

HUNT FOR THE SKINWALKER CASH

Truth Seekers

1
00:00:51,580 --> 00:00:13,040
foreign

2
00:00:51,590 --> 00:01:01,250
[Music]

3
00:01:01,260 --> 00:01:06,530
thank you

4
00:01:18,590 --> 00:01:12,290
[Music]

5
00:01:35,730 --> 00:01:20,530
foreign

6
00:02:20,809 --> 00:02:00,080
[Music]

7
00:02:24,530 --> 00:02:23,150
they go now that property the video you

8
00:02:26,930 --> 00:02:24,540
saw there's only one road there's only

9
00:02:28,670 --> 00:02:26,940
one way in and one way out and the gate

10
00:02:30,050 --> 00:02:28,680
is always locked so anybody comes into

11
00:02:31,850 --> 00:02:30,060
the property they're going to know about

12
00:02:34,250 --> 00:02:31,860
it well suddenly they see in the third

13
00:02:35,930 --> 00:02:34,260

Homestead look at the three homesteads

14

00:02:37,850 --> 00:02:35,940

in the property they see these what look

15

00:02:39,410 --> 00:02:37,860

like headlights coming toward them or

16

00:02:41,690 --> 00:02:39,420

they think that they maybe it's a

17

00:02:43,729 --> 00:02:41,700

Winnebago that somehow got stuck out of

18

00:02:45,410 --> 00:02:43,739

one of their pastures ah gee we'll go

19

00:02:47,390 --> 00:02:45,420

down and help the help the guy they

20

00:02:48,890 --> 00:02:47,400

start walking toward it and then the

21

00:02:51,050 --> 00:02:48,900

lights start coming in their Direction

22

00:02:52,850 --> 00:02:51,060

start moving toward them and then the

23

00:02:56,150 --> 00:02:52,860

lights start moving up

24

00:02:58,190 --> 00:02:56,160

up and over the trees and gone

25

00:03:00,229 --> 00:02:58,200

then they started seeing these flying

26
00:03:02,089 --> 00:03:00,239
refrigerators that generated these huge

27
00:03:04,850 --> 00:03:02,099
beams of light and made these loud

28
00:03:07,190 --> 00:03:04,860
noises like metal banging on metal Tom

29
00:03:09,530 --> 00:03:07,200
and Ellen had a daylight sighting of a

30
00:03:11,690 --> 00:03:09,540
classic silver disc a classic Flying

31
00:03:14,030 --> 00:03:11,700
Saucer except this one seemed to

32
00:03:16,070 --> 00:03:14,040
generate an intense emotional response

33
00:03:17,990 --> 00:03:16,080
in them as they watched it they were not

34
00:03:20,869 --> 00:03:18,000
afraid they were elated like almost

35
00:03:22,970 --> 00:03:20,879
giddy way out of proportion for what was

36
00:03:25,550 --> 00:03:22,980
happening to them at the time it kind of

37
00:03:27,589 --> 00:03:25,560
an induced emotional state and they

38
00:03:29,570 --> 00:03:27,599

would they would come to see this many

39

00:03:31,910 --> 00:03:29,580

more times there were others that looked

40

00:03:33,890 --> 00:03:31,920

like F-117 Stealth Fighters but they had

41

00:03:35,869 --> 00:03:33,900

these multi-colored like flashing

42

00:03:38,509 --> 00:03:35,879

Christmas lights around this around the

43

00:03:39,410 --> 00:03:38,519

side and they would hover over the

44

00:03:41,930 --> 00:03:39,420

property

45

00:03:45,110 --> 00:03:41,940

not making a sound and then just boom

46

00:03:46,850 --> 00:03:45,120

disappear and then the orbs came

47

00:03:48,530 --> 00:03:46,860

at first they were these little white

48

00:03:50,750 --> 00:03:48,540

lights flitting around in the darkness

49

00:03:52,550 --> 00:03:50,760

and in the trees and above the grass and

50

00:03:54,229 --> 00:03:52,560

then they were followed by the red orbs

51
00:03:56,690 --> 00:03:54,239
that proved to be much more aggressive

52
00:03:58,670 --> 00:03:56,700
since they often fly into the cattle

53
00:04:00,830 --> 00:03:58,680
flew into the cattle and Scattered these

54
00:04:03,890 --> 00:04:00,840
herds they would just run away in in

55
00:04:08,210 --> 00:04:03,900
abject fear and then these larger orange

56
00:04:09,770 --> 00:04:08,220
orbs that generated this intense light

57
00:04:11,509 --> 00:04:09,780
um but these orange things that look

58
00:04:14,690 --> 00:04:11,519
like they would hang in the in the sky

59
00:04:16,250 --> 00:04:14,700
and they were like a sun and then on

60
00:04:17,629 --> 00:04:16,260
occasion Tom would watch them through

61
00:04:19,550 --> 00:04:17,639
binoculars

62
00:04:21,949 --> 00:04:19,560
um or a telescope and he would see

63
00:04:23,629 --> 00:04:21,959

things fighting in and out of them even

64

00:04:25,790 --> 00:04:23,639

on one occasion reported that he could

65

00:04:27,530 --> 00:04:25,800

see another sky on the other side as if

66

00:04:30,290 --> 00:04:27,540

there was this was some sort of a portal

67

00:04:31,010 --> 00:04:30,300

to somewhere else

68

00:04:33,650 --> 00:04:31,020

um

69

00:04:35,390 --> 00:04:33,660

then came these blue ones

70

00:04:38,210 --> 00:04:35,400

the blue meanies

71

00:04:40,370 --> 00:04:38,220

ruthless manipulative and as the family

72

00:04:42,650 --> 00:04:40,380

would learn violent confrontational

73

00:04:45,409 --> 00:04:42,660

airborne menaces

74

00:04:48,110 --> 00:04:45,419

these things would uh they also seem to

75

00:04:50,629 --> 00:04:48,120

generate an emotional reaction not only

76
00:04:53,030 --> 00:04:50,639
in in people but in animals these things

77
00:04:55,790 --> 00:04:53,040
would fly among the horses scare them

78
00:04:57,409 --> 00:04:55,800
just out of their mind and then Tom and

79
00:04:59,749 --> 00:04:57,419
Ellen would try to come to the rescue

80
00:05:03,050 --> 00:04:59,759
they'd get anywhere near these things

81
00:05:06,170 --> 00:05:03,060
they look like a size of a softball

82
00:05:08,990 --> 00:05:06,180
glass encased but with some kind of a

83
00:05:11,390 --> 00:05:09,000
bubbly boiling looking liquid inside and

84
00:05:13,070 --> 00:05:11,400
they would uh they initiated this fear

85
00:05:14,990 --> 00:05:13,080
that just literally dropped them to

86
00:05:16,610 --> 00:05:15,000
their knees fear weigh it now these

87
00:05:18,909 --> 00:05:16,620
they'd already been through all kinds of

88
00:05:21,409 --> 00:05:18,919

stuff on this property but these things

89

00:05:24,170 --> 00:05:21,419

did something to them that seemed to

90

00:05:25,909 --> 00:05:24,180

induce an emotional state and in fact

91

00:05:28,310 --> 00:05:25,919

you know we've theorized since that

92

00:05:31,670 --> 00:05:28,320

maybe it seemed to feed off of it

93

00:05:33,529 --> 00:05:31,680

I know you know I guess it could be some

94

00:05:35,629 --> 00:05:33,539

Advanced military project or something

95

00:05:37,370 --> 00:05:35,639

but if we've got something that could do

96

00:05:39,110 --> 00:05:37,380

that it'd be in a mighty effective

97

00:05:41,150 --> 00:05:39,120

weapon system to have and I I just have

98

00:05:44,029 --> 00:05:41,160

never heard about us developing

99

00:05:48,409 --> 00:05:46,249

another UFO that made occasional

100

00:05:51,249 --> 00:05:48,419

appearances of this black triangular

101
00:05:54,350 --> 00:05:51,259
craft as I mentioned like the F-117

102
00:05:57,129 --> 00:05:54,360
there was one incident where maybe this

103
00:05:59,749 --> 00:05:57,139
is too complicated to get into but it uh

104
00:06:01,670 --> 00:05:59,759
Tom is out of town on an out of town

105
00:06:04,189 --> 00:06:01,680
business trip the wife is at home she

106
00:06:06,950 --> 00:06:04,199
sees one of these things land it follows

107
00:06:08,810 --> 00:06:06,960
her at the gate and uh and she's

108
00:06:10,909 --> 00:06:08,820
petrified she runs into the house she's

109
00:06:12,469 --> 00:06:10,919
by herself she locks all the doors a

110
00:06:14,570 --> 00:06:12,479
little bit later she sees this big

111
00:06:16,490 --> 00:06:14,580
bright light out on the pasture she

112
00:06:18,830 --> 00:06:16,500
cracks open the window and there's this

113
00:06:21,290 --> 00:06:18,840

UFO sitting on the pasture sitting there

114

00:06:23,210 --> 00:06:21,300

and a door is open and it looks like

115

00:06:25,730 --> 00:06:23,220

there's a desk inside this thing it's

116

00:06:27,350 --> 00:06:25,740

like an office I know this is weird but

117

00:06:29,029 --> 00:06:27,360

this is this is these are pretty

118

00:06:31,670 --> 00:06:29,039

reliable people in our in our view

119

00:06:33,830 --> 00:06:31,680

there's a it's a desk and this guy walks

120

00:06:36,469 --> 00:06:33,840

up to the desk looks like he's nine feet

121

00:06:39,050 --> 00:06:36,479

tall wearing like a a black military

122

00:06:41,029 --> 00:06:39,060

uniform with a hood and he sits down at

123

00:06:42,230 --> 00:06:41,039

the desk and stares at in Ellen's

124

00:06:44,090 --> 00:06:42,240

Direction

125

00:06:46,850 --> 00:06:44,100

she closes the window and then opens it

126

00:06:49,249 --> 00:06:46,860

a little bit later it's Caesar gets up

127

00:06:50,749 --> 00:06:49,259

walks outside and walks out into the

128

00:06:54,050 --> 00:06:50,759

pasture and now she's panicking she

129

00:06:55,610 --> 00:06:54,060

closes the the window again checks the

130

00:06:57,830 --> 00:06:55,620

locks on the door she calls her husband

131

00:07:00,050 --> 00:06:57,840

he drives a couple of hours to come home

132

00:07:02,090 --> 00:07:00,060

when they he gets there in the morning

133

00:07:03,770 --> 00:07:02,100

this thing is gone but they found big

134

00:07:06,230 --> 00:07:03,780

heavy boot prints out there where the

135

00:07:08,390 --> 00:07:06,240

thing had had landed

136

00:07:11,210 --> 00:07:08,400

weird stuff

137

00:07:13,070 --> 00:07:11,220

some other incidents that don't easily

138

00:07:15,110 --> 00:07:13,080

fit into any category that we know

139

00:07:16,969 --> 00:07:15,120

during the same period when all these

140

00:07:18,710 --> 00:07:16,979

assorted lights and craft are zipping

141

00:07:20,870 --> 00:07:18,720

around the ranch at night Tom Gorman

142

00:07:22,249 --> 00:07:20,880

made an unusual Discovery out in the

143

00:07:24,469 --> 00:07:22,259

third Homestead

144

00:07:27,469 --> 00:07:24,479

someone had dug up these big chunks of

145

00:07:29,570 --> 00:07:27,479

the ground taking big scoop marks

146

00:07:32,930 --> 00:07:29,580

eight or nine different spots probably

147

00:07:34,790 --> 00:07:32,940

200 pounds of soil in each instance and

148

00:07:36,950 --> 00:07:34,800

just scooped it up for whatever reason

149

00:07:38,689 --> 00:07:36,960

like with a cookie cutter and again

150

00:07:40,370 --> 00:07:38,699

there's no way to get in there you can't

151
00:07:42,529 --> 00:07:40,380
get a backhoe in that property without

152
00:07:45,350 --> 00:07:42,539
him knowing about it why they did it

153
00:07:47,510 --> 00:07:45,360
what it was he didn't know he at that

154
00:07:48,890 --> 00:07:47,520
point he just about had enough he was

155
00:07:50,510 --> 00:07:48,900
thinking it was the military messing

156
00:07:51,950 --> 00:07:50,520
with his brain but he knew he'd had

157
00:07:53,390 --> 00:07:51,960
enough he tried to talk to his neighbors

158
00:07:54,890 --> 00:07:53,400
no one seemed to know what was going on

159
00:07:56,510 --> 00:07:54,900
except for everyone knew that it had

160
00:07:59,990 --> 00:07:56,520
always been around there weird stuff

161
00:08:02,150 --> 00:08:00,000
like that so he agreed to uh to talk to

162
00:08:04,430 --> 00:08:02,160
the local newspaper reporter

163
00:08:05,930 --> 00:08:04,440

who wrote a story and the story was

164

00:08:08,330 --> 00:08:05,940

picked up by the AP

165

00:08:10,010 --> 00:08:08,340

and they took a photo of the Tom

166

00:08:12,350 --> 00:08:10,020

standing there with these scoop marks

167

00:08:15,350 --> 00:08:12,360

that photo went all over the country

168

00:08:18,350 --> 00:08:15,360

under his real name and it's uh it's how

169

00:08:21,050 --> 00:08:18,360

Bob Bigelow from Las Vegas who created

170

00:08:23,029 --> 00:08:21,060

nids found out about the what was going

171

00:08:25,070 --> 00:08:23,039

on out there and eventually led to him

172

00:08:27,050 --> 00:08:25,080

coming to that property

173

00:08:29,510 --> 00:08:27,060

um but I'll get back to that the other

174

00:08:31,430 --> 00:08:29,520

incident is far more unsettling

175

00:08:33,409 --> 00:08:31,440

as the weirdness of the ranch mounted

176

00:08:35,510 --> 00:08:33,419

the word filtered out about the property

177

00:08:37,250 --> 00:08:35,520

and weird stuff was going on and one day

178

00:08:39,170 --> 00:08:37,260

this guy shows a big mountain man

179

00:08:41,389 --> 00:08:39,180

Grizzly Adams looking guy with the long

180

00:08:42,889 --> 00:08:41,399

hair told Tom at the front gate that

181

00:08:44,750 --> 00:08:42,899

he'd been drawn there for some reason

182

00:08:47,090 --> 00:08:44,760

he'd been drawn there he'd driven

183

00:08:48,889 --> 00:08:47,100

hundreds of miles he had to meditate on

184

00:08:50,750 --> 00:08:48,899

the property Tom and his son are kind of

185

00:08:52,370 --> 00:08:50,760

looking at the guy and thinking well

186

00:08:53,449 --> 00:08:52,380

this is pretty goofy this is pretty

187

00:08:54,889 --> 00:08:53,459

funny

188

00:08:56,030 --> 00:08:54,899

the guy they figured what the heck

189

00:08:58,070 --> 00:08:56,040

they're going to let him in you got to

190

00:08:59,389 --> 00:08:58,080

get in their car they'll drive you you

191

00:09:00,470 --> 00:08:59,399

tell us where you want to meditate so

192

00:09:02,690 --> 00:09:00,480

the guy

193

00:09:05,030 --> 00:09:02,700

cruises into what is the middle

194

00:09:07,009 --> 00:09:05,040

Homestead which is where a lot of weird

195

00:09:09,650 --> 00:09:07,019

stuff he goes that's the spot let me out

196

00:09:11,210 --> 00:09:09,660

here so the dad and the son are leaning

197

00:09:13,730 --> 00:09:11,220

on the truck watching this guy he goes

198

00:09:15,889 --> 00:09:13,740

out he's opens his palms he's looking at

199

00:09:18,230 --> 00:09:15,899

the sky and chanting and

200

00:09:19,670 --> 00:09:18,240

whatever meditation is involved with and

201
00:09:21,110 --> 00:09:19,680
uh and they're watching the kind of

202
00:09:24,050 --> 00:09:21,120
giggling at him and then they hear this

203
00:09:26,030 --> 00:09:24,060
sound it's like a cowbell sound

204
00:09:28,070 --> 00:09:26,040
and they hear it faint out in the in the

205
00:09:30,290 --> 00:09:28,080
uh in the bushes and then they're

206
00:09:31,430 --> 00:09:30,300
they're looking he's oblivious to it but

207
00:09:33,769 --> 00:09:31,440
they're looking and they see something

208
00:09:35,630 --> 00:09:33,779
moving in the in the brush line it's

209
00:09:37,670 --> 00:09:35,640
kind of opaque like the you've seen that

210
00:09:39,949 --> 00:09:37,680
Predator movie

211
00:09:42,530 --> 00:09:39,959
where it's kind of camouflaged it's

212
00:09:45,110 --> 00:09:42,540
moving in there it has no distinct shape

213
00:09:48,590 --> 00:09:45,120

moving around and then comes out of the

214

00:09:50,690 --> 00:09:48,600

bushes up to this guy one foot away from

215

00:09:52,790 --> 00:09:50,700

him eight nine feet tall whatever the

216

00:09:55,970 --> 00:09:52,800

heck the thing was and Roars like a lion

217

00:09:58,550 --> 00:09:55,980

kind of Roar you can hear it for Miles

218

00:10:01,250 --> 00:09:58,560

this guy jumps out of his skin he jumps

219

00:10:03,290 --> 00:10:01,260

straight back falls on the ground uh and

220

00:10:04,850 --> 00:10:03,300

then this thing poof it's gone well he's

221

00:10:06,949 --> 00:10:04,860

standing there he's I mean he's laying

222

00:10:09,350 --> 00:10:06,959

there shaking he's not getting up so Tom

223

00:10:11,690 --> 00:10:09,360

comes over to help him up and uh he's

224

00:10:13,430 --> 00:10:11,700

just petrified he helps him up and he

225

00:10:15,290 --> 00:10:13,440

won't let go of the Rancher they

226
00:10:16,670 --> 00:10:15,300
practically carries him back to the

227
00:10:19,130 --> 00:10:16,680
truck

228
00:10:20,810 --> 00:10:19,140
um and he's absolutely terrified he

229
00:10:23,269 --> 00:10:20,820
swears it's the devil or something like

230
00:10:25,910 --> 00:10:23,279
that they drive him off the property and

231
00:10:27,829 --> 00:10:25,920
he uh he leaves with some epithet of uh

232
00:10:29,990 --> 00:10:27,839
to the effect of that this is the devil

233
00:10:31,490 --> 00:10:30,000
living there well as an aside I don't

234
00:10:32,750 --> 00:10:31,500
know what the heck that thing was but as

235
00:10:35,690 --> 00:10:32,760
an aside

236
00:10:37,070 --> 00:10:35,700
during my first visit to the property uh

237
00:10:38,690 --> 00:10:37,080
that second Homestead that middle

238
00:10:40,730 --> 00:10:38,700

Homestead is where a lot of weird stuff

239

00:10:42,889 --> 00:10:40,740

happened cattlemenations animals

240

00:10:44,930 --> 00:10:42,899

incinerated so they decided that maybe

241

00:10:46,790 --> 00:10:44,940

if I had I had a certain inherent

242

00:10:49,730 --> 00:10:46,800

weirdness quotient that they do a little

243

00:10:51,769 --> 00:10:49,740

experiment so they uh they put me on a

244

00:10:54,769 --> 00:10:51,779

plastic white chair in the middle of the

245

00:10:56,509 --> 00:10:54,779

night and uh left me there and then they

246

00:10:59,329 --> 00:10:56,519

went a couple they went a couple of

247

00:11:00,889 --> 00:10:59,339

hundred yards away and uh I think they

248

00:11:02,690 --> 00:11:00,899

were probably drinking beer or coffee or

249

00:11:05,630 --> 00:11:02,700

something like that and had cameras to

250

00:11:12,050 --> 00:11:05,640

set up not to help me or anything but to

251

00:11:16,670 --> 00:11:14,269

I would like to tell you that I'm uh I'm

252

00:11:18,470 --> 00:11:16,680

brave and uh and no thoughts of uh

253

00:11:20,569 --> 00:11:18,480

Predators coming to grab me ever even

254

00:11:22,730 --> 00:11:20,579

popped into my head but it was it was

255

00:11:24,590 --> 00:11:22,740

spooky it was it's always been spooky

256

00:11:25,730 --> 00:11:24,600

out there uh the only thing that did

257

00:11:28,490 --> 00:11:25,740

come and get me though that night were

258

00:11:30,410 --> 00:11:28,500

mosquitoes so after about 45 minutes I'd

259

00:11:33,410 --> 00:11:30,420

have quite enough as being bait out in

260

00:11:34,069 --> 00:11:33,420

that out in that Hill Homestead

261

00:11:36,410 --> 00:11:34,079

um

262

00:11:38,870 --> 00:11:36,420

as mentioned the the ranch sort of

263

00:11:40,310 --> 00:11:38,880

became like a shopping list a paranormal

264

00:11:41,990 --> 00:11:40,320

shopping list and it gets to the point

265

00:11:47,810 --> 00:11:42,000

that mentioning all of it just sounds

266

00:11:52,910 --> 00:11:49,970

she saw this

267

00:11:56,290 --> 00:11:52,920

uh standing on two legs a wolf creature

268

00:11:59,030 --> 00:11:56,300

a a wolf standing in her yard it's Paws

269

00:12:00,460 --> 00:11:59,040

crossed like this leaning on a tree

270

00:12:08,030 --> 00:12:00,470

staring back at her

271

00:12:08,040 --> 00:12:14,530

[Music]

272

00:12:20,150 --> 00:12:17,750

I'm Dr Travis Taylor I'm a Civic matter

273

00:12:22,370 --> 00:12:20,160

expert in space defense asymmetric

274

00:12:23,870 --> 00:12:22,380

Warfare rocket science and alien

275

00:12:26,030 --> 00:12:23,880

invasions

276

00:12:28,490 --> 00:12:26,040

I've really studied this phenomenon my

277

00:12:30,769 --> 00:12:28,500

whole life and I made a pretty good

278

00:12:33,170 --> 00:12:30,779

detailed investigation into what might

279

00:12:37,069 --> 00:12:33,180

happen where we have first contact with

280

00:12:39,769 --> 00:12:37,079

extraterrestrials now this message is a

281

00:12:41,449 --> 00:12:39,779

welcome and a warning for any UFOs or

282

00:12:43,970 --> 00:12:41,459

aliens out there that might receive this

283

00:12:46,790 --> 00:12:43,980

signal inside to act upon them first the

284

00:12:48,829 --> 00:12:46,800

signal sent against my advisement second

285

00:12:51,290 --> 00:12:48,839

if you do show up you got to keep this

286

00:12:54,650 --> 00:12:51,300

in mind humanity is mostly a peace

287

00:12:57,769 --> 00:12:54,660

loving fun loving species but we have a

288

00:13:01,310 --> 00:12:57,779

very good propensity to make Warfare and

289

00:13:04,370 --> 00:13:01,320

if anybody shows up and tries to impose

290

00:13:06,230 --> 00:13:04,380

things on us cultural or alien Concepts

291

00:13:09,650 --> 00:13:06,240

that are something against what we're

292

00:13:13,250 --> 00:13:09,660

all about we will make darn sure to

293

00:13:15,410 --> 00:13:13,260

activate our Warfare making machine so

294

00:13:16,730 --> 00:13:15,420

keep that in mind and come visit us

295

00:13:21,290 --> 00:13:16,740

we'll have a good time we'll learn from

296

00:13:25,790 --> 00:13:23,449

I'm down this dirt road one night and

297

00:13:28,370 --> 00:13:25,800

they see two two figures humanoid

298

00:13:30,230 --> 00:13:28,380

looking figures standing up uh with

299

00:13:31,610 --> 00:13:30,240

their backs to the road and look like

300

00:13:33,769 --> 00:13:31,620

they're smoking cigarettes they had

301
00:13:35,629 --> 00:13:33,779
trench coats on smoking cigarettes stand

302
00:13:37,730 --> 00:13:35,639
out on the road these guys favorite one

303
00:13:39,230 --> 00:13:37,740
of these fellas up to so they're pulling

304
00:13:41,150 --> 00:13:39,240
up and they're they're shining their

305
00:13:43,200 --> 00:13:41,160
lights on the guys and they turn around

306
00:13:50,410 --> 00:13:43,210
and they were dogs

307
00:13:56,569 --> 00:13:54,230
but no evidence of any kind to back up

308
00:13:57,949 --> 00:13:56,579
any of these stories has ever been

309
00:14:00,170 --> 00:13:57,959
presented

310
00:14:02,750 --> 00:14:00,180
George Knapp who's built an entire

311
00:14:04,550 --> 00:14:02,760
career around stories of UFOs and the

312
00:14:06,470 --> 00:14:04,560
Paranormal and who was one of the

313
00:14:09,590 --> 00:14:06,480

authors of the hunt for the skinwalker

314

00:14:10,850 --> 00:14:09,600

book was asked about evidence on The Joe

315

00:14:12,170 --> 00:14:10,860

Rogan show

316

00:14:14,329 --> 00:14:12,180

because they weren't there was there any

317

00:14:15,829 --> 00:14:14,339

evidence like for the first 20 months

318

00:14:17,509 --> 00:14:15,839

when the Rancher is there they don't

319

00:14:19,250 --> 00:14:17,519

have any evidence because he's not a

320

00:14:21,590 --> 00:14:19,260

Paranormal Investigator

321

00:14:24,230 --> 00:14:21,600

um at this point nap begins telling more

322

00:14:27,650 --> 00:14:24,240

stories about UFOs on and near the ranch

323

00:14:30,170 --> 00:14:27,660

Rogan then interrupts and asks again

324

00:14:32,449 --> 00:14:30,180

again is there any evidence not not

325

00:14:34,129 --> 00:14:32,459

really oh

326

00:14:37,430 --> 00:14:34,139

if you're looking for physical evidence

327

00:14:39,829 --> 00:14:37,440

and solid proof and they don't happen

328

00:14:42,530 --> 00:14:39,839

oh

329

00:14:45,350 --> 00:14:42,540

nap saying there's no proof or evidence

330

00:14:48,710 --> 00:14:45,360

is quite strange considering the book

331

00:14:51,470 --> 00:14:48,720

Knapp co-authored says this

332

00:14:53,990 --> 00:14:51,480

we obtained an intriguing body of

333

00:14:56,150 --> 00:14:54,000

physical evidence to support many of the

334

00:15:00,650 --> 00:14:56,160

accounts described in the book

335

00:15:06,710 --> 00:15:00,660

okay so where is that intriguing body of

336

00:15:12,230 --> 00:15:09,650

I can feel it can you feel it I can feel

337

00:15:14,810 --> 00:15:12,240

it can you feel it I can feel it can you

338

00:15:17,090 --> 00:15:14,820

feel it I can feel it can you feel it I

339

00:15:21,970 --> 00:15:17,100

can feel it can you feel it I can feel

340

00:15:21,980 --> 00:16:13,810

[Music]

341

00:16:13,820 --> 00:16:21,180

I can feel it can you feel it

342

00:16:26,150 --> 00:16:22,670

[Music]

