

# LUE ELIZONDO SEAN CAHILL UFO **HOAXERS?!**

Lue Elizondo   
@LueElizondo

Just got this from my good friend and wonderful journalist Ross Coulthart @rosscoulthart. I started already and it's amazing!

I SMELL A GRIFT

## Truth Seekers

1  
00:00:42,700 --> 00:00:04,090  
foreign

2  
00:00:42,710 --> 00:00:52,810  
[Music]

3  
00:00:52,820 --> 00:00:57,660  
thank you

4  
00:01:18,590 --> 00:01:03,420  
[Music]

5  
00:01:25,480 --> 00:01:18,600  
foreign

6  
00:02:17,570 --> 00:01:51,220  
[Music]

7  
00:02:49,910 --> 00:02:19,980  
prostitute

8  
00:02:53,089 --> 00:02:49,920  
[Music]

9  
00:02:55,729 --> 00:02:53,099  
it's clear to me now that Lou Elizondo

10  
00:02:58,369 --> 00:02:55,739  
is deceiving and manipulating the

11  
00:03:00,589 --> 00:02:58,379  
community I mean 100 he admitted to that

12  
00:03:03,229 --> 00:03:00,599  
on our interview Friday by using sock

13  
00:03:08,150 --> 00:03:03,239

puppet accounts to manipulate and

14

00:03:09,650 --> 00:03:08,160

deceive us which I mean I so how can you

15

00:03:11,390 --> 00:03:09,660

trust someone who is going to go and

16

00:03:13,070 --> 00:03:11,400

create a secret account not only just

17

00:03:15,290 --> 00:03:13,080

create a secret account and post on it

18

00:03:17,210 --> 00:03:15,300

but he creates these in groups and out

19

00:03:19,130 --> 00:03:17,220

groups of people who are in on the

20

00:03:21,770 --> 00:03:19,140

secret and then he you know shares that

21

00:03:23,930 --> 00:03:21,780

special knowledge with them and really

22

00:03:26,869 --> 00:03:23,940

gets them to go out and attack his

23

00:03:28,369 --> 00:03:26,879

critics you know his his we can't see

24

00:03:29,690 --> 00:03:28,379

what the tweets that he posted under

25

00:03:31,729 --> 00:03:29,700

these sock puppets anymore because

26

00:03:33,350 --> 00:03:31,739

they've been deleted but you know he

27

00:03:34,910 --> 00:03:33,360

made it seem like on the interview that

28

00:03:36,410 --> 00:03:34,920

he was just responding to people who are

29

00:03:39,050 --> 00:03:36,420

doing personal attacks on his family

30

00:03:41,149 --> 00:03:39,060

that's a load of BS you know there

31

00:03:43,369 --> 00:03:41,159

wasn't really any attacks on his family

32

00:03:46,070 --> 00:03:43,379

before this whole who's blue documentary

33

00:03:47,869 --> 00:03:46,080

started and that was after he deleted

34

00:03:50,270 --> 00:03:47,879

his sock puppet account he was using

35

00:03:52,729 --> 00:03:50,280

that account to attack people like Mick

36

00:03:55,309 --> 00:03:52,739

West and Stephen Green Street and

37

00:03:58,009 --> 00:03:55,319

you know rile people up and and Stow

38

00:03:59,809 --> 00:03:58,019

Division and to what end is really my

39

00:04:02,270 --> 00:03:59,819

question how you know why he says that

40

00:04:03,890 --> 00:04:02,280

his audience isn't UFO Twitter if his

41

00:04:05,809 --> 00:04:03,900

audience isn't UFO Twitter why does he

42

00:04:09,229 --> 00:04:05,819

have multiple socks off of his accounts

43

00:04:11,210 --> 00:04:09,239

engaging with UFO Twitter and doing all

44

00:04:12,949 --> 00:04:11,220

this nonsense it's like it just doesn't

45

00:04:18,139 --> 00:04:12,959

make any sense to me I'm

46

00:04:58,430 --> 00:04:27,490

[Music]

47

00:05:01,070 --> 00:04:58,440

hello

48

00:05:02,629 --> 00:05:01,080

Luis Elizondo resigned in protest from

49

00:05:04,490 --> 00:05:02,639

the advanced Aerospace threat

50

00:05:05,900 --> 00:05:04,500

identification program number one

51  
00:05:11,110 --> 00:05:05,910  
anti-gravity

52  
00:05:14,150 --> 00:05:11,120  
[Music]

53  
00:05:15,840 --> 00:05:14,160  
number two sudden and instantaneous

54  
00:05:19,909 --> 00:05:15,850  
acceleration

55  
00:05:23,810 --> 00:05:21,770  
you have told me before that you've had

56  
00:05:25,969 --> 00:05:23,820  
your own sighting do you believe they're

57  
00:05:27,590 --> 00:05:25,979  
real

58  
00:05:30,640 --> 00:05:27,600  
you know what

59  
00:05:30,650 --> 00:05:57,610  
[Music]

60  
00:06:04,990 --> 00:06:00,409  
hello I'm Tom DeLong and thanks for

61  
00:06:10,730 --> 00:06:08,450  
well thanks Tom for that very uh special

62  
00:06:11,990 --> 00:06:10,740  
introduction and I'm excited frankly

63  
00:06:14,110 --> 00:06:12,000

like hell

64

00:06:17,390 --> 00:06:14,120  
to be part of this effort with you

65

00:06:20,450 --> 00:06:17,400  
thank you sincerely for your time over

66

00:06:25,309 --> 00:06:20,460  
to you the phenomenon

67

00:06:25,319 --> 00:06:28,490  
Chris

68

00:06:33,830 --> 00:06:30,969  
thank you

69

00:06:35,990 --> 00:06:33,840  
for those of you who are just joining us

70

00:06:38,210 --> 00:06:36,000  
from around the world I want to welcome

71

00:06:40,370 --> 00:06:38,220  
you today we're announcing to the Stars

72

00:06:42,830 --> 00:06:40,380  
Academy of Arts and Science a company

73

00:06:44,930 --> 00:06:42,840  
dedicated to pushing the outer edges of

74

00:06:47,090 --> 00:06:44,940  
Science and understanding

75

00:06:48,650 --> 00:06:47,100  
and the understanding of aerial

76

00:06:51,529 --> 00:06:48,660

phenomena

77

00:06:55,249 --> 00:06:51,539

um we have a plan to bring the

78

00:06:55,920 --> 00:06:55,259

unimaginable the stuff of dreams to the

79

00:07:02,689 --> 00:06:55,930

world

80

00:07:08,990 --> 00:07:06,650

pineapple on Pizza yes or no really no

81

00:07:10,790 --> 00:07:09,000

pizza is not made for vitamins and

82

00:07:12,650 --> 00:07:10,800

minerals like

83

00:07:14,390 --> 00:07:12,660

they should actually have a prostitute

84

00:07:16,129 --> 00:07:14,400

on it right no they fruit on Pizza they

85

00:07:18,010 --> 00:07:16,139

should have a process to extract

86

00:07:20,689 --> 00:07:18,020

vitamins and minerals from a pizza

87

00:07:22,790 --> 00:07:20,699

rather than not healthy yeah yeah no

88

00:07:24,110 --> 00:07:22,800

keep your pineapples on ice cream and

89

00:07:26,809 --> 00:07:24,120

things like that I don't know I said

90

00:07:28,670 --> 00:07:26,819

it's it's not American it's a

91

00:07:31,610 --> 00:07:28,680

anti-American I believe honestly I

92

00:07:33,710 --> 00:07:31,620

believe uh it's communist look what we

93

00:07:36,950 --> 00:07:33,720

can achieve if we decide to do it yes

94

00:07:39,409 --> 00:07:36,960

and so that's that's kind of my hope now

95

00:07:41,390 --> 00:07:39,419

the the last couple of months there's

96

00:07:44,029 --> 00:07:41,400

there's a slow trip of information about

97

00:07:45,710 --> 00:07:44,039

whatever the phenomenon is

98

00:07:58,990 --> 00:07:45,720

um I've noticed there's much more

99

00:08:04,730 --> 00:08:01,490

the story that the New York Times wrote

100

00:08:06,589 --> 00:08:04,740

the day before yesterday has uh it's

101  
00:08:12,220 --> 00:08:06,599  
gotten a bit viral so I guess I'm

102  
00:08:36,290 --> 00:08:27,480  
[Music]

103  
00:08:36,300 --> 00:08:42,240  
good morning

104  
00:08:42,250 --> 00:08:49,269  
[Music]

105  
00:08:49,279 --> 00:08:53,269  
thank you

106  
00:08:56,090 --> 00:08:54,889  
next question Jeff where are you right

107  
00:08:56,690 --> 00:08:56,100  
there yeah

108  
00:08:59,630 --> 00:08:56,700  
um

109  
00:09:00,710 --> 00:08:59,640  
I just want to thank each and every one

110  
00:09:12,710 --> 00:09:00,720  
of y'all

111  
00:09:19,190 --> 00:09:16,070  
you're awesome thank you so much Mr for

112  
00:09:26,290 --> 00:09:19,200  
saying what needed to be said I don't

113  
00:09:26,300 --> 00:09:29,590

[Music]

114

00:09:40,640 --> 00:09:34,550

oh my God

115

00:10:01,030 --> 00:09:53,300

[Music]

116

00:10:08,769 --> 00:10:01,040

number five trans medium travel

117

00:10:15,889 --> 00:10:12,290

my gosh greetings and salutations

118

00:10:18,530 --> 00:10:15,899

friends and welcome back we are back on

119

00:10:21,650 --> 00:10:18,540

track and ready to

120

00:10:23,990 --> 00:10:21,660

move forward with our investigation into

121

00:10:26,690 --> 00:10:24,000

the strange the mysterious the bizarre

122

00:10:29,150 --> 00:10:26,700

and so of course we've been covering

123

00:10:33,290 --> 00:10:29,160

some of these well-known figures in the

124

00:10:37,490 --> 00:10:33,300

world of aliens and UFOs and recently a

125

00:10:39,650 --> 00:10:37,500

Mr Sean Cahill right-hand man of Luis

126

00:10:40,370 --> 00:10:39,660

Elizondo

127

00:10:45,949 --> 00:10:40,380

um

128

00:10:48,949 --> 00:10:45,959

released a a video that he decided was a

129

00:10:51,230 --> 00:10:48,959

UAP a term which I don't like because

130

00:10:53,449 --> 00:10:51,240

that's a CIA term

131

00:10:56,329 --> 00:10:53,459

uh it's a UFO

132

00:10:58,970 --> 00:10:56,339

but for one reason or another the the

133

00:11:01,550 --> 00:10:58,980

CIA psyop came in and we changed the

134

00:11:04,610 --> 00:11:01,560

term from UFO to UAP

135

00:11:06,310 --> 00:11:04,620

and uh unidentified aerial phenomenon

136

00:11:09,530 --> 00:11:06,320

now they're saying it's unidentified

137

00:11:11,690 --> 00:11:09,540

anomalous phenomenon

138

00:11:15,110 --> 00:11:11,700

um so the video was released on a

139

00:11:16,910 --> 00:11:15,120

little-known brand new sort of YouTube

140

00:11:19,370 --> 00:11:16,920

uh show

141

00:11:22,370 --> 00:11:19,380

and what's interesting is that the video

142

00:11:26,090 --> 00:11:22,380

gets released with absolutely no context

143

00:11:29,110 --> 00:11:26,100

no date no location no time it was

144

00:11:33,050 --> 00:11:29,120

recorded no details about the so-called

145

00:11:37,670 --> 00:11:33,060

UAP encounter that Sean Cahill had

146

00:11:41,810 --> 00:11:37,680

and uh also no audio on the video which

147

00:11:44,630 --> 00:11:41,820

uh to me is a certain indicator of

148

00:11:48,110 --> 00:11:44,640

intended deception

149

00:11:51,590 --> 00:11:48,120

um now uh the real controversial part of

150

00:11:55,190 --> 00:11:51,600

this comes in uh when some Reddit

151

00:11:58,009 --> 00:11:55,200

posters realized that Sean Cahill uh

152

00:12:01,550 --> 00:11:58,019

filmed this UFO essentially in Luis

153

00:12:05,030 --> 00:12:01,560

elizondo's backyard and uh some previous

154

00:12:07,009 --> 00:12:05,040

posts of Luis Elizondo holding up Ross

155

00:12:08,750 --> 00:12:07,019

coltar the big bluffers book you

156

00:12:12,410 --> 00:12:08,760

remember that guy the guy who said that

157

00:12:15,350 --> 00:12:12,420

he had quote conclusive proof of alien

158

00:12:17,810 --> 00:12:15,360

technology right and then he didn't have

159

00:12:20,090 --> 00:12:17,820

they're disgraced Australian

160

00:12:22,490 --> 00:12:20,100

journalist well he's buddies with Luis

161

00:12:25,310 --> 00:12:22,500

Elizondo so Luis Elizondo was

162

00:12:28,069 --> 00:12:25,320

holding up his book and you know helping

163

00:12:31,130 --> 00:12:28,079

him sell his book of lies and garbage

164

00:12:34,370 --> 00:12:31,140

and uh in the background was the same

165

00:12:37,910 --> 00:12:34,380

exact Mountain that this so-called UAP

166

00:12:39,650 --> 00:12:37,920

video that Sean Cahill releases

167

00:12:42,050 --> 00:12:39,660

um and it's interesting with that Reddit

168

00:12:45,050 --> 00:12:42,060

post that has been deleted restored

169

00:12:48,470 --> 00:12:45,060

edited deleted edited some more edit

170

00:12:51,290 --> 00:12:48,480

edit edit edit edit over concerns about

171

00:12:53,170 --> 00:12:51,300

doxing of all things which is

172

00:12:55,550 --> 00:12:53,180

interesting because nobody posted Mr

173

00:12:58,850 --> 00:12:55,560

elizondo's address or anything like that

174

00:13:00,470 --> 00:12:58,860

you know unlike when elizondo's goon

175

00:13:04,310 --> 00:13:00,480

squad well I don't know if it was his

176

00:13:07,490 --> 00:13:04,320

goon squad but you know acting in in uh

177

00:13:10,970 --> 00:13:07,500

retaliation or something to me doxed my

178

00:13:13,190 --> 00:13:10,980

family and put my name and address out

179

00:13:15,889 --> 00:13:13,200

there right

180

00:13:19,430 --> 00:13:15,899

um but apparently you know we can't dox

181

00:13:20,090 --> 00:13:19,440

Louise Elizondo even though his well you

182

00:13:22,790 --> 00:13:20,100

know

183

00:13:25,730 --> 00:13:22,800

it's enough to say that the video was

184

00:13:27,410 --> 00:13:25,740

filmed in Luis elizondo's backyard by

185

00:13:30,350 --> 00:13:27,420

Sean Cahill but when he released the

186

00:13:32,870 --> 00:13:30,360

video he forgot to tell us that and

187

00:13:35,329 --> 00:13:32,880

there's an awful lot to unpack here with

188

00:13:38,269 --> 00:13:35,339

that because if we are to believe that

189

00:13:42,949 --> 00:13:38,279

Luis Elizondo really did run a 22

190

00:13:45,530 --> 00:13:42,959

million dollar Pentagon UFO program uh

191

00:13:48,230 --> 00:13:45,540

and there's unidentified aerial

192

00:13:51,769 --> 00:13:48,240

phenomenon in his backyard and he can't

193

00:13:54,110 --> 00:13:51,779

identify them and he didn't uh think

194

00:13:57,410 --> 00:13:54,120

that was relevant like maybe he should

195

00:14:01,790 --> 00:13:57,420

tweet like oh my friend Sean we got UFOs

196

00:14:04,490 --> 00:14:01,800

in my backyard right no this was all a

197

00:14:06,530 --> 00:14:04,500

purposeful deception in my opinion why

198

00:14:10,009 --> 00:14:06,540

would you you don't think it's relevant

199

00:14:13,970 --> 00:14:10,019

that you filmed a UFO or UAP in the

200

00:14:16,490 --> 00:14:13,980

backyard of the guy that you clowns uh

201

00:14:20,030 --> 00:14:16,500

that are his friends claim ran a

202

00:14:22,310 --> 00:14:20,040

government UFO program and there's a UFO

203

00:14:25,190 --> 00:14:22,320

in his backyard that you filmed but you

204

00:14:28,009 --> 00:14:25,200

don't think it's relevant to include

205

00:14:30,710 --> 00:14:28,019

that it was filmed in his backyard great

206

00:14:33,530 --> 00:14:30,720

and see this opens this whole can of

207

00:14:35,750 --> 00:14:33,540

worms now because here we go this is

208

00:14:39,050 --> 00:14:35,760

there's so many problems here with this

209

00:14:40,970 --> 00:14:39,060

not the least of which is uh okay but

210

00:14:43,670 --> 00:14:40,980

first you know we should uh we should

211

00:14:44,930 --> 00:14:43,680

play the uh video

212

00:14:46,970 --> 00:14:44,940

um because

213

00:14:48,769 --> 00:14:46,980

Reddit posts are disappearing people

214

00:14:50,389 --> 00:14:48,779

want to see the video it's only about 45

215

00:14:53,810 --> 00:14:50,399

seconds long

216

00:14:55,910 --> 00:14:53,820

I'm gonna put my fair use banner up uh

217

00:14:57,410 --> 00:14:55,920

because this is a transformative work

218

00:14:59,269 --> 00:14:57,420

and we're educating the public we're

219

00:15:00,350 --> 00:14:59,279

going to be critiquing the video that we

220

00:15:02,449 --> 00:15:00,360

are sharing

221

00:15:04,670 --> 00:15:02,459

and certainly Sean Cahill is a public

222

00:15:06,129 --> 00:15:04,680

figure and so is Luis Elizondo and if

223

00:15:08,870 --> 00:15:06,139

they're saying that they're filming

224

00:15:11,269 --> 00:15:08,880

unidentified flying objects or

225

00:15:13,930 --> 00:15:11,279

unidentified aerial phenomenon or

226

00:15:16,850 --> 00:15:13,940

anomalous phenomenon in their backyard

227

00:15:18,650 --> 00:15:16,860

uh then that is newsworthy and it's

228

00:15:20,990 --> 00:15:18,660

certainly worthy of discussion and

229

00:15:23,930 --> 00:15:21,000

critique and and it's worth talking

230

00:15:26,689 --> 00:15:23,940

about and educating the public about wow

231

00:15:30,050 --> 00:15:26,699

why a guy who ran a government program

232

00:15:32,150 --> 00:15:30,060

and the Pentagon has got UFOs and

233

00:15:35,509 --> 00:15:32,160

they're right in his backyard this is

234

00:15:38,090 --> 00:15:35,519

beautiful this is this is third phase of

235

00:15:40,310 --> 00:15:38,100

moon kind of right here did you

236

00:15:43,550 --> 00:15:40,320

know the third phase of moon got caught

237

00:15:45,110 --> 00:15:43,560

hoaxing 10 videos all within two miles

238

00:15:48,290 --> 00:15:45,120

of their house

239

00:15:50,449 --> 00:15:48,300

did somebody take notes in that third

240

00:15:52,189 --> 00:15:50,459

phase Moon

241

00:15:54,590 --> 00:15:52,199

documentary when they got caught doing

242

00:15:57,710 --> 00:15:54,600

filming UFOs right near their house

243

00:15:59,750 --> 00:15:57,720

right by the way all of third phases

244

00:16:01,370 --> 00:15:59,760

moons uh UFOs that they filmed right

245

00:16:03,710 --> 00:16:01,380

near their house were all fake and

246

00:16:05,449 --> 00:16:03,720

hoaxes and they were nothing mysterious

247

00:16:07,670 --> 00:16:05,459

or strange

248

00:16:10,490 --> 00:16:07,680

um so this is fair use we're gonna play

249

00:16:13,069 --> 00:16:10,500

the video which he only released to uh

250

00:16:15,290 --> 00:16:13,079

some brand new virtually brand new UFO

251  
00:16:18,290 --> 00:16:15,300  
Channel your YouTube channel I should

252  
00:16:20,810 --> 00:16:18,300  
say not so Focus solely

253  
00:16:22,370 --> 00:16:20,820  
um I don't know another CIA mouthpiece

254  
00:16:24,889 --> 00:16:22,380  
hey let's put that put out this video

255  
00:16:27,470 --> 00:16:24,899  
and by the way uh

256  
00:16:29,329 --> 00:16:27,480  
the original Reddit post and others said

257  
00:16:32,930 --> 00:16:29,339  
that this video was taken recently

258  
00:16:35,290 --> 00:16:32,940  
that's a lie that's a lie because Sean

259  
00:16:38,990 --> 00:16:35,300  
Cahill was showing this video to people

260  
00:16:40,009 --> 00:16:39,000  
a little more than a year to year ago on

261  
00:16:43,790 --> 00:16:40,019  
his phone

262  
00:16:46,610 --> 00:16:43,800  
you know that super secret you know that

263  
00:16:49,189 --> 00:16:46,620

inner circle Club where Luis Elizondo

264

00:16:51,290 --> 00:16:49,199  
and Sean Cahill and all their UFO dork

265

00:16:53,810 --> 00:16:51,300  
Buck buddies get together and they'll

266

00:16:55,970 --> 00:16:53,820  
show people videos that they don't

267

00:16:58,129 --> 00:16:55,980  
release to the public on the phone this

268

00:17:01,850 --> 00:16:58,139  
is what we get you this is what they're

269

00:17:05,390 --> 00:17:01,860  
showing the secret Club UFOs filmed in

270

00:17:08,630 --> 00:17:05,400  
their backyard oh it's beautiful they're

271

00:17:11,510 --> 00:17:08,640  
showing their Inner Circle UFOs that

272

00:17:14,569 --> 00:17:11,520  
they filmed in their backyard

273

00:17:18,289 --> 00:17:14,579  
nothing suspicious about that nothing to

274

00:17:21,770 --> 00:17:18,299  
see here and these layers upon layers of

275

00:17:24,309 --> 00:17:21,780  
deception we will peel apart we will

276

00:17:27,010 --> 00:17:24,319

peel them apart

277

00:17:30,650 --> 00:17:27,020

this entire

278

00:17:33,530 --> 00:17:30,660

controlled CIA disclosure is falling

279

00:17:37,730 --> 00:17:33,540

apart it's all over look at what they're

280

00:17:39,830 --> 00:17:37,740

doing no you you shall know him by his

281

00:17:41,870 --> 00:17:39,840

fruits

282

00:17:45,110 --> 00:17:41,880

and what what do you get even if you're

283

00:17:47,450 --> 00:17:45,120

in the Inner Circle you get a video with

284

00:17:48,950 --> 00:17:47,460

no sounds no contacts they don't tell

285

00:17:51,470 --> 00:17:48,960

you that it was filmed in Luis

286

00:17:54,230 --> 00:17:51,480

elizondo's backyard when they're showing

287

00:17:56,750 --> 00:17:54,240

the Inner Circle clowns this right

288

00:17:59,690 --> 00:17:56,760

that's what you get that's what you get

289

00:18:01,850 --> 00:17:59,700

for your loyalty right go dock some more

290

00:18:04,490 --> 00:18:01,860

show hosts that are critical of these

291

00:18:07,490 --> 00:18:04,500

clowns go threaten some more people's

292

00:18:09,950 --> 00:18:07,500

families their children their wives you

293

00:18:12,650 --> 00:18:09,960

a bunch of clown Inner Circle this is

294

00:18:15,590 --> 00:18:12,660

what you're getting UFOs filmed in this

295

00:18:18,350 --> 00:18:15,600

goddamn backyard that's what you get for

296

00:18:21,409 --> 00:18:18,360

your loyalty for literally people have

297

00:18:23,870 --> 00:18:21,419

literally committed crimes in the name

298

00:18:27,710 --> 00:18:23,880

of this Crusade and what do they get

299

00:18:30,970 --> 00:18:27,720

apparently they get to see videos on a

300

00:18:35,090 --> 00:18:30,980

phone that Sean Cahill filmed in Luis

301  
00:18:37,730 --> 00:18:35,100  
elizondo's backyard then they lie about

302  
00:18:40,610 --> 00:18:37,740  
it all they lie about where it was

303  
00:18:43,010 --> 00:18:40,620  
filmed oh sorry Lie by Omission let's

304  
00:18:45,350 --> 00:18:43,020  
just forget to tell everybody that this

305  
00:18:47,870 --> 00:18:45,360  
was filmed in Luis elizondo's backyard

306  
00:18:50,750 --> 00:18:47,880  
that's not relevant right

307  
00:18:53,150 --> 00:18:50,760  
it's laughable that they would think to

308  
00:18:55,310 --> 00:18:53,160  
just leave that out you know great UAP

309  
00:18:57,110 --> 00:18:55,320  
sighting but let's not let everybody

310  
00:19:00,049 --> 00:18:57,120  
know that we filmed it in Luis

311  
00:19:03,549 --> 00:19:00,059  
elizondo's backyard nothing suspicious

312  
00:19:06,890 --> 00:19:03,559  
about that right nothing deceptive then

313  
00:19:10,010 --> 00:19:06,900

Sean Cahill comes out today and he makes

314

00:19:12,890 --> 00:19:10,020

some statements where he verifiably

315

00:19:14,450 --> 00:19:12,900

provably lied and we're gonna break it

316

00:19:18,409 --> 00:19:14,460

down for you

317

00:19:20,210 --> 00:19:18,419

so let's uh just get to the statements

318

00:19:23,090 --> 00:19:20,220

right we'll get to the statements that

319

00:19:26,150 --> 00:19:23,100

oh I I forgot that we're going to watch

320

00:19:28,909 --> 00:19:26,160

this incredible mystery

321

00:19:30,529 --> 00:19:28,919

here right but before you watch this

322

00:19:32,930 --> 00:19:30,539

number one thing you should know is

323

00:19:35,150 --> 00:19:32,940

there's no sound number two thing you

324

00:19:37,190 --> 00:19:35,160

should know is that he gives this to a

325

00:19:39,110 --> 00:19:37,200

podcaster and just doesn't tell him that

326

00:19:41,270 --> 00:19:39,120

this was filmed in Luis elizondo's

327

00:19:43,690 --> 00:19:41,280

backyard it's up Reddit people to put

328

00:19:46,010 --> 00:19:43,700

the pieces together and catch him right

329

00:19:47,630 --> 00:19:46,020

uh I believe if they didn't get caught

330

00:19:49,490 --> 00:19:47,640

they never would have told the truth

331

00:19:51,710 --> 00:19:49,500

that this was filmed in elizondo's

332

00:19:53,870 --> 00:19:51,720

backyard and that's relevant so much for

333

00:20:07,310 --> 00:19:53,880

always telling the truth Mr Elizondo

334

00:20:07,320 --> 00:20:23,920

laughs

335

00:20:23,930 --> 00:20:45,950

[Music]

