@STEVEN CAMBIAN

DAVE GRUSCH'S BIG INTERVIEW

NEWSNATION
EXCLUSIVE

NEWSNATION EXCLUSIVE

NEWS
NATION

UP NEXT: HOW LONG HAS THIS BEEN GOING ON?

1
00:00:05,250 --> 00:00:12,070
[Music]

2
00:00:12,080 --> 00:00:18,500
thank you

3
00:00:33,420 --> 00:00:31,970
[Music]

4
00:00:39,870 --> 00:00:33,430
all right

5
00:01:13,429 --> 00:00:50,480
[Music]

6
00:01:29,270 --> 00:01:15,440
foreign

7
00:02:34,809 --> 00:01:44,240
[Music]

8
00:03:39,229 --> 00:02:35,910
thank you

9
00:04:10,509 --> 00:03:41,550
foreign

10
00:04:17,090 --> 00:04:13,250
tations friends and welcome so the big

11
00:04:19,670 --> 00:04:17,100
interview was today and boy uh there's

12
00:04:22,730 --> 00:04:19,680
an awful lot to talk about but before we

13
00:04:23,890 --> 00:04:22,740

even begin on a presentation about this

14

00:04:27,469 --> 00:04:23,900

interview

15

00:04:30,110 --> 00:04:27,479

with this man named Dave grush Former

16

00:04:33,710 --> 00:04:30,120

Intelligence Community member

17

00:04:35,870 --> 00:04:33,720

before we even begin with the uh

18

00:04:38,030 --> 00:04:35,880

presentation about the actual interview

19

00:04:41,330 --> 00:04:38,040

we have to address something very

20

00:04:45,170 --> 00:04:41,340

important there are UFO bottom feeding

21

00:04:48,530 --> 00:04:45,180

slime balls who today decided what they

22

00:04:51,950 --> 00:04:48,540

would do is illegally

23

00:04:54,170 --> 00:04:51,960

tap the feed of that interview and just

24

00:04:56,810 --> 00:04:54,180

play it on their YouTube channels to get

25

00:04:59,330 --> 00:04:56,820

views and by the way many people did

26
00:05:01,390 --> 00:04:59,340
this and people were getting thousands

27
00:05:05,170 --> 00:05:01,400
and thousands and thousands of viewers

28
00:05:08,150 --> 00:05:05,180
by completely and totally illegally

29
00:05:10,430 --> 00:05:08,160
rebroadcasting a copyrighted news

30
00:05:13,450 --> 00:05:10,440
broadcast that they had absolutely

31
00:05:17,450 --> 00:05:13,460
positively no legal rights to broadcast

32
00:05:19,850 --> 00:05:17,460
and this is very very troubling because

33
00:05:22,129 --> 00:05:19,860
I'm going to talk to you True Believers

34
00:05:24,170 --> 00:05:22,139
for a moment and actually I'm going to

35
00:05:26,330 --> 00:05:24,180
be on your side and I can't believe that

36
00:05:30,529 --> 00:05:26,340
I have to do this but I have to defend

37
00:05:31,670 --> 00:05:30,539
Ross colfar Blumenthal and Kane

38
00:05:34,129 --> 00:05:31,680

right

39

00:05:38,090 --> 00:05:34,139

because it's their story

40

00:05:42,290 --> 00:05:38,100

and tonight's broadcast of that one hour

41

00:05:45,050 --> 00:05:42,300

interview did not belong to the bottom

42

00:05:47,150 --> 00:05:45,060

feeding UFO slime balls who decided that

43

00:05:51,129 --> 00:05:47,160

they would just rebroadcast it and make

44

00:05:54,830 --> 00:05:51,139

money from it they have absolutely no

45

00:05:56,990 --> 00:05:54,840

moral ethical or legal right to just

46

00:05:58,070 --> 00:05:57,000

rebroadcast something that someone else

47

00:06:00,469 --> 00:05:58,080

owns

48

00:06:02,749 --> 00:06:00,479

now I'm sure that we're going to get a

49

00:06:04,730 --> 00:06:02,759

lot of excuses for why people did this

50

00:06:07,370 --> 00:06:04,740

right I heard oh it's free speech no

51
00:06:09,670 --> 00:06:07,380
it's not it's completely and totally

52
00:06:14,930 --> 00:06:09,680
illegal with what just happened today

53
00:06:16,850 --> 00:06:14,940
and I am so goddamn disgusted uh I

54
00:06:18,890 --> 00:06:16,860
wasn't gonna do a show today I said you

55
00:06:21,170 --> 00:06:18,900
know what uh this interview can wait for

56
00:06:23,570 --> 00:06:21,180
tomorrow because I believe that this

57
00:06:25,730 --> 00:06:23,580
interview really just helps the entire

58
00:06:28,610 --> 00:06:25,740
story fall apart more and we're going to

59
00:06:32,629 --> 00:06:28,620
get into that but before we do on this

60
00:06:36,469 --> 00:06:32,639
copyright issue you cannot morally

61
00:06:40,249 --> 00:06:36,479
ethically or legally just play somebody

62
00:06:42,890 --> 00:06:40,259
else's copyright protected you know news

63
00:06:45,430 --> 00:06:42,900

Nation owns that you don't have a right

64

00:06:48,790 --> 00:06:45,440

to just put it on your Channel

65

00:06:53,090 --> 00:06:48,800

uh you know take the feed from wherever

66

00:06:55,010 --> 00:06:53,100

uh you know DirecTV or Hulu or uh I

67

00:06:59,090 --> 00:06:55,020

think it's it's on multiple streaming

68

00:07:01,969 --> 00:06:59,100

Outlets but you do not have the right to

69

00:07:04,189 --> 00:07:01,979

take that and rebroadcast it on your own

70

00:07:08,029 --> 00:07:04,199

YouTube channel and you especially don't

71

00:07:10,550 --> 00:07:08,039

have the right to monetize something you

72

00:07:12,110 --> 00:07:10,560

do not own that's not your content

73

00:07:13,450 --> 00:07:12,120

dummies

74

00:07:16,670 --> 00:07:13,460

and

75

00:07:20,270 --> 00:07:16,680

this brings an issue this this brings

76
00:07:23,510 --> 00:07:20,280
forward to me an issue of my complete

77
00:07:26,749 --> 00:07:23,520
and total disgust with almost everybody

78
00:07:29,450 --> 00:07:26,759
in this so-called UFO Community because

79
00:07:31,370 --> 00:07:29,460
we see time and time again that bottom

80
00:07:33,469 --> 00:07:31,380
feeding slime balls that are literally

81
00:07:35,990 --> 00:07:33,479
willing to just do anything now we've

82
00:07:40,249 --> 00:07:36,000
reached a level of absolute illegality

83
00:07:42,650 --> 00:07:40,259
to make money off of UFOs you nobody has

84
00:07:45,110 --> 00:07:42,660
the right to rebroadcast that now let me

85
00:07:47,809 --> 00:07:45,120
be very clear you do have the right

86
00:07:50,390 --> 00:07:47,819
under fair use to play it and do

87
00:07:52,550 --> 00:07:50,400
commentary over it but those laws are

88
00:07:54,589 --> 00:07:52,560

very strict you can you can play the

89

00:07:56,210 --> 00:07:54,599

video for one minute maybe two then you

90

00:08:00,050 --> 00:07:56,220

gotta stop it and you have to talk about

91

00:08:03,290 --> 00:08:00,060

it you can't just play an hour-long

92

00:08:05,270 --> 00:08:03,300

broadcast that you do not own you can't

93

00:08:07,249 --> 00:08:05,280

do that first of all it's against

94

00:08:09,950 --> 00:08:07,259

YouTube's terms of service and I'm

95

00:08:12,529 --> 00:08:09,960

telling you right now every person that

96

00:08:15,469 --> 00:08:12,539

did that better get a goddamn strike

97

00:08:18,290 --> 00:08:15,479

because if we did that here we would get

98

00:08:21,050 --> 00:08:18,300

a strike if most people did that they

99

00:08:23,270 --> 00:08:21,060

would get a strike and let's talk about

100

00:08:25,249 --> 00:08:23,280

the money being generated by the bottom

101

00:08:28,790 --> 00:08:25,259

feeding slime balls

102

00:08:31,010 --> 00:08:28,800

if they're monetizing a video that they

103

00:08:34,190 --> 00:08:31,020

do not own the rights to broadcast and

104

00:08:36,170 --> 00:08:34,200

broadcasting it anyway and again we'll

105

00:08:37,850 --> 00:08:36,180

take out anybody who was doing it under

106

00:08:40,490 --> 00:08:37,860

fair use under commentary that's

107

00:08:42,589 --> 00:08:40,500

perfectly allowed but you can't just

108

00:08:45,530 --> 00:08:42,599

take the video and play it on your

109

00:08:48,230 --> 00:08:45,540

channel to get lots of views and you

110

00:08:51,070 --> 00:08:48,240

certainly 100 percent cannot collect

111

00:08:53,690 --> 00:08:51,080

super chats while you're illegally

112

00:08:55,970 --> 00:08:53,700

rebroadcasting something that you do not

113

00:08:58,190 --> 00:08:55,980

own

114

00:09:01,670 --> 00:08:58,200

now I mentioned that I'm going to be

115

00:09:04,610 --> 00:09:01,680

forced to defend Ross coldhart and the

116

00:09:07,910 --> 00:09:04,620

people at news nation which who by the

117

00:09:10,550 --> 00:09:07,920

way I have such little respect for but I

118

00:09:14,810 --> 00:09:10,560

will go this far they own that story

119

00:09:17,389 --> 00:09:14,820

they filmed it they edited it Ross did

120

00:09:20,889 --> 00:09:17,399

the interview they filmed it they edit

121

00:09:25,130 --> 00:09:20,899

it they produced it they have the right

122

00:09:27,829 --> 00:09:25,140

to exclusively air that and no bottom

123

00:09:31,730 --> 00:09:27,839

feeding UFO show hosts

124

00:09:34,130 --> 00:09:31,740

has the right to take that from them and

125

00:09:37,370 --> 00:09:34,140

take those thousands and thousands of

126

00:09:40,670 --> 00:09:37,380

monetized views away from the people who

127

00:09:43,730 --> 00:09:40,680

developed filmed produced and owned the

128

00:09:48,009 --> 00:09:46,070

now let's get to the issue of these

129

00:09:51,949 --> 00:09:48,019

bottom feeding slime balls making money

130

00:09:55,550 --> 00:09:51,959

and by the way I don't care what excuses

131

00:09:58,550 --> 00:09:55,560

these people give go to a lawyer check

132

00:10:02,090 --> 00:09:58,560

for yourself it is completely and

133

00:10:05,269 --> 00:10:02,100

totally illegal to take somebody's

134

00:10:07,190 --> 00:10:05,279

copyright protected broadcast put it on

135

00:10:10,070 --> 00:10:07,200

your YouTube channel and then collect

136

00:10:13,910 --> 00:10:10,080

money while you're broadcasting somebody

137

00:10:16,250 --> 00:10:13,920

else's copyright protected broadcast

138

00:10:18,710 --> 00:10:16,260

can't do this you can't do it on YouTube

139

00:10:21,050 --> 00:10:18,720

you can't do it anywhere it's completely

140

00:10:24,170 --> 00:10:21,060

and totally illegal it would be like me

141

00:10:25,790 --> 00:10:24,180

setting up a movie theater somewhere and

142

00:10:28,310 --> 00:10:25,800

just collecting money from people to

143

00:10:30,769 --> 00:10:28,320

play copyrighted movies same exact thing

144

00:10:33,889 --> 00:10:30,779

you can't do it it's completely and

145

00:10:36,530 --> 00:10:33,899

totally illegal and I'm sure that these

146

00:10:38,150 --> 00:10:36,540

clowns who did this you know or feel

147

00:10:40,690 --> 00:10:38,160

pretty good about them so look at all

148

00:10:45,530 --> 00:10:40,700

these viewers we got by doing something

149

00:10:50,449 --> 00:10:49,009

but we've seen time and time again that

150

00:10:53,389 --> 00:10:50,459

this whole

151

00:10:56,630 --> 00:10:53,399

thing is filled with bottom feeding

152

00:10:59,750 --> 00:10:56,640

scumballs slime balls criminals con

153

00:11:03,110 --> 00:10:59,760

artists scammers and grifters

154

00:11:04,910 --> 00:11:03,120

so you know part of me is not even

155

00:11:07,269 --> 00:11:04,920

surprised that this happened I'm

156

00:11:10,610 --> 00:11:07,279

surprised that people are that boldly

157

00:11:12,530 --> 00:11:10,620

just coming up with excuses for why they

158

00:11:15,829 --> 00:11:12,540

can do something completely and totally

159

00:11:18,410 --> 00:11:15,839

illegal to try to make money off of this

160

00:11:21,470 --> 00:11:18,420

story that they don't own they didn't

161

00:11:23,750 --> 00:11:21,480

film they don't develop now

162

00:11:25,790 --> 00:11:23,760

of course we've covered the story but

163

00:11:28,490 --> 00:11:25,800

each time we do we're bringing you new

164

00:11:32,269 --> 00:11:28,500

information that I think is a noble

165

00:11:34,190 --> 00:11:32,279

Pursuit but to just replay Ross

166

00:11:37,370 --> 00:11:34,200

coldhart's interview from news nation

167

00:11:40,130 --> 00:11:37,380

which you don't own the rights to is

168

00:11:42,290 --> 00:11:40,140

completely and totally immoral unethical

169

00:11:44,509 --> 00:11:42,300

and illegal and I want to ask those

170

00:11:46,430 --> 00:11:44,519

people especially people that collected

171

00:11:48,290 --> 00:11:46,440

super chats while doing that are you

172

00:11:50,329 --> 00:11:48,300

going to give that money to news Nation

173

00:11:52,910 --> 00:11:50,339

because that's not your money you stole

174

00:11:56,090 --> 00:11:52,920

that money you literally stole that

175

00:11:57,710 --> 00:11:56,100

money from news Nation

176

00:11:59,810 --> 00:11:57,720

now I'm sure there's going to be plenty

177

00:12:02,090 --> 00:11:59,820

of excuses but I encourage everybody go

178

00:12:03,530 --> 00:12:02,100

talk to a copyright attorney they'll

179

00:12:05,630 --> 00:12:03,540

tell you that I'm completely and totally

180

00:12:08,470 --> 00:12:05,640

right you cannot broadcast somebody

181

00:12:10,910 --> 00:12:08,480

else's property and collect money

182

00:12:13,730 --> 00:12:10,920

especially collect money while you're

183

00:12:16,130 --> 00:12:13,740

doing it completely and totally 100

184

00:12:18,710 --> 00:12:16,140

percent illegal

185

00:12:20,690 --> 00:12:18,720

and we have seen time and time again

186

00:12:22,190 --> 00:12:20,700

that people in the UFO Community do

187

00:12:25,310 --> 00:12:22,200

things that most people would be

188

00:12:26,269 --> 00:12:25,320

arrested for and there's no consequences

189

00:12:29,449 --> 00:12:26,279

right

190

00:12:30,889 --> 00:12:29,459

and some of these UFO slimeball show

191

00:12:32,870 --> 00:12:30,899

hosts are the same people that are

192

00:12:34,610 --> 00:12:32,880

running around harassing people doxing

193

00:12:37,310 --> 00:12:34,620

people encouraging people to attack

194

00:12:40,190 --> 00:12:37,320

people you know making fun of disabled

195

00:12:43,190 --> 00:12:40,200

people cancer patients you know people's

196

00:12:47,569 --> 00:12:43,200

disabilities same people slime balls

197

00:12:51,590 --> 00:12:47,579

complete and total UFO show slime balls

198

00:12:53,690 --> 00:12:51,600

so you know and I also have to say that

199

00:12:54,949 --> 00:12:53,700

I'm sure some people think it's sour

200

00:12:57,290 --> 00:12:54,959

grapes well you didn't think of doing

201
00:12:59,269 --> 00:12:57,300
that Stephen of course I I would have

202
00:13:02,389 --> 00:12:59,279
done it if it was legal it's not legal

203
00:13:03,710 --> 00:13:02,399
I'm not legally allowed to do what these

204
00:13:05,389 --> 00:13:03,720
people just did

205
00:13:08,030 --> 00:13:05,399
I'm just not allowed to do it it's

206
00:13:10,550 --> 00:13:08,040
completely totally illegal so anybody

207
00:13:12,949 --> 00:13:10,560
who did that is a fly by night person

208
00:13:16,069 --> 00:13:12,959
with no ethics no morality who's

209
00:13:19,790 --> 00:13:16,079
literally willing to break the law to

210
00:13:22,670 --> 00:13:19,800
suck some money out of this story

211
00:13:25,850 --> 00:13:22,680
I'm not sour graping here I'm not

212
00:13:29,329 --> 00:13:25,860
jealous I'm stating facts these people

213
00:13:32,150 --> 00:13:29,339

are UFO bottom feeding slime balls who

214

00:13:33,889 --> 00:13:32,160

never give anything but they're sure

215

00:13:37,430 --> 00:13:33,899

they're with their hands out take take

216

00:13:40,730 --> 00:13:37,440

take let me take money from the UFO

217

00:13:43,850 --> 00:13:40,740

Community for rebroadcasting this that I

218

00:13:46,550 --> 00:13:43,860

have no legal right to broadcast

219

00:13:48,170 --> 00:13:46,560

but we see time and time again and this

220

00:13:52,129 --> 00:13:48,180

is why I'm saying that I'm getting

221

00:13:54,829 --> 00:13:52,139

disgusted here because you get penalized

222

00:13:56,329 --> 00:13:54,839

for having morals or ethics in this

223

00:13:59,930 --> 00:13:56,339

thing and you know who makes all the

224

00:14:03,050 --> 00:13:59,940

money the Slime balls that

225

00:14:06,410 --> 00:14:03,060

the bottom feeding UFO grifters

226

00:14:09,290 --> 00:14:06,420

and let's be very clear if you illegally

227

00:14:11,690 --> 00:14:09,300

broadcast this story and collected money

228

00:14:13,370 --> 00:14:11,700

while you were doing it that's a

229

00:14:15,470 --> 00:14:13,380

criminal act

230

00:14:17,750 --> 00:14:15,480

you're a slime ball

231

00:14:21,110 --> 00:14:17,760

and again I can't believe that I have to

232

00:14:23,090 --> 00:14:21,120

defend Ross coltar and news Nation but

233

00:14:25,790 --> 00:14:23,100

in this case I'm going to defend them

234

00:14:29,329 --> 00:14:25,800

because if somebody took my exclusive

235

00:14:31,970 --> 00:14:29,339

interview and got 10 000 or 20 000 views

236

00:14:35,030 --> 00:14:31,980

or viewers or whatever that would be

237

00:14:37,550 --> 00:14:35,040

taking my money they literally took

238

00:14:39,949 --> 00:14:37,560

money and viewers because remember this

239

00:14:41,990 --> 00:14:39,959

is an attention-based economy so if they

240

00:14:45,050 --> 00:14:42,000

took ten thousand or Twenty Thousand or

241

00:14:48,050 --> 00:14:45,060

thirty thousand views from news Nation

242

00:14:50,930 --> 00:14:48,060

all that money was stolen from news

243

00:14:52,970 --> 00:14:50,940

nation and you true believers who were

244

00:14:55,129 --> 00:14:52,980

supporting this and even sending some of

245

00:14:55,910 --> 00:14:55,139

these UFO bottom feeding slime balls

246

00:15:00,949 --> 00:14:55,920

money

247

00:15:02,689 --> 00:15:00,959

what you're saying is we don't care if

248

00:15:05,150 --> 00:15:02,699

the people that put all the time and

249

00:15:08,329 --> 00:15:05,160

energy into developing these stories we

250

00:15:10,310 --> 00:15:08,339

love get robbed by these other bottom

251
00:15:14,150 --> 00:15:10,320
feeding slime balls that have no right

252
00:15:16,670 --> 00:15:14,160
to take a dime from that

253
00:15:19,069 --> 00:15:16,680
do you want more stories like this

254
00:15:22,310 --> 00:15:19,079
well if we allow people to just

255
00:15:25,689 --> 00:15:22,320
completely and totally steal views and

256
00:15:28,550 --> 00:15:25,699
therefore money from people who actually

257
00:15:32,629 --> 00:15:28,560
do the stories

258
00:15:33,710 --> 00:15:32,639
what we're saying is that Ross how do I

259
00:15:36,290 --> 00:15:33,720
say this

260
00:15:39,350 --> 00:15:36,300
what you're saying is that

261
00:15:41,389 --> 00:15:39,360
news nation has no right to exclusivity

262
00:15:43,129 --> 00:15:41,399
on that story

263
00:15:46,150 --> 00:15:43,139

the people who filmed it did the

264

00:15:48,410 --> 00:15:46,160

interview edited it hyped It Whatever

265

00:15:51,410 --> 00:15:48,420

regardless of how I feel about the story

266

00:15:53,750 --> 00:15:51,420

they own the story

267

00:15:57,530 --> 00:15:53,760

it's their right to have exclusive

268

00:16:00,110 --> 00:15:57,540

broadcasts and what these UFOs this is

269

00:16:02,269 --> 00:16:00,120

how the UFO Community thanks people that

270

00:16:05,090 --> 00:16:02,279

are doing things at once you wanted this

271

00:16:07,069 --> 00:16:05,100

story right and how did the UFO

272

00:16:09,769 --> 00:16:07,079

Community thank the people who developed

273

00:16:13,250 --> 00:16:09,779

this story they let a bunch of slime

274

00:16:15,590 --> 00:16:13,260

ball bottom feeding UFO show host or

275

00:16:18,829 --> 00:16:15,600

disclosure show hosts

276

00:16:21,590 --> 00:16:18,839

steal that from the people who developed

277

00:16:23,990 --> 00:16:21,600

it and had the exclusive rates on

278

00:16:25,730 --> 00:16:24,000

broadcasting it tonight

279

00:16:28,790 --> 00:16:25,740

we just let

280

00:16:30,829 --> 00:16:28,800

the Slime balls steal money from the

281

00:16:35,150 --> 00:16:30,839

people who brought us the story that we

282

00:16:39,350 --> 00:16:35,160

all were so well some of us were so

283

00:16:41,930 --> 00:16:39,360

intent on watching tonight right

284

00:16:42,949 --> 00:16:41,940

I am completely and totally disgusted

285

00:16:45,710 --> 00:16:42,959

because

286

00:16:48,530 --> 00:16:45,720

you know you would think that and I'm

287

00:16:51,949 --> 00:16:48,540

sure like Karma has its way eventually

288

00:16:53,569 --> 00:16:51,959

but it takes so long right and like I

289

00:16:55,069 --> 00:16:53,579

said are the people that collected all

290

00:16:56,870 --> 00:16:55,079

those super chats gonna give that money

291

00:16:58,970 --> 00:16:56,880

to Ross coltar that was his interview

292

00:17:00,949 --> 00:16:58,980

that was his story are they going to

293

00:17:03,110 --> 00:17:00,959

give that money in super chats that they

294

00:17:05,510 --> 00:17:03,120

collected to news nation that was their

295

00:17:08,510 --> 00:17:05,520

money that was their story you have no

296

00:17:10,669 --> 00:17:08,520

right to rebroadcast it and again to be

297

00:17:12,530 --> 00:17:10,679

clear you're allowed under fair use but

298

00:17:15,230 --> 00:17:12,540

you got to talk through it and then

299

00:17:16,610 --> 00:17:15,240

people get I I sometimes these

300

00:17:18,350 --> 00:17:16,620

commentary shows are a double-edged

301
00:17:20,449 --> 00:17:18,360
sword because I do them and then people

302
00:17:23,150 --> 00:17:20,459
complain that they can't hear what we're

303
00:17:25,069 --> 00:17:23,160
commenting over but I have to stop it

304
00:17:27,110 --> 00:17:25,079
every few minutes of comment to to

305
00:17:28,610 --> 00:17:27,120
legally be able to do that you can't

306
00:17:31,909 --> 00:17:28,620
just play

307
00:17:33,950 --> 00:17:31,919
stuff at 20 minutes at a clip here right

308
00:17:36,770 --> 00:17:33,960
you can't do that

309
00:17:38,930 --> 00:17:36,780
but this is but this is where we're at

310
00:17:41,930 --> 00:17:38,940
and this is where we find ourselves and

311
00:17:43,250 --> 00:17:41,940
I'm supposed to compete on equal terms

312
00:17:45,590 --> 00:17:43,260
and by the way all I want is an equal

313
00:17:47,630 --> 00:17:45,600

playing field if other people can do

314

00:17:50,750 --> 00:17:47,640

completely and totally illegal [h__h] and

315

00:17:53,630 --> 00:17:50,760

it's not just this like if people can

316

00:17:55,370 --> 00:17:53,640

steal other people's exclusive content

317

00:17:57,409 --> 00:17:55,380

and just rebroadcast it on their Channel

318

00:17:59,630 --> 00:17:57,419

while they're collecting money why can't

319

00:18:01,789 --> 00:17:59,640

I do that oh that's right because it's

320

00:18:03,470 --> 00:18:01,799

illegal you could get a channel strike

321

00:18:04,730 --> 00:18:03,480

or you could lose your whole Channel if

322

00:18:06,770 --> 00:18:04,740

they decide it's a serious enough

323

00:18:09,529 --> 00:18:06,780

infraction

324

00:18:11,330 --> 00:18:09,539

so all I want is a Level Playing Field

325

00:18:13,850 --> 00:18:11,340

what about people that are selling video

326

00:18:15,950 --> 00:18:13,860

game covers as pictures of real aliens

327

00:18:17,390 --> 00:18:15,960

and making millions of dollars well I

328

00:18:20,150 --> 00:18:17,400

can't do that because we're not going to

329

00:18:21,890 --> 00:18:20,160

lie to our audience here so again I'm

330

00:18:23,510 --> 00:18:21,900

getting uh

331

00:18:26,210 --> 00:18:23,520

I'm getting

332

00:18:28,669 --> 00:18:26,220

the people who do this the right way the

333

00:18:30,770 --> 00:18:28,679

honest way the ethical and moral way get

334

00:18:32,450 --> 00:18:30,780

penalized and the people who are willing

335

00:18:35,390 --> 00:18:32,460

to be slime balls

336

00:18:39,409 --> 00:18:35,400

they just get more and more money

337

00:18:41,690 --> 00:18:39,419

but in the long span of things you know

338

00:18:43,370 --> 00:18:41,700

I kind of think that Karma will have its

339

00:18:45,710 --> 00:18:43,380

way you're not going to get ahead doing

340

00:18:47,810 --> 00:18:45,720

that right congratulations you've got a

341

00:18:50,930 --> 00:18:47,820

lot of views that you didn't earn right

342

00:18:54,650 --> 00:18:50,940

and these same people will be right back

343

00:18:58,250 --> 00:18:54,660

to being lazy slobs stealing other

344

00:19:00,710 --> 00:18:58,260

people's content illegally monetizing

345

00:19:01,730 --> 00:19:00,720

content that they don't own any rights

346

00:19:03,470 --> 00:19:01,740

to

347

00:19:07,490 --> 00:19:03,480

and it's the people you would expect

348

00:19:11,390 --> 00:19:07,500

that did this right it is what it is so

349

00:19:12,890 --> 00:19:11,400

we'll get into the actual interview next

350

00:19:15,529 --> 00:19:12,900

uh

351

00:19:18,350 --> 00:19:15,539

it appears that many people have more

352

00:19:20,029 --> 00:19:18,360

empathy uh for this David grush

353

00:19:23,029 --> 00:19:20,039

because it appeared throughout the

354

00:19:27,289 --> 00:19:23,039

interview that he is very sincere in his

355

00:19:30,250 --> 00:19:27,299

beliefs but it also would appear that

356

00:19:34,250 --> 00:19:30,260

I believe that Mr grush is being

357

00:19:37,610 --> 00:19:34,260

manipulated and lied to and uh we have

358

00:19:41,750 --> 00:19:37,620

some new information about Mr grush and

359

00:19:45,110 --> 00:19:41,760

about the Army person who backed him up

360

00:19:47,390 --> 00:19:45,120

as incredibly credible and but before we

361

00:19:50,810 --> 00:19:47,400

do that I think the first point that I'd

362

00:19:53,870 --> 00:19:50,820

like to make is this claim that we keep

363

00:19:56,750 --> 00:19:53,880

hearing that the uh intelligence

364

00:19:58,070 --> 00:19:56,760

Community Inspector General found his

365

00:20:01,070 --> 00:19:58,080

claims

366

00:20:03,830 --> 00:20:01,080

urgent and credible and during the

367

00:20:06,470 --> 00:20:03,840

interview Ross coltler says the

368

00:20:08,930 --> 00:20:06,480

Inspector General of the intelligence

369

00:20:11,810 --> 00:20:08,940

Community found your

370

00:20:13,310 --> 00:20:11,820

allegations

371

00:20:15,950 --> 00:20:13,320

urgent and credible

372

00:20:17,990 --> 00:20:15,960

so there's a deliberate deception going

373

00:20:20,090 --> 00:20:18,000

on on the part of Ross coldthart and

374

00:20:22,970 --> 00:20:20,100

others selling this story including the

375

00:20:25,490 --> 00:20:22,980

brief and Leslie Kane and Blumenthal

376

00:20:27,230 --> 00:20:25,500

because they keep hammering that point

377

00:20:30,409 --> 00:20:27,240

that the intelligence

378

00:20:32,330 --> 00:20:30,419

Community inspector get General found

379

00:20:34,850 --> 00:20:32,340

this man's claims

380

00:20:36,350 --> 00:20:34,860

urgent and credible or this man's

381

00:20:38,870 --> 00:20:36,360

allegations

382

00:20:42,529 --> 00:20:38,880

urgent and credible but let's be very

383

00:20:44,210 --> 00:20:42,539

clear to my knowledge the inspector the

384

00:20:48,110 --> 00:20:44,220

intelligence Community Inspector General

385

00:20:51,890 --> 00:20:48,120

is not finding his claims of aliens or

386

00:20:54,529 --> 00:20:51,900

crash retrievals or exotic materials

387

00:20:56,870 --> 00:20:54,539

urgent and credible he's simply finding

388

00:20:59,510 --> 00:20:56,880

his complaints about some kind of

389

00:21:02,390 --> 00:20:59,520

reprisals against this man

390

00:21:05,690 --> 00:21:02,400

urgent and credible

391

00:21:08,690 --> 00:21:05,700

there has been no statement from the uh

392

00:21:11,450 --> 00:21:08,700

intelligence Community Inspector General

393

00:21:13,909 --> 00:21:11,460

confirming that Mr grush's claims of

394

00:21:15,289 --> 00:21:13,919

aliens and everything else are Urgent

395

00:21:18,409 --> 00:21:15,299

and credible

396

00:21:20,450 --> 00:21:18,419

so there is this conflation of those two

397

00:21:23,270 --> 00:21:20,460

things that I believe is purposefully

398

00:21:26,029 --> 00:21:23,280

occurring this is how the layers of

399

00:21:27,310 --> 00:21:26,039

deception work well he said your

400

00:21:30,289 --> 00:21:27,320

complaint

401
00:21:31,730 --> 00:21:30,299
uh about reprisals is urgent and

402
00:21:34,490 --> 00:21:31,740
credible and they would do something

403
00:21:37,549 --> 00:21:34,500
they would investigate it so we'll just

404
00:21:40,430 --> 00:21:37,559
say that they said your allegations are

405
00:21:42,350 --> 00:21:40,440
Urgent and credible no that's a

406
00:21:44,810 --> 00:21:42,360
conflation of two completely separate

407
00:21:46,730 --> 00:21:44,820
issues and I guarantee you

408
00:21:48,770 --> 00:21:46,740
we're going to get a statement from the

409
00:21:50,390 --> 00:21:48,780
Inspector General of the intelligence

410
00:21:52,570 --> 00:21:50,400
community and they're going to

411
00:21:56,090 --> 00:21:52,580
straighten out this

412
00:21:57,830 --> 00:21:56,100
uh confabulation of two completely and

413
00:22:01,190 --> 00:21:57,840

totally separate things

414

00:22:03,710 --> 00:22:01,200

and viewed did they find his complaints

415

00:22:06,409 --> 00:22:03,720

that people were you know messing with

416

00:22:08,390 --> 00:22:06,419

him urgent Incredible or did they find

417

00:22:12,950 --> 00:22:08,400

his claims of aliens and crash

418

00:22:18,710 --> 00:22:17,029

12 alien spaceships to be urgent and

419

00:22:20,630 --> 00:22:18,720

credible

420

00:22:23,990 --> 00:22:20,640

the people that are selling you this

421

00:22:26,029 --> 00:22:24,000

story should have to clarify exactly

422

00:22:29,090 --> 00:22:26,039

what they mean by these statements but

423

00:22:31,610 --> 00:22:29,100

they won't do that because you know of

424

00:22:32,990 --> 00:22:31,620

course friends there's that old saying

425

00:22:35,029 --> 00:22:33,000

right

426

00:22:36,950 --> 00:22:35,039

um if you can't Dazzle them with

427

00:22:40,610 --> 00:22:36,960

Brilliance baffle them with [h__h]