343

00:16:29,090 --> 00:16:26,160

greetings and salutations friends uh I

344

00:16:33,710 --> 00:16:29,100

think I can feel it yes yes uh welcome

345

00:16:34,810 --> 00:16:33,720

we are here once again uh to discuss and

346

00:16:37,970 --> 00:16:34,820

explore

347

00:16:42,050 --> 00:16:37,980

uh they call it the hunt for Skinwalker

348

00:16:44,509 --> 00:16:42,060

uh ranch right I I know uh the hunt for

349

00:16:47,870 --> 00:16:44,519

the secret of Skinwalker Ranch

350

00:16:49,730 --> 00:16:47,880

uh I call it the hunt for the skinwalker

351
00:16:52,490 --> 00:16:49,740
cash

352
00:16:55,430 --> 00:16:52,500
um we started tonight's broadcast with a

353
00:16:57,829 --> 00:16:55,440
wonderful selection of stupid stories

354
00:17:01,310 --> 00:16:57,839
from one George Knapp I thought it

355
00:17:03,829 --> 00:17:01,320
important that we make sure that we

356
00:17:04,669 --> 00:17:03,839
recognize and understand that the

357
00:17:07,429 --> 00:17:04,679
current

358
00:17:10,730 --> 00:17:07,439
crop of people trying to cash in on

359
00:17:13,789 --> 00:17:10,740
Skinwalker Ranch is just the latest in a

360
00:17:16,929 --> 00:17:13,799
long line of people who have cashed in

361
00:17:20,329 --> 00:17:16,939
looking for the skinwalker cash

362
00:17:25,189 --> 00:17:20,339
Chief among them of course was George

363
00:17:26,510 --> 00:17:25,199

Knapp uh and also his uh

364

00:17:28,610 --> 00:17:26,520

friend

365

00:17:30,950 --> 00:17:28,620

Jeremy Corbell

366

00:17:32,690 --> 00:17:30,960

between the two of them they produced a

367

00:17:35,990 --> 00:17:32,700

very popular book and a very popular

368

00:17:38,870 --> 00:17:36,000

documentary all of which offered about

369

00:17:40,669 --> 00:17:38,880

zero evidence despite their claims of

370

00:17:43,310 --> 00:17:40,679

having evidence they never actually show

371

00:17:45,010 --> 00:17:43,320

any evidence but we do get some great

372

00:17:47,450 --> 00:17:45,020

stories about

373

00:17:49,909 --> 00:17:47,460

uh dogmen

374

00:17:54,770 --> 00:17:49,919

uh smoking dogs

375

00:17:57,289 --> 00:17:54,780

uh uh Predators uh and more

376

00:18:00,110 --> 00:17:57,299

and this of course is a problem for me

377

00:18:02,690 --> 00:18:00,120

now since the beginning of this uh

378

00:18:07,789 --> 00:18:02,700

television show

379

00:18:10,190 --> 00:18:07,799

I have long uh sat quite honestly in all

380

00:18:12,110 --> 00:18:10,200

of these people the current crop of

381

00:18:16,750 --> 00:18:12,120

people including Travis Taylor most

382

00:18:20,810 --> 00:18:16,760

notably uh PhD and uh Brandon fugel

383

00:18:23,330 --> 00:18:20,820

billionaire real estate investor uh who

384

00:18:26,570 --> 00:18:23,340

swear that they're doing everything with

385

00:18:29,090 --> 00:18:26,580

science but the science that they use is

386

00:18:32,450 --> 00:18:29,100

not like conventional science they don't

387

00:18:38,029 --> 00:18:34,970

um it's very to be honest with you it's

388

00:18:40,850 --> 00:18:38,039

not science it's slop they can call it

389

00:18:42,950 --> 00:18:40,860

science if they want and they can uh you

390

00:18:46,190 --> 00:18:42,960

know put a PhD on camera to try to

391

00:18:49,130 --> 00:18:46,200

explain the science to us however this

392

00:18:52,190 --> 00:18:49,140

is not science this is garbage designed

393

00:18:54,529 --> 00:18:52,200

to sell stupid people spooky stories

394

00:18:57,710 --> 00:18:54,539

about a ranch and Paranormal Activity

395

00:19:00,409 --> 00:18:57,720

but they never do quite seem to get to

396

00:19:02,630 --> 00:19:00,419

the actual evidence and when pressed for

397

00:19:05,330 --> 00:19:02,640

evidence especially most recent

398

00:19:07,330 --> 00:19:05,340

currently when one Stephen Green Street

399

00:19:10,130 --> 00:19:07,340

from the New York Post visited the ranch

400

00:19:12,110 --> 00:19:10,140

by the way while Stephen Green Street

401
00:19:15,409 --> 00:19:12,120
from the New York Post was visiting the

402
00:19:18,409 --> 00:19:15,419
ranch Travis Taylor he's a [h__h] he was

403
00:19:20,870 --> 00:19:18,419
off having a hissy fit for you know he

404
00:19:23,750 --> 00:19:20,880
was angry that how dare you let a

405
00:19:26,210 --> 00:19:23,760
skeptic like uh Stephen Green Street

406
00:19:28,190 --> 00:19:26,220
onto the property so he went and had a

407
00:19:31,310 --> 00:19:28,200
[h__h] issy fit

408
00:19:33,230 --> 00:19:31,320
um he refused to be there while Stephen

409
00:19:35,510 --> 00:19:33,240
Green Street from the New York Post was

410
00:19:37,549 --> 00:19:35,520
there but while there Steven Greenstreet

411
00:19:40,430 --> 00:19:37,559
asked to see their best evidence and and

412
00:19:43,430 --> 00:19:40,440
he got shown a video of what could have

413
00:19:45,169 --> 00:19:43,440

been a moth or a lightning bug and

414

00:19:47,270 --> 00:19:45,179

another video which could have been a

415

00:19:49,130 --> 00:19:47,280

silkworm or some other form of insect

416

00:19:51,070 --> 00:19:49,140

reflecting off of sunlight in an

417

00:19:55,190 --> 00:19:51,080

abandoned building

418

00:19:57,289 --> 00:19:55,200

you know it it just strikes me as funny

419

00:20:00,409 --> 00:19:57,299

um these people have invested according

420

00:20:02,810 --> 00:20:00,419

to them millions of dollars into the

421

00:20:05,930 --> 00:20:02,820

scientific study of this paranormal hot

422

00:20:09,710 --> 00:20:05,940

spot we're told that this paranormal hot

423

00:20:13,130 --> 00:20:09,720

spot is just chock full of absolute

424

00:20:15,529 --> 00:20:13,140

uh Paranormal Activity all the time yet

425

00:20:20,690 --> 00:20:15,539

when asked to see the proof of it we get

426

00:20:22,490 --> 00:20:20,700

grainy videos of uh bugs essentially

427

00:20:24,289 --> 00:20:22,500

I would think if there's truly

428

00:20:26,570 --> 00:20:24,299

Paranormal Activity there you would have

429

00:20:28,250 --> 00:20:26,580

a little more evidence to share but this

430

00:20:30,529 --> 00:20:28,260

is where we're at and this is where we

431

00:20:33,049 --> 00:20:30,539

find ourselves now recently Travis

432

00:20:35,990 --> 00:20:33,059

Taylor uh when he got done crying and

433

00:20:38,810 --> 00:20:36,000

having a [h__h] hissy fit about a skeptic

434

00:20:41,090 --> 00:20:38,820

visiting the ranch and by the way

435

00:20:43,970 --> 00:20:41,100

um if you have real evidence of

436

00:20:45,830 --> 00:20:43,980

something you don't care if a skeptic is

437

00:20:51,110 --> 00:20:45,840

there you don't

438

00:20:53,510 --> 00:20:51,120

cry and complain and and soak off uh you

439

00:20:56,990 --> 00:20:53,520

know because they let a skeptic onto the

440

00:20:58,850 --> 00:20:57,000

property I think at least to me and this

441

00:21:01,370 --> 00:20:58,860

is my opinion and I'm entitled to it

442

00:21:04,310 --> 00:21:01,380

it's very very clear that Travis Taylor

443

00:21:06,590 --> 00:21:04,320

is there for the money he wants the

444

00:21:09,230 --> 00:21:06,600

money and the fame of this thing

445

00:21:13,549 --> 00:21:09,240

and he doesn't want a skeptic coming in

446

00:21:16,430 --> 00:21:13,559

and [h__h] all over his fake science

447

00:21:19,250 --> 00:21:16,440

um and by the way I don't have a PhD but

448

00:21:21,770 --> 00:21:19,260

I know what the scientific method is and

449

00:21:25,850 --> 00:21:21,780

they don't follow any sort of scientific

450

00:21:28,850 --> 00:21:25,860

method uh they never have controls it is

451
00:21:31,370 --> 00:21:28,860
really sloppy garbage that they present

452
00:21:33,830 --> 00:21:31,380
for for a television audience that is

453
00:21:35,510 --> 00:21:33,840
largely stupid and just looking to be

454
00:21:38,510 --> 00:21:35,520
entertained by

455
00:21:40,549 --> 00:21:38,520
spooky stories and that more than

456
00:21:42,590 --> 00:21:40,559
anything is what I think Skinwalker is

457
00:21:44,690 --> 00:21:42,600
it's people trading spooky stories

458
00:21:45,529 --> 00:21:44,700
around a campfire

459
00:21:48,250 --> 00:21:45,539
um

460
00:21:52,190 --> 00:21:48,260
Bob Bigelow invested millions of dollars

461
00:21:54,649 --> 00:21:52,200
into so-called research at the ranch and

462
00:21:57,110 --> 00:21:54,659
by the way not only did Bob Bigelow

463
00:21:59,450 --> 00:21:57,120

invest his own money millions of dollars

464

00:22:02,149 --> 00:21:59,460

but he also managed to scam the

465

00:22:05,990 --> 00:22:02,159

government into giving him 22 million

466

00:22:07,730 --> 00:22:06,000

dollars of our tax payer money to

467

00:22:10,850 --> 00:22:07,740

investigate a ranch that he himself

468

00:22:13,730 --> 00:22:10,860

owned and what did we get from that lots

469

00:22:16,010 --> 00:22:13,740

of reports of strange spooky stories

470

00:22:18,049 --> 00:22:16,020

that's what we got for 22 million

471

00:22:20,630 --> 00:22:18,059

dollars we didn't get any actual you

472

00:22:24,230 --> 00:22:20,640

know evidence and Stephen Green Street

473

00:22:26,930 --> 00:22:24,240

has detailed that people working in the

474

00:22:29,149 --> 00:22:26,940

employee of Bigelow law he was studying

475

00:22:31,510 --> 00:22:29,159

the ranch used to sit around and drink

476
00:22:34,070 --> 00:22:31,520
vodka and get drunk and fax him

477
00:22:37,070 --> 00:22:34,080
paranormal stories there was even sort

478
00:22:38,750 --> 00:22:37,080
of a bonus system in place where if you

479
00:22:40,669 --> 00:22:38,760
report a Paranormal Activity to Bob

480
00:22:42,950 --> 00:22:40,679
Bigelow you got some extra money

481
00:22:45,770 --> 00:22:42,960
this is not the way to conduct a

482
00:22:49,070 --> 00:22:45,780
scientific a scientifically valid at

483
00:22:52,610 --> 00:22:49,080
least investigation into anything this

484
00:22:55,789 --> 00:22:52,620
is clown shoes and that's what we get uh

485
00:22:58,850 --> 00:22:55,799
so after Bob Bigelow gave up citing lack

486
00:23:02,090 --> 00:22:58,860
of activity at the ranch he sold it to

487
00:23:05,690 --> 00:23:04,130
um who among other things and and you

488
00:23:09,710 --> 00:23:05,700

know I'm going to try to be as kind as

489

00:23:11,630 --> 00:23:09,720

possible but Brandon fugle is is a a

490

00:23:15,049 --> 00:23:11,640

Mormon Christian and among other things

491

00:23:18,529 --> 00:23:15,059

Mormon Christians believe that

492

00:23:22,070 --> 00:23:18,539

um you know they have magic underwear

493

00:23:24,049 --> 00:23:22,080

so you know I'm sorry if I'm not very

494

00:23:26,450 --> 00:23:24,059

impressed when somebody who believes in

495

00:23:28,970 --> 00:23:26,460

magic underwear tells me about ghosts

496

00:23:30,470 --> 00:23:28,980

and goblins and things like that and of

497

00:23:32,570 --> 00:23:30,480

course while Bigelow was still in charge

498

00:23:35,390 --> 00:23:32,580

we've got a lot of ridiculous stories of

499

00:23:37,010 --> 00:23:35,400

werewolves and Dino beavers uh there's

500

00:23:38,990 --> 00:23:37,020

just been a recent story where somebody

501
00:23:40,490 --> 00:23:39,000
claimed that the dino beavers that

502
00:23:43,669 --> 00:23:40,500
people were saying were actually just

503
00:23:45,890 --> 00:23:43,679
very large porcupines common in the area

504
00:23:48,649 --> 00:23:45,900
where the ranch is located

505
00:23:51,049 --> 00:23:48,659
so Brandon fugle takes over

506
00:23:54,110 --> 00:23:51,059
um and you know in all fairness to Mr

507
00:23:55,970 --> 00:23:54,120
fugle I think that he is the victim of

508
00:23:58,490 --> 00:23:55,980
profiteering wars

509
00:24:00,710 --> 00:23:58,500
that's what I think I think that uh

510
00:24:04,730 --> 00:24:00,720
Brandon fugle has a lot of people around

511
00:24:07,789 --> 00:24:04,740
him uh who he's paying and who he's

512
00:24:10,430 --> 00:24:07,799
getting lucrative business deals for in

513
00:24:14,090 --> 00:24:10,440

the form of live conferences in the form

514

00:24:16,850 --> 00:24:14,100

of uh you know paying them directly for

515

00:24:19,490 --> 00:24:16,860

their scientific investigation

516

00:24:22,070 --> 00:24:19,500

I think that Brandon fugle himself is

517

00:24:24,409 --> 00:24:22,080

getting fooled by a group of

518

00:24:26,450 --> 00:24:24,419

profiteering [h__h] who like big

519

00:24:29,029 --> 00:24:26,460

paychecks for hanging out at a ranch and

520

00:24:31,010 --> 00:24:29,039

and playing Ghostbusters which is

521

00:24:32,950 --> 00:24:31,020

essentially what these guys have been

522

00:24:35,090 --> 00:24:32,960

doing for the past several years now

523

00:24:36,770 --> 00:24:35,100

hanging out at a ranch and playing

524

00:24:39,110 --> 00:24:36,780

Ghostbusters

525

00:24:42,590 --> 00:24:39,120

um so I don't want to be too harsh to Mr

526

00:24:45,289 --> 00:24:42,600

fugle but I would uh caution Mr fugle

527

00:24:47,270 --> 00:24:45,299

you have uh in the form of Travis Taylor

528

00:24:50,149 --> 00:24:47,280

somebody who's apparently very very

529

00:24:52,970 --> 00:24:50,159

scientifically educated then why is he

530

00:24:56,210 --> 00:24:52,980

doing things that a high school science

531

00:24:58,430 --> 00:24:56,220

project person would not do such as the

532

00:25:01,669 --> 00:24:58,440

lack of control the lack of scientific

533

00:25:04,430 --> 00:25:01,679

method uh in the course of these

534

00:25:07,190 --> 00:25:04,440

so-called investigations it is like an

535

00:25:11,570 --> 00:25:07,200

amateur hour clown show out there and

536

00:25:14,330 --> 00:25:11,580

you Mr fugle are paying for all of this

537

00:25:16,510 --> 00:25:14,340

um why would you not have a scientist

538

00:25:19,610 --> 00:25:16,520

that actually

539

00:25:22,190 --> 00:25:19,620

follows scientific method has things

540

00:25:22,970 --> 00:25:22,200

like control group set up so that you're

541

00:25:26,210 --> 00:25:22,980

not

542

00:25:30,529 --> 00:25:26,220

just spouting nonsense now

543

00:25:32,450 --> 00:25:30,539

along with uh some of this wonderful uh

544

00:25:34,370 --> 00:25:32,460

information we've already shared with

545

00:25:39,169 --> 00:25:34,380

you about what a crock of [h__h] this

546

00:25:41,930 --> 00:25:39,179

place is uh Mick West is now also asking

547

00:25:43,789 --> 00:25:41,940

them for data which so far to the best

548

00:25:48,649 --> 00:25:43,799

of my knowledge and recollection they

549

00:25:50,990 --> 00:25:48,659

will not give any data to Mick West uh

550

00:25:53,510 --> 00:25:51,000

they prefer I suppose that the true

551
00:25:55,610 --> 00:25:53,520
believers who are getting paychecks and

552
00:25:58,070 --> 00:25:55,620
getting rich off of Skinwalker Ranch

553
00:26:00,590 --> 00:25:58,080
continue to be the only people who have

554
00:26:03,350 --> 00:26:00,600
access to the data

555
00:26:06,169 --> 00:26:03,360
um and you know I think that this speaks

556
00:26:08,210 --> 00:26:06,179
volumes about the validity of the claims

557
00:26:11,169 --> 00:26:08,220
of people like Brandon fugle or Travis

558
00:26:15,409 --> 00:26:11,179
Taylor or others who are all by the way

559
00:26:17,810 --> 00:26:15,419
profiting an incredible amount now

560
00:26:20,390 --> 00:26:17,820
along with the lack of share data there

561
00:26:24,049 --> 00:26:20,400
also is the issue of the profiteering

562
00:26:26,210 --> 00:26:24,059
horrorism of this entire thing like you

563
00:26:29,330 --> 00:26:26,220

can pay money and get behind a paywall

564

00:26:30,649 --> 00:26:29,340

and get some extra bits of Skinwalker

565

00:26:34,549 --> 00:26:30,659

spookiness

566

00:26:38,029 --> 00:26:34,559

and we detailed previously who is the

567

00:26:39,649 --> 00:26:38,039

person on that website who is promoting

568

00:26:43,010 --> 00:26:39,659

and advertising that you should get

569

00:26:45,230 --> 00:26:43,020

behind the paywall well uh none other

570

00:26:48,190 --> 00:26:45,240

than Christina Gomer who works with

571

00:26:52,190 --> 00:26:48,200

Jimmy Church the biggest fraud promoter

572

00:26:53,870 --> 00:26:52,200

in the history of the Paranormal uh I

573

00:26:56,690 --> 00:26:53,880

thought that was suspect and I simply

574

00:26:59,210 --> 00:26:56,700

pointed out to Mr fugle that on his

575

00:27:02,450 --> 00:26:59,220

website telling people to get behind the

576

00:27:05,710 --> 00:27:02,460

paywall is somebody who is associated

577

00:27:09,289 --> 00:27:05,720

with the biggest frauds fakes charlatans

578

00:27:11,090 --> 00:27:09,299

and quite honestly scammers in the field

579

00:27:14,330 --> 00:27:11,100

of the Paranormal in the form of

580

00:27:15,950 --> 00:27:14,340

Christina Gomer and what did I get for

581

00:27:18,590 --> 00:27:15,960

simply pointing that out and by the way

582

00:27:21,769 --> 00:27:18,600

that's a fair estimate of the situation

583

00:27:24,409 --> 00:27:21,779

Mr fugle you have a girl on your website

584

00:27:28,909 --> 00:27:24,419

who works with someone who has promoted

585

00:27:31,010 --> 00:27:28,919

more paranormal scammers frauds hoaxers

586

00:27:34,190 --> 00:27:31,020

than anyone

587

00:27:36,289 --> 00:27:34,200

you want to be Mr science right if you

588

00:27:39,529 --> 00:27:36,299

want to play Ghostbusters don't have

589

00:27:42,970 --> 00:27:39,539

somebody associated with proven fraud

590

00:27:46,310 --> 00:27:42,980

hoax or scammers of the Paranormal World

591

00:27:48,289 --> 00:27:46,320

featured heavily on your website telling

592

00:27:50,870 --> 00:27:48,299

people to get behind your paywall it's

593

00:27:53,269 --> 00:27:50,880

not a good look for you also not a good

594

00:27:56,269 --> 00:27:53,279

look for you apparently Mr fogle is that

595

00:27:59,990 --> 00:27:56,279

you sir are such an intellectual coward

596

00:28:02,450 --> 00:28:00,000

and weakling that you couldn't even take

597

00:28:05,210 --> 00:28:02,460

and by the way I was very kind about it

598

00:28:06,890 --> 00:28:05,220

it wasn't nasty I just said do you think

599

00:28:09,470 --> 00:28:06,900

it's a good idea to have this girl

600

00:28:11,570 --> 00:28:09,480

promoting your paywall who's associated

601
00:28:14,090 --> 00:28:11,580
with Jimmy Church the biggest fraud

602
00:28:15,970 --> 00:28:14,100
promoter in the world of the Paranormal

603
00:28:20,090 --> 00:28:15,980
who has been caught countless times

604
00:28:23,149 --> 00:28:20,100
platforming 100 proven frauds you know

605
00:28:25,310 --> 00:28:23,159
like the fake Dr Jonathan Reed you know

606
00:28:27,110 --> 00:28:25,320
like the fake psychic healer Sarah R

607
00:28:30,710 --> 00:28:27,120
Adams you know like the fake secret

608
00:28:34,850 --> 00:28:30,720
space program guy Corey Goode or David

609
00:28:37,490 --> 00:28:34,860
will who literally promoted GoFundMe and

610
00:28:39,529 --> 00:28:37,500
PayPal scams on a show he's partnered

611
00:28:42,049 --> 00:28:39,539
with Christina Gomer and you're using

612
00:28:44,330 --> 00:28:42,059
Christina Gomer on your website to

613
00:28:47,930 --> 00:28:44,340

promote get behind my paywall because

614

00:28:50,390 --> 00:28:47,940

nothing says this is a good idea like

615

00:28:52,549 --> 00:28:50,400

having somebody associate it with all

616

00:28:55,490 --> 00:28:52,559

the biggest scammers in the world of the

617

00:28:58,070 --> 00:28:55,500

Paranormal helping advertise get behind

618

00:29:00,590 --> 00:28:58,080

your paywall Mr fugle and all I did was

619

00:29:02,570 --> 00:29:00,600

point that out and by the way

620

00:29:05,269 --> 00:29:02,580

those are all factual statements

621

00:29:09,350 --> 00:29:05,279

Christina Gomer is associ is partners

622

00:29:12,649 --> 00:29:09,360

with Jimmy Church who promotes UFO

623

00:29:15,470 --> 00:29:12,659

scammers New Age scammers fake psychic

624

00:29:17,450 --> 00:29:15,480

healers and more

625

00:29:20,590 --> 00:29:17,460

and what did I get for that I got

626
00:29:24,889 --> 00:29:20,600
blocked by Brandon fugle who apparently

627
00:29:27,169 --> 00:29:24,899
is living in a delusional World bubble

628
00:29:29,870 --> 00:29:27,179
and he doesn't like people that have

629
00:29:31,730 --> 00:29:29,880
facts so tonight Mr fugel I'm going to

630
00:29:34,549 --> 00:29:31,740
bring some more facts and we're going to

631
00:29:39,169 --> 00:29:34,559
show people tonight how your so-called

632
00:29:41,810 --> 00:29:39,179
PhD level scientists your head of

633
00:29:45,830 --> 00:29:41,820
Science and investigation while you're

634
00:29:48,409 --> 00:29:45,840
playing Ghostbusters you [h__h] is a

635
00:29:51,049 --> 00:29:48,419
joke is a joke

636
00:29:54,350 --> 00:29:51,059
he's not using science he's using

637
00:29:56,570 --> 00:29:54,360
science to fool detectors so that you

638
00:30:00,529 --> 00:29:56,580

have some kind of material to sell

639

00:30:02,149 --> 00:30:00,539

people and by the way Mr Christian you

640

00:30:05,990 --> 00:30:02,159

know I don't think it's very Christian

641

00:30:10,070 --> 00:30:06,000

of you to allow someone to fudge the

642

00:30:13,430 --> 00:30:10,080

data to fake Paranormal Activity so that

643

00:30:16,250 --> 00:30:13,440

you can make money off of this Ranch is

644

00:30:20,029 --> 00:30:16,260

this what Jesus would do Mr frugal

645

00:30:22,430 --> 00:30:20,039

but you know I I'm not uh looking for a

646

00:30:25,190 --> 00:30:22,440

response from Mr fugel he's made up his

647

00:30:27,769 --> 00:30:25,200

mind and in his mind he can't have

648

00:30:29,750 --> 00:30:27,779

somebody point out things like facts

649

00:30:31,190 --> 00:30:29,760

right

650

00:30:34,490 --> 00:30:31,200

somebody that has things like

651
00:30:38,210 --> 00:30:34,500
inconvenient facts that sheds light on

652
00:30:41,149 --> 00:30:38,220
the skinwalker scam he doesn't like that

653
00:30:43,490 --> 00:30:41,159
so he has to block me and that's fine go

654
00:30:45,649 --> 00:30:43,500
live in your delusional bubble with your

655
00:30:48,289 --> 00:30:45,659
magic underwear and your hillbilly

656
00:30:51,049 --> 00:30:48,299
[h__h] of a scientist in the form of

657
00:30:53,690 --> 00:30:51,059
Travis Taylor and go try to pull the

658
00:30:56,930 --> 00:30:53,700
wool over stupid people's eyes but

659
00:30:59,450 --> 00:30:56,940
luckily people are waking up and people

660
00:31:01,850 --> 00:30:59,460
like Mick West are calling out some of

661
00:31:04,130 --> 00:31:01,860
the obvious scientific problems with

662
00:31:06,289 --> 00:31:04,140
some of the claims being made and that's

663
00:31:08,690 --> 00:31:06,299

where we start our journey tonight we

664

00:31:12,230 --> 00:31:08,700

start our journey with Travis Taylor

665

00:31:14,269 --> 00:31:12,240

making absolutely ludicrous claims about

666

00:31:17,330 --> 00:31:14,279

radiation

667

00:31:20,090 --> 00:31:17,340

um at this so-called Skinwalker Ranch

668

00:31:23,990 --> 00:31:20,100

and Mick West pointed out some obvious

669

00:31:27,710 --> 00:31:24,000

problems uh with the claims that are

670

00:31:30,169 --> 00:31:27,720

being made by uh Travis Taylor about

671

00:31:32,389 --> 00:31:30,179

radiation levels at the Skinwalker Ranch

672

00:31:34,070 --> 00:31:32,399

so we're going to cite fair use this is

673

00:31:35,690 --> 00:31:34,080

a transformative work and we are

674

00:31:37,789 --> 00:31:35,700

educating the public about the

675

00:31:40,190 --> 00:31:37,799

skinwalker scam I mean the skinwalker

676
00:31:42,049 --> 00:31:40,200
cash I mean the Skinwalker Ranch okay

677
00:31:45,470 --> 00:31:42,059
it's it's a ranch

678
00:31:47,450 --> 00:31:45,480
all right and uh Mick West says it's

679
00:31:50,389 --> 00:31:47,460
amazing that a TV production company

680
00:31:52,310 --> 00:31:50,399
would be able to get insurance allowing

681
00:31:55,250 --> 00:31:52,320
them to film in a location with

682
00:31:58,250 --> 00:31:55,260
dangerous and unpredictable levels of

683
00:32:00,830 --> 00:31:58,260
radiation so uh there are some of the

684
00:32:02,870 --> 00:32:00,840
claims being made by Travis Taylor that

685
00:32:05,389 --> 00:32:02,880
there's dangerous levels of radiation

686
00:32:09,590 --> 00:32:05,399
all around the ranch

687
00:32:12,769 --> 00:32:09,600
where Skinwalker Ranch is it is to the

688
00:32:16,149 --> 00:32:12,779

east or what would be downrange of the

689

00:32:18,830 --> 00:32:16,159

nuclear test and by the way nothing says

690

00:32:21,350 --> 00:32:18,840

scientifically valid nothing says

691

00:32:23,750 --> 00:32:21,360

scientifically credible like being a

692

00:32:25,850 --> 00:32:23,760

guest on the Rick and Bubba Show yeah

693

00:32:27,889 --> 00:32:25,860

facility in Nevada it's a long way

694

00:32:28,789 --> 00:32:27,899

though from the Nevada Test Site you

695

00:32:30,350 --> 00:32:28,799

know and that was one of the first

696

00:32:32,330 --> 00:32:30,360

things we looked at we checked for

697

00:32:34,850 --> 00:32:32,340

residual radiation and things like that

698

00:32:37,730 --> 00:32:34,860

and there's nothing there but we blew up

699

00:32:39,830 --> 00:32:37,740

a thousand atomic bombs there I mean

700

00:32:41,990 --> 00:32:39,840

that's a lot you if you if you tell the

701
00:32:44,269 --> 00:32:42,000
average guy on the street could the U.S

702
00:32:45,470 --> 00:32:44,279
survive a thousand atomic bombs they say

703
00:32:47,870 --> 00:32:45,480
well no and I said well we've already

704
00:32:50,149 --> 00:32:47,880
blown those many that many up on ourself

705
00:32:52,130 --> 00:32:50,159
out there at the test run well they were

706
00:32:53,690 --> 00:32:52,140
small tactical nukes too though we

707
00:32:56,269 --> 00:32:53,700
didn't blow up like the Russians are

708
00:32:58,490 --> 00:32:56,279
bomba or anything like that but yeah but

709
00:33:01,490 --> 00:32:58,500
is it is it possible that some of that

710
00:33:03,529 --> 00:33:01,500
could be radiation that has drifted in

711
00:33:05,330 --> 00:33:03,539
now because we know what those Decay

712
00:33:06,889 --> 00:33:05,340
products are and we've looked for them

713
00:33:08,450 --> 00:33:06,899

and you can see them in the residual

714

00:33:10,850 --> 00:33:08,460

background we know we know what they are

715

00:33:13,009 --> 00:33:10,860

and they're way below safe safe norms

716

00:33:14,090 --> 00:33:13,019

and and what we're seeing what we're

717

00:33:16,490 --> 00:33:14,100

measuring

718

00:33:18,110 --> 00:33:16,500

here's the body shot are spikes in the

719

00:33:21,289 --> 00:33:18,120

gamma rays and I'll tell you this that

720

00:33:23,630 --> 00:33:21,299

we did we took a uh calibrated nist

721

00:33:25,610 --> 00:33:23,640

traceable instrument out there that

722

00:33:29,389 --> 00:33:25,620

would measure the spectrum of the gamma

723

00:33:30,889 --> 00:33:29,399

rays and they were at 511 kilo electron

724

00:33:33,350 --> 00:33:30,899

volts let me explain what that means

725

00:33:34,970 --> 00:33:33,360

that's the frequency of gamma rays or

726

00:33:37,250 --> 00:33:34,980

x-rays that happens when you have

727

00:33:39,110 --> 00:33:37,260

antimatter and matter Collide when you

728

00:33:40,789 --> 00:33:39,120

have an electron and a positron Collide

729

