

UHH OH

Truth Seekers

1
00:01:09,050 --> 00:00:19,600
[Music]

2
00:01:30,360 --> 00:01:11,020
foreign

3
00:02:06,230 --> 00:01:45,330
[Music]

4
00:02:12,350 --> 00:02:09,350
greetings and salutations friends and

5
00:02:15,170 --> 00:02:12,360
welcome back to truth Seekers today uh

6
00:02:17,690 --> 00:02:15,180
we are doing something very special uh

7
00:02:21,229 --> 00:02:17,700
and for the first time ever we've got in

8
00:02:23,150 --> 00:02:21,239
studio guest and our guest tonight uh

9
00:02:25,490 --> 00:02:23,160
you know he said a lot of nasty stuff

10
00:02:29,150 --> 00:02:25,500
but I think it's best to just you know

11
00:02:31,670 --> 00:02:29,160
uh put put things behind you and so he's

12
00:02:34,309 --> 00:02:31,680
joining us here he came all the way from

13
00:02:39,890 --> 00:02:34,319

Florida uh just to get his grift on

14

00:02:45,009 --> 00:02:41,760

hahaha

15

00:02:50,050 --> 00:02:47,570

this is the Super Chat Shuffle this is

16

00:02:52,370 --> 00:02:50,060

Super Chat Shuffle

17

00:02:54,790 --> 00:02:52,380

if you say so

18

00:02:57,770 --> 00:02:54,800

[Laughter]

