SHOCKING NEW REVELATIONS!

1
00:00:04,920 --> 00:00:09,070

[Music]

2
00:00:16,970 --> 00:00:13,669

yellow Jeremy it's Papa Lou oh hey dude

3
00:00:19,189 --> 00:00:16,980

dude man so like Whoa man this is like

4
00:00:22,010 --> 00:00:19,199

so crazy because like man I was thinking

5
00:00:24,050 --> 00:00:22,020

man like aliens are so cool and like you

6
00:00:26,630 --> 00:00:24,060

you dude you used to work with aliens

7
00:00:29,210 --> 00:00:26,640

man and so like I was thinking about you

8
00:00:32,210 --> 00:00:29,220

know well I was thinking about like you

9
00:00:33,709 --> 00:00:32,220

because you were at like a tip dude well

10
00:00:34,670 --> 00:00:33,719

not officially but whatever man that

11
00:00:37,850 --> 00:00:34,680

doesn't matter

12
00:00:39,530 --> 00:00:37,860

anyways crazy man I mean crazy am I

13
00:00:41,330 --> 00:00:39,540

right or am I right why aren't you

14

00:00:43,130 --> 00:00:41,340

talking my dude am I rambling again

15

00:00:45,410 --> 00:00:43,140

because if I'm rambling it could

16

00:00:47,690 --> 00:00:45,420

possibly be my UAP anxiety or it could

17

00:00:49,549 --> 00:00:47,700

be the mushrooms okay so like I know you

18

00:00:51,529 --> 00:00:49,559

hate when I ramble so I'm gonna just

19

00:00:53,750 --> 00:00:51,539

stop talking because I'm not gonna lie

20

00:00:55,910 --> 00:00:53,760

that last camping trip dude unfucking

21

00:00:58,430 --> 00:00:55,920

acceptable I know I wouldn't stop

22

00:01:00,290 --> 00:00:58,440

rambling about the Baghdad Phantom but

23

00:01:02,150 --> 00:01:00,300

like you didn't need to beat the living

24

00:01:04,729 --> 00:01:02,160

[h__\h] out of me in front of everyone not

25

00:01:07,429 --> 00:01:04,739

cool okay anyways what was I talking

26
00:01:08,870 --> 00:01:07,439
about [h__h] I'm like freaking three weed

27
00:01:12,170 --> 00:01:08,880
brownies into the Unicorn pit and I need

28
00:01:13,969 --> 00:01:12,180
you my dude Lou Lou are you there Jeremy

29
00:01:15,770 --> 00:01:13,979
[h__h] Jeremy shut the [h__h] up my God

30
00:01:17,810 --> 00:01:15,780
every time I call you do you have to be

31
00:01:19,130 --> 00:01:17,820
on mushrooms every time I call you well

32
00:01:21,530 --> 00:01:19,140
yeah man it helps me connect to Bob

33
00:01:22,850 --> 00:01:21,540
lazar's spirit animal oh for Christ's

34
00:01:25,550 --> 00:01:22,860
sake Jeremy can we drop [h__h] Bob

35
00:01:27,830 --> 00:01:25,560
Lazar please so dude you got to hear

36
00:01:29,330 --> 00:01:27,840
this dream man so I'm saddlebacking Bob

37
00:01:31,810 --> 00:01:29,340
Lazar Spirit Buffalo and we're like

38
00:01:35,569 --> 00:01:31,820

surfing on a wave of element 115 right

39

00:01:36,530 --> 00:01:35,579

and so then oh my God I'm just gonna do

40

00:01:38,450 --> 00:01:36,540

it

41

00:01:40,910 --> 00:01:38,460

I'm just gonna kill myself right now

42

00:01:43,609 --> 00:01:40,920

right so then I'm like whoa he's like

43

00:01:45,530 --> 00:01:43,619

whoa and we're like whoa we come up to a

44

00:01:48,109 --> 00:01:45,540

white mountain top and then the

45

00:01:49,609 --> 00:01:48,119

Mountaintop says to me get this it get

46

00:01:51,109 --> 00:01:49,619

well you're not gonna believe what it

47

00:01:55,550 --> 00:01:51,119

said but it was like weaponize your

48

00:01:59,330 --> 00:01:57,649

sorry I mean yeah look that's great but

49

00:02:01,130 --> 00:01:59,340

can we right so we merge into the

50

00:02:03,170 --> 00:02:01,140

Mountaintop and [h__h] I forgot what

51
00:02:04,969 --> 00:02:03,180
happened oh yeah so then my bobbles or

52
00:02:06,709 --> 00:02:04,979
Buffalo grows angel wings and we go

53
00:02:08,570 --> 00:02:06,719
through a wormhole to Area 51 and can

54
00:02:11,150 --> 00:02:08,580
you guess who was there dude just kill

55
00:02:13,610 --> 00:02:11,160
me please well hold on Mr impatient

56
00:02:15,949 --> 00:02:13,620
pants so dude get this it was the

57
00:02:17,869 --> 00:02:15,959
Baghdad [h__h] Phantom yeah dude I

58
00:02:20,150 --> 00:02:17,879
swear to God In the Flesh [h__h]

