yeah

43
00:03:12,110 --> 00:03:09,360
greetings and salutations friends and

44
00:03:14,509 --> 00:03:12,120
welcome back uh yes we're on the verge

45
00:03:16,729 --> 00:03:14,519
of disclosure we always are on the verge

46
00:03:17,949 --> 00:03:16,739
of disclosure just so that you

47
00:03:22,809 --> 00:03:17,959
understand

48
00:03:25,369 --> 00:03:22,819
uh I thought that a show about the

49
00:03:30,050 --> 00:03:25,379
narratives that are constantly being

50
00:03:32,990 --> 00:03:30,060
pushed especially by uh SSP or UFO or

51
00:03:36,350 --> 00:03:33,000
disclosure profiteers would be

52
00:03:39,770 --> 00:03:36,360
beneficial for those unaware people have

53
00:03:42,530 --> 00:03:39,780
been saying that uh disclosure about

54
00:03:45,770 --> 00:03:42,540
alien visitation on Earth is coming any

55
00:03:47,930 --> 00:03:45,780
day now since at least the 1950s with

56
00:03:52,670 --> 00:03:47,940
the early contact e movement

57
00:03:53,869 --> 00:03:52,680
so if we really study the history of all

58
00:03:58,070 --> 00:03:53,879
of this stuff

59
00:04:01,430 --> 00:03:58,080
we learn that nothing has really changed

60
00:04:03,890 --> 00:04:01,440
there's always somebody with their hand

61
00:04:06,830 --> 00:04:03,900
out asking you for money

62
00:04:09,890 --> 00:04:06,840
that is saying that the aliens are here

63
00:04:11,929 --> 00:04:09,900

and disclosure is coming now the SSP

64

00:04:15,830 --> 00:04:11,939

narrative started getting pushed very

65

00:04:18,949 --> 00:04:15,840

heavily uh thanks to Corey good and

66

00:04:21,409 --> 00:04:18,959

David Wilcock with what we now know were

67

00:04:23,930 --> 00:04:21,419

complete and total fairy tales thanks to

68

00:04:25,810 --> 00:04:23,940

the deposition of Corey good in which he

69

00:04:28,490 --> 00:04:25,820

admitted he's never even been to space

70

00:04:32,090 --> 00:04:28,500

so essentially Corey good spent eight

71

00:04:34,370 --> 00:04:32,100

years of his life uh allegedly or

72

00:04:36,230 --> 00:04:34,380

apparently lying to everyone for

73

00:04:40,070 --> 00:04:36,240

disclosure cash

74

00:04:42,890 --> 00:04:40,080

and the narrative that he pushed was one

75

00:04:45,050 --> 00:04:42,900

of disclosure and uh here's the real

76

00:04:47,810 --> 00:04:45,060

truth that I am offering you

77

00:04:51,170 --> 00:04:47,820

but the fact is all he actually offered

78

00:04:54,710 --> 00:04:51,180

us was deception and lies in exchange

79

00:04:57,409 --> 00:04:54,720

for his personal profit to the tune by

80

00:05:00,770 --> 00:04:57,419

some accounts of up to millions of

81

00:05:01,370 --> 00:05:00,780

dollars now besides me there has been

82

00:05:04,730 --> 00:05:01,380

um

83

00:05:08,150 --> 00:05:04,740

one person in particular uh that I like

84

00:05:09,710 --> 00:05:08,160

who has been really following these

85

00:05:11,930 --> 00:05:09,720

narratives especially on the secret

86

00:05:14,390 --> 00:05:11,940

space program and he's a little more

87

00:05:17,710 --> 00:05:14,400

connected to some of the players minor

88

00:05:20,990 --> 00:05:17,720

and major in that world of people

89

00:05:23,810 --> 00:05:21,000

telling uh stories about an apparent

90

00:05:26,689 --> 00:05:23,820

secret space program and let me be very

91

00:05:29,330 --> 00:05:26,699

clear before we begin tonight I truly

92

00:05:32,210 --> 00:05:29,340

believe that there is of course a secret

93

00:05:35,150 --> 00:05:32,220

space program or programs but it is

94

00:05:37,610 --> 00:05:35,160

absolutely nothing like the Fantastical

95

00:05:40,150 --> 00:05:37,620

fairy tale world that Corey good and

96

00:05:44,090 --> 00:05:40,160

other so-called secret space program

97

00:05:45,710 --> 00:05:44,100

insiders have described and in fact I

98

00:05:49,610 --> 00:05:45,720

think that most of those people are

99

00:05:52,990 --> 00:05:49,620

profit driven Liars we can look to

100

00:05:56,510 --> 00:05:53,000

things like the X-37B and other projects

101
00:05:59,810 --> 00:05:56,520
to give us confirmation that yes of

102
00:06:02,029 --> 00:05:59,820
course indeed there are

103
00:06:04,310 --> 00:06:02,039
programs run by the United States

104
00:06:06,950 --> 00:06:04,320
government and perhaps other governments

105
00:06:10,370 --> 00:06:06,960
that are secret we are not allowed to

106
00:06:12,710 --> 00:06:10,380
know what that x37b is doing in orbit

107
00:06:15,290 --> 00:06:12,720
for years at a time it's got to be doing

108
00:06:19,010 --> 00:06:15,300
something the cost of keeping something

109
00:06:21,469 --> 00:06:19,020
in orbit for literally years on end is

110
00:06:23,629 --> 00:06:21,479
tremendous enormous they wouldn't do

111
00:06:26,930 --> 00:06:23,639
that unless they were doing something

112
00:06:29,390 --> 00:06:26,940
with that craft

113
00:06:31,990 --> 00:06:29,400

um but the secret space program

114

00:06:34,490 --> 00:06:32,000

so-called whistleblowers and by the way

115

00:06:36,590 --> 00:06:34,500

that word should be reserved for real

116

00:06:39,469 --> 00:06:36,600

whistleblowers like Edward Snowden

117

00:06:42,230 --> 00:06:39,479

Chelsea Manning people who actually blow

118

00:06:44,270 --> 00:06:42,240

the whistle and then experience some

119

00:06:46,969 --> 00:06:44,280

kind of detrimental effects

120

00:06:49,490 --> 00:06:46,979

of their livelihoods their lives their

121

00:06:53,029 --> 00:06:49,500

careers their freedom at times

122

00:06:56,090 --> 00:06:53,039

for disclosing secrets

123

00:06:58,670 --> 00:06:56,100

these secret space program clowns and

124

00:07:02,270 --> 00:06:58,680

some of the UFO and disclosure so-called

125

00:07:04,629 --> 00:07:02,280

Advocates uh are truly just profiteers

126

00:07:08,029 --> 00:07:04,639

most of them in my opinion

127

00:07:11,090 --> 00:07:08,039

uh and they don't have any secrets to

128

00:07:13,430 --> 00:07:11,100

disclose uh not real ones if they did

129

00:07:16,249 --> 00:07:13,440

there would be consequences for them and

130

00:07:19,070 --> 00:07:16,259

there never is so the term whistleblower

131

00:07:20,809 --> 00:07:19,080

gets blown around like uh you know oh

132

00:07:23,089 --> 00:07:20,819

whistleblowers whistleblowers now we're

133

00:07:25,370 --> 00:07:23,099

hearing oh all these whistleblowers are

134

00:07:28,309 --> 00:07:25,380

coming forward about Crash retrievals

135

00:07:30,770 --> 00:07:28,319

but we just saw last night that some of

136

00:07:33,230 --> 00:07:30,780

these stories of so-called alien crash

137

00:07:36,730 --> 00:07:33,240

retrievals are hyped up profit-driven

138

00:07:38,990 --> 00:07:36,740

narratives that have no truth to them

139

00:07:40,990 --> 00:07:39,000

has just sold an awful lot of books

140

00:07:44,029 --> 00:07:41,000

talking about people uh you know

141

00:07:46,850 --> 00:07:44,039

experiencing an alien crash landing even

142

00:07:48,650 --> 00:07:46,860

prying a piece of metal from inside the

143

00:07:51,610 --> 00:07:48,660

spacecraft and it turns out that that

144

00:07:55,490 --> 00:07:51,620

piece of metal was most likely a

145

00:07:59,390 --> 00:07:55,500

manufactured on Earth part to a windmill

146

00:08:03,350 --> 00:07:59,400

so there is the narratives being pushed

147

00:08:05,450 --> 00:08:03,360

and certainly there is the reality uh

148

00:08:07,309 --> 00:08:05,460

tonight we have a special guest and uh I

149

00:08:08,930 --> 00:08:07,319

mentioned earlier there's one person in

150

00:08:12,350 --> 00:08:08,940

particular that I follow who's been

151

00:08:14,210 --> 00:08:12,360

watching all of this stuff uh very very

152

00:08:17,170 --> 00:08:14,220

closely especially the secret space

153

00:08:20,270 --> 00:08:17,180

program stuff and that is one Rider Lee

154

00:08:22,369 --> 00:08:20,280

uh the name of his channel on YouTube is

155

00:08:26,150 --> 00:08:22,379

raised by Giants he does an excellent

156

00:08:28,490 --> 00:08:26,160

job separating fact from fiction and

157

00:08:30,830 --> 00:08:28,500

isn't that what we want if these stories

158

00:08:33,949 --> 00:08:30,840

are indeed true I want to know about it

159

00:08:35,829 --> 00:08:33,959

but if these stories uh coming from many

160

00:08:38,510 --> 00:08:35,839

of these characters are just

161

00:08:40,790 --> 00:08:38,520

profit-driven narratives designed to to

162

00:08:43,670 --> 00:08:40,800

make people money and there's no truth

163

00:08:45,829 --> 00:08:43,680

to them I also want to know that and I

164

00:08:48,650 --> 00:08:45,839

know you do too so we're going to bring

165

00:08:52,490 --> 00:08:48,660

Mr Ryder Lee here

166

00:08:55,190 --> 00:08:52,500

and uh he is gonna be here to help us to

167

00:08:58,490 --> 00:08:55,200

break down the difference between the

168

00:09:01,190 --> 00:08:58,500

narratives and the reality of these

169

00:09:04,370 --> 00:09:01,200

programs uh let's bring him in here

170

00:09:06,410 --> 00:09:04,380

Ryder Lee welcome Mr raised by Giants

171

00:09:08,150 --> 00:09:06,420

himself I'm glad you're here

172

00:09:10,190 --> 00:09:08,160

thanks so much for having me I thought

173

00:09:13,190 --> 00:09:10,200

this was an invite for David Wilcox show

174

00:09:15,710 --> 00:09:13,200

bro what am I doing here dude

175

00:09:17,810 --> 00:09:15,720

but no what did you watch that latest

176

00:09:20,090 --> 00:09:17,820

episode of the latest live video that

177

00:09:22,310 --> 00:09:20,100

David Wilcock did yeah I think we did

178

00:09:24,889 --> 00:09:22,320

commentary over all of it it's pretty

179

00:09:27,170 --> 00:09:24,899

cringe-worthy I mean speaking of you

180

00:09:29,930 --> 00:09:27,180

know UFO grifters that dude literally

181

00:09:32,030 --> 00:09:29,940

got on there you know since you

182

00:09:33,829 --> 00:09:32,040

mentioned it I do have a recap of some

183

00:09:35,750 --> 00:09:33,839

of the most cringe-worthy moments that

184

00:09:38,090 --> 00:09:35,760

somebody sent me here I'll I'll let's

185

00:09:41,530 --> 00:09:38,100

let's listen my goal actually is to only

186

00:09:43,670 --> 00:09:41,540

talk for one hour today and

187

00:09:46,190 --> 00:09:43,680

it's very clear that there's something

188

00:09:49,190 --> 00:09:46,200

going on when I get into a slide mode I

189

00:09:50,870 --> 00:09:49,200

get very amped up I just rode the train

190

00:09:54,230 --> 00:09:50,880

all the way out here through the most

191

00:09:57,270 --> 00:09:54,240

horrific I mean two days of not sleeping

192

00:10:04,329 --> 00:09:57,280

from New York to Colorado

193

00:10:08,329 --> 00:10:06,410

that I'm still

194

00:10:13,070 --> 00:10:08,339

a worthwhile human being in your eyes

195

00:10:21,610 --> 00:10:15,949

see what we can do with a nice satanic

196

00:10:26,269 --> 00:10:24,350

do you realize how hard I'm working for

197

00:10:27,710 --> 00:10:26,279

you I mean the stakes effort this causes

198

00:10:30,230 --> 00:10:27,720

me to me to sweat

199

00:10:32,509 --> 00:10:30,240

and so if you can't appreciate that it

200

00:10:34,550 --> 00:10:32,519

really hurts my feelings and I think we

201
00:10:36,829 --> 00:10:34,560
need to talk about it because they don't

202
00:10:41,150 --> 00:10:36,839
want you to know that you are a Creator

203
00:10:46,730 --> 00:10:44,750
you have Godlike Powers riderly yes

204
00:10:49,329 --> 00:10:46,740
I mean somebody used a filter to make

205
00:10:52,430 --> 00:10:49,339
his head smaller in that

206
00:10:54,710 --> 00:10:52,440
it is genius I mean I just want to get

207
00:10:57,410 --> 00:10:54,720
to the point Stephen that I can get on a

208
00:10:59,389 --> 00:10:57,420
show and just make up for an hour

209
00:11:01,370 --> 00:10:59,399
and a half and people send me all kinds

210
00:11:03,470 --> 00:11:01,380
of money right yeah how do we get to

211
00:11:05,930 --> 00:11:03,480
that point Stephen I want to know like I

212
00:11:08,990 --> 00:11:05,940
think anybody here we need to get on

213
00:11:12,170 --> 00:11:09,000

Ancient Aliens both of us right

214

00:11:14,389 --> 00:11:12,180

yeah I mean that one video that David

215

00:11:16,850 --> 00:11:14,399

did on his channel it was um

216

00:11:18,889 --> 00:11:16,860

what was it the uh

217

00:11:20,690 --> 00:11:18,899

something bad greedy negative greeting

218

00:11:21,769 --> 00:11:20,700

or whatever I tuned into that because I

219

00:11:24,710 --> 00:11:21,779

thought that the show was going to be

220

00:11:27,949 --> 00:11:24,720

about something else and I tuned into it

221

00:11:31,610 --> 00:11:27,959

and the dude talks about his suit for 30

222

00:11:34,009 --> 00:11:31,620

minutes and banks in fifteen hundred

223

00:11:36,470 --> 00:11:34,019

dollars from Super chats yeah that's

224

00:11:38,810 --> 00:11:36,480

nothing I've seen him taken uh thousands

225

00:11:40,970 --> 00:11:38,820

you know when he was doing some of those

226

00:11:42,949 --> 00:11:40,980

streams with his wife I once counted I

227

00:11:45,050 --> 00:11:42,959

think something like almost ten thousand

228

00:11:47,630 --> 00:11:45,060

dollars in super chats and he didn't

229

00:11:49,850 --> 00:11:47,640

even thank you know like I get it maybe

230

00:11:51,650 --> 00:11:49,860

you don't have time to read every single

231

00:11:54,110 --> 00:11:51,660

Super Chat when there's that many of

232

00:11:57,290 --> 00:11:54,120

them right you know like I know

233

00:11:59,269 --> 00:11:57,300

I I I'm aware of at least one show and I

234

00:12:00,769 --> 00:11:59,279

I talked to the show host and I said

235

00:12:02,150 --> 00:12:00,779

what's that like when you're getting so

236

00:12:04,490 --> 00:12:02,160

many super chats you can't read them all

237

00:12:06,110 --> 00:12:04,500

and he says I feel terrible so what I

238

00:12:07,910 --> 00:12:06,120

what he has to do is he has to go

239

00:12:10,490 --> 00:12:07,920

through them and he just grabs whatever

240

00:12:12,590 --> 00:12:10,500

catches his eye and he reads them but he

241

00:12:14,449 --> 00:12:12,600

gives a general thank you so much for

242

00:12:16,490 --> 00:12:14,459

your kindness you know and helping

243

00:12:19,009 --> 00:12:16,500

support the show to all you great super

244

00:12:21,170 --> 00:12:19,019

Chatters David Wilcock to the best of my

245

00:12:24,829 --> 00:12:21,180

knowledge only once has pulled up a

246

00:12:26,990 --> 00:12:24,839

Super Chat and that one time out of like

247

00:12:29,150 --> 00:12:27,000

tens of thousands of dollars he doesn't

248

00:12:30,949 --> 00:12:29,160

thank anybody for all those super just

249

00:12:33,769 --> 00:12:30,959

give him a general thank you he doesn't

250

00:12:35,930 --> 00:12:33,779

even do that he doesn't mean here we are

251
00:12:37,610 --> 00:12:35,940
struggling my channel has never been

252
00:12:39,470 --> 00:12:37,620
monetized I've never been monetized I've

253
00:12:41,949 --> 00:12:39,480
tried several times they've denied me

254
00:12:44,150 --> 00:12:41,959
every time for harmful and whatever

255
00:12:46,250 --> 00:12:44,160
dangerous content is what they call

256
00:12:47,629 --> 00:12:46,260
harmful and dangerous content yeah I've

257
00:12:49,790 --> 00:12:47,639
never been and then this dude gets on

258
00:12:52,129 --> 00:12:49,800
there for 30 minutes talking about his

259
00:12:53,690 --> 00:12:52,139
suit literally nothing going on he's not

260
00:12:56,750 --> 00:12:53,700
giving any kind of information which is

261
00:12:58,069 --> 00:12:56,760
information is nonsense anyway but you

262
00:12:59,150 --> 00:12:58,079
would think that he would get on there

263
00:13:00,769 --> 00:12:59,160

and actually talk about something

264

00:13:02,269 --> 00:13:00,779

important if he had something important

265

00:13:04,310 --> 00:13:02,279

to say but no he just talks about a suit

266

00:13:05,629 --> 00:13:04,320

for 30 minutes and racks up freaking

267

00:13:07,790 --> 00:13:05,639

fifteen hundred dollars in super

268

00:13:10,129 --> 00:13:07,800

transfers yeah Ryan Gable from the

269

00:13:13,250 --> 00:13:10,139

secret teachings is the one who informed

270

00:13:15,590 --> 00:13:13,260

me to look for this David Wilcox spends

271

00:13:18,290 --> 00:13:15,600

20 to 30 minutes of every presentation

272

00:13:20,810 --> 00:13:18,300

just talking about his pants or his sh

273

00:13:22,910 --> 00:13:20,820

you know like he bought a new pair of

274

00:13:25,190 --> 00:13:22,920

shoes last week and they didn't fit him

275

00:13:28,550 --> 00:13:25,200

like he literally just

276

00:13:30,290 --> 00:13:28,560

talks nonsense for 20 or 30 minutes and

277

00:13:32,690 --> 00:13:30,300

you would think if you're at that level

278

00:13:34,490 --> 00:13:32,700

of Fame and so-called success you you

279

00:13:37,430 --> 00:13:34,500

wouldn't waste people's time with like

280

00:13:40,009 --> 00:13:37,440

nonsense like my suit and you know like

281

00:13:41,030 --> 00:13:40,019

I I don't understand it I don't get it

282

00:13:43,370 --> 00:13:41,040

right

283

00:13:45,949 --> 00:13:43,380

yeah but that's what they all do it's

284

00:13:47,269 --> 00:13:45,959

all a Big Show and it's all like a big

285

00:13:48,889 --> 00:13:47,279

game it's exactly like what you were

286

00:13:50,750 --> 00:13:48,899

talking about in the opening of the show

287

00:13:52,790 --> 00:13:50,760

like they're always touting disclosures

288

00:13:55,129 --> 00:13:52,800

coming the closure is coming next week

289

00:13:57,170 --> 00:13:55,139

how many dates have we come by that

290

00:13:59,090 --> 00:13:57,180

people are talking about that disclosure

291

00:14:01,250 --> 00:13:59,100

is coming the government's finally going

292

00:14:03,350 --> 00:14:01,260

to disclose extraterrestrials to the

293

00:14:07,910 --> 00:14:03,360

world and it never happens the date

294

00:14:10,490 --> 00:14:07,920

comes right I love the idiots that are

295

00:14:12,889 --> 00:14:10,500

like always waiting on every word of

296

00:14:15,170 --> 00:14:12,899

some CIA psyop guy who's going to bring

297

00:14:17,210 --> 00:14:15,180

them disclosure I I could you know at

298

00:14:20,329 --> 00:14:17,220

some point I say like are you like a

299

00:14:23,329 --> 00:14:20,339

little bit mentally like not there like

300

00:14:24,949 --> 00:14:23,339

you think that the CIA operative is that

301
00:14:26,509 --> 00:14:24,959
worked for the government that some of

302
00:14:28,069 --> 00:14:26,519
them still work for the government while

303
00:14:29,810 --> 00:14:28,079
they're lying and say they left the

304
00:14:31,670 --> 00:14:29,820
government you really think that

305
00:14:34,610 --> 00:14:31,680
person's gonna bring you so any kind of

306
00:14:37,069 --> 00:14:34,620
disclosure you know like how many times

307
00:14:40,250 --> 00:14:37,079
does the community need to be fooled

308
00:14:43,009 --> 00:14:40,260
before they start wising up to it I mean

309
00:14:45,769 --> 00:14:43,019
there's I mean what proof do we really

310
00:14:47,389 --> 00:14:45,779
have that extraterrestrials even exist

311
00:14:50,930 --> 00:14:47,399
we have a

312
00:14:53,689 --> 00:14:50,940
not one shred of evidence proving the

313
00:15:01,629 --> 00:14:53,699

existence of extraterrestrials all we

314

00:15:07,189 --> 00:15:05,329

I know this and when people why you know

315

00:15:10,430 --> 00:15:07,199

Wise up to it and I think that they are

316

00:15:12,650 --> 00:15:10,440

I think people really are I saw a uh a

317

00:15:14,210 --> 00:15:12,660

tick tock video the other day where a

318

00:15:16,550 --> 00:15:14,220

gentleman's explaining the Roswell

319

00:15:19,069 --> 00:15:16,560

incident that it's probably was not

320

00:15:22,910 --> 00:15:19,079

extraterrestrials it was probably a

321

00:15:24,410 --> 00:15:22,920

crashed uh special access craft that

322

00:15:26,870 --> 00:15:24,420

they were working on with the Project

323

00:15:29,150 --> 00:15:26,880

Paperclip uh Germans that they brought

324

00:15:31,490 --> 00:15:29,160

over after World War II and that's the

325

00:15:33,889 --> 00:15:31,500

brothers they were they were trying to

326

00:15:36,350 --> 00:15:33,899

uh create an advanced craft there's a

327

00:15:38,449 --> 00:15:36,360

strip that runs right through Roswell

328

00:15:41,449 --> 00:15:38,459

like two miles uh it's the longest

329

00:15:43,790 --> 00:15:41,459

landing strip in uh or takeoff strip in

330

00:15:46,009 --> 00:15:43,800

the United States I think it's like uh

331

00:15:47,689 --> 00:15:46,019

six to ten miles long it's like one of

332

00:15:49,250 --> 00:15:47,699

the longest Landing strips and the

333

00:15:52,189 --> 00:15:49,260

Roswell crash happened like two miles

334

00:15:54,710 --> 00:15:52,199

right off the side of that strip

335

00:15:56,689 --> 00:15:54,720

yeah and you know what your confirmation

336

00:15:59,090 --> 00:15:56,699

bias gets in the way like I want to

337

00:16:00,110 --> 00:15:59,100

believe that aliens crash landed I

338

00:16:02,750 --> 00:16:00,120

really do want to believe that about

339

00:16:05,509 --> 00:16:02,760

Roswell and I spent we we interviewed

340

00:16:07,610 --> 00:16:05,519

like every World author and expert on

341

00:16:09,230 --> 00:16:07,620

Roswell and then on the 75th Anniversary

342

00:16:11,810 --> 00:16:09,240

we did like an eight hour or ten hour

343

00:16:13,550 --> 00:16:11,820

broadcast of all of it to let people

344

00:16:15,410 --> 00:16:13,560

make up their own minds and I really

345

00:16:17,990 --> 00:16:15,420

thought if I got to The Experts I'd be

346

00:16:20,810 --> 00:16:18,000

able to make up my mind I just can't get

347

00:16:23,269 --> 00:16:20,820

there like I can't I I can't totally

348

00:16:25,189 --> 00:16:23,279

throw away the aliens and and you're

349

00:16:27,710 --> 00:16:25,199

right though a lot of it is just stories

350

00:16:29,569 --> 00:16:27,720

like I thought this book children of

351

00:16:31,009 --> 00:16:29,579

Roswell was very convincing because a

352

00:16:33,110 --> 00:16:31,019

lot of people on their deathbed told

353

00:16:34,850 --> 00:16:33,120

their children and these are people that

354

00:16:37,430 --> 00:16:34,860

verifiably were at Roswell at the time

355

00:16:40,310 --> 00:16:37,440

that they saw bodies and and materials

356

00:16:42,410 --> 00:16:40,320

and that what crashed was aliens and I

357

00:16:44,449 --> 00:16:42,420

thought well you know I get that's just

358

00:16:46,970 --> 00:16:44,459

a story but it's sort of the deathbed

359

00:16:49,550 --> 00:16:46,980

confession to me was convincing but then

360

00:16:52,189 --> 00:16:49,560

if you talk to uh some people like

361

00:16:54,410 --> 00:16:52,199

Walter Bosley he has this theory that it

362

00:16:56,590 --> 00:16:54,420

was it was paper clip scientist it was a

363

00:16:59,509 --> 00:16:56,600

Space Project or a space plane or or

364

00:17:00,949 --> 00:16:59,519

Advanced aircraft or one of the flying

365

00:17:03,490 --> 00:17:00,959

wings that they had that they were

366

00:17:06,409 --> 00:17:03,500

testing so the Horton Brothers

367

00:17:08,750 --> 00:17:06,419

yeah they're Advanced aircraft I mean if

368

00:17:11,390 --> 00:17:08,760

you someone saw that they wouldn't know

369

00:17:13,850 --> 00:17:11,400

what it was actually in 1947 that was

370

00:17:16,250 --> 00:17:13,860

like 30 years ahead of its time like a

371

00:17:18,289 --> 00:17:16,260

flying wing like that amazing they

372

00:17:20,210 --> 00:17:18,299

wouldn't have the need to know what that

373

00:17:23,270 --> 00:17:20,220

kind of crops was because it would be a

374

00:17:24,890 --> 00:17:23,280

special access type of craft and I think

375

00:17:26,390 --> 00:17:24,900

that that's what the Washington flap

376

00:17:28,309 --> 00:17:26,400

event was too and I think that's what

377

00:17:30,230 --> 00:17:28,319

the Kecksburg event was as well I mean

378

00:17:31,789 --> 00:17:30,240

uh Dr Joseph Farrell has talked about

379

00:17:34,669 --> 00:17:31,799

the Kecksburg event over and over and

380

00:17:37,730 --> 00:17:34,679

over again and it's very similar to the

381

00:17:40,730 --> 00:17:37,740

uh German Bell you know the shape of it

382

00:17:42,650 --> 00:17:40,740

looks very similar and that crashes 65

383

00:17:46,010 --> 00:17:42,660

it's also very similar to a Russian

384

00:17:48,950 --> 00:17:46,020

satellite which was which uh deorbit it

385

00:17:51,350 --> 00:17:48,960

uh on virtually the same time frame so

386

00:17:52,970 --> 00:17:51,360

you know if you look at the if you look

387

00:17:54,650 --> 00:17:52,980

at the Russian satellite that came down

388

00:17:56,510 --> 00:17:54,660

and look at the descriptions of the

389

00:17:58,130 --> 00:17:56,520

Kecksburg incident and by the way that

390

00:18:01,370 --> 00:17:58,140

was the first show I ever did with Stan

391

00:18:03,169 --> 00:18:01,380

Gordon on that and I uh I drove out

392

00:18:04,730 --> 00:18:03,179

there and saw the crash site and

393

00:18:06,770 --> 00:18:04,740

everything and boy was that like a

394

00:18:09,409 --> 00:18:06,780

piglet down it's like you're just like

395

00:18:11,750 --> 00:18:09,419

oh there's some Woods over here there's

396

00:18:14,510 --> 00:18:11,760

no there's nothing and it's some sleepy

397

00:18:16,730 --> 00:18:14,520

little farm town that you know like but

398

00:18:19,430 --> 00:18:16,740

I went and saw the the recreation that

399

00:18:21,770 --> 00:18:19,440

they have like in a billboard and they

400

00:18:23,390 --> 00:18:21,780

that you know they have like a store in

401
00:18:25,190 --> 00:18:23,400
town that has like a bunch of alien

402
00:18:28,909 --> 00:18:25,200
stuff and whatever and books on

403
00:18:30,350 --> 00:18:28,919
Kecksburg but yeah like I've been

404
00:18:32,930 --> 00:18:30,360
talking about for a long time we have

405
00:18:34,669 --> 00:18:32,940
the big the overhype and under delivery

406
00:18:37,190 --> 00:18:34,679
like everybody's selling these stories

407
00:18:40,370 --> 00:18:37,200
as true they have to over hype them in

408
00:18:42,470 --> 00:18:40,380
order to uh sell the story but then they

409
00:18:45,470 --> 00:18:42,480
inevitably under deliver when it comes

410
00:18:47,390 --> 00:18:45,480
to actual real verifiable evidence and

411
00:18:50,450 --> 00:18:47,400
you're right mostly we get a lot of

412
00:18:52,789 --> 00:18:50,460
stories and proponents of the alien

413
00:18:55,250 --> 00:18:52,799

hypothesis and pushing aliens will say

414

00:18:58,010 --> 00:18:55,260

well testimony is evidence because it's

415

00:18:59,930 --> 00:18:58,020

accepted in court but you know might be

416

00:19:02,029 --> 00:18:59,940

accepted but it's very difficult to win

417

00:19:03,470 --> 00:19:02,039

a case with testimony only you know this

418

00:19:04,909 --> 00:19:03,480

everyone that knows this and knows

419

00:19:07,070 --> 00:19:04,919

anything about the court system in the

420

00:19:09,650 --> 00:19:07,080

judicial system knows that you cannot

421

00:19:12,289 --> 00:19:09,660

win a case with only testimony you have