19

00:03:02,809 --> 00:02:57,780

so uh we're going to welcome our first

20

00:03:04,490 --> 00:03:02,819

in studio guest uh which uh you know I

21

00:03:07,009 --> 00:03:04,500

didn't have this on my true Seekers

22

00:03:09,589 --> 00:03:07,019

bingo card that we would the first guest

23

00:03:11,390 --> 00:03:09,599

here would be you uh Richie gripped on

24

00:03:13,850 --> 00:03:11,400

well I thought you just doing such a

25

00:03:16,430 --> 00:03:13,860

good job of destroying my show I thought

26

00:03:18,970 --> 00:03:16,440

I'd uh I've come here and there you go

27

00:03:21,710 --> 00:03:18,980

that'll cost you in person

28

00:03:24,110 --> 00:03:21,720

and your neck is like sticking out of

29

00:03:25,809 --> 00:03:24,120

your whole thing it's it's all the

30

00:03:28,970 --> 00:03:25,819

Gatorade

31

00:03:31,490 --> 00:03:28,980

that's better that's better so so

32

00:03:33,949 --> 00:03:31,500

Richard griff on you've been working for

33

00:03:35,690 --> 00:03:33,959

a third phase of loon for how long now

34

00:03:41,229 --> 00:03:35,700

uh

35

00:03:43,850 --> 00:03:41,239

she left you though

36

00:03:45,350 --> 00:03:43,860

you couldn't make her come she said it's

37

00:03:47,270 --> 00:03:45,360

a secret she said you couldn't make her

38

00:03:48,949 --> 00:03:47,280

come Richie Griffith on

39

00:03:52,309 --> 00:03:48,959

women leave when you can't make them

40

00:03:55,070 --> 00:03:53,570

yeah so

41

00:03:57,470 --> 00:03:55,080

uh yeah

42

00:03:59,890 --> 00:03:57,480

the faking cancer remember you said that

43

00:04:03,949 --> 00:03:59,900

yeah he fakes cancer

44

00:04:06,770 --> 00:04:03,959

Gorilla game a fake cancer

45

00:04:10,210 --> 00:04:06,780

and and uh you really you really love

46

00:04:13,490 --> 00:04:10,220

that Nazi girl don't you oh yeah

47

00:04:14,990 --> 00:04:13,500

she's she's definitely hot right she's

48

00:04:16,430 --> 00:04:15,000

definitely hot here we're gonna get us

49

00:04:18,710 --> 00:04:16,440

both in a frame a little bit better

50

00:04:22,250 --> 00:04:18,720

don't you can't even get your show done

51
00:04:28,430 --> 00:04:25,450
how are you doing your show sucks bro

52
00:04:30,530 --> 00:04:28,440
[h__h] terrible your show is terrible

53
00:04:32,990 --> 00:04:30,540
you've been sucking the [h__h] of third

54
00:04:34,909 --> 00:04:33,000
phase for how long now your show sucks

55
00:04:37,909 --> 00:04:34,919
can you believe this guy

56
00:04:39,469 --> 00:04:37,919
they do believe me you know they don't

57
00:04:42,050 --> 00:04:39,479
believe you you got caught lying to your

58
00:04:44,590 --> 00:04:42,060
audience how many times now it was a

59
00:04:47,150 --> 00:04:44,600
vaporizer

60
00:04:49,550 --> 00:04:47,160
no he's a pointer what are you talking

61
00:04:52,610 --> 00:04:49,560
about that was a laser pointer fake

62
00:04:54,469 --> 00:04:52,620
space orb or ghost orb we proved it here

63
00:04:56,650 --> 00:04:54,479

I don't believe you

64

00:04:59,570 --> 00:04:56,660

get out of here

65

00:05:04,189 --> 00:04:59,580

Mom are you gonna start with the

66

00:05:10,430 --> 00:05:08,270

uh so uh so third phase Moon came out

67

00:05:13,370 --> 00:05:10,440

with a new documentary full of trash but

68

00:05:16,070 --> 00:05:13,380

you highly endorsed it it was great what

69

00:05:18,170 --> 00:05:16,080

are you talking about it was the best

70

00:05:20,570 --> 00:05:18,180

documentary of the Year Stephen Greer is

71

00:05:22,189 --> 00:05:20,580

my hero driving me crazy there you go

72

00:05:27,830 --> 00:05:22,199

there you go

73

00:05:30,050 --> 00:05:27,840

there we go yeah it looked like you just

74

00:05:34,010 --> 00:05:30,060

been back from like a meth binge though

75

00:05:37,249 --> 00:05:34,020

dude that's a secret I'm not supposed to

76

00:05:40,310 --> 00:05:37,259

talk about that on the internet

77

00:05:42,710 --> 00:05:40,320

so you're our first in-person uh Studio

78

00:05:45,050 --> 00:05:42,720

guest I feel honored to be it's a nice

79

00:05:47,270 --> 00:05:45,060

Studio you got here yeah it was pretty

80

00:05:49,850 --> 00:05:47,280

great how'd you do that

81

00:05:51,830 --> 00:05:49,860

yeah it's a lot of hard work you know

82

00:05:53,330 --> 00:05:51,840

you're being a little too nice so you're

83

00:05:55,730 --> 00:05:53,340

starting to make me a little suspicious

84

00:05:58,790 --> 00:05:55,740

there Richie grifter what if it's all a

85

00:06:03,590 --> 00:06:00,590

grift or whatever say anything nice

86

00:06:07,189 --> 00:06:03,600

about me or my studio you must be an

87

00:06:09,170 --> 00:06:07,199

imposter imposter yeah an imposter and

88

00:06:11,629 --> 00:06:09,180

it's imposter it's a fake Richie

89

00:06:12,730 --> 00:06:11,639

Griffith on he's not even real plot

90

00:06:19,070 --> 00:06:12,740

twists

91

00:06:21,350 --> 00:06:19,080

oh snap uh the big reveal big reveal

92

00:06:22,990 --> 00:06:21,360

hi everyone

93

00:06:26,749 --> 00:06:23,000

it's me

94

00:06:28,309 --> 00:06:26,759

spooky in the real you would have got

95

00:06:30,370 --> 00:06:28,319

away with it if I would have gone away

96

00:06:34,189 --> 00:06:30,380

with it too if it wasn't for him

97

00:06:36,409 --> 00:06:34,199

Jesus Christ hello everyone so so this

98

00:06:40,850 --> 00:06:36,419

morning Somebody's knocking on my door

99

00:06:42,350 --> 00:06:40,860

like a cop like real hard and I'm like I

100

00:06:44,870 --> 00:06:42,360

thought it was somebody sounds I'm like

101
00:06:48,110 --> 00:06:44,880
who is this [h__h] knocking on my door

102
00:06:49,450 --> 00:06:48,120
like that and I come to my door and I'm

103
00:06:53,150 --> 00:06:49,460
like

104
00:06:56,090 --> 00:06:53,160
just shocked in my skin because I've

105
00:06:58,070 --> 00:06:56,100
known spooky for years and never

106
00:07:00,170 --> 00:06:58,080
seen spooky in person I didn't think

107
00:07:02,870 --> 00:07:00,180
spooky was real I thought spooky might

108
00:07:04,610 --> 00:07:02,880
have been an AI but that is a rumor and

109
00:07:06,290 --> 00:07:04,620
I can't confirm a deny it could be a

110
00:07:09,230 --> 00:07:06,300
holographic projection from the camera

111
00:07:12,650 --> 00:07:09,240
but there in front of me at my front

112
00:07:15,650 --> 00:07:12,660
door is spooky and and I can't explain

113
00:07:17,809 --> 00:07:15,660

why spooky is here or how spooky got

114

00:07:20,809 --> 00:07:17,819

from England where the hell do you live

115

00:07:22,370 --> 00:07:20,819

in England England where the hell in

116

00:07:25,730 --> 00:07:22,380

England though there's a it's a big

117

00:07:26,629 --> 00:07:25,740

England Oxford okay so I didn't know I'm

118

00:07:33,850 --> 00:07:26,639

like

119

00:07:41,089 --> 00:07:36,589

tell me that spooky was coming just

120

00:07:42,950 --> 00:07:41,099

knocked on my door and uh interesting

121

00:07:47,110 --> 00:07:42,960

so you're just traveling I'm just

122

00:07:49,129 --> 00:07:47,120

traveling seeing the Great American uh

123

00:07:52,129 --> 00:07:49,139

Americana and by the way this is

124

00:07:54,050 --> 00:07:52,139

Spooky's FBI hat you know yeah so we

125

00:07:56,930 --> 00:07:54,060

thought it would be funny and spooky has

126

00:07:58,730 --> 00:07:56,940

uh Richie grifton's uh space force hat

127

00:07:59,930 --> 00:07:58,740

yeah it fits pretty well that's why I

128

00:08:01,370 --> 00:07:59,940

like it I might have to steal it from

129

00:08:03,409 --> 00:08:01,380

here

130

00:08:06,110 --> 00:08:03,419

somebody says that you use the

131

00:08:08,510 --> 00:08:06,120

teleporter Matthew McCloud says you used

132

00:08:11,089 --> 00:08:08,520

a teleporter from the refurbished USS

133

00:08:13,730 --> 00:08:11,099

Enterprise I did yeah are we getting

134

00:08:16,189 --> 00:08:13,740

into Star Trek already this could be a

135

00:08:18,589 --> 00:08:16,199

five hour show oh that the card in

136

00:08:20,749 --> 00:08:18,599

season three is just beautiful wonderful

137

00:08:23,809 --> 00:08:20,759

started off a little slow but now it's

138

00:08:25,309 --> 00:08:23,819

really just in time to finish it though

139

00:08:27,189 --> 00:08:25,319

and then you're gonna want more and they

140

00:08:30,469 --> 00:08:27,199

might not make more

141

00:08:33,889 --> 00:08:30,479

if you hear this make Star Trek Legacy

142

00:08:36,350 --> 00:08:33,899

yeah and it's so I don't I don't know

143

00:08:38,510 --> 00:08:36,360

what happened but spooky is here and I

144

00:08:39,649 --> 00:08:38,520

always feel this weird thing we talked

145

00:08:41,110 --> 00:08:39,659

about this when we first came to my

146

00:08:43,850 --> 00:08:41,120

house like

147

00:08:48,050 --> 00:08:43,860

Spooky's three-dimensional right yeah

148

00:08:50,030 --> 00:08:48,060

and in my reality like somebody from

149

00:08:52,430 --> 00:08:50,040

basically the virtual world who I've

150

00:08:56,389 --> 00:08:52,440

known for years in that virtual

151
00:08:59,990 --> 00:08:56,399
artificial world I'm real

152
00:09:03,050 --> 00:09:00,000
is now real and in my you just screwed

153
00:09:05,210 --> 00:09:03,060
up the whole camera spooky his job is

154
00:09:08,150 --> 00:09:05,220
real and it's in

155
00:09:09,949 --> 00:09:08,160
geez and it's in my house which was

156
00:09:12,650 --> 00:09:09,959
really weird

157
00:09:14,150 --> 00:09:12,660
kind of weird all the way it was surreal

158
00:09:15,410 --> 00:09:14,160
it was like it was very serious it was

159
00:09:17,150 --> 00:09:15,420
like moments of

160
00:09:20,570 --> 00:09:17,160
oh my God we're real we're real people

161
00:09:23,030 --> 00:09:20,580
hello but here's the good news I'm so

162
00:09:25,430 --> 00:09:23,040
bad with mailing things that's Spooky's

163
00:09:28,970 --> 00:09:25,440

Christmas gift was here in a package

164

00:09:30,889 --> 00:09:28,980

waiting and I went I'm so glad you're

165

00:09:34,310 --> 00:09:30,899

here now I don't have to go to the Post

166

00:09:36,110 --> 00:09:34,320

Office and mail this crap so uh that was

167

00:09:37,610 --> 00:09:36,120

interesting that's an awesome present by

168

00:09:39,889 --> 00:09:37,620

the way thank you very much yeah we had

169

00:09:41,509 --> 00:09:39,899

an interest I just I just gave spooky a

170

00:09:43,690 --> 00:09:41,519

book but it's a great book it's a great

171

00:09:46,730 --> 00:09:43,700

book it's a Timeless book yeah and so

172

00:09:49,850 --> 00:09:46,740

Spooky's here in in my real world which

173

00:09:51,650 --> 00:09:49,860

is a little strange and surreal but and

174

00:09:53,389 --> 00:09:51,660

what were your impressions of the studio

175

00:09:55,250 --> 00:09:53,399

and stuff because that's the same thing

176

00:09:58,310 --> 00:09:55,260

goes for you like you see this right

177

00:10:00,230 --> 00:09:58,320

it's weird virtual you see like from

178

00:10:02,690 --> 00:10:00,240

this camera angle you think it's bigger

179

00:10:04,910 --> 00:10:02,700

than it is but it's not smaller than you

180

00:10:06,230 --> 00:10:04,920

when you walk in it it feels smaller but

181

00:10:08,269 --> 00:10:06,240

then you get used to it within a couple

182

00:10:11,090 --> 00:10:08,279

of minutes right and it's

183

00:10:12,949 --> 00:10:11,100

it it actually does match with what you

184

00:10:14,810 --> 00:10:12,959

see on the show I actually cleaned

185

00:10:16,550 --> 00:10:14,820

recently so I can show the whole oh

186

00:10:17,829 --> 00:10:16,560

you're listening to listen to mine and

187

00:10:21,050 --> 00:10:17,839

your wife's advice

188

00:10:23,509 --> 00:10:21,060

Yeah clean up your room every once in a

189

00:10:24,889 --> 00:10:23,519

while it gets so gross in here but the

190

00:10:26,570 --> 00:10:24,899

problem is that I have children and it's

191

00:10:29,090 --> 00:10:26,580

a catch also my wife just throws

192

00:10:33,290 --> 00:10:29,100

everything everything that belongs to me

193

00:10:35,590 --> 00:10:33,300

in this room it's a cluttered mess oh

194

00:10:38,509 --> 00:10:35,600

that's so bad yeah

195

00:10:41,090 --> 00:10:38,519

looks good you got a good Studio here

196

00:10:42,530 --> 00:10:41,100

well it's adequate it does it does what

197

00:10:45,710 --> 00:10:42,540

we need to do

198

00:10:49,730 --> 00:10:45,720

and uh that's good enough for me yeah so

199

00:10:52,130 --> 00:10:49,740

it's interesting that you're here and uh

200

00:10:53,810 --> 00:10:52,140

where you're off to uh some other part

201
00:10:56,449 --> 00:10:53,820
of the United States next on your I

202
00:10:58,810 --> 00:10:56,459
can't say anything going yeah I'm on a

203
00:11:02,449 --> 00:10:58,820
strange Journey

204
00:11:04,490 --> 00:11:02,459
it's all secret and spooky Camp okay I I

205
00:11:08,150 --> 00:11:04,500
look for the KGB

206
00:11:09,590 --> 00:11:08,160
um well it's more FSB but I know what is

207
00:11:11,150 --> 00:11:09,600
the British intelligence service called

208
00:11:13,610 --> 00:11:11,160
I can't remember

209
00:11:16,630 --> 00:11:13,620
I might buy it but they suck MI5 you're

210
00:11:19,750 --> 00:11:16,640
MI5 I thought no that's what they think

211
00:11:23,449 --> 00:11:19,760
I'm ready

212
00:11:27,290 --> 00:11:23,459
but anyway on this rare occasion that

213
00:11:30,110 --> 00:11:27,300

spooky and I uh who work on true Seekers

214

00:11:32,269 --> 00:11:30,120

together on this rare occasion that we

215

00:11:34,310 --> 00:11:32,279

could actually be in the same room and

216

00:11:36,530 --> 00:11:34,320

and say hello to the audience here I

217

00:11:37,910 --> 00:11:36,540

wanted to make sure that we do that we

218

00:11:40,250 --> 00:11:37,920

went out to a Japanese restaurant

219

00:11:42,590 --> 00:11:40,260

earlier yeah that was nice dinner I've

220

00:11:45,230 --> 00:11:42,600

never been in a sushi restaurant in my

221

00:11:46,750 --> 00:11:45,240

life so you know what I ordered

222

00:11:51,650 --> 00:11:46,760

fries

223

00:11:53,569 --> 00:11:51,660

yes and oh by the way they have more

224

00:11:56,269 --> 00:11:53,579

than just Sushi I I had like shrimp

225

00:11:58,490 --> 00:11:56,279

tempura right right interesting but it's

226

00:12:00,889 --> 00:11:58,500

not my thing yeah they have like regular

227

00:12:03,050 --> 00:12:00,899

food and and stuff besides this I I'm

228

00:12:04,370 --> 00:12:03,060

not as much as I love Seafood I'm not a

229

00:12:06,110 --> 00:12:04,380

sushi fan if you're going to give me

230

00:12:10,069 --> 00:12:06,120

fish I want you to cook it first right

231

00:12:11,930 --> 00:12:10,079

so but we had a great dinner and uh yeah

232

00:12:14,329 --> 00:12:11,940

we're gonna hang out for a while and

233

00:12:17,810 --> 00:12:14,339

then I'm gonna throw spooky out and

234

00:12:20,150 --> 00:12:17,820

Drive spooky to a spooky is staying at a

235

00:12:22,430 --> 00:12:20,160

hotel that spooky could walk to my house

236

00:12:24,290 --> 00:12:22,440

from the hotel I don't know how any of

237

00:12:26,690 --> 00:12:24,300

this happened or how it all worked out

238

00:12:28,790 --> 00:12:26,700

but you could walk to the hotel where

239

00:12:30,530 --> 00:12:28,800

spooky is staying from my house in like

240

00:12:32,329 --> 00:12:30,540

five well someone called anyway use the