00:33:43,250 --> 00:33:40,799

they blow up and they create these gamma

730

00:33:46,009 --> 00:33:43,260

rays that doesn't happen anywhere except

731

00:33:48,710 --> 00:33:46,019

atom Smashers uh you know big particle

732

00:33:52,210 --> 00:33:48,720

colliders and in science fiction you

733

00:33:54,889 --> 00:33:52,220

know that is incorrect absolutely 100

734

00:33:57,769 --> 00:33:54,899

scientifically incorrect Brandon Fugal I

735

00:34:00,409 --> 00:33:57,779

think you need to fire this guy uh is a

736

00:34:03,009 --> 00:34:00,419

clown he's not a scientist and he is

737

00:34:06,350 --> 00:34:03,019

spreading absolutely 100 percent

738

00:34:08,930 --> 00:34:06,360

verifiably false information and he's

739

00:34:11,810 --> 00:34:08,940

your head of science he doesn't know

740

00:34:14,750 --> 00:34:11,820

about gamma radiation background levels

741

00:34:18,409 --> 00:34:14,760

that can be affected by a multitude of

742

00:34:20,690 --> 00:34:18,419

different things uh so he literally is

743

00:34:23,629 --> 00:34:20,700

just giving 100 incorrect information

744

00:34:25,730 --> 00:34:23,639

here oh that's what run the warp core

745

00:34:27,889 --> 00:34:25,740

right not to go to Star Trek on you

746

00:34:30,530 --> 00:34:27,899

there Rick but I'm fine you know I'm

747

00:34:32,990 --> 00:34:30,540

fine well so many times you know our

748

00:34:35,210 --> 00:34:33,000

science fiction ends up being true later

749

00:34:36,589 --> 00:34:35,220

on because you know people had a vision

750

00:34:38,690 --> 00:34:36,599

or thought something might want

751

00:34:42,409 --> 00:34:38,700

Community ends up working

752

00:34:44,329 --> 00:34:42,419

um so what do you attribute that to well

753

00:34:46,849 --> 00:34:44,339

I don't know in the in the fact that's

754

00:34:49,849 --> 00:34:46,859

the question the fact that it happens at

755

00:34:52,490 --> 00:34:49,859

such high levels and in very localized

756

00:34:55,369 --> 00:34:52,500

spots that's not a technology that we

757

00:34:56,990 --> 00:34:55,379

have and so again that's not a

758

00:34:59,470 --> 00:34:57,000

technology that we have

759

00:35:02,329 --> 00:34:59,480

uh this is another

760

00:35:04,670 --> 00:35:02,339

scientifically false statement that he

761

00:35:06,530 --> 00:35:04,680

is making about radiation or gamma

762

00:35:10,030 --> 00:35:06,540

levels in that area it's not something

763

00:35:12,950 --> 00:35:10,040

naturally occurring and it's it's again

764

00:35:14,870 --> 00:35:12,960

he has no evidence or proof that this is

765

00:35:17,329 --> 00:35:14,880

not something naturally occurring in the

766

00:35:19,310 --> 00:35:17,339

atmosphere in the environment in and

767

00:35:21,530 --> 00:35:19,320

around that area not from any technology

768

00:35:24,890 --> 00:35:21,540

I've ever heard of so it's something

769

00:35:27,650 --> 00:35:24,900

unique either to that location or to

770

00:35:29,510 --> 00:35:27,660

whatever that phenomena can it where did

771

00:35:31,849 --> 00:35:29,520

he get readings of surrounding

772

00:35:34,250 --> 00:35:31,859

properties he didn't he's making

773

00:35:36,530 --> 00:35:34,260

assumptions which uh you know you know

774

00:35:40,130 --> 00:35:36,540

what happens when you assume you make an

775

00:35:42,349 --> 00:35:40,140

ass out of me and you be harmful to you

776

00:35:44,150 --> 00:35:42,359

oh yes in fact we've had several times

777

00:35:47,510 --> 00:35:44,160

where we've had to evacuate an area

778

00:35:49,970 --> 00:35:47,520

because the radiation level got too high

779

00:35:53,450 --> 00:35:49,980

so he's saying that the radiation levels

780

00:35:55,130 --> 00:35:53,460

in in various times surrounding the

781

00:35:57,470 --> 00:35:55,140

ranch gets so high that you have to

782

00:36:01,430 --> 00:35:57,480

evacuate and Mick West correctly points

783

00:36:04,849 --> 00:36:01,440

out if what he is stating here is is

784

00:36:08,630 --> 00:36:04,859

actually factual no

785

00:36:11,510 --> 00:36:08,640

no television Company would film in an

786

00:36:14,030 --> 00:36:11,520

area with dangerously high levels of

787

00:36:16,849 --> 00:36:14,040

radiation here so

788

00:36:19,730 --> 00:36:16,859

you know occasionally one of these

789

00:36:23,450 --> 00:36:19,740

people says something so ridiculous and

790

00:36:26,390 --> 00:36:23,460

stupid and scientifically not valid that

791

00:36:27,890 --> 00:36:26,400

it proves that they are uh let's just

792

00:36:31,190 --> 00:36:27,900

say on the take

793

00:36:34,609 --> 00:36:31,200

Travis Taylor has a profit driven motive

794

00:36:35,990 --> 00:36:34,619

to constantly be coming up with new uh

795

00:36:39,050 --> 00:36:36,000

phenomenon

796

00:36:44,750 --> 00:36:39,060

that is strange unusual

797

00:36:49,190 --> 00:36:44,760

or paranormal and he has a profit driven

798

00:36:53,450 --> 00:36:49,200

motive to continue to find strange and

799

00:36:55,609 --> 00:36:53,460

unusual activity and then try to use his

800

00:36:59,270 --> 00:36:55,619

scientific background

801
00:37:01,970 --> 00:36:59,280
to make these claims seem very valid but

802
00:37:04,130 --> 00:37:01,980
Mick West correctly points out if there

803
00:37:07,130 --> 00:37:04,140
were incredibly dangerous levels of

804
00:37:10,790 --> 00:37:07,140
radiation being routinely detected at

805
00:37:13,849 --> 00:37:10,800
this Ranch no television Company

806
00:37:17,150 --> 00:37:13,859
just from insurance perspective would be

807
00:37:21,109 --> 00:37:17,160
filming there because anybody who was

808
00:37:23,030 --> 00:37:21,119
being filmed anybody who uh was a member

809
00:37:26,150 --> 00:37:23,040
of the cast or crew

810
00:37:28,490 --> 00:37:26,160
could become ill could become sick could

811
00:37:31,310 --> 00:37:28,500
get cancer from these dangerously high

812
00:37:35,750 --> 00:37:31,320
levels of radiation and they could then

813
00:37:37,730 --> 00:37:35,760

sue the production company for allowing

814

00:37:39,829 --> 00:37:37,740

them to be there

815

00:37:41,510 --> 00:37:39,839

for not

816

00:37:44,569 --> 00:37:41,520

intervening

817

00:37:47,150 --> 00:37:44,579

so this is just the latest in a long

818

00:37:49,069 --> 00:37:47,160

line of Travis Taylor putting his foot

819

00:37:51,589 --> 00:37:49,079

in his mouth saying absolutely

820

00:37:53,750 --> 00:37:51,599

ridiculous things that you know there's

821

00:37:55,550 --> 00:37:53,760

only two possibilities here either his

822

00:37:59,270 --> 00:37:55,560

readings are wrong

823

00:38:00,230 --> 00:37:59,280

or this [h__h] never happened

824

00:38:02,870 --> 00:38:00,240

um

825

00:38:05,150 --> 00:38:02,880

and Mick West I suppose is going to be

826

00:38:07,910 --> 00:38:05,160

following up on that aspect of it

827

00:38:10,849 --> 00:38:07,920

because anybody can check and get

828

00:38:13,010 --> 00:38:10,859

radiation background levels with the

829

00:38:14,630 --> 00:38:13,020

atomic energy Commission of course

830

00:38:17,210 --> 00:38:14,640

Travis Taylor has some kind of

831

00:38:19,790 --> 00:38:17,220

explanation these are these are strange

832

00:38:21,710 --> 00:38:19,800

events that are localized or you know

833

00:38:23,630 --> 00:38:21,720

only happening in certain areas of the

834

00:38:26,210 --> 00:38:23,640

ranch at certain times

835

00:38:28,490 --> 00:38:26,220

okay where's the data can you share the

836

00:38:30,290 --> 00:38:28,500

data can we see the data and where is

837

00:38:33,829 --> 00:38:30,300

your control readings

838

00:38:35,270 --> 00:38:33,839

right we never get the data even by the

839

00:38:37,970 --> 00:38:35,280

way I'm going to get behind their

840

00:38:40,069 --> 00:38:37,980

paywall recommend it by Christina Gomer

841

00:38:42,710 --> 00:38:40,079

partner to Jimmy Church the biggest

842

00:38:46,010 --> 00:38:42,720

paranormal fraud promoter in the history

843

00:38:47,450 --> 00:38:46,020

of paranormal anything

844

00:38:49,490 --> 00:38:47,460

um and we'll see if there's any data

845

00:38:51,470 --> 00:38:49,500

there but I've been told by people that

846

00:38:53,810 --> 00:38:51,480

all you get there is some extra bonus

847

00:38:56,930 --> 00:38:53,820

video nonsense and uh you know maybe

848

00:39:00,470 --> 00:38:56,940

some charts and grants but not much data

849

00:39:02,510 --> 00:39:00,480

um so back to the the fact that this man

850

00:39:07,130 --> 00:39:02,520

uh though he

851

00:39:10,550 --> 00:39:07,140

listen I I can't I can't argue with that

852

00:39:13,970 --> 00:39:10,560

man Travis Taylor's education however I

853

00:39:16,250 --> 00:39:13,980

can argue uh just this simple point that

854

00:39:20,089 --> 00:39:16,260

he is financially motivated to continue

855

00:39:23,630 --> 00:39:20,099

to find strange and unusual activity to

856

00:39:26,329 --> 00:39:23,640

sell the myth of the Skinwalker Ranch so

857

00:39:27,890 --> 00:39:26,339

that he keeps getting big fat television

858

00:39:29,450 --> 00:39:27,900

checks

859

00:39:31,609 --> 00:39:29,460

um and there has been some recent

860

00:39:33,890 --> 00:39:31,619

controversy lately that members of the

861

00:39:36,530 --> 00:39:33,900

cast and crew of The Secret of

862

00:39:39,230 --> 00:39:36,540

Skinwalker Ranch are taking payoffs from

863

00:39:41,450 --> 00:39:39,240

the the local municipality somehow

864

00:39:45,650 --> 00:39:41,460

they're getting some kind of money for

865

00:39:47,450 --> 00:39:45,660

so-called Economic Development and I

866

00:39:49,609 --> 00:39:47,460

know that several people have looked

867

00:39:50,630 --> 00:39:49,619

into that situation and even interviewed

868

00:39:55,250 --> 00:39:50,640

people

869

00:39:57,650 --> 00:39:55,260

uh I don't understand uh how they can

870

00:39:59,750 --> 00:39:57,660

ethically or morally take money from the

871

00:40:02,690 --> 00:39:59,760

local community what what are they doing

872

00:40:06,589 --> 00:40:02,700

to economically develop that area other

873

00:40:08,630 --> 00:40:06,599

than uh you know making tons of cash on

874

00:40:11,750 --> 00:40:08,640

a television show

875

00:40:14,930 --> 00:40:11,760

so uh we are going to explore the

876

00:40:18,230 --> 00:40:14,940

scientific validity of some of uh Travis

877

00:40:20,510 --> 00:40:18,240

Taylor's previous claims on the show and

878

00:40:22,550 --> 00:40:20,520

uh we still have our fair use banner up

879

00:40:25,790 --> 00:40:22,560

but I do have to

880

00:40:27,589 --> 00:40:25,800

um I do have to acknowledge that every

881

00:40:31,310 --> 00:40:27,599

time we play a clip

882

00:40:35,089 --> 00:40:31,320

from the uh television show we get a

883

00:40:37,670 --> 00:40:35,099

copyright claim uh or strike and I just

884

00:40:39,109 --> 00:40:37,680

want to mention that this is a

885

00:40:42,050 --> 00:40:39,119

transformative work

886

00:40:43,670 --> 00:40:42,060

how can I critique the the television

887

00:40:46,130 --> 00:40:43,680

show that we're talking about without

888

00:40:49,190 --> 00:40:46,140

including some of the clips of the

889

00:40:51,890 --> 00:40:49,200

claims that are being made and um I

890

00:40:55,069 --> 00:40:51,900

would just say to Mr fugel you know you

891

00:40:58,310 --> 00:40:55,079

really should have some sort of uh

892

00:41:00,890 --> 00:40:58,320

policy for that are you such an

893

00:41:03,950 --> 00:41:00,900

intellectual weakling and a coward are

894

00:41:06,470 --> 00:41:03,960

your so-called scientific experts such

895

00:41:09,349 --> 00:41:06,480

[h__h] that they cannot their claims

896

00:41:13,510 --> 00:41:09,359

that they make cannot withstand scrutiny

897

00:41:20,030 --> 00:41:16,970

why then every single time I could play

898

00:41:21,650 --> 00:41:20,040

a three second clip and I will get a

899

00:41:23,810 --> 00:41:21,660

copyright claim I have to fill out all

900

00:41:27,230 --> 00:41:23,820

kinds of paperwork that's not right

901
00:41:30,410 --> 00:41:27,240
that's not fair Mr fogle

902
00:41:32,569 --> 00:41:30,420
um maybe just maybe your so-called Chief

903
00:41:35,470 --> 00:41:32,579
scientist should not be making

904
00:41:39,170 --> 00:41:35,480
absolutely positively ludicrous

905
00:41:42,349 --> 00:41:39,180
scientific claims that are easily proven

906
00:41:44,510 --> 00:41:42,359
to be garbage science

907
00:41:48,230 --> 00:41:44,520
if you don't want people scrutinizing

908
00:41:50,810 --> 00:41:48,240
him don't allow him to make garbage

909
00:41:54,290 --> 00:41:50,820
science claims he's supposed to be a PhD

910
00:41:57,170 --> 00:41:54,300
now I have long been critical of the

911
00:41:59,870 --> 00:41:57,180
lack of scientific method being used and

912
00:42:01,910 --> 00:41:59,880
the fact that I truly believe it's my

913
00:42:04,849 --> 00:42:01,920

opinion and I'm entitled to it that

914

00:42:08,210 --> 00:42:04,859

Travis Taylor's entire job at the ranch

915

00:42:10,310 --> 00:42:08,220

is to use his scientific background to

916

00:42:13,430 --> 00:42:10,320

find strange things that they can push

917

00:42:15,530 --> 00:42:13,440

as paranormal when there is ordinary

918

00:42:17,150 --> 00:42:15,540

Earthly explanations for some of the

919

00:42:21,650 --> 00:42:17,160

things that he does

920

00:42:24,470 --> 00:42:21,660

I was happy to find that

921

00:42:29,089 --> 00:42:24,480

many people on YouTube are going over

922

00:42:31,849 --> 00:42:29,099

these clips and they are uh showing that

923

00:42:36,530 --> 00:42:31,859

Travis Taylor is a joke when it comes to

924

00:42:38,810 --> 00:42:36,540

being a scientist he is a joke a clown

925

00:42:41,690 --> 00:42:38,820

and he does things that no real

926
00:42:44,510 --> 00:42:41,700
scientist would do and we're going to

927
00:42:47,690 --> 00:42:44,520
begin with some of Travis Taylor's

928
00:42:49,450 --> 00:42:47,700
claims of strange EMF for those unaware

929
00:42:53,750 --> 00:42:49,460
that's electromagnetic

930
00:42:55,790 --> 00:42:53,760
uh radiation uh which is in every

931
00:42:57,349 --> 00:42:55,800
environment but

932
00:42:59,390 --> 00:42:57,359
we're going to begin with that but

933
00:43:02,630 --> 00:42:59,400
before we do that we want to thank and

934
00:43:05,630 --> 00:43:02,640
recognize uh Victor Wagg for a kind of

935
00:43:08,990 --> 00:43:05,640
generous 1399 Canadian he says not sure

936
00:43:11,510 --> 00:43:09,000
it's just profit driven fuggle's crew are

937
00:43:13,550 --> 00:43:11,520
a hundred percent Mormon and trying uh

938
00:43:16,430 --> 00:43:13,560

to prove Joseph Smith's many worlds

939

00:43:19,130 --> 00:43:16,440
prophecy religious hucksterism

940

00:43:21,290 --> 00:43:19,140
uh right

941

00:43:23,770 --> 00:43:21,300
um and Ryan Evans is here complaining

942

00:43:26,870 --> 00:43:23,780
well sure we've put out positive videos

943

00:43:29,210 --> 00:43:26,880
uh and if you want fairy tales then go

944

00:43:31,849 --> 00:43:29,220
somewhere else Mr Evans go listen to

945

00:43:34,010 --> 00:43:31,859
Christina Gomer go watch The Secret of

946

00:43:37,670 --> 00:43:34,020
Skinwalker Ranch where they lie to you

947

00:43:39,710 --> 00:43:37,680
we don't do that here and uh if you

948

00:43:42,349 --> 00:43:39,720
don't like it then

949

00:43:44,750 --> 00:43:42,359
see ya uh why do you come here to

950

00:43:47,870 --> 00:43:44,760
complain then speaking of being negative

951
00:43:51,290 --> 00:43:47,880
is it negative to point out that people

952
00:43:53,809 --> 00:43:51,300
are deceiving people for cash is it

953
00:43:57,050 --> 00:43:53,819
negative to point out that so-called PhD

954
00:43:59,510 --> 00:43:57,060
level scientists are doing things that a

955
00:44:03,650 --> 00:43:59,520
high school science project would get

956
00:44:07,250 --> 00:44:03,660
disqualified from a science fair for if

957
00:44:09,710 --> 00:44:07,260
so then I'm guilty as charged but we

958
00:44:11,450 --> 00:44:09,720
want to thank you uh Victor wag for your

959
00:44:13,609 --> 00:44:11,460
kindness your generosity and your

960
00:44:16,730 --> 00:44:13,619
support and I saw another one there

961
00:44:18,650 --> 00:44:16,740
somewhere let me catch up uh we want to

962
00:44:21,530 --> 00:44:18,660
thank Patrick Sheehan for the kind and

963
00:44:23,390 --> 00:44:21,540

generous 999 super sticker thank you for

964

00:44:24,710 --> 00:44:23,400

your kindness

965

00:44:26,630 --> 00:44:24,720

um you know maybe you should go through

966

00:44:28,130 --> 00:44:26,640

our catalog Ryan maybe you should go

967

00:44:31,849 --> 00:44:28,140

through our catalog before you continue

968

00:44:34,130 --> 00:44:31,859

to complain so much we did it uh we did

969

00:44:36,650 --> 00:44:34,140

an eight-hour series on Roswell for

970

00:44:39,410 --> 00:44:36,660

example that wasn't negative we talked

971

00:44:43,010 --> 00:44:39,420

to every expert on uh every expert

972

00:44:45,950 --> 00:44:43,020

author and researcher known uh to be a

973

00:44:48,650 --> 00:44:45,960

good expert author or researcher on

974

00:44:50,089 --> 00:44:48,660

Roswell was that negative you know if

975

00:44:52,550 --> 00:44:50,099

you don't like it then find something

976

00:44:54,589 --> 00:44:52,560

else of mine to watch and if you don't

977

00:44:55,309 --> 00:44:54,599

like anything that I watch then I invite

978

00:44:57,950 --> 00:44:55,319

you

979

00:45:00,349 --> 00:44:57,960

go go listen to Linda Martin have fairy

980

00:45:02,990 --> 00:45:00,359

tales or something maybe you're just not

981

00:45:05,569 --> 00:45:03,000

ready to hear the truth and that is that

982

00:45:09,349 --> 00:45:05,579

99 of the people selling you these

983

00:45:11,690 --> 00:45:09,359

stories are UFO profiteering [h__h] that

984

00:45:13,490 --> 00:45:11,700

are deceiving you in order to make money

985

00:45:14,630 --> 00:45:13,500

maybe you're just not ready to hear

986

00:45:16,910 --> 00:45:14,640

about that

987

00:45:19,430 --> 00:45:16,920

uh otherwise we've produced many many

988

00:45:23,270 --> 00:45:19,440

different uh shows on many many

989

00:45:26,569 --> 00:45:23,280

different topics so uh

990

00:45:28,970 --> 00:45:26,579

I I don't understand but uh we want to

991

00:45:31,069 --> 00:45:28,980

thank uh

992

00:45:32,930 --> 00:45:31,079

you guys for your kindness your

993

00:45:37,010 --> 00:45:32,940

generosity and support and helping us to

994

00:45:39,109 --> 00:45:37,020

praise the cash break the cash

995

00:45:42,470 --> 00:45:39,119

all right so we're gonna

996

00:45:45,589 --> 00:45:42,480

um we're gonna get into uh someone who

997

00:45:49,010 --> 00:45:45,599

did quite an interesting debunk uh on

998

00:45:51,829 --> 00:45:49,020

YouTube about some of the lack of actual

999

00:45:54,650 --> 00:45:51,839

science that is being portrayed as real

1000

00:45:56,650 --> 00:45:54,660

science here right

1001

00:46:06,589 --> 00:45:56,660

um

1002

00:46:13,750 --> 00:46:10,069

all right so this video is titled The

1003

00:46:17,450 --> 00:46:13,760

Secret of Skinwalker Ranch debunked

1004

00:46:18,109 --> 00:46:17,460

uh featuring pumpkin Fox great

1005

00:46:21,890 --> 00:46:18,119

um

1006

00:46:25,790 --> 00:46:21,900

and we begin uh with some of the claims

1007

00:46:29,510 --> 00:46:25,800

of EMF findings uh and these are uh

1008

00:46:32,569 --> 00:46:29,520

pretty old claims but I remember seeing

1009

00:46:35,270 --> 00:46:32,579

some of this and thinking how is this

1010

00:46:37,250 --> 00:46:35,280

science right and disregard for the

1011

00:46:42,349 --> 00:46:37,260

absolute basics of the proper use of

1012

00:46:45,230 --> 00:46:42,359

instruments 13 14 or 15 16. is it still

1013

00:46:50,150 --> 00:46:45,240

doing it is it five it's 18 it just

1014

00:46:55,670 --> 00:46:52,970

you are what are you seeing something

1015

00:46:58,250 --> 00:46:55,680

down in the lower areas

1016

00:46:59,750 --> 00:46:58,260

so I'm getting some pretty high bikes

1017

00:47:02,329 --> 00:46:59,760

some of the stuff like you saw yesterday

1018

00:47:03,650 --> 00:47:02,339

see that what does this mean we don't

1019

00:47:05,089 --> 00:47:03,660

know what it is but we're seeing it with

1020

00:47:06,410 --> 00:47:05,099

multiple instruments so this is

1021

00:47:08,390 --> 00:47:06,420

something something could be happening

1022

00:47:10,849 --> 00:47:08,400

right now what does this mean we don't

1023

00:47:12,829 --> 00:47:10,859

know what it is what does this mean we

1024

00:47:14,210 --> 00:47:12,839

don't know what it is something

1025

00:47:16,190 --> 00:47:14,220

or areas

1026

00:47:18,470 --> 00:47:16,200

what do you seeing something down in the

1027

00:47:20,930 --> 00:47:18,480

lower areas what are you seeing

1028

00:47:24,470 --> 00:47:20,940

something down in the lower areas

1029

00:47:26,630 --> 00:47:24,480

what are you seeing something down in

1030

00:47:29,390 --> 00:47:26,640

the lower areas

1031

00:47:31,490 --> 00:47:29,400

yes so all of this all of these people

1032

00:47:32,630 --> 00:47:31,500

who are standing around using these

1033

00:47:35,450 --> 00:47:32,640

instruments

1034

00:47:37,670 --> 00:47:35,460

all have their cell phones with them

1035

00:47:47,170 --> 00:47:37,680

and they are seeing

1036

00:47:51,050 --> 00:47:48,840

that's kind of small

1037

00:47:52,790 --> 00:47:51,060

[Music]

1038

00:47:54,970 --> 00:47:52,800

yikes

1039

00:47:56,990 --> 00:47:54,980

out of the ordinary

1040

00:47:58,670 --> 00:47:57,000

we need to get out yeah and by the way

1041

00:48:00,170 --> 00:47:58,680

none of these readings are out of the

1042

00:48:02,089 --> 00:48:00,180

ordinary when you've got five guys

1043

00:48:04,609 --> 00:48:02,099

standing around with cell phones while

1044

00:48:06,250 --> 00:48:04,619

you're using these other uh measuring

1045

00:48:08,569 --> 00:48:06,260

equipment

1046

00:48:09,530 --> 00:48:08,579

is there really a safe place on this

1047

00:48:11,569 --> 00:48:09,540

Ranch

1048

00:48:15,030 --> 00:48:11,579

we're quickly losing places that are

1049

00:48:25,550 --> 00:48:21,770

[Laughter]

1050

00:48:29,089 --> 00:48:25,560

he held an EMF emitting phone right next

1051
00:48:32,510 --> 00:48:29,099
to an EMF detector and wonders why he's

1052
00:48:37,490 --> 00:48:32,520
getting readings that are perfectly in

1053
00:48:40,130 --> 00:48:37,500
line with a a phone's you know output

1054
00:48:44,329 --> 00:48:40,140
this is the kind of stuff that makes

1055
00:48:47,030 --> 00:48:44,339
this so-called Skinwalker scientist a

1056
00:48:49,670 --> 00:48:47,040
laughable joke this is not something

1057
00:48:51,950 --> 00:48:49,680
that a real scientist would do a real

1058
00:48:54,890 --> 00:48:51,960
scientist would eliminate all

1059
00:48:56,390 --> 00:48:54,900
possibilities uh for the emission of

1060
00:49:00,410 --> 00:48:56,400
this radiation

1061
00:49:04,150 --> 00:49:00,420
they never have a control uh says we can

1062
00:49:08,329 --> 00:49:04,160
Havoc 215 exactly and a lack of control

1063
00:49:14,770 --> 00:49:08,339

is not science it's it's all speculation

1064

00:49:18,890 --> 00:49:17,150

all right it's time that we talk about

1065

00:49:20,750 --> 00:49:18,900

the abhorrent use of and their blatant

1066

00:49:22,730 --> 00:49:20,760

lack of regards to the scientific method

1067

00:49:24,290 --> 00:49:22,740

firstly one of the main points in the

1068

00:49:26,210 --> 00:49:24,300

show is a strange amount of high EMF

1069

00:49:27,829 --> 00:49:26,220

signals on the property when they are

1070

00:49:29,630 --> 00:49:27,839

measuring EMF signals they don't even

1071

00:49:31,490 --> 00:49:29,640

have a control test they don't even care

1072

00:49:34,069 --> 00:49:31,500

to eliminate possible variables in their

1073

00:49:36,050 --> 00:49:34,079

tests as well as the cellular coverage

1074

00:49:37,309 --> 00:49:36,060

in the area which is something that the

1075

00:49:38,809 --> 00:49:37,319

show goes out of their way to talk about

1076
00:49:40,490 --> 00:49:38,819
how that can't be the cause completely

1077
00:49:43,230 --> 00:49:40,500
disregarding all the recording equipment

1078
00:49:47,870 --> 00:49:44,690
[Music]

1079
00:49:50,089 --> 00:49:47,880
and um you know just to drive home that

1080
00:49:52,190 --> 00:49:50,099
point the first thing that they should

1081
00:49:54,950 --> 00:49:52,200
have done is turned off all of their own

1082
00:49:57,109 --> 00:49:54,960
cell phones or even just not been there

1083
00:49:58,849 --> 00:49:57,119
with the cell phone at all would have

1084
00:50:02,150 --> 00:49:58,859
been the best and proper and scientific

1085
00:50:04,550 --> 00:50:02,160
way to do any sort of measuring of EMF

1086
00:50:06,650 --> 00:50:04,560
they did not do that and there's a

1087
00:50:09,710 --> 00:50:06,660
reason they didn't do that they need

1088
00:50:11,030 --> 00:50:09,720

strange anomalies in order to sell the

1089

00:50:13,370 --> 00:50:11,040

television show

1090

00:50:15,890 --> 00:50:13,380

we'll stop right here this is probably

1091

00:50:17,210 --> 00:50:15,900

the easiest place to access the top of

1092

00:50:21,010 --> 00:50:17,220

the ridge

1093

00:50:25,910 --> 00:50:23,170

[Music]

1094

00:50:27,950 --> 00:50:25,920

the fox man yeah he'll smoke too yeah

1095

00:50:31,069 --> 00:50:27,960

from that direction

1096

00:50:34,069 --> 00:50:32,809

look at that in fact I can't imagine

1097

00:50:35,930 --> 00:50:34,079

performing this test anymore

1098

00:50:37,550 --> 00:50:35,940

inadequately as in science you try to

1099

00:50:39,170 --> 00:50:37,560

eliminate as many variables as you can

1100

00:50:40,730 --> 00:50:39,180

so you can be sure that your tests

1101
00:50:42,530 --> 00:50:40,740
haven't been smudged but here they

1102
00:50:44,270 --> 00:50:42,540
haven't just sludged the tests they

1103
00:50:46,390 --> 00:50:44,280
import pudding everywhere right there's

1104
00:50:49,790 --> 00:50:46,400
no yeah

1105
00:50:52,130 --> 00:50:49,800
so scared right now they're all mic'd up

1106
00:50:53,510 --> 00:50:52,140
with wireless lavalier mics as well as

1107
00:50:56,150 --> 00:50:53,520
the fact they all have drones flying

1108
00:50:57,770 --> 00:50:56,160
around and they all have cell phones all

1109
00:50:59,930 --> 00:50:57,780
emitting signals

1110
00:51:01,370 --> 00:50:59,940
to give a better analogy it's like a

1111
00:51:03,290 --> 00:51:01,380
scientist were to go around lighting

1112
00:51:05,750 --> 00:51:03,300
buildings on fire to see how fire

1113
00:51:07,910 --> 00:51:05,760

resistant buildings are and then being

1114

00:51:10,210 --> 00:51:07,920

shocked that for some reason there are a

1115

00:51:12,589 --> 00:51:10,220

bunch of houses on fire they're actually

1116

00:51:16,069 --> 00:51:12,599

unironically just reading their own

1117

00:51:19,730 --> 00:51:18,109

some science

1118

00:51:22,130 --> 00:51:19,740

sounds like it might be getting louder

1119

00:51:23,210 --> 00:51:22,140

as we get hired let's go up the mountain

1120

00:51:26,030 --> 00:51:23,220

and see what happens

1121

00:51:28,010 --> 00:51:26,040

[Music]

