DOWN THE ALIEN
RABBIT HOLE!

1
00:00:28,150 --> 00:00:20,520

[Music]

2
00:00:28,160 --> 00:00:38,160

thank you

3
00:02:14,449 --> 00:00:48,529

[Music]

4
00:02:15,589 --> 00:02:14,459
greetings and salutations friends and

5
00:02:19,190 --> 00:02:15,599
welcome back

6
00:02:21,470 --> 00:02:19,200
uh we are here tonight uh

7
00:02:23,750 --> 00:02:21,480
you know I'm not really quite sure where

8
00:02:26,809 --> 00:02:23,760
tonight is going to go and that's okay

9
00:02:30,170 --> 00:02:26,819
uh what I can tell you is that there

10
00:02:34,070 --> 00:02:30,180
have been many people uh dragging me

11
00:02:39,350 --> 00:02:34,080
into a new obsession uh and that would

12
00:02:41,390 --> 00:02:39,360
be Twitter spaces and so I have been uh

13
00:02:45,650 --> 00:02:41,400

listening for some time

14

00:02:48,350 --> 00:02:45,660

and uh tonight's guest is big into the

15

00:02:51,610 --> 00:02:48,360

Twitter spaces and uh sort of an

16

00:02:55,850 --> 00:02:51,620

interesting tell it like it is character

17

00:02:58,309 --> 00:02:55,860

and uh so I have been getting uh more

18

00:03:01,190 --> 00:02:58,319

interested in Twitter spaces and the

19

00:03:05,330 --> 00:03:01,200

discussions that are being

20

00:03:08,089 --> 00:03:05,340

um you know had there uh we will be

21

00:03:10,630 --> 00:03:08,099

forming some sort of Twitter space for

22

00:03:14,690 --> 00:03:10,640

many who have asked uh in the coming

23

00:03:16,850 --> 00:03:14,700

week or two but in the meantime I

24

00:03:21,530 --> 00:03:16,860

thought we could bring someone here from

25

00:03:24,229 --> 00:03:21,540

sort of the the Twitter sphere uh a man

26

00:03:27,550 --> 00:03:24,239

who is as equally obsessed with the

27

00:03:29,930 --> 00:03:27,560

alien Rabbit Hole as I am and many are

28

00:03:33,170 --> 00:03:29,940

and like I said

29

00:03:35,630 --> 00:03:33,180

um I could have spoken to him a lot off

30

00:03:37,130 --> 00:03:35,640

air but I tried not to do that so that I

31

00:03:39,470 --> 00:03:37,140

can just bring

32

00:03:43,309 --> 00:03:39,480

all of you with me for an honest

33

00:03:47,270 --> 00:03:43,319

conversation uh into a you know honest

34

00:03:49,670 --> 00:03:47,280

conversation with a fellow traveler uh

35

00:03:52,190 --> 00:03:49,680

down this crazy Rabbit Hole he's been

36

00:03:56,149 --> 00:03:52,200

down many of the same rabbit holes that

37

00:04:00,289 --> 00:03:56,159

I have but uh has been into others as

38

00:04:02,330 --> 00:04:00,299

well uh so we're gonna bring him in here

39

00:04:05,270 --> 00:04:02,340

in one moment I want to take a moment

40

00:04:07,490 --> 00:04:05,280

first to welcome the live chat

41

00:04:10,190 --> 00:04:07,500

um chat room moderators are in place

42

00:04:12,770 --> 00:04:10,200

here in our live chat

43

00:04:15,470 --> 00:04:12,780

um we want to thank you friends and

44

00:04:17,509 --> 00:04:15,480

benefactors patreon supporters and

45

00:04:20,210 --> 00:04:17,519

channel members and all the people

46

00:04:23,510 --> 00:04:20,220

supporting the show you have my thanks

47

00:04:27,230 --> 00:04:23,520

and gratitude I spent today working on

48

00:04:30,770 --> 00:04:27,240

uh some video editing workstations three

49

00:04:33,050 --> 00:04:30,780

of them in fact uh that we have and two

50

00:04:35,710 --> 00:04:33,060

of them were in various states of this

51

00:04:39,230 --> 00:04:35,720

repair uh but the other one is is

52

00:04:40,909 --> 00:04:39,240

humming right along and doing well and I

53

00:04:42,770 --> 00:04:40,919

was able to purchase any of the parts

54

00:04:44,390 --> 00:04:42,780

that I need to get these things really

55

00:04:46,909 --> 00:04:44,400

ripping

56

00:04:48,950 --> 00:04:46,919

um from you kind and generous benefactor

57

00:04:51,670 --> 00:04:48,960

so I want to thank you we're going to be

58

00:04:55,670 --> 00:04:51,680

transitioning into a lot more

59

00:04:58,189 --> 00:04:55,680

produced videos and documentary work and

60

00:04:59,710 --> 00:04:58,199

these tools will certainly be invaluable

61

00:05:03,230 --> 00:04:59,720

to us

62

00:05:06,170 --> 00:05:03,240

but let us get on with the conversation

63

00:05:09,950 --> 00:05:06,180

and uh instead of me telling him a lot

64

00:05:12,350 --> 00:05:09,960

about you I we'll we'll have him uh tell

65

00:05:15,650 --> 00:05:12,360

you about his background and where he

66

00:05:18,890 --> 00:05:15,660

got to these rabbit holes from uh

67

00:05:21,050 --> 00:05:18,900

welcome UFO Shane is here hey what's

68

00:05:23,629 --> 00:05:21,060

going on you guys hear me all right yeah

69

00:05:25,430 --> 00:05:23,639

all right I think your mic might be let

70

00:05:26,450 --> 00:05:25,440

me adjust your mic I think it might be a

71

00:05:29,510 --> 00:05:26,460

little bit

72

00:05:31,550 --> 00:05:29,520

way loud but okay

73

00:05:34,610 --> 00:05:31,560

all right I got it let me get my b

74

00:05:36,770 --> 00:05:34,620

fingers up here yeah I I broke I broke

75

00:05:40,790 --> 00:05:36,780

the bottom of it so I'll be uh old

76

00:05:46,550 --> 00:05:44,450

yeah that's fine so I I would to begin

77

00:05:50,029 --> 00:05:46,560

you know I I've met you through these

78

00:05:52,370 --> 00:05:50,039

Twitter spaces which you are hosting and

79

00:05:53,270 --> 00:05:52,380

participating in that quite a lot and I

80

00:05:55,490 --> 00:05:53,280

see

81

00:05:58,010 --> 00:05:55,500

you know why I have avoided it is

82

00:06:00,650 --> 00:05:58,020

because I've got enough time sucking

83

00:06:03,770 --> 00:06:00,660

things in my life like and and these

84

00:06:07,010 --> 00:06:03,780

spaces are engaging and and interesting

85

00:06:08,810 --> 00:06:07,020

and you're talking to like-minded people

86

00:06:10,909 --> 00:06:08,820

um I've been trying to kind of avoid it

87

00:06:12,710 --> 00:06:10,919

but you're kind of all chips in on this

88

00:06:15,650 --> 00:06:12,720

Twitter spaces thing with all these

89

00:06:18,290 --> 00:06:15,660
other UFO people right oh yeah 100 man

90

00:06:19,189 --> 00:06:18,300
it's uh I wouldn't be who I am or I

91

00:06:20,270 --> 00:06:19,199
wouldn't have any of the knowledge

92

00:06:21,529 --> 00:06:20,280
probably I have right now if it wasn't

93

00:06:22,430 --> 00:06:21,539
for the spaces and the people I've met

94

00:06:24,950 --> 00:06:22,440
in them

95

00:06:26,210 --> 00:06:24,960
you know I uh just like everybody else

96

00:06:28,610 --> 00:06:26,220
so you know I had something crazy happen

97

00:06:31,070 --> 00:06:28,620
to me that was super paranormal unjust

98

00:06:32,270 --> 00:06:31,080
like undeniably Paranormal and I got

99

00:06:33,350 --> 00:06:32,280
into this and was like I'm gonna find

100

00:06:34,850 --> 00:06:33,360
out what happened to me and then I

101
00:06:38,650 --> 00:06:34,860
entered ufology and I was like oh man

102
00:06:41,090 --> 00:06:38,660
the Anunnaki whoa the Nephilim oh crap

103
00:06:43,670 --> 00:06:41,100
oh you know I'm just like this and that

104
00:06:45,050 --> 00:06:43,680
oh the secret space program all this

105
00:06:47,749 --> 00:06:45,060
stuff and I'm you know then I go into a

106
00:06:49,249 --> 00:06:47,759
Twitter space and I'm like hey you know

107
00:06:50,210 --> 00:06:49,259
this guy's pretty cool and someone's

108
00:06:51,350 --> 00:06:50,220
like well you know he stole a bunch of

109
00:06:53,689 --> 00:06:51,360
money from a bunch of kids right on

110
00:06:55,189 --> 00:06:53,699
GoFundMe I'm like didn't know that

111
00:06:57,110 --> 00:06:55,199
and I'm like hey this guy's pretty cool

112
00:06:58,309 --> 00:06:57,120
right like hey you know he uh he like

113
00:06:59,450 --> 00:06:58,319

burned down three orphanages or whatever

114

00:07:01,670 --> 00:06:59,460

and I'm like oh didn't know that either

115

00:07:03,890 --> 00:07:01,680

it's just like it's intense man it just

116

00:07:05,809 --> 00:07:03,900

it never ends and I've literally like uh

117

00:07:07,189 --> 00:07:05,819

like Nick Pope and all that differential

118

00:07:08,450 --> 00:07:07,199

talk about his wife is holding back on

119

00:07:09,590 --> 00:07:08,460

Native American artifacts I'm gonna give

120

00:07:11,870 --> 00:07:09,600

them to the people she wants their blood

121

00:07:13,670 --> 00:07:11,880

tested I didn't know that yeah it was

122

00:07:16,249 --> 00:07:13,680

slowed down because I have heard about

123

00:07:19,790 --> 00:07:16,259

this and I even verified that this is a

124

00:07:21,469 --> 00:07:19,800

true story so Nick's pipe Pope's wife

125

00:07:22,730 --> 00:07:21,479

what is she an archaeologist or an

126

00:07:25,670 --> 00:07:22,740

anthropologist I think she's an

127

00:07:28,969 --> 00:07:25,680

anthropologist Anthropologist so she

128

00:07:33,890 --> 00:07:28,979

found some Native American artifacts

129

00:07:36,529 --> 00:07:33,900

and then the tribe that owns those

130

00:07:39,589 --> 00:07:36,539

artifacts those are their ancestors

131

00:07:42,950 --> 00:07:39,599

right absolutely she's digging in in

132

00:07:45,950 --> 00:07:42,960

Native American burial grounds finds

133

00:07:47,870 --> 00:07:45,960

artifacts and then the tribe comes to

134

00:07:49,430 --> 00:07:47,880

her and by the way I'm paraphrasing all

135

00:07:50,689 --> 00:07:49,440

of this so if I'm getting it wrong you

136

00:07:53,510 --> 00:07:50,699

can correct me or it's pretty straight

137

00:07:56,450 --> 00:07:53,520

on the audience can so she gets these

138

00:07:59,450 --> 00:07:56,460

Native American artifacts by digging in

139

00:08:01,809 --> 00:07:59,460

a Native American I I suppose graveyard

140

00:08:06,409 --> 00:08:01,819

or archaeological site

141

00:08:08,689 --> 00:08:06,419

that belongs to them and then the tribe

142

00:08:10,510 --> 00:08:08,699

comes to her and they say you're

143

00:08:14,689 --> 00:08:10,520

defiling our

144

00:08:17,210 --> 00:08:14,699

ancestors and those artifacts belong to

145

00:08:18,529 --> 00:08:17,220

us and our tribe and our ancestors we

146

00:08:22,249 --> 00:08:18,539

want them back

147

00:08:24,170 --> 00:08:22,259

and she will not give them and she said

148

00:08:25,249 --> 00:08:24,180

uh and I and I'm pretty much quoting

149

00:08:26,869 --> 00:08:25,259

here you need to go get your blood

150

00:08:28,010 --> 00:08:26,879

tested and prove to me that you are of

151

00:08:29,450 --> 00:08:28,020

this like

152

00:08:31,670 --> 00:08:29,460

what do you mean we've lived here for

153

00:08:34,130 --> 00:08:31,680

like 4 000 years like nobody else was

154

00:08:35,690 --> 00:08:34,140

here what's DNA tests before she'll give

155

00:08:37,430 --> 00:08:35,700

up these Native Americans she literally

156

00:08:39,170 --> 00:08:37,440

works for uh you know you gotta think

157

00:08:40,310 --> 00:08:39,180

somebody gets an anthropology degree and

158

00:08:41,449 --> 00:08:40,320

you think they're going to do this to be

159

00:08:42,949 --> 00:08:41,459

a wholesome and try to learn about the

160

00:08:44,329 --> 00:08:42,959

past and she won't give it back to the

161

00:08:46,070 --> 00:08:44,339

people that she's studying it's the most

162

00:08:48,110 --> 00:08:46,080

ridiculous thing I've ever heard yeah

163

00:08:50,389 --> 00:08:48,120

and by the way thank you for bringing

164

00:08:52,190 --> 00:08:50,399

this up because I've wanted to I was

165

00:08:55,430 --> 00:08:52,200

going to sort of like do an official

166

00:08:57,230 --> 00:08:55,440

uncovering the story of this and talk to

167

00:08:59,269 --> 00:08:57,240

some of the Native Americans maybe I'll

168

00:09:01,670 --> 00:08:59,279

still do that you've reminded me that

169

00:09:05,150 --> 00:09:01,680

this this is very important like this

170

00:09:07,550 --> 00:09:05,160

issue to me is it's a non-issue you know

171

00:09:10,790 --> 00:09:07,560

those things belong to that to those

172

00:09:14,570 --> 00:09:10,800

native peoples and how dare you for

173

00:09:17,090 --> 00:09:14,580

profit or for Scholastic even even for

174

00:09:18,710 --> 00:09:17,100

school like great you have the artifacts

175

00:09:20,870 --> 00:09:18,720

if you wanted to learn anything about

176

00:09:23,930 --> 00:09:20,880

their culture or the archeology or the

177

00:09:25,910 --> 00:09:23,940

or the anthropology of that tribe you

178

00:09:27,650 --> 00:09:25,920

you've already had the artifacts you've

179

00:09:29,570 --> 00:09:27,660

examined them you can take pictures you

180

00:09:31,490 --> 00:09:29,580

can video tape them you can talk about

181

00:09:33,769 --> 00:09:31,500

them you can put them in your books or

182

00:09:35,230 --> 00:09:33,779

your papers but give them back yeah they

183

00:09:39,230 --> 00:09:35,240

don't belong they don't belong to you

184

00:09:41,930 --> 00:09:39,240

nope but is this any surprise though

185

00:09:43,910 --> 00:09:41,940

like her husband is selling Skype calls

186

00:09:47,690 --> 00:09:43,920

to people claiming that he ran a British

187

00:09:50,990 --> 00:09:47,700

UFO program yeah I worked at a desk for

188

00:09:53,570 --> 00:09:51,000

three years okay I went through all

189

00:09:55,250 --> 00:09:53,580

these programs okay and his answer was

190

00:09:56,570 --> 00:09:55,260

well the United States said this well

191

00:09:58,009 --> 00:09:56,580

yeah but we didn't have it we didn't

192

00:10:00,949 --> 00:09:58,019

claim we had a UFO program either you're

193

00:10:02,750 --> 00:10:00,959

lying you are lying you are you're lying

194

00:10:05,329 --> 00:10:02,760

like I don't understand man

195

00:10:07,370 --> 00:10:05,339

like all these people they you know

196

00:10:08,630 --> 00:10:07,380

people are out here this is my whole

197

00:10:09,710 --> 00:10:08,640

thing with grifting you know since we

198

00:10:10,910 --> 00:10:09,720

talked about this and we want to talk

199

00:10:12,949 --> 00:10:10,920

about this so

200

00:10:14,509 --> 00:10:12,959

people are having these these amazing

201
00:10:15,290 --> 00:10:14,519
spiritual moments like Bledsoe or

202
00:10:16,370 --> 00:10:15,300
whatever you want to call it you know

203
00:10:18,530 --> 00:10:16,380
but people really having this happen

204
00:10:20,690 --> 00:10:18,540
until it happened to me and they come to

205
00:10:22,490 --> 00:10:20,700
ufology for an answer and they open the

206
00:10:23,449 --> 00:10:22,500
door to ufology and the first you know

207
00:10:24,949 --> 00:10:23,459
there's all these doors that David will

208
00:10:27,769 --> 00:10:24,959
call Corey good and there's like they're

209
00:10:28,910 --> 00:10:27,779
all bullcrap like you're never they just

210
00:10:31,070 --> 00:10:28,920
want to sell you stuff and they're like

211
00:10:33,050 --> 00:10:31,080
vampires they're just they're literally

212
00:10:34,970 --> 00:10:33,060
vampires sucking on the weak and the

213
00:10:36,590 --> 00:10:34,980

innocent sucking on people I have heard

214

00:10:38,690 --> 00:10:36,600

people come to my spaces and break down

215

00:10:41,090 --> 00:10:38,700

crying over the experience that they've

216

00:10:42,470 --> 00:10:41,100

had and there are people just like that

217

00:10:43,310 --> 00:10:42,480

going out there and buying David Wilcox

218

00:10:45,170 --> 00:10:43,320

book and thinking they're playing

219

00:10:46,910 --> 00:10:45,180

Starship sitting above the you know San

220

00:10:48,410 --> 00:10:46,920

Francisco giving people mind downloads I

221

00:10:50,410 --> 00:10:48,420

don't really there's no proof to this I

222

00:10:53,930 --> 00:10:50,420

want to see the receipts

223

00:10:56,449 --> 00:10:53,940

I've known a little-known fact of some

224

00:10:59,449 --> 00:10:56,459

of these grifters too but something that

225

00:11:02,150 --> 00:10:59,459

I am absolutely sure of having talked to

226

00:11:03,710 --> 00:11:02,160

so many people is that you're right

227

00:11:07,069 --> 00:11:03,720

they're vampires but not only are they

228

00:11:10,009 --> 00:11:07,079

vampires they are they are preying on

229

00:11:13,250 --> 00:11:10,019

very vulnerable people many of which are

230

00:11:15,829 --> 00:11:13,260

disabled or on Social Security older

231

00:11:17,630 --> 00:11:15,839

people it's a really older crowd that

232

00:11:19,430 --> 00:11:17,640

these people are grifting from you know

233

00:11:21,050 --> 00:11:19,440

20 year olds in here doing this you

234

00:11:22,430 --> 00:11:21,060

don't see yeah you don't have we don't

235

00:11:23,750 --> 00:11:22,440

have kids like dude people don't come in

236

00:11:24,710 --> 00:11:23,760

the spaces that are under like 25 or

237

00:11:25,790 --> 00:11:24,720

half the time there's a few people

238

00:11:27,170 --> 00:11:25,800

they're younger they're usually like

239

00:11:29,030 --> 00:11:27,180

younger college women to be honest with

240

00:11:30,230 --> 00:11:29,040

you but uh like you don't get a lot of

241

00:11:32,389 --> 00:11:30,240

younger men or just people it's like

242

00:11:33,590 --> 00:11:32,399

people who've lived a rough life or just

243

00:11:34,910 --> 00:11:33,600

lived a life and have had stuff happen

244

00:11:36,949 --> 00:11:34,920

to them and just they're like hey you

245

00:11:39,110 --> 00:11:36,959

know I'm I'm here I'm stable I want to

246

00:11:40,069 --> 00:11:39,120

find answers and then they just end up

247

00:11:42,050 --> 00:11:40,079

giving half their you know social

248

00:11:46,250 --> 00:11:42,060

security check today or yeah at least

249

00:11:47,930 --> 00:11:46,260

333 dollars in return or 1500 to Jimmy

250

00:11:49,490 --> 00:11:47,940

church and Greer for the new convention

251
00:11:51,170 --> 00:11:49,500
where you get to get watch them give yet

252
00:11:52,550 --> 00:11:51,180
another award to themselves like how

253
00:11:55,509 --> 00:11:52,560
many Good Samaritans of the Year award

254
00:11:58,670 --> 00:11:55,519
do you get to give to yourself

255
00:12:01,790 --> 00:11:58,680
this this award show thing is a new gift

256
00:12:03,230 --> 00:12:01,800
it's new it's called come to an awards

257
00:12:05,210 --> 00:12:03,240
show where we're going to give an award

258
00:12:06,650 --> 00:12:05,220
to Linda Moulton Hal and then what is

259
00:12:09,410 --> 00:12:06,660
the next one they're going to give an

260
00:12:11,150 --> 00:12:09,420
award to Lou Elizondo oh yeah probably

261
00:12:12,949 --> 00:12:11,160
greatest hero for the last four

262
00:12:14,810 --> 00:12:12,959
centuries you can attend this very

263
00:12:18,550 --> 00:12:14,820

expensive dinner and get an autograph

264

00:12:21,889 --> 00:12:20,449

if we're going to talk about this hold

265

00:12:25,269 --> 00:12:21,899

on let me get my grifter nine thousands

266

00:12:25,279 --> 00:12:29,050

let's do it

267

00:12:33,470 --> 00:12:31,490

I'm so tired of it man like these people

268

00:12:34,850 --> 00:12:33,480

they just they just come into these

269

00:12:36,889 --> 00:12:34,860

communities and rip people off and do

270

00:12:38,569 --> 00:12:36,899

everything you know and it's it's a joke

271

00:12:40,130 --> 00:12:38,579

and it's not just in the UFO field it's

272

00:12:43,129 --> 00:12:40,140

in the Paranormal field as well with

273

00:12:45,170 --> 00:12:43,139

Zack Baggins a lot of those guys yeah

274

00:12:46,730 --> 00:12:45,180

talk about it do you know that has the

275

00:12:49,310 --> 00:12:46,740

best PR team on the planet they're like

276

00:12:51,530 --> 00:12:49,320

don't say anything don't even don't even

277

00:12:53,150 --> 00:12:51,540

look at Twitter just keep on Griffin

278

00:12:54,290 --> 00:12:53,160

baby he's just riding the walrus man

279

00:12:58,670 --> 00:12:54,300

riding the wave

280

00:13:03,290 --> 00:13:01,610

so you know I I think you had a pretty

281

00:13:05,329 --> 00:13:03,300

similar experience to me where you just

282

00:13:08,810 --> 00:13:05,339

kind of woke up and went all these

283

00:13:11,629 --> 00:13:08,820

people are lying scammering grifters and

284

00:13:13,430 --> 00:13:11,639

and I and let's be clear I'm not saying

285

00:13:15,290 --> 00:13:13,440

it's every single person out there but

286

00:13:17,210 --> 00:13:15,300

it's a lot of them and the ones that

287

00:13:19,730 --> 00:13:17,220

make the most money certainly because

288

00:13:22,730 --> 00:13:19,740

they're willing to you know play fast

289

00:13:24,530 --> 00:13:22,740

and loose and Anonymous sources and you

290

00:13:26,690 --> 00:13:24,540

know yeah there are no sources it's just

291

00:13:28,610 --> 00:13:26,700

like I took a bunch of shrooms and I met

292

00:13:30,410 --> 00:13:28,620

you know Gaia in the astral and she told

293

00:13:31,490 --> 00:13:30,420

me that they're coming in 2027 like all

294

00:13:36,290 --> 00:13:31,500

right man

295

00:13:38,389 --> 00:13:36,300

cool I guess like you know 2027 2026

296

00:13:40,329 --> 00:13:38,399

it'll be six months and Jolly's not full

297

00:13:43,430 --> 00:13:40,339

of [h__\h] let's go like

298

00:13:46,129 --> 00:13:43,440

I don't understand man have you noticed

299

00:13:48,590 --> 00:13:46,139

the number of uh let's just call them

300

00:13:51,769 --> 00:13:48,600

three letter agencies that are invading

301
00:13:53,870 --> 00:13:51,779
this thing or is it just me am I am I

302
00:13:56,389 --> 00:13:53,880
crazy when I say there's an awful lot of

303
00:13:58,430 --> 00:13:56,399
three-letter agency people that are

304
00:14:00,829 --> 00:13:58,440
suddenly front and center in the UFO

305
00:14:01,850 --> 00:14:00,839
Community yep you know yeah there's

306
00:14:03,350 --> 00:14:01,860
gonna be people from the Department of

307
00:14:05,090 --> 00:14:03,360
energy coming pretty soon too and that's

308
00:14:06,590 --> 00:14:05,100
the scariest probably division that no

309
00:14:07,910 --> 00:14:06,600
one ever thinks about all the crazy like

310
00:14:09,829 --> 00:14:07,920
human technology I don't know if it's

311
00:14:11,449 --> 00:14:09,839
alien but you know all the crazy Human

312
00:14:13,430 --> 00:14:11,459
Turtles we probably have is ran by the

313
00:14:15,050 --> 00:14:13,440

department of energy and everyone wants

314

00:14:16,970 --> 00:14:15,060

to think about Area 51 or this and that

315

00:14:18,110 --> 00:14:16,980

or dugway and then you got to think like

316

00:14:19,490 --> 00:14:18,120

it's like Men In Black you know they

317

00:14:21,050 --> 00:14:19,500

went to a post office they went down

318

00:14:22,069 --> 00:14:21,060

down the elevator right in a post office

319

00:14:24,050 --> 00:14:22,079

like it's not going to be where you

320

00:14:25,850 --> 00:14:24,060

think it is whatever there is and it's

321

00:14:27,949 --> 00:14:25,860

probably human Tech but you know

322

00:14:29,930 --> 00:14:27,959

it's where I'm leaning now I was leaning

323

00:14:31,730 --> 00:14:29,940

pretty heavy on Aliens you know and uh

324

00:14:34,250 --> 00:14:31,740

for me the real changing point for me

325

00:14:35,690 --> 00:14:34,260

Steve was um Stephen was when I got to

326

00:14:38,990 --> 00:14:35,700

talk to Chris Bartell from Skinwalker

327

00:14:40,850 --> 00:14:39,000

Ranch yeah and by the way I I listen I

328

00:14:43,189 --> 00:14:40,860

know I've asked you off here like a

329

00:14:44,449 --> 00:14:43,199

bunch of times a couple times so far you

330

00:14:45,710 --> 00:14:44,459

have to get me in touch with him and

331

00:14:47,629 --> 00:14:45,720

we're going to bring him here and do a

332

00:14:50,449 --> 00:14:47,639

whole spread on everything that he has

333

00:14:52,550 --> 00:14:50,459

to share because he certainly has the

334

00:14:55,370 --> 00:14:52,560

capability to wake quite a few people up

335

00:14:58,610 --> 00:14:55,380

to the whole bigger picture of the

336

00:15:00,350 --> 00:14:58,620

skinwalker grift you know if you need

337

00:15:01,490 --> 00:15:00,360

any more like okay we sit here and we

338

00:15:02,449 --> 00:15:01,500

listen to this is that's going to get

339

00:15:04,430 --> 00:15:02,459

this message out here I know a lot of

340

00:15:06,470 --> 00:15:04,440

people here know but we sit here and we

341

00:15:08,689 --> 00:15:06,480

listen to these people talk all the time

342

00:15:10,370 --> 00:15:08,699

and they have no sources they have no

343

00:15:11,930 --> 00:15:10,380

credentials they just made it all up and

344

00:15:13,550 --> 00:15:11,940

they don't want you to look into it but

345

00:15:15,650 --> 00:15:13,560

if you look up Chris Bartell every

346

00:15:17,509 --> 00:15:15,660

credential checks out he was there

347

00:15:19,430 --> 00:15:17,519

during the Bigelow era he's worked for

348

00:15:20,930 --> 00:15:19,440

Area 51 he's done the Janet detail all

349

00:15:22,250 --> 00:15:20,940

that and when a man like I asked him

350

00:15:24,470 --> 00:15:22,260

just like I asked you Stephen I said how

351

00:15:28,009 --> 00:15:24,480

much of this is a grift or how much of

352

00:15:29,750 --> 00:15:28,019

this is you know bullcrap 98 at least

353

00:15:31,189 --> 00:15:29,760

he's like two percent of it is anomalous

354

00:15:32,930 --> 00:15:31,199

for not it's phenomenon he's like the

355

00:15:34,850 --> 00:15:32,940

rest of it's just all people just making

356

00:15:36,530 --> 00:15:34,860

money off of off of their body and I'm

357

00:15:38,030 --> 00:15:36,540

like okay I believe you because you have

358

00:15:41,150 --> 00:15:38,040

actual credentials and you were actually

359

00:15:44,090 --> 00:15:41,160

there and I will I will second that I

360

00:15:46,009 --> 00:15:44,100

have looked into him just curse really

361

00:15:49,189 --> 00:15:46,019

you know like I didn't do like a big

362

00:15:51,170 --> 00:15:49,199

deep dive into his whole you know passed

363

00:15:53,329 --> 00:15:51,180

but I was able to verify those things

364

00:15:55,730 --> 00:15:53,339

you said which makes him a very

365

00:15:57,829 --> 00:15:55,740

compelling witness to me because you

366

00:16:00,050 --> 00:15:57,839

know he is who he says he is he's not

367

00:16:03,050 --> 00:16:00,060