241

00:12:34,009 --> 00:12:32,339

teleport the teleporter from the new

242

00:12:35,930 --> 00:12:34,019

Star Trek right yeah from the from the

243

00:12:40,310 --> 00:12:35,940

grocery store and it turns me into a

244

00:12:43,310 --> 00:12:40,320

borg drawer so you know

245

00:12:46,430 --> 00:12:43,320

yeah so I'm just catching up with the

246

00:12:48,110 --> 00:12:46,440

live chats any uh yeah people are asking

247

00:12:50,150 --> 00:12:48,120

us of course tomorrow night we're gonna

248

00:12:51,949 --> 00:12:50,160

we did tune in for a few minutes we did

249

00:12:53,870 --> 00:12:51,959

tune in while we were eating and we just

250

00:12:55,490 --> 00:12:53,880

it got nonsensical and I just said turn

251

00:12:57,769 --> 00:12:55,500

it off let's just eat I don't want to

252

00:12:59,810 --> 00:12:57,779

listen to this but tomorrow night of

253

00:13:03,650 --> 00:12:59,820

course we'll be breaking down David

254

00:13:06,490 --> 00:13:03,660

Wilcox latest Nutter you know uh

255

00:13:10,069 --> 00:13:06,500

stream-a-thon what was that jacket about

256

00:13:12,889 --> 00:13:10,079

I think he's having a competition like

257

00:13:14,990 --> 00:13:12,899

when I was a stage magician and Stage

258

00:13:17,269 --> 00:13:15,000

magicians did that it was like let's see

259

00:13:20,569 --> 00:13:17,279

who can wear the gayest jacket to this

260

00:13:22,129 --> 00:13:20,579

show you know like I'm not gay I like

261

00:13:25,069 --> 00:13:22,139

gay clothes

262

00:13:27,170 --> 00:13:25,079

Mr Ian wants me to take you to Hooters I

263

00:13:29,449 --> 00:13:27,180

don't know if there's a Hooters nearby I

264

00:13:33,110 --> 00:13:29,459

think so I've ever been to you mean

265

00:13:35,269 --> 00:13:33,120

spooky Morales no spooky who may work

266

00:13:37,730 --> 00:13:35,279

does all the artwork for truth Seekers

267

00:13:39,829 --> 00:13:37,740

and the and the thumbnails and today was

268

00:13:42,170 --> 00:13:39,839

the laziest thumbnail I've ever made in

269

00:13:45,110 --> 00:13:42,180

my life it was cookie made it on the

270

00:13:47,150 --> 00:13:45,120

phone Stephen was like you can make them

271

00:13:49,310 --> 00:13:47,160

on your phone and never do something

272

00:13:53,870 --> 00:13:49,320

yeah

273

00:13:55,610 --> 00:13:53,880

I'm sure a lot of you watched it we'll

274

00:13:58,250 --> 00:13:55,620

be covering it tomorrow night 9 p.m

275

00:13:59,389 --> 00:13:58,260

eastern time this is just uh yeah

276

00:14:01,509 --> 00:13:59,399

somebody wants me to take you to

277

00:14:04,370 --> 00:14:01,519

Kensington

278

00:14:06,290 --> 00:14:04,380

yeah I said earlier that I could drive

279

00:14:08,210 --> 00:14:06,300

spooky down to Kensington to see the

280

00:14:10,190 --> 00:14:08,220

hookers and the and the pimps you know

281

00:14:13,430 --> 00:14:10,200

hookers and pimps and crackheads oh my

282

00:14:16,129 --> 00:14:13,440

right but uh because Spooky's like this

283

00:14:17,470 --> 00:14:16,139

is such a nice neighborhood it is but

284

00:14:20,389 --> 00:14:17,480

it's like

285

00:14:22,069 --> 00:14:20,399

you know the city is miles from us so

286

00:14:24,410 --> 00:14:22,079

we're very insulated here in the

287

00:14:26,269 --> 00:14:24,420

Philadelphia suburbs it's you know it's

288

00:14:28,129 --> 00:14:26,279

like the land of

289

00:14:29,750 --> 00:14:28,139

Mike Leave it to Beaver it looks like

290

00:14:32,210 --> 00:14:29,760

around here doesn't it or like The Brady

291

00:14:36,470 --> 00:14:32,220

Bunch yeah like Brady bunches yeah it's

292

00:14:43,730 --> 00:14:38,750

yeah we got away with

293

00:14:46,910 --> 00:14:45,650

so it's almost as I need a Cheesesteak I

294

00:14:49,610 --> 00:14:46,920

agree

295

00:14:51,350 --> 00:14:49,620

um I'm I want to make the time somehow

296

00:14:52,670 --> 00:14:51,360

I'm like we could take you down the

297

00:14:54,769 --> 00:14:52,680

street to the pizza place and get a

298

00:14:57,470 --> 00:14:54,779

cheesesteak on the way home on your way

299

00:15:00,470 --> 00:14:57,480

on my way taking you to the uh

300

00:15:03,470 --> 00:15:00,480

but

301
00:15:05,090 --> 00:15:03,480
spooky I we go out to dinner and like

302
00:15:07,009 --> 00:15:05,100
I'm eating a full meal I had another

303
00:15:09,829 --> 00:15:07,019
friend with me that got a bunch of food

304
00:15:11,449 --> 00:15:09,839
like a full meal and some appetizers I

305
00:15:13,430 --> 00:15:11,459
got a full meal and appetizer Spooky's

306
00:15:16,430 --> 00:15:13,440
like no I just want an egg roll and

307
00:15:19,370 --> 00:15:16,440
french fries I'm like come on dude you

308
00:15:21,110 --> 00:15:19,380
know I eat simple and small like I don't

309
00:15:22,610 --> 00:15:21,120
know I try to give coffee yeah but that

310
00:15:25,150 --> 00:15:22,620
makes me feel uncomfortable because I'm

311
00:15:27,550 --> 00:15:25,160
eating like a soup and salad

312
00:15:29,449 --> 00:15:27,560
stuff like

313
00:15:31,030 --> 00:15:29,459

enjoy your food

314

00:15:34,009 --> 00:15:31,040

it's for years

315

00:15:36,949 --> 00:15:34,019

maybe maybe you got like a travel budget

316

00:15:39,530 --> 00:15:36,959

though but like it was on me so I was

317

00:15:43,310 --> 00:15:39,540

like dude buy one get something bigger

318

00:15:45,350 --> 00:15:43,320

or better but luckily my wife did uh put

319

00:15:47,710 --> 00:15:45,360

out all these I don't even know what it

320

00:15:50,449 --> 00:15:47,720

is cheese cheese

321

00:15:59,050 --> 00:15:50,459

and a fruit tray and all this my wife

322

00:16:04,850 --> 00:16:02,210

so she knew somebody was coming and uh

323

00:16:07,389 --> 00:16:04,860

had all kinds of wonderful food and

324

00:16:10,129 --> 00:16:07,399

snacks and beverages

325

00:16:11,990 --> 00:16:10,139

yeah no you're welcome to it we've got a

326

00:16:13,790 --> 00:16:12,000

deli trade for you we'll get you

327

00:16:15,650 --> 00:16:13,800

Cheesesteak you might not get a chance

328

00:16:17,569 --> 00:16:15,660

to get a Cheesesteak ever again and you

329

00:16:20,150 --> 00:16:17,579

don't want to miss that that's true

330

00:16:22,670 --> 00:16:20,160

yeah he had a pink donut for breakfast

331

00:16:24,829 --> 00:16:22,680

well there's the benefit of Twitter so

332

00:16:26,930 --> 00:16:24,839

we can find out importance about like

333

00:16:28,730 --> 00:16:26,940

what did smoothie have for breakfast

334

00:16:30,230 --> 00:16:28,740

today I only got it because it looked

335

00:16:32,710 --> 00:16:30,240

like the Homer Simpson daughter and I

336

00:16:35,750 --> 00:16:32,720

was like I needed coffee

337

00:16:37,610 --> 00:16:35,760

and the funny thing is I didn't know

338

00:16:38,990 --> 00:16:37,620

about that post so the first thing I did

339

00:16:39,790 --> 00:16:39,000

is go in the fridge and go do you want

340

00:16:42,470 --> 00:16:39,800

something

341

00:16:45,290 --> 00:16:42,480

Donuts I really did and we had danishes

342

00:16:47,749 --> 00:16:45,300

too but I just had a massive coffee so

343

00:16:50,210 --> 00:16:47,759

yeah and interestingly we don't drink

344

00:16:52,370 --> 00:16:50,220

coffee here my wife just recently got a

345

00:16:55,610 --> 00:16:52,380

Keurig machine is that what's called a

346

00:16:57,470 --> 00:16:55,620

Keurig I think yeah yeah just in time

347

00:16:59,329 --> 00:16:57,480

because Spooky's a coffee drinker so I

348

00:17:01,730 --> 00:16:59,339

was happy that my wife got that and

349

00:17:04,069 --> 00:17:01,740

coffee everybody can have coffee here

350

00:17:05,750 --> 00:17:04,079

now and uh that was good coffee too it

351
00:17:08,929 --> 00:17:05,760
was like french vanilla with some cream

352
00:17:10,909 --> 00:17:08,939
art it was oh it's strange Recon radio

353
00:17:14,030 --> 00:17:10,919
says I'm following the adventure via

354
00:17:15,770 --> 00:17:14,040
Twitter it's totally no context it's

355
00:17:17,750 --> 00:17:15,780
absolutely great I hope everybody yeah

356
00:17:20,090 --> 00:17:17,760
and by the way I did know that spooky

357
00:17:22,490 --> 00:17:20,100
was in New York but I didn't know that

358
00:17:24,289 --> 00:17:22,500
spooky was coming here which is really

359
00:17:25,490 --> 00:17:24,299
only like two or three hours right it

360
00:17:27,350 --> 00:17:25,500
was like an hour

361
00:17:28,870 --> 00:17:27,360
oh there's no traffic on the turnpike so

362
00:17:32,570 --> 00:17:28,880
it was like it was it was really easy

363
00:17:35,150 --> 00:17:32,580

yeah so New York's closer than you think

364

00:17:37,370 --> 00:17:35,160

but uh that was quite a shock answering

365

00:17:39,289 --> 00:17:37,380

my door today is

366

00:17:41,450 --> 00:17:39,299

any [h__h] in this country

367

00:17:43,250 --> 00:17:41,460

that's what I said Jesus don't let

368

00:17:45,169 --> 00:17:43,260

anybody in this country and the other

369

00:17:47,870 --> 00:17:45,179

thing that I said was

370

00:17:49,789 --> 00:17:47,880

I don't ever remember giving spooky my

371

00:17:52,490 --> 00:17:49,799

address but we've been doxed here at

372

00:17:54,590 --> 00:17:52,500

true Seekers so many times

373

00:17:56,870 --> 00:17:54,600

spooky copy and paste it from one of the

374

00:17:58,909 --> 00:17:56,880

docsings to do this I committed it to

375

00:18:01,010 --> 00:17:58,919

memory dude I'm an AI I can just look at

376

00:18:03,650 --> 00:18:01,020

things and remember them it's spooky U.S

377

00:18:06,650 --> 00:18:03,660

cabal tour it is the cabal tour I am the

378

00:18:08,289 --> 00:18:06,660

leader of the intellectual cabal web if

379

00:18:13,669 --> 00:18:08,299

if you're following along

380

00:18:17,810 --> 00:18:16,430

yeah definitely sorry I'm hostile to

381

00:18:20,330 --> 00:18:17,820

idiots

382

00:18:21,710 --> 00:18:20,340

yeah so any comments or questions for me

383

00:18:24,470 --> 00:18:21,720

or spooky please put them in all capital

384

00:18:26,990 --> 00:18:24,480

letters we're going to call it just do a

385

00:18:28,730 --> 00:18:27,000

quick stream to say hello did you drive

386

00:18:30,890 --> 00:18:28,740

on the right side of the road do you

387

00:18:32,510 --> 00:18:30,900

mean the correct side of the road and it

388

00:18:35,090 --> 00:18:32,520

depends on the country you're in yeah we

389

00:18:37,310 --> 00:18:35,100

did I did which is the correct side of

390

00:18:40,669 --> 00:18:37,320

the road right uh it's the the middle

391

00:18:42,770 --> 00:18:40,679

like Meridian is the correct it's a milk

392

00:18:45,470 --> 00:18:42,780

toast position and kind of dangerous but

393

00:18:46,730 --> 00:18:45,480

you can you can do it for a while and

394

00:18:50,029 --> 00:18:46,740

then the state troopers will pull you

395

00:18:52,370 --> 00:18:50,039

over and you know Steve long says was

396

00:18:55,070 --> 00:18:52,380

just in Philly two hours ago well you

397

00:18:58,510 --> 00:18:55,080

didn't invite us I'm only half hour from

398

00:19:04,010 --> 00:19:01,789

what legal stuff are you guys so in

399

00:19:06,350 --> 00:19:04,020

Manhattan I went to a dispensary and is

400

00:19:08,630 --> 00:19:06,360

it legal there yeah right it's kind of

401
00:19:11,390 --> 00:19:08,640
gray area but oh okay uh so there was a

402
00:19:13,789 --> 00:19:11,400
sign on the dispensary that said come

403
00:19:16,549 --> 00:19:13,799
see me about a free pre-roll so I go in

404
00:19:18,710 --> 00:19:16,559
and I get quiz on the primary colors of

405
00:19:20,210 --> 00:19:18,720
Gatorade which I got correct even though

406
00:19:21,710 --> 00:19:20,220
I don't really drink Gatorade so it gave

407
00:19:23,029 --> 00:19:21,720
me a pre-roll and then they upsold me on

408
00:19:27,010 --> 00:19:23,039
the eighth that I'm never gonna smoke

409
00:19:31,430 --> 00:19:29,450
what I got was like a really nice sativa

410
00:19:33,830 --> 00:19:31,440
like I smoked that pre-roll like sat

411
00:19:35,870 --> 00:19:33,840
look from on the Jersey Shore looking at

412
00:19:37,789 --> 00:19:35,880
Manhattan skyline and I sat on a bench

413
00:19:40,430 --> 00:19:37,799

and smoked that joint and it was

414

00:19:42,650 --> 00:19:40,440

amazing that was an experience memories

415

00:19:44,150 --> 00:19:42,660

were made and that was legal and it was

416

00:19:46,190 --> 00:19:44,160

totally legal I was sat there just like

417

00:19:48,289 --> 00:19:46,200

everybody's clear because we can't

418

00:19:51,529 --> 00:19:48,299

support or condone any place where it's

419

00:19:52,990 --> 00:19:51,539

not legal do you miss the UK already

420

00:19:56,090 --> 00:19:53,000

but

421

00:19:59,450 --> 00:19:56,100

why why would I

422

00:20:03,590 --> 00:19:59,460

it's flat there's nothing to do

423

00:20:05,510 --> 00:20:03,600

here everything is big and exciting

424

00:20:07,190 --> 00:20:05,520

really weird everything is slightly

425

00:20:08,750 --> 00:20:07,200

weird here which has taken some getting

426
00:20:12,830 --> 00:20:08,760
used to

427
00:20:14,690 --> 00:20:12,840
well uh yeah and it's a little more open

428
00:20:16,490 --> 00:20:14,700
and spread out and less congested yeah

429
00:20:17,930 --> 00:20:16,500
than you're used to maybe very

430
00:20:20,870 --> 00:20:17,940
industrialized too especially like this

431
00:20:22,330 --> 00:20:20,880
area like some places like it was just

432
00:20:24,770 --> 00:20:22,340
like factory factory

433
00:20:26,330 --> 00:20:24,780
yeah half of most of them are just

434
00:20:29,090 --> 00:20:26,340
sitting there vacant not doing anything

435
00:20:29,950 --> 00:20:29,100
but yeah

436
00:20:32,630 --> 00:20:29,960
yeah

437
00:20:36,230 --> 00:20:32,640
I don't know what that's about you gotta

438
00:20:38,270 --> 00:20:36,240

drive to Colorado and meet up Wilcox

439

00:20:39,830 --> 00:20:38,280

well stranger things have happened and

440

00:20:42,010 --> 00:20:39,840

be careful what you wish for that's all

441

00:20:44,930 --> 00:20:42,020

I have to say on that

442

00:20:47,330 --> 00:20:44,940

what plans do you have for the U.S while

443

00:20:49,130 --> 00:20:47,340

you're here I'm on the intellectual

444

00:20:52,730 --> 00:20:49,140

cabal web tour I'm going around

445

00:20:54,350 --> 00:20:52,740

spreading uh my my hateful hateful

446

00:20:55,970 --> 00:20:54,360

nature

447

00:20:57,850 --> 00:20:55,980

um absolutely I'm gonna come down to

448

00:21:00,529 --> 00:20:57,860

your grandma's watch out

449

00:21:02,450 --> 00:21:00,539

it's gonna be great it's gonna be great

450

00:21:04,669 --> 00:21:02,460

I've got a lot of cool people I'm gonna

451

00:21:06,350 --> 00:21:04,679

meet um this isn't the only uh little

452

00:21:08,330 --> 00:21:06,360

combo show I'm gonna be doing I'm gonna

453

00:21:09,590 --> 00:21:08,340

on my own channel that one time I was a

454

00:21:11,690 --> 00:21:09,600

duck by aliens I'll be doing some

455

00:21:13,549 --> 00:21:11,700

crossover shows in California when I'm

456

00:21:14,390 --> 00:21:13,559

out there

457

00:21:16,970 --> 00:21:14,400

um so

458

00:21:20,029 --> 00:21:16,980

go tune into that if you want to have a

459

00:21:23,510 --> 00:21:20,039

fun time and see see more of me not in

460

00:21:26,150 --> 00:21:23,520

my office and the Crystal hippie [h__h]