428

00:22:42,350 --> 00:22:40,620

this is a complete and total attempt to

429

00:22:43,789 --> 00:22:42,360

muddy the waters so that people aren't

430

00:22:47,149 --> 00:22:43,799

quite sure

431

00:22:48,830 --> 00:22:47,159

what the story is I have had so many

432

00:22:51,890 --> 00:22:48,840

people send me messages saying no

433

00:22:55,430 --> 00:22:51,900

Stephen the the Inspector General said

434

00:22:56,570 --> 00:22:55,440

that that that his claims are Urgent and

435

00:22:59,390 --> 00:22:56,580

credible

436

00:23:01,669 --> 00:22:59,400

but what are what are what claims his

437

00:23:04,610 --> 00:23:01,679

claims of reprisals against him that he

438

00:23:07,250 --> 00:23:04,620

filed the the complaint over or his

439

00:23:09,710 --> 00:23:07,260

claims of alien crash retrievals alien

440

00:23:10,549 --> 00:23:09,720

bodies and everything else and by the

441

00:23:12,710 --> 00:23:10,559

way

442

00:23:14,690 --> 00:23:12,720

um I for one would love it if he was

443

00:23:18,770 --> 00:23:14,700

telling the truth but there are more red

444

00:23:21,230 --> 00:23:18,780

flags that are popping up here and uh we

445

00:23:23,029 --> 00:23:21,240

really need to break down these claims

446

00:23:27,289 --> 00:23:23,039

so

447

00:23:30,049 --> 00:23:27,299

me today that David Crush has been

448

00:23:30,890 --> 00:23:30,059

hanging around these last couple of

449

00:23:33,770 --> 00:23:30,900

years

450

00:23:36,409 --> 00:23:33,780

he has been hanging around especially in

451
00:23:38,390 --> 00:23:36,419
the last year by the way David grush has

452
00:23:43,370 --> 00:23:38,400
been hanging around

453
00:23:46,549 --> 00:23:43,380
Lou Elizondo Dr Eric W Davis Dr Gary P

454
00:23:50,750 --> 00:23:46,559
Nolan Dr kit green

455
00:23:52,310 --> 00:23:50,760
Jacques valet Travis Taylor Dr Cole

456
00:23:55,430 --> 00:23:52,320
Kelleher

457
00:23:59,210 --> 00:23:55,440
and as well as meeting with

458
00:24:02,330 --> 00:23:59,220
George Knapp and Jeremy Corbell

459
00:24:04,250 --> 00:24:02,340
and the other big Revelation and I'm

460
00:24:07,070 --> 00:24:04,260
still trying to confirm this

461
00:24:11,750 --> 00:24:07,080
so I will put this one in the form of a

462
00:24:14,570 --> 00:24:11,760
question during the initial uh

463
00:24:16,010 --> 00:24:14,580

during the initial debrief story in the

464

00:24:18,710 --> 00:24:16,020

story

465

00:24:22,610 --> 00:24:18,720

um there's a man named army colonel Carl

466

00:24:26,210 --> 00:24:22,620

E Neal and that man vouches for the

467

00:24:29,570 --> 00:24:26,220

credibility of David brush

468

00:24:33,710 --> 00:24:29,580

says that he is a credible person they

469

00:24:35,810 --> 00:24:33,720

used this army colonel Carl E Neal to

470

00:24:38,570 --> 00:24:35,820

sort of vouch for him as being credible

471

00:24:40,730 --> 00:24:38,580

but there's a huge problem with that or

472

00:24:42,529 --> 00:24:40,740

there may be so I'm going to put this in

473

00:24:46,549 --> 00:24:42,539

the form of a question and the question

474

00:24:50,210 --> 00:24:46,559

is for Luis Elizondo how put off Dr Gary

475

00:24:53,390 --> 00:24:50,220

Nolan and uh Tom DeLonge and all the

476
00:24:55,669 --> 00:24:53,400
former members of the tsa because do

477
00:24:58,070 --> 00:24:55,679
you remember how tsa got a government

478
00:25:00,350 --> 00:24:58,080
contract with the Army to study

479
00:25:02,210 --> 00:25:00,360
so-called metamaterials or exotic

480
00:25:06,890 --> 00:25:02,220
materials

481
00:25:09,909 --> 00:25:06,900
so my question is was army colonel Carl

482
00:25:14,690 --> 00:25:09,919
E Neal

483
00:25:18,289 --> 00:25:14,700
involved in setting that up was army

484
00:25:21,649 --> 00:25:18,299
colonel Carl E Neal did he act as a

485
00:25:25,430 --> 00:25:21,659
liaison between the Army's future

486
00:25:27,890 --> 00:25:25,440
command and to the Stars Academy while

487
00:25:30,950 --> 00:25:27,900
that deal was being brokered and again

488
00:25:33,470 --> 00:25:30,960

I'm just asking a question here but now

489

00:25:35,930 --> 00:25:33,480

and I fully admit that we have to

490

00:25:38,570 --> 00:25:35,940

speculate here what this would mean

491

00:25:41,090 --> 00:25:38,580

first of all I believe that the the

492

00:25:44,090 --> 00:25:41,100

sources I have are 100 correct in that

493

00:25:47,690 --> 00:25:44,100

David grush has been hanging around Lu

494

00:25:50,630 --> 00:25:47,700

Elizondo Dr Eric W Davis Dr Gary P Nolan

495

00:25:55,250 --> 00:25:50,640

Dr kit green Jacques valet Dr Travis

496

00:25:57,890 --> 00:25:55,260

Taylor com Kelleher Korbel map and

497

00:25:59,630 --> 00:25:57,900

others possibly including Dr Stephen

498

00:26:02,769 --> 00:25:59,640

Greer

499

00:26:05,450 --> 00:26:02,779

and that

500

00:26:07,610 --> 00:26:05,460

sheds an incredible amount of Doubt on

501
00:26:11,149 --> 00:26:07,620
this story because what that would mean

502
00:26:13,850 --> 00:26:11,159
is that the same group of people who

503
00:26:15,049 --> 00:26:13,860
brought us the whole tsa techno scam

504
00:26:16,850 --> 00:26:15,059
you remember that where they were going

505
00:26:18,529 --> 00:26:16,860
to build a spaceship with a

506
00:26:19,970 --> 00:26:18,539
revolutionary power source that would

507
00:26:22,250 --> 00:26:19,980
change the world and they were going to

508
00:26:24,110 --> 00:26:22,260
bring us disclosure and all they really

509
00:26:26,510 --> 00:26:24,120
bought brought us is a terrible

510
00:26:29,269 --> 00:26:26,520
television show probably the worst UFO

511
00:26:30,830 --> 00:26:29,279
show I've ever seen it's terrible I'd

512
00:26:32,450 --> 00:26:30,840
rather watch Ancient Aliens that's how

513
00:26:34,370 --> 00:26:32,460

bad it was

514

00:26:36,409 --> 00:26:34,380

um and they brought us a book from Bob

515

00:26:38,750 --> 00:26:36,419

Lazar but they tried to hide that

516

00:26:41,510 --> 00:26:38,760

initially right

517

00:26:44,390 --> 00:26:41,520

um so all the same people right and the

518

00:26:49,190 --> 00:26:44,400

person possibly Behind These Eric Davis

519

00:26:51,289 --> 00:26:49,200

uh Behind These Wilson documents

520

00:26:53,450 --> 00:26:51,299

um yeah who uh you know was looking for

521

00:26:55,789 --> 00:26:53,460

poltergeists right that guy's real

522

00:26:59,210 --> 00:26:55,799

credible the guy Eric Davis literally

523

00:27:02,330 --> 00:26:59,220

has diagrams of like

524

00:27:06,110 --> 00:27:02,340

Albert Einstein looking at Barney the

525

00:27:12,350 --> 00:27:06,120

dinosaur through a wormhole and his work

526

00:27:20,350 --> 00:27:16,730

who is feeding David grush these stories

527

00:27:25,850 --> 00:27:23,570

so-called Revelations of

528

00:27:30,950 --> 00:27:25,860

the same thing that that whole crowd

529

00:27:34,130 --> 00:27:30,960

already was pushing promoting and in my

530

00:27:36,649 --> 00:27:34,140

view pretending was real

531

00:27:41,690 --> 00:27:36,659

a lot of people have expressed sympathy

532

00:27:46,909 --> 00:27:44,690

what he's going to feel like if he

533

00:27:49,130 --> 00:27:46,919

indeed finds out that all the people

534

00:27:53,990 --> 00:27:49,140

feeding him all these stories maybe even

535

00:27:57,769 --> 00:27:55,730

are not on the level

536

00:28:00,710 --> 00:27:57,779

they don't have proof they don't have

537

00:28:02,690 --> 00:28:00,720

evidence because if they had proof of

538

00:28:04,430 --> 00:28:02,700

these Fantastical claims and remember

539

00:28:06,649 --> 00:28:04,440

it's all the same people that brought us

540

00:28:09,470 --> 00:28:06,659

ttsa and all that hype train and the

541

00:28:12,110 --> 00:28:09,480

fake Pentagon UFO program that never

542

00:28:14,210 --> 00:28:12,120

existed you know Lou Alexander he's the

543

00:28:16,669 --> 00:28:14,220

director of a UFO program in the Land of

544

00:28:18,409 --> 00:28:16,679

Make-Believe and I don't care nobody can

545

00:28:20,690 --> 00:28:18,419

prove otherwise nobody can prove that

546

00:28:22,850 --> 00:28:20,700

ever existed you could show me a letter

547

00:28:25,810 --> 00:28:22,860

from a dead Senator all you want it was

548

00:28:29,750 --> 00:28:25,820

an unfunded unsecret unsanctioned

549

00:28:32,630 --> 00:28:29,760

unofficial program it was an activity Lu

550

00:28:36,950 --> 00:28:32,640

Elizondo admitted to that so what's very

551
00:28:40,370 --> 00:28:36,960
troubling is that this man's sources may

552
00:28:44,390 --> 00:28:40,380
be all the people who I have just

553
00:28:47,630 --> 00:28:44,400
mentioned to you uh again Dr Eric W

554
00:28:49,310 --> 00:28:47,640
Davis Dr Gary P Nolan and by the way we

555
00:28:52,789 --> 00:28:49,320
can prove that he had an association

556
00:28:56,690 --> 00:28:52,799
with Eric W Davis by Eric W Davis's own

557
00:28:58,730 --> 00:28:56,700
Facebook posts we can prove that Dr Gary

558
00:29:01,610 --> 00:28:58,740
P Nolan had an association with David

559
00:29:05,090 --> 00:29:01,620
Crush because of the trip to Canada to

560
00:29:08,630 --> 00:29:05,100
talk to Canadian Parliament members

561
00:29:11,470 --> 00:29:08,640
the rest I'm not so sure of but given

562
00:29:15,409 --> 00:29:11,480
Travis Taylor was the primary scientist

563
00:29:17,450 --> 00:29:15,419

uh apparently behind one of those UFO

564

00:29:19,909 --> 00:29:17,460

government groups

565

00:29:24,769 --> 00:29:22,789

it stands to reason that they know each

566

00:29:26,810 --> 00:29:24,779

other and there are direct connections

567

00:29:29,870 --> 00:29:26,820

and by the way there's another direct

568

00:29:33,289 --> 00:29:29,880

connection because army colonel Carl E

569

00:29:35,090 --> 00:29:33,299

Neil on his LinkedIn page is directly

570

00:29:38,210 --> 00:29:35,100

connected to Hal put off and how

571

00:29:40,730 --> 00:29:38,220

put-offs [h__\h] uh let's just call it

572

00:29:42,830 --> 00:29:40,740

bull science company

573

00:29:44,870 --> 00:29:42,840

so uh

574

00:29:46,970 --> 00:29:44,880

you know there's like one degree of

575

00:29:49,190 --> 00:29:46,980

separation between this man David grush

576

00:29:51,110 --> 00:29:49,200

and everybody who has been pushing these

577

00:29:53,510 --> 00:29:51,120

fake stories for years now

578

00:29:56,570 --> 00:29:53,520

with with and by the way none of them

579

00:30:00,830 --> 00:29:56,580

have ever provided any Smoking Gun proof

580

00:30:04,070 --> 00:30:00,840

right and the things that David crush is

581

00:30:08,750 --> 00:30:04,080

saying about materials I'm told came

582

00:30:10,370 --> 00:30:08,760

directly from Gary P Nolan

583

00:30:12,590 --> 00:30:10,380

and

584

00:30:15,470 --> 00:30:12,600

some of the materials that David grush

585

00:30:17,570 --> 00:30:15,480

is talking about were those tsa

586

00:30:19,610 --> 00:30:17,580

materials that they bought from Linda

587

00:30:23,510 --> 00:30:19,620

Moulton Howe after she

588

00:30:26,330 --> 00:30:23,520

uh sold that fake story of Arts parts

589

00:30:29,450 --> 00:30:26,340

for years right and we can review

590

00:30:31,850 --> 00:30:29,460

quickly Linda monhale hired a scientist

591

00:30:33,649 --> 00:30:31,860

to analyze the metals and the scientists

592

00:30:37,250 --> 00:30:33,659

said these are normal Earthly Metals

593

00:30:40,010 --> 00:30:37,260

this is nothing extraordinary and uh yes

594

00:30:42,409 --> 00:30:40,020

I can reproduce it and did she fired

595

00:30:44,330 --> 00:30:42,419

that guy and kept hiring science guys

596

00:30:46,850 --> 00:30:44,340

until somebody would say that there was

597

00:30:49,070 --> 00:30:46,860

something special about Arts Parts or

598

00:30:51,169 --> 00:30:49,080

these metal fragments no one's ever

599

00:30:53,210 --> 00:30:51,179

proven that they were alien in fact

600

00:30:55,310 --> 00:30:53,220

there is substantial and supportive

601
00:30:58,010 --> 00:30:55,320
evidence to show that they are not

602
00:31:00,169 --> 00:30:58,020
indeed alien

603
00:31:04,149 --> 00:31:00,179
um now there may be some other materials

604
00:31:07,490 --> 00:31:04,159
though uh besides the tsa Arts Parts

605
00:31:10,430 --> 00:31:07,500
that Gary Nolan also analyzed that had

606
00:31:12,889 --> 00:31:10,440
strange isotopic ratios is that proof of

607
00:31:15,049 --> 00:31:12,899
alien life no is that proof of that

608
00:31:16,850 --> 00:31:15,059
there are alien materials no absolutely

609
00:31:19,789 --> 00:31:16,860
because those materials could still be

610
00:31:22,610 --> 00:31:19,799
manufactured on Earth by humans with

611
00:31:25,190 --> 00:31:22,620
those same exact isotopic ratios this is

612
00:31:28,669 --> 00:31:25,200
expensive yes I'm told it's expensive

613
00:31:31,310 --> 00:31:28,679

but it can be done so that's not any

614

00:31:34,850 --> 00:31:31,320

kind of they have zero Smoking Gun

615

00:31:37,730 --> 00:31:34,860

evidence of any kind of material that

616

00:31:39,169 --> 00:31:37,740

was created off-world full stop I'm

617

00:31:43,430 --> 00:31:39,179

going to say it one more time they have

618

00:31:47,169 --> 00:31:43,440

zero Smoking Gun evidence of any alien

619

00:31:51,110 --> 00:31:47,179

material that was manufactured created

620

00:31:52,850 --> 00:31:51,120

or the material came from another star

621

00:31:55,430 --> 00:31:52,860

system they just don't have proof of

622

00:31:56,930 --> 00:31:55,440

that they've got some material with some

623

00:31:59,269 --> 00:31:56,940

strange properties

624

00:32:02,870 --> 00:31:59,279

um but go talk to and here's another

625

00:32:04,970 --> 00:32:02,880

issue Gary P Nolan is an immunologist he

626
00:32:08,330 --> 00:32:04,980
is not qualified

627
00:32:09,769 --> 00:32:08,340
to analyze materials period full stop

628
00:32:11,330 --> 00:32:09,779
he's just not qualified to do it it's

629
00:32:14,029 --> 00:32:11,340
not his specialty

630
00:32:16,490 --> 00:32:14,039
and you know I don't know why some

631
00:32:19,669 --> 00:32:16,500
scientists Veer off into areas that they

632
00:32:21,649 --> 00:32:19,679
have no business in you know go go try

633
00:32:24,950 --> 00:32:21,659
to talk to a divorce lawyer about your

634
00:32:27,110 --> 00:32:24,960
criminal case they'll tell you no no uh

635
00:32:29,169 --> 00:32:27,120
people specialize you need to go to a

636
00:32:32,330 --> 00:32:29,179
criminal attorney same thing in science

637
00:32:34,610 --> 00:32:32,340
if I walked into an immunologist's

638
00:32:37,370 --> 00:32:34,620

office with strange pieces of metal and

639

00:32:40,850 --> 00:32:37,380

said excuse me I think this might be

640

00:32:44,930 --> 00:32:40,860

from Aliens can you analyze this for me

641

00:32:48,529 --> 00:32:44,940

a moral ethical and reputable man a

642

00:32:51,289 --> 00:32:48,539

credible immunologist would say I'm

643

00:32:53,269 --> 00:32:51,299

sorry I'm not a material scientist you

644

00:32:56,090 --> 00:32:53,279

need a material scientist to look at

645

00:32:58,850 --> 00:32:56,100

this material to get the best scientific

646

00:33:01,070 --> 00:32:58,860

analysis possible but that's not what we

647

00:33:04,490 --> 00:33:01,080

get we get Gary Nolan is suddenly a

648

00:33:08,450 --> 00:33:04,500

materials expert he's not I'm sorry he's

649

00:33:12,529 --> 00:33:08,460

an immunologist so again we have massive

650

00:33:15,590 --> 00:33:12,539

ties to the tsa Gang

651
00:33:17,690 --> 00:33:15,600
that brought us nothing but they sure

652
00:33:20,149 --> 00:33:17,700
all made a lot of money during that

653
00:33:22,730 --> 00:33:20,159
whole period didn't they and I think

654
00:33:25,190 --> 00:33:22,740
this is what this boils down to

655
00:33:27,950 --> 00:33:25,200
now we'll get into the meat of the

656
00:33:30,049 --> 00:33:27,960
interview but I do have to say uh that

657
00:33:31,549 --> 00:33:30,059
this was I heard people on Twitter

658
00:33:32,990 --> 00:33:31,559
they're already saying that this is the

659
00:33:34,310 --> 00:33:33,000
biggest nothing Burger they've ever

660
00:33:36,350 --> 00:33:34,320
heard

661
00:33:38,630 --> 00:33:36,360
um I won't go that far

662
00:33:41,810 --> 00:33:38,640
because

663
00:33:45,529 --> 00:33:41,820

I still want to see absolute

664

00:33:48,649 --> 00:33:45,539

100 proof that this man's sources are

665

00:33:49,430 --> 00:33:48,659

these people that we believe his sources

666

00:33:52,789 --> 00:33:49,440

are

667

00:33:54,950 --> 00:33:52,799

and uh I do have something else that I'm

668

00:33:57,110 --> 00:33:54,960

going to read from a separate source and

669

00:33:59,090 --> 00:33:57,120

uh

670

00:34:02,269 --> 00:33:59,100

one second

671

00:34:07,089 --> 00:34:02,279

this is very important

672

00:34:11,990 --> 00:34:09,710

this Source sent me a lengthy message

673

00:34:13,849 --> 00:34:12,000

today confirming what another source

674

00:34:16,450 --> 00:34:13,859

told me much of what we're talking about

675

00:34:18,950 --> 00:34:16,460

tonight that David grush seems to be

676
00:34:20,930 --> 00:34:18,960
connected directly to all of these

677
00:34:23,950 --> 00:34:20,940
people who have been and by the way

678
00:34:25,550 --> 00:34:23,960
let's be clear Leslie Keane

679
00:34:28,609 --> 00:34:25,560
Blumenthal

680
00:34:30,649 --> 00:34:28,619
and Lou Elizondo who was the primary

681
00:34:34,270 --> 00:34:30,659
source for their their New York Times

682
00:34:36,829 --> 00:34:34,280
story completely and totally

683
00:34:39,230 --> 00:34:36,839
misrepresented facts to sell the story

684
00:34:41,750 --> 00:34:39,240
completely and totally let's just say

685
00:34:43,550 --> 00:34:41,760
massage the data and left down all the

686
00:34:45,950 --> 00:34:43,560
stuff about the werewolves and the

687
00:34:48,230 --> 00:34:45,960
poltergeists and the space ghosts and

688
00:34:51,349 --> 00:34:48,240

all that because they wanted to bring

689

00:34:54,669 --> 00:34:51,359

legitimacy to the UFO Community or to

690

00:34:58,190 --> 00:34:54,679

the UFO topic so these people have

691

00:35:01,609 --> 00:34:58,200

provably been caught selling Us fake

692

00:35:04,010 --> 00:35:01,619

stories before Ross colfar has provably

693

00:35:05,210 --> 00:35:04,020

been caught selling a fake story before

694

00:35:07,490 --> 00:35:05,220

remember

695

00:35:10,190 --> 00:35:07,500

we have conclusive proof of alien

696

00:35:12,829 --> 00:35:10,200

technology all confirmed by this man and

697

00:35:14,750 --> 00:35:12,839

then they cut to a shot of Michio Kaku

698

00:35:17,510 --> 00:35:14,760

then he said oh they they weren't a

699

00:35:20,450 --> 00:35:17,520

little uh yeah those those promos were a

700

00:35:22,250 --> 00:35:20,460

little over the top you read Ross coltar

701

00:35:25,130 --> 00:35:22,260

read the voiceover they gave him for

702

00:35:27,050 --> 00:35:25,140

those promos he's responsible for lying

703

00:35:30,050 --> 00:35:27,060

to everyone saying they had conclusive

704

00:35:32,390 --> 00:35:30,060

proof of alien technology in that last

705

00:35:35,450 --> 00:35:32,400

completely and totally nothing Burger of

706

00:35:37,490 --> 00:35:35,460

a story that was equally hyped this one

707

00:35:40,310 --> 00:35:37,500

whoo this one they knocked it out of the

708

00:35:42,950 --> 00:35:40,320

park on the hype train here but they've

709

00:35:45,950 --> 00:35:42,960

got no meat on the bones here

710

00:35:47,870 --> 00:35:45,960

so this Source today told me uh

711

00:35:51,349 --> 00:35:47,880

something that I resonate strongly with

712

00:35:56,150 --> 00:35:51,359

I'm going to read it to you you can um

713

