

BOB LAZAR

SECRET FBI FILES
FINALLY REVEALED

Truth Seekers

1
00:00:49,280 --> 00:00:10,750
foreign

2
00:00:49,290 --> 00:00:58,850
[Music]

3
00:00:58,860 --> 00:01:04,250
foreign

4
00:01:31,130 --> 00:01:10,010
[Music]

5
00:01:49,080 --> 00:01:33,450
foreign

6
00:02:29,890 --> 00:01:57,810
[Music]

7
00:02:29,900 --> 00:02:36,890
thank you

8
00:02:36,900 --> 00:02:40,330
[Music]

9
00:02:40,340 --> 00:02:52,940
thank you

10
00:03:12,470 --> 00:02:59,630
[Music]

11
00:03:17,980 --> 00:03:14,270
[Applause]

12
00:03:45,690 --> 00:03:27,850
[Music]

13
00:04:00,680 --> 00:03:45,700

foreign

14

00:04:00,690 --> 00:04:17,830

[Music]

15

00:04:23,689 --> 00:04:20,569

greetings and salutations friends and

16

00:04:27,530 --> 00:04:23,699

welcome we are broadcasting uh live from

17

00:04:29,210 --> 00:04:27,540

the apocalypse cabin and uh I apologize

18

00:04:31,969 --> 00:04:29,220

for the video quality but it would

19

00:04:35,810 --> 00:04:31,979

appear that I brought a pretty crappy

20

00:04:38,689 --> 00:04:35,820

webcam with me uh this week

21

00:04:41,990 --> 00:04:38,699

but we'll have to deal with that and uh

22

00:04:45,290 --> 00:04:42,000

move right along uh live show we roll

23

00:04:47,810 --> 00:04:45,300

with the punches uh we do want to thank

24

00:04:50,210 --> 00:04:47,820

um I just start the show and realize

25

00:04:52,310 --> 00:04:50,220

that already people are being very kind

26

00:04:56,090 --> 00:04:52,320

and generous Kylie Armstrong was a kind

27

00:05:00,050 --> 00:04:56,100

and generous two dollars and we have uh

28

00:05:03,710 --> 00:05:00,060

also a super sticker from Kali

29

00:05:06,830 --> 00:05:03,720

um for 99 Pence right is that Pence I

30

00:05:10,790 --> 00:05:06,840

think so uh and we want to thank Charles

31

00:05:13,370 --> 00:05:10,800

Roland who just became a new member uh

32

00:05:15,590 --> 00:05:13,380

congratulations thank you for your

33

00:05:17,150 --> 00:05:15,600

kindness generosity and support of the

34

00:05:18,830 --> 00:05:17,160

show you can enjoy some new member

35

00:05:21,710 --> 00:05:18,840

benefits in the members only section

36

00:05:23,810 --> 00:05:21,720

here some extra goodies and you get that

37

00:05:25,129 --> 00:05:23,820

channel member badge so people know that

38

00:05:27,650 --> 00:05:25,139

you're a supporter thank you for your

39

00:05:30,050 --> 00:05:27,660

kindness generosity and support and

40

00:05:32,930 --> 00:05:30,060

Charles Roland uh who just became a

41

00:05:35,870 --> 00:05:32,940

member a super generous 20 dollar

42

00:05:37,490 --> 00:05:35,880

Super Chat as well as so thank you for

43

00:05:40,730 --> 00:05:37,500

both becoming a member and the Super

44

00:05:43,430 --> 00:05:40,740

Chat praise the cash praise the cash

45

00:05:45,409 --> 00:05:43,440

friends and yes I thought about it and

46

00:05:49,310 --> 00:05:45,419

we're not going to let a bitter angry

47

00:05:52,129 --> 00:05:49,320

nasty people uh stop us from uh using

48

00:05:58,570 --> 00:05:52,139

whatever we decide to use including the

49

00:06:05,510 --> 00:06:02,810

uh yes so we are here today uh I have

50

00:06:08,390 --> 00:06:05,520

been at the cabin uh since Wednesday

51
00:06:11,210 --> 00:06:08,400
night and unfortunately not getting very

52
00:06:16,129 --> 00:06:11,220
much finished uh that I plan to do

53
00:06:18,230 --> 00:06:16,139
everything this week right uh tomorrow

54
00:06:21,290 --> 00:06:18,240
um or today I was supposed to go to the

55
00:06:24,230 --> 00:06:21,300
new land but it snowed four or five

56
00:06:27,170 --> 00:06:24,240
inches last night and uh and then today

57
00:06:29,150 --> 00:06:27,180
was like 45 so it's a big sloppy mess

58
00:06:31,490 --> 00:06:29,160
out there I didn't want to go trying to

59
00:06:34,550 --> 00:06:31,500
set up a tent or charge around in the

60
00:06:36,650 --> 00:06:34,560
woods uh in a muddy mess so we skipped

61
00:06:38,629 --> 00:06:36,660
that for today I'm gonna try again

62
00:06:41,450 --> 00:06:38,639
tomorrow

63
00:06:45,350 --> 00:06:41,460

um but we are still here and uh it's

64

00:06:47,809 --> 00:06:45,360

still the week which means work uh so I

65

00:06:51,469 --> 00:06:47,819

finished some other work uh while I was

66

00:06:56,330 --> 00:06:51,479

here and today I am uh showing up here

67

00:06:59,029 --> 00:06:56,340

uh to do our due diligence recently

68

00:07:01,550 --> 00:06:59,039

um John from the Black Bolt who I want

69

00:07:04,550 --> 00:07:01,560

to thank because he always gets uh

70

00:07:08,090 --> 00:07:04,560

it takes for those unaware it takes a

71

00:07:10,969 --> 00:07:08,100

tremendous amount of time energy and you

72

00:07:12,830 --> 00:07:10,979

know dedication to do all these lawyer

73

00:07:16,189 --> 00:07:12,840

requests that he does

74

00:07:20,809 --> 00:07:16,199

so some time ago uh

75

00:07:23,029 --> 00:07:20,819

there was uh I I guess John had heard

76

00:07:25,850 --> 00:07:23,039

that there was some FBI involvement in

77

00:07:28,850 --> 00:07:25,860

Bob Lazar and his business now this is

78

00:07:31,730 --> 00:07:28,860

separate from the supposed raid on Bob

79

00:07:34,430 --> 00:07:31,740

lazar's business depicted in that [h__h]

80

00:07:37,790 --> 00:07:34,440

documentary that was uh completely and

81

00:07:41,150 --> 00:07:37,800

totally fake to sell that story that

82

00:07:43,490 --> 00:07:41,160

raid had nothing to do with element 115

83

00:07:46,249 --> 00:07:43,500

it had nothing to do with Bob Lazar's

84

00:07:48,830 --> 00:07:46,259

stupid Flying Saucer stories that was a

85

00:07:51,290 --> 00:07:48,840

murder investigation and we here

86

00:07:53,990 --> 00:07:51,300

talk to the local sheriff we talked to

87

00:07:56,330 --> 00:07:54,000

the FBI agents we talked to virtually

88

00:07:58,610 --> 00:07:56,340

everybody who was in on that raid all of

89

00:08:01,550 --> 00:07:58,620

which were shocked that they were

90

00:08:05,930 --> 00:08:01,560

depicted that way in a documentary to

91

00:08:10,010 --> 00:08:05,940

sell that was to sell that film right

92

00:08:11,629 --> 00:08:10,020

um so essentially Jeremy Corbell and

93

00:08:13,370 --> 00:08:11,639

George Knapp and Bob Lazar

94

00:08:15,770 --> 00:08:13,380

misrepresented

95

00:08:18,290 --> 00:08:15,780

what was actually taking place try to

96

00:08:20,830 --> 00:08:18,300

make it you know oh the FBI are coming

97

00:08:23,210 --> 00:08:20,840

to try to find that element 115.

98

00:08:25,129 --> 00:08:23,220

[h__h] had nothing to do with any of

99

00:08:28,850 --> 00:08:25,139

that and I talked to the people that

100

00:08:30,710 --> 00:08:28,860

were there uh they went in they got some

101
00:08:33,170 --> 00:08:30,720
sales records

102
00:08:36,889 --> 00:08:33,180
which were related to a murder

103
00:08:39,529 --> 00:08:36,899
investigation Bob Lazar sells many

104
00:08:41,510 --> 00:08:39,539
um dangerous chemicals he's careful to

105
00:08:43,969 --> 00:08:41,520
point out that nothing he sells is

106
00:08:46,850 --> 00:08:43,979
illegal but still doesn't make selling

107
00:08:48,710 --> 00:08:46,860
those chemicals any less dangerous so

108
00:08:50,750 --> 00:08:48,720
there was a murder investigation they

109
00:08:53,090 --> 00:08:50,760
went into Bob's business got sales

110
00:08:55,310 --> 00:08:53,100
records and left they didn't go through

111
00:08:58,490 --> 00:08:55,320
every inch of his business as depicted

112
00:08:59,889 --> 00:08:58,500
there wasn't 40 people there as depicted

113
00:09:03,050 --> 00:08:59,899

that was all

114

00:09:05,389 --> 00:09:03,060

lies from Jeremy Corbell lies from

115

00:09:07,370 --> 00:09:05,399

George Knapp to sell that [h__\h]