422

00:19:14,690 --> 00:19:12,299

to have some sort of physical evidence

423

00:19:17,029 --> 00:19:14,700

to back up the testimonies that are

424

00:19:19,490 --> 00:19:17,039

given in order to win any case a lot of

425

00:19:21,950 --> 00:19:19,500

cases won't even go to trial unless you

426

00:19:24,310 --> 00:19:21,960

have some sort of physical evidence

427

00:19:26,330 --> 00:19:24,320

backing up the testimony

428

00:19:29,450 --> 00:19:26,340

cases that are just circumstantial

429

00:19:31,130 --> 00:19:29,460

especially criminal cases you know I I

430

00:19:32,690 --> 00:19:31,140

thought that Murdoch guy was going to

431

00:19:34,490 --> 00:19:32,700

get off because they didn't have like

432

00:19:35,750 --> 00:19:34,500

blood on him or they didn't have like

433

00:19:38,450 --> 00:19:35,760

you know they didn't have a lot of

434

00:19:40,370 --> 00:19:38,460

physical evidence but they were able to

435

00:19:42,490 --> 00:19:40,380

put together that his timeline was all

436

00:19:45,230 --> 00:19:42,500

wrong and you know with enough

437

00:19:46,610 --> 00:19:45,240

circumstantial evidence or testimony you

438

00:19:48,049 --> 00:19:46,620

could still win but it's very very

439

00:19:50,810 --> 00:19:48,059

difficult people want that physical

440

00:19:53,810 --> 00:19:50,820

evidence and that's that's what I want

441

00:19:55,789 --> 00:19:53,820

Ryder I I want the Smoking Gun I want a

442

00:19:57,529 --> 00:19:55,799

biological specimen that we can look at

443

00:19:59,990 --> 00:19:57,539

and say this thing has something like

444

00:20:02,570 --> 00:20:00,000

DNA but it's it's not any known animal

445

00:20:04,490 --> 00:20:02,580

or human do you know what I mean or why

446

00:20:07,250 --> 00:20:04,500

is it that we don't have any right if

447

00:20:08,630 --> 00:20:07,260

the universe is teaming with life and

448

00:20:09,890 --> 00:20:08,640

all of these different planets in the

449

00:20:12,710 --> 00:20:09,900

solar system has all these

450

00:20:16,070 --> 00:20:12,720

extraterrestrial species living on it

451
00:20:18,169 --> 00:20:16,080
why don't we have any proof right if if

452
00:20:20,210 --> 00:20:18,179
it's as populated as a lot of these

453
00:20:22,070 --> 00:20:20,220
whistleblowers and these people that are

454
00:20:23,150 --> 00:20:22,080
telling all these stories if it's really

455
00:20:25,789 --> 00:20:23,160
like that

456
00:20:27,590 --> 00:20:25,799
then why don't we see it why don't we

457
00:20:30,350 --> 00:20:27,600
have any evidence you know the only

458
00:20:32,450 --> 00:20:30,360
conclusion The Logical and critical

459
00:20:33,890 --> 00:20:32,460
conclusion that you can come to based

460
00:20:35,930 --> 00:20:33,900
off of that

461
00:20:38,390 --> 00:20:35,940
is that they don't exist

462
00:20:40,610 --> 00:20:38,400
yeah is that physical extraterrestrials

463
00:20:43,130 --> 00:20:40,620

don't exist

464

00:20:44,630 --> 00:20:43,140

well yeah you know what is that Carl

465

00:20:46,909 --> 00:20:44,640

Sagan quote there's only two

466

00:20:49,070 --> 00:20:46,919

possibilities either there's intelligent

467

00:20:51,310 --> 00:20:49,080

life all over the universe or we are the

468

00:20:54,409 --> 00:20:51,320

only intelligent life in both of those

469

00:20:56,750 --> 00:20:54,419

are are you know terrifying I mean

470

00:20:58,970 --> 00:20:56,760

that's true if there is no other

471

00:21:00,590 --> 00:20:58,980

intelligent life then we really got to

472

00:21:03,470 --> 00:21:00,600

do something here on this planet because

473

00:21:05,570 --> 00:21:03,480

we are the only known planet with

474

00:21:08,029 --> 00:21:05,580

Consciousness and and Tool making

475

00:21:10,070 --> 00:21:08,039

ability and history and culture and

476

00:21:13,730 --> 00:21:10,080

religion and all these things if we're

477

00:21:15,770 --> 00:21:13,740

truly unique we really have to you know

478

00:21:18,590 --> 00:21:15,780

get rid of the nuclear weapons and try

479

00:21:22,130 --> 00:21:18,600

to work together as as all being One

480

00:21:25,250 --> 00:21:22,140

race and you know it's terrifying to me

481

00:21:27,230 --> 00:21:25,260

either way you know I I just think that

482

00:21:29,270 --> 00:21:27,240

what a tremendous waste of space that

483

00:21:31,370 --> 00:21:29,280

would be unless you're a religious

484

00:21:34,490 --> 00:21:31,380

person I have a religious friend a

485

00:21:37,130 --> 00:21:34,500

priest in fact who he he believes that

486

00:21:39,470 --> 00:21:37,140

we're the only intelligent life in the

487

00:21:42,070 --> 00:21:39,480

universe but why is that only for

488

00:21:44,990 --> 00:21:42,080

Christianity though I mean

489

00:21:46,970 --> 00:21:45,000

but his point was you know I I was

490

00:21:49,130 --> 00:21:46,980

talking to him about this exact issue

491

00:21:51,649 --> 00:21:49,140

and I said well why would why would a

492

00:21:54,890 --> 00:21:51,659

God put you know it's kind of like

493

00:21:56,029 --> 00:21:54,900

putting an ant on on planet Earth and

494

00:21:57,950 --> 00:21:56,039

and

495

00:21:59,270 --> 00:21:57,960

you know expecting him to know what to

496

00:22:01,370 --> 00:21:59,280

do with the whole rest of the planet

497

00:22:02,870 --> 00:22:01,380

like why would he why would God put this

498

00:22:05,330 --> 00:22:02,880

entire universe

499

00:22:07,850 --> 00:22:05,340

and we're the only intelligent life in

500

00:22:09,830 --> 00:22:07,860

the whole vastness of the universe and

501
00:22:11,510 --> 00:22:09,840
this priest seems to think that that's

502
00:22:14,210 --> 00:22:11,520
part of God's plan and we're supposed to

503
00:22:15,110 --> 00:22:14,220
go out and colonize all that space with

504
00:22:18,649 --> 00:22:15,120
human

505
00:22:20,450 --> 00:22:18,659
you know colonies and and and eventually

506
00:22:22,430 --> 00:22:20,460
humans will be all throughout the

507
00:22:24,169 --> 00:22:22,440
Universe I mean it's good theory but

508
00:22:26,149 --> 00:22:24,179
you're right about the evidence all we

509
00:22:28,250 --> 00:22:26,159
ever get is tantalizing maybe proof

510
00:22:30,350 --> 00:22:28,260
that's what I call it right it's like

511
00:22:31,490 --> 00:22:30,360
well it could have been this it could

512
00:22:34,850 --> 00:22:31,500
have been this it could have been this

513
00:22:36,350 --> 00:22:34,860

so it must be aliens it's bad logic you

514

00:22:38,270 --> 00:22:36,360

know well I just watched an interview

515

00:22:40,610 --> 00:22:38,280

with Elon Musk and

516

00:22:43,310 --> 00:22:40,620

regardless of what people think of Elon

517

00:22:47,090 --> 00:22:43,320

Musk I'm very proud of him talking about

518

00:22:49,810 --> 00:22:47,100

this he said he was being interviewed by

519

00:22:52,250 --> 00:22:49,820

uh by somebody and he was asked about

520

00:22:54,289 --> 00:22:52,260

extraterrestrials and Elon Musk probably

521

00:22:58,669 --> 00:22:54,299

one of the smartest people

522

00:23:01,010 --> 00:22:58,679

on the planet right now uh he said well

523

00:23:02,810 --> 00:23:01,020

if the universe is billions of years old

524

00:23:04,310 --> 00:23:02,820

uh the way that it's been presented to

525

00:23:05,870 --> 00:23:04,320

us by science

526
00:23:07,990 --> 00:23:05,880
then

527
00:23:10,610 --> 00:23:08,000
you would think that there would be

528
00:23:12,350 --> 00:23:10,620
extraterrestrials everywhere yeah it's

529
00:23:14,990 --> 00:23:12,360
like the Fermi Paradox where are they at

530
00:23:18,049 --> 00:23:15,000
but where are they yeah

531
00:23:20,810 --> 00:23:18,059
yeah like it doesn't make any sense

532
00:23:22,730 --> 00:23:20,820
at all like if it's that teeming with

533
00:23:25,190 --> 00:23:22,740
life all these planets around here with

534
00:23:26,630 --> 00:23:25,200
all this existing life on it then where

535
00:23:29,270 --> 00:23:26,640
are they that's like the biggest

536
00:23:31,430 --> 00:23:29,280
question and what I have really you know

537
00:23:33,649 --> 00:23:31,440
started digging down into and it's made

538
00:23:37,130 --> 00:23:33,659

me realize that a lot of this stuff is

539

00:23:39,529 --> 00:23:37,140

just a bunch of nonsense right all the

540

00:23:42,770 --> 00:23:39,539

stories are just completely made up

541

00:23:45,370 --> 00:23:42,780

stories now if the extraterrestrials or

542

00:23:46,970 --> 00:23:45,380

what people claim to be

543

00:23:48,070 --> 00:23:46,980

extraterrestrials I think that they've

544

00:23:52,270 --> 00:23:48,080

just been

545

00:23:54,409 --> 00:23:52,280

misidentified through history right yeah

546

00:23:56,510 --> 00:23:54,419

because whenever you break down the word

547

00:23:59,750 --> 00:23:56,520

extraterrestrial it just means extra

548

00:24:01,370 --> 00:23:59,760

territory right means extra territory on

549

00:24:04,789 --> 00:24:01,380

the planet it doesn't mean things from

550

00:24:08,029 --> 00:24:04,799

off the planet so what if there was

551

00:24:11,450 --> 00:24:08,039

a bunch of pockets of people Spread

552

00:24:14,750 --> 00:24:11,460

spread across the planet and then a few

553

00:24:17,570 --> 00:24:14,760

of these civilizations somehow met up

554

00:24:18,470 --> 00:24:17,580

and one of them was more advanced than

555

00:24:21,169 --> 00:24:18,480

the other

556

00:24:23,029 --> 00:24:21,179

and then they misidentified them as

557

00:24:24,590 --> 00:24:23,039

being extraterrestrial they thought oh

558

00:24:26,510 --> 00:24:24,600

well they must be from off the planet

559

00:24:28,130 --> 00:24:26,520

that's how you get all these ancient

560

00:24:30,230 --> 00:24:28,140

texts and all these people saying that

561

00:24:32,270 --> 00:24:30,240

the the people came from the stars and

562

00:24:35,289 --> 00:24:32,280

their people not from here well to them

563

00:24:38,750 --> 00:24:35,299

they weren't from there

564

00:24:40,789 --> 00:24:38,760

if I went to the UK right now

565

00:24:42,230 --> 00:24:40,799

they would say oh well you're not from

566

00:24:43,549 --> 00:24:42,240

here are you you I would stick out like

567

00:24:46,250 --> 00:24:43,559

a sore thumb because I don't speak the

568

00:24:49,010 --> 00:24:46,260

accent where if I went to Australia or I

569

00:24:50,390 --> 00:24:49,020

went to any uh uh really any other

570

00:24:52,130 --> 00:24:50,400

country that speaks a different language

571

00:24:53,810 --> 00:24:52,140

or that another country that looks

572

00:24:56,390 --> 00:24:53,820

different they would be like oh yeah

573

00:24:58,250 --> 00:24:56,400

you're not from around here are you

574

00:24:59,510 --> 00:24:58,260

yeah I'm not yeah not from around here

575

00:25:02,630 --> 00:24:59,520

and from a completely different country

576

00:25:03,950 --> 00:25:02,640

yeah you know so I guess that's what's

577

00:25:06,230 --> 00:25:03,960

been going on I think that they've been

578

00:25:08,210 --> 00:25:06,240

misidentified and that's how we've

579

00:25:09,590 --> 00:25:08,220

gotten a lot of this from uh ancient

580

00:25:11,090 --> 00:25:09,600

history because a lot of people you know

581

00:25:12,590 --> 00:25:11,100

they point back whenever you start

582

00:25:14,570 --> 00:25:12,600

knocking them down on the

583

00:25:15,529 --> 00:25:14,580

Extraterrestrial hypothesis they're like

584

00:25:17,270 --> 00:25:15,539

oh well

585

00:25:18,770 --> 00:25:17,280

what about all these ancient texts and

586

00:25:20,510 --> 00:25:18,780

all these uh different gods coming down

587

00:25:22,430 --> 00:25:20,520

from uh the skies and all that well

588

00:25:25,430 --> 00:25:22,440

they're saying that they're people not

589

00:25:27,649 --> 00:25:25,440

from here and it's highly plausible that

590

00:25:29,990 --> 00:25:27,659

they were legitimately not from there

591

00:25:32,090 --> 00:25:30,000

they just weren't part from from that

592

00:25:34,250 --> 00:25:32,100

part of the land that they were on they

593

00:25:37,669 --> 00:25:34,260

were from a different part of the land

594

00:25:40,310 --> 00:25:37,679

yeah I mean imagine imagine being like

595

00:25:42,409 --> 00:25:40,320

an African-American tribesman in Africa

596

00:25:44,930 --> 00:25:42,419

and seen a white person for the first

597

00:25:46,669 --> 00:25:44,940

time like the Caucasian you look like or

598

00:25:49,250 --> 00:25:46,679

an Asian you know that would look like

599

00:25:50,890 --> 00:25:49,260

something from another world and they

600

00:25:55,909 --> 00:25:50,900

would be like all this is

601
00:25:58,130 --> 00:25:55,919
It's the tall whites yeah yeah yeah and

602
00:26:00,049 --> 00:25:58,140
and you know speaking of tall whites I

603
00:26:04,490 --> 00:26:00,059
think that Charles Hall is an excellent

604
00:26:07,130 --> 00:26:04,500
example of the the profiteering motives

605
00:26:08,930 --> 00:26:07,140
that people have because you know how

606
00:26:10,190 --> 00:26:08,940
many times have we seen him interviewed

607
00:26:12,230 --> 00:26:10,200
and I don't know if you know this right

608
00:26:14,810 --> 00:26:12,240
or Lee but that man was never in the

609
00:26:17,690 --> 00:26:14,820
United States Air Force and his whole

610
00:26:20,630 --> 00:26:17,700
story is when I was in the Air Force I

611
00:26:22,130 --> 00:26:20,640
saw these aliens at this base but if you

612
00:26:25,250 --> 00:26:22,140
check with the national Personnel record

613
00:26:27,529 --> 00:26:25,260

Center he was never in the Air Force and

614

00:26:29,750 --> 00:26:27,539

when I think about the number of UFO

615

00:26:31,789 --> 00:26:29,760

show hosts that have interviewed him and

616

00:26:33,890 --> 00:26:31,799

just sat there like an idiot listening

617

00:26:36,049 --> 00:26:33,900

to him and they didn't take the time to

618

00:26:38,690 --> 00:26:36,059

check into his story at all

619

00:26:40,250 --> 00:26:38,700

you know so it seems like there is some

620

00:26:43,610 --> 00:26:40,260

profit driven

621

00:26:46,310 --> 00:26:43,620

you know I don't know delusions going on

622

00:26:49,190 --> 00:26:46,320

here like in order to get the access to

623

00:26:53,090 --> 00:26:49,200

these people the the so-called UFO

624

00:26:55,010 --> 00:26:53,100

celebrities you have to almost agree you

625

00:26:57,470 --> 00:26:55,020

know I think it's Unwritten or unspoken

626
00:27:00,230 --> 00:26:57,480
but these guys know like you can't call

627
00:27:01,789 --> 00:27:00,240
him on their BS if you want to get the

628
00:27:03,590 --> 00:27:01,799
clicks and the views you just sit there

629
00:27:06,230 --> 00:27:03,600
and and softball them and let them tell

630
00:27:08,510 --> 00:27:06,240
his stories and you'll get the money and

631
00:27:10,549 --> 00:27:08,520
that's very very problematic and I think

632
00:27:11,510 --> 00:27:10,559
that's one of the biggest problems I

633
00:27:14,990 --> 00:27:11,520
just saw

634
00:27:17,090 --> 00:27:15,000
Jimmy church and Christina Gomer uh are

635
00:27:20,090 --> 00:27:17,100
are interviewing or I'm sorry they're

636
00:27:22,370 --> 00:27:20,100
reviewing an episode of Skinwalker Ranch

637
00:27:24,590 --> 00:27:22,380
you know uh

638
00:27:26,630 --> 00:27:24,600

they don't bring up all the fakery and

639

00:27:28,610 --> 00:27:26,640

frottery that's going on with Skinwalker

640

00:27:31,669 --> 00:27:28,620

Ranch they don't bring up all of the

641

00:27:33,830 --> 00:27:31,679

profit motive driven stuff the the money

642

00:27:36,529 --> 00:27:33,840

problems that you know they they

643

00:27:38,570 --> 00:27:36,539

softball them they'll give them glowing

644

00:27:41,450 --> 00:27:38,580

review oh this was the best episode of

645

00:27:44,210 --> 00:27:41,460

Skinwalker Ranch he had and but they

646

00:27:47,149 --> 00:27:44,220

both have access to everybody on that

647

00:27:48,890 --> 00:27:47,159

television show and they both get guests

648

00:27:51,890 --> 00:27:48,900

from that television show to come on

649

00:27:54,529 --> 00:27:51,900

their show so they make money by

650

00:27:57,110 --> 00:27:54,539

supporting the lies and that's the

651
00:28:00,049 --> 00:27:57,120
problem we need more people like you or

652
00:28:01,970 --> 00:28:00,059
me who don't who don't care about the

653
00:28:05,570 --> 00:28:01,980
the access you want to not be on my show

654
00:28:07,370 --> 00:28:05,580
fine you know whatever but we need more

655
00:28:10,430 --> 00:28:07,380
people to stand up and have a set of

656
00:28:12,470 --> 00:28:10,440
balls and say and you know look I don't

657
00:28:13,970 --> 00:28:12,480
mean to be nasty to these some of these

658
00:28:15,830 --> 00:28:13,980
people like if I were to interview

659
00:28:18,049 --> 00:28:15,840
Brandon fugel or any of these guys or

660
00:28:19,990 --> 00:28:18,059
even Travis Taylor I'd be respectful but

661
00:28:22,310 --> 00:28:20,000
I'm going to ask you some questions

662
00:28:24,409 --> 00:28:22,320
especially Taylor like he's an opt

663
00:28:27,289 --> 00:28:24,419

technical physicist and he's faking

664

00:28:30,110 --> 00:28:27,299

paranormal stuff he knows that some of

665

00:28:31,669 --> 00:28:30,120

this stuff what it is from a physics

666

00:28:33,649 --> 00:28:31,679

perspective you know there was something

667

00:28:35,630 --> 00:28:33,659

with a laser he was thinking oh it's

668

00:28:38,750 --> 00:28:35,640

some kind of weird anomaly no it's not

669

00:28:41,330 --> 00:28:38,760

it's a common physics thing and you're a

670

00:28:43,190 --> 00:28:41,340

physicist you know what this is but

671

00:28:45,950 --> 00:28:43,200

instead he stands there like a dummy and

672

00:28:48,350 --> 00:28:45,960

pretends oh you know to teleport or I'm

673

00:28:50,450 --> 00:28:48,360

sorry there must be a portal above the

674

00:28:53,210 --> 00:28:50,460

ranch or this or that or like come on

675

00:28:56,630 --> 00:28:53,220

man we need more people to call these

676

00:28:58,490 --> 00:28:56,640

people out and and then I think if we

677

00:29:00,950 --> 00:28:58,500

could do that we could have more serious

678

00:29:03,169 --> 00:29:00,960

research and more serious researchers

679

00:29:05,870 --> 00:29:03,179

and less of the

680

00:29:08,330 --> 00:29:05,880

fairy tale story time hour right

681

00:29:10,850 --> 00:29:08,340

yeah and that's what I really done like

682

00:29:12,649 --> 00:29:10,860

with these uh secret space program uh

683

00:29:15,350 --> 00:29:12,659

people that are claiming to be a part of

684

00:29:17,630 --> 00:29:15,360

this 20 and back program fighting aliens

685

00:29:19,370 --> 00:29:17,640

in space and stuff like I literally yeah

686

00:29:21,649 --> 00:29:19,380

we got to get into that there is

687

00:29:24,289 --> 00:29:21,659

literally why is there so many people

688

00:29:27,649 --> 00:29:24,299

fighting aliens and space Rider Lee

689

00:29:31,370 --> 00:29:27,659

there is an army of secret space program

690

00:29:33,830 --> 00:29:31,380

inside of whistleblowers and an army of

691

00:29:36,470 --> 00:29:33,840

goddamn super soldiers that all look

692

00:29:39,289 --> 00:29:36,480

like my fat Uncle Gary you know what I

693

00:29:42,049 --> 00:29:39,299

mean they all look like my fat Uncle

694

00:29:44,330 --> 00:29:42,059

Gary you know like they don't look like

695

00:29:47,930 --> 00:29:44,340

they pretend they're super soldiers

696

00:29:50,090 --> 00:29:47,940

shouldn't they be all buffed and stuff

697

00:29:53,450 --> 00:29:50,100

they should and they should be able to

698

00:29:55,250 --> 00:29:53,460

have some kind of uh ability they should

699

00:29:56,450 --> 00:29:55,260

at least look the part or something I

700

00:29:57,950 --> 00:29:56,460

mean if you're going to claim to be a

701
00:29:59,930 --> 00:29:57,960
super soldier you're going to have to

702
00:30:00,889 --> 00:29:59,940
look like you're at least a super

703
00:30:04,010 --> 00:30:00,899
soldier

704
00:30:06,409 --> 00:30:04,020
and so I decided to you know research

705
00:30:08,870 --> 00:30:06,419
and and dig into any parts of these

706
00:30:10,970 --> 00:30:08,880
people's stories and if anybody visits

707
00:30:13,549 --> 00:30:10,980
my channel they'll see that that I've

708
00:30:15,710 --> 00:30:13,559
interviewed some of them right and the

709
00:30:18,110 --> 00:30:15,720
funny thing is is that Ryder is has got

710
00:30:19,630 --> 00:30:18,120
a different style to me like you you're

711
00:30:24,889 --> 00:30:19,640
like you're like

712
00:30:26,930 --> 00:30:24,899
you approach them in this way that is

713
00:30:29,510 --> 00:30:26,940

like oh non-threatening that's what I

714

00:30:31,850 --> 00:30:29,520

mean like you you approach these people

715

00:30:34,310 --> 00:30:31,860

and they're totally not threatened by

716

00:30:37,190 --> 00:30:34,320

Ryder Lee and then Ryder Lee will start

717

00:30:39,350 --> 00:30:37,200

hammering them with like well well if

718

00:30:41,990 --> 00:30:39,360

this is true what about this or if this

719

00:30:44,389 --> 00:30:42,000

is true what is about this and they fall

720

00:30:46,430 --> 00:30:44,399

apart most of these people under

721

00:30:47,750 --> 00:30:46,440

scrutiny oh and I I'm sorry I missed

722

00:30:49,909 --> 00:30:47,760

this Martin Wright with a kind of

723

00:30:52,250 --> 00:30:49,919

generous two pound super chat see we

724

00:30:53,690 --> 00:30:52,260

read them says we can do that too laugh

725

00:30:56,090 --> 00:30:53,700

out loud thanks for that and thanks for

726

00:30:58,789 --> 00:30:56,100

being a member we appreciate you praise

727

00:31:00,950 --> 00:30:58,799

the cash praise the cash yes I gotta

728

00:31:03,049 --> 00:31:00,960

send you a shirt I just sent one to Ryan

729

00:31:05,330 --> 00:31:03,059

Gable and he said now I can praise the

730

00:31:07,669 --> 00:31:05,340

cash I say three hail quarries and then

731

00:31:10,610 --> 00:31:07,679

the cash just rolls in once you put the

732

00:31:12,710 --> 00:31:10,620

shirt on it's magic it's a magic praise

733

00:31:15,409 --> 00:31:12,720

the cash shirt three times in the mirror

734

00:31:18,710 --> 00:31:15,419

and he'll and this is come spread the

735

00:31:22,909 --> 00:31:18,720

love to you it's so ridiculous yeah

736

00:31:24,289 --> 00:31:22,919

absolutely ridiculous yeah so I decided

737

00:31:25,669 --> 00:31:24,299

I'm like okay well because a lot of

738

00:31:26,990 --> 00:31:25,679

things weren't making sense with the

739

00:31:29,990 --> 00:31:27,000

things that you know they were talking

740

00:31:31,250 --> 00:31:30,000

about like and I kind of wanted to well

741

00:31:32,630 --> 00:31:31,260

it's kind of like you in the beginning

742

00:31:35,029 --> 00:31:32,640

of this conversation you were like oh

743

00:31:37,549 --> 00:31:35,039

yeah I kind of want to believe that it

744

00:31:39,590 --> 00:31:37,559

was aliens that crashed in Roswell you

745

00:31:41,750 --> 00:31:39,600

know but that would be awesome right

746

00:31:44,210 --> 00:31:41,760

away yeah it would be freaking dope

747

00:31:46,430 --> 00:31:44,220

right but and I'm like something's just

748

00:31:49,130 --> 00:31:46,440

not making sense here you know it's not

749

00:31:51,049 --> 00:31:49,140

adding up it doesn't make any logical or

750

00:31:53,330 --> 00:31:51,059

common sense to me and I didn't quite

751
00:31:54,830 --> 00:31:53,340
figure it out and I was trying to if you

752
00:31:58,250 --> 00:31:54,840
look at the progression of my channel I

753
00:31:59,930 --> 00:31:58,260
started questioning it more and more and

754
00:32:01,789 --> 00:31:59,940
more and more and more and I'm like yeah

755
00:32:05,570 --> 00:32:01,799
this is not making any kind of sense

756
00:32:07,310 --> 00:32:05,580
these people are actively making this

757
00:32:10,310 --> 00:32:07,320
stuff up because there's no other

758
00:32:12,769 --> 00:32:10,320
alternative right and so I started

759
00:32:14,090 --> 00:32:12,779
digging into the MK Ultra programs and I

760
00:32:16,490 --> 00:32:14,100
think we talked about this on my last

761
00:32:18,529 --> 00:32:16,500
show so I'm not going to reiterate uh

762
00:32:20,210 --> 00:32:18,539
all of that no that was great that was

763
00:32:21,950 --> 00:32:20,220

such a great talk I gotta remember to

764

00:32:25,250 --> 00:32:21,960

clip that out you just reminded me

765

00:32:28,549 --> 00:32:25,260

because there's some see the thing is

766

00:32:29,870 --> 00:32:28,559

with conspiracies is that you know I

767

00:32:32,029 --> 00:32:29,880

think that some of these storytellers

768

00:32:34,190 --> 00:32:32,039

just got too far out there but there is

769

00:32:36,590 --> 00:32:34,200

some real verifiable stuff that's just

770

00:32:38,690 --> 00:32:36,600

as crazy you know

771

00:32:40,610 --> 00:32:38,700

yeah so I'm you know looking into the MK

772

00:32:42,529 --> 00:32:40,620

Ultra programs and seeing all this stuff

773

00:32:45,909 --> 00:32:42,539

all the experimentation that they were

774

00:32:48,529 --> 00:32:45,919

doing with uh psychedelics with the

775

00:32:50,510 --> 00:32:48,539

manufacturing of belief systems the

776

00:32:53,330 --> 00:32:50,520

implantation of thought that taking away

777

00:32:56,330 --> 00:32:53,340

of thought and the very first MK Ultra

778

00:32:58,250 --> 00:32:56,340

programs was to actually remove

779

00:33:00,350 --> 00:32:58,260

people that had classified information

780

00:33:02,269 --> 00:33:00,360

like high up Military Officers some of

781

00:33:07,310 --> 00:33:02,279

the very first programs were done on

782

00:33:09,590 --> 00:33:07,320

army army Personnel uh for Dietrich and

783

00:33:11,870 --> 00:33:09,600

they would uh they were trying to take

784

00:33:13,610 --> 00:33:11,880

away classified information to make it

785

00:33:15,769 --> 00:33:13,620

to where they could leave the department

786

00:33:18,169 --> 00:33:15,779

and not have that classified information

787

00:33:19,070 --> 00:33:18,179

anymore and then later on it became

788

00:33:21,350 --> 00:33:19,080

about

789

00:33:23,450 --> 00:33:21,360

implanting thoughts putting things into

790

00:33:26,169 --> 00:33:23,460

people's heads to make them believe in

791

00:33:28,789 --> 00:33:26,179

something that didn't necessarily happen

792

00:33:31,330 --> 00:33:28,799

and a very interesting thing with MK

793

00:33:33,830 --> 00:33:31,340

Ultra programs is that it wasn't just on

794

00:33:35,990 --> 00:33:33,840

LSD it was on an array of drugs it had

795

00:33:38,509 --> 00:33:36,000

everything Sydney Gottlieb had a brother

796

00:33:40,789 --> 00:33:38,519

that was a plant biologist and a

797

00:33:42,889 --> 00:33:40,799

speculation on my part but I think that

798

00:33:45,470 --> 00:33:42,899

he had his brother actually making a lot

799

00:33:47,630 --> 00:33:45,480

of these compounds for these drugs for

800

00:33:49,009 --> 00:33:47,640

experimentation within the MK Ultra

801
00:33:50,509 --> 00:33:49,019
programs I mean it only makes sense your

802
00:33:52,430 --> 00:33:50,519
brother is a plant biologist why would

