,670 --> 00:09:50,339
but while under oath giving a deposition

155
00:09:55,190 --> 00:09:52,680
he admitted he'd never been to space

156
00:09:58,070 --> 00:09:55,200
he'd never been to Mars he'd never been

157
00:10:02,210 --> 00:09:58,080
to the Moon even though he told stories

158
00:10:05,329 --> 00:10:02,220
about spaceships this dude told stories

159
00:10:10,130 --> 00:10:05,339
about spaceships landing in in his

160
00:10:12,530 --> 00:10:10,140
backyard and taking him to the loc the

161
00:10:15,370 --> 00:10:12,540
lunar Operations Command

162
00:10:20,389 --> 00:10:15,380
he also told stories about building

163
00:10:22,970 --> 00:10:20,399

habitats on Mars and living there but in

164

00:10:24,910 --> 00:10:22,980

the deposition I've never been to Mars I

165

00:10:27,590 --> 00:10:24,920

never said I've been to Mars

166

00:10:30,290 --> 00:10:27,600

Liars can often not keep their story

167

00:10:32,990 --> 00:10:30,300

straight maybe Corey good has told so

168

00:10:36,590 --> 00:10:33,000

many of his fake science fiction book

169

00:10:39,290 --> 00:10:36,600

Rogers time traveling space adventure

170

00:10:42,470 --> 00:10:39,300

stories that he forgot while under the

171

00:10:45,110 --> 00:10:42,480

deposition that he had told the whole

172

00:10:47,150 --> 00:10:45,120

story about building a base on Mars yeah

173

00:10:49,850 --> 00:10:47,160

you kind of have to live there on Mars

174

00:10:54,550 --> 00:10:49,860

you kind of have to go to Mars if that

175

00:10:58,310 --> 00:10:54,560

story is true turns out it's all garbage

176

00:11:00,290 --> 00:10:58,320

and we are back and I have uh some other

177

00:11:02,930 --> 00:11:00,300

good news over here I'll I'll switch

178

00:11:05,509 --> 00:11:02,940

this so you can see a little bit better

179

00:11:09,350 --> 00:11:05,519

look at this I'm wearing the right shirt

180

00:11:11,449 --> 00:11:09,360

for today it says avian lives matter and

181

00:11:14,210 --> 00:11:11,459

it's kind of tough to see but there is

182

00:11:16,850 --> 00:11:14,220

there is that wonderful image of me at

183

00:11:19,329 --> 00:11:16,860

the bottom here with the headphones and

184

00:11:22,370 --> 00:11:19,339

the shades uh quite like you're used to

185

00:11:25,790 --> 00:11:22,380

so if you believe that avian lives

186

00:11:28,009 --> 00:11:25,800

matter like me like the blue avians you

187

00:11:29,870 --> 00:11:28,019

know I believe all avian lives matter

188

00:11:30,829 --> 00:11:29,880

that's why we didn't put Blue on the

189

00:11:32,690 --> 00:11:30,839

shirt

190

00:11:35,690 --> 00:11:32,700

the merchandise store we're still having

191

00:11:37,190 --> 00:11:35,700

problems with International people but

192

00:11:39,710 --> 00:11:37,200

at least if you live in the United

193

00:11:42,530 --> 00:11:39,720

States you too can support our wonderful

194

00:11:45,410 --> 00:11:42,540

show with an avian's lives matter shirt

195

00:11:48,769 --> 00:11:45,420

and I have some other samples here as

196

00:11:50,269 --> 00:11:48,779

well uh maybe we'll do a few uh as

197

00:11:52,550 --> 00:11:50,279

giveaways

198

00:11:55,910 --> 00:11:52,560

and uh we want to thank all of you who

199

00:11:58,430 --> 00:11:55,920

have purchased shirts and apologize to

200

00:12:02,030 --> 00:11:58,440

those of you who have tried in other

201
00:12:04,130 --> 00:12:02,040
countries but had issues so avian lives

202
00:12:07,670 --> 00:12:04,140
matter friends

203
00:12:09,590 --> 00:12:07,680
avian lives matter uh and you know I for

204
00:12:11,449 --> 00:12:09,600
one think it's about time that somebody

205
00:12:14,090 --> 00:12:11,459
else started making some money from

206
00:12:16,970 --> 00:12:14,100
Corey Goode and his fantastic Buck

207
00:12:20,210 --> 00:12:16,980
Rogers Flash Gordon science fiction

208
00:12:22,970 --> 00:12:20,220
fantasy stories that we now can assume

209
00:12:24,590 --> 00:12:22,980
are all fake given under oath he didn't

210
00:12:27,050 --> 00:12:24,600
want to lie under oath you know under

211
00:12:31,310 --> 00:12:27,060
penalty of perjury or jail time or

212
00:12:33,829 --> 00:12:31,320
whatever uh yeah so now I'm making money

213
00:12:36,230 --> 00:12:33,839

off of this court good nonsense let's

214

00:12:38,090 --> 00:12:36,240

all get in on it right how many other

215

00:12:40,190 --> 00:12:38,100

people have made money I think it's

216

00:12:42,350 --> 00:12:40,200

about time I have right where Jimmy

217

00:12:45,110 --> 00:12:42,360

Church made a lot of money with this

218

00:12:47,090 --> 00:12:45,120

garbage conscious life Expo made a lot

219

00:12:49,730 --> 00:12:47,100

of money with Corey Good's garbage

220

00:12:51,590 --> 00:12:49,740

peddled stories contact in the desert

221

00:12:53,569 --> 00:12:51,600

made a lot of money with Corey Good's

222

00:12:56,150 --> 00:12:53,579

garbage peddled story and of course the

223

00:12:58,670 --> 00:12:56,160

person uh Jay weiner made a bunch of

224

00:13:01,670 --> 00:12:58,680

money and of course uh the person who

225

00:13:04,190 --> 00:13:01,680

besides Corey good probably made even

226

00:13:06,410 --> 00:13:04,200

more money off of Corey Good's Fake Soul

227

00:13:11,090 --> 00:13:06,420

stories than Corey good himself

228

00:13:13,129 --> 00:13:11,100

two two two David Wilcock and Gaia TV

229

00:13:16,129 --> 00:13:13,139

but it's okay I feel better now because

230

00:13:19,430 --> 00:13:16,139

now I'm making money off of Corey Goods

231

00:13:22,670 --> 00:13:19,440

nonsense [h__\h] stories and by the way

232

00:13:25,910 --> 00:13:22,680

uh it says avian lives matter it doesn't

233

00:13:28,790 --> 00:13:25,920

say blue avians doesn't say blue avians

234

00:13:33,470 --> 00:13:28,800

it's not trademarked Corey so don't sue

235

00:13:36,290 --> 00:13:33,480

me bro don't sue me bro okay so uh we're

236

00:13:39,530 --> 00:13:36,300

gonna we're gonna get into uh his latest

237

00:13:41,030 --> 00:13:39,540

offering of nonsense and I have to say

238

00:13:43,129 --> 00:13:41,040

that

239

00:13:46,129 --> 00:13:43,139

we got to give him we gotta give this

240

00:13:48,710 --> 00:13:46,139

clown points we gotta give the Corey

241

00:13:51,949 --> 00:13:48,720

clown points because

242

00:13:54,410 --> 00:13:51,959

most people when caught

243

00:13:57,069 --> 00:13:54,420

lying to everyone for seven or eight

244

00:14:00,290 --> 00:13:57,079

years I would think that most people

245

00:14:03,430 --> 00:14:00,300

would experience some level of being

246

00:14:06,889 --> 00:14:03,440

ashamed of themselves or

247

00:14:09,889 --> 00:14:06,899

guilt you know see I I just made

248

00:14:13,430 --> 00:14:09,899

millions of dollars lying to you stupid

249

00:14:15,650 --> 00:14:13,440

people right you stupid people gave me

250

00:14:18,290 --> 00:14:15,660

millions of dollars for these fake

251
00:14:20,990 --> 00:14:18,300
stories and by the way under oath he

252
00:14:24,350 --> 00:14:21,000
also said that it's just good public

253
00:14:26,389 --> 00:14:24,360
relations for for people to think the

254
00:14:27,530 --> 00:14:26,399
stories are true

255
00:14:33,170 --> 00:14:27,540
great

256
00:14:35,389 --> 00:14:33,180
person who's not a psychopath or a

257
00:14:37,069 --> 00:14:35,399
sociopath and by the way I'm not

258
00:14:39,530 --> 00:14:37,079
diagnosing anybody I'm not a

259
00:14:42,410 --> 00:14:39,540
psychiatrist or a psychologist but you

260
00:14:44,449 --> 00:14:42,420
know I can read those 10 signs of the

261
00:14:47,389 --> 00:14:44,459
psychopath and one of the signs is that

262
00:14:49,370 --> 00:14:47,399
they have no empathy for others so isn't

263
00:14:52,970 --> 00:14:49,380

it amazing that a guy who claims to have

264

00:14:55,850 --> 00:14:52,980

super powered empathy doesn't care how

265

00:14:57,970 --> 00:14:55,860

anybody feels when he gets caught lying

266

00:15:01,670 --> 00:14:57,980

to everybody for seven or eight years

267

00:15:04,730 --> 00:15:01,680

and to be clear he's trying to backpedal

268

00:15:07,730 --> 00:15:04,740

right make up some excuses right for the

269

00:15:10,250 --> 00:15:07,740

true true Kool-Aid drinking cult members

270

00:15:13,790 --> 00:15:10,260

who are still listening to him and by

271

00:15:16,310 --> 00:15:13,800

the way as I predicted Corey Goods

272

00:15:20,269 --> 00:15:16,320

Quarry Goods numbers are taking a

273

00:15:21,530 --> 00:15:20,279

nosedive from previous years maybe just

274

00:15:24,650 --> 00:15:21,540

maybe

275

00:15:28,069 --> 00:15:24,660

people have woken up even the the some

276

00:15:31,069 --> 00:15:28,079

of those Kool-Aid drinking you know cult

277

00:15:33,530 --> 00:15:31,079

members have woken up and going yeah

278

00:15:35,329 --> 00:15:33,540

either way we look at this he either

279

00:15:39,410 --> 00:15:35,339

lied for the past seven or eight years

280

00:15:41,750 --> 00:15:39,420

or he lied under oath

281

00:15:43,550 --> 00:15:41,760

the stories can't at the same time be

282

00:15:45,170 --> 00:15:43,560

works of fiction and be a hundred

283

00:15:46,430 --> 00:15:45,180

percent true

284

00:15:49,250 --> 00:15:46,440

so

285

00:15:51,110 --> 00:15:49,260

either way he lied and is a proven liar

286

00:15:54,889 --> 00:15:51,120

and I don't know about you but if

287

00:15:57,829 --> 00:15:54,899

somebody is a proven liar

288

00:15:58,430 --> 00:15:57,839

I I I'm not very

289

00:16:01,730 --> 00:15:58,440

um

290

00:16:04,250 --> 00:16:01,740

forgiving of listening to Future stories

291

00:16:06,170 --> 00:16:04,260

right if all the stories up until that

292

00:16:10,430 --> 00:16:06,180

deposition have been proven to be false

293

00:16:11,290 --> 00:16:10,440

and just like intellectual property uh

294

00:16:14,329 --> 00:16:11,300

then

295

00:16:16,370 --> 00:16:14,339

why should we believe these new stories

296

00:16:19,550 --> 00:16:16,380

he's coming up with and boy is he coming

297

00:16:21,710 --> 00:16:19,560

up with some new stupid stories and uh

298

00:16:24,650 --> 00:16:21,720

we will uh I just want to check in with

299

00:16:26,329 --> 00:16:24,660

the live chat I see we've got a few kind

300

00:16:29,449 --> 00:16:26,339

and generous benefactors we didn't even

301

00:16:32,389 --> 00:16:29,459

start yet and the and the cash is

302

00:16:34,189 --> 00:16:32,399

already being praised I love it thank

303

00:16:35,689 --> 00:16:34,199

you for all for your kindness your

304

00:16:37,790 --> 00:16:35,699

generosity and support so what we're

305

00:16:39,350 --> 00:16:37,800

going to do is catch up we've got my

306

00:16:42,530 --> 00:16:39,360

flockas everywhere with the kind and

307

00:16:44,389 --> 00:16:42,540

generous 99 cent super sticker and thank

308

00:16:46,490 --> 00:16:44,399

you for being a member we appreciate

309

00:16:48,650 --> 00:16:46,500

your kindness your generosity and your

310

00:16:50,949 --> 00:16:48,660

support of the show we've got Kylie

311

00:16:55,730 --> 00:16:50,959

Armstrong with a Kind and Generous

312

00:16:57,470 --> 00:16:55,740

uh 199 Euro super sticker thank you Kali

313

00:16:59,210 --> 00:16:57,480

longtime show supporter good to see you

314

00:17:01,550 --> 00:16:59,220
out there and thank you for your

315

00:17:04,909 --> 00:17:01,560
kindness generosity and support and

316

00:17:07,189 --> 00:17:04,919
we've got Arden paranormal uh with a

317

00:17:09,169 --> 00:17:07,199
Kind and Generous five dollar Canadian

318

00:17:11,090 --> 00:17:09,179
and thank you for your kindness

319

00:17:15,949 --> 00:17:11,100
generosity and support and that reminds

320

00:17:18,650 --> 00:17:15,959
me me to do uh to do something thank you

321

00:17:20,750 --> 00:17:18,660
for reminding me art and paranormal uh

322

00:17:23,449 --> 00:17:20,760
so we want to thank all of you kind and

323

00:17:25,730 --> 00:17:23,459
generous benefactors for your kindness

324

00:17:28,370 --> 00:17:25,740
and your support of the show it really

325

00:17:31,070 --> 00:17:28,380
does make a big difference

326

00:17:33,110 --> 00:17:31,080

um I I am doing my taxes so I'm about to

327

00:17:36,409 --> 00:17:33,120

get very angry about financial things

328

00:17:38,570 --> 00:17:36,419

soon but you know we've got a

329

00:17:41,810 --> 00:17:38,580

I got another couple weeks to give those

330

00:17:43,490 --> 00:17:41,820

papers to my wife right so thank you all

331

00:17:48,789 --> 00:17:43,500

for your kindness generosity and support

332

00:17:48,799 --> 00:17:51,850

all right

333

00:17:57,529 --> 00:17:54,890

thank you for your kindness thank you

334

00:17:59,050 --> 00:17:57,539

for your generosity praise the cash

335

00:18:06,289 --> 00:17:59,060

crazy cash break the cash

336

00:18:11,090 --> 00:18:08,150

thank you all for your kindness

337

00:18:13,010 --> 00:18:11,100

generosity and support and by the way I

338

00:18:15,230 --> 00:18:13,020

did I haven't

339

00:18:16,970 --> 00:18:15,240

um I ordered these simple shirts and

340

00:18:18,650 --> 00:18:16,980

then I remembered oh no we need to

341

00:18:20,750 --> 00:18:18,660

praise the cash shirt because we have

342

00:18:22,669 --> 00:18:20,760

them now for the cash Clans so I'm gonna

343

00:18:25,490 --> 00:18:22,679

order that tonight and the next time you

344

00:18:27,350 --> 00:18:25,500

see the praise the cash clown praise in

345

00:18:30,289 --> 00:18:27,360

the cash he'll have a shirt on that says

346

00:18:33,830 --> 00:18:30,299

praised cash as is appropriate right

347

00:18:36,409 --> 00:18:33,840

uh great Chuck bam says that praise the

348

00:18:38,390 --> 00:18:36,419

cash just woke me up I have to get up

349

00:18:39,970 --> 00:18:38,400

early I hope you're joking about the

350

00:18:43,610 --> 00:18:39,980

people who were complaining about

351
00:18:45,650 --> 00:18:43,620
somebody was like these bumpers wake me

352
00:18:48,669 --> 00:18:45,660
up when I'm listening to your show when

353
00:18:51,169 --> 00:18:48,679
I'm sleeping sorry

354
00:18:52,730 --> 00:18:51,179
thank you for your kindness generosity

355
00:18:55,130 --> 00:18:52,740
and support and I have another

356
00:18:57,650 --> 00:18:55,140
appropriate shirt for tonight as well

357
00:18:59,810 --> 00:18:57,660
because we have a shirt also available

358
00:19:02,029 --> 00:18:59,820
in our merchandise store the link is in

359
00:19:04,730 --> 00:19:02,039
the description of the video and you can

360
00:19:07,669 --> 00:19:04,740
also if you're on Amazon just search for

361
00:19:09,409 --> 00:19:07,679
True Seeker show truth Seeker show right

362
00:19:11,029 --> 00:19:09,419
in the Amazon search bar if you're in

363
00:19:13,310 --> 00:19:11,039

the United States you should find

364

00:19:15,770 --> 00:19:13,320

everything that we sell all kinds of

365

00:19:16,970 --> 00:19:15,780

merchandise shirts tote bags cell phone

366

00:19:20,029 --> 00:19:16,980

covers

367

00:19:24,770 --> 00:19:20,039

um sweatshirts The Works we're praising

368

00:19:27,110 --> 00:19:24,780

the cash bank on Amazon right yeah so uh

369

00:19:29,930 --> 00:19:27,120

as far as the oh thank you my flock is

370

00:19:31,730 --> 00:19:29,940

everywhere for another 99 cent super

371

00:19:34,010 --> 00:19:31,740

sticker and thank you for your kindness

372

00:19:35,810 --> 00:19:34,020

generosity and support of the show and

373

00:19:37,909 --> 00:19:35,820

helping us praise the cash and thanks

374

00:19:40,190 --> 00:19:37,919

this praise the cash is for all you kind

375

00:19:44,570 --> 00:19:40,200

of generous patreon supporters and

376

00:19:48,289 --> 00:19:46,490

thank you all for your kindness

377

00:19:51,890 --> 00:19:48,299

generosity and support so we're going to

378

00:19:55,970 --> 00:19:51,900

get into this stupid nonsense that this

379

00:19:59,450 --> 00:19:57,770

this guy's been running around telling

380

00:20:03,350 --> 00:19:59,460

people he went to the moon for eight

381

00:20:05,630 --> 00:20:03,360

years no I never been to the Moon uh it

382

00:20:09,110 --> 00:20:05,640

is what it is uh we are going to put up

383

00:20:11,810 --> 00:20:09,120

our fair use banner and uh lawyer

384

00:20:13,850 --> 00:20:11,820

letters are standing by because we're

385

00:20:15,950 --> 00:20:13,860

going to be playing this video but this

386

00:20:17,750 --> 00:20:15,960

is a transformative work and we're

387

00:20:19,490 --> 00:20:17,760

educating the public and critiquing the

388

00:20:21,710 --> 00:20:19,500

videos that we are sharing this is

389

00:20:24,470 --> 00:20:21,720

certainly covered under fair use and is

390

00:20:27,830 --> 00:20:24,480

allowable by law and you out there in

391

00:20:29,690 --> 00:20:27,840

live chat yes you you can help me to

392

00:20:32,710 --> 00:20:29,700

make this a transformative work because

393

00:20:36,470 --> 00:20:32,720

while we're listening to this garbage

394

00:20:38,210 --> 00:20:36,480

Intel together you can put whatever your

395

00:20:40,970 --> 00:20:38,220

thoughts or comments are or questions

396

00:20:42,710 --> 00:20:40,980

for me in all capital letters and then I

397

00:20:45,110 --> 00:20:42,720

will share them on the screen so you

398

00:20:47,510 --> 00:20:45,120

help me to make this a transformative

399

00:20:50,029 --> 00:20:47,520

work let's get to the latest garbage

400

00:20:52,010 --> 00:20:50,039

Intel can't wait and by the way this is

401
00:20:54,830 --> 00:20:52,020
one of those few times that I have not

402
00:20:56,990 --> 00:20:54,840
had time so I did not I'm tired of

403
00:20:59,810 --> 00:20:57,000
listening to this garbage twice right

404
00:21:01,490 --> 00:20:59,820
don't you think once is enough like do I

405
00:21:03,950 --> 00:21:01,500
really gotta listen to this and then

406
00:21:05,690 --> 00:21:03,960
listen to it again on the show right I

407
00:21:07,549 --> 00:21:05,700
don't think so

408
00:21:09,950 --> 00:21:07,559
um I did preview the first few minutes

409
00:21:12,529 --> 00:21:09,960
it's it's tip typical Corey good garbage

410
00:21:15,890 --> 00:21:12,539
and he's got his Mike wazkowski guy

411
00:21:17,990 --> 00:21:15,900
again oh let's uh let's make sure we got

412
00:21:20,630 --> 00:21:18,000
the audio with that I always do that

413
00:21:23,029 --> 00:21:20,640

yeah here we go

414

00:21:26,810 --> 00:21:23,039

Mike wazkowski hasn't quit or gotten

415

00:21:28,669 --> 00:21:26,820

sued yet congratulations Mike wazkowski

416

00:21:30,590 --> 00:21:28,679

congratulations you're one of the few

417

00:21:33,770 --> 00:21:30,600

Corey good business associates that

418

00:21:36,710 --> 00:21:33,780

hasn't gotten sued yet right

419

00:21:38,990 --> 00:21:36,720

it'll it'll happen give it time all

420

00:21:41,270 --> 00:21:39,000

right here here we go so we're going to

421

00:21:44,090 --> 00:21:41,280

get into this and I love that he has a

422

00:21:47,049 --> 00:21:44,100

travel channel shirt on I'm not quite

423

00:21:49,970 --> 00:21:47,059

sure why but

424

00:21:52,789 --> 00:21:49,980

I believe that Corey good is trying to

425

00:21:55,310 --> 00:21:52,799

pretend here by wearing this this stupid

426
00:21:57,529 --> 00:21:55,320
shirt that he's got a show coming out on

427
00:22:00,049 --> 00:21:57,539
the Travel Channel that's just my take

428
00:22:02,330 --> 00:22:00,059
that's my opinion because he loves to

429
00:22:05,029 --> 00:22:02,340
talk about all these big Hollywood deals

430
00:22:08,270 --> 00:22:05,039
that he's getting but they those deals

431
00:22:11,270 --> 00:22:08,280
never seem to show up right he's such a

432
00:22:14,210 --> 00:22:11,280
big star that his stories are worth 300

433
00:22:16,970 --> 00:22:14,220
million dollars according to him

434
00:22:20,270 --> 00:22:16,980
um I think that this guy's full of [h__h]

435
00:22:22,789 --> 00:22:20,280
that's just me uh your opinion you know

436
00:22:25,250 --> 00:22:22,799
and by the way I do notice that when we

437
00:22:27,289 --> 00:22:25,260
do these streams we do have some

438
00:22:29,810 --> 00:22:27,299

I don't call them cult members that's

439

00:22:31,970 --> 00:22:29,820

that's unkind we have some Corey good

440

00:22:35,210 --> 00:22:31,980

fans in the live chat occasionally

441

00:22:37,549 --> 00:22:35,220

please be kind to them right and

442

00:22:41,029 --> 00:22:37,559

actually please be kind everywhere you

443

00:22:43,549 --> 00:22:41,039

know uh at the supermarket or in in your

444

00:22:44,870 --> 00:22:43,559

home to your family to your friends to

445

00:22:47,570 --> 00:22:44,880

your relatives

446

00:22:49,730 --> 00:22:47,580

to your fellow community members and in

447

00:22:52,549 --> 00:22:49,740

the comments and in the live chat just

448

00:22:55,909 --> 00:22:52,559

please be kind to everybody everywhere

449

00:22:56,570 --> 00:22:55,919

everybody's opinion is welcome here

450

00:22:59,990 --> 00:22:56,580

um

451
00:23:03,350 --> 00:23:00,000
so we see Mike wazkowski is at the Char

452
00:23:06,169 --> 00:23:03,360
again right it looks like he's in The

453
00:23:09,549 --> 00:23:06,179
Lord of the Rings movie it's awesome all

454
00:23:12,649 --> 00:23:09,559
right doing pretty good still haven't

455
00:23:13,909 --> 00:23:12,659
issues with my voice a little bit this

456
00:23:15,710 --> 00:23:13,919
time of year I always have really bad

457
00:23:16,789 --> 00:23:15,720
allergies especially since we moved to

458
00:23:20,450 --> 00:23:16,799
Colorado

459
00:23:22,310 --> 00:23:20,460
and I have these huge sneezes that just

460
00:23:24,169 --> 00:23:22,320
knock my voice out which sounds really

461
00:23:26,930 --> 00:23:24,179
weird but it's

462
00:23:29,029 --> 00:23:26,940
I've been right as I get better I have

463
00:23:32,570 --> 00:23:29,039

another sneeze attack so

464

00:23:34,669 --> 00:23:32,580

I am going to be putting these down

465

00:23:36,590 --> 00:23:34,679

to see if I can I'm sorry he's a bit

466

00:23:38,390 --> 00:23:36,600

like David Wilcox you ever notice these

467

00:23:42,590 --> 00:23:38,400

guys are always complaining about being

468

00:23:46,669 --> 00:23:44,630

I think it's kind of like Bob Lazar with

469

00:23:48,470 --> 00:23:46,679

the migraine headache it's like they're

470

00:23:52,730 --> 00:23:48,480

setting up an excuse for this to be

471

00:23:54,409 --> 00:23:52,740

really crappy in advance right can uh

472

00:23:56,570 --> 00:23:54,419

keep my voice going as long as possible

473

00:23:58,250 --> 00:23:56,580

all right how are things going with you

474

00:24:01,330 --> 00:23:58,260

I'm doing okay

475

00:24:04,610 --> 00:24:01,340

um yeah it's fun being a parent now and

476

00:24:07,430 --> 00:24:04,620

yeah oh my God this whack could do is

477

00:24:09,590 --> 00:24:07,440

somebody's father everybody let's all

478

00:24:12,470 --> 00:24:09,600

just say a prayer for the child of this

479

00:24:16,010 --> 00:24:12,480

Wackadoo who believes all of Corey

480

00:24:19,010 --> 00:24:16,020

Good's nonsense hook line and sinker

481

00:24:22,610 --> 00:24:19,020

God bless that child do things with with

482

00:24:24,289 --> 00:24:22,620

I guess more discipline now yeah it's

483

00:24:26,690 --> 00:24:24,299

when they're the age

484

00:24:29,149 --> 00:24:26,700

of your little one yeah there's a lot of

485

00:24:32,390 --> 00:24:29,159

prioritizing that goes on with time yeah

486

00:24:33,830 --> 00:24:32,400

yeah so uh we've had some help

487

00:24:34,730 --> 00:24:33,840

collecting questions

488

00:24:36,470 --> 00:24:34,740

um you know from all the different

489

00:24:38,690 --> 00:24:36,480

places people have been submitting in a

490

00:24:40,549 --> 00:24:38,700

different common areas yeah and I I also

491

00:24:43,190 --> 00:24:40,559

love that this is supposed to be a q a

492

00:24:46,490 --> 00:24:43,200

right do you think he's going to answer

493

00:24:49,970 --> 00:24:46,500

the question everybody wants him to

494

00:24:51,830 --> 00:24:49,980

which is what were you lying for the

495

00:24:54,230 --> 00:24:51,840

past eight years or were you lying in

496

00:24:57,110 --> 00:24:54,240

the depositions I don't think so he

497

00:24:59,690 --> 00:24:57,120

doesn't want to talk about that he he is

498

00:25:02,510 --> 00:24:59,700

really I got to give him points man the

499

00:25:04,549 --> 00:25:02,520

guy's got balls you get caught and your

500

00:25:07,010 --> 00:25:04,559

whole grift comes crashing down what do

501
00:25:09,770 --> 00:25:07,020
you do get back on YouTube and turn the

502
00:25:11,930 --> 00:25:09,780
Griff knob up to maximum and let's get

503
00:25:13,909 --> 00:25:11,940
the grift going again that's what you

504
00:25:15,289 --> 00:25:13,919
doing

505
00:25:17,169 --> 00:25:15,299
um

506
00:25:19,669 --> 00:25:17,179
or the different videos of the different

507
00:25:21,470 --> 00:25:19,679
interviews so

508
00:25:23,810 --> 00:25:21,480
um I've noticed a few things that I want

509
00:25:25,430 --> 00:25:23,820
to point out first is that uh maybe at

510
00:25:27,169 --> 00:25:25,440
least half of the questions that are

511
00:25:28,850 --> 00:25:27,179
coming in are something that I know

512
00:25:31,070 --> 00:25:28,860
you've addressed previously in some way

513
00:25:33,049 --> 00:25:31,080

so it's kind of like I'm I'm at a loss

514

00:25:34,970 --> 00:25:33,059

to know you know how frequently

515

00:25:36,769 --> 00:25:34,980

frequently should we be recovering the

516

00:25:39,049 --> 00:25:36,779

same subjects to make sure people you

517

00:25:41,210 --> 00:25:39,059

know have an extra chance to process it

518

00:25:43,370 --> 00:25:41,220

maybe we'll we'll talk about it a little

519

00:25:45,350 --> 00:25:43,380

differently as we continue yeah I think

520

00:25:47,570 --> 00:25:45,360

that's the same subjects the best thing

521

00:25:49,549 --> 00:25:47,580

in other words Corey don't got no

522

00:25:51,529 --> 00:25:49,559

materials so we got to keep saying the

523

00:25:53,750 --> 00:25:51,539

same crap that we've been saving for the

524

00:25:56,149 --> 00:25:53,760

past eight years that's another thing

525

00:25:58,190 --> 00:25:56,159

you'll notice this guy is like a broken

526

00:26:00,230 --> 00:25:58,200

record and if he had an original thought

527

00:26:01,909 --> 00:26:00,240

it would die of loneliness for that

528

00:26:03,830 --> 00:26:01,919

maybe is since we're starting to get

529

00:26:07,370 --> 00:26:03,840

transcripts for the shows we can do

530

00:26:09,049 --> 00:26:07,380

quick searches and point people somehow

531

00:26:10,730 --> 00:26:09,059

and we can find a way to do that but I

532

00:26:13,810 --> 00:26:10,740

don't want to recover the same thing

533

00:26:17,690 --> 00:26:16,010

so I remember the same thing how many

534

00:26:19,870 --> 00:26:17,700

times has he talked about those solar

535

00:26:22,669 --> 00:26:19,880

flashes right

536

00:26:25,190 --> 00:26:22,679

Corey good solar flashes is the same

537

00:26:27,470 --> 00:26:25,200

exact thing as David Wilcox Mass arrests

538

00:26:31,490 --> 00:26:27,480

right remember David Wilcox talked about

539

00:26:33,409 --> 00:26:31,500

Mass arrests like 3 000 times since 1998

540

00:26:36,049 --> 00:26:33,419

Mass arrests are coming and they never

541

00:26:38,990 --> 00:26:36,059

do Corey good talks about solar flashes

542

00:26:41,870 --> 00:26:39,000

solar crap over and over and over again

543

00:26:43,909 --> 00:26:41,880

another idea I had and I created a new

544

00:26:46,690 --> 00:26:43,919

Forum on the website essentialworks.tv

545

00:26:49,190 --> 00:26:46,700

you go to ascensionworks.tv questions

546

00:26:51,230 --> 00:26:49,200

this is a new form I created so that you

547

00:26:52,490 --> 00:26:51,240

can ask the community and we can also

548

00:26:54,289 --> 00:26:52,500

review those questions so if anything

549

00:26:55,730 --> 00:26:54,299

comes up that hasn't been covered and

550

00:26:58,130 --> 00:26:55,740

it's not being answered then we can ask

551
00:26:59,810 --> 00:26:58,140
yeah you can ask questions but only if

552
00:27:02,390 --> 00:26:59,820
they're the questions we want to answer

553
00:27:05,630 --> 00:27:02,400
go over there and try to ask him about

554
00:27:07,909 --> 00:27:05,640
lying to people or about you know paying

555
00:27:10,370 --> 00:27:07,919
one of those paying somebody to take

556
00:27:12,110 --> 00:27:10,380
pictures of one of his critics houses so

557
00:27:15,110 --> 00:27:12,120
they could make a cyber stalking video

558
00:27:17,810 --> 00:27:15,120
him and his manager Roger Ramseur don't

559
00:27:20,510 --> 00:27:17,820
ask about any of that stuff right

560
00:27:21,769 --> 00:27:20,520
Corey those questions and so it's kind

561
00:27:23,570 --> 00:27:21,779
of like a central place that we can kind

562
00:27:25,960 --> 00:27:23,580
of as a community work to answer the

563
00:27:26,029 --> 00:27:25,970

same subjects that keep coming up

564

00:27:28,310 --> 00:27:26,039

[Music]