116

00:09:10,850 --> 00:09:07,380

documentary which was nothing more than

117

00:09:12,650 --> 00:09:10,860

a pro boblazar fluff piece you know they

118

00:09:16,190 --> 00:09:12,660

left out all of the good information

119

00:09:18,410 --> 00:09:16,200

like Bob Lazar being a convicted pimp uh

120

00:09:21,410 --> 00:09:18,420

Bob Lazar being bankrupt right before he

121

00:09:23,389 --> 00:09:21,420

came out with his story uh they left out

122

00:09:26,269 --> 00:09:23,399

the fact that John Lear essentially told

123

00:09:29,449 --> 00:09:26,279

his story before Bob Lazar did in 1987

124

00:09:31,690 --> 00:09:29,459

talking about a secret base on Area 51

125

00:09:34,850 --> 00:09:31,700

where they were back engineering

126

00:09:37,370 --> 00:09:34,860

flying saucers and it just magically Bob

127

00:09:40,310 --> 00:09:37,380

Lazar meets John Lear and suddenly he's

128

00:09:42,290 --> 00:09:40,320

working at Area 51 on those same flying

129

00:09:44,269 --> 00:09:42,300

saucers that John Lear described the

130

00:09:46,310 --> 00:09:44,279

year before right

131

00:09:50,269 --> 00:09:46,320

the whole story falls apart under

132

00:09:53,210 --> 00:09:50,279

scrutiny but we are here today uh to uh

133

00:09:56,030 --> 00:09:53,220

talk about these new FBI files that were

134

00:09:58,130 --> 00:09:56,040

just released uh and before anybody gets

135

00:10:00,710 --> 00:09:58,140

excited uh they're not about Bible's

136

00:10:02,090 --> 00:10:00,720

Arts Flying Saucer stories uh in fact

137

00:10:06,590 --> 00:10:02,100

they're not about

138

00:10:08,389 --> 00:10:06,600

uh anything really there's the

139

00:10:10,550 --> 00:10:08,399

information in this is about an

140

00:10:13,370 --> 00:10:10,560

investigation

141

00:10:16,550 --> 00:10:13,380

um and apparently uh oh and by the way I

142

00:10:18,650 --> 00:10:16,560

will go over to the YouTube chat and we

143

00:10:20,810 --> 00:10:18,660

will put these documents I will be

144

00:10:23,090 --> 00:10:20,820

sharing courtesy of John from The Black

145

00:10:25,430 --> 00:10:23,100

Vault and again we want to thank him for

146

00:10:27,889 --> 00:10:25,440

all the work that he does to get new

147

00:10:30,710 --> 00:10:27,899

information released uh through these

148

00:10:32,329 --> 00:10:30,720

foia requests so I'm going to put in a

149

00:10:36,650 --> 00:10:32,339

description

150

00:10:38,750 --> 00:10:36,660

the video the link to the documents from

151

00:10:41,509 --> 00:10:38,760

John from the blackball site that I will

152

00:10:44,269 --> 00:10:41,519

be sharing I'm a terrible show host so

153

00:10:49,190 --> 00:10:44,279

please bear with me didn't do that uh

154

00:10:54,230 --> 00:10:52,130

make sure that others can uh get to

155

00:10:57,410 --> 00:10:54,240

those documents as well

156

00:11:00,170 --> 00:10:57,420

and follow along with us if you so

157

00:11:02,030 --> 00:11:00,180

choose to I'm going to go over to the

158

00:11:12,650 --> 00:11:02,040

live chat and put them

159

00:11:17,509 --> 00:11:15,290

Nick day says it was a movie telling you

160

00:11:20,449 --> 00:11:17,519

Bob is true not showing you he's

161

00:11:23,569 --> 00:11:20,459

truthful yeah well I guess we'll agree

162

00:11:25,910 --> 00:11:23,579

to disagree uh

163

00:11:28,610 --> 00:11:25,920

you know people are free to to believe

164

00:11:31,430 --> 00:11:28,620

in fairy tales if they choose to uh but

165

00:11:34,550 --> 00:11:31,440

babazar is not now nor has he ever been

166

00:11:36,829 --> 00:11:34,560

an actual scientist so even the

167

00:11:39,590 --> 00:11:36,839

depiction of him as a former government

168

00:11:41,930 --> 00:11:39,600

scientist is a lie he's not a scientist

169

00:11:43,430 --> 00:11:41,940

he never has been a scientist

170

00:11:45,829 --> 00:11:43,440

oh

171

00:11:50,090 --> 00:11:45,839

one second here

172

00:11:52,430 --> 00:11:50,100

okay uh so I'm just gonna share my

173

00:11:54,350 --> 00:11:52,440

screen here and we'll get into these

174

00:11:57,230 --> 00:11:54,360

documents so essentially

175

00:11:59,990 --> 00:11:57,240

uh in I I read through all of these

176

00:12:01,490 --> 00:12:00,000

documents uh last night

177

00:12:04,550 --> 00:12:01,500

and

178

00:12:07,430 --> 00:12:04,560

apparently what happened was that

179

00:12:10,310 --> 00:12:07,440

someone uh who these documents refer to

180

00:12:12,769 --> 00:12:10,320

as unsub and you'll know from if you've

181

00:12:16,850 --> 00:12:12,779

watched Criminal Minds enough uh that

182

00:12:20,509 --> 00:12:16,860

that's a term for Unknown Subject so

183

00:12:26,329 --> 00:12:23,630

contacted Bob Lazar and they tried to

184

00:12:29,930 --> 00:12:26,339

purchase the precursor chemicals

185

00:12:34,310 --> 00:12:29,940

chemicals uh that can be used to

186

00:12:36,050 --> 00:12:34,320

manufacture nerve gas like sarin gas and

187

00:12:38,410 --> 00:12:36,060

other things

188

00:12:41,750 --> 00:12:38,420

um so

189

00:12:44,090 --> 00:12:41,760

included in these documents is is some

190

00:12:46,490 --> 00:12:44,100

descriptions of Bob Lazar

191

00:12:48,829 --> 00:12:46,500

apparently he contacted local law

192

00:12:50,629 --> 00:12:48,839

enforcement about this suspicious

193

00:12:52,970 --> 00:12:50,639

individual who was trying to purchase

194

00:12:54,230 --> 00:12:52,980

chemicals from him

195

00:12:56,569 --> 00:12:54,240

um

196

00:12:58,069 --> 00:12:56,579

yeah so this special agent and there's a

197

00:12:59,690 --> 00:12:58,079

lot of redactions here requested

198

00:13:03,050 --> 00:12:59,700

assistance in the analysis of

199

00:13:05,269 --> 00:13:03,060

information obtained during the uh

200

00:13:07,250 --> 00:13:05,279

investigation and and here they put

201
00:13:08,690 --> 00:13:07,260
background information on Bob Lazar's

202
00:13:11,810 --> 00:13:08,700
business the fact that he sells

203
00:13:15,050 --> 00:13:11,820
chemicals uh his main gate where this

204
00:13:18,530 --> 00:13:15,060
person uh approached him

205
00:13:20,210 --> 00:13:18,540
um and and in these uh documents is also

206
00:13:23,269 --> 00:13:20,220
the statement from babazar that they

207
00:13:25,190 --> 00:13:23,279
don't sell anything illegal

208
00:13:27,769 --> 00:13:25,200
um but interestingly some people are not

209
00:13:29,990 --> 00:13:27,779
aware that babazar is a huge supplier of

210
00:13:33,590 --> 00:13:30,000
chemistry glassware

211
00:13:36,050 --> 00:13:33,600
that some have suggested ends up in all

212
00:13:38,569 --> 00:13:36,060
of the meth labs in the United States or

213
00:13:40,370 --> 00:13:38,579

some have suggested that Bob Lazar's

214

00:13:43,670 --> 00:13:40,380

business is actually the the biggest

215

00:13:45,590 --> 00:13:43,680

supplier of glassware you know those

216

00:13:47,930 --> 00:13:45,600

glass beakers and things you need to do

217

00:13:49,009 --> 00:13:47,940

chemistry work

218

00:13:53,150 --> 00:13:49,019

um

219

00:13:55,730 --> 00:13:53,160

yes so the sheriff's department and

220

00:13:57,710 --> 00:13:55,740

an office conducted a composite sketch

221

00:14:00,410 --> 00:13:57,720

of an unidentified person of interest in

222

00:14:02,269 --> 00:14:00,420

the above listed case

223

00:14:04,490 --> 00:14:02,279

um and then redact it but we can assume

224

00:14:06,170 --> 00:14:04,500

it's Bob Lazar of United nuclear

225

00:14:08,269 --> 00:14:06,180

scientific Supply provided the

226

00:14:11,230 --> 00:14:08,279

information for the sketch so

227

00:14:15,230 --> 00:14:11,240

essentially somebody comes to Bob Lazar

228

00:14:17,930 --> 00:14:15,240

calls him uh and tries to purchase the

229

00:14:21,590 --> 00:14:17,940

chemicals required to create nerve gas

230

00:14:24,009 --> 00:14:21,600

like sarin gas which is deadly very very

231

00:14:26,150 --> 00:14:24,019

uh deadly nerve gas

232

00:14:28,310 --> 00:14:26,160

provided the following statement to

233

00:14:29,509 --> 00:14:28,320

detective heard his doorbell ring on the

234

00:14:31,009 --> 00:14:29,519

property and looked at the security

235

00:14:32,690 --> 00:14:31,019

system monitor and viewed the

236

00:14:36,050 --> 00:14:32,700

unidentified subject standing at the

237

00:14:38,090 --> 00:14:36,060

gates of his property which and the some

238

00:14:39,530 --> 00:14:38,100

of these redactions are obvious that

239

00:14:42,290 --> 00:14:39,540

they're talking about Bob Lazar which

240

00:14:43,550 --> 00:14:42,300

Bob Lazar stated was unusual he left his

241

00:14:44,990 --> 00:14:43,560

house and walked to the edge of his

242

00:14:47,449 --> 00:14:45,000

property near the gate and approached

243

00:14:49,009 --> 00:14:47,459

the unidentified subject was about three

244

00:14:50,569 --> 00:14:49,019

to four feet away with the fence in

245

00:14:53,449 --> 00:14:50,579

between them spoke to unidentified

246

00:14:55,430 --> 00:14:53,459

subject for about 15 or 20 minutes the

247

00:14:57,470 --> 00:14:55,440

conversation was about

248

00:15:00,710 --> 00:14:57,480

uh

249

00:15:03,110 --> 00:15:00,720

Bob's business and the president of the

250

00:15:05,150 --> 00:15:03,120

United States so apparently uh this

251
00:15:07,970 --> 00:15:05,160
person had all kinds of red flags he was

252
00:15:10,189 --> 00:15:07,980
very anti-government and anti-president

253
00:15:12,949 --> 00:15:10,199
of the United States he goes to babazar

254
00:15:15,410 --> 00:15:12,959
to buy essentially chemicals to create

255
00:15:17,870 --> 00:15:15,420
chemical weapons

256
00:15:20,030 --> 00:15:17,880
um they identified unidentified subjects

257
00:15:21,590 --> 00:15:20,040
expressed extreme displeasure with the

258
00:15:23,090 --> 00:15:21,600
government and the President of the U.S

259
00:15:25,370 --> 00:15:23,100
the main portion of the discussion

260
00:15:27,410 --> 00:15:25,380
involved United nuclear scientific

261
00:15:29,210 --> 00:15:27,420
Supply and the unidentified subject's

262
00:15:31,009 --> 00:15:29,220
request for a tour of the business which

263
00:15:33,230 --> 00:15:31,019

was not provided

264

00:15:34,730 --> 00:15:33,240
so after calling on the phone this

265

00:15:36,889 --> 00:15:34,740
individual

266

00:15:40,610 --> 00:15:36,899
uh just

267

00:15:44,449 --> 00:15:40,620
essentially showed up uh at his business

268

00:15:47,689 --> 00:15:44,459
and uh wanted those chemicals

269

00:15:49,730 --> 00:15:47,699
um yeah and here is a report expressed

270

00:15:51,530 --> 00:15:49,740
extreme displeasure with the government

271

00:15:53,870 --> 00:15:51,540
and the president mainly talked about

272

00:15:55,550 --> 00:15:53,880
the business wanted a tour of the

273

00:15:56,090 --> 00:15:55,560
business

274

00:15:58,910 --> 00:15:56,100
um

275

00:16:01,730 --> 00:15:58,920
and here we see

276

00:16:02,990 --> 00:16:01,740

Bob Lazar was interviewed about this

277

00:16:04,670 --> 00:16:03,000

person

278

00:16:07,670 --> 00:16:04,680

interviewed at his place of business

279

00:16:09,829 --> 00:16:07,680

located in East Mountain area near

280

00:16:12,769 --> 00:16:09,839

Albuquerque New Mexico

281

00:16:15,530 --> 00:16:12,779

and shown two photo spread

282

00:16:17,829 --> 00:16:15,540

folders so the the FBI and the local

283

00:16:20,269 --> 00:16:17,839

police I'm assuming came up with some

284

00:16:22,250 --> 00:16:20,279

suspects they tried to get Bob Lazar to

285

00:16:24,949 --> 00:16:22,260

identify from a photo spread he was

286

00:16:27,889 --> 00:16:24,959

unable to do that

287

00:16:32,750 --> 00:16:29,150

yeah

288

00:16:34,910 --> 00:16:32,760

oh no he did uh two photo spread folders

289

00:16:36,230 --> 00:16:34,920

each with six photographs number five on

290

00:16:38,930 --> 00:16:36,240

one of the folders contained a

291

00:16:40,610 --> 00:16:38,940

photograph of redacted the suspected

292

00:16:42,530 --> 00:16:40,620

Person of Interest whose appearance

293

00:16:45,310 --> 00:16:42,540

matched out of a composite sketch of an

294

00:16:48,290 --> 00:16:45,320

unidentified individual inquiring about

295

00:16:50,150 --> 00:16:48,300

precursor chemicals and apparently Bob

296

00:16:52,210 --> 00:16:50,160

Lazar was not able to identify the

297

00:16:56,210 --> 00:16:52,220

individual he spoke with on August 13

298

00:16:58,249 --> 00:16:56,220

2006 when the photographs provided uh in

299

00:17:00,530 --> 00:16:58,259

the photo spreadsheet so he was unable

300

00:17:02,870 --> 00:17:00,540

to identify it from the list of subjects

301
00:17:04,390 --> 00:17:02,880
that they had

302
00:17:07,069 --> 00:17:04,400
um

303
00:17:08,689 --> 00:17:07,079
they say that Bob's business is an

304
00:17:11,150 --> 00:17:08,699
internet-based chemical supply company

305
00:17:13,730 --> 00:17:11,160
that was telephonically called by a

306
00:17:16,010 --> 00:17:13,740
blocked telephone on July 17 2006 an

307
00:17:17,809 --> 00:17:16,020
unidentified caller inquired about a

308
00:17:19,789 --> 00:17:17,819
partial list of precursor chemicals

309
00:17:22,730 --> 00:17:19,799
which could be used in the production of

310
00:17:23,449 --> 00:17:22,740
sarin nerve gas

311
00:17:24,890 --> 00:17:23,459
um

312
00:17:28,189 --> 00:17:24,900
and then they were going to have a grand

313
00:17:29,510 --> 00:17:28,199

jury to I guess arrest and indict this

314

00:17:32,750 --> 00:17:29,520

person

315

00:17:34,730 --> 00:17:32,760

in early September 2006 conducting

316

00:17:36,409 --> 00:17:34,740

surveillance of Bob I think that's Bob

317

00:17:38,090 --> 00:17:36,419

lazar's business and spoke with the

318

00:17:39,890 --> 00:17:38,100

neighbor of babazar's this neighbor

319

00:17:41,390 --> 00:17:39,900

provided general information about

320

00:17:43,190 --> 00:17:41,400

babazar including his physical

321

00:17:44,450 --> 00:17:43,200

description

322

00:17:46,730 --> 00:17:44,460

um

323

00:17:48,289 --> 00:17:46,740

a day or two of this interview still had

324

00:17:50,690 --> 00:17:48,299

this description match the driver's

325

00:17:52,190 --> 00:17:50,700

license photo from New Mexico or

326

00:17:53,950 --> 00:17:52,200

actually I think they're talking to one

327

00:17:56,029 --> 00:17:53,960

of Bob's Neighbors about this unknown

328

00:17:58,130 --> 00:17:56,039

individual who was trying to purchase

329

00:17:59,690 --> 00:17:58,140

the chemicals no other investigation was

330

00:18:02,270 --> 00:17:59,700

conducted at this time

331

00:18:05,110 --> 00:18:02,280

due to that person not matching the

332

00:18:08,810 --> 00:18:05,120

subject description unsub-described as

333

00:18:12,110 --> 00:18:08,820

redacted and Bob's business information

334

00:18:14,930 --> 00:18:12,120

indicating ordered a product from him

335

00:18:16,610 --> 00:18:14,940

at this time it does not appear that

336

00:18:18,830 --> 00:18:16,620

redacted meets the complete physical

337

00:18:20,510 --> 00:18:18,840

description of the unidentified subject

338

00:18:22,690 --> 00:18:20,520

the driver's license photo shows a full

339

00:18:25,010 --> 00:18:22,700

head of hair and glasses this may be

340

00:18:27,049 --> 00:18:25,020

readdressed at a later date if no other

341

00:18:29,570 --> 00:18:27,059

suspect is identified so here in these

342

00:18:32,390 --> 00:18:29,580

files we see the FBI trying to identify

343

00:18:34,430 --> 00:18:32,400

the person who contacted babazar

344

00:18:36,130 --> 00:18:34,440

multiple times trying to purchase these

345

00:18:38,750 --> 00:18:36,140

very dangerous chemicals to create

346

00:18:40,970 --> 00:18:38,760

chemical weapons with or they're

347

00:18:42,890 --> 00:18:40,980

assuming that he's going to use these

348

00:18:45,289 --> 00:18:42,900

very dangerous chemicals to create

349

00:18:46,070 --> 00:18:45,299

chemical weapons

350

00:18:48,169 --> 00:18:46,080

um

351
00:18:50,330 --> 00:18:48,179
yeah

352
00:18:54,230 --> 00:18:50,340
so this person became the Albuquerque

353
00:18:55,669 --> 00:18:54,240
and wmd uh coordinator as such as

354
00:18:57,230 --> 00:18:55,679
requested that the above case be

355
00:18:59,450 --> 00:18:57,240
transferred to them

356
00:19:01,490 --> 00:18:59,460
uh so they bounced this case back and

357
00:19:03,409 --> 00:19:01,500
forth photograph match composite sketch

358
00:19:05,690 --> 00:19:03,419
of the unidentified subject in in this

359
00:19:08,390 --> 00:19:05,700
investigation after meeting redacted in

360
00:19:09,049 --> 00:19:08,400
person did not have

361
00:19:10,850 --> 00:19:09,059
um

362
00:19:12,409 --> 00:19:10,860
observable that would match the

363
00:19:15,890 --> 00:19:12,419

composite sketch so here they're still

364

00:19:17,510 --> 00:19:15,900

trying to identify this person uh this

365

00:19:19,490 --> 00:19:17,520

person stated he did not Harbor any

366

00:19:21,409 --> 00:19:19,500

animosity towards the U.S government and

367

00:19:23,990 --> 00:19:21,419

had no violent intentions towards the

368

00:19:26,210 --> 00:19:24,000

president of the United States so what

369

00:19:29,270 --> 00:19:26,220

we have here in these files is a

370

00:19:30,909 --> 00:19:29,280

description of a very uh off The Rocker

371

00:19:34,370 --> 00:19:30,919

sort of individual who was

372

00:19:37,669 --> 00:19:34,380

anti-government perhaps part of some

373

00:19:41,330 --> 00:19:37,679

militia or organized crime group and he

374

00:19:42,890 --> 00:19:41,340

was essentially uh very unhappy with the

375

00:19:44,750 --> 00:19:42,900

United States government and the

376

00:19:46,610 --> 00:19:44,760

president while he was trying to

377

00:19:49,549 --> 00:19:46,620

purchase the chemicals to make chemical

378

00:19:53,630 --> 00:19:49,559

weapons so of course the FBI is going to

379

00:19:55,909 --> 00:19:53,640

identify try to identify him uh before

380

00:19:58,789 --> 00:19:55,919

you know this could be a future

381

00:20:00,909 --> 00:19:58,799

terrorist attack

382

00:20:03,830 --> 00:20:00,919

um here they're requesting analytical

383

00:20:06,770 --> 00:20:03,840

assistance from somebody else within the

384

00:20:10,010 --> 00:20:06,780

FBI organization

385

00:20:14,750 --> 00:20:10,020

and here we see unsub was unable to

386

00:20:17,330 --> 00:20:14,760

purchase the request the requisite

387

00:20:19,490 --> 00:20:17,340

requisite chemicals from United nuclear

388

00:20:21,650 --> 00:20:19,500

scientific Supply writers suggests fig

389

00:20:23,870 --> 00:20:21,660

examine all logical sources for

390

00:20:26,450 --> 00:20:23,880

information indicating what other

391

00:20:28,070 --> 00:20:26,460

entities in New Mexico sell precursor

392

00:20:30,770 --> 00:20:28,080

chemicals useful for the production of

393

00:20:32,810 --> 00:20:30,780

nerve agents unsub attempted to purchase

394

00:20:34,250 --> 00:20:32,820

several chemicals and here they give a

395

00:20:35,870 --> 00:20:34,260

list of chemicals I don't even want to

396

00:20:37,630 --> 00:20:35,880

repeat them because we don't want to

397

00:20:40,549 --> 00:20:37,640

give any crazy people