803
00:33:54,769 --> 00:33:52,440
he not be helping you do these things

804
00:33:57,110 --> 00:33:54,779
right did you know that uh Ted because

805
00:33:58,549 --> 00:33:57,120
I'm sorry to interrupt you I I wanted to

806
00:33:59,930 --> 00:33:58,559
make sure that I asked you about this

807
00:34:03,529 --> 00:33:59,940
because I I don't know if I did before

808
00:34:06,710 --> 00:34:03,539
Ted Kaczynski was part of the MK Ultra

809
00:34:09,770 --> 00:34:06,720
program the Unabomber they dosed him

810
00:34:11,829 --> 00:34:09,780
like crazy they gave him like 10 times

811
00:34:16,430 --> 00:34:11,839
what it takes to make somebody trip

812
00:34:19,010 --> 00:34:16,440
these these High super high doses of LSD

813
00:34:21,530 --> 00:34:19,020

he was in the an experimental program

814

00:34:23,510 --> 00:34:21,540

him and he was one of the lab rats and

815

00:34:27,230 --> 00:34:23,520

then he became the Unabomber years later

816

00:34:29,570 --> 00:34:27,240

so was Charles Charles Manson too yeah

817

00:34:31,790 --> 00:34:29,580

that's cool see this is what I'm saying

818

00:34:34,909 --> 00:34:31,800

like you you can you can believe in

819

00:34:37,730 --> 00:34:34,919

conspiracies and not go off the rails

820

00:34:39,950 --> 00:34:37,740

talking about you know like Mars space

821

00:34:42,530 --> 00:34:39,960

battles and stuff because some of the

822

00:34:45,829 --> 00:34:42,540

real stuff is just as crazy and just as

823

00:34:48,829 --> 00:34:45,839

unbelievable but it's verifiable as

824

00:34:50,510 --> 00:34:48,839

facts and true you know exactly and

825

00:34:51,950 --> 00:34:50,520

that's what they don't want you to

826

00:34:53,690 --> 00:34:51,960

looking into they don't want you looking

827

00:34:55,550 --> 00:34:53,700

into the real programs they don't want

828

00:34:57,109 --> 00:34:55,560

you looking into the MK Ultra programs

829

00:34:59,870 --> 00:34:57,119

they don't want you looking into the

830

00:35:01,550 --> 00:34:59,880

government psychic spy programs then I

831

00:35:04,010 --> 00:35:01,560

want you looking into any of that stuff

832

00:35:06,650 --> 00:35:04,020

the the Monroe institute's uh hemisync

833

00:35:09,170 --> 00:35:06,660

programs to infiltrate your your dreams

834

00:35:11,569 --> 00:35:09,180

to induce a out of body experience which

835

00:35:14,750 --> 00:35:11,579

all three of these things are absolutely

836

00:35:16,970 --> 00:35:14,760

connected and it all has to do I believe

837

00:35:18,589 --> 00:35:16,980

with this uh the secret space program

838

00:35:20,870 --> 00:35:18,599

stuff and people believing that they

839

00:35:24,050 --> 00:35:20,880

were in outer space it's a cover-up to

840

00:35:26,930 --> 00:35:24,060

cover up real operations that are going

841

00:35:29,210 --> 00:35:26,940

on on the planet yeah there's a lot of

842

00:35:33,109 --> 00:35:29,220

speculation and there's actually a a

843

00:35:34,910 --> 00:35:33,119

real project that was a uh an assassin

844

00:35:37,430 --> 00:35:34,920

program that Sydney Gottlieb which was

845

00:35:40,670 --> 00:35:37,440

the head of the mq ultra programs was

846

00:35:44,270 --> 00:35:40,680

trying to brainwash someone to

847

00:35:47,329 --> 00:35:44,280

murder assassinate Fidel Castro

848

00:35:50,030 --> 00:35:47,339

right and it's theorized this is just

849

00:35:53,630 --> 00:35:50,040

speculation here on on my part here as

850

00:35:58,069 --> 00:35:53,640

well but it was theorized that he was

851
00:36:00,410 --> 00:35:58,079
trying to brainwash an MK Ultra uh

852
00:36:01,970 --> 00:36:00,420
uh what's his name from the JFK

853
00:36:05,030 --> 00:36:01,980
assassination

854
00:36:07,010 --> 00:36:05,040
uh well Oswald Lee Harvey Oswald to

855
00:36:08,210 --> 00:36:07,020
assassinate Fidel Castro but then they

856
00:36:10,730 --> 00:36:08,220
switched it up and then they just

857
00:36:13,490 --> 00:36:10,740
planted him on JFK

858
00:36:15,109 --> 00:36:13,500
but it's it's really interesting when

859
00:36:17,210 --> 00:36:15,119
you look into these things because

860
00:36:19,490 --> 00:36:17,220
they're de-patterning people they're

861
00:36:21,530 --> 00:36:19,500
removing common sense and critical

862
00:36:23,510 --> 00:36:21,540
thinking they're they're psychically

863
00:36:26,329 --> 00:36:23,520

driving them they're they're putting in

864

00:36:28,250 --> 00:36:26,339

a looped audio message to make them

865

00:36:29,870 --> 00:36:28,260

believe whatever is on the looped audio

866

00:36:31,730 --> 00:36:29,880

message so your common sense and

867

00:36:35,510 --> 00:36:31,740

critical thinking has been wiped you've

868

00:36:36,829 --> 00:36:35,520

been drugged with uh LSD antidepressants

869

00:36:38,270 --> 00:36:36,839

also came out of those programs

870

00:36:40,430 --> 00:36:38,280

antipsychotics came out of those

871

00:36:42,829 --> 00:36:40,440

programs Adderall Ritalin came out of

872

00:36:45,829 --> 00:36:42,839

those programs as well so scientists

873

00:36:47,030 --> 00:36:45,839

mention this ergotomene alkaloids was

874

00:36:48,829 --> 00:36:47,040

one of the other things that they were

875

00:36:50,810 --> 00:36:48,839

using and by the way Jeremy everybody

876

00:36:52,910 --> 00:36:50,820

was very concerned for you and asking me

877

00:36:54,589 --> 00:36:52,920

a lot of questions so if you could just

878

00:36:57,109 --> 00:36:54,599

let everybody in the live chat know that

879

00:37:00,050 --> 00:36:57,119

you're good and uh you know alien

880

00:37:02,630 --> 00:37:00,060

scientists made a post that he was going

881

00:37:04,430 --> 00:37:02,640

to just take a break from all of this

882

00:37:07,310 --> 00:37:04,440

for a while and everybody's very

883

00:37:09,170 --> 00:37:07,320

concerned so I did uh send you my cell

884

00:37:11,210 --> 00:37:09,180

phone number Jeremy in case you need it

885

00:37:13,430 --> 00:37:11,220

I'm always here for you everybody's got

886

00:37:15,470 --> 00:37:13,440

your back very concerned and worried and

887

00:37:18,710 --> 00:37:15,480

uh and I and everybody hopes that you're

888

00:37:20,690 --> 00:37:18,720

well and I do as well hey man sometimes

889

00:37:23,150 --> 00:37:20,700

we need a break from this stuff you know

890

00:37:25,910 --> 00:37:23,160

you can't stay plugged into this stuff

891

00:37:28,609 --> 00:37:25,920

that you don't drive anybody crazy after

892

00:37:30,470 --> 00:37:28,619

a while you know yeah I just got off of

893

00:37:32,390 --> 00:37:30,480

uh two yeah alien scientist says he's

894

00:37:34,430 --> 00:37:32,400

quitting YouTube and Twitter permanently

895

00:37:36,530 --> 00:37:34,440

yeah well I'm sorry to hear that because

896

00:37:39,410 --> 00:37:36,540

I for one really enjoyed everything that

897

00:37:41,329 --> 00:37:39,420

you do you were a huge asset to this

898

00:37:43,910 --> 00:37:41,339

whole thing and and your approach going

899

00:37:45,530 --> 00:37:43,920

after Jeremy's approach for those that

900

00:37:47,569 --> 00:37:45,540

don't know alien scientists has been

901
00:37:50,089 --> 00:37:47,579
going after the physics and the science

902
00:37:52,490 --> 00:37:50,099
of how anti-gravity and how this

903
00:37:54,170 --> 00:37:52,500
Advanced propulsion systems work and

904
00:37:56,150 --> 00:37:54,180
what are the secrets and who's got them

905
00:37:57,950 --> 00:37:56,160
and who's hiding them and he's a

906
00:37:59,810 --> 00:37:57,960
physicist and him and his friends are

907
00:38:01,910 --> 00:37:59,820
actually doing all these experiments

908
00:38:03,410 --> 00:38:01,920
trying to figure it out and that's the

909
00:38:06,170 --> 00:38:03,420
kind of boots on the ground announced

910
00:38:08,810 --> 00:38:06,180
the stuff that we need yeah don't don't

911
00:38:11,089 --> 00:38:08,820
quit alien scientists just take a let's

912
00:38:13,069 --> 00:38:11,099
take a little step back and regroup

913
00:38:15,349 --> 00:38:13,079

yourself a little bit you'll there and

914

00:38:17,450 --> 00:38:15,359

by the way uh Jeremy I you know I have

915

00:38:19,609 --> 00:38:17,460

that cabin in the Poconos and I'm not

916

00:38:21,829 --> 00:38:19,619

there that much it's it's I'll give you

917

00:38:23,390 --> 00:38:21,839

the keys that's the best thing for you

918

00:38:25,550 --> 00:38:23,400

is a little bit of nature therapy go

919

00:38:29,089 --> 00:38:25,560

fishing go hiking turn off the internet

920

00:38:31,670 --> 00:38:29,099

you know and uh and and uh recover

921

00:38:34,370 --> 00:38:31,680

because I think this constant media

922

00:38:36,829 --> 00:38:34,380

barrage that we're all facing is is

923

00:38:39,770 --> 00:38:36,839

probably detrimental to the human soul

924

00:38:41,630 --> 00:38:39,780

and spirit you can't be disconnected I

925

00:38:44,030 --> 00:38:41,640

don't realize how much time and effort

926
00:38:45,410 --> 00:38:44,040
and energy goes into doing these shows I

927
00:38:48,950 --> 00:38:45,420
mean you almost do a show almost every

928
00:38:50,630 --> 00:38:48,960
single week uh I mean everything I do

929
00:38:53,450 --> 00:38:50,640
three or four a week yeah yeah it's

930
00:38:55,250 --> 00:38:53,460
incredible and I only do uh one or two a

931
00:38:58,069 --> 00:38:55,260
week and it's draining on me I mean

932
00:39:00,829 --> 00:38:58,079
should I have a two Instagram accounts

933
00:39:02,510 --> 00:39:00,839
two Facebook pages uh Tick Tock a

934
00:39:04,609 --> 00:39:02,520
Twitter you know and doing all the

935
00:39:07,930 --> 00:39:04,619
promotion myself it gets really draining

936
00:39:11,150 --> 00:39:07,940
but if I could count the number of

937
00:39:12,890 --> 00:39:11,160
times that if I had money for every time

938
00:39:14,990 --> 00:39:12,900

that I wanted to quit or stop doing it

939

00:39:17,030 --> 00:39:15,000

then yeah probably

940

00:39:19,910 --> 00:39:17,040

you have enough money to actually quit

941

00:39:22,069 --> 00:39:19,920

but uh no raising the cash yes I keep

942

00:39:24,410 --> 00:39:22,079

coming back because I think the the

943

00:39:26,150 --> 00:39:24,420

information uh that I have and the

944

00:39:28,970 --> 00:39:26,160

research that I've done is very valuable

945

00:39:30,890 --> 00:39:28,980

to people and it actually gets a a real

946

00:39:33,589 --> 00:39:30,900

truth out there and it gives an

947

00:39:35,810 --> 00:39:33,599

explanation of you know why these people

948

00:39:38,510 --> 00:39:35,820

are you know believing a lot of the

949

00:39:40,550 --> 00:39:38,520

stuff you know and yeah let's get back

950

00:39:41,569 --> 00:39:40,560

to the secret space program people

951
00:39:44,390 --> 00:39:41,579
because

952
00:39:46,310 --> 00:39:44,400
I still don't understand and maybe you

953
00:39:48,349 --> 00:39:46,320
have some insight that because I don't

954
00:39:51,589 --> 00:39:48,359
understand why is Corey good still here

955
00:39:54,290 --> 00:39:51,599
if this man spent eight years telling

956
00:39:56,870 --> 00:39:54,300
everybody he's fighting space aliens and

957
00:39:59,089 --> 00:39:56,880
time traveling and going to Mars and

958
00:40:01,849 --> 00:39:59,099
spaceships are landing in his backyard

959
00:40:05,750 --> 00:40:01,859
and then under oath he admits he's never

960
00:40:07,910 --> 00:40:05,760
been to space physically you know why is

961
00:40:10,370 --> 00:40:07,920
he still making videos talking about

962
00:40:12,950 --> 00:40:10,380
space battles on the moon and why does

963
00:40:14,510 --> 00:40:12,960

he still have a following we have to

964

00:40:17,450 --> 00:40:14,520

talk about the psychology of this

965

00:40:20,450 --> 00:40:17,460

because this is crazy you know like if

966

00:40:23,030 --> 00:40:20,460

you if you believed him and then you

967

00:40:26,510 --> 00:40:23,040

watch those depositions there's a pro

968

00:40:28,790 --> 00:40:26,520

there's a real problem here like the guy

969

00:40:31,450 --> 00:40:28,800

said that they were his Spirit guides

970

00:40:36,170 --> 00:40:31,460

the aliens and or the inner earth

971

00:40:39,650 --> 00:40:36,180

yeah the anchovy chick chicks that's why

972

00:40:42,829 --> 00:40:39,660

I call them the anchovy race like why is

973

00:40:45,829 --> 00:40:42,839

he still here Ryder Lee why did his

974

00:40:48,050 --> 00:40:45,839

views not go to almost zero immediately

975

00:40:50,390 --> 00:40:48,060

upon being revealed that he's been lying

976
00:40:52,609 --> 00:40:50,400
to everybody for eight eight years is a

977
00:40:56,450 --> 00:40:52,619
long time to be lying to people

978
00:40:58,910 --> 00:40:56,460
it just proves the severity of the

979
00:41:01,010 --> 00:40:58,920
cult-like mentality that is infiltrated

980
00:41:02,630 --> 00:41:01,020
into the community I mean I sent you a

981
00:41:05,089 --> 00:41:02,640
screenshot the other day of one of his

982
00:41:07,790 --> 00:41:05,099
followers I posted a name on my

983
00:41:10,730 --> 00:41:07,800
Instagram and she's arguing with you

984
00:41:12,650 --> 00:41:10,740
defending him and I'm like did you not

985
00:41:13,970 --> 00:41:12,660
watch those uh

986
00:41:16,310 --> 00:41:13,980
depos I don't

987
00:41:19,310 --> 00:41:16,320
people have actually seen

988
00:41:22,849 --> 00:41:19,320

that to know exactly what happened I I

989

00:41:24,829 --> 00:41:22,859

really don't there are still people that

990

00:41:26,990 --> 00:41:24,839

I've never seen them before and don't

991

00:41:28,670 --> 00:41:27,000

even know that they're out there yeah

992

00:41:30,970 --> 00:41:28,680

like yeah that's the only explanation

993

00:41:34,370 --> 00:41:30,980

that I can really come true

994

00:41:35,810 --> 00:41:34,380

it's a big ask but listen I kind of

995

00:41:39,050 --> 00:41:35,820

think if you've been following this guy

996

00:41:41,690 --> 00:41:39,060

for five years or eight years like what

997

00:41:44,030 --> 00:41:41,700

you want to see those two like you know

998

00:41:45,230 --> 00:41:44,040

and I try to cut the best bits I'm still

999

00:41:47,210 --> 00:41:45,240

going to do it I'm gonna go through that

1000

00:41:50,030 --> 00:41:47,220

whole six hours and cut the best bits

1001
00:41:52,310 --> 00:41:50,040
into five minutes you know just because

1002
00:41:54,410 --> 00:41:52,320
like if you're six hours is a big ask

1003
00:41:57,109 --> 00:41:54,420
but everybody's got five minutes like

1004
00:41:58,910 --> 00:41:57,119
come on you know but I can't believe

1005
00:42:01,910 --> 00:41:58,920
that he's still going he's like the

1006
00:42:04,790 --> 00:42:01,920
undead at secret space grifter that

1007
00:42:06,770 --> 00:42:04,800
won't die like I thought he's done after

1008
00:42:10,069 --> 00:42:06,780
this he can't continue but he's still

1009
00:42:12,530 --> 00:42:10,079
making videos and he's he's got TV show

1010
00:42:15,710 --> 00:42:12,540
deals he says I don't believe him you

1011
00:42:18,230 --> 00:42:15,720
know yeah there's absolutely no way and

1012
00:42:21,650 --> 00:42:18,240
I think that that's the only reason that

1013
00:42:24,230 --> 00:42:21,660

he has uh retained any kind of audience

1014

00:42:26,930 --> 00:42:24,240

after those depositions videos is that

1015

00:42:29,810 --> 00:42:26,940

it just didn't get out to everyone

1016

00:42:32,030 --> 00:42:29,820

not enough people seen them but I for

1017

00:42:35,810 --> 00:42:32,040

one have watched them several times I've

1018

00:42:37,970 --> 00:42:35,820

watched all six of them at least five or

1019

00:42:41,089 --> 00:42:37,980

six times altogether

1020

00:42:42,530 --> 00:42:41,099

um so I mean he he admits everything in

1021

00:42:44,870 --> 00:42:42,540

those deposition videos he says that

1022

00:42:47,569 --> 00:42:44,880

he's never been the space and that the

1023

00:42:50,990 --> 00:42:47,579

anchar his Spirit guides he admits to uh

1024

00:42:53,690 --> 00:42:51,000

doxy and Bill Ryan in there he admits to

1025

00:42:55,670 --> 00:42:53,700

basically uh they're just dancing at him

1026

00:42:57,230 --> 00:42:55,680

he paid somebody to take pictures of the

1027

00:42:59,510 --> 00:42:57,240

guy's house so that they could make a

1028

00:43:01,670 --> 00:42:59,520

stalking video scare him into shutting

1029

00:43:04,010 --> 00:43:01,680

up that's what he uh you know I'm

1030

00:43:06,829 --> 00:43:04,020

paraphrasing but Jesus that's terrible

1031

00:43:09,170 --> 00:43:06,839

and you know what's great we reported

1032

00:43:10,490 --> 00:43:09,180

that story and before anybody knew about

1033

00:43:12,109 --> 00:43:10,500

it before he talks about in the

1034

00:43:14,450 --> 00:43:12,119

depositions we were the only people that

1035

00:43:16,730 --> 00:43:14,460

had that story and we had the goddamn

1036

00:43:19,490 --> 00:43:16,740

Western Union receipts from the neighbor

1037

00:43:21,950 --> 00:43:19,500

and people still argued with me like oh

1038

00:43:23,630 --> 00:43:21,960

you made those up in Photoshop or

1039

00:43:25,490 --> 00:43:23,640

something so it was a little bit of a

1040

00:43:28,250 --> 00:43:25,500

Vindication when he admitted to it under

1041

00:43:30,109 --> 00:43:28,260

oath we got the story right and and I

1042

00:43:33,410 --> 00:43:30,119

remembered all those people that were

1043

00:43:33,420 --> 00:43:36,770

so many messages

1044

00:43:41,150 --> 00:43:39,109

members you know how dare you say he

1045

00:43:43,910 --> 00:43:41,160

would do that and then under oath he

1046

00:43:46,130 --> 00:43:43,920

said yeah I did that

1047

00:43:48,530 --> 00:43:46,140

I think that a lot of this comes down to

1048

00:43:52,730 --> 00:43:48,540

Steve is a

1049

00:43:55,670 --> 00:43:52,740

a trauma right they a lot of people that

1050

00:43:58,910 --> 00:43:55,680

claim to be a part of this program has

1051
00:44:01,790 --> 00:43:58,920
suffered some sort of childhood trauma

1052
00:44:03,950 --> 00:44:01,800
and they want to say 100 they want to

1053
00:44:07,250 --> 00:44:03,960
feel special they want their 10 minutes

1054
00:44:08,690 --> 00:44:07,260
of fame and they create all these

1055
00:44:12,170 --> 00:44:08,700
different stories because people don't

1056
00:44:15,470 --> 00:44:12,180
realize how much trauma actually affects

1057
00:44:18,770 --> 00:44:15,480
you not only physically but emotionally

1058
00:44:20,809 --> 00:44:18,780
and mentally as well you know and when

1059
00:44:22,130 --> 00:44:20,819
you're listening to these kind of this

1060
00:44:24,109 --> 00:44:22,140
is something that they always bring up

1061
00:44:29,809 --> 00:44:24,119
they always the super soldiers always

1062
00:44:32,150 --> 00:44:29,819
equate their story to X-Men right like

1063
00:44:34,130 --> 00:44:32,160

the Marvel X-Men that they have these

1064

00:44:36,770 --> 00:44:34,140

superpowers yeah I was genetically

1065

00:44:39,650 --> 00:44:36,780

engineered to be the perfect Soldier and

1066

00:44:43,069 --> 00:44:39,660

you know and guess what was the most

1067

00:44:47,450 --> 00:44:43,079

popular cartoon on TV on Saturday

1068

00:44:49,790 --> 00:44:47,460

mornings in the 90s it was X-Men yeah

1069

00:44:52,609 --> 00:44:49,800

right so if you had a traumatic

1070

00:44:54,230 --> 00:44:52,619

childhood when you were growing up let's

1071

00:44:55,550 --> 00:44:54,240

say your your parents didn't treat you

1072

00:44:58,190 --> 00:44:55,560

well there was something going on there

1073

00:45:00,470 --> 00:44:58,200

something traumatic happened to you and

1074

00:45:03,290 --> 00:45:00,480

your favorite you know happened to watch

1075

00:45:07,309 --> 00:45:03,300

X-Men you know and you go to sleep that

1076

00:45:10,370 --> 00:45:07,319

night and you have a a dream

1077

00:45:13,130 --> 00:45:10,380

that you're an X-Men like you're going

1078

00:45:14,750 --> 00:45:13,140

to fabricate that and create that in

1079

00:45:16,849 --> 00:45:14,760

your mind and you're going to think that

1080

00:45:18,829 --> 00:45:16,859

that was actually real

1081

00:45:20,450 --> 00:45:18,839

you know that's just one of the

1082

00:45:22,309 --> 00:45:20,460

possibilities because they all talk

1083

00:45:24,650 --> 00:45:22,319

about it right they they all look like

1084

00:45:26,450 --> 00:45:24,660

people that probably maybe

1085

00:45:29,569 --> 00:45:26,460

you know it's hard to tell from looks

1086

00:45:32,270 --> 00:45:29,579

but that whole thing about childhood

1087

00:45:34,069 --> 00:45:32,280

trauma you know people who are

1088

00:45:36,349 --> 00:45:34,079

traumatized or or have terrible

1089

00:45:38,750 --> 00:45:36,359

childhoods they create a fantasy world

1090

00:45:41,390 --> 00:45:38,760

to escape into it's very very common

1091

00:45:43,370 --> 00:45:41,400

from a psychological perspective that

1092

00:45:46,970 --> 00:45:43,380

you know if you're experiencing whatever

1093

00:45:48,950 --> 00:45:46,980

kind of abuse you escape or you know

1094

00:45:51,349 --> 00:45:48,960

what also is very common is to say like

1095

00:45:53,210 --> 00:45:51,359

these aren't my real parents and that's

1096

00:45:55,370 --> 00:45:53,220

where a lot of these starseed people

1097

00:45:57,770 --> 00:45:55,380

come from they think oh you know I was

1098

00:46:00,710 --> 00:45:57,780

sent here and I'm not from this planet

1099

00:46:03,230 --> 00:46:00,720

really these aren't my real parents it's

1100

00:46:07,010 --> 00:46:03,240

an Escape from that terrible terrible

1101
00:46:09,410 --> 00:46:07,020
abuse you know but and I've I've seen

1102
00:46:10,970 --> 00:46:09,420
that you or other people have suggested

1103
00:46:13,730 --> 00:46:10,980
to some of these people and they lose

1104
00:46:15,410 --> 00:46:13,740
their minds when you suggest to them you

1105
00:46:17,089 --> 00:46:15,420
know I heard Shane the Ruiner what did

1106
00:46:19,730 --> 00:46:17,099
he say like maybe it was just you know

1107
00:46:22,849 --> 00:46:19,740
your uncle molesting you that caused

1108
00:46:25,309 --> 00:46:22,859
these memories not you you didn't go to

1109
00:46:28,370 --> 00:46:25,319
space and fight aliens maybe you were

1110
00:46:30,530 --> 00:46:28,380
abused some way and and that kid lost

1111
00:46:32,270 --> 00:46:30,540
his mind he couldn't take it he couldn't

1112
00:46:33,770 --> 00:46:32,280
accept it he couldn't even accept the

1113
00:46:34,790 --> 00:46:33,780

possibility that that could be a

1114

00:46:37,550 --> 00:46:34,800

possibility

1115

00:46:39,470 --> 00:46:37,560

yeah Sheen basically said that what

1116

00:46:42,470 --> 00:46:39,480

would you rather remember would you

1117

00:46:44,270 --> 00:46:42,480

rather remember your and this is he was

1118

00:46:46,430 --> 00:46:44,280

just giving an example he wasn't saying

1119

00:46:47,750 --> 00:46:46,440

that that's the you know the exact thing

1120

00:46:49,069 --> 00:46:47,760

that really happened because you

1121

00:46:50,650 --> 00:46:49,079

obviously don't really know but what

1122

00:46:53,410 --> 00:46:50,660

would you rather remember

1123

00:46:56,450 --> 00:46:53,420

your uncle

1124

00:46:58,970 --> 00:46:56,460

molesting you in a closet or that you

1125

00:47:00,890 --> 00:46:58,980

were the galactic savior of the universe

1126

00:47:03,950 --> 00:47:00,900

and fought aliens in space for 20 years

1127

00:47:06,109 --> 00:47:03,960

and were yeah agents back in time right

1128

00:47:08,510 --> 00:47:06,119

I love that guy and for people that

1129

00:47:11,089 --> 00:47:08,520

don't know Shane the Ruiner is the guy

1130

00:47:13,670 --> 00:47:11,099

who could have been Corey good he was

1131

00:47:17,569 --> 00:47:13,680

offered the job that Corey good got on

1132

00:47:21,470 --> 00:47:17,579

Gaia TV before Corey Goode was offered

1133

00:47:23,390 --> 00:47:21,480

that spot and uh here I want to share uh

1134

00:47:25,130 --> 00:47:23,400

this one clip of him because I think

1135

00:47:27,109 --> 00:47:25,140

this is great as well

1136

00:47:30,050 --> 00:47:27,119

uh we could talk about it and here's

1137

00:47:33,230 --> 00:47:30,060

Shane the Ruiner from raised by giant

1138

00:47:35,450 --> 00:47:33,240

show once again we have all of these

1139

00:47:37,849 --> 00:47:35,460

real things in the world that if you put

1140

00:47:40,010 --> 00:47:37,859

them together lead to one example of a

1141

00:47:42,410 --> 00:47:40,020

secret space program what we do not have

1142

00:47:44,569 --> 00:47:42,420

is anything that even resembles the

1143

00:47:45,950 --> 00:47:44,579

crazy amount of Technology involved in

1144

00:47:48,550 --> 00:47:45,960

the secret space program as it's

1145

00:47:50,870 --> 00:47:48,560

provided uh you saw a lot of guys

1146

00:47:52,250 --> 00:47:50,880

talking about like jump rooms where

1147

00:47:53,329 --> 00:47:52,260

they're up there with Obama and they're

1148

00:47:55,069 --> 00:47:53,339

having lunch with them and all kinds of

1149

00:47:56,569 --> 00:47:55,079

different schools coming out in Mars one

1150

00:47:57,829 --> 00:47:56,579

disinformation after the other would

1151
00:47:58,870 --> 00:47:57,839
roll out years later I'm not naming any

1152
00:48:01,609 --> 00:47:58,880
names but

1153
00:48:04,250 --> 00:48:01,619
stories and presentations in YouTube

1154
00:48:08,270 --> 00:48:04,260
videos now most importantly to the point

1155
00:48:10,670 --> 00:48:08,280
there is no human SSB name program SSP

1156
00:48:13,329 --> 00:48:10,680
doesn't exist it was made up by a human

1157
00:48:16,250 --> 00:48:13,339
for humans after this technology

1158
00:48:18,710 --> 00:48:16,260
manipulate your mind so much to be able

1159
00:48:21,290 --> 00:48:18,720
to make you believe that you were

1160
00:48:24,170 --> 00:48:21,300
abducted by a name make you believe that

1161
00:48:25,849 --> 00:48:24,180
you've seen a UFO make you believe that

1162
00:48:28,010 --> 00:48:25,859
you were a part of a secret space

1163
00:48:29,450 --> 00:48:28,020

program fighting aliens in space for 20

1164

00:48:32,270 --> 00:48:29,460

years and then being age regressed back

1165

00:48:33,650 --> 00:48:32,280

to the very point that you were thinking

1166

00:48:36,470 --> 00:48:33,660

absolutely

1167

00:48:38,270 --> 00:48:36,480

yeah it could be one possibility for

1168

00:48:39,589 --> 00:48:38,280

what is creating the phenomenon of so

1169

00:48:41,390 --> 00:48:39,599

many people

1170

00:48:43,010 --> 00:48:41,400

you know they're just they're just

1171

00:48:45,410 --> 00:48:43,020

creating

1172

00:48:49,069 --> 00:48:45,420

right that's the that's the whole

1173

00:48:52,370 --> 00:48:49,079

gimmick of this right someone listens to

1174

00:48:54,589 --> 00:48:52,380

one of these people online they go to

1175

00:48:55,910 --> 00:48:54,599

sleep they're very susceptible in their

1176

00:48:57,890 --> 00:48:55,920

sleep State that's when your

1177

00:48:59,870 --> 00:48:57,900

subconscious is the easiestly

1178

00:49:01,910 --> 00:48:59,880

infiltrated

1179

00:49:03,950 --> 00:49:01,920

I heard you talk about this and I

1180

00:49:05,750 --> 00:49:03,960

totally agree with this Ryder was

1181

00:49:07,670 --> 00:49:05,760

