TRINITY

THE BEST-KEPT SECRET

1
00:00:28,750 --> 00:00:21,090
[Music]

2
00:00:28,760 --> 00:00:38,730
thank you

3
00:00:38,740 --> 00:00:43,069
[Music]

4
00:00:43,079 --> 00:00:48,170
foreign

5
00:02:06,090 --> 00:01:12,950
[Music]

6
00:02:28,320 --> 00:02:06,100
foreign

7
00:03:17,809 --> 00:02:49,700
[Music]

8
00:03:39,070 --> 00:03:19,730
foreign

9
00:04:14,830 --> 00:03:54,040
[Music]

10
00:04:21,530 --> 00:04:18,110
greetings and salutations friends and

11
00:04:23,689 --> 00:04:21,540
welcome back we are back and uh I

12
00:04:26,090 --> 00:04:23,699
apologize uh for not being here

13
00:04:29,270 --> 00:04:26,100

yesterday uh but I thought it would be

14

00:04:32,170 --> 00:04:29,280

best if I uh focus on an interview that

15

00:04:34,850 --> 00:04:32,180

I did yesterday it's on spaced out radio

16

00:04:37,129 --> 00:04:34,860

uh and I'm a terrible show host I should

17

00:04:40,189 --> 00:04:37,139

add it to the description of the video I

18

00:04:41,990 --> 00:04:40,199

will do that and uh please not until

19

00:04:44,210 --> 00:04:42,000

after tonight's broadcast and

20

00:04:47,870 --> 00:04:44,220

presentation but feel free to check that

21

00:04:49,249 --> 00:04:47,880

out uh I had a good time and to be quite

22

00:04:50,689 --> 00:04:49,259

honest I thought it was going to be a

23

00:04:54,590 --> 00:04:50,699

lot more uh

24

00:04:56,810 --> 00:04:54,600

drama and fireworks and contention

25

00:04:59,930 --> 00:04:56,820

um but uh it was it was a good

26

00:05:02,450 --> 00:04:59,940

conversation and I think that I may be

27

00:05:05,749 --> 00:05:02,460

doing uh a lot more interviews for those

28

00:05:09,110 --> 00:05:05,759

unaware people ask me uh frequently to

29

00:05:12,290 --> 00:05:09,120

do guest spots but I always think that

30

00:05:14,870 --> 00:05:12,300

my time is really better spent here

31

00:05:17,150 --> 00:05:14,880

uh and I try to make time occasionally

32

00:05:20,030 --> 00:05:17,160

to do it I'm gonna try to make more time

33

00:05:22,610 --> 00:05:20,040

to do it uh for the right parties as

34

00:05:25,570 --> 00:05:22,620

well uh and I thank and appreciate

35

00:05:29,390 --> 00:05:25,580

everybody who has offered uh

36

00:05:32,450 --> 00:05:29,400

to have me uh come in and talk on their

37

00:05:35,930 --> 00:05:32,460

show or have a conversation I'm open to

38

00:05:38,390 --> 00:05:35,940

that and I'm trying to be more open with

39

00:05:40,790 --> 00:05:38,400

uh with all

40

00:05:43,490 --> 00:05:40,800

people of different belief systems let's

41

00:05:46,670 --> 00:05:43,500

just leave it at that because

42

00:05:48,830 --> 00:05:46,680

you know that interview yesterday was a

43

00:05:52,969 --> 00:05:48,840

perfect example like Dave and I probably

44

00:05:54,650 --> 00:05:52,979

disagree on a lot a lot of things but we

45

00:05:55,969 --> 00:05:54,660

still had a civil and interesting

46

00:05:58,010 --> 00:05:55,979

conversation

47

00:06:00,710 --> 00:05:58,020

and uh I would welcome that going

48

00:06:02,810 --> 00:06:00,720

forward in the future uh tonight we're

49

00:06:05,629 --> 00:06:02,820

going to be talking about of course the

50

00:06:08,330 --> 00:06:05,639

Trinity the famous Trinity UFO case

51
00:06:13,370 --> 00:06:08,340
which was called Trinity the best kept

52
00:06:15,350 --> 00:06:13,380
secret in a recent book by Paul

53
00:06:18,469 --> 00:06:15,360
I don't know how to say her middle name

54
00:06:20,810 --> 00:06:18,479
now Paul I'll just say Paul Harris and

55
00:06:22,909 --> 00:06:20,820
Jacques valet

56
00:06:26,510 --> 00:06:22,919
um and I of course

57
00:06:28,210 --> 00:06:26,520
I read this book and I uh purchased this

58
00:06:33,670 --> 00:06:28,220
book and I read this book

59
00:06:37,670 --> 00:06:33,680
some time ago and I uh well recently

60
00:06:40,490 --> 00:06:37,680
and I was uh really to be quite honest

61
00:06:42,650 --> 00:06:40,500
with you I was intrigued by the book and

62
00:06:45,170 --> 00:06:42,660
I was also

63
00:06:48,290 --> 00:06:45,180

to be quite honest with you I was

64

00:06:50,689 --> 00:06:48,300

the two things about the book many many

65

00:06:53,689 --> 00:06:50,699

people were surprised that Jacques valet

66

00:06:56,270 --> 00:06:53,699

did a book with Paul Harris and for

67

00:06:58,249 --> 00:06:56,280

those unaware Jacques valet is sort of a

68

00:07:02,210 --> 00:06:58,259

more serious Science Guy very well

69

00:07:03,110 --> 00:07:02,220

respected and admired uh among UFO

70

00:07:06,409 --> 00:07:03,120

people

71

00:07:09,490 --> 00:07:06,419

uh I found him to be an interesting

72

00:07:12,909 --> 00:07:09,500

person and researcher and a serious man

73

00:07:16,490 --> 00:07:12,919

but Paula Harris on the other hand is

74

00:07:19,189 --> 00:07:16,500

absolutely off the rails of the Wu train

75

00:07:21,650 --> 00:07:19,199

Paul Harris believes everybody Billy

76

00:07:23,450 --> 00:07:21,660

Myers real Bob Lazar is real it's all

77

00:07:26,390 --> 00:07:23,460

real everything that has to do with

78

00:07:29,270 --> 00:07:26,400

aliens everybody telling a story Paula

79

00:07:31,189 --> 00:07:29,280

Harris there that's a true story she

80

00:07:33,469 --> 00:07:31,199

fully supports to the best of my

81

00:07:35,930 --> 00:07:33,479

knowledge and recollection she fully

82

00:07:38,270 --> 00:07:35,940

supports Billy Myers story being real

83

00:07:40,010 --> 00:07:38,280

Bob Lazar story being real and many many

84

00:07:41,870 --> 00:07:40,020

more

85

00:07:44,689 --> 00:07:41,880

um essentially anybody that comes out

86

00:07:46,370 --> 00:07:44,699

with a story about aliens she thinks

87

00:07:48,890 --> 00:07:46,380

it's true and supports it

88

00:07:51,589 --> 00:07:48,900

so many many people were surprised

89

00:07:53,990 --> 00:07:51,599

shocked even that Jacques valet would be

90

00:07:56,749 --> 00:07:54,000

doing a book with Paul Harris and in

91

00:08:00,589 --> 00:07:56,759

fact I'm told uh that several people

92

00:08:02,210 --> 00:08:00,599

cautioned Mr valet against doing a book

93

00:08:05,809 --> 00:08:02,220

with Paul Harris

94

00:08:09,770 --> 00:08:05,819

with the belief that if Paul Harris is

95

00:08:12,770 --> 00:08:09,780

involved in a story it's probably fake

96

00:08:15,830 --> 00:08:12,780

um but despite uh being warned by that

97

00:08:19,189 --> 00:08:15,840

Mr valet went ahead and investigated

98

00:08:20,770 --> 00:08:19,199

this story and did a book with this

99

00:08:25,129 --> 00:08:20,780

Paula Harris

100

00:08:28,029 --> 00:08:25,139

who has been well known to uh let's just

101
00:08:31,670 --> 00:08:28,039
say play fast and loose with the facts

102
00:08:33,769 --> 00:08:31,680
in my opinion in many previous cases

103
00:08:36,050 --> 00:08:33,779
but before we begin tonight's

104
00:08:38,570 --> 00:08:36,060
presentation I had a

105
00:08:40,610 --> 00:08:38,580
uh some thoughts that I would like to

106
00:08:43,070 --> 00:08:40,620
share with all of you

107
00:08:46,910 --> 00:08:43,080
and that is about

108
00:08:48,769 --> 00:08:46,920
the nature of our all of our journey to

109
00:08:50,509 --> 00:08:48,779
truth

110
00:08:53,509 --> 00:08:50,519
um

111
00:08:54,710 --> 00:08:53,519
we see that in life there are revealers

112
00:08:57,530 --> 00:08:54,720
of Truth

113
00:08:58,550 --> 00:08:57,540

and there are inevitably concealers of

114

00:09:01,850 --> 00:08:58,560

Truth

115

00:09:02,990 --> 00:09:01,860

in life unfortunately you will encounter

116

00:09:08,509 --> 00:09:03,000

both

117

00:09:10,790 --> 00:09:08,519

your eyes your thoughts and your mind

118

00:09:11,990 --> 00:09:10,800

but you must guard your mind especially

119

00:09:15,050 --> 00:09:12,000

wisely

120

00:09:17,630 --> 00:09:15,060

all of us must Choose Wisely and allow

121

00:09:19,790 --> 00:09:17,640

revealers of Truth to enter our lives

122

00:09:22,730 --> 00:09:19,800

and our minds

123

00:09:25,970 --> 00:09:22,740

and we must at all times diligently

124

00:09:28,370 --> 00:09:25,980

refuse to allow the concealers of Truth

125

00:09:31,370 --> 00:09:28,380

to deceive us to manipulate us into

126
00:09:32,810 --> 00:09:31,380
believing their self-serving lives

127
00:09:36,230 --> 00:09:32,820
designed

128
00:09:38,570 --> 00:09:36,240
to conceal the truth from us

129
00:09:41,269 --> 00:09:38,580
there are people you will meet on your

130
00:09:42,230 --> 00:09:41,279
journey who are revealing to you the

131
00:09:45,530 --> 00:09:42,240
truth

132
00:09:48,290 --> 00:09:45,540
and then there are also people you will

133
00:09:52,730 --> 00:09:48,300
meet on your journey who are concealing

134
00:09:56,389 --> 00:09:52,740
the truth from you with various methods

135
00:09:58,430 --> 00:09:56,399
all of us must ask ourselves while on

136
00:10:00,470 --> 00:09:58,440
our journey who we will choose to

137
00:10:03,470 --> 00:10:00,480
support

138
00:10:04,670 --> 00:10:03,480

who we will choose to let enter our

139

00:10:07,030 --> 00:10:04,680

sphere

140

00:10:10,370 --> 00:10:07,040

will we support the revealers of Truth

141

00:10:12,170 --> 00:10:10,380

or will we support the concealers of

142

00:10:15,590 --> 00:10:12,180

Truth

143

00:10:17,210 --> 00:10:15,600

clearly those concealing the truth can

144

00:10:20,509 --> 00:10:17,220

fool some people

145

00:10:22,730 --> 00:10:20,519

but not you you will evaluate the

146

00:10:25,850 --> 00:10:22,740

available information you will hear both

147

00:10:28,310 --> 00:10:25,860

sides of the story whenever possible and

148

00:10:32,870 --> 00:10:28,320

you will decide for yourself

149

00:10:35,269 --> 00:10:32,880

who is a revealer of Truth and who is a

150

00:10:38,150 --> 00:10:35,279

concealer of Truth

151
00:10:41,350 --> 00:10:38,160
you are lucky for you are armed with

152
00:10:45,530 --> 00:10:41,360
your own curiosity and your own

153
00:10:47,509 --> 00:10:45,540
insatiable quest for the truth

154
00:10:50,509 --> 00:10:47,519
and during that Quest

155
00:10:53,030 --> 00:10:50,519
you will meet revealers of Truth

156
00:10:58,910 --> 00:10:53,040
and you will also

157
00:11:04,069 --> 00:11:01,790
you must ask yourself about those that

158
00:11:07,130 --> 00:11:04,079
you have met on your journey

159
00:11:08,810 --> 00:11:07,140
are they revealers of Truth or are they

160
00:11:10,790 --> 00:11:08,820
concealers

161
00:11:13,850 --> 00:11:10,800
of that truth

162
00:11:17,210 --> 00:11:13,860
who has revealed the truth to you

163
00:11:20,509 --> 00:11:17,220

who has been kind and offered you all

164

00:11:23,050 --> 00:11:20,519

available evidence and data

165

00:11:27,110 --> 00:11:23,060

who has tried it every turn imaginable

166

00:11:30,110 --> 00:11:27,120

to conceal that truth from you

167

00:11:33,350 --> 00:11:30,120

who has offered you evidence all that

168

00:11:36,170 --> 00:11:33,360

they were able to find and plenty of

169

00:11:37,670 --> 00:11:36,180

data to support their arguments and

170

00:11:39,889 --> 00:11:37,680

conclusion

171

00:11:42,829 --> 00:11:39,899

who has done hundreds of hours of

172

00:11:44,930 --> 00:11:42,839

research careful investigation fact

173

00:11:47,690 --> 00:11:44,940

checking and

174

00:11:52,850 --> 00:11:47,700

who has done their due diligence before

175

00:11:54,410 --> 00:11:52,860

drawing conclusions or making statements

176

00:11:56,630 --> 00:11:54,420

pretending

177

00:11:57,949 --> 00:11:56,640

to have facts in hand when they have

178

00:11:59,870 --> 00:11:57,959

none

179

00:12:03,889 --> 00:11:59,880

at times

180

00:12:06,769 --> 00:12:03,899

it's always best to believe

181

00:12:09,889 --> 00:12:06,779

the people who have facts in hand before

182

00:12:12,170 --> 00:12:09,899

putting their mouth in gear

183

00:12:14,329 --> 00:12:12,180

who has done nothing but run their mouth

184

00:12:17,329 --> 00:12:14,339

talking about everything but that

185

00:12:20,930 --> 00:12:17,339

inconvenient mountain of evidence

186

00:12:24,050 --> 00:12:20,940

that the truth revealers have given you

187

00:12:26,569 --> 00:12:24,060

actually provided for you

188

00:12:29,870 --> 00:12:26,579

who has been direct and offered you

189

00:12:30,949 --> 00:12:29,880

facts and been at all times whenever

190

00:12:33,590 --> 00:12:30,959

possible

191

00:12:35,329 --> 00:12:33,600

as honest with you as they possibly

192

00:12:37,730 --> 00:12:35,339

could

193

00:12:40,630 --> 00:12:37,740

who has muddied the waters who has used

194

00:12:44,629 --> 00:12:40,640

deception deflection

195

00:12:51,050 --> 00:12:47,389

who has muddied the waters use deception

196

00:12:52,730 --> 00:12:51,060

deflection obfuscation and more to

197

00:12:55,370 --> 00:12:52,740

mislead you

198

00:12:59,329 --> 00:12:55,380

who has shown you the evidence

199

00:13:02,269 --> 00:12:59,339

and who has refused to let you see that

200

00:13:07,129 --> 00:13:04,610

who has given you a mountain of evidence

201
00:13:09,710 --> 00:13:07,139
to support their claims

202
00:13:13,550 --> 00:13:09,720
and who has lied to you and told you

203
00:13:15,769 --> 00:13:13,560
that there is no evidence

204
00:13:17,810 --> 00:13:15,779
on your journey to truth you must

205
00:13:20,629 --> 00:13:17,820
remember

206
00:13:23,690 --> 00:13:20,639
who has told you the truth with actual

207
00:13:27,129 --> 00:13:23,700
proof and evidence and who has lied to

208
00:13:30,230 --> 00:13:27,139
you with no evidence to support their

209
00:13:33,170 --> 00:13:30,240
self-serving lies

210
00:13:35,810 --> 00:13:33,180
in life there are revealers of Truth and

211
00:13:39,170 --> 00:13:35,820
there are concealers of Truth

212
00:13:41,750 --> 00:13:39,180
Choose Wisely who you will support

213
00:13:44,930 --> 00:13:41,760

Choose Wisely who you will lend your

214

00:13:47,329 --> 00:13:44,940

eyes your ears and especially Choose

215

00:13:53,449 --> 00:13:47,339

Wisely who you will let occupy your

216

00:13:59,329 --> 00:13:56,810

will you support a revealer of Truth

217

00:14:02,210 --> 00:13:59,339

or will you be deceived

218

00:14:04,970 --> 00:14:02,220

by a concealer of Truth

219

00:14:07,970 --> 00:14:04,980

Choose Wisely Traveler

220

00:14:09,290 --> 00:14:07,980

and I wish you the best of luck on your

221

00:14:11,569 --> 00:14:09,300

own Journey

222

00:14:14,629 --> 00:14:11,579

to find the truth

223

00:14:17,509 --> 00:14:14,639

and with that we will begin this

224

00:14:20,090 --> 00:14:17,519

evening's presentation but first we want

225

00:14:22,490 --> 00:14:20,100

to make sure that we welcome the members

226

00:14:24,650 --> 00:14:22,500

of the live chat with a great crowd we

227

00:14:25,610 --> 00:14:24,660

have this evening already filling up in

228

00:14:29,810 --> 00:14:25,620

there

229

00:14:31,370 --> 00:14:29,820

and uh we are going to uh oh look at

230

00:14:34,190 --> 00:14:31,380

that we've already missed some super

231

00:14:35,930 --> 00:14:34,200

chats so uh let's read those before we

232

00:14:37,370 --> 00:14:35,940

begin tonight's presentation and I'm

233

00:14:38,930 --> 00:14:37,380

going to do my best to get through the

234

00:14:40,610 --> 00:14:38,940

super chats as we go through the

235

00:14:43,850 --> 00:14:40,620

presentation I have an awful lot to

236

00:14:45,470 --> 00:14:43,860

share with you uh this is going to be uh

237

00:14:47,810 --> 00:14:45,480

very interesting because I've been

238

00:14:49,870 --> 00:14:47,820

reading about this case and the recent

239

00:14:52,850 --> 00:14:49,880

Revelations about it are

240

00:14:55,490 --> 00:14:52,860

extremely troubling we want to thank

241

00:14:56,990 --> 00:14:55,500

Patrick Sheehan for Kylie Jenner's 4.99

242

00:14:58,910 --> 00:14:57,000

super sticker thank you for your

243

00:15:00,889 --> 00:14:58,920

kindness generation generosity and

244

00:15:04,189 --> 00:15:00,899

support and helping us to praise the

245

00:15:06,170 --> 00:15:04,199

cash and Deb from Sac is here uh and we

246

00:15:07,910 --> 00:15:06,180

want to thank Deb from sack for for two

247

00:15:10,310 --> 00:15:07,920

things both being a member and a kindly

248

00:15:12,230 --> 00:15:10,320

generous five dollar super sticker thank

249

00:15:13,910 --> 00:15:12,240

you for helping us to praise the cash we

250

00:15:15,590 --> 00:15:13,920

have zizzix another member with the kind

251

00:15:18,230 --> 00:15:15,600

and generous two dollar Super Chat

252

00:15:21,769 --> 00:15:18,240

starting the show off praising the cash

253

00:15:24,710 --> 00:15:21,779

wonderfully this evening and actually uh

254

00:15:29,629 --> 00:15:24,720

before I forget uh I want to take a

255

00:15:36,050 --> 00:15:33,650

you PayPal pledgers uh there has been an

256

00:15:39,470 --> 00:15:36,060

extreme outpouring of support lately

257

00:15:43,069 --> 00:15:39,480

hundreds of dollars flowing in uh to the

258

00:15:45,889 --> 00:15:43,079

till uh from ukine and generous uh

259

00:15:49,129 --> 00:15:45,899

patreon supporters and so we want to be

260

00:15:50,629 --> 00:15:49,139

sure that we take a moment and and thank

261

00:15:53,449 --> 00:15:50,639

you

262

00:15:55,310 --> 00:15:53,459

um one second let me just do that real

263

00:15:57,710 --> 00:15:55,320

quickly before we move on with this

264

00:15:59,569 --> 00:15:57,720

evening's presentation

265

00:16:02,870 --> 00:15:59,579

um

266

00:16:05,389 --> 00:16:02,880

uh so we want to thank uh Tracy for a

267

00:16:07,730 --> 00:16:05,399

Kind and Generous 20 PayPal pledge we

268

00:16:10,790 --> 00:16:07,740

want to thank Tracy for their kindness

269

00:16:13,730 --> 00:16:10,800

generosity and support and the note says

270

00:16:16,189 --> 00:16:13,740

I'm enjoying you exposing the wackadus

271

00:16:17,990 --> 00:16:16,199

well I'm enjoying exposing the wackados

272

00:16:19,550 --> 00:16:18,000

myself so thank you for your kindness

273

00:16:22,009 --> 00:16:19,560

generosity and support

274

00:16:23,590 --> 00:16:22,019

we want to thank Kent for kind and

275

00:16:26,750 --> 00:16:23,600

generous 25

276

00:16:29,990 --> 00:16:26,760

uh no message but thank you Kent for

277

00:16:31,790 --> 00:16:30,000

your kindness generosity and support we

278

00:16:34,550 --> 00:16:31,800

definitely appreciate it kind and

279

00:16:36,769 --> 00:16:34,560

generous 25 PayPal pledge then we want

280

00:16:40,129 --> 00:16:36,779

to of course thank Daniel for a Kind and

281

00:16:41,870 --> 00:16:40,139

Generous uh 15 PayPal pledge says email

282

00:16:44,210 --> 00:16:41,880

finished and sent thanks for your time

283

00:16:46,009 --> 00:16:44,220

praise the cash well Daniel is helping

284

00:16:48,650 --> 00:16:46,019

us to praise the cash with kind and

285

00:16:52,069 --> 00:16:48,660