336

00:20:51,230 --> 00:20:49,549

uh call me a little bit underwhelmed and

337

00:20:52,669 --> 00:20:51,240

uh let me just say that you have to

338

00:20:54,710 --> 00:20:52,679

remember that Sean Cahill and Lou

339

00:20:57,289 --> 00:20:54,720

Elizondo they're the top of the

340

00:20:59,690 --> 00:20:57,299

disclosure food chain this is the best

341

00:21:02,029 --> 00:20:59,700

that they got and they're the top of the

342

00:21:04,310 --> 00:21:02,039

disclosure food chain right either that

343

00:21:06,529 --> 00:21:04,320

or videos uh you know borrowed out of

344

00:21:08,930 --> 00:21:06,539

the Pentagon that they made millions of

345

00:21:12,590 --> 00:21:08,940

dollars on Elizondo and his buddies at

346

00:21:14,930 --> 00:21:12,600

ttsa which again some were debunked some

347

00:21:16,970 --> 00:21:14,940

and and they proved nothing top of the

348

00:21:19,789 --> 00:21:16,980

food chain the best they got is taking

349

00:21:23,870 --> 00:21:19,799

UFO photos or videos in their backyard

350

00:21:26,150 --> 00:21:23,880

with no time no date no location there's

351  
00:21:27,409 --> 00:21:26,160  
a reason they do that it's so they can't

352  
00:21:30,950 --> 00:21:27,419  
get caught

353  
00:21:34,789 --> 00:21:30,960  
no sound right so we can't hear any

354  
00:21:37,490 --> 00:21:34,799  
engine noise right and uh I'm just gonna

355  
00:21:40,490 --> 00:21:37,500  
share this uh

356  
00:21:43,190 --> 00:21:40,500  
so you know Cahill comes out and starts

357  
00:21:44,450 --> 00:21:43,200  
lying about the the whole thing

358  
00:21:47,149 --> 00:21:44,460  
um

359  
00:21:48,710 --> 00:21:47,159  
first uh I'm just going to share this

360  
00:21:51,470 --> 00:21:48,720  
real quickly

361  
00:21:53,330 --> 00:21:51,480  
this is the Reddit post which has been

362  
00:21:55,010 --> 00:21:53,340  
taken down and put back up and taken

363  
00:21:59,090 --> 00:21:55,020

down and put back up

364

00:21:59,990 --> 00:21:59,100

shot on lose property yeah so it's a

365

00:22:02,029 --> 00:22:00,000

match

366

00:22:06,830 --> 00:22:02,039

and Sean Cahill has admitted that he

367

00:22:11,210 --> 00:22:06,840

filmed this UFO UAP uh

368

00:22:12,470 --> 00:22:11,220

in Luis elizondo's backyard basically uh

369

00:22:14,690 --> 00:22:12,480

but here's where it gets more

370

00:22:17,029 --> 00:22:14,700

interesting because you know the layers

371

00:22:19,909 --> 00:22:17,039

of deception here are are interesting

372

00:22:21,770 --> 00:22:19,919

but it gets better because today Sean

373

00:22:23,750 --> 00:22:21,780

Cahill came out and made a statement he

374

00:22:25,669 --> 00:22:23,760

said at no time was a claim to be

375

00:22:28,549 --> 00:22:25,679

anything other than interesting and

376

00:22:32,090 --> 00:22:28,559

unidentified well in fact in the actual

377

00:22:33,950 --> 00:22:32,100

podcast that that he let release this

378

00:22:35,990 --> 00:22:33,960

they didn't even talk about it where it

379

00:22:38,870 --> 00:22:36,000

was filmed what it was that it was

380

00:22:41,029 --> 00:22:38,880

interesting or unidentified right

381

00:22:43,130 --> 00:22:41,039

but here's where it gets important Sean

382

00:22:45,710 --> 00:22:43,140

Cahill says post citing it was verified

383

00:22:47,149 --> 00:22:45,720

that there was nothing on flight radar

384

00:22:49,130 --> 00:22:47,159

great

385

00:22:51,230 --> 00:22:49,140

so Sean Cahill will have no problem

386

00:22:53,690 --> 00:22:51,240

releasing the original file with the

387

00:22:55,669 --> 00:22:53,700

metadator right so that we can verify

388

00:22:58,130 --> 00:22:55,679

that statement right because the

389

00:23:00,710 --> 00:22:58,140

metadata on the original video file will

390

00:23:02,570 --> 00:23:00,720

have the date and time it was taken and

391

00:23:07,250 --> 00:23:02,580

then we can verify that Sean Cahill's

392

00:23:09,350 --> 00:23:07,260

not just lying to cover a hoax right he

393

00:23:11,750 --> 00:23:09,360

he checked the flight radar so he can

394

00:23:14,330 --> 00:23:11,760

verify for everybody that he checked the

395

00:23:16,190 --> 00:23:14,340

flight radar right right Mr Cahill you

396

00:23:18,169 --> 00:23:16,200

wouldn't lie to everybody to cover a

397

00:23:19,970 --> 00:23:18,179

stupid hoax would you

398

00:23:24,409 --> 00:23:19,980

now here's where it gets really

399

00:23:27,890 --> 00:23:24,419

interesting it's in a no-fly area

400

00:23:29,690 --> 00:23:27,900

it's in a no-fly area so apparently he's

401  
00:23:31,310 --> 00:23:29,700  
claiming that airplanes are not allowed

402  
00:23:33,830 --> 00:23:31,320  
to fly in that area

403  
00:23:35,870 --> 00:23:33,840  
and perpendicular to any approach path

404  
00:23:38,149 --> 00:23:35,880  
further we visited the area and we found

405  
00:23:39,830 --> 00:23:38,159  
it too low and too slow

406  
00:23:42,169 --> 00:23:39,840  
great

407  
00:23:44,270 --> 00:23:42,179  
um but I'm really mostly interested in

408  
00:23:45,409 --> 00:23:44,280  
the metadata and the original file with

409  
00:23:47,810 --> 00:23:45,419  
the audio

410  
00:23:51,110 --> 00:23:47,820  
so uh Sean Cahill is going to release

411  
00:23:53,149 --> 00:23:51,120  
that to prove that this is not a hoax uh

412  
00:23:55,610 --> 00:23:53,159  
well he hasn't said that but you know

413  
00:23:58,370 --> 00:23:55,620

come on Sean is this really what we're

414

00:24:01,810 --> 00:23:58,380

going to do here we're gonna we're gonna

415

00:24:04,490 --> 00:24:01,820

you know withhold data and information

416

00:24:07,549 --> 00:24:04,500

that will either prove or disprove that

417

00:24:10,070 --> 00:24:07,559

you hoax this shitty video and Lou

418

00:24:12,110 --> 00:24:10,080

elizondo's backyard certainly you don't

419

00:24:14,210 --> 00:24:12,120

want people thinking that you and the 22

420

00:24:17,690 --> 00:24:14,220

million dollar a tip director Were

421

00:24:19,850 --> 00:24:17,700

Somehow colluding to make a fake UFO

422

00:24:22,610 --> 00:24:19,860

video together right you could show us

423

00:24:26,270 --> 00:24:22,620

the flight radar oh and that whole it's

424

00:24:30,230 --> 00:24:26,280

it's in a no-fly area yeah that's a lie

425

00:24:32,450 --> 00:24:30,240

that's a lie because if you check uh if

426  
00:24:35,270 --> 00:24:32,460  
you check publicly available databases

427  
00:24:38,090 --> 00:24:35,280  
you will find airplanes flying right

428  
00:24:40,730 --> 00:24:38,100  
through that area all the time all the

429  
00:24:43,789 --> 00:24:40,740  
time so Sean Cahill you just got caught

430  
00:24:47,090 --> 00:24:43,799  
lying to cover a hoax you're lying to

431  
00:24:49,850 --> 00:24:47,100  
cover a hoax no fly area by the way this

432  
00:24:53,450 --> 00:24:49,860  
is just one example I got a hundred more

433  
00:24:55,850 --> 00:24:53,460  
and we found airplanes flying in that

434  
00:24:57,230 --> 00:24:55,860  
exact it looked to me like the exact

435  
00:24:59,810 --> 00:24:57,240  
flight path

436  
00:25:02,870 --> 00:24:59,820  
of your so-called UAP

437  
00:25:05,090 --> 00:25:02,880  
so can we get the original video so that

438  
00:25:07,010 --> 00:25:05,100

we can once and for all know that you

439

00:25:08,810 --> 00:25:07,020

didn't just film a plane from a distance

440

00:25:12,409 --> 00:25:08,820

and pretend that there was no flight

441

00:25:14,570 --> 00:25:12,419

data and pretend uh

442

00:25:16,789 --> 00:25:14,580

and that you didn't just lie when you

443

00:25:19,970 --> 00:25:16,799

said it was a no-fly area why would you

444

00:25:22,130 --> 00:25:19,980

lie and say it's a no-fly area it's not

445

00:25:23,990 --> 00:25:22,140

a no-fly area I could show you 300

446

00:25:26,570 --> 00:25:24,000

examples of planes flying right over

447

00:25:28,789 --> 00:25:26,580

that area no fly area that's a new one

448

00:25:31,010 --> 00:25:28,799

could be an airplane kind of like

449

00:25:34,669 --> 00:25:31,020

corbels could be a rocket or a missile

450

00:25:37,789 --> 00:25:34,679

couldn't be trust me dude this is some

451

00:25:40,370 --> 00:25:37,799

bull grade a grade A

452

00:25:43,430 --> 00:25:40,380

congratulations the top of the food

453

00:25:46,730 --> 00:25:43,440

chain just try to fool you with a third

454

00:25:48,350 --> 00:25:46,740

phase of moon level stupid hoax

455

00:25:51,289 --> 00:25:48,360

and

456

00:25:54,169 --> 00:25:51,299

that which can be presented without

457

00:25:57,409 --> 00:25:54,179

evidence can be dismissed without

458

00:26:00,590 --> 00:25:57,419

evidence uh can I prove 100 it's a hoax

459

00:26:03,230 --> 00:26:00,600

maybe not but I could if it gave me the

460

00:26:05,690 --> 00:26:03,240

original data

461

00:26:08,450 --> 00:26:05,700

why would he withhold that data

462

00:26:10,610 --> 00:26:08,460

he's a man of Honor right a military guy

463

00:26:12,110 --> 00:26:10,620

so is Elizondo

464

00:26:14,090 --> 00:26:12,120

he's not going to give out the original

465

00:26:16,850 --> 00:26:14,100

file with the metadata he's not going to

466

00:26:19,070 --> 00:26:16,860

allow any other independent review or

467

00:26:23,090 --> 00:26:19,080

researcher to look into this because

468

00:26:25,669 --> 00:26:23,100

this is a stupid stupid hoax and they

469

00:26:28,310 --> 00:26:25,679

have layered lie a pie upon lie hey

470

00:26:29,930 --> 00:26:28,320

let's Lie by Omission Lie by Omission

471

00:26:33,830 --> 00:26:29,940

it's not relevant that it was in

472

00:26:37,130 --> 00:26:33,840

elizondo's backyard right and you know

473

00:26:41,390 --> 00:26:37,140

look either way something's not right

474

00:26:43,730 --> 00:26:41,400

here because if we buy the lie that uh

475

00:26:46,430 --> 00:26:43,740

Luis Elizondo

476

00:26:48,350 --> 00:26:46,440

if we buy this lie that he ran a 22

477

00:26:51,890 --> 00:26:48,360

million dollar Pentagon program and

478

00:26:53,330 --> 00:26:51,900

there's unidentified possibly alien oh

479

00:26:55,909 --> 00:26:53,340

they didn't say alien they never do

480

00:26:57,590 --> 00:26:55,919

that's just the implication but if

481

00:27:00,350 --> 00:26:57,600

there's these things in his backyard

482

00:27:02,870 --> 00:27:00,360

remember he was the director of a UFO

483

00:27:07,430 --> 00:27:02,880

program and he's saying that he cannot

484

00:27:11,390 --> 00:27:09,890

so did Luis Elizondo look at the data

485

00:27:14,269 --> 00:27:11,400

can we have his

486

00:27:17,090 --> 00:27:14,279

take on this unidentified aerial

487

00:27:19,250 --> 00:27:17,100

phenomenon video taken in his backyard

488

00:27:23,750 --> 00:27:19,260

what a coincidence

489

00:27:26,390 --> 00:27:23,760

this is this is stupid nonsense and uh

490

00:27:28,370 --> 00:27:26,400

where's the data where's the audio from

491

00:27:30,950 --> 00:27:28,380

the file why would you purposefully

492

00:27:33,409 --> 00:27:30,960

delete the audio from the file or not

493

00:27:35,390 --> 00:27:33,419

allow the audio to be shown because we

494

00:27:38,510 --> 00:27:35,400

can enhance it see if we hear any engine

495

00:27:41,269 --> 00:27:38,520

noise there Mr Cahill and if we have the

496

00:27:43,730 --> 00:27:41,279

date and time we can verify that that

497

00:27:47,450 --> 00:27:43,740

wasn't an airplane and until you release

498

00:27:50,149 --> 00:27:47,460

that this is a hoax this is a hoax all

499

00:27:52,669 --> 00:27:50,159

that's required for a hoax is deception

500

00:27:54,710 --> 00:27:52,679

and trickery

501

00:27:56,390 --> 00:27:54,720

Lie by omission

502

00:27:57,950 --> 00:27:56,400

that's trickery

503

00:28:00,169 --> 00:27:57,960

you didn't think it was relevant you

504

00:28:01,970 --> 00:28:00,179

took it in your buddy's backyard all

505

00:28:04,549 --> 00:28:01,980

right and uh you know we need military

506

00:28:07,370 --> 00:28:04,559

experts more military experts and we

507

00:28:10,789 --> 00:28:07,380

need more uh good researchers to kind of

508

00:28:12,890 --> 00:28:10,799

tell it like it is so yeah I thought

509

00:28:14,690 --> 00:28:12,900

it'd be a good idea for

510

00:28:16,070 --> 00:28:14,700

you know opinion opinion here so we've

511

00:28:17,690 --> 00:28:16,080

invited several other people we're going

512

00:28:20,930 --> 00:28:17,700

to be having a panel and a discussion

513

00:28:24,409 --> 00:28:20,940

about it and uh here we have Mr strange

514

00:28:25,970 --> 00:28:24,419

Recon is here

515

00:28:27,769 --> 00:28:25,980

I should have told you that we're gonna

516

00:28:29,450 --> 00:28:27,779

get started a little late I apologize

517

00:28:31,970 --> 00:28:29,460

what's going on everyone how's it going

518

00:28:35,149 --> 00:28:31,980

Steve good good

519

00:28:38,750 --> 00:28:35,159

I I'm disgusted at the level of

520

00:28:40,669 --> 00:28:38,760

bullshitery because and and what's

521

00:28:42,110 --> 00:28:40,679

really frustrating is that people are

522

00:28:43,970 --> 00:28:42,120

defending this

523

00:28:47,149 --> 00:28:43,980

people are saying well what's the big

524

00:28:48,470 --> 00:28:47,159

controversy here what do you think about

525

00:28:50,690 --> 00:28:48,480

this

526

00:28:53,390 --> 00:28:50,700

I think you summed it up pretty good but

527

00:28:55,250 --> 00:28:53,400

uh yeah the controversy

528

00:28:59,570 --> 00:28:55,260

is

529

00:29:01,789 --> 00:28:59,580

said it but I mean the the people that

530

00:29:04,250 --> 00:29:01,799

are spearheading something shouldn't

531

00:29:06,110 --> 00:29:04,260

have evidence so terrible and the

532

00:29:08,510 --> 00:29:06,120

evidence so terrible is filmed out of

533

00:29:10,310 --> 00:29:08,520

the backyard or near uh the guy running

534

00:29:15,010 --> 00:29:10,320

an attack I mean it's like to me it

535

00:29:18,950 --> 00:29:15,020

screams uh it's amateur our circus time

536

00:29:22,070 --> 00:29:18,960

is it or are they tricking people to

537

00:29:23,210 --> 00:29:22,080

even even the less likely to analyze

538

00:29:24,649 --> 00:29:23,220

what they're looking at are going to

539

00:29:26,630 --> 00:29:24,659

latch on even more and ever I don't even

540

00:29:28,730 --> 00:29:26,640

know I really can't tell but it's it's

541

00:29:32,630 --> 00:29:28,740

so bad it's confusing

542

00:29:36,169 --> 00:29:32,640

yeah and this is the and and I I am just

543

00:29:38,510 --> 00:29:36,179

like look look if we believe that this

544

00:29:40,549 --> 00:29:38,520

guy ran a 22 million dollar program and

545

00:29:42,289 --> 00:29:40,559

now he's saying that he can't identify

546

00:29:45,710 --> 00:29:42,299

something flying right in his backyard

547

00:29:49,370 --> 00:29:45,720

then that's a problem right some UFO

548

00:29:52,130 --> 00:29:49,380

expert right some UFOs were they didn't

549

00:29:55,370 --> 00:29:52,140

identify it on purpose because it's the

550

00:29:57,409 --> 00:29:55,380

mystery cells they need and listen they

551  
00:29:59,210 --> 00:29:57,419  
were showing this to those that inner

552  
00:30:00,769 --> 00:29:59,220  
circle crowd like they would show people

553  
00:30:04,130 --> 00:30:00,779  
this on their phone

554  
00:30:06,110 --> 00:30:04,140  
the loyal UFO Circle jerkers that are

555  
00:30:08,990 --> 00:30:06,120  
helping them spread their message of

556  
00:30:11,269 --> 00:30:09,000  
deception they would show them this and

557  
00:30:14,510 --> 00:30:11,279  
other videos of this kind of particular

558  
00:30:16,610 --> 00:30:14,520  
crap right I've seen how many other of

559  
00:30:19,549 --> 00:30:16,620  
those Inner Circle videos may have been

560  
00:30:21,710 --> 00:30:19,559  
filmed in Luis Alexander's backyard and

561  
00:30:23,690 --> 00:30:21,720  
they didn't tell they Inner Circle that

562  
00:30:25,789 --> 00:30:23,700  
this is if that's the case that'd be

563  
00:30:28,250 --> 00:30:25,799

that'd be pretty wild I have heard those

564

00:30:30,169 --> 00:30:28,260

for now the last at least two years that

565

00:30:32,090 --> 00:30:30,179

they're they have a bunch of videos they

566

00:30:34,370 --> 00:30:32,100

show people uh that uh some of them are

567

00:30:35,810 --> 00:30:34,380

clearer than others and you know you

568

00:30:37,070 --> 00:30:35,820

know obviously we've heard some claims

569

00:30:39,529 --> 00:30:37,080

all the way up to like the 23 minute

570

00:30:41,990 --> 00:30:39,539

video and whatnot but yeah I mean it was

571

00:30:43,789 --> 00:30:42,000

like two years ago I remember hearing uh

572

00:30:45,409 --> 00:30:43,799

that they have a handful of stuff that

573

00:30:47,210 --> 00:30:45,419

they I heard the same thing but I've

574

00:30:49,070 --> 00:30:47,220

never seen it and nobody I know has ever

575

00:30:52,690 --> 00:30:49,080

been able to get me copies of it and

576

00:30:57,710 --> 00:30:55,610

it's like that rumor there's a 23 minute

577

00:31:01,010 --> 00:30:57,720

super clear video of a flying triangle

578

00:31:03,289 --> 00:31:01,020

where who has it can we see it you know

579

00:31:04,789 --> 00:31:03,299

can we all see it and then that begs the

580

00:31:06,710 --> 00:31:04,799

question too like if you have such great

581

00:31:10,190 --> 00:31:06,720

evidence why are you putting out garbage

582

00:31:12,830 --> 00:31:10,200

like this this is garbage it's

583

00:31:14,690 --> 00:31:12,840

garbage that's why I'm so confused with

584

00:31:15,830 --> 00:31:14,700

the whole entire disclosure tsa thing

585

00:31:19,029 --> 00:31:15,840

the first place because they started out

586

00:31:23,930 --> 00:31:21,889

pictures and stuff yeah I mean so like

587

00:31:26,450 --> 00:31:23,940

you know and for me I don't know how you

588

00:31:28,310 --> 00:31:26,460

feel but at this point I don't really I

589

00:31:29,750 --> 00:31:28,320

don't really have hope that they'll show

590

00:31:31,510 --> 00:31:29,760

something one day that's going to be

591

00:31:34,909 --> 00:31:31,520

really amazing or even you know

592

00:31:36,289 --> 00:31:34,919

Revelations at all it's just it's like

593

00:31:38,510 --> 00:31:36,299

Kick the Can that's what they're doing

594

00:31:40,310 --> 00:31:38,520

they're just kicking the can you know no

595

00:31:41,930 --> 00:31:40,320

big things are coming though Jeff come

596

00:31:44,570 --> 00:31:41,940

on big things are coming

597

00:31:45,769 --> 00:31:44,580

I I am internally disappointed with

598

00:31:53,630 --> 00:31:45,779

everything we're moving the ball down

599

00:31:57,950 --> 00:31:56,210

cannot believe there's that there I

600

00:31:59,930 --> 00:31:57,960

can't believe they're dumb

601  
00:32:01,549 --> 00:31:59,940  
I just can't believe I can't it does it

602  
00:32:03,769 --> 00:32:01,559  
doesn't compute with me that these two

603  
00:32:06,350 --> 00:32:03,779  
people would put it up on accident or be

604  
00:32:08,630 --> 00:32:06,360  
really that mistaken I just

605  
00:32:10,909 --> 00:32:08,640  
unless of course they checked the flight

606  
00:32:12,950 --> 00:32:10,919  
data radar based off of what they think

607  
00:32:14,330 --> 00:32:12,960  
the date was or something you know and

608  
00:32:16,430 --> 00:32:14,340  
it was like well there's nothing there

609  
00:32:17,870 --> 00:32:16,440  
at 1pm well I don't know you know and

610  
00:32:19,310 --> 00:32:17,880  
they just went like that because I can't

611  
00:32:24,669 --> 00:32:19,320  
for the life of me believe that they

612  
00:32:29,570 --> 00:32:27,169  
I'm having trouble to make sure that I'm

613  
00:32:31,549 --> 00:32:29,580

clear enough it's also very important to

614

00:32:34,370 --> 00:32:31,559

note Jeff that there's an airport for

615

00:32:37,070 --> 00:32:34,380

small engine aircraft right behind that

616

00:32:39,769 --> 00:32:37,080

mountain there's an end and here's what

617

00:32:41,870 --> 00:32:39,779

I did find out I started doing some

618

00:32:43,610 --> 00:32:41,880

historical just looking for planes going

619

00:32:45,769 --> 00:32:43,620

through the flight path of that

620

00:32:48,049 --> 00:32:45,779

so-called UAP or around that mountain

621

00:32:50,870 --> 00:32:48,059

and I found tons and tons of examples

622

00:32:53,149 --> 00:32:50,880

and then if you track whose plane that

623

00:32:55,610 --> 00:32:53,159

is guess what

624

00:32:59,450 --> 00:32:55,620

and somebody else on Twitter suggested

625

00:33:03,710 --> 00:32:59,460

this as well there are uh like tourism

626

00:33:05,330 --> 00:33:03,720

seen airplanes all around that area it's

627

00:33:07,610 --> 00:33:05,340

a big National Park and there's

628

00:33:09,950 --> 00:33:07,620

mountains and so they take you up fly

629

00:33:12,169 --> 00:33:09,960

around the mountains and then they and

630

00:33:16,789 --> 00:33:12,179

then they land and you know this is a

631

00:33:21,649 --> 00:33:16,799

business there you know like you know to

632

00:33:25,009 --> 00:33:21,659

go right to on a un unidentified or you

633

00:33:27,350 --> 00:33:25,019

know an unknown Maybe

634

00:33:29,630 --> 00:33:27,360

maybe it was a small engine aircraft or

635

00:33:31,669 --> 00:33:29,640

something but and then the deception too

636

00:33:33,350 --> 00:33:31,679

like this is third phase of moon

637

00:33:35,269 --> 00:33:33,360

delete the audio so they don't hear the

638

00:33:37,070 --> 00:33:35,279

helicopter delete the audio so they

639

00:33:39,470 --> 00:33:37,080

don't hear it's an airplane third phase

640

00:33:42,830 --> 00:33:39,480

of moon have done that kind of stuff we

641

00:33:45,169 --> 00:33:42,840

have Jeremy Corbell now and Luis

642

00:33:47,630 --> 00:33:45,179

Elizondo both employing third phase and

643

00:33:49,070 --> 00:33:47,640

moon tactics Jeremy Corbell puts up this

644

00:33:50,810 --> 00:33:49,080

Baghdad thing and he's like we're we're

645

00:33:53,450 --> 00:33:50,820

not sure what it is can you help us

646

00:33:56,090 --> 00:33:53,460

identify it that's a third phase of moon

647

00:33:58,130 --> 00:33:56,100

we're not saying it's aliens

648

00:33:59,990 --> 00:33:58,140

oh my God this is it's it's

649

00:34:02,210 --> 00:34:00,000

heartbreaking to everyone who's ever

650

00:34:04,610 --> 00:34:02,220

come here with hopes of finding

651  
00:34:06,370 --> 00:34:04,620  
something cool a lot about UFOs it's

652  
00:34:11,089 --> 00:34:06,380  
real heartbreaking real quick

653  
00:34:12,889 --> 00:34:11,099  
letdown the the first part the uh the

654  
00:34:14,210 --> 00:34:12,899  
plane though um

655  
00:34:16,490 --> 00:34:14,220  
you know

656  
00:34:18,470 --> 00:34:16,500  
I I really can't understand why they

657  
00:34:19,490 --> 00:34:18,480  
would do that but furthermore if you

658  
00:34:21,109 --> 00:34:19,500  
have that do you still have that image

659  
00:34:22,730 --> 00:34:21,119  
you just showed a minute ago of like the

660  
00:34:24,290 --> 00:34:22,740  
uh his tweets where it shows like what

661  
00:34:26,750 --> 00:34:24,300  
he said what the little investigation

662  
00:34:28,609 --> 00:34:26,760  
because yeah they actually pushed the

663  
00:34:31,490 --> 00:34:28,619

going closer I mean

664

00:34:33,169 --> 00:34:31,500

the I mean anyone can go to Google Maps

665

00:34:35,030 --> 00:34:33,179

right now and see that I can't tell if

666

00:34:36,889 --> 00:34:35,040

he's trying to walk his way out of it or

667

00:34:38,570 --> 00:34:36,899

or if he's trying to test the faith of

668

00:34:40,369 --> 00:34:38,580

his inner circle

669

00:34:42,230 --> 00:34:40,379

you know what I mean well the big one

670

00:34:45,829 --> 00:34:42,240

that stood out to me is is that he said

671

00:34:47,389 --> 00:34:45,839

it's in a no-fly area because listen I

672

00:34:50,030 --> 00:34:47,399

didn't know he posted this stuff and

673

00:34:51,710 --> 00:34:50,040

I've been all day Gathering historical

674

00:34:54,409 --> 00:34:51,720

data to show that there's airplanes

675

00:34:56,030 --> 00:34:54,419

flying all over that area and I was kind

676

00:34:58,150 --> 00:34:56,040

of trying to see if I could find a

677

00:35:00,290 --> 00:34:58,160

recent one because at first this morning

678

00:35:02,450 --> 00:35:00,300

Corey oh that's the other thing he told

679

00:35:05,570 --> 00:35:02,460

everybody that this was a recent video

680

00:35:07,609 --> 00:35:05,580

that he was showing this to people more

681

00:35:09,410 --> 00:35:07,619

than a year ago so it wasn't a recent

682

00:35:12,589 --> 00:35:09,420

video that's lie number one lie number

683

00:35:14,630 --> 00:35:12,599

two is this is a no-fly zone there's

684

00:35:17,390 --> 00:35:14,640

there's no no-fly zones in the state of

685

00:35:19,430 --> 00:35:17,400

Wyoming none there's no no-fly zones you

686

00:35:21,770 --> 00:35:19,440

can fly anywhere you want in the state

687

00:35:24,470 --> 00:35:21,780

of Wyoming there's no no-fly zones I

688

00:35:26,510 --> 00:35:24,480

checked three times today we're good

689

00:35:28,730 --> 00:35:26,520

there's no no-fly zones there

690

00:35:32,089 --> 00:35:28,740

so and as far as perpendicular any

691

00:35:34,609 --> 00:35:32,099

approach path you know I I don't know

692

00:35:36,530 --> 00:35:34,619

I I'm pretty sure that uh it looks

693

00:35:39,109 --> 00:35:36,540

exactly like what it is but it is really

694

00:35:41,630 --> 00:35:39,119

not the like all of this is just uh to

695

00:35:43,370 --> 00:35:41,640

back up what what seems to be obvious to

696

00:35:46,250 --> 00:35:43,380

a few people and to some people I guess

697

00:35:47,750 --> 00:35:46,260

but uh that it flies just like a plane

698

00:35:49,790 --> 00:35:47,760

there

699

00:35:51,589 --> 00:35:49,800

for no reason should have they recorded

700

00:35:53,870 --> 00:35:51,599

that in the first place and posted it or

701  
00:35:56,470 --> 00:35:53,880  
said anything to anyone if Lou Elizondo

702  
00:35:59,390 --> 00:35:56,480  
is following the strict

703  
00:36:01,849 --> 00:35:59,400  
regimented observables in which you know

704  
00:36:02,870 --> 00:36:01,859  
you can decide something's a UAP did

705  
00:36:06,589 --> 00:36:02,880  
that

706  
00:36:09,950 --> 00:36:06,599  
the UAP

707  
00:36:13,010 --> 00:36:09,960  
the the slow moving like an airplane you

708  
00:36:14,690 --> 00:36:13,020  
know I I don't to me it's just uh it's

709  
00:36:16,250 --> 00:36:14,700  
just an unfortunate series of events

710  
00:36:18,650 --> 00:36:16,260  
where we're seeing once again that like

711  
00:36:20,089 --> 00:36:18,660  
that that the base the basic the lowest

712  
00:36:23,390 --> 00:36:20,099  
hanging piece of evidence can be used

713  
00:36:24,890 --> 00:36:23,400

and people still will uh we'll look at

714

00:36:26,089 --> 00:36:24,900

it like it's something amazing and I I

715

00:36:27,589 --> 00:36:26,099

don't know what they're looking at that

716

00:36:29,450 --> 00:36:27,599

I don't see I'm like that guy in

717

00:36:31,849 --> 00:36:29,460

Seinfeld who couldn't see the damn uh

718

00:36:33,349 --> 00:36:31,859

you know 3D image I I can't see the damn

719

00:36:34,010 --> 00:36:33,359

sailboat the spaceship or whatever it

720

00:36:36,130 --> 00:36:34,020

was

721

00:36:40,670 --> 00:36:36,140

uh yeah

722

00:36:42,650 --> 00:36:40,680

I just uh I I don't even know but I I

723

00:36:44,930 --> 00:36:42,660

know for a fact that he's so you know

724

00:36:48,230 --> 00:36:44,940

several people this more than a year ago

725

00:36:51,650 --> 00:36:48,240

so why if it was so good why wait on it

726

00:36:54,109 --> 00:36:51,660

for more than a year and and again for

727

00:36:57,230 --> 00:36:54,119

them to not think that it's relevant or

728

00:36:58,550 --> 00:36:57,240

not that they tell everybody this was uh

729

00:37:01,430 --> 00:36:58,560

you know

730

00:37:04,490 --> 00:37:01,440

this was filmed in Luis elizondo's

731

00:37:07,010 --> 00:37:04,500

backyard you know come on guys it's not

732

00:37:09,170 --> 00:37:07,020

relevant where you filmed it or did they

733

00:37:11,450 --> 00:37:09,180

not want the date and time location and

734

00:37:13,250 --> 00:37:11,460

where it was filmed to be known

735

00:37:16,790 --> 00:37:13,260

because they know what this object is

736

00:37:19,670 --> 00:37:16,800

right if if Luis Elizondo lives there

737

00:37:22,010 --> 00:37:19,680

he's probably seen those tourist planes

738

00:37:24,410 --> 00:37:22,020

all over that mountain many many times

739

00:37:26,630 --> 00:37:24,420

right I can't believe he couldn't he

740

00:37:28,190 --> 00:37:26,640

wouldn't yeah I mean you could hear him

741

00:37:30,230 --> 00:37:28,200

from his house it's only a few miles

742

00:37:34,310 --> 00:37:30,240

from there you know from that Mountain

743

00:37:36,770 --> 00:37:34,320

Base so you know until we get more data

744

00:37:39,589 --> 00:37:36,780

though we're kind of at an impasse like

745

00:37:41,630 --> 00:37:39,599

you know I think this thing has zero

746

00:37:43,730 --> 00:37:41,640

value but it does have a value in

747

00:37:46,250 --> 00:37:43,740

showing that they're willing to deceive

748

00:37:49,190 --> 00:37:46,260

you the the General Public

749

00:37:50,990 --> 00:37:49,200

a lie bio mission is still a lie and

750

00:37:54,290 --> 00:37:51,000

they can't lie their way out of this one

751  
00:37:56,750 --> 00:37:54,300  
point where this was filmed is even more

752  
00:38:00,010 --> 00:37:56,760  
relevant look the guy who runs the UFO

753  
00:38:03,410 --> 00:38:00,020  
programs got UFOs in his backyard like

754  
00:38:05,569 --> 00:38:03,420  
this is so stupid you know I'm gonna go

755  
00:38:08,089 --> 00:38:05,579  
get a helium tank and start filming

756  
00:38:10,730 --> 00:38:08,099  
in my backyard because if the top of the

757  
00:38:12,589 --> 00:38:10,740  
food chain here that's the best they got

758  
00:38:14,930 --> 00:38:12,599  
like come on man

759  
00:38:16,849 --> 00:38:14,940  
that you have you have to ask yourself

760  
00:38:18,790 --> 00:38:16,859  
or everyone out there like what they're

761  
00:38:21,410 --> 00:38:18,800  
willing to do to this whole

762  
00:38:22,730 --> 00:38:21,420  
storyline of this narrative if that's a

763  
00:38:25,430 --> 00:38:22,740

video that is released now then him

764

00:38:27,950 --> 00:38:25,440

saying at no time was it claimed to be

765

00:38:29,329 --> 00:38:27,960

other than interesting or unidentified

766

00:38:30,130 --> 00:38:29,339

post sighting it was verified for

767

00:38:32,810 --> 00:38:30,140

something

768

00:38:34,130 --> 00:38:32,820

it just seems like it just seems like

769

00:38:36,589 --> 00:38:34,140

that

770

00:38:37,910 --> 00:38:36,599

I can first off I'm such a weirdo now

771

00:38:39,530 --> 00:38:37,920

that I see patterns everything I cannot

772

00:38:41,510 --> 00:38:39,540

but I still cannot believe that they

773

00:38:46,670 --> 00:38:41,520

would put that out there without a

774

00:38:50,630 --> 00:38:48,589

I can't for the life of me I can't say

775

00:38:51,890 --> 00:38:50,640

to myself that that there is this robust

776

00:38:53,150 --> 00:38:51,900

amount of data or evidence out there

777

00:38:55,010 --> 00:38:53,160

that's just all this what they're

778

00:38:57,589 --> 00:38:55,020

claiming is real and that they choose to

779

00:38:59,089 --> 00:38:57,599

put this out uh what I'm I I just it

780

00:39:01,670 --> 00:38:59,099

just doesn't work in my mind I just

781

00:39:04,910 --> 00:39:01,680

don't get it because I I it does so bad

782

00:39:07,310 --> 00:39:04,920

and useless what point is it what point

783

00:39:09,170 --> 00:39:07,320

is it to continuously dangle something

784

00:39:10,910 --> 00:39:09,180

like this in front of people I don't

785

00:39:13,030 --> 00:39:10,920

yeah that's exactly what it is it's a

786

00:39:15,589 --> 00:39:13,040

carrot on the Stick Dude keep chasing

787

00:39:17,390 --> 00:39:15,599

this is one you know what I think though

788

00:39:18,470 --> 00:39:17,400

I think that I could get into the mind

789

00:39:20,210 --> 00:39:18,480

of them they're like we don't have

790

00:39:22,069 --> 00:39:20,220

anything good we got to give them

791

00:39:24,650 --> 00:39:22,079

something every once in a while so we'll

792

00:39:28,430 --> 00:39:24,660

give them the shitty you know whatever

793

00:39:31,069 --> 00:39:28,440

we can come up with in our backyard

794

00:39:32,270 --> 00:39:31,079

I I really don't understand that one

795

00:39:34,609 --> 00:39:32,280

either uh

796

00:39:36,470 --> 00:39:34,619

did he just

797

00:39:38,270 --> 00:39:36,480

you know I'm thinking like you know back

798

00:39:41,150 --> 00:39:38,280

in the McGowan time right when McGowan

799

00:39:43,849 --> 00:39:41,160

was there with him uh over in Lou's

800

00:39:45,290 --> 00:39:43,859

place in in in what they what they were

801  
00:39:46,910 --> 00:39:45,300  
doing there filming stuff going around

802  
00:39:49,250 --> 00:39:46,920  
in the in the uh in the Osiris early

803  
00:39:51,230 --> 00:39:49,260  
Osiris vehicle and whatnot but it's like

804  
00:39:52,790 --> 00:39:51,240  
do you think that maybe at the time it

805  
00:39:54,890 --> 00:39:52,800  
was just like the energy was capture

806  
00:39:56,329 --> 00:39:54,900  
whatever was in the sky no matter how if

807  
00:39:57,530 --> 00:39:56,339  
it you know whatever and if it looks

808  
00:39:58,910 --> 00:39:57,540  
like a plane kinda but you can't tell

809  
00:40:00,770 --> 00:39:58,920  
through the phone just grab it anyways

810  
00:40:02,930 --> 00:40:00,780  
and so from that time they had all this

811  
00:40:04,430 --> 00:40:02,940  
stuff because if it's anything else then

812  
00:40:05,690 --> 00:40:04,440  
I guess that adds a little conspiracy to

813  
00:40:07,569 --> 00:40:05,700

it but like I don't really get the

814

00:40:09,829 --> 00:40:07,579

significance of

815

00:40:12,170 --> 00:40:09,839

why he would record like it just doesn't

816

00:40:14,150 --> 00:40:12,180

all right I'm sorry my brain does not

817

00:40:16,010 --> 00:40:14,160

make it make sense why no you you know

818

00:40:18,950 --> 00:40:16,020

what you and I are having the same like

819

00:40:20,750 --> 00:40:18,960

brain Schism because I'm going like none

820

00:40:22,609 --> 00:40:20,760

of this makes sense why would they put

821

00:40:24,829 --> 00:40:22,619

the sale and then I thought the same as

822

00:40:27,230 --> 00:40:24,839

you like they got they they had to have

823

00:40:29,329 --> 00:40:27,240

reasons for it I mean they but you know

824

00:40:32,510 --> 00:40:29,339

what's interesting too is that he gives

825

00:40:34,069 --> 00:40:32,520

this to uh like a a show host and they

826

00:40:35,990 --> 00:40:34,079

play it while they're talking about

827

00:40:39,109 --> 00:40:36,000

something completely different

828

00:40:40,910 --> 00:40:39,119

you know what I mean so it's not like if

829

00:40:43,010 --> 00:40:40,920

you're releasing this what do you show

830

00:40:45,530 --> 00:40:43,020

the show host the video and then tell

831

00:40:47,390 --> 00:40:45,540

them about where you saw it how you

832

00:40:48,950 --> 00:40:47,400

recorded it what was going on they

833

00:40:50,510 --> 00:40:48,960

didn't do that they were talking about

834

00:40:52,790 --> 00:40:50,520

something completely different it just

835

00:40:55,609 --> 00:40:52,800

sort of flashed that on the screen and

836

00:40:57,770 --> 00:40:55,619

then this video gets you know uh

837

00:41:00,530 --> 00:40:57,780

captured by people and shared on Reddit

838

00:41:02,870 --> 00:41:00,540

and Twitter and everywhere else like

839

00:41:06,230 --> 00:41:02,880

it's a UFO

840

00:41:09,109 --> 00:41:06,240

that was new release from Sean Cahill

841

00:41:11,210 --> 00:41:09,119

with no context no date no time no

842

00:41:13,370 --> 00:41:11,220

location none of that stuff

843

00:41:14,630 --> 00:41:13,380

did what were they talking about right

844

00:41:15,470 --> 00:41:14,640

after though when it came on the show I

845

00:41:16,550 --> 00:41:15,480

don't know what channel what channel

846

00:41:18,589 --> 00:41:16,560

you're talking about yeah I was talking

847

00:41:20,990 --> 00:41:18,599

about something completely unrelated

848

00:41:22,370 --> 00:41:21,000

like you know uh I I don't know he may

849

00:41:24,050 --> 00:41:22,380

have been talking about that time he

850

00:41:25,690 --> 00:41:24,060

claims he saw like a three football

851  
00:41:28,970 --> 00:41:25,700  
sized

852  
00:41:32,030 --> 00:41:28,980  
flying triangle or something

853  
00:41:35,630 --> 00:41:32,040  
I don't I

854  
00:41:37,010 --> 00:41:35,640  
I don't think Lou and him work like in

855  
00:41:38,210 --> 00:41:37,020  
tandem where they approve each other's

856  
00:41:40,790 --> 00:41:38,220  
posts or what they're saying whatever

857  
00:41:43,190 --> 00:41:40,800  
but I do have to ask and and question

858  
00:41:45,230 --> 00:41:43,200  
any type of Integrity they have for what

859  
00:41:46,970 --> 00:41:45,240  
they're claiming but then again I most

860  
00:41:48,829 --> 00:41:46,980  
people that watch my program know that I

861  
00:41:50,329 --> 00:41:48,839  
think they're all just on about how

862  
00:41:51,950 --> 00:41:50,339  
dangerous drones are and stuff whatnot

863  
00:41:53,270 --> 00:41:51,960

so and they're just calling it something

864

00:41:54,890 --> 00:41:53,280

else that they're raising attention for

865

00:41:58,069 --> 00:41:54,900

it while it's not really ever saying

866

00:41:58,730 --> 00:41:58,079

what it is because UAP isn't UFO UAP is

867

00:42:16,310 --> 00:41:58,740

a

868

00:42:18,170 --> 00:42:16,320

Lou you know is doing some sort of job I

869

00:42:19,910 --> 00:42:18,180

can see is somewhat makes sense but then

870

00:42:21,950 --> 00:42:19,920

at the same time if you're making money

871

00:42:24,470 --> 00:42:21,960

off it on the side as like your side gig

872

00:42:25,849 --> 00:42:24,480

I don't know if that's very honorable it

873

00:42:27,770 --> 00:42:25,859

seems in fact that you're just lying

874

00:42:30,010 --> 00:42:27,780

having people do crazy not having people

875

00:42:33,770 --> 00:42:30,020

do but inspiring people to act

876

00:42:35,329 --> 00:42:33,780

irrational in their defense and uh and

877

00:42:37,490 --> 00:42:35,339

it's yeah it's been pretty it's been

878

00:42:39,410 --> 00:42:37,500

pretty wild I hear that uh he talked

879

00:42:42,109 --> 00:42:39,420

suggestive about a Tic Tac in that

880

00:42:43,430 --> 00:42:42,119

moment that they that they played it

881

00:42:47,390 --> 00:42:43,440

so

882

00:42:49,670 --> 00:42:47,400

couldn't hear him say is that that's a

883

00:42:53,030 --> 00:42:49,680

tick tock no no they played they played

884

00:42:54,349 --> 00:42:53,040

the UAP video with no audio and I see

885

00:42:56,990 --> 00:42:54,359

what you're saying the audio was them

886

00:42:58,309 --> 00:42:57,000

talking that wasn't really related to

887

00:43:00,349 --> 00:42:58,319

the video I thought but people are

888

00:43:02,630 --> 00:43:00,359

saying that he was talking about Tic

889

00:43:04,490 --> 00:43:02,640

Tacs and you know things like that while

890

00:43:06,710 --> 00:43:04,500

they showed that video

891

00:43:09,109 --> 00:43:06,720

so this is actually interesting

892

00:43:11,450 --> 00:43:09,119

another Tic Tac sighting in Wyoming

893

00:43:14,630 --> 00:43:11,460

apparently where he was trying to

894

00:43:16,790 --> 00:43:14,640

suggest the this that's that's part of

895

00:43:18,950 --> 00:43:16,800

the game don't say it but imply it

896

00:43:20,390 --> 00:43:18,960

suggest it you know

897

00:43:21,710 --> 00:43:20,400

well that's a perfect example right

898

00:43:23,329 --> 00:43:21,720

there though of what I've always thought

899

00:43:25,130 --> 00:43:23,339

exactly was the point of saying

900

00:43:27,050 --> 00:43:25,140

something's a Tic Tac you know they

901  
00:43:29,450 --> 00:43:27,060  
listen folks there could there could be

902  
00:43:30,829 --> 00:43:29,460  
lodging looking things living under our

903  
00:43:32,150 --> 00:43:30,839  
ocean flying around I don't know I've

904  
00:43:33,589 --> 00:43:32,160  
never seen one I don't really believe it

905  
00:43:34,970 --> 00:43:33,599  
so I don't see the evidence word either

906  
00:43:36,650 --> 00:43:34,980  
but

907  
00:43:39,410 --> 00:43:36,660  
there's a reason why you say something

908  
00:43:40,970 --> 00:43:39,420  
looks like a propane tank or a flying a

909  
00:43:42,829 --> 00:43:40,980  
bottle or whatever because yeah you

910  
00:43:44,809 --> 00:43:42,839  
relate it to something I guess it looks

911  
00:43:46,790 --> 00:43:44,819  
like an airplane through through a bad

912  
00:43:48,410 --> 00:43:46,800  
camera sensor from multiple angles it

913  
