

Truth Seekers

 @STEVEN CAMBIAN

STUNNING REVELATIONS FROM NASA'S UFO HEARINGS!

1
00:00:03,300 --> 00:00:10,770
foreign

2
00:00:10,780 --> 00:00:40,569
[Music]

3
00:01:14,510 --> 00:00:41,950
thank you

4
00:02:08,050 --> 00:01:15,920
foreign

5
00:02:14,270 --> 00:02:11,869
maybe when I'm older I can make videos

6
00:02:19,070 --> 00:02:14,280
about the stories other people make up

7
00:02:25,630 --> 00:02:19,080
about UFOs and then you know make money

8
00:02:39,440 --> 00:02:32,990
uacs UFOs uacs UFOs uacs UFOs uaps UFOs

9
00:03:43,850 --> 00:03:25,369
[Music]

10
00:04:26,230 --> 00:03:55,990
longer

11
00:04:31,969 --> 00:04:29,450
UFOs now no credible evidence thus far

12
00:04:34,730 --> 00:04:31,979
of extraterrestrial activity off-world

13
00:04:51,409 --> 00:04:34,740

technology or objects that defy the

14

00:04:56,469 --> 00:04:53,140

business

15

00:05:01,909 --> 00:04:59,150

more than 50 years ago

16

00:05:03,770 --> 00:05:01,919

the U.S government ended Project Blue

17

00:05:05,510 --> 00:05:03,780

Book let me share with you the first

18

00:05:09,490 --> 00:05:05,520

video that we have here today

19

00:05:12,770 --> 00:05:09,500

which shows an observation in real time

20

00:05:14,170 --> 00:05:12,780

there's a bride orb running the length

21

00:05:16,129 --> 00:05:14,180

of my palm

22

00:05:18,790 --> 00:05:16,139

that's that's the object that we're

23

00:05:28,610 --> 00:05:22,490

right there uh Lexi what I'll ask is if

24

00:05:28,620 --> 00:05:32,990

okay if you could stop that

25

00:05:37,610 --> 00:05:34,969

have we attempted to communicate with

26

00:05:40,070 --> 00:05:37,620

those objects and

27

00:05:42,469 --> 00:05:40,080

no are you aware of a document that

28

00:05:48,290 --> 00:05:42,479

appeared around 2019 sometimes called

29

00:05:52,610 --> 00:05:51,469

I am I'm not I'm not personally aware of

30

00:05:54,650 --> 00:05:52,620

that okay

31

00:05:56,450 --> 00:05:54,660

um so you're not aware of that I'm

32

00:06:01,370 --> 00:05:56,460

malware Congressman this is not worth

33

00:06:01,380 --> 00:06:08,000

trans medium travel

34

00:06:08,010 --> 00:06:12,170

[Music]

35

00:06:12,180 --> 00:06:18,330

oh my God the five observables

36

00:06:18,340 --> 00:06:28,990

[Music]

37

00:06:33,189 --> 00:06:30,980

one two three four five

38

00:06:37,410 --> 00:06:33,199

[Music]

39

00:06:47,510 --> 00:06:37,420
number five trans medium travel

40

00:06:53,029 --> 00:06:50,510
now got down at Bobby I don't care what

41

00:06:55,670 --> 00:06:53,039
Chris Mellon said on Fox News you're not

42

00:06:58,309 --> 00:06:55,680
giving money to that Blink 182 fella

43

00:07:00,770 --> 00:06:58,319
what day they promised to build a

44

00:07:03,290 --> 00:07:00,780
spaceship no one's building a spaceship

45

00:07:08,640 --> 00:07:03,300
Bobby on The Daily Mail reported that

46

00:07:08,650 --> 00:07:17,930
[Music]

47

00:07:17,940 --> 00:07:24,290
[Laughter]

48

00:07:24,300 --> 00:07:34,610
101

49

00:07:43,249 --> 00:07:41,029
[Music]