00:35:59,030 --> 00:35:56,160

you you can determine how you feel

714

00:36:01,730 --> 00:35:59,040

The Source says in my opinion David

715

00:36:04,730 --> 00:36:01,740

grush seems to be validating previously

716

00:36:07,370 --> 00:36:04,740

held beliefs up upheld by the UFO

717

00:36:09,650 --> 00:36:07,380

Community he is operating under the

718

00:36:12,349 --> 00:36:09,660

guise of reporting fresh unheard of

719

00:36:15,109 --> 00:36:12,359

information that we all assume through

720

00:36:18,349 --> 00:36:15,119

wishful thinking is an expose of special

721

00:36:21,589 --> 00:36:18,359

access programs Legacy programs Lockheed

722

00:36:24,290 --> 00:36:21,599

raythorne uh Raytheon black projects Etc

723

00:36:27,170 --> 00:36:24,300

but it is actually just second-hand

724

00:36:29,450 --> 00:36:27,180

claims being regurgitated that were

725

00:36:31,490 --> 00:36:29,460

shared with him from members of The

726

00:36:33,410 --> 00:36:31,500

Invisible college and by invisible

727

00:36:37,910 --> 00:36:33,420

College he means all the people that I

728

00:36:40,790 --> 00:36:37,920

mentioned Lou Elizondo uh and uh and

729

00:36:42,589 --> 00:36:40,800

Gary Nolan Eric Davis and all of these

730

00:36:43,670 --> 00:36:42,599

other people

731

00:36:49,849 --> 00:36:43,680

um

732

00:36:54,589 --> 00:36:52,010

all the people who whispered these

733

00:36:58,550 --> 00:36:54,599

secrets to grush aren't engineers

734

00:37:01,970 --> 00:36:58,560

or physicists we're unfamiliar with in

735

00:37:04,310 --> 00:37:01,980

other words all of David grush's stories

736

00:37:06,530 --> 00:37:04,320

according to this Source are people

737

00:37:09,710 --> 00:37:06,540

we're all already familiar with there's

738

00:37:12,050 --> 00:37:09,720

nobody new giving grush any information

739

00:37:13,970 --> 00:37:12,060

uh but rather all the names that we are

740

00:37:17,450 --> 00:37:13,980

already all too familiar with such as

741

00:37:21,829 --> 00:37:17,460

Lou Alexander Eric Davis

742

00:37:26,270 --> 00:37:21,839

Jacques valet Travis Taylor Gary Nolan

743

00:37:28,430 --> 00:37:26,280

and others so this man's sources may be

744

00:37:30,650 --> 00:37:28,440

people whose names we've all heard for

745

00:37:32,690 --> 00:37:30,660

years already telling these same stories

746

00:37:35,990 --> 00:37:32,700

that they never proved then

747

00:37:38,810 --> 00:37:36,000

so what confidence do we have that these

748

00:37:41,750 --> 00:37:38,820

second-hand stories that were let's just

749

00:37:43,790 --> 00:37:41,760

say allegedly for now told to him by all

750

00:37:44,810 --> 00:37:43,800

these people who have sold us lies

751
00:37:47,450 --> 00:37:44,820
before

752
00:37:49,970 --> 00:37:47,460
with no evidence no proof ever coming to

753
00:37:52,069 --> 00:37:49,980
fruition what are the odds that this

754
00:37:54,050 --> 00:37:52,079
time this is different and I get it

755
00:37:55,910 --> 00:37:54,060
people want desperately for this guy to

756
00:37:58,550 --> 00:37:55,920
be on the level

757
00:37:59,810 --> 00:37:58,560
so uh apparently according to this

758
00:38:02,510 --> 00:37:59,820
Source The Whistleblower is

759
00:38:05,329 --> 00:38:02,520
regurgitating information from the

760
00:38:07,190 --> 00:38:05,339
invisible College aka the Aviary not a

761
00:38:10,190 --> 00:38:07,200
bunch of Defense contractors who worked

762
00:38:12,710 --> 00:38:10,200
on waived saps like we were all hoping

763
00:38:14,329 --> 00:38:12,720

this puts the information he has in a

764

00:38:17,030 --> 00:38:14,339

whole new light grush is peddling

765

00:38:19,970 --> 00:38:17,040

second-hand information he hasn't seen

766

00:38:22,310 --> 00:38:19,980

nor touched a craft and all the members

767

00:38:23,930 --> 00:38:22,320

of the that group haven't either their

768

00:38:25,670 --> 00:38:23,940

knowledge comes from knowing people who

769

00:38:28,490 --> 00:38:25,680

were involved with the program and thus

770

00:38:31,550 --> 00:38:28,500

members of The Invisible College are at

771

00:38:33,950 --> 00:38:31,560

best tangentially related to some

772

00:38:35,750 --> 00:38:33,960

programs so it's secondhand information

773

00:38:37,970 --> 00:38:35,760

from people with second-hand information

774

00:38:39,950 --> 00:38:37,980

which is why all the information is

775

00:38:43,490 --> 00:38:39,960

generalized statements such as I've been

776

00:38:46,370 --> 00:38:43,500

told the program code names names on the

777

00:38:48,650 --> 00:38:46,380

bigot list aerospace companies involved

778

00:38:50,510 --> 00:38:48,660

Etc but we aren't being told the actual

779

00:38:52,370 --> 00:38:50,520

code names nor were being told any

780

00:38:56,410 --> 00:38:52,380

individuals who worked on the program

781

00:38:58,849 --> 00:38:56,420

who were on the the bigot lists likewise

782

00:39:00,650 --> 00:38:58,859

uh we aren't given the aerospace

783

00:39:03,890 --> 00:39:00,660

companies either

784

00:39:07,010 --> 00:39:03,900

and uh he mentions the Wilson Davis

785

00:39:11,569 --> 00:39:09,170

this is being hypothetically peddled by

786

00:39:14,089 --> 00:39:11,579

the December 2017 New York Times article

787

00:39:17,990 --> 00:39:14,099

originally told us yeah and then the

788

00:39:21,490 --> 00:39:18,000

source just goes over you know

789

00:39:24,970 --> 00:39:21,500

about atip being not what we were told

790

00:39:29,210 --> 00:39:24,980

this could very well all be another

791

00:39:33,950 --> 00:39:32,450

UFO circus where all these people are

792

00:39:35,450 --> 00:39:33,960

going to come in everybody's going to

793

00:39:37,069 --> 00:39:35,460

make some money off this look even the

794

00:39:38,470 --> 00:39:37,079

Bottom Feeders are making money off of

795

00:39:41,150 --> 00:39:38,480

this getting thousands of views

796

00:39:43,010 --> 00:39:41,160

rebroadcasting this interview that they

797

00:39:45,950 --> 00:39:43,020

have no rights to rebroadcast and this

798

00:39:49,130 --> 00:39:45,960

is all supposed to be okay this is all

799

00:39:51,950 --> 00:39:49,140

shady as hell this whole thing is shady

800

00:39:53,990 --> 00:39:51,960

as hell the fact that Ross colthard and

801
00:39:56,329 --> 00:39:54,000
others keep repeating this what I

802
00:39:59,329 --> 00:39:56,339
believe to be a lie that you know or

803
00:40:01,550 --> 00:39:59,339
implying that the inspector general of

804
00:40:05,990 --> 00:40:01,560
the intelligence Community found his

805
00:40:07,970 --> 00:40:06,000
allegations to be see credible and

806
00:40:09,589 --> 00:40:07,980
Urgent what which allegations the

807
00:40:11,930 --> 00:40:09,599
allegations that there was some kind of

808
00:40:14,329 --> 00:40:11,940
reprisal against him for digging into

809
00:40:17,210 --> 00:40:14,339
this stuff or

810
00:40:20,030 --> 00:40:17,220
did they find his claims of alien crash

811
00:40:23,030 --> 00:40:20,040
retrievals and alien bodies and then we

812
00:40:25,250 --> 00:40:23,040
get into the situation with Leslie Keane

813
00:40:27,710 --> 00:40:25,260

and Blumenthal either intentionally left

814

00:40:29,390 --> 00:40:27,720

out the stuff about the alien bodies or

815

00:40:31,910 --> 00:40:29,400

this guy didn't tell them about the

816

00:40:34,730 --> 00:40:31,920

alien bodies but he told Ross colthar

817

00:40:38,569 --> 00:40:34,740

about the alien bodies and there's more

818

00:40:41,329 --> 00:40:38,579

and more factual inaccuracies

819

00:40:44,270 --> 00:40:41,339

that we're catching them in the longer

820

00:40:46,790 --> 00:40:44,280

this goes the more we catch them and

821

00:40:48,710 --> 00:40:46,800

more what most people I would call lies

822

00:40:51,710 --> 00:40:48,720

but some people would just be kind and

823

00:40:53,990 --> 00:40:51,720

say that's a factual inaccuracy or

824

00:40:56,569 --> 00:40:54,000

that's a misleading statement the stuff

825

00:40:58,190 --> 00:40:56,579

about the Inspector General of the

826

00:41:00,290 --> 00:40:58,200

intelligence Community finding his

827

00:41:01,190 --> 00:41:00,300

claims or allegations urgent and

828

00:41:03,950 --> 00:41:01,200

credible

829

00:41:06,290 --> 00:41:03,960

is completely and totally misleading

830

00:41:07,790 --> 00:41:06,300

because they're implying that the

831

00:41:09,829 --> 00:41:07,800

inspector general of the intelligence

832

00:41:12,050 --> 00:41:09,839

Community found his claims of aliens and

833

00:41:14,810 --> 00:41:12,060

craft retrievals and bodies

834

00:41:17,569 --> 00:41:14,820

urgent and credible not so we don't have

835

00:41:19,910 --> 00:41:17,579

that we don't have evidence of that

836

00:41:22,609 --> 00:41:19,920

so I think that they should start

837

00:41:24,349 --> 00:41:22,619

clarifying and when they do what we're

838

00:41:26,450 --> 00:41:24,359

going to find out is that this whole

839

00:41:30,050 --> 00:41:26,460

thing was a carefully constructed

840

00:41:32,810 --> 00:41:30,060

narrative to sell you the story of an

841

00:41:35,150 --> 00:41:32,820

government Insider whistleblower does

842

00:41:37,490 --> 00:41:35,160

this sound familiar I think I've seen

843

00:41:40,130 --> 00:41:37,500

this movie before Lou Elizondo so what

844

00:41:43,010 --> 00:41:40,140

we're getting now is Lou Elizondo 2.0

845

00:41:46,970 --> 00:41:43,020

and Brian Bender claims that Louis

846

00:41:49,190 --> 00:41:46,980

Elizondo groomed this man for this

847

00:41:52,609 --> 00:41:49,200

so-called

848

00:41:56,450 --> 00:41:52,619

becoming a whistleblower he groomed him

849

00:41:59,930 --> 00:41:56,460

did they perhaps learn what to do what

850

00:42:02,089 --> 00:41:59,940

not to do to sell a story about aliens

851
00:42:04,490 --> 00:42:02,099
and UFOs when Elizondo came out because

852
00:42:06,410 --> 00:42:04,500
it took years but eventually elizondo's

853
00:42:08,870 --> 00:42:06,420
whole story Came Crashing Down like the

854
00:42:10,550 --> 00:42:08,880
house of cards that was built upon see

855
00:42:13,490 --> 00:42:10,560
when you build your whole story on

856
00:42:17,089 --> 00:42:13,500
Deception eventually those deceptions

857
00:42:20,270 --> 00:42:17,099
add up and these people built all of Lou

858
00:42:22,130 --> 00:42:20,280
Elizondo was built on Deception they

859
00:42:24,410 --> 00:42:22,140
deceived us from the very beginning of

860
00:42:26,089 --> 00:42:24,420
the story and here we are again and

861
00:42:28,670 --> 00:42:26,099
they're deceiving us from the very

862
00:42:31,790 --> 00:42:28,680
beginning of the story why didn't they

863
00:42:34,490 --> 00:42:31,800

you mean to tell me that Kane and

864

00:42:36,530 --> 00:42:34,500

Blumenthal don't know that this guy

865

00:42:39,410 --> 00:42:36,540

knows all of these people Lou Elizondo

866

00:42:42,770 --> 00:42:39,420

Jeremy Corbell uh oh yeah Jeremy Corbell

867

00:42:45,109 --> 00:42:42,780

and uh and George Knapp he met at a Star

868

00:42:48,410 --> 00:42:45,119

Trek convention nothing says credibility

869

00:42:50,329 --> 00:42:48,420

like shopping your alien stories at a

870

00:42:52,130 --> 00:42:50,339

Star Trek convention the people who sell

871

00:42:53,510 --> 00:42:52,140

alien stories like George Knapp and

872

00:42:55,670 --> 00:42:53,520

Jeremy Corby well

873

00:42:57,170 --> 00:42:55,680

and by the way despite what I think

874

00:42:58,790 --> 00:42:57,180

about them apparently they're going to

875

00:43:01,309 --> 00:42:58,800

do a show tomorrow night and talk about

876

00:43:02,630 --> 00:43:01,319

this guy they've been avoiding it and I

877

00:43:04,190 --> 00:43:02,640

don't know if they're going to bust this

878

00:43:06,050 --> 00:43:04,200

guy is fake because they got to come up

879

00:43:08,870 --> 00:43:06,060

with some excuse or reason why they

880

00:43:11,450 --> 00:43:08,880

didn't run with his story right

881

00:43:13,430 --> 00:43:11,460

but why didn't are we really all

882

00:43:18,109 --> 00:43:13,440

supposed to believe that Blumenthal and

883

00:43:20,230 --> 00:43:18,119

Kane and Ross colfar don't know that

884

00:43:24,290 --> 00:43:20,240

this man is being fed information

885

00:43:25,490 --> 00:43:24,300

allegedly by Lou Elizondo Gary Nolan kit

886

00:43:27,470 --> 00:43:25,500

green

887

00:43:30,950 --> 00:43:27,480

Eric Davis

888

00:43:32,630 --> 00:43:30,960

or did they know did they know that's

889

00:43:35,270 --> 00:43:32,640

where he's getting his information and

890

00:43:37,370 --> 00:43:35,280

they had to leave that out because even

891

00:43:39,710 --> 00:43:37,380

a lot of True Believers know that all

892

00:43:42,710 --> 00:43:39,720

those people are full of it and have

893

00:43:45,050 --> 00:43:42,720

never come through with actual real or

894

00:43:47,150 --> 00:43:45,060

verifiable evidence of their claims but

895

00:43:49,550 --> 00:43:47,160

they sure make huge Fantastical claims

896

00:43:51,950 --> 00:43:49,560

remember Eric Davis with the with the

897

00:43:55,130 --> 00:43:51,960

Wilson Davis notes and saying that we

898

00:43:57,230 --> 00:43:55,140

have uh crash retrievals of non-human

899

00:43:59,750 --> 00:43:57,240

technology Eric Davis said all this

900

00:44:01,609 --> 00:43:59,760

stuff a year or two ago and he never

901
00:44:03,950 --> 00:44:01,619
proved any of it but we're supposed to

902
00:44:05,809 --> 00:44:03,960
believe that somebody's got proof of

903
00:44:08,569 --> 00:44:05,819
this now

904
00:44:11,390 --> 00:44:08,579
um no I I don't think so

905
00:44:13,010 --> 00:44:11,400
but back to I'm sorry I'm getting in the

906
00:44:16,010 --> 00:44:13,020
weeds here

907
00:44:23,170 --> 00:44:19,190
the actual interview this interview was

908
00:44:26,809 --> 00:44:23,180
lots of filler right they talked about

909
00:44:29,150 --> 00:44:26,819
uh those videos that Lou Elizondo got

910
00:44:30,290 --> 00:44:29,160
out of the Pentagon and it talked about

911
00:44:34,190 --> 00:44:30,300
the

912
00:44:35,870 --> 00:44:34,200
Blumenthal Kane uh story like it was

913
00:44:39,050 --> 00:44:35,880

still not

914

00:44:41,150 --> 00:44:39,060

untrue right they pretended and by the

915

00:44:43,670 --> 00:44:41,160

way people in news Nation are calling

916

00:44:46,010 --> 00:44:43,680

Leslie Kane uh incredibly credible

917

00:44:47,870 --> 00:44:46,020

journalist right they called Ross

918

00:44:49,790 --> 00:44:47,880

coldhart an award-winning journalist

919

00:44:52,010 --> 00:44:49,800

who was on 60 Minutes they just forgot

920

00:44:53,930 --> 00:44:52,020

to tell you that his contract wasn't

921

00:44:56,329 --> 00:44:53,940

renewed with 60 minutes because he got

922

00:44:58,490 --> 00:44:56,339

caught selling a 100 percent completely

923

00:45:00,890 --> 00:44:58,500

and totally fake story about the British

924

00:45:03,650 --> 00:45:00,900

government and a pedo ring that didn't

925

00:45:05,569 --> 00:45:03,660

exist right they forgot they called him

926
00:45:07,309 --> 00:45:05,579
a credible award-winning journalist but

927
00:45:09,650 --> 00:45:07,319
they forgot to tell you that he's

928
00:45:12,050 --> 00:45:09,660
actually a disgrace journalist

929
00:45:14,630 --> 00:45:12,060
from Australia right

930
00:45:16,490 --> 00:45:14,640
and then they call Leslie Kane a

931
00:45:19,430 --> 00:45:16,500
credible journalist and they forget to

932
00:45:21,950 --> 00:45:19,440
tell you that her New York Times article

933
00:45:24,230 --> 00:45:21,960
was absolutely completely and totally

934
00:45:27,109 --> 00:45:24,240
filled with factually inaccurate

935
00:45:29,750 --> 00:45:27,119
statements the whole story was fake I'm

936
00:45:30,710 --> 00:45:29,760
sorry the story was fake

937
00:45:33,109 --> 00:45:30,720
um

938
00:45:35,990 --> 00:45:33,119

so we got a lot of filler and then they

939

00:45:38,569 --> 00:45:36,000

seem to really use or reuse the clips

940

00:45:41,450 --> 00:45:38,579

that we've already heard right oh we've

941

00:45:43,069 --> 00:45:41,460

got yeah the pilot so if you come across

942

00:45:45,290 --> 00:45:43,079

you know all the clips we've already

943

00:45:48,349 --> 00:45:45,300

heard were still included in this

944

00:45:50,569 --> 00:45:48,359

so-called hour there was a lead into it

945

00:45:53,089 --> 00:45:50,579

there was a lot of fluff in there I

946

00:45:54,890 --> 00:45:53,099

don't think that we even got 35 minutes

947

00:45:57,109 --> 00:45:54,900

of this guy actually being interviewed

948

00:45:59,329 --> 00:45:57,119

because they kept jamming other stuff in

949

00:46:01,609 --> 00:45:59,339

there that was completely and totally

950

00:46:03,230 --> 00:46:01,619

irrelevant people want to hear this guy

951
00:46:06,349 --> 00:46:03,240
be grilled or interviewed they don't

952
00:46:08,569 --> 00:46:06,359
want to hear about Roswell right but

953
00:46:11,390 --> 00:46:08,579
this is what we get awful lot of filler

954
00:46:12,410 --> 00:46:11,400
oh an hour interview right oh and here's

955
00:46:15,050 --> 00:46:12,420
another

956
00:46:17,150 --> 00:46:15,060
thing we were lied to about Ross

957
00:46:19,130 --> 00:46:17,160
coldhart is saying well I have seven

958
00:46:20,990 --> 00:46:19,140
hours of interviews with this person but

959
00:46:23,390 --> 00:46:21,000
what what he didn't tell you is that

960
00:46:25,370 --> 00:46:23,400
they did the interview twice so he's got

961
00:46:28,130 --> 00:46:25,380
two three-hour interviews that I guess

962
00:46:30,530 --> 00:46:28,140
they can cherry pick and why do you need

963
00:46:34,010 --> 00:46:30,540

to interview the guy twice

964

00:46:37,670 --> 00:46:34,020

and ask the same questions twice unless

965

00:46:39,710 --> 00:46:37,680

you are filming this and trying to

966

00:46:40,790 --> 00:46:39,720

create the perfect illusion of a

967

00:46:42,589 --> 00:46:40,800

whistleblower

968

00:46:44,750 --> 00:46:42,599

I think if this guy was on the level

969

00:46:46,550 --> 00:46:44,760

they would have interviewed him once not

970

00:46:48,770 --> 00:46:46,560

twice asking the same exact questions

971

00:46:50,930 --> 00:46:48,780

why didn't they tell us that that's

972

00:46:51,829 --> 00:46:50,940

that's new information why didn't they

973

00:46:54,410 --> 00:46:51,839

tell us

974

00:46:57,530 --> 00:46:54,420

um that this man is pushing completely

975

00:47:00,829 --> 00:46:57,540

and totally fake UFO stories that have

976
00:47:02,930 --> 00:47:00,839
been debunked as one of the credible

977
00:47:03,890 --> 00:47:02,940
cases of the UFO crash and we'll get

978
00:47:05,270 --> 00:47:03,900
into that

979
00:47:07,069 --> 00:47:05,280
also

980
00:47:09,170 --> 00:47:07,079
this David Gross talked about

981
00:47:11,450 --> 00:47:09,180
theoretical physics to explain how they

982
00:47:13,490 --> 00:47:11,460
get here coming from higher dimensional

983
00:47:15,410 --> 00:47:13,500
physical space that may be co-located

984
00:47:18,109 --> 00:47:15,420
here and this is all stuff that we've

985
00:47:21,890 --> 00:47:18,119
heard everybody else talk about Michio

986
00:47:24,710 --> 00:47:21,900
Kaku and others Neil deGrasse Tyson and

987
00:47:26,569 --> 00:47:24,720
other Avi Loeb other science guys have

988
00:47:30,050 --> 00:47:26,579

all talked about how do they get here

989

00:47:34,010 --> 00:47:30,060

and they will give you you know a a

990

00:47:35,809 --> 00:47:34,020

theoretical physics explanation well you

991

00:47:37,250 --> 00:47:35,819

know uh there could be wormholes that

992

00:47:38,990 --> 00:47:37,260

they travel through or they could have

993

00:47:40,970 --> 00:47:39,000