generous PayPal pledge

286

00:16:53,810 --> 00:16:52,079

um and we also want to be sure uh that

287

00:16:56,030 --> 00:16:53,820

we thank AJ

288

00:16:59,150 --> 00:16:56,040

uh for a while what an incredible

289

00:17:00,829 --> 00:16:59,160

hundred dollar PayPal pledge and the

290

00:17:03,789 --> 00:17:00,839

note says very important role you play

291

00:17:06,350 --> 00:17:03,799

brother don't say my name on the

292

00:17:08,630 --> 00:17:06,360

don't say my name on the podcast for the

293

00:17:10,850 --> 00:17:08,640

donation well we already did I apologize

294

00:17:12,470 --> 00:17:10,860

I'm sorry I should have read it first I

295

00:17:15,350 --> 00:17:12,480

know a few of the people personally that

296

00:17:17,030 --> 00:17:15,360

you are uh correctly destroying what

297

00:17:19,010 --> 00:17:17,040

you're doing is exactly what's needed to

298

00:17:20,689 --> 00:17:19,020

be done I'll keep supporting your show

299

00:17:23,270 --> 00:17:20,699

whenever I can well thank you for your

300

00:17:24,650 --> 00:17:23,280

kindness generosity and support

301
00:17:25,250 --> 00:17:24,660
um and we have

302
00:17:27,770 --> 00:17:25,260
um

303
00:17:29,510 --> 00:17:27,780
we have Maria with another kind and

304
00:17:31,909 --> 00:17:29,520
generous this one's a hundred and fifty

305
00:17:33,310 --> 00:17:31,919
dollar PayPal the generosity has just

306
00:17:36,049 --> 00:17:33,320
blown me away

307
00:17:38,810 --> 00:17:36,059
and the note says keep doing what you

308
00:17:40,789 --> 00:17:38,820
are doing much needed in the community

309
00:17:44,090 --> 00:17:40,799
I have been watching you for several

310
00:17:46,130 --> 00:17:44,100
months and I am fascinated by all that

311
00:17:47,990 --> 00:17:46,140
you bring to the table well thank you

312
00:17:50,930 --> 00:17:48,000
for your kindness generosity and support

313
00:17:52,789 --> 00:17:50,940

it is much much appreciated

314

00:17:55,730 --> 00:17:52,799

um let me make sure

315

00:17:58,730 --> 00:17:55,740

and uh we have Sweet Caroline with kind

316

00:18:00,710 --> 00:17:58,740

and generous 20 PayPal as well says

317

00:18:03,230 --> 00:18:00,720

praise great show tonight praise the

318

00:18:05,870 --> 00:18:03,240

cash yeah we're praising it pretty good

319

00:18:08,690 --> 00:18:05,880

tonight boy this is a great night uh and

320

00:18:12,470 --> 00:18:08,700

I love to see that sort of support

321

00:18:14,630 --> 00:18:12,480

um uh I will I I just want to say thank

322

00:18:16,490 --> 00:18:14,640

you to all of you and Anthony for a Kind

323

00:18:19,370 --> 00:18:16,500

and Generous three dollar PayPal pledge

324

00:18:21,409 --> 00:18:19,380

as well uh we thank all of you for

325

00:18:24,890 --> 00:18:21,419

kindness generosity and support it's

326

00:18:26,870 --> 00:18:24,900

amazing uh that this is happening and I

327

00:18:29,330 --> 00:18:26,880

also want to be sure to thank all of you

328

00:18:31,190 --> 00:18:29,340

because we have upgraded some of the

329

00:18:33,710 --> 00:18:31,200

computer systems here for those unaware

330

00:18:35,690 --> 00:18:33,720

I fix computers and I'm like that guy

331

00:18:38,029 --> 00:18:35,700

that's a mechanic whose computer doesn't

332

00:18:39,470 --> 00:18:38,039

work right whose computers are all

333

00:18:41,930 --> 00:18:39,480

crappy because I'm always working on

334

00:18:46,909 --> 00:18:41,940

other people's and not my own but this

335

00:18:49,789 --> 00:18:46,919

week uh I we have a beast Brewing uh for

336

00:18:51,409 --> 00:18:49,799

rendering video and as soon as this uh

337

00:18:56,529 --> 00:18:51,419

upgrades are complete I'm going to begin

338

00:19:00,350 --> 00:18:56,539

work on a documentary and I also want to

339

00:19:02,510 --> 00:19:00,360

be sure to thank all of you because I

340

00:19:04,250 --> 00:19:02,520

couldn't have done this without you I

341

00:19:07,370 --> 00:19:04,260

just got a

342

00:19:09,049 --> 00:19:07,380

a 1080 TI video card which is the most

343

00:19:12,310 --> 00:19:09,059

modern video card I've ever had it's got

344

00:19:16,909 --> 00:19:12,320

11 gigs of RAM I can't wait

345

00:19:18,830 --> 00:19:16,919

uh so and we have a 12 core Beast well

346

00:19:20,510 --> 00:19:18,840

really 24 with hyper threading and

347

00:19:22,850 --> 00:19:20,520

that's just one of them and we're gonna

348

00:19:25,669 --> 00:19:22,860

have a three of those suckers in a

349

00:19:27,470 --> 00:19:25,679

cluster to render video I can't wait

350

00:19:29,990 --> 00:19:27,480

that's all due to the generosity and

351
00:19:32,750 --> 00:19:30,000
support of all of you for those unaware

352
00:19:35,450 --> 00:19:32,760
I don't use the show for uh personal

353
00:19:37,310 --> 00:19:35,460
funds only for things that are used to

354
00:19:40,310 --> 00:19:37,320
support the show and certainly in video

355
00:19:43,250 --> 00:19:40,320
editing rig would be uh something that

356
00:19:45,110 --> 00:19:43,260
we need if I showed you what I've been

357
00:19:47,870 --> 00:19:45,120
doing the videos on you would laugh

358
00:19:50,630 --> 00:19:47,880
because they're old Intel iMacs remember

359
00:19:52,490 --> 00:19:50,640
when Intel switched over excuse me when

360
00:19:54,950 --> 00:19:52,500
Max switched over from Intel to their

361
00:19:56,510 --> 00:19:54,960
own silicon suddenly nobody wanted those

362
00:19:58,430 --> 00:19:56,520
things anymore and I snatched a bunch of

363
00:20:00,830 --> 00:19:58,440

them up from clients

364

00:20:03,529 --> 00:20:00,840

um I've been using them they work it's

365

00:20:05,930 --> 00:20:03,539

just I don't have an hour to wait for a

366

00:20:07,970 --> 00:20:05,940

video to render anymore we got to get

367

00:20:10,549 --> 00:20:07,980

things going and produce more content

368

00:20:12,650 --> 00:20:10,559

these new this new video editing monster

369

00:20:13,909 --> 00:20:12,660

will certainly help with that so we

370

00:20:16,549 --> 00:20:13,919

thank you all for your kindness

371

00:20:17,930 --> 00:20:16,559

generosity and support

372

00:20:20,390 --> 00:20:17,940

um now I'm sure a lot of people are

373

00:20:22,669 --> 00:20:20,400

tuning in to hear me talk about drama I

374

00:20:25,250 --> 00:20:22,679

said what I had to say as far as

375

00:20:26,210 --> 00:20:25,260

revealers of Truth and concealers of

376

00:20:28,730 --> 00:20:26,220

Truth

377

00:20:30,590 --> 00:20:28,740

I have tried to bring you all of the

378

00:20:31,669 --> 00:20:30,600

story all of the evidence whenever

379

00:20:34,250 --> 00:20:31,679

possible

380

00:20:37,010 --> 00:20:34,260

now certainly I have become quite

381

00:20:41,510 --> 00:20:37,020

cynical and jaded and my Approach may be

382

00:20:42,710 --> 00:20:41,520

to be just skeptical from the get-go uh

383

00:20:44,330 --> 00:20:42,720

and I'm trying to be a little more

384

00:20:47,570 --> 00:20:44,340

open-minded

385

00:20:49,310 --> 00:20:47,580

there are people out there who do

386

00:20:52,789 --> 00:20:49,320

nothing but lie

387

00:20:55,610 --> 00:20:52,799

and they don't have evidence to show you

388

00:20:57,409 --> 00:20:55,620

they say things but they don't actually

389

00:20:58,970 --> 00:20:57,419

have anything to show you to support

390

00:21:02,090 --> 00:20:58,980

their arguments

391

00:21:05,390 --> 00:21:02,100

this is how you can tell a revealer of

392

00:21:07,549 --> 00:21:05,400

truth from a concealer of Truth the

393

00:21:10,070 --> 00:21:07,559

revealer of truth will give you all the

394

00:21:13,070 --> 00:21:10,080

information they have and say here is

395

00:21:15,470 --> 00:21:13,080

all that I have researched and found

396

00:21:17,810 --> 00:21:15,480

and this is the conclusions that I have

397

00:21:22,070 --> 00:21:17,820

drawn based on these investigations

398

00:21:23,930 --> 00:21:22,080

based on this evidence and based on all

399

00:21:27,590 --> 00:21:23,940

of the fact checking that I did of the

400

00:21:30,409 --> 00:21:27,600

claims being made a concealer of Truth

401
00:21:32,930 --> 00:21:30,419
conversely won't give you all of the

402
00:21:34,970 --> 00:21:32,940
evidence they will Lie by Omission they

403
00:21:37,010 --> 00:21:34,980
will muddy the waters they will make

404
00:21:39,169 --> 00:21:37,020
excuses

405
00:21:41,810 --> 00:21:39,179
they will

406
00:21:45,169 --> 00:21:41,820
launch personal attacks about people's

407
00:21:47,630 --> 00:21:45,179
appearance about people's family

408
00:21:50,690 --> 00:21:47,640
things that are completely irrelevant to

409
00:21:54,110 --> 00:21:50,700
the conversation because they want to

410
00:21:55,010 --> 00:21:54,120
misdirect you away from that revealer of

411
00:21:58,130 --> 00:21:55,020
Truth

412
00:22:00,890 --> 00:21:58,140
so that they can conceal that truth from

413
00:22:04,250 --> 00:22:00,900

you you can also spot a concealer of

414

00:22:06,649 --> 00:22:04,260

Truth through financial means if someone

415

00:22:07,909 --> 00:22:06,659

has a financial benefit to keep the

416

00:22:11,029 --> 00:22:07,919

truth from you

417

00:22:14,029 --> 00:22:11,039

and sell you a lie instead so they

418

00:22:16,789 --> 00:22:14,039

financially benefit they will

419

00:22:20,630 --> 00:22:16,799

there are people out there right now who

420

00:22:23,990 --> 00:22:20,640

have to lie to you to eat every day and

421

00:22:26,330 --> 00:22:24,000

quite honestly uh

422

00:22:27,890 --> 00:22:26,340

I pray for those people if you have to

423

00:22:30,230 --> 00:22:27,900

lie to people

424

00:22:33,350 --> 00:22:30,240

especially when some Khan that you were

425

00:22:35,930 --> 00:22:33,360

running comes crashing horribly down

426
00:22:39,049 --> 00:22:35,940
because a revealer of truth comes along

427
00:22:42,110 --> 00:22:39,059
with evidence and shows it to everyone

428
00:22:45,710 --> 00:22:42,120
if you have to lie muddy the waters

429
00:22:49,029 --> 00:22:45,720
personally attack people attack

430
00:22:52,669 --> 00:22:49,039
do whatever you got to do right

431
00:22:55,190 --> 00:22:52,679
intimidate threaten harass and let's be

432
00:22:57,890 --> 00:22:55,200
very very clear there is clear

433
00:23:00,950 --> 00:22:57,900
harassment campaigns against revealers

434
00:23:04,789 --> 00:23:02,270
I'm going to say that one more time

435
00:23:08,510 --> 00:23:04,799
there is clearly harassment campaigns

436
00:23:11,090 --> 00:23:08,520
against revealers of Truth

437
00:23:13,789 --> 00:23:11,100
people the concealers of truth will do

438
00:23:16,130 --> 00:23:13,799

things you know like insinuate you have

439

00:23:18,590 --> 00:23:16,140

pedo friends or call you one of those

440

00:23:19,789 --> 00:23:18,600

people and you might be one of those

441

00:23:25,070 --> 00:23:19,799

people

442

00:23:27,470 --> 00:23:25,080

they're doing that to push back

443

00:23:28,970 --> 00:23:27,480

and make the people revealing the truth

444

00:23:30,950 --> 00:23:28,980

to you say you know it's just not worth

445

00:23:32,750 --> 00:23:30,960

it if these crazy people are going to go

446

00:23:35,390 --> 00:23:32,760

this far it's just not worth it I'll

447

00:23:38,870 --> 00:23:35,400

just move on to other things

448

00:23:41,930 --> 00:23:38,880

uh no no I don't think so

449

00:23:44,690 --> 00:23:41,940

we do not forgive here and we do not

450

00:23:54,289 --> 00:23:49,330

and we do not remain silent in the face

451
00:23:55,549 --> 00:23:54,299
of a concealer of Truth we will be the

452
00:23:56,870 --> 00:23:55,559
revealer

453
00:23:59,090 --> 00:23:56,880
and

454
00:24:03,110 --> 00:23:59,100
certainly there will be stupid people

455
00:24:05,450 --> 00:24:03,120
who will be deceived gullible people or

456
00:24:08,930 --> 00:24:05,460
people who just like the concealer of

457
00:24:11,090 --> 00:24:08,940
truth right and say well you know he

458
00:24:12,890 --> 00:24:11,100
lies all the time but he's funny or I

459
00:24:16,430 --> 00:24:12,900
like him good for you

460
00:24:19,310 --> 00:24:16,440
you're still lending your ears and eyes

461
00:24:21,529 --> 00:24:19,320
to a concealer of Truth and once you

462
00:24:24,049 --> 00:24:21,539
lend your ears and your eyes and

463
00:24:26,750 --> 00:24:24,059

especially your money once you give your

464

00:24:28,130 --> 00:24:26,760

money to a concealer of Truth they've

465

00:24:30,409 --> 00:24:28,140

got you hooked

466

00:24:33,230 --> 00:24:30,419

you are now

467

00:24:35,330 --> 00:24:33,240

being manipulated you are being used and

468

00:24:37,330 --> 00:24:35,340

abused and in many cases you're being

469

00:24:39,830 --> 00:24:37,340

used and abused so that that person

470

00:24:42,470 --> 00:24:39,840

who's lazy and doesn't want to get a

471

00:24:43,669 --> 00:24:42,480

real job can live off of concealing the

472

00:24:46,490 --> 00:24:43,679

truth from you

473

00:24:49,789 --> 00:24:46,500

and that is a very very sad thing

474

00:24:52,430 --> 00:24:49,799

and uh I pray for all of those people

475

00:24:53,870 --> 00:24:52,440

who fall victim to the concealer of

476
00:24:56,149 --> 00:24:53,880
Truth

477
00:24:58,430 --> 00:24:56,159
if that person won't show you the

478
00:25:00,289 --> 00:24:58,440
evidence or won't talk about it because

479
00:25:03,830 --> 00:25:00,299
they're cowards and they know that

480
00:25:06,110 --> 00:25:03,840
evidence will destroy their ability to

481
00:25:07,730 --> 00:25:06,120
conceal the truth they will do so

482
00:25:09,890 --> 00:25:07,740
you can't let them

483
00:25:12,470 --> 00:25:09,900
all right we want to thank Sandra

484
00:25:14,750 --> 00:25:12,480
McDonald for kind and generous uh 10

485
00:25:18,350 --> 00:25:14,760
Australian says thanks for doing the

486
00:25:20,090 --> 00:25:18,360
hard yards for our benefit uh I don't

487
00:25:22,010 --> 00:25:20,100
think I've ever seen that smiley face

488
00:25:23,990 --> 00:25:22,020

emoji but thank you for the kindness

489

00:25:27,710 --> 00:25:24,000

generosity and support it is much much

490

00:25:29,750 --> 00:25:27,720

appreciated thank you Sandra uh boy what

491

00:25:32,169 --> 00:25:29,760

a bunch of kind of generous people we

492

00:25:36,289 --> 00:25:32,179

have so we will begin our presentation

493

00:25:37,909 --> 00:25:36,299

and uh I'm gonna share my screen and we

494

00:25:39,710 --> 00:25:37,919

have

495

00:25:42,350 --> 00:25:39,720

oh you know what let me just make sure

496

00:25:44,149 --> 00:25:42,360

that I'm not going to share anything

497

00:25:46,070 --> 00:25:44,159

all right that's fine I don't want to

498

00:25:49,190 --> 00:25:46,080

share anything personal

499

00:25:54,830 --> 00:25:52,190

I'm gonna be sharing from Amazon here

500

00:25:56,810 --> 00:25:54,840

because this Trinity story let's pivot

501

00:26:00,649 --> 00:25:56,820

to this uh which is tonight's

502

00:26:02,990 --> 00:26:00,659

presentation on the Trinity UFO case

503

00:26:06,830 --> 00:26:03,000

we have talked previously about over

504

00:26:09,230 --> 00:26:06,840

promising and under delivering this is

505

00:26:11,149 --> 00:26:09,240

the way that a UFO hoax works you have

506

00:26:15,250 --> 00:26:11,159

to over promise

507

00:26:19,669 --> 00:26:15,260

uh in order to sell it and then you will

508

00:26:22,250 --> 00:26:19,679

likely inevitably under deliver or you

509

00:26:24,110 --> 00:26:22,260

will Bluff too far and your lies will be

510

00:26:26,390 --> 00:26:24,120

revealed and that's what I believe has

511

00:26:28,669 --> 00:26:26,400

happened in this case

512

00:26:32,149 --> 00:26:28,679

um the people who wrote This Book You

513

00:26:33,590 --> 00:26:32,159

know despite uh what people's uh

514

00:26:36,590 --> 00:26:33,600

opinions are

515

00:26:39,350 --> 00:26:36,600

have really done a disservice to

516

00:26:42,710 --> 00:26:39,360

everyone by overhyping under delivering

517

00:26:46,070 --> 00:26:42,720

and bluffing just straight Bluff

518

00:26:48,710 --> 00:26:46,080

stuff and the lack of fact checking

519

00:26:52,490 --> 00:26:48,720

which which supported this story being

520

00:26:56,210 --> 00:26:52,500

true is is literally shocking

521

00:26:58,010 --> 00:26:56,220

so uh this is the description of the

522

00:26:59,990 --> 00:26:58,020

book and I think we should start here

523

00:27:02,870 --> 00:27:00,000

because here we can see how they have

524

00:27:04,789 --> 00:27:02,880

over promised and under delivered

525

00:27:07,630 --> 00:27:04,799

breakthrough research reveals the

526

00:27:10,610 --> 00:27:07,640

earliest evidence of U.S governments UFO

527

00:27:14,149 --> 00:27:10,620

recovery hard evidence that has existed

528

00:27:16,610 --> 00:27:14,159

since 1945 for the actual recovery of

529

00:27:18,769 --> 00:27:16,620

unidentified flying craft in the United

530

00:27:21,649 --> 00:27:18,779

States according to this new research

531

00:27:23,930 --> 00:27:21,659

book Trinity the best kept secret

532

00:27:26,930 --> 00:27:23,940

and I like this written by two season

533

00:27:29,870 --> 00:27:26,940

analysts of the global pattern behind UF

534

00:27:32,029 --> 00:27:29,880

the UFO phenomenon Paula Harris thinks

535

00:27:34,370 --> 00:27:32,039

Billy Myers telling the truth and it and

536

00:27:37,010 --> 00:27:34,380

all those hokey ass Billy Meyer photos

537

00:27:39,350 --> 00:27:37,020

are real pictures of spaceships but

538

00:27:41,990 --> 00:27:39,360

suddenly now uh

539

00:27:44,269 --> 00:27:42,000

they are seasoned analysts of the global

540

00:27:45,409 --> 00:27:44,279

patterns behind the UFO phenomenon way

541

00:27:47,690 --> 00:27:45,419

to sell it

542

00:27:49,610 --> 00:27:47,700

Italian investigative journalist though

543

00:27:51,529 --> 00:27:49,620

she's an investigative journalist now of

544

00:27:55,430 --> 00:27:51,539

course I could give myself that title as

545

00:27:59,630 --> 00:27:55,440

well uh Paula Harris and frenchborn

546

00:28:01,669 --> 00:27:59,640

information scientist Dr Jacques valet

547

00:28:03,409 --> 00:28:01,679

and by the way one of the reasons I like

548

00:28:05,450 --> 00:28:03,419

Dr Jacques Velez because his computer

549

00:28:07,789 --> 00:28:05,460

guy like me he's an information

550

00:28:10,549 --> 00:28:07,799

scientist

551
00:28:11,149 --> 00:28:10,559
um and I know a thing or two about that

552
00:28:13,490 --> 00:28:11,159
um

553
00:28:15,289 --> 00:28:13,500
but it is what it is they've teamed up

554
00:28:18,830 --> 00:28:15,299
to uncover the details of New Mexico

555
00:28:21,350 --> 00:28:18,840
crash in 1945 fully two years before the

556
00:28:23,450 --> 00:28:21,360
well-known incident at Roswell and the

557
00:28:25,310 --> 00:28:23,460
famous sightings by Pilot Kenneth Arnold

558
00:28:28,310 --> 00:28:25,320
in 1947.