talking about the fact that like what

1182

00:49:10,130 --> 00:49:07,680

was it you were going to sleep and you

1183

00:49:12,170 --> 00:49:10,140

were listening to a certain thing

1184

00:49:14,750 --> 00:49:12,180

and then you started having dreams about

1185

00:49:16,670 --> 00:49:14,760

that thing I do the same thing I'm

1186

00:49:18,010 --> 00:49:16,680

putting I can't sleep to silence so I

1187

00:49:20,329 --> 00:49:18,020

put on a YouTube

1188

00:49:22,250 --> 00:49:20,339

documentary or science lecture or

1189

00:49:24,050 --> 00:49:22,260

something that bore me to sleep and then

1190

00:49:27,170 --> 00:49:24,060

it will get in my subconscious and I'll

1191

00:49:29,990 --> 00:49:27,180

start dreaming about like physics or

1192

00:49:31,609 --> 00:49:30,000

math or something it's really odd and

1193

00:49:33,589 --> 00:49:31,619

they may be doing the same thing these

1194

00:49:36,410 --> 00:49:33,599

people are consuming you know I talked

1195

00:49:38,809 --> 00:49:36,420

to one person I said how many how many

1196

00:49:40,790 --> 00:49:38,819

hours a day do you watch like UFO and

1197

00:49:42,470 --> 00:49:40,800

alien related material and they're like

1198

00:49:44,930 --> 00:49:42,480

oh that's all I watch

1199

00:49:47,870 --> 00:49:44,940

you know and so for me it's like well

1200

00:49:50,270 --> 00:49:47,880

maybe that stuff is is infecting your

1201
00:49:51,770 --> 00:49:50,280
subconscious mind and and making you

1202
00:49:53,870 --> 00:49:51,780
believe that maybe you have some

1203
00:49:57,050 --> 00:49:53,880
memories that are repressed or missing

1204
00:49:59,990 --> 00:49:57,060
time or that's exactly what's going on

1205
00:50:02,690 --> 00:50:00,000
uh man that I think personally you know

1206
00:50:03,710 --> 00:50:02,700
and then I would like to do a study to

1207
00:50:06,890 --> 00:50:03,720
see

1208
00:50:10,370 --> 00:50:06,900
how many people have had supposed

1209
00:50:13,609 --> 00:50:10,380
contact experiences that

1210
00:50:16,609 --> 00:50:13,619
frequently watch people talking about

1211
00:50:18,650 --> 00:50:16,619
UFOs and aliens and secret space

1212
00:50:20,930 --> 00:50:18,660
programs and all that I guarantee it's

1213
00:50:23,750 --> 00:50:20,940

probably gonna be a lot yeah the numbers

1214

00:50:26,030 --> 00:50:23,760

are going to be ridiculously high I mean

1215

00:50:27,950 --> 00:50:26,040

last night I just watched uh went to

1216

00:50:33,250 --> 00:50:27,960

sleep watching Master Chef with Gordon

1217

00:50:38,089 --> 00:50:35,770

that's the way that it works

1218

00:50:40,309 --> 00:50:38,099

in an alternate dimension in an

1219

00:50:42,410 --> 00:50:40,319

alternate reality someplace else of

1220

00:50:43,790 --> 00:50:42,420

cooking food for Gordon Ramsay no it

1221

00:50:46,309 --> 00:50:43,800

doesn't it means that that's my

1222

00:50:48,230 --> 00:50:46,319

subconscious affecting my conscious mind

1223

00:50:50,089 --> 00:50:48,240

in the dream state

1224

00:50:52,370 --> 00:50:50,099

yeah and I wanted to ask you do you

1225

00:50:53,890 --> 00:50:52,380

think that maybe

1226

00:50:57,230 --> 00:50:53,900

um you know

1227

00:50:59,450 --> 00:50:57,240

that some of this is just you know Fame

1228

00:51:01,730 --> 00:50:59,460

and Fortune Seekers because people maybe

1229

00:51:03,049 --> 00:51:01,740

saw the money Corey good was making so

1230

00:51:05,150 --> 00:51:03,059

they started coming out with similar

1231

00:51:07,190 --> 00:51:05,160

stories I think that's probably a good

1232

00:51:08,569 --> 00:51:07,200

bet as well for where all these people

1233

00:51:10,309 --> 00:51:08,579

are coming from because it just seems

1234

00:51:13,670 --> 00:51:10,319

like there's so many of them

1235

00:51:15,650 --> 00:51:13,680

yeah I mean that's connected to the uh

1236

00:51:17,510 --> 00:51:15,660

you know uh five minutes of fame or ten

1237

00:51:19,430 --> 00:51:17,520

minutes of fame or whatever you want to

1238

00:51:22,130 --> 00:51:19,440

call it you know they they see the

1239

00:51:24,049 --> 00:51:22,140

opportunity and they're like oh well I

1240

00:51:26,390 --> 00:51:24,059

had this weird dream I had this weird

1241

00:51:28,490 --> 00:51:26,400

experience or whatever then I must be a

1242

00:51:30,290 --> 00:51:28,500

part of this ultimate secret space

1243

00:51:32,930 --> 00:51:30,300

program that's somehow being kept from

1244

00:51:34,670 --> 00:51:32,940

everybody on the planet that only I know

1245

00:51:36,589 --> 00:51:34,680

about and the people that I listen to on

1246

00:51:39,109 --> 00:51:36,599

YouTube is talking about that has

1247

00:51:41,589 --> 00:51:39,119

absolutely no consequences for revealing

1248

00:51:44,089 --> 00:51:41,599

any of the Whistleblower information

1249

00:51:46,250 --> 00:51:44,099

you're not a whistleblower if you don't

1250

00:51:49,609 --> 00:51:46,260

get arrested for releasing top secret

1251
00:51:51,109 --> 00:51:49,619
information you loser you know that and

1252
00:51:53,809 --> 00:51:51,119
and you know one other thing I wanted to

1253
00:51:55,190 --> 00:51:53,819
ask you about Too Am I Wrong in the fact

1254
00:51:57,170 --> 00:51:55,200
that all these people are talking about

1255
00:52:00,530 --> 00:51:57,180
like battles on the moon and battles on

1256
00:52:02,870 --> 00:52:00,540
space and like I I grew up building

1257
00:52:05,510 --> 00:52:02,880
rockets and stuff and I follow like

1258
00:52:08,569 --> 00:52:05,520
space news like there's orbiters around

1259
00:52:12,230 --> 00:52:08,579
Mars there's orbiters around the Moon

1260
00:52:13,790 --> 00:52:12,240
we've imaged it all and every I have a

1261
00:52:16,130 --> 00:52:13,800
telescope where I could see the surface

1262
00:52:19,430 --> 00:52:16,140
of the Moon very very good on a good

1263
00:52:22,309 --> 00:52:19,440

clear day I might be able to see a lot

1264

00:52:24,290 --> 00:52:22,319

of details on Mars as well so like these

1265

00:52:27,410 --> 00:52:24,300

people are telling all these stories

1266

00:52:29,750 --> 00:52:27,420

and and a big plot hole for me is why

1267

00:52:32,569 --> 00:52:29,760

does nobody see any of this stuff but

1268

00:52:35,030 --> 00:52:32,579

you you know like I've got a telescope

1269

00:52:37,670 --> 00:52:35,040

if there's huge bases on the Mars I

1270

00:52:40,790 --> 00:52:37,680

would see it if there's like spaceships

1271

00:52:42,589 --> 00:52:40,800

all over the solar system I'd be able to

1272

00:52:45,530 --> 00:52:42,599

detect them or somebody else that's an

1273

00:52:48,589 --> 00:52:45,540

amateur or you know a professional

1274

00:52:50,450 --> 00:52:48,599

astronomer would be able to image some

1275

00:52:52,609 --> 00:52:50,460

of this stuff and see it and they don't

1276

00:52:54,950 --> 00:52:52,619

have an explanation you know I heard one

1277

00:52:57,950 --> 00:52:54,960

person say oh they're cloaked you know

1278

00:53:00,829 --> 00:52:57,960

it's like come on nobody sees this but

1279

00:53:03,710 --> 00:53:00,839

you you know and the dark side of the

1280

00:53:06,230 --> 00:53:03,720

mood thing riderly as if we don't know

1281

00:53:08,990 --> 00:53:06,240

what's there now there's orbiters

1282

00:53:11,690 --> 00:53:09,000

there's an Indian one Chinese ones

1283

00:53:13,849 --> 00:53:11,700

America ones and Russian ones all

1284

00:53:15,890 --> 00:53:13,859

orbiting the moon Imaging it constantly

1285

00:53:18,589 --> 00:53:15,900

if there was any of these things going

1286

00:53:20,750 --> 00:53:18,599

on on the moon we somebody out of all

1287

00:53:23,089 --> 00:53:20,760

those countries would release something

1288

00:53:25,910 --> 00:53:23,099

they you know I would think right

1289

00:53:29,390 --> 00:53:25,920

something week I think that the

1290

00:53:33,829 --> 00:53:29,400

government is purposefully putting out

1291

00:53:36,890 --> 00:53:33,839

nonsense photos and uh blurry images and

1292

00:53:38,630 --> 00:53:36,900

all this to keep the community right

1293

00:53:40,730 --> 00:53:38,640

where it is because they don't want us

1294

00:53:42,950 --> 00:53:40,740

to figure out exactly what they're

1295

00:53:45,410 --> 00:53:42,960

really doing you know and my personal

1296

00:53:47,690 --> 00:53:45,420

thoughts and my personal opinions is

1297

00:53:49,910 --> 00:53:47,700

that they have things

1298

00:53:52,390 --> 00:53:49,920

that's orbiting Earth that might be

1299

00:53:55,430 --> 00:53:52,400

orbiting the Moon that might be in space

1300

00:53:57,230 --> 00:53:55,440

uh one of the thoughts is is that it's

1301

00:53:59,390 --> 00:53:57,240

surveillance technology

1302

00:54:01,970 --> 00:53:59,400

right another thought is that it's

1303

00:54:04,549 --> 00:54:01,980

nuclear technology that they have up

1304

00:54:08,089 --> 00:54:04,559

there I mean operation Looking Glass uh

1305

00:54:11,510 --> 00:54:08,099

in 1962 was an operation to put a

1306

00:54:13,549 --> 00:54:11,520

command post in space to launch nukes

1307

00:54:17,150 --> 00:54:13,559

from Earth right if they were doing that

1308

00:54:20,270 --> 00:54:17,160

in 1962 they probably have live nukes in

1309

00:54:22,430 --> 00:54:20,280

Space by now yeah you know and yes they

1310

00:54:25,430 --> 00:54:22,440

don't want anyone's platform you know

1311

00:54:27,410 --> 00:54:25,440

and you know surveillance right the

1312

00:54:29,930 --> 00:54:27,420

tracking people they want to know where

1313

00:54:30,829 --> 00:54:29,940

everybody is no matter where they are on

1314

00:54:33,589 --> 00:54:30,839

the planet

1315

00:54:35,750 --> 00:54:33,599

and also there there's much better

1316

00:54:38,569 --> 00:54:35,760

explanations

1317

00:54:42,589 --> 00:54:38,579

for these kinds of things then Super

1318

00:54:45,770 --> 00:54:42,599

Ultra Mega secret 20 and back programs

1319

00:54:49,430 --> 00:54:45,780

with uh thousands of ET species out

1320

00:54:52,130 --> 00:54:49,440

there roaming the Galaxy right and it's

1321

00:54:54,470 --> 00:54:52,140

a perfect cover if you get

1322

00:54:55,910 --> 00:54:54,480

the people that think that they have the

1323

00:54:58,390 --> 00:54:55,920

truth and the people that they that

1324

00:55:02,390 --> 00:54:58,400

think that they know what's going on

1325

00:55:03,650 --> 00:55:02,400

false and misleading information then

1326

00:55:07,130 --> 00:55:03,660

you have

1327

00:55:09,650 --> 00:55:07,140

effectively covered up the truth

1328

00:55:11,809 --> 00:55:09,660

because even the people that think that

1329

00:55:13,549 --> 00:55:11,819

they know what's happening doesn't

1330

00:55:15,170 --> 00:55:13,559

really know what's happening or they

1331

00:55:17,930 --> 00:55:15,180

just muddy the water so much with

1332

00:55:19,730 --> 00:55:17,940

garbage fake information that it helps

1333

00:55:21,829 --> 00:55:19,740

cover the real information and thank you

1334

00:55:24,950 --> 00:55:21,839

no bull Truth for kind of generous two

1335

00:55:27,829 --> 00:55:24,960

dollars and for being a member says hi

1336

00:55:30,770 --> 00:55:27,839

guys do you think text exists Tech

1337

00:55:33,589 --> 00:55:30,780

exists to give you dreams

1338

00:55:36,710 --> 00:55:33,599

um I think that through hypnosis alone

1339

00:55:39,470 --> 00:55:36,720

you could induce dreams to people

1340

00:55:42,170 --> 00:55:39,480

you can induce dreams I don't know about

1341

00:55:45,109 --> 00:55:42,180

a technological way to do it but what do

1342

00:55:47,390 --> 00:55:45,119

you think Ryder I think that it is uh

1343

00:55:49,490 --> 00:55:47,400

quite possible that I mean that's what

1344

00:55:50,870 --> 00:55:49,500

the Monroe Institute was kind of uh

1345

00:55:53,270 --> 00:55:50,880

studying uh thanks for that question

1346

00:55:54,109 --> 00:55:53,280

Jesse appreciate you brother

1347

00:55:56,569 --> 00:55:54,119

um

1348

00:55:59,150 --> 00:55:56,579

I think because the Monroe Institute

1349

00:56:01,430 --> 00:55:59,160

there there's documentation showing that

1350

00:56:03,710 --> 00:56:01,440

Army intelligence paid the Monroe

1351

00:56:05,870 --> 00:56:03,720

Institute two thousand dollars to take

1352

00:56:08,270 --> 00:56:05,880

their psychics uh that were a part of

1353

00:56:11,390 --> 00:56:08,280

the psychic spy program to the Monroe

1354

00:56:13,430 --> 00:56:11,400

Institute to study uh with Robert Monroe

1355

00:56:15,490 --> 00:56:13,440

to induce some sort of out-of-body

1356

00:56:18,770 --> 00:56:15,500

experience but Robert Monroe was also

1357

00:56:20,990 --> 00:56:18,780

studying uh frequencies studying uh

1358

00:56:24,109 --> 00:56:21,000

dreams the dream state he was trying to

1359

00:56:26,630 --> 00:56:24,119

map out kind of the the dream world and

1360

00:56:27,530 --> 00:56:26,640

where our Consciousness goes whenever we

1361

00:56:29,150 --> 00:56:27,540

sleep

1362

00:56:31,849 --> 00:56:29,160

right so

1363

00:56:34,490 --> 00:56:31,859

I think that that is connected somewhere

1364

00:56:37,430 --> 00:56:34,500

with the psychics and the the psychic

1365

00:56:39,230 --> 00:56:37,440

spy remote viewing units uh at Fort

1366

00:56:42,710 --> 00:56:39,240

Meade that the government was doing from

1367

00:56:47,049 --> 00:56:42,720

79 to 95. Monroe Institute is connected

1368

00:56:50,089 --> 00:56:47,059

in there and MK Ultra is also connected

1369

00:56:51,650 --> 00:56:50,099

yes Super Ultra Mega 20 and back

1370

00:56:54,109 --> 00:56:51,660

programs that's what we're going to call

1371

00:56:56,690 --> 00:56:54,119

them from now on trademark

1372

00:56:59,150 --> 00:56:56,700

and uh somebody said that Corey good is

1373

00:57:01,730 --> 00:56:59,160

his his social media posts are down like

1374

00:57:05,870 --> 00:57:01,740

90 because people keep asking him about

1375

00:57:07,549 --> 00:57:05,880

the uh the depositions so he doesn't go

1376
00:57:08,690 --> 00:57:07,559
on social media maybe as much now

1377
00:57:10,549 --> 00:57:08,700
because he doesn't want to have to

1378
00:57:13,430 --> 00:57:10,559
answer those questions

1379
00:57:14,990 --> 00:57:13,440
um and I I know uh but he's still making

1380
00:57:17,569 --> 00:57:15,000
videos and he's still trying to make

1381
00:57:20,210 --> 00:57:17,579
money out of this it's just fascinating

1382
00:57:23,690 --> 00:57:20,220
to me that that guy is not you know

1383
00:57:25,970 --> 00:57:23,700
completely gone you know and and the

1384
00:57:29,410 --> 00:57:25,980
fact that no matter what which way you

1385
00:57:31,849 --> 00:57:29,420
look at it he misled people even if his

1386
00:57:34,309 --> 00:57:31,859
excuses are true like while protecting

1387
00:57:36,470 --> 00:57:34,319
my intellectual property you didn't tell

1388
00:57:38,329 --> 00:57:36,480

people that these were dramatizations or

1389

00:57:40,010 --> 00:57:38,339

that there was dramatizations built on

1390

00:57:42,349 --> 00:57:40,020

top of real experiences when you were

1391

00:57:44,030 --> 00:57:42,359

taking all that money you said that in

1392

00:57:46,490 --> 00:57:44,040

the deposition but you you there was no

1393

00:57:49,309 --> 00:57:46,500

disclaimer you know like well he said

1394

00:57:51,530 --> 00:57:49,319

that he put a disclaimer in his uh novel

1395

00:57:54,049 --> 00:57:51,540

his graphic novel but I'm not going to

1396

00:57:56,750 --> 00:57:54,059

pay money to buy his graphic novel to

1397

00:57:58,670 --> 00:57:56,760

see if he actually did it or not it's

1398

00:58:00,530 --> 00:57:58,680

it's garbage yeah five years it took

1399

00:58:02,210 --> 00:58:00,540

them to make a comic book riderly but he

1400

00:58:05,030 --> 00:58:02,220

says he's gonna make

1401
00:58:07,670 --> 00:58:05,040
multi-million dollar video games now you

1402
00:58:09,650 --> 00:58:07,680
know so we might be waiting 35 years to

1403
00:58:11,270 --> 00:58:09,660
see the first game at the rate that he

1404
00:58:13,430 --> 00:58:11,280
made a comic book at it doesn't take

1405
00:58:14,870 --> 00:58:13,440
five years to make a comic book and he

1406
00:58:17,510 --> 00:58:14,880
collected money the whole time there's

1407
00:58:18,890 --> 00:58:17,520
always it's always about the money you

1408
00:58:22,190 --> 00:58:18,900
know yeah that's what I'm going to be

1409
00:58:25,609 --> 00:58:22,200
really interested in is seeing how he

1410
00:58:27,530 --> 00:58:25,619
proves that all of the money that he's

1411
00:58:30,650 --> 00:58:27,540
that's been donated to him and all the

1412
00:58:33,349 --> 00:58:30,660
fundraisers his Light Warrior legal fund

1413
00:58:36,349 --> 00:58:33,359

yeah he's not charity how he's going to

1414

00:58:40,010 --> 00:58:36,359

prove that all of that money that he

1415

00:58:41,690 --> 00:58:40,020

collected went toward legal funds

1416

00:58:43,190 --> 00:58:41,700

well he's gonna have to spreadsheet it

1417

00:58:45,230 --> 00:58:43,200

he's going to have to prove that and he

1418

00:58:47,569 --> 00:58:45,240

also has to pay income tax on all of

1419

00:58:50,150 --> 00:58:47,579

this money and now

1420

00:58:52,130 --> 00:58:50,160

those court cases he shot himself in the

1421

00:58:53,930 --> 00:58:52,140

foot bad because during those court

1422

00:58:55,849 --> 00:58:53,940

cases the people he's suing started

1423

00:58:58,130 --> 00:58:55,859

talking about well David Wilcox did one

1424

00:58:59,750 --> 00:58:58,140

fundraiser and raised or three

1425

00:59:02,089 --> 00:58:59,760

fundraisers and raised a hundred

1426

00:59:03,530 --> 00:59:02,099

thousand dollars that means he had a

1427

00:59:05,930 --> 00:59:03,540

hundred thousand dollars worth of income

1428

00:59:09,049 --> 00:59:05,940

he has to pay the income tax on that and

1429

00:59:11,210 --> 00:59:09,059

did he we don't know you know but Leon

1430

00:59:13,309 --> 00:59:11,220

Isaac Kennedy testified under oath that

1431

00:59:16,130 --> 00:59:13,319

he was brought in because Corey hadn't

1432

00:59:17,630 --> 00:59:16,140

paid his business or personal taxes for

1433

00:59:22,069 --> 00:59:17,640

for many years

1434

00:59:24,349 --> 00:59:22,079

so he's opening up these lines of attack

1435

00:59:25,730 --> 00:59:24,359

from people because the IRS is going to

1436

00:59:28,030 --> 00:59:25,740

get their money they're going to get

1437

00:59:31,069 --> 00:59:28,040

every penny of it you know

1438

00:59:32,930 --> 00:59:31,079

Dr David Wilcock has tax problems too he

1439

00:59:36,049 --> 00:59:32,940

talked about being on a payment plan now

1440

00:59:37,970 --> 00:59:36,059

like he's on an IRS payment plan he's

1441

00:59:39,950 --> 00:59:37,980

begging for money like you guys got to

1442

00:59:42,349 --> 00:59:39,960

help me because I got a lot of back

1443

00:59:44,450 --> 00:59:42,359

taxes to pay you know you pay them when

1444

00:59:46,130 --> 00:59:44,460

you get the income that's what I learned

1445

00:59:49,250 --> 00:59:46,140

I don't know but I did work in

1446

00:59:50,990 --> 00:59:49,260

accounting so maybe that reinforced to

1447

00:59:52,309 --> 00:59:51,000

me the importance of putting that money

1448

00:59:53,870 --> 00:59:52,319

aside

1449

00:59:56,569 --> 00:59:53,880

you know

1450

00:59:58,970 --> 00:59:56,579

like I know you're not monetized but

1451

01:00:00,650 --> 00:59:58,980

here we are and I put that money aside

1452

01:00:04,190 --> 01:00:00,660

every month it goes into a separate

1453

01:00:06,890 --> 01:00:04,200

Ledger I take I take a full more than a

1454

01:00:08,870 --> 01:00:06,900

third of it just so I'm sure that I have

1455

01:00:10,250 --> 01:00:08,880

that at the end of the year you know

1456

01:00:11,870 --> 01:00:10,260

what I mean and I don't touch it but

1457

01:00:13,910 --> 01:00:11,880

these guys are blowing through money

1458

01:00:15,589 --> 01:00:13,920

what do we hear Corey good blew through

1459

01:00:18,609 --> 01:00:15,599

a hundred thousand dollars in a few

1460

01:00:23,210 --> 01:00:21,230

Kennedy deposition yeah unbelievable

1461

01:00:26,150 --> 01:00:23,220

yeah what is he what is he spending

1462

01:00:28,970 --> 01:00:26,160

money on that requires them

1463

01:00:31,010 --> 01:00:28,980

expensive riderly or something

1464

01:00:32,990 --> 01:00:31,020

like what do you spend a hundred

1465

01:00:35,270 --> 01:00:33,000

thousand dollars on in a couple of weeks

1466

01:00:37,549 --> 01:00:35,280

and people have suggested and by the way

1467

01:00:39,650 --> 01:00:37,559

I'm not making accusations just people

1468

01:00:41,750 --> 01:00:39,660

are talking and saying if you blow

1469

01:00:43,849 --> 01:00:41,760

through that much money you may have a

1470

01:00:46,970 --> 01:00:43,859

drug problem or a gambling problem or

1471

01:00:48,609 --> 01:00:46,980

other situation going on because a

1472

01:00:51,109 --> 01:00:48,619

normal you know I don't know about you

1473

01:00:52,789 --> 01:00:51,119

Ryder Lee if somebody gave me a hundred

1474

01:00:55,210 --> 01:00:52,799

thousand dollars I could live off of

1475

01:00:58,069 --> 01:00:55,220

that for like three or four years

1476

01:01:00,230 --> 01:00:58,079

you know yeah easy

1477

01:01:01,849 --> 01:01:00,240

and they had the balls they went back to

1478

01:01:03,710 --> 01:01:01,859

the guy and asked him for I think they

1479

01:01:05,569 --> 01:01:03,720

they asked him for another hundred

1480

01:01:08,089 --> 01:01:05,579

thousand dollars and the guy freaked out

1481

01:01:11,390 --> 01:01:08,099

because he had just given them like 75

1482

01:01:13,849 --> 01:01:11,400

or a hundred thousand dollars it's crazy

1483

01:01:16,789 --> 01:01:13,859

it's unbelievable and then also the

1484

01:01:18,890 --> 01:01:16,799

money that David Wilcock uh

1485

01:01:20,450 --> 01:01:18,900

yeah a couple million dollars from one

1486

01:01:22,309 --> 01:01:20,460

course

1487

01:01:23,930 --> 01:01:22,319

and then Corey double dip in on

1488

01:01:26,870 --> 01:01:23,940

everything getting paid from Gaia and

1489

01:01:29,569 --> 01:01:26,880

then also asking for donations at that

1490

01:01:31,130 --> 01:01:29,579

exact same time breaking in all this

1491

01:01:33,170 --> 01:01:31,140

money it doesn't make any sense I I

1492

01:01:35,690 --> 01:01:33,180

don't I don't know what he needs that

1493

01:01:37,910 --> 01:01:35,700

amount of money for yeah and if your job

1494

01:01:40,010 --> 01:01:37,920

if your job I just want to ask your

1495

01:01:41,930 --> 01:01:40,020

question and make sure that I'm not a

1496

01:01:45,589 --> 01:01:41,940

little too morally straight or something

1497

01:01:48,289 --> 01:01:45,599

but in Corey Good's situation Gaia TV

1498

01:01:50,870 --> 01:01:48,299

paid his moving expenses

1499

01:01:52,490 --> 01:01:50,880

he had to pay that moving expenses back

1500

01:01:54,109 --> 01:01:52,500

or be you know like they took it out of

1501

01:01:56,870 --> 01:01:54,119

his check or it became part of his

1502

01:01:57,770 --> 01:01:56,880

compensation for the year the total or

1503

01:02:00,470 --> 01:01:57,780

whatever

1504

01:02:02,870 --> 01:02:00,480

but still Gaia TV paid his moving

1505

01:02:05,210 --> 01:02:02,880

expenses or agreed to pay them but then

1506

01:02:07,430 --> 01:02:05,220

David Wilcox separately ran a fundraiser

1507

01:02:08,750 --> 01:02:07,440

for him to raise money for his moving

1508

01:02:11,390 --> 01:02:08,760

expenses

1509

01:02:13,130 --> 01:02:11,400

and him knowing that Gaia was paying his

1510

01:02:15,170 --> 01:02:13,140

moving expenses he still let David

1511

01:02:16,730 --> 01:02:15,180

Wilcox do that fundraiser and he still

1512

01:02:19,549 --> 01:02:16,740

accepted that money

1513

01:02:22,190 --> 01:02:19,559

like to me wouldn't you I would have

1514

01:02:23,870 --> 01:02:22,200

said Thanks for your kindness but I

1515

01:02:26,089 --> 01:02:23,880

don't need that money because my

1516

01:02:28,490 --> 01:02:26,099

employer gave me that you know what I

1517

01:02:30,410 --> 01:02:28,500

mean would you accept

1518

01:02:31,490 --> 01:02:30,420

that's double dipping like you said

1519

01:02:32,930 --> 01:02:31,500

right

1520

01:02:36,049 --> 01:02:32,940

yeah

1521

01:02:37,849 --> 01:02:36,059

taking it from uh both Ingles I mean I

1522

01:02:39,589 --> 01:02:37,859

wouldn't personally because no I

1523

01:02:41,870 --> 01:02:39,599

wouldn't either I would say I got I I

1524

01:02:44,569 --> 01:02:41,880

have it I don't need the fun you know I

1525

01:02:46,730 --> 01:02:44,579

don't need I don't need you guys to do a

1526

01:02:48,890 --> 01:02:46,740

fundraiser for me but thank you for

1527

01:02:51,470 --> 01:02:48,900

thinking of me you know instead he was

1528

01:02:53,809 --> 01:02:51,480

like yeah I'll take that money he even

1529

01:02:57,789 --> 01:02:53,819

had people send him PayPal donations to

1530

01:03:00,950 --> 01:02:57,799

give his wife a spa day for her birthday

1531

01:03:03,109 --> 01:03:00,960

at one point you know like that's some

1532

01:03:05,210 --> 01:03:03,119

slime like that's my wife's birthday you

1533

01:03:07,670 --> 01:03:05,220

people better give me some money so I

1534

01:03:11,329 --> 01:03:07,680

could get her a gift like that is I

1535

01:03:14,210 --> 01:03:11,339

would never ever do that never you know

1536

01:03:15,650 --> 01:03:14,220

I'm even hesitant to say my birthday's

1537

01:03:18,170 --> 01:03:15,660

at the end of this month and I feel

1538

01:03:20,510 --> 01:03:18,180

funny because if if people in the show

1539

01:03:21,890 --> 01:03:20,520

know that they send me super chats and

1540

01:03:26,569 --> 01:03:21,900

say happy birthday and I feel weird

1541

01:03:28,430 --> 01:03:26,579

about that like no you know like this is

1542

01:03:30,410 --> 01:03:28,440

crazy the amount of money we've got

1543

01:03:34,490 --> 01:03:30,420

David Wolcott collecting Millions per

1544

01:03:37,789 --> 01:03:34,500

course uh Corey good got paid seven

1545

01:03:39,829 --> 01:03:37,799

hundred thousand dollars gross for a uh

1546

01:03:41,450 --> 01:03:39,839

a course that he didn't write somebody

1547

01:03:43,910 --> 01:03:41,460

else wrote it for him

1548

01:03:44,990 --> 01:03:43,920

that's crazy seven hundred thousand

1549

01:03:48,650 --> 01:03:45,000

dollars

1550

01:03:51,170 --> 01:03:48,660

I think this is why there's not

1551

01:03:54,589 --> 01:03:51,180

I mean if you look at Hollywood right do

1552

01:03:57,289 --> 01:03:54,599

you know any big movie stars anymore is

1553

01:03:59,510 --> 01:03:57,299

there like one single movie star that

1554

01:04:01,670 --> 01:03:59,520

you can point to that will you put them

1555

01:04:03,829 --> 01:04:01,680

in your your movie and you're guaranteed

1556

01:04:05,329 --> 01:04:03,839

to make over a billion dollars

1557

01:04:06,890 --> 01:04:05,339

well I don't know about a billion but I

1558

01:04:10,130 --> 01:04:06,900

guess the top person would have to be

1559

01:04:13,370 --> 01:04:10,140

like uh Tom Cruise still right maybe but