565

00:27:32,269 --> 00:27:30,590

so we could dive into some of these

566

00:27:33,049 --> 00:27:32,279

questions that we received

567

00:27:35,870 --> 00:27:33,059

um

568

00:27:37,789 --> 00:27:35,880

and you know I was trying to categorize

569

00:27:39,830 --> 00:27:37,799

them it's kind of hard to categorize

570

00:27:41,510 --> 00:27:39,840

all of these together

571

00:27:43,549 --> 00:27:41,520

um

572

00:27:44,990 --> 00:27:43,559

so we could start out with questions

573

00:27:46,310 --> 00:27:45,000

about the sun do you feel that there's

574

00:27:47,990 --> 00:27:46,320

something

575

00:27:51,350 --> 00:27:48,000

um different about the Sun that could be

576

00:27:52,970 --> 00:27:51,360

scientifically detected that scientists

577

00:27:54,590 --> 00:27:52,980

are kind of covering up or that they

578

00:27:57,769 --> 00:27:54,600

haven't revealed yet what did I just

579

00:28:00,049 --> 00:27:57,779

saying with the sun oh my God

580

00:28:02,870 --> 00:28:00,059

I just said he's always talking about

581

00:28:05,630 --> 00:28:02,880

solar events and solar flashes but

582

00:28:07,610 --> 00:28:05,640

Frosty says he doesn't he says we don't

583

00:28:10,490 --> 00:28:07,620

want to cover the same things

584

00:28:13,070 --> 00:28:10,500

over again he's always talking about

585

00:28:14,810 --> 00:28:13,080

solar events and solar flashes what's

586

00:28:17,210 --> 00:28:14,820

the first thing he starts talking about

587

00:28:18,830 --> 00:28:17,220

right after he's done saying we don't

588

00:28:22,549 --> 00:28:18,840

want to cover the same things over and

589

00:28:24,649 --> 00:28:22,559

over again solar stuff yeah

590

00:28:27,409 --> 00:28:24,659

dummy I think there's stuff that's being

591

00:28:31,010 --> 00:28:27,419

covered up for sure by uh

592

00:28:32,810 --> 00:28:31,020

by NASA and other groups

593

00:28:34,430 --> 00:28:32,820

um the frequency of the start has

594

00:28:37,190 --> 00:28:34,440

changed

595

00:28:39,649 --> 00:28:37,200

we've seen changes in all the different

596

00:28:42,049 --> 00:28:39,659

planets David Wilcox researchers pointed

597

00:28:49,970 --> 00:28:42,059

that out yeah David Wilcock is a whack a

598

00:28:55,010 --> 00:28:52,669

for the crap I'm about to say so I'm

599

00:28:57,590 --> 00:28:55,020

just going to cite another Wackadoo who

600

00:28:59,930 --> 00:28:57,600

has no evidence and say he agrees with

601
00:29:01,909 --> 00:28:59,940
me that's the Wackadoo super duper

602
00:29:04,149 --> 00:29:01,919
proverb maneuver

603
00:29:07,130 --> 00:29:04,159
foreign

604
00:29:09,649 --> 00:29:07,140
and isn't it it always strikes me that

605
00:29:13,390 --> 00:29:09,659
this guy's an expert on everything he's

606
00:29:16,850 --> 00:29:13,400
an expert on stars on solar activity

607
00:29:19,669 --> 00:29:16,860
astrophysics physicists physics

608
00:29:22,730 --> 00:29:19,679
physics you know

609
00:29:25,909 --> 00:29:22,740
literally he's an expert on everything

610
00:29:29,570 --> 00:29:25,919
that is usually how you spot a

611
00:29:31,250 --> 00:29:29,580
pathological liar right

612
00:29:32,630 --> 00:29:31,260
uh but yeah a lot of this is being

613
00:29:34,610 --> 00:29:32,640

suppressed they don't want us to know

614

00:29:36,409 --> 00:29:34,620

that we're at the end of a solar cycle

615

00:29:37,789 --> 00:29:36,419

they want us to focus on what did I just

616

00:29:39,529 --> 00:29:37,799

say he doesn't want to cover the same

617

00:29:42,230 --> 00:29:39,539

things over and over again again with

618

00:29:44,090 --> 00:29:42,240

the solar Cycles the solar Flash the

619

00:29:46,430 --> 00:29:44,100

mass extinction events and all this

620

00:29:48,710 --> 00:29:46,440

nonsense that he's talked about a

621

00:29:52,789 --> 00:29:48,720

thousand times before the mundane things

622

00:29:59,210 --> 00:29:55,690

foreign

623

00:30:01,610 --> 00:29:59,220

like walking around above him clarify is

624

00:30:02,330 --> 00:30:01,620

that you mentioned a map in the past I

625

00:30:04,130 --> 00:30:02,340

don't know if you've mentioned it

626

00:30:06,350 --> 00:30:04,140

publicly is there a map that people

627

00:30:09,710 --> 00:30:06,360

could look at to get a oh here we go

628

00:30:11,690 --> 00:30:09,720

your best guess sense of what is a safer

629

00:30:14,630 --> 00:30:11,700

place to what's likely to be inundated

630

00:30:15,950 --> 00:30:14,640

by floods uh safer Place yeah Mass solar

631

00:30:17,750 --> 00:30:15,960

event it's going to cause global

632

00:30:19,850 --> 00:30:17,760

flooding this is all stuff he's talked

633

00:30:22,430 --> 00:30:19,860

about before and remember when I said

634

00:30:24,710 --> 00:30:22,440

he's an expert on everything now he's an

635

00:30:28,070 --> 00:30:24,720

expert on you know like Wilderness

636

00:30:30,649 --> 00:30:28,080

survival and prepping and survival in

637

00:30:33,649 --> 00:30:30,659

the event of a mass extinction event

638

00:30:36,049 --> 00:30:33,659

listen if we're having a mass flooding

639

00:30:38,570 --> 00:30:36,059

throughout Earth the last person I would

640

00:30:40,789 --> 00:30:38,580

want advice from is an idiot like Corey

641

00:30:42,289 --> 00:30:40,799

good that's my opinion and I'm entitled

642

00:30:44,990 --> 00:30:42,299

to it

643

00:30:48,230 --> 00:30:45,000

I think the easiest answer for that and

644

00:30:50,630 --> 00:30:48,240

sorry I have this it's a huge

645

00:30:53,750 --> 00:30:50,640

um wrote lozenge

646

00:30:56,510 --> 00:30:53,760

there uh go to suspicious observers

647

00:30:58,190 --> 00:30:56,520

YouTube channel oh yeah here I'll give

648

00:31:00,769 --> 00:30:58,200

you excellent advice for how to survive

649

00:31:04,970 --> 00:31:00,779

an apocalyptic Earth event go to YouTube

650

00:31:07,010 --> 00:31:04,980

hey uh I don't even want to get into it

651
00:31:10,190 --> 00:31:07,020
it's so stupid yeah go to a YouTube

652
00:31:12,769 --> 00:31:10,200
channel and doesn't he knew he was

653
00:31:15,649 --> 00:31:12,779
recording this this was not live this

654
00:31:17,389 --> 00:31:15,659
was pre-recorded finish your cough drop

655
00:31:19,909 --> 00:31:17,399
dude

656
00:31:21,830 --> 00:31:19,919
it's gross and do a search for safe

657
00:31:24,049 --> 00:31:21,840
places because

658
00:31:26,630 --> 00:31:24,059
he points out all the different places

659
00:31:28,010 --> 00:31:26,640
on the globe where safe places are

660
00:31:31,549 --> 00:31:28,020
okay

661
00:31:38,029 --> 00:31:35,570
um do you know anything about

662
00:31:39,889 --> 00:31:38,039
specifically like I if people have

663
00:31:42,350 --> 00:31:39,899

implants in their bodies or I should say

664

00:31:46,010 --> 00:31:42,360

I'm not implants but like medical

665

00:31:48,230 --> 00:31:46,020

devices titanium in their joints is that

666

00:31:51,110 --> 00:31:48,240

I think we've mentioned this maybe once

667

00:31:53,330 --> 00:31:51,120

before but yeah do people need it I was

668

00:31:54,409 --> 00:31:53,340

there it's like it's my robot that's one

669

00:31:55,970 --> 00:31:54,419

of the biggest things that comes over

670

00:31:58,310 --> 00:31:55,980

and over and over I get asked about is

671

00:32:01,250 --> 00:31:58,320

if I have a titanium knee joint or I

672

00:32:04,789 --> 00:32:01,260

have this or screw in my leg or whatever

673

00:32:06,649 --> 00:32:04,799

yeah you're going to have some issues

674

00:32:08,810 --> 00:32:06,659

if it conducts electricity you're gonna

675

00:32:11,990 --> 00:32:08,820

have some issues I see

676

00:32:14,870 --> 00:32:12,000

yes it does look like that guy's nuttier

677

00:32:17,870 --> 00:32:14,880

nerdier little brother but uh yeah look

678

00:32:21,370 --> 00:32:17,880

at his glasses I think those issues like

679

00:32:23,690 --> 00:32:21,380

if you have a titanium joint or whatever

680

00:32:25,250 --> 00:32:23,700

I mean it's going to be a pain in the

681

00:32:27,649 --> 00:32:25,260

knee

682

00:32:29,269 --> 00:32:27,659

that that's the least of your worries or

683

00:32:32,389 --> 00:32:29,279

concerns as we're going through all of

684

00:32:33,649 --> 00:32:32,399

this my pleasure

685

00:32:36,169 --> 00:32:33,659

um all right

686

00:32:37,669 --> 00:32:36,179

you're gonna have it's just going to be

687

00:32:42,049 --> 00:32:37,679

you're gonna have to take the bad with

688

00:32:44,690 --> 00:32:42,059

the good and you know there are fans

689

00:32:46,730 --> 00:32:44,700

from different times in our life maybe

690

00:32:48,649 --> 00:32:46,740

Karma or choices we made where we may

691

00:32:50,930 --> 00:32:48,659

have gotten injured or caught up with

692

00:32:53,450 --> 00:32:50,940

this later yeah it's just part of our

693

00:32:54,950 --> 00:32:53,460

process and and we should talk about

694

00:32:56,990 --> 00:32:54,960

that how would you like to be this guy

695

00:32:59,149 --> 00:32:57,000

Mike who has to go through all these

696

00:33:02,029 --> 00:32:59,159

questions of people probably trashing

697

00:33:04,250 --> 00:33:02,039

Corey or calling him a liar and still

698

00:33:07,190 --> 00:33:04,260

find questions that he could ask Corey

699

00:33:08,690 --> 00:33:07,200

good and not anger the cult Overlord

700

00:33:11,570 --> 00:33:08,700

right

701
00:33:14,389 --> 00:33:11,580
I guess we could switch back to the Q a

702
00:33:17,470 --> 00:33:14,399
tab here back and forth

703
00:33:20,090 --> 00:33:19,310
looks like

704
00:33:21,889 --> 00:33:20,100
um

705
00:33:24,590 --> 00:33:21,899
Todd asked about

706
00:33:26,630 --> 00:33:24,600
Dimension versus density oh here we go

707
00:33:29,750 --> 00:33:26,640
with the density fourth density fifth

708
00:33:32,509 --> 00:33:29,760
density six density that's all new age

709
00:33:34,850 --> 00:33:32,519
nonsense and there's no evidence or

710
00:33:37,330 --> 00:33:34,860
proof of higher Dimension or higher

711
00:33:41,269 --> 00:33:37,340
density intelligences or Consciousness

712
00:33:44,210 --> 00:33:41,279
zero zero it's all speculation and New

713
00:33:47,330 --> 00:33:44,220

Age gobbley [h__h] nonsense

714

00:33:49,130 --> 00:33:47,340

are there changes in Dimensions as the

715

00:33:51,049 --> 00:33:49,140

change in density occurs I mean is there

716

00:33:51,950 --> 00:33:51,059

anything that is different between your

717

00:33:53,509 --> 00:33:51,960

understanding of dimensions and

718

00:33:56,210 --> 00:33:53,519

densities

719

00:33:57,710 --> 00:33:56,220

dimensions are physical

720

00:34:01,490 --> 00:33:57,720

places

721

00:34:03,110 --> 00:34:01,500

densities are energetic levels he's

722

00:34:06,350 --> 00:34:03,120

already wrong

723

00:34:07,549 --> 00:34:06,360

time is one dimension did you know that

724

00:34:09,710 --> 00:34:07,559

right

725

00:34:14,210 --> 00:34:09,720

they're not always dimensions are not

726

00:34:17,690 --> 00:34:14,220

always just spatial or physical reality

727

00:34:20,210 --> 00:34:17,700

this guy is an idiot he has he has

728

00:34:22,849 --> 00:34:20,220

absolutely no understanding of physics

729

00:34:25,730 --> 00:34:22,859

or anything but he's got to Bluff his

730

00:34:28,790 --> 00:34:25,740

way through by just putting that gobbly

731

00:34:31,250 --> 00:34:28,800

word salad New Age nonsense so I sound

732

00:34:32,690 --> 00:34:31,260

intelligent consciousness

733

00:34:36,290 --> 00:34:32,700

when they're talking about fourth

734

00:34:40,310 --> 00:34:38,450

fourth density fifth density

735

00:34:43,629 --> 00:34:40,320

Consciousness you know what that is it's

736

00:34:45,710 --> 00:34:43,639

from the Land of Make Believe

737

00:34:49,810 --> 00:34:45,720

nothing to do

738

00:34:52,909 --> 00:34:49,820

with fourth fifth or sixth uh Dimensions

739

00:34:54,190 --> 00:34:52,919

nothing to do with it and everyone kind

740

00:34:59,329 --> 00:34:54,200

of

741

00:35:02,089 --> 00:34:59,339

like people combine density and

742

00:35:05,690 --> 00:35:02,099

Consciousness like you just did Mr word

743

00:35:08,630 --> 00:35:05,700

salad New Age nonsense but uh yeah

744

00:35:10,790 --> 00:35:08,640

that's my best answer on that

745

00:35:12,470 --> 00:35:10,800

so this question is uh taught us about

746

00:35:14,089 --> 00:35:12,480

the terrible and Instant versus

747

00:35:16,069 --> 00:35:14,099

progression if something's going to

748

00:35:17,810 --> 00:35:16,079

change in an instant

749

00:35:19,609 --> 00:35:17,820

and I know we've we've discussed this in

750

00:35:21,530 --> 00:35:19,619

different ways that

751

00:35:22,750 --> 00:35:21,540

um yeah we're going to make the 20th

752

00:35:25,609 --> 00:35:22,760

gradual changes

753

00:35:27,109 --> 00:35:25,619

and after the solar event happens do you

754

00:35:29,210 --> 00:35:27,119

feel that the the amount of things that

755

00:35:30,290 --> 00:35:29,220

changed instantly is relatively small

756

00:35:31,550 --> 00:35:30,300

compared to the amount of things that

757

00:35:32,990 --> 00:35:31,560

are changing gradually

758

00:35:35,030 --> 00:35:33,000

oh yeah

759

00:35:37,730 --> 00:35:35,040

it's kind of the Fuller event is like

760

00:35:39,230 --> 00:35:37,740

the big Catalyst that uh causes

761

00:35:41,270 --> 00:35:39,240

everything to change some things change

762

00:35:43,670 --> 00:35:41,280

quickly some things change over hundreds

763

00:35:45,410 --> 00:35:43,680

of years but the solar event is

764

00:35:50,829 --> 00:35:45,420

basically the Catalyst that kicks it all

765

00:35:55,190 --> 00:35:53,270

we have a lot to work through it's not

766

00:35:56,690 --> 00:35:55,200

going to be in the twinkling of an eye

767

00:36:00,109 --> 00:35:56,700

all of a sudden we're like oh

768

00:36:02,270 --> 00:36:00,119

you know as uh being this race of human

769

00:36:06,530 --> 00:36:02,280

I've gotten over all of the generational

770

00:36:09,230 --> 00:36:06,540

trauma of slavery and abuse and uh all

771

00:36:11,150 --> 00:36:09,240

of this other stuff it's gone wow you

772

00:36:12,230 --> 00:36:11,160

know we're a whole new it's not how it

773

00:36:13,910 --> 00:36:12,240

is

774

00:36:16,670 --> 00:36:13,920

um it takes Genera it'll be a

775

00:36:17,990 --> 00:36:16,680

generational thing and other things like

776

00:36:20,750 --> 00:36:18,000

the connection that we have with other

777

00:36:23,030 --> 00:36:20,760

people will happen almost instantaneous

778

00:36:25,370 --> 00:36:23,040

but we will all interpret it differently

779

00:36:28,130 --> 00:36:25,380

and for some of us it won't be a good

780

00:36:30,470 --> 00:36:28,140

thing for others that will be uh said

781

00:36:33,829 --> 00:36:30,480

he's eating a throat lozenge but he's

782

00:36:34,370 --> 00:36:33,839

been eating it for eight minutes now

783

00:36:36,950 --> 00:36:34,380

um

784

00:36:38,810 --> 00:36:36,960

a little distracting especially when you

785

00:36:40,609 --> 00:36:38,820

consider that this was all pre-recorded

786

00:36:43,250 --> 00:36:40,619

so couldn't you have like finished the

787

00:36:45,470 --> 00:36:43,260

throat lozenge before he started so he's

788

00:36:47,930 --> 00:36:45,480

not doing this

789

00:36:51,050 --> 00:36:47,940

well

790

00:36:55,910 --> 00:36:51,060

the solar Flash

791

00:36:55,920 --> 00:36:59,690

it's going to change things

792

00:36:59,700 --> 00:37:02,569

and

793

00:37:10,490 --> 00:37:07,250

when the flash comes it's so stupid

794

00:37:12,410 --> 00:37:10,500

this is Earth's Galactic savior Earth is

795

00:37:15,230 --> 00:37:12,420

doomed if this guy's really Earth's

796

00:37:19,370 --> 00:37:15,240

Galactic savior

797

00:37:19,380 --> 00:37:22,730

very exciting thing

798

00:37:26,810 --> 00:37:24,710

some people don't like the idea of not

799

00:37:31,970 --> 00:37:26,820

being able to hide their insecurities

800

00:37:34,790 --> 00:37:33,950

so we could switch now to some subjects

801
00:37:35,510 --> 00:37:34,800
around

802
00:37:39,650 --> 00:37:35,520
um

803
00:37:42,470 --> 00:37:39,660
your latest updates about implants and

804
00:37:44,630 --> 00:37:42,480
um how many how many ET groups are

805
00:37:47,210 --> 00:37:44,640
involved in treaties with Earth

806
00:37:51,710 --> 00:37:47,220
governments

807
00:37:53,930 --> 00:37:51,720
uh

808
00:37:56,150 --> 00:37:53,940
different governments even third world

809
00:37:58,010 --> 00:37:56,160
countries might have connections with

810
00:38:00,250 --> 00:37:58,020
different groups

811
00:38:03,170 --> 00:38:00,260
um so I can't really answer that one

812
00:38:04,790 --> 00:38:03,180
because different countries are

813
00:38:06,109 --> 00:38:04,800

have different relationships with

814

00:38:07,550 --> 00:38:06,119

different groups and different numbers

815

00:38:12,170 --> 00:38:07,560

of groups

816

00:38:13,970 --> 00:38:12,180

but uh the collective uh planetary

817

00:38:16,490 --> 00:38:13,980

government the entertainment

818

00:38:19,609 --> 00:38:16,500

interplanetary corporate conglomerate

819

00:38:22,130 --> 00:38:19,619

isn't trade with over 900 different star

820

00:38:24,230 --> 00:38:22,140

systems yeah okay so there's an

821

00:38:26,630 --> 00:38:24,240

international corporate conglomerate and

822

00:38:27,890 --> 00:38:26,640

they're trading with 900 different alien

823

00:38:30,530 --> 00:38:27,900

species

824

00:38:32,510 --> 00:38:30,540

well that's pretty that's a that's a

825

00:38:34,430 --> 00:38:32,520

pretty big claim there Mr Good got any

826

00:38:38,450 --> 00:38:34,440

proof of that you got any evidence of

827

00:38:41,450 --> 00:38:38,460

that no trust me dude this dude is like

828

00:38:45,230 --> 00:38:41,460

somebody that smoked crack and tells

829

00:38:47,510 --> 00:38:45,240

stories I swear like and and by the way

830

00:38:49,490 --> 00:38:47,520

this is just my opinion I'm entitled to

831

00:38:50,870 --> 00:38:49,500

it I grew up in Philadelphia where

832

00:38:53,030 --> 00:38:50,880

there's a lot of people who smoke crack

833

00:38:54,770 --> 00:38:53,040

right and you know what they do they get

834

00:38:57,730 --> 00:38:54,780

all smoked up on crack and then they

835

00:39:00,829 --> 00:38:57,740

tell stories right

836

00:39:04,430 --> 00:39:00,839

this guy always reminds me of one of

837

00:39:06,470 --> 00:39:04,440

those crack smokers right and people

838

00:39:10,370 --> 00:39:06,480

have said 20 and back while smoking

839

00:39:12,650 --> 00:39:10,380

crack not just me but you know I I don't

840

00:39:15,829 --> 00:39:12,660

have any actual knowledge that he's on

841

00:39:18,849 --> 00:39:15,839

any of that so it just it seems like a

842

00:39:21,770 --> 00:39:18,859

guy getting drunk or high and telling

843

00:39:23,630 --> 00:39:21,780

Fantastical stories like those one-ups

844

00:39:25,250 --> 00:39:23,640

you know you know those people that get

845

00:39:26,810 --> 00:39:25,260

drunk or high and somebody will say

846

00:39:29,089 --> 00:39:26,820

something and they got a better story

847

00:39:31,069 --> 00:39:29,099

that's him well there's an international

848

00:39:34,010 --> 00:39:31,079

corporate conglomerate and they're

849

00:39:37,430 --> 00:39:34,020

trading with 900

850

00:39:40,450 --> 00:39:37,440

right and nobody sees this apparently

851
00:39:44,089 --> 00:39:40,460
there is

852
00:39:46,670 --> 00:39:44,099
spaceships leaving Earth every hour or

853
00:39:50,510 --> 00:39:46,680
two to be able to trade with that many

854
00:39:52,250 --> 00:39:50,520
alien species right and no amateur

855
00:39:54,349 --> 00:39:52,260
astronomer nobody sees all those

856
00:39:56,630 --> 00:39:54,359
spaceships doing the trading with the

857
00:39:59,810 --> 00:39:56,640
aliens except for Corey Goode

858
00:40:01,490 --> 00:39:59,820
or it's fake like Corey good he's still

859
00:40:03,170 --> 00:40:01,500
eating the gossip do you feel that there

860
00:40:04,849 --> 00:40:03,180
are some elements that are kind of left

861
00:40:07,490 --> 00:40:04,859
out of the loop and some governments of

862
00:40:09,290 --> 00:40:07,500
the Earth are kind of like going along

863
00:40:11,569 --> 00:40:09,300

with other governments to in certain

864

00:40:13,970 --> 00:40:11,579

treaties

865

00:40:16,790 --> 00:40:13,980

what what qualifications does Corey

866

00:40:20,089 --> 00:40:16,800

Goode have to talk about like treaties

867

00:40:22,910 --> 00:40:20,099

on Earth or governments on Earth

868

00:40:24,349 --> 00:40:22,920

he's a loser that hasn't had a job in

869

00:40:27,589 --> 00:40:24,359

eight years that have been telling Buck

870

00:40:30,290 --> 00:40:27,599

Rogers fantasy stories that we now know

871

00:40:31,250 --> 00:40:30,300

from his own mouth aren't true for eight

872

00:40:33,470 --> 00:40:31,260

years

873

00:40:36,410 --> 00:40:33,480

yeah

874

00:40:39,470 --> 00:40:36,420

each government has people in it that

875

00:40:42,290 --> 00:40:39,480

have at different levels of awareness in

876

00:40:44,870 --> 00:40:42,300

connection for sure

877

00:40:46,370 --> 00:40:44,880

I suppose the connection to the like the

878

00:40:48,109 --> 00:40:46,380

officially recognized government versus

879

00:40:49,670 --> 00:40:48,119

the secret government is kind of an

880

00:40:52,370 --> 00:40:49,680

issue in every country where people kind

881

00:40:55,010 --> 00:40:52,380

of lose control of the issue every

882

00:40:57,170 --> 00:40:55,020

because secret organizations come to a

883

00:40:58,370 --> 00:40:57,180

clan like this guy who tells science

884

00:41:01,130 --> 00:40:58,380

fiction

885

00:41:03,829 --> 00:41:01,140

fake stories on the Internet so he's got

886

00:41:07,010 --> 00:41:03,839

all kinds of Insider sources with the

887

00:41:11,150 --> 00:41:07,020

secret government sure he does

888

00:41:14,329 --> 00:41:11,160

just nonsensical garbage right countries

889

00:41:17,990 --> 00:41:14,339

or garbage at the top has corruption and

890

00:41:21,349 --> 00:41:18,000

that corruption is basically a Syndicate

891

00:41:24,470 --> 00:41:21,359

of unknown people that really run things

892

00:41:28,190 --> 00:41:24,480

and that that's just the way

893

00:41:30,050 --> 00:41:28,200

um humans apparently right massage their

894

00:41:31,069 --> 00:41:30,060

civilizations no matter where it is on

895

00:41:33,770 --> 00:41:31,079

the planet

896

00:41:35,150 --> 00:41:33,780

he's eating Wackadoo cereal

897

00:41:37,190 --> 00:41:35,160

and I believe that you already answered

898

00:41:38,750 --> 00:41:37,200

the question about the not knowing the

899

00:41:41,390 --> 00:41:38,760

percentage of humanity that's implanted

900

00:41:44,450 --> 00:41:41,400

we got to get Wackadoo cereal in our new

901
00:41:46,190 --> 00:41:44,460
merch store on Amazon thank you XXX

902
00:41:47,690 --> 00:41:46,200
we're gonna do that

903
00:41:49,910 --> 00:41:47,700
we're gonna we're gonna work on that

904
00:41:52,190 --> 00:41:49,920
we're gonna have Wackadoo cereal

905
00:41:52,210 --> 00:41:52,200
um this person also was asking

906
00:41:53,870 --> 00:41:52,220
um

907
00:41:55,849 --> 00:41:53,880
[Music]