559
00:28:30,649 --> 00:28:28,320
over several site investigation surveys

560
00:28:33,169 --> 00:28:30,659
Harrison valet reconstructed the

561
00:28:35,330 --> 00:28:33,179
historic observation of three Witnesses

562
00:28:37,549 --> 00:28:35,340
and what we're going to find is that

563
00:28:39,590 --> 00:28:37,559

there's problems with these Witnesses

564

00:28:41,630 --> 00:28:39,600

big problems

565

00:28:44,510 --> 00:28:41,640

two of whom are still living who

566

00:28:46,669 --> 00:28:44,520

describe to them the circumstances of

567

00:28:49,610 --> 00:28:46,679

the crash remember this is about a UFO

568

00:28:51,529 --> 00:28:49,620

crash and recovery and you may recall

569

00:28:53,450 --> 00:28:51,539

all these people talking about Crash

570

00:28:54,590 --> 00:28:53,460

recoveries and how all the truth is

571

00:28:56,930 --> 00:28:54,600

going to come out

572

00:28:59,810 --> 00:28:56,940

a lot of them are basing their talking

573

00:29:02,210 --> 00:28:59,820

points on this book I'm sure of it they

574

00:29:03,710 --> 00:29:02,220

are sure that all these whistleblowers

575

00:29:06,590 --> 00:29:03,720

are going to come out and we're finally

576

00:29:10,549 --> 00:29:06,600

going to get the the the alien crash

577

00:29:14,269 --> 00:29:13,070

um not so much when you hear more

578

00:29:16,909 --> 00:29:14,279

details here

579

00:29:19,510 --> 00:29:16,919

uh and remember the the United States

580

00:29:21,889 --> 00:29:19,520

government was going to study this

581

00:29:23,990 --> 00:29:21,899

documented the step-by-step efforts of

582

00:29:26,029 --> 00:29:24,000

the military to remove the object and

583

00:29:28,490 --> 00:29:26,039

avocado-shaped craft weighing several

584

00:29:31,130 --> 00:29:28,500

tons from the property where a crash

585

00:29:34,070 --> 00:29:31,140

landed during the storm surprisingly the

586

00:29:36,649 --> 00:29:34,080

literature of the field only includes a

587

00:29:38,930 --> 00:29:36,659

few passing mentions about the case yeah

588

00:29:40,389 --> 00:29:38,940

and the reason that nobody did a book on

589

00:29:43,070 --> 00:29:40,399

this case is because

590

00:29:45,289 --> 00:29:43,080

a lot of credible researchers like

591

00:29:47,389 --> 00:29:45,299

Stanton Friedman and a few others Ryan

592

00:29:49,190 --> 00:29:47,399

wood I don't know if he's credible he's

593

00:29:50,630 --> 00:29:49,200

kind of in the mj-12 camp he's been

594

00:29:52,190 --> 00:29:50,640

selling those fake documents for years

595

00:29:55,730 --> 00:29:52,200

but whatever

596

00:29:58,610 --> 00:29:55,740

and others have uh looked into the case

597

00:30:01,490 --> 00:29:58,620

and thought there's nothing there and

598

00:30:02,690 --> 00:30:01,500

nobody did any a lot of follow-up

599

00:30:08,630 --> 00:30:02,700

and

600

00:30:10,310 --> 00:30:08,640

something to the case he would have been

601
00:30:12,350 --> 00:30:10,320
on a plane and he would have been there

602
00:30:14,510 --> 00:30:12,360
and he would have been investigating it

603
00:30:17,210 --> 00:30:14,520
uh Timothy good also passed up

604
00:30:20,090 --> 00:30:17,220
investigating on the case

605
00:30:22,330 --> 00:30:20,100
um a lot of people looked into the case

606
00:30:25,370 --> 00:30:22,340
and just said there was no there there

607
00:30:26,810 --> 00:30:25,380
so I was surprised when this book came

608
00:30:29,210 --> 00:30:26,820
out

609
00:30:31,130 --> 00:30:29,220
valet suggests that the correlation is

610
00:30:33,649 --> 00:30:31,140
significant for physical Geographic and

611
00:30:35,930 --> 00:30:33,659
biological reasons quite apart from the

612
00:30:37,669 --> 00:30:35,940
obvious strategic implications the

613
00:30:40,070 --> 00:30:37,679

Witnesses were able to observe not only

614

00:30:42,169 --> 00:30:40,080

the actual crash of the object on their

615

00:30:45,110 --> 00:30:42,179

property but every step of the military

616

00:30:47,630 --> 00:30:45,120

efforts to lift and take it away fearing

617

00:30:50,210 --> 00:30:47,640

retaliation they remain silent for some

618

00:30:52,190 --> 00:30:50,220

60 years about what they had seen and

619

00:30:55,130 --> 00:30:52,200

done over those nine days at the site

620

00:30:58,610 --> 00:30:55,140

while the recovery was proceeding so

621

00:31:02,389 --> 00:30:58,620

here we get quite a story of a UFO crash

622

00:31:06,470 --> 00:31:02,399

and a retrieval and they've got physical

623

00:31:08,690 --> 00:31:06,480

evidence which is incredibly rare in the

624

00:31:11,269 --> 00:31:08,700

world of UFOs so certainly I was

625

00:31:13,490 --> 00:31:11,279

interested in this and I just want to

626

00:31:16,130 --> 00:31:13,500

mention that when I read this book I

627

00:31:18,470 --> 00:31:16,140

said this is a great story but I have to

628

00:31:19,549 --> 00:31:18,480

fact check everything in this story and

629

00:31:21,409 --> 00:31:19,559

it's quite

630

00:31:24,049 --> 00:31:21,419

I knew it was going to be quite a lot of

631

00:31:26,269 --> 00:31:24,059

prod a big project to do that so quite

632

00:31:27,350 --> 00:31:26,279

honestly I held back knowing that after

633

00:31:29,690 --> 00:31:27,360

this book

634

00:31:32,630 --> 00:31:29,700

more Revelations would come about the

635

00:31:35,090 --> 00:31:32,640

book and how valid the claims being made

636

00:31:36,889 --> 00:31:35,100

in it and what I can tell you now is

637

00:31:40,250 --> 00:31:36,899

that the claims being made in this book

638

00:31:42,590 --> 00:31:40,260

are absolutely positively factually

639

00:31:44,330 --> 00:31:42,600

Incorrect and false

640

00:31:47,750 --> 00:31:44,340

and this is the problem

641

00:31:50,930 --> 00:31:47,760

uh with the UFO world and this stuff

642

00:31:53,090 --> 00:31:50,940

just gets entered into the Lexicon it

643

00:31:54,950 --> 00:31:53,100

becomes part of the Mythos and people

644

00:31:57,230 --> 00:31:54,960

just believe it because it's in a book

645

00:31:59,149 --> 00:31:57,240

you can't do that

646

00:32:01,669 --> 00:31:59,159

just because it's in a book doesn't mean

647

00:32:04,190 --> 00:32:01,679

it's true you need to fact check all of

648

00:32:06,409 --> 00:32:04,200

it but luckily some researchers have

649

00:32:07,970 --> 00:32:06,419

some very amazing interesting

650

00:32:11,389 --> 00:32:07,980

information

651
00:32:14,210 --> 00:32:11,399
relating uh to this book and the claims

652
00:32:19,970 --> 00:32:14,220
made by one Paul Harris and Jacques

653
00:32:23,750 --> 00:32:19,980
filet uh so we're gonna go to some of

654
00:32:25,610 --> 00:32:23,760
this evidence uh which is just amazing

655
00:32:27,470 --> 00:32:25,620
and by the way

656
00:32:29,690 --> 00:32:27,480
um I'm glad that I didn't do this

657
00:32:33,409 --> 00:32:29,700
broadcast until tonight because Jacques

658
00:32:36,830 --> 00:32:33,419
valet has responded to the claims of

659
00:32:38,870 --> 00:32:36,840
hoax and uh what I won't go over that

660
00:32:40,789 --> 00:32:38,880
but what I can tell you is Jacques filet

661
00:32:44,029 --> 00:32:40,799
makes a bunch of excuses

662
00:32:45,470 --> 00:32:44,039
for his lack of Integrity I'm just going

663
00:32:48,049 --> 00:32:45,480

to say it and people can say whatever

664

00:32:50,169 --> 00:32:48,059

they're going to say I don't care this

665

00:32:54,350 --> 00:32:50,179

book displays a lack of Integrity

666

00:32:56,510 --> 00:32:54,360

incompetence a purposeful concealing of

667

00:32:58,190 --> 00:32:56,520

facts that would indicate the story is

668

00:33:02,389 --> 00:32:58,200

fake and more

669

00:33:05,269 --> 00:33:02,399

this book is the typical illusion

670

00:33:08,330 --> 00:33:05,279

that people put forward to make money on

671

00:33:11,870 --> 00:33:08,340

a UFO story it has all the Hallmarks

672

00:33:14,149 --> 00:33:11,880

we've got live by Omission we've got a

673

00:33:16,610 --> 00:33:14,159

pro a huge problem with the timeline

674

00:33:19,190 --> 00:33:16,620

here there's huge problems with the

675

00:33:21,830 --> 00:33:19,200

timeline presented in the book and

676
00:33:24,769 --> 00:33:21,840
anyway Jacques filet gave a I think he

677
00:33:26,930 --> 00:33:24,779
wrote like a 20-page reply to the The

678
00:33:27,590 --> 00:33:26,940
hoax claims

679
00:33:30,230 --> 00:33:27,600
um

680
00:33:32,750 --> 00:33:30,240
it's called Jacques valet hits back at

681
00:33:36,110 --> 00:33:32,760
hoax claims over Trinity UFO crash book

682
00:33:38,210 --> 00:33:36,120
and no uh he didn't hit back he excused

683
00:33:39,830 --> 00:33:38,220
himself that's what he did well hey you

684
00:33:43,130 --> 00:33:39,840
know it's it's not really incompetence

685
00:33:46,009 --> 00:33:43,140
and we're still investigating no uh you

686
00:33:49,970 --> 00:33:46,019
didn't do the work but you sure took the

687
00:33:53,930 --> 00:33:49,980
money and here we are again right this

688
00:33:55,669 --> 00:33:53,940

is another part of the UFO scan it is

689

00:33:58,850 --> 00:33:55,679

the big letdown

690

00:34:00,649 --> 00:33:58,860

so this book comes out and I have to

691

00:34:02,389 --> 00:34:00,659

imagine based on the popularity of this

692

00:34:03,889 --> 00:34:02,399

book everybody that I know in the UFOs

693

00:34:05,450 --> 00:34:03,899

bought it I don't know if you did or

694

00:34:07,009 --> 00:34:05,460

people in the audience did let me know

695

00:34:08,149 --> 00:34:07,019

if you bought the book let me know in

696

00:34:11,089 --> 00:34:08,159

the live chat

697

00:34:16,190 --> 00:34:11,099

the money's already been made

698

00:34:19,310 --> 00:34:16,200

now we get the stunning Revelations that

699

00:34:22,790 --> 00:34:19,320

there is this book is riddled with

700

00:34:25,790 --> 00:34:22,800

problems factual inaccuracies Lies by

701

00:34:28,190 --> 00:34:25,800

Omission purposefully let out left out

702

00:34:30,829 --> 00:34:28,200

parts of the story in order to sell it

703

00:34:33,589 --> 00:34:30,839

as a true story listen if you have to

704

00:34:35,869 --> 00:34:33,599

leave out facts about the story so that

705

00:34:39,550 --> 00:34:35,879

people don't know it's fake then the

706

00:34:41,869 --> 00:34:39,560

story is fake uh but we're gonna go into

707

00:34:46,490 --> 00:34:41,879

uh more detail

708

00:34:49,909 --> 00:34:46,500

and it is uh two sources uh proving in

709

00:34:53,270 --> 00:34:49,919

my opinion definitively that the Trinity

710

00:34:55,550 --> 00:34:53,280

UFO crash is a hoax uh the first is

711

00:34:58,430 --> 00:34:55,560

Douglas Dean Johnson and we're going to

712

00:35:00,050 --> 00:34:58,440

share uh from his blog and I'm a

713

00:35:02,390 --> 00:35:00,060

terrible show host so you know what I'm

714

00:35:05,210 --> 00:35:02,400

gonna have to do it right now before I

715

00:35:07,910 --> 00:35:05,220

forget I'm gonna go into the live chat

716

00:35:10,609 --> 00:35:07,920

and we will share uh the sources

717

00:35:12,530 --> 00:35:10,619

we try to do that every show sometimes I

718

00:35:15,349 --> 00:35:12,540

forget to do it I have to do it right

719

00:35:18,710 --> 00:35:15,359

now because if I don't do it right now I

720

00:35:22,069 --> 00:35:18,720

apologize but I will forget uh

721

00:35:25,190 --> 00:35:22,079

and I'm gonna just put sources and we

722

00:35:27,230 --> 00:35:25,200

will share uh this Dean Johnson thing so

723

00:35:29,030 --> 00:35:27,240

in the description of the video we're

724

00:35:34,310 --> 00:35:29,040

not going to go over this entire thing

725

00:35:40,190 --> 00:35:37,069

and here is the problem with UFO

726

00:35:42,650 --> 00:35:40,200

grifters they're not just uh making

727

00:35:47,150 --> 00:35:42,660

money on fake stories they're also

728

00:35:48,109 --> 00:35:47,160

wasting your money and my money uh

729

00:35:50,870 --> 00:35:48,119

because

730

00:35:53,690 --> 00:35:50,880

the defense Department's annual spending

731

00:35:56,870 --> 00:35:53,700

Bill requires it to you review UFO

732

00:35:58,490 --> 00:35:56,880

sightings dating back to 1945 the years

733

00:36:01,190 --> 00:35:58,500

some believe an object from space

734

00:36:05,510 --> 00:36:01,200

crashed into New Mexico desert

735

00:36:08,150 --> 00:36:05,520

uh yeah so the the government is going

736

00:36:11,089 --> 00:36:08,160

to waste money on this case

737

00:36:13,190 --> 00:36:11,099

that just some independent researchers

738

00:36:15,890 --> 00:36:13,200

have proven is a hoax

739

00:36:18,950 --> 00:36:15,900

so your tax dollars and my tax dollars

740

00:36:21,670 --> 00:36:18,960

are getting wasted because UFO grifters

741

00:36:24,349 --> 00:36:21,680

are pushing the government to look into

742

00:36:27,710 --> 00:36:24,359

stories that they likely

743

00:36:28,849 --> 00:36:27,720

or quite possibly already know are fake

744

00:36:31,910 --> 00:36:28,859

stories

745

00:36:33,950 --> 00:36:31,920

uh let's just take a moment to

746

00:36:35,810 --> 00:36:33,960

um check in with the live chat before we

747

00:36:38,329 --> 00:36:35,820

do this one second too let me change

748

00:36:40,790 --> 00:36:38,339

that background that's horrid

749

00:36:44,030 --> 00:36:40,800

there we go that's a little better

750

00:36:46,609 --> 00:36:44,040

all right so uh

751
00:36:50,390 --> 00:36:46,619
one second let me catch up to the live

752
00:36:54,230 --> 00:36:52,130
geez because there's a lot of people

753
00:36:57,290 --> 00:36:54,240
here tonight and there's a lot of chat

754
00:36:59,510 --> 00:36:57,300
messages you guys are uh chatting away

755
00:37:01,130 --> 00:36:59,520
over there I'm glad everybody's here let

756
00:37:03,050 --> 00:37:01,140
me welcome you if you're just joining us

757
00:37:06,109 --> 00:37:03,060
we're doing a presentation on the

758
00:37:08,569 --> 00:37:06,119
Trinity UFO case uh which after the

759
00:37:12,829 --> 00:37:08,579
money is made with the book sales turns

760
00:37:19,910 --> 00:37:15,650
um and this is Douglas Dean Johnson who

761
00:37:21,530 --> 00:37:19,920
did a this guy is great he goes to the

762
00:37:23,810 --> 00:37:21,540
mat you know what I like about some

763
00:37:25,490 --> 00:37:23,820

reason I like researchers that go to the

764

00:37:27,430 --> 00:37:25,500

bottom of the rabbit hole to get the

765

00:37:30,770 --> 00:37:27,440

truth and in this case I have to say

766

00:37:32,750 --> 00:37:30,780

Douglas Dean Johnson did exactly that so

767

00:37:35,210 --> 00:37:32,760

we have a very unusual situation there

768

00:37:37,190 --> 00:37:35,220

we we have the best possible Witnesses

769

00:37:41,450 --> 00:37:37,200

says Jacques valet from a different

770

00:37:43,310 --> 00:37:41,460

perspective June 3rd 2021.

771

00:37:45,530 --> 00:37:43,320

you are reading the Hub article crash

772

00:37:47,030 --> 00:37:45,540

story The Trinity UFO crash you will

773

00:37:49,010 --> 00:37:47,040

find a series of links to the crash

774

00:37:50,750 --> 00:37:49,020

story files sub stories that present

775

00:37:52,430 --> 00:37:50,760

documentation and conclusions about

776

00:37:55,069 --> 00:37:52,440

specific issues related to The

777

00:37:57,230 --> 00:37:55,079

credibility and claims of the witnesses

778

00:37:59,750 --> 00:37:57,240

to a purported UFO crash and Military

779

00:38:02,930 --> 00:37:59,760

recovery near San Antonio New Mexico in

780

00:38:05,089 --> 00:38:02,940

August 1945. the subject of a book

781

00:38:08,030 --> 00:38:05,099

titled Trinity the best kept secret by

782

00:38:10,490 --> 00:38:08,040

Jacques valet and Paula Harris

783

00:38:12,349 --> 00:38:10,500

each of these crash story files is being

784

00:38:14,930 --> 00:38:12,359

published as a freestanding article with

785

00:38:19,370 --> 00:38:14,940

its own URL however every crash story

786

00:38:22,790 --> 00:38:19,380

file will go live simultaneously so look

787

00:38:26,150 --> 00:38:22,800

at this this is uh parts of the story

788

00:38:30,490 --> 00:38:28,550

uh we have

789

00:38:33,410 --> 00:38:30,500

Eddie

790

00:38:36,650 --> 00:38:33,420

Apodaca the real place policeman who

791

00:38:37,910 --> 00:38:36,660

cracked the Trinity UFO case and there's

792

00:38:41,150 --> 00:38:37,920

certainly a problem with that because

793

00:38:43,550 --> 00:38:41,160

this man uh was uh we're gonna get into

794

00:38:46,370 --> 00:38:43,560

it all right

795

00:38:48,650 --> 00:38:46,380

uh We've read you the synopsis of the

796

00:38:51,710 --> 00:38:48,660

story so we're going to kind of go ahead

797

00:38:54,230 --> 00:38:51,720

um the Trinity UFO crash uh are based on

798

00:38:56,210 --> 00:38:54,240

my journalistic investigations extending

799

00:38:57,770 --> 00:38:56,220

over three months see how I told you it

800

00:39:00,770 --> 00:38:57,780

would take a long time to fact check all

801

00:39:04,670 --> 00:39:00,780

the claims made in the book took Mr uh

802

00:39:06,530 --> 00:39:04,680

it took this person uh and again this is

803

00:39:07,430 --> 00:39:06,540

Douglas Dean Johnson it took him three

804

00:39:12,410 --> 00:39:07,440

months

805

00:39:17,390 --> 00:39:14,810

the U.S government may have recovered an

806

00:39:18,890 --> 00:39:17,400

anomalous device or portions thereof or

807

00:39:21,710 --> 00:39:18,900

one of more okay on one or more

808

00:39:23,870 --> 00:39:21,720

occasions over the past 70 years few

809

00:39:25,910 --> 00:39:23,880

things could Delight me more than such a

810

00:39:28,089 --> 00:39:25,920

claim proved true and the details laid

811

00:39:30,950 --> 00:39:28,099

out for the public and scientific

812

00:39:34,609 --> 00:39:30,960

examination before I pass from this

813

00:39:38,630 --> 00:39:34,619

Mortal sphere but this story is not that

814

00:39:41,410 --> 00:39:38,640

story no the Trinity UFO cat story is a

815

00:39:45,530 --> 00:39:41,420

tale dreamed up by a Serial Pretender

816

00:39:47,990 --> 00:39:45,540

remigo Bacca AKA Ryback a nail deceased

817

00:39:50,210 --> 00:39:48,000

who faked a history as a political King

818

00:39:53,390 --> 00:39:50,220

maker and Senior aide to the governor

819

00:39:56,329 --> 00:39:53,400

and fabricated stories about viewing an

820

00:39:58,069 --> 00:39:56,339

ultra secret government file about his

821

00:40:00,790 --> 00:39:58,079

fake UFO crash

822

00:40:04,310 --> 00:40:00,800

Baca enlisted a man who faked history

823

00:40:07,370 --> 00:40:04,320

with a faked history as a police officer

824

00:40:09,109 --> 00:40:07,380

and wounded veteran Joseph Lopez these

825

00:40:11,890 --> 00:40:09,119

two fakers hijacked the names and

826

00:40:14,750 --> 00:40:11,900

personas of a real policeman Eddie

827

00:40:16,910 --> 00:40:14,760

Apodaca and a real Governor Dixie Lee

828

00:40:20,150 --> 00:40:16,920

Ray as characters in their shoddy work

829

00:40:21,950 --> 00:40:20,160

of fiction so we've got problems right

830

00:40:24,530 --> 00:40:21,960

from the get-go when the principal

831

00:40:28,010 --> 00:40:24,540

witness in this story is known to be a

832

00:40:34,250 --> 00:40:32,390

okay uh so these are my opinions and

833

00:40:35,870 --> 00:40:34,260

conclusions I believe that any objective

834

00:40:38,390 --> 00:40:35,880

reader will find the attached crash

835

00:40:40,190 --> 00:40:38,400

story files ample evidence to justify my

836

00:40:43,250 --> 00:40:40,200

assessments

837

00:40:45,770 --> 00:40:43,260

um so Jacques Police role uh that's such

838

00:40:47,810 --> 00:40:45,780

a Sherry shoddy narrative pasted

839

00:40:51,589 --> 00:40:47,820

together from a rough hewn and morphing

840

00:40:54,710 --> 00:40:51,599

Tales of Remy Baca Jose Padilla and

841

00:40:56,510 --> 00:40:54,720

Billy Brophy uh could have received such

842

00:40:58,609 --> 00:40:56,520

wide exposure over the past couple years

843

00:41:00,170 --> 00:40:58,619

with respectful reception even in the

844

00:41:02,810 --> 00:41:00,180

pages of the New York Times and

845

00:41:05,089 --> 00:41:02,820

apparently some on Capitol Hill is do

846

00:41:07,670 --> 00:41:05,099

very large part to the Embrace of the

847

00:41:09,349 --> 00:41:07,680

story by Jacques valet Jacque Valley has

848

00:41:11,270 --> 00:41:09,359

made impressive contribution to multiple

849

00:41:13,910 --> 00:41:11,280

Fields over his long life he's now aged

850

00:41:15,770 --> 00:41:13,920

83 including influential books on

851
00:41:18,530 --> 00:41:15,780
analysis and reflection on the nature of

852
00:41:20,270 --> 00:41:18,540
the UFO phenomenon valet is widely

853
00:41:22,970 --> 00:41:20,280
respected among people who take aspects

854
00:41:25,010 --> 00:41:22,980
of the subject of UFOs seriously a

855
00:41:27,050 --> 00:41:25,020
profile on Jacques valet and Jerome

856
00:41:29,630 --> 00:41:27,060
Clark's UFO encyclopedia Third Edition

857
00:41:32,990 --> 00:41:29,640
stated valet as an elder Statesman of

858
00:41:37,150 --> 00:41:33,000
ufology is an almost universally revered

859
00:41:40,010 --> 00:41:37,160
figure yeah well not after now

860
00:41:42,290 --> 00:41:40,020
uh valet first heard about the case from

861
00:41:44,329 --> 00:41:42,300
his friend Ron Brinkley in October 2017

862
00:41:46,670 --> 00:41:44,339
but apparently it only became immersed

863
00:41:49,750 --> 00:41:46,680

in it after he first visited with Paula

864

00:41:52,430 --> 00:41:49,760

Harris in October 2018. from the start

865

00:41:55,550 --> 00:41:52,440

valet has depended heavily on Harris

866

00:41:57,710 --> 00:41:55,560

material regarding that visit valet

867

00:41:59,810 --> 00:41:57,720

wrote the best kept secret there had

868

00:42:01,730 --> 00:41:59,820

been no publicity no big story no

869

00:42:04,310 --> 00:42:01,740

interest from TV reporters and only

870

00:42:06,849 --> 00:42:04,320

casual attention from a few ufologists

871

00:42:09,950 --> 00:42:06,859

in the 1945 crash story

872

00:42:12,950 --> 00:42:09,960

Paula had the only consistent historical

873

00:42:14,390 --> 00:42:12,960

data and was and was eager to upgrade

874

00:42:17,150 --> 00:42:14,400

the research

875

00:42:19,910 --> 00:42:17,160

regrettably in my view valet invested in

876

00:42:21,530 --> 00:42:19,920

the Trinity case uh his Prestige and he

877

00:42:23,810 --> 00:42:21,540

also devoted some portion of his

878

00:42:24,950 --> 00:42:23,820

reported ample Financial Resources to

879

00:42:28,790 --> 00:42:24,960

promoting it

880

00:42:30,349 --> 00:42:28,800

so Jacques gets in and by the way Mr

881

00:42:33,410 --> 00:42:30,359

Johnson

882

00:42:35,569 --> 00:42:33,420

sent valet some books excuse me some

883

00:42:38,210 --> 00:42:35,579

questions about his fact-checking

884

00:42:39,950 --> 00:42:38,220

efforts right I sent and also Paul

885

00:42:41,690 --> 00:42:39,960

Harris

886

00:42:43,550 --> 00:42:41,700

I set forth three simple questions

887

00:42:45,230 --> 00:42:43,560

asking the dates on which she had

888

00:42:46,790 --> 00:42:45,240

constructed to previously published

889

00:42:48,950 --> 00:42:46,800

interviews with key figures in the case

890

00:42:51,589 --> 00:42:48,960

and asking whether she holds U.S

891

00:42:54,349 --> 00:42:51,599

citizenship uh

892

00:42:56,089 --> 00:42:54,359

the later Point having legal

893

00:42:59,510 --> 00:42:56,099

significance with respect to her legal

894

00:43:01,309 --> 00:42:59,520

claims as I discuss in Crash story file

895

00:43:03,650 --> 00:43:01,319

um

896

00:43:05,390 --> 00:43:03,660

how may we expect that lay Harris and

897

00:43:07,730 --> 00:43:05,400

others who have energetically promoted

898

00:43:10,190 --> 00:43:07,740

the Trinity UFO crash recovery story

899

00:43:13,130 --> 00:43:10,200

respond to the findings reported in

900

00:43:15,770 --> 00:43:13,140

these the crash tale files I would hope

901
00:43:18,050 --> 00:43:15,780
to see drastic course correction so he

902
00:43:20,089 --> 00:43:18,060
hopes they do the right thing perhaps

903
00:43:22,030 --> 00:43:20,099
the apostles for the Trinity crash story

904
00:43:24,589 --> 00:43:22,040
will observe that

905
00:43:26,690 --> 00:43:24,599
remigo Bacca is now dead and cannot

906
00:43:28,790 --> 00:43:26,700
respond to my findings but then neither

907
00:43:31,430 --> 00:43:28,800
can the long-deceased officer Eddie

908
00:43:33,710 --> 00:43:31,440
Apodaca or the long deceased Governor

909
00:43:36,950 --> 00:43:33,720
Dixie Lee Ray now confront Bacoor

910
00:43:39,710 --> 00:43:36,960
Padilla about the lies and the hoaxers

911
00:43:41,990 --> 00:43:39,720
told about them lies that Jacques valet

912
00:43:45,410 --> 00:43:42,000
and Paula Harris believed all too

913
00:43:48,109 --> 00:43:45,420

readily and and have now spread fall far

914

00:43:49,370 --> 00:43:48,119

and wide so here's the findings in the

915

00:43:52,130 --> 00:43:49,380

original tale both in the direct

916

00:43:53,690 --> 00:43:52,140

accounts uh by Baka and Padilla

917

00:43:56,510 --> 00:43:53,700

themselves and as the story has more

918

00:43:59,270 --> 00:43:56,520

recently been set forth by Ville Harris

919

00:44:01,730 --> 00:43:59,280

book one key character is New Mexico

920

00:44:03,050 --> 00:44:01,740

police officer Eddie Apodaca

921

00:44:05,329 --> 00:44:03,060

consistently

922

00:44:08,329 --> 00:44:05,339

and the accounts directly from back and

923

00:44:10,130 --> 00:44:08,339

Padilla abaca is not just some random

924

00:44:12,230 --> 00:44:10,140

policeman sent response to a troubled

925

00:44:14,870 --> 00:44:12,240

call that way someone already well known

926
00:44:16,250 --> 00:44:14,880
to Padilla a friend of the family who

927
00:44:17,870 --> 00:44:16,260
has summoned to help deal with the

928
00:44:20,650 --> 00:44:17,880
puzzling situation

929
00:44:24,410 --> 00:44:20,660
and and was identified

930
00:44:26,809 --> 00:44:24,420
uh in this book as state policeman Eddie

931
00:44:29,930 --> 00:44:26,819
Apodaca a family friend who had been

932
00:44:31,550 --> 00:44:29,940
summoned by Faustino to arrive at the

933
00:44:33,230 --> 00:44:31,560
Padilla home so they summoned this

934
00:44:35,809 --> 00:44:33,240
family friend who they say is a police

935
00:44:38,630 --> 00:44:35,819
officer at the time of the crash

936
00:44:40,550 --> 00:44:38,640
and this researcher found that Eddie

937
00:44:43,430 --> 00:44:40,560
Apodaca was a real New Mexico state

938
00:44:45,410 --> 00:44:43,440

police officer who assigned to Sakura

939

00:44:48,589 --> 00:44:45,420

County New Mexico where back and Padilla

940

00:44:51,109 --> 00:44:48,599

grew up in the early 1950s when they

941

00:44:54,410 --> 00:44:51,119

were in their early teens so there's a

942

00:44:56,390 --> 00:44:54,420

problem the whole story is built on well

943

00:44:58,250 --> 00:44:56,400

this police officer was involved and

944

00:45:02,510 --> 00:44:58,260

he's a state police officer with an

945

00:45:04,910 --> 00:45:02,520

exemplary record great except he wasn't

946

00:45:10,910 --> 00:45:04,920

a police officer at the time of the

947

00:45:16,370 --> 00:45:13,550

invented by the people who are making

948

00:45:19,430 --> 00:45:16,380

all the money selling this they could

949

00:45:21,710 --> 00:45:19,440

have fact checked this they didn't

950

00:45:23,750 --> 00:45:21,720

this is where the Story begins to fall

951
00:45:26,990 --> 00:45:23,760
apart

952
00:45:30,050 --> 00:45:27,000
and unfortunately uh despite whatever

953
00:45:32,390 --> 00:45:30,060
excuses valet or Paula Harris put

954
00:45:35,390 --> 00:45:32,400
forward that's a huge hole in the story

955
00:45:37,730 --> 00:45:35,400
oh the witnesses said they called their

956
00:45:40,069 --> 00:45:37,740
their friend the police officer to the

957
00:45:41,930 --> 00:45:40,079
crash site except he wasn't a police

958
00:45:44,089 --> 00:45:41,940
officer at the time

959
00:45:46,630 --> 00:45:44,099
and they said he was

960
00:45:49,490 --> 00:45:46,640
big big problem

961
00:45:52,370 --> 00:45:49,500
uh apidacta's visit to the crash site

962
00:45:54,650 --> 00:45:52,380
his entry into the alien vehicle all the

963
00:45:57,470 --> 00:45:54,660

quotes attributed to him they are pure

964

00:46:00,230 --> 00:45:57,480

inventions by Remy Bacca and Jose

965

00:46:03,290 --> 00:46:00,240

Padilla inserted into their made-up

966

00:46:05,270 --> 00:46:03,300

story Paula Harris never checked Jacques

967

00:46:07,790 --> 00:46:05,280

valet never checked read the details and

968

00:46:10,250 --> 00:46:07,800

see the documentation

969

00:46:12,410 --> 00:46:10,260

uh the tale is not told by two children

970

00:46:14,569 --> 00:46:12,420

as valet and Padilla often speak of it

971

00:46:16,670 --> 00:46:14,579

but rather a tale told by two men who

972

00:46:19,730 --> 00:46:16,680

were in their 60s when they launched the

973

00:46:21,530 --> 00:46:19,740

hoax in 2003. these two were not

974

00:46:23,390 --> 00:46:21,540

terribly sophisticated Liars they

975

00:46:24,950 --> 00:46:23,400

started out somewhat tentatively but it

976

00:46:27,109 --> 00:46:24,960

appears that they learned over time that

977

00:46:29,210 --> 00:46:27,119

they could elaborate on their stories to

978

00:46:31,130 --> 00:46:29,220

their hearts content and could slip up

979

00:46:32,809 --> 00:46:31,140

in any number of ways and their

980

00:46:34,730 --> 00:46:32,819

stenographers would swallow it all

981

00:46:38,630 --> 00:46:34,740

subjecting very little skeptical

982

00:46:41,450 --> 00:46:38,640

scrutiny you will yeah so

983

00:46:43,670 --> 00:46:41,460

there is good when uh evidence that the

984

00:46:46,069 --> 00:46:43,680

two witnesses especially Remy Baca had

985

00:46:47,990 --> 00:46:46,079

hopes to raise substantial sums of money

986

00:46:51,230 --> 00:46:48,000

with their tail and that they made

987

00:46:52,670 --> 00:46:51,240

repeated attempts to try to do so it is

988

00:46:55,190 --> 00:46:52,680

not clear however if any of these

989

00:46:57,950 --> 00:46:55,200

efforts were ever terribly successful

990

00:46:59,990 --> 00:46:57,960

so great uh the two people

991

00:47:02,450 --> 00:47:00,000

who were trying to sell the story or

992

00:47:04,550 --> 00:47:02,460

trying to sell the story

993

00:47:06,829 --> 00:47:04,560

and he was involved in mufon in the

994

00:47:10,430 --> 00:47:06,839

1990s when he was an insurance salesman

995

00:47:13,309 --> 00:47:10,440

in California in publicity promoting his

996

00:47:15,890 --> 00:47:13,319

UFO crash story starting in 2003 Bacca

997

00:47:18,770 --> 00:47:15,900

told substantial wise documentable and

998

00:47:20,809 --> 00:47:18,780

highly pertinent lies and he swiped

999

00:47:22,849 --> 00:47:20,819

material from various sources to

1000

00:47:25,550 --> 00:47:22,859

incorporate into his stories in order to

1001
00:47:28,010 --> 00:47:25,560
impress Paul Harris and others back a

1002
00:47:29,510 --> 00:47:28,020
grossly exaggerated his stature in the

1003
00:47:32,450 --> 00:47:29,520
political world of Washington state

1004
00:47:34,130 --> 00:47:32,460
during the 1970s specifically backup

1005
00:47:36,710 --> 00:47:34,140
falsely claimed to have been a crucial

1006
00:47:38,870 --> 00:47:36,720
electoral King maker for one term

1007
00:47:42,530 --> 00:47:38,880
Washington State Governor Dixie Lee Ray

1008
00:47:45,650 --> 00:47:42,540
so the guy's a liar and he was in mufon

1009
00:47:48,230 --> 00:47:45,660
in the 1990s and suddenly he's telling

1010
00:47:50,750 --> 00:47:48,240
tall tales about crashed flying saucers

1011
00:47:53,150 --> 00:47:50,760
in 2003.