461

00:21:27,650 --> 00:21:26,160

that's so mean I like Crystal hippie

462

00:21:30,710 --> 00:21:27,660

[h__h] most of the time they're

463

00:21:32,750 --> 00:21:30,720

interesting and they're a little wacky

464

00:21:34,909 --> 00:21:32,760

I did enjoy meeting up with local

465

00:21:38,570 --> 00:21:34,919

friends in New York City occult Journeys

466

00:21:40,909 --> 00:21:38,580

it was excellent it was most excellent

467

00:21:42,830 --> 00:21:40,919

I did I actually I hung out with uh some

468

00:21:44,810 --> 00:21:42,840

very very cool people what's a range

469

00:21:47,690 --> 00:21:44,820

session they said I should take you out

470

00:21:49,250 --> 00:21:47,700

for a range oh yeah that's one thing I

471

00:21:51,590 --> 00:21:49,260

want to try while I'm here is like if I

472

00:21:54,169 --> 00:21:51,600

get the time to go to a shooting range

473

00:21:56,090 --> 00:21:54,179

I'm not far from here like I didn't get

474

00:21:57,409 --> 00:21:56,100

that opportunity in the UK so like just

475

00:21:59,570 --> 00:21:57,419

to be able to fire a gun what happened

476

00:22:01,789 --> 00:21:59,580

to praise the cash Trixie well I don't

477

00:22:05,330 --> 00:22:01,799

think I missed any super chats we didn't

478

00:22:08,270 --> 00:22:05,340

we didn't have a raise the cash moment

479

00:22:10,669 --> 00:22:08,280

so if people would prefer I use Trixie

480

00:22:13,010 --> 00:22:10,679

today that's fine why won't we ask

481

00:22:15,909 --> 00:22:13,020

people to donate if they want me to

482

00:22:19,070 --> 00:22:15,919

leave you alone forever

483

00:22:20,750 --> 00:22:19,080

I know I wasn't gonna do this but he's

484

00:22:22,070 --> 00:22:20,760

like no we should do we should do it

485

00:22:24,230 --> 00:22:22,080

we're not gonna get another opportunity

486

00:22:27,470 --> 00:22:24,240

like at least for a while

487

00:22:29,149 --> 00:22:27,480

oh uh beginning no we didn't get any yet

488

00:22:30,649 --> 00:22:29,159

today so that's why you haven't seen

489

00:22:32,029 --> 00:22:30,659

Trixie

490

00:22:33,830 --> 00:22:32,039

yeah

491

00:22:36,289 --> 00:22:33,840

so what what did the chat think of uh

492

00:22:37,610 --> 00:22:36,299

Wilcox today yeah we haven't seen the

493

00:22:39,409 --> 00:22:37,620

whole thing we just saw like a few

494

00:22:41,149 --> 00:22:39,419

minutes of ridiculousness and I got

495

00:22:52,630 --> 00:22:41,159

discussed it and said turn it off turn

496

00:22:57,350 --> 00:22:55,130

my next my next door neighbors are

497

00:22:59,950 --> 00:22:57,360

having a fireworks display to honor

498

00:23:03,950 --> 00:22:59,960

Spooky's visit sure

499

00:23:07,010 --> 00:23:05,870

spooky make time to go to a shooting

500

00:23:08,630 --> 00:23:07,020

range

501
00:23:11,149 --> 00:23:08,640
this this is what I want to do I want

502
00:23:16,690 --> 00:23:11,159
like if I if I wait you can't shoot guns

503
00:23:20,690 --> 00:23:18,770
arrival no

504
00:23:23,510 --> 00:23:20,700
um every year around this time my wife

505
00:23:27,110 --> 00:23:23,520
goes a little woman crazy and makes me

506
00:23:28,909 --> 00:23:27,120
clean and declutter everything in the

507
00:23:31,430 --> 00:23:28,919
house in my office

508
00:23:33,950 --> 00:23:31,440
um and so it just so happened that I was

509
00:23:35,029 --> 00:23:33,960
doing that and then spooky showed up but

510
00:23:37,070 --> 00:23:35,039
thank you for your kindness your

511
00:23:39,169 --> 00:23:37,080
generosity and support and strange Recon

512
00:23:42,830 --> 00:23:39,179
radio with dollar Super Chat as well

513
00:23:45,169 --> 00:23:42,840

we've got UFO John Doe right now let me

514

00:23:47,149 --> 00:23:45,179

find that you know what the danger is

515

00:23:49,310 --> 00:23:47,159

one of these Trixie bumpers the music

516

00:23:51,710 --> 00:23:49,320

suddenly became copyrighted over and I

517

00:23:53,810 --> 00:23:51,720

don't remember ever which one it is so I

518

00:23:56,630 --> 00:23:53,820

have to try to okay no that one's good

519

00:23:58,669 --> 00:23:56,640

we'll have Trixie thank you guys for

520

00:24:02,390 --> 00:23:58,679

praising the trixies in the back in the

521

00:24:05,450 --> 00:24:02,400

champagne room right yeah

522

00:24:06,710 --> 00:24:05,460

quartered away back then yeah

523

00:24:09,370 --> 00:24:06,720

she might come out again if people

524

00:24:12,770 --> 00:24:09,380

donate one you never know

525

00:24:14,390 --> 00:24:12,780

I said when she came on and reminded me

526
00:24:16,549 --> 00:24:14,400
of that scene of Young Frankenstein when

527
00:24:18,770 --> 00:24:16,559
Gene Wilder explained what

528
00:24:20,510 --> 00:24:18,780
things yeah

529
00:24:21,710 --> 00:24:20,520
are you heading back to New York they

530
00:24:24,049 --> 00:24:21,720
want to know

531
00:24:25,730 --> 00:24:24,059
um I think he's headed west next

532
00:24:27,890 --> 00:24:25,740
I'll go get back to New York but then

533
00:24:30,529 --> 00:24:27,900
haven't watched yet

534
00:24:31,490 --> 00:24:30,539
it's gonna be uh it's gonna be fun a fun

535
00:24:33,649 --> 00:24:31,500
time

536
00:24:35,210 --> 00:24:33,659
this is only the beginning of the

537
00:24:36,710 --> 00:24:35,220
adventure so

538
00:24:38,690 --> 00:24:36,720

yeah you're gonna be here for like a

539

00:24:41,090 --> 00:24:38,700

month right I'm here for the next 19

540

00:24:43,789 --> 00:24:41,100

days did you get to drive in the US yet

541

00:24:45,649 --> 00:24:43,799

no I don't I don't drive yeah so how did

542

00:24:47,510 --> 00:24:45,659

I get it that'd be nice well you're in a

543

00:24:52,870 --> 00:24:47,520

hotel five minute walk from here so that

544

00:24:59,090 --> 00:24:56,510

I just gave three Seekers 30 of my total

545

00:25:01,310 --> 00:24:59,100

savings thanks dude I'm just so sorry

546

00:25:03,649 --> 00:25:01,320

I'll come and give five dollars to your

547

00:25:05,990 --> 00:25:03,659

show uh the next time I see you

548

00:25:09,409 --> 00:25:06,000

streaming we want to support our

549

00:25:14,350 --> 00:25:11,750

yeah so what an interesting day this has

550

00:25:16,730 --> 00:25:14,360

turned out to me it's been a wild day

551

00:25:19,070 --> 00:25:16,740

in one of those days I will remember

552

00:25:21,350 --> 00:25:19,080

there's a shock of my life

553

00:25:26,090 --> 00:25:21,360

I thought it was some [h__h] sell me

554

00:25:32,930 --> 00:25:31,010

only 30 he gave us a dollar though

555

00:25:36,890 --> 00:25:32,940

that was in his savings

556

00:25:39,169 --> 00:25:36,900

that's uh that's really not good yeah

557

00:25:42,110 --> 00:25:39,179

never gonna give never gonna give well

558

00:25:44,810 --> 00:25:42,120

it'll talk yeah so we'll be back

559

00:25:48,010 --> 00:25:44,820

tomorrow night to do a full Regular Show

560

00:25:51,409 --> 00:25:48,020

it'll probably be a little long because

561

00:25:52,510 --> 00:25:51,419

uh how long was today's stream I don't

562

00:25:55,010 --> 00:25:52,520

know I'm gonna

563

00:25:56,690 --> 00:25:55,020

he'll still be going yeah for all we

564

00:25:59,230 --> 00:25:56,700

know he could still be going oh he

565

00:26:04,789 --> 00:26:01,669

oh that's last week's let's see if he's

566

00:26:07,190 --> 00:26:04,799

got this week up I don't know

567

00:26:08,930 --> 00:26:07,200

oh it's only two hours

568

00:26:11,950 --> 00:26:08,940

what is with that thumbnail the second

569

00:26:17,090 --> 00:26:14,810

I'll share this so that people could see

570

00:26:20,169 --> 00:26:17,100

he got a thumbnail he's so proud of

571

00:26:25,130 --> 00:26:21,970

thumbnail

572

00:26:26,930 --> 00:26:25,140

look at my sparkly shoes

573

00:26:29,750 --> 00:26:26,940

hahaha

574

00:26:31,789 --> 00:26:29,760

this is the land of Bizarro land and he

575

00:26:34,970 --> 00:26:31,799

still has the Blue Halo light behind him

576

00:26:36,830 --> 00:26:34,980

what's with the shoe that he's proud of

577

00:26:39,590 --> 00:26:36,840

those shoes they're sparkly

578

00:26:41,090 --> 00:26:39,600

I don't get it I don't get it but the

579

00:26:43,010 --> 00:26:41,100

last one was two hours and 40 minutes so

580

00:26:44,330 --> 00:26:43,020

this one's only two hours which means I

581

00:26:46,669 --> 00:26:44,340

should be able to get through it in four

582

00:26:48,430 --> 00:26:46,679

hours we could do it all in one shot

583

00:26:50,649 --> 00:26:48,440

what else about them

584

00:26:53,570 --> 00:26:50,659

yes it is

585

00:26:55,549 --> 00:26:53,580

hey I don't I'm not jealous of you

586

00:26:59,390 --> 00:26:55,559

having to sit through it I mean I had to

587

00:27:02,330 --> 00:26:59,400

sit through last weeks and it was just

588

00:27:04,549 --> 00:27:02,340

I wanted to die well now I'm doing it

589

00:27:05,990 --> 00:27:04,559

new I'm not listening to the whole thing

590

00:27:07,610 --> 00:27:06,000

first and making notes I'm just

591

00:27:10,070 --> 00:27:07,620

listening to it with you guys I can't

592

00:27:12,350 --> 00:27:10,080

listen to it twice that's too much BS

593

00:27:13,909 --> 00:27:12,360

and my brain and my ears like feel like

594

00:27:16,130 --> 00:27:13,919

they're gonna explode after a while from

595

00:27:17,810 --> 00:27:16,140

that guy but what do you think

596

00:27:19,549 --> 00:27:17,820

you've been watching this guy for as

597

00:27:22,789 --> 00:27:19,559

long as me like all of a sudden now he's

598

00:27:25,850 --> 00:27:22,799

turning into like Jesus and Angels away

599

00:27:28,490 --> 00:27:25,860

from Aliens and that's been it's been

600

00:27:31,029 --> 00:27:28,500

kind of a creeping thing like back in

601
00:27:34,990 --> 00:27:31,039
say like five years ago there was this

602
00:27:37,490 --> 00:27:35,000
influx of this kind of Christian

603
00:27:39,169 --> 00:27:37,500
right-wing view that got kind of infused

604
00:27:41,870 --> 00:27:39,179
into the and it came through a lot of

605
00:27:44,029 --> 00:27:41,880
the the Boon on stuff the q-tart stuff

606
00:27:46,610 --> 00:27:44,039
yeah so like

607
00:27:49,130 --> 00:27:46,620
as that died away all that was left was

608
00:27:50,630 --> 00:27:49,140
the the Christian aspects which is you

609
00:27:52,490 --> 00:27:50,640
know what just playing through his base

610
00:27:54,529 --> 00:27:52,500
now I guess you know

611
00:27:56,750 --> 00:27:54,539
do you think he's playing to like far

612
00:27:58,730 --> 00:27:56,760
right wing christian leaning people now

613
00:28:00,950 --> 00:27:58,740

he's playing for the far well far right

614

00:28:03,529 --> 00:28:00,960

but like the right wing New Age crowd

615

00:28:05,570 --> 00:28:03,539

and there's a lot of them yeah the hell

616

00:28:07,310 --> 00:28:05,580

of a lot I was really surprised how many

617

00:28:09,710 --> 00:28:07,320

of them jumped on the on the buenan

618

00:28:11,269 --> 00:28:09,720

thing because I thought these these

619

00:28:13,430 --> 00:28:11,279

people are not going to embrace this

620

00:28:17,090 --> 00:28:13,440

message of like let's arrest everybody

621

00:28:21,710 --> 00:28:17,100

and you know well it's it's one of these

622

00:28:24,230 --> 00:28:21,720

uh almost biblical things like cute boo

623

00:28:27,470 --> 00:28:24,240

is God in that situation and they're

624

00:28:30,049 --> 00:28:27,480

hanging on every word that is said

625

00:28:31,789 --> 00:28:30,059

and it's uh for you know follow along

626
00:28:33,590 --> 00:28:31,799
and you'll get the answers to the

627
00:28:35,390 --> 00:28:33,600
universe kind of thing when the urine

628
00:28:37,669 --> 00:28:35,400
and fiber says honestly not sure you can

629
00:28:40,789 --> 00:28:37,679
handle it in one shot I was on the

630
00:28:41,710 --> 00:28:40,799
struggle so bad you did the world's work

631
00:28:44,870 --> 00:28:41,720
there

632
00:28:48,890 --> 00:28:44,880
good job an angel Michael is very very

633
00:28:54,169 --> 00:28:51,909
trust me bro trust me bro

634
00:28:55,970 --> 00:28:54,179
yeah it does feel a little bit like a

635
00:28:58,190 --> 00:28:55,980
Bill and Ted party we're like giddy

636
00:29:00,649 --> 00:28:58,200
weird you know like I can't believe

637
00:29:04,130 --> 00:29:00,659
you're here this is weird this is weird

638
00:29:05,570 --> 00:29:04,140

man the internet's a hell of a drug

639

00:29:07,130 --> 00:29:05,580

yeah

640

00:29:09,289 --> 00:29:07,140

how do you afford all the travel

641

00:29:11,390 --> 00:29:09,299

expenses I saved up for a really long

642

00:29:14,029 --> 00:29:11,400

time and it's a working vacation as well

643

00:29:16,850 --> 00:29:14,039

I'm not here wrong yeah happy Sunday our

644

00:29:19,850 --> 00:29:16,860

Warrior good to see you and we have Leah

645

00:29:21,850 --> 00:29:19,860

Prime says spooky which you also met on

646

00:29:25,190 --> 00:29:21,860

your uh yeah

647

00:29:26,330 --> 00:29:25,200

we planned the the next year's worth of

648

00:29:28,070 --> 00:29:26,340

cabal

649

00:29:30,590 --> 00:29:28,080

activity

650

00:29:34,750 --> 00:29:30,600

the narratives are set the timeline has

651
00:29:40,010 --> 00:29:38,570
Wilcox got bedazzled loafers yeah I saw

652
00:29:41,090 --> 00:29:40,020
that in the thumbnail like what's going

653
00:29:44,029 --> 00:29:41,100
on with it

654
00:29:46,010 --> 00:29:44,039
like he's got bedazzled so he's gonna

655
00:29:47,930 --> 00:29:46,020
it's not like braiding his hair with

656
00:29:50,149 --> 00:29:47,940
golden [h__h] you know like he's gonna

657
00:29:52,070 --> 00:29:50,159
just get more and more like well that's

658
00:29:54,769 --> 00:29:52,080
what I mean I look tougher it's probably

659
00:29:58,610 --> 00:29:54,779
just the FBI it's probably just the FBI

660
00:30:01,370 --> 00:29:58,620
hat and things it does add an air of

661
00:30:03,289 --> 00:30:01,380
authority I don't like wearing an FBI

662
00:30:06,470 --> 00:30:03,299
hat I'm not a big fan of the feds you

663
00:30:09,230 --> 00:30:06,480

[h__h] fed I got two hives come at me

664

00:30:12,230 --> 00:30:09,240

bro are you spending one night at the

665

00:30:14,389 --> 00:30:12,240

Mansion at David's mansion

666

00:30:16,730 --> 00:30:14,399

he has a mansion

667

00:30:19,909 --> 00:30:16,740

there's a mansion he's got a log cabin

668

00:30:22,130 --> 00:30:19,919

Mansion remember oh [h__h] pulling on yeah

669

00:30:24,130 --> 00:30:22,140

I'm pulling on pulled in crazies of all

670

00:30:26,930 --> 00:30:24,140

parties yeah

671

00:30:28,610 --> 00:30:26,940

extremists on both sides okay yeah if I

672

00:30:31,269 --> 00:30:28,620

ever need to look tough I'll get an FBI

673

00:30:34,190 --> 00:30:31,279

hat yeah right right

674

00:30:36,350 --> 00:30:34,200

alien grifters always go God Squad in

675

00:30:37,970 --> 00:30:36,360

the end it has happened so they seem to

676

00:30:40,310 --> 00:30:37,980

begin and end with going through they

677

00:30:42,529 --> 00:30:40,320

could yeah there's been many people that

678

00:30:44,450 --> 00:30:42,539

are UFO grifters that started out as

679

00:30:47,210 --> 00:30:44,460

Christian ministers like Frank strangis

680

00:30:49,430 --> 00:30:47,220

who wrote The Stranger at the Pentagon

681

00:30:51,049 --> 00:30:49,440

and David Bucky is so interesting I've

682

00:30:52,430 --> 00:30:51,059

heard about this I don't know what was

683

00:30:54,110 --> 00:30:52,440

said because like we didn't we didn't

684

00:30:56,510 --> 00:30:54,120

watch the whole thing but I I hear that

685

00:30:58,370 --> 00:30:56,520

was a really hateful joke about gays

686

00:31:00,529 --> 00:30:58,380

which is

687

00:31:03,110 --> 00:31:00,539

following on from last week when he said

688

00:31:05,570 --> 00:31:03,120

like I'm not gay or I swear I'm not gay

689

00:31:08,029 --> 00:31:05,580

I just like gay clothes and now now he's

690

00:31:10,190 --> 00:31:08,039

doing homophobic jokes like what's going

691

00:31:12,289 --> 00:31:10,200

on here like are we all cool with this

692

00:31:13,850 --> 00:31:12,299

it's always a little crazy some of the

693

00:31:16,510 --> 00:31:13,860

things she says are cringe he'll make

694

00:31:18,830 --> 00:31:16,520