00:43:50,390 --> 00:43:48,420

looks like an airplane looks like a tic

914

00:43:51,770 --> 00:43:50,400

deck so there's a great chance that a

915

00:43:53,210 --> 00:43:51,780

large number of people will be suddenly

916

00:43:55,790 --> 00:43:53,220

spotting

917

00:43:57,710 --> 00:43:55,800

so uh it's a great call to use that uh

918

00:44:00,109 --> 00:43:57,720

ambiguous kind of shape

919

00:44:01,430 --> 00:44:00,119

and often confused all the time look at

920

00:44:03,950 --> 00:44:01,440

someone who takes a video of a plane

921

00:44:05,450 --> 00:44:03,960

from like an angle at the wing it's

922

00:44:06,950 --> 00:44:05,460

almost like there is no Wing it's like

923

00:44:10,790 --> 00:44:06,960

how could this two be flying through the

924

00:44:12,770 --> 00:44:10,800

air is it one of those Tic Tacs yeah

925

00:44:14,630 --> 00:44:12,780

and and I think I've always thought it

926

00:44:16,309 --> 00:44:14,640

was a little funny that you know a Tic

927

00:44:18,290 --> 00:44:16,319

Tac shape and a missile shape aren't too

928

00:44:20,150 --> 00:44:18,300

far off or Tic Tac shape in a rocket

929

00:44:22,790 --> 00:44:20,160

shape aren't too far off and from a

930

00:44:24,829 --> 00:44:22,800

distance you know well yeah but how

931

00:44:26,870 --> 00:44:24,839

about just Steve how about just a rocket

932

00:44:29,750 --> 00:44:26,880

or missile development in a flying

933

00:44:31,849 --> 00:44:29,760

saucer from the side they don't look too

934

00:44:33,470 --> 00:44:31,859

crazy in a wind tunnel test they are the

935

00:44:36,050 --> 00:44:33,480

exact same shape you'd want them to be

936

00:44:37,450 --> 00:44:36,060

not to mention all the Olympic craft we

937

00:44:39,589 --> 00:44:37,460

created but um

938

00:44:41,630 --> 00:44:39,599

this is but that's just like if they

939

00:44:43,370 --> 00:44:41,640

were showing this to people uh back uh

940

00:44:45,230 --> 00:44:43,380

back in the day and uh in the little

941

00:44:46,370 --> 00:44:45,240

Inner Circle as possible stuff and if

942

00:44:47,690 --> 00:44:46,380

they played it on that show while

943

00:44:49,670 --> 00:44:47,700

stocking with tic tacs and like this

944

00:44:51,710 --> 00:44:49,680

ambiguous like pop up and it just plays

945

00:44:57,130 --> 00:44:51,720

that seems to me almost like they were

946

00:45:02,809 --> 00:45:00,650

it's just oh man it's so unfortunate

947

00:45:04,910 --> 00:45:02,819

it's so unfortunate because we all had

948

00:45:07,010 --> 00:45:04,920

at one point let's admit it we all at

949

00:45:08,930 --> 00:45:07,020

one point in the last like six years

950

00:45:10,790 --> 00:45:08,940

were like there is something happening I

951  
00:45:12,290 --> 00:45:10,800  
don't know what there's something up now

952  
00:45:13,609 --> 00:45:12,300  
it screams it's all a big load of

953  
00:45:15,410 --> 00:45:13,619  
nonsense but

954  
00:45:17,450 --> 00:45:15,420  
I don't actually think I truly though

955  
00:45:19,849 --> 00:45:17,460  
deep down I don't think Lou or anyone is

956  
00:45:21,950 --> 00:45:19,859  
actually working on behalf of anyone in

957  
00:45:24,530 --> 00:45:21,960  
in some degree I think that he

958  
00:45:27,770 --> 00:45:24,540  
recognized the comp a private company

959  
00:45:30,050 --> 00:45:27,780  
could be put together and hired uh to do

960  
00:45:32,030 --> 00:45:30,060  
something uh and he saw that Gap in the

961  
00:45:34,190 --> 00:45:32,040  
in the work but if there's a top-down

962  
00:45:35,630 --> 00:45:34,200  
conspiracy boy they didn't really they

963  
00:45:37,730 --> 00:45:35,640

got so many things wrong I mean how many

964

00:45:40,089 --> 00:45:37,740

people could be working on it they got

965

00:45:43,970 --> 00:45:40,099

so many things wrong

966

00:45:45,890 --> 00:45:43,980

you're right I hope my my favorite part

967

00:45:47,450 --> 00:45:45,900

of this whole thing is is that he puts

968

00:45:50,150 --> 00:45:47,460

out this statement in an effort to

969

00:45:52,069 --> 00:45:50,160

damage control this whole situation and

970

00:45:54,950 --> 00:45:52,079

then he just steps in it more saying

971

00:45:57,170 --> 00:45:54,960

that this is a no-fly zone because you

972

00:45:59,030 --> 00:45:57,180

know anybody can go to the public

973

00:46:01,069 --> 00:45:59,040

and you can see

974

00:46:02,750 --> 00:46:01,079

Jeff there's planes all over that

975

00:46:05,270 --> 00:46:02,760

mountain all over there every day

976

00:46:08,150 --> 00:46:05,280

they're all over they're like swarming

977

00:46:11,510 --> 00:46:08,160

it it's so stupid did he think that

978

00:46:12,650 --> 00:46:11,520

nobody would check you know I I'll flip

979

00:46:14,450 --> 00:46:12,660

on my flight right now once in a while

980

00:46:16,609 --> 00:46:14,460

to look at something if I see it if I'm

981

00:46:19,250 --> 00:46:16,619

ever in that mode of ever doing that uh

982

00:46:20,750 --> 00:46:19,260

and it usually starts off scaled all the

983

00:46:22,309 --> 00:46:20,760

way up if we're gonna zoom in and the

984

00:46:24,050 --> 00:46:22,319

whole entire the entire country is

985

00:46:25,849 --> 00:46:24,060

covered in little planes a little in

986

00:46:27,950 --> 00:46:25,859

commercial yeah it's kind of interesting

987

00:46:31,670 --> 00:46:27,960

to see how much is up there at once yeah

988

00:46:34,130 --> 00:46:31,680

and it's a lot that area obviously uh

989

00:46:37,010 --> 00:46:34,140

everywhere a slice through that area is

990

00:46:38,870 --> 00:46:37,020

known in the missing 4-1-1 world and and

991

00:46:41,150 --> 00:46:38,880

of course medicine both has a bunch of

992

00:46:43,069 --> 00:46:41,160

famous UFO cases there and that have

993

00:46:43,790 --> 00:46:43,079

changed over time and

994

00:46:45,829 --> 00:46:43,800

um

995

00:46:47,210 --> 00:46:45,839

but uh so yeah you can always add to

996

00:46:49,430 --> 00:46:47,220

that and lean on it it'll instantly be

997

00:46:51,589 --> 00:46:49,440

connected you can sell it this ambiguous

998

00:46:53,450 --> 00:46:51,599

video of something and it's right where

999

00:46:55,490 --> 00:46:53,460

things have been flying for thousands of

1000

00:46:56,930 --> 00:46:55,500

years they'll say whatever and it's just

1001

00:46:58,849 --> 00:46:56,940

uh that's perfect for him it's just

1002

00:47:00,829 --> 00:46:58,859

that's it in the audience that will

1003

00:47:02,510 --> 00:47:00,839

follow it will be the ones that stick

1004

00:47:06,109 --> 00:47:02,520

with

1005

00:47:10,430 --> 00:47:06,119

credentials

1006

00:47:13,130 --> 00:47:10,440

they can't be lying they used to run a

1007

00:47:15,589 --> 00:47:13,140

government program and so yeah and

1008

00:47:16,790 --> 00:47:15,599

that's the game that's the game who are

1009

00:47:19,430 --> 00:47:16,800

you going to believe it's a home game

1010

00:47:20,450 --> 00:47:19,440

you know oh and by the way it's just in

1011

00:47:25,250 --> 00:47:20,460

full

1012

00:47:27,650 --> 00:47:25,260

uh disclosure part in the pun I did uh I

1013

00:47:31,190 --> 00:47:27,660

did send Sean a message both publicly

1014

00:47:34,609 --> 00:47:31,200

and privately and uh I asked him for a

1015

00:47:36,290 --> 00:47:34,619

copy of the original video and uh you

1016

00:47:37,550 --> 00:47:36,300

know

1017

00:47:41,510 --> 00:47:37,560

and

1018

00:47:45,410 --> 00:47:41,520

I asked him about the no-fly zone

1019

00:47:47,690 --> 00:47:45,420

um no reply so you know

1020

00:47:49,910 --> 00:47:47,700

I said I tweeted a public request for

1021

00:47:52,309 --> 00:47:49,920

the original video with metadata intact

1022

00:47:53,770 --> 00:47:52,319

and sound you've made completely false

1023

00:47:55,910 --> 00:47:53,780

statements today

1024

00:47:57,410 --> 00:47:55,920

you could prove that your statements are

1025

00:48:00,470 --> 00:47:57,420

true by providing the original video

1026

00:48:02,210 --> 00:48:00,480

with metadata intact and sound I like

1027

00:48:04,250 --> 00:48:02,220

many know how to check flight and radar

1028

00:48:05,750 --> 00:48:04,260

data I also could enhance the sound to

1029

00:48:08,030 --> 00:48:05,760

show engine noise or no engine noise

1030

00:48:09,890 --> 00:48:08,040

this is a hoax in my opinion you

1031

00:48:12,589 --> 00:48:09,900

purposefully withheld data to obscure

1032

00:48:14,210 --> 00:48:12,599

what the object is congratulations you

1033

00:48:16,010 --> 00:48:14,220

are now on the same level as third phase

1034

00:48:17,990 --> 00:48:16,020

of moon they have done hoax is very

1035

00:48:20,569 --> 00:48:18,000

similar to this with those exact methods

1036

00:48:22,069 --> 00:48:20,579

tonight at 9pm I'm doing a story on this

1037

00:48:24,109 --> 00:48:22,079

you're welcome to join the show and tell

1038

00:48:25,670 --> 00:48:24,119

your side of the story and then I sent

1039

00:48:27,530 --> 00:48:25,680

him that graphic of the plane flying

1040

00:48:30,349 --> 00:48:27,540

right over that area saying what's that

1041

00:48:31,970 --> 00:48:30,359

plane and hundreds more on similar

1042

00:48:36,230 --> 00:48:31,980

flight paths doing in your so-called

1043

00:48:41,510 --> 00:48:38,890

they never reply to me either

1044

00:48:44,270 --> 00:48:41,520

but you know I

1045

00:48:46,790 --> 00:48:44,280

I'm for Redemption for a lot of these no

1046

00:48:50,390 --> 00:48:46,800

me too like listen I just never get it

1047

00:48:52,550 --> 00:48:50,400

it never comes I don't why

1048

00:48:54,589 --> 00:48:52,560

yeah what if he just filmed it and you

1049

00:48:56,750 --> 00:48:54,599

know oh it looks cool from this distance

1050

00:48:59,150 --> 00:48:56,760

and you can't really tell what it is or

1051  
00:49:00,950 --> 00:48:59,160  
you know I don't know just screwing

1052  
00:49:03,710 --> 00:49:00,960  
around right

1053  
00:49:05,450 --> 00:49:03,720  
I don't know I uh I just I I don't

1054  
00:49:07,069 --> 00:49:05,460  
really I don't know the Sean kale thing

1055  
00:49:09,050 --> 00:49:07,079  
uh because I've met many people in the

1056  
00:49:10,790 --> 00:49:09,060  
military that really aren't that you

1057  
00:49:12,230 --> 00:49:10,800  
know whatever and their job is their job

1058  
00:49:13,250 --> 00:49:12,240  
it's not like they specialize in certain

1059  
00:49:14,870 --> 00:49:13,260  
things and they'll get out and be

1060  
00:49:16,370 --> 00:49:14,880  
talking about it later and that's why I

1061  
00:49:17,809 --> 00:49:16,380  
try to make people you know it's clear I

1062  
00:49:19,609 --> 00:49:17,819  
was just some grunt

1063  
00:49:22,250 --> 00:49:19,619

um and um

1064

00:49:24,109 --> 00:49:22,260

but I you know I I would automatically

1065

00:49:26,450 --> 00:49:24,119

assume that that Sean being a person

1066

00:49:27,650 --> 00:49:26,460

that's worked in the military for a long

1067

00:49:29,150 --> 00:49:27,660

enough time he would have been able to

1068

00:49:30,290 --> 00:49:29,160

recognize the standard characteristics

1069

00:49:32,690 --> 00:49:30,300

and his brain would have instantly

1070

00:49:35,270 --> 00:49:32,700

twitched like right to aircraft like

1071

00:49:36,650 --> 00:49:35,280

lightwing aircraft line he would have

1072

00:49:38,030 --> 00:49:36,660

known right away based off of everything

1073

00:49:40,010 --> 00:49:38,040

he's looking at not just for the

1074

00:49:42,770 --> 00:49:40,020

military in general his own age his age

1075

00:49:44,089 --> 00:49:42,780

he's a he's a human on planet Earth

1076

00:49:47,750 --> 00:49:44,099

um yes yeah

1077

00:49:50,150 --> 00:49:47,760

um and uh and it's just I just I just I

1078

00:49:52,609 --> 00:49:50,160

just am kind of Blown Away by the amount

1079

00:49:54,890 --> 00:49:52,619

of uh the amount of time we've seen just

1080

00:49:56,630 --> 00:49:54,900

an ambiguous nonsense or just outright

1081

00:49:57,890 --> 00:49:56,640

things like that are wrong like of

1082

00:50:00,530 --> 00:49:57,900

course the mylar blue in the beginning

1083

00:50:02,390 --> 00:50:00,540

of the tsa launched all the way to we

1084

00:50:04,250 --> 00:50:02,400

gotta this is a still from the video of

1085

00:50:06,050 --> 00:50:04,260

the DC flyover and all the stuff from

1086

00:50:08,990 --> 00:50:06,060

the you know whatever they're saying is

1087

00:50:10,430 --> 00:50:09,000

always just off and um and I don't know

1088

00:50:12,470 --> 00:50:10,440

if that's purposeful or whatnot and if

1089

00:50:15,770 --> 00:50:12,480

it is it'd be that'd be ridiculously

1090

00:50:17,270 --> 00:50:15,780

good of an OP but it does to me It

1091

00:50:19,010 --> 00:50:17,280

ultimately feels like an information not

1092

00:50:21,410 --> 00:50:19,020

the best and I like I was saying I've

1093

00:50:23,030 --> 00:50:21,420

said before my show uh I don't know for

1094

00:50:24,589 --> 00:50:23,040

what of course but but uh you know

1095

00:50:26,150 --> 00:50:24,599

everyone has to remember that we live in

1096

00:50:28,130 --> 00:50:26,160

a different time it's extremely

1097

00:50:30,530 --> 00:50:28,140

Aerospace has changed it's extremely

1098

00:50:32,329 --> 00:50:30,540

dangerous weapons have become extremely

1099

00:50:33,890 --> 00:50:32,339

cheap for a lot of dangerous people out

1100

00:50:36,109 --> 00:50:33,900

there sick people that should be locked

1101  
00:50:39,230 --> 00:50:36,119  
up and um and these people now have

1102  
00:50:41,030 --> 00:50:39,240  
access to to the like you know to things

1103  
00:50:42,770 --> 00:50:41,040  
that essentially militaries are using

1104  
00:50:44,329 --> 00:50:42,780  
and if you look at what's happening in

1105  
00:50:46,309 --> 00:50:44,339  
Ukraine right now you've got basically

1106  
00:50:48,530 --> 00:50:46,319  
duct tape holding things the DJI mavics

1107  
00:50:50,390 --> 00:50:48,540  
flying them over Russian bunkers or

1108  
00:50:53,210 --> 00:50:50,400  
whatever and it's like so you can see

1109  
00:50:56,809 --> 00:50:53,220  
how crazy things are to if you raise

1110  
00:50:58,670 --> 00:50:56,819  
awareness right for a phenomena

1111  
00:51:01,430 --> 00:50:58,680  
of course and and something else you're

1112  
00:51:04,730 --> 00:51:01,440  
you're honing in the attention on cus

1113  
00:51:07,010 --> 00:51:04,740

systems or cuis rather uh counter

1114

00:51:07,970 --> 00:51:07,020

unrained aerial system and so and a

1115

00:51:10,010 --> 00:51:07,980

bunch of other things and of course

1116

00:51:11,750 --> 00:51:10,020

getting rid of Chinese spy balloons and

1117

00:51:14,030 --> 00:51:11,760

other stuff like that so and you get to

1118

00:51:16,790 --> 00:51:14,040

do all that without ever really saying

1119

00:51:19,069 --> 00:51:16,800

it to be fair because we yeah we end up

1120

00:51:21,770 --> 00:51:19,079

saying those balloons are UAP we call

1121

00:51:25,010 --> 00:51:21,780

them DJI mavics UAP we you know whatever

1122

00:51:27,829 --> 00:51:25,020

it is or or radar uh reflectors called

1123

00:51:29,990 --> 00:51:27,839

them UAP so uh you do achieve something

1124

00:51:32,089 --> 00:51:30,000

and for that I've got to say wow I stand

1125

00:51:34,549 --> 00:51:32,099

in Marvel for how craft Eva son of a gun

1126

00:51:36,829 --> 00:51:34,559

that you know move that would be and uh

1127

00:51:38,329 --> 00:51:36,839

but at the same time I've also seen the

1128

00:51:40,309 --> 00:51:38,339

result of it I've been on the end of a

1129

00:51:41,930 --> 00:51:40,319

few of these a few of the harsher folks

1130

00:51:43,730 --> 00:51:41,940

out there who you know who believe that

1131

00:51:45,829 --> 00:51:43,740

they're defending some sort of righteous

1132

00:51:47,450 --> 00:51:45,839

Crusade I'm like a weirdo who's had

1133

00:51:49,010 --> 00:51:47,460

weird experience in my life that's what

1134

00:51:51,349 --> 00:51:49,020

got me to talk about this stuff so how

1135

00:51:53,089 --> 00:51:51,359

does it make any sense for uh for

1136

00:51:54,170 --> 00:51:53,099

someone who believes there's probably

1137

00:51:55,670 --> 00:51:54,180

stuff happening out there that's

1138

00:51:58,549 --> 00:51:55,680

unreconciled and unexplained with

1139

00:52:00,829 --> 00:51:58,559

science but but also so this is wrong so

1140

00:52:02,569 --> 00:52:00,839

this like this we exist we recognize

1141

00:52:03,650 --> 00:52:02,579

that this doesn't make sense this isn't

1142

00:52:05,690 --> 00:52:03,660

what we're talking about this is talking

1143

00:52:07,849 --> 00:52:05,700

about military Tech

1144

00:52:09,890 --> 00:52:07,859

and yeah under the guys it's UFOs from

1145

00:52:11,210 --> 00:52:09,900

like outer space or something

1146

00:52:13,069 --> 00:52:11,220

um and the best thing that could ever

1147

00:52:14,630 --> 00:52:13,079

happen for that side is of course they

1148

00:52:17,030 --> 00:52:14,640

actually do bring up some sort of weird

1149

00:52:18,890 --> 00:52:17,040

anomalous craft that flies from outside

1150

00:52:20,390 --> 00:52:18,900

the solar system or something because

1151  
00:52:22,730 --> 00:52:20,400  
that would actually defend what they're

1152  
00:52:25,130 --> 00:52:22,740  
saying but it's so far all they

1153  
00:52:26,870 --> 00:52:25,140  
presented is on the unfortunate truth

1154  
00:52:28,670 --> 00:52:26,880  
that we've been screaming like with many

1155  
00:52:31,790 --> 00:52:28,680  
others for long enough that uh for a

1156  
00:52:34,250 --> 00:52:31,800  
while now which is just guys that's this

1157  
00:52:36,770 --> 00:52:34,260  
is clearly a Chinese militia fishing

1158  
00:52:39,589 --> 00:52:36,780  
militia using drones this is clearly you

1159  
00:52:41,290 --> 00:52:39,599  
know uh balloons this is uh or this is

1160  
00:52:44,390 --> 00:52:41,300  
our own technology of course being

1161  
00:52:47,030 --> 00:52:44,400  
misidentified or recorded and uh with a

1162  
00:52:49,490 --> 00:52:47,040  
high contrast gun system and everyone

1163  
00:52:52,730 --> 00:52:49,500

says it's hard to tell what that is

1164

00:52:55,430 --> 00:52:52,740

yeah it's unfortunate though um because

1165

00:52:58,069 --> 00:52:55,440

I still stay a little bit part of me

1166

00:52:59,589 --> 00:52:58,079

Steve is like the the the the aliens are

1167

00:53:02,390 --> 00:52:59,599

coming one day

1168

00:53:05,870 --> 00:53:02,400

maybe one day but they don't you think

1169

00:53:08,630 --> 00:53:05,880

it's interesting that like I I'm kind of

1170

00:53:11,630 --> 00:53:08,640

shocked and amazed that people don't see

1171

00:53:13,069 --> 00:53:11,640

through like the opportunistic part of

1172

00:53:16,069 --> 00:53:13,079

some of these people that release this

1173

00:53:18,770 --> 00:53:16,079

stuff like you know Korbelt releasing

1174

00:53:21,109 --> 00:53:18,780

some of this stuff it's like this has no

1175

00:53:24,290 --> 00:53:21,119

value like you just you're just saying

1176

00:53:27,349 --> 00:53:24,300

well it's unidentified and uh it was

1177

00:53:29,870 --> 00:53:27,359

over an active war zone so you know

1178

00:53:31,609 --> 00:53:29,880

could it be military technology you know

1179

00:53:34,549 --> 00:53:31,619

can you eliminate that before you

1180

00:53:36,470 --> 00:53:34,559

release this and they don't there's a

1181

00:53:38,510 --> 00:53:36,480

reason it's just like the same reason

1182

00:53:39,890 --> 00:53:38,520

like third phase Moon sits there and

1183

00:53:41,630 --> 00:53:39,900

pretends they don't know what a rocket

1184

00:53:43,609 --> 00:53:41,640

plume exhaust looks like and they've

1185

00:53:45,650 --> 00:53:43,619

been doing this for 20 years because

1186

00:53:47,750 --> 00:53:45,660

they can sell a rocket plume exhaust as

1187

00:53:50,510 --> 00:53:47,760

a UFO but they can if they say it's a

1188

00:53:52,549 --> 00:53:50,520

rocket plume exhaust it's so stupid and

1189

00:53:54,829 --> 00:53:52,559

this show on Cahill like oh there's

1190

00:53:56,930 --> 00:53:54,839

something flying uh over those mountains

1191

00:54:00,290 --> 00:53:56,940

over there uh

1192

00:54:04,010 --> 00:54:00,300

let me put this out I had a profound

1193

00:54:06,650 --> 00:54:04,020

religious experience here oh no and we

1194

00:54:09,069 --> 00:54:06,660

remember the student basically has super

1195

00:54:12,950 --> 00:54:09,079

powers too so we always have to remember

1196

00:54:15,349 --> 00:54:12,960

both of them both Cahill and Elizondo

1197

00:54:17,030 --> 00:54:15,359

have super powers too I don't mean to

1198

00:54:20,329 --> 00:54:17,040

laugh what if they really do don't don't

1199

00:54:22,549 --> 00:54:20,339

don't shoot me it might remote like kill

1200

00:54:24,470 --> 00:54:22,559

you remember like those psychic spies

1201  
00:54:27,069 --> 00:54:24,480  
they like make your heart stop from a

1202  
00:54:30,470 --> 00:54:27,079  
distance I've been having chest pain

1203  
00:54:33,230 --> 00:54:30,480  
better shut up they're gonna get us man

1204  
00:54:34,309 --> 00:54:33,240  
they're gonna get us I I thought I was

1205  
00:54:36,950 --> 00:54:34,319  
in trouble

1206  
00:54:38,089 --> 00:54:36,960  
um no I I do yeah I I also I say this

1207  
00:54:40,130 --> 00:54:38,099  
kind of a lot I don't mean to repeat

1208  
00:54:41,809 --> 00:54:40,140  
information for everyone from uh that's

1209  
00:54:43,690 --> 00:54:41,819  
come over from your show to watch me

1210  
00:54:45,950 --> 00:54:43,700  
once in a while is um

1211  
00:54:48,530 --> 00:54:45,960  
and I don't mean to use these words

1212  
00:54:50,089 --> 00:54:48,540  
because I'm not calling Lou or Sean this

1213  
00:54:53,630 --> 00:54:50,099

someone else can I won't say it but I'll

1214

00:54:56,150 --> 00:54:53,640

just say that like a con man or woman

1215

00:54:58,549 --> 00:54:56,160

will put out a uh

1216

00:55:01,490 --> 00:54:58,559

put out a letter with with uh grammar

1217

00:55:03,349 --> 00:55:01,500

mistakes all through it uh not by

1218

00:55:06,290 --> 00:55:03,359

mistake the person speaks and can type

1219

00:55:08,450 --> 00:55:06,300

with perfect English they do that on

1220

00:55:10,069 --> 00:55:08,460

purpose because the first people that

1221

00:55:11,690 --> 00:55:10,079

notice the grammar that's like yeah

1222

00:55:14,450 --> 00:55:11,700

right I'm falling for this scam I'm out

1223

00:55:16,870 --> 00:55:14,460

of here and it just rids the chance that

1224

00:55:19,010 --> 00:55:16,880

someone's gonna go after you almost

1225

00:55:20,690 --> 00:55:19,020

instantaneously because everyone knows

1226

00:55:23,589 --> 00:55:20,700

well then I'm not going to donate to you

1227

00:55:26,990 --> 00:55:23,599

think I believe some Prince from Lagos

1228

00:55:28,790 --> 00:55:27,000

uh is cannot can't spell and so all

1229

00:55:30,230 --> 00:55:28,800

that's left is the people that don't

1230

00:55:32,690 --> 00:55:30,240

really

1231

00:55:34,910 --> 00:55:32,700

care and so they'll actually stay

1232

00:55:36,890 --> 00:55:34,920

focused and and and actually get closer

1233

00:55:39,170 --> 00:55:36,900

to the topic and uh and give money to it

1234

00:55:40,549 --> 00:55:39,180

and and to me that like when I see stuff

1235

00:55:43,069 --> 00:55:40,559

like this I'm not saying that's what's

1236

00:55:44,750 --> 00:55:43,079

happening but it does seem that when a

1237

00:55:46,490 --> 00:55:44,760

bunch of people is like this is a plane

1238

00:55:48,890 --> 00:55:46,500

at this point I'm getting pretty annoyed

1239

00:55:50,569 --> 00:55:48,900

and he shot it from elizondo's backyard

1240

00:55:52,370 --> 00:55:50,579

you know what what's going on here and

1241

00:55:54,290 --> 00:55:52,380

then all of a sudden you you start to

1242

00:55:56,990 --> 00:55:54,300

see people shed away from that audience

1243

00:55:59,030 --> 00:55:57,000

and all that's left is the ones that are

1244

00:56:00,589 --> 00:55:59,040

already there thinking that Lou was

1245

00:56:04,430 --> 00:56:00,599

representing the next coming of Christ

1246

00:56:07,010 --> 00:56:04,440

and so uh yeah me yeah and and you're

1247

00:56:09,049 --> 00:56:07,020

right there's this manipulation which is

1248

00:56:11,510 --> 00:56:09,059

exactly something that a con man does so

1249

00:56:14,150 --> 00:56:11,520

they manipulate people they manipulate

1250

00:56:15,710 --> 00:56:14,160

people by controlling the data oh that

1251

00:56:18,049 --> 00:56:15,720

we've got the secret group and we'll

1252

00:56:20,270 --> 00:56:18,059

show the good stuff to them uh behind

1253

00:56:22,790 --> 00:56:20,280

closed doors or a lot of what they were

1254

00:56:25,670 --> 00:56:22,800

doing was like Lou would be in some Zoom

1255

00:56:28,670 --> 00:56:25,680

session and show little groups of people

1256

00:56:31,549 --> 00:56:28,680

on his phone which is another to me

1257

00:56:33,470 --> 00:56:31,559

attempt to obscure the data like if you

1258

00:56:35,809 --> 00:56:33,480

have anything and it's that good drop it

1259

00:56:38,750 --> 00:56:35,819

let's let's look at it I'll help analyze

1260

00:56:40,970 --> 00:56:38,760

it and enhance it but to

1261

00:56:43,010 --> 00:56:40,980

this whole thing is a manipulation

1262

00:56:45,290 --> 00:56:43,020

they're all manipulative all of them

1263

00:56:47,450 --> 00:56:45,300

these people that put this stuff out you

1264

00:56:50,630 --> 00:56:47,460

know and opportunistic and manipulative

1265

00:56:53,870 --> 00:56:50,640

like oh there's we we can uh we can use

1266

00:56:57,710 --> 00:56:53,880

this to deceive essentially

1267

00:57:02,150 --> 00:56:59,870

well he has put his foot in his mouth

1268

00:57:04,250 --> 00:57:02,160

now because now he has said that they

1269

00:57:06,710 --> 00:57:04,260

checked the flight radar and there was

1270

00:57:08,750 --> 00:57:06,720

no flights uh but you know quite

1271

00:57:10,970 --> 00:57:08,760

honestly even if he were to tell me the

1272

00:57:12,829 --> 00:57:10,980

date and time he took that I don't trust

1273

00:57:15,530 --> 00:57:12,839

him I want to see the metadata on the

1274

00:57:17,150 --> 00:57:15,540

original file you know and I might not

1275

00:57:19,069 --> 00:57:17,160

even trust that I'd have to triple check

1276

00:57:22,309 --> 00:57:19,079

that to make sure it wasn't altered or

1277

00:57:25,609 --> 00:57:22,319

or changed you know and I yeah and I had

1278

00:57:27,470 --> 00:57:25,619

to do that my point is that these guys

1279

00:57:29,390 --> 00:57:27,480

they backed themselves in a corner

1280

00:57:32,450 --> 00:57:29,400

though because he just said that's not a

1281

00:57:35,150 --> 00:57:32,460

no-fly zone why would you lie and say

1282

00:57:37,430 --> 00:57:35,160

it's I don't know fly zone dude that was

1283

00:57:39,109 --> 00:57:37,440

a bluff I think that he bluffed thinking

1284

00:57:41,089 --> 00:57:39,119

nobody will know if I just saying you

1285

00:57:42,190 --> 00:57:41,099

can't fly there right couldn't be an

1286

00:57:44,390 --> 00:57:42,200

airplane

1287

00:57:46,549 --> 00:57:44,400

essentially said it couldn't be an

1288

00:57:48,650 --> 00:57:46,559

airplane without saying it couldn't be

1289

00:57:51,890 --> 00:57:48,660

an airplane and a typical magician

1290

00:57:54,530 --> 00:57:51,900

fashion you misdirect away from that

1291

00:57:57,770 --> 00:57:54,540

which you don't want them to see so I

1292

00:58:00,770 --> 00:57:57,780

kind of analyzed my analysis my expert

1293

00:58:03,290 --> 00:58:00,780

analysis tells me this is he doesn't

1294

00:58:05,750 --> 00:58:03,300

want you to to know it's a plane so he

1295

00:58:07,910 --> 00:58:05,760

says you can't fly there it's a no-fly

1296

00:58:10,670 --> 00:58:07,920

zone it couldn't be a plane

1297

00:58:12,890 --> 00:58:10,680

he's misdirecting away from ordinary

1298

00:58:15,049 --> 00:58:12,900

aircraft here he's actually they're

1299

00:58:16,670 --> 00:58:15,059

actually teaching a whole group of

1300

00:58:18,230 --> 00:58:16,680

people to do that I don't know if anyone

1301  
00:58:20,390 --> 00:58:18,240  
else has noticed that have you noticed

1302  
00:58:22,250 --> 00:58:20,400  
there's like an in all the people Steve

1303  
00:58:23,809 --> 00:58:22,260  
that follow these guys will start doing

1304  
00:58:27,290 --> 00:58:23,819  
that now they're like I never said it

1305  
00:58:29,210 --> 00:58:27,300  
was a I never said alien I never said

1306  
00:58:30,650 --> 00:58:29,220  
we're talking about like what is this

1307  
00:58:32,450 --> 00:58:30,660  
thing they're all doing that we know

1308  
00:58:35,569 --> 00:58:32,460  
exactly what everyone wants it to be but

1309  
00:58:37,549 --> 00:58:35,579  
we're not who's coming I hate to keep

1310  
00:58:39,230 --> 00:58:37,559  
saying it but this is the influence of

1311  
00:58:41,870 --> 00:58:39,240  
third phase of moon you just say like

1312  
00:58:43,370 --> 00:58:41,880  
what could this be we don't know it's a

1313  
00:58:45,650 --> 00:58:43,380

mystery you're selling the mystery of

1314

00:58:47,630 --> 00:58:45,660

what it is you're not saying it's alien

1315

00:58:51,470 --> 00:58:47,640

you're just sort of just sort of imply

1316

00:58:55,490 --> 00:58:51,480

could this be something from another uh

1317

00:58:58,609 --> 00:58:55,500

place you know like it's so stupid uh

1318

00:59:01,250 --> 00:58:58,619

yeah I I I I am like you know and and

1319

00:59:03,770 --> 00:59:01,260

then the whole thing is to the time

1320

00:59:05,750 --> 00:59:03,780

drops you know it's not a coincidence

1321

00:59:07,370 --> 00:59:05,760

that these guys hold on to things for a

1322

00:59:09,770 --> 00:59:07,380

year and then they drop them right

1323

00:59:12,589 --> 00:59:09,780

before that big UFO convention or at

1324

00:59:17,150 --> 00:59:12,599

that big UFO convention that just so

1325

00:59:19,069 --> 00:59:17,160

happens to be called alien con I know no

1326  
00:59:21,710 --> 00:59:19,079  
coincidence there that was that was a

1327  
00:59:23,150 --> 00:59:21,720  
little the timed releases show these

1328  
00:59:24,530 --> 00:59:23,160  
people are not here for disclosure

1329  
00:59:27,470 --> 00:59:24,540  
they're not looking for the truth

1330  
00:59:29,390 --> 00:59:27,480  
they're looking for money they drop this

1331  
00:59:32,210 --> 00:59:29,400  
stuff when they can make the most money

1332  
00:59:33,950 --> 00:59:32,220  
out of it and uh Cahill's got some big

1333  
00:59:36,530 --> 00:59:33,960  
appearances coming up

1334  
00:59:38,630 --> 00:59:36,540  
right so he's going to need something to

1335  
00:59:40,309 --> 00:59:38,640  
show and talk about maybe he was going

1336  
00:59:43,609 --> 00:59:40,319  
to talk about this at the conventions

1337  
00:59:46,069 --> 00:59:43,619  
and so it would be interesting you know

1338  
00:59:48,109 --> 00:59:46,079

would he have said at the conventions I

1339

00:59:49,670 --> 00:59:48,119

filled this in Luis elizondo's backyard

1340

00:59:52,190 --> 00:59:49,680

or would he have kept his mail shut

1341

00:59:53,930 --> 00:59:52,200

about where he filmed it you know and

1342

00:59:55,789 --> 00:59:53,940

that's a whole nother thing maybe he

1343

00:59:58,010 --> 00:59:55,799

didn't say anything because Lou knows

1344

01:00:00,370 --> 00:59:58,020

this is and told him you know

1345

01:00:02,510 --> 01:00:00,380

don't say it's my house

1346

01:00:03,710 --> 01:00:02,520

you know I'm sorry to cut you off I was

1347

01:00:05,210 --> 01:00:03,720

going to ask you what are you why what

1348

01:00:06,410 --> 01:00:05,220

are you we brought that up and I've got

1349

01:00:08,630 --> 01:00:06,420

to ask you earlier why do you think

1350

01:00:10,069 --> 01:00:08,640

what's the significance other than the

1351

01:00:11,809 --> 01:00:10,079

fact that it's probably bullcrap that it

1352

01:00:13,609 --> 01:00:11,819

shot it from Lou's house

1353

01:00:14,990 --> 01:00:13,619

because that's now being people are

1354

01:00:16,609 --> 01:00:15,000

saying all the time like why does that

1355

01:00:19,390 --> 01:00:16,619

matter well what do you think well it

1356

01:00:22,750 --> 01:00:19,400

matters because there is an absolute

1357

01:00:26,990 --> 01:00:22,760

verifiable history of UFO hoaxers

1358

01:00:30,349 --> 01:00:27,000

filming UFOs right near their house well

1359

01:00:32,510 --> 01:00:30,359

I can show you ten I can show you 10

1360

01:00:36,049 --> 01:00:32,520

times 10 times that third phase of moon

1361

01:00:39,289 --> 01:00:36,059

film the UFO within two miles of their

1362

01:00:41,329 --> 01:00:39,299

house proven absolutely no with GPS

1363

01:00:44,270 --> 01:00:41,339

coordinates and everything we got it all

1364

01:00:47,270 --> 01:00:44,280

in that one documentary 10 times they

1365

01:00:49,130 --> 01:00:47,280

filmed a fake UFO right two miles from

1366

01:00:50,990 --> 01:00:49,140

their house then they claimed that

1367

01:00:53,170 --> 01:00:51,000

somebody sent it to them so we're

1368

01:00:56,809 --> 01:00:53,180

supposed to believe that a UFO channel

1369

01:01:00,589 --> 01:00:56,819

has you know people just filming UFOs

1370

01:01:02,450 --> 01:01:00,599

all within 10 times all within two miles

1371

01:01:05,450 --> 01:01:02,460

of their health awesome sending it to

1372

01:01:09,589 --> 01:01:05,460

them and then they're putting it out and

1373

01:01:13,309 --> 01:01:09,599

also a damn ski Billy Meyer and others

1374

01:01:15,589 --> 01:01:13,319

have all hoaxed UFOs literally right in

1375

01:01:17,750 --> 01:01:15,599

their backyard or Roman at their own

1376

01:01:21,349 --> 01:01:17,760

property or very close to their property

1377

01:01:24,049 --> 01:01:21,359

so the reason it's relevant I think is

1378

01:01:27,109 --> 01:01:24,059

because there is a long and verifiable

1379

01:01:30,250 --> 01:01:27,119

history of UFO hoaxers creating you up

1380

01:01:33,109 --> 01:01:30,260

fake UFO videos and and and still images

1381

01:01:35,809 --> 01:01:33,119

literally in their backyard just like

1382

01:01:38,750 --> 01:01:35,819

this one so my mind went to that history

1383

01:01:40,910 --> 01:01:38,760

as soon as I heard this it went right to

1384

01:01:42,650 --> 01:01:40,920

the history of just how many of these

1385

01:01:44,809 --> 01:01:42,660

people have been caught

1386

01:01:46,490 --> 01:01:44,819

filming stuff literally in their

1387

01:01:49,730 --> 01:01:46,500

backyard it's the most comfortable place

1388

01:01:51,289 --> 01:01:49,740

to to fake something you know most

1389

01:01:52,849 --> 01:01:51,299

comfortable place yeah that's a good

1390

01:01:53,930 --> 01:01:52,859

that's a good actually it's a that's a

1391

01:01:55,609 --> 01:01:53,940

Steve you gotta that's a good

1392

01:01:57,410 --> 01:01:55,619

perspective to have there I didn't think

1393

01:01:59,390 --> 01:01:57,420

if he wants to prove that they didn't

1394

01:02:01,549 --> 01:01:59,400

hoax and it's very simple give us the

1395

01:02:03,650 --> 01:02:01,559

metadata give us the original video with

1396

01:02:06,049 --> 01:02:03,660

the audio in it and we'll verify that

1397

01:02:08,569 --> 01:02:06,059

you're not lying to everybody am I gonna

1398

01:02:10,250 --> 01:02:08,579

hold my breath no I'd be dead you know

1399

01:02:13,069 --> 01:02:10,260

like they're gonna they're gonna try to

1400

01:02:14,510 --> 01:02:13,079

slink away and hope everybody forgets

1401

01:02:17,930 --> 01:02:14,520

this and then they'll be on to the next

1402

01:02:19,910 --> 01:02:17,940

con I mean uh drop you know

1403

01:02:22,670 --> 01:02:19,920

that's what that's what I think is going

1404

01:02:24,230 --> 01:02:22,680

to happen here next I wonder the no-fly

1405

01:02:25,370 --> 01:02:24,240

zone thing what was his point of saying

1406

01:02:27,230 --> 01:02:25,380

that because I know there's a few

1407

01:02:29,270 --> 01:02:27,240

there's like a what is it like 11 places

1408

01:02:31,430 --> 01:02:29,280

in the United States

1409

01:02:32,990 --> 01:02:31,440

um where there's a restricted on paths

1410

01:02:34,970 --> 01:02:33,000

but other than that you can fly over but

1411

01:02:36,829 --> 01:02:34,980

I can't remember exactly and none of

1412

01:02:38,569 --> 01:02:36,839

them are in Wyoming though I have an

1413

01:02:41,089 --> 01:02:38,579

article on that if you want me to share

1414

01:02:43,069 --> 01:02:41,099

it where those restricted flight zones

1415

01:02:44,930 --> 01:02:43,079

are and none of them are in Wyoming you

1416

01:02:47,690 --> 01:02:44,940

can fly anywhere apparently over the

1417

01:02:49,910 --> 01:02:47,700

state of Wyoming so you know I believe

1418

01:02:53,270 --> 01:02:49,920

like I said that he said it's a no-fly

1419

01:02:55,789 --> 01:02:53,280

zone or no fly area to detract away from

1420

01:02:57,650 --> 01:02:55,799

it being an airplane that's that's wild

1421

01:03:00,470 --> 01:02:57,660

misdirecting well could be an airplane

1422

01:03:03,890 --> 01:03:00,480

it's a no-fly zone but the no-fly zone

1423

01:03:05,569 --> 01:03:03,900

is a lie he lied there is no no-fly zone

1424

01:03:07,910 --> 01:03:05,579

there you know

1425

01:03:09,950 --> 01:03:07,920

if I wish sometimes I wish I was like

1426

01:03:12,109 --> 01:03:09,960

Iron Man and had my own satellites

1427

01:03:14,150 --> 01:03:12,119

because I was just like you know show

1428

01:03:17,030 --> 01:03:14,160

you planes fly I can from the flight

1429

01:03:19,490 --> 01:03:17,040

data but it's just a graph you know of

1430

01:03:22,670 --> 01:03:19,500

of planes going right over that mountain

1431

01:03:25,190 --> 01:03:22,680

right in line on one side in line on the

1432

01:03:27,770 --> 01:03:25,200

other side flying left to right right to

1433

01:03:32,270 --> 01:03:27,780

left over it they're just everywhere

1434

01:03:32,990 --> 01:03:32,280

over there so you know interesting you

1435

01:03:35,569 --> 01:03:33,000

know

1436

01:03:38,630 --> 01:03:35,579

if you lie and then you lie again to

1437

01:03:41,089 --> 01:03:38,640

cover the first lie it it's it becomes

1438

01:03:43,690 --> 01:03:41,099

pretty clear you know why would you lie

1439

01:03:46,370 --> 01:03:43,700

if if this was just oh this is something

1440

01:03:49,010 --> 01:03:46,380

I don't understand or mysterious or or

1441

01:03:52,250 --> 01:03:49,020

whatever but it couldn't be a plane no

1442

01:03:54,230 --> 01:03:52,260

we you can it can of course be a plane

1443

01:03:56,690 --> 01:03:54,240

it's this is stupid

1444

01:03:59,150 --> 01:03:56,700

it's it I don't know you've tagged it

1445

01:04:01,250 --> 01:03:59,160

you tagged it with this is stupid it's

1446

01:04:04,609 --> 01:04:01,260

just stupid you know and I'm like I'm

1447

01:04:08,390 --> 01:04:04,619

hanging out in the former Pentagon UFO

1448

01:04:11,630 --> 01:04:08,400

program programs uh backyard and I see

1449

01:04:14,450 --> 01:04:11,640

it uh unidentified craft like really

1450

01:04:16,970 --> 01:04:14,460

come on what are the odds dude and then

1451

01:04:18,589 --> 01:04:16,980

you know think about this the world of

1452

01:04:21,170 --> 01:04:18,599

Statistics how many times has this guy

1453

01:04:24,289 --> 01:04:21,180

claim to see UFOs in his life right

1454

01:04:26,390 --> 01:04:24,299

that's pretty it's pretty significant

1455

01:04:28,549 --> 01:04:26,400

that he's just seeing UFOs everywhere

1456

01:04:30,530 --> 01:04:28,559

and I think he's one of those ce5 clowns

1457

01:04:33,430 --> 01:04:30,540

too like he can meditate and you know

1458

01:04:36,109 --> 01:04:33,440

summon the spaceships maybe I don't know

1459

01:04:39,049 --> 01:04:36,119

suspicious I don't know I just don't get

1460

01:04:41,450 --> 01:04:39,059

how he's I I can't like so are we

1461

01:04:43,549 --> 01:04:41,460

actually to believe

1462

01:04:46,789 --> 01:04:43,559

that he posted that video for any other

1463

01:04:48,530 --> 01:04:46,799

reason because it was like and then and

1464

01:04:49,910 --> 01:04:48,540

then he backs it up with that statement

1465

01:04:51,230 --> 01:04:49,920

I mean I feel like the best thing he

1466

01:04:54,589 --> 01:04:51,240

could do now is pretend his account was

1467

01:04:56,750 --> 01:04:54,599

hacked because there's no yeah oh that's

1468

01:05:00,530 --> 01:04:56,760

another fun thing yeah maybe he could

1469

01:05:03,109 --> 01:05:00,540

sell some IMAX for 600 yeah for those

1470

01:05:04,849 --> 01:05:03,119

unaware Luis Elizondo Former

1471

01:05:06,950 --> 01:05:04,859

Intelligence officer everybody was

1472

01:05:08,930 --> 01:05:06,960

claiming that his his Twitter account

1473

01:05:11,210 --> 01:05:08,940

got hacked and that's not the correct

1474

01:05:13,609 --> 01:05:11,220

term his Twitter account got phished and

1475

01:05:16,190 --> 01:05:13,619