1012
00:47:55,190 --> 00:47:53,160
Baca fabricated a fantastically

1013
00:47:57,349 --> 00:47:55,200

implausible tale that both Paul Harris

1014

00:47:59,990 --> 00:47:57,359

and valet swallowed and have vigorously

1015

00:48:01,849 --> 00:48:00,000

promoted in which Governor Dixie Lee Ray

1016

00:48:04,490 --> 00:48:01,859

of Washington state a former member of

1017

00:48:07,849 --> 00:48:04,500

the atomic energy commission showed Baca

1018

00:48:10,849 --> 00:48:07,859

an ultra secret file about the 1945 UFO

1019

00:48:12,770 --> 00:48:10,859

crash at San Antonio yeah three guesses

1020

00:48:15,890 --> 00:48:12,780

guess what that file doesn't exist and

1021

00:48:18,230 --> 00:48:15,900

the governor could not just show top

1022

00:48:20,750 --> 00:48:18,240

secret files to a civilian so the story

1023

00:48:22,730 --> 00:48:20,760

falls apart more and valet and Paul

1024

00:48:24,589 --> 00:48:22,740

Harris should have known this

1025

00:48:27,170 --> 00:48:24,599

uh

1026

00:48:28,970 --> 00:48:27,180

but don't worry no actual crimes were

1027

00:48:31,730 --> 00:48:28,980

committed because the secret file claim

1028

00:48:34,790 --> 00:48:31,740

itself is completely Preposterous and it

1029

00:48:36,829 --> 00:48:34,800

would be Preposterous even if it did not

1030

00:48:38,510 --> 00:48:36,839

rest on baka's fictional claim to have

1031

00:48:40,370 --> 00:48:38,520

had a close relationship so he didn't

1032

00:48:41,510 --> 00:48:40,380

even know the governor he claimed he

1033

00:48:44,390 --> 00:48:41,520

knew the governor and the governor

1034

00:48:46,790 --> 00:48:44,400

showed him some top secret files sure

1035

00:48:50,569 --> 00:48:46,800

sure you saw top secret files the

1036

00:48:53,089 --> 00:48:50,579

governor showed them to you right

1037

00:48:55,069 --> 00:48:53,099

in 2003 before the Padilla story was

1038

00:48:57,530 --> 00:48:55,079

known to the UFO World UFO crash

1039

00:48:59,690 --> 00:48:57,540

Enthusiast named William Billy Brophy

1040

00:49:01,550 --> 00:48:59,700

wrote multiple letters to the UK Flying

1041

00:49:04,490 --> 00:49:01,560

Saucer review which he placed his father

1042

00:49:07,430 --> 00:49:04,500

a longtime deceased military pilot at

1043

00:49:09,650 --> 00:49:07,440

the site of the 1947 UFO crash in New

1044

00:49:11,450 --> 00:49:09,660

Mexico and Associated his father in a

1045

00:49:15,230 --> 00:49:11,460

murky way with another UFO crash in

1046

00:49:18,829 --> 00:49:15,240

Mexico in 1950 never mentioning any 1945

1047

00:49:20,510 --> 00:49:18,839

crash however after the Baka Padilla

1048

00:49:22,910 --> 00:49:20,520

story started cropping up in the UFO

1049

00:49:25,130 --> 00:49:22,920

literature Brophy latched onto it big

1050

00:49:27,410 --> 00:49:25,140

time and after that spoke mostly of his

1051
00:49:29,990 --> 00:49:27,420
father's claimed involvement in the 1945

1052
00:49:32,510 --> 00:49:30,000
crash story great so a guy who never

1053
00:49:35,270 --> 00:49:32,520
talked about a 1945 crash suddenly his

1054
00:49:37,790 --> 00:49:35,280
dad was in on the crash these are all

1055
00:49:39,470 --> 00:49:37,800
red flags of hoxery

1056
00:49:41,750 --> 00:49:39,480
in an interview by Paula Harris

1057
00:49:43,490 --> 00:49:41,760
apparently conducted in 2010 later

1058
00:49:45,109 --> 00:49:43,500
included by Remy back in his

1059
00:49:47,690 --> 00:49:45,119
self-published book The Edge of Ground

1060
00:49:50,510 --> 00:49:47,700
Zero Billy Brophy told Paul Harris that

1061
00:49:52,910 --> 00:49:50,520
his father pilot William Brophy had been

1062
00:49:55,010 --> 00:49:52,920
sent to recover damned alien Craft on

1063
00:49:57,109 --> 00:49:55,020

the Padilla Ranch site and that a live

1064

00:50:00,230 --> 00:49:57,119

alien was captured oh see this is where

1065

00:50:03,470 --> 00:50:00,240

it gets good this is where the uh the

1066

00:50:04,210 --> 00:50:03,480

the lies get thicker and thicker and you

1067

00:50:09,410 --> 00:50:04,220

know

1068

00:50:12,770 --> 00:50:09,420

come on extraordinary claims require

1069

00:50:14,690 --> 00:50:12,780

extraordinary evidence and just putting

1070

00:50:18,349 --> 00:50:14,700

a story like this in a book

1071

00:50:23,270 --> 00:50:21,290

yeah and I found uh Harris even

1072

00:50:26,089 --> 00:50:23,280

referring to the recovery of alien

1073

00:50:27,589 --> 00:50:26,099

cadavers and then only in passing they

1074

00:50:29,870 --> 00:50:27,599

are not only mentioned in the addition

1075

00:50:32,089 --> 00:50:29,880

of Trinity nor have I come across any

1076
00:50:35,030 --> 00:50:32,099
other interview in which Harris repeats

1077
00:50:37,430 --> 00:50:35,040
her passing 2010 oblique reference to

1078
00:50:40,609 --> 00:50:37,440
the pilot flying the alien bodies away

1079
00:50:42,890 --> 00:50:40,619
so we have a problem with the

1080
00:50:45,230 --> 00:50:42,900
consistency of the stories and I

1081
00:50:47,150 --> 00:50:45,240
apologize for the beeping people are

1082
00:50:48,890 --> 00:50:47,160
messaging me let me do not disturb

1083
00:50:50,290 --> 00:50:48,900
myself

1084
00:50:53,990 --> 00:50:50,300
um so

1085
00:50:56,690 --> 00:50:54,000
there are glaring inconsistencies in the

1086
00:50:59,450 --> 00:50:56,700
story in the timelines in the lack of

1087
00:51:01,910 --> 00:50:59,460
fact checking this is how you sell a

1088
00:51:03,410 --> 00:51:01,920

book about UFOs you just play fast and

1089

00:51:05,569 --> 00:51:03,420

loose with the backs you leave out

1090

00:51:07,190 --> 00:51:05,579

anything that doesn't

1091

00:51:09,950 --> 00:51:07,200

um that doesn't

1092

00:51:13,190 --> 00:51:09,960

support the story being true and you do

1093

00:51:16,490 --> 00:51:13,200

that on purpose that lie by Omission is

1094

00:51:21,170 --> 00:51:19,430

yeah and we've got claims from the

1095

00:51:23,630 --> 00:51:21,180

various witnesses that turn out to be

1096

00:51:24,410 --> 00:51:23,640

not true when you actually fact check

1097

00:51:29,210 --> 00:51:24,420

them

1098

00:51:32,569 --> 00:51:30,829

um and these are the acknowledgments and

1099

00:51:34,190 --> 00:51:32,579

thanks to we get to the end of it and we

1100

00:51:35,750 --> 00:51:34,200

have all the partial list of sources so

1101

00:51:38,150 --> 00:51:35,760

I've shared this we don't want to go

1102

00:51:41,150 --> 00:51:38,160

through the entire thing but I want to

1103

00:51:43,670 --> 00:51:41,160

support good research right

1104

00:51:48,290 --> 00:51:43,680

uh

1105

00:51:51,470 --> 00:51:48,300

claimed that Padilla used a pipe

1106

00:51:53,530 --> 00:51:51,480

uh in 2005 they made this claim pry bar

1107

00:51:56,930 --> 00:51:53,540

cheap bar crowbar

1108

00:51:59,390 --> 00:51:56,940

in later versions to probably a 12 inch

1109

00:52:01,130 --> 00:51:59,400

metal souvenir bracket artifact off the

1110

00:52:02,930 --> 00:52:01,140

panel of the interior wall of the Dale

1111

00:52:06,170 --> 00:52:02,940

daily and craft oh and we're going to

1112

00:52:08,690 --> 00:52:06,180

see what that is and it's not a big

1113

00:52:11,030 --> 00:52:08,700

surprise spoiler alert the thing that

1114

00:52:14,870 --> 00:52:11,040

they claim they pried off the walls of

1115

00:52:17,450 --> 00:52:14,880

an downed alien spacecraft is not alien

1116

00:52:19,430 --> 00:52:17,460

in his early writings he claimed that

1117

00:52:21,230 --> 00:52:19,440

tests by unnamed analysts showed that

1118

00:52:23,390 --> 00:52:21,240

the metal had exotic properties and

1119

00:52:25,910 --> 00:52:23,400

Harris at times in the past also Embrace

1120

00:52:28,250 --> 00:52:25,920

such claims

1121

00:52:30,049 --> 00:52:28,260

yeah Paul Harris claimed that the medal

1122

00:52:33,170 --> 00:52:30,059

that they had had micro circuitry

1123

00:52:35,150 --> 00:52:33,180

embedded in it and so forth however the

1124

00:52:37,430 --> 00:52:35,160

artifact has been analyzed by identified

1125

00:52:40,370 --> 00:52:37,440

Labs on several occasions and found to

1126
00:52:42,770 --> 00:52:40,380
be a conventional terrestrial aluminum

1127
00:52:45,589 --> 00:52:42,780
alloy the product of prosaic

1128
00:52:48,109 --> 00:52:45,599
manufacturing methods valet himself in

1129
00:52:51,710 --> 00:52:48,119
2021 noting that the artifact was

1130
00:52:54,710 --> 00:52:51,720
manufactured with metric Dimensions so

1131
00:52:56,690 --> 00:52:54,720
listen unless the aliens are using our

1132
00:53:00,349 --> 00:52:56,700
measurement system that's an Earthly

1133
00:53:02,809 --> 00:53:00,359
object there's no micro circuits in it

1134
00:53:05,510 --> 00:53:02,819
and just to be clear

1135
00:53:08,510 --> 00:53:05,520
if metal came from another solar system

1136
00:53:11,089 --> 00:53:08,520
and we had it and it was analyzed we

1137
00:53:12,589 --> 00:53:11,099
would know that metal did not come from

1138
00:53:14,450 --> 00:53:12,599

this solar system

1139

00:53:17,210 --> 00:53:14,460

this object

1140

00:53:22,849 --> 00:53:17,220

exhibited no properties

1141

00:53:25,970 --> 00:53:23,930

system

1142

00:53:27,890 --> 00:53:25,980

so great job Paul Harris tell everybody

1143

00:53:30,770 --> 00:53:27,900

that was alien Metals with micro

1144

00:53:34,130 --> 00:53:30,780

circuits in it no it wasn't

1145

00:53:36,049 --> 00:53:34,140

uh yeah a fiscal and and here's funny

1146

00:53:38,270 --> 00:53:36,059

the National Defense authorization act

1147

00:53:40,329 --> 00:53:38,280

contains a provision requiring that the

1148

00:53:44,750 --> 00:53:40,339

Pentagon offers tests with investigation

1149

00:53:47,470 --> 00:53:44,760

of UAP and UFOs all the name anomaly

1150

00:53:50,089 --> 00:53:47,480

research Arrow to prepare a repentant

1151
00:53:51,589 --> 00:53:50,099
report detailing the historical record

1152
00:53:53,809 --> 00:53:51,599
of the United States government relating

1153
00:53:56,870 --> 00:53:53,819
to unidentified anomalous phenomenon

1154
00:53:58,790 --> 00:53:56,880
including any program of activity that

1155
00:54:00,170 --> 00:53:58,800
was protected by restricted access and

1156
00:54:03,589 --> 00:54:00,180
has not been explicitly and clearly

1157
00:54:06,770 --> 00:54:03,599
reported to Congress so because of these

1158
00:54:09,230 --> 00:54:06,780
guys in this book our taxpayers money is

1159
00:54:11,510 --> 00:54:09,240
getting wasted kind of like our 22

1160
00:54:12,349 --> 00:54:11,520
million dollars got wasted on Skinwalker

1161
00:54:15,109 --> 00:54:12,359
Ranch

1162
00:54:16,910 --> 00:54:15,119
great great so we'll check in with the

1163
00:54:18,109 --> 00:54:16,920

live chat right now

1164

00:54:25,430 --> 00:54:18,119

uh

1165

00:54:29,690 --> 00:54:25,440

a short presentation I have some other

1166

00:54:32,569 --> 00:54:29,700

show work to do and uh we are

1167

00:54:35,329 --> 00:54:32,579

we are uh still working on upgrading

1168

00:54:37,790 --> 00:54:35,339

those computers uh one second here

1169

00:54:41,150 --> 00:54:37,800

so now we're going to get into this

1170

00:54:44,089 --> 00:54:41,160

so-called crash recovered object right

1171

00:54:47,329 --> 00:54:44,099

that was from the crash

1172

00:54:48,829 --> 00:54:47,339

uh and boy this one is a long one so and

1173

00:54:51,049 --> 00:54:48,839

you know what I'm gonna do I'm gonna put

1174

00:54:53,210 --> 00:54:51,059

this one in the description of the video

1175

00:54:54,170 --> 00:54:53,220

as well

1176

00:54:56,089 --> 00:54:54,180

um

1177

00:54:59,630 --> 00:54:56,099

[Music]