some grifter he's not selling anything

368

00:16:05,449 --> 00:16:03,060

to my knowledge you know now that the

369

00:16:06,889 --> 00:16:05,459

only thing he'll he'll I think he's a

370

00:16:08,030 --> 00:16:06,899

what they call it but he'll come in and

371

00:16:09,470 --> 00:16:08,040

help with the show Once Again walk

372

00:16:12,110 --> 00:16:09,480

around to the show I know Kayla bench

373

00:16:14,030 --> 00:16:12,120

and all those guys so you know it's a

374

00:16:16,129 --> 00:16:14,040

the you know he spent eight years out

375

00:16:18,290 --> 00:16:16,139

there you know 22 million dollars of

376

00:16:20,449 --> 00:16:18,300

your money if you're American went to

377

00:16:22,370 --> 00:16:20,459

Bigelow and comb kellier to sit in an

378

00:16:24,410 --> 00:16:22,380

office somewhere and never come Jessica

379

00:16:25,490 --> 00:16:24,420

Walker Ranch if you talk to Chris uh

380

00:16:28,370 --> 00:16:25,500

this I'm not gonna give this whole story

381

00:16:29,810 --> 00:16:28,380

but he did see like a large wolf and he

382

00:16:31,730 --> 00:16:29,820

and this is his this is his words he

383

00:16:34,250 --> 00:16:31,740

goes we called conquier who's at the

384

00:16:35,329 --> 00:16:34,260

office he's on call making probably 300

385

00:16:37,069 --> 00:16:35,339

000 a year

386

00:16:38,389 --> 00:16:37,079

and he goes hey we just saw a giant wolf

387

00:16:39,769 --> 00:16:38,399

and you know what Colin said not we're

388

00:16:41,030 --> 00:16:39,779

going to send a team out there not you

389

00:16:42,230 --> 00:16:41,040

know you know you think when you think

390

00:16:43,790 --> 00:16:42,240

of Skinwalker Ranch you think like

391

00:16:45,129 --> 00:16:43,800

Stargate like Kurt Russell's out there

392

00:16:47,090 --> 00:16:45,139

with AR-15

393

00:16:48,650 --> 00:16:47,100

fight for man because when you read that

394

00:16:50,389 --> 00:16:48,660

book it's like whoa dude there was a

395

00:16:52,430 --> 00:16:50,399

portal and like an eight-foot shadow

396

00:16:54,590 --> 00:16:52,440

monster came but not man the the night

397

00:16:55,730 --> 00:16:54,600

vision that they used Chris Martell used

398

00:16:57,949 --> 00:16:55,740

that night vision he had to beat it

399

00:16:59,749 --> 00:16:57,959

against a tree to get it to turn on

400

00:17:00,650 --> 00:16:59,759

and but they saw a demon come out of a

401
00:17:03,590 --> 00:17:00,660

portal

402
00:17:05,630 --> 00:17:03,600

no and can't tell your front failure

403
00:17:06,710 --> 00:17:05,640

didn't send nobody to help he said well

404
00:17:09,470 --> 00:17:06,720

be careful

405
00:17:12,169 --> 00:17:09,480

and hung up yeah and and you know listen

406
00:17:14,630 --> 00:17:12,179

here's where is this perfect example

407
00:17:17,390 --> 00:17:14,640

where something

408
00:17:18,890 --> 00:17:17,400

um which you know I get it like I I

409
00:17:20,689 --> 00:17:18,900

don't have wolves near my cabin but I

410
00:17:23,809 --> 00:17:20,699

have really there's really big coyotes

411
00:17:26,569 --> 00:17:23,819

that look like wolves a lot of the the

412
00:17:28,610 --> 00:17:26,579

uh the game warden and the some of the

413
00:17:31,330 --> 00:17:28,620

locals told me that they interbred with

414

00:17:33,590 --> 00:17:31,340

Wolves people think where I'm at because

415

00:17:35,690 --> 00:17:33,600

coyotes are not supposed to be as big as

416

00:17:39,650 --> 00:17:35,700

these things are they look like that big

417

00:17:44,270 --> 00:17:39,660

yeah you know and so uh you know but

418

00:17:47,029 --> 00:17:44,280

a wolf in in a in a rural area it's not

419

00:17:50,210 --> 00:17:47,039

paranormal it's not extraordinary but we

420

00:17:53,450 --> 00:17:50,220

can see how something as prosaic as that

421

00:17:56,870 --> 00:17:53,460

can get twisted into werewolves at

422

00:17:58,250 --> 00:17:56,880

Skinwalker Ranch right yeah 100 and

423

00:17:59,450 --> 00:17:58,260

that's what he talks about too like he

424

00:18:01,850 --> 00:17:59,460

won't tell you that it was like a magic

425

00:18:03,830 --> 00:18:01,860

shape-shifting cigarette smoking wolf he

426

00:18:05,029 --> 00:18:03,840

just said it was a giant dog they'll

427

00:18:06,650 --> 00:18:05,039

just say it came out of a ditch it

428

00:18:08,029 --> 00:18:06,660

howled at them and it ran off and the

429

00:18:09,350 --> 00:18:08,039

tracks disappeared that's just that

430

00:18:11,690 --> 00:18:09,360

that's the facts of what happened he's

431

00:18:13,909 --> 00:18:11,700

not out here selling like a 300 page

432

00:18:16,310 --> 00:18:13,919

essay on it you know and then if you

433

00:18:19,669 --> 00:18:16,320

talk to him about the kit green and all

434

00:18:21,770 --> 00:18:19,679

those guys man like it's like like

435

00:18:23,570 --> 00:18:21,780

Brandon pugle I mean I love skin walker

436

00:18:24,470 --> 00:18:23,580

Ranch uh I've met a lot of guys there I

437

00:18:26,390 --> 00:18:24,480

know a lot of people call them grifters

438

00:18:27,770 --> 00:18:26,400

or whatever it's fine uh that's that's

439

00:18:30,169 --> 00:18:27,780

like the one thing I have hope left in

440

00:18:32,690 --> 00:18:30,179

that's just me but you know he got the

441

00:18:34,909 --> 00:18:32,700

ranch with nothing he got the ranch no

442

00:18:36,590 --> 00:18:34,919

reports no nothing Bigelow but Bigler

443

00:18:38,090 --> 00:18:36,600

wasn't even out there he he stayed there

444

00:18:39,890 --> 00:18:38,100

like one time saw something and he got

445

00:18:41,029 --> 00:18:39,900

scared or whatever or was making 22

446

00:18:42,529 --> 00:18:41,039

million dollars and you looked into

447

00:18:43,190 --> 00:18:42,539

whoever you want to and he never went

448

00:18:44,930 --> 00:18:43,200

back

449

00:18:46,010 --> 00:18:44,940

you know you gotta imagine Chris Bartell

450

00:18:48,350 --> 00:18:46,020

is probably wandering out there in the

451
00:18:49,909 --> 00:18:48,360
in the desert Utah making forty five

452
00:18:51,289 --> 00:18:49,919
thousand dollars a year with a pistol

453
00:18:53,090 --> 00:18:51,299
hoping he's not going to get eaten by

454
00:18:55,669 --> 00:18:53,100
wolves with one other guard there was

455
00:18:58,610 --> 00:18:55,679
one other guard well not to mention the

456
00:19:00,409 --> 00:18:58,620
dino beavers yeah oh get him on the he

457
00:19:02,450 --> 00:19:00,419
literally told me he said I've been to

458
00:19:05,150 --> 00:19:02,460
that spot a hundred times this giant

459
00:19:07,010 --> 00:19:05,160
there's giant porcupines there huge and

460
00:19:08,450 --> 00:19:07,020
giant beavers they're they're massive

461
00:19:10,669 --> 00:19:08,460
they have no Predators so of course

462
00:19:13,610 --> 00:19:10,679
they're huge and he's like they just

463
00:19:14,810 --> 00:19:13,620

they said they saw a dino Beaver they

464

00:19:16,610 --> 00:19:14,820

went and wrote a book about it he's like

465

00:19:18,350 --> 00:19:16,620

they didn't put up game cameras they

466

00:19:20,810 --> 00:19:18,360

didn't have anything watching it they

467

00:19:22,970 --> 00:19:20,820

didn't do anything let something like

468

00:19:25,430 --> 00:19:22,980

facts and evidence and getting a picture

469

00:19:27,770 --> 00:19:25,440

of the creature get in the way of a good

470

00:19:33,110 --> 00:19:30,470

yeah yeah and by the way I I want to

471

00:19:34,970 --> 00:19:33,120

thank the live chat I'm sorry we uh I

472

00:19:37,010 --> 00:19:34,980

forgot even before the show began people

473

00:19:39,650 --> 00:19:37,020

were throwing money at us UFO Shane

474

00:19:43,250 --> 00:19:39,660

septastic with 99 cent super sticker and

475

00:19:45,830 --> 00:19:43,260

1.99 super sticker and a 99 cent super

476

00:19:49,669 --> 00:19:45,840

sticker and a 99 cent super sticker and

477

00:19:52,730 --> 00:19:49,679

then we had red panda koala with a Kylie

478

00:19:56,150 --> 00:19:52,740

generous 4.99 uh Super Chat so we thank

479

00:19:59,090 --> 00:19:56,160

red panda koala for kindness generosity

480

00:20:00,529 --> 00:19:59,100

and support and uh we've got John Chow

481

00:20:02,830 --> 00:20:00,539

here with kindly generous two dollars

482

00:20:07,090 --> 00:20:02,840

says Bigelow

483

00:20:10,730 --> 00:20:07,100

we need to zero in yeah I absolutely

484

00:20:11,990 --> 00:20:10,740

absolutely positively agree uh so we

485

00:20:14,210 --> 00:20:12,000

want to thank you all for your kindness

486

00:20:17,830 --> 00:20:14,220

generosity and support of the show and

487

00:20:22,789 --> 00:20:20,810

yeah the grifters can praise the cash so

488

00:20:25,549 --> 00:20:22,799

I think we should be able to praise Dash

489

00:20:26,440 --> 00:20:25,559

2 UFO Shane praised damn right we're not

490

00:20:28,010 --> 00:20:26,450

lying to anybody

491

00:20:29,810 --> 00:20:28,020

[Music]

492

00:20:33,010 --> 00:20:29,820

cash

493

00:20:37,610 --> 00:20:33,020

all right there we go so it looks like

494

00:20:39,590 --> 00:20:37,620

to me that many uh ordinary things are

495

00:20:43,130 --> 00:20:39,600

being mistranslated into something

496

00:20:45,890 --> 00:20:43,140

paranormal and this extends to like if

497

00:20:48,669 --> 00:20:45,900

we consider these two errors right the

498

00:20:52,549 --> 00:20:48,679

Bigelow error when he owned it and was

499

00:20:55,270 --> 00:20:52,559

stealing 22 million dollars from the

500

00:20:57,950 --> 00:20:55,280

government which is incorporating it is

501
00:21:00,010 --> 00:20:57,960
a million dollars to research his own

502
00:21:02,330 --> 00:21:00,020
ranch

503
00:21:03,529 --> 00:21:02,340
I think he stole 22 million dollars to

504
00:21:05,470 --> 00:21:03,539
buy another Rolls Royce like Billy

505
00:21:08,150 --> 00:21:05,480
Carson did but you know whatever

506
00:21:10,130 --> 00:21:08,160
allegedly allegedly we have to use the

507
00:21:11,930 --> 00:21:10,140
word allegedly right angry lawyer

508
00:21:13,789 --> 00:21:11,940
letters you know let's not do that yeah

509
00:21:14,810 --> 00:21:13,799
get angry lawyer letters they have all

510
00:21:17,570 --> 00:21:14,820
the money in the world we don't want to

511
00:21:19,490 --> 00:21:17,580
fight that legal team you know geez you

512
00:21:21,230 --> 00:21:19,500
know that's the thing too for me is like

513
00:21:22,610 --> 00:21:21,240

um like smaller YouTubers and stuff are

514

00:21:24,230 --> 00:21:22,620

like fighting each other over there

515

00:21:26,330 --> 00:21:24,240

these Heroes that they hold up you know

516

00:21:28,250 --> 00:21:26,340

and it's like these guys don't give a

517

00:21:30,169 --> 00:21:28,260

[h__h] about you they have millions and

518

00:21:31,250 --> 00:21:30,179

millions of dollars you have maybe you

519

00:21:32,450 --> 00:21:31,260

know if you're doing successful as a

520

00:21:34,669 --> 00:21:32,460

regular American now you might have like

521

00:21:36,770 --> 00:21:34,679

20 30 Grand in the bank maybe more these

522

00:21:39,549 --> 00:21:36,780

guys have millions of dollars and they

523

00:21:42,529 --> 00:21:39,559

don't give back a [h__h] dime nothing

524

00:21:44,870 --> 00:21:42,539

nothing they don't help at all you're

525

00:21:48,169 --> 00:21:44,880

either Griffin or you're uplifting for

526

00:21:50,810 --> 00:21:48,179

me and and do that oh I'm totally

527

00:21:53,390 --> 00:21:50,820

stealing that we're not Crypton we're

528

00:21:55,010 --> 00:21:53,400

uplifting yes yeah or Griff or you gotta

529

00:21:58,390 --> 00:21:55,020

grift uplift I mean we're going to look

530

00:22:04,610 --> 00:22:01,190

it really has the grifting has really

531

00:22:06,289 --> 00:22:04,620

gotten ridiculous lately says I'm I'm

532

00:22:08,210 --> 00:22:06,299

over the top of these award shows like I

533

00:22:12,490 --> 00:22:08,220

woke I was asleep I listened to UFO

534

00:22:17,990 --> 00:22:15,710

9.99 Super Chat and thank you Darren

535

00:22:20,930 --> 00:22:18,000

Reed for Kylie Jenner's 13.99 Canadian

536

00:22:23,710 --> 00:22:20,940

says you mean Shane should be doing this

537

00:22:32,049 --> 00:22:23,720

professionally yes absolutely

538

00:22:37,490 --> 00:22:35,029

yes don't you think though that the the

539

00:22:39,890 --> 00:22:37,500

grifting has gotten like to the point of

540

00:22:40,990 --> 00:22:39,900

ridiculousness now it's gotten so

541

00:22:43,850 --> 00:22:41,000

ridiculous

542

00:22:46,130 --> 00:22:43,860

about to say that she got caught selling

543

00:22:49,010 --> 00:22:46,140

these two completely fake pictures by us

544

00:22:51,289 --> 00:22:49,020

here I'm told she did that before as

545

00:22:53,810 --> 00:22:51,299

well there just wasn't somebody there to

546

00:22:55,250 --> 00:22:53,820

really that's what I was told too I was

547

00:22:56,930 --> 00:22:55,260

told that Jim Mars went up to her and

548

00:22:58,730 --> 00:22:56,940

asked her about it and she just was like

549

00:23:00,169 --> 00:22:58,740

I don't know I'm just making 125

550

00:23:01,669 --> 00:23:00,179

autograph I mean I don't know maybe

551
00:23:04,970 --> 00:23:01,679
they're aliens I don't know

552
00:23:06,529 --> 00:23:04,980
stupid no genuine picture of an alien it

553
00:23:10,310 --> 00:23:06,539
was taken on the Moon by her secret

554
00:23:12,950 --> 00:23:10,320
Source Spartan Spartan box Spartan yeah

555
00:23:14,210 --> 00:23:12,960
Spartan seven probably 400 pound man in

556
00:23:15,830 --> 00:23:14,220
a lawn chair somewhere but you know he's

557
00:23:18,770 --> 00:23:15,840
a Spartan at one time I I don't

558
00:23:21,110 --> 00:23:18,780
understand how you know like I was

559
00:23:23,630 --> 00:23:21,120
talking about this last night if if you

560
00:23:25,850 --> 00:23:23,640
wrote about any other subject like let's

561
00:23:28,370 --> 00:23:25,860
say you wrote about Star Trek or or you

562
00:23:30,289 --> 00:23:28,380
or you did stories on Star Trek and you

563
00:23:33,049 --> 00:23:30,299

got caught with two completely fake

564

00:23:36,049 --> 00:23:33,059

stories oh [h__\h] in a short time you'd be

565

00:23:39,890 --> 00:23:36,059

done right start doing Star Trek stories

566

00:23:42,890 --> 00:23:39,900

but she's just she's like a zombie of of

567

00:23:46,010 --> 00:23:42,900

the UFO apocalypse like she just rises

568

00:23:47,990 --> 00:23:46,020

again and comes up with a new gift and

569

00:23:49,130 --> 00:23:48,000

you're gonna think so right like you

570

00:23:51,590 --> 00:23:49,140

know damn well you can't go to

571

00:23:52,549 --> 00:23:51,600

Antarctica and go anywhere Mr Beast has

572

00:23:54,169 --> 00:23:52,559

more money than everybody and they made

573

00:23:55,909 --> 00:23:54,179

him stay in one spot

574

00:23:57,590 --> 00:23:55,919

that doesn't mean there's aliens down

575

00:23:59,870 --> 00:23:57,600

there just means it's literally an un

576

00:24:01,549 --> 00:23:59,880

discovered like or an un you know like

577

00:24:02,510 --> 00:24:01,559

traveled continent that's will kill you

578

00:24:04,250 --> 00:24:02,520

instantly

579

00:24:05,930 --> 00:24:04,260

um and so if you're gonna make a bunch

580

00:24:08,029 --> 00:24:05,940

of stories that's the place to pick it

581

00:24:10,930 --> 00:24:08,039

that's the place to go that's where you

582

00:24:16,430 --> 00:24:13,909

I found a touring company that will take

583

00:24:18,350 --> 00:24:16,440

you anywhere you want to go and I was

584

00:24:19,610 --> 00:24:18,360

very clear I'm like anywhere like if I

585

00:24:21,110 --> 00:24:19,620

have a set of coordinates you'll take me

586

00:24:22,669 --> 00:24:21,120

anywhere in Antarctica he's like yeah

587

00:24:25,970 --> 00:24:22,679

for the right price if you've got the

588

00:24:28,610 --> 00:24:25,980

funds sure so these people who are

589

00:24:31,370 --> 00:24:28,620

always grifting on that underground

590

00:24:33,230 --> 00:24:31,380

spaceship in Antarctica and they all say

591

00:24:36,590 --> 00:24:33,240

they know where it is or they show you

592

00:24:39,950 --> 00:24:36,600

maps and [h__\h] like get your get your ass

593

00:24:43,909 --> 00:24:39,960

in a helicopter and take some cameras

594

00:24:46,610 --> 00:24:43,919

and you would make billions yeah any of

595

00:24:49,070 --> 00:24:46,620

the money you have stolen from all of us

596

00:24:52,430 --> 00:24:49,080

to at least find out a yes or no like

597

00:24:54,169 --> 00:24:52,440

you know do do one good thing but now

598

00:24:56,630 --> 00:24:54,179

that would they they have to go get

599

00:24:58,250 --> 00:24:56,640

their Botox and their Tans the Antarctic

600

00:24:59,750 --> 00:24:58,260

air would mess all that up and then we

601
00:25:03,130 --> 00:24:59,760
have to give them even more money to get

602
00:25:11,630 --> 00:25:07,669
two dollars UFO Shane for president yes

603
00:25:13,490 --> 00:25:11,640
I that would be interesting dude I would

604
00:25:16,010 --> 00:25:13,500
sit on I would sit on a throne of skulls

605
00:25:17,570 --> 00:25:16,020
man it wouldn't even be good for nobody

606
00:25:20,330 --> 00:25:17,580
because I just dude like that

607
00:25:21,770 --> 00:25:20,340
flamethrower mean just all right like

608
00:25:22,850 --> 00:25:21,780
all of the apologies gotta go dude I

609
00:25:23,990 --> 00:25:22,860
don't even care if it's like good at

610
00:25:25,310 --> 00:25:24,000
this point does he got to shove it off

611
00:25:26,630 --> 00:25:25,320
the table and then we can just rebuild

612
00:25:29,210 --> 00:25:26,640
it you know like set the puzzle piece

613
00:25:30,890 --> 00:25:29,220

back because it's just at this point man

614

00:25:32,810 --> 00:25:30,900

and that's the thing about the spaces

615

00:25:36,669 --> 00:25:32,820

it's like you'll meet actual people like

616

00:25:40,909 --> 00:25:36,679

I I know a guy that can read Sumerian

617

00:25:43,549 --> 00:25:40,919

yeah yeah and and that's that's an there

618

00:25:45,289 --> 00:25:43,559

are I do have to say you know like there

619

00:25:48,289 --> 00:25:45,299

are some pretty interesting and amazing

620

00:25:51,350 --> 00:25:48,299

people that are into this stuff so uh

621

00:25:52,789 --> 00:25:51,360

you know I I I that's the part that I

622

00:25:55,310 --> 00:25:52,799

enjoy the strange and interesting

623

00:25:56,990 --> 00:25:55,320

characters you know kind of like you UFO

624

00:25:58,490 --> 00:25:57,000

Shane you're interesting strange

625

00:26:02,570 --> 00:25:58,500

character

626

00:26:04,250 --> 00:26:02,580

um that uh busting people's balls in

627

00:26:05,870 --> 00:26:04,260

this spaces is just kind of funny

628

00:26:08,090 --> 00:26:05,880

because sometimes somebody comes in and

629

00:26:11,450 --> 00:26:08,100

they say something really stupid you

630

00:26:13,070 --> 00:26:11,460

know like like Linda Moulton house an

631

00:26:15,169 --> 00:26:13,080

award-winning journalist and then

632

00:26:17,149 --> 00:26:15,179

everybody just shits all over that

633

00:26:18,950 --> 00:26:17,159

person in the spaces that's the part

634

00:26:20,149 --> 00:26:18,960

that I enjoy but but you know that

635

00:26:22,370 --> 00:26:20,159

people are starting to realize though

636

00:26:23,810 --> 00:26:22,380

man you know like okay you know like I

637

00:26:25,610 --> 00:26:23,820

was gonna say like I woke up I literally

638

00:26:26,930 --> 00:26:25,620

I listened to UFO videos right I mean

639

00:26:28,430 --> 00:26:26,940

you know I hate the gripton too and I'm

640

00:26:29,510 --> 00:26:28,440

really getting really mad I'm getting

641

00:26:30,649 --> 00:26:29,520

like like I'm getting like I'm gonna

642

00:26:31,310 --> 00:26:30,659

start breaking stuff in my house kind of

643

00:26:34,490 --> 00:26:31,320

mad

644

00:26:37,070 --> 00:26:34,500

and I wake up and I hear the reward for

645

00:26:40,909 --> 00:26:37,080

the Samaritan of the year goes to Billy

646

00:26:44,390 --> 00:26:40,919

Carson and it's Giorgio Tsoukalos like

647

00:26:47,630 --> 00:26:45,890

something I woke up today

648

00:26:50,210 --> 00:26:47,640

and I lean over and look at my phone and

649

00:26:52,490 --> 00:26:50,220

I'm like no and and listen I'm going to

650

00:26:55,250 --> 00:26:52,500

be careful here with what I say but when

651
00:26:58,490 --> 00:26:55,260
you're giving an award to a guy who like

652
00:27:01,549 --> 00:26:58,500
uh is is let's just say has questionable

653
00:27:03,890 --> 00:27:01,559
business practices at the very best he

654
00:27:06,830 --> 00:27:03,900
and the claims this guy made remember he

655
00:27:10,690 --> 00:27:06,840
built an underground city somewhere he

656
00:27:13,669 --> 00:27:10,700
NASA was one of his clients he's an MIT

657
00:27:15,169 --> 00:27:13,679
alumni he's done it all he's ninja

658
00:27:17,570 --> 00:27:15,179
thought he's ninja fought aliens on the

659
00:27:19,250 --> 00:27:17,580
moon who knows and and really if you

660
00:27:21,830 --> 00:27:19,260
listen to largely what he pushes it's

661
00:27:26,450 --> 00:27:21,840
garbage he goes to Emerald Tablets of

662
00:27:28,610 --> 00:27:26,460
Thoth a lot yeah yeah and he pushes uh

663
00:27:30,590 --> 00:27:28,620

the uh the Black Knight satellite which

664

00:27:32,450 --> 00:27:30,600

has been thoroughly debunked out not

665

00:27:34,250 --> 00:27:32,460

only that he just used Jacque Valley's

666

00:27:35,750 --> 00:27:34,260

research from the 1970s on it and then

667

00:27:37,070 --> 00:27:35,760

rehashed in a documentary and probably

668

00:27:39,049 --> 00:27:37,080

gotten another award for it I know Jimmy

669

00:27:41,810 --> 00:27:39,059

with platinum on the back road good job

670

00:27:42,850 --> 00:27:41,820

Billy you did it Billy you know come on

671

00:27:51,310 --> 00:27:42,860

man

672

00:27:57,169 --> 00:27:55,430

dude Jimmy Jimmy slow down bud you know

673

00:27:58,010 --> 00:27:57,179

he the other day he did three posts on

674

00:28:00,529 --> 00:27:58,020

Twitter

675

00:28:03,350 --> 00:28:00,539

back to back all three were for peptides

676
00:28:05,330 --> 00:28:03,360
these peptides apparently uh Stephen can

677
00:28:06,830 --> 00:28:05,340
heal your eyesight now if I take my

678
00:28:09,470 --> 00:28:06,840
glasses off I can't walk across the room

679
00:28:11,269 --> 00:28:09,480
but these peptides oh yeah oh yeah I'm

680
00:28:13,370 --> 00:28:11,279
sure they're gonna heal my eyes right up

681
00:28:15,710 --> 00:28:13,380
well I didn't know I didn't know he was

682
00:28:17,750 --> 00:28:15,720
pushing that garbage now yeah but like

683
00:28:20,930 --> 00:28:17,760
and then and then I don't think to

684
00:28:23,390 --> 00:28:20,940
realize is that like he's

685
00:28:26,390 --> 00:28:23,400
some problems the show his show is

686
00:28:28,250 --> 00:28:26,400
shrinking like crazy ours is growing I

687
00:28:30,230 --> 00:28:28,260
think there's a lot more people are

688
00:28:33,470 --> 00:28:30,240

waking up and they're going this is not

689

00:28:36,169 --> 00:28:33,480

acceptable maybe it was for the last you

690

00:28:38,210 --> 00:28:36,179

know 20 years but no the younger

691

00:28:40,970 --> 00:28:38,220

generation is going no this is garbage

692

00:28:43,190 --> 00:28:40,980

stop pushing garbage stop and and the

693

00:28:45,350 --> 00:28:43,200

old people that were supporting him or

694

00:28:48,049 --> 00:28:45,360

dying off like a lot of those Boomers

695

00:28:49,909 --> 00:28:48,059

and everything so he's left trying to

696

00:28:53,630 --> 00:28:49,919

still hold on to his grift and it ain't

697

00:28:54,890 --> 00:28:53,640

working out when Art Bell died there was

698

00:28:55,789 --> 00:28:54,900

like a literal black hole that formed

699

00:28:58,269 --> 00:28:55,799

and it just started eating everything

700

00:29:03,169 --> 00:29:00,950

take those oxycontins and unfortunately

701
00:29:04,970 --> 00:29:03,179
passed away and it's just been a [h__h]

702
00:29:06,230 --> 00:29:04,980
show ever since it just has some people

703
00:29:07,549 --> 00:29:06,240
trying like like Nori and everybody

704
00:29:09,830 --> 00:29:07,559
trying to like mimic heart and you're

705
00:29:11,029 --> 00:29:09,840
not gonna do it uh and so they started

706
00:29:12,649 --> 00:29:11,039
doing Gaia and they start doing this

707
00:29:14,570 --> 00:29:12,659
kind of stuff and that you know that's

708
00:29:17,870 --> 00:29:14,580
another thing is Gaia like this I want

709
00:29:20,510 --> 00:29:17,880
to buy a fake Yogi spiritualist dude uh

710
00:29:23,510 --> 00:29:20,520
every show on there is literal garbage

711
00:29:25,970 --> 00:29:23,520
like it's yeah I have a thing that if

712
00:29:28,130 --> 00:29:25,980
it's pseudoscience if somebody's on Gaia

713
00:29:30,409 --> 00:29:28,140

TV I know they're a bullshitter except

714

00:29:32,510 --> 00:29:30,419

for one exception because uh Walter

715

00:29:34,190 --> 00:29:32,520

Bosley who is a good researcher he just

716

00:29:35,450 --> 00:29:34,200

did like a guest spot where he talked

717

00:29:37,789 --> 00:29:35,460

about some certain thing they wanted

718

00:29:40,370 --> 00:29:37,799

somebody to talk about he's the only one

719

00:29:44,450 --> 00:29:40,380

everybody else

720

00:29:47,510 --> 00:29:44,460

everybody I'm like no no these people

721

00:29:49,850 --> 00:29:47,520

are all fake it's like it's like fairy

722

00:29:52,010 --> 00:29:49,860

tale story time hour for stupid people

723

00:29:53,870 --> 00:29:52,020

you know you can heal your chakromes by

724

00:29:56,029 --> 00:29:53,880

focusing your eyes directly at the sun

725

00:29:57,710 --> 00:29:56,039

like what that doesn't sound healthy

726

00:29:59,570 --> 00:29:57,720

okay

727

00:30:01,549 --> 00:29:59,580

you know that's what they just why is

728

00:30:03,350 --> 00:30:01,559

really pimping that kind of garbage it's

729

00:30:04,250 --> 00:30:03,360

just like all these people are sitting

730

00:30:05,570 --> 00:30:04,260

around with like turkeys with their

731

00:30:07,430 --> 00:30:05,580

heads up and it's raining man just

732

00:30:10,730 --> 00:30:07,440

getting ground by just straight [h__h]