he gave his he

1476

01:05:18,470 --> 01:05:16,200

on a malware link and then he gave his

1477

01:05:21,049 --> 01:05:18,480

Twitter handle and password or

1478

01:05:24,589 --> 01:05:21,059

permissions to some malicious app that

1479

01:05:26,750 --> 01:05:24,599

then started posting iMac scams all over

1480

01:05:28,490 --> 01:05:26,760

his Twitter and this guy's an

1481

01:05:31,450 --> 01:05:28,500

intelligence expert

1482

01:05:34,190 --> 01:05:31,460

yeah which makes me worried

1483

01:05:36,829 --> 01:05:34,200

but you know the craziest part is is

1484

01:05:38,270 --> 01:05:36,839

that well for maybe maybe so maybe

1485

01:05:40,130 --> 01:05:38,280

someone else in his family was handling

1486

01:05:41,630 --> 01:05:40,140

his account I don't know but I keep

1487

01:05:43,910 --> 01:05:41,640

giving these guys the benefit of the

1488

01:05:45,770 --> 01:05:43,920

doubt but I like Steve I'm still stuck

1489

01:05:47,270 --> 01:05:45,780

at like 8.8 in this one I don't even

1490

01:05:50,270 --> 01:05:47,280

understand

1491

01:05:53,870 --> 01:05:50,280

um uh like

1492

01:05:56,450 --> 01:05:53,880

Cahill Cahill actually thinks that that

1493

01:05:58,970 --> 01:05:56,460

video was important in some way and so

1494

01:06:00,650 --> 01:05:58,980

we're at the people that were on CNN on

1495

01:06:03,410 --> 01:06:00,660

Fox news they were they were on all

1496

01:06:06,170 --> 01:06:03,420

these Legacy Media now posting videos

1497

01:06:08,089 --> 01:06:06,180

like that has it come to an end has the

1498

01:06:09,470 --> 01:06:08,099

movement come to an end is it is it

1499

01:06:12,770 --> 01:06:09,480

finally

1500

01:06:14,210 --> 01:06:12,780

that could be it's like the you know

1501  
01:06:16,250 --> 01:06:14,220  
they're running on fumes they're running

1502  
01:06:19,190 --> 01:06:16,260  
on empty they don't have Lou in the

1503  
01:06:20,750 --> 01:06:19,200  
Pentagon to steal I mean borrow uh UFO

1504  
01:06:22,069 --> 01:06:20,760  
videos anymore so they got to make them

1505  
01:06:23,990 --> 01:06:22,079  
in the backyard

1506  
01:06:26,150 --> 01:06:24,000  
like if you look think about it from

1507  
01:06:29,270 --> 01:06:26,160  
that perspective right Lou was once like

1508  
01:06:31,490 --> 01:06:29,280  
look at these UFO videos that came out

1509  
01:06:35,990 --> 01:06:31,500  
of the Pentagon and I Declassified them

1510  
01:06:37,849 --> 01:06:36,000  
and now what do they got they got they

1511  
01:06:40,849 --> 01:06:37,859  
got this that they filmed in their

1512  
01:06:42,950 --> 01:06:40,859  
backyard dude how far the mighty have

1513  
01:06:45,430 --> 01:06:42,960

fallen right

1514

01:06:47,930 --> 01:06:45,440

I can't yeah

1515

01:06:50,569 --> 01:06:47,940

I still I feel like I mean because I I

1516

01:06:52,609 --> 01:06:50,579

I'm like trying my ass up I'm I consider

1517

01:06:53,930 --> 01:06:52,619

myself a pretty good well I have a

1518

01:06:55,370 --> 01:06:53,940

pretty good mind for like putting myself

1519

01:06:56,990 --> 01:06:55,380

in the place of people and trying to

1520

01:06:58,190 --> 01:06:57,000

like think of like what what they were

1521

01:07:00,349 --> 01:06:58,200

thinking when they made these decisions

1522

01:07:03,410 --> 01:07:00,359

but I just like when I really really

1523

01:07:06,289 --> 01:07:03,420

think about I am struck just absolutely

1524

01:07:08,329 --> 01:07:06,299

confused as to why they would bother but

1525

01:07:10,190 --> 01:07:08,339

but then again

1526

01:07:11,630 --> 01:07:10,200

I think oftentimes I've already gone

1527

01:07:13,490 --> 01:07:11,640

over the answer the true answer because

1528

01:07:15,109 --> 01:07:13,500

it's like you know welcome Fraser I just

1529

01:07:16,430 --> 01:07:15,119

feel like I've said it to myself but

1530

01:07:18,890 --> 01:07:16,440

then I'm like there's no way it could be

1531

01:07:21,710 --> 01:07:18,900

that simple and I I think we've both

1532

01:07:23,569 --> 01:07:21,720

said it and it's just unfortunate but

1533

01:07:25,069 --> 01:07:23,579

the the scariest part is is that the

1534

01:07:27,770 --> 01:07:25,079

people that uh now will will will

1535

01:07:29,630 --> 01:07:27,780

continue to follow down the line of uh

1536

01:07:31,190 --> 01:07:29,640

of listening to uh you know what I don't

1537

01:07:33,349 --> 01:07:31,200

even know I don't want anything further

1538

01:07:35,569 --> 01:07:33,359

because because it only brings trouble

1539

01:07:37,490 --> 01:07:35,579

but I just for the love of God do not

1540

01:07:39,049 --> 01:07:37,500

understand why anyone would care about

1541

01:07:41,089 --> 01:07:39,059

an individual that thinks this is

1542

01:07:42,710 --> 01:07:41,099

important not like like he's a bad guy

1543

01:07:46,069 --> 01:07:42,720

they shouldn't care about him but I mean

1544

01:07:49,069 --> 01:07:46,079

like it's a effing ambiguous video of a

1545

01:07:51,589 --> 01:07:49,079

slow-moving white object near airports I

1546

01:07:53,750 --> 01:07:51,599

think it's I think it's a fair

1547

01:07:56,630 --> 01:07:53,760

yeah I think it's fair to say like come

1548

01:07:59,809 --> 01:07:56,640

on dude like you you know this is your

1549

01:08:01,970 --> 01:07:59,819

Heroes like that you you know

1550

01:08:03,410 --> 01:08:01,980

these guys are bringing us disclosure

1551

01:08:06,470 --> 01:08:03,420

and they don't know the difference

1552

01:08:09,829 --> 01:08:06,480

between this and and you know something

1553

01:08:12,109 --> 01:08:09,839

important that you're right like

1554

01:08:16,430 --> 01:08:12,119

they should know better I would think

1555

01:08:18,349 --> 01:08:16,440

you know I I'll say it uh

1556

01:08:20,329 --> 01:08:18,359

I'll say I don't know I guess I just I I

1557

01:08:22,430 --> 01:08:20,339

think that uh anyone who would post that

1558

01:08:25,189 --> 01:08:22,440

or anyone who would involve them would

1559

01:08:26,749 --> 01:08:25,199

misidentify that and use that or hold on

1560

01:08:28,249 --> 01:08:26,759

to it for any reason for that long and

1561

01:08:29,689 --> 01:08:28,259

then just to release it like what like

1562

01:08:31,130 --> 01:08:29,699

like Korbelt or nap or something when

1563

01:08:32,450 --> 01:08:31,140

they got like you know where all these

1564

01:08:33,829 --> 01:08:32,460

all these videos where they should find

1565

01:08:34,970 --> 01:08:33,839

out they got them like all at once so

1566

01:08:36,410 --> 01:08:34,980

they've been just like dropping them

1567

01:08:39,289 --> 01:08:36,420

little by little

1568

01:08:41,630 --> 01:08:39,299

um it's just it just seems manipulative

1569

01:08:42,829 --> 01:08:41,640

to achieve something and I think I know

1570

01:08:44,870 --> 01:08:42,839

what they're trying to achieve but I

1571

01:08:46,789 --> 01:08:44,880

don't think even core uh

1572

01:08:50,990 --> 01:08:46,799

Cahill

1573

01:08:53,390 --> 01:08:51,000

actually believes with these things and

1574

01:08:54,950 --> 01:08:53,400

that Lou's telling them I truly don't

1575

01:08:57,829 --> 01:08:54,960

think Lou's talking about aliens at all

1576

01:09:00,349 --> 01:08:57,839

and uh so therefore

1577

01:09:01,189 --> 01:09:00,359

I I think Cahill still might be like I

1578

01:09:02,450 --> 01:09:01,199

don't even want to say it I'm giving

1579

01:09:04,010 --> 01:09:02,460

them too much benefit of Doubt the whole

1580

01:09:06,590 --> 01:09:04,020

the whole thing's bull crap the video

1581

01:09:09,410 --> 01:09:06,600

sucks the people that are supporting in

1582

01:09:10,729 --> 01:09:09,420

stock it's a friction moving towards an

1583

01:09:11,990 --> 01:09:10,739

airport I mean anyone who would even

1584

01:09:13,550 --> 01:09:12,000

waste their time saying it's anything

1585

01:09:14,930 --> 01:09:13,560

other than that just by looking at it in

1586

01:09:15,829 --> 01:09:14,940

the first place

1587

01:09:17,990 --> 01:09:15,839

um

1588

01:09:19,729 --> 01:09:18,000

doesn't understand the the time and

1589

01:09:22,490 --> 01:09:19,739

people have spent in ufology yeah and

1590

01:09:26,269 --> 01:09:22,500

here you go Jeff here you go Jeff uh

1591

01:09:29,329 --> 01:09:26,279

this is this is the Ridge and here's the

1592

01:09:32,990 --> 01:09:29,339

Johnson County airport right here

1593

01:09:35,930 --> 01:09:33,000

so you know for all we know uh this

1594

01:09:37,849 --> 01:09:35,940

object was flying by the by the

1595

01:09:39,769 --> 01:09:37,859

mountains and then turned when it went

1596

01:09:43,189 --> 01:09:39,779

out of frame and and it landed right

1597

01:09:46,849 --> 01:09:43,199

here I mean this is literally like a

1598

01:09:53,390 --> 01:09:46,859

mile or two from this so-called this is

1599

01:09:57,729 --> 01:09:55,430

good Sean Kale's watching this right now

1600

01:10:00,770 --> 01:09:57,739

with a Smurf account you know what sucks

1601  
01:10:07,270 --> 01:10:00,780  
Sean get on here man get on here and

1602  
01:10:11,810 --> 01:10:09,110  
come on

1603  
01:10:14,870 --> 01:10:11,820  
just for the love of God because well no

1604  
01:10:16,729 --> 01:10:14,880  
don't you know don't you know

1605  
01:10:18,290 --> 01:10:16,739  
Jeff I don't know if I ever told you but

1606  
01:10:20,570 --> 01:10:18,300  
I think that there's a there's an

1607  
01:10:21,590 --> 01:10:20,580  
Unwritten rule in gripland did you know

1608  
01:10:23,810 --> 01:10:21,600  
about this

1609  
01:10:26,630 --> 01:10:23,820  
they don't they all pretend they don't

1610  
01:10:28,370 --> 01:10:26,640  
know who I am like people I know have

1611  
01:10:31,790 --> 01:10:28,380  
the answers of these guys like Jimmy

1612  
01:10:33,830 --> 01:10:31,800  
Jimmy Church got I got mentioned on his

1613  
01:10:35,709 --> 01:10:33,840

show like three times and he pretended

1614

01:10:38,209 --> 01:10:35,719

he didn't know who I was all three times

1615

01:10:40,430 --> 01:10:38,219

that's copyright claimed me

1616

01:10:42,290 --> 01:10:40,440

falsely he knows exactly who I am the

1617

01:10:43,850 --> 01:10:42,300

Liars but anyway they all do that they

1618

01:10:46,490 --> 01:10:43,860

all pretend they don't know who I am or

1619

01:10:48,169 --> 01:10:46,500

what my show is you know I guess then

1620

01:10:49,970 --> 01:10:48,179

they don't have to talk about it you

1621

01:10:53,630 --> 01:10:49,980

know

1622

01:10:55,189 --> 01:10:53,640

like the last thing I want to do is have

1623

01:10:56,630 --> 01:10:55,199

some sort of argument with these folks

1624

01:10:58,910 --> 01:10:56,640

but I tell you what right now I feel

1625

01:10:59,570 --> 01:10:58,920

like it's just after years of putting

1626

01:11:02,570 --> 01:10:59,580

out

1627

01:11:04,189 --> 01:11:02,580

next to nothing but demanding so much

1628

01:11:06,649 --> 01:11:04,199

belief in what they're claiming and then

1629

01:11:09,229 --> 01:11:06,659

as well what has been achieved within

1630

01:11:11,870 --> 01:11:09,239

our uh so much money and so much money

1631

01:11:14,450 --> 01:11:11,880

look at the greed dude

1632

01:11:16,189 --> 01:11:14,460

so much money they won in the incredible

1633

01:11:18,229 --> 01:11:16,199

garbage like how much money is Sean

1634

01:11:20,689 --> 01:11:18,239

Cahill getting paid to speak at UFO

1635

01:11:22,729 --> 01:11:20,699

conferences and he's putting out this

1636

01:11:24,770 --> 01:11:22,739

garbage filmed in somebody's backyard

1637

01:11:26,270 --> 01:11:24,780

right next to a Goddamn airport and

1638

01:11:27,410 --> 01:11:26,280

we're not supposed to say something

1639

01:11:31,310 --> 01:11:27,420

about it

1640

01:11:32,990 --> 01:11:31,320

no I don't think so I don't think so

1641

01:11:36,350 --> 01:11:33,000

oftentimes I look at what these guys

1642

01:11:37,490 --> 01:11:36,360

here we go that area has many RC plane

1643

01:11:40,790 --> 01:11:37,500

clubs

1644

01:11:42,530 --> 01:11:40,800

oh there's another uh yeah no they're

1645

01:11:45,290 --> 01:11:42,540

not allowed to fly in that area at

1646

01:11:46,669 --> 01:11:45,300

Birchwood it's a no-fly zone

1647

01:11:49,550 --> 01:11:46,679

yeah

1648

01:11:52,130 --> 01:11:49,560

I I was there a version of the video

1649

01:11:55,790 --> 01:11:52,140

released with sound no there wasn't and

1650

01:12:01,669 --> 01:11:59,330

you know the the funny thing is uh Jeff

1651  
01:12:03,709 --> 01:12:01,679  
that one third phase of moon hoax all he

1652  
01:12:06,649 --> 01:12:03,719  
had to do to tell it was a helicopter

1653  
01:12:08,209 --> 01:12:06,659  
was take the audio and crank it up you

1654  
01:12:10,610 --> 01:12:08,219  
know enhance it a little bit and you

1655  
01:12:15,050 --> 01:12:10,620  
could clearly hear helicopter rotor and

1656  
01:12:17,149 --> 01:12:15,060  
engine in the audio uh so they

1657  
01:12:20,149 --> 01:12:17,159  
purposefully don't want you to see the

1658  
01:12:22,010 --> 01:12:20,159  
audio for a reason right yeah it's a

1659  
01:12:23,390 --> 01:12:22,020  
it's one of the it's obviously one of

1660  
01:12:25,790 --> 01:12:23,400  
the telltale signs that something's

1661  
01:12:26,990 --> 01:12:25,800  
going on the second anything's even I

1662  
01:12:28,370 --> 01:12:27,000  
mean like just it's like the oldest

1663  
01:12:29,630 --> 01:12:28,380

thing in ephology it's like just the

1664

01:12:31,850 --> 01:12:29,640

video that was cut out there's nothing

1665

01:12:33,290 --> 01:12:31,860

to it it's just this one's like what

1666

01:12:35,510 --> 01:12:33,300

happened before what happened after it's

1667

01:12:38,149 --> 01:12:35,520

because if you left it on longer it's

1668

01:12:39,590 --> 01:12:38,159

when you would see what it is yeah yeah

1669

01:12:40,970 --> 01:12:39,600

and the first one says why haven't

1670

01:12:42,649 --> 01:12:40,980

Stephen published the Corbell

1671

01:12:44,689 --> 01:12:42,659

interactions

1672

01:12:46,370 --> 01:12:44,699

um I'm blocked by him on all social

1673

01:12:48,290 --> 01:12:46,380

media so if there has been any

1674

01:12:49,490 --> 01:12:48,300

interactions I wouldn't know it I don't

1675

01:12:52,070 --> 01:12:49,500

even know what you're talking about but

1676

01:12:54,169 --> 01:12:52,080

I can check into that I guess

1677

01:12:57,229 --> 01:12:54,179

um or you can email me the Twitter

1678

01:12:57,970 --> 01:12:57,239

threads and I'll look at them in a you

1679

01:13:04,010 --> 01:12:57,980

know

1680

01:13:06,189 --> 01:13:04,020

these people I love it when they block

1681

01:13:09,649 --> 01:13:06,199

you and then they talk right like

1682

01:13:11,570 --> 01:13:09,659

come on dude like that's not fair you're

1683

01:13:12,950 --> 01:13:11,580

gonna talk on me like unblock me

1684

01:13:14,209 --> 01:13:12,960

you know

1685

01:13:18,649 --> 01:13:14,219

the

1686

01:13:20,930 --> 01:13:18,659

only time I block my blood glitter now

1687

01:13:24,110 --> 01:13:20,940

is uh is when um I recognize the person

1688

01:13:25,729 --> 01:13:24,120

is is a broken system and I can't do

1689

01:13:27,350 --> 01:13:25,739

anything about it like that's the only

1690

01:13:28,729 --> 01:13:27,360

time I bro I block people is when I

1691

01:13:30,530 --> 01:13:28,739

recognize that these people are like

1692

01:13:32,330 --> 01:13:30,540

these they're on their way up they got

1693

01:13:34,850 --> 01:13:32,340

like 10 000 followers on Twitter and

1694

01:13:36,590 --> 01:13:34,860

they are just broken and uh you can't

1695

01:13:38,930 --> 01:13:36,600

you can't you can't change anything so

1696

01:13:40,130 --> 01:13:38,940

you just stop I'm impressed by the

1697

01:13:42,410 --> 01:13:40,140

people that have a ton of followers that

1698

01:13:43,970 --> 01:13:42,420

actually engage in those conversations

1699

01:13:45,590 --> 01:13:43,980

Twitter Twitter's a nightmare yeah who

1700

01:13:47,149 --> 01:13:45,600

has a time with you all that right

1701

01:13:50,570 --> 01:13:47,159

Twitter's a nightmare though it's it's

1702

01:13:54,290 --> 01:13:50,580

absolutely the wild west uh no one no

1703

01:13:56,390 --> 01:13:54,300

one takes anyone seriously and uh and

1704

01:13:58,310 --> 01:13:56,400

honestly they perpetuate the same

1705

01:14:00,770 --> 01:13:58,320

nonsense over and over and over again

1706

01:14:03,290 --> 01:14:00,780

and they then they re-report on the

1707

01:14:05,630 --> 01:14:03,300

stuff that they pushed it's like it's

1708

01:14:08,209 --> 01:14:05,640

just it's social media I'm

1709

01:14:10,130 --> 01:14:08,219

certainly I'm tired of it

1710

01:14:12,290 --> 01:14:10,140

I think I might get off on that I'm at

1711

01:14:16,130 --> 01:14:12,300

that age I might go become an archivist

1712

01:14:18,229 --> 01:14:16,140

and just never show up again in a uh

1713

01:14:21,470 --> 01:14:18,239

yeah and I do I Define that there's a

1714

01:14:24,590 --> 01:14:21,480

lot of uh RC airplane clubs right in

1715

01:14:26,810 --> 01:14:24,600

that area that's interesting this one's

1716

01:14:28,130 --> 01:14:26,820

the hill hoppers

1717

01:14:33,950 --> 01:14:28,140

right

1718

01:14:35,870 --> 01:14:33,960

you know could be interesting that

1719

01:14:37,189 --> 01:14:35,880

there's so many right right there you

1720

01:14:39,470 --> 01:14:37,199

know it just goes to show that you can

1721

01:14:41,870 --> 01:14:39,480

fly stuff around in the area because

1722

01:14:43,310 --> 01:14:41,880

you can't fly RC planes and no flies on

1723

01:14:47,689 --> 01:14:43,320

either

1724

01:14:51,290 --> 01:14:49,610

don't say Caroline says Wyoming has

1725

01:14:53,570 --> 01:14:51,300

planes and drones in the air constantly

1726

01:14:54,890 --> 01:14:53,580  
to monitor pipelines oil rigs cattle

1727

01:14:56,229 --> 01:14:54,900  
mines and more

1728

01:14:59,930 --> 01:14:56,239  
yeah

1729

01:15:02,330 --> 01:14:59,940  
you must but that doesn't sell alien

1730

01:15:05,450 --> 01:15:02,340  
stuff man

1731

01:15:07,070 --> 01:15:05,460  
as much as I have a love of drones I'm

1732

01:15:08,689 --> 01:15:07,080  
so tired of drones but no I actually

1733

01:15:10,130 --> 01:15:08,699  
think that I think they record it looked

1734

01:15:11,510 --> 01:15:10,140  
just like a normal plane I mean it just

1735

01:15:14,750 --> 01:15:11,520  
looked like a plane flying into a

1736

01:15:16,930 --> 01:15:14,760  
landing you know I think you called it

1737

01:15:21,649 --> 01:15:16,940  
um that's the right thing too

1738

01:15:21,659 --> 01:15:26,030

on one second here

1739

01:15:31,850 --> 01:15:29,450

yeah I I don't even you know I I just

1740

01:15:34,310 --> 01:15:31,860

had a loss I I just think like you know

1741

01:15:36,470 --> 01:15:34,320

if this is the best that they got that

1742

01:15:38,750 --> 01:15:36,480

you know and then we're the if

1743

01:15:40,970 --> 01:15:38,760

we question it right there's people

1744

01:15:44,390 --> 01:15:40,980

calling for Mass bands of anybody

1745

01:15:46,610 --> 01:15:44,400

skeptical of of these people's claims so

1746

01:15:49,970 --> 01:15:46,620

they want to live in a delusion bubble

1747

01:15:52,370 --> 01:15:49,980

of garbage I guess a math ban of people

1748

01:15:55,010 --> 01:15:52,380

that are skeptical what does that even

1749

01:15:56,390 --> 01:15:55,020

mean yeah I'm gonna have a war on me I

1750

01:16:01,430 --> 01:15:56,400

know but dude

1751

01:16:04,070 --> 01:16:01,440

yeah Mick West between about like uh

1752

01:16:05,930 --> 01:16:04,080

you know he tweeted retweeted somebody

1753

01:16:07,729 --> 01:16:05,940

that was saying we have to ban all of

1754

01:16:11,149 --> 01:16:07,739

these Skeptics they're ruining this for

1755

01:16:13,850 --> 01:16:11,159

everybody you know yeah sorry we're

1756

01:16:17,270 --> 01:16:13,860

ruining it that it's that it's nonsense

1757

01:16:20,630 --> 01:16:17,280

am I ruining your delusion bubble then

1758

01:16:23,110 --> 01:16:20,640

good pop pop pop like come

1759

01:16:28,070 --> 01:16:25,490

I can't think of any good reason like

1760

01:16:30,350 --> 01:16:28,080

this whole drip fed thing is perpetuated

1761

01:16:32,689 --> 01:16:30,360

off of someone's opinion that idea has

1762

01:16:34,130 --> 01:16:32,699

nothing to do with any factual basis and

1763

01:16:36,350 --> 01:16:34,140

certainly there are there wasn't any

1764

01:16:38,450 --> 01:16:36,360

increased incursion that narrative

1765

01:16:41,149 --> 01:16:38,460

increased incursions was debunked so so

1766

01:16:42,530 --> 01:16:41,159

I'm wondering if you know why do these

1767

01:16:45,229 --> 01:16:42,540

followers of these individuals just

1768

01:16:47,689 --> 01:16:45,239

don't say please just just data drop

1769

01:16:49,790 --> 01:16:47,699

drop it all at once blow everyone's

1770

01:16:52,970 --> 01:16:49,800

Minds right now and whatever you have

1771

01:16:55,130 --> 01:16:52,980

just drop it and then we get did you

1772

01:16:57,950 --> 01:16:55,140

know Corbell he was posting he was

1773

01:17:00,950 --> 01:16:57,960

posting this nonsense like it was before

1774

01:17:02,570 --> 01:17:00,960

he dropped that missile picture and

1775

01:17:04,550 --> 01:17:02,580

that's I'm sorry I'm calling a rocket

1776

01:17:07,370 --> 01:17:04,560

picture a missile picture I'm not even

1777

01:17:09,470 --> 01:17:07,380

calling it a UFO until he proves that

1778

01:17:11,450 --> 01:17:09,480

it's not you know and that's the thing

1779

01:17:13,729 --> 01:17:11,460

isn't there some burden of that you know

1780

01:17:15,830 --> 01:17:13,739

proof or evidence that they said it's

1781

01:17:19,790 --> 01:17:15,840

not a rocket

1782

01:17:21,890 --> 01:17:19,800

can you prove that like howdy

1783

01:17:23,270 --> 01:17:21,900

if it's not a rock any search by

1784

01:17:26,270 --> 01:17:23,280

proclamation

1785

01:17:29,390 --> 01:17:26,280

Jeff they're doing research by

1786

01:17:32,090 --> 01:17:29,400

proclamation I declare it is not a

1787

01:17:35,870 --> 01:17:32,100

rocket but it's not clear no evidence

1788

01:17:39,590 --> 01:17:35,880

but a proclamation

1789

01:17:41,450 --> 01:17:39,600

it's it's it's obviously uh it's pretty

1790

01:17:43,970 --> 01:17:41,460

um it's lo I don't even know it's it's

1791

01:17:45,530 --> 01:17:43,980

the best way I can look at it is is that

1792

01:17:48,050 --> 01:17:45,540

they're trying to

1793

01:17:50,149 --> 01:17:48,060

do something patriotic the worst way I

1794

01:17:51,590 --> 01:17:50,159

can look at it is they're con artist and

1795

01:17:53,870 --> 01:17:51,600

in the middle there I see people trying

1796

01:17:55,850 --> 01:17:53,880

to do both but at the same time like the

1797

01:17:58,430 --> 01:17:55,860

core Bell thing that guy has nothing

1798

01:18:00,950 --> 01:17:58,440

he's not working for anyone he I I think

1799

01:18:04,430 --> 01:18:00,960

he's just like Bill Moore or or whatever

1800

01:18:06,830 --> 01:18:04,440

he sees that he's there's a chance he's

1801

01:18:09,169 --> 01:18:06,840

getting complete bullcrap information so

1802

01:18:11,450 --> 01:18:09,179

he's just gonna make as much money off

1803

01:18:12,830 --> 01:18:11,460

that as possible he's taking the risk he

1804

01:18:15,050 --> 01:18:12,840

knows it he could just he could be

1805

01:18:16,610 --> 01:18:15,060

completely huge one day hewed up one day

1806

01:18:19,189 --> 01:18:16,620

by the evidence that he was lied to

1807

01:18:21,530 --> 01:18:19,199

entirely with like a Dodie scenario so

1808

01:18:22,850 --> 01:18:21,540

he has to make money or else what's the

1809

01:18:24,950 --> 01:18:22,860

whole point of this what is this like a

1810

01:18:27,530 --> 01:18:24,960

social justice person it's not it's not

1811

01:18:28,970 --> 01:18:27,540

it's not the same so him I I get why

1812

01:18:30,290 --> 01:18:28,980

he's the the other one but the other

1813

01:18:33,229 --> 01:18:30,300

guys

1814

01:18:35,870 --> 01:18:33,239

um I feel like that that there's just no

1815

01:18:39,050 --> 01:18:35,880

way in my mind Lou and all these guys

1816

01:18:42,350 --> 01:18:39,060

could put their military or their

1817

01:18:44,030 --> 01:18:42,360

service online like that with with their

1818

01:18:47,030 --> 01:18:44,040

reputation if they were

1819

01:18:48,350 --> 01:18:47,040

it just if it's like a grift grift but I

1820

01:18:50,149 --> 01:18:48,360

just don't

1821

01:18:52,130 --> 01:18:50,159

they don't compute I don't know my mind

1822

01:18:53,750 --> 01:18:52,140

is broken but isn't it funny that a lot

1823

01:18:55,790 --> 01:18:53,760

of guys isn't it funny that a lot of

1824

01:18:58,370 --> 01:18:55,800

guys sort of retire from the military or

1825

01:19:00,950 --> 01:18:58,380

the Pentagon or the CIA and they think

1826

01:19:03,050 --> 01:19:00,960

you know what I can make a lot of money

1827

01:19:05,870 --> 01:19:03,060

talking about UFOs

1828

01:19:08,390 --> 01:19:05,880

because I was military or I was CIA or

1829

01:19:10,910 --> 01:19:08,400

what whatever it's like they use that

1830

01:19:13,610 --> 01:19:10,920

perception of credibility that they once

1831

01:19:15,830 --> 01:19:13,620

had to sell garbage you know seen that

1832

01:19:17,330 --> 01:19:15,840

quite a few times throughout ufology

1833

01:19:19,490 --> 01:19:17,340

um even like they'll even go after each

1834

01:19:21,410 --> 01:19:19,500

other I won't say who specifically but

1835

01:19:24,410 --> 01:19:21,420

there's been plenty of times incredible

1836

01:19:26,570 --> 01:19:24,420

military people or have

1837

01:19:28,610 --> 01:19:26,580

latched on to varying uh you know

1838

01:19:29,930 --> 01:19:28,620

bullcrap cases but then they'll go after

1839

01:19:31,610 --> 01:19:29,940

another military person that comes in

1840

01:19:34,250 --> 01:19:31,620

it's like I served 20 years I was

1841

01:19:35,630 --> 01:19:34,260

slaying Vietcong and by the thousands

1842

01:19:38,810 --> 01:19:35,640

you know whatever they're saying and uh

1843

01:19:40,189 --> 01:19:38,820

and it's just all it gets it gets

1844

01:19:41,810 --> 01:19:40,199

destroyed it happened over and over and

1845

01:19:44,030 --> 01:19:41,820

over again I see it still to this day I

1846

01:19:45,830 --> 01:19:44,040

mean I'm still I just God

1847

01:19:47,330 --> 01:19:45,840

I don't want to say any names but I just

1848

01:19:49,610 --> 01:19:47,340

was talking to someone an author

1849

01:19:50,810 --> 01:19:49,620

recently and how the person was feeding

1850

01:19:52,130 --> 01:19:50,820

him all this information I was like did

1851

01:19:54,229 --> 01:19:52,140

you know this person was running like

1852

01:19:56,090 --> 01:19:54,239

his own drone company did you know this

1853

01:19:58,250 --> 01:19:56,100

person was developing stealth drones and

1854

01:20:01,130 --> 01:19:58,260

like there we go another person working

1855

01:20:03,950 --> 01:20:01,140

on some sort of uas tech in one way or

1856

01:20:06,830 --> 01:20:03,960

another and deceiving people or lying by

1857

01:20:09,470 --> 01:20:06,840

Omission yes let's just not mention that

1858

01:20:10,790 --> 01:20:09,480

I run a drone company while I'm feeding

1859

01:20:14,450 --> 01:20:10,800

you information

1860

01:20:16,490 --> 01:20:14,460

and it it seems to be in one way or

1861

01:20:18,770 --> 01:20:16,500

another even if the person isn't the one

1862

01:20:20,990 --> 01:20:18,780

creating the object or or the inventor

1863

01:20:22,550 --> 01:20:21,000

or the owner of the company if they even

1864

01:20:24,890 --> 01:20:22,560

know about it they can figure it away

1865

01:20:27,050 --> 01:20:24,900

around it like the UAP thing and you can

1866

01:20:29,689 --> 01:20:27,060

achieve a goal as well which is again I

1867

01:20:31,070 --> 01:20:29,699

still I stand impressed with uh with

1868

01:20:32,450 --> 01:20:31,080

what they're doing now under the guys

1869

01:20:34,850 --> 01:20:32,460

like they're talking about aliens when

1870

01:20:36,470 --> 01:20:34,860

it's clearly not so

1871

01:20:37,910 --> 01:20:36,480

um you know there's so much is going on

1872

01:20:39,649 --> 01:20:37,920

I mean literally there's a there's a

1873

01:20:42,050 --> 01:20:39,659

money National Defense authorization

1874

01:20:44,030 --> 01:20:42,060

authorization act and uh there's just

1875

01:20:46,130 --> 01:20:44,040

all this stuff happening and it's all

1876  
01:20:48,950 --> 01:20:46,140  
happening under the guys and it's aliens

1877  
01:20:51,350 --> 01:20:48,960  
and it's not or to the public

1878  
01:20:54,229 --> 01:20:51,360  
The public's reaction and and there's

1879  
01:20:56,750 --> 01:20:54,239  
people that are actively the UFO

1880  
01:20:58,970 --> 01:20:56,760  
profiteering horrorism is getting a

1881  
01:21:01,669 --> 01:20:58,980  
little crazy because you got guys that

1882  
01:21:03,890 --> 01:21:01,679  
are literally forming companies to make

1883  
01:21:06,110 --> 01:21:03,900  
money off of UFOs those are the same

1884  
01:21:08,570 --> 01:21:06,120  
people that are promoting the alien

1885  
01:21:11,570 --> 01:21:08,580  
stuff and well here's where we get here

1886  
01:21:15,950 --> 01:21:11,580  
people trying to get defense contracts

1887  
01:21:17,750 --> 01:21:15,960  
while there are promoting the UFO threat

1888  
01:21:21,290 --> 01:21:17,760

narrative and they're trying to get

1889

01:21:23,870 --> 01:21:21,300

defense contracts to study or work on or

1890

01:21:25,610 --> 01:21:23,880

research UFOs from the United States

1891

01:21:27,770 --> 01:21:25,620

government that's a little bit more than

1892

01:21:29,689 --> 01:21:27,780

a conflict of interest I'll tell you

1893

01:21:32,750 --> 01:21:29,699

right now it happens a lot in a lot of

1894

01:21:34,370 --> 01:21:32,760

areas and avenues I mean our um areas

1895

01:21:36,890 --> 01:21:34,380

and defense and has nothing to do with

1896

01:21:39,649 --> 01:21:36,900

UFOs or what this current problem is for

1897

01:21:41,930 --> 01:21:39,659

one look at the counter uas

1898

01:21:44,390 --> 01:21:41,940

uh thing in itself the idea of

1899

01:21:45,350 --> 01:21:44,400

countering a drone there was someone at

1900

01:21:47,990 --> 01:21:45,360

one point

1901

01:21:50,209 --> 01:21:48,000

whether they were on an on a Navy ship

1902

01:21:52,310 --> 01:21:50,219

training and the Drone accidentally came

1903

01:21:53,689 --> 01:21:52,320

back and and you know hurt someone on

1904

01:21:55,970 --> 01:21:53,699

the ship or something or it was someone

1905

01:21:58,070 --> 01:21:55,980

operating some off in some terrible

1906

01:21:59,149 --> 01:21:58,080

jungle somewhere and an adversary used

1907

01:22:01,010 --> 01:21:59,159

the Drone against them someone

1908

01:22:02,810 --> 01:22:01,020

recognized that there was a gap out

1909

01:22:04,669 --> 01:22:02,820

there and stuff the military was using

1910

01:22:06,530 --> 01:22:04,679

and so what they did was they tried to

1911

01:22:09,290 --> 01:22:06,540

create that we have entire markets

1912

01:22:11,870 --> 01:22:09,300

depending on that this UAP thing reminds

1913

01:22:15,050 --> 01:22:11,880

me very much of that for me it was

1914

01:22:16,729 --> 01:22:15,060

someone uh some Ranger at one point

1915

01:22:18,890 --> 01:22:16,739

recognized oh all soldiers should have a

1916

01:22:19,970 --> 01:22:18,900

GPS a beacon and a satellite uplink and

1917

01:22:22,610 --> 01:22:19,980

they created something called Land

1918

01:22:24,770 --> 01:22:22,620

Warrior and I wore that in combat and

1919

01:22:27,770 --> 01:22:24,780

and this screams

1920

01:22:31,910 --> 01:22:27,780

people getting funding for a problem

1921

01:22:35,510 --> 01:22:31,920

putting through into a uh into uh our

1922

01:22:37,490 --> 01:22:35,520

military budget and then and then he

1923

01:22:39,590 --> 01:22:37,500

because they got that money put there

1924

01:22:41,870 --> 01:22:39,600

they're able to now take the money out

1925

01:22:44,810 --> 01:22:41,880

of there to support the company for the

1926

01:22:46,729 --> 01:22:44,820

problem that they say exists and in in

1927

01:22:48,590 --> 01:22:46,739

this case the problem is something very

1928

01:22:51,709 --> 01:22:48,600

prosaic and human

1929

01:22:52,570 --> 01:22:51,719

but it's the but it can it falls under

1930

01:22:55,010 --> 01:22:52,580

that yeah

1931

01:22:56,810 --> 01:22:55,020

how much how much money you think you

1932

01:23:00,229 --> 01:22:56,820

would get for a drone defense system

1933

01:23:03,950 --> 01:23:00,239

versus an alien vehicle defense system

1934

01:23:06,310 --> 01:23:03,960

right like those guys got supersonic uh

1935

01:23:09,050 --> 01:23:06,320

capability and they have a titanium

1936

01:23:10,729 --> 01:23:09,060

adamantium hulls that we can't penetrate

1937

01:23:12,350 --> 01:23:10,739

with normal ordinance so we're gonna

1938

01:23:14,990 --> 01:23:12,360

need lots of money to develop new

1939

01:23:18,050 --> 01:23:15,000

ordinances and you know I could see that

1940

01:23:20,510 --> 01:23:18,060

it will never stop it because hey we've

1941

01:23:22,910 --> 01:23:20,520

got Chinese drones off of the Pacific

1942

01:23:25,850 --> 01:23:22,920

coast and East Coast sometimes from from

1943

01:23:28,430 --> 01:23:25,860

likely spy vessels disguised as fishing

1944

01:23:30,290 --> 01:23:28,440

vessels from China and we don't want

1945

01:23:32,090 --> 01:23:30,300

them snooping around so we need to

1946

01:23:33,649 --> 01:23:32,100

develop a defense system to just blow

1947

01:23:37,970 --> 01:23:33,659

them out of the sky or get rid of them

1948

01:23:41,149 --> 01:23:37,980

or EMP them I like the EMP thing small

1949

01:23:43,790 --> 01:23:41,159

scale pulse EMP your own drone that puts

1950

01:23:46,610 --> 01:23:43,800

out a small scale pulse it post weapon

1951

01:23:49,430 --> 01:23:46,620

EMP at the swarm of drones they all drop

1952

01:23:51,110 --> 01:23:49,440

like like dead flies but but the the

1953

01:23:54,050 --> 01:23:51,120

amount of money that you could get for

1954

01:23:57,169 --> 01:23:54,060

that is minuscule and funding compared

1955

01:23:59,270 --> 01:23:57,179

to like oh there's a threat of aliens

1956

01:24:01,970 --> 01:23:59,280

you know well there's a lot of money in

1957

01:24:04,370 --> 01:24:01,980

uh and some of that but yeah I would say

1958

01:24:05,689 --> 01:24:04,380

I would obvious I think we've seen a

1959

01:24:08,270 --> 01:24:05,699

perfect example be the last five years

1960

01:24:11,270 --> 01:24:08,280

that if you go the ambiguous route it

1961

01:24:12,950 --> 01:24:11,280

seems that that would imply that there's

1962

01:24:14,390 --> 01:24:12,960

kind of an Avenue they understand how to

1963

01:24:15,890 --> 01:24:14,400

get the money

1964

01:24:18,050 --> 01:24:15,900

um and then you get kind of specific

1965

01:24:19,310 --> 01:24:18,060

after it's like the like the scientists

1966

01:24:21,950 --> 01:24:19,320

who works with the corporation who

1967

01:24:24,350 --> 01:24:21,960

really wants to make uh you know

1968

01:24:25,729 --> 01:24:24,360

um I don't know some special invention

1969

01:24:27,590 --> 01:24:25,739

but instead they have to make something

1970

01:24:28,910 --> 01:24:27,600

else but on the secret when they're not

1971

01:24:30,590 --> 01:24:28,920

working they're using the lab equipment

1972

01:24:33,950 --> 01:24:30,600

to do whatever they want kind of sounds

1973

01:24:35,630 --> 01:24:33,960

like Nolan in certain ways but um when

1974

01:24:36,610 --> 01:24:35,640

it comes to other people

1975

01:24:38,810 --> 01:24:36,620

um

1976

01:24:40,370 --> 01:24:38,820

this there are certain companies out

1977

01:24:42,110 --> 01:24:40,380

there today even like that have a

1978

01:24:44,870 --> 01:24:42,120

billion dollar contract for 10 years of

1979

01:24:46,310 --> 01:24:44,880

cuis uh in the Air Force and navy so

1980

01:24:48,530 --> 01:24:46,320

there's some money going around but

1981

01:24:51,110 --> 01:24:48,540

having said that I do agree it's it's

1982

01:24:53,570 --> 01:24:51,120

just the idea though of

1983

01:24:55,250 --> 01:24:53,580

like or for instance Graves we see this

1984

01:24:58,030 --> 01:24:55,260

guy graves right or the pilot that's out

1985

01:25:01,130 --> 01:24:58,040

there quite a bit right now

1986

01:25:02,750 --> 01:25:01,140

he's got all kinds of UFO related

1987

01:25:04,189 --> 01:25:02,760

businesses oh yeah he's got business

1988

01:25:05,630 --> 01:25:04,199

going all over the place but one of the

1989

01:25:06,890 --> 01:25:05,640

companies who's first involved with

1990

01:25:07,910 --> 01:25:06,900

before I think he might have stepped

1991

01:25:08,810 --> 01:25:07,920

away from I'm not sure I can't even

1992

01:25:10,970 --> 01:25:08,820

remember the name of it now I'm

1993

01:25:12,410 --> 01:25:10,980

forgetting but the the mission statement

1994

01:25:14,149 --> 01:25:12,420

I'm paraphrasing with something along

1995

01:25:15,770 --> 01:25:14,159

the line of like replicating nature

1996

01:25:17,390 --> 01:25:15,780

being in the soonest people from nature

1997

01:25:19,729 --> 01:25:17,400

or something like that and that's like

1998

01:25:21,709 --> 01:25:19,739

what we can say the phenomena the

1999

01:25:23,390 --> 01:25:21,719

ambiguous nature of that is I mean a lot

2000

01:25:25,490 --> 01:25:23,400

of drones out there and a lot of these

2001

01:25:28,370 --> 01:25:25,500

things out there get through our radar

2002

01:25:30,709 --> 01:25:28,380

our best awareness systems oftentimes

2003

01:25:32,270 --> 01:25:30,719

those are birds like something as simple

2004

01:25:33,649 --> 01:25:32,280

as a bird can fly through our radar

2005

01:25:35,750 --> 01:25:33,659

system relatively easy because we've

2006

01:25:38,390 --> 01:25:35,760

kind of made it so we've mostly adjusted

2007

01:25:40,610 --> 01:25:38,400

to be yeah we're talking dials back to

2008

01:25:42,530 --> 01:25:40,620

not detect certain ways yeah worrying

2009

01:25:44,990 --> 01:25:42,540

about a bird but now with drones the

2010

01:25:46,850 --> 01:25:45,000

size of birds or smaller even shaped

2011

01:25:48,290 --> 01:25:46,860

like them even if or materials that

2012

01:25:50,149 --> 01:25:48,300

absorb the you know all these different

2013

01:25:51,890 --> 01:25:50,159

Avenues to shrink your signature and

2014

01:25:53,330 --> 01:25:51,900

it's it's gone so crazy because we think

2015

01:25:55,610 --> 01:25:53,340

of signature reduction in just a few

2016

01:25:58,189 --> 01:25:55,620

ways it that you can come off of the top

2017

01:25:59,450 --> 01:25:58,199

of your head of how to like we know of

2018

01:26:01,189 --> 01:25:59,460

stealth

2019

01:26:02,810 --> 01:26:01,199

um you know we know of certain other

2020

01:26:05,870 --> 01:26:02,820

aspects of it but when it comes down to

2021

01:26:07,189 --> 01:26:05,880

a signature reduction in Aerospace is an

2022

01:26:10,970 --> 01:26:07,199

entire

2023

01:26:14,629 --> 01:26:10,980

like a market in itself or a industry in

2024

01:26:17,450 --> 01:26:14,639

itself and that company among others

2025

01:26:19,370 --> 01:26:17,460

fall under like how UAP operate you can

2026

01:26:21,169 --> 01:26:19,380

create materials or you can create uh

2027

01:26:23,570 --> 01:26:21,179

coverage for future

2028

01:26:25,310 --> 01:26:23,580

um paints that absorb IR you can do all

2029

01:26:27,290 --> 01:26:25,320

types of stuff that reduce signature and

2030

01:26:30,410 --> 01:26:27,300

it's being like nature it's like like

2031

01:26:32,510 --> 01:26:30,420

UAP you know UAP Flies who gets into our

2032

01:26:34,490 --> 01:26:32,520

radar gets you know through our nuclear

2033

01:26:36,470 --> 01:26:34,500

systems it's uh you know and all it

2034

01:26:38,149 --> 01:26:36,480

really is is these techniques that we've

2035

01:26:41,090 --> 01:26:38,159

been developing for decades now that

2036

01:26:43,250 --> 01:26:41,100

other countries are finally adapting and

2037

01:26:45,169 --> 01:26:43,260

um and it's just instead of like waiting

2038

01:26:46,729 --> 01:26:45,179

for those other countries to make it

2039

01:26:48,050 --> 01:26:46,739

public to the point where even people in

2040

01:26:49,490 --> 01:26:48,060

the United States are somehow getting

2041

01:26:51,410 --> 01:26:49,500

their hands on it

2042

01:26:52,750 --> 01:26:51,420

um we're talking about it being alien

2043

01:26:55,189 --> 01:26:52,760

we're talking about needing to stop it

2044

01:26:56,810 --> 01:26:55,199

needing to stop this because if you stop

2045

01:26:58,790 --> 01:26:56,820

it first before the public gets it

2046

01:27:00,590 --> 01:26:58,800

there's no threat so you gotta you gotta

2047

01:27:01,910 --> 01:27:00,600