1560

01:04:16,190 --> 01:04:13,380

he's probably good for 500 million

1561

01:04:18,650 --> 01:04:16,200

but they remember back like maybe even

1562

01:04:21,349 --> 01:04:18,660

20 years ago there used to be a lot of

1563

01:04:24,530 --> 01:04:21,359

tons of them yeah really big movie stars

1564

01:04:26,390 --> 01:04:24,540

yeah bankable names yeah yeah and that's

1565

01:04:28,630 --> 01:04:26,400

just kind of faded away it used to be

1566

01:04:31,430 --> 01:04:28,640

the same way with uh

1567

01:04:34,609 --> 01:04:31,440

musicians right if if a company was

1568

01:04:36,770 --> 01:04:34,619

going to invest in a group of musicians

1569

01:04:39,109 --> 01:04:36,780

they were going to put all their cards

1570

01:04:41,930 --> 01:04:39,119

into the basket on that musician right

1571

01:04:45,950 --> 01:04:41,940

you got the Beatles huge Michael Jackson

1572

01:04:47,390 --> 01:04:45,960

huge Elvis huge you know no matter what

1573

01:04:49,069 --> 01:04:47,400

they would have done

1574

01:04:51,289 --> 01:04:49,079

they would have made

1575

01:04:53,089 --> 01:04:51,299

a crap ton of money they could have put

1576
01:04:55,450 --> 01:04:53,099
out the most garbage thing in the world

1577
01:04:58,490 --> 01:04:55,460
the most garbage music doesn't matter

1578
01:05:00,710 --> 01:04:58,500
still still making music and he's been

1579
01:05:02,569 --> 01:05:00,720
dead for 13 years you know people are

1580
01:05:04,549 --> 01:05:02,579
going to buy anything that has to do

1581
01:05:07,370 --> 01:05:04,559
with those kinds of people right I think

1582
01:05:10,849 --> 01:05:07,380
there's been a concerted effort to

1583
01:05:16,430 --> 01:05:10,859
get away from those types of people

1584
01:05:19,010 --> 01:05:16,440
right and make it more blanketed and not

1585
01:05:21,349 --> 01:05:19,020
concentrate everything on a single

1586
01:05:24,049 --> 01:05:21,359
individual if that really makes any

1587
01:05:26,150 --> 01:05:24,059
sense because the the single individual

1588
01:05:29,690 --> 01:05:26,160

thing or the single band or the single

1589

01:05:33,049 --> 01:05:29,700

actor or in this case the uh The

1590

01:05:35,930 --> 01:05:33,059

Intergalactic space wizard saving people

1591

01:05:37,130 --> 01:05:35,940

uh the galactic Ambassador for the

1592

01:05:41,809 --> 01:05:37,140

universe

1593

01:05:44,990 --> 01:05:41,819

right because those kinds of people

1594

01:05:47,089 --> 01:05:45,000

it gets to their head right and they

1595

01:05:49,910 --> 01:05:47,099

lack Integrity they lack honor so

1596

01:05:52,789 --> 01:05:49,920

therefore they make really crappy

1597

01:05:56,089 --> 01:05:52,799

decisions and they're not good with

1598

01:05:58,370 --> 01:05:56,099

their money and they'll just uh do

1599

01:06:02,150 --> 01:05:58,380

whatever they'll basically just go Rogue

1600

01:06:04,490 --> 01:06:02,160

on you right so I think the there's been

1601

01:06:07,849 --> 01:06:04,500

an effort not only in Hollywood but in

1602

01:06:09,109 --> 01:06:07,859

any kind of media to get away from just

1603

01:06:11,930 --> 01:06:09,119

propping

1604

01:06:14,809 --> 01:06:11,940

one person up right because they've seen

1605

01:06:16,730 --> 01:06:14,819

how that's failed a lot in the past and

1606

01:06:19,789 --> 01:06:16,740

they're like ah no we can't do that

1607

01:06:22,010 --> 01:06:19,799

anymore right and somehow

1608

01:06:23,930 --> 01:06:22,020

Corey good in this community and David

1609

01:06:26,510 --> 01:06:23,940

Wilcock despite everything that's come

1610

01:06:28,190 --> 01:06:26,520

out about them and all the people uh you

1611

01:06:29,690 --> 01:06:28,200

know in the deposition videos and all

1612

01:06:32,809 --> 01:06:29,700

this

1613

01:06:36,049 --> 01:06:32,819

still got that base somehow

1614

01:06:39,289 --> 01:06:36,059

it's crazy to me he's still doing it and

1615

01:06:42,710 --> 01:06:39,299

people are still sending them money when

1616

01:06:44,630 --> 01:06:42,720

it should have completely tanked both of

1617

01:06:47,210 --> 01:06:44,640

their careers

1618

01:06:50,569 --> 01:06:47,220

yeah but it didn't they've achieved that

1619

01:06:54,529 --> 01:06:50,579

status Gaia gave them that status

1620

01:06:57,170 --> 01:06:54,539

of being the most popular person in the

1621

01:06:59,630 --> 01:06:57,180

community and now it's like

1622

01:07:02,569 --> 01:06:59,640

they can't do anything wrong no matter

1623

01:07:04,789 --> 01:07:02,579

what information comes out against them

1624

01:07:06,230 --> 01:07:04,799

no matter what damaging I mean it's

1625

01:07:07,970 --> 01:07:06,240

proven you can go to court and say that

1626

01:07:10,549 --> 01:07:07,980

you made everything up Steve and people

1627

01:07:13,849 --> 01:07:10,559

don't care yeah you know they've

1628

01:07:15,170 --> 01:07:13,859

achieved that that high status to where

1629

01:07:17,630 --> 01:07:15,180

it doesn't

1630

01:07:19,490 --> 01:07:17,640

matter what they do yeah and you know

1631

01:07:21,589 --> 01:07:19,500

this this translates into the UFO

1632

01:07:23,569 --> 01:07:21,599

Community too and let's sort of pivot

1633

01:07:25,609 --> 01:07:23,579

and talk about the narratives there as

1634

01:07:27,470 --> 01:07:25,619

well because that the narratives there

1635

01:07:29,270 --> 01:07:27,480

is disclosures coming any day now the

1636

01:07:32,089 --> 01:07:29,280

aliens have visited us we have all this

1637

01:07:34,430 --> 01:07:32,099

evidence but we don't you know and and

1638

01:07:37,190 --> 01:07:34,440

that extends to the UFO Community too

1639

01:07:39,589 --> 01:07:37,200

you know we've got Lou Elizondo oh I ran

1640

01:07:41,390 --> 01:07:39,599

a government Pentagon program no you

1641

01:07:44,270 --> 01:07:41,400

didn't and people don't care he's still

1642

01:07:46,390 --> 01:07:44,280

got a career here and Linda Moulton Hale

1643

01:07:49,430 --> 01:07:46,400

is selling fake pictures of aliens 100

1644

01:07:51,230 --> 01:07:49,440

provably fake pictures of aliens she's

1645

01:07:55,010 --> 01:07:51,240

getting paid like twenty thousand

1646

01:07:57,650 --> 01:07:55,020

dollars I think or more to do one talk

1647

01:07:59,390 --> 01:07:57,660

at one UFO conference and she's selling

1648

01:08:01,730 --> 01:07:59,400

her autographs for a hundred and fifty

1649

01:08:03,950 --> 01:08:01,740

dollars if you wanted her to autograph

1650

01:08:06,470 --> 01:08:03,960

your book bring your book and give her

1651
01:08:08,930 --> 01:08:06,480
150 and you're right there seems to be

1652
01:08:11,329 --> 01:08:08,940
this lack of of any kind of

1653
01:08:13,370 --> 01:08:11,339
accountability like Corey Goode and

1654
01:08:15,410 --> 01:08:13,380
David Wilcox should be gone they should

1655
01:08:18,349 --> 01:08:15,420
not be able to make one more dollar

1656
01:08:20,570 --> 01:08:18,359
but here we are they're still you know

1657
01:08:22,550 --> 01:08:20,580
still grifting and and Linda won't house

1658
01:08:24,530 --> 01:08:22,560
same thing like I'll give you one or two

1659
01:08:25,789 --> 01:08:24,540
but if you've you know three or four

1660
01:08:28,189 --> 01:08:25,799
times you've been caught selling

1661
01:08:30,829 --> 01:08:28,199
completely fake nonsense you should not

1662
01:08:33,050 --> 01:08:30,839
be making any more money they get a pass

1663
01:08:34,729 --> 01:08:33,060

somehow is it just that people so

1664

01:08:36,950 --> 01:08:34,739

desperately want these stories that

1665

01:08:39,890 --> 01:08:36,960

they're willing to just gloss over the

1666

01:08:43,189 --> 01:08:39,900

the ugly parts and all they have to do

1667

01:08:45,890 --> 01:08:43,199

Steve is be like oh yeah CIA FBI Assad

1668

01:08:48,650 --> 01:08:45,900

told me Men in Black Men in Black but

1669

01:08:51,410 --> 01:08:48,660

but the Moon is a there's an awesome

1670

01:08:53,630 --> 01:08:51,420

secret alien base and it's a it's a spy

1671

01:08:55,849 --> 01:08:53,640

satellite and they've been up there for

1672

01:08:59,510 --> 01:08:55,859

thousands and thousands of years I was

1673

01:09:01,970 --> 01:08:59,520

told this by a CIA high up a CIA and FBI

1674

01:09:03,229 --> 01:09:01,980

uh intelligence officer and then people

1675

01:09:05,870 --> 01:09:03,239

believe them that's exactly what I've

1676

01:09:07,669 --> 01:09:05,880

seen when the mole now do the other day

1677

01:09:10,689 --> 01:09:07,679

she didn't cite any of her sources she

1678

01:09:13,610 --> 01:09:10,699

didn't say oh it was uh

1679

01:09:15,590 --> 01:09:13,620

with the second we caught her the second

1680

01:09:17,209 --> 01:09:15,600

time selling completely fake alien

1681

01:09:19,550 --> 01:09:17,219

pictures she brought the Men in Black in

1682

01:09:22,610 --> 01:09:19,560

to explain it she's like the Men in

1683

01:09:24,530 --> 01:09:22,620

Black paid that artist to say that he

1684

01:09:27,950 --> 01:09:24,540

made those he didn't really make those

1685

01:09:30,950 --> 01:09:27,960

I'm like I've got the metadata from that

1686

01:09:33,169 --> 01:09:30,960

guy's blog from 2008 that proves that he

1687

01:09:35,510 --> 01:09:33,179

posted it so what she's saying is that

1688

01:09:38,390 --> 01:09:35,520

the Men in Black went back in time to

1689

01:09:40,370 --> 01:09:38,400

2008 convinced this guy to make these

1690

01:09:44,749 --> 01:09:40,380

fake alien pictures and put them on a

1691

01:09:46,970 --> 01:09:44,759

Blog so that in 2023 or 2022 she could

1692

01:09:49,130 --> 01:09:46,980

take them and and that would discredit

1693

01:09:50,269 --> 01:09:49,140

hers like it's so ridiculous and you

1694

01:09:52,070 --> 01:09:50,279

know let's see if you're coming back on

1695

01:09:53,990 --> 01:09:52,080

it's going to get even more confusing

1696

01:09:56,209 --> 01:09:54,000

Steve because

1697

01:09:58,610 --> 01:09:56,219

the technology with AI I know that

1698

01:09:59,630 --> 01:09:58,620

you're doing uh some things with AI but

1699

01:10:00,830 --> 01:09:59,640

it's going to get to the point where

1700

01:10:02,930 --> 01:10:00,840

we're not going to be able to tell the

1701
01:10:05,270 --> 01:10:02,940
difference between an AI rendered photo

1702
01:10:08,209 --> 01:10:05,280
and a real photo I've seen photos and

1703
01:10:10,310 --> 01:10:08,219
videos and video too and voices yeah

1704
01:10:13,910 --> 01:10:10,320
I've seen a video on Tick Tock the other

1705
01:10:14,870 --> 01:10:13,920
day that had all of these uh pictures of

1706
01:10:16,850 --> 01:10:14,880
giants

1707
01:10:20,090 --> 01:10:16,860
like legit Giants

1708
01:10:22,850 --> 01:10:20,100
standing beside people and they were

1709
01:10:24,950 --> 01:10:22,860
passing those photos off as real photos

1710
01:10:26,930 --> 01:10:24,960
that were just discovered but they look

1711
01:10:27,890 --> 01:10:26,940
a little off right yeah they don't look

1712
01:10:31,250 --> 01:10:27,900
quite right

1713
01:10:35,450 --> 01:10:31,260

your face are fake they they they ran

1714

01:10:38,149 --> 01:10:35,460

with Roswell crash site images that were

1715

01:10:40,490 --> 01:10:38,159

totally anybody that looked at them

1716

01:10:44,030 --> 01:10:40,500

could tell that they were AI generated

1717

01:10:46,250 --> 01:10:44,040

third phase of moon ran with new Roswell

1718

01:10:49,669 --> 01:10:46,260

images revealed or something like that

1719

01:10:51,530 --> 01:10:49,679

you know and like there's some currently

1720

01:10:54,229 --> 01:10:51,540

there are some telltale signs in the

1721

01:10:57,669 --> 01:10:54,239

images like they don't do fingers well

1722

01:11:00,709 --> 01:10:57,679

sometimes or hands or people you know

1723

01:11:02,750 --> 01:11:00,719

correct and then you when you've done

1724

01:11:05,390 --> 01:11:02,760

enough stuff with these AIS and I have

1725

01:11:07,610 --> 01:11:05,400

you you can recognize it easily but

1726

01:11:09,950 --> 01:11:07,620

you're right it's going to infect all of

1727

01:11:13,729 --> 01:11:09,960

UFOs and soon we're going to have a flot

1728

01:11:15,830 --> 01:11:13,739

of Rush of fake UFO videos fake images

1729

01:11:19,790 --> 01:11:15,840

and they're all going to be AI generated

1730

01:11:22,010 --> 01:11:19,800

and it's gonna it's gonna make any real

1731

01:11:25,189 --> 01:11:22,020

evidence almost impossible to obtain

1732

01:11:28,070 --> 01:11:25,199

because even if you got a real Smoking

1733

01:11:30,290 --> 01:11:28,080

Gun proof evidence video of an alien

1734

01:11:33,550 --> 01:11:30,300

spacecraft people will say looks AI

1735

01:11:35,570 --> 01:11:33,560

generated or CGI or you know

1736

01:11:37,130 --> 01:11:35,580

and it's just going to keep getting

1737

01:11:38,810 --> 01:11:37,140

better and better and better right now

1738

01:11:41,930 --> 01:11:38,820

we can kind of tell the difference but

1739

01:11:44,810 --> 01:11:41,940

here in a few years it's going to be so

1740

01:11:46,010 --> 01:11:44,820

ridiculously similar that no one's going

1741

01:11:47,330 --> 01:11:46,020

to be able to tell the difference and

1742

01:11:49,430 --> 01:11:47,340

you're right with the video the videos

1743

01:11:52,550 --> 01:11:49,440

are going to be the exact same way I

1744

01:11:55,070 --> 01:11:52,560

mean when you think about it two how

1745

01:11:56,870 --> 01:11:55,080

long have they had this AI generative

1746

01:11:59,030 --> 01:11:56,880

technology how long have they been using

1747

01:12:00,770 --> 01:11:59,040

it because if 20 years longer than we've

1748

01:12:04,010 --> 01:12:00,780

known they've had it at least exactly

1749

01:12:06,470 --> 01:12:04,020

anything that is hitting the public for

1750

01:12:09,590 --> 01:12:06,480

the public to be able to use any kind of

1751
01:12:11,990 --> 01:12:09,600
program any kind of AI software means

1752
01:12:13,669 --> 01:12:12,000
that they have had it for almost double

1753
01:12:16,010 --> 01:12:13,679
the amount of time that it's being

1754
01:12:18,830 --> 01:12:16,020
released to the public that's just my

1755
01:12:21,290 --> 01:12:18,840
personal uh thought but looking through

1756
01:12:23,390 --> 01:12:21,300
history and looking at all these events

1757
01:12:25,850 --> 01:12:23,400
that's happened all the the disclosure

1758
01:12:28,189 --> 01:12:25,860
of a lot of these programs you know they

1759
01:12:30,830 --> 01:12:28,199
never do anything they never release any

1760
01:12:33,410 --> 01:12:30,840
kind of technology I mean how long was

1761
01:12:35,930 --> 01:12:33,420
it that the military had drones

1762
01:12:39,410 --> 01:12:35,940
how long did they have GPS before we did

1763
01:12:41,750 --> 01:12:39,420

exactly 20 years they had GPS 20 years

1764

01:12:44,270 --> 01:12:41,760

before we even knew it existed and and

1765

01:12:46,310 --> 01:12:44,280

it became available for the regular folk

1766

01:12:49,430 --> 01:12:46,320

you know the peasants the the the the

1767

01:12:51,709 --> 01:12:49,440

ruling class Elite always get first dibs

1768

01:12:53,450 --> 01:12:51,719

but as far as the UFO narratives you

1769

01:12:56,030 --> 01:12:53,460

know there's this disclosure narrative

1770

01:12:57,950 --> 01:12:56,040

running and the big narrative now is

1771

01:13:00,950 --> 01:12:57,960

that the whistleblowers are coming

1772

01:13:02,330 --> 01:13:00,960

forward about alien crash retrievals and

1773

01:13:06,770 --> 01:13:02,340

we're gonna get we're finally going to

1774

01:13:09,709 --> 01:13:06,780

get to who's holding the the material or

1775

01:13:11,149 --> 01:13:09,719

the biological entities or whatever

1776

01:13:14,450 --> 01:13:11,159

and uh

1777

01:13:16,310 --> 01:13:14,460

I'm sorry Ryder I just I'd love that to

1778

01:13:18,649 --> 01:13:16,320

happen like if we got confirmation

1779

01:13:21,470 --> 01:13:18,659

tomorrow that there's some Warehouse out

1780

01:13:25,370 --> 01:13:21,480

at Area 51 and they got pickled aliens

1781

01:13:27,709 --> 01:13:25,380

boy that would be awesome right but I

1782

01:13:29,750 --> 01:13:27,719

just they're basing their opinions on

1783

01:13:31,010 --> 01:13:29,760

things like that Jack Jacques valet book

1784

01:13:32,830 --> 01:13:31,020

we covered that yesterday it's

1785

01:13:37,910 --> 01:13:32,840

completely and totally fake story

1786

01:13:39,470 --> 01:13:37,920

they have this alien artifact and it

1787

01:13:42,110 --> 01:13:39,480

turns out to be a piece of a windmill

1788

01:13:44,030 --> 01:13:42,120

and and it's terrestrial Metals people

1789

01:13:46,010 --> 01:13:44,040

don't understand this Ryder but if

1790

01:13:48,169 --> 01:13:46,020

somebody came here from another star

1791

01:13:51,229 --> 01:13:48,179

system no matter what their craft was

1792

01:13:53,209 --> 01:13:51,239

built from we would know that material

1793

01:13:56,090 --> 01:13:53,219

did not originate in our solar system

1794

01:13:57,590 --> 01:13:56,100

you just do isotopic ratios you would

1795

01:13:59,810 --> 01:13:57,600

know right away that's from another star

1796

01:14:01,490 --> 01:13:59,820

system that's not from ours that would

1797

01:14:03,830 --> 01:14:01,500

be Smoking Gun evidence or proof of

1798

01:14:06,290 --> 01:14:03,840

alien visitation if we had some

1799

01:14:08,330 --> 01:14:06,300

manufactured item from an alien

1800

01:14:10,010 --> 01:14:08,340

spacecraft no matter what it is a piece

1801

01:14:11,990 --> 01:14:10,020

of aluminum or whatever piece of the

1802

01:14:14,149 --> 01:14:12,000

shell of the thing we would be able to

1803

01:14:16,010 --> 01:14:14,159

put that thing through scientific

1804

01:14:19,189 --> 01:14:16,020

rigorous testing and we would be able to

1805

01:14:21,290 --> 01:14:19,199

say with 100 certainty this is a

1806

01:14:23,810 --> 01:14:21,300

manufactured item and it did not come

1807

01:14:25,970 --> 01:14:23,820

from our solar system the metal came

1808

01:14:28,189 --> 01:14:25,980

from another star system we never get

1809

01:14:29,229 --> 01:14:28,199

that we don't and that's another thing

1810

01:14:32,330 --> 01:14:29,239

with the

1811

01:14:35,689 --> 01:14:32,340

uh Roswell event they're very concerned

1812

01:14:37,729 --> 01:14:35,699

that it was a foreign technology

1813

01:14:39,890 --> 01:14:37,739

if the technology didn't come from here

1814

01:14:42,290 --> 01:14:39,900

why would you be concerned if it was

1815

01:14:43,250 --> 01:14:42,300

Russia or Germany your first thought

1816

01:14:45,290 --> 01:14:43,260

would be

1817

01:14:46,490 --> 01:14:45,300

if it looked like it didn't come from

1818

01:14:48,169 --> 01:14:46,500

here then you would be like it

1819

01:14:51,350 --> 01:14:48,179

definitely didn't come from here your

1820

01:14:55,490 --> 01:14:51,360

your second thought would be oh maybe

1821

01:14:56,870 --> 01:14:55,500

it's a Russia or uh you know China or

1822

01:14:59,689 --> 01:14:56,880

Germany

1823

01:15:02,450 --> 01:14:59,699

but the first thought was

1824

01:15:05,750 --> 01:15:02,460

maybe it's a foreign technology

1825

01:15:07,550 --> 01:15:05,760

right makes absolutely no sense yeah and

1826

01:15:09,229 --> 01:15:07,560

I think people may be confusing that

1827

01:15:11,870 --> 01:15:09,239

there certainly is Crash retrieval

1828

01:15:13,729 --> 01:15:11,880

programs if a Russian satellite comes

1829

01:15:15,350 --> 01:15:13,739

down we want it we want to take it apart

1830

01:15:16,390 --> 01:15:15,360

and look at it and see what kind of

1831

01:15:20,330 --> 01:15:16,400

Technology

1832

01:15:22,250 --> 01:15:20,340

get the data from it so sure there's

1833

01:15:24,830 --> 01:15:22,260

there's grass retrieval programs but

1834

01:15:27,350 --> 01:15:24,840

it's a big leap from a Russian satellite

1835

01:15:29,630 --> 01:15:27,360

coming down that we go and grab

1836

01:15:32,390 --> 01:15:29,640

you know wherever it comes down

1837

01:15:34,970 --> 01:15:32,400

and I'm aware of at least a few cases of

1838

01:15:36,649 --> 01:15:34,980

Russian space junk coming down in weird

1839

01:15:39,050 --> 01:15:36,659

countries like third world countries

1840

01:15:40,430 --> 01:15:39,060

like Sudan or something and yeah the

1841

01:15:42,410 --> 01:15:40,440

United States will go over and just tell

1842

01:15:45,229 --> 01:15:42,420

that country like we're taking this

1843

01:15:47,450 --> 01:15:45,239

and they do but you know so I think

1844

01:15:50,270 --> 01:15:47,460

people may be conflating real the

1845

01:15:53,090 --> 01:15:50,280

reality of of real crash retrievals that

1846

01:15:55,310 --> 01:15:53,100

have happened with something alien or

1847

01:15:56,930 --> 01:15:55,320

out of this world and this these

1848

01:15:59,030 --> 01:15:56,940

narratives that people are pushing the

1849

01:16:01,490 --> 01:15:59,040

disclosure's coming and we're we have

1850

01:16:03,350 --> 01:16:01,500

this crash retrieval whistleblowers

1851

01:16:05,390 --> 01:16:03,360

they're talking about people like the

1852

01:16:07,130 --> 01:16:05,400

people in Jacques valet's book

1853

01:16:10,490 --> 01:16:07,140

that's the whistleblowers that they're

1854

01:16:13,430 --> 01:16:10,500

talking about a guy who was a proven

1855

01:16:16,430 --> 01:16:13,440

liar you know who lied throughout his

1856

01:16:17,330 --> 01:16:16,440

whole story it's ridic they're based

1857

01:16:19,310 --> 01:16:17,340

it's like

1858

01:16:21,590 --> 01:16:19,320

it's a house of cards the whole thing is

1859

01:16:23,810 --> 01:16:21,600

one big house of cards and it just one

1860

01:16:26,570 --> 01:16:23,820

flick and the whole thing comes crashing

1861

01:16:28,669 --> 01:16:26,580

down is fake and it's frustrating to me

1862

01:16:30,410 --> 01:16:28,679

because there's so many people in the

1863

01:16:31,970 --> 01:16:30,420

UFO community that are pushing this

1864

01:16:33,350 --> 01:16:31,980

stuff even people I thought were a

1865

01:16:35,570 --> 01:16:33,360

little more grounded

1866

01:16:37,610 --> 01:16:35,580

you know like I don't know if you're

1867

01:16:40,310 --> 01:16:37,620

aware of Robert Salas and the nuclear

1868

01:16:42,649 --> 01:16:40,320

you know the the whole story you know he

1869

01:16:44,750 --> 01:16:42,659

he uh he was a military officer and

1870

01:16:47,270 --> 01:16:44,760

there was a UFO over a nuclear base and

1871

01:16:48,830 --> 01:16:47,280

it shut down the nukes and stuff you

1872

01:16:50,570 --> 01:16:48,840

know uh and there's some verifiable

1873

01:16:52,550 --> 01:16:50,580

parts of his story but the problem is

1874

01:16:54,410 --> 01:16:52,560

that Robert Salas later started telling

1875

01:16:56,570 --> 01:16:54,420

stories about being abducted by aliens

1876

01:16:59,270 --> 01:16:56,580

and meeting aliens in his bedroom and

1877

01:17:02,149 --> 01:16:59,280

having conversations and and just the

1878

01:17:04,610 --> 01:17:02,159

Wackadoo comes in so people are saying

1879

01:17:07,250 --> 01:17:04,620

oh no like Robert Salas is credible and

1880

01:17:11,090 --> 01:17:07,260

he he's a military guy he's also a

1881

01:17:13,310 --> 01:17:11,100

wackadoo so you know we have to be very

1882

01:17:15,290 --> 01:17:13,320

careful in our expectations of these

1883

01:17:16,490 --> 01:17:15,300

so-called whistleblowers for all we know

1884

01:17:19,070 --> 01:17:16,500

they're talking about Bob Lazar

1885

01:17:21,229 --> 01:17:19,080

convicted fake scientists being one of

1886

01:17:23,450 --> 01:17:21,239

these whistleblowers you know it was the

1887

01:17:25,370 --> 01:17:23,460

same with the rendersham forest event

1888

01:17:27,830 --> 01:17:25,380

too I'm sure you're from yeah they just

1889

01:17:29,810 --> 01:17:27,840

they kept adding on to that thing right

1890

01:17:32,990 --> 01:17:29,820

and it became a whole myth that on into

1891

01:17:35,270 --> 01:17:33,000

uh if certainly they saw something

1892

01:17:38,930 --> 01:17:35,280

strange in that Forest certainly they

1893

01:17:41,149 --> 01:17:38,940

did but it just kept getting added on to

1894

01:17:42,890 --> 01:17:41,159

and added on to and and you know it was

1895

01:17:44,810 --> 01:17:42,900

like every time they those guys needed

1896

01:17:47,270 --> 01:17:44,820

money apparently there was a new part to

1897

01:17:49,550 --> 01:17:47,280

the story in another documentary you

1898

01:17:52,010 --> 01:17:49,560

know the binary code gets added yeah

1899

01:17:53,510 --> 01:17:52,020

which makes no sense like aliens are

1900

01:17:55,430 --> 01:17:53,520

going to come here from another star

1901

01:17:58,729 --> 01:17:55,440

system where Time Travelers and they're

1902

01:18:01,189 --> 01:17:58,739

gonna they're gonna transmit messages in

1903

01:18:04,149 --> 01:18:01,199

binary that translates to human English

1904

01:18:06,590 --> 01:18:04,159

perfectly it does it doesn't make sense

1905

01:18:07,430 --> 01:18:06,600

you know I I think a lot of these

1906

01:18:09,770 --> 01:18:07,440

stories

1907

01:18:12,590 --> 01:18:09,780

are myths and they're built on you know

1908

01:18:14,990 --> 01:18:12,600

other myths and but back to the

1909

01:18:17,930 --> 01:18:15,000

whistleblowers we never get their names

1910

01:18:19,850 --> 01:18:17,940

all these people are claiming you know

1911

01:18:21,590 --> 01:18:19,860

that there are

1912

01:18:23,330 --> 01:18:21,600

um you know whistleblowers that are

1913

01:18:25,070 --> 01:18:23,340

coming forward for sure or

1914

01:18:26,990 --> 01:18:25,080

whistleblowers have already testified

1915

01:18:28,490 --> 01:18:27,000

and then I'm always kind of like well

1916

01:18:30,410 --> 01:18:28,500

then give us their names let me

1917

01:18:33,169 --> 01:18:30,420

interview this guy and and find out what

1918

01:18:37,550 --> 01:18:33,179

he knows we never get that we never ever

1919

01:18:41,990 --> 01:18:37,560

get that we get some nonsense right

1920

01:18:43,610 --> 01:18:42,000

yeah the um it's like the the blame game

1921

01:18:45,770 --> 01:18:43,620

right they'll they'll just blame

1922

01:18:47,810 --> 01:18:45,780

somebody else or say that it's somebody

1923

01:18:49,490 --> 01:18:47,820

else oh no it was

1924

01:18:51,290 --> 01:18:49,500

you know what's his name down the street

1925

01:18:53,330 --> 01:18:51,300

he's the one that told me well what's

1926

01:18:55,610 --> 01:18:53,340

his name oh I don't know you know like

1927

01:18:57,890 --> 01:18:55,620

you can't you can't talk to him only I

1928

01:19:00,350 --> 01:18:57,900

can talk to him right that's the the

1929

01:19:02,810 --> 01:19:00,360

whole secrecy and that's what holds this

1930

01:19:06,649 --> 01:19:02,820

whole thing together right is just

1931

01:19:09,290 --> 01:19:06,659

people saying that it was a CIA asset

1932

01:19:11,390 --> 01:19:09,300

that it was a FBI asset high up in the

1933

01:19:14,209 --> 01:19:11,400

military all right Black Ops officer

1934

01:19:16,430 --> 01:19:14,219

told me that uh that we have people in

1935

01:19:19,330 --> 01:19:16,440