733

00:30:13,070 --> 00:30:10,740

it's it's a Cancer and then Billy Carson

734

00:30:14,810 --> 00:30:13,080

opens up his Network and it's and then

735

00:30:16,070 --> 00:30:14,820

you know every ad for Jimmy church is

736

00:30:18,049 --> 00:30:16,080

like it only does a half thing it's like

737

00:30:19,909 --> 00:30:18,059

all right next up is be like hey there

738

00:30:21,950 --> 00:30:19,919

guys I'm doing another convention uh my

739

00:30:24,289 --> 00:30:21,960

wife needs a new Rolls he literally did

740

00:30:26,090 --> 00:30:24,299

this he funded I know this for a fact he

741

00:30:28,250 --> 00:30:26,100

funded his own convention

742

00:30:30,169 --> 00:30:28,260

the money he made from the ticket sales

743

00:30:31,549 --> 00:30:30,179

and after paying everyone was exactly 80

744

00:30:33,289 --> 00:30:31,559

something thousand eighty two thousand

745

00:30:35,269 --> 00:30:33,299

dollars which was exactly what he needed

746

00:30:37,490 --> 00:30:35,279

to buy that new rules anybody new Rolls

747

00:30:38,570 --> 00:30:37,500

Royce and he was written to my friend at

748

00:30:41,450 --> 00:30:38,580

the same time

749

00:30:42,889 --> 00:30:41,460

so wow well more power to him but I

750

00:30:44,870 --> 00:30:42,899

could think of better things to do and

751
00:30:47,090 --> 00:30:44,880
meanwhile he he is always saying that

752
00:30:49,730 --> 00:30:47,100
he's given all this money to charity but

753
00:30:51,289 --> 00:30:49,740
a lot of people have questioned that

754
00:30:54,590 --> 00:30:51,299
he's also stolen a lot of money from

755
00:30:57,470 --> 00:30:54,600
charity so uh let's say a legend alleged

756
00:30:58,909 --> 00:30:57,480
allegedly allegedly yeah yeah I think

757
00:31:00,950 --> 00:30:58,919
there's a lot of shady stuff going on

758
00:31:03,409 --> 00:31:00,960
with that guy and uh interestingly

759
00:31:06,950 --> 00:31:03,419
somebody he just threatened to sue

760
00:31:10,490 --> 00:31:06,960
somebody uh who is revealing his his

761
00:31:14,330 --> 00:31:10,500
past uh problems with law enforcement

762
00:31:16,250 --> 00:31:14,340
and so uh you know that quick I was

763
00:31:17,450 --> 00:31:16,260

literally on Twitter and I got the drop

764

00:31:19,310 --> 00:31:17,460

down you know because I have alerts I'll

765

00:31:21,049 --> 00:31:19,320

follow the grifters and it's like is

766

00:31:24,730 --> 00:31:21,059

Billy Carson a convicted felon who spent

767

00:31:27,470 --> 00:31:24,740

time in prison I'm like probably

768

00:31:29,930 --> 00:31:27,480

right in front of it technically he's

769

00:31:32,029 --> 00:31:29,940

not because of a deal made with the uh

770

00:31:33,830 --> 00:31:32,039

with the prosecutor in that case where

771

00:31:36,230 --> 00:31:33,840

they would you know it's pretty common

772

00:31:38,210 --> 00:31:36,240

sometimes on a first offense they'll say

773

00:31:40,669 --> 00:31:38,220

if you complete your probation we'll

774

00:31:43,010 --> 00:31:40,679

wipe the record of your arrest and

775

00:31:44,930 --> 00:31:43,020

expunge your record and that's what

776
00:31:47,630 --> 00:31:44,940
happened with him but the truth remains

777
00:31:50,210 --> 00:31:47,640
that he was arrested for and pled guilty

778
00:31:51,769 --> 00:31:50,220
to fraud related charges or I'm sorry he

779
00:31:53,690 --> 00:31:51,779
played no contest I have to be very

780
00:31:56,570 --> 00:31:53,700
careful with what I say he pled no

781
00:31:59,090 --> 00:31:56,580
contest to these fraud related charges

782
00:32:01,430 --> 00:31:59,100
so but after he completed his probation

783
00:32:04,789 --> 00:32:01,440
they wiped the record of his uh arrest

784
00:32:05,930 --> 00:32:04,799
and whatever it is what it is then you

785
00:32:07,610 --> 00:32:05,940
gotta download and then you gotta

786
00:32:09,590 --> 00:32:07,620
download in his living room time froze

787
00:32:11,210 --> 00:32:09,600
beings came to the wall

788
00:32:13,850 --> 00:32:11,220

and he got a download from them and he

789

00:32:15,610 --> 00:32:13,860

began talking about Pumapunku that's

790

00:32:18,289 --> 00:32:15,620

exactly like literally that's his story

791

00:32:19,549 --> 00:32:18,299

was Frozen I mean maybe he was and I was

792

00:32:20,990 --> 00:32:19,559

like and then I went to pumapuku and got

793

00:32:23,990 --> 00:32:21,000

married to my wife it's like

794

00:32:26,149 --> 00:32:24,000

all right like yeah and I think that his

795

00:32:29,570 --> 00:32:26,159

wife has may have had some

796

00:32:31,190 --> 00:32:29,580

you know uh issues in her in her past as

797

00:32:33,649 --> 00:32:31,200

well and then they're doing this whole

798

00:32:35,930 --> 00:32:33,659

thing where they're publicly offering

799

00:32:38,450 --> 00:32:35,940

stock for people to purchase it's it's

800

00:32:39,710 --> 00:32:38,460

really bizarre you know yeah I don't

801
00:32:41,090 --> 00:32:39,720
have a problem with somebody having like

802
00:32:42,590 --> 00:32:41,100
a rough pass to be honest with you it's

803
00:32:44,330 --> 00:32:42,600
it's more about what you do now like you

804
00:32:46,190 --> 00:32:44,340
can you can always change you can always

805
00:32:47,630 --> 00:32:46,200
become a better person you could also

806
00:32:50,450 --> 00:32:47,640
just keep lying and stealing and that's

807
00:32:52,210 --> 00:32:50,460
what allegedly I've allegedly seen

808
00:32:55,070 --> 00:32:52,220
allegedly

809
00:32:57,289 --> 00:32:55,080
and UFO John Dale with Kylie generous

810
00:32:58,730 --> 00:32:57,299
999 Super Chat and thanks for that and

811
00:33:00,830 --> 00:32:58,740
thanks for being a member says Stephen

812
00:33:03,049 --> 00:33:00,840
you should report on each show the

813
00:33:04,970 --> 00:33:03,059

numbers days gone by that Bob Lazar

814

00:33:07,970 --> 00:33:04,980

hasn't accepted the Eric Weinstein

815

00:33:10,149 --> 00:33:07,980

challenge slash debate Lazar has no

816

00:33:13,730 --> 00:33:10,159

Mutual MIT and Harvard acquaintances

817

00:33:16,730 --> 00:33:13,740

Lazar still a fraud and I absolutely

818

00:33:19,250 --> 00:33:16,740

agree with you UFO John Doe what Bob

819

00:33:20,810 --> 00:33:19,260

Lazar was lying the whole time yeah and

820

00:33:24,950 --> 00:33:20,820

and here's where it gets interesting

821

00:33:26,690 --> 00:33:24,960

because listen if you had spent 30 years

822

00:33:28,909 --> 00:33:26,700

of your life telling people that story

823

00:33:31,130 --> 00:33:28,919

was true in the form of George Knapp

824

00:33:33,529 --> 00:33:31,140

wouldn't you encourage that so that Bob

825

00:33:36,529 --> 00:33:33,539

Lazar could be Vindicated where's George

826
00:33:38,930 --> 00:33:36,539
Knapp on this Christmas where's Jeremy

827
00:33:42,049 --> 00:33:38,940
Corbell on this crickets they don't want

828
00:33:44,090 --> 00:33:42,059
him they don't want him anywhere near a

829
00:33:47,950 --> 00:33:44,100
real scientist because Bob Lazar's

830
00:33:51,110 --> 00:33:47,960
convicted pimp fake scientists

831
00:33:53,630 --> 00:33:51,120
for putting CCT cameras up to look at

832
00:33:55,430 --> 00:33:53,640
women like and then he had to go to

833
00:33:58,190 --> 00:33:55,440
court well a lot of people say that that

834
00:34:00,409 --> 00:33:58,200
is he was bribing the Johns in the

835
00:34:02,409 --> 00:34:00,419
whorehouse like either way yeah

836
00:34:04,789 --> 00:34:02,419
allegedly allegedly

837
00:34:06,049 --> 00:34:04,799
I don't think he allegedly went to court

838
00:34:08,990 --> 00:34:06,059

though he definitely went to court and

839

00:34:11,210 --> 00:34:09,000

yeah there is there's credentials yeah

840

00:34:12,889 --> 00:34:11,220

and he lied he lied in the in the court

841

00:34:15,409 --> 00:34:12,899

case claiming that he was a government

842

00:34:17,990 --> 00:34:15,419

worker when he wasn't and that could be

843

00:34:21,169 --> 00:34:18,000

you know problematic for him but more

844

00:34:23,030 --> 00:34:21,179

problematic is the fact that I am sure

845

00:34:24,829 --> 00:34:23,040

that anybody with a real physics

846

00:34:27,770 --> 00:34:24,839

knowledge talking to him would know

847

00:34:29,409 --> 00:34:27,780

instantly that he never MIT he never

848

00:34:33,050 --> 00:34:29,419

went to Caltech

849

00:34:35,089 --> 00:34:33,060

he's real smart yeah okay well he was an

850

00:34:37,669 --> 00:34:35,099

opportunity Eric Weinstein's like pretty

851

00:34:39,290 --> 00:34:37,679

chill just go talk to him nah man you

852

00:34:40,849 --> 00:34:39,300

know like people [h__\h] on Nick West all

853

00:34:41,990 --> 00:34:40,859

the time dude you can DM Midwest right

854

00:34:44,030 --> 00:34:42,000

now he'll chill out with you tell you

855

00:34:46,070 --> 00:34:44,040

whatever I mean yeah yeah he's pretty

856

00:34:47,869 --> 00:34:46,080

approachable I like him and thank you

857

00:34:48,950 --> 00:34:47,879

UFO John Doe for helping us to praise

858

00:34:51,889 --> 00:34:48,960

the cat

859

00:34:58,609 --> 00:34:51,899

cash

860

00:35:01,010 --> 00:34:58,619

that thank you all so you you're aware

861

00:35:03,589 --> 00:35:01,020

of this whole so the challenge is that

862

00:35:06,290 --> 00:35:03,599

Joe Rogan wants Bob Lazar to talk to

863

00:35:08,690 --> 00:35:06,300

Eric Weinstein and then Eric Weinstein

864

00:35:10,190 --> 00:35:08,700

sort of dish on whether Bob really knows

865

00:35:11,890 --> 00:35:10,200

what he's talking about or whether he's

866

00:35:15,109 --> 00:35:11,900

just full of it

867

00:35:17,690 --> 00:35:15,119

crickets crickets from the Lazar Pro

868

00:35:19,790 --> 00:35:17,700

people right hey man lazar's been hunted

869

00:35:21,230 --> 00:35:19,800

by the FBI for 28 years he just needs to

870

00:35:22,810 --> 00:35:21,240

be in the mountains and sell his

871

00:35:25,730 --> 00:35:22,820

plutonium online

872

00:35:28,329 --> 00:35:25,740

we're out of here dude yeah I have a

873

00:35:31,490 --> 00:35:28,339

headache man you know

874

00:35:33,770 --> 00:35:31,500

uh like you know Joe was Joe was well

875

00:35:35,390 --> 00:35:33,780

yeah listen in his defense I have to say

876

00:35:37,550 --> 00:35:35,400

this if I had to hang out with Jeremy

877

00:35:40,190 --> 00:35:37,560

Corbell I'd have a headache too dude

878

00:35:42,349 --> 00:35:40,200

yeah that phone call really shows you

879

00:35:45,410 --> 00:35:42,359

he's like uh we got a weaponize like

880

00:35:47,150 --> 00:35:45,420

dude shut up man like go hang out with

881

00:35:48,170 --> 00:35:47,160

Dave Foley dude like go do anything else

882

00:35:51,829 --> 00:35:48,180

like

883

00:35:53,329 --> 00:35:51,839

had a whole episode of his podcast where

884

00:36:02,829 --> 00:35:53,339

he talked about his favorite UFO movies

885

00:36:06,829 --> 00:36:05,450

I saw that on Twitter and I laughed you

886

00:36:08,750 --> 00:36:06,839

know what I just saw that's a great

887

00:36:10,790 --> 00:36:08,760

movie that I forgot was such a great

888

00:36:12,410 --> 00:36:10,800

movie star man how do you start

889

00:36:14,930 --> 00:36:12,420

Manchester [h__h] that's a really old

890

00:36:16,849 --> 00:36:14,940

movie but that is an interesting look at

891

00:36:19,250 --> 00:36:16,859

how contact might actually happen

892

00:36:20,990 --> 00:36:19,260

instead of them physically coming here

893

00:36:23,089 --> 00:36:21,000

they come here as energy beings and take

894

00:36:24,890 --> 00:36:23,099

on our form and learn The Human

895

00:36:26,050 --> 00:36:24,900

Experience and then get the hell out of

896

00:36:28,609 --> 00:36:26,060

here

897

00:36:29,810 --> 00:36:28,619

it's like the archons it's like I think

898

00:36:31,910 --> 00:36:29,820

that's where the archon story might come

899

00:36:32,930 --> 00:36:31,920

from a star man be honest with you but I

900

00:36:34,430 --> 00:36:32,940

watched it the other day because you

901
00:36:36,290 --> 00:36:34,440
know what else you know what else comes

902
00:36:37,849 --> 00:36:36,300
from that there's a scene where the

903
00:36:40,430 --> 00:36:37,859
scientists the government scientists

904
00:36:42,530 --> 00:36:40,440
they crack open the the craft and he

905
00:36:44,750 --> 00:36:42,540
gets down in there and it looks inside

906
00:36:46,730 --> 00:36:44,760
like a Jello mold where everything is

907
00:36:50,270 --> 00:36:46,740
molded and as soon as I saw that I went

908
00:36:53,390 --> 00:36:50,280
I wonder where Bob got that molded UFO

909
00:36:54,829 --> 00:36:53,400
thing from right yeah you know the whole

910
00:36:56,270 --> 00:36:54,839
thing like that there's that that what

911
00:36:58,670 --> 00:36:56,280
about the hand scanner well it was on

912
00:37:00,290 --> 00:36:58,680
Close Encounters in a deleted scene the

913
00:37:02,569 --> 00:37:00,300

government didn't bring that on there to

914

00:37:04,190 --> 00:37:02,579

give you some hint for disclosure it was

915

00:37:05,630 --> 00:37:04,200

literally just a movie prop that didn't

916

00:37:09,530 --> 00:37:05,640

make it into the film

917

00:37:11,210 --> 00:37:09,540

like uh it's stupid it's so stupid no

918

00:37:13,010 --> 00:37:11,220

one has come out and said that they were

919

00:37:15,530 --> 00:37:13,020

like all the people were Liars that have

920

00:37:17,030 --> 00:37:15,540

I mean there's no cooperation nobody

921

00:37:19,849 --> 00:37:17,040

remembers going to school with this dude

922

00:37:21,290 --> 00:37:19,859

nobody remembers anything are you

923

00:37:22,490 --> 00:37:21,300

kidding me like it's been long enough

924

00:37:23,510 --> 00:37:22,500

and everyone's like he's never changed

925

00:37:25,250 --> 00:37:23,520

the story dude he's changed his story

926
00:37:27,589 --> 00:37:25,260
tons of times and that's what it is

927
00:37:30,170 --> 00:37:27,599
though it's a story so yeah and I

928
00:37:32,990 --> 00:37:30,180
thought it was interesting that Corbell

929
00:37:35,030 --> 00:37:33,000
such over hyped and under delivered in

930
00:37:36,829 --> 00:37:35,040
that film you know oh we're gonna have

931
00:37:38,390 --> 00:37:36,839
all this new evidence yeah but he

932
00:37:40,550 --> 00:37:38,400
probably made a good good smooth 7

933
00:37:41,510 --> 00:37:40,560
million off of it people oh it's so good

934
00:37:46,790 --> 00:37:41,520
oh

935
00:37:49,970 --> 00:37:46,800
it showed nothing I don't know I I I I I

936
00:37:51,589 --> 00:37:49,980
try to not be too incredibly critical

937
00:37:53,410 --> 00:37:51,599
you know I want to learn to make films

938
00:37:56,569 --> 00:37:53,420

but like I thought it was garbage

939

00:37:59,390 --> 00:37:56,579

garbage for the content and garbage for

940

00:38:01,370 --> 00:37:59,400

the whole the whole thing is like okay

941

00:38:05,829 --> 00:38:01,380

you're a documentary filmmaker why are

942

00:38:10,849 --> 00:38:09,230

in his own movies too but he does it a

943

00:38:12,589 --> 00:38:10,859

slightly better way like nobody cares

944

00:38:14,569 --> 00:38:12,599

about you talking on the phone in your

945

00:38:16,190 --> 00:38:14,579

bathroom this is stupid yeah he's like

946

00:38:21,069 --> 00:38:16,200

in this bathroom he's like and then I

947

00:38:25,190 --> 00:38:23,750

dude yeah he's always been like that

948

00:38:27,170 --> 00:38:25,200

though like you know anytime he when he

949

00:38:28,670 --> 00:38:27,180

first started on Joe Rogan he would want

950

00:38:29,930 --> 00:38:28,680

he would suck the whole room in you know

951
00:38:31,370 --> 00:38:29,940
it happens in spaces too like people

952
00:38:32,569 --> 00:38:31,380
come in and take over the whole

953
00:38:34,430 --> 00:38:32,579
conversation whenever someone with

954
00:38:36,650 --> 00:38:34,440
actual knowledge and actual research is

955
00:38:38,030 --> 00:38:36,660
trying to speak and it just it happens

956
00:38:39,170 --> 00:38:38,040
like that man you have the people that

957
00:38:40,370 --> 00:38:39,180
want to ride the coattails and that's

958
00:38:42,650 --> 00:38:40,380
you know be the Rob Schneider to the

959
00:38:44,390 --> 00:38:42,660
Adam Sandler it's fine but he's just

960
00:38:46,970 --> 00:38:44,400
he's taking it to a whole new level and

961
00:38:49,069 --> 00:38:46,980
webinar curiosity is the dumbest [h__\h]