be stopping and it's gonna be a threat

2048

01:27:03,649 --> 01:27:01,920

and they've been pushing the threat for

2049

01:27:05,689 --> 01:27:03,659

a while and Lord Ludicrous says ufology

2050

01:27:07,970 --> 01:27:05,699

is one big marketing firm great show

2051

01:27:09,709 --> 01:27:07,980

thank you I know thanks again

2052

01:27:12,290 --> 01:27:09,719

to get the cash

2053

01:27:14,390 --> 01:27:12,300

I know I missed some so I'll read them

2054

01:27:16,189 --> 01:27:14,400

uh at the end of the show I appreciate

2055

01:27:17,990 --> 01:27:16,199

everybody's kindness generosity and

2056

01:27:22,790 --> 01:27:18,000

support uh

2057

01:27:24,830 --> 01:27:22,800

yeah I uh I I what have you did you hear

2058

01:27:27,890 --> 01:27:24,840

what Eric Weinstein said because this is

2059

01:27:29,689 --> 01:27:27,900

an issue I wanted to ask you about he uh

2060

01:27:32,689 --> 01:27:29,699

he was talking about the fact that like

2061

01:27:35,149 --> 01:27:32,699

everybody says these things defy the

2062

01:27:38,870 --> 01:27:35,159

laws of physics but we never get the

2063

01:27:41,510 --> 01:27:38,880

data to support that and we never hear a

2064

01:27:43,430 --> 01:27:41,520

reputable or real physicist agree with

2065

01:27:46,189 --> 01:27:43,440

the people who say that and that seems

2066

01:27:48,709 --> 01:27:46,199

to be a long-term talking point for

2067

01:27:51,709 --> 01:27:48,719

quite some time now has been these

2068

01:27:53,570 --> 01:27:51,719

things defy the laws of physics or we

2069

01:27:55,070 --> 01:27:53,580

hear variations of that like we don't

2070

01:27:57,530 --> 01:27:55,080

have anything in our Arsenal that could

2071

01:27:59,209 --> 01:27:57,540

do 90 degree turns and I and I just

2072

01:28:01,910 --> 01:27:59,219

laugh at that one because I got drones

2073

01:28:05,030 --> 01:28:01,920

that can do 90 degree turns all day it's

2074

01:28:08,030 --> 01:28:05,040

so such a stupid statement you know yeah

2075

01:28:10,129 --> 01:28:08,040

uh or you know the the we hear about

2076  
01:28:12,229 --> 01:28:10,139  
these tremendous speeds but we never

2077  
01:28:14,870 --> 01:28:12,239  
seem to get like the radar tapes that

2078  
01:28:17,750 --> 01:28:14,880  
confirm that those speeds were real we

2079  
01:28:19,490 --> 01:28:17,760  
get people saying it you know and even

2080  
01:28:22,189 --> 01:28:19,500  
after that you couldn't trust it anyways

2081  
01:28:24,470 --> 01:28:22,199  
because you can most most Nations have

2082  
01:28:26,450 --> 01:28:24,480  
the ability to move Radar really well I

2083  
01:28:28,850 --> 01:28:26,460  
mean obviously it's not really they're

2084  
01:28:31,070 --> 01:28:28,860  
not really spoofing U.S systems or or

2085  
01:28:32,990 --> 01:28:31,080  
Allied systems as much as they probably

2086  
01:28:35,930 --> 01:28:33,000  
you know but I don't I don't doubt it

2087  
01:28:38,450 --> 01:28:35,940  
that they they conventionally can

2088  
01:28:40,729 --> 01:28:38,460

um but yeah it's it's

2089

01:28:42,830 --> 01:28:40,739

yeah and uh Eric Weinstein Eric

2090

01:28:44,270 --> 01:28:42,840

Weinstein knows it's a psyop he's been

2091

01:28:45,590 --> 01:28:44,280

waiting three years to get a sample

2092

01:28:47,209 --> 01:28:45,600

briefing they kept telling him things

2093

01:28:49,129 --> 01:28:47,219

like oh all the stuff that you see in

2094

01:28:50,689 --> 01:28:49,139

public is down sampled and we've got the

2095

01:28:52,189 --> 01:28:50,699

good stuff and we're going to meet with

2096

01:28:55,729 --> 01:28:52,199

you and show it to you but they never

2097

01:28:57,649 --> 01:28:55,739

ever seem to show it to you and uh lrs

2098

01:29:00,530 --> 01:28:57,659

isn't a truck driving everyone know if

2099

01:29:03,530 --> 01:29:00,540

there's a road there I uh looked at it

2100

01:29:06,229 --> 01:29:03,540

very detailed to today uh in Google

2101  
01:29:09,110 --> 01:29:06,239  
Earth and Google Maps to the nearest

2102  
01:29:12,649 --> 01:29:09,120  
that I can tell there's no Road in that

2103  
01:29:16,070 --> 01:29:12,659  
area or on that Ridge in some nearby

2104  
01:29:18,350 --> 01:29:16,080  
mountains there was uh but I I don't

2105  
01:29:20,270 --> 01:29:18,360  
believe that it's a truck based on what

2106  
01:29:22,490 --> 01:29:20,280  
I've seen on Google Maps and and Google

2107  
01:29:24,709 --> 01:29:22,500  
Earth there being no you know

2108  
01:29:27,169 --> 01:29:24,719  
discernible Road there looks like a

2109  
01:29:29,330 --> 01:29:27,179  
Wilderness truck looks like a Wilderness

2110  
01:29:33,290 --> 01:29:29,340  
Area because it is it's a state park

2111  
01:29:35,570 --> 01:29:33,300  
it's a it's a Wyoming state park that

2112  
01:29:37,729 --> 01:29:35,580  
mountain they're out of flying object

2113  
01:29:39,649 --> 01:29:37,739

Steve they're now down to driving once

2114

01:29:42,350 --> 01:29:39,659

they do they've got no more actual

2115

01:29:45,610 --> 01:29:42,360

unidentified flying objects they're it's

2116

01:29:47,990 --> 01:29:45,620

trucks that would be hilarious

2117

01:29:50,450 --> 01:29:48,000

unfortunately well no that's actually

2118

01:29:52,610 --> 01:29:50,460

very common uh somebody in Las Vegas was

2119

01:29:54,530 --> 01:29:52,620

filming trucks headlights and claiming

2120

01:29:58,010 --> 01:29:54,540

it was UFOs flying around the mountain

2121

01:30:01,310 --> 01:29:58,020

but it turned out to be just

2122

01:30:03,410 --> 01:30:01,320

you know trucks or or uh you know

2123

01:30:05,629 --> 01:30:03,420

vehicles on the road and their

2124

01:30:09,169 --> 01:30:05,639

headlights crossing the mountain on a

2125

01:30:11,090 --> 01:30:09,179

mountain path Road you know so that was

2126

01:30:12,790 --> 01:30:11,100

a possibility but I I don't believe that

2127

01:30:15,649 --> 01:30:12,800

that it's that

2128

01:30:17,870 --> 01:30:15,659

I still have hopes watch on Kaylee in

2129

01:30:19,729 --> 01:30:17,880

the chat right now come on the show

2130

01:30:21,290 --> 01:30:19,739

I still have hopes that comes on and

2131

01:30:24,709 --> 01:30:21,300

defends himself because I have no idea

2132

01:30:31,010 --> 01:30:27,950

no I'm sure he wouldn't but um it's just

2133

01:30:33,530 --> 01:30:31,020

unfortunate because that there is no one

2134

01:30:34,850 --> 01:30:33,540

else and there was really no evidence in

2135

01:30:36,229 --> 01:30:34,860

the first place and when you when it

2136

01:30:37,550 --> 01:30:36,239

comes down to it I I just don't think

2137

01:30:39,169 --> 01:30:37,560

there was anything at the heart of the

2138

01:30:42,530 --> 01:30:39,179

disclosure movement anyways other than

2139

01:30:44,030 --> 01:30:42,540

to use UAP and all the stuff that's

2140

01:30:46,250 --> 01:30:44,040

actually the real problem that's very

2141

01:30:47,870 --> 01:30:46,260

human and uh raise funds for in

2142

01:30:49,189 --> 01:30:47,880

different ways and but let's like why

2143

01:30:50,990 --> 01:30:49,199

are we even mincing words here when it

2144

01:30:52,790 --> 01:30:51,000

comes to raising money do something the

2145

01:30:55,189 --> 01:30:52,800

very first everywhere tsa remember the

2146

01:30:57,590 --> 01:30:55,199

vault remember the vaults you know yeah

2147

01:31:00,890 --> 01:30:57,600

we're gonna hit the ball full of alien

2148

01:31:02,629 --> 01:31:00,900

materials where's that at the

2149

01:31:04,610 --> 01:31:02,639

metamaterial the metadata for people's

2150

01:31:07,550 --> 01:31:04,620

phones and stuff from recording UFOs

2151  
01:31:10,189 --> 01:31:07,560  
always gonna cycle through and it what

2152  
01:31:12,470 --> 01:31:10,199  
like there was there's a clear pattern

2153  
01:31:14,570 --> 01:31:12,480  
of setting up businesses in order like

2154  
01:31:16,850 --> 01:31:14,580  
you were saying with UAP stuff so so

2155  
01:31:19,310 --> 01:31:16,860  
that must mean there is something to the

2156  
01:31:21,890 --> 01:31:19,320  
UAP topic and when you see what these

2157  
01:31:24,169 --> 01:31:21,900  
businesses are focusing on it it isn't

2158  
01:31:27,290 --> 01:31:24,179  
this ambiguous unknown mysterious

2159  
01:31:29,990 --> 01:31:27,300  
phantom-like thing it is a very real

2160  
01:31:32,570 --> 01:31:30,000  
problem a dangerous one as dangerous I

2161  
01:31:35,090 --> 01:31:32,580  
guess you could say in some way as like

2162  
01:31:37,550 --> 01:31:35,100  
uh maybe even more is like well maybe

2163  
01:31:39,890 --> 01:31:37,560

not but it some have compared the

2164

01:31:43,910 --> 01:31:39,900

upcoming epidemic or the the upcoming

2165

01:31:45,709 --> 01:31:43,920

problem with uas as uh as like a you

2166

01:31:48,350 --> 01:31:45,719

know a nuclear bomb style thing because

2167

01:31:51,050 --> 01:31:48,360

it's just how many you can produce with

2168

01:31:53,209 --> 01:31:51,060

you know yeah I'm not sure

2169

01:31:56,689 --> 01:31:53,219

here's another confirmation that there's

2170

01:31:59,270 --> 01:31:56,699

no no-fly zone over that area uh local

2171

01:32:02,810 --> 01:31:59,280

556 says I know exactly where Lou lives

2172

01:32:04,970 --> 01:32:02,820

in in Buffalo uh Wyoming he's literally

2173

01:32:07,490 --> 01:32:04,980

a 45 minute drive from Sheridan County

2174

01:32:09,530 --> 01:32:07,500

Airport which has flight passed directly

2175

01:32:12,770 --> 01:32:09,540

over his house that's a large you know

2176

01:32:17,990 --> 01:32:15,890

yeah uh I verified with Sky Vector Sean

2177

01:32:20,390 --> 01:32:18,000

Cahill is completely full of it

2178

01:32:23,510 --> 01:32:20,400

so there you go you know

2179

01:32:25,310 --> 01:32:23,520

interesting and uh also there were

2180

01:32:27,550 --> 01:32:25,320

people on Twitter who verified that

2181

01:32:30,890 --> 01:32:27,560

there are I mean small place

2182

01:32:33,470 --> 01:32:30,900

yeah there was these uh

2183

01:32:37,490 --> 01:32:33,480

there are so many airports we have

2184

01:32:38,890 --> 01:32:37,500

another person lime green 1491 or on

2185

01:32:40,850 --> 01:32:38,900

Twitter saying just checked out

2186

01:32:43,030 --> 01:32:40,860

Flightradar24 there are so many little

2187

01:32:45,770 --> 01:32:43,040

airports in Wyoming right in that area

2188

01:32:46,910 --> 01:32:45,780

Sean Cahill and Lou Elizondo are

2189

01:32:50,030 --> 01:32:46,920

scamming you

2190

01:32:53,209 --> 01:32:50,040

so there is there has been I have been

2191

01:32:54,890 --> 01:32:53,219

pleased to see uh there we have I'm

2192

01:32:56,810 --> 01:32:54,900

going to read these because these are

2193

01:32:59,149 --> 01:32:56,820

good I have been pleased to see that

2194

01:33:01,910 --> 01:32:59,159

there you know there is some reaction

2195

01:33:03,470 --> 01:33:01,920

here that is that is worthy of uh

2196

01:33:05,510 --> 01:33:03,480

mentioning

2197

01:33:07,550 --> 01:33:05,520

Sean should no longer be trusted I don't

2198

01:33:09,410 --> 01:33:07,560

care how positive or negative disclosing

2199

01:33:10,669 --> 01:33:09,420

information you're still concealing

2200

01:33:13,430 --> 01:33:10,679

truth and playing with the general

2201  
01:33:15,070 --> 01:33:13,440  
public hiding behind semantics as well I

2202  
01:33:18,290 --> 01:33:15,080  
believe most people have had enough

2203  
01:33:20,390 --> 01:33:18,300  
discredit Lou and Sean and here's uh

2204  
01:33:22,250 --> 01:33:20,400  
funkwell s i frequently hike in the

2205  
01:33:24,229 --> 01:33:22,260  
mountains in an area with lots of small

2206  
01:33:26,570 --> 01:33:24,239  
plane traffic and I see things like that

2207  
01:33:28,490 --> 01:33:26,580  
all the time it's a small airplane at

2208  
01:33:30,229 --> 01:33:28,500  
best your judgment is questionable as

2209  
01:33:32,750 --> 01:33:30,239  
hell at worst you know it was a plane

2210  
01:33:35,270 --> 01:33:32,760  
and you're a complete fraud people are

2211  
01:33:37,490 --> 01:33:35,280  
asking if he wrote a report uh there has

2212  
01:33:38,330 --> 01:33:37,500  
been no report

2213  
01:33:41,030 --> 01:33:38,340

um

2214

01:33:43,430 --> 01:33:41,040

and uh

2215

01:33:45,229 --> 01:33:43,440

oh what the heck yeah this tweet doesn't

2216

01:33:48,169 --> 01:33:45,239

quell anything you're a fraud what

2217

01:33:50,510 --> 01:33:48,179

happened to the five observables

2218

01:33:51,890 --> 01:33:50,520

so did Lou speak up on this at all he

2219

01:33:54,470 --> 01:33:51,900

didn't say anything to me that's what

2220

01:33:57,229 --> 01:33:54,480

I'm aware of no no we don't get anything

2221

01:33:59,209 --> 01:33:57,239

right if you still believe what the

2222

01:34:00,649 --> 01:33:59,219

goofy tells you you're probably a lost

2223

01:34:02,090 --> 01:34:00,659

cause

2224

01:34:02,950 --> 01:34:02,100

laugh

2225

01:34:05,689 --> 01:34:02,960

S

2226

01:34:06,250 --> 01:34:05,699

I think it does

2227

01:34:08,629 --> 01:34:06,260

um

2228

01:34:11,090 --> 01:34:08,639

I just can't believe Sean kale you know

2229

01:34:12,590 --> 01:34:11,100

but that's the thing I I tell you what I

2230

01:34:14,629 --> 01:34:12,600

don't I don't like keep repeating this

2231

01:34:16,669 --> 01:34:14,639

but I I'm gonna say it again because

2232

01:34:18,590 --> 01:34:16,679

honestly I don't like just being in like

2233

01:34:20,629 --> 01:34:18,600

constant disputes which is pretty rough

2234

01:34:22,970 --> 01:34:20,639

and as you know Steve when you challenge

2235

01:34:24,590 --> 01:34:22,980

anyone that's that that's adored by a

2236

01:34:25,910 --> 01:34:24,600

bunch of people you get instant Hate by

2237

01:34:28,070 --> 01:34:25,920

a lot of people and everyone thinks that

2238

01:34:29,450 --> 01:34:28,080

like you're the majority no the people

2239

01:34:31,610 --> 01:34:29,460

that are critical this topic are the

2240

01:34:33,530 --> 01:34:31,620

best minority and then they think of

2241

01:34:35,330 --> 01:34:33,540

that Meme I think of that Meme of two

2242

01:34:37,430 --> 01:34:35,340

guys getting hung and the one guy goes

2243

01:34:40,790 --> 01:34:37,440

to the you know like I'm the guy saying

2244

01:34:42,830 --> 01:34:40,800

first time huh yeah I get that a lot I

2245

01:34:45,110 --> 01:34:42,840

get that a lot when it wasn't like it

2246

01:34:48,350 --> 01:34:45,120

when you burst the delusion bubbles you

2247

01:34:50,390 --> 01:34:48,360

know when Sean okay on Twitter said no

2248

01:34:52,430 --> 01:34:50,400

nothing weird at all about the former

2249

01:34:56,030 --> 01:34:52,440

director of atip a program that didn't

2250

01:34:58,610 --> 01:34:56,040

exist having a UFO a plane filmed in his

2251  
01:35:00,410 --> 01:34:58,620  
backyard by another grifter who didn't

2252  
01:35:02,570 --> 01:35:00,420  
disclose that fact

2253  
01:35:04,669 --> 01:35:02,580  
so you know there are people that are

2254  
01:35:05,870 --> 01:35:04,679  
awoke to this and saying that this is

2255  
01:35:08,450 --> 01:35:05,880  
unacceptable

2256  
01:35:10,310 --> 01:35:08,460  
you know uh but I I kind of think

2257  
01:35:12,709 --> 01:35:10,320  
they're just going to roll with the with

2258  
01:35:16,550 --> 01:35:12,719  
the new grift you know probably forgets

2259  
01:35:22,430 --> 01:35:16,560  
oh I didn't realize Dave Scott is here

2260  
01:35:27,950 --> 01:35:25,330  
I forgot to mention real quick uh but uh

2261  
01:35:30,410 --> 01:35:27,960  
about Sean before we go on real quick is

2262  
01:35:32,030 --> 01:35:30,420  
that uh I called Sean I called in Martin

2263  
01:35:34,970 --> 01:35:32,040

Willis's show while he was live with

2264

01:35:37,010 --> 01:35:34,980

Sean and I asked Sean what he thought

2265

01:35:38,330 --> 01:35:37,020

about Mr Kevin day and I'm not trying to

2266

01:35:40,370 --> 01:35:38,340

hurt anyone's feelings but what did you

2267

01:35:42,950 --> 01:35:40,380

thought about Mr Kevin Day saying that

2268

01:35:46,010 --> 01:35:42,960

he saw blips on the radar and he started

2269

01:35:48,229 --> 01:35:46,020

thinking later on at the VA hey maybe

2270

01:35:50,270 --> 01:35:48,239

that day the name or those days the

2271

01:35:51,950 --> 01:35:50,280

Nimitz encounter that's why I've been

2272

01:35:53,090 --> 01:35:51,960

physically affected that's why I need

2273

01:35:55,850 --> 01:35:53,100

disability

2274

01:35:56,990 --> 01:35:55,860

and and I said to Sean hey do you think

2275

01:35:58,729 --> 01:35:57,000

that's right

2276

01:36:00,950 --> 01:35:58,739

do you think it's normal like you know

2277

01:36:02,930 --> 01:36:00,960

for for for uh for a veteran to say that

2278

01:36:05,390 --> 01:36:02,940

or someone to say that that well that

2279

01:36:06,890 --> 01:36:05,400

you deserve full disability for seeing

2280

01:36:10,250 --> 01:36:06,900

blips on a radar having this event

2281

01:36:11,570 --> 01:36:10,260

affect you and uh and he said yeah I

2282

01:36:13,430 --> 01:36:11,580

think you should get that not only that

2283

01:36:15,649 --> 01:36:13,440

I think all veterans should get it so

2284

01:36:17,629 --> 01:36:15,659

Sean Cahill literally announced like

2285

01:36:18,649 --> 01:36:17,639

what we in the Army infantry would say

2286

01:36:25,070 --> 01:36:18,659

like

2287

01:36:26,450 --> 01:36:25,080

want the benefits there's a reason why I

2288

01:36:28,910 --> 01:36:26,460

need like I wait like eight months for a

2289

01:36:30,709 --> 01:36:28,920

colonoscopy because everyone just needs

2290

01:36:32,209 --> 01:36:30,719

the benefits from the VA let's all just

2291

01:36:34,850 --> 01:36:32,219

like bleed them

2292

01:36:37,129 --> 01:36:34,860

and and that I just recognize a pattern

2293

01:36:38,689 --> 01:36:37,139

a person that is like that and it cut to

2294

01:36:41,330 --> 01:36:38,699

me real deep and I really never really

2295

01:36:42,649 --> 01:36:41,340

looked at Sean ever since then uh even

2296

01:36:44,030 --> 01:36:42,659

when like you know my co-host was

2297

01:36:45,350 --> 01:36:44,040

talking to Lou and those guys I just

2298

01:36:46,850 --> 01:36:45,360

ever I think about that all the time

2299

01:36:49,490 --> 01:36:46,860

like I forever called those people

2300

01:36:51,830 --> 01:36:49,500

excuse my language bags we were

2301

01:36:54,290 --> 01:36:51,840

just like those people were the

2302

01:36:56,990 --> 01:36:54,300

bad guys like they they didn't care they

2303

01:36:59,930 --> 01:36:57,000

just it and everything's breaking

2304

01:37:00,950 --> 01:36:59,940

up on my end here oh sorry shut

2305

01:37:04,430 --> 01:37:00,960

everything down probably go to

2306

01:37:07,189 --> 01:37:04,440

Columbia's to shut down like

2307

01:37:09,770 --> 01:37:07,199

yeah I'm sorry about that and welcome

2308

01:37:14,090 --> 01:37:09,780

Dave Scott

2309

01:37:17,810 --> 01:37:14,100

thank you for having me and uh okay

2310

01:37:20,990 --> 01:37:17,820

I can can you hear me freezing yeah

2311

01:37:24,169 --> 01:37:21,000

there we go yeah yeah one

2312

01:37:28,729 --> 01:37:27,050

good how's it going

2313

01:37:32,270 --> 01:37:28,739

good how you doing

2314

01:37:35,450 --> 01:37:32,280

I'm Dave Hold up hold on one second I'm

2315

01:37:37,129 --> 01:37:35,460

just gonna refresh my screen here so if

2316

01:37:47,050 --> 01:37:37,139

I bounce out for a second it'll only be

2317

01:37:47,060 --> 01:37:50,750

What's Happening Here

2318

01:37:56,629 --> 01:37:53,990

there we go uh oh I'm freezing now

2319

01:38:02,870 --> 01:37:59,930

I tried to switch over to a DLS a DSLR

2320

01:38:04,729 --> 01:38:02,880

camera as my GoPro of my uh it's my main

2321

01:38:06,590 --> 01:38:04,739

thing and I forgot to take it off the uh

2322

01:38:08,689 --> 01:38:06,600

every like five minutes it goes to like

2323

01:38:10,610 --> 01:38:08,699

auto shut off so it just goes like

2324

01:38:14,390 --> 01:38:10,620

probably so welcome Dave Scott I think

2325

01:38:15,649 --> 01:38:14,400

we're we're uh we're unstuck good to see

2326

01:38:22,669 --> 01:38:15,659

you

2327

01:38:25,010 --> 01:38:22,679

perspective and I think that's good like

2328

01:38:28,550 --> 01:38:25,020

what do you think of this whole thing

2329

01:38:30,350 --> 01:38:28,560

well for me I saw that video

2330

01:38:33,350 --> 01:38:30,360

just around a year ago it'll be a year

2331

01:38:34,910 --> 01:38:33,360

next month when uh aware that it was it

2332

01:38:38,629 --> 01:38:34,920

was first said when they released it

2333

01:38:41,750 --> 01:38:38,639

that it was taken recently no yeah that

2334

01:38:44,629 --> 01:38:41,760

was from the right person after you and

2335

01:38:48,050 --> 01:38:44,639

I talked earlier today I read that post

2336

01:38:48,770 --> 01:38:48,060

and uh you know I

2337

01:38:51,290 --> 01:38:48,780

um

2338

01:38:52,189 --> 01:38:51,300

just for the record I I don't speak with

2339

01:38:58,250 --> 01:38:52,199

Sean

2340

01:39:01,250 --> 01:38:58,260

probably nine ten months

2341

01:39:03,830 --> 01:39:01,260

um but that's okay I still

2342

01:39:06,590 --> 01:39:03,840

um admire him and and have respect for

2343

01:39:10,010 --> 01:39:06,600

him uh but just we had different ideas

2344

01:39:13,189 --> 01:39:10,020

on things and we we just kind of uh went

2345

01:39:15,649 --> 01:39:13,199

our separate ways but uh I I do want to

2346

01:39:18,530 --> 01:39:15,659

say that I had um

2347

01:39:20,090 --> 01:39:18,540

I had seen the video in Las Vegas last

2348

01:39:21,229 --> 01:39:20,100

year him and I were having a private

2349

01:39:25,310 --> 01:39:21,239

conversation

2350

01:39:26,330 --> 01:39:25,320

and he showed me the video uh at the

2351

01:39:28,250 --> 01:39:26,340

time

2352

01:39:31,129 --> 01:39:28,260

um he asked me to keep our conversation

2353

01:39:32,510 --> 01:39:31,139

quiet which I will still do today you

2354

01:39:34,310 --> 01:39:32,520

know because

2355

01:39:36,050 --> 01:39:34,320

it was off the Record that he was

2356

01:39:39,010 --> 01:39:36,060

showing it to me I understand that you

2357

01:39:42,470 --> 01:39:39,020

can't you can't betray that I promise

2358

01:39:44,930 --> 01:39:42,480

a little bit more reasoning to it I

2359

01:39:48,290 --> 01:39:44,940

think uh but that's Sean's story to tell

2360

01:39:51,770 --> 01:39:48,300

if he chooses to tell it you know but I

2361

01:39:55,729 --> 01:39:51,780

did see the the video a year ago in um

2362

01:39:57,649 --> 01:39:55,739

in Las Vegas and uh at that time I can

2363

01:40:01,189 --> 01:39:57,659

say this now because he put it out there

2364

01:40:04,370 --> 01:40:01,199

that it was taken from

2365

01:40:07,370 --> 01:40:04,380

um it was taken from uh Lou elizondo's

2366

01:40:09,649 --> 01:40:07,380

porch Lou was inside the house uh when

2367

01:40:12,410 --> 01:40:09,659

this happened it was a morning time and

2368

01:40:14,570 --> 01:40:12,420

uh Sean ended up going outside looking

2369

01:40:17,450 --> 01:40:14,580

towards the mountains and and all of a

2370

01:40:18,530 --> 01:40:17,460

sudden he saw the object and started

2371

01:40:22,490 --> 01:40:18,540

filming

2372

01:40:24,350 --> 01:40:22,500

so that's right that's what I can say

2373

01:40:27,550 --> 01:40:24,360

Okay and like he left out he was

2374

01:40:32,030 --> 01:40:30,410

he was probably meditating yeah I

2375

01:40:33,890 --> 01:40:32,040

apologize there's nothing wrong with

2376

01:40:35,510 --> 01:40:33,900

meditating no I know but then if he sees

2377

01:40:38,510 --> 01:40:35,520

the plane right after he's doing the

2378

01:40:41,330 --> 01:40:38,520

work the C5 stuff what do you think you

2379

01:40:44,209 --> 01:40:41,340

know what if that was the case

2380

01:40:46,250 --> 01:40:44,219

it opens up a lot of it opens up a lot

2381

01:40:48,709 --> 01:40:46,260

of doors that a lot of people don't

2382

01:40:51,470 --> 01:40:48,719

believe or in regards to summoning UFOs

2383

01:40:53,689 --> 01:40:51,480

or or whatever if that's in indeed what

2384

01:40:58,310 --> 01:40:53,699

it was and

2385

01:41:00,890 --> 01:40:58,320

um and it's uh it's something that

2386

01:41:03,669 --> 01:41:00,900

um that's that's Sean's story to tell

2387

01:41:07,490 --> 01:41:03,679

it's not my story to tell

2388

01:41:09,470 --> 01:41:07,500

and it's something that you know I I

2389

01:41:11,950 --> 01:41:09,480

hate to be I hate being the guy right

2390

01:41:14,570 --> 01:41:11,960

now Steve who has to walk the Fine Line

2391

01:41:17,209 --> 01:41:14,580

you know I know I get that but listen

2392

01:41:19,129 --> 01:41:17,219

come on you you can be honest like don't

2393

01:41:23,209 --> 01:41:19,139

you think it's deceptive to put this out

2394

01:41:28,189 --> 01:41:23,219

with no audio no context no location

2395

01:41:31,550 --> 01:41:30,229

um I think he should have I think he

2396

01:41:33,830 --> 01:41:31,560

should have put out a little bit more

2397

01:41:36,770 --> 01:41:33,840

context I haven't seen the interview

2398

01:41:38,810 --> 01:41:36,780

I mean this all came down last night and

2399

01:41:40,790 --> 01:41:38,820

when I saw it finally released I kind of

2400

01:41:43,070 --> 01:41:40,800

I kind of chuckled to myself and went

2401  
01:41:44,209 --> 01:41:43,080  
wow he told me he was never going to

2402  
01:41:46,010 --> 01:41:44,219  
release that

2403  
01:41:49,310 --> 01:41:46,020  
you know and I was actually quite

2404  
01:41:51,290 --> 01:41:49,320  
surprised that he did you know he knew

2405  
01:41:54,169 --> 01:41:51,300  
the barrage was coming whether it was

2406  
01:41:56,810 --> 01:41:54,179  
from you know the twit UFO Twitter

2407  
01:41:59,570 --> 01:41:56,820  
whether it was from podcast host whether

2408  
01:42:01,750 --> 01:41:59,580  
it was from uh Green Street or or

2409  
01:42:05,629 --> 01:42:01,760  
whoever he knew it was coming

2410  
01:42:08,030 --> 01:42:05,639  
and uh and he knew that it would cause a

2411  
01:42:10,070 --> 01:42:08,040  
lot of backlash and the one thing I do

2412  
01:42:11,030 --> 01:42:10,080  
know about Sean is Sean really doesn't

2413  
01:42:13,550 --> 01:42:11,040

care

2414

01:42:16,129 --> 01:42:13,560

right he's he's into his own thing he

2415

01:42:19,510 --> 01:42:16,139

does his own he does his own projects

2416

01:42:22,250 --> 01:42:19,520

and you know he's not a fan of ufology

2417

01:42:25,490 --> 01:42:22,260

and I don't think he pays a lot of

2418

01:42:32,169 --> 01:42:25,500

attention to the negative conversations

2419

01:42:36,830 --> 01:42:34,310

yeah I mean I guess I can understand

2420

01:42:38,570 --> 01:42:36,840

that but it just seemed to me to be that

2421

01:42:40,790 --> 01:42:38,580

there's a lot of layers of deception

2422

01:42:43,910 --> 01:42:40,800

here whether it was intentional you know

2423

01:42:45,050 --> 01:42:43,920

and and listen uh because Dave is right

2424

01:42:48,530 --> 01:42:45,060

like maybe I should give him the benefit

2425

01:42:50,750 --> 01:42:48,540

of the day out and uh you know he none

2426

01:42:53,570 --> 01:42:50,760

of this was intentional but it looks

2427

01:42:56,390 --> 01:42:53,580

intentional but I'm I'm just a

2428

01:42:59,030 --> 01:42:56,400

suspicious person by nature and then to

2429

01:43:00,830 --> 01:42:59,040

say that there's no fly zone uh several

2430

01:43:04,250 --> 01:43:00,840

people have found and commented that

2431

01:43:07,430 --> 01:43:04,260

there's a a big airport right near uh

2432

01:43:10,189 --> 01:43:07,440

this home of Luis Elizondo that puts his

2433

01:43:13,010 --> 01:43:10,199

home right in the flight path of a of a

2434

01:43:16,070 --> 01:43:13,020

major airport so to say that it's a

2435

01:43:18,830 --> 01:43:16,080

no-fly area or no-fly zone is very

2436

01:43:21,290 --> 01:43:18,840

deceptive or he's just incredibly

2437

01:43:23,689 --> 01:43:21,300

misinformed which is equally troubling

2438

01:43:25,910 --> 01:43:23,699

to me because remember him and Luis

2439

01:43:28,669 --> 01:43:25,920

Alexander are supposed to be UFO experts

2440

01:43:30,830 --> 01:43:28,679

that would be one thing you check is

2441

01:43:33,590 --> 01:43:30,840

this an ordinary Earthly object is this

2442

01:43:35,689 --> 01:43:33,600

an airplane and he said he did but we

2443

01:43:37,310 --> 01:43:35,699

have no proof that he did

2444

01:43:38,450 --> 01:43:37,320

but we don't have any proof that he

2445

01:43:41,149 --> 01:43:38,460

didn't

2446

01:43:42,830 --> 01:43:41,159

right we don't know here's the thing we

2447

01:43:45,109 --> 01:43:42,840

don't know

2448

01:43:48,050 --> 01:43:45,119

if he submitted that video to anyone if

2449

01:43:50,570 --> 01:43:48,060

he submitted it to to whatever the

2450

01:43:52,189 --> 01:43:50,580

acronym is now I mean now we're using

2451

01:43:55,669 --> 01:43:52,199

Arrow but back then it could have been a

2452

01:43:57,290 --> 01:43:55,679

tip it could have been uh uaptf I I

2453

01:43:58,310 --> 01:43:57,300

don't want to defend the guy because I

2454

01:44:01,250 --> 01:43:58,320

don't know

2455

01:44:03,410 --> 01:44:01,260

but on the flip side it does you know my

2456

01:44:06,830 --> 01:44:03,420

question is why release it now

2457

01:44:09,050 --> 01:44:06,840

why why do that why be secretive that it

2458

01:44:12,169 --> 01:44:09,060

was that well Steve he's got UFO

2459

01:44:15,350 --> 01:44:12,179

conference appearances coming up

2460

01:44:17,090 --> 01:44:15,360

could be why release it now you know and

2461

01:44:19,370 --> 01:44:17,100

and uh no but I'm glad you're here

2462

01:44:22,310 --> 01:44:19,380

because you know I sometimes I feel like

2463

01:44:24,430 --> 01:44:22,320

we just we're we're not fair enough and

2464

01:44:27,350 --> 01:44:24,440

maybe we should we should have this

2465

01:44:29,030 --> 01:44:27,360

voice and reason and be the fair one and

2466

01:44:31,490 --> 01:44:29,040

say give them the benefit of this down

2467

01:44:34,070 --> 01:44:31,500

and by the way I invited him here but I

2468

01:44:36,109 --> 01:44:34,080

guess you know I I know he's if he's a

2469

01:44:37,669 --> 01:44:36,119

busy guy or whatever I would love to

2470

01:44:39,890 --> 01:44:37,679

hear the story of how he filmed it and

2471

01:44:43,609 --> 01:44:39,900

how he believes that's not an ordinary

2472

01:44:45,770 --> 01:44:43,619

Earthly object you know and see the data

2473

01:44:47,930 --> 01:44:45,780

I want to see the data show me the the

2474

01:44:49,370 --> 01:44:47,940

metadata on the original video so I know

2475

01:44:52,070 --> 01:44:49,380

that the date and time are correct and

2476

01:44:54,590 --> 01:44:52,080

I'll check the flight radar data

2477

01:44:56,629 --> 01:44:54,600

yeah let me check the audio of the of

2478

01:44:59,450 --> 01:44:56,639

the video Someone suggested that they he

2479

01:45:01,430 --> 01:44:59,460

didn't want anybody to hear Lou Elizondo

2480

01:45:03,229 --> 01:45:01,440

talking on the video so he muted the

2481

01:45:05,330 --> 01:45:03,239

audio that's a possibility too like

2482

01:45:08,149 --> 01:45:05,340

there's just too many possibilities for

2483

01:45:10,250 --> 01:45:08,159

deception in my view here and you know

2484

01:45:11,990 --> 01:45:10,260

if you want transparency and I always

2485

01:45:14,270 --> 01:45:12,000

think it's funny like you want

2486

01:45:16,850 --> 01:45:14,280

disclosure but you won't disclose to us

2487

01:45:18,830 --> 01:45:16,860

the time date location you just put this

2488

01:45:21,770 --> 01:45:18,840

out and talk in vague terms about Tic

2489

01:45:25,370 --> 01:45:21,780

Tac UFOs over it with a

2490

01:45:27,470 --> 01:45:25,380

brand new show host you know which I

2491

01:45:28,729 --> 01:45:27,480

think is a new mouthpiece for them we'll

2492

01:45:30,350 --> 01:45:28,739

see

2493

01:45:33,290 --> 01:45:30,360

yeah I mean

2494

01:45:37,370 --> 01:45:33,300

hey I make no bones about it I I give

2495

01:45:39,050 --> 01:45:37,380

the as an experimenter Steve uh I I try

2496

01:45:42,350 --> 01:45:39,060

and give the benefit of the doubt to the

2497

01:45:45,050 --> 01:45:42,360

experimenter I really do uh no I know

2498

01:45:49,070 --> 01:45:45,060

you're you're uh you're a shining

2499

01:45:51,290 --> 01:45:49,080

example of of how I should be more you

2500

01:45:54,350 --> 01:45:51,300

know things I should be more of I will

2501  
01:45:56,629 --> 01:45:54,360  
say that because you know I joke around

2502  
01:45:58,370 --> 01:45:56,639  
and say Wackadoo a lot and stuff but you

2503  
01:46:00,229 --> 01:45:58,380  
know people are having genuine

2504  
01:46:01,490 --> 01:46:00,239  
experiences I should be more respectful

2505  
01:46:05,270 --> 01:46:01,500  
of that

2506  
01:46:08,090 --> 01:46:05,280  
yeah I I need to I need to uh you know

2507  
01:46:10,370 --> 01:46:08,100  
we all need to be skeptical

2508  
01:46:12,709 --> 01:46:10,380  
let's be honest we all need to be

2509  
01:46:15,290 --> 01:46:12,719  
skeptical and and when you're in front

2510  
01:46:17,990 --> 01:46:15,300  
uh I mean your show has a stick has a

2511  
01:46:21,649 --> 01:46:18,000  
stick my show has a stick I mean we all

2512  
01:46:25,010 --> 01:46:21,659  
have a way I heard you described as the

2513  
01:46:27,530 --> 01:46:25,020

conductor of the Wu train oh oh hell

2514

01:46:29,570 --> 01:46:27,540

yeah and then and I didn't and they

2515

01:46:31,669 --> 01:46:29,580

didn't mean that in a negative way they

2516

01:46:33,890 --> 01:46:31,679

mean you're the conductor of the Blue

2517

01:46:36,470 --> 01:46:33,900

Train yeah I don't I don't take that

2518

01:46:38,689 --> 01:46:36,480

negatively you know when when I designed

2519

01:46:40,250 --> 01:46:38,699

spaced out radio

2520

01:46:41,870 --> 01:46:40,260

um and a lot of people may not like it

2521

01:46:45,709 --> 01:46:41,880

if you're not a fan that's that's quite

2522

01:46:48,350 --> 01:46:45,719

okay right but part of my job like when

2523

01:46:50,750 --> 01:46:48,360

I designed spaced out radio what I

2524

01:46:54,290 --> 01:46:50,760

really missed Steve was I missed that

2525

01:46:56,390 --> 01:46:54,300

late night Art Bell type sound me too I

2526

01:46:58,729 --> 01:46:56,400

had the Midnight Hour show strange

2527

01:47:01,129 --> 01:46:58,739

nothing's fired yeah yeah of those

2528

01:47:02,930 --> 01:47:01,139

strange silly stories I mean who can't

2529

01:47:05,990 --> 01:47:02,940

who can't forget I mean we can all

2530

01:47:09,470 --> 01:47:06,000

remember the the sounds of Hell from

2531

01:47:12,590 --> 01:47:09,480

Russia or uh or the guy allegedly flying

2532

01:47:15,770 --> 01:47:12,600

into Area 51 which we know is a hoax you

2533

01:47:18,350 --> 01:47:15,780

know and you know and I kind of wanted

2534

01:47:21,050 --> 01:47:18,360

to because I I was trending more towards

2535

01:47:22,970 --> 01:47:21,060

terrestrial radio with the show I I

2536

01:47:25,790 --> 01:47:22,980

really wanted to kind of take it down

2537

01:47:27,950 --> 01:47:25,800

that road a little bit more you know as

2538

01:47:31,129 --> 01:47:27,960

an experienter if I put my experiencers

2539

01:47:33,830 --> 01:47:31,139

hat on it's more of

2540

01:47:35,390 --> 01:47:33,840

a selfishness where I just want to find

2541

01:47:38,390 --> 01:47:35,400

out what happened to me

2542

01:47:40,729 --> 01:47:38,400

yeah I think a lot of us have that I you

2543

01:47:42,470 --> 01:47:40,739

know if if the government came around to

2544

01:47:43,910 --> 01:47:42,480

me tomorrow and said we'll show you

2545

01:47:44,750 --> 01:47:43,920

we'll give you all the answers that you

2546

01:47:47,870 --> 01:47:44,760

want

2547

01:47:49,850 --> 01:47:47,880

we'll pay off your mortgage and uh and

2548

01:47:51,649 --> 01:47:49,860

you're going to take 2 billion for you

2549

01:47:53,990 --> 01:47:51,659

is that what you're saying because well

2550

01:47:56,209 --> 01:47:54,000

hey if I had your money or turn down

2551

01:47:59,090 --> 01:47:56,219

that two billion you know

2552

01:48:01,970 --> 01:47:59,100

if I if I if I had your money I'd have a

2553

01:48:06,229 --> 01:48:04,430

I think uh there's though there is this

2554

01:48:08,990 --> 01:48:06,239

this idea that

2555

01:48:10,970 --> 01:48:09,000

the experimenter in a whole as a

2556

01:48:14,330 --> 01:48:10,980

community I guess you could say somehow

2557

01:48:15,350 --> 01:48:14,340

feels their best bet is to put their

2558

01:48:18,950 --> 01:48:15,360

chips

2559

01:48:22,250 --> 01:48:18,960

or put their uh their belief in in

2560

01:48:23,990 --> 01:48:22,260

anyone driving something into in the

2561

01:48:25,550 --> 01:48:24,000

government or pushing a narrative like a

2562

01:48:30,169 --> 01:48:25,560

disclosure narrative

2563

01:48:32,270 --> 01:48:30,179

hmm and in doing so their hopes are like

2564

01:48:34,669 --> 01:48:32,280

almost uh

2565

01:48:36,649 --> 01:48:34,679

uh or or like their skeptical eye is

2566

01:48:40,129 --> 01:48:36,659

kind of nullified because they'll ignore

2567

01:48:43,129 --> 01:48:40,139

evidence like UAP being balloons UAP

2568

01:48:45,530 --> 01:48:43,139

being drones UAP being radar reflectors

2569

01:48:48,109 --> 01:48:45,540

or ecms and stuff like that and and when

2570

01:48:50,629 --> 01:48:48,119

that happens so often

2571

01:48:52,790 --> 01:48:50,639

and and you try to let the quote-unquote

2572

01:48:55,970 --> 01:48:52,800

experience or know it's like so like

2573

01:48:57,830 --> 01:48:55,980

every time excuse me every time uh that

2574

01:48:59,270 --> 01:48:57,840

they're they've misidentified things and

2575

01:49:00,830 --> 01:48:59,280

they're putting their faith in something

2576

01:49:01,910 --> 01:49:00,840

that probably isn't talking about the

2577

01:49:03,649 --> 01:49:01,920

same thing they're talking about and

2578

01:49:05,689 --> 01:49:03,659

they ignore it you see that there's

2579

01:49:07,149 --> 01:49:05,699

something clearly happening

2580

01:49:09,590 --> 01:49:07,159

that that

2581

01:49:12,290 --> 01:49:09,600

really isn't

2582

01:49:14,570 --> 01:49:12,300

about aliens one day or about anything

2583

01:49:16,550 --> 01:49:14,580

or whatever the phenomena is being it is

2584

01:49:18,370 --> 01:49:16,560

it's the military and the intelligence

2585

01:49:20,870 --> 01:49:18,380

communities are clearly using these

2586

01:49:24,649 --> 01:49:20,880

initialisms for something very different

2587

01:49:26,090 --> 01:49:24,659

so I always wonder why I always wonder

2588

01:49:28,430 --> 01:49:26,100

why

2589

01:49:30,830 --> 01:49:28,440

the experience or Community because I

2590

01:49:32,330 --> 01:49:30,840

myself have reported and you know openly

2591

01:49:33,410 --> 01:49:32,340

lost my objectivity and a lot of things

2592

01:49:34,850 --> 01:49:33,420

I've said all the weird stuff that's

2593

01:49:37,370 --> 01:49:34,860

happened to me I've thoroughly tried to

2594

01:49:39,709 --> 01:49:37,380

debunk I couldn't but I I like how is a

2595

01:49:41,870 --> 01:49:39,719

DJI mavic out of a fishing vessel

2596

01:49:44,629 --> 01:49:41,880

related

2597

01:49:45,950 --> 01:49:44,639

to like experiences or whatever and why

2598

01:49:48,109 --> 01:49:45,960

would anyone keep putting their support

2599

01:49:49,910 --> 01:49:48,119

in people that would push cases like

2600

01:49:52,910 --> 01:49:49,920

swarming of the Navy and stuff like that

2601  
01:49:54,290 --> 01:49:52,920  
as alien when it wasn't or the increased

2602  
01:49:55,609 --> 01:49:54,300  
incursions as like they're trying to

2603  
01:49:57,709 --> 01:49:55,619  
make their presence known they weren't

2604  
01:50:00,290 --> 01:49:57,719  
they were they were using cases that led

2605  
01:50:03,490 --> 01:50:00,300  
that were debunked and it's the same 90

2606  
01:50:06,050 --> 01:50:03,500  
90 of all these cases are misidentified

2607  
01:50:07,310 --> 01:50:06,060  
prosaic answers

2608  
01:50:09,169 --> 01:50:07,320  
um you know and that's really never

2609  
01:50:11,270 --> 01:50:09,179  
changed we still are at the same thing

2610  
01:50:13,010 --> 01:50:11,280  
and so I wonder like why what's the

2611  
01:50:15,050 --> 01:50:13,020  
connection what what why would you why

2612  
01:50:18,950 --> 01:50:15,060  
would anyone

2613  
01:50:21,649 --> 01:50:18,960

well I I think if I may answer I I think

2614

01:50:24,050 --> 01:50:21,659

at least in my opinion I have really

2615

01:50:26,750 --> 01:50:24,060

tried to draw especially over like the

2616

01:50:31,129 --> 01:50:26,760

last six seven months I've really tried

2617

01:50:34,490 --> 01:50:31,139

to draw a line between UAP and UFOs I I

2618

01:50:36,649 --> 01:50:34,500

don't use the term UAP yeah we talked

2619

01:50:38,750 --> 01:50:36,659

about that earlier I don't like that CIA

2620

