13
00:04:17,390 --> 00:04:14,869

greetings and salutations friends and

14

00:04:21,170 --> 00:04:17,400

welcome back uh tonight we are going to

15

00:04:25,310 --> 00:04:21,180

be bringing you a very exclusive story a

16

00:04:27,890 --> 00:04:25,320

story that no one else has and today I

17

00:04:29,770 --> 00:04:27,900

was quite honestly surprised and left

18

00:04:33,290 --> 00:04:29,780

wondering

19

00:04:37,610 --> 00:04:33,300

why do we live in a world of copy and

20

00:04:41,390 --> 00:04:37,620

paste journalism and what do I mean well

21

00:04:43,249 --> 00:04:41,400

uh if you Google this new alleged UFO

22

00:04:46,909 --> 00:04:43,259

whistleblower's name

23

00:04:50,510 --> 00:04:46,919

you will find hundreds of cut and copy

24

00:04:53,570 --> 00:04:50,520

and paste articles all just copying and

25

00:04:55,370 --> 00:04:53,580

pasting things from the original debrief

26

00:04:58,370 --> 00:04:55,380

release

27

00:05:01,790 --> 00:04:58,380

which I find incredibly disappointing

28

00:05:03,230 --> 00:05:01,800

we make it our policy here to try at

29

00:05:05,689 --> 00:05:03,240

least if we're going to cover a story

30

00:05:08,390 --> 00:05:05,699

that other people broke first to bring

31

00:05:10,969 --> 00:05:08,400

new information to the table to do some

32

00:05:13,430 --> 00:05:10,979

investigative work to bring something

33

00:05:16,490 --> 00:05:13,440

new to the story

34

00:05:20,210 --> 00:05:16,500

and sadly it seems like even big media

35

00:05:24,650 --> 00:05:20,220

Outlets uh are just copying and pasting

36

00:05:27,290 --> 00:05:24,660

the story uh and we have seen today an

37

00:05:29,150 --> 00:05:27,300

increase in the number of media Outlets

38

00:05:31,370 --> 00:05:29,160

who are

39

00:05:35,270 --> 00:05:31,380

taking this story and running with it

40

00:05:38,390 --> 00:05:35,280

but unfortunately I have not found one

41

00:05:40,850 --> 00:05:38,400

media Outlet not an independent media

42

00:05:41,870 --> 00:05:40,860

Outlet not an alt media Outlet not a

43

00:05:45,469 --> 00:05:41,880

major

44

00:05:47,270 --> 00:05:45,479

you know Legacy I call television Legacy

45

00:05:49,850 --> 00:05:47,280

Legacy Media Outlet

46

00:05:53,330 --> 00:05:49,860

none of the people who are covering this

47

00:05:56,270 --> 00:05:53,340

story of this alleged UFO whistleblower

48

00:05:58,550 --> 00:05:56,280

or adding any new information to the

49

00:06:01,730 --> 00:05:58,560

table and I think that that is

50

00:06:04,310 --> 00:06:01,740

incredibly uh sad it's a sad world we

51
00:06:06,110 --> 00:06:04,320
live in where people just copy and paste

52
00:06:07,670 --> 00:06:06,120
from the original story you know add a

53
00:06:10,670 --> 00:06:07,680
few lines in there so that we can say

54
00:06:13,610 --> 00:06:10,680
it's a transformative work but no new

55
00:06:16,370 --> 00:06:13,620
information being brought and I wondered

56
00:06:18,950 --> 00:06:16,380
why some of these media outlets for

57
00:06:21,050 --> 00:06:18,960
example Vice or others and by the way

58
00:06:22,790 --> 00:06:21,060
that's probably a bad example I'm not

59
00:06:24,950 --> 00:06:22,800
specifically aware of Vice covering the

60
00:06:27,230 --> 00:06:24,960
story but I mean them in his example or

61
00:06:30,230 --> 00:06:27,240
Fox News or

62
00:06:33,529 --> 00:06:30,240
um you know redacted uh some of these

63
00:06:35,029 --> 00:06:33,539

bigger YouTube channels as well they're

64

00:06:37,189 --> 00:06:35,039

just copying and pasting the story

65

00:06:40,070 --> 00:06:37,199

they're not bringing any new information

66

00:06:43,249 --> 00:06:40,080

to the story luckily

67

00:06:44,870 --> 00:06:43,259

I happen to have some friends in the

68

00:06:48,110 --> 00:06:44,880

Canadian media

69

00:06:50,749 --> 00:06:48,120

and uh reached out to them

70

00:06:52,790 --> 00:06:50,759

or I should say one reached out to me

71

00:06:57,050 --> 00:06:52,800

and then I started reaching out to other

72

00:06:59,689 --> 00:06:57,060

members of the Canadian media that I am

73

00:07:03,830 --> 00:06:59,699

familiar with and friendly with

74

00:07:06,230 --> 00:07:03,840

and uh was given this information in

75

00:07:09,469 --> 00:07:06,240

this exclusive story tonight by multiple

76

00:07:12,790 --> 00:07:09,479

sources most of which are from the

77

00:07:15,290 --> 00:07:12,800

Canadian media members and interestingly

78

00:07:18,830 --> 00:07:15,300

uh some people were given this

79

00:07:20,930 --> 00:07:18,840

information in the Canadian media

80

00:07:22,969 --> 00:07:20,940

um but as you can imagine they thought

81

00:07:24,589 --> 00:07:22,979

it was a Fantastical story and they

82

00:07:27,770 --> 00:07:24,599

couldn't believe that what they were

83

00:07:29,930 --> 00:07:27,780

hearing was actually said in closed-door

84

00:07:31,670 --> 00:07:29,940

meetings with members of the Canadian

85

00:07:34,969 --> 00:07:31,680

Parliament

86

00:07:38,150 --> 00:07:34,979

um but it would appear that yes exactly

87

00:07:40,730 --> 00:07:38,160

this is what happened that members of

88

00:07:43,969 --> 00:07:40,740

the command Canadian Parliament met with

89

00:07:46,370 --> 00:07:43,979

this man David Gersh and several other

90

00:07:48,770 --> 00:07:46,380

people you may be familiar with

91

00:07:51,529 --> 00:07:48,780

but before we begin tonight's exclusive

92

00:07:53,870 --> 00:07:51,539

new story on this alleged UFO

93

00:07:56,629 --> 00:07:53,880

whistleblower just a correction from

94

00:08:00,589 --> 00:07:56,639

last night because it would appear uh

95

00:08:03,430 --> 00:08:00,599

that last night I made quite an error

96

00:08:07,249 --> 00:08:03,440

well uh an error in naming someone

97

00:08:09,529 --> 00:08:07,259

because John Mack and Bud Hopkins uh are

98

00:08:12,710 --> 00:08:09,539

two of perhaps the most famous alien

99

00:08:14,990 --> 00:08:12,720

abduction researchers in history and I

100

00:08:17,689 --> 00:08:15,000

often confuse their names and so I did

101
00:08:20,570 --> 00:08:17,699
so last night but names are important as

102
00:08:23,749 --> 00:08:20,580
well as facts so just a correction last

103
00:08:27,529 --> 00:08:23,759
night I incorrectly stated that Leslie

104
00:08:30,890 --> 00:08:27,539
Keane had a romantic relationship with

105
00:08:32,690 --> 00:08:30,900
John Mack that was incorrect she did not

106
00:08:34,490 --> 00:08:32,700
have a romantic relationship with John

107
00:08:37,130 --> 00:08:34,500
Mack she had a romantic relationship

108
00:08:39,350 --> 00:08:37,140
with the other famous UFO Abduction

109
00:08:41,750 --> 00:08:39,360
researcher Bud Hopkins she had a

110
00:08:44,570 --> 00:08:41,760
long-term romantic relationship with Bud

111
00:08:47,930 --> 00:08:44,580
Hopkins not John Mack she also lived

112
00:08:50,150 --> 00:08:47,940
with Bud Hopkins for years so please uh

113
00:08:53,210 --> 00:08:50,160

forgive my confusing though those two

114

00:08:54,769 --> 00:08:53,220

and and uh it won't happen again you

115

00:08:57,170 --> 00:08:54,779

know a good part of making a mistake

116

00:09:00,170 --> 00:08:57,180

like that is next time I will get it

117

00:09:01,670 --> 00:09:00,180

straight so on to tonight's exclusive

118

00:09:05,690 --> 00:09:01,680

new story

119

00:09:08,090 --> 00:09:05,700

David grush is a former military officer

120

00:09:11,329 --> 00:09:08,100

and intelligence officer who made

121

00:09:13,550 --> 00:09:11,339

Fantastical claims recently he claimed

122

00:09:16,009 --> 00:09:13,560

that there are illegal secret projects

123

00:09:19,910 --> 00:09:16,019

involving the recovery of non-human

124

00:09:22,910 --> 00:09:19,920

craft including debris intact craft and

125

00:09:25,670 --> 00:09:22,920

even perhaps non-human bodies from those

126
00:09:27,410 --> 00:09:25,680
alleged crashes

127
00:09:29,630 --> 00:09:27,420
he claimed he was told this information

128
00:09:31,790 --> 00:09:29,640
from other high-ranking intelligence

129
00:09:34,310 --> 00:09:31,800
people who claimed to be involved with

130
00:09:35,990 --> 00:09:34,320
these projects and that these projects

131
00:09:41,570 --> 00:09:36,000
were being kept

132
00:09:46,130 --> 00:09:43,670
now um

133
00:09:49,070 --> 00:09:46,140
he additionally claimed that he was

134
00:09:50,930 --> 00:09:49,080
given documents and oral testimony from

135
00:09:53,870 --> 00:09:50,940
these other Intelligence Officers as

136
00:09:55,790 --> 00:09:53,880
proof but has yet to make this so-called

137
00:09:58,190 --> 00:09:55,800
proof public

138
00:10:00,290 --> 00:09:58,200

uh and now we know a little more about

139

00:10:02,210 --> 00:10:00,300

why because apparently the defense

140

00:10:04,250 --> 00:10:02,220

department cleared him to talk about

141

00:10:08,449 --> 00:10:04,260

what he wanted to talk about but not use

142

00:10:10,790 --> 00:10:08,459

any pictures or visual aids uh so that

143

00:10:13,730 --> 00:10:10,800

may be why we did not get to see any

144

00:10:15,889 --> 00:10:13,740

pictures of alien spacecraft pictures of

145

00:10:18,290 --> 00:10:15,899

alien bodies I'm not aware that he has

146

00:10:20,990 --> 00:10:18,300

them but that would sure be interesting

147

00:10:23,329 --> 00:10:21,000

to see and I think would go a long way

148

00:10:25,310 --> 00:10:23,339

in convincing people that this man's

149

00:10:28,130 --> 00:10:25,320

information is actually valid and

150

00:10:31,850 --> 00:10:28,140

correct and not just another chase the

151

00:10:34,550 --> 00:10:31,860

UFO alien carrot story like we've all

152

00:10:37,550 --> 00:10:34,560

heard a thousand times before

153

00:10:40,730 --> 00:10:37,560

now as far as uh David Crush in his

154

00:10:43,370 --> 00:10:40,740

history I began yesterday trying to dig

155

00:10:46,009 --> 00:10:43,380

into this man's background and history

156

00:10:49,850 --> 00:10:46,019

and strangely I noticed while Googling

157

00:10:51,050 --> 00:10:49,860

his name David Grouch uh something very

158

00:10:53,449 --> 00:10:51,060

strange

159

00:10:55,730 --> 00:10:53,459

and that was that his former life seems

160

00:10:59,930 --> 00:10:55,740

to have been scrubbed entirely from the

161

00:11:04,009 --> 00:10:59,940

internet now I found uh various examples

162

00:11:06,470 --> 00:11:04,019

of this and it appears that in April

163

00:11:08,210 --> 00:11:06,480

David grush this alleged UFO

164

00:11:10,009 --> 00:11:08,220

whistleblower resigned from his

165

00:11:12,730 --> 00:11:10,019

government position and planned to go

166

00:11:15,590 --> 00:11:12,740

public as a so-called UFO whistleblowers

167

00:11:17,990 --> 00:11:15,600

and talk about these matters

168

00:11:20,210 --> 00:11:18,000

perhaps because of his plans to soon go

169

00:11:22,550 --> 00:11:20,220

public it appears that Mr Grouch started

170

00:11:24,490 --> 00:11:22,560

wiping every mention of himself and

171

00:11:27,650 --> 00:11:24,500

picture of himself from the internet

172

00:11:29,690 --> 00:11:27,660

sometime in early May we've been able to

173

00:11:32,170 --> 00:11:29,700

find multiple examples of websites

174

00:11:35,870 --> 00:11:32,180

related mostly to his business ventures

175

00:11:38,810 --> 00:11:35,880

where he or someone deleted those pages

176

00:11:40,990 --> 00:11:38,820

and pictures and the information they

177

00:11:43,670 --> 00:11:41,000

contained were deleted

178

00:11:46,310 --> 00:11:43,680

but luckily because of the way back

179

00:11:49,730 --> 00:11:46,320

machines and things like Google cachet

180

00:11:52,550 --> 00:11:49,740

we're able to find that information

181

00:11:53,750 --> 00:11:52,560

um but to be quite honest with you I'm

182

00:11:56,750 --> 00:11:53,760

not sure that this is something

183

00:11:59,630 --> 00:11:56,760

important uh these were things such as

184

00:12:02,509 --> 00:11:59,640

pages of a business that he apparently

185

00:12:03,590 --> 00:12:02,519

owned with his wife doing mobile notary

186

00:12:06,590 --> 00:12:03,600

work

187

00:12:09,949 --> 00:12:06,600

in the Colorado Springs area or being a

188

00:12:13,670 --> 00:12:09,959

real estate agent in the Colorado region

189

00:12:17,449 --> 00:12:13,680

I'm not sure why he or someone related

190

00:12:19,850 --> 00:12:17,459

to him or associated with him or

191

00:12:21,949 --> 00:12:19,860

I'm not sure if it was him who deleted

192

00:12:24,170 --> 00:12:21,959

those pages it's hard to it's hard to

193

00:12:26,930 --> 00:12:24,180

make that determination uh without

194

00:12:29,410 --> 00:12:26,940

having him available to ask questions to

195

00:12:32,350 --> 00:12:29,420

so we don't know who deleted those pages

196

00:12:35,990 --> 00:12:32,360

those pictures and that information

197

00:12:38,090 --> 00:12:36,000

and In fairness to Mr Grouch it could

198

00:12:40,190 --> 00:12:38,100

just be to he did this to protect his

199

00:12:42,949 --> 00:12:40,200

privacy and the privacy of his family

200

00:12:46,009 --> 00:12:42,959

something that I certainly don't fault

201
00:12:49,129 --> 00:12:46,019
him for however uh the other side of the

202
00:12:51,290 --> 00:12:49,139
coin is uh you know I remember thinking

203
00:12:54,590 --> 00:12:51,300
why would you delete your entire history

204
00:12:56,449 --> 00:12:54,600
off the internet unless perhaps another

205
00:12:58,790 --> 00:12:56,459
possibility is that you were attempting

206
00:13:02,110 --> 00:12:58,800
to stop people from looking into your

207
00:13:06,110 --> 00:13:02,120
background and again uh it would appear

208
00:13:10,790 --> 00:13:06,120
that this information was scrubbed from

209
00:13:13,129 --> 00:13:10,800
the internet shortly before uh

210
00:13:15,769 --> 00:13:13,139
shortly before he came out as a

211
00:13:18,350 --> 00:13:15,779
so-called whistleblower so

212
00:13:21,290 --> 00:13:18,360
um I'm just gonna share my screen here

213
00:13:22,850 --> 00:13:21,300

and give you uh one example this is a

214

00:13:25,790 --> 00:13:22,860

page that was deleted from the internet

215

00:13:27,949 --> 00:13:25,800

shortly after May 2nd

216

00:13:29,690 --> 00:13:27,959

it says David Grouch David and his wife

217

00:13:31,790 --> 00:13:29,700

are former military family that have

218

00:13:33,350 --> 00:13:31,800

found a home in Colorado David is our

219

00:13:36,050 --> 00:13:33,360

go-to guy for the mountain town

220

00:13:37,670 --> 00:13:36,060

transactions on our team there is

221

00:13:39,829 --> 00:13:37,680

nowhere that he wouldn't drive to to get

222

00:13:41,930 --> 00:13:39,839

the job done on their days off David and

223

00:13:44,210 --> 00:13:41,940

his wife enjoy hiking and the outdoors

224

00:13:47,269 --> 00:13:44,220

well that's something that I'm familiar

225

00:13:50,569 --> 00:13:47,279

with and and would certainly uh agree

226

00:13:52,970 --> 00:13:50,579

with him on so this is a page where he

227

00:13:54,650 --> 00:13:52,980

provided mobile notary services for

228

00:13:57,170 --> 00:13:54,660

those unaware if you need a notary

229

00:13:58,970 --> 00:13:57,180

public somebody to notarize something

230

00:14:01,430 --> 00:13:58,980

for you there are people that will drive

231

00:14:04,490 --> 00:14:01,440

right to your home and and put that

232

00:14:06,829 --> 00:14:04,500

stamp on legal documents for you

233

00:14:08,329 --> 00:14:06,839

being involved in real estate it kind of

234

00:14:09,889 --> 00:14:08,339

makes sense that he would also be a

235

00:14:12,110 --> 00:14:09,899

notary many people who are real estate

236

00:14:13,490 --> 00:14:12,120

agents are also notaries so that they

237

00:14:14,870 --> 00:14:13,500

don't have to hassle themselves getting

238

00:14:18,110 --> 00:14:14,880

things notarized they just do it

239

00:14:22,069 --> 00:14:18,120

themselves once uh legally able to do

240

00:14:25,970 --> 00:14:22,079

that but why would this man wipe a

241

00:14:28,009 --> 00:14:25,980

record of him being a mobile notary

242

00:14:31,250 --> 00:14:28,019

um it doesn't really make sense to me

243

00:14:34,250 --> 00:14:31,260

and I'm going to show you after shortly

244

00:14:37,610 --> 00:14:34,260

after May 2nd and I have multiple

245

00:14:40,310 --> 00:14:37,620

examples of this shortly after May 2nd

246

00:14:41,990 --> 00:14:40,320

this page was deleted from the internet

247

00:14:44,449 --> 00:14:42,000

we were able to get it through Google

248

00:14:45,710 --> 00:14:44,459

cache

249

00:14:47,930 --> 00:14:45,720

but

250

00:14:51,110 --> 00:14:47,940

I I just want to make sure that we're

251
00:14:54,889 --> 00:14:51,120
clear I don't know why this man deleted

252
00:14:57,470 --> 00:14:54,899
all pages related to his businesses and

253
00:15:00,470 --> 00:14:57,480
and other things I also did a very deep

254
00:15:03,350 --> 00:15:00,480
search for social media sites and found

255
00:15:05,389 --> 00:15:03,360
none uh now this could be because he's

256
00:15:07,069 --> 00:15:05,399
never had social media sites I have a

257
00:15:10,550 --> 00:15:07,079
few friends that refuse to go on Twitter

258
00:15:12,170 --> 00:15:10,560
Tick Tock uh Instagram Facebook they

259
00:15:14,030 --> 00:15:12,180
just refused to do it and you know

260
00:15:16,250 --> 00:15:14,040
they're probably better men for it

261
00:15:18,410 --> 00:15:16,260
because it's a huge time drain on many

262
00:15:21,170 --> 00:15:18,420
people sitting there scrolling social

263
00:15:24,230 --> 00:15:21,180

media during the day

264

00:15:26,509 --> 00:15:24,240

um I'm not sure if he had social media

265

00:15:28,850 --> 00:15:26,519

sites and deleted them but I was unable

266

00:15:31,490 --> 00:15:28,860

to find any any social media sites

267

00:15:34,910 --> 00:15:31,500

whatsoever for him which today in

268

00:15:38,269 --> 00:15:34,920

today's modern world of everybody being

269

00:15:41,810 --> 00:15:38,279

on social media is a little bit strange

270

00:15:42,410 --> 00:15:41,820

uh to me it's a little bit strange

271

00:15:44,569 --> 00:15:42,420

um

272

00:15:47,810 --> 00:15:44,579

but it could be that he just never had

273

00:15:48,829 --> 00:15:47,820

social media sites what I can verify is

274

00:15:51,590 --> 00:15:48,839

that

275

00:15:53,990 --> 00:15:51,600

all mentions of this man being a mobile

276

00:15:56,269 --> 00:15:54,000

notary and also this man being a real

277

00:15:58,310 --> 00:15:56,279

estate agent in Colorado were scrubbed

278

00:16:00,470 --> 00:15:58,320

from the internet shortly before he went

279

00:16:05,030 --> 00:16:00,480

public with his story

280

00:16:07,009 --> 00:16:05,040

so one can speculate as to why he did

281

00:16:09,290 --> 00:16:07,019

that without benefit of being able to

282

00:16:12,290 --> 00:16:09,300

ask him myself all we can do is

283

00:16:13,850 --> 00:16:12,300

speculate and people are speculating and

284

00:16:15,769 --> 00:16:13,860

some people are speculating that he did

285

00:16:17,689 --> 00:16:15,779

that to prevent anybody from finding out

286

00:16:19,430 --> 00:16:17,699

anything about his background he just

287

00:16:22,370 --> 00:16:19,440

wants the story that he's putting

288

00:16:25,129 --> 00:16:22,380

forward that information out there and

289

00:16:27,850 --> 00:16:25,139

no other information about his life his

290

00:16:31,730 --> 00:16:27,860

history his family or whatever

291

00:16:34,310 --> 00:16:31,740

but again having experienced becoming a

292

00:16:37,030 --> 00:16:34,320

public person through this show

293

00:16:40,189 --> 00:16:37,040

I can't blame anybody

294

00:16:42,410 --> 00:16:40,199

who was not a public person decided to

295

00:16:44,269 --> 00:16:42,420

become a public person I can't blame him

296

00:16:47,810 --> 00:16:44,279

I really can't blame him for scrubbing

297

00:16:49,670 --> 00:16:47,820

his his stuff from the internet

298

00:16:52,189 --> 00:16:49,680

um unfortunately

299

00:16:54,650 --> 00:16:52,199

uh all the attention that this man is

300

00:16:57,170 --> 00:16:54,660

going to be getting people would

301
00:16:58,550 --> 00:16:57,180
probably find him maybe some wackadus

302
00:17:00,410 --> 00:16:58,560
would show up on his front door to talk

303
00:17:02,569 --> 00:17:00,420
to him about the alien spaceships who

304
00:17:05,090 --> 00:17:02,579
knows maybe out of an abundance of

305
00:17:07,549 --> 00:17:05,100
caution he did that but it's worth

306
00:17:11,569 --> 00:17:07,559
noting uh that if we get this timeline

307
00:17:14,870 --> 00:17:11,579
correct this man apparently retired from

308
00:17:17,329 --> 00:17:14,880
his government job in April and then

309
00:17:20,630 --> 00:17:17,339
sometime in early May decided to scrub

310
00:17:22,490 --> 00:17:20,640
all of the information available once

311
00:17:25,309 --> 00:17:22,500
available about him on the internet

312
00:17:26,390 --> 00:17:25,319
decided to scrub all of it

313
00:17:29,810 --> 00:17:26,400

um

314

00:17:32,150 --> 00:17:29,820

and again I'm not sure why that was done

315

00:17:35,570 --> 00:17:32,160

but it's I think it's it's a part of the

316

00:17:37,490 --> 00:17:35,580

story that people should be aware of

317

00:17:39,470 --> 00:17:37,500

um you know part of me thinks if you're

318

00:17:41,630 --> 00:17:39,480

going to be transparent you wouldn't do

319

00:17:42,650 --> 00:17:41,640

that if you're really on the level and

320

00:17:43,909 --> 00:17:42,660

honest and you're going to be

321

00:17:46,669 --> 00:17:43,919

transparent

322

00:17:48,950 --> 00:17:46,679

you wouldn't try to conceal things from

323

00:17:51,110 --> 00:17:48,960

your background from people who are

324

00:17:53,150 --> 00:17:51,120

trying to background you know do some

325

00:17:56,810 --> 00:17:53,160

background checking

326

00:17:59,390 --> 00:17:56,820

um while working on your story now it's

327

00:18:02,450 --> 00:17:59,400

also interesting however that some

328

00:18:05,150 --> 00:18:02,460

people uh this comes from Jeff Knox

329

00:18:07,549 --> 00:18:05,160

we're able to find some mentions of him

330

00:18:09,650 --> 00:18:07,559

that he was not able

331

00:18:11,270 --> 00:18:09,660

um to scrub from the internet and these

332

00:18:14,870 --> 00:18:11,280

are related to his government service

333

00:18:16,610 --> 00:18:14,880

and here is where it gets interesting

334

00:18:19,330 --> 00:18:16,620

because

335

00:18:20,930 --> 00:18:19,340

apparently

336

00:18:25,970 --> 00:18:20,940

this

337

00:18:29,150 --> 00:18:25,980

is a mention of him uh relating to

338

00:18:35,390 --> 00:18:29,160

space force and not just space force but

339

00:18:37,390 --> 00:18:35,400

also relating to the uh X-37B

340

00:18:40,190 --> 00:18:37,400

um third space experiment

341

00:18:42,169 --> 00:18:40,200

experimentation Squadron the third SES

342

00:18:44,330 --> 00:18:42,179

is space Force's Premier Organization

343

00:18:48,230 --> 00:18:44,340

for conducting space-based demonstration

344

00:18:51,470 --> 00:18:48,240

and experimentation and here is where it

345

00:18:54,529 --> 00:18:51,480

got interesting for me because uh the

346

00:18:57,890 --> 00:18:54,539

third space experimentation Squadron is

347

00:19:01,190 --> 00:18:57,900

also responsible for something that I am

348

00:19:03,289 --> 00:19:01,200

intimately interested in and that is the

349

00:19:12,350 --> 00:19:03,299

X-37B

350

00:19:15,529 --> 00:19:12,360

experimental space shuttle like uh it's

351

00:19:16,669 --> 00:19:15,539

it's it's a spacecraft and this

352

00:19:22,310 --> 00:19:16,679

spacecraft

353

00:19:24,650 --> 00:19:22,320

is in my opinion absolute 100 proof of a

354

00:19:27,049 --> 00:19:24,660

secret space program when people say

355

00:19:30,350 --> 00:19:27,059

there is no secret space program I

356

00:19:34,669 --> 00:19:30,360

always tell them to look up the X-37B

357

00:19:37,370 --> 00:19:34,679

this is very very important because

358

00:19:41,029 --> 00:19:37,380

essentially this means that this man

359

00:19:42,529 --> 00:19:41,039

David Rush was involved in the secret

360

00:19:44,750 --> 00:19:42,539

space program

361

00:19:46,730 --> 00:19:44,760

and uh I know that may be a bit of a

362

00:19:50,450 --> 00:19:46,740

stretch for some but when you are

363

00:19:52,970 --> 00:19:50,460

intimately aware of this X-37B platform

364

00:19:56,710 --> 00:19:52,980

and what they are doing with it well I'm

365

00:19:59,330 --> 00:19:56,720

not intimately aware I am

366

00:20:03,049 --> 00:19:59,340

interested in what it is that they're

367

00:20:06,350 --> 00:20:03,059

doing with this X-37B essentially this

368

00:20:07,850 --> 00:20:06,360

is like a drone space shuttle uh but the

369

00:20:09,770 --> 00:20:07,860

difference between the space shuttle and

370

00:20:12,350 --> 00:20:09,780

this thing is that this does long-term

371

00:20:16,010 --> 00:20:12,360

space missions and they leave this thing

372

00:20:19,789 --> 00:20:16,020

up in orbit for literally years at a

373

00:20:21,289 --> 00:20:19,799

time and no one is allowed to know what

374

00:20:24,169 --> 00:20:21,299

it's doing up there

375

00:20:26,990 --> 00:20:24,179

many people have theorized that this

376

00:20:29,890 --> 00:20:27,000

thing is servicing spy satellites many

377

00:20:33,230 --> 00:20:29,900

people have theorized that this thing is

378

00:20:35,510 --> 00:20:33,240

monitoring foreign or adversarial

379

00:20:38,390 --> 00:20:35,520

satellite technology

380

00:20:40,250 --> 00:20:38,400

uh or space launches observing space

381

00:20:42,470 --> 00:20:40,260

launches of our adversaries like the

382

00:20:44,210 --> 00:20:42,480

Russians the Chinese and even the

383

00:20:46,130 --> 00:20:44,220

Indians

384

00:20:48,770 --> 00:20:46,140

um from you know

385

00:20:50,630 --> 00:20:48,780

so I just think it's interesting this

386

00:20:54,890 --> 00:20:50,640

man David Crush

387

00:20:59,090 --> 00:20:54,900

does this add to his credibility to be

388

00:21:02,270 --> 00:20:59,100

in or knowledgeable of secret projects I

389

00:21:05,090 --> 00:21:02,280

have to be honest and say yes it does he

390

00:21:10,909 --> 00:21:05,100

is involved in the very group that

391

00:21:13,010 --> 00:21:10,919

handles uh this X-37B secret spacecraft

392

00:21:14,990 --> 00:21:13,020

um and we can argue whether there's a

393

00:21:18,110 --> 00:21:15,000

secret space program I don't argue with

394

00:21:20,570 --> 00:21:18,120

people I tell them to look up this exact

395

00:21:23,150 --> 00:21:20,580

thing that this man was involved with

396

00:21:25,370 --> 00:21:23,160

apparently or allegedly well not

397

00:21:29,450 --> 00:21:25,380

allegedly he's on the list he was

398

00:21:31,250 --> 00:21:29,460

definitely involved in uh secret space

399

00:21:34,909 --> 00:21:31,260

projects for the United States

400

00:21:39,049 --> 00:21:34,919

government including these experimental

401

00:21:40,909 --> 00:21:39,059

flights of the X-37B which again this

402

00:21:43,850 --> 00:21:40,919

thing stays in orbit for years at a time

403

00:21:46,610 --> 00:21:43,860

and none of us uh you know peasants us

404

00:21:47,930 --> 00:21:46,620

taxpayers are allowed to know what is it

405

00:21:51,289 --> 00:21:47,940

doing up there for years at a time

406

00:21:53,870 --> 00:21:51,299

nobody knows not definitively people

407

00:21:56,090 --> 00:21:53,880

have theorized many things including I'm

408

00:21:57,710 --> 00:21:56,100

aware of aircraft and Aerospace

409

00:21:59,270 --> 00:21:57,720

historians who have told me different

410

00:22:02,210 --> 00:21:59,280

things about what that thing's really

411

00:22:04,430 --> 00:22:02,220

doing up there but mostly it's

412

00:22:08,110 --> 00:22:04,440

speculation only the people directly

413

00:22:10,909 --> 00:22:08,120

involved in this project people like him

414

00:22:13,669 --> 00:22:10,919

this so-called or alleged UFO

415

00:22:17,149 --> 00:22:13,679

whistleblower David grush would know

416

00:22:18,649 --> 00:22:17,159

what this thing is doing and uh I just

417

00:22:20,810 --> 00:22:18,659

think that's an interesting part of the

418

00:22:22,909 --> 00:22:20,820

story now

419

00:22:25,730 --> 00:22:22,919

um the reason that he couldn't I

420

00:22:26,870 --> 00:22:25,740

apparently wipe that information from

421

00:22:29,270 --> 00:22:26,880

the Internet is because it was on

422

00:22:32,330 --> 00:22:29,280

government websites not websites that he

423

00:22:36,169 --> 00:22:32,340

owned or had administrator access to or

424

00:22:39,590 --> 00:22:36,179

the ability to delete anything now

425

00:22:44,210 --> 00:22:39,600

let's get back to uh the the actual

426

00:22:48,169 --> 00:22:44,220

story here our exclusive story of uh

427

00:22:52,190 --> 00:22:48,179

alleged UFO whistleblower Dave groosh

428

00:22:54,409 --> 00:22:52,200

uh meeting with members of the Canadian

429

00:22:57,230 --> 00:22:54,419

Parliament I have this confirmed today

430

00:23:00,110 --> 00:22:57,240

from multiple sources all of which were

431

00:23:03,590 --> 00:23:00,120

members of the Canadian media one of

432

00:23:05,450 --> 00:23:03,600

which who covers the Canadian government

433

00:23:07,430 --> 00:23:05,460

um and and like I said perhaps because

434

00:23:10,730 --> 00:23:07,440

of his plans to soon go public it

435

00:23:12,409 --> 00:23:10,740

appears that Mr grush uh started wiping

436

00:23:14,570 --> 00:23:12,419

every mention of himself from the

437

00:23:16,130 --> 00:23:14,580

internet in early may but we've been

438

00:23:20,029 --> 00:23:16,140

able to find multiple examples of

439

00:23:20,810 --> 00:23:20,039

websites where they were deleted

440

00:23:22,549 --> 00:23:20,820

um

441

00:23:25,010 --> 00:23:22,559

to be clear I think it's important to

442

00:23:26,690 --> 00:23:25,020

note that for whatever reason Mr grush

443

00:23:28,789 --> 00:23:26,700

deleted

444

00:23:31,730 --> 00:23:28,799

pictures of himself and information

445

00:23:33,350 --> 00:23:31,740