like a lot of sexual innuenders remember

695

00:31:21,529 --> 00:31:18,840

we have that one clip of him where he's

696

00:31:25,510 --> 00:31:21,539

like not the Quadra gays nothing gay is

697

00:31:30,649 --> 00:31:28,310

but it strikes me like a 15 year old

698

00:31:35,409 --> 00:31:30,659

that's laughing at a joke about Uranus

699

00:31:38,990 --> 00:31:35,419

it's so right child is some things

700

00:31:40,610 --> 00:31:39,000

yeah probably he probably thought we

701
00:31:43,610 --> 00:31:40,620
were going to cover him but I'll do that

702
00:31:46,130 --> 00:31:43,620
tomorrow David so you can get here get

703
00:31:47,710 --> 00:31:46,140
your bath of piss and relax and wait for

704
00:31:49,730 --> 00:31:47,720
it it's coming

705
00:31:51,590 --> 00:31:49,740
and then then he'll be able to like

706
00:31:53,510 --> 00:31:51,600
force project into the room and it'll be

707
00:31:55,430 --> 00:31:53,520
a second life interview guests because

708
00:31:57,529 --> 00:31:55,440
he's using by location through his

709
00:32:01,370 --> 00:31:57,539
transcendental meditation techniques he

710
00:32:08,090 --> 00:32:04,010
this is the way look you just trust a

711
00:32:10,669 --> 00:32:08,100
scam okay if you know I gotta you can't

712
00:32:12,289 --> 00:32:10,679
lie though if you knew for 100 fact that

713
00:32:13,730 --> 00:32:12,299

you could get you would get super powers

714

00:32:16,070 --> 00:32:13,740

if you took a bath in your own piss

715

00:32:17,810 --> 00:32:16,080

wouldn't you do it I would do it I would

716

00:32:20,810 --> 00:32:17,820

totally do it for I want to know what

717

00:32:22,730 --> 00:32:20,820

the superpowers were yes not like a

718

00:32:26,630 --> 00:32:22,740

crappy one you know everything I

719

00:32:31,190 --> 00:32:28,970

there's no use for that four men in the

720

00:32:36,889 --> 00:32:31,200

tub rub a dub dub yeah it looks like

721

00:32:43,430 --> 00:32:41,090

the worst jokes ever right David

722

00:32:45,830 --> 00:32:43,440

David David banana sandwiches all around

723

00:32:48,289 --> 00:32:45,840

they say yeah yeah

724

00:32:50,510 --> 00:32:48,299

so I think we did our due diligence we

725

00:32:53,330 --> 00:32:50,520

showed up we said hello we're gonna go

726

00:32:55,310 --> 00:32:53,340

do some other things uh while spooky is

727

00:32:58,669 --> 00:32:55,320

here for the short time that spooky is

728

00:33:01,549 --> 00:32:58,679

here the cash clown is on his way home

729

00:33:04,370 --> 00:33:01,559

so he's going to want to know who is

730

00:33:06,710 --> 00:33:04,380

this speaking person or and why is

731

00:33:09,850 --> 00:33:06,720

spooky in our house shouldn't spooky

732

00:33:13,490 --> 00:33:09,860

only be on the internet I I mean

733

00:33:15,710 --> 00:33:13,500

occasionally I I put I pop into reality

734

00:33:17,810 --> 00:33:15,720

I'm like one of these like orbs that

735

00:33:20,450 --> 00:33:17,820

appears like just zip in they zip it

736

00:33:23,570 --> 00:33:20,460

down there's some some instantaneous

737

00:33:26,450 --> 00:33:23,580

acceleration there's some nice and five

738

00:33:31,389 --> 00:33:26,460

observables absolutely well we thank you

739

00:33:36,529 --> 00:33:34,070

praise the cash thank you Bobby Broadway

740

00:33:39,230 --> 00:33:36,539

in all the kind and generous benefactors

741

00:33:41,090 --> 00:33:39,240

you see uh I'm wearing the true Seekers

742

00:33:43,009 --> 00:33:41,100

logo t-shirt there's a link in the

743

00:33:45,169 --> 00:33:43,019

description where you could get yours

744

00:33:47,810 --> 00:33:45,179

two links one is an Amazon link and one

745

00:33:51,110 --> 00:33:47,820

is a uh Redbubble link I'm wearing Army

746

00:33:52,850 --> 00:33:51,120

camera so you can't see me yeah that

747

00:33:53,930 --> 00:33:52,860

doesn't work too good I was hiding in

748

00:33:55,250 --> 00:33:53,940

the garden for a while and you didn't

749

00:33:58,810 --> 00:33:55,260

see me before I knocked on the door I

750

00:34:03,409 --> 00:34:00,830

I hope you're having fun while you're

751
00:34:05,990 --> 00:34:03,419
here I'm having so much fun a great time

752
00:34:07,310 --> 00:34:06,000
so far yeah what's not to let you I'm an

753
00:34:08,510 --> 00:34:07,320
adventure of your life you're going to

754
00:34:09,770 --> 00:34:08,520
New York City you're here in

755
00:34:12,649 --> 00:34:09,780
Philadelphia you're going to be

756
00:34:14,930 --> 00:34:12,659
somewhere out in the midwest or in the

757
00:34:16,490 --> 00:34:14,940
west next yeah we're going to be all

758
00:34:18,409 --> 00:34:16,500
over mine that's going to be

759
00:34:20,930 --> 00:34:18,419
it's gonna be a cool little cabal till

760
00:34:23,990 --> 00:34:20,940
getting on another airplane right well

761
00:34:28,270 --> 00:34:24,000
another I want to find that plans to go

762
00:34:33,290 --> 00:34:31,369
I have to fly out again for contacting

763
00:34:35,810 --> 00:34:33,300

the desert

764

00:34:37,430 --> 00:34:35,820

um I'm gonna I'm I'm gonna be nice I'm

765

00:34:41,710 --> 00:34:37,440

not I'm not gonna hurt people don't

766

00:34:46,550 --> 00:34:44,149

Spooky's gonna be reporting live for

767

00:34:48,829 --> 00:34:46,560

True Seekers right from uh contact in

768

00:34:50,210 --> 00:34:48,839

the desert

769

00:34:51,889 --> 00:34:50,220

it's gonna be fun

770

00:34:54,470 --> 00:34:51,899

and you gotta press pass and everything

771

00:34:56,869 --> 00:34:54,480

don't you yeah I would like being people

772

00:34:58,630 --> 00:34:56,879

how did I get that

773

00:35:02,089 --> 00:34:58,640

nobody knows

774

00:35:05,030 --> 00:35:03,710

somebody said Spooky's gonna have a

775

00:35:07,970 --> 00:35:05,040

great time until the cops get him

776

00:35:09,890 --> 00:35:07,980

they'll never get me I'm too quick man

777

00:35:11,870 --> 00:35:09,900

you're gonna be so jet-lagged yeah all

778

00:35:15,170 --> 00:35:11,880

those time changes really screw with you

779

00:35:17,030 --> 00:35:15,180

no it didn't it went from yeah and now

780

00:35:18,589 --> 00:35:17,040

you're gonna be changing again when you

781

00:35:20,990 --> 00:35:18,599

go to the Midwest or the West yeah

782

00:35:21,710 --> 00:35:21,000

that's one thing I've never done is I've

783

00:35:23,750 --> 00:35:21,720

never

784

00:35:24,829 --> 00:35:23,760

stopped in the places one time and gone

785

00:35:25,849 --> 00:35:24,839

somewhere else another time and gone

786

00:35:27,650 --> 00:35:25,859

somewhere else another time I've never

787

00:35:29,630 --> 00:35:27,660

done that so that will be a bit strange

788

00:35:32,569 --> 00:35:29,640

but the actual jet lag of coming here

789

00:35:34,970 --> 00:35:32,579

didn't affect me whatsoever like when I

790

00:35:37,130 --> 00:35:34,980

I fly to Canada like five years ago and

791

00:35:39,650 --> 00:35:37,140

that bucks with me really hard I

792

00:35:41,089 --> 00:35:39,660

couldn't I I it took like three days for

793

00:35:42,050 --> 00:35:41,099

my my brain to like get used to over

794

00:35:43,609 --> 00:35:42,060

here

795

00:35:44,990 --> 00:35:43,619

I think it's because by the time I got

796

00:35:48,109 --> 00:35:45,000

to where I was going it was already dark

797

00:35:49,910 --> 00:35:48,119

so it just felt like night time I spent

798

00:35:52,550 --> 00:35:49,920

most of my time at night time anyway so

799

00:35:55,250 --> 00:35:52,560

it didn't affect me too much

800

00:35:58,250 --> 00:35:55,260

Charlie why is it Australian Intel has a

801
00:36:01,430 --> 00:35:58,260
fire on spooky I have a file on YouTube

802
00:36:03,829 --> 00:36:01,440
you know Charlie I swear that what I

803
00:36:05,690 --> 00:36:03,839
remember is that that Ryan was running

804
00:36:08,270 --> 00:36:05,700
around telling people that and I thought

805
00:36:10,550 --> 00:36:08,280
I asked you and you said I was an

806
00:36:13,430 --> 00:36:10,560
analyst or something so I thought that

807
00:36:15,650 --> 00:36:13,440
was true I didn't know like but that guy

808
00:36:16,910 --> 00:36:15,660
Ryan makes up fake evidence so why would

809
00:36:18,190 --> 00:36:16,920
he not make up

810
00:36:20,750 --> 00:36:18,200
fake

811
00:36:23,030 --> 00:36:20,760
uh negative information about somebody

812
00:36:25,010 --> 00:36:23,040
that he had a falling out with he used

813
00:36:26,450 --> 00:36:25,020

to speak very highly of Charlie Weiser

814

00:36:29,810 --> 00:36:26,460

then all of a sudden Charlie Weiser was

815

00:36:32,030 --> 00:36:29,820

the devil because Charlie wasn't going

816

00:36:34,130 --> 00:36:32,040

to help him sell the Angelie story to

817

00:36:36,829 --> 00:36:34,140

television so suddenly Charlie's the bad

818

00:36:39,710 --> 00:36:36,839

guy and by the way so was I that guy

819

00:36:41,630 --> 00:36:39,720

burnt me twice Charlie Weiser not once

820

00:36:43,250 --> 00:36:41,640

but twice yep well didn't he turn up

821

00:36:46,130 --> 00:36:43,260

like in his underwear while drinking

822

00:36:47,329 --> 00:36:46,140

vodka on a show yeah like oh I forgave

823

00:36:48,310 --> 00:36:47,339

him for that because that was a great

824

00:36:52,130 --> 00:36:48,320

show

825

00:36:56,030 --> 00:36:52,140

he's in his underwear drinking pounding

826

00:36:58,010 --> 00:36:56,040

glasses of straight vodka and then he

827

00:37:00,589 --> 00:36:58,020

threatened me to take that down because

828

00:37:02,270 --> 00:37:00,599

he looked like an idiot and then I

829

00:37:04,250 --> 00:37:02,280

forgave him for that and then he did

830

00:37:07,010 --> 00:37:04,260

something again Charlie like he came on

831

00:37:08,990 --> 00:37:07,020

again and made up fake evidence

832

00:37:10,849 --> 00:37:09,000

and then threatened me to take that down

833

00:37:14,450 --> 00:37:10,859

for some reason you know like that

834

00:37:16,790 --> 00:37:14,460

dude's just toxic right he's just he's

835

00:37:19,190 --> 00:37:16,800

one of these people that is just a story

836

00:37:20,510 --> 00:37:19,200

leech like they they find a story they

837

00:37:23,390 --> 00:37:20,520

think is interesting then they try and

838

00:37:25,190 --> 00:37:23,400

like force everybody to do it their way

839

00:37:27,470 --> 00:37:25,200

and give him all the story rights and

840

00:37:29,390 --> 00:37:27,480

it's like that's not yeah that's not a

841

00:37:31,550 --> 00:37:29,400

way to do gently he does seem to have

842

00:37:35,390 --> 00:37:31,560

disappeared Steve long

843

00:37:37,490 --> 00:37:35,400

uh he was really trying hard to like he

844

00:37:38,270 --> 00:37:37,500

was going to sell the Anjali story and

845

00:37:42,349 --> 00:37:38,280

then

846

00:37:45,290 --> 00:37:42,359

supportive of her trying to get on her

847

00:37:48,290 --> 00:37:45,300

side and it was this whole big thing it

848

00:37:50,270 --> 00:37:48,300

was Bizarro land but Steak and Shake and

849

00:37:52,010 --> 00:37:50,280

he's a former gay porn producer not that

850

00:37:54,829 --> 00:37:52,020

there's anything wrong with that but

851
00:37:57,470 --> 00:37:54,839
whatever when a former gay porn producer

852
00:37:59,270 --> 00:37:57,480
comes into another subculture and

853
00:38:01,670 --> 00:37:59,280
basically says I'm taking over and I'm

854
00:38:04,250 --> 00:38:01,680
I'm taking this story and you know he

855
00:38:06,250 --> 00:38:04,260
was like angry at me for covering it and

856
00:38:09,589 --> 00:38:06,260
like you know yeah

857
00:38:12,170 --> 00:38:09,599
like no [h__\h] you you can't do it your

858
00:38:14,230 --> 00:38:12,180
way like [h__\h] you buddy wait you don't

859
00:38:17,810 --> 00:38:14,240
get to just walk in and take over

860
00:38:19,490 --> 00:38:17,820
that's not how it works yeah Bobby I'm

861
00:38:20,990 --> 00:38:19,500
so mad because they put a steak and

862
00:38:23,690 --> 00:38:21,000
shake right down the street from my

863
00:38:26,690 --> 00:38:23,700

house well maybe I'm not mad because I

864

00:38:28,970 --> 00:38:26,700

would have put on 100 pounds they put a

865

00:38:31,430 --> 00:38:28,980

steak and shake like five miles from my

866

00:38:33,109 --> 00:38:31,440

house and we started going there and we

867

00:38:35,349 --> 00:38:33,119

really loved it and enjoyed it and then

868

00:38:38,390 --> 00:38:35,359

they had a fire and they shut it down

869

00:38:40,550 --> 00:38:38,400

we were so mad anytime we like something

870

00:38:43,250 --> 00:38:40,560

they shut it down they're about to get

871

00:38:47,329 --> 00:38:43,260

you know so come on sorry yeah

872

00:38:49,190 --> 00:38:47,339

the pesky doc Alliance

873

00:38:51,770 --> 00:38:49,200

they're funded by the CIA don't you know

874

00:38:54,310 --> 00:38:51,780

Ryan was so drunk gay porn producer too

875

00:38:57,950 --> 00:38:54,320

real prize yeah

876

00:39:00,410 --> 00:38:57,960

and it's like that dude's a weird story

877

00:39:03,010 --> 00:39:00,420

like he just runs around in a camping

878

00:39:06,530 --> 00:39:03,020

trailer and like harasses people

879

00:39:08,750 --> 00:39:06,540

take me to your Mountain yeah that guy

880

00:39:11,810 --> 00:39:08,760

was big on that I mean I

881

00:39:14,329 --> 00:39:11,820

I think that his work on the so-called

882

00:39:17,030 --> 00:39:14,339

and Anjali story really discredits all

883

00:39:19,849 --> 00:39:17,040

that we thought was true right about the

884

00:39:22,310 --> 00:39:19,859

Travis Walton situation I softened my

885

00:39:24,710 --> 00:39:22,320

tone because maybe he if he manufactured

886

00:39:26,390 --> 00:39:24,720

fake evidence for the Anjali story then

887

00:39:28,910 --> 00:39:26,400

he could have manufactured fake evidence

888

00:39:32,030 --> 00:39:28,920

for that story or Twisted the story to

889

00:39:34,730 --> 00:39:32,040

fit a narrative no I don't get how the

890

00:39:36,589 --> 00:39:34,740

[h__h] did Anjali even though she's been

891

00:39:39,230 --> 00:39:36,599

thoroughly debunked

892

00:39:41,510 --> 00:39:39,240

still got a show on gaia.com like how

893

00:39:43,370 --> 00:39:41,520

does that happen like

894

00:39:46,569 --> 00:39:43,380

did they not learn their lesson when

895

00:39:49,010 --> 00:39:46,579

they lost like 300 million dollars

896

00:39:53,150 --> 00:39:49,020

with another bullshitter yeah another

897

00:39:55,430 --> 00:39:53,160

[h__h] yeah it was it wasn't I I was

898

00:39:58,069 --> 00:39:55,440

very disappointed to see her on Gaia TV

899

00:40:00,589 --> 00:39:58,079

telling the same story original story

900

00:40:03,290 --> 00:40:00,599

that we completely blew the blue apart

901
00:40:05,089 --> 00:40:03,300
it's completely totally fake story and

902
00:40:07,250 --> 00:40:05,099
she just sat there on Gaia TV telling

903
00:40:09,109 --> 00:40:07,260
that story like it was still true and

904
00:40:11,390 --> 00:40:09,119
that it hadn't been debunked and that

905
00:40:13,310 --> 00:40:11,400
was a tough pill to swallow for me but

906
00:40:15,109 --> 00:40:13,320
the bigger bull horn wins we know that

907
00:40:18,230 --> 00:40:15,119
the guy with the bigger bull horn wins

908
00:40:20,870 --> 00:40:18,240
so they have a million subscribers uh we

909
00:40:22,609 --> 00:40:20,880
have under 10 000 but the truth is still

910
00:40:25,730 --> 00:40:22,619
the truth so I was proud of the work

911
00:40:28,069 --> 00:40:25,740
that we did on that story

912
00:40:30,410 --> 00:40:28,079
that was that was a good story Anjali

913
00:40:33,770 --> 00:40:30,420

was a former Defense intelligence agency

914

00:40:36,170 --> 00:40:33,780

person that came out said she uh met

915

00:40:37,370 --> 00:40:36,180

aliens in this tunnel at some guy's

916

00:40:39,950 --> 00:40:37,380

house and she was going to take a

917

00:40:41,990 --> 00:40:39,960

science team and prove the existence of

918

00:40:44,270 --> 00:40:42,000

the aliens and then the whole story fell

919

00:40:47,630 --> 00:40:44,280

apart she was on a bunch of drugs and

920

00:40:49,910 --> 00:40:47,640

people the other people there said that

921

00:40:51,650 --> 00:40:49,920

parts of her story never happened that

922

00:40:56,210 --> 00:40:51,660