1178

00:55:04,730 --> 00:54:59,640

despite what some clowns say we always

1179

00:55:07,609 --> 00:55:04,740

credit any sources and uh yeah we credit

1180

00:55:10,069 --> 00:55:07,619

whatever sources that we're using uh and

1181

00:55:13,370 --> 00:55:10,079

by the way I have many more sources uh

1182

00:55:16,130 --> 00:55:13,380

that back up what the the gist of the

1183

00:55:18,530 --> 00:55:16,140

tonight's presentation is

1184

00:55:20,809 --> 00:55:18,540

um maybe we'll do a part two and rip

1185

00:55:24,010 --> 00:55:20,819

this apart some more but I think that

1186

00:55:26,210 --> 00:55:24,020

this is going to be more than sufficient

1187

00:55:27,829 --> 00:55:26,220

uh let's just check in with the live

1188

00:55:29,930 --> 00:55:27,839

chat make sure I didn't miss any of the

1189

00:55:32,690 --> 00:55:29,940

super chats or anything

1190

00:55:35,270 --> 00:55:32,700

yes Brian we'll take some comments or

1191

00:55:38,150 --> 00:55:35,280

questions before we move forward uh

1192

00:55:40,430 --> 00:55:38,160

Brian verkler says but facts get in the

1193

00:55:42,770 --> 00:55:40,440

way of profit yeah that's how you sell a

1194

00:55:45,410 --> 00:55:42,780

UFO story this is exactly how you sell a

1195

00:55:48,530 --> 00:55:45,420

UFO story oh we forgot to check that

1196

00:55:50,510 --> 00:55:48,540

that guy wasn't a cop until the 1950s so

1197

00:55:53,030 --> 00:55:50,520

those people had to be lying when they

1198

00:55:54,829 --> 00:55:53,040

said we we needed help so we called our

1199

00:55:57,530 --> 00:55:54,839

friend who was a police officer at the

1200

00:55:59,710 --> 00:55:57,540

time of the crash to our house yeah it

1201
00:56:03,710 --> 00:55:59,720
wasn't a police officer at that time

1202
00:56:05,930 --> 00:56:03,720
facts little minutia points matter these

1203
00:56:09,109 --> 00:56:05,940
things are important and when people

1204
00:56:12,349 --> 00:56:09,119
leave those things out or don't do that

1205
00:56:14,150 --> 00:56:12,359
work it's because it's gonna it's gonna

1206
00:56:16,849 --> 00:56:14,160
screw the story and you won't be able to

1207
00:56:19,790 --> 00:56:16,859
make money off the story if people know

1208
00:56:21,890 --> 00:56:19,800
the story as a lot of holes in it and is

1209
00:56:25,130 --> 00:56:21,900
likely fake

1210
00:56:27,410 --> 00:56:25,140
yes and uh Mr Ian is reminding everybody

1211
00:56:29,870 --> 00:56:27,420
that avian lives matter check the

1212
00:56:33,049 --> 00:56:29,880
description of our video uh we've got

1213
00:56:35,390 --> 00:56:33,059

lots of great uh merchandise available

1214

00:56:38,569 --> 00:56:35,400

for you right now oh and uh another

1215

00:56:41,089 --> 00:56:38,579

thing to correct from the rumor mill

1216

00:56:44,329 --> 00:56:41,099

all of our content here is now will

1217

00:56:48,170 --> 00:56:44,339

always be free once per show

1218

00:56:49,790 --> 00:56:48,180

sometimes never once per show we play a

1219

00:56:51,829 --> 00:56:49,800

bumper reminding people we review our

1220

00:56:54,230 --> 00:56:51,839

supported show which is no different

1221

00:56:56,589 --> 00:56:54,240

than somebody reminding people how they

1222

00:57:00,470 --> 00:56:56,599

can contribute to the show once per show

1223

00:57:02,690 --> 00:57:00,480

so people talking trash just because why

1224

00:57:04,730 --> 00:57:02,700

because I play the bumper instead of

1225

00:57:08,150 --> 00:57:04,740

saying it every night that means I'm

1226
00:57:10,010 --> 00:57:08,160
smarter you know or I'm tired of doing

1227
00:57:12,530 --> 00:57:10,020
the pitch I don't want to do a pitch

1228
00:57:14,930 --> 00:57:12,540
every night so we put it in a bumper and

1229
00:57:16,690 --> 00:57:14,940
once per night we will remind people

1230
00:57:19,010 --> 00:57:16,700
that we are a viewer supported show

1231
00:57:20,329 --> 00:57:19,020
sometimes I forget and we do it at the

1232
00:57:22,010 --> 00:57:20,339
end of the show when the show's always

1233
00:57:23,569 --> 00:57:22,020
already over so you can just click off

1234
00:57:25,790 --> 00:57:23,579
you don't need to listen

1235
00:57:28,790 --> 00:57:25,800
and our content is now will always be

1236
00:57:30,589 --> 00:57:28,800
free we provide a public service here we

1237
00:57:33,290 --> 00:57:30,599
also put out some free documentaries

1238
00:57:36,410 --> 00:57:33,300

which by the way I have made zero dollar

1239

00:57:38,990 --> 00:57:36,420

zero Pennies on so while some people are

1240

00:57:41,510 --> 00:57:39,000

getting paid to lie to you

1241

00:57:43,910 --> 00:57:41,520

I'm get I'm telling you the truth for

1242

00:57:46,430 --> 00:57:43,920

zero dollar zero cents in the case of

1243

00:57:48,109 --> 00:57:46,440

those two documentaries and of course

1244

00:57:49,490 --> 00:57:48,119

it's the people who are making money

1245

00:57:52,549 --> 00:57:49,500

lying to you they're going to throw

1246

00:57:54,589 --> 00:57:52,559

shade but it is what it is

1247

00:57:58,430 --> 00:57:55,849

yeah

1248

00:58:00,230 --> 00:57:58,440

and Arden paranormal reminding people to

1249

00:58:02,210 --> 00:58:00,240

buy some merchandise to support our show

1250

00:58:03,710 --> 00:58:02,220

and I saw Arden don't you have an

1251
00:58:06,109 --> 00:58:03,720
interview coming up or something like

1252
00:58:07,910 --> 00:58:06,119
that you need to uh you should be

1253
00:58:10,549 --> 00:58:07,920
putting your links in the live chat

1254
00:58:12,549 --> 00:58:10,559
every night you're here as well uh it's

1255
00:58:16,549 --> 00:58:12,559
the least that we can do to support you

1256
00:58:18,770 --> 00:58:16,559
uh in your in your other endeavors right

1257
00:58:21,890 --> 00:58:18,780
okay and here I'm going to address this

1258
00:58:24,170 --> 00:58:21,900
as well because some idiot clown is

1259
00:58:26,089 --> 00:58:24,180
putting my name on a thumbnail somehow

1260
00:58:28,130 --> 00:58:26,099
insinuating that I have something to do

1261
00:58:31,849 --> 00:58:28,140
with the recent statement by alien

1262
00:58:33,710 --> 00:58:31,859
scientists here's what I can tell you uh

1263
00:58:35,750 --> 00:58:33,720

apparently alien scientist is just

1264

00:58:38,510 --> 00:58:35,760

having some problems and he decided to

1265

00:58:41,390 --> 00:58:38,520

step away from the world of UFOs we here

1266

00:58:44,210 --> 00:58:41,400

at truth Seekers absolutely positively

1267

00:58:47,390 --> 00:58:44,220

fully support him uh he is a great guy

1268

00:58:50,089 --> 00:58:47,400

and we wish him all the best

1269

00:58:51,289 --> 00:58:50,099

with whatever he chooses to do do I

1270

00:58:53,270 --> 00:58:51,299

think that

1271

00:58:55,370 --> 00:58:53,280

um you know I'm very concerned for him

1272

00:58:58,190 --> 00:58:55,380

so I've reached out to him I made sure

1273

00:58:59,930 --> 00:58:58,200

that he had my cell phone number and any

1274

00:59:03,170 --> 00:58:59,940

other information that he needs to

1275

00:59:05,450 --> 00:59:03,180

contact me he has I told I just told him

1276
00:59:09,829 --> 00:59:05,460
simply I'm here for you if you ever need

1277
00:59:11,569 --> 00:59:09,839
me I'm I think or I know that you have

1278
00:59:14,150 --> 00:59:11,579
my cell phone number but

1279
00:59:16,970 --> 00:59:14,160
here it is again just to be sure that

1280
00:59:21,650 --> 00:59:16,980
you have it or if you ever need it and

1281
00:59:24,710 --> 00:59:21,660
you know I respect uh Jeremy's privacy

1282
00:59:27,170 --> 00:59:24,720
so I have his cell phone number my kids

1283
00:59:29,630 --> 00:59:27,180
were home today all day uh from school

1284
00:59:31,910 --> 00:59:29,640
they had off today so I was very busy

1285
00:59:33,349 --> 00:59:31,920
with my children when I get a chance I

1286
00:59:35,089 --> 00:59:33,359
am going to call them and reach out to

1287
00:59:37,609 --> 00:59:35,099
him just to check in with them and make

1288
00:59:40,849 --> 00:59:37,619

sure that he is okay I can tell you that

1289

00:59:42,770 --> 00:59:40,859

everybody is very very concerned um and

1290

00:59:43,609 --> 00:59:42,780

and so am I

1291

00:59:45,829 --> 00:59:43,619

um

1292

00:59:48,650 --> 00:59:45,839

another thing that I can tell you is

1293

00:59:50,270 --> 00:59:48,660

that this being intensely connected to

1294

00:59:52,609 --> 00:59:50,280

all this conspiracy land stuff

1295

00:59:56,390 --> 00:59:52,619

constantly and doing all this research

1296

01:00:02,150 --> 00:59:56,400

and all this reading and and you know

1297

01:00:03,530 --> 01:00:02,160

it's taxing it takes a toll on people

1298

01:00:06,470 --> 01:00:03,540

um

1299

01:00:09,230 --> 01:00:06,480

and certainly as on many people

1300

01:00:12,890 --> 01:00:09,240

including Jeremy including me

1301

01:00:14,930 --> 01:00:12,900

I fully think it's a good idea to step

1302

01:00:17,150 --> 01:00:14,940

away from this crap for as long as

1303

01:00:18,349 --> 01:00:17,160

possible take some vacations take some

1304

01:00:21,109 --> 01:00:18,359

days off

1305

01:00:23,450 --> 01:00:21,119

get out of conspiracy land and God bless

1306

01:00:25,670 --> 01:00:23,460

him uh he'll be in my thoughts prayers

1307

01:00:27,530 --> 01:00:25,680

and meditations we wish him all the best

1308

01:00:29,690 --> 01:00:27,540

here so I don't really know what

1309

01:00:32,750 --> 01:00:29,700

happened I know that apparently he's

1310

01:00:35,990 --> 01:00:32,760

experiencing some personal problems and

1311

01:00:38,329 --> 01:00:36,000

he's going to be stepping away from uh

1312

01:00:40,609 --> 01:00:38,339

everything apparently

1313

01:00:44,349 --> 01:00:40,619

uh but I hope that uh

1314

01:00:48,049 --> 01:00:44,359

he's okay I hope that he gets some rest

1315

01:00:50,510 --> 01:00:48,059

recuperates uh and and is back at it he

1316

01:00:55,370 --> 01:00:50,520

does incredible work and we should all

1317

01:00:58,190 --> 01:00:56,809

all right we're going to get back to

1318

01:01:00,589 --> 01:00:58,200

this and we're going to get to this

1319

01:01:03,470 --> 01:01:00,599

crash material

1320

01:01:05,750 --> 01:01:03,480

and here tonight is a perfect example

1321

01:01:08,630 --> 01:01:05,760

friends of why this crash material

1322

01:01:11,089 --> 01:01:08,640

garbage story

1323

01:01:15,609 --> 01:01:11,099

um oh wait a minute wrong one

1324

01:01:17,690 --> 01:01:15,619

why this crash material crashed bodies

1325

01:01:20,030 --> 01:01:17,700

whistleblowers are all going to reveal

1326
01:01:23,630 --> 01:01:20,040
it soon you got to be very very cautious

1327
01:01:26,450 --> 01:01:23,640
with those claims being made because

1328
01:01:29,569 --> 01:01:26,460
a lot of people are are selling you

1329
01:01:32,329 --> 01:01:29,579
um false narratives and this book is the

1330
01:01:35,809 --> 01:01:32,339
perfect example of it

1331
01:01:37,730 --> 01:01:35,819
I know for a fact that many of these UFO

1332
01:01:40,789 --> 01:01:37,740
wakadus who are pushing this to cross

1333
01:01:42,650 --> 01:01:40,799
retrievals uh it's the holy grail and

1334
01:01:44,150 --> 01:01:42,660
we're gonna get the truth and the

1335
01:01:46,309 --> 01:01:44,160
government's finally going to tell us

1336
01:01:48,829 --> 01:01:46,319
where those alien bodies were being kept

1337
01:01:50,990 --> 01:01:48,839
in the pickle jars

1338
01:01:55,670 --> 01:01:51,000

a lot of those people pushing that

1339

01:01:57,950 --> 01:01:55,680

narrative were basing their their belief

1340

01:02:01,370 --> 01:01:57,960

that that's going to happen on this book

1341

01:02:03,049 --> 01:02:01,380

and now we see that this book is filled

1342

01:02:05,170 --> 01:02:03,059

with garbage

1343

01:02:08,930 --> 01:02:05,180

all right so

1344

01:02:11,630 --> 01:02:08,940

here's the crash retrieval uh here's the

1345

01:02:17,690 --> 01:02:15,589

here's the material that was uh these

1346

01:02:20,450 --> 01:02:17,700

are four PowerPoint slides from Frank

1347

01:02:23,089 --> 01:02:20,460

kimbler's 2015 presentation on open

1348

01:02:25,730 --> 01:02:23,099

minds comp uh conference that are

1349

01:02:26,930 --> 01:02:25,740

directly related to this investigation

1350

01:02:30,410 --> 01:02:26,940

so

1351

01:02:32,690 --> 01:02:30,420

what we get is an alleged UFO artifact

1352

01:02:35,569 --> 01:02:32,700

now remember they said that they pulled

1353

01:02:39,710 --> 01:02:35,579

this off the wall of an alien spaceship

1354

01:02:42,109 --> 01:02:39,720

with a crowbar or a pry bar or a cheat

1355

01:02:45,710 --> 01:02:42,119

stick they didn't even know how did they

1356

01:02:48,549 --> 01:02:45,720

do that who knows alleged UFO artifact

1357

01:02:52,569 --> 01:02:48,559

witness and other metal from the scene

1358

01:02:55,130 --> 01:02:52,579

but here is the problem a real analysis

1359

01:02:57,490 --> 01:02:55,140

uh Frank kimble submitted one-page

1360

01:03:00,410 --> 01:02:57,500

document to Summer summarize his

1361

01:03:02,329 --> 01:03:00,420

conclusions after some very careful

1362

01:03:04,970 --> 01:03:02,339

research I have come to the conclusion

1363

01:03:08,510 --> 01:03:04,980

that the San Antonio UFO artifact from

1364

01:03:09,530 --> 01:03:08,520

1945 May in fact be apart from a

1365

01:03:12,770 --> 01:03:09,540

windmill

1366

01:03:15,829 --> 01:03:12,780

uh it may not be from 1945 but from the

1367

01:03:18,470 --> 01:03:15,839

late 1950s or early 60s

1368

01:03:20,750 --> 01:03:18,480

so that's great these guys claim that an

1369

01:03:24,049 --> 01:03:20,760

alien spaceship landed on their property

1370

01:03:26,450 --> 01:03:24,059

in 1945 and they pried this alien

1371

01:03:28,030 --> 01:03:26,460

artifact off the wall of the inside of

1372

01:03:32,150 --> 01:03:28,040

the spaceship

1373

01:03:36,410 --> 01:03:32,160

uh except it shows signs of being a

1374

01:03:40,130 --> 01:03:36,420

windmill part and and it was likely

1375

01:03:44,569 --> 01:03:40,140

manufactured in the late 1950s

1376

01:03:47,569 --> 01:03:44,579

or the early 1960s big problem for Zach

1377

01:03:50,030 --> 01:03:47,579

valet big problem for Paula Harris

1378

01:03:52,549 --> 01:03:50,040

why didn't they do this analysis and

1379

01:03:56,690 --> 01:03:52,559

include that in the book that this might

1380

01:04:00,289 --> 01:03:56,700

be a piece of a windmill for God's sake

1381

01:04:03,410 --> 01:04:00,299

why leave that out well if you tell

1382

01:04:06,650 --> 01:04:03,420

people it's an alien artifact Pride from

1383

01:04:08,870 --> 01:04:06,660

inside a spaceship you got a book deal

1384

01:04:11,809 --> 01:04:08,880

but if you tell people it's a piece of

1385

01:04:15,650 --> 01:04:11,819

junk apart from a windmill that wasn't

1386

01:04:18,470 --> 01:04:15,660

even there in 1945 it couldn't have been

1387

01:04:21,049 --> 01:04:18,480

likely manufactured late 50s early 60s

1388

01:04:25,670 --> 01:04:21,059

there's no book deal there's no money to

1389

01:04:31,190 --> 01:04:28,849

the actual part and it is referred to as

1390

01:04:33,829 --> 01:04:31,200

a tailbone the part is found in many

1391

01:04:36,410 --> 01:04:33,839

windmills and used in the tail vein

1392

01:04:39,950 --> 01:04:36,420

mechanism to move the windmill in the

1393

01:04:43,309 --> 01:04:39,960

proper wind direction and here we have

1394

01:04:46,849 --> 01:04:43,319

an exhibit of a incredibly similar

1395

01:04:48,890 --> 01:04:46,859

object and I'm sorry it's so small

1396

01:04:51,230 --> 01:04:48,900

let me see if I can

1397

01:04:52,730 --> 01:04:51,240

yeah let's make this bigger

1398

01:04:55,609 --> 01:04:52,740

here we go

1399

01:04:58,430 --> 01:04:55,619

boy that plenty big nail all right here

1400

01:05:01,789 --> 01:04:58,440

we go so this is from an action this is

1401

01:05:06,490 --> 01:05:01,799

the actual windmill part right that they

1402

01:05:10,010 --> 01:05:06,500

found that strangely matches this object

1403

01:05:13,549 --> 01:05:10,020

pretty pretty close right

1404

01:05:16,789 --> 01:05:13,559

and again this object that they claim

1405

01:05:21,170 --> 01:05:16,799

they pried off of an alien spaceship

1406

01:05:23,990 --> 01:05:21,180

wall in 1945 was likely manufactured in

1407

01:05:26,450 --> 01:05:24,000

the late 50s early 60s according to

1408

01:05:28,309 --> 01:05:26,460

analysis

1409

01:05:29,630 --> 01:05:28,319

the parts were not exact but keep in

1410

01:05:31,549 --> 01:05:29,640

mind there were several windmill

1411

01:05:33,289 --> 01:05:31,559

manufacturers and they had various

1412

01:05:35,089 --> 01:05:33,299

models of windmills there will be some

1413

01:05:37,190 --> 01:05:35,099

variations in the design of the tailbone

1414

01:05:41,089 --> 01:05:37,200

piece from model to model and

1415

01:05:44,630 --> 01:05:41,099

manufacture and manufacturer uh so great

1416

01:05:47,210 --> 01:05:44,640

uh the the alien artifact turns out to

1417

01:05:49,849 --> 01:05:47,220

be a piece of a goddamn windmill great

1418

01:05:51,049 --> 01:05:49,859

job great job guys great job selling

1419

01:05:53,930 --> 01:05:51,059

this story

1420

01:05:56,270 --> 01:05:53,940

but not a great job actually seeking the

1421

01:05:59,270 --> 01:05:56,280

truth about the story

1422

01:06:01,069 --> 01:05:59,280

um and by the way I have included this

1423

01:06:04,670 --> 01:06:01,079

blog as well

1424

01:06:07,670 --> 01:06:04,680

uh this piece it's by James Clarkson we

1425

01:06:10,250 --> 01:06:07,680

want to acknowledge and and support he

1426

01:06:12,109 --> 01:06:10,260

did quite a write-up and look Paul

1427

01:06:13,250 --> 01:06:12,119

Harris got some close-up pictures of

1428

01:06:17,089 --> 01:06:13,260

this and claimed they were micro

1429

01:06:19,670 --> 01:06:17,099

circuits uh no sign of that on analysis

1430

01:06:22,789 --> 01:06:19,680

there's no sign of micro circuitry on

1431

01:06:24,470 --> 01:06:22,799

analysis right no sign of that

1432

01:06:26,150 --> 01:06:24,480

whatsoever

1433

01:06:29,890 --> 01:06:26,160

uh great

1434

01:06:33,410 --> 01:06:29,900

so this is the 1945 San Antonio

1435

01:06:35,930 --> 01:06:33,420

so-called UFO Art Attack artifact

1436

01:06:38,150 --> 01:06:35,940

uh let's

1437

01:06:41,029 --> 01:06:38,160

focus on that

1438

01:06:44,109 --> 01:06:41,039

and uh

1439

01:06:46,970 --> 01:06:44,119

yeah looks looks like

1440

01:06:49,849 --> 01:06:46,980

it's nailed it's a piece of goddamn

1441

01:06:54,289 --> 01:06:52,670

the analysis of the alleged ET artifacts

1442

01:06:56,150 --> 01:06:54,299

have not produced any results that

1443

01:06:58,549 --> 01:06:56,160

objectively established that the object

1444

01:06:59,270 --> 01:06:58,559

was manufactured anywhere other than on

1445

01:07:02,029 --> 01:06:59,280

Earth

1446

01:07:03,410 --> 01:07:02,039

the shape of the cast metal object has

1447

01:07:05,750 --> 01:07:03,420

been identified during several

1448

01:07:07,670 --> 01:07:05,760

investigations is most probably being a

1449

01:07:09,529 --> 01:07:07,680

part of a windmill Frank Kimber

1450

01:07:11,750 --> 01:07:09,539

identified it as most closely resembling

1451

01:07:14,510 --> 01:07:11,760

part number they even have the part

1452

01:07:16,730 --> 01:07:14,520

number of the windmill manufactured by

1453

01:07:20,089 --> 01:07:16,740

the Aero Motor Company

1454

01:07:23,170 --> 01:07:20,099

you know this is where it falls apart

1455

01:07:25,849 --> 01:07:23,180

friends this is where it it falls apart

1456

01:07:29,510 --> 01:07:25,859

unfortunately for the people selling

1457

01:07:30,410 --> 01:07:29,520

this story it seems to be a a real

1458

01:07:33,589 --> 01:07:30,420

problem

1459

01:07:37,190 --> 01:07:33,599

uh there's some issues

1460

01:07:40,670 --> 01:07:37,200

that let me see the vegetation analysis

1461

01:07:43,370 --> 01:07:40,680

by sat Lynn Mann concluded that the

1462

01:07:45,650 --> 01:07:43,380

samples provided were Jimson weed and

1463

01:07:48,049 --> 01:07:45,660

other samples analyzed by botanist known

1464

01:07:50,930 --> 01:07:48,059

to Paula Harris as Jason identified the

1465

01:07:52,549 --> 01:07:50,940

other samples as cockle Burr according

1466

01:07:54,109 --> 01:07:52,559

to Paula Harris one team member

1467

01:07:56,210 --> 01:07:54,119

developed an allergic skin reaction

1468

01:07:58,309 --> 01:07:56,220

after pulling up a cockle Burr plan

1469

01:08:00,650 --> 01:07:58,319

however there were no reported further

1470

01:08:03,470 --> 01:08:00,660

incidents of reaction to plant life yeah

1471

01:08:05,529 --> 01:08:03,480

so they have samples of plant life from

1472

01:08:08,450 --> 01:08:05,539

the crap so-called crash site who cares

1473

01:08:10,549 --> 01:08:08,460

uh if the alien artifact is fake who

1474

01:08:12,950 --> 01:08:10,559

cares about samples right

1475

01:08:15,890 --> 01:08:12,960

the validity of this case rests entirely

1476

01:08:17,450 --> 01:08:15,900

upon the testimony of Jose Padilla he

1477

01:08:19,249 --> 01:08:17,460

has been consistent in his testimony

1478

01:08:20,990 --> 01:08:19,259

according to interviewers this means

1479

01:08:22,970 --> 01:08:21,000

that he believes he remembers what he is

1480

01:08:24,829 --> 01:08:22,980

describing that is not the same as

1481

01:08:27,229 --> 01:08:24,839

having a story that can be verified yeah

1482

01:08:29,390 --> 01:08:27,239

I love it oh their story never changed

1483

01:08:31,849 --> 01:08:29,400

just means it just could mean they're

1484

01:08:33,349 --> 01:08:31,859

good liars not that they actually know

1485

01:08:35,450 --> 01:08:33,359

what they're talking about

1486

01:08:38,209 --> 01:08:35,460

two metal samples have identical

1487

01:08:40,249 --> 01:08:38,219

compositions they are aluminum primarily

1488

01:08:42,410 --> 01:08:40,259

alloyed to copper and silicon small

1489

01:08:44,749 --> 01:08:42,420

amounts of other elements are present

1490

01:08:47,329 --> 01:08:44,759

these Alloys have a wide variety of uses

1491

01:08:49,910 --> 01:08:47,339

some include engine crankcases gas and

1492

01:08:52,970 --> 01:08:49,920

oil tanks engine oil pans typewriter

1493

01:08:55,130 --> 01:08:52,980

frames and engine parts isotopic ratios

1494

01:08:57,349 --> 01:08:55,140

determine for nickel copper and zinc

1495

01:08:58,789 --> 01:08:57,359

compared to terrestrial values we've

1496

01:09:01,729 --> 01:08:58,799

talked about this before

1497

01:09:06,050 --> 01:09:01,739

uh remember what I said if

1498

01:09:08,510 --> 01:09:06,060

if you have a piece of metal that did

1499

01:09:10,550 --> 01:09:08,520

not come from our solar system

1500

01:09:13,370 --> 01:09:10,560

you can identify it as still being

1501
01:09:17,749 --> 01:09:13,380
aluminum or zinc or nickel or copper or

1502
01:09:20,630 --> 01:09:17,759
gold or silver but it will exhibit

1503
01:09:24,410 --> 01:09:20,640
strange properties the ratios of

1504
01:09:29,269 --> 01:09:24,420
Isotopes in that element will show

1505
01:09:33,229 --> 01:09:29,279
scientists and materials analysts that

1506
01:09:34,130 --> 01:09:33,239
this metal is not from Earth's solar

1507
01:09:36,470 --> 01:09:34,140
system

1508
01:09:39,650 --> 01:09:36,480
so all these people making claims of

1509
01:09:41,870 --> 01:09:39,660
alien crash retrieval material including

1510
01:09:44,630 --> 01:09:41,880
by the way the balls remember Jim's

1511
01:09:46,309 --> 01:09:44,640
balls cold art took a scraping off that

1512
01:09:49,490 --> 01:09:46,319
ball that's reported to be some kind of

1513
01:09:51,769 --> 01:09:49,500

Alien Probe right

1514

01:09:55,910 --> 01:09:51,779

um they can analyze that by the way in

1515

01:09:57,770 --> 01:09:55,920

20 minutes and Gary Nolan refused to do

1516

01:09:59,890 --> 01:09:57,780

it for whatever reason now he wants

1517

01:10:04,310 --> 01:09:59,900

millions of dollars to do a simple

1518

01:10:07,669 --> 01:10:04,320

Elemental analysis with isotopic ratios

1519

01:10:09,410 --> 01:10:07,679

uh by the way Gary Nolan has access to

1520

01:10:11,450 --> 01:10:09,420

all those machines at Stanford

1521

01:10:15,770 --> 01:10:11,460

University he could do that analysis in

1522

01:10:17,150 --> 01:10:15,780

20 minutes and tell if the samples taken

1523

01:10:19,310 --> 01:10:17,160

from that ball

1524

01:10:22,130 --> 01:10:19,320

were made from metal that was made on

1525

01:10:23,570 --> 01:10:22,140

Earth or another solar system and they

1526

01:10:25,070 --> 01:10:23,580

didn't do that you know why they didn't

1527

01:10:27,950 --> 01:10:25,080

do that because they were too busy

1528

01:10:29,209 --> 01:10:27,960

selling you the story of Jim's balls and

1529

01:10:33,110 --> 01:10:29,219

in this case

1530

01:10:34,669 --> 01:10:33,120

the isotopic ratios are terrestrial an

1531

01:10:37,490 --> 01:10:34,679

extraterrestrial source for the

1532

01:10:40,490 --> 01:10:37,500

materials is not rolled out

1533

01:10:43,430 --> 01:10:40,500

no I'm sorry but if the isotopic ratios

1534

01:10:45,770 --> 01:10:43,440

are terrestrial then they could not have

1535

01:10:48,590 --> 01:10:45,780

come from another solar system so unless

1536

01:10:50,510 --> 01:10:48,600

the aliens are coming here and Mining

1537

01:10:52,729 --> 01:10:50,520

terrestrial aluminum and nickel and

1538

01:10:54,590 --> 01:10:52,739

copper and then taking that back to

1539

01:10:56,870 --> 01:10:54,600

their solar system and then making

1540

01:11:00,290 --> 01:10:56,880

spaceships and then flying back here and

1541

01:11:03,590 --> 01:11:00,300

crashing that did not come from

1542

01:11:06,910 --> 01:11:03,600

anywhere other than Earth

1543

01:11:12,890 --> 01:11:10,310

completely falls apart under scrutiny

1544

01:11:15,890 --> 01:11:12,900

and we began tonight's broadcast

1545

01:11:17,990 --> 01:11:15,900

speaking about the difference between a

1546

01:11:20,630 --> 01:11:18,000

revealer of Truth

1547

01:11:23,510 --> 01:11:20,640

as we have shared with you tonight these

1548

01:11:27,050 --> 01:11:23,520

two fine researchers who revealed the

1549

01:11:30,770 --> 01:11:27,060

truth the real truth behind this story

1550

01:11:34,850 --> 01:11:30,780

and there are concealers of Truth

1551

01:11:37,550 --> 01:11:34,860

like Jacque Valley and Paula Harris

1552

01:11:40,010 --> 01:11:37,560

who could have done the very same

1553

01:11:41,930 --> 01:11:40,020

research that these gentlemen did

1554

01:11:44,450 --> 01:11:41,940

and did not do so

1555

01:11:46,610 --> 01:11:44,460

and I gotta tell you

1556

01:11:50,090 --> 01:11:46,620

I'm used to the big let down by now

1557

01:11:53,090 --> 01:11:50,100

right I am used to it I am used to the

1558

01:11:55,250 --> 01:11:53,100

big letdown however

1559

01:12:01,310 --> 01:11:55,260

I

1560

01:12:04,010 --> 01:12:01,320

was thinking boy if this is really true

1561

01:12:07,669 --> 01:12:04,020

and I was also thinking Jacque Valley is

1562

01:12:10,790 --> 01:12:07,679

really balls deep behind this so it this

1563

01:12:12,890 --> 01:12:10,800

could likely be one of the Holy Grails

1564

01:12:14,810 --> 01:12:12,900

um

1565

01:12:17,270 --> 01:12:14,820

the the entire story falls apart

1566

01:12:19,970 --> 01:12:17,280

unfortunately under scrutiny

1567

01:12:22,250 --> 01:12:19,980

there are revealers of Truth and there

1568

01:12:23,750 --> 01:12:22,260

are concealers of truth and you will

1569

01:12:25,729 --> 01:12:23,760

likely find that people trying to sell

1570

01:12:26,570 --> 01:12:25,739

books they're not giving you the whole

1571

01:12:29,450 --> 01:12:26,580

truth

1572

01:12:32,870 --> 01:12:29,460

they are purposefully concealing parts

1573

01:12:36,169 --> 01:12:32,880

of the truth to sell you a story sell

1574

01:12:39,470 --> 01:12:36,179

you a narrative sell you an illusion

1575

01:12:43,250 --> 01:12:39,480

this is a great illusion of an alien

1576

01:12:46,910 --> 01:12:43,260

spaceship an illusory story would be

1577

01:12:47,990 --> 01:12:46,920

better it is the illusion of a true

1578

01:12:50,990 --> 01:12:48,000

story

1579

01:12:55,310 --> 01:12:51,000

that some people encountered a two-ton

1580

01:12:58,010 --> 01:12:55,320

strange crashed alien Flying Saucer they

1581

01:13:00,169 --> 01:12:58,020

even went inside they peeled off pieces

1582

01:13:02,810 --> 01:13:00,179

of metal out of that

1583

01:13:05,990 --> 01:13:02,820

took that metal back and saved it for 60

1584

01:13:08,689 --> 01:13:06,000

years to show researchers someday to

1585

01:13:11,030 --> 01:13:08,699

reveal the truth of the alien visitation

1586

01:13:13,910 --> 01:13:11,040

on Earth that they witnessed

1587

01:13:17,030 --> 01:13:13,920

except the medal was made on Earth

1588

01:13:18,709 --> 01:13:17,040

the so-called artifact is a goddamn part

1589

01:13:21,290 --> 01:13:18,719

to a windmill

1590

01:13:25,669 --> 01:13:21,300

and these super Geniuses Jacques valet

1591

01:13:29,990 --> 01:13:25,679

and Paul Harris missed all that but

1592

01:13:31,669 --> 01:13:30,000

In fairness Jacques valet did respond uh

1593

01:13:33,709 --> 01:13:31,679

and this is where it gets really

1594

01:13:36,830 --> 01:13:33,719

problematic and you know what In

1595

01:13:39,110 --> 01:13:36,840

fairness I will uh will also include

1596

01:13:41,450 --> 01:13:39,120

that

1597

01:13:48,169 --> 01:13:41,460

um we'll just put Mr villain's response

1598

01:13:54,770 --> 01:13:51,290

he basically made excuses for about 85

1599

01:13:58,250 --> 01:13:54,780

Pages it looks like uh this is quite the

1600

01:14:06,350 --> 01:14:03,669

one second we will uh we will share

1601

01:14:08,689 --> 01:14:06,360

Jacques valet hits back well he really

1602

01:14:10,669 --> 01:14:08,699

hit back right

1603

01:14:12,770 --> 01:14:10,679

uh

1604

01:14:15,649 --> 01:14:12,780

yeah

1605

01:14:17,630 --> 01:14:15,659

check this out so as research developed

1606

01:14:19,550 --> 01:14:17,640

Miss Harris found that Remy backup

1607

01:14:21,890 --> 01:14:19,560

possibly inspired by the wobbly

1608

01:14:24,290 --> 01:14:21,900

expanding hype and financial Bounty

1609

01:14:25,790 --> 01:14:24,300

around Roswell viewed the case as a

1610

01:14:28,070 --> 01:14:25,800

personal opportunity and tried to

1611

01:14:29,750 --> 01:14:28,080

promote it to that effect he wrote a

1612

01:14:32,209 --> 01:14:29,760

fairly well developed amateur book in

1613

01:14:33,590 --> 01:14:32,219

which he gave himself a better role and

1614

01:14:35,810 --> 01:14:33,600

published it

1615

01:14:38,330 --> 01:14:35,820

he did give himself a better role so he

1616

01:14:41,570 --> 01:14:38,340

wrote a book and lied in the book

1617

01:14:44,990 --> 01:14:41,580

and Jacques Valley is acknowledging that

1618

01:14:49,130 --> 01:14:47,330

even with our own observations about the

1619

01:14:51,290 --> 01:14:49,140

man's ambition which we discovered in

1620

01:14:53,390 --> 01:14:51,300

our book The extensive research in

1621

01:14:55,370 --> 01:14:53,400

Stanford's archives reported a crash

1622

01:14:58,310 --> 01:14:55,380

story actually supports our contention

1623

01:15:01,550 --> 01:14:58,320

that Mr Bacca was a real businessman so

1624

01:15:06,770 --> 01:15:01,560

he he may look how long this is this is

1625

01:15:10,209 --> 01:15:06,780

uh Jacques valet's response to Mr Dean's

1626

01:15:17,390 --> 01:15:13,729

not he's not responding to James E uh

1627

01:15:19,130 --> 01:15:17,400

Clarkson's piece he's responding to the

1628

01:15:21,770 --> 01:15:19,140

first piece that we shared with you

1629

01:15:24,649 --> 01:15:21,780

which interestingly

1630

01:15:26,689 --> 01:15:24,659

um you know they they both come out at

1631

01:15:30,110 --> 01:15:26,699

the same time so Jacques filet is

1632

01:15:33,649 --> 01:15:30,120

getting hammered here by two really

1633

01:15:36,050 --> 01:15:33,659

really good researchers in the form of

1634

01:15:40,490 --> 01:15:36,060

Douglas Dean Johnson

1635

01:15:43,370 --> 01:15:40,500

um and also James Clarkson uh both of

1636

01:15:45,290 --> 01:15:43,380

which did incredible jobs uh but when we

1637

01:15:49,130 --> 01:15:45,300

get to the when we get to Jacques

1638

01:15:52,689 --> 01:15:49,140

valet's uh response to this it's it's

1639

01:15:56,270 --> 01:15:52,699

really interesting that he literally

1640

01:15:58,729 --> 01:15:56,280

wrote like a 20-page rebuttal and most

1641

01:15:59,530 --> 01:15:58,739

of it is

1642

01:16:00,770 --> 01:15:59,540

is

1643

01:16:02,570 --> 01:16:00,780

[Music]