962
00:38:52,130 --> 00:38:49,079
like ever like I don't have curiosity

963
00:38:53,810 --> 00:38:52,140

dog I watched a cabinet unlock itself I

964

00:38:55,849 --> 00:38:53,820

watched a helicopter levitate 10 foot

965

00:38:57,470 --> 00:38:55,859

across my room and then I watched six

966

00:38:59,150 --> 00:38:57,480

red balls of white manifest in front of

967

00:39:00,530 --> 00:38:59,160

my face I ain't curious no more dude I'm

968

00:39:02,690 --> 00:39:00,540

literally just like

969

00:39:04,130 --> 00:39:02,700

what like you know I'm not I'm not

970

00:39:05,569 --> 00:39:04,140

curious about I know there's something

971

00:39:07,430 --> 00:39:05,579

going on I'm not trying to weaponize

972

00:39:09,410 --> 00:39:07,440

nothing just maybe somebody should just

973

00:39:11,390 --> 00:39:09,420

tell me exactly what's happening here

974

00:39:13,010 --> 00:39:11,400

but they can't because nobody knows

975

00:39:14,150 --> 00:39:13,020

and if they do there's some esoteric

976
00:39:15,829 --> 00:39:14,160
group or something you know that's been

977
00:39:17,569 --> 00:39:15,839
around for a thousand years that's my

978
00:39:20,089 --> 00:39:17,579
opinion anyway

979
00:39:23,150 --> 00:39:20,099
yeah I absolutely agree with you on that

980
00:39:26,030 --> 00:39:23,160
and it seems to me that the some of

981
00:39:29,210 --> 00:39:26,040
these so-called information sources are

982
00:39:32,329 --> 00:39:29,220
you know it's pretty clear that they're

983
00:39:36,230 --> 00:39:32,339
profit driven garbage Peddlers

984
00:39:38,390 --> 00:39:36,240
oh yeah the majority of them

985
00:39:39,710 --> 00:39:38,400
oh dude it's like what you said I

986
00:39:42,349 --> 00:39:39,720
watched that Boss coldheart video you

987
00:39:44,510 --> 00:39:42,359
did like I said and uh when you read the

988
00:39:46,010 --> 00:39:44,520

title and then you watch the show and

989

00:39:47,270 --> 00:39:46,020

it's like no scientists proved anything

990

00:39:48,589 --> 00:39:47,280

and then you talk to the scientists he's

991

00:39:50,329 --> 00:39:48,599

like I never said that [h__h] and then

992

00:39:52,609 --> 00:39:50,339

it's me or it's Michio Kaku who just

993

00:39:54,829 --> 00:39:52,619

hypotheticals everything into the sun

994

00:39:56,510 --> 00:39:54,839

and it's like well but why did you say

995

00:39:58,010 --> 00:39:56,520

this like you wanted me to click on this

996

00:39:59,150 --> 00:39:58,020

you and then like you said he did the

997

00:40:01,370 --> 00:39:59,160

voiceover and all that with the BET

998

00:40:02,390 --> 00:40:01,380

sphere types the Patrick Jackson crap

999

00:40:04,130 --> 00:40:02,400

and it's just

1000

00:40:05,450 --> 00:40:04,140

it's all like it's all just to have that

1001
00:40:06,589 --> 00:40:05,460
Public Image you got to think right like

1002
00:40:07,609 --> 00:40:06,599
whenever you're doing video where you're

1003
00:40:09,170 --> 00:40:07,619
doing things like this you want it to

1004
00:40:10,190 --> 00:40:09,180
pop you want to have they have PR teams

1005
00:40:11,810 --> 00:40:10,200
and they're out here like we can do this

1006
00:40:13,370 --> 00:40:11,820
and this and this and this because they

1007
00:40:15,790 --> 00:40:13,380
all want that money they all want to get

1008
00:40:18,950 --> 00:40:15,800
paid everybody

1009
00:40:20,569 --> 00:40:18,960
okay there's no tools involved there's

1010
00:40:22,010 --> 00:40:20,579
you know these David Wilcox could

1011
00:40:23,690 --> 00:40:22,020
instead of taking you know the thing

1012
00:40:25,970 --> 00:40:23,700
about Wilcox is he believed his own he

1013
00:40:27,290 --> 00:40:25,980

he spelled it so much trash that he

1014

00:40:29,030 --> 00:40:27,300

bought his own [h__h] and started

1015

00:40:30,829 --> 00:40:29,040

investing in that alien reproduction

1016

00:40:31,970 --> 00:40:30,839

vehicle and he lost all his money and

1017

00:40:35,089 --> 00:40:31,980

that's why he's back doing this crap

1018

00:40:38,510 --> 00:40:35,099

allegedly and uh it's it's just such a

1019

00:40:40,069 --> 00:40:38,520

crap show man it's a joke it's it and I

1020

00:40:41,750 --> 00:40:40,079

I don't even know where it all begins

1021

00:40:44,329 --> 00:40:41,760

like where you could even go back to cut

1022

00:40:45,589 --> 00:40:44,339

it well the funny thing is is though you

1023

00:40:47,990 --> 00:40:45,599

have to admit that there's two

1024

00:40:50,630 --> 00:40:48,000

perceptions right from the believer's

1025

00:40:55,190 --> 00:40:50,640

side Bob Lazar is real Jeremy corbell's

1026
00:40:57,710 --> 00:40:55,200
doing great work you know uh this whole

1027
00:40:58,930 --> 00:40:57,720
this whole thing is is a is a perception

1028
00:41:01,370 --> 00:40:58,940
problem

1029
00:41:03,589 --> 00:41:01,380
yeah but when you peel back these layers

1030
00:41:05,569 --> 00:41:03,599
of deception you find out oh Bob Lazar

1031
00:41:07,190 --> 00:41:05,579
is a convicted pimp fake scientist and

1032
00:41:10,010 --> 00:41:07,200
they forgot to tell us that when they

1033
00:41:13,370 --> 00:41:10,020
were selling us that story you know or

1034
00:41:16,370 --> 00:41:13,380
uh you know just forgot to mention his

1035
00:41:19,069 --> 00:41:16,380
James Fox forgets to mention that in 25

1036
00:41:20,750 --> 00:41:19,079
years of selling the same story all he's

1037
00:41:23,750 --> 00:41:20,760
able to come up with is anonymous

1038
00:41:25,790 --> 00:41:23,760

sources constantly you know they they

1039

00:41:28,010 --> 00:41:25,800

confirmed what he already said 25 years

1040

00:41:30,349 --> 00:41:28,020

ago about the story it's

1041

00:41:32,450 --> 00:41:30,359

it's you know when the layers of

1042

00:41:34,130 --> 00:41:32,460

deception are peeled back and then

1043

00:41:36,950 --> 00:41:34,140

you've got Linda Moulton house selling

1044

00:41:38,230 --> 00:41:36,960

completely fake alien pictures and you

1045

00:41:41,510 --> 00:41:38,240

know it

1046

00:41:44,030 --> 00:41:41,520

you see the bigger picture of like oh

1047

00:41:45,170 --> 00:41:44,040

it's all like a circus Sideshow grift

1048

00:41:47,990 --> 00:41:45,180

like

1049

00:41:49,910 --> 00:41:48,000

you know I remember when I was a kid did

1050

00:41:51,710 --> 00:41:49,920

you did you ever go to like a carnival

1051
00:41:53,089 --> 00:41:51,720
with a circus Sideshow or anything like

1052
00:41:56,690 --> 00:41:53,099
that dude I've been to Barnum and Bailey

1053
00:41:58,670 --> 00:41:56,700
heck yeah two times that that I have uh

1054
00:42:01,130 --> 00:41:58,680
given money and felt very uncomfortable

1055
00:42:03,710 --> 00:42:01,140
both times is the one time it was this

1056
00:42:05,630 --> 00:42:03,720
big poster like what is it you know and

1057
00:42:08,270 --> 00:42:05,640
it was this weird looking creature on

1058
00:42:10,490 --> 00:42:08,280
the poster and then you go pay money and

1059
00:42:12,530 --> 00:42:10,500
it was a dog that somebody shaved

1060
00:42:13,670 --> 00:42:12,540
completely of hair you have to walk

1061
00:42:16,569 --> 00:42:13,680
through the hole you have to walk

1062
00:42:19,609 --> 00:42:16,579
through the thing and then you give your

1063
00:42:22,730 --> 00:42:19,619

it was

1064

00:42:24,589 --> 00:42:22,740

you'll trailer and they got this thing

1065

00:42:26,270 --> 00:42:24,599

in the thing and it's five dollars

1066

00:42:29,630 --> 00:42:26,280

you're moving the tarp like there's just

1067

00:42:33,349 --> 00:42:29,640

all these tarps you're like yeah

1068

00:42:35,810 --> 00:42:33,359

time was I think we were at like a an

1069

00:42:38,450 --> 00:42:35,820

amusement park and it was like see the

1070

00:42:41,150 --> 00:42:38,460

world's smallest woman and they had a

1071

00:42:43,609 --> 00:42:41,160

you know the poster was like it looked

1072

00:42:46,790 --> 00:42:43,619

like you know like a 12 inch GI Joe

1073

00:42:49,190 --> 00:42:46,800

figure next people it was like oh my God

1074

00:42:50,690 --> 00:42:49,200

and like how small is this girl and I

1075

00:42:52,910 --> 00:42:50,700

wasn't gonna do it but then it bothered

1076

00:42:55,250 --> 00:42:52,920

me throughout the day and I had to go

1077

00:42:56,990 --> 00:42:55,260

back and then you give five bucks and

1078

00:42:59,870 --> 00:42:57,000

there's this little girl who was

1079

00:43:01,910 --> 00:42:59,880

obviously like you know affected by the

1080

00:43:04,370 --> 00:43:01,920

little people disease you know she was a

1081

00:43:07,370 --> 00:43:04,380

dwarf but she wasn't abnormally small

1082

00:43:09,170 --> 00:43:07,380

for one of those for a little person she

1083

00:43:11,329 --> 00:43:09,180

was just a regular little person and

1084

00:43:13,370 --> 00:43:11,339

they had her standing on this bench and

1085

00:43:14,329 --> 00:43:13,380

people just paid their money and walked

1086

00:43:16,730 --> 00:43:14,339

by

1087

00:43:19,430 --> 00:43:16,740

but anyway uh sorry to get off in the

1088

00:43:21,250 --> 00:43:19,440

weeds but that is what this is that is

1089

00:43:23,170 --> 00:43:21,260

what this is it is

1090

00:43:26,450 --> 00:43:23,180

through the hallway

1091

00:43:28,190 --> 00:43:26,460

where's the [h__h] answers at oh

1092

00:43:30,950 --> 00:43:28,200

they're right here and encased in ice

1093

00:43:33,290 --> 00:43:30,960

it's a shaved dog it's a it's a it's a

1094

00:43:35,809 --> 00:43:33,300

it's a shaved dog yeah yeah but it's a

1095

00:43:37,270 --> 00:43:35,819

monkey suit that we froze it's a shaved

1096

00:43:42,890 --> 00:43:37,280

dog

1097

00:43:44,710 --> 00:43:42,900

anymore it's 1500 maybe 1500 don't meet

1098

00:43:47,690 --> 00:43:44,720

me Jimmy church

1099

00:43:48,950 --> 00:43:47,700

do you think that it's worth 1500 bucks

1100

00:43:52,609 --> 00:43:48,960

to meet

1101
00:43:55,849 --> 00:43:52,619
like um uh what we can only describe as

1102
00:43:58,069 --> 00:43:55,859
like a d or e-level celebrity like they

1103
00:43:59,930 --> 00:43:58,079
are out here dude well Elizondo was on

1104
00:44:03,109 --> 00:43:59,940
the History Channel for like 15 minutes

1105
00:44:06,410 --> 00:44:03,119
like that's all like the fame that he

1106
00:44:08,150 --> 00:44:06,420
got and he he got there by lying to the

1107
00:44:10,309 --> 00:44:08,160
New York Times about a pentagon program

1108
00:44:13,309 --> 00:44:10,319
that never even existed except in his

1109
00:44:15,829 --> 00:44:13,319
own imagination I was like

1110
00:44:17,690 --> 00:44:15,839
I fought in the moon Wars people are

1111
00:44:19,370 --> 00:44:17,700
really paying fifteen hundred dollars to

1112
00:44:20,809 --> 00:44:19,380
meet this guy yeah there's all these

1113
00:44:22,069 --> 00:44:20,819

high def videos though Stephen don't

1114

00:44:23,750 --> 00:44:22,079

worry they've been going to come out for

1115

00:44:25,910 --> 00:44:23,760

about eight years now but and they're 23

1116

00:44:27,470 --> 00:44:25,920

minutes long yeah I mean I don't know

1117

00:44:30,290 --> 00:44:27,480

it's you know the government might have

1118

00:44:31,849 --> 00:44:30,300

stuff I you know dude I just at this

1119

00:44:33,050 --> 00:44:31,859

point it's just like is it gonna end

1120

00:44:34,550 --> 00:44:33,060

because everyone's like oh it'll be the

1121

00:44:36,290 --> 00:44:34,560

next hearing I'm like yeah dude the rate

1122

00:44:37,849 --> 00:44:36,300

it's going to be 2082 and you might get

1123

00:44:39,410 --> 00:44:37,859

10 of the answer that the government may

1124

00:44:40,550 --> 00:44:39,420

or may not have like

1125

00:44:42,109 --> 00:44:40,560

they're not going to tell us anything

1126

00:44:43,130 --> 00:44:42,119

anyway I don't know why anyone thinks

1127

00:44:44,569 --> 00:44:43,140

they're going to release any type of

1128

00:44:46,790 --> 00:44:44,579

like advanced technology when we might

1129

00:44:48,410 --> 00:44:46,800

go to war with China like which is

1130

00:44:50,089 --> 00:44:48,420

that's just very good point let's wheel

1131

00:44:52,130 --> 00:44:50,099

all of our Advanced Tech out here for

1132

00:44:54,950 --> 00:44:52,140

our enemies to see

1133

00:44:58,370 --> 00:44:54,960

no it's never worked that way yeah what

1134

00:45:00,710 --> 00:44:58,380

do you think of this whole this some of

1135

00:45:02,510 --> 00:45:00,720

these people are so convinced that

1136

00:45:03,890 --> 00:45:02,520

people who used to work for the

1137

00:45:06,589 --> 00:45:03,900

government are now going to tell them

1138

00:45:12,530 --> 00:45:06,599

the truth I guess they should

1139

00:45:17,150 --> 00:45:14,690

wait a minute these are Sands of the

1140

00:45:18,950 --> 00:45:17,160

earth people from the 1950s 60s and 70s

1141

00:45:20,210 --> 00:45:18,960

that love their government and they

1142

00:45:22,010 --> 00:45:20,220

worked till retirement they ain't gonna

1143

00:45:23,270 --> 00:45:22,020

say nothing they might tell their

1144

00:45:26,089 --> 00:45:23,280

granddaughter ain't no gonna believe her

1145

00:45:27,829 --> 00:45:26,099

you know it it's not gonna happen it's

1146

00:45:29,630 --> 00:45:27,839

just it's not gonna look at this Anthony

1147

00:45:31,609 --> 00:45:29,640

Peterson was a kind of generous two

1148

00:45:34,490 --> 00:45:31,619

dollars he says for your Antarctica

1149

00:45:35,690 --> 00:45:34,500

Expedition fund I will go my buddy's in

1150

00:45:37,910 --> 00:45:35,700

the Navy I tried to get him to get that

1151

00:45:40,130 --> 00:45:37,920

Antarctic base and uh this is no

1152

00:45:41,390 --> 00:45:40,140

[h__h] he bought a part for his uh car

1153

00:45:42,950 --> 00:45:41,400

from Russia and they wouldn't send him

1154

00:45:46,190 --> 00:45:42,960

over there because of that

1155

00:45:47,690 --> 00:45:46,200

I was like all right that's weird that's

1156

00:45:49,010 --> 00:45:47,700

pretty interesting but thank you to

1157

00:45:51,309 --> 00:45:49,020

Anthony Peterson for your kindness

1158

00:45:53,630 --> 00:45:51,319

generosity and support

1159

00:45:54,950 --> 00:45:53,640

what a waste of time that would be

1160

00:45:56,990 --> 00:45:54,960

though like if somebody gave you

1161

00:45:58,809 --> 00:45:57,000

coordinates and then you actually did do

1162

00:46:02,809 --> 00:45:58,819

that

1163

00:46:04,609 --> 00:46:02,819

this is a big block of ice it's wobbling

1164

00:46:06,050 --> 00:46:04,619

back and forth on the ocean for like

1165

00:46:08,870 --> 00:46:06,060

days trying to get to that freaking

1166

00:46:10,970 --> 00:46:08,880

Beach like okay I'm gonna see that I'm

1167

00:46:12,770 --> 00:46:10,980

gonna but which I'm gonna see birds

1168

00:46:14,270 --> 00:46:12,780

opening the inner earth baby I got the

1169

00:46:16,150 --> 00:46:14,280

cordage from Spartan two and you get

1170

00:46:18,829 --> 00:46:16,160

there and it's just like more dirt nice

1171

00:46:20,750 --> 00:46:18,839

more nothing yeah a whole lot of nothing

1172

00:46:22,490 --> 00:46:20,760

and then penguin just I don't know I

1173

00:46:24,710 --> 00:46:22,500

heard if you heard this story but we've

1174

00:46:27,650 --> 00:46:24,720

got Michael Salah grifting that there is

1175

00:46:30,470 --> 00:46:27,660

a space Arc under Ukraine and that's

1176

00:46:33,770 --> 00:46:30,480

what the war is over who who said that

1177

00:46:37,670 --> 00:46:33,780

Michael Salah there was a space Arc an

1178

00:46:40,010 --> 00:46:37,680

alien spaceship space Arc and DNA you

1179

00:46:41,870 --> 00:46:40,020

know like depository or something and

1180

00:46:44,450 --> 00:46:41,880

they're done waiting now together for

1181

00:46:46,849 --> 00:46:44,460

this it's under it's under Ukraine

1182

00:46:49,010 --> 00:46:46,859

that's what the war is about okay and

1183

00:46:50,510 --> 00:46:49,020

let's let's go back in a second what was

1184

00:46:52,309 --> 00:46:50,520

what was the war on terror really about

1185

00:46:55,309 --> 00:46:52,319

again oh yeah Stargate

1186

00:46:57,849 --> 00:46:55,319

yeah they wanted to be Iraqi Stargates

1187

00:47:00,290 --> 00:46:57,859

yeah same old Griff different

1188

00:47:02,150 --> 00:47:00,300

they just change it a little bit right

1189

00:47:03,710 --> 00:47:02,160

they just I mean Stargate was a good

1190

00:47:05,030 --> 00:47:03,720

movie I get I mean when the muscle I

1191

00:47:07,010 --> 00:47:05,040

mean Kurt Russell's going in that portal

1192

00:47:08,569 --> 00:47:07,020

man that's badass I get it I get I wish

1193

00:47:10,069 --> 00:47:08,579

that [h__h] was real but you know the

1194

00:47:11,809 --> 00:47:10,079

truth of the matter is dude the

1195

00:47:14,390 --> 00:47:11,819

phenomenon to me I've seen it like it

1196

00:47:15,770 --> 00:47:14,400

exists it's already fascinating right

1197

00:47:17,030 --> 00:47:15,780

it's already that's already something

1198

00:47:19,550 --> 00:47:17,040

out of a fiction novel that's already

1199

00:47:21,290 --> 00:47:19,560

crazy but people just they just stack

1200

00:47:22,970 --> 00:47:21,300

their own things on it and then they

1201

00:47:24,650 --> 00:47:22,980

they sell that and it's like it's

1202

00:47:26,450 --> 00:47:24,660

already cool it doesn't have to be any

1203

00:47:28,370 --> 00:47:26,460

more crate we don't have to go to Mars

1204

00:47:30,589 --> 00:47:28,380

and fight in the mid Bay yeah I agree

1205

00:47:33,770 --> 00:47:30,599

right now and and it's interesting that

1206

00:47:35,870 --> 00:47:33,780

I agree with that sentiment too it seems

1207

00:47:38,450 --> 00:47:35,880

like it's just it's just bold pile on

1208

00:47:40,490 --> 00:47:38,460

top of other bull you know like you'd

1209

00:47:43,309 --> 00:47:40,500

improve the first bull you can't pile

1210

00:47:45,530 --> 00:47:43,319

new Bull on top of the old bowl until

1211

00:47:46,550 --> 00:47:45,540

you prove that you know well you'd think

1212

00:47:49,130 --> 00:47:46,560

that'd be how it worked but it's

1213

00:47:51,349 --> 00:47:49,140

obviously not so yeah I think that's a

1214

00:47:53,329 --> 00:47:51,359

good way to Griff too is to add your

1215

00:47:55,010 --> 00:47:53,339

grip to something that people already

1216

00:47:57,530 --> 00:47:55,020

heard about and accept like Roswell

1217

00:48:00,290 --> 00:47:57,540

we've got the Roswell Rock the Roswell

1218

00:48:03,530 --> 00:48:00,300

slides were fake the Roswell rock is Big

1219

00:48:05,030 --> 00:48:03,540

that Roswell rock guy man me bro he had

1220

00:48:06,290 --> 00:48:05,040

me I was like this is so freaking cool

1221

00:48:07,849 --> 00:48:06,300

like look at the crop circle that

1222

00:48:09,109 --> 00:48:07,859

matches it but I used to be a big

1223

00:48:11,030 --> 00:48:09,119

engineering this guy and that's why

1224

00:48:13,210 --> 00:48:11,040

another thing man like I watch Ancient

1225

00:48:16,609 --> 00:48:13,220

Aliens I used to watch it and be like

1226
00:48:17,750 --> 00:48:16,619
no [\h__\h] way and then now I watch it

1227
00:48:20,569 --> 00:48:17,760
and I'm like oh there's David Wilcox

1228
00:48:21,829 --> 00:48:20,579
forehead and I'm laughing at it but I'm

1229
00:48:23,450 --> 00:48:21,839
laughing

1230
00:48:26,630 --> 00:48:23,460
and I remember like oh people are

1231
00:48:30,050 --> 00:48:26,640
believing this [\h__\h] oh now I get sad

1232
00:48:32,870 --> 00:48:30,060
and then I get mad I open a space yeah

1233
00:48:35,750 --> 00:48:32,880
one of our advertisers is Galaxy bundle

1234
00:48:38,569 --> 00:48:35,760
Sasquatch so that's good to hear yeah

1235
00:48:41,450 --> 00:48:38,579
well we gotta clean praise the cash

1236
00:48:43,910 --> 00:48:41,460
we're getting paid UFO Shane let's go

1237
00:48:47,150 --> 00:48:43,920
did you know UFO saying that people are

1238
00:48:49,130 --> 00:48:47,160

people are attacking me saying that uh

1239

00:48:51,670 --> 00:48:49,140

you're no different than them or

1240

00:48:54,230 --> 00:48:51,680

something like that because we're we we

1241

00:48:57,050 --> 00:48:54,240

monetized here and we'll accept support

1242

00:49:00,770 --> 00:48:57,060

of the audience but all of our content

1243

00:49:02,750 --> 00:49:00,780

is free and you know don't you think

1244

00:49:06,349 --> 00:49:02,760

somebody should be out there busting the

1245

00:49:07,730 --> 00:49:06,359

scammers and the fraudsters as much what

1246

00:49:09,710 --> 00:49:07,740

do you do when there's too many of

1247

00:49:14,210 --> 00:49:09,720

anything in animals in that area you

1248

00:49:16,190 --> 00:49:14,220

have to cleanse it and it it is man yes

1249

00:49:17,510 --> 00:49:16,200

like I'm not here look I'm like I tell

1250

00:49:20,329 --> 00:49:17,520

people all the time like I'm not here

1251
00:49:21,530 --> 00:49:20,339
for you I'm here for me and I'm here to

1252
00:49:22,550 --> 00:49:21,540
get rid of this [\h__\h] so I can figure

1253
00:49:25,010 --> 00:49:22,560
out what's going on

1254
00:49:26,390 --> 00:49:25,020
that's what I'm here for so you know and

1255
00:49:28,010 --> 00:49:26,400
if people like I have a lot of friends

1256
00:49:28,849 --> 00:49:28,020
that believe in Lou I have a lot of

1257
00:49:30,230 --> 00:49:28,859
friends that believe in a lot of people

1258
00:49:31,730 --> 00:49:30,240
that and they don't like people that I

1259
00:49:33,710 --> 00:49:31,740
like and that's fine

1260
00:49:35,150 --> 00:49:33,720
but it's when people like like staunchly

1261
00:49:36,470 --> 00:49:35,160
die on the cross for these people that

1262
00:49:38,030 --> 00:49:36,480
don't even know their name

1263
00:49:40,069 --> 00:49:38,040

and they're and you know that's what's

1264

00:49:42,170 --> 00:49:40,079

weird to me like let's just like kind of

1265

00:49:43,490 --> 00:49:42,180

come together and get these [h__h] out

1266

00:49:44,870 --> 00:49:43,500

of here because they're just they're

1267

00:49:46,309 --> 00:49:44,880

lying I mean how many fake you know how

1268

00:49:49,250 --> 00:49:46,319

many times can you sell something that's

1269

00:49:50,390 --> 00:49:49,260

been proven a lie and just come on right

1270

00:49:55,390 --> 00:49:50,400

back just like you said whacking them

1271

00:49:59,150 --> 00:49:57,349

you know they wait a decent amount

1272

00:50:00,589 --> 00:49:59,160

they're LPR team like you say man just

1273

00:50:01,750 --> 00:50:00,599

uh you got that house out in the woods

1274

00:50:04,309 --> 00:50:01,760

right yeah

1275

00:50:05,569 --> 00:50:04,319

we're gonna smooth all this over don't

1276

00:50:07,250 --> 00:50:05,579

worry Corey We're Not Gonna release

1277

00:50:09,410 --> 00:50:07,260

these uh documents and then get released

1278

00:50:11,450 --> 00:50:09,420

and he still comes back dude yeah the

1279

00:50:13,550 --> 00:50:11,460

fact that he came back the balls of him

1280

00:50:15,410 --> 00:50:13,560

to come back after those depositions

1281

00:50:22,690 --> 00:50:15,420

dropped with him saying he's never been

1282

00:50:26,930 --> 00:50:25,430

that's your fault that is your fault

1283

00:50:28,790 --> 00:50:26,940

that you wasted your money if you would

1284

00:50:29,930 --> 00:50:28,800

have helped the community if you would

1285

00:50:30,950 --> 00:50:29,940

have done anything with it then you'd

1286

00:50:32,089 --> 00:50:30,960

still have supporters that would help

1287

00:50:33,470 --> 00:50:32,099

you now knowing that at least you're

1288

00:50:34,970 --> 00:50:33,480

trying to do the right thing that's

1289

00:50:36,770 --> 00:50:34,980

their fault it's Linda Moulton's house

1290

00:50:41,410 --> 00:50:36,780

fault that she's running her Legacy not

1291

00:50:47,410 --> 00:50:44,210

you should have seen the vitriol that we

1292

00:50:49,970 --> 00:50:47,420

got covering her fake stories

1293

00:50:51,290 --> 00:50:49,980

on my show and he said yeah I gotta

1294

00:50:53,569 --> 00:50:51,300

apologize for that and I said no you

1295

00:50:55,430 --> 00:50:53,579

don't don't you no why would you

1296

00:50:57,170 --> 00:50:55,440

apologize to that interestingly after

1297

00:50:59,290 --> 00:50:57,180

that he doesn't really accept my

1298

00:51:01,730 --> 00:50:59,300

questions anymore

1299

00:51:03,650 --> 00:51:01,740

but isn't it interesting that one

1300

00:51:06,549 --> 00:51:03,660

question was enough to demolish that

1301

00:51:09,890 --> 00:51:06,559

lady she's just like this

1302

00:51:11,569 --> 00:51:09,900

I'm an award-winning Bravo and that's

1303

00:51:13,069 --> 00:51:11,579

good man I'm glad your friends kept

1304

00:51:15,770 --> 00:51:13,079

giving you awards they're still doing it

1305

00:51:18,109 --> 00:51:15,780

good for you man how about you do

1306

00:51:20,510 --> 00:51:18,119

something then find an expedition I

1307

00:51:22,430 --> 00:51:20,520

literally got told don't pick on Linda

1308

00:51:24,710 --> 00:51:22,440

she's just trying to save up she doesn't

1309

00:51:26,270 --> 00:51:24,720

have a retirement she's been she's been

1310

00:51:29,089 --> 00:51:26,280

a single journalist that's hold to shut

1311

00:51:30,710 --> 00:51:29,099

up shut up shut the [h__h] up she has all

1312

00:51:32,329 --> 00:51:30,720

the money she made millions of dollars

1313

00:51:34,730 --> 00:51:32,339

she's made millions of dollars she's got

1314

00:51:37,010 --> 00:51:34,740

plenty of money yeah you know but I

1315

00:51:40,069 --> 00:51:37,020

wonder about her like her like adult

1316

00:51:41,870 --> 00:51:40,079

children and how they feel out what you

1317

00:51:43,670 --> 00:51:41,880

know like Mom's running around selling

1318

00:51:46,490 --> 00:51:43,680

fake pictures of aliens from video game

1319

00:51:48,049 --> 00:51:46,500

covers you know but they're getting a

1320

00:51:50,870 --> 00:51:48,059

piece of it too yeah they're driving

1321

00:51:52,970 --> 00:51:50,880

around a brand new BMW 650 I promise you

1322

00:51:55,370 --> 00:51:52,980

or a Range Rover yeah the challenge

1323

00:51:58,069 --> 00:51:55,380

there was two questions Lou set up the

1324

00:51:59,990 --> 00:51:58,079

Meltdown and I hit the Home Run yeah I I

1325

00:52:02,150 --> 00:52:00,000

yeah we should certainly acknowledge

1326

00:52:04,250 --> 00:52:02,160

that she didn't like but she did not

1327

00:52:08,210 --> 00:52:04,260

like answering questions about

1328

00:52:10,309 --> 00:52:08,220

her lack of vetting and her his poor

1329

00:52:12,290 --> 00:52:10,319

research and you know he watched the

1330

00:52:14,210 --> 00:52:12,300

other UFO guys come on Kirk's show and

1331

00:52:16,309 --> 00:52:14,220

they were open armed man you know Kurt

1332

00:52:18,530 --> 00:52:16,319

asking more questions but

1333

00:52:19,970 --> 00:52:18,540

hey man it's picker let's roll the dice

1334

00:52:21,470 --> 00:52:19,980

baby sometimes the question pops up

1335

00:52:23,089 --> 00:52:21,480

people want to know you if you just

1336

00:52:25,430 --> 00:52:23,099

answer the question hell if he lied just

1337

00:52:28,270 --> 00:52:25,440

tell me you [h__\h] lied yeah I lied

1338

00:52:30,710 --> 00:52:28,280

okay thank you for being honest

1339

00:52:34,130 --> 00:52:30,720

we need to watch the f-bombs because

1340

00:52:35,450 --> 00:52:34,140

YouTube has been slamming us lately I'm

1341

00:52:37,309 --> 00:52:35,460

used to spaces where I will literally

1342

00:52:41,109 --> 00:52:37,319

talk in an esotech voice to entire time

1343

00:52:44,930 --> 00:52:43,790

that's one reason I like spaces I don't

1344

00:52:46,849 --> 00:52:44,940

have to think about what I'm gonna say

1345

00:52:49,309 --> 00:52:46,859

before I say it or I don't have to

1346

00:52:50,510 --> 00:52:49,319

self-censor you know no there's

1347

00:52:52,670 --> 00:52:50,520

definitely not that going on that's just

1348

00:52:54,470 --> 00:52:52,680

people going full board all the time uh

1349

00:52:56,450 --> 00:52:54,480

yeah I had two guys get into an argument

1350

00:52:58,190 --> 00:52:56,460

this morning about so many of those like

1351
00:52:59,630 --> 00:52:58,200
you need to have an experience yourself

1352
00:53:00,770 --> 00:52:59,640
do you understand other guys like I

1353
00:53:03,349 --> 00:53:00,780
haven't experience here and I was like

1354
00:53:04,849 --> 00:53:03,359
mute all right guys calm down for a

1355
00:53:06,410 --> 00:53:04,859
minute yeah we're not gonna like argue

1356
00:53:07,849 --> 00:53:06,420
who got to see the most hot aliens you

1357
00:53:09,650 --> 00:53:07,859
know let's chill yeah but one thing I

1358
00:53:11,630 --> 00:53:09,660
will say is that we used to we were

1359
00:53:13,370 --> 00:53:11,640
doing these panel shows here where we'd

1360
00:53:14,150 --> 00:53:13,380
have like eight or ten people at once

1361
00:53:19,490 --> 00:53:14,160
and

1362
00:53:21,470 --> 00:53:19,500
it gets crazy yeah moderator spaces is a

1363
00:53:23,210 --> 00:53:21,480

little easier to manage all those people

1364

00:53:25,970 --> 00:53:23,220

because only one person can talk at a

1365

00:53:29,690 --> 00:53:25,980

time or you know things like that right

1366

00:53:31,849 --> 00:53:29,700

yeah yeah Kimball Mortensen with kind of

1367

00:53:33,890 --> 00:53:31,859

generous 1999 says this is such a great

1368

00:53:36,470 --> 00:53:33,900

show rapid fire questions for each of

1369

00:53:38,690 --> 00:53:36,480

you what are your top two researchers

1370

00:53:41,690 --> 00:53:38,700

and then one solid researcher you think

1371

00:53:44,750 --> 00:53:41,700

people are sleeping on

1372

00:53:47,450 --> 00:53:44,760

um yeah I I don't I don't it's really

1373

00:53:51,069 --> 00:53:47,460

hard to say there's so few I can count

1374

00:53:54,530 --> 00:53:51,079

the good researchers on one hand I still

1375

00:53:57,770 --> 00:53:54,540

what I do yeah two or three what I do is

1376

00:53:59,390 --> 00:53:57,780

I have categories I have or baskets I

1377

00:54:01,549 --> 00:53:59,400

have the black basket for all the

1378

00:54:03,650 --> 00:54:01,559

grifters and scammers and whatever that

1379

00:54:05,150 --> 00:54:03,660

but they don't get there unless I'm sure

1380

00:54:07,069 --> 00:54:05,160

they're grifting and scamming and

1381

00:54:09,410 --> 00:54:07,079

selling fake nonsense I have a gray

1382

00:54:11,690 --> 00:54:09,420

basket and I have a and I have a white

1383

00:54:13,190 --> 00:54:11,700

hat basket and it quite honestly there's

1384

00:54:15,890 --> 00:54:13,200

only a few people in that white hat

1385

00:54:18,049 --> 00:54:15,900

basket like alien scientist is still

1386

00:54:20,650 --> 00:54:18,059

credible and he's a real science guy

1387

00:54:23,030 --> 00:54:20,660

he's got a Physics degree

1388

00:54:25,910 --> 00:54:23,040

killed it on concrete we've been friends

1389

00:54:29,089 --> 00:54:25,920

for a long time here right and he really

1390

00:54:31,670 --> 00:54:29,099

is passionate about the science of how

1391

00:54:34,549 --> 00:54:31,680

these things may work and operate yeah

1392

00:54:37,430 --> 00:54:34,559

and so he's great I like John from The

1393

00:54:39,290 --> 00:54:37,440

Black Vault and of course Mick West I

1394

00:54:41,150 --> 00:54:39,300

like Mick West because he's the only guy

1395

00:54:43,730 --> 00:54:41,160

that I know in the world of UFO pose

1396

00:54:47,930 --> 00:54:43,740

that pisses off more people than me so

1397

00:54:50,990 --> 00:54:47,940

that's my three he's so nice he's super

1398

00:54:52,370 --> 00:54:51,000

nice yeah in fact I think he he doesn't

1399

00:54:54,650 --> 00:54:52,380

want to come here and do an interview

1400

00:54:56,270 --> 00:54:54,660

because I I think he thinks that I'm too

1401
00:54:59,089 --> 00:54:56,280
harsh to people or something you know

1402
00:55:01,849 --> 00:54:59,099
but he's not polite to say it he's super

1403
00:55:03,349 --> 00:55:01,859
nice yeah those are my three you can

1404
00:55:05,150 --> 00:55:03,359
list your three and thank you Kimball

1405
00:55:08,770 --> 00:55:05,160
Mortensen for your kindness generosity

1406
00:55:10,970 --> 00:55:08,780
and support that'll go right now

1407
00:55:13,130 --> 00:55:10,980
you can bring your friends all the time

1408
00:55:16,010 --> 00:55:13,140
to go throw money at us like this praise

1409
00:55:18,290 --> 00:55:16,020
the cash praise the cash baby yeah

1410
00:55:20,150 --> 00:55:18,300
that's my uh I co-host UFO intros with

1411
00:55:22,190 --> 00:55:20,160
him that's my boy right there

1412
00:55:24,470 --> 00:55:22,200
um you know and like

1413
00:55:26,210 --> 00:55:24,480

so if I had to pay okay uh not going

1414

00:55:28,450 --> 00:55:26,220

like with classic guys I have like

1415

00:55:32,210 --> 00:55:28,460

McDonald's or whatever

1416

00:55:34,250 --> 00:55:32,220

yeah I'd have to go with uh Jim Mars uh

1417

00:55:36,530 --> 00:55:34,260

Jim Mars was the [h__h] uh it was great

1418

00:55:38,390 --> 00:55:36,540

yeah he he was just like and he and he

1419

00:55:39,890 --> 00:55:38,400

would teach you s the esoteric stuff in

1420

00:55:41,630 --> 00:55:39,900

a way or the occult the occult history

1421

00:55:42,890 --> 00:55:41,640

of his book and all that in a way that

1422

00:55:43,970 --> 00:55:42,900

just made sense and in fact if you can

1423

00:55:46,069 --> 00:55:43,980

find some of his lectures on

1424

00:55:47,690 --> 00:55:46,079

monatomics and monoatomic gold and

1425

00:55:49,549 --> 00:55:47,700

Alchemy they're in they're hard to find

1426

00:55:52,130 --> 00:55:49,559

but they're super good

1427

00:55:54,290 --> 00:55:52,140

and I'm gonna have to throw it to my boy

1428

00:55:56,210 --> 00:55:54,300

Chris Bartell he changed my entire

1429

00:55:57,410 --> 00:55:56,220

outlook on all of this and he's given me

1430

00:55:59,390 --> 00:55:57,420

the strength to continue trying to get

1431

00:56:01,130 --> 00:55:59,400

the truth out at least for him

1432

00:56:02,329 --> 00:56:01,140

um you know he's had his journey he said

1433

00:56:04,069 --> 00:56:02,339

he's done with it but he was out there

1434

00:56:06,109 --> 00:56:04,079

doing solid research and

1435

00:56:08,270 --> 00:56:06,119

when I listen to him talk man it opened

1436

00:56:11,510 --> 00:56:08,280

up the whole world it opened up the the

1437

00:56:13,370 --> 00:56:11,520

whole world for me and uh and then on

1438

00:56:15,650 --> 00:56:13,380

top of that yeah I really I really

1439

00:56:18,349 --> 00:56:15,660

enjoyed there was this for those unaware

1440

00:56:20,930 --> 00:56:18,359

there was this Twitter spaces that UFO

1441

00:56:23,329 --> 00:56:20,940

Shane was running or in and

1442

00:56:26,390 --> 00:56:23,339

Jesus this guy just came and Spilled

1443

00:56:28,309 --> 00:56:26,400

like all the tea on early Skinwalker

1444

00:56:30,410 --> 00:56:28,319

Ranch stuff that I've never done it

1445

00:56:32,930 --> 00:56:30,420

before so we're gonna try to bring him

1446

00:56:34,609 --> 00:56:32,940

here and have him do that again

1447

00:56:37,250 --> 00:56:34,619

yeah he's probably listening I think

1448

00:56:39,890 --> 00:56:37,260

what's up Chris he should be I told him

1449

00:56:41,150 --> 00:56:39,900

um yeah and then so I don't know if a

1450

00:56:42,530 --> 00:56:41,160

lot of people in here Know Carl the

1451
00:56:43,730 --> 00:56:42,540
crusher he's got like three million Subs

1452
00:56:45,349 --> 00:56:43,740
on YouTube but he's a good friend of

1453
00:56:48,049 --> 00:56:45,359
mine he's he's the [h__h]