space and that there's people on Mars

1936

01:19:22,070 --> 01:19:19,340

and all the stuff and the 120

1937

01:19:25,669 --> 01:19:22,080

extraterrestrial species are visiting

1938

01:19:28,370 --> 01:19:25,679

Earth that one guy in um I think he was

1939

01:19:31,070 --> 01:19:28,380

a president of a a country

1940

01:19:33,590 --> 01:19:31,080

he came out and said that

1941

01:19:37,850 --> 01:19:33,600

he found out that there was like I don't

1942

01:19:40,370 --> 01:19:37,860

know 150 extra terrestrials on on the

1943

01:19:42,590 --> 01:19:40,380

planet and it turned out that he got

1944

01:19:45,050 --> 01:19:42,600

that information from his daughter his

1945

01:19:47,030 --> 01:19:45,060

daughter just randomly told him that and

1946

01:19:49,070 --> 01:19:47,040

then it turns out that she got that

1947

01:19:50,870 --> 01:19:49,080

information from watching Laura

1948

01:19:53,689 --> 01:19:50,880

Eisenhower show

1949

01:19:56,050 --> 01:19:53,699

yeah but the story got totally Twisted

1950

01:19:59,030 --> 01:19:56,060

that he said that there's

1951

01:20:00,950 --> 01:19:59,040

extraterrestrials when reality is he was

1952

01:20:04,669 --> 01:20:00,960

just talking about well my granddaughter

1953

01:20:06,950 --> 01:20:04,679

told me this story about this it gets

1954

01:20:08,689 --> 01:20:06,960

twisted around and there also seems to

1955

01:20:11,450 --> 01:20:08,699

be we were talking about narratives

1956

01:20:13,910 --> 01:20:11,460

tonight this narrative that all of these

1957

01:20:16,070 --> 01:20:13,920

UFO and disclosure people push that they

1958

01:20:18,050 --> 01:20:16,080

have Insider information that the rest

1959

01:20:21,229 --> 01:20:18,060

of us don't get access to they have

1960

01:20:22,669 --> 01:20:21,239

special access to certain people within

1961

01:20:25,310 --> 01:20:22,679

the government or within the

1962

01:20:27,350 --> 01:20:25,320

intelligence Community or whatever and

1963

01:20:30,050 --> 01:20:27,360

uh we're gonna cite fair use I want to

1964

01:20:34,550 --> 01:20:30,060

get your reaction to this clown

1965

01:20:37,070 --> 01:20:34,560

um and and uh I I just I have to shake

1966

01:20:40,850 --> 01:20:37,080

my head and and this is one of the uh

1967

01:20:43,669 --> 01:20:40,860

disclosure Advocate Talking Heads and uh

1968

01:20:45,830 --> 01:20:43,679

he's got secret Insider information and

1969

01:20:48,169 --> 01:20:45,840

just so happens to be working the UFO

1970

01:20:50,390 --> 01:20:48,179

conference circuits right and he'll

1971

01:20:52,910 --> 01:20:50,400

share his information with you for a

1972

01:20:54,890 --> 01:20:52,920

price yeah 4K thing is is strange the

1973

01:20:56,630 --> 01:20:54,900

fact that we have the camera phones it

1974

01:20:59,810 --> 01:20:56,640

you you would think that you'd be seeing

1975

01:21:02,209 --> 01:20:59,820

more seeing more documentation

1976

01:21:05,689 --> 01:21:02,219

and maybe there is and at the same time

1977

01:21:08,630 --> 01:21:05,699

there is a lot of this this other sensor

1978

01:21:11,870 --> 01:21:08,640

data that that people are trying to hold

1979

01:21:15,110 --> 01:21:11,880

on to and people keep mentioning right

1980

01:21:17,810 --> 01:21:15,120

and so I'm I'm hopeful and from what

1981

01:21:20,570 --> 01:21:17,820

I've heard from various folks like Chris

1982

01:21:22,010 --> 01:21:20,580

and like Ryan there's there's a high

1983

01:21:25,130 --> 01:21:22,020

level of confidence that some of this

1984

01:21:28,130 --> 01:21:25,140

material is going to be seen by the

1985

01:21:31,910 --> 01:21:28,140

public soon and or that people are going

1986

01:21:34,010 --> 01:21:31,920

to be hearing from whistleblowers that

1987

01:21:36,950 --> 01:21:34,020

have worked in confidential programs

1988

01:21:38,149 --> 01:21:36,960

that have been studying this issue that

1989

01:21:40,430 --> 01:21:38,159

have been paid

1990

01:21:42,649 --> 01:21:40,440

by the military or by defense

1991

01:21:44,810 --> 01:21:42,659

contractors to really tackle this issue

1992

01:21:46,729 --> 01:21:44,820

and that some of those people have

1993

01:21:50,050 --> 01:21:46,739

already testified not just to the arrow

1994

01:21:59,149 --> 01:21:55,189

to uh to uh congressional committees

1995

01:22:01,490 --> 01:21:59,159

and have also a test that have given

1996

01:22:06,610 --> 01:22:01,500

testimony to Independent journalists

1997

01:22:10,250 --> 01:22:08,689

in some ways there are some contingency

1998

01:22:12,470 --> 01:22:10,260

plans for some of these whistleblowers

1999

01:22:14,630 --> 01:22:12,480

which is quite smart that you know a lot

2000

01:22:16,910 --> 01:22:14,640

of people don't trust the Pentagon a lot

2001
01:22:18,890 --> 01:22:16,920
of people don't trust Congress sure but

2002
01:22:21,169 --> 01:22:18,900
you know if these people are kind of

2003
01:22:23,810 --> 01:22:21,179
like putting their ducks in a row to to

2004
01:22:28,430 --> 01:22:23,820
talk to the right amount of people and

2005
01:22:29,630 --> 01:22:28,440
across a range of backgrounds then um it

2006
01:22:31,570 --> 01:22:29,640
seems like some of that information is

2007
01:22:33,590 --> 01:22:31,580
going to be coming out pretty soon

2008
01:22:35,330 --> 01:22:33,600
pretty soon would you consider that like

2009
01:22:37,970 --> 01:22:35,340
like disclosure when people talk about

2010
01:22:40,490 --> 01:22:37,980
the disclosure yeah like how long do you

2011
01:22:43,550 --> 01:22:40,500
think until that moment when you know

2012
01:22:45,649 --> 01:22:43,560
the public is made aware like hey there

2013
01:22:48,770 --> 01:22:45,659

is a confirmation that there is you know

2014

01:22:50,630 --> 01:22:48,780

extraterrestrial non-human life yeah I

2015

01:22:53,810 --> 01:22:50,640

mean I think that there's

2016

01:22:55,729 --> 01:22:53,820

that it's very very likely that it's

2017

01:22:58,010 --> 01:22:55,739

like a comedy we're going to have

2018

01:23:00,410 --> 01:22:58,020

significant Revelations about that

2019

01:23:04,010 --> 01:23:00,420

within the next within the next year

2020

01:23:05,390 --> 01:23:04,020

within the next like 365 days given what

2021

01:23:07,570 --> 01:23:05,400

some of these whistleblowers have been

2022

01:23:10,310 --> 01:23:07,580

talking about

2023

01:23:13,550 --> 01:23:10,320

with regard to the idea of recovery

2024

01:23:16,790 --> 01:23:13,560

craft there we go by a non-human species

2025

01:23:19,790 --> 01:23:16,800

right that like that there is in

2026
01:23:22,250 --> 01:23:19,800
possession by some defense contractor

2027
01:23:24,229 --> 01:23:22,260
out there or multiple

2028
01:23:25,910 --> 01:23:24,239
um material that

2029
01:23:29,390 --> 01:23:25,920
um was recovered like a Roswell

2030
01:23:31,910 --> 01:23:29,400
situation that was obviously not human

2031
01:23:34,370 --> 01:23:31,920
civilization right

2032
01:23:37,630 --> 01:23:34,380
um and so I I am aware that some of

2033
01:23:39,709 --> 01:23:37,640
these whistleblowers that have talked

2034
01:23:40,850 --> 01:23:39,719
that have talked to congressional

2035
01:23:43,130 --> 01:23:40,860
committees

2036
01:23:44,689 --> 01:23:43,140
that have talked to people like Kristen

2037
01:23:46,550 --> 01:23:44,699
gillibrand who recently did a public

2038
01:23:47,630 --> 01:23:46,560

hearing on UAP issues just a few weeks

2039

01:23:49,070 --> 01:23:47,640

ago

2040

01:23:51,350 --> 01:23:49,080

um you know what these people have heard

2041

01:23:53,990 --> 01:23:51,360

these stories that have thrown people

2042

01:23:55,550 --> 01:23:54,000

that aren't just uh ex-military

2043

01:23:58,970 --> 01:23:55,560

Witnesses better people that were

2044

01:24:02,950 --> 01:23:58,980

actually that were tasked with dealing

2045

01:24:05,030 --> 01:24:02,960

with components or or objects that that

2046

01:24:07,550 --> 01:24:05,040

were recovered

2047

01:24:10,010 --> 01:24:07,560

so this is the narrative and this is

2048

01:24:13,250 --> 01:24:10,020

just one of the talking heads that we

2049

01:24:15,110 --> 01:24:13,260

have that's running around and I I think

2050

01:24:17,270 --> 01:24:15,120

it's very suspicious writer what do you

2051
01:24:19,790 --> 01:24:17,280
think is it very suspicious that

2052
01:24:22,250 --> 01:24:19,800
multiple people are using the exact same

2053
01:24:24,590 --> 01:24:22,260
talking points almost as if they

2054
01:24:27,169 --> 01:24:24,600
memorize these exact talking points

2055
01:24:29,209 --> 01:24:27,179
crash retrievals they've already

2056
01:24:31,970 --> 01:24:29,219
testified before Congress or before

2057
01:24:35,030 --> 01:24:31,980
Arrow and by the way uh we're gonna be

2058
01:24:37,010 --> 01:24:35,040
uh investigating these specific people

2059
01:24:38,810 --> 01:24:37,020
making all these claims I'm going to

2060
01:24:40,910 --> 01:24:38,820
collect up the clips of all these people

2061
01:24:43,490 --> 01:24:40,920
that are saying the same thing

2062
01:24:45,350 --> 01:24:43,500
it's very suspicious to me why are so

2063
01:24:47,390 --> 01:24:45,360

many people saying the exact same thing

2064

01:24:50,149 --> 01:24:47,400

is it just they're all delusional

2065

01:24:52,430 --> 01:24:50,159

sharing stories with each other well I

2066

01:24:54,709 --> 01:24:52,440

think that he made it pretty clear In

2067

01:24:56,090 --> 01:24:54,719

that clip that she played that we're

2068

01:24:57,169 --> 01:24:56,100

getting disclosure in the next year

2069

01:25:02,510 --> 01:24:57,179

Ryder

2070

01:25:05,290 --> 01:25:02,520

well not only that but that the Pentagon

2071

01:25:08,689 --> 01:25:05,300

has spokespeople that the Pentagon

2072

01:25:11,330 --> 01:25:08,699

painted people to go out there and talk

2073

01:25:12,649 --> 01:25:11,340

about UFOs because people don't trust

2074

01:25:16,250 --> 01:25:12,659

what the Pentagon and the government

2075

01:25:18,050 --> 01:25:16,260

says he just confirmed it in that clip

2076

01:25:19,790 --> 01:25:18,060

that she played he just said that he

2077

01:25:22,070 --> 01:25:19,800

said the public doesn't trust the

2078

01:25:25,070 --> 01:25:22,080

Pentagon or the government so they have

2079

01:25:27,290 --> 01:25:25,080

to put somebody in there to disseminate

2080

01:25:29,090 --> 01:25:27,300

the information

2081

01:25:30,410 --> 01:25:29,100

right there it is you just told you

2082

01:25:33,110 --> 01:25:30,420

exactly what's happened yeah I mean

2083

01:25:35,570 --> 01:25:33,120

people are paid by the Pentagon and by

2084

01:25:39,290 --> 01:25:35,580

the government to disclose

2085

01:25:41,149 --> 01:25:39,300

this uh information to the public

2086

01:25:43,790 --> 01:25:41,159

it seems very suspicious to me

2087

01:25:46,310 --> 01:25:43,800

especially with so many of the same so

2088

01:25:48,649 --> 01:25:46,320

many of these Talking Heads saying the

2089

01:25:51,110 --> 01:25:48,659

same thing and by the way that guy came

2090

01:25:52,729 --> 01:25:51,120

out of nowhere and suddenly he's he's at

2091

01:25:54,770 --> 01:25:52,739

contact in the desert this year and

2092

01:25:58,310 --> 01:25:54,780

other stuff like

2093

01:26:01,250 --> 01:25:58,320

it just boggles my mind like he's and

2094

01:26:06,110 --> 01:26:01,260

and by the way he's called a UFO expert

2095

01:26:09,669 --> 01:26:06,120

suddenly like okay he's an expert writer

2096

01:26:11,990 --> 01:26:09,679

Lee and it's this it's it's just this

2097

01:26:13,610 --> 01:26:12,000

narrative being pushed by so many

2098

01:26:15,830 --> 01:26:13,620

different people many of which have

2099

01:26:18,530 --> 01:26:15,840

intelligence Community ties

2100

01:26:21,110 --> 01:26:18,540

you know the Gary Nolan and this John

2101
01:26:24,770 --> 01:26:21,120
Ramirez and that we have also I wanted

2102
01:26:27,530 --> 01:26:24,780
to get your take on the CIA infiltration

2103
01:26:29,450 --> 01:26:27,540
into the UFO Community it used to be

2104
01:26:32,030 --> 01:26:29,460
that they would manipulate people from

2105
01:26:34,970 --> 01:26:32,040
the Shadows like benowitz and others and

2106
01:26:38,390 --> 01:26:34,980
now you know they're right here since

2107
01:26:41,090 --> 01:26:38,400
ttsa the UFO Community is absolutely

2108
01:26:43,970 --> 01:26:41,100
filled with CIA people we've got John

2109
01:26:46,910 --> 01:26:43,980
Ramirez we're I call them alphabet soup

2110
01:26:49,910 --> 01:26:46,920
agency people because we've got FBI

2111
01:26:52,550 --> 01:26:49,920
people Dia people NSA people and a lot

2112
01:26:55,189 --> 01:26:52,560
of CIA people all suddenly front and

2113
01:26:57,290 --> 01:26:55,199

center and and the narrative is oh I'm

2114

01:26:59,149 --> 01:26:57,300

an experimenter I got abducted by aliens

2115

01:27:00,590 --> 01:26:59,159

too when I found out a lot of stuff

2116

01:27:03,350 --> 01:27:00,600

while I was working for the government

2117

01:27:05,169 --> 01:27:03,360

and for you know I'll tell you what I

2118

01:27:08,390 --> 01:27:05,179

know

2119

01:27:12,530 --> 01:27:08,400

I don't understand anybody listening to

2120

01:27:15,050 --> 01:27:12,540

a bunch of Spooks here like and why is

2121

01:27:16,669 --> 01:27:15,060

there so many and they are public like

2122

01:27:17,830 --> 01:27:16,679

Ryder if

2123

01:27:22,310 --> 01:27:17,840

if if if

2124

01:27:24,890 --> 01:27:22,320

20 CIA people suddenly infiltrated like

2125

01:27:27,350 --> 01:27:24,900

the Star Trek Community wouldn't that be

2126
01:27:29,570 --> 01:27:27,360
news that would be news right like what

2127
01:27:32,450 --> 01:27:29,580
are all these CIA people doing here in

2128
01:27:35,149 --> 01:27:32,460
the Star Trek Community but somehow it's

2129
01:27:37,430 --> 01:27:35,159
just oh nobody talks about this like

2130
01:27:40,490 --> 01:27:37,440
there's there's all of these CIA people

2131
01:27:43,970 --> 01:27:40,500
that has infiltrated this the UFO

2132
01:27:46,310 --> 01:27:43,980
Community since 2016. and and they're

2133
01:27:48,110 --> 01:27:46,320
all very public now and they were like

2134
01:27:49,090 --> 01:27:48,120
about they wear like a badge of honor

2135
01:27:52,250 --> 01:27:49,100
too

2136
01:27:54,350 --> 01:27:52,260
what did you do before you became a UFO

2137
01:27:56,870 --> 01:27:54,360
expert all well I worked for uh

2138
01:27:58,490 --> 01:27:56,880

counterintelligence for the CIA

2139

01:28:01,030 --> 01:27:58,500

yeah you what

2140

01:28:05,990 --> 01:28:03,830

that Anjali lady worked for the defense

2141

01:28:07,490 --> 01:28:06,000

intelligence agency do you know what she

2142

01:28:09,950 --> 01:28:07,500

did right or do you know what her job

2143

01:28:13,310 --> 01:28:09,960

was what was it she was an information

2144

01:28:15,649 --> 01:28:13,320

Warfare specialist

2145

01:28:19,129 --> 01:28:15,659

and she's here telling us about the

2146

01:28:21,890 --> 01:28:19,139

aliens now you know none of this makes

2147

01:28:24,110 --> 01:28:21,900

any sense the narratives that are being

2148

01:28:26,689 --> 01:28:24,120

pushed so we've got we've got an

2149

01:28:28,970 --> 01:28:26,699

intelligence Community narrative that is

2150

01:28:30,530 --> 01:28:28,980

being actively pushed that we can verify

2151

01:28:33,470 --> 01:28:30,540

there's all these intelligence people

2152

01:28:35,810 --> 01:28:33,480

since 2016 infiltrating the UFO

2153

01:28:38,450 --> 01:28:35,820

community and then we've got the sort of

2154

01:28:40,729 --> 01:28:38,460

disclosure Advocate narrative that oh

2155

01:28:43,010 --> 01:28:40,739

the crash retrievals they're coming like

2156

01:28:45,830 --> 01:28:43,020

we're going to get the information it's

2157

01:28:48,470 --> 01:28:45,840

like somehow they trust an individual

2158

01:28:51,050 --> 01:28:48,480

over like a group even though the

2159

01:28:53,450 --> 01:28:51,060

individual is working for the exact same

2160

01:28:55,490 --> 01:28:53,460

group right because you would think

2161

01:28:57,350 --> 01:28:55,500

whenever they come out and say oh well

2162

01:28:58,610 --> 01:28:57,360

we don't trust the CIA we don't trust

2163

01:28:59,990 --> 01:28:58,620

the military we don't trust the

2164

01:29:02,390 --> 01:29:00,000

government we don't trust the Pentagon

2165

01:29:04,189 --> 01:29:02,400

to disclose this stuff but we'll trust

2166

01:29:06,350 --> 01:29:04,199

somebody that's working for the

2167

01:29:08,570 --> 01:29:06,360

government someone that's working for

2168

01:29:10,129 --> 01:29:08,580

the Pentagon someone is working for a

2169

01:29:12,410 --> 01:29:10,139

three-letter organization it somehow

2170

01:29:15,530 --> 01:29:12,420

makes it okay then but it doesn't make

2171

01:29:17,030 --> 01:29:15,540

any sense yeah but you know I've often

2172

01:29:19,370 --> 01:29:17,040

talked about The Hunger for this

2173

01:29:21,470 --> 01:29:19,380

information and especially the hunger

2174

01:29:23,510 --> 01:29:21,480

for these stories to be true is so

2175

01:29:24,950 --> 01:29:23,520

strong that people put aside their logic

2176
01:29:27,050 --> 01:29:24,960
and their common sense and they just

2177
01:29:29,030 --> 01:29:27,060
think well if

2178
01:29:30,890 --> 01:29:29,040
he used to work for the government now

2179
01:29:33,350 --> 01:29:30,900
he's going to tell us the truth or you

2180
01:29:36,649 --> 01:29:33,360
know you're right it's it's bizarre

2181
01:29:38,510 --> 01:29:36,659
it isn't it and it's to the I want to

2182
01:29:41,990 --> 01:29:38,520
believe things so it always goes back to

2183
01:29:45,070 --> 01:29:42,000
and people have such a

2184
01:29:47,990 --> 01:29:45,080
maybe possibly such a crappy life Steve

2185
01:29:50,570 --> 01:29:48,000
that they are and they hate it here so

2186
01:29:52,970 --> 01:29:50,580
much that they're willing to believe in

2187
01:29:56,750 --> 01:29:52,980
impossibilities

2188
01:30:00,110 --> 01:29:56,760

right and I personally believe that a

2189

01:30:02,750 --> 01:30:00,120

lot of this goes back to a lot of the

2190

01:30:04,490 --> 01:30:02,760

stories throughout religion and I'm not

2191

01:30:07,930 --> 01:30:04,500

picking on just one religion here I'm

2192

01:30:11,470 --> 01:30:07,940

just saying all of it right all of the

2193

01:30:13,550 --> 01:30:11,480

exaggerated fairy tales that we get from

2194

01:30:16,010 --> 01:30:13,560

religion because a lot of people are

2195

01:30:17,510 --> 01:30:16,020

indoctrinated with religion and they

2196

01:30:18,830 --> 01:30:17,520

hang on to those beliefs and I'm not

2197

01:30:20,330 --> 01:30:18,840

saying that that's a bad thing if you

2198

01:30:23,090 --> 01:30:20,340

believe in religion and it's bettered

2199

01:30:25,250 --> 01:30:23,100

your life kudos to you absolutely not

2200

01:30:28,669 --> 01:30:25,260

hitting on you whatsoever

2201

01:30:31,850 --> 01:30:28,679

but those fairy tales and those

2202

01:30:34,189 --> 01:30:31,860

stories that are unbelievable has

2203

01:30:37,430 --> 01:30:34,199

transferred over onto this topic as well

2204

01:30:39,350 --> 01:30:37,440

and they're more apt to believe in

2205

01:30:41,870 --> 01:30:39,360

something that is not possible that

2206

01:30:45,229 --> 01:30:41,880

makes no common sense no logic

2207

01:30:48,590 --> 01:30:45,239

that cannot possibly be happening in

2208

01:30:50,270 --> 01:30:48,600

this reality they're more adapt to

2209

01:30:53,689 --> 01:30:50,280

believe it happening something different

2210

01:30:55,790 --> 01:30:53,699

happening than believing the uh the

2211

01:30:58,310 --> 01:30:55,800

Miracles and the things of the Bible

2212

01:31:01,189 --> 01:30:58,320

even though they're basically both the

2213

01:31:03,709 --> 01:31:01,199

exact same thing they're both made up

2214

01:31:06,229 --> 01:31:03,719

fairy tales in my personal

2215

01:31:08,110 --> 01:31:06,239

um opinion right there's no difference

2216

01:31:11,330 --> 01:31:08,120

between

2217

01:31:14,030 --> 01:31:11,340

Moses splitting the Red Seas and

2218

01:31:18,649 --> 01:31:14,040

everyone being able to travel across the

2219

01:31:21,110 --> 01:31:18,659

seas then a uh extraterrestrial with uh

2220

01:31:23,270 --> 01:31:21,120

highly advanced technology coming down

2221

01:31:25,550 --> 01:31:23,280

here and abducting people and taking

2222

01:31:26,810 --> 01:31:25,560

them to another galaxy they're one and

2223

01:31:29,209 --> 01:31:26,820

the same to me

2224

01:31:31,250 --> 01:31:29,219

and if people don't want to believe it's

2225

01:31:33,950 --> 01:31:31,260

it's a new religion is what it is it's

2226

01:31:36,709 --> 01:31:33,960

just a new age new religion or the

2227

01:31:40,370 --> 01:31:36,719

extraterrestrials are worshiped and not

2228

01:31:42,350 --> 01:31:40,380

the uh Gods yeah it's the same kind of

2229

01:31:44,030 --> 01:31:42,360

thing the space Brothers stories like

2230

01:31:45,530 --> 01:31:44,040

they care about us and we're wrecking

2231

01:31:47,629 --> 01:31:45,540

the planet they want to help us with

2232

01:31:50,689 --> 01:31:47,639

technology and and they're going to come

2233

01:31:53,390 --> 01:31:50,699

and save us just like the gods will when

2234

01:31:55,250 --> 01:31:53,400

we call to the gods you could be you

2235

01:31:57,950 --> 01:31:55,260

could be right you know I mean I was

2236

01:32:00,830 --> 01:31:57,960

raised very Christian and Catholic but I

2237

01:32:03,290 --> 01:32:00,840

have my doubts a lot of times you know I

2238

01:32:07,149 --> 01:32:03,300

I consider it like uh

2239

01:32:09,830 --> 01:32:07,159

I consider my religious upbringing to be

2240

01:32:12,410 --> 01:32:09,840

beneficial from the perspective of a

2241

01:32:13,910 --> 01:32:12,420

basic morality but do I think that I'd

2242

01:32:16,070 --> 01:32:13,920

be going around like killing and

2243

01:32:17,990 --> 01:32:16,080

murdering people if I didn't have that

2244

01:32:20,209 --> 01:32:18,000

not really I think I'd probably still be

2245

01:32:22,490 --> 01:32:20,219

a decent person but it does give you

2246

01:32:25,310 --> 01:32:22,500

some sort of moral framework and tools

2247

01:32:28,010 --> 01:32:25,320

to uh try to approach life with maybe

2248

01:32:29,450 --> 01:32:28,020

right absolutely and I think that the

2249

01:32:31,550 --> 01:32:29,460

the because I've done a lot of study

2250

01:32:35,770 --> 01:32:31,560

into the Bible and Christianity and I

2251

01:32:38,990 --> 01:32:35,780

think that the whole Bible is a

2252

01:32:40,970 --> 01:32:39,000

symbolic and allegorical and

2253

01:32:43,850 --> 01:32:40,980

metaphorical texts

2254

01:32:46,669 --> 01:32:43,860

you know and it's not meant to be taken

2255

01:32:48,470 --> 01:32:46,679

literally just yeah I I disagree with

2256

01:32:50,090 --> 01:32:48,480

those Nutters that like really believe

2257

01:32:51,470 --> 01:32:50,100

the world's only five thousand years old

2258

01:32:53,330 --> 01:32:51,480

and there was no dinosaurs because

2259

01:32:57,169 --> 01:32:53,340

they're not in the Bible and

2260

01:32:58,370 --> 01:32:57,179

that it's not a science book people you

2261

01:33:00,709 --> 01:32:58,380

know

2262

01:33:02,030 --> 01:33:00,719

and when they talk about all these

2263

01:33:04,729 --> 01:33:02,040

things in the Bible it's it's

2264

01:33:05,990 --> 01:33:04,739

metaphorical and it's allegorical and

2265

01:33:08,149 --> 01:33:06,000

you can take that and you can apply

2266

01:33:11,990 --> 01:33:08,159

those metaphors and those allegories to

2267

01:33:13,550 --> 01:33:12,000

your personal life right like the uh the

2268

01:33:16,610 --> 01:33:13,560

the Third Temple that's talked about

2269

01:33:18,290 --> 01:33:16,620

being built in uh Jerusalem you know

2270

01:33:20,629 --> 01:33:18,300

whenever Jesus comes back and all that

2271

01:33:22,729 --> 01:33:20,639

well if you read the Bible you realize

2272

01:33:26,090 --> 01:33:22,739

that the temples that are talked about

2273

01:33:27,950 --> 01:33:26,100

in the Bible aren't physical temples

2274

01:33:31,189 --> 01:33:27,960

it says in the book of Isaiah that the

2275

01:33:32,570 --> 01:33:31,199

temples of God are the temples that are

2276

01:33:35,030 --> 01:33:32,580

in front of your ears and behind your

2277

01:33:36,470 --> 01:33:35,040

eyes it's the temples of your mind oh

2278

01:33:38,149 --> 01:33:36,480

that's interesting yeah and you know

2279

01:33:39,590 --> 01:33:38,159

there's the Gospel of Thomas that

2280

01:33:42,110 --> 01:33:39,600

they've ripped out of the Bible because

2281

01:33:44,930 --> 01:33:42,120

it says there should be no building to

2282

01:33:47,629 --> 01:33:44,940

Worship in you worship outside under the

2283

01:33:49,610 --> 01:33:47,639

glory of God's sky and Earth you know

2284

01:33:51,470 --> 01:33:49,620

Worship in your mind but if there's no

2285

01:33:53,510 --> 01:33:51,480

church we can't collect money so they

2286

01:33:56,390 --> 01:33:53,520

rip that right out of the Bible you know

2287

01:33:58,550 --> 01:33:56,400

but back to this UFO narrative you know

2288

01:34:00,350 --> 01:33:58,560

the we've got this guy Christopher King

2289

01:34:02,870 --> 01:34:00,360

and all these other people and they are

2290

01:34:05,390 --> 01:34:02,880

convinced that we're gonna get these

2291

01:34:07,010 --> 01:34:05,400

disclosures in the next year do you

2292

01:34:09,830 --> 01:34:07,020

think this is just another chase the

2293

01:34:12,830 --> 01:34:09,840

carrot Kick the Can down the road that

2294

01:34:15,649 --> 01:34:12,840

we've all seen before you know 10 times

2295

01:34:17,510 --> 01:34:15,659

now or absolutely do they really have

2296

01:34:19,490 --> 01:34:17,520

any and the other thing is they all

2297

01:34:21,470 --> 01:34:19,500

pretend to be some kind of secret agents

2298

01:34:25,250 --> 01:34:21,480

right like I've got Insider information

2299

01:34:27,410 --> 01:34:25,260

and and I'm hearing this but they never

2300

01:34:29,450 --> 01:34:27,420

name names you can't corroborate

2301

01:34:32,990 --> 01:34:29,460

anything they're saying so to me it's

2302

01:34:36,169 --> 01:34:33,000

like it's like guys LARPing being uh you

2303

01:34:38,270 --> 01:34:36,179

know Fox Mulder or something it's it's

2304

01:34:40,910 --> 01:34:38,280

kind of ridiculous

2305

01:34:43,850 --> 01:34:40,920

it is really ridiculous and if they were

2306

01:34:46,850 --> 01:34:43,860

smart Steve they would put the date

2307

01:34:50,570 --> 01:34:46,860

really far in the future 10 years 20

2308

01:34:52,010 --> 01:34:50,580

years yeah yeah right so then when the

2309

01:34:54,590 --> 01:34:52,020

date passes

2310

01:34:57,470 --> 01:34:54,600

no one will you know they won't be

2311

01:34:59,990 --> 01:34:57,480

called out on their uh nonsense

2312

01:35:02,750 --> 01:35:00,000

right so the if they put it out you know

2313

01:35:06,970 --> 01:35:02,760

let's say 2040 right no one will care by

2314

01:35:09,229 --> 01:35:06,980

2040. this all been blown over by 24.