1644

01:16:06,050 --> 01:16:02,580

excuses

1645

01:16:07,910 --> 01:16:06,060

uh you know there's no excuse for

1646

01:16:11,209 --> 01:16:07,920

missing that the so-called alien

1647

01:16:13,070 --> 01:16:11,219

artifact was manufactured on Earth use

1648

01:16:14,390 --> 01:16:13,080

the metric system

1649

01:16:17,090 --> 01:16:14,400

right

1650

01:16:19,250 --> 01:16:17,100

there's no excuse for that I I don't

1651
01:16:22,070 --> 01:16:19,260
understand how you

1652
01:16:23,510 --> 01:16:22,080
somehow leave that out let me share my

1653
01:16:26,149 --> 01:16:23,520
screen once again

1654
01:16:28,729 --> 01:16:26,159
so I have

1655
01:16:31,729 --> 01:16:28,739
um yeah here's his here's his response

1656
01:16:33,709 --> 01:16:31,739
and one second here and we have all

1657
01:16:36,410 --> 01:16:33,719
three of the

1658
01:16:38,149 --> 01:16:36,420
um of the sources that we've used in

1659
01:16:40,370 --> 01:16:38,159
tonight's broadcast in the description

1660
01:16:42,110 --> 01:16:40,380
of the video if you want to learn and

1661
01:16:44,630 --> 01:16:42,120
read more

1662
01:16:47,229 --> 01:16:44,640
um about this one I keep losing it now

1663
01:16:49,729 --> 01:16:47,239

here it is it's very small

1664

01:16:53,209 --> 01:16:49,739

so uh

1665

01:16:54,530 --> 01:16:53,219

uh boy look at this why the critics are

1666

01:16:55,970 --> 01:16:54,540

wrong when I was brought into the

1667

01:16:57,970 --> 01:16:55,980

Trinity Case by my friend and

1668

01:17:01,130 --> 01:16:57,980

co-researcher Ron Brinkley in October

1669

01:17:03,229 --> 01:17:01,140

2017. Miss Paul Harris had already spent

1670

01:17:05,510 --> 01:17:03,239

four years conducting interviews in the

1671

01:17:07,490 --> 01:17:05,520

area and you know with respect to

1672

01:17:10,370 --> 01:17:07,500

Jacques valet I just have to say Paul

1673

01:17:14,090 --> 01:17:10,380

Harris also interviewed Billy Meyer

1674

01:17:16,430 --> 01:17:14,100

and other complete and total frauds and

1675

01:17:20,270 --> 01:17:16,440

believe them and try to sell stories

1676

01:17:22,430 --> 01:17:20,280

based on frauds in the past so

1677

01:17:25,310 --> 01:17:22,440

I'm sorry I don't care how many years of

1678

01:17:26,450 --> 01:17:25,320

research she did in four years she

1679

01:17:28,250 --> 01:17:26,460

should have discovered the same thing

1680

01:17:30,530 --> 01:17:28,260

all these other researchers discovered

1681

01:17:33,229 --> 01:17:30,540

that you left out of the book these are

1682

01:17:35,930 --> 01:17:33,239

excuses right

1683

01:17:37,970 --> 01:17:35,940

in particular she had brought to the

1684

01:17:41,030 --> 01:17:37,980

crash site a team of researchers from

1685

01:17:42,830 --> 01:17:41,040

mufon later James Fox visited the place

1686

01:17:44,709 --> 01:17:42,840

and I don't really care if other people

1687

01:17:46,910 --> 01:17:44,719

visited the place

1688

01:17:50,030 --> 01:17:46,920

why aren't these important initial

1689

01:17:52,250 --> 01:17:50,040

effects acknowledged in Crash story what

1690

01:17:54,229 --> 01:17:52,260

that people looked into the story you

1691

01:17:56,390 --> 01:17:54,239

still got all the facts wrong it doesn't

1692

01:17:58,910 --> 01:17:56,400

matter how many people saw the crash

1693

01:18:01,550 --> 01:17:58,920

site if if a flying saucer really

1694

01:18:04,130 --> 01:18:01,560

crashed there and they had artifacts and

1695

01:18:07,130 --> 01:18:04,140

the artifacts matched terrestrial metals

1696

01:18:10,610 --> 01:18:07,140

and were was clearly apart from a

1697

01:18:14,209 --> 01:18:10,620

windmill then the story is fake if the

1698

01:18:16,430 --> 01:18:14,219

lead Witnesses lied to you multiple

1699

01:18:18,010 --> 01:18:16,440

times during the story the entire story

1700

01:18:22,250 --> 01:18:18,020

is fake

1701

01:18:24,290 --> 01:18:22,260

says the accusation of nativity and

1702

01:18:28,310 --> 01:18:24,300

negligence against us made in Crash

1703

01:18:33,050 --> 01:18:30,590

as the preliminary author I only used

1704

01:18:35,090 --> 01:18:33,060

recorded data originating from Remy Baka

1705

01:18:37,490 --> 01:18:35,100

when it could be compared and verified

1706

01:18:38,990 --> 01:18:37,500

against other statements of fact then

1707

01:18:40,310 --> 01:18:39,000

why did you leave out that he wasn't

1708

01:18:42,350 --> 01:18:40,320

friends with the governor that he

1709

01:18:43,910 --> 01:18:42,360

claimed to be why did you leave out that

1710

01:18:45,830 --> 01:18:43,920

the cop he called to the crash site

1711

01:18:48,709 --> 01:18:45,840

wasn't a cop at the time and he said he

1712

01:18:51,350 --> 01:18:48,719

was these seem to be important things

1713

01:18:53,390 --> 01:18:51,360

why support this fictitious tale that

1714

01:18:55,610 --> 01:18:53,400

our book relies private

1715

01:18:58,130 --> 01:18:55,620

primarily on bacca's version of the

1716

01:19:01,970 --> 01:18:58,140

story that is simply inaccurate

1717

01:19:05,450 --> 01:19:01,980

um I read the book Mr valet and yes this

1718

01:19:06,770 --> 01:19:05,460

book relies primarily on that witness's

1719

01:19:08,990 --> 01:19:06,780

testimony

1720

01:19:11,630 --> 01:19:09,000

and if he's a known liar

1721

01:19:14,090 --> 01:19:11,640

that's a problem for you I read the book

1722

01:19:19,070 --> 01:19:14,100

it's filled with stuff that you got

1723

01:19:23,810 --> 01:19:21,590

granted that Mr Bacca may have seen an

1724

01:19:26,209 --> 01:19:23,820

opportunity for Fame in the events at

1725

01:19:28,669 --> 01:19:26,219

Trinity not illegal and commonly

1726

01:19:31,010 --> 01:19:28,679

accepted in the glow of Roswell the

1727

01:19:33,530 --> 01:19:31,020

attack against him makes

1728

01:19:37,010 --> 01:19:33,540

much of the fact that he must have been

1729

01:19:39,229 --> 01:19:37,020

the leader of a plot to Hype it well uh

1730

01:19:42,530 --> 01:19:39,239

he did Show You A Goddamn piece of a

1731

01:19:45,290 --> 01:19:42,540

windmill you idiot and pretended it was

1732

01:19:47,810 --> 01:19:45,300

a piece of an alien spaceship so yeah

1733

01:19:51,350 --> 01:19:47,820

maybe he did was behind the plot to sell

1734

01:19:52,790 --> 01:19:51,360

this stupid fake story and by all

1735

01:19:55,370 --> 01:19:52,800

accounts the guy's trying to get rich

1736

01:19:59,390 --> 01:19:55,380

and famous from the story maybe that

1737

01:20:03,530 --> 01:20:01,729

The Narrative rests on no data and it

1738

01:20:05,870 --> 01:20:03,540

contradicts the facts of our multi-year

1739

01:20:07,729 --> 01:20:05,880

investigation at the site with Witnesses

1740

01:20:10,189 --> 01:20:07,739

or critics never met

1741

01:20:12,290 --> 01:20:10,199

any judge would disqualify it as

1742

01:20:14,750 --> 01:20:12,300

theoretical conjecture no I don't

1743

01:20:16,430 --> 01:20:14,760

believe it's theoretical conjecture if

1744

01:20:18,290 --> 01:20:16,440

you can clearly establish through an

1745

01:20:20,570 --> 01:20:18,300

historical timeline that your Witnesses

1746

01:20:21,950 --> 01:20:20,580

lied multiple times about multiple

1747

01:20:23,990 --> 01:20:21,960

things

1748

01:20:26,810 --> 01:20:24,000

even it with our own reservations about

1749

01:20:32,330 --> 01:20:26,820

the man's ambition oh wait we got to

1750

01:20:39,530 --> 01:20:35,990

why Basin evaluation on a man's role and

1751

01:20:41,750 --> 01:20:39,540

personally on only half of the data

1752

01:20:44,270 --> 01:20:41,760

why deny the reality of its laudable

1753

01:20:46,490 --> 01:20:44,280

research effort when it is evidence Remy

1754

01:20:48,410 --> 01:20:46,500

Baka was dead by the time I became

1755

01:20:51,229 --> 01:20:48,420

involved with the case but Miss Harris

1756

01:20:53,510 --> 01:20:51,239

was well aware of his boasting

1757

01:20:56,090 --> 01:20:53,520

I read the book there's no mention that

1758

01:20:57,470 --> 01:20:56,100

he was a boaster or a bullshitter there

1759

01:20:59,810 --> 01:20:57,480

was no mention in the book that he

1760

01:21:02,630 --> 01:20:59,820

boasts a lot or that he may have lied

1761

01:21:05,810 --> 01:21:02,640

about being a king maker and being real

1762

01:21:09,310 --> 01:21:05,820

important in the political scene in his

1763

01:21:12,350 --> 01:21:09,320

home state there's no mention of of any

1764

01:21:14,590 --> 01:21:12,360

the book does not address these issues

1765

01:21:17,630 --> 01:21:14,600

at all

1766

01:21:19,550 --> 01:21:17,640

accusing us of being naive about Remy's

1767

01:21:20,750 --> 01:21:19,560

back acclaims is a false argument while

1768

01:21:23,390 --> 01:21:20,760

we relied on his preliminary

1769

01:21:24,890 --> 01:21:23,400

observations as a child he wasn't a

1770

01:21:28,669 --> 01:21:24,900

child at the time of the crash he was a

1771

01:21:30,530 --> 01:21:28,679

grown man uh but whatever which could be

1772

01:21:32,870 --> 01:21:30,540

checked oh oh no I think he was a

1773

01:21:33,970 --> 01:21:32,880

teenager so maybe child is an accurate

1774

01:21:37,310 --> 01:21:33,980

description

1775

01:21:39,110 --> 01:21:37,320

uh Jose Padilla's recorded statements it

1776

01:21:42,410 --> 01:21:39,120

is true that I chose not to write a

1777

01:21:45,110 --> 01:21:42,420

special expose of his boastings so yeah

1778

01:21:46,310 --> 01:21:45,120

it's true that I left out all of his

1779

01:21:48,169 --> 01:21:46,320

boastings

1780

01:21:51,290 --> 01:21:48,179

first because it would have no bearing

1781

01:21:53,090 --> 01:21:51,300

on the future of our research or it may

1782

01:21:55,430 --> 01:21:53,100

screw up the book sales if we tell

1783

01:21:58,729 --> 01:21:55,440

everybody that this guy bs's all the

1784

01:22:01,910 --> 01:21:58,739

time right he boasts it all the time we

1785

01:22:04,310 --> 01:22:01,920

just left that out of the book right

1786

01:22:07,130 --> 01:22:04,320

motivation for doing the the work I

1787

01:22:11,630 --> 01:22:07,140

detest incendiary verbiage that passes

1788

01:22:16,130 --> 01:22:13,669

even if it earns thousands of clicks on

1789

01:22:18,470 --> 01:22:16,140

the internet similarly trying to Heap

1790

01:22:20,810 --> 01:22:18,480

ridicule on our work for studying the

1791

01:22:22,729 --> 01:22:20,820

bracket

1792

01:22:25,550 --> 01:22:22,739

as if it was an extraterrestrial

1793

01:22:27,950 --> 01:22:25,560

instrument is a non-starter nowhere can

1794

01:22:29,890 --> 01:22:27,960

you find such a statement in Trinity but

1795

01:22:32,689 --> 01:22:29,900

you know what you don't find in Trinity

1796

01:22:35,510 --> 01:22:32,699

uh the fact that it was terrestrial

1797

01:22:38,390 --> 01:22:35,520

metals and likely uh a piece of a

1798

01:22:40,250 --> 01:22:38,400

goddamn windmill right you should be

1799

01:22:42,110 --> 01:22:40,260

ridiculed for studying a bracket from a

1800

01:22:44,990 --> 01:22:42,120

windmill and not mentioning in the book

1801
01:22:47,990 --> 01:22:45,000
that it matches almost exactly a partner

1802
01:22:51,709 --> 01:22:48,000
somebody found the goddamn manufacturer

1803
01:22:53,209 --> 01:22:51,719
likely of that piece that you claimed in

1804
01:22:56,390 --> 01:22:53,219
the book was a piece of an alien

1805
01:22:56,400 --> 01:22:59,630
foreign

1806
01:23:03,950 --> 01:23:01,790
accusation suggests that I am claiming

1807
01:23:07,370 --> 01:23:03,960
ownership of that object entrusted to me

1808
01:23:09,410 --> 01:23:07,380
by Mr Padilla

1809
01:23:11,030 --> 01:23:09,420
this is not now nor it has ever been the

1810
01:23:13,070 --> 01:23:11,040
case I had custody of it during the

1811
01:23:15,050 --> 01:23:13,080
period of analysis and has now been

1812
01:23:17,930 --> 01:23:15,060
donated to a major research institution

1813
01:23:22,850 --> 01:23:17,940

according to the wishes of Mr Padilla do

1814

01:23:27,530 --> 01:23:24,950

my supported error in embracing the

1815

01:23:29,930 --> 01:23:27,540

boastful claims of Mr backup my implicit

1816

01:23:32,510 --> 01:23:29,940

Nativity in thinking that the bracket

1817

01:23:34,370 --> 01:23:32,520

was an interplanetary device and my

1818

01:23:36,470 --> 01:23:34,380

blindness in accepting the preliminary

1819

01:23:38,510 --> 01:23:36,480

conclusions of early researchers in the

1820

01:23:42,169 --> 01:23:38,520

case including the mufon team are

1821

01:23:44,810 --> 01:23:42,179

provably inaccurate I'm sorry Mr valet

1822

01:23:46,729 --> 01:23:44,820

you did not write in your book any of

1823

01:23:49,430 --> 01:23:46,739

this stuff that it was a bracket from a

1824

01:23:51,590 --> 01:23:49,440

windmill right he lied by Omission

1825

01:23:54,470 --> 01:23:51,600

through this whole book and this is 20

1826

01:23:55,970 --> 01:23:54,480

pages of excuses it's like a child

1827

01:23:58,430 --> 01:23:55,980

getting caught with their hand in the

1828

01:24:01,010 --> 01:23:58,440

cookie jar he was after them UFO dollars

1829

01:24:03,169 --> 01:24:01,020

and he got caught bad trying to sell a

1830

01:24:05,270 --> 01:24:03,179

goddamn bracket from a windmill as a

1831

01:24:07,250 --> 01:24:05,280

piece of an alien spaceship this is

1832

01:24:09,649 --> 01:24:07,260

what's wrong with the whole world of

1833

01:24:13,070 --> 01:24:09,659

UFOs this is what is wrong

1834

01:24:14,689 --> 01:24:13,080

people selling a goddamn bracket from a

1835

01:24:17,330 --> 01:24:14,699

windmill as a piece of an alien

1836

01:24:19,910 --> 01:24:17,340

spaceship and I have the book I can go

1837

01:24:22,729 --> 01:24:19,920

get it nowhere in there did they mention

1838

01:24:24,890 --> 01:24:22,739

they hype it up they tell the story of

1839

01:24:28,729 --> 01:24:24,900

it being pried off the wall of the

1840

01:24:30,649 --> 01:24:28,739

inside of the alien spaceship right is

1841

01:24:32,810 --> 01:24:30,659

it An Inconvenient Truth that it's

1842

01:24:35,149 --> 01:24:32,820

likely a piece of a windmill or that it

1843

01:24:37,910 --> 01:24:35,159

wasn't even manufactured until the late

1844

01:24:41,750 --> 01:24:37,920

1950s early 60s and it couldn't have

1845

01:24:44,930 --> 01:24:41,760

come from a 1945 crash of anything these

1846

01:24:47,689 --> 01:24:44,940

are important details right

1847

01:24:50,930 --> 01:24:47,699

but boy this is guy's got a Jacques

1848

01:24:53,990 --> 01:24:50,940

filet has a perfect intellectual uh sort

1849

01:24:56,570 --> 01:24:54,000

of attitude intellectuals and and

1850

01:24:58,790 --> 01:24:56,580

academics you know like Gary Nolan you

1851
01:25:01,669 --> 01:24:58,800
know smarty pants right they always talk

1852
01:25:03,350 --> 01:25:01,679
down to people like they're better than

1853
01:25:07,610 --> 01:25:03,360
everybody right

1854
01:25:10,550 --> 01:25:07,620
uh not so much you this means that

1855
01:25:13,430 --> 01:25:10,560
Jacque filet is no better than Stephen

1856
01:25:16,130 --> 01:25:13,440
Greer this means that Jack fillet is no

1857
01:25:17,390 --> 01:25:16,140
better than Paula Harris or uh you know

1858
01:25:20,330 --> 01:25:17,400
I don't know

1859
01:25:22,850 --> 01:25:20,340
any of any of Linda Martin Hale anybody

1860
01:25:26,990 --> 01:25:22,860
who's selling fake stories Jacques valet

1861
01:25:31,850 --> 01:25:27,000
is now known to be no better no more

1862
01:25:35,689 --> 01:25:31,860
trustworthy no more worthy of believing

1863
01:25:37,490 --> 01:25:35,699

than Linda Moulton Howe David Wilcox

1864

01:25:40,250 --> 01:25:37,500

Corey good or any of the other grifter

1865

01:25:42,290 --> 01:25:40,260

Squad to purposefully leave all of this

1866

01:25:45,850 --> 01:25:42,300

out right and now you're going to write

1867

01:25:49,130 --> 01:25:45,860

a 20-page uh you know

1868

01:25:50,810 --> 01:25:49,140

and here here I love this obviously we

1869

01:25:52,970 --> 01:25:50,820

will continue to work on these topics

1870

01:25:54,649 --> 01:25:52,980

since we have custody of similar

1871

01:25:56,149 --> 01:25:54,659

materials from other cases for

1872

01:25:58,850 --> 01:25:56,159

comparison that's where you muddy the

1873

01:26:01,010 --> 01:25:58,860

waters all right that one was a windmill

1874

01:26:03,110 --> 01:26:01,020

bracket and wasn't from an alien

1875

01:26:05,990 --> 01:26:03,120

spaceship like we wrote in our book but

1876

01:26:11,030 --> 01:26:06,000

we got other pieces of alien spaceships

1877

01:26:12,530 --> 01:26:11,040

sure you do and now this piss-poor money

1878

01:26:15,530 --> 01:26:12,540

grab book

1879

01:26:17,810 --> 01:26:15,540

calls everything Jacque Valley ever did

1880

01:26:20,209 --> 01:26:17,820

into question and I hate that because I

1881

01:26:22,189 --> 01:26:20,219

have a bunch of this man's books and I

1882

01:26:26,450 --> 01:26:22,199

thought he was credible

1883

01:26:28,129 --> 01:26:26,460

so once again the layers of deception

1884

01:26:29,990 --> 01:26:28,139

get peeled back and you know what

1885

01:26:34,189 --> 01:26:30,000

usually peels back some of those layers

1886

01:26:37,510 --> 01:26:34,199

of deception the revelation of BS the

1887

01:26:43,490 --> 01:26:37,520

revelation of people purposefully

1888

01:26:45,530 --> 01:26:43,500

omitting facts to sell UFO stories right

1889

01:26:47,990 --> 01:26:45,540

our main interest which the book

1890

01:26:50,870 --> 01:26:48,000

reflects throughout goes beyond the

1891

01:26:52,850 --> 01:26:50,880

fascinating episode of the crash well

1892

01:26:54,709 --> 01:26:52,860

looks like there was no crash

1893

01:26:56,510 --> 01:26:54,719

the later reports we have uncovered

1894

01:26:58,370 --> 01:26:56,520

point to four different types of high

1895

01:26:59,570 --> 01:26:58,380

performance materials that excite our

1896

01:27:02,750 --> 01:26:59,580

interests

1897

01:27:04,610 --> 01:27:02,760

later reports not included in the so now

1898

01:27:07,070 --> 01:27:04,620

he's suddenly he's got new evidence that

1899

01:27:10,010 --> 01:27:07,080

the story is not fake when the evidence

1900

01:27:12,189 --> 01:27:10,020

that the story is fake comes crashing

1901

01:27:16,790 --> 01:27:12,199

down on him

1902

01:27:20,209 --> 01:27:16,800

this is a moment of UFO history right

1903

01:27:22,850 --> 01:27:20,219

here this is the moment where we get to

1904

01:27:24,470 --> 01:27:22,860

learn that Jacques Valley is no more

1905

01:27:27,110 --> 01:27:24,480

trustworthy

1906

01:27:30,110 --> 01:27:27,120

or no more

1907

01:27:32,870 --> 01:27:30,120

is no more believe Jacques valet

1908

01:27:35,030 --> 01:27:32,880

about claims being made or things he

1909

01:27:37,070 --> 01:27:35,040

says in books he's selling then you

1910

01:27:39,470 --> 01:27:37,080

should trust any of these other grifter

1911

01:27:42,050 --> 01:27:39,480

Squad like Linda Moulton hey our Stephen

1912

01:27:45,530 --> 01:27:42,060

Greer or anybody else that's on the tank

1913

01:27:48,050 --> 01:27:45,540

for the UFO dollars if this man was not

1914

01:27:49,910 --> 01:27:48,060

just on the take for the UFO dollars all

1915

01:27:52,310 --> 01:27:49,920

of the information that the researchers

1916

01:27:54,290 --> 01:27:52,320

provided which we shared with you this

1917

01:27:56,450 --> 01:27:54,300

evening would have been included in

1918

01:27:58,669 --> 01:27:56,460

their book it wasn't

1919

01:28:00,770 --> 01:27:58,679

that's not a coincidence

1920

01:28:02,510 --> 01:28:00,780

it's not a coincidence that they just

1921

01:28:05,149 --> 01:28:02,520

happened to leave out all the

1922

01:28:09,709 --> 01:28:05,159

information that shows that this story

1923

01:28:09,719 --> 01:28:13,610

and to me

1924

01:28:18,470 --> 01:28:16,070

if you're going to claim in a book

1925

01:28:21,770 --> 01:28:18,480

that somebody crawled inside a goddamn

1926

01:28:28,250 --> 01:28:21,780

alien spaceship and pried a piece of the

1927

01:28:33,050 --> 01:28:30,350

and then it turns out to be a piece of a

1928

01:28:35,090 --> 01:28:33,060

windmill and then it turns out the tests

1929

01:28:38,450 --> 01:28:35,100

confirm it's terrestrial metal

1930

01:28:41,209 --> 01:28:38,460

maybe just maybe you should never have

1931

01:28:42,950 --> 01:28:41,219

sold that book to begin with

1932

01:28:49,550 --> 01:28:42,960

or

1933

01:28:52,669 --> 01:28:49,560

up their own mind

1934

01:28:57,050 --> 01:28:52,679

I would have been fine with that but I

1935

01:29:00,530 --> 01:28:57,060

got sold a Lie by Jacques valet of all

1936

01:29:01,490 --> 01:29:00,540

people and it turns out that all those

1937

01:29:05,390 --> 01:29:01,500

people

1938

01:29:08,629 --> 01:29:05,400

who said this story must be fake this

1939

01:29:11,810 --> 01:29:08,639

story must be fake because Paula Harris

1940

01:29:16,250 --> 01:29:14,209

that's what people said when they heard

1941

01:29:18,290 --> 01:29:16,260

that this book was coming out with

1942

01:29:19,129 --> 01:29:18,300

Jacque Valley partnering with Paula

1943

01:29:22,430 --> 01:29:19,139

Harris

1944

01:29:24,350 --> 01:29:22,440

I even had a friend that said this is

1945

01:29:27,410 --> 01:29:24,360

not going to end well for Jacques valet

1946

01:29:29,510 --> 01:29:27,420

he's going to destroy his career his

1947

01:29:31,850 --> 01:29:29,520

good reputation for being honest and

1948

01:29:34,030 --> 01:29:31,860

trustworthy and being a good researcher

1949

01:29:38,930 --> 01:29:34,040

and not being one of the grifter Squad

1950

01:29:42,229 --> 01:29:38,940

Gone Gone welcome Jacques filet you are

1951

01:29:45,350 --> 01:29:42,239

now part of the grifter Squad

1952

01:29:48,229 --> 01:29:45,360

and we can no more trust anything that

1953

01:29:50,390 --> 01:29:48,239

you publish than we can Linda Moulton

1954

01:29:52,189 --> 01:29:50,400

Howe and that's a sad day for the world

1955

01:29:55,490 --> 01:29:52,199

of UFOs friends

1956

01:29:58,550 --> 01:29:55,500

so uh that's all we have for you I'm

1957

01:30:01,010 --> 01:29:58,560

gonna take some uh some questions and

1958

01:30:03,050 --> 01:30:01,020

comments from the live chat let me just

1959

01:30:05,209 --> 01:30:03,060

make sure we didn't miss any other uh

1960

01:30:08,990 --> 01:30:05,219

super chats or things to call out we'll

1961

01:30:14,090 --> 01:30:09,000

check in with the PayPal as well

1962

01:30:17,390 --> 01:30:15,410

oh

1963

01:30:19,010 --> 01:30:17,400

yeah we're gonna pick comments and

1964

01:30:20,570 --> 01:30:19,020

questions from the live chat please put

1965

01:30:22,550 --> 01:30:20,580

your comments or questions in all

1966

01:30:24,169 --> 01:30:22,560

capital letters welcome you if you're

1967

01:30:26,149 --> 01:30:24,179

just joining us we have wrapped up our

1968

01:30:27,950 --> 01:30:26,159

presentation for this evening we'll be

1969

01:30:30,470 --> 01:30:27,960

taking comments and questions

1970

01:30:33,530 --> 01:30:30,480

from the live chat I saw some good

1971

01:30:35,570 --> 01:30:33,540

comments here that I want to share

1972

01:30:41,750 --> 01:30:35,580

um yeah Patty Wilhelm says facts don't

1973

01:30:50,390 --> 01:30:44,650

Zach's valet parking UFOs only

1974

01:30:58,729 --> 01:30:52,310

that's a bad joke Victor wag but we'll

1975

01:30:58,739 --> 01:31:01,430

all right

1976

01:31:01,440 --> 01:31:05,570

one second

1977

01:31:08,930 --> 01:31:07,490

people are talking about demons and

1978

01:31:11,629 --> 01:31:08,940

interdimensional

1979

01:31:13,790 --> 01:31:11,639

stuff and then we have John P Adventure

1980

01:31:17,510 --> 01:31:13,800

sharing I don't know what face green

1981

01:31:19,910 --> 01:31:17,520

smiling face green smiling I think their

1982

01:31:21,950 --> 01:31:19,920

CIA operatives we want to make sure we

1983

01:31:24,290 --> 01:31:21,960

welcome all of you three letter agency

1984

01:31:26,330 --> 01:31:24,300

people watching

1985

01:31:28,189 --> 01:31:26,340

comments or questions for me please put

1986

01:31:30,050 --> 01:31:28,199

them in all

1987

01:31:31,850 --> 01:31:30,060

unknown sender is mentioning Wright

1988

01:31:34,550 --> 01:31:31,860

Patterson Air Force Base Materials

1989

01:31:36,590 --> 01:31:34,560

Science division yeah that's purportedly

1990

01:31:39,410 --> 01:31:36,600

where they take a lot of the

1991

01:31:44,169 --> 01:31:39,420

um a lot of the so-called alien crash

1992

01:31:51,490 --> 01:31:47,810

Randy 1979 says valet's reputation Now

1993

01:31:54,169 --> 01:31:51,500

lies in the Paris catacombs

1994

01:31:58,010 --> 01:31:54,179

smoldering with all the skeletons yeah

1995

01:32:06,050 --> 01:32:01,430

it's unfortunate right

1996

01:32:11,090 --> 01:32:08,510

at truth Seekers did he what did he

1997

01:32:13,070 --> 01:32:11,100

tweet do I care

1998

01:32:15,610 --> 01:32:13,080

you're just telling me that he tweeted

1999

01:32:19,490 --> 01:32:15,620

while I was live uh okay

2000

01:32:23,030 --> 01:32:19,500

uh I have to go to a

2001
01:32:24,530 --> 01:32:23,040
um I have to go to an incognito window

2002
01:32:27,530 --> 01:32:24,540
because

2003
01:32:29,689 --> 01:32:27,540
little Elizondo is a puss and uh blocked

2004
01:32:34,090 --> 01:32:29,699
me for asking questions you know big

2005
01:32:38,270 --> 01:32:36,470
you're telling me that he tweeted heck

2006
01:32:40,189 --> 01:32:38,280
yeah I'll provide the buffalo burgers

2007
01:32:44,330 --> 01:32:40,199
you provide the beer or wine for those

2008
01:32:48,169 --> 01:32:46,070
reflecting on this beautiful afternoon

2009
01:32:49,729 --> 01:32:48,179
with four pups although we cannot be all

2010
01:32:51,470 --> 01:32:49,739
together let me thank each and every one

2011
01:32:54,350 --> 01:32:51,480
of you for per family for what you do

2012
01:32:57,649 --> 01:32:54,360
happy belated Mother's Day okay well you

2013
01:32:59,030 --> 01:32:57,659

know I don't need to know if he if he

2014

01:33:01,310 --> 01:32:59,040

I thought you were saying that he

2015

01:33:03,410 --> 01:33:01,320

tweeted at me

2016

01:33:05,510 --> 01:33:03,420

but well we thank you for that but I

2017

01:33:12,770 --> 01:33:05,520

don't really care what what he has to

2018

01:33:17,450 --> 01:33:14,510

all right questions or comments for me

2019

01:33:21,050 --> 01:33:17,460

please put them in all capital letters

2020

01:33:23,629 --> 01:33:21,060

um I got a uh 1080 TI video card with 11

2021

01:33:25,430 --> 01:33:23,639

gigs of RAM to jam in my new beasts

2022

01:33:27,950 --> 01:33:25,440

thanks to all of you kind and generous

2023

01:33:30,970 --> 01:33:27,960

benefactors and actually

2024

01:33:33,610 --> 01:33:30,980

um just to make the haters cry some more

2025

01:33:35,870 --> 01:33:33,620

uh we am not

2026

01:33:38,750 --> 01:33:35,880

reminded you that we are a viewer

2027

01:33:41,689 --> 01:33:38,760

supported show so we will we will do

2028

01:33:44,090 --> 01:33:41,699

that uh and by the way just to repeat

2029

01:33:46,629 --> 01:33:44,100

all of our content is always free we're

2030

01:33:48,890 --> 01:33:46,639

available on every podcast platform

2031

01:33:52,370 --> 01:33:48,900

Rumble twitch

2032

01:33:54,350 --> 01:33:52,380

uh bit shoot uh

2033

01:33:56,450 --> 01:33:54,360

Odyssey and a few other places Facebook

2034

01:33:59,270 --> 01:33:56,460

live Twitter we put all of our shows

2035

01:34:01,370 --> 01:33:59,280

please do follow me at Stephen cambian

2036

01:34:05,810 --> 01:34:01,380

on Twitter is the best way to keep up

2037

01:34:08,930 --> 01:34:05,820

with me and new shows uh and uh we also

2038

01:34:11,330 --> 01:34:08,940

want to welcome we got something like 50

2039

01:34:13,970 --> 01:34:11,340

subscribers in the last day or two or

2040

01:34:16,490 --> 01:34:13,980

more uh so we want to welcome you new

2041

01:34:18,890 --> 01:34:16,500

friends uh so happy that you're here

2042

01:34:20,510 --> 01:34:18,900

please be sure to like comment subscribe

2043

01:34:23,750 --> 01:34:20,520

and share these videos it really does

2044

01:34:27,890 --> 01:34:23,760

help and here's our announcer Mr Ian

2045

01:34:30,950 --> 01:34:27,900

one time we let people know you cry baby

2046

01:34:32,570 --> 01:34:30,960

one time per show we remind

2047

01:34:47,229 --> 01:34:32,580

people that we're a viewer supported

2048

01:34:53,510 --> 01:34:50,030

truth Seekers is a viewer supported show

2049

01:34:55,910 --> 01:34:53,520

wonderful people like you who enjoy show

2050

01:34:59,450 --> 01:34:55,920

sent pledges in a form of Super Chat

2051
01:35:02,030 --> 01:34:59,460
super stickers super thanks PayPal or

2052
01:35:03,970 --> 01:35:02,040
cash out instructions for how to help

2053
01:35:07,250 --> 01:35:03,980
are in the description

2054
01:35:09,530 --> 01:35:07,260
you can also join our patreon and for as

2055
01:35:12,890 --> 01:35:09,540
little as one dollar a month you can get

2056
01:35:15,709 --> 01:35:12,900
extra content patreon supporters get a

2057
01:35:17,270 --> 01:35:15,719
backstage pass Early Access to all our

2058
01:35:19,850 --> 01:35:17,280
production videos before they are

2059
01:35:22,550 --> 01:35:19,860
distributed publicly Stephen campion's

2060
01:35:25,790 --> 01:35:22,560
music private writings a monthly show

2061
01:35:27,830 --> 01:35:25,800
journal and more you can also become a

2062
01:35:30,530 --> 01:35:27,840
YouTube channel member for five dollars

2063
01:35:33,229 --> 01:35:30,540

a month a YouTube membership includes

2064

01:35:36,110 --> 01:35:33,239

all the patreon benefits plus a special

2065

01:35:38,990 --> 01:35:36,120

members badge priority reply to video

2066

01:35:42,110 --> 01:35:39,000

comments and the live chat plus a

2067

01:35:45,169 --> 01:35:42,120

monthly Members Only video we thank you

2068

01:35:48,590 --> 01:35:45,179

all kinds and generous benefactors for

2069

01:36:01,930 --> 01:35:48,600

supporting truth Seekers thank you for

2070

01:36:01,940 --> 01:36:12,060

thank you

2071

01:36:30,010 --> 01:36:19,360

[Music]

2072

01:36:36,169 --> 01:36:33,229

casts and show your support

2073

01:36:38,330 --> 01:36:36,179

sure and check out our merchandise store

2074

01:36:40,610 --> 01:36:38,340

links to our two merchandise online

2075

01:36:43,910 --> 01:36:40,620

stores are in the links to this video or

2076

01:36:46,189 --> 01:36:43,920

podcast the Amazon storefront shifts

2077

01:36:49,070 --> 01:36:46,199

super quickly in the United States Great

2078

01:36:51,229 --> 01:36:49,080

Britain and in many more places Amazon

2079

01:36:53,510 --> 01:36:51,239

may not ship to your country or location

2080

01:36:55,850 --> 01:36:53,520

if that's the case hit our second

2081

01:36:58,970 --> 01:36:55,860

merchandise Link in the description and

2082

01:37:00,950 --> 01:36:58,980

visit our rap battles storefront match

2083

01:37:03,350 --> 01:37:00,960

advice from our red mobile storefront

2084

01:37:04,729 --> 01:37:03,360

ships worldwide that may take longer

2085

01:37:07,550 --> 01:37:04,739

than Amazon

2086

01:37:09,350 --> 01:37:07,560

got a great deal of super high quality

2087

01:37:11,570 --> 01:37:09,360

merchandise for you to choose from

2088

01:37:14,209 --> 01:37:11,580

including t-shirts phone cases

2089

01:37:16,370 --> 01:37:14,219

sweatshirts and even pillows

2090

01:37:19,189 --> 01:37:16,380

the feedback from our products have been

2091

01:37:22,129 --> 01:37:19,199

overwhelming and great quality products

2092

01:37:23,930 --> 01:37:22,139

and fast shipping people all over the

2093

01:37:26,629 --> 01:37:23,940

world are buying some merchandise and

2094

01:37:29,510 --> 01:37:26,639

showing their support of the show praise

2095

01:37:31,910 --> 01:37:29,520

the cash praise the cash

2096

01:37:34,370 --> 01:37:31,920

praise the cash

2097

01:37:36,530 --> 01:37:34,380

we thank you all kind and generous

2098

01:37:38,570 --> 01:37:36,540

benefactors who are buying some

2099

01:37:49,030 --> 01:37:38,580

merchandise and helping us to continue

2100

01:37:49,040 --> 01:37:58,930

[Music]