she claimed happened

923

00:40:59,089 --> 00:40:56,220

uh yeah and uh operator 357 says Gaia is

924

00:41:00,109 --> 00:40:59,099

a government stop Gap yeah I believe

925

00:41:01,849 --> 00:41:00,119

that

926
00:41:03,950 --> 00:41:01,859
I think they're um

927
00:41:05,210 --> 00:41:03,960
they're interesting in terms of how they

928
00:41:09,890 --> 00:41:05,220
they

929
00:41:12,829 --> 00:41:09,900
had real world effects on large groups

930
00:41:14,630 --> 00:41:12,839
of people huge groups of people yeah

931
00:41:17,030 --> 00:41:14,640
that's a lot of power to wield for a

932
00:41:18,170 --> 00:41:17,040
company and this is what I mean by they

933
00:41:20,390 --> 00:41:18,180
haven't learned their lesson here

934
00:41:21,950 --> 00:41:20,400
because this Anjali thing I think it's

935
00:41:23,870 --> 00:41:21,960
going to blur up in their face just as

936
00:41:25,370 --> 00:41:23,880
much as the last big thing they had

937
00:41:26,930 --> 00:41:25,380
there because she's got a massive

938
00:41:30,770 --> 00:41:26,940

following and she's saying the same kind

939

00:41:33,230 --> 00:41:30,780

of apocalyptical like love and hate like

940

00:41:35,450 --> 00:41:33,240

stuff the other you know other people

941

00:41:37,790 --> 00:41:35,460

that Emery Smith or you know Corey good

942

00:41:40,550 --> 00:41:37,800

or people like that

943

00:41:41,990 --> 00:41:40,560

they that's that's the jam right so they

944

00:41:44,150 --> 00:41:42,000

went away for a couple of years they

945

00:41:46,329 --> 00:41:44,160

they recovered from the stock drop but

946

00:41:49,250 --> 00:41:46,339

now they're trying to do the same thing

947

00:41:51,589 --> 00:41:49,260

just learn your lessons just just stick

948

00:41:53,270 --> 00:41:51,599

to yoga videos guys it seems like their

949

00:41:54,950 --> 00:41:53,280

business plan is just get somebody in

950

00:41:57,170 --> 00:41:54,960

here to tell fairy tales that people

951
00:41:59,210 --> 00:41:57,180
will like hearing and she's the latest

952
00:42:02,030 --> 00:41:59,220
in the long line of fairy tale hucksters

953
00:42:03,829 --> 00:42:02,040
that have been on Gaia to me the mark of

954
00:42:07,130 --> 00:42:03,839
somebody being completely and totally

955
00:42:09,710 --> 00:42:07,140
fake is their own Gaia yep you know with

956
00:42:12,109 --> 00:42:09,720
very few exceptions because I think that

957
00:42:14,450 --> 00:42:12,119
a few people that I do think are good

958
00:42:17,030 --> 00:42:14,460
researchers have done small bits on

959
00:42:18,530 --> 00:42:17,040
shows on Gaia there was one guy I'll say

960
00:42:20,210 --> 00:42:18,540
this there's one guy I showed that I

961
00:42:23,170 --> 00:42:20,220
really did enjoy back in the day and it

962
00:42:25,130 --> 00:42:23,180
was Richard durban's show on false Flags

963
00:42:27,290 --> 00:42:25,140

because that was basically it was

964

00:42:28,670 --> 00:42:27,300

basically just him saying what he wrote

965

00:42:30,109 --> 00:42:28,680

in his book but then with Motion

966

00:42:31,910 --> 00:42:30,119

Graphics I was like this is actually

967

00:42:33,230 --> 00:42:31,920

pretty good like there's other things

968

00:42:35,030 --> 00:42:33,240

that he's done that I don't necessarily

969

00:42:37,670 --> 00:42:35,040

agree with but that shot yeah but it was

970

00:42:41,030 --> 00:42:37,680

really informative and how that's why

971

00:42:44,930 --> 00:42:41,040

that's one percent of the content yes

972

00:42:48,230 --> 00:42:44,940

the other 99 is somebody saying like I

973

00:42:50,630 --> 00:42:48,240

was uh an Egyptian priest in a former

974

00:42:52,670 --> 00:42:50,640

life and when I was I met the Egyptian

975

00:42:54,050 --> 00:42:52,680

gods who taught me the secrets to the

976
00:42:56,450 --> 00:42:54,060
universe and I'm going to share them

977
00:42:59,150 --> 00:42:56,460
with you and like it gets it was those

978
00:42:59,930 --> 00:42:59,160
so it was also ridiculous why is wrong

979
00:43:04,250 --> 00:42:59,940
yeah

980
00:43:07,490 --> 00:43:04,260
is if they're on Gaia they're completely

981
00:43:09,290 --> 00:43:07,500
totally fake and Anjali belongs there in

982
00:43:10,609 --> 00:43:09,300
my opinion she's sweating and getting a

983
00:43:14,690 --> 00:43:10,619
message

984
00:43:19,930 --> 00:43:16,250
oh

985
00:43:23,450 --> 00:43:19,940
she says you're doing a great job yeah

986
00:43:25,550 --> 00:43:23,460
actually we actually have we actually

987
00:43:27,890 --> 00:43:25,560
have I'll turn the camera around yeah

988
00:43:31,010 --> 00:43:27,900

let me hold up that's the archangelo

989

00:43:33,950 --> 00:43:31,020

Michael on the back of my door

990

00:43:35,450 --> 00:43:33,960

it's it's the Archangel Michael right on

991

00:43:38,210 --> 00:43:35,460

the back of my door

992

00:43:40,430 --> 00:43:38,220

yes and I had that before David Wilcox

993

00:43:43,609 --> 00:43:40,440

started talking about the Archangel

994

00:43:45,530 --> 00:43:43,619

Michael just so everybody is aware and

995

00:43:47,329 --> 00:43:45,540

we'll put that back sorry for that I

996

00:43:48,849 --> 00:43:47,339

don't have camera sorry for the motion

997

00:43:50,809 --> 00:43:48,859

sickness everybody

998

00:43:55,809 --> 00:43:50,819

that's what happens when you bathe in

999

00:44:00,349 --> 00:43:58,069

we'll take a few more comments and

1000

00:44:13,910 --> 00:44:00,359

questions otherwise we'll bounce on out

1001
00:44:18,470 --> 00:44:16,970
they are the reviews is here right

1002
00:44:22,790 --> 00:44:18,480
online yeah look at this guy just

1003
00:44:26,930 --> 00:44:25,010
I was I was like half asleep I was

1004
00:44:29,329 --> 00:44:26,940
pounding on my door I thought oh my God

1005
00:44:31,069 --> 00:44:29,339
we did you notice we have a sign that

1006
00:44:33,290 --> 00:44:31,079
says on our door that says like no

1007
00:44:35,210 --> 00:44:33,300
there's no solicitation by order of the

1008
00:44:37,370 --> 00:44:35,220
township or something and they're not

1009
00:44:39,770 --> 00:44:37,380
allowed to knock but sometimes they

1010
00:44:41,390 --> 00:44:39,780
still do and they go and they always act

1011
00:44:44,770 --> 00:44:41,400
like they didn't see the sign you can't

1012
00:44:48,470 --> 00:44:44,780
miss it right it's a big size

1013
00:44:50,630 --> 00:44:48,480

so oh I'm breaking when spooky knocks I

1014

00:44:52,069 --> 00:44:50,640

thought I thought this is some idiot

1015

00:44:54,230 --> 00:44:52,079

that's going to claim you didn't see the

1016

00:44:56,210 --> 00:44:54,240

sign and I've lost my patience so I just

1017

00:44:57,950 --> 00:44:56,220

opened a door ready to scream at the

1018

00:45:01,130 --> 00:44:57,960

person and I'm like

1019

00:45:05,150 --> 00:45:01,140

my brain like I went

1020

00:45:07,190 --> 00:45:05,160

what and and at first I I didn't know

1021

00:45:09,650 --> 00:45:07,200

what to do I was like this is Bizarro

1022

00:45:11,450 --> 00:45:09,660

what are you doing here and then it

1023

00:45:13,250 --> 00:45:11,460

clicked to me oh you were just in New

1024

00:45:15,589 --> 00:45:13,260

York city so it's a short drive to my

1025

00:45:16,849 --> 00:45:15,599

house so it was like literally an hour

1026

00:45:20,510 --> 00:45:16,859

and 10 minutes

1027

00:45:23,809 --> 00:45:20,520

yeah left Dunkin Donuts but it was it

1028

00:45:25,550 --> 00:45:23,819

was a cool surprise and uh it's nice to

1029

00:45:33,790 --> 00:45:25,560

meet in person after we've worked

1030

00:45:37,550 --> 00:45:35,990

here's a cool story for everybody the

1031

00:45:40,490 --> 00:45:37,560

first time me and him ever spoke it was

1032

00:45:42,710 --> 00:45:40,500

May 2019. he starts all capsuing at me

1033

00:45:44,390 --> 00:45:42,720

on Twitter about falun gong and I had no

1034

00:45:47,030 --> 00:45:44,400

idea what the [h__h] he was or what falun

1035

00:45:49,309 --> 00:45:47,040

gong was I just like I'd retweeted so I

1036

00:45:51,710 --> 00:45:49,319

don't remember all capping at you oh I

1037

00:45:53,089 --> 00:45:51,720

was like dude provide me some evidence

1038

00:45:54,470 --> 00:45:53,099

and I'll listen to you you're all

1039

00:45:57,650 --> 00:45:54,480

capturing but here's the funny thing

1040

00:45:59,990 --> 00:45:57,660

when he did that I was in the queue to a

1041

00:46:01,790 --> 00:46:00,000

Graham Hancock lecture in Vancouver

1042

00:46:03,470 --> 00:46:01,800

and it was I'll always remember that

1043

00:46:04,849 --> 00:46:03,480

because I'm like really excited for the

1044

00:46:07,309 --> 00:46:04,859

lecture and I look at my phone he says

1045

00:46:09,230 --> 00:46:07,319

why are you retweeting [h__\h] Fallon

1046

00:46:12,710 --> 00:46:09,240

John what the [h__\h] I was like who are

1047

00:46:16,790 --> 00:46:12,720

you I remember what happened spooky was

1048

00:46:18,650 --> 00:46:16,800

retweeting like edge of Wonder stuff or

1049

00:46:20,230 --> 00:46:18,660

something like that and I went you know

1050

00:46:23,870 --> 00:46:20,240

those guys

1051
00:46:26,150 --> 00:46:23,880
falun gong Chinese cult members that are

1052
00:46:28,309 --> 00:46:26,160
getting paid to spread propaganda right

1053
00:46:30,710 --> 00:46:28,319
and then spooky got nasty with me like

1054
00:46:32,630 --> 00:46:30,720
I'm gonna need to see some evidence you

1055
00:46:35,210 --> 00:46:32,640
can't just make claims like that so then

1056
00:46:36,970 --> 00:46:35,220
I have to send spooky like pictures of

1057
00:46:39,250 --> 00:46:36,980
these two clowns

1058
00:46:41,930 --> 00:46:39,260
incorporates for the film

1059
00:46:44,210 --> 00:46:41,940
organization like here they are at a

1060
00:46:47,809 --> 00:46:44,220
meditation event with this Chinese call

1061
00:46:49,730 --> 00:46:47,819
and then magic was born it was it was a

1062
00:46:50,930 --> 00:46:49,740
few months later actually it was like I

1063
00:46:52,609 --> 00:46:50,940

came out of the Corey good thing like

1064

00:46:55,790 --> 00:46:52,619

right off literally like right after

1065

00:46:57,470 --> 00:46:55,800

that the day after my face was in an

1066

00:46:59,270 --> 00:46:57,480

edge of Wonder episode and I was like

1067

00:47:00,950 --> 00:46:59,280

well [h__h] these people

1068

00:47:02,510 --> 00:47:00,960

and then a few months later I started

1069

00:47:04,250 --> 00:47:02,520

doing thumbnails for this guy with the

1070

00:47:06,790 --> 00:47:04,260

the Midnight Hour season three that was

1071

00:47:09,589 --> 00:47:06,800

on uh shitty Fringe I thought

1072

00:47:11,569 --> 00:47:09,599

we won't talk about that too I don't

1073

00:47:13,910 --> 00:47:11,579

really don't talk about that yeah yeah

1074

00:47:17,809 --> 00:47:13,920

one thing I always do say when somebody

1075

00:47:19,910 --> 00:47:17,819

brings up that situation is don't uh

1076

00:47:22,849 --> 00:47:19,920

don't be in any

1077

00:47:25,370 --> 00:47:22,859

any kind of networks just do your show

1078

00:47:27,410 --> 00:47:25,380

because people promise you everybody

1079

00:47:29,210 --> 00:47:27,420

promises you all kinds of things and

1080

00:47:31,010 --> 00:47:29,220

then they make money off of you more

1081

00:47:34,550 --> 00:47:31,020

than you're making off of you and that's

1082

00:47:37,370 --> 00:47:34,560

not that's not a good situation edge of

1083

00:47:39,410 --> 00:47:37,380

Dumber yeah yeah those guys got like

1084

00:47:41,210 --> 00:47:39,420

thrown off of YouTube and I think they

1085

00:47:42,770 --> 00:47:41,220

got thrown off of YouTube to the point

1086

00:47:45,050 --> 00:47:42,780

where like they can't just make another

1087

00:47:47,990 --> 00:47:45,060

Channel like they are their band from

1088

00:47:49,970 --> 00:47:48,000

YouTube I do one little TV so I didn't

1089

00:47:52,370 --> 00:47:49,980

even need YouTube anymore and they're

1090

00:47:55,010 --> 00:47:52,380

all like they're also a viewer supported

1091

00:47:57,109 --> 00:47:55,020

show except their viewers are dumb

1092

00:47:58,990 --> 00:47:57,119

stupid people that don't realize they're

1093

00:48:01,609 --> 00:47:59,000

a Chinese cult

1094

00:48:04,010 --> 00:48:01,619

I guess the best thing that we can do is

1095

00:48:05,750 --> 00:48:04,020

be patient with them and give them facts

1096

00:48:07,250 --> 00:48:05,760

like when you beat people over the head

1097

00:48:10,069 --> 00:48:07,260

with hostility all the time they get

1098

00:48:12,710 --> 00:48:10,079

defensive so these patience is the key

1099

00:48:15,770 --> 00:48:12,720

with that yeah that's fair though they

1100

00:48:17,690 --> 00:48:15,780

they uh but I didn't like that they used

1101
00:48:20,089 --> 00:48:17,700
to pretend that they were independent

1102
00:48:22,069 --> 00:48:20,099
content creators when they had a Chinese

1103
00:48:24,650 --> 00:48:22,079
cult that was buying them the best

1104
00:48:27,530 --> 00:48:24,660
cameras getting them paid they had like

1105
00:48:29,349 --> 00:48:27,540
they literally had like slave labor like

1106
00:48:32,329 --> 00:48:29,359
the cult would send video editors

1107
00:48:35,270 --> 00:48:32,339
graphics people marketing people music

1108
00:48:37,069 --> 00:48:35,280
people to help them do their show and

1109
00:48:39,710 --> 00:48:37,079
they pretended that they were just these

1110
00:48:42,770 --> 00:48:39,720
hard-working independent struggling

1111
00:48:44,630 --> 00:48:42,780
content producers but I knew since they

1112
00:48:46,790 --> 00:48:44,640
came out of the gate with like super

1113
00:48:50,630 --> 00:48:46,800

high quality production they couldn't be

1114

00:48:53,690 --> 00:48:50,640

just independent it was Way Beyond what

1115

00:48:55,670 --> 00:48:53,700

you know an independent content producer

1116

00:48:57,050 --> 00:48:55,680

can produce without those reasons it was

1117

00:48:59,450 --> 00:48:57,060

when I found out that they worked for

1118

00:49:01,010 --> 00:48:59,460

the airport times before starting

1119

00:49:02,750 --> 00:49:01,020

as you wonder that's when I was like

1120

00:49:04,370 --> 00:49:02,760

wait a minute and I think it was you

1121

00:49:06,890 --> 00:49:04,380

that sent me that you sent me like the

1122

00:49:08,930 --> 00:49:06,900

the LinkedIn page for Ben Chastity and I

1123

00:49:11,089 --> 00:49:08,940

was like oh what he actually was a

1124

00:49:13,849 --> 00:49:11,099

photographer right I think yeah and you

1125

00:49:15,290 --> 00:49:13,859

look at the you know the the lineage

1126

00:49:17,390 --> 00:49:15,300

well that's an interesting question

1127

00:49:20,329 --> 00:49:17,400

though is why would a Chinese cult want

1128

00:49:22,010 --> 00:49:20,339

to promote narratives like Corey good I

1129

00:49:24,349 --> 00:49:22,020

know that the Chinese cult believed in

1130

00:49:26,630 --> 00:49:24,359

Aliens and right similar kind of an

1131

00:49:29,329 --> 00:49:26,640

anthology so they they wanted to push

1132

00:49:31,430 --> 00:49:29,339

that and they pushed they got edge of

1133

00:49:35,210 --> 00:49:31,440

Wonder and they paid edge of Wonder to

1134

00:49:37,130 --> 00:49:35,220

push Corbin and David Wilcock narratives

1135

00:49:39,530 --> 00:49:37,140

what are we laughing at uh coach

1136

00:49:41,710 --> 00:49:39,540

Jennings he's going off in the chat

1137

00:49:44,150 --> 00:49:41,720

there I don't see it oh do you believe

1138

00:49:47,569 --> 00:49:44,160

do you believe that Randy Kramer could

1139

00:49:49,550 --> 00:49:47,579

regenerate his blown off pieces only if

1140

00:49:50,930 --> 00:49:49,560

you box him first that's how that works

1141

00:49:54,589 --> 00:49:50,940

you have to you have to knock his teeth

1142

00:50:00,230 --> 00:49:57,170

yeah he talked all kinds of smack on me

1143

00:50:01,130 --> 00:50:00,240

on that Emily Louise it's funny how he's

1144

00:50:02,809 --> 00:50:01,140

like

1145

00:50:04,609 --> 00:50:02,819

he doesn't know who you are but he's a

1146

00:50:06,290 --> 00:50:04,619

green color boxing match with you I

1147

00:50:08,089 --> 00:50:06,300

don't how does that work

1148

00:50:09,890 --> 00:50:08,099

he's a super soldier he thinks he could