50

00:07:45,230 --> 00:07:43,259
hello I'm Tom DeLong and thanks for

51
00:07:47,029 --> 00:07:45,240
joining us live today uh this quote

52
00:07:48,290 --> 00:07:47,039
above me actually happened to me this

53
00:07:51,110 --> 00:07:48,300
past year

54
00:07:54,290 --> 00:07:51,120
I sometimes call to the Stars a science

55
00:07:57,650 --> 00:07:54,300
fiction Disney but for adults

56
00:08:02,450 --> 00:07:57,660
greetings and salutations Trends and

57
00:08:07,070 --> 00:08:02,460
welcome today is Wednesday May 31st 2023

58
00:08:09,770 --> 00:08:07,080
and May 31st is also my birthday I also

59
00:08:12,050 --> 00:08:09,780
share a birthday with a friend uh my

60
00:08:15,290 --> 00:08:12,060
good friend Matt at the cabin his wife

61
00:08:19,010 --> 00:08:15,300
uh Rita so happy birthday to Rita as

62
00:08:22,790 --> 00:08:19,020
well uh I was gonna take tonight off uh

63
00:08:24,650 --> 00:08:22,800

but today has been a whirlwind of all

64

00:08:27,950 --> 00:08:24,660

kinds of things happening first of all

65

00:08:29,510 --> 00:08:27,960

of course we have the NASA UFO hearings

66

00:08:32,149 --> 00:08:29,520

today

67

00:08:35,149 --> 00:08:32,159

um but I quite honestly was expecting a

68

00:08:37,909 --> 00:08:35,159

total nothing burner so I thought if

69

00:08:41,209 --> 00:08:37,919

it's a nothing Burger I I can you know

70

00:08:44,149 --> 00:08:41,219

take tonight off but I wasn't I can't do

71

00:08:47,210 --> 00:08:44,159

it I just I can't do it because there

72

00:08:51,410 --> 00:08:47,220

was some stunning Revelations friends

73

00:08:54,110 --> 00:08:51,420

and welcome one and all uh and welcome

74

00:08:57,050 --> 00:08:54,120

of course to uh a lot of you new folks

75

00:08:59,990 --> 00:08:57,060

who have been uh recently subscribing we

76

00:09:02,449 --> 00:09:00,000

thank one and all of you for uh lending

77

00:09:04,670 --> 00:09:02,459

us your eyes and ears so tonight we're

78

00:09:07,970 --> 00:09:04,680

going to be going over some of the

79

00:09:12,889 --> 00:09:07,980

stunning Revelations that have taken

80

00:09:15,650 --> 00:09:12,899

place uh today in today's hearing and

81

00:09:17,389 --> 00:09:15,660

um you know I'm sure that some people

82

00:09:20,990 --> 00:09:17,399

when they hear there was stunning

83

00:09:23,750 --> 00:09:21,000

Revelations and I believe there was uh

84

00:09:27,350 --> 00:09:23,760

they will think of disclosure of course

85

00:09:30,410 --> 00:09:27,360

because the same disclosure door clowns

86

00:09:34,790 --> 00:09:30,420

have been promising us major Revelations

87

00:09:36,590 --> 00:09:34,800

coming soon for decades

88

00:09:38,690 --> 00:09:36,600

and it never comes

89

00:09:44,090 --> 00:09:38,700

but there were some stunning Revelations

90

00:09:46,250 --> 00:09:44,100

today a few months ago I had said uh and

91

00:09:49,070 --> 00:09:46,260

I could find the clip for you I said it

92

00:09:51,530 --> 00:09:49,080

multiple times that in the coming months

93

00:09:54,410 --> 00:09:51,540

there would be New Revelations that will

94

00:09:58,150 --> 00:09:54,420

cast further doubt on the false

95

00:10:02,810 --> 00:09:58,160

narrative that was fed to us

96

00:10:06,050 --> 00:10:02,820

through Lou Elizondo fake UFO program

97

00:10:08,509 --> 00:10:06,060

Pentagon Insider who claimed he ran a

98

00:10:11,269 --> 00:10:08,519

UFO program but that program actually

99

00:10:14,470 --> 00:10:11,279

didn't exist it wasn't funded he later

100

00:10:18,350 --> 00:10:14,480

admitted it was an activity

101
00:10:20,030 --> 00:10:18,360
all right sorry all right

102
00:10:23,150 --> 00:10:20,040
all right so

103
00:10:26,329 --> 00:10:23,160
in the hearing today and by the way

104
00:10:28,730 --> 00:10:26,339
we're going to get into some things like

105
00:10:30,769 --> 00:10:28,740
the harassment

106
00:10:33,889 --> 00:10:30,779
and the Venom

107
00:10:36,650 --> 00:10:33,899
and the

108
00:10:40,070 --> 00:10:36,660
I would call it cyber bullying and

109
00:10:42,050 --> 00:10:40,080
harassment of many of the more skeptical

110
00:10:46,190 --> 00:10:42,060
Among Us

111
00:10:50,230 --> 00:10:46,200
and I have watched as people have said

112
00:10:53,690 --> 00:10:50,240
and done absolutely just

113
00:10:56,810 --> 00:10:53,700

deplorable disgusting despicable things

114

00:11:00,110 --> 00:10:56,820

to anybody that was questioning The

115

00:11:02,990 --> 00:11:00,120

Narrative of these UFO profiteering

116

00:11:07,069 --> 00:11:03,000

clowns so I just want to put it on the

117

00:11:11,389 --> 00:11:07,079

record to all you Lou Elizondo fans you

118

00:11:15,410 --> 00:11:11,399

owe everyone an apology that you were

119

00:11:18,710 --> 00:11:15,420

nasty to that you sent nasty messages to

120

00:11:21,710 --> 00:11:18,720

that you doxed that you harassed that

121

00:11:26,530 --> 00:11:21,720

you cyber stalk threatened intimidated

122

00:11:30,290 --> 00:11:26,540

because today we got more confirmation

123

00:11:32,530 --> 00:11:30,300

that your UFO hero is a goddamn

124

00:11:36,290 --> 00:11:32,540

profiteering clown

125

00:11:39,430 --> 00:11:36,300

congratulations you dumb [h__h] look

126

00:11:42,470 --> 00:11:39,440

what you did in that man's name you dumb

127

00:11:45,470 --> 00:11:42,480

look what you did

128

00:11:48,410 --> 00:11:45,480

you were willing many of you

129

00:11:53,030 --> 00:11:48,420

who put this man on a pedestal who

130

00:11:56,329 --> 00:11:53,040

bought his completely and totally false

131

00:11:58,730 --> 00:11:56,339

narrative Hook Line

132

00:12:00,590 --> 00:11:58,740

and sinker

133

00:12:05,090 --> 00:12:00,600

all of you

134

00:12:08,509 --> 00:12:05,100

were willing

135

00:12:11,449 --> 00:12:08,519

to go after anybody who questioned that

136

00:12:15,290 --> 00:12:11,459

narrative anybody who questioned the

137

00:12:16,910 --> 00:12:15,300

so-called evidence that this man put

138

00:12:19,329 --> 00:12:16,920

forth

139

00:12:22,490 --> 00:12:19,339

all of which all three of those videos

140

00:12:24,670 --> 00:12:22,500

that he uh let's just say borrowed from

141

00:12:28,690 --> 00:12:24,680

the Pentagon all three of those videos

142

00:12:32,630 --> 00:12:28,700

completely debunked but now we've got

143

00:12:35,150 --> 00:12:32,640

NASA scientists confirming the debunking

144

00:12:37,730 --> 00:12:35,160

of it and I get it here come the excuses

145

00:12:38,990 --> 00:12:37,740

oh no it's still a mystery we don't know

146

00:12:43,310 --> 00:12:39,000

what it is

147

00:12:46,850 --> 00:12:43,320

but it is not what we were told it is

148

00:12:51,829 --> 00:12:46,860

that much is clear

149

00:12:54,590 --> 00:12:51,839

also clear is that all of you idiots who

150

00:12:57,530 --> 00:12:54,600

went attacking anybody who questioned

151
00:13:00,769 --> 00:12:57,540
The Narrative oh some apologies and

152
00:13:04,250 --> 00:13:00,779
today I watched in glory

153
00:13:09,769 --> 00:13:04,260
as many of you

154
00:13:12,710 --> 00:13:09,779
cowardly little little men went on tweet

155
00:13:14,870 --> 00:13:12,720
delete tirades right we gotta get rid of

156
00:13:18,410 --> 00:13:14,880
all that stuff we said about this video

157
00:13:21,650 --> 00:13:18,420
being aliens yeah

158
00:13:24,290 --> 00:13:21,660
the only race history I've screenshotted

159
00:13:28,430 --> 00:13:24,300
a lot of it and it's you're not going to

160
00:13:30,110 --> 00:13:28,440
escape that which you said and to those

161
00:13:33,230 --> 00:13:30,120
who

162
00:13:35,750 --> 00:13:33,240
oh I don't know did things like let's

163
00:13:36,829 --> 00:13:35,760

let's just let me talk about it in in a

164

00:13:39,590 --> 00:13:36,839

personal

165

00:13:43,629 --> 00:13:39,600

sense first right

166

00:13:47,389 --> 00:13:43,639

I got doxed people threatened me people

167

00:13:51,110 --> 00:13:47,399

uh came into my live chat and threatened

168

00:13:53,329 --> 00:13:51,120

my wife by name right said they were

169

00:13:55,310 --> 00:13:53,339

outside we're putting our address all

170

00:13:58,310 --> 00:13:55,320

over the internet

171

00:14:05,449 --> 00:14:01,910

because I said that Lou Elizondo was

172

00:14:08,690 --> 00:14:05,459

just another UFO grifter and he is not

173

00:14:09,769 --> 00:14:08,700

who he is pretending to be and I said

174

00:14:11,509 --> 00:14:09,779

that

175

00:14:14,690 --> 00:14:11,519

from the date

176

00:14:17,150 --> 00:14:14,700

of his outing in this so-called New York

177

00:14:19,610 --> 00:14:17,160

Times article

178

00:14:22,250 --> 00:14:19,620

then we hosted a filmmaker who made a a

179

00:14:24,949 --> 00:14:22,260

very critical film of this man

180

00:14:27,170 --> 00:14:24,959

by the way most of the information in

181

00:14:29,030 --> 00:14:27,180

that or almost all of it turns out to be

182

00:14:31,129 --> 00:14:29,040

accurate

183

00:14:33,230 --> 00:14:31,139

um and that's what really caused a lot

184

00:14:35,329 --> 00:14:33,240

of the uh

185

00:14:36,290 --> 00:14:35,339

a lot of the clown Patrol to come after

186

00:14:39,230 --> 00:14:36,300

me

187

00:14:41,329 --> 00:14:39,240

because I dared to talk to a filmmaker

188

00:14:44,210 --> 00:14:41,339

who had

189

00:14:47,050 --> 00:14:44,220

a lot of questions like who's Lou

190

00:14:49,970 --> 00:14:47,060

Elizondo but today

191

00:14:52,670 --> 00:14:49,980

and by the way you know it's very clear

192

00:14:54,350 --> 00:14:52,680

some of these people are running around

193

00:14:57,590 --> 00:14:54,360

right now saying well why didn't they

194

00:15:00,470 --> 00:14:57,600

say this back then people did people did

195

00:15:03,290 --> 00:15:00,480

the trigonometry back then I have a

196

00:15:07,009 --> 00:15:03,300

background in computer science so math

197

00:15:09,889 --> 00:15:07,019

to me comes pretty naturally but most

198

00:15:13,189 --> 00:15:09,899

famously it was Mick West who did the

199

00:15:15,769 --> 00:15:13,199

same exact analysis that NASA did it

200

00:15:17,990 --> 00:15:15,779

looked to me like NASA looked at his

201
00:15:20,150 --> 00:15:18,000
analysis and said yeah that looks good

202
00:15:22,389 --> 00:15:20,160
write it up

203
00:15:27,110 --> 00:15:22,399
and Mick West sort of joked about

204
00:15:28,670 --> 00:15:27,120
finally he got peer review today and I

205
00:15:31,009 --> 00:15:28,680
even though I think he was kind of

206
00:15:32,030 --> 00:15:31,019
joking about the peer review he is

207
00:15:33,350 --> 00:15:32,040
correct

208
00:15:37,069 --> 00:15:33,360
because

209
00:15:39,829 --> 00:15:37,079
the Hallmark of a great researcher is

210
00:15:41,389 --> 00:15:39,839
that they can show you their work and

211
00:15:45,470 --> 00:15:41,399
someone else

212
00:15:47,689 --> 00:15:45,480
can go through the data do the work and

213
00:15:49,670 --> 00:15:47,699

get the same result

214

00:15:51,470 --> 00:15:49,680

and that is exactly

215

00:15:53,350 --> 00:15:51,480

what happened

216

00:15:57,470 --> 00:15:53,360

foreign

217

00:15:58,850 --> 00:15:57,480

so I think it was in 2019

218

00:16:01,129 --> 00:15:58,860

Mick West

219

00:16:03,530 --> 00:16:01,139

said this object is

220

00:16:08,509 --> 00:16:03,540

not what they're saying it is it's not

221

00:16:10,250 --> 00:16:08,519

low and it's not fast it's high and slow

222

00:16:13,250 --> 00:16:10,260

and here's the evidence and here's the

223

00:16:16,970 --> 00:16:13,260

proof and you know one thing that people

224

00:16:19,850 --> 00:16:16,980

should really really understand is that

225

00:16:21,050 --> 00:16:19,860

math is the all-powerful language of the

226

00:16:24,590 --> 00:16:21,060

universe

227

00:16:27,769 --> 00:16:24,600

and you can't really fudge the math

228

00:16:30,769 --> 00:16:27,779

the math proves that this object in the

229

00:16:32,930 --> 00:16:30,779

so-called go fast video was not what Lou

230

00:16:36,710 --> 00:16:32,940

Elizondo claimed it to be

231

00:16:38,689 --> 00:16:36,720

was not what everyone pushing it claimed

232

00:16:40,910 --> 00:16:38,699

it to be

233

00:16:44,150 --> 00:16:40,920

and

234

00:16:47,810 --> 00:16:44,160

the fake UFO program director right

235

00:16:50,870 --> 00:16:47,820

let's let's forget that he's a fake UFO

236

00:16:53,030 --> 00:16:50,880

program director let's just pretend that

237

00:16:55,189 --> 00:16:53,040

he was a UFO program director right

238

00:16:57,050 --> 00:16:55,199

we'll play along with his delusional

239

00:17:00,290 --> 00:16:57,060

fantasy world

240

00:17:02,269 --> 00:17:00,300

and by the way several months ago

241

00:17:04,970 --> 00:17:02,279

I want to make sure that I put on the

242

00:17:07,789 --> 00:17:04,980

record that I told all of you that more

243

00:17:11,390 --> 00:17:07,799

Revelations will be coming that will

244

00:17:12,949 --> 00:17:11,400

cast further doubt on one Lou Elizondo

245

00:17:16,189 --> 00:17:12,959

more

246

00:17:18,890 --> 00:17:16,199

real truth will be revealed and people

247

00:17:19,850 --> 00:17:18,900

are going to have to start waking up

248

00:17:22,309 --> 00:17:19,860

they're going to have to start

249

00:17:24,250 --> 00:17:22,319

apologizing to everybody they viciously

250

00:17:27,949 --> 00:17:24,260

venomously

251
00:17:30,409 --> 00:17:27,959
attacked harassed threatened intimidated

252
00:17:33,350 --> 00:17:30,419
bullied trying to bully people into

253
00:17:35,090 --> 00:17:33,360
silence don't mess with our hero he's

254
00:17:37,250 --> 00:17:35,100
not a hero

255
00:17:41,409 --> 00:17:37,260
he's just like every other person out

256
00:17:45,049 --> 00:17:41,419
there selling UFO trash he sells trash

257
00:17:47,330 --> 00:17:45,059
put a goddamn sanitation workers uniform

258
00:17:51,230 --> 00:17:47,340
on him he doesn't belong in a military

259
00:17:52,669 --> 00:17:51,240
uniform he is the trash man of ufology

260
00:17:55,789 --> 00:17:52,679
now

261
00:17:58,190 --> 00:17:55,799
how do you like that docs me again I

262
00:18:01,310 --> 00:17:58,200
don't care my address is everywhere now

263
00:18:06,650 --> 00:18:04,010

so the trash man of ufology comes out of

264

00:18:08,630 --> 00:18:06,660

the Pentagon lying to everybody well I

265

00:18:16,909 --> 00:18:08,640

used to work for the government but uh I

266

00:18:24,289 --> 00:18:20,450

our with your borrowed Pentagon videos

267

00:18:26,390 --> 00:18:24,299

and that's the best you got bro you

268

00:18:29,390 --> 00:18:26,400

worked in the Pentagon and those three

269

00:18:31,970 --> 00:18:29,400

garbage videos

270

00:18:34,430 --> 00:18:31,980

you could get out of the Pentagon

271

00:18:37,430 --> 00:18:34,440

which further proves

272

00:18:39,350 --> 00:18:37,440

something that some of us believe which

273

00:18:41,390 --> 00:18:39,360

is that the government knows no more

274

00:18:44,690 --> 00:18:41,400

about this than any of us regular

275

00:18:47,990 --> 00:18:44,700

citizens that are engaged and interested

276

00:18:50,510 --> 00:18:48,000

in reading and and following they don't

277

00:18:53,630 --> 00:18:50,520

know anything more than we do

278

00:18:57,130 --> 00:18:53,640

but it doesn't stop the trash man of

279

00:19:00,890 --> 00:18:57,140

ufology Lou Elizondo from getting

280

00:19:03,529 --> 00:19:00,900

television show deals with lies

281

00:19:06,890 --> 00:19:03,539

lots of publicity in the New York Times

282

00:19:11,210 --> 00:19:06,900

article oh he even got an award from GQ

283

00:19:15,169 --> 00:19:11,220

right he's a hero of the year he's a

284

00:19:17,870 --> 00:19:15,179

trash man selling garbage

285

00:19:20,810 --> 00:19:17,880

but don't worry he'll take his garbage

286

00:19:24,830 --> 00:19:20,820

before he shows it to you and he'll put

287

00:19:28,750 --> 00:19:24,840

a facade of gold on it and present it to

288

00:19:32,409 --> 00:19:28,760

the UFO discloser dorks of the world

289

00:19:37,250 --> 00:19:32,419

claiming that it's something it clearly

290

00:19:43,430 --> 00:19:40,310

now let's play along with the trash man

291

00:19:45,650 --> 00:19:43,440

of ufology Lou Alexander's delusions of

292

00:19:49,549 --> 00:19:45,660

grandeur that he

293

00:19:52,850 --> 00:19:49,559

he was running a UFO program great

294

00:19:55,430 --> 00:19:52,860

so you're running a UFO program for the

295

00:19:58,610 --> 00:19:55,440

Pentagon and you don't have anybody that

296

00:20:01,430 --> 00:19:58,620

could do like second year college level

297

00:20:02,390 --> 00:20:01,440

math I don't even think it is I don't

298

00:20:04,310 --> 00:20:02,400

remember

299

00:20:07,010 --> 00:20:04,320

I think I first took trigonometry in

300

00:20:07,909 --> 00:20:07,020

high school but I was in AP classes I

301
00:20:14,049 --> 00:20:07,919
don't know

302
00:20:18,830 --> 00:20:14,059
need to do the pretty it's it's

303
00:20:22,909 --> 00:20:18,840
Granite it is trigonometry but it's not

304
00:20:26,390 --> 00:20:22,919
super advanced math right so the trash

305
00:20:29,690 --> 00:20:26,400
man of ufology Lou Elizondo is running a

306
00:20:32,630 --> 00:20:29,700
pentagon UFO program and he he can't do

307
00:20:35,990 --> 00:20:32,640
like first or second year college

308
00:20:38,930 --> 00:20:36,000
student level math and figure out that

309
00:20:41,750 --> 00:20:38,940
this thing is not what he thinks it is

310
00:20:44,690 --> 00:20:41,760
so there are two possibilities again

311
00:20:46,370 --> 00:20:44,700
either the LIE bio Mission either he

312
00:20:51,049 --> 00:20:46,380
knew that this thing wasn't what he said

313
00:20:55,490 --> 00:20:51,059

it was or he's an idiot either way he's

314

00:20:58,909 --> 00:20:55,500

not your UFO hero he is the trash man of

315

00:21:01,310 --> 00:20:58,919

the world of UFOs and by the way that's

316

00:21:05,630 --> 00:21:01,320

where his book is going to be in the

317

00:21:08,150 --> 00:21:05,640

trash bin of ufology and I'm done caring

318

00:21:10,430 --> 00:21:08,160

right I try to you know after all that

319

00:21:13,490 --> 00:21:10,440

hubbub about him I try to like you know

320

00:21:16,310 --> 00:21:13,500

what I don't care let let the let the

321

00:21:20,150 --> 00:21:16,320

Lou Elizondo butt lickers go at it right

322

00:21:22,310 --> 00:21:20,160

get down in there get it real good you

323

00:21:25,130 --> 00:21:22,320

bunch of dummies

324

00:21:27,110 --> 00:21:25,140

first he sold you a completely and

325

00:21:29,090 --> 00:21:27,120

totally false story about his background

326

00:21:31,310 --> 00:21:29,100

then

327

00:21:33,409 --> 00:21:31,320

somebody bent the rules according to

328

00:21:34,909 --> 00:21:33,419

Christopher Mellon some would say that's

329

00:21:37,310 --> 00:21:34,919

a little more than bending the rules

330

00:21:40,370 --> 00:21:37,320

because if you or I took government

331

00:21:42,230 --> 00:21:40,380

property and used that to profit for

332

00:21:45,230 --> 00:21:42,240

years and years and years and got

333

00:21:47,870 --> 00:21:45,240

television show deals and book deals and

334

00:21:49,789 --> 00:21:47,880

big money speaking engagements based on

335

00:21:52,370 --> 00:21:49,799

things that we borrowed out of the

336

00:21:54,169 --> 00:21:52,380

Pentagon that didn't belong to us we

337

00:21:57,230 --> 00:21:54,179

might be prosecuted

338

00:22:03,409 --> 00:21:57,240

but let's forget about Haley got the

339

00:22:10,010 --> 00:22:08,090

not what they were sold to us as

340

00:22:12,409 --> 00:22:10,020

and if that's the best that he can do

341

00:22:18,950 --> 00:22:12,419

running a UFO program first of all the

342

00:22:23,450 --> 00:22:21,590

some intelligence guy an intelligence

343

00:22:27,470 --> 00:22:23,460

guy who doesn't have intelligence to do

344

00:22:31,669 --> 00:22:27,480

first year college math but okay

345

00:22:36,049 --> 00:22:31,679

um or his Pentagon UFO program did not

346

00:22:38,450 --> 00:22:36,059

have the vast resources it would take to

347

00:22:41,750 --> 00:22:38,460

get a college student to do the math

348

00:22:44,930 --> 00:22:41,760

required to debunk this fake go fast

349

00:22:47,690 --> 00:22:44,940

video as nothing special because you

350

00:22:55,250 --> 00:22:47,700

remember all the things Lou Alexander

351
00:23:00,590 --> 00:22:58,490
right you remember oh these things defy

352
00:23:02,810 --> 00:23:00,600
the laws of physics nothing can move

353
00:23:07,070 --> 00:23:02,820
this fast right

354
00:23:11,409 --> 00:23:09,350
although Mick West and several other

355
00:23:15,169 --> 00:23:11,419
people who know how to do

356
00:23:18,010 --> 00:23:15,179
first-year college math proved years ago

357
00:23:21,169 --> 00:23:18,020
that that object was not moving fast

358
00:23:24,649 --> 00:23:21,179
what did Mick West get for that he got

359
00:23:27,289 --> 00:23:24,659
attacked he got literally he got death

360
00:23:30,830 --> 00:23:27,299
threats over this video and his

361
00:23:35,390 --> 00:23:30,840
debunking of it and

362
00:23:39,649 --> 00:23:35,400
I I cannot believe that some people's

363
00:23:41,570 --> 00:23:39,659

level of venom goes that high but it

364

00:23:43,970 --> 00:23:41,580

sure does and

365

00:23:46,430 --> 00:23:43,980

um it's just ridiculous

366

00:23:49,190 --> 00:23:46,440

and

367

00:23:51,710 --> 00:23:49,200

the levels of harassment

368

00:23:54,289 --> 00:23:51,720

on the side of the Believers going after

369

00:23:57,890 --> 00:23:54,299

Skeptics or people who are you know

370

00:24:01,190 --> 00:23:57,900

poking holes in the so-called evidence

371

00:24:03,950 --> 00:24:01,200

is so bad that NASA called it out

372

00:24:07,010 --> 00:24:03,960

commenting on the harassment of their

373

00:24:10,130 --> 00:24:07,020

scientists commenting on the harassment

374

00:24:12,470 --> 00:24:10,140

of government officials and isn't this

375

00:24:14,090 --> 00:24:12,480

incredible and isn't this interesting

376

00:24:17,090 --> 00:24:14,100

that

377

00:24:19,789 --> 00:24:17,100

all of these disclosure door clowns

378

00:24:22,250 --> 00:24:19,799

wasted all of our taxpayer dollars

379

00:24:23,990 --> 00:24:22,260

forcing the government to give us you

380

00:24:26,450 --> 00:24:24,000

got to investigate this and you've got

381

00:24:29,930 --> 00:24:26,460

to look into this and wasting millions

382

00:24:32,510 --> 00:24:29,940

and millions and millions of our dollars

383

00:24:34,850 --> 00:24:32,520

it's all our money and it's all being

384

00:24:37,730 --> 00:24:34,860

wasted and what are we wasting the money

385

00:24:39,649 --> 00:24:37,740

on chasing Shadows

386

00:24:41,270 --> 00:24:39,659

and a bunch of people are demanding this

387

00:24:42,950 --> 00:24:41,280

who have a faith-based belief system

388

00:24:45,169 --> 00:24:42,960

they've already drawn their conclusions

389

00:24:46,789 --> 00:24:45,179

it must be Aliens Must Be aliens

390

00:24:48,230 --> 00:24:46,799

governments lie and the government's not

391

00:24:49,850 --> 00:24:48,240

doing enough the government's doing this

392

00:24:52,490 --> 00:24:49,860

the government's doing that

393

00:24:55,190 --> 00:24:52,500

all of these disclosure dorks is who

394

00:24:58,310 --> 00:24:55,200

forced the government to create this UFO

395

00:25:01,010 --> 00:24:58,320

office but now the UFO office comes out

396

00:25:03,289 --> 00:25:01,020

and says a lot of things that that the

397

00:25:06,470 --> 00:25:03,299

disclosure dorks don't like so now

398

00:25:09,590 --> 00:25:06,480

they're the bad guys you created that

399

00:25:11,810 --> 00:25:09,600

office you bunch of dummies this is what

400

00:25:14,090 --> 00:25:11,820

you asked for

401

00:25:16,250 --> 00:25:14,100

who the hell in the world thinks that

402

00:25:18,409 --> 00:25:16,260

let's get the government to give us the

403

00:25:19,909 --> 00:25:18,419

truth because that makes a lot of sense

404

00:25:22,070 --> 00:25:19,919

right

405

00:25:24,950 --> 00:25:22,080

the same people

406

00:25:28,310 --> 00:25:24,960

who have been allegedly or apparently

407

00:25:30,289 --> 00:25:28,320

running a cover-up for 70 plus years

408

00:25:31,789 --> 00:25:30,299

suddenly we're going to trust them to

409

00:25:34,730 --> 00:25:31,799

give us the truth

410

00:25:36,049 --> 00:25:34,740

why because a few people came out of the

411

00:25:38,330 --> 00:25:36,059

government and claimed that they were

412

00:25:40,490 --> 00:25:38,340

going to work towards disclosure with us

413

00:25:49,370 --> 00:25:40,500

yeah right

414

00:25:53,390 --> 00:25:49,380

you the level of uh of harassment that

415

00:25:57,289 --> 00:25:53,400

some critics will have to go through

416

00:25:58,970 --> 00:25:57,299

this is great Mick West is an effing

417

00:26:02,810 --> 00:25:58,980

dick

418

00:26:04,130 --> 00:26:02,820

who needs to shoot himself

419

00:26:08,090 --> 00:26:04,140

right

420

00:26:10,810 --> 00:26:08,100

Mick West is a effing D who needs to

421

00:26:14,630 --> 00:26:10,820

shoot himself right

422

00:26:16,549 --> 00:26:14,640

anti-semit alt-right bigots

423

00:26:19,070 --> 00:26:16,559

are not a part of the UFO Community

424

00:26:20,810 --> 00:26:19,080

they're bugs that crawled in through the

425

00:26:22,730 --> 00:26:20,820

floorboards

426
00:26:23,990 --> 00:26:22,740
and of course

427
00:26:26,690 --> 00:26:24,000
you know

428
00:26:28,430 --> 00:26:26,700
I've got a hundred more screenshots

429
00:26:30,710 --> 00:26:28,440
um I'm not going to bore you with the

430
00:26:33,289 --> 00:26:30,720
details but when there's people out

431
00:26:35,149 --> 00:26:33,299
there telling people that skeptic needs

432
00:26:39,049 --> 00:26:35,159
to shoot himself he needs to commit

433
00:26:42,590 --> 00:26:39,059
suicide because he's blowing holes in

434
00:26:44,810 --> 00:26:42,600
all of these false narratives and let's

435
00:26:47,630 --> 00:26:44,820
be very clear now

436
00:26:49,430 --> 00:26:47,640
those narratives that all these True

437
00:26:51,830 --> 00:26:49,440
Believers were running around attacking

438
00:26:54,350 --> 00:26:51,840

people in this case telling somebody to

439

00:26:56,470 --> 00:26:54,360

kill themselves over those false

440

00:26:58,850 --> 00:26:56,480

narratives being called into question

441

00:27:02,630 --> 00:26:58,860

now no

442

00:27:06,409 --> 00:27:02,640

or should now know scientifically

443

00:27:12,110 --> 00:27:08,510

they were wrong

444

00:27:16,190 --> 00:27:12,120

they were fed a false narrative

445

00:27:18,470 --> 00:27:16,200

by a very shrewd manipulator an

446

00:27:20,810 --> 00:27:18,480

intelligence officer

447

00:27:23,990 --> 00:27:20,820

trained in the art of deception trained

448

00:27:27,529 --> 00:27:24,000

in the art of subterfuge trained in the

449

00:27:30,950 --> 00:27:27,539

art of misdirection the man who said he

450

00:27:33,529 --> 00:27:30,960

was sent into the UFO Community to apply

451
00:27:36,049 --> 00:27:33,539
his counterintelligence skills

452
00:27:38,690 --> 00:27:36,059
right

453
00:27:41,330 --> 00:27:38,700
he had a Freudian slip on one of those

454
00:27:43,190 --> 00:27:41,340
300 True Believer shows that he used to

455
00:27:44,870 --> 00:27:43,200
go on to have his balls licked you

456
00:27:48,230 --> 00:27:44,880
remember that

457
00:27:50,149 --> 00:27:48,240
um and he said he was sent into the UFO

458
00:27:53,870 --> 00:27:50,159
community

459
00:27:56,169 --> 00:27:53,880
and he manipulated all of you with a

460
00:28:01,250 --> 00:27:56,179
completely and totally false narrative

461
00:28:03,890 --> 00:28:01,260
or he's a huge idiot and no one should

462
00:28:06,230 --> 00:28:03,900
trust anything he says and let's also

463
00:28:09,110 --> 00:28:06,240

not forget that Lu Elizondo also has