1122

00:51:30,770 --> 00:51:28,020

Skinwalker Ranch is in the middle of

1123

00:51:32,750 --> 00:51:30,780

nowhere and I couldn't see a cell phone

1124

00:51:34,670 --> 00:51:32,760

tower as far as I could see I barely was

1125

00:51:36,230 --> 00:51:34,680

getting a signal on my phone

1126

00:51:37,490 --> 00:51:36,240

right so if you're barely getting a

1127

00:51:39,829 --> 00:51:37,500

signal then that means that there

1128

00:51:41,270 --> 00:51:39,839

apparently is a cell tower somewhere in

1129

00:51:43,069 --> 00:51:41,280

fact the statement about him not being

1130

00:51:44,569 --> 00:51:43,079

able to see any cell towers is a really

1131

00:51:45,829 --> 00:51:44,579

strange way to dismiss a possible

1132

00:51:47,809 --> 00:51:45,839

variable that could potentially explain

1133

00:51:49,490 --> 00:51:47,819

everything this whole show is really

1134

00:51:52,010 --> 00:51:49,500

predicated on the idea that this is some

1135

00:51:53,750 --> 00:51:52,020

super remote location with no Towers but

1136

00:51:56,410 --> 00:51:53,760

you can see how they use clever wording

1137

00:51:59,690 --> 00:51:56,420

to keep the audience blind yeah

1138

00:52:01,609 --> 00:51:59,700

I was near it however everywhere has a

1139

00:52:03,049 --> 00:52:01,619

distance to the nearest Tower so why

1140

00:52:05,030 --> 00:52:03,059

couldn't you just say how far away the

1141

00:52:06,530 --> 00:52:05,040

closest one is I think it's apparently

1142

00:52:08,450 --> 00:52:06,540

obvious that if they did that then all

1143

00:52:09,589 --> 00:52:08,460

the EMF signals would make sense and

1144

00:52:11,210 --> 00:52:09,599

they couldn't keep pretending that

1145

00:52:13,430 --> 00:52:11,220

there's no way cell towers aren't doing

1146

00:52:15,470 --> 00:52:13,440

this when you really know how laughably

1147

00:52:17,569 --> 00:52:15,480

close the nearest one is check this out

1148

00:52:20,089 --> 00:52:17,579

my friend Specter helped me find a bunch

1149

00:52:22,010 --> 00:52:20,099

the nearest microwave Tower is only 39

1150

00:52:24,230 --> 00:52:22,020

miles away and that's within completely

1151
00:52:26,150 --> 00:52:24,240
usable distance not only is this one

1152
00:52:27,589 --> 00:52:26,160
quite close but the whole Ranch is in

1153
00:52:28,910 --> 00:52:27,599
the middle of a triangle of microwave

1154
00:52:33,910 --> 00:52:28,920
Towers

1155
00:52:37,490 --> 00:52:33,920
got a cell phone tower 39 miles away

1156
00:52:39,770 --> 00:52:37,500
they never eliminate or even acknowledge

1157
00:52:42,410 --> 00:52:39,780
that the readings that they are getting

1158
00:52:44,150 --> 00:52:42,420
could be entirely naturally occurring

1159
00:52:47,210 --> 00:52:44,160
due to

1160
00:52:49,250 --> 00:52:47,220
um some of the technology right in the

1161
00:52:52,750 --> 00:52:49,260
area that they are taking these readings

1162
00:52:56,569 --> 00:52:55,069
however that's only microwave Towers to

1163
00:52:58,190 --> 00:52:56,579

find the cell towers we have to take a

1164

00:53:00,170 --> 00:52:58,200

closer look because the cell towers are

1165

00:53:01,670 --> 00:53:00,180

somehow even more laughably close there

1166

00:53:03,410 --> 00:53:01,680

are three cell towers all under five

1167

00:53:05,150 --> 00:53:03,420

miles away with the closest being only

1168

00:53:06,710 --> 00:53:05,160

three miles away it's starting to seem

1169

00:53:08,630 --> 00:53:06,720

like we have cracked I'm sorry but if

1170

00:53:09,890 --> 00:53:08,640

you have a cell phone tower three miles

1171

00:53:12,530 --> 00:53:09,900

away

1172

00:53:14,630 --> 00:53:12,540

you cannot discount that as a

1173

00:53:18,770 --> 00:53:14,640

possibility for why you're getting these

1174

00:53:21,530 --> 00:53:18,780

EMF readings this is the layers of

1175

00:53:25,549 --> 00:53:21,540

deception that this cast and crew are

1176

00:53:27,109 --> 00:53:25,559

willing to uh to use they use these

1177

00:53:28,849 --> 00:53:27,119

layers of so it couldn't be a cell phone

1178

00:53:31,130 --> 00:53:28,859

I couldn't see one there's one four

1179

00:53:32,750 --> 00:53:31,140

miles away Travis Taylor shouldn't you

1180

00:53:35,270 --> 00:53:32,760

tell the audience that there's a cell

1181

00:53:37,609 --> 00:53:35,280

phone tower four miles away from the

1182

00:53:40,250 --> 00:53:37,619

exact nearly the exact location where

1183

00:53:41,750 --> 00:53:40,260

you're taking these so-called anomalous

1184

00:53:44,569 --> 00:53:41,760

readings these readings are not

1185

00:53:48,109 --> 00:53:44,579

anomalous they are perfectly in line

1186

00:53:50,809 --> 00:53:48,119

with uh atmospheric Norms of anyone

1187

00:53:53,030 --> 00:53:50,819

within a Four mile radius of a cell

1188

00:53:54,230 --> 00:53:53,040

phone tower the case however if you

1189

00:53:55,910 --> 00:53:54,240

start doing the math with how radio

1190

00:53:57,230 --> 00:53:55,920

signals will dissipate in power density

1191

00:53:58,490 --> 00:53:57,240

following the inverse Square law it

1192

00:54:00,230 --> 00:53:58,500

seems like this still isn't a good

1193

00:54:01,970 --> 00:54:00,240

explanation for the EMF there as Mike

1194

00:54:03,950 --> 00:54:01,980

West pointed out the canoe is a five

1195

00:54:05,809 --> 00:54:03,960

kilowatt non-directional Tower and since

1196

00:54:07,609 --> 00:54:05,819

it's four miles away we use a Four mile

1197

00:54:09,829 --> 00:54:07,619

radius sphere which following the sphere

1198

00:54:12,530 --> 00:54:09,839

area formula has a surface area of 5

1199

00:54:14,450 --> 00:54:12,540

hundred and twenty million 687 000

1200

00:54:16,250 --> 00:54:14,460

meters then following the inverse Square

1201
00:54:18,829 --> 00:54:16,260
law we divide our signal strength by the

1202
00:54:20,390 --> 00:54:18,839
way this is the real science that Travis

1203
00:54:23,329 --> 00:54:20,400
Taylor should have presented but he just

1204
00:54:27,349 --> 00:54:23,339
said I can't see no cell phone tower and

1205
00:54:30,890 --> 00:54:27,359
I got bad I got a bad uh I barely get a

1206
00:54:33,470 --> 00:54:30,900
signal so can't be that s by our surface

1207
00:54:38,470 --> 00:54:33,480
area $4\pi r^2$ to find how strong

1208
00:54:42,530 --> 00:54:40,849
0.000960269 Watts a meter squared then

1209
00:54:44,210 --> 00:54:42,540
using the metric table we convert it to

1210
00:54:45,770 --> 00:54:44,220
milliwatts by moving the decimal three

1211
00:54:47,990 --> 00:54:45,780
places to the right so the signal

1212
00:54:49,910 --> 00:54:48,000
strength we should be reading is 0.009

1213
00:54:51,589 --> 00:54:49,920

milliwatts of meter squared which is

1214

00:54:53,210 --> 00:54:51,599

about a thousand times lower than the 10

1215

00:54:55,670 --> 00:54:53,220

milliwatts a meter squared the show is

1216

00:54:59,030 --> 00:54:55,680

getting well it seems like it must have

1217

00:55:01,609 --> 00:54:59,040

been aliens then or the dead indians yes

1218

00:55:02,510 --> 00:55:01,619

it definitely must be aliens no just

1219

00:55:04,010 --> 00:55:02,520

kidding it's still their own equipment

1220

00:55:06,109 --> 00:55:04,020

we can use the same equation backwards

1221

00:55:08,390 --> 00:55:06,119

to find out strong the wireless mics so

1222

00:55:10,730 --> 00:55:08,400

they're taking readings and and they're

1223

00:55:12,710 --> 00:55:10,740

getting their own equipment remember

1224

00:55:15,890 --> 00:55:12,720

these guys are all wired up with

1225

00:55:18,950 --> 00:55:15,900

wireless microphones uh they've all got

1226
00:55:23,089 --> 00:55:18,960
cell phones and there's a drone flying

1227
00:55:24,770 --> 00:55:23,099
in the area that is radio controlled uh

1228
00:55:26,690 --> 00:55:24,780
great sorry and if it turns out they're

1229
00:55:29,150 --> 00:55:26,700
wireless lav mics are within a range of

1230
00:55:31,069 --> 00:55:29,160
one to 250 milliwatts which is the range

1231
00:55:32,990 --> 00:55:31,079
of that wireless microphone transmitters

1232
00:55:34,430 --> 00:55:33,000
operate at that means it could be their

1233
00:55:35,750 --> 00:55:34,440
equipment that they're reading so we

1234
00:55:37,430 --> 00:55:35,760
know that their transmitters are in

1235
00:55:38,569 --> 00:55:37,440
their back pockets with this tri-filled

1236
00:55:40,430 --> 00:55:38,579
meter and his hands in front of him

1237
00:55:41,990 --> 00:55:40,440
while he is measuring at most the

1238
00:55:43,490 --> 00:55:42,000

instrument will be a meter away from his

1239

00:55:45,290 --> 00:55:43,500

back pocket so we can plug it in and

1240

00:55:48,170 --> 00:55:45,300

find the surface area of a sphere with a

1241

00:55:49,970 --> 00:55:48,180

radius of one meter is 12.566 meters

1242

00:55:51,710 --> 00:55:49,980

then we multiply that by the 10

1243

00:55:53,690 --> 00:55:51,720

milliwatts a meter squared to find our

1244

00:55:55,390 --> 00:55:53,700

output signal for the wireless lav mic

1245

00:55:57,829 --> 00:55:55,400

is around

1246

00:55:59,630 --> 00:55:57,839

125.66 milliwatts which falls right into

1247

00:56:01,309 --> 00:55:59,640

the range that wireless mic transmitters

1248

00:56:02,930 --> 00:56:01,319

can operate at although this isn't proof

1249

00:56:04,790 --> 00:56:02,940

that their wireless mics are causing the

1250

00:56:06,109 --> 00:56:04,800

MF the preponderance the plausible

1251

00:56:07,670 --> 00:56:06,119

explanations I've weighed out is

1252

00:56:10,490 --> 00:56:07,680

certainly enough to dismiss the notion

1253

00:56:15,170 --> 00:56:10,500

that this is out of the ordinary out of

1254

00:56:21,290 --> 00:56:18,230

this guy is literally measuring his own

1255

00:56:24,410 --> 00:56:21,300

Wireless it could be it's very likely

1256

00:56:26,870 --> 00:56:24,420

that he is measuring his own wireless

1257

00:56:29,390 --> 00:56:26,880

microphone and claiming that it is

1258

00:56:31,609 --> 00:56:29,400

something paranormal this is the problem

1259

00:56:36,170 --> 00:56:31,619

that I have with the skinwalker cash

1260

00:56:37,430 --> 00:56:36,180

gang and there were no Wi-Fi routers man

1261

00:56:41,210 --> 00:56:37,440

that was a nice walk

1262

00:56:45,829 --> 00:56:43,849

what you're saying Eric so we're four

1263

00:56:47,809 --> 00:56:45,839

and a half which way now remember

1264

00:56:49,970 --> 00:56:47,819

there's five guys out here all of them

1265

00:56:51,049 --> 00:56:49,980

are getting paychecks which is this is

1266

00:56:53,150 --> 00:56:51,059

very important they're all getting

1267

00:56:54,650 --> 00:56:53,160

paychecks they all like those paychecks

1268

00:56:56,630 --> 00:56:54,660

they want to keep those paychecks going

1269

00:56:59,329 --> 00:56:56,640

so let's just forget that we've all got

1270

00:57:01,130 --> 00:56:59,339

wireless microphone transmitters in our

1271

00:57:03,170 --> 00:57:01,140

pockets while we take these readings

1272

00:57:05,750 --> 00:57:03,180

this way

1273

00:57:07,790 --> 00:57:05,760

yeah this is pegging out around it's

1274

00:57:09,890 --> 00:57:07,800

kind of along the ridge line

1275

00:57:10,849 --> 00:57:09,900

yeah I mean it's it's a real strong

1276
00:57:12,770 --> 00:57:10,859
signal

1277
00:57:15,470 --> 00:57:12,780
what's it saying

1278
00:57:17,150 --> 00:57:15,480
dude it's it's in the milliwatt per

1279
00:57:18,530 --> 00:57:17,160
meter squared

1280
00:57:20,690 --> 00:57:18,540
and I mean that's a significant amount

1281
00:57:23,150 --> 00:57:20,700
of energy right there

1282
00:57:26,390 --> 00:57:23,160
we went to the top of the Mason what we

1283
00:57:28,609 --> 00:57:26,400
found was even more the electromagnetic

1284
00:57:32,930 --> 00:57:28,619
radiation that shouldn't be there it's a

1285
00:57:38,230 --> 00:57:34,670
let's see what happens we went to the

1286
00:57:40,069 --> 00:57:38,240
top of the Mason what we found was the

1287
00:57:41,809 --> 00:57:40,079
electromagnetic radiation yeah and

1288
00:57:44,089 --> 00:57:41,819

obviously at the top of the mountain

1289

00:57:47,210 --> 00:57:44,099

there would be less uh atmospheric

1290

00:57:49,309 --> 00:57:47,220

interference there'd be less material to

1291

00:57:52,970 --> 00:57:49,319

absorb some of that EMF it shouldn't be

1292

00:57:54,650 --> 00:57:52,980

there it shouldn't be there it shouldn't

1293

00:58:01,430 --> 00:57:54,660

be there

1294

00:58:06,170 --> 00:58:03,950

was even more the electromagnetic

1295

00:58:08,210 --> 00:58:06,180

radiation that shouldn't be there it's a

1296

00:58:14,770 --> 00:58:08,220

real strong signal and at dangerous

1297

00:58:20,030 --> 00:58:17,870

that could be harmful to humans does

1298

00:58:24,430 --> 00:58:20,040

this mean I'm safe and it's shifted now

1299

00:58:27,710 --> 00:58:26,210

okay so now we know that they're

1300

00:58:28,970 --> 00:58:27,720

operating in the radio frequency range

1301
00:58:30,650 --> 00:58:28,980
and now we know what the power density

1302
00:58:32,210 --> 00:58:30,660
is in the area so power density is

1303
00:58:33,890 --> 00:58:32,220
defined as power flow pre-unit area

1304
00:58:35,569 --> 00:58:33,900
we'll get back to this to understand why

1305
00:58:37,130 --> 00:58:35,579
power density of 10 milliwatts per meter

1306
00:58:39,170 --> 00:58:37,140
squared for any frequency between 20

1307
00:58:41,030 --> 00:58:39,180
megahertz to 6 gigahertz isn't dangerous

1308
00:58:43,430 --> 00:58:41,040
we first have to understand how yeah so

1309
00:58:46,849 --> 00:58:43,440
even the claims of this can be dangerous

1310
00:58:49,190 --> 00:58:46,859
to humans is a hundred percent false

1311
00:58:51,950 --> 00:58:49,200
hey Brandon fogle this is your lead

1312
00:58:55,430 --> 00:58:51,960
scientist he doesn't even know he he's

1313
00:58:57,770 --> 00:58:55,440

making absolutely 100 false statements

1314

00:58:59,809 --> 00:58:57,780

like this is dangerous levels to humans

1315

00:59:01,430 --> 00:58:59,819

now with the electromagnetic spectrum

1316

00:59:03,230 --> 00:59:01,440

works and we'll also have to explain how

1317

00:59:04,670 --> 00:59:03,240

frequencies affect matter and how the

1318

00:59:06,049 --> 00:59:04,680

amplitude affects how strong the

1319

00:59:07,730 --> 00:59:06,059

frequency is and how the different

1320

00:59:09,470 --> 00:59:07,740

amplitudes of said frequencies affect

1321

00:59:11,390 --> 00:59:09,480

how the frequencies affect matter so

1322

00:59:13,010 --> 00:59:11,400

first is the EMF Spectrum a stream of

1323

00:59:14,510 --> 00:59:13,020

massless particle is called photons each

1324

00:59:15,410 --> 00:59:14,520

traveling in a wave-like pattern at the

1325

00:59:16,730 --> 00:59:15,420

speed of light essentially the

1326

00:59:18,470 --> 00:59:16,740

wavelength will tell you its energy a

1327

00:59:20,450 --> 00:59:18,480

radio wave has a really long wavelength

1328

00:59:22,010 --> 00:59:20,460

so it has low energy whereas gamma rays

1329

00:59:23,809 --> 00:59:22,020

have a really small wavelength in those

1330

00:59:25,370 --> 00:59:23,819

really high energy and since all waves

1331

00:59:26,809 --> 00:59:25,380

travel at the same speed the speed of

1332

00:59:28,370 --> 00:59:26,819

light you can multiply the wavelength by

1333

00:59:29,690 --> 00:59:28,380

the frequency and will always equal C or

1334

00:59:31,549 --> 00:59:29,700

to find the frequency of a particular

1335

00:59:32,870 --> 00:59:31,559

wavelength divide C by the wavelength in

1336

00:59:34,390 --> 00:59:32,880

meters to find the frequency by the way

1337

00:59:36,349 --> 00:59:34,400

this is the design

1338

00:59:37,910 --> 00:59:36,359

hence why the speed of light is called

1339

00:59:39,170 --> 00:59:37,920

the speed of light it's a constant for

1340

00:59:41,089 --> 00:59:39,180

everything on the Spectrum anyway we're

1341

00:59:43,130 --> 00:59:41,099

only talking about frequencies here and

1342

00:59:44,630 --> 00:59:43,140

how many times in oscillation AKA wave

1343

00:59:46,130 --> 00:59:44,640

cycle passes a given point per second

1344

00:59:47,809 --> 00:59:46,140

everything to the left like radio

1345

00:59:49,670 --> 00:59:47,819

frequencies or microwaves are

1346

00:59:50,930 --> 00:59:49,680

non-ionizing radiation they simply don't

1347

00:59:52,670 --> 00:59:50,940

have enough energy to break chemical

1348

00:59:54,289 --> 00:59:52,680

bonds the way ionizing radiation can

1349

00:59:55,910 --> 00:59:54,299

like damaging your genes and giving you

1350

00:59:57,109 --> 00:59:55,920

cancer so everything to the left is safe

1351

00:59:59,089 --> 00:59:57,119

the only thing some of these lower

1352

01:00:01,010 --> 00:59:59,099

energy frequencies can do is cause polar

1353

01:00:02,630 --> 01:00:01,020

molecules like water to flip axis to try

1354

01:00:04,370 --> 01:00:02,640

and match the wave and thus molecular

1355

01:00:05,630 --> 01:00:04,380

friction from this creates heat the more

1356

01:00:07,549 --> 01:00:05,640

amplitude for some of these lower

1357

01:00:09,349 --> 01:00:07,559

frequencies the more inclines the water

1358

01:00:11,030 --> 01:00:09,359

molecules to want to flip this is the

1359

01:00:12,589 --> 01:00:11,040

process of how microwave ovens heat up

1360

01:00:14,809 --> 01:00:12,599

your food however microwave ovens

1361

01:00:16,549 --> 01:00:14,819

operate at a kilowatt onto a 30 by 40

1362

01:00:19,250 --> 01:00:16,559

centimeter area meaning that their power

1363

01:00:20,809 --> 01:00:19,260

density is 8 330 Watts a meter squared

1364

01:00:23,030 --> 01:00:20,819

now their power density was only 10

1365

01:00:24,530 --> 01:00:23,040

milliwatts a meter squared which is 0.01

1366

01:00:25,609 --> 01:00:24,540

Watts a meter squared the amount of

1367

01:00:27,410 --> 01:00:25,619

heating you would get from this is so

1368

01:00:28,970 --> 01:00:27,420

low to be basically negligible to better

1369

01:00:30,410 --> 01:00:28,980

demonstrate how not scary the readings

1370

01:00:32,349 --> 01:00:30,420

are the sun heats up Earth's surface

1371

01:00:35,510 --> 01:00:32,359

with a power density of approximately

1372

01:00:37,490 --> 01:00:35,520

isn't it interesting that Travis Taylor

1373

01:00:39,770 --> 01:00:37,500

is so willing to make absolute

1374

01:00:40,849 --> 01:00:39,780

statements like this is dangerous for

1375

01:00:44,390 --> 01:00:40,859

humans

1376

01:00:46,549 --> 01:00:44,400

uh without explaining why he's a PhD

1377

01:00:49,490 --> 01:00:46,559

level scientist meanwhile

1378

01:00:51,950 --> 01:00:49,500

uh you know just a random science nerd

1379

01:00:54,470 --> 01:00:51,960

on YouTube can actually explain why he's

1380

01:00:56,690 --> 01:00:54,480

completely and totally 100 wrong here

1381

01:00:58,370 --> 01:00:56,700

1000 Watts a meter squared now obviously

1382

01:00:59,990 --> 01:00:58,380

it has some higher ionizing frequencies

1383

01:01:01,250 --> 01:01:00,000

which makes it actually scary however

1384

01:01:02,809 --> 01:01:01,260

the warmth of the sun you feel on your

1385

01:01:04,370 --> 01:01:02,819

skin is what I want to contrast to show

1386

01:01:05,630 --> 01:01:04,380

you how warm the radio waves are and

1387

01:01:07,670 --> 01:01:05,640

since the surface area of the average

1388

01:01:09,109 --> 01:01:07,680

over 20 year old human is about 2 meters

1389

01:01:10,730 --> 01:01:09,119

squared and since only half your body

1390

01:01:12,170 --> 01:01:10,740

can be exposed to any one time to the

1391

01:01:13,789 --> 01:01:12,180

sun you'd basically be receiving the

1392

01:01:15,230 --> 01:01:13,799

full 1000 Watts a meter squared of

1393

01:01:17,089 --> 01:01:15,240

heating from the Sun so if you're scared

1394

01:01:18,349 --> 01:01:17,099

of being warmed up by the 0.01 Watts a

1395

01:01:19,730 --> 01:01:18,359

meter squared the amount of heat you

1396

01:01:20,930 --> 01:01:19,740

would get from the Sun is literally a

1397

01:01:22,069 --> 01:01:20,940

hundred thousand times the heat you

1398

01:01:23,630 --> 01:01:22,079

would get from the radio frequencies

1399

01:01:25,190 --> 01:01:23,640

there there is absolutely nothing to

1400

01:01:26,750 --> 01:01:25,200

worry about over there this is all using

1401
01:01:28,370 --> 01:01:26,760
fancy equipment that the general public

1402
01:01:29,510 --> 01:01:28,380
has no idea about and showing scary

1403
01:01:30,770 --> 01:01:29,520
sounding numbers from people with

1404
01:01:32,210 --> 01:01:30,780
credentials to make you trust their

1405
01:01:33,770 --> 01:01:32,220
judgments so that they can continue to

1406
01:01:35,569 --> 01:01:33,780
sell their snake oil to you in fact

1407
01:01:37,069 --> 01:01:35,579
what's that hang on no I've got breaking

1408
01:01:38,630 --> 01:01:37,079
news coming in here apparently we have

1409
01:01:39,950 --> 01:01:38,640
live footage of Travis Taylor finding

1410
01:01:42,049 --> 01:01:39,960
out that the sun is a hundred thousand

1411
01:01:49,430 --> 01:01:42,059
times scarier than aliens and this whole

1412
01:01:53,450 --> 01:01:52,250
hahaha a live video of Travis learning

1413
01:01:57,710 --> 01:01:53,460

sunlight is a hundred thousand times

1414

01:01:57,720 --> 01:02:02,640

uh-oh

1415

01:02:02,650 --> 01:02:14,329

[Music]

1416

01:02:14,339 --> 01:02:18,970

um

1417

01:02:23,450 --> 01:02:21,410

Travis there's been a flying orb in the

1418

01:02:26,809 --> 01:02:23,460

sky above you this whole time it's right

1419

01:02:33,470 --> 01:02:30,710

so literally the sun is more dangerous

1420

01:02:35,990 --> 01:02:33,480

than these radiation you know these EMF

1421

01:02:39,829 --> 01:02:36,000

levels that he is Travis Taylor is

1422

01:02:42,349 --> 01:02:39,839

saying this is uh you know dangerous to

1423

01:02:45,049 --> 01:02:42,359

humans this is absolutely 100 percent

1424

01:02:47,750 --> 01:02:45,059

false statements being made by the

1425

01:02:51,349 --> 01:02:47,760

so-called head of Science of the

1426

01:02:53,150 --> 01:02:51,359

skinwalker cash gang right and this more

1427

01:02:55,970 --> 01:02:53,160

than anything is

1428

01:02:58,970 --> 01:02:55,980

you know proof that these guys are not

1429

01:03:01,910 --> 01:02:58,980

there to get scientific answers they're

1430

01:03:04,190 --> 01:03:01,920

there to show you spooky things and

1431

01:03:07,549 --> 01:03:04,200

strange and anomalous readings so that

1432

01:03:09,890 --> 01:03:07,559

they could keep getting paychecks

1433

01:03:11,990 --> 01:03:09,900

and it's all radiation yeah yeah it's

1434

01:03:14,690 --> 01:03:12,000

all area wow

1435

01:03:18,470 --> 01:03:14,700

the level of microwaves there that we

1436

01:03:20,630 --> 01:03:18,480

detected were much stronger than what

1437

01:03:23,930 --> 01:03:20,640

you get from your cell phone or your

1438

01:03:26,390 --> 01:03:23,940

Wi-Fi routers and microwaves like that

1439

01:03:30,230 --> 01:03:26,400

and he just leaves out his wireless mic

1440

01:03:33,170 --> 01:03:30,240

transmitters there's one two three four

1441

01:03:35,870 --> 01:03:33,180

five guys there plus cameramen

1442

01:03:38,870 --> 01:03:35,880

all of which the Five Guys all have

1443

01:03:42,109 --> 01:03:38,880

wireless microphone transmitters on them

1444

01:03:44,930 --> 01:03:42,119

so this is another huge nothing burger

1445

01:03:47,930 --> 01:03:44,940

that has been hyped up by the so-called

1446

01:03:50,870 --> 01:03:47,940

PhD level scientist at Skinwalker Ranch

1447

01:03:53,210 --> 01:03:50,880

to sell snake oil

1448

01:03:55,849 --> 01:03:53,220

just don't exist in nature

1449

01:03:58,490 --> 01:03:55,859

so where was this microwave radiation

1450

01:03:59,569 --> 01:03:58,500

coming from because I've never seen that

1451

01:04:01,730 --> 01:03:59,579

I don't know

1452

01:04:03,710 --> 01:04:01,740

well we've been here what and I an hour

1453

01:04:06,170 --> 01:04:03,720

and already found something that I don't

1454

01:04:08,390 --> 01:04:06,180

have any idea what's going on I I don't

1455

01:04:10,670 --> 01:04:08,400

understand it so there's two

1456

01:04:13,609 --> 01:04:10,680

possibilities here either this man is

1457

01:04:16,190 --> 01:04:13,619

completely and totally stupid and

1458

01:04:20,390 --> 01:04:16,200

incompetent as a scientist as a

1459

01:04:22,549 --> 01:04:20,400

scientific person a scientist or he

1460

01:04:25,250 --> 01:04:22,559

isn't this stupid and he is

1461

01:04:30,490 --> 01:04:25,260

intentionally deceiving the audience in

1462

01:04:36,170 --> 01:04:32,060

thank you

1463

01:04:38,089 --> 01:04:36,180

[Music]

1464

01:04:39,349 --> 01:04:38,099

why unprotected and unsupervised

1465

01:04:40,430 --> 01:04:39,359

watching this video may result in

1466

01:04:42,910 --> 01:04:40,440

frustration point in the Hat does not

1467

01:04:45,950 --> 01:04:42,920

punch marks punching them up

1468

01:04:48,049 --> 01:04:45,960

it's much worse remember you watch it

1469

01:04:49,970 --> 01:04:48,059

too hard unwatch it

1470

01:04:51,549 --> 01:04:49,980

you have been more you guys should take

1471

01:04:54,230 --> 01:04:51,559

a look at this

1472

01:04:56,390 --> 01:04:54,240

Caleb's phone here is another huge

1473

01:04:59,089 --> 01:04:56,400

nothing burger that Travis Taylor is

1474

01:05:01,910 --> 01:04:59,099

gonna hype up as something anomalous or

1475

01:05:05,390 --> 01:05:01,920

paranormal so what else is doing

1476

01:05:07,609 --> 01:05:05,400

doing what it's done in the past it goes

1477

01:05:10,069 --> 01:05:07,619

into different apps it's taken a couple

1478

01:05:12,770 --> 01:05:10,079

screenshots I don't have any control

1479

01:05:14,690 --> 01:05:12,780

over it it shut itself off it's turned

1480

01:05:17,270 --> 01:05:14,700

it back on and it just goes right past

1481

01:05:19,250 --> 01:05:17,280

my passcode and just instantly hacking

1482

01:05:21,289 --> 01:05:19,260

that yeah and here is another problem

1483

01:05:23,569 --> 01:05:21,299

that I have these guys with their busted

1484

01:05:26,450 --> 01:05:23,579

up cell phones claiming that the the

1485

01:05:28,549 --> 01:05:26,460

strange anomalies with their cell phones

1486

01:05:31,250 --> 01:05:28,559

are somehow paranormal maybe it's just

1487

01:05:34,250 --> 01:05:31,260

broken we could see it's all smashed up

1488

01:05:38,750 --> 01:05:37,190

uh that's that's almost technologically

1489

01:05:39,510 --> 01:05:38,760

impossible to do and it's doing it

1490

01:05:42,349 --> 01:05:39,520

instantaneously

1491

01:05:45,589 --> 01:05:42,359

[Music]

1492

01:05:48,109 --> 01:05:45,599

and Caleb's phone is really wiggling out

1493

01:05:50,990 --> 01:05:48,119

it's like somebody has opened up his

1494

01:05:52,730 --> 01:05:51,000

phone unlocked the passcode and is going

1495

01:05:56,630 --> 01:05:52,740

through all his apps trying to dial

1496

01:05:58,309 --> 01:05:56,640

random contacts currently even the

1497

01:06:01,490 --> 01:05:58,319

National Security Agency doesn't even

1498

01:06:03,490 --> 01:06:01,500

have the technology to hack that kind of

1499

01:06:07,010 --> 01:06:03,500

encryption

1500

01:06:09,530 --> 01:06:07,020

that is another false statement and it

1501

01:06:13,849 --> 01:06:09,540

tried calling uh 911

1502

01:06:17,030 --> 01:06:13,859

and my dispatch number within a minute

1503

01:06:19,430 --> 01:06:17,040

that startles me so if you go to the

1504

01:06:22,970 --> 01:06:19,440

Exotic then something here is crying out

1505

01:06:26,109 --> 01:06:22,980

for help or is it giving us a warning

1506

01:06:29,870 --> 01:06:26,119

again ascribing all kinds of paranormal

1507

01:06:32,630 --> 01:06:29,880

explanations to what is essentially a

1508

01:06:35,450 --> 01:06:32,640

malfunctioning cell phone you see the

1509

01:06:40,309 --> 01:06:35,460

leap this is quite a leap a glitching

1510

01:06:40,319 --> 01:06:51,589

foreign

1511

01:06:54,650 --> 01:06:53,270

Islands correlation causation policy

1512

01:06:57,190 --> 01:06:54,660

presuppositional policy I'll cover this

1513

01:07:00,170 --> 01:06:59,210

false equivalence policy since the NSA

1514

01:07:04,210 --> 01:07:00,180

of people Authority files can't even

1515

01:07:16,370 --> 01:07:06,470

it's Converse if a phone flips out it

1516

01:07:21,470 --> 01:07:19,010

to be expected

1517

01:07:23,190 --> 01:07:21,480

now we're gonna get into the website and

1518

01:07:42,529 --> 01:07:23,200

the garbage on that website

1519

01:07:55,270 --> 01:07:44,690

yeah

1520

01:07:58,490 --> 01:07:57,109

saying that nothing is clear they're

1521

01:08:00,109 --> 01:07:58,500

trying to muddy the waters they're

1522

01:08:01,370 --> 01:08:00,119

trying to convey the message that there

1523

01:08:03,650 --> 01:08:01,380

are some things that science can't

1524

01:08:08,400 --> 01:08:03,660

explain hence why they go to God aliens

1525

01:08:13,250 --> 01:08:10,370

[Music]

1526
01:08:15,470 --> 01:08:13,260
Carl Sagan described a philosophy that

1527
01:08:16,669 --> 01:08:15,480
so resonated with me that I adopted it

1528
01:08:19,490 --> 01:08:16,679
immediately

1529
01:08:20,809 --> 01:08:19,500
he said that in science yeah that means

1530
01:08:22,490 --> 01:08:20,819
other parts of the phone could either

1531
01:08:25,189 --> 01:08:22,500
orange or malfunctioning as well

1532
01:08:29,289 --> 01:08:25,199
arguments from Authority are worthless

1533
01:08:35,390 --> 01:08:32,450
bank accounts were revised

1534
01:08:38,450 --> 01:08:35,400
and that philosophy is vastly more

1535
01:08:40,309 --> 01:08:38,460
honest than the one I just heard and I

1536
01:08:42,890 --> 01:08:40,319
think Sagan's philosophy distinguishes

1537
01:08:45,169 --> 01:08:42,900
those who sincerely seek the truth from

1538
01:08:49,789 --> 01:08:45,179

those who pretend as if they've already

1539

01:09:12,189 --> 01:08:51,120

foreign

1540

01:09:16,370 --> 01:09:14,990

yes the skinwalkers want their cash I

1541

01:09:18,289 --> 01:09:16,380

think the only National Security risk

1542

01:09:19,550 --> 01:09:18,299

here is wasting time money and resources

1543

01:09:20,809 --> 01:09:19,560

looking for things that apparently

1544

01:09:22,430 --> 01:09:20,819

aren't there as well as scaring the

1545

01:09:23,689 --> 01:09:22,440

general public making people stupider

1546

01:09:25,729 --> 01:09:23,699

and the distrust in the government that

1547

01:09:28,249 --> 01:09:25,739

the show is promoting whatever this is

1548

01:09:30,530 --> 01:09:28,259

it's far more complex than we ever

1549

01:09:31,729 --> 01:09:30,540

anticipated it's actually quite the

1550

01:09:33,110 --> 01:09:31,739

opposite it's really simple you can't

1551
01:09:34,789 --> 01:09:33,120
follow a fourth grade level of variable

1552
01:09:36,349 --> 01:09:34,799
control so in a way this statement is

1553
01:09:37,789 --> 01:09:36,359
kind of true it's kind of more complex

1554
01:09:39,050 --> 01:09:37,799
than I ever could imagine by not simply

1555
01:09:40,490 --> 01:09:39,060
sticking to the scientific method you

1556
01:09:42,530 --> 01:09:40,500
have blown my mind with how diluted and

1557
01:09:43,729 --> 01:09:42,540
irrational this whole thing people who

1558
01:09:45,169 --> 01:09:43,739
call themselves scientists not follow

1559
01:09:49,809 --> 01:09:45,179
the scientific method that's truly the

1560
01:09:54,770 --> 01:09:52,849
yeah and here we get into objects they

1561
01:09:56,950 --> 01:09:54,780
can't identify first thing is you've

1562
01:09:59,270 --> 01:09:56,960
captured a UAP on camera

1563
01:10:00,709 --> 01:09:59,280

if I remove the zoom in that they added

1564

01:10:02,090 --> 01:10:00,719

you can see how quickly it moves this

1565

01:10:03,709 --> 01:10:02,100

removes the possibility of it being in

1566

01:10:05,030 --> 01:10:03,719

the mid ground or background as if it

1567

01:10:06,110 --> 01:10:05,040

were that big due to its momentum it

1568

01:10:07,430 --> 01:10:06,120

wouldn't be able to move so quickly

1569

01:10:08,810 --> 01:10:07,440

meaning that this object must be

1570

01:10:11,930 --> 01:10:08,820

relatively small and close to the camera

1571

01:10:14,990 --> 01:10:11,940

by the way this is some of their best

1572

01:10:17,270 --> 01:10:15,000

evidence which they showed I believe to

1573

01:10:18,830 --> 01:10:17,280

Stephen Greenstreet when he visited the

1574

01:10:20,750 --> 01:10:18,840

ranch

1575

01:10:22,370 --> 01:10:20,760

and I would just submit to you that if

1576

01:10:25,130 --> 01:10:22,380

you have dumped millions of dollars into

1577

01:10:28,430 --> 01:10:25,140

paranormal Research into uh

1578

01:10:30,890 --> 01:10:28,440

into a particular location and this is

1579

01:10:32,810 --> 01:10:30,900

the best that you've gotten

1580

01:10:35,149 --> 01:10:32,820

that's a problem I wonder what this

1581

01:10:36,590 --> 01:10:35,159

could be hmm all right fireflies they

1582

01:10:37,970 --> 01:10:36,600

light up and since the camera that they

1583

01:10:39,350 --> 01:10:37,980

are using is a night vision camera which

1584

01:10:40,790 --> 01:10:39,360

generally have a longer exposure time

1585

01:10:42,229 --> 01:10:40,800

including the trolling effects the

1586

01:10:43,850 --> 01:10:42,239

camera that they are using is focused on

1587

01:10:45,350 --> 01:10:43,860

the mid background making any objects in

1588

01:10:46,790 --> 01:10:45,360

the foreground a blurry dot just like in

1589

01:10:48,350 --> 01:10:46,800

these Firefly Clips also the night

1590

01:10:49,550 --> 01:10:48,360

vision is making the footage blue which

1591

01:10:50,930 --> 01:10:49,560

is why everything in the image is blue

1592

01:10:52,610 --> 01:10:50,940

anyways I guess now we should get to the

1593

01:10:57,490 --> 01:10:52,620

meat of their evidence and talk about

1594

01:11:07,630 --> 01:11:00,290

so I have the footage that I'd like to

1595

01:11:11,390 --> 01:11:09,770

after Linda and the rest of the team

1596

01:11:14,030 --> 01:11:11,400

finished checking out the remains of the

1597

01:11:17,350 --> 01:11:14,040

dead cow they joined Brandon dragon and

1598

01:11:20,090 --> 01:11:17,360

I and nothing says nothing says credible

1599

01:11:23,630 --> 01:11:20,100

research like having a woman who has

1600

01:11:26,570 --> 01:11:23,640

been caught selling 100 percent provably

1601
01:11:29,750 --> 01:11:26,580
fake pictures of aliens as real pictures

1602
01:11:31,790 --> 01:11:29,760
of aliens a woman who has made thousands

1603
01:11:35,530 --> 01:11:31,800
and thousands of dollars defrauding the

1604
01:11:37,790 --> 01:11:35,540
public let's bring her in as an expert

1605
01:11:40,970 --> 01:11:37,800
the only thing that Linda Moulton Howe

1606
01:11:43,070 --> 01:11:40,980
is an expert in is how to sell fake

1607
01:11:45,669 --> 01:11:43,080
stories and defraud the public and make

1608
01:11:48,950 --> 01:11:45,679
tens of thousands of dollars with 100

1609
01:11:50,570 --> 01:11:48,960
provably fake stories why would you

1610
01:11:53,209 --> 01:11:50,580
bring in

1611
01:11:55,729 --> 01:11:53,219
this clown

1612
01:11:58,070 --> 01:11:55,739
right why would you bring in a clown

1613
01:12:01,130 --> 01:11:58,080

like Linda Moulton Howe oh because she's

1614

01:12:03,649 --> 01:12:01,140

famous for cattle mutilation somehow so

1615

01:12:06,290 --> 01:12:03,659

we have to sell a cattle mutilation we

1616

01:12:09,709 --> 01:12:06,300

need her to tell everybody that that

1617

01:12:13,729 --> 01:12:09,719

it's aliens right this is more proof

1618

01:12:17,090 --> 01:12:13,739

Brandon fudge that your entire raison

1619

01:12:21,350 --> 01:12:17,100

Detra here the reason for your whole

1620

01:12:24,350 --> 01:12:21,360

team being is to sell fake stories

1621

01:12:27,649 --> 01:12:24,360

because why would you bring in a person

1622

01:12:30,890 --> 01:12:27,659

who has provably sold fake stories so

1623

01:12:35,270 --> 01:12:30,900

many different times to bolster the

1624

01:12:37,430 --> 01:12:35,280

claims of your clown scientist PhD the

1625

01:12:39,169 --> 01:12:37,440

command center where Eric was eager to

1626

01:12:41,390 --> 01:12:39,179

share with us something amazing he

1627

01:12:43,970 --> 01:12:41,400

noticed in the surveillance footage the

1628

01:12:46,130 --> 01:12:43,980

surveillance cameras captured the ordeal

1629

01:12:48,350 --> 01:12:46,140

that this animal went through Tom

1630

01:12:51,410 --> 01:12:48,360

the cow is right here

1631

01:12:53,630 --> 01:12:51,420

what we'll do is go forward very slowly

1632

01:12:55,729 --> 01:12:53,640

and Watch What Happens yeah she has her

1633

01:12:57,590 --> 01:12:55,739

faith sources guiding her watch how she

1634

01:13:00,110 --> 01:12:57,600

moves it's interesting

1635

01:13:02,330 --> 01:13:00,120

and you see the cow starts to get up

1636

01:13:06,169 --> 01:13:02,340

and I'm going to do this very slowly

1637

01:13:08,630 --> 01:13:07,729

I can't help but also notice that

1638

01:13:13,090 --> 01:13:08,640

there's

1639

01:13:20,209 --> 01:13:15,950

look at that it looks like an object

1640

01:13:25,669 --> 01:13:23,450

looks like an object above the tree

1641

01:13:29,450 --> 01:13:25,679

and it happens right when the cow moves

1642

01:13:32,030 --> 01:13:29,460

raises up wow the cow just so happened

1643

01:13:35,689 --> 01:13:32,040

to stand up right when the UFO flew

1644

01:13:37,430 --> 01:13:35,699

overhead it must be aliens

1645

01:13:40,070 --> 01:13:37,440

let's go back and show them where you

1646

01:13:42,590 --> 01:13:40,080

first see it there okay so this is where

1647

01:13:44,390 --> 01:13:42,600

something else does enter the frame the

1648

01:13:47,390 --> 01:13:44,400

next frame

1649

01:13:51,709 --> 01:13:47,400

the object is here the cow is trying to

1650

01:13:57,169 --> 01:13:53,530

and that could literally be anything

1651

01:14:00,709 --> 01:13:57,179

reacted right the moment that that

1652

01:14:12,709 --> 01:14:00,719

object appeared above the cow

1653

01:14:15,410 --> 01:14:14,209

yes it's also funny when they show the

1654

01:14:17,149 --> 01:14:15,420

quote they don't show the four Clips

1655

01:14:18,890 --> 01:14:17,159

they use clever editing zoomed in and

1656

01:14:21,950 --> 01:14:18,900

only show two frames and never play the

1657

01:14:24,169 --> 01:14:21,960

whole clip zoomed out I wonder why all

1658

01:14:26,870 --> 01:14:24,179

right yes this is deceptive editing

1659

01:14:29,330 --> 01:14:26,880

which is something Mr fugel that your

1660

01:14:31,189 --> 01:14:29,340

entire team and you have done since the

1661

01:14:33,590 --> 01:14:31,199

beginning of your so-called scientific

1662

01:14:37,250 --> 01:14:33,600

explanation excuse me scientific

1663

01:14:39,410 --> 01:14:37,260

research project into this Ranch if you

1664

01:14:41,689 --> 01:14:39,420

had good material you would not need to

1665

01:14:42,530 --> 01:14:41,699

deceptively edit it to make it look

1666

01:14:44,990 --> 01:14:42,540

better

1667

01:14:48,590 --> 01:14:45,000

uh and there have been various examples

1668

01:14:52,250 --> 01:14:48,600

of them using extremely extremely

1669

01:14:54,830 --> 01:14:52,260

deceptive editing to try to push that a

1670

01:14:58,070 --> 01:14:54,840

certain event or thing was a certain way

1671

01:15:00,410 --> 01:14:58,080

or this is very incredibly deceptive and

1672

01:15:04,370 --> 01:15:00,420

it is more proof that this is the hunt

1673

01:15:07,310 --> 01:15:04,380

for Skinwalker cash not for the truth

1674

01:15:08,510 --> 01:15:07,320

about Skinwalker Ranch but rather a

1675

01:15:10,310 --> 01:15:08,520

search for

1676

01:15:12,410 --> 01:15:10,320

Skinwalker cash

1677

01:15:13,850 --> 01:15:12,420

it's obvious if they're a play in its

1678

01:15:15,169 --> 01:15:13,860

entirety it would be obvious that it's

1679

01:15:16,669 --> 01:15:15,179

actually quite close to the camera and

1680

01:15:18,590 --> 01:15:16,679

it isn't that far away object that they

1681

01:15:20,750 --> 01:15:18,600

want it to be yeah it could be a fly

1682

01:15:22,010 --> 01:15:20,760

near the camera seriously if you

1683

01:15:23,689 --> 01:15:22,020

actually had real evidence of something

1684

01:15:25,729 --> 01:15:23,699

unexplainable wouldn't you want you to

1685

01:15:27,770 --> 01:15:25,739

show the clip in its entirety seriously

1686

01:15:29,330 --> 01:15:27,780

why disguise and hide parts of Cliff if

1687

01:15:31,130 --> 01:15:29,340

it's real I don't know what you're

1688

01:15:33,530 --> 01:15:31,140

talking about lard the cow stood up

1689

01:15:35,510 --> 01:15:33,540

right when the fly flew over it I can't

1690

01:15:38,390 --> 01:15:35,520

think of any other explanation besides

1691

01:15:40,850 --> 01:15:38,400

aliens or the Indians curse did it or

1692

01:15:42,410 --> 01:15:40,860

maybe some type of cat horse human

1693

01:15:44,990 --> 01:15:42,420

hybrid

1694

01:15:47,390 --> 01:15:45,000

yeah it could be it could be or it could

1695

01:15:49,490 --> 01:15:47,400

be a fly and next to the cameras cow

1696

01:15:53,990 --> 01:15:49,500

dying and there's a strange object

1697

01:15:55,970 --> 01:15:54,000

flying at really fast speeds above it

1698

01:15:58,850 --> 01:15:55,980

okay one

1699

01:16:02,330 --> 01:15:58,860

last time

1700

01:16:05,050 --> 01:16:02,340

these are small but the ones out there

1701

01:16:09,890 --> 01:16:05,060

are far away

1702

01:16:16,149 --> 01:16:13,310

aliens or dogons

1703

01:16:21,250 --> 01:16:16,159

far away

1704

01:16:26,810 --> 01:16:24,470

this could be the start of actually an

1705

01:16:30,130 --> 01:16:26,820

eye-opening experience an experiment I

1706

01:16:34,130 --> 01:16:32,270

he's going to have an eye-opening

1707

01:16:36,050 --> 01:16:34,140

experience at first when I saw this

1708

01:16:37,130 --> 01:16:36,060

object my rational mind tried to make

1709

01:16:39,470 --> 01:16:37,140

sense of it

1710

01:16:41,750 --> 01:16:39,480

try to make it look like an airplane or

1711

01:16:44,270 --> 01:16:41,760

a bird or a bug or something but the

1712

01:16:45,830 --> 01:16:44,280

more you look at it exactly it was not

1713

01:16:49,920 --> 01:16:45,840

any of those say it's the aliens we've

1714

01:16:49,930 --> 01:16:53,350

[Music]