1149

00:50:10,930 --> 00:50:09,900

beat up anybody for the 120 mile an hour

1150

00:50:15,730 --> 00:50:10,940

punch man

1151
00:50:18,170 --> 00:50:15,740
they're like a Chinese food restaurant

1152
00:50:20,270 --> 00:50:18,180
you know what was really really weird I

1153
00:50:22,490 --> 00:50:20,280
was on the highway today and all over

1154
00:50:24,589 --> 00:50:22,500
New York there's massive Billboards for

1155
00:50:27,290 --> 00:50:24,599
uh the shenyon theater thing which no

1156
00:50:30,410 --> 00:50:27,300
they didn't Jody they had shitty content

1157
00:50:32,690 --> 00:50:30,420
get out of here get out of here they

1158
00:50:34,849 --> 00:50:32,700
were UFO Circle jerkers they just gave

1159
00:50:36,950 --> 00:50:34,859
everybody a softball interview let

1160
00:50:40,190 --> 00:50:36,960
people tell their fake alien stories

1161
00:50:41,809 --> 00:50:40,200
they did no investigation they let they

1162
00:50:43,730 --> 00:50:41,819
let David Wilcox come on and tell

1163
00:50:45,829 --> 00:50:43,740

everybody about Pete Peterson who's the

1164

00:50:47,950 --> 00:50:45,839

biggest fraud fake whistleblower on the

1165

00:50:50,210 --> 00:50:47,960

planet

1166

00:50:52,309 --> 00:50:50,220

all they did was spread misinformation

1167

00:50:54,890 --> 00:50:52,319

and in fact they got thrown off of

1168

00:50:59,210 --> 00:50:54,900

YouTube for spreading misinformation

1169

00:51:00,890 --> 00:50:59,220

Chinese Chinese cult uh disinformation

1170

00:51:03,349 --> 00:51:00,900

and misinformation I think it was over

1171

00:51:05,210 --> 00:51:03,359

medical stuff it only found here's an

1172

00:51:06,650 --> 00:51:05,220

interesting thing so right around the

1173

00:51:07,730 --> 00:51:06,660

time that edge of Wonder were really big

1174

00:51:09,470 --> 00:51:07,740

and they were interacting with like

1175

00:51:11,049 --> 00:51:09,480

Laura Eisenhower John de Souza Michael

1176

00:51:14,089 --> 00:51:11,059

sawler all these people

1177

00:51:17,270 --> 00:51:14,099

they they all randomly flew out to China

1178

00:51:19,069 --> 00:51:17,280

for a UFO conference yeah and who has

1179

00:51:20,809 --> 00:51:19,079

money for a Chinese plane ticket that's

1180

00:51:22,849 --> 00:51:20,819

awfully expensive I've always wondered

1181

00:51:25,010 --> 00:51:22,859

what was the networking that got those

1182

00:51:29,329 --> 00:51:25,020

people out there because I saw for it

1183

00:51:31,370 --> 00:51:29,339

was like the the US people and just a

1184

00:51:33,710 --> 00:51:31,380

huge crowd of Chinese people I was like

1185

00:51:35,510 --> 00:51:33,720

well how are they who's translating for

1186

00:51:37,309 --> 00:51:35,520

one and who how what was the networking

1187

00:51:39,049 --> 00:51:37,319

that got them out there and then I

1188

00:51:41,809 --> 00:51:39,059

started thinking about oh falun gong

1189

00:51:43,910 --> 00:51:41,819

well it's not only that when I found out

1190

00:51:45,829 --> 00:51:43,920

from my spies

1191

00:51:48,109 --> 00:51:45,839

um you have spies yes

1192

00:51:50,990 --> 00:51:48,119

um spies at UFO conferences that you

1193

00:51:53,329 --> 00:51:51,000

know I have these birds and they whisper

1194

00:51:55,490 --> 00:51:53,339

things you know they they sing lullabies

1195

00:51:57,829 --> 00:51:55,500

in my ear but what I was hearing about

1196

00:51:59,990 --> 00:51:57,839

them was that every UFO conference they

1197

00:52:01,490 --> 00:52:00,000

showed up to they had like 25 Chinese

1198

00:52:04,730 --> 00:52:01,500

slaves with them doing everything

1199

00:52:07,849 --> 00:52:04,740

carrying [h__h] filming them recording

1200

00:52:10,370 --> 00:52:07,859

them lighting they had all of these

1201

00:52:11,690 --> 00:52:10,380

Chinese guys that were doing all this

1202

00:52:13,730 --> 00:52:11,700

work for them

1203

00:52:15,650 --> 00:52:13,740

at the same time that they're begging

1204

00:52:17,210 --> 00:52:15,660

for super Chats on YouTube saying that

1205

00:52:18,829 --> 00:52:17,220

they're independent content creators and

1206

00:52:21,950 --> 00:52:18,839

we really need your support to continue

1207

00:52:24,470 --> 00:52:21,960

the show and and then I knew right away

1208

00:52:27,290 --> 00:52:24,480

that falun gong was just loading them up

1209

00:52:29,630 --> 00:52:27,300

with resources money it's a strange

1210

00:52:32,210 --> 00:52:29,640

story where those guys came from and now

1211

00:52:35,630 --> 00:52:32,220

they just sort of slithered off do you

1212

00:52:37,309 --> 00:52:35,640

think that that the way that they kind

1213

00:52:40,609 --> 00:52:37,319

of came out of nowhere right out of the

1214

00:52:42,829 --> 00:52:40,619

gate with with bowenon and Corey it was

1215

00:52:46,250 --> 00:52:42,839

a bit of a coordinated effort to create

1216

00:52:48,290 --> 00:52:46,260

a competing Network to I think that's

1217

00:52:49,970 --> 00:52:48,300

what one of those places it was like a

1218

00:52:53,210 --> 00:52:49,980

landing pad for them yeah as they left

1219

00:52:55,370 --> 00:52:53,220

so Corey good and David Wilcox left Gaia

1220

00:52:57,410 --> 00:52:55,380

TV and they thought edge of Wonder was

1221

00:52:59,089 --> 00:52:57,420

going to be their big platform and for a

1222

00:53:01,069 --> 00:52:59,099

while it was it was in a couple hundred

1223

00:53:02,630 --> 00:53:01,079

thousand hits video it was a

1224

00:53:06,170 --> 00:53:02,640

disinformation and misinformation

1225

00:53:09,770 --> 00:53:06,180

Network that would spread alien and UFO

1226

00:53:11,210 --> 00:53:09,780

[h__\h] quite honestly and and uh it

1227

00:53:13,010 --> 00:53:11,220

worked really well and I'm sure that

1228

00:53:15,230 --> 00:53:13,020

those guys did make money because people

1229

00:53:20,150 --> 00:53:15,240

used to load them up with the super cats

1230

00:53:21,589 --> 00:53:20,160

and donations and patreon and and a

1231

00:53:23,750 --> 00:53:21,599

Chinese cult was paying for their

1232

00:53:25,130 --> 00:53:23,760

equipment their video editors to the

1233

00:53:28,309 --> 00:53:25,140

best of my knowledge and recollection

1234

00:53:30,349 --> 00:53:28,319

and and sourcing on this the Chinese

1235

00:53:32,210 --> 00:53:30,359

co-found gong was funding them

1236

00:53:34,849 --> 00:53:32,220

completely the whole time they were

1237

00:53:37,430 --> 00:53:34,859

pretending to be independent

1238

00:53:39,730 --> 00:53:37,440

they got Rumble now yeah well good luck

1239

00:53:43,069 --> 00:53:39,740

making any money

1240

00:53:45,910 --> 00:53:43,079

I Rumble yeah wait so the dock Alliance

1241

00:53:47,829 --> 00:53:45,920

is up against China

1242

00:53:51,109 --> 00:53:47,839

not China

1243

00:53:53,150 --> 00:53:51,119

the edge of [h__h] are waiting for

1244

00:53:55,549 --> 00:53:53,160

Jake

1245

00:53:57,829 --> 00:53:55,559

they really are I really believe that's

1246

00:54:01,010 --> 00:53:57,839

the truth they believe the JFK and Trump

1247

00:54:04,190 --> 00:54:01,020

are going to come back and save and we

1248

00:54:06,049 --> 00:54:04,200

went a long time Donald Trump and JFK

1249

00:54:09,170 --> 00:54:06,059

are going to come back and Save

1250

00:54:10,609 --> 00:54:09,180

uh the Earth but did you hear RFK Jr is

1251
00:54:13,430 --> 00:54:10,619
going to run for president yes against

1252
00:54:15,589 --> 00:54:13,440
Joe Biden I'm actually interested in

1253
00:54:17,809 --> 00:54:15,599
that I am this is a platform going to be

1254
00:54:20,750 --> 00:54:17,819
I it's going to be like a Libertarian

1255
00:54:23,450 --> 00:54:20,760
platform and personal freedom fiscal

1256
00:54:25,670 --> 00:54:23,460
responsibility and that that's why that

1257
00:54:27,829 --> 00:54:25,680
guy's probably going to get CIA next

1258
00:54:30,589 --> 00:54:27,839
they're not gonna let him do any of that

1259
00:54:36,069 --> 00:54:30,599
you want to stop the wars and you want

1260
00:54:42,890 --> 00:54:39,470
yeah yeah you know your dad and your

1261
00:54:44,930 --> 00:54:42,900
uncle the CIA first he ought to be very

1262
00:54:47,650 --> 00:54:44,940
very careful but it's interesting that

1263
00:54:51,349 --> 00:54:47,660

the media is painting him instantly as

1264

00:54:53,450 --> 00:54:51,359

anti-v you guys know what I mean the the

1265

00:54:56,630 --> 00:54:53,460

Pepsi algae I don't even want to say it

1266

00:54:58,370 --> 00:54:56,640

they can't just say RFK Jr is running

1267

00:55:00,829 --> 00:54:58,380

against Joe Biden because I think if

1268

00:55:02,450 --> 00:55:00,839

people heard it that way like why one of

1269

00:55:05,390 --> 00:55:02,460

the Kennedys is going to run against Joe

1270

00:55:07,549 --> 00:55:05,400

Biden Joe Biden is regardless of

1271

00:55:10,910 --> 00:55:07,559

whatever your politics are this guy is

1272

00:55:14,030 --> 00:55:10,920

completely not there like he is just not

1273

00:55:16,250 --> 00:55:14,040

there and I think any serious Challenger

1274

00:55:18,530 --> 00:55:16,260

especially somebody with the resources

1275

00:55:20,510 --> 00:55:18,540

and the connections and the money of a

1276

00:55:22,970 --> 00:55:20,520

Kennedy and that name

1277

00:55:24,650 --> 00:55:22,980

that's a serious uh

1278

00:55:27,410 --> 00:55:24,660

that's going to be a real serious

1279

00:55:29,270 --> 00:55:27,420

competitor to him or it would be if the

1280

00:55:31,190 --> 00:55:29,280

system allows it but I think this system

1281

00:55:32,210 --> 00:55:31,200

is going to destroy the establishment's

1282

00:55:34,250 --> 00:55:32,220

going to eat him because he's going

1283

00:55:36,950 --> 00:55:34,260

against he's going against a grain of

1284

00:55:39,109 --> 00:55:36,960

everything yeah but boy it would be an

1285

00:55:41,690 --> 00:55:39,119

interesting election to see him and

1286

00:55:43,370 --> 00:55:41,700

Trump who reportedly are friends like

1287

00:55:45,770 --> 00:55:43,380

what they ran against each other they're

1288

00:55:48,170 --> 00:55:45,780

friends maybe it would be an interesting

1289

00:55:52,609 --> 00:55:48,180

one I mean Hillary or friends right yeah

1290

00:55:54,530 --> 00:55:52,619

yeah before Oh and he sure went in jail

1291

00:55:56,990 --> 00:55:54,540

that's still one of the hands down the

1292

00:55:59,089 --> 00:55:57,000

best I hope this guy is being sarcastic

1293

00:56:00,530 --> 00:55:59,099

yeah I really hope when people say

1294

00:56:02,089 --> 00:56:00,540

things like this that they're that

1295

00:56:03,829 --> 00:56:02,099

they're more autistic I don't know if

1296

00:56:05,930 --> 00:56:03,839

you can tell but that's what the story

1297

00:56:07,970 --> 00:56:05,940

is Trump has been running white hat

1298

00:56:09,829 --> 00:56:07,980

military operations saving children from

1299

00:56:11,329 --> 00:56:09,839

underground alien bases people are

1300

00:56:13,010 --> 00:56:11,339

actually saying that I don't know if

1301

00:56:14,809 --> 00:56:13,020

you're saying that because you truly

1302

00:56:16,849 --> 00:56:14,819

believe it or because you're you're

1303

00:56:19,010 --> 00:56:16,859

making fun of that or laughing at them

1304

00:56:22,130 --> 00:56:19,020

right right

1305

00:56:25,670 --> 00:56:22,140

Kennedys have a terrible track record of

1306

00:56:28,370 --> 00:56:25,680

uh of this whole being alive thing yeah

1307

00:56:31,130 --> 00:56:28,380

yeah I mean they they see they seem to

1308

00:56:34,970 --> 00:56:31,140

poke the agency bad a lot and maybe

1309

00:56:36,950 --> 00:56:34,980

maybe it's a family a family thing

1310

00:56:40,190 --> 00:56:36,960

the media will destroy him just like

1311

00:56:42,290 --> 00:56:40,200

they did Bernie yeah yeah uh that's and

1312

00:56:44,089 --> 00:56:42,300

that's a shame because he's funny you

1313

00:56:46,069 --> 00:56:44,099

know what that guy wants he wants the

1314

00:56:48,589 --> 00:56:46,079

government not to be like if you really

1315

00:56:49,849 --> 00:56:48,599

break down you know regardless of I

1316

00:56:52,730 --> 00:56:49,859

don't agree with everything the guy has

1317

00:56:55,670 --> 00:56:52,740

said but he's for things like pardoning

1318

00:56:58,130 --> 00:56:55,680

Snowden and Chelsea Manning he's for

1319

00:57:00,530 --> 00:56:58,140

things like real transparency and

1320

00:57:02,450 --> 00:57:00,540

accountability of government he's for

1321

00:57:04,670 --> 00:57:02,460

term limits of these lifetime

1322

00:57:06,349 --> 00:57:04,680

politicians he's forgetting the money

1323

00:57:08,210 --> 00:57:06,359

out of politics

1324

00:57:11,210 --> 00:57:08,220

that's why I think that he's going to

1325

00:57:13,549 --> 00:57:11,220

get ci8 because you can't you know

1326

00:57:18,049 --> 00:57:13,559

you're gonna screw up the whole cabal

1327

00:57:19,910 --> 00:57:18,059

system you cannot you know and uh it's

1328

00:57:21,410 --> 00:57:19,920

interesting though he he's announced his

1329

00:57:23,710 --> 00:57:21,420

candidacy I think he's filled out all

1330

00:57:26,030 --> 00:57:23,720

that you got to fill a lot of people

1331

00:57:29,030 --> 00:57:26,040

he's going to be registered in every

1332

00:57:32,150 --> 00:57:29,040

state soon so that's an interesting

1333

00:57:36,470 --> 00:57:34,250

I don't know but do you think it could

1334

00:57:38,569 --> 00:57:36,480

be a bit of an operation by the right to

1335

00:57:39,530 --> 00:57:38,579

fund someone who's an easy opponent for

1336

00:57:40,510 --> 00:57:39,540

the right

1337

00:57:43,430 --> 00:57:40,520

yeah

1338

00:57:44,930 --> 00:57:43,440

I would think that Biden has got to be

1339

00:57:46,430 --> 00:57:44,940

the easier person to go against because

1340

00:57:49,730 --> 00:57:46,440

who wants another four years of this

1341

00:57:52,309 --> 00:57:49,740

[h__h] I just listen you know how cheap I

1342

00:57:54,230 --> 00:57:52,319

am I just went to Burger King last week

1343

00:57:56,210 --> 00:57:54,240

on the way to the cabin and I hadn't

1344

00:57:58,490 --> 00:57:56,220

been to Burger King and like since maybe

1345

00:58:01,130 --> 00:57:58,500

before the pandemic that oh well

1346

00:58:03,950 --> 00:58:01,140

so I got two double cheeseburgers and an

1347

00:58:06,829 --> 00:58:03,960

order of fries and it was 13 and some

1348

00:58:08,270 --> 00:58:06,839

change and I just couldn't believe it I

1349

00:58:09,650 --> 00:58:08,280

thought they made a mistake but I was

1350

00:58:12,049 --> 00:58:09,660

too embarrassed and then I went no

1351

00:58:14,809 --> 00:58:12,059

inflation is crazy out of control yeah

1352

00:58:16,370 --> 00:58:14,819

it was 13 for two little and you know

1353

00:58:17,930 --> 00:58:16,380

those double cheeseburgers they're not

1354

00:58:20,510 --> 00:58:17,940

real double cheeseburgers they're

1355

00:58:22,490 --> 00:58:20,520

they're little they're like the the

1356

00:58:25,309 --> 00:58:22,500

little cheeseburgers but two patties of

1357

00:58:27,890 --> 00:58:25,319

meat it's not a big sandwich I couldn't

1358

00:58:30,770 --> 00:58:27,900

believe it and gas is twice as what it

1359

00:58:33,049 --> 00:58:30,780

was when Biden took over and like we're

1360

00:58:35,510 --> 00:58:33,059

about to go to nuclear war with Russia

1361

00:58:37,010 --> 00:58:35,520

and China is about to invade Taiwan and

1362

00:58:39,650 --> 00:58:37,020

the economies and the [h__h] and all

1363

00:58:42,470 --> 00:58:39,660

the banks are failing like who would say

1364

00:58:44,809 --> 00:58:42,480

we want that guy to continue and the

1365

00:58:47,930 --> 00:58:44,819

arrogance Biden basically said he's

1366

00:58:50,390 --> 00:58:47,940

running again like who how could this

1367

00:58:52,190 --> 00:58:50,400

guy go you know what I'm doing such a

1368

00:58:56,950 --> 00:58:52,200

great job running this country that

1369

00:59:02,089 --> 00:59:00,049

of this [h__h] we're gonna get wiped off

1370

00:59:05,150 --> 00:59:02,099

the planet by nuclear weapons if this

1371

00:59:08,510 --> 00:59:05,160

guy keeps stumbling and you know oh [h__h]