about himself and his businesses uh it's

446

00:23:35,810 --> 00:23:33,360

also interesting that he didn't get all

447

00:23:37,909 --> 00:23:35,820

of it and we've shown you a few mentions

448

00:23:39,230 --> 00:23:37,919

that he could not delete from the

449

00:23:42,529 --> 00:23:39,240

internet because they were on government

450

00:23:44,289 --> 00:23:42,539

websites now

451
00:23:47,210 --> 00:23:44,299
I have confirmed the information

452
00:23:48,830 --> 00:23:47,220
concerning him having meetings actual

453
00:23:51,529 --> 00:23:48,840
meetings with Canadian Parliament

454
00:23:54,649 --> 00:23:51,539
members with multiple sources again

455
00:23:58,130 --> 00:23:54,659
sources in the Canadian media who cover

456
00:24:00,830 --> 00:23:58,140
the Canadian government or Parliament

457
00:24:01,850 --> 00:24:00,840
um and these are sources that I trust

458
00:24:05,570 --> 00:24:01,860
um

459
00:24:07,669 --> 00:24:05,580
and in the case of one Parliament member

460
00:24:09,950 --> 00:24:07,679
um I have multiple sources confirming

461
00:24:11,270 --> 00:24:09,960
this meeting who named the parliament

462
00:24:13,450 --> 00:24:11,280
member and we're going to share that

463
00:24:17,750 --> 00:24:13,460

with you tonight in our exclusive story

464

00:24:20,870 --> 00:24:17,760

and I also have one source not multiple

465

00:24:24,110 --> 00:24:20,880

sources uh that have told me that this

466

00:24:28,190 --> 00:24:24,120

man Mr grush and his associates

467

00:24:31,070 --> 00:24:28,200

who would be Dr Gary Nolan and Ross

468

00:24:34,430 --> 00:24:31,080

coldhart were in multiple meetings that

469

00:24:37,370 --> 00:24:34,440

week with other Parliament members the

470

00:24:41,270 --> 00:24:37,380

meeting took place these meetings

471

00:24:43,430 --> 00:24:41,280

of this alleged UFO whistleblower David

472

00:24:45,230 --> 00:24:43,440

grush and

473

00:24:47,570 --> 00:24:45,240

Gary Nolan

474

00:24:50,570 --> 00:24:47,580

of Stanford University and Ross

475

00:24:53,770 --> 00:24:50,580

coldhart they took place just a few

476
00:24:56,930 --> 00:24:53,780
weeks ago starting the week of May 15

477
00:24:58,789 --> 00:24:56,940
2023. so it appears that shortly after

478
00:25:01,370 --> 00:24:58,799
purging the internet of his business

479
00:25:03,529 --> 00:25:01,380
pages and pictures of himself

480
00:25:05,350 --> 00:25:03,539
I think wherever possible

481
00:25:09,230 --> 00:25:05,360
David grush

482
00:25:12,770 --> 00:25:09,240
then went on a special trip to Canada to

483
00:25:15,830 --> 00:25:12,780
attend meetings with perhaps multiple

484
00:25:19,549 --> 00:25:15,840
members of the Canadian Parliament

485
00:25:21,890 --> 00:25:19,559
uh interesting uh there were a few

486
00:25:24,649 --> 00:25:21,900
people there also

487
00:25:27,710 --> 00:25:24,659
in on these meetings that you may all be

488
00:25:29,630 --> 00:25:27,720

familiar with they were also present at

489

00:25:31,789 --> 00:25:29,640

those meetings with members of the

490

00:25:34,789 --> 00:25:31,799

Canadian Parliament those other

491

00:25:37,669 --> 00:25:34,799

individuals besides David grush this

492

00:25:40,190 --> 00:25:37,679

alleged whistleblower would be Dr Gary

493

00:25:43,190 --> 00:25:40,200

Nolan of Stanford University he was

494

00:25:46,070 --> 00:25:43,200

present at those meetings physically in

495

00:25:48,769 --> 00:25:46,080

person and so was David grush also

496

00:25:51,890 --> 00:25:48,779

present at those meetings was none other

497

00:25:53,810 --> 00:25:51,900

than the person now selling his story or

498

00:25:55,010 --> 00:25:53,820

one of them and that would be Ross

499

00:25:56,990 --> 00:25:55,020

culpart

500

00:25:59,390 --> 00:25:57,000

uh we'll just call them Australian

501
00:26:01,970 --> 00:25:59,400
journalist I'll leave out the

502
00:26:05,450 --> 00:26:01,980
my personal feelings on Mr coldhart for

503
00:26:08,029 --> 00:26:05,460
the purposes of this story uh and Ross

504
00:26:10,190 --> 00:26:08,039
culpar was included in those meetings by

505
00:26:14,090 --> 00:26:10,200
phone or teleconference just so just to

506
00:26:16,669 --> 00:26:14,100
be clear Dr Gary Nolan and David grush

507
00:26:18,890 --> 00:26:16,679
were there in person in the room with

508
00:26:21,710 --> 00:26:18,900
the Canadian Parliament members and Ross

509
00:26:25,070 --> 00:26:21,720
coltar was included in those meetings by

510
00:26:27,350 --> 00:26:25,080
phone or teleconference now I want to be

511
00:26:31,490 --> 00:26:27,360
very clear here in that I have confirmed

512
00:26:34,190 --> 00:26:31,500
with multiple sources that David Rush Dr

513
00:26:38,090 --> 00:26:34,200

Gary Nolan and Ross colthart on the week

514

00:26:41,090 --> 00:26:38,100

starting May 15 2023 met with opposition

515

00:26:44,390 --> 00:26:41,100

party member and member of Canadian

516

00:26:47,029 --> 00:26:44,400

Parliament Larry McGuire

517

00:26:49,490 --> 00:26:47,039

now Larry McGuire was a name that was

518

00:26:51,830 --> 00:26:49,500

familiar to me and it may be familiar to

519

00:26:54,470 --> 00:26:51,840

you because Larry McGuire is the

520

00:26:56,990 --> 00:26:54,480

Canadian Parliament member that you may

521

00:26:59,810 --> 00:26:57,000

recall has previously met with Luis

522

00:27:03,289 --> 00:26:59,820

Elizondo several years ago

523

00:27:06,409 --> 00:27:03,299

now I try to confirm uh because I had

524

00:27:09,350 --> 00:27:06,419

suspicious quite honestly that it may

525

00:27:11,870 --> 00:27:09,360

have been Luis Elizondo who arranged

526

00:27:15,710 --> 00:27:11,880

this meeting between Canadian Parliament

527

00:27:17,409 --> 00:27:15,720

member Larry McGuire and Dr Gary Nolan

528

00:27:23,330 --> 00:27:17,419

this

529

00:27:25,730 --> 00:27:23,340

whistleblower but I was unable to get

530

00:27:27,409 --> 00:27:25,740

confirmation that Elizondo had anything

531

00:27:30,049 --> 00:27:27,419

to do with the arrangement of these

532

00:27:32,810 --> 00:27:30,059

meetings I have heard rumors of that but

533

00:27:36,649 --> 00:27:32,820

I cannot confirm that

534

00:27:38,750 --> 00:27:36,659

um you may recall that Larry McGuire has

535

00:27:40,430 --> 00:27:38,760

previously met with Luis Elizondo

536

00:27:42,830 --> 00:27:40,440

several years ago

537

00:27:44,210 --> 00:27:42,840

I was able to confirm with multiple

538

00:27:44,870 --> 00:27:44,220

sources

539

00:27:49,010 --> 00:27:44,880

um

540

00:27:51,590 --> 00:27:49,020

and you know you can go and look uh

541

00:27:54,409 --> 00:27:51,600

there are articles about Luis Elizondo

542

00:27:56,750 --> 00:27:54,419

meeting with this same Canadian

543

00:27:59,510 --> 00:27:56,760

Parliament member several years ago

544

00:28:01,549 --> 00:27:59,520

Larry McGuire it's known that Luis

545

00:28:03,169 --> 00:28:01,559

Elizondo has met with this Parliament

546

00:28:05,930 --> 00:28:03,179

member previously

547

00:28:07,789 --> 00:28:05,940

and that Parliament member Larry McGuire

548

00:28:11,930 --> 00:28:07,799

spoke positively about his experience

549

00:28:14,409 --> 00:28:11,940

with Mr Elizondo though I believe that

550

00:28:17,510 --> 00:28:14,419

um the parliament member Larry McGuire

551
00:28:20,090 --> 00:28:17,520
was extremely misinformed about Mr

552
00:28:22,490 --> 00:28:20,100
elizondo's original claims of running a

553
00:28:25,610 --> 00:28:22,500
funded 22 million dollar Secret Pentagon

554
00:28:27,890 --> 00:28:25,620
UFO program because it turns out uh that

555
00:28:31,370 --> 00:28:27,900
program was not funded it wasn't secret

556
00:28:34,310 --> 00:28:31,380
and uh depending on who you asked that

557
00:28:36,529 --> 00:28:34,320
program only existed in the imagination

558
00:28:39,470 --> 00:28:36,539
of Luis Elizondo

559
00:28:42,409 --> 00:28:39,480
so you may be curious what happened

560
00:28:45,769 --> 00:28:42,419
during the meeting with Larry McGuire Dr

561
00:28:47,390 --> 00:28:45,779
Nolan Ross coulthart and this David

562
00:28:50,930 --> 00:28:47,400
grush

563
00:28:53,510 --> 00:28:50,940

well apparently I was told that Dr Nolan

564

00:28:55,250 --> 00:28:53,520

and Ross colthard apparently helped

565

00:28:57,769 --> 00:28:55,260

David Rush

566

00:28:59,810 --> 00:28:57,779

this alleged UFO whistleblower go

567

00:29:02,750 --> 00:28:59,820

through many of the same claims he

568

00:29:04,850 --> 00:29:02,760

talked about in the original debrief

569

00:29:08,149 --> 00:29:04,860

story

570

00:29:12,230 --> 00:29:08,159

um interestingly I have confirmed also

571

00:29:14,690 --> 00:29:12,240

that David Rush did not give these

572

00:29:17,750 --> 00:29:14,700

Canadian Parliament members any photos

573

00:29:21,350 --> 00:29:17,760

documents or any proof of his claim

574

00:29:24,289 --> 00:29:21,360

he only provided his oral testimony

575

00:29:27,710 --> 00:29:24,299

along with some testimony and stories

576

00:29:31,010 --> 00:29:27,720

from Dr Gary Nolan and Ross coltar

577

00:29:34,490 --> 00:29:31,020

also uh one interesting note that I

578

00:29:36,110 --> 00:29:34,500

found uh important is that apparently

579

00:29:38,570 --> 00:29:36,120

during the meeting with Canadian

580

00:29:42,350 --> 00:29:38,580

Parliament member Larry McGuire

581

00:29:44,930 --> 00:29:42,360

Dr Gary Nolan and David grush this

582

00:29:47,630 --> 00:29:44,940

alleged UFO whistleblower started

583

00:29:49,070 --> 00:29:47,640

talking about one part of David grush's

584

00:29:52,070 --> 00:29:49,080

claims

585

00:29:55,010 --> 00:29:52,080

and they were both quickly stopped by

586

00:29:57,470 --> 00:29:55,020

Ross colthard who was very concerned and

587

00:29:58,789 --> 00:29:57,480

told them that they had to save that

588

00:30:01,850 --> 00:29:58,799

part

589

00:30:03,350 --> 00:30:01,860

for the documentary I'm going to say

590

00:30:05,750 --> 00:30:03,360

that one more time apparently during

591

00:30:07,909 --> 00:30:05,760

this meeting Dr Gary Nolan and this

592

00:30:10,610 --> 00:30:07,919

alleged UFO whistleblower David grush

593

00:30:12,730 --> 00:30:10,620

started talking about one part of David

594

00:30:15,409 --> 00:30:12,740

Rush's claims

595

00:30:17,090 --> 00:30:15,419

and they were quickly stopped by Ross

596

00:30:19,730 --> 00:30:17,100

Colpar who told them they had to save

597

00:30:21,470 --> 00:30:19,740

that part for the documentary

598

00:30:23,510 --> 00:30:21,480

I was told that the meeting was very

599

00:30:26,029 --> 00:30:23,520

long and that the Canadian Parliament

600

00:30:28,010 --> 00:30:26,039

member Larry McGuire took the meeting

601
00:30:30,649 --> 00:30:28,020
and the information that he was

602
00:30:33,529 --> 00:30:30,659
presented with by David grush Ross

603
00:30:35,330 --> 00:30:33,539
goldthart and Dr Gary Nolan very very

604
00:30:37,130 --> 00:30:35,340
seriously

605
00:30:40,610 --> 00:30:37,140
it should be noted that I reached out

606
00:30:42,649 --> 00:30:40,620
earlier to today uh to the offices of

607
00:30:44,450 --> 00:30:42,659
Larry McGuire for further comment but as

608
00:30:46,370 --> 00:30:44,460
of the time of this broadcast no one

609
00:30:48,710 --> 00:30:46,380
from his office has returned my call

610
00:30:51,110 --> 00:30:48,720
with any further comment

611
00:30:53,750 --> 00:30:51,120
additionally friends and this is where I

612
00:30:56,450 --> 00:30:53,760
have to tread very carefully

613
00:30:59,990 --> 00:30:56,460

so let me be clear I have one source

614

00:31:01,730 --> 00:31:00,000

that is from the Canadian media who

615

00:31:04,370 --> 00:31:01,740

heard about this because they cover the

616

00:31:07,370 --> 00:31:04,380

Canadian Parliament and they told me

617

00:31:09,470 --> 00:31:07,380

that David grush Dr Gary Nolan and Ross

618

00:31:12,830 --> 00:31:09,480

colfar not only met with Canadian

619

00:31:15,769 --> 00:31:12,840

Parliament member Larry McGuire but

620

00:31:17,930 --> 00:31:15,779

these three also met that week with

621

00:31:20,269 --> 00:31:17,940

other members of the Canadian Parliament

622

00:31:23,930 --> 00:31:20,279

all of them were opposition party

623

00:31:26,510 --> 00:31:23,940

members so just to be clear I have

624

00:31:29,570 --> 00:31:26,520

multiple sources confirming that Dr Gary

625

00:31:32,810 --> 00:31:29,580

Nolan Ross Colt art and this alleged UFO

626
00:31:35,570 --> 00:31:32,820
whistleblower David grush definitely met

627
00:31:37,010 --> 00:31:35,580
with Canadian Parliament member Larry

628
00:31:39,350 --> 00:31:37,020
McGuire

629
00:31:41,330 --> 00:31:39,360
and I have shared with you the details

630
00:31:43,549 --> 00:31:41,340
that I was made aware of about what took

631
00:31:45,070 --> 00:31:43,559
place at that meeting largely David

632
00:31:48,289 --> 00:31:45,080
grush told

633
00:31:50,990 --> 00:31:48,299
uh gave similar claims to what you have

634
00:31:53,330 --> 00:31:51,000
heard him already claiming in the

635
00:31:56,570 --> 00:31:53,340
original debrief story and these clips

636
00:32:00,230 --> 00:31:56,580
that they're slowly delving out from

637
00:32:02,210 --> 00:32:00,240
Ross Colpar and again uh you know just

638
00:32:04,010 --> 00:32:02,220

to be clear so I have multiple sources

639

00:32:07,070 --> 00:32:04,020

confirming they definitely met with

640

00:32:10,730 --> 00:32:07,080

Canadian Parliament member Larry McGuire

641

00:32:12,289 --> 00:32:10,740

and I have one source I I don't like to

642

00:32:15,110 --> 00:32:12,299

share information unless we have

643

00:32:16,730 --> 00:32:15,120

multiple sources confirming a story so

644

00:32:19,430 --> 00:32:16,740

I'm being very clear with you and that I

645

00:32:22,310 --> 00:32:19,440

have just one source also a member of

646

00:32:24,230 --> 00:32:22,320

the Canadian media who told me that they

647

00:32:26,330 --> 00:32:24,240

also met with other Canadian Parliament

648

00:32:28,010 --> 00:32:26,340

members of the opposition party that

649

00:32:31,250 --> 00:32:28,020

week and shared the same information

650

00:32:34,130 --> 00:32:31,260

that they shared with Larry McGuire

651
00:32:35,690 --> 00:32:34,140
uh I was given some details about the

652
00:32:37,250 --> 00:32:35,700
individuals within the Canadian

653
00:32:39,830 --> 00:32:37,260
Parliament that they also met with

654
00:32:41,930 --> 00:32:39,840
including their names but at an

655
00:32:43,909 --> 00:32:41,940
abundance of caution I won't be

656
00:32:45,590 --> 00:32:43,919
revealing those individuals names or the

657
00:32:48,470 --> 00:32:45,600
details of those meetings until I can

658
00:32:50,510 --> 00:32:48,480
get additional sourcing or hear back

659
00:32:53,389 --> 00:32:50,520
from their offices I have contacted

660
00:32:56,409 --> 00:32:53,399
these other Canadian Parliament members

661
00:33:00,590 --> 00:32:56,419
that apparently met with David Rush

662
00:33:02,930 --> 00:33:00,600
Dr Gary Nolan and Ross coltar

663
00:33:04,610 --> 00:33:02,940

um but I feel very strongly knowing the

664

00:33:07,250 --> 00:33:04,620

One Source Who provided me with this

665

00:33:09,110 --> 00:33:07,260

information that they indeed spent a

666

00:33:10,490 --> 00:33:09,120

week there in Canada meeting with

667

00:33:13,370 --> 00:33:10,500

various members of the Canadian

668

00:33:14,690 --> 00:33:13,380

Parliament again all opposition party

669

00:33:17,269 --> 00:33:14,700

members

670

00:33:21,350 --> 00:33:17,279

I was told that everyone involved in

671

00:33:23,750 --> 00:33:21,360

these meetings uh took David grush and

672

00:33:25,610 --> 00:33:23,760

his the information he was sharing with

673

00:33:28,130 --> 00:33:25,620

these Canadian Parliament members very

674

00:33:29,570 --> 00:33:28,140

seriously so take from that what what

675

00:33:32,149 --> 00:33:29,580

you will

676

00:33:34,310 --> 00:33:32,159

and because of these new Revelations I'm

677

00:33:37,070 --> 00:33:34,320

left honestly with more questions than

678

00:33:39,710 --> 00:33:37,080

answers and sometimes things are best

679

00:33:42,889 --> 00:33:39,720

put in the form of a question so I would

680

00:33:45,470 --> 00:33:42,899

publicly share some questions I have

681

00:33:47,330 --> 00:33:45,480

like why isn't American intelligence

682

00:33:49,549 --> 00:33:47,340

official meeting with members of the

683

00:33:52,549 --> 00:33:49,559

Canadian Parliament

684

00:33:55,549 --> 00:33:52,559

in non-public meetings and sharing

685

00:33:59,509 --> 00:33:55,559

stories about UFOs aliens and the

686

00:34:01,430 --> 00:33:59,519

alleged recovery of alien spacecraft

687

00:34:03,049 --> 00:34:01,440

another question I have is why are

688

00:34:06,169 --> 00:34:03,059

former United States intelligent

689

00:34:09,050 --> 00:34:06,179

officials including David Grush and Luis

690

00:34:12,829 --> 00:34:09,060

Elizondo meeting with members of foreign

691

00:34:15,109 --> 00:34:12,839

governments at all and for what purpose

692

00:34:17,030 --> 00:34:15,119

another question did Louis Elizondo

693

00:34:19,550 --> 00:34:17,040

arrange those meetings between these

694

00:34:21,470 --> 00:34:19,560

people and the Canadian Parliament

695

00:34:25,849 --> 00:34:21,480

members he had a pre-existing

696

00:34:27,409 --> 00:34:25,859

relationship with uh the with one of

697

00:34:29,930 --> 00:34:27,419

these Parliament members that he met

698

00:34:32,570 --> 00:34:29,940

with previously Larry McGuire so did he

699

00:34:34,669 --> 00:34:32,580

arrange this meeting for this so-called

700

00:34:36,169 --> 00:34:34,679

whistleblower with this Parliament

701
00:34:38,270 --> 00:34:36,179
member

702
00:34:40,190 --> 00:34:38,280
it's a big question and I think it's an

703
00:34:42,169 --> 00:34:40,200
important one because if Lou Elizondo

704
00:34:45,050 --> 00:34:42,179
was involved in arranging these meetings

705
00:34:47,629 --> 00:34:45,060
between these people it shows that Luis

706
00:34:48,589 --> 00:34:47,639
Elizondo is directly involved or it

707
00:34:51,409 --> 00:34:48,599
would show

708
00:34:54,169 --> 00:34:51,419
that Luis elizado is directly involved

709
00:34:56,810 --> 00:34:54,179
in the rollout of this so-called

710
00:35:00,250 --> 00:34:56,820
whistleblower and now we know for a fact

711
00:35:02,870 --> 00:35:00,260
that Dr Gary Nolan is directly involved

712
00:35:04,970 --> 00:35:02,880
apparently in the rollout of this

713
00:35:07,609 --> 00:35:04,980

whistleblower we already knew that Ross

714

00:35:10,010 --> 00:35:07,619

colthard was directly involved in the

715

00:35:12,410 --> 00:35:10,020

rollout of this whistleblower

716

00:35:15,230 --> 00:35:12,420

and now apparently we know that Ross

717

00:35:18,470 --> 00:35:15,240

coltar is very concerned about some

718

00:35:21,290 --> 00:35:18,480

documentary he will soon be making with

719

00:35:23,150 --> 00:35:21,300

this alleged UFO whistleblower and he

720

00:35:26,630 --> 00:35:23,160

wants to save the good stuff for the

721

00:35:28,130 --> 00:35:26,640

documentary apparently so despite claims

722

00:35:30,829 --> 00:35:28,140

of this being earth-shattering

723

00:35:33,290 --> 00:35:30,839

information Ross coldthart is still

724

00:35:35,390 --> 00:35:33,300

holding cards close to his chest hoping

725

00:35:37,550 --> 00:35:35,400

to cash in on the documentary with this

726

00:35:40,069 --> 00:35:37,560

whistleblower and stopping him from

727

00:35:43,130 --> 00:35:40,079

sharing information

728

00:35:45,710 --> 00:35:43,140

with a Canadian Parliament member during

729

00:35:47,990 --> 00:35:45,720

a non-public meeting

730

00:35:50,690 --> 00:35:48,000

another question I think that is very

731

00:35:54,710 --> 00:35:50,700

very important that we should ask here

732

00:35:58,670 --> 00:35:54,720

is simply this is Mr David brush being

733

00:36:01,490 --> 00:35:58,680

paid by anyone including Mr Elizondo

734

00:36:04,010 --> 00:36:01,500

is he being paid by Ross coltar Leslie

735

00:36:06,770 --> 00:36:04,020

Keane Ralph Blumenthal the debrief or

736

00:36:09,290 --> 00:36:06,780

news Nation for his participation in

737

00:36:12,230 --> 00:36:09,300

those stories apparently

738

00:36:14,089 --> 00:36:12,240

uh Ross colthar Leslie Keane and Ralph

739

00:36:16,130 --> 00:36:14,099

Blumenthal and the debrief have the

740

00:36:17,930 --> 00:36:16,140

exclusive one him in other words we're

741

00:36:20,150 --> 00:36:17,940

not seeing this alleged UFO

742

00:36:22,849 --> 00:36:20,160

whistleblower doing direct interviews

743

00:36:28,069 --> 00:36:22,859

with other media Outlets like CNN or Fox

744

00:36:30,050 --> 00:36:28,079

News or MSNBC or you know NBC CBS ABC

745

00:36:32,750 --> 00:36:30,060

we're not seeing him do interviews

746

00:36:35,329 --> 00:36:32,760

anywhere but with the people

747

00:36:38,089 --> 00:36:35,339

that may have some sort of exclusive

748

00:36:40,430 --> 00:36:38,099

deal with him and I think it's important

749

00:36:42,230 --> 00:36:40,440

to ask that question is David Crush

750

00:36:45,589 --> 00:36:42,240

being paid by anyone including Mr

751
00:36:48,410 --> 00:36:45,599
Elizondo Ross coltar Leslie Keane Ralph

752
00:36:50,329 --> 00:36:48,420
Blumenthal news nation is the debrief

753
00:36:52,310 --> 00:36:50,339
paying him for his participation in

754
00:36:52,910 --> 00:36:52,320
those stories

755
00:36:55,790 --> 00:36:52,920
um

756
00:36:58,069 --> 00:36:55,800
I'd also like to know due to Ross

757
00:37:00,410 --> 00:36:58,079
coldthart's insistence that this

758
00:37:02,270 --> 00:37:00,420
whistleblower David brush not share

759
00:37:05,150 --> 00:37:02,280
certain information during that meeting

760
00:37:07,609 --> 00:37:05,160
with the Canadian Parliament member is

761
00:37:10,490 --> 00:37:07,619
he under contract with Ross coltar Lou

762
00:37:13,250 --> 00:37:10,500
Elizondo Gary Nolan or anyone else for

763
00:37:15,710 --> 00:37:13,260

that matter to take part in a for-profit

764

00:37:18,410 --> 00:37:15,720

documentary about his story

765

00:37:20,329 --> 00:37:18,420

is he under contract and if so how much

766

00:37:23,450 --> 00:37:20,339

is he being paid for his participation

767

00:37:25,970 --> 00:37:23,460

in that documentary film project and who

768

00:37:28,430 --> 00:37:25,980

else if anyone is involved in that

769

00:37:30,349 --> 00:37:28,440

business venture and let me be very

770

00:37:32,329 --> 00:37:30,359

clear in that I'm just asking questions

771

00:37:34,870 --> 00:37:32,339

here and these are questions that I

772

00:37:37,370 --> 00:37:34,880

think Ross coltar Leslie Keane

773

00:37:39,710 --> 00:37:37,380

Blumenthal and others who have access to

774

00:37:42,170 --> 00:37:39,720

him should be asking him and answering

775

00:37:44,690 --> 00:37:42,180

for people these are important relevant

776

00:37:47,750 --> 00:37:44,700

questions is there a for-profit motive

777

00:37:50,870 --> 00:37:47,760

here what's what's the deal

778

00:37:52,970 --> 00:37:50,880

and finally one big question that I have

779

00:37:54,170 --> 00:37:52,980

that I keep thinking about is are

780

00:37:56,150 --> 00:37:54,180

officials

781

00:37:58,490 --> 00:37:56,160

or government leaders in the United

782

00:38:00,109 --> 00:37:58,500

States even aware that these

783

00:38:02,329 --> 00:38:00,119

intelligence officials or former

784

00:38:04,430 --> 00:38:02,339

intelligence officials are meeting with

785

00:38:06,950 --> 00:38:04,440

members of foreign governments and

786

00:38:10,370 --> 00:38:06,960

telling them that the United States is

787

00:38:14,290 --> 00:38:10,380

covering up the existence of alien crash

788

00:38:17,270 --> 00:38:14,300

retrieved vehicles or bodies of

789

00:38:19,010 --> 00:38:17,280

extraterrestrial biological entities or

790

00:38:20,510 --> 00:38:19,020

alien bodies whatever you want to call

791

00:38:22,609 --> 00:38:20,520

them

792

00:38:24,530 --> 00:38:22,619

so I think these are very important

793

00:38:27,130 --> 00:38:24,540

questions and questions that we should

794

00:38:32,150 --> 00:38:27,140

seriously consider

795

00:38:36,530 --> 00:38:32,160

this is just bizarre to me that this man

796

00:38:40,310 --> 00:38:36,540

a very very high ranking uh we're told a

797

00:38:42,290 --> 00:38:40,320

very very high ranking but we can we can

798

00:38:44,390 --> 00:38:42,300

I can imagine that he is very high

799

00:38:46,849 --> 00:38:44,400

ranking intelligence officer because he

800

00:38:51,950 --> 00:38:46,859

has access to some very secret projects

801
00:38:54,710 --> 00:38:51,960
like the X-37B so it appears that this

802
00:38:57,230 --> 00:38:54,720
man is having meetings with the Canadian

803
00:39:00,589 --> 00:38:57,240
Parliament members and

804
00:39:03,170 --> 00:39:00,599
telling them stories about UFOs alien

805
00:39:06,410 --> 00:39:03,180
crash retrievals maybe alien bodies and

806
00:39:07,550 --> 00:39:06,420
more and he did that before revealing it

807
00:39:10,370 --> 00:39:07,560
publicly

808
00:39:12,470 --> 00:39:10,380
in a in a non-public meeting with these

809
00:39:15,950 --> 00:39:12,480
Canadian Parliament members

810
00:39:19,069 --> 00:39:15,960
so the fact also that Dr Gary Nolan is

811
00:39:22,670 --> 00:39:19,079
involved and let me be very very clear

812
00:39:25,849 --> 00:39:22,680
the day after these meetings concluded

813
00:39:29,210 --> 00:39:25,859

with Dr Gary Nolan and members of the

814

00:39:31,910 --> 00:39:29,220

Canadian Parliament and this alleged UFO

815

00:39:34,550 --> 00:39:31,920

whistleblower David grush and Ross

816

00:39:36,530 --> 00:39:34,560

coldhart on the phone by or by

817

00:39:39,470 --> 00:39:36,540

teleconference whatever you want to call

818

00:39:42,050 --> 00:39:39,480

it he was participating in all these

819

00:39:43,849 --> 00:39:42,060

Ross Colbert it's interesting that Dr

820

00:39:46,430 --> 00:39:43,859

Gary Nolan was involved in these

821

00:39:49,310 --> 00:39:46,440

meetings why is a Stanford University

822

00:39:51,250 --> 00:39:49,320

Professor participating in meetings

823

00:39:55,130 --> 00:39:51,260

about

824

00:39:58,190 --> 00:39:55,140

apparently or allegedly top secret U.S

825

00:40:00,470 --> 00:39:58,200

government programs involving the

826
00:40:02,329 --> 00:40:00,480
recovery of

827
00:40:07,550 --> 00:40:02,339
crashed

828
00:40:09,530 --> 00:40:07,560
why is the Stanford University Professor

829
00:40:10,910 --> 00:40:09,540
involved in that why is an Australian

830
00:40:14,089 --> 00:40:10,920
journalist

831
00:40:17,630 --> 00:40:14,099
involved in a teleconference with this

832
00:40:20,990 --> 00:40:17,640
alleged UFO whistleblower talking about

833
00:40:23,630 --> 00:40:21,000
these allegedly top secret U.S

834
00:40:27,050 --> 00:40:23,640
government projects this is very strange

835
00:40:29,210 --> 00:40:27,060
to me and it also is let's be very very

836
00:40:31,670 --> 00:40:29,220
clear because I'm developing a timeline

837
00:40:34,970 --> 00:40:31,680
here that is very very important

838
00:40:37,190 --> 00:40:34,980

so April David grush

839

00:40:40,130 --> 00:40:37,200

resigns from his government job at the

840

00:40:42,650 --> 00:40:40,140

ripe old age of 36. I don't even know

841

00:40:44,810 --> 00:40:42,660

how he could be getting a pension or or

842

00:40:47,990 --> 00:40:44,820

any retirement package

843

00:40:50,390 --> 00:40:48,000

so I'm a little confused about that uh

844

00:40:53,690 --> 00:40:50,400

but it is what it is he retires at age

845

00:40:57,890 --> 00:40:53,700

ripe old age of 36 in April

846

00:41:00,170 --> 00:40:57,900

and then he immediately starts scrubbing

847

00:41:02,270 --> 00:41:00,180

every mention of him from the internet

848

00:41:05,170 --> 00:41:02,280

that he can including pictures of him

849

00:41:07,670 --> 00:41:05,180

and his wife and family

850

00:41:11,990 --> 00:41:07,680

his businesses

851

00:41:14,329 --> 00:41:12,000

that stuff gets wiped and then a few

852

00:41:16,550 --> 00:41:14,339

short weeks after that he's on a plane

853

00:41:20,089 --> 00:41:16,560

to Canada

854

00:41:23,030 --> 00:41:20,099

and he attends meetings with Dr Gary

855

00:41:25,490 --> 00:41:23,040

Nolan of Stanford University talking

856

00:41:27,770 --> 00:41:25,500

about the very same things that are

857

00:41:30,650 --> 00:41:27,780

mentioned in this debrief article with

858

00:41:33,410 --> 00:41:30,660

members of the Canadian Parliament

859

00:41:36,470 --> 00:41:33,420

members of the Canadian government

860

00:41:40,069 --> 00:41:36,480

and of course Ross coldthart is there

861

00:41:42,710 --> 00:41:40,079

and interrupts Gary Nolan and interrupts

862

00:41:44,569 --> 00:41:42,720

David grush from talking about certain

863

00:41:46,550 --> 00:41:44,579

things because they need to save that

864

00:41:49,310 --> 00:41:46,560

for the documentary

865

00:41:51,470 --> 00:41:49,320

this happens in mid-may

866

00:41:53,210 --> 00:41:51,480

they start meetings with the Canadian

867

00:41:55,069 --> 00:41:53,220

Parliament members

868

00:41:59,810 --> 00:41:55,079

June 5th

869

00:42:02,510 --> 00:41:59,820

we get yesterday we get the big drop of

870

00:42:06,290 --> 00:42:02,520

this story in the debrief and news

871

00:42:09,349 --> 00:42:06,300

nation is now making five minute videos

872

00:42:11,390 --> 00:42:09,359

and milk in this thing for everything

873

00:42:12,230 --> 00:42:11,400

that it's worth

874

00:42:14,930 --> 00:42:12,240

um

875

00:42:17,630 --> 00:42:14,940

I'm I'm just left a little confused but

876

00:42:21,589 --> 00:42:17,640

I will say this

877

00:42:25,550 --> 00:42:21,599

I am uh more troubled by this guy

878

00:42:27,230 --> 00:42:25,560

being legitimate because he's traveling

879

00:42:29,150 --> 00:42:27,240

with I'm not sure by the way if he

880

00:42:31,130 --> 00:42:29,160

traveled with Gary Nolan but he ended up

881

00:42:34,130 --> 00:42:31,140

at the meetings with him

882

00:42:36,770 --> 00:42:34,140

um so I'm more troubled by this man

883

00:42:40,250 --> 00:42:36,780

being legitimate because Gary Nolan is