398

00:20:42,529 --> 00:20:40,559

chemical formulas for for chemical

399

00:20:44,630 --> 00:20:42,539

weapons

400

00:20:46,310 --> 00:20:44,640

um this information could be useful in a

401
00:20:47,990 --> 00:20:46,320
tactical sense in order to determine the

402
00:20:50,750 --> 00:20:48,000
identity of the unsub should he have

403
00:20:52,909 --> 00:20:50,760
attempted to another purchase in New

404
00:20:56,029 --> 00:20:52,919
Mexico so essentially they were unable

405
00:20:58,070 --> 00:20:56,039
to identify the subject they made a huge

406
00:21:00,470 --> 00:20:58,080
list of everybody in the state of New

407
00:21:03,049 --> 00:21:00,480
Mexico that could sell those chemicals

408
00:21:05,510 --> 00:21:03,059
and they start contacting those other

409
00:21:06,770 --> 00:21:05,520
companies trying to identify this

410
00:21:09,110 --> 00:21:06,780
individual

411
00:21:11,330 --> 00:21:09,120
numerous State agencies were contacted

412
00:21:14,029 --> 00:21:11,340
to determine if a pre-existing list of

413
00:21:15,710 --> 00:21:14,039

chemical wholesalers was available if

414

00:21:18,470 --> 00:21:15,720

they're contacting individuals from the

415

00:21:20,029 --> 00:21:18,480

state of uh New Mexico's Department of

416

00:21:22,990 --> 00:21:20,039

Homeland Security Department of Public

417

00:21:25,370 --> 00:21:23,000

Safety hazardous waste Bureau and

418

00:21:28,130 --> 00:21:25,380

environment Department it was determined

419

00:21:30,350 --> 00:21:28,140

that no such list is in existence so

420

00:21:32,750 --> 00:21:30,360

essentially since there wasn't a list of

421

00:21:36,409 --> 00:21:32,760

available companies they had to make one

422

00:21:38,149 --> 00:21:36,419

and and they make this huge list of

423

00:21:42,110 --> 00:21:38,159

um all of these companies and start

424

00:21:44,090 --> 00:21:42,120

contacting them trying to identify this

425

00:21:46,370 --> 00:21:44,100

mysterious individual

426
00:21:48,590 --> 00:21:46,380
and and just to be clear too it was

427
00:21:50,029 --> 00:21:48,600
babazar who originally reported this to

428
00:21:53,570 --> 00:21:50,039
the police

429
00:21:55,549 --> 00:21:53,580
um he found this person suspicious

430
00:21:57,529 --> 00:21:55,559
and here it says Bob's business was

431
00:21:59,810 --> 00:21:57,539
recently received several calls by an

432
00:22:02,510 --> 00:21:59,820
unidentified individual requesting to

433
00:22:05,029 --> 00:22:02,520
speak to I assume that redaction is

434
00:22:08,210 --> 00:22:05,039
babazar for the purpose of purchasing

435
00:22:10,190 --> 00:22:08,220
quote special chemicals on each of these

436
00:22:14,029 --> 00:22:10,200
several occasions

437
00:22:15,529 --> 00:22:14,039
um was on travel and not at uh Bob's

438
00:22:17,510 --> 00:22:15,539

business the caller did not leave the

439

00:22:19,430 --> 00:22:17,520

message nor a phone number when later

440

00:22:21,409 --> 00:22:19,440

returned from his travel he was informed

441

00:22:23,630 --> 00:22:21,419

by office Personnel that the individual

442

00:22:24,190 --> 00:22:23,640

had called

443

00:22:29,450 --> 00:22:24,200

um

444

00:22:32,090 --> 00:22:29,460

it this is the same pattern that started

445

00:22:35,029 --> 00:22:32,100

back in 2006 regarding an individual who

446

00:22:36,789 --> 00:22:35,039

eventually visited the United nuclear

447

00:22:39,409 --> 00:22:36,799

scientific Supply

448

00:22:41,029 --> 00:22:39,419

redacted I'm assuming that's babazarus

449

00:22:44,110 --> 00:22:41,039

confident that he could recognize that

450

00:22:46,549 --> 00:22:44,120

person's voice should he call again

451
00:22:48,590 --> 00:22:46,559
unss is equipped with an answering

452
00:22:51,830 --> 00:22:48,600
machine and a caller ID service the

453
00:22:53,990 --> 00:22:51,840
caller looking for special chemicals

454
00:22:56,870 --> 00:22:54,000
um has not yet left a message on the

455
00:22:59,330 --> 00:22:56,880
answer machine unss keeps all messages

456
00:23:01,370 --> 00:22:59,340
until a car has been contacted the

457
00:23:03,110 --> 00:23:01,380
caller ID maintains the incoming phone

458
00:23:04,789 --> 00:23:03,120
calls for up to a week before it is

459
00:23:05,770 --> 00:23:04,799
overwritten should this individual call

460
00:23:08,570 --> 00:23:05,780
again

461
00:23:10,970 --> 00:23:08,580
redacted I'm assuming that's Bob will

462
00:23:13,490 --> 00:23:10,980
attempt to capture the caller ID should

463
00:23:16,070 --> 00:23:13,500

this individual leave a phone message

464

00:23:18,649 --> 00:23:16,080

redacted I'm assuming Bob Lazar will

465

00:23:20,149 --> 00:23:18,659

preserve it and the caller ID records so

466

00:23:25,130 --> 00:23:20,159

they're still trying to get this guy

467

00:23:27,350 --> 00:23:25,140

back on the line and uh get him

468

00:23:29,930 --> 00:23:27,360

um and here they're briefing the locals

469

00:23:33,169 --> 00:23:29,940

was briefed on the particulars of

470

00:23:34,850 --> 00:23:33,179

caption investigation Sergeant redacted

471

00:23:37,130 --> 00:23:34,860

will show the composite drawing to his

472

00:23:39,169 --> 00:23:37,140

assigned Patrol Personnel but will not

473

00:23:40,909 --> 00:23:39,179

brief them on the investigation should

474

00:23:42,950 --> 00:23:40,919

the unsub be seen

475

00:23:45,529 --> 00:23:42,960

they will attempt to identify him

476

00:23:47,149 --> 00:23:45,539

Sergeant redacted will brief only his

477

00:23:48,549 --> 00:23:47,159

Lieutenant on the specifics of the

478

00:23:51,049 --> 00:23:48,559

investigation

479

00:23:52,789 --> 00:23:51,059

Sergeant redacted offered whatever help

480

00:23:55,310 --> 00:23:52,799

his Department can give so they're

481

00:23:58,669 --> 00:23:55,320

really trying to locate this person the

482

00:24:01,430 --> 00:23:58,679

FBI is in listing the help of the local

483

00:24:02,930 --> 00:24:01,440

law enforcement people

484

00:24:06,529 --> 00:24:02,940

um yeah

485

00:24:07,970 --> 00:24:06,539

Ryder met with uh Sergeant redacted of

486

00:24:09,830 --> 00:24:07,980

the service department East Mountain

487

00:24:11,390 --> 00:24:09,840

Patrol Sergeant was briefed on a

488

00:24:13,250 --> 00:24:11,400

particulars of caption individual

489

00:24:15,169 --> 00:24:13,260

Sergeant will share the composite

490

00:24:18,169 --> 00:24:15,179

drawings so they're they're still trying

491

00:24:19,370 --> 00:24:18,179

to identify this individual

492

00:24:20,990 --> 00:24:19,380

um

493

00:24:25,010 --> 00:24:21,000

and

494

00:24:26,930 --> 00:24:25,020

it gets it gets some of these records

495

00:24:29,450 --> 00:24:26,940

get pretty interesting because it would

496

00:24:32,930 --> 00:24:29,460

appear that they were then able to

497

00:24:35,630 --> 00:24:32,940

identify a phone number and then track

498

00:24:38,690 --> 00:24:35,640

this individual down who was selling a

499

00:24:40,490 --> 00:24:38,700

motorcycle in a online group so they

500

00:24:42,409 --> 00:24:40,500

were able to identify him and wouldn't

501
00:24:44,690 --> 00:24:42,419
you know remember we heard about Bob

502
00:24:47,690 --> 00:24:44,700
lazar's wife having

503
00:24:50,810 --> 00:24:47,700
um an affiliation with Hell's Angels

504
00:24:52,370 --> 00:24:50,820
apparently this individual as well this

505
00:24:55,669 --> 00:24:52,380
person who tried to purchase chemicals

506
00:24:58,370 --> 00:24:55,679
was affiliated with that with the Hell's

507
00:24:59,330 --> 00:24:58,380
Angels in his home state

508
00:25:01,310 --> 00:24:59,340
um

509
00:25:03,770 --> 00:25:01,320
the address for the business is not

510
00:25:05,810 --> 00:25:03,780
listed publicly so this person just

511
00:25:08,090 --> 00:25:05,820
showed up at Bob's business and he never

512
00:25:10,070 --> 00:25:08,100
listed his actual street address just a

513
00:25:12,289 --> 00:25:10,080

PO Box so they don't know how he found

514

00:25:15,409 --> 00:25:12,299

Bob Lazar's business he showed up

515

00:25:17,390 --> 00:25:15,419

outside the fence uh and confront it

516

00:25:20,930 --> 00:25:17,400

identified himself as the caller from a

517

00:25:23,510 --> 00:25:20,940

few weeks earlier inquiring about a

518

00:25:25,610 --> 00:25:23,520

number of specific chemicals immediately

519

00:25:27,890 --> 00:25:25,620

remembered the previous conversation and

520

00:25:30,769 --> 00:25:27,900

engaged in conversation at this point

521

00:25:33,350 --> 00:25:30,779

I'm assuming that's Bob still did not or

522

00:25:36,350 --> 00:25:33,360

no The Unknown Subject the suspects here

523

00:25:38,029 --> 00:25:36,360

in this case still did not further

524

00:25:40,310 --> 00:25:38,039

identify himself

525

00:25:41,930 --> 00:25:40,320

uh redacted asked about the chemicals he

526
00:25:43,730 --> 00:25:41,940
inquired about a few weeks earlier and

527
00:25:45,769 --> 00:25:43,740
responded by stating he didn't maintain

528
00:25:48,710 --> 00:25:45,779
that the chemicals on hand and had not

529
00:25:50,990 --> 00:25:48,720
inquired into the availability of the

530
00:25:52,549 --> 00:25:51,000
chemicals so Bob didn't have the

531
00:25:56,990 --> 00:25:52,559
chemicals that he wanted but he could

532
00:25:57,000 --> 00:25:59,029
um

533
00:26:02,870 --> 00:26:01,130
uh he did believe that the Unknown

534
00:26:03,649 --> 00:26:02,880
Subject was serious about placing an

535
00:26:07,310 --> 00:26:03,659
order

536
00:26:09,049 --> 00:26:07,320
was supposed to read contact but did not

537
00:26:12,110 --> 00:26:09,059
then decline to give contact telephone

538
00:26:16,190 --> 00:26:12,120

number a name during a series of calls

539

00:26:18,110 --> 00:26:16,200

uh made in July 2006 however redacted

540

00:26:22,610 --> 00:26:18,120

stated that he would now inquire and

541

00:26:24,590 --> 00:26:22,620

requested a contact uh telephone number

542

00:26:26,269 --> 00:26:24,600

The Unknown Subject said he did not have

543

00:26:27,470 --> 00:26:26,279

a contact telephone number and was hard

544

00:26:29,390 --> 00:26:27,480

to get a hold of

545

00:26:33,289 --> 00:26:29,400

replied that he needed some way to

546

00:26:35,510 --> 00:26:33,299

contact him in order to place an order

547

00:26:37,130 --> 00:26:35,520

The Unknown Subject would call back to

548

00:26:39,769 --> 00:26:37,140

check the availability of the chemicals

549

00:26:41,390 --> 00:26:39,779

at a later date redacted walked

550

00:26:45,590 --> 00:26:41,400

redactive vehicle which appeared to be

551
00:26:50,289 --> 00:26:45,600
parked an unnecessary distance from unss

552
00:26:54,909 --> 00:26:53,450
redacted identified the vehicle as an

553
00:26:59,029 --> 00:26:54,919
older model

554
00:27:01,190 --> 00:26:59,039
in color with Rustin uh without front

555
00:27:03,169 --> 00:27:01,200
and rear license plates so boy what a

556
00:27:04,730 --> 00:27:03,179
shady individual he's driving around in

557
00:27:07,970 --> 00:27:04,740
a car with no license plates trying to

558
00:27:09,950 --> 00:27:07,980
buy chemicals to make chemical weapons

559
00:27:11,870 --> 00:27:09,960
the chemicals asked about where and they

560
00:27:13,430 --> 00:27:11,880
give the list to the chemicals these

561
00:27:16,070 --> 00:27:13,440
chemicals are used in the production of

562
00:27:18,590 --> 00:27:16,080
either sarin or v-gas and two of them

563
00:27:20,930 --> 00:27:18,600

fall under restrictions of the chemical

564

00:27:23,750 --> 00:27:20,940

warfare convention

565

00:27:28,190 --> 00:27:23,760

uh so Bob was approached by this person

566

00:27:29,870 --> 00:27:28,200

on 7 26 or 727 at the Sandia Park post

567

00:27:32,269 --> 00:27:29,880

office so then this person shows up

568

00:27:33,590 --> 00:27:32,279

follows Bob to the post office gets out

569

00:27:35,090 --> 00:27:33,600

and starts asking him about the

570

00:27:38,990 --> 00:27:35,100

chemicals again

571

00:27:40,669 --> 00:27:39,000

he had inquired about the still wanted

572

00:27:42,710 --> 00:27:40,679

to get the chemicals that he inquired

573

00:27:43,430 --> 00:27:42,720

about earlier said that

574

00:27:45,890 --> 00:27:43,440

um

575

00:27:47,930 --> 00:27:45,900

Bob said that he could get them

576
00:27:49,610 --> 00:27:47,940
said that he would contact The Unknown

577
00:27:51,169 --> 00:27:49,620
Subject mid-month to get the chemicals

578
00:27:54,529 --> 00:27:51,179
as he had to go out of town and would be

579
00:27:57,350 --> 00:27:56,330
so

580
00:28:01,610 --> 00:27:57,360
um

581
00:28:03,890 --> 00:28:01,620
yeah so this whole case is about this

582
00:28:05,269 --> 00:28:03,900
potential terrorist that was contacting

583
00:28:09,590 --> 00:28:05,279
Bob Lazar

584
00:28:11,630 --> 00:28:09,600
to buy uh chemicals to make essentially

585
00:28:14,090 --> 00:28:11,640
chemical weapons

586
00:28:16,010 --> 00:28:14,100
uh he used the terms they and then when

587
00:28:17,870 --> 00:28:16,020
discussing the purchase also remembers

588
00:28:19,549 --> 00:28:17,880

making comments complaining about the

589

00:28:22,010 --> 00:28:19,559

president of the United States but does

590

00:28:24,830 --> 00:28:22,020

not recall threats against the president

591

00:28:26,330 --> 00:28:24,840

so I'm assuming that the FBI are very

592

00:28:27,769 --> 00:28:26,340

concerned that this person is making

593

00:28:30,169 --> 00:28:27,779

threats against the president of the

594

00:28:34,190 --> 00:28:30,179

United States while simultaneously

595

00:28:36,289 --> 00:28:34,200

trying to buy chemicals that are used in

596

00:28:38,090 --> 00:28:36,299

the production of chemical weapons or

597

00:28:38,690 --> 00:28:38,100

nerve gas

598

00:28:39,890 --> 00:28:38,700

um

599

00:28:42,409 --> 00:28:39,900

wow

600

00:28:44,149 --> 00:28:42,419

uh so Bob was concerned that they would

601
00:28:46,549 --> 00:28:44,159
be used to make chemical weapons Bob

602
00:28:49,669 --> 00:28:46,559
agreed to order the chemicals and then

603
00:28:53,390 --> 00:28:49,679
promptly contacted law enforcement so

604
00:28:55,549 --> 00:28:53,400
Bob Lazar uh goes to buy the chemicals

605
00:28:57,669 --> 00:28:55,559
from his chemical supplier the chemicals

606
00:29:00,049 --> 00:28:57,679
would be delivered by UPS or FedEx

607
00:29:01,370 --> 00:29:00,059
normally the chemicals to the end user

608
00:29:02,810 --> 00:29:01,380
when asked how someone can order a

609
00:29:04,730 --> 00:29:02,820
chemical that has a chemical warfare

610
00:29:06,409 --> 00:29:04,740
convention restriction Bob explained

611
00:29:08,570 --> 00:29:06,419
that it is quite easy to merely order

612
00:29:10,610 --> 00:29:08,580
the precursors for that chemical

613
00:29:12,409 --> 00:29:10,620

if a person has a reasonable background

614

00:29:14,750 --> 00:29:12,419

in chemistry it is possible to actually

615

00:29:16,970 --> 00:29:14,760

process the needed chemicals from

616

00:29:19,130 --> 00:29:16,980

precursors or the raw materials found in

617

00:29:20,510 --> 00:29:19,140

nature redacted explained that he would

618

00:29:22,970 --> 00:29:20,520

empty the packages that contain the

619

00:29:25,310 --> 00:29:22,980

chemicals once to replace them with

620

00:29:27,350 --> 00:29:25,320

other chemicals that appear genuine but

621

00:29:30,830 --> 00:29:27,360

are harmless so Bob's helping in this

622

00:29:33,190 --> 00:29:30,840

chemical weapon investigation

623

00:29:37,430 --> 00:29:35,990

alcohol a chemist could research for six

624

00:29:40,130 --> 00:29:37,440

months and not find a use of the

625

00:29:41,750 --> 00:29:40,140

chemicals other than destruction or

626
00:29:43,970 --> 00:29:41,760
weapons use

627
00:29:45,430 --> 00:29:43,980
there are no safer reasonable uses for

628
00:29:47,870 --> 00:29:45,440
these chemicals

629
00:29:49,789 --> 00:29:47,880
explained redacted

630
00:29:51,649 --> 00:29:49,799
um I I don't understand all these

631
00:29:54,350 --> 00:29:51,659
redactions because you know John

632
00:29:56,090 --> 00:29:54,360
requested these files about babazar and

633
00:29:57,590 --> 00:29:56,100
they redact his name through most of it

634
00:29:58,730 --> 00:29:57,600
but

635
00:30:01,010 --> 00:29:58,740
um

636
00:30:03,889 --> 00:30:01,020
can be used for nerve gas production

637
00:30:05,690 --> 00:30:03,899
additionally redacted noted that some of

638
00:30:06,889 --> 00:30:05,700

the chemicals are actually redundant in

639

00:30:10,610 --> 00:30:06,899

that they achieve the same results

640

00:30:13,610 --> 00:30:10,620

through different chemical processes

641

00:30:14,870 --> 00:30:13,620

Bob was rated by law enforcement arm of

642

00:30:17,330 --> 00:30:14,880

a consumer protection agency

643

00:30:19,070 --> 00:30:17,340

approximately four years ago and

644

00:30:20,810 --> 00:30:19,080

described a SWAT type rate on their

645

00:30:22,190 --> 00:30:20,820

business at home both were handcuffed

646

00:30:24,470 --> 00:30:22,200

and placed in the front yard while their

647

00:30:28,070 --> 00:30:24,480

property was searched the raid was a

648

00:30:30,190 --> 00:30:28,080

result of redacted Bob selling one kit

649

00:30:32,570 --> 00:30:30,200

with instructions on how to produce

650

00:30:34,430 --> 00:30:32,580

pyrotechnics before ordering those kits

651
00:30:36,049 --> 00:30:34,440
for sale he had checked with the Federal

652
00:30:38,210 --> 00:30:36,059
Bureau Investigation and Bureau of

653
00:30:40,490 --> 00:30:38,220
Alcohol Tobacco firearms and explosives

654
00:30:41,990 --> 00:30:40,500
both agencies told Bob that they were

655
00:30:44,330 --> 00:30:42,000
not aware of any restrictions on the

656
00:30:45,710 --> 00:30:44,340
sale of these items Bob was surprised

657
00:30:47,510 --> 00:30:45,720
that the Consumer Protection Agency

658
00:30:50,630 --> 00:30:47,520
conducted a raid rather than call him on

659
00:30:52,610 --> 00:30:50,640
the telephone telephone the way the

660
00:30:53,630 --> 00:30:52,620
nuclear Regulatory Commission handled an

661
00:30:57,289 --> 00:30:53,640
issue

662
00:30:59,210 --> 00:30:57,299
uh Bob had sold some radioactive sources

663
00:31:00,950 --> 00:30:59,220

and was called by the NRC and informed

664

00:31:04,190 --> 00:31:00,960

that he needed specific license to sell

665

00:31:06,409 --> 00:31:04,200

those sources Bob went down to the enter

666

00:31:07,789 --> 00:31:06,419

um NRC offices and handled the matter

667

00:31:09,289 --> 00:31:07,799

discreetly

668

00:31:13,190 --> 00:31:09,299

so

669

00:31:16,190 --> 00:31:13,200

uh yeah Bob was raided by the uh

670

00:31:19,610 --> 00:31:16,200

Consumer Protection Agency I think it

671

00:31:23,870 --> 00:31:19,620

was in 2002 for selling uh chemicals uh

672

00:31:28,789 --> 00:31:23,880

to make pyrotechnics or bombs with great

673

00:31:32,590 --> 00:31:31,130

they're searching still for the Unknown

674

00:31:35,450 --> 00:31:32,600

Subject

675

00:31:38,510 --> 00:31:35,460

they found the person a minor traffic

676

00:31:40,850 --> 00:31:38,520

accident in 2005 the second and third

677

00:31:42,889 --> 00:31:40,860

listed the victim of separate larcenies

678

00:31:46,490 --> 00:31:42,899

in 2006.