developed faster than light travel and

994

00:47:43,190 --> 00:47:40,980

and here's how they could do that but

995

00:47:44,930 --> 00:47:43,200

it's all just theoretical there's no

996

00:47:47,510 --> 00:47:44,940

proof of any of this just theoretical

997

00:47:49,550 --> 00:47:47,520

physics that we get in every

998

00:47:51,530 --> 00:47:49,560

story or documentary about this stuff

999

00:47:53,390 --> 00:47:51,540

from a science guy and let's be clear

1000

00:47:54,470 --> 00:47:53,400

David brush apparently has a degree in

1001
00:47:56,390 --> 00:47:54,480
physics

1002
00:47:57,770 --> 00:47:56,400
okay

1003
00:48:01,569 --> 00:47:57,780
so

1004
00:48:04,910 --> 00:48:01,579
he claims that he was briefed on

1005
00:48:08,569 --> 00:48:04,920
materials that had different isotopic

1006
00:48:10,849 --> 00:48:08,579
ratios and also there was he was briefed

1007
00:48:12,470 --> 00:48:10,859
on extremely strange heavy Atomic metal

1008
00:48:14,690 --> 00:48:12,480
and Arrangements that we don't

1009
00:48:18,349 --> 00:48:14,700
understand and that some of these

1010
00:48:19,670 --> 00:48:18,359
materials were a strange mix of elements

1011
00:48:22,750 --> 00:48:19,680
again

1012
00:48:25,069 --> 00:48:22,760
nothing in those statements proves

1013
00:48:27,410 --> 00:48:25,079

conclusively or otherwise doesn't prove

1014

00:48:30,290 --> 00:48:27,420

anything does not prove that we are in

1015

00:48:34,069 --> 00:48:30,300

possessive possession of material

1016

00:48:37,550 --> 00:48:34,079

from another intelligent species or from

1017

00:48:40,190 --> 00:48:37,560

Aliens or from another star system

1018

00:48:42,349 --> 00:48:40,200

it simply means that

1019

00:48:45,230 --> 00:48:42,359

somebody's got some strange materials

1020

00:48:47,270 --> 00:48:45,240

and he claims he was briefed on them and

1021

00:48:49,730 --> 00:48:47,280

I for one think it's relevant who

1022

00:48:52,730 --> 00:48:49,740

briefed him was it Eric Davis and Gary

1023

00:48:55,130 --> 00:48:52,740

Nolan because if so we've got the

1024

00:48:57,829 --> 00:48:55,140

Wackadoo prover maneuver in full effect

1025

00:48:59,569 --> 00:48:57,839

here for those unaware there's something

1026

00:49:01,910 --> 00:48:59,579

called the Wackadoo prover maneuver

1027

00:49:03,890 --> 00:49:01,920

that's when you get one Wackadoo saying

1028

00:49:06,109 --> 00:49:03,900

something and his proof is another

1029

00:49:09,050 --> 00:49:06,119

Wackadoo told me that

1030

00:49:11,990 --> 00:49:09,060

and generally when people employ the

1031

00:49:14,569 --> 00:49:12,000

Wackadoo super duper prover maneuver

1032

00:49:17,809 --> 00:49:14,579

in this manner they don't have evidence

1033

00:49:21,890 --> 00:49:17,819

it's one Wackadoo backing up the claims

1034

00:49:23,870 --> 00:49:21,900

of another Wackadoo so in this case

1035

00:49:25,490 --> 00:49:23,880

we've got David grush saying that he was

1036

00:49:27,950 --> 00:49:25,500

briefed on this stuff and there was

1037

00:49:30,230 --> 00:49:27,960

isotopic ratios that were really strange

1038

00:49:31,870 --> 00:49:30,240

there was Heavy Atomic metal and

1039

00:49:34,370 --> 00:49:31,880

Arrangements that we don't understand

1040

00:49:37,430 --> 00:49:34,380

and there were stuff that had a strange

1041

00:49:40,670 --> 00:49:37,440

mix of elements none of that full stop

1042

00:49:43,130 --> 00:49:40,680

is proof of alien materials

1043

00:49:44,150 --> 00:49:43,140

or materials from other star systems and

1044

00:49:46,490 --> 00:49:44,160

remember

1045

00:49:48,950 --> 00:49:46,500

I think it's very important that we

1046

00:49:51,950 --> 00:49:48,960

point out that in order for somebody to

1047

00:49:54,829 --> 00:49:51,960

prove that you know for example they had

1048

00:49:56,750 --> 00:49:54,839

a piece of an alien spacecraft there

1049

00:49:59,450 --> 00:49:56,760

would have to be massive scientific

1050

00:50:01,670 --> 00:49:59,460

studies we'd have to first of all prove

1051
00:50:04,190 --> 00:50:01,680
that it was manufactured and not natural

1052
00:50:07,130 --> 00:50:04,200
materials like from a meteorite or

1053
00:50:09,230 --> 00:50:07,140
something because you know you can get

1054
00:50:11,150 --> 00:50:09,240
meteorites that have medals with strange

1055
00:50:13,250 --> 00:50:11,160
isotopic ratios and that's because they

1056
00:50:14,930 --> 00:50:13,260
come from other star systems doesn't

1057
00:50:17,450 --> 00:50:14,940
mean they're from an alien spaceship

1058
00:50:20,089 --> 00:50:17,460
though so you'd have to have proof that

1059
00:50:23,870 --> 00:50:20,099
that material was manufactured somewhere

1060
00:50:25,790 --> 00:50:23,880
made by intelligent hands or

1061
00:50:28,910 --> 00:50:25,800
I don't know suction cups if they're

1062
00:50:30,710 --> 00:50:28,920
aliens or tentacles who knows right but

1063
00:50:33,290 --> 00:50:30,720

we'd have to prove that this material

1064

00:50:35,569 --> 00:50:33,300

was manufactured and that it came from

1065

00:50:38,329 --> 00:50:35,579

another star system nobody's proved that

1066

00:50:41,089 --> 00:50:38,339

and I don't believe anybody will prove

1067

00:50:43,490 --> 00:50:41,099

that sadly I'd love to believe that we

1068

00:50:46,790 --> 00:50:43,500

have some sort of Crash retrieval

1069

00:50:49,670 --> 00:50:46,800

material but unfortunately everybody who

1070

00:50:51,170 --> 00:50:49,680

pushes those stories has you know oh

1071

00:50:53,690 --> 00:50:51,180

there's some really something strange

1072

00:50:55,549 --> 00:50:53,700

about this material something strange

1073

00:50:58,069 --> 00:50:55,559

about material doesn't prove it's from

1074

00:51:00,470 --> 00:50:58,079

an alien spaceship or civilization or

1075

00:51:01,970 --> 00:51:00,480

intelligent species other than humans

1076
00:51:04,549 --> 00:51:01,980
period

1077
00:51:06,290 --> 00:51:04,559
so and and I think the wording is

1078
00:51:09,589 --> 00:51:06,300
important because this man said he was

1079
00:51:12,530 --> 00:51:09,599
briefed now normally if an intelligence

1080
00:51:14,809 --> 00:51:12,540
Community professionals such as him says

1081
00:51:18,890 --> 00:51:14,819
I was briefed on something you assume

1082
00:51:21,290 --> 00:51:18,900
it's some top secret situation but the

1083
00:51:22,970 --> 00:51:21,300
word briefed is thrown around in the UFO

1084
00:51:25,849 --> 00:51:22,980
Community you know Corey good gets

1085
00:51:29,270 --> 00:51:25,859
briefings Stephen Greer both gives and

1086
00:51:31,250 --> 00:51:29,280
get Greek and gets briefings right he

1087
00:51:34,309 --> 00:51:31,260
briefed this guy according to Stephen

1088
00:51:36,530 --> 00:51:34,319

Greer he mentored this guy

1089

00:51:38,030 --> 00:51:36,540
and briefed him

1090

00:51:39,710 --> 00:51:38,040
everybody throws around the word

1091

00:51:41,630 --> 00:51:39,720
briefing so just because he uses the

1092

00:51:42,890 --> 00:51:41,640
word briefing doesn't mean that he's

1093

00:51:44,990 --> 00:51:42,900
sitting somewhere in a top secret

1094

00:51:48,470 --> 00:51:45,000
situation he could have got briefed by

1095

00:51:50,510 --> 00:51:48,480
Eric Davis at uh Chick-fil-A just not on

1096

00:51:53,329 --> 00:51:50,520
Sunday like he literally could have went

1097

00:51:56,630 --> 00:51:53,339
to McDonald's with Eric Davis and talked

1098

00:51:59,930 --> 00:51:56,640
about this stuff and that's his briefing

1099

00:52:01,370 --> 00:51:59,940
on this strange materials that is proof

1100

00:52:05,690 --> 00:52:01,380
of

1101
00:52:07,670 --> 00:52:05,700
alien visitation on Earth I think that

1102
00:52:09,950 --> 00:52:07,680
these people who are selling this story

1103
00:52:12,230 --> 00:52:09,960
are intentionally concealing information

1104
00:52:14,990 --> 00:52:12,240
they don't want us to know who briefed

1105
00:52:18,470 --> 00:52:15,000
him on these materials by the way it

1106
00:52:21,049 --> 00:52:18,480
could also have been that he was briefed

1107
00:52:22,609 --> 00:52:21,059
in Canada while he was taking meetings

1108
00:52:24,890 --> 00:52:22,619
with

1109
00:52:26,809 --> 00:52:24,900
um Canadian Prime Ministers or not prime

1110
00:52:30,650 --> 00:52:26,819
minister sorry Canadian Parliament

1111
00:52:33,890 --> 00:52:30,660
members with Dr Gary Nolan so hey Ross

1112
00:52:36,109 --> 00:52:33,900
coltar Leslie Kane and Blumenthal who

1113
00:52:41,089 --> 00:52:36,119

briefed him on these materials we don't

1114

00:52:46,250 --> 00:52:43,190

he said

1115

00:52:49,010 --> 00:52:46,260

David grush said that these materials

1116

00:52:52,250 --> 00:52:49,020

were sophisticatedly engineered and they

1117

00:52:56,450 --> 00:52:52,260

were certainly not made by humans and

1118

00:52:58,609 --> 00:52:56,460

again what proof do we have or how are

1119

00:53:01,549 --> 00:52:58,619

you so certain that these were certainly

1120

00:53:04,370 --> 00:53:01,559

not made by humans you know enlighten me

1121

00:53:06,650 --> 00:53:04,380

and I'm sorry if I'm being skeptical but

1122

00:53:09,290 --> 00:53:06,660

if this guy's hearing about alien crash

1123

00:53:12,049 --> 00:53:09,300

retrieval materials from Eric Davis and

1124

00:53:14,750 --> 00:53:12,059

Gary Nolan that's the Wackadoo super

1125

00:53:16,730 --> 00:53:14,760

duper prover maneuver right there it's

1126
00:53:19,370 --> 00:53:16,740
two wackadus who's never proven their

1127
00:53:21,770 --> 00:53:19,380
claims showing this guy claims and he's

1128
00:53:23,450 --> 00:53:21,780
claiming it's true but the two people

1129
00:53:24,530 --> 00:53:23,460
who told him about it never proved the

1130
00:53:26,030 --> 00:53:24,540
claims

1131
00:53:30,290 --> 00:53:26,040
so

1132
00:53:32,809 --> 00:53:30,300
next this is very uh suspicious next we

1133
00:53:35,690 --> 00:53:32,819
got from David grush we got save the

1134
00:53:39,770 --> 00:53:35,700
world talking points

1135
00:53:42,410 --> 00:53:39,780
um that mirror 100 Dr Steven Greer's

1136
00:53:46,190 --> 00:53:42,420
talking points that he used to scam I

1137
00:53:48,349 --> 00:53:46,200
mean collect I mean uh fundraiser over a

1138
00:53:49,730 --> 00:53:48,359

million dollars about free energy we've

1139

00:53:51,890 --> 00:53:49,740

all heard these Steven Greer talking

1140

00:53:53,870 --> 00:53:51,900

points if we could just get access to

1141

00:53:55,970 --> 00:53:53,880

this UFO technology at the secret

1142

00:53:58,910 --> 00:53:55,980

government and the shadow people and the

1143

00:54:00,890 --> 00:53:58,920

Men in Black are covering up we can save

1144

00:54:03,770 --> 00:54:00,900

the world with this propulsion

1145

00:54:05,690 --> 00:54:03,780

technology and the energy technology if

1146

00:54:08,089 --> 00:54:05,700

we just had access to this technology

1147

00:54:09,950 --> 00:54:08,099

they're covering up all the third world

1148

00:54:10,910 --> 00:54:09,960

countries could have free energy and

1149

00:54:13,849 --> 00:54:10,920

everybody could have free energy

1150

00:54:16,010 --> 00:54:13,859

wouldn't have to work and the same exact

1151

00:54:18,950 --> 00:54:16,020

save the world with UFO technology

1152

00:54:20,990 --> 00:54:18,960

talking points that Dr Stephen Greer has

1153

00:54:23,750 --> 00:54:21,000

been using to collect money from stupid

1154

00:54:25,670 --> 00:54:23,760

people for both Stephen Greer collected

1155

00:54:27,530 --> 00:54:25,680

half a million dollars to the best of my

1156

00:54:29,450 --> 00:54:27,540

knowledge and recollection to create a

1157

00:54:32,329 --> 00:54:29,460

free energy device using these talking

1158

00:54:34,670 --> 00:54:32,339

points then he then he collected I think

1159

00:54:37,309 --> 00:54:34,680

six hundred and fifty thousand dollars

1160

00:54:39,589 --> 00:54:37,319

years later after he never produced a

1161

00:54:41,809 --> 00:54:39,599

working free energy device with that

1162

00:54:45,890 --> 00:54:41,819

half million he collected another I

1163

00:54:48,710 --> 00:54:45,900

believe 650 000 to make a documentary

1164

00:54:51,109 --> 00:54:48,720

about free energy so he

1165

00:54:54,470 --> 00:54:51,119

using these exact talking points that

1166

00:54:56,630 --> 00:54:54,480

David grush used in this interview next

1167

00:54:58,069 --> 00:54:56,640

we get to my favorite part of the

1168

00:55:01,069 --> 00:54:58,079

interview

1169

00:55:04,010 --> 00:55:01,079

David grush claims that uh alien crash

1170

00:55:06,589 --> 00:55:04,020

retrievals began in 1933 when a

1171

00:55:09,950 --> 00:55:06,599

bell-shaped UFO was retrieved in Italy

1172

00:55:12,650 --> 00:55:09,960

in 1933 and David grush claims that the

1173

00:55:16,010 --> 00:55:12,660

Vatican was involved and told the US USA

1174

00:55:19,130 --> 00:55:16,020

about the alien crash and then helped

1175

00:55:20,870 --> 00:55:19,140

the USA I suppose procure it and that

1176

00:55:23,089 --> 00:55:20,880

the Vatican knows about non-human

1177

00:55:26,210 --> 00:55:23,099

intelligence there's one huge problem

1178

00:55:29,569 --> 00:55:26,220

with this whole story this 1933

1179

00:55:31,849 --> 00:55:29,579

bell-shaped UFO in Italy it's almost

1180

00:55:33,290 --> 00:55:31,859

certainly a hoax even the original

1181

00:55:36,650 --> 00:55:33,300

investigator

1182

00:55:39,890 --> 00:55:36,660

believes that that story is not a true

1183

00:55:41,870 --> 00:55:39,900

or real story so here we've got

1184

00:55:45,049 --> 00:55:41,880

the first real

1185

00:55:47,089 --> 00:55:45,059

this was like you know

1186

00:55:50,809 --> 00:55:47,099

this was like whacking this guy in both

1187

00:55:53,390 --> 00:55:50,819

kneecaps right to take him down why

1188

00:55:56,589 --> 00:55:53,400

would the United States government be

1189

00:56:00,309 --> 00:55:56,599

briefing a highly

1190

00:56:03,410 --> 00:56:00,319

decorated very credentialed intelligence

1191

00:56:06,410 --> 00:56:03,420

officer why would they be briefing him

1192

00:56:09,049 --> 00:56:06,420

about a UFO story

1193

00:56:11,750 --> 00:56:09,059

that most researchers believed is a

1194

00:56:14,270 --> 00:56:11,760

complete and total hoax

1195

00:56:18,049 --> 00:56:14,280

by the way the only proof that that

1196

00:56:20,329 --> 00:56:18,059

story of that story were some documents

1197

00:56:23,030 --> 00:56:20,339

that most

1198

00:56:24,530 --> 00:56:23,040

from what I hear if you look into the

1199

00:56:27,230 --> 00:56:24,540

documents

1200

00:56:29,270 --> 00:56:27,240

their Fabrications

1201
00:56:34,010 --> 00:56:29,280
so something is not right that this man

1202
00:56:35,210 --> 00:56:34,020
is using a 19 story of a 1933 crash

1203
00:56:37,609 --> 00:56:35,220
retrieval

1204
00:56:39,650 --> 00:56:37,619
that has been largely discredited as a

1205
00:56:42,710 --> 00:56:39,660
hoax

1206
00:56:45,290 --> 00:56:42,720
next Ross cold third asked him about the

1207
00:56:48,710 --> 00:56:45,300
Roswell crash and he said he was not

1208
00:56:49,970 --> 00:56:48,720
approved to talk about Roswell

1209
00:56:51,470 --> 00:56:49,980
I don't know why but I find that

1210
00:56:54,650 --> 00:56:51,480
extremely interesting you can't talk

1211
00:56:57,230 --> 00:56:54,660
about something from 1947 I believe that

1212
00:56:59,089 --> 00:56:57,240
they Declassified project Mogul and all

1213
00:57:01,549 --> 00:56:59,099

that other stuff so nothing about

1214

00:57:06,109 --> 00:57:01,559

Roswell would be classified why can he

1215

00:57:08,870 --> 00:57:06,119

not talk about it right or oh the aliens

1216

00:57:10,670 --> 00:57:08,880

must be classified right

1217

00:57:13,609 --> 00:57:10,680

um

1218

00:57:15,650 --> 00:57:13,619

and apparently David Rush is using the

1219

00:57:18,109 --> 00:57:15,660

same talking points that Lou Elizondo

1220

00:57:20,049 --> 00:57:18,119

uses that there's no transparency in

1221

00:57:23,569 --> 00:57:20,059

this government effort to investigate

1222

00:57:25,790 --> 00:57:23,579

UFOs and they are only releasing a few

1223

00:57:29,150 --> 00:57:25,800

things not the really good stuff and

1224

00:57:31,670 --> 00:57:29,160

that many more videos are available

1225

00:57:33,230 --> 00:57:31,680

then David Crush talks about football

1226
00:57:35,690 --> 00:57:33,240
sized

1227
00:57:37,609 --> 00:57:35,700
football field size craft and there's a

1228
00:57:40,970 --> 00:57:37,619
separate news story of somebody claiming

1229
00:57:43,849 --> 00:57:40,980
that somebody saw a football-sized craft

1230
00:57:45,770 --> 00:57:43,859
this gets into you know football side

1231
00:57:47,990 --> 00:57:45,780
football field size craft how many times

1232
00:57:50,030 --> 00:57:48,000
have we heard that in the UFO community

1233
00:57:51,170 --> 00:57:50,040
where's the evidence where's the proof

1234
00:57:55,309 --> 00:57:51,180
right

1235
00:57:57,770 --> 00:57:55,319
next uh Mr grush gets into Dr Steven

1236
00:57:59,450 --> 00:57:57,780
Greer's talking points again that the

1237
00:58:01,490 --> 00:57:59,460
government is giving out stuff to

1238
00:58:04,250 --> 00:58:01,500

private corporate elements

1239

00:58:07,309 --> 00:58:04,260

and uh Mr Rush feels that it's unethical

1240

00:58:09,650 --> 00:58:07,319

to let private companies look at this

1241

00:58:10,970 --> 00:58:09,660

alien material and sell it back to the

1242

00:58:12,950 --> 00:58:10,980

government

1243

00:58:15,049 --> 00:58:12,960

what is the evidence that that there's

1244

00:58:17,329 --> 00:58:15,059

private companies looking at alien crash

1245

00:58:19,549 --> 00:58:17,339

retrieval material and selling it the

1246

00:58:22,130 --> 00:58:19,559

secrets of it back to the government now

1247

00:58:23,930 --> 00:58:22,140

people have long theorized that that's

1248

00:58:26,569 --> 00:58:23,940

what the government would do with it to

1249

00:58:28,609 --> 00:58:26,579

prevent people from foyering and finding

1250

00:58:30,829 --> 00:58:28,619

out what they're working on you give it

1251
00:58:32,690 --> 00:58:30,839
to a private contractor they're exempt

1252
00:58:35,030 --> 00:58:32,700
from foia

1253
00:58:37,329 --> 00:58:35,040
next we get into Kirkpatrick saying

1254
00:58:40,970 --> 00:58:37,339
there's no alien technology

1255
00:58:43,190 --> 00:58:40,980
uh and uh Mr grush disputes

1256
00:58:45,770 --> 00:58:43,200
Kirkpatrick's statement that there's no

1257
00:58:48,349 --> 00:58:45,780
alien technology

1258
00:58:50,450 --> 00:58:48,359
then we get into some really wild stuff

1259
00:58:53,809 --> 00:58:50,460
and this David grass says that he was

1260
00:58:57,289 --> 00:58:53,819
briefed that non-humans in these crafts

1261
00:58:59,569 --> 00:58:57,299
may have murdered human beings and Ross

1262
00:59:01,910 --> 00:58:59,579
coldhart sort of says or you're really

1263
00:59:06,370 --> 00:59:01,920

sure about this and he says that seems

1264

00:59:10,250 --> 00:59:06,380

to be the case so he is stating that

1265

00:59:12,770 --> 00:59:10,260

non-humans have murdered human beings

1266

00:59:17,210 --> 00:59:12,780

then gross talks about a sort of cold

1267

00:59:20,450 --> 00:59:17,220

war between Russia and um the former

1268

00:59:24,170 --> 00:59:20,460

Soviet Union Russia China and the United

1269

00:59:25,970 --> 00:59:24,180

States over these alien Technologies

1270

00:59:27,410 --> 00:59:25,980

next Ross culthart asks if there's

1271

00:59:28,730 --> 00:59:27,420

agreements between non-human

1272

00:59:31,130 --> 00:59:28,740

intelligences and the American

1273

00:59:33,170 --> 00:59:31,140

government and he says I'd like to know

1274