884

00:42:42,890 --> 00:42:40,260

now involved CIA Gary I'm sorry this man

885

00:42:47,510 --> 00:42:42,900

has talked about working on CIA projects

886

00:42:49,790 --> 00:42:47,520

before and now he's hanging out with his

887

00:42:52,010 --> 00:42:49,800

so-called alleged UFO whistleblower and

888

00:42:54,950 --> 00:42:52,020

here's where it gets very important also

889

00:42:57,890 --> 00:42:54,960

I talked about the timeline so May 15th

890

00:43:01,250 --> 00:42:57,900

they start this couple days of meetings

891

00:43:03,589 --> 00:43:01,260

with Canadian Parliament members Gary

892

00:43:06,530 --> 00:43:03,599

Nolan Ross colthard and this so-called

893

00:43:09,589 --> 00:43:06,540

alleged UFO whistleblower David grush

894

00:43:13,069 --> 00:43:09,599

right after the Canadian Parliament

895

00:43:15,530 --> 00:43:13,079

meetings and Gary Nolan is on a plane to

896

00:43:19,130 --> 00:43:15,540

New York City where he attends that salt

897

00:43:21,050 --> 00:43:19,140

conference and starts saying 100 aliens

898

00:43:22,849 --> 00:43:21,060

are here I'm sure of it and all those

899

00:43:23,930 --> 00:43:22,859

things that we covered that we heard him

900

00:43:27,050 --> 00:43:23,940

say

901
00:43:29,750 --> 00:43:27,060
so it appears that many of these people

902
00:43:32,630 --> 00:43:29,760
are connected in some kind of incestuous

903
00:43:33,770 --> 00:43:32,640
circle or relationship here and I want

904
00:43:36,470 --> 00:43:33,780
to know if there's a financial

905
00:43:39,290 --> 00:43:36,480
relationship is this man working for

906
00:43:41,510 --> 00:43:39,300
Luis Elizondo or Gary Nolan or Ross

907
00:43:43,490 --> 00:43:41,520
Copart are they all in on some

908
00:43:45,710 --> 00:43:43,500
documentary deal together

909
00:43:48,349 --> 00:43:45,720
and these are important questions that

910
00:43:50,750 --> 00:43:48,359
should be answered and uh we have very

911
00:43:53,450 --> 00:43:50,760
special guest tonight a man who loves to

912
00:44:00,170 --> 00:43:57,410
and uh you know uh I thought that we

913
00:44:02,210 --> 00:44:00,180

could discuss this uh whole situation

914

00:44:05,150 --> 00:44:02,220

better and bring in a few more

915

00:44:07,309 --> 00:44:05,160

perspectives uh so joining me to do that

916

00:44:09,710 --> 00:44:07,319

tonight is my special guest we have

917

00:44:12,670 --> 00:44:09,720

Manny from area 503 and I'm a terrible

918

00:44:15,530 --> 00:44:12,680

show host Manny I apologize

919

00:44:18,130 --> 00:44:15,540

this was last minute so you didn't make

920

00:44:20,150 --> 00:44:18,140

the thumbnail bro sorry

921

00:44:21,589 --> 00:44:20,160

that's okay I don't need to be on a

922

00:44:23,569 --> 00:44:21,599

thumbnail I know I exist even without

923

00:44:27,710 --> 00:44:23,579

the little picture thank you for being

924

00:44:30,710 --> 00:44:27,720

here so uh you you're you're backstage

925

00:44:33,470 --> 00:44:30,720

listening to this this is uh brand new

926

00:44:35,450 --> 00:44:33,480

information about this guy that and and

927

00:44:37,430 --> 00:44:35,460

isn't it interesting Manny that all

928

00:44:39,170 --> 00:44:37,440

these cut and paste journalists I had to

929

00:44:42,170 --> 00:44:39,180

report this nobody found this

930

00:44:44,210 --> 00:44:42,180

information except me yeah it is

931

00:44:46,250 --> 00:44:44,220

interesting and and the copy paste

932

00:44:48,470 --> 00:44:46,260

journalism is a huge problem not just in

933

00:44:49,910 --> 00:44:48,480

ufology but in everything nowadays you

934

00:44:51,470 --> 00:44:49,920

know it seems like

935

00:44:54,410 --> 00:44:51,480

um there's some lazy reporting going on

936

00:44:55,970 --> 00:44:54,420

where people just want to you know take

937

00:44:58,309 --> 00:44:55,980

another story that somebody else wrote

938

00:44:59,930 --> 00:44:58,319

maybe change a few words around to make

939

00:45:02,870 --> 00:44:59,940

it seem like they they're they're you

940

00:45:04,370 --> 00:45:02,880

know a little bit yeah

941

00:45:05,930 --> 00:45:04,380

the problem with that is is that it's

942

00:45:07,910 --> 00:45:05,940

like the old kindergarten game telephone

943

00:45:09,950 --> 00:45:07,920

you know where you tell a story enough

944

00:45:12,290 --> 00:45:09,960

times and and you copy it you paste it

945

00:45:13,730 --> 00:45:12,300

if it's not verbatim and it's changed a

946

00:45:15,710 --> 00:45:13,740

little bit each time before you know it

947

00:45:18,230 --> 00:45:15,720

things get wildly Askew and away from

948

00:45:19,849 --> 00:45:18,240

the original story and the truth and in

949

00:45:22,550 --> 00:45:19,859

this case nobody's doing the the

950

00:45:24,829 --> 00:45:22,560

research nobody's vetting this person

951
00:45:26,450 --> 00:45:24,839
um past his military credentials which I

952
00:45:28,190 --> 00:45:26,460
don't think you know in the case of

953
00:45:29,569 --> 00:45:28,200
Grouch I don't think that that many

954
00:45:31,190 --> 00:45:29,579
people are saying oh he wasn't in the

955
00:45:32,870 --> 00:45:31,200
military it's not like that I mean I've

956
00:45:34,490 --> 00:45:32,880
seen the photos of him in theater with

957
00:45:36,530 --> 00:45:34,500
his his weapon I've seen the patches

958
00:45:38,750 --> 00:45:36,540
I've seen the medals the problem is is

959
00:45:40,550 --> 00:45:38,760
that that lends zero credibility to his

960
00:45:43,609 --> 00:45:40,560
claims about finding these programs

961
00:45:44,930 --> 00:45:43,619
about finding UFOs about having crash

962
00:45:46,910 --> 00:45:44,940
retrieval programs about having

963
00:45:49,069 --> 00:45:46,920

backwards engineering programs about

964

00:45:51,829 --> 00:45:49,079

possibly even having bodies like he said

965

00:45:54,530 --> 00:45:51,839

I mean if you really look at it the guy

966

00:45:56,630 --> 00:45:54,540

has taken little bits of ufology over

967

00:45:58,309 --> 00:45:56,640

the years and just kind of said that

968

00:46:00,109 --> 00:45:58,319

it's true and expected everyone to

969

00:46:01,790 --> 00:46:00,119

believe him because he's got this you

970

00:46:04,010 --> 00:46:01,800

know Stellar record or Stellar

971

00:46:05,630 --> 00:46:04,020

credentials but that doesn't where's the

972

00:46:07,970 --> 00:46:05,640

evidence where's the receipts where's

973

00:46:11,390 --> 00:46:07,980

the proof where's the documents you know

974

00:46:13,670 --> 00:46:11,400

and um there's they're classified he

975

00:46:15,530 --> 00:46:13,680

can't share those well of course not and

976

00:46:17,569 --> 00:46:15,540

he can't talk about them either you

977

00:46:19,910 --> 00:46:17,579

can't talk about classified programs you

978

00:46:22,210 --> 00:46:19,920

can't even acknowledge the existence of

979

00:46:24,349 --> 00:46:22,220

a top secret program in some cases

980

00:46:26,569 --> 00:46:24,359

absolutely I would be spilling

981

00:46:28,849 --> 00:46:26,579

classified secrets so

982

00:46:31,430 --> 00:46:28,859

absolutely and so you know what I find I

983

00:46:35,990 --> 00:46:31,440

find very suspicious about this Manny is

984

00:46:39,650 --> 00:46:36,000

that essentially this man comes out and

985

00:46:42,290 --> 00:46:39,660

he says everything every UFO an alien

986

00:46:44,270 --> 00:46:42,300

believer desperately already believes or

987

00:46:47,870 --> 00:46:44,280

wants to believe and wants confirmation

988

00:46:51,530 --> 00:46:47,880

of it's like this was like almost

989

00:46:54,050 --> 00:46:51,540

designed to be the confirmation of FC we

990

00:46:55,790 --> 00:46:54,060

were I have people emailing me see we

991

00:46:58,309 --> 00:46:55,800

were all right Stephen we were right

992

00:46:59,930 --> 00:46:58,319

about the aliens being here the crashes

993

00:47:03,710 --> 00:46:59,940

and probably people are telling me Bob

994

00:47:05,750 --> 00:47:03,720

Lazar was right like no no one of these

995

00:47:09,170 --> 00:47:05,760

things is not like the other and you're

996

00:47:11,569 --> 00:47:09,180

right they appear to have hammered on

997

00:47:14,630 --> 00:47:11,579

his background being legitimate

998

00:47:17,089 --> 00:47:14,640

because I will say it with him just as I

999

00:47:18,829 --> 00:47:17,099

said it with Anjali it's rare that one

1000

00:47:21,650 --> 00:47:18,839

of these people comes out with a huge

1001

00:47:23,930 --> 00:47:21,660

Fantastical claim story and that their

1002

00:47:26,390 --> 00:47:23,940

background turns out to be legitimate

1003

00:47:28,849 --> 00:47:26,400

but it's not unheard of and we can have

1004

00:47:31,670 --> 00:47:28,859

an example of that with Anjali she was

1005

00:47:35,270 --> 00:47:31,680

she was uh you know Air Force officer

1006

00:47:38,650 --> 00:47:35,280

she was a Dia she worked for the DIA

1007

00:47:41,390 --> 00:47:38,660

both as a direct employee and has a

1008

00:47:43,790 --> 00:47:41,400

subcontractor later in information

1009

00:47:47,630 --> 00:47:43,800

Warfare she had all kinds of top secret

1010

00:47:50,150 --> 00:47:47,640

clearances but her entire story was fake

1011

00:47:53,030 --> 00:47:50,160

you know her background was real I'll

1012

00:47:55,730 --> 00:47:53,040

give her that and so I'm very cautious

1013

00:47:57,650 --> 00:47:55,740

about the fact that the whole article in

1014

00:48:00,290 --> 00:47:57,660

the debrief was the who

1015

00:48:04,010 --> 00:48:00,300

not the why or the how or the you know

1016

00:48:06,890 --> 00:48:04,020

it seems very suspicious to me and and

1017

00:48:08,750 --> 00:48:06,900

we we've all heard that clip of Leslie

1018

00:48:10,970 --> 00:48:08,760

Keane she was asked about the lack of

1019

00:48:14,329 --> 00:48:10,980

evidence is that a red flag to you and

1020

00:48:17,030 --> 00:48:14,339

she said not at all not at all oh and we

1021

00:48:18,349 --> 00:48:17,040

want to thank Matt ice66 for becoming a

1022

00:48:20,210 --> 00:48:18,359

YouTube member thank you for your

1023

00:48:21,890 --> 00:48:20,220

kindness generosity and support we shout

1024

00:48:24,230 --> 00:48:21,900

out anybody becomes a member during the

1025

00:48:27,470 --> 00:48:24,240

show did you what did you think of that

1026
00:48:29,390 --> 00:48:27,480
Leslie Keane thing it doesn't matter oh

1027
00:48:30,550 --> 00:48:29,400
that doesn't bother me at all it's not a

1028
00:48:34,130 --> 00:48:30,560
restaurant

1029
00:48:35,510 --> 00:48:34,140
no evidence is not a red flag yeah put

1030
00:48:37,130 --> 00:48:35,520
me right on the floor because that's

1031
00:48:39,890 --> 00:48:37,140
that should be the number one thing that

1032
00:48:42,230 --> 00:48:39,900
a journalist is asking for is evidence

1033
00:48:44,390 --> 00:48:42,240
of claims especially when you have a

1034
00:48:46,010 --> 00:48:44,400
single story sort or single Source story

1035
00:48:48,530 --> 00:48:46,020
you have to have some kind of

1036
00:48:50,870 --> 00:48:48,540
cooperating evidence to back that story

1037
00:48:53,329 --> 00:48:50,880
up and in this particular case it

1038
00:48:55,910 --> 00:48:53,339

appears like there's none and you know

1039

00:48:57,230 --> 00:48:55,920

we're seeing a um you know people have

1040

00:48:59,450 --> 00:48:57,240

I've watched in the chat and people have

1041

00:49:01,670 --> 00:48:59,460

said oh blue 2.0 well yes we did see

1042

00:49:03,170 --> 00:49:01,680

this with Elizondo as well they banked

1043

00:49:04,670 --> 00:49:03,180

on his credentials there was very little

1044

00:49:07,130 --> 00:49:04,680

evidence support in fact no evidence

1045

00:49:09,290 --> 00:49:07,140

supporting uh his claims except for a

1046

00:49:10,849 --> 00:49:09,300

ambiguous letter from Harry Reid that

1047

00:49:13,250 --> 00:49:10,859

didn't say much

1048

00:49:15,290 --> 00:49:13,260

um and there's uh you know there was

1049

00:49:16,910 --> 00:49:15,300

we're seeing that play out again and

1050

00:49:18,290 --> 00:49:16,920

what they're doing if you'll notice is

1051
00:49:19,609 --> 00:49:18,300
they're going to ignore any questions

1052
00:49:20,870 --> 00:49:19,619
that come out about the store and

1053
00:49:23,329 --> 00:49:20,880
they're going to proceed with it as if

1054
00:49:25,550 --> 00:49:23,339
it's true when it's it doesn't appear

1055
00:49:27,589 --> 00:49:25,560
like there's any evidence that it is and

1056
00:49:30,230 --> 00:49:27,599
they're going to flood people like you

1057
00:49:31,790 --> 00:49:30,240
who are questioning it with a hundred

1058
00:49:33,290 --> 00:49:31,800
different news outlets that are going to

1059
00:49:35,030 --> 00:49:33,300
just copy and paste and run with the

1060
00:49:37,069 --> 00:49:35,040
story and why are those news outlets

1061
00:49:38,630 --> 00:49:37,079
doing that because it sells because it

1062
00:49:40,550 --> 00:49:38,640
gets people to go to their web page and

1063
00:49:43,430 --> 00:49:40,560

if you want a perfect example of that

1064

00:49:44,809 --> 00:49:43,440

the debrief is the prime example go

1065

00:49:46,490 --> 00:49:44,819

through their Twitter feed and look at

1066

00:49:47,930 --> 00:49:46,500

their average tweet response and and

1067

00:49:50,210 --> 00:49:47,940

what their interactions are and

1068

00:49:52,069 --> 00:49:50,220

impressions are it's like nine to ten

1069

00:49:54,470 --> 00:49:52,079

thousand Impressions on an average tweet

1070

00:49:57,050 --> 00:49:54,480

for those guys yesterday or when that

1071

00:49:58,250 --> 00:49:57,060

story came out they had over a million

1072

00:49:59,870 --> 00:49:58,260

or close to a million I think it was

1073

00:50:02,210 --> 00:49:59,880

just under a million a million

1074

00:50:03,589 --> 00:50:02,220

impressions their website got so

1075

00:50:04,910 --> 00:50:03,599

hammered by people going to read that

1076

00:50:06,470 --> 00:50:04,920

article that they couldn't handle the

1077

00:50:08,450 --> 00:50:06,480

traffic as you stated in your show last

1078

00:50:09,950 --> 00:50:08,460

night it kept going up and down all day

1079

00:50:11,390 --> 00:50:09,960

because they weren't handling they

1080

00:50:14,930 --> 00:50:11,400

weren't prepared to handle that sort of

1081

00:50:16,790 --> 00:50:14,940

traffic so you know I swear I can

1082

00:50:19,130 --> 00:50:16,800

remember when the guy who started the

1083

00:50:20,150 --> 00:50:19,140

debrief was very like incredibly

1084

00:50:22,370 --> 00:50:20,160

skeptical

1085

00:50:24,290 --> 00:50:22,380

and it seems like he started the debrief

1086

00:50:26,210 --> 00:50:24,300

and that went out the window and it was

1087

00:50:28,190 --> 00:50:26,220

just like you're right like copy and

1088

00:50:30,470 --> 00:50:28,200

paste what did Lou say this week let's

1089

00:50:32,270 --> 00:50:30,480

write a story about it what did Gary

1090

00:50:35,990 --> 00:50:32,280

Nolan say this week write a story about

1091

00:50:39,290 --> 00:50:36,000

it it's like this Echo chamber of of you

1092

00:50:41,089 --> 00:50:39,300

know no that's not journalism it's just

1093

00:50:43,069 --> 00:50:41,099

no it's not journalism like uh John

1094

00:50:44,450 --> 00:50:43,079

Greenwald said on Twitter last week or

1095

00:50:45,470 --> 00:50:44,460

maybe the week before that he said if

1096

00:50:47,089 --> 00:50:45,480

you know if you're going to be a

1097

00:50:48,290 --> 00:50:47,099

journalist you need to investigate stuff

1098

00:50:50,390 --> 00:50:48,300

if you're going to be an investing when

1099

00:50:52,970 --> 00:50:50,400

you're calling yourself an investigative

1100

00:50:54,650 --> 00:50:52,980

journalist right and and he and the

1101
00:50:55,910 --> 00:50:54,660
quote that I liked that he made was if

1102
00:50:58,549 --> 00:50:55,920
you're not doing these things what

1103
00:51:00,109 --> 00:50:58,559
you're doing is PR not journalism and

1104
00:51:03,049 --> 00:51:00,119
that's the truth these people have

1105
00:51:05,270 --> 00:51:03,059
gotten the best PR that you can money

1106
00:51:06,470 --> 00:51:05,280
can buy and actually better than money

1107
00:51:07,609 --> 00:51:06,480
can buy

1108
00:51:08,930 --> 00:51:07,619
um you know and they're getting it for

1109
00:51:10,130 --> 00:51:08,940
free because people are just doing it

1110
00:51:12,410 --> 00:51:10,140
for click bait they've got all these

1111
00:51:15,109 --> 00:51:12,420
different little podcasters and YouTube

1112
00:51:17,450 --> 00:51:15,119
personalities and and you know groomed

1113
00:51:19,790 --> 00:51:17,460

media assets like Chris sharp you know

1114

00:51:23,089 --> 00:51:19,800

and other people who are just who take

1115

00:51:25,130 --> 00:51:23,099

what they say you know don't investigate

1116

00:51:27,470 --> 00:51:25,140

or question any of it and just run with

1117

00:51:29,569 --> 00:51:27,480

it and puppet it and the more people do

1118

00:51:32,329 --> 00:51:29,579

that it creates a little Echo chamber

1119

00:51:35,150 --> 00:51:32,339

before you you know it places like CNN

1120

00:51:36,710 --> 00:51:35,160

and and you know and BC and ABC they're

1121

00:51:37,970 --> 00:51:36,720

gonna grab it and run with it at some

1122

00:51:39,349 --> 00:51:37,980

point when it's been run and everybody

1123

00:51:41,390 --> 00:51:39,359

else is talking about it they're going

1124

00:51:42,710 --> 00:51:41,400

to do it too now hopefully they have a

1125

00:51:43,730 --> 00:51:42,720

more critical eye and people start

1126

00:51:46,549 --> 00:51:43,740

getting back to a little bit of

1127

00:51:48,470 --> 00:51:46,559

Journalism but it doesn't take it

1128

00:51:50,329 --> 00:51:48,480

doesn't take weeks and weeks and weeks

1129

00:51:52,730 --> 00:51:50,339

to fet some of this stuff you know in

1130

00:51:54,589 --> 00:51:52,740

the case it took like an hour to figure

1131

00:51:55,849 --> 00:51:54,599

out everything there is to find on him

1132

00:51:57,230 --> 00:51:55,859

on the internet which isn't much as

1133

00:51:59,270 --> 00:51:57,240

you've stated

1134

00:52:01,069 --> 00:51:59,280

um it doesn't take a lot you know you

1135

00:52:03,069 --> 00:52:01,079

don't have to sit down and do a a full

1136

00:52:05,390 --> 00:52:03,079

year-long full-time investigation into

1137

00:52:07,370 --> 00:52:05,400

Elizondo like I did you don't have to go

1138

00:52:08,690 --> 00:52:07,380

that far if these people don't have

1139

00:52:11,030 --> 00:52:08,700

something out there that backs up their

1140

00:52:13,790 --> 00:52:11,040

story these media Outlets should not be

1141

00:52:15,589 --> 00:52:13,800

running them should not and and honestly

1142

00:52:18,049 --> 00:52:15,599

the onus comes on them and at some point

1143

00:52:20,569 --> 00:52:18,059

people need to react you know so many I

1144

00:52:23,450 --> 00:52:20,579

think that something changed you know so

1145

00:52:25,490 --> 00:52:23,460

I I kind of remember fondly the days

1146

00:52:27,589 --> 00:52:25,500

before the internet where like

1147

00:52:30,410 --> 00:52:27,599

television investigative journalism in

1148

00:52:32,210 --> 00:52:30,420

60 minutes it was like it was such good

1149

00:52:34,370 --> 00:52:32,220

work that these guys did they really

1150

00:52:37,309 --> 00:52:34,380

dotted their eyes they crossed their T's

1151
00:52:40,849 --> 00:52:37,319
they had many sources to confirm the

1152
00:52:42,410 --> 00:52:40,859
story it was so different and now we

1153
00:52:43,790 --> 00:52:42,420
live in this information age where

1154
00:52:46,010 --> 00:52:43,800
everybody's just trying to push out a

1155
00:52:49,250 --> 00:52:46,020
story just create content so people

1156
00:52:51,230 --> 00:52:49,260
click on it and and we're really just

1157
00:52:53,569 --> 00:52:51,240
living in a deluge of garbage

1158
00:52:56,030 --> 00:52:53,579
information unfortunately because of

1159
00:52:58,609 --> 00:52:56,040
this and quite honestly you know I'm

1160
00:53:00,470 --> 00:52:58,619
talking to this Canadian uh media person

1161
00:53:03,109 --> 00:53:00,480
who by the way they didn't want to be

1162
00:53:04,849 --> 00:53:03,119
named in any way

1163
00:53:06,829 --> 00:53:04,859

I was gonna name I'm like I'll credit

1164

00:53:11,630 --> 00:53:06,839

y'all name you for no then no no don't

1165

00:53:16,490 --> 00:53:14,569

thinking crazy that you got you've got

1166

00:53:17,750 --> 00:53:16,500

wind of this and you didn't report on it

1167

00:53:19,250 --> 00:53:17,760

and they were like yeah because it's

1168

00:53:22,130 --> 00:53:19,260

unconfirmed

1169

00:53:24,530 --> 00:53:22,140

it's stories so they didn't they didn't

1170

00:53:27,650 --> 00:53:24,540

run with that story and they heard what

1171

00:53:29,530 --> 00:53:27,660

this they heard about what this man said

1172

00:53:32,450 --> 00:53:29,540

in these Canadian

1173

00:53:35,210 --> 00:53:32,460

Parliament meetings with Canadian

1174

00:53:37,130 --> 00:53:35,220

Parliament members which which what they

1175

00:53:39,650 --> 00:53:37,140

heard he said is what we heard in the

1176

00:53:43,430 --> 00:53:39,660

debrief article essentially from this

1177

00:53:45,470 --> 00:53:43,440

man David Grush and they didn't run with

1178

00:53:47,210 --> 00:53:45,480

the story because they can't confirm any

1179

00:53:49,910 --> 00:53:47,220

of that as true or accurate information

1180

00:53:51,170 --> 00:53:49,920

it's just a guy who happens to somehow

1181

00:53:52,370 --> 00:53:51,180

get a meeting with the Canadian

1182

00:53:55,069 --> 00:53:52,380

Parliament member and he's telling

1183

00:53:56,809 --> 00:53:55,079

stories about aliens and by the way just

1184

00:53:58,910 --> 00:53:56,819

to be very clear

1185

00:54:01,609 --> 00:53:58,920

um that one Canadian Parliament member

1186

00:54:04,010 --> 00:54:01,619

is interested in UFOs he's kind of like

1187

00:54:06,470 --> 00:54:04,020

the Canadian Timber shed or whatever you

1188

00:54:09,349 --> 00:54:06,480

know like he's into it so he'll take

1189

00:54:11,510 --> 00:54:09,359

meetings with these guys you know yeah

1190

00:54:13,430 --> 00:54:11,520

and I'm not a honestly I'm not surprised

1191

00:54:15,170 --> 00:54:13,440

to learn that there that these this

1192

00:54:17,510 --> 00:54:15,180

group of people was up in Canada doing

1193

00:54:20,510 --> 00:54:17,520

that you know we saw where they were in

1194

00:54:22,190 --> 00:54:20,520

Italy they were in um uh where was that

1195

00:54:23,450 --> 00:54:22,200

other place um anyways they've been in

1196

00:54:25,250 --> 00:54:23,460

they've been in foreign countries trying

1197

00:54:27,589 --> 00:54:25,260

to do this as well where they'll get

1198

00:54:30,470 --> 00:54:27,599

more traction and less resistance where

1199

00:54:32,930 --> 00:54:30,480

the the UFO subject is more widely

1200

00:54:34,670 --> 00:54:32,940

accepted or possibly even they're doing

1201

00:54:35,930 --> 00:54:34,680

it because these are our Allied

1202

00:54:37,490 --> 00:54:35,940

countries and they're trying to use it

1203

00:54:39,109 --> 00:54:37,500

to put external pressure on the United

1204

00:54:41,329 --> 00:54:39,119

States to release something that they

1205

00:54:43,670 --> 00:54:41,339

think or believe is there but the truth

1206

00:54:45,109 --> 00:54:43,680

is that if there was evidence there

1207

00:54:46,730 --> 00:54:45,119

it would have been released somebody

1208

00:54:48,109 --> 00:54:46,740

would have brought it out somebody like

1209

00:54:50,150 --> 00:54:48,119

Russ should have brought it out if he's

1210

00:54:51,770 --> 00:54:50,160

got all these documents and and has

1211

00:54:53,809 --> 00:54:51,780

evidence of his claims why didn't he

1212

00:54:55,370 --> 00:54:53,819

leak them you know I mean that would be

1213

00:54:56,809 --> 00:54:55,380

a whistleblower that really kind of

1214

00:54:58,670 --> 00:54:56,819

bothers me with people calling him a

1215

00:55:00,410 --> 00:54:58,680

whistleblower this man is not a

1216

00:55:02,150 --> 00:55:00,420

whistleblower yeah what what whistle are

1217

00:55:04,430 --> 00:55:02,160

you blowing if you don't have any the

1218

00:55:08,109 --> 00:55:04,440

Snowden had like a mountain of evidence

1219

00:55:11,450 --> 00:55:08,119

you know so it's a great example um

1220

00:55:13,549 --> 00:55:11,460

a mountain of evidence he had like you

1221

00:55:16,549 --> 00:55:13,559

know thousands of government officials

1222

00:55:19,670 --> 00:55:16,559

emails and he dropped it all and videos

1223

00:55:22,250 --> 00:55:19,680

of like civilians being killed unfairly

1224

00:55:24,530 --> 00:55:22,260

in the middle of a war zone women and

1225

00:55:26,270 --> 00:55:24,540

children and and drone attacks and he

1226
00:55:29,089 --> 00:55:26,280
had all this evidence and he dropped it

1227
00:55:30,589 --> 00:55:29,099
all and he it was irrefutable though you

1228
00:55:31,910 --> 00:55:30,599
couldn't argue with it we couldn't argue

1229
00:55:33,290 --> 00:55:31,920
with the evidence he didn't sit there

1230
00:55:35,030 --> 00:55:33,300
and say trust me bro this stuff's

1231
00:55:36,890 --> 00:55:35,040
happening and say oh but I can't show

1232
00:55:38,750 --> 00:55:36,900
you the documents that's classified no

1233
00:55:41,510 --> 00:55:38,760
he dropped the evidence and the evidence

1234
00:55:44,030 --> 00:55:41,520
spoke for itself now that is something

1235
00:55:45,890 --> 00:55:44,040
that we haven't seen yet on any of of

1236
00:55:49,069 --> 00:55:45,900
these stories whether it's Elizondo

1237
00:55:50,630 --> 00:55:49,079
whether it's Grouch we haven't seen the

1238
00:55:53,089 --> 00:55:50,640

evidence that we wouldn't need a trust

1239

00:55:54,290 --> 00:55:53,099

me bro story we don't need a story we

1240

00:55:56,589 --> 00:55:54,300

don't need to be told what the evidence

1241

00:55:59,210 --> 00:55:56,599

is show us the evidence and if it's

1242

00:56:01,010 --> 00:55:59,220

incontrovertible it will stand on its

1243

00:56:03,290 --> 00:56:01,020

own two legs and tell the story without

1244

00:56:06,230 --> 00:56:03,300

anybody having to paraphrase what it is

1245

00:56:08,089 --> 00:56:06,240

but we just don't have that so that's a

1246

00:56:10,069 --> 00:56:08,099

huge uh red flag and I do want to point

1247

00:56:12,950 --> 00:56:10,079

that out you know the reality winner

1248

00:56:14,870 --> 00:56:12,960

used her clearances to print one

1249

00:56:16,910 --> 00:56:14,880

document that she was not accessed to

1250

00:56:19,849 --> 00:56:16,920

print and leaked it to the news and she

1251

00:56:22,190 --> 00:56:19,859

was was sentenced to close to five years

1252

00:56:23,750 --> 00:56:22,200

over five years in prison for that I

1253

00:56:25,069 --> 00:56:23,760

mean the FBI knocked on her door and was

1254

00:56:28,309 --> 00:56:25,079

kicking in her door and wanting to know

1255

00:56:29,870 --> 00:56:28,319

about it now if if garush had done

1256

00:56:31,309 --> 00:56:29,880

anything like that if he had gone and

1257

00:56:33,230 --> 00:56:31,319

done what he said he did where he was

1258

00:56:34,790 --> 00:56:33,240

getting all this impact information if

1259

00:56:36,410 --> 00:56:34,800

he was using his clearances to pull

1260

00:56:38,329 --> 00:56:36,420

documents and to get proof of these

1261

00:56:41,089 --> 00:56:38,339

things they would have found out a long

1262

00:56:42,290 --> 00:56:41,099

before today long before he even retired

1263

00:56:44,030 --> 00:56:42,300

and they probably would have locked him

1264

00:56:45,589 --> 00:56:44,040

up for it they wouldn't have let him

1265

00:56:48,230 --> 00:56:45,599

just walk out and he certainly wouldn't

1266

00:56:50,650 --> 00:56:48,240

have been cleared by dopsar to go tell

1267

00:56:53,210 --> 00:56:50,660

his story to an Australian journalist

1268

00:56:55,609 --> 00:56:53,220

there's so many more to a Canadian

1269

00:56:57,650 --> 00:56:55,619

Parliament member and absolutely not to

1270

00:56:59,630 --> 00:56:57,660

a Canadian Parliament member and I have

1271

00:57:01,069 --> 00:56:59,640

another thing I have some insight I want

1272

00:57:02,630 --> 00:57:01,079

to I want to share this and actually

1273

00:57:04,730 --> 00:57:02,640

this came from Steve long what a great

1274

00:57:07,010 --> 00:57:04,740

find thank you Steve long

1275

00:57:11,210 --> 00:57:07,020

um this passage was left out of Captain

1276

00:57:13,130 --> 00:57:11,220

Edward J rupeltz 1956 book the report on

1277

00:57:15,589 --> 00:57:13,140

unidentified flying objects but was

1278

00:57:18,730 --> 00:57:15,599

included in dress found among his files

1279

00:57:21,349 --> 00:57:18,740

it betrays the roots of the UFO cover-up

1280

00:57:23,510 --> 00:57:21,359

disclosure issue more accurately than

1281

00:57:26,450 --> 00:57:23,520

root belt could have imagined and here's

1282

00:57:29,030 --> 00:57:26,460

the quote quote so long ago that nobody

1283

00:57:31,370 --> 00:57:29,040

knows why the government established a

1284

00:57:33,589 --> 00:57:31,380

policy not to comment on anything that

1285

00:57:36,530 --> 00:57:33,599

is written or said by private citizens

1286

00:57:39,170 --> 00:57:36,540

people can make any fantastic claim with

1287

00:57:42,290 --> 00:57:39,180

a relative relatively High degree of

1288

00:57:44,630 --> 00:57:42,300

immunity to being exposed this policy

1289

00:57:48,410 --> 00:57:44,640

has been a bonanza to the writers of

1290

00:57:51,410 --> 00:57:48,420

saucer lure remember this is 1956. the

1291

00:57:53,510 --> 00:57:51,420

basic concept of sorcerism versus the

1292

00:57:54,650 --> 00:57:53,520

Air Force Warfare is to print or say

1293

00:57:57,410 --> 00:57:54,660

anything

1294

00:58:00,049 --> 00:57:57,420

and as proof of your honesty dare the

1295

00:58:02,390 --> 00:58:00,059

Air Force to contradict you

1296

00:58:04,549 --> 00:58:02,400

I wonder if that's still their policy is

1297

00:58:05,870 --> 00:58:04,559

it kind of it seems like if they're a

1298

00:58:07,549 --> 00:58:05,880

private citizen they don't really want

1299