464

00:28:11,930 --> 00:28:09,120

super powers right according to the

465

00:28:13,789 --> 00:28:11,940

testimony of Jerry Jeremy McGowan but

466

00:28:15,769 --> 00:28:13,799

I've able I've been able to confirm that

467

00:28:17,390 --> 00:28:15,779

with one other person he told one other

468

00:28:20,330 --> 00:28:17,400

person that I'm aware of of his

469

00:28:22,250 --> 00:28:20,340

superpowers and

470

00:28:24,710 --> 00:28:22,260

there may be some more evidence coming

471

00:28:27,049 --> 00:28:24,720

out remember months ago I said there's

472

00:28:29,570 --> 00:28:27,059

going to be a series of Revelations

473

00:28:31,970 --> 00:28:29,580

about Lou Elizondo and it's going to

474

00:28:34,909 --> 00:28:31,980

completely destroy the entire false

475

00:28:37,430 --> 00:28:34,919

narratives we've got to see one portion

476

00:28:39,590 --> 00:28:37,440

of this today

477

00:28:44,210 --> 00:28:39,600

because today

478

00:28:46,370 --> 00:28:44,220

in glorious fashion NASA NASA scientists

479

00:28:50,450 --> 00:28:46,380

confirmed

480

00:28:53,330 --> 00:28:50,460

Mick West's debunk of years ago was

481

00:28:56,149 --> 00:28:53,340

completely and totally correct

482

00:28:58,870 --> 00:28:56,159

but that's not what we were told right

483

00:29:02,450 --> 00:28:58,880

I mean the narrative that we were told

484

00:29:06,350 --> 00:29:02,460

was as sensationalized narrative

485

00:29:08,090 --> 00:29:06,360

of this thing moving super fast right

486

00:29:09,769 --> 00:29:08,100

it would have been kind of hard to sell

487

00:29:11,690 --> 00:29:09,779

a television show if you said yeah this

488

00:29:13,789 --> 00:29:11,700

thing's going 40 miles an hour and it's

489

00:29:15,529 --> 00:29:13,799

like you know it's it's high up in the

490

00:29:17,870 --> 00:29:15,539

in the in the atmosphere and it's going

491

00:29:20,510 --> 00:29:17,880

40 miles an hour

492

00:29:22,370 --> 00:29:20,520

we don't know what it is right a lot

493

00:29:24,830 --> 00:29:22,380

easier to sell it if you start hyping

494

00:29:26,389 --> 00:29:24,840

how fast it's going wow how could it be

495

00:29:29,210 --> 00:29:26,399

going this fast this thing is really

496

00:29:31,250 --> 00:29:29,220

booking remember the television show in

497

00:29:33,710 --> 00:29:31,260

case you forget it in case you forget

498

00:29:36,590 --> 00:29:33,720

that over hyped ridiculous garbage

499

00:29:39,710 --> 00:29:36,600

television show uh

500

00:29:42,470 --> 00:29:39,720

starring Lou Elizondo with

501
00:29:44,090 --> 00:29:42,480
lots of tenants of his false narrative

502
00:29:47,210 --> 00:29:44,100
in there

503
00:29:49,010 --> 00:29:47,220
um don't worry because Stephen Green

504
00:29:52,610 --> 00:29:49,020
Street was kind enough to remind

505
00:29:56,330 --> 00:29:52,620
everybody today and then

506
00:29:59,090 --> 00:29:56,340
sort of bring everybody down to earth

507
00:30:03,169 --> 00:29:59,100
you can follow Stephen Green Street on

508
00:30:05,510 --> 00:30:03,179
Twitter at middle of Mayhem or uh make

509
00:30:07,370 --> 00:30:05,520
sure you subscribe to the New York Post

510
00:30:09,230 --> 00:30:07,380
and watch his

511
00:30:11,870 --> 00:30:09,240
the basement office

512
00:30:13,870 --> 00:30:11,880
which has taken a very skeptical view of

513
00:30:16,490 --> 00:30:13,880

these things lately as well he should

514

00:30:17,930 --> 00:30:16,500

but Stephen Green Street reminded

515

00:30:24,110 --> 00:30:17,940

everyone

516

00:30:26,330 --> 00:30:24,120

was spoon fed this video has come to be

517

00:30:28,490 --> 00:30:26,340

known as go fast and shows an object

518

00:30:31,010 --> 00:30:28,500

speeding just above the water

519

00:30:32,570 --> 00:30:31,020

that thing is hauling that's exactly my

520

00:30:34,490 --> 00:30:32,580

point it's a little less than two-thirds

521

00:30:37,180 --> 00:30:34,500

of speed of sound how is the craft able

522

00:30:41,630 --> 00:30:37,190

to fly so fast

523

00:30:47,570 --> 00:30:43,850

figure out how far it moved and in this

524

00:30:50,450 --> 00:30:47,580

case this object moved about 390 meters

525

00:30:53,029 --> 00:30:50,460

um in 22 seconds and that corresponds to

526

00:30:55,789 --> 00:30:53,039

a velocity of just 40 miles per hour

527

00:30:57,649 --> 00:30:55,799

that thing is hauling that's exactly my

528

00:30:59,029 --> 00:30:57,659

point 40 miles per hour it's a little

529

00:31:01,010 --> 00:30:59,039

less than two-thirds of speed of sound

530

00:31:04,190 --> 00:31:01,020

40 miles per hour but how is the craft

531

00:31:06,540 --> 00:31:04,200

able to fly so fast 40 miles per hour 40

532

00:31:19,789 --> 00:31:06,550

miles per hour

533

00:31:19,799 --> 00:31:25,430

hahaha

534

00:31:30,769 --> 00:31:27,649

well there we have it the false

535

00:31:33,289 --> 00:31:30,779

narrative destroyed not by and and

536

00:31:35,870 --> 00:31:33,299

here's how you know that that debunk is

537

00:31:39,610 --> 00:31:35,880

correct because multiple independent

538

00:31:42,830 --> 00:31:39,620

people did that debunk and then NASA

539

00:31:45,190 --> 00:31:42,840

scientists did the same analysis and

540

00:31:49,789 --> 00:31:45,200

came up with the same results

541

00:31:52,789 --> 00:31:49,799

that's science repeatable results that's

542

00:31:54,590 --> 00:31:52,799

science now I'm sure all the True

543

00:31:58,730 --> 00:31:54,600

Believers are out there trying to figure

544

00:32:01,330 --> 00:31:58,740

out how how do we uh spin this right and

545

00:32:06,169 --> 00:32:01,340

there was some mention of

546

00:32:08,870 --> 00:32:06,179

orb-shaped craft right that we see doing

547

00:32:11,330 --> 00:32:08,880

strange Maneuvers uh throughout the

548

00:32:13,490 --> 00:32:11,340

world and that's what they jumped on but

549

00:32:15,350 --> 00:32:13,500

they sure didn't like this stunning

550

00:32:18,830 --> 00:32:15,360

Revelation

551
00:32:22,070 --> 00:32:18,840
um yeah and I am going to uh cite fair

552
00:32:24,950 --> 00:32:22,080
use and we're gonna go back to Mick

553
00:32:29,269 --> 00:32:26,810
this is three years ago

554
00:32:31,010 --> 00:32:29,279
three years ago Mick West told us all

555
00:32:34,549 --> 00:32:31,020
the truth and what did he get for it

556
00:32:37,250 --> 00:32:34,559
Venom vitriol and people telling them to

557
00:32:40,669 --> 00:32:37,260
go kill himself you all of you who did

558
00:32:44,630 --> 00:32:40,679
that should be ashamed of yourself go to

559
00:32:48,169 --> 00:32:44,640
church loser go go to confession go tell

560
00:32:51,889 --> 00:32:49,970
so

561
00:32:54,169 --> 00:32:51,899
I just want to make sure that we're

562
00:32:56,690 --> 00:32:54,179
aware that people were telling you the

563
00:32:59,090 --> 00:32:56,700

truth years ago and instead of being

564

00:33:01,750 --> 00:32:59,100

celebrated for telling you the truth

565

00:33:06,110 --> 00:33:01,760

they were viciously attacked and

566

00:33:10,250 --> 00:33:06,120

harassed endlessly for doing that right

567

00:33:16,730 --> 00:33:12,950

this is go fast explained and it's from

568

00:33:21,649 --> 00:33:16,740

Mick West and this is from three years

569

00:33:26,750 --> 00:33:24,049

episode four of the History Channel's

570

00:33:27,950 --> 00:33:26,760

show unidentified inside America's UFO

571

00:33:30,710 --> 00:33:27,960

investigation

572

00:33:34,450 --> 00:33:30,720

centers around three videos commonly

573

00:33:36,769 --> 00:33:34,460

referred to as Nimitz go fast and gimbal

574

00:33:39,049 --> 00:33:36,779

all three videos are extensively

575

00:33:41,710 --> 00:33:39,059

analyzed on metabunk over a year ago

576

00:33:44,509 --> 00:33:41,720

Nimitz is probably just a distant jet

577

00:33:46,490 --> 00:33:44,519

gimbal is also probably a distant yet

578

00:33:47,930 --> 00:33:46,500

but this time with a rotating glare

579

00:33:49,549 --> 00:33:47,940

that's just an artifact in other words

580

00:33:51,830 --> 00:33:49,559

all three of these videos are nothing

581

00:33:54,049 --> 00:33:51,840

but what I want to discuss here is the

582

00:33:56,269 --> 00:33:54,059

go fast video

583

00:33:58,490 --> 00:33:56,279

this video appears to show an object

584

00:34:01,490 --> 00:33:58,500

flying very close to the water which is

585

00:34:02,930 --> 00:34:01,500

how it's presented on unidentified

586

00:34:04,430 --> 00:34:02,940

that thing is hauling

587

00:34:06,789 --> 00:34:04,440

that's exactly my point it's a little

588

00:34:09,290 --> 00:34:06,799

less than two-thirds of speed of sound

589

00:34:11,089 --> 00:34:09,300

description is repeated on the to the

590

00:34:13,310 --> 00:34:11,099

Stars Academy page

591

00:34:15,889 --> 00:34:13,320

where the video was first released

592

00:34:19,129 --> 00:34:15,899

a white oval shape moving at high speed

593

00:34:21,409 --> 00:34:19,139

flying very low over the water

594

00:34:25,730 --> 00:34:21,419

but is it really low and fast

595

00:34:27,050 --> 00:34:25,740

no it's not it's actually high and slow

596

00:34:29,329 --> 00:34:27,060

and we can prove this with the

597

00:34:31,310 --> 00:34:29,339

information in the video

598

00:34:33,109 --> 00:34:31,320

there's a bunch of numbers on screen oh

599

00:34:35,750 --> 00:34:33,119

I'm sorry yeah I didn't realize it was

600

00:34:37,730 --> 00:34:35,760

so low guys I apologized due to the jet

601
00:34:38,930 --> 00:34:37,740
is pretty cool let's back it up a little

602
00:34:41,629 --> 00:34:38,940
bit

603
00:34:44,450 --> 00:34:41,639
very low over the water

604
00:34:48,589 --> 00:34:44,460
but is it really low and fast nope no

605
00:34:49,790 --> 00:34:48,599
it's not it's actually high and slow and

606
00:34:51,770 --> 00:34:49,800
we can prove this with the information

607
00:34:53,990 --> 00:34:51,780
in the video

608
00:34:55,669 --> 00:34:54,000
there's a bunch of numbers on screen

609
00:34:58,370 --> 00:34:55,679
the altitude of the jet is pretty

610
00:35:00,470 --> 00:34:58,380
constant at 25 000 feet

611
00:35:02,890 --> 00:35:00,480
the calibrated AirSpeed in the lower

612
00:35:04,910 --> 00:35:02,900
left is also fairly constant at around

613
00:35:08,150 --> 00:35:04,920

255 knots

614

00:35:10,310 --> 00:35:08,160

which gives a true airspeed of 370 knots

615

00:35:12,890 --> 00:35:10,320

when you correct for the 25 000 feet

616

00:35:15,710 --> 00:35:12,900

pressure altitude

617

00:35:17,870 --> 00:35:15,720

the jet is flying straight at first but

618

00:35:19,490 --> 00:35:17,880

ever locking on it Banks about 13

619

00:35:21,410 --> 00:35:19,500

degrees to the left

620

00:35:23,510 --> 00:35:21,420

I extracted this information by feature

621

00:35:25,190 --> 00:35:23,520

tracking the ends of the horizon line

622

00:35:26,150 --> 00:35:25,200

so they're just turning a little bit to

623

00:35:28,130 --> 00:35:26,160

the left

624

00:35:29,630 --> 00:35:28,140

the number at the top is the angle of

625

00:35:33,710 --> 00:35:29,640

the camera relative to the front of the

626
00:35:35,569 --> 00:35:33,720
jet it goes from 35 degrees left to 58

627
00:35:37,370 --> 00:35:35,579
degrees left

628
00:35:40,010 --> 00:35:37,380
the number on the middle left is the

629
00:35:44,870 --> 00:35:40,020
camera's downward tilt it goes from 22

630
00:35:48,890 --> 00:35:46,550
one of the more important numbers here

631
00:35:51,230 --> 00:35:48,900
is the range number on the right hand

632
00:35:53,329 --> 00:35:51,240
side labeled R and G

633
00:35:54,770 --> 00:35:53,339
this is the distance to the Target in

634
00:35:56,990 --> 00:35:54,780
nautical miles

635
00:35:59,510 --> 00:35:57,000
it does not show up until the target is

636
00:36:04,190 --> 00:35:59,520
acquired but then it goes from 4.4

637
00:36:06,230 --> 00:36:04,200
nautical miles to 3.3 nautical miles

638
00:36:09,710 --> 00:36:06,240

so we can use all these numbers and how

639

00:36:12,349 --> 00:36:09,720

they change over time to do two things

640

00:36:13,970 --> 00:36:12,359

firstly we can calculate how high the

641

00:36:16,490 --> 00:36:13,980

object is

642

00:36:19,130 --> 00:36:16,500

n't too complicated we know the angle

643

00:36:22,550 --> 00:36:19,140

the camera is looking down at and

644

00:36:23,990 --> 00:36:22,560

so you know one of the things that I

645

00:36:26,390 --> 00:36:24,000

think is very important for us to

646

00:36:28,790 --> 00:36:26,400

recognize here is if Lou Elizondo really

647

00:36:30,950 --> 00:36:28,800

was who he says he was then he is a

648

00:36:33,710 --> 00:36:30,960

Super Genius of the Millennium right

649

00:36:35,930 --> 00:36:33,720

he's running a UFO program and he

650

00:36:39,470 --> 00:36:35,940

couldn't find some math nerd like

651
00:36:41,390 --> 00:36:39,480
Midwest no offense Quest right Mick West

652
00:36:45,109 --> 00:36:41,400
is a programmer though and I'm a

653
00:36:47,930 --> 00:36:45,119
computer science guy we we know math and

654
00:36:51,829 --> 00:36:47,940
all of the data to do this analysis was

655
00:36:54,170 --> 00:36:51,839
in the original video and uh Mr UFO

656
00:36:56,510 --> 00:36:54,180
program director he could have done the

657
00:36:59,569 --> 00:36:56,520
analysis before he hyped this out the

658
00:37:01,910 --> 00:36:59,579
Wazoo made millions of dollars off of

659
00:37:03,890 --> 00:37:01,920
this nothing Burger of a video and two

660
00:37:06,589 --> 00:37:03,900
more nothing Burgers of a video in the

661
00:37:08,510 --> 00:37:06,599
form of tsa investment

662
00:37:10,730 --> 00:37:08,520
garbage right

663
00:37:13,089 --> 00:37:10,740

he could have done the analysis the same

664

00:37:16,910 --> 00:37:13,099

thing that Mick West did is doing here

665

00:37:19,430 --> 00:37:16,920

and uh they didn't do that instead they

666

00:37:22,670 --> 00:37:19,440

ran to sell it does that sound familiar

667

00:37:24,349 --> 00:37:22,680

kind of like some UFO clown who could

668

00:37:26,870 --> 00:37:24,359

have figured out that something was

669

00:37:31,069 --> 00:37:26,880

flares but instead of figuring that out

670

00:37:34,310 --> 00:37:31,079

he ran to sell the story instead or some

671

00:37:36,050 --> 00:37:34,320

third phase clowns right finding a high

672

00:37:38,329 --> 00:37:36,060

altitude balloon video they could have

673

00:37:40,849 --> 00:37:38,339

just spent 35 seconds and told everybody

674

00:37:43,790 --> 00:37:40,859

that it was just a high altitude blue

675

00:37:47,930 --> 00:37:43,800

but instead they ran to sell the story

676
00:37:51,470 --> 00:37:47,940
of a UFO sound familiar they all used

677
00:37:54,349 --> 00:37:51,480
these same methods to sell their garbage

678
00:37:56,450 --> 00:37:54,359
we know the distance to the object so

679
00:37:57,890 --> 00:37:56,460
the height of the object below the

680
00:38:01,250 --> 00:37:57,900
camera it's really just simple

681
00:38:03,349 --> 00:38:01,260
trigonometry it's the range multiplied

682
00:38:05,150 --> 00:38:03,359
by the sign of the downward angle if you

683
00:38:08,510 --> 00:38:05,160
take the object at the start and the end

684
00:38:11,870 --> 00:38:08,520
of a tracking we get 4.4 nautical miles

685
00:38:14,930 --> 00:38:11,880
times the sine of 26 degrees gives us

686
00:38:16,630 --> 00:38:14,940
1.92 nautical miles below the plane

687
00:38:19,910 --> 00:38:16,640
then at the end

688
00:38:23,210 --> 00:38:19,920

3.4 nautical miles times the sine of 35

689

00:38:25,849 --> 00:38:23,220

degrees gives us 1.95 nautical miles

690

00:38:28,490 --> 00:38:25,859

about the same

691

00:38:31,310 --> 00:38:28,500

then it's an object that's around 13 000

692

00:38:34,430 --> 00:38:31,320

feet above the water

693

00:38:36,650 --> 00:38:34,440

it's also being viewed from a jet at 25

694

00:38:41,329 --> 00:38:36,660

000 feet so basically it's halfway

695

00:38:45,109 --> 00:38:43,430

this is very important because it means

696

00:38:47,930 --> 00:38:45,119

the perceived motion of the object

697

00:38:50,390 --> 00:38:47,940

against the ocean surface even if it

698

00:38:52,550 --> 00:38:50,400

were moving very slowly or even if it

699

00:38:55,190 --> 00:38:52,560

were not moving at all would be the same

700

00:38:58,010 --> 00:38:55,200

as the speed of the jet itself

701
00:39:00,829 --> 00:38:58,020
this Parallax effect is hugely magnified

702
00:39:04,010 --> 00:39:00,839
by the high Zoom which is set to Nar

703
00:39:04,910 --> 00:39:04,020
narrow or around 1.5 degrees field of

704
00:39:07,510 --> 00:39:04,920
view

705
00:39:09,530 --> 00:39:07,520
so we've already seen the unidentified

706
00:39:11,930 --> 00:39:09,540
analysis is wrong

707
00:39:13,550 --> 00:39:11,940
it's not close to the water at all yeah

708
00:39:16,069 --> 00:39:13,560
and I just want to point out that Mick

709
00:39:19,550 --> 00:39:16,079
West pointed out that this

710
00:39:21,470 --> 00:39:19,560
Lou Elizondo television show analysis

711
00:39:24,890 --> 00:39:21,480
was completely and totally factually

712
00:39:26,990 --> 00:39:24,900
incorrect the math doesn't add up and

713
00:39:28,790 --> 00:39:27,000

what did he get for that people telling

714

00:39:30,650 --> 00:39:28,800

him to murder you know oh you should

715

00:39:32,990 --> 00:39:30,660

kill yourself right you should commit

716

00:39:35,990 --> 00:39:33,000

suicide

717

00:39:38,750 --> 00:39:36,000

it's the the

718

00:39:41,390 --> 00:39:38,760

level of venom

719

00:39:43,970 --> 00:39:41,400

against people that are clearly trying

720

00:39:47,210 --> 00:39:43,980

to tell you the truth

721

00:39:49,970 --> 00:39:47,220

it bothers me you know like what is

722

00:39:52,130 --> 00:39:49,980

wrong with some people right I get it

723

00:39:54,050 --> 00:39:52,140

you want to believe it's aliens bro I

724

00:39:56,450 --> 00:39:54,060

get it but you're gonna run around and

725

00:39:59,030 --> 00:39:56,460

tell people kill themselves over this

726

00:40:01,790 --> 00:39:59,040

the 15 000 feet

727

00:40:03,710 --> 00:40:01,800

but is it as they say it's hauling

728

00:40:05,089 --> 00:40:03,720

that's exactly my point it's a little

729

00:40:08,089 --> 00:40:05,099

less than two-thirds of speed of sound

730

00:40:08,990 --> 00:40:08,099

holding ass and two-thirds the speed of

731

00:40:11,750 --> 00:40:09,000

sound

732

00:40:14,569 --> 00:40:11,760

no not even close nope it's going as

733

00:40:17,089 --> 00:40:14,579

slow as 20 to 40 knots just wind speed

734

00:40:21,050 --> 00:40:17,099

at that altitude we can determine this

735

00:40:23,030 --> 00:40:21,060

with some slightly more complex analysis

736

00:40:24,770 --> 00:40:23,040

so we know that yeah and and here it

737

00:40:27,109 --> 00:40:24,780

just gets into a lot more math and I

738

00:40:30,349 --> 00:40:27,119

don't want to bore you with the math but

739

00:40:33,170 --> 00:40:30,359

I I trust me that the math mixed West

740

00:40:35,630 --> 00:40:33,180

math is correct I believe so other

741

00:40:39,170 --> 00:40:35,640

people have shown it to that I know are

742

00:40:41,750 --> 00:40:39,180

very very skilled in math believe so and

743

00:40:45,230 --> 00:40:41,760

remember this is not super advanced math

744

00:40:48,829 --> 00:40:45,240

this is this is entry-level trigonometry

745

00:40:51,890 --> 00:40:48,839

to do this to do this math

746

00:40:55,790 --> 00:40:51,900

um and now uh we can juxtapose Mick

747

00:40:59,930 --> 00:40:55,800

West's analysis to NASA's analysis and I

748

00:41:05,930 --> 00:40:59,940

love it uh several people on UFO Twitter

749

00:41:11,930 --> 00:41:09,109

I'm pretty sure a NASA scientist knows

750

00:41:15,290 --> 00:41:11,940

how to do basic trigonometry

751
00:41:18,589 --> 00:41:15,300
uh but they're grasping at straws trying

752
00:41:20,870 --> 00:41:18,599
to uh put together any excuse oh you

753
00:41:23,510 --> 00:41:20,880
know what before we do that

754
00:41:26,870 --> 00:41:23,520
um I apologize we want to make sure that

755
00:41:28,430 --> 00:41:26,880
we uh recognize the live chat I saw a

756
00:41:31,010 --> 00:41:28,440
whole bunch of super chats so we're

757
00:41:32,510 --> 00:41:31,020
gonna do that real quickly now we want

758
00:41:34,910 --> 00:41:32,520
to thank Martin Wright for kind of

759
00:41:36,650 --> 00:41:34,920
generous five pounds and for being a

760
00:41:38,450 --> 00:41:36,660
member says Steve is upping his game

761
00:41:40,730 --> 00:41:38,460
live streams are better than anything on

762
00:41:42,650 --> 00:41:40,740
the web and his music hits the spot

763
00:41:44,569 --> 00:41:42,660

thank you for your kindness generosity

764

00:41:46,790 --> 00:41:44,579

and support

765

00:41:49,250 --> 00:41:46,800

um yeah and we want to thank Gunslinger

766

00:41:50,870 --> 00:41:49,260

for kind and generous Canadian 699 says

767

00:41:52,790 --> 00:41:50,880

to the cons there's nowhere to run

768

00:41:55,370 --> 00:41:52,800

nowhere to hide because I know your

769

00:41:57,829 --> 00:41:55,380

secrets I know your lies thank you

770

00:41:59,690 --> 00:41:57,839

Gunslinger very poetic today thank you

771

00:42:02,270 --> 00:41:59,700

for your kindness generosity continued

772

00:42:05,270 --> 00:42:02,280

support of the show we have DJ Z's with

773

00:42:06,650 --> 00:42:05,280

kindly generous 555 and thanks for being

774

00:42:09,770 --> 00:42:06,660

a member as well says happy birthday

775

00:42:12,349 --> 00:42:09,780

Stephen praise the cash it's math yes

776

00:42:14,030 --> 00:42:12,359

and we thank sizzix long time show

777

00:42:16,670 --> 00:42:14,040

supporter for Kylie Jenner's two dollar

778

00:42:18,410 --> 00:42:16,680

Super Chat and for being a member and we

779

00:42:19,790 --> 00:42:18,420

thank totemore for a Kind and Generous

780

00:42:22,430 --> 00:42:19,800

three dollars saying happy birthday

781

00:42:24,170 --> 00:42:22,440

thank all of you guys uh I appreciate it

782

00:42:27,770 --> 00:42:24,180

I already got everything that I want for

783

00:42:30,410 --> 00:42:27,780

my birthday because Vindication is the

784

00:42:33,410 --> 00:42:30,420

very best thing you could get it is just

785

00:42:36,410 --> 00:42:33,420

it's today was glorious for me

786

00:42:40,370 --> 00:42:36,420

a little stressful however because my

787

00:42:43,430 --> 00:42:40,380

older son has terrible asthma and uh it

788

00:42:45,170 --> 00:42:43,440

was a very very bad pollen day and he

789

00:42:47,450 --> 00:42:45,180

had trouble breathing today my wife had

790

00:42:50,150 --> 00:42:47,460

to take him to urgent care but he is

791

00:42:53,030 --> 00:42:50,160

recovering he is fine we gave him his

792

00:42:54,410 --> 00:42:53,040

meds uh he is going to be resting and

793

00:42:56,150 --> 00:42:54,420

probably staying home for the next

794

00:42:58,730 --> 00:42:56,160

couple of days because we're expecting a

795

00:43:00,890 --> 00:42:58,740

couple more bad pollen days so I did

796

00:43:02,630 --> 00:43:00,900

have to punt my birth we punted my

797

00:43:04,550 --> 00:43:02,640

birthday dinner in the cake and the ice

798

00:43:08,089 --> 00:43:04,560

cream but I'm here celebrating with all

799

00:43:12,010 --> 00:43:08,099

of you uh and that's that's good enough

800

00:43:14,569 --> 00:43:12,020

for me uh and we also want to

801

00:43:16,849 --> 00:43:14,579

make sure that we thank all of you for

802

00:43:19,849 --> 00:43:16,859

your kindness generosity and support of

803

00:43:21,790 --> 00:43:19,859

the show it is much much appreciated now

804

00:43:26,450 --> 00:43:21,800

I'm sure there's been some controversy

805

00:43:29,930 --> 00:43:26,460

of uh real world clowns you know like

806

00:43:33,650 --> 00:43:29,940

trailer park trash attacking

807

00:43:37,069 --> 00:43:33,660

um our show here and attacking me using

808

00:43:38,210 --> 00:43:37,079

my son in our show but we're not going

809

00:43:38,809 --> 00:43:38,220

to be

810

00:43:41,089 --> 00:43:38,819

um

811

00:43:43,550 --> 00:43:41,099

you know I'm not going to change things

812

00:43:46,550 --> 00:43:43,560

because some loser who works for the

813

00:43:47,690 --> 00:43:46,560

biggest hoaxers on planet Earth is being

814

00:43:50,210 --> 00:43:47,700

critical

815

00:43:52,550 --> 00:43:50,220

he knows what he can do as for the rest

816

00:43:54,360 --> 00:43:52,560

of you we want to thank all of you for

817

00:44:00,309 --> 00:43:54,370

helping us to praise the cash

818

00:44:05,990 --> 00:44:03,230

thank you for your kindness thank you

819

00:44:07,900 --> 00:44:06,000

for your generosity praise the cash

820

00:44:13,329 --> 00:44:07,910

crazy cash break the cash

821

00:44:19,069 --> 00:44:16,550

there's our little cash clown and we

822

00:44:22,130 --> 00:44:19,079

thank him for his uh he made my birthday

823

00:44:23,990 --> 00:44:22,140

special today lots of hugs uh Stephanie

824

00:44:26,089 --> 00:44:24,000

and the Willows of the kind and generous

825

00:44:27,650 --> 00:44:26,099

4.99 says happy birthday friend and we

826

00:44:29,870 --> 00:44:27,660

thank you for your kindness generosity

827

00:44:32,510 --> 00:44:29,880

and support Jason who's also a member

828

00:44:34,849 --> 00:44:32,520

another five bucks

829

00:44:37,849 --> 00:44:34,859

thank you all for your kindness I am

830

00:44:40,670 --> 00:44:37,859

blown away Al Warrior a long time show

831

00:44:42,950 --> 00:44:40,680

supporter one of the original OG's of

832

00:44:44,930 --> 00:44:42,960

both the Midnight Hour and true Seekers

833

00:44:46,609 --> 00:44:44,940

Kylie Jenner's five dollars says happy

834

00:44:48,410 --> 00:44:46,619

birthday Stephen thank you all for your

835

00:44:50,690 --> 00:44:48,420

kindness generosity and support I

836

00:44:52,970 --> 00:44:50,700

appreciate it and I've already got

837

00:44:55,970 --> 00:44:52,980

everything that I need I upgraded the

838

00:44:59,089 --> 00:44:55,980

computers here in true Seekers land and

839

00:45:00,290 --> 00:44:59,099

uh I'm telling you you gotta uh you have

840

00:45:04,010 --> 00:45:00,300

to

841

00:45:05,569 --> 00:45:04,020

before you understand why you should

842

00:45:07,569 --> 00:45:05,579

have done it sooner but thank you all

843

00:45:10,370 --> 00:45:07,579

for your kindness generosity and support

844

00:45:12,170 --> 00:45:10,380

everybody welcoming the cash Clan yeah

845

00:45:15,230 --> 00:45:12,180

he's going to have a job here whether

846

00:45:17,329 --> 00:45:15,240

people like it or not and I've got other

847

00:45:20,089 --> 00:45:17,339

bumpers that I never finished of him in

848

00:45:23,630 --> 00:45:20,099

like a space suit or something else you

849

00:45:26,270 --> 00:45:23,640

know some some grifter scammer who works

850

00:45:28,970 --> 00:45:26,280

for grifter scammers is you know they

851
00:45:30,770 --> 00:45:28,980
have nothing to attack me on so when we

852
00:45:33,109 --> 00:45:30,780
debunked them out to Wazoo they got to

853
00:45:35,690 --> 00:45:33,119
find something oh he's he's using his

854
00:45:36,910 --> 00:45:35,700
son in his show you know do you have any

855
00:45:39,890 --> 00:45:36,920
idea

856
00:45:41,990 --> 00:45:39,900
this kid hangs around here he's like

857
00:45:43,730 --> 00:45:42,000
what are you doing today daddy well

858
00:45:45,530 --> 00:45:43,740
we're setting up a new set because I

859
00:45:48,470 --> 00:45:45,540
can't use the oil he helps me do

860
00:45:50,329 --> 00:45:48,480
everything he is learning the value of

861
00:45:51,410 --> 00:45:50,339
money he is spending quality time with

862
00:45:56,390 --> 00:45:51,420
his father he's learning about

863
00:45:58,609 --> 00:45:56,400

microphones cameras production uh how to

864

00:46:00,550 --> 00:45:58,619

produce a show how to make music for a

865

00:46:03,349 --> 00:46:00,560

show how to make bumpers for a show