908
00:41:58,130 --> 00:41:55,859
how many kinds of ET groups are involved

909
00:41:58,730 --> 00:41:58,140
in in the implants and

910
00:42:00,829 --> 00:41:58,740
um

911
00:42:02,450 --> 00:42:00,839
there are there different are there

912
00:42:03,650 --> 00:42:02,460
positive and negative implants or is it

913
00:42:06,950 --> 00:42:03,660

just

914

00:42:09,710 --> 00:42:06,960

different agenda creepy The Watcher yeah

915

00:42:12,290 --> 00:42:09,720

the positive groups don't use implants

916

00:42:14,750 --> 00:42:12,300

um but uh there are many different

917

00:42:16,910 --> 00:42:14,760

groups that come here it's a lot changes

918

00:42:19,329 --> 00:42:16,920

for any number the last thing some of

919

00:42:23,150 --> 00:42:19,339

them it's got a sore throat

920

00:42:25,430 --> 00:42:23,160

some of their crew members here to do a

921

00:42:27,410 --> 00:42:25,440

mission or gaining experience

922

00:42:28,490 --> 00:42:27,420

and they tag them so that they can

923

00:42:30,530 --> 00:42:28,500

follow them through life whatever

924

00:42:31,670 --> 00:42:30,540

there's a lot of reasons they tag

925

00:42:35,030 --> 00:42:31,680

animals too

926
00:42:37,069 --> 00:42:35,040
in their studies I agree Colleen yeah he

927
00:42:39,890 --> 00:42:37,079
screwed his own Rift

928
00:42:42,650 --> 00:42:39,900
we'll switch back to the Q a

929
00:42:45,950 --> 00:42:44,510
Luis asks Corey you have mentioned

930
00:42:48,290 --> 00:42:45,960
previously that just before the solar

931
00:42:49,730 --> 00:42:48,300
microphone go ahead we will have a loved

932
00:42:51,050 --> 00:42:49,740
one appearing before us and telling us

933
00:42:51,890 --> 00:42:51,060
not to worry about what's about to

934
00:42:54,290 --> 00:42:51,900
happen

935
00:42:55,849 --> 00:42:54,300
and then the event is imminent

936
00:42:57,349 --> 00:42:55,859
how many hours or days will we have

937
00:42:58,910 --> 00:42:57,359
before the solar event happens I think

938
00:43:00,710 --> 00:42:58,920

this was about the bleed through of the

939

00:43:04,010 --> 00:43:00,720

dimensions we can see the dead people

940

00:43:06,589 --> 00:43:04,020

it's as it's happening how's it I mean

941

00:43:08,150 --> 00:43:06,599

it's just right there's not a whole lot

942

00:43:10,609 --> 00:43:08,160

of time

943

00:43:13,430 --> 00:43:10,619

it's doing something to the fabric of

944

00:43:16,250 --> 00:43:13,440

reality as it's Dumb and Dumber more

945

00:43:21,050 --> 00:43:16,260

like dumber and dumber during that time

946

00:43:24,950 --> 00:43:21,060

still the veil was thin so much that

947

00:43:27,650 --> 00:43:24,960

uh you will be able to interact with and

948

00:43:29,150 --> 00:43:27,660

see family members who are acting as

949

00:43:31,510 --> 00:43:29,160

your Guardians

950

00:43:34,010 --> 00:43:31,520

and also other

951
00:43:37,609 --> 00:43:34,020
Spiritual Beings that are yeah check out

952
00:43:41,210 --> 00:43:37,619
our website Guardians you will uh the

953
00:43:43,970 --> 00:43:41,220
veil Thins and you'll be able uh people

954
00:43:46,609 --> 00:43:43,980
will see and have communications with

955
00:43:49,190 --> 00:43:46,619
family members that have passed on I was

956
00:43:51,349 --> 00:43:49,200
way far back in the chat I apologize we

957
00:43:54,170 --> 00:43:51,359
want to thank Donnie Darko for kind and

958
00:43:56,870 --> 00:43:54,180
generous two dollar uh Super Chat saying

959
00:43:58,730 --> 00:43:56,880
transformative fair use check thank you

960
00:44:02,450 --> 00:43:58,740
for your kindness generosity and support

961
00:44:04,490 --> 00:44:02,460
and for helping us to make this a uh a

962
00:44:07,010 --> 00:44:04,500
transformative work and for helping us

963
00:44:09,770 --> 00:44:07,020

to praise the cat

964

00:44:12,829 --> 00:44:09,780

Josh break the cash

965

00:44:15,410 --> 00:44:12,839

praising the cash tonight uh I hope a

966

00:44:19,309 --> 00:44:15,420

lot of people buy an avian lives matter

967

00:44:21,050 --> 00:44:19,319

shirt right why not that's a good way to

968

00:44:23,150 --> 00:44:21,060

support the show

969

00:44:24,710 --> 00:44:23,160

our cake Revival says today I saw a

970

00:44:27,170 --> 00:44:24,720

crackhead frenzied looking around the

971

00:44:28,910 --> 00:44:27,180

globe like she lost her car keys

972

00:44:32,290 --> 00:44:28,920

he isn't qualified to talk about

973

00:44:35,390 --> 00:44:32,300

anything yeah

974

00:44:36,950 --> 00:44:35,400

uh troll troll troll is here when I was

975

00:44:38,990 --> 00:44:36,960

a kid I grew up in North Philly I guess

976
00:44:42,710 --> 00:44:39,000
that explains why I like Steve's sense

977
00:44:45,950 --> 00:44:42,720
of humor yes it does right yes it does

978
00:44:48,530 --> 00:44:45,960
and and hey uh if I ever meet you in

979
00:44:50,750 --> 00:44:48,540
person I will buy you a hoagie at Wawa

980
00:44:53,870 --> 00:44:50,760
or we could go get some cheese steaks

981
00:44:59,510 --> 00:44:53,880
winner went out and we'll have a good

982
00:44:59,520 --> 00:45:03,470
when that happens that means

983
00:45:08,450 --> 00:45:06,410
if that gets reported across the planet

984
00:45:11,990 --> 00:45:08,460
on the news you know

985
00:45:14,329 --> 00:45:12,000
uh that means it's imminent like

986
00:45:15,470 --> 00:45:14,339
very imminent clown shoes again Mark

987
00:45:17,569 --> 00:45:15,480
they're on I also remember you

988
00:45:19,370 --> 00:45:17,579

mentioning it that you're waiting to see

989

00:45:20,569 --> 00:45:19,380

if the asteroid runs into the Pacific

990

00:45:21,710 --> 00:45:20,579

Ocean because that was something that

991

00:45:22,910 --> 00:45:21,720

you were shown by the antar were you

992

00:45:25,190 --> 00:45:22,920

shown that by anyone else besides that

993

00:45:27,410 --> 00:45:25,200

he was shown by his imaginary friends

994

00:45:29,690 --> 00:45:27,420

that he meets when he meditates this

995

00:45:32,510 --> 00:45:29,700

stuff he just said it he was shown by

996

00:45:34,550 --> 00:45:32,520

the anchovies I mean the anchar those

997

00:45:38,050 --> 00:45:34,560

you know those Imaginary Friends Corey's

998

00:45:40,609 --> 00:45:38,060

imaginary friends told him this [h__h]

999

00:45:42,950 --> 00:45:40,619

Mike wazkowski is sitting here with

1000

00:45:45,710 --> 00:45:42,960

straight face going well yeah Corey your

1001
00:45:47,390 --> 00:45:45,720
imaginary friends the anchovies told you

1002
00:45:49,730 --> 00:45:47,400
this stuff right

1003
00:45:52,069 --> 00:45:49,740
so let's clarify what your imaginary

1004
00:45:54,770 --> 00:45:52,079
friends told you the answer and yeah

1005
00:45:58,010 --> 00:45:54,780
this guy sucks he's a bad he's a

1006
00:45:59,450 --> 00:45:58,020
terrible replacement for David Wilcox uh

1007
00:46:01,970 --> 00:45:59,460
no I was shown it

1008
00:46:03,290 --> 00:46:01,980
um a meteor exploding over the Pacific

1009
00:46:05,690 --> 00:46:03,300
Ocean

1010
00:46:07,670 --> 00:46:05,700
like become an air burst or something

1011
00:46:10,670 --> 00:46:07,680
like that it explodes in the air that's

1012
00:46:11,650 --> 00:46:10,680
a Shockwave unknown tsunami

1013
00:46:13,730 --> 00:46:11,660

or

1014

00:46:15,650 --> 00:46:13,740

tsunami alerts I don't know if they're

1015

00:46:17,809 --> 00:46:15,660

actually real tsunamis but that's what I

1016

00:46:20,750 --> 00:46:17,819

was shown I was showing it kind of in a

1017

00:46:22,250 --> 00:46:20,760

news like out there showing me a news

1018

00:46:26,109 --> 00:46:22,260

and that seemed like it was relatively

1019

00:46:32,930 --> 00:46:29,650

yeah there's gonna be a giant meteor

1020

00:46:35,170 --> 00:46:32,940

meteor exploding over the ocean right

1021

00:46:39,770 --> 00:46:35,180

before the solar flash destroys Earth

1022

00:46:42,829 --> 00:46:39,780

sure sure and no astronomer sees that

1023

00:46:45,470 --> 00:46:42,839

[h__h] coming no astrophysicist no

1024

00:46:48,710 --> 00:46:45,480

scientist on Earth no amateur astronomer

1025

00:46:51,890 --> 00:46:48,720

sees this [h__h] coming just Corey good in

1026
00:46:53,870 --> 00:46:51,900
his Imaginary Friends great DJ D's with

1027
00:46:56,510 --> 00:46:53,880
a Kind and Generous five dollars says I

1028
00:46:59,150 --> 00:46:56,520
am raw donated to the one known as

1029
00:47:00,829 --> 00:46:59,160
Stephen Camden cambium will result in

1030
00:47:04,910 --> 00:47:00,839
eternal life praise the cash but that's

1031
00:47:06,650 --> 00:47:04,920
right djds even Egyptian gods like Rah

1032
00:47:10,609 --> 00:47:06,660
love to send us money and praise the

1033
00:47:12,829 --> 00:47:10,619
cash with us praise the cash raw and djb

1034
00:47:14,610 --> 00:47:12,839
ha ha

1035
00:47:20,690 --> 00:47:14,620
did you guys again

1036
00:47:23,450 --> 00:47:20,700
[Music]

1037
00:47:26,870 --> 00:47:23,460
thank you djds longtime show supporter

1038
00:47:28,670 --> 00:47:26,880

and uh thank you for being a member as

1039

00:47:31,910 --> 00:47:28,680

well so you've got that nice member

1040

00:47:34,309 --> 00:47:31,920

badge there spiffy

1041

00:47:37,069 --> 00:47:34,319

Florent asks since there are many

1042

00:47:38,630 --> 00:47:37,079

competing ET groups here on Earth who

1043

00:47:40,730 --> 00:47:38,640

who do not have the same agenda do you

1044

00:47:42,230 --> 00:47:40,740

think that the reptilians were planning

1045

00:47:45,109 --> 00:47:42,240

at some point

1046

00:47:46,910 --> 00:47:45,119

um before the area was put up were they

1047

00:47:49,130 --> 00:47:46,920

planning to move Humanity to another

1048

00:47:51,530 --> 00:47:49,140

solar system to keep them under their

1049

00:47:54,370 --> 00:47:51,540

control before the solar event to bypass

1050

00:47:57,290 --> 00:47:54,380

the effects of the silver event

1051

00:48:00,050 --> 00:47:57,300

this is so stupid so somebody asks a

1052

00:48:03,530 --> 00:48:00,060

question and just States as facts that

1053

00:48:05,750 --> 00:48:03,540

there are many ET groups living on Earth

1054

00:48:08,870 --> 00:48:05,760

okay okay

1055

00:48:10,849 --> 00:48:08,880

right and is he going to like refute

1056

00:48:12,770 --> 00:48:10,859

those claims or is he just going to

1057

00:48:14,329 --> 00:48:12,780

agree with them and answer this stupid

1058

00:48:15,109 --> 00:48:14,339

question I know what I think he's going

1059

00:48:17,569 --> 00:48:15,119

to do

1060

00:48:20,089 --> 00:48:17,579

no they don't have anywhere else to go

1061

00:48:21,470 --> 00:48:20,099

they've been run out of every other star

1062

00:48:24,790 --> 00:48:21,480

system pretty much

1063

00:48:32,569 --> 00:48:27,589

our solar system is one of them so

1064

00:48:36,170 --> 00:48:35,030

so were they planning on were they

1065

00:48:38,809 --> 00:48:36,180

always planning on leaving before the

1066

00:48:39,950 --> 00:48:38,819

shoulder event happens

1067

00:48:41,390 --> 00:48:39,960

yes

1068

00:48:42,890 --> 00:48:41,400

they were planning some of the groups

1069

00:48:44,569 --> 00:48:42,900

were planning on leaving before the

1070

00:48:46,790 --> 00:48:44,579

solar event happens

1071

00:48:49,190 --> 00:48:46,800

and some of them have this grand plan to

1072

00:48:50,870 --> 00:48:49,200

once again maneuver the moon I know he

1073

00:48:52,569 --> 00:48:50,880

really does it's insane Eclipse

1074

00:48:55,010 --> 00:48:52,579

positions

1075

00:48:57,550 --> 00:48:55,020

that the objective would hit us guys

1076

00:49:01,730 --> 00:48:57,560

dumb as rocks what can he do

1077

00:49:05,210 --> 00:49:01,740

he's dumb to plan it and it's much of

1078

00:49:10,329 --> 00:49:05,220

the technology from their AI

1079

00:49:15,770 --> 00:49:13,910

so uh the the reptilian aliens are going

1080

00:49:17,690 --> 00:49:15,780

to leave Earth before the solar event

1081

00:49:20,990 --> 00:49:17,700

flashed and they're not going to help

1082

00:49:23,870 --> 00:49:21,000

relocate us humans to another star

1083

00:49:25,550 --> 00:49:23,880

system because they're the bad guys yeah

1084

00:49:28,490 --> 00:49:25,560

they're the bad guys I don't know if you

1085

00:49:31,130 --> 00:49:28,500

know it but in Corey Good's Universe the

1086

00:49:34,010 --> 00:49:31,140

reptilians are the bad guys you gotta

1087

00:49:35,450 --> 00:49:34,020

have some bad guys Donnie Darko with a

1088

00:49:39,050 --> 00:49:35,460

kind of generous two dollars says

1089

00:49:41,329 --> 00:49:39,060

replacement beta laugh out loud yes I

1090

00:49:43,190 --> 00:49:41,339

agree with you I agree with you and

1091

00:49:44,990 --> 00:49:43,200

thanks for helping us to praise the cash

1092

00:49:47,020 --> 00:49:45,000

you guys were making it rain up in here

1093

00:49:51,530 --> 00:49:47,030

tonight thank you Donnie Darko

1094

00:49:55,970 --> 00:49:53,150

it's like a cat

1095

00:49:58,670 --> 00:49:55,980

's machine it's wonderful thank you

1096

00:49:59,990 --> 00:49:58,680

Donnie Darko and thanks for being a long

1097

00:50:01,670 --> 00:50:00,000

time show supporter much much

1098

00:50:04,490 --> 00:50:01,680

appreciated

1099

00:50:08,089 --> 00:50:04,500

what's the latest with his lies uh I

1100

00:50:09,650 --> 00:50:08,099

mean IP well uh the last I heard in the

1101
00:50:13,609 --> 00:50:09,660
lawsuits they're waiting for a bunch of

1102
00:50:15,050 --> 00:50:13,619
motions to dismiss and uh he wanted the

1103
00:50:18,050 --> 00:50:15,060
judge to like

1104
00:50:20,690 --> 00:50:18,060
fine or sanctioned his former business

1105
00:50:22,849 --> 00:50:20,700
partners for releasing he claims they

1106
00:50:25,550 --> 00:50:22,859
released the deposition I can neither

1107
00:50:28,130 --> 00:50:25,560
confirm or deny where I got it from but

1108
00:50:32,210 --> 00:50:28,140
I can tell you this he sent us legal

1109
00:50:34,550 --> 00:50:32,220
threat letters uh essentially

1110
00:50:37,309 --> 00:50:34,560
you know ordering us to preserve all

1111
00:50:40,190 --> 00:50:37,319
electronic communications and files and

1112
00:50:43,130 --> 00:50:40,200
digital this and he wanted to intimidate

1113
00:50:44,930 --> 00:50:43,140

us and then I think that he had planned

1114

00:50:47,329 --> 00:50:44,940

and this is just my opinion based on the

1115

00:50:51,230 --> 00:50:47,339

legal threat letter we received he was

1116

00:50:55,069 --> 00:50:51,240

planning to subpoena my computer records

1117

00:50:58,309 --> 00:50:55,079

um in order to find out who gave us who

1118

00:51:01,430 --> 00:50:58,319

my source was for those depositions that

1119

00:51:02,870 --> 00:51:01,440

we released and uh luckily I live in the

1120

00:51:05,089 --> 00:51:02,880

state of Pennsylvania there's a very

1121

00:51:06,650 --> 00:51:05,099

strong journalist Shield law I don't

1122

00:51:09,410 --> 00:51:06,660

have to give him [h__h] even under

1123

00:51:12,950 --> 00:51:09,420

subpoena or a judge or law enforcement

1124

00:51:16,970 --> 00:51:12,960

no no all my files here

1125

00:51:18,650 --> 00:51:16,980

by the way he he should know better he's

1126
00:51:22,010 --> 00:51:18,660
supposed to be a computer guy himself

1127
00:51:26,329 --> 00:51:22,020
but he was like a low-level I.T clown

1128
00:51:27,710 --> 00:51:26,339
right I I was a computer scientist well

1129
00:51:30,410 --> 00:51:27,720
that's a stretch too because I never

1130
00:51:33,230 --> 00:51:30,420
finished my degree but you know

1131
00:51:35,329 --> 00:51:33,240
um it's enough to say that I will put my

1132
00:51:37,309 --> 00:51:35,339
computer skills against this idiot any

1133
00:51:39,730 --> 00:51:37,319
day and

1134
00:51:44,630 --> 00:51:39,740
I have multiple safeguards in place

1135
00:51:47,690 --> 00:51:44,640
including uh some very drastic measures

1136
00:51:51,829 --> 00:51:47,700
um no one will ever get my computer

1137
00:51:55,549 --> 00:51:51,839
files digital files nothing no one will

1138
00:51:59,690 --> 00:51:55,559

ever get a scrap they will not get one

1139

00:52:03,109 --> 00:51:59,700

kilobyte or byte of Digital Data from my

1140

00:52:05,150 --> 00:52:03,119

network ever ever never it will never

1141

00:52:06,650 --> 00:52:05,160

ever happen

1142

00:52:07,910 --> 00:52:06,660

um but luckily in the state of

1143

00:52:10,309 --> 00:52:07,920

Pennsylvania there's a very strong

1144

00:52:12,950 --> 00:52:10,319

journalist Shield law which basically

1145

00:52:14,990 --> 00:52:12,960

entitles me to completely refuse to

1146

00:52:17,450 --> 00:52:15,000

comply even with the subpoena if

1147

00:52:19,490 --> 00:52:17,460

somebody is trying to force me to

1148

00:52:23,329 --> 00:52:19,500

release a source

1149

00:52:24,430 --> 00:52:23,339

to you know burn a source I gave the

1150

00:52:27,890 --> 00:52:24,440

source

1151

00:52:31,490 --> 00:52:27,900

who gave us that data and I give

1152

00:52:34,790 --> 00:52:31,500

the sources who give me any data my word

1153

00:52:37,069 --> 00:52:34,800

that I will never reveal you if that's

1154

00:52:38,450 --> 00:52:37,079

your wish and if certainly that was that

1155

00:52:40,970 --> 00:52:38,460

was that

1156

00:52:43,670 --> 00:52:40,980

person's wish to remain anonymous that

1157

00:52:45,230 --> 00:52:43,680

leaked us those depositions I'm not

1158

00:52:47,870 --> 00:52:45,240

going to release that even under threat

1159

00:52:50,210 --> 00:52:47,880

of subpoena and I will literally I feel

1160

00:52:52,670 --> 00:52:50,220

so strongly about a journalist's right

1161

00:52:54,049 --> 00:52:52,680

to protect their sources that I would be

1162

00:52:56,390 --> 00:52:54,059

one of those journalists that you'd see

1163

00:52:59,150 --> 00:52:56,400

a news story about that went to jail I

1164

00:53:02,390 --> 00:52:59,160

will go to jail I will never ever betray

1165

00:53:07,430 --> 00:53:02,400

a source ever never and no one will ever

1166

00:53:09,890 --> 00:53:07,440

get a one byte of data from you know my

1167

00:53:11,270 --> 00:53:09,900

electronic Network that's my data that's

1168

00:53:13,849 --> 00:53:11,280

my network

1169

00:53:17,270 --> 00:53:13,859

and uh and we have safeguards in place

1170

00:53:19,730 --> 00:53:17,280

should someone really try to force me to

1171

00:53:22,130 --> 00:53:19,740

they won't get anything they'll get a

1172

00:53:23,630 --> 00:53:22,140

hard drive full of they'll get a bunch

1173

00:53:27,109 --> 00:53:23,640

of blank hard drives that's what they'll

1174

00:53:29,930 --> 00:53:27,119

get a bunch of uh bleached fitted five

1175

00:53:31,970 --> 00:53:29,940

times uh formatted and then bleach bit

1176

00:53:33,710 --> 00:53:31,980

it again hard drives with nothing on

1177

00:53:34,970 --> 00:53:33,720

them that's what they'll get they they

1178

00:53:38,510 --> 00:53:34,980

want to

1179

00:53:41,870 --> 00:53:38,520

actually use that event that

1180

00:53:46,010 --> 00:53:41,880

um causes earth to lose all electricity

1181

00:53:47,930 --> 00:53:46,020

and most of the objectives protected uh

1182

00:53:49,910 --> 00:53:47,940

that the moon protects the Earth for

1183

00:53:51,650 --> 00:53:49,920

most of the ejecta and they are like our

1184

00:53:54,589 --> 00:53:51,660

heroes now and they come down and like

1185

00:53:57,349 --> 00:53:54,599

you know we moved heaven and Heaven

1186

00:53:58,750 --> 00:53:57,359

don't say that myself so I can't comment

1187

00:54:02,870 --> 00:53:58,760

on that um

1188

00:54:04,510 --> 00:54:02,880

bring us onto a timeline uh that is

1189

00:54:08,630 --> 00:54:04,520

still a possible timeline

1190

00:54:11,690 --> 00:54:08,640

it's uh you know it's still you know a

1191

00:54:14,030 --> 00:54:11,700

possible timeline but uh that that was

1192

00:54:16,490 --> 00:54:14,040

one of their I know these people that

1193

00:54:17,930 --> 00:54:16,500

fall for them they're pushing for it

1194

00:54:20,809 --> 00:54:17,940

they've that's why they took over the

1195

00:54:24,950 --> 00:54:20,819

moon recently they've nearly completed

1196

00:54:27,410 --> 00:54:24,960

all of the repairs to uh turn on the

1197

00:54:29,990 --> 00:54:27,420

tractor Drive in the moon and have the

1198

00:54:32,150 --> 00:54:30,000

moon to where they can pilot it into the

1199

00:54:34,130 --> 00:54:32,160

right position at the right time oh the

1200

00:54:35,630 --> 00:54:34,140

reptilian aliens took over the moon this

1201
00:54:38,510 --> 00:54:35,640
brings up another big new issue here

1202
00:54:40,670 --> 00:54:38,520
about like the cosmic laws so if if

1203
00:54:43,370 --> 00:54:40,680
these groups are trying to do this to

1204
00:54:45,349 --> 00:54:43,380
the moon are there positive groups still

1205
00:54:47,329 --> 00:54:45,359
on the moon ET groups that would want to

1206
00:54:49,370 --> 00:54:47,339
stop them or do they have no right to do

1207
00:54:51,770 --> 00:54:49,380
that that's my superpower there are

1208
00:54:54,470 --> 00:54:51,780
positive groups on the moon that have

1209
00:54:56,030 --> 00:54:54,480
little diplomatics 100 of you gotta hit

1210
00:54:57,290 --> 00:54:56,040
that like button and really help us

1211
00:55:03,970 --> 00:54:57,300
there's not a whole lot they can do

1212
00:55:03,980 --> 00:55:11,870
it's just like a diplomatic group

1213
00:55:16,849 --> 00:55:15,650

so there are not like our mottos Club I

1214

00:55:19,309 --> 00:55:16,859

don't know he was wearing it in the

1215

00:55:21,950 --> 00:55:19,319

deposition but we haven't seen it since

1216

00:55:24,710 --> 00:55:21,960

so I really don't know what has happened

1217

00:55:26,390 --> 00:55:24,720

with that but thank you Donnie Darko 727

1218

00:55:32,600 --> 00:55:26,400

for your kindness generosity and support

1219

00:55:41,030 --> 00:55:36,910

[Music]

1220

00:55:44,450 --> 00:55:41,040

praise to cash

1221

00:55:46,849 --> 00:55:44,460

[Music]

1222

00:55:48,349 --> 00:55:46,859

praise the cash Donnie Darko thank you

1223

00:55:49,910 --> 00:55:48,359

for your kindness generosity and

1224

00:55:52,309 --> 00:55:49,920

continued support long time show

1225

00:55:54,770 --> 00:55:52,319

supporter

1226
00:55:56,569 --> 00:55:54,780
positive group oh maybe this was he

1227
00:55:58,730 --> 00:55:56,579
calls it a q a live stream so I

1228
00:56:00,589 --> 00:55:58,740
apologize for my previous comments but

1229
00:56:03,410 --> 00:56:00,599
listen if you're having a live stream

1230
00:56:04,849 --> 00:56:03,420
and you've got this big throat loss

1231
00:56:07,730 --> 00:56:04,859
engine you know

1232
00:56:09,650 --> 00:56:07,740
uh uh turn off your camera throw the

1233
00:56:13,069 --> 00:56:09,660
license in the trash and answer the

1234
00:56:16,549 --> 00:56:13,079
questions don't sit there like

1235
00:56:20,450 --> 00:56:16,559
for 15 minutes that are at war with the

1236
00:56:24,829 --> 00:56:22,490
the negative groups are positioned in

1237
00:56:26,870 --> 00:56:24,839
different yeah there's aliens at War

1238
00:56:28,790 --> 00:56:26,880

within our solar system I don't know if

1239

00:56:31,730 --> 00:56:28,800

you knew this but aliens are at War

1240

00:56:33,770 --> 00:56:31,740

inside our solar system and nobody can

1241

00:56:36,309 --> 00:56:33,780

see them except for Corey good

1242

00:56:40,190 --> 00:56:36,319

right no no

1243

00:56:42,530 --> 00:56:40,200

astrobiologists no astronomer nobody at

1244

00:56:45,109 --> 00:56:42,540

Nasa nobody sees all these space alien

1245

00:56:48,430 --> 00:56:45,119

battles just Corey good because it's

1246

00:56:51,170 --> 00:56:48,440

ridiculous nonsense strategic areas

1247

00:56:53,829 --> 00:56:51,180

waiting for that battle to come oh

1248

00:56:56,930 --> 00:56:53,839

they're waiting for the battle right now

1249

00:57:01,250 --> 00:56:56,940

no this is a safe haven this guy is such

1250

00:57:04,670 --> 00:57:01,260

a dork this Orion group and uh they're

1251
00:57:06,530 --> 00:57:04,680
here and uh we're still in a very

1252
00:57:12,130 --> 00:57:06,540
perilous position

1253
00:57:16,130 --> 00:57:12,140
until you know not only the uh that

1254
00:57:19,190 --> 00:57:16,140
Liberation forces come along with the

1255
00:57:22,849 --> 00:57:19,200
secret SSP Alliance you know their

1256
00:57:25,069 --> 00:57:22,859
models come into thank you JC

1257
00:57:27,470 --> 00:57:25,079
yeah where is that toe-to-toe with the

1258
00:57:30,349 --> 00:57:27,480
Orion groups forces uh that's going to

1259
00:57:31,910 --> 00:57:30,359
happen in the future but right now we're

1260
00:57:35,030 --> 00:57:31,920
just supposed to be focusing here on the

1261
00:57:36,109 --> 00:57:35,040
planet and trying to win freedom on the

1262
00:57:37,970 --> 00:57:36,119
surface

1263
00:57:39,710 --> 00:57:37,980

you know that's up to us one piece of

1264

00:57:42,530 --> 00:57:39,720

evidence most people would rather sit

1265

00:57:44,870 --> 00:57:42,540

back escape from the battle here on this

1266

00:57:48,010 --> 00:57:44,880

planet and think about battles you know

1267

00:57:51,650 --> 00:57:48,020

between these Angelic and demons

1268

00:57:55,270 --> 00:57:51,660

occurring over our future I got all this

1269

00:58:01,190 --> 00:57:58,510

too much and come back down to earth

1270

00:58:03,349 --> 00:58:01,200

you know if we want a positive timeline

1271

00:58:06,349 --> 00:58:03,359

we're going to have to contribute not

1272

00:58:09,290 --> 00:58:06,359

just you know you know be keyboard

1273

00:58:11,750 --> 00:58:09,300

jockeys and you know listen to cool

1274

00:58:14,089 --> 00:58:11,760

stories on the internet

1275

00:58:15,829 --> 00:58:14,099

so there are many positive groups that

1276

00:58:17,990 --> 00:58:15,839

come here and operate in various ways

1277

00:58:19,250 --> 00:58:18,000

like the Mayans do you feel like this is

1278

00:58:20,990 --> 00:58:19,260

just like

1279

00:58:23,030 --> 00:58:21,000

they're coming here for special missions

1280

00:58:24,950 --> 00:58:23,040

and that's that's why there's they're so

1281

00:58:28,010 --> 00:58:24,960

outnumbered

1282

00:58:30,650 --> 00:58:28,020

well yeah this planet is basically owned

1283

00:58:33,230 --> 00:58:30,660

by the Orion group they have this is

1284

00:58:34,910 --> 00:58:33,240

what is so stupid to me this guy is

1285

00:58:37,309 --> 00:58:34,920

saying that there's some kind of you

1286

00:58:40,730 --> 00:58:37,319

know space battle going on

1287

00:58:42,410 --> 00:58:40,740

you know and at least for me you know I

1288

00:58:44,930 --> 00:58:42,420

want to hear evidence that there's

1289

00:58:47,329 --> 00:58:44,940

actually a space battle before I want to

1290

00:58:49,849 --> 00:58:47,339

hear all about the politics of the space

1291

00:58:52,910 --> 00:58:49,859

battle and details of the space battle

1292

00:58:55,250 --> 00:58:52,920

and you know who's winning this week and

1293

00:58:58,130 --> 00:58:55,260

it's like show us that there's actually

1294

00:59:00,289 --> 00:58:58,140

a space battle before you waste

1295

00:59:03,829 --> 00:59:00,299

everybody's time with your nonsensical

1296

00:59:09,430 --> 00:59:03,839

stories this is such garbage this might

1297

00:59:12,710 --> 00:59:11,329

reptilians alone

1298

00:59:15,230 --> 00:59:12,720

you know

1299

00:59:18,950 --> 00:59:15,240

yeah there's millions of reptilian

1300

00:59:20,870 --> 00:59:18,960

aliens in our our star system but nobody

1301

00:59:23,089 --> 00:59:20,880

can see them but Corey good

1302

00:59:25,730 --> 00:59:23,099

come on dude at least come up with some

1303

00:59:28,670 --> 00:59:25,740

cloaking technology or some something to

1304

00:59:31,190 --> 00:59:28,680

explain away these obvious plot holes

1305

00:59:32,930 --> 00:59:31,200

this guy is like

1306

00:59:35,690 --> 00:59:32,940

you ever know that there's like did you

1307

00:59:37,609 --> 00:59:35,700

know that for every Star Trek episode

1308

00:59:40,430 --> 00:59:37,619

that you s that you have seen on

1309

00:59:44,690 --> 00:59:40,440

television there's a hundred that were

1310

00:59:47,750 --> 00:59:44,700

sent in by writers and rejected

1311

00:59:50,329 --> 00:59:47,760

right Corey good is like one of those

1312

00:59:54,109 --> 00:59:50,339

dudes that just his stories were too

1313

00:59:56,690 --> 00:59:54,119

stupid nonsensical and garbage to get on

1314

00:59:59,569 --> 00:59:56,700

a real television show so he just made

1315

01:00:01,730 --> 00:59:59,579

up his own and he made himself the hero

1316

01:00:04,670 --> 01:00:01,740

of it you know he's Earth Galactic

1317

01:00:07,190 --> 01:00:04,680

ambassador he's talking to the anchovy

1318

01:00:09,530 --> 01:00:07,200

and the triangle head aliens and there's

1319

01:00:11,270 --> 01:00:09,540

a million reptilian aliens out there in

1320

01:00:15,230 --> 01:00:11,280

the solar system but nobody could see

1321

01:00:17,569 --> 01:00:15,240

him and God damn it Neil deGrasse Tyson

1322

01:00:19,370 --> 01:00:17,579

and Michio kako and all his goddamn

1323

01:00:22,190 --> 01:00:19,380

scientists on Earth are lying to us

1324

01:00:24,530 --> 01:00:22,200

about the millions do you know how many

1325

01:00:27,770 --> 01:00:24,540

spaceships it would take to hold a

1326

01:00:30,349 --> 01:00:27,780

million anything let alone 10 foot tall

1327

01:00:31,670 --> 01:00:30,359

Draco reptilian aliens as he's described

1328

01:00:34,309 --> 01:00:31,680

them in the past do you know how many

1329

01:00:36,890 --> 01:00:34,319

spaceships there would have to be in our

1330

01:00:39,710 --> 01:00:36,900

solar system to house a million people

1331

01:00:42,950 --> 01:00:39,720

has he done the math on this stupidity

1332

01:00:46,370 --> 01:00:42,960

yet like do at least do third grade math

1333

01:00:48,829 --> 01:00:46,380

you idiot do third grade math

1334

01:00:51,410 --> 01:00:48,839

Underground on this planet they on all

1335

01:00:54,170 --> 01:00:51,420

of the major bodies they have bases yeah

1336

01:00:56,990 --> 01:00:54,180

there's millions of reptilian aliens and

1337

01:00:59,569 --> 01:00:57,000

they have bases all over the solar

1338

01:01:02,450 --> 01:00:59,579

system but nobody can see them nobody

1339

01:01:04,250 --> 01:01:02,460

could see so

1340

01:01:06,250 --> 01:01:04,260

yeah these groups are coming in they're

1341

01:01:09,370 --> 01:01:06,260

just coming in with very small

1342

01:01:15,049 --> 01:01:13,130

written by a six-year-old

1343

01:01:17,990 --> 01:01:15,059

and do the Guardians have a different

1344

01:01:19,970 --> 01:01:18,000

kind of relationship to

1345

01:01:21,650 --> 01:01:19,980

to the to the planet like the putting up

1346

01:01:23,750 --> 01:01:21,660

the barriers around the planet that's

1347

01:01:25,069 --> 01:01:23,760

happening talks about that happening

1348

01:01:26,809 --> 01:01:25,079

through

1349

01:01:28,970 --> 01:01:26,819

um some higher dimensional process with

1350

01:01:30,890 --> 01:01:28,980

the beings who are beyond the fifth

1351
01:01:35,270 --> 01:01:30,900
density I agree yeah but they're dealing

1352
01:01:37,250 --> 01:01:35,280
with higher density things that we we

1353
01:01:40,309 --> 01:01:37,260
can like try to speculate and talk about

1354
01:01:41,510 --> 01:01:40,319
but we don't it's the darksability to

1355
01:01:44,870 --> 01:01:41,520
understand

1356
01:01:46,549 --> 01:01:44,880
uh so I mean it's nice to know that

1357
01:01:49,910 --> 01:01:46,559
they're like these Angelic realm things

1358
01:01:52,190 --> 01:01:49,920
going on uh between good and evil but

1359
01:01:54,589 --> 01:01:52,200
it's fifth density down that we really

1360
01:01:57,109 --> 01:01:54,599
need to care about that's otherwise it's

1361
01:02:00,250 --> 01:01:57,119
just almost religious hyperbole to talk

1362
01:02:02,809 --> 01:02:00,260
about what these it's the plot

1363
01:02:05,510 --> 01:02:02,819

because we're just going to put human

1364

01:02:08,089 --> 01:02:05,520

terms and ideas to stuff that and it's

1365

01:02:09,770 --> 01:02:08,099

not going to be accurate I see it

1366

01:02:12,190 --> 01:02:09,780

probably won't make a lot of sense if we

1367

01:02:14,630 --> 01:02:12,200

sing war in these guys

1368

01:02:16,490 --> 01:02:14,640

Angels intervening I suppose

1369

01:02:19,190 --> 01:02:16,500

because we've always been at War on this

1370

01:02:20,569 --> 01:02:19,200

planet and so you've talked about like

1371

01:02:24,829 --> 01:02:20,579

the

1372

01:02:25,430 --> 01:02:24,839

you've talked about

1373

01:02:27,650 --> 01:02:25,440

um

1374

01:02:28,849 --> 01:02:27,660

ships in the past being at War where the

1375

01:02:30,650 --> 01:02:28,859

Skies of Antarctica or something like

1376

01:02:31,370 --> 01:02:30,660

that

1377

01:02:35,450 --> 01:02:31,380

um

1378

01:02:40,730 --> 01:02:35,460

the no the ICC and uh millions are

1379

01:02:43,250 --> 01:02:40,740

allies the ICC are uh very

1380

01:02:47,870 --> 01:02:43,260

strong allies with the Orion group the

1381

01:02:50,410 --> 01:02:47,880

Orion group have advisors it's always so

1382

01:02:53,690 --> 01:02:50,420

nice to hear all the detailed political

1383

01:02:58,130 --> 01:02:53,700

you know who's allied with who and whose

1384

01:03:00,530 --> 01:02:58,140

enemies and who's got treaties among all

1385

01:03:04,370 --> 01:03:00,540

of Corey Goode's imaginary friends right

1386

01:03:06,470 --> 01:03:04,380

who cares who's allied with who you

1387

01:03:09,349 --> 01:03:06,480

don't have proof that any of this [h__h]