2315

01:35:10,910 --> 01:35:09,239

people will forget they said that but

2316

01:35:13,850 --> 01:35:10,920

when you give a hard and fast date like

2317

01:35:15,530 --> 01:35:13,860

a year away people remember that you

2318

01:35:17,570 --> 01:35:15,540

know like and people are given these

2319

01:35:19,669 --> 01:35:17,580

dates now you know and we have to

2320

01:35:22,370 --> 01:35:19,679

remember that people like this UFO Jesus

2321

01:35:25,970 --> 01:35:22,380

that we started our show with you know

2322

01:35:27,649 --> 01:35:25,980

disclosure disclosure he said when tsa

2323

01:35:30,110 --> 01:35:27,659

formed that that was the first day of

2324

01:35:33,169 --> 01:35:30,120

disclosure and that disclosure was here

2325

01:35:35,750 --> 01:35:33,179

and we got nothing we got we got the the

2326

01:35:37,070 --> 01:35:35,760

only disclosure we got from ttsa is they

2327

01:35:38,870 --> 01:35:37,080

really liked money

2328

01:35:41,030 --> 01:35:38,880

that's all we got

2329

01:35:43,189 --> 01:35:41,040

and and they were filled with CIA people

2330

01:35:45,050 --> 01:35:43,199

and they said they'd build a spaceship

2331

01:35:47,750 --> 01:35:45,060

we never got to spaceship or anything

2332

01:35:49,910 --> 01:35:47,760

else you know they said oh by the way

2333

01:35:52,189 --> 01:35:49,920

ttsa is one of the people they they had

2334

01:35:55,129 --> 01:35:52,199

Arts Parts they had possession of exotic

2335

01:35:57,290 --> 01:35:55,139

materials we never got any detail we

2336

01:35:59,149 --> 01:35:57,300

never got real confirmation from science

2337

01:36:02,510 --> 01:35:59,159

that they it was anything other than

2338

01:36:05,510 --> 01:36:02,520

junk metal junk which is what Art Bell

2339

01:36:07,910 --> 01:36:05,520

thought it was not a nothing Burger

2340

01:36:11,090 --> 01:36:07,920

yep so the narratives keep coming

2341

01:36:13,850 --> 01:36:11,100

writerly and but you I think and me will

2342

01:36:17,450 --> 01:36:13,860

be on the front lines of of educating

2343

01:36:20,570 --> 01:36:17,460

people about the the reality versus the

2344

01:36:22,310 --> 01:36:20,580

narratives that are being pushed

2345

01:36:24,530 --> 01:36:22,320

if they're there

2346

01:36:26,930 --> 01:36:24,540

where are they that's my only question

2347

01:36:28,729 --> 01:36:26,940

why don't we see them

2348

01:36:31,669 --> 01:36:28,739

I've seen in the beginning of this uh

2349

01:36:33,950 --> 01:36:31,679

interview and I just want someone to to

2350

01:36:36,169 --> 01:36:33,960

prove and not just keep talking about it

2351
01:36:37,610 --> 01:36:36,179
and telling all these stories about they

2352
01:36:39,290 --> 01:36:37,620
have this classified information from

2353
01:36:41,570 --> 01:36:39,300
these high up CIA high up military

2354
01:36:44,750 --> 01:36:41,580
people that saw this craft like okay

2355
01:36:46,430 --> 01:36:44,760
well that's all well and dandy but you

2356
01:36:48,350 --> 01:36:46,440
know where's the where's the proof

2357
01:36:49,669 --> 01:36:48,360
where's the evidence of any of this

2358
01:36:53,510 --> 01:36:49,679
stuff that you're talking about right

2359
01:36:56,510 --> 01:36:53,520
and until they provide the evidence and

2360
01:37:00,290 --> 01:36:56,520
the proof it is stories

2361
01:37:01,550 --> 01:37:00,300
and guess what stories are stories are

2362
01:37:05,090 --> 01:37:01,560
made up

2363
01:37:07,070 --> 01:37:05,100

and also unless they have some sort of

2364

01:37:09,370 --> 01:37:07,080

evidence or proof backing up their

2365

01:37:12,229 --> 01:37:09,380

claims I am not going to take anything

2366

01:37:14,149 --> 01:37:12,239

that anyone has seen any whistleblower

2367

01:37:18,229 --> 01:37:14,159

or any government official

2368

01:37:20,629 --> 01:37:18,239

at their word you just can't right yeah

2369

01:37:24,290 --> 01:37:20,639

so that's that's really where I'm at

2370

01:37:27,950 --> 01:37:24,300

with this whole narrative and my mind is

2371

01:37:29,750 --> 01:37:27,960

always opened right if they happen if a

2372

01:37:31,970 --> 01:37:29,760

UFO comes and lands in my backyard and

2373

01:37:34,010 --> 01:37:31,980

aliens get out and I can walk up to them

2374

01:37:35,930 --> 01:37:34,020

and shake their hand I'll be the first

2375

01:37:37,250 --> 01:37:35,940

to tell you I'll be the first to come on

2376

01:37:39,530 --> 01:37:37,260

your show I'll be the first to do a

2377

01:37:40,970 --> 01:37:39,540

video yeah we want them exclusive I

2378

01:37:42,470 --> 01:37:40,980

could praise the cash a lot from

2379

01:37:44,530 --> 01:37:42,480

something like that you got to make that

2380

01:37:46,910 --> 01:37:44,540

happen Ryder league

2381

01:37:48,890 --> 01:37:46,920

but listen I don't wanna I don't want to

2382

01:37:52,430 --> 01:37:48,900

keep you too long so I want to remind

2383

01:37:55,250 --> 01:37:52,440

people that Ryder Lee just search the

2384

01:37:57,110 --> 01:37:55,260

YouTube search bar for raised by Giants

2385

01:38:00,169 --> 01:37:57,120

he does excellent work that is

2386

01:38:01,910 --> 01:38:00,179

fact-based and and really digs deep I

2387

01:38:04,850 --> 01:38:01,920

mentioned yesterday and people like this

2388

01:38:07,370 --> 01:38:04,860

saying of mine I love people that get

2389

01:38:10,370 --> 01:38:07,380

right to the bottom of the rabbit hole

2390

01:38:13,490 --> 01:38:10,380

you know go all the way into the bottom

2391

01:38:15,649 --> 01:38:13,500

I want to know all of it and Ryder is

2392

01:38:17,750 --> 01:38:15,659

one of those people he goes to the

2393

01:38:20,629 --> 01:38:17,760

bottom of the rabbit hole he does

2394

01:38:22,910 --> 01:38:20,639

excellent work the link to his YouTube

2395

01:38:25,970 --> 01:38:22,920

channel is also in the description of

2396

01:38:28,250 --> 01:38:25,980

this video good friend of the show and

2397

01:38:30,290 --> 01:38:28,260

uh and I appreciate you being here and

2398

01:38:32,570 --> 01:38:30,300

and helping me sort of explain these

2399

01:38:36,169 --> 01:38:32,580

narratives I think we covered this SSP

2400

01:38:37,790 --> 01:38:36,179

narrative grade and the UFO narrative

2401

01:38:39,530 --> 01:38:37,800

um I think that these narratives are

2402

01:38:41,330 --> 01:38:39,540

going to be falling apart and people are

2403

01:38:43,729 --> 01:38:41,340

getting tired of the Kick the Can and

2404

01:38:44,870 --> 01:38:43,739

you know someday and next year next year

2405

01:38:47,209 --> 01:38:44,880

next year

2406

01:38:49,370 --> 01:38:47,219

if we just keep at them and keep doing

2407

01:38:51,229 --> 01:38:49,380

our thing and it doesn't matter you know

2408

01:38:52,490 --> 01:38:51,239

what anyone says they can say that we're

2409

01:38:53,750 --> 01:38:52,500

full of crap and we don't know what

2410

01:38:56,209 --> 01:38:53,760

we're talking about I mean I've been

2411

01:39:00,350 --> 01:38:56,219

called uneducated and not knowing the

2412

01:39:03,050 --> 01:39:00,360

history of UFOs and UFOs lore a ton of

2413

01:39:05,629 --> 01:39:03,060

times right but they just haven't gone

2414

01:39:08,990 --> 01:39:05,639

deep enough to realize that

2415

01:39:11,149 --> 01:39:09,000

a majority of it if not all of it is

2416

01:39:13,250 --> 01:39:11,159

made up nonsense in other words

2417

01:39:15,050 --> 01:39:13,260

mythology yeah

2418

01:39:16,910 --> 01:39:15,060

one story been kicked down the road

2419

01:39:18,229 --> 01:39:16,920

another person comes along adds on to

2420

01:39:21,110 --> 01:39:18,239

that story and then before you know it

2421

01:39:23,810 --> 01:39:21,120

it becomes a part of uh conspiracy dogma

2422

01:39:26,330 --> 01:39:23,820

and that's really where we are at and

2423

01:39:29,149 --> 01:39:26,340

hopefully people start to uh you know

2424

01:39:33,229 --> 01:39:29,159

find shows like yours and hopefully find

2425

01:39:34,129 --> 01:39:33,239

shows like mine and uh you know get the

2426

01:39:36,229 --> 01:39:34,139

yeah

2427

01:39:37,430 --> 01:39:36,239

dig down deep into the bottom of it and

2428

01:39:39,350 --> 01:39:37,440

really figure it out and hopefully

2429

01:39:41,030 --> 01:39:39,360

they'll be open-minded enough to change

2430

01:39:42,950 --> 01:39:41,040

their mind but I've ran into a lot of

2431

01:39:45,110 --> 01:39:42,960

opposition but thanks so much for having

2432

01:39:47,149 --> 01:39:45,120

me on Steve really appreciate it I

2433

01:39:50,090 --> 01:39:47,159

appreciate you being here I have to get

2434

01:39:52,310 --> 01:39:50,100

you on my show here yes anytime tell me

2435

01:39:54,169 --> 01:39:52,320

when I'll be there I promise you yeah

2436

01:39:55,629 --> 01:39:54,179

the plan is kind of aligned for us this

2437

01:39:57,890 --> 01:39:55,639

evening so yeah

2438

01:40:01,189 --> 01:39:57,900

sometime in the future thanks so much

2439

01:40:02,930 --> 01:40:01,199

thanks Mr Ryder Lee raised by Giants

2440

01:40:04,610 --> 01:40:02,940

friend what a great conversation and

2441

01:40:07,010 --> 01:40:04,620

these are the ones that I truly enjoy

2442

01:40:08,629 --> 01:40:07,020

you know that I don't really like the

2443

01:40:11,209 --> 01:40:08,639

ones where it feels like I'm supposed to

2444

01:40:13,790 --> 01:40:11,219

interview somebody I like it when it's

2445

01:40:15,770 --> 01:40:13,800

just like a conversation and a Ryder and

2446

01:40:18,709 --> 01:40:15,780

me have these excellent conversations

2447

01:40:21,530 --> 01:40:18,719

and uh I want honestly I wanted to talk

2448

01:40:23,629 --> 01:40:21,540

to him about both these things and uh

2449

01:40:25,490 --> 01:40:23,639

selfishly I said let's just do it on the

2450

01:40:27,590 --> 01:40:25,500

show you know so we started talking

2451

01:40:30,290 --> 01:40:27,600

about it no let's just do it on the show

2452

01:40:35,330 --> 01:40:30,300

I like that because I can just take you

2453

01:40:37,970 --> 01:40:35,340

guys with me uh to to do that so so uh

2454

01:40:40,850 --> 01:40:37,980

we have done our due diligence today

2455

01:40:42,470 --> 01:40:40,860

I've got a ton of other work to do uh

2456

01:40:46,010 --> 01:40:42,480

for the show please check out we did

2457

01:40:48,550 --> 01:40:46,020

Premiere a video earlier today uh that

2458

01:40:51,950 --> 01:40:48,560

is pretty funny and uh just

2459

01:40:55,010 --> 01:40:51,960

Ridiculousness of of the grifter squads

2460

01:40:58,850 --> 01:40:55,020

out there and um we're gonna try to make

2461

01:41:01,430 --> 01:40:58,860

it uh you know a point to not engage

2462

01:41:04,430 --> 01:41:01,440

with grifters we've already busted if

2463

01:41:07,850 --> 01:41:04,440

we've busted you as a lying grifting

2464

01:41:10,729 --> 01:41:07,860

scammer I I'm not defending myself from

2465

01:41:11,510 --> 01:41:10,739

whatever you're saying about me anywhere

2466

01:41:13,550 --> 01:41:11,520

else

2467

01:41:16,729 --> 01:41:13,560

if you want to talk about the evidence

2468

01:41:19,370 --> 01:41:16,739

we'll talk about the evidence but you

2469

01:41:22,129 --> 01:41:19,380

know of course the grifter squads uh

2470

01:41:24,649 --> 01:41:22,139

some of them they don't like it when we

2471

01:41:26,090 --> 01:41:24,659

ruin the con and by the way we've got

2472

01:41:29,030 --> 01:41:26,100

more

2473

01:41:32,270 --> 01:41:29,040

on somebody that likes to uh keep

2474

01:41:34,970 --> 01:41:32,280

flapping their gums go ahead you're

2475

01:41:38,810 --> 01:41:34,980

digging your hole deeper every time you

2476

01:41:41,450 --> 01:41:38,820

put my name in your mouth dummy

2477

01:41:44,030 --> 01:41:41,460

we've got more for you lots and lots

2478

01:41:47,209 --> 01:41:44,040

more for you but then I remind myself

2479

01:41:48,590 --> 01:41:47,219

that I have already proven to any

2480

01:41:52,910 --> 01:41:48,600

rational

2481

01:41:55,189 --> 01:41:52,920

person is

2482

01:41:56,330 --> 01:41:55,199

a ridiculous liar

2483

01:41:58,850 --> 01:41:56,340

so

2484

01:42:01,189 --> 01:41:58,860

you know wasting additional effort as

2485

01:42:02,810 --> 01:42:01,199

this guy tells the same Lies over and

2486

01:42:05,290 --> 01:42:02,820

over and over again

2487

01:42:08,510 --> 01:42:05,300

is a is a waste of time and resources

2488

01:42:11,930 --> 01:42:08,520

we've got some big projects here that

2489

01:42:14,090 --> 01:42:11,940

really truly require my attention there

2490

01:42:16,490 --> 01:42:14,100

are things happening behind the scenes

2491

01:42:18,890 --> 01:42:16,500

here that are incredibly exciting I need

2492

01:42:21,109 --> 01:42:18,900

to focus on that I don't care about some

2493

01:42:24,050 --> 01:42:21,119

grifter who wants to lie through his

2494

01:42:26,810 --> 01:42:24,060

teeth for hours and hours and hours what

2495

01:42:29,570 --> 01:42:26,820

are we up to four shows this week where

2496

01:42:30,709 --> 01:42:29,580

somebody's talking smack right but you

2497

01:42:32,810 --> 01:42:30,719

know what they don't want to talk about

2498

01:42:35,629 --> 01:42:32,820

the evidence that we have presented

2499

01:42:39,590 --> 01:42:35,639

let's talk about everything but the

2500

01:42:43,270 --> 01:42:39,600

actual evidence right and let's conceal

2501
01:42:47,990 --> 01:42:43,280
that evidence from the little audience

2502
01:42:51,470 --> 01:42:48,000
the grip Squad busted has left

2503
01:42:55,070 --> 01:42:51,480
great you you do you right but people

2504
01:42:57,350 --> 01:42:55,080
see through that and people know better

2505
01:43:01,129 --> 01:42:57,360
and we've talked about this uh yesterday

2506
01:43:03,590 --> 01:43:01,139
that there's a difference between uh a

2507
01:43:05,570 --> 01:43:03,600
truth revealer and a truth concealer if

2508
01:43:08,810 --> 01:43:05,580
you have to hide evidence from your

2509
01:43:11,090 --> 01:43:08,820
followers or lie to your audience and

2510
01:43:13,729 --> 01:43:11,100
say there is no evidence or that my

2511
01:43:17,450 --> 01:43:13,739
evidence is flawed go through the

2512
01:43:19,970 --> 01:43:17,460
goddamn documentaries you coward do it

2513
01:43:24,050 --> 01:43:19,980

do it you coward go through every minute

2514

01:43:27,350 --> 01:43:24,060

of the these two documentaries and prove

2515

01:43:30,350 --> 01:43:27,360

to your audience where we're wrong

2516

01:43:32,990 --> 01:43:30,360

you won't do that right but you can talk

2517

01:43:34,850 --> 01:43:33,000

about my hair for 20 minutes right my

2518

01:43:38,030 --> 01:43:34,860

hair cut I'm sorry if you don't like my

2519

01:43:42,169 --> 01:43:40,070

you know what you could do though

2520

01:43:45,590 --> 01:43:42,179

you could talk about the evidence

2521

01:43:46,729 --> 01:43:45,600

and isn't it great like that is the

2522

01:43:50,689 --> 01:43:46,739

perfect

2523

01:43:53,689 --> 01:43:50,699

example of of a psychopath

2524

01:43:55,370 --> 01:43:53,699

or a pathological liar if you've ever

2525

01:43:57,770 --> 01:43:55,380

been unfortunate enough to know a

2526

01:44:00,350 --> 01:43:57,780

pathological liar or have one in your

2527

01:44:02,689 --> 01:44:00,360

life that you have to deal with and then

2528

01:44:05,090 --> 01:44:02,699

one day you just snap and you call them

2529

01:44:08,629 --> 01:44:05,100

on all their lies that's what they do

2530

01:44:10,430 --> 01:44:08,639

they react like this like

2531

01:44:13,070 --> 01:44:10,440

they don't want to talk about all the

2532

01:44:15,290 --> 01:44:13,080

times you've caught them lying they want

2533

01:44:18,950 --> 01:44:15,300

to attack you

2534

01:44:22,550 --> 01:44:18,960

right try to muddy the waters right

2535

01:44:24,830 --> 01:44:22,560

anything but talking about the actual

2536

01:44:26,750 --> 01:44:24,840

lies that they have told

2537

01:44:29,930 --> 01:44:26,760

and for some people it's a sickness

2538

01:44:32,149 --> 01:44:29,940

right and I love how some people can

2539

01:44:34,729 --> 01:44:32,159

just say things right and they don't

2540

01:44:37,490 --> 01:44:34,739

have evidence against me right and this

2541

01:44:39,530 --> 01:44:37,500

drives these the grifter Squad crazy

2542

01:44:42,290 --> 01:44:39,540

they all try to dig up dirt on me and

2543

01:44:45,830 --> 01:44:42,300

there's I outside of this I'm pretty

2544

01:44:48,709 --> 01:44:45,840

boring there's not much to find right so

2545

01:44:51,530 --> 01:44:48,719

instead they make up things they attack

2546

01:44:55,550 --> 01:44:51,540

my wife my wife my children my dead

2547

01:44:57,770 --> 01:44:55,560

father right my appearance what does my

2548

01:45:00,950 --> 01:44:57,780

appearance have to do with anything talk

2549

01:45:03,890 --> 01:45:00,960

about the evidence coward talk about the

2550

01:45:06,350 --> 01:45:03,900

evidence you coward right you're gonna

2551

01:45:09,410 --> 01:45:06,360

tell if you're gonna tell your followers

2552

01:45:11,450 --> 01:45:09,420

I have no evidence then show them the

2553

01:45:14,090 --> 01:45:11,460

evidence you're gonna lie through

2554

01:45:16,790 --> 01:45:14,100

there's no evidence there's two goddamn

2555

01:45:21,169 --> 01:45:16,800

documentaries at least about this

2556

01:45:25,669 --> 01:45:21,179

specific grifter Squad right and let me

2557

01:45:27,709 --> 01:45:25,679

just be very clear if you have done so

2558

01:45:30,169 --> 01:45:27,719

many slimy things that somebody can put

2559

01:45:33,169 --> 01:45:30,179

together not one but two complete

2560

01:45:35,209 --> 01:45:33,179

two-hour documentaries about all of the

2561

01:45:37,370 --> 01:45:35,219

deceptive things that you have done

2562

01:45:38,090 --> 01:45:37,380

conning people scamming people lying to

2563

01:45:40,370 --> 01:45:38,100

people

2564

01:45:43,910 --> 01:45:40,380

to get UFO dollars

2565

01:45:48,169 --> 01:45:43,920

don't you dare say there's no evidence

2566

01:45:51,109 --> 01:45:48,179

don't you dare mislead people or muddy

2567

01:45:54,770 --> 01:45:51,119

the waters or make up stories about me

2568

01:45:58,910 --> 01:45:54,780

to make me the bad guy you are a goddamn

2569

01:46:01,850 --> 01:45:58,920

scumbag right and let's get on to other

2570

01:46:05,330 --> 01:46:01,860

things then keep talking about me dummy

2571

01:46:07,970 --> 01:46:05,340

I have clips of this person collecting

2572

01:46:11,330 --> 01:46:07,980

money to do things that he then never

2573

01:46:13,370 --> 01:46:11,340

did and now this person is begging for

2574

01:46:17,510 --> 01:46:13,380

money to do new things that he will

2575

01:46:20,990 --> 01:46:17,520

likely never do and I have all the clips

2576

01:46:23,990 --> 01:46:21,000

keep talking keep talking right and you

2577

01:46:26,450 --> 01:46:24,000

see that shrinking influence and you see

2578

01:46:29,270 --> 01:46:26,460

that shrinking audience what will this

2579

01:46:32,290 --> 01:46:29,280

person do when the few stupid people

2580

01:46:35,209 --> 01:46:32,300

left sending him money see the evidence

2581

01:46:38,990 --> 01:46:35,219

realize they've been lied to for over a

2582

01:46:41,930 --> 01:46:39,000

year and the balls on some people

2583

01:46:45,470 --> 01:46:41,940

to be caught lying through your teeth

2584

01:46:48,830 --> 01:46:45,480

and we got you we got you by the short

2585

01:46:51,590 --> 01:46:48,840

and curls we have you by the balls lying

2586

01:46:54,770 --> 01:46:51,600

to everyone for over a year so what do

2587

01:46:57,410 --> 01:46:54,780

you do invent New Lies

2588

01:47:00,229 --> 01:46:57,420

and most of me thinks certain people

2589

01:47:02,030 --> 01:47:00,239

especially certain grifter squads are

2590

01:47:08,510 --> 01:47:02,040

just beneath me

2591

01:47:11,030 --> 01:47:08,520

rationable rational person that is

2592

01:47:14,390 --> 01:47:11,040

willing to look at the evidence that I

2593

01:47:16,250 --> 01:47:14,400

am correct they're scammers grifters and

2594

01:47:18,590 --> 01:47:16,260

con artists

2595

01:47:22,129 --> 01:47:18,600

I don't need to keep going I've done

2596

01:47:23,930 --> 01:47:22,139

that work and continuing to address the

2597

01:47:26,090 --> 01:47:23,940

same lies that this person tells it's

2598

01:47:28,070 --> 01:47:26,100

like it's like on a cycle every three

2599

01:47:30,830 --> 01:47:28,080

months tell the same Lies over and over

2600

01:47:33,169 --> 01:47:30,840

again right so I'm just going to compile

2601

01:47:35,810 --> 01:47:33,179

the lies and and if there is new ones

2602

01:47:38,750 --> 01:47:35,820

I'm just gonna add to that list right

2603

01:47:41,090 --> 01:47:38,760

and if you're such a goddamn scumbag

2604

01:47:44,270 --> 01:47:41,100

that somebody can catch you lying to

2605

01:47:47,930 --> 01:47:44,280

your followers 50 times

2606

01:47:51,410 --> 01:47:47,940

you should shut up and go away you

2607

01:47:54,350 --> 01:47:51,420

should never again put my name in your

2608

01:47:56,390 --> 01:47:54,360

mouth or your goddamn thumbnails lying

2609

01:47:57,890 --> 01:47:56,400

in those too

2610

01:48:00,169 --> 01:47:57,900

and

2611

01:48:02,570 --> 01:48:00,179

there's always consequences there's

2612

01:48:06,709 --> 01:48:02,580

always consequences that's all I'm going

2613

01:48:09,169 --> 01:48:06,719

to say uh you can't go on forever lying

2614

01:48:11,090 --> 01:48:09,179

to people you will pay the karmic debt

2615

01:48:14,030 --> 01:48:11,100

for it and what some people don't

2616

01:48:15,890 --> 01:48:14,040

realize is they think well I lied and

2617

01:48:17,209 --> 01:48:15,900

got away with that I'm lying and getting

2618

01:48:19,609 --> 01:48:17,219

away with this I'm going to get away

2619

01:48:22,790 --> 01:48:19,619

with this no you're not no you're not

2620

01:48:25,550 --> 01:48:22,800

because karma is the most powerful

2621

01:48:29,870 --> 01:48:25,560

equalizer in the universe

2622

01:48:31,790 --> 01:48:29,880

and if you lie to do someone harm

2623

01:48:33,890 --> 01:48:31,800

that harm will come back on you

2624

01:48:36,950 --> 01:48:33,900

threefold

2625

01:48:38,870 --> 01:48:36,960

so keep it up you're only destroying

2626

01:48:40,550 --> 01:48:38,880

yourself

2627

01:48:42,830 --> 01:48:40,560

so we'll take some comments and

2628

01:48:47,450 --> 01:48:42,840

questions from the live chat

2629

01:48:51,890 --> 01:48:50,390

spooky is here welcome spooky shouldn't

2630

01:48:56,870 --> 01:48:51,900

you be working on a certain something

2631

01:49:01,970 --> 01:48:58,729

by the way that's one of those big

2632

01:49:05,149 --> 01:49:01,980

things I can't wait till I'm allowed to

2633

01:49:08,090 --> 01:49:05,159

talk about that uh and by the way

2634

01:49:11,090 --> 01:49:08,100

um there is a new documentary

2635

01:49:14,390 --> 01:49:11,100

um that uh I am watching this evening so

2636

01:49:17,090 --> 01:49:14,400

tomorrow I think I will selfishly be

2637

01:49:19,910 --> 01:49:17,100

reviewing that documentary

2638

01:49:22,850 --> 01:49:19,920

um and it is called let me just make

2639

01:49:24,950 --> 01:49:22,860

sure that I don't wanna I don't want to

2640

01:49:27,169 --> 01:49:24,960

say the wrong title I think I know what

2641

01:49:30,590 --> 01:49:27,179

it is uh

2642

01:49:34,370 --> 01:49:32,330

all right we're going to review this

2643

01:49:35,209 --> 01:49:34,380

tomorrow

2644

01:49:38,030 --> 01:49:35,219

um

2645

01:49:42,410 --> 01:49:38,040

oh I do have it right so it's called

2646

01:49:44,149 --> 01:49:42,420

secret space uh UFOs fast Walkers

2647

01:49:45,709 --> 01:49:44,159

um and I heard a lot of good things

2648

01:49:48,169 --> 01:49:45,719

about this one

2649

01:49:50,570 --> 01:49:48,179

um and people know that I have had my uh

2650

01:49:53,330 --> 01:49:50,580

differences with that filmmaker in the

2651
01:49:55,970 --> 01:49:53,340
past because uh I don't know he did one

2652
01:49:59,149 --> 01:49:55,980
film I think it's on Phil Schneider but

2653
01:50:00,350 --> 01:49:59,159
we talked about that and I'm okay you

2654
01:50:01,430 --> 01:50:00,360
know

2655
01:50:04,250 --> 01:50:01,440
um

2656
01:50:08,570 --> 01:50:04,260
wow that's weird why am I not finding it

2657
01:50:14,270 --> 01:50:11,149
oh wait a minute I have the title wrong

2658
01:50:16,070 --> 01:50:14,280
in my text here so I am going to be

2659
01:50:19,189 --> 01:50:16,080
watching that this evening after I

2660
01:50:21,470 --> 01:50:19,199
finish up my work for the day

2661
01:50:23,330 --> 01:50:21,480
um no I can't find it on Amazon now

2662
01:50:24,350 --> 01:50:23,340
because there's a trailer that I well

2663
01:50:26,689 --> 01:50:24,360

it's okay

2664

01:50:29,450 --> 01:50:26,699

um we'll save it for tomorrow

2665

01:50:31,729 --> 01:50:29,460

um but the uh

2666

01:50:33,169 --> 01:50:31,739

the the actual

2667

01:50:36,890 --> 01:50:33,179

oh wait a minute

2668

01:50:41,330 --> 01:50:40,189

I'm finding a lot of wackadoo UFO books

2669