00:58:09,470 --> 00:58:07,559

to talk you know they're not a

1300

00:58:11,270 --> 00:58:09,480

government employee you know yeah and

1301
00:58:13,370 --> 00:58:11,280
that's that's how people mischaracterize

1302
00:58:15,589 --> 00:58:13,380
what the dopsar process is they say oh

1303
00:58:17,750 --> 00:58:15,599
well dops are cleared rush to come out

1304
00:58:20,030 --> 00:58:17,760
and say what he did absolutely no they

1305
00:58:22,309 --> 00:58:20,040
did not no it's even in the letter that

1306
00:58:23,930 --> 00:58:22,319
this letter is not an indication of the

1307
00:58:25,970 --> 00:58:23,940
veracity of your claims or something

1308
00:58:28,609 --> 00:58:25,980
like that right right and that's they

1309
00:58:31,609 --> 00:58:28,619
even but in other letters that I've seen

1310
00:58:33,530 --> 00:58:31,619
they don't explicitly say that so they

1311
00:58:35,569 --> 00:58:33,540
they knew that this was going to cause

1312
00:58:37,970 --> 00:58:35,579
some kind of controversy and they said

1313
00:58:40,789 --> 00:58:37,980

it explicitly in the letter clearing him

1314

00:58:45,410 --> 00:58:40,799

that this letter is is you know it's

1315

00:58:47,630 --> 00:58:45,420

it's not us uh endorsing the veracity of

1316

00:58:50,210 --> 00:58:47,640

your or accuracy of your claims in any

1317

00:58:51,829 --> 00:58:50,220

way absolutely all that they're doing is

1318

00:58:53,690 --> 00:58:51,839

they're scanning that for classified

1319

00:58:55,309 --> 00:58:53,700

material that might have been mentioned

1320

00:58:56,630 --> 00:58:55,319

or anything that's classified and

1321

00:58:58,430 --> 00:58:56,640

they're saying you can't say that

1322

00:59:00,349 --> 00:58:58,440

because it's classified you have to take

1323

00:59:01,970 --> 00:59:00,359

that out or you can sail that because

1324

00:59:04,069 --> 00:59:01,980

it's not classified and that should be

1325

00:59:05,990 --> 00:59:04,079

another huge red flag to everyone here

1326
00:59:08,210 --> 00:59:06,000
that anything that they approved him to

1327
00:59:10,549 --> 00:59:08,220
talk about if that's true is not

1328
00:59:12,349 --> 00:59:10,559
classified it's and so if it's not

1329
00:59:14,450 --> 00:59:12,359
constantly but how could that not be

1330
00:59:16,309 --> 00:59:14,460
classified because he's saying these are

1331
00:59:18,950 --> 00:59:16,319
secret projects it would have to be

1332
00:59:21,410 --> 00:59:18,960
classified project by definition right

1333
00:59:23,870 --> 00:59:21,420
it's under cover-up it would they use

1334
00:59:25,730 --> 00:59:23,880
classifications to do the cover-up if

1335
00:59:28,250 --> 00:59:25,740
it's not classified that we're picking

1336
00:59:31,549 --> 00:59:28,260
up extraterrestrial bodies and intact

1337
00:59:33,250 --> 00:59:31,559
spacecraft and what did you think of the

1338
00:59:36,410 --> 00:59:33,260

fact that this guy was involved with the

1339

00:59:38,150 --> 00:59:36,420

X-37B and space force honestly I think

1340

00:59:40,490 --> 00:59:38,160

that's cool as crap I would much rather

1341

00:59:42,230 --> 00:59:40,500

hear about his involvement with the x37b

1342

00:59:44,089 --> 00:59:42,240

in space force than I would about his

1343

00:59:46,010 --> 00:59:44,099

fictional involvement with UFO programs

1344

00:59:48,109 --> 00:59:46,020

or non-involvement or whatever he claims

1345

00:59:49,849 --> 00:59:48,119

because he's even said he hasn't seen

1346

00:59:51,710 --> 00:59:49,859

the evidence he hasn't seen photos he

1347

00:59:53,450 --> 00:59:51,720

hasn't seen I don't know what he says he

1348

00:59:55,789 --> 00:59:53,460

has other than stuff well there seems to

1349

00:59:59,390 --> 00:59:55,799

be there seems to be a problem with the

1350

01:00:01,910 --> 00:59:59,400

with the photo because Colt art and

1351
01:00:05,450 --> 01:00:01,920
zabel or whatever his what is that guy's

1352
01:00:07,970 --> 01:00:05,460
name the his partner in the podcast that

1353
01:00:10,789 --> 01:00:07,980
he does first cycle Bruce zeibel they

1354
01:00:12,289 --> 01:00:10,799
both said that he saw pictures but he

1355
01:00:13,670 --> 01:00:12,299
apparently said he didn't see any

1356
01:00:15,170 --> 01:00:13,680
pictures well there's another

1357
01:00:17,329 --> 01:00:15,180
contradiction there's another big

1358
01:00:19,250 --> 01:00:17,339
contradiction I I would think I would

1359
01:00:22,309 --> 01:00:19,260
remember if the guy said he saw pictures

1360
01:00:24,650 --> 01:00:22,319
of alien spacecraft and alien bodies or

1361
01:00:27,650 --> 01:00:24,660
not but these two guys are trying their

1362
01:00:31,130 --> 01:00:27,660
very best to sell the story they may be

1363
01:00:33,049 --> 01:00:31,140

over promising and soon we'll we'll be

1364

01:00:35,870 --> 01:00:33,059

victims of the under deliver and the big

1365

01:00:37,309 --> 01:00:35,880

letdown yeah even if you assume that he

1366

01:00:39,049 --> 01:00:37,319

did see a photograph it's still

1367

01:00:41,210 --> 01:00:39,059

secondhand information even if you

1368

01:00:42,770 --> 01:00:41,220

assume that that he was told about these

1369

01:00:45,650 --> 01:00:42,780

programs it's second-hand information

1370

01:00:48,170 --> 01:00:45,660

yeah it could be these crash retrieval

1371

01:00:51,230 --> 01:00:48,180

things it's so ridiculous absolutely the

1372

01:00:52,809 --> 01:00:51,240

US government has a UFO crash retrieval

1373

01:00:54,710 --> 01:00:52,819

program

1374

01:00:55,970 --> 01:00:54,720

satellite crashes in the United States

1375

01:00:57,170 --> 01:00:55,980

we're not going to send somebody out to

1376

01:00:59,349 --> 01:00:57,180

pick it up and try to figure out what

1377

01:01:02,030 --> 01:00:59,359

they're exactly and I think

1378

01:01:03,470 --> 01:01:02,040

West correctly pointed out that some

1379

01:01:05,870 --> 01:01:03,480

people may have been involved in

1380

01:01:08,329 --> 01:01:05,880

programs like that and started working

1381

01:01:10,430 --> 01:01:08,339

on some of these recovered objects and

1382

01:01:12,589 --> 01:01:10,440

became convinced somehow that it was

1383

01:01:16,069 --> 01:01:12,599

alien spacecraft not Russian or Chinese

1384

01:01:17,630 --> 01:01:16,079

somehow you know there's what what gives

1385

01:01:19,609 --> 01:01:17,640

me caution is that there's all these

1386

01:01:21,890 --> 01:01:19,619

advancements in Material Science that

1387

01:01:24,069 --> 01:01:21,900

most normal I'm kind of a nerd so you

1388

01:01:27,170 --> 01:01:24,079

know I read about graphene and things

1389

01:01:31,190 --> 01:01:27,180

that they're working on and and

1390

01:01:33,530 --> 01:01:31,200

carbon nanotubes and and the 3D printing

1391

01:01:35,930 --> 01:01:33,540

world is going to explode soon with the

1392

01:01:38,089 --> 01:01:35,940

ability they will soon be able to 3D

1393

01:01:40,970 --> 01:01:38,099

print airplanes if they're not doing it

1394

01:01:44,230 --> 01:01:40,980

already you know and I mean metal ones

1395

01:01:46,849 --> 01:01:44,240

and but they have these new Advanced uh

1396

01:01:49,430 --> 01:01:46,859

materials like carbon nanotubes or

1397

01:01:53,270 --> 01:01:49,440

carbon mesh fiber and the 3D printer

1398

01:01:56,870 --> 01:01:53,280

will like carbon mesh build bit by bit

1399

01:01:59,150 --> 01:01:56,880

build an entire aircraft for you it may

1400

01:02:01,089 --> 01:01:59,160

be that China and Russia are using some

1401
01:02:03,950 --> 01:02:01,099
of these emerging or new technologies

1402
01:02:05,690 --> 01:02:03,960
and that something crashed and we got a

1403
01:02:07,490 --> 01:02:05,700
hold of it and somebody became convinced

1404
01:02:09,829 --> 01:02:07,500
this can't be Russian this can't be

1405
01:02:11,450 --> 01:02:09,839
Chinese this has got to be alien and

1406
01:02:14,569 --> 01:02:11,460
they started telling stories this guy

1407
01:02:16,549 --> 01:02:14,579
gets a whiff of it and suddenly he's

1408
01:02:19,250 --> 01:02:16,559
telling these stories and then here's

1409
01:02:20,630 --> 01:02:19,260
another important this is incredibly

1410
01:02:22,430 --> 01:02:20,640
important

1411
01:02:25,190 --> 01:02:22,440
um and and I wanted to share it with you

1412
01:02:27,950 --> 01:02:25,200
and get your reaction because it appears

1413
01:02:32,150 --> 01:02:27,960

that besides being closely as Associated

1414

01:02:34,370 --> 01:02:32,160

now with Dr Gary Nolan and Ross

1415

01:02:37,370 --> 01:02:34,380

coldthart it also appears that Eric

1416

01:02:39,890 --> 01:02:37,380

Davis is directly involved and Eric

1417

01:02:42,410 --> 01:02:39,900

Davis says Gary Nolan and I have been

1418

01:02:44,809 --> 01:02:42,420

working together since 2009 and what he

1419

01:02:45,890 --> 01:02:44,819

told the reporter is 100 accurate this

1420

01:02:48,230 --> 01:02:45,900

is about as

1421

01:02:50,210 --> 01:02:48,240

you know alien claims much of what he

1422

01:02:52,609 --> 01:02:50,220

said is partly based on my work over 25

1423

01:02:55,490 --> 01:02:52,619

years and more recent work of my nail

1424

01:02:58,670 --> 01:02:55,500

former special security officer who

1425

01:03:01,069 --> 01:02:58,680

works in Colorado Springs and is in and

1426
01:03:03,410 --> 01:03:01,079
is the U.S government whistleblower who

1427
01:03:05,390 --> 01:03:03,420
remains unknown but will become known

1428
01:03:09,289 --> 01:03:05,400
and is soon to be published expose in

1429
01:03:11,450 --> 01:03:09,299
the Washington Post so Eric Davis may be

1430
01:03:14,510 --> 01:03:11,460
the person feeding him the stories the

1431
01:03:16,849 --> 01:03:14,520
the source of the Wilson Davis notes

1432
01:03:18,650 --> 01:03:16,859
that people have been arguing about for

1433
01:03:20,870 --> 01:03:18,660
years that no one will ever prove are

1434
01:03:23,089 --> 01:03:20,880
real or true or you know

1435
01:03:25,010 --> 01:03:23,099
yeah it has some uh similarities

1436
01:03:27,950 --> 01:03:25,020
obviously and it's hard to deny that if

1437
01:03:30,530 --> 01:03:27,960
garush was working with Eric Davis that

1438
01:03:32,750 --> 01:03:30,540

he's not one of those uh that Davis

1439

01:03:35,150 --> 01:03:32,760

isn't one of his sources and that right

1440

01:03:36,410 --> 01:03:35,160

there again like you said earlier you

1441

01:03:37,849 --> 01:03:36,420

don't have to go too far into these

1442

01:03:39,829 --> 01:03:37,859

stories until everyone's connected to

1443

01:03:42,109 --> 01:03:39,839

everybody else it's the same players

1444

01:03:43,910 --> 01:03:42,119

it's always Davis behind the scenes it's

1445

01:03:45,650 --> 01:03:43,920

always Elizondo it's always Chris melon

1446

01:03:48,109 --> 01:03:45,660

it's always Gary Nolan it's always the

1447

01:03:49,609 --> 01:03:48,119

same exact people and now they've got

1448

01:03:52,370 --> 01:03:49,619

the same journalist if it's not George

1449

01:03:54,230 --> 01:03:52,380

Knapp and and you know uh then it's or

1450

01:03:56,630 --> 01:03:54,240

Leslie Kane and Ralph Blumenthal then

1451

01:04:01,190 --> 01:03:56,640

it's now it's Ross kufart you know or

1452

01:04:05,390 --> 01:04:01,200

yeah and my my caution the reason that I

1453

01:04:08,750 --> 01:04:05,400

refuse Manny to not be cautious here and

1454

01:04:12,170 --> 01:04:08,760

I certainly refuse so far to give in to

1455

01:04:14,930 --> 01:04:12,180

things like hoping even I don't even

1456

01:04:16,910 --> 01:04:14,940

want to Hope yet that this guy is on the

1457

01:04:19,130 --> 01:04:16,920

level and telling the truth because I

1458

01:04:21,370 --> 01:04:19,140

see things like this and who's to say

1459

01:04:24,410 --> 01:04:21,380

that his sources aren't

1460

01:04:27,289 --> 01:04:24,420

like Eric Davis or Hal putoff or the

1461

01:04:29,329 --> 01:04:27,299

whole Skinwalker spooky crew you know

1462

01:04:31,309 --> 01:04:29,339

that have been doing this stuff and

1463

01:04:34,190 --> 01:04:31,319

saying this stuff for decades and never

1464

01:04:36,309 --> 01:04:34,200

proving it who's to say his sources are

1465

01:04:39,470 --> 01:04:36,319

not how put off

1466

01:04:41,390 --> 01:04:39,480

Lou Elizondo before we know he picked up

1467

01:04:43,190 --> 01:04:41,400

Colonel Corso's book and read it and is

1468

01:04:45,349 --> 01:04:43,200

using that as a source you know I mean

1469

01:04:47,690 --> 01:04:45,359

and that's the point I mean what

1470

01:04:50,210 --> 01:04:47,700

he gruchus not said anything different

1471

01:04:51,770 --> 01:04:50,220

than Bob Lazar said or Colonel Corso or

1472

01:04:53,750 --> 01:04:51,780

like you pointed out Eric Davis or some

1473

01:04:55,309 --> 01:04:53,760

of these other people hell put off like

1474

01:04:58,069 --> 01:04:55,319

these people have been saying four years

1475

01:05:00,410 --> 01:04:58,079

so I don't understand why people are so

1476

01:05:03,650 --> 01:05:00,420

quick to jump on his story and accept it

1477

01:05:06,349 --> 01:05:03,660

as fact when there's zero evidence of

1478

01:05:08,329 --> 01:05:06,359

his claims zero he's been I think a lot

1479

01:05:11,210 --> 01:05:08,339

of people everybody else a lot of people

1480

01:05:13,190 --> 01:05:11,220

are really like laying on his

1481

01:05:15,530 --> 01:05:13,200

credentials well the guy's so

1482

01:05:18,650 --> 01:05:15,540

credentialed he would know he would get

1483

01:05:24,490 --> 01:05:18,660

access right and and I don't I don't

1484

01:05:29,950 --> 01:05:28,010

didn't say Erica loose on Twitter uh

1485

01:05:33,410 --> 01:05:29,960

credit to Erica Luke's

1486

01:05:37,549 --> 01:05:33,420

this is from 1978.

1487

01:05:40,370 --> 01:05:37,559

right and look what it says I trust that

1488

01:05:42,890 --> 01:05:40,380

its impact or its implications the

1489

01:05:45,829 --> 01:05:42,900

stories of UFO crash retrievals in this

1490

01:05:47,630 --> 01:05:45,839

book will not cause alarm or to the

1491

01:05:50,329 --> 01:05:47,640

other extreme bore you for the record my

1492

01:05:53,089 --> 01:05:50,339

original papers entitled retrievals of

1493

01:05:55,730 --> 01:05:53,099

the Third Kind completed April 5th 1978

1494

01:05:58,250 --> 01:05:55,740

has been drastically changed since that

1495

01:06:00,730 --> 01:05:58,260

date many major events have happened and

1496

01:06:03,289 --> 01:06:00,740

new information concerning concerning

1497

01:06:06,410 --> 01:06:03,299

retrievals of craft and the alien

1498

01:06:08,510 --> 01:06:06,420

humanoids have come into my hands some

1499

01:06:12,770 --> 01:06:08,520

of these data are sensitive for a number

1500

01:06:19,130 --> 01:06:16,549

1978 hey and guess you know listen I I

1501

01:06:21,890 --> 01:06:19,140

read the Stringfield books I found them

1502

01:06:24,349 --> 01:06:21,900

extremely entertaining and and things

1503

01:06:27,049 --> 01:06:24,359

like that but Stringfield used almost

1504

01:06:29,990 --> 01:06:27,059

exclusively all his books were like just

1505

01:06:32,270 --> 01:06:30,000

filled every other story or every story

1506

01:06:35,750 --> 01:06:32,280

of a crash retrieval was Anonymous

1507

01:06:38,089 --> 01:06:35,760

sources he never proved anything he made

1508

01:06:39,650 --> 01:06:38,099

a lot of money selling books about these

1509

01:06:42,049 --> 01:06:39,660

alien crash retrievals he claimed were

1510

01:06:44,329 --> 01:06:42,059

taking place all over the world and

1511

01:06:47,210 --> 01:06:44,339

especially in the United States but it

1512

01:06:49,849 --> 01:06:47,220

didn't prove anything so these are these

1513

01:06:53,930 --> 01:06:49,859

claims go back to at least 1978 well

1514

01:06:56,870 --> 01:06:53,940

Roswell too you know an Aztec that that

1515

01:07:00,589 --> 01:06:56,880

was fake and then we got the stunning

1516

01:07:04,130 --> 01:07:00,599

Revelation at the Trinity case of alien

1517

01:07:05,809 --> 01:07:04,140

crashes that's fake you know these

1518

01:07:08,150 --> 01:07:05,819

stories go way back and you're right

1519

01:07:12,710 --> 01:07:08,160

this is just like recycled story from

1520

01:07:14,510 --> 01:07:12,720

1978 sounds the same here you know yeah

1521

01:07:16,190 --> 01:07:14,520

yeah there's absolutely nothing new in

1522

01:07:18,890 --> 01:07:16,200

his story I mean we haven't seen the

1523

01:07:20,750 --> 01:07:18,900

full 7 or 11 hour interview however long

1524

01:07:23,029 --> 01:07:20,760

it ends up being that he has and it'll

1525

01:07:24,589 --> 01:07:23,039

probably take uh Ross cool third it'll

1526

01:07:25,970 --> 01:07:24,599

probably take him five months to drip

1527

01:07:27,349 --> 01:07:25,980

feed that out so he can milk it for

1528

01:07:28,670 --> 01:07:27,359

everything it's worth

1529

01:07:30,529 --> 01:07:28,680

um but I have a feeling that when the

1530

01:07:31,910 --> 01:07:30,539

dust settles all we're going to get are

1531

01:07:33,589 --> 01:07:31,920

a bunch more stories I don't think

1532

01:07:35,089 --> 01:07:33,599

there's going to be any evidence

1533

01:07:36,470 --> 01:07:35,099

um I don't think that we're going to see

1534

01:07:38,329 --> 01:07:36,480

anything new I don't even think we're

1535

01:07:39,829 --> 01:07:38,339

gonna even see or hear anything original

1536

01:07:42,049 --> 01:07:39,839

to be honest with you it's just going to

1537

01:07:44,210 --> 01:07:42,059

be a rehash of what other people have

1538

01:07:47,089 --> 01:07:44,220

said over the years propped up by this

1539

01:07:48,650 --> 01:07:47,099

copy paste media reporting that uh you

1540

01:07:51,109 --> 01:07:48,660

know leans so heavily on this guy's

1541

01:07:54,650 --> 01:07:51,119

credentials and and doesn't uh vet his

1542

01:07:56,390 --> 01:07:54,660

story or the the facts one bit and um

1543

01:07:59,390 --> 01:07:56,400

you know there's something else to think

1544

01:08:01,910 --> 01:07:59,400

about too is that then uh intelligence

1545

01:08:04,190 --> 01:08:01,920

Community by and large like the defense

1546

01:08:05,450 --> 01:08:04,200

intelligence agency they love when this

1547

01:08:06,650 --> 01:08:05,460

stuff happens and people are saying well

1548

01:08:08,390 --> 01:08:06,660

why doesn't the government shut this guy

1549

01:08:10,670 --> 01:08:08,400

down if he's wrong if he's lying they

1550

01:08:12,410 --> 01:08:10,680

love when this stuff comes out Jeremy

1551

01:08:14,390 --> 01:08:12,420

McAllen just did a great article about

1552

01:08:17,450 --> 01:08:14,400

asymmetric Warfare where he talks about

1553

01:08:19,130 --> 01:08:17,460

the reason you're right why why the dod

1554

01:08:21,410 --> 01:08:19,140

and certain factions in the intelligence

1555

01:08:23,450 --> 01:08:21,420

Community love when people like Grouch

1556

01:08:25,490 --> 01:08:23,460

come out love when people like Elizondo

1557

01:08:28,070 --> 01:08:25,500

come out and make up crazy Fantastical

1558

01:08:30,590 --> 01:08:28,080

stories about us having Superior alien

1559

01:08:32,269 --> 01:08:30,600

technology and to just kind of dumb it

1560

01:08:34,970 --> 01:08:32,279

down and put it in a you know wrap it up

1561

01:08:37,370 --> 01:08:34,980

in a nutshell it scares the hell out of

1562

01:08:39,169 --> 01:08:37,380

our adversaries it makes people in in

1563

01:08:41,630 --> 01:08:39,179

Russia or in China think that we've got

1564

01:08:43,309 --> 01:08:41,640

UFOs and and you know disintegration

1565

01:08:45,530 --> 01:08:43,319

beams why would they ever come over here

1566

01:08:46,669 --> 01:08:45,540

and mess around you know and it's just

1567

01:08:49,490 --> 01:08:46,679

that simple it has to do with

1568

01:08:50,870 --> 01:08:49,500

misinformation keeping your your enemy

1569

01:08:53,390 --> 01:08:50,880

and guessing where you are and where

1570

01:08:55,550 --> 01:08:53,400

you're not and you know and in the case

1571

01:08:57,410 --> 01:08:55,560

of some of these programs getting them

1572

01:08:59,390 --> 01:08:57,420

to commit resources to try to chase a

1573

01:09:01,669 --> 01:08:59,400

technology that doesn't exist or that

1574

01:09:04,309 --> 01:09:01,679

can be never exists so they waste their

1575

01:09:05,749 --> 01:09:04,319

their resources and their money and

1576

01:09:07,130 --> 01:09:05,759

their infrastructure on it so they're

1577

01:09:09,289 --> 01:09:07,140

not building Hypersonic weapons they're

1578

01:09:11,090 --> 01:09:09,299

out building trying to build UFOs you

1579

01:09:12,650 --> 01:09:11,100

know or they're not building the next

1580

01:09:14,630 --> 01:09:12,660

generation of aircraft carrier or

1581

01:09:16,669 --> 01:09:14,640

nuclear submarine because they're out

1582

01:09:18,769 --> 01:09:16,679

trying to build these Hypersonic drones

1583

01:09:21,169 --> 01:09:18,779

that can you know teleport from you know

1584

01:09:22,849 --> 01:09:21,179

can go to Mach 800 000 in two seconds

1585

01:09:24,050 --> 01:09:22,859

and warp anywhere in the planet you know

1586

01:09:26,510 --> 01:09:24,060

and all this [h__\h] that people are

1587

01:09:28,550 --> 01:09:26,520

trying to sell you know so there are

1588

01:09:29,809 --> 01:09:28,560

some kind of some issues that that are

1589

01:09:31,789 --> 01:09:29,819

around that and the government it

1590

01:09:33,050 --> 01:09:31,799

doesn't necessarily want them to stop I

1591

01:09:34,130 --> 01:09:33,060

mean they might they might not encourage

1592

01:09:36,349 --> 01:09:34,140

it but they're not going to go out of

1593

01:09:39,890 --> 01:09:36,359

their way to stop it either

1594

01:09:42,110 --> 01:09:39,900

yeah I'm getting I'm getting uh hammered

1595

01:09:44,930 --> 01:09:42,120

on Twitter by nameless faceless accounts

1596

01:09:47,630 --> 01:09:44,940

again Manny isn't that isn't that great

1597

01:09:49,849 --> 01:09:47,640

and you know what's great is somebody

1598

01:09:52,669 --> 01:09:49,859

just said on Twitter all cambian houses

1599

01:09:54,169 --> 01:09:52,679

trust me bro and he doesn't share his

1600

01:09:56,330 --> 01:09:54,179

sources

1601
01:09:59,390 --> 01:09:56,340
um I spent all day today Manny working

1602
01:10:01,370 --> 01:09:59,400
on this one story right to make sure

1603
01:10:03,770 --> 01:10:01,380
that I get the story right I have an

1604
01:10:06,410 --> 01:10:03,780
eight-year track record of getting

1605
01:10:09,590 --> 01:10:06,420
the story right and I'm still getting

1606
01:10:12,890 --> 01:10:09,600
[h__h] because people don't like the truth

1607
01:10:15,169 --> 01:10:12,900
apparently you know and and I'm to the

1608
01:10:17,090 --> 01:10:15,179
point like go listen to fair you know go

1609
01:10:20,149 --> 01:10:17,100
buy a Mother Goose book if you want

1610
01:10:22,729 --> 01:10:20,159
fairy tales don't come here because all

1611
01:10:24,649 --> 01:10:22,739
I do is follow the story and then I and

1612
01:10:26,450 --> 01:10:24,659
I take my audience with me and I share

1613
01:10:29,209 --> 01:10:26,460

with them what I found tonight is a

1614

01:10:31,250 --> 01:10:29,219

perfect example this is a new exclusive

1615

01:10:33,709 --> 01:10:31,260

story that nobody else has and people

1616

01:10:36,470 --> 01:10:33,719

are saying I don't have sources you know

1617

01:10:38,390 --> 01:10:36,480

then why did I get the story and

1618

01:10:40,189 --> 01:10:38,400

everybody else missed this I think this

1619

01:10:42,169 --> 01:10:40,199

is an important part of the timeline

1620

01:10:43,430 --> 01:10:42,179

here this is an important part of the

1621

01:10:44,630 --> 01:10:43,440

story you know

1622

01:10:48,649 --> 01:10:44,640

yeah

1623

01:10:49,970 --> 01:10:48,659

protect a source then that's what you

1624

01:10:51,350 --> 01:10:49,980

can do and that and you need to do that

1625

01:10:53,030 --> 01:10:51,360

you know and I understand that in

1626

01:10:55,430 --> 01:10:53,040

journalism you know like like there's

1627

01:10:57,169 --> 01:10:55,440

reasons people might not want their name

1628

01:10:59,030 --> 01:10:57,179

out there especially when they've seen

1629

01:11:00,649 --> 01:10:59,040

how uh anyone who questions this

1630

01:11:02,810 --> 01:11:00,659

particular group of people is treated

1631

01:11:05,209 --> 01:11:02,820

you know with the smear campaigns and

1632

01:11:06,709 --> 01:11:05,219

the doxing and the defamation and the

1633

01:11:08,510 --> 01:11:06,719

the online attacks I mean even

1634

01:11:11,090 --> 01:11:08,520

Kirkpatrick commented about it in the

1635

01:11:13,250 --> 01:11:11,100

last uh at the NASA uh UAP briefing

1636

01:11:14,930 --> 01:11:13,260

talked about the online harassment and

1637

01:11:16,850 --> 01:11:14,940

then there's people who who just openly

1638

01:11:18,110 --> 01:11:16,860

do this stuff so I can understand why in

1639

01:11:20,149 --> 01:11:18,120

today's day and age people want to keep

1640

01:11:21,470 --> 01:11:20,159

their sources confidential

1641

01:11:22,970 --> 01:11:21,480

um you know and that doesn't mean that

1642

01:11:25,010 --> 01:11:22,980

they're not true I mean at least you

1643

01:11:27,050 --> 01:11:25,020

have a source at least it's not you know

1644

01:11:28,669 --> 01:11:27,060

it's it's not somebody just repeating a

1645

01:11:29,750 --> 01:11:28,679

story they heard from someone else you

1646

01:11:31,010 --> 01:11:29,760

know so

1647

01:11:32,149 --> 01:11:31,020

um and be honest with you you know

1648

01:11:33,830 --> 01:11:32,159

you're normally pretty good about your

1649

01:11:35,209 --> 01:11:33,840

sources and using them so I think that

1650

01:11:37,010 --> 01:11:35,219

should give you the credibility in this

1651
01:11:38,510 --> 01:11:37,020
case to keep it confidential but you

1652
01:11:40,550 --> 01:11:38,520
know and you know maybe they just want

1653
01:11:41,810 --> 01:11:40,560
to uh retaliate against this person or

1654
01:11:43,130 --> 01:11:41,820
go find them so maybe that's why they're

1655
01:11:45,110 --> 01:11:43,140
trying to pry The Source out of you

1656
01:11:46,250 --> 01:11:45,120
stick to your Gods man you just to go

1657
01:11:47,450 --> 01:11:46,260
with your gut don't let people push

1658
01:11:48,830 --> 01:11:47,460
around and try to tell you how to do

1659
01:11:50,270 --> 01:11:48,840
your job you know you know what you're

1660
01:11:52,250 --> 01:11:50,280
doing is right you know what the sources

1661
01:11:54,709 --> 01:11:52,260
that you have are credible no you know

1662
01:11:57,950 --> 01:11:54,719
it I try I try not to let it bother me

1663
01:12:00,229 --> 01:11:57,960

you know like if if a real person comes

1664

01:12:02,209 --> 01:12:00,239

to me with some complaints I'm much more

1665

01:12:04,010 --> 01:12:02,219

apt to listen but when it's a nameless

1666

01:12:06,169 --> 01:12:04,020

faceless especially brand new Twitter

1667

01:12:08,450 --> 01:12:06,179

account I don't know who I'm talking to

1668

01:12:10,790 --> 01:12:08,460

it could be Lou Elizondo right it

1669

01:12:13,850 --> 01:12:10,800

probably is it could be anybody it could

1670

01:12:17,570 --> 01:12:13,860

be anybody uh I love to I did a story on

1671

01:12:19,550 --> 01:12:17,580

David Adair Manny and nobody is this

1672

01:12:22,070 --> 01:12:19,560

passionate about David there so David

1673

01:12:24,590 --> 01:12:22,080

Adair is in the comments to that story

1674

01:12:27,530 --> 01:12:24,600

in the in the video comments

1675

01:12:30,830 --> 01:12:27,540

like passionately defending David Adair

1676

01:12:32,870 --> 01:12:30,840

as a scientific genius

1677

01:12:35,450 --> 01:12:32,880

oh I know that's him I'm like that's got

1678

01:12:38,050 --> 01:12:35,460

to be David nobody cares much about that

1679

01:12:41,990 --> 01:12:38,060

old clown yeah I think

1680

01:12:44,149 --> 01:12:42,000

aliens engine stories and Area 51 he was

1681

01:12:46,669 --> 01:12:44,159

there when he was a kid and oh come on

1682

01:12:48,470 --> 01:12:46,679

you know yeah we all know that

1683

01:12:50,570 --> 01:12:48,480

elizondo's used a few sock puppet

1684

01:12:52,250 --> 01:12:50,580

accounts um you know and and his

1685

01:12:53,630 --> 01:12:52,260

significant other also loves to get on

1686

01:12:55,189 --> 01:12:53,640

Twitter and go fight battles for him

1687

01:12:56,270 --> 01:12:55,199

what's up Lou

1688

01:12:58,610 --> 01:12:56,280

um you know

1689

01:13:00,410 --> 01:12:58,620

yeah she likes to go white night for a

1690

01:13:02,570 --> 01:13:00,420

man which is admirable in a way you know

1691

01:13:04,490 --> 01:13:02,580

I mean but um you know it's kind of

1692

01:13:06,830 --> 01:13:04,500

Despicable and they think that they

1693

01:13:08,270 --> 01:13:06,840

think that UFO Twitter is not that big

1694

01:13:09,950 --> 01:13:08,280

of a place okay and when people come at

1695

01:13:11,689 --> 01:13:09,960

me with a sock puppet account it's

1696

01:13:13,729 --> 01:13:11,699

really easy to identify them and it's

1697

01:13:15,350 --> 01:13:13,739

real easy if you look at how and what

1698

01:13:16,669 --> 01:13:15,360

they're going to figure out who they are

1699

01:13:18,410 --> 01:13:16,679

by what they're liking and what they're

1700

01:13:19,910 --> 01:13:18,420

saying and how they say it and so these

1701

01:13:21,110 --> 01:13:19,920

people think that because you know they

1702

01:13:22,430 --> 01:13:21,120

think oh the internet's huge you can

1703

01:13:23,870 --> 01:13:22,440

never approve it well I don't have to

1704

01:13:25,430 --> 01:13:23,880

prove it I know who these stock puppet

1705

01:13:26,930 --> 01:13:25,440

counts are I've flagged a bunch of them

1706

01:13:28,850 --> 01:13:26,940

you know and I've tagged a bunch of them

1707

01:13:30,350 --> 01:13:28,860

and you might not confront them or out

1708

01:13:31,790 --> 01:13:30,360

them I might just watch them because

1709

01:13:33,709 --> 01:13:31,800

that gives me insight into what people

1710

01:13:35,390 --> 01:13:33,719

like elizado are doing oh I have one and

1711

01:13:37,970 --> 01:13:35,400

I I just called him a dumb [h__h]