1454
00:56:52,390 --> 00:56:48,059
um there's also a lot of controversy in

1455
00:56:59,049 --> 00:56:52,400
some of those spaces yes

1456
00:57:04,250 --> 00:57:02,510
my spaces don't do that so uh I've only

1457
00:57:05,990 --> 00:57:04,260
ever had one guy openly declared he was

1458
00:57:07,250 --> 00:57:06,000
a Nazi and he ain't allowed no more I

1459
00:57:10,130 --> 00:57:07,260
mean literally I have Jewish Heritage so

1460
00:57:12,290 --> 00:57:10,140
it's like bruh like get out of here dude

1461
00:57:14,870 --> 00:57:12,300
like I'm good uh but you know it's just

1462
00:57:17,329 --> 00:57:14,880
a it's a mixed bag man it's a mixed bag

1463
00:57:19,190 --> 00:57:17,339

of people and uh you know but yeah like

1464

00:57:20,690 --> 00:57:19,200

I was saying Carl Carl the crusher um

1465

00:57:22,849 --> 00:57:20,700

he's taught me a lot about the Native

1466

00:57:24,109 --> 00:57:22,859

American aspect of this and like we were

1467

00:57:27,829 --> 00:57:24,119

talking about earlier with Nick Pope's

1468

00:57:29,329 --> 00:57:27,839

you know stupid wife allegedly she won't

1469

00:57:31,370 --> 00:57:29,339

give these things I'm pretty sure you

1470

00:57:34,309 --> 00:57:31,380

could say she's stupid she's stupid for

1471

00:57:37,670 --> 00:57:34,319

doing that and selfish and self-centered

1472

00:57:39,829 --> 00:57:37,680

and ridiculous and also don't you think

1473

00:57:41,690 --> 00:57:39,839

like in the world of like super cancel

1474

00:57:43,490 --> 00:57:41,700

culture now where everybody's so

1475

00:57:46,069 --> 00:57:43,500

sensitive about things you would be

1476
00:57:47,510 --> 00:57:46,079
extra sensitive to native peoples do you

1477
00:57:48,829 --> 00:57:47,520
know what I mean but she's got all that

1478
00:57:50,630 --> 00:57:48,839
money man she's living in this whole

1479
00:57:53,690 --> 00:57:50,640
like she's getting like UFO yeah like I

1480
00:57:55,970 --> 00:57:53,700
was Finding I was Finding arrowheads

1481
00:57:57,890 --> 00:57:55,980
around my cabin and I started yeah

1482
00:58:00,290 --> 00:57:57,900
collecting them up and then and then I

1483
00:58:02,510 --> 00:58:00,300
met in a local Native American he runs

1484
00:58:05,089 --> 00:58:02,520
like a shop and uh it sells those kind

1485
00:58:06,650 --> 00:58:05,099
of things and I asked him like you know

1486
00:58:08,329 --> 00:58:06,660
I'm finding a lot of these is it okay

1487
00:58:10,910 --> 00:58:08,339
that I'm collecting him and he said sure

1488
00:58:13,670 --> 00:58:10,920

you're honoring our ancestors that's

1489

00:58:15,410 --> 00:58:13,680

fine but if he had asked me to give them

1490

00:58:17,750 --> 00:58:15,420

back to him or give them the I would

1491

00:58:19,069 --> 00:58:17,760

have here you go you know

1492

00:58:21,170 --> 00:58:19,079

yeah we don't have any right to keep

1493

00:58:23,089 --> 00:58:21,180

that stuff man yeah there's a lot of uh

1494

00:58:24,890 --> 00:58:23,099

there's a lot of Like Flint arrowheads

1495

00:58:27,349 --> 00:58:24,900

and weird things that you can find in

1496

00:58:28,790 --> 00:58:27,359

the in the mountains you know yeah and

1497

00:58:30,770 --> 00:58:28,800

that's the thing about the like this the

1498

00:58:32,150 --> 00:58:30,780

spiritual grift right like you don't

1499

00:58:33,710 --> 00:58:32,160

need that you don't need these Yogi

1500

00:58:35,390 --> 00:58:33,720

healers like not even like the real

1501
00:58:37,130 --> 00:58:35,400
Hindu guys right I love the rig vadism

1502
00:58:40,370 --> 00:58:37,140
and the bhagavad-gita laborator like I

1503
00:58:42,170 --> 00:58:40,380
love Hinduism it's like it's my jam but

1504
00:58:43,849 --> 00:58:42,180
especially when you live in the states

1505
00:58:45,049 --> 00:58:43,859
you want to know about spirituality you

1506
00:58:46,250 --> 00:58:45,059
want to know about Consciousness and

1507
00:58:47,870 --> 00:58:46,260
things like that go to a reservation

1508
00:58:49,430 --> 00:58:47,880
meet the elders talk to them talk about

1509
00:58:51,770 --> 00:58:49,440
their teachings learn stuff you were

1510
00:58:53,870 --> 00:58:51,780
never taught in school we sit here in

1511
00:58:56,569 --> 00:58:53,880
the United States I was right I'm 35

1512
00:58:58,190 --> 00:58:56,579
years old I was raised in the South I

1513
00:58:59,930 --> 00:58:58,200

was raised in a town that was named

1514

00:59:04,150 --> 00:58:59,940

after Native Americans I was never

1515

00:59:08,089 --> 00:59:06,829

it's bullcrap I was just taught that we

1516

00:59:09,289 --> 00:59:08,099

took all the stuff from them and that's

1517

00:59:12,049 --> 00:59:09,299

just how it is that's literally what I

1518

00:59:13,549 --> 00:59:12,059

was taught in school like what what are

1519

00:59:15,589 --> 00:59:13,559

you talking about man

1520

00:59:17,870 --> 00:59:15,599

yeah I guess I guess when I was younger

1521

00:59:19,670 --> 00:59:17,880

I actively sought out information about

1522

00:59:21,289 --> 00:59:19,680

Native Americans because I was in a Boy

1523

00:59:22,809 --> 00:59:21,299

Scouts and some of the a lot of the

1524

00:59:26,230 --> 00:59:22,819

camps were on I didn't join order

1525

00:59:29,390 --> 00:59:26,240

because I thought it was a cult

1526
00:59:31,069 --> 00:59:29,400
though I think I was and I never got my

1527
00:59:33,470 --> 00:59:31,079
Eagle Scout it's a big regret in my life

1528
00:59:35,930 --> 00:59:33,480
I got right before it and then girls

1529
00:59:37,250 --> 00:59:35,940
happened and I totally lost interest you

1530
00:59:38,990 --> 00:59:37,260
know yeah I was the dude who was still

1531
00:59:40,190 --> 00:59:39,000
like 18 like because he really gotta

1532
00:59:42,549 --> 00:59:40,200
kicked me out of here man I love going

1533
00:59:44,690 --> 00:59:42,559
camping though

1534
00:59:47,030 --> 00:59:44,700
well in my neighborhood you would then

1535
00:59:48,890 --> 00:59:47,040
become like a helper to the scout master

1536
00:59:50,690 --> 00:59:48,900
and still and still hang out and come

1537
00:59:52,430 --> 00:59:50,700
along you know yeah but then girls came

1538
00:59:54,170 --> 00:59:52,440

along for me too and I was like um I

1539

00:59:56,030 --> 00:59:54,180

don't know for me that was tremendously

1540

00:59:58,130 --> 00:59:56,040

good because I grew up in the hood in

1541

00:59:59,809 --> 00:59:58,140

the city so getting to see like you know

1542

01:00:02,089 --> 00:59:59,819

the woods and stuff oh dude you're

1543

01:00:03,589 --> 01:00:02,099

kidding it was awesome yeah I grew up I

1544

01:00:04,870 --> 01:00:03,599

grew up in the woods in the Ozarks man I

1545

01:00:07,309 --> 01:00:04,880

grew up in the mountains of Arkansas so

1546

01:00:09,349 --> 01:00:07,319

uh you know it sounds interesting and

1547

01:00:11,150 --> 01:00:09,359

thank you as man who says Steven's lamp

1548

01:00:13,190 --> 01:00:11,160

is contagious thank you for trying this

1549

01:00:16,870 --> 01:00:13,200

generosity and support it's fantastic

1550

01:00:18,890 --> 01:00:16,880

says where's Shelley miscavige that's uh

1551

01:00:20,809 --> 01:00:18,900

that's the dude the leader of the

1552

01:00:23,329 --> 01:00:20,819

scientology's wife and so in my spaces

1553

01:00:24,770 --> 01:00:23,339

she's been missing for a long time dude

1554

01:00:26,089 --> 01:00:24,780

yeah I'll do a thing where you know you

1555

01:00:27,530 --> 01:00:26,099

have the thumbs down option I'd be like

1556

01:00:28,670 --> 01:00:27,540

hey everybody let's just take a break

1557

01:00:29,750 --> 01:00:28,680

for a minute and just give Hearts to

1558

01:00:31,970 --> 01:00:29,760

everybody out there that's struggling

1559

01:00:32,990 --> 01:00:31,980

let's just give Hearts just do hearts

1560

01:00:34,970 --> 01:00:33,000

and then I'll be like and then also

1561

01:00:37,430 --> 01:00:34,980

while we're talking about stuff what

1562

01:00:39,789 --> 01:00:37,440

where's Shelly David where's she at

1563

01:00:41,630 --> 01:00:39,799

where's Shelia David

1564

01:00:43,250 --> 01:00:41,640

was a liar

1565

01:00:44,930 --> 01:00:43,260

if you have the biggest grifter of all

1566

01:00:47,390 --> 01:00:44,940

time you know out there with Parsons out

1567

01:00:49,490 --> 01:00:47,400

there trying to summon a demon uh you

1568

01:00:50,990 --> 01:00:49,500

know it's crazy stuff man and then I got

1569

01:00:53,270 --> 01:00:51,000

a whole church going on man the grift is

1570

01:00:54,650 --> 01:00:53,280

real it's just stronger man if they're

1571

01:00:57,170 --> 01:00:54,660

riding these waves dude straight to the

1572

01:00:58,789 --> 01:00:57,180

money bank I just don't understand like

1573

01:00:59,930 --> 01:00:58,799

like I've had a lot of money before in

1574

01:01:02,569 --> 01:00:59,940

my life and stuff like that and I try to

1575

01:01:04,789 --> 01:01:02,579

help people when I had that if I had if

1576

01:01:06,770 --> 01:01:04,799

I somehow sold a course

1577

01:01:08,329 --> 01:01:06,780

God forbid if that ever happens please

1578

01:01:10,490 --> 01:01:08,339

somebody take me out please God for my

1579

01:01:12,049 --> 01:01:10,500

own my own safety but if I had money

1580

01:01:13,910 --> 01:01:12,059

right if I ever got 10 million dollars

1581

01:01:15,589 --> 01:01:13,920

from whatever dude I'd go to Antarctica

1582

01:01:17,210 --> 01:01:15,599

like you said I'd I'd try to figure out

1583

01:01:19,130 --> 01:01:17,220

these answers to this heck I would I

1584

01:01:20,809 --> 01:01:19,140

would pay for that damn thing so I could

1585

01:01:22,789 --> 01:01:20,819

be launched up in the stupid you know

1586

01:01:23,870 --> 01:01:22,799

penis-shaped aircraft that do has and

1587

01:01:25,789 --> 01:01:23,880

I'd go up there and watch How to see the

1588

01:01:27,410 --> 01:01:25,799

blacklight side myself

1589

01:01:29,809 --> 01:01:27,420

if I do something

1590

01:01:32,569 --> 01:01:29,819

make any steps forward

1591

01:01:33,770 --> 01:01:32,579

to to find an answer because something's

1592

01:01:34,970 --> 01:01:33,780

happening here but you're all too busy

1593

01:01:37,609 --> 01:01:34,980

line to figure out what the hell's going

1594

01:01:39,410 --> 01:01:37,619

on I just it it dude it kills me because

1595

01:01:40,910 --> 01:01:39,420

I like I said man in spaces you hear

1596

01:01:43,970 --> 01:01:40,920

people just bleed their heart out to you

1597

01:01:46,569 --> 01:01:43,980

and oh no yeah I I've been listening for

1598

01:01:49,490 --> 01:01:46,579

a longer than I've been participating

1599

01:01:51,049 --> 01:01:49,500

and uh I used to just go in and listen

1600

01:01:53,630 --> 01:01:51,059

or keep it on the background when I was

1601
01:01:55,730 --> 01:01:53,640
working on something and and the the

1602
01:01:58,069 --> 01:01:55,740
experience or stories in some of the

1603
01:02:00,170 --> 01:01:58,079
spaces are very intriguing and

1604
01:02:01,730 --> 01:02:00,180
interesting to me and you can tell that

1605
01:02:03,470 --> 01:02:01,740
these people are genuine they're not

1606
01:02:06,829 --> 01:02:03,480
selling a book They're not they're just

1607
01:02:08,630 --> 01:02:06,839
they wanted somebody to listen and they

1608
01:02:10,430 --> 01:02:08,640
want to be with people that may have had

1609
01:02:12,650 --> 01:02:10,440
similar experiences so that they can

1610
01:02:14,809 --> 01:02:12,660
learn a little more about what happened

1611
01:02:16,849 --> 01:02:14,819
to them and make sense of it and and

1612
01:02:19,130 --> 01:02:16,859
that's a good thing you know I encourage

1613
01:02:20,690 --> 01:02:19,140

yeah yep and you know I've had I've had

1614

01:02:21,589 --> 01:02:20,700

a few times you know you'll get the guys

1615

01:02:23,990 --> 01:02:21,599

will come in there and you're talking

1616

01:02:26,630 --> 01:02:24,000

about the pyramids and UFOs and let's

1617

01:02:29,089 --> 01:02:26,640

walk and be like y'all are all done it's

1618

01:02:30,650 --> 01:02:29,099

demons I read the Bible and it's all

1619

01:02:32,390 --> 01:02:30,660

demons from hell they're flying around

1620

01:02:33,589 --> 01:02:32,400

in spacecrafts and you're like okay dude

1621

01:02:35,569 --> 01:02:33,599

they'll be telling you like it's fact

1622

01:02:36,829 --> 01:02:35,579

though and I'm like well it's cool that

1623

01:02:38,450 --> 01:02:36,839

you believe that and I'm glad that you

1624

01:02:39,950 --> 01:02:38,460

have a belief but if you want me to

1625

01:02:41,870 --> 01:02:39,960

believe it I need to see this oh yeah

1626
01:02:44,030 --> 01:02:41,880
I've heard I've heard somebody in spaces

1627
01:02:46,250 --> 01:02:44,040
say it's all angels and demons and the

1628
01:02:47,809 --> 01:02:46,260
faster they tell us the truth the better

1629
01:02:50,870 --> 01:02:47,819
off all of us will be or something like

1630
01:02:53,750 --> 01:02:50,880
that and I was like well if you say so

1631
01:02:55,490 --> 01:02:53,760
but you know and by the way I I guess

1632
01:02:57,710 --> 01:02:55,500
there's just as much evidence to support

1633
01:02:59,569 --> 01:02:57,720
that as to support their aliens from

1634
01:03:01,730 --> 01:02:59,579
other star systems so I can't really

1635
01:03:04,730 --> 01:03:01,740
argue with them but that's true yeah

1636
01:03:06,829 --> 01:03:04,740
super true yeah man like uh you know I

1637
01:03:08,630 --> 01:03:06,839
get told factual statements all the time

1638
01:03:10,010 --> 01:03:08,640

to have nothing to back it up and if

1639

01:03:11,990 --> 01:03:10,020

anything I'll get linked an article

1640

01:03:13,190 --> 01:03:12,000

it'll link to another article that'll

1641

01:03:14,510 --> 01:03:13,200

link to another article that'll link to

1642

01:03:16,069 --> 01:03:14,520

a book and that book was written by

1643

01:03:17,470 --> 01:03:16,079

someone who was literally like insane

1644

01:03:19,490 --> 01:03:17,480

and it's like okay

1645

01:03:20,990 --> 01:03:19,500

and then you know but it keeps getting

1646

01:03:22,309 --> 01:03:21,000

uh you know it's like it just keeps

1647

01:03:23,750 --> 01:03:22,319

getting a different mask put on it mask

1648

01:03:24,950 --> 01:03:23,760

put on it Mass put on it until you can't

1649

01:03:25,970 --> 01:03:24,960

find the source anymore and all of a

1650

01:03:27,829 --> 01:03:25,980

sudden it's something people believe is

1651

01:03:30,170 --> 01:03:27,839

a true fact and that's just how it works

1652

01:03:32,210 --> 01:03:30,180

you know that's true spooky Says angels

1653

01:03:34,730 --> 01:03:32,220

and demons is a religiously coded frame

1654

01:03:37,190 --> 01:03:34,740

for anomalous experiences

1655

01:03:38,329 --> 01:03:37,200

could be I always tell people if you

1656

01:03:39,589 --> 01:03:38,339

want to believe that then you need to

1657

01:03:41,510 --> 01:03:39,599

find out where if you want to believe

1658

01:03:43,849 --> 01:03:41,520

what what the Bible says and I'm not

1659

01:03:44,990 --> 01:03:43,859

saying anybody's faith is wrong just do

1660

01:03:46,849 --> 01:03:45,000

your just research you know that's what

1661

01:03:49,609 --> 01:03:46,859

I did I was raised

1662

01:03:51,170 --> 01:03:49,619

um I was adopted as a kid uh Jewish

1663

01:03:52,970 --> 01:03:51,180

descent raised by Southern Baptist fan

1664

01:03:55,130 --> 01:03:52,980

and I started asking questions just

1665

01:03:56,270 --> 01:03:55,140

because it's been my nature and I was

1666

01:03:57,530 --> 01:03:56,280

like well let me find out where the King

1667

01:03:58,910 --> 01:03:57,540

James Bible comes from I'm from King

1668

01:04:00,829 --> 01:03:58,920

James that's a real dude okay found out

1669

01:04:02,210 --> 01:04:00,839

what that was about then find out where

1670

01:04:03,829 --> 01:04:02,220

the translations came from then find out

1671

01:04:04,970 --> 01:04:03,839

where Christianity came from oh Hinduism

1672

01:04:06,289 --> 01:04:04,980

and you know you started doing this

1673

01:04:07,430 --> 01:04:06,299

whole thing you're like well

1674

01:04:09,109 --> 01:04:07,440

it's just you know it's just like

1675

01:04:11,390 --> 01:04:09,119

another big mixed bag of stuff and it's

1676

01:04:12,890 --> 01:04:11,400

I just can't say any of that's a fact I

1677

01:04:14,089 --> 01:04:12,900

just don't we have no way to do that in

1678

01:04:16,309 --> 01:04:14,099

my opinion but that's you know everybody

1679

01:04:17,990 --> 01:04:16,319

has their own faith that's fine AI

1680

01:04:19,789 --> 01:04:18,000

Canberra is here and says I subscribe

1681

01:04:21,470 --> 01:04:19,799

never watched this channel before well

1682

01:04:23,150 --> 01:04:21,480

check out some of our shows and I hope

1683

01:04:24,789 --> 01:04:23,160

that you watch some more and thank you

1684

01:04:27,829 --> 01:04:24,799

for for

1685

01:04:29,630 --> 01:04:27,839

she's super sweet we appreciate that now

1686

01:04:32,390 --> 01:04:29,640

of course UFO Shane is going to drag me

1687

01:04:34,930 --> 01:04:32,400

into a five hours Twitter spaces to you

1688

01:04:37,849 --> 01:04:34,940

know to thank you for doing this so

1689

01:04:40,010 --> 01:04:37,859

probably probably I mean you should come

1690

01:04:41,510 --> 01:04:40,020

by I got I'm gonna have a Caleb bench on

1691

01:04:43,609 --> 01:04:41,520

Saturday from Skinwalker Ranch and I'm

1692

01:04:44,690 --> 01:04:43,619

gonna have probably I'm getting worked

1693

01:04:46,010 --> 01:04:44,700

out but I think I'm gonna have Fugal

1694

01:04:48,289 --> 01:04:46,020

call The Crusher and Chris Bartell in

1695

01:04:50,890 --> 01:04:48,299

one two here Sam oh that'll be

1696

01:04:53,690 --> 01:04:50,900

interesting and paranormal Chris is here

1697

01:04:56,569 --> 01:04:53,700

is the best spaces host he needs his own

1698

01:04:58,670 --> 01:04:56,579

YouTube channel podcast Etc yeah

1699

01:05:00,710 --> 01:04:58,680

that's what you gotta do hey you know

1700

01:05:02,990 --> 01:05:00,720

actually I think you could just take the

1701

01:05:05,510 --> 01:05:03,000

recordings from those spaces and make a

1702

01:05:08,809 --> 01:05:05,520

podcast out of it yeah I don't I don't

1703

01:05:10,430 --> 01:05:08,819

require Twitter UFO spaces and just put

1704

01:05:12,289 --> 01:05:10,440

them out you know dude I don't record

1705

01:05:13,549 --> 01:05:12,299

them though because uh that's the thing

1706

01:05:15,530 --> 01:05:13,559

about spaces I don't even record them

1707

01:05:16,970 --> 01:05:15,540

like the only time I record I've had

1708

01:05:18,650 --> 01:05:16,980

special guests that you're famous or

1709

01:05:20,809 --> 01:05:18,660

whatever and I'm recorded space Brandon

1710

01:05:22,670 --> 01:05:20,819

fugel and there are tons of times and uh

1711

01:05:23,690 --> 01:05:22,680

they it's just not the same like when

1712

01:05:25,490 --> 01:05:23,700

they know they're not being recorded

1713

01:05:26,750 --> 01:05:25,500

dude they'll tell you some wild stuff

1714

01:05:29,030 --> 01:05:26,760

that they actually believe and it's like

1715

01:05:31,370 --> 01:05:29,040

oh [h__h] okay like let me look that up

1716

01:05:32,750 --> 01:05:31,380

you know like I had someone tell me that

1717

01:05:34,130 --> 01:05:32,760

AI is sentient and that's what the

1718

01:05:36,170 --> 01:05:34,140

french revolution's going on about right

1719

01:05:37,789 --> 01:05:36,180

now I'm like okay I looked into it and

1720

01:05:40,549 --> 01:05:37,799

some people agree with that and I'm like

1721

01:05:42,530 --> 01:05:40,559

that's crazy you know but uh

1722

01:05:44,089 --> 01:05:42,540

when you record it they're more guarded

1723

01:05:45,470 --> 01:05:44,099

it comes off more like a Jimmy Church

1724

01:05:46,490 --> 01:05:45,480

show or you know what I mean like where

1725

01:05:49,250 --> 01:05:46,500

they're not you know they're trying to

1726

01:05:50,809 --> 01:05:49,260

do like PR kind of thing and I just

1727

01:05:52,609 --> 01:05:50,819

wanna I'm there to find out what the

1728

01:05:55,730 --> 01:05:52,619

heck's going on for me so I don't want

1729

01:05:57,950 --> 01:05:55,740

the same time the Twitter the Twitter

1730

01:06:00,170 --> 01:05:57,960

spaces seems to be a lot less structured

1731

01:06:04,210 --> 01:06:00,180

and a little more focused on just people

1732

01:06:07,730 --> 01:06:06,289

as soon as you open that microphone up

1733

01:06:09,530 --> 01:06:07,740

someone's gonna pop up and be like it's

1734

01:06:11,690 --> 01:06:09,540

the Annunaki they came here for gold

1735

01:06:19,569 --> 01:06:11,700

it's like all right everyone you're

1736

01:06:25,130 --> 01:06:22,670

JD we generally don't delete comments so

1737

01:06:27,170 --> 01:06:25,140

I don't think that that's happening uh

1738

01:06:29,329 --> 01:06:27,180

so you know I don't know what's going on

1739

01:06:31,190 --> 01:06:29,339

well we saw that comment we don't yeah

1740

01:06:33,470 --> 01:06:31,200

we saw your comment we're not the lead

1741

01:06:34,730 --> 01:06:33,480

we don't they don't delete the mods

1742

01:06:37,670 --> 01:06:34,740

don't delete comments unless it's

1743

01:06:41,410 --> 01:06:37,680

personal attacks or or something really

1744

01:06:44,569 --> 01:06:41,420

wacky uh yeah

1745

01:06:47,029 --> 01:06:44,579

yeah paranormal Christmas come on into

1746

01:06:50,569 --> 01:06:47,039

the space Steven yeah I'm gonna make

1747

01:06:54,710 --> 01:06:50,579

some time but like I said I am

1748

01:06:56,930 --> 01:06:54,720

I have uh short on time so I'm one that

1749

01:06:58,670 --> 01:06:56,940

would prefer to not talk like if I'm

1750

01:07:00,770 --> 01:06:58,680

there and one of the things I notice in

1751

01:07:02,630 --> 01:07:00,780

spaces is people will say like oh Steve

1752

01:07:04,309 --> 01:07:02,640

champion's here let's hear what he has to

1753

01:07:06,470 --> 01:07:04,319

say and they don't know that I'm like

1754

01:07:08,990 --> 01:07:06,480

building a cabin and myself making a

1755

01:07:11,990 --> 01:07:09,000

sandwich like what playing yeah like I'm

1756

01:07:14,569 --> 01:07:12,000

I'm not I'm here to listen for now I I

1757

01:07:16,250 --> 01:07:14,579

don't know yeah that's what it happens a

1758

01:07:18,049 --> 01:07:16,260

lot like I don't that's why I used to do

1759

01:07:19,849 --> 01:07:18,059

that a lot and then I've had like DM

1760

01:07:21,170 --> 01:07:19,859

discussions with it and like some people

1761

01:07:22,250 --> 01:07:21,180

um I'm not gonna say names but they've

1762

01:07:23,750 --> 01:07:22,260

had you know

1763

01:07:24,890 --> 01:07:23,760

crazy experiences and stuff and they

1764

01:07:26,329 --> 01:07:24,900

just want to do your stuff they don't

1765

01:07:27,349 --> 01:07:26,339

want to they don't want to really talk

1766

01:07:28,490 --> 01:07:27,359

about it too much they just want to

1767

01:07:29,510 --> 01:07:28,500

listen and try to get some comfort from

1768

01:07:31,130 --> 01:07:29,520

it or they're just like you said making

1769

01:07:32,750 --> 01:07:31,140

a sandwich or building a cabin you know

1770

01:07:34,190 --> 01:07:32,760

but that's the cool part though you

1771

01:07:36,170 --> 01:07:34,200

never know who's gonna pop in man Mick

1772

01:07:38,210 --> 01:07:36,180

West has popped in randomly just a

1773

01:07:39,170 --> 01:07:38,220

squash beef with somebody before it's

1774

01:07:41,410 --> 01:07:39,180

crazy

1775

01:07:43,609 --> 01:07:41,420

you know yeah

1776

01:07:46,549 --> 01:07:43,619

it's definitely an interesting medium

1777

01:07:49,069 --> 01:07:46,559

I'm still you know but I'm incredibly

1778

01:07:51,349 --> 01:07:49,079

self-serving sometimes worrying about my

1779

01:07:53,930 --> 01:07:51,359

show so I was thinking how do I get in

1780

01:07:56,089 --> 01:07:53,940

there and then put it on my show too so

1781

01:07:58,069 --> 01:07:56,099

we're gonna try to figure that out UFOs

1782

01:08:00,770 --> 01:07:58,079

could be like a radio show thing yeah

1783

01:08:03,529 --> 01:08:00,780

like a simulcast we'll be on our show

1784

01:08:06,410 --> 01:08:03,539

here live are you listening and and and

1785

01:08:08,089 --> 01:08:06,420

also be in the space at the same time I

1786

01:08:10,069 --> 01:08:08,099

think I could just share the space so

1787

01:08:12,529 --> 01:08:10,079

we're gonna have to do a joint space

1788

01:08:14,930 --> 01:08:12,539

with you and me and then I'll put it on

1789

01:08:16,970 --> 01:08:14,940

the show as well you might do the entire

1790

01:08:20,030 --> 01:08:16,980

show from Australia Mike just do it all

1791

01:08:21,470 --> 01:08:20,040

from Brisbane it'll be beautiful

1792

01:08:22,490 --> 01:08:21,480

but yeah it's

1793

01:08:23,450 --> 01:08:22,500

um you know what I wanted to bring up

1794

01:08:25,249 --> 01:08:23,460

another thing we talked about a little

1795

01:08:27,169 --> 01:08:25,259

bit before this uh Michael tellinger do

1796

01:08:29,749 --> 01:08:27,179

you know who that is

1797

01:08:31,809 --> 01:08:29,759

I have heard the name and it rings a

1798

01:08:34,010 --> 01:08:31,819

bell but I don't know about this latest

1799

01:08:36,650 --> 01:08:34,020

controversial uh I think a few people

1800

01:08:39,289 --> 01:08:36,660

have brought it up to me so explain this

1801

01:08:41,450 --> 01:08:39,299

Michael tellinger thing to me all right

1802

01:08:44,150 --> 01:08:41,460

I will uh passionately

1803

01:08:46,370 --> 01:08:44,160

so there I was no so um are you whenever

1804

01:08:47,809 --> 01:08:46,380

I used to be into this um I really liked

1805

01:08:50,150 --> 01:08:47,819

Michael tellinger but I was also kind of

1806

01:08:51,470 --> 01:08:50,160

the Annunaki thing at the time and he's

1807

01:08:53,090 --> 01:08:51,480

in South Africa and he's like there's

1808

01:08:54,709 --> 01:08:53,100

all these spits man these

1809

01:08:56,630 --> 01:08:54,719

electromagnetic waves you can tell where

1810

01:08:58,189 --> 01:08:56,640

the anunnaki's bases were and like I've

1811

01:09:00,709 --> 01:08:58,199

I've started to stop caring so little

1812

01:09:01,610 --> 01:09:00,719

that like in Leo and all that stuff and

1813

01:09:03,349 --> 01:09:01,620

he's like this is where we were

1814

01:09:05,570 --> 01:09:03,359

genetically made and I'm like

1815

01:09:07,689 --> 01:09:05,580

what like you have no proof of this and

1816

01:09:11,390 --> 01:09:07,699

he's like okay

1817

01:09:13,610 --> 01:09:11,400

though right yeah well it gets better so

1818

01:09:15,829 --> 01:09:13,620

then there's this dude on YouTube his

1819

01:09:18,650 --> 01:09:15,839

name is mud fossil University

1820

01:09:21,349 --> 01:09:18,660

and his whole thing is is that mud

1821

01:09:23,870 --> 01:09:21,359

fossils are soft tissue that falls in

1822

01:09:25,430 --> 01:09:23,880

the mud and gets fossilized into a rock

1823

01:09:28,970 --> 01:09:25,440

well Michael tellinger gets into this

1824

01:09:30,590 --> 01:09:28,980

mud fossil thing and he no crap has a

1825

01:09:31,669 --> 01:09:30,600

table with rocks he's like you see this

1826

01:09:49,150 --> 01:09:31,679

right here

1827

01:09:53,329 --> 01:09:52,130

like pay me money to come out here and

1828

01:09:55,010 --> 01:09:53,339

I'll take there's a there's a big

1829

01:09:57,530 --> 01:09:55,020

Giant's foot in front in the side of

1830

01:09:59,689 --> 01:09:57,540

like uh some really hard course Rock oh

1831

01:10:01,250 --> 01:09:59,699

my God he goes out there and it does

1832

01:10:02,930 --> 01:10:01,260

dude it does look like a foot but

1833

01:10:04,970 --> 01:10:02,940

there's no way I mean it's it's

1834

01:10:06,770 --> 01:10:04,980

obviously some freak of nature I mean a

1835

01:10:08,810 --> 01:10:06,780

thing stuff does happen you know okay

1836

01:10:10,729 --> 01:10:08,820

don't ruin the grift for the guy come on

1837

01:10:12,709 --> 01:10:10,739

oh my bad it is definitely a Giant's

1838

01:10:14,209 --> 01:10:12,719

foot 100

1839

01:10:16,970 --> 01:10:14,219

um I think I did the math one time and

1840

01:10:19,010 --> 01:10:16,980

the giant would be like 60 feet tall so

1841

01:10:22,550 --> 01:10:19,020

this guy just starts finding rocks and

1842

01:10:24,169 --> 01:10:22,560

seeing their mud fossils you know the

1843

01:10:26,149 --> 01:10:24,179

Elephant Island the elephant in like the

1844

01:10:28,310 --> 01:10:26,159

in Asia it looks like an elephant you

1845

01:10:30,290 --> 01:10:28,320

ever seen that oh sure yeah yeah okay

1846

01:10:31,729 --> 01:10:30,300

well my fossil university has this

1847

01:10:33,830 --> 01:10:31,739

entire episode where he's like you can

1848

01:10:36,310 --> 01:10:33,840

see the blood vessels you can see them

1849

01:10:39,110 --> 01:10:36,320

right there you see the blood

1850

01:10:40,250 --> 01:10:39,120

bro it's just rocks man like what are

1851

01:10:41,510 --> 01:10:40,260

you talking about like it just looks

1852

01:10:44,149 --> 01:10:41,520

like an elephant it does look a lot like

1853

01:10:46,189 --> 01:10:44,159

an elephant but I just you know why

1854

01:10:47,990 --> 01:10:46,199

would this giant elephant die standing

1855

01:10:49,669 --> 01:10:48,000

up I mean if there were giant elephants

1856

01:10:50,930 --> 01:10:49,679

like in the rig Vedas and stuff why

1857

01:10:53,930 --> 01:10:50,940

would it die standing up and then be

1858

01:10:56,090 --> 01:10:53,940