00:59:34,690 --> 00:59:33,180

that myself but he seems to imply that

1275

00:59:37,370 --> 00:59:34,700

it's true

1276

00:59:39,109 --> 00:59:37,380

then we get the same talking points that

1277

00:59:41,690 --> 00:59:39,119

the Russia and the United States could

1278

00:59:44,510 --> 00:59:41,700

get into a war or there could be nuclear

1279

00:59:46,490 --> 00:59:44,520

war over UAP incursions over both of our

1280

00:59:49,190 --> 00:59:46,500

airspace

1281

00:59:51,230 --> 00:59:49,200

Mr grush also asserts that he has seen

1282

00:59:54,410 --> 00:59:51,240

substantial supportive evidence of

1283

00:59:56,030 --> 00:59:54,420

white-collar crime then he was asked if

1284

00:59:57,890 --> 00:59:56,040

people were being murdered to protect

1285

01:00:01,329 --> 00:59:57,900

the UFO secret over the years and he

1286

01:00:04,250 --> 01:00:01,339

says yes that appears to be the case so

1287

01:00:05,990 --> 01:00:04,260

you know we're getting into the weeds

1288

01:00:08,410 --> 01:00:06,000

with some pretty incredible claims here

1289

01:00:11,870 --> 01:00:08,420

not only uh were

1290

01:00:15,950 --> 01:00:11,880

did aliens or non-human intelligences

1291

01:00:18,650 --> 01:00:15,960

murder Americans or or humans let's just

1292

01:00:21,109 --> 01:00:18,660

put it that way but people were also

1293

01:00:22,789 --> 01:00:21,119

murdered to protect the secrecy where

1294

01:00:24,430 --> 01:00:22,799

does this sound familiar to you this

1295

01:00:26,990 --> 01:00:24,440

sounds like one of Stephen Greer's

1296

01:00:28,549 --> 01:00:27,000

garbage science fiction spy novels

1297

01:00:31,370 --> 01:00:28,559

that's what I call Stephen Greer stories

1298

01:00:33,410 --> 01:00:31,380

there's science fiction UFO spy novels

1299

01:00:36,049 --> 01:00:33,420

right

1300

01:00:37,849 --> 01:00:36,059

uh Ross asked him if he's crazy and of

1301

01:00:39,890 --> 01:00:37,859

course no he doesn't have any history of

1302

01:00:41,390 --> 01:00:39,900

mental illness or delusions or or

1303

01:00:44,150 --> 01:00:41,400

whatever

1304

01:00:46,490 --> 01:00:44,160

um and I I found it interesting that Mr

1305

01:00:48,829 --> 01:00:46,500

grush said he resigned on his own accord

1306

01:00:50,930 --> 01:00:48,839

but there's some huge questions like why

1307

01:00:53,990 --> 01:00:50,940

would he resign just a few years from a

1308

01:00:55,910 --> 01:00:54,000

big pension payout retirement plan

1309

01:00:58,069 --> 01:00:55,920

he didn't do his 20. he would have to do

1310

01:01:00,289 --> 01:00:58,079

the 20. he didn't do the 20. there's

1311

01:01:02,750 --> 01:01:00,299

also some problems with his own timeline

1312

01:01:05,030 --> 01:01:02,760

because apparently he's making claims

1313

01:01:07,549 --> 01:01:05,040

like I was this for 14 years but there's

1314

01:01:10,609 --> 01:01:07,559

a lot of overlap and things that don't

1315

01:01:12,710 --> 01:01:10,619

make sense this will all need that he's

1316

01:01:15,950 --> 01:01:12,720

going to have to show an exact timeline

1317

01:01:18,589 --> 01:01:15,960

of his so-called career here

1318

01:01:20,270 --> 01:01:18,599

and again everybody's muddying the

1319

01:01:22,849 --> 01:01:20,280

waters

1320

01:01:25,430 --> 01:01:22,859

he says he's not making any of this up

1321

01:01:27,470 --> 01:01:25,440

people told him details about this stuff

1322

01:01:29,750 --> 01:01:27,480

and it all checked out

1323

01:01:32,150 --> 01:01:29,760

uh

1324

01:01:34,190 --> 01:01:32,160

we talked about how the credibility of

1325

01:01:36,410 --> 01:01:34,200

his complaint was found urgent and

1326

01:01:38,450 --> 01:01:36,420

credible Ross colethorp says his

1327

01:01:41,390 --> 01:01:38,460

allegations were found urgent and

1328

01:01:44,329 --> 01:01:41,400

credible I think to conflate

1329

01:01:46,910 --> 01:01:44,339

or to or to

1330

01:01:48,589 --> 01:01:46,920

mislead people into believing that the

1331

01:01:51,049 --> 01:01:48,599

intelligence Community Inspector General

1332

01:01:52,970 --> 01:01:51,059

found his claims of alien crash

1333

01:01:54,349 --> 01:01:52,980

retrievals and bodies

1334

01:01:57,470 --> 01:01:54,359

urgent and credible

1335

01:02:00,890 --> 01:01:57,480

uh I don't think that's the case

1336

01:02:03,289 --> 01:02:00,900

next Mr grush and Ross Kohler says that

1337

01:02:04,910 --> 01:02:03,299

this is a grave constitutional

1338

01:02:07,370 --> 01:02:04,920

crisis

1339

01:02:10,130 --> 01:02:07,380

uh and Mr grush says there's an army of

1340

01:02:11,750 --> 01:02:10,140

people who want change and then he says

1341

01:02:14,210 --> 01:02:11,760

something strange first he says there's

1342

01:02:16,670 --> 01:02:14,220

an army of people who want change then

1343

01:02:18,890 --> 01:02:16,680

he says tens if not hundreds of people

1344

01:02:21,289 --> 01:02:18,900

want change on this issue

1345

01:02:22,670 --> 01:02:21,299

well tens of people is not an army and

1346

01:02:25,910 --> 01:02:22,680

neither is hundreds so I thought that

1347

01:02:28,490 --> 01:02:25,920

was a strange word choice but okay

1348

01:02:30,650 --> 01:02:28,500

um he wants non-human intelligence

1349

01:02:33,470 --> 01:02:30,660

technology to be shared with everyone in

1350

01:02:35,390 --> 01:02:33,480

the world David Crush says this so that

1351

01:02:37,370 --> 01:02:35,400

everyone in the world can benefit this

1352

01:02:38,569 --> 01:02:37,380

again this is Dr Stephen Greer talking

1353

01:02:40,549 --> 01:02:38,579

point

1354

01:02:42,230 --> 01:02:40,559

next we hear that David grush is

1355

01:02:43,549 --> 01:02:42,240

starting a scientific foundation and

1356

01:02:45,829 --> 01:02:43,559

he's willing to speak to anyone in

1357

01:02:47,450 --> 01:02:45,839

Washington and he will brief elected

1358

01:02:49,130 --> 01:02:47,460

officials on the classified information

1359

01:02:51,349 --> 01:02:49,140

he has

1360

01:02:53,030 --> 01:02:51,359

uh so I'm hoping uh that some people

1361

01:02:55,490 --> 01:02:53,040

will take him up on that and and

1362

01:02:58,130 --> 01:02:55,500

eventually we might get to see if all he

1363

01:03:00,530 --> 01:02:58,140

has is garbage from Gary Nolan Eric

1364

01:03:02,150 --> 01:03:00,540

Davis kit green and all these other

1365

01:03:04,010 --> 01:03:02,160

people that have been banding about

1366

01:03:07,789 --> 01:03:04,020

these same exact stories for years

1367

01:03:10,309 --> 01:03:07,799

without ever providing evidence

1368

01:03:12,650 --> 01:03:10,319

next this interview closes with him

1369

01:03:15,470 --> 01:03:12,660

saying some strange things right like

1370

01:03:16,910 --> 01:03:15,480

that aliens allowed genocide war and

1371

01:03:20,569 --> 01:03:16,920

famine

1372

01:03:23,690 --> 01:03:20,579

somehow and that we may have uh some

1373

01:03:25,849 --> 01:03:23,700

sort of treaties with malevolent aliens

1374

01:03:28,190 --> 01:03:25,859

okay but again

1375

01:03:30,589 --> 01:03:28,200

the the claims have gotten more

1376

01:03:32,750 --> 01:03:30,599

fantastic have you noticed that since

1377

01:03:35,150 --> 01:03:32,760

this is leaking you know not leaking

1378

01:03:37,069 --> 01:03:35,160

this is finally being broadcasted out

1379

01:03:39,589 --> 01:03:37,079

we're getting

1380

01:03:41,870 --> 01:03:39,599

more and more Fantastical stories right

1381

01:03:43,010 --> 01:03:41,880

it started out with hey I was in

1382

01:03:48,410 --> 01:03:43,020

intelligence

1383

01:03:50,990 --> 01:03:48,420

member uh you know I started looking

1384

01:03:53,450 --> 01:03:51,000

into these things

1385

01:03:55,730 --> 01:03:53,460

and I was told by some very credible

1386

01:03:58,130 --> 01:03:55,740

people that we have alien crash

1387

01:04:00,349 --> 01:03:58,140

retrievals we even have bodies I mean

1388

01:04:02,750 --> 01:04:00,359

that's Fantastical enough but then you

1389

01:04:05,329 --> 01:04:02,760

get into the story and

1390

01:04:08,210 --> 01:04:05,339

now we've got aliens murdering human

1391

01:04:10,309 --> 01:04:08,220

beings now we've got people being

1392

01:04:13,490 --> 01:04:10,319

murdered to protect the secrets of those

1393

01:04:15,430 --> 01:04:13,500

alien bodies and crash retrievals and uh

1394

01:04:18,170 --> 01:04:15,440

and by the way this is not to say that

1395

01:04:20,089 --> 01:04:18,180

this is not true the government has done

1396

01:04:21,710 --> 01:04:20,099

some pretty shady stuff especially here

1397

01:04:23,809 --> 01:04:21,720

in the United States I don't know about

1398

01:04:26,750 --> 01:04:23,819

your government but I don't trust mine

1399

01:04:29,510 --> 01:04:26,760

one bit to not do things like murder

1400

01:04:33,109 --> 01:04:29,520

people if it's convenient for them to to

1401

01:04:34,010 --> 01:04:33,119

do so but a lot of people think that

1402

01:04:35,990 --> 01:04:34,020

this

1403

01:04:39,410 --> 01:04:36,000

the stories are getting more and more

1404

01:04:41,990 --> 01:04:39,420

grandiose and also the claim that the

1405

01:04:43,849 --> 01:04:42,000

first crash retrieval was this 1933

1406

01:04:45,530 --> 01:04:43,859

Italy case and by the way we're going to

1407

01:04:49,730 --> 01:04:45,540

bring you a whole I'm going to do a

1408

01:04:53,030 --> 01:04:49,740

whole video just on that 1933 UFO

1409

01:04:55,670 --> 01:04:53,040

supposed crash retrieval in Italy case

1410

01:04:59,410 --> 01:04:55,680

so that we can show you just how fake

1411

01:05:03,349 --> 01:04:59,420

this story that he's basing a lot of his

1412

01:05:06,410 --> 01:05:03,359

uh allegations on that story is

1413

01:05:08,690 --> 01:05:06,420

completely and totally fake so

1414

01:05:10,730 --> 01:05:08,700

in my opinion it's completely totally

1415

01:05:13,309 --> 01:05:10,740

fake I'll show you the everything about

1416

01:05:15,829 --> 01:05:13,319

that story and we'll let our viewers and

1417

01:05:19,190 --> 01:05:15,839

audience here decide so what we have

1418

01:05:20,270 --> 01:05:19,200

here is something very familiar to all

1419

01:05:23,089 --> 01:05:20,280

of us

1420

01:05:25,789 --> 01:05:23,099

we have over hyping

1421

01:05:28,670 --> 01:05:25,799

under delivering and we all know what

1422

01:05:29,450 --> 01:05:28,680

comes next right the big let damn comes

1423

01:05:33,410 --> 01:05:29,460

next

1424

01:05:35,870 --> 01:05:33,420

I believe that the big letdown will be

1425

01:05:37,789 --> 01:05:35,880

Smoking Gun evidence or proof that the

1426

01:05:39,530 --> 01:05:37,799

people feeding him these stories are

1427

01:05:42,109 --> 01:05:39,540

people that are already known to all of

1428

01:05:43,990 --> 01:05:42,119

us these are not new people that work in

1429

01:05:46,309 --> 01:05:44,000

special access projects or

1430

01:05:48,530 --> 01:05:46,319

unacknowledged special access projects

1431

01:05:52,309 --> 01:05:48,540

or projects we've never heard about

1432

01:05:54,530 --> 01:05:52,319

I truly believe that the people feeding

1433

01:05:57,410 --> 01:05:54,540

him all of this information are people

1434

01:05:59,930 --> 01:05:57,420

that we already know well

1435

01:06:03,589 --> 01:05:59,940

we already have heard these things from

1436

01:06:06,410 --> 01:06:03,599

for years and you really if that is the

1437

01:06:08,809 --> 01:06:06,420

case we have to ask ourselves if those

1438

01:06:11,089 --> 01:06:08,819

people telling those same stories for

1439

01:06:13,549 --> 01:06:11,099

literally years in some cases decades

1440

01:06:16,190 --> 01:06:13,559

have improving their claims back then

1441

01:06:18,530 --> 01:06:16,200

what's different now are they finally

1442

01:06:21,530 --> 01:06:18,540

going to have actual evidence of these

1443

01:06:23,210 --> 01:06:21,540

things or is this going to be I believe

1444

01:06:25,849 --> 01:06:23,220

that this is going to be kicking the can

1445

01:06:27,010 --> 01:06:25,859

also troubling is that this man is

1446

01:06:30,770 --> 01:06:27,020

starting

1447

01:06:32,750 --> 01:06:30,780

organizations to I think he claimed that

1448

01:06:34,010 --> 01:06:32,760

they were going to be non-profit

1449

01:06:38,089 --> 01:06:34,020

but

1450

01:06:40,430 --> 01:06:38,099

you know I I'm very uh apprehensive

1451

01:06:42,170 --> 01:06:40,440

about the fact that this guy quit his

1452

01:06:44,630 --> 01:06:42,180

job with the government so that he could

1453

01:06:47,450 --> 01:06:44,640

be he said in another interview he wants

1454

01:06:49,670 --> 01:06:47,460

to be a thought leader on this topic

1455

01:06:53,150 --> 01:06:49,680

well that means speaking at UFO

1456

01:06:55,430 --> 01:06:53,160

conferences that means uh maybe teaching

1457

01:06:57,109 --> 01:06:55,440

courses or you know get a paywall going

1458

01:06:58,609 --> 01:06:57,119

and you can get behind my paywall I'll

1459

01:07:01,490 --> 01:06:58,619

tell you a little extra tell you a

1460

01:07:03,829 --> 01:07:01,500

little more than I said publicly you

1461

01:07:06,170 --> 01:07:03,839

know I think that this guy is going to

1462

01:07:08,870 --> 01:07:06,180

milk this thing for every dollar he can

1463

01:07:11,750 --> 01:07:08,880

that's my opinion and I'm entitled to it

1464

01:07:13,309 --> 01:07:11,760

and by the way all of the UFO Community

1465

01:07:15,710 --> 01:07:13,319

is going to milk do you know how many

1466

01:07:19,789 --> 01:07:15,720

even me uh we have to be in full

1467

01:07:22,849 --> 01:07:19,799

transparency everybody in into UFOs is

1468

01:07:25,069 --> 01:07:22,859

making money off this story right we've

1469

01:07:27,529 --> 01:07:25,079

got people literally stealing people's

1470

01:07:29,270 --> 01:07:27,539

broadcasts and collecting super chats

1471

01:07:32,569 --> 01:07:29,280

while they're stealing people's

1472

01:07:35,150 --> 01:07:32,579

broadcasts we've got the debrief uh

1473

01:07:38,270 --> 01:07:35,160

doing videos we've got that Paragon of

1474

01:07:41,329 --> 01:07:38,280

journalistic integrity and virtue

1475

01:07:43,309 --> 01:07:41,339

um Chrissy Newton from the deep breath

1476

01:07:44,809 --> 01:07:43,319

yeah I thought the whole story was fake

1477

01:07:47,210 --> 01:07:44,819

but once she got involved I thought oh

1478

01:07:49,730 --> 01:07:47,220

maybe this is a true story no that girl

1479

01:07:52,130 --> 01:07:49,740

helps Rift herself fake stories that's

1480

01:07:55,190 --> 01:07:52,140

what her history is that's what that

1481

01:07:58,010 --> 01:07:55,200

girl does next despite my personal

1482

01:08:01,190 --> 01:07:58,020

feelings really I I have to say this I

1483

01:08:03,230 --> 01:08:01,200

really like Whitley strieber as a person

1484

01:08:05,690 --> 01:08:03,240

doing interviews with Leslie Keane and

1485

01:08:08,089 --> 01:08:05,700

Blumenthal and making money everybody's

1486

01:08:09,529 --> 01:08:08,099

making money off of this story

1487

01:08:12,170 --> 01:08:09,539

and

1488

01:08:14,089 --> 01:08:12,180

when we think about all of these people

1489

01:08:16,970 --> 01:08:14,099

there's there's got to be hundreds of

1490

01:08:20,930 --> 01:08:16,980

people maybe thousands of people let's

1491

01:08:22,610 --> 01:08:20,940

be clear all those cut and paste media

1492

01:08:25,070 --> 01:08:22,620

Outlets to just copied the story from

1493

01:08:28,130 --> 01:08:25,080

the debrief or making money all these

1494

01:08:32,329 --> 01:08:28,140

UFO shows UFO podcasts UFO live

1495

01:08:36,829 --> 01:08:32,339

disclosure tomorrow uh disclosure next

1496

01:08:40,610 --> 01:08:36,839

week disclosure soon uh the true

1497

01:08:42,590 --> 01:08:40,620

disclosure all of these shows are all

1498

01:08:45,530 --> 01:08:42,600

talking about this for a full long week

1499

01:08:48,289 --> 01:08:45,540

everybody's making money and nobody's

1500

01:08:50,570 --> 01:08:48,299

seen any evidence yet does does this

1501

01:08:54,590 --> 01:08:50,580

seem a little strange to anybody else

1502

01:08:56,510 --> 01:08:54,600

right and the sliminess of all of this

1503

01:08:58,130 --> 01:08:56,520

and by the way

1504

01:09:00,829 --> 01:08:58,140

um tomorrow we're going to be bringing

1505

01:09:04,970 --> 01:09:00,839

you more information on Dr Steven

1506

01:09:06,590 --> 01:09:04,980

Greer's big nothing Burger apparently we

1507

01:09:09,410 --> 01:09:06,600

have reached the age of the nothing

1508

01:09:12,530 --> 01:09:09,420

Burger whistleblowers right oh over High

1509

01:09:15,410 --> 01:09:12,540

let's hype this at the Wazoo Greer has

1510

01:09:18,050 --> 01:09:15,420

been hyping this big disclosure event as

1511

01:09:21,410 --> 01:09:18,060

the biggest UFO disclosure event in

1512

01:09:24,309 --> 01:09:21,420

history and a historic disclosure event

1513

01:09:27,530 --> 01:09:24,319

he even wrote that on the podium

1514

01:09:30,289 --> 01:09:27,540

historic disclosure event is written on

1515

01:09:32,090 --> 01:09:30,299

the goddamn Podium that people that is

1516

01:09:35,209 --> 01:09:32,100

fake whistleblowers are getting up and

1517

01:09:38,289 --> 01:09:35,219

telling their fairy tales at and by the

1518

01:09:41,749 --> 01:09:38,299

way some of the Slime balls that stole

1519

01:09:44,510 --> 01:09:41,759

that broadcast and illegally collected

1520

01:09:46,729 --> 01:09:44,520

super chats while rebroadcasting it and

1521

01:09:50,209 --> 01:09:46,739

they didn't own it they're some of the

1522

01:09:52,070 --> 01:09:50,219

people hyping Greer's so-called historic

1523

01:09:55,610 --> 01:09:52,080

disclosure event

1524

01:09:59,390 --> 01:09:55,620

I am completely and totally disgusted

1525

01:10:01,669 --> 01:09:59,400

with this entire subject I like I want

1526
01:10:04,189 --> 01:10:01,679
to just check out and say you know look

1527
01:10:06,110 --> 01:10:04,199
here's what I'll do instead of wasting

1528
01:10:09,229 --> 01:10:06,120
all this time investigating all this

1529
01:10:12,650 --> 01:10:09,239
garbage I'll go play video games and

1530
01:10:15,050 --> 01:10:12,660
somebody can call me when some goddamn

1531
01:10:17,209 --> 01:10:15,060
evidence comes our way but I don't want

1532
01:10:19,790 --> 01:10:17,219
to hear more stories I don't want to

1533
01:10:21,950 --> 01:10:19,800
hear credible I have credible sources

1534
01:10:24,590 --> 01:10:21,960
that told me I don't want to hear

1535
01:10:27,169 --> 01:10:24,600
something's classified if you're gonna

1536
01:10:29,330 --> 01:10:27,179
stand there in front of cameras and tell

1537
01:10:31,550 --> 01:10:29,340
everybody that we have alien crash

1538
01:10:33,950 --> 01:10:31,560

retrievals and bodies you better have

1539

01:10:37,370 --> 01:10:33,960

some goddamn evidence and nobody does

1540

01:10:39,410 --> 01:10:37,380

it's like let's just play pretend right

1541

01:10:41,750 --> 01:10:39,420

yeah let's just all pretend this is true

1542

01:10:43,790 --> 01:10:41,760

and this is real and we can live in this

1543

01:10:46,970 --> 01:10:43,800

delusional fantasy world where

1544

01:10:49,910 --> 01:10:46,980

disclosures come in any day now and all

1545

01:10:52,550 --> 01:10:49,920

of these people making money are making

1546

01:10:54,470 --> 01:10:52,560

all of these people chase the carrot and

1547

01:10:57,290 --> 01:10:54,480

they keep kicking

1548

01:10:59,090 --> 01:10:57,300

that can down the road no we're we're

1549

01:11:01,430 --> 01:10:59,100

gonna get evidence now this guy's

1550

01:11:03,890 --> 01:11:01,440

different this guy's not full of [h__\h]