1715

01:16:59,530 --> 01:16:55,970

okay right see you don't think it's a

1716

01:17:02,270 --> 01:16:59,540

bird or a plane but why why why

1717

01:17:04,370 --> 01:17:02,280

explain your reasoning you can't just

1718

01:17:05,990 --> 01:17:04,380

say that it's not that after saying you

1719

01:17:08,209 --> 01:17:06,000

thought about it for some time that's

1720

01:17:15,290 --> 01:17:08,219

not evidence for it not being those

1721

01:17:19,610 --> 01:17:16,850

this is perhaps one of the most

1722

01:17:23,750 --> 01:17:19,620

well-documented events of such a

1723

01:17:25,550 --> 01:17:23,760

suspicious and sudden cattle death on a

1724

01:17:27,709 --> 01:17:25,560

ranch where activity of this nature is

1725

01:17:30,050 --> 01:17:27,719

known by the way I just want to say you

1726

01:17:32,570 --> 01:17:30,060

know I don't know what their backgrounds

1727

01:17:34,130 --> 01:17:32,580

are these people's backgrounds uh Travis

1728

01:17:36,590 --> 01:17:34,140

Taylor sounds like he could have spent

1729

01:17:39,950 --> 01:17:36,600

some time on a farm just based on his uh

1730

01:17:44,510 --> 01:17:39,960

Southern upbringing or around animals

1731

01:17:45,350 --> 01:17:44,520

but cows die on ranches or Farms all the

1732

01:17:47,570 --> 01:17:45,360

time

1733

01:17:49,310 --> 01:17:47,580

uh it doesn't mean that it's some kind

1734

01:17:50,990 --> 01:17:49,320

of paranormal event

1735

01:17:54,470 --> 01:17:51,000

and you notice how that other person

1736

01:17:56,570 --> 01:17:54,480

called that object in the in the video a

1737

01:17:59,390 --> 01:17:56,580

craft there's no

1738

01:18:02,270 --> 01:17:59,400

actual verifiable evidence that that was

1739

01:18:05,270 --> 01:18:02,280

a craft could have been a bird it could

1740

01:18:07,310 --> 01:18:05,280

have been a fly close to the camera they

1741

01:18:10,790 --> 01:18:07,320

don't have evidence of a craft do you

1742

01:18:13,790 --> 01:18:10,800

have radar tapes that show that was uh

1743

01:18:16,970 --> 01:18:13,800

for example a 20-foot wide craft in the

1744

01:18:21,110 --> 01:18:16,980

sky of course they don't so this is all

1745

01:18:26,030 --> 01:18:21,120

speculation conjecture and uh you know

1746

01:18:29,330 --> 01:18:26,040

it's like fitting the puzzle pieces to

1747

01:18:31,310 --> 01:18:29,340

um what you want the puzzle to be you

1748

01:18:33,169 --> 01:18:31,320

know uh instead of just putting the

1749

01:18:35,270 --> 01:18:33,179

puzzle together and seeing what the

1750

01:18:36,890 --> 01:18:35,280

image is they've already got an image

1751

01:18:38,810 --> 01:18:36,900

and they're trying to fit the puzzle

1752

01:18:41,810 --> 01:18:38,820

pieces to fit the image they've already

1753

01:18:46,570 --> 01:18:41,820

decided this is not science this is

1754

01:18:46,580 --> 01:18:49,850

[Music]

1755

01:18:55,430 --> 01:18:52,790

they're Mexican Armada brothers who are

1756

01:18:58,310 --> 01:18:55,440

just regular Brothers running in a van

1757

01:18:59,630 --> 01:18:58,320

from asteroid and all sorts of things

1758

01:19:01,189 --> 01:18:59,640

the movie

1759

01:19:03,169 --> 01:19:01,199

this is perhaps one of the most

1760

01:19:05,570 --> 01:19:03,179

well-documented events this is the best

1761

01:19:06,649 --> 01:19:05,580

they have a cal died in a fly flew by

1762

01:19:10,189 --> 01:19:06,659

the camera

1763

01:19:12,830 --> 01:19:10,199

of such a suspicious and sudden

1764

01:19:15,229 --> 01:19:12,840

death on a ranch where nice argument

1765

01:19:26,209 --> 01:19:15,239

senator who wanted to back at him with a

1766

01:19:30,530 --> 01:19:28,550

made it up the secret

1767

01:19:32,810 --> 01:19:30,540

how is it doing that yeah and uh by the

1768

01:19:35,630 --> 01:19:32,820

way Stephen Green Street just showed orb

1769

01:19:37,790 --> 01:19:35,640

videos from his time at Skinwalker Ranch

1770

01:19:41,030 --> 01:19:37,800

which were Reflections off the camera

1771

01:19:42,649 --> 01:19:41,040

lens and this is something that these

1772

01:19:44,750 --> 01:19:42,659

clowns that are supposed to be

1773

01:19:47,030 --> 01:19:44,760

scientists have done multiple times

1774

01:19:49,430 --> 01:19:47,040

throughout the Run of this so-called

1775

01:19:51,649 --> 01:19:49,440

scientific television show

1776

01:19:53,390 --> 01:19:51,659

we're pointing a laser toward the Mesa

1777

01:19:54,950 --> 01:19:53,400

where we've been detecting the abnormal

1778

01:19:57,830 --> 01:19:54,960

amounts of radiation

1779

01:20:00,770 --> 01:19:57,840

but now instead of seeing one laser spot

1780

01:20:02,870 --> 01:20:00,780

like we should we're seeing two

1781

01:20:06,290 --> 01:20:02,880

the actual laser spot that's coming back

1782

01:20:10,550 --> 01:20:06,300

and hitting the camera is the little one

1783

01:20:10,560 --> 01:20:14,750

[Music]

1784

01:20:19,070 --> 01:20:17,630

we need to go up there and look at it

1785

01:20:22,970 --> 01:20:19,080

they definitely need to go up there and

1786

01:20:25,250 --> 01:20:22,980

look at it yes yes all right let's get

1787

01:20:27,470 --> 01:20:25,260

out of the Cyber Matrix and do some

1788

01:20:29,330 --> 01:20:27,480

proper experiments in reality to show

1789

01:20:31,430 --> 01:20:29,340

how fundamentally deranged from said

1790

01:20:40,610 --> 01:20:31,440

reality this show is

1791

01:20:45,350 --> 01:20:42,950

so I thought just to highlight how crazy

1792

01:20:46,610 --> 01:20:45,360

this is the freckle wrongness I've

1793

01:20:48,950 --> 01:20:46,620

decided just to do a quick little

1794

01:20:51,110 --> 01:20:48,960

physical real life model that's camera a

1795

01:20:53,750 --> 01:20:51,120

it's basically parallel from this wall

1796

01:20:55,790 --> 01:20:53,760

you're about eight feet away this guy's

1797

01:20:57,890 --> 01:20:55,800

camera B he's at a little bit of an

1798

01:20:59,810 --> 01:20:57,900

angle to the wall like the footage we

1799

01:21:02,450 --> 01:20:59,820

saw was uh so I'm going to be shining my

1800

01:21:04,729 --> 01:21:02,460

laser from over where camera and this is

1801
01:21:07,610 --> 01:21:04,739
the kind of thing that when you see this

1802
01:21:10,250 --> 01:21:07,620
the layers of deception that are being

1803
01:21:12,229 --> 01:21:10,260
employed by a so-called research

1804
01:21:16,250 --> 01:21:12,239
scientist in the form of Travis Taylor

1805
01:21:20,510 --> 01:21:16,260
to sell this garbage become so apparent

1806
01:21:24,050 --> 01:21:20,520
he's a PhD level physicist and he can't

1807
01:21:25,550 --> 01:21:24,060
do these experiments and show that what

1808
01:21:28,130 --> 01:21:25,560
they're showing on the television show

1809
01:21:30,830 --> 01:21:28,140
are nothing burgers or a is and then

1810
01:21:33,590 --> 01:21:30,840
we'll see what camera B sees and we'll

1811
01:21:36,470 --> 01:21:33,600
I'll do that same pattern of the weird

1812
01:21:38,149 --> 01:21:36,480
hook thing so this would be pretty

1813
01:21:40,070 --> 01:21:38,159

accurate to how the show was filming it

1814

01:21:41,630 --> 01:21:40,080

uh and then I'll go to the other

1815

01:21:43,250 --> 01:21:41,640

examples I'll why they're completely

1816

01:21:45,950 --> 01:21:43,260

wrong about all the other things but

1817

01:21:48,110 --> 01:21:45,960

just just a quick brief thing just to

1818

01:21:50,570 --> 01:21:48,120

show how absolutely absurd this whole

1819

01:21:51,770 --> 01:21:50,580

stupid situation is I have my laser

1820

01:21:54,770 --> 01:21:51,780

right here

1821

01:21:56,830 --> 01:21:54,780

all right so let me turn off I got the

1822

01:21:59,870 --> 01:21:56,840

lights

1823

01:22:02,990 --> 01:21:59,880

all right now I'm shining it directly at

1824

01:22:07,250 --> 01:22:03,000

the wall wow a second Dot and I'll do

1825

01:22:10,070 --> 01:22:07,260

the little thing that was happening in

1826
01:22:13,669 --> 01:22:10,080
the video wait a second does that mean

1827
01:22:14,930 --> 01:22:13,679
that there are aliens in this room no as

1828
01:22:16,550 --> 01:22:14,940
you can see the second dot seems to

1829
01:22:18,229 --> 01:22:16,560
mimic the original dot rotating around

1830
01:22:20,330 --> 01:22:18,239
the middle of the screen it's axis of

1831
01:22:21,890 --> 01:22:20,340
rotation I wonder why all right this is

1832
01:22:23,630 --> 01:22:21,900
because it's an internal lens reflection

1833
01:22:25,189 --> 01:22:23,640
but simply the middle of the lens is the

1834
01:22:26,630 --> 01:22:25,199
axis of rotation because any internal

1835
01:22:27,890 --> 01:22:26,640
reflection that bounces while coming in

1836
01:22:29,750 --> 01:22:27,900
rebounds is hitting the top of the

1837
01:22:31,070 --> 01:22:29,760
concave lens making it cross axis when

1838
01:22:32,450 --> 01:22:31,080

coming down again towards the sensor

1839

01:22:34,070 --> 01:22:32,460

will make it seem as though that there

1840

01:22:35,209 --> 01:22:34,080

are two lights however closer inspection

1841

01:22:36,770 --> 01:22:35,219

will show that they are inversely

1842

01:22:38,330 --> 01:22:36,780

mimicking each other around an axis of

1843

01:22:39,950 --> 01:22:38,340

rotation the second bounce will be doing

1844

01:22:41,570 --> 01:22:39,960

the inverse of the original light path

1845

01:22:42,950 --> 01:22:41,580

and the former will be dimmered due to

1846

01:22:45,110 --> 01:22:42,960

losses and light intensity from

1847

01:22:46,850 --> 01:22:45,120

reflection as you can see in this clip

1848

01:22:48,470 --> 01:22:46,860

of a silver hemisphere Bowl I found at a

1849

01:22:50,270 --> 01:22:48,480

store my camera's reflection in the bowl

1850

01:22:51,530 --> 01:22:50,280

is parallel to my camera as it's a

1851
01:22:53,390 --> 01:22:51,540
direct reflection back to my camera

1852
01:22:55,070 --> 01:22:53,400
meaning my Reflections camera is the

1853
01:22:56,510 --> 01:22:55,080
axis of rotation and you can notice my

1854
01:22:58,550 --> 01:22:56,520
fingers reflection follows my original

1855
01:23:00,830 --> 01:22:58,560
finger inversely around that axis of

1856
01:23:04,490 --> 01:23:00,840
rotation and isn't it interesting that

1857
01:23:06,470 --> 01:23:04,500
Travis Taylor is a PhD level physicist

1858
01:23:08,510 --> 01:23:06,480
he would know

1859
01:23:12,709 --> 01:23:08,520
or he should know

1860
01:23:15,290 --> 01:23:12,719
uh that this is a reflection

1861
01:23:18,530 --> 01:23:15,300
this is not something paranormal this is

1862
01:23:22,270 --> 01:23:18,540
not something alien this is not you know

1863
01:23:26,330 --> 01:23:22,280

a skinwalker affecting the laser somehow

1864

01:23:30,050 --> 01:23:26,340

he knows being a physicist what exactly

1865

01:23:33,770 --> 01:23:30,060

what this is and instead of just

1866

01:23:37,370 --> 01:23:33,780

acknowledging what it truly is he uses

1867

01:23:40,610 --> 01:23:37,380

this as an excuse to generate fake

1868

01:23:43,010 --> 01:23:40,620

paranormal activity on the ranch so that

1869

01:23:46,010 --> 01:23:43,020

they have something to sell so that he

1870

01:23:47,980 --> 01:23:46,020

keeps getting his paychecks

1871

01:23:50,390 --> 01:23:47,990

he's a scientist

1872

01:23:58,550 --> 01:23:50,400

[Music]

1873

01:23:58,560 --> 01:24:02,110

this one's so stupid

1874

01:24:06,709 --> 01:24:04,250

the acceleration spot let's come back to

1875

01:24:07,970 --> 01:24:06,719

the camera is the little one

1876

01:24:12,430 --> 01:24:07,980

we need to go up there and look at it

1877

01:24:20,229 --> 01:24:16,070

this is literally like watching a clown

1878

01:24:23,570 --> 01:24:20,239

show Walking on Mars or something Mr PhD

1879

01:24:26,750 --> 01:24:23,580

by the way this same guy

1880

01:24:29,570 --> 01:24:26,760

Travis Taylor was the head scientist for

1881

01:24:32,330 --> 01:24:29,580

atip or awesap or something right some

1882

01:24:33,709 --> 01:24:32,340

government UFO program he's the head

1883

01:24:36,229 --> 01:24:33,719

scientist

1884

01:24:38,390 --> 01:24:36,239

boy that gives me such confidence in the

1885

01:24:41,450 --> 01:24:38,400

government's ability to determine the

1886

01:24:44,510 --> 01:24:41,460

reality of the UFO phenomenon when they

1887

01:24:47,750 --> 01:24:44,520

got a crackpot scientist idiot like this

1888

01:24:50,090 --> 01:24:47,760

guy either he is totally incompetent or

1889

01:24:53,090 --> 01:24:50,100

he is totally on the take to get those

1890

01:24:55,010 --> 01:24:53,100

Skinwalker cash paychecks those are the

1891

01:24:59,110 --> 01:24:55,020

only two possibilities total

1892

01:25:01,729 --> 01:24:59,120

incompetence and stupidity or

1893

01:25:05,030 --> 01:25:01,739

intentional deception in order to get

1894

01:25:06,790 --> 01:25:05,040

paid to study so-called paranormal

1895

01:25:10,010 --> 01:25:06,800

activity which none of this is

1896

01:25:11,930 --> 01:25:10,020

Paranormal there's all very ordinary

1897

01:25:15,590 --> 01:25:11,940

physics explanations for what we're

1898

01:25:18,709 --> 01:25:15,600

seeing here but he somehow a PhD level

1899

01:25:20,990 --> 01:25:18,719

physicist he's not catching this stuff

1900

01:25:23,750 --> 01:25:21,000

I think that he is intentionally

1901

01:25:26,330 --> 01:25:23,760

deceiving the public in order to get his

1902

01:25:28,550 --> 01:25:26,340

Skinwalker cash paychecks the skinwalker

1903

01:25:31,010 --> 01:25:28,560

Ridge Mesa have an extremely high amount

1904

01:25:32,810 --> 01:25:31,020

of some kind of crystalline material so

1905

01:25:35,030 --> 01:25:32,820

I'm wondering if there's a reflection

1906

01:25:36,890 --> 01:25:35,040

happening up on the Mesa that's causing

1907

01:25:40,810 --> 01:25:36,900

the laser beam to split into two points

1908

01:25:47,030 --> 01:25:44,510

my poor brain

1909

01:25:51,169 --> 01:25:47,040

they're these little white discs

1910

01:25:53,209 --> 01:25:51,179

everywhere I don't know what it is

1911

01:25:55,870 --> 01:25:53,219

the laser experiment was inconclusive

1912

01:26:03,350 --> 01:25:55,880

but what we did inconclusive

1913

01:26:12,050 --> 01:26:05,990

all right now again just to highlight

1914

01:26:16,970 --> 01:26:14,689

imagine I'm the cameraman the laser

1915

01:26:19,189 --> 01:26:16,980

right is taking this path what he's

1916

01:26:20,870 --> 01:26:19,199

trying to say is that maybe the surface

1917

01:26:22,790 --> 01:26:20,880

is just like shiny or something right

1918

01:26:24,649 --> 01:26:22,800

now I don't have a shiny blanket or

1919

01:26:26,030 --> 01:26:24,659

reflective blanket but I do have this

1920

01:26:27,950 --> 01:26:26,040

little mirror and just pretending like

1921

01:26:30,290 --> 01:26:27,960

that's the shiny surface should suffice

1922

01:26:33,530 --> 01:26:30,300

the problem is the only way his

1923

01:26:35,510 --> 01:26:33,540

hypothesis would work was if the canvas

1924

01:26:37,610 --> 01:26:35,520

that the mountain was made out of was

1925

01:26:39,709 --> 01:26:37,620

flat right because if you had bumps in

1926

01:26:41,629 --> 01:26:39,719

it like this and you had your laser

1927

01:26:43,610 --> 01:26:41,639

bouncing off of It kind of hard for me

1928

01:26:45,590 --> 01:26:43,620

to show but if you imagine these being

1929

01:26:47,570 --> 01:26:45,600

free no they should would have an area

1930

01:26:49,669 --> 01:26:47,580

where it would be reflective right now

1931

01:26:52,910 --> 01:26:49,679

let's say it did hit it but essentially

1932

01:26:55,070 --> 01:26:52,920

it'd be skipping over things right

1933

01:26:57,110 --> 01:26:55,080

foreign

1934

01:26:59,270 --> 01:26:57,120

but on the video footage you can

1935

01:27:01,669 --> 01:26:59,280

actually see that not only does it hit

1936

01:27:03,590 --> 01:27:01,679

everything perfectly it also goes in

1937

01:27:06,110 --> 01:27:03,600

front of where the sky should be here's

1938

01:27:08,810 --> 01:27:06,120

a crazy thing even if this was flat

1939

01:27:11,149 --> 01:27:08,820

right why would it all rotate on where

1940

01:27:13,250 --> 01:27:11,159

the center of the camera is is he really

1941

01:27:15,169 --> 01:27:13,260

wanting us to believe that every time

1942

01:27:16,490 --> 01:27:15,179

when it was doing that pattern this you

1943

01:27:17,870 --> 01:27:16,500

thing does he really want us to believe

1944

01:27:20,750 --> 01:27:17,880

that all these rocks here were

1945

01:27:23,629 --> 01:27:20,760

orientated in this like cone shape so

1946

01:27:27,590 --> 01:27:23,639

that they would reflect perfectly and uh

1947

01:27:30,050 --> 01:27:27,600

like that that that's so crazy

1948

01:27:32,510 --> 01:27:30,060

all of his appointments to falsify his

1949

01:27:34,189 --> 01:27:32,520

own observations are already easily

1950

01:27:43,490 --> 01:27:34,199

false just in your head thinking about

1951

01:27:43,500 --> 01:27:47,330

there's something to this place

1952

01:27:51,649 --> 01:27:50,090

a lot of people do that but Lord how do

1953

01:27:54,470 --> 01:27:51,659

we know that it's not there because of

1954

01:27:56,750 --> 01:27:54,480

your flat wall so we basically know for

1955

01:27:58,189 --> 01:27:56,760

sure that it's just uh internal lens

1956

01:28:00,350 --> 01:27:58,199

reflection but

1957

01:28:03,470 --> 01:28:00,360

but now I'm going to use a little

1958

01:28:06,110 --> 01:28:03,480

magnifying glass with a convex lens and

1959

01:28:09,050 --> 01:28:06,120

a little piece of glass put them

1960

01:28:10,250 --> 01:28:09,060

together like a normal lens has put it

1961

01:28:12,470 --> 01:28:10,260

in front of the camera and I'll just

1962

01:28:15,229 --> 01:28:12,480

show again how there's another bounce

1963

01:28:17,510 --> 01:28:15,239

same thing but for camera B I'm going to

1964

01:28:19,910 --> 01:28:17,520

add of course this little all right

1965

01:28:22,669 --> 01:28:19,920

student he's a science grad student and

1966

01:28:24,670 --> 01:28:22,679

he's smarter than Travis Taylor that's

1967

01:28:27,910 --> 01:28:24,680

for sure something like that

1968

01:28:34,189 --> 01:28:31,189

oh wow there's a lot of

1969

01:28:37,370 --> 01:28:34,199

a lot of bounces now look at that

1970

01:28:39,890 --> 01:28:37,380

there's so many bounces

1971

01:28:41,990 --> 01:28:39,900

I wonder why

1972

01:28:44,149 --> 01:28:42,000

you know yeah you know well we can't

1973

01:28:45,830 --> 01:28:44,159

encourage the surface must have all

1974

01:28:48,550 --> 01:28:45,840

these pebbles in it that make it bounce

1975

01:28:51,250 --> 01:28:48,560

that's why this is happening

1976

01:28:53,629 --> 01:28:51,260

all right all right

1977

01:28:57,050 --> 01:28:53,639

now that's interesting especially since

1978

01:28:58,970 --> 01:28:57,060

we've seen in the past the Mesa seeming

1979

01:29:00,530 --> 01:28:58,980

to Glow

1980

01:29:13,310 --> 01:29:00,540

and they're being beams of light coming

1981

01:29:16,910 --> 01:29:15,770

I hate this

1982

01:29:19,250 --> 01:29:16,920

right

1983

01:29:21,470 --> 01:29:19,260

can't see anything looking out of here

1984

01:29:22,729 --> 01:29:21,480

you can only see them with the infrared

1985

01:29:24,850 --> 01:29:22,739

camera

1986

01:29:27,110 --> 01:29:24,860

creative Skinwalker Ranch

1987

01:29:29,149 --> 01:29:27,120

that's on

1988

01:29:32,990 --> 01:29:29,159

let's try this

1989

01:29:34,970 --> 01:29:33,000

I agree Patrick this tastes good

1990

01:29:38,870 --> 01:29:34,980

in fact a lot of good that PhD doesn't

1991

01:29:45,950 --> 01:29:42,229

I asked for its permission to be here

1992

01:29:47,390 --> 01:29:45,960

I asked if I could give a blessing to

1993

01:29:51,110 --> 01:29:47,400

the land

1994

01:29:53,209 --> 01:29:51,120

made

1995

01:29:56,689 --> 01:29:53,219

and it's the role of a rabbi of course

1996

01:29:59,090 --> 01:29:56,699

to be a conduit of the blessings of God

1997

01:30:01,310 --> 01:29:59,100

oh

1998

01:30:03,169 --> 01:30:01,320

Israel

1999

01:30:05,030 --> 01:30:03,179

wow he's doing the

2000

01:30:10,050 --> 01:30:05,040

I happen to notice that there's some

2001

01:30:10,060 --> 01:30:14,629

[Music]

2002

01:30:18,950 --> 01:30:17,030

Eric come here a minute

2003

01:30:20,270 --> 01:30:18,960

you seeing something

2004

01:30:23,149 --> 01:30:20,280

look at the difference in the FLIR

2005

01:30:25,490 --> 01:30:23,159

imagery now it's completely changed I've

2006

01:30:26,870 --> 01:30:25,500

not seen this do this before it

2007

01:30:28,729 --> 01:30:26,880

shouldn't have changed that drastically

2008

01:30:31,010 --> 01:30:28,739

all of a sudden the clear imagery

2009

01:30:32,709 --> 01:30:31,020

completely changed it's like the canopy

2010

01:30:34,790 --> 01:30:32,719

is oh that's interesting

2011

01:30:36,350 --> 01:30:34,800

and then everything underneath it where

2012

01:30:37,370 --> 01:30:36,360

the house is look it's just completely

2013

01:30:41,169 --> 01:30:37,380

cold

2014

01:30:44,270 --> 01:30:41,179

yeah it's like in temperature layers now

2015

01:30:45,709 --> 01:30:44,280

wait are you serious oh man I hate to be

2016

01:30:46,850 --> 01:30:45,719

so rude for laughing but I learned about

2017

01:30:48,410 --> 01:30:46,860

this when I was in the fourth grade

2018

01:30:51,910 --> 01:30:48,420

although I had a great teacher so I

2019

01:30:54,350 --> 01:30:51,920

guess it's now my turn to Enlightenment

2020

01:30:57,169 --> 01:30:54,360

phenomenon in the fourth grade and

2021

01:31:00,110 --> 01:30:57,179

Travis Taylor is a PhD level physicist

2022

01:31:02,209 --> 01:31:00,120

and he can't figure it out great

2023

01:31:03,709 --> 01:31:02,219

Mr Beau did to me back not even a decade

2024

01:31:05,149 --> 01:31:03,719

ago okay so first air is made out of

2025

01:31:06,649 --> 01:31:05,159

particulate matter this particulate

2026

01:31:08,270 --> 01:31:06,659

matter varies and it's density based on

2027

01:31:10,070 --> 01:31:08,280

how quick its atoms are vibrating the

2028

01:31:11,450 --> 01:31:10,080

faster a collection the vibrating M's

2029

01:31:12,830 --> 01:31:11,460

are the hotter it would be and

2030

01:31:14,090 --> 01:31:12,840

conversely the less density it would

2031

01:31:15,470 --> 01:31:14,100

have as all the atoms will be bumping

2032

01:31:17,290 --> 01:31:15,480

into each other expanding until it meets

2033

01:31:19,550 --> 01:31:17,300

an equilibrium to the outside pressure

2034

01:31:20,870 --> 01:31:19,560

it would naturally rise right the

2035

01:31:22,070 --> 01:31:20,880

outside density being higher like a

2036

01:31:23,209 --> 01:31:22,080

balloon underwater returning to the

2037

01:31:24,470 --> 01:31:23,219

surface because of how heavy the water

2038

01:31:25,970 --> 01:31:24,480

is relative to the balloons this is

2039

01:31:29,030 --> 01:31:25,980

referred to as buoyancy and it's also

2040

01:31:31,010 --> 01:31:29,040

the reason why yeah

2041

01:31:32,570 --> 01:31:31,020

expanding making the craft rise till it

2042

01:31:33,830 --> 01:31:32,580

can match its outside pressure what we

2043

01:31:35,330 --> 01:31:33,840

are seeing here is just a small building

2044

01:31:36,830 --> 01:31:35,340

that has tree shading it from the Sun

2045

01:31:38,330 --> 01:31:36,840

and from drafts of warm air which is

2046

01:31:40,490 --> 01:31:38,340

keeping the air stagnant and continually

2047

01:31:43,129 --> 01:31:40,500

cold the temperature around the

2048

01:31:44,870 --> 01:31:43,139

homestead itself began to drop it began

2049

01:31:46,870 --> 01:31:44,880

to plummet

2050

01:31:50,030 --> 01:31:46,880

because these entities are always

2051
01:31:52,790 --> 01:31:50,040
described as being very cold so what

2052
01:31:55,430 --> 01:31:52,800
that means is suddenly the Treetops are

2053
01:31:57,770 --> 01:31:55,440
super warm and everything underneath it

2054
01:31:59,810 --> 01:31:57,780
got super cool yes it's kosher now guys

2055
01:32:02,030 --> 01:31:59,820
look now look right here you can see how

2056
01:32:03,229 --> 01:32:02,040
the heat is coming down this tree and

2057
01:32:06,110 --> 01:32:03,239
it's heating up around this area and

2058
01:32:08,390 --> 01:32:06,120
it's creating this cold vortex in the

2059
01:32:12,910 --> 01:32:08,400
middle suddenly

2060
01:32:17,149 --> 01:32:15,770
that's heating up in the middle of it

2061
01:32:20,090 --> 01:32:17,159
suddenly

2062
01:32:23,149 --> 01:32:20,100
the temperature over the homestead area

2063
01:32:25,430 --> 01:32:23,159

turns extremely hot and then it starts

2064

01:32:26,629 --> 01:32:25,440

to fall and it wraps around the

2065

01:32:28,790 --> 01:32:26,639

homestead

2066

01:32:30,770 --> 01:32:28,800

what happened for this drastic change

2067

01:32:32,510 --> 01:32:30,780

the thermal camera is really sensitive

2068

01:32:34,129 --> 01:32:32,520

it's simply a gust of wind hit the house

2069

01:32:35,629 --> 01:32:34,139

slightly displacing the colder air to

2070

01:32:37,070 --> 01:32:35,639

the outside currents of air moving over

2071

01:32:38,629 --> 01:32:37,080

objects and transfer the vibrational

2072

01:32:39,890 --> 01:32:38,639

energy making the objects cold or hot

2073

01:32:41,209 --> 01:32:39,900

check out this demonstration with the

2074

01:32:42,590 --> 01:32:41,219

old fire Fang thermal camera and a fan

2075

01:32:43,790 --> 01:32:42,600

I'm able to demonstrate something that

2076
01:32:47,209 --> 01:32:43,800
should be apparently obvious if you've

2077
01:32:48,380 --> 01:32:47,219
ever been outside going up to 85. all

2078
01:32:52,850 --> 01:32:48,390
right hit the fan

2079
01:32:57,649 --> 01:32:56,270
drop down to 81. 79 however here's a

2080
01:32:58,850 --> 01:32:57,659
much better example from thunderfoot has

2081
01:33:00,290 --> 01:32:58,860
a much better thermal camera the heat

2082
01:33:01,610 --> 01:33:00,300
from the lungs warms the air on exhale

2083
01:33:04,129 --> 01:33:01,620
and the cold air rushing pass is

2084
01:33:05,510 --> 01:33:04,139
filtering right now this is known as

2085
01:33:07,070 --> 01:33:05,520
convection and in fact they actually

2086
01:33:09,470 --> 01:33:07,080
ironically prove this without even

2087
01:33:11,330 --> 01:33:09,480
realizing it alleged portals had been

2088
01:33:13,910 --> 01:33:11,340

seen and now we're seeing an anomaly

2089

01:33:15,850 --> 01:33:13,920

through our FLIR camera what quarter a

2090

01:33:18,290 --> 01:33:15,860

rabbi does a ceremony

2091

01:33:22,250 --> 01:33:18,300

there's nothing going to keep me from

2092

01:33:24,290 --> 01:33:22,260

going down there to see what's going on

2093

01:33:27,169 --> 01:33:24,300

I agree they don't know basic physics

2094

01:33:28,669 --> 01:33:27,179

and he's supposed to be a physicist feel

2095

01:33:30,830 --> 01:33:28,679

the difference how does he not know

2096

01:33:32,570 --> 01:33:30,840

basic physics like this it's freezing

2097

01:33:35,149 --> 01:33:32,580

right here it is freezing absolutely

2098

01:33:38,990 --> 01:33:35,159

cold right here oh my goodness okay you

2099

01:33:41,390 --> 01:33:39,000

are right in the center of that region

2100

01:33:48,430 --> 01:33:41,400

it is freezing cold right here in front

2101
01:33:59,830 --> 01:33:52,129
I'm a scientist I'm Travis Taylor I'm a

2102
01:34:05,229 --> 01:34:01,270
thank you

2103
01:34:09,110 --> 01:34:07,250
I've stumbled onto a major company

2104
01:34:11,390 --> 01:34:09,120
conspiracy Mac how about that for stress

2105
01:34:12,950 --> 01:34:11,400
what the hell are you talking about this

2106
01:34:14,510 --> 01:34:12,960
company is being bled like a stuffed pig

2107
01:34:17,530 --> 01:34:14,520
back and I got a paper trail to prove it

2108
01:34:19,910 --> 01:34:17,540
check this out oh no take a look at this

2109
01:34:21,350 --> 01:34:19,920
Jesus Christ that right there is the

2110
01:34:22,790 --> 01:34:21,360
mail now let's talk about the mail can

2111
01:34:28,310 --> 01:34:22,800
we talk about the mail please mark I'm

2112
01:34:31,370 --> 01:34:29,629
have things sent back to me Pepe Sylvia

2113
01:34:33,350 --> 01:34:31,380

Pepe Sylvia look in the mail was this

2114

01:34:34,970 --> 01:34:33,360

whole box is 10 May Sylvia so I say to

2115

01:34:36,410 --> 01:34:34,980

myself I gotta find this guy I gotta go

2116

01:34:37,790 --> 01:34:36,420

up to his office I gotta put his mail in

2117

01:34:38,689 --> 01:34:37,800

the guy's goddamn hands otherwise he's

2118

01:34:40,129 --> 01:34:38,699

never gonna get him he's gonna keep

2119

01:34:41,390 --> 01:34:40,139

coming back down here so I go up to

2120

01:34:43,490 --> 01:34:41,400

Kevin's office and what do I find out

2121

01:34:45,770 --> 01:34:43,500

man what do I find out

2122

01:34:48,169 --> 01:34:45,780

I didn't use no Pepe Sylvia the man does

2123

01:34:49,490 --> 01:34:48,179

not exist okay so I decided oh [h__\h]