1712

01:13:40,669 --> 01:13:37,980

today and blocked them I have one person

1713

01:13:42,530 --> 01:13:40,679

who's even been a guest here you know

1714

01:13:44,330 --> 01:13:42,540

and he used to like me and then I

1715

01:13:46,189 --> 01:13:44,340

started busting all the people that he

1716

01:13:49,490 --> 01:13:46,199

loves and you know loves to hear fairy

1717

01:13:52,370 --> 01:13:49,500

tales from and I mean like you know me

1718

01:13:55,010 --> 01:13:52,380

Manny like I mean bust it like there's

1719

01:13:58,430 --> 01:13:55,020

no arguing with me that person is a

1720

01:14:01,490 --> 01:13:58,440

fraud and a scammer and so suddenly

1721

01:14:03,470 --> 01:14:01,500

the same person made all these fake

1722

01:14:05,209 --> 01:14:03,480

Twitter accounts and start slagging me

1723

01:14:08,390 --> 01:14:05,219

on the internet and he thinks I don't

1724

01:14:10,910 --> 01:14:08,400

know it's him I know it's him because of

1725

01:14:12,950 --> 01:14:10,920

certain uh distinguishing factors let's

1726

01:14:15,770 --> 01:14:12,960

just leave it at that things that he

1727

01:14:17,570 --> 01:14:15,780

does or did in his real account that

1728

01:14:19,970 --> 01:14:17,580

he's doing on all these sock accounts

1729

01:14:21,169 --> 01:14:19,980

and it's just ridiculous like I'm not

1730

01:14:22,970 --> 01:14:21,179

going to argue with you you're a

1731

01:14:24,830 --> 01:14:22,980

backstabbing [h__h] you know don't

1732

01:14:26,330 --> 01:14:24,840

smile to my face and come at me with a

1733

01:14:29,149 --> 01:14:26,340

sock account because you don't like that

1734

01:14:30,950 --> 01:14:29,159

I busted a fairy tale you like but you

1735

01:14:33,470 --> 01:14:30,960

know one thing also I wanted to ask you

1736

01:14:36,470 --> 01:14:33,480

about is this the issue with the

1737

01:14:39,470 --> 01:14:36,480

documentary according to sources in this

1738

01:14:41,810 --> 01:14:39,480

story Ross coldthart stopped Gary Nolan

1739

01:14:43,970 --> 01:14:41,820
and David grush from telling this

1740

01:14:46,250 --> 01:14:43,980
Canadian Parliament member part of a

1741

01:14:48,830 --> 01:14:46,260
story because they want to save it for

1742

01:14:51,490 --> 01:14:48,840
the documentary doesn't that kind of

1743

01:14:53,930 --> 01:14:51,500
show that this is a profit-based

1744

01:14:57,470 --> 01:14:53,940
Adventure here this is not about the

1745

01:14:59,810 --> 01:14:57,480
truth or you know absolutely 100 they

1746

01:15:01,850 --> 01:14:59,820
don't want to out their their you know

1747

01:15:03,350 --> 01:15:01,860
um money shot you know so to speak for

1748

01:15:05,209 --> 01:15:03,360
their documentary and as as somebody

1749

01:15:06,350 --> 01:15:05,219
who's working on Films myself I I feel

1750

01:15:07,850 --> 01:15:06,360
the same way I'd be like no I wouldn't

1751

01:15:08,930 --> 01:15:07,860

let if I had a source like that I

1752

01:15:10,610 --> 01:15:08,940

wouldn't even take it to the Canadian

1753

01:15:12,229 --> 01:15:10,620

Parliament I take it to nobody I would

1754

01:15:13,550 --> 01:15:12,239

keep it completely under wraps until I'm

1755

01:15:15,410 --> 01:15:13,560

ready to throw it up on the screen and

1756

01:15:16,850 --> 01:15:15,420

and you know put it in my film and then

1757

01:15:18,470 --> 01:15:16,860

after that sure then they can go talk to

1758

01:15:20,030 --> 01:15:18,480

whoever but you know and that makes

1759

01:15:21,770 --> 01:15:20,040

sense but that does show that it's a

1760

01:15:25,370 --> 01:15:21,780

for-profit it's a business mindset it's

1761

01:15:26,930 --> 01:15:25,380

not an uh an altruistic uh Endeavor

1762

01:15:28,729 --> 01:15:26,940

trying to get the truth out you know

1763

01:15:31,370 --> 01:15:28,739

this isn't an activist I mean right he's

1764

01:15:33,229 --> 01:15:31,380

a he's a journalist but in a way he's

1765

01:15:34,550 --> 01:15:33,239

kind of fronting as an activist too like

1766

01:15:36,169 --> 01:15:34,560

some of the other people you know like

1767

01:15:37,910 --> 01:15:36,179

Wesley Kane has done too you know where

1768

01:15:39,890 --> 01:15:37,920

she's not really a journalist anymore

1769

01:15:41,090 --> 01:15:39,900

she's a hack to this if I as I call her

1770

01:15:42,770 --> 01:15:41,100

because she doesn't want to she doesn't

1771

01:15:44,630 --> 01:15:42,780

care if there's proof or not no no red

1772

01:15:46,430 --> 01:15:44,640

flags you know like I don't care yeah

1773

01:15:49,310 --> 01:15:46,440

somebody reminded me in the YouTube

1774

01:15:51,229 --> 01:15:49,320

comments uh Sky's not the limit comment

1775

01:15:54,830 --> 01:15:51,239

Leslie Keane also said she witnessed

1776

01:15:57,050 --> 01:15:54,840

just a ghost form and animate a wax hand

1777

01:15:59,390 --> 01:15:57,060

and instead of providing a video of the

1778

01:16:02,570 --> 01:15:59,400

hand forming she points to the wax form

1779

01:16:04,570 --> 01:16:02,580

tan which proves nothing yeah she was in

1780

01:16:07,130 --> 01:16:04,580

a she was in a

1781

01:16:09,470 --> 01:16:07,140

documentary piece about life after death

1782

01:16:12,229 --> 01:16:09,480

and and she believes in spiritualism and

1783

01:16:14,689 --> 01:16:12,239

ectoplasm and all of that garbage like

1784

01:16:17,990 --> 01:16:14,699

mediums and she believes in all of that

1785

01:16:19,729 --> 01:16:18,000

so you know to me I don't find her to be

1786

01:16:22,669 --> 01:16:19,739

a credible journalist and also she

1787

01:16:26,990 --> 01:16:22,679

admits that she massaged the data right

1788

01:16:28,970 --> 01:16:27,000

in that 2016 New York Times article uh

1789

01:16:31,430 --> 01:16:28,980

to make it better for the UFO Community

1790

01:16:33,350 --> 01:16:31,440

she left out all the werewolves it's

1791

01:16:35,330 --> 01:16:33,360

been nice to say there was message data

1792

01:16:37,910 --> 01:16:35,340

it was a fabrication the story was a

1793

01:16:40,070 --> 01:16:37,920

complete farce you know um there was it

1794

01:16:42,050 --> 01:16:40,080

was not it was framed his ass up but it

1795

01:16:44,030 --> 01:16:42,060

wasn't really they talked about this

1796

01:16:46,550 --> 01:16:44,040

unofficial program that Lou was in and

1797

01:16:48,950 --> 01:16:46,560

propped up Elizondo as the the UFO

1798

01:16:50,570 --> 01:16:48,960

Hunter and all that and then uh drop

1799

01:16:52,610 --> 01:16:50,580

some stolen video from the Pentagon to

1800

01:16:55,390 --> 01:16:52,620

give it all credibility it allegedly

1801

01:16:57,649 --> 01:16:55,400

stolen oh yeah well well I don't know

1802

01:16:59,209 --> 01:16:57,659

I mean in the phenomenon movie melon

1803

01:17:00,770 --> 01:16:59,219

admits to he removed him from the

1804

01:17:02,570 --> 01:17:00,780

Pentagon parking lot and they were

1805

01:17:04,729 --> 01:17:02,580

removed improperly yeah they just got

1806

01:17:05,990 --> 01:17:04,739

the rules they just bet the rules if you

1807

01:17:08,030 --> 01:17:06,000

and I bent the rules with Federal

1808

01:17:10,630 --> 01:17:08,040

property we'd be in prison but you know

1809

01:17:13,490 --> 01:17:10,640

yeah but you're not American

1810

01:17:15,950 --> 01:17:13,500

so do you really think do you really

1811

01:17:17,630 --> 01:17:15,960

think that Elizondo realized that his

1812

01:17:19,850 --> 01:17:17,640

own credibility and time in the

1813

01:17:22,189 --> 01:17:19,860

spotlight was over so he propped this

1814

01:17:24,950 --> 01:17:22,199

guy up maybe they people were claiming

1815

01:17:27,470 --> 01:17:24,960

that he was groomed by Elizondo maybe

1816

01:17:29,330 --> 01:17:27,480

that's true that Elizondo realized that

1817

01:17:30,950 --> 01:17:29,340

his credibility was in the [h__h] and

1818

01:17:33,410 --> 01:17:30,960

he couldn't be the point person anymore

1819

01:17:35,450 --> 01:17:33,420

or the guy in the spotlight telling the

1820

01:17:38,510 --> 01:17:35,460

stories so they needed a new

1821

01:17:40,189 --> 01:17:38,520

you know a new front man I think it's

1822

01:17:41,810 --> 01:17:40,199

it's pretty obvious to anybody watching

1823

01:17:43,610 --> 01:17:41,820

this over the last six years that

1824

01:17:45,770 --> 01:17:43,620

Elizondo has taken a step back from the

1825

01:17:47,450 --> 01:17:45,780

public eye I don't think that he's doing

1826

01:17:48,890 --> 01:17:47,460

anything less I don't think he's any

1827

01:17:50,930 --> 01:17:48,900

less involved in fact I think he's

1828

01:17:53,570 --> 01:17:50,940

significantly more involved and I think

1829

01:17:56,570 --> 01:17:53,580

he's just spending more of his time uh

1830

01:17:58,430 --> 01:17:56,580

in Washington DC and less of his time in

1831

01:18:00,110 --> 01:17:58,440

front of cameras is all

1832

01:18:01,550 --> 01:18:00,120

um but he's definitely had a role there

1833

01:18:03,709 --> 01:18:01,560

for a while at being the face of this

1834

01:18:05,689 --> 01:18:03,719

thing and as we know they tried to prop

1835

01:18:07,550 --> 01:18:05,699

other people up in that role from Tom to

1836

01:18:10,130 --> 01:18:07,560

Long Jeremy Corbell they've tried to

1837

01:18:12,290 --> 01:18:10,140

push other people into that role and now

1838

01:18:14,570 --> 01:18:12,300

you know maybe maybe they're using uh

1839

01:18:17,090 --> 01:18:14,580

this uh Feller for that maybe they're

1840

01:18:17,810 --> 01:18:17,100

trying to set him up as a new face to go

1841

01:18:19,310 --> 01:18:17,820

on

1842

01:18:21,649 --> 01:18:19,320

or maybe they're just trying to put

1843

01:18:24,530 --> 01:18:21,659

pressure on the Pentagon and and the the

1844

01:18:26,750 --> 01:18:24,540

uh house and the Senate on our on our

1845

01:18:28,250 --> 01:18:26,760

leadership in DC from outside of the

1846

01:18:30,169 --> 01:18:28,260

country because they they've maybe

1847

01:18:31,490 --> 01:18:30,179

they've hit a brick wall here I mean

1848

01:18:33,770 --> 01:18:31,500

they've already you know there's pretty

1849

01:18:35,149 --> 01:18:33,780

clear that there's links to a certain uh

1850

01:18:37,250 --> 01:18:35,159

you know a couple of different you know

1851

01:18:39,530 --> 01:18:37,260

Congress people uh whether it's uh

1852

01:18:43,189 --> 01:18:39,540

burchett as you said earlier or you know

1853

01:18:45,169 --> 01:18:43,199

Marco Rubio or Andre Carson or you know

1854

01:18:47,030 --> 01:18:45,179

there's others like The Usual Suspects I

1855

01:18:48,830 --> 01:18:47,040

feel like you know right but there's

1856

01:18:50,090 --> 01:18:48,840

only so much that those people can do

1857

01:18:51,830 --> 01:18:50,100

and so now they're trying to get

1858

01:18:54,050 --> 01:18:51,840

pressure from our Allied countries to

1859

01:18:56,270 --> 01:18:54,060

put pressure on us too to try to to

1860

01:18:57,770 --> 01:18:56,280

increase that that you know that

1861

01:19:00,110 --> 01:18:57,780

something's going to come out now I

1862

01:19:02,209 --> 01:19:00,120

don't what is there to come out I mean

1863

01:19:03,709 --> 01:19:02,219

there's not really you know if there was

1864

01:19:05,209 --> 01:19:03,719

any truth to these stories I think it

1865

01:19:07,669 --> 01:19:05,219

already would have come out and so I

1866

01:19:10,250 --> 01:19:07,679

think they're really pushing hard on on

1867

01:19:12,530 --> 01:19:10,260

a on a uh it's beating a dead horse you

1868

01:19:14,270 --> 01:19:12,540

know there's no there's no end game yeah

1869

01:19:15,770 --> 01:19:14,280

thank you estimate of the situation for

1870

01:19:17,450 --> 01:19:15,780

your kindness generosity and support and

1871

01:19:18,890 --> 01:19:17,460

helping us to praise the cash and Lou

1872

01:19:21,110 --> 01:19:18,900

reviews is right I mentioned that on

1873

01:19:23,689 --> 01:19:21,120

yesterday's show was Brian Bender that

1874

01:19:26,930 --> 01:19:23,699

said he was groomed uh and it's also

1875

01:19:29,750 --> 01:19:26,940

interesting that the debrief claims

1876

01:19:32,390 --> 01:19:29,760

um or I'm sorry Leslie Keane and Ralph

1877

01:19:34,250 --> 01:19:32,400

Blumenthal claimed and copied and pasted

1878

01:19:36,050 --> 01:19:34,260

tweets that they both tweeted that the

1879

01:19:38,149 --> 01:19:36,060

Washington Post did not pass on the

1880

01:19:39,350 --> 01:19:38,159

story but for months we've heard that

1881

01:19:41,570 --> 01:19:39,360

there's a big story in the Washington

1882

01:19:43,669 --> 01:19:41,580

Post coming out and then it comes out in

1883

01:19:48,350 --> 01:19:43,679

the debrief so they had to have passed

1884

01:19:52,610 --> 01:19:50,630

all these people were saying that this

1885

01:19:55,310 --> 01:19:52,620

Washington Post article is and of course

1886

01:19:56,810 --> 01:19:55,320

the sock Brigade uh Richard butt and all

1887

01:20:00,830 --> 01:19:56,820

these people wait until this Washington

1888

01:20:02,149 --> 01:20:00,840

Post expose comes out you know from what

1889

01:20:03,950 --> 01:20:02,159

I understand they had sent it to the

1890

01:20:05,330 --> 01:20:03,960

post first and the post was doing due

1891

01:20:06,830 --> 01:20:05,340

diligence and trying to confirm it

1892

01:20:09,050 --> 01:20:06,840

because it's a single store story as

1893

01:20:10,910 --> 01:20:09,060

Ross colethorp has openly confirmed it's

1894

01:20:12,410 --> 01:20:10,920

a single Source story they were trying

1895

01:20:13,910 --> 01:20:12,420

to find a cooperating Source they

1896

01:20:15,410 --> 01:20:13,920

couldn't find it they were trying to

1897

01:20:18,110 --> 01:20:15,420

find cooperating facts they couldn't

1898

01:20:20,090 --> 01:20:18,120

find those and so they were as as Ross

1899

01:20:21,410 --> 01:20:20,100

Coulthard has said or I'm sorry Leslie

1900

01:20:23,390 --> 01:20:21,420

Keane and Ralph Blumenthal have said

1901

01:20:25,729 --> 01:20:23,400

they were taking too long to verify it

1902

01:20:26,990 --> 01:20:25,739

so they then went from the post no it

1903

01:20:28,729 --> 01:20:27,000

was the New York Times first then the

1904

01:20:31,310 --> 01:20:28,739

Washington Post they tried the hill they

1905

01:20:34,250 --> 01:20:31,320

tried Politico all four of those yeah

1906

01:20:36,649 --> 01:20:34,260

Brian Bender said political and multiple

1907

01:20:39,470 --> 01:20:36,659

more media Outlets passed on the story

1908

01:20:42,050 --> 01:20:39,480

that's what Ryan Bender said publicly so

1909

01:20:43,669 --> 01:20:42,060

so we've got Ross coldthart saying that

1910

01:20:45,649 --> 01:20:43,679

all those media Outlets that you

1911

01:20:47,630 --> 01:20:45,659

mentioned Manny didn't have the balls to

1912

01:20:49,490 --> 01:20:47,640

do the story we've got Brian Bender

1913

01:20:51,410 --> 01:20:49,500

confirming that Politico and multiple

1914

01:20:53,330 --> 01:20:51,420

other media Outlets passed on the story

1915

01:20:54,770 --> 01:20:53,340

then we have Leslie Keane and Ralph

1916

01:20:57,590 --> 01:20:54,780

Blumenthal claiming that the Washington

1917

01:20:59,450 --> 01:20:57,600

Post did not pass on the story but

1918

01:21:01,550 --> 01:20:59,460

saying that they were under pressure to

1919

01:21:04,729 --> 01:21:01,560

put out the story and I want to ask you

1920

01:21:07,430 --> 01:21:04,739

who was pressuring them to put out the

1921

01:21:09,229 --> 01:21:07,440

story quickly I don't know wait they

1922

01:21:11,450 --> 01:21:09,239

could wait a few weeks they could wait a

1923

01:21:13,669 --> 01:21:11,460

week for the Western post or for the

1924

01:21:15,169 --> 01:21:13,679

largest largest story in human history

1925

01:21:16,970 --> 01:21:15,179

yeah I think they probably could have

1926

01:21:19,030 --> 01:21:16,980

waited a couple more weeks to get it

1927

01:21:21,470 --> 01:21:19,040

vetted and to do a little fact checking

1928

01:21:23,750 --> 01:21:21,480

but they didn't in this case who was

1929

01:21:25,070 --> 01:21:23,760

pressuring them I hate to say it but I

1930

01:21:26,450 --> 01:21:25,080

think it was probably because of that

1931

01:21:28,130 --> 01:21:26,460

Stephen Greer press conference that's

1932

01:21:30,470 --> 01:21:28,140

coming up next week a lot of people

1933

01:21:32,570 --> 01:21:30,480

think that they wanted they wanted to

1934

01:21:34,130 --> 01:21:32,580

[h__\h] all over his stupid fake

1935

01:21:36,950 --> 01:21:34,140

whistleblowers and by the way we've

1936

01:21:39,229 --> 01:21:36,960

gotten to we've gotten to multiple of

1937

01:21:41,990 --> 01:21:39,239

Greer's whistleblowers Manny and they're

1938

01:21:43,970 --> 01:21:42,000

all so fake career claims that he talked

1939

01:21:46,310 --> 01:21:43,980

to groosh earlier this year oh yeah

1940

01:21:48,709 --> 01:21:46,320

let's talk about that that's another one

1941

01:21:50,570 --> 01:21:48,719

maybe Greer was gonna outgrue before

1942

01:21:52,130 --> 01:21:50,580

they could doubt them that their story

1943

01:21:54,110 --> 01:21:52,140

would come out and so they wanted to get

1944

01:21:55,910 --> 01:21:54,120

their story out before

1945

01:21:57,950 --> 01:21:55,920

um whatever you know uh interview that

1946

01:22:00,290 --> 01:21:57,960

gurush gave to Greer comes out which

1947

01:22:02,450 --> 01:22:00,300

would maybe not be the best for his

1948

01:22:04,310 --> 01:22:02,460

credibility you know yeah I think it was

1949

01:22:06,470 --> 01:22:04,320

great though that Greer tried to tie his

1950

01:22:08,689 --> 01:22:06,480

crap wagon to this new whistleblower

1951

01:22:10,490 --> 01:22:08,699

saying that he mentored him and

1952

01:22:12,470 --> 01:22:10,500

apparently David grues through a friend

1953

01:22:15,229 --> 01:22:12,480

released a statement claiming that that

1954

01:22:17,570 --> 01:22:15,239

never happened so here we have another

1955

01:22:20,030 --> 01:22:17,580

fabrication of Greer

1956

01:22:22,490 --> 01:22:20,040

but you know what was interesting he

1957

01:22:24,169 --> 01:22:22,500

said she said right I mean earlier in

1958

01:22:26,570 --> 01:22:24,179

our Discord somebody said and I think

1959

01:22:29,209 --> 01:22:26,580

this is very right oh my God if this guy

1960

01:22:31,189 --> 01:22:29,219

was mentored by both Luis Elizondo and

1961

01:22:33,890 --> 01:22:31,199

Stephen Greer he's going to be the Super

1962

01:22:36,830 --> 01:22:33,900

UFO grifter of the Millennium if those

1963

01:22:39,530 --> 01:22:36,840

guys both mentored him you know

1964

01:22:42,110 --> 01:22:39,540

yeah yeah for sure he'll know it all and

1965

01:22:43,669 --> 01:22:42,120

he'll be around in 25 years so I think

1966

01:22:46,850 --> 01:22:43,679

we should though talk from a human

1967

01:22:48,649 --> 01:22:46,860

perspective about this person David Rush

1968

01:22:51,169 --> 01:22:48,659

Manny because there's a few

1969

01:22:53,510 --> 01:22:51,179

possibilities that I've considered one

1970

01:22:56,990 --> 01:22:53,520

possibility is that he had a vague or

1971

01:22:59,270 --> 01:22:57,000

even uh active interest in these topics

1972

01:23:00,890 --> 01:22:59,280

and then he starts meeting some of these

1973

01:23:02,930 --> 01:23:00,900

people and they start filling in his

1974

01:23:06,410 --> 01:23:02,940

head with all these stories

1975

01:23:08,149 --> 01:23:06,420

and what if he is really genuine and on

1976

01:23:10,610 --> 01:23:08,159

the level and he truly believes this

1977

01:23:12,530 --> 01:23:10,620

stuff and he just got his head like

1978

01:23:15,590 --> 01:23:12,540

brainwashed with all of these stories

1979

01:23:19,070 --> 01:23:15,600

and he believed all these people and now

1980

01:23:21,110 --> 01:23:19,080

he just came out like you know

1981

01:23:22,910 --> 01:23:21,120

like from a human perspective I feel a

1982

01:23:24,470 --> 01:23:22,920

little bad for him because it could be

1983

01:23:26,750 --> 01:23:24,480

that Eric Davis and all these other

1984

01:23:28,910 --> 01:23:26,760

people filled his head with these alien

1985

01:23:32,030 --> 01:23:28,920

crash retrieval stories he becomes

1986

01:23:35,870 --> 01:23:32,040

convinced it's all true right and and

1987

01:23:38,570 --> 01:23:35,880

then he hooks up with Elizondo and gets

1988

01:23:41,090 --> 01:23:38,580

the Elizondo you know cult recruitment

1989

01:23:43,970 --> 01:23:41,100

treatment allegedly that others have

1990

01:23:46,250 --> 01:23:43,980

gotten and they put him out there to do

1991

01:23:49,250 --> 01:23:46,260

this so they could all make money and

1992

01:23:52,010 --> 01:23:49,260

keep the the so-called ball rolling and

1993

01:23:55,370 --> 01:23:52,020

it's all garbage and this guy's a victim

1994

01:23:57,410 --> 01:23:55,380

in this what if that's the case

1995

01:23:58,790 --> 01:23:57,420

um it's it's possible that that what

1996

01:24:00,530 --> 01:23:58,800

you're seeing is kind of a two-pronged

1997

01:24:02,990 --> 01:24:00,540

attack you know I mean maybe part of it

1998

01:24:04,610 --> 01:24:03,000

started out where they fed him some

1999

01:24:06,890 --> 01:24:04,620

stories through people like Eric Davis

2000

01:24:09,410 --> 01:24:06,900

and and talked about these crash

2001
01:24:11,390 --> 01:24:09,420
retrieval programs and Etc and then you

2002
01:24:13,070 --> 01:24:11,400
come in with uh Lou Elizondo who's the

2003
01:24:14,930 --> 01:24:13,080
closing groomer who's like Hey we're

2004
01:24:16,310 --> 01:24:14,940
going to make you a media celebrity your

2005
01:24:17,510 --> 01:24:16,320
name's gonna be known around the world

2006
01:24:19,250 --> 01:24:17,520
we're going to get you on television

2007
01:24:21,649 --> 01:24:19,260
shows talk shows you're going to make a

2008
01:24:25,010 --> 01:24:21,659
kajillion dollars you know telling your

2009
01:24:26,870 --> 01:24:25,020
story and so it's they they've done that

2010
01:24:28,130 --> 01:24:26,880
before with other people you know so I

2011
01:24:29,689 --> 01:24:28,140
wouldn't be at all surprised if it's

2012
01:24:31,490 --> 01:24:29,699
something like that

2013
01:24:32,990 --> 01:24:31,500

um you know it's this is obviously isn't

2014

01:24:35,030 --> 01:24:33,000

just a story that the guy just shot down

2015

01:24:36,890 --> 01:24:35,040

one day on his own and made up but then

2016

01:24:38,750 --> 01:24:36,900

again it isn't anything new either as we

2017

01:24:40,790 --> 01:24:38,760

were talking about earlier it's just a

2018

01:24:43,729 --> 01:24:40,800

little bit it's like one part Bob Lazar

2019

01:24:46,669 --> 01:24:43,739

one part kernel course so one part of

2020

01:24:49,250 --> 01:24:46,679

Wilson Davis notes one part Davis was

2021

01:24:52,070 --> 01:24:49,260

denying access to people to these

2022

01:24:54,770 --> 01:24:52,080

programs yeah and Matt Finley uh with a

2023

01:24:57,590 --> 01:24:54,780

good point Colton's interview was also

2024

01:24:59,810 --> 01:24:57,600

presumably independent of Keane and

2025

01:25:02,209 --> 01:24:59,820

Blumenthal but yet they all coordinated

2026

01:25:04,250 --> 01:25:02,219

their release together so I find that

2027

01:25:06,410 --> 01:25:04,260

very suspicious and I'd like to know

2028

01:25:09,189 --> 01:25:06,420

also what do you think on the subject of

2029

01:25:11,810 --> 01:25:09,199

payment uh

2030

01:25:13,490 --> 01:25:11,820

does that money the waters if this guy's

2031

01:25:16,790 --> 01:25:13,500

getting paid by any of these people to

2032

01:25:18,709 --> 01:25:16,800

participate in these stories and I don't

2033

01:25:20,630 --> 01:25:18,719

know I mean there's part of me you know

2034

01:25:22,310 --> 01:25:20,640

as being a guy who's working on films

2035

01:25:23,750 --> 01:25:22,320

and stuff I say no because you you pay

2036

01:25:25,130 --> 01:25:23,760

people for their story it's just how

2037

01:25:27,290 --> 01:25:25,140

things work

2038

01:25:28,790 --> 01:25:27,300

um but it also depends on what how and

2039

01:25:30,890 --> 01:25:28,800

when and what are you paying them for

2040

01:25:32,750 --> 01:25:30,900

you know if it's an exorbitant amount of

2041

01:25:35,390 --> 01:25:32,760

money then certainly if it's a nominal

2042

01:25:37,570 --> 01:25:35,400

fee to cover his expenses to travel to

2043

01:25:41,030 --> 01:25:37,580

to do interviews or something then no

2044

01:25:43,070 --> 01:25:41,040

but again I guess that would guess on

2045

01:25:45,770 --> 01:25:43,080

where the money is coming from and how

2046

01:25:47,930 --> 01:25:45,780

much it is you know um is it actually

2047

01:25:50,149 --> 01:25:47,940

coming from these this journalist like

2048

01:25:52,370 --> 01:25:50,159

Ross colthorne or is it coming from an

2049

01:25:54,350 --> 01:25:52,380

outside institution that say maybe a guy

2050

01:25:57,530 --> 01:25:54,360

like Elizondo has connections to who's

2051
01:25:58,850 --> 01:25:57,540
sliding money to him to to entice him to

2052
01:26:00,770 --> 01:25:58,860
tell his story

2053
01:26:02,030 --> 01:26:00,780
um you know one case would probably be

2054
01:26:05,030 --> 01:26:02,040
legitimate the other case would

2055
01:26:08,209 --> 01:26:05,040
definitely not be very uh ethical or or

2056
01:26:10,610 --> 01:26:08,219
you know moral but um then again there

2057
01:26:11,930 --> 01:26:10,620
hasn't been a whole plethora of ethics

2058
01:26:13,910 --> 01:26:11,940
and morals when we're talking about some

2059
01:26:17,030 --> 01:26:13,920
of these people anyways so it really is

2060
01:26:19,610 --> 01:26:17,040
a cesspool like it is accessible I kind

2061
01:26:22,669 --> 01:26:19,620
of missed the days where I didn't know

2062
01:26:24,410 --> 01:26:22,679
so much about the characters involved in

2063
01:26:27,229 --> 01:26:24,420

selling these stories I would just

2064

01:26:28,910 --> 01:26:27,239

listen and and not really think too

2065

01:26:31,669 --> 01:26:28,920

deeply about I kind of miss those days

2066

01:26:33,530 --> 01:26:31,679

because when you get into this that

2067

01:26:37,070 --> 01:26:33,540

you're right there's no morals there's

2068

01:26:39,229 --> 01:26:37,080

no ethics you know and I'm very troubled

2069

01:26:40,729 --> 01:26:39,239

by this Russ coldthart like nope don't

2070

01:26:43,550 --> 01:26:40,739

talk about that we're saving it for the

2071

01:26:46,490 --> 01:26:43,560

documentary so is this all a coordinated

2072

01:26:49,189 --> 01:26:46,500

effort to sell a documentary let's use

2073

01:26:51,530 --> 01:26:49,199

the media to Pump It Up for all we know

2074

01:26:53,870 --> 01:26:51,540

and that's another thing Ross coldthart

2075

01:26:56,209 --> 01:26:53,880

does this interview in early May

2076

01:26:58,729 --> 01:26:56,219

and he waits a full month to release

2077

01:27:00,830 --> 01:26:58,739

this no he's coordinating with all these

2078

01:27:02,930 --> 01:27:00,840

people with Blumenthal with Keane in my

2079

01:27:05,270 --> 01:27:02,940

opinion they coordinated this to all

2080

01:27:08,390 --> 01:27:05,280

drop on the same day they had to have

2081

01:27:10,550 --> 01:27:08,400

because oh you know there's no way that

2082

01:27:12,649 --> 01:27:10,560

you sit on a story that you truly think

2083

01:27:15,290 --> 01:27:12,659

is the biggest story in human history

2084

01:27:17,330 --> 01:27:15,300

for a month after you film it you know

2085

01:27:18,649 --> 01:27:17,340

yeah on Bryce Abel's uh Twitter he even

2086

01:27:21,830 --> 01:27:18,659

admitted that he said that they were

2087

01:27:23,330 --> 01:27:21,840

waiting uh for the um uh keen and

2088

01:27:24,830 --> 01:27:23,340

Blumenthal article to get released

2089

01:27:26,689 --> 01:27:24,840

before they they dropped their

2090

01:27:28,490 --> 01:27:26,699

interviews so there's definitely a

2091

01:27:31,010 --> 01:27:28,500

collusion going on there

2092

01:27:33,290 --> 01:27:31,020

um which yes makes it smell like less of

2093

01:27:36,110 --> 01:27:33,300

a of an actual journalistic Endeavor and

2094

01:27:38,030 --> 01:27:36,120

more of a a PR scheme for a documentary

2095

01:27:39,410 --> 01:27:38,040

it's I hate to say it but that's kind of

2096

01:27:42,709 --> 01:27:39,420

what it sounds like is this whole thing

2097

01:27:44,030 --> 01:27:42,719

is just a big PR stunt

2098

01:27:46,070 --> 01:27:44,040

um you know which is going to be

2099

01:27:47,750 --> 01:27:46,080

interesting because there's not really

2100

01:27:50,209 --> 01:27:47,760

any evidence and and there's so many

2101

01:27:51,470 --> 01:27:50,219

people all over this story I don't know

2102

01:27:52,550 --> 01:27:51,480

how they're going to be able to get you

2103

01:27:53,629 --> 01:27:52,560

know who's going to watch us who's going

2104

01:27:55,669 --> 01:27:53,639

to want to pay to watch that who's going

2105

01:27:57,530 --> 01:27:55,679

to want to pay money to Ross Coulthard

2106

01:28:00,110 --> 01:27:57,540

to watch this documentary when we've

2107

01:28:03,590 --> 01:28:00,120

already debunked the story you know 12

2108

01:28:07,850 --> 01:28:05,590

yeah I probably will you're right you

2109

01:28:11,149 --> 01:28:07,860

misunderestimate the uh

2110

01:28:13,250 --> 01:28:11,159

the uh the believer crowd right

2111

01:28:14,990 --> 01:28:13,260

you know and and I'm kind of are you

2112

01:28:17,750 --> 01:28:15,000

shocked a little bit I'm kind of shocked

2113

01:28:19,729 --> 01:28:17,760

that there is no evidence and people are

2114

01:28:21,290 --> 01:28:19,739

still just all chips in this is the real

2115

01:28:23,570 --> 01:28:21,300

deal this is disclosed you got people

2116

01:28:25,790 --> 01:28:23,580

saying this is disclosure disclosure

2117

01:28:27,590 --> 01:28:25,800

started yesterday and got a lot of

2118

01:28:29,149 --> 01:28:27,600

traction on Twitter and in particular

2119

01:28:31,430 --> 01:28:29,159

there was some really big name Twitter

2120

01:28:33,830 --> 01:28:31,440

accounts some in the in the millions

2121

01:28:35,629 --> 01:28:33,840

that retweeted and were promoting this

2122

01:28:38,810 --> 01:28:35,639

um do any of them know anything about

2123

01:28:41,390 --> 01:28:38,820

ufology none of them none of them uh you

2124

01:28:43,490 --> 01:28:41,400

know I don't know the history no that's

2125

01:28:45,290 --> 01:28:43,500

fine and all you know like I I I get

2126

01:28:46,669 --> 01:28:45,300

that but it got some real big traction

2127

01:28:48,950 --> 01:28:46,679

on Twitter and while what's interesting

2128

01:28:50,450 --> 01:28:48,960

is on Reddit the same thing happened it

2129

01:28:53,750 --> 01:28:50,460

was all over the UFO and alien

2130

01:28:57,050 --> 01:28:53,760

subreddits however the world news and

2131

01:28:59,270 --> 01:28:57,060

news subreddits which are uh I think

2132

01:29:01,129 --> 01:28:59,280

together have an aggregated like 100

2133

01:29:03,770 --> 01:29:01,139

million you know people subscribe to

2134

01:29:05,570 --> 01:29:03,780

those two reddits anybody who posts the

2135

01:29:07,550 --> 01:29:05,580

link to this on there is getting banned

2136

01:29:08,750 --> 01:29:07,560

is getting bad they're not even they

2137

01:29:11,450 --> 01:29:08,760

don't care if you're repeating the Fox

2138

01:29:13,490 --> 01:29:11,460

News version the CNN version the no

2139

01:29:17,090 --> 01:29:13,500

really they're just Banning people for

2140

01:29:19,129 --> 01:29:17,100

posting it Banning it 100 as as PR as

2141

01:29:21,890 --> 01:29:19,139

fake news it is not allowed on the on

2142

01:29:25,430 --> 01:29:21,900

the world news or the the hashtag or the

2143

01:29:27,050 --> 01:29:25,440

slash R news subreddits whatsoever and

2144

01:29:28,610 --> 01:29:27,060

that's that should tell people a lot too

2145

01:29:30,590 --> 01:29:28,620

that there's a lot of people out there

2146

01:29:32,390 --> 01:29:30,600

who are not buying this are not going to

2147

01:29:34,250 --> 01:29:32,400

play into this game are not going to be

2148

01:29:36,050 --> 01:29:34,260

a part of that copy paste reporting are

2149

01:29:37,850 --> 01:29:36,060

not gonna entertain these silly ideas

2150

01:29:39,649 --> 01:29:37,860

well that's good news you know what else

2151

01:29:41,090 --> 01:29:39,659

is good news I don't know if you're

2152

01:29:43,310 --> 01:29:41,100

aware of this Manny but I'm looking on

2153

01:29:45,229 --> 01:29:43,320

the news Nation website and some of

2154

01:29:48,770 --> 01:29:45,239

these stories like whistleblower says

2155

01:29:52,250 --> 01:29:48,780

UFOs triggered a multi-decade cold war

2156

01:29:56,030 --> 01:29:52,260

um you know it got 61 000 views

2157

01:29:57,890 --> 01:29:56,040

which makes me think that this story is

2158

01:29:59,810 --> 01:29:57,900

not quite as big as it appears to be to

2159

01:30:02,990 --> 01:29:59,820

us I mean it's all over you know

2160

01:30:05,270 --> 01:30:03,000

conspiracy land and UFO land but to

2161

01:30:07,070 --> 01:30:05,280

regular folks like yeah it's not it's

2162

01:30:07,850 --> 01:30:07,080

not anything I had more people talk to

2163

01:30:09,890 --> 01:30:07,860

me

2164

01:30:12,169 --> 01:30:09,900

I had many more like

2165

01:30:13,729 --> 01:30:12,179

neighbors friends and relatives talk to

2166

01:30:16,010 --> 01:30:13,739

me about the New York Times article

2167

01:30:18,290 --> 01:30:16,020

nobody's mentioned this to me from the

2168

01:30:19,729 --> 01:30:18,300

from the regular world you know nobody

2169

01:30:22,010 --> 01:30:19,739

said like oh Stephen what do you think

2170

01:30:24,950 --> 01:30:22,020

of this whistleblower you know nobody

2171

01:30:28,070 --> 01:30:24,960

said anything to me only only UFO people

2172

01:30:30,110 --> 01:30:28,080

seem to be at all engaged in this and we

2173

01:30:32,689 --> 01:30:30,120

have a story an hour ago

2174

01:30:36,470 --> 01:30:32,699

on news Nation Bryce zabel UFO

2175

01:30:39,050 --> 01:30:36,480

whistleblowers actions 5 000 views that

2176
01:30:42,169 --> 01:30:39,060
is paltry if if you're talking about the

2177
01:30:45,110 --> 01:30:42,179
fact that this is a real television news

2178
01:30:46,370 --> 01:30:45,120
uh I know they're new as a television

2179
01:30:48,950 --> 01:30:46,380
news

2180
01:30:51,470 --> 01:30:48,960
Channel but still you've got the backing

2181
01:30:54,530 --> 01:30:51,480
of a television news channel and your

2182
01:30:56,629 --> 01:30:54,540
YouTube views are at 5 000 views

2183
01:30:58,250 --> 01:30:56,639
yeah and they still seem to be milking

2184
01:31:01,129 --> 01:30:58,260
this man they're just putting out these

2185
01:31:02,629 --> 01:31:01,139
little five minute videos and then you

2186
01:31:04,850 --> 01:31:02,639
know four or five hours later here's

2187
01:31:07,970 --> 01:31:04,860
another five minute video

2188
01:31:10,550 --> 01:31:07,980

and I don't know where where is the full

2189

01:31:13,010 --> 01:31:10,560

interview of Cole cart and and this is

2190

01:31:14,990 --> 01:31:13,020

it's not out hasn't been released yet

2191

01:31:16,490 --> 01:31:15,000

they said they were going to release it

2192

01:31:18,350 --> 01:31:16,500

yesterday though

2193

01:31:20,209 --> 01:31:18,360

you know I think that news nation is

2194

01:31:22,430 --> 01:31:20,219

Sunday is going to come out with a like

2195

01:31:24,350 --> 01:31:22,440

a one hour chopped up version of it but

2196

01:31:26,090 --> 01:31:24,360

the full the full seven hour interview

2197

01:31:28,129 --> 01:31:26,100

or whatever won't be released for a long

2198

01:31:29,510 --> 01:31:28,139

time I'm guaranteeing that I don't think

2199

01:31:31,129 --> 01:31:29,520

they're gonna yeah they're gonna delve

2200

01:31:32,930 --> 01:31:31,139

this out five minutes at a shot they're

2201
01:31:34,970 --> 01:31:32,940
gonna milk this to the ends of the Earth

2202
01:31:36,590 --> 01:31:34,980
I think yeah he's got to save it for his

2203
01:31:38,270 --> 01:31:36,600
documentary remember

2204
01:31:39,770 --> 01:31:38,280
I mean that's that's really what it

2205
01:31:41,810 --> 01:31:39,780
comes down to

2206
01:31:43,910 --> 01:31:41,820
um yeah so yeah like I said I think a

2207
01:31:46,010 --> 01:31:43,920
one hour piece on news Nation Max is or

2208
01:31:47,330 --> 01:31:46,020
news news nation is going to come out

2209
01:31:49,610 --> 01:31:47,340
um but that again is not going to be the

2210
01:31:51,890 --> 01:31:49,620
whole thing and I think after that

2211
01:31:53,149 --> 01:31:51,900
um I think that's when uh cool fart will

2212
01:31:54,890 --> 01:31:53,159
then have access to the whole thing

2213
01:31:56,270 --> 01:31:54,900

first documentary because it sounds like

2214

01:31:57,950 --> 01:31:56,280

news Nation paid for the interview so

2215

01:32:00,110 --> 01:31:57,960

they probably own the footage

2216

01:32:03,350 --> 01:32:00,120

um I'm guessing but maybe they licensed

2217

01:32:04,790 --> 01:32:03,360

it to to um cold art or maybe he had a

2218

01:32:06,169 --> 01:32:04,800

um agreement with them where like okay

2219

01:32:08,450 --> 01:32:06,179

you guys will get first dibs you can run

2220

01:32:10,070 --> 01:32:08,460

it for XYZ then I get to use it for my

2221

01:32:12,110 --> 01:32:10,080

documentary and then it's all yours or

2222

01:32:13,610 --> 01:32:12,120

whatever I guess we'll see I'm not

2223

01:32:14,810 --> 01:32:13,620

holding my breath about the documentary

2224

01:32:16,430 --> 01:32:14,820

I have a feeling it's going to be more

2225

01:32:19,189 --> 01:32:16,440

of the spies and Lords bit that he did

2226

01:32:22,790 --> 01:32:19,199

in uh you know in 2016 I think it was

2227

01:32:24,350 --> 01:32:22,800

about the UK Parliament uh weird stuff

2228

01:32:25,270 --> 01:32:24,360

that was going on there

2229

01:32:28,729 --> 01:32:25,280

um

2230

01:32:32,510 --> 01:32:28,739

apparently I I want to share this this

2231

01:32:34,850 --> 01:32:32,520

is interesting apparently uh some of the

2232

01:32:39,169 --> 01:32:34,860

True Believers are very unhappy with my

2233

01:32:41,030 --> 01:32:39,179

reporting uh man and uh this is

2234

01:32:44,030 --> 01:32:41,040

interesting

2235

01:32:46,910 --> 01:32:44,040

um there is a search suggestion ban on

2236

01:32:48,830 --> 01:32:46,920

my Twitter right now and that is most

2237

01:32:51,649 --> 01:32:48,840

likely the result of people Mass

2238

01:32:54,050 --> 01:32:51,659

reporting my tweets

2239

01:32:55,550 --> 01:32:54,060

yeah I've had those before temporarily

2240

01:32:58,610 --> 01:32:55,560

like right after who's Luke came out I

2241

01:33:00,770 --> 01:32:58,620

had one of those so people are people

2242

01:33:02,330 --> 01:33:00,780

are actively reporting my tweets where

2243

01:33:04,669 --> 01:33:02,340

we're just reporting the truth and

2244

01:33:07,790 --> 01:33:04,679

talking about this story so that people

2245

01:33:10,310 --> 01:33:07,800

cannot find my stories on Twitter

2246

01:33:11,930 --> 01:33:10,320

yeah very nice you know you know you

2247

01:33:14,950 --> 01:33:11,940

know what a great way to show that you

2248

01:33:17,510 --> 01:33:14,960

can't win a debate is many to just

2249

01:33:20,270 --> 01:33:17,520

muzzle the person you're having the

2250

01:33:22,550 --> 01:33:20,280

debate with that's just a great way to

2251

01:33:24,890 --> 01:33:22,560

prove that your side is right right sure

2252

01:33:26,470 --> 01:33:24,900

yeah and uh and I thank the person that

2253

01:33:30,350 --> 01:33:26,480

sent that to me they know who they are

2254

01:33:32,450 --> 01:33:30,360

uh I wasn't aware uh and and I'm told by

2255

01:33:34,310 --> 01:33:32,460

this person that that's likely the

2256

01:33:36,250 --> 01:33:34,320

result of

2257

01:33:39,169 --> 01:33:36,260

um

2258

01:33:42,110 --> 01:33:39,179

these UFO people are probably Mass

2259

01:33:45,169 --> 01:33:42,120

reporting your tweets bunch of [h__h]