1388

01:03:14,410 --> 01:03:09,359

is real who cares who's an ally who

1389

01:03:18,770 --> 01:03:17,210

and all the other ET groups know it they

1390

01:03:20,510 --> 01:03:18,780

know that you know when they come here

1391

01:03:23,770 --> 01:03:20,520

they're coming to like an extension of

1392

01:03:26,329 --> 01:03:23,780

the uh Orion uh Empire

1393

01:03:29,329 --> 01:03:26,339

and they come here they act as if

1394

01:03:32,569 --> 01:03:29,339

they're in any other part of the Galaxy

1395

01:03:34,370 --> 01:03:32,579

that is Orion Empire that you go in

1396

01:03:35,510 --> 01:03:34,380

there you behave a certain way you do

1397

01:03:37,430 --> 01:03:35,520

certain you know you have a certain

1398

01:03:38,890 --> 01:03:37,440

protocol Randy knows so much about

1399

01:03:41,690 --> 01:03:38,900

politics

1400

01:03:47,210 --> 01:03:41,700

planetary system is considered part of

1401

01:03:52,309 --> 01:03:49,670

oh the Empire's collapsing now

1402

01:03:53,569 --> 01:03:52,319

that's so um this is kind of a separate

1403

01:03:54,109 --> 01:03:53,579

question now

1404

01:03:56,569 --> 01:03:54,119

um

1405

01:03:57,530 --> 01:03:56,579

when a soul dies in the middle of a

1406

01:03:59,569 --> 01:03:57,540

cycle

1407

01:04:01,849 --> 01:03:59,579

um can that Soul go on to reincarnate on

1408

01:04:03,650 --> 01:04:01,859

another planet any any time if they want

1409

01:04:06,710 --> 01:04:03,660

to do that

1410

01:04:09,289 --> 01:04:06,720

um and this is a question related to um

1411

01:04:10,910 --> 01:04:09,299

negative ETS having a technology now how

1412

01:04:14,630 --> 01:04:10,920

how would he know

1413

01:04:16,849 --> 01:04:14,640

what Souls can do once they die right

1414

01:04:19,069 --> 01:04:16,859

like it's like

1415

01:04:22,069 --> 01:04:19,079

Corey good is omnipotent all of a sudden

1416

01:04:25,130 --> 01:04:22,079

he has god-like understanding of

1417

01:04:26,870 --> 01:04:25,140

everything in the universe somehow

1418

01:04:29,150 --> 01:04:26,880

you know you know

1419

01:04:32,870 --> 01:04:29,160

like let's talk about that for a minute

1420

01:04:35,809 --> 01:04:32,880

this guy is asked is being asked can you

1421

01:04:38,870 --> 01:04:35,819

reincarnated on any Planet you want once

1422

01:04:40,789 --> 01:04:38,880

you die like how would he even know that

1423

01:04:44,270 --> 01:04:40,799

unless he was God

1424

01:04:45,890 --> 01:04:44,280

right or some kind of omnipotent being

1425

01:04:50,210 --> 01:04:45,900

it's

1426

01:04:53,150 --> 01:04:50,220

much belief in this guy's

1427

01:04:56,289 --> 01:04:53,160

fake nonsense technology that is causing

1428

01:04:59,990 --> 01:04:56,299

us to stay reincarnated on this planet

1429

01:05:02,210 --> 01:05:00,000

well it's not just a technology causing

1430

01:05:05,809 --> 01:05:02,220

us to be stuck in a reincarnation loop

1431

01:05:08,630 --> 01:05:05,819

it's the planet itself the extreme

1432

01:05:09,890 --> 01:05:08,640

magnetic field of the planet uh the

1433

01:05:12,170 --> 01:05:09,900

gravitational field of the planet

1434

01:05:14,329 --> 01:05:12,180

creates this

1435

01:05:17,809 --> 01:05:14,339

environment for souls to have

1436

01:05:19,549 --> 01:05:17,819

experiences and they don't just leave

1437

01:05:21,230 --> 01:05:19,559

and Float out into space and hope they

1438

01:05:23,930 --> 01:05:21,240

find another planet like a sperm looking

1439

01:05:26,390 --> 01:05:23,940

for an egg that's just not how it works

1440

01:05:28,609 --> 01:05:26,400

it's everything works on principles kind

1441

01:05:31,069 --> 01:05:28,619

of like electricity you know if

1442

01:05:31,970 --> 01:05:31,079

everything flows and and occurs in that

1443

01:05:34,130 --> 01:05:31,980

way

1444

01:05:36,349 --> 01:05:34,140

yeah and that certainly corresponds to

1445

01:05:38,870 --> 01:05:36,359

what the loved one books say about oh

1446

01:05:42,109 --> 01:05:38,880

yeah the way now Mike's using a wackadoo

1447

01:05:43,970 --> 01:05:42,119

super duper maneuver oh yeah what you

1448

01:05:45,890 --> 01:05:43,980

just said is also kind of in the law of

1449

01:05:49,069 --> 01:05:45,900

one books which are channeled works of

1450

01:05:51,470 --> 01:05:49,079

wackadus so this this information really

1451
01:05:53,270 --> 01:05:51,480
resonates with me because I found two

1452
01:05:56,870 --> 01:05:53,280
different wackadus who said the same

1453
01:05:59,089 --> 01:05:56,880
thing Corey this must be true well are a

1454
01:06:01,849 --> 01:05:59,099
strong connection to the the energy of

1455
01:06:04,190 --> 01:06:01,859
the the group Consciousness the

1456
01:06:06,049 --> 01:06:04,200
planetary Consciousness like what we're

1457
01:06:07,670 --> 01:06:06,059
anchored to and that's basically our

1458
01:06:09,349 --> 01:06:07,680
individual Consciousness is like a level

1459
01:06:11,150 --> 01:06:09,359
on top of that that's correct so right

1460
01:06:12,650 --> 01:06:11,160
we have to kind of process that that

1461
01:06:14,870 --> 01:06:12,660
planetary

1462
01:06:17,510 --> 01:06:14,880
um social media and Mike always chimes

1463
01:06:19,730 --> 01:06:17,520

in with law of one garbage I wonder how

1464

01:06:22,010 --> 01:06:19,740

he feels about the fact that under oath

1465

01:06:23,870 --> 01:06:22,020

Corey good says he's not really into the

1466

01:06:26,450 --> 01:06:23,880

law of one even though he did sell a

1467

01:06:27,190 --> 01:06:26,460

course on the law of one and blue avians

1468

01:06:29,630 --> 01:06:27,200

for

1469

01:06:33,170 --> 01:06:29,640

333 dollars but he's not really into

1470

01:06:35,089 --> 01:06:33,180

that he just did that to humor and copy

1471

01:06:36,529 --> 01:06:35,099

information from David Wilcox great

1472

01:06:38,569 --> 01:06:36,539

memory

1473

01:06:40,549 --> 01:06:38,579

yeah you don't get to just say peace out

1474

01:06:41,829 --> 01:06:40,559

I'm out of here and then swam away from

1475

01:06:45,470 --> 01:06:41,839

the planet and

1476

01:06:47,150 --> 01:06:45,480

towards uh another planet you know

1477

01:06:50,690 --> 01:06:47,160

that's just not how

1478

01:06:53,930 --> 01:06:52,309

um I I think maybe I'll avoid mentioning

1479

01:06:56,029 --> 01:06:53,940

the names of other

1480

01:06:57,589 --> 01:06:56,039

whistleblower claim claimed

1481

01:07:00,109 --> 01:06:57,599

whistleblowers but this person is asking

1482

01:07:02,329 --> 01:07:00,119

if someone says that if they saw you on

1483

01:07:06,170 --> 01:07:02,339

a ship is it is it very likely that

1484

01:07:12,230 --> 01:07:10,250

I don't know how to address anymore this

1485

01:07:15,230 --> 01:07:12,240

yeah and how would they have seen him on

1486

01:07:17,690 --> 01:07:15,240

a spaceship if he admitted under oath

1487

01:07:20,630 --> 01:07:17,700

that he's never been to space so who's

1488

01:07:26,150 --> 01:07:20,640

seeing Corey good on a spaceship anyway

1489

01:07:29,029 --> 01:07:26,160

in the uh Community there are uh if you

1490

01:07:31,190 --> 01:07:29,039

believe you saw me on a ship

1491

01:07:33,230 --> 01:07:31,200

and we had a conversation or went on a

1492

01:07:36,890 --> 01:07:33,240

mission together

1493

01:07:38,809 --> 01:07:36,900

more power to you but it's a delusion

1494

01:07:41,329 --> 01:07:38,819

um

1495

01:07:43,190 --> 01:07:41,339

I've I've had yeah so if he was let's

1496

01:07:45,230 --> 01:07:43,200

talk about this so if he was really in a

1497

01:07:47,150 --> 01:07:45,240

secret space program with thousands and

1498

01:07:49,069 --> 01:07:47,160

thousands of other people

1499

01:07:50,630 --> 01:07:49,079

right and occasionally somebody comes

1500

01:07:54,289 --> 01:07:50,640

forward and says yeah I was on that

1501
01:07:56,390 --> 01:07:54,299
spaceship with Corey Goode why why does

1502
01:08:00,049 --> 01:07:56,400
he automatically say no that's those

1503
01:08:05,690 --> 01:08:02,510
it doesn't make any sense right

1504
01:08:08,150 --> 01:08:05,700
if he was on truly in a secret space

1505
01:08:10,370 --> 01:08:08,160
program with thousands of people then

1506
01:08:12,650 --> 01:08:10,380
somebody would have seen him on the

1507
01:08:14,450 --> 01:08:12,660
spaceships but he did say under oath

1508
01:08:16,910 --> 01:08:14,460
he's never been on a spaceship because

1509
01:08:18,769 --> 01:08:16,920
he's never been to space so why are we

1510
01:08:20,809 --> 01:08:18,779
why doesn't he say that why doesn't he

1511
01:08:22,269 --> 01:08:20,819
say no I admitted under oath I've never

1512
01:08:25,490 --> 01:08:22,279
been to space

1513
01:08:27,470 --> 01:08:25,500

I'll go to an event and I'll go to the

1514

01:08:30,349 --> 01:08:27,480

grocery store to get get a few things

1515

01:08:32,689 --> 01:08:30,359

and you know there's a lot of people in

1516

01:08:34,430 --> 01:08:32,699

the area uh who are going to the event

1517

01:08:35,990 --> 01:08:34,440

and they're out shopping and doing stuff

1518

01:08:37,789 --> 01:08:36,000

as well and at the grocery store I've

1519

01:08:40,010 --> 01:08:37,799

had people they're walking around with

1520

01:08:41,870 --> 01:08:40,020

the cart and they just look like any

1521

01:08:43,910 --> 01:08:41,880

other normal person then they see me and

1522

01:08:46,490 --> 01:08:43,920

they get this weird glazed over look in

1523

01:08:48,829 --> 01:08:46,500

their eyes and yeah because Corey good

1524

01:08:51,490 --> 01:08:48,839

is such a star that people just

1525

01:08:55,610 --> 01:08:51,500

recognize him at random

1526

01:08:58,070 --> 01:08:55,620

supermarkets right come on dude like you

1527

01:09:01,249 --> 01:08:58,080

were on Gaia TV you didn't you weren't

1528

01:09:02,630 --> 01:09:01,259

even on real TV Dude their jaw kind of

1529

01:09:05,030 --> 01:09:02,640

drops a little bit and then their hands

1530

01:09:07,789 --> 01:09:05,040

kind of come up and they start you know

1531

01:09:10,189 --> 01:09:07,799

telling me that after you know do you

1532

01:09:11,870 --> 01:09:10,199

remember me do you remember me on the

1533

01:09:16,309 --> 01:09:11,880

ship do you remember the mission we did

1534

01:09:18,130 --> 01:09:16,319

together and and you know it's uh it's

1535

01:09:21,410 --> 01:09:18,140

happened so many times

1536

01:09:23,870 --> 01:09:21,420

yeah exactly hyper that are hyper

1537

01:09:25,669 --> 01:09:23,880

creative or delusional

1538

01:09:28,309 --> 01:09:25,679

um I I don't know what to tell these

1539

01:09:31,669 --> 01:09:28,319

people I thank you Phantoms do not

1540

01:09:35,709 --> 01:09:31,679

thank you very much with random people

1541

01:09:38,689 --> 01:09:35,719

from Earth on these lunch it's not

1542

01:09:40,430 --> 01:09:38,699

things are not occurring like that

1543

01:09:42,590 --> 01:09:40,440

that's just not how it's happening and

1544

01:09:44,269 --> 01:09:42,600

uh yeah Corey fans pee themselves when

1545

01:09:46,570 --> 01:09:44,279

they say people are entitled to their

1546

01:09:49,550 --> 01:09:46,580

delusions

1547

01:09:51,709 --> 01:09:49,560

fantasies I don't know what to tell

1548

01:09:54,590 --> 01:09:51,719

people I'm I just when people come up

1549

01:09:56,750 --> 01:09:54,600

and I just kind of find a way to kind of

1550

01:09:59,209 --> 01:09:56,760

ease myself out of the conversation and

1551

01:10:01,390 --> 01:09:59,219

check out and go you know

1552

01:10:03,350 --> 01:10:01,400

um everyone's delicious

1553

01:10:05,510 --> 01:10:03,360

really good people in this community

1554

01:10:07,310 --> 01:10:05,520

that are having real experiences and but

1555

01:10:10,490 --> 01:10:07,320

there are also just a lot of people that

1556

01:10:11,990 --> 01:10:10,500

are drawn to all of this that uh God

1557

01:10:15,530 --> 01:10:12,000

bless them have

1558

01:10:17,750 --> 01:10:15,540

delusions and psychological issues and

1559

01:10:21,350 --> 01:10:17,760

uh unfortunately it's like a good third

1560

01:10:23,990 --> 01:10:21,360

all those other people have delusions or

1561

01:10:26,750 --> 01:10:24,000

psychological issues but not Corey not

1562

01:10:30,890 --> 01:10:26,760

Corey right does this man look

1563

01:10:36,470 --> 01:10:33,770

every Community yeah it's something I've

1564

01:10:37,669 --> 01:10:36,480

dealt with from the first

1565

01:10:43,910 --> 01:10:37,679

uh

1566

01:10:46,250 --> 01:10:43,920

Cosmic disclosure yeah they're worried

1567

01:10:47,930 --> 01:10:46,260

about getting sued maybe Amy yeah so you

1568

01:10:50,390 --> 01:10:47,940

know Everyone's entitled to their

1569

01:10:53,810 --> 01:10:50,400

beliefs and their stories I guess but uh

1570

01:10:56,630 --> 01:10:53,820

no I haven't met with anybody on ships

1571

01:10:59,149 --> 01:10:56,640

done missions with them I haven't seen

1572

01:11:02,450 --> 01:10:59,159

any random civilians from the planet

1573

01:11:04,130 --> 01:11:02,460

that I would later recognize at a UFO

1574

01:11:06,470 --> 01:11:04,140

event of all things

1575

01:11:09,229 --> 01:11:06,480

uh

1576

01:11:10,669 --> 01:11:09,239

Dr I could share that you know I had one

1577

01:11:12,770 --> 01:11:10,679

friend who believed that I was visiting

1578

01:11:15,830 --> 01:11:12,780

him in his dreams and he wouldn't

1579

01:11:17,990 --> 01:11:15,840

believe me when I said that was not true

1580

01:11:19,370 --> 01:11:18,000

um and he kind of became paranoid and um

1581

01:11:20,810 --> 01:11:19,380

yeah I agree and he's not with us

1582

01:11:21,830 --> 01:11:20,820

anymore now

1583

01:11:23,870 --> 01:11:21,840

um it's kind of a sad story what

1584

01:11:25,729 --> 01:11:23,880

happened to him but uh

1585

01:11:29,870 --> 01:11:25,739

I've had

1586

01:11:31,790 --> 01:11:29,880

so many uh women write me and tell them

1587

01:11:34,070 --> 01:11:31,800

tell me that I'm visiting them in their

1588

01:11:36,350 --> 01:11:34,080

dreams and all these weird things are

1589

01:11:38,149 --> 01:11:36,360

happening and I

1590

01:11:39,830 --> 01:11:38,159

well when you hang out with a bunch of

1591

01:11:41,270 --> 01:11:39,840

wackadus all the time what do you think

1592

01:11:43,370 --> 01:11:41,280

is going to happen

1593

01:11:46,070 --> 01:11:43,380

you you're gonna have so you're gonna

1594

01:11:48,050 --> 01:11:46,080

have to talk to some wackadus right but

1595

01:11:49,669 --> 01:11:48,060

they're less whackadoo than him right

1596

01:11:51,350 --> 01:11:49,679

they're really what I could do he's just

1597

01:11:53,090 --> 01:11:51,360

a little bit whack-a-doo you know if I

1598

01:11:55,490 --> 01:11:53,100

happen to engage with them say no it's

1599

01:11:56,810 --> 01:11:55,500

not me it's just a dream or your brain

1600

01:12:00,050 --> 01:11:56,820

is doing this for this reason or

1601
01:12:04,250 --> 01:12:00,060
whatever they'll become upset and one of

1602
01:12:09,649 --> 01:12:06,649
um in a court of law and when yeah uh

1603
01:12:11,689 --> 01:12:09,659
she also sued him because he stole a

1604
01:12:15,169 --> 01:12:11,699
bunch of her printed work material

1605
01:12:18,530 --> 01:12:15,179
allegedly she alleged that he and David

1606
01:12:21,050 --> 01:12:18,540
Wilcox stole a bunch of her material and

1607
01:12:24,830 --> 01:12:21,060
then regurgitated it for big speaking

1608
01:12:26,990 --> 01:12:24,840
fees so she sued him for that

1609
01:12:28,790 --> 01:12:27,000
one of the big things was uh she said

1610
01:12:31,550 --> 01:12:28,800
that we were married in another

1611
01:12:33,290 --> 01:12:31,560
dimension her dream Dimension and that

1612
01:12:34,370 --> 01:12:33,300
we had like children together in this

1613
01:12:37,250 --> 01:12:34,380

dimension

1614

01:12:39,790 --> 01:12:37,260

and uh that I was cheating on her with

1615

01:12:43,130 --> 01:12:39,800

my wife in this dimension

1616

01:12:45,430 --> 01:12:43,140

and uh that our Pillow Talk in the other

1617

01:12:48,649 --> 01:12:45,440

dimension I was stealing her

1618

01:12:51,530 --> 01:12:48,659

experiences and well he did verifiably

1619

01:12:53,209 --> 01:12:51,540

cheat on his wife in this Dimension at

1620

01:12:55,070 --> 01:12:53,219

least one time that we know of because

1621

01:12:57,110 --> 01:12:55,080

he said that he cheated on his wife

1622

01:13:00,229 --> 01:12:57,120

under oath so

1623

01:13:02,689 --> 01:13:00,239

yeah I don't know who's the Wackadoo her

1624

01:13:05,090 --> 01:13:02,699

or him the kingdom is mine I mean this

1625

01:13:07,370 --> 01:13:05,100

this is the kind of stuff that goes on

1626

01:13:09,169 --> 01:13:07,380

in this community and

1627

01:13:11,149 --> 01:13:09,179

I have one of them that it went to a

1628

01:13:14,030 --> 01:13:11,159

like a federal lawsuit

1629

01:13:15,950 --> 01:13:14,040

there's dozens of others that it only

1630

01:13:19,010 --> 01:13:15,960

went to a federal lawsuit because he was

1631

01:13:21,110 --> 01:13:19,020

too cheap or too stupid to sue her in

1632

01:13:25,250 --> 01:13:21,120

the state she lives in so he tried to

1633

01:13:27,890 --> 01:13:25,260

drag her under Rico into uh a California

1634

01:13:31,930 --> 01:13:27,900

or I'm sorry a Colorado court and by the

1635

01:13:35,810 --> 01:13:31,940

way uh she's also now countersuing good

1636

01:13:37,990 --> 01:13:35,820

uh counter suing David Wilcock and the

1637

01:13:41,149 --> 01:13:38,000

David Wilcox charity

1638

01:13:43,790 --> 01:13:41,159

uh so there's a whole convoluted there's

1639

01:13:45,590 --> 01:13:43,800

a there's the problem with Corey good is

1640

01:13:46,850 --> 01:13:45,600

he tells his side of the story but of

1641

01:13:48,850 --> 01:13:46,860

course there's two sides of the story

1642

01:13:51,890 --> 01:13:48,860

and somewhere in the middle is the truth

1643

01:13:54,350 --> 01:13:51,900

didn't progress that far but that were

1644

01:13:57,290 --> 01:13:54,360

equally as

1645

01:13:59,209 --> 01:13:57,300

scary and a little nutty you know that's

1646

01:14:00,290 --> 01:13:59,219

something that also something we've

1647

01:14:01,910 --> 01:14:00,300

dealt with

1648

01:14:04,729 --> 01:14:01,920

you know it's

1649

01:14:07,250 --> 01:14:04,739

wow yeah one thing that I wanted to

1650

01:14:10,310 --> 01:14:07,260

share though is you know dreams have a

1651

01:14:12,830 --> 01:14:10,320

lot of value if you're able to interpret

1652

01:14:14,149 --> 01:14:12,840

things symbolically and learn that this

1653

01:14:16,070 --> 01:14:14,159

is a reflection of your inner

1654

01:14:18,110 --> 01:14:16,080

Consciousness that it's about you when

1655

01:14:20,330 --> 01:14:18,120

you see very good in your dream yeah

1656

01:14:21,550 --> 01:14:20,340

this is great these two guys are

1657

01:14:25,370 --> 01:14:21,560

supposed to be bringing us

1658

01:14:28,130 --> 01:14:25,380

earth-shattering information right and

1659

01:14:30,890 --> 01:14:28,140

they're in touch with super Advanced

1660

01:14:32,750 --> 01:14:30,900

extraterrestrial aliens but they don't

1661

01:14:35,870 --> 01:14:32,760

know how to work a [h__\h] green screen

1662

01:14:38,810 --> 01:14:35,880

these clowns right yeah this totally

1663

01:14:41,270 --> 01:14:38,820

makes sense it's listen it totally makes

1664

01:14:43,430 --> 01:14:41,280

sense that they they've got alien super

1665

01:14:45,590 --> 01:14:43,440

Advanced extraterrestrial alien friends

1666

01:14:48,890 --> 01:14:45,600

that can you know

1667

01:14:51,890 --> 01:14:48,900

come here from vast star systems light

1668

01:14:54,770 --> 01:14:51,900

years away they've got all this Weaponry

1669

01:14:57,530 --> 01:14:54,780

healing technology they're 5D 60

1670

01:15:00,050 --> 01:14:57,540

Consciousness but they can't teach these

1671

01:15:03,890 --> 01:15:00,060

two idiots how to work a goddamn green

1672

01:15:07,250 --> 01:15:03,900

screen it's so silly childish and

1673

01:15:10,149 --> 01:15:07,260

ridiculous these two guys and especially

1674

01:15:12,950 --> 01:15:10,159

this mic guy I feel bad for him because

1675

01:15:16,070 --> 01:15:12,960

eventually Corey good is gonna blame him

1676

01:15:19,729 --> 01:15:16,080

I have a feeling that when Corey Good's

1677

01:15:23,149 --> 01:15:19,739

website uh takes a nosedive from these

1678

01:15:25,610 --> 01:15:23,159

deposition leaks uh you know and his

1679

01:15:27,709 --> 01:15:25,620

business is in the crapper that's his

1680

01:15:30,110 --> 01:15:27,719

business partner who do we think let me

1681

01:15:32,570 --> 01:15:30,120

know in the live chat if Corey Good's

1682

01:15:33,649 --> 01:15:32,580

business tanks in the next few months or

1683

01:15:35,270 --> 01:15:33,659

years

1684

01:15:37,490 --> 01:15:35,280

is Corey good going to accept

1685

01:15:39,950 --> 01:15:37,500

responsibility that he caused that

1686

01:15:42,709 --> 01:15:39,960

collapse or is he going to blame this

1687

01:15:44,450 --> 01:15:42,719

guy I know what I believe that that's an

1688

01:15:47,030 --> 01:15:44,460

aspect of yourself that you're trying to

1689

01:15:48,610 --> 01:15:47,040

comprehend better it's not about Corey

1690

01:15:52,930 --> 01:15:48,620

the person

1691

01:15:59,050 --> 01:15:55,610

uh your subconscious is trying to work

1692

01:15:59,060 --> 01:16:05,649

and it uses dreams

1693

01:16:13,430 --> 01:16:11,450

people that are uh unable to uh

1694

01:16:14,930 --> 01:16:13,440

that's actually determined that dreams

1695

01:16:16,250 --> 01:16:14,940

are really dreams they feel like it's

1696

01:16:18,649 --> 01:16:16,260

really real and happening in another

1697

01:16:20,689 --> 01:16:18,659

dimension and all that that's a whole

1698

01:16:24,169 --> 01:16:20,699

different issue it is a whole different

1699

01:16:26,390 --> 01:16:24,179

issue we can switch to uh here we go uh

1700

01:16:27,890 --> 01:16:26,400

thank you Donnie Darko 727 for your

1701

01:16:31,010 --> 01:16:27,900

kindness your generosity and your

1702

01:16:33,189 --> 01:16:31,020

support of the show uh and for being a

1703

01:16:35,810 --> 01:16:33,199

long time show supporter continuing ex

1704

01:16:37,669 --> 01:16:35,820

supporter of the show thank you for

1705

01:16:40,030 --> 01:16:37,679

helping us to praise the cash he says

1706

01:16:43,490 --> 01:16:40,040

Wackadoo infighting laugh out loud

1707

01:16:44,689 --> 01:16:43,500

wackadoo's Anonymous yes wackindus

1708

01:16:47,450 --> 01:16:44,699

[Music]