866

00:46:05,329 --> 00:46:03,359

voiceovers everything

867

00:46:10,790 --> 00:46:05,339

and I'm not going to stop doing that

868

00:46:14,990 --> 00:46:12,829

you know what does discourage me though

869

00:46:17,569 --> 00:46:15,000

is that I have to compete with these

870

00:46:19,790 --> 00:46:17,579

grifter scammer loser Liars right this

871

00:46:22,010 --> 00:46:19,800

guy gets caught lying to his audience

872

00:46:24,230 --> 00:46:22,020

for more than a year there's private

873

00:46:26,210 --> 00:46:24,240

messages that prove he's a scammer liar

874

00:46:28,250 --> 00:46:26,220

and he lied to his audience and

875

00:46:30,470 --> 00:46:28,260

everybody else still got an audience

876

00:46:33,890 --> 00:46:30,480

right shrinking one but he's still got

877

00:46:37,550 --> 00:46:33,900

one and um that bothers me he should be

878

00:46:40,190 --> 00:46:37,560

he should be erased from this thing

879

00:46:42,710 --> 00:46:40,200

right we got enough gifters here we

880

00:46:46,250 --> 00:46:42,720

don't need new ones right

881

00:46:48,410 --> 00:46:46,260

all right it's skinny Bob yeah we gotta

882

00:46:52,250 --> 00:46:48,420

get him a skinny Bob outfit yes you're

883

00:46:53,569 --> 00:46:52,260

right yeah he is and and you know he

884

00:46:54,950 --> 00:46:53,579

wants to start his own YouTube channel

885

00:46:57,170 --> 00:46:54,960

we're going to help him do that he's

886

00:46:59,089 --> 00:46:57,180

going to be a monster at this I'll teach

887

00:47:01,730 --> 00:46:59,099

him everything I know

888

00:47:03,530 --> 00:47:01,740

um yeah and and I really am having the

889

00:47:07,010 --> 00:47:03,540

best birthday

890

00:47:09,290 --> 00:47:07,020

uh that I've ever had uh Amy WC says

891

00:47:12,290 --> 00:47:09,300

best birthday present 12 mom found a

892

00:47:13,670 --> 00:47:12,300

genuine Hawaiian ukulele oh that's

893

00:47:15,290 --> 00:47:13,680

pretty good especially if you like

894

00:47:16,790 --> 00:47:15,300

ukuleles I used to have a friend that

895

00:47:19,250 --> 00:47:16,800

played that and I used to always bust

896

00:47:21,470 --> 00:47:19,260

his boss like get a real guitar but he

897

00:47:24,589 --> 00:47:21,480

was great at it

898

00:47:26,390 --> 00:47:24,599

and it's easy to carry right

899

00:47:28,910 --> 00:47:26,400

uh

900

00:47:32,510 --> 00:47:28,920

yeah I agree John I don't need to

901
00:47:35,329 --> 00:47:32,520
compete with certain people uh but it's

902
00:47:37,390 --> 00:47:35,339
like we're in the same Arena but that

903
00:47:40,490 --> 00:47:37,400
guy's uh you know

904
00:47:41,990 --> 00:47:40,500
nowhere near My Level so it really

905
00:47:44,089 --> 00:47:42,000
doesn't matter it shouldn't bother me

906
00:47:45,829 --> 00:47:44,099
it's surprising to me that somebody

907
00:47:48,050 --> 00:47:45,839
could lie to Their audience that much

908
00:47:50,210 --> 00:47:48,060
and still have an audience but there's

909
00:47:52,010 --> 00:47:50,220
no end to stupid people so he can have

910
00:47:55,490 --> 00:47:52,020
all the stupid people we have all the

911
00:47:58,730 --> 00:47:55,500
Smart Ones right here so I wanted to uh

912
00:48:01,190 --> 00:47:58,740
make sure that I share with you this is

913
00:48:03,770 --> 00:48:01,200

we've seen Mick West's analysis now

914

00:48:05,510 --> 00:48:03,780

we're going to see NASA's analysis which

915

00:48:08,290 --> 00:48:05,520

is incredibly similar

916

00:48:08,300 --> 00:48:13,609

hit space

917

00:48:18,589 --> 00:48:15,950

yeah okay so this is um

918

00:48:20,510 --> 00:48:18,599

this video was recorded by um Pilots

919

00:48:23,390 --> 00:48:20,520

deployed from the aircraft carrier USS

920

00:48:25,130 --> 00:48:23,400

Theodore Roosevelt in 2015. uh the

921

00:48:27,349 --> 00:48:25,140

example has been given the nickname go

922

00:48:29,030 --> 00:48:27,359

fast because it gives an impression of

923

00:48:31,490 --> 00:48:29,040

an object moving very rapidly against

924

00:48:33,050 --> 00:48:31,500

the ocean surface and uh you know the

925

00:48:35,030 --> 00:48:33,060

question is is this impression correct

926
00:48:37,190 --> 00:48:35,040
and uh you know if not what can we say

927
00:48:39,770 --> 00:48:37,200
quantitatively about what that object is

928
00:48:42,890 --> 00:48:39,780
doing in uh kind of earth-centered

929
00:48:44,450 --> 00:48:42,900
coordinate system

930
00:48:46,370 --> 00:48:44,460
um fortunately the information needed to

931
00:48:47,930 --> 00:48:46,380
determine the altitude and velocity of

932
00:48:50,210 --> 00:48:47,940
this object is contained on the display

933
00:48:51,890 --> 00:48:50,220
so go ahead and

934
00:48:53,870 --> 00:48:51,900
next

935
00:48:56,450 --> 00:48:53,880
and uh

936
00:48:57,890 --> 00:48:56,460
this includes the elevation angle of the

937
00:49:02,809 --> 00:48:57,900
camera

938
00:49:05,690 --> 00:49:02,819

target range in nautical miles aircraft

939

00:49:09,589 --> 00:49:05,700

altitude it's like they took notes from

940

00:49:10,490 --> 00:49:09,599

Nick West who did the debunk the same

941

00:49:13,370 --> 00:49:10,500

way

942

00:49:16,010 --> 00:49:13,380

uh so I I kind of laughed when I heard

943

00:49:19,069 --> 00:49:16,020

him say oh finally peer review because

944

00:49:20,930 --> 00:49:19,079

that is exactly what this is like

945

00:49:22,430 --> 00:49:20,940

um and again that's the Hallmark of a

946

00:49:24,349 --> 00:49:22,440

good researcher somebody can go after

947

00:49:26,650 --> 00:49:24,359

you do the same work and get the same

948

00:49:30,050 --> 00:49:26,660

results uh the time reference in seconds

949

00:49:31,490 --> 00:49:30,060

indicated air speed and Knots you know

950

00:49:32,930 --> 00:49:31,500

this information in this video in

951

00:49:36,109 --> 00:49:32,940

particular has been discussed quite a

952

00:49:43,609 --> 00:49:39,710

so let's begin with the object altitude

953

00:49:45,290 --> 00:49:43,619

and by the way somebody was taking shots

954

00:49:48,050 --> 00:49:45,300

at Mick Wesco and well they didn't name

955

00:49:50,030 --> 00:49:48,060

you in the hearing did you hear he just

956

00:49:52,309 --> 00:49:50,040

said this this information has been

957

00:49:55,550 --> 00:49:52,319

discussed quite a lot on the web yeah

958

00:49:57,589 --> 00:49:55,560

because of Mick West so who cares if

959

00:50:01,130 --> 00:49:57,599

they didn't name him

960

00:50:03,470 --> 00:50:01,140

he's the one who did this analysis

961

00:50:06,170 --> 00:50:03,480

and uh he's the one that I believe

962

00:50:10,430 --> 00:50:06,180

they're they are referencing in this in

963

00:50:14,510 --> 00:50:12,650

so knowing the Jets altitude and the

964

00:50:17,329 --> 00:50:14,520

bearing uh to the Target we can apply

965

00:50:19,550 --> 00:50:17,339

basic trigonometry to figure out where

966

00:50:21,890 --> 00:50:19,560

that object is in altitude space and

967

00:50:23,750 --> 00:50:21,900

it's uh turns out to be you know

968

00:50:26,150 --> 00:50:23,760

provided the range information is

969

00:50:28,010 --> 00:50:26,160

accurate which can have some

970

00:50:30,710 --> 00:50:28,020

uncertainties associated with it but the

971

00:50:31,550 --> 00:50:30,720

object appears to be at about 13 000

972

00:50:34,430 --> 00:50:31,560

feet

973

00:50:36,890 --> 00:50:34,440

an important aspect of this here is that

974

00:50:39,770 --> 00:50:36,900

it's sort of midway between the uh the

975

00:50:43,010 --> 00:50:39,780

jet and the ocean uh so the ocean that

976

00:50:45,230 --> 00:50:43,020

this is Mick West's debunk I feel like

977

00:50:47,809 --> 00:50:45,240

NASA might have copied Mick West's

978

00:50:49,190 --> 00:50:47,819

homework here but we'll allow it looks

979

00:50:52,849 --> 00:50:49,200

like it's right behind it is actually

980

00:50:55,790 --> 00:50:52,859

4.2 miles away and this is our first

981

00:50:57,410 --> 00:50:55,800

indication that some or most of the

982

00:50:59,049 --> 00:50:57,420

motion that we observe the apparent

983

00:51:01,970 --> 00:50:59,059

motion of the object

984

00:51:04,490 --> 00:51:01,980

is in fact due to the rapid motion of

985

00:51:07,370 --> 00:51:04,500

the sensing platform which is about 430

986

00:51:10,910 --> 00:51:07,380

miles per hour in this case

987

00:51:12,710 --> 00:51:10,920

uh but we don't have to guess about this

988

00:51:15,770 --> 00:51:12,720

so we have enough information on this

989

00:51:19,549 --> 00:51:15,780

display to actually reconstruct

990

00:51:22,730 --> 00:51:19,559

um the encounter go to the next slide

991

00:51:24,710 --> 00:51:22,740

please and uh so this is what this is

992

00:51:28,370 --> 00:51:24,720

this is using additional information on

993

00:51:30,770 --> 00:51:28,380

the screen including the time axis and

994

00:51:32,809 --> 00:51:30,780

um so we know that this aircraft is

995

00:51:34,970 --> 00:51:32,819

banking about 15 degrees left and you

996

00:51:37,190 --> 00:51:34,980

can compute through a simple calculator

997

00:51:40,069 --> 00:51:37,200

the radius approximate radius of

998

00:51:41,510 --> 00:51:40,079

curvature of the flight and you the

999

00:51:43,430 --> 00:51:41,520

bottom line is I won't go into detail

1000

00:51:45,290 --> 00:51:43,440

here but if you can get the bearing and

1001
00:51:47,329 --> 00:51:45,300
range to the Target at two locations

1002
00:51:49,190 --> 00:51:47,339
with known separation in time you can

1003
00:51:52,970 --> 00:51:49,200
figure out how far it moved and in this

1004
00:51:55,849 --> 00:51:52,980
case this object moved about 390 meters

1005
00:51:59,569 --> 00:51:55,859
um in 22 seconds and that corresponds to

1006
00:52:02,569 --> 00:51:59,579
a velocity of just 40 miles per hour

1007
00:52:06,290 --> 00:52:02,579
gee exactly in line with Mick West

1008
00:52:07,970 --> 00:52:06,300
analysis both for altitude and for Speed

1009
00:52:09,710 --> 00:52:07,980
of the object and so that's what

1010
00:52:11,630 --> 00:52:09,720
velocity is consistent with wind speeds

1011
00:52:13,730 --> 00:52:11,640
at 13 000 feet

1012
00:52:15,230 --> 00:52:13,740
so it's not our task to conjecture what

1013
00:52:16,609 --> 00:52:15,240

this object is

1014

00:52:18,650 --> 00:52:16,619

um but it's an example that illustrates

1015

00:52:20,210 --> 00:52:18,660

the type of data needed to determine

1016

00:52:24,109 --> 00:52:20,220

critical parameters that will help us

1017

00:52:25,609 --> 00:52:24,119

identify such objects going forward

1018

00:52:27,410 --> 00:52:25,619

um in addition to the importance of

1019

00:52:28,970 --> 00:52:27,420

quantitative analysis this example also

1020

00:52:30,829 --> 00:52:28,980

serves to illustrate the kind of

1021

00:52:34,190 --> 00:52:30,839

cognitive bias we have to contend with

1022

00:52:37,549 --> 00:52:34,200

uh for uaps recorded from unfamiliar

1023

00:52:39,410 --> 00:52:37,559

perspectives and uh Sean Kirkpatrick

1024

00:52:45,589 --> 00:52:39,420

showed another example of that this is

1025

00:52:51,890 --> 00:52:49,250

eat that Parallax [h__h] right all you

1026

00:52:54,890 --> 00:52:51,900

can't be Parallax it can't be you can't

1027

00:52:58,670 --> 00:52:54,900

be well math doesn't lie and now we've

1028

00:53:01,609 --> 00:52:58,680

got NASA scientists confirming Mick

1029

00:53:04,430 --> 00:53:01,619

West's now three-year-old debunk that he

1030

00:53:08,750 --> 00:53:04,440

got attacked viciously viciously for

1031

00:53:11,829 --> 00:53:08,760

right and uh you may be wondering I know

1032

00:53:15,589 --> 00:53:11,839

some of you may be wondering why is it

1033

00:53:17,450 --> 00:53:15,599

that the the trash man of ufology Lou

1034

00:53:20,450 --> 00:53:17,460

Elizondo

1035

00:53:24,770 --> 00:53:20,460

um the the trash man Pentagon UFO

1036

00:53:26,690 --> 00:53:24,780

program director that never was right

1037

00:53:28,910 --> 00:53:26,700

I'm forever going to think about him in

1038

00:53:31,490 --> 00:53:28,920

a trash man outfit following a trash can

1039

00:53:34,569 --> 00:53:31,500

around throwing UFO videos into it so

1040

00:53:37,130 --> 00:53:34,579

that he could get a deal later right

1041

00:53:39,109 --> 00:53:37,140

I used to know a guy in my old

1042

00:53:40,010 --> 00:53:39,119

neighborhood who was a trash man and he

1043

00:53:41,450 --> 00:53:40,020

used to

1044

00:53:43,430 --> 00:53:41,460

you know like

1045

00:53:45,170 --> 00:53:43,440

anything good in the trash he would

1046

00:53:48,349 --> 00:53:45,180

throw it aside they would get a separate

1047

00:53:50,030 --> 00:53:48,359

truck at taxpayer expense to come and

1048

00:53:51,710 --> 00:53:50,040

pick up like furniture and stuff and

1049

00:53:54,470 --> 00:53:51,720

then he'd be at the flea market selling

1050

00:53:58,490 --> 00:53:54,480

it that's Lou Elizondo he took these

1051
00:53:59,630 --> 00:53:58,500
trash UFO videos that don't prove

1052
00:54:02,809 --> 00:53:59,640
anything that aren't anything

1053
00:54:05,809 --> 00:54:02,819
spectacular or special misidentified

1054
00:54:08,030 --> 00:54:05,819
nothing Burgers threw it in the in the

1055
00:54:10,849 --> 00:54:08,040
truck and then he went off to sell them

1056
00:54:13,910 --> 00:54:10,859
you know that's exactly what we have

1057
00:54:16,490 --> 00:54:13,920
here but you may be wondering why people

1058
00:54:20,450 --> 00:54:16,500
like Jeremy Corbell rushed to sell

1059
00:54:22,609 --> 00:54:20,460
something as stupid as flares right and

1060
00:54:25,430 --> 00:54:22,619
uh that's another thing

1061
00:54:27,530 --> 00:54:25,440
um I I forgot to do it I always forget

1062
00:54:29,450 --> 00:54:27,540
one video

1063
00:54:31,309 --> 00:54:29,460

one second

1064

00:54:34,130 --> 00:54:31,319

I'm gonna have to play this one from

1065

00:54:38,329 --> 00:54:34,140

Twitter but that's okay because Charlie

1066

00:54:41,329 --> 00:54:38,339

Weiser is back on the attack because uh

1067

00:54:43,910 --> 00:54:41,339

you know besides Lou Elizondo trying to

1068

00:54:46,010 --> 00:54:43,920

profit from garbage videos like this the

1069

00:54:48,290 --> 00:54:46,020

king of trying to profit from garbage

1070

00:54:51,829 --> 00:54:48,300

videos is of course

1071

00:54:55,970 --> 00:54:51,839

uh none other than

1072

00:54:58,910 --> 00:54:55,980

Jeremy Corbell who has profited from

1073

00:55:01,910 --> 00:54:58,920

what is it three or four or five now

1074

00:55:03,770 --> 00:55:01,920

videos that were nothing Burgers total

1075

00:55:06,530 --> 00:55:03,780

nothing Burgers but they were hyped up

1076
00:55:07,309 --> 00:55:06,540
to sell them as something that they were

1077
00:55:09,849 --> 00:55:07,319
not

1078
00:55:13,069 --> 00:55:09,859
uh yeah and

1079
00:55:15,589 --> 00:55:13,079
Jeremy Corbell is straight lying to

1080
00:55:18,349 --> 00:55:15,599
everyone right he didn't say it was a

1081
00:55:19,910 --> 00:55:18,359
spacecraft but he kind of did right he's

1082
00:55:23,630 --> 00:55:19,920
kind of sideways said it was a

1083
00:55:26,390 --> 00:55:23,640
spacecraft isn't it wonderful uh and

1084
00:55:28,430 --> 00:55:26,400
here we have Charlie wiser and uh wait

1085
00:55:29,870 --> 00:55:28,440
let me put my fair use banner up because

1086
00:55:32,809 --> 00:55:29,880
these guys are

1087
00:55:36,109 --> 00:55:32,819
no I'm not going to say it I'm not going

1088
00:55:38,210 --> 00:55:36,119

to say why uh one second this is fair

1089

00:55:41,690 --> 00:55:38,220

use because this is a comedic parody and

1090

00:55:44,329 --> 00:55:41,700

it's covered under fair use right uh so

1091

00:55:46,790 --> 00:55:44,339

Charlie Weiser with a wonderful video

1092

00:55:49,670 --> 00:55:46,800

proving that Jeremy Corbell is just

1093

00:55:52,069 --> 00:55:49,680

straight lying to everyone and the back

1094

00:55:54,349 --> 00:55:52,079

pedaling is wonderful now you remember

1095

00:55:56,089 --> 00:55:54,359

last week in that show where we declared

1096

00:55:58,190 --> 00:55:56,099

our belief that this is an alien

1097

00:56:00,589 --> 00:55:58,200

spaceship or an emissary from the planet

1098

00:56:02,270 --> 00:56:00,599

conduct right how might it react if it's

1099

00:56:04,970 --> 00:56:02,280

intelligently controlled was it you said

1100

00:56:07,670 --> 00:56:04,980

that I'm definitely saying that we have

1101
00:56:10,849 --> 00:56:07,680
a spaceship now I I [h__h] didn't say

1102
00:56:13,190 --> 00:56:10,859
that I I was very clear this this was an

1103
00:56:14,930 --> 00:56:13,200
object the object was was sitting there

1104
00:56:16,790 --> 00:56:14,940
so I'm not gonna say object anymore it

1105
00:56:18,890 --> 00:56:16,800
was a craft it was a craft it was a

1106
00:56:23,030 --> 00:56:18,900
craft this is something Eros should know

1107
00:56:24,710 --> 00:56:23,040
about this craft right on top of this

1108
00:56:27,170 --> 00:56:24,720
craft that was there he didn't say that

1109
00:56:31,809 --> 00:56:27,180
eliminate this crap and what this string

1110
00:56:37,010 --> 00:56:34,549
the craft was sitting there and while

1111
00:56:41,690 --> 00:56:37,020
the craft is stationary and you could

1112
00:56:45,770 --> 00:56:43,490
uh-oh

1113
00:56:47,870 --> 00:56:45,780

it's getting close to that craft the

1114

00:56:51,589 --> 00:56:47,880

entire craft

1115

00:56:53,530 --> 00:56:51,599

disappeared so this was not because not

1116

00:56:56,329 --> 00:56:53,540

flares not

1117

00:57:01,430 --> 00:56:56,339

flares it's my mom this is something

1118

00:57:07,069 --> 00:57:03,829

come on Twitter really

1119

00:57:10,549 --> 00:57:07,079

W UFO an incursion over a military base

1120

00:57:15,589 --> 00:57:10,559

this was a craft this was a craft this

1121

00:57:21,410 --> 00:57:18,109

of an unknown craft of Unknown Origin

1122

00:57:26,750 --> 00:57:21,420

that can hover like that with zero sound

1123

00:57:31,670 --> 00:57:28,849

all right I don't know why but I got

1124

00:57:33,589 --> 00:57:31,680

that playing in the background too oh no

1125

00:57:35,150 --> 00:57:33,599

wonder all right no wonder I was having

1126

00:57:38,990 --> 00:57:35,160

issues

1127

00:57:41,270 --> 00:57:39,000

all right I got it sorry about that so

1128

00:57:43,670 --> 00:57:41,280

here we have Jeremy Corbell pretending

1129

00:57:46,490 --> 00:57:43,680

he didn't hype it up as a spacecraft

1130

00:57:49,430 --> 00:57:46,500

right he clearly said craft a hundred

1131

00:57:51,530 --> 00:57:49,440

times in his original broadcast right

1132

00:57:55,329 --> 00:57:51,540

archaic revival says I'm sorry but

1133

00:57:57,890 --> 00:57:55,339

Jeremy Corbell needs to go yeah

1134

00:58:00,530 --> 00:57:57,900

Amy got banned on Twitter I'm sorry to

1135

00:58:03,109 --> 00:58:00,540

hear that and on my birthday too come on

1136

00:58:05,630 --> 00:58:03,119

I I could try to message Elon Musk for

1137

00:58:09,109 --> 00:58:05,640

you I don't know uh right

1138

00:58:12,349 --> 00:58:09,119

the greatest UFO expert yes yes he is

1139

00:58:14,450 --> 00:58:12,359

yes he is but isn't it interesting and

1140

00:58:18,710 --> 00:58:14,460

we've also got corbel

1141

00:58:22,250 --> 00:58:18,720

dead to rights with another total Bluff

1142

00:58:26,690 --> 00:58:22,260

right he got his bluff called out

1143

00:58:30,650 --> 00:58:26,700

terribly on a uh television show

1144

00:58:32,210 --> 00:58:30,660

and I think it's it was glorious because

1145

00:58:36,230 --> 00:58:32,220

uh

1146

00:58:39,650 --> 00:58:36,240

oh yeah by the way spooky is Undercover

1147

00:58:41,750 --> 00:58:39,660

right now uh contacts in the desert

1148

00:58:44,569 --> 00:58:41,760

we'll have more about that later but I

1149

00:58:48,049 --> 00:58:44,579

wanted to share with you this wonderful

1150

00:58:50,270 --> 00:58:48,059

video of Korbelt getting called out on a

1151

00:58:52,190 --> 00:58:50,280

total Bluff he's just making up stuff

1152

00:58:54,410 --> 00:58:52,200

you know because he likes to pretend

1153

00:58:56,930 --> 00:58:54,420

that he's some kind of uh secret agent

1154

00:59:01,069 --> 00:58:56,940

and that people are giving him secret

1155

00:59:03,049 --> 00:59:01,079

information right and I I reached out to

1156

00:59:04,609 --> 00:59:03,059

somebody in the military and showed them

1157

00:59:06,470 --> 00:59:04,619

this clip and when they got done

1158

00:59:08,390 --> 00:59:06,480

laughing they told me that would never

1159

00:59:12,049 --> 00:59:08,400

happen Steve and then they explained why

1160

00:59:15,230 --> 00:59:12,059

but let's see what garbage Jeremy

1161

00:59:17,690 --> 00:59:15,240

Corbell is telling people on actual

1162

00:59:19,490 --> 00:59:17,700

national news networks this is the best

1163

00:59:22,150 --> 00:59:19,500

and the brightest of the UFO believer

1164

00:59:24,770 --> 00:59:22,160

Crown so are we alone in the universe

1165

00:59:26,809 --> 00:59:24,780

that question just got more this is fair

1166

00:59:29,450 --> 00:59:26,819

use footage shows mysterious light

1167

00:59:32,150 --> 00:59:29,460

spotted over a military

1168

00:59:33,650 --> 00:59:32,160

ah why am I having trouble with this I

1169

00:59:40,069 --> 00:59:33,660

knew I should have sucked all these

1170

00:59:45,770 --> 00:59:43,270

activities in California back in 2021

1171

00:59:47,990 --> 00:59:45,780

investigative journalist Jeremy Corbell

1172

00:59:49,609 --> 00:59:48,000

shared the video for the first time did

1173

00:59:53,630 --> 00:59:49,619

you catch that he's an investigative

1174

00:59:56,750 --> 00:59:53,640

journalist now right not not a Quantum

1175

00:59:59,329 --> 00:59:56,760

Jiu Jitsu instructor not a Quantum yoga

1176

01:00:01,970 --> 00:59:59,339

instructor not a failed artist who's

1177

01:00:06,530 --> 01:00:01,980

mommy and daddy paid his bills for years

1178

01:00:08,510 --> 01:00:06,540

no not a failed MMA fighter right not an

1179

01:00:10,970 --> 01:00:08,520

investigative filmmaker now he's an

1180

01:00:13,370 --> 01:00:10,980

investigative journalist on his podcast

1181

01:00:14,990 --> 01:00:13,380

and uh let me be the first to tell you

1182

01:00:17,750 --> 01:00:15,000

that a real investigative journalist

1183

01:00:20,930 --> 01:00:17,760

wouldn't sell a fake story about UFOs

1184

01:00:24,170 --> 01:00:20,940

based on flares but here we are welcome

1185

01:00:26,030 --> 01:00:24,180

to corbel's clown show weaponize he's

1186

01:00:30,470 --> 01:00:26,040

now joins us to help explain this

1187

01:00:31,789 --> 01:00:30,480

alleged fauxite it so uh Jeremy help us

1188

01:00:34,069 --> 01:00:31,799

make sense of this how do you explain

1189

01:00:37,849 --> 01:00:34,079

this footage and what sort of questions

1190

01:00:40,130 --> 01:00:37,859

do you think we need to be asking

1191

01:00:42,890 --> 01:00:40,140

right well we're asking them so this is

1192

01:00:45,349 --> 01:00:42,900

an exciting and an open investigation we

1193

01:00:47,270 --> 01:00:45,359

don't know yeah before they said they

1194

01:00:48,289 --> 01:00:47,280

worked on this investigation for two

1195

01:00:50,569 --> 01:00:48,299

years

1196

01:00:52,849 --> 01:00:50,579

after he got busted that this is just

1197

01:00:55,490 --> 01:00:52,859

flares now it's an open investigation

1198

01:00:57,950 --> 01:00:55,500

What was seen at 29 Palms military base

1199

01:01:00,650 --> 01:00:57,960

we know that the Marines are saying that

1200

01:01:03,410 --> 01:01:00,660

they saw a craft however the internet

1201

01:01:05,809 --> 01:01:03,420

says they saw flares and there's a

1202

01:01:08,150 --> 01:01:05,819

pretty compelling argument for that so

1203

01:01:10,490 --> 01:01:08,160

at this no it's not a pretty compelling

1204

01:01:13,309 --> 01:01:10,500

argument it's overwhelming evidence of

1205

01:01:16,730 --> 01:01:13,319

that you clowns show

1206

01:01:19,010 --> 01:01:16,740

Jesus moment this is an open source

1207

01:01:20,569 --> 01:01:19,020

crowdsourcing to the military to see hey

1208

01:01:23,690 --> 01:01:20,579

can we have more people come forward

1209

01:01:27,049 --> 01:01:23,700

because this process is so filled with

1210

01:01:28,430 --> 01:01:27,059

stigma investigating UAP as our

1211

01:01:32,210 --> 01:01:28,440

government calls them which are just

1212

01:01:35,270 --> 01:01:32,220

UFOs so right now this is an open case

1213

01:01:37,789 --> 01:01:35,280

we do know I love how he uses the CIA

1214

01:01:40,130 --> 01:01:37,799

word UAP right

1215

01:01:42,770 --> 01:01:40,140

I'm gonna try my very best to refuse to

1216

01:01:44,569 --> 01:01:42,780

use that I'll use it in hashtags and

1217

01:01:45,829 --> 01:01:44,579

stuff but I'm not going to say it it's a

1218

01:01:51,410 --> 01:01:45,839

UFO

1219

01:01:55,670 --> 01:01:51,420

terminology right maybe we got another

1220

01:01:58,970 --> 01:01:55,680

Bobo on our hands right the last uh

1221

01:02:02,870 --> 01:01:58,980

dummy that they propped up to uh sell

1222

01:02:06,170 --> 01:02:02,880

the false UFO narrative was Tom DeLong

1223

01:02:10,549 --> 01:02:06,180

right and they burnt that bobo out they

1224

01:02:13,490 --> 01:02:10,559

need a new Bobo and um ask around if you

1225

01:02:15,710 --> 01:02:13,500

have any CIA friends what a bobo is we

1226

01:02:18,829 --> 01:02:15,720

are witnessing one right now oh that

1227

01:02:20,870 --> 01:02:18,839

there are cases that are not open we

1228

01:02:23,089 --> 01:02:20,880

know for sure that our government is

1229

01:02:25,910 --> 01:02:23,099

studying UFOs they've revealed that

1230

01:02:28,549 --> 01:02:25,920

undeniably

1231

01:02:30,230 --> 01:02:28,559

yeah the Super Genius of the Millennium

1232

01:02:32,690 --> 01:02:30,240

is telling us that we do know the

1233

01:02:35,630 --> 01:02:32,700

government is investigating UFOs

1234

01:02:38,329 --> 01:02:35,640

yeah it's all over the news UFOs are

1235

01:02:41,510 --> 01:02:38,339

real meaning Advanced Machines of

1236

01:02:44,569 --> 01:02:41,520

Unknown Origin no that's not what UFOs

1237

01:02:47,450 --> 01:02:44,579

means UFOs does not mean Advanced

1238

01:02:49,789 --> 01:02:47,460

Machines of Unknown Origin it just means

1239

01:02:52,789 --> 01:02:49,799

an unidentified something in the sky

1240

01:02:55,370 --> 01:02:52,799

unidentified flying object that's what

1241

01:02:58,130 --> 01:02:55,380

UFO means it doesn't mean Advanced

1242

01:03:00,970 --> 01:02:58,140

aerial unknown aircraft like you want it

1243

01:03:04,130 --> 01:03:00,980

to mean translation

1244

01:03:06,410 --> 01:03:04,140

aliens I'm not saying it's aliens but

1245

01:03:07,609 --> 01:03:06,420

it's definitely aliens where we don't

1246

01:03:09,710 --> 01:03:07,619

know where they're from we don't know

1247

01:03:10,789 --> 01:03:09,720

who pilot them and we don't know who

1248

01:03:14,030 --> 01:03:10,799

built them

1249

01:03:16,130 --> 01:03:14,040

again pushing aliens with no evidence of

1250

01:03:18,230 --> 01:03:16,140

aliens these are the big questions so

1251

01:03:19,849 --> 01:03:18,240

this one is just about trying to get

1252

01:03:22,130 --> 01:03:19,859

more information

1253

01:03:24,589 --> 01:03:22,140

yeah he had two years to get all the

1254

01:03:26,510 --> 01:03:24,599

information and he just so happened to

1255

01:03:28,490 --> 01:03:26,520

leave out all the stuff about the flares

1256

01:03:30,410 --> 01:03:28,500

and the military exercises where he

1257

01:03:32,750 --> 01:03:30,420

originally put this out the only reason

1258

01:03:35,270 --> 01:03:32,760

he started having to address the flare

1259

01:03:37,730 --> 01:03:35,280

issue in the military exercise issue is

1260

01:03:39,829 --> 01:03:37,740

because once again he got busted almost

1261