01:50:40,729 --> 01:50:38,760

term I don't want to use it anymore I

2621

01:50:43,790 --> 01:50:40,739

agree with you yeah and and that's all

2622

01:50:45,530 --> 01:50:43,800

it's done is UAP to me is about the

2623

01:50:48,410 --> 01:50:45,540

narrative it's the government narrative

2624

01:50:51,229 --> 01:50:48,420

it's like disclosure I I try not to use

2625

01:50:53,570 --> 01:50:51,239

the word disclosure anymore because to

2626  
01:50:56,750 --> 01:50:53,580  
Me Disclosure means you're opening up

2627  
01:50:58,250 --> 01:50:56,760  
that Pandora's box of UFO stories and

2628  
01:51:01,010 --> 01:50:58,260  
information that you don't want to

2629  
01:51:03,470 --> 01:51:01,020  
release to us so therefore we're at a

2630  
01:51:06,350 --> 01:51:03,480  
confirmation movement we're not in a

2631  
01:51:10,370 --> 01:51:06,360  
disclosure movement and I've really

2632  
01:51:13,729 --> 01:51:10,380  
tried to be steadfast on that uh on both

2633  
01:51:15,229 --> 01:51:13,739  
terms and I think you're right uh in

2634  
01:51:17,930 --> 01:51:15,239  
regards to that you know there's there's

2635  
01:51:20,330 --> 01:51:17,940  
a lot of a lot of people who are are

2636  
01:51:22,609 --> 01:51:20,340  
willing to accept anything that they

2637  
01:51:25,010 --> 01:51:22,619  
feel moves the ball forward I don't

2638  
01:51:27,169 --> 01:51:25,020

agree with that I was never a fan of

2639

01:51:29,209 --> 01:51:27,179

through the Stars Academy right from the

2640

01:51:31,550 --> 01:51:29,219

beginning when I was the first one to

2641

01:51:34,570 --> 01:51:31,560

point out about the pressless press

2642

01:51:39,890 --> 01:51:34,580

conference that they had

2643

01:51:45,109 --> 01:51:41,990

you go look on their website and the

2644

01:51:46,910 --> 01:51:45,119

word UFO or UAP was nowhere to be found

2645

01:51:49,550 --> 01:51:46,920

and yet we're supposed to be trusting

2646

01:51:53,390 --> 01:51:49,560

these guys with disclosure

2647

01:51:56,570 --> 01:51:53,400

and I I have always maintained that and

2648

01:51:59,709 --> 01:51:56,580

you know it's it's a difficult time we

2649

01:52:02,810 --> 01:51:59,719

have to be able to be uh skeptical

2650

01:52:05,510 --> 01:52:02,820

regarding this subject but on the flip

2651  
01:52:08,270 --> 01:52:05,520  
side I think our skepticism sometimes

2652  
01:52:10,370 --> 01:52:08,280  
goes a little too far that if you had

2653  
01:52:13,070 --> 01:52:10,380  
the Smoking Gun video where I had the

2654  
01:52:16,250 --> 01:52:13,080  
Smoking Gun video of a UFO would you

2655  
01:52:22,609 --> 01:52:20,090  
I I would I would I would just coming

2656  
01:52:24,890 --> 01:52:22,619  
I don't know if I would especially if it

2657  
01:52:27,050 --> 01:52:24,900  
displayed the five observables we hear

2658  
01:52:29,870 --> 01:52:27,060  
that term all the time and I would ask

2659  
01:52:32,990 --> 01:52:29,880  
like really where in this video did we

2660  
01:52:35,450 --> 01:52:33,000  
see any of the five observables why is

2661  
01:52:37,669 --> 01:52:35,460  
this video even important or yeah we're

2662  
01:52:39,950 --> 01:52:37,679  
a thing you know yeah personally I'm not

2663  
01:52:41,750 --> 01:52:39,960

a five observables kind of guy

2664

01:52:44,629 --> 01:52:41,760

I really am not what do you what do you

2665

01:52:47,090 --> 01:52:44,639

uh I don't know about the whole final

2666

01:52:49,149 --> 01:52:47,100

observables thing but the song sucks

2667

01:52:52,910 --> 01:52:49,159

that's for sure

2668

01:52:56,270 --> 01:52:52,920

no but I guess I guess in one of my

2669

01:52:59,330 --> 01:52:56,280

experiences where I saw you I saw a UFO

2670

01:53:01,330 --> 01:52:59,340

on the ground 150 yards away from me

2671

01:53:04,310 --> 01:53:01,340

and and

2672

01:53:06,649 --> 01:53:04,320

I didn't see any of the five observables

2673

01:53:08,930 --> 01:53:06,659

it's on the ground and when it turned

2674

01:53:10,669 --> 01:53:08,940

its lights off for the final time there

2675

01:53:13,129 --> 01:53:10,679

was no sound we didn't hear it leave

2676  
01:53:16,669 --> 01:53:13,139  
there was no trees moving it was just

2677  
01:53:21,290 --> 01:53:20,450  
right so that's interesting I mean I

2678  
01:53:29,870 --> 01:53:21,300  
don't

2679  
01:53:34,490 --> 01:53:32,169  
yeah I you know

2680  
01:53:36,649 --> 01:53:34,500  
they have the whole list but you know

2681  
01:53:39,410 --> 01:53:36,659  
instantaneous acceleration is one of

2682  
01:53:41,689 --> 01:53:39,420  
them you know and all of these different

2683  
01:53:44,870 --> 01:53:41,699  
qualifiers but the point is if if that's

2684  
01:53:46,550 --> 01:53:44,880  
your big push that these UFOs exhibit

2685  
01:53:48,770 --> 01:53:46,560  
all of these things and then the only

2686  
01:53:51,530 --> 01:53:48,780  
UFOs that you have evidence of don't

2687  
01:53:53,030 --> 01:53:51,540  
exhibit any of them it causing the

2688  
01:53:55,370 --> 01:53:53,040

question your whole their whole

2689

01:53:57,350 --> 01:53:55,380

hypothesis then then and and also well

2690

01:53:59,689 --> 01:53:57,360

then why are you releasing this

2691

01:54:01,609 --> 01:53:59,699

this doesn't display any of those

2692

01:54:03,950 --> 01:54:01,619

observables

2693

01:54:05,510 --> 01:54:03,960

yeah it could be I want to say real

2694

01:54:07,669 --> 01:54:05,520

quick that I apologize for the

2695

01:54:09,410 --> 01:54:07,679

meditation joke I should have said ce5

2696

01:54:12,770 --> 01:54:09,420

to be more specific people are gonna

2697

01:54:14,990 --> 01:54:12,780

remember that actually come on man

2698

01:54:16,550 --> 01:54:15,000

uh yeah I don't I don't know I I don't

2699

01:54:18,590 --> 01:54:16,560

know guys I kind of I've given them

2700

01:54:19,669 --> 01:54:18,600

benefit so long now but I see that the

2701

01:54:21,290 --> 01:54:19,679

connections between all these other

2702

01:54:23,390 --> 01:54:21,300

fellas we like we don't want to give

2703

01:54:26,030 --> 01:54:23,400

maybe some people don't want to give Lou

2704

01:54:28,669 --> 01:54:26,040

azando a chance but they'll hang out

2705

01:54:33,229 --> 01:54:28,679

with and and keep and keep talking about

2706

01:54:35,030 --> 01:54:33,239

uh uh semivan and maybe some people say

2707

01:54:36,830 --> 01:54:35,040

they don't like Jim semi van but they'll

2708

01:54:39,590 --> 01:54:36,840

you know they'll put all their their

2709

01:54:41,270 --> 01:54:39,600

faith in uh and uh someone Jim's hanging

2710

01:54:42,950 --> 01:54:41,280

out with all the time and so then you

2711

01:54:44,450 --> 01:54:42,960

see this thing where it's like it's it's

2712

01:54:46,609 --> 01:54:44,460

all the same people though they're all

2713

01:54:49,129 --> 01:54:46,619

the same this this movement that's taken

2714

01:54:50,870 --> 01:54:49,139

over of of the

2715

01:54:56,570 --> 01:54:50,880

it's

2716

01:54:57,890 --> 01:54:56,580

that I can say that and and everyone

2717

01:55:00,590 --> 01:54:57,900

else should be able to say it as well

2718

01:55:02,810 --> 01:55:00,600

that they have a belief in something

2719

01:55:05,149 --> 01:55:02,820

that is so radically different than the

2720

01:55:07,250 --> 01:55:05,159

classic UFO story that the public knows

2721

01:55:08,689 --> 01:55:07,260

but they're using that narrative even

2722

01:55:11,030 --> 01:55:08,699

though they're not using UFO they're

2723

01:55:12,709 --> 01:55:11,040

using a very intelligence term uh

2724

01:55:14,750 --> 01:55:12,719

Military Intelligence term but it's it's

2725

01:55:17,570 --> 01:55:14,760

clear and I I don't think that's cool

2726

01:55:19,189 --> 01:55:17,580

because Melinda Leslie and Tom DeLong

2727

01:55:21,530 --> 01:55:19,199

out in the desert posting videos of

2728

01:55:23,149 --> 01:55:21,540

their capture just recently they they

2729

01:55:25,010 --> 01:55:23,159

literally put up satellites that people

2730

01:55:28,070 --> 01:55:25,020

were able to match up

2731

01:55:29,810 --> 01:55:28,080

Point like like literally the satellite

2732

01:55:32,990 --> 01:55:29,820

and the direction was flying in a matter

2733

01:55:35,149 --> 01:55:33,000

of moments after their post and and of

2734

01:55:36,290 --> 01:55:35,159

and of course that's this that's some of

2735

01:55:39,169 --> 01:55:36,300

the more special stuff that they're

2736

01:55:41,090 --> 01:55:39,179

capturing as as they said and and it's

2737

01:55:43,550 --> 01:55:41,100

in not to like just specifically call

2738

01:55:45,290 --> 01:55:43,560

Melinda out or Tom out but but it's that

2739

01:55:47,689 --> 01:55:45,300

it's that same community in that same

2740

01:55:49,729 --> 01:55:47,699

type of belief if they've just attached

2741

01:55:51,350 --> 01:55:49,739

themselves credibility by proximity and

2742

01:55:54,830 --> 01:55:51,360

taking videos of ambiguous things in the

2743

01:55:56,149 --> 01:55:54,840

sky uh uh is is what goes for you know

2744

01:55:58,070 --> 01:55:56,159

quality stuff around here I think we're

2745

01:56:00,470 --> 01:55:58,080

in a whole lot of trouble and it's not

2746

01:56:01,550 --> 01:56:00,480

we're not more credible than ever we're

2747

01:56:04,550 --> 01:56:01,560

in fact

2748

01:56:06,470 --> 01:56:04,560

like I don't even know we literally have

2749

01:56:07,970 --> 01:56:06,480

people celebrating recording satellites

2750

01:56:09,830 --> 01:56:07,980

and they got all the money the long

2751  
01:56:11,750 --> 01:56:09,840  
doesn't know the difference between fake

2752  
01:56:13,370 --> 01:56:11,760  
things and real things like or things

2753  
01:56:16,609 --> 01:56:13,380  
that are important he's showing Joe

2754  
01:56:17,689 --> 01:56:16,619  
Rogan like fake tr3b videos he's posting

2755  
01:56:20,390 --> 01:56:17,699  
fake

2756  
01:56:22,790 --> 01:56:20,400  
you know long debunk things he's posting

2757  
01:56:24,290 --> 01:56:22,800  
satellites as something extraordinary or

2758  
01:56:27,410 --> 01:56:24,300  
motherships

2759  
01:56:28,970 --> 01:56:27,420  
you know it's just disappointing

2760  
01:56:31,129 --> 01:56:28,980  
especially if this is supposed to be the

2761  
01:56:33,950 --> 01:56:31,139  
top of the food chain here you know

2762  
01:56:35,350 --> 01:56:33,960  
because I have that cabin and I I see

2763  
01:56:37,729 --> 01:56:35,360

things all the time and then

2764

01:56:39,470 --> 01:56:37,739

occasionally I get a little excited and

2765

01:56:42,770 --> 01:56:39,480

then I have the satellite tracking app

2766

01:56:43,490 --> 01:56:42,780

right next to me and then I go uh you

2767

01:56:47,810 --> 01:56:43,500

know

2768

01:56:49,910 --> 01:56:47,820

better I have a new telescope now that

2769

01:56:52,430 --> 01:56:49,920

allows photos and videos that's very

2770

01:56:56,570 --> 01:56:52,440

very good so now at least I'll get

2771

01:56:59,209 --> 01:56:56,580

close-up images of uh satellites Maybe

2772

01:57:00,770 --> 01:56:59,219

could be and I hope you do

2773

01:57:04,370 --> 01:57:00,780

I hope you do

2774

01:57:05,689 --> 01:57:04,380

right and uh I I do have to cut out in a

2775

01:57:09,169 --> 01:57:05,699

couple minutes because I have to start

2776  
01:57:11,689 --> 01:57:09,179  
prepping for my show but you know I mean

2777  
01:57:14,089 --> 01:57:11,699  
as long as I I guess what I'm saying is

2778  
01:57:16,490 --> 01:57:14,099  
I in my opinion I just try to keep the

2779  
01:57:19,850 --> 01:57:16,500  
door open I want to keep that door open

2780  
01:57:21,370 --> 01:57:19,860  
for just in case you know I and but I do

2781  
01:57:23,689 --> 01:57:21,380  
understand where

2782  
01:57:26,510 --> 01:57:23,699  
and trust me when I say this I do

2783  
01:57:27,530 --> 01:57:26,520  
understand the frustration that a lot of

2784  
01:57:30,589 --> 01:57:27,540  
people have

2785  
01:57:32,330 --> 01:57:30,599  
okay we've heard the same stories with

2786  
01:57:34,550 --> 01:57:32,340  
the same evidence it's like the Bigfoot

2787  
01:57:36,910 --> 01:57:34,560  
crowd where you get sent an ultimate

2788  
01:57:39,709 --> 01:57:36,920

blurry picture

2789

01:57:42,470 --> 01:57:39,719

crowd is a good example yeah and all I

2790

01:57:45,050 --> 01:57:42,480

see is pixelation I'm like yeah

2791

01:57:47,450 --> 01:57:45,060

and I understand where people are pissed

2792

01:57:50,270 --> 01:57:47,460

off I mean this this community

2793

01:57:52,910 --> 01:57:50,280

especially has had the wool pulled over

2794

01:57:55,669 --> 01:57:52,920

their eyes for the last 50 plus years

2795

01:57:57,109 --> 01:57:55,679

okay yeah but was it pulled over our

2796

01:57:59,270 --> 01:57:57,119

eyes by the government or the people

2797

01:58:02,270 --> 01:57:59,280

selling us the aliens

2798

01:58:03,830 --> 01:58:02,280

or both I would say a little bit of both

2799

01:58:05,990 --> 01:58:03,840

yeah a little bit of both see we can

2800

01:58:07,250 --> 01:58:06,000

agree on something big Scott oh I think

2801  
01:58:08,810 --> 01:58:07,260  
it's a big a little bit of both for sure

2802  
01:58:11,209 --> 01:58:08,820  
I think we want we're seeing it happen

2803  
01:58:12,770 --> 01:58:11,219  
right now I think we see Jeremy Corbell

2804  
01:58:14,810 --> 01:58:12,780  
literally get something then he goes

2805  
01:58:16,490 --> 01:58:14,820  
there's no way this is really alien to

2806  
01:58:19,070 --> 01:58:16,500  
turn around and say no it's flying

2807  
01:58:20,209 --> 01:58:19,080  
pyramids I think he's you think it's

2808  
01:58:22,990 --> 01:58:20,219  
happening in front of us like it

2809  
01:58:26,629 --> 01:58:23,000  
happened in 1979 to

2810  
01:58:28,850 --> 01:58:26,639  
1984-ish it's happening again right now

2811  
01:58:30,290 --> 01:58:28,860  
like it happened uh during the X-Files

2812  
01:58:32,089 --> 01:58:30,300  
time when every person with any type of

2813  
01:58:33,830 --> 01:58:32,099

credential came out of the woodwork and

2814

01:58:35,689 --> 01:58:33,840

started crawling towards the disclosure

2815

01:58:38,330 --> 01:58:35,699

movement it's happening right now in

2816

01:58:40,430 --> 01:58:38,340

front of us and everyone that had a

2817

01:58:42,649 --> 01:58:40,440

critical eye has faded away because they

2818

01:58:44,930 --> 01:58:42,659

know better and we're still stuck here

2819

01:58:48,830 --> 01:58:44,940

all talking whatever day 300 episodes of

2820

01:58:51,470 --> 01:58:48,840

my show out I just did where is the damn

2821

01:58:52,850 --> 01:58:51,480

evidence Sean Cahill you've been hanging

2822

01:58:54,890 --> 01:58:52,860

out with Steve I know you're in the chat

2823

01:58:56,750 --> 01:58:54,900

right now where's the evidence buddy

2824

01:58:57,770 --> 01:58:56,760

you've been hanging out with uh Elizondo

2825

01:59:03,950 --> 01:58:57,780

every day

2826

01:59:05,510 --> 01:59:03,960

uh they're uh there there's been it's

2827

01:59:07,070 --> 01:59:05,520

been enough time it's it's been

2828

01:59:10,129 --> 01:59:07,080

ridiculous what is it now five and a

2829

01:59:14,629 --> 01:59:12,410

somebody's asking you won't speak to

2830

01:59:16,790 --> 01:59:14,639

Stephen Green Street

2831

01:59:20,050 --> 01:59:16,800

I never said that

2832

01:59:22,430 --> 01:59:20,060

oh there you go seriously

2833

01:59:25,910 --> 01:59:22,440

on my show before

2834

01:59:27,229 --> 01:59:25,920

he took part one of our panels and I I

2835

01:59:29,870 --> 01:59:27,239

like Steve

2836

01:59:31,669 --> 01:59:29,880

okay yeah I like him too I'm trying like

2837

01:59:35,149 --> 01:59:31,679

everybody you know it's too much

2838

01:59:39,109 --> 01:59:35,159

negativity in this field you know and I

2839

01:59:41,510 --> 01:59:39,119

I try and I try and like every everybody

2840

01:59:44,270 --> 01:59:41,520

you know and I mean that may sound like

2841

01:59:46,189 --> 01:59:44,280

if if me and the conductor of the woo

2842

01:59:49,790 --> 01:59:46,199

train can get along then that should be

2843

01:59:51,470 --> 01:59:49,800

a shining example like you know you and

2844

01:59:52,970 --> 01:59:51,480

I are fine like we're fine just so

2845

01:59:54,649 --> 01:59:52,980

everybody knows because I hear a lot of

2846

01:59:56,330 --> 01:59:54,659

rumors sometimes and then you know

2847

01:59:58,609 --> 01:59:56,340

people try to point me at a missile at

2848

02:00:00,589 --> 01:59:58,619

some show hosts they don't like and then

2849

02:00:02,930 --> 02:00:00,599

I go I don't have anything against that

2850

02:00:06,589 --> 02:00:02,940

guy I don't know like you know we're

2851

02:00:08,810 --> 02:00:06,599

fine like but it's we should have more

2852

02:00:11,570 --> 02:00:08,820

conversations where people meet in the

2853

02:00:13,129 --> 02:00:11,580

middle you know somewhere and see what

2854

02:00:16,430 --> 02:00:13,139

we can agree on

2855

02:00:19,609 --> 02:00:16,440

and and instead of just all this

2856

02:00:21,169 --> 02:00:19,619

you know back and forth or the delusion

2857

02:00:22,729 --> 02:00:21,179

bubbles you know it seems like the

2858

02:00:24,410 --> 02:00:22,739

believer side sticks with the believer

2859

02:00:26,930 --> 02:00:24,420

side and the people who are more

2860

02:00:29,810 --> 02:00:26,940

skeptical stay with more skeptical shows

2861

02:00:31,430 --> 02:00:29,820

and um I I don't think that's healthy in

2862

02:00:34,310 --> 02:00:31,440

the long run you know why can't we just

2863

02:00:36,830 --> 02:00:34,320

all talk about it and and come to some

2864

02:00:38,450 --> 02:00:36,840

kind of uh agreement about what's really

2865

02:00:41,870 --> 02:00:38,460

going on

2866

02:00:45,109 --> 02:00:41,880

oh I I fully agree and and uh when I saw

2867

02:00:46,729 --> 02:00:45,119

the invite come in that's why I jumped

2868

02:00:49,609 --> 02:00:46,739

on it and I sent you a message said hey

2869

02:00:51,470 --> 02:00:49,619

man I'm just getting my my son uh

2870

02:00:53,270 --> 02:00:51,480

settled down for the night and I'll I'll

2871

02:00:55,189 --> 02:00:53,280

be right with you and that's why I

2872

02:00:58,609 --> 02:00:55,199

hopped on in because I wanted to make

2873

02:01:00,649 --> 02:00:58,619

sure that that uh I didn't miss an

2874

02:01:03,290 --> 02:01:00,659

opportunity in in chatting with you and

2875

02:01:04,729 --> 02:01:03,300

your audience your audience is yeah hey

2876

02:01:07,430 --> 02:01:04,739

how come we're yours too but somebody

2877

02:01:10,550 --> 02:01:07,440

somebody's never invited me to be a

2878

02:01:11,770 --> 02:01:10,560

guest on his show so you know maybe what

2879

02:01:18,890 --> 02:01:11,780

I'll do

2880

02:01:21,169 --> 02:01:18,900

the panel

2881

02:01:23,629 --> 02:01:21,179

right yeah yeah we'll do that sometime

2882

02:01:26,030 --> 02:01:23,639

sure sure no I'll I'm just saying that

2883

02:01:29,270 --> 02:01:26,040

I'm open to it as well like I'll I would

2884

02:01:30,770 --> 02:01:29,280

go on anybody's show then ask me if they

2885

02:01:32,810 --> 02:01:30,780

were you know like

2886

02:01:34,850 --> 02:01:32,820

it's it's fine I like having those

2887

02:01:37,310 --> 02:01:34,860

conversations especially with with

2888

02:01:38,870 --> 02:01:37,320

people that are have differing views

2889

02:01:40,430 --> 02:01:38,880

because it's pretty boring talking to

2890

02:01:43,850 --> 02:01:40,440

people that you agree with constantly

2891

02:01:46,550 --> 02:01:43,860

you know we try not to here but you know

2892

02:01:49,609 --> 02:01:46,560

what I mean dude oh yeah I you know what

2893

02:01:52,790 --> 02:01:49,619

we'll set that up we'll set that up I I

2894

02:01:55,070 --> 02:01:52,800

would like to bring you on and uh I

2895

02:01:58,970 --> 02:01:55,080

think I think it's it's important that

2896

02:02:00,589 --> 02:01:58,980

you get all points of view right I may

2897

02:02:03,109 --> 02:02:00,599

not agree with you you may not agree

2898

02:02:05,510 --> 02:02:03,119

with me I may not agree with a lot of

2899

02:02:07,490 --> 02:02:05,520

what Stephen Green Street does I you

2900

02:02:09,649 --> 02:02:07,500

know I may agree with what black The

2901  
02:02:10,669 --> 02:02:09,659  
Black Vault does and a lot of people

2902  
02:02:12,890 --> 02:02:10,679  
don't

2903  
02:02:14,629 --> 02:02:12,900  
okay I may agree with the oh yeah

2904  
02:02:17,450 --> 02:02:14,639  
somebody asked what you thought about

2905  
02:02:19,910 --> 02:02:17,460  
that did you see this uh George Knapp is

2906  
02:02:23,629 --> 02:02:19,920  
spreading those rumors about Black Vault

2907  
02:02:26,709 --> 02:02:23,639  
and dildos and stuff and I did read that

2908  
02:02:31,070 --> 02:02:29,030  
I don't show a lot of my own sense of

2909  
02:02:32,629 --> 02:02:31,080  
humor on the show but I'm going to be

2910  
02:02:35,750 --> 02:02:32,639  
honest with you I laughed

2911  
02:02:38,689 --> 02:02:35,760  
I I I I laughed at that I didn't take

2912  
02:02:40,910 --> 02:02:38,699  
that if it was a cheap shot it was a

2913  
02:02:42,649 --> 02:02:40,920

pretty poor one but I mean I think we

2914

02:02:46,070 --> 02:02:42,659

all have to lighten up a little bit and

2915

02:02:48,290 --> 02:02:46,080

just and just let let people Spar every

2916

02:02:51,229 --> 02:02:48,300

now and again

2917

02:02:52,609 --> 02:02:51,239

yeah yeah I stayed out of it I didn't I

2918

02:02:54,350 --> 02:02:52,619

didn't say anything I was going to post

2919

02:02:55,030 --> 02:02:54,360

something but then I was like ah you

2920

02:02:58,490 --> 02:02:55,040

know

2921

02:02:59,629 --> 02:02:58,500

but it is interesting like I I don't

2922

02:03:01,370 --> 02:02:59,639

understand those kind of personal

2923

02:03:04,250 --> 02:03:01,380

attacks though like why don't you attack

2924

02:03:05,450 --> 02:03:04,260

his evidence is it because you can't you

2925

02:03:07,189 --> 02:03:05,460

know like

2926

02:03:09,649 --> 02:03:07,199

some of some people are just

2927

02:03:11,030 --> 02:03:09,659

inconvenient to the Grift in my opinion

2928

02:03:13,430 --> 02:03:11,040

you know

2929

02:03:16,910 --> 02:03:13,440

I just throw it in my grip stop selling

2930

02:03:18,410 --> 02:03:16,920

dildos what I saw dildos what did you

2931

02:03:20,750 --> 02:03:18,420

get this at

2932

02:03:22,669 --> 02:03:20,760

you know so could you could you put

2933

02:03:24,530 --> 02:03:22,679

yourself trying to visualize where nap

2934

02:03:26,870 --> 02:03:24,540

was when he was when he was tweeting

2935

02:03:29,810 --> 02:03:26,880

that I like to pick

2936

02:03:33,050 --> 02:03:29,820

no I shouldn't say

2937

02:03:35,510 --> 02:03:33,060

uh all the time I gotta be careful what

2938

02:03:37,609 --> 02:03:35,520

I'm saying but I can picture maybe

2939

02:03:39,589 --> 02:03:37,619

Jeremy under the influence of something

2940

02:03:41,270 --> 02:03:39,599

about four feet in front of George as

2941

02:03:43,250 --> 02:03:41,280

he's kicked back with his new balances

2942

02:03:45,890 --> 02:03:43,260

on with a cocktail in his hand and

2943

02:03:48,169 --> 02:03:45,900

corbell's pacing back and forth under

2944

02:03:52,430 --> 02:03:48,179

the influences I think we gotta get this

2945

02:03:58,310 --> 02:03:54,470

take this

2946

02:03:59,689 --> 02:03:58,320

think it's kind of funny because he went

2947

02:04:01,669 --> 02:03:59,699

after Danny Silva's obviously a

2948

02:04:03,649 --> 02:04:01,679

stauncher supporter of everything these

2949

02:04:05,570 --> 02:04:03,659

guys are doing so so it's uh he didn't

2950

02:04:07,790 --> 02:04:05,580

go after so much but I do think it's

2951

02:04:11,810 --> 02:04:07,800

kind of telling though that he did use

2952

02:04:14,089 --> 02:04:11,820

uh that that guys that that guy's uh

2953

02:04:16,490 --> 02:04:14,099

meme he made I don't know though is this

2954

02:04:18,169 --> 02:04:16,500

the end of corbels uh corbell's time is

2955

02:04:20,209 --> 02:04:18,179

a credible journalist and now he now

2956

02:04:21,770 --> 02:04:20,219

he's relinquishing his career off to uh

2957

02:04:25,550 --> 02:04:21,780

I'm sorry naps

2958

02:04:28,550 --> 02:04:25,560

uh Empire off to corbel is he at the end

2959

02:04:31,729 --> 02:04:28,560

or is this is this a new core is this a

2960

02:04:33,229 --> 02:04:31,739

new nap I keep mixing them up but I uh I

2961

02:04:36,530 --> 02:04:33,239

think we have to

2962

02:04:38,870 --> 02:04:36,540

um we have to realize that there Jeremy

2963

02:04:40,189 --> 02:04:38,880

Corbell is a Movie Maker he's not a

2964

02:04:43,490 --> 02:04:40,199

journalist

2965

02:04:47,030 --> 02:04:43,500

yeah okay let's let's call a spade a

2966

02:04:50,629 --> 02:04:47,040

spade right there okay Jeremy Corbell is

2967

02:04:52,669 --> 02:04:50,639

not has never been a journalist and and

2968

02:04:56,089 --> 02:04:52,679

there are a lot of people in this field

2969

02:04:58,070 --> 02:04:56,099

people who help run Enigma labs and

2970

02:05:00,010 --> 02:04:58,080

everybody and people like that who have

2971

02:05:04,010 --> 02:05:00,020

self-titled themselves

2972

02:05:06,709 --> 02:05:04,020

and uh and they have uh named themselves

2973

02:05:08,290 --> 02:05:06,719

journalists when they're not uh George I

2974

02:05:11,169 --> 02:05:08,300

mean let's face it George has been at

2975

02:05:15,530 --> 02:05:11,179

klastb for 40 plus years

2976

02:05:17,270 --> 02:05:15,540

and you know the UFO story uh you know

2977

02:05:19,970 --> 02:05:17,280

like there was one comment from Chuck

2978

02:05:23,570 --> 02:05:19,980

bam uh who said that that I'm a fanboy

2979

02:05:25,129 --> 02:05:23,580

of George I I like George now but when

2980

02:05:27,770 --> 02:05:25,139

when you're when you've worked in a

2981

02:05:30,290 --> 02:05:27,780

newsroom like I have and you look at

2982

02:05:32,930 --> 02:05:30,300

other journalists and I'll use George as

2983

02:05:35,330 --> 02:05:32,940

an example here the you we know him for

2984

02:05:38,149 --> 02:05:35,340

the UFO side of the story we don't know

2985

02:05:40,310 --> 02:05:38,159

him for the other stories that he has

2986

02:05:44,450 --> 02:05:40,320

broken in the Las Vegas area whether

2987

02:05:46,550 --> 02:05:44,460

it's about about uh crime or or anything

2988

02:05:49,850 --> 02:05:46,560

along those lines we don't know that

2989

02:05:52,729 --> 02:05:49,860

because we're not in that area but I I

2990

02:05:55,850 --> 02:05:52,739

have a very fun uh uh thought of

2991

02:05:58,189 --> 02:05:55,860

Georgetown outside of the UFO world and

2992

02:06:00,830 --> 02:05:58,199

I think he's done some incredibly good

2993

02:06:03,169 --> 02:06:00,840

uh crime stories and investigative

2994

02:06:05,450 --> 02:06:03,179

journalism into local corruption and

2995

02:06:07,790 --> 02:06:05,460

officials that were corrupt in Las Vegas

2996

02:06:10,070 --> 02:06:07,800

and I admire that kind of courageous

2997

02:06:12,830 --> 02:06:10,080

reporting did you start digging in on

2998

02:06:15,830 --> 02:06:12,840

like you know City officials that are on

2999

02:06:18,350 --> 02:06:15,840

the take or have mob or or they didn't

3000

02:06:20,450 --> 02:06:18,360

go start doing stories on the mob that

3001  
02:06:22,250 --> 02:06:20,460  
takes some balls so I admire and respect

3002  
02:06:25,609 --> 02:06:22,260  
that part of him I just don't like the

3003  
02:06:27,770 --> 02:06:25,619  
uh the LIE bio Mission selling of tales

3004  
02:06:32,450 --> 02:06:27,780  
you know I like to say a specific one

3005  
02:06:36,709 --> 02:06:35,149  
but we only get half of it he leaves out

3006  
02:06:40,189 --> 02:06:36,719  
that he's a convicted pimp fake

3007  
02:06:41,990 --> 02:06:40,199  
scientist you know like that's not good

3008  
02:06:43,310 --> 02:06:42,000  
journalism if you're going to call

3009  
02:06:45,770 --> 02:06:43,320  
yourself a journalist you got to give

3010  
02:06:47,629 --> 02:06:45,780  
everybody all the facts not just the

3011  
02:06:51,050 --> 02:06:47,639  
ones that help sell the story

3012  
02:06:53,750 --> 02:06:51,060  
but if you listen to nap as much as much

3013  
02:06:57,109 --> 02:06:53,760

as he has told the Bible is our story he

3014

02:06:59,510 --> 02:06:57,119

always says he always says if about the

3015

02:07:01,609 --> 02:06:59,520

education he has questions about his

3016

02:07:03,530 --> 02:07:01,619

education or where he works because it's

3017

02:07:04,609 --> 02:07:03,540

fake yeah he has to acknowledge that

3018

02:07:05,629 --> 02:07:04,619

it's fake because you know it's

3019

02:07:08,689 --> 02:07:05,639

ridiculous

3020

02:07:10,790 --> 02:07:08,699

and he uh you know he's and he has just

3021

02:07:13,609 --> 02:07:10,800

gone along with it he's never said that

3022

02:07:17,330 --> 02:07:13,619

he's supported it he hasn't gone like

3023

02:07:20,629 --> 02:07:17,340

Korbel where corbel is has uh you know

3024

02:07:22,910 --> 02:07:20,639

comes they ain't got Bob Lazar is the

3025

02:07:25,609 --> 02:07:22,920

be-all that end all that he is the syrup

3026

02:07:27,410 --> 02:07:25,619

on our pancakes

3027

02:07:29,750 --> 02:07:27,420

yeah but there's a lot of information

3028

02:07:31,790 --> 02:07:29,760

that I'm always disappointed Dave you

3029

02:07:34,490 --> 02:07:31,800

know like I would would be respectful

3030

02:07:36,290 --> 02:07:34,500

but he you know we've broken all this

3031

02:07:37,970 --> 02:07:36,300

stuff here and and shared all this

3032

02:07:40,189 --> 02:07:37,980

information we've gotten on the record

3033

02:07:42,410 --> 02:07:40,199

Area 51 security guard that said Bob

3034

02:07:44,870 --> 02:07:42,420

never stepped foot on the base we've got

3035

02:07:46,790 --> 02:07:44,880

interviews with his former supervisors

3036

02:07:48,410 --> 02:07:46,800

at Los Alamos and they all said he was

3037

02:07:51,169 --> 02:07:48,420

never a scientist there he was a

3038

02:07:55,250 --> 02:07:51,179

technician and now we've got the fact

3039

02:07:56,870 --> 02:07:55,260

that his wife is his first wife was a

3040

02:07:59,149 --> 02:07:56,880

convicted murderer

3041

02:08:00,950 --> 02:07:59,159

uh she got arrested for murdering

3042

02:08:02,390 --> 02:08:00,960

somebody with the Hell's Angels and had

3043

02:08:04,430 --> 02:08:02,400

a deep affiliation with the Hell's

3044

02:08:06,290 --> 02:08:04,440

Angels all these drug arrests for

3045

02:08:09,470 --> 02:08:06,300

methamphetamines and a lifelong drug

3046

02:08:12,530 --> 02:08:09,480

addiction while Bob was supposed to be

3047

02:08:14,629 --> 02:08:12,540

getting a top secret clearance no way on

3048

02:08:15,830 --> 02:08:14,639

Earth would he get a clearance with a

3049

02:08:18,589 --> 02:08:15,840

wife like that

3050

02:08:20,510 --> 02:08:18,599

so here George won't address any of this

3051  
02:08:22,970 --> 02:08:20,520  
stuff he won't talk about any of the any

3052  
02:08:24,470 --> 02:08:22,980  
of this stuff that just in my opinion

3053  
02:08:26,450 --> 02:08:24,480  
destroys the story

3054  
02:08:31,370 --> 02:08:26,460  
so if you look at it the other way

3055  
02:08:34,970 --> 02:08:32,990  
what if you've heard that kind of

3056  
02:08:36,950 --> 02:08:34,980  
explanation before but I think that's a

3057  
02:08:39,530 --> 02:08:36,960  
lot of mental gymnastics and what I

3058  
02:08:42,770 --> 02:08:39,540  
would say is show me one other person

3059  
02:08:44,990 --> 02:08:42,780  
who whose wife had ties to organized

3060  
02:08:46,910 --> 02:08:45,000  
crime that was a convicted murderer and

3061  
02:08:48,530 --> 02:08:46,920  
a lifelong drug addict that got a top

3062  
02:08:52,189 --> 02:08:48,540  
secret clearance show me one other

3063  
02:08:54,770 --> 02:08:52,199

person on Earth it's impossible yeah so

3064

02:08:56,229 --> 02:08:54,780

then why do we believe Bob Lazar did

3065

02:09:01,310 --> 02:08:56,239

then

3066

02:09:03,050 --> 02:09:01,320

exactly exactly you know and I have I

3067

02:09:06,830 --> 02:09:03,060

have a source who

3068

02:09:07,729 --> 02:09:06,840

who has worked in that area before as

3069

02:09:10,010 --> 02:09:07,739

well

3070

02:09:12,470 --> 02:09:10,020

and

3071

02:09:15,830 --> 02:09:12,480

um oh real people that work at Area 51

3072

02:09:18,350 --> 02:09:15,840

Bob is a big joke right he's a he the

3073

02:09:22,250 --> 02:09:18,360

the the lizard story is a huge joke

3074

02:09:23,870 --> 02:09:22,260

it's a huge joke and you got to realize

3075

02:09:25,729 --> 02:09:23,880

um you know there's people who have

3076

02:09:29,030 --> 02:09:25,739

worked there 40 plus years

3077

02:09:31,550 --> 02:09:29,040

30 40 years they know this story left

3078

02:09:34,370 --> 02:09:31,560

right and Center I mean my question to

3079

02:09:37,250 --> 02:09:34,380

my source or or we I have this other guy

3080

02:09:40,310 --> 02:09:37,260

called random guy on our show okay my

3081

02:09:43,370 --> 02:09:40,320

question to him last night was okay how

3082

02:09:46,250 --> 02:09:43,380

would he if with the element 115

3083

02:09:47,689 --> 02:09:46,260

and the Isotopes how would he have

3084

02:09:52,189 --> 02:09:47,699

smuggled them out

3085

02:09:55,609 --> 02:09:52,199

when they they literally you know it's

3086

02:09:57,350 --> 02:09:55,619

like going through a a uh uh the highest

3087

02:10:01,149 --> 02:09:57,360

level of security to get on one of those

3088

02:10:04,390 --> 02:10:01,159

Janet Jets to get in and out

3089

02:10:07,430 --> 02:10:04,400  
on the Janet jet logs and also

3090

02:10:09,229 --> 02:10:07,440  
interestingly about the 115 I always say

3091

02:10:11,089 --> 02:10:09,239  
this just blows it to he said they

3092

02:10:13,430 --> 02:10:11,099  
did every conceivable test on the

3093

02:10:16,430 --> 02:10:13,440  
element 115. so he would know the

3094

02:10:18,830 --> 02:10:16,440  
isotopic ratios then because he would

3095

02:10:20,750 --> 02:10:18,840  
have tested it for isotopic ratios he

3096

02:10:22,669 --> 02:10:20,760  
did every conceivable test he should be

3097

02:10:24,770 --> 02:10:22,679  
able to show us or create for us a

3098

02:10:27,109 --> 02:10:24,780  
stable form of it and he can the guy

3099

02:10:29,270 --> 02:10:27,119  
said he had particle accelerators in his

3100

02:10:32,390 --> 02:10:29,280  
bedroom that's a that's impossible ask

3101  
02:10:34,790 --> 02:10:32,400  
any physicist the guy you know it's just

3102  
02:10:36,350 --> 02:10:34,800  
science fiction fantasy I love that

3103  
02:10:38,089 --> 02:10:36,360  
story growing up I always if I could

3104  
02:10:41,030 --> 02:10:38,099  
pick one story to be true probably that

3105  
02:10:43,010 --> 02:10:41,040  
one but it's just it all falls apart and

3106  
02:10:44,750 --> 02:10:43,020  
then they've already made the money so

3107  
02:10:46,430 --> 02:10:44,760  
they don't want to talk about you know

3108  
02:10:48,950 --> 02:10:46,440  
it's just the same thing as these people

3109  
02:10:50,270 --> 02:10:48,960  
put up fake UFO videos after they get

3110  
02:10:51,470 --> 02:10:50,280  
the money from the clicks and the views

3111  
02:10:53,689 --> 02:10:51,480  
they don't want to talk about it being

3112  
02:10:55,250 --> 02:10:53,699  
fake same thing with nap and Corbell

3113  
02:10:57,109 --> 02:10:55,260

they don't want to talk about the

3114

02:10:59,510 --> 02:10:57,119

story's fake they've already made their

3115

02:11:01,790 --> 02:10:59,520

money you know they're on to the next

3116

02:11:03,290 --> 02:11:01,800

thing that they're selling Baghdad

3117

02:11:04,729 --> 02:11:03,300

Phantoms

3118

02:11:07,490 --> 02:11:04,739

could be

3119

02:11:10,330 --> 02:11:07,500

what cruise missiles

3120

02:11:13,189 --> 02:11:10,340

the uh you know

3121

02:11:14,930 --> 02:11:13,199

George Knapp is in my head for a long

3122

02:11:16,850 --> 02:11:14,940

time because of uh obviously the work he

3123

02:11:20,149 --> 02:11:16,860

did in his audible book on hunt for the

3124

02:11:22,609 --> 02:11:20,159

skinwalker is is pretty awesome but uh I

3125

02:11:24,589 --> 02:11:22,619

I'll tell you the worst part though is

3126

02:11:27,890 --> 02:11:24,599

to look at some of the things that he's

3127

02:11:30,050 --> 02:11:27,900

uh been involved with in ufology and on

3128

02:11:31,310 --> 02:11:30,060

the and I'm I'm trying to be as nice as

3129

02:11:33,709 --> 02:11:31,320

possible I guess what open is possible

3130

02:11:36,950 --> 02:11:33,719

and I say it but it's like did George

3131

02:11:39,589 --> 02:11:36,960

Knapp work for Robert Bigelow in one in

3132

02:11:42,010 --> 02:11:39,599

any way was he contracted he did

3133

02:11:44,089 --> 02:11:42,020

yes so is he a journalist

3134

02:11:47,030 --> 02:11:44,099

uh he was a

3135

02:11:49,250 --> 02:11:47,040

he was hired so yes he was

3136

02:11:52,550 --> 02:11:49,260

okay because he still was employed by

3137

02:11:54,890 --> 02:11:52,560

klas and then Robert Bigelow Art Bell

3138

02:11:56,089 --> 02:11:54,900

and

3139

02:11:59,450 --> 02:11:56,099

uh

3140

02:12:03,050 --> 02:11:59,460

was it Leslie Keane

3141

02:12:06,530 --> 02:12:03,060

were hired to do or Linda Moulton how

3142

02:12:10,310 --> 02:12:06,540

was it one of the two uh were hired to

3143

02:12:13,370 --> 02:12:10,320

do a radio talk show called area 2000

3144

02:12:16,250 --> 02:12:13,380

back in the early 1990s

3145

02:12:18,770 --> 02:12:16,260

and that's interesting they started off

3146

02:12:21,910 --> 02:12:18,780

hosting it uh the show really didn't

3147

02:12:24,649 --> 02:12:21,920

take off the way uh Coast to Coast did

3148

02:12:27,229 --> 02:12:24,659

so when art went over to Coast to Coast

3149

02:12:29,570 --> 02:12:27,239

he started very politically and then he

3150

02:12:32,330 --> 02:12:29,580

started kind of throwing in some UFO

3151

02:12:34,250 --> 02:12:32,340

stories and and as soon as he saw the

3152

02:12:37,430 --> 02:12:34,260

numbers starting to jump on the ratings

3153

02:12:39,290 --> 02:12:37,440

every time he did a UFO story that's

3154

02:12:42,350 --> 02:12:39,300

when he started converting the show from

3155

02:12:43,970 --> 02:12:42,360

politics over to the strange of what we

3156

02:12:46,270 --> 02:12:43,980

loved about him

3157

02:12:48,370 --> 02:12:46,280

and and what we remember about him yeah

3158

02:12:51,470 --> 02:12:48,380

was he

3159

02:12:53,990 --> 02:12:51,480

uh you could you I don't think he was an

3160

02:12:56,209 --> 02:12:54,000

employee per se but I could I think you

3161

02:12:59,569 --> 02:12:56,219

could logically say that he was

3162

02:13:01,910 --> 02:12:59,579

contracted uh to do a radio show for

3163

02:13:04,370 --> 02:13:01,920

whatever it lasted four five months six

3164

02:13:08,330 --> 02:13:06,410

yeah and you're saying thank you for

3165

02:13:10,250 --> 02:13:08,340

your kindness and generosity and support

3166

02:13:12,350 --> 02:13:10,260

I don't think that it'll ever I don't

3167

02:13:14,930 --> 02:13:12,360

think they'll ever come clean now and uh

3168

02:13:17,689 --> 02:13:14,940

but if Bob Lazar wants one more big

3169

02:13:19,310 --> 02:13:17,699

payout if he came out with and told the

3170

02:13:21,109 --> 02:13:19,320

truth about how they faked it all and

3171

02:13:24,229 --> 02:13:21,119

made up the story that would be a good

3172

02:13:26,750 --> 02:13:24,239

way to get one more one more last big

3173

02:13:29,649 --> 02:13:26,760

payoff thanks for helping us

3174

02:13:33,069 --> 02:13:29,659

let's break the cash

3175

02:13:35,390 --> 02:13:33,079

Steve long mentioned that he's right uh

3176

02:13:37,609 --> 02:13:35,400

there's a big conflict of interest with

3177

02:13:41,810 --> 02:13:37,619

Matt because he was an early investor in

3178

02:13:42,950 --> 02:13:41,820

ttsa and he did a lot of pro ttsa fluff

3179

02:13:44,870 --> 02:13:42,960

pieces

3180

02:13:48,470 --> 02:13:44,880

I think to help them pump up the stock

3181

02:13:51,290 --> 02:13:48,480

and he did not disclose that he was uh a

3182

02:13:53,810 --> 02:13:51,300

ttsa early investor

3183

02:13:56,270 --> 02:13:53,820

that was disappointing for me to hear

3184

02:14:00,530 --> 02:13:56,280

because you know you can't be pumping up

3185

02:14:02,510 --> 02:14:00,540

stock or you know doing promo pieces for

3186

02:14:04,189 --> 02:14:02,520

a company that you're invested in and

3187

02:14:05,810 --> 02:14:04,199

not disclosed that

3188

02:14:09,649 --> 02:14:05,820

that's a problem

3189

02:14:12,470 --> 02:14:09,659

and ttsa we know now or you know little

3190

02:14:16,370 --> 02:14:12,480

bit scammy

3191

02:14:19,550 --> 02:14:16,380

when I interviewed nap in 2019 I asked

3192

02:14:21,770 --> 02:14:19,560

him that question if he invested in ttsa