1709

01:16:50,330 --> 01:16:47,460

break the cash

1710

01:16:54,050 --> 01:16:50,340

praise the cash

1711

01:16:56,270 --> 01:16:54,060

thank you Donnie um question here

1712

01:16:58,790 --> 01:16:56,280

completely separate topic

1713

01:17:00,410 --> 01:16:58,800

um Luis is asking

1714

01:17:02,510 --> 01:17:00,420

um will the

1715

01:17:04,550 --> 01:17:02,520

Global Galactic League of Nations play a

1716

01:17:06,350 --> 01:17:04,560

role after the solar event after we're

1717

01:17:10,250 --> 01:17:06,360

liberated

1718

01:17:10,260 --> 01:17:12,709

um

1719

01:17:12,719 --> 01:17:19,450

he's got to think about it come on

1720

01:17:24,229 --> 01:17:21,590

they have their own

1721

01:17:25,610 --> 01:17:24,239

this long pause is like hold on here let

1722

01:17:27,770 --> 01:17:25,620

me do this this is like

1723

01:17:29,750 --> 01:17:27,780

our is the Galactic Federation still

1724

01:17:33,350 --> 01:17:29,760

going to be helping us after the solar

1725

01:17:36,890 --> 01:17:33,360

event and then Corey's like hmm

1726

01:17:40,610 --> 01:17:36,900

hold on I gotta think of some good good

1727

01:17:43,910 --> 01:17:40,620

great aim [h__h] right why would you

1728

01:17:47,510 --> 01:17:43,920

just not answer yes or no

1729

01:17:49,790 --> 01:17:47,520

he's thinking of fake stories to tell

1730

01:17:53,030 --> 01:17:49,800

right

1731

01:17:54,530 --> 01:17:53,040

amazing this this guy is amazing they

1732

01:17:57,530 --> 01:17:54,540

basically created their own civilization

1733

01:18:00,050 --> 01:17:57,540

all of these different colonies and

1734

01:18:02,270 --> 01:18:00,060

they're out trying to there's all these

1735

01:18:04,070 --> 01:18:02,280

colonies from the Galactic Federation of

1736

01:18:07,370 --> 01:18:04,080

Light all over the solar system and

1737

01:18:09,830 --> 01:18:07,380

nobody could see them but Cory good

1738

01:18:12,649 --> 01:18:09,840

okay but everybody else is delusional

1739

01:18:14,090 --> 01:18:12,659

not Corey repair our reputation in the

1740

01:18:15,410 --> 01:18:14,100

galaxy

1741

01:18:18,050 --> 01:18:15,420

you know a lot of people aren't very

1742

01:18:20,330 --> 01:18:18,060

happy that humans have a horrible

1743

01:18:23,390 --> 01:18:20,340

horrible reputation in this galaxy we're

1744

01:18:26,350 --> 01:18:23,400

not known as these poor light beings

1745

01:18:31,610 --> 01:18:26,360

that are just so suppressed

1746

01:18:34,910 --> 01:18:31,620

crowd and we're looked at it together

1747

01:18:37,430 --> 01:18:34,920

so uh and we've caused crimes against

1748

01:18:39,070 --> 01:18:37,440

humanity and other star systems

1749

01:18:41,510 --> 01:18:39,080

allegedly

1750

01:18:43,209 --> 01:18:41,520

the worst of us happened to go out there

1751

01:18:47,330 --> 01:18:43,219

first

1752

01:18:50,209 --> 01:18:47,340

so there's a lot of damage that they

1753

01:18:52,610 --> 01:18:50,219

have been trying to repair and that's

1754

01:18:55,250 --> 01:18:52,620

exactly just to be able to watch yeah

1755

01:18:57,590 --> 01:18:55,260

and this is purely selfish for them they

1756

01:18:59,229 --> 01:18:57,600

have hundreds of colonies that need to

1757

01:19:03,530 --> 01:18:59,239

do trade

1758

01:19:04,790 --> 01:19:03,540

absolutely good relations with other

1759

01:19:10,610 --> 01:19:04,800

uh

1760

01:19:15,590 --> 01:19:10,620

um you know they are doing this

1761

01:19:18,070 --> 01:19:15,600

as a super uh diplomatic push to try to

1762

01:19:22,010 --> 01:19:18,080

you know improve

1763

01:19:28,070 --> 01:19:24,169

I mean they've been handing over dark

1764

01:19:33,310 --> 01:19:28,080

Fleet and other human humans from the

1765

01:19:40,189 --> 01:19:37,189

in that star system under their laws

1766

01:19:42,410 --> 01:19:40,199

so they're the the I think their largest

1767

01:19:44,450 --> 01:19:42,420

efforts are going to be outside of the

1768

01:19:47,689 --> 01:19:44,460

solar system most of them

1769

01:19:50,030 --> 01:19:47,699

all of them pretty much grew up on

1770

01:19:53,030 --> 01:19:50,040

colonies and they don't really have uh

1771

01:19:56,470 --> 01:19:53,040

that big of a connection to Earth other

1772

01:20:00,770 --> 01:19:59,209

thank God thank God this is a short one

1773

01:20:03,410 --> 01:20:00,780

we only got 10 more minutes of this

1774

01:20:05,950 --> 01:20:03,420

nonsense and how were they originally

1775

01:20:11,570 --> 01:20:05,960

recruited to join

1776

01:20:14,570 --> 01:20:11,580

uh yeah he's he's uh uh

1777

01:20:17,390 --> 01:20:14,580

uh think of Star Trek first Contact well

1778

01:20:20,149 --> 01:20:17,400

after listen I never I swear to God I

1779

01:20:21,890 --> 01:20:20,159

have not seen this I have not seen the

1780

01:20:23,570 --> 01:20:21,900

answer to his question or heard it yet

1781

01:20:25,970 --> 01:20:23,580

he's going to come up with some Star

1782

01:20:29,510 --> 01:20:25,980

Trek stuff right like well after first

1783

01:20:31,850 --> 01:20:29,520

Contact is made they're invited or yeah

1784

01:20:36,590 --> 01:20:31,860

let's see what he says they were brought

1785

01:20:39,709 --> 01:20:36,600

in through this uh continuity of species

1786

01:20:41,990 --> 01:20:39,719

um project after they uh came back from

1787

01:20:44,870 --> 01:20:42,000

the Moon and showed various people

1788

01:20:47,570 --> 01:20:44,880

different countries look through we have

1789

01:20:50,689 --> 01:20:47,580

actual matter from the Sun that's

1790

01:20:52,370 --> 01:20:50,699

on the moon and look at these other

1791

01:20:54,470 --> 01:20:52,380

cycles and they you know told them about

1792

01:20:56,090 --> 01:20:54,480

the solar cycle and that the big

1793

01:20:57,649 --> 01:20:56,100

catastrophe again with the solar cycle

1794

01:20:59,689 --> 01:20:57,659

okay I was wrong I thought he was going

1795

01:21:01,850 --> 01:20:59,699

to give the Star Trek explanation

1796

01:21:03,830 --> 01:21:01,860

for like how this the race the different

1797

01:21:05,330 --> 01:21:03,840

racers in Star Trek joined the Federation

1798

01:21:08,750 --> 01:21:05,340

because that's what the Galactic

1799

01:21:11,090 --> 01:21:08,760

Federation of Light is it's it's a uh

1800

01:21:13,729 --> 01:21:11,100

you know organization made up of uh

1801
01:21:15,890 --> 01:21:13,739
peace loving uh you know aliens from

1802
01:21:18,470 --> 01:21:15,900
across the universe and and this and

1803
01:21:21,950 --> 01:21:18,480
that it's it's this it's the Federation

1804
01:21:23,810 --> 01:21:21,960
from Star Trek Jeffrey was coming so all

1805
01:21:25,910 --> 01:21:23,820
of the countries put one percent

1806
01:21:29,090 --> 01:21:25,920
generation in the name building

1807
01:21:31,610 --> 01:21:29,100
underground bases and colonizing uh

1808
01:21:33,530 --> 01:21:31,620
other planets and that's what the global

1809
01:21:34,970 --> 01:21:33,540
Galactic League of Nations uh was

1810
01:21:37,970 --> 01:21:34,980
created there's some samples on the moon

1811
01:21:40,130 --> 01:21:37,980
shut up bjds and uh they have some

1812
01:21:42,110 --> 01:21:40,140
respect for Earth Galactic Ambassador

1813
01:21:44,169 --> 01:21:42,120

people on Earth he saved Earth from The

1814

01:21:50,330 --> 01:21:44,179

Reptilian overlords

1815

01:21:51,530 --> 01:21:50,340

you know decades and those people uh

1816

01:21:53,390 --> 01:21:51,540

you know

1817

01:21:56,330 --> 01:21:53,400

had Offspring and those people had

1818

01:21:58,310 --> 01:21:56,340

Offspring and they created uh you know a

1819

01:22:00,830 --> 01:21:58,320

whole whole new civilization

1820

01:22:03,110 --> 01:22:00,840

that nobody could see just Corey good

1821

01:22:04,490 --> 01:22:03,120

right one person asked here I believe

1822

01:22:06,290 --> 01:22:04,500

this is we're getting to the questions

1823

01:22:08,689 --> 01:22:06,300

that were posted on YouTube now

1824

01:22:11,570 --> 01:22:08,699

uh yeah and by the way I just want to

1825

01:22:13,430 --> 01:22:11,580

mention that they're this is how you

1826
01:22:16,490 --> 01:22:13,440
know that Corey good is an intellectual

1827
01:22:20,270 --> 01:22:16,500
weakling and a coward go

1828
01:22:21,770 --> 01:22:20,280
ask really hard questions on Corey

1829
01:22:23,930 --> 01:22:21,780
Good's YouTube channel they get all they

1830
01:22:26,470 --> 01:22:23,940
all get deleted ask hard questions on

1831
01:22:30,169 --> 01:22:26,480
Twitter they get deleted he does not

1832
01:22:33,110 --> 01:22:30,179
allow anybody to you know think for

1833
01:22:35,810 --> 01:22:33,120
themselves or critically think or ask

1834
01:22:39,410 --> 01:22:35,820
real questions as soon as you do you get

1835
01:22:41,810 --> 01:22:39,420
blocked or muted or whatever because he

1836
01:22:44,270 --> 01:22:41,820
knows this is nonsense

1837
01:22:45,890 --> 01:22:44,280
Sue B3 is here and says just found your

1838
01:22:47,930 --> 01:22:45,900

channel through raised by Giants Channel

1839

01:22:50,570 --> 01:22:47,940

didn't realize CG is still around people

1840

01:22:53,990 --> 01:22:50,580

still buying [h__h] stories he's feeling

1841

01:22:55,610 --> 01:22:54,000

yes yes and by the way uh raised by

1842

01:22:57,709 --> 01:22:55,620

Giants is going to be here next week for

1843

01:22:59,810 --> 01:22:57,719

an interview next Wednesday night at 9

1844

01:23:02,149 --> 01:22:59,820

00 pm and we'll be talking about the

1845

01:23:04,729 --> 01:23:02,159

secret space program larpers and

1846

01:23:06,830 --> 01:23:04,739

fraudsters all over the Internet so

1847

01:23:09,830 --> 01:23:06,840

welcome Sue B I'm glad that you found us

1848

01:23:12,410 --> 01:23:09,840

you are most welcome here and we cover

1849

01:23:15,350 --> 01:23:12,420

lots of wackadus not just the Corey

1850

01:23:18,590 --> 01:23:15,360

goodwaca do uh we core we cover a lot of

1851

01:23:20,330 --> 01:23:18,600

wackadas here soup B3 so if you want to

1852

01:23:22,729 --> 01:23:20,340

uh just laugh and have a good time

1853

01:23:24,169 --> 01:23:22,739

sometimes and hear the Ridiculousness of

1854

01:23:26,630 --> 01:23:24,179

some of these people you've come to the

1855

01:23:30,470 --> 01:23:26,640

right place we do some serious reporting

1856

01:23:33,350 --> 01:23:30,480

as well uh but uh in any case welcome

1857

01:23:36,470 --> 01:23:33,360

I'm glad that you found us uh talmud

1858

01:23:38,810 --> 01:23:36,480

says he's a hero yeah have some respect

1859

01:23:41,510 --> 01:23:38,820

Corey Goode saved us from the Draco

1860

01:23:44,270 --> 01:23:41,520

reptilian overlords or something and

1861

01:23:46,370 --> 01:23:44,280

he's Earth's Galactic Ambassador on the

1862

01:23:50,209 --> 01:23:46,380

Council of uh

1863

01:23:53,390 --> 01:23:50,219

scam so you have some respect at least

1864

01:23:56,149 --> 01:23:53,400

right how many reptilian aliens have you

1865

01:23:58,550 --> 01:23:56,159

defeated to save Earth you critical

1866

01:24:01,550 --> 01:23:58,560

people right

1867

01:24:05,510 --> 01:24:03,169

um

1868

01:24:08,990 --> 01:24:05,520

so there's you've mentioned a timeline

1869

01:24:10,850 --> 01:24:09,000

where there are battles being fought by

1870

01:24:12,470 --> 01:24:10,860

the positive groups head or your nose

1871

01:24:14,090 --> 01:24:12,480

since this Intel is being shared with us

1872

01:24:16,130 --> 01:24:14,100

it's also being shared with the negative

1873

01:24:18,709 --> 01:24:16,140

ETS does this give them a chance to

1874

01:24:20,990 --> 01:24:18,719

prepare is this not not a good idea to

1875

01:24:22,550 --> 01:24:21,000

give them this information no and people

1876

01:24:26,830 --> 01:24:22,560

keep saying you know you're giving them

1877

01:24:29,810 --> 01:24:26,840

information they have like so many years

1878

01:24:32,090 --> 01:24:29,820

I mean they're stuck here in the star

1879

01:24:35,510 --> 01:24:32,100

system and they have a certain amount of

1880

01:24:37,790 --> 01:24:35,520

years before the sun pops so and when

1881

01:24:40,130 --> 01:24:37,800

when it's gonna happen he's been talking

1882

01:24:43,850 --> 01:24:40,140

about he's been talking about this solar

1883

01:24:46,070 --> 01:24:43,860

flat event for eight years wouldn't the

1884

01:24:48,290 --> 01:24:46,080

aliens have some kind of technology and

1885

01:24:49,669 --> 01:24:48,300

be able to know exactly when that solar

1886

01:24:52,430 --> 01:24:49,679

flash is going to happen and wouldn't

1887

01:24:53,570 --> 01:24:52,440

they tell Earth Xavier so that it could

1888

01:24:56,030 --> 01:24:53,580

save Earth

1889

01:24:58,970 --> 01:24:56,040

there's so many plot holes in his

1890

01:25:01,669 --> 01:24:58,980

garbage pedaling like he doesn't even

1891

01:25:03,830 --> 01:25:01,679

realize how ridiculous childish and

1892

01:25:05,090 --> 01:25:03,840

nonsensical this sounds well I'm just

1893

01:25:08,870 --> 01:25:05,100

going to keep talking about a solar

1894

01:25:10,790 --> 01:25:08,880

flash until it happens this mode and uh

1895

01:25:14,090 --> 01:25:10,800

by the way if there is a solar flash boy

1896

01:25:15,890 --> 01:25:14,100

I'm going to feel dumb but that's still

1897

01:25:17,390 --> 01:25:15,900

for listen even if there was a solar

1898

01:25:19,430 --> 01:25:17,400

flash tomorrow it still would not

1899

01:25:22,850 --> 01:25:19,440

confirm for me that Corey good is

1900

01:25:24,410 --> 01:25:22,860

anything but a grifter uh liar telling

1901

01:25:27,530 --> 01:25:24,420

fake stories for money

1902

01:25:29,870 --> 01:25:27,540

nothing nothing they do is really going

1903

01:25:32,149 --> 01:25:29,880

to be able to stop the armadas that are

1904

01:25:34,610 --> 01:25:32,159

coming in leading up to the solar Flash

1905

01:25:36,070 --> 01:25:34,620

oh I don't think he's mentally ill it's

1906

01:25:40,729 --> 01:25:36,080

about money

1907

01:25:43,430 --> 01:25:40,739

and uh but but they these beings have

1908

01:25:45,890 --> 01:25:43,440

the ability to to look into the future

1909

01:25:48,229 --> 01:25:45,900

and to appear you know they know this

1910

01:25:50,410 --> 01:25:48,239

stuff

1911

01:25:55,370 --> 01:25:50,420

the negative

1912

01:25:59,030 --> 01:25:55,380

Etsy what could happen before I was even

1913

01:26:01,370 --> 01:25:59,040

told so nothing I say is going to screw

1914

01:26:03,709 --> 01:26:01,380

up what's going on unless I give actual

1915

01:26:06,709 --> 01:26:03,719

operational uh

1916

01:26:08,870 --> 01:26:06,719

information which I'm not given I'm not

1917

01:26:10,490 --> 01:26:08,880

giving that information because I could

1918

01:26:13,729 --> 01:26:10,500

be abducted and they could grab the

1919

01:26:15,950 --> 01:26:13,739

information from my brain easily

1920

01:26:17,450 --> 01:26:15,960

there you go whereas we have one

1921

01:26:20,470 --> 01:26:17,460

question that I believe here is uh

1922

01:26:23,270 --> 01:26:20,480

they're conflating the ssps

1923

01:26:25,250 --> 01:26:23,280

alliance and they're wondering how

1924

01:26:28,129 --> 01:26:25,260

you're getting the updates

1925

01:26:29,810 --> 01:26:28,139

um and whether or not you're not getting

1926

01:26:32,270 --> 01:26:29,820

updates from the earth Alliance because

1927

01:26:34,550 --> 01:26:32,280

of the what you said about them falling

1928

01:26:37,610 --> 01:26:34,560

apart or not being effective anymore

1929

01:26:41,330 --> 01:26:37,620

no I still talk to different people in

1930

01:26:45,890 --> 01:26:41,340

the earth Alliance uh one uh

1931

01:26:47,810 --> 01:26:45,900

part uh uh let me think of some some BS

1932

01:26:49,850 --> 01:26:47,820

and great you're talking to people in

1933

01:26:51,830 --> 01:26:49,860

the earth Alliance can we talk to them

1934

01:26:54,350 --> 01:26:51,840

can we verify that they're the people

1935

01:26:57,229 --> 01:26:54,360

giving you this information or are they

1936

01:27:00,649 --> 01:26:57,239

your imaginary friends right this guy's

1937

01:27:03,470 --> 01:27:00,659

got more imaginary friends than anybody

1938

01:27:06,669 --> 01:27:03,480

I've ever ever encountered in my life

1939

01:27:10,189 --> 01:27:06,679

right he's got Gonzalez and Ramirez and

1940

01:27:13,729 --> 01:27:10,199

uh you know some guy he was calling uh

1941

01:27:14,649 --> 01:27:13,739

McCoy right for like the doctor on Star

1942

01:27:16,970 --> 01:27:14,659

Trek

1943

01:27:19,070 --> 01:27:16,980

one faction of the earth Alliance is

1944

01:27:21,470 --> 01:27:19,080

actually going to be doing a helping me

1945

01:27:23,090 --> 01:27:21,480

do it uh documentary believe it or not

1946

01:27:24,470 --> 01:27:23,100

and some of them are going to be in the

1947

01:27:26,810 --> 01:27:24,480

documentary oh he's finally going to

1948

01:27:30,050 --> 01:27:26,820

reveal them yeah sure

1949

01:27:32,570 --> 01:27:30,060

um but and again oh I got all these new

1950

01:27:34,610 --> 01:27:32,580

documentaries coming out this dude

1951

01:27:36,770 --> 01:27:34,620

hasn't had a documentary in two or three

1952

01:27:38,689 --> 01:27:36,780

years right where's all the

1953

01:27:42,050 --> 01:27:38,699

documentaries that he keeps promising

1954

01:27:44,149 --> 01:27:42,060

everybody they are uh being worked on in

1955

01:27:46,790 --> 01:27:44,159

the Land of Make-Believe where he gets

1956

01:27:49,310 --> 01:27:46,800

all of his Intel from apparently well I

1957

01:27:49,910 --> 01:27:49,320

install a part it did

1958

01:27:51,890 --> 01:27:49,920

um

1959

01:27:54,950 --> 01:27:51,900

and they're trying to get their act

1960

01:27:56,810 --> 01:27:54,960

together they have different cells the

1961

01:27:58,490 --> 01:27:56,820

same Earth Alliance that he was telling

1962

01:28:01,010 --> 01:27:58,500

everybody was going to save Earth for

1963

01:28:02,149 --> 01:28:01,020

eight years suddenly falls apart and by

1964

01:28:05,209 --> 01:28:02,159

the way I think there's a lot of

1965

01:28:07,490 --> 01:28:05,219

parallels between his garbage and Cube

1966

01:28:10,189 --> 01:28:07,500

garbage and right-wing Republican

1967

01:28:11,629 --> 01:28:10,199

garbage right things but

1968

01:28:14,689 --> 01:28:11,639

it's

1969

01:28:16,310 --> 01:28:14,699

it is what it is and uh some in the

1970

01:28:17,750 --> 01:28:16,320

alliance may not like it in the earth

1971

01:28:20,450 --> 01:28:17,760

Alliance may not like it that I yeah

1972

01:28:22,189 --> 01:28:20,460

they take double piss bands and

1973

01:28:24,410 --> 01:28:22,199

chickening out in many cases they get

1974

01:28:27,410 --> 01:28:24,420

double pissed super powers

1975

01:28:29,770 --> 01:28:27,420

that's what happened and uh

1976

01:28:32,930 --> 01:28:29,780

his birth Alliance is not kicking ass

1977

01:28:34,790 --> 01:28:32,940

Corey good at making up degrees African

1978

01:28:36,530 --> 01:28:34,800

people in underground bases they are not

1979

01:28:38,990 --> 01:28:36,540

none of this stuff that's being other

1980

01:28:41,169 --> 01:28:39,000

people are reporting that it's it's not

1981

01:28:45,110 --> 01:28:41,179

yes they're in disarrays

1982

01:28:47,030 --> 01:28:45,120

they're doing uh what they can they know

1983

01:28:48,610 --> 01:28:47,040

that it's going to have accurate the

1984

01:28:50,890 --> 01:28:48,620

population

1985

01:28:53,149 --> 01:28:50,900

there's not going to be a strategic

1986

01:28:56,209 --> 01:28:53,159

military campaign that's going to free

1987

01:28:59,270 --> 01:28:56,219

us on the planet it's going to be I

1988

01:29:00,890 --> 01:28:59,280

agree we're finally rising up uh from

1989

01:29:02,330 --> 01:29:00,900

the German population they need

1990

01:29:04,070 --> 01:29:02,340

something you know the Earth Alliance

1991

01:29:06,709 --> 01:29:04,080

isn't going to save us well then I agree

1992

01:29:09,770 --> 01:29:06,719

with you for the serrated they did

1993

01:29:11,330 --> 01:29:09,780

claims and a lot of us put ourselves out

1994

01:29:14,810 --> 01:29:11,340

there expecting them to do what they

1995

01:29:16,910 --> 01:29:14,820

said but they didn't do it and uh

1996

01:29:19,189 --> 01:29:16,920

um they can't they don't you're right

1997

01:29:20,689 --> 01:29:19,199

they just don't have the ability to do

1998

01:29:22,850 --> 01:29:20,699

all these things people are saying crap

1999

01:29:25,669 --> 01:29:22,860

they're selling um

2000

01:29:28,070 --> 01:29:25,679

the only thing that can really make a

2001

01:29:29,930 --> 01:29:28,080

change is for the general population he

2002

01:29:32,149 --> 01:29:29,940

acts like he doesn't to rise up in Mass

2003

01:29:33,830 --> 01:29:32,159

not just people truckers here people

2004

01:29:35,149 --> 01:29:33,840

always say Corey why do you say this you

2005

01:29:37,669 --> 01:29:35,159

know we had the trucker stand up over

2006

01:29:40,310 --> 01:29:37,679

here were you with the truckers

2007

01:29:42,890 --> 01:29:40,320

no no they were doing it good job I was

2008

01:29:45,530 --> 01:29:42,900

rooting them on from home you know I I

2009

01:29:47,390 --> 01:29:45,540

hear all of that a lot and it's

2010

01:29:49,970 --> 01:29:47,400

well now it's a little sickening to me

2011

01:29:53,270 --> 01:29:49,980

when I yeah there's a new there's a new

2012

01:29:54,550 --> 01:29:53,280

sort of plot line where Corey good is

2013

01:29:56,750 --> 01:29:54,560

constantly

2014

01:29:59,890 --> 01:29:56,760

chastising other people that aren't

2015

01:30:03,169 --> 01:29:59,900

doing enough to save Earth but somehow

2016

01:30:06,430 --> 01:30:03,179

making a YouTube video like he does full

2017

01:30:08,570 --> 01:30:06,440

of nonsensical stupid childish stories

2018

01:30:10,430 --> 01:30:08,580

and by the way I thought of a good

2019

01:30:11,810 --> 01:30:10,440

experiment I'm convinced that a

2020

01:30:15,169 --> 01:30:11,820

six-year-old could make up a better

2021

01:30:18,050 --> 01:30:15,179

secret space program story so

2022

01:30:20,209 --> 01:30:18,060

I'm gonna give my son 20 bucks and I'm

2023

01:30:23,810 --> 01:30:20,219

gonna ask him to help me write a secret

2024

01:30:25,490 --> 01:30:23,820

space story and I promise you I'm not

2025

01:30:28,610 --> 01:30:25,500

going to help him I'm going to let him

2026

01:30:31,910 --> 01:30:28,620

decide what the aliens are what the

2027

01:30:34,510 --> 01:30:31,920

alien it's look like the I'm going to

2028

01:30:37,310 --> 01:30:34,520

let my six-year-old son write the entire

2029

01:30:38,930 --> 01:30:37,320

secret space program story I'm going to

2030

01:30:41,149 --> 01:30:38,940

explain to him a little bit like Hey

2031

01:30:42,950 --> 01:30:41,159

we're it's like pretend right like

2032

01:30:45,110 --> 01:30:42,960

there's a secret space program and

2033

01:30:48,290 --> 01:30:45,120

they're out there fighting space aliens

2034

01:30:50,510 --> 01:30:48,300

on the moon in Mars and Jupiter and and

2035

01:30:52,310 --> 01:30:50,520

we want you to write a story about that

2036

01:30:54,229 --> 01:30:52,320

secret space program and then we're

2037

01:30:57,110 --> 01:30:54,239

gonna see what my six-year-old son comes

2038

01:31:00,169 --> 01:30:57,120

up with and then I'm gonna animate it

2039

01:31:02,330 --> 01:31:00,179

and then we're gonna put a poll up whose

2040

01:31:05,930 --> 01:31:02,340

secret space program story is better

2041

01:31:08,270 --> 01:31:05,940

this six-year-old child's or Corey Goods

2042

01:31:11,330 --> 01:31:08,280

I'm I'm excited about that kind of a

2043

01:31:13,250 --> 01:31:11,340

project right and you may remember that

2044

01:31:15,890 --> 01:31:13,260

when we did our comic disclosure

2045

01:31:18,890 --> 01:31:15,900

remember when I had the clowns and they

2046

01:31:20,870 --> 01:31:18,900

were they were talking and it was Corey

2047

01:31:24,050 --> 01:31:20,880

Good's voice and David Wilcox voice

2048

01:31:28,010 --> 01:31:24,060

talking about the secret space program

2049

01:31:30,770 --> 01:31:28,020

um there was some cartoon drawings in

2050

01:31:33,169 --> 01:31:30,780

crayon of like portals and spaceships

2051

01:31:35,169 --> 01:31:33,179

and stuff my son did that

2052

01:31:38,750 --> 01:31:35,179

ah

2053

01:31:41,930 --> 01:31:38,760

it's so but there's this new whole uh

2054

01:31:45,050 --> 01:31:41,940

plot line that people people are lazy

2055

01:31:47,450 --> 01:31:45,060

right he this guy who hasn't had a real

2056

01:31:50,510 --> 01:31:47,460

job in six years or seven or eight years

2057

01:31:53,149 --> 01:31:50,520

now is telling people that other people

2058

01:31:56,450 --> 01:31:53,159

are lazy because they're not doing

2059

01:31:58,970 --> 01:31:56,460

enough to save Earth how are you saving

2060

01:32:01,729 --> 01:31:58,980

Earth with a goddamn comic book you

2061

01:32:05,330 --> 01:32:01,739

dummy how are you saving Earth making

2062

01:32:07,490 --> 01:32:05,340

YouTube videos about nonsensical fake

2063

01:32:09,470 --> 01:32:07,500

stories you make up in your basement

2064

01:32:12,550 --> 01:32:09,480

right

2065

01:32:15,530 --> 01:32:12,560

Lady M is here with a Kind and Generous

2066

01:32:17,570 --> 01:32:15,540

9.99 Euro thank you for your kindness

2067

01:32:20,330 --> 01:32:17,580

your generosity and your support of the

2068

01:32:22,790 --> 01:32:20,340

show it is much much appreciated thank

2069

01:32:26,400 --> 01:32:22,800

you uh and thank you for helping us lady

2070

01:32:36,770 --> 01:32:26,410

em to praise the cash praise the cash

2071

01:32:38,390 --> 01:32:36,780

[Music]