2260

01:33:47,570 --> 01:33:45,179

yeah yeah yeah I mean your arguments are

2261

01:33:49,430 --> 01:33:47,580

so weak they can't withstand debate then

2262

01:33:52,310 --> 01:33:49,440

maybe you shouldn't be in the debate

2263

01:33:55,250 --> 01:33:52,320

maybe you know go live in your bubble

2264

01:33:58,129 --> 01:33:55,260

your delusion bubble you know your Echo

2265

01:33:59,930 --> 01:33:58,139

chamber right and Twitter is one of the

2266

01:34:02,090 --> 01:33:59,940

worst spots for that because you know

2267

01:34:04,430 --> 01:34:02,100

this really is kind of their backyard as

2268

01:34:06,290 --> 01:34:04,440

far as it goes the echo chamber goes

2269

01:34:08,149 --> 01:34:06,300

really they don't like when you question

2270

01:34:10,129 --> 01:34:08,159

anything on Twitter UFO Twitter yeah

2271

01:34:11,810 --> 01:34:10,139

look at Art and paranormal says I had to

2272

01:34:14,629 --> 01:34:11,820

manually put your name in my tweet to

2273

01:34:17,390 --> 01:34:14,639

share this show yeah so I'm getting

2274

01:34:19,790 --> 01:34:17,400

Shadow banned by a bunch of like people

2275

01:34:22,370 --> 01:34:19,800

who don't like to apparently don't like

2276

01:34:25,129 --> 01:34:22,380

the truth because we haven't said

2277

01:34:27,770 --> 01:34:25,139

anything here we we uh you know and

2278

01:34:30,229 --> 01:34:27,780

tonight oh that's unfortunate for them

2279

01:34:31,790 --> 01:34:30,239

because you know don't you think Manny

2280

01:34:34,790 --> 01:34:31,800

that a lot of people could spend my

2281

01:34:36,950 --> 01:34:34,800

story earlier tonight as as proof of

2282

01:34:39,290 --> 01:34:36,960

this guy's legitimacy look he's meeting

2283

01:34:42,530 --> 01:34:39,300

with Canadian Parliament members he must

2284

01:34:44,870 --> 01:34:42,540

be the real deal I'm sure they could

2285

01:34:46,629 --> 01:34:44,880

have but now they just banned my story

2286

01:34:49,490 --> 01:34:46,639

and we're the only one that has it

2287

01:34:51,649 --> 01:34:49,500

congratulations you dumb [h__h] you

2288

01:34:53,209 --> 01:34:51,659

know no they'll tell their version on

2289

01:34:55,610 --> 01:34:53,219

their little podcasts and in their web

2290

01:34:57,950 --> 01:34:55,620

blogs where oh yeah and it was free now

2291

01:34:59,390 --> 01:34:57,960

I know nobody will be mentioning my show

2292

01:35:02,689 --> 01:34:59,400

or mine oh they won't mention you for

2293

01:35:05,510 --> 01:35:02,699

breaking the story yeah yeah and you

2294

01:35:08,330 --> 01:35:05,520

know what else is bothering me Manny the

2295

01:35:10,550 --> 01:35:08,340

fact that so many of these UFO podcasts

2296

01:35:12,590 --> 01:35:10,560

and UFO shows are milking this story to

2297

01:35:14,030 --> 01:35:12,600

death but they're bringing nothing to

2298

01:35:15,830 --> 01:35:14,040

the table

2299

01:35:18,410 --> 01:35:15,840

they're literally bringing nothing

2300

01:35:22,450 --> 01:35:18,420

they're like let's read the article

2301

01:35:25,810 --> 01:35:22,460

again you know or let's get five people

2302

01:35:28,250 --> 01:35:25,820

on different days to talk about the same

2303

01:35:30,950 --> 01:35:28,260

article they're not bringing anything

2304

01:35:32,990 --> 01:35:30,960

new to the story and that bothers me

2305

01:35:34,729 --> 01:35:33,000

because you know I'm supposed to compete

2306

01:35:37,610 --> 01:35:34,739

with these lazy people that are doing

2307

01:35:39,530 --> 01:35:37,620

nothing but talk you know talk is cheap

2308

01:35:41,629 --> 01:35:39,540

try spending all day on the phone with

2309

01:35:43,129 --> 01:35:41,639

Canada to get one story

2310

01:35:46,910 --> 01:35:43,139

you know

2311

01:35:48,830 --> 01:35:46,920

yeah it's not as easy as people like to

2312

01:35:49,850 --> 01:35:48,840

think it is you know and especially when

2313

01:35:51,770 --> 01:35:49,860

you're out there trying to get to the

2314

01:35:53,570 --> 01:35:51,780

truth and not just puppeting what you

2315

01:35:55,910 --> 01:35:53,580

know somebody told you to say which

2316

01:35:58,430 --> 01:35:55,920

these groomed media assets like UFO Joe

2317

01:36:00,590 --> 01:35:58,440

and Chris sharp and you know half a

2318

01:36:01,910 --> 01:36:00,600

dozen podcasts out there do they just

2319

01:36:03,169 --> 01:36:01,920

puppet what they're you know it's just

2320

01:36:04,790 --> 01:36:03,179

like oh somebody told me this okay I'm

2321

01:36:07,370 --> 01:36:04,800

gonna type that oh I think the best

2322

01:36:11,030 --> 01:36:07,380

parrot is UFO Jesus he just repeats

2323

01:36:13,250 --> 01:36:11,040

anything that that they say he has no

2324

01:36:15,350 --> 01:36:13,260

independent thoughts kills what's like

2325

01:36:18,290 --> 01:36:15,360

you can't even think for himself he just

2326

01:36:21,950 --> 01:36:18,300

oh they said this so I'll repeat it it's

2327

01:36:24,590 --> 01:36:21,960

terrible it's really terrible right I I

2328

01:36:26,390 --> 01:36:24,600

I don't know so I want to get your

2329

01:36:28,550 --> 01:36:26,400

thoughts on where where do you think

2330

01:36:31,070 --> 01:36:28,560

that this story is going next is this

2331

01:36:33,649 --> 01:36:31,080

going to all come crashing down in the

2332

01:36:35,870 --> 01:36:33,659

next couple of weeks or is this going to

2333

01:36:38,450 --> 01:36:35,880

take a year and then there'll be no

2334

01:36:40,729 --> 01:36:38,460

evidence before people Tire of the story

2335

01:36:42,410 --> 01:36:40,739

and they want the evidence like this

2336

01:36:44,090 --> 01:36:42,420

seems to be the way that it usually goes

2337

01:36:46,550 --> 01:36:44,100

like people are okay okay with the story

2338

01:36:48,530 --> 01:36:46,560

for a while but after a while the voice

2339

01:36:50,689 --> 01:36:48,540

is demanding to see the evidence or the

2340

01:36:52,070 --> 01:36:50,699

proof of the story become louder

2341

01:36:54,530 --> 01:36:52,080

you know

2342

01:36:56,090 --> 01:36:54,540

yeah I I think that this story has got a

2343

01:36:58,669 --> 01:36:56,100

timer on it that's been started how long

2344

01:37:00,830 --> 01:36:58,679

that's going to be I don't know I I just

2345

01:37:02,930 --> 01:37:00,840

don't see I don't see any

2346

01:37:04,790 --> 01:37:02,940

um I don't see any extra evidence I mean

2347

01:37:07,070 --> 01:37:04,800

unless the guy just comes up with a box

2348

01:37:09,410 --> 01:37:07,080

full of evidence and drops it and says

2349

01:37:11,149 --> 01:37:09,420

that it's uh says that it's you know and

2350

01:37:13,070 --> 01:37:11,159

we haven't and it's incontrovertible

2351

01:37:14,450 --> 01:37:13,080

that'd be different but I just don't see

2352

01:37:16,250 --> 01:37:14,460

that happening I mean I think I think

2353

01:37:18,950 --> 01:37:16,260

they kind of shot their wad here at the

2354

01:37:20,450 --> 01:37:18,960

beginning and gave it all away I mean so

2355

01:37:21,649 --> 01:37:20,460

what more can he say it's probably just

2356

01:37:22,490 --> 01:37:21,659

gonna be more of the same I mean it

2357

01:37:23,689 --> 01:37:22,500

really doesn't matter if the guy

2358

01:37:25,729 --> 01:37:23,699

speculates that these are

2359

01:37:27,110 --> 01:37:25,739

interdimensional craft or time traveling

2360

01:37:29,390 --> 01:37:27,120

humans from the past or the future it

2361

01:37:30,709 --> 01:37:29,400

doesn't matter there's zero evidence at

2362

01:37:32,390 --> 01:37:30,719

this point so there's really no reason

2363

01:37:34,129 --> 01:37:32,400

to listen to anything else that he has

2364

01:37:35,270 --> 01:37:34,139

to say because it's all going to be more

2365

01:37:36,530 --> 01:37:35,280

of the same

2366

01:37:38,030 --> 01:37:36,540

um will people get tired of that

2367

01:37:39,530 --> 01:37:38,040

probably

2368

01:37:42,590 --> 01:37:39,540

um and move on to the next news cycle

2369

01:37:43,850 --> 01:37:42,600

you know but um unfortunately there's

2370

01:37:45,890 --> 01:37:43,860

going to be those core group of people

2371

01:37:47,990 --> 01:37:45,900

that just cling to that story as truth

2372

01:37:49,790 --> 01:37:48,000

as we saw I mean Elizondo is a perfect

2373

01:37:51,229 --> 01:37:49,800

example you'd think that he would be

2374

01:37:53,030 --> 01:37:51,239

completely discredited but he's not

2375

01:37:54,890 --> 01:37:53,040

people still believe that he ran hey

2376

01:37:56,390 --> 01:37:54,900

Tiffany he was the world's greatest UFO

2377

01:37:58,070 --> 01:37:56,400

Hunter and he's this big Champion for

2378

01:37:59,570 --> 01:37:58,080

disclosure even though there's been

2379

01:38:01,850 --> 01:37:59,580

mountains of evidence that show that

2380

01:38:05,030 --> 01:38:01,860

he's none of these things so I mean yeah

2381

01:38:07,610 --> 01:38:05,040

I agree with you on that and you know if

2382

01:38:09,290 --> 01:38:07,620

if if do you think it's going to be

2383

01:38:11,930 --> 01:38:09,300

damaging to

2384

01:38:14,930 --> 01:38:11,940

if it becomes very clear that he's

2385

01:38:17,450 --> 01:38:14,940

behind this story or that he did groom

2386

01:38:20,990 --> 01:38:17,460

this guy and get him ready and push him

2387

01:38:22,910 --> 01:38:21,000

into the spotlight or or if he's paying

2388

01:38:25,250 --> 01:38:22,920

him like people have suggested he may

2389

01:38:26,689 --> 01:38:25,260

have some Financial relationship with

2390

01:38:28,430 --> 01:38:26,699

them and by the way that's rumors and

2391

01:38:29,930 --> 01:38:28,440

speculations it's not been confirmed I

2392

01:38:32,629 --> 01:38:29,940

don't know that he does but I'm asking

2393

01:38:34,430 --> 01:38:32,639

the question and why why can't we ask

2394

01:38:39,550 --> 01:38:34,440

Lou Elizondo do you have a business

2395

01:38:42,530 --> 01:38:41,450

why would you even ask him he'll just

2396

01:38:44,930 --> 01:38:42,540

light through his teeth that's what the

2397

01:38:47,090 --> 01:38:44,940

guy does but yeah I mean I think it's

2398

01:38:49,010 --> 01:38:47,100

if it comes out that all that that is is

2399

01:38:50,629 --> 01:38:49,020

true then it'll be it'll be possible you

2400

01:38:52,129 --> 01:38:50,639

know will it defame him will it be

2401

01:38:53,149 --> 01:38:52,139

enough for people just to jump off the

2402

01:38:55,490 --> 01:38:53,159

fence and be like oh this is just

2403

01:38:56,390 --> 01:38:55,500

[h__\h] I would think so but most of

2404

01:38:58,790 --> 01:38:56,400

those people are already there without

2405

01:39:00,649 --> 01:38:58,800

that you know because it's just it's a

2406

01:39:02,450 --> 01:39:00,659

huge story with no evidence there's not

2407

01:39:04,430 --> 01:39:02,460

much there I mean what what can we say I

2408

01:39:07,250 --> 01:39:04,440

mean is it entertaining sure is it great

2409

01:39:09,290 --> 01:39:07,260

sure but I read two um Anonymous you

2410

01:39:10,729 --> 01:39:09,300

know uh you know Reddit whistleblowers

2411

01:39:12,770 --> 01:39:10,739

who were doing the same thing last week

2412

01:39:15,050 --> 01:39:12,780

off of 4chan or something there was one

2413

01:39:16,850 --> 01:39:15,060

guy who founded part of a you know

2414

01:39:19,310 --> 01:39:16,860

reverse engineering program and that

2415

01:39:21,110 --> 01:39:19,320

there's a secret UFO base in the Bermuda

2416

01:39:22,910 --> 01:39:21,120

Triangle triangle that's cranking out

2417

01:39:25,209 --> 01:39:22,920

these things and his story honestly was

2418

01:39:27,770 --> 01:39:25,219

far more entertaining than grouches is

2419

01:39:29,090 --> 01:39:27,780

so I don't know I'd just rather go there

2420

01:39:30,470 --> 01:39:29,100

I mean at least that guy at the end was

2421

01:39:33,110 --> 01:39:30,480

just like yeah this is all alarm but

2422

01:39:35,149 --> 01:39:33,120

this is fun you know it's cool well it's

2423

01:39:37,070 --> 01:39:35,159

interesting that we can confirm that we

2424

01:39:40,790 --> 01:39:37,080

can already connect this guy with some

2425

01:39:45,350 --> 01:39:40,800

of the normal let's say uh you know cast

2426
01:39:48,770 --> 01:39:45,360
of characters like Eric Davis Gary Nolan

2427
01:39:50,570 --> 01:39:48,780
um you know and and uh Luella zando is

2428
01:39:52,030 --> 01:39:50,580
calling him a hero and Chris melon is

2429
01:39:56,750 --> 01:39:52,040
calling him a hero

2430
01:39:58,310 --> 01:39:56,760
so you know and I'm just kind of shocked

2431
01:40:01,189 --> 01:39:58,320
that this story has any traction

2432
01:40:03,590 --> 01:40:01,199
considering Ross coldthart's last big

2433
01:40:06,890 --> 01:40:03,600
UFO story was promising us that he had

2434
01:40:08,810 --> 01:40:06,900
conclusive proof of alien technology all

2435
01:40:11,629 --> 01:40:08,820
confirmed by this man cutting Michio

2436
01:40:13,250 --> 01:40:11,639
Kaku go talk to Michio Kaku he didn't

2437
01:40:15,830 --> 01:40:13,260
confirm anything they didn't have any

2438
01:40:16,550 --> 01:40:15,840

evidence not only did they not have you

2439

01:40:22,430 --> 01:40:16,560

know

2440

01:40:24,229 --> 01:40:22,440

no evidence of any alien technology they

2441

01:40:26,209 --> 01:40:24,239

they thought they might get some I guess

2442

01:40:30,410 --> 01:40:26,219

if they did the analysis but they never

2443

01:40:32,810 --> 01:40:30,420

did it so but here we are you know rinse

2444

01:40:34,669 --> 01:40:32,820

and repeat you just do the cosmicon

2445

01:40:37,430 --> 01:40:34,679

shuffle hope everybody forgets your last

2446

01:40:39,350 --> 01:40:37,440

story was a big dud Bluff nothing burger

2447

01:40:41,629 --> 01:40:39,360

and they come out with an even bigger

2448

01:40:43,250 --> 01:40:41,639

one don't you think this is the big if

2449

01:40:45,890 --> 01:40:43,260

this turns out to all be a bluff

2450

01:40:47,629 --> 01:40:45,900

wouldn't this be like the biggest UFO

2451

01:40:49,610 --> 01:40:47,639

Bluff ever

2452

01:40:51,590 --> 01:40:49,620

it's a pretty big I think it would it

2453

01:40:54,649 --> 01:40:51,600

you know maybe they didn't intend it for

2454

01:40:56,870 --> 01:40:54,659

it to get so go so viral and get so big

2455

01:40:57,830 --> 01:40:56,880

but um you know and in a lot of ways I

2456

01:40:59,570 --> 01:40:57,840

think it is

2457

01:41:00,830 --> 01:40:59,580

um I think it's gonna be big and I think

2458

01:41:02,810 --> 01:41:00,840

it's going to continue to kind of

2459

01:41:04,250 --> 01:41:02,820

snowball I mean you saw a few more

2460

01:41:06,350 --> 01:41:04,260

mainstream media Outlets picking up on

2461

01:41:08,810 --> 01:41:06,360

it today but I don't think any of them

2462

01:41:10,490 --> 01:41:08,820

are really you know trying to to say

2463

01:41:12,229 --> 01:41:10,500

that it's it's authentic or that they've

2464

01:41:14,149 --> 01:41:12,239

they've dug into this guy's claims or

2465

01:41:15,229 --> 01:41:14,159

whatever they're really just paired in

2466

01:41:16,850 --> 01:41:15,239

the debrief piece they're doing that

2467

01:41:18,709 --> 01:41:16,860

copy paste reporting thing and it's

2468

01:41:20,030 --> 01:41:18,719

almost like they were just waiting for

2469

01:41:22,250 --> 01:41:20,040

somebody else to get the egg on their

2470

01:41:23,629 --> 01:41:22,260

shirt if it's wrong you know but as long

2471

01:41:24,890 --> 01:41:23,639

as somebody else was first you can't be

2472

01:41:26,149 --> 01:41:24,900

the one you know that's the only one

2473

01:41:27,950 --> 01:41:26,159

who's responsible but I don't see it

2474

01:41:29,689 --> 01:41:27,960

that way any of the media Outlets that

2475

01:41:31,189 --> 01:41:29,699

are copy pasting this stuff

2476

01:41:32,810 --> 01:41:31,199

I'm going to look sideways at from here

2477

01:41:35,209 --> 01:41:32,820

on out and I hope other people do too

2478

01:41:37,070 --> 01:41:35,219

you know if it's if it's the New York

2479

01:41:38,810 --> 01:41:37,080

Times if it's Fox News if it's if it's

2480

01:41:40,609 --> 01:41:38,820

the Washington Post if it's the New

2481

01:41:42,890 --> 01:41:40,619

Yorker magazine anyone who's running

2482

01:41:43,970 --> 01:41:42,900

this copy paste garbage look at them

2483

01:41:45,830 --> 01:41:43,980

sideways don't give them your money

2484

01:41:47,209 --> 01:41:45,840

don't give me your money they're they're

2485

01:41:48,830 --> 01:41:47,219

you know if they're not if they're not

2486

01:41:50,149 --> 01:41:48,840

the balls to stand behind a story and do

2487

01:41:52,129 --> 01:41:50,159

some research and say yeah I'll put my

2488

01:41:54,290 --> 01:41:52,139

credibility on the line don't give me

2489

01:41:55,850 --> 01:41:54,300

your money you know um go find the

2490

01:41:57,890 --> 01:41:55,860

Independent News sources go find free

2491

01:42:00,109 --> 01:41:57,900

news sources go make up your own mind

2492

01:42:02,270 --> 01:42:00,119

and use your brain because apparently in

2493

01:42:04,310 --> 01:42:02,280

the news business now that's what passes

2494

01:42:06,770 --> 01:42:04,320

for journalism is just you know so and

2495

01:42:08,930 --> 01:42:06,780

so reported this click and you know and

2496

01:42:10,430 --> 01:42:08,940

that's how we get fake news that's how

2497

01:42:12,830 --> 01:42:10,440

we get

2498

01:42:14,390 --> 01:42:12,840

fake news that's easy to manipulate it's

2499

01:42:15,770 --> 01:42:14,400

easy to manipulate if you have the right

2500

01:42:17,689 --> 01:42:15,780

backing if you have the right contacts

2501
01:42:19,129 --> 01:42:17,699
you could put a story about anything out

2502
01:42:20,990 --> 01:42:19,139
there and people will believe it because

2503
01:42:22,550 --> 01:42:21,000
it's been spread on so many different

2504
01:42:25,070 --> 01:42:22,560
Outlets no matter you know what my

2505
01:42:27,050 --> 01:42:25,080
favorite example of that and and it is a

2506
01:42:29,750 --> 01:42:27,060
conspiracy land story but the Kandahar

2507
01:42:31,669 --> 01:42:29,760
giant story

2508
01:42:34,070 --> 01:42:31,679
like I just think that's one of the most

2509
01:42:36,229 --> 01:42:34,080
ridiculous things I've ever heard and

2510
01:42:38,270 --> 01:42:36,239
and that made the rounds in conspiracy

2511
01:42:41,030 --> 01:42:38,280
land it was a big story for a while you

2512
01:42:43,609 --> 01:42:41,040
know and it was like one guy that told

2513
01:42:45,169 --> 01:42:43,619

that story and it just kept snowballing

2514

01:42:48,590 --> 01:42:45,179

and you know

2515

01:42:51,169 --> 01:42:48,600

yeah yeah I agree with you on the media

2516

01:42:53,090 --> 01:42:51,179

outlets and the other thing

2517

01:42:56,570 --> 01:42:53,100

that's definitely going to be an issue

2518

01:42:58,850 --> 01:42:56,580

is that the this is a godsend though to

2519

01:43:01,070 --> 01:42:58,860

the to the UFO believer and the UFO

2520

01:43:02,570 --> 01:43:01,080

Circle jerkers because don't you think

2521

01:43:04,850 --> 01:43:02,580

they took a lot of hits right before

2522

01:43:07,250 --> 01:43:04,860

this like there was a lot of hits you

2523

01:43:09,830 --> 01:43:07,260

know the Trinity UFO crash case is

2524

01:43:12,050 --> 01:43:09,840

completely fake and it destroyed Jacque

2525

01:43:15,350 --> 01:43:12,060

Valley's credibility if he hadn't he

2526

01:43:19,609 --> 01:43:15,360

left and oh yeah now we get the flare

2527

01:43:20,689 --> 01:43:19,619

stories from corbel uh just garbage I'm

2528

01:43:23,090 --> 01:43:20,699

glad you brought that one up because

2529

01:43:24,530 --> 01:43:23,100

when that one broke I was watching it on

2530

01:43:26,149 --> 01:43:24,540

Reddit and on Twitter and of course the

2531

01:43:28,550 --> 01:43:26,159

usual suspects were on Twitter were were

2532

01:43:30,649 --> 01:43:28,560

just clinging to it clinging to it like

2533

01:43:32,209 --> 01:43:30,659

a Lifeboat but all over on other

2534

01:43:34,010 --> 01:43:32,219

platforms on Facebook and on Reddit