1551

01:11:05,990 --> 01:11:03,900

this guy's the real deal

1552

01:11:09,070 --> 01:11:06,000

it's not the first time that somebody

1553

01:11:11,390 --> 01:11:09,080

with big military and intelligence

1554

01:11:13,850 --> 01:11:11,400

credentials came out with stories of

1555

01:11:16,550 --> 01:11:13,860

aliens and then proved none of it this

1556

01:11:19,189 --> 01:11:16,560

has all happened before and it's all

1557

01:11:20,149 --> 01:11:19,199

gonna happen again and this is where

1558

01:11:24,410 --> 01:11:20,159

we're at

1559

01:11:28,250 --> 01:11:24,420

and this is where we find ourselves so I

1560

01:11:31,310 --> 01:11:28,260

uh would like to spend some time here uh

1561

01:11:33,229 --> 01:11:31,320

with the live chat and we're gonna I'm

1562

01:11:36,410 --> 01:11:33,239

gonna take your comments and your

1563

01:11:38,810 --> 01:11:36,420

questions and uh I want to thank all of

1564

01:11:40,850 --> 01:11:38,820

you for being here you know we may only

1565

01:11:44,330 --> 01:11:40,860

get a couple hundred live viewers but we

1566

01:11:48,110 --> 01:11:44,340

didn't do anything illegal to screw the

1567

01:11:50,450 --> 01:11:48,120

people who own things out of money like

1568

01:11:52,490 --> 01:11:50,460

I can't even believe that happened like

1569

01:11:56,750 --> 01:11:52,500

if that if those people don't

1570

01:12:00,110 --> 01:11:56,760

immediately send every dime they made to

1571

01:12:02,990 --> 01:12:00,120

Ross Cole Thornton news Nation then that

1572

01:12:04,790 --> 01:12:03,000

shows you that not only are they Liars

1573

01:12:07,669 --> 01:12:04,800

they're thieves

1574

01:12:09,950 --> 01:12:07,679

so congratulations you people rewarding

1575

01:12:11,990 --> 01:12:09,960

a literal thief and I heard these

1576

01:12:14,390 --> 01:12:12,000

excuses like no this is the

1577

01:12:16,910 --> 01:12:14,400

earth-shaking human this is a big deal

1578

01:12:19,130 --> 01:12:16,920

in the history of humanity copyrights

1579

01:12:21,530 --> 01:12:19,140

don't matter yeah tell it to the judge

1580

01:12:23,990 --> 01:12:21,540

Dude tell it to the judge and by the way

1581

01:12:25,910 --> 01:12:24,000

there better be some goddamn

1582

01:12:27,890 --> 01:12:25,920

consequences for these people who

1583

01:12:30,890 --> 01:12:27,900

illegally rebroadcast this interview

1584

01:12:31,850 --> 01:12:30,900

that they didn't own had no rights to

1585

01:12:33,709 --> 01:12:31,860

own

1586

01:12:35,689 --> 01:12:33,719

at the very least you get a hard strike

1587

01:12:37,550 --> 01:12:35,699

on your channel and I think that lasts

1588

01:12:40,010 --> 01:12:37,560

six months right

1589

01:12:42,110 --> 01:12:40,020

at the very very least

1590

01:12:44,570 --> 01:12:42,120

and I think that they keep the money

1591

01:12:46,430 --> 01:12:44,580

that you made I don't think YouTube is

1592

01:12:48,850 --> 01:12:46,440

letting you keep those super chats that

1593

01:12:52,250 --> 01:12:48,860

you collected while you were illegally

1594

01:12:54,350 --> 01:12:52,260

rebroadcasting something you don't own

1595

01:12:55,970 --> 01:12:54,360

but it is what it is

1596

01:12:57,950 --> 01:12:55,980

so

1597

01:13:00,590 --> 01:12:57,960

um I want to take a moment to remind you

1598

01:13:02,750 --> 01:13:00,600

that we like others are a viewer

1599

01:13:05,149 --> 01:13:02,760

supported show but we don't do the Slime

1600

01:13:07,130 --> 01:13:05,159

Bowl stuff like you know stealing other

1601

01:13:10,070 --> 01:13:07,140

people's broadcasts in order to get

1602

01:13:12,050 --> 01:13:10,080

views and I think it's incredibly funny

1603

01:13:15,169 --> 01:13:12,060

that it's the same people who do the

1604

01:13:17,930 --> 01:13:15,179

click bait UFO circle jerk or work for

1605

01:13:20,810 --> 01:13:17,940

the biggest scammers in this thing that

1606

01:13:23,689 --> 01:13:20,820

also did this rebroadcast thievery

1607

01:13:26,030 --> 01:13:23,699

tonight right it's like the the slime

1608

01:13:28,250 --> 01:13:26,040

ball that you would expect to do it did

1609

01:13:30,470 --> 01:13:28,260

it right

1610

01:13:32,570 --> 01:13:30,480

and uh you know I talked about this

1611

01:13:35,330 --> 01:13:32,580

Level Playing Field that's all I want if

1612

01:13:37,310 --> 01:13:35,340

I can't steal other people's copyrighted

1613

01:13:39,470 --> 01:13:37,320

broadcasts and collect super chats

1614

01:13:43,130 --> 01:13:39,480

during it then nobody should be allowed

1615

01:13:45,890 --> 01:13:43,140

to do that and I'm so disgusted by this

1616

01:13:48,649 --> 01:13:45,900

thing that I'm I'm contacting YouTube

1617

01:13:51,709 --> 01:13:48,659

for the first time ever and I want to

1618

01:13:53,209 --> 01:13:51,719

know from YouTube why is that person

1619

01:13:56,689 --> 01:13:53,219

allowed to do that

1620

01:13:59,630 --> 01:13:56,699

that's literally illegal YouTube cannot

1621

01:14:00,770 --> 01:13:59,640

allow them to do illegal things on their

1622

01:14:02,689 --> 01:14:00,780

platform

1623

01:14:04,729 --> 01:14:02,699

there's going to be some consequences to

1624

01:14:08,209 --> 01:14:04,739

this situation

1625

01:14:10,010 --> 01:14:08,219

so uh I do want to remind you

1626

01:14:12,350 --> 01:14:10,020

that there are some people doing this

1627

01:14:13,910 --> 01:14:12,360

the right way by the way there was a

1628

01:14:15,229 --> 01:14:13,920

discussion afterwards and I didn't get

1629

01:14:17,630 --> 01:14:15,239

to see the whole thing because I had to

1630

01:14:20,149 --> 01:14:17,640

prepare for this show but Mick West was

1631

01:14:23,570 --> 01:14:20,159

on a panel with Ross colthar and brought

1632

01:14:26,149 --> 01:14:23,580

it to him broke down why the story is

1633

01:14:28,130 --> 01:14:26,159

likely fake and Ross was sitting there

1634

01:14:30,350 --> 01:14:28,140

looking like a deer in headlights right

1635

01:14:33,169 --> 01:14:30,360

like he just met his match

1636

01:14:35,810 --> 01:14:33,179

uh so kudos to Mick West I want to thank

1637

01:14:37,669 --> 01:14:35,820

him for even getting on that panel but

1638

01:14:41,990 --> 01:14:37,679

of course it was like three against one

1639

01:14:44,450 --> 01:14:42,000

it was like three people hoping praying

1640

01:14:46,010 --> 01:14:44,460

really wanting the story to be true and

1641

01:14:49,189 --> 01:14:46,020

Midwest there trying to bring everybody

1642

01:14:51,470 --> 01:14:49,199

back to actual reality right

1643

01:14:53,689 --> 01:14:51,480

but it is what it is

1644

01:14:55,790 --> 01:14:53,699

so there are a handful of people doing

1645

01:14:57,350 --> 01:14:55,800

the right thing Stephen green Street's

1646

01:15:00,229 --> 01:14:57,360

going nuts right now showing everybody

1647

01:15:03,169 --> 01:15:00,239

the truth of the last huge big deception

1648

01:15:06,530 --> 01:15:03,179

from all these same people that are

1649

01:15:10,669 --> 01:15:06,540

pushing this Dave grush guy and don't be

1650

01:15:13,610 --> 01:15:10,679

surprised if after uh some time passes

1651

01:15:15,590 --> 01:15:13,620

I'd say give it a year Lou Elizondo and

1652

01:15:18,229 --> 01:15:15,600

this guy will be speaking at the same

1653

01:15:20,450 --> 01:15:18,239

UFO conferences I guarantee it I

1654

01:15:23,390 --> 01:15:20,460

guarantee that's going to happen and

1655

01:15:25,850 --> 01:15:23,400

Gary Nolan too will be there and some of

1656

01:15:28,430 --> 01:15:25,860

these other people right that we've all

1657

01:15:30,350 --> 01:15:28,440

come accustomed to get our UFO fairy

1658

01:15:32,810 --> 01:15:30,360

tales from

1659

01:15:35,810 --> 01:15:32,820

um and I gotta tell you I am so

1660

01:15:39,169 --> 01:15:35,820

disgusted with the Despicable slime ball

1661

01:15:41,030 --> 01:15:39,179

scumbag people involved in this that I

1662

01:15:43,970 --> 01:15:41,040

don't even want to be here I don't want

1663

01:15:45,830 --> 01:15:43,980

to be here it's like I can count the

1664

01:15:48,890 --> 01:15:45,840

credible people involved in this thing

1665

01:15:50,750 --> 01:15:48,900

on one hand I can count the credible

1666

01:15:53,570 --> 01:15:50,760

shows

1667

01:15:57,290 --> 01:15:53,580

that are reporting on these things on

1668

01:15:59,209 --> 01:15:57,300

one hand and all of us I and by the way

1669

01:16:02,810 --> 01:15:59,219

I would include us in those credible

1670

01:16:05,149 --> 01:16:02,820

people those few credible honest moral

1671

01:16:07,010 --> 01:16:05,159

ethical people who you know aren't

1672

01:16:09,890 --> 01:16:07,020

stealing other people's work and

1673

01:16:12,050 --> 01:16:09,900

collecting money while they literally

1674

01:16:15,229 --> 01:16:12,060

collected money while they were running

1675

01:16:16,490 --> 01:16:15,239

a pirate broadcast of somebody else's

1676

01:16:19,370 --> 01:16:16,500

[h__\h] today

1677

01:16:21,709 --> 01:16:19,380

this is the kind of slime balls that I'm

1678

01:16:24,110 --> 01:16:21,719

supposed to be here with and compete and

1679

01:16:26,270 --> 01:16:24,120

it completely and totally disgusts me

1680

01:16:28,490 --> 01:16:26,280

and it makes me say I don't want to I

1681

01:16:30,350 --> 01:16:28,500

don't want to be here this and the lack

1682

01:16:32,450 --> 01:16:30,360

of total evidence like how many how many

1683

01:16:33,709 --> 01:16:32,460

how much deeper do I need to really go

1684

01:16:35,270 --> 01:16:33,719

down the rabbit hole before I've

1685

01:16:37,550 --> 01:16:35,280

convinced myself that none of these

1686

01:16:39,410 --> 01:16:37,560

people that make these claims ever come

1687

01:16:41,390 --> 01:16:39,420

through with the evidence how many times

1688

01:16:43,570 --> 01:16:41,400

you know it's like Lucy in the ball

1689

01:16:46,550 --> 01:16:43,580

right it's like

1690

01:16:48,169 --> 01:16:46,560

Peanuts Charlie Brown how many times

1691

01:16:49,910 --> 01:16:48,179

does that football get pulled away from

1692

01:16:51,530 --> 01:16:49,920

Charlie Brown but he keeps showing up to

1693

01:16:54,290 --> 01:16:51,540

kick it right

1694

01:16:56,090 --> 01:16:54,300

that's where we're at it's absolutely

1695

01:16:58,310 --> 01:16:56,100

ridiculous

1696

01:17:00,649 --> 01:16:58,320

all right uh we want to thank Sandra

1697

01:17:02,990 --> 01:17:00,659

McConnell uh for Kylie Jenner's two

1698

01:17:04,669 --> 01:17:03,000

dollars Australian and for being a

1699

01:17:07,010 --> 01:17:04,679

member we thank you for your kindness

1700

01:17:09,770 --> 01:17:07,020

generosity and support I am going to

1701

01:17:11,630 --> 01:17:09,780

check in uh one moment

1702

01:17:14,450 --> 01:17:11,640

I'm going to check in with the super

1703

01:17:19,970 --> 01:17:17,510

yeah and by the way I'm aware that some

1704

01:17:23,510 --> 01:17:19,980

people rebroadcast it

1705

01:17:25,970 --> 01:17:23,520

uh and did commentary over it I'm not

1706

01:17:28,669 --> 01:17:25,980

speaking about those people

1707

01:17:31,610 --> 01:17:28,679

uh so

1708

01:17:34,370 --> 01:17:31,620

uh you know I I thought I was very clear

1709

01:17:36,649 --> 01:17:34,380

but I'll reach out to that person

1710

01:17:38,450 --> 01:17:36,659

uh who sent me a message and no I'm not

1711

01:17:40,790 --> 01:17:38,460

upset with them I'm upset with the

1712

01:17:46,990 --> 01:17:40,800

people who just played it in real time

1713

01:17:52,910 --> 01:17:50,570

Mick West is saying

1714

01:17:55,729 --> 01:17:52,920

okay so who is contacting the Vatican

1715

01:17:58,189 --> 01:17:55,739

press office to ask about how they with

1716

01:18:03,830 --> 01:17:58,199

the Pope directly involved help the U.S

1717

01:18:10,070 --> 01:18:07,010

there are many things in this in this

1718

01:18:15,709 --> 01:18:10,080

interview which can be

1719

01:18:17,689 --> 01:18:15,719

can verifiably be verified right

1720

01:18:23,450 --> 01:18:17,699

uh one second we're going to check in

1721

01:18:28,250 --> 01:18:25,790

one second I just want to make sure we

1722

01:18:30,050 --> 01:18:28,260

didn't miss any while I was ranting and

1723

01:18:31,850 --> 01:18:30,060

I've done my very best not to yell and

1724

01:18:35,030 --> 01:18:31,860

scream today I got to tell you that I'm

1725

01:18:37,970 --> 01:18:35,040

pissed I am so pissed right like you

1726

01:18:40,010 --> 01:18:37,980

know uh it's just ridiculous that I have

1727

01:18:41,510 --> 01:18:40,020

to compete with just slime balls that

1728

01:18:43,370 --> 01:18:41,520

are willing to literally break the law

1729

01:18:45,770 --> 01:18:43,380

like oh I'll just do something

1730

01:18:47,890 --> 01:18:45,780

completely and totally illegal while I'm

1731

01:18:50,870 --> 01:18:47,900

collecting the money

1732

01:18:52,729 --> 01:18:50,880

uh and broadcasting something I have no

1733

01:18:54,709 --> 01:18:52,739

right to broadcast while I'm collecting

1734

01:18:57,410 --> 01:18:54,719

money I just can't believe that this

1735

01:18:58,130 --> 01:18:57,420

stuff happens amazing

1736

01:19:00,470 --> 01:18:58,140

um

1737

01:19:01,850 --> 01:19:00,480

and it seems like some people have no no

1738

01:19:05,930 --> 01:19:01,860

consequences

1739

01:19:11,330 --> 01:19:08,750

all right we only missed a couple so uh

1740

01:19:12,709 --> 01:19:11,340

we mentioned Sandra McDonald I want to

1741

01:19:15,709 --> 01:19:12,719

thank Larry love for kind of General

1742

01:19:18,169 --> 01:19:15,719

Dollar 99 says don't think he's lying

1743

01:19:20,570 --> 01:19:18,179

but he's been lied to yeah that's a good

1744

01:19:22,729 --> 01:19:20,580

point I feel very sorry for this guy

1745

01:19:26,570 --> 01:19:22,739

I think they manipulated this poor guy

1746

01:19:30,470 --> 01:19:28,250

showed him enough stuff that eventually

1747

01:19:32,330 --> 01:19:30,480

convinced him that this is all real and

1748

01:19:35,270 --> 01:19:32,340

now he just destroyed his life over this

1749

01:19:36,830 --> 01:19:35,280

he quit his job over this right would he

1750

01:19:41,450 --> 01:19:36,840

have quit his job if not for these guys

1751

01:19:47,209 --> 01:19:44,090

thoughts on and then we want to thank uh

1752

01:19:50,090 --> 01:19:47,219

kinetic Knightly for thoughts on Frank

1753

01:19:51,350 --> 01:19:50,100

kimbler's fragments from Roswell uh and

1754

01:19:53,689 --> 01:19:51,360

we want to thank you for the kindly

1755

01:19:56,209 --> 01:19:53,699

generous two pounds uh yeah I want to

1756

01:19:58,130 --> 01:19:56,219

thank you uh we have a show that I'm

1757

01:20:01,490 --> 01:19:58,140

going to be doing if not this week

1758

01:20:02,870 --> 01:20:01,500

coming next week on UFO crash retrievals

1759

01:20:03,550 --> 01:20:02,880

and

1760

01:20:07,250 --> 01:20:03,560

um

1761

01:20:08,990 --> 01:20:07,260

alleged fragments from different UFO

1762

01:20:12,709 --> 01:20:09,000

crashes and we're going to be going over

1763

01:20:15,890 --> 01:20:12,719

all of that on that show so we thank you

1764

01:20:17,870 --> 01:20:15,900

uh kinetic uh knightily for your for

1765

01:20:19,669 --> 01:20:17,880

your kindness generosity and support but

1766

01:20:21,470 --> 01:20:19,679

if it's all the same to you I don't want

1767

01:20:24,169 --> 01:20:21,480

to misspeak and I don't have my notes

1768

01:20:26,510 --> 01:20:24,179

and material for that

1769

01:20:30,229 --> 01:20:26,520

um for those subject matters and we try

1770

01:20:32,630 --> 01:20:30,239

to be as accurate as possible so

1771

01:20:34,490 --> 01:20:32,640

um yeah

1772

01:21:03,480 --> 01:20:34,500

um I'm one second here

1773

01:21:03,490 --> 01:21:19,910

[Music]

1774

01:21:19,920 --> 01:21:24,770

thank you

1775

01:21:28,729 --> 01:21:27,050

all right so uh we're going to take some

1776

01:21:31,070 --> 01:21:28,739

comments and questions from the live

1777

01:21:33,290 --> 01:21:31,080

chat

1778

01:21:34,490 --> 01:21:33,300

some people can't see their Super Chat

1779

01:21:36,229 --> 01:21:34,500

option

1780

01:21:38,330 --> 01:21:36,239

um I'm not quite sure why that would be

1781

01:21:41,270 --> 01:21:38,340

there's a little money button down there

1782

01:21:42,470 --> 01:21:41,280

in the one second let me go over to the

1783

01:21:44,930 --> 01:21:42,480

video it's been a while since I've

1784

01:21:46,729 --> 01:21:44,940

watched from the YouTube site

1785

01:21:48,530 --> 01:21:46,739

um but I believe right right down there

1786

01:21:51,410 --> 01:21:48,540

where you uh

1787

01:21:51,420 --> 01:21:55,130

yeah

1788

01:21:59,270 --> 01:21:57,649

in the middle the middle button is a

1789

01:22:01,550 --> 01:21:59,280

money button you'll see it just looks

1790

01:22:04,250 --> 01:22:01,560

like a dollar sign you just click that

1791

01:22:05,990 --> 01:22:04,260

you might have to sign up one time only

1792

01:22:08,270 --> 01:22:06,000

you have to put your card into YouTube

1793

01:22:11,209 --> 01:22:08,280

in order to be able to do that but

1794

01:22:13,070 --> 01:22:11,219

everybody should be able to send a Super

1795

01:22:25,689 --> 01:22:13,080

Chat should they choose to

1796

01:22:30,610 --> 01:22:28,189

okay does any here remember Big Trouble

1797

01:22:34,490 --> 01:22:30,620

in Little China

1798

01:22:36,229 --> 01:22:34,500

I don't know yeah I I didn't name who's

1799

01:22:38,630 --> 01:22:36,239

doing that because honestly there's

1800

01:22:40,550 --> 01:22:38,640

multiple people doing it they're all

1801
01:22:42,770 --> 01:22:40,560
wrong to do it and no matter what

1802
01:22:44,689 --> 01:22:42,780
excuses people give you for stealing

1803
01:22:46,850 --> 01:22:44,699
other people's copyrighted work that

1804
01:22:49,010 --> 01:22:46,860
they have no right to it's completely

1805
01:22:51,050 --> 01:22:49,020
and totally illegal to do that don't let

1806
01:22:54,169 --> 01:22:51,060
them tell you it's free speech

1807
01:22:56,649 --> 01:22:54,179
views unless they were talking over it

1808
01:23:00,169 --> 01:22:56,659
I'm fine with commentary and fair use

1809
01:23:02,630 --> 01:23:00,179
but I am not fine with somebody just

1810
01:23:05,090 --> 01:23:02,640
rebroadcasting an hour broadcast that

1811
01:23:07,310 --> 01:23:05,100
they don't own and collecting money the

1812
01:23:09,709 --> 01:23:07,320
whole time they're doing it Ross

1813
01:23:11,990 --> 01:23:09,719

coldhart has the right to do that news

1814

01:23:13,970 --> 01:23:12,000

nation has the right to do that they own

1815

01:23:15,590 --> 01:23:13,980

I don't think Ross coldthart has the

1816

01:23:18,350 --> 01:23:15,600

right to do it news nation has the right

1817

01:23:20,450 --> 01:23:18,360

to broadcast that on YouTube and collect

1818

01:23:23,450 --> 01:23:20,460

money while they're doing it they own

1819

01:23:25,610 --> 01:23:23,460

the material and by the way whoever did

1820

01:23:28,250 --> 01:23:25,620

that is completely and totally directly

1821

01:23:32,450 --> 01:23:28,260

stealing money out of the pockets of

1822

01:23:34,910 --> 01:23:32,460

people who own the story it's wrong it's

1823

01:23:37,910 --> 01:23:34,920

morally wrong it's ethically wrong and

1824

01:23:39,830 --> 01:23:37,920

it's legally wrong and it's completely

1825

01:23:42,590 --> 01:23:39,840

and totally against YouTube terms of

1826
01:23:44,390 --> 01:23:42,600
service and these sumbitches better get

1827
01:23:46,790 --> 01:23:44,400
a strike they all better get a strike

1828
01:23:49,070 --> 01:23:46,800
for doing that and they better learn the

1829
01:23:50,689 --> 01:23:49,080
lesson and not do it again if they don't

1830
01:23:52,370 --> 01:23:50,699
get a strike they're going to steal from

1831
01:23:56,030 --> 01:23:52,380
somebody else next time there's a big

1832
01:24:01,370 --> 01:23:57,729
foreign

1833
01:24:03,950 --> 01:24:01,380
says never crossed the Stream

1834
01:24:07,310 --> 01:24:03,960
people restream the restream live yeah

1835
01:24:09,229 --> 01:24:07,320
people took the feed and just played it

1836
01:24:11,810 --> 01:24:09,239
without commentary

1837
01:24:13,430 --> 01:24:11,820
uh peeps can send PayPal instead yeah

1838
01:24:16,550 --> 01:24:13,440

there's instructions for how to send a

1839

01:24:18,590 --> 01:24:16,560

Paypal in the in the description of the

1840

01:24:19,850 --> 01:24:18,600

video and that reminds me we're going to

1841

01:24:21,709 --> 01:24:19,860

take comments and questions from the

1842

01:24:23,270 --> 01:24:21,719

live chat so get your comments and

1843

01:24:25,370 --> 01:24:23,280

questions ready please put them in all

1844

01:24:29,209 --> 01:24:25,380

capital letters in the meantime here's

1845

01:24:30,890 --> 01:24:29,219

Mr Ian uh who will be letting you know

1846

01:24:34,310 --> 01:24:30,900

how you can support a show who doesn't

1847

01:24:46,990 --> 01:24:34,320

do illegal slimy scumbag things right

1848

01:24:53,450 --> 01:24:49,970

truth Seekers is a viewer supported show

1849

01:24:55,790 --> 01:24:53,460

wonderful people like you who enjoy show

1850

01:24:59,330 --> 01:24:55,800

sent pledges in the form of Super Chat

1851
01:25:01,910 --> 01:24:59,340
super stickers super thanks PayPal or

1852
01:25:04,910 --> 01:25:01,920
cash out instructions for how to help

1853
01:25:07,610 --> 01:25:04,920
are in the description

1854
01:25:09,770 --> 01:25:07,620
so join our patreon and for as little as

1855
01:25:12,770 --> 01:25:09,780
one dollar a month you can get extra

1856
01:25:15,530 --> 01:25:12,780
content patreon supporters get a

1857
01:25:17,149 --> 01:25:15,540
backstage pass Early Access to all our

1858
01:25:19,729 --> 01:25:17,159
production videos before they are

1859
01:25:22,430 --> 01:25:19,739
distributed publicly Stephen campion's

1860
01:25:25,729 --> 01:25:22,440
music private writings a monthly show

1861
01:25:27,770 --> 01:25:25,739
journal and more you can also become a

1862
01:25:30,470 --> 01:25:27,780
YouTube channel member for five dollars

1863
01:25:33,229 --> 01:25:30,480

a month a YouTube membership includes

1864

01:25:36,169 --> 01:25:33,239

all the patreon benefits plus as special

1865

01:25:38,990 --> 01:25:36,179

members badge priority reply to video

1866

01:25:42,110 --> 01:25:39,000

comments and the live chat plus a

1867

01:25:45,169 --> 01:25:42,120

monthly Members Only video we thank you

1868

01:25:48,530 --> 01:25:45,179

all kind and generous benefactors for

1869

01:25:54,229 --> 01:25:48,540

supporting truth Seekers thank you for

1870

01:25:54,239 --> 01:26:02,780

thank you

1871

01:26:28,149 --> 01:26:05,930

[Music]

1872

01:26:32,570 --> 01:26:31,070

casts and show your support

1873

01:26:34,250 --> 01:26:32,580

please be sure and check out our

1874

01:26:36,470 --> 01:26:34,260

merchandise store

1875

01:26:38,750 --> 01:26:36,480

links to our two merchandise online

1876

01:26:41,870 --> 01:26:38,760

stores are in the links to this video or

1877

01:26:45,229 --> 01:26:41,880

podcast the Amazon storefront ships

1878

01:26:48,649 --> 01:26:45,239

super quickly in the United States great

1879

01:26:50,750 --> 01:26:48,659

more places Amazon may not ship to your

1880

01:26:53,090 --> 01:26:50,760

country or location if that's the case

1881

01:26:55,310 --> 01:26:53,100

hit our second merchandise Link in the

1882

01:26:56,510 --> 01:26:55,320

description and visit our rap battles

1883

01:26:58,310 --> 01:26:56,520

storefront

1884

01:27:00,770 --> 01:26:58,320

imagine Dice from our red mobile

1885

01:27:03,590 --> 01:27:00,780

storefront ships worldwide which may

1886

01:27:05,570 --> 01:27:03,600

take longer than Amazon we've got a

1887

01:27:07,370 --> 01:27:05,580

great deal of super high quality

1888

01:27:09,590 --> 01:27:07,380

merchandise for you to choose from

1889

01:27:12,350 --> 01:27:09,600

including t-shirts phone cases

1890

01:27:14,570 --> 01:27:12,360

sweatshirts and even pillows

1891

01:27:17,450 --> 01:27:14,580

the feedback from our products have been

1892

01:27:20,330 --> 01:27:17,460

overwhelming and great quality products

1893

01:27:22,129 --> 01:27:20,340

and fast shipping people all over the

1894

01:27:24,770 --> 01:27:22,139

world are buying some merchandise and

1895

01:27:27,649 --> 01:27:24,780

showing their support of the show praise

1896

01:27:29,810 --> 01:27:27,659

the cash praise the cash

1897

01:27:32,450 --> 01:27:29,820

praise the cash

1898

01:27:34,610 --> 01:27:32,460

we thank you all the kind and generous

1899

01:27:36,649 --> 01:27:34,620

benefactors who are buying some

1900

01:27:46,730 --> 01:27:36,659

merchandise and helping us to continue

1901

01:27:46,740 --> 01:27:56,590

[Music]