2101

01:38:04,910 --> 01:38:01,610

thanks for being here this is true

2102

01:38:07,370 --> 01:38:04,920

Seekers with your hosts Stephen

2103

01:38:10,010 --> 01:38:07,380

please write like and comment on our

2104

01:38:12,169 --> 01:38:10,020

videos and podcasts if you are listening

2105

01:38:14,390 --> 01:38:12,179

to all of your podcasts please write us

2106

01:38:16,850 --> 01:38:14,400

five stars to help us rise in the search

2107

01:38:19,490 --> 01:38:16,860

rankings if you're watching on YouTube

2108

01:38:21,890 --> 01:38:19,500

please like comment and subscribe to our

2109

01:38:23,689 --> 01:38:21,900

Channel if you're listening to all your

2110

01:38:26,270 --> 01:38:23,699

podcast we love and appreciate you

2111

01:38:29,270 --> 01:38:26,280

listeners but you are missing the live

2112

01:38:32,030 --> 01:38:29,280

tapings all our shows are recorded live

2113

01:38:34,250 --> 01:38:32,040

with video feeds we'd love you to come

2114

01:38:37,310 --> 01:38:34,260

be a part of our live broadcasts and

2115

01:38:39,770 --> 01:38:37,320

tapings for the podcast head on over to

2116

01:38:42,649 --> 01:38:39,780

YouTube click the Search tool a little

2117

01:38:44,629 --> 01:38:42,659

magnifying glass what should Seekers one

2118

01:38:47,270 --> 01:38:44,639

word in the search bar and hit enter

2119

01:38:49,370 --> 01:38:47,280

you'll see a strange mysterious guy with

2120

01:38:51,770 --> 01:38:49,380

sunglasses that means you found the

2121

01:38:54,590 --> 01:38:51,780

channel go ahead and smash the Subscribe

2122

01:38:56,750 --> 01:38:54,600

button and hit the notification Bell to

2123

01:38:59,450 --> 01:38:56,760

receive up-to-date info on our YouTube

2124

01:39:02,270 --> 01:38:59,460

channel we welcome you to be a part of

2125

01:39:07,330 --> 01:39:02,280

our live taping and our chat room during

2126

01:39:07,340 --> 01:39:25,850

this is truth Seekers

2127

01:39:31,010 --> 01:39:28,250

all right let's take some comments and

2128

01:39:34,010 --> 01:39:31,020

questions from the live chat and also uh

2129

01:39:37,189 --> 01:39:34,020

we want to take a moment to recognize

2130

01:39:38,270 --> 01:39:37,199

our YouTube channel members uh so we'll

2131

01:39:40,729 --> 01:39:38,280

be

2132

01:39:43,790 --> 01:39:40,739

trying to do that more

2133

01:39:47,450 --> 01:39:43,800

um for those unaware we have a patreon

2134

01:39:49,790 --> 01:39:47,460

is a dollar and uh you get all the same

2135

01:39:51,950 --> 01:39:49,800

benefits but the the YouTube membership

2136

01:39:54,830 --> 01:39:51,960

includes some YouTube perks like a

2137

01:39:57,590 --> 01:39:54,840

member badge and some other goodies but

2138

01:40:00,530 --> 01:39:57,600

you get the same uh stuff that we put on

2139

01:40:04,070 --> 01:40:00,540

patreon so we want to thank each and

2140

01:40:06,110 --> 01:40:04,080

every one of you uh our members here we

2141

01:40:08,570 --> 01:40:06,120

have so many of them I'm going to try to

2142

01:40:10,970 --> 01:40:08,580

uh call them out here we like to

2143

01:40:13,250 --> 01:40:10,980

recognize them I'm still working on how

2144

01:40:15,229 --> 01:40:13,260

to do this for patreon please do on

2145

01:40:17,450 --> 01:40:15,239

patreon if you'd like to be included in

2146

01:40:20,090 --> 01:40:17,460

a shout out send me a message

2147

01:40:23,689 --> 01:40:20,100

we want to thank Nemesis Bex Dawn

2148

01:40:25,790 --> 01:40:23,699

Richardson Jello Putin Q uh sunny

2149

01:40:30,050 --> 01:40:25,800

biatch111

2150

01:40:33,610 --> 01:40:30,060

Miss Terry Frank Pirro Rebel Soul Noble

2151

01:40:35,990 --> 01:40:33,620

Truth uh we have Travis Taylor

2152

01:40:38,090 --> 01:40:36,000

uh I always think that's the guy from

2153

01:40:41,030 --> 01:40:38,100

Skinwalker Ranch but thank you Travis

2154

01:40:44,450 --> 01:40:41,040

Brandy Phillips art and paranormal the

2155

01:40:48,050 --> 01:40:44,460

high Lonesome operator 357 Robbie D

2156

01:40:50,990 --> 01:40:48,060

orbital reality talmud Chris K Paul

2157

01:40:52,910 --> 01:40:51,000

Tucker Charles Roland uh Roderick

2158

01:40:55,189 --> 01:40:52,920

Stubblefield

2159

01:40:57,649 --> 01:40:55,199

by the way Charles Roland has sent me

2160

01:41:00,470 --> 01:40:57,659

some UFO material I'm trying to analyze

2161

01:41:03,290 --> 01:41:00,480

it but it's pretty low in data we'll try

2162

01:41:04,970 --> 01:41:03,300

to uh improve his situation for

2163

01:41:06,649 --> 01:41:04,980

capturing the things that he believes

2164

01:41:09,830 --> 01:41:06,659

he's capturing and bring that to you

2165

01:41:13,490 --> 01:41:09,840

Roderick stubborn field sweet cheeks uh

2166

01:41:16,490 --> 01:41:13,500

Chris Bartel Emma star Bobby Broadway ml

2167

01:41:20,990 --> 01:41:16,500

trolley troll troll bucka Turtle woman

2168

01:41:24,110 --> 01:41:21,000

one Jason Louis daggle Sweet Caroline of

2169

01:41:27,250 --> 01:41:24,120

course the MVP of PayPal pledges Deb

2170

01:41:31,370 --> 01:41:27,260

from Sac Shakira Rahman Matthew Brown

2171

01:41:34,669 --> 01:41:31,380

Linda Mack Davina TK John Martin Aaron

2172

01:41:37,910 --> 01:41:34,679

Flores MF Wilson dj'd's Al Warrior Daniel

2173

01:41:40,669 --> 01:41:37,920

black Edward I space exposure Janet

2174

01:41:42,830 --> 01:41:40,679

Malibu Sandy Smith Andy Gambino guy

2175

01:41:46,189 --> 01:41:42,840

cracker zizix

2176

01:41:49,070 --> 01:41:46,199

Cynthia Mack companies there we have Mr

2177

01:41:52,910 --> 01:41:49,080

2178

01:41:55,970 --> 01:41:52,920

John Doe sidrich Annie Kurtz and uh our

2179

01:41:59,330 --> 01:41:55,980

MVP for being the longest praise the

2180

01:42:00,890 --> 01:41:59,340

cash member reload thank you reload so

2181

01:42:03,410 --> 01:42:00,900

thanks to all of you for your kindness

2182

01:42:06,770 --> 01:42:03,420

generosity and support for those unaware

2183

01:42:09,709 --> 01:42:06,780

WE Post extra goodies on patreon and and

2184

01:42:11,510 --> 01:42:09,719

the members uh section and we also do a

2185

01:42:13,189 --> 01:42:11,520

monthly show Journal sort of a behind

2186

01:42:15,050 --> 01:42:13,199

the scenes look this month I'm going to

2187

01:42:17,390 --> 01:42:15,060

be showing a bunch of computer stuff so

2188

01:42:18,709 --> 01:42:17,400

if you like the technical end of what we

2189

01:42:21,350 --> 01:42:18,719

do here you're going to love this

2190

01:42:23,270 --> 01:42:21,360

month's monthly show Journal a lot to

2191

01:42:27,169 --> 01:42:23,280

share on the technical side

2192

01:42:29,689 --> 01:42:27,179

I'm building a huge render beast and if

2193

01:42:32,510 --> 01:42:29,699

everything works out uh

2194

01:42:35,330 --> 01:42:32,520

it's going to be a beast this thing has

2195

01:42:37,490 --> 01:42:35,340

got uh each of there's going to be three

2196

01:42:41,270 --> 01:42:37,500

heads to it so three computers working

2197

01:42:43,790 --> 01:42:41,280

together as one uh sharing the same

2198

01:42:46,070 --> 01:42:43,800

mouse and keyboard and clipboard so that

2199

01:42:48,169 --> 01:42:46,080

I can render on this one while I'm

2200

01:42:50,810 --> 01:42:48,179

editing on this one and render something

2201

01:42:52,669 --> 01:42:50,820

else like a 3D scene or an AI thing on

2202

01:42:55,790 --> 01:42:52,679

this one while I'm rendering a video on

2203

01:43:00,770 --> 01:42:55,800

this side and in the middle I'm working

2204

01:43:03,649 --> 01:43:00,780

um it is quite uh impressive and we'll

2205

01:43:06,050 --> 01:43:03,659

have something like with the three of

2206

01:43:07,609 --> 01:43:06,060

those things working together geez I

2207

01:43:08,629 --> 01:43:07,619

don't even know

2208

01:43:14,149 --> 01:43:08,639

um

2209

01:43:22,129 --> 01:43:18,729

cores or threads at once

2210

01:43:24,709 --> 01:43:22,139

quite the Beast and upgrade from the old

2211

01:43:27,229 --> 01:43:24,719

IMAX which I think were ones of quad

2212

01:43:31,129 --> 01:43:27,239

core and one's like a eight core I think

2213

01:43:33,950 --> 01:43:31,139

and you know Intel and just to be clear

2214

01:43:36,169 --> 01:43:33,960

those things do the work that I need to

2215

01:43:38,930 --> 01:43:36,179

do especially the editing but when you

2216

01:43:41,149 --> 01:43:38,940

get to like we got to be rendering hours

2217

01:43:43,010 --> 01:43:41,159

long projects here soon for some of

2218

01:43:43,910 --> 01:43:43,020

these documentary projects that I've got

2219

01:43:49,910 --> 01:43:43,920

going

2220

01:43:52,129 --> 01:43:49,920

I could share more with you about those

2221

01:43:55,189 --> 01:43:52,139

documentary projects but

2222

01:43:59,149 --> 01:43:55,199

I'm under contract and I I'm allowed to

2223

01:44:02,750 --> 01:44:01,250

let me be very clear on what I'm about

2224

01:44:06,350 --> 01:44:02,760

to say

2225

01:44:08,750 --> 01:44:06,360

truth Seekers is not going anywhere

2226

01:44:12,290 --> 01:44:08,760

um but we have some

2227

01:44:15,590 --> 01:44:12,300

big projects that are in the works

2228

01:44:17,390 --> 01:44:15,600

I'm under contract and will soon be

2229

01:44:20,149 --> 01:44:17,400

producing some other

2230

01:44:22,790 --> 01:44:20,159

work let's just put it that way and then

2231

01:44:26,629 --> 01:44:22,800

other work will not be on

2232

01:44:29,990 --> 01:44:26,639

uh YouTube or or uh it'll be on

2233

01:44:31,490 --> 01:44:30,000

streaming services and um I promised in

2234

01:44:34,070 --> 01:44:31,500

the contract that I can't make an

2235

01:44:37,010 --> 01:44:34,080

announcement just yet but more details

2236

01:44:40,609 --> 01:44:37,020

of that will be coming uh and it's a

2237

01:44:43,850 --> 01:44:40,619

tremendous opportunities ahead of us

2238

01:44:45,830 --> 01:44:43,860

um and it will still be branded yeah I

2239

01:44:47,750 --> 01:44:45,840

will still be branded in some way or

2240

01:44:49,030 --> 01:44:47,760

form as truth Seekers but it's going to

2241

01:44:58,070 --> 01:44:49,040

be

2242

01:45:00,350 --> 01:44:58,080

tremendous more amount of resources for

2243

01:45:03,290 --> 01:45:00,360

those projects which will be going to

2244

01:45:04,609 --> 01:45:03,300

some streaming services and other

2245

01:45:06,590 --> 01:45:04,619

outlets

2246

01:45:07,669 --> 01:45:06,600

um so

2247

01:45:12,290 --> 01:45:07,679

um

2248

01:45:14,570 --> 01:45:12,300

yeah Chris Johansen uh well there's two

2249

01:45:16,790 --> 01:45:14,580

ways there's several ways to do that I

2250

01:45:19,609 --> 01:45:16,800

can have the the main computer running

2251

01:45:23,090 --> 01:45:19,619

Windows server and then yes I can batch

2252

01:45:24,890 --> 01:45:23,100

jobs to the other two computers in the

2253

01:45:27,830 --> 01:45:24,900

network or any computers in the network

2254

01:45:29,930 --> 01:45:27,840

really but mostly I'm just going to be

2255

01:45:33,050 --> 01:45:29,940

sharing them as three computers together

2256

01:45:35,930 --> 01:45:33,060

with three monitors but they share the

2257

01:45:38,570 --> 01:45:35,940

clipboard so if I want to copy for

2258

01:45:40,550 --> 01:45:38,580

example a video project file over to the

2259

01:45:42,530 --> 01:45:40,560

other computer and tell that computer to

2260

01:45:45,109 --> 01:45:42,540

render it so that I can keep editing the

2261

01:45:47,450 --> 01:45:45,119

next part of the the story I'm working

2262

01:45:48,109 --> 01:45:47,460

on I can do that

2263

01:45:50,270 --> 01:45:48,119

um

2264

01:45:54,410 --> 01:45:50,280

and we also needed the extra power

2265

01:45:56,570 --> 01:45:54,420

because these AI uh you know these AI

2266

01:45:59,810 --> 01:45:56,580

softwares which by the way we want to

2267

01:46:02,270 --> 01:45:59,820

thank Mr Ian he's he's really pushing me

2268

01:46:04,370 --> 01:46:02,280

to get into this AI it's great you

2269

01:46:06,890 --> 01:46:04,380

describe for it what you want and it

2270

01:46:08,870 --> 01:46:06,900

does stuff now it may not always be

2271

01:46:11,390 --> 01:46:08,880

exactly what you want but you tweak it

2272

01:46:14,090 --> 01:46:11,400

and then you tweak the prompts try again

2273

01:46:15,950 --> 01:46:14,100

if it doesn't do it quite right

2274

01:46:18,950 --> 01:46:15,960

um the computers that I had really

2275

01:46:21,350 --> 01:46:18,960

couldn't do the AI work as well you need

2276

01:46:24,649 --> 01:46:21,360

a beast so we're going to have some kind

2277

01:46:26,290 --> 01:46:24,659

of crazy render Beast here

2278

01:46:30,830 --> 01:46:26,300

um you know

2279

01:46:33,649 --> 01:46:30,840

luckily I have a friend who has a

2280

01:46:37,250 --> 01:46:33,659

business and I uh help him to take care

2281

01:46:40,370 --> 01:46:37,260

of his computers and whatever and so you

2282

01:46:43,189 --> 01:46:40,380

know he upgrades quite frequently and he

2283

01:46:46,930 --> 01:46:43,199

has some very expensive older but still

2284

01:46:50,450 --> 01:46:46,940

incredibly useful Xeon workstations

2285

01:46:52,669 --> 01:46:50,460

and we are using those as a base

2286

01:46:54,410 --> 01:46:52,679

um these older Xeon workstations are

2287

01:46:55,189 --> 01:46:54,420

still beasts

2288

01:46:57,590 --> 01:46:55,199

um

2289

01:46:59,810 --> 01:46:57,600

you know one of them was very flaky and

2290

01:47:00,950 --> 01:46:59,820

I just repaired it this week I mentioned

2291

01:47:03,290 --> 01:47:00,960

that I

2292

01:47:05,030 --> 01:47:03,300

I'm terrible at fixing my own computers

2293

01:47:07,490 --> 01:47:05,040

or upgrading my own computers quite

2294

01:47:09,410 --> 01:47:07,500

honestly I just take trash from people

2295

01:47:11,149 --> 01:47:09,420

you know like are you upgrading this you

2296

01:47:13,609 --> 01:47:11,159

don't want it anymore oh you're

2297

01:47:16,010 --> 01:47:13,619

upgrading your Mac to new you know Apple

2298

01:47:19,490 --> 01:47:16,020

silicon great what do you want to do

2299

01:47:21,770 --> 01:47:19,500

with this with this Intel one

2300

01:47:23,649 --> 01:47:21,780

okay I'll throw it out for you I throw

2301

01:47:26,270 --> 01:47:23,659

it right in my car

2302

01:47:29,149 --> 01:47:26,280

and I guess I've always been that way

2303

01:47:30,770 --> 01:47:29,159

like why buy a computer you know I have

2304

01:47:32,990 --> 01:47:30,780

a background of computer science I know

2305

01:47:36,350 --> 01:47:33,000

how to like get the most out of whatever

2306

01:47:38,510 --> 01:47:36,360

it is that I have but quite honestly I

2307

01:47:41,149 --> 01:47:38,520

got quite lazy about doing the computer

2308

01:47:42,830 --> 01:47:41,159

work for myself because I don't I don't

2309

01:47:45,010 --> 01:47:42,840

I just don't want to do it anymore like

2310

01:47:47,270 --> 01:47:45,020

I don't really want to but I have to say

2311

01:47:50,030 --> 01:47:47,280

that I have enjoyed this week

2312

01:47:52,250 --> 01:47:50,040

tremendously uh you know we got the one

2313

01:47:55,490 --> 01:47:52,260

workstation going

2314

01:47:57,229 --> 01:47:55,500

um 11 gig video card is going in in that

2315

01:47:59,390 --> 01:47:57,239

one as soon as we're finished with the

2316

01:48:01,310 --> 01:47:59,400

broadcast tonight

2317

01:48:02,570 --> 01:48:01,320

um the other workstation was very very

2318

01:48:05,270 --> 01:48:02,580

flaky

2319

01:48:07,430 --> 01:48:05,280

like it was blue screening but I managed

2320

01:48:08,390 --> 01:48:07,440

to repair it by just replacing all the

2321

01:48:11,570 --> 01:48:08,400

ram

2322

01:48:12,530 --> 01:48:11,580

um and then I had to order more RAM so

2323

01:48:14,810 --> 01:48:12,540

um

2324

01:48:17,510 --> 01:48:14,820

yeah we're gonna have a Three-Headed

2325

01:48:20,030 --> 01:48:17,520

Beast and when I get it done I'll do a

2326

01:48:22,669 --> 01:48:20,040

video just on the the I'm looking if

2327

01:48:24,470 --> 01:48:22,679

anybody knows the name of uh some sort

2328

01:48:26,990 --> 01:48:24,480

of figure from mythology like a

2329

01:48:29,209 --> 01:48:27,000

three-headed dragon or something send me

2330

01:48:31,189 --> 01:48:29,219

that because uh the Beast is gonna need

2331

01:48:34,970 --> 01:48:31,199

a name

2332

01:48:38,810 --> 01:48:34,980

uh yeah and uh I'm thankful to all of

2333

01:48:40,970 --> 01:48:38,820

you because you know quite honestly if I

2334

01:48:43,010 --> 01:48:40,980

was left to my own finances I might

2335

01:48:44,810 --> 01:48:43,020

cheap out and say I don't need that I'll

2336

01:48:46,129 --> 01:48:44,820

just keep struggling with the hour-long

2337

01:48:47,390 --> 01:48:46,139

renders or

2338

01:48:49,550 --> 01:48:47,400

you know

2339

01:48:51,830 --> 01:48:49,560

I'll just ask my friend to render this

2340

01:48:53,810 --> 01:48:51,840

All thing for me who had that my other

2341

01:48:57,350 --> 01:48:53,820

friends most of my friends have like

2342

01:49:00,109 --> 01:48:57,360

gaming PCs these these Xeon workstations

2343

01:49:01,310 --> 01:49:00,119

are just as good they're just older it's

2344

01:49:04,669 --> 01:49:01,320

kind of like

2345

01:49:07,010 --> 01:49:04,679

you know the commercial version of a

2346

01:49:10,250 --> 01:49:07,020

really expensive workstation from years

2347

01:49:12,350 --> 01:49:10,260

ago is still as good or better than the

2348

01:49:14,870 --> 01:49:12,360

Consumer version of a very fast computer

2349

01:49:17,570 --> 01:49:14,880

today if you know how to upgrade them

2350

01:49:19,910 --> 01:49:17,580

and maximize their throughput and we're

2351

01:49:22,310 --> 01:49:19,920

gonna get these things humming

2352

01:49:24,410 --> 01:49:22,320

um I will say interestingly I fixed the

2353

01:49:26,390 --> 01:49:24,420

the second one so we're up to two now

2354

01:49:29,390 --> 01:49:26,400

and I've got another one that's a little

2355

01:49:32,030 --> 01:49:29,400

flaky and but that's okay this week I

2356

01:49:34,129 --> 01:49:32,040

have tremendously enjoyed for the first

2357

01:49:36,770 --> 01:49:34,139

time in a long time I have tremendously

2358

01:49:38,510 --> 01:49:36,780

enjoyed the hardware side of upgrading

2359

01:49:41,290 --> 01:49:38,520

them and you know

2360

01:49:43,609 --> 01:49:41,300

the one's got 48 gigs of RAM it's great

2361

01:49:46,669 --> 01:49:43,619

uh and I think my other computers only

2362

01:49:48,830 --> 01:49:46,679

have 8 or 16 most of them so I'm

2363

01:49:50,689 --> 01:49:48,840

thankful for the extra RAM and the extra

2364

01:49:54,470 --> 01:49:50,699

power

2365

01:49:56,689 --> 01:49:54,480