2535

01:43:35,450 --> 01:43:34,020

people were jumping ship and they were

2536

01:43:37,070 --> 01:43:35,460

saying this is it I've had enough this

2537

01:43:39,290 --> 01:43:37,080

is garbage this is [h__h] I'm sick of

2538

01:43:41,510 --> 01:43:39,300

being lied to sick of being sold flares

2539

01:43:43,609 --> 01:43:41,520

until that they're aliens you know I'm

2540

01:43:47,030 --> 01:43:43,619

done with this and people were jumping

2541

01:43:49,790 --> 01:43:47,040

ship off of ufology because of it and so

2542

01:43:52,430 --> 01:43:49,800

yes in a way this was a godsend this was

2543

01:43:54,590 --> 01:43:52,440

a life preserver for the UFO grifters

2544

01:43:56,950 --> 01:43:54,600

because people were getting hip to them

2545

01:43:59,330 --> 01:43:56,960

left and right left and right in

2546

01:44:01,430 --> 01:43:59,340

platforms and in areas that had

2547

01:44:02,810 --> 01:44:01,440

generally before been pretty accepting

2548

01:44:04,129 --> 01:44:02,820

and friendly for them where they could

2549

01:44:06,709 --> 01:44:04,139

pretty much say whatever they wanted and

2550

01:44:08,750 --> 01:44:06,719

get away with it if this story explodes

2551

01:44:10,550 --> 01:44:08,760

it's going to be really bad because it's

2552

01:44:13,010 --> 01:44:10,560

going to confirm for a lot of people

2553

01:44:15,410 --> 01:44:13,020

that some of the more skeptical you know

2554

01:44:17,990 --> 01:44:15,420

even killed people are correct in their

2555

01:44:21,470 --> 01:44:18,000

analysis you know we've got Green Street

2556

01:44:24,050 --> 01:44:21,480

put out quite a scathing uh little

2557

01:44:26,270 --> 01:44:24,060

article on just on Twitter about Lou

2558

01:44:29,149 --> 01:44:26,280

Elizondo being not who he said he was

2559

01:44:32,450 --> 01:44:29,159

and how you know this is all tied to

2560

01:44:34,010 --> 01:44:32,460

Elizondo in his opinion and and if that

2561

01:44:37,189 --> 01:44:34,020

turns out to be true it's going to be

2562

01:44:40,609 --> 01:44:37,199

hard to continue to attack the skeptical

2563

01:44:42,290 --> 01:44:40,619

minded people you know who who mostly

2564

01:44:43,910 --> 01:44:42,300

you know like me and other people were

2565

01:44:46,189 --> 01:44:43,920

showing you the truth and we're urging

2566

01:44:49,669 --> 01:44:46,199

caution you know before you believe this

2567

01:44:51,109 --> 01:44:49,679

listen to this look at the history and

2568

01:44:53,870 --> 01:44:51,119

that's another thing I can't believe

2569

01:44:56,510 --> 01:44:53,880

that this guy's history like Ross

2570

01:44:59,270 --> 01:44:56,520

coldhart's history of selling a hundred

2571

01:45:01,490 --> 01:44:59,280

percent provably fake stories and Leslie

2572

01:45:04,189 --> 01:45:01,500

Keane's history of one being kind of a

2573

01:45:07,370 --> 01:45:04,199

wackadoo that believes in spirit mediums

2574

01:45:10,850 --> 01:45:07,380

and ectoplasm and all that stuff and

2575

01:45:13,490 --> 01:45:10,860

also her terrible factually incorrect

2576

01:45:15,410 --> 01:45:13,500

New York Times article you know these

2577

01:45:16,850 --> 01:45:15,420

people have all sold provably fake

2578

01:45:19,790 --> 01:45:16,860

stories before

2579

01:45:22,250 --> 01:45:19,800

I think that that's got to be you got to

2580

01:45:24,350 --> 01:45:22,260

take that into consideration like how do

2581

01:45:26,810 --> 01:45:24,360

you ignore their track record of selling

2582

01:45:29,990 --> 01:45:26,820

fake stories before and just all chips

2583

01:45:31,370 --> 01:45:30,000

in believe this you know yeah I I don't

2584

01:45:34,310 --> 01:45:31,380

I don't know how critically thinking

2585

01:45:35,689 --> 01:45:34,320

people can look at what those all those

2586

01:45:38,330 --> 01:45:35,699

people who just mentioned have done in

2587

01:45:41,090 --> 01:45:38,340

in the recent past and uh been caught

2588

01:45:42,890 --> 01:45:41,100

red-handed doing and still take them uh

2589

01:45:45,410 --> 01:45:42,900

as serious journalists or as anyone

2590

01:45:46,970 --> 01:45:45,420

who's critical or credible you know um

2591

01:45:49,550 --> 01:45:46,980

especially when you've got Leslie Kane

2592

01:45:51,169 --> 01:45:49,560

saying you know no I there's no red

2593

01:45:55,129 --> 01:45:51,179

flags when the guy couldn't prove any of

2594

01:45:56,570 --> 01:45:55,139

his story no red flags at all no not at

2595

01:45:58,609 --> 01:45:56,580

all of course not because she's not a

2596

01:46:00,649 --> 01:45:58,619

journalist she's an activist she doesn't

2597

01:46:02,209 --> 01:46:00,659

care as long as somebody says something

2598

01:46:03,470 --> 01:46:02,219

that she thinks will further her agenda

2599

01:46:05,270 --> 01:46:03,480

she's going to run with it she doesn't

2600

01:46:07,070 --> 01:46:05,280

give a [h__h] if it's true or not she's

2601

01:46:08,450 --> 01:46:07,080

not she's going to fact check him you

2602

01:46:09,950 --> 01:46:08,460

know she doesn't care as long as he's

2603

01:46:12,590 --> 01:46:09,960

got a medal on his chest or a letter

2604

01:46:14,330 --> 01:46:12,600

from a senator why would I care if it's

2605

01:46:16,970 --> 01:46:14,340

you know but you'll see what happens is

2606

01:46:18,410 --> 01:46:16,980

that the major news uh Publications are

2607

01:46:19,729 --> 01:46:18,420

not going to let that slide so much

2608

01:46:20,930 --> 01:46:19,739

they're gonna they're gonna be the ones

2609

01:46:22,850 --> 01:46:20,940

because they're the ones taking the hit

2610

01:46:25,250 --> 01:46:22,860

the New York Times took a hit when they

2611

01:46:26,689 --> 01:46:25,260

ran that article and had to come see

2612

01:46:29,090 --> 01:46:26,699

could that have something to do with the

2613

01:46:32,030 --> 01:46:29,100

fact that she has to distribute her

2614

01:46:33,709 --> 01:46:32,040

stories on the debrief now yeah and

2615

01:46:35,629 --> 01:46:33,719

maybe don't you think the debrief is

2616

01:46:37,490 --> 01:46:35,639

like the only one that would take it I

2617

01:46:39,109 --> 01:46:37,500

think so I'm gonna put your liberation

2618

01:46:40,850 --> 01:46:39,119

of times would have ran with it but oh

2619

01:46:42,970 --> 01:46:40,860

yeah but that's an even bigger garbage

2620

01:46:46,669 --> 01:46:42,980

pile uh yeah yeah

2621

01:46:48,050 --> 01:46:46,679

no yeah you know I'm a little I'm not

2622

01:46:50,450 --> 01:46:48,060

surprised at the debrief would run with

2623

01:46:52,070 --> 01:46:50,460

it and if you look it was very fortunate

2624

01:46:54,590 --> 01:46:52,080

for them you know like I said their

2625

01:46:55,850 --> 01:46:54,600

average uh interaction on their tweets

2626

01:46:57,470 --> 01:46:55,860

was somewhere around nine or ten

2627

01:46:58,910 --> 01:46:57,480

thousand Impressions per tweet before

2628

01:47:00,950 --> 01:46:58,920

that but the Tweet with this article

2629

01:47:02,450 --> 01:47:00,960

broke a million or clocked close to a

2630

01:47:04,070 --> 01:47:02,460

million in one day

2631

01:47:06,470 --> 01:47:04,080

um so this was very good for their

2632

01:47:08,930 --> 01:47:06,480

business as a you know um does that mean

2633

01:47:10,310 --> 01:47:08,940

it's true no I mean it doesn't and in

2634

01:47:11,990 --> 01:47:10,320

fact I think they've even walked back

2635

01:47:13,550 --> 01:47:12,000

and and had to put a big thing out today

2636

01:47:14,870 --> 01:47:13,560

how they didn't vet anything up I

2637

01:47:16,669 --> 01:47:14,880

haven't read the the two different parts

2638

01:47:18,050 --> 01:47:16,679

it was an interview with MacMillan who

2639

01:47:19,790 --> 01:47:18,060

was one of the co-founders I think of

2640

01:47:21,169 --> 01:47:19,800

the debrief

2641

01:47:22,729 --> 01:47:21,179

um where he's talking about how they

2642

01:47:23,810 --> 01:47:22,739

didn't they didn't really vet the story

2643

01:47:26,090 --> 01:47:23,820

it wasn't their job they're just

2644

01:47:27,890 --> 01:47:26,100

publishing it I'm like well

2645

01:47:29,990 --> 01:47:27,900

what do you mean so if I come to them

2646

01:47:31,490 --> 01:47:30,000

with a story about me like 22 and back

2647

01:47:33,830 --> 01:47:31,500

you know and I've been to 500 different

2648

01:47:36,290 --> 01:47:33,840

alien planets and they're gonna run it

2649

01:47:37,669 --> 01:47:36,300

like they apparently aren't journalists

2650

01:47:39,350 --> 01:47:37,679

either so

2651
01:47:41,030 --> 01:47:39,360
um people should be questioning that

2652
01:47:42,830 --> 01:47:41,040
should be questioning that why did it

2653
01:47:45,770 --> 01:47:42,840
have to end up on the debrief why did

2654
01:47:47,270 --> 01:47:45,780
all these other uh uh journalistic out

2655
01:47:48,229 --> 01:47:47,280
let's say hey we want to confirm this we

2656
01:47:49,970 --> 01:47:48,239
want a little bit of time to run with

2657
01:47:51,530 --> 01:47:49,980
this and to investigate this

2658
01:47:54,310 --> 01:47:51,540
and why was it so important that they

2659
01:47:56,330 --> 01:47:54,320
get it out you know yesterday

2660
01:47:59,510 --> 01:47:56,340
we might have had something to do with

2661
01:48:01,129 --> 01:47:59,520
Greer's event I think Lou Elizondo holds

2662
01:48:03,050 --> 01:48:01,139
the garage really well and he wanted to

2663
01:48:05,270 --> 01:48:03,060

crap all over his event

2664

01:48:07,070 --> 01:48:05,280

you know but again if what Dr Greer said

2665

01:48:08,810 --> 01:48:07,080

is true and he does have interviews with

2666

01:48:10,490 --> 01:48:08,820

Grouch then that would explain why they

2667

01:48:12,350 --> 01:48:10,500

wanted to get out and beat him to the to

2668

01:48:14,090 --> 01:48:12,360

the punch you know because they want to

2669

01:48:15,470 --> 01:48:14,100

be like oh no our story's accurate and

2670

01:48:16,790 --> 01:48:15,480

Dr Greer is going to use it out of

2671

01:48:18,470 --> 01:48:16,800

context or whatever

2672

01:48:19,970 --> 01:48:18,480

um I have no idea if that's true if he's

2673

01:48:21,950 --> 01:48:19,980

actually got filmed recordings with them

2674

01:48:24,129 --> 01:48:21,960

or or if he's just saying that so they

2675

01:48:27,410 --> 01:48:24,139

can climb onto the latest news cycle

2676

01:48:29,450 --> 01:48:27,420

on to it yeah oh my my disclosure of

2677

01:48:32,090 --> 01:48:29,460

that we've got four whistleblowers they

2678

01:48:34,430 --> 01:48:32,100

only got one you know it's like childish

2679

01:48:37,129 --> 01:48:34,440

at some point with this stuff it's

2680

01:48:39,350 --> 01:48:37,139

absolutely childish with some at some

2681

01:48:41,270 --> 01:48:39,360

point like they say Jerry Maguire show

2682

01:48:43,729 --> 01:48:41,280

me the money show me the receipts show

2683

01:48:45,709 --> 01:48:43,739

me the evidence I don't you know and you

2684

01:48:47,510 --> 01:48:45,719

know like like we talked about Snowden

2685

01:48:49,490 --> 01:48:47,520

earlier we talked about reality winner

2686

01:48:51,470 --> 01:48:49,500

these people brought evidence and they

2687

01:48:55,250 --> 01:48:51,480

didn't have to tell us what it meant the

2688

01:48:57,229 --> 01:48:55,260

evidence spoke for itself okay and that

2689

01:48:58,970 --> 01:48:57,239

is a whistleblower that is a

2690

01:49:00,530 --> 01:48:58,980

whistleblower and yes it sucks that

2691

01:49:02,030 --> 01:49:00,540

those whistleblowers paid heavily for

2692

01:49:03,350 --> 01:49:02,040

what they did you know one of them went

2693

01:49:04,729 --> 01:49:03,360

to prison and the other's been kept out

2694

01:49:07,189 --> 01:49:04,739

of his country and can't never come back

2695

01:49:09,050 --> 01:49:07,199

yeah yeah I agree with you somebody just

2696

01:49:11,629 --> 01:49:09,060

telling stories that somebody else told

2697

01:49:14,629 --> 01:49:11,639

them that that's not a whistleblower to

2698

01:49:16,609 --> 01:49:14,639

me you gotta you know and I get I'm

2699

01:49:19,010 --> 01:49:16,619

trying to be at least Fair the guy

2700

01:49:20,990 --> 01:49:19,020

claims he had he has evidence he showed

2701

01:49:23,090 --> 01:49:21,000

it to members of Congress but we can't

2702

01:49:24,050 --> 01:49:23,100

see it it just seems too convenient to

2703

01:49:25,910 --> 01:49:24,060

me

2704

01:49:26,990 --> 01:49:25,920

I don't think he does have evidence I

2705

01:49:28,550 --> 01:49:27,000

don't think he's ever even claimed to

2706

01:49:29,810 --> 01:49:28,560

thank you art and paranormal and thanks

2707

01:49:32,270 --> 01:49:29,820

for being a member and a chat room

2708

01:49:34,790 --> 01:49:32,280

moderator we appreciate you thank you

2709

01:49:36,470 --> 01:49:34,800

very much art and paranormal yeah he's

2710

01:49:38,390 --> 01:49:36,480

taken evidence if he's take if he's

2711

01:49:40,850 --> 01:49:38,400

using his clearance to take evidence

2712

01:49:42,530 --> 01:49:40,860

away and get evidence that's exactly

2713

01:49:44,570 --> 01:49:42,540

what reality winner did and she went to

2714

01:49:46,550 --> 01:49:44,580

prison for five years you know so I'm

2715

01:49:49,189 --> 01:49:46,560

not sure how I think he's saying that

2716

01:49:52,010 --> 01:49:49,199

people gave him those documents

2717

01:49:53,810 --> 01:49:52,020

so maybe you know yeah and that's

2718

01:49:56,390 --> 01:49:53,820

another issue some of these people were

2719

01:49:58,070 --> 01:49:56,400

arguing with me because I said if he was

2720

01:50:00,050 --> 01:49:58,080

releasing any classified information the

2721

01:50:02,270 --> 01:50:00,060

feds would be at his door and people are

2722

01:50:04,370 --> 01:50:02,280

arguing with me saying he couldn't be

2723

01:50:06,470 --> 01:50:04,380

lying because if he was lying under oath

2724

01:50:08,629 --> 01:50:06,480

they would prosecute him but don't you

2725

01:50:11,209 --> 01:50:08,639

think Manny if he's just repeating what

2726

01:50:13,070 --> 01:50:11,219

do they mean under oath like like he

2727

01:50:14,930 --> 01:50:13,080

made up a story to tell Congress or to

2728

01:50:18,290 --> 01:50:14,940

Arrow when he swore under oath that he

2729

01:50:21,050 --> 01:50:18,300

was yes or to the IG but the point is

2730

01:50:23,030 --> 01:50:21,060

that perjury requires intent if he's

2731

01:50:24,410 --> 01:50:23,040

just repeating stories that people told

2732

01:50:26,870 --> 01:50:24,420

him I don't think that they would

2733

01:50:29,570 --> 01:50:26,880

prosecute him if he was framing them as

2734

01:50:31,010 --> 01:50:29,580

stories that were were told yeah these

2735

01:50:33,290 --> 01:50:31,020

people told me this is what they were

2736

01:50:35,870 --> 01:50:33,300

involved in and they you know saw the

2737

01:50:37,910 --> 01:50:35,880

alien spaceships or whatever he's not

2738

01:50:40,669 --> 01:50:37,920

lying he's repeating what somebody told

2739

01:50:43,490 --> 01:50:40,679

him there has to be intend now to to

2740

01:50:46,010 --> 01:50:43,500

deceive now would Arrow find his stories

2741

01:50:47,510 --> 01:50:46,020

and his claims to lack credibility most

2742

01:50:50,510 --> 01:50:47,520

likely because it's their second hand

2743

01:50:51,770 --> 01:50:50,520

stories lacking any evidence so if you

2744

01:50:52,669 --> 01:50:51,780

had evidence he should have supplied it

2745

01:50:54,410 --> 01:50:52,679

to Arrow which is where the

2746

01:50:55,669 --> 01:50:54,420

Whistleblower protections gave him they

2747

01:50:57,050 --> 01:50:55,679

didn't give him a protection to go to

2748

01:50:59,570 --> 01:50:57,060

cross cool fire they didn't give a

2749

01:51:01,129 --> 01:50:59,580

protection to go to the Canadian um you

2750

01:51:03,229 --> 01:51:01,139

know Parliament they did not give him

2751
01:51:05,270 --> 01:51:03,239
permission to go around all those people

2752
01:51:07,010 --> 01:51:05,280
and go to Marco Rubio or anybody else

2753
01:51:08,390 --> 01:51:07,020
they did not give him that they gave him

2754
01:51:10,010 --> 01:51:08,400
the permission to talk in the right

2755
01:51:11,990 --> 01:51:10,020
setting to arrow and to provide the

2756
01:51:13,370 --> 01:51:12,000
evidence now clearly he failed to do

2757
01:51:15,169 --> 01:51:13,380
that because Kirkpatrick came out and

2758
01:51:16,310 --> 01:51:15,179
said there's zero credible evidence of

2759
01:51:18,410 --> 01:51:16,320
any of these programs or these

2760
01:51:20,570 --> 01:51:18,420
retrievals or crashes or any of it none

2761
01:51:21,830 --> 01:51:20,580
there's none so he obviously doesn't

2762
01:51:24,590 --> 01:51:21,840
have that evidence or he would have

2763
01:51:26,090 --> 01:51:24,600

given it to Arrow or if he did why

2764

01:51:28,310 --> 01:51:26,100

didn't he just leak it why didn't he or

2765

01:51:29,570 --> 01:51:28,320

I just don't get it I mean he doesn't he

2766

01:51:31,490 --> 01:51:29,580

said that he couldn't have it it

2767

01:51:33,169 --> 01:51:31,500

couldn't be somebody could never give it

2768

01:51:34,729 --> 01:51:33,179

to him imagine what he's saying there

2769

01:51:36,290 --> 01:51:34,739

you know somebody's working on a top

2770

01:51:38,629 --> 01:51:36,300

secret UFO program and they're going to

2771

01:51:40,430 --> 01:51:38,639

leak him a document and he's got it and

2772

01:51:42,410 --> 01:51:40,440

you gotta trust he has it but he can't

2773

01:51:44,090 --> 01:51:42,420

show it to anybody but Congress like

2774

01:51:45,830 --> 01:51:44,100

that just doesn't make any sense it does

2775

01:51:47,629 --> 01:51:45,840

why wouldn't they go to Congress why

2776
01:51:49,910 --> 01:51:47,639
wouldn't they go to Arrow why wouldn't

2777
01:51:51,350 --> 01:51:49,920
and if so why wouldn't when they took

2778
01:51:53,090 --> 01:51:51,360
that to Arrow why wouldn't Arrow

2779
01:51:55,550 --> 01:51:53,100
investigate and find that program

2780
01:51:57,109 --> 01:51:55,560
I'm sure they tried I'm sure they tried

2781
01:51:59,590 --> 01:51:57,119
if they had credible evidence that

2782
01:52:01,550 --> 01:51:59,600
showed that there was a uh UFO program

2783
01:52:05,090 --> 01:52:01,560
I'm sure that he would have tried to

2784
01:52:06,830 --> 01:52:05,100
find it but he didn't so that to me

2785
01:52:08,990 --> 01:52:06,840
tells me that it doesn't exist you know

2786
01:52:11,570 --> 01:52:09,000
do you think that we're ever going to

2787
01:52:13,310 --> 01:52:11,580
get the names or testimony of any of

2788
01:52:15,290 --> 01:52:13,320

these people who told him these stories

2789

01:52:16,970 --> 01:52:15,300

so we could get the first-hand accounts

2790

01:52:18,950 --> 01:52:16,980

or do you think they're going to Kick

2791

01:52:20,629 --> 01:52:18,960

the Can on this and we're never going to

2792

01:52:22,070 --> 01:52:20,639

get any names

2793

01:52:24,770 --> 01:52:22,080

and we're never going to get any

2794

01:52:27,050 --> 01:52:24,780

evidence I I would I would love to hear

2795

01:52:28,550 --> 01:52:27,060

who told him what he was told yeah I

2796

01:52:35,109 --> 01:52:28,560

have a sneaky suspicion it was probably

2797

01:52:41,390 --> 01:52:39,290

maybe Gary Nolan maybe lewisando maybe

2798

01:52:42,830 --> 01:52:41,400

all these people put him up to it and

2799

01:52:44,930 --> 01:52:42,840

shoved him out there and he's just like

2800

01:52:47,149 --> 01:52:44,940

a you know like a doe in headlights he's

2801

01:52:48,709 --> 01:52:47,159

like I don't know okay I'll do it

2802

01:52:50,510 --> 01:52:48,719

um I don't know

2803

01:52:51,649 --> 01:52:50,520

um maybe they maybe they have it you

2804

01:52:53,270 --> 01:52:51,659

know maybe they're the ones who put them

2805

01:52:55,729 --> 01:52:53,280

up to it but uh

2806

01:52:58,370 --> 01:52:55,739

maybe not I mean I don't know

2807

01:53:00,609 --> 01:52:58,380

um yeah because actually they they don't

2808

01:53:03,669 --> 01:53:00,619

need it they don't need Title 50.