fossilized like it makes no sense and

1859

01:10:57,950 --> 01:10:56,100

then microtones is just like he holds up

1860

01:11:00,770 --> 01:10:57,960

this big orange Rock and he's like it's

1861

01:11:02,450 --> 01:11:00,780

a Giant's kidney oh my God you just

1862

01:11:04,250 --> 01:11:02,460

picked a specific organ team not it's a

1863

01:11:05,510 --> 01:11:04,260

Giant's organ it's a kidney because you

1864

01:11:08,090 --> 01:11:05,520

can see like the blood vessel starting

1865

01:11:10,550 --> 01:11:08,100

to the rock or whatever and it's so full

1866

01:11:11,930 --> 01:11:10,560

of crap this dude is uh he's losing his

1867

01:11:13,850 --> 01:11:11,940

freaking mind dude I think these people

1868

01:11:15,530 --> 01:11:13,860

start gripping so long they just either

1869

01:11:17,510 --> 01:11:15,540

go all in or just slowly lose their

1870

01:11:20,750 --> 01:11:17,520

their ability to like he's got a hunter

1871

01:11:23,270 --> 01:11:20,760

he's got 128 000 subscribers because

1872

01:11:25,310 --> 01:11:23,280

he's uncovering the truth and covering

1873

01:11:27,470 --> 01:11:25,320

the truths on Gaia

1874

01:11:28,669 --> 01:11:27,480

H he's on there with Meredith and all

1875

01:11:30,770 --> 01:11:28,679

them talking about this stuff and it's

1876

01:11:32,270 --> 01:11:30,780

just like it hurts to watch it and I

1877

01:11:34,490 --> 01:11:32,280

kick myself for believing I used to love

1878

01:11:35,930 --> 01:11:34,500

him man I used to love him and that's

1879

01:11:37,850 --> 01:11:35,940

that's the thing though I used to love

1880

01:11:40,610 --> 01:11:37,860

all these guys and then I go into spaces

1881

01:11:43,250 --> 01:11:40,620

I'm like what about this guy yeah he's

1882

01:11:45,470 --> 01:11:43,260

not so great oh what about this guy yeah

1883

01:11:46,910 --> 01:11:45,480

also not so great I'm like okay and it's

1884

01:11:48,890 --> 01:11:46,920

not like personal stuff it's not like

1885

01:11:50,990 --> 01:11:48,900

they have a criminal record or this it's

1886

01:11:52,790 --> 01:11:51,000

like they literally are stealing and

1887

01:11:55,070 --> 01:11:52,800

fraudulently grifting from people it's

1888

01:11:57,050 --> 01:11:55,080

not you know they're currently doing

1889

01:12:00,950 --> 01:11:57,060

this and it's they're selling garbage

1890

01:12:02,930 --> 01:12:00,960

yeah yep yep you know I uh the last time

1891

01:12:04,250 --> 01:12:02,940

I was uh your last show someone uh down

1892

01:12:05,209 --> 01:12:04,260

in the comments had mentioned Heidi

1893

01:12:06,890 --> 01:12:05,219

Hollis

1894

01:12:08,209 --> 01:12:06,900

uh from coast to coast and she does the

1895

01:12:11,450 --> 01:12:08,219

Hat Man stuff

1896

01:12:12,649 --> 01:12:11,460

and uh she copyrighted that and a lot of

1897

01:12:13,910 --> 01:12:12,659

people in spaces were giving her a lot

1898

01:12:16,370 --> 01:12:13,920

of grief for that

1899

01:12:18,350 --> 01:12:16,380

um her book is seven dollars all right

1900

01:12:19,610 --> 01:12:18,360

she's giving away that book tons of tons

1901

01:12:20,390 --> 01:12:19,620

of people that email because a lot of

1902

01:12:22,729 --> 01:12:20,400

people are having this hat man

1903

01:12:24,050 --> 01:12:22,739

phenomenon happen a lot of them are

1904

01:12:26,450 --> 01:12:24,060

and I was like well she's not really

1905

01:12:28,370 --> 01:12:26,460

grifting if her book is seven dollars

1906

01:12:30,290 --> 01:12:28,380

you know what I mean like it's not

1907

01:12:32,630 --> 01:12:30,300

exactly yeah like she's not doing 300

1908

01:12:34,010 --> 01:12:32,640

courses and she's super sweet and so

1909

01:12:35,030 --> 01:12:34,020

that's you got to be careful you know

1910

01:12:37,430 --> 01:12:35,040

when you're doing the grip things like

1911

01:12:38,810 --> 01:12:37,440

she copyrighted it because she's having

1912

01:12:40,790 --> 01:12:38,820

these production companies call her

1913

01:12:42,229 --> 01:12:40,800

referencing her book and then not

1914

01:12:43,610 --> 01:12:42,239

putting her on the project but still

1915

01:12:45,350 --> 01:12:43,620

using her references but because they

1916

01:12:47,330 --> 01:12:45,360

know they can get away with it but they

1917

01:12:49,010 --> 01:12:47,340

call her and and so she copyrighted it

1918

01:12:50,649 --> 01:12:49,020

that's why she did it not because she

1919

01:12:53,689 --> 01:12:50,659

copyrighted the phenomenon

1920

01:12:54,950 --> 01:12:53,699

that makes sense yeah yeah and uh you

1921

01:12:56,390 --> 01:12:54,960

just got to be real careful sometimes

1922

01:12:58,250 --> 01:12:56,400

because she's you know it's uh oh and

1923

01:12:59,930 --> 01:12:58,260

just to be clear like I have no problem

1924

01:13:02,209 --> 01:12:59,940

with people who are selling books and

1925

01:13:04,189 --> 01:13:02,219

stuff like that it's the scammy end of

1926

01:13:06,770 --> 01:13:04,199

it like that you know

1927

01:13:09,110 --> 01:13:06,780

you know if I'm selling a documentary

1928

01:13:11,030 --> 01:13:09,120

based on trust me dude and Anonymous

1929

01:13:13,610 --> 01:13:11,040

sources that's grifty to me that's

1930

01:13:15,709 --> 01:13:13,620

scammy but if people are actually just

1931

01:13:18,110 --> 01:13:15,719

presenting research and making

1932

01:13:19,490 --> 01:13:18,120

documentaries or books I have no problem

1933

01:13:21,950 --> 01:13:19,500

with that

1934

01:13:23,990 --> 01:13:21,960

you know well it's just really

1935

01:13:27,290 --> 01:13:24,000

Fantastical crap that I really like

1936

01:13:29,950 --> 01:13:27,300

these super soldier weirdos there I was

1937

01:13:32,770 --> 01:13:29,960

fighting in the med Bay on Mars

1938

01:13:34,910 --> 01:13:32,780

yes

1939

01:13:37,250 --> 01:13:34,920

they brought me back and reconstructed

1940

01:13:39,350 --> 01:13:37,260

my form as you see before you I'm 274

1941

01:13:42,010 --> 01:13:39,360

pounds of pure muscle I fought for my

1942

01:13:44,689 --> 01:13:42,020

Planet I mean country yeah

1943

01:13:47,390 --> 01:13:44,699

you'll buy it anyway it's so funny those

1944

01:13:50,209 --> 01:13:47,400

guys all look like old fat dudes except

1945

01:13:52,729 --> 01:13:50,219

for one guy Ismail Perez the rest of

1946

01:13:54,070 --> 01:13:52,739

them all look like you know they're just

1947

01:13:57,410 --> 01:13:54,080

a mess

1948

01:13:58,610 --> 01:13:57,420

all the DNA tests I bet he does I bet he

1949

01:14:01,189 --> 01:13:58,620

does

1950

01:14:03,350 --> 01:14:01,199

I I would gladly eat crow

1951

01:14:04,910 --> 01:14:03,360

if mud fossils turn out to be real I'll

1952

01:14:06,169 --> 01:14:04,920

eat it I'll literally go get a live Crow

1953

01:14:08,090 --> 01:14:06,179

and eat it

1954

01:14:09,950 --> 01:14:08,100

it's not gonna happen

1955

01:14:12,169 --> 01:14:09,960

uh oh

1956

01:14:14,810 --> 01:14:12,179

it's some sick part of me wants to see

1957

01:14:17,330 --> 01:14:14,820

you do that a live crowd you're gonna

1958

01:14:18,770 --> 01:14:17,340

eat a live bird I mean I don't have to

1959

01:14:20,810 --> 01:14:18,780

because there's no way that I've

1960

01:14:22,310 --> 01:14:20,820

literally I've written this extensively

1961

01:14:23,630 --> 01:14:22,320

from like other researchers at Ivy

1962

01:14:27,229 --> 01:14:23,640

League research and it's all bull crap

1963

01:14:29,030 --> 01:14:27,239

this is all news to me Roger from mud

1964

01:14:30,950 --> 01:14:29,040

fossil University is hard to get your

1965

01:14:33,610 --> 01:14:30,960

mind now I have a project for tonight

1966

01:14:37,130 --> 01:14:33,620

I'm going to go down the mud fossil

1967

01:14:39,050 --> 01:14:37,140

Rabbit Hole like this how fun bizarre

1968

01:14:40,310 --> 01:14:39,060

you know yeah Roger sounds like a good

1969

01:14:42,050 --> 01:14:40,320

dude I wanted to make that really clear

1970

01:14:43,430 --> 01:14:42,060

he really believes what he's saying like

1971

01:14:45,050 --> 01:14:43,440

and he sounds like a guy who's really

1972

01:14:46,370 --> 01:14:45,060

passionate about his research it's

1973

01:14:48,649 --> 01:14:46,380

really Michael tellinger I have a

1974

01:14:50,270 --> 01:14:48,659

problem with because he's just picking

1975

01:14:51,770 --> 01:14:50,280

up rocks on the side of the of the road

1976

01:14:55,250 --> 01:14:51,780

in South Africa and going this is a

1977

01:14:57,830 --> 01:14:56,750

Giant and it's like just a rock you're

1978

01:14:59,630 --> 01:14:57,840

like dude

1979

01:15:01,790 --> 01:14:59,640

get out of here man

1980

01:15:04,610 --> 01:15:01,800

you know look into it that is

1981

01:15:05,990 --> 01:15:04,620

embarrassing that is embarrassing and

1982

01:15:08,870 --> 01:15:06,000

that man is like

1983

01:15:12,290 --> 01:15:08,880

his his YouTube Banner reads searching

1984

01:15:13,430 --> 01:15:12,300

for the truth well he might be I guess I

1985

01:15:14,810 --> 01:15:13,440

mean he's done some pretty cool like

1986

01:15:16,430 --> 01:15:14,820

work with frequencies and stuff out

1987

01:15:19,130 --> 01:15:16,440

there on the plateau and

1988

01:15:23,510 --> 01:15:21,050

but it's a it's you know

1989

01:15:24,830 --> 01:15:23,520

it's it's just wild man like and I love

1990

01:15:28,570 --> 01:15:24,840

this dude I don't want to sit here and

1991

01:15:31,010 --> 01:15:28,580

say this I love this guy but whatever

1992

01:15:32,870 --> 01:15:31,020

can't you can't you like love or

1993

01:15:35,450 --> 01:15:32,880

appreciate somebody even though they're

1994

01:15:37,070 --> 01:15:35,460

a wackadoo like I can't remember his

1995

01:15:40,070 --> 01:15:37,080

name but there's that one guy that makes

1996

01:15:42,649 --> 01:15:40,080

paintings of the alien check he banged

1997

01:15:45,110 --> 01:15:42,659

and like oh the dude in Upstate New York

1998

01:15:47,149 --> 01:15:45,120

yeah he just that's all he does is paint

1999

01:15:49,550 --> 01:15:47,159

pictures of this alien girl and they're

2000

01:15:53,149 --> 01:15:49,560

super sexual yeah and then and and like

2001

01:15:55,430 --> 01:15:53,159

it's just so bizarre and he is so like

2002

01:15:56,930 --> 01:15:55,440

all he works in a deli that dude works

2003

01:15:58,130 --> 01:15:56,940

at a deli and he still does those

2004

01:15:59,149 --> 01:15:58,140

paintings and they're like in art shows

2005

01:16:00,770 --> 01:15:59,159

and everything yeah I like that guy

2006

01:16:02,510 --> 01:16:00,780

though he's he's just painting pictures

2007

01:16:04,850 --> 01:16:02,520

though he's not he's not out here

2008

01:16:06,229 --> 01:16:04,860

selling a Giant's kidney for 150 000 or

2009

01:16:08,390 --> 01:16:06,239

whatever I don't know if Challenger's

2010

01:16:10,910 --> 01:16:08,400

doing that but I imagine that's next so

2011

01:16:17,709 --> 01:16:10,920

I mean I know I know I mean you gotta

2012

01:16:23,450 --> 01:16:20,510

yeah that's that's probably on my list

2013

01:16:25,310 --> 01:16:23,460

that or uh I I got to know Stanton

2014

01:16:28,370 --> 01:16:25,320

Freeman a little bit before he passed

2015

01:16:29,750 --> 01:16:28,380

away all right I would sure like for him

2016

01:16:31,490 --> 01:16:29,760

to still be

2017

01:16:33,229 --> 01:16:31,500

you know you never know what's going to

2018

01:16:34,790 --> 01:16:33,239

happen so like there was a time where

2019

01:16:36,830 --> 01:16:34,800

like I could just call him up and he

2020

01:16:39,890 --> 01:16:36,840

would talk to me for an hour or three

2021

01:16:43,910 --> 01:16:39,900

hours about stuff and and it was such a

2022

01:16:47,510 --> 01:16:43,920

like fun to have him around to talk to

2023

01:16:49,189 --> 01:16:47,520

and then he passes away yeah it's a

2024

01:16:51,590 --> 01:16:49,199

shame and Jim Martin had his own death

2025

01:16:53,090 --> 01:16:51,600

too I never got to know yeah well he

2026

01:16:54,950 --> 01:16:53,100

said he would he was going to work until

2027

01:16:56,330 --> 01:16:54,960

he until he croaked that's what he told

2028

01:16:58,610 --> 01:16:56,340

me because I told him you got to slow

2029

01:16:59,810 --> 01:16:58,620

down Stan like all this traveling's

2030

01:17:01,490 --> 01:16:59,820

probably not good for you he's like I'm

2031

01:17:03,530 --> 01:17:01,500

gonna work till I croak Stephen this is

2032

01:17:05,570 --> 01:17:03,540

what I love doing what am I gonna do sit

2033

01:17:07,310 --> 01:17:05,580

around and wait and sit around and wait

2034

01:17:08,810 --> 01:17:07,320

you know we're not doing what he loved

2035

01:17:12,130 --> 01:17:08,820

baby that's what's up that's what's up

2036

01:17:18,229 --> 01:17:14,390

thank you for your kindness red panda

2037

01:17:19,850 --> 01:17:18,239

koala much much appreciated yeah man you

2038

01:17:22,070 --> 01:17:19,860

know it's uh there's there's beautiful

2039

01:17:24,110 --> 01:17:22,080

research out there man you know uh have

2040

01:17:27,470 --> 01:17:24,120

you looked into Timothy Hogan at all

2041

01:17:28,729 --> 01:17:27,480

a little bit yes oh yes I have two what

2042

01:17:31,850 --> 01:17:28,739

have you found out

2043

01:17:34,010 --> 01:17:31,860

well uh yeah I'm still on the fence I'm

2044

01:17:35,209 --> 01:17:34,020

confused too I don't want to fence I

2045

01:17:37,430 --> 01:17:35,219

mean at one point he's saying he's got

2046

01:17:38,870 --> 01:17:37,440

six arcs of the Covenant and then I ran

2047

01:17:41,810 --> 01:17:38,880

into another Knights Templar guy

2048

01:17:43,250 --> 01:17:41,820

yesterday and I was like hey man like so

2049

01:17:44,689 --> 01:17:43,260

if you're in the Knights Templar the

2050

01:17:45,530 --> 01:17:44,699

order then you know who Timmy Hogan is

2051

01:17:46,910 --> 01:17:45,540

who

2052

01:17:48,110 --> 01:17:46,920

I was like are you really in the order

2053

01:17:50,810 --> 01:17:48,120

because I know who for sure he's the

2054

01:17:51,890 --> 01:17:50,820

Grand Master and uh I was like well I

2055

01:17:53,090 --> 01:17:51,900

haven't really been in contact with the

2056

01:17:54,770 --> 01:17:53,100

thing and I was like let me look it up

2057

01:17:56,570 --> 01:17:54,780

man he's gonna get back to me on it but

2058

01:17:59,630 --> 01:17:56,580

uh but yeah I mean he said they have six

2059

01:18:00,950 --> 01:17:59,640

arcs of the Covenant uh all kinds of

2060

01:18:02,390 --> 01:18:00,960

stuff and then he has been brought to

2061

01:18:04,250 --> 01:18:02,400

Egypt to do some like research with

2062

01:18:05,390 --> 01:18:04,260

Linguistics and stuff so and he's really

2063

01:18:07,250 --> 01:18:05,400

intelligent

2064

01:18:08,810 --> 01:18:07,260

and I love the esoteric stuff man I'm

2065

01:18:10,850 --> 01:18:08,820

all in the ark of the company that's my

2066

01:18:12,169 --> 01:18:10,860

favorite my favorite thing out of all

2067

01:18:13,149 --> 01:18:12,179

this is probably the Ark of the Covenant

2068

01:18:16,970 --> 01:18:13,159

because I think

2069

01:18:19,729 --> 01:18:16,980

you know the the Graham Hancock the the

2070

01:18:23,330 --> 01:18:19,739

Ethiopian oh yeah

2071

01:18:26,030 --> 01:18:23,340

uh it is a verifiable fact that every

2072

01:18:28,970 --> 01:18:26,040

guardian of that Covenant goes blind

2073

01:18:31,010 --> 01:18:28,980

like seriously that is documented that

2074

01:18:34,610 --> 01:18:31,020

several of the caretakers have gone

2075

01:18:37,430 --> 01:18:34,620

blind which isn't really evidence but it

2076

01:18:38,930 --> 01:18:37,440

is it's it's they didn't go blonde in

2077

01:18:41,689 --> 01:18:38,940

like 20 30 years they go bonding like

2078

01:18:43,790 --> 01:18:41,699

four it's tantalizing what is it that

2079

01:18:45,890 --> 01:18:43,800

they have in there so there was a dude

2080

01:18:47,270 --> 01:18:45,900

in 1954 I think it was I can't remember

2081

01:18:50,209 --> 01:18:47,280

his name right now but he got to see the

2082

01:18:52,070 --> 01:18:50,219

box and he said it was just a box but

2083

01:18:54,169 --> 01:18:52,080

at the same time that was back in the

2084

01:18:56,149 --> 01:18:54,179

day people I don't know I've looked into

2085

01:18:57,649 --> 01:18:56,159

it Something's Happened to those people

2086

01:18:59,630 --> 01:18:57,659

there and recently in the last couple

2087

01:19:00,530 --> 01:18:59,640

years a lot of people died protecting

2088

01:19:01,669 --> 01:19:00,540

that church because there's that big

2089

01:19:02,810 --> 01:19:01,679

Civil War in Ethiopia and they brought

2090

01:19:04,490 --> 01:19:02,820

the straight up military to try to take

2091

01:19:06,050 --> 01:19:04,500

that church over and they stood in front

2092

01:19:07,250 --> 01:19:06,060

of them guns and like 500 people died

2093

01:19:08,750 --> 01:19:07,260

protecting that church and they gave up

2094

01:19:11,630 --> 01:19:08,760

because they want to kill the civilians

2095

01:19:12,770 --> 01:19:11,640

so there's something there you know I

2096

01:19:14,149 --> 01:19:12,780

don't know and that's the thing about

2097

01:19:15,649 --> 01:19:14,159

what Timothy says though he says there's

2098

01:19:18,050 --> 01:19:15,659

these arcs and they're just they're

2099

01:19:19,070 --> 01:19:18,060

buildable boxes it's just like a I don't

2100

01:19:21,229 --> 01:19:19,080

know fulcrum I forgot what you call it

2101
01:19:22,490 --> 01:19:21,239
but it's a you know gold and then acacia

2102
01:19:25,669 --> 01:19:22,500
wood and then gold and it's like a

2103
01:19:28,430 --> 01:19:25,679
really good uh Faraday cage yep that's

2104
01:19:30,290 --> 01:19:28,440
right and gold is an insane conductor

2105
01:19:31,910 --> 01:19:30,300
and if you built the ark I mean the guys

2106
01:19:34,610 --> 01:19:31,920
on MythBusters built it that damn here

2107
01:19:37,010 --> 01:19:34,620
killed one of them so well you know

2108
01:19:38,689 --> 01:19:37,020
and yeah that was interesting that but

2109
01:19:41,450 --> 01:19:38,699
that Ethiopian story is pretty

2110
01:19:43,430 --> 01:19:41,460
interesting I think that there's com I I

2111
01:19:45,470 --> 01:19:43,440
but that's one of those tantalizing

2112
01:19:47,330 --> 01:19:45,480
things like come on man let us see it

2113
01:19:49,030 --> 01:19:47,340

let us see if you know the religion

2114

01:19:51,830 --> 01:19:49,040

ain't gonna let you in there

2115

01:19:54,770 --> 01:19:51,840

yeah they will never let you see it and

2116

01:19:56,870 --> 01:19:54,780

and in fact I'm aware that some very

2117

01:19:58,970 --> 01:19:56,880

Christian people have gone there and

2118

01:19:59,930 --> 01:19:58,980

tried to talk their way in somehow and

2119

01:20:03,010 --> 01:19:59,940

nope

2120

01:20:05,030 --> 01:20:03,020

Ethiopia right there

2121

01:20:06,169 --> 01:20:05,040

hell no

2122

01:20:07,430 --> 01:20:06,179

um there's a bunch of stuff you know the

2123

01:20:10,430 --> 01:20:07,440

arc

2124

01:20:11,990 --> 01:20:10,440

the ark is really cool man like uh the

2125

01:20:13,370 --> 01:20:12,000

whole thing with the Jerusalem and the

2126

01:20:14,630 --> 01:20:13,380

well you know that The Well of Souls is

2127

01:20:16,729 --> 01:20:14,640

like this cave on the top of Temple

2128

01:20:18,950 --> 01:20:16,739

mount that no one can go into too crazy

2129

01:20:21,169 --> 01:20:18,960

cool the Knights Templar were there

2130

01:20:23,030 --> 01:20:21,179

digging up at all for you know years

2131

01:20:25,070 --> 01:20:23,040

then on Friday the 13th they killed the

2132

01:20:26,330 --> 01:20:25,080

Grand Master and they never found any of

2133

01:20:27,830 --> 01:20:26,340

that treasure it was just gone and if

2134

01:20:29,390 --> 01:20:27,840

you listen to Scott Walter from America

2135

01:20:31,729 --> 01:20:29,400

on Earth who should be on my show here

2136

01:20:33,169 --> 01:20:31,739

soon hopefully uh he talks about like

2137

01:20:34,430 --> 01:20:33,179

the corona document in the book of the

2138

01:20:36,050 --> 01:20:34,440

words of the Lord and all that kind of

2139

01:20:37,970 --> 01:20:36,060

stuff and it's fascinating

2140

01:20:40,310 --> 01:20:37,980

you know these are so I think I like

2141

01:20:42,229 --> 01:20:40,320

Scott but I think he milks things right

2142

01:20:44,270 --> 01:20:42,239

he milks some things like oh somebody

2143

01:20:46,970 --> 01:20:44,280

found a sword it must be from a viking

2144

01:20:50,030 --> 01:20:46,980

like come on dude you know like people

2145

01:20:51,950 --> 01:20:50,040

made swords in the in the 20s and 30s

2146

01:20:54,890 --> 01:20:51,960

and just for decoration doesn't mean

2147

01:20:57,970 --> 01:20:54,900

it's Viking he jumps to the to the

2148

01:21:00,649 --> 01:20:57,980

extraordinary explanation often before

2149

01:21:03,709 --> 01:21:00,659

eliminating the more prosaic

2150

01:21:05,990 --> 01:21:03,719

explanations but again it's

2151
01:21:07,850 --> 01:21:06,000
entertainment you know you watch that

2152
01:21:09,590 --> 01:21:07,860
show like at least he's actually a

2153
01:21:11,090 --> 01:21:09,600
geologist at least he's actually a

2154
01:21:12,350 --> 01:21:11,100
forensic geologist at least he's got

2155
01:21:13,729 --> 01:21:12,360
that going he's not like you know an

2156
01:21:17,030 --> 01:21:13,739
amateur you know he's out here actually

2157
01:21:18,530 --> 01:21:17,040
doing it so it's crazy the Graham

2158
01:21:21,169 --> 01:21:18,540
Hancock is the trees comparing with

2159
01:21:23,689 --> 01:21:21,179
Chris yeah man I want to ask Graham

2160
01:21:24,709 --> 01:21:23,699
Hancock why did you drop all the Gnostic

2161
01:21:26,090 --> 01:21:24,719
stuff though remember he used to talk

2162
01:21:28,010 --> 01:21:26,100
about the demiurge and all that stuff

2163
01:21:28,990 --> 01:21:28,020

and then he did yeah he got on the

2164

01:21:31,669 --> 01:21:29,000

mainstream

2165

01:21:34,490 --> 01:21:31,679

this [h__h] went out the window

2166

01:21:38,750 --> 01:21:34,500

yeah yeah well I wanted to get back to

2167

01:21:40,970 --> 01:21:38,760

the aliens you uh you have been keeping

2168

01:21:43,370 --> 01:21:40,980

your ear to the ground and listening to

2169

01:21:46,010 --> 01:21:43,380

a lot of different people you know

2170

01:21:49,250 --> 01:21:46,020

there's this push now that a lot of the

2171

01:21:50,990 --> 01:21:49,260

grifters in my opinion grifters are

2172

01:21:53,810 --> 01:21:51,000

pushing this

2173

01:21:56,750 --> 01:21:53,820

narrative that the crash retrievals

2174

01:21:59,510 --> 01:21:56,760

that's like the Holy Grail oh yeah we

2175

01:22:01,850 --> 01:21:59,520

have uh recovered flying saucers we have

2176
01:22:05,270 --> 01:22:01,860
recovered alien technology maybe even

2177
01:22:07,189 --> 01:22:05,280
bodies and people are blowing the

2178
01:22:08,570 --> 01:22:07,199
whistle on it now and we're gonna get

2179
01:22:10,430 --> 01:22:08,580
the we're finally gonna get the truth

2180
01:22:12,649 --> 01:22:10,440
about all that and it's going to confirm

2181
01:22:14,450 --> 01:22:12,659
x y and z

2182
01:22:18,649 --> 01:22:14,460
um you have been listening to all of

2183
01:22:20,510 --> 01:22:18,659
this as I have and uh I'm curious to see

2184
01:22:22,070 --> 01:22:20,520
what you think of this whole because

2185
01:22:25,330 --> 01:22:22,080
it's multiple people if you haven't

2186
01:22:27,770 --> 01:22:25,340
noticed that are pushing this narrative

2187
01:22:30,290 --> 01:22:27,780
it's a whole Squad of people pushing

2188
01:22:33,229 --> 01:22:30,300

this narrative do you think there's

2189

01:22:36,169 --> 01:22:33,239

anything to this or is this just the new

2190

01:22:37,550 --> 01:22:36,179

grift that you know the new carrot on a

2191

01:22:40,370 --> 01:22:37,560

stick that they want you to everybody

2192

01:22:42,470 --> 01:22:40,380

chasing so

2193

01:22:43,610 --> 01:22:42,480

if I had to bet money on it from what

2194

01:22:46,310 --> 01:22:43,620

I've heard

2195

01:22:48,770 --> 01:22:46,320

they're strange they're strange you know

2196

01:22:50,209 --> 01:22:48,780

we built a jet in 1964 they could fly at

2197

01:22:53,390 --> 01:22:50,219

2200 miles an hour that's our 71

2198

01:22:54,890 --> 01:22:53,400

Blackbird 1964. been rich in 1993 said

2199

01:22:56,390 --> 01:22:54,900

that we had the technology to take ET

2200

01:22:57,830 --> 01:22:56,400

home I looked into Ben Rich he just had

2201

01:22:59,689 --> 01:22:57,840

esophagus cancer he wasn't like mentally

2202

01:23:01,550 --> 01:22:59,699

ill

2203

01:23:05,209 --> 01:23:01,560

so

2204

01:23:06,470 --> 01:23:05,219

it I don't think it's like Linda Moulton

2205

01:23:08,450 --> 01:23:06,480

house piece of business business

2206

01:23:09,709 --> 01:23:08,460

magnesium or whatever

2207

01:23:11,990 --> 01:23:09,719

um you know there's got to be some truth

2208

01:23:14,030 --> 01:23:12,000

to it uh but at the same time

2209

01:23:15,290 --> 01:23:14,040

it's not unbelievable for me to think

2210

01:23:17,330 --> 01:23:15,300

that somebody tripped and fell into a

2211

01:23:19,010 --> 01:23:17,340

cave one time and found something like

2212

01:23:20,149 --> 01:23:19,020

extraordinary like you know we found

2213

01:23:21,950 --> 01:23:20,159

Darren kuyu and all this stuff

2214

01:23:24,410 --> 01:23:21,960

underground all the time that's what we

2215

01:23:25,310 --> 01:23:24,420

know about so if you read the rig betas

2216

01:23:28,490 --> 01:23:25,320

and

2217

01:23:30,290 --> 01:23:28,500

listen to this those CR you know those

2218

01:23:32,330 --> 01:23:30,300

stories are they they read like science

2219

01:23:33,950 --> 01:23:32,340

fiction novels and but they describe

2220

01:23:35,270 --> 01:23:33,960

these craft and everything perfectly but

2221

01:23:36,709 --> 01:23:35,280

it's really like you know it could just

2222

01:23:38,149 --> 01:23:36,719

be human technology from back in the day

2223

01:23:39,770 --> 01:23:38,159

and if you listen like what Timothy

2224

01:23:41,330 --> 01:23:39,780

Hogan says it's all lost technology from

2225

01:23:43,550 --> 01:23:41,340

us

2226

01:23:46,250 --> 01:23:43,560

um no sign of aliens

2227

01:23:47,750 --> 01:23:46,260

so I wouldn't really listed as aliens

2228

01:23:51,050 --> 01:23:47,760

right now because I have no proof of

2229

01:23:52,729 --> 01:23:51,060

that uh I used to you know shout to the

2230

01:23:54,890 --> 01:23:52,739

aliens it's aliens but there's no proof

2231

01:23:56,209 --> 01:23:54,900

of that but I'd have to say that there's

2232

01:23:57,410 --> 01:23:56,219

some truth to us having something

2233

01:23:59,030 --> 01:23:57,420

somewhere

2234

01:24:01,689 --> 01:23:59,040

but I don't even know begin to think

2235

01:24:04,090 --> 01:24:01,699

what it could be you know I don't know

2236

01:24:06,410 --> 01:24:04,100

I think that

2237

01:24:09,229 --> 01:24:06,420

opportunists that some of these grifters

2238

01:24:11,990 --> 01:24:09,239

are there may be a nugget of Truth to

2239

01:24:14,990 --> 01:24:12,000

what they're saying but they're running

2240

01:24:19,430 --> 01:24:15,000

with things that could very well be you

2241

01:24:22,610 --> 01:24:19,440

know damned adversarial craft or or

2242

01:24:24,890 --> 01:24:22,620

downed uh you know experimental craft

2243

01:24:27,110 --> 01:24:24,900

where one section of the government

2244

01:24:30,770 --> 01:24:27,120

doesn't know what the other is doing

2245

01:24:35,030 --> 01:24:30,780

like Pittsburgh could be I'm pretty

2246

01:24:36,830 --> 01:24:35,040

convinced Russian Russian uh satellite I

2247

01:24:38,410 --> 01:24:36,840

don't think it was Hitler flying time

2248

01:24:41,689 --> 01:24:38,420

traveling in the Bell that crashed out

2249

01:24:43,310 --> 01:24:41,699

yeah come on I mean it's just a little

2250

01:24:46,310 --> 01:24:43,320

too coincidental that a Russian

2251

01:24:48,770 --> 01:24:46,320

spacecraft came down right in that uh in

2252

01:24:50,030 --> 01:24:48,780

that same exact time frame you know and

2253

01:24:52,729 --> 01:24:50,040

of course they're going to look out for

2254

01:24:55,130 --> 01:24:52,739

it yeah like what people forget about

2255

01:24:58,310 --> 01:24:55,140

these crash retrieval programs is I can

2256

01:25:00,050 --> 01:24:58,320

tell you verifiably 100 there's a United

2257

01:25:04,030 --> 01:25:00,060

States government crash retrieval

2258

01:25:06,890 --> 01:25:04,040

program for sure for sure if an if a any

2259

01:25:09,590 --> 01:25:06,900

adversarial especially technology Chris

2260

01:25:11,930 --> 01:25:09,600

Bartel worked on it yeah well anyway but

2261

01:25:15,470 --> 01:25:11,940

if they de-orbit if a satellite comes

2262

01:25:17,570 --> 01:25:15,480

crashing down if Space trash from a

2263

01:25:20,209 --> 01:25:17,580

Russian launch or Chinese launch comes

2264

01:25:22,370 --> 01:25:20,219

down somewhere they want it they want to

2265

01:25:25,310 --> 01:25:22,380

look at it and they want to analyze it

2266

01:25:27,350 --> 01:25:25,320

there's a Ford technology division in

2267

01:25:31,130 --> 01:25:27,360

the military that they take these things

2268

01:25:32,930 --> 01:25:31,140

to so I think I think a lot of this talk

2269

01:25:36,830 --> 01:25:32,940

about the crash retrievals may be

2270

01:25:38,870 --> 01:25:36,840

opportunity UFO profiteering [h__h]