2072

01:32:41,030 --> 01:32:38,400

that's right

2073

01:32:43,010 --> 01:32:41,040

and soon our little cash clown is going

2074

01:32:47,470 --> 01:32:43,020

to write a better secret space program

2075

01:32:50,390 --> 01:32:47,480

story than Corey good ever has right

2076

01:32:53,030 --> 01:32:50,400

oh so I'm sorry I was saying

2077

01:32:55,610 --> 01:32:53,040

you know this guy is such a hypocrite

2078

01:32:58,850 --> 01:32:55,620

like oh the the dirt nobody's doing

2079

01:33:03,129 --> 01:32:58,860

enough to save earth except me by making

2080

01:33:06,830 --> 01:33:03,139

stupid Badly Drawn terribly colored

2081

01:33:09,830 --> 01:33:06,840

ridiculous comic books and YouTube

2082

01:33:12,770 --> 01:33:09,840

videos where I sit in my basement and

2083

01:33:15,410 --> 01:33:12,780

tell Hey listen this is a shot of

2084

01:33:17,750 --> 01:33:15,420

reality this guy's sitting in his

2085

01:33:20,209 --> 01:33:17,760

goddamn basement telling everybody that

2086

01:33:22,970 --> 01:33:20,219

he knows everything about the universe

2087

01:33:26,510 --> 01:33:22,980

and he knows all this top secret

2088

01:33:30,169 --> 01:33:26,520

information and he's Earth's savior

2089

01:33:32,450 --> 01:33:30,179

remember and he's got all these contacts

2090

01:33:35,930 --> 01:33:32,460

with the Earth Alliance and the graphic

2091

01:33:38,990 --> 01:33:35,940

uh the Galactic Federation as scammers I

2092

01:33:41,930 --> 01:33:39,000

mean light right and he's got all this

2093

01:33:44,270 --> 01:33:41,940

secret information but he's sitting in

2094

01:33:47,330 --> 01:33:44,280

his basement with a dog barking in the

2095

01:33:49,490 --> 01:33:47,340

background and his kids running on top

2096

01:33:52,669 --> 01:33:49,500

of him we heard it earlier in the video

2097

01:33:53,950 --> 01:33:52,679

come on come on dude and he's calling

2098

01:33:57,129 --> 01:33:53,960

other people

2099

01:34:01,850 --> 01:33:57,139

delusional as he sits in his basement

2100

01:34:07,970 --> 01:34:05,030

is Earth's savior right

2101
01:34:10,490 --> 01:34:07,980
it's like what I'm saying is not soaking

2102
01:34:12,830 --> 01:34:10,500
in it's only going to be when everyone

2103
01:34:15,410 --> 01:34:12,840
says F this

2104
01:34:18,169 --> 01:34:15,420
I see what's going on enough of this and

2105
01:34:19,310 --> 01:34:18,179
gets gets out of into the streets in

2106
01:34:21,669 --> 01:34:19,320
that so that's the only thing that's

2107
01:34:24,790 --> 01:34:21,679
really going to set us on to a positive

2108
01:34:27,110 --> 01:34:24,800
timeline or change things

2109
01:34:29,810 --> 01:34:27,120
sitting around and listening to stories

2110
01:34:32,990 --> 01:34:29,820
about what ETS are doing often different

2111
01:34:35,990 --> 01:34:33,000
start systems or on the moon uh

2112
01:34:37,790 --> 01:34:36,000
that just becomes entertainment and a

2113
01:34:39,770 --> 01:34:37,800

distraction from the real battle that

2114

01:34:41,570 --> 01:34:39,780

we're supposed to be fighting

2115

01:34:43,250 --> 01:34:41,580

God damn Corey so do you think the

2116

01:34:45,530 --> 01:34:43,260

battle is partly political should people

2117

01:34:49,550 --> 01:34:45,540

be burning first that's a story God damn

2118

01:34:52,189 --> 01:34:49,560

listen Corey Goodson is so so happy he's

2119

01:34:55,550 --> 01:34:52,199

suing people in their dreams now how

2120

01:34:58,430 --> 01:34:55,560

dare he sue you with dreams Madar that's

2121

01:35:02,810 --> 01:34:58,440

ridiculous how dare he profits and

2122

01:35:07,910 --> 01:35:05,570

no I don't think there's going to be a

2123

01:35:09,830 --> 01:35:07,920

political solution to this I think it's

2124

01:35:12,950 --> 01:35:09,840

just going to have to be people standing

2125

01:35:15,649 --> 01:35:12,960

up and uh stop going to work people just

2126
01:35:18,709 --> 01:35:15,659
Society coming to a complete halt yeah

2127
01:35:22,070 --> 01:35:18,719
it's isn't it great this guy wants you

2128
01:35:25,010 --> 01:35:22,080
to stop going to work to protest right

2129
01:35:26,570 --> 01:35:25,020
and and help save Earth this guy who

2130
01:35:28,790 --> 01:35:26,580
hasn't gone to work in eight years

2131
01:35:30,470 --> 01:35:28,800
hasn't had a real job in eight years

2132
01:35:33,050 --> 01:35:30,480
he's going to tell people don't go to

2133
01:35:34,850 --> 01:35:33,060
work as a form of protest

2134
01:35:37,550 --> 01:35:34,860
is he going to feed everybody's family

2135
01:35:39,830 --> 01:35:37,560
is he going to feed everybody's children

2136
01:35:41,990 --> 01:35:39,840
that just stops going to work so that

2137
01:35:43,629 --> 01:35:42,000
they can protest the global cabal

2138
01:35:45,530 --> 01:35:43,639

whatever

2139

01:35:47,689 --> 01:35:45,540

and man

2140

01:35:49,250 --> 01:35:47,699

this guy goes back and forth I don't

2141

01:35:51,950 --> 01:35:49,260

know if it does have something to do

2142

01:35:53,390 --> 01:35:51,960

with perhaps some substances he's

2143

01:35:57,590 --> 01:35:53,400

ingesting but

2144

01:36:00,410 --> 01:35:57,600

you know he does not look good sometimes

2145

01:36:02,870 --> 01:36:00,420

right he looks like some of the people

2146

01:36:05,810 --> 01:36:02,880

that I grew up with that have substance

2147

01:36:09,290 --> 01:36:07,790

um and that's just my opinion and I'm

2148

01:36:10,910 --> 01:36:09,300

entitled to it you know that's what

2149

01:36:13,250 --> 01:36:10,920

happened on Lincoln's planet on many

2150

01:36:16,070 --> 01:36:13,260

other planets oh yeah that happened on

2151
01:36:17,930 --> 01:36:16,080
one of his Imaginary Friends planets so

2152
01:36:20,990 --> 01:36:17,940
and that's uh

2153
01:36:23,290 --> 01:36:21,000
that a war is not going to do it an

2154
01:36:26,689 --> 01:36:23,300
election it's not going to do it

2155
01:36:28,850 --> 01:36:26,699
to be everyone standing up

2156
01:36:31,070 --> 01:36:28,860
MS

2157
01:36:33,290 --> 01:36:31,080
it does seem as though all the power is

2158
01:36:35,870 --> 01:36:33,300
kind of been centralized I'm doing it

2159
01:36:37,370 --> 01:36:35,880
I'm doing money of course we're kind of

2160
01:36:38,990 --> 01:36:37,380
we've given over overpower by saying

2161
01:36:41,169 --> 01:36:39,000
these people have all the money and most

2162
01:36:44,330 --> 01:36:41,179
people haven't done the money

2163
01:36:46,790 --> 01:36:44,340

no they they created a

2164

01:36:50,030 --> 01:36:46,800

civilization based around a planetary

2165

01:36:52,149 --> 01:36:50,040

system and goods and services and all of

2166

01:36:55,129 --> 01:36:52,159

this and as humans

2167

01:36:59,410 --> 01:36:55,139

oh okay well yeah that worked because

2168

01:37:02,990 --> 01:36:59,420

then I'm able to do this and and so we

2169

01:37:04,910 --> 01:37:03,000

go along with it and that's what people

2170

01:37:06,470 --> 01:37:04,920

on the planet don't understand what the

2171

01:37:08,750 --> 01:37:06,480

ETS are saying

2172

01:37:10,490 --> 01:37:08,760

uh we can't come down and liberate you

2173

01:37:11,629 --> 01:37:10,500

and help you because you're getting what

2174

01:37:14,510 --> 01:37:11,639

you asked for you're getting what you

2175

01:37:16,149 --> 01:37:14,520

want you're participating in this

2176

01:37:19,510 --> 01:37:16,159

um

2177

01:37:22,070 --> 01:37:19,520

no no no you know [h__\h]

2178

01:37:24,430 --> 01:37:22,080

you are part of the system you are

2179

01:37:27,709 --> 01:37:24,440

consenting by being a part of the system

2180

01:37:31,010 --> 01:37:27,719

and it's only when everyone just brings

2181

01:37:33,350 --> 01:37:31,020

the system to a complete halt yes uh by

2182

01:37:34,790 --> 01:37:33,360

not participating the Next Generation

2183

01:37:38,629 --> 01:37:34,800

you know

2184

01:37:40,250 --> 01:37:38,639

nice little model like a little video

2185

01:37:42,950 --> 01:37:40,260

game and attracted all these little

2186

01:37:44,810 --> 01:37:42,960

players to come in and by the way Shane

2187

01:37:45,890 --> 01:37:44,820

the Ruiner is an interesting character a

2188

01:37:48,290 --> 01:37:45,900

lot of people don't know this but

2189

01:37:50,629 --> 01:37:48,300

there's a guy named Shane the Ruiner who

2190

01:37:53,570 --> 01:37:50,639

was actually offered Corey Good's job

2191

01:37:57,590 --> 01:37:53,580

with David Wilcock on Gaia TV before

2192

01:38:00,709 --> 01:37:57,600

David before Corey Goode got the job and

2193

01:38:03,350 --> 01:38:00,719

he you know he turned it down and he is

2194

01:38:05,570 --> 01:38:03,360

a big skeptic of all the secret space

2195

01:38:07,550 --> 01:38:05,580

program people of course he's got his

2196

01:38:09,709 --> 01:38:07,560

own Wackadoo theories like there's no

2197

01:38:11,870 --> 01:38:09,719

such thing as space and

2198

01:38:14,030 --> 01:38:11,880

but he's an interesting character and

2199

01:38:16,550 --> 01:38:14,040

we're gonna have him as a guest I was

2200

01:38:17,870 --> 01:38:16,560

trying to get him on with CW Chandler

2201

01:38:20,149 --> 01:38:17,880

we'll see if we can't make that happen

2202

01:38:22,490 --> 01:38:20,159

still I think he's still active in the

2203

01:38:25,550 --> 01:38:22,500

system and the system is taking over the

2204

01:38:28,310 --> 01:38:25,560

planet and we're contributing to it

2205

01:38:30,890 --> 01:38:28,320

each and every one of us me to everyone

2206

01:38:33,890 --> 01:38:30,900

so you can yell I don't understand all

2207

01:38:35,209 --> 01:38:33,900

you want hey but ABN lives matter you're

2208

01:38:39,709 --> 01:38:35,219

consenting

2209

01:38:41,510 --> 01:38:39,719

to this civilization and we're all

2210

01:38:43,310 --> 01:38:41,520

responsible for this shitty civilization

2211

01:38:45,669 --> 01:38:43,320

no matter you call yourself a white

2212

01:38:48,950 --> 01:38:45,679

worker or whatever we're all responsible

2213

01:38:51,229 --> 01:38:48,960

and uh ETS aren't going to come down and

2214

01:38:53,510 --> 01:38:51,239

save us military factions are going to

2215

01:38:55,370 --> 01:38:53,520

rise up and do step he was just from

2216

01:38:58,310 --> 01:38:55,380

raised by Giants you know two Gallows

2217

01:39:00,229 --> 01:38:58,320

that have been uh running this planet in

2218

01:39:01,970 --> 01:39:00,239

an evil way it's going to have to be us

2219

01:39:05,149 --> 01:39:01,980

the people who are participating in it

2220

01:39:06,169 --> 01:39:05,159

are gonna have to stop that's it it's

2221

01:39:08,030 --> 01:39:06,179

that simple

2222

01:39:09,350 --> 01:39:08,040

and how do you stop quitting the job

2223

01:39:11,930 --> 01:39:09,360

people just don't get it I don't know

2224

01:39:13,550 --> 01:39:11,940

why just quit your job my voice I'm

2225

01:39:16,010 --> 01:39:13,560

starting to it's really starting to die

2226

01:39:18,709 --> 01:39:16,020

it's really responsible of this guy who

2227

01:39:21,110 --> 01:39:18,719

has how many a million followers or

2228

01:39:23,090 --> 01:39:21,120

whatever he claims to have to just tell

2229

01:39:24,950 --> 01:39:23,100

people you know what the system is

2230

01:39:26,930 --> 01:39:24,960

broken and we're never going to fix it

2231

01:39:28,070 --> 01:39:26,940

with a political solution so just quit

2232

01:39:32,750 --> 01:39:28,080

your job

2233

01:39:35,030 --> 01:39:32,760

right

2234

01:39:38,030 --> 01:39:35,040

very irresponsible

2235

01:39:39,830 --> 01:39:38,040

yeah he's got a travel channel t-shirt

2236

01:39:43,310 --> 01:39:39,840

maybe he's traveling to the Moon later

2237

01:39:45,470 --> 01:39:43,320

shut up shut up Johnny Seven this this

2238

01:39:47,930 --> 01:39:45,480

is Earth's Galactic Ambassador have some

2239

01:39:50,090 --> 01:39:47,940

respect

2240

01:39:51,649 --> 01:39:50,100

CW channel coverage chain the Ruiner

2241

01:39:53,990 --> 01:39:51,659

yeah I'm trying to get them both on

2242

01:39:55,790 --> 01:39:54,000

together Mark Tarana because I'm gonna

2243

01:39:58,490 --> 01:39:55,800

I'm I'm I'm

2244

01:40:00,229 --> 01:39:58,500

a little bit of a drama farmer and I

2245

01:40:02,149 --> 01:40:00,239

think if we got them both on the same

2246

01:40:04,550 --> 01:40:02,159

show they might there might be some

2247

01:40:06,649 --> 01:40:04,560

fireworks but those guys are both highly

2248

01:40:08,270 --> 01:40:06,659

intelligent and I think it would be a

2249

01:40:10,970 --> 01:40:08,280

good conversation and I just want them

2250

01:40:12,950 --> 01:40:10,980

to talk in general terms about the

2251
01:40:15,050 --> 01:40:12,960
secret space program and and we'll see

2252
01:40:18,250 --> 01:40:15,060
if we can do that I mean the secret

2253
01:40:21,770 --> 01:40:18,260
space program scammers right

2254
01:40:27,169 --> 01:40:24,290
the the SSP uniform is only a silver

2255
01:40:29,750 --> 01:40:27,179
thong yes I've confirmed that with my

2256
01:40:32,030 --> 01:40:29,760
Imaginary Friends B Baker and Mike

2257
01:40:35,810 --> 01:40:32,040
Gonzalez says that he wears that SSP

2258
01:40:38,149 --> 01:40:35,820
thong all the time yes

2259
01:40:40,010 --> 01:40:38,159
Shane and C.W channel on together

2260
01:40:40,850 --> 01:40:40,020
excellent yeah I'm gonna try to make it

2261
01:40:43,250 --> 01:40:40,860
happen

2262
01:40:44,750 --> 01:40:43,260
uh Shane and C people want to see that

2263
01:40:47,870 --> 01:40:44,760

that would be epic you could be the

2264

01:40:51,110 --> 01:40:47,880

referee no but we're gonna try to have a

2265

01:40:53,450 --> 01:40:51,120

all have a conversation about the secret

2266

01:40:54,950 --> 01:40:53,460

space scam

2267

01:40:57,169 --> 01:40:54,960

uh

2268

01:40:59,629 --> 01:40:57,179

his fans stopped going to work cash flow

2269

01:41:01,970 --> 01:40:59,639

into the yeah that's another reason he's

2270

01:41:05,629 --> 01:41:01,980

an idiot he's telling people to stop

2271

01:41:07,729 --> 01:41:05,639

going to work hey dummy do you know if

2272

01:41:11,689 --> 01:41:07,739

they don't have money they can't buy

2273

01:41:14,169 --> 01:41:11,699

your garbage fake [h__h]

2274

01:41:18,590 --> 01:41:14,179

but besides that it's just incredibly

2275

01:41:20,510 --> 01:41:18,600

Maria Rose I just happen to know that a

2276

01:41:24,350 --> 01:41:20,520

lot of the people that follow him and

2277

01:41:26,330 --> 01:41:24,360

David Wilcock are very vulnerable people

2278

01:41:28,910 --> 01:41:26,340

let's just leave it at that some of them

2279

01:41:31,209 --> 01:41:28,920

may have mental issues or disabilities

2280

01:41:34,729 --> 01:41:31,219

or whatever I've met a lot of people

2281

01:41:37,850 --> 01:41:34,739

that follow them and are big fans of

2282

01:41:40,149 --> 01:41:37,860

theirs that are let's just say

2283

01:41:43,669 --> 01:41:40,159

I don't know what the right term is

2284

01:41:45,109 --> 01:41:43,679

neurodivergent or mentally problematic

2285

01:41:48,109 --> 01:41:45,119

or whatever

2286

01:41:50,030 --> 01:41:48,119

and I I for one think it's incredibly

2287

01:41:51,729 --> 01:41:50,040

irresponsible knowing that a large

2288

01:41:54,830 --> 01:41:51,739

portion of his crowd are a little

2289

01:41:57,169 --> 01:41:54,840

Wackadoo uh to just tell people to stop

2290

01:41:59,030 --> 01:41:57,179

going to work right

2291

01:42:00,890 --> 01:41:59,040

besides the fact that it's a stupid

2292

01:42:03,890 --> 01:42:00,900

business move how they're going to buy

2293

01:42:05,990 --> 01:42:03,900

333 courses without a paycheck Corey

2294

01:42:07,729 --> 01:42:06,000

good all right all right we can do just

2295

01:42:09,350 --> 01:42:07,739

a few more

2296

01:42:12,890 --> 01:42:09,360

um maybe two

2297

01:42:14,689 --> 01:42:12,900

all right oh my poor throat I can't

2298

01:42:17,149 --> 01:42:14,699

answer any more questions Mike why does

2299

01:42:19,790 --> 01:42:17,159

the Superfast should me have access to a

2300

01:42:21,890 --> 01:42:19,800

med bed should it be able to just get

2301

01:42:25,129 --> 01:42:21,900

out regenerated like all the med bed

2302

01:42:27,290 --> 01:42:25,139

scammers say come on Corey you can't

2303

01:42:29,270 --> 01:42:27,300

call the blue Aviance to fix your throat

2304

01:42:31,850 --> 01:42:29,280

Federation allow planets like ours to be

2305

01:42:34,970 --> 01:42:31,860

covert sorry guys I can't give you any

2306

01:42:37,490 --> 01:42:34,980

new Intel today I got the sniffles as a

2307

01:42:39,649 --> 01:42:37,500

sore throat and the blue aliens couldn't

2308

01:42:41,689 --> 01:42:39,659

help me fix it

2309

01:42:44,030 --> 01:42:41,699

so stupid

2310

01:42:47,090 --> 01:42:44,040

really interfered with at such serious

2311

01:42:50,750 --> 01:42:47,100

levels of manipulation and deceit

2312

01:42:52,609 --> 01:42:50,760

well it's not that that you instead of

2313

01:42:55,070 --> 01:42:52,619

that question you should ask why do

2314

01:42:58,850 --> 01:42:55,080

humans on the planet allow these groups

2315

01:43:02,270 --> 01:42:58,860

to come in and and do these evil things

2316

01:43:03,770 --> 01:43:02,280

if we open the door and let them in

2317

01:43:07,850 --> 01:43:03,780

that's on us

2318

01:43:11,709 --> 01:43:07,860

and uh the super federations aren't you

2319

01:43:15,169 --> 01:43:11,719

know uh local police that uh you know

2320

01:43:17,390 --> 01:43:15,179

according to common law we're cool with

2321

01:43:20,390 --> 01:43:17,400

it you know we we're going along with

2322

01:43:22,310 --> 01:43:20,400

all of this BS and we have for many many

2323

01:43:24,290 --> 01:43:22,320

many many generations and there's no

2324

01:43:27,290 --> 01:43:24,300

sign that we're going to change anytime

2325

01:43:29,209 --> 01:43:27,300

soon so uh why should the super

2326

01:43:34,430 --> 01:43:29,219

Federation become chronically entangled

2327

01:43:41,530 --> 01:43:34,440

uh with a civilization that uh is itself

2328

01:43:45,950 --> 01:43:43,550

on their planet

2329

01:43:51,169 --> 01:43:45,960

in between taking shots in the mouth who

2330

01:43:54,109 --> 01:43:51,179

knows I can't remember it might have uh

2331

01:43:56,030 --> 01:43:54,119

it might have been quite a longer period

2332

01:43:59,870 --> 01:43:56,040

of time I would have to look over that

2333

01:44:02,750 --> 01:43:59,880

information again that was so long ago

2334

01:44:05,330 --> 01:44:02,760

um but notice how many times he says um

2335

01:44:10,609 --> 01:44:05,340

uh uh

2336

01:44:13,850 --> 01:44:10,619

trying to think of Lies

2337

01:44:18,109 --> 01:44:13,860

in my opinion yeah they

2338

01:44:20,470 --> 01:44:18,119

they stood up and had their uh moment of

2339

01:44:23,810 --> 01:44:20,480

defiance against their cabal before

2340

01:44:25,790 --> 01:44:23,820

their solar event and they were looking

2341

01:44:29,209 --> 01:44:25,800

forward to their solar event they knew

2342

01:44:32,470 --> 01:44:29,219

it was going to be an overall positive

2343

01:44:34,729 --> 01:44:32,480

thing even though it caused a lot of

2344

01:44:36,649 --> 01:44:34,739

uh they were looking forward to getting

2345

01:44:40,010 --> 01:44:36,659

their Planet destroyed by a solar flash

2346

01:44:41,870 --> 01:44:40,020

great this that makes total sense Corey

2347

01:44:45,410 --> 01:44:41,880

problems on their Planet while it

2348

01:44:49,129 --> 01:44:45,420

happened they understood uh the benefit

2349

01:44:53,209 --> 01:44:51,050

and that's probably the last one I can

2350

01:44:55,310 --> 01:44:53,219

do okay

2351

01:44:57,590 --> 01:44:55,320

all right

2352

01:44:59,750 --> 01:44:57,600

well we made it through friends and I I

2353

01:45:00,530 --> 01:44:59,760

would play it out to the end but Corey

2354

01:45:03,470 --> 01:45:00,540

good

2355

01:45:06,709 --> 01:45:03,480

is using a new tactic using copyrighted

2356

01:45:08,030 --> 01:45:06,719

music in order to prevent

2357

01:45:10,430 --> 01:45:08,040

um well

2358

01:45:11,510 --> 01:45:10,440

in any case they use copyright music at

2359

01:45:14,689 --> 01:45:11,520

times and we don't want to get a

2360

01:45:17,209 --> 01:45:14,699

copyright claim and lose our ability to

2361

01:45:19,370 --> 01:45:17,219

praise the cash for this show which is

2362

01:45:21,709 --> 01:45:19,380

an hour and 45 minutes because of Five

2363

01:45:24,229 --> 01:45:21,719

Seconds of Corey good garbage music that

2364

01:45:27,350 --> 01:45:24,239

he got from some you know

2365

01:45:30,229 --> 01:45:27,360

site that he is licensed to use but we

2366

01:45:32,870 --> 01:45:30,239

are not so we're going to call it there

2367

01:45:37,490 --> 01:45:32,880

uh another

2368

01:45:40,189 --> 01:45:37,500

chat q a chat with Corey good and what

2369

01:45:42,169 --> 01:45:40,199

did we learn nothing we learned that

2370

01:45:44,209 --> 01:45:42,179

Corey good is still making up stupid

2371

01:45:45,830 --> 01:45:44,219

fake stories that's what we learned

2372

01:45:51,010 --> 01:45:45,840

right

2373

01:45:53,149 --> 01:45:51,020

and sayings ridiculous uh in my opinion

2374

01:45:54,290 --> 01:45:53,159

irresponsible things like just quit your

2375

01:45:57,410 --> 01:45:54,300

job

2376

01:45:59,450 --> 01:45:57,420

just quit to quit right

2377

01:46:00,830 --> 01:45:59,460

stop going to work he didn't say quit

2378

01:46:03,350 --> 01:46:00,840

your job he said stop going to work

2379

01:46:08,209 --> 01:46:06,109

yeah he's really he's really scraping

2380

01:46:10,250 --> 01:46:08,219

the bottom of the [h__h] Barrel that's

2381

01:46:12,770 --> 01:46:10,260

what's going on here he's scraping the

2382

01:46:15,109 --> 01:46:12,780

bottom of the BS Barrel

2383

01:46:18,169 --> 01:46:15,119

B Baker right

2384

01:46:20,689 --> 01:46:18,179

yeah and I've got another I've got

2385

01:46:22,669 --> 01:46:20,699

another fun shirt to share with you uh

2386

01:46:24,890 --> 01:46:22,679

but I need a break because the last

2387

01:46:28,750 --> 01:46:24,900

thing that we want is me shirtless on my

2388

01:46:30,950 --> 01:46:28,760

show I'm not CW Tanner right

2389

01:46:32,570 --> 01:46:30,960

I don't know if any of you remember but

2390

01:46:34,310 --> 01:46:32,580

there was some time I don't know why but

2391

01:46:40,070 --> 01:46:34,320

he just took his shirt off or something

2392

01:46:41,689 --> 01:46:40,080

yeah not good uh so uh listen uh now is

2393

01:46:43,970 --> 01:46:41,699

a good time for me to remind everybody

2394

01:46:47,090 --> 01:46:43,980

that we are a viewer support show we've

2395

01:46:49,189 --> 01:46:47,100

had excellent support tonight but uh we

2396

01:46:52,310 --> 01:46:49,199

still like to remind people of how they

2397

01:46:55,310 --> 01:46:52,320

could support the show and uh also I'll

2398

01:46:57,770 --> 01:46:55,320

put my banner up uh it's still early and

2399

01:46:59,510 --> 01:46:57,780

I've got more time to share with you I

2400

01:47:02,689 --> 01:46:59,520

promise

2401
01:47:05,090 --> 01:47:02,699
um so I like to remind people when we

2402
01:47:07,189 --> 01:47:05,100
listen it's only a few minutes this

2403
01:47:08,810 --> 01:47:07,199
whole thing where we show you how you

2404
01:47:10,430 --> 01:47:08,820
could support our show is only a couple

2405
01:47:12,830 --> 01:47:10,440
of minutes

2406
01:47:15,709 --> 01:47:12,840
um but we like to remind you that the

2407
01:47:18,050 --> 01:47:15,719
show is not over uh we'll be right back

2408
01:47:19,970 --> 01:47:18,060
after this quick short message of how

2409
01:47:21,910 --> 01:47:19,980
you could support the show and I've got

2410
01:47:24,470 --> 01:47:21,920
another funny shirt to share with you

2411
01:47:27,830 --> 01:47:24,480
it's especially appropriate for tonight

2412
01:47:29,149 --> 01:47:27,840
I promise so we are a viewer supported

2413
01:47:31,010 --> 01:47:29,159

show it's thanks to the kindness

2414

01:47:33,350 --> 01:47:31,020

generosity and support of viewers like

2415

01:47:35,629 --> 01:47:33,360

you that we could keep doing this and

2416

01:47:37,430 --> 01:47:35,639

isn't it amazing when I started this

2417

01:47:39,470 --> 01:47:37,440

show people told me like you're gonna do

2418

01:47:41,209 --> 01:47:39,480

you know I told a few people like I'm

2419

01:47:43,729 --> 01:47:41,219

going to be I'm going to go after some

2420

01:47:45,649 --> 01:47:43,739

of these fake fraud clowns and they're

2421

01:47:48,590 --> 01:47:45,659

like it'll never work people told me

2422

01:47:50,450 --> 01:47:48,600

like it'll never work only the guys that

2423

01:47:53,030 --> 01:47:50,460

lie to people make money and I said no

2424

01:47:54,830 --> 01:47:53,040

no we're going to tell people the truth

2425

01:47:56,990 --> 01:47:54,840

and we're going to teach people critical

2426
01:47:58,550 --> 01:47:57,000
thinking skills and how ridiculous some

2427
01:47:59,990 --> 01:47:58,560
of this stuff is and how some of these

2428
01:48:01,729 --> 01:48:00,000
people make no sense and have no

2429
01:48:05,090 --> 01:48:01,739
evidence and people told me it wouldn't

2430
01:48:06,709 --> 01:48:05,100
work but it looks like it does because I

2431
01:48:08,149 --> 01:48:06,719
really do think the tides are turning

2432
01:48:10,970 --> 01:48:08,159
and more and more people are getting

2433
01:48:12,770 --> 01:48:10,980
tired of these UFO fraudster clowns with

2434
01:48:16,189 --> 01:48:12,780
their fake stories and their lack of

2435
01:48:19,250 --> 01:48:16,199
evidence and maybe just maybe we could

2436
01:48:21,770 --> 01:48:19,260
have a new era of of real researchers

2437
01:48:25,310 --> 01:48:21,780
looking into these Mysteries and

2438
01:48:27,109 --> 01:48:25,320

offering value when people give them a

2439

01:48:31,790 --> 01:48:27,119

little bit of support especially

2440

01:48:34,010 --> 01:48:31,800

financially instead of hey give me 750

2441

01:48:36,229 --> 01:48:34,020

000 so I could teach you a course of

2442

01:48:38,629 --> 01:48:36,239

nonsense I didn't even write like this

2443

01:48:41,689 --> 01:48:38,639

guy Corey good did but luckily for us

2444

01:48:44,090 --> 01:48:41,699

there's kind and generous people all

2445

01:48:46,609 --> 01:48:44,100

over the planet Earth and and they help

2446

01:48:49,609 --> 01:48:46,619

us to praise the cash praise to cash

2447

01:48:50,870 --> 01:48:49,619

Hallelujah and that enables us to do

2448

01:48:53,629 --> 01:48:50,880

this good work

2449

01:48:56,030 --> 01:48:53,639

here's uh our wonderful announcer Ian

2450

01:48:58,189 --> 01:48:56,040

the man with the golden voice who is

2451

01:48:59,810 --> 01:48:58,199

going to let you know how you can

2452

01:49:02,149 --> 01:48:59,820

support the show the show is not over

2453

01:49:15,490 --> 01:49:02,159

we'll be back taking your comments and

2454

01:49:21,169 --> 01:49:18,109

truth Seekers is a viewer's supported

2455

01:49:23,510 --> 01:49:21,179

show wonderful people like you who enjoy

2456

01:49:26,169 --> 01:49:23,520

this show send pledges in the form of

2457

01:49:28,729 --> 01:49:26,179

Super Chat super stickers super thanks

2458

01:49:31,370 --> 01:49:28,739

PayPal or cash out

2459

01:49:32,689 --> 01:49:31,380

instructions for how to help are in the

2460

01:49:35,629 --> 01:49:32,699

description

2461

01:49:37,790 --> 01:49:35,639

you can also join our patreon and for as

2462

01:49:41,090 --> 01:49:37,800

little as one dollar a month you can get

2463

01:49:43,790 --> 01:49:41,100

extra content patreon supporters get a

2464

01:49:45,530 --> 01:49:43,800

backstage pass Early Access to all my

2465

01:49:48,050 --> 01:49:45,540

Production videos before they are

2466

01:49:50,750 --> 01:49:48,060

distributed publicly Stephen campion's

2467

01:49:54,109 --> 01:49:50,760

music private writings a monthly show

2468

01:49:56,090 --> 01:49:54,119

journal and more you can also become a

2469

01:49:58,790 --> 01:49:56,100

YouTube channel member for five dollars

2470

01:50:01,550 --> 01:49:58,800

a month a YouTube membership includes

2471

01:50:04,490 --> 01:50:01,560

all the patreon benefits plus as special

2472

01:50:07,310 --> 01:50:04,500

members badge priority reply to video

2473

01:50:09,590 --> 01:50:07,320

comments and the live chat plus a

2474

01:50:12,050 --> 01:50:09,600

monthly Members Only video

2475

01:50:15,070 --> 01:50:12,060

thank you all kinds and generous

2476
01:50:18,169 --> 01:50:15,080
benefactors for supporting truth Seekers

2477
01:50:31,160 --> 01:50:18,179
thank you for your generosity and

2478
01:50:55,340 --> 01:50:40,350
[Music]