679

00:31:49,010 --> 00:31:46,500

uh this Sergeant verified no arrests

680

00:31:51,049 --> 00:31:49,020

investigations so

681

00:31:54,950 --> 00:31:51,059

um now this goes to Rhode Island where

682

00:31:57,590 --> 00:31:54,960

this Unknown Subject lives and uh

683

00:31:59,750 --> 00:31:57,600

um here we go is not a current member of

684

00:32:01,789 --> 00:31:59,760

any Outlaw motorcycle gang in the state

685

00:32:04,310 --> 00:32:01,799

of Rhode Island the Hells Angels

686

00:32:06,230 --> 00:32:04,320

consider okay so I was wrong he is not a

687

00:32:07,549 --> 00:32:06,240

member of any road motorcycle gang in

688

00:32:08,930 --> 00:32:07,559

the state of Rhode Island the Hell's

689

00:32:11,029 --> 00:32:08,940

Angels consider Rhode Island their

690

00:32:13,070 --> 00:32:11,039

territory there are currently 13

691

00:32:14,990 --> 00:32:13,080

chapters in the Providence chapter the

692

00:32:17,210 --> 00:32:15,000

chapter has four prospects and several

693

00:32:18,769 --> 00:32:17,220

Associates the detective checked

694

00:32:20,930 --> 00:32:18,779

intelligence records and state police

695

00:32:23,630 --> 00:32:20,940

records for Unknown Subject with

696

00:32:25,909 --> 00:32:23,640

negative results has had no contact with

697

00:32:29,149 --> 00:32:25,919

the state police

698

00:32:31,490 --> 00:32:29,159

so they wanted a discrete inquiry of

699

00:32:34,070 --> 00:32:31,500

local law enforcement concerning that

700

00:32:36,049 --> 00:32:34,080

suspect in Rhode Island

701
00:32:38,210 --> 00:32:36,059
um and they said he is not a member of

702
00:32:40,010 --> 00:32:38,220
any Outlaw motorcycle gang or terrorist

703
00:32:42,110 --> 00:32:40,020
group in Rhode Island Boston considers

704
00:32:45,950 --> 00:32:42,120
this league covered

705
00:32:48,649 --> 00:32:45,960
um yeah so again uh if you're just

706
00:32:51,950 --> 00:32:48,659
joining us we are going over these once

707
00:32:53,750 --> 00:32:51,960
secret FBI Files about an individual who

708
00:32:57,830 --> 00:32:53,760
tried to purchase chemicals to make

709
00:33:00,169 --> 00:32:57,840
chemical weapons from Bob Lazar

710
00:33:02,630 --> 00:33:00,179
um and a lot of this gets repeated as

711
00:33:04,669 --> 00:33:02,640
they're sending these investigatory

712
00:33:06,769 --> 00:33:04,679
reports back and forth to different

713
00:33:08,450 --> 00:33:06,779

agencies

714

00:33:11,029 --> 00:33:08,460

um

715

00:33:12,769 --> 00:33:11,039

yeah so here they have another suspect

716

00:33:16,370 --> 00:33:12,779

it might be the person in the sketch

717

00:33:19,250 --> 00:33:16,380

graduated in 1976 is unsure since he

718

00:33:21,409 --> 00:33:19,260

dropped out this is a tip saying hey I

719

00:33:22,789 --> 00:33:21,419

saw that picture I believe it's this

720

00:33:24,049 --> 00:33:22,799

individual

721

00:33:28,430 --> 00:33:24,059

uh

722

00:33:30,490 --> 00:33:28,440

yeah and they continue to try this

723

00:33:32,769 --> 00:33:30,500

through all of these

724

00:33:35,090 --> 00:33:32,779

to try to

725

00:33:37,190 --> 00:33:35,100

identify this

726

00:33:39,889 --> 00:33:37,200

okay so now they have the individual

727

00:33:41,630 --> 00:33:39,899

this individual described himself as did

728

00:33:43,850 --> 00:33:41,640

not provide a name he further inquired

729

00:33:47,330 --> 00:33:43,860

about a list of chemicals he wanted more

730

00:33:48,350 --> 00:33:47,340

information uh concerning

731

00:33:51,230 --> 00:33:48,360

um

732

00:33:54,289 --> 00:33:51,240

yeah so

733

00:33:56,630 --> 00:33:54,299

and then he Bob was uh then he showed up

734

00:33:58,970 --> 00:33:56,640

at Bob's first call Bob and showed up at

735

00:34:01,630 --> 00:33:58,980

Bob's business then he followed Bob to

736

00:34:04,190 --> 00:34:01,640

the post office one day and asked him so

737

00:34:06,529 --> 00:34:04,200

multiple attempts to get these chemicals

738

00:34:10,190 --> 00:34:06,539

from Bob Lazar

739

00:34:15,010 --> 00:34:10,200

um and here we see uh

740

00:34:17,750 --> 00:34:15,020

one second more of the FBI file

741

00:34:19,970 --> 00:34:17,760

so this investigation covered multiple

742

00:34:21,889 --> 00:34:19,980

States Rhode Island New York New Mexico

743

00:34:24,409 --> 00:34:21,899

and more

744

00:34:26,510 --> 00:34:24,419

uh

745

00:34:28,250 --> 00:34:26,520

synopsis to provide results of an

746

00:34:31,849 --> 00:34:28,260

investigation conducted by New York to

747

00:34:34,669 --> 00:34:31,859

cover lead as set or reference cereal

748

00:34:37,070 --> 00:34:34,679

um we contacted this individual

749

00:34:38,570 --> 00:34:37,080

identifying himself as redacted who

750

00:34:40,010 --> 00:34:38,580

wanted to purchase chemicals that could

751
00:34:42,230 --> 00:34:40,020
be used to produce a chemical agent

752
00:34:44,089 --> 00:34:42,240
similar effect to sarin gas

753
00:34:45,710 --> 00:34:44,099
was subsequently approached by an

754
00:34:47,629 --> 00:34:45,720
individual referring to himself as

755
00:34:49,510 --> 00:34:47,639
redacted inquiring again about the same

756
00:34:52,970 --> 00:34:49,520
list of chemicals

757
00:34:54,530 --> 00:34:52,980
so interestingly Bob Lazar is the one

758
00:34:56,510 --> 00:34:54,540
who reported this guy and he's

759
00:35:00,290 --> 00:34:56,520
cooperating with the local authorities

760
00:35:02,870 --> 00:35:00,300
and the FBI as they try to

761
00:35:06,890 --> 00:35:05,329
yeah so this is school officials were

762
00:35:09,290 --> 00:35:06,900
unable to provide detectives with any

763
00:35:10,970 --> 00:35:09,300

information on unknown subjects or

764

00:35:13,250 --> 00:35:10,980

redacted New York has taken all

765

00:35:16,069 --> 00:35:13,260

reasonable investigatory investigative

766

00:35:19,010 --> 00:35:16,079

access actions in attempting to acquire

767

00:35:22,430 --> 00:35:19,020

additional identifying information so

768

00:35:25,190 --> 00:35:22,440

still all over the map trying to

769

00:35:26,089 --> 00:35:25,200

identify this person

770

00:35:28,190 --> 00:35:26,099

um

771

00:35:30,589 --> 00:35:28,200

and they have multiple leads for who

772

00:35:31,190 --> 00:35:30,599

this person could be

773

00:35:35,510 --> 00:35:31,200

um

774

00:35:38,630 --> 00:35:35,520

again these are over and over lots of

775

00:35:45,589 --> 00:35:43,490

yeah and so uh this agent here is in the

776

00:35:47,589 --> 00:35:45,599

process go ahead and close the first one

777

00:35:52,250 --> 00:35:47,599

the second one where checks against

778

00:35:55,310 --> 00:35:52,260

afis uh negative for the print located

779

00:35:57,710 --> 00:35:55,320

if so just note that in the closing so

780

00:36:00,650 --> 00:35:57,720

then the case is essentially closed I

781

00:36:01,790 --> 00:36:00,660

don't think that they got a resolution

782

00:36:04,550 --> 00:36:01,800

um

783

00:36:07,190 --> 00:36:04,560

requested various chemicals unsub-based

784

00:36:09,410 --> 00:36:07,200

about fasting gas and how to acquire

785

00:36:12,230 --> 00:36:09,420

telephone toll records checks provided

786

00:36:14,990 --> 00:36:12,240

no lead information a composite sketch

787

00:36:16,910 --> 00:36:15,000

prepared and showed the neighborhood to

788

00:36:18,530 --> 00:36:16,920

local law enforcement no further lead

789

00:36:21,650 --> 00:36:18,540

potential at this time

790

00:36:23,329 --> 00:36:21,660

on sub stopped reporting party at uh

791

00:36:25,970 --> 00:36:23,339

local post office this is where he

792

00:36:27,950 --> 00:36:25,980

contacts follows Bob Lazar to the local

793

00:36:30,109 --> 00:36:27,960

post office and asks if he could still

794

00:36:31,849 --> 00:36:30,119

purchase chemicals as they still wanted

795

00:36:34,490 --> 00:36:31,859

them unsub claimed to have a mutual

796

00:36:36,349 --> 00:36:34,500

friend of the reporting party Bob Azar

797

00:36:38,990 --> 00:36:36,359

went to high school with a reporting

798

00:36:41,569 --> 00:36:39,000

party phone records examined interview

799

00:36:44,329 --> 00:36:41,579

of Bob Lazar conducted in review of high

800

00:36:46,430 --> 00:36:44,339

school yearbooks and Reporting party

801
00:36:49,670 --> 00:36:46,440
conducted no

802
00:36:51,410 --> 00:36:49,680
no I guess no suspect identified

803
00:36:54,190 --> 00:36:51,420
reporting party has since moved to

804
00:36:57,650 --> 00:36:54,200
Michigan info pants to local

805
00:37:01,069 --> 00:36:57,660
resident agency Inu has not contacted

806
00:37:03,290 --> 00:37:01,079
reporting parties since eight of 2007 no

807
00:37:07,190 --> 00:37:03,300
further leads request case closer so

808
00:37:09,190 --> 00:37:07,200
they were unable to find this person and

809
00:37:13,910 --> 00:37:09,200
arrest or indict them

810
00:37:17,150 --> 00:37:13,920
which is a little scary uh how how could

811
00:37:19,130 --> 00:37:17,160
they uh have the full force of the

812
00:37:21,829 --> 00:37:19,140
Federal Bureau Investigation and not be

813
00:37:24,349 --> 00:37:21,839

able to find this guy who apparently

814

00:37:28,130 --> 00:37:24,359

contacted Bob Lazar four or five times

815

00:37:31,250 --> 00:37:28,140

several times on the phone and several

816

00:37:35,210 --> 00:37:31,260

times in person but

817

00:37:38,210 --> 00:37:35,220

very very interesting that Bob Lazar is

818

00:37:41,930 --> 00:37:38,220

selling chemicals that you can use

819

00:37:42,470 --> 00:37:41,940

to manufacture chemical weapons

820

00:37:44,569 --> 00:37:42,480

um

821

00:37:46,730 --> 00:37:44,579

so we're going to call this one a short

822

00:37:49,490 --> 00:37:46,740

one these are the files that have so far

823

00:37:53,030 --> 00:37:49,500

been released I want to be very clear

824

00:37:55,730 --> 00:37:53,040

however in saying that the this event is

825

00:37:59,170 --> 00:37:55,740

completely separate from the raids on

826

00:38:01,550 --> 00:37:59,180

Bob Lazar's business with the FBI

827

00:38:03,589 --> 00:38:01,560

and by the way the reason that the FBI

828

00:38:07,190 --> 00:38:03,599

was involved in that raid at all is

829

00:38:10,370 --> 00:38:07,200

because it was Interstate murder case

830

00:38:12,470 --> 00:38:10,380

um if you order poison from one state

831

00:38:14,990 --> 00:38:12,480

and kill your wife in another state it

832

00:38:17,750 --> 00:38:15,000

becomes the jurisdiction of federal law

833

00:38:22,210 --> 00:38:17,760

enforcement so this case is completely

834

00:38:25,190 --> 00:38:22,220

and totally separate from uh those other

835

00:38:28,390 --> 00:38:25,200

events uh in which Bob Lazar's business

836

00:38:32,210 --> 00:38:28,400

was rated we have

837

00:38:33,910 --> 00:38:32,220

covered those events previously the one

838

00:38:36,710 --> 00:38:33,920

raid was

839

00:38:40,069 --> 00:38:36,720

essentially over him selling bomb making

840

00:38:41,810 --> 00:38:40,079

or pyrotechnic supplies without license

841

00:38:43,609 --> 00:38:41,820

to do so

842

00:38:45,650 --> 00:38:43,619

and

843

00:38:48,890 --> 00:38:45,660

um this latest raid on his business

844

00:38:51,410 --> 00:38:48,900

which was depicted in the

845

00:38:54,230 --> 00:38:51,420

um in the documentary as being related

846

00:38:57,109 --> 00:38:54,240

to Bob Lazar's Element 115 and flying

847

00:38:59,870 --> 00:38:57,119

saucer Fuel and that's just not accurate

848

00:39:02,089 --> 00:38:59,880

now go talk to the police that were

849

00:39:04,490 --> 00:39:02,099

actually there they all laughed at

850

00:39:07,550 --> 00:39:04,500

Jeremy Corbell and George Knapp using

851

00:39:10,849 --> 00:39:07,560

them to help sell that movie right using

852

00:39:13,130 --> 00:39:10,859

them to create drama right and it's very

853

00:39:15,770 --> 00:39:13,140

convenient that they did that we want to

854

00:39:18,470 --> 00:39:15,780

thank Charles Roland who just became a

855

00:39:21,290 --> 00:39:18,480

YouTube member I'm going to check up

856

00:39:24,050 --> 00:39:21,300

sorry uh busy reading here we're going

857

00:39:24,710 --> 00:39:24,060

to check in with the live chat

858

00:39:27,650 --> 00:39:24,720

um

859

00:39:30,530 --> 00:39:27,660

did we get them all

860

00:39:32,810 --> 00:39:30,540

oh yeah we got that one we got Kali

861

00:39:35,990 --> 00:39:32,820

thank you Kali I'm just gonna go through

862

00:39:37,730 --> 00:39:36,000

the whole thing again uh thank you

863

00:39:39,950 --> 00:39:37,740

Colleen again

864

00:39:41,690 --> 00:39:39,960

um we'll try to catch up here to the

865

00:39:43,970 --> 00:39:41,700

live chat I know that I missed several

866

00:39:46,430 --> 00:39:43,980

and Charles became a member thank you

867

00:39:49,010 --> 00:39:46,440

Charles Charles Roland with the kind and

868

00:39:50,450 --> 00:39:49,020

generous 20 Super Chat and becoming a

869

00:39:52,730 --> 00:39:50,460

member

870

00:39:54,470 --> 00:39:52,740

um very kind and generous of you Mr

871

00:39:56,510 --> 00:39:54,480

Roland thank you very much we have

872

00:39:58,910 --> 00:39:56,520

Travis Taylor

873

00:40:00,710 --> 00:39:58,920

um just became a member as well thank

874

00:40:03,710 --> 00:40:00,720

you for kindness generosity and support

875

00:40:06,050 --> 00:40:03,720

of the show is much much appreciated uh

876

00:40:09,170 --> 00:40:06,060

we love it and we have Keith guard deck

877

00:40:11,990 --> 00:40:09,180

says Spaceman Steve be it resolved

878

00:40:14,630 --> 00:40:12,000

uh that henceforce we pronounce Bob's

879

00:40:18,950 --> 00:40:14,640

last name as laser out of pure and

880

00:40:21,290 --> 00:40:18,960

undivided larpidity well thank you uh

881

00:40:23,089 --> 00:40:21,300

Keith gardnick uh for your kindness your

882

00:40:25,190 --> 00:40:23,099

generosity and your support of the show

883

00:40:27,950 --> 00:40:25,200

very generous of you throw a 20 spot

884

00:40:30,770 --> 00:40:27,960

down uh we love it thank you for your

885

00:40:31,370 --> 00:40:30,780

kindness generosity and support and yeah

886

00:40:34,370 --> 00:40:31,380

um

887

00:40:35,990 --> 00:40:34,380

it's funny when I was talking to uh when