1372

00:59:10,549 --> 00:59:08,520

and uh it'll be interesting you know and

1373

00:59:12,470 --> 00:59:10,559

I always say though like I don't vote so

1374

00:59:15,650 --> 00:59:12,480

I'm not part of the circus but I buy a

1375

00:59:19,670 --> 00:59:15,660

ticket just to watch the show like that

1376

00:59:22,309 --> 00:59:19,680

Hillary and and Trump election was funny

1377

00:59:24,109 --> 00:59:22,319

to watch because he they were just going

1378

00:59:25,490 --> 00:59:24,119

after each other and the media and

1379

00:59:28,069 --> 00:59:25,500

everybody was doing everything they

1380

00:59:30,829 --> 00:59:28,079

could to just say no no Hillary's got

1381

00:59:32,990 --> 00:59:30,839

this this guy can't win and this and

1382

00:59:36,650 --> 00:59:33,000

that and he still managed to squeak out

1383

00:59:37,849 --> 00:59:36,660

a win and and it was fun to watch and I

1384

00:59:39,950 --> 00:59:37,859

hope that everyone's going to be

1385

00:59:41,750 --> 00:59:39,960

entertainment as well it's got to be

1386

00:59:44,329 --> 00:59:41,760

entertaining I think it's becoming more

1387

00:59:46,270 --> 00:59:44,339

like the Super Bowl now yeah especially

1388

00:59:50,870 --> 00:59:46,280

with the way that the debates uh

1389

00:59:52,849 --> 00:59:50,880

publicized and and social media back

1390

00:59:54,109 --> 00:59:52,859

then you see the debate and then you

1391

00:59:57,109 --> 00:59:54,119

might see a couple of Clips on the news

1392

00:59:59,870 --> 00:59:57,119

in the evening now it's instantly any

1393

01:00:01,970 --> 00:59:59,880

moment in a debate is just pumped out on

1394

01:00:04,789 --> 01:00:01,980

Twitter Youtube the whole world sees it

1395

01:00:06,710 --> 01:00:04,799

like before the debate's even over so

1396

01:00:09,170 --> 01:00:06,720

it's definitely a different world for

1397

01:00:11,329 --> 01:00:09,180

for doing uh election campaigns

1398

01:00:12,829 --> 01:00:11,339

especially with the amount of people on

1399

01:00:16,130 --> 01:00:12,839

the internet that can find out things

1400

01:00:19,250 --> 01:00:16,140

it's a lot harder yeah a lot of people

1401

01:00:22,190 --> 01:00:19,260

think he's kind of a wacker yeah he does

1402

01:00:26,569 --> 01:00:22,200

have some strange beliefs and him in the

1403

01:00:31,250 --> 01:00:28,789

yeah but it'll be interesting to watch

1404

01:00:34,430 --> 01:00:31,260

him though yeah I'll be watching uh with

1405

01:00:35,210 --> 01:00:34,440

the baited breath I'll see how it shakes

1406

01:00:37,730 --> 01:00:35,220

out

1407

01:00:39,950 --> 01:00:37,740

I mean maybe there'll be another like

1408

01:00:40,789 --> 01:00:39,960

someone I agree someone will come out of

1409

01:00:43,849 --> 01:00:40,799

these

1410

01:00:46,309 --> 01:00:43,859

out of the woodwork what did we say he

1411

01:00:48,530 --> 01:00:46,319

said that the world is in more danger if

1412

01:00:49,910 --> 01:00:48,540

the US is soft with the dictator Club in

1413

01:00:51,170 --> 01:00:49,920

Russia and China yeah but it's

1414

01:00:52,789 --> 01:00:51,180

interesting that none of this stuff

1415

01:00:54,589 --> 01:00:52,799

happened under trump it all started

1416

01:00:57,410 --> 01:00:54,599

happening under Biden I think that they

1417

01:00:58,970 --> 01:00:57,420

perceived Biden to be weak and how could

1418

01:01:02,089 --> 01:00:58,980

you not the guy barely knows his own

1419

01:01:03,230 --> 01:01:02,099

name right he doesn't even I saw a click

1420

01:01:04,609 --> 01:01:03,240

of him a couple of weeks ago where he

1421

01:01:06,349 --> 01:01:04,619

walks up to a bunch of reporters he goes

1422

01:01:08,890 --> 01:01:06,359

my butt's been wiped

1423

01:01:10,910 --> 01:01:08,900

and it was it's like a real clip

1424

01:01:13,789 --> 01:01:10,920

what is this

1425

01:01:16,370 --> 01:01:13,799

yeah yeah and that's even a worse

1426

01:01:18,650 --> 01:01:16,380

situation if Biden dies that crazy woman

1427

01:01:20,809 --> 01:01:18,660

the cackle lady becomes the there's

1428

01:01:25,030 --> 01:01:20,819

always laughing at everything you know

1429

01:01:32,870 --> 01:01:30,309

you know she's always laughing um

1430

01:01:34,730 --> 01:01:32,880

more effective to change culture than to

1431

01:01:36,589 --> 01:01:34,740

vote the Dems know this better

1432

01:01:39,289 --> 01:01:36,599

unfortunately yeah they win the culture

1433

01:01:41,030 --> 01:01:39,299

War yeah right we should have been

1434

01:01:42,950 --> 01:01:41,040

drinking some Bud Light during this

1435

01:01:45,609 --> 01:01:42,960

speaking of culture wars we should have

1436

01:01:48,349 --> 01:01:45,619

got some of that yeah excellent

1437

01:01:50,030 --> 01:01:48,359

Bud light's still a thing that might be

1438

01:01:52,130 --> 01:01:50,040

five years from now and Bud Light will

1439

01:01:54,470 --> 01:01:52,140

be out of business they're getting

1440

01:01:57,170 --> 01:01:54,480

hammered yeah it was what after a match

1441

01:01:59,450 --> 01:01:57,180

Master casualty event did I miss

1442

01:02:02,150 --> 01:01:59,460

something what happened

1443

01:02:04,250 --> 01:02:02,160

what

1444

01:02:06,289 --> 01:02:04,260

was happening since I go ahead holy crap

1445

01:02:08,630 --> 01:02:06,299

well we've had all these schools

1446

01:02:10,549 --> 01:02:08,640

shooting all these uh mass shootings

1447

01:02:13,010 --> 01:02:10,559

probably yeah you guys are wild in with

1448

01:02:15,230 --> 01:02:13,020

that like it's being in the UK like

1449

01:02:16,789 --> 01:02:15,240

seeing like we get it like instantly

1450

01:02:18,589 --> 01:02:16,799

recorded but seeing it from the outside

1451
01:02:20,630 --> 01:02:18,599
because like we don't have guns so like

1452
01:02:22,670 --> 01:02:20,640
it's very it's almost like a TV show

1453
01:02:23,930 --> 01:02:22,680
it's it's like awful to think of it that

1454
01:02:26,089 --> 01:02:23,940
way but it's

1455
01:02:28,190 --> 01:02:26,099
is the way that it's covered in the

1456
01:02:29,990 --> 01:02:28,200
media it just it's so ridiculous it

1457
01:02:32,089 --> 01:02:30,000
doesn't seem real sometimes it's like a

1458
01:02:34,430 --> 01:02:32,099
guy will go into a Walmart and murder 27

1459
01:02:37,190 --> 01:02:34,440
people or something it's like that's

1460
01:02:38,390 --> 01:02:37,200
[h__\h] crazy I don't like I can't

1461
01:02:41,270 --> 01:02:38,400
imagine

1462
01:02:43,190 --> 01:02:41,280
like you know conversely though like I I

1463
01:02:45,170 --> 01:02:43,200

can't imagine living in a country where

1464

01:02:48,289 --> 01:02:45,180

you're not legally allowed to carry or

1465

01:02:50,089 --> 01:02:48,299

own a firearm you know but fungus

1466

01:02:51,470 --> 01:02:50,099

because families can have shotguns and

1467

01:02:53,510 --> 01:02:51,480

handguns but that's because of the

1468

01:02:55,730 --> 01:02:53,520

culture that I grew up in where you kind

1469

01:02:58,730 --> 01:02:55,740

of like in the neighborhood where I grew

1470

01:03:00,170 --> 01:02:58,740

up like adult males carry guns just to

1471

01:03:01,849 --> 01:03:00,180

protect themselves and their families

1472

01:03:04,849 --> 01:03:01,859

because there's a lot of criminals in

1473

01:03:06,950 --> 01:03:04,859

the city and the police take 30 minutes

1474

01:03:08,450 --> 01:03:06,960

to get to your house so you've got to

1475

01:03:10,069 --> 01:03:08,460

have them right you gotta have some

1476

01:03:12,950 --> 01:03:10,079

means of protecting you and your family

1477

01:03:16,130 --> 01:03:12,960

I'm a big supporter of that now if I

1478

01:03:18,410 --> 01:03:16,140

could wave a magic wand and make all the

1479

01:03:20,390 --> 01:03:18,420

guns disappear and with it all the crime

1480

01:03:22,789 --> 01:03:20,400

so you wouldn't need a gun I would be

1481

01:03:25,190 --> 01:03:22,799

for that but unfortunately you guys like

1482

01:03:26,990 --> 01:03:25,200

the Pandora's box with the Constitution

1483

01:03:28,490 --> 01:03:27,000

well the other thing is that criminals

1484

01:03:30,349 --> 01:03:28,500

do not you know just because you make

1485

01:03:32,630 --> 01:03:30,359

something a law the criminals aren't

1486

01:03:34,670 --> 01:03:32,640

going to go we should buy a gun to do

1487

01:03:36,049 --> 01:03:34,680

this heist with oh wait guns are illegal

1488

01:03:38,030 --> 01:03:36,059

we can't right they're not gonna they're

1489

01:03:40,370 --> 01:03:38,040

gonna go get a gun I could drive y'all

1490

01:03:43,250 --> 01:03:40,380

100 minutes I could drive you 40 minutes

1491

01:03:46,970 --> 01:03:43,260

from here and buy a semi-automatic

1492

01:03:49,490 --> 01:03:46,980

AR-15 or anything I want go back to the

1493

01:03:51,710 --> 01:03:49,500

beginning of the show dude there's a

1494

01:03:53,750 --> 01:03:51,720

little surprise for you yeah you only

1495

01:03:56,089 --> 01:03:53,760

need guns if everybody else has guns but

1496

01:03:57,770 --> 01:03:56,099

unfortunately they do and like the the

1497

01:03:59,750 --> 01:03:57,780

reason that you know that gun bans won't

1498

01:04:03,109 --> 01:03:59,760

work is because right now I could drive

1499

01:04:04,970 --> 01:04:03,119

into the City and I I still have old

1500

01:04:07,549 --> 01:04:04,980

friends and scary friends that could

1501

01:04:09,829 --> 01:04:07,559

point me to somebody where I could buy a

1502

01:04:11,630 --> 01:04:09,839

semi-automatic assault rifle right now

1503

01:04:15,410 --> 01:04:11,640

if I have a few hundred dollars in cash

1504

01:04:16,970 --> 01:04:15,420

and ammunition so you know Banning them

1505

01:04:18,170 --> 01:04:16,980

is not the answer but I don't know what

1506

01:04:19,630 --> 01:04:18,180

the answer is they got to do something

1507

01:04:21,470 --> 01:04:19,640

because

1508

01:04:22,990 --> 01:04:21,480

I think

1509

01:04:26,589 --> 01:04:23,000

I'm gonna get

1510

01:04:29,390 --> 01:04:26,599

270 odd years or whatever into

1511

01:04:31,430 --> 01:04:29,400

being a country and having free access

1512

01:04:33,049 --> 01:04:31,440

to guns all the time it's not something

1513

01:04:35,630 --> 01:04:33,059

you can put back in the box at this

1514

01:04:37,190 --> 01:04:35,640

point yeah yeah and I agreed dj'd's

1515

01:04:39,349 --> 01:04:37,200

personal protection is a natural right

1516

01:04:42,710 --> 01:04:39,359

and it can never be taken away

1517

01:04:44,089 --> 01:04:42,720

yeah and and you know isn't it

1518

01:04:45,289 --> 01:04:44,099

interesting though that I really do

1519

01:04:47,030 --> 01:04:45,299

think that the people that are

1520

01:04:49,609 --> 01:04:47,040

advocating for gun bans and everything

1521

01:04:52,430 --> 01:04:49,619

are like Rich Hollywood stars that have

1522

01:04:54,890 --> 01:04:52,440

personal security that all have guns so

1523

01:04:57,049 --> 01:04:54,900

it's easy for these rich Elite people

1524

01:04:59,450 --> 01:04:57,059

that have private security to say you

1525

01:05:01,490 --> 01:04:59,460

don't need a gun or you shouldn't be

1526
01:05:04,309 --> 01:05:01,500
allowed to have one you know I feel like

1527
01:05:06,670 --> 01:05:04,319
it is somewhat of an academic position

1528
01:05:09,230 --> 01:05:06,680
to be

1529
01:05:10,910 --> 01:05:09,240
this is true every government that bans

1530
01:05:13,490 --> 01:05:10,920
guns ends up killing large portions of

1531
01:05:15,049 --> 01:05:13,500
their own people eventually well you

1532
01:05:17,510 --> 01:05:15,059
know what I think if we look at the

1533
01:05:19,069 --> 01:05:17,520
lockdown situation in Australia and how

1534
01:05:20,410 --> 01:05:19,079
crazy they went against their own

1535
01:05:23,089 --> 01:05:20,420
citizens

1536
01:05:25,250 --> 01:05:23,099
that happened after they took all the

1537
01:05:26,809 --> 01:05:25,260
guns away if those people had guns they

1538
01:05:30,470 --> 01:05:26,819

would not have been able to been so

1539

01:05:33,230 --> 01:05:30,480

forceful in the government running of of

1540

01:05:35,270 --> 01:05:33,240

your life you know that's true they had

1541

01:05:37,309 --> 01:05:35,280

like encampments do you remember that

1542

01:05:39,710 --> 01:05:37,319

they had like encampments and if you got

1543

01:05:42,650 --> 01:05:39,720

covered they would take you to that

1544

01:05:44,390 --> 01:05:42,660

like where about covid camps in uh

1545

01:05:45,890 --> 01:05:44,400

Australia oh and yeah I saw that there

1546

01:05:49,370 --> 01:05:45,900

was like these little like and a few

1547

01:05:50,990 --> 01:05:49,380

years in a few years be careful with

1548

01:05:52,390 --> 01:05:51,000

your feet don't go kicking cords because

1549

01:05:55,670 --> 01:05:52,400

you never know what's going to happen

1550

01:05:58,490 --> 01:05:55,680

you know what happened no but they they

1551

01:06:00,829 --> 01:05:58,500

banned guns a few years before covid so

1552

01:06:03,770 --> 01:06:00,839

I think it was easy

1553

01:06:05,450 --> 01:06:03,780

uh for them to patrol and manipulate the

1554

01:06:07,190 --> 01:06:05,460

citizensry because they don't have a

1555

01:06:08,569 --> 01:06:07,200

choice that the government's got guns

1556

01:06:10,490 --> 01:06:08,579

and there's guys outside with guns

1557

01:06:12,589 --> 01:06:10,500

saying you have to go to this covet

1558

01:06:15,230 --> 01:06:12,599

encampment and so people did and you

1559

01:06:17,630 --> 01:06:15,240

know someone thinks uh I'm your son

1560

01:06:20,329 --> 01:06:17,640

no no I'm just a pain in his ass is what

1561

01:06:23,089 --> 01:06:20,339

I am but yeah I make him work more than

1562

01:06:24,710 --> 01:06:23,099

I would so I know sorry he's always like

1563

01:06:25,970 --> 01:06:24,720

you should do another show tonight you

1564

01:06:28,190 --> 01:06:25,980

should do another ownership do another

1565

01:06:30,109 --> 01:06:28,200

one yeah especially when something is

1566

01:06:33,230 --> 01:06:30,119

popping and something is happening but

1567

01:06:34,910 --> 01:06:33,240

we try to accommodate yeah so uh we're

1568

01:06:36,349 --> 01:06:34,920

over an hour that's good I just wanted

1569

01:06:38,450 --> 01:06:36,359

to come and we wanted to do this

1570

01:06:40,609 --> 01:06:38,460

together so we have like a record of

1571

01:06:42,710 --> 01:06:40,619

this that we can say oh that's when

1572

01:06:45,710 --> 01:06:42,720

spooky just showed up unannounced at my

1573

01:06:49,609 --> 01:06:45,720

door you know history was made this day

1574

01:06:50,950 --> 01:06:49,619

begging for breakfast dinner and snacks

1575

01:06:54,770 --> 01:06:50,960

right

1576

01:06:57,289 --> 01:06:54,780

my fries were really good

1577

01:06:59,029 --> 01:06:57,299

some Japanese fries they're just like

1578

01:07:00,770 --> 01:06:59,039

normal fries but they're older regular

1579

01:07:02,270 --> 01:07:00,780

American fries I don't know why I didn't

1580

01:07:03,829 --> 01:07:02,280

even see that on the menu I was like

1581

01:07:05,690 --> 01:07:03,839

you're ordering fries at a Japanese

1582

01:07:07,910 --> 01:07:05,700

restaurant it wasn't a science there's a

1583

01:07:11,329 --> 01:07:07,920

hundred kinds of things there's Ramen

1584

01:07:12,470 --> 01:07:11,339

that's delicious delicious at a Japanese

1585

01:07:15,109 --> 01:07:12,480

restaurant

1586

01:07:17,089 --> 01:07:15,119

Ramen is delicious they have all this

1587

01:07:19,670 --> 01:07:17,099

delicious food

1588

01:07:23,089 --> 01:07:19,680

Eggroll and french fries the egg roll

1589

01:07:25,549 --> 01:07:23,099

was fantastic it was it was really

1590

01:07:27,650 --> 01:07:25,559

really good like I was actually like oh

1591

01:07:30,589 --> 01:07:27,660

I was expecting that oh this because in

1592

01:07:32,390 --> 01:07:30,599

the UK egg rolls are like that big the

1593

01:07:36,109 --> 01:07:32,400

tiny there's one thing here in America

1594

01:07:38,930 --> 01:07:36,119

why are your servings so big I don't

1595

01:07:40,609 --> 01:07:38,940

like I eat nothing so like I buy one

1596

01:07:42,950 --> 01:07:40,619

thing and it's like three meals worth of

1597

01:07:45,109 --> 01:07:42,960

food and I have to waste it that much

1598

01:07:47,230 --> 01:07:45,119

I don't even miss much just

1599

01:07:50,510 --> 01:07:47,240

everything

1600

01:07:53,150 --> 01:07:50,520

yeah I'm interested that you think that

1601

01:07:56,450 --> 01:07:53,160

the portions are so big because

1602

01:07:58,789 --> 01:07:56,460

what am I missing freedompllice french

1603

01:08:00,289 --> 01:07:58,799

fries are in the kid menu yeah who needs

1604

01:08:02,930 --> 01:08:00,299

Freedom fries when you can have Japanese

1605

01:08:04,270 --> 01:08:02,940

for exactly and that was my logic I'm

1606

01:08:07,130 --> 01:08:04,280

looking at the menu and I'm like

1607

01:08:08,990 --> 01:08:07,140

Japanese fries or maybe it was just that

1608

01:08:11,270 --> 01:08:09,000

you were not familiar with what some of

1609

01:08:12,890 --> 01:08:11,280

those I also had no idea what I've never

1610

01:08:14,630 --> 01:08:12,900

been in a sushi restaurant and looked at

1611

01:08:16,789 --> 01:08:14,640

a sushi menu in my life it's a Japanese

1612

01:08:18,950 --> 01:08:16,799

restaurant it's not just Sushi they got

1613

01:08:21,650 --> 01:08:18,960

some sushi an adult grilled everything

1614

01:08:24,169 --> 01:08:21,660

and Sushi is a draw for them so I'm sure

1615

01:08:25,610 --> 01:08:24,179

they have that but I felt bad because a

1616

01:08:27,829 --> 01:08:25,620

new family it used to be a Chinese

1617

01:08:29,269 --> 01:08:27,839

restaurant and I hadn't been there and

1618

01:08:31,610 --> 01:08:29,279

all of a sudden we go and it's a

1619

01:08:32,930 --> 01:08:31,620

Japanese restaurant with sushi and

1620

01:08:35,510 --> 01:08:32,940

Japanese people instead of Chinese

1621

01:08:38,630 --> 01:08:35,520

people and it was a little weird it

1622

01:08:40,370 --> 01:08:38,640

didn't seem like they like quickly like

1623

01:08:43,070 --> 01:08:40,380

got rid of all the Chinese things and

1624

01:08:46,010 --> 01:08:43,080

put up Japanese things in the same space

1625

01:08:47,930 --> 01:08:46,020

It was kind of surreal and strange but

1626

01:08:50,390 --> 01:08:47,940

it was good food and I would go back

1627

01:08:51,590 --> 01:08:50,400

there I had a cool moment when when you

1628

01:08:53,809 --> 01:08:51,600

were paying

1629

01:08:55,249 --> 01:08:53,819

uh the the chef behind the you know the

1630

01:08:56,749 --> 01:08:55,259

Little Canada thing he was like oh how's

1631

01:08:57,890 --> 01:08:56,759

your food I was like I was very good and

1632

01:09:00,110 --> 01:08:57,900

they'll be like bowed to each other it

1633

01:09:03,729 --> 01:09:00,120

was pretty cool that was a really cool

1634

01:09:06,470 --> 01:09:03,739

moment I like that that's nice yeah

1635

01:09:09,110 --> 01:09:06,480

Wilcox just invented a hover Pizza

1636

01:09:11,090 --> 01:09:09,120

I had a slice and it was amazing

1637

01:09:14,749 --> 01:09:11,100

I gotta sit through two hours of that

1638

01:09:17,510 --> 01:09:14,759

guy good luck I'm gonna be uh gorilla

1639

01:09:19,510 --> 01:09:17,520

gamer loves Richie Griffon you faked

1640

01:09:22,070 --> 01:09:19,520

cancer you fake cancer

1641

01:09:24,410 --> 01:09:22,080

[Laughter]

1642

01:09:27,470 --> 01:09:24,420

kind of [h__h] are so many faked

1643

01:09:29,689 --> 01:09:27,480

cancer especially he kept saying it

1644

01:09:32,050 --> 01:09:29,699

after gorilla gamer posted all his

1645

01:09:34,849 --> 01:09:32,060

answers

1646

01:09:36,709 --> 01:09:34,859

[h__h] on Twitter you dummy and you're

1647

01:09:39,229 --> 01:09:36,719

still saying he did that right I want to

1648

01:09:41,209 --> 01:09:39,239

say this is not a laser pointer it is a

1649

01:09:43,309 --> 01:09:41,219

vaporizer

1650

01:09:45,050 --> 01:09:43,319

um just making sure everybody knows all

1651

01:09:47,269 --> 01:09:45,060

right we both have to say UFO circle

1652

01:09:51,890 --> 01:09:47,279

jerkers at the same time so that Simon

1653

01:09:59,050 --> 01:09:51,900

fly could so three two one UFO Circle

1654

01:10:04,669 --> 01:10:02,209

girl gamer says I'm a cancer Faker my

1655

01:10:06,830 --> 01:10:04,679

treatments tomorrow are fake too yeah

1656

01:10:08,050 --> 01:10:06,840

I'm sorry that he did that what an

1657

01:10:14,350 --> 01:10:08,060

[h__\h]

1658

01:10:17,209 --> 01:10:14,360

Jesus

1659

01:10:21,590 --> 01:10:17,219

I hope that sounded good that was

1660

01:10:23,510 --> 01:10:21,600

it was good now now he's pushing the

1661

01:10:25,490 --> 01:10:23,520

latest Stephen Greer grift-a-thon which

1662

01:10:28,430 --> 01:10:25,500

is nothing new and just a another

1663

01:10:30,490 --> 01:10:28,440

retreading of all the same nonsense

1664

01:10:34,010 --> 01:10:30,500

stories he'd improved the first read

1665

01:10:36,169 --> 01:10:34,020

yeah all the all the same nonsense

1666

01:10:37,850 --> 01:10:36,179

stories he'd improved were true in the

1667

01:10:40,610 --> 01:10:37,860

first three documentaries he made or

1668

01:10:54,130 --> 01:10:40,620

jammed into this new garbage of third

1669

01:10:59,330 --> 01:10:56,990

I just make art

1670

01:11:01,310 --> 01:10:59,340

and now I'm here annoying Steven in the

1671

01:11:03,350 --> 01:11:01,320

real world like

1672

01:11:05,630 --> 01:11:03,360

stick with your dreams guys it happens

1673

01:11:07,189 --> 01:11:05,640

it can happen in a heartbeat and here I

1674

01:11:08,750 --> 01:11:07,199

am oh I just want to say that if your

1675

01:11:12,010 --> 01:11:08,760

dream was to come here and be a part of

1676

01:11:14,830 --> 01:11:12,020

this [h__h] show you need better dreams

1677

01:11:17,630 --> 01:11:14,840

maybe I do

1678

01:11:19,189 --> 01:11:17,640

you need higher expectations or

1679

01:11:22,130 --> 01:11:19,199

something I'm starting to forest fire

1680

01:11:23,990 --> 01:11:22,140

over here on this ashtray so we're gonna

1681

01:11:25,430 --> 01:11:24,000

we're gonna bounce on out of here we

1682

01:11:26,990 --> 01:11:25,440

want to thank each and every one of you

1683

01:11:29,570 --> 01:11:27,000

for joining us we want to thank Our Kind

1684

01:11:32,270 --> 01:11:29,580

and Generous benefactors you patreon

1685

01:11:34,610 --> 01:11:32,280

supporters you uh channel members twitch

1686

01:11:37,790 --> 01:11:34,620

subscribers super Chatters PayPal

1687

01:11:39,290 --> 01:11:37,800

pledgers you make the ship go yeah you

1688

01:11:40,790 --> 01:11:39,300

really do make the ship go and we're

1689

01:11:42,590 --> 01:11:40,800

very very thankful every time yeah and

1690

01:11:44,390 --> 01:11:42,600

we don't have a Chinese call pay in all

1691

01:11:47,149 --> 01:11:44,400

of our bills right so we do we need your

1692

01:11:49,070 --> 01:11:47,159

we do need your help we do right and uh

1693

01:11:50,930 --> 01:11:49,080

we thank each and every one of you for

1694

01:11:54,649 --> 01:11:50,940

your kindness generosity and support of

1695

01:11:56,290 --> 01:11:54,659

the show we thank the uh Mr Ian that the

1696

01:12:00,890 --> 01:11:56,300

uh

1697

01:12:02,930 --> 01:12:00,900

the golden voice guy we've got new

1698

01:12:06,050 --> 01:12:02,940

stuff coming from him I gotta send him

1699

01:12:07,729 --> 01:12:06,060

this stuff plot twist yeah and uh spooky

1700

01:12:09,350 --> 01:12:07,739

will be continuing on her journey so

1701

01:12:12,470 --> 01:12:09,360

we'll all keep spooky at our thoughts

1702

01:12:16,330 --> 01:12:12,480

and prayers for a safe and happy uh

1703

01:12:19,070 --> 01:12:16,340

Journal uh safe and

1704

01:12:21,290 --> 01:12:19,080

a safe journey that's a big Journey if

1705

01:12:22,910 --> 01:12:21,300

you're Crossing in a country as large as

1706

01:12:24,590 --> 01:12:22,920

the United States the whole country and

1707

01:12:27,350 --> 01:12:24,600

you're getting on airplanes and trains

1708

01:12:30,709 --> 01:12:27,360

and and buses and where whatever you're

1709

01:12:32,149 --> 01:12:30,719

doing uh yeah I pray for anybody's

1710

01:12:34,010 --> 01:12:32,159

safety that has to do that because I've

1711

01:12:36,649 --> 01:12:34,020

traveled a lot and it can be a weird

1712

01:12:40,910 --> 01:12:36,659

place being on the road that long you

1713

01:12:42,350 --> 01:12:40,920

know hey uh so look out for me on that

1714

01:12:44,990 --> 01:12:42,360

one time I was a Dutch by aliens

1715

01:12:46,430 --> 01:12:45,000

sometime next week uh I'm I'm not doing

1716

01:12:47,810 --> 01:12:46,440

like I'll show you every Tuesday and

1717

01:12:49,729 --> 01:12:47,820

Thursday and obviously I'm not around to

1718

01:12:52,970 --> 01:12:49,739

do them right now but I will be that

1719

01:12:55,130 --> 01:12:52,980

impossible to do a show and that'll be

1720

01:12:57,770 --> 01:12:55,140

the continuation of this random ass

1721

01:12:59,330 --> 01:12:57,780

Adventure on the internet as well as in

1722

01:13:00,470 --> 01:12:59,340

the real world so I'm gonna turn up on

1723

01:13:02,630 --> 01:13:00,480

everybody's shows and then get home and

1724

01:13:04,270 --> 01:13:02,640

be like well that was that was something

1725

01:13:07,610 --> 01:13:04,280

I'm gonna yeah

1726

01:13:08,810 --> 01:13:07,620

quite the adventure so far and it's only

1727

01:13:11,270 --> 01:13:08,820

just beginning what do you got another

1728

01:13:14,350 --> 01:13:11,280

20 days of this uh something like that

1729

01:13:17,870 --> 01:13:14,360

yeah 19 days or so

1730

01:13:19,970 --> 01:13:17,880

well we this is totally not planned and

1731

01:13:21,470 --> 01:13:19,980

we just wanted to come and hang out with

1732

01:13:23,930 --> 01:13:21,480

you guys yeah and hang out with you guys

1733

01:13:27,169 --> 01:13:23,940

so I'm glad that we could do that we're

1734

01:13:28,669 --> 01:13:27,179

gonna bounce on out of here and uh maybe

1735

01:13:31,250 --> 01:13:28,679

we'll take you for that Cheesesteak or

1736

01:13:34,310 --> 01:13:31,260

something yeah I'm cool yeah that'd be

1737

01:13:36,470 --> 01:13:34,320

good and uh you're here you got to do it

1738

01:13:38,450 --> 01:13:36,480

you got you got to do it we'll find one

1739

01:13:40,550 --> 01:13:38,460

there's got to be a place around here

1740

01:13:42,709 --> 01:13:40,560

that has them I think everyone's told me

1741

01:13:44,630 --> 01:13:42,719

to get one it's like gotta do it you

1742

01:13:47,209 --> 01:13:44,640

gotta do it all right so friends that's

1743

01:13:50,330 --> 01:13:47,219

all we got for you until next time my

1744

01:13:52,310 --> 01:13:50,340

name is Stephen cambian my name's spooky

1745

01:13:55,070 --> 01:13:52,320

this has been through Seekers keep your

1746

01:13:59,660 --> 01:13:55,080

third eye peeled [h__h] yes and uh good

1747

01:13:59,670 --> 01:14:55,149

[Music]

1748

01:15:17,110 --> 01:14:57,600

thank you

1749

01:15:18,620 --> 01:15:17,120

[Music]

1750

01:15:19,990 --> 01:15:18,630

thank you

1751

01:15:44,209 --> 01:15:20,000

[Applause]

1752

01:15:44,219 --> 01:15:55,870

foreign

1753

01:15:55,880 --> 01:16:18,649

[Music]