2479
01:50:59,470 --> 01:50:55,350
thank you

2480
01:51:05,090 --> 01:51:02,149
thanks for being here this is true

2481
01:51:07,850 --> 01:51:05,100
Seekers with your hosts Stephen Champion

2482
01:51:10,490 --> 01:51:07,860
please write like and comment on our

2483
01:51:12,410 --> 01:51:10,500
videos and podcasts if you are listening

2484
01:51:14,750 --> 01:51:12,420
to an all of your podcasts please raise

2485
01:51:17,209 --> 01:51:14,760
us five stars to help us rise in the

2486
01:51:19,189 --> 01:51:17,219
search rankings if you're watching on

2487
01:51:21,590 --> 01:51:19,199
YouTube please like comment and

2488
01:51:23,450 --> 01:51:21,600

subscribe to our Channel if you're

2489

01:51:26,030 --> 01:51:23,460

listening to all your podcast we love

2490

01:51:28,970 --> 01:51:26,040

and appreciate you listeners but you are

2491

01:51:31,850 --> 01:51:28,980

missing the live tapings all our shows

2492

01:51:33,950 --> 01:51:31,860

are recorded live with video themes we'd

2493

01:51:36,430 --> 01:51:33,960

love you to come be a part of our live

2494

01:51:39,350 --> 01:51:36,440

broadcasts and tapings for the podcast

2495

01:51:42,109 --> 01:51:39,360

head on over to YouTube click the Search

2496

01:51:43,850 --> 01:51:42,119

tool the little magnifying glass what

2497

01:51:46,609 --> 01:51:43,860

should see his one word in the search

2498

01:51:48,890 --> 01:51:46,619

bar and hit enter you'll see a strange

2499

01:51:51,109 --> 01:51:48,900

and mysterious guy with sunglasses that

2500

01:51:53,510 --> 01:51:51,119

means you found the channel go there

2501
01:51:56,270 --> 01:51:53,520
smash the Subscribe button and hit the

2502
01:51:58,189 --> 01:51:56,280
notification Bell to receive up-to-date

2503
01:52:00,350 --> 01:51:58,199
info on our YouTube channel

2504
01:52:03,350 --> 01:52:00,360
we welcome you to be a part of our live

2505
01:52:07,550 --> 01:52:03,360
taping and our chat room during the live

2506
01:52:24,169 --> 01:52:07,560
broadcasts seek the truth speak the

2507
01:52:29,770 --> 01:52:26,530
see that wasn't so bad and we're back

2508
01:52:33,410 --> 01:52:29,780
and uh I have a few things other

2509
01:52:35,209 --> 01:52:33,420
reminders uh things that we want to make

2510
01:52:37,010 --> 01:52:35,219
sure you understand there's other ways

2511
01:52:39,470 --> 01:52:37,020
that you can help the show of course

2512
01:52:41,510 --> 01:52:39,480
besides throwing money at us one of

2513
01:52:45,050 --> 01:52:41,520

those ways is to like comment subscribe

2514

01:52:47,810 --> 01:52:45,060

and share and I'm also asking a special

2515

01:52:50,149 --> 01:52:47,820

favor of some of you if you enjoy the

2516

01:52:53,810 --> 01:52:50,159

content if you like tonight's show live

2517

01:52:56,689 --> 01:52:53,820

show we're asking people to accept the

2518

01:52:59,030 --> 01:52:56,699

watch one more challenge because if you

2519

01:53:01,370 --> 01:52:59,040

watch one more on YouTube it does

2520

01:53:03,890 --> 01:53:01,380

something with the algorithm to let the

2521

01:53:06,470 --> 01:53:03,900

YouTube know that we produce good

2522

01:53:08,810 --> 01:53:06,480

quality content that people like enough

2523

01:53:11,450 --> 01:53:08,820

to come back to and then they turn the

2524

01:53:14,990 --> 01:53:11,460

dial up and start recommending us to

2525

01:53:17,450 --> 01:53:15,000

more uh in more people's feeds and that

2526

01:53:18,890 --> 01:53:17,460

will certainly benefit us the other

2527

01:53:21,370 --> 01:53:18,900

thing I would like to remind you is that

2528

01:53:25,490 --> 01:53:21,380

we have a website now

2529

01:53:28,129 --> 01:53:25,500

truthseekershow.com it's just one truth

2530

01:53:32,930 --> 01:53:28,139

Seeker truth seeker and then the word

2531

01:53:35,410 --> 01:53:32,940

show all one word.com and uh there you

2532

01:53:39,770 --> 01:53:35,420

can get all all of our latest audio

2533

01:53:42,050 --> 01:53:39,780

podcasts and uh we have a lot of extras

2534

01:53:44,930 --> 01:53:42,060

because we're catching up oh there's is

2535

01:53:46,550 --> 01:53:44,940

David Wilcock melting down uh is this

2536

01:53:49,609 --> 01:53:46,560

the face of Bigfoot that was with

2537

01:53:50,510 --> 01:53:49,619

Anthony from unidentified S4 uh and of

2538

01:53:53,510 --> 01:53:50,520

course

2539

01:53:56,750 --> 01:53:53,520

the the latest show is always an audio

2540

01:53:58,129 --> 01:53:56,760

podcast the the very next day so if

2541

01:54:00,109 --> 01:53:58,139

you're listening at work or want to

2542

01:54:02,209 --> 01:54:00,119

catch up at work the audio podcast is a

2543

01:54:05,090 --> 01:54:02,219

great way to do it also hear from all

2544

01:54:07,609 --> 01:54:05,100

over the world all of you kind people

2545

01:54:10,669 --> 01:54:07,619

drop me a note and say hey I I deliver

2546

01:54:13,970 --> 01:54:10,679

for Amazon or whatever the case may be I

2547

01:54:16,189 --> 01:54:13,980

drive a long-haul truck and uh those

2548

01:54:18,590 --> 01:54:16,199

people prefer the audio podcast and it's

2549

01:54:21,649 --> 01:54:18,600

there as a public service for all of you

2550

01:54:24,410 --> 01:54:21,659

we have all the latest uh right on the

2551
01:54:27,850 --> 01:54:24,420
website truthseekershow.com and here you

2552
01:54:30,669 --> 01:54:27,860
can get all of our latest videos as well

2553
01:54:33,470 --> 01:54:30,679
uh all the latest videos that we release

2554
01:54:35,750 --> 01:54:33,480
uh if you missed it yesterday we posted

2555
01:54:38,330 --> 01:54:35,760
this and this is just a laugh Riot this

2556
01:54:40,370 --> 01:54:38,340
is Randy Kramer uh scamming people for

2557
01:54:42,890 --> 01:54:40,380
40 minutes straight about Med beds while

2558
01:54:44,990 --> 01:54:42,900
he was running the GoFundMe scam and you

2559
01:54:47,030 --> 01:54:45,000
know he's getting oh I got my my arms

2560
01:54:49,970 --> 01:54:47,040
and legs blown off so many times and I

2561
01:54:52,189 --> 01:54:49,980
lost count and uh yeah I could get my

2562
01:54:55,669 --> 01:54:52,199
arm blown off at breakfast and I'd be

2563
01:55:00,370 --> 01:54:55,679

back at work by dinner time and oh it is

2564

01:55:02,689 --> 01:55:00,380

it is glorious in its art of BS it is

2565

01:55:04,910 --> 01:55:02,699

just ridiculous and I thought it was

2566

01:55:07,430 --> 01:55:04,920

funny enough to post it as a separate

2567

01:55:10,010 --> 01:55:07,440

video and of course all the latest video

2568

01:55:12,709 --> 01:55:10,020

episodes of Truth Seekers are all

2569

01:55:14,510 --> 01:55:12,719

available on the on our website right

2570

01:55:16,189 --> 01:55:14,520

from the website so it's a great if you

2571

01:55:18,129 --> 01:55:16,199

want a convenient place to catch up with

2572

01:55:20,870 --> 01:55:18,139

everything true Seekers

2573

01:55:22,370 --> 01:55:20,880

truthseekersshow.com and one thing I'm

2574

01:55:24,229 --> 01:55:22,380

going to ask you is there's a little

2575

01:55:27,050 --> 01:55:24,239

button here that says get notified of

2576

01:55:30,470 --> 01:55:27,060

new episodes well we have to change it

2577

01:55:32,930 --> 01:55:30,480

to join our mail list but it does two

2578

01:55:34,669 --> 01:55:32,940

things once you sign up there and just

2579

01:55:37,189 --> 01:55:34,679

give your email address you'll get an

2580

01:55:39,590 --> 01:55:37,199

email notice every time new content is

2581

01:55:41,810 --> 01:55:39,600

available uh but better than that I'm

2582

01:55:43,729 --> 01:55:41,820

going to be starting a true Seekers

2583

01:55:45,890 --> 01:55:43,739

newsletter uh that we're going to send

2584

01:55:49,010 --> 01:55:45,900

out to everybody who signs up for this

2585

01:55:50,870 --> 01:55:49,020

email list every month so uh you'll get

2586

01:55:53,209 --> 01:55:50,880

a little bit of extra goodie in the form

2587

01:55:55,609 --> 01:55:53,219

of a free newsletter and listen this is

2588

01:55:59,209 --> 01:55:55,619

not real spammy it just sends you a

2589

01:56:01,490 --> 01:55:59,219

notice uh that tells you uh this new

2590

01:56:05,390 --> 01:56:01,500

episode is available or once a month

2591

01:56:07,729 --> 01:56:05,400

you'll get a a letter from me all about

2592

01:56:10,370 --> 01:56:07,739

the show it's a great thing to do

2593

01:56:11,990 --> 01:56:10,380

especially in today's uh world of

2594

01:56:12,530 --> 01:56:12,000

increasing

2595

01:56:14,810 --> 01:56:12,540

um

2596

01:56:18,229 --> 01:56:14,820

you know

2597

01:56:20,330 --> 01:56:18,239

it's it's sad to say this but we could

2598

01:56:21,950 --> 01:56:20,340

be going from YouTube tomorrow or any of

2599

01:56:24,229 --> 01:56:21,960

the platforms that we distribute the

2600

01:56:27,530 --> 01:56:24,239

show on due to all of this hyper

2601
01:56:30,050 --> 01:56:27,540
sensitive censorship so it's a great way

2602
01:56:31,850 --> 01:56:30,060
to make sure that you will always remain

2603
01:56:33,770 --> 01:56:31,860
in contact with us if you're a fan of

2604
01:56:35,270 --> 01:56:33,780
the show and I will change the button

2605
01:56:37,310 --> 01:56:35,280
eventually but for now it says get

2606
01:56:39,350 --> 01:56:37,320
notified of new episodes you just click

2607
01:56:41,990 --> 01:56:39,360
that and you enter your email address

2608
01:56:45,350 --> 01:56:42,000
you're all signed up uh the other thing

2609
01:56:47,930 --> 01:56:45,360
that I would remind you is uh to follow

2610
01:56:49,910 --> 01:56:47,940
me on Twitter at Stephen Camden WE Post

2611
01:56:51,770 --> 01:56:49,920
everything on Twitter before anything

2612
01:56:53,870 --> 01:56:51,780
else and we always make announcements on

2613
01:56:55,850 --> 01:56:53,880

Twitter of new episodes new podcasts all

2614

01:56:58,970 --> 01:56:55,860

that stuff it's all available on Twitter

2615

01:57:01,430 --> 01:56:58,980

it's just my name at Stephen Campion and

2616

01:57:03,470 --> 01:57:01,440

you'll find us and

2617

01:57:05,689 --> 01:57:03,480

um the final thing I will remind you is

2618

01:57:08,209 --> 01:57:05,699

that all of you have been asking for

2619

01:57:10,609 --> 01:57:08,219

years why you should have a trip Seekers

2620

01:57:13,010 --> 01:57:10,619

t-shirt or you should have merchandise

2621

01:57:15,530 --> 01:57:13,020

and I a hundred percent agree with you

2622

01:57:17,450 --> 01:57:15,540

and we finally got that done there is a

2623

01:57:20,209 --> 01:57:17,460

link in the description of the video or

2624

01:57:23,510 --> 01:57:20,219

podcast for how you can go to our Amazon

2625

01:57:25,970 --> 01:57:23,520

merchandise store and buy some swag and

2626

01:57:28,310 --> 01:57:25,980

it all supports the show and and we

2627

01:57:32,030 --> 01:57:28,320

appreciate you doing that and here's a

2628

01:57:35,450 --> 01:57:32,040

sample this one is my favorite it says

2629

01:57:37,430 --> 01:57:35,460

don't sue me bro I think this one is

2630

01:57:40,550 --> 01:57:37,440

especially appropriate for today's show

2631

01:57:42,890 --> 01:57:40,560

don't sue me bro and it's got my head

2632

01:57:46,010 --> 01:57:42,900

with the shades and and the headphones

2633

01:57:48,530 --> 01:57:46,020

as you're used to seeing me so don't sue

2634

01:57:51,649 --> 01:57:48,540

me bro there's also all kinds of fun

2635

01:57:55,070 --> 01:57:51,659

shirts on that uh Amazon merchandise

2636

01:57:58,010 --> 01:57:55,080

store uh you can get a shirt that says

2637

01:58:00,470 --> 01:57:58,020

professional Wackadoo translator you

2638

01:58:02,990 --> 01:58:00,480

could get a shirt that says uh Wackadoo

2639

01:58:05,209 --> 01:58:03,000

super duper Pruder maneuver or just a

2640

01:58:07,490 --> 01:58:05,219

shirt that says praise the cash and

2641

01:58:09,830 --> 01:58:07,500

we've got new designs coming so and we

2642

01:58:13,310 --> 01:58:09,840

want to thank all of you I hear that a

2643

01:58:15,109 --> 01:58:13,320

bunch of people are ordering shirts and

2644

01:58:17,270 --> 01:58:15,119

uh people have told me that they're

2645

01:58:19,490 --> 01:58:17,280

ordering shirts that makes me happy

2646

01:58:22,070 --> 01:58:19,500

we're glad to do that another little

2647

01:58:24,950 --> 01:58:22,080

thing that supports the show and that's

2648

01:58:26,570 --> 01:58:24,960

certainly is a good thing and to be

2649

01:58:29,750 --> 01:58:26,580

honest with you I'm just glad to get

2650

01:58:31,250 --> 01:58:29,760

that merchandise thing off of my to-do

2651

01:58:32,990 --> 01:58:31,260

list because it's always been one of

2652

01:58:34,790 --> 01:58:33,000

those nagging things oh I gotta do that

2653

01:58:36,410 --> 01:58:34,800

I got to do that and every month a

2654

01:58:39,649 --> 01:58:36,420

couple times we tried with some other

2655

01:58:42,169 --> 01:58:39,659

vendors that it just didn't work out so

2656

01:58:44,089 --> 01:58:42,179

it is what it is it's available now and

2657

01:58:45,830 --> 01:58:44,099

I am aware that there's some issues or

2658

01:58:47,990 --> 01:58:45,840

problems if you're in other countries

2659

01:58:50,270 --> 01:58:48,000

for right now if you're in the United

2660

01:58:53,330 --> 01:58:50,280

States everything is working to the best

2661

01:58:55,370 --> 01:58:53,340

of my knowledge and um our friend that

2662

01:58:58,550 --> 01:58:55,380

we set this up with

2663

01:59:00,589 --> 01:58:58,560

is I got blurry like Bigfoot our friend

2664

01:59:04,129 --> 01:59:00,599

that we set this up with uh I'm gonna

2665

01:59:06,290 --> 01:59:04,139

follow up with him we thought we um oh I

2666

01:59:08,209 --> 01:59:06,300

talked to him this morning and I think I

2667

01:59:10,310 --> 01:59:08,219

thought that those international issues

2668

01:59:13,550 --> 01:59:10,320

were resolved

2669

01:59:15,950 --> 01:59:13,560

um but maybe not the you know we're

2670

01:59:18,350 --> 01:59:15,960

working on it and Arden paranormal has

2671

01:59:20,270 --> 01:59:18,360

posted the merchandise Link in the

2672

01:59:21,229 --> 01:59:20,280

description or excuse me in the live

2673

01:59:23,990 --> 01:59:21,239

chat

2674

01:59:25,729 --> 01:59:24,000

otherwise it's in the description of the

2675

01:59:28,189 --> 01:59:25,739

video or the podcast that you're

2676

01:59:29,990 --> 01:59:28,199

listening to uh just go there and click

2677

01:59:32,750 --> 01:59:30,000

on that you should be able to bring up

2678

01:59:34,970 --> 01:59:32,760

all of the stuff that we have there

2679

01:59:37,370 --> 01:59:34,980

Matt r

2680

01:59:39,830 --> 01:59:37,380

Onnie Brown is still going yes the

2681

01:59:41,870 --> 01:59:39,840

farsight Institute The farsight

2682

01:59:44,870 --> 01:59:41,880

Institute more like the far scam

2683

01:59:46,430 --> 01:59:44,880

Institute Manor uh and people have been

2684

01:59:49,370 --> 01:59:46,440

asking me to cover him for a long time

2685

01:59:53,330 --> 01:59:49,380

someday we're going to do that but uh

2686

01:59:55,669 --> 01:59:53,340

you know I I have have a lot of work to

2687

01:59:58,910 --> 01:59:55,679

to do to do a show about him because

2688

01:59:59,870 --> 01:59:58,920

he's got a long history of uh let's just

2689

02:00:01,970 --> 01:59:59,880

say

2690

02:00:04,189 --> 02:00:01,980

scammy scammy stuff

2691

02:00:05,689 --> 02:00:04,199

um and and we want to do a good job

2692

02:00:08,930 --> 02:00:05,699

especially when there's that kind of

2693

02:00:10,850 --> 02:00:08,940

stuff you got to get it right right when

2694

02:00:13,129 --> 02:00:10,860

people have that kind of a history you

2695

02:00:14,930 --> 02:00:13,139

got to get the facts right uh we'll

2696

02:00:16,550 --> 02:00:14,940

bring it to you

2697

02:00:19,850 --> 02:00:16,560

God just says you should make the

2698

02:00:22,010 --> 02:00:19,860

abian's life matter shirt in blue color

2699

02:00:23,870 --> 02:00:22,020

for an inside joke well we couldn't I

2700

02:00:26,089 --> 02:00:23,880

think he does own the trademark the blue

2701

02:00:28,669 --> 02:00:26,099

avian so we just put avian's lives

2702

02:00:33,470 --> 02:00:28,679

matter but this one is my favorite don't

2703

02:00:35,209 --> 02:00:33,480

sue me bro don't sue me bro right

2704

02:00:39,649 --> 02:00:35,219

uh

2705

02:00:41,810 --> 02:00:39,659

a sense of humor

2706

02:00:43,910 --> 02:00:41,820

now he's on the 17th letter of the

2707

02:00:46,010 --> 02:00:43,920

alphabet train oh he's a little late to

2708

02:00:48,050 --> 02:00:46,020

get on that train so comments or

2709

02:00:50,330 --> 02:00:48,060

questions for me please put them in all

2710

02:00:54,470 --> 02:00:50,340

capital letters we'll take comments

2711

02:00:56,930 --> 02:00:54,480

we'll take questions uh and uh I wanted

2712

02:00:58,550 --> 02:00:56,940

to mention that uh tomorrow night we're

2713

02:01:01,250 --> 02:00:58,560

gonna have one more show for the week

2714

02:01:03,950 --> 02:01:01,260

I'm still a little iffy on the cabin it

2715

02:01:05,709 --> 02:01:03,960

looks like the weather we they were

2716

02:01:09,229 --> 02:01:05,719

supposed to get 10 inches at the cabin

2717

02:01:12,169 --> 02:01:09,239

uh on Friday and for those unaware yes I

2718

02:01:16,669 --> 02:01:12,179

have this cabin in the Pocono Mountains

2719

02:01:18,109 --> 02:01:16,679

um but it's off in the woods and uh the

2720

02:01:21,109 --> 02:01:18,119

dirt road

2721

02:01:23,689 --> 02:01:21,119

and the problem is that they they play

2722

02:01:26,930 --> 02:01:23,699

on the main roads but not those dirt

2723

02:01:29,629 --> 02:01:26,940

country back roads going back in the

2724

02:01:32,149 --> 02:01:29,639

woods so we were supposed to get 10

2725

02:01:34,609 --> 02:01:32,159

inches of snow on on Friday but they've

2726

02:01:35,629 --> 02:01:34,619

changed that to one to two

2727

02:01:39,589 --> 02:01:35,639

um

2728

02:01:40,850 --> 02:01:39,599

so if there's 10 inches I can't get I

2729

02:01:43,250 --> 02:01:40,860

might not be able to get through the

2730

02:01:45,290 --> 02:01:43,260

road to get to the cabin

2731

02:01:47,270 --> 02:01:45,300

um and I don't I hate that

2732

02:01:50,270 --> 02:01:47,280

anxiety-ridden feeling like should I go

2733

02:01:52,550 --> 02:01:50,280

should I stay uh I always have anxiety

2734

02:01:54,729 --> 02:01:52,560

about getting stuck I once went in a

2735

02:01:58,129 --> 02:01:54,739

ditch there when there was a lot of snow

2736

02:02:01,250 --> 02:01:58,139

and that was weird because it

2737

02:02:04,430 --> 02:02:01,260

it wasn't that much snow but the road

2738

02:02:06,770 --> 02:02:04,440

the dirt road was very icy and I was

2739

02:02:10,850 --> 02:02:06,780

going very very slow but I slid down

2740

02:02:13,729 --> 02:02:10,860

this whole hill and often and into a

2741

02:02:17,089 --> 02:02:13,739

bank and hit a tree and it took two tow

2742

02:02:19,129 --> 02:02:17,099

trucks to drag me out of the ditch and I

2743

02:02:20,990 --> 02:02:19,139

don't want to repeat that experience so

2744

02:02:23,450 --> 02:02:21,000

when they're calling for a lot of snow I

2745

02:02:25,490 --> 02:02:23,460

bail I say nope not doing it and then I

2746

02:02:27,290 --> 02:02:25,500

call a neighbor for the next week and

2747

02:02:29,149 --> 02:02:27,300

say hey did they clear the roads is the

2748

02:02:31,490 --> 02:02:29,159

roads clear enough for me to make it and

2749

02:02:32,629 --> 02:02:31,500

and he lets me know but it looks like

2750

02:02:34,669 --> 02:02:32,639

we're only going to get one or two

2751
02:02:36,530 --> 02:02:34,679
inches so maybe I'm cabin Bayonne this

2752
02:02:43,370 --> 02:02:36,540
weekend get some things done on the

2753
02:02:47,629 --> 02:02:46,129
oh yeah I've seen it from cosmic

2754
02:02:49,669 --> 02:02:47,639
neighbors video when he was there it

2755
02:02:51,530 --> 02:02:49,679
looks really nice yeah you know I gotta

2756
02:02:53,390 --> 02:02:51,540
really I'm gonna be cleaning up I'm

2757
02:02:56,089 --> 02:02:53,400
gonna be finishing the bathroom there

2758
02:02:59,390 --> 02:02:56,099
and then I'm gonna clean out and clean

2759
02:03:01,850 --> 02:02:59,400
up and declutter and put away all the

2760
02:03:03,350 --> 02:03:01,860
tools I can't believe it because I've

2761
02:03:07,010 --> 02:03:03,360
been building that cabin for five years

2762
02:03:10,189 --> 02:03:07,020
but soon I can clear all the tools all

2763
02:03:12,290 --> 02:03:10,199

the nails the screws lay in places and

2764

02:03:14,089 --> 02:03:12,300

you know it's going to feel really good

2765

02:03:17,510 --> 02:03:14,099

to just be able to put all those tools

2766

02:03:20,030 --> 02:03:17,520

away uh for a few weeks because I'm

2767

02:03:22,609 --> 02:03:20,040

building a studio Cabin in the Woods not

2768

02:03:25,070 --> 02:03:22,619

far from that cabin in the springtime

2769

02:03:27,290 --> 02:03:25,080

but I'll be happy and I can't tell you

2770

02:03:30,050 --> 02:03:27,300

are in paranormal how happy my wife will

2771

02:03:33,229 --> 02:03:30,060

be that there won't be like tools and

2772

02:03:36,410 --> 02:03:33,239

and and drill drivers and drills and

2773

02:03:38,750 --> 02:03:36,420

Saws and things laying everywhere around

2774

02:03:40,550 --> 02:03:38,760

that cabin because I've been slowly

2775

02:03:42,770 --> 02:03:40,560

pecking away at it and building that

2776

02:03:45,350 --> 02:03:42,780

cabin for the past several years

2777

02:03:47,510 --> 02:03:45,360

I can't tell you how happy I'll be to

2778

02:03:49,490 --> 02:03:47,520

put those tools away uh after the

2779

02:03:50,750 --> 02:03:49,500

bathroom all that's left is you know a

2780

02:03:52,370 --> 02:03:50,760

bunch of little stuff but I'm getting

2781

02:03:53,330 --> 02:03:52,380

all that little stuff done so I don't

2782

02:03:55,790 --> 02:03:53,340

have to

2783

02:03:58,010 --> 02:03:55,800

pull the tools back and forth and and

2784

02:03:59,870 --> 02:03:58,020

also we have to put a covered porch on

2785

02:04:01,729 --> 02:03:59,880

the front of it uh it's going to be

2786

02:04:03,470 --> 02:04:01,739

beautiful I can't wait for this summer

2787

02:04:04,970 --> 02:04:03,480

we're going to have the best summer ever

2788

02:04:07,070 --> 02:04:04,980

because we've got this big beautiful

2789

02:04:08,209 --> 02:04:07,080

porch going on the cabin it's going to

2790

02:04:12,350 --> 02:04:08,219

be 10 foot

2791

02:04:15,109 --> 02:04:12,360

uh wide and 36 foot long that's a big

2792

02:04:19,550 --> 02:04:15,119

cabin so we're gonna have like grills

2793

02:04:22,609 --> 02:04:19,560

and smokers and chairs and uh you know

2794

02:04:25,310 --> 02:04:22,619

picnic table or patio set and it's all

2795

02:04:28,550 --> 02:04:25,320

covered so even if it's raining you can

2796

02:04:30,709 --> 02:04:28,560

still barbecue I love that it'll be

2797

02:04:33,350 --> 02:04:30,719

great Patty I hate you I don't want to

2798

02:04:35,930 --> 02:04:33,360

hear about that Patty Wilhelm

2799

02:04:37,850 --> 02:04:35,940

um there's only a few more weeks of

2800

02:04:40,070 --> 02:04:37,860

winter maybe one more month at the cabin

2801

02:04:43,430 --> 02:04:40,080

I'm hoping and it'll the weather will

2802

02:04:45,290 --> 02:04:43,440

break and uh archaic revival I posted a

2803

02:04:47,149 --> 02:04:45,300

short with you and my kitten in it don't

2804

02:04:49,850 --> 02:04:47,159

sue me bro hope that's okay with you

2805

02:04:51,470 --> 02:04:49,860

yeah yeah absolutely was that the one

2806

02:04:54,290 --> 02:04:51,480

when your cat was watching the big

2807

02:04:57,649 --> 02:04:54,300

screen TV yeah send it to me on Facebook

2808

02:04:59,689 --> 02:04:57,659

or or tweet it at me and I'll share it

2809

02:05:02,209 --> 02:04:59,699

on the show it's fine

2810

02:05:04,010 --> 02:05:02,219

Minneapolis this time of the year after

2811

02:05:05,930 --> 02:05:04,020

snowstorms you know I've been to

2812

02:05:07,550 --> 02:05:05,940

Minneapolis and that was the coldest I'd

2813

02:05:10,129 --> 02:05:07,560

ever been in my life I think it was

2814

02:05:12,770 --> 02:05:10,139

negative 10 or something when I was

2815

02:05:16,129 --> 02:05:12,780

there I when I lived in I lived in the

2816

02:05:18,109 --> 02:05:16,139

Midwest and uh oh no it wasn't when I

2817

02:05:20,570 --> 02:05:18,119

lived there but anyway I went to

2818

02:05:22,810 --> 02:05:20,580

Minneapolis for a concert and that was

2819

02:05:26,330 --> 02:05:22,820

the coldest I'd ever been in my life

2820

02:05:29,270 --> 02:05:26,340

those Minneapolis winners

2821

02:05:31,550 --> 02:05:29,280

they are no joke B Baker reminding

2822

02:05:33,589 --> 02:05:31,560

everybody truth Seekers Discord is where

2823

02:05:35,330 --> 02:05:33,599

the fun conversation continues please

2824

02:05:38,870 --> 02:05:35,340

join and he gives the link

2825

02:05:40,490 --> 02:05:38,880

so if you like these live chats we do

2826
02:05:42,470 --> 02:05:40,500
during the live broadcast remember that

2827
02:05:44,990 --> 02:05:42,480
we have a Discord and it's all truth

2828
02:05:48,050 --> 02:05:45,000
Seekers uh fans and Friends of the show

2829
02:05:51,530 --> 02:05:48,060
and audience members in there and those

2830
02:05:53,689 --> 02:05:51,540
guys are talking 24 hours a day

2831
02:05:56,270 --> 02:05:53,699
we are doxing your cabin and the snow

2832
02:05:58,270 --> 02:05:56,280
around it we don't care thanks Raz nice

2833
02:06:01,669 --> 02:05:58,280
to know right

2834
02:06:04,010 --> 02:06:01,679
blue avian jerky yeah absolutely

2835
02:06:06,890 --> 02:06:04,020
absolutely

2836
02:06:09,589 --> 02:06:06,900
fireplace looks amazing yeah it's it's

2837
02:06:12,169 --> 02:06:09,599
fun and we have uh wood stoves and we

2838
02:06:14,689 --> 02:06:12,179

have the outdoor fire pit right in front

2839

02:06:16,729 --> 02:06:14,699

of the cabin most of the time in the

2840

02:06:18,530 --> 02:06:16,739

summer I cook everything on the fire pit

2841

02:06:20,689 --> 02:06:18,540

out front because we don't want to heat

2842

02:06:23,209 --> 02:06:20,699

up the cabin but we do have a full

2843

02:06:25,910 --> 02:06:23,219

kitchen like we have a regular gas stove

2844

02:06:27,709 --> 02:06:25,920

and oven it's propane but and I gotta

2845

02:06:30,290 --> 02:06:27,719

carry tanks when the tanks run out but

2846

02:06:33,649 --> 02:06:30,300

it works so we have all the Comforts of

2847

02:06:35,570 --> 02:06:33,659

home there uh everything but

2848

02:06:36,950 --> 02:06:35,580

a regular house has except for a

2849

02:06:39,770 --> 02:06:36,960

flushing toilet we have a composting

2850

02:06:41,990 --> 02:06:39,780

toilet but it's not so bad yeah empty it

2851
02:06:43,010 --> 02:06:42,000
once every few months yeah it's not a

2852
02:06:44,990 --> 02:06:43,020
big deal

2853
02:06:47,629 --> 02:06:45,000