2124

01:34:50,810 --> 01:34:49,500

buddy I gotta dig a Little Deeper

2125

01:34:52,370 --> 01:34:50,820

there's no Pepe tell me you got to be

2126
01:34:53,750 --> 01:34:52,380
kidding me I got

2127
01:34:56,450 --> 01:34:53,760
all right

2128
01:34:59,209 --> 01:34:56,460
much in my way well into Carol and HR

2129
01:35:00,770 --> 01:34:59,219
and I knock on her door and I say Carol

2130
01:35:02,750 --> 01:35:00,780
Carol

2131
01:35:04,490 --> 01:35:02,760
[Music]

2132
01:35:08,090 --> 01:35:04,500
in the door I find there's not a single

2133
01:35:10,430 --> 01:35:08,100
goddamn desk in that office there is no

2134
01:35:12,890 --> 01:35:10,440
Carol in HR

2135
01:35:14,750 --> 01:35:12,900
Mac half the employees in this building

2136
01:35:16,970 --> 01:35:14,760
have been made up this office is a

2137
01:35:18,709 --> 01:35:16,980
goddamn ghost towns

2138
01:35:19,970 --> 01:35:18,719

okay Charlie I'm gonna have to stop you

2139

01:35:22,310 --> 01:35:19,980

right there

2140

01:35:24,169 --> 01:35:22,320

not only do all of these people exist

2141

01:35:25,850 --> 01:35:24,179

but they've been asking for their mail

2142

01:35:27,169 --> 01:35:25,860

on a daily basis it's all they're

2143

01:35:29,330 --> 01:35:27,179

talking about up there Jesus Christ

2144

01:35:30,709 --> 01:35:29,340

dudes all of this was for nothing God

2145

01:35:32,750 --> 01:35:30,719

damn it dude I'm having a panic attack

2146

01:35:34,250 --> 01:35:32,760

I'm actually having a problem down and

2147

01:35:36,410 --> 01:35:34,260

have another cup of coffee

2148

01:35:37,550 --> 01:35:36,420

I am bro all right well fine you know

2149

01:35:38,930 --> 01:35:37,560

what Barney give this guy a cigarette

2150

01:35:40,490 --> 01:35:38,940

he's freaking out

2151
01:35:42,350 --> 01:35:40,500
huh who

2152
01:35:44,450 --> 01:35:42,360
fine he's the guy who took me off the

2153
01:35:45,649 --> 01:35:44,460
Pepe Silvia Barney who the hell is

2154
01:35:47,149 --> 01:35:45,659
Barney yeah

2155
01:35:48,350 --> 01:35:47,159
you don't know oh [\h__\h] what the hell did

2156
01:35:50,870 --> 01:35:48,360
he

2157
01:35:54,850 --> 01:35:50,880
oh you've lost your mind you've lost

2158
01:36:00,649 --> 01:35:57,310
Ancient Aliens

2159
01:36:02,629 --> 01:36:00,659
Walker Ranch and he joins us here's the

2160
01:36:04,729 --> 01:36:02,639
head himself members and they say we've

2161
01:36:07,930 --> 01:36:04,739
got hundreds and hundreds of cameras on

2162
01:36:10,850 --> 01:36:07,940
the skies 24 hours a day

2163
01:36:13,610 --> 01:36:10,860

why is it that we should believe people

2164

01:36:17,689 --> 01:36:13,620

who see things in the wilderness yeah

2165

01:36:20,510 --> 01:36:17,699

good question as seen on our show we we

2166

01:36:22,610 --> 01:36:20,520

have truly documented unidentified

2167

01:36:25,370 --> 01:36:22,620

aerial phenomena and other strange

2168

01:36:27,530 --> 01:36:25,380

activity with with high frequency at

2169

01:36:30,470 --> 01:36:27,540

this particular location we're using

2170

01:36:32,030 --> 01:36:30,480

Science and Technology well we've seen

2171

01:36:33,709 --> 01:36:32,040

the level of science that they're using

2172

01:36:36,830 --> 01:36:33,719

they're using a physicist that is

2173

01:36:39,669 --> 01:36:36,840

willing to fudge the data that is

2174

01:36:42,950 --> 01:36:39,679

willing to stand there and issue 100

2175

01:36:44,390 --> 01:36:42,960

provably false scientific statements in

2176

01:36:48,709 --> 01:36:44,400

order to sell

2177

01:36:50,629 --> 01:36:48,719

fake Paranormal Activity right and we

2178

01:36:54,229 --> 01:36:50,639

have seen a physicist that is apparently

2179

01:36:56,870 --> 01:36:54,239

either so incompetent so stupid or so

2180

01:36:58,910 --> 01:36:56,880

intentionally deceptive that he makes

2181

01:37:01,370 --> 01:36:58,920

false statements that are

2182

01:37:04,189 --> 01:37:01,380

nothing more than pseudoscience or his

2183

01:37:08,209 --> 01:37:04,199

opinion not based on science many many

2184

01:37:10,790 --> 01:37:08,219

many times to not only document it but

2185

01:37:13,310 --> 01:37:10,800

also figure out really what is happening

2186

01:37:14,810 --> 01:37:13,320

who who's to say it's really aliens or

2187

01:37:17,090 --> 01:37:14,820

beings from other worlds it could be

2188

01:37:19,070 --> 01:37:17,100

other dimensions it could be Time

2189

01:37:20,270 --> 01:37:19,080

Travelers who knows all that we know

2190

01:37:22,970 --> 01:37:20,280

they could have something to do with

2191

01:37:24,709 --> 01:37:22,980

Brandon fugel's magic underwear and I

2192

01:37:26,510 --> 01:37:24,719

don't think it's a coincidence that all

2193

01:37:28,729 --> 01:37:26,520

the people at the ranch with I think the

2194

01:37:31,790 --> 01:37:28,739

possible exception of Travis Taylor are

2195

01:37:33,229 --> 01:37:31,800

all Mormons that there's continued

2196

01:37:34,970 --> 01:37:33,239

strange acts they've all got that magic

2197

01:37:38,510 --> 01:37:34,980

underwear it's being documented better

2198

01:37:40,250 --> 01:37:38,520

than ever well get ready it's it's going

2199

01:37:42,950 --> 01:37:40,260

to be jaw-dropping you're going to see

2200

01:37:45,709 --> 01:37:42,960

some of the best evidence ever presented

2201

01:37:49,129 --> 01:37:45,719

uh in the path domain relative to the

2202

01:37:52,430 --> 01:37:49,139

reality of a lot of this relative to the

2203

01:37:54,530 --> 01:37:52,440

reality yes activity and the claims

2204

01:37:55,970 --> 01:37:54,540

this is great stuff I could make a

2205

01:37:57,169 --> 01:37:55,980

career out of this guy you see how

2206

01:37:59,330 --> 01:37:57,179

clever this part is how it doesn't

2207

01:38:02,330 --> 01:37:59,340

require Shredder proof in most paranoid

2208

01:38:04,610 --> 01:38:02,340

Illusions are intricate but this

2209

01:38:05,930 --> 01:38:04,620

Brandon field going paranoid delusions

2210

01:38:07,729 --> 01:38:05,940

yes

2211

01:38:09,770 --> 01:38:07,739

how could the History Channel air this

2212

01:38:11,390 --> 01:38:09,780

nonsense television channels like the

2213

01:38:13,729 --> 01:38:11,400

History Channel are just like any other

2214

01:38:15,770 --> 01:38:13,739

modern company very corporatized and

2215

01:38:18,169 --> 01:38:15,780

corporatization in relatively liquid

2216

01:38:20,390 --> 01:38:18,179

markets such as the TV industry breeds a

2217

01:38:22,070 --> 01:38:20,400

correlation to wanting to min max net

2218

01:38:24,410 --> 01:38:22,080

profits meaning they care more about

2219

01:38:25,610 --> 01:38:24,420

profit than well about the content of

2220

01:38:27,830 --> 01:38:25,620

the channel they're going to put a hotel

2221

01:38:31,129 --> 01:38:27,840

there ice Road trackers swap people

2222

01:38:34,669 --> 01:38:31,139

sliced Ancient Aliens the list goes on

2223

01:38:37,189 --> 01:38:34,679

like seriously a reality TV show about

2224

01:38:39,050 --> 01:38:37,199

modern truckers have anything to do with

2225

01:38:41,570 --> 01:38:39,060

history it's obvious the History Channel

2226

01:38:43,250 --> 01:38:41,580

cares more about viewership has sadly

2227

01:38:45,050 --> 01:38:43,260

real science is boring and when you give

2228

01:38:46,550 --> 01:38:45,060

these crazy answers you incite fear into

2229

01:38:47,870 --> 01:38:46,560

people and keep them coming back with

2230

01:38:49,550 --> 01:38:47,880

the false pretense that the show is

2231

01:38:51,350 --> 01:38:49,560

really scientific even though their

2232

01:38:53,750 --> 01:38:51,360

Optical scientist doesn't understand a

2233

01:38:55,610 --> 01:38:53,760

basic Optical phenomenon and uses appeal

2234

01:38:57,530 --> 01:38:55,620

to ignorance fallacies as well as the

2235

01:38:59,990 --> 01:38:57,540

god of the gapsological fallacy argument

2236

01:39:04,310 --> 01:39:00,000

alien of the gaps argument oh right

2237

01:39:05,870 --> 01:39:04,320

thank you of course and using science to

2238

01:39:08,330 --> 01:39:05,880

promote metaphysical explanations is

2239

01:39:10,070 --> 01:39:08,340

isn't even a New Concept all of the

2240

01:39:11,870 --> 01:39:10,080

hundreds of ghost hunting and paranormal

2241

01:39:15,290 --> 01:39:11,880

Travis Taylor is the only one that's not

2242

01:39:17,629 --> 01:39:15,300

a Mormon at best inadequately or at the

2243

01:39:18,950 --> 01:39:17,639

worst deliberately misleading to try and

2244

01:39:20,570 --> 01:39:18,960

make the argument that we have proof

2245

01:39:22,850 --> 01:39:20,580

even though by definition something that

2246

01:39:24,649 --> 01:39:22,860

is metaphysical or Supernatural defies a

2247

01:39:25,970 --> 01:39:24,659

natural law meaning it defies the laws

2248

01:39:28,790 --> 01:39:25,980

of physics literally meaning it's

2249

01:39:30,590 --> 01:39:28,800

physically impossible indeed furthermore

2250

01:39:32,810 --> 01:39:30,600

this is not a scientific desire to learn

2251

01:39:35,030 --> 01:39:32,820

more about reality this is just wanting

2252

01:39:37,870 --> 01:39:35,040

an easy explanation such as aliens did

2253

01:39:43,010 --> 01:39:40,310

but it could be a transmitter at all

2254

01:39:44,990 --> 01:39:43,020

it's just something we can't explain as

2255

01:39:46,430 --> 01:39:45,000

I can but they can't so it's really just

2256

01:39:47,990 --> 01:39:46,440

a group of people trying their best to

2257

01:39:51,590 --> 01:39:48,000

find things they can't explain then say

2258

01:39:53,510 --> 01:39:51,600

Oh yes God did it or sorry aliens or

2259

01:39:55,189 --> 01:39:53,520

something else this is really no

2260

01:39:57,229 --> 01:39:55,199

different than the initial proposals of

2261

01:39:58,970 --> 01:39:57,239

the formation of the rainbow that was a

2262

01:40:00,590 --> 01:39:58,980

bridge between Earth and Asgard a

2263

01:40:02,149 --> 01:40:00,600

rainbow serpent who would suck up the

2264

01:40:04,010 --> 01:40:02,159

water in the dry season to spit it out

2265

01:40:06,050 --> 01:40:04,020

in the wet season it's a bow that would

2266

01:40:08,209 --> 01:40:06,060

shoot lightning or isn't a popular myth

2267

01:40:10,010 --> 01:40:08,219

book promised by a powerful God never to

2268

01:40:11,689 --> 01:40:10,020

destroy a world again by flood however

2269

01:40:13,370 --> 01:40:11,699

while all these models account for the

2270

01:40:15,169 --> 01:40:13,380

existence of the rainbow they have zero

2271

01:40:17,149 --> 01:40:15,179

predictive capability they are core

2272

01:40:18,770 --> 01:40:17,159

models meanwhile the application of

2273

01:40:20,629 --> 01:40:18,780

science delivered by many critical and

2274

01:40:22,070 --> 01:40:20,639

inquiring minds gathered and scrutinized

2275

01:40:23,870 --> 01:40:22,080

the crushing body of physical evidence

2276

01:40:25,850 --> 01:40:23,880

and tempered by reason logic they

2277

01:40:27,830 --> 01:40:25,860

converged on the now robustly tested

2278

01:40:30,169 --> 01:40:27,840

model that Rainbows are formed by light

2279

01:40:32,149 --> 01:40:30,179

refracted by water saying aliens did it

2280

01:40:34,129 --> 01:40:32,159

or God Etc that's not an actual

2281

01:40:35,990 --> 01:40:34,139

explanation it's at the very best of

2282

01:40:37,669 --> 01:40:36,000

placeholder for one and whatever other

2283

01:40:39,290 --> 01:40:37,679

faulty lines of reasoning the crappy

2284

01:40:41,030 --> 01:40:39,300

shows are proposing to get their clicks

2285

01:40:42,649 --> 01:40:41,040

and Views up especially if the shows are

2286

01:40:43,970 --> 01:40:42,659

dangling keys in your face telling you

2287

01:40:46,370 --> 01:40:43,980

that this show is showing you the truth

2288

01:40:48,470 --> 01:40:46,380

that no one else will

2289

01:40:50,270 --> 01:40:48,480

yeah I agree

2290

01:40:53,830 --> 01:40:50,280

showing us the truth while you're

2291

01:40:59,590 --> 01:40:57,350

to have Global confirmations

2292

01:41:04,189 --> 01:40:59,600

a lot of disturbing things will occur

2293

01:41:07,510 --> 01:41:06,169

have there been experiences there that

2294

01:41:10,910 --> 01:41:07,520

have shaken

2295

01:41:13,090 --> 01:41:10,920

in other agencies absolutely nobody

2296

01:41:16,850 --> 01:41:13,100

knows

2297

01:41:19,129 --> 01:41:16,860

this is 30 or 40 hours of material that

2298

01:41:21,010 --> 01:41:19,139

the public has never seen before

2299

01:41:24,129 --> 01:41:21,020

foreign

2300

01:41:26,510 --> 01:41:24,139

right after I purchased the ranch

2301
01:41:28,189 --> 01:41:26,520
now just in case some people watching

2302
01:41:29,570 --> 01:41:28,199
this are too dim to get it or at least

2303
01:41:32,149 --> 01:41:29,580
feign stupidity for the purpose of

2304
01:41:34,189 --> 01:41:32,159
sophistry the keys are metaphorical for

2305
01:41:36,590 --> 01:41:34,199
how inadequately it totes for the veil

2306
01:41:38,450 --> 01:41:36,600
of scientific adequacy yeah it's a great

2307
01:41:39,649 --> 01:41:38,460
tactic for audience retention because on

2308
01:41:41,390 --> 01:41:39,659
a large scale in a hypothetical

2309
01:41:43,189 --> 01:41:41,400
population Dynamic setting if you had

2310
01:41:45,290 --> 01:41:43,199
two shows broadcasted to similar numbers

2311
01:41:46,970 --> 01:41:45,300
of people the show was some sort of a

2312
01:41:49,070 --> 01:41:46,980
secret Insight that it's claiming it's

2313
01:41:51,109 --> 01:41:49,080

the true red pill and everyone else's

2314

01:41:52,850 --> 01:41:51,119

sheep or like a blue pillar it's no

2315

01:41:54,470 --> 01:41:52,860

wonder why intellectually evacuous shows

2316

01:41:56,570 --> 01:41:54,480

like these tend to prosper in our media

2317

01:41:59,149 --> 01:41:56,580

it seems to sadly also work really well

2318

01:42:01,270 --> 01:41:59,159

wait what's what's that what's going on

2319

01:42:03,229 --> 01:42:01,280

what's that noise

2320

01:42:04,970 --> 01:42:03,239

[Music]

2321

01:42:07,970 --> 01:42:04,980

don't waste your breath watch me

2322

01:42:07,980 --> 01:42:12,890

is

2323

01:42:12,900 --> 01:42:19,810

different reasons

2324

01:42:25,250 --> 01:42:23,030

oh yeah baby that's what I've been

2325

01:42:27,229 --> 01:42:25,260

waiting for that's what it's all about

2326

01:42:28,970 --> 01:42:27,239

as if we even existed in the universe

2327

01:42:30,770 --> 01:42:28,980

where Optical Reflections weren't the

2328

01:42:32,390 --> 01:42:30,780

answer and if we had no clue why the

2329

01:42:34,910 --> 01:42:32,400

light was circling around it like that

2330

01:42:36,770 --> 01:42:34,920

asserting aliens did it is just as valid

2331

01:42:38,270 --> 01:42:36,780

as saying that God did it or the Flying

2332

01:42:41,270 --> 01:42:38,280

Spaghetti Monster it's the question

2333

01:42:42,830 --> 01:42:41,280

begging logical fallacy for example the

2334

01:42:44,870 --> 01:42:42,840

statement green is the best color

2335

01:42:47,149 --> 01:42:44,880

because it is the greenest of all colors

2336

01:42:49,070 --> 01:42:47,159

claims that the color green is the best

2337

01:42:51,410 --> 01:42:49,080

because it is the greenest which it

2338

01:42:53,689 --> 01:42:51,420

presupposes is the best it's the same

2339

01:42:56,450 --> 01:42:53,699

thing when a stupid homo economicus type

2340

01:42:58,430 --> 01:42:56,460

Ponders what is the meaning of life it's

2341

01:43:01,010 --> 01:42:58,440

stupid because it presupposes that life

2342

01:43:02,870 --> 01:43:01,020

even has a meaning many hominids still

2343

01:43:04,370 --> 01:43:02,880

don't understand the basic concept of

2344

01:43:06,229 --> 01:43:04,380

how their own thoughts are organized by

2345

01:43:08,629 --> 01:43:06,239

their pattern-finding brains which is

2346

01:43:11,689 --> 01:43:08,639

how featherless bipeds find their minds

2347

01:43:13,850 --> 01:43:11,699

to be stable post-op dogs when it comes

2348

01:43:15,530 --> 01:43:13,860

to pondingly in Exquisite detail

2349

01:43:17,990 --> 01:43:15,540

completely disregarding their obvious

2350

01:43:19,310 --> 01:43:18,000

question begging logical fallacies as no

2351

01:43:21,109 --> 01:43:19,320

matter which angle we choose to approach

2352

01:43:23,030 --> 01:43:21,119

this from there's a Bible explanations

2353

01:43:24,830 --> 01:43:23,040

for this regardless there's an even more

2354

01:43:26,990 --> 01:43:24,840

important Point here which is if none of

2355

01:43:28,370 --> 01:43:27,000

these ideas ever been considered if none

2356

01:43:30,709 --> 01:43:28,380

of the calculations had ever been done

2357

01:43:32,209 --> 01:43:30,719

if humans had no explanation no idea how

2358

01:43:33,649 --> 01:43:32,219

this happened would that mean that there

2359

01:43:36,890 --> 01:43:33,659

is no explanation

2360

01:43:38,629 --> 01:43:36,900

well no of course not us lacking an

2361

01:43:40,010 --> 01:43:38,639

explanation for a phenomenon does not

2362

01:43:41,750 --> 01:43:40,020

mean that the phenomenon can't be

2363

01:43:44,209 --> 01:43:41,760

explained it just means we haven't

2364

01:43:45,590 --> 01:43:44,219

explained it yet if all other data we

2365

01:43:47,510 --> 01:43:45,600

know about the universe points to

2366

01:43:49,490 --> 01:43:47,520

Optical refractions and moreover that

2367

01:43:50,750 --> 01:43:49,500

the universe is governed by natural laws

2368

01:43:53,450 --> 01:43:50,760

but we happen to have a couple

2369

01:43:55,790 --> 01:43:53,460

outstanding questions like but why is

2370

01:43:56,990 --> 01:43:55,800

there a second God hey that was large

2371

01:43:59,510 --> 01:43:57,000

line

2372

01:44:01,550 --> 01:43:59,520

look just please refrain from

2373

01:44:03,169 --> 01:44:01,560

interjecting conceptionist anyway

2374

01:44:04,550 --> 01:44:03,179

continue on what you said we wouldn't

2375

01:44:06,229 --> 01:44:04,560

just throw up our hands and assume it

2376

01:44:08,149 --> 01:44:06,239

must be from Aliens or some other

2377

01:44:10,189 --> 01:44:08,159

equally redundant vestigial appendage

2378

01:44:12,109 --> 01:44:10,199

explain it for a concept that's not a

2379

01:44:14,750 --> 01:44:12,119

way to learn about the world it's a way

2380

01:44:17,090 --> 01:44:14,760

to avoid learning about the world as any

2381

01:44:19,370 --> 01:44:17,100

unexplained thing can explain any other

2382

01:44:20,689 --> 01:44:19,380

unexplained thing as someone who truly

2383

01:44:22,310 --> 01:44:20,699

wants to learn would see all the

2384

01:44:23,629 --> 01:44:22,320

evidence points towards the naturalistic

2385

01:44:24,709 --> 01:44:23,639

universe and therefore instead of

2386

01:44:26,209 --> 01:44:24,719

begging the question of what

2387

01:44:27,950 --> 01:44:26,219

Supernatural thing caused this to happen

2388

01:44:29,450 --> 01:44:27,960

they would Instead try to figure out if

2389

01:44:30,890 --> 01:44:29,460

there are any parallels the data already

2390

01:44:31,970 --> 01:44:30,900

observed I would try to use past

2391

01:44:33,590 --> 01:44:31,980

knowledge to build a better

2392

01:44:35,270 --> 01:44:33,600

understanding of our world instead of

2393

01:44:37,850 --> 01:44:35,280

the presupposition garbage that these

2394

01:44:39,410 --> 01:44:37,860

lines of malformed Reason lead to man

2395

01:44:42,770 --> 01:44:39,420

these homo entericans are so

2396

01:44:45,290 --> 01:44:42,780

intellectually lazy are so stupid I

2397

01:44:47,810 --> 01:44:45,300

can't bear this anymore Lord hey they

2398

01:44:50,570 --> 01:44:47,820

are stupid I would beg to differ as when

2399

01:44:52,430 --> 01:44:50,580

I say stupid what I mean is it's never

2400

01:44:54,649 --> 01:44:52,440

what you think that proves you're stupid

2401

01:44:56,149 --> 01:44:54,659

it's why you think it and being a

2402

01:44:57,649 --> 01:44:56,159

complete fool with your equipment is not

2403

01:44:58,850 --> 01:44:57,659

the sort of why that we lead me to think

2404

01:45:00,229 --> 01:44:58,860

that you're smart but here's something

2405

01:45:02,990 --> 01:45:00,239

very important for you to understand

2406

01:45:04,669 --> 01:45:03,000

about my opinion here stupidity is not a

2407

01:45:06,410 --> 01:45:04,679

permanent Condition it's a way of

2408

01:45:08,390 --> 01:45:06,420

thinking that you've learned or at least

2409

01:45:10,010 --> 01:45:08,400

not learned to avoid so when I call

2410

01:45:11,750 --> 01:45:10,020

someone stupid it means they're

2411

01:45:14,090 --> 01:45:11,760

exhibiting certain kinds of failures of

2412

01:45:16,070 --> 01:45:14,100

thought what I think he's calling Travis

2413

01:45:19,030 --> 01:45:16,080

Taylor stupid here but I could be wrong

2414

01:45:22,070 --> 01:45:19,040

but uh I think that's a valid criticism

2415

01:45:24,950 --> 01:45:22,080

based on the fact that this guy is a

2416

01:45:28,550 --> 01:45:24,960

grad student in science and he knows

2417

01:45:31,910 --> 01:45:28,560

physics better than a PhD level Optical

2418

01:45:34,189 --> 01:45:31,920

physicist an optical physicist that

2419

01:45:36,590 --> 01:45:34,199

didn't understand that laser event is

2420

01:45:38,270 --> 01:45:36,600

it's just hard to believe it's

2421

01:45:39,950 --> 01:45:38,280

absolutely hard to believe in order to

2422

01:45:41,930 --> 01:45:39,960

identify and ask all relevant questions

2423

01:45:44,330 --> 01:45:41,940

and notice incomplete or irrelevant

2424

01:45:46,010 --> 01:45:44,340

answers to them two a failure to

2425

01:45:48,350 --> 01:45:46,020

recognize patterns while excluding false

2426
01:45:49,850 --> 01:45:48,360
positives three a failure to adequately

2427
01:45:52,370 --> 01:45:49,860
generalize principles without over

2428
01:45:54,169 --> 01:45:52,380
generalizing or a failure to correctly

2429
01:45:56,030 --> 01:45:54,179
distinguish between distinct even subtly

2430
01:45:57,410 --> 01:45:56,040
distant Concepts and conversely a

2431
01:45:59,030 --> 01:45:57,420
failure to recognize when seemingly

2432
01:46:00,709 --> 01:45:59,040
distinct concepts are actually identical

2433
01:46:02,390 --> 01:46:00,719
in the relevant features things like

2434
01:46:03,830 --> 01:46:02,400
that all sorts of things might promote

2435
01:46:05,330 --> 01:46:03,840
these failures of thought religious

2436
01:46:06,950 --> 01:46:05,340
indoctrination just being one of them

2437
01:46:08,629 --> 01:46:06,960
although a very widespread and effective

2438
01:46:10,310 --> 01:46:08,639

one but I'm not convinced that the basic

2439

01:46:11,629 --> 01:46:10,320

cognitive ability needed to succeed at

2440

01:46:13,070 --> 01:46:11,639

these critical thinking tasks is an

2441

01:46:15,350 --> 01:46:13,080

inbuilt feature of some people and not

2442

01:46:17,149 --> 01:46:15,360

others excluding people with genuine

2443

01:46:18,770 --> 01:46:17,159

cognitive impairment of course the

2444

01:46:21,050 --> 01:46:18,780

problems we have listed don't take a

2445

01:46:22,609 --> 01:46:21,060

rare genius to avoid just exercising a

2446

01:46:24,169 --> 01:46:22,619

little care is enough as every single

2447

01:46:26,030 --> 01:46:24,179

one of us is going to have those moments

2448

01:46:27,649 --> 01:46:26,040

where we get a little sloppy and we act

2449

01:46:29,450 --> 01:46:27,659

stupid We Believe something that is

2450

01:46:31,370 --> 01:46:29,460

improperly Justified we don't believe

2451
01:46:33,950 --> 01:46:31,380
something that is we get emotional we

2452
01:46:35,570 --> 01:46:33,960
don't listen to reason whatever you

2453
01:46:37,430 --> 01:46:35,580
can't make yourself yeah and I just want

2454
01:46:41,510 --> 01:46:37,440
to point out that this gentleman is

2455
01:46:44,090 --> 01:46:41,520
apparently two uh not very well informed

2456
01:46:46,790 --> 01:46:44,100
I would say he's very well informed on

2457
01:46:50,270 --> 01:46:46,800
the science that they are screwing up

2458
01:46:52,550 --> 01:46:50,280
through this entire television show

2459
01:46:54,590 --> 01:46:52,560
um but I think as far as the motivations

2460
01:46:56,530 --> 01:46:54,600
of the people involved he doesn't really

2461
01:46:59,090 --> 01:46:56,540
get into

2462
01:47:02,390 --> 01:46:59,100
you know I would think being a grad

2463
01:47:05,689 --> 01:47:02,400

student in science he would know that an

2464

01:47:08,270 --> 01:47:05,699

optical physicist PhD scientists like

2465

01:47:10,490 --> 01:47:08,280

Travis Taylor should know about these

2466

01:47:13,790 --> 01:47:10,500

laser things with the reflection of the

2467

01:47:17,149 --> 01:47:13,800

camera lens and and these other Optical

2468

01:47:20,149 --> 01:47:17,159

principles especially that show exactly

2469

01:47:23,330 --> 01:47:20,159

what we're looking at and um but maybe

2470

01:47:25,669 --> 01:47:23,340

he is just not very familiar with the

2471

01:47:26,689 --> 01:47:25,679

hunt for Skinwalker cash and just how

2472

01:47:28,850 --> 01:47:26,699

many people

2473

01:47:31,330 --> 01:47:28,860

have tried to cash in on this whole

2474

01:47:34,310 --> 01:47:31,340

Skinwalker phenomenon for money

2475

01:47:36,410 --> 01:47:34,320

and I know you know

2476

01:47:38,030 --> 01:47:36,420

like I said there's really just two

2477

01:47:40,010 --> 01:47:38,040

possibilities when it comes to Travis

2478

01:47:43,310 --> 01:47:40,020

Taylor either he's completely and

2479

01:47:46,129 --> 01:47:43,320

totally stupid and incompetent or he is

2480

01:47:48,410 --> 01:47:46,139

intentionally deceiving the audience so

2481

01:47:50,330 --> 01:47:48,420

that he could get a paycheck 100 not

2482

01:47:51,590 --> 01:47:50,340

stupid but stupidity is something that

2483

01:47:53,330 --> 01:47:51,600

you can minimize with a little

2484

01:47:54,649 --> 01:47:53,340

determined practice but to do that

2485

01:47:56,270 --> 01:47:54,659

you're going to have to internalize the

2486

01:47:57,649 --> 01:47:56,280

fact that you can and will be wrong at

2487

01:47:59,330 --> 01:47:57,659

times and you'll have to be willing to

2488

01:48:00,950 --> 01:47:59,340

change or even outright abandon any

2489

01:48:02,689 --> 01:48:00,960

opinion you hold when you receive out

2490

01:48:09,700 --> 01:48:02,699

criticism of your evidence or evidence

2491

01:48:09,710 --> 01:48:13,629

[Music]

2492

01:48:18,470 --> 01:48:17,390

failure is always an option we've

2493

01:48:22,180 --> 01:48:18,480

learned things

2494

01:48:25,970 --> 01:48:24,350

[Music]