3193

02:14:25,370 --> 02:14:21,780

and I believe that was the first time he

3194

02:14:27,229 --> 02:14:25,380

admitted publicly on any show that he

3195

02:14:29,569 --> 02:14:27,239

had put ten thousand dollars in or

3196

02:14:33,350 --> 02:14:29,579

whatever the amount was

3197

02:14:35,930 --> 02:14:33,360

you know and he said you know hey if he

3198

02:14:38,089 --> 02:14:35,940

if he has ten thousand dollars to to

3199

02:14:40,669 --> 02:14:38,099

kiss goodbye God bless him for it

3200

02:14:42,410 --> 02:14:40,679

because I know I don't have 10 grand to

3201

02:14:44,810 --> 02:14:42,420

to kiss goodbye

3202

02:14:46,930 --> 02:14:44,820

dude you know

3203

02:14:48,890 --> 02:14:46,940

Dave can I ask you a question real quick

3204

02:14:50,629 --> 02:14:48,900

you obviously know I have way more

3205

02:14:52,990 --> 02:14:50,639

Connections in the Paranormal than I

3206

02:14:56,270 --> 02:14:53,000

would in my little tiny uh thing uh but

3207

02:14:58,370 --> 02:14:56,280

do you think that it's normal for there

3208

02:15:00,229 --> 02:14:58,380

to be like secret clubs of these people

3209

02:15:02,030 --> 02:15:00,239

to be involved with like they're in

3210

02:15:03,470 --> 02:15:02,040

these secret types of clubs and then

3211

02:15:06,050 --> 02:15:03,480

they're they're like reporters on the

3212

02:15:08,149 --> 02:15:06,060

outside telling UFO stories like if I

3213

02:15:09,550 --> 02:15:08,159

like everyone from like Eric Davis and

3214

02:15:13,189 --> 02:15:09,560

George Knapp

3215

02:15:15,290 --> 02:15:13,199

uh John Davies and every other person

3216

02:15:17,330 --> 02:15:15,300

between the running a little program or

3217

02:15:18,530 --> 02:15:17,340

a little little group like souffon all

3218

02:15:19,910 --> 02:15:18,540

the way up to like a Bigelow type of

3219

02:15:22,490 --> 02:15:19,920

character not Bigelow himself but others

3220

02:15:24,950 --> 02:15:22,500

with him uh being in these groups all

3221

02:15:27,649 --> 02:15:24,960

talking about things and that that first

3222

02:15:28,790 --> 02:15:27,659

off is that normal that all these people

3223

02:15:30,950 --> 02:15:28,800

from

3224

02:15:33,589 --> 02:15:30,960

yes I mean maybe normal here but is it

3225

02:15:35,569 --> 02:15:33,599

normal that you would see that happen in

3226  
02:15:37,550 --> 02:15:35,579  
an industry because this is what it kind

3227  
02:15:40,069 --> 02:15:37,560  
of is as an industry and then also see

3228  
02:15:42,050 --> 02:15:40,079  
those people act almost independent

3229  
02:15:45,410 --> 02:15:42,060  
elsewhere

3230  
02:15:50,209 --> 02:15:47,290  
yeah I feel it's a little suspicious

3231  
02:15:53,510 --> 02:15:50,219  
that that they don't allow everyone in

3232  
02:15:55,430 --> 02:15:53,520  
they don't know and I ain't in it I say

3233  
02:15:57,410 --> 02:15:55,440  
it I was in it when I was friends with

3234  
02:15:59,030 --> 02:15:57,420  
Grant Cameron I was in it but then

3235  
02:16:00,290 --> 02:15:59,040  
suddenly I started saying things that

3236  
02:16:01,490 --> 02:16:00,300  
they didn't like it suddenly I wasn't

3237  
02:16:03,530 --> 02:16:01,500  
friends who friends with everyone

3238  
02:16:06,709 --> 02:16:03,540

anymore and so I asked I have to wonder

3239

02:16:08,689 --> 02:16:06,719

if it's if it's strange that that these

3240

02:16:10,370 --> 02:16:08,699

people almost act like independent

3241

02:16:12,589 --> 02:16:10,380

actors but really they all belong

3242

02:16:13,850 --> 02:16:12,599

they're all the original conference crew

3243

02:16:14,990 --> 02:16:13,860

they used to just conference around

3244

02:16:16,550 --> 02:16:15,000

together and

3245

02:16:18,410 --> 02:16:16,560

well that's the kind of thing though is

3246

02:16:20,870 --> 02:16:18,420

I I've talked about this they have that

3247

02:16:23,330 --> 02:16:20,880

Unwritten rule you don't talk about my

3248

02:16:25,129 --> 02:16:23,340

grift and I won't talk about yours and

3249

02:16:27,589 --> 02:16:25,139

they all want to get along and get that

3250

02:16:29,330 --> 02:16:27,599

conference money you know

3251

02:16:32,750 --> 02:16:29,340

well the conferences really aren't

3252

02:16:36,889 --> 02:16:32,760

paying that much unless you're at like

3253

02:16:38,270 --> 02:16:36,899

like alien con or or uh

3254

02:16:39,770 --> 02:16:38,280

or

3255

02:16:42,049 --> 02:16:39,780

um

3256

02:16:43,790 --> 02:16:42,059

contacting the desert what's the big one

3257

02:16:46,129 --> 02:16:43,800

contact in the desert

3258

02:16:48,950 --> 02:16:46,139

right I mean

3259

02:16:50,810 --> 02:16:48,960

those are really the only two uh

3260

02:16:54,889 --> 02:16:50,820

apparently I'm I'm a member of a circle

3261

02:16:57,549 --> 02:16:54,899

jerk Club according to kepsa that's cool

3262

02:17:01,790 --> 02:16:57,559

thank you hey Captain

3263

02:17:03,049 --> 02:17:01,800

no I'm just kidding yeah capsu is my

3264

02:17:03,770 --> 02:17:03,059

ringleader if you know what I'm talking

3265

02:17:07,250 --> 02:17:03,780

about

3266

02:17:09,709 --> 02:17:07,260

hey that's Robert Salas everyone oh man

3267

02:17:12,169 --> 02:17:09,719

I'm the circle jerk Club

3268

02:17:16,089 --> 02:17:12,179

that's terrible

3269

02:17:20,330 --> 02:17:16,099

you have

3270

02:17:21,589 --> 02:17:20,340

I am eight or ten hold on wait here it

3271

02:17:25,490 --> 02:17:21,599

is here we go

3272

02:17:27,709 --> 02:17:25,500

UFO Circle jerkers I love it it's

3273

02:17:30,049 --> 02:17:27,719

available on our merchandise store and

3274

02:17:32,929 --> 02:17:30,059

the link is in the description I'm gonna

3275

02:17:34,610 --> 02:17:32,939

send Dave a UFO Circle jerker shirt

3276

02:17:37,490 --> 02:17:34,620

hahaha

3277

02:17:41,030 --> 02:17:37,500

a woo train shirt there you go conductor

3278

02:17:43,910 --> 02:17:41,040

of the woo train yes you know I I just

3279

02:17:45,889 --> 02:17:43,920

don't know like you know I I respect

3280

02:17:47,750 --> 02:17:45,899

Dave for like having being so

3281

02:17:48,770 --> 02:17:47,760

open-minded maybe I've just gotten too

3282

02:17:52,070 --> 02:17:48,780

cynical

3283

02:17:55,429 --> 02:17:52,080

but uh yeah the uh

3284

02:17:57,410 --> 02:17:55,439

the the UFO Circle jerker Club is like

3285

02:17:59,450 --> 02:17:57,420

those people who softball interview

3286

02:18:02,330 --> 02:17:59,460

these people and don't hold them to

3287

02:18:05,270 --> 02:18:02,340

account for their previous slides or

3288

02:18:06,709 --> 02:18:05,280

fake stuff that they've sold and that's

3289

02:18:09,589 --> 02:18:06,719

kind of our thing here the circle

3290

02:18:11,629 --> 02:18:09,599

jerkers we don't like Circle jerkers you

3291

02:18:13,490 --> 02:18:11,639

know I guess my question about that

3292

02:18:16,009 --> 02:18:13,500

earlier was because the people making

3293

02:18:18,169 --> 02:18:16,019

the claims and the claim and oftentimes

3294

02:18:19,610 --> 02:18:18,179

businesses based off claims a lot of

3295

02:18:20,990 --> 02:18:19,620

time you know like we talked about like

3296

02:18:23,330 --> 02:18:21,000

sometimes experience or experience is

3297

02:18:24,589 --> 02:18:23,340

something so weird and unexplainable it

3298

02:18:26,209 --> 02:18:24,599

really doesn't fall into any type of

3299

02:18:27,709 --> 02:18:26,219

category so I can understand they just

3300

02:18:29,450 --> 02:18:27,719

want some sort of reconciliation but

3301

02:18:31,669 --> 02:18:29,460

what happened to them to some degree but

3302

02:18:33,830 --> 02:18:31,679

a lot of people out there would would be

3303

02:18:35,870 --> 02:18:33,840

concerned with if they I think if they

3304

02:18:37,610 --> 02:18:35,880

recognize that like if all these

3305

02:18:39,950 --> 02:18:37,620

individuals are friends in a group

3306

02:18:42,410 --> 02:18:39,960

that's quite private oftentimes the

3307

02:18:43,610 --> 02:18:42,420

group was involved with magic and even

3308

02:18:44,990 --> 02:18:43,620

things like just reporting their own

3309

02:18:46,610 --> 02:18:45,000

experiences or captioning photos of

3310

02:18:48,589 --> 02:18:46,620

drone sightings or when the next group

3311

02:18:50,570 --> 02:18:48,599

is the next whatever

3312

02:18:53,509 --> 02:18:50,580

if they're the ones making the claims

3313

02:18:55,310 --> 02:18:53,519

and making money off those claims

3314

02:18:57,230 --> 02:18:55,320  
doesn't it seem a little bit strange

3315

02:19:00,290 --> 02:18:57,240  
that they they're they're all like

3316

02:19:02,290 --> 02:19:00,300  
securing the future of

3317

02:19:04,669 --> 02:19:02,300  
this field in one way or another

3318

02:19:07,549 --> 02:19:04,679  
like I think

3319

02:19:09,469 --> 02:19:07,559  
and in my opinion it's not about

3320

02:19:11,929 --> 02:19:09,479  
securing anything as much as you think

3321

02:19:14,690 --> 02:19:11,939  
it is I think what it is is it's a

3322

02:19:17,209 --> 02:19:14,700  
matter of sharing information I'm in a

3323

02:19:20,690 --> 02:19:17,219  
couple of those groups

3324

02:19:24,290 --> 02:19:20,700  
um one of them I don't I I maybe Post in

3325

02:19:26,570 --> 02:19:24,300  
there uh once every two three weeks

3326

02:19:29,209 --> 02:19:26,580

because I don't have the level of

3327

02:19:31,610 --> 02:19:29,219

knowledge and smarts as the scientists

3328

02:19:33,290 --> 02:19:31,620

in that group I I'm like oh look a

3329

02:19:35,030 --> 02:19:33,300

balloon right

3330

02:19:37,009 --> 02:19:35,040

so

3331

02:19:39,589 --> 02:19:37,019

um I think they keep me in there

3332

02:19:41,330 --> 02:19:39,599

strictly because uh of the stuff that

3333

02:19:44,629 --> 02:19:41,340

I'm I'm following with the Canadian

3334

02:19:47,089 --> 02:19:44,639

government and you know yeah but it's a

3335

02:19:50,510 --> 02:19:47,099

big club and he's in it he's in the club

3336

02:19:54,010 --> 02:19:50,520

everybody just he admitted it here first

3337

02:19:57,530 --> 02:19:54,020

oh I just said I ain't in it

3338

02:19:59,270 --> 02:19:57,540

I don't want to cut it off but no but

3339

02:20:02,150 --> 02:19:59,280

listen there are private like Discord

3340

02:20:04,429 --> 02:20:02,160

groups and once somebody took a vote

3341

02:20:07,429 --> 02:20:04,439

this is a funny thing like somebody took

3342

02:20:10,670 --> 02:20:07,439

a vote of whether to allow me in a

3343

02:20:13,969 --> 02:20:10,680

private Discord server or not and I lost

3344

02:20:16,790 --> 02:20:13,979

my one vote for whatever reason and then

3345

02:20:19,610 --> 02:20:16,800

when I found out who was in that group I

3346

02:20:22,190 --> 02:20:19,620

was so pissed off I'm like I can't be in

3347

02:20:25,790 --> 02:20:22,200

your little Club but these can

3348

02:20:28,429 --> 02:20:25,800

you know oh yeah it's a weird click you

3349

02:20:31,250 --> 02:20:28,439

know and you know what I will be honest

3350

02:20:34,190 --> 02:20:31,260

with you there there's a lot of politics

3351

02:20:36,969 --> 02:20:34,200

that goes on in these groups troops I'm

3352

02:20:40,849 --> 02:20:36,979

not in one group because

3353

02:20:45,770 --> 02:20:40,859

uh Jimmy Ando doesn't allow me in there

3354

02:20:50,990 --> 02:20:45,780

right because I I called him out uh for

3355

02:20:54,050 --> 02:20:51,000

for uh monetizing part of my show

3356

02:20:58,250 --> 02:20:54,060

and I and I uh YouTube struck him

3357

02:21:01,370 --> 02:20:58,260

and then after uh a couple people uh

3358

02:21:03,950 --> 02:21:01,380

came at me about saying hey do you mind

3359

02:21:07,010 --> 02:21:03,960

just do me a favor on this I I released

3360

02:21:08,870 --> 02:21:07,020

the the copyright strike and then he

3361

02:21:10,849 --> 02:21:08,880

still went on uh everywhere calling me

3362

02:21:17,990 --> 02:21:10,859

an

3363

02:21:21,110 --> 02:21:18,000

of groups out there that include these

3364

02:21:23,690 --> 02:21:21,120

people most of them are on

3365

02:21:26,450 --> 02:21:23,700

um Facebook Messenger

3366

02:21:29,510 --> 02:21:26,460

uh a lot of them are via email I've been

3367

02:21:31,550 --> 02:21:29,520

in a couple of email clubs or I've had I

3368

02:21:33,290 --> 02:21:31,560

shouldn't say I'm involved I've had a

3369

02:21:35,929 --> 02:21:33,300

couple of email clubs where somebody all

3370

02:21:37,790 --> 02:21:35,939

of a sudden will secretly send me an

3371

02:21:40,309 --> 02:21:37,800

email saying you gotta see this

3372

02:21:42,830 --> 02:21:40,319

right and it kind of blows you away

3373

02:21:44,750 --> 02:21:42,840

because when you go in you backtrack the

3374

02:21:47,630 --> 02:21:44,760

emails you're like oh well this person's

3375

02:21:49,730 --> 02:21:47,640

a CEO of a big company and that person's

3376

02:21:53,630 --> 02:21:49,740

a CEO really I didn't know that person

3377

02:21:56,570 --> 02:21:53,640

was interested in UFOs right there's a

3378

02:21:57,530 --> 02:21:56,580

lot of that that goes on and

3379

02:21:59,929 --> 02:21:57,540

um

3380

02:22:02,510 --> 02:21:59,939

some of it's crazy man

3381

02:22:05,270 --> 02:22:02,520

some of it's crazy I've seen some crazy

3382

02:22:07,070 --> 02:22:05,280

stuff from from the groups uh that I

3383

02:22:08,570 --> 02:22:07,080

once was in I I I'm just like I'm just

3384

02:22:10,070 --> 02:22:08,580

like surprised to see that these groups

3385

02:22:11,510 --> 02:22:10,080

are now like on these like these

3386

02:22:12,770 --> 02:22:11,520

Messengers and these other apps and

3387

02:22:14,030 --> 02:22:12,780

whatnot because before they were just

3388

02:22:15,230 --> 02:22:14,040

kind of friends from conference and

3389

02:22:16,910 --> 02:22:15,240

stuff like some of these friendships go

3390

02:22:18,469 --> 02:22:16,920

back like you know Christopher melon and

3391

02:22:21,230 --> 02:22:18,479

Leslie Keane were friends for a long

3392

02:22:23,570 --> 02:22:21,240

time oh yeah like you know a long time

3393

02:22:26,990 --> 02:22:23,580

and so

3394

02:22:28,309 --> 02:22:27,000

you know yeah sometimes when when you

3395

02:22:30,230 --> 02:22:28,319

know it's not necessarily you know like

3396

02:22:31,730 --> 02:22:30,240

you see melon like celebrating not like

3397

02:22:33,170 --> 02:22:31,740

celebrating but saying it's good to see

3398

02:22:34,910 --> 02:22:33,180

them communicating over balloons getting

3399

02:22:36,469 --> 02:22:34,920

destroyed you have to ask yourself what

3400

02:22:37,969 --> 02:22:36,479

what are some of these narratives all

3401  
02:22:40,190 --> 02:22:37,979  
about after all these years and I wonder

3402  
02:22:41,570 --> 02:22:40,200  
if yes there are some weird things going

3403  
02:22:43,790 --> 02:22:41,580  
on of course like a lot of us have

3404  
02:22:46,250 --> 02:22:43,800  
experienced but uh what are they willing

3405  
02:22:48,110 --> 02:22:46,260  
to do and use the that Community for and

3406  
02:22:49,370 --> 02:22:48,120  
it seems like that's exactly where we

3407  
02:22:51,590 --> 02:22:49,380  
felt and these people that are

3408  
02:22:54,290 --> 02:22:51,600  
celebrating all these relationships in

3409  
02:22:56,330 --> 02:22:54,300  
these groups is the is the people that

3410  
02:22:59,090 --> 02:22:56,340  
would like a love to listen to the the

3411  
02:23:02,510 --> 02:22:59,100  
Falcons and the Falcon in the in the

3412  
02:23:04,670 --> 02:23:02,520  
hawk or whoever talk and shadowy you

3413  
02:23:07,130 --> 02:23:04,680

know that's the original that's the

3414

02:23:09,170 --> 02:23:07,140

original secret group of guys that we're

3415

02:23:13,450 --> 02:23:09,180

gonna work together to bring disclosure

3416

02:23:19,010 --> 02:23:16,610

on that I could honestly speak with you

3417

02:23:21,170 --> 02:23:19,020

guys all night I've had a lot of fun the

3418

02:23:23,389 --> 02:23:21,180

last 45 minutes or so yeah I know you've

3419

02:23:25,730 --> 02:23:23,399

got to go uh it's it's spaced out radio

3420

02:23:27,830 --> 02:23:25,740

search it on YouTube or Google him

3421

02:23:30,230 --> 02:23:27,840

you'll find him and hit that search bar

3422

02:23:32,809 --> 02:23:30,240

I'll put the link to your show in the

3423

02:23:33,770 --> 02:23:32,819

description of this video and Jeff too

3424

02:23:36,170 --> 02:23:33,780

yeah

3425

02:23:38,270 --> 02:23:36,180

let's do this again I'll set it up I

3426

02:23:39,770 --> 02:23:38,280

want both of you guys there and I'll

3427

02:23:43,389 --> 02:23:39,780

bring in some of my people and let's

3428

02:23:45,770 --> 02:23:43,399

just have a candid conversation about

3429

02:23:47,929 --> 02:23:45,780

the UFO world

3430

02:23:50,570 --> 02:23:47,939

we could do that that'll be great all

3431

02:23:53,150 --> 02:23:50,580

right great you have a good night thank

3432

02:23:55,730 --> 02:23:53,160

you for your time and with my Illuminati

3433

02:23:57,650 --> 02:23:55,740

thanks to B Baker all hail Illuminati

3434

02:24:01,429 --> 02:23:57,660

thing or whatever the hand sign is or

3435

02:24:05,630 --> 02:24:02,990

have a good night Dave Scott have a good

3436

02:24:10,190 --> 02:24:08,690

all right there's Dave Scott we can file

3437

02:24:13,130 --> 02:24:10,200

that under things that people thought

3438

02:24:15,650 --> 02:24:13,140

would never ever happen I mean only over

3439

02:24:18,110 --> 02:24:15,660

here on Truth we got the conductor of

3440

02:24:19,490 --> 02:24:18,120

the woo train with us here Jeff that's

3441

02:24:23,210 --> 02:24:19,500

crazy

3442

02:24:25,070 --> 02:24:23,220

hey you know listen I I kind of like I

3443

02:24:27,230 --> 02:24:25,080

understand where he's coming from though

3444

02:24:28,550 --> 02:24:27,240

because he kind of just you know he

3445

02:24:30,530 --> 02:24:28,560

explained it like he wanted to do the

3446

02:24:34,550 --> 02:24:30,540

Art Bell just listen to people's stories

3447

02:24:35,750 --> 02:24:34,560

and you know not be so critical I guess

3448

02:24:37,910 --> 02:24:35,760

you know

3449

02:24:39,830 --> 02:24:37,920

I try to do that and I couldn't do it

3450

02:24:42,469 --> 02:24:39,840

like I interviewed some people and I

3451

02:24:46,010 --> 02:24:42,479

just I just lost it in the middle of it

3452

02:24:47,750 --> 02:24:46,020

like you're telling me these aliens come

3453

02:24:51,349 --> 02:24:47,760

and get you every night but you never

3454

02:24:52,690 --> 02:24:51,359

set up a camera come on you can you can

3455

02:24:56,030 --> 02:24:52,700

literally see that

3456

02:24:57,950 --> 02:24:56,040

the evolution of all my videos goes from

3457

02:25:00,170 --> 02:24:57,960

me saying all right I'll start a podcast

3458

02:25:02,389 --> 02:25:00,180

but I'm willing to give this subject one

3459

02:25:04,490 --> 02:25:02,399

more chance the spear tip of all that's

3460

02:25:06,530 --> 02:25:04,500

happening and it goes from me talking to

3461

02:25:08,870 --> 02:25:06,540

people like Mr Scott and all these other

3462

02:25:10,910 --> 02:25:08,880

people to me being like I am today in

3463

02:25:12,950 --> 02:25:10,920

the middle of like like last year I just

3464

02:25:14,630 --> 02:25:12,960

exploded and it just changed and I went

3465

02:25:16,550 --> 02:25:14,640

and then never went back but I

3466

02:25:18,770 --> 02:25:16,560

appreciate having me on Steve for real

3467

02:25:20,690 --> 02:25:18,780

and uh and uh I'm Gonna Let You Go and

3468

02:25:23,389 --> 02:25:20,700

read my super chats and check up with

3469

02:25:25,130 --> 02:25:23,399

the live chat and things like that I

3470

02:25:27,469 --> 02:25:25,140

appreciate you being here and for the

3471

02:25:29,630 --> 02:25:27,479

the and I want to thank you because did

3472

02:25:32,389 --> 02:25:29,640

you know that we had like three no shows

3473

02:25:33,830 --> 02:25:32,399

so I apologize there were supposed to be

3474

02:25:35,690 --> 02:25:33,840

a couple more people and I I don't know

3475

02:25:38,330 --> 02:25:35,700

what happened but you were the one

3476

02:25:40,550 --> 02:25:38,340

showed up so uh yeah thank you for doing

3477

02:25:43,969 --> 02:25:40,560

that we've been sitting here waiting for

3478

02:25:45,290 --> 02:25:43,979

a panel for I I actually was going to go

3479

02:25:47,150 --> 02:25:45,300

on that one time I was directed by

3480

02:25:48,889 --> 02:25:47,160

aliens earlier but someone came to me of

3481

02:25:50,630 --> 02:25:48,899

two people came to me after my yes

3482

02:25:53,330 --> 02:25:50,640

yesterday's episode I had on strange

3483

02:25:55,370 --> 02:25:53,340

Recon with Chris Bartel from Skinwalker

3484

02:25:57,469 --> 02:25:55,380

Ranch in area 51.

3485

02:26:00,950 --> 02:25:57,479

um I had two people on or talk to me

3486

02:26:02,330 --> 02:26:00,960

about how they know Bigelow and and they

3487

02:26:03,349 --> 02:26:02,340

just started getting really skeptical

3488

02:26:04,790 --> 02:26:03,359

about everything they've done and

3489

02:26:05,990 --> 02:26:04,800

contributed and I just was so fascinated

3490

02:26:07,250 --> 02:26:06,000

about what they were saying and some of

3491

02:26:08,929 --> 02:26:07,260

them we've heard their names because

3492

02:26:10,130 --> 02:26:08,939

they were involved in some some things

3493

02:26:12,349 --> 02:26:10,140

that have happened recently and I'm just

3494

02:26:15,110 --> 02:26:12,359

like okay so so the people are

3495

02:26:16,670 --> 02:26:15,120

recognizing that maybe this guy is not

3496

02:26:19,309 --> 02:26:16,680

necessarily just this this person

3497

02:26:21,770 --> 02:26:19,319

seeking you know answers about the woo

3498

02:26:23,330 --> 02:26:21,780

stuff he might be uh you know he might

3499

02:26:25,550 --> 02:26:23,340

be up to something else on behalf of

3500

02:26:27,530 --> 02:26:25,560

someone else or maybe even either way

3501  
02:26:29,510 --> 02:26:27,540  
all right guy I appreciate you having me

3502  
02:26:33,950 --> 02:26:29,520  
on

3503  
02:26:35,570 --> 02:26:33,960  
you I'll put the link to your show in

3504  
02:26:38,570 --> 02:26:35,580  
the description of the video so people

3505  
02:26:41,030 --> 02:26:38,580  
can find you uh or just search for

3506  
02:26:43,190 --> 02:26:41,040  
strange Recon in a YouTube search bar

3507  
02:26:45,770 --> 02:26:43,200  
you'll find them yeah I'll put the live

3508  
02:26:47,090 --> 02:26:45,780  
tab stupid live tab what's that about

3509  
02:26:47,950 --> 02:26:47,100  
YouTube anyways all right thank you very

3510  
02:26:50,510 --> 02:26:47,960  
much

3511  
02:26:52,309 --> 02:26:50,520  
yeah uh you've really got to get that

3512  
02:26:54,830 --> 02:26:52,319  
straightened out like from the

3513  
02:26:56,389 --> 02:26:54,840

customized page I think oh is that how

3514

02:26:58,429 --> 02:26:56,399

it goes okay I gotta yeah I'll do that I

3515

02:27:01,250 --> 02:26:58,439

can help you with that off here because

3516

02:27:03,830 --> 02:27:01,260

I I and listen your views will thank you

3517

02:27:06,050 --> 02:27:03,840

they changed things and then yeah I'll

3518

02:27:07,190 --> 02:27:06,060

help you fix it not a problem thank you

3519

02:27:10,010 --> 02:27:07,200

very much we'll talk to you soon Jim

3520

02:27:12,530 --> 02:27:10,020

from strange Recon thank you very much

3521

02:27:15,410 --> 02:27:12,540

all right there we go well yeah I think

3522

02:27:17,870 --> 02:27:15,420

it's strange and weird and uh rare

3523

02:27:20,270 --> 02:27:17,880

conversation just happened it's not

3524

02:27:23,150 --> 02:27:20,280

often that people cross lines from the

3525

02:27:25,370 --> 02:27:23,160

blue side to the skeptical side and or

3526

02:27:27,170 --> 02:27:25,380

vice versa

3527

02:27:31,190 --> 02:27:27,180

I think it's good

3528

02:27:33,050 --> 02:27:31,200

um so uh I realized that I missed a few

3529

02:27:35,690 --> 02:27:33,060

super chats and I apologize for that so

3530

02:27:37,490 --> 02:27:35,700

we're gonna get caught up in the uh and

3531

02:27:39,590 --> 02:27:37,500

I will take comments and questions from

3532

02:27:42,410 --> 02:27:39,600

the live chat

3533

02:27:44,090 --> 02:27:42,420

um but first things first I want to

3534

02:27:46,250 --> 02:27:44,100

recognize the kind and generous

3535

02:27:48,650 --> 02:27:46,260

supporters of the show we read every

3536

02:27:50,030 --> 02:27:48,660

single super chat but I didn't realize

3537

02:27:52,510 --> 02:27:50,040

at the beginning of the show that we

3538

02:27:55,969 --> 02:27:52,520

missed a few so I'm going to

3539

02:27:59,210 --> 02:27:55,979

uh I'm going to

3540

02:28:02,570 --> 02:27:59,220

read those now and thank you we want to

3541

02:28:04,750 --> 02:28:02,580

thank UFO John Doe for kindness 4.99

3542

02:28:08,389 --> 02:28:04,760

and he asked about Naples are in

3543

02:28:10,070 --> 02:28:08,399

cornhole ever coming clean or will they

3544

02:28:11,750 --> 02:28:10,080

take their last breath or do it like

3545

02:28:14,570 --> 02:28:11,760

John Lear yeah I don't think they'll

3546

02:28:16,670 --> 02:28:14,580

ever come clean uh Lord Ludacris plaid

3547

02:28:18,349 --> 02:28:16,680

with a Kind and Generous dollar 99 says

3548

02:28:20,030 --> 02:28:18,359

you followed you as one big marketing

3549

02:28:22,910 --> 02:28:20,040

firm great show

3550

02:28:25,670 --> 02:28:22,920

uh spooky paying two dollars to give out

3551

02:28:27,889 --> 02:28:25,680

tips link because I'm a terrible show

3552

02:28:30,590 --> 02:28:27,899

host I'm gonna put it in the description

3553

02:28:33,710 --> 02:28:30,600

of the video and zizzix with a kind of

3554

02:28:36,469 --> 02:28:33,720

generous two dollar super sticker and

3555

02:28:40,910 --> 02:28:36,479

Richard Crawley uh

3556

02:28:42,950 --> 02:28:40,920

with the Kylie generous 279 Canadian uh

3557

02:28:45,950 --> 02:28:42,960

says killer and a fist bump and Richard

3558

02:28:49,010 --> 02:28:45,960

Crowley again kind and generous 6.99

3559

02:28:51,650 --> 02:28:49,020

Canadian uh no message we thank you for

3560

02:28:54,290 --> 02:28:51,660

your kindness generosity and support uh

3561

02:28:55,670 --> 02:28:54,300

thank you all you patreon supporters and

3562

02:28:57,770 --> 02:28:55,680

your channel members and you twitch

3563

02:29:05,349 --> 02:28:57,780

subscribers for helping us to praise the

3564

02:29:05,359 --> 02:29:09,670

thank you for your kindness

3565

02:29:14,630 --> 02:29:13,490

crazy cash

3566

02:29:19,030 --> 02:29:14,640

foreign

3567

02:29:23,570 --> 02:29:21,950

and we'll take some comments and

3568

02:29:25,670 --> 02:29:23,580

questions from the Great

3569

02:29:29,330 --> 02:29:25,680

live chat we had excellent numbers

3570

02:29:32,270 --> 02:29:29,340

tonight uh just a whole lot of people in

3571

02:29:34,910 --> 02:29:32,280

there uh in the live chat and we want to

3572

02:29:38,290 --> 02:29:34,920

welcome and thank you Rumble people as

3573

02:29:41,630 --> 02:29:38,300

well watching in the rumble live stream

3574

02:29:44,809 --> 02:29:41,640

uh Mega Briar patches hi Steve great to

3575

02:29:48,710 --> 02:29:44,819

see you here bro oh maybe they're

3576

02:29:51,050 --> 02:29:48,720

talking to Steve long maybe right

3577

02:29:52,969 --> 02:29:51,060

um mega Briar practice strange Recon is

3578

02:29:55,550 --> 02:29:52,979

a great show Jeff is a very sharp dude

3579

02:29:57,290 --> 02:29:55,560

yeah I like them and a former military

3580

02:29:59,809 --> 02:29:57,300

guy

3581

02:30:01,429 --> 02:29:59,819

um he's real Brave like he went and you

3582

02:30:04,370 --> 02:30:01,439

know

3583

02:30:06,590 --> 02:30:04,380

was a soldier and that takes some balls

3584

02:30:10,790 --> 02:30:06,600

I always respect guys at the balls to do

3585

02:30:12,650 --> 02:30:10,800

that I I'm a lover not a fighter yeah

3586

02:30:14,389 --> 02:30:12,660

Steve Nicholson too bad that the

3587

02:30:16,130 --> 02:30:14,399

Decepticon name is copyrighted would

3588

02:30:18,530 --> 02:30:16,140

have been the perfect phrase to describe

3589

02:30:20,630 --> 02:30:18,540

to describe some of the UFO rifters

3590

02:30:23,270 --> 02:30:20,640

Decepticons

3591

02:30:26,090 --> 02:30:23,280

yeah well we could call them deceptive

3592

02:30:28,670 --> 02:30:26,100

cons how about that deceptive cons

3593

02:30:31,610 --> 02:30:28,680

no it doesn't have quite the same ring

3594

02:30:33,770 --> 02:30:31,620

right uh

3595

02:30:35,690 --> 02:30:33,780

Jay says USA in the fog of fifth

3596

02:30:38,570 --> 02:30:35,700

generation unrestricted Warfare yeah

3597

02:30:41,750 --> 02:30:38,580

multi-generational Warfare right

3598

02:30:43,849 --> 02:30:41,760

uh yeah new members please consider you

3599

02:30:47,090 --> 02:30:43,859

know subscribing Monday to Thursday 9 pm

3600

02:30:49,250 --> 02:30:47,100

Eastern Standard Time Yeah and um I'm

3601  
02:30:50,809 --> 02:30:49,260  
still unsure if we're going if I'm going

3602  
02:30:53,270 --> 02:30:50,819  
to the cabin

3603  
02:30:54,950 --> 02:30:53,280  
this weekend

3604  
02:30:57,050 --> 02:30:54,960  
um and if not we'll do another show

3605  
02:31:00,230 --> 02:30:57,060  
tomorrow night at 9 00 PM Eastern and

3606  
02:31:02,270 --> 02:31:00,240  
maybe Saturday we'll see if I'm home I

3607  
02:31:04,610 --> 02:31:02,280  
might as well work and we've got a lot

3608  
02:31:06,950 --> 02:31:04,620  
more shows to share with you and we're

3609  
02:31:09,710 --> 02:31:06,960  
I'm actually backed up with shows we've

3610  
02:31:11,210 --> 02:31:09,720  
got a bunch that were prepped and got

3611  
02:31:12,650 --> 02:31:11,220  
sort of bumped because there was

3612  
02:31:14,570 --> 02:31:12,660  
something a little more pressing that we

3613  
02:31:16,190 --> 02:31:14,580

wanted to do a show on or talk about so

3614

02:31:19,510 --> 02:31:16,200

those got bumped but they're prepped and

3615

02:31:22,610 --> 02:31:19,520

ready to go and some of those are those

3616

02:31:24,710 --> 02:31:22,620

data Rich shows

3617

02:31:27,410 --> 02:31:24,720

changed my name for the dog I lost sorry

3618

02:31:30,170 --> 02:31:27,420

to hear about that Foxy's friends uh

3619

02:31:32,210 --> 02:31:30,180

Mike uh lost his dog so we all say a

3620

02:31:34,370 --> 02:31:32,220

prayer hope the dog gets over that

3621

02:31:35,450 --> 02:31:34,380

rainbow bridge and and

3622

02:31:38,870 --> 02:31:35,460

um I

3623

02:31:40,610 --> 02:31:38,880

I hate losing a dog the few the times in

3624

02:31:43,309 --> 02:31:40,620

my life where I've had to deal with that

3625

02:31:45,290 --> 02:31:43,319

have been really really rough you know

3626

02:31:47,389 --> 02:31:45,300

it's like your best friend

3627

02:31:48,469 --> 02:31:47,399

it's like losing a family member it's

3628

02:31:50,870 --> 02:31:48,479

terrible

3629

02:31:54,590 --> 02:31:50,880

so uh we'll keep you in our thoughts and

3630

02:31:56,750 --> 02:31:54,600

prayers sorry to hear that Mike

3631

02:31:58,070 --> 02:31:56,760

Foxy's friend says Steve long you turned

3632

02:31:59,809 --> 02:31:58,080

me on to Recon it might have been Steve

3633

02:32:01,250 --> 02:31:59,819

long who turned me on to Recon too I

3634

02:32:03,469 --> 02:32:01,260

don't remember who originally told me

3635

02:32:05,870 --> 02:32:03,479

about him

3636

02:32:08,210 --> 02:32:05,880

I don't I could take that lie to my

3637

02:32:10,490 --> 02:32:08,220

grave I'd come clean that's just me

3638

02:32:12,349 --> 02:32:10,500

yeah um I don't know if you've been

3639

02:32:15,230 --> 02:32:12,359

lying to people for 35 years maybe

3640

02:32:19,070 --> 02:32:15,240

before you die it's a good idea to

3641

02:32:21,110 --> 02:32:19,080

come clean tell people the truth right

3642

02:32:24,230 --> 02:32:21,120

will there be a viewer's call-in show

3643

02:32:26,630 --> 02:32:24,240

this month yes we'll do that uh panel

3644

02:32:29,990 --> 02:32:26,640

show in the weekend if I'm not at the

3645

02:32:32,090 --> 02:32:30,000

cabin we'll do it the problem has been

3646

02:32:33,950 --> 02:32:32,100

that even if I wanted to do a show from

3647

02:32:36,170 --> 02:32:33,960

the cabin now I can't because there's

3648

02:32:38,210 --> 02:32:36,180

these ice storms

3649

02:32:40,610 --> 02:32:38,220

and for some reason I don't know if it

3650

02:32:43,610 --> 02:32:40,620

freezes the internet boxes or something

3651  
02:32:47,210 --> 02:32:43,620  
out in the woods remember I'm out in the

3652  
02:32:49,910 --> 02:32:47,220  
woods so if it's if it's real snowy or

3653  
02:32:52,070 --> 02:32:49,920  
or we're having an ice storm the

3654  
02:32:52,910 --> 02:32:52,080  
internet barely works or it just doesn't

3655  
02:32:55,610 --> 02:32:52,920  
work

3656  
02:32:58,250 --> 02:32:55,620  
and the power has been going off at the

3657  
02:33:00,950 --> 02:32:58,260  
cabin as well so without power no router

3658  
02:33:04,270 --> 02:33:00,960  
unless I fire up this uh

3659  
02:33:06,469 --> 02:33:04,280  
old solar backup system and yeah

3660  
02:33:08,210 --> 02:33:06,479  
operation shutdown said would be great

3661  
02:33:10,969 --> 02:33:08,220  
to see Stephen and Jeff on Dave Scott's

3662  
02:33:14,170 --> 02:33:10,979  
show yeah I mean I'm I'm willing to do

3663  
02:33:15,849 --> 02:33:14,180

that he's got a lot of viewers so uh

3664

02:33:18,170 --> 02:33:15,859

you know

3665

02:33:19,370 --> 02:33:18,180

yet another great show Stephen it's

3666

02:33:21,410 --> 02:33:19,380

obvious you're doing the right thing

3667

02:33:23,450 --> 02:33:21,420

when you're bringing both sides of the

3668

02:33:25,130 --> 02:33:23,460

UFO aisle together the truth will indeed

3669

02:33:26,750 --> 02:33:25,140

set us free yeah I think we should do

3670

02:33:29,410 --> 02:33:26,760

more of that I would like to talk to

3671

02:33:32,809 --> 02:33:29,420

this guy Sean and you know really hear

3672

02:33:34,849 --> 02:33:32,819

why this video was even released why is

3673

02:33:36,950 --> 02:33:34,859

it important and let's see the data

3674

02:33:39,650 --> 02:33:36,960

where's the data that proves that you

3675

02:33:41,990 --> 02:33:39,660

didn't just lie about it flying by you

3676

02:33:44,990 --> 02:33:42,000

know an airplane flying by

3677

02:33:47,510 --> 02:33:45,000

and uh you know either way this is a

3678

02:33:50,090 --> 02:33:47,520

story like if there's aliens and Lou

3679

02:33:52,790 --> 02:33:50,100

elizondo's backyard but I think the

3680

02:33:54,889 --> 02:33:52,800

public needs to know about it maybe the

3681

02:33:57,650 --> 02:33:54,899

aliens are surveilling him because he

3682

02:33:59,030 --> 02:33:57,660

ran the government's UFO program oh wait

3683

02:34:01,130 --> 02:33:59,040

a minute they would know that program

3684

02:34:03,410 --> 02:34:01,140

was imaginary didn't have any funding

3685

02:34:05,750 --> 02:34:03,420

and they just made it up right it wasn't

3686

02:34:09,170 --> 02:34:05,760

an official program there's not a single

3687

02:34:12,950 --> 02:34:09,180

piece of paper right no reports no UFO

3688

02:34:16,670 --> 02:34:12,960

investigation reports or anything yeah

3689

02:34:18,950 --> 02:34:16,680

no I think this story is stupid because

3690

02:34:20,450 --> 02:34:18,960

again if there's really aliens in this

3691

02:34:23,210 --> 02:34:20,460

backyard you would want people to know

3692

02:34:26,510 --> 02:34:23,220

right why would you purposefully conceal

3693

02:34:29,090 --> 02:34:26,520

where you took that UFO video it's just

3694

02:34:31,370 --> 02:34:29,100

so stupid and this is what we've gone to

3695

02:34:34,070 --> 02:34:31,380

you know we've gone from these guys

3696

02:34:37,070 --> 02:34:34,080

getting videos out of the Pentagon to uh

3697

02:34:41,090 --> 02:34:37,080

making UFO videos that are most likely

3698

02:34:44,270 --> 02:34:41,100

fake in their backyard to keep the con

3699

02:34:48,349 --> 02:34:45,610

yeah

3700

02:34:52,730 --> 02:34:48,359

who is he's he's like the Walmart

3701

02:34:56,809 --> 02:34:52,740

greeter over in live chat psyop what

3702

02:35:00,349 --> 02:34:56,819

could I check out the John uh no I

3703

02:35:02,630 --> 02:35:00,359

didn't yet uh I've got a huge reading

3704

02:35:06,650 --> 02:35:02,640

list but it's on my list and my reading

3705

02:35:08,450 --> 02:35:06,660

list and you know what I do is I've been

3706

02:35:11,330 --> 02:35:08,460

taking piles of books to the cabin

3707

02:35:12,429 --> 02:35:11,340

because there I have time to at night

3708

02:35:15,950 --> 02:35:12,439

anyway

3709

02:35:19,190 --> 02:35:15,960

you know catch up on reading

3710

02:35:21,889 --> 02:35:19,200

next minute Elizondo is an experiercer

3711

02:35:24,490 --> 02:35:21,899

in his backyard Patty says the Land of

3712

02:35:27,170 --> 02:35:24,500

Make-Believe right

3713

02:35:30,590 --> 02:35:27,180

twitch viewers call-in show so we could

3714

02:35:33,830 --> 02:35:30,600

use cuss words yeah yeah if we do if we

3715

02:35:35,990 --> 02:35:33,840

do a call-in show it's ha it has to be

3716

02:35:36,889 --> 02:35:36,000

on Twitch as true Seekers uncensored

3717

02:35:39,230 --> 02:35:36,899

because

3718

02:35:42,410 --> 02:35:39,240

when you just open the lines people come

3719

02:35:44,750 --> 02:35:42,420

in and curse and it'll ruin our YouTube

3720

02:35:48,770 --> 02:35:44,760

situation now right

3721

02:35:55,309 --> 02:35:48,780

this week on backyard UFO wrestling yes

3722

02:35:59,330 --> 02:35:56,750

and

3723

02:36:01,190 --> 02:35:59,340

I'm supposed to remind you so we'll take

3724

02:36:03,830 --> 02:36:01,200

a moment to remind you that we are a

3725

02:36:06,590 --> 02:36:03,840

viewer supported show we read every

3726

02:36:08,450 --> 02:36:06,600

single Super Chat and thank every single

3727

02:36:10,969 --> 02:36:08,460

person that offers any support to the

3728

02:36:14,270 --> 02:36:10,979

show however they do that whether that

3729

02:36:16,849 --> 02:36:14,280

be uh being a patreon supporter if you

3730

02:36:19,070 --> 02:36:16,859

become a member during the live show we

3731

02:36:21,590 --> 02:36:19,080

can you know call you out and shout you

3732

02:36:24,170 --> 02:36:21,600

out and thank you if you send a Super

3733

02:36:26,090 --> 02:36:24,180

Chat we read it super sticker we show it

3734

02:36:28,190 --> 02:36:26,100

uh and I'll be showing any of them for

3735

02:36:29,929 --> 02:36:28,200

the remainder of the show on screen I'm

3736

02:36:32,090 --> 02:36:29,939

sorry I missed those we haven't missed

3737

02:36:34,190 --> 02:36:32,100

them in a while I've been showing them

3738

02:36:35,809 --> 02:36:34,200

as they come in so I apologize they

3739

02:36:37,550 --> 02:36:35,819

weren't bigger on the screen but thank

3740

02:36:40,429 --> 02:36:37,560

you all for your kindness generosity and

3741

02:36:41,870 --> 02:36:40,439

support and the show is not over we're

3742

02:36:44,870 --> 02:36:41,880

still taking comments and questions

3743

02:36:47,210 --> 02:36:44,880

still got some things to share so the

3744

02:36:49,190 --> 02:36:47,220

show is not over we're just going to uh

3745

02:36:51,650 --> 02:36:49,200

play this or let you know how you can

3746

02:37:04,290 --> 02:36:51,660

support the show if you choose to

3747

02:37:04,300 --> 02:37:09,370

[Music]

3748

02:37:16,550 --> 02:37:12,790

Super Chat soup stickers super thanks

3749

02:37:18,910 --> 02:37:16,560

PayPal or cash out instructions for how

3750

02:37:22,250 --> 02:37:18,920

to help are in the description

3751

02:37:24,469 --> 02:37:22,260

you can also join our patreon and for as

3752

02:37:27,830 --> 02:37:24,479

little as one dollar a month you can get

3753

02:37:30,590 --> 02:37:27,840

extra content patreon supporters get a

3754

02:37:32,210 --> 02:37:30,600

backstage pass Early Access to all my

3755

02:37:34,790 --> 02:37:32,220

production videos before they are

3756

02:37:37,490 --> 02:37:34,800

distributed publicly Stephen campion's

3757

02:37:40,790 --> 02:37:37,500

music private writings a monthly show

3758

02:37:42,889 --> 02:37:40,800

journal and more you can also become a

3759

02:37:45,530 --> 02:37:42,899

YouTube channel member for five dollars

3760

02:37:48,290 --> 02:37:45,540

a month a YouTube membership includes

3761

02:37:51,170 --> 02:37:48,300

all the patreon benefits plus a special

3762

02:37:54,050 --> 02:37:51,180

members badge priority reply to video

3763

02:37:57,170 --> 02:37:54,060

comments and the live chat plus a

3764

02:38:00,230 --> 02:37:57,180

monthly Members Only video we thank you

3765

02:38:01,849 --> 02:38:00,240

all kinds and generous benefactors for

3766

02:38:04,849 --> 02:38:01,859

supporting truth seeking

3767

02:38:17,860 --> 02:38:04,859

thank you for your generosity and

3768

02:38:46,090 --> 02:38:27,050

[Music]