2809

01:53:06,590 --> 01:53:03,679

big surprise dark protocol says

2810

01:53:08,330 --> 01:53:06,600

Alejandro Rojas appeared on podcast UFO

2811

01:53:11,390 --> 01:53:08,340

today and was all over this story cool

2812

01:53:14,149 --> 01:53:11,400

yeah all the usual did you know Manny

2813

01:53:17,209 --> 01:53:14,159

that at contact in the desert

2814

01:53:20,629 --> 01:53:17,219

um Richard Dolan and uh and somebody

2815

01:53:23,510 --> 01:53:20,639

else they had like it she had they had

2816

01:53:25,910 --> 01:53:23,520

to do an emergency like talk about the

2817

01:53:28,010 --> 01:53:25,920

new whistleblower because they did they

2818

01:53:29,870 --> 01:53:28,020

like canceled the vents to just talk

2819

01:53:31,310 --> 01:53:29,880

about this story because it's this is

2820

01:53:32,810 --> 01:53:31,320

the biggest story in humans because I

2821

01:53:34,550 --> 01:53:32,820

really want to know what Lou elizondo's

2822

01:53:36,169 --> 01:53:34,560

lawyer thinks about Lou elizondo's

2823

01:53:39,109 --> 01:53:36,179

friend a whistleblower coming out no

2824

01:53:41,510 --> 01:53:39,119

thanks man yeah it was funny to see it

2825

01:53:44,030 --> 01:53:41,520

was funny to see Green Street he tweeted

2826

01:53:46,189 --> 01:53:44,040

something really funny like I used to

2827

01:53:48,590 --> 01:53:46,199

think all this UFO stuff was bullcrap

2828

01:53:51,010 --> 01:53:48,600

but since Lou Alexander's friends said

2829

01:53:53,990 --> 01:53:51,020

that said the aliens are real

2830

01:53:56,149 --> 01:53:54,000

I believe it you know no I no it's true

2831

01:53:57,890 --> 01:53:56,159

yeah because Lou's buddy told me it was

2832

01:53:58,850 --> 01:53:57,900

real you know like yeah I'm not I'm not

2833

01:54:01,129 --> 01:53:58,860

into that

2834

01:54:02,930 --> 01:54:01,139

um I don't really care what Sheehan or

2835

01:54:03,830 --> 01:54:02,940

or Dolan has to say to be honest with

2836

01:54:05,270 --> 01:54:03,840

you

2837

01:54:08,570 --> 01:54:05,280

um yeah

2838

01:54:10,850 --> 01:54:08,580

yeah and and a final question for you

2839

01:54:13,550 --> 01:54:10,860

before we wrap things up

2840

01:54:15,890 --> 01:54:13,560

um there have been hype about new

2841

01:54:17,330 --> 01:54:15,900

whistleblowers are coming do you think

2842

01:54:18,950 --> 01:54:17,340

that this is the first and we're going

2843

01:54:21,530 --> 01:54:18,960

to get more and are they going to be

2844

01:54:23,750 --> 01:54:21,540

like him with no evidence or are we

2845

01:54:26,810 --> 01:54:23,760

going to get some actual real

2846

01:54:29,209 --> 01:54:26,820

information anytime soon well honestly

2847

01:54:31,490 --> 01:54:29,219

he's not the first actually Bob Salas

2848

01:54:33,890 --> 01:54:31,500

came out with his recorded uh testimony

2849

01:54:36,470 --> 01:54:33,900

that he had given to uh Arrow a couple

2850

01:54:38,209 --> 01:54:36,480

weeks ago so he technically yeah so

2851
01:54:39,830 --> 01:54:38,219
Robert Silas would have been the first

2852
01:54:41,689 --> 01:54:39,840
whistleblower

2853
01:54:43,250 --> 01:54:41,699
um I think this is probably it I think

2854
01:54:45,530 --> 01:54:43,260
they put their all in all their chips in

2855
01:54:47,870 --> 01:54:45,540
on this guy and that's probably why he

2856
01:54:50,149 --> 01:54:47,880
got such the heavy uh reaction that he

2857
01:54:51,229 --> 01:54:50,159
did in the media and I really I want to

2858
01:54:52,609 --> 01:54:51,239
know who's spending all the money to

2859
01:54:54,290 --> 01:54:52,619
promote this guy I want to know where

2860
01:54:56,689 --> 01:54:54,300
that funding's coming from and who's

2861
01:54:58,370 --> 01:54:56,699
behind it and why they're behind it

2862
01:55:00,770 --> 01:54:58,380
um it's not uh

2863
01:55:02,689 --> 01:55:00,780

it's not really

2864

01:55:04,070 --> 01:55:02,699

oh really what's that see him can you

2865

01:55:05,270 --> 01:55:04,080

bring that up that message that Steve

2866

01:55:08,270 --> 01:55:05,280

long just said

2867

01:55:11,570 --> 01:55:08,280

she had an Elizondo yeah

2868

01:55:13,970 --> 01:55:11,580

Sheehan and Lou formed a 501c with the

2869

01:55:16,490 --> 01:55:13,980

whistleblowers grucha meal get me that

2870

01:55:18,370 --> 01:55:16,500

document Steve long message yeah I'm

2871

01:55:22,370 --> 01:55:18,380

really curious to know more about that

2872

01:55:24,250 --> 01:55:22,380

so A 501 3C is a non-profit tax-exempt

2873

01:55:27,109 --> 01:55:24,260

organization for people who don't know

2874

01:55:29,209 --> 01:55:27,119

in this case it's probably a foundation

2875

01:55:31,609 --> 01:55:29,219

I would guess is probably what that is

2876

01:55:32,930 --> 01:55:31,619

and I would be really curious to find

2877

01:55:35,689 --> 01:55:32,940

some more information about that because

2878

01:55:37,490 --> 01:55:35,699

I'd like to see who's donating money to

2879

01:55:38,870 --> 01:55:37,500

that foundation and where the funding is

2880

01:55:41,330 --> 01:55:38,880

coming from and where it's going yeah

2881

01:55:44,629 --> 01:55:41,340

one of the problems one of the problems

2882

01:55:46,189 --> 01:55:44,639

for the for for people if if you form a

2883

01:55:48,410 --> 01:55:46,199

charity you have to file something

2884

01:55:51,109 --> 01:55:48,420

called a 990. that's how we were able to

2885

01:55:52,850 --> 01:55:51,119

show everybody exactly how much money uh

2886

01:55:55,010 --> 01:55:52,860

David Wilcock was collecting for his

2887

01:55:56,629 --> 01:55:55,020

charity and what he spent it on and that

2888

01:55:58,609 --> 01:55:56,639

was a great story Manny because do you

2889

01:56:02,330 --> 01:55:58,619

know what he spent all the money on

2890

01:56:04,970 --> 01:56:02,340

Home Improvements himself all the money

2891

01:56:07,189 --> 01:56:04,980

on himself he did no challenge you mean

2892

01:56:08,750 --> 01:56:07,199

like spa days and getting a haircut yeah

2893

01:56:10,790 --> 01:56:08,760

yeah they spent like five thousand

2894

01:56:12,169 --> 01:56:10,800

dollars on meals and entertainment and

2895

01:56:15,169 --> 01:56:12,179

they spent all kinds of money on

2896

01:56:17,950 --> 01:56:15,179

software cameras equipment and he's

2897

01:56:20,510 --> 01:56:17,960

doing for-profit monetized

2898

01:56:22,370 --> 01:56:20,520

broadcasts with the with the equipment

2899

01:56:24,169 --> 01:56:22,380

allegedly that he purchased with

2900

01:56:26,689 --> 01:56:24,179

charitable donations

2901
01:56:28,729 --> 01:56:26,699
wow so that's a real problem for him and

2902
01:56:31,850 --> 01:56:28,739
he only ended up giving he collected

2903
01:56:33,530 --> 01:56:31,860
something like 175 000 in two years and

2904
01:56:35,930 --> 01:56:33,540
he only ended up giving a few thousand

2905
01:56:38,870 --> 01:56:35,940
dollars to some other charity that was

2906
01:56:40,729 --> 01:56:38,880
the total of of his charitable work he

2907
01:56:43,010 --> 01:56:40,739
spent all the rest of the money him and

2908
01:56:46,990 --> 01:56:43,020
uh him and his wife on like meals and

2909
01:56:50,450 --> 01:56:47,000
entertainment you know and uh equipment

2910
01:56:54,290 --> 01:56:50,460
office supplies just ridiculous things

2911
01:56:56,750 --> 01:56:54,300
like I don't know how you spend oh 175

2912
01:56:58,850 --> 01:56:56,760
000 on yourself when it's supposed to be

2913
01:57:01,729 --> 01:56:58,860

for charity and you think that's okay

2914

01:57:04,790 --> 01:57:01,739

like we were saying there's no morals if

2915

01:57:06,890 --> 01:57:04,800

he really did form a 501c3 they're going

2916

01:57:09,890 --> 01:57:06,900

to have to report every dime that they

2917

01:57:12,050 --> 01:57:09,900

collect in charitable donations and

2918

01:57:14,930 --> 01:57:12,060

every dime that they spend and what they

2919

01:57:17,450 --> 01:57:14,940

spend it on so that might be I think

2920

01:57:19,189 --> 01:57:17,460

it's a mistake for any UFO person or

2921

01:57:21,729 --> 01:57:19,199

person in conspiracy land to start a

2922

01:57:24,470 --> 01:57:21,739

charity because

2923

01:57:26,209 --> 01:57:24,480

we can private for for-profit company

2924

01:57:27,830 --> 01:57:26,219

like Enigma Labs did they should do

2925

01:57:29,689 --> 01:57:27,840

something like that where they get a

2926

01:57:31,250 --> 01:57:29,699

little privacy and they can spend money

2927

01:57:33,770 --> 01:57:31,260

the way that they want without having to

2928

01:57:35,450 --> 01:57:33,780

justify it to um either shareholders or

2929

01:57:37,490 --> 01:57:35,460

the public because when you go public

2930

01:57:38,930 --> 01:57:37,500

like tsa did will you open yourself up

2931

01:57:41,510 --> 01:57:38,940

to have a note to share your finances

2932

01:57:44,089 --> 01:57:41,520

with the uh public you know if they

2933

01:57:46,129 --> 01:57:44,099

truly are the same as what the 501 3cs

2934

01:57:48,050 --> 01:57:46,139

as well if they truly did start a

2935

01:57:51,229 --> 01:57:48,060

charity with this whistleblower David

2936

01:57:53,330 --> 01:57:51,239

grush that proves a direct link between

2937

01:57:56,030 --> 01:57:53,340

Lou Elizondo and a financial connection

2938

01:57:57,950 --> 01:57:56,040

between absolutely zondo and him and

2939

01:58:01,310 --> 01:57:57,960

that's I think that's extremely

2940

01:58:03,530 --> 01:58:01,320

problematic for this guy's credibility

2941

01:58:05,330 --> 01:58:03,540

yeah it all depends on what it is and

2942

01:58:06,589 --> 01:58:05,340

why it's set up um either way it doesn't

2943

01:58:09,290 --> 01:58:06,599

look good that they're all connected

2944

01:58:11,810 --> 01:58:09,300

financially through a tax-exempt you

2945

01:58:14,330 --> 01:58:11,820

know Foundation or uh charity or

2946

01:58:16,850 --> 01:58:14,340

non-profit organization that's not good

2947

01:58:18,109 --> 01:58:16,860

um so I'd really uh gosh I'd love if

2948

01:58:20,629 --> 01:58:18,119

anybody has any information on that

2949

01:58:22,310 --> 01:58:20,639

email it to me just give me a name and a

2950

01:58:25,010 --> 01:58:22,320

state and I will go to town like a dog

2951

01:58:27,830 --> 01:58:25,020

with a bone I will just dig a dick and

2952

01:58:29,990 --> 01:58:27,840

take it until I get it but um yeah I

2953

01:58:31,550 --> 01:58:30,000

mean if it's a new charity all we're

2954

01:58:34,790 --> 01:58:31,560

going to be able to get is the initial

2955

01:58:36,649 --> 01:58:34,800

formation uh documents but it'll show

2956

01:58:37,970 --> 01:58:36,659

you every principle that's involved

2957

01:58:40,250 --> 01:58:37,980

every person

2958

01:58:43,129 --> 01:58:40,260

that's involved in the charity and and

2959

01:58:45,290 --> 01:58:43,139

some more information and and again just

2960

01:58:47,089 --> 01:58:45,300

to be clear we haven't confirmed that

2961

01:58:48,649 --> 01:58:47,099

Lou Elizondo started a charity with this

2962

01:58:50,930 --> 01:58:48,659

whistleblower someone in the live chat

2963

01:58:52,370 --> 01:58:50,940

Steve long has said that we're going to

2964

01:58:54,109 --> 01:58:52,380

try to confirm that and if that's the

2965

01:58:56,390 --> 01:58:54,119

case we'll we'll report it to you we'll

2966

01:58:57,470 --> 01:58:56,400

we'll bring you the story on that you

2967

01:58:59,450 --> 01:58:57,480

know

2968

01:59:01,729 --> 01:58:59,460

yeah most Charities give very little to

2969

01:59:03,229 --> 01:59:01,739

the cause yeah absolutely well I think

2970

01:59:04,490 --> 01:59:03,239

we're going to wrap things up Manny I

2971

01:59:07,010 --> 01:59:04,500

want to thank you for coming on at the

2972

01:59:10,010 --> 01:59:07,020

last minute I'll uh add your name to

2973

01:59:12,050 --> 01:59:10,020

the title and stuff so I'm sorry this

2974

01:59:15,350 --> 01:59:12,060

was kind of last minute uh Manny offered

2975

01:59:16,729 --> 01:59:15,360

to jump on I I but that's okay because I

2976

01:59:18,169 --> 01:59:16,739

had another part to tonight's

2977

01:59:21,109 --> 01:59:18,179

presentation I could say for something

2978

01:59:24,709 --> 01:59:21,119

else and that is just on the history of

2979

01:59:27,470 --> 01:59:24,719

all of the baloney and the fakery and

2980

01:59:29,629 --> 01:59:27,480

the fraudery involved with UFO crash

2981

01:59:31,189 --> 01:59:29,639

retrieval stories I've got a whole piece

2982

01:59:33,649 --> 01:59:31,199

on that and presentation on that we'll

2983

01:59:35,330 --> 01:59:33,659

do it another night maybe tomorrow yeah

2984

01:59:37,010 --> 01:59:35,340

you know and on the whole UFO Griff

2985

01:59:38,870 --> 01:59:37,020

thing you know that um I haven't been

2986

01:59:40,070 --> 01:59:38,880

real active on YouTube in the last

2987

01:59:41,450 --> 01:59:40,080

probably a year and a half I've been

2988

01:59:43,370 --> 01:59:41,460

doing and you know Stephen I've been

2989

01:59:46,430 --> 01:59:43,380

working with Bob kiviati on a couple of

2990

01:59:47,709 --> 01:59:46,440

years yeah producer of alien autopsy yes

2991

01:59:50,270 --> 01:59:47,719

yeah

2992

01:59:53,450 --> 01:59:50,280

you took my job with him you know you

2993

01:59:55,609 --> 01:59:53,460

prick I said that before but yeah it's

2994

01:59:58,129 --> 01:59:55,619

been it's been great nobody told me that

2995

02:00:01,189 --> 01:59:58,139

Bob kibiati needed like a video guy and a

2996

02:00:03,890 --> 02:00:01,199

co-producer and and so Manny swooped in

2997

02:00:07,250 --> 02:00:03,900

and he took my job with Bob kibiati to

2998

02:00:09,410 --> 02:00:07,260

make films with Bob kiviati who is half

2999

02:00:12,290 --> 02:00:09,420

my childhood man Unsolved Mysteries

3000

02:00:14,629 --> 02:00:12,300

alien autopsy Factor it was a factor

3001

02:00:16,850 --> 02:00:14,639

fate or fact or fiction it was fact or

3002

02:00:19,250 --> 02:00:16,860

fiction fiction with Jonathan Frakes and

3003

02:00:20,510 --> 02:00:19,260

that guy's a big part of my childhood I

3004

02:00:22,129 --> 02:00:20,520

would have loved to have that job but

3005

02:00:23,089 --> 02:00:22,139

Manny took it from me because he's a

3006

02:00:24,830 --> 02:00:23,099

prick

3007

02:00:26,149 --> 02:00:24,840

that's just the way it works out it was

3008

02:00:31,669 --> 02:00:26,159

kind of an interesting story we'll talk

3009

02:00:37,189 --> 02:00:34,609

buddy I know everybody's screw me out of

3010

02:00:39,530 --> 02:00:37,199

job jobs here no I'm happy for both of

3011

02:00:41,689 --> 02:00:39,540

you bigger and better thanks good for

3012

02:00:44,169 --> 02:00:41,699

you guys I'm I'm hoping that I get a

3013

02:00:47,030 --> 02:00:44,179

break someday until then I'll be here

3014

02:00:49,129 --> 02:00:47,040

swinging away slugging away here Manny

3015

02:00:50,930 --> 02:00:49,139

uh that's good I'm happy to be here

3016

02:00:52,129 --> 02:00:50,940

actually yeah I just want to let

3017

02:00:53,209 --> 02:00:52,139

everybody know what I'm doing you know

3018

02:00:54,709 --> 02:00:53,219

I'm still here and I'm still working

3019

02:00:56,030 --> 02:00:54,719

behind the scenes I just haven't been

3020

02:00:57,470 --> 02:00:56,040

active on YouTube

3021

02:00:58,790 --> 02:00:57,480

um you know people can follow me on

3022

02:01:00,050 --> 02:00:58,800

Twitter you know I know you do Stephen

3023

02:01:02,410 --> 02:01:00,060

and you see that I'm out on their

3024

02:01:05,990 --> 02:01:02,420

everyday talking about this stuff

3025

02:01:08,510 --> 02:01:06,000

balls every day I you know it's so funny

3026

02:01:10,370 --> 02:01:08,520

I'm glad Manny's there because Manny is

3027

02:01:13,550 --> 02:01:10,380

a tremendous Time Saver in my life

3028

02:01:16,070 --> 02:01:13,560

because I go and somebody says something

3029

02:01:18,709 --> 02:01:16,080

stupid and ridiculous and I'm going I'm

3030

02:01:20,810 --> 02:01:18,719

going to reply to this dummy and then I

3031

02:01:22,970 --> 02:01:20,820

look at the Tweet thread and Manny

3032

02:01:25,430 --> 02:01:22,980

already told them exactly or nearly

3033

02:01:27,530 --> 02:01:25,440

exactly what I was like listen you idiot

3034

02:01:29,450 --> 02:01:27,540

you know like I don't have to do it

3035

02:01:32,089 --> 02:01:29,460

because Manny's out there busting balls

3036

02:01:33,350 --> 02:01:32,099

too it's a great thing yeah yeah trying

3037

02:01:35,810 --> 02:01:33,360

to keep people honest that's all and

3038

02:01:37,010 --> 02:01:35,820

it's a full-time job but uh yeah so one

3039

02:01:38,750 --> 02:01:37,020

of the projects we're working on is

3040

02:01:41,089 --> 02:01:38,760

obviously the UFOs and politics and all

3041

02:01:42,470 --> 02:01:41,099

the scams and grips and stuff um so yeah

3042

02:01:44,450 --> 02:01:42,480

people should keep their eyes open for

3043

02:01:46,729 --> 02:01:44,460

that and if you've got any tips or

3044

02:01:48,530 --> 02:01:46,739

whatever send them in email me you know

3045

02:01:50,030 --> 02:01:48,540

uh don't be afraid to reach out I'm

3046

02:01:51,530 --> 02:01:50,040

still here and I'm open to talk to just

3047

02:01:53,169 --> 02:01:51,540

about anybody as long as they're civil

3048

02:01:55,910 --> 02:01:53,179

you know

3049

02:01:57,470 --> 02:01:55,920

good to hear all right well thank you

3050

02:01:58,850 --> 02:01:57,480

Manny we're gonna wrap things up you

3051
02:02:00,350 --> 02:01:58,860
have a great evening and don't be a

3052
02:02:02,149 --> 02:02:00,360
stranger come back especially when you

3053
02:02:03,890 --> 02:02:02,159
finish a film and a film comes out I

3054
02:02:06,109 --> 02:02:03,900
want both you and Bob here

3055
02:02:07,310 --> 02:02:06,119
oh for for sure I'm sure I know that Bob

3056
02:02:09,050 --> 02:02:07,320
would love to come back on your show he

3057
02:02:11,030 --> 02:02:09,060
enjoyed uh hanging out with you that

3058
02:02:11,750 --> 02:02:11,040
well he's an awesome guy tell him I said

3059
02:02:13,850 --> 02:02:11,760
hello

3060
02:02:15,410 --> 02:02:13,860
I will I will and uh thanks everybody

3061
02:02:18,410 --> 02:02:15,420
thanks for having me on Stephen all

3062
02:02:22,010 --> 02:02:18,420
right thank you Manny from area 503 now

3063
02:02:24,649 --> 02:02:22,020

a co-producer uh with uh Bob kiviats

3064

02:02:26,629 --> 02:02:24,659

new film company uh happy for him I joke

3065

02:02:29,209 --> 02:02:26,639

about him getting my job I would love to

3066

02:02:31,550 --> 02:02:29,219

have that job but he beat me to it uh

3067

02:02:33,290 --> 02:02:31,560

the better man won it's okay I'm happy

3068

02:02:35,270 --> 02:02:33,300

for Manny

3069

02:02:37,070 --> 02:02:35,280

um they've got multiple film projects

3070

02:02:38,629 --> 02:02:37,080

which they will be releasing soon and

3071

02:02:40,430 --> 02:02:38,639

when they start releasing these film

3072

02:02:42,950 --> 02:02:40,440

projects I'm gonna have them both on

3073

02:02:45,169 --> 02:02:42,960

here to talk about the films uh I know

3074

02:02:46,970 --> 02:02:45,179

they have one on UFOs and scams and

3075

02:02:48,950 --> 02:02:46,980

they've got uh another one on the

3076

02:02:50,930 --> 02:02:48,960

Mandela effect and a few other projects

3077

02:02:53,570 --> 02:02:50,940

that I'm aware of

3078

02:02:56,689 --> 02:02:53,580

um and that's great stuff so

3079

02:02:59,390 --> 02:02:56,699

boy we uh I have done my due diligence

3080

02:03:02,390 --> 02:02:59,400

today for those unaware I spend all day

3081

02:03:04,669 --> 02:03:02,400

today on the phone and in emails trying

3082

02:03:06,890 --> 02:03:04,679

to get the story exactly right it's

3083

02:03:09,229 --> 02:03:06,900

important especially when nobody else

3084

02:03:11,209 --> 02:03:09,239

has the story you know you can't copy

3085

02:03:13,129 --> 02:03:11,219

and paste you have to get the facts the

3086

02:03:14,870 --> 02:03:13,139

dates the times the names everything has

3087

02:03:18,950 --> 02:03:14,880

to be correct

3088

02:03:21,070 --> 02:03:18,960

um so I did my due diligence today uh we

3089

02:03:25,070 --> 02:03:21,080

want to thank uh

3090

02:03:27,290 --> 02:03:25,080

each and every one of you uh for joining

3091

02:03:29,810 --> 02:03:27,300

us we want to thank Our Kind and

3092

02:03:32,990 --> 02:03:29,820

Generous benefactors you patreon

3093

02:03:36,350 --> 02:03:33,000

supporters you PayPal pledgers you super

3094

02:03:38,990 --> 02:03:36,360

chatter super thanks people uh YouTube

3095

02:03:41,629 --> 02:03:39,000

channel members and of course our PayPal

3096

02:03:44,209 --> 02:03:41,639

pledgers we're a viewer supported show

3097

02:03:46,550 --> 02:03:44,219

and I try not to get bitter friends but

3098

02:03:49,070 --> 02:03:46,560

when I see lazy slob that are

3099

02:03:50,750 --> 02:03:49,080

contributing nothing new but they're

3100

02:03:53,209 --> 02:03:50,760

right there with their hands out right

3101

02:03:55,609 --> 02:03:53,219

it kind of bothers me

3102

02:03:58,550 --> 02:03:55,619

um all day yesterday and all day today I

3103

02:04:01,070 --> 02:03:58,560

spent trying to uh make sure that we had

3104

02:04:03,410 --> 02:04:01,080

new and and interesting information to

3105

02:04:07,250 --> 02:04:03,420

share with you that takes time energy

3106

02:04:09,350 --> 02:04:07,260

passion and dedication and it takes uh

3107

02:04:11,390 --> 02:04:09,360

some support and we're lucky to have the

3108

02:04:11,990 --> 02:04:11,400

support of all of you

3109

02:04:14,089 --> 02:04:12,000

um

3110

02:04:17,330 --> 02:04:14,099

and we also want to be sure that we

3111

02:04:20,689 --> 02:04:17,340

thank our PayPal Pledger uh Daniel for

3112

02:04:22,430 --> 02:04:20,699

kind of generous 10 PayPal pledge uh we

3113

02:04:24,470 --> 02:04:22,440

want to thank Maria for kind and

3114

02:04:26,930 --> 02:04:24,480

generous fifty dollar PayPal pledge

3115

02:04:30,229 --> 02:04:26,940

Daniel is sending that into some

3116

02:04:32,270 --> 02:04:30,239

birthday cash for the uh cash clam thank

3117

02:04:35,570 --> 02:04:32,280

you very much he'll appreciate that I'll

3118

02:04:37,609 --> 02:04:35,580

make sure he gets it and uh Maria just

3119

02:04:40,010 --> 02:04:37,619

says great work on The Whistleblower

3120

02:04:41,810 --> 02:04:40,020

story I'm glad you're here and we're

3121

02:04:46,669 --> 02:04:41,820

glad you're here Maria thank you for the

3122

02:04:49,729 --> 02:04:46,679

Kylie Jenner's 50 PayPal pledge so we

3123

02:04:51,589 --> 02:04:49,739

have done our due diligence for today uh

3124

02:04:54,709 --> 02:04:51,599

I

3125

02:04:57,770 --> 02:04:54,719

really hope that we're kind of done with

3126

02:04:59,750 --> 02:04:57,780

this story for for now to be quite

3127

02:05:02,750 --> 02:04:59,760

honest with you I'm kind of I've kind of

3128

02:05:04,930 --> 02:05:02,760

decided that until evidence actually

3129

02:05:08,510 --> 02:05:04,940

surfaces I'm kind of sick of this story

3130

02:05:11,510 --> 02:05:08,520

although uh thankfully after today I'm

3131

02:05:14,270 --> 02:05:11,520

aware of new information about this man

3132

02:05:16,910 --> 02:05:14,280

traveling to Canada speaking to members

3133

02:05:19,729 --> 02:05:16,920

of the Canadian Parliament and now

3134

02:05:22,250 --> 02:05:19,739

everyone is aware of that

3135

02:05:24,410 --> 02:05:22,260

um and I also would just like to say to

3136

02:05:26,870 --> 02:05:24,420

those True Believers that think it's a

3137

02:05:28,189 --> 02:05:26,880

good idea to get me shadow banned

3138

02:05:31,430 --> 02:05:28,199

you know

3139

02:05:33,709 --> 02:05:31,440

if you if your arguments are so weak

3140

02:05:35,689 --> 02:05:33,719

that they can't withstand debate you

3141

02:05:38,209 --> 02:05:35,699

don't belong in the debate

3142

02:05:41,209 --> 02:05:38,219

uh we're not doing anything wrong here

3143

02:05:43,609 --> 02:05:41,219

we are investigating stories taking our

3144

02:05:47,030 --> 02:05:43,619

audience with us along for the ride and

3145

02:05:50,689 --> 02:05:47,040

Reporting what we find I think that that

3146

02:05:52,669 --> 02:05:50,699

is a noble Endeavor uh and I'm glad for

3147

02:05:56,089 --> 02:05:52,679

the support of most of you who agree

3148

02:05:58,129 --> 02:05:56,099

with me and to those that don't we're

3149

02:05:59,689 --> 02:05:58,139

still providing new information that I

3150

02:06:02,089 --> 02:05:59,699

would think that most of you would find

3151

02:06:05,930 --> 02:06:02,099

valuable like this so-called

3152

02:06:09,050 --> 02:06:05,940

whistleblower David Gersh is

3153

02:06:10,850 --> 02:06:09,060

apparently having closed door non-public

3154

02:06:13,010 --> 02:06:10,860

meetings with members of Canadian

3155

02:06:15,169 --> 02:06:13,020

Parliament I would think that you would

3156

02:06:17,270 --> 02:06:15,179

think if you believe this man it makes

3157

02:06:18,709 --> 02:06:17,280

him more credible or more believable

3158

02:06:21,290 --> 02:06:18,719

somehow and you would want that

3159

02:06:23,629 --> 02:06:21,300

information but when you silence people

3160

02:06:25,250 --> 02:06:23,639

like me who are actually investigating

3161

02:06:27,109 --> 02:06:25,260

these things

3162

02:06:29,450 --> 02:06:27,119

you lose that you could lose that

3163

02:06:31,490 --> 02:06:29,460

information not happy to hear that I'm

3164

02:06:34,250 --> 02:06:31,500

somehow search banned or Shadow banned

3165

02:06:36,890 --> 02:06:34,260

on Twitter it's the first time I've ever

3166

02:06:39,410 --> 02:06:36,900

become aware that you can you know Mass

3167

02:06:41,390 --> 02:06:39,420

report somebody's tweets to get that to

3168

02:06:43,609 --> 02:06:41,400

happen and I'll be taking that up with

3169

02:06:45,770 --> 02:06:43,619

Twitter because uh nothing that I'm

3170

02:06:47,810 --> 02:06:45,780

doing on Twitter is against YouTube or

3171

02:06:50,870 --> 02:06:47,820

excuse me against Twitter's terms of

3172

02:06:53,169 --> 02:06:50,880

service at all I'm sharing shows where

3173

02:06:56,990 --> 02:06:53,179

we investigate these claims and Report

3174

02:06:58,010 --> 02:06:57,000

what we find there's certainly I don't

3175

02:07:00,229 --> 02:06:58,020

think there's anything wrong with that

3176

02:07:01,189 --> 02:07:00,239

but it is what it is

3177

02:07:04,609 --> 02:07:01,199

um

3178

02:07:08,330 --> 02:07:04,619

a long time ago a man much wiser than me

3179

02:07:09,530 --> 02:07:08,340

taught me a saying that I love which is

3180

02:07:11,450 --> 02:07:09,540

this

3181

02:07:14,030 --> 02:07:11,460

he said Stephen

3182

02:07:16,729 --> 02:07:14,040

they don't try to tackle you unless

3183

02:07:19,250 --> 02:07:16,739

you're the guy running with the ball

3184

02:07:21,290 --> 02:07:19,260

always be happy when people are trying

3185

02:07:25,550 --> 02:07:21,300

to tackle you Steve and that means that

3186

02:07:30,709 --> 02:07:27,169

I think that's I think that's great

3187

02:07:33,890 --> 02:07:30,719

advice so I'm going to continue uh to be

3188

02:07:35,870 --> 02:07:33,900

the guy running with the ball uh and oh

3189

02:07:37,910 --> 02:07:35,880

we want to thank trolley troll troll for

3190

02:07:39,950 --> 02:07:37,920

a Kind and Generous ten dollars more for

3191

02:07:42,169 --> 02:07:39,960

him happy birthday cash Clan thank you

3192

02:07:44,149 --> 02:07:42,179

all I appreciate it his birthday is

3193

02:07:47,450 --> 02:07:44,159

Sunday we're having a big family party

3194

02:07:50,390 --> 02:07:47,460

with a bubble machine and a bounce house

3195

02:07:52,550 --> 02:07:50,400

and I think Elmo which is strange

3196

02:07:54,169 --> 02:07:52,560

because I thought he was over Elmo but

3197

02:07:56,629 --> 02:07:54,179

he goes to uh

3198

02:07:58,790 --> 02:07:56,639

he goes to we're right near Sesame Place

3199

02:08:01,189 --> 02:07:58,800

in Pennsylvania which is awesome you can

3200

02:08:03,709 --> 02:08:01,199

go there and meet Big Bird and Bert and

3201

02:08:06,589 --> 02:08:03,719

Ernie and Cookie Monster and Elmo and

3202

02:08:09,290 --> 02:08:06,599

all that stuff so we got season passes

3203

02:08:11,570 --> 02:08:09,300

he goes all the time uh but we're gonna

3204

02:08:13,910 --> 02:08:11,580

have a great uh family birthday party

3205

02:08:16,669 --> 02:08:13,920

and we thank you all for your kindness

3206

02:08:19,250 --> 02:08:16,679

generosity and support uh we want to

3207

02:08:21,890 --> 02:08:19,260

thank all of you uh and we'll have the

3208

02:08:25,669 --> 02:08:21,900

uh cash clown himself thank you all for

3209

02:08:28,070 --> 02:08:25,679

helping us of course uh helping us to

3210

02:08:33,970 --> 02:08:28,080

praise the cash thank you all for your

3211

02:08:38,140 --> 02:08:36,950

thank you for your kindness thank you

3212

02:08:48,070 --> 02:08:38,150

for your driver

3213

02:08:53,330 --> 02:08:50,810

all right friends so I will be back

3214

02:08:55,010 --> 02:08:53,340

tomorrow night 9 p.m Eastern Standard

3215

02:08:57,830 --> 02:08:55,020

Time it might be the last show for the

3216

02:08:59,570 --> 02:08:57,840

week uh because I'm going to be going to

3217

02:09:02,030 --> 02:08:59,580

the cabin early this week on Thursday

3218

02:09:04,070 --> 02:09:02,040

night uh so we get our three shows in

3219

02:09:05,870 --> 02:09:04,080

Monday Tuesday Wednesday the last one

3220

02:09:07,550 --> 02:09:05,880

should be tomorrow night but I am going

3221

02:09:09,890 --> 02:09:07,560

to do a show from the cabin this weekend

3222

02:09:11,629 --> 02:09:09,900

I tried last weekend there was a

3223

02:09:13,970 --> 02:09:11,639

tremendous hail storm and a power

3224

02:09:17,570 --> 02:09:13,980

failure I couldn't do a show if I wanted

3225

02:09:19,729 --> 02:09:17,580

to no power no router nothing so I

3226

02:09:22,129 --> 02:09:19,739

apologize for that but uh we have a show

3227

02:09:23,629 --> 02:09:22,139

tomorrow night here at 9 00 PM Eastern

3228

02:09:27,109 --> 02:09:23,639

Standard Time then I'll be doing a show

3229

02:09:30,109 --> 02:09:27,119

at some point uh from the cabin so we

3230

02:09:33,229 --> 02:09:30,119

thank you all uh we thank Our Kind and

3231