01:03:43,370 --> 01:03:39,839

instantly as soon as he put out his this

1262

01:03:45,049 --> 01:03:43,380

latest garbage video which is flares so

1263

01:03:47,870 --> 01:03:45,059

we asked the Pentagon for a comment but

1264

01:03:49,910 --> 01:03:47,880

we never heard back from them do you

1265

01:03:52,609 --> 01:03:49,920

believe even if they gave us a response

1266

01:03:54,770 --> 01:03:52,619

would you believe them

1267

01:03:56,690 --> 01:03:54,780

you know uh everybody that I've talked

1268

01:03:59,390 --> 01:03:56,700

with at the Pentagon here's where it

1269

01:04:02,030 --> 01:03:59,400

gets fixed they want to know too what

1270

01:04:04,190 --> 01:04:02,040

you know there are machines that fly in

1271

01:04:06,770 --> 01:04:04,200

ways that we can't replicate we can't

1272

01:04:09,289 --> 01:04:06,780

duplicate NASA is currently going to

1273

01:04:11,990 --> 01:04:09,299

have a conference on this really soon so

1274

01:04:14,329 --> 01:04:12,000

where where is Jeremy corbell's evidence

1275

01:04:16,430 --> 01:04:14,339

that there's machines that operate in

1276

01:04:19,329 --> 01:04:16,440

ways that we can't replicate we can't

1277

01:04:22,370 --> 01:04:19,339

duplicate this is

1278

01:04:24,650 --> 01:04:22,380

the new way to say it the old way to say

1279

01:04:27,049 --> 01:04:24,660

it was these things defy the laws of

1280

01:04:28,150 --> 01:04:27,059

physics but then Eric Weinstein and

1281

01:04:30,770 --> 01:04:28,160

other

1282

01:04:32,930 --> 01:04:30,780

scientists blew that talking point out

1283

01:04:34,670 --> 01:04:32,940

of the water saying there's no evidence

1284

01:04:37,130 --> 01:04:34,680

that these things defy the laws of

1285

01:04:41,569 --> 01:04:37,140

physics show me the data and no one

1286

01:04:44,450 --> 01:04:41,579

could so now they've changed from saying

1287

01:04:46,789 --> 01:04:44,460

these things defy the laws of physics to

1288

01:04:50,210 --> 01:04:46,799

slightly different wording of the same

1289

01:04:52,309 --> 01:04:50,220

sentiment oh these things you know they

1290

01:04:54,650 --> 01:04:52,319

they do things we can't duplicate we

1291

01:04:57,609 --> 01:04:54,660

can't replicate show us the data for

1292

01:05:01,309 --> 01:04:57,619

that he has no data to support that none

1293

01:05:03,349 --> 01:05:01,319

zero full stop so it's not a matter of

1294

01:05:06,170 --> 01:05:03,359

belief UFOs are real or they're not real

1295

01:05:09,950 --> 01:05:06,180

any particular case like this one if we

1296

01:05:12,230 --> 01:05:09,960

can solve it and it's flares great we

1297

01:05:14,990 --> 01:05:12,240

did solve it and it is flares but you're

1298

01:05:17,450 --> 01:05:15,000

still selling it as a craft but the

1299

01:05:20,089 --> 01:05:17,460

concerning thing for me is I know

1300

01:05:23,390 --> 01:05:20,099

personally that Pilots are being asked

1301

01:05:27,410 --> 01:05:23,400

to scrub their footage of unidentifieds

1302

01:05:29,770 --> 01:05:27,420

of UFOs of UAP and this needs to stop by

1303

01:05:36,650 --> 01:05:33,950

thank God someone on a television show

1304

01:05:39,470 --> 01:05:36,660

with him called his bluff he just said

1305

01:05:44,030 --> 01:05:39,480

that he knows for a fact that Pilots are

1306

01:05:45,530 --> 01:05:44,040

being told to scrub their UFO footage

1307

01:05:47,630 --> 01:05:45,540

by who

1308

01:05:49,730 --> 01:05:47,640

are the Men in Black get into every

1309

01:05:51,770 --> 01:05:49,740

pilot in the United States and forcing

1310

01:05:53,390 --> 01:05:51,780

them to scrub all the good UFO footage

1311

01:05:54,650 --> 01:05:53,400

that's why we only get the garbage

1312

01:05:56,470 --> 01:05:54,660

footage

1313

01:06:00,829 --> 01:05:56,480

who

1314

01:06:02,630 --> 01:06:00,839

this wonderful Fox News newscaster says

1315

01:06:04,849 --> 01:06:02,640

by who oh we need to tell another

1316

01:06:06,770 --> 01:06:04,859

reporting process who's telling them to

1317

01:06:08,990 --> 01:06:06,780

do that because that goes back to my

1318

01:06:10,789 --> 01:06:09,000

trust question who's telling them to

1319

01:06:13,430 --> 01:06:10,799

scrub that footage

1320

01:06:15,289 --> 01:06:13,440

yeah you know it's unclear to me I think

1321

01:06:16,370 --> 01:06:15,299

that sometimes people he got called on

1322

01:06:18,230 --> 01:06:16,380

his bluff

1323

01:06:22,309 --> 01:06:18,240

why can't you answer a very simple

1324

01:06:24,589 --> 01:06:22,319

question he just said I know for a fact

1325

01:06:27,650 --> 01:06:24,599

that Pilots are being told to scrub

1326

01:06:30,589 --> 01:06:27,660

their footage who told you that well

1327

01:06:33,529 --> 01:06:30,599

it's unclear you said you knew for a

1328

01:06:36,049 --> 01:06:33,539

fact right this is another corbel Bluff

1329

01:06:39,230 --> 01:06:36,059

he's trying to play you know the Secret

1330

01:06:42,049 --> 01:06:39,240

Agent Man I gotta get an alternate of

1331

01:06:46,010 --> 01:06:42,059

the song Secret Agent Man and every time

1332

01:06:48,589 --> 01:06:46,020

one of these clowns show Clowns says the

1333

01:06:52,069 --> 01:06:48,599

secret agent thing like well I'm getting

1334

01:06:56,450 --> 01:06:52,079

classified information or

1335

01:06:58,789 --> 01:06:56,460

we shoot down uaps as as recently as

1336

01:07:01,549 --> 01:06:58,799

last Friday and I'm being told that

1337

01:07:04,069 --> 01:07:01,559

we're shooting at uaps or

1338

01:07:06,890 --> 01:07:04,079

I know for a fact that Pilots are being

1339

01:07:10,010 --> 01:07:06,900

told to scrub their UFO footage I want

1340

01:07:13,490 --> 01:07:10,020

to be able to play Secret Agent Man song

1341

01:07:16,609 --> 01:07:13,500

he's not a secret agent he's a clown

1342

01:07:19,670 --> 01:07:16,619

but that's it is what it is right this

1343

01:07:21,770 --> 01:07:19,680

is just another new Bluff from corbel as

1344

01:07:23,990 --> 01:07:21,780

if he hasn't lied to everyone enough

1345

01:07:26,690 --> 01:07:24,000

here's another one we just want to stay

1346

01:07:29,329 --> 01:07:26,700

on Mission and this is a hindrance we

1347

01:07:33,170 --> 01:07:29,339

need to elevate this problem of not

1348

01:07:35,390 --> 01:07:33,180

having a 360 degree view of our defense

1349

01:07:38,329 --> 01:07:35,400

systems by making sure that there is

1350

01:07:40,250 --> 01:07:38,339

proper reporting systems in place yeah

1351

01:07:43,130 --> 01:07:40,260

and I just want to say it must be nice

1352

01:07:46,549 --> 01:07:43,140

to be able to go and advertise your show

1353

01:07:50,029 --> 01:07:46,559

on national news media 22 times in one

1354

01:07:52,789 --> 01:07:50,039

week right like imagine if I can go

1355

01:07:57,650 --> 01:07:52,799

promote true Seekers 22 times on

1356

01:08:01,069 --> 01:07:57,660

national news networks right

1357

01:08:03,049 --> 01:08:01,079

but instead of you know somebody telling

1358

01:08:04,370 --> 01:08:03,059

people the truth being able to promote

1359

01:08:06,770 --> 01:08:04,380

their show

1360

01:08:09,230 --> 01:08:06,780

which is evidence-based truth-based

1361

01:08:11,809 --> 01:08:09,240

fact-based we get

1362

01:08:15,230 --> 01:08:11,819

a goddamn clown show getting those

1363

01:08:17,150 --> 01:08:15,240

opportunities instead and by the way I

1364

01:08:19,970 --> 01:08:17,160

just want to make it very clear that a

1365

01:08:23,090 --> 01:08:19,980

lot of these news agencies I'm told use

1366

01:08:26,209 --> 01:08:23,100

a casting website guess who's getting on

1367

01:08:28,370 --> 01:08:26,219

the casting website as a UFO expert and

1368

01:08:29,209 --> 01:08:28,380

by the way I'm not a UFO expert it's a

1369

01:08:31,789 --> 01:08:29,219

goof

1370

01:08:35,450 --> 01:08:31,799

got to call myself a UFO expert in order

1371

01:08:39,349 --> 01:08:35,460

to get these new spots as a UFO expert

1372

01:08:41,090 --> 01:08:39,359

I'm considering it because I I have I

1373

01:08:42,289 --> 01:08:41,100

have an agent I have contacts with

1374

01:08:44,510 --> 01:08:42,299

agents

1375

01:08:47,209 --> 01:08:44,520

I'm gonna get and by the way do you know

1376

01:08:51,410 --> 01:08:47,219

who else is on those casting websites

1377

01:08:55,010 --> 01:08:51,420

Lou Elizondo Nick Pope and a few others

1378

01:08:57,709 --> 01:08:55,020

so when you see these Talking Heads the

1379

01:08:59,870 --> 01:08:57,719

producers of these television shows go

1380

01:09:02,090 --> 01:08:59,880

to these casting websites to find their

1381

01:09:04,789 --> 01:09:02,100

UFO expert when they need a talking head

1382

01:09:08,689 --> 01:09:04,799

that's why he's getting the gigs good

1383

01:09:14,030 --> 01:09:10,249

grew up on the west coast in Hollywood

1384

01:09:16,189 --> 01:09:14,040

at least he learned something right

1385

01:09:18,950 --> 01:09:16,199

for our military personnel and our

1386

01:09:20,510 --> 01:09:18,960

service members so that's the issue that

1387

01:09:22,550 --> 01:09:20,520

we have right now yeah he's doing this

1388

01:09:25,130 --> 01:09:22,560

all for the military personnel not for

1389

01:09:27,650 --> 01:09:25,140

his own pocket how much money did he

1390

01:09:29,269 --> 01:09:27,660

make off of this flare garbage we're

1391

01:09:32,150 --> 01:09:29,279

gonna do the math and we'll bring it to

1392

01:09:34,789 --> 01:09:32,160

you you have to heal that divide yeah so

1393

01:09:36,169 --> 01:09:34,799

a new poll reveals 92 percent of UFO

1394

01:09:39,709 --> 01:09:36,179

sightings take place in the United

1395

01:09:41,749 --> 01:09:39,719

States so I guess do the aliens love

1396

01:09:43,749 --> 01:09:41,759

America

1397

01:09:46,309 --> 01:09:43,759

because it's only happening that has got

1398

01:09:47,689 --> 01:09:46,319

that's got to be an incorrect number

1399

01:09:51,410 --> 01:09:47,699

there's a lot of polls that are

1400

01:09:53,510 --> 01:09:51,420

incorrect this is a global phenomenon I

1401

01:09:56,110 --> 01:09:53,520

don't care what he says it may be a

1402

01:09:58,729 --> 01:09:56,120

global phenomenon but most of the news

1403

01:10:01,310 --> 01:09:58,739

you may be surprised to learn but ask

1404

01:10:03,590 --> 01:10:01,320

some of your Australian Friends Ask even

1405

01:10:05,270 --> 01:10:03,600

in English-speaking countries I mean go

1406

01:10:07,970 --> 01:10:05,280

ask your Australian friends how much

1407

01:10:09,470 --> 01:10:07,980

they hear about UFO news go ask your

1408

01:10:12,290 --> 01:10:09,480

friends in England

1409

01:10:13,610 --> 01:10:12,300

or you know any other English-speaking

1410

01:10:16,790 --> 01:10:13,620

country

1411

01:10:19,850 --> 01:10:16,800

how much UFO news do they get all of the

1412

01:10:21,950 --> 01:10:19,860

UFO stories news and most of the cases

1413

01:10:22,850 --> 01:10:21,960

come out of the United States do you

1414

01:10:24,649 --> 01:10:22,860

know why

1415

01:10:27,169 --> 01:10:24,659

because that's where all the grifters

1416

01:10:28,669 --> 01:10:27,179

are right except for Nick Pope he was

1417

01:10:30,410 --> 01:10:28,679

from England but he came over the United

1418

01:10:34,250 --> 01:10:30,420

States because the grifting is better

1419

01:10:38,510 --> 01:10:36,229

it has been going on since the beginning

1420

01:10:39,950 --> 01:10:38,520

of recorded human history

1421

01:10:42,110 --> 01:10:39,960

um you know it'd be funny if they really

1422

01:10:44,149 --> 01:10:42,120

liked our beer or something like that

1423

01:10:46,430 --> 01:10:44,159

that would be neat but at this point

1424

01:10:48,169 --> 01:10:46,440

what I'm realizing is that the UFO

1425

01:10:49,610 --> 01:10:48,179

phenomenon has been around a long time

1426

01:10:52,070 --> 01:10:49,620

since human beings have been talking

1427

01:10:54,169 --> 01:10:52,080

about the sky that they're looking up at

1428

01:10:56,630 --> 01:10:54,179

you know I certainly hope we're not

1429

01:10:59,270 --> 01:10:56,640

alone but but I just don't know at this

1430

01:11:01,850 --> 01:10:59,280

point it seems like Congress and Senate

1431

01:11:05,030 --> 01:11:01,860

taking it very seriously as a National

1432

01:11:08,750 --> 01:11:05,040

Defense issue and look man as a as a

1433

01:11:11,209 --> 01:11:08,760

journalist he's a journalist now he's a

1434

01:11:14,090 --> 01:11:11,219

journalist it's our job as my mentor

1435

01:11:16,610 --> 01:11:14,100

George knapson my mentor it's our job to

1436

01:11:19,130 --> 01:11:16,620

investigate the Unexplained not to

1437

01:11:20,990 --> 01:11:19,140

explain the uninvestigated yeah it's so

1438

01:11:23,470 --> 01:11:21,000

true Jeremy thanks so much for joining

1439

01:11:27,110 --> 01:11:23,480

the pro all right that's enough of that

1440

01:11:31,010 --> 01:11:27,120

so another big Bluff from Jeremy Corbell

1441

01:11:32,090 --> 01:11:31,020

people he knows for a fact he knows for

1442

01:11:35,750 --> 01:11:32,100

a fact

1443

01:11:37,910 --> 01:11:35,760

that Pilots are being told to scrub

1444

01:11:40,970 --> 01:11:37,920

their UFO footage maybe that's why all

1445

01:11:44,030 --> 01:11:40,980

we get is granny ass garbage right no

1446

01:11:46,550 --> 01:11:44,040

this is another Secret Agent Man Bluff

1447

01:11:48,110 --> 01:11:46,560

right he's getting secret Intel from all

1448

01:11:50,689 --> 01:11:48,120

these Pilots they're telling them they

1449

01:11:55,870 --> 01:11:50,699

have to scrub UFO footage and by the way

1450

01:11:58,430 --> 01:11:55,880

go ask an Air Force officer or a pilot

1451

01:12:02,270 --> 01:11:58,440

about scrubbing

1452

01:12:06,110 --> 01:12:02,280

your aircraft's recording systems and

1453

01:12:08,990 --> 01:12:06,120

what would happen to you if you did that

1454

01:12:11,030 --> 01:12:09,000

now are there cases where your Superior

1455

01:12:12,530 --> 01:12:11,040

officer can order you to

1456

01:12:14,630 --> 01:12:12,540

well technically you have to follow

1457

01:12:17,510 --> 01:12:14,640

orders but

1458

01:12:19,610 --> 01:12:17,520

I think this is clearly another Bluff

1459

01:12:23,030 --> 01:12:19,620

from corbel

1460

01:12:25,870 --> 01:12:23,040

and but it's interesting and as far as

1461

01:12:28,310 --> 01:12:25,880

the UFO uh

1462

01:12:31,910 --> 01:12:28,320

the UFO

1463

01:12:34,729 --> 01:12:31,920

hearings today from NASA I could bore

1464

01:12:36,709 --> 01:12:34,739

you with four hours of basically a lot

1465

01:12:39,530 --> 01:12:36,719

of nothing but we're trying to just give

1466

01:12:42,050 --> 01:12:39,540

you the good Cliff Notes

1467

01:12:45,290 --> 01:12:42,060

also on the subject of Korbelt some of

1468

01:12:48,070 --> 01:12:45,300

you may remember that Splashdown video I

1469

01:12:51,410 --> 01:12:48,080

think that the director of Arrow today

1470

01:12:54,410 --> 01:12:51,420

uh Kirkpatrick directly addressed one of

1471

01:12:57,169 --> 01:12:54,420

corbell's garbage fake videos

1472

01:12:59,590 --> 01:12:57,179

um I believe that's what he's talking

1473

01:13:03,830 --> 01:12:59,600

about but since he didn't name

1474

01:13:06,530 --> 01:13:03,840

the any more data to identify which UFO

1475

01:13:08,330 --> 01:13:06,540

video he was talking about but I still

1476

01:13:09,590 --> 01:13:08,340

think this is interesting because I

1477

01:13:12,229 --> 01:13:09,600

think he's talking about one of

1478

01:13:15,709 --> 01:13:12,239

corebell's garbage videos your first

1479

01:13:19,430 --> 01:13:15,719

question on what makes it anomalous

1480

01:13:21,830 --> 01:13:19,440

oh God come on man what is going on uh

1481

01:13:23,810 --> 01:13:21,840

we actually developed some definitions

1482

01:13:25,610 --> 01:13:23,820

on all of these things we gave it both

1483

01:13:27,350 --> 01:13:25,620

to the White House and to Congress I

1484

01:13:29,630 --> 01:13:27,360

think we've got some of that into law

1485

01:13:32,470 --> 01:13:29,640

now but essentially anomalous is

1486

01:13:35,990 --> 01:13:32,480

anything that is not readily

1487

01:13:39,470 --> 01:13:36,000

understandable by the operator or the

1488

01:13:44,090 --> 01:13:42,110

right so it is doing something weird

1489

01:13:46,490 --> 01:13:44,100

whether that's maneuvering

1490

01:13:48,890 --> 01:13:46,500

Against the Wind and Mach 2. you're

1491

01:13:50,209 --> 01:13:48,900

right there's no apparent propulsion or

1492

01:13:50,870 --> 01:13:50,219

it's

1493

01:13:54,229 --> 01:13:50,880

um

1494

01:13:55,790 --> 01:13:54,239

going into the water which we have we

1495

01:13:58,130 --> 01:13:55,800

have shown is not the case that is

1496

01:14:00,770 --> 01:13:58,140

actually a sensor anomaly

1497

01:14:02,870 --> 01:14:00,780

that we've censored phenomenal and be

1498

01:14:05,870 --> 01:14:02,880

publishing all that

1499

01:14:10,490 --> 01:14:05,880

um you know those kinds of things

1500

01:14:13,070 --> 01:14:10,500

make anomalies signature uh we'll call

1501
01:14:15,649 --> 01:14:13,080
it signature management but it's things

1502
01:14:17,870 --> 01:14:15,659
that are

1503
01:14:20,870 --> 01:14:17,880
not

1504
01:14:22,490 --> 01:14:20,880
readily understandable in the context of

1505
01:14:23,330 --> 01:14:22,500
hey I've got a thing that's out in the

1506
01:14:25,310 --> 01:14:23,340
light

1507
01:14:26,149 --> 01:14:25,320
it should reflect a certain amount of

1508
01:14:27,830 --> 01:14:26,159
light

1509
01:14:30,709 --> 01:14:27,840
if it doesn't reflect that amount of

1510
01:14:37,310 --> 01:14:33,649
interesting so more data may be coming

1511
01:14:39,590 --> 01:14:37,320
to blow corebell's previous Splashdown

1512
01:14:41,090 --> 01:14:39,600
garbage video

1513
01:14:42,290 --> 01:14:41,100

um to

1514

01:14:46,390 --> 01:14:42,300

to hell

1515

01:14:52,310 --> 01:14:49,189

Shogun is here and says can vomit in

1516

01:14:57,350 --> 01:14:52,320

slow motion Liars yeah uh pretty

1517

01:15:00,229 --> 01:14:57,360

interesting uh you know this uh

1518

01:15:04,250 --> 01:15:00,239

also I wanted to share this

1519

01:15:07,130 --> 01:15:04,260

um from Jeremy McGowan well this is an

1520

01:15:09,530 --> 01:15:07,140

interesting tweet by him the disclosure

1521

01:15:12,590 --> 01:15:09,540

fantasy

1522

01:15:15,530 --> 01:15:12,600

uh popped as fast as a balloon shot with

1523

01:15:18,169 --> 01:15:15,540

a Sidewinder missile give it 36 hours

1524

01:15:20,570 --> 01:15:18,179

for the Spin Doctors to get in sync and

1525

01:15:23,630 --> 01:15:20,580

start saying how NASA and arrow aren't

1526

01:15:26,030 --> 01:15:23,640

the real agencies investigating UFOs

1527

01:15:28,790 --> 01:15:26,040

and that they have inside info coming

1528

01:15:31,790 --> 01:15:28,800

soon that will shock the world and

1529

01:15:34,010 --> 01:15:31,800

Bradbury says cue Gary Nolan

1530

01:15:35,570 --> 01:15:34,020

Adam Parker at 40 miles an hour the

1531

01:15:38,570 --> 01:15:35,580

balloon definitely would be pretty easy

1532

01:15:41,689 --> 01:15:38,580

to Target for sure yeah

1533

01:15:46,310 --> 01:15:41,699

and I agree with Jeremy McGowan the Spin

1534

01:15:49,130 --> 01:15:46,320

Doctors are fully at it already uh I'm

1535

01:15:50,990 --> 01:15:49,140

I've watched people still arguing with

1536

01:15:55,550 --> 01:15:51,000

Mick West you would think that Mick West

1537

01:15:57,770 --> 01:15:55,560

has been Vindicated in his earlier

1538

01:16:00,649 --> 01:15:57,780

um yeah

1539

01:16:03,830 --> 01:16:00,659

and Steve BOS on Twitter says I love

1540

01:16:06,410 --> 01:16:03,840

that UFO Joe is tweeting arrow and NASA

1541

01:16:08,870 --> 01:16:06,420

must be wrong because Lou said never

1542

01:16:11,750 --> 01:16:08,880

change man but please Don't lecture me

1543

01:16:15,410 --> 01:16:11,760

about not having an open mind

1544

01:16:18,229 --> 01:16:15,420

yeah uh

1545

01:16:22,430 --> 01:16:18,239

yeah and and of course uh the video that

1546

01:16:25,550 --> 01:16:22,440

we shared uh comparing what NASA said to

1547

01:16:27,649 --> 01:16:25,560

what Lou Elizondo said

1548

01:16:30,050 --> 01:16:27,659

um is really making the rounds on

1549

01:16:32,090 --> 01:16:30,060

Twitter uh

1550

01:16:34,910 --> 01:16:32,100

he's got like thousands of sweet

1551

01:16:38,510 --> 01:16:34,920

Impressions on that right

1552

01:16:40,850 --> 01:16:38,520

and of course though you gotta know that

1553

01:16:44,649 --> 01:16:40,860

the True Believers will always find

1554

01:16:48,950 --> 01:16:44,659

something that they can they can

1555

01:16:51,169 --> 01:16:48,960

you know sell mysterious metallic orbs

1556

01:16:53,930 --> 01:16:51,179

flying all over the world Pentagon says

1557

01:16:56,990 --> 01:16:53,940

that NASA UFO panel and who tweeted that

1558

01:17:00,110 --> 01:16:57,000

George Knapp right

1559

01:17:04,250 --> 01:17:00,120

because they sold a story about uh an

1560

01:17:05,209 --> 01:17:04,260

orb right that's I think that maybe Ross

1561

01:17:07,250 --> 01:17:05,219

Colter

1562

01:17:10,610 --> 01:17:07,260

ought to hurry up with the analysis of

1563

01:17:12,830 --> 01:17:10,620

Jim's balls right and it's interesting

1564

01:17:14,450 --> 01:17:12,840

just scrolling Twitter today to see the

1565

01:17:20,270 --> 01:17:14,460

various

1566

01:17:26,930 --> 01:17:20,280

there go fast speeding

1567

01:17:32,209 --> 01:17:29,689

yeah and and Stephen Greenstreet says

1568

01:17:35,390 --> 01:17:32,219

they basically just copy paste it Mick

1569

01:17:37,550 --> 01:17:35,400

West's citric analysis from four years

1570

01:17:39,410 --> 01:17:37,560

ago oh so it was four years ago it's so

1571

01:17:40,550 --> 01:17:39,420

insane it took five plus years to hear

1572

01:17:43,430 --> 01:17:40,560

this from an official government

1573

01:17:44,990 --> 01:17:43,440

platform

1574

01:17:48,470 --> 01:17:45,000

yeah

1575

01:17:50,930 --> 01:17:48,480

mix Citrix below has it around 100 still

1576

01:17:52,130 --> 01:17:50,940

not very fast but a factor of three from

1577

01:17:54,169 --> 01:17:52,140

forty

1578

01:17:57,229 --> 01:17:54,179

so people are going to argue this

1579

01:17:59,510 --> 01:17:57,239

endlessly right for years this video had

1580

01:18:01,790 --> 01:17:59,520

was unexplained stuff and incorrectly

1581

01:18:04,729 --> 01:18:01,800

claimed by many to be a quote real

1582

01:18:06,470 --> 01:18:04,739

mystery unquote because they mistakenly

1583

01:18:09,229 --> 01:18:06,480

believed it showed something it did not

1584

01:18:10,970 --> 01:18:09,239

those mistaken people include people who

1585

01:18:13,430 --> 01:18:10,980

worked for the dod including people

1586

01:18:15,530 --> 01:18:13,440

whose job included looking at UFO

1587

01:18:18,050 --> 01:18:15,540

reports well I don't know about that

1588

01:18:20,090 --> 01:18:18,060

because elizondo's job didn't include

1589

01:18:23,390 --> 01:18:20,100

looking at UFO reports and he's the one

1590

01:18:25,669 --> 01:18:23,400

who hooked it up you know hyped it up

1591

01:18:27,649 --> 01:18:25,679

it took them seven years according to

1592

01:18:35,450 --> 01:18:27,659

alien Sciences to release the knits

1593

01:18:40,310 --> 01:18:37,610

that being said I'm much more satisfied

1594

01:18:42,110 --> 01:18:40,320

with NASA's explanation of Go Fast today

1595

01:18:45,050 --> 01:18:42,120

than I was

1596

01:18:46,850 --> 01:18:45,060

yeah he he liked what NASA said about

1597

01:18:48,110 --> 01:18:46,860

this today better than what people said

1598

01:18:53,270 --> 01:18:48,120

about the

1599

01:18:56,030 --> 01:18:53,280

yeah 911 stuff so interestingly the

1600

01:18:59,510 --> 01:18:56,040

debate rages on and of course the True

1601

01:19:02,689 --> 01:18:59,520

Believers have found something to uh to

1602

01:19:04,930 --> 01:19:02,699

hold on to and that is these reports of

1603

01:19:08,450 --> 01:19:04,940

metallic orbs right

1604

01:19:10,669 --> 01:19:08,460

uh interesting uh but of course we've

1605

01:19:14,450 --> 01:19:10,679

got this Vicki Verma and a bunch of uh

1606

01:19:16,729 --> 01:19:14,460

and that who's that Liberation garbage

1607

01:19:18,830 --> 01:19:16,739

Peddler

1608

01:19:22,189 --> 01:19:18,840

it's interesting right

1609

01:19:24,470 --> 01:19:22,199

oh and then also I wanted to take a

1610

01:19:24,480 --> 01:19:28,490

uh

1611

01:19:34,550 --> 01:19:30,649

this is interesting

1612

01:19:38,330 --> 01:19:34,560

um Lou Jimenez shared this you know NASA

1613

01:19:41,990 --> 01:19:38,340

was talking about the scientists

1614

01:19:42,950 --> 01:19:42,000

at Arrow or NASA getting harassed by UFO

1615

01:19:46,550 --> 01:19:42,960

people

1616

01:19:48,470 --> 01:19:46,560

well here's one of those clowns uh yeah

1617

01:19:50,570 --> 01:19:48,480

yeah I'm not even going to name the show

1618

01:19:54,470 --> 01:19:50,580

because I I don't want to drive traffic

1619

01:19:56,750 --> 01:19:54,480

to this idiot garbage Peddler UFO Circle

1620

01:19:58,310 --> 01:19:56,760

jerker right

1621

01:20:01,070 --> 01:19:58,320

but uh

1622

01:20:04,010 --> 01:20:01,080

interestingly like I said these people

1623

01:20:05,930 --> 01:20:04,020

wanted a UFO office they pushed for it

1624

01:20:09,169 --> 01:20:05,940

they demanded it that the government

1625

01:20:11,689 --> 01:20:09,179

wastes money chasing Shadows like this

1626

01:20:13,910 --> 01:20:11,699

40 mile per hour nothing burger from Lou

1627

01:20:15,530 --> 01:20:13,920

Elizondo right

1628

01:20:18,169 --> 01:20:15,540

but

1629

01:20:19,430 --> 01:20:18,179

when the government office comes out and

1630

01:20:22,250 --> 01:20:19,440

says there's no evidence of

1631

01:20:25,250 --> 01:20:22,260

extraterrestrial visitation or or any

1632

01:20:28,250 --> 01:20:25,260

extraterrestrial evidence then they turn

1633

01:20:31,370 --> 01:20:28,260

on the government office and all these

1634

01:20:35,810 --> 01:20:31,380

people including podcasters show hosts

1635

01:20:39,649 --> 01:20:35,820

Twitter clowns uh and more all started

1636

01:20:42,110 --> 01:20:39,659

attacking this uh Dr Kirkpatrick who

1637

01:20:45,229 --> 01:20:42,120

runs the government's UFO office because

1638

01:20:48,890 --> 01:20:45,239

they're not saying and doing what the

1639

01:20:51,709 --> 01:20:48,900

True Believer clown show people the

1640

01:20:54,830 --> 01:20:51,719

disclosure dorks like this guy want you

1641

01:20:57,050 --> 01:20:54,840

to want them to right they want the

1642

01:20:58,610 --> 01:20:57,060

aliens and the crash retrievals and the

1643

01:21:01,370 --> 01:20:58,620

bodies right

1644

01:21:04,010 --> 01:21:01,380

which hey for all I know they actually

1645

01:21:05,450 --> 01:21:04,020

exist but there's no evidence so far of

1646

01:21:14,630 --> 01:21:05,460

that

1647

01:21:17,750 --> 01:21:14,640

know they are literally publicly talking

1648

01:21:21,350 --> 01:21:17,760

about in the hearing today they publicly

1649

01:21:24,229 --> 01:21:21,360

talked about the Venom and harassment

1650

01:21:27,410 --> 01:21:24,239

that is coming their way from

1651

01:21:30,890 --> 01:21:27,420

essentially UFO disclosures dorks like

1652

01:21:33,709 --> 01:21:30,900

this clown let's see uh that was uh our

1653

01:21:36,709 --> 01:21:33,719

uh Senate hearing uh that was uh on

1654

01:21:40,430 --> 01:21:36,719

giving testimony there that was uh Dr

1655

01:21:43,310 --> 01:21:40,440

Sean Kirk quadcopter uh he holds a a

1656

01:21:46,010 --> 01:21:43,320

doctorate in balloons uh from a Siegel

1657

01:21:48,470 --> 01:21:46,020

University in swamp Gas Ohio

1658

01:21:49,910 --> 01:21:48,480

all I can say is what a load of [h__\h]