59
00:02:21,890 --> 00:02:20,160
contrails and everything so I'm like

60
00:02:24,050 --> 00:02:21,900
[h__h] I need to get this filmed or my

61
00:02:26,150 --> 00:02:24,060
next podcast is going to tank worse than

62
00:02:28,190 --> 00:02:26,160
the last one so then Eric Davis starts

63
00:02:30,229 --> 00:02:28,200

vomiting Dino beavers and I'm like whoa

64

00:02:32,210 --> 00:02:30,239

whoa dude whoa so I didn't plan for this

65

00:02:34,729 --> 00:02:32,220

right so I'm like dude what the [h__h]

66

00:02:36,290 --> 00:02:34,739

Eric so then a dragon shows up and he's

67

00:02:37,990 --> 00:02:36,300

got his three little alien babies and

68

00:02:44,110 --> 00:02:38,000

I'm like

69

00:02:47,809 --> 00:02:46,190

and I was like whatever dude it's not

70

00:02:50,089 --> 00:02:47,819

like Bobby you are the one who owns a

71

00:02:51,589 --> 00:02:50,099

brother and I'm like is this the DMT

72

00:02:55,369 --> 00:02:51,599

Highway does anyone have a [h__h]

73

00:02:57,350 --> 00:02:55,379

Batman because I'm lost shut the [h__h] up

74

00:02:59,270 --> 00:02:57,360

just shut [h__h] up please

75

00:03:01,130 --> 00:02:59,280

Jesus

76

00:03:03,410 --> 00:03:01,140

look Jeremy we're in a bit of trouble

77

00:03:05,210 --> 00:03:03,420

okay I need you to focus and listen to

78

00:03:07,850 --> 00:03:05,220

the words coming out of my mouth

79

00:03:09,470 --> 00:03:07,860

that UAP hearing has made me look like a

80

00:03:11,449 --> 00:03:09,480

blowhard

81

00:03:12,949 --> 00:03:11,459

everyone now knows all my [h__\h] that

82

00:03:14,869 --> 00:03:12,959

I've been spouting off about higher

83

00:03:16,850 --> 00:03:14,879

resolution videos and recovered alien

84

00:03:18,710 --> 00:03:16,860

materials yeah where are those by the

85

00:03:20,630 --> 00:03:18,720

way Jeremy we've been through this they

86

00:03:22,970 --> 00:03:20,640

don't exist oh that's right you're full

87

00:03:25,210 --> 00:03:22,980

of [h__\h] I've got Mick West debunking

88

00:03:28,430 --> 00:03:25,220

every video I stole from the Pentagon

89

00:03:31,009 --> 00:03:28,440

simultaneously I have Lou reviews outing

90

00:03:33,649 --> 00:03:31,019

my private texts where I lied about the

91

00:03:36,350 --> 00:03:33,659

Felon five on top of that every [h__h]