01:50:44,149 --> 01:50:41,340

that have nothing to do with what I'm

2670

01:50:44,159 --> 01:50:51,950

uh

2671

01:50:56,870 --> 01:50:53,810

one second

2672

01:50:58,010 --> 01:50:56,880

so it's called secret space UFOs fast

2673

01:51:00,290 --> 01:50:58,020

walkers

2674

01:51:02,990 --> 01:51:00,300

uh and this is directed by director

2675

01:51:05,030 --> 01:51:03,000

Darcy Weir

2676
01:51:06,830 --> 01:51:05,040
um and I'm sure that me talking about

2677
01:51:10,490 --> 01:51:06,840
that film is going to trigger certain

2678
01:51:14,030 --> 01:51:10,500
people cry go ahead cry do some do

2679
01:51:16,669 --> 01:51:14,040
four more shows crybaby uh we're

2680
01:51:19,490 --> 01:51:16,679
gonna be talking about secret space UFOs

2681
01:51:22,129 --> 01:51:19,500
fast Walkers probably tomorrow but I

2682
01:51:24,649 --> 01:51:22,139
wanna for those unaware if I review

2683
01:51:27,109 --> 01:51:24,659
something like that

2684
01:51:28,669 --> 01:51:27,119
um I do my due diligence I will watch it

2685
01:51:30,950 --> 01:51:28,679
twice I will

2686
01:51:34,189 --> 01:51:30,960
research some of the Talking Heads in it

2687
01:51:35,450 --> 01:51:34,199
and have uh you know information to

2688
01:51:38,629 --> 01:51:35,460

share

2689

01:51:40,669 --> 01:51:38,639

so uh yeah we will be doing that

2690

01:51:42,709 --> 01:51:40,679

probably tomorrow if I have time I have

2691

01:51:46,609 --> 01:51:42,719

to watch this documentary probably twice

2692

01:51:48,530 --> 01:51:46,619

make and make uh make some notes but I'm

2693

01:51:51,229 --> 01:51:48,540

hearing very good things about it's

2694

01:51:52,850 --> 01:51:51,239

called secret space UFOs

2695

01:51:54,709 --> 01:51:52,860

fast walkers

2696

01:51:59,030 --> 01:51:54,719

and I'm not sure if I could play this

2697

01:51:59,040 --> 01:52:04,390

yeah well I'll play it muted so

2698

01:52:11,450 --> 01:52:07,430

one second

2699

01:52:14,870 --> 01:52:11,460

I am the beat page has uh ads on

2700

01:52:17,149 --> 01:52:14,880

trailers really you gotta watch an ad to

2701

01:52:21,109 --> 01:52:17,159

see the trailer

2702

01:52:24,050 --> 01:52:21,119

but uh interestingly this is about

2703

01:52:27,950 --> 01:52:24,060

the secret space programs but not the

2704

01:52:29,570 --> 01:52:27,960

Corey good garbage stuff uh you know

2705

01:52:31,370 --> 01:52:29,580

this is a little more grounded in

2706

01:52:32,330 --> 01:52:31,380

reality

2707

01:52:36,950 --> 01:52:32,340

um

2708

01:52:39,410 --> 01:52:36,960

I heard it was good uh so I you know I'm

2709

01:52:42,470 --> 01:52:39,420

trying to not waste my time on garbage

2710

01:52:44,570 --> 01:52:42,480

documentaries anymore like garbage third

2711

01:52:47,109 --> 01:52:44,580

phase of loon stuff you know with Dr

2712

01:52:50,149 --> 01:52:47,119

Steven greed in it right

2713

01:52:51,950 --> 01:52:50,159

that was the worst documentary the one I

2714

01:52:54,530 --> 01:52:51,960

just reviewed was the worst documentary

2715

01:52:57,109 --> 01:52:54,540

that I've ever seen and we've got

2716

01:53:00,169 --> 01:52:57,119

Richard Dolan in this one

2717

01:53:02,870 --> 01:53:00,179

I think there is also uh Jim Goodall is

2718

01:53:08,870 --> 01:53:06,229

um I'm not sure who else uh oh uh yeah

2719

01:53:11,270 --> 01:53:08,880

Jim Goodall is in this as well uh

2720

01:53:12,229 --> 01:53:11,280

Richard Doty uh points off for that one

2721

01:53:14,390 --> 01:53:12,239

sorry

2722

01:53:17,570 --> 01:53:14,400

um known government paid disinformation

2723

01:53:21,290 --> 01:53:17,580

agent not sure anything he says is worth

2724

01:53:23,689 --> 01:53:21,300

uh you know believing

2725

01:53:25,189 --> 01:53:23,699

um but I will say like I interviewed

2726

01:53:27,229 --> 01:53:25,199

Richard dirty I thought he was a really

2727

01:53:29,810 --> 01:53:27,239

I liked him as a person but I don't

2728

01:53:32,090 --> 01:53:29,820

trust what he says as being based in

2729

01:53:35,689 --> 01:53:32,100

reality especially because he's on Gaia

2730

01:53:38,810 --> 01:53:35,699

TV which is uh you know come on Gaia TV

2731

01:53:40,910 --> 01:53:38,820

if you're on Gaia TV you're full of it

2732

01:53:44,330 --> 01:53:40,920

uh but this one focuses on a lot of

2733

01:53:47,270 --> 01:53:44,340

NASA's stuff and a lot of the anomalous

2734

01:53:49,189 --> 01:53:47,280

things seen around uh real spacecraft in

2735

01:53:52,310 --> 01:53:49,199

orbit around the Earth and the space

2736

01:53:54,229 --> 01:53:52,320

station and we've got James Fox I wonder

2737

01:53:55,330 --> 01:53:54,239

if he talks about the vagina aliens in

2738

01:53:58,189 --> 01:53:55,340

this

2739

01:54:01,729 --> 01:53:58,199

the vagina I love that

2740

01:54:03,950 --> 01:54:01,739

uh yeah so uh I'm gonna that's what I'm

2741

01:54:06,470 --> 01:54:03,960

doing tonight I'm gonna be watching this

2742

01:54:08,689 --> 01:54:06,480

and uh taking some notes and we'll give

2743

01:54:10,490 --> 01:54:08,699

it a thorough real good and honest

2744

01:54:11,570 --> 01:54:10,500

review

2745

01:54:13,370 --> 01:54:11,580

um

2746

01:54:16,910 --> 01:54:13,380

I already don't like some of these

2747

01:54:18,950 --> 01:54:16,920

people that are in it to be honest uh

2748

01:54:21,169 --> 01:54:18,960

but I'm gonna try to be objective oh

2749

01:54:23,629 --> 01:54:21,179

we've got Seth's Shaw stack I'm a fan of

2750

01:54:26,209 --> 01:54:23,639

his I think that the Seth is a good is a

2751
01:54:29,689 --> 01:54:26,219
good scientist good person and he truly

2752
01:54:32,030 --> 01:54:29,699
cares about discovering uh alien life on

2753
01:54:33,770 --> 01:54:32,040
other worlds you know

2754
01:54:38,450 --> 01:54:33,780
um as well he should that's his job

2755
01:54:41,270 --> 01:54:38,460
right and uh he's very credible some of

2756
01:54:46,189 --> 01:54:44,390
uh we'll see what happens yeah it looks

2757
01:54:48,229 --> 01:54:46,199
it looks pretty good though it looks

2758
01:54:51,590 --> 01:54:48,239
like there's some good NASA footage oh

2759
01:54:55,070 --> 01:54:51,600
Science Bob McGuire is in this

2760
01:54:58,370 --> 01:54:55,080
I don't know very much about him but

2761
01:55:00,890 --> 01:54:58,380
I'm just glad uh Stephen Bassett I don't

2762
01:55:02,990 --> 01:55:00,900
know about the rest of you but I for one

2763
01:55:06,229 --> 01:55:03,000

am getting tired of seeing these same

2764

01:55:08,510 --> 01:55:06,239

people in all the UFO documentaries so

2765

01:55:10,970 --> 01:55:08,520

points to Darcy I guess for having this

2766

01:55:17,750 --> 01:55:10,980

other guy and Jim Goodall because

2767

01:55:24,649 --> 01:55:22,070

yeah Robert Salas story is in this

2768

01:55:27,470 --> 01:55:24,659

yeah and and I'm gonna have to try and

2769

01:55:31,790 --> 01:55:27,480

divorce myself from my from any personal

2770

01:55:34,129 --> 01:55:31,800

bias for this one because uh yeah spooky

2771

01:55:37,129 --> 01:55:34,139

uh did some of the editing on this film

2772

01:55:39,290 --> 01:55:37,139

Dr Jack Kasher he's a physicist I'm

2773

01:55:41,270 --> 01:55:39,300

aware of who he is that's interesting

2774

01:55:43,970 --> 01:55:41,280

spooky says hope you enjoy the film had

2775

01:55:46,850 --> 01:55:43,980

fun working on it well I'm pretty sure

2776

01:55:48,830 --> 01:55:46,860

I'm going to enjoy the editing spooky uh

2777

01:55:51,169 --> 01:55:48,840

I don't know about the rest of it

2778

01:55:54,950 --> 01:55:51,179

it's already on the Shaky Ground when I

2779

01:55:56,689 --> 01:55:54,960

seen Dolan in it right but congrats and

2780

01:55:58,910 --> 01:55:56,699

by the way everybody in the live chat

2781

01:56:00,590 --> 01:55:58,920

please offer a round of congratulations

2782

01:56:03,470 --> 01:56:00,600

for spooky

2783

01:56:07,010 --> 01:56:03,480

um spooky is one of the editors of this

2784

01:56:09,709 --> 01:56:07,020

film and uh is is working with Darcy

2785

01:56:11,930 --> 01:56:09,719

Weir on some other projects and

2786

01:56:14,209 --> 01:56:11,940

congratulations to Spooky you know

2787

01:56:16,430 --> 01:56:14,219

that's why our thumbnails suck now

2788

01:56:18,050 --> 01:56:16,440

thanks spooky our thumbnails suck

2789

01:56:20,510 --> 01:56:18,060

because spooky is too busy doing real

2790

01:56:23,390 --> 01:56:20,520

film work now

2791

01:56:25,490 --> 01:56:23,400

I gotta get better at thumbnails

2792

01:56:28,370 --> 01:56:25,500

um but we wish spooky the best of

2793

01:56:31,129 --> 01:56:28,380

success and and everything spooky does

2794

01:56:34,430 --> 01:56:31,139

um if anybody that I know deserves a

2795

01:56:38,810 --> 01:56:34,440

deserved a break to to get a job doing

2796

01:56:41,930 --> 01:56:38,820

film work it's spooky best editor I know

2797

01:56:46,310 --> 01:56:41,940

um yeah

2798

01:56:49,310 --> 01:56:46,320

yeah uh the the film is available on

2799

01:56:52,430 --> 01:56:49,320

Amazon uh if you hold on I will put the

2800

01:56:54,830 --> 01:56:52,440

uh I have a link from Darcy that Darcy

2801

01:56:57,290 --> 01:56:54,840

would prefer people use

2802

01:56:58,970 --> 01:56:57,300

um if they purchased the film I don't

2803

01:57:02,090 --> 01:56:58,980

know about everywhere else but I think

2804

01:57:02,750 --> 01:57:02,100

on Amazon it's ten dollars

2805

01:57:04,729 --> 01:57:02,760

um

2806

01:57:07,970 --> 01:57:04,739

so

2807

01:57:10,609 --> 01:57:07,980

uh yeah let me uh it's not available

2808

01:57:13,910 --> 01:57:10,619

like on Amazon Prime or anywhere free

2809

01:57:19,250 --> 01:57:16,070

but one second I'm gonna go on to I have

2810

01:57:21,169 --> 01:57:19,260

to go to the real chat to uh

2811

01:57:23,689 --> 01:57:21,179

I have to go to the real chat to put it

2812

01:57:25,669 --> 01:57:23,699

in the live chat

2813

01:57:28,910 --> 01:57:25,679

I will put the link to the film in the

2814

01:57:31,250 --> 01:57:28,920

live chat and if you actually watch this

2815

01:57:34,490 --> 01:57:31,260

oh no it's a Facebook link that's like

2816

01:57:36,770 --> 01:57:34,500

18 pages long hold on let me

2817

01:57:39,109 --> 01:57:36,780

let me click the link and then get a

2818

01:57:41,930 --> 01:57:39,119

better link for you guys so if anybody

2819

01:57:43,790 --> 01:57:41,940

actually watches the film if you if you

2820

01:57:46,370 --> 01:57:43,800

buy it and watch it tonight and you want

2821

01:57:47,870 --> 01:57:46,380

to join me on a panel tomorrow talking

2822

01:57:51,350 --> 01:57:47,880

about the show

2823

01:57:53,330 --> 01:57:51,360

I would be happy to have you and so here

2824

01:57:56,629 --> 01:57:53,340

is a link to the film

2825

01:57:59,149 --> 01:57:56,639

uh I'll put it in place

2826
01:58:02,149 --> 01:57:59,159
and uh spooky gets credits on this one

2827
01:58:05,510 --> 01:58:02,159
congratulations is the spooky

2828
01:58:07,850 --> 01:58:05,520
Spooky's like yeah uh

2829
01:58:09,950 --> 01:58:07,860
I'm doing stupid graphics for your

2830
01:58:13,729 --> 01:58:09,960
crappy show anymore

2831
01:58:16,250 --> 01:58:15,150
uh

2832
01:58:19,910 --> 01:58:16,260
[Music]

2833
01:58:22,010 --> 01:58:19,920
no uh you know throughout my life I have

2834
01:58:25,430 --> 01:58:22,020
I have been blessed with working with

2835
01:58:27,050 --> 01:58:25,440
some really creative talented people

2836
01:58:29,330 --> 01:58:27,060
and

2837
01:58:31,550 --> 01:58:29,340
I suppose that some of those people are

2838
01:58:33,709 --> 01:58:31,560

like side people to me you know like

2839

01:58:35,990 --> 01:58:33,719

whether it's in a band and they're going

2840

01:58:38,149 --> 01:58:36,000

to be a guitar player drummer for me or

2841

01:58:40,430 --> 01:58:38,159

something they're a side man and spooky

2842

01:58:42,890 --> 01:58:40,440

for our show has been a side person like

2843

01:58:44,810 --> 01:58:42,900

spooky has been doing support and

2844

01:58:47,450 --> 01:58:44,820

helping and doing different things but

2845

01:58:50,209 --> 01:58:47,460

I'm the one who's front and center

2846

01:58:52,250 --> 01:58:50,219

um but I'm always excited and happy for

2847

01:58:53,750 --> 01:58:52,260

any of those people that I have worked

2848

01:58:55,790 --> 01:58:53,760

with especially the people that are

2849

01:58:58,310 --> 01:58:55,800

powerful and creative and artistic and

2850

01:59:00,410 --> 01:58:58,320

really talented when they go on and do

2851
01:59:01,970 --> 01:59:00,420
bigger better things so congratulations

2852
01:59:06,189 --> 01:59:01,980
to Spooky

2853
01:59:10,250 --> 01:59:06,199
so uh I am going to say link to show

2854
01:59:12,890 --> 01:59:10,260
uh link to documentary

2855
01:59:14,390 --> 01:59:12,900
it's gonna be more coming from uh the

2856
01:59:17,149 --> 01:59:14,400
land of spooky

2857
01:59:18,169 --> 01:59:17,159
and I'm going to pin this in the live

2858
01:59:21,290 --> 01:59:18,179
chat

2859
01:59:24,470 --> 01:59:21,300
uh so if you want to purchase the film

2860
01:59:26,149 --> 01:59:24,480
and watch it and don't check on pirate

2861
01:59:28,850 --> 01:59:26,159
sites please because we want to support

2862
01:59:32,629 --> 01:59:28,860
the filmmakers and by the way I already

2863
01:59:35,750 --> 01:59:32,639

checked it you gotta buy it all right so

2864

01:59:38,030 --> 01:59:35,760

I'll I'll buy it no I would buy it I

2865

01:59:41,629 --> 01:59:38,040

really would because uh I like to

2866

01:59:43,010 --> 01:59:41,639

support uh people in my life and the

2867

01:59:45,530 --> 01:59:43,020

Spooky's certainly been a part of the

2868

01:59:48,109 --> 01:59:45,540

show for a long time so just if nothing

2869

01:59:50,089 --> 01:59:48,119

else I honestly even if I think this

2870

01:59:53,030 --> 01:59:50,099

film is terrible I would still buy it

2871

01:59:55,129 --> 01:59:53,040

just just to support spooky but I hear

2872

01:59:57,370 --> 01:59:55,139

it's pretty good I was surprised like

2873

02:00:00,050 --> 01:59:57,380

people people were asking me

2874

02:00:03,350 --> 02:00:00,060

have I seen it and that it's really good

2875

02:00:05,149 --> 02:00:03,360

right uh

2876

02:00:08,270 --> 02:00:05,159

yeah I might have to make a Shale

2877

02:00:10,370 --> 02:00:08,280

blasting spooky I probably will someday

2878

02:00:13,070 --> 02:00:10,380

when I'm like really pissed off and in a

2879

02:00:14,990 --> 02:00:13,080

bad mood and I got 10 thumbnails that I

2880

02:00:16,609 --> 02:00:15,000

need to do that take me for it they take

2881

02:00:19,430 --> 02:00:16,619

me forever they're not even good and

2882

02:00:21,410 --> 02:00:19,440

they listen if my thumbnails were really

2883

02:00:23,390 --> 02:00:21,420

good and they took me the time that it

2884

02:00:26,450 --> 02:00:23,400

took me I would be okay with it but it's

2885

02:00:28,729 --> 02:00:26,460

one or the other my my thumbnails are

2886

02:00:30,589 --> 02:00:28,739

terrible and they take forever even

2887

02:00:33,550 --> 02:00:30,599

though they're not good this is a

2888

02:00:36,050 --> 02:00:33,560

problem I have to fix this problem

2889

02:00:39,109 --> 02:00:36,060

spooky says I appreciate y'all checking

2890

02:00:40,850 --> 02:00:39,119

out the film yeah first first big film

2891

02:00:43,490 --> 02:00:40,860

uh getting film credits on

2892

02:00:46,490 --> 02:00:43,500

congratulations to Spooky bigger better

2893

02:00:48,649 --> 02:00:46,500

things ahead right that was probably my

2894

02:00:51,229 --> 02:00:48,659

get that why wasn't that my gear

2895

02:00:55,070 --> 02:00:51,239

why didn't I get that gig right no I was

2896

02:00:58,490 --> 02:00:55,080

happy to uh connect spooky and uh you

2897

02:01:00,410 --> 02:00:58,500

know if I needed an editor for a big

2898

02:01:03,410 --> 02:01:00,420

project the first person that I would

2899

02:01:05,950 --> 02:01:03,420

think of to do it for me or with me is

2900

02:01:08,510 --> 02:01:05,960

spooky and so congratulations right

2901

02:01:09,410 --> 02:01:08,520

bigger better things ahead for spooky

2902

02:01:11,330 --> 02:01:09,420

right

2903

02:01:14,450 --> 02:01:11,340

spooky still comes here once in a while

2904

02:01:17,709 --> 02:01:14,460

and slums with us losers though so good

2905

02:01:24,649 --> 02:01:21,830

so uh we have done our due diligence and

2906

02:01:27,470 --> 02:01:24,659

uh we have fought the good fight yet

2907

02:01:29,209 --> 02:01:27,480

again I will be back tomorrow night at 9

2908

02:01:30,470 --> 02:01:29,219

00 PM Eastern Standard Time now I have

2909

02:01:32,270 --> 02:01:30,480

to caution you

2910

02:01:33,530 --> 02:01:32,280

I've got a bunch of work to do and then

2911

02:01:35,390 --> 02:01:33,540

I'm going to watch this film and try to

2912

02:01:38,030 --> 02:01:35,400

I've got so much stuff to do so I'm

2913

02:01:40,310 --> 02:01:38,040

gonna try to get this done tonight with

2914

02:01:43,010 --> 02:01:40,320

the notes so that tomorrow we can just

2915

02:01:43,729 --> 02:01:43,020

relax and review it

2916

02:01:46,129 --> 02:01:43,739

um

2917

02:01:47,870 --> 02:01:46,139

but I may do an alternate show tomorrow

2918

02:01:51,770 --> 02:01:47,880

if I don't get that done but either way

2919

02:01:53,570 --> 02:01:51,780

2920

02:01:57,050 --> 02:01:53,580

Generous 25 PayPal pledge

2950

02:03:17,330 --> 02:03:15,000

uh who says all and I really thought

2951

02:03:20,810 --> 02:03:17,340

ballet was one of the good ones well F

2952

02:03:23,510 --> 02:03:20,820

laugh out loud yeah I I burst my bubble

2953

02:03:25,189 --> 02:03:23,520

too I I was sorry to hear about that but

2954

02:03:27,109 --> 02:03:25,199

thank you sweet sweet Caroline for your

2955

02:03:28,729 --> 02:03:27,119

kindness your generosity and continued

2956

02:03:31,010 --> 02:03:28,739

support of the show big supporter of the

2957

02:03:33,169 --> 02:03:31,020

show Sweet Sweet Caroline and I wanted

2958

02:03:35,089 --> 02:03:33,179

to take a moment to especially thank all

2959

02:03:36,950 --> 02:03:35,099

of you because

2960

02:03:38,930 --> 02:03:36,960

um I am upgrading all this computer

2961

02:03:41,510 --> 02:03:38,940

equipment around here and you can ask

2962

02:03:43,310 --> 02:03:41,520

spooky spooky say something in the live

2963

02:03:46,370 --> 02:03:43,320

chat spooky was here and speaker was

2964

02:03:48,470 --> 02:03:46,380

like Jesus there was just there's just

2965

02:03:50,149 --> 02:03:48,480

trash computers everywhere not

2966

02:03:52,689 --> 02:03:50,159

everywhere my wife

2967

02:03:55,669 --> 02:03:52,699

throws them all in the garage but like

2968

02:03:58,189 --> 02:03:55,679

I've been doing a lot of stuff with

2969

02:03:59,870 --> 02:03:58,199

really old old computers because they're

2970

02:04:02,330 --> 02:03:59,880

free or whatever and they're just good

2971

02:04:04,609 --> 02:04:02,340

enough to get the job done but I have

2972

02:04:06,950 --> 02:04:04,619

taken some of the funds from the coffers

2973

02:04:09,109 --> 02:04:06,960

here and and upgraded bought some parts

2974

02:04:12,169 --> 02:04:09,119

bought some a video card some other

2975

02:04:14,689 --> 02:04:12,179

stuff by the way spooky I got the 1080

2976

02:04:16,669 --> 02:04:14,699

working and you're you and everybody

2977

02:04:18,770 --> 02:04:16,679

else was that I don't know why the hell

2978

02:04:21,169 --> 02:04:18,780

I have been so long without a decent

2979

02:04:22,910 --> 02:04:21,179

video card I couldn't believe the render

2980

02:04:24,530 --> 02:04:22,920

speed I went and rendered something that

2981

02:04:26,089 --> 02:04:24,540

used to take me a half hour and it was

2982

02:04:27,229 --> 02:04:26,099

done in like six minutes it was just

2983

02:04:33,530 --> 02:04:27,239

like

2984

02:04:35,450 --> 02:04:33,540

we are a viewer supported show and

2985

02:04:37,790 --> 02:04:35,460

thanks to your generosity kindness and

2986

02:04:39,350 --> 02:04:37,800

support I can I can render stuff in

2987

02:04:41,390 --> 02:04:39,360

reasonable times now we're going to be

2988

02:04:44,629 --> 02:04:41,400

working on some documentary projects new

2989

02:04:46,790 --> 02:04:44,639

videos new product more produced stuff

2990

02:04:48,830 --> 02:04:46,800

uh and it really helps to have those

2991

02:04:50,810 --> 02:04:48,840

funds available so I'm building a

2992

02:04:53,570 --> 02:04:50,820

three-headed monster Beast render

2993

02:04:56,330 --> 02:04:53,580

machine meaning three computers working

2994

02:04:58,550 --> 02:04:56,340

all together networked and uh you know

2995

02:05:00,470 --> 02:04:58,560

I'll be able to tell this one to render

2996

02:05:03,589 --> 02:05:00,480

me an AI video while this one is

2997

02:05:06,290 --> 02:05:03,599

rendering me a a a video for the show

2998

02:05:08,089 --> 02:05:06,300

like an intro or an outro and and have

2999

02:05:10,850 --> 02:05:08,099

the one in the middle doing some 3D

3000

02:05:13,070 --> 02:05:10,860

rendering for some of those 3D titles

3001

02:05:15,410 --> 02:05:13,080

that we use it's just going to make my

3002

02:05:19,189 --> 02:05:15,420

life so much easier so thank all of you

3003

02:05:21,109 --> 02:05:19,199

from the bottom of my heart and uh for

3004

02:05:24,410 --> 02:05:21,119

those don't know I'm extremely cheap

3005

02:05:27,890 --> 02:05:24,420

like I don't spend money uh so that was

3006

02:05:30,530 --> 02:05:27,900

a big spend for me like 300 for 400 for

3007

02:05:33,229 --> 02:05:30,540

a video card are you kidding me you know

3008

02:05:34,850 --> 02:05:33,239

I would just wait until some when my

3009

02:05:37,189 --> 02:05:34,860

friends have one that they're replacing

3010

02:05:39,470 --> 02:05:37,199

or so but sometimes you just gotta get

3011

02:05:42,649 --> 02:05:39,480

what you need and the funds available

3012

02:05:45,109 --> 02:05:42,659

here have made me uh very happy to be

3013

02:05:48,410 --> 02:05:45,119

able to just like just let's get this

3014

02:05:50,450 --> 02:05:48,420

stuff and and also I am removing excuses

3015

02:05:53,149 --> 02:05:50,460

from my life now that's a big part of

3016

02:05:55,129 --> 02:05:53,159

what I've been doing lately I've decided

3017

02:05:56,870 --> 02:05:55,139

you know before I would say well I want

3018

02:05:58,850 --> 02:05:56,880

to make documentaries but my computers

3019

02:06:01,010 --> 02:05:58,860

are trash so I have to fix that problem

3020

02:06:03,729 --> 02:06:01,020

before I even try because it'll take me

3021

02:06:07,790 --> 02:06:03,739

years of trying to render on these old

3022

02:06:10,010 --> 02:06:07,800

garbage iMacs and stuff that I have and

3023

02:06:12,109 --> 02:06:10,020

use I mean they got the job done for a

3024

02:06:14,450 --> 02:06:12,119

time but I have up we're upgrading

3025

02:06:16,729 --> 02:06:14,460

everything and I'm gonna have just a

3026
02:06:19,609 --> 02:06:16,739
beast of a computer and three computers

3027
02:06:21,350 --> 02:06:19,619
also means you know uh I don't know

3028
02:06:23,209 --> 02:06:21,360
there's gonna be like 12 hard drives so

3029
02:06:25,189 --> 02:06:23,219
I've always running out of space and

3030
02:06:27,229 --> 02:06:25,199
copying stuff to external drives and

3031
02:06:29,390 --> 02:06:27,239
putting it in a metal box and doing

3032
02:06:31,729 --> 02:06:29,400
backups and like now I'm just going to

3033
02:06:35,209 --> 02:06:31,739
have this big beast of a computer really

3034
02:06:38,030 --> 02:06:35,219
three but working in tandem together to

3035
02:06:41,030 --> 02:06:38,040
do video production editing uh AI

3036
02:06:44,330 --> 02:06:41,040
rendering 3D artwork and hopefully my

3037
02:06:46,310 --> 02:06:44,340
thumbnails May improve who knows but

3038
02:06:48,589 --> 02:06:46,320

it's all due to your kindness so thank

3039

02:06:50,990 --> 02:06:48,599

you all I I can't tell you how happy

3040

02:06:53,990 --> 02:06:51,000

it's gonna make me when that whole I I

3041

02:06:56,570 --> 02:06:54,000

have two of the three are they there and

3042

02:06:59,810 --> 02:06:56,580

working one was a little flaky I fixed

3043

02:07:02,390 --> 02:06:59,820

it one had an awfully old video card we

3044

02:07:04,609 --> 02:07:02,400

slapped a really good one in that and uh

3045

02:07:06,050 --> 02:07:04,619

even just one or the two of them is

3046

02:07:09,109 --> 02:07:06,060

amazing but we're gonna have a

3047

02:07:10,850 --> 02:07:09,119

Three-Headed Beast and be able to

3048

02:07:13,310 --> 02:07:10,860

in other words I'm not gonna have any

3049

02:07:15,530 --> 02:07:13,320

excuses like that machine is ridiculous

3050

02:07:17,149 --> 02:07:15,540

I'll be I'm making documentaries after

3051

02:07:19,490 --> 02:07:17,159

this and it's due to your kindness

3052

02:07:20,149 --> 02:07:19,500

generosity and support

3053

02:07:23,510 --> 02:07:20,159

um

3054

02:07:25,550 --> 02:07:23,520

I want to thank all of you uh so we have

3055

02:07:29,209 --> 02:07:25,560

done our due diligence I will be back

3056