1659

01:21:52,669 --> 01:21:49,920

that was

1660

01:21:54,229 --> 01:21:52,679

yeah if they don't say what the

1661

01:21:55,790 --> 01:21:54,239

disclosure dorks want and by the way

1662

01:21:57,770 --> 01:21:55,800

this is fair use this is a

1663

01:22:01,130 --> 01:21:57,780

transformative work we're educating the

1664

01:22:03,590 --> 01:22:01,140

public lawyer letters are standing by we

1665

01:22:05,630 --> 01:22:03,600

have won every false copyright claim

1666

01:22:07,790 --> 01:22:05,640

ever levied against us and we'll

1667

01:22:12,350 --> 01:22:07,800

continue to win them and for those

1668

01:22:14,330 --> 01:22:12,360

unaware if another uh show host falsely

1669

01:22:16,189 --> 01:22:14,340

copyright claims us we fight them and

1670

01:22:17,930 --> 01:22:16,199

then they get the strike for false

1671

01:22:21,410 --> 01:22:17,940

copyright claiming

1672

01:22:25,010 --> 01:22:21,420

this is clearly fair use I'm using this

1673

01:22:27,410 --> 01:22:25,020

as an example of the Venom and hatred

1674

01:22:30,310 --> 01:22:27,420

and harassment being levied against

1675

01:22:34,130 --> 01:22:30,320

people that aren't

1676

01:22:35,870 --> 01:22:34,140

approving the aliens narrative that

1677

01:22:40,189 --> 01:22:35,880

aren't

1678

01:22:44,330 --> 01:22:40,199

you know worshipping the uh saviors of

1679

01:22:46,729 --> 01:22:44,340

disclosure like Lou Elizondo or others

1680

01:22:49,310 --> 01:22:46,739

and uh

1681

01:22:53,510 --> 01:22:49,320

this this is what happens you wanted

1682

01:22:55,490 --> 01:22:53,520

that UFO office they did the science and

1683

01:22:58,550 --> 01:22:55,500

determined that largely they're chasing

1684

01:23:02,030 --> 01:22:58,560

Shadows just as I said years ago

1685

01:23:04,550 --> 01:23:02,040

you know this and this business of

1686

01:23:07,430 --> 01:23:04,560

investigating UFOs is largely chasing

1687

01:23:09,530 --> 01:23:07,440

shadows and a lot of wasted time on

1688

01:23:12,110 --> 01:23:09,540

nothing extraordinary that's what you

1689

01:23:14,930 --> 01:23:12,120

wanted that's what you demanded but when

1690

01:23:17,590 --> 01:23:14,940

the government scientists did not agree

1691

01:23:20,890 --> 01:23:17,600

with your already pre-drawn conclusions

1692

01:23:23,570 --> 01:23:20,900

suddenly they were incredibly bad people

1693

01:23:26,689 --> 01:23:23,580

suddenly uh

1694

01:23:28,669 --> 01:23:26,699

they get mocked they get harassed they

1695

01:23:31,430 --> 01:23:28,679

get intimidated people are saying all

1696

01:23:34,250 --> 01:23:31,440

kinds of stuff and all you have to do is

1697

01:23:38,510 --> 01:23:34,260

uh look on Twitter under some of these

1698

01:23:40,790 --> 01:23:38,520

clown show guys accounts right

1699

01:23:46,610 --> 01:23:43,850

I'm going to look under Liberation times

1700

01:23:48,470 --> 01:23:46,620

Twitter and we can see this clown

1701
01:23:51,490 --> 01:23:48,480
Christopher sharp who runs the biggest

1702
01:24:00,110 --> 01:23:51,500
rag garbage

1703
01:24:06,530 --> 01:24:03,110
yeah so they they do like that that

1704
01:24:08,870 --> 01:24:06,540
Arrow director Dr Kirkpatrick said we

1705
01:24:10,729 --> 01:24:08,880
see these metallic orbs all over the

1706
01:24:13,550 --> 01:24:10,739
world and we see these making very

1707
01:24:15,770 --> 01:24:13,560
interesting apparent Maneuvers they did

1708
01:24:17,870 --> 01:24:15,780
like that but they didn't like they

1709
01:24:20,270 --> 01:24:17,880
don't like a lot of other stuff that he

1710
01:24:24,229 --> 01:24:20,280
has said like there's no proof of

1711
01:24:27,169 --> 01:24:24,239
extraterrestrial intelligence right

1712
01:24:28,970 --> 01:24:27,179
um or or whatever it may be

1713
01:24:37,370 --> 01:24:28,980

I'm trying to find some of these

1714

01:24:46,149 --> 01:24:39,770

one second

1715

01:24:56,270 --> 01:24:48,530

this guy is

1716

01:25:00,890 --> 01:24:57,890

yeah

1717

01:25:02,830 --> 01:25:00,900

we can just uh share his Twitter feed

1718

01:25:05,630 --> 01:25:02,840

right here he is

1719

01:25:08,810 --> 01:25:05,640

retweeting and supporting a clown that's

1720

01:25:10,729 --> 01:25:08,820

selling flares as UFOs this case has not

1721

01:25:13,850 --> 01:25:10,739

been properly reported through active

1722

01:25:17,090 --> 01:25:13,860

United States UAP investigation channels

1723

01:25:20,530 --> 01:25:17,100

article by Christopher sharp right

1724

01:25:24,530 --> 01:25:20,540

so triangular UFO hovers over California

1725

01:25:27,410 --> 01:25:24,540

first of all you dummy it wasn't

1726

01:25:30,050 --> 01:25:27,420

triangular UFO but this is Daily Mail

1727

01:25:34,669 --> 01:25:32,689

the story is up thank you Jeremy Corbell

1728

01:25:37,970 --> 01:25:34,679

and George Knapp for the excellent work

1729

01:25:39,770 --> 01:25:37,980

you mean the garbage pedaling right this

1730

01:25:41,709 --> 01:25:39,780

is garbage pedaling that's what these

1731

01:25:44,570 --> 01:25:41,719

people do right

1732

01:25:47,030 --> 01:25:44,580

bombshell audio recording you've retired

1733

01:25:48,530 --> 01:25:47,040

U.S Air Force Captain Robert South will

1734

01:25:51,410 --> 01:25:48,540

release a recording of part of his

1735

01:25:53,510 --> 01:25:51,420

Pentagon Arrow interview yeah and that

1736

01:25:55,070 --> 01:25:53,520

was a big nothing Burger he's pissed off

1737

01:25:59,410 --> 01:25:55,080

because they can't find records from

1738

01:26:02,290 --> 01:25:59,420

1962 to prove his Wackadoo claims right

1739

01:26:05,689 --> 01:26:02,300

UFO debunkers beware

1740

01:26:08,750 --> 01:26:05,699

ah yeah right

1741

01:26:10,370 --> 01:26:08,760

yeah uh I was trying to find stuff

1742

01:26:12,590 --> 01:26:10,380

specific to attacking the government

1743

01:26:16,010 --> 01:26:12,600

scientists I'm sure there's some some

1744

01:26:18,490 --> 01:26:16,020

there right I try not to look at these

1745

01:26:20,570 --> 01:26:18,500

UFO Believers oh stand for

1746

01:26:21,709 --> 01:26:20,580

betterbot.org that's a good one to check

1747

01:26:26,030 --> 01:26:21,719

for

1748

01:26:32,270 --> 01:26:29,570

uh and and I love how these people are

1749

01:26:34,310 --> 01:26:32,280

so into politics too

1750

01:26:36,649 --> 01:26:34,320

a pentagon office is developing new

1751

01:26:43,310 --> 01:26:36,659

sensors to better detect UFOs well they

1752

01:26:49,129 --> 01:26:46,370

maybe this one's not so bad

1753

01:26:54,890 --> 01:26:49,139

uh see they love the orbs they they all

1754

01:27:01,970 --> 01:26:57,709

NASA does not know the origin of UFOs

1755

01:27:03,350 --> 01:27:01,980

the origin of UAP remains unclear right

1756

01:27:09,729 --> 01:27:03,360

uh

1757

01:27:14,270 --> 01:27:11,990

one second

1758

01:27:16,490 --> 01:27:14,280

all this why are they always into

1759

01:27:20,350 --> 01:27:16,500

politics and constantly tweeting

1760

01:27:22,729 --> 01:27:20,360

political garbage too right

1761

01:27:24,709 --> 01:27:22,739

debunkers we don't have the testimony

1762

01:27:26,750 --> 01:27:24,719

that they checked any of the raw gimbal

1763

01:27:28,729 --> 01:27:26,760

sensor data Lieutenant Graves we have a

1764

01:27:32,470 --> 01:27:28,739

crowd of fascinated Intel officers and

1765

01:27:36,410 --> 01:27:32,480

air crew who watched all the data

1766

01:27:38,510 --> 01:27:36,420

endless arguments about nothing right

1767

01:27:41,030 --> 01:27:38,520

and you can get your fair share of

1768

01:27:42,970 --> 01:27:41,040

politics one way or the other these

1769

01:27:47,270 --> 01:27:42,980

people are all into that too

1770

01:27:50,390 --> 01:27:47,280

boring right all right we're we're gonna

1771

01:27:51,350 --> 01:27:50,400

we're gonna wrap it there

1772

01:27:54,290 --> 01:27:51,360

um

1773

01:27:57,050 --> 01:27:54,300

I don't know what I could say to wrap it

1774

01:27:59,030 --> 01:27:57,060

up we can watch three hours of largely

1775

01:28:01,550 --> 01:27:59,040

nothing Burger

1776

01:28:03,229 --> 01:28:01,560

I think that the stunning Revelations

1777

01:28:05,450 --> 01:28:03,239

were two things

1778

01:28:08,570 --> 01:28:05,460

we're going to follow up with the office

1779

01:28:10,610 --> 01:28:08,580

of Arrow to find out if he's referencing

1780

01:28:14,090 --> 01:28:10,620

one of Jeremy corbell's garbage videos

1781

01:28:16,370 --> 01:28:14,100

when he says that the splashdowns aren't

1782

01:28:17,330 --> 01:28:16,380

what they appear to be they're a sensor

1783

01:28:19,850 --> 01:28:17,340

glitch

1784

01:28:23,510 --> 01:28:19,860

and of course the most stunning

1785

01:28:25,790 --> 01:28:23,520

Revelation to me today was that it

1786

01:28:30,709 --> 01:28:25,800

wasn't stunning to me Mick West was

1787

01:28:35,950 --> 01:28:30,719

right four years ago Mick West was right

1788

01:28:38,090 --> 01:28:35,960

somehow however uh these people

1789

01:28:41,510 --> 01:28:38,100

it's amazing that it took the government

1790

01:28:43,430 --> 01:28:41,520

four years to to essentially copy and

1791

01:28:45,950 --> 01:28:43,440

paste Mick West's homework and agree

1792

01:28:48,290 --> 01:28:45,960

with an independent researchers

1793

01:28:52,790 --> 01:28:48,300

analysis that that thing was nothing

1794

01:28:55,010 --> 01:28:52,800

spectacular so let's review there have

1795

01:28:58,310 --> 01:28:55,020

been clowns for years saying that that

1796

01:29:00,830 --> 01:28:58,320

thing's defying the laws of physics

1797

01:29:02,870 --> 01:29:00,840

um we can't possibly have anything that

1798

01:29:05,390 --> 01:29:02,880

could that could duplicate this

1799

01:29:07,729 --> 01:29:05,400

technology we we don't have something

1800

01:29:11,689 --> 01:29:07,739

that could go 40 miles an hour

1801

01:29:13,629 --> 01:29:11,699

of course we do now you may be wondering

1802

01:29:20,990 --> 01:29:13,639

why

1803

01:29:25,250 --> 01:29:21,000

it that all of these people Jeremy

1804

01:29:26,030 --> 01:29:25,260

Corbell George Knapp third phase of moon

1805

01:29:29,629 --> 01:29:26,040

um

1806

01:29:33,350 --> 01:29:29,639

you know and others Lou Elizondo why are

1807

01:29:36,110 --> 01:29:33,360

they so quick to sell you something

1808

01:29:37,250 --> 01:29:36,120

before they even tried to figure out

1809

01:29:41,570 --> 01:29:37,260

what it is

1810

01:29:44,930 --> 01:29:41,580

and we're seeing over and over now we

1811

01:29:47,510 --> 01:29:44,940

are seeing some incredible examples of

1812

01:29:50,629 --> 01:29:47,520

people that are either too lazy or too

1813

01:29:52,310 --> 01:29:50,639

stupid to actually be UFO researchers or

1814

01:29:55,430 --> 01:29:52,320

UFO journalists if you're going to cover

1815

01:29:58,189 --> 01:29:55,440

this thing then you should know how to

1816

01:30:00,110 --> 01:29:58,199

do things like check flight radar 24.

1817

01:30:02,510 --> 01:30:00,120

remember third phase of moon they

1818

01:30:04,790 --> 01:30:02,520

couldn't spend 35 seconds checking

1819

01:30:08,450 --> 01:30:04,800

flight radar Data before they ran to

1820

01:30:10,430 --> 01:30:08,460

sell the story right because they want

1821

01:30:13,189 --> 01:30:10,440

to sell you a story they don't want to

1822

01:30:16,490 --> 01:30:13,199

tell you oh it's a hot air balloon I'm

1823

01:30:20,169 --> 01:30:16,500

sorry oh it's a high altitude balloon

1824

01:30:22,370 --> 01:30:20,179

and it's not just the top of the pyramid

1825

01:30:24,709 --> 01:30:22,380

clowns that are making all the money

1826
01:30:27,649 --> 01:30:24,719
third phase of moon eight hundred

1827
01:30:28,669 --> 01:30:27,659
thousand subscribers Jeremy Corbell I

1828
01:30:31,790 --> 01:30:28,679
don't know what he's at probably

1829
01:30:34,370 --> 01:30:31,800
millions of subscribers Lou Elizondo

1830
01:30:37,430 --> 01:30:34,380
making big bucks television show deals

1831
01:30:41,270 --> 01:30:37,440
book deals speaking fees right they're

1832
01:30:46,129 --> 01:30:44,330
third phase of moon making

1833
01:30:48,050 --> 01:30:46,139
they're kind of Bottom Feeders though

1834
01:30:51,590 --> 01:30:48,060
they're making like 500 bucks a fake

1835
01:30:53,450 --> 01:30:51,600
video right little elzando made hundreds

1836
01:30:55,910 --> 01:30:53,460
of thousands of dollars from his three

1837
01:30:58,189 --> 01:30:55,920
nothing burger videos barred from the

1838
01:31:00,770 --> 01:30:58,199

Pentagon right

1839

01:31:03,410 --> 01:31:00,780

um Jeremy Corbell tens and tens of

1840

01:31:07,250 --> 01:31:03,420

thousands of dollars from his five or

1841

01:31:10,610 --> 01:31:07,260

six garbage fake videos and

1842

01:31:14,810 --> 01:31:10,620

you may be wondering why is it that they

1843

01:31:16,669 --> 01:31:14,820

are so fast to not do any work why is it

1844

01:31:19,490 --> 01:31:16,679

that like third phase of moon couldn't

1845

01:31:22,010 --> 01:31:19,500

do 35 seconds of work before rushing to

1846

01:31:24,110 --> 01:31:22,020

go sell you a story why is it that

1847

01:31:26,209 --> 01:31:24,120

Jeremy Corbell

1848

01:31:27,709 --> 01:31:26,219

he spent two years and he didn't know

1849

01:31:30,110 --> 01:31:27,719

about the flares

1850

01:31:32,390 --> 01:31:30,120

why is it that Lou Elizondo couldn't

1851

01:31:35,209 --> 01:31:32,400

find somebody like Mick West or a

1852

01:31:38,270 --> 01:31:35,219

computer guy like me that could do basic

1853

01:31:40,490 --> 01:31:38,280

trigonometry and figure out that the

1854

01:31:43,010 --> 01:31:40,500

speed and altitude of that thing before

1855

01:31:45,050 --> 01:31:43,020

selling it as something extraordinary

1856

01:31:46,790 --> 01:31:45,060

well

1857

01:31:48,950 --> 01:31:46,800

there wouldn't have been a television

1858

01:31:52,430 --> 01:31:48,960

show deal if he did this the right way

1859

01:31:56,149 --> 01:31:52,440

and this is the problem that we have we

1860

01:31:58,550 --> 01:31:56,159

have an absolute real lack of ethics and

1861

01:32:01,250 --> 01:31:58,560

morality because all of these people

1862

01:32:03,830 --> 01:32:01,260

have a built-in motive to sell you the

1863

01:32:06,950 --> 01:32:03,840

mystery of a UFO they don't they're not

1864

01:32:09,290 --> 01:32:06,960

motivated to sell you flares there's no

1865

01:32:11,870 --> 01:32:09,300

money in flares they're not motivated to

1866

01:32:13,610 --> 01:32:11,880

sell you a sighting of a hot air gotta

1867

01:32:15,470 --> 01:32:13,620

keep doing that they're not motivated

1868

01:32:17,930 --> 01:32:15,480

like third phase moon is not very

1869

01:32:20,390 --> 01:32:17,940

feeling very motivated to sell you the

1870

01:32:23,090 --> 01:32:20,400

truth of an identified high altitude

1871

01:32:24,550 --> 01:32:23,100

balloon that you too can identify in 35

1872

01:32:28,550 --> 01:32:24,560

seconds on

1873

01:32:31,430 --> 01:32:28,560

flightradar24.com they're not motivated

1874

01:32:33,590 --> 01:32:31,440

you know Corbell is not motivated to

1875

01:32:35,629 --> 01:32:33,600

sell you a story about oh that was just

1876
01:32:38,390 --> 01:32:35,639
flares do you know why because those

1877
01:32:41,330 --> 01:32:38,400
stories won't sell

1878
01:32:43,610 --> 01:32:41,340
so every time that you wonder how could

1879
01:32:45,729 --> 01:32:43,620
these people not do the least amount of

1880
01:32:48,890 --> 01:32:45,739
work and just rush to sell you something

1881
01:33:07,629 --> 01:32:48,900
well there's a reason for that and you

1882
01:33:07,639 --> 01:33:14,020
the first things

1883
01:33:26,629 --> 01:33:17,810
[Laughter]

1884
01:33:26,639 --> 01:33:36,100
is

1885
01:33:36,110 --> 01:33:46,070
[Laughter]

1886
01:33:50,170 --> 01:33:48,709
[Music]

1887
01:33:55,430 --> 01:33:50,180
whatever

1888
01:33:59,689 --> 01:33:57,649

that's what it's about friends and

1889

01:34:02,629 --> 01:33:59,699

unfortunately

1890

01:34:05,090 --> 01:34:02,639

um I don't believe that this this

1891

01:34:09,050 --> 01:34:05,100

situation is ever going to change I used

1892

01:34:11,030 --> 01:34:09,060

to think it would like well maybe if

1893

01:34:13,310 --> 01:34:11,040

there was enough shows like true Seekers

1894

01:34:16,790 --> 01:34:13,320

and we opened up enough enough people's

1895

01:34:18,830 --> 01:34:16,800

eyes to the reality of the layers of

1896

01:34:21,110 --> 01:34:18,840

deception that are used to sell people

1897

01:34:22,129 --> 01:34:21,120

false narratives then things would

1898

01:34:23,930 --> 01:34:22,139

change

1899

01:34:25,910 --> 01:34:23,940

but quite honestly

1900

01:34:29,030 --> 01:34:25,920

I think the only thing that has changed

1901

01:34:30,470 --> 01:34:29,040

is that people like me or Mick West or

1902

01:34:32,570 --> 01:34:30,480

Stephen Green Street or some of the

1903

01:34:34,250 --> 01:34:32,580

other more skeptically minded people who

1904

01:34:35,870 --> 01:34:34,260

still have an interest in this topic by

1905

01:34:37,610 --> 01:34:35,880

the way it's okay

1906

01:34:40,729 --> 01:34:37,620

you're allowed to be

1907

01:34:41,870 --> 01:34:40,739

skeptically minded and still interested

1908

01:34:44,570 --> 01:34:41,880

right

1909

01:34:48,530 --> 01:34:44,580

uh and and somehow

1910

01:34:51,530 --> 01:34:48,540

these lines in the sand are drawn and

1911

01:34:54,530 --> 01:34:51,540

you know and and it's this huge argument

1912

01:34:56,709 --> 01:34:54,540

back and forth It's like Ping Pong right

1913

01:34:58,330 --> 01:34:56,719

it's this huge argument back and forth

1914

01:35:01,669 --> 01:34:58,340

and

1915

01:35:03,709 --> 01:35:01,679

you've got the believer side twisting

1916

01:35:06,169 --> 01:35:03,719

facts to fit their narrative and yeah

1917

01:35:07,669 --> 01:35:06,179

I've seen some some of the people on the

1918

01:35:11,570 --> 01:35:07,679

more skeptical side

1919

01:35:13,729 --> 01:35:11,580

that are not being very uh honest in

1920

01:35:15,050 --> 01:35:13,739

some of the things that they do to prove

1921

01:35:18,229 --> 01:35:15,060

their point

1922

01:35:19,490 --> 01:35:18,239

it's it's this whole thing is I don't

1923

01:35:21,590 --> 01:35:19,500

think this is ever going to change

1924

01:35:23,750 --> 01:35:21,600

because if you look at the history of

1925

01:35:25,370 --> 01:35:23,760

this it has been and here's another

1926

01:35:28,970 --> 01:35:25,380

thing and we really need to understand

1927

01:35:32,050 --> 01:35:28,980

and recognize this this whole

1928

01:35:37,669 --> 01:35:32,060

field has been filled with con artists

1929

01:35:41,450 --> 01:35:37,679

charlatans grifters hoaxers and scammers

1930

01:35:43,550 --> 01:35:41,460

forever since the early 50s the or the

1931

01:35:44,270 --> 01:35:43,560

the 50s contact a movement started it

1932

01:35:46,010 --> 01:35:44,280

all

1933

01:35:47,689 --> 01:35:46,020

suddenly people realize that you could

1934

01:35:51,229 --> 01:35:47,699

write a book about talking to the space

1935

01:35:53,090 --> 01:35:51,239

brothers and make tons of money and then

1936

01:35:54,830 --> 01:35:53,100

there was all these alien contactees all

1937

01:35:57,169 --> 01:35:54,840

of a sudden writing books and selling

1938

01:36:00,410 --> 01:35:57,179

stuff right

1939

01:36:02,510 --> 01:36:00,420

nothing has changed and we're no closer

1940

01:36:05,510 --> 01:36:02,520

to solving the mystery now than we were

1941

01:36:07,910 --> 01:36:05,520

in 1955 when the contact e movement was

1942

01:36:09,050 --> 01:36:07,920

going on and Georgia damski was showing

1943

01:36:13,610 --> 01:36:09,060

people

1944

01:36:16,490 --> 01:36:13,620

you know photos of essentially a a

1945

01:36:19,669 --> 01:36:16,500

lantern Throne a lantern top thrown up

1946

01:36:22,910 --> 01:36:19,679

into the sky and a picture taken of it

1947

01:36:26,629 --> 01:36:22,920

it's it's absolutely

1948

01:36:29,870 --> 01:36:26,639

it's comical to me that so little has

1949

01:36:33,229 --> 01:36:29,880

changed so we're going to take uh some

1950

01:36:36,110 --> 01:36:33,239

time for your uh comments and questions

1951

01:36:38,570 --> 01:36:36,120

but before we do that the show is not

1952

01:36:40,010 --> 01:36:38,580

over I have to caution everybody when I

1953

01:36:42,890 --> 01:36:40,020

do this we're just going to remind you

1954

01:36:45,050 --> 01:36:42,900

that we are a viewer supported show and

1955

01:36:48,290 --> 01:36:45,060

if you'd like us to remain independent

1956

01:36:50,270 --> 01:36:48,300

as we have been since the beginning here

1957

01:36:53,990 --> 01:36:50,280

uh

1958

01:36:57,050 --> 01:36:54,000

we're a viewer supported show so I gotta

1959

01:36:59,990 --> 01:36:57,060

find uh find the bumper I don't know why

1960

01:37:00,950 --> 01:37:00,000

this is always an issue yeah

1961

01:37:02,870 --> 01:37:00,960

um

1962

01:37:06,590 --> 01:37:02,880

and we're gonna have uh some music

1963

01:37:08,930 --> 01:37:06,600

tonight it's my birthday after all uh so

1964

01:37:12,110 --> 01:37:08,940

I've got a few more things in

1965

01:37:14,330 --> 01:37:12,120

presentation to show you

1966

01:37:16,490 --> 01:37:14,340

um but before we do that

1967

01:37:19,910 --> 01:37:16,500

I'd like to remind you that we are a

1968

01:37:22,430 --> 01:37:19,920

viewer supported show and we are able to

1969

01:37:25,030 --> 01:37:22,440

remain independent because of the

1970

01:37:26,930 --> 01:37:25,040

support of viewers like you

1971

01:37:30,530 --> 01:37:26,940

uh so

1972

01:37:32,390 --> 01:37:30,540

one second here and I've got a few more

1973

01:37:34,189 --> 01:37:32,400

things to share with you so don't go

1974

01:37:37,070 --> 01:37:34,199

anywhere

1975

01:37:39,830 --> 01:37:37,080

um besides throwing money at us which

1976

01:37:42,290 --> 01:37:39,840

um honestly is not that huge a concern

1977

01:37:44,629 --> 01:37:42,300

anymore it was when we started we were

1978

01:37:46,250 --> 01:37:44,639

struggling we're doing much better now

1979

01:37:48,410 --> 01:37:46,260

and thank you all for your kindness

1980

01:37:51,470 --> 01:37:48,420

generosity and support we do have a

1981

01:37:53,330 --> 01:37:51,480

patreon we have a uh you could become a

1982

01:37:57,110 --> 01:37:53,340

channel member there's super chats you

1983

01:37:58,910 --> 01:37:57,120

can support us on PayPal as well uh but

1984

01:38:00,590 --> 01:37:58,920

there's other ways to support us one of

1985

01:38:02,930 --> 01:38:00,600

the ways that you could support us is to

1986

01:38:04,729 --> 01:38:02,940

watch one more come back and watch one

1987

01:38:06,649 --> 01:38:04,739

more when you have time not today not

1988

01:38:09,010 --> 01:38:06,659

tonight but maybe tomorrow while you're

1989

01:38:12,229 --> 01:38:09,020

working while you're driving somewhere

1990

01:38:15,110 --> 01:38:12,239

it really really does help

1991

01:38:26,810 --> 01:38:15,120

all right uh here's lan to let you know

1992

01:38:26,820 --> 01:38:30,740

foreign

1993

01:38:30,750 --> 01:38:35,830

[Music]

1994

01:38:43,010 --> 01:38:39,250

Super Chat soup stickers super thanks

1995

01:38:45,830 --> 01:38:43,020

PayPal or cash out instructions for how

1996

01:38:48,649 --> 01:38:45,840

to help are in the description

1997

01:38:50,870 --> 01:38:48,659

you can also join our patreon and for as

1998

01:38:54,229 --> 01:38:50,880

little as one dollar a month you can get

1999

01:38:56,990 --> 01:38:54,239

extra content patreon supporters at a

2000

01:38:58,610 --> 01:38:57,000

backstage pass Early Access to all my

2001

01:39:01,189 --> 01:38:58,620

Production videos before they are

2002

01:39:03,890 --> 01:39:01,199

distributed publicly Stephen campion's

2003

01:39:07,189 --> 01:39:03,900

music private writings a monthly show

2004

01:39:09,229 --> 01:39:07,199

journal and more you can also become a

2005

01:39:11,930 --> 01:39:09,239

YouTube channel member for five dollars

2006

01:39:14,689 --> 01:39:11,940

a month a YouTube membership includes

2007

01:39:17,629 --> 01:39:14,699

all the patreon benefits plus a special

2008

01:39:20,450 --> 01:39:17,639

members badge priority reply to video

2009

01:39:23,510 --> 01:39:20,460

comments and the live chat plus a

2010

01:39:26,570 --> 01:39:23,520

monthly Members Only video we thank you

2011

01:39:29,990 --> 01:39:26,580

all kind and generous benefactors for

2012

01:39:33,410 --> 01:39:30,000

supporting truth Seekers thank you for

2013

01:39:38,870 --> 01:39:33,420

your generosity and support

2014

01:39:38,880 --> 01:39:44,260

foreign

2015

01:40:13,090 --> 01:39:53,450

[Music]