1902

01:28:02,570 --> 01:27:59,330

thanks for being here this is true

1903

01:28:05,090 --> 01:28:02,580

Seekers with your hosts Stephen

1904

01:28:07,669 --> 01:28:05,100

please rate like and comment on our

1905

01:28:09,830 --> 01:28:07,679

videos and podcasts if you are listening

1906

01:28:12,050 --> 01:28:09,840

to all of your podcasts please write us

1907

01:28:14,510 --> 01:28:12,060

five stars to help us rise in the search

1908

01:28:17,149 --> 01:28:14,520

rankings if you're watching on YouTube

1909

01:28:19,610 --> 01:28:17,159

please like comment and subscribe to our

1910

01:28:21,350 --> 01:28:19,620

Channel if you're listening to all your

1911

01:28:23,990 --> 01:28:21,360

podcast we love and appreciate you

1912

01:28:26,930 --> 01:28:24,000

listeners but you are missing the live

1913

01:28:29,689 --> 01:28:26,940

tapings all our shows are recorded live

1914

01:28:31,970 --> 01:28:29,699

with video feeds we'd love you to come

1915

01:28:34,970 --> 01:28:31,980

be a part of our live broadcasts and

1916

01:28:37,430 --> 01:28:34,980

tapings for the podcast head on over to

1917

01:28:40,310 --> 01:28:37,440

YouTube click the Search tool a little

1918

01:28:42,290 --> 01:28:40,320

magnifying glass what should Seekers one

1919

01:28:44,689 --> 01:28:42,300

word in the search bar and hit enter

1920

01:28:47,030 --> 01:28:44,699

you'll see a strange and mysterious guy

1921

01:28:49,430 --> 01:28:47,040

with sunglasses that means you found the

1922

01:28:52,250 --> 01:28:49,440

channel go there smash the Subscribe

1923

01:28:54,410 --> 01:28:52,260

button and hit the notification Bell to

1924

01:28:57,110 --> 01:28:54,420

receive up-to-date info on our YouTube

1925

01:28:59,990 --> 01:28:57,120

channel we welcome you to be a part of

1926

01:29:03,550 --> 01:29:00,000

our live taping and our chat room during

1927

01:29:21,830 --> 01:29:03,560

the live broadcasts seek

1928

01:29:26,090 --> 01:29:24,290

and we are back so comments and

1929

01:29:28,070 --> 01:29:26,100

questions for me please put them in all

1930

01:29:30,770 --> 01:29:28,080

capital letters uh I have some

1931

01:29:33,050 --> 01:29:30,780

additional time to share with you and uh

1932

01:29:34,970 --> 01:29:33,060

we'll be doing that could nextdar media

1933

01:29:37,610 --> 01:29:34,980

go after them restitution for them

1934

01:29:39,590 --> 01:29:37,620

stealing their broadcast yeah

1935

01:29:41,990 --> 01:29:39,600

um you know I I think there may be some

1936

01:29:43,729 --> 01:29:42,000

consequences that's going too far when

1937

01:29:46,250 --> 01:29:43,739

you just completely and totally steal

1938

01:29:48,550 --> 01:29:46,260

something that you have no right to do

1939

01:29:51,950 --> 01:29:48,560

uh

1940

01:29:53,750 --> 01:29:51,960

those big media companies they they

1941

01:29:55,310 --> 01:29:53,760

don't like it and you know what I have

1942

01:29:57,590 --> 01:29:55,320

found is that the bigger the media

1943

01:29:59,270 --> 01:29:57,600

company like try playing a Disney clip

1944

01:30:03,649 --> 01:29:59,280

without getting a copyright claim you

1945

01:30:06,110 --> 01:30:03,659

can't try playing a CNN clip uh Fox News

1946

01:30:09,350 --> 01:30:06,120

a lot of these bigger media companies

1947

01:30:10,910 --> 01:30:09,360

they go after people and um even in this

1948

01:30:12,950 --> 01:30:10,920

even if you use it completely and

1949

01:30:15,709 --> 01:30:12,960

totally in fair use now we've won every

1950

01:30:18,470 --> 01:30:15,719

every claim that was levied against us

1951

01:30:20,510 --> 01:30:18,480

if we were doing commentary or we played

1952

01:30:23,270 --> 01:30:20,520

a clip and then talked about it and the

1953

01:30:26,149 --> 01:30:23,280

clip was less than a minute people have

1954

01:30:28,990 --> 01:30:26,159

copyright claimed us but you know we

1955

01:30:31,729 --> 01:30:29,000

have never just broadcast an hour

1956

01:30:33,470 --> 01:30:31,739

exclusive interview that we don't own

1957

01:30:35,750 --> 01:30:33,480

and

1958

01:30:38,149 --> 01:30:35,760

I love how some of these people were

1959

01:30:41,050 --> 01:30:38,159

claiming that they had the exclusive

1960

01:30:44,689 --> 01:30:41,060

on streaming this you don't own anything

1961

01:30:47,930 --> 01:30:44,699

news nation has the exclusive not you

1962

01:30:50,450 --> 01:30:47,940

right lie on your thumbnail multiple

1963

01:30:52,010 --> 01:30:50,460

times click bait everybody oh if you

1964

01:30:54,350 --> 01:30:52,020

want to see that interview I'll be

1965

01:30:57,950 --> 01:30:54,360

streaming it you can't stream somebody

1966

01:31:01,610 --> 01:30:57,960

else's interview that you don't own

1967

01:31:04,010 --> 01:31:01,620

and uh by the way I've already gotten

1968

01:31:04,550 --> 01:31:04,020

I've already got

1969

01:31:07,430 --> 01:31:04,560

um

1970

01:31:09,530 --> 01:31:07,440

I've already gotten a nasty

1971

01:31:11,390 --> 01:31:09,540

nameless faceless brand new Twitter

1972

01:31:13,010 --> 01:31:11,400

account that told me I was just jealous

1973

01:31:16,310 --> 01:31:13,020

of those people that were helping

1974

01:31:19,070 --> 01:31:16,320

Disclosure by rebroadcasting it no I am

1975

01:31:21,649 --> 01:31:19,080

never jealous of people who get ahead

1976

01:31:24,110 --> 01:31:21,659

doing slimy things you know I I grew up

1977

01:31:26,750 --> 01:31:24,120

in a kind of a rough neighborhood and

1978

01:31:30,189 --> 01:31:26,760

there was always uh let's just call it a

1979

01:31:32,930 --> 01:31:30,199

criminal element in my neighborhood and

1980

01:31:35,870 --> 01:31:32,940

thank God I did not get

1981

01:31:39,169 --> 01:31:35,880

I you know I I was an artist and a

1982

01:31:40,850 --> 01:31:39,179

musician growing up and uh so I didn't

1983

01:31:42,709 --> 01:31:40,860

get in with the wrong crowd of people

1984

01:31:45,350 --> 01:31:42,719

doing the wrong things but there was

1985

01:31:48,110 --> 01:31:45,360

guys older guys in my neighborhood that

1986

01:31:51,229 --> 01:31:48,120

were selling drugs or you know stealing

1987

01:31:53,270 --> 01:31:51,239

uh robbing stores a big thing in my

1988

01:31:54,830 --> 01:31:53,280

neighborhood was store burglaries at

1989

01:31:56,629 --> 01:31:54,840

night like they would break into the

1990

01:31:59,750 --> 01:31:56,639

local Deli and steal all the cigarettes

1991

01:32:01,790 --> 01:31:59,760

and whatever they could sell quickly and

1992

01:32:04,729 --> 01:32:01,800

uh you know these guys all had cars and

1993

01:32:07,129 --> 01:32:04,739

nice clothes and you know gold chains I

1994

01:32:08,689 --> 01:32:07,139

was never impressed by those people you

1995

01:32:12,770 --> 01:32:08,699

got ahead

1996

01:32:14,450 --> 01:32:12,780

right by being a slime ball and Karma

1997

01:32:17,149 --> 01:32:14,460

always came for them because a lot of

1998

01:32:19,370 --> 01:32:17,159

them ended up dead shot killed during a

1999

01:32:21,290 --> 01:32:19,380

robbery one guy got shot and killed or

2000

01:32:26,270 --> 01:32:21,300

you know

2001

01:32:27,950 --> 01:32:26,280

Karma always comes for those people who

2002

01:32:31,129 --> 01:32:27,960

think that they can get ahead of others

2003

01:32:33,530 --> 01:32:31,139

you know if and by the way there's rules

2004

01:32:34,550 --> 01:32:33,540

for everybody these rules are for

2005

01:32:36,770 --> 01:32:34,560

everybody

2006

01:32:39,470 --> 01:32:36,780

if you're stealing somebody else's

2007

01:32:42,530 --> 01:32:39,480

protected broadcast exclusive rights

2008

01:32:44,270 --> 01:32:42,540

that they had you can't complain if you

2009

01:32:46,189 --> 01:32:44,280

get a huge story and people steal it

2010

01:32:49,310 --> 01:32:46,199

from you because you you stole from

2011

01:32:52,010 --> 01:32:49,320

other people so I think it's important

2012

01:32:55,490 --> 01:32:52,020

to just try our very best to do things

2013

01:32:57,830 --> 01:32:55,500

the ethical and the moral way here right

2014

01:32:59,330 --> 01:32:57,840

Mark tarata is here and says for now I'm

2015

01:33:01,250 --> 01:32:59,340

putting this story in a nothing Burger

2016

01:33:02,990 --> 01:33:01,260

Basket it's just a new talking head

2017

01:33:05,390 --> 01:33:03,000

repeating the same talking points from

2018

01:33:07,189 --> 01:33:05,400

the last eight decades I concur with you

2019

01:33:09,709 --> 01:33:07,199

completely and totally

2020

01:33:16,790 --> 01:33:09,719

who's that buttery voiced narrator not

2021

01:33:21,709 --> 01:33:19,189

oh I think we got some PayPal here I'll

2022

01:33:24,169 --> 01:33:21,719

have to check in with that as well

2023

01:33:28,550 --> 01:33:24,179

and you know uh it should be noted that

2024

01:33:31,430 --> 01:33:28,560

I do not pay my bills my house bills and

2025

01:33:33,290 --> 01:33:31,440

my personal expenses from the show funds

2026

01:33:34,669 --> 01:33:33,300

there's a separate account that we use

2027

01:33:39,350 --> 01:33:34,679

specifically

2028

01:33:41,870 --> 01:33:39,360

for that we do not uh you know co-mingle

2029

01:33:43,790 --> 01:33:41,880

funds here so some of these bottom

2030

01:33:45,530 --> 01:33:43,800

feeding slime balls don't have any other

2031

01:33:47,390 --> 01:33:45,540

source of income so they come into the

2032

01:33:49,729 --> 01:33:47,400

UFO Community they're willing to do

2033

01:33:52,850 --> 01:33:49,739

anything they have to do clickbait

2034

01:33:55,310 --> 01:33:52,860

garbage stories play the UFO circle jerk

2035

01:33:57,290 --> 01:33:55,320

game like let fraudsters on their show

2036

01:33:58,910 --> 01:33:57,300

and give them the softball interviews so

2037

01:34:00,950 --> 01:33:58,920

they get the clicks the views the super

2038

01:34:03,830 --> 01:34:00,960

chats they don't ask hard questions

2039

01:34:06,950 --> 01:34:03,840

they're click baiting out the Wazoo just

2040

01:34:09,590 --> 01:34:06,960

to get clicks and Views they are lying

2041

01:34:12,110 --> 01:34:09,600

on their thumbnails literally lying on

2042

01:34:13,790 --> 01:34:12,120

their thumbnails every day like if you

2043

01:34:15,410 --> 01:34:13,800

have to lie on your thumbnails every day

2044

01:34:17,570 --> 01:34:15,420

oh and by the way some of these same

2045

01:34:21,050 --> 01:34:17,580

slime balls are promoting Grier's

2046

01:34:23,570 --> 01:34:21,060

nothing Burger of an event right so at

2047

01:34:25,250 --> 01:34:23,580

some point I I'm just hopeful that at

2048

01:34:28,790 --> 01:34:25,260

some point people wake up to the slime

2049

01:34:30,830 --> 01:34:28,800

ball scumball side of this and say we're

2050

01:34:33,590 --> 01:34:30,840

we're not we're not going to reward you

2051
01:34:35,090 --> 01:34:33,600
for lying to us anymore and these some

2052
01:34:36,950 --> 01:34:35,100
of these show hosts are the same same

2053
01:34:39,290 --> 01:34:36,960
people lying to you over and over and

2054
01:34:41,629 --> 01:34:39,300
over again now they're doing slimy stuff

2055
01:34:44,270 --> 01:34:41,639
like stealing other people's broadcasts

2056
01:34:47,870 --> 01:34:44,280
that they have absolutely positively no

2057
01:34:49,129 --> 01:34:47,880
legal right to to broadcast I couldn't

2058
01:34:50,209 --> 01:34:49,139
believe that they were doing that and by

2059
01:34:52,910 --> 01:34:50,219
the way you're risking your whole

2060
01:34:55,850 --> 01:34:52,920
YouTube channel and if you're some loser

2061
01:34:57,830 --> 01:34:55,860
with no other income other than your

2062
01:34:59,810 --> 01:34:57,840
YouTube channel maybe it's not a good

2063
01:35:02,510 --> 01:34:59,820

idea to risk your YouTube Channel's

2064

01:35:05,390 --> 01:35:02,520

future by stealing somebody else's

2065

01:35:07,850 --> 01:35:05,400

exclusive interview and rebroadcasting

2066

01:35:09,649 --> 01:35:07,860

it right

2067

01:35:11,450 --> 01:35:09,659

would you believe the aliens if they

2068

01:35:14,030 --> 01:35:11,460

beam you up and probe your anus oh

2069

01:35:16,310 --> 01:35:14,040

definitely if I get a butt probe I I

2070

01:35:17,930 --> 01:35:16,320

probably and yeah but according to

2071

01:35:20,570 --> 01:35:17,940

Stephen Greer some of that stuff isn't

2072

01:35:22,970 --> 01:35:20,580

real it's what's called stagecraft and

2073

01:35:24,530 --> 01:35:22,980

it's government people pretending to be

2074

01:35:26,870 --> 01:35:24,540

aliens right

2075

01:35:30,470 --> 01:35:26,880

does grush have anything else besides

2076

01:35:32,990 --> 01:35:30,480

the interview or is this it I think

2077

01:35:34,850 --> 01:35:33,000

that's it uh I don't think we're ever

2078

01:35:36,890 --> 01:35:34,860

gonna get evidence of any of his claims

2079

01:35:40,010 --> 01:35:36,900

but that's not going to stop him from

2080

01:35:41,890 --> 01:35:40,020

becoming a quote thought leader unquote

2081

01:35:44,390 --> 01:35:41,900

in the UFO Community or starting

2082

01:35:47,390 --> 01:35:44,400

organizations where he wants people to

2083

01:35:51,050 --> 01:35:47,400

donate money to him

2084

01:35:55,910 --> 01:35:53,390

Percy X says most welcome support for

2085

01:35:57,770 --> 01:35:55,920

Stephen got my Wackadoo hoodie well I'm

2086

01:35:59,870 --> 01:35:57,780

glad to hear it yeah and we have this

2087

01:36:02,870 --> 01:35:59,880

other shirt here nothing is impossible I

2088

01:36:06,169 --> 01:36:02,880

wore that today just in case Mr grush is

2089

01:36:07,550 --> 01:36:06,179

actually got some evidence but I don't

2090

01:36:09,590 --> 01:36:07,560

believe that he actually has any

2091

01:36:13,070 --> 01:36:09,600

evidence you know I think that this

2092

01:36:15,050 --> 01:36:13,080

whole thing is one big nothing Burger of

2093

01:36:17,689 --> 01:36:15,060

repeated stories that we've all heard

2094

01:36:20,450 --> 01:36:17,699

before and the sources are the same

2095

01:36:27,770 --> 01:36:20,460

people that we have heard before and

2096

01:36:32,930 --> 01:36:30,530

yeah and uh I don't know one of the

2097

01:36:35,689 --> 01:36:32,940

reasons that this stealing issue bothers

2098

01:36:37,850 --> 01:36:35,699

me is because you know some people don't

2099

01:36:40,370 --> 01:36:37,860

deserve to get a big influx of new

2100

01:36:42,110 --> 01:36:40,380

viewers especially if you had to do

2101
01:36:44,450 --> 01:36:42,120
something that's completely and totally

2102
01:36:47,090 --> 01:36:44,460
against YouTube terms of service and

2103
01:36:49,250 --> 01:36:47,100
illegal in order to get that big influx

2104
01:36:51,169 --> 01:36:49,260
of viewers there's a reason that some

2105
01:36:53,629 --> 01:36:51,179
people's garbage channels haven't grown

2106
01:36:55,129 --> 01:36:53,639
in literally years right it's because

2107
01:36:57,649 --> 01:36:55,139
they're Liars they lie on their

2108
01:37:00,050 --> 01:36:57,659
thumbnails they lie but all those new

2109
01:37:02,330 --> 01:37:00,060
people might not know that you just

2110
01:37:05,330 --> 01:37:02,340
helped out a complete and total scumbag

2111
01:37:08,570 --> 01:37:05,340
loser and by the way

2112
01:37:10,149 --> 01:37:08,580
there was other show hosts

2113
01:37:12,950 --> 01:37:10,159

in there

2114

01:37:15,229 --> 01:37:12,960

encouraging people to donate

2115

01:37:18,530 --> 01:37:15,239

there was other people encouraging

2116

01:37:20,590 --> 01:37:18,540

people oh yeah subscribe to this guy

2117

01:37:23,390 --> 01:37:20,600

he's he's he's

2118

01:37:25,729 --> 01:37:23,400

broadcasting this for us yeah no he's

2119

01:37:26,930 --> 01:37:25,739

stealing it and broadcasting it

2120

01:37:29,149 --> 01:37:26,940

illegally

2121

01:37:32,510 --> 01:37:29,159

and again I'm gonna Hammer this point

2122

01:37:34,790 --> 01:37:32,520

home you people anybody who supports

2123

01:37:37,189 --> 01:37:34,800

what just happened tonight you are

2124

01:37:38,390 --> 01:37:37,199

saying that it's okay for people to

2125

01:37:41,330 --> 01:37:38,400

steal

2126

01:37:43,070 --> 01:37:41,340

the clicks the views the monetized and

2127

01:37:45,470 --> 01:37:43,080

all that Super Chat all that money

2128

01:37:48,490 --> 01:37:45,480

you're saying it's okay for those people

2129

01:37:53,149 --> 01:37:48,500

to steal from the people who actually

2130

01:37:56,209 --> 01:37:53,159

filmed produced recorded broadcast the

2131

01:37:57,530 --> 01:37:56,219

story they had the exclusive rights uh

2132

01:37:59,390 --> 01:37:57,540

and and you know we've wasted enough

2133

01:38:01,550 --> 01:37:59,400

time on that issue so

2134

01:38:03,110 --> 01:38:01,560

it is what it is so comments or

2135

01:38:06,530 --> 01:38:03,120

questions from me please put them in all

2136

01:38:10,490 --> 01:38:08,870

yeah because true disclosure archaic

2137

01:38:13,189 --> 01:38:10,500

revival

2138

01:38:14,930 --> 01:38:13,199

keeping us honest here says because true

2139

01:38:18,290 --> 01:38:14,940

disclosure can only come from a Netflix

2140

01:38:20,390 --> 01:38:18,300

special well oh uh that's also another

2141

01:38:22,250 --> 01:38:20,400

important point during the interview he

2142

01:38:23,390 --> 01:38:22,260

says Ross cold thought says to him

2143

01:38:26,570 --> 01:38:23,400

you're not getting paid for this

2144

01:38:29,510 --> 01:38:26,580

interview and he says no but apparently

2145

01:38:32,090 --> 01:38:29,520

or allegedly this person has a

2146

01:38:33,830 --> 01:38:32,100

documentary deal with somebody who does

2147

01:38:35,510 --> 01:38:33,840

he have a documentary deal with Ross

2148

01:38:36,590 --> 01:38:35,520

goldthart great you didn't pay him for

2149

01:38:38,870 --> 01:38:36,600

that interview but you're going to pay

2150

01:38:43,850 --> 01:38:38,880

him to be in a documentary with you

2151

01:38:43,860 --> 01:38:49,070

okay one second

2152

01:38:56,390 --> 01:38:52,370

nothing on routers yeah the stream is

2153

01:38:57,950 --> 01:38:56,400

not available in European Union well you

2154

01:39:01,370 --> 01:38:57,960

know that's unfortunate but that doesn't

2155

01:39:02,870 --> 01:39:01,380

give people the right to steal it right

2156

01:39:05,689 --> 01:39:02,880

maybe they're going to do a special

2157

01:39:08,930 --> 01:39:05,699

broadcast for the EU and they wanted all

2158

01:39:10,729 --> 01:39:08,940

the views for themselves it but now they

2159

01:39:21,709 --> 01:39:10,739

just got screwed out of views by people

2160

01:39:21,719 --> 01:39:28,189

in one second

2161

01:39:32,390 --> 01:39:30,410

third phase of goons make us twins look

2162

01:39:35,930 --> 01:39:32,400

bad

2163

01:39:37,490 --> 01:39:35,940

Brian Kings with uh King's X7 with the

2164

01:39:40,250 --> 01:39:37,500

kind generous ten dollars says Steve

2165

01:39:43,250 --> 01:39:40,260

found my Super Chat issue B Baker it was

2166

01:39:45,290 --> 01:39:43,260

my cyberghost VPN blocking anyway off

2167

01:39:47,090 --> 01:39:45,300

topic Stephen I think Corey good has a

2168

01:39:49,550 --> 01:39:47,100

horrible addiction problem has erratic

2169

01:39:50,930 --> 01:39:49,560

behavior of a classic addict you may be

2170

01:39:53,689 --> 01:39:50,940

correct a lot of people have said that

2171

01:39:55,550 --> 01:39:53,699

uh but we thank you very much uh we

2172

01:39:57,890 --> 01:39:55,560

thank all of you for the kindness

2173

01:40:00,850 --> 01:39:57,900

generosity and support

2174

01:40:03,830 --> 01:40:00,860

um it is much much appreciated as

2175

01:40:05,750 --> 01:40:03,840

discussed it as I get with the fact that

2176
01:40:07,729 --> 01:40:05,760
we have to compete with complete and

2177
01:40:09,830 --> 01:40:07,739
total slime balls in this thing right

2178
01:40:11,270 --> 01:40:09,840
and you would think we have an

2179
01:40:14,209 --> 01:40:11,280
eight-year track record here of getting

2180
01:40:14,990 --> 01:40:14,219
the story right right

2181
01:40:16,970 --> 01:40:15,000
um

2182
01:40:18,770 --> 01:40:16,980
you would think that the Universe would

2183
01:40:21,169 --> 01:40:18,780
reward us but you'd be wrong because

2184
01:40:23,090 --> 01:40:21,179
these slime balls that are willing to do

2185
01:40:25,610 --> 01:40:23,100
anything they get ahead they get way

2186
01:40:28,910 --> 01:40:25,620
ahead right and it's funny one of those

2187
01:40:31,129 --> 01:40:28,920
slime balls uh used to be well under us

2188
01:40:32,870 --> 01:40:31,139

here and I told somebody a mutual friend

2189

01:40:34,370 --> 01:40:32,880

I said oh he'll he'll blow right by us

2190

01:40:37,129 --> 01:40:34,380

because he's such a disgusting

2191

01:40:40,090 --> 01:40:37,139

despicable dirt ball he's willing to say

2192

01:40:42,709 --> 01:40:40,100

and do anything including platform

2193

01:40:44,990 --> 01:40:42,719

scumballs like Kerry Cassidy who uses

2194

01:40:46,850 --> 01:40:45,000

murderers and child

2195

01:40:49,910 --> 01:40:46,860

people who have problems with children

2196

01:40:53,689 --> 01:40:49,920

for her sources you know and doesn't

2197

01:40:56,629 --> 01:40:53,699

call them on their BS you would you know

2198

01:40:59,330 --> 01:40:56,639

so these people are I can't we cannot

2199

01:41:01,010 --> 01:40:59,340

there's no show like us there's shows

2200

01:41:03,649 --> 01:41:01,020

that pretend to be like us and tell you

2201

01:41:06,950 --> 01:41:03,659

the truth right but really they're in on

2202

01:41:11,149 --> 01:41:06,960

the grift right and if you have to steal

2203

01:41:13,370 --> 01:41:11,159

somebody else's work constantly to uh to

2204

01:41:15,470 --> 01:41:13,380

get ahead you know these are the same

2205

01:41:18,050 --> 01:41:15,480

people that never actually contribute

2206

01:41:20,209 --> 01:41:18,060

anything I think that we've done a good

2207

01:41:23,030 --> 01:41:20,219

job so far bringing you all new

2208

01:41:25,370 --> 01:41:23,040

information and we had exclusive stories

2209

01:41:28,129 --> 01:41:25,380

that nobody else had I don't think it's

2210

01:41:30,590 --> 01:41:28,139

a coincidence that we put exclusive

2211

01:41:33,169 --> 01:41:30,600

story on some of our material and

2212

01:41:36,410 --> 01:41:33,179

suddenly the Slime bowls claim they have

2213

01:41:38,689 --> 01:41:36,420

an exclusive story that they stole from

2214

01:41:42,350 --> 01:41:38,699

Ross colfar

2215

01:41:45,169 --> 01:41:42,360

yeah you got the exclusive thievery yeah

2216

01:41:48,050 --> 01:41:45,179

you stole it you don't have exclusive

2217

01:41:49,750 --> 01:41:48,060

[h__h] nothing but we thank you all for

2218

01:41:53,149 --> 01:41:49,760

the kindness generosity and support

2219

01:41:55,790 --> 01:41:53,159

thank you uh for helping us uh to praise

2220

01:41:58,189 --> 01:41:55,800

the cash uh Brian King

2221

01:42:00,109 --> 01:41:58,199

gas breaks the cash

2222

01:42:05,870 --> 01:42:00,119

and by the way we want to thank all of

2223

01:42:07,910 --> 01:42:05,880

you uh who uh asked today we had uh we

2224

01:42:10,669 --> 01:42:07,920

had quite a house full I think we had

2225

01:42:12,950 --> 01:42:10,679

like 50 people here uh for my son's

2226

01:42:16,129 --> 01:42:12,960

seventh birthday and we just combined

2227

01:42:18,410 --> 01:42:16,139

them this year and my other son is 11.