888

00:40:37,849 --> 00:40:36,000

I was talking to law enforcement about

889

00:40:40,069 --> 00:40:37,859

that but that's what they called them

890

00:40:41,630 --> 00:40:40,079

they called them Bob laser the Bob laser

891

00:40:43,790 --> 00:40:41,640

guy

892

00:40:46,430 --> 00:40:43,800

and thank you Kylie Armstrong for your

893

00:40:48,829 --> 00:40:46,440

kind and generous dollar 49 uh super

894

00:40:51,829 --> 00:40:48,839

sticker very very kind and generous of

895

00:40:54,589 --> 00:40:51,839

you we are still catching up here with

896

00:40:56,930 --> 00:40:54,599

the remainder uh okay yeah we got them

897

00:40:58,430 --> 00:40:56,940

all so we want to thank all of you for

898

00:41:00,890 --> 00:40:58,440

your kindness your generosity and

899

00:41:04,670 --> 00:41:00,900

support we also want to thank you twitch

900

00:41:07,130 --> 00:41:04,680

subscribers you patreon supporters uh

901
00:41:08,870 --> 00:41:07,140
and you YouTube channel members thank

902
00:41:14,530 --> 00:41:08,880
you all for your kindness generosity and

903
00:41:20,210 --> 00:41:17,569
thank you for your kindness thank you

904
00:41:24,170 --> 00:41:20,220
for your generosity praise the cash

905
00:41:24,180 --> 00:41:28,069
foreign

906
00:41:32,329 --> 00:41:30,650
thank you all for helping us to praise

907
00:41:34,430 --> 00:41:32,339
the cash so like I said this is going to

908
00:41:36,230 --> 00:41:34,440
be a real short one tonight

909
00:41:39,109 --> 00:41:36,240
um we still want to do our due diligence

910
00:41:42,950 --> 00:41:39,119
and and uh check in and and do a show

911
00:41:46,790 --> 00:41:42,960
but um up to my eyeballs in

912
00:41:49,609 --> 00:41:46,800
bathroom stuff uh I have to nail up

913
00:41:52,250 --> 00:41:49,619

about 25 more boards onto the ceiling

914

00:41:55,970 --> 00:41:52,260

and I don't know if you've ever nailed

915

00:41:57,950 --> 00:41:55,980

boards in a ceiling before uh I have

916

00:42:00,650 --> 00:41:57,960

here in the in the living room or in the

917

00:42:03,170 --> 00:42:00,660

kitchen and it was a nightmare and it's

918

00:42:05,210 --> 00:42:03,180

equally a nightmare in that bathroom and

919

00:42:06,770 --> 00:42:05,220

I think the problem is that all the

920

00:42:08,150 --> 00:42:06,780

measurements are a little different so

921

00:42:09,890 --> 00:42:08,160

it's not like you can just cut all the

922

00:42:12,170 --> 00:42:09,900

boards and carry them up the ladder and

923

00:42:14,630 --> 00:42:12,180

nail a bunch in at once it's up the

924

00:42:16,790 --> 00:42:14,640

ladder measure down the ladder cut the

925

00:42:18,010 --> 00:42:16,800

board back up the ladder nail up the

926
00:42:22,670 --> 00:42:18,020
board

927
00:42:25,550 --> 00:42:22,680
and rinse and repeat 30 times this is

928
00:42:26,390 --> 00:42:25,560
very time consuming right

929
00:42:31,069 --> 00:42:26,400
um

930
00:42:33,829 --> 00:42:31,079
Bob Lazar built a jet car right a

931
00:42:36,290 --> 00:42:33,839
hydrogen-powered car prove it prove it

932
00:42:39,349 --> 00:42:36,300
he lied to his teeth about that about

933
00:42:41,569 --> 00:42:39,359
how he was uh you know essentially

934
00:42:43,970 --> 00:42:41,579
making his own elements to make that

935
00:42:46,310 --> 00:42:43,980
system work in a particle accelerator he

936
00:42:48,950 --> 00:42:46,320
had he never had a particle accelerator

937
00:42:50,569 --> 00:42:48,960
at least not one capable of transmuting

938
00:42:53,510 --> 00:42:50,579

elements

939

00:42:55,849 --> 00:42:53,520

um and as far as the jet car he he had a

940

00:42:58,309 --> 00:42:55,859

neighbor who sold jet engines in the

941

00:43:01,609 --> 00:42:58,319

back of science magazines and plans for

942

00:43:04,550 --> 00:43:01,619

them uh and right now Bob Lazar is

943

00:43:07,370 --> 00:43:04,560

probably illegally selling that man's

944

00:43:09,109 --> 00:43:07,380

plans on his website he doesn't have the

945

00:43:10,550 --> 00:43:09,119

right to sell that man's plans to the

946

00:43:13,550 --> 00:43:10,560

best of my knowledge and recollection

947

00:43:15,470 --> 00:43:13,560

but I think that that person died so Bob

948

00:43:17,809 --> 00:43:15,480

just figured well I could sell his plans

949

00:43:19,069 --> 00:43:17,819

now he's dead

950

00:43:21,710 --> 00:43:19,079

um and

951
00:43:24,050 --> 00:43:21,720
building uh cool science projects

952
00:43:26,690 --> 00:43:24,060
doesn't make you a scientist a degree

953
00:43:30,710 --> 00:43:26,700
does and Bob does not have any degrees

954
00:43:32,809 --> 00:43:30,720
right uh DJ D says it can be in Cabin

955
00:43:35,510 --> 00:43:32,819
Chronicles yeah I I'm feeling a little

956
00:43:38,450 --> 00:43:35,520
disappointed djds because

957
00:43:40,370 --> 00:43:38,460
I got here on Wednesday and I had these

958
00:43:41,990 --> 00:43:40,380
Grand plans of all these things that I

959
00:43:43,370 --> 00:43:42,000
was going to accomplish this week while

960
00:43:45,290 --> 00:43:43,380
I'm here

961
00:43:48,829 --> 00:43:45,300
um but I suppose part of the problem is

962
00:43:50,510 --> 00:43:48,839
I'm still working uh and I'm supposed to

963
00:43:53,210 --> 00:43:50,520

be doing the cabin stuff at the same

964

00:43:54,710 --> 00:43:53,220

time something's got to give I may take

965

00:43:57,230 --> 00:43:54,720

the rest of the weekend off and just

966

00:43:59,109 --> 00:43:57,240

focus on what I'm doing here because I

967

00:44:03,770 --> 00:43:59,119

really got to get this bathroom finished

968

00:44:05,510 --> 00:44:03,780

and move on to building a new studio

969

00:44:08,270 --> 00:44:05,520

but

970

00:44:09,290 --> 00:44:08,280

I I learned a while ago that like you

971

00:44:11,930 --> 00:44:09,300

can't have

972

00:44:14,450 --> 00:44:11,940

multiple major projects going at once

973

00:44:17,150 --> 00:44:14,460

where you don't get anything done you

974

00:44:19,430 --> 00:44:17,160

don't make any progress so I'm here

975

00:44:22,010 --> 00:44:19,440

trying to

976
00:44:25,790 --> 00:44:22,020
finish off I don't want to have you know

977
00:44:28,430 --> 00:44:25,800
uh exposed rafters and insulation

978
00:44:31,010 --> 00:44:28,440
hanging and ceilings not finished or

979
00:44:33,050 --> 00:44:31,020
parts of this building not done

980
00:44:34,670 --> 00:44:33,060
I'm going to finish that bathroom then

981
00:44:37,130 --> 00:44:34,680
we're going to slap the front porch on

982
00:44:41,829 --> 00:44:37,140
this porch is going to be huge

983
00:44:44,510 --> 00:44:41,839
um 36 feet long and and 12 feet wide

984
00:44:49,010 --> 00:44:44,520
and then this whole

985
00:44:52,510 --> 00:44:49,020
the cabin project will be finished now

986
00:44:55,250 --> 00:44:52,520
there is still one thing I may do and

987
00:44:56,870 --> 00:44:55,260
there's an addition on this side and an

988
00:44:58,870 --> 00:44:56,880

addition on this side there's no in

989

00:45:01,490 --> 00:44:58,880

addition out the back

990

00:45:03,650 --> 00:45:01,500

so there's still one more place where I

991

00:45:06,109 --> 00:45:03,660

can build one more room onto the cabin I

992

00:45:06,890 --> 00:45:06,119

may do that but not not for quite some

993

00:45:09,710 --> 00:45:06,900

time

994

00:45:14,329 --> 00:45:12,230

yeah so what an on that means he worked

995

00:45:16,309 --> 00:45:14,339

on UFOs yeah building cool science

996

00:45:18,829 --> 00:45:16,319

projects doesn't mean he worked on alien

997

00:45:21,050 --> 00:45:18,839

flying saucers it means that you're a

998

00:45:24,050 --> 00:45:21,060

science nerd and so was I growing up I

999

00:45:25,670 --> 00:45:24,060

mean I built robots I built uh and as

1000

00:45:28,130 --> 00:45:25,680

far I played with chemistry and

1001
00:45:29,690 --> 00:45:28,140
chemicals I've got a chemical a hydrogen

1002
00:45:31,970 --> 00:45:29,700
generator at home

1003
00:45:32,569 --> 00:45:31,980
uh that I made

1004
00:45:35,089 --> 00:45:32,579
um

1005
00:45:37,130 --> 00:45:35,099
I I got myself in a lot of trouble as a

1006
00:45:39,050 --> 00:45:37,140
child with the chemicals my my dad would

1007
00:45:41,030 --> 00:45:39,060
get really upset

1008
00:45:42,290 --> 00:45:41,040
um of what the hell I was doing in the

1009
00:45:44,630 --> 00:45:42,300
basement and he thought I was going to

1010
00:45:45,710 --> 00:45:44,640
blow the house up then thankfully I

1011
00:45:49,730 --> 00:45:45,720
never did

1012
00:45:51,290 --> 00:45:49,740
I was uh also into model rockets and

1013
00:45:54,230 --> 00:45:51,300

speaking of chemicals there's something

1014

00:45:55,490 --> 00:45:54,240

called Rocket candy you can make you can

1015

00:45:58,370 --> 00:45:55,500

make rockets

1016

00:46:02,870 --> 00:45:58,380

uh rocket engines out of stump remover

1017

00:46:05,809 --> 00:46:02,880

and sugar and I did a lot of that I used

1018

00:46:09,230 --> 00:46:05,819

to make my dad real nervous and

1019

00:46:11,569 --> 00:46:09,240

um he finally uh just gave you know like

1020

00:46:13,609 --> 00:46:11,579

told me to get all this stuff out of the

1021

00:46:16,730 --> 00:46:13,619

house so I could keep it in the garage

1022

00:46:18,410 --> 00:46:16,740

which was not attached to our house but

1023

00:46:20,809 --> 00:46:18,420

I wasn't allowed to keep all the

1024

00:46:23,089 --> 00:46:20,819

chemicals in the house making him very

1025

00:46:26,030 --> 00:46:23,099

very nervous down there mixing up all

1026

00:46:28,790 --> 00:46:26,040

kinds of chemicals but my point is you

1027

00:46:31,010 --> 00:46:28,800

know a lot of people are into cool Weird

1028

00:46:33,530 --> 00:46:31,020

Science project kind of stuff it doesn't

1029

00:46:35,390 --> 00:46:33,540

make you a scientist doesn't make you a

1030

00:46:36,410 --> 00:46:35,400

physicist it just makes you a science

1031

00:46:40,490 --> 00:46:36,420

nerd

1032

00:46:44,690 --> 00:46:40,500

so there is no verifiable evidence or

1033

00:46:47,329 --> 00:46:44,700

proof that Bob Lazar has ever ever

1034

00:46:50,210 --> 00:46:47,339

uh

1035

00:46:52,309 --> 00:46:50,220

been a scientist there is no verifiable

1036

00:46:54,410 --> 00:46:52,319

proof that bablazar ever ever ever

1037

00:46:57,710 --> 00:46:54,420

worked for the government

1038

00:46:59,530 --> 00:46:57,720

uh in fact it would seem that most of

1039

00:47:03,410 --> 00:46:59,540

the evidence

1040

00:47:06,290 --> 00:47:03,420

that you are able to fact check and

1041

00:47:10,430 --> 00:47:06,300

uncover about Bob Lazar most of the

1042

00:47:14,450 --> 00:47:10,440

evidence points to him being a grifter

1043

00:47:16,370 --> 00:47:14,460

um a swindler who made up his story to

1044

00:47:19,309 --> 00:47:16,380

make money right at a time that he was

1045

00:47:21,170 --> 00:47:19,319

literally bankrupt and broke he was dead

1046

00:47:22,910 --> 00:47:21,180

dead broke at the time that he made up

1047

00:47:24,710 --> 00:47:22,920

his story

1048

00:47:27,230 --> 00:47:24,720

um and at the time he owed everyone

1049

00:47:28,550 --> 00:47:27,240

including his parents money

1050

00:47:31,250 --> 00:47:28,560

so

1051

00:47:33,470 --> 00:47:31,260

uh he had several failed businesses and

1052

00:47:36,230 --> 00:47:33,480

by the way that's another thing if you

1053

00:47:38,809 --> 00:47:36,240

were a senior staff level physicist you

1054

00:47:40,430 --> 00:47:38,819

you would not open businesses like a

1055

00:47:43,190 --> 00:47:40,440

one-hour photo mat

1056

00:47:45,710 --> 00:47:43,200

at least I don't think so I I think that

1057

00:47:47,690 --> 00:47:45,720

if you were serious scientist that is

1058

00:47:50,870 --> 00:47:47,700

that well educated that you would become

1059

00:47:51,890 --> 00:47:50,880

a senior staff level physicist then you

1060

00:47:54,109 --> 00:47:51,900

would

1061

00:47:56,930 --> 00:47:54,119

focus on that you're not starting a

1062

00:47:59,030 --> 00:47:56,940

photo mat right and how are you working

1063

00:48:03,290 --> 00:47:59,040

full-time at a photo Matt

1064

00:48:08,030 --> 00:48:03,300

while you're also a scientist you're not

1065

00:48:11,270 --> 00:48:08,040

and I challenge everyone or anyone to

1066

00:48:14,030 --> 00:48:11,280

find me another scientist in the United

1067

00:48:17,690 --> 00:48:14,040

States who ran a warehouse

1068

00:48:19,430 --> 00:48:17,700

find me another real scientist who

1069

00:48:21,710 --> 00:48:19,440

opened a warehouse

1070

00:48:23,510 --> 00:48:21,720

scientists just don't do things like

1071

00:48:26,329 --> 00:48:23,520

that they worry about their reputations

1072

00:48:28,849 --> 00:48:26,339

and their legitimacy to the field of

1073

00:48:32,690 --> 00:48:28,859

science you think Eric Weinstein or or

1074

00:48:33,589 --> 00:48:32,700

you know is open in a warehouse no

1075

00:48:36,050 --> 00:48:33,599

um

1076

00:48:38,329 --> 00:48:36,060

did you you know

1077

00:48:40,670 --> 00:48:38,339

do you really think

1078

00:48:43,849 --> 00:48:40,680

I just don't see a scientist open

1079

00:48:46,250 --> 00:48:43,859

opening a warehouse so if you believe

1080

00:48:49,550 --> 00:48:46,260

Bob Lazar you have to believe that he is

1081

00:48:51,290 --> 00:48:49,560

a incredibly educated scientist who one

1082

00:48:52,309 --> 00:48:51,300

day just said I'm gonna open a

1083

00:48:54,589 --> 00:48:52,319

warehouse

1084

00:48:56,690 --> 00:48:54,599

and forget this science stuff that's

1085

00:48:59,270 --> 00:48:56,700

boring I'm going to run a warehouse

1086

00:49:01,970 --> 00:48:59,280

you know I just don't find it plausible

1087

00:49:05,510 --> 00:49:01,980

did I work on UFOs

1088

00:49:07,430 --> 00:49:05,520

no uh and neither did Bob Lazar and

1089

00:49:09,829 --> 00:49:07,440

nobody can prove that he worked on

1090

00:49:12,050 --> 00:49:09,839

anything other than

1091

00:49:15,829 --> 00:49:12,060

um a scam to make money and by the way

1092

00:49:17,990 --> 00:49:15,839

he got a huge payout for his book deal

1093

00:49:20,569 --> 00:49:18,000

all you people who love to say he never

1094

00:49:22,790 --> 00:49:20,579

made any money at this and he doesn't he