2016

01:40:16,970 --> 01:40:15,350

please be sure and check out our

2017

01:40:19,729 --> 01:40:16,980

merchandise store

2018

01:40:21,590 --> 01:40:19,739

thanks for two merchandise online stores

2019

01:40:24,709 --> 01:40:21,600

are in the links to this video or

2020

01:40:27,050 --> 01:40:24,719

podcast the Amazon storefront ships

2021

01:40:29,870 --> 01:40:27,060

super quickly in the United States Great

2022

01:40:31,970 --> 01:40:29,880

Britain and in many more places Amazon

2023

01:40:34,310 --> 01:40:31,980

may not ship to your country or location

2024

01:40:36,709 --> 01:40:34,320

if that's the case hit our second

2025

01:40:39,770 --> 01:40:36,719

merchandise Link in the description and

2026

01:40:42,169 --> 01:40:39,780

visit our rap battles storefront imagine

2027

01:40:44,330 --> 01:40:42,179

Dice from our Redbubble storefront ships

2028

01:40:45,350 --> 01:40:44,340

worldwide with may take longer than

2029

01:40:47,870 --> 01:40:45,360

Amazon

2030

01:40:49,910 --> 01:40:47,880

we've got a great deal of super high

2031

01:40:52,370 --> 01:40:49,920

quality merchandise for you to choose

2032

01:40:55,010 --> 01:40:52,380

from including t-shirts phone cases

2033

01:40:57,229 --> 01:40:55,020

sweatshirts and pillows

2034

01:41:00,110 --> 01:40:57,239

the feedback from our products have been

2035

01:41:02,990 --> 01:41:00,120

overwhelming and great quality products

2036

01:41:04,790 --> 01:41:03,000

and fast shipping people all over the

2037

01:41:07,430 --> 01:41:04,800

world are buying some merchandise and

2038

01:41:10,370 --> 01:41:07,440

showing their support of the show praise

2039

01:41:14,510 --> 01:41:10,380

the cash praise the cash

2040

01:41:17,149 --> 01:41:14,520

praise the cash we thank you all kind

2041

01:41:19,189 --> 01:41:17,159

and generous benefactors who are buying

2042

01:41:26,930 --> 01:41:19,199

some merchandise and helping us to

2043

01:41:44,900 --> 01:41:29,570

foreign

2044

01:41:44,910 --> 01:42:03,669

[Music]

2045

01:42:10,129 --> 01:42:07,370

ERS but you are missing the live tapings

2046

01:42:12,950 --> 01:42:10,139

all our shows are recorded live with

2047

01:42:15,229 --> 01:42:12,960

video themes we'd love you to come be a

2048

01:42:18,109 --> 01:42:15,239

part of our live broadcasts and tapings

2049

01:42:20,270 --> 01:42:18,119

for the podcast head on over to YouTube

2050

01:42:23,149 --> 01:42:20,280

click the Search tool the little

2051
01:42:25,189 --> 01:42:23,159
magnifying glass which should see is one

2052
01:42:27,530 --> 01:42:25,199
word in the search bar and hit enter

2053
01:42:29,810 --> 01:42:27,540
you'll see a strange and mysterious guy

2054
01:42:32,270 --> 01:42:29,820
with sunglasses that means you found the

2055
01:42:35,030 --> 01:42:32,280
channel go there smash the Subscribe

2056
01:42:37,310 --> 01:42:35,040
button and hit the notification Bell to

2057
01:42:39,950 --> 01:42:37,320
receive up to date info on our YouTube

2058
01:42:42,770 --> 01:42:39,960
channel we welcome you to be a part of

2059
01:42:46,550 --> 01:42:42,780
our live taping and our chat room during

2060
01:43:04,129 --> 01:42:46,560
the live broadcasts seek the truth

2061
01:43:08,570 --> 01:43:06,770
all right we're actually going to uh

2062
01:43:11,390 --> 01:43:08,580
take comments and questions from the

2063
01:43:15,109 --> 01:43:11,400

live chat uh I want to make sure that we

2064

01:43:17,330 --> 01:43:15,119

indeed thank everybody you ever see that

2065

01:43:19,870 --> 01:43:17,340

Meme like brace yourself the birthday

2066

01:43:24,290 --> 01:43:19,880

messages are coming like

2067

01:43:26,890 --> 01:43:24,300

all day today all night uh it was

2068

01:43:30,109 --> 01:43:26,900

wonderful so many people I think I got

2069

01:43:32,990 --> 01:43:30,119

150 just on Facebook or something

2070

01:43:34,609 --> 01:43:33,000

and um I'm sorry if I don't reply to

2071

01:43:36,310 --> 01:43:34,619

each and every one of you I'm hoping

2072

01:43:39,770 --> 01:43:36,320

that this blanket

2073

01:43:44,209 --> 01:43:39,780

uh this blanket thank you to all of you

2074

01:43:46,310 --> 01:43:44,219

will uh will suffice right yeah 156

2075

01:43:48,229 --> 01:43:46,320

friends post it on your timeline for

2076

01:43:50,209 --> 01:43:48,239

your birthday and that's just one form

2077

01:43:52,189 --> 01:43:50,219

of social media

2078

01:43:55,129 --> 01:43:52,199

um there's all kinds of messages in my

2079

01:43:58,129 --> 01:43:55,139

inbox on Twitter and and uh and

2080

01:44:00,350 --> 01:43:58,139

Instagram as well thank you all uh for

2081

01:44:02,930 --> 01:44:00,360

your kindness and uh yeah I had a great

2082

01:44:05,930 --> 01:44:02,940

birthday and uh I got to celebrate with

2083

01:44:08,390 --> 01:44:05,940

you guys because uh we're gonna we're

2084

01:44:11,390 --> 01:44:08,400

gonna do the birthday dinner and and uh

2085

01:44:13,370 --> 01:44:11,400

all that stuff tomorrow hopefully I hope

2086

01:44:15,649 --> 01:44:13,380

that my youngest or my oldest son is

2087

01:44:17,270 --> 01:44:15,659

feeling better and red brick

2088

01:44:19,250 --> 01:44:17,280

investigations reminding people you can

2089

01:44:20,810 --> 01:44:19,260

hit your free cash to True Seekers on

2090

01:44:22,970 --> 01:44:20,820

Twitch yes it's a great way to support

2091

01:44:24,590 --> 01:44:22,980

us if you have an Amazon Prime account

2092

01:44:26,390 --> 01:44:24,600

you just attach your Amazon Prime

2093

01:44:27,950 --> 01:44:26,400

account to your Twitch account if you

2094

01:44:29,510 --> 01:44:27,960

don't have a Twitch account sign up and

2095

01:44:31,550 --> 01:44:29,520

and make one only takes a few minutes

2096

01:44:33,290 --> 01:44:31,560

with an email account then you'll have a

2097

01:44:35,450 --> 01:44:33,300

Twitch account you connect your Amazon

2098

01:44:37,609 --> 01:44:35,460

Prime account to your Twitch account and

2099

01:44:39,350 --> 01:44:37,619

then if you have an Amazon Prime account

2100

01:44:41,930 --> 01:44:39,360

they let you give I think it's five

2101
01:44:44,510 --> 01:44:41,940
dollars a month to any twitch streamer

2102
01:44:46,790 --> 01:44:44,520
and we're true Seeker show on Twitch so

2103
01:44:48,290 --> 01:44:46,800
every month we're getting it uh every

2104
01:44:50,450 --> 01:44:48,300
month I feel like I'm taking money right

2105
01:44:52,790 --> 01:44:50,460
out of Jeff Bezos pocket and it makes me

2106
01:44:55,250 --> 01:44:52,800
smile so thank all of you for doing that

2107
01:44:56,930 --> 01:44:55,260
we really appreciate the kindness and

2108
01:44:59,990 --> 01:44:56,940
the support

2109
01:45:03,169 --> 01:45:00,000
um and I heard Charles roll and uh

2110
01:45:04,850 --> 01:45:03,179
mention the earliest substantial work in

2111
01:45:07,189 --> 01:45:04,860
the field of artificial intelligence was

2112
01:45:10,149 --> 01:45:07,199
done in the mid 20th century by British

2113
01:45:14,030 --> 01:45:10,159

logician and computer Pioneer

2114

01:45:16,729 --> 01:45:14,040

Alan Matheson touring yes and the famous

2115

01:45:19,370 --> 01:45:16,739

touring test was designed by him which

2116

01:45:21,109 --> 01:45:19,380

is a test to see if something is a human

2117

01:45:24,050 --> 01:45:21,119

or an artificial intelligence and you

2118

01:45:25,550 --> 01:45:24,060

may remember this sort of test in the

2119

01:45:28,310 --> 01:45:25,560

movie Blade Runner they took that

2120

01:45:30,169 --> 01:45:28,320

directly from Mr Turing and he was an

2121

01:45:32,990 --> 01:45:30,179

incredible Pioneer of computer science

2122

01:45:35,209 --> 01:45:33,000

I'm a big fan of his and what a lot of

2123

01:45:36,770 --> 01:45:35,219

people don't know is a real shame the

2124

01:45:39,290 --> 01:45:36,780

British government for summary reason

2125

01:45:41,209 --> 01:45:39,300

because he was a homosexual decided to

2126

01:45:44,570 --> 01:45:41,219

chemically castrate him

2127

01:45:46,810 --> 01:45:44,580

with medication which

2128

01:45:49,970 --> 01:45:46,820

is just a terrible thing I could imagine

2129

01:45:52,430 --> 01:45:49,980

imagine losing all libido

2130

01:45:54,350 --> 01:45:52,440

not a good thing uh they basically

2131

01:45:57,649 --> 01:45:54,360

tortured the guy for being homosexual

2132

01:45:59,390 --> 01:45:57,659

later apologized and uh but you know by

2133

01:46:01,790 --> 01:45:59,400

then the damage was done

2134

01:46:03,830 --> 01:46:01,800

Amy WC with the kind and generous 10

2135

01:46:05,149 --> 01:46:03,840

super chat says don't spend it all in

2136

01:46:07,910 --> 01:46:05,159

one place well we thank you for your

2137

01:46:10,669 --> 01:46:07,920

kindness generosity and Sport it is much

2138

01:46:13,129 --> 01:46:10,679

much appreciated and you know every time

2139

01:46:16,430 --> 01:46:13,139

that somebody sends me a super chat it

2140

01:46:20,450 --> 01:46:16,440

makes a trailer trash clown cry but it

2141

01:46:23,990 --> 01:46:20,460

makes our uh our our cash clown just say

2142

01:46:25,189 --> 01:46:24,000

praise the cash Amy WC Amy WC longtime

2143

01:46:27,590 --> 01:46:25,199

show supporter thank you for your

2144

01:46:32,810 --> 01:46:27,600

kindness generosity and support and of

2145

01:46:36,950 --> 01:46:35,330

yeah lots of Praise in the cash tonight

2146

01:46:39,770 --> 01:46:36,960

thank you all for the birthday cash

2147

01:46:42,470 --> 01:46:39,780

thank you all for the support it is much

2148

01:46:45,410 --> 01:46:42,480

much appreciated yeah Julie Caroline

2149

01:46:46,430 --> 01:46:45,420

says that is horrible yeah you think uh

2150

01:46:47,990 --> 01:46:46,440

and

2151
01:46:50,750 --> 01:46:48,000
you know I guess it was a different

2152
01:46:53,270 --> 01:46:50,760
error and everything and and that was

2153
01:46:54,950 --> 01:46:53,280
still very taboo but still to do that to

2154
01:46:58,070 --> 01:46:54,960
another human being

2155
01:46:59,629 --> 01:46:58,080
yeah and Ray uh kachinka is here from

2156
01:47:02,270 --> 01:46:59,639
the Facebook live feed saying happy

2157
01:47:04,910 --> 01:47:02,280
birthday Stephen well no thank you uh I

2158
01:47:06,950 --> 01:47:04,920
appreciate it thank you Ray

2159
01:47:08,750 --> 01:47:06,960
um very kind of all of you I had

2160
01:47:11,030 --> 01:47:08,760
incredible birthday today except it was

2161
01:47:11,930 --> 01:47:11,040
a little stressful my son came home very

2162
01:47:15,950 --> 01:47:11,940
ill

2163
01:47:18,169 --> 01:47:15,960

and uh you know he went right to his

2164

01:47:19,729 --> 01:47:18,179

room to take a nap which is very unusual

2165

01:47:22,609 --> 01:47:19,739

for him normally he comes home and he

2166

01:47:24,770 --> 01:47:22,619

wants snacks and he's running around and

2167

01:47:27,350 --> 01:47:24,780

um but they told me that he was coughing

2168

01:47:28,370 --> 01:47:27,360

and sleeping at at school all day I

2169

01:47:30,890 --> 01:47:28,380

think they should have sent him home

2170

01:47:33,290 --> 01:47:30,900

because he looked terrible my wife took

2171

01:47:35,270 --> 01:47:33,300

him to urgent care Adam checked out he's

2172

01:47:38,330 --> 01:47:35,280

fine it's just his allergies acting up

2173

01:47:40,970 --> 01:47:38,340

so you know we haven't had to give him

2174

01:47:42,770 --> 01:47:40,980

the we have one of those uh I forget

2175

01:47:47,030 --> 01:47:42,780

what it's called but the Breather for

2176

01:47:49,070 --> 01:47:47,040

for when his asthma gets severe so he's

2177

01:47:52,129 --> 01:47:49,080

being treated I think he's doing much

2178

01:47:55,310 --> 01:47:52,139

much better tonight than he was earlier

2179

01:47:57,649 --> 01:47:55,320

uh so you know hopefully he'll be

2180

01:47:59,689 --> 01:47:57,659

feeling up to it if not tomorrow we'll

2181

01:48:01,250 --> 01:47:59,699

just do take out and birthday cake at

2182

01:48:04,729 --> 01:48:01,260

home I'm fine with that I'm not really

2183

01:48:08,090 --> 01:48:04,739

go out kind of person very much I prefer

2184

01:48:09,830 --> 01:48:08,100

to stay at home in my caves here aloray

2185

01:48:11,629 --> 01:48:09,840

holding down the twitch chat says happy

2186

01:48:17,169 --> 01:48:11,639

birthday Stephen Camby and well thank

2187

01:48:21,290 --> 01:48:19,729

simonfly gets the award for the best

2188

01:48:24,229 --> 01:48:21,300

weird video

2189

01:48:26,990 --> 01:48:24,239

people sent me weird birthday videos all

2190

01:48:29,209 --> 01:48:27,000

day today right and

2191

01:48:31,070 --> 01:48:29,219

listen when I say that I got some weird

2192

01:48:34,310 --> 01:48:31,080

friends and they sent me some weird

2193

01:48:35,330 --> 01:48:34,320

videos one of them was a what appeared

2194

01:48:38,510 --> 01:48:35,340

to be

2195

01:48:41,390 --> 01:48:38,520

stay with me here so one of my old

2196

01:48:44,209 --> 01:48:41,400

friends sent me what appeared to be a

2197

01:48:47,330 --> 01:48:44,219

super hot stripper chick like talking

2198

01:48:50,510 --> 01:48:47,340

about it's your birthday big boy and she

2199

01:48:53,870 --> 01:48:50,520

was appeared to be a super hot

2200

01:48:56,930 --> 01:48:53,880

stripper chick but then she started to

2201

01:48:59,810 --> 01:48:56,940

strip a routine and let's just say the

2202

01:49:01,609 --> 01:48:59,820

word sausage and you'll know what

2203

01:49:03,229 --> 01:49:01,619

happened once you started taking her

2204

01:49:06,410 --> 01:49:03,239

clothes off right

2205

01:49:09,770 --> 01:49:06,420

it was a woman from the waist up but not

2206

01:49:12,950 --> 01:49:09,780

the rest of it was the sausage and boy

2207

01:49:19,070 --> 01:49:16,310

but I can't play that one on the air but

2208

01:49:21,229 --> 01:49:19,080

I can play one uh the runner-up I guess

2209

01:49:24,109 --> 01:49:21,239

for the weirdest birthday video I've

2210

01:49:27,189 --> 01:49:24,119

ever gotten and by the way why would you

2211

01:49:29,930 --> 01:49:27,199

send me don't do that don't send a man

2212

01:49:32,810 --> 01:49:29,940

what appears to be a hot stripper chick

2213

01:49:37,609 --> 01:49:32,820

and then it turns out to be sausage City

2214

01:49:41,689 --> 01:49:37,619

you know in the lower quadrant not fun

2215

01:49:43,250 --> 01:49:41,699

but simonfly just sent me a video and

2216

01:49:45,830 --> 01:49:43,260

he's like oh here's a video for your

2217

01:49:48,830 --> 01:49:45,840

birthday bro and then I watched it and

2218

01:49:50,030 --> 01:49:48,840

then I was like what the hell did I just

2219

01:49:52,310 --> 01:49:50,040

watch

2220

01:49:54,430 --> 01:49:52,320

so I'm gonna share that one with you

2221

01:49:57,470 --> 01:49:54,440

happy birthday to me and thank you all

2222

01:49:59,950 --> 01:49:57,480

uh for the for the birthday wishes and

2223

01:50:02,209 --> 01:49:59,960

thank you simonfly for the second

2224

01:50:03,890 --> 01:50:02,219

strangest birthday video that I got

2225

01:50:06,880 --> 01:50:03,900

today this one I can share with you it's

2226
01:50:17,830 --> 01:50:06,890
pretty pretty out there

2227
01:50:17,840 --> 01:50:23,450
[Music]

2228
01:51:04,689 --> 01:50:24,730
foreign

2229
01:51:11,090 --> 01:51:04,699
[Music]

2230
01:51:11,100 --> 01:51:15,140
to

2231
01:51:48,790 --> 01:51:15,830
[Music]

2232
01:51:57,290 --> 01:51:50,110
come along

2233
01:52:43,390 --> 01:51:59,629
[Music]

2234
01:52:48,830 --> 01:52:47,390
that is the second weirdest it's the

2235
01:52:50,990 --> 01:52:48,840
second weirdest it told him about the

2236
01:52:54,590 --> 01:52:51,000
first weirdest the second weirdest

2237
01:52:55,250 --> 01:52:54,600
birthday video anybody's ever sent me

2238
01:52:58,310 --> 01:52:55,260

um

2239

01:53:02,990 --> 01:52:58,320

yeah what what uh what a what a strange

2240

01:53:05,330 --> 01:53:03,000

day it has been uh so

2241

01:53:07,310 --> 01:53:05,340

Randy says touring also made the first

2242

01:53:09,590 --> 01:53:07,320

electronic computer made out of vacuum

2243

01:53:12,709 --> 01:53:09,600

tubes yeah that's very interesting and

2244

01:53:14,990 --> 01:53:12,719

you are correct and when I was a child I

2245

01:53:18,050 --> 01:53:15,000

studied some of his earlier designs and

2246

01:53:21,290 --> 01:53:18,060

he had some super simple uh I wouldn't

2247

01:53:22,790 --> 01:53:21,300

call him besides that he had some other

2248

01:53:26,629 --> 01:53:22,800

simpler

2249

01:53:30,169 --> 01:53:26,639

maybe prototypes made with vacuum tubes

2250

01:53:33,649 --> 01:53:30,179

and I had a teacher help me when I was a

2251

01:53:36,290 --> 01:53:33,659

kid to use transistors instead of vacuum

2252

01:53:39,350 --> 01:53:36,300

tubes to recreate some of his earlier

2253

01:53:42,470 --> 01:53:39,360

computation devices which would be like

2254

01:53:45,250 --> 01:53:42,480

not even as powerful as a pocket

2255

01:53:49,790 --> 01:53:45,260

calculator today but used he he

2256

01:53:52,669 --> 01:53:49,800

pioneered creating computers yes and uh

2257

01:53:54,709 --> 01:53:52,679

maze rage is here maze rage 86 with

2258

01:53:56,629 --> 01:53:54,719

Kylie Jenner's 489 says happy birthday

2259

01:54:00,050 --> 01:53:56,639

buddy here's some cash towards your very

2260

01:54:01,790 --> 01:54:00,060

own Gary Nolan eyeliner we're gonna do

2261

01:54:04,070 --> 01:54:01,800

that we're gonna come up with our own

2262

01:54:05,330 --> 01:54:04,080

line of Gary Nolan Cosmetics no we

2263

01:54:08,030 --> 01:54:05,340

probably can't do that because we'll get

2264

01:54:10,129 --> 01:54:08,040

attacked because of his uh orientation

2265

01:54:11,510 --> 01:54:10,139

or something you know somebody will find

2266

01:54:14,330 --> 01:54:11,520

fault with that

2267

01:54:16,370 --> 01:54:14,340

but we thank you uh for your kindness

2268

01:54:17,810 --> 01:54:16,380

your generosity and your support of the

2269

01:54:20,930 --> 01:54:17,820

show it is much much appreciated

2270

01:54:24,010 --> 01:54:20,940

everybody in here uh throwing down some

2271

01:54:28,310 --> 01:54:24,020

birthday cash and we appreciate that

2272

01:54:35,060 --> 01:54:28,320

and uh thanks to all of you uh all of

2273

01:54:43,480 --> 01:54:39,370

[Music]

2274

01:54:49,430 --> 01:54:43,490

praise cash prize to cash

2275

01:54:52,490 --> 01:54:51,109

so we'll take some comments and

2276

01:54:54,649 --> 01:54:52,500

questions from the live chat I've got a

2277

01:54:57,590 --> 01:54:54,659

little more time to share with you and

2278

01:55:00,790 --> 01:54:57,600

uh winding down now it's almost 11 p.m

2279

01:55:03,530 --> 01:55:00,800

so I've got one hour of my birthday left

2280

01:55:05,810 --> 01:55:03,540

uh yeah

2281

01:55:07,609 --> 01:55:05,820

when I was a kid they had machines in

2282

01:55:11,090 --> 01:55:07,619

stores which you could test your vacuum

2283

01:55:12,950 --> 01:55:11,100

tubes yeah my dad used to fix old radios

2284

01:55:15,890 --> 01:55:12,960

he used to trolley troll troll and

2285

01:55:17,510 --> 01:55:15,900

thanks for being a member he used to get

2286

01:55:19,370 --> 01:55:17,520

vacuum tubes somewhere I don't know

2287

01:55:20,930 --> 01:55:19,380

where uh there was a place called her

2288

01:55:23,930 --> 01:55:20,940

back and raidman and a few other

2289

01:55:26,209 --> 01:55:23,940

electronic Surplus places but

2290

01:55:28,490 --> 01:55:26,219

you know those old back then nobody

2291

01:55:29,930 --> 01:55:28,500

wanted that old radio with vacuum tubes

2292

01:55:31,970 --> 01:55:29,940

so he would get them and he would

2293

01:55:33,590 --> 01:55:31,980

replace the bad vacuum tubes and make

2294

01:55:35,689 --> 01:55:33,600

the thing work again

2295

01:55:37,430 --> 01:55:35,699

I got to learn a little bit about vacuum

2296

01:55:39,470 --> 01:55:37,440

tubes but by the time I was coming up I

2297

01:55:41,330 --> 01:55:39,480

was building things with transistors and

2298

01:55:45,229 --> 01:55:41,340

things like that

2299

01:55:47,270 --> 01:55:45,239

and then uh ICS came integrated circuits

2300

01:55:49,070 --> 01:55:47,280

and I was fascinated by what you could

2301
01:55:52,189 --> 01:55:49,080
do with chips you know I was a Radio

2302
01:55:54,350 --> 01:55:52,199
Shack kid I spent a lot of time as I

2303
01:55:56,510 --> 01:55:54,360
spent so much time as a kid at Radio

2304
01:55:59,090 --> 01:55:56,520
Shack that eventually

2305
01:56:02,330 --> 01:55:59,100
when I was 14 years old the manager gave

2306
01:56:04,669 --> 01:56:02,340
me a job and he had to like go to

2307
01:56:07,010 --> 01:56:04,679
corporate and like get special They you

2308
01:56:08,990 --> 01:56:07,020
had to be 18 to work there and I was

2309
01:56:11,270 --> 01:56:09,000
like one of the first persons that I

2310
01:56:14,570 --> 01:56:11,280
knew at least in my area

2311
01:56:16,430 --> 01:56:14,580
um to work there that that wasn't 18.