2495

01:48:27,770 --> 01:48:25,980

this can be really uncomfortable at

2496

01:48:30,050 --> 01:48:27,780

times but it'll help you be less wrong

2497

01:48:31,550 --> 01:48:30,060

more often in other words it can take

2498

01:48:33,590 --> 01:48:31,560

real commitment to learning the truth

2499

01:48:35,450 --> 01:48:33,600

even if that truth is emotionally

2500

01:48:37,970 --> 01:48:35,460

unappealing or goes against something

2501

01:48:39,350 --> 01:48:37,980

you spend a long time believing or if

2502

01:48:41,270 --> 01:48:39,360

it's the exact opposite of everything

2503

01:48:43,010 --> 01:48:41,280

and by the way

2504

01:48:45,050 --> 01:48:43,020

um I I just want to take a moment to

2505

01:48:46,250 --> 01:48:45,060

make sure that I ask a very important

2506

01:48:48,770 --> 01:48:46,260

question

2507

01:48:52,310 --> 01:48:48,780

all of you people who interview Brandon

2508

01:48:56,090 --> 01:48:52,320

fugle and do the UFO circle jerk and

2509

01:48:59,750 --> 01:48:56,100

don't bring up these points that his

2510

01:49:03,649 --> 01:48:59,760

chief lead scientists PhD level

2511

01:49:07,189 --> 01:49:03,659

physicist is making high school Amateur

2512

01:49:10,250 --> 01:49:07,199

hour science mistakes either you know

2513

01:49:13,070 --> 01:49:10,260

out of incompetence or out of a

2514

01:49:15,109 --> 01:49:13,080

purposeful intent to deceive people so

2515

01:49:17,930 --> 01:49:15,119

that he keeps getting a paycheck you're

2516

01:49:20,090 --> 01:49:17,940

not doing anybody any favors so all you

2517

01:49:23,450 --> 01:49:20,100

UFO Circle jerkers who have Brandon

2518

01:49:25,370 --> 01:49:23,460

Frugal on and just lick his [h__\h] the

2519

01:49:29,570 --> 01:49:25,380

whole time and don't bring these things

2520

01:49:31,910 --> 01:49:29,580

up you're all goddamn cowards these are

2521

01:49:35,090 --> 01:49:31,920

important questions that Brandon Frugal

2522

01:49:38,450 --> 01:49:35,100

should be forced to answer to his lead

2523

01:49:41,810 --> 01:49:38,460

scientist is either an idiot or a

2524

01:49:45,109 --> 01:49:41,820

scammer that's where we're at with the

2525

01:49:50,050 --> 01:49:45,119

hunt for Skinwalker cash Brandon fugel's

2526
01:49:53,510 --> 01:49:50,060
lead Ph.D scientist is either a goddamn

2527
01:49:55,010 --> 01:49:53,520
incompetent idiot or an intentional

2528
01:49:58,370 --> 01:49:55,020
scammer

2529
01:50:01,609 --> 01:49:58,380
why is he not fired Brandon fugel for

2530
01:50:02,990 --> 01:50:01,619
incompetence do you want him deceiving

2531
01:50:06,290 --> 01:50:03,000
people

2532
01:50:08,930 --> 01:50:06,300
apparently you do because

2533
01:50:11,570 --> 01:50:08,940
there's other there's another scientist

2534
01:50:14,930 --> 01:50:11,580
on the team so you've got two

2535
01:50:17,450 --> 01:50:14,940
incompetent idiot [h__h] pushing

2536
01:50:20,570 --> 01:50:17,460
completely fake false science

2537
01:50:23,510 --> 01:50:20,580
information that's their job to be

2538
01:50:26,330 --> 01:50:23,520

scientists that you pay you're paying

2539

01:50:29,930 --> 01:50:26,340

idiots they're claim to be scientists

2540

01:50:33,109 --> 01:50:29,940

that are either again completely stupid

2541

01:50:36,229 --> 01:50:33,119

and incompetent or are intentionally

2542

01:50:38,990 --> 01:50:36,239

scamming not just the public but perhaps

2543

01:50:42,290 --> 01:50:39,000

you Brandon fugle who is giving them a

2544

01:50:44,450 --> 01:50:42,300

paycheck for for lying to people for

2545

01:50:47,330 --> 01:50:44,460

intentionally deceiving people about

2546

01:50:50,390 --> 01:50:47,340

science is that the job that you hired

2547

01:50:53,450 --> 01:50:50,400

them for to intentionally come up with

2548

01:50:55,310 --> 01:50:53,460

fake paranormal activities so that you

2549

01:50:57,050 --> 01:50:55,320

have a television show

2550

01:50:58,430 --> 01:50:57,060

or do you really want to get to the

2551
01:51:01,609 --> 01:50:58,440
truth if you really want to get to the

2552
01:51:04,850 --> 01:51:01,619
truth fire your two clown scientists

2553
01:51:06,350 --> 01:51:04,860
immediately ever hoped was true but the

2554
01:51:07,910 --> 01:51:06,360
unfortunate fact is that humans Being

2555
01:51:09,470 --> 01:51:07,920
Human don't always hold the truth as

2556
01:51:11,209 --> 01:51:09,480
being more valuable than their ego or

2557
01:51:12,470 --> 01:51:11,219
their feelings speaking of ego or

2558
01:51:15,050 --> 01:51:12,480
feelings I don't think that they are

2559
01:51:17,450 --> 01:51:15,060
actually stupid as it seems this guy is

2560
01:51:20,030 --> 01:51:17,460
an optical scientist like just look at

2561
01:51:21,770 --> 01:51:20,040
all the places where he's worked at

2562
01:51:23,689 --> 01:51:21,780
he is doing this because he is a science

2563
01:51:25,310 --> 01:51:23,699

fiction author and has a conflict of

2564

01:51:26,629 --> 01:51:25,320

interest that is making him cognitively

2565

01:51:28,669 --> 01:51:26,639

biased in this it's like when every

2566

01:51:30,290 --> 01:51:28,679

religion lies promote God even if they

2567

01:51:32,090 --> 01:51:30,300

are telling a lie and know it they still

2568

01:51:33,770 --> 01:51:32,100

feel good as it's the end goal that

2569

01:51:35,450 --> 01:51:33,780

matters being that you go to heaven or

2570

01:51:36,770 --> 01:51:35,460

whatnot the purpose of this video is to

2571

01:51:38,330 --> 01:51:36,780

show how the TV show from the History

2572

01:51:40,310 --> 01:51:38,340

Channel The Secret of Skinwalker Ranch

2573

01:51:42,709 --> 01:51:40,320

is just like any other ghost paranormal

2574

01:51:44,930 --> 01:51:42,719

TV show it all relies on drama it's

2575

01:51:46,609 --> 01:51:44,940

clearly scripted it doesn't bring any

2576

01:51:48,530 --> 01:51:46,619

new scientific information to the table

2577

01:51:50,390 --> 01:51:48,540

furthermore to show the evidence for

2578

01:51:52,910 --> 01:51:50,400

this Show's misrepresentation of Science

2579

01:51:54,649 --> 01:51:52,920

and the scientific method as science is

2580

01:51:56,450 --> 01:51:54,659

all about making models of reality with

2581

01:51:58,430 --> 01:51:56,460

predictive capability and there is a

2582

01:52:00,350 --> 01:51:58,440

clear absence of that on the show The

2583

01:52:02,030 --> 01:52:00,360

Show puts on a scientific Mirage with

2584

01:52:04,310 --> 01:52:02,040

figures such as Travis Taylor being

2585

01:52:06,890 --> 01:52:04,320

utilized solely to appeal to ethos he

2586

01:52:09,649 --> 01:52:06,900

put him in a dunce cap hey Brandon fugel

2587

01:52:13,129 --> 01:52:09,659

your lead scientist has got a dunce cap

2588

01:52:16,490 --> 01:52:13,139

on and it's a grad student who knows

2589

01:52:20,930 --> 01:52:16,500

more about physics and science than your

2590

01:52:23,390 --> 01:52:20,940

lead scientist you are a you are are all

2591

01:52:25,609 --> 01:52:23,400

I'm going to send all the members of the

2592

01:52:27,229 --> 01:52:25,619

Skinwalker Ranch science team well

2593

01:52:29,030 --> 01:52:27,239

there's only two of them but you know

2594

01:52:30,770 --> 01:52:29,040

we're not made of money here but we're

2595

01:52:32,629 --> 01:52:30,780

going to purchase some clown shoes we're

2596

01:52:34,790 --> 01:52:32,639

going to get them some really good clown

2597

01:52:36,649 --> 01:52:34,800

shoes and we're going to send some Clan

2598

01:52:39,050 --> 01:52:36,659

you know we'll buy three we'll we're

2599

01:52:41,990 --> 01:52:39,060

gonna splurge and buy three sets of

2600

01:52:44,629 --> 01:52:42,000

clown shoes one for each of Brandon

2601
01:52:47,109 --> 01:52:44,639
fugel's employed science experts and one

2602
01:52:49,910 --> 01:52:47,119
for him and they can all walk around

2603
01:52:53,750 --> 01:52:49,920
Skinwalker Ranch and clown shoes from

2604
01:52:56,090 --> 01:52:53,760
here on out and Authority on top of this

2605
01:52:57,830 --> 01:52:56,100
science is only used for illusionary

2606
01:52:59,629 --> 01:52:57,840
purposes to deceive their Global

2607
01:53:01,250 --> 01:52:59,639
audience into believing into their false

2608
01:53:02,930 --> 01:53:01,260
credibility it's as if I were to tell

2609
01:53:05,030 --> 01:53:02,940
you a story and get you all emotionally

2610
01:53:06,709 --> 01:53:05,040
invested in it then I start laying out

2611
01:53:08,450 --> 01:53:06,719
evidence in a manner that relies on the

2612
01:53:10,669 --> 01:53:08,460
initial story and all the subsequent

2613
01:53:12,590 --> 01:53:10,679

evidence I provide to you seems to all

2614

01:53:14,270 --> 01:53:12,600

point to aliens or the Paranormal being

2615

01:53:16,370 --> 01:53:14,280

responsible you might actually start to

2616

01:53:17,750 --> 01:53:16,380

believe me thankfully we live in a world

2617

01:53:19,669 --> 01:53:17,760

where evidence matters more than your

2618

01:53:21,229 --> 01:53:19,679

mere subjective feelings hitchcomb's

2619

01:53:23,510 --> 01:53:21,239

razor determines that extraordinary

2620

01:53:25,129 --> 01:53:23,520

claims require extraordinary evidence of

2621

01:53:26,750 --> 01:53:25,139

which the show Absolutely faltery

2622

01:53:28,550 --> 01:53:26,760

Supreme Court to such a high degree that

2623

01:53:30,649 --> 01:53:28,560

even if Supernatural things did exist

2624

01:53:32,149 --> 01:53:30,659

which they can't because of again of the

2625

01:53:33,649 --> 01:53:32,159

aforementioned little details like the

2626

01:53:35,030 --> 01:53:33,659

laws of physics and thermodynamics

2627

01:53:36,530 --> 01:53:35,040

anyway this show would still be

2628

01:53:38,689 --> 01:53:36,540

absolutely wrong as they haven't shown

2629

01:53:40,490 --> 01:53:38,699

anything paranormal or extraterrestrial

2630

01:53:42,590 --> 01:53:40,500

in fact shows like these can have the

2631

01:53:44,330 --> 01:53:42,600

exact opposite effect as again even if

2632

01:53:46,609 --> 01:53:44,340

hypothetically otherworldly things did

2633

01:53:48,350 --> 01:53:46,619

exist this show was managed so poorly

2634

01:53:49,729 --> 01:53:48,360

that would harm The credibility of any

2635

01:53:52,129 --> 01:53:49,739

real evidence that the show could

2636

01:53:59,109 --> 01:53:52,139

actually bring but that's okay as the

2637

01:54:03,410 --> 01:54:01,790

I'll throw an awful lot of deception and

2638

01:54:05,750 --> 01:54:03,420

it's made a lot of people an awful lot

2639

01:54:07,850 --> 01:54:05,760

of money oh that removes Travis Taylor's

2640

01:54:09,950 --> 01:54:07,860

making an awful lot of money on this

2641

01:54:12,470 --> 01:54:09,960

television show for being completely and

2642

01:54:14,750 --> 01:54:12,480

totally factually wrong on the science

2643

01:54:17,330 --> 01:54:14,760

and by the way that's his job on the

2644

01:54:19,970 --> 01:54:17,340

show is to be the science expert you

2645

01:54:22,030 --> 01:54:19,980

failed miserably Brandon fugel and who

2646

01:54:25,910 --> 01:54:22,040

you chose to hire as a science expert

2647

01:54:28,609 --> 01:54:25,920

and why oh God or God's green earth

2648

01:54:32,930 --> 01:54:28,619

would you continue to employ a person

2649

01:54:35,390 --> 01:54:32,940

who we can prove has been intentionally

2650

01:54:38,810 --> 01:54:35,400

either completely incompetent at his

2651
01:54:43,129 --> 01:54:38,820
assigned task or been completely and

2652
01:54:46,070 --> 01:54:43,139
totally 100 percent deceptive in his

2653
01:54:48,590 --> 01:54:46,080
so-called scientific analysis

2654
01:54:51,370 --> 01:54:48,600
some neurons from my head oh I know

2655
01:54:54,729 --> 01:54:51,380
right gotta love my species

2656
01:54:56,689 --> 01:54:54,739
good thing those were all homo habilises

2657
01:54:57,830 --> 01:54:56,699
I hate to break it to you and don't

2658
01:54:59,030 --> 01:54:57,840
think less of me for sharing the same

2659
01:55:00,490 --> 01:54:59,040
monoflotic Quaid but those are actually

2660
01:55:04,970 --> 01:55:00,500
Homo sapiens

2661
01:55:06,250 --> 01:55:04,980
you're joking no sadly oh man that show

2662
01:55:09,470 --> 01:55:06,260
is truly

2663
01:55:11,990 --> 01:55:09,480

stupidly misleading no stupid she'll

2664

01:55:14,390 --> 01:55:12,000
ever really misleading stupid no

2665

01:55:20,870 --> 01:55:14,400
deliberately stupid

2666

01:55:25,189 --> 01:55:22,689
all right

2667

01:55:27,109 --> 01:55:25,199
the true beauty of a self-inquiring

2668

01:55:28,910 --> 01:55:27,119
sentient universe is lost on those who

2669

01:55:32,290 --> 01:55:28,920
elect to walk the intellectually vacuous

2670

01:55:35,890 --> 01:55:32,300
path of comfortable paranoid fantasies

2671

01:55:38,629 --> 01:55:35,900
all right made it through

2672

01:55:41,930 --> 01:55:38,639
great and uh I just want to take a

2673

01:55:46,390 --> 01:55:41,940
moment to recognize this uh young man he

2674

01:55:49,790 --> 01:55:46,400
has a YouTube channel called lard

2675

01:55:52,550 --> 01:55:49,800
l-a-r-d-d-d-d-d-d for D's

2676

01:55:56,450 --> 01:55:52,560

um and he got uh very few views for this

2677

01:55:58,970 --> 01:55:56,460

uh 2 000 views so that'll show you uh

2678

01:56:01,250 --> 01:55:58,980

what we have repeated here many many

2679

01:56:03,770 --> 01:56:01,260

times that the truth is boring doesn't

2680

01:56:05,450 --> 01:56:03,780

get a lot of clicks and views does it uh

2681

01:56:08,510 --> 01:56:05,460

but it doesn't take away from the fact

2682

01:56:11,330 --> 01:56:08,520

that the truth Remains the truth and uh

2683

01:56:14,689 --> 01:56:11,340

you know hyped up false fake science

2684

01:56:16,790 --> 01:56:14,699

promoted by a wackadoo I think it's

2685

01:56:19,870 --> 01:56:16,800

clear to just call Travis Taylor or

2686

01:56:22,790 --> 01:56:19,880

Wackadoo at this point he is has been

2687

01:56:25,189 --> 01:56:22,800

either again there's only two

2688

01:56:28,129 --> 01:56:25,199

possibilities here either Brandon

2689

01:56:31,850 --> 01:56:28,139

fugle's so-called science expert is the

2690

01:56:34,750 --> 01:56:31,860

most incompetent idiotic stupid science

2691

01:56:39,970 --> 01:56:34,760

expert ever shown on a television show

2692

01:56:42,530 --> 01:56:39,980

or he is a scammer who is intentionally

2693

01:56:43,930 --> 01:56:42,540

falsely making statements who is

2694

01:56:46,550 --> 01:56:43,940

intentionally

2695

01:56:49,490 --> 01:56:46,560

scientifically misleading the audience

2696

01:56:52,609 --> 01:56:49,500

down a path that he wants them to take

2697

01:56:55,729 --> 01:56:52,619

which is Supernatural stuff Paranormal

2698

01:56:57,950 --> 01:56:55,739

Activity none of this is Paranormal none

2699

01:56:59,450 --> 01:56:57,960

of what we have witnessed tonight is

2700

01:57:01,010 --> 01:56:59,460

Paranormal none of what we have

2701
01:57:02,990 --> 01:57:01,020
witnessed that they are claiming is

2702
01:57:05,450 --> 01:57:03,000
Supernatural can be proven to be

2703
01:57:08,990 --> 01:57:05,460
Supernatural or paranormal and in fact

2704
01:57:11,209 --> 01:57:09,000
there are valid real scientific

2705
01:57:13,729 --> 01:57:11,219
explanations for some of the things that

2706
01:57:16,850 --> 01:57:13,739
they are showing people

2707
01:57:19,370 --> 01:57:16,860
so what do we think let me know in the

2708
01:57:22,550 --> 01:57:19,380
live chat is Brandon fuggle in on the

2709
01:57:25,310 --> 01:57:22,560
scam the skinwalker scam he must be

2710
01:57:28,070 --> 01:57:25,320
because there's no way on God's green

2711
01:57:31,070 --> 01:57:28,080
earth that an intelligent man can watch

2712
01:57:33,830 --> 01:57:31,080
what we have just shown you and continue

2713
01:57:35,750 --> 01:57:33,840

to employ these two clowns remember

2714

01:57:37,250 --> 01:57:35,760

there's another one whose Name Escapes

2715

01:57:38,930 --> 01:57:37,260

Me Maybe somebody knows it in the live

2716

01:57:41,149 --> 01:57:38,940

chat

2717

01:57:44,030 --> 01:57:41,159

um why would you continue to employ

2718

01:57:47,870 --> 01:57:44,040

these people as science experts when

2719

01:57:50,930 --> 01:57:47,880

even a you know a grad student can show

2720

01:57:53,030 --> 01:57:50,940

that Travis Taylor doesn't even have the

2721

01:57:55,910 --> 01:57:53,040

very

2722

01:57:58,609 --> 01:57:55,920

I I I'm just flabbergasted here like I

2723

01:58:02,390 --> 01:57:58,619

don't even know what to say uh you know

2724

01:58:05,209 --> 01:58:02,400

a science grad student in college can

2725

01:58:08,149 --> 01:58:05,219

show that Travis Taylor's so-called

2726

01:58:11,750 --> 01:58:08,159

science isn't science it's a joke

2727

01:58:13,250 --> 01:58:11,760

this whole thing is either there's only

2728

01:58:15,589 --> 01:58:13,260

two possibilities I'm going to keep

2729

01:58:18,410 --> 01:58:15,599

hammering that point home and that is

2730

01:58:20,330 --> 01:58:18,420

the two possibilities are that Travis

2731

01:58:23,930 --> 01:58:20,340

Taylor and this Show's other science

2732

01:58:26,089 --> 01:58:23,940

expert are either both the stupidest

2733

01:58:28,850 --> 01:58:26,099

science experts ever hired on a

2734

01:58:32,810 --> 01:58:28,860

television show completely and totally

2735

01:58:36,129 --> 01:58:32,820

incompetent and unable to to uh make

2736

01:58:40,490 --> 01:58:36,139

even the most basic scientific

2737

01:58:44,450 --> 01:58:40,500

observations and determinations or his

2738

01:58:47,629 --> 01:58:44,460

two science experts are uh scammers who

2739

01:58:51,169 --> 01:58:47,639

are intentionally with great effort and

2740

01:58:55,129 --> 01:58:51,179

willingly deceiving the public

2741

01:58:57,229 --> 01:58:55,139

uh into believing in Paranormal Activity

2742

01:59:00,229 --> 01:58:57,239

and Supernatural activity that's just

2743

01:59:03,410 --> 01:59:00,239

not there and can be explained by normal

2744

01:59:05,390 --> 01:59:03,420

physics and scientific methodology

2745

01:59:07,790 --> 01:59:05,400

there's the those are the only two

2746

01:59:10,250 --> 01:59:07,800

possibilities so I would ask

2747

01:59:13,370 --> 01:59:10,260

either of those possibilities means that

2748

01:59:16,970 --> 01:59:13,380

Brandon fogle has to immediately fire

2749

01:59:19,010 --> 01:59:16,980

his two science experts or

2750

01:59:22,669 --> 01:59:19,020

risk the public

2751
01:59:25,490 --> 01:59:22,679
saying that Brandon fugle is okay with

2752
01:59:27,229 --> 01:59:25,500
his two science experts being one of

2753
01:59:29,870 --> 01:59:27,239
those two things either completely and

2754
01:59:33,950 --> 01:59:29,880
totally scientifically incompetent and

2755
01:59:37,609 --> 01:59:33,960
stupid or intentionally deceptive in

2756
01:59:39,950 --> 01:59:37,619
order to sell a narrative those are the

2757
01:59:43,370 --> 01:59:39,960
possibilities here Brandon and in either

2758
01:59:44,709 --> 01:59:43,380
case Mr fugle

2759
01:59:47,629 --> 01:59:44,719
um your

2760
01:59:51,109 --> 01:59:47,639
unwillingness to fire these two

2761
01:59:53,750 --> 01:59:51,119
so-called scientific experts

2762
01:59:55,790 --> 01:59:53,760
um shows that you're in on it you you

2763
01:59:58,310 --> 01:59:55,800

have to be in on it because if you

2764

02:00:01,910 --> 01:59:58,320

really cared about having real science

2765

02:00:03,950 --> 02:00:01,920

experts study and try to explain the

2766

02:00:07,129 --> 02:00:03,960

so-called phenomenon you claim is

2767

02:00:09,649 --> 02:00:07,139

happening on regular basis at your Ranch

2768

02:00:14,089 --> 02:00:09,659

you know uh it doesn't it's not a good

2769

02:00:17,629 --> 02:00:14,099

look for Mr fugle that it's easy to pick

2770

02:00:19,010 --> 02:00:17,639

apart the lack of Science Foundation of

2771

02:00:21,649 --> 02:00:19,020

these so-called paranormal and

2772

02:00:24,109 --> 02:00:21,659

Supernatural claims

2773

02:00:24,709 --> 02:00:24,119

um I believe that

2774

02:00:27,350 --> 02:00:24,719

um

2775

02:00:28,910 --> 02:00:27,360

you know maybe Mr fugel really did want

2776

02:00:30,229 --> 02:00:28,920

to get to the truth of this thing but

2777

02:00:34,970 --> 02:00:30,239

you get

2778

02:00:38,030 --> 02:00:34,980

deals and book deals and contracts and

2779

02:00:40,250 --> 02:00:38,040

documentary deals and um you know for

2780

02:00:42,410 --> 02:00:40,260

All I Know Travis Taylor has some kind

2781

02:00:45,290 --> 02:00:42,420

of contract where he can't be just fired

2782

02:00:48,410 --> 02:00:45,300

from the show then you walk away Brandon

2783

02:00:50,209 --> 02:00:48,420

uh Mr fugel you own the ranch you could

2784

02:00:53,450 --> 02:00:50,219

go to the ranch tomorrow change the

2785

02:00:55,790 --> 02:00:53,460

locks and say these none of these people

2786

02:00:58,550 --> 02:00:55,800

who have been either completely

2787

02:01:02,030 --> 02:00:58,560

incompetent or intentionally deceiving

2788

02:01:05,390 --> 02:01:02,040

people to sell a predetermined narrative

2789

02:01:06,950 --> 02:01:05,400

or welcome on my property he has the

2790

02:01:09,290 --> 02:01:06,960

right to do that

2791

02:01:10,550 --> 02:01:09,300

and his apparent

2792

02:01:13,550 --> 02:01:10,560

um

2793

02:01:17,149 --> 02:01:13,560

lack of willingness to do that speaks

2794

02:01:19,550 --> 02:01:17,159

volumes about Mr fugle I can only assume

2795

02:01:21,109 --> 02:01:19,560

that Mr fugle's in on the skinwalker

2796

02:01:22,370 --> 02:01:21,119

scam for cash

2797

02:01:24,410 --> 02:01:22,380

because

2798

02:01:26,510 --> 02:01:24,420

somebody who really did care about

2799

02:01:28,609 --> 02:01:26,520

getting to the truth and really did care

2800

02:01:31,669 --> 02:01:28,619

about having good scientific people

2801
02:01:34,070 --> 02:01:31,679
working on the so-called problem would

2802
02:01:37,250 --> 02:01:34,080
that employ completely incompetent or

2803
02:01:40,010 --> 02:01:37,260
deceptive science experts that are

2804
02:01:42,830 --> 02:01:40,020
literally running around finding strange

2805
02:01:44,450 --> 02:01:42,840
things that they can use to bolster a

2806
02:01:46,490 --> 02:01:44,460
narrative

2807
02:01:48,890 --> 02:01:46,500
this is where we're at and this is where

2808
02:01:50,930 --> 02:01:48,900
we find ourselves

2809
02:01:53,270 --> 02:01:50,940
now I do want to take a moment to remind

2810
02:01:55,609 --> 02:01:53,280
you that we are a viewer supported show

2811
02:01:57,649 --> 02:01:55,619
uh and every time we do this a bunch of

2812
02:01:59,089 --> 02:01:57,659
people jump off I don't know why I get

2813
02:02:02,149 --> 02:01:59,099

it people don't like commercials but

2814

02:02:04,250 --> 02:02:02,159

these are very very quick so

2815

02:02:05,930 --> 02:02:04,260

um I'm here to remind you that the show

2816

02:02:07,970 --> 02:02:05,940

is not over we're going to take a quick

2817

02:02:11,089 --> 02:02:07,980

break just to remind you that we're a

2818

02:02:12,950 --> 02:02:11,099

viewer supported show uh and we'll be

2819

02:02:23,770 --> 02:02:12,960

right back friends

2820

02:02:29,270 --> 02:02:26,270

Seekers is a viewer's supported show

2821

02:02:31,490 --> 02:02:29,280

wonderful people like you who enjoy this

2822

02:02:35,089 --> 02:02:31,500

show send pledges in the form of Super

2823

02:02:38,209 --> 02:02:35,099

Chat soup stickers super thanks PayPal

2824

02:02:40,149 --> 02:02:38,219

or cash out instructions for how to help

2825

02:02:43,490 --> 02:02:40,159

are in the description

2826
02:02:45,709 --> 02:02:43,500
you can also join our patreon and for as

2827
02:02:48,890 --> 02:02:45,719
little as one dollar a month you can get

2828
02:02:51,890 --> 02:02:48,900
extra content patreon supporters go

2829
02:02:53,450 --> 02:02:51,900
backstage pass Early Access to all our

2830
02:02:56,089 --> 02:02:53,460
production videos before they are

2831
02:02:58,729 --> 02:02:56,099
distributed publicly Stephen Canyon's

2832
02:03:02,089 --> 02:02:58,739
music private writings a monthly show

2833
02:03:04,129 --> 02:03:02,099
journal and more you also become a

2834
02:03:06,770 --> 02:03:04,139
YouTube channel member for five dollars

2835
02:03:09,530 --> 02:03:06,780
a month a YouTube membership includes

2836
02:03:12,470 --> 02:03:09,540
all the patreon benefits plus a special

2837
02:03:15,229 --> 02:03:12,480
members badge priority reply to video

2838
02:03:18,350 --> 02:03:15,239

comments and the live chat plus a

2839

02:03:21,470 --> 02:03:18,360

monthly Members Only video we thank you

2840

02:03:24,830 --> 02:03:21,480

all kinds and generous benefactors for

2841

02:03:30,229 --> 02:03:24,840

supporting truth Seekers thank you for

2842

02:03:30,239 --> 02:03:39,110

thank you

2843

02:04:07,209 --> 02:03:57,370

[Music]

2844

02:04:13,189 --> 02:04:09,950

thanks for being here this is true

2845

02:04:15,649 --> 02:04:13,199

Seekers with your hosts Stephen

2846

02:04:18,290 --> 02:04:15,659

please write like and comment on our

2847

02:04:20,209 --> 02:04:18,300

videos and podcasts if you are listening

2848

02:04:22,490 --> 02:04:20,219

to an all of your podcast please write

2849

02:04:24,950 --> 02:04:22,500

us five stars to help us rise in the

2850

02:04:26,870 --> 02:04:24,960

search rankings if you're watching on

2851
02:04:29,270 --> 02:04:26,880
YouTube please like comment and

2852
02:04:31,189 --> 02:04:29,280
subscribe to our Channel if you're

2853
02:04:33,709 --> 02:04:31,199
listening to all your podcasts we love

2854
02:04:36,709 --> 02:04:33,719
and appreciate you listeners but you are

2855
02:04:39,530 --> 02:04:36,719
missing the live tapings all our shows

2856
02:04:41,629 --> 02:04:39,540
are recorded live with video feeds we'd

2857
02:04:44,109 --> 02:04:41,639
love you to come be a part of our live

2858
02:04:47,089 --> 02:04:44,119
broadcasts and tapings for the podcast

2859
02:04:49,790 --> 02:04:47,099
head on over to YouTube click the Search

2860
02:04:51,589 --> 02:04:49,800
tool the little magnifying glass what

2861
02:04:54,410 --> 02:04:51,599
should Seekers one word in the search

2862
02:04:56,689 --> 02:04:54,420
bar and hit enter you'll see a strange

2863
02:04:58,970 --> 02:04:56,699

and mysterious guy with sunglasses that

2864

02:05:01,250 --> 02:04:58,980

means you found the channel go ahead and

2865

02:05:04,010 --> 02:05:01,260

smash the Subscribe button and hit the

2866

02:05:06,709 --> 02:05:04,020

notification Bell to receive up-to-date

2867

02:05:09,169 --> 02:05:06,719

info on our YouTube channel we welcome

2868

02:05:11,930 --> 02:05:09,179

you to be a part of our live taping and

2869

02:05:14,169 --> 02:05:11,940

our chat room during the live broadcasts

2870

02:05:31,790 --> 02:05:14,179

seek

2871

02:05:37,970 --> 02:05:36,050

okay we are back and uh I should uh

2872

02:05:40,669 --> 02:05:37,980

remind you that I'm still recovering

2873

02:05:43,129 --> 02:05:40,679

from the dreaded covid um

2874

02:05:45,109 --> 02:05:43,139

little fell a little worse today than I

2875

02:05:46,010 --> 02:05:45,119

felt yesterday but of course

2876

02:05:49,609 --> 02:05:46,020

um

2877

02:05:52,550 --> 02:05:49,619

uh I'm stupid and forgot uh some of my

2878

02:05:55,790 --> 02:05:52,560

medication this morning

2879

02:05:58,070 --> 02:05:55,800

um and uh so I you know uh we'll I have

2880

02:06:00,169 --> 02:05:58,080

a little bit more time to share

2881

02:06:02,810 --> 02:06:00,179

uh B Baker reminding everybody the show

2882

02:06:05,270 --> 02:06:02,820

is not over Victor Waggy Guilt Trip me

2883

02:06:07,189 --> 02:06:05,280

staying yes well questions or comments

2884

02:06:09,050 --> 02:06:07,199

for me please put them in all capital

2885

02:06:11,270 --> 02:06:09,060

letters we'll take some questions and

2886

02:06:13,250 --> 02:06:11,280

comments Amy Collins says

2887

02:06:15,770 --> 02:06:13,260

I still like my idea of turning

2888

02:06:18,410 --> 02:06:15,780

Skinwalker Ranch and into a petting zoo

2889

02:06:20,930 --> 02:06:18,420

it would go far that's pretty

2890

02:06:23,930 --> 02:06:20,940

interesting right

2891

02:06:26,390 --> 02:06:23,940

absolutely right and by the way I have

2892

02:06:28,310 --> 02:06:26,400

heard I don't know if it's true taking

2893

02:06:29,629 --> 02:06:28,320

his rumors and speculation but I have

2894

02:06:32,149 --> 02:06:29,639

heard that they're going to build a

2895

02:06:35,570 --> 02:06:32,159

hotel on Skinwalker Ranch and people

2896

02:06:37,970 --> 02:06:35,580

will be able to go there and um you know

2897

02:06:40,729 --> 02:06:37,980

perhaps experience Paranormal Activity

2898

02:06:43,490 --> 02:06:40,739

themselves right

2899

02:06:45,410 --> 02:06:43,500

and Wes Snipes says problem with these

2900

02:06:47,030 --> 02:06:45,420

guys is their egos are so big they're

2901

02:06:49,430 --> 02:06:47,040

like I'm smarter than you they're for

2902

02:06:51,470 --> 02:06:49,440

your opinion is invalid and you know

2903

02:06:54,109 --> 02:06:51,480

that's fine but when you get into

2904

02:06:56,709 --> 02:06:54,119

scientific absolutist statements that

2905

02:06:59,089 --> 02:06:56,719

Travis Taylor is making that is 100

2906

02:07:01,729 --> 02:06:59,099

provably wrong

2907

02:07:04,189 --> 02:07:01,739

um you know ours is this is why I don't

2908

02:07:05,689 --> 02:07:04,199

bother getting cable yeah I know my

2909

02:07:07,790 --> 02:07:05,699

neighbor at the cabin asked me about

2910

02:07:10,250 --> 02:07:07,800

this show several years ago and I said

2911

02:07:12,410 --> 02:07:10,260

it's garbage but we've never really

2912

02:07:14,689 --> 02:07:12,420

covered we've never really gone deep

2913

02:07:16,970 --> 02:07:14,699

into the fake science claims that were

2914

02:07:19,370 --> 02:07:16,980

being made I found this video by the way

2915

02:07:21,050 --> 02:07:19,380

in the description of the video is the

2916

02:07:22,970 --> 02:07:21,060

video that we share tonight you guys

2917

02:07:25,010 --> 02:07:22,980

should go over there and show uh this

2918

02:07:27,229 --> 02:07:25,020

young man some love he did a great job

2919

02:07:29,390 --> 02:07:27,239

breaking down the fake science behind it

2920

02:07:31,189 --> 02:07:29,400

B Baker's saying the employee of the

2921

02:07:33,050 --> 02:07:31,199

month award at Skinwalker always goes to

2922

02:07:34,910 --> 02:07:33,060

the biggest liar who went with the worst

2923

02:07:38,810 --> 02:07:34,920

evidence yes

2924

02:07:40,850 --> 02:07:38,820

and secret agent red sauce says dressing

2925

02:07:44,570 --> 02:07:40,860

up animals as aliens is cruel to the

2926

02:07:47,030 --> 02:07:44,580

animals I agree and B Baker says Brandon

2927

02:07:48,530 --> 02:07:47,040

is profiting off of it billionaires

2928

02:07:51,410 --> 02:07:48,540

don't like to lose money even though he

2929

02:07:55,129 --> 02:07:51,420

doesn't need the money yeah uh he

2930

02:07:57,530 --> 02:07:55,139

definitely doesn't need any money right

2931

02:08:00,229 --> 02:07:57,540

uh educating the populace might help

2932

02:08:02,149 --> 02:08:00,239

buyer beware yeah and that goes for all

2933

02:08:04,910 --> 02:08:02,159

of these things right

2934

02:08:08,030 --> 02:08:04,920

uh

2935

02:08:09,950 --> 02:08:08,040

yeah who was the good Nazi forcing

2936

02:08:13,430 --> 02:08:09,960

everybody to agree that the cow reacted

2937

02:08:15,589 --> 02:08:13,440

to the object yeah uh great

2938

02:08:17,390 --> 02:08:15,599

at least when you go to a magic show you

2939

02:08:19,310 --> 02:08:17,400

know it's not real the ranch is a show

2940

02:08:22,129 --> 02:08:19,320

but the audience doesn't know that yeah

2941

02:08:23,990 --> 02:08:22,139

it's very deceptive I think it's partly

2942

02:08:27,410 --> 02:08:24,000

Mormon buddies trying to make a dollar

2943

02:08:28,970 --> 02:08:27,420

Reed Fugal Etc all Mormons yeah it's

2944

02:08:31,129 --> 02:08:28,980

interesting how many Mormons have been

2945

02:08:33,050 --> 02:08:31,139

involved with the ranch these shows

2946

02:08:35,149 --> 02:08:33,060

should come with a disclaimer though out

2947

02:08:36,890 --> 02:08:35,159

uh out the show stating not everything

2948

02:08:39,290 --> 02:08:36,900

mentioned in such shows is factually

2949

02:08:42,589 --> 02:08:39,300

true by law

2950

02:08:44,510 --> 02:08:42,599

yeah yeah uh Korbelt grift it's

2951

02:08:46,490 --> 02:08:44,520

Skinwalker Ranch so it's a sign right

2952

02:08:49,669 --> 02:08:46,500

there yeah and so did

2953

02:08:51,709 --> 02:08:49,679

um George Knapp so there's been a long

2954

02:08:54,470 --> 02:08:51,719

line of UFO

2955

02:08:56,530 --> 02:08:54,480

prophets or just profiteering [h__h]