1095

00:49:25,609 --> 00:49:22,800

doesn't do this for money he he didn't

1096

00:49:27,050 --> 00:49:25,619

try to cash in he tried to cash in this

1097

00:49:31,970 --> 00:49:27,060

entire time

1098

00:49:33,950 --> 00:49:31,980

trying to cash in on this story he made

1099

00:49:36,109 --> 00:49:33,960

up with his friends it just didn't

1100

00:49:37,849 --> 00:49:36,119

really work out very well for him right

1101

00:49:40,370 --> 00:49:37,859

uh

1102

00:49:42,290 --> 00:49:40,380

Tyson is here holding down a twitch chat

1103

00:49:46,910 --> 00:49:42,300

says have a good stream Stephen opal as

1104

00:49:51,050 --> 00:49:49,190

so questions or comments for me please

1105

00:49:52,670 --> 00:49:51,060

put them in all capital letters I'm

1106

00:49:55,250 --> 00:49:52,680

sorry if anybody's disappointed that

1107

00:49:59,569 --> 00:49:55,260

these secret FBI files were not about

1108

00:50:02,450 --> 00:49:59,579

something like aliens at Area 51 or you

1109

00:50:04,550 --> 00:50:02,460

know Bob lazar's Element 115 kind of

1110

00:50:08,270 --> 00:50:04,560

boring actually just sort of a routine

1111

00:50:10,190 --> 00:50:08,280

investigation into a potential terrorist

1112

00:50:15,050 --> 00:50:10,200

um I would hope that guy never did find

1113

00:50:25,250 --> 00:50:15,060

somebody to sell him uh that that crap

1114

00:50:32,390 --> 00:50:28,670

uh go Steven uh can you tell the aliens

1115

00:50:33,770 --> 00:50:32,400

to heal my broke knee yeah him I mean

1116

00:50:36,710 --> 00:50:33,780

I'm gonna tell him to heal my broke

1117

00:50:39,230 --> 00:50:36,720

wallet too right uh how did Art Bell

1118

00:50:41,329 --> 00:50:39,240

handle his R he interviewed him several

1119

00:50:44,329 --> 00:50:41,339

times and and those were very popular

1120

00:50:47,510 --> 00:50:44,339

interviews but um

1121

00:50:50,690 --> 00:50:47,520

you know again I think there was just a

1122

00:50:53,030 --> 00:50:50,700

few interviews with Art Bell uh of Bob

1123

00:50:55,309 --> 00:50:53,040

Lazar I remember those being big events

1124

00:50:57,049 --> 00:50:55,319

when Bob was going to go on our Bell

1125

00:50:59,210 --> 00:50:57,059

everybody was talking about it and of

1126

00:51:01,130 --> 00:50:59,220

course everybody tuned in

1127

00:51:03,710 --> 00:51:01,140

um

1128

00:51:06,950 --> 00:51:03,720

yeah Lazar is a criminal and all his

1129

00:51:12,410 --> 00:51:06,960

lies make sense now yes

1130

00:51:16,130 --> 00:51:14,089

he made money from the beginning with

1131

00:51:19,089 --> 00:51:16,140

that horrible supposed scientific

1132

00:51:24,430 --> 00:51:23,270

VHS he sold mail order yet and I bought

1133

00:51:27,470 --> 00:51:24,440

that

1134

00:51:29,930 --> 00:51:27,480

my dad Valcourt got all the science

1135

00:51:31,790 --> 00:51:29,940

magazines he got Popular Science Popular

1136

00:51:34,490 --> 00:51:31,800

Mechanics

1137

00:51:36,049 --> 00:51:34,500

um and Omni and a few other science

1138

00:51:37,609 --> 00:51:36,059

magazines and I don't remember what

1139

00:51:39,109 --> 00:51:37,619

magazine it was in but they used to

1140

00:51:42,290 --> 00:51:39,119

advertise that in the back of science

1141

00:51:44,690 --> 00:51:42,300

magazines and I sent my uh I had to get

1142

00:51:48,530 --> 00:51:44,700

my dad to give me a check and I sent it

1143

00:51:53,750 --> 00:51:48,540

off and I ordered that on VHS ages and

1144

00:51:55,790 --> 00:51:53,760

ages probably 90 two maybe or 93

1145

00:52:01,309 --> 00:51:55,800

so he was selling that tape for years

1146

00:52:06,109 --> 00:52:03,770

Nick B did you ever hear an interview

1147

00:52:08,930 --> 00:52:06,119

did in the late 90s with a real

1148

00:52:11,450 --> 00:52:08,940

physicist and a radio host uh no but I

1149

00:52:14,150 --> 00:52:11,460

would like to uh send us the link

1150

00:52:16,670 --> 00:52:14,160

uh I don't I think Bob Lazar avoids real

1151
00:52:19,790 --> 00:52:16,680
scientists like the plague because he

1152
00:52:22,309 --> 00:52:19,800
can't smoke you know he you can't fool a

1153
00:52:25,309 --> 00:52:22,319
real scientist with you know smoke and

1154
00:52:28,970 --> 00:52:25,319
mirrors and and LARPing being a

1155
00:52:31,849 --> 00:52:28,980
physicist they're gonna know right

1156
00:52:36,410 --> 00:52:31,859
broke me comes with broke wallet yeah

1157
00:52:42,170 --> 00:52:39,290
yes he did nap once claimed he knew

1158
00:52:44,390 --> 00:52:42,180
where Bob's Element 115 was hidden more

1159
00:52:46,069 --> 00:52:44,400
nonsense obviously yeah he claimed that

1160
00:52:48,770 --> 00:52:46,079
he knew where it was hidden and that

1161
00:52:52,490 --> 00:52:48,780
someday he was going to dig it up that's

1162
00:52:55,309 --> 00:52:52,500
what he said uh and he's never shown it

1163
00:52:57,530 --> 00:52:55,319

so uh and this

1164

00:52:58,910 --> 00:52:57,540

this is

1165

00:53:02,870 --> 00:52:58,920

um really

1166

00:53:04,549 --> 00:53:02,880

more than anything uh clouds around this

1167

00:53:08,089 --> 00:53:04,559

tells you that the story is fake because

1168

00:53:10,190 --> 00:53:08,099

if you really had 100 verifiable proof

1169

00:53:12,290 --> 00:53:10,200

and evidence of alien visitation to

1170

00:53:14,870 --> 00:53:12,300

earth when you just throw it down on the

1171

00:53:16,970 --> 00:53:14,880

table go there's the proof [h__h] no

1172

00:53:19,430 --> 00:53:16,980

it's always this count cat and mouse

1173

00:53:22,250 --> 00:53:19,440

game by our new documentary

1174

00:53:24,109 --> 00:53:22,260

we're gonna have all these all this new

1175

00:53:26,390 --> 00:53:24,119

information no they didn't have [h__h]

1176
00:53:28,430 --> 00:53:26,400
they had something about a hand scanner

1177
00:53:30,530 --> 00:53:28,440
that was in Close Encounters that's the

1178
00:53:32,630 --> 00:53:30,540
only new information from Bob Lazar in

1179
00:53:34,970 --> 00:53:32,640
30 years right

1180
00:53:38,210 --> 00:53:34,980
DJ D says so in helping the government

1181
00:53:41,390 --> 00:53:38,220
Bob gets examined and gets charged for

1182
00:53:44,690 --> 00:53:41,400
not having a certain license uh

1183
00:53:47,150 --> 00:53:44,700
yeah no that was previous he was in

1184
00:53:49,190 --> 00:53:47,160
trouble for that I think he genuinely

1185
00:53:51,950 --> 00:53:49,200
was concerned that this individual was

1186
00:53:53,930 --> 00:53:51,960
going to create chemical weapons so he

1187
00:53:56,510 --> 00:53:53,940
contacts uh

1188
00:53:58,430 --> 00:53:56,520

the FBI and what he said is although

1189

00:54:00,770 --> 00:53:58,440

some chemicals may be on a restricted

1190

00:54:02,210 --> 00:54:00,780

list you can get the precursor chemicals

1191

00:54:05,510 --> 00:54:02,220

to those chemicals and make those

1192

00:54:09,109 --> 00:54:05,520

chemicals any decent chemist can do that

1193

00:54:12,710 --> 00:54:09,119

um and and this is often how like uh the

1194

00:54:14,930 --> 00:54:12,720

meth industry works if they can't get a

1195

00:54:16,970 --> 00:54:14,940

certain chemical they go with an

1196

00:54:18,609 --> 00:54:16,980

alternate and and make it in a different

1197

00:54:21,349 --> 00:54:18,619

way

1198

00:54:25,069 --> 00:54:21,359

and isn't it interesting

1199

00:54:30,829 --> 00:54:25,079

that Bob Lazar's business is the largest

1200

00:54:34,730 --> 00:54:33,290

the largest supplier of glassware in the

1201
00:54:37,130 --> 00:54:34,740
United States

1202
00:54:39,109 --> 00:54:37,140
so if you ever want to start a meth lab

1203
00:54:40,849 --> 00:54:39,119
just call Bob Lazar and get your

1204
00:54:42,609 --> 00:54:40,859
glassware from him that's where

1205
00:54:45,829 --> 00:54:42,619
everybody else apparently gets it from

1206
00:54:48,770 --> 00:54:45,839
he is the United States largest supplier

1207
00:54:50,210 --> 00:54:48,780
of glassware to

1208
00:54:53,410 --> 00:54:50,220
um

1209
00:54:58,130 --> 00:54:53,420
possibly manufacture

1210
00:55:01,730 --> 00:55:00,170
I would love Alien scientist Jeremy

1211
00:55:03,109 --> 00:55:01,740
Rises here I would love for proof to

1212
00:55:04,910 --> 00:55:03,119
come out tomorrow exposing and

1213
00:55:07,250 --> 00:55:04,920

declassifying all this

1214

00:55:10,430 --> 00:55:07,260

that would be my dream come true

1215

00:55:14,809 --> 00:55:12,049

you know Jeremy people think that I'm

1216

00:55:16,370 --> 00:55:14,819

all negative and I I think that would

1217

00:55:17,390 --> 00:55:16,380

make the world a much more interesting

1218

00:55:19,490 --> 00:55:17,400

place

1219

00:55:23,270 --> 00:55:19,500

if we got confirmation

1220

00:55:25,430 --> 00:55:23,280

of uh let's say alien crash retrievals

1221

00:55:26,750 --> 00:55:25,440

that they tried to back engineer or you

1222

00:55:29,569 --> 00:55:26,760

know whatever

1223

00:55:31,549 --> 00:55:29,579

hiding Element 115 inside butt plugs

1224

00:55:33,650 --> 00:55:31,559

into warehouse yeah that's where that's

1225

00:55:36,890 --> 00:55:33,660

where the element 115 it's inside the

1226
00:55:41,210 --> 00:55:36,900
butt plugs at Bob Lazar's warehouse

1227
00:55:44,510 --> 00:55:41,220
um absolutely positively ridiculous

1228
00:55:47,390 --> 00:55:44,520
and uh I want to do the the good thing

1229
00:55:49,569 --> 00:55:47,400
here and remind everybody that we're a

1230
00:55:53,030 --> 00:55:49,579
viewer supported show

1231
00:55:54,829 --> 00:55:53,040
uh one second I will put I will put my

1232
00:55:56,809 --> 00:55:54,839
banner up because every and when I play

1233
00:55:58,549 --> 00:55:56,819
these bumpers everybody jumps out of

1234
00:55:59,930 --> 00:55:58,559
here like the show's over like the

1235
00:56:02,750 --> 00:55:59,940
plague just happened they're only

1236
00:56:05,329 --> 00:56:02,760
they're quick bumpers just enough to

1237
00:56:07,910 --> 00:56:05,339
remind people that we are a viewer

1238
00:56:08,510 --> 00:56:07,920

supported show

1239

00:56:10,970 --> 00:56:08,520

um

1240

00:56:13,490 --> 00:56:10,980

yeah so the show is not over we'll be

1241

00:56:15,829 --> 00:56:13,500

right back after this short message I

1242

00:56:18,290 --> 00:56:15,839

just like to uh once per show remind

1243

00:56:20,450 --> 00:56:18,300

everybody that we're a viewer supported

1244

00:56:22,309 --> 00:56:20,460

show we read each and every single Super

1245

00:56:36,589 --> 00:56:22,319

Chat and thank everybody for their

1246

00:56:42,290 --> 00:56:39,290

two seconds is a viewer's supported show

1247

00:56:44,569 --> 00:56:42,300

wonderful people like you who enjoy this

1248

00:56:47,990 --> 00:56:44,579

show sent pledges in the form of Super

1249

00:56:51,109 --> 00:56:48,000

Chat soup stickers super thanks PayPal

1250

00:56:53,049 --> 00:56:51,119

or cash out instructions for how to help

1251

00:56:56,450 --> 00:56:53,059

are in the description

1252

00:56:58,670 --> 00:56:56,460

you can also join our patreon and for as

1253

00:57:01,970 --> 00:56:58,680

little as one dollar a month you can get

1254

00:57:04,790 --> 00:57:01,980

extra content patreon supporters in a

1255

00:57:06,410 --> 00:57:04,800

backstage pass Early Access to all our

1256

00:57:08,930 --> 00:57:06,420

production videos before they are

1257

00:57:11,630 --> 00:57:08,940

distributed publicly Stephen campion's

1258

00:57:14,990 --> 00:57:11,640

music private writings a monthly show

1259

00:57:17,030 --> 00:57:15,000

journal and more you also become a

1260

00:57:19,670 --> 00:57:17,040

YouTube channel member for five dollars

1261

00:57:22,430 --> 00:57:19,680

a month a YouTube membership includes

1262

00:57:25,309 --> 00:57:22,440

all the patreon benefits plus a special

1263

00:57:28,069 --> 00:57:25,319

members badge priority reply to video

1264

00:57:31,250 --> 00:57:28,079

comments and the live chat plus some

1265

00:57:34,309 --> 00:57:31,260

monthly Members Only video we thank you

1266

00:57:37,730 --> 00:57:34,319

all kind and generous benefactors for

1267

00:57:43,130 --> 00:57:37,740

supporting truth Seekers thank you for

1268

00:57:52,030 --> 00:57:46,609

foreign

1269

00:58:21,190 --> 00:58:01,200

[Music]

1270

00:58:26,690 --> 00:58:23,990

thanks for being here this is truth

1271

00:58:29,569 --> 00:58:26,700

Seekers with your house Stephen Campion

1272

00:58:32,089 --> 00:58:29,579

please rate like and comment on our

1273

00:58:34,430 --> 00:58:32,099

videos and podcasts if you are listening

1274

00:58:36,470 --> 00:58:34,440

to all your podcast please write us five

1275

00:58:38,990 --> 00:58:36,480

stars to help us rise in the search

1276
00:58:41,690 --> 00:58:39,000
rankings if you're watching on YouTube

1277
00:58:44,089 --> 00:58:41,700
please like comment and subscribe to our

1278
00:58:45,890 --> 00:58:44,099
Channel if you're listening to all your

1279
00:58:48,470 --> 00:58:45,900
podcasts we love and appreciate you

1280
00:58:51,349 --> 00:58:48,480
listeners but you are missing the live

1281
00:58:54,170 --> 00:58:51,359
tapings all our shows are recorded live

1282
00:58:56,450 --> 00:58:54,180
with video themes we'd love you to come

1283
00:58:59,510 --> 00:58:56,460
be a part of our live broadcasts and

1284
00:59:01,970 --> 00:58:59,520
tapings for the podcast head on over to

1285
00:59:04,730 --> 00:59:01,980
YouTube click the Search tool the little

1286
00:59:06,829 --> 00:59:04,740
magnifying glass what truth Seekers one

1287
00:59:09,170 --> 00:59:06,839
word in the search bar and hit enter

1288
00:59:11,510 --> 00:59:09,180

you'll see a strange and mysterious guy

1289

00:59:14,329 --> 00:59:11,520

with sunglasses that means you found the

1290

00:59:17,089 --> 00:59:14,339

channel Gomez smash the Subscribe button

1291

00:59:19,789 --> 00:59:17,099

and hit the notification Bell to receive

1292

00:59:21,950 --> 00:59:19,799

up-to-date info on our YouTube channel

1293

00:59:24,890 --> 00:59:21,960

we welcome you to be a part of our life

1294

00:59:29,150 --> 00:59:24,900

David and our childhood during the live

1295

00:59:36,790 --> 00:59:29,160

broadcasts seek the truth speak the

1296

00:59:36,800 --> 00:59:46,450

[Music]