it's better than paying 50 grand for a

2854
02:06:49,550 --> 02:06:47,639
septic system in a well so uh but

2855
02:06:51,470 --> 02:06:49,560
someday you know we might invest in that

2856
02:06:52,850 --> 02:06:51,480
place yeah I'd like to live there full

2857
02:06:55,189 --> 02:06:52,860
time but

2858
02:06:58,250 --> 02:06:55,199
you know my wife uh she's got a

2859
02:07:01,910 --> 02:06:58,260
corporate job here and um and and she

2860
02:07:03,890 --> 02:07:01,920
prefers the suburbs to the woods right

2861
02:07:06,050 --> 02:07:03,900
but we have been talking about

2862
02:07:08,689 --> 02:07:06,060
eventually selling the the home we're at

2863
02:07:10,550 --> 02:07:08,699

now and moving a little further maybe

2864

02:07:11,990 --> 02:07:10,560

halfway between the cabin and where we

2865

02:07:14,629 --> 02:07:12,000

live now

2866

02:07:17,450 --> 02:07:14,639

um to some place a little more Rural and

2867

02:07:20,890 --> 02:07:17,460

with more space between Neighbors

2868

02:07:24,830 --> 02:07:23,570

B Baker says my partner laid down the

2869

02:07:26,390 --> 02:07:24,840

law and that the power tools had to

2870

02:07:28,669 --> 02:07:26,400

disappear from the kitchen counters when

2871

02:07:31,850 --> 02:07:28,679

we were renovating the 1920s Craftsman

2872

02:07:33,470 --> 02:07:31,860

we live in now yeah I've had tools all

2873

02:07:35,930 --> 02:07:33,480

over the place for a long time you know

2874

02:07:38,750 --> 02:07:35,940

what I do be Baker I put everything in

2875

02:07:41,990 --> 02:07:38,760

big box right I get those big plastic

2876
02:07:44,149 --> 02:07:42,000
bins and I just put the saws I I use a

2877
02:07:46,669 --> 02:07:44,159
jigsaw for myself I put the jigsaw the

2878
02:07:50,450 --> 02:07:46,679
drill the drill driver screws Nails

2879
02:07:52,970 --> 02:07:50,460
hammers screwdrivers I just wire cutters

2880
02:07:56,149 --> 02:07:52,980
I just put everything in that bin

2881
02:08:00,290 --> 02:07:56,159
and uh then try to find a place to put

2882
02:08:05,810 --> 02:08:02,930
Jeremy walters's party at Stevens I'll

2883
02:08:07,609 --> 02:08:05,820
I'll do that yeah we've already invited

2884
02:08:10,609 --> 02:08:07,619
I've had

2885
02:08:13,669 --> 02:08:10,619
three people from the show at the cabin

2886
02:08:15,950 --> 02:08:13,679
so far we've had Rogue status he was a

2887
02:08:18,370 --> 02:08:15,960
viewer uh is a viewer

2888
02:08:20,990 --> 02:08:18,380

and Rogue status kindly and politely

2889

02:08:23,089 --> 02:08:21,000

suggested that I let him come to wire

2890

02:08:26,390 --> 02:08:23,099

that sunroom because he's an electrician

2891

02:08:28,609 --> 02:08:26,400

by trade and considering how slow I am I

2892

02:08:30,470 --> 02:08:28,619

can do electrical wiring but I'm so slow

2893

02:08:32,750 --> 02:08:30,480

at it because it makes me so nervous

2894

02:08:35,030 --> 02:08:32,760

that I want to make sure that it's right

2895

02:08:37,070 --> 02:08:35,040

and I go so slow

2896

02:08:38,810 --> 02:08:37,080

that I knew it would take me ages to do

2897

02:08:41,689 --> 02:08:38,820

it so he came up and got it all done one

2898

02:08:44,209 --> 02:08:41,699

weekend and then we had Anthony from

2899

02:08:46,970 --> 02:08:44,219

unidentified S4 and round from cosmic

2900

02:08:48,589 --> 02:08:46,980

Neighbors come to do a sky watch and uh

2901

02:08:51,050 --> 02:08:48,599

I hope that we'll be doing more of that

2902

02:08:55,370 --> 02:08:51,060

uh

2903

02:08:58,070 --> 02:08:55,380

I cannot allegedly allegedly I I don't

2904

02:09:02,209 --> 02:08:58,080

know people say that there's a lot of

2905

02:09:04,729 --> 02:09:02,219

rumors about that and uh other

2906

02:09:05,810 --> 02:09:04,739

party favors and stuff I really don't

2907

02:09:08,510 --> 02:09:05,820

know

2908

02:09:10,790 --> 02:09:08,520

um yeah

2909

02:09:12,410 --> 02:09:10,800

thank you lady and nice to see you got

2910

02:09:14,570 --> 02:09:12,420

to try to sleep all great show Stephen

2911

02:09:17,450 --> 02:09:14,580

as always well thank you uh for coming

2912

02:09:19,729 --> 02:09:17,460

and I appreciate it right how about one

2913

02:09:22,490 --> 02:09:19,739

weekend trip for trolls and one week for

2914

02:09:25,490 --> 02:09:22,500

the true and loving fans only uh sure

2915

02:09:28,250 --> 02:09:25,500

yeah that'll be fine uh I got some tents

2916

02:09:30,470 --> 02:09:28,260

uh you could pitch a tent next to the

2917

02:09:34,070 --> 02:09:30,480

cabin and just just gotta hope there's

2918

02:09:35,270 --> 02:09:34,080

no bears that week right

2919

02:09:37,729 --> 02:09:35,280

yeah

2920

02:09:40,070 --> 02:09:37,739

and what's interesting is uh for a

2921

02:09:41,689 --> 02:09:40,080

friend of mine uh asked me about that

2922

02:09:43,370 --> 02:09:41,699

new land and he says oh man that would

2923

02:09:45,830 --> 02:09:43,380

be a great place to camp and I think so

2924

02:09:47,810 --> 02:09:45,840

too but I'm not camping there until

2925

02:09:50,450 --> 02:09:47,820

there's a solid structure you know

2926
02:09:52,129 --> 02:09:50,460
because there's black bears everywhere

2927
02:09:54,290 --> 02:09:52,139
up there especially in the springtime

2928
02:09:56,689 --> 02:09:54,300
they come out of hibernation they're

2929
02:09:58,790 --> 02:09:56,699
hungry and they're pissed off and I

2930
02:10:00,589 --> 02:09:58,800
don't want to be sleeping in a tent at

2931
02:10:05,870 --> 02:10:00,599
night and there'd be a pissed off Hungry

2932
02:10:08,510 --> 02:10:05,880
Bear outside right near me no no so uh

2933
02:10:10,250 --> 02:10:08,520
but I am gonna I have this big old tent

2934
02:10:12,229 --> 02:10:10,260
I'm gonna take that there to be in like

2935
02:10:13,669 --> 02:10:12,239
a temporary tool shed and things like

2936
02:10:16,609 --> 02:10:13,679
that

2937
02:10:19,070 --> 02:10:16,619
how far is the nearest food supply store

2938
02:10:21,290 --> 02:10:19,080

from the cabin well there's a there's a

2939

02:10:23,149 --> 02:10:21,300

local hardware store that's good for if

2940

02:10:27,169 --> 02:10:23,159

you just need like screws or nails or

2941

02:10:28,850 --> 02:10:27,179

something small and uh that's only

2942

02:10:32,270 --> 02:10:28,860

I don't know

2943

02:10:35,209 --> 02:10:32,280

five or eight miles but there's a

2944

02:10:38,810 --> 02:10:35,219

about 20 miles away there's a Lowe's and

2945

02:10:41,030 --> 02:10:38,820

a Walmart and a supermarket or 25 miles

2946

02:10:44,450 --> 02:10:41,040

away it takes about a half hour I guess

2947

02:10:46,729 --> 02:10:44,460

to get there 35 minutes sometimes so

2948

02:10:49,370 --> 02:10:46,739

there's there's places to get supplies

2949

02:10:51,470 --> 02:10:49,380

pretty close by we do have I think it's

2950

02:10:53,629 --> 02:10:51,480

called the Dollar General it's not a

2951

02:10:56,810 --> 02:10:53,639

dollar store it's like uh

2952

02:10:58,490 --> 02:10:56,820

writes a discount store and I go there

2953

02:11:00,890 --> 02:10:58,500

for everything because they sell the

2954

02:11:05,450 --> 02:11:00,900

basic things you might need bags of ice

2955

02:11:08,209 --> 02:11:05,460

you know uh bacon eggs milk cheese

2956

02:11:09,890 --> 02:11:08,219

butter pancake syrup you know like if

2957

02:11:12,050 --> 02:11:09,900

you forget something we go to that

2958

02:11:16,189 --> 02:11:12,060

Dollar General and that's that's only

2959

02:11:19,189 --> 02:11:16,199

about 15 miles from us so it is a little

2960

02:11:21,350 --> 02:11:19,199

bit of an adjustment rugged source to go

2961

02:11:24,109 --> 02:11:21,360

from where I lived in the city where

2962

02:11:26,270 --> 02:11:24,119

everything is two minutes away to this

2963

02:11:28,189 --> 02:11:26,280

adjusting yourself to like oh I have to

2964

02:11:31,790 --> 02:11:28,199

go to the store this is going to take a

2965

02:11:33,470 --> 02:11:31,800

couple hours you know but we try to load

2966

02:11:38,209 --> 02:11:33,480

up and the cabin is usually pretty

2967

02:11:43,910 --> 02:11:40,910

uh let me see Philly cheesesteaks Razz

2968

02:11:47,089 --> 02:11:43,920

is mentioning absolutely

2969

02:11:48,950 --> 02:11:47,099

do I break bottles behind the Wawa not

2970

02:11:52,729 --> 02:11:48,960

that I ever did but we do have

2971

02:11:55,129 --> 02:11:52,739

cheesesteaks right B Baker

2972

02:11:57,290 --> 02:11:55,139

Ed Dame Scott was incredible and I'm

2973

02:11:59,089 --> 02:11:57,300

sure he made a boatload of money yeah

2974

02:12:01,550 --> 02:11:59,099

that's good people are able to make

2975

02:12:03,050 --> 02:12:01,560

boatloads of money we like that right so

2976

02:12:05,330 --> 02:12:03,060

any more comments or questions for me

2977

02:12:07,669 --> 02:12:05,340

please put them in all capital letters I

2978

02:12:09,109 --> 02:12:07,679

am going to uh I'm ahead of schedule

2979

02:12:12,530 --> 02:12:09,119

normally I remember right when I'm

2980

02:12:14,629 --> 02:12:12,540

signing off to check in with the a few

2981

02:12:17,149 --> 02:12:14,639

things we'll check in with the mail and

2982

02:12:19,070 --> 02:12:17,159

do all of our due diligence right that

2983

02:12:22,070 --> 02:12:19,080

we like to make sure that people are

2984

02:12:25,430 --> 02:12:22,080

aware that we thank every single person

2985

02:12:27,169 --> 02:12:25,440

who sends a PayPal pledge or who sends a

2986

02:12:29,330 --> 02:12:27,179

Super Chat we thank every single person

2987

02:12:32,629 --> 02:12:29,340

and we read them

2988

02:12:35,209 --> 02:12:32,639

um and Carolyn uh Sweet Caroline with

2989

02:12:37,310 --> 02:12:35,219

the kind and generous 10 PayPal thank

2990

02:12:39,589 --> 02:12:37,320

you for your kindness generosity and

2991

02:12:42,649 --> 02:12:39,599

support of the show it is much much

2992

02:12:46,370 --> 02:12:42,659

appreciated thank you uh all of you we

2993

02:12:49,069 --> 02:12:46,380

want to thank you uh patreon members

2994

02:12:52,430 --> 02:12:49,079

uh we want to thank you YouTube channel

2995

02:12:55,250 --> 02:12:52,440

members we want to thank you PayPal

2996

02:12:58,970 --> 02:12:55,260

Pleasures we want to thank you super

2997

02:12:59,870 --> 02:12:58,980

chatter super sticker purchasers and

2998

02:13:02,750 --> 02:12:59,880

um

2999

02:13:05,209 --> 02:13:02,760

the super thanks people as well and

3000

02:13:07,729 --> 02:13:05,219

thanks to you twitch subscribers as well

3001

02:13:09,229 --> 02:13:07,739

uh the twitch subscriber thing is great

3002

02:13:11,089 --> 02:13:09,239

because if you have an Amazon Prime

3003

02:13:12,649 --> 02:13:11,099

account you can subscribe to us on

3004

02:13:14,930 --> 02:13:12,659

Twitch and it doesn't cost you anything

3005

02:13:16,729 --> 02:13:14,940

you just have to remember to sign up for

3006

02:13:19,490 --> 02:13:16,739

it so we want to thank all of our kind

3007

02:13:21,709 --> 02:13:19,500

and generous benefactors thank you to

3008

02:13:27,430 --> 02:13:21,719

all of you for helping us to continue

3009

02:13:32,930 --> 02:13:29,950

please

3010

02:13:35,569 --> 02:13:32,940

thank you for your kindness thank you

3011

02:13:37,460 --> 02:13:35,579

for your generosity praise the cash

3012

02:13:43,750 --> 02:13:37,470

crazy cash break the cash

3013

02:13:48,770 --> 02:13:47,330

he needs to praise the cash shirt yeah I

3014

02:13:51,649 --> 02:13:48,780

told him I would order him one tonight

3015

02:13:54,290 --> 02:13:51,659

he saw the shirt sitting here in the

3016

02:13:55,910 --> 02:13:54,300

studio he was here earlier uh and he

3017

02:13:58,129 --> 02:13:55,920

said what are those and I said oh those

3018

02:14:00,830 --> 02:13:58,139

are our new t-shirts and he's like you

3019

02:14:06,229 --> 02:14:00,840

have T-shirts now dad and I said yeah

3020

02:14:08,689 --> 02:14:06,239

and he goes where's mine and I went oh I

3021

02:14:10,250 --> 02:14:08,699

forgot you know I got a couple of

3022

02:14:12,709 --> 02:14:10,260

samples for me to wear on the show I

3023

02:14:15,649 --> 02:14:12,719

forgot about him so I'll order him a few

3024

02:14:17,750 --> 02:14:15,659

tonight uh he deserves a praise the cash

3025

02:14:19,010 --> 02:14:17,760

shirt for all all that praise in the

3026

02:14:22,430 --> 02:14:19,020

cash right

3027

02:14:24,290 --> 02:14:22,440

uh oh that's interesting art and the

3028

02:14:25,850 --> 02:14:24,300

comedian Tom Green lives one town away

3029

02:14:27,649 --> 02:14:25,860

from me isn't he living in some little

3030

02:14:30,050 --> 02:14:27,659

cabin somewhere or something or some

3031

02:14:33,050 --> 02:14:30,060

Farm in Canada

3032

02:14:35,750 --> 02:14:33,060

I think he is right I try to ask him I

3033

02:14:37,550 --> 02:14:35,760

asked him he has replied to me on

3034

02:14:39,770 --> 02:14:37,560

Twitter a couple of times over the years

3035

02:14:41,990 --> 02:14:39,780

when I've said something about something

3036

02:14:44,390 --> 02:14:42,000

that he posted I asked him for a an

3037

02:14:46,669 --> 02:14:44,400

interview I wanted to interview him when

3038

02:14:49,729 --> 02:14:46,679

about when he just decided to live in a

3039

02:14:52,729 --> 02:14:49,739

van I thought that would be funny he

3040

02:14:54,410 --> 02:14:52,739

never replied but busy guy uh I've been

3041

02:14:57,830 --> 02:14:54,420

watching him forever I think he's really

3042

02:15:00,649 --> 02:14:57,840

funny sausages right

3043

02:15:01,970 --> 02:15:00,659

that's a great movie was it Freddy got

3044

02:15:04,129 --> 02:15:01,980

figured

3045

02:15:07,129 --> 02:15:04,139

which is better Stephen Gino or Pats I

3046

02:15:09,069 --> 02:15:07,139

like Pats I think my wife likes Gino's I

3047

02:15:11,750 --> 02:15:09,079

mean everybody's got their preference

3048

02:15:14,689 --> 02:15:11,760

and I don't believe that a Cheesesteak

3049

02:15:16,669 --> 02:15:14,699

with cheese whiz is real I'm sorry if

3050

02:15:18,229 --> 02:15:16,679

that's if if that's what you like I

3051

02:15:20,149 --> 02:15:18,239

understand

3052

02:15:22,790 --> 02:15:20,159

um I believe their cheesesteaks should

3053

02:15:25,490 --> 02:15:22,800

be American cheese or even better

3054

02:15:27,950 --> 02:15:25,500

melted mozzarella cheese

3055

02:15:30,109 --> 02:15:27,960

and uh I don't take mine with fried

3056

02:15:32,149 --> 02:15:30,119

onions my wife does I don't like fried

3057

02:15:34,430 --> 02:15:32,159

onions she does

3058

02:15:36,290 --> 02:15:34,440

um in fact my favorite Cheesesteak is a

3059

02:15:37,250 --> 02:15:36,300

mushroom Cheesesteak with mozzarella

3060

02:15:40,669 --> 02:15:37,260

cheese

3061

02:15:44,149 --> 02:15:40,679

the best the best

3062

02:15:47,510 --> 02:15:45,709

Stephen is coming for your hobby

3063

02:15:52,129 --> 02:15:47,520

balloons before they get shut down by

3064

02:15:56,270 --> 02:15:54,290

I'll have to see if he'd be okay with a

3065

02:15:59,689 --> 02:15:56,280

pic of me and him next time I see him

3066

02:16:01,850 --> 02:15:59,699

and yeah he he's okay with that I think

3067

02:16:04,189 --> 02:16:01,860

he's pretty down to earth normal guy

3068

02:16:06,290 --> 02:16:04,199

he's not like a stuck up snobby

3069

02:16:08,810 --> 02:16:06,300

Hollywood guy

3070

02:16:10,069 --> 02:16:08,820

um at least that's my take on him you

3071

02:16:12,770 --> 02:16:10,079

know

3072

02:16:14,629 --> 02:16:12,780

yeah uh gone just had never understood

3073

02:16:16,729 --> 02:16:14,639

the cheese whiz either that's just a

3074

02:16:19,609 --> 02:16:16,739

good way to ruin a good sandwich right

3075

02:16:22,250 --> 02:16:19,619

why would you want to put cheese whiz on

3076

02:16:25,910 --> 02:16:22,260

top of shredded steak and wonderful

3077

02:16:28,129 --> 02:16:25,920

bread right it's not real it's okay it's

3078

02:16:31,669 --> 02:16:28,139

like can I have some chemical fake

3079

02:16:34,370 --> 02:16:31,679

cheese on my cheese steak no

3080

02:16:35,929 --> 02:16:34,380

uh and it's interesting in Philly you

3081

02:16:39,169 --> 02:16:35,939

know there's this whole culture you have

3082

02:16:42,049 --> 02:16:39,179

to order a certain way you know

3083

02:16:45,049 --> 02:16:42,059

with or without

3084

02:16:47,089 --> 02:16:45,059

no cheese whiz for me please you know

3085

02:16:48,950 --> 02:16:47,099

but to each their own I have friends

3086

02:16:50,150 --> 02:16:48,960

that love that especially if you're

3087

02:16:54,349 --> 02:16:50,160

drunk

3088

02:16:56,570 --> 02:16:54,359

um cheese whiz I guess I I don't know

3089

02:16:57,950 --> 02:16:56,580

Arden paranormal he does look like an

3090

02:16:59,509 --> 02:16:57,960

old farmer now he's starting to look

3091

02:17:01,250 --> 02:16:59,519

like David Letterman isn't that

3092

02:17:02,570 --> 02:17:01,260

interesting David Letterman retired from

3093

02:17:05,450 --> 02:17:02,580

his show and then he just started

3094

02:17:08,270 --> 02:17:05,460

looking like uh the guy from ZZ Top and

3095

02:17:10,129 --> 02:17:08,280

like the next time you saw him it was

3096

02:17:11,810 --> 02:17:10,139

weird and he stopped dyeing his hair and

3097

02:17:15,290 --> 02:17:11,820

everything so he just looks so much

3098

02:17:17,629 --> 02:17:15,300

older now David Letterman pretty pretty

3099

02:17:19,790 --> 02:17:17,639

interesting

3100

02:17:23,110 --> 02:17:19,800

the cheese whiz steak sandwich came

3101
02:17:27,410 --> 02:17:23,120
after my time in Philly uh well welcome

3102
02:17:29,929 --> 02:17:27,420
trolley troll troll yeah that's a thing

3103
02:17:32,209 --> 02:17:29,939
um I I know the pizza place that was

3104
02:17:34,070 --> 02:17:32,219
near my old house they wouldn't put they

3105
02:17:35,509 --> 02:17:34,080
didn't have it if somebody asked for a

3106
02:17:37,669 --> 02:17:35,519
Cheesesteak what she's with they go we

3107
02:17:41,270 --> 02:17:37,679
don't have it we got mozzarella cheese

3108
02:17:43,310 --> 02:17:41,280
American cheese parmesan cheese pick one

3109
02:17:45,349 --> 02:17:43,320
you know

3110
02:17:47,330 --> 02:17:45,359
they just wouldn't do the cheese whiz

3111
02:17:49,250 --> 02:17:47,340
thing and I don't blame them I put

3112
02:17:53,509 --> 02:17:49,260
cheese whiz all over my

3113
02:17:58,070 --> 02:17:55,490

he has lots of videos

3114

02:18:01,790 --> 02:17:58,080

on his property yeah that's interesting

3115

02:18:03,889 --> 02:18:01,800

uh I'll do that yeah I remember he was I

3116

02:18:05,870 --> 02:18:03,899

did see a video and I felt like I was at

3117

02:18:07,849 --> 02:18:05,880

my cabin because he was like loading the

3118

02:18:09,589 --> 02:18:07,859

wood stove and and I think he was like

3119

02:18:11,270 --> 02:18:09,599

having coffee in the morning and getting

3120

02:18:13,070 --> 02:18:11,280

the fire going and I was like that's

3121

02:18:15,950 --> 02:18:13,080

kind of like me at my cabin that's cool

3122

02:18:18,230 --> 02:18:15,960

he's it's cool to see that some of your

3123

02:18:21,770 --> 02:18:18,240

heroes are just normal humans right and

3124

02:18:24,110 --> 02:18:21,780

he's one of those guys normal human

3125

02:18:28,910 --> 02:18:24,120

sightings on 18 Wheels he loves the

3126

02:18:30,429 --> 02:18:28,920

chemical fake cheese no no no no you're

3127

02:18:33,290 --> 02:18:30,439

not allowed in our live chat anymore

3128

02:18:36,530 --> 02:18:33,300

sightings on 18 Wheels right

3129

02:18:36,540 --> 02:18:40,549

there you go

3130

02:18:46,730 --> 02:18:42,469

mozzarella real cheese sounds better

3131

02:18:50,089 --> 02:18:46,740

yeah absolutely absolutely

3132

02:18:52,669 --> 02:18:50,099

and cheese whiz is not cheese says djds

3133

02:18:55,310 --> 02:18:52,679

djd says cheese whiz is not cheese it's

3134

02:18:59,410 --> 02:18:55,320

whiz yeah exactly I don't want to eat

3135

02:19:03,349 --> 02:18:59,420

anything called whiz djds right

3136

02:19:07,129 --> 02:19:03,359

yeah not my not my thing not my thing at

3137

02:19:09,889 --> 02:19:07,139

all and uh Amy Collins you got my cheese

3138

02:19:11,810 --> 02:19:09,899

whiz boy and Elmwood had a can in his

3139

02:19:15,889 --> 02:19:11,820

inside pocket he toss this to the old

3140

02:19:15,899 --> 02:19:19,610

that's pretty funny

3141

02:19:25,669 --> 02:19:22,969

up red says mysterious object destroyed

3142

02:19:27,290 --> 02:19:25,679

by 400 000 Sidewinder missile we're a

3143

02:19:28,429 --> 02:19:27,300

hobby balloon that costs just twelve

3144

02:19:30,770 --> 02:19:28,439

dollars

3145

02:19:33,969 --> 02:19:30,780

that's the American Military at work

3146

02:19:36,770 --> 02:19:33,979

right if you can't waste money

3147

02:19:39,410 --> 02:19:36,780

try harder that's the American Military

3148

02:19:42,889 --> 02:19:39,420

Way right

3149

02:19:44,270 --> 02:19:42,899

oh hi jillies uh Jilly's mom been a

3150

02:19:45,709 --> 02:19:44,280

while since I quite a lot good to see

3151
02:19:49,429 --> 02:19:45,719
you then we're always glad to see

3152
02:19:51,349 --> 02:19:49,439
returning people and uh I'm happy to see

3153
02:19:53,630 --> 02:19:51,359
you come back we'll be live tomorrow

3154
02:19:55,730 --> 02:19:53,640
night at 9 00 p.m eastern time as well

3155
02:19:57,410 --> 02:19:55,740
with another fun show I hope you'll be

3156
02:20:02,150 --> 02:19:57,420
here as well again

3157
02:20:09,650 --> 02:20:05,030
yeah

3158
02:20:11,330 --> 02:20:09,660
but the truth is uh if you live in

3159
02:20:13,490 --> 02:20:11,340
Philadelphia you get a Cheesesteak

3160
02:20:15,349 --> 02:20:13,500
anywhere you don't have to go to a

3161
02:20:17,650 --> 02:20:15,359
Cheesesteak Place those are just the

3162
02:20:20,210 --> 02:20:17,660
famous places where a lot of tourists go

3163
02:20:21,950 --> 02:20:20,220

and and I mean sometimes if you're

3164

02:20:23,929 --> 02:20:21,960

drinking in Center City you could go to

3165

02:20:26,810 --> 02:20:23,939

Pats or Gino's

3166

02:20:28,370 --> 02:20:26,820

um or there's there was uh chinx but he

3167

02:20:30,050 --> 02:20:28,380

changed the name because people got

3168

02:20:32,330 --> 02:20:30,060

upset

3169

02:20:35,510 --> 02:20:32,340

he he wasn't Chinese and his nickname

3170

02:20:36,110 --> 02:20:35,520

was [h__h] and he changed the name

3171

02:20:39,889 --> 02:20:36,120

um

3172

02:20:41,929 --> 02:20:39,899

but in Philly any pizza place and

3173

02:20:44,630 --> 02:20:41,939

there's pizza places on Corners all over

3174

02:20:47,090 --> 02:20:44,640

the city any pizza place has good

3175

02:20:49,130 --> 02:20:47,100

cheesesteaks usually usually they know

3176

02:20:50,750 --> 02:20:49,140

what they're doing we would get ours

3177

02:20:52,790 --> 02:20:50,760

just from the pizza place that was like

3178

02:20:54,530 --> 02:20:52,800

I would just walk to the corner and get

3179

02:20:56,030 --> 02:20:54,540

two cheesesteaks and french fries and

3180

02:20:56,750 --> 02:20:56,040

bring them home

3181

02:20:58,490 --> 02:20:56,760

um

3182

02:21:00,410 --> 02:20:58,500

you know that's one thing that's

3183

02:21:02,750 --> 02:21:00,420

interesting since I left Philly I have

3184

02:21:05,030 --> 02:21:02,760

not had a decent Cheesesteak here in the

3185

02:21:06,590 --> 02:21:05,040

suburbs they the pizza places here I

3186

02:21:08,630 --> 02:21:06,600

tried a few they don't

3187

02:21:09,590 --> 02:21:08,640

they don't know how to make them you

3188

02:21:13,330 --> 02:21:09,600

know

3189

02:21:16,190 --> 02:21:13,340

now I'm sad thanks guys I'm not that sad

3190

02:21:19,309 --> 02:21:16,200

uh the benefits of living in the suburbs

3191

02:21:21,469 --> 02:21:19,319

far outweighs uh not being able to get a

3192

02:21:22,910 --> 02:21:21,479

good Cheesesteak or pizza the pizza

3193

02:21:24,469 --> 02:21:22,920

around here is pretty lousy you know

3194

02:21:26,450 --> 02:21:24,479

what else is lousy the Chinese food

3195

02:21:28,550 --> 02:21:26,460

we've tried like eight places they're

3196

02:21:30,309 --> 02:21:28,560

all lousy the Chinese food in the

3197

02:21:32,389 --> 02:21:30,319

suburbs is lousy compared to the city

3198

02:21:34,429 --> 02:21:32,399

but we're just going to keep trying

3199

02:21:36,530 --> 02:21:34,439

places until we find someplace that's at

3200

02:21:39,170 --> 02:21:36,540

least decent right

3201

02:21:40,670 --> 02:21:39,180

yeah it is and I think it is still there

3202

02:21:42,830 --> 02:21:40,680

I guess

3203

02:21:46,730 --> 02:21:42,840

I think so

3204

02:21:50,150 --> 02:21:46,740

and they have multiple locations right

3205

02:21:52,309 --> 02:21:50,160

multiple locations so

3206

02:21:53,690 --> 02:21:52,319

all right so we have done our due

3207

02:21:56,630 --> 02:21:53,700

diligence we've covered the latest

3208

02:21:59,349 --> 02:21:56,640

so-called Intel from this clown Corey I

3209

02:22:02,450 --> 02:21:59,359

mean uh secret space scammer I mean uh

3210

02:22:05,690 --> 02:22:02,460

Earth's Galactic Ambassador Corey Goode

3211

02:22:08,389 --> 02:22:05,700

we have done our due diligence right we

3212

02:22:09,050 --> 02:22:08,399

have done good work today

3213

02:22:12,469 --> 02:22:09,060

um

3214

02:22:15,770 --> 02:22:12,479

and we will be back tomorrow to do more

3215

02:22:19,490 --> 02:22:15,780

uh and spend more quality time with you

3216

02:22:21,469 --> 02:22:19,500

no place I would rather be uh so uh

3217

02:22:23,270 --> 02:22:21,479

we'll be back tomorrow night at 9 00 p.m

3218

02:22:25,630 --> 02:22:23,280

Eastern Standard time we want to thank

3219

02:22:29,270 --> 02:22:25,640

all of you kind and generous benefactors

3220

02:22:31,190 --> 02:22:29,280

and we want to thank our uh chat room

3221

02:22:33,469 --> 02:22:31,200

moderators we want to thank spooky for

3222

02:22:35,750 --> 02:22:33,479

the wonderful Graphics we want to thank

3223

02:22:38,389 --> 02:22:35,760

Mr Ian the man with the golden voice our

3224

02:22:40,490 --> 02:22:38,399

announcer and thank you for being a part

3225

02:22:43,010 --> 02:22:40,500

of the show we'll be back tomorrow night

3226

02:22:45,050 --> 02:22:43,020

9 p.m Eastern Standard Time hope you'll

3227

02:22:46,969 --> 02:22:45,060

be here with me until next time friends

3228

02:22:51,800 --> 02:22:46,979

my name is Stephen Camby and good night

3229

02:22:51,810 --> 02:23:48,429

[Music]

3230

02:23:56,480 --> 02:23:51,710

thank you foreign

3231

02:24:12,130 --> 02:23:56,490

[Music]

3232

02:24:37,910 --> 02:24:12,140

[Applause]

3233

02:24:37,920 --> 02:24:50,080

foreign

3234

02:25:48,170 --> 02:25:24,840

[Music]

3235

02:26:27,170 --> 02:25:48,180

foreign

3236

02:28:13,030 --> 02:26:27,180

[Music]

3237

02:28:15,700 --> 02:28:15,170

thank you

3238

02:28:16,910 --> 02:28:15,710

[Music]

3239

02:29:00,710 --> 02:28:16,920

[Applause]

3240

02:29:02,010 --> 02:29:00,720

[Music]