2312
01:56:18,050 --> 01:56:16,440
they made me like a stock guy and I

2313
01:56:21,649 --> 01:56:18,060

would like clean this store and I would

2314

01:56:24,470 --> 01:56:21,659

stock the shelves and I I loved it

2315

01:56:25,850 --> 01:56:24,480

because I got like a 25 discount on

2316

01:56:28,430 --> 01:56:25,860

anything I bought at Radio Shack

2317

01:56:31,070 --> 01:56:28,440

including computers or parts or whatever

2318

01:56:32,689 --> 01:56:31,080

and I was always at Radio Shack when I

2319

01:56:36,470 --> 01:56:32,699

was a kid buying like

2320

01:56:38,149 --> 01:56:36,480

chips and resistors and capacitors and

2321

01:56:40,790 --> 01:56:38,159

things and trying to figure things out

2322

01:56:45,189 --> 01:56:40,800

right Randy Phillips says yay the cash

2323

01:56:48,950 --> 01:56:45,199

clown yes praise the cash absolutely

2324

01:56:51,590 --> 01:56:48,960

absolutely I swear there are uh there

2325

01:56:53,330 --> 01:56:51,600

are intelligence operatives in our live

2326

01:56:56,209 --> 01:56:53,340

chat sometime

2327

01:56:59,750 --> 01:56:56,219

um sending out covert messages I don't

2328

01:57:01,729 --> 01:56:59,760

understand it hand purple piece

2329

01:57:04,790 --> 01:57:01,739

yes

2330

01:57:06,890 --> 01:57:04,800

555 timers yeah I use those to build all

2331

01:57:09,770 --> 01:57:06,900

kinds of things Randy you could build

2332

01:57:12,109 --> 01:57:09,780

alarm systems with five five timers you

2333

01:57:14,390 --> 01:57:12,119

could build Sirens you could build uh

2334

01:57:18,830 --> 01:57:14,400

all kinds of things I still have those

2335

01:57:21,050 --> 01:57:18,840

Forest Mims books the um the force Mims

2336

01:57:24,169 --> 01:57:21,060

books that were like you know

2337

01:57:25,930 --> 01:57:24,179

Electronics notebooks and and he showed

2338

01:57:29,089 --> 01:57:25,940

you how to build different circuits with

2339

01:57:31,010 --> 01:57:29,099

555 chips I still I'm right on my

2340

01:57:34,070 --> 01:57:31,020

workbench over here Randy I swear to God

2341

01:57:37,550 --> 01:57:34,080

I still haven't been with 555 chips just

2342

01:57:41,530 --> 01:57:37,560

in case I ever need some 555 timer ICS

2343

01:57:45,530 --> 01:57:41,540

right I like that and I like the SBO

2344

01:57:48,470 --> 01:57:45,540

al-256 the The Voice the text to voice

2345

01:57:50,209 --> 01:57:48,480

chip I still remember that chip as well

2346

01:57:52,790 --> 01:57:50,219

and I still have a bunch of those just

2347

01:57:54,109 --> 01:57:52,800

in case I ever I'll never need this

2348

01:57:57,070 --> 01:57:54,119

stuff it's just

2349

01:57:59,450 --> 01:57:57,080

it's just there you know

2350

01:58:01,910 --> 01:57:59,460

I only had dial up during the

2351

01:58:03,709 --> 01:58:01,920

publication publication of the wicked

2352

01:58:07,729 --> 01:58:03,719

current Radio Shack was an hour away

2353

01:58:13,609 --> 01:58:11,030

electronic numerical integrator and

2354

01:58:17,450 --> 01:58:13,619

computer eniac yeah I know all about

2355

01:58:20,050 --> 01:58:17,460

eniac right I know my computer history

2356

01:58:23,510 --> 01:58:20,060

better than David Wilcock of course

2357

01:58:25,310 --> 01:58:23,520

Radio Shack was a friend of dial-up a

2358

01:58:28,850 --> 01:58:25,320

last holdout in a small town in

2359

01:58:31,070 --> 01:58:28,860

Tennessee yeah we um we had a BB a

2360

01:58:32,930 --> 01:58:31,080

bulletin board system at the Radio Shack

2361

01:58:34,490 --> 01:58:32,940

for a while

2362

01:58:36,290 --> 01:58:34,500

um but then people started uploading

2363

01:58:37,850 --> 01:58:36,300

pirate software in the and I think like

2364

01:58:40,970 --> 01:58:37,860

the regional manager or something found

2365

01:58:44,089 --> 01:58:40,980

out and got nervous so they had we had

2366

01:58:46,550 --> 01:58:44,099

to stop uh running the BBS but then I

2367

01:58:48,709 --> 01:58:46,560

started running one at home so uh yeah I

2368

01:58:50,689 --> 01:58:48,719

was already a shack nerd says red brick

2369

01:58:52,910 --> 01:58:50,699

investigations a lot of us were I missed

2370

01:58:53,770 --> 01:58:52,920

that place

2371

01:58:58,310 --> 01:58:53,780

um

2372

01:59:00,470 --> 01:58:58,320

herzlickin gluc lunch Steven Broody how

2373

01:59:06,290 --> 01:59:00,480

old are you are you too old are you

2374

01:59:07,850 --> 01:59:06,300

afraid of Al heard e yudkowski yes uh I

2375

01:59:09,290 --> 01:59:07,860

have and we're going to be doing a show

2376

01:59:11,209 --> 01:59:09,300

and thank you for your kindness

2377

01:59:13,669 --> 01:59:11,219

generosity and support of the show we

2378

01:59:17,209 --> 01:59:13,679

appreciate it you guys sure made it rain

2379

01:59:22,189 --> 01:59:19,870

stop

2380

01:59:24,050 --> 01:59:22,199

thanks for making it rain up in here

2381

01:59:26,149 --> 01:59:24,060

today guys that was very nice of you

2382

01:59:27,470 --> 01:59:26,159

very kind of you especially at the end

2383

01:59:29,390 --> 01:59:27,480

of the month which I've noticed yeah

2384

01:59:32,870 --> 01:59:29,400

Heathcliff zenith

2385

01:59:35,870 --> 01:59:32,880

I um I once had a Heathcliff hero Junior

2386

01:59:37,970 --> 01:59:35,880

robot and then I I still have a

2387

01:59:40,550 --> 01:59:37,980

Heathcliff hero one robot but the

2388

01:59:42,410 --> 01:59:40,560

Heathcliff hero one robot I got the only

2389

01:59:44,570 --> 01:59:42,420

reason I got it is because it was in a

2390

01:59:46,729 --> 01:59:44,580

flood like somebody's entire basement

2391

01:59:50,030 --> 01:59:46,739

flooded with four feet of water

2392

01:59:52,070 --> 01:59:50,040

and all the electronics inside this

2393

01:59:54,890 --> 01:59:52,080

robot were destroyed but I replaced it

2394

01:59:57,050 --> 01:59:54,900

with a laptop and you know like modern

2395

02:00:00,229 --> 01:59:57,060

Electronics it's still at my shed at the

2396

02:00:02,149 --> 02:00:00,239

cabin someday I'll pull it out and uh

2397

02:00:04,310 --> 02:00:02,159

I gotta clean that shed anyway this year

2398

02:00:07,189 --> 02:00:04,320

some maybe this year I will clean it out

2399

02:00:09,109 --> 02:00:07,199

and uh and bring home I got a bunch of

2400

02:00:10,669 --> 02:00:09,119

old robot projects in that shed if

2401
02:00:12,410 --> 02:00:10,679
anybody ever breaks in that shed they

2402
02:00:14,689 --> 02:00:12,420
kind of think it's like the Terminator

2403
02:00:17,169 --> 02:00:14,699
in there there's like robot arms hanging

2404
02:00:24,470 --> 02:00:21,709
univac had a re-circulating Mercury

2405
02:00:26,390 --> 02:00:24,480
memory Loop tank never heard of that

2406
02:00:28,729 --> 02:00:26,400
Randy I'll have to look that up that's

2407
02:00:32,209 --> 02:00:28,739
right up my angle though of right up my

2408
02:00:33,830 --> 02:00:32,219
alley of weird old Tech stuff right our

2409
02:00:37,070 --> 02:00:33,840
Radio Shack finally gave up and closed

2410
02:00:40,430 --> 02:00:37,080
five years ago there is a deli there now

2411
02:00:42,830 --> 02:00:40,440
yeah I miss Radio Shack but the last

2412
02:00:45,649 --> 02:00:42,840
like 10 years of Radio Shack sucked they

2413
02:00:48,229 --> 02:00:45,659

just turned into a phone store right

2414

02:00:50,510 --> 02:00:48,239

and that's why they failed they were

2415

02:00:53,990 --> 02:00:50,520

successful because if you needed like a

2416

02:00:56,089 --> 02:00:54,000

wire a cable speaker wire some clips

2417

02:00:57,950 --> 02:00:56,099

something to hook something up

2418

02:00:59,629 --> 02:00:57,960

you could always go to Radio Shack they

2419

02:01:02,149 --> 02:00:59,639

stopped selling and they stopped

2420

02:01:04,550 --> 02:01:02,159

catering to electronics experimenters

2421

02:01:06,050 --> 02:01:04,560

and they just became a phone store and

2422

02:01:07,550 --> 02:01:06,060

the problem with that was there was a

2423

02:01:09,709 --> 02:01:07,560

hundred phone there was a phone store on

2424

02:01:12,050 --> 02:01:09,719

every corner so nobody went to Radio

2425

02:01:14,810 --> 02:01:12,060

Shack for a phone

2426

02:01:18,649 --> 02:01:14,820

um I think they mismanaged it and

2427

02:01:20,570 --> 02:01:18,659

I was a huge fan growing up of Tandy

2428

02:01:29,450 --> 02:01:20,580

computers

2429

02:01:30,890 --> 02:01:29,460

turned them into Tandy or whatever Tandy

2430

02:01:33,530 --> 02:01:30,900

computers

2431

02:01:36,169 --> 02:01:33,540

um you know

2432

02:01:38,750 --> 02:01:36,179

and I don't mean the Tandy computers

2433

02:01:40,790 --> 02:01:38,760

that were just IBM compatibles although

2434

02:01:43,550 --> 02:01:40,800

those were good the Teeny 1000 series

2435

02:01:46,189 --> 02:01:43,560

was good I was a big fan of the color

2436

02:01:49,750 --> 02:01:46,199

computers from Tandy that's what I

2437

02:01:52,910 --> 02:01:49,760

started on it had a 6809 8-bit processor

2438

02:01:54,649 --> 02:01:52,920

and 64 kilobytes of ram but had a

2439

02:01:57,229 --> 02:01:54,659

multitasking operating system before

2440

02:01:59,089 --> 02:01:57,239

anybody even knew you could do that I

2441

02:02:01,910 --> 02:01:59,099

still have them here it asked spooky was

2442

02:02:04,910 --> 02:02:01,920

here there's one on my bar my bar by the

2443

02:02:07,370 --> 02:02:04,920

way got emptied when I when I went on

2444

02:02:09,770 --> 02:02:07,380

the wagon so there's nothing in the bar

2445

02:02:12,709 --> 02:02:09,780

there's there's some like music

2446

02:02:15,410 --> 02:02:12,719

keyboards and Old Computers just up on

2447

02:02:17,030 --> 02:02:15,420

my bar and I've got some old TV someday

2448

02:02:19,310 --> 02:02:17,040

I'm going to make that like a retro

2449

02:02:22,970 --> 02:02:19,320

computer bar

2450

02:02:25,430 --> 02:02:22,980

yeah yeah I worked there from 14 to like

2451

02:02:26,930 --> 02:02:25,440

I was like 20 something I worked there a

2452

02:02:30,589 --> 02:02:26,940

long time that was one of my longest

2453

02:02:32,030 --> 02:02:30,599

jobs as a kid it was an easy job I

2454

02:02:34,850 --> 02:02:32,040

started out as a stock boy and

2455

02:02:36,229 --> 02:02:34,860

eventually I was a salesperson which if

2456

02:02:38,570 --> 02:02:36,239

I had it to do over again I would have

2457

02:02:40,430 --> 02:02:38,580

stayed a stock boy because that's

2458

02:02:42,530 --> 02:02:40,440

selling people's stuff was terrible

2459

02:02:44,330 --> 02:02:42,540

because you'd sell somebody one computer

2460

02:02:46,490 --> 02:02:44,340

and then they would come and ask you and

2461

02:02:48,530 --> 02:02:46,500

you earned the commission on the sale

2462

02:02:50,149 --> 02:02:48,540

and then for like two years they'd be

2463

02:02:52,070 --> 02:02:50,159

coming in asking all kinds of questions

2464

02:02:53,530 --> 02:02:52,080

and having all kinds of problems and you

2465

02:02:58,070 --> 02:02:53,540

had to help them

2466

02:03:02,510 --> 02:03:00,290

yeah caught Radio Shack at the end of an

2467

02:03:05,149 --> 02:03:02,520

error 2 000 smart kids in there who

2468

02:03:06,709 --> 02:03:05,159

helped this lady with no idea yeah it

2469

02:03:08,810 --> 02:03:06,719

was a good place to go too if you needed

2470

02:03:11,209 --> 02:03:08,820

help how to do stuff yeah spooky says at

2471

02:03:12,950 --> 02:03:11,219

my house we have very cool old Amigas

2472

02:03:16,129 --> 02:03:12,960

that was my next thing

2473

02:03:17,450 --> 02:03:16,139

after I got over the Tandy addiction and

2474

02:03:19,070 --> 02:03:17,460

by the way when I was growing up we were

2475

02:03:20,750 --> 02:03:19,080

poor so like everybody was getting rid

2476

02:03:23,450 --> 02:03:20,760

of their 8-bit computers and I was

2477

02:03:25,370 --> 02:03:23,460

buying them all and then I networked a

2478

02:03:27,050 --> 02:03:25,380

bunch of 8-bit computers together in the

2479

02:03:30,830 --> 02:03:27,060

garage and then the electric bill came

2480

02:03:35,570 --> 02:03:33,229

um and then I got into Amigas after that

2481

02:03:37,550 --> 02:03:35,580

to move to 16-bit

2482

02:03:40,430 --> 02:03:37,560

and I still have a bunch of those as

2483

02:03:43,010 --> 02:03:40,440

well you know someday I might need that

2484

02:03:44,629 --> 02:03:43,020

those old computers spooky when the

2485

02:03:47,629 --> 02:03:44,639

apocalypse comes I'll still be able to

2486

02:03:49,370 --> 02:03:47,639

play like cool games right if I keep

2487

02:03:53,149 --> 02:03:49,380

those Amigas around

2488

02:03:54,770 --> 02:03:53,159

John P Adventures uh still sending codes

2489

02:03:56,810 --> 02:03:54,780

right

2490

02:03:58,609 --> 02:03:56,820

can you tell us about Spooky's

2491

02:04:00,890 --> 02:03:58,619

conference Adventure I don't know very

2492

02:04:03,589 --> 02:04:00,900

much it didn't start yet right it

2493

02:04:06,290 --> 02:04:03,599

doesn't start tomorrow or is that

2494

02:04:08,990 --> 02:04:06,300

starting Friday I don't know I told

2495

02:04:11,390 --> 02:04:09,000

spooky to go interview some wackadus and

2496

02:04:13,189 --> 02:04:11,400

and send me the videos I'm spooky

2497

02:04:14,870 --> 02:04:13,199

supposed to be interviewing Wackadoo so

2498

02:04:17,270 --> 02:04:14,880

just walk around spooky interview

2499

02:04:19,790 --> 02:04:17,280

Wackadoo send me the video we'll have

2500

02:04:27,050 --> 02:04:19,800

the Wackadoo woo report from contact in

2501

02:04:32,330 --> 02:04:29,689

hmm upselling

2502

02:04:34,010 --> 02:04:32,340

why why I couldn't sell insurance I

2503

02:04:36,589 --> 02:04:34,020

tried but I knew they didn't need it

2504

02:04:38,870 --> 02:04:36,599

yeah I would just start hanging out

2505

02:04:40,850 --> 02:04:38,880

after the presentation yeah I was I

2506

02:04:43,729 --> 02:04:40,860

wasn't a good salesperson right yeah

2507

02:04:46,850 --> 02:04:43,739

spooky says starts Friday right

2508

02:04:49,070 --> 02:04:46,860

rope core memory wires wrapped around

2509

02:04:51,169 --> 02:04:49,080

through magnetic Donuts the size of

2510

02:04:54,229 --> 02:04:51,179

beads yeah you should have seen some of

2511

02:04:56,990 --> 02:04:54,239

my early monstrosities right

2512

02:05:00,169 --> 02:04:57,000

I'll try to ask Linda about the PS2 game

2513

02:05:02,870 --> 02:05:00,179

find somebody with a printer print out

2514

02:05:05,330 --> 02:05:02,880

the game and get her to sign it and tell

2515

02:05:07,790 --> 02:05:05,340

her that your name is Stephen cambian if

2516

02:05:09,530 --> 02:05:07,800

you got to pay well I'm not paying 50

2517

02:05:11,930 --> 02:05:09,540

bucks for her to sign that but if it's

2518

02:05:14,629 --> 02:05:11,940

like 10 bucks I'll Pay Pal you the money

2519

02:05:19,129 --> 02:05:14,639

get her to sign it right

2520

02:05:21,830 --> 02:05:19,139

uh I hear you John P Adventures but yeah

2521

02:05:23,270 --> 02:05:21,840

was tandy's Tandy started out a leather

2522

02:05:25,850 --> 02:05:23,280

store but then they started selling

2523

02:05:28,609 --> 02:05:25,860

radios and they became hugely successful

2524

02:05:30,530 --> 02:05:28,619

still sell selling radios and the person

2525

02:05:31,910 --> 02:05:30,540

running Tandy at the time figured out

2526

02:05:34,370 --> 02:05:31,920

that they were making twice as much

2527

02:05:37,129 --> 02:05:34,380

money selling radios that they were

2528

02:05:38,810 --> 02:05:37,139

selling Leather So they started they

2529

02:05:40,490 --> 02:05:38,820

pretty much phased out leather and just

2530

02:05:43,370 --> 02:05:40,500

started selling radios and electronic

2531

02:05:48,890 --> 02:05:45,709

no paid signings at the conference good

2532

02:05:50,930 --> 02:05:48,900

go up to her and say Steve cambium from

2533

02:05:54,470 --> 02:05:50,940

True Seekers says hello and he wanted

2534

02:05:57,350 --> 02:05:54,480

you to sign this just print out if you

2535

02:06:00,830 --> 02:05:57,360

pull this off and mail it to me

2536

02:06:04,129 --> 02:06:00,840

yeah I'm gonna hang it in the truth

2537

02:06:05,570 --> 02:06:04,139

Seekers office get her to sign just

2538

02:06:07,850 --> 02:06:05,580

print out

2539

02:06:09,770 --> 02:06:07,860

go get that video game cover and print

2540

02:06:12,530 --> 02:06:09,780

it out on an eight and a half sheet by

2541

02:06:14,510 --> 02:06:12,540

pay of paper and then take it to her and

2542

02:06:16,490 --> 02:06:14,520

say Steve cambium from True Seekers

2543

02:06:19,070 --> 02:06:16,500

wanted me to bring this to you and asked

2544

02:06:21,550 --> 02:06:19,080

if you could sign it for him and you

2545

02:06:25,010 --> 02:06:21,560

gotta videotape it

2546

02:06:26,570 --> 02:06:25,020

oh we're terrible people right yeah

2547

02:06:28,490 --> 02:06:26,580

Julie Caroline says I would be a

2548

02:06:30,470 --> 02:06:28,500

terrible salesperson my bad attitude

2549

02:06:33,169 --> 02:06:30,480

would kill every sale yeah that's pretty

2550

02:06:35,209 --> 02:06:33,179

much where I'm at right spaced out radio

2551

02:06:39,830 --> 02:06:35,219

is here it says happy birthday little

2552

02:06:41,689 --> 02:06:39,840

Stevie cambian well uh yeah thank you uh

2553

02:06:44,149 --> 02:06:41,699

Dave I appreciate it and I saw that you

2554

02:06:45,890 --> 02:06:44,159

had uh what's his name Stephen Bassett

2555

02:06:48,229 --> 02:06:45,900

and I wasn't busting balls but I was

2556

02:06:51,709 --> 02:06:48,239

because he said disclosures coming in a

2557

02:06:54,830 --> 02:06:51,719

few months and uh I I have a clip of him

2558

02:06:58,310 --> 02:06:54,840

saying that on my show like seven years

2559

02:07:00,649 --> 02:06:58,320

ago or something like that babe so I

2560

02:07:02,689 --> 02:07:00,659

gotta have him back though he did he did

2561

02:07:03,709 --> 02:07:02,699

good for I grilled them when he was on

2562

02:07:06,470 --> 02:07:03,719

our show

2563

02:07:08,270 --> 02:07:06,480

yeah I'm tall though yes I'm definitely

2564

02:07:11,870 --> 02:07:08,280

tall yeah

2565

02:07:14,570 --> 02:07:11,880

so boy it has been a long day and I need

2566

02:07:16,490 --> 02:07:14,580

to check on my son uh who you may have

2567

02:07:18,470 --> 02:07:16,500

heard me mention earlier was very ill

2568

02:07:21,589 --> 02:07:18,480

today because it was terrible day for

2569

02:07:24,169 --> 02:07:21,599

pollen and he's got really bad asthma so

2570

02:07:26,450 --> 02:07:24,179

he ended up into urgent care but he's

2571

02:07:28,490 --> 02:07:26,460

fine but I I want to go and check on him

2572

02:07:32,750 --> 02:07:28,500

and and the other family members with

2573

02:07:34,910 --> 02:07:32,760

the last uh hour I have here of of my

2574

02:07:37,189 --> 02:07:34,920

birthday I want to thank each and every

2575

02:07:39,589 --> 02:07:37,199

one of you for joining us oh we want to

2576
02:07:42,050 --> 02:07:39,599
uh check in with one more thing before

2577
02:07:44,689 --> 02:07:42,060
we bounce on out of here and we'll be

2578
02:07:46,430 --> 02:07:44,699
back tomorrow night 9 p.m Eastern

2579
02:07:48,950 --> 02:07:46,440
Standard Time

2580
02:07:51,770 --> 02:07:48,960
wow look at that

2581
02:07:54,709 --> 02:07:51,780
uh

2582
02:07:58,070 --> 02:07:54,719
what

2583
02:08:00,470 --> 02:07:58,080
why is it negative I had I had to pay

2584
02:08:02,209 --> 02:08:00,480
all right so

2585
02:08:05,870 --> 02:08:02,219
we want to thank all you kind and

2586
02:08:12,669 --> 02:08:05,880
generous benefactors including

2587
02:08:16,970 --> 02:08:15,830
PayPal pledge and I don't know if you

2588
02:08:18,790 --> 02:08:16,980

meant to

2589

02:08:23,629 --> 02:08:18,800

Mr Fisher

2590

02:08:30,770 --> 02:08:26,870

Bell please don't read it out

2591

02:08:34,609 --> 02:08:30,780

sorry all right Mr Fish we thank Mr fish

2592

02:08:38,030 --> 02:08:34,619

for a PayPal pledge and uh yeah

2593

02:08:40,310 --> 02:08:38,040

and we want to thank uh Dwayne uh for

2594

02:08:41,750 --> 02:08:40,320

kind and generous 1290 PayPal pledge

2595

02:08:44,089 --> 02:08:41,760

thank thanks for your kindness

2596

02:08:48,729 --> 02:08:44,099

generosity and support of the show much

2597

02:08:53,089 --> 02:08:51,169

this is red brick investigation says

2598

02:08:55,490 --> 02:08:53,099

Dear Stephen much love keep believing

2599

02:08:58,010 --> 02:08:55,500

and send cash from Linda Moulton Howe

2600

02:09:01,609 --> 02:08:58,020

yes

2601
02:09:03,290 --> 02:09:01,619
yeah absolutely I can't believe that

2602
02:09:05,990 --> 02:09:03,300
spooky might be able to get her to sign

2603
02:09:07,550 --> 02:09:06,000
the video game cover for me spooky if

2604
02:09:11,030 --> 02:09:07,560
you get that done I'm gonna I'm gonna

2605
02:09:14,209 --> 02:09:11,040
put it in a big in a big frame and I'm

2606
02:09:19,910 --> 02:09:14,219
gonna put the thumbnail from us busting

2607
02:09:22,669 --> 02:09:19,920
her scam in there with her signed

2608
02:09:23,990 --> 02:09:22,679
video game cover yeah I think this is a

2609
02:09:27,470 --> 02:09:24,000
great idea

2610
02:09:29,450 --> 02:09:27,480
okay so we have done our due diligence

2611
02:09:31,790 --> 02:09:29,460
uh I want to thank each and every one of

2612
02:09:35,209 --> 02:09:31,800
you for joining us I'm going to play us

2613
02:09:39,530 --> 02:09:35,219

out with the truth Seekers classic

2614

02:09:42,229 --> 02:09:39,540

and that would be for the UFO

2615

02:09:44,450 --> 02:09:42,239

of course now I can't find it

2616

02:09:47,930 --> 02:09:44,460

Story of My Life

2617

02:09:50,450 --> 02:09:47,940

I had some I had something to uh to play

2618

02:09:52,729 --> 02:09:50,460

the show out with and now of course I

2619

02:09:55,729 --> 02:09:52,739

can't find it oh the channeling step yes

2620

02:09:59,270 --> 02:09:55,739

so we want to thank simonfly uh Stephen

2621

02:10:02,390 --> 02:09:59,280

Green Street we played his piece here

2622

02:10:04,790 --> 02:10:02,400

um Lou Jimenez found that clip of the uh

2623

02:10:06,709 --> 02:10:04,800

idiot talking about Kirkpatrick because

2624

02:10:10,910 --> 02:10:06,719

he's not happy right

2625

02:10:13,310 --> 02:10:10,920

uh yeah oh I found it good so we'll play

2626
02:10:15,770 --> 02:10:13,320
us out with some wonderful true Seekers

2627
02:10:18,250 --> 02:10:15,780
classic music from simonfly it's called

2628
02:10:21,350 --> 02:10:18,260
Circle jerker step

2629
02:10:23,089 --> 02:10:21,360
by simonfly I want to thank each and

2630
02:10:24,470 --> 02:10:23,099
every one of you for joining us we want

2631
02:10:27,050 --> 02:10:24,480
to thank Our Kind and Generous

2632
02:10:29,089 --> 02:10:27,060
benefactors our patreon supporters our

2633
02:10:31,570 --> 02:10:29,099
channel members super chatter super

2634
02:10:34,729 --> 02:10:31,580
thanks people super sticker people

2635
02:10:36,589 --> 02:10:34,739
PayPal pledgers you twitch subscribers

2636
02:10:39,169 --> 02:10:36,599
and all of you for your kindness

2637
02:10:41,030 --> 02:10:39,179
generosity and support thank you all for

2638
02:10:44,709 --> 02:10:41,040

being here we'll be back tomorrow night

2639

02:10:47,149 --> 02:10:44,719

9 p.m Eastern Standard Time until then

2640

02:10:51,410 --> 02:10:47,159

uh that's all I got for you friends I'm

2641

02:10:53,270 --> 02:10:51,420

gonna go enjoy the last uh 49 minutes of

2642

02:10:55,250 --> 02:10:53,280

my birthday thank you all for being here

2643

02:10:57,410 --> 02:10:55,260

with me and thank you all for helping to

2644

02:10:59,930 --> 02:10:57,420

make it a special day for me I

2645

02:11:01,669 --> 02:10:59,940

appreciate it immensely so that's all we

2646

02:11:03,589 --> 02:11:01,679

got for your friends until next time my

2647

02:11:07,189 --> 02:11:03,599

name is Stephen Camby and good night and

2648

02:11:10,129 --> 02:11:07,199

God bless all of you I as no one in the

2649

02:11:13,850 --> 02:11:10,139

UFO Community showed you the truth

2650

02:11:16,910 --> 02:11:13,860

garbage pattern replied has no one in

2651
02:11:20,750 --> 02:11:16,920
the UFO Community showed you the truth

2652
02:11:24,729 --> 02:11:20,760
garbage paddle applied has no one in the

2653
02:11:28,310 --> 02:11:24,739
UFO Community showed you the truth

2654
02:11:33,470 --> 02:11:28,320
mine as no one in New York building

2655
02:12:05,960 --> 02:12:02,530
[Music]

2656
02:12:33,070 --> 02:12:05,970
alien technology

2657
02:12:35,190 --> 02:12:33,080
[Music]

2658
02:12:46,750 --> 02:12:35,200
the [h__\h]

2659
02:12:53,589 --> 02:12:46,760
[Music]

2660
02:12:58,080 --> 02:12:57,109
he is lying he is lying he is lying he

2661
02:13:00,550 --> 02:12:58,090
is lying

2662
02:13:04,920 --> 02:13:00,560
[Music]

2663
02:13:07,390 --> 02:13:04,930

he is lying he is lying he is lying

2664

02:13:11,760 --> 02:13:07,400

[Music]

2665

02:13:14,109 --> 02:13:11,770

he is lying he is lying he is lying

2666

02:13:21,370 --> 02:13:14,119

[Music]

2667

02:13:28,089 --> 02:13:25,970

why as no one in the UFO Community show

2668

02:13:31,910 --> 02:13:28,099

you the truth

2669

02:13:34,990 --> 02:13:31,920

why and has no one in the UFO Community

2670

02:13:41,950 --> 02:13:35,000

show you the truth

2671

02:13:41,960 --> 02:13:48,950

[Music]

2672

02:14:52,510 --> 02:13:50,660

hi