1297

00:59:52,730 --> 00:59:49,430

yeah and welcome back and Jeremy rice

1298

00:59:55,849 --> 00:59:52,740

says I'm about to uh start it up soon

1299

00:59:57,470 --> 00:59:55,859

guys uh see you on the flip side I I

1300

01:00:00,410 --> 00:59:57,480

guess uh Jeremy rise will be

1301
01:00:02,089 --> 01:00:00,420
broadcasting this evening so uh you guys

1302
01:00:04,490 --> 01:00:02,099
should head on over there right at the

1303
01:00:07,490 --> 01:00:04,500
end of this broadcast

1304
01:00:10,549 --> 01:00:07,500
um I needed something and I just we have

1305
01:00:12,349 --> 01:00:10,559
to remind people it's good to remind

1306
01:00:14,030 --> 01:00:12,359
people that we're a viewer supported

1307
01:00:15,470 --> 01:00:14,040
show

1308
01:00:17,809 --> 01:00:15,480
um

1309
01:00:21,170 --> 01:00:17,819
uh we thank you all for your kindness

1310
01:00:23,210 --> 01:00:21,180
and generosity too uh one second did I

1311
01:00:24,410 --> 01:00:23,220
miss one we have colleague Armstrong

1312
01:00:28,730 --> 01:00:24,420
with uh

1313
01:00:31,910 --> 01:00:28,740

one pound 49 super sticker and uh we

1314

01:00:31,920 --> 01:00:34,910

and

1315

01:00:39,530 --> 01:00:37,910

cool how do I say this woo well

1316

01:00:43,309 --> 01:00:39,540

translations

1317

01:00:45,170 --> 01:00:43,319

for 9.99 thank you for your kindness

1318

01:00:47,450 --> 01:00:45,180

generosity and support and thank you

1319

01:00:49,789 --> 01:00:47,460

Colleen Armstrong for your kindness

1320

01:00:53,030 --> 01:00:49,799

generosity and support thank you all

1321

01:00:58,730 --> 01:00:53,040

we're having a great day today to praise

1322

01:01:03,049 --> 01:01:00,950

so we'll take a few more comments and

1323

01:01:05,089 --> 01:01:03,059

questions from the live chat

1324

01:01:08,450 --> 01:01:05,099

uh

1325

01:01:13,490 --> 01:01:08,460

Vancouver guy is here and says I'm from

1326

01:01:16,609 --> 01:01:13,500

Washington State not Canada I uh

1327

01:01:18,650 --> 01:01:16,619

I spent a month in Vancouver Canada for

1328

01:01:20,510 --> 01:01:18,660

work don't think I ever made it there

1329

01:01:21,829 --> 01:01:20,520

it's been a decade since I have been

1330

01:01:24,349 --> 01:01:21,839

back to Canada

1331

01:01:26,030 --> 01:01:24,359

well I lived in Green Bay Wisconsin for

1332

01:01:27,770 --> 01:01:26,040

a while and there was Canadians

1333

01:01:28,849 --> 01:01:27,780

everywhere there I don't know if they

1334

01:01:31,430 --> 01:01:28,859

like get

1335

01:01:34,970 --> 01:01:31,440

come down from the great lakes or what

1336

01:01:36,349 --> 01:01:34,980

everybody says a a lot they end every

1337

01:01:39,230 --> 01:01:36,359

sentence with a

1338

01:01:42,109 --> 01:01:39,240

H that I remember but they were all nice

1339

01:01:44,750 --> 01:01:42,119

people I like Canadians

1340

01:01:48,289 --> 01:01:44,760

uh

1341

01:01:51,829 --> 01:01:48,299

yeah and also I just wanted to mention

1342

01:01:53,630 --> 01:01:51,839

that there is a new video out uh let me

1343

01:01:54,970 --> 01:01:53,640

see if I can't share it from my Twitter

1344

01:01:58,849 --> 01:01:54,980

here

1345

01:02:05,809 --> 01:02:02,510

and uh I'm gonna put the link to her

1346

01:02:08,569 --> 01:02:05,819

video in the in the live chat one second

1347

01:02:10,370 --> 01:02:08,579

let me put it in the live chat

1348

01:02:14,390 --> 01:02:10,380

there's a new video on the secret space

1349

01:02:16,609 --> 01:02:14,400

program by weird reads by Emily and uh

1350

01:02:18,890 --> 01:02:16,619

she's awesome she makes great content

1351
01:02:20,630 --> 01:02:18,900
she made a great piece on the Montauk

1352
01:02:22,190 --> 01:02:20,640
project

1353
01:02:23,510 --> 01:02:22,200
um

1354
01:02:26,450 --> 01:02:23,520
and

1355
01:02:29,930 --> 01:02:26,460
I did an interview with her about Anja

1356
01:02:32,690 --> 01:02:29,940
Lee but that didn't end up in this so it

1357
01:02:36,289 --> 01:02:32,700
was other stuff but there's a fun sort

1358
01:02:38,030 --> 01:02:36,299
of uh Montage about truth Seekers she

1359
01:02:40,069 --> 01:02:38,040
took a whole bunch of funny clips of me

1360
01:02:43,190 --> 01:02:40,079
saying different stuff about jerk offs

1361
01:02:45,950 --> 01:02:43,200
and it's pretty funny uh so I put it in

1362
01:02:49,849 --> 01:02:45,960
the into the live chat

1363
01:02:52,309 --> 01:02:49,859

um let me uh let me share my screen and

1364

01:02:55,069 --> 01:02:52,319

we're just trying to help her promote

1365

01:02:58,190 --> 01:02:55,079

that video

1366

01:03:00,410 --> 01:02:58,200

here we go and it is basically a full-on

1367

01:03:03,049 --> 01:03:00,420

documentary uh

1368

01:03:05,630 --> 01:03:03,059

alternative three how a hoax documentary

1369

01:03:08,450 --> 01:03:05,640

created a conspiracy cult is on YouTube

1370

01:03:09,829 --> 01:03:08,460

now a decade spanning journey into the

1371

01:03:12,410 --> 01:03:09,839

weird and wonderful world of the secret

1372

01:03:15,289 --> 01:03:12,420

space program and how it was heavily

1373

01:03:17,030 --> 01:03:15,299

influenced by a fictional 1970s TV

1374

01:03:19,190 --> 01:03:17,040

production

1375

01:03:22,010 --> 01:03:19,200

it features interviews with the author

1376

01:03:24,710 --> 01:03:22,020

of the original book Leslie Watkins as

1377

01:03:27,589 --> 01:03:24,720

well as Captain Randy Kramer who claims

1378

01:03:29,750 --> 01:03:27,599

to be part of the Mars Defense Force and

1379

01:03:33,589 --> 01:03:29,760

a host of familiar characters who were

1380

01:03:35,569 --> 01:03:33,599

influenced by this hoax documentary

1381

01:03:37,849 --> 01:03:35,579

um it tracks the origin of Mythology

1382

01:03:41,809 --> 01:03:37,859

around alternative three from great

1383

01:03:45,230 --> 01:03:41,819

Barker and brinsley uh Rapport trench to

1384

01:03:46,670 --> 01:03:45,240

May Brussel Jim Keith Bill Cooper and

1385

01:03:49,130 --> 01:03:46,680

the Montauk gang

1386

01:03:51,410 --> 01:03:49,140

right up to the Project Camelot super

1387

01:03:55,549 --> 01:03:51,420

soldier whistleblowers and the Wonder

1388

01:04:00,650 --> 01:03:56,690

pardon me

1389

01:04:04,870 --> 01:04:02,870

and uh

1390

01:04:07,069 --> 01:04:04,880

it's interesting

1391

01:04:08,210 --> 01:04:07,079

Randy Kramer acts like he doesn't know

1392

01:04:11,089 --> 01:04:08,220

who I am

1393

01:04:12,289 --> 01:04:11,099

uh when she talks to him about this I

1394

01:04:14,390 --> 01:04:12,299

don't know if you've seen him he's done

1395

01:04:16,370 --> 01:04:14,400

quite a couple of live streams but he

1396

01:04:18,349 --> 01:04:16,380

where he's he's even saying that he

1397

01:04:20,690 --> 01:04:18,359

wants to challenge you to a boxing match

1398

01:04:23,630 --> 01:04:20,700

he's he's even put forward a thing I

1399

01:04:25,130 --> 01:04:23,640

think he'll even pay you no wait who's

1400

01:04:26,930 --> 01:04:25,140

this who's this guy again what's his

1401

01:04:28,730 --> 01:04:26,940

name he knows exactly who I am no no

1402

01:04:30,410 --> 01:04:28,740

apparently oh apparently he wants to

1403

01:04:31,970 --> 01:04:30,420

challenge me to a boxing match or

1404

01:04:34,270 --> 01:04:31,980

something and he wants to even pay or

1405

01:04:40,190 --> 01:04:38,210

you should do it why not yeah I tell you

1406

01:04:42,950 --> 01:04:40,200

what he never responded to that

1407

01:04:45,109 --> 01:04:42,960

challenge uh and the deadline is long

1408

01:04:48,289 --> 01:04:45,119

past there's I've always said you know

1409

01:04:50,390 --> 01:04:48,299

if anyone really wants to watch me prove

1410

01:04:53,410 --> 01:04:50,400

they can just try and fight me and

1411

01:04:56,329 --> 01:04:53,420

suffer the consequences

1412

01:04:57,770 --> 01:04:56,339

but if he's dumb enough and wants to

1413

01:05:01,010 --> 01:04:57,780

actually get in a ring and get his ass

1414

01:05:03,730 --> 01:05:01,020

kicked I'm down friends I'm with knock

1415

01:05:07,190 --> 01:05:03,740

his teeth out in a boxing match

1416

01:05:12,190 --> 01:05:07,200

this Clown's teeth out in a boxing match

1417

01:05:12,200 --> 01:05:19,069

secret space program versus skeptic

1418

01:05:25,670 --> 01:05:22,670

pretty interesting uh yeah uh so uh

1419

01:05:28,250 --> 01:05:25,680

there's a bunch of stuff uh and I'm we

1420

01:05:30,470 --> 01:05:28,260

here at two Seekers are featured in that

1421

01:05:32,809 --> 01:05:30,480

video which I hope will be good for us

1422

01:05:34,549 --> 01:05:32,819

because she's got like 30 000

1423

01:05:37,849 --> 01:05:34,559

subscribers so

1424

01:05:39,950 --> 01:05:37,859

um and welcome any new subscribers uh

1425

01:05:42,289 --> 01:05:39,960

it'd be nice if a lot more people find

1426

01:05:44,210 --> 01:05:42,299

us through her video

1427

01:05:47,510 --> 01:05:44,220

um and I for one

1428

01:05:50,990 --> 01:05:47,520

and my impressed with her work it's

1429

01:05:53,270 --> 01:05:51,000

called weird reads by Emily Louise I put

1430

01:05:54,730 --> 01:05:53,280

it in the in the live chat I'll do that

1431

01:05:58,309 --> 01:05:54,740

one more time

1432

01:06:01,370 --> 01:05:58,319

uh one second I'll put the link to the

1433

01:06:03,170 --> 01:06:01,380

video in the live chat one more time so

1434

01:06:05,150 --> 01:06:03,180

you can go and check that out it's a

1435

01:06:07,730 --> 01:06:05,160

free documentary

1436

01:06:10,730 --> 01:06:07,740

um and we want to thank djgs for two

1437

01:06:13,430 --> 01:06:10,740

things one being a member and for a kind

1438

01:06:16,130 --> 01:06:13,440

of generous five dollar Super Chat uh

1439

01:06:18,349 --> 01:06:16,140

and we thank you for helping us

1440

01:06:22,190 --> 01:06:18,359

don't break the cash

1441

01:06:24,470 --> 01:06:22,200

raise the cabin yes thank you djds

1442

01:06:26,630 --> 01:06:24,480

um yeah I gotta get going on that

1443

01:06:28,190 --> 01:06:26,640

bathroom I have made almost no progress

1444

01:06:30,170 --> 01:06:28,200

on that thing and I've been here for two

1445

01:06:33,170 --> 01:06:30,180

days but I feel like

1446

01:06:34,670 --> 01:06:33,180

um I'm I'm here working like I'm not uh

1447

01:06:36,829 --> 01:06:34,680

normally when I'm at the cabin I'm

1448

01:06:40,730 --> 01:06:36,839

working on the cabin I'm not working on

1449

01:06:43,130 --> 01:06:40,740

the show or uh you know other work I

1450

01:06:45,349 --> 01:06:43,140

just working on the cabin but these past

1451

01:06:48,829 --> 01:06:45,359

two days I didn't really get anything

1452

01:06:51,410 --> 01:06:48,839

done on the cabin because I'm working

1453

01:06:54,529 --> 01:06:51,420

um so

1454

01:06:56,930 --> 01:06:54,539

and we want to thank UFO John Doe for a

1455

01:06:59,750 --> 01:06:56,940

kind of generous dollar 15 and for being

1456

01:07:01,789 --> 01:06:59,760

a member and longtime show supporter

1457

01:07:04,490 --> 01:07:01,799

thank you for kindness generosity and

1458

01:07:07,190 --> 01:07:04,500

support and helping us to praise the

1459

01:07:07,200 --> 01:07:13,609

thank you for your kindness everyone

1460

01:07:17,329 --> 01:07:15,529

then Lizzie Borden says I've actually

1461

01:07:22,549 --> 01:07:17,339

said that I wanted to box another broad

1462

01:07:24,890 --> 01:07:22,559

on YouTube oh geez uh yeah yo I uh just

1463

01:07:27,890 --> 01:07:24,900

found Emily recently love her stuff she

1464

01:07:30,650 --> 01:07:27,900

is collecting lots of woo books yes she

1465

01:07:32,450 --> 01:07:30,660

is uh she's a fun girl we're gonna we're

1466

01:07:35,569 --> 01:07:32,460

gonna have her here on the show next

1467

01:07:38,150 --> 01:07:35,579

week here uh well hopefully I'll be back

1468

01:07:40,190 --> 01:07:38,160

home by then uh I think it's going to be

1469

01:07:43,190 --> 01:07:40,200

next Thursday we're going to do an

1470

01:07:45,650 --> 01:07:43,200

interview with her and talk about her uh

1471

01:07:47,569 --> 01:07:45,660

all her investigations into Montauk and

1472

01:07:48,770 --> 01:07:47,579

the secret space program and things like

1473

01:07:50,750 --> 01:07:48,780

that

1474

01:07:52,970 --> 01:07:50,760

if I ever meet someone who says they're

1475

01:07:54,770 --> 01:07:52,980

a super soldier I'm going to karate chop

1476

01:07:56,270 --> 01:07:54,780

them in the throat really fast if

1477

01:07:58,370 --> 01:07:56,280

they're a super soldier they should stop

1478

01:08:00,529 --> 01:07:58,380

me yeah well that was the point of that

1479

01:08:03,470 --> 01:08:00,539

challenge is to say you're not a super

1480

01:08:06,170 --> 01:08:03,480

soldier you're a normal regular human

1481

01:08:08,390 --> 01:08:06,180

like everybody else you know if he was a

1482

01:08:10,490 --> 01:08:08,400

super soldier he should be able to kick

1483

01:08:13,130 --> 01:08:10,500

the crap out of me in a boxing match and

1484

01:08:15,230 --> 01:08:13,140

that would not happen it just would not

1485

01:08:18,769 --> 01:08:15,240

happen

1486

01:08:23,990 --> 01:08:21,530

yeah tough talking Randy yeah he's all

1487

01:08:25,370 --> 01:08:24,000

talk he's going to use his he's going to

1488

01:08:28,370 --> 01:08:25,380

use his suit now he's selling people

1489

01:08:31,070 --> 01:08:28,380

superpowers for 99 a month

1490

01:08:32,809 --> 01:08:31,080

and I was kind of surprised that she did

1491

01:08:34,490 --> 01:08:32,819

an interview with him and I was even

1492

01:08:36,289 --> 01:08:34,500

more surprised that

1493

01:08:39,530 --> 01:08:36,299

she was uh

1494

01:08:41,269 --> 01:08:39,540

I don't want to say real nice but yeah

1495

01:08:43,430 --> 01:08:41,279

she was kind of real nice to him and

1496

01:08:46,910 --> 01:08:43,440

didn't really

1497

01:08:48,709 --> 01:08:46,920

I don't know I I hoped or expected that

1498

01:08:51,229 --> 01:08:48,719

she was going to demand evidence or

1499

01:08:53,510 --> 01:08:51,239

proof of his med bed claims remember he

1500

01:08:56,749 --> 01:08:53,520

made what was it sixty thousand dollars

1501

01:08:59,090 --> 01:08:56,759

scamming everybody for Med beds uh that

1502

01:09:01,370 --> 01:08:59,100

he never produced anything he just kept

1503

01:09:03,890 --> 01:09:01,380

the money right must be nice you just

1504

01:09:05,510 --> 01:09:03,900

keep all that money and

1505

01:09:07,070 --> 01:09:05,520

um you produce nothing

1506

01:09:09,650 --> 01:09:07,080

and then you're on to the next scam

1507

01:09:11,450 --> 01:09:09,660

selling people superpowers for 99 a

1508

01:09:14,450 --> 01:09:11,460

month right

1509

01:09:17,090 --> 01:09:14,460

uh Vancouver guy says I had met alleged

1510

01:09:19,970 --> 01:09:17,100

I have met alleged super soldiers tons

1511

01:09:23,689 --> 01:09:19,980

of them seriously more disabled than I

1512

01:09:25,970 --> 01:09:23,699

am yeah most of them

1513

01:09:28,070 --> 01:09:25,980

it's always funny to me that these guys

1514

01:09:29,689 --> 01:09:28,080

claim to be like genetically engineered

1515

01:09:32,809 --> 01:09:29,699

super soldiers and they're always like

1516

01:09:39,349 --> 01:09:32,819

real fat and out of shape and like

1517

01:09:45,289 --> 01:09:43,070

um fat out of shape

1518

01:09:47,450 --> 01:09:45,299

yeah so comments or questions for me

1519

01:09:49,070 --> 01:09:47,460

please put them in all capital letters

1520

01:09:51,890 --> 01:09:49,080

like I said this is going to be a quick

1521

01:09:54,350 --> 01:09:51,900

one tonight uh I'm gonna try to get

1522

01:09:57,229 --> 01:09:54,360

something to eat I'm starving I haven't

1523

01:09:59,150 --> 01:09:57,239

had anything to eat today

1524

01:10:01,370 --> 01:09:59,160

um I have been working on preparing

1525

01:10:04,370 --> 01:10:01,380

future upcoming shows that's what I've

1526

01:10:06,950 --> 01:10:04,380

been doing here and um I got to sort of

1527

01:10:12,010 --> 01:10:06,960

turn off the show work and turn on the

1528

01:10:16,250 --> 01:10:14,930

you can call woman everything you want I

1529

01:10:17,870 --> 01:10:16,260

don't know if you not if you want to

1530

01:10:22,130 --> 01:10:17,880

live

1531

01:10:22,140 --> 01:10:27,890

somebody's asking about pronouns

1532

01:10:32,930 --> 01:10:31,070

yeah uh I'll sell superpowers for half

1533

01:10:35,149 --> 01:10:32,940

the price yeah that's what we're gonna

1534

01:10:37,610 --> 01:10:35,159

do uh

1535

01:10:40,189 --> 01:10:37,620

Kramer is a low-life Walter Mitty now

1536

01:10:43,790 --> 01:10:40,199

he's been uh slapped by an actual U.S

1537

01:10:45,530 --> 01:10:43,800

marine is beyond me yeah I'd like to see

1538

01:10:47,750 --> 01:10:45,540

him get in a ring with a real Marine

1539

01:10:50,149 --> 01:10:47,760

right

1540

01:10:52,970 --> 01:10:50,159

um he's a Stolen Valor fraud he's never

1541

01:10:56,209 --> 01:10:52,980

been in the Marines he's full of [h__h]