92

00:03:38,630 --> 00:03:36,360

week UFO Judas trolls the [h__h] out of me

93

00:03:40,250 --> 00:03:38,640

with his videos it's all falling apart

94

00:03:42,350 --> 00:03:40,260

Jeremy

95

00:03:44,270 --> 00:03:42,360

no matter how much I promote myself on

96

00:03:46,789 --> 00:03:44,280

sock puppet accounts people are losing

97

00:03:47,809 --> 00:03:46,799

their faith I'm losing control of the

98

00:03:49,970 --> 00:03:47,819

narrative

99

00:03:51,890 --> 00:03:49,980

can you imagine how bad it will get when

100

00:03:54,470 --> 00:03:51,900

my useful little idiot king milk fart

101
00:03:56,690 --> 00:03:54,480
finds out I've deceived him the trolling

102
00:03:58,250 --> 00:03:56,700
will never end from that twit Jeremy

103
00:04:00,050 --> 00:03:58,260
I've tried everything I've gone silent

104
00:04:02,330 --> 00:04:00,060
off Twitter hoping this whole thing goes

105
00:04:05,330 --> 00:04:02,340
away but it doesn't

106
00:04:07,970 --> 00:04:05,340
Lu Angeles just when I think he's gone

107
00:04:09,890 --> 00:04:07,980
he comes back to haunt me just thinking

108
00:04:11,990 --> 00:04:09,900
about him scares the [h__\h] out of me then

109
00:04:13,850 --> 00:04:12,000
you have Nick West he's even scarier my

110
00:04:16,430 --> 00:04:13,860
God the terror of it all I'm gonna have

111
00:04:21,110 --> 00:04:16,440
a goddamn nervous breakdown Jesus hang

112
00:04:21,120 --> 00:04:41,210
foreign

113
00:04:45,830 --> 00:04:44,030

I'm getting desperate Jeremy I have my

114

00:04:49,010 --> 00:04:45,840

book coming out and all the book has is

115

00:04:50,810 --> 00:04:49,020

carrots on a stick and ndas sometimes I

116

00:04:52,909 --> 00:04:50,820

sit alone cleaning my pistol and I

117

00:04:55,670 --> 00:04:52,919

wonder what if

118

00:04:57,409 --> 00:04:55,680

you know what I mean cranberries yeah

119

00:04:58,430 --> 00:04:57,419

I don't know why I even bother with you

120

00:05:00,710 --> 00:04:58,440

Jeremy

121

00:05:02,570 --> 00:05:00,720

uh I mean Jesus Christ you are

122

00:05:04,249 --> 00:05:02,580

absolutely [h__h] useless

123

00:05:05,930 --> 00:05:04,259

but I need you for something I need you

124

00:05:08,270 --> 00:05:05,940

to pull your little peanut together and

125

00:05:09,890 --> 00:05:08,280

pull some propaganda for me I need you

126

00:05:12,530 --> 00:05:09,900

to call up Napster and let him know

127

00:05:14,870 --> 00:05:12,540

we're gonna need two weaponized podcasts

128

00:05:17,090 --> 00:05:14,880

I want these podcasts dedicated solely

129

00:05:19,010 --> 00:05:17,100

to promoting me as a hero to the UFO

130

00:05:21,409 --> 00:05:19,020

Community I want my zealots motivated

131

00:05:23,570 --> 00:05:21,419

and dogmatic I want them believing I'm

132

00:05:25,370 --> 00:05:23,580

the next coming of Christ I want you to

133

00:05:27,650 --> 00:05:25,380

tell them all of the amazing things I've

134

00:05:30,230 --> 00:05:27,660

been doing for the UFO Community like

135

00:05:31,310 --> 00:05:30,240

what I don't know make something up I

136

00:05:33,469 --> 00:05:31,320

want them thinking I've been working

137

00:05:35,450 --> 00:05:33,479

behind the scenes briefing the aaro

138

00:05:37,790 --> 00:05:35,460

unfortunately that [\h__\h] Sean

139

00:05:39,590 --> 00:05:37,800

Kirkpatrick knows I'm full of [\h__\h] and

140

00:05:41,749 --> 00:05:39,600

won't take any more secret meetings from

141

00:05:42,950 --> 00:05:41,759

me every minute these [\h__\h] keep

142

00:05:45,290 --> 00:05:42,960

exposing the truth there's another

143

00:05:48,950 --> 00:05:45,300

minute I'm losing my influence this

144

00:05:50,510 --> 00:05:48,960

needs to be fixed ASAP Jeremy now if you

145

00:05:52,310 --> 00:05:50,520

can't manage to do this without [\h__\h]

146

00:05:54,230 --> 00:05:52,320

it all up well

147

00:05:55,670 --> 00:05:54,240

Jeremy let me just say this

148

00:05:57,650 --> 00:05:55,680

I don't want to have to get physical

149

00:05:59,689 --> 00:05:57,660

with you again do you understand what

150

00:06:01,129 --> 00:05:59,699

I'm saying Jeremy yet you're saying

151

00:06:03,590 --> 00:06:01,139

you'll beat the living dog [h__h] out of

152

00:06:05,150 --> 00:06:03,600

me again good then I expect to hear the

153

00:06:07,610 --> 00:06:05,160

podcast next week now I want you to

154

00:06:09,830 --> 00:06:07,620

title it Lou [h__h] Rambo Elizondo

155

00:06:12,469 --> 00:06:09,840

Skeptics beware

156

00:06:13,969 --> 00:06:12,479

cool man will do Rambo hey man so like

157

00:06:17,150 --> 00:06:13,979

158

00:06:20,870 --> 00:06:19,430

lose such a great dude

159

00:06:22,230 --> 00:06:20,880

well Bob you ready to head back to the