3769

02:38:52,130 --> 02:38:48,950

thanks for being here this is truth

3770

02:38:54,650 --> 02:38:52,140

Seekers with your hosts Stephen champion

3771

02:38:57,170 --> 02:38:54,660

please write like and comment on our

3772

02:38:59,330 --> 02:38:57,180

videos and podcasts if you are listening

3773

02:39:01,550 --> 02:38:59,340

to all of your podcast please write us

3774

02:39:04,070 --> 02:39:01,560

five stars to help us rise in the search

3775

02:39:06,650 --> 02:39:04,080

rankings if you're watching on YouTube

3776

02:39:09,110 --> 02:39:06,660

please like comment and subscribe to our

3777

02:39:10,910 --> 02:39:09,120

Channel if you're listening to all your

3778

02:39:13,550 --> 02:39:10,920

podcast we love and appreciate you

3779

02:39:16,429 --> 02:39:13,560

listeners but you are missing the live

3780

02:39:19,190 --> 02:39:16,439

tapings all our shows are recorded live

3781

02:39:21,469 --> 02:39:19,200

with video feeds we'd love you to come

3782

02:39:24,530 --> 02:39:21,479

be a part of our live broadcasts and

3783

02:39:26,990 --> 02:39:24,540

tapings for the podcast head on over to

3784

02:39:29,809 --> 02:39:27,000

YouTube click the Search tool the little

3785

02:39:31,849 --> 02:39:29,819

magnifying glass what should see is one

3786

02:39:34,250 --> 02:39:31,859

word in the search bar and hit enter

3787

02:39:36,530 --> 02:39:34,260

you'll see a strange and mysterious guy

3788

02:39:38,990 --> 02:39:36,540

with sunglasses that means you found the

3789

02:39:41,809 --> 02:39:39,000

channel go there smash the Subscribe

3790

02:39:43,969 --> 02:39:41,819

button and hit the notification Bell to

3791

02:39:46,670 --> 02:39:43,979

receive up-to-date info on our YouTube

3792

02:39:49,490 --> 02:39:46,680

channel we welcome you to be a part of

3793

02:39:52,969 --> 02:39:49,500

our live taping and our chat room during

3794

02:39:56,030 --> 02:39:52,979

the live broadcasts seek

3795

02:40:11,389 --> 02:39:56,040

speaking speak truth this is true to

3796

02:40:16,190 --> 02:40:14,450

all right we are back and I I have uh

3797

02:40:19,370 --> 02:40:16,200

something interesting to share that

3798

02:40:22,370 --> 02:40:19,380

spooky discovered uh we did these two

3799

02:40:26,450 --> 02:40:22,380

shows uh back to back

3800

02:40:28,790 --> 02:40:26,460

um this was Marina sarin goes full

3801  
02:40:30,170 --> 02:40:28,800  
you know what on interview or Nazi on

3802  
02:40:31,730 --> 02:40:30,180  
interviewer

3803  
02:40:34,969 --> 02:40:31,740  
um I don't think the algorithm likes

3804  
02:40:37,190 --> 02:40:34,979  
that word and uh so we try not to say

3805  
02:40:39,590 --> 02:40:37,200  
those words that offend the AI algorithm

3806  
02:40:43,270 --> 02:40:39,600  
Gods uh but interestingly

3807  
02:40:47,389 --> 02:40:43,280  
both shows uh

3808  
02:40:50,090 --> 02:40:47,399  
were one one second off of each other in

3809  
02:40:52,250 --> 02:40:50,100  
timing I don't know how I did that

3810  
02:40:57,349 --> 02:40:52,260  
I don't think I could ever do that again

3811  
02:40:59,630 --> 02:40:57,359  
but I guess my timing is off because

3812  
02:41:02,570 --> 02:40:59,640  
I try to make them exactly the same time

3813  
02:41:05,210 --> 02:41:02,580

but we were one second off for one of

3814

02:41:07,730 --> 02:41:05,220

them the the first one was four hours

3815

02:41:09,650 --> 02:41:07,740

seven minutes and 43 seconds and the

3816

02:41:12,590 --> 02:41:09,660

second one was four hours seven minutes

3817

02:41:15,110 --> 02:41:12,600

and 42 seconds so I just want to

3818

02:41:17,330 --> 02:41:15,120

apologize for my lack of good timing and

3819

02:41:19,910 --> 02:41:17,340

I'll try harder on these multi-part

3820

02:41:22,910 --> 02:41:19,920

shows to uh

3821

02:41:25,730 --> 02:41:22,920

to get it right that's so bizarre

3822

02:41:26,990 --> 02:41:25,740

absolutely bizarre so we'll take some

3823

02:41:28,429 --> 02:41:27,000

more comments and questions from the

3824

02:41:30,710 --> 02:41:28,439

live chat anything you want me to share

3825

02:41:32,330 --> 02:41:30,720

on the screen or talk about or answer

3826

02:41:34,790 --> 02:41:32,340

questions please put them in all capital

3827

02:41:37,429 --> 02:41:34,800

letters it really does help as I am

3828

02:41:39,590 --> 02:41:37,439

visually impaired and uh it helps me

3829

02:41:43,190 --> 02:41:39,600

quickly identify that you want me to

3830

02:41:46,389 --> 02:41:43,200

share that or talk about that or or uh

3831

02:41:50,150 --> 02:41:48,650

this is interesting Craig says YouTube

3832

02:41:52,130 --> 02:41:50,160

gives me spaced out woo train

3833

02:41:53,630 --> 02:41:52,140

notifications when there's a UFO topic

3834

02:41:56,270 --> 02:41:53,640

and I'm not even subbed thank you

3835

02:41:58,610 --> 02:41:56,280

YouTube algorithm theities yeah I guess

3836

02:42:00,950 --> 02:41:58,620

they think you need to know right

3837

02:42:03,469 --> 02:42:00,960

personally I think Elizondo could talk

3838

02:42:05,330 --> 02:42:03,479

to bark off a tree and how he keeps

3839

02:42:06,410 --> 02:42:05,340

leading you in circles about a few Clips

3840

02:42:08,450 --> 02:42:06,420

they put out

3841

02:42:11,570 --> 02:42:08,460

on the news he commented on yeah if you

3842

02:42:13,450 --> 02:42:11,580

think about it three UFO videos plus

3843

02:42:19,250 --> 02:42:13,460

this backyard one

3844

02:42:22,130 --> 02:42:19,260

in six what more than that uh 2016 you

3845

02:42:25,969 --> 02:42:22,140

know that's four seven years

3846

02:42:28,670 --> 02:42:25,979

seven years three videos plus

3847

02:42:30,170 --> 02:42:28,680

the backyard video which I don't even

3848

02:42:33,710 --> 02:42:30,180

know if we should count this backyard

3849

02:42:35,450 --> 02:42:33,720

video as you know this one's garbage and

3850

02:42:38,450 --> 02:42:35,460

the others at least came from military

3851

02:42:40,910 --> 02:42:38,460

sources right

3852

02:42:42,770 --> 02:42:40,920

um storm Crow says could be more spooky

3853

02:42:44,230 --> 02:42:42,780

uh could sell out the third phrase of

3854

02:42:46,910 --> 02:42:44,240

moon Greer or

3855

02:42:50,570 --> 02:42:46,920

drift on yeah

3856

02:42:54,530 --> 02:42:50,580

oh we shared that one already uh

3857

02:42:59,389 --> 02:42:57,290

Chris Welch says I seen louizondo on the

3858

02:43:01,790 --> 02:42:59,399

news with the Tic Tac UFO saying how he

3859

02:43:03,650 --> 02:43:01,800

has no idea what they are or how they

3860

02:43:05,030 --> 02:43:03,660

work or anything about where they may

3861

02:43:08,150 --> 02:43:05,040

come from

3862

02:43:09,170 --> 02:43:08,160

well he's the expert right

3863

02:43:12,710 --> 02:43:09,180

um

3864

02:43:14,450 --> 02:43:12,720

I I I I don't understand making a career

3865

02:43:16,250 --> 02:43:14,460

for seven years out of three videos

3866

02:43:17,750 --> 02:43:16,260

borrowed out of the pen

3867

02:43:20,030 --> 02:43:17,760

gun that were never supposed to be

3868

02:43:22,250 --> 02:43:20,040

released to the public

3869

02:43:24,230 --> 02:43:22,260

um I just don't understand welcome to

3870

02:43:25,870 --> 02:43:24,240

the Wacky World of UFO land where you

3871

02:43:28,490 --> 02:43:25,880

can make a living a full-time living

3872

02:43:30,830 --> 02:43:28,500

well apparently he has other jobs so

3873

02:43:32,330 --> 02:43:30,840

maybe we can't say that

3874

02:43:34,670 --> 02:43:32,340

um but you know you can make money and

3875

02:43:37,670 --> 02:43:34,680

get TV show deals and book deals for

3876

02:43:40,010 --> 02:43:37,680

seven years based on videos that were

3877

02:43:41,110 --> 02:43:40,020

never really supposed to be released to

3878

02:43:46,130 --> 02:43:41,120

the public

3879

02:43:47,929 --> 02:43:46,140

I I I don't understand that and uh

3880

02:43:49,910 --> 02:43:47,939

I don't know how that works Deborah

3881

02:43:51,770 --> 02:43:49,920

Jones Loveless and thank you for being a

3882

02:43:53,210 --> 02:43:51,780

member so spooky we appreciate you and

3883

02:43:54,550 --> 02:43:53,220

all the other peeps that make the show

3884

02:43:56,929 --> 02:43:54,560

possible

3885

02:43:59,570 --> 02:43:56,939

your efforts really make the show pop

3886

02:44:02,270 --> 02:43:59,580

yeah spooky is a much better graphics

3887

02:44:07,550 --> 02:44:05,090

than I am for sure

3888

02:44:09,950 --> 02:44:07,560

um you know I do okay but it takes me

3889

02:44:11,929 --> 02:44:09,960

five times longer gonna take spooky to

3890

02:44:14,389 --> 02:44:11,939

make it right

3891

02:44:16,370 --> 02:44:14,399

um you push everyone who watches and

3892

02:44:18,050 --> 02:44:16,380

supports us you make it go yeah

3893

02:44:20,570 --> 02:44:18,060

stormcourse says any update on the

3894

02:44:23,090 --> 02:44:20,580

awesome looking doc oh we can't talk

3895

02:44:24,349 --> 02:44:23,100

about that there's ndas

3896

02:44:26,450 --> 02:44:24,359

okay

3897

02:44:29,690 --> 02:44:26,460

it's top secret you're not allowed to

3898

02:44:31,250 --> 02:44:29,700

talk about it in the life you're not oh

3899

02:44:33,349 --> 02:44:31,260

right

3900

02:44:35,450 --> 02:44:33,359

what channel or can we jock off to now

3901

02:44:37,790 --> 02:44:35,460

that Marina sarin is no longer on only

3902

02:44:39,530 --> 02:44:37,800

fans can Elizabeth April do girl on girl

3903

02:44:42,410 --> 02:44:39,540

and only fans now

3904

02:44:46,309 --> 02:44:44,750

uh I don't want to get in trouble I was

3905

02:44:48,469 --> 02:44:46,319

going to say like if I had to pick one

3906

02:44:51,770 --> 02:44:48,479

of them you know that Elizabeth April I

3907

02:44:54,410 --> 02:44:51,780

think is much much more attractive I'm

3908

02:44:56,450 --> 02:44:54,420

married I'm not dead right an old man

3909

02:44:59,929 --> 02:44:56,460

isn't it weird how all men have their

3910

02:45:02,630 --> 02:44:59,939

preferences right you know I've had guy

3911

02:45:04,610 --> 02:45:02,640

friends and had arguments over you know

3912

02:45:08,090 --> 02:45:04,620

some girl that they thought I'm like you

3913

02:45:09,590 --> 02:45:08,100

really you think she's hot why you know

3914

02:45:12,170 --> 02:45:09,600

and uh

3915

02:45:14,510 --> 02:45:12,180

I guess every every man has their uh

3916

02:45:16,910 --> 02:45:14,520

sort of preference right some Gentlemen

3917

02:45:19,250 --> 02:45:16,920

Prefer Blondes and some prefer brunettes

3918

02:45:22,969 --> 02:45:19,260

and some like tall girls and some like

3919

02:45:25,429 --> 02:45:22,979

short petite girls and some like uh

3920

02:45:27,950 --> 02:45:25,439

you know larger assets smaller assets

3921

02:45:30,469 --> 02:45:27,960

big this small that who knows you know

3922

02:45:33,170 --> 02:45:30,479

yeah

3923

02:45:34,790 --> 02:45:33,180

uh Plan B says these guys are so lame

3924

02:45:37,250 --> 02:45:34,800

they have their little Insider group

3925

02:45:39,889 --> 02:45:37,260

chat trading videos and info but the

3926

02:45:41,929 --> 02:45:39,899

UFOs and info suck well isn't it funny

3927

02:45:44,270 --> 02:45:41,939

though you remember that they live in a

3928

02:45:46,130 --> 02:45:44,280

just delusional bubble Plan B where

3929

02:45:49,130 --> 02:45:46,140

they're important and they're bringing

3930

02:45:53,090 --> 02:45:49,140

disclosure right so they share these

3931

02:45:54,950 --> 02:45:53,100

videos with their their Circle

3932

02:45:56,990 --> 02:45:54,960

jerker friends

3933

02:45:59,750 --> 02:45:57,000

and they all circle jerk each other off

3934

02:46:03,110 --> 02:45:59,760

about disclosure and aliens and and it's

3935

02:46:06,950 --> 02:46:03,120

a garbage video so I guess if you're on

3936

02:46:09,410 --> 02:46:06,960

the inside track with uh

3937

02:46:11,809 --> 02:46:09,420

you know Lou Alexander's Inner Circle

3938

02:46:13,910 --> 02:46:11,819

that he shows the good stuff to that's

3939

02:46:17,929 --> 02:46:13,920

the good stuff we filmed it in our

3940

02:46:20,090 --> 02:46:17,939

backyard you got to see that a year in

3941

02:46:21,770 --> 02:46:20,100

advance of when they released it and and

3942

02:46:26,290 --> 02:46:21,780

I agree with Jeff like why release it

3943

02:46:32,389 --> 02:46:28,910

serrated grin says I'll take whatever I

3944

02:46:34,730 --> 02:46:32,399

have no standards yeah you know

3945

02:46:36,349 --> 02:46:34,740

do you ever serrated grid you ever like

3946

02:46:37,910 --> 02:46:36,359

I remember when I was single you know

3947

02:46:40,130 --> 02:46:37,920

sometimes you just haven't had a date in

3948

02:46:41,750 --> 02:46:40,140

a long time and then a girl like it

3949

02:46:44,929 --> 02:46:41,760

comes along that's not really a thing

3950

02:46:46,910 --> 02:46:44,939

but you go wow I'll go out there and see

3951

02:46:49,670 --> 02:46:46,920

you know

3952

02:46:52,809 --> 02:46:49,680

and uh maybe that'll get me started on

3953

02:46:55,250 --> 02:46:52,819

you know other Adventures or something

3954

02:46:57,370 --> 02:46:55,260

sometimes I've I've become friends with

3955

02:47:00,110 --> 02:46:57,380

them and you know met some nice people

3956

02:47:02,870 --> 02:47:00,120

if you don't have

3957

02:47:04,849 --> 02:47:02,880

I mean I guess everybody wait everybody

3958

02:47:06,650 --> 02:47:04,859

should have some sort of Standards but

3959

02:47:08,570 --> 02:47:06,660

yeah you should be open to new

3960

02:47:12,050 --> 02:47:08,580

experiences that's what I'm saying right

3961

02:47:14,570 --> 02:47:12,060

don't be so quick to to say no

3962

02:47:18,830 --> 02:47:16,610

Cohen says I want Marina Sarah Elizabeth

3963

02:47:20,510 --> 02:47:18,840

April and Megan Rose to do girl and girl

3964

02:47:22,010 --> 02:47:20,520

on girl

3965

02:47:24,889 --> 02:47:22,020

you guys are going to get me in trouble

3966

02:47:26,630 --> 02:47:24,899

I shouldn't be sharing those and uh you

3967

02:47:30,230 --> 02:47:26,640

know the opinions expressed in a live

3968

02:47:31,370 --> 02:47:30,240

chat do not necessarily uh well that one

3969

02:47:33,830 --> 02:47:31,380

does

3970

02:47:37,550 --> 02:47:33,840

can't lie that one yeah I'd probably

3971

02:47:42,349 --> 02:47:40,070

um yeah

3972

02:47:45,349 --> 02:47:42,359

Amy Collins it reminds me back when kids

3973

02:47:47,570 --> 02:47:45,359

used to trade cards oh boy you got a

3974

02:47:50,410 --> 02:47:47,580

flying triangle by the moon

3975

02:47:55,070 --> 02:47:52,790

you're absolutely right remember that

3976

02:47:59,510 --> 02:47:55,080

when I was a kid we were trading um

3977

02:48:03,950 --> 02:48:01,849

yeah Elizondo is bringing disclosure

3978

02:48:06,469 --> 02:48:03,960

over those few clips that have been on

3979

02:48:08,870 --> 02:48:06,479

the news yeah they've been on the news

3980

02:48:11,929 --> 02:48:08,880

for a long long time and uh still no

3981

02:48:13,969 --> 02:48:11,939

disclosure uh imagine that right imagine

3982

02:48:16,330 --> 02:48:13,979

that so comments or questions for me

3983

02:48:17,889 --> 02:48:16,340

please put them in all capital letters

3984

02:48:20,389 --> 02:48:17,899

uh

3985

02:48:22,849 --> 02:48:20,399

we have done our due diligence tonight

3986

02:48:24,650 --> 02:48:22,859

and now we're pretty much in overtime

3987

02:48:28,130 --> 02:48:24,660

mode

3988

02:48:31,790 --> 02:48:28,140

um mega Briar Pat says Chris Mellon once

3989

02:48:33,530 --> 02:48:31,800

mentioned uh looking in CIS lunar orbit

3990

02:48:35,270 --> 02:48:33,540

for UAP

3991

02:48:37,550 --> 02:48:35,280

I thought it was an interesting out of

3992

02:48:41,150 --> 02:48:37,560

the blue comment very specific

3993

02:48:43,370 --> 02:48:41,160

well uh they have orbiters around the

3994

02:48:46,130 --> 02:48:43,380

moon now though that I think would see

3995

02:48:49,490 --> 02:48:46,140

uh

3996

02:48:52,370 --> 02:48:49,500

you know we'll see whatever is fine

3997

02:48:53,990 --> 02:48:52,380

around the Moon maybe Chris wealth says

3998

02:48:56,270 --> 02:48:54,000

that's such a crock it's a crock that

3999

02:48:58,910 --> 02:48:56,280

the military don't have any idea as to

4000

02:49:00,950 --> 02:48:58,920

what the crafts are

4001

02:49:02,870 --> 02:49:00,960

well

4002

02:49:05,510 --> 02:49:02,880

sometimes I wonder if they're as

4003

02:49:08,150 --> 02:49:05,520

clueless as the rest of us then for sure

4004

02:49:10,849 --> 02:49:08,160

a lot of these UFO celebrities I think

4005

02:49:13,070 --> 02:49:10,859

uh sort of pretend

4006

02:49:14,990 --> 02:49:13,080

that they're in the know or they have

4007

02:49:16,969 --> 02:49:15,000

some secret knowledge this way they can

4008

02:49:19,190 --> 02:49:16,979

get paid you know

4009

02:49:21,230 --> 02:49:19,200

but they never seem to drop anything

4010

02:49:23,750 --> 02:49:21,240

good or anything that we don't already

4011

02:49:24,950 --> 02:49:23,760

know or didn't you know like they bring

4012

02:49:32,809 --> 02:49:24,960

out

4013

02:49:35,809 --> 02:49:32,819

backyard UFO videos right

4014

02:49:37,250 --> 02:49:35,819

uh Wally's World oh boy I did a lot of

4015

02:49:39,889 --> 02:49:37,260

that Wally's World said when I was a kid

4016

02:49:42,230 --> 02:49:39,899

we built go-karts from wood yeah my dad

4017

02:49:44,690 --> 02:49:42,240

used to help us and we used to do that

4018

02:49:47,870 --> 02:49:44,700

David Bucky is here and saying I love

4019

02:49:50,570 --> 02:49:47,880

all women big small tort tall short

4020

02:49:52,910 --> 02:49:50,580

thick skinny trans sense any in

4021

02:49:55,849 --> 02:49:52,920

ethnicity it's more about personality or

4022

02:49:58,250 --> 02:49:55,859

if we get along well boy David Bucky's

4023

02:50:01,130 --> 02:49:58,260

got a like totally open policy he's got

4024

02:50:03,230 --> 02:50:01,140

an open door policy any any woman he

4025

02:50:05,570 --> 02:50:03,240

just wants any woman

4026

02:50:07,250 --> 02:50:05,580

these channelers have no shame why not

4027

02:50:09,230 --> 02:50:07,260

do growing girl videos and make real

4028

02:50:12,410 --> 02:50:09,240

money it's honest and no made-up Stories

4029

02:50:16,429 --> 02:50:12,420

the ladies are missing the mark

4030

02:50:18,650 --> 02:50:16,439

um yeah I mean I guess right uh

4031

02:50:20,570 --> 02:50:18,660

Stephen did you see those pictures of

4032

02:50:23,270 --> 02:50:20,580

this UFO looking craft that was spotted

4033

02:50:25,910 --> 02:50:23,280

on a highway in Nevada heading to this

4034

02:50:28,070 --> 02:50:25,920

other military base uh no

4035

02:50:29,750 --> 02:50:28,080

you could send them to me and by the way

4036

02:50:31,849 --> 02:50:29,760

thanks for being a member companies

4037

02:50:34,730 --> 02:50:31,859

there we appreciate you you could send

4038

02:50:38,270 --> 02:50:34,740

them to me truthseekersshow gmail.com

4039

02:50:40,070 --> 02:50:38,280

right Deborah yeah and I'm sure women

4040

02:50:42,230 --> 02:50:40,080

have preference in their men

4041

02:50:44,510 --> 02:50:42,240

you know what's funny Deborah all the

4042

02:50:46,790 --> 02:50:44,520

female friends that I've had have had

4043

02:50:49,010 --> 02:50:46,800

very specific they were very specific

4044

02:50:50,870 --> 02:50:49,020

you know like I had one female friend

4045

02:50:55,370 --> 02:50:50,880

she would only date guys that were like

4046

02:50:57,650 --> 02:50:55,380

six foot tall but she was 5 10. so some

4047

02:50:59,809 --> 02:50:57,660

of those requirements make

4048

02:51:02,150 --> 02:50:59,819

some kind of sense right

4049

02:51:04,309 --> 02:51:02,160

but what I didn't like were the women

4050

02:51:06,349 --> 02:51:04,319

friends that I had or women that I I

4051  
02:51:08,150 --> 02:51:06,359  
knew from work that would tell me things

4052  
02:51:09,770 --> 02:51:08,160  
like oh I would never date a guy that

4053  
02:51:11,630 --> 02:51:09,780  
doesn't make a hundred thousand dollars

4054  
02:51:13,309 --> 02:51:11,640  
a year or more and I was just like

4055  
02:51:16,670 --> 02:51:13,319  
really like

4056  
02:51:19,490 --> 02:51:16,680  
it sounds pretty shallow to me but

4057  
02:51:23,330 --> 02:51:19,500  
some women want to be taken care of by a

4058  
02:51:25,309 --> 02:51:23,340  
man so I guess that's okay and yes uh

4059  
02:51:27,590 --> 02:51:25,319  
women definitely have their preference

4060  
02:51:31,610 --> 02:51:27,600  
in men some women like you know big

4061  
02:51:36,110 --> 02:51:33,650  
I don't know I mean I was always like

4062  
02:51:39,770 --> 02:51:36,120  
the weirdo artist type so I dated a lot

4063  
02:51:41,090 --> 02:51:39,780

of artist girls and things like that

4064

02:51:44,170 --> 02:51:41,100

um

4065

02:51:46,910 --> 02:51:44,180

never was like the guy that dated the

4066

02:51:49,190 --> 02:51:46,920

cheerleaders does that make sense

4067

02:51:51,530 --> 02:51:49,200

I dated the punk rock girls in the and

4068

02:51:54,530 --> 02:51:51,540

the strange chicks right The Poets and

4069

02:51:58,990 --> 02:51:54,540

the and the artists and the dance I

4070

02:52:05,510 --> 02:52:01,910

tomorrow's the big double nickels for

4071

02:52:06,889 --> 02:52:05,520

the man the myth uh okay Craig if you

4072

02:52:08,870 --> 02:52:06,899

say so

4073

02:52:11,090 --> 02:52:08,880

uh

4074

02:52:13,969 --> 02:52:11,100

one of my Wally's World says one of my

4075

02:52:15,710 --> 02:52:13,979

daughters-in-laws is six one Jesus she's

4076

02:52:17,570 --> 02:52:15,720

an Amazonian woman

4077

02:52:19,370 --> 02:52:17,580

big woman you know

4078

02:52:22,790 --> 02:52:19,380

I don't know I'm six three so I never

4079

02:52:25,730 --> 02:52:22,800

had a problem of like I I don't I've

4080

02:52:26,750 --> 02:52:25,740

never dated a girl taller than me that I

4081

02:52:28,849 --> 02:52:26,760

recall

4082

02:52:30,830 --> 02:52:28,859

I dated a girl that was almost as tall

4083

02:52:34,130 --> 02:52:30,840

as me once and she played basketball in

4084

02:52:35,990 --> 02:52:34,140

college she was pretty tall girl I just

4085

02:52:38,450 --> 02:52:36,000

think she was six foot

4086

02:52:41,750 --> 02:52:38,460

or just over six foot

4087

02:52:41,760 --> 02:52:45,830

tall

4088

02:52:49,910 --> 02:52:48,050

yeah there may be a Nazi Bell show soon

4089

02:52:53,510 --> 02:52:49,920

people have been asking me to cover the

4090

02:52:55,790 --> 02:52:53,520

Nazi Bell for years and uh we're trying

4091

02:52:57,650 --> 02:52:55,800

to make that happen so uh we're trying

4092

02:52:59,150 --> 02:52:57,660

to get some expert guests in here to

4093

02:53:01,370 --> 02:52:59,160

tell us all the best evidence of the

4094

02:53:02,450 --> 02:53:01,380

Nazi Bell and and yeah we'll talk about

4095

02:53:04,370 --> 02:53:02,460

it

4096

02:53:06,110 --> 02:53:04,380

David Bucky can you imagine saying I

4097

02:53:08,090 --> 02:53:06,120

only made a woman if she makes a hundred

4098

02:53:11,269 --> 02:53:08,100

thousand or more yeah but that's just it

4099

02:53:12,650 --> 02:53:11,279

men don't care like take this example

4100

02:53:14,809 --> 02:53:12,660

David Bucky

4101  
02:53:17,090 --> 02:53:14,819  
have you ever seen a guy in like a

4102  
02:53:19,250 --> 02:53:17,100  
McDonald's or a Burger King hitting on

4103  
02:53:23,210 --> 02:53:19,260  
the girl making the french fries right

4104  
02:53:25,070 --> 02:53:23,220  
yeah absolutely guys don't care like if

4105  
02:53:26,750 --> 02:53:25,080  
some guy's single and he walks in and

4106  
02:53:28,610 --> 02:53:26,760  
there's a nice looking girl making the

4107  
02:53:30,650 --> 02:53:28,620  
french fries or flipping burgers he

4108  
02:53:32,809 --> 02:53:30,660  
doesn't care he's chatting her up trying

4109  
02:53:35,090 --> 02:53:32,819  
to get a date now how many times have

4110  
02:53:36,710 --> 02:53:35,100  
you seen a woman walk into a McDonald's

4111  
02:53:38,690 --> 02:53:36,720  
or Burger King or something like that

4112  
02:53:41,030 --> 02:53:38,700  
and hit on a guy making fries or

4113  
02:53:44,450 --> 02:53:41,040

flipping burgers you'll you'll never see

4114

02:53:46,610 --> 02:53:44,460

I've never seen it you know

4115

02:53:48,769 --> 02:53:46,620

Plan B says I just assumed you were

4116

02:53:51,429 --> 02:53:48,779

short I guess because you only see this

4117

02:53:54,530 --> 02:53:51,439

much of me right you don't see the whole

4118

02:53:58,730 --> 02:53:54,540

yeah I don't know I've always been tall

4119

02:54:00,950 --> 02:53:58,740

but actually no I was a shrimp and then

4120

02:54:03,950 --> 02:54:00,960

I guess puberty hit and I just shot up

4121

02:54:06,710 --> 02:54:03,960

like a bean pole and uh yeah I've always

4122

02:54:08,750 --> 02:54:06,720

been tall and pretty skinny you know

4123

02:54:11,269 --> 02:54:08,760

people try to get me to play basketball

4124

02:54:13,190 --> 02:54:11,279

but I was terrible at it when I shot up

4125

02:54:15,530 --> 02:54:13,200

like this

4126  
02:54:17,630 --> 02:54:15,540  
all the basketball coaches would come

4127  
02:54:20,870 --> 02:54:17,640  
and harass me at school I'm like I'm

4128  
02:54:23,210 --> 02:54:20,880  
telling you I'm terrible I I couldn't

4129  
02:54:25,130 --> 02:54:23,220  
sing a biscuit to save my life at that

4130  
02:54:26,750 --> 02:54:25,140  
time

4131  
02:54:28,610 --> 02:54:26,760  
I would clearly date a woman who makes

4132  
02:54:29,269 --> 02:54:28,620  
100K a year I'm willing to take care of

4133  
02:54:32,690 --> 02:54:29,279  
me

4134  
02:54:37,790 --> 02:54:32,700  
well that's a good thing you know uh

4135  
02:54:42,950 --> 02:54:40,730  
uh

4136  
02:54:48,590 --> 02:54:42,960  
accomplish there is telling me to check

4137  
02:54:53,150 --> 02:54:51,410  
oh there we go Deborah says actually I

4138  
02:54:56,150 --> 02:54:53,160

did just the opposite I stayed with my

4139

02:54:58,070 --> 02:54:56,160

perfect average man dude and passed on

4140

02:55:00,769 --> 02:54:58,080

the professional type with a few more

4141

02:55:03,710 --> 02:55:00,779

coins I wasn't in it for coins and we've

4142

02:55:05,690 --> 02:55:03,720

done just fine yeah you gotta you gotta

4143

02:55:06,410 --> 02:55:05,700

really like the person and I love the

4144

02:55:08,870 --> 02:55:06,420

person

4145

02:55:10,670 --> 02:55:08,880

or it just doesn't last and isn't it

4146

02:55:12,290 --> 02:55:10,680

interesting Deborah like I don't know

4147

02:55:13,969 --> 02:55:12,300

everybody that me and my wife know are

4148

02:55:17,630 --> 02:55:13,979

divorced I have friends working on a

4149

02:55:20,990 --> 02:55:17,640

third or fourth wife and I just you know

4150

02:55:23,630 --> 02:55:21,000

we're we're still fine and uh

4151

02:55:26,630 --> 02:55:23,640

I think that the key to a happy life

4152

02:55:27,469 --> 02:55:26,640

really is a happy wife I've I've learned

4153

02:55:31,070 --> 02:55:27,479

that

4154

02:55:33,410 --> 02:55:31,080

and uh you just do better if you s don't

4155

02:55:35,570 --> 02:55:33,420

get divorced and remarried divorced and

4156

02:55:38,990 --> 02:55:35,580

remarried because those are those are

4157

02:55:40,849 --> 02:55:39,000

big you know you lose huge chunk of your

4158

02:55:42,290 --> 02:55:40,859

resources every time you get divorced

4159

02:55:44,870 --> 02:55:42,300

and remarried

4160

02:55:46,910 --> 02:55:44,880

and like I said I got friends family

4161

02:55:48,590 --> 02:55:46,920

everyone like you know

4162

02:55:51,410 --> 02:55:48,600

I don't I don't know if I ever get

4163

02:55:54,050 --> 02:55:51,420

divorced I will never remarry never

4164

02:55:55,849 --> 02:55:54,060

will never say never dated a Korean goth

4165

02:55:58,130 --> 02:55:55,859

girl in high school I'm half Hispanic it

4166

02:56:00,590 --> 02:55:58,140

was great while it lasted before leaving

4167

02:56:02,450 --> 02:56:00,600

to college uh yeah those High School

4168

02:56:04,370 --> 02:56:02,460

girlfriends remember that stuff David H

4169

02:56:06,410 --> 02:56:04,380

those are good times right

4170

02:56:08,929 --> 02:56:06,420

you wish you could go relive those days

4171

02:56:10,790 --> 02:56:08,939

I kind of do Maria Rose anyone have

4172

02:56:12,349 --> 02:56:10,800

opinions on the podcast called amazing

4173

02:56:13,910 --> 02:56:12,359

Legends I just noticed it while

4174

02:56:15,889 --> 02:56:13,920

listening to One of Jim Harold's

4175

02:56:18,830 --> 02:56:15,899

paranormal podcasts I'm not familiar

4176  
02:56:26,389 --> 02:56:22,309  
yes he posted more

4177  
02:56:28,490 --> 02:56:26,399  
CGI images yes did you see David Wilcock

4178  
02:56:30,950 --> 02:56:28,500  
post a new aircraft concept drawings on

4179  
02:56:34,010 --> 02:56:30,960  
his Twitter today yeah he was supposed

4180  
02:56:36,650 --> 02:56:34,020  
to show us a hover car by now a working

4181  
02:56:39,349 --> 02:56:36,660  
prototype what is he showing us more

4182  
02:56:42,290 --> 02:56:39,359  
pictures drawn on a computer of

4183  
02:56:45,290 --> 02:56:42,300  
airplanes that do not exist

4184  
02:56:47,450 --> 02:56:45,300  
right yeah happy wife happy life you're

4185  
02:56:50,990 --> 02:56:47,460  
absolutely right just

4186  
02:56:53,150 --> 02:56:51,000  
just do what she says just do what she

4187  
02:56:55,370 --> 02:56:53,160  
says and then you'll you'll have a

4188  
02:56:58,610 --> 02:56:55,380

you'll be happy she'll she'll tell

4189

02:56:59,990 --> 02:56:58,620

everybody you're happy yes anyone says

4190

02:57:02,510 --> 02:57:00,000

if you want to be happy for the rest of

4191

02:57:05,809 --> 02:57:02,520

your life you know that song do you know

4192

02:57:08,809 --> 02:57:05,819

Amy Collins I know I was at a wedding

4193

02:57:13,010 --> 02:57:08,819

once and some friends of the groom got

4194

02:57:14,290 --> 02:57:13,020

drunk and they they paid the DJ to play

4195

02:57:17,630 --> 02:57:14,300

that song

4196

02:57:19,550 --> 02:57:17,640

and then the bride cried and yelled and

4197

02:57:22,510 --> 02:57:19,560

screamed at the groom and it was this

4198

02:57:27,290 --> 02:57:22,520

whole don't play that song at a wedding

4199

02:57:31,070 --> 02:57:29,570

I like amazing Legends they are pretty

4200

02:57:33,710 --> 02:57:31,080

clear about what you're saying what's

4201

02:57:39,230 --> 02:57:34,670

um

4202

02:57:41,690 --> 02:57:39,240

yeah B Baker see who must be obeyed yeah

4203

02:57:43,910 --> 02:57:41,700

I give I you know look when I first got

4204

02:57:45,830 --> 02:57:43,920

married B Baker I would argue with my

4205

02:57:47,630 --> 02:57:45,840

wife and and I would like why does it

4206

02:57:49,550 --> 02:57:47,640

always got to be your way that's not

4207

02:57:51,170 --> 02:57:49,560

fair so I should get to make some

4208

02:57:55,250 --> 02:57:51,180

decisions

4209

02:57:56,870 --> 02:57:55,260

no after a while you learn just shut up

4210

02:57:59,090 --> 02:57:56,880

and do what she says because she's gonna

4211

02:58:03,950 --> 02:57:59,100

get what she wants anyway you might as

4212

02:58:07,130 --> 02:58:03,960

well just not waste the energy right

4213

02:58:10,070 --> 02:58:07,140

and choose your battles right I've

4214

02:58:14,330 --> 02:58:10,080

chosen almost no battles I just uh-huh

4215

02:58:17,330 --> 02:58:15,349

yeah

4216

02:58:20,570 --> 02:58:17,340

I can't complain though I got very very

4217

02:58:23,150 --> 02:58:20,580

lucky right Martin says I'm six two my

4218

02:58:24,710 --> 02:58:23,160

son is six three my wife is five five oh

4219

02:58:26,030 --> 02:58:24,720

that's interesting my wife is like five

4220

02:58:30,290 --> 02:58:26,040

foot nothing

4221

02:58:34,610 --> 02:58:32,150

Wally's World says me and my wife are

4222

02:58:37,490 --> 02:58:34,620

celebrating 32 years congratulations

4223

02:58:40,190 --> 02:58:37,500

you haven't murdered her yet you deserve

4224

02:58:42,230 --> 02:58:40,200

a prize living for 32 years with a woman

4225

02:58:47,929 --> 02:58:42,240

and not murdering her you should get a

4226

02:58:51,170 --> 02:58:49,730

Craig Williams talking about Dennis

4227

02:58:52,849 --> 02:58:51,180

Rodman I haven't thought about him

4228

02:58:55,250 --> 02:58:52,859

playing basketball for a while don't

4229

02:58:57,530 --> 02:58:55,260

have to be a wide uh body down low

4230

02:59:00,290 --> 02:58:57,540

Jordan wouldn't have averaged 30 in a

4231

02:59:03,349 --> 02:59:00,300

night without him yeah maybe right 32

4232

02:59:05,570 --> 02:59:03,359

years here too Luna Sparkles says 1991.

4233

02:59:08,929 --> 02:59:05,580

wow yeah I don't I don't think we're

4234

02:59:11,929 --> 02:59:08,939

going on that long uh

4235

02:59:13,500 --> 02:59:11,939

I think it was ninth in

4236

02:59:15,110 --> 02:59:13,510

yeah we're going on

4237

02:59:17,510 --> 02:59:15,120

[Music]

4238

02:59:20,269 --> 02:59:17,520

I've been with my wife for so long I

4239

02:59:23,690 --> 02:59:20,279

can't remember how long we were together

4240

02:59:29,030 --> 02:59:26,389

I think we're going on 25 years together

4241

02:59:31,610 --> 02:59:29,040

because we were

4242

02:59:33,290 --> 02:59:31,620

13 years we were together before we got

4243

02:59:35,570 --> 02:59:33,300

married and I think we've been married

4244

02:59:37,309 --> 02:59:35,580

11 years now so

4245

02:59:39,230 --> 02:59:37,319

it's a long time

4246

02:59:41,269 --> 02:59:39,240

stay with one person

4247

02:59:42,889 --> 02:59:41,279

but you know the kids like her so I keep

4248

02:59:44,889 --> 02:59:42,899

her you know

4249

02:59:51,769 --> 02:59:44,899

that's what it is

4250

02:59:57,230 --> 02:59:53,750

because my wife into conspiracy

4251  
03:00:00,349 --> 02:59:57,240  
Supernatural or anything no well

4252  
03:00:03,469 --> 03:00:00,359  
I think she will like like ghost stories

4253  
03:00:07,429 --> 03:00:03,479  
uh and things like that and movies about

4254  
03:00:09,889 --> 03:00:07,439  
ghosts and or documentaries about ghosts

4255  
03:00:12,950 --> 03:00:09,899  
and she really really likes True Crime

4256  
03:00:15,110 --> 03:00:12,960  
so uh if we ever watch anything together

4257  
03:00:17,269 --> 03:00:15,120  
which is so rare when you got two kids

4258  
03:00:19,190 --> 03:00:17,279  
you don't have time for movies and you

4259  
03:00:21,230 --> 03:00:19,200  
know by the time those kids go to bed

4260  
03:00:23,389 --> 03:00:21,240  
you're exhausted you fall over we used

4261  
03:00:27,349 --> 03:00:23,399  
to hang out more together and watch like

4262  
03:00:29,150 --> 03:00:27,359  
True Crime shows and things like that

4263  
03:00:31,610 --> 03:00:29,160

you're supposed to keep track of that

4264

03:00:34,070 --> 03:00:31,620

info Stephen yeah I'll try to do better

4265

03:00:36,769 --> 03:00:34,080

you know what I'll do is I'll I'll

4266

03:00:38,690 --> 03:00:36,779

figure it out off air you know and then

4267

03:00:39,590 --> 03:00:38,700

I'll write it down and if I ever need it

4268

03:00:41,809 --> 03:00:39,600

it'll be

4269

03:00:43,969 --> 03:00:41,819

in a text file there so I don't screw

4270

03:00:45,950 --> 03:00:43,979

that up again you know

4271

03:00:47,929 --> 03:00:45,960

um because you're right that this stuff

4272

03:00:50,570 --> 03:00:47,939

is important you got to keep track of it

4273

03:00:53,809 --> 03:00:50,580

and Christian Fountain is here in the

4274

03:00:57,170 --> 03:00:53,819

live chat uh well in the Facebook and uh

4275

03:00:59,750 --> 03:00:57,180

we say hello and I'm gonna go over right

4276

03:01:01,490 --> 03:00:59,760

now and I'm gonna say hello in the

4277

03:01:03,889 --> 03:01:01,500

twitch

4278

03:01:06,370 --> 03:01:03,899

chat uh for those who if you ever want

4279

03:01:10,070 --> 03:01:06,380

to watch us on Twitch it's twitch.tv

4280

03:01:12,170 --> 03:01:10,080

backslash truth Seeker show

4281

03:01:15,110 --> 03:01:12,180

and I just put in their hello twitch

4282

03:01:17,809 --> 03:01:15,120

folks and uh yeah

4283

03:01:22,130 --> 03:01:17,819

so uh

4284

03:01:23,929 --> 03:01:22,140

I am gonna check the uh the rumble uh

4285

03:01:26,690 --> 03:01:23,939

live chat as well

4286

03:01:28,849 --> 03:01:26,700

and say hello in the rumble live chat we

4287

03:01:32,150 --> 03:01:28,859

welcome all of our viewers whatever

4288

03:01:34,010 --> 03:01:32,160

platform you are listening on uh we're

4289

03:01:37,849 --> 03:01:34,020

glad to have you here with us you're

4290

03:01:40,670 --> 03:01:37,859

watching true Seekers and uh I am just

4291

03:01:43,309 --> 03:01:40,680

checking in with the uh

4292

03:01:46,130 --> 03:01:43,319

with the live chat

4293

03:01:49,070 --> 03:01:46,140

of our various platforms

4294

03:01:51,309 --> 03:01:49,080

um and we have golden golden tulip is

4295

03:01:53,750 --> 03:01:51,319

over in the rumble chat

4296

03:01:55,070 --> 03:01:53,760

uh and I'm just gonna put in here hello

4297

03:01:57,950 --> 03:01:55,080

Rebel friends

4298

03:02:00,469 --> 03:01:57,960

unfortunately the rumble chat uh stuff

4299

03:02:02,870 --> 03:02:00,479

does not get aggregated over here to me

4300

03:02:05,570 --> 03:02:02,880

they're working on that hopefully we'll

4301

03:02:07,429 --> 03:02:05,580

have that available soon we get the

4302

03:02:11,389 --> 03:02:07,439

Facebook and the YouTube and the twitch

4303

03:02:15,710 --> 03:02:14,090

yeah here uh Garrett bodell says I've

4304

03:02:17,570 --> 03:02:15,720

been married for 26 years it's a long

4305

03:02:20,330 --> 03:02:17,580

time but I'm completely dedicated to my

4306

03:02:23,630 --> 03:02:20,340

wife my two boys everything is for them

4307

03:02:28,010 --> 03:02:23,640

but like you knock on everybody I mean

4308

03:02:30,110 --> 03:02:28,020

you think those uh oh okay

4309

03:02:33,110 --> 03:02:30,120

when is Mrs Cameron starting her True

4310

03:02:36,290 --> 03:02:33,120

Crime podcast she's not real big on

4311

03:02:37,429 --> 03:02:36,300

Spotlight uh she's she's kind of shy

4312

03:02:39,110 --> 03:02:37,439

girl

4313

03:02:41,030 --> 03:02:39,120

so I don't think she'll ever do a

4314

03:02:42,710 --> 03:02:41,040

podcast I try to get her to do a show

4315

03:02:44,090 --> 03:02:42,720

with me one time because

4316

03:02:44,929 --> 03:02:44,100

she actually

4317

03:02:47,150 --> 03:02:44,939

um

4318

03:02:49,849 --> 03:02:47,160

had some really strange childhood

4319

03:02:51,950 --> 03:02:49,859

experiences of a psychic nature like she

4320

03:02:53,990 --> 03:02:51,960

knew her father was in a fire once and

4321

03:02:56,150 --> 03:02:54,000

some other stuff and uh

4322

03:02:57,250 --> 03:02:56,160

her mom was a little afraid of her

4323

03:02:59,929 --> 03:02:57,260

because

4324

03:03:01,969 --> 03:02:59,939

she apparently knew things before they

4325

03:03:03,469 --> 03:03:01,979

happened and stuff but she hasn't she

4326

03:03:05,210 --> 03:03:03,479

doesn't want to talk about that I'm

4327

03:03:07,550 --> 03:03:05,220

trying to get her to do it

4328

03:03:12,290 --> 03:03:07,560

uh Wilcox was in the twitch chat earlier

4329

03:03:17,690 --> 03:03:15,170

that oh pissed on not pissed off he was

4330

03:03:19,250 --> 03:03:17,700

pissed on for those that are unaware

4331

03:03:21,650 --> 03:03:19,260

David Wilcox said he could get super

4332

03:03:23,929 --> 03:03:21,660

powers from the Archangel Michael by

4333

03:03:26,690 --> 03:03:23,939

taking baths in your own piss that was

4334

03:03:28,550 --> 03:03:26,700

his last live stream and uh nobody's

4335

03:03:30,050 --> 03:03:28,560

heard from him since we think he's still

4336

03:03:31,610 --> 03:03:30,060

in a bathtub full of piss trying to

4337

03:03:32,570 --> 03:03:31,620

figure this out I don't know I

4338

03:03:33,950 --> 03:03:32,580

don't know what happened to him I'm

4339

03:03:35,929 --> 03:03:33,960

worried about him

4340

03:03:39,349 --> 03:03:35,939

I always took college girls in Crazy

4341

03:03:41,269 --> 03:03:39,359

blonde channelers okay Cohen

4342

03:03:43,670 --> 03:03:41,279

well what are we going to say we're over

4343

03:03:45,170 --> 03:03:43,680

three hours so we are gonna bounce on

4344

03:03:47,990 --> 03:03:45,180

out of here we have done our due

4345

03:03:49,610 --> 03:03:48,000

diligence for today uh I think we had a

4346

03:03:51,950 --> 03:03:49,620

good day today and we're gonna have a

4347

03:03:54,710 --> 03:03:51,960

good day tomorrow I hope you do as well

4348

03:03:57,530 --> 03:03:54,720

I'm still going to check on the weather

4349

03:03:58,670 --> 03:03:57,540

but I will uh put on my Twitter whether

4350

03:04:02,990 --> 03:03:58,680

there will be another show tomorrow

4351

03:04:04,490 --> 03:04:03,000

night at 9 00 PM if I'm home uh my I I

4352

03:04:06,170 --> 03:04:04,500

feel like I might as well work if I'm

4353

03:04:08,090 --> 03:04:06,180

not getting anything done at the cabin

4354

03:04:10,309 --> 03:04:08,100

some things done here hopefully

4355

03:04:12,349 --> 03:04:10,319

including

4356

03:04:14,510 --> 03:04:12,359

um getting caught up because we have

4357

03:04:18,950 --> 03:04:14,520

this backlog of prepared shows that we

4358

03:04:20,750 --> 03:04:18,960

sort of jumped to do other topics

4359

03:04:23,090 --> 03:04:20,760

um and those are standing by and

4360

03:04:26,389 --> 03:04:23,100

available for once which is always great

4361

03:04:28,670 --> 03:04:26,399

to have more than you need for the week

4362

03:04:30,590 --> 03:04:28,680

um and also we want to remind you to

4363

03:04:33,110 --> 03:04:30,600

follow me on Twitter it's at Stephen

4364

03:04:35,809 --> 03:04:33,120

cambian that's where we post all show

4365

03:04:37,910 --> 03:04:35,819

information and also uh in the

4366

03:04:40,730 --> 03:04:37,920

description of the video you can buy

4367

03:04:43,849 --> 03:04:40,740

some merchandise like this it says UFOs

4368

03:04:45,170 --> 03:04:43,859

Circle jerkers uh and we got all kinds

4369

03:04:47,269 --> 03:04:45,180

of different shirts you could be a

4370

03:04:49,010 --> 03:04:47,279

professional Wackadoo translator you

4371

03:04:50,630 --> 03:04:49,020

could get one just with the true Seekers

4372

03:04:51,429 --> 03:04:50,640

logo

4373

03:04:55,070 --> 03:04:51,439

um

4374

03:04:57,889 --> 03:04:55,080

lots of hoodies and shirts and all kinds

4375

03:04:59,750 --> 03:04:57,899

of goodies and we appreciate all of you

4376

03:05:00,469 --> 03:04:59,760

who have been purchasing some of that

4377

03:05:03,170 --> 03:05:00,479

stuff

4378

03:05:05,870 --> 03:05:03,180

also be sure that you visit our website

4379

03:05:08,630 --> 03:05:05,880

it's truthseekershow.com

4380

03:05:10,130 --> 03:05:08,640

and uh sign up for the notifications and

4381

03:05:12,650 --> 03:05:10,140

you'll know when there's a new episode

4382

03:05:14,269 --> 03:05:12,660

either audio or video and we're doing a

4383

03:05:17,570 --> 03:05:14,279

mailing list so everybody who gives

4384

03:05:19,550 --> 03:05:17,580

their email address on our website

4385

03:05:21,650 --> 03:05:19,560

um just click that button to sign up for

4386

03:05:23,510 --> 03:05:21,660

notifications we're going to be doing a

4387

03:05:26,030 --> 03:05:23,520

monthly newsletter about the coming

4388

03:05:27,830 --> 03:05:26,040

months guests and shows and things that

4389

03:05:30,469 --> 03:05:27,840

we're working on and developing and in

4390

03:05:31,330 --> 03:05:30,479

this age of censorship it's important go

4391

03:05:34,370 --> 03:05:31,340

to

4392

03:05:38,330 --> 03:05:34,380

truthseekershow.com sign up for that

4393

03:05:40,190 --> 03:05:38,340

notification list or mailing list and uh

4394

03:05:42,830 --> 03:05:40,200

we can always stay in touch regardless

4395

03:05:45,170 --> 03:05:42,840

of the censorship issues

4396

03:05:47,330 --> 03:05:45,180

um and also on the website you can get

4397

03:05:50,389 --> 03:05:47,340

all of the latest stuff so if you're

4398

03:05:52,610 --> 03:05:50,399

looking for videos to watch there at the

4399

03:05:54,790 --> 03:05:52,620

the website if you're looking for our

4400

03:05:57,550 --> 03:05:54,800

latest podcast audio podcast episodes

4401

03:06:00,530 --> 03:05:57,560

there at the website

4402

03:06:02,870 --> 03:06:00,540

and also I should mention that somebody

4403

03:06:08,090 --> 03:06:02,880

mentioned to me that I didn't

4404

03:06:11,389 --> 03:06:08,100

we did not play the uh those three uh

4405

03:06:13,969 --> 03:06:11,399

well that's really anyway we have been

4406

03:06:16,730 --> 03:06:13,979

broadcasting these uh third phase of

4407

03:06:19,130 --> 03:06:16,740

fake documentaries on Twitter every day

4408

03:06:21,110 --> 03:06:19,140

and I forgot I just forgot to do it

4409

03:06:22,490 --> 03:06:21,120

today I totally forgot to do it until it

4410

03:06:25,670 --> 03:06:22,500

was kind of too late and I don't want to

4411

03:06:27,349 --> 03:06:25,680

be running a lot live uh well it's

4412

03:06:29,990 --> 03:06:27,359

pre-recorded but still I don't want to

4413

03:06:32,690 --> 03:06:30,000

be broadcasting on Twitter while we're

4414

03:06:35,330 --> 03:06:32,700

here doing the main live show

4415

03:06:37,309 --> 03:06:35,340

I'm just broadcasting those every day to

4416

03:06:39,830 --> 03:06:37,319

increase people's awareness of that

4417

03:06:42,110 --> 03:06:39,840

third phase of moon situation and others

4418

03:06:43,130 --> 03:06:42,120

who lied and supported them and attacked

4419

03:06:44,750 --> 03:06:43,140

everyone

4420

03:06:47,450 --> 03:06:44,760

and uh

4421

03:06:49,790 --> 03:06:47,460

yeah I will we'll do it tomorrow I will

4422

03:06:51,590 --> 03:06:49,800

make sure that I post those tomorrow and

4423

03:06:53,809 --> 03:06:51,600

every day going forward I might miss a

4424

03:06:57,309 --> 03:06:53,819

day but it's interesting that every time

4425

03:06:59,330 --> 03:06:57,319

I post it they get like 180 views so

4426

03:07:01,550 --> 03:06:59,340

lots more people are seeing those

4427

03:07:04,010 --> 03:07:01,560

documentaries than ever ever would have

4428

03:07:05,690 --> 03:07:04,020

if they they would have just done the

4429

03:07:08,090 --> 03:07:05,700

right thing and let us post them on

4430

03:07:10,370 --> 03:07:08,100

YouTube but they copyright claimed and

4431

03:07:12,290 --> 03:07:10,380

straight to one off and threatened and

4432

03:07:15,050 --> 03:07:12,300

they don't want people to see that stuff

4433

03:07:17,510 --> 03:07:15,060

and either do certain show hosts to lick

4434

03:07:19,550 --> 03:07:17,520

their and support them so we're

4435

03:07:21,110 --> 03:07:19,560

gonna I am gonna broadcast those on

4436

03:07:23,929 --> 03:07:21,120

Twitter every day

4437

03:07:26,330 --> 03:07:23,939

every day for the foreseeable future and

4438

03:07:28,429 --> 03:07:26,340

more and more people will see the truth

4439

03:07:30,349 --> 03:07:28,439

and understand the truth

4440

03:07:32,990 --> 03:07:30,359

and that's our intention in doing that

4441

03:07:35,030 --> 03:07:33,000

so maybe I'll post them uh later tonight

4442

03:07:36,349 --> 03:07:35,040

if not tomorrow they'll be back every

4443

03:07:38,690 --> 03:07:36,359

day you can watch these free

4444

03:07:40,010 --> 03:07:38,700

documentaries

4445

03:07:42,710 --> 03:07:40,020

um

4446

03:07:45,530 --> 03:07:42,720

and I appreciate that uh so many people

4447

03:07:47,450 --> 03:07:45,540

are tuning in and watching those right

4448

03:07:49,610 --> 03:07:47,460

and Maria Rose is here insists thanks

4449

03:07:50,809 --> 03:07:49,620

for a great show I got here late missed

4450

03:07:54,230 --> 03:07:50,819

the first part so I'll catch up later

4451

03:07:58,370 --> 03:07:54,240

with the replay crew yes and uh I

4452

03:08:00,590 --> 03:07:58,380

appreciate that right uh yeah hit uh

4453

03:08:04,250 --> 03:08:00,600

spaced out radio cheat and thank Dave

4454

03:08:06,769 --> 03:08:04,260

for being on Truth Seekers yeah that was

4455

03:08:09,950 --> 03:08:06,779

last minute and and uh I'm glad that he

4456

03:08:12,590 --> 03:08:09,960

jumped on and so I will put as soon as

4457

03:08:14,210 --> 03:08:12,600

the broadcast finishes I will put the

4458

03:08:15,769 --> 03:08:14,220

description in the description of the

4459

03:08:18,590 --> 03:08:15,779

video

4460

03:08:20,750 --> 03:08:18,600

um the links for Jeff from strange Recon

4461

03:08:23,929 --> 03:08:20,760

and the link for Dave from spaced out

4462

03:08:25,730 --> 03:08:23,939

radio otherwise if if you're in a real

4463

03:08:27,889 --> 03:08:25,740

Rush it'll be there in a few minutes

4464

03:08:29,510 --> 03:08:27,899

otherwise if you're in a real rush you

4465

03:08:31,790 --> 03:08:29,520

just put spaced out radio in the YouTube

4466

03:08:35,510 --> 03:08:31,800

search bar go to his channel check him

4467

03:08:37,130 --> 03:08:35,520

out or Jeff from strange Recon in the

4468

03:08:41,450 --> 03:08:37,140

search bar go to his channel and check

4469

03:08:44,690 --> 03:08:41,460

him out so uh this is all I got for you

4470

03:08:47,570 --> 03:08:44,700

friends uh but we'll we'll be back soon

4471

03:08:49,610 --> 03:08:47,580

and I'll be announcing how soon on

4472

03:08:51,410 --> 03:08:49,620

Twitter tomorrow afternoon so be sure to

4473

03:08:53,170 --> 03:08:51,420

follow me on Twitter at Stephen Camby

4474

03:08:56,630 --> 03:08:53,180

and check out our website

4475

03:08:58,790 --> 03:08:56,640

truthseekershow.com uh buy some swag

4476

03:09:01,250 --> 03:08:58,800

that really does help and we thank all

4477

03:09:04,130 --> 03:09:01,260

of you kind and generous benefactors we

4478

03:09:06,710 --> 03:09:04,140

thank you patreon supporters you channel

4479

03:09:09,950 --> 03:09:06,720

members you twitch subscribers use super

4480

03:09:13,150 --> 03:09:09,960

Chatters super sticker purchasers you

4481

03:09:16,190 --> 03:09:13,160

PayPal pledgers and super thanks people

4482

03:09:18,650 --> 03:09:16,200

uh for all of your help assistance

4483

03:09:20,929 --> 03:09:18,660

generosity and support it is much much

4484

03:09:23,030 --> 03:09:20,939

appreciated

4485

03:09:25,130 --> 03:09:23,040

um yeah and we're all caught up on

4486

03:09:28,610 --> 03:09:25,140

everything so good

4487

03:09:30,410 --> 03:09:28,620

so that's all we got for your friends uh

4488

03:09:32,870 --> 03:09:30,420

until next time my name is Stephen

4489

03:09:36,490 --> 03:09:32,880

cambian good night and God bless all of

4490

03:09:36,500 --> 03:10:46,389

[Music]

4491

03:10:46,399 --> 03:10:52,460

thank you

4492

03:10:56,820 --> 03:10:55,460

[Music]

4493

03:11:14,590 --> 03:10:56,830

[Applause]

4494

03:11:15,820 --> 03:11:14,600

[Music]

4495

03:11:19,370 --> 03:11:15,830

thank you

4496

03:11:20,630 --> 03:11:19,380

[Music]

4497

03:11:57,570 --> 03:11:20,640

foreign

4498

03:13:45,610 --> 03:12:11,990

[Music]

4499

03:13:50,370 --> 03:13:48,170

Consciousness by using consciousness

4500

03:14:13,380 --> 03:13:50,380

foreign

4501  
03:14:49,610 --> 03:14:44,330

[Music]

4502  
03:14:52,730 --> 03:14:49,620

spheres or pyramids cubes and cigars or

4503  
03:14:54,950 --> 03:14:52,740

pyramids we have no evidence of Cubes we

4504  
03:14:58,670 --> 03:14:54,960

have no evidence spheres we have no

4505  
03:15:01,790 --> 03:14:58,680

evidence we have no evidence we have no

4506  
03:15:04,990 --> 03:15:01,800

evidence cubes we have no evidence fears

4507  
03:15:08,330 --> 03:15:05,000

we have no evidence we have no evidence

4508  
03:15:10,969 --> 03:15:08,340

we have no evidence cubes we have no

4509  
03:15:13,309 --> 03:15:10,979

evidence fears we have no evidence in

4510  
03:15:15,710 --> 03:15:13,319

Surprise we have no evidence so I tell

4511  
03:15:18,710 --> 03:15:15,720

people that we the people have to come

4512  
03:15:20,929 --> 03:15:18,720

together so I tell people that we the

4513  
03:15:23,389 --> 03:15:20,939

people have to come together so I tell

4514

03:15:26,330 --> 03:15:23,399

people that we the people have to come

4515

03:15:28,550 --> 03:15:26,340

together so I tell people that we the

4516

03:15:31,010 --> 03:15:28,560

people have to come together so I tell

4517

03:15:33,950 --> 03:15:31,020

people that we the people have to come

4518

03:15:36,170 --> 03:15:33,960

together so I tell people that we the

4519

03:15:38,570 --> 03:15:36,180

people have to come together so I tell

4520

03:15:41,570 --> 03:15:38,580

people that we the people have to come

4521

03:15:44,330 --> 03:15:41,580

together so I tell people that we the

4522

03:15:46,790 --> 03:15:44,340

people have to come together and create

4523

03:15:48,950 --> 03:15:46,800

this mass movement to make peaceful

4524

03:15:51,349 --> 03:15:48,960

contact with these civilizations because

4525

03:16:05,940 --> 03:15:51,359

I'm really not very hopeful that the

4526

03:16:05,950 --> 03:16:31,870

[Music]