1542

01:10:58,070 --> 01:10:56,219

and I am permanently uh disabled and

1543

01:10:59,270 --> 01:10:58,080

have been since my late teen sorry to

1544

01:11:01,430 --> 01:10:59,280

hear that and I would still probably

1545

01:11:05,810 --> 01:11:01,440

kick these guys asses yeah isn't that

1546

01:11:12,110 --> 01:11:08,870

uh yeah very very interesting

1547

01:11:15,169 --> 01:11:12,120

so uh like I said we're gonna call this

1548

01:11:17,630 --> 01:11:15,179

one a quick one today I have a mountain

1549

01:11:19,790 --> 01:11:17,640

of things that I gotta finish before I

1550

01:11:22,250 --> 01:11:19,800

go back home

1551

01:11:23,870 --> 01:11:22,260

um I both love and hate these longer

1552

01:11:25,250 --> 01:11:23,880

trips to the cabin I remember during the

1553

01:11:27,649 --> 01:11:25,260

pandemic sometimes I'd leave on

1554

01:11:29,450 --> 01:11:27,659

Wednesday and come back on Sunday and it

1555

01:11:31,729 --> 01:11:29,460

seems like you got all the Time in the

1556

01:11:34,189 --> 01:11:31,739

World to do a lot of things but then the

1557

01:11:37,189 --> 01:11:34,199

time starts ticking away and and I just

1558

01:11:39,350 --> 01:11:37,199

didn't get I didn't get anything done I

1559

01:11:42,350 --> 01:11:39,360

got a I'm hoping that I'm gonna finish

1560

01:11:44,990 --> 01:11:42,360

that cabin bathroom uh tonight if not

1561

01:11:48,050 --> 01:11:45,000

tomorrow uh because that's basically a

1562

01:11:50,209 --> 01:11:48,060

nightmare up a ladder down the ladder up

1563

01:11:52,970 --> 01:11:50,219

the ladder down the ladder luckily

1564

01:11:55,370 --> 01:11:52,980

though you know I have a nail gun and an

1565

01:11:57,649 --> 01:11:55,380

air compressor so it's not

1566

01:12:00,110 --> 01:11:57,659

I would not attempt to try to nail those

1567

01:12:02,630 --> 01:12:00,120

boards up by hand with a hammer and

1568

01:12:04,490 --> 01:12:02,640

nails because it's just impossible at

1569

01:12:07,010 --> 01:12:04,500

least with a nail gun you just need to

1570

01:12:08,930 --> 01:12:07,020

hold it for that one get that one nail

1571

01:12:10,790 --> 01:12:08,940

in it and then it stays up and then you

1572

01:12:13,250 --> 01:12:10,800

can yeah

1573

01:12:15,830 --> 01:12:13,260

um get get the thing where it's supposed

1574

01:12:17,930 --> 01:12:15,840

to be and and whatever

1575

01:12:20,510 --> 01:12:17,940

um but I had seen that John dropped

1576

01:12:22,729 --> 01:12:20,520

these uh Bob Lazar FBI files and wanted

1577

01:12:24,410 --> 01:12:22,739

to bring this to you

1578

01:12:26,149 --> 01:12:24,420

um and like I said there does appear to

1579

01:12:28,370 --> 01:12:26,159

be a lot of confusion that this is about

1580

01:12:31,010 --> 01:12:28,380

the FBI raid no this is a separate event

1581

01:12:33,649 --> 01:12:31,020

that happened in 2006 and what we could

1582

01:12:34,550 --> 01:12:33,659

take away from that is that Bob Lazar

1583

01:12:36,470 --> 01:12:34,560

um

1584

01:12:39,350 --> 01:12:36,480

at the very least would not sell

1585

01:12:41,990 --> 01:12:39,360

chemicals to a possible terrorist uh who

1586

01:12:45,530 --> 01:12:42,000

was anti-government anti-united States

1587

01:12:46,729 --> 01:12:45,540

right oh here uh Emily Louise is here

1588

01:12:49,550 --> 01:12:46,739

and yeah and I was telling everybody

1589

01:12:51,169 --> 01:12:49,560

about your video and I'm also telling

1590

01:12:53,810 --> 01:12:51,179

everybody that you're going to be here

1591

01:12:58,130 --> 01:12:53,820

next week I think next Thursday at 9 00

1592

01:13:01,010 --> 01:12:58,140

PM if we agree to that Emily is like uh

1593

01:13:03,770 --> 01:13:01,020

is like a typical woman like I thought

1594

01:13:05,630 --> 01:13:03,780

we had it worked out I think we do next

1595

01:13:07,490 --> 01:13:05,640

Thursday at 9 00 pm I'll have to check

1596

01:13:08,689 --> 01:13:07,500

my messages again

1597

01:13:11,930 --> 01:13:08,699

um we're going to be talking about the

1598

01:13:14,149 --> 01:13:11,940

Montauk jerk off project right and uh

1599

01:13:16,310 --> 01:13:14,159

all the gay sex stuff surrounding the

1600

01:13:18,070 --> 01:13:16,320

Montauk project and how fake it is she

1601
01:13:20,630 --> 01:13:18,080
did a great video on the Montauk project

1602
01:13:23,930 --> 01:13:20,640
so great in fact that it kind of made me

1603
01:13:24,790 --> 01:13:23,940
cancel my plans to do a whole peace on

1604
01:13:27,530 --> 01:13:24,800
that

1605
01:13:29,450 --> 01:13:27,540
because most people who do a video on

1606
01:13:32,090 --> 01:13:29,460
the Montauk project they do it from the

1607
01:13:34,910 --> 01:13:32,100
perspective of it's all true you know we

1608
01:13:37,010 --> 01:13:34,920
had uh Christina Gomer and uh Jimmy

1609
01:13:39,709 --> 01:13:37,020
Church they just left out all the gay

1610
01:13:42,410 --> 01:13:39,719
sex stuff right all the jerk off parties

1611
01:13:45,110 --> 01:13:42,420
and the and the weird gay sex stuff

1612
01:13:46,790 --> 01:13:45,120
and they left out all of the substantial

1613
01:13:49,910 --> 01:13:46,800

and supportive evidence that that is

1614

01:13:52,669 --> 01:13:49,920

just a bunch of made up nonsense

1615

01:13:55,189 --> 01:13:52,679

um but uh yeah Emily Louise did a great

1616

01:13:56,990 --> 01:13:55,199

job on that and uh a great job on this

1617

01:13:59,750 --> 01:13:57,000

recent video on the secret space program

1618

01:14:01,910 --> 01:13:59,760

and I think that she nailed it and a lot

1619

01:14:03,470 --> 01:14:01,920

of this stuff came from this alternative

1620

01:14:05,990 --> 01:14:03,480

three

1621

01:14:07,430 --> 01:14:06,000

thing which was completely and totally a

1622

01:14:13,790 --> 01:14:07,440

work of fiction but these guys run

1623

01:14:19,189 --> 01:14:16,970

oh that's great dark Arrow paranormal of

1624

01:14:21,169 --> 01:14:19,199

third phase of moon was in the dark was

1625

01:14:22,430 --> 01:14:21,179

in the Montauk project in a different

1626

01:14:25,250 --> 01:14:22,440

dimension

1627

01:14:26,570 --> 01:14:25,260

I guess he he was jerking off with a

1628

01:14:28,250 --> 01:14:26,580

bunch of gay dudes in a different

1629

01:14:30,050 --> 01:14:28,260

dimension then because that's what that

1630

01:14:33,770 --> 01:14:30,060

thing was about a bunch of gay dudes

1631

01:14:36,950 --> 01:14:33,780

jerking off with each other gross right

1632

01:14:39,770 --> 01:14:36,960

these perverts and their child abduction

1633

01:14:43,250 --> 01:14:39,780

gay sex magic they were claiming to do

1634

01:14:44,870 --> 01:14:43,260

yeah uh it's really a disturbing story

1635

01:14:46,910 --> 01:14:44,880

and look at those guys

1636

01:14:47,689 --> 01:14:46,920

like sitting around jerking each other

1637

01:14:49,729 --> 01:14:47,699

off

1638

01:14:52,610 --> 01:14:49,739

weird

1639

01:14:55,550 --> 01:14:52,620

American Horror Story taught gay sex

1640

01:14:58,490 --> 01:14:55,560

this season and Montauk yeah I like

1641

01:15:00,950 --> 01:14:58,500

normal sex stuff just ask your mom damn

1642

01:15:03,950 --> 01:15:00,960

dude

1643

01:15:07,970 --> 01:15:03,960

uh yes be well everyone see you next

1644

01:15:10,390 --> 01:15:07,980

time yes uh why does everyone

1645

01:15:12,890 --> 01:15:10,400

um of my bad comments get on the show

1646

01:15:15,830 --> 01:15:12,900

well I told you that we're sharing

1647

01:15:17,750 --> 01:15:15,840

questions or comments uh yeah

1648

01:15:23,090 --> 01:15:17,760

and uh

1649

01:15:25,370 --> 01:15:23,100

appreciate it yeah you should be giving

1650

01:15:28,370 --> 01:15:25,380

me a bump honey why am I giving you a

1651

01:15:35,450 --> 01:15:31,910

uh okay one second here

1652

01:15:38,810 --> 01:15:35,460

we see Frasier Anderson says there's

1653

01:15:42,290 --> 01:15:38,820

even cult leaders like the Baza grifting

1654

01:15:52,610 --> 01:15:44,990

yeah

1655

01:15:54,110 --> 01:15:52,620

Emily for including us uh was nice to be

1656

01:15:57,770 --> 01:15:54,120

included in that

1657

01:16:00,050 --> 01:15:57,780

I came in as like the skeptic in that uh

1658

01:16:02,810 --> 01:16:00,060

piece and uh she did a great job on that

1659

01:16:05,149 --> 01:16:02,820

Montage uh there's sort of a montage in

1660

01:16:07,850 --> 01:16:05,159

there about this show True Seekers and

1661

01:16:10,250 --> 01:16:07,860

me and she picked some really fun clips

1662

01:16:12,350 --> 01:16:10,260

and put this sort of thing together uh

1663

01:16:14,390 --> 01:16:12,360

just to give people like a taste of what

1664

01:16:16,850 --> 01:16:14,400

some of the weirdness on our show I

1665

01:16:17,689 --> 01:16:16,860

think she did a great job so check that

1666

01:16:19,850 --> 01:16:17,699

out

1667

01:16:22,430 --> 01:16:19,860

like I said we're going to call this a

1668

01:16:23,990 --> 01:16:22,440

quick one today a rare quick one yeah

1669

01:16:27,110 --> 01:16:24,000

not a three hour stream just a little

1670

01:16:29,090 --> 01:16:27,120

over an hour and I am going to bounce on

1671

01:16:31,130 --> 01:16:29,100

out of here we want to thank all of you

1672

01:16:33,470 --> 01:16:31,140

kind and generous benefactors you twitch

1673

01:16:35,870 --> 01:16:33,480

subscribers you patreon supporters and

1674

01:16:39,950 --> 01:16:35,880

new channel members use super Chatters

1675

01:16:42,110 --> 01:16:39,960

PayPal pledgers uh and super sticker

1676

01:16:45,890 --> 01:16:42,120

purchasers you super thanks people as

1677

01:16:49,070 --> 01:16:45,900

well I'm gonna do one more thing and uh

1678

01:16:50,709 --> 01:16:49,080

check one more thing before we bounce

1679

01:16:55,130 --> 01:16:50,719

out of here

1680

01:16:59,590 --> 01:16:55,140

uh yeah let me check that and I'll

1681

01:17:04,850 --> 01:17:02,390

uh any more comments or questions for me

1682

01:17:06,470 --> 01:17:04,860

please put them into all capital letters

1683

01:17:10,189 --> 01:17:06,480

we're gonna

1684

01:17:11,990 --> 01:17:10,199

check that last thing I need to check

1685

01:17:13,910 --> 01:17:12,000

um we're just checking in to make sure

1686

01:17:16,330 --> 01:17:13,920

there's no PayPal pledges for those

1687

01:17:19,130 --> 01:17:16,340

unaware we read every single PayPal

1688

01:17:21,470 --> 01:17:19,140

pledge okay

1689

01:17:24,229 --> 01:17:21,480

I want to thank David B for kind

1690

01:17:26,930 --> 01:17:24,239

generous 585 who says praise the cash

1691

01:17:28,430 --> 01:17:26,940

and thank you for your work on the show

1692

01:17:31,550 --> 01:17:28,440

well thank you for your kindness

1693

01:17:33,770 --> 01:17:31,560

generosity and support of the show it is

1694

01:17:36,050 --> 01:17:33,780

much much appreciated yeah so we've done

1695

01:17:38,870 --> 01:17:36,060

our due diligence I

1696

01:17:41,209 --> 01:17:38,880

um I wanted to be sure to bring you this

1697

01:17:43,370 --> 01:17:41,219

uh story and sort of break down these

1698

01:17:46,970 --> 01:17:43,380

FBI Files what they mean what they're

1699

01:17:48,470 --> 01:17:46,980

about uh and we did that today uh so

1700

01:17:50,390 --> 01:17:48,480

again we want to thank all you kind and

1701

01:17:52,910 --> 01:17:50,400

generous benefactors thanks spooky for

1702

01:17:56,750 --> 01:17:52,920

the graphics thank Mr Ian the man with

1703

01:17:59,990 --> 01:17:56,760

the golden voice and all of you uh had a

1704

01:18:02,870 --> 01:18:00,000

great attendance today great live chat

1705

01:18:05,090 --> 01:18:02,880

and uh we will be back tomorrow I

1706

01:18:07,729 --> 01:18:05,100

believe uh or I may take the rest of the

1707

01:18:09,649 --> 01:18:07,739

weekend off we'll see how things go and

1708

01:18:12,649 --> 01:18:09,659

uh I really have to make some progress

1709

01:18:14,450 --> 01:18:12,659

here so if I make significant progress

1710

01:18:17,229 --> 01:18:14,460

here we'll do one more show for this

1711

01:18:20,090 --> 01:18:17,239

week uh and call it a week

1712

01:18:22,310 --> 01:18:20,100

so thanks for joining me

1713

01:18:23,930 --> 01:18:22,320

that's all I got for your friends uh

1714

01:18:26,630 --> 01:18:23,940

until next time my name is Stephen

1715

01:18:29,830 --> 01:18:26,640

cambian good night and God bless all of

1716

01:18:59,800 --> 01:18:58,729

[Music]

1717

01:19:48,790 --> 01:18:59,810

foreign

1718

01:19:50,160 --> 01:19:48,800

[Music]

1719

01:20:11,689 --> 01:19:50,170

[Applause]

1720

01:20:13,890 --> 01:20:11,699

[Music]