2271

01:25:41,149 --> 01:25:38,880

having some nugget of truth that

2272

01:25:42,950 --> 01:25:41,159

something was recovered over there but

2273

01:25:45,470 --> 01:25:42,960

they're going to say it's aliens instead

2274

01:25:48,169 --> 01:25:45,480

of a Russian booster rocket or instead

2275

01:25:50,270 --> 01:25:48,179

of a Russian satellite or Chinese Russia

2276

01:25:51,169 --> 01:25:50,280

or China no they got it I mean they'll

2277

01:25:54,050 --> 01:25:51,179

know they have it but they don't want to

2278

01:25:57,970 --> 01:25:54,060

admit they have it you know it's uh yeah

2279

01:26:02,629 --> 01:26:01,189

say when no proof of alien anything ever

2280

01:26:05,149 --> 01:26:02,639

comes of what they're pushing because

2281

01:26:06,950 --> 01:26:05,159

they're pushing this narrative really

2282

01:26:08,390 --> 01:26:06,960

hard right now yeah Ross coldheart just

2283

01:26:11,090 --> 01:26:08,400

said before we started the show that uh

2284

01:26:12,470 --> 01:26:11,100

the people that went to Arrow are going

2285

01:26:14,390 --> 01:26:12,480

to get their stuff released regardless

2286

01:26:16,010 --> 01:26:14,400

and blah blah blah blah it's like well

2287

01:26:17,990 --> 01:26:16,020

stop don't don't tweet me that just

2288

01:26:19,370 --> 01:26:18,000

tweet me the damn information I don't

2289

01:26:21,110 --> 01:26:19,380

yeah yeah

2290

01:26:23,870 --> 01:26:21,120

building everything up man I'm tired of

2291

01:26:25,550 --> 01:26:23,880

waiting you know I think it's put up or

2292

01:26:26,950 --> 01:26:25,560

shut up time at this point it's got to

2293

01:26:29,209 --> 01:26:26,960

be dude

2294

01:26:30,890 --> 01:26:29,219

I might not be here I've done survived

2295

01:26:31,850 --> 01:26:30,900

cancer once I don't know you know I

2296

01:26:33,669 --> 01:26:31,860

don't know how long I'm gonna be here

2297

01:26:36,229 --> 01:26:33,679

I'd like to see something before I go

2298

01:26:39,229 --> 01:26:36,239

I'm glad to hear that you had a positive

2299

01:26:45,050 --> 01:26:41,510

yeah interesting it's it's going to be

2300

01:26:46,790 --> 01:26:45,060

interesting to see them squirm when you

2301

01:26:48,709 --> 01:26:46,800

know they don't have evidence or proof

2302

01:26:50,090 --> 01:26:48,719

of the because they're really pushing

2303

01:26:52,490 --> 01:26:50,100

are they going to squirm though Stephen

2304

01:26:54,350 --> 01:26:52,500

are they gonna like shift the shift no

2305

01:26:56,209 --> 01:26:54,360

they're gonna do they're gonna do what I

2306

01:26:57,649 --> 01:26:56,219

call the cosmicon shuffle they'll go

2307

01:26:59,570 --> 01:26:57,659

away for a little while hope everybody

2308

01:27:02,870 --> 01:26:59,580

forgets the grift and then they come

2309

01:27:04,370 --> 01:27:02,880

back with a new grift oh yeah every time

2310

01:27:07,010 --> 01:27:04,380

without them

2311

01:27:10,070 --> 01:27:07,020

I mean I wonder you know the the secret

2312

01:27:12,470 --> 01:27:10,080

space there the the SSP stuff the war on

2313

01:27:14,090 --> 01:27:12,480

Mars crap is so out there and people

2314

01:27:15,590 --> 01:27:14,100

just bought it dude they just bought it

2315

01:27:17,689 --> 01:27:15,600

I wonder what the next one's gonna be

2316

01:27:19,490 --> 01:27:17,699

like Gumby is Gumby Gonna Come From the

2317

01:27:21,649 --> 01:27:19,500

Past like I don't even it's just so

2318

01:27:23,930 --> 01:27:21,659

ridiculous I don't at this point like

2319

01:27:26,090 --> 01:27:23,940

it's like it's gonna slide in like it's

2320

01:27:27,770 --> 01:27:26,100

me Gumby I'm here from you know Teflon

2321

01:27:28,850 --> 01:27:27,780

five like what's happening right now at

2322

01:27:30,530 --> 01:27:28,860

this point I just people just believe

2323

01:27:33,410 --> 01:27:30,540

anything I just so you got to be there

2324

01:27:35,570 --> 01:27:33,420

to just be like hey hear the facts you

2325

01:27:37,250 --> 01:27:35,580

know it's like an Jolly with the cave I

2326

01:27:39,050 --> 01:27:37,260

told Angelo the other day I said Angeli

2327

01:27:41,510 --> 01:27:39,060

I want to see these cave aliens and her

2328

01:27:43,490 --> 01:27:41,520

answer to me was and maybe you will UFO

2329

01:27:45,110 --> 01:27:43,500

shame

2330

01:27:46,550 --> 01:27:45,120

well there's gonna be a problem with

2331

01:27:49,129 --> 01:27:46,560

that because you know that we found out

2332

01:27:52,370 --> 01:27:49,139

there was never a tunnel there was never

2333

01:27:54,470 --> 01:27:52,380

a cave she made that [h__h] all up we got

2334

01:27:56,629 --> 01:27:54,480

to the guy who owned the property and he

2335

01:28:00,350 --> 01:27:56,639

said none of her original story was true

2336

01:28:01,910 --> 01:28:00,360

it was all fake so and she's making the

2337

01:28:04,970 --> 01:28:01,920

rounds and this is what we're saying

2338

01:28:09,050 --> 01:28:04,980

about whack-a-mole her whole story gets

2339

01:28:11,930 --> 01:28:09,060

blown to crap right and then six months

2340

01:28:14,149 --> 01:28:11,940

later or a year later she's on Gaia TV

2341

01:28:16,070 --> 01:28:14,159

telling the same story as if it didn't

2342

01:28:18,709 --> 01:28:16,080

get blown to crap that the whole story

2343

01:28:21,410 --> 01:28:18,719

was fake she just left out the part

2344

01:28:23,209 --> 01:28:21,420

where the landowner said I didn't dig a

2345

01:28:24,890 --> 01:28:23,219

cave there was no cave on my property

2346

01:28:27,050 --> 01:28:24,900

when she was here there's no man there's

2347

01:28:29,209 --> 01:28:27,060

no aliens there's no man to the alien

2348

01:28:31,010 --> 01:28:29,219

base you know and she leaves out the

2349

01:28:32,750 --> 01:28:31,020

fact that she was on all those drugs at

2350

01:28:34,729 --> 01:28:32,760

the same time like five different drugs

2351

01:28:37,129 --> 01:28:34,739

at the same time and a heavy heavy dose

2352

01:28:39,530 --> 01:28:37,139

of a cannabis tincture heavy dose yes

2353

01:28:41,270 --> 01:28:39,540

very heavily heavy apparently like like

2354

01:28:43,610 --> 01:28:41,280

life altering heavy obviously because

2355

01:28:45,770 --> 01:28:43,620

she's an opium

2356

01:28:47,810 --> 01:28:45,780

you know I've smoked a lot of cannabis

2357

01:28:49,310 --> 01:28:47,820

in my day but I've never seen wanted

2358

01:28:51,229 --> 01:28:49,320

creatures you know like Hey we're your

2359

01:28:54,890 --> 01:28:51,239

friends like I'm not sure about that you

2360

01:28:56,810 --> 01:28:54,900

have scythes for hands I remember I

2361

01:28:58,310 --> 01:28:56,820

remember when she was talking originally

2362

01:29:00,649 --> 01:28:58,320

when she first came out and she was

2363

01:29:04,070 --> 01:29:00,659

talking about the Purple Lady entity and

2364

01:29:06,410 --> 01:29:04,080

I was like you smoke DMT that's when

2365

01:29:08,450 --> 01:29:06,420

everybody sees on DMT is a purple entity

2366

01:29:09,770 --> 01:29:08,460

there's a new name Shane another Shane

2367

01:29:11,090 --> 01:29:09,780

that literally said he dates the chick

2368

01:29:13,010 --> 01:29:11,100

so it's

2369

01:29:14,450 --> 01:29:13,020

you know he goes on a whole show about

2370

01:29:16,910 --> 01:29:14,460

he's dating the purple woman from the Mt

2371

01:29:19,550 --> 01:29:16,920

trips and he's got a DMT girlfriend that

2372

01:29:21,010 --> 01:29:19,560

could get expensive and yeah he said he

2373

01:29:23,390 --> 01:29:21,020

had his friends

2374

01:29:26,770 --> 01:29:23,400

well I got to see my girlfriend gotta

2375

01:29:28,970 --> 01:29:26,780

smoke DMT again tonight like oh

2376

01:29:34,090 --> 01:29:28,980

like I have one sec I gotta go I gotta

2377

01:29:40,070 --> 01:29:36,350

you know

2378

01:29:41,689 --> 01:29:40,080

making bacon and eggs in the astral baby

2379

01:29:45,350 --> 01:29:41,699

you want rye bread [ʰ__ʰ] you're like you

2380

01:29:49,370 --> 01:29:47,209

so do you think that things are going to

2381

01:29:51,770 --> 01:29:49,380

get more ridiculous in the next six

2382

01:29:53,870 --> 01:29:51,780

months or so or do you think that that

2383

01:29:56,330 --> 01:29:53,880

the griff has got to calm down a little

2384

01:29:58,790 --> 01:29:56,340

bit because it's it seems to me like

2385

01:30:01,490 --> 01:29:58,800

everybody's Griff level is at 12 right

2386

01:30:02,810 --> 01:30:01,500

now 11 or 12. we're at Griff level like

2387

01:30:04,510 --> 01:30:02,820

orange and we're about to go to like

2388

01:30:07,250 --> 01:30:04,520

platinum

2389

01:30:09,050 --> 01:30:07,260

and I'm telling you man like I love when

2390

01:30:10,370 --> 01:30:09,060

people throw out dates because you know

2391

01:30:12,350 --> 01:30:10,380

people have been throwing out dates

2392

01:30:13,850 --> 01:30:12,360

forever and and some people have thrown

2393

01:30:15,350 --> 01:30:13,860

out dates but they've died mysteriously

2394

01:30:17,209 --> 01:30:15,360

like George Van Tassel stuff like that

2395

01:30:18,530 --> 01:30:17,219

and that's like I love the Van Tassel

2396

01:30:20,870 --> 01:30:18,540

story The Integratron

2397

01:30:23,510 --> 01:30:20,880

but but they're giving you dates they've

2398

01:30:26,510 --> 01:30:23,520

given us dates 2027 and I swear to God

2399

01:30:28,910 --> 01:30:26,520

on everything if this date gets shifted

2400

01:30:30,830 --> 01:30:28,920

if I make it to 2027 I don't see some

2401
01:30:32,450 --> 01:30:30,840
aliens I'm getting the kerosene out and

2402
01:30:34,450 --> 01:30:32,460
I'm burning it all down

2403
01:30:37,070 --> 01:30:34,460
this is ridiculous

2404
01:30:38,689 --> 01:30:37,080
yeah well you know it's an Unwritten

2405
01:30:41,750 --> 01:30:38,699
rule of grifting that you don't give

2406
01:30:43,310 --> 01:30:41,760
Hard dates like David Wilcox has got

2407
01:30:44,990 --> 01:30:43,320
caught up in this several times like

2408
01:30:46,310 --> 01:30:45,000
before the year 2000 and he said

2409
01:30:49,090 --> 01:30:46,320
everybody was going to get super powers

2410
01:30:51,610 --> 01:30:49,100
and rainbow light bodies

2411
01:30:54,290 --> 01:30:51,620
none of that [h__\h] happened and then

2412
01:30:56,330 --> 01:30:54,300
leading up to 2012 he pulled the same

2413
01:30:58,510 --> 01:30:56,340

grift again 12 years later we're all

2414

01:31:00,950 --> 01:30:58,520

going to get late bodies and superpowers

2415

01:31:04,729 --> 01:31:00,960

but he's achieved the rainbow grift body

2416

01:31:07,550 --> 01:31:04,739

he literally is the master he is the

2417

01:31:10,729 --> 01:31:07,560

master he is he is so good you have to

2418

01:31:13,490 --> 01:31:10,739

give him props for being as ballsy for

2419

01:31:15,050 --> 01:31:13,500

getting for squeezing out yeah we're

2420

01:31:18,290 --> 01:31:15,060

contacting the manager Panda for

2421

01:31:20,510 --> 01:31:18,300

squeezing out of just the Slime like

2422

01:31:22,970 --> 01:31:20,520

he's I was with Corey good like you know

2423

01:31:26,270 --> 01:31:22,980

you know he him and Corey

2424

01:31:28,850 --> 01:31:26,280

these bastards they hijacked the Navajo

2425

01:31:31,310 --> 01:31:28,860

Rangers a good wholesome group of Navajo

2426

01:31:33,050 --> 01:31:31,320

men and they like sponsored them and had

2427

01:31:34,850 --> 01:31:33,060

them mention them at their shows and

2428

01:31:37,250 --> 01:31:34,860

then just ran off

2429

01:31:38,930 --> 01:31:37,260

I mean come on man you're gonna mess

2430

01:31:40,810 --> 01:31:38,940

with the Native American the Navajo

2431

01:31:43,189 --> 01:31:40,820

Rangers dude

2432

01:31:44,689 --> 01:31:43,199

from the reservation come on I did not

2433

01:31:46,729 --> 01:31:44,699

mention that they stole millions of

2434

01:31:48,770 --> 01:31:46,739

dollars from the UFO Community for

2435

01:31:50,149 --> 01:31:48,780

completely and totally fake stories for

2436

01:31:53,750 --> 01:31:50,159

like five years

2437

01:31:56,390 --> 01:31:53,760

you know five years they every time yeah

2438

01:31:59,689 --> 01:31:56,400

millions of dollars in five years for

2439

01:32:01,070 --> 01:31:59,699

stories that we now know are 100 thick

2440

01:32:03,709 --> 01:32:01,080

kind of hard to be a secret space

2441

01:32:06,669 --> 01:32:03,719

program Insider when you admit under

2442

01:32:09,530 --> 01:32:06,679

Oaths oh I've never been to space

2443

01:32:12,169 --> 01:32:09,540

and you make 10 million dollars call

2444

01:32:14,090 --> 01:32:12,179

Brandon go out to Homestead two and

2445

01:32:15,830 --> 01:32:14,100

build a 40-foot platform I want speakers

2446

01:32:18,050 --> 01:32:15,840

wrapped all around it playing Kabbalah

2447

01:32:19,430 --> 01:32:18,060

chants I want ce5 going down in the

2448

01:32:21,110 --> 01:32:19,440

middle hell we'll have enough money we

2449

01:32:22,910 --> 01:32:21,120

can pay Stephen Greer to do it we'll

2450

01:32:25,430 --> 01:32:22,920

lift the platform up and we'll have

2451

01:32:27,410 --> 01:32:25,440

laser lights shining in the sky for days

2452

01:32:28,550 --> 01:32:27,420

on end days on end and if nothing shows

2453

01:32:29,810 --> 01:32:28,560

up then then you get your answer but

2454

01:32:31,310 --> 01:32:29,820

nope no one's done that either that's

2455

01:32:32,930 --> 01:32:31,320

probably like a million dollars at most

2456

01:32:34,129 --> 01:32:32,940

all right it's gonna cost you four

2457

01:32:36,590 --> 01:32:34,139

million just to be there but you know

2458

01:32:38,330 --> 01:32:36,600

what I mean we could we could run the

2459

01:32:40,370 --> 01:32:38,340

ultimate grift that's what we got to do

2460

01:32:42,050 --> 01:32:40,380

we got to get we got to manage these

2461

01:32:44,570 --> 01:32:42,060

grifters like you're you're leaving

2462

01:32:47,290 --> 01:32:44,580

money on the table you know like as long

2463

01:32:50,629 --> 01:32:47,300

as I get a toga

2464

01:32:52,850 --> 01:32:50,639

I have heard that Brandon fugel told

2465

01:32:54,350 --> 01:32:52,860

somebody and again this is rumors and

2466

01:32:56,030 --> 01:32:54,360

speculation so take from it what you

2467

01:32:59,750 --> 01:32:56,040

will but I have heard from several

2468

01:33:02,689 --> 01:32:59,760

people that Mr fugle is eventually going

2469

01:33:05,090 --> 01:33:02,699

to put a hotel there on the ranch oh wow

2470

01:33:07,430 --> 01:33:05,100

so that people can come and experience

2471

01:33:09,350 --> 01:33:07,440

the ranch But the rooms are going to be

2472

01:33:11,510 --> 01:33:09,360

like three times what a room should cost

2473

01:33:13,550 --> 01:33:11,520

because you're at the you're at the

2474

01:33:16,430 --> 01:33:13,560

Paranormal biggest paranormal hot spot

2475

01:33:18,950 --> 01:33:16,440

in the world well I might see some stuff

2476

01:33:20,629 --> 01:33:18,960

you know so there's a ranch that's not

2477

01:33:22,189 --> 01:33:20,639

there's there's skin marker Ranch and

2478

01:33:23,930 --> 01:33:22,199

there's Mount Wilson Ranch and Mount

2479

01:33:25,430 --> 01:33:23,940

Wilson Ranch was owned by Bigelow prior

2480

01:33:26,990 --> 01:33:25,440

to Skinwalker Ranch it's owned by a guy

2481

01:33:29,030 --> 01:33:27,000

named Jeff now

2482

01:33:30,470 --> 01:33:29,040

that's when you hear a Bigelow of the

2483

01:33:31,729 --> 01:33:30,480

shaman stories from Bigelow that's not

2484

01:33:34,310 --> 01:33:31,739

Skinwalker Ranch that's Mount Wilson

2485

01:33:36,410 --> 01:33:34,320

Ranch and Jeff bought the ranch from

2486

01:33:37,790 --> 01:33:36,420

Bigelow like literally from bass he had

2487

01:33:39,830 --> 01:33:37,800

to go to Bass and bought the ranch from

2488

01:33:41,570 --> 01:33:39,840

Bigelow himself and I'm gonna go there

2489

01:33:42,530 --> 01:33:41,580

and I'm gonna see what it's all about in

2490

01:33:44,990 --> 01:33:42,540

like a month

2491

01:33:46,430 --> 01:33:45,000

and uh and I know how much that costs so

2492

01:33:47,689 --> 01:33:46,440

I'll be curious to see what it costs at

2493

01:33:48,950 --> 01:33:47,699

Sam Walker Ranch because if it's any

2494

01:33:52,669 --> 01:33:48,960

more

2495

01:33:54,709 --> 01:33:52,679

you know yeah well interesting that it's

2496

01:33:57,110 --> 01:33:54,719

such a profit driven

2497

01:33:59,990 --> 01:33:57,120

uh Enterprise they claim it's about

2498

01:34:01,129 --> 01:34:00,000

science but you know yeah well see when

2499

01:34:02,209 --> 01:34:01,139

it comes to like Mount Wilson Ranch

2500

01:34:03,290 --> 01:34:02,219

that's in the middle of nowhere the

2501

01:34:04,970 --> 01:34:03,300

dude's trying to run this entire

2502

01:34:06,110 --> 01:34:04,980

property that's just normal you know

2503

01:34:08,149 --> 01:34:06,120

like you pay but it's not even that

2504

01:34:10,010 --> 01:34:08,159

expensive like the room fees are no more

2505

01:34:11,090 --> 01:34:10,020

than like Holiday Inn really it's just

2506

01:34:12,229 --> 01:34:11,100

like the extra stuff like you know

2507

01:34:13,910 --> 01:34:12,239

because you're going on a ranch trip

2508

01:34:15,709 --> 01:34:13,920

that's normal but like if just a hotel

2509

01:34:17,990 --> 01:34:15,719

room is like three grand

2510

01:34:19,930 --> 01:34:18,000

oh [h__\h] like I don't know I heard that

2511

01:34:23,090 --> 01:34:19,940

before I'll check on it though

2512

01:34:24,229 --> 01:34:23,100

truth Seeker says he sells and rents RV

2513

01:34:27,110 --> 01:34:24,239

spots

2514

01:34:29,689 --> 01:34:27,120

I wasn't not aware of that that's a

2515

01:34:31,010 --> 01:34:29,699

ranch that's chemical Ranch it's next to

2516

01:34:32,330 --> 01:34:31,020

Skinwalker Ranch where they do that and

2517

01:34:33,649 --> 01:34:32,340

then there's Ryan from the SpaceX Wolf

2518

01:34:35,689 --> 01:34:33,659

Center but it's not on the property it's

2519

01:34:37,669 --> 01:34:35,699

gonna Walker Ranch they're both adjacent

2520

01:34:39,890 --> 01:34:37,679

uh SpaceX wolf centers to the right and

2521

01:34:41,330 --> 01:34:39,900

it takes place on 500 Acres that Bigelow

2522

01:34:42,830 --> 01:34:41,340

used to lease out and Brandon wasn't

2523

01:34:43,790 --> 01:34:42,840

able to get a hold of and SpaceX went on

2524

01:34:50,050 --> 01:34:43,800

there

2525

01:34:52,010 --> 01:34:50,060

and Bigelow had another grifter Ranch

2526

01:34:53,270 --> 01:34:52,020

I mean whatever you want to call it but

2527

01:34:54,290 --> 01:34:53,280

yeah it's called Mount Wilson Ranch if

2528

01:34:56,090 --> 01:34:54,300

you want to look into it you're one of

2529

01:34:57,649 --> 01:34:56,100

the the true story behind it uh check

2530

01:35:00,290 --> 01:34:57,659

out Carl lacross's videos and he'll he

2531

01:35:02,330 --> 01:35:00,300

lays it down and he's the truth about it

2532

01:35:04,370 --> 01:35:02,340

what if we kissed at the homestead two

2533

01:35:07,250 --> 01:35:04,380

fence where the dino Beaver was smoking

2534

01:35:10,010 --> 01:35:07,260

a cigarette it was it was a dog man it

2535

01:35:12,050 --> 01:35:10,020

wasn't no it was definitely a dog man

2536

01:35:13,490 --> 01:35:12,060

well not

2537

01:35:15,229 --> 01:35:13,500

you know there's the there's the

2538

01:35:17,229 --> 01:35:15,239

impervious werewolf and then there's all

2539

01:35:21,590 --> 01:35:17,239

kinds of stuff it's

2540

01:35:24,350 --> 01:35:21,600

a joke Skinwalker cash yes no it wasn't

2541

01:35:26,590 --> 01:35:24,360

the dino beavers it was a it was a dog

2542

01:35:28,910 --> 01:35:26,600

man yeah

2543

01:35:31,010 --> 01:35:28,920

this is my favorite part of the skin

2544

01:35:34,010 --> 01:35:31,020

workers I saw this

2545

01:35:37,390 --> 01:35:34,020

but standing on two legs a wolf creature

2546

01:35:40,129 --> 01:35:37,400

a a wolf standing in her yard it's Paws

2547

01:35:41,570 --> 01:35:40,139

crossed like this leaning on a tree

2548

01:35:45,410 --> 01:35:41,580

staring back at her

2549

01:35:49,970 --> 01:35:47,090

and then of course there was the one

2550

01:35:51,729 --> 01:35:49,980

smoking cigarettes uh you know yeah

2551

01:35:54,830 --> 01:35:51,739

Newport 100s man

2552

01:35:56,990 --> 01:35:54,840

you know Karen Karen that had uh donated

2553

01:35:59,090 --> 01:35:57,000

earlier uh praise the cash she actually

2554

01:36:00,950 --> 01:35:59,100

sold a pack of Newport 100 menthol

2555

01:36:02,810 --> 01:36:00,960

cigarettes to an alien in 1975 in

2556

01:36:04,189 --> 01:36:02,820

Missouri she's published a Nick Redfern

2557

01:36:07,189 --> 01:36:04,199

book about it and I believe her what she

2558

01:36:13,370 --> 01:36:07,199

said it was a great American

2559

01:36:13,380 --> 01:36:20,570

humanoid looking

2560

01:36:23,810 --> 01:36:22,129

looking smoking cigarettes standing out

2561

01:36:25,970 --> 01:36:23,820

on the road these guys figure one of

2562

01:36:27,470 --> 01:36:25,980

these fellas up to so they're pulling up

2563

01:36:29,870 --> 01:36:27,480

and they're they're shining their lights

2564

01:36:31,290 --> 01:36:29,880

on the guys and they turn around and

2565

01:36:35,390 --> 01:36:31,300

they were dogs

2566

01:36:41,030 --> 01:36:37,729

uh do you think that's why you have to

2567

01:36:43,070 --> 01:36:41,040

offer tobacco yeah you go to these

2568

01:36:45,110 --> 01:36:43,080

places that's why yeah because the

2569

01:36:46,850 --> 01:36:45,120

smoking dog shapes they need that sweet

2570

01:36:49,450 --> 01:36:46,860

sweet mental maybe they're

2571

01:36:52,189 --> 01:36:49,460

shape-shifting uh you know

2572

01:36:54,169 --> 01:36:52,199

natives that just turned into dogs and

2573

01:36:56,450 --> 01:36:54,179

then they like to smoke so that's what

2574

01:36:57,770 --> 01:36:56,460

James James Keenan is a researcher

2575

01:36:59,390 --> 01:36:57,780

that's out there a lot and he has some

2576

01:37:00,890 --> 01:36:59,400

pretty crazy stories about like these uh

2577

01:37:02,629 --> 01:37:00,900

lost tribes of these people that might

2578

01:37:03,530 --> 01:37:02,639

be shapeshifters I don't know it's all

2579

01:37:06,110 --> 01:37:03,540

crazy

2580

01:37:07,729 --> 01:37:06,120

but he's a legit researcher too so

2581

01:37:08,930 --> 01:37:07,739

don't know I mean the world is crazy

2582

01:37:10,610 --> 01:37:08,940

like it doesn't you don't have to make

2583

01:37:12,410 --> 01:37:10,620

up these stories right like the world is

2584

01:37:13,669 --> 01:37:12,420

already crazy enough you know you've had

2585

01:37:15,290 --> 01:37:13,679

people walk out their porch and there's

2586

01:37:16,790 --> 01:37:15,300

an eight-foot dog man standing there who

2587

01:37:18,530 --> 01:37:16,800

knows I don't know

2588

01:37:20,090 --> 01:37:18,540

I mean I saw something crazy so I can't

2589

01:37:21,169 --> 01:37:20,100

write it all off it's not those people

2590

01:37:22,189 --> 01:37:21,179

that have the problems with it's the

2591

01:37:23,510 --> 01:37:22,199

people that are obviously lying like

2592

01:37:25,729 --> 01:37:23,520

George Knapp and trying to sell his book

2593

01:37:27,410 --> 01:37:25,739

that's what I have a problem with no I

2594

01:37:28,149 --> 01:37:27,420

didn't see the new Dorothy Weir films

2595

01:37:30,830 --> 01:37:28,159

yeah

2596

01:37:33,050 --> 01:37:30,840

I talked to Darcy earlier and I'm gonna

2597

01:37:35,450 --> 01:37:33,060

watch it later tonight

2598

01:37:37,910 --> 01:37:35,460

yeah I haven't seen that yet I'll put on

2599

01:37:39,410 --> 01:37:37,920

my list though fast Walkers was the best

2600

01:37:40,610 --> 01:37:39,420

term for UFOs I wish they had never

2601
01:37:41,750 --> 01:37:40,620
gotten rid of that because it's also a

2602
01:37:43,910 --> 01:37:41,760
badass thing to call them they're fast

2603
01:37:46,610 --> 01:37:43,920
Walkers all right dude let's go that's

2604
01:37:48,530 --> 01:37:46,620
awesome yeah there was another

2605
01:37:50,390 --> 01:37:48,540
documentary or something called face

2606
01:37:57,070 --> 01:37:50,400
Walker it sure is I've seen it now

2607
01:38:03,470 --> 01:38:00,110
tumor Cobra is here

2608
01:38:07,790 --> 01:38:03,480
spooky is gonna buy me dinner uh maybe

2609
01:38:11,330 --> 01:38:07,800
we'll see yeah another Twitter space is

2610
01:38:14,330 --> 01:38:11,340
uh Dennis and chupacabras here that he

2611
01:38:16,250 --> 01:38:14,340
is what do you take what do you think of

2612
01:38:18,050 --> 01:38:16,260
all this drama though that goes on

2613
01:38:20,990 --> 01:38:18,060

between some of these characters like

2614

01:38:22,669 --> 01:38:21,000

chupacabra and milk fart and others oh

2615

01:38:25,129 --> 01:38:22,679

man it's like these guys have been

2616

01:38:27,770 --> 01:38:25,139

fighting for like months on end like

2617

01:38:30,410 --> 01:38:27,780

yeah at each other's throats and like

2618

01:38:31,310 --> 01:38:30,420

isn't that not very healthy for either

2619

01:38:33,229 --> 01:38:31,320

of them

2620

01:38:34,550 --> 01:38:33,239

uh yeah I definitely say it's not

2621

01:38:35,990 --> 01:38:34,560

healthy for anybody but by the way they

2622

01:38:38,030 --> 01:38:36,000

were supposed to come here and have

2623

01:38:40,790 --> 01:38:38,040

their argument out and then neither of

2624

01:38:42,350 --> 01:38:40,800

them did it well milk fart was willing

2625

01:38:45,110 --> 01:38:42,360

to do it but tubacabra remember

2626

01:38:47,689 --> 01:38:45,120

chupacabra you you bailed you you had

2627

01:38:49,610 --> 01:38:47,699

excuses so you can message me and we

2628

01:38:51,290 --> 01:38:49,620

could still do that he brought him he's

2629

01:38:52,729 --> 01:38:51,300

gone he's gone Twitter with him in my

2630

01:38:54,470 --> 01:38:52,739

spaces a couple times I'll do I think

2631

01:38:57,550 --> 01:38:54,480

all right we'll gather here to be judged

2632

01:38:59,629 --> 01:38:57,560

before RPS and yeah this is go at it Mom

2633

01:39:02,330 --> 01:38:59,639

but the thing about that is it's like

2634

01:39:03,709 --> 01:39:02,340

dude I've had I've had Joe or Kingdom

2635

01:39:05,270 --> 01:39:03,719

part come up in my space and just talk

2636

01:39:06,649 --> 01:39:05,280

about aliens and I've had some random

2637

01:39:08,090 --> 01:39:06,659

dude that thought that was cool with me

2638

01:39:09,350 --> 01:39:08,100

just block me and start blasting me for

2639

01:39:11,510 --> 01:39:09,360

letting Joe talk for 10 minutes and you

2640

01:39:13,669 --> 01:39:11,520

just talk about aliens and as far as it

2641

01:39:15,709 --> 01:39:13,679

goes with the drama man I'm at the point

2642

01:39:18,050 --> 01:39:15,719

now where I didn't come here for that I

2643

01:39:20,090 --> 01:39:18,060

don't I don't know uh I wasn't here when

2644

01:39:22,310 --> 01:39:20,100