um I want to uh yes Chris Johansen says

2366

01:50:00,649 --> 01:49:56,699

the GPU usually does the work well I

2367

01:50:03,770 --> 01:50:00,659

decided on just a GTX 1080 TI I think

2368

01:50:05,689 --> 01:50:03,780

that's plenty for what I need to do I

2369

01:50:07,609 --> 01:50:05,699

did a lot of research and I just I

2370

01:50:09,590 --> 01:50:07,619

didn't want to spend like a thousand

2371

01:50:12,229 --> 01:50:09,600

dollars on a video card so I spent a few

2372

01:50:16,910 --> 01:50:12,239

hundred we get I found a great source

2373

01:50:17,990 --> 01:50:16,920

for uh 1080 TI's so we're going to use

2374

01:50:18,950 --> 01:50:18,000

those

2375

01:50:22,729 --> 01:50:18,960

um

2376

01:50:25,250 --> 01:50:22,739

yeah AMD ryzen I9 robust I love Xeon

2377

01:50:27,229 --> 01:50:25,260

processors I always have loved those

2378

01:50:30,290 --> 01:50:27,239

things the workstations that are made

2379

01:50:31,850 --> 01:50:30,300

with them you know and by the way at the

2380

01:50:34,310 --> 01:50:31,860

time years ago when these workstations

2381

01:50:36,109 --> 01:50:34,320

first came out I drooled over over them

2382

01:50:37,910 --> 01:50:36,119

I wanted one of these so bad now I've

2383

01:50:39,850 --> 01:50:37,920

got three of them and we're gonna gang

2384

01:50:43,669 --> 01:50:39,860

them together

2385

01:50:46,010 --> 01:50:43,679

it is going to be a beast and

2386

01:50:48,649 --> 01:50:46,020

I've already done some preliminary tests

2387

01:50:50,629 --> 01:50:48,659

oh and after all of this too I finally

2388

01:50:53,689 --> 01:50:50,639

found out that part of my problem was

2389

01:50:56,629 --> 01:50:53,699

software not Hardware one of my video

2390

01:50:59,810 --> 01:50:56,639

editors I has been around since like

2391

01:51:02,930 --> 01:50:59,820

Windows 95 I mean they keep upgrading it

2392

01:51:08,410 --> 01:51:02,940

every few years but the render engine

2393

01:51:12,250 --> 01:51:08,420

oil must be abysmally horrible because

2394

01:51:15,530 --> 01:51:12,260

if I take the same project and put it in

2395

01:51:18,950 --> 01:51:15,540

filmora and DaVinci Resolve it will

2396

01:51:21,229 --> 01:51:18,960

render that project in 10 minutes if I

2397

01:51:23,510 --> 01:51:21,239

put it in my video editor it will render

2398

01:51:25,970 --> 01:51:23,520

it in 45.

2399

01:51:28,189 --> 01:51:25,980

on the same exact Hardware so it turns

2400

01:51:31,850 --> 01:51:28,199

out a lot of my problems and frustration

2401
01:51:33,890 --> 01:51:31,860
was the software that I was using so I'm

2402
01:51:35,510 --> 01:51:33,900
I'm taking the steps to learn filmora

2403
01:51:36,669 --> 01:51:35,520
and DaVinci Resolve that's where I'm

2404
01:51:40,250 --> 01:51:36,679
going to go

2405
01:51:49,189 --> 01:51:42,290
key

2406
01:51:50,870 --> 01:51:49,199
Ki Mara

2407
01:51:57,310 --> 01:51:50,880
let me we're going to look that up

2408
01:52:03,530 --> 01:52:01,030
[Music]

2409
01:52:04,910 --> 01:52:03,540
three-headed monster of Greek mythology

2410
01:52:07,609 --> 01:52:04,920
right

2411
01:52:11,090 --> 01:52:07,619
yes it's gonna be a three-headed monster

2412
01:52:13,550 --> 01:52:11,100
that's pretty good a chimera yeah good

2413
01:52:16,129 --> 01:52:13,560

idea thank you Amy Collins I knew there

2414

01:52:17,930 --> 01:52:16,139

was a word for it or a myth associated

2415

01:52:20,149 --> 01:52:17,940

with that

2416

01:52:23,689 --> 01:52:20,159

yes Victor wag wants me to get a blue

2417

01:52:26,689 --> 01:52:23,699

avian graphics card yeah I think we're

2418

01:52:29,030 --> 01:52:26,699

gonna pass on that right

2419

01:52:32,090 --> 01:52:29,040

Chris Johansen says I am rendering with

2420

01:52:34,729 --> 01:52:32,100

a 1070. you should be fine yeah good

2421

01:52:36,530 --> 01:52:34,739

good uh yeah

2422

01:52:38,570 --> 01:52:36,540

um Maria Rose is here reminding

2423

01:52:40,850 --> 01:52:38,580

everybody to smash that like button yes

2424

01:52:42,590 --> 01:52:40,860

and we will put out our call to action

2425

01:52:44,450 --> 01:52:42,600

one of the things that could really

2426

01:52:46,430 --> 01:52:44,460

really help our show is watch one more

2427

01:52:47,990 --> 01:52:46,440

if you enjoyed tonight's presentation by

2428

01:52:49,669 --> 01:52:48,000

the way we want to Welcome All You new

2429

01:52:51,350 --> 01:52:49,679

subscribers we've gotten a whole bunch

2430

01:52:52,310 --> 01:52:51,360

of new subscribers in the past couple

2431

01:52:56,270 --> 01:52:52,320

days

2432

01:53:00,350 --> 01:52:56,280

uh and thank you for uh lending us your

2433

01:53:02,750 --> 01:53:00,360

uh subscription we appreciate it

2434

01:53:04,370 --> 01:53:02,760

um please watch one more we do these

2435

01:53:06,290 --> 01:53:04,380

presentations quite frequently you can

2436

01:53:07,750 --> 01:53:06,300

use the search bar on our Channel and

2437

01:53:10,550 --> 01:53:07,760

search for certain topics or

2438

01:53:14,629 --> 01:53:10,560

Personalities in the world of paranormal

2439

01:53:19,010 --> 01:53:17,209

um I think uh that you would enjoy one

2440

01:53:21,709 --> 01:53:19,020

more and it would tremendously help us

2441

01:53:24,109 --> 01:53:21,719

because apparently if you watch one more

2442

01:53:26,090 --> 01:53:24,119

YouTube turns that knob up and we start

2443

01:53:28,070 --> 01:53:26,100

getting more recommendations and

2444

01:53:29,870 --> 01:53:28,080

appearing in more people's feeds and

2445

01:53:31,550 --> 01:53:29,880

they push us out a little more and that

2446

01:53:34,970 --> 01:53:31,560

really really does help

2447

01:53:37,010 --> 01:53:34,980

and we also want to be sure to remind

2448

01:53:38,810 --> 01:53:37,020

you to follow me on Twitter it's at

2449

01:53:41,330 --> 01:53:38,820

Stephen Campion you can also check out

2450

01:53:43,850 --> 01:53:41,340

our website truthseekershow

2451
01:53:45,590 --> 01:53:43,860
dot com and from there you can get all

2452
01:53:46,729 --> 01:53:45,600
the latest audio Pi you can get all the

2453
01:53:48,530 --> 01:53:46,739
latest shows whether it's an audio

2454
01:53:50,570 --> 01:53:48,540
podcast you're looking for or the video

2455
01:53:53,270 --> 01:53:50,580
version they're all available on

2456
01:53:55,669 --> 01:53:53,280
truthseekershow.com

2457
01:53:58,570 --> 01:53:55,679
um alga races 48 gigs of RAM can't wait

2458
01:54:01,070 --> 01:53:58,580
to see the new thumbnails well the

2459
01:54:04,189 --> 01:54:01,080
extra memory is not going to help my

2460
01:54:06,109 --> 01:54:04,199
video editing skills I got to take some

2461
01:54:10,189 --> 01:54:06,119
few other things

2462
01:54:15,129 --> 01:54:13,010
call to action watch one more yeah it

2463
01:54:17,570 --> 01:54:15,139

really really does help or so I'm told

2464

01:54:19,070 --> 01:54:17,580

syllabus in Greek mythology the

2465

01:54:21,129 --> 01:54:19,080

three-headed dog that guards the

2466

01:54:24,890 --> 01:54:21,139

underworld I like that one better

2467

01:54:26,870 --> 01:54:24,900

cerebus uh we'll look that up as well

2468

01:54:32,330 --> 01:54:26,880

so that I don't forget these wonderful

2469

01:54:37,070 --> 01:54:35,209

and there were syllabus uh the aardvark

2470

01:54:38,810 --> 01:54:37,080

I used to read those Comics great

2471

01:54:41,270 --> 01:54:38,820

comment

2472

01:54:43,129 --> 01:54:41,280

often referred to as the Hound of Hades

2473

01:54:44,750 --> 01:54:43,139

is a multi-headed dog that guards the

2474

01:54:46,850 --> 01:54:44,760

gates of the underworld to prevent the

2475

01:54:49,370 --> 01:54:46,860

Dead

2476

01:54:51,890 --> 01:54:49,380

to prevent the dead from leaving uh it

2477

01:54:54,290 --> 01:54:51,900

sounds pretty good to me yeah I like

2478

01:54:55,790 --> 01:54:54,300

that one too well we'll check them out

2479

01:54:59,030 --> 01:54:55,800

after the show

2480

01:55:01,910 --> 01:54:59,040

so uh we have done our due diligence

2481

01:55:07,609 --> 01:55:01,920

we're coming up on two hours here

2482

01:55:10,970 --> 01:55:08,810

yeah

2483

01:55:13,669 --> 01:55:10,980

operation shutdown is here and says

2484

01:55:15,590 --> 01:55:13,679

YouTube turns the knob up when you watch

2485

01:55:17,689 --> 01:55:15,600

one more sort of like David Wilcock

2486

01:55:20,030 --> 01:55:17,699

turning up the Griff knob yeah it's

2487

01:55:22,729 --> 01:55:20,040

exactly like that that's exactly how it

2488

01:55:24,950 --> 01:55:22,739

works uh by the way General Flynn and

2489

01:55:28,010 --> 01:55:24,960

some uh you know there's some boys or

2490

01:55:29,930 --> 01:55:28,020

stuff going on in the bowenon world uh

2491

01:55:31,870 --> 01:55:29,940

so we're pretty sure that David Wilcox

2492

01:55:36,590 --> 01:55:31,880

going to be live again

2493

01:55:38,510 --> 01:55:36,600

I can't wait uh I kind of got overloaded

2494

01:55:40,910 --> 01:55:38,520

on that guy but now I'm ready to watch

2495

01:55:48,310 --> 01:55:40,920

another David Wilcock wacky world aren't

2496

01:55:53,810 --> 01:55:52,010

tell him Marcus uh telemachus I never

2497

01:56:01,850 --> 01:55:53,820

heard of that one what is that

2498

01:56:06,950 --> 01:56:04,430

son of a Greek hero odious and his wife

2499

01:56:11,450 --> 01:56:09,649

okay well we've got multiple options for

2500

01:56:13,010 --> 01:56:11,460

naming the Beast so I appreciate the

2501
01:56:16,189 --> 01:56:13,020
suggestions right

2502
01:56:17,510 --> 01:56:16,199
yeah uh so we want to thank each and

2503
01:56:19,129 --> 01:56:17,520
every one of you for joining us we want

2504
01:56:21,890 --> 01:56:19,139
to thank all of our kind and generous

2505
01:56:23,990 --> 01:56:21,900
benefactors we want to thank all of you

2506
01:56:26,830 --> 01:56:24,000
patreon supporters we want to thank you

2507
01:56:30,649 --> 01:56:26,840
channel members you twitch subscribers

2508
01:56:32,209 --> 01:56:30,659
uh you super Chatters super stickers a

2509
01:56:33,709 --> 01:56:32,219
special thanks to the super thanks

2510
01:56:34,790 --> 01:56:33,719
people I don't know if you know this but

2511
01:56:36,410 --> 01:56:34,800
you could throw us a couple of bucks

2512
01:56:37,910 --> 01:56:36,420
even if you're watching a replay just

2513
01:56:39,649 --> 01:56:37,920

hit that thanks button it really does

2514

01:56:42,290 --> 01:56:39,659

help

2515

01:56:45,169 --> 01:56:42,300

um and we want to thank

2516

01:56:47,890 --> 01:56:45,179

all of you for being here we want to

2517

01:56:51,830 --> 01:56:47,900

thank our wonderful chat room moderators

2518

01:56:56,090 --> 01:56:51,840

uh spooky and Mr Ian for Lending a hand

2519

01:56:57,290 --> 01:56:56,100

whenever uh able to and of course all of

2520

01:56:59,810 --> 01:56:57,300

you

2521

01:57:02,870 --> 01:56:59,820

I will be back tomorrow night 9 p.m

2522

01:57:04,669 --> 01:57:02,880

Eastern Standard Time I also have a

2523

01:57:07,370 --> 01:57:04,679

couple of videos that will be premiering

2524

01:57:08,990 --> 01:57:07,380

and debuting this week

2525

01:57:11,390 --> 01:57:09,000

um after I get through these computer

2526

01:57:13,250 --> 01:57:11,400

upgrades we should have a few videos

2527

01:57:14,810 --> 01:57:13,260

I've been waiting on the renders I

2528

01:57:18,830 --> 01:57:14,820

figured I'm not going to render them on

2529

01:57:22,010 --> 01:57:18,840

these old beasts on these old mules if I

2530

01:57:23,870 --> 01:57:22,020

got a beast Brew in here so I'm going to

2531

01:57:26,330 --> 01:57:23,880

work on those computers tonight I will

2532

01:57:28,189 --> 01:57:26,340

make some announcements about that and

2533

01:57:30,169 --> 01:57:28,199

as far as these new bigger future

2534

01:57:33,709 --> 01:57:30,179

projects I'll be making an announcement

2535

01:57:36,050 --> 01:57:33,719

about that soon

2536

01:57:38,990 --> 01:57:36,060

um you know you

2537

01:57:41,990 --> 01:57:39,000

I have to wait for certain things to be

2538

01:57:46,850 --> 01:57:44,870

you know finalized and uh sure certainly

2539

01:57:49,609 --> 01:57:46,860

don't want to jinx myself

2540

01:57:51,589 --> 01:57:49,619

uh Emma star is here and says Steven's

2541

01:57:54,950 --> 01:57:51,599

music is awesome thank you Emma Starr

2542

01:57:58,129 --> 01:57:54,960

and we have a new album coming out this

2543

01:58:01,010 --> 01:57:58,139

weekend on Saturday we will debut

2544

01:58:03,109 --> 01:58:01,020

another of my music albums it will be

2545

01:58:05,450 --> 01:58:03,119

available uh publicly on our YouTube

2546

01:58:07,609 --> 01:58:05,460

channel it's already in the members

2547

01:58:09,169 --> 01:58:07,619

section and on patreon so if you want a

2548

01:58:10,970 --> 01:58:09,179

sneak peek

2549

01:58:13,189 --> 01:58:10,980

um it's there and we're doing something

2550

01:58:15,530 --> 01:58:13,199

Emma star and by the way thank you for

2551
01:58:17,750 --> 01:58:15,540
being a member and thank Bobby Broadway

2552
01:58:19,609 --> 01:58:17,760
as well for being a member as I see the

2553
01:58:20,330 --> 01:58:19,619
member badges here

2554
01:58:22,550 --> 01:58:20,340
um

2555
01:58:25,370 --> 01:58:22,560
we're doing something called The Purge

2556
01:58:27,709 --> 01:58:25,380
and I am emptying I have been I haven't

2557
01:58:30,109 --> 01:58:27,719
released albums in a long time but I

2558
01:58:32,030 --> 01:58:30,119
have been recording uh so I've been

2559
01:58:33,530 --> 01:58:32,040
saving up the mixes the Masters and

2560
01:58:35,689 --> 01:58:33,540
we're sweetening them up a little bit

2561
01:58:37,250 --> 01:58:35,699
and we're doing something called The

2562
01:58:39,109 --> 01:58:37,260
Purge project

2563
01:58:41,330 --> 01:58:39,119

and I'm releasing a whole bunch of

2564

01:58:44,330 --> 01:58:41,340

albums in the coming weeks and months

2565

01:58:46,310 --> 01:58:44,340

and uh thank you for for saying that Ms

2566

01:58:47,750 --> 01:58:46,320

star I'm glad that anybody appreciates

2567

01:58:50,689 --> 01:58:47,760

them they're not doing me any good

2568

01:58:53,510 --> 01:58:50,699

sitting and it's safe right I have a

2569

01:58:55,490 --> 01:58:53,520

fireproof box that they all the hard

2570

01:58:58,370 --> 01:58:55,500

drives go in when I'm finished with an

2571

01:58:59,810 --> 01:58:58,380

album you know I have six copies or

2572

01:59:01,310 --> 01:58:59,820

something I'm a little crazy about

2573

01:59:04,070 --> 01:59:01,320

backing it up it's so hard to record

2574

01:59:05,870 --> 01:59:04,080

songs well and get good songs recorded

2575

01:59:08,149 --> 01:59:05,880

that once I do have one recorded I back

2576

01:59:10,129 --> 01:59:08,159

it up like back it up again back it up

2577

01:59:13,330 --> 01:59:10,139

again you don't want to lose any of that

2578

01:59:15,530 --> 01:59:13,340

they've all been sitting in this

2579

01:59:17,089 --> 01:59:15,540

fireproof metal box

2580

01:59:19,910 --> 01:59:17,099

and they're not doing me any good there

2581

01:59:22,970 --> 01:59:19,920

uh so we're I'm purging we're gonna

2582

01:59:25,430 --> 01:59:22,980

we're gonna let the world in on all of

2583

01:59:26,990 --> 01:59:25,440

that right

2584

01:59:29,629 --> 01:59:27,000

Amy Collins says how much are you

2585

01:59:31,790 --> 01:59:29,639

selling your old system for I'm not I

2586

01:59:34,430 --> 01:59:31,800

never sell I never get rid of computers

2587

01:59:37,370 --> 01:59:34,440

ask spooky was here there's like ask

2588

01:59:39,649 --> 01:59:37,380

spooky and there is like old computers

2589

01:59:42,109 --> 01:59:39,659

piled everywhere around my house well

2590

01:59:44,030 --> 01:59:42,119

not really anymore like my wife made me

2591

01:59:46,550 --> 01:59:44,040

get rid of a lot of them from the I have

2592

01:59:48,169 --> 01:59:46,560

a bunch of old crap in the basement I

2593

01:59:51,530 --> 01:59:48,179

still have uh

2594

01:59:54,709 --> 01:59:51,540

Commodore 64. I have an Amiga 1000 I I

2595

01:59:57,050 --> 01:59:54,719

like if if it still works I'm not going

2596

01:59:58,790 --> 01:59:57,060

to get rid of it I always feel like I

2597

02:00:01,669 --> 01:59:58,800

might need it someday what am I ever

2598

02:00:04,030 --> 02:00:01,679

gonna need a Commodore 64 for from when

2599

02:00:06,410 --> 02:00:04,040

I was a kid but I got one

2600

02:00:08,870 --> 02:00:06,420

they actually have a cool synthesizer

2601
02:00:10,310 --> 02:00:08,880
chip that I used a few times so no Amy

2602
02:00:14,209 --> 02:00:10,320
I'm not going to be selling any of my

2603
02:00:17,870 --> 02:00:14,219
computers but that thanks for asking

2604
02:00:20,089 --> 02:00:17,880
so uh yeah that's the news folks and I

2605
02:00:21,770 --> 02:00:20,099
am out of here we want to thank all of

2606
02:00:25,850 --> 02:00:21,780
you for joining us I'll be back tomorrow

2607
02:00:29,410 --> 02:00:25,860
night 9 p.m Eastern Standard Time and I

2608
02:00:33,649 --> 02:00:29,420
hope that you will all be here with me

2609
02:00:36,290 --> 02:00:33,659
uh it has been quite a journey and uh

2610
02:00:37,970 --> 02:00:36,300
things are are really

2611
02:00:39,950 --> 02:00:37,980
there's a lot of new things on the

2612
02:00:42,530 --> 02:00:39,960
horizon for us and I want to thank all

2613
02:00:47,270 --> 02:00:42,540

of you all of you for helping us to get

2614

02:00:49,189 --> 02:00:47,280

to right here uh because going forward

2615

02:00:51,589 --> 02:00:49,199

um things are going to be very exciting

2616

02:00:53,629 --> 02:00:51,599

and I can't wait to bring you some of

2617

02:00:54,550 --> 02:00:53,639

the new things uh that we've got going

2618

02:00:59,930 --> 02:00:54,560

on

2619

02:01:02,629 --> 02:00:59,940

diligence

2620

02:01:04,669 --> 02:01:02,639

and

2621

02:01:06,709 --> 02:01:04,679

that's it for me friends that's all I

2622

02:01:08,750 --> 02:01:06,719

got for you so until next time which

2623

02:01:10,430 --> 02:01:08,760

will be tomorrow night 9 p.m Eastern

2624

02:01:12,290 --> 02:01:10,440

Standard Time I hope you'll be here with

2625

02:01:14,689 --> 02:01:12,300

me until next time friends my name is

2626
02:01:34,550 --> 02:01:14,699
Stephen cambian good night and God bless

2627
02:01:34,560 --> 02:01:45,260
thank you

2628
02:02:12,200 --> 02:02:10,510
[Music]

2629
02:02:13,729 --> 02:02:12,210
thank you

2630
02:02:14,880 --> 02:02:13,739
[Music]

2631
02:02:36,320 --> 02:02:14,890
foreign

2632
02:03:04,750 --> 02:02:45,730
[Music]

2633
02:03:40,920 --> 02:03:07,290
thank you

2634
02:04:06,609 --> 02:03:47,380
[Music]

2635
02:04:24,589 --> 02:04:20,109
thank you

2636
02:04:24,599 --> 02:04:27,680
foreign