2956

02:08:59,390 --> 02:08:56,540

trying to get in on the skinwalker cash

2957

02:09:02,270 --> 02:08:59,400

the hunt for the skinwalker cash will

2958

02:09:04,430 --> 02:09:02,280

continue and uh there's no signs of this

2959

02:09:08,209 --> 02:09:04,440

letting up I think it got approved for a

2960

02:09:10,010 --> 02:09:08,219

fourth season now right uh so we can

2961

02:09:13,189 --> 02:09:10,020

look forward to more scientifically

2962

02:09:15,770 --> 02:09:13,199

invalid analysis by so-called science

2963

02:09:18,470 --> 02:09:15,780

experts who have to ignore science in

2964

02:09:21,950 --> 02:09:18,480

order to sell the narrative that this

2965

02:09:23,410 --> 02:09:21,960

place is a paranormal hot spot you know

2966

02:09:28,010 --> 02:09:23,420

um

2967

02:09:30,950 --> 02:09:28,020

I also I want to make sure that we

2968

02:09:33,770 --> 02:09:30,960

Hammer home the point that every person

2969

02:09:36,350 --> 02:09:33,780

who interviews Brandon fugle licks his

2970

02:09:40,010 --> 02:09:36,360

[h__\h] and does the UFO circle jerk

2971

02:09:43,149 --> 02:09:40,020

with Brandon fugle right they don't ask

2972

02:09:46,430 --> 02:09:43,159

him about these very important

2973

02:09:49,070 --> 02:09:46,440

deceptions that are being put forth by

2974

02:09:51,410 --> 02:09:49,080

his so-called science experts if your

2975

02:09:55,430 --> 02:09:51,420

science experts need to literally make

2976

02:09:57,649 --> 02:09:55,440

up fake science and ignore reality of

2977

02:10:00,350 --> 02:09:57,659

real science and real physics in order

2978

02:10:04,030 --> 02:10:00,360

to sell your narrative then it shows

2979

02:10:06,649 --> 02:10:04,040

that you are deceptive and um Mr fugle

2980

02:10:08,450 --> 02:10:06,659

uh likes to pretend that he's a

2981

02:10:10,790 --> 02:10:08,460

Christian a Christian would not

2982

02:10:12,770 --> 02:10:10,800

intentionally employ people who were

2983

02:10:13,850 --> 02:10:12,780

lying to people in order to sell

2984

02:10:16,310 --> 02:10:13,860

something

2985

02:10:20,089 --> 02:10:16,320

a Christian wouldn't do that so Brandon

2986

02:10:23,149 --> 02:10:20,099

fugle you you have to have a uh you know

2987

02:10:25,910 --> 02:10:23,159

maybe come to what is that angel in the

2988

02:10:28,189 --> 02:10:25,920

in the Mormon faith Moroni you have to

2989

02:10:31,550 --> 02:10:28,199

have a come to G Jesus moment or come to

2990

02:10:33,470 --> 02:10:31,560

Moroni moment and and decide whether you

2991

02:10:34,850 --> 02:10:33,480

want to continue to employ completely

2992

02:10:38,450 --> 02:10:34,860

either completely and totally

2993

02:10:40,370 --> 02:10:38,460

incompetent science experts or deceptive

2994

02:10:43,790 --> 02:10:40,380

science experts you have to make that

2995

02:10:46,129 --> 02:10:43,800

call but I got to tell you that allowing

2996

02:10:49,790 --> 02:10:46,139

your so-called science experts to

2997

02:10:51,830 --> 02:10:49,800

continue to be employed by you

2998

02:10:54,290 --> 02:10:51,840

um it doesn't it's not a good look for

2999

02:10:57,109 --> 02:10:54,300

you it looks like you're in on it and

3000

02:10:59,510 --> 02:10:57,119

that you are either condoning or

3001
02:11:01,910 --> 02:10:59,520
encouraging the behavior of your science

3002
02:11:05,570 --> 02:11:01,920
experts being incompetent and or

3003
02:11:08,030 --> 02:11:05,580
deceptive in order to sell a product and

3004
02:11:11,270 --> 02:11:08,040
make no mistake about it uh that's what

3005
02:11:12,709 --> 02:11:11,280
they're doing they are selling you a

3006
02:11:14,810 --> 02:11:12,719
product

3007
02:11:16,550 --> 02:11:14,820
um and if you ask me it's an extremely

3008
02:11:19,189 --> 02:11:16,560
flawed product

3009
02:11:21,350 --> 02:11:19,199
uh and speaking of products to sell

3010
02:11:25,970 --> 02:11:21,360
you'll notice I'm wearing one of our

3011
02:11:28,370 --> 02:11:25,980
lovely uh truth Seekers uh logo t-shirts

3012
02:11:30,470 --> 02:11:28,380
these wonderful t-shirts we now have

3013
02:11:32,510 --> 02:11:30,480

available in the description of our

3014

02:11:34,790 --> 02:11:32,520

video there's two separate storefronts

3015

02:11:37,010 --> 02:11:34,800

one of them is an Amazon store so if

3016

02:11:39,709 --> 02:11:37,020

you're in the United States or Great

3017

02:11:41,390 --> 02:11:39,719

Britain uh you can get one of these bad

3018

02:11:43,870 --> 02:11:41,400

boys delivered straight to your door

3019

02:11:46,790 --> 02:11:43,880

usually the next day or within two days

3020

02:11:49,129 --> 02:11:46,800

otherwise uh if you're in a country like

3021

02:11:51,010 --> 02:11:49,139

Canada or Australia or some other

3022

02:11:54,410 --> 02:11:51,020

countries that

3023

02:11:55,850 --> 02:11:54,420

Amazon will not deliver it to use the

3024

02:11:57,830 --> 02:11:55,860

second link in the description of the

3025

02:12:02,629 --> 02:11:57,840

video the Redbubble store and you can

3026

02:12:05,810 --> 02:12:02,639

get a uh some true Seekers merchandise

3027

02:12:08,209 --> 02:12:05,820

I believe that it should uh Nick D does

3028

02:12:10,010 --> 02:12:08,219

this fakery up open them up to liability

3029

02:12:12,169 --> 02:12:10,020

I I think it should because they're

3030

02:12:15,169 --> 02:12:12,179

selling tickets to Live Events based on

3031

02:12:17,390 --> 02:12:15,179

this trickery deception and let's just

3032

02:12:20,209 --> 02:12:17,400

call it what it is it is a form of

3033

02:12:22,370 --> 02:12:20,219

Consumer Fraud in my opinion but again

3034

02:12:25,850 --> 02:12:22,380

I'm not a law enforcement officer I'm

3035

02:12:27,890 --> 02:12:25,860

not a lawyer but it looks to me like

3036

02:12:29,750 --> 02:12:27,900

this is a form of Consumer Fraud they're

3037

02:12:32,330 --> 02:12:29,760

saying that there's par this is

3038

02:12:35,390 --> 02:12:32,340

Paranormal Activity this is Supernatural

3039

02:12:38,570 --> 02:12:35,400

activity and it can be very easily

3040

02:12:41,270 --> 02:12:38,580

explained as normal Earthly ordinary

3041

02:12:44,689 --> 02:12:41,280

things in some cases that they're hyping

3042

02:12:47,750 --> 02:12:44,699

as Supernatural or paranormal but you

3043

02:12:50,209 --> 02:12:47,760

know there is a gray area there strange

3044

02:12:52,430 --> 02:12:50,219

Recon radio the product Skinwalker Ranch

3045

02:12:54,589 --> 02:12:52,440

dressing yeah we're gonna we're gonna

3046

02:12:56,390 --> 02:12:54,599

look into that maybe we'll start selling

3047

02:12:58,490 --> 02:12:56,400

look if Brandon fugel is going to make

3048

02:13:00,830 --> 02:12:58,500

money on this stupid [h__h] I'm gonna make

3049

02:13:02,629 --> 02:13:00,840

some money off of it too so maybe we'll

3050

02:13:05,390 --> 02:13:02,639

have truth Seeker Skinwalker Ranch

3051
02:13:08,390 --> 02:13:05,400
guessing right or how about true Seekers

3052
02:13:11,030 --> 02:13:08,400
Skinwalker Ranch corn chips we can't

3053
02:13:12,350 --> 02:13:11,040
call them Doritos we'll get sued and I

3054
02:13:14,870 --> 02:13:12,360
don't think that we can use the term

3055
02:13:17,629 --> 02:13:14,880
Skinwalker Ranch because

3056
02:13:21,709 --> 02:13:17,639
but but then again if it's dressing yeah

3057
02:13:26,030 --> 02:13:24,050
yes and gone to 73 says there's nothing

3058
02:13:28,609 --> 02:13:26,040
out there a family lived there for 60

3059
02:13:30,589 --> 02:13:28,619
years before these goofballs yes and no

3060
02:13:34,310 --> 02:13:30,599
reports of stranger unusual or

3061
02:13:36,709 --> 02:13:34,320
Supernatural activity right dollar signs

3062
02:13:39,050 --> 02:13:36,719
money hovering around Brandon Fugal blur

3063
02:13:41,870 --> 02:13:39,060

people's vision and Cloud their senses I

3064

02:13:43,790 --> 02:13:41,880

absolutely agree right class action

3065

02:13:45,410 --> 02:13:43,800

lawsuit I mean maybe I don't know I'm

3066

02:13:48,410 --> 02:13:45,420

not a lawyer right

3067

02:13:50,750 --> 02:13:48,420

uh Patty says fugle is proud of what

3068

02:13:53,950 --> 02:13:50,760

he's doing well great then that means

3069

02:13:56,750 --> 02:13:53,960

he's proud of employing imbeciles idiots

3070

02:13:58,550 --> 02:13:56,760

scientific experts that don't know basic

3071

02:14:01,310 --> 02:13:58,560

high school level physics

3072

02:14:03,350 --> 02:14:01,320

great or employing people that are

3073

02:14:05,689 --> 02:14:03,360

intentionally deceiving people

3074

02:14:09,050 --> 02:14:05,699

you know and you're the boss Mr fugel

3075

02:14:11,870 --> 02:14:09,060

the buck stops at you so you know

3076

02:14:13,550 --> 02:14:11,880

um I'm gonna I'm blocked on Twitter but

3077

02:14:16,069 --> 02:14:13,560

I'm gonna try to

3078

02:14:18,530 --> 02:14:16,079

um maybe have somebody tweet tonight's

3079

02:14:21,950 --> 02:14:18,540

broadcast Adam see if he has any comment

3080

02:14:24,609 --> 02:14:21,960

on this uh but he doesn't he he doesn't

3081

02:14:28,129 --> 02:14:24,619

like it when people look

3082

02:14:31,609 --> 02:14:28,139

tonight's broadcast has this the hunt

3083

02:14:35,030 --> 02:14:31,619

for Skinwalker cash by the balls there

3084

02:14:38,149 --> 02:14:35,040

is no excuses for this level of either

3085

02:14:40,010 --> 02:14:38,159

incompetence or intentionally lying to

3086

02:14:42,350 --> 02:14:40,020

and deceiving an audience there's no

3087

02:14:44,569 --> 02:14:42,360

excuse for it so do I think they're

3088

02:14:47,930 --> 02:14:44,579

going to comment on it no and do I think

3089

02:14:50,030 --> 02:14:47,940

any of the UFO Circle jerker idiots that

3090

02:14:53,450 --> 02:14:50,040

interview Brandon fugle are actually

3091

02:14:55,310 --> 02:14:53,460

going to ask him about this level of

3092

02:14:57,350 --> 02:14:55,320

incompetence and deception that they're

3093

02:14:59,450 --> 02:14:57,360

pushing as Supernatural or paranormal

3094

02:15:00,950 --> 02:14:59,460

activity no I don't think anybody's

3095

02:15:03,410 --> 02:15:00,960

going to have the courage to do that

3096

02:15:05,569 --> 02:15:03,420

because you're not going to get him as a

3097

02:15:07,990 --> 02:15:05,579

guest again if you actually ask him real

3098

02:15:10,550 --> 02:15:08,000

questions right

3099

02:15:12,770 --> 02:15:10,560

reload says hello where can I get the

3100

02:15:15,229 --> 02:15:12,780

same t-shirt uh in the description of

3101

02:15:17,330 --> 02:15:15,239

the video there are two links some

3102

02:15:19,669 --> 02:15:17,340

people are not able to get Amazon

3103

02:15:22,490 --> 02:15:19,679

deliveries in their country the first

3104

02:15:24,649 --> 02:15:22,500

link is an Amazon link which is much

3105

02:15:27,229 --> 02:15:24,659

faster I hear you get the shirt the next

3106

02:15:29,810 --> 02:15:27,239

day or two days uh the other one

3107

02:15:32,330 --> 02:15:29,820

Redbubble takes four or five days but

3108

02:15:34,069 --> 02:15:32,340

either way these shirts are available in

3109

02:15:36,169 --> 02:15:34,079

our merchandise store and we have two

3110

02:15:39,229 --> 02:15:36,179

merchandise stores both a Redbubble

3111

02:15:41,149 --> 02:15:39,239

storefront and an Amazon and by the way

3112

02:15:43,790 --> 02:15:41,159

thank you for your kindness generosity

3113

02:15:45,950 --> 02:15:43,800

and support of the show and thank you

3114

02:15:47,870 --> 02:15:45,960

for helping us to praise the cash and

3115

02:15:50,569 --> 02:15:47,880

you would be helping us to praise the

3116

02:15:52,370 --> 02:15:50,579

cash multiple times uh well actually

3117

02:15:54,530 --> 02:15:52,380

yeah I have to thank you three times

3118

02:15:56,689 --> 02:15:54,540

once for the kind and generous five

3119

02:16:00,229 --> 02:15:56,699

dollar Super Chat once for being a

3120

02:16:02,390 --> 02:16:00,239

member we love that and and of course

3121

02:16:04,510 --> 02:16:02,400

once for purchasing some merchandise

3122

02:16:07,490 --> 02:16:04,520

which also contributes to the show

3123

02:16:12,109 --> 02:16:07,500

praise the cash reload with a triple

3124

02:16:15,649 --> 02:16:13,910

thank you reload for your kindness

3125

02:16:17,950 --> 02:16:15,659

generosity and support and by the way

3126
02:16:19,850 --> 02:16:17,960
this one is probably my favorite because

3127
02:16:22,129 --> 02:16:19,860
and you know you want to know what's

3128
02:16:25,910 --> 02:16:22,139
funny the truth Seekers logo was done

3129
02:16:28,250 --> 02:16:25,920
super quickly uh with an old program

3130
02:16:31,490 --> 02:16:28,260
that does 3D lettering that I have

3131
02:16:33,410 --> 02:16:31,500
called uh what is it called you let 3D

3132
02:16:36,349 --> 02:16:33,420
or something like that

3133
02:16:38,990 --> 02:16:36,359
um and uh I realized that the logo the

3134
02:16:41,750 --> 02:16:39,000
original logo was terrible so the night

3135
02:16:44,450 --> 02:16:41,760
before our first broadcast I redid the

3136
02:16:47,509 --> 02:16:44,460
logos with this 3D uh

3137
02:16:51,469 --> 02:16:47,519
the 3D logo maker and it has been our

3138
02:16:54,410 --> 02:16:51,479

logo ever since uh interesting just uh

3139

02:16:56,629 --> 02:16:54,420

just a certain font and an outline and

3140

02:16:58,969 --> 02:16:56,639

we had we were Off to the Races with a

3141

02:17:01,250 --> 02:16:58,979

good logo it's stuck ever since this is

3142

02:17:03,589 --> 02:17:01,260

my favorite uh shirt

3143

02:17:05,810 --> 02:17:03,599

um and but I gotta say it is interesting

3144

02:17:09,650 --> 02:17:05,820

if I'm out and about and somebody says

3145

02:17:11,570 --> 02:17:09,660

true it's that I gotta get cards made

3146

02:17:14,270 --> 02:17:11,580

um that just show how to find the

3147

02:17:16,009 --> 02:17:14,280

podcasts you know it's gonna explain to

3148

02:17:18,650 --> 02:17:16,019

them and then that gets into a whole

3149

02:17:20,629 --> 02:17:18,660

discussion I say oh it's a podcast oh

3150

02:17:22,190 --> 02:17:20,639

that's interesting what do you guys talk

3151

02:17:25,190 --> 02:17:22,200

about and then I have to try to explain

3152

02:17:26,810 --> 02:17:25,200

it which is not easy to explain but I do

3153

02:17:29,389 --> 02:17:26,820

my best

3154

02:17:32,209 --> 02:17:29,399

um Travis Taylor is like a dishonest

3155

02:17:34,910 --> 02:17:32,219

Gary Busey if Gary was a grifting jerk

3156

02:17:36,650 --> 02:17:34,920

yeah Travis Taylor has been all chips in

3157

02:17:39,650 --> 02:17:36,660

trying to get rich and famous off of

3158

02:17:42,410 --> 02:17:39,660

Paranormal Activity and UFOs for a

3159

02:17:45,230 --> 02:17:42,420

decade now right

3160

02:17:47,389 --> 02:17:45,240

fugle sucked up by seeing his face on TV

3161

02:17:49,549 --> 02:17:47,399

playing Ghostbusters and alien hunters

3162

02:17:51,770 --> 02:17:49,559

yeah I believe that that's true I

3163

02:17:53,030 --> 02:17:51,780

believe that he got sucked into the

3164

02:17:56,330 --> 02:17:53,040

spotlight and he doesn't want to give

3165

02:17:59,209 --> 02:17:56,340

that up even if there's garbage right

3166

02:18:01,310 --> 02:17:59,219

this show uh that show is a mutilated

3167

02:18:06,290 --> 02:18:01,320

Cash Cow for Frugal a lot of people

3168

02:18:09,110 --> 02:18:06,300

believe that yeah absolutely uh and uh

3169

02:18:11,150 --> 02:18:09,120

Patricia Jean is here saying I'm so glad

3170

02:18:13,190 --> 02:18:11,160

to see you on hey everyone much love

3171

02:18:15,410 --> 02:18:13,200

good good to see you there in the live

3172

02:18:17,870 --> 02:18:15,420

chat uh we want to take a moment to

3173

02:18:19,810 --> 02:18:17,880

thank our Rumble live Chatters and to

3174

02:18:22,570 --> 02:18:19,820

thank our uh

3175

02:18:25,969 --> 02:18:22,580

twitch.tv backslash truth Seeker show

3176

02:18:28,009 --> 02:18:25,979

live Chatters as well

3177

02:18:30,290 --> 02:18:28,019

I should also remind you that if you

3178

02:18:32,270 --> 02:18:30,300

have a Amazon Prime account you can

3179

02:18:33,709 --> 02:18:32,280

subscribe to us on Twitch and it will

3180

02:18:35,330 --> 02:18:33,719

cost you absolutely nothing that's

3181

02:18:38,330 --> 02:18:35,340

another great way to help the show out

3182

02:18:40,849 --> 02:18:38,340

and it costs you nothing

3183

02:18:44,270 --> 02:18:40,859

um so we've done our due diligence for

3184

02:18:47,209 --> 02:18:44,280

today and uh

3185

02:18:48,889 --> 02:18:47,219

yeah I uh I'm not sure when we'll be

3186

02:18:50,870 --> 02:18:48,899

returning I'd like to get one or two

3187

02:18:53,150 --> 02:18:50,880

more shows in for the week but time is

3188

02:18:55,549 --> 02:18:53,160

running short on the week I wish I had

3189

02:18:57,530 --> 02:18:55,559

been feeling better at Monday and then

3190

02:19:00,410 --> 02:18:57,540

we'd be three shows in or two shows in

3191

02:19:02,089 --> 02:19:00,420

for the week uh but you know it may be a

3192

02:19:03,709 --> 02:19:02,099

good thing to just slow down a little

3193

02:19:06,650 --> 02:19:03,719

bit and get

3194

02:19:08,990 --> 02:19:06,660

um you know quiet down the rat race a

3195

02:19:12,049 --> 02:19:09,000

little bit uh

3196

02:19:15,950 --> 02:19:12,059

still recovering from the dreaded covid

3197

02:19:17,209 --> 02:19:15,960

and uh I still I still feel off I feel

3198

02:19:20,570 --> 02:19:17,219

very off

3199

02:19:22,790 --> 02:19:20,580

um you know I'm able to speak and and uh

3200

02:19:26,089 --> 02:19:22,800

sit here for a few hours so I'm glad

3201

02:19:28,849 --> 02:19:26,099

that I could do that today uh and get

3202

02:19:30,349 --> 02:19:28,859

this work finished and and post some

3203

02:19:32,990 --> 02:19:30,359

shows for the week

3204

02:19:35,810 --> 02:19:33,000

I'll be returning to the cabin

3205

02:19:39,469 --> 02:19:35,820

um hopefully tomorrow night so maybe

3206

02:19:43,849 --> 02:19:39,479

we'll do uh one or two from the cabin

3207

02:19:45,830 --> 02:19:43,859

um we will probably do a call-in show uh

3208

02:19:47,690 --> 02:19:45,840

but we'll be doing the one at a time or

3209

02:19:50,450 --> 02:19:47,700

maybe we'll just go all in and do the

3210

02:19:52,730 --> 02:19:50,460

panel show and hope for the best

3211

02:19:54,530 --> 02:19:52,740

um and I'll make an announcement about

3212

02:19:56,450 --> 02:19:54,540

that as soon as I know the problem is I

3213

02:19:58,370 --> 02:19:56,460

can't do those at 9 00 pm tomorrow I

3214

02:19:59,870 --> 02:19:58,380

can't do a show tomorrow night at 9pm so

3215

02:20:02,870 --> 02:19:59,880

if I do a show at all tomorrow it'll be

3216

02:20:04,190 --> 02:20:02,880

either early or late uh in order to get

3217

02:20:05,870 --> 02:20:04,200

it in

3218

02:20:07,370 --> 02:20:05,880

um I'd like to get a few more shows in

3219

02:20:10,429 --> 02:20:07,380

for the week because we're a little

3220

02:20:11,810 --> 02:20:10,439

light and uh interestingly

3221

02:20:14,090 --> 02:20:11,820

you know when I was talking to another

3222

02:20:16,190 --> 02:20:14,100

YouTuber who does live streams and he

3223

02:20:17,810 --> 02:20:16,200

told me well it's spring now Stephen so

3224

02:20:19,550 --> 02:20:17,820

everybody's numbers are going to go to

3225

02:20:22,210 --> 02:20:19,560

[h__h] for the next three or four months

3226

02:20:26,150 --> 02:20:22,220

uh people start

3227

02:20:28,010 --> 02:20:26,160

watching more when uh it's really hot in

3228

02:20:30,950 --> 02:20:28,020

the middle of Summer staying inside in

3229

02:20:32,570 --> 02:20:30,960

the air conditioning so uh maybe this is

3230

02:20:34,370 --> 02:20:32,580

cyclical I haven't looked at the numbers

3231

02:20:36,469 --> 02:20:34,380

from last year but that seems to make

3232

02:20:38,270 --> 02:20:36,479

sense so if we're a little light on the

3233

02:20:41,450 --> 02:20:38,280

numbers so be it

3234

02:20:43,490 --> 02:20:41,460

we continue to do the work that we do

3235

02:20:46,130 --> 02:20:43,500

here we want to thank all of you kind

3236

02:20:49,070 --> 02:20:46,140

and generous benefactors for helping

3237

02:20:51,469 --> 02:20:49,080

with the show you patreon supporters you

3238

02:20:53,450 --> 02:20:51,479

twitch subscribers you YouTube channel

3239

02:20:55,550 --> 02:20:53,460

members super chat or super sticker

3240

02:20:57,170 --> 02:20:55,560

purchasers and of course you super

3241

02:20:58,610 --> 02:20:57,180

thanks people you can hit that thanks

3242

02:21:00,230 --> 02:20:58,620

button and throw a couple of bucks in

3243

02:21:03,110 --> 02:21:00,240

our hat even if you're watching a replay

3244

02:21:05,330 --> 02:21:03,120

now which is a great way to support the

3245

02:21:07,250 --> 02:21:05,340

show we want to thank spooky for the

3246

02:21:09,469 --> 02:21:07,260

excellent Graphics this thumbnail was

3247

02:21:11,570 --> 02:21:09,479

one of my favorites uh that we've ever

3248

02:21:13,309 --> 02:21:11,580

done when I saw it today it just made me

3249

02:21:16,730 --> 02:21:13,319

smile made me feel a little better so

3250

02:21:18,530 --> 02:21:16,740

thank you spooky we want to thank Ian Mr

3251

02:21:20,870 --> 02:21:18,540

Ian the man with the golden voice for

3252

02:21:23,750 --> 02:21:20,880

being our announcer uh and we would

3253

02:21:25,730 --> 02:21:23,760

thank all of you for joining us uh and

3254

02:21:29,270 --> 02:21:25,740

we want to thank Travis Taylor for being

3255

02:21:33,010 --> 02:21:29,280

so incompetent or so deceptive that it

3256

02:21:35,150 --> 02:21:33,020

gave us a great way to display that

3257

02:21:38,210 --> 02:21:35,160

Skinwalker Ranch is really about the

3258

02:21:40,450 --> 02:21:38,220

hunt for Skinwalker cash George Knapp

3259

02:21:43,070 --> 02:21:40,460

went around hunting for Skinwalker Cash

3260

02:21:46,490 --> 02:21:43,080

Jeremy Corbell went around hunting for

3261

02:21:48,849 --> 02:21:46,500

Skinwalker cash now Brandon fogle hunted

3262

02:21:52,010 --> 02:21:48,859

for Skinwalker cash and let's not forget

3263

02:21:54,230 --> 02:21:52,020

uh Bob Bigelow the original Hunter of

3264

02:21:56,090 --> 02:21:54,240

Skinwalker cash

3265

02:21:59,150 --> 02:21:56,100

um it's all

3266

02:22:01,730 --> 02:21:59,160

it's all a very convenient way for a lot

3267

02:22:04,250 --> 02:22:01,740

of people to make millions and millions

3268

02:22:06,290 --> 02:22:04,260

of dollars I don't for one minute

3269

02:22:07,910 --> 02:22:06,300

believe that any of these people that I

3270

02:22:10,910 --> 02:22:07,920

have mentioned that are hunting for the

3271

02:22:13,550 --> 02:22:10,920

skinwalker cash are really here to find

3272

02:22:18,110 --> 02:22:13,560

the truth of of any strange phenomenon

3273

02:22:20,690 --> 02:22:18,120

around that environment or location I do

3274

02:22:23,330 --> 02:22:20,700

not believe that any of them even care

3275

02:22:24,170 --> 02:22:23,340

what's really going on at that ranch to

3276

02:22:26,210 --> 02:22:24,180

me

3277

02:22:29,330 --> 02:22:26,220

Skinwalker Ranch and the hunt for

3278

02:22:32,570 --> 02:22:29,340

Skinwalker cash is just another

3279

02:22:34,070 --> 02:22:32,580

grift it's another grift another scam to

3280

02:22:36,530 --> 02:22:34,080

make millions of dollars out of

3281

02:22:39,070 --> 02:22:36,540

paranormal activity that may or may not

3282

02:22:41,389 --> 02:22:39,080

be present or active at that location

3283

02:22:44,990 --> 02:22:41,399

and that's where we're at and that's

3284

02:22:47,090 --> 02:22:45,000

where we find ourselves so

3285

02:22:48,710 --> 02:22:47,100

um we're gonna bounce on out of here I'm

3286

02:22:51,650 --> 02:22:48,720

not sure when we'll be back but I'll be

3287

02:22:53,809 --> 02:22:51,660

making an announcement on my Twitter I

3288

02:22:57,469 --> 02:22:53,819

would for sure like to get a few more

3289

02:22:59,510 --> 02:22:57,479

shows in uh before we call it a week

3290

02:23:01,670 --> 02:22:59,520

um but quite honestly I'm struggling to

3291

02:23:04,190 --> 02:23:01,680

do that having just gotten over this uh

3292

02:23:06,770 --> 02:23:04,200

dranic covet or I don't think I'm over

3293

02:23:09,889 --> 02:23:06,780

it yet I'm still in the middle of it I

3294

02:23:12,349 --> 02:23:09,899

think that I'm over the hell part of it

3295

02:23:14,510 --> 02:23:12,359

um but I still I'm sure any of you who

3296

02:23:19,130 --> 02:23:14,520

have had it know what I mean I I just

3297

02:23:24,309 --> 02:23:19,140

feel blah right I feel very blah and

3298

02:23:30,770 --> 02:23:27,950

sinusy stuff going on but you know this

3299

02:23:33,050 --> 02:23:30,780

too shall pass we power through I'm glad

3300

02:23:36,469 --> 02:23:33,060

that I could uh spend some time with you

3301

02:23:39,110 --> 02:23:36,479

all today uh but we'll be back sometime

3302

02:23:40,790 --> 02:23:39,120

tomorrow please follow me on Twitter or

3303

02:23:43,370 --> 02:23:40,800

at Stephen Camby and it's the best way

3304

02:23:46,070 --> 02:23:43,380

to know about upcoming shows

3305

02:23:47,929 --> 02:23:46,080

um maybe if I experience the level of

3306

02:23:50,270 --> 02:23:47,939

insomnia that I've been experiencing

3307

02:23:52,910 --> 02:23:50,280

I'll do a late show for you friends over

3308

02:23:55,130 --> 02:23:52,920

at the pond later tonight like two or

3309

02:23:57,170 --> 02:23:55,140

2 A.M or so

3310

02:23:58,030 --> 02:23:57,180

um but if I'm able to sleep I'm going to

3311

02:24:01,730 --> 02:23:58,040

bed

3312

02:24:03,530 --> 02:24:01,740

and we'll try this again tomorrow so

3313

02:24:05,510 --> 02:24:03,540

that's all I got for you friends until

3314

02:24:07,389 --> 02:24:05,520

next time my name is Stephen Campion

3315

02:24:09,610 --> 02:24:07,399

good night and God bless all of you

3316

02:24:15,530 --> 02:24:09,620

especially you

3317

02:24:17,450 --> 02:24:15,540

that you search your conscience and

3318

02:24:20,389 --> 02:24:17,460

realize that lying to people for money

3319

02:24:22,610 --> 02:24:20,399

is not a good karmic way to live and

3320

02:24:25,130 --> 02:24:22,620

especially you Brandon fugle who call

3321

02:24:27,770 --> 02:24:25,140

yourself a Christian I hope that you

3322

02:24:30,590 --> 02:24:27,780

examine your conscience and realize that

3323

02:24:32,929 --> 02:24:30,600

uh paying people to lie to people so

3324

02:24:36,170 --> 02:24:32,939

that you can you know get on television

3325

02:24:39,830 --> 02:24:36,180

is not a good karmic way to be and I

3326

02:24:41,809 --> 02:24:39,840

don't think any Christian would want to

3327

02:24:44,150 --> 02:24:41,819

intentionally lie to people for money

3328

02:24:46,849 --> 02:24:44,160

but appears to be that's what you're

3329

02:24:49,010 --> 02:24:46,859

doing uh I hope the two of you find a

3330

02:24:49,969 --> 02:24:49,020

better way to make money than than this

3331

02:24:52,910 --> 02:24:49,979

garbage

3332

02:24:57,010 --> 02:24:52,920

that's all we got uh good night and God

3333

02:25:26,990 --> 02:25:25,849

[Music]

3334

02:26:15,980 --> 02:25:27,000

foreign

3335

02:26:17,670 --> 02:26:15,990

[Music]

3336

02:26:45,190 --> 02:26:17,680

[Applause]

3337

02:26:45,200 --> 02:27:02,110

thank you