it started but I'm here to figure out

2645

01:39:23,510 --> 01:39:22,320

what happened so I'm walking down the

2646

01:39:24,709 --> 01:39:23,520

road and you can either stay back there

2647

01:39:25,850 --> 01:39:24,719

and argue with each other you can come

2648

01:39:28,010 --> 01:39:25,860

down the road with me and figure it out

2649

01:39:29,570 --> 01:39:28,020

together that's that's just where I'm at

2650

01:39:30,649 --> 01:39:29,580

now I'm just moving forward I'm friends

2651

01:39:32,570 --> 01:39:30,659

with a lot of people that hate each

2652

01:39:34,189 --> 01:39:32,580

other and uh it is what it is man there

2653

01:39:35,570 --> 01:39:34,199

are a lot a lot of good people man I

2654

01:39:38,390 --> 01:39:35,580

wish everybody would calm down and just

2655

01:39:39,950 --> 01:39:38,400

on the internet you don't have any way

2656

01:39:41,390 --> 01:39:39,960

to just settle it you don't have any way

2657

01:39:42,890 --> 01:39:41,400

to settle it it's just not gonna happen

2658

01:39:44,330 --> 01:39:42,900

so you just eventually just gotta and

2659

01:39:45,229 --> 01:39:44,340

just go home there's just nothing else

2660

01:39:48,169 --> 01:39:45,239

you're gonna do it's going to get into

2661

01:39:49,850 --> 01:39:48,179

this weird people claiming lawyers and

2662

01:39:51,110 --> 01:39:49,860

you're harassing me kind of stuff when

2663

01:39:52,910 --> 01:39:51,120

all you really just need to do is just

2664

01:39:55,010 --> 01:39:52,920

block people and just move on just move

2665

01:39:56,990 --> 01:39:55,020

on don't DM people about it just go on

2666

01:39:59,330 --> 01:39:57,000

down the road I didn't hear about this

2667

01:40:00,770 --> 01:39:59,340

drama yet didn't you guys Target Leah

2668

01:40:03,229 --> 01:40:00,780

Prime to the point where she left the

2669

01:40:05,149 --> 01:40:03,239

community nice one well I mean I don't

2670

01:40:06,649 --> 01:40:05,159

even know Leia Prime so I definitely did

2671

01:40:08,570 --> 01:40:06,659

not or have anything to do with that I

2672

01:40:09,950 --> 01:40:08,580

don't know I don't think it was directed

2673

01:40:12,050 --> 01:40:09,960

at you that was probably connected to

2674

01:40:13,910 --> 01:40:12,060

chupacabra I was like

2675

01:40:15,950 --> 01:40:13,920

literally never spoken her I think I've

2676

01:40:17,270 --> 01:40:15,960

messed her one time and when she had a

2677

01:40:19,010 --> 01:40:17,280

thread and I said hi Leah that's awesome

2678

01:40:22,189 --> 01:40:19,020

so

2679

01:40:24,050 --> 01:40:22,199

yeah you know like there's a there's a

2680

01:40:26,930 --> 01:40:24,060

phenomenon here that is taking people

2681

01:40:29,090 --> 01:40:26,940

out of their homes it's it doesn't care

2682

01:40:31,310 --> 01:40:29,100

what sex you are it doesn't care what

2683

01:40:33,110 --> 01:40:31,320

you're apparently not yeah it doesn't

2684

01:40:35,149 --> 01:40:33,120

care anything about you it's gonna do it

2685

01:40:36,830 --> 01:40:35,159

doesn't care what you just what you

2686

01:40:38,870 --> 01:40:36,840

think you what you say you are what you

2687

01:40:40,250 --> 01:40:38,880

are it doesn't care

2688

01:40:41,570 --> 01:40:40,260

and that's what I want to know the truth

2689

01:40:42,709 --> 01:40:41,580

to and nothing

2690

01:40:43,790 --> 01:40:42,719

nothing's that are going to come from

2691

01:40:45,229 --> 01:40:43,800

that if you're all just stabbing each

2692

01:40:46,129 --> 01:40:45,239

other over and over it's like you know I

2693

01:40:47,870 --> 01:40:46,139

mean so like I said I'm just going to

2694

01:40:49,189 --> 01:40:47,880

keep going down the road and you can

2695

01:40:51,050 --> 01:40:49,199

either come with me or stay back there

2696

01:40:53,450 --> 01:40:51,060

and you can catch up later it's fine

2697

01:40:55,310 --> 01:40:53,460

you know you seem to be very fair and

2698

01:40:57,410 --> 01:40:55,320

notice a lot of people try to take sides

2699

01:40:59,570 --> 01:40:57,420

I I try to avoid that but sometimes it's

2700

01:41:01,790 --> 01:40:59,580

inevitable you're gonna you're gonna

2701
01:41:04,010 --> 01:41:01,800
agree with somebody and disagree with

2702
01:41:06,530 --> 01:41:04,020
the person that they're beefing with but

2703
01:41:09,050 --> 01:41:06,540
I I try not to get it's interesting you

2704
01:41:10,669 --> 01:41:09,060
know because of what we do here an awful

2705
01:41:12,890 --> 01:41:10,679
lot of people try to point me like a

2706
01:41:14,209 --> 01:41:12,900
missile at people they don't like do you

2707
01:41:15,950 --> 01:41:14,219
know what I mean they're like you you

2708
01:41:19,310 --> 01:41:15,960
should do a story on this you mean yeah

2709
01:41:22,490 --> 01:41:19,320
you know well the both of you are kind

2710
01:41:24,050 --> 01:41:22,500
of uh you know responsible for for

2711
01:41:26,810 --> 01:41:24,060
whatever you know

2712
01:41:28,729 --> 01:41:26,820
yeah I mean I don't I mean if if the

2713
01:41:29,930 --> 01:41:28,739

story doesn't involve finding out what

2714

01:41:31,610 --> 01:41:29,940

the hell's going on then I don't really

2715

01:41:32,570 --> 01:41:31,620

want anything to do with it that's just

2716

01:41:35,149 --> 01:41:32,580

trying to figure out what's happening

2717

01:41:36,470 --> 01:41:35,159

you know that's that's what we're all

2718

01:41:37,790 --> 01:41:36,480

here for man A lot of people are trying

2719

01:41:38,990 --> 01:41:37,800

to figure out what's going on there's

2720

01:41:40,189 --> 01:41:39,000

obviously something going on you know

2721

01:41:41,570 --> 01:41:40,199

there's a lot of cool places you can

2722

01:41:42,709 --> 01:41:41,580

research the meadow look up the meadow

2723

01:41:46,070 --> 01:41:42,719

that's really cool

2724

01:41:48,729 --> 01:41:46,080

it can be Patty yes but here's what I

2725

01:41:51,050 --> 01:41:48,739

will say in defense of UFO Twitter

2726

01:41:53,510 --> 01:41:51,060

like as somebody that has a show

2727

01:41:56,510 --> 01:41:53,520

centered around these topics it is a

2728

01:41:58,250 --> 01:41:56,520

tremendous tool for promotion oh dude I

2729

01:42:00,770 --> 01:41:58,260

would not we wouldn't have a show here

2730

01:42:04,189 --> 01:42:00,780

if not for UFO Twitter every everything

2731

01:42:06,169 --> 01:42:04,199

I post is hashtagged so that people that

2732

01:42:08,689 --> 01:42:06,179

are interested in these topics can find

2733

01:42:10,430 --> 01:42:08,699

what I'm doing so there's good and bad

2734

01:42:13,850 --> 01:42:10,440

in all things but I am starting to

2735

01:42:15,590 --> 01:42:13,860

realize like I did twice now this has

2736

01:42:18,169 --> 01:42:15,600

happened I said I'm not arguing with

2737

01:42:20,090 --> 01:42:18,179

nameless faceless accounts on Twitter if

2738

01:42:23,629 --> 01:42:20,100

I don't even know who you are or like

2739

01:42:26,629 --> 01:42:23,639

you're some you know like like UFO true

2740

01:42:28,970 --> 01:42:26,639

Seeker 88 you know with a [h__h] you know

2741

01:42:30,530 --> 01:42:28,980

like I'm not gonna argue with you for an

2742

01:42:33,229 --> 01:42:30,540

hour on a Twitter thread I'm just not

2743

01:42:36,709 --> 01:42:33,239

going to use it yeah it's useless so I

2744

01:42:39,410 --> 01:42:36,719

have gone back to my my way of dealing

2745

01:42:41,450 --> 01:42:39,420

with Twitter is you know I see what's

2746

01:42:43,070 --> 01:42:41,460

what friends are posting that I like

2747

01:42:44,390 --> 01:42:43,080

that I want to hear from and then

2748

01:42:46,609 --> 01:42:44,400

everybody else

2749

01:42:49,430 --> 01:42:46,619

I just kind of post and goes to my shows

2750

01:42:51,229 --> 01:42:49,440

I use it to promote the show and then I

2751

01:42:54,169 --> 01:42:51,239

sometimes people will say something

2752

01:42:56,209 --> 01:42:54,179

really nasty and I fight myself to to

2753

01:42:59,169 --> 01:42:56,219

respond because then it's going to turn

2754

01:43:05,270 --> 01:43:01,790

I've done it

2755

01:43:07,129 --> 01:43:05,280

oh third phase guy he just posts fake

2756

01:43:09,229 --> 01:43:07,139

videos all day like I got a whole thing

2757

01:43:12,109 --> 01:43:09,239

with him for like a day long I'm like

2758

01:43:13,370 --> 01:43:12,119

this is stupid I can't even remember the

2759

01:43:16,609 --> 01:43:13,380

guy's name I don't even want to give his

2760

01:43:19,430 --> 01:43:16,619

Twitter yeah I probably don't but I just

2761

01:43:21,470 --> 01:43:19,440

post fake video he posted the freaking

2762

01:43:22,990 --> 01:43:21,480

Goodyear blimp you know that video from

2763

01:43:26,390 --> 01:43:23,000

like two years ago

2764

01:43:29,090 --> 01:43:26,400

and I'm like I I just bust his balls now

2765

01:43:31,609 --> 01:43:29,100

I just post like pictures of that kid

2766

01:43:34,970 --> 01:43:31,619

from The Simpsons and then I write like

2767

01:43:37,450 --> 01:43:34,980

I wrote like I'm posting Goodyear blimp

2768

01:43:39,950 --> 01:43:37,460

videos I'm helping disclosure

2769

01:43:41,750 --> 01:43:39,960

we're doing it man it's lined with meta

2770

01:43:44,149 --> 01:43:41,760

materials Goodyear has the connection to

2771

01:43:46,430 --> 01:43:44,159

Lockheed Martin for sure and he put that

2772

01:43:48,530 --> 01:43:46,440

stuff on our car wheels yeah it's uh

2773

01:43:50,629 --> 01:43:48,540

it's a joke man uh but you know when it

2774

01:43:52,189 --> 01:43:50,639

comes to Twitter like uh like you know

2775

01:43:53,930 --> 01:43:52,199

the spaces especially like I jumped into

2776

01:43:55,370 --> 01:43:53,940

a space with an nft group called the fat

2777

01:43:56,930 --> 01:43:55,380

rat Mafia and there's like some of my

2778

01:43:58,189 --> 01:43:56,940

best friends now and they love UFOs and

2779

01:43:59,510 --> 01:43:58,199

so like this whole group of like these

2780

01:44:01,129 --> 01:43:59,520

nft guys

2781

01:44:03,169 --> 01:44:01,139

will come over

2782

01:44:04,430 --> 01:44:03,179

and chill with us about UFOs and they

2783

01:44:05,870 --> 01:44:04,440

start learning the truth and the truth

2784

01:44:06,950 --> 01:44:05,880

is it'll watch it this is [h__\h] and

2785

01:44:08,209 --> 01:44:06,960

they'll and they'll you know a lot of

2786

01:44:10,010 --> 01:44:08,219

those guys have had nothing to do with

2787

01:44:11,390 --> 01:44:10,020

this community they'll think Annunaki or

2788

01:44:12,410 --> 01:44:11,400

this or that and I'll just give them my

2789

01:44:13,910 --> 01:44:12,420

information

2790

01:44:15,229 --> 01:44:13,920

and then you know it's just helping to

2791

01:44:17,209 --> 01:44:15,239

spread the truth in my opinion like you

2792

01:44:18,950 --> 01:44:17,219

said I agree and you know what that's

2793

01:44:21,169 --> 01:44:18,960

good because you know how many like

2794

01:44:22,910 --> 01:44:21,179

people may have casually watched some

2795

01:44:25,250 --> 01:44:22,920

episodes of ancient aliens or something

2796

01:44:27,890 --> 01:44:25,260

and they don't know that like Zechariah

2797

01:44:31,550 --> 01:44:27,900

Sachin was was a joke he was not

2798

01:44:34,550 --> 01:44:31,560

qualified to to translate anything oh

2799

01:44:37,310 --> 01:44:34,560

[h__\h] yeah man and he mistranslated all

2800

01:44:40,070 --> 01:44:37,320

of it so like wait all of Ancient Aliens

2801

01:44:42,950 --> 01:44:40,080

is based on sitchin and I always love

2802

01:44:47,450 --> 01:44:42,960

how they they they show that channeled

2803

01:44:50,629 --> 01:44:47,460

book uh and they say that the the uh the

2804

01:44:52,370 --> 01:44:50,639

not from the bhagavad-gita but they what

2805

01:44:55,370 --> 01:44:52,380

are those things called now now I'm

2806

01:44:58,010 --> 01:44:55,380

blanking you know they they they they're

2807

01:45:00,050 --> 01:44:58,020

just carefully craft this Narrative of

2808

01:45:02,510 --> 01:45:00,060

this Ancient Aliens Theory with garbage

2809

01:45:04,129 --> 01:45:02,520

like sitchin's bad translation they'll

2810

01:45:06,649 --> 01:45:04,139

call the enuma Unleashed Sumerians

2811

01:45:09,410 --> 01:45:06,659

Babylonian like it's ridiculous they you

2812

01:45:11,270 --> 01:45:09,420

know like all the vimanas you know oh

2813

01:45:13,550 --> 01:45:11,280

yeah they always show that book that's

2814

01:45:17,750 --> 01:45:13,560

channeled in the 19th 50s and they say

2815

01:45:19,970 --> 01:45:17,760

in an ancient uh Indian text no that's

2816

01:45:22,970 --> 01:45:19,980

from the 1950s and somebody channeled

2817

01:45:24,470 --> 01:45:22,980

that [\h__\h] that's not an ancient text if

2818

01:45:26,390 --> 01:45:24,480

you want the actual descriptions of

2819

01:45:28,970 --> 01:45:26,400

Amana they are in there and they're not

2820

01:45:31,490 --> 01:45:28,980

like that though yeah this is like

2821

01:45:33,890 --> 01:45:31,500

it's such a joke man thank you Chester

2822

01:45:36,890 --> 01:45:33,900

Ludlow Jr oh but I was saying it's good

2823

01:45:38,810 --> 01:45:36,900

that when people come you know like

2824

01:45:40,790 --> 01:45:38,820

these people that are watching it pretty

2825

01:45:43,010 --> 01:45:40,800

casually and they just believe it

2826

01:45:45,530 --> 01:45:43,020

because it's it's documentary style it

2827

01:45:47,330 --> 01:45:45,540

must be true it's nice when you can peel

2828

01:45:48,709 --> 01:45:47,340

back those layers of deception and show

2829

01:45:50,709 --> 01:45:48,719

them like this is a carefully

2830

01:45:53,209 --> 01:45:50,719

constructed garbage narrative that

2831

01:45:55,729 --> 01:45:53,219

sometimes gets more constructed yeah

2832

01:45:57,770 --> 01:45:55,739

sometimes not so carefully constructed a

2833

01:45:59,810 --> 01:45:57,780

lot of times and Ancient Aliens the

2834

01:46:02,330 --> 01:45:59,820

first the first season they dropped

2835

01:46:04,609 --> 01:46:02,340

maybe the first two seasons they dropped

2836

01:46:07,790 --> 01:46:04,619

anything that was like

2837

01:46:10,070 --> 01:46:07,800

evidence of of the ancient alien

2838

01:46:12,890 --> 01:46:10,080

hypothesis they were done and then after

2839

01:46:16,010 --> 01:46:12,900

that it was like Einstein and Ancient

2840

01:46:18,290 --> 01:46:16,020

Aliens like Tesla nickel and Tesla this

2841

01:46:19,850 --> 01:46:18,300

is has nothing to do with this this has

2842

01:46:22,370 --> 01:46:19,860

nothing to do with this you know

2843

01:46:25,609 --> 01:46:22,380

Nicholas Tesla contacted aliens in 1903

2844

01:46:27,830 --> 01:46:25,619

he did I heard those original waves dog

2845

01:46:29,149 --> 01:46:27,840

yeah like uh Nikola Tesla didn't say

2846

01:46:31,010 --> 01:46:29,159

that I mean obviously the government

2847

01:46:33,590 --> 01:46:31,020

stole all Nikola Tesla's [h__h] I mean

2848

01:46:35,510 --> 01:46:33,600

that's that's commonplace but yeah and

2849

01:46:37,310 --> 01:46:35,520

do you know who do you know who was the

2850

01:46:40,070 --> 01:46:37,320

guy who went in and took all the papers

2851
01:46:43,010 --> 01:46:40,080
for the government trumps uh Trump's

2852
01:46:44,750 --> 01:46:43,020
Uncle Trump's great uncle yeah that's an

2853
01:46:46,010 --> 01:46:44,760
interesting part Trump also traveled

2854
01:46:48,470 --> 01:46:46,020
through time didn't they another book on

2855
01:46:50,709 --> 01:46:48,480
that too I think no I think that was his

2856
01:46:52,790 --> 01:46:50,719
son uh

2857
01:46:55,370 --> 01:46:52,800
Trump yes

2858
01:46:56,870 --> 01:46:55,380
yeah I'm Trump you will be sent back in

2859
01:46:58,430 --> 01:46:56,880
time to do absolutely nothing and then

2860
01:47:01,129 --> 01:46:58,440
come back cool

2861
01:47:03,709 --> 01:47:01,139
so do you think that the the Skinwalker

2862
01:47:06,050 --> 01:47:03,719
Ranch kind of television show is kind of

2863
01:47:09,229 --> 01:47:06,060

replacing Ancient Aliens as far as like

2864

01:47:11,870 --> 01:47:09,239

alien and paranormal BS I think I think

2865

01:47:14,570 --> 01:47:11,880

it's like planting it like Ancient

2866

01:47:16,609 --> 01:47:14,580

Aliens is like their ratings are in the

2867

01:47:18,169 --> 01:47:16,619

[h__h] now yeah because they're still

2868

01:47:20,750 --> 01:47:18,179

trying to keep it going but it's

2869

01:47:22,370 --> 01:47:20,760

terrible now so season history routine

2870

01:47:24,050 --> 01:47:22,380

history to start doing that Round Table

2871

01:47:25,790 --> 01:47:24,060

[h__h] and they're just like and they

2872

01:47:27,109 --> 01:47:25,800

just rehash the old episodes it's not

2873

01:47:28,970 --> 01:47:27,119

even like a new thing because they don't

2874

01:47:31,010 --> 01:47:28,980

have anything else to talk about 20

2875

01:47:32,390 --> 01:47:31,020

years they just they just rehash the

2876

01:47:34,070 --> 01:47:32,400

statement they're like we're gonna go

2877

01:47:35,689 --> 01:47:34,080

back and show you all the stuff from the

2878

01:47:37,490 --> 01:47:35,699

previous episodes like do not have Hulu

2879

01:47:39,350 --> 01:47:37,500

dog I can just watch all of it like uh

2880

01:47:42,410 --> 01:47:39,360

it's like it's just total garbage so

2881

01:47:44,629 --> 01:47:42,420

yeah in a way it is uh 100 it really

2882

01:47:45,470 --> 01:47:44,639

sucks though too because I really think

2883

01:47:46,910 --> 01:47:45,480

that

2884

01:47:48,050 --> 01:47:46,920

you know there's just real people out

2885

01:47:49,970 --> 01:47:48,060

there on the ranch man those aren't like

2886

01:47:51,169 --> 01:47:49,980

TV personality other than Travis um

2887

01:47:52,850 --> 01:47:51,179

which I've never talking to Travis

2888

01:47:54,290 --> 01:47:52,860

probably won't ever get to but

2889

01:47:55,550 --> 01:47:54,300

they're just real real people out there

2890

01:47:57,649 --> 01:47:55,560

working like Caleb and all them and

2891

01:47:58,910 --> 01:47:57,659

Chris Bartel and if Chris Christopher

2892

01:47:59,870 --> 01:47:58,920

told me everybody out there is just

2893

01:48:01,310 --> 01:47:59,880

actually looking for the truth and

2894

01:48:02,510 --> 01:48:01,320

because I trust him so much I believe it

2895

01:48:04,490 --> 01:48:02,520

and I've talked to all those guys and I

2896

01:48:06,410 --> 01:48:04,500

just I believe it I believe it I don't

2897

01:48:07,669 --> 01:48:06,420

know what's going on out there but as

2898

01:48:09,350 --> 01:48:07,679

far as the show's concerned Prometheus

2899

01:48:10,189 --> 01:48:09,360

entertainment isn't going to let you

2900

01:48:11,390 --> 01:48:10,199

know they're gonna they're gonna get

2901
01:48:12,530 --> 01:48:11,400
another show to get those ratings up

2902
01:48:13,910 --> 01:48:12,540
right like you're not gonna just let it

2903
01:48:15,530 --> 01:48:13,920
fall off the map you know History

2904
01:48:17,330 --> 01:48:15,540
Channel's got has a good thing going for

2905
01:48:20,270 --> 01:48:17,340
years and that's going to stop now

2906
01:48:22,550 --> 01:48:20,280
no way yeah I think they're they're

2907
01:48:24,350 --> 01:48:22,560
globbing onto this skin Ranch the

2908
01:48:26,990 --> 01:48:24,360
skinwalker thing because

2909
01:48:29,270 --> 01:48:27,000
they need a show with big ratings so

2910
01:48:31,850 --> 01:48:29,280
that's always going to be one of the

2911
01:48:34,550 --> 01:48:31,860
factors in that show and and again the

2912
01:48:37,250 --> 01:48:34,560
overhype under deliver we've got Brandon

2913
01:48:39,890 --> 01:48:37,260

fugelson uh all this this next season is

2914

01:48:42,590 --> 01:48:39,900

going to be great well so far all we got

2915

01:48:44,330 --> 01:48:42,600

videos of was like bugs and [h__h] like

2916

01:48:47,149 --> 01:48:44,340

this is not good this is not looking

2917

01:48:48,470 --> 01:48:47,159

good for science here well you know as

2918

01:48:49,370 --> 01:48:48,480

long as I dig that mace up we'll see

2919

01:48:50,149 --> 01:48:49,380

what's in there at least you know if

2920

01:48:51,229 --> 01:48:50,159

there's nothing there there's nothing

2921

01:48:52,550 --> 01:48:51,239

there but at least they're trying to

2922

01:48:54,770 --> 01:48:52,560

figure it out but yeah the show's gonna

2923

01:48:56,149 --> 01:48:54,780

over emphasize everything like the

2924

01:48:57,410 --> 01:48:56,159

helicopter almost like acted like it was

2925

01:48:58,910 --> 01:48:57,420

almost gonna crash like three times in

2926

01:49:01,189 --> 01:48:58,920

the first episode and we were all

2927

01:49:02,570 --> 01:49:01,199

laughing our asses off man I was in

2928

01:49:04,430 --> 01:49:02,580

there with uh with the guys from

2929

01:49:05,870 --> 01:49:04,440

Skinwalker Ranch and I was like why why

2930

01:49:07,550 --> 01:49:05,880

is the helicopter's gonna crash like

2931

01:49:10,070 --> 01:49:07,560

three times they're like ah the damn

2932

01:49:12,709 --> 01:49:10,080

show and it's like oh okay yeah and and

2933

01:49:14,750 --> 01:49:12,719

that's so suspect to me because any good

2934

01:49:16,790 --> 01:49:14,760

helicopter pilot could simulate that

2935

01:49:19,250 --> 01:49:16,800

just pretend that the wind is pushing

2936

01:49:20,990 --> 01:49:19,260

them around a little bit and and they

2937

01:49:23,330 --> 01:49:21,000

could make something out of that if they

2938

01:49:24,709 --> 01:49:23,340

needed content for the show and and

2939

01:49:27,229 --> 01:49:24,719

that's the thing that people don't

2940

01:49:30,890 --> 01:49:27,239

understand like it's not just the the

2941

01:49:33,169 --> 01:49:30,900

actors I call them actors involved you

2942

01:49:36,830 --> 01:49:33,179

know they've got producers pushing them

2943

01:49:39,590 --> 01:49:36,840

to create drama they've got producers

2944

01:49:43,129 --> 01:49:39,600

pushing them to create so-called

2945

01:49:45,290 --> 01:49:43,139

evidence or Paranormal Activity there's

2946

01:49:46,729 --> 01:49:45,300

no show if they don't have those things

2947

01:49:47,930 --> 01:49:46,739

well they have to go get you and pull

2948

01:49:49,669 --> 01:49:47,940

you up to the side to stand by some

2949

01:49:51,770 --> 01:49:49,679

trees and go well we were there at the

2950

01:49:53,510 --> 01:49:51,780

ranch and what we saw was a UFO you know

2951

01:49:55,370 --> 01:49:53,520

what I mean like it's you know we were

2952

01:49:56,810 --> 01:49:55,380

out there doing our tests with our 1.6

2953

01:49:58,370 --> 01:49:56,820

gigahertz you know they're gonna get you

2954

01:50:00,950 --> 01:49:58,380

by that tree to talk about it right so

2955

01:50:02,330 --> 01:50:00,960

it's a show I have heard that like Eric

2956

01:50:04,370 --> 01:50:02,340

Barr doesn't like the show very much and

2957

01:50:06,169 --> 01:50:04,380

he's at the ranch all the time uh

2958

01:50:07,850 --> 01:50:06,179

because of that kind of stuff so yeah I

2959

01:50:09,590 --> 01:50:07,860

mean but it's a TV show Big Time TV show

2960

01:50:11,030 --> 01:50:09,600

I mean especially now the ratings are

2961

01:50:15,050 --> 01:50:11,040

through the freaking roof

2962

01:50:16,490 --> 01:50:15,060

the hillbilly Rocketeer Dr Taylor yes he

2963

01:50:19,669 --> 01:50:16,500

made her he did make a rocket out of

2964

01:50:22,370 --> 01:50:19,679

moonshine he sure did that's the one

2965

01:50:24,410 --> 01:50:22,380

thing he did that I liked Randy 1979

2966

01:50:28,010 --> 01:50:24,420

because I grew up building rockets and

2967

01:50:30,290 --> 01:50:28,020

I've made a lot of rockets they call

2968

01:50:33,770 --> 01:50:30,300

them Rocket candy Rockets it's just

2969

01:50:35,870 --> 01:50:33,780

sugar and stump remover but uh making it

2970

01:50:37,370 --> 01:50:35,880

out of out of moonshine is a whole

2971

01:50:39,129 --> 01:50:37,380

nother level and someday I'm going to

2972

01:50:41,629 --> 01:50:39,139

try that

2973

01:50:43,990 --> 01:50:41,639

and double the scale double distilled

2974

01:50:47,390 --> 01:50:44,000

that and just fire it off well yeah

2975

01:50:49,490 --> 01:50:47,400

we're coming up on the two hours here so

2976

01:50:51,890 --> 01:50:49,500

we're running out of time but I want to

2977

01:50:52,910 --> 01:50:51,900

thank you for being here and I and I

2978

01:50:55,609 --> 01:50:52,920

hope that you're going to come back

2979

01:50:57,350 --> 01:50:55,619

sometimes we have these uh anytime these

2980

01:50:59,030 --> 01:50:57,360

panel shows where we have different

2981

01:51:00,830 --> 01:50:59,040

people with different perspective you're

2982

01:51:02,930 --> 01:51:00,840

welcome to come back for that or or

2983

01:51:05,450 --> 01:51:02,940

anything else and we're gonna get this

2984

01:51:06,649 --> 01:51:05,460

Twitter spaces simulcast kind of thing

2985

01:51:09,590 --> 01:51:06,659

together somebody just shout out

2986

01:51:11,750 --> 01:51:09,600

probably Mohan in the comments

2987

01:51:13,370 --> 01:51:11,760

um because he is awesome I agree with

2988

01:51:15,590 --> 01:51:13,380

that

2989

01:51:17,870 --> 01:51:15,600

I haven't I do like Praveen I thought I

2990

01:51:20,090 --> 01:51:17,880

saw that yeah there it is could be beast

2991

01:51:22,370 --> 01:51:20,100

from the X-Men

2992

01:51:23,570 --> 01:51:22,380

yeah good old property man I've been

2993

01:51:25,550 --> 01:51:23,580

trying to get him on the show he's hard

2994

01:51:26,810 --> 01:51:25,560

to get hold of well do you have

2995

01:51:28,850 --> 01:51:26,820

something that you want to plug that's

2996

01:51:30,709 --> 01:51:28,860

coming up but you do you do these spaces

2997

01:51:32,870 --> 01:51:30,719

just whenever you feel like it don't you

2998

01:51:34,490 --> 01:51:32,880

I do but I do another show with uh

2999

01:51:36,109 --> 01:51:34,500

Kimball called UFO intros and that's

3000

01:51:37,669 --> 01:51:36,119

where I get like all the big guests on

3001

01:51:39,169 --> 01:51:37,679

and stuff like that and we have like a

3002

01:51:41,270 --> 01:51:39,179

spaces discussion with them we'll do

3003

01:51:42,590 --> 01:51:41,280

like an hour interview trying to figure

3004

01:51:43,850 --> 01:51:42,600

out what drives them what got them to do

3005

01:51:45,229 --> 01:51:43,860

it then we'll open up the floor and then

3006

01:51:46,970 --> 01:51:45,239

it will well you better give your

3007

01:51:48,709 --> 01:51:46,980

Twitter handle so that people can find

3008

01:51:50,689 --> 01:51:48,719

you because you post these things on

3009

01:51:53,689 --> 01:51:50,699

Twitter you give your Twitter handle out

3010

01:51:55,609 --> 01:51:53,699

it's a it's it's not UFO Shane

3011

01:51:57,910 --> 01:51:55,619

unfortunately it's Turtle of time one

3012

01:54:14,209 --> 01:54:11,580

upgrade them and get them really rock

3067

01:54:16,250 --> 01:54:14,219