2228

01:42:20,330 --> 01:42:18,420

so we have a seven I have to get used to

2229

01:42:21,950 --> 01:42:20,340

saying that I've been saying this I have

2230

01:42:24,169 --> 01:42:21,960

two boys six and ten now I have to get

2231

01:42:26,870 --> 01:42:24,179

used to saying seven and eleven well

2232

01:42:29,689 --> 01:42:26,880

we've got to run 7-eleven here it's

2233

01:42:32,870 --> 01:42:29,699

great Brian King's X7 with another one

2234

01:42:34,609 --> 01:42:32,880

uh kind and generous five dollars says

2235

01:42:36,530 --> 01:42:34,619

the truth hurts Stephen pocketbook

2236

01:42:38,750 --> 01:42:36,540

concluded Karma and patience will reward

2237

01:42:40,910 --> 01:42:38,760

you in time brother I believe that and

2238

01:42:43,490 --> 01:42:40,920

thank you Brian Kings X7 it's nice to

2239

01:42:44,390 --> 01:42:43,500

see somebody supporting and agreeing

2240

01:42:46,129 --> 01:42:44,400

with me

2241

01:42:48,770 --> 01:42:46,139

I knew that this was going to be a tough

2242

01:42:50,209 --> 01:42:48,780

slog oh and by the way

2243

01:42:53,209 --> 01:42:50,219

um we have something to check in on that

2244

01:42:55,850 --> 01:42:53,219

spooky reminded me about at the

2245

01:42:58,370 --> 01:42:55,860

after this show

2246

01:42:59,570 --> 01:42:58,380

I think let me look at what the counter

2247

01:43:01,550 --> 01:42:59,580

says right now

2248

01:43:06,169 --> 01:43:01,560

after this show

2249

01:43:08,450 --> 01:43:06,179

here I'm going to share this with all of

2250

01:43:10,310 --> 01:43:08,460

you this is a big moment for our show

2251

01:43:15,590 --> 01:43:10,320

and for our Channel

2252

01:43:22,010 --> 01:43:19,010

after this show we should hit one

2253

01:43:24,470 --> 01:43:22,020

million views and we did that without

2254

01:43:26,830 --> 01:43:24,480

lying to our audience we did that

2255

01:43:30,050 --> 01:43:26,840

without hooking up with hoaxer scammer

2256

01:43:33,229 --> 01:43:30,060

criminals we did that without doing

2257

01:43:35,750 --> 01:43:33,239

illegal things like stealing somebody

2258

01:43:37,310 --> 01:43:35,760

else's exclusive broadcast because we're

2259

01:43:39,169 --> 01:43:37,320

dirt balls and can't come up with their

2260

01:43:42,770 --> 01:43:39,179

own stories

2261

01:43:45,290 --> 01:43:42,780

um we have broken many many stories in

2262

01:43:48,050 --> 01:43:45,300

our show's few year history here

2263

01:43:50,270 --> 01:43:48,060

and we have done things ethically and

2264

01:43:53,090 --> 01:43:50,280

morally wherever possible and certainly

2265

01:43:55,250 --> 01:43:53,100

we've never done anything illegal like

2266

01:43:57,950 --> 01:43:55,260

stolen other people's exclusive

2267

01:44:00,470 --> 01:43:57,960

worldwide rights broadcasts

2268

01:44:02,090 --> 01:44:00,480

and collected super chats the whole time

2269

01:44:04,310 --> 01:44:02,100

so

2270

01:44:07,070 --> 01:44:04,320

it took longer than I thought but we

2271

01:44:11,270 --> 01:44:07,080

will pass the threshold of 1 million

2272

01:44:14,090 --> 01:44:11,280

views uh and we should do that

2273

01:44:16,850 --> 01:44:14,100

in the next day

2274

01:44:19,129 --> 01:44:16,860

so we thank all of you because I think

2275

01:44:21,649 --> 01:44:19,139

that is a tremendous achievement one

2276

01:44:25,310 --> 01:44:21,659

million views

2277

01:44:27,169 --> 01:44:25,320

monetized and if I tell you how much

2278

01:44:29,570 --> 01:44:27,179

money I made from YouTube ads I'm gonna

2279

01:44:33,229 --> 01:44:29,580

have to add it up uh you would laugh

2280

01:44:35,390 --> 01:44:33,239

it's a lot less than people think and by

2281

01:44:37,090 --> 01:44:35,400

the way YouTube just did something else

2282

01:44:40,310 --> 01:44:37,100

which is cutting

2283

01:44:42,830 --> 01:44:40,320

the YouTube ad revenue for Content

2284

01:44:44,810 --> 01:44:42,840

creators in half again and remember that

2285

01:44:46,609 --> 01:44:44,820

they just did that a few years ago they

2286

01:44:48,370 --> 01:44:46,619

cut all the YouTube ad Revenue in half

2287

01:44:50,930 --> 01:44:48,380

for most content creators or something

2288

01:44:51,709 --> 01:44:50,940

akin to half and now they're doing it

2289

01:44:52,850 --> 01:44:51,719

again

2290

01:44:57,770 --> 01:44:52,860

so

2291

01:45:01,790 --> 01:44:57,780

where they want me to promote my videos

2292

01:45:04,490 --> 01:45:01,800

so they want me to pay so that they push

2293

01:45:06,530 --> 01:45:04,500

my videos to more people so essentially

2294

01:45:08,990 --> 01:45:06,540

they essentially want content creators

2295

01:45:10,910 --> 01:45:09,000

here on YouTube to pay rent you know to

2296

01:45:12,830 --> 01:45:10,920

pay them to promote the videos that we

2297

01:45:14,270 --> 01:45:12,840

put here instead of the way that it used

2298

01:45:18,109 --> 01:45:14,280

to be where they would push them out to

2299

01:45:23,270 --> 01:45:20,570

Victor colliero is here uh and and

2300

01:45:25,250 --> 01:45:23,280

Victor I I think I messaged you or said

2301
01:45:28,609 --> 01:45:25,260
something in the Discord I I wanted to

2302
01:45:30,530 --> 01:45:28,619
get a copy of that

2303
01:45:34,790 --> 01:45:30,540
um Area 51 security guard to interview

2304
01:45:37,129 --> 01:45:34,800
without the uh my commentary over it uh

2305
01:45:39,290 --> 01:45:37,139
in 2019 the Inspector General made a

2306
01:45:40,310 --> 01:45:39,300
news release stating that for Urgent

2307
01:45:41,870 --> 01:45:40,320
complaints they will accept

2308
01:45:44,030 --> 01:45:41,880
whistleblowers with second-hand

2309
01:45:45,950 --> 01:45:44,040
knowledge

2310
01:45:49,189 --> 01:45:45,960
yeah I mean okay but

2311
01:45:51,109 --> 01:45:49,199
I I don't think uh I I don't think that

2312
01:45:57,350 --> 01:45:51,119
this man has credible whistleblower

2313
01:46:02,570 --> 01:45:59,890

yeah and we're getting uh

2314

01:46:04,609 --> 01:46:02,580

congratulate it on a million views thank

2315

01:46:06,109 --> 01:46:04,619

you all we appreciate every one of you

2316

01:46:07,910 --> 01:46:06,119

clicking on these videos helped us to

2317

01:46:12,709 --> 01:46:07,920

get there so uh it's something that we

2318

01:46:16,370 --> 01:46:14,510

tried it again the site says this site

2319

01:46:19,010 --> 01:46:16,380

is currently unavailable to visitors

2320

01:46:20,990 --> 01:46:19,020

from the economic uh from the European

2321

01:46:22,490 --> 01:46:21,000

economic area while we work to ensure

2322

01:46:25,189 --> 01:46:22,500

your data is

2323

01:46:27,770 --> 01:46:25,199

uh protected in accordance with

2324

01:46:30,169 --> 01:46:27,780

applicable EU laws yeah but here's the

2325

01:46:31,850 --> 01:46:30,179

thing Gary uh Gary Coleman is in my

2326

01:46:33,410 --> 01:46:31,860

audience that's funny

2327

01:46:37,609 --> 01:46:33,420

um

2328

01:46:39,470 --> 01:46:37,619

content creators have the right to say I

2329

01:46:42,050 --> 01:46:39,480

don't want this to play in the European

2330

01:46:44,810 --> 01:46:42,060

Union they have the right to say I don't

2331

01:46:46,729 --> 01:46:44,820

want this to play in Australia they have

2332

01:46:49,250 --> 01:46:46,739

the right to do that and other people

2333

01:46:51,709 --> 01:46:49,260

don't have the right to steal that

2334

01:46:54,229 --> 01:46:51,719

steal those rights away from you

2335

01:46:56,870 --> 01:46:54,239

and that is exactly what happened I

2336

01:46:58,790 --> 01:46:56,880

believe that they are gonna hit the

2337

01:47:01,669 --> 01:46:58,800

other markets they wanted to hit the U.S

2338

01:47:03,890 --> 01:47:01,679

market first and then they will hit the

2339

01:47:05,990 --> 01:47:03,900

European markets Australia other

2340

01:47:07,669 --> 01:47:06,000

English-speaking who knows but it's

2341

01:47:10,070 --> 01:47:07,679

their right to make those decisions and

2342

01:47:13,189 --> 01:47:10,080

nobody has the right to

2343

01:47:15,109 --> 01:47:13,199

just steal their content and the fact

2344

01:47:18,189 --> 01:47:15,119

that somebody sat and collect Super Chat

2345

01:47:21,950 --> 01:47:18,199

donations while they were illegally

2346

01:47:26,810 --> 01:47:21,960

rebroadcasting somebody else's show

2347

01:47:28,669 --> 01:47:26,820

that is beyond the pale despicable

2348

01:47:30,649 --> 01:47:28,679

yeah we'll leave it at that you know I'm

2349

01:47:32,330 --> 01:47:30,659

sorry that they didn't want you guys to

2350

01:47:34,609 --> 01:47:32,340

see it yet who knows what they were

2351

01:47:36,229 --> 01:47:34,619

doing operation shutdown is here to

2352

01:47:39,350 --> 01:47:36,239

congratulate us thank you and Brian

2353

01:47:40,609 --> 01:47:39,360

Kings X7 here to congratulate us on the

2354

01:47:42,109 --> 01:47:40,619

million views

2355

01:47:45,890 --> 01:47:42,119

uh

2356

01:47:48,410 --> 01:47:45,900

yeah it is interesting right almost 6

2357

01:47:50,209 --> 01:47:48,420

a.m here I'm back at work at 8 00 a.m

2358

01:47:53,870 --> 01:47:50,219

after a year out great show as always

2359

01:47:55,970 --> 01:47:53,880

good to hear that humans awaken wolf and

2360

01:47:58,669 --> 01:47:55,980

a long time show supporter I hope you're

2361

01:48:00,890 --> 01:47:58,679

enjoying going back to work

2362

01:48:02,570 --> 01:48:00,900

um yeah and I'm trying to remain

2363

01:48:05,270 --> 01:48:02,580

positive here because we've got good

2364

01:48:08,510 --> 01:48:05,280

things going and we get we get good

2365

01:48:10,189 --> 01:48:08,520

views not doing slimy despicable stuff

2366

01:48:12,649 --> 01:48:10,199

right and that has to count for

2367

01:48:15,229 --> 01:48:12,659

something I don't care if somebody gets

2368

01:48:17,689 --> 01:48:15,239

more views Than Me by cheating and

2369

01:48:19,850 --> 01:48:17,699

literally doing illegal stuff lying in

2370

01:48:23,090 --> 01:48:19,860

their thumbnails lying constantly to

2371

01:48:26,209 --> 01:48:23,100

Their audience I don't care you know you

2372

01:48:28,550 --> 01:48:26,219

didn't win it's like it's like somebody

2373

01:48:31,250 --> 01:48:28,560

you know bragging that they want a

2374

01:48:33,470 --> 01:48:31,260

marathon when they got in somebody's car

2375

01:48:34,729 --> 01:48:33,480

for half the marathon that they beat the

2376

01:48:36,530 --> 01:48:34,739

other Runners do you know what I mean

2377

01:48:39,530 --> 01:48:36,540

like you cheated like hell to do that

2378

01:48:43,850 --> 01:48:39,540

that's not worthy of respect that's

2379

01:48:47,450 --> 01:48:43,860

worthy of pity and and and feeling sorry

2380

01:48:50,450 --> 01:48:47,460

that somebody's such a slime ball greedy

2381

01:48:55,010 --> 01:48:50,460

bastard that they need to steal somebody

2382

01:48:57,290 --> 01:48:55,020

else's hard work and despite

2383

01:48:58,669 --> 01:48:57,300

what I think of news nation and Ross

2384

01:49:01,550 --> 01:48:58,679

Coulter it's hard work putting together

2385

01:49:04,910 --> 01:49:01,560

an hour interview with somebody filming

2386

01:49:08,450 --> 01:49:04,920

it editing it all that stuff right

2387

01:49:10,729 --> 01:49:08,460

yeah a click bait yeah well we try our

2388

01:49:12,830 --> 01:49:10,739

very best not to do that plan B says I

2389

01:49:14,229 --> 01:49:12,840

pity the pool Mr Drummond's gonna be

2390

01:49:16,850 --> 01:49:14,239

angry

2391

01:49:19,609 --> 01:49:16,860

I grew up watching Different Strokes and

2392

01:49:21,830 --> 01:49:19,619

and uh what is that other one uh The

2393

01:49:23,750 --> 01:49:21,840

Facts of Life I don't know why but my

2394

01:49:26,149 --> 01:49:23,760

dad watched both of them and so whatever

2395

01:49:27,530 --> 01:49:26,159

my dad put on the TV is what we watched

2396

01:49:29,930 --> 01:49:27,540

right

2397

01:49:34,010 --> 01:49:29,940

remember that episode with the bike shop

2398

01:49:38,390 --> 01:49:34,020

with uh Arnold and uh

2399

01:49:44,390 --> 01:49:40,609

how goes cutting back on the nicotine

2400

01:49:46,910 --> 01:49:44,400

I've been feeling bad yeah I'm doing

2401

01:49:49,010 --> 01:49:46,920

terrible actually here

2402

01:49:51,050 --> 01:49:49,020

I've got a bunch of Vapes look at this

2403

01:49:53,030 --> 01:49:51,060

one real manly right

2404

01:49:54,530 --> 01:49:53,040

um well I kind of like it they color

2405

01:49:57,350 --> 01:49:54,540

code them so this is some kind of

2406

01:49:59,270 --> 01:49:57,360

strawberry milkshake Vape and

2407

01:50:00,649 --> 01:49:59,280

I'm slowly getting used to them I'm

2408

01:50:02,570 --> 01:50:00,659

hopeful that I'm gonna quit the

2409

01:50:05,209 --> 01:50:02,580

cigarette soon

2410

01:50:06,950 --> 01:50:05,219

um but I keep buying Vapes and then I

2411

01:50:09,229 --> 01:50:06,960

Vape for a little while and then I go

2412

01:50:11,090 --> 01:50:09,239

back to the cigarettes it just I feel

2413

01:50:13,550 --> 01:50:11,100

like I could Vape for a half hour and I

2414

01:50:14,270 --> 01:50:13,560

would still want this the cigarettes you

2415

01:50:15,649 --> 01:50:14,280

know

2416

01:50:18,350 --> 01:50:15,659

and um

2417

01:50:20,030 --> 01:50:18,360

so we had quite a party here today with

2418

01:50:22,609 --> 01:50:20,040

like

2419

01:50:26,270 --> 01:50:22,619

our entire family an extended family and

2420

01:50:28,370 --> 01:50:26,280

we had Elmo it was a good day uh and I

2421

01:50:39,890 --> 01:50:28,380

hate that

2422

01:50:41,870 --> 01:50:39,900

I almost let these despicable

2423

01:50:44,750 --> 01:50:41,880

people

2424

01:50:46,790 --> 01:50:44,760

ruin what was a great day for me you

2425

01:50:49,490 --> 01:50:46,800

know like we had our two boys here

2426
01:50:51,770 --> 01:50:49,500
everybody uh all my wife's brothers and

2427
01:50:54,410 --> 01:50:51,780
sisters all brought their children we

2428
01:50:57,109 --> 01:50:54,420
had Elmo here we had pizza and hot dogs

2429
01:51:00,169 --> 01:50:57,119
and sauerkraut and all kinds of goodies

2430
01:51:03,590 --> 01:51:00,179
and everybody had a tremendous good time

2431
01:51:04,430 --> 01:51:03,600
today and we had a bounce house here and

2432
01:51:10,070 --> 01:51:04,440
uh

2433
01:51:12,410 --> 01:51:10,080
over the weekend I had an excellent

2434
01:51:14,689 --> 01:51:12,420
weekend at the cabin and I'm so angry

2435
01:51:18,290 --> 01:51:14,699
here I will show you for those that have

2436
01:51:20,629 --> 01:51:18,300
asked about the cabin bathroom project I

2437
01:51:23,510 --> 01:51:20,639
uh ran out the clock

2438
01:51:26,930 --> 01:51:23,520

I screwed myself this past weekend the

2439

01:51:30,590 --> 01:51:26,940

floor needed to be stained and

2440

01:51:33,050 --> 01:51:30,600

I stained it once but I put a real light

2441

01:51:35,090 --> 01:51:33,060

coat on it I think I think this is what

2442

01:51:36,310 --> 01:51:35,100

happened so the first coat it needed two

2443

01:51:38,930 --> 01:51:36,320

coats but

2444

01:51:42,410 --> 01:51:38,940

the first coat

2445

01:51:42,420 --> 01:51:45,530

so light

2446

01:51:49,189 --> 01:51:47,689

by the way it's the same stain color

2447

01:51:53,149 --> 01:51:49,199

that's on these walls

2448

01:51:54,950 --> 01:51:53,159

so the first coat was so light that six

2449

01:51:57,109 --> 01:51:54,960

or seven hours later the floor was dry

2450

01:51:59,629 --> 01:51:57,119

and ready for the second coat and

2451
01:52:01,669 --> 01:51:59,639
instead of going to bed I thought it was

2452
01:52:03,950 --> 01:52:01,679
three o'clock in the morning I think

2453
01:52:05,930 --> 01:52:03,960
I thought I'll stain it and then I'll go

2454
01:52:07,490 --> 01:52:05,940
to bed so three or four o'clock in the

2455
01:52:09,410 --> 01:52:07,500
morning I put the second coat of stain

2456
01:52:12,410 --> 01:52:09,420
on there on the floor

2457
01:52:15,109 --> 01:52:12,420
but apparently I put way too much stain

2458
01:52:17,450 --> 01:52:15,119
on the floor because the next day at

2459
01:52:19,729 --> 01:52:17,460
five o'clock at night you know like

2460
01:52:21,590 --> 01:52:19,739
dinner time it was still tacky and I

2461
01:52:23,810 --> 01:52:21,600
couldn't walk on it to finish the rest

2462
01:52:26,350 --> 01:52:23,820
of the work that needed to be completed

2463
01:52:29,810 --> 01:52:26,360

which was the trim and stuff like this

2464

01:52:33,050 --> 01:52:29,820

and hanging things we've got shelves now

2465

01:52:36,229 --> 01:52:33,060

we got some paintings we've got a

2466

01:52:39,189 --> 01:52:36,239

towel rack with a bear on it uh this

2467

01:52:41,209 --> 01:52:39,199

cabin bathroom is going to be finished

2468

01:52:44,149 --> 01:52:41,219

it would have been finished this weekend

2469

01:52:45,649 --> 01:52:44,159

if not for the drying issue

2470

01:52:47,209 --> 01:52:45,659

um and by the way the floor looks just

2471

01:52:48,950 --> 01:52:47,219

like these walls here and that's

2472

01:52:51,229 --> 01:52:48,960

actually

2473

01:52:54,109 --> 01:52:51,239

uh what usually people will call paper

2474

01:52:55,910 --> 01:52:54,119

bag flooring uh that's what it is it's

2475

01:52:57,709 --> 01:52:55,920

basically

2476
01:52:59,629 --> 01:52:57,719
people use paper bags but most people

2477
01:53:02,090 --> 01:52:59,639
that do this

2478
01:53:04,609 --> 01:53:02,100
um use Butcher Block paper these big

2479
01:53:06,590 --> 01:53:04,619
rolls of brown paper and you just Bunch

2480
01:53:09,350 --> 01:53:06,600
up that paper and you put it in buckets

2481
01:53:11,810 --> 01:53:09,360
that's half water and half glue and then

2482
01:53:13,910 --> 01:53:11,820
you spread it out on the walls and even

2483
01:53:16,310 --> 01:53:13,920
it out you let it dry and then you stain

2484
01:53:20,090 --> 01:53:16,320
and varnish it it's incredibly durable

2485
01:53:22,010 --> 01:53:20,100
it lasts forever and if the wall gets

2486
01:53:23,629 --> 01:53:22,020
dinged up or beat up you just stain and

2487
01:53:27,050 --> 01:53:23,639
varnish it again and it'll be good for

2488
01:53:30,410 --> 01:53:27,060

another few years so slowly but surely

2489

01:53:32,570 --> 01:53:30,420

this cabin project is almost done and

2490

01:53:34,790 --> 01:53:32,580

you can see in the corner here this so

2491

01:53:37,189 --> 01:53:34,800

next week I just have to polyurethane

2492

01:53:40,310 --> 01:53:37,199

the floor and I have to put a shower

2493

01:53:42,410 --> 01:53:40,320

curtain in and hang a few more things a

2494

01:53:45,229 --> 01:53:42,420

little bit of odds and ends so for those

2495

01:53:47,570 --> 01:53:45,239

that have asked next week for sure

2496

01:53:49,490 --> 01:53:47,580

I got maybe I shouldn't say next week

2497

01:53:51,770 --> 01:53:49,500

for sure because every week I think I'm

2498

01:53:54,590 --> 01:53:51,780

going to finish that thing and I don't

2499

01:53:57,470 --> 01:53:54,600

but I think I will especially this

2500

01:53:58,310 --> 01:53:57,480

weekend I'm gonna have an extra day

2501

01:54:00,109 --> 01:53:58,320

um

2502

01:54:03,709 --> 01:54:00,119

at the cabin I'm leaving on Thursday

2503

01:54:05,450 --> 01:54:03,719

coming back on Sunday I think so far uh

2504

01:54:07,790 --> 01:54:05,460

that's the plan so I have an extra day

2505

01:54:09,470 --> 01:54:07,800

but I also have to clean the cabin and

2506

01:54:13,430 --> 01:54:09,480

get rid of all the tools because my wife

2507

01:54:15,530 --> 01:54:13,440

and children will be there and uh yeah I

2508

01:54:16,669 --> 01:54:15,540

um I gotta finish that bathroom because

2509

01:54:18,770 --> 01:54:16,679

it's getting in the way of everything

2510

01:54:21,470 --> 01:54:18,780

else

2511

01:54:23,149 --> 01:54:21,480

oh there you go Mark Toronto says I'm

2512

01:54:25,129 --> 01:54:23,159

currently clear coating a pine cupboard

2513

01:54:27,649 --> 01:54:25,139

I built

2514

01:54:29,030 --> 01:54:27,659

good for you

2515

01:54:31,189 --> 01:54:29,040

yeah

2516

01:54:33,649 --> 01:54:31,199

humans it's it's so nice you're afraid

2517

01:54:36,070 --> 01:54:33,659

to take a dump in it yeah

2518

01:54:38,330 --> 01:54:36,080

Patty it really did come out beautiful

2519

01:54:40,669 --> 01:54:38,340

and I've got these shelves in the

2520

01:54:43,850 --> 01:54:40,679

corners of the room so I can put candles

2521

01:54:46,729 --> 01:54:43,860

I I have backups for everything it's the

2522

01:54:49,010 --> 01:54:46,739

apocalypse cabin Patty Wilhelm so in

2523

01:54:53,090 --> 01:54:49,020

that bathroom each of the shelves in the

2524

01:54:55,970 --> 01:54:53,100

corner have and will have a candle like

2525

01:54:57,830 --> 01:54:55,980

in a glass thing like a votive holder or

2526

01:54:58,810 --> 01:54:57,840

whatever we'll have a candle on each

2527

01:55:00,770 --> 01:54:58,820

Shelf

2528

01:55:14,209 --> 01:55:00,780

a

2529

01:55:17,090 --> 01:55:14,219

going to do when they're in full

2530

01:55:19,370 --> 01:55:17,100

lighting it'll be wonderful

2531

01:55:21,649 --> 01:55:19,380

Brian King Zack says awesome gorgeous

2532

01:55:23,870 --> 01:55:21,659

love it yeah I it really came out good

2533

01:55:27,129 --> 01:55:23,880

but what you have to remember is I'm not

2534

01:55:30,169 --> 01:55:27,139

a carpenter so all that custom woodwork

2535

01:55:31,850 --> 01:55:30,179

it was the worst project that I've done

2536

01:55:34,430 --> 01:55:31,860

at the cabin so far

2537

01:55:36,169 --> 01:55:34,440

because you got to go up on a ladder you

2538

01:55:38,510 --> 01:55:36,179

got to measure where you're putting one

2539

01:55:41,209 --> 01:55:38,520

board in then you got to go down mark

2540

01:55:44,390 --> 01:55:41,219

the board cut the board go back up nail

2541

01:55:46,550 --> 01:55:44,400

it up and then do it again and again and

2542

01:55:49,370 --> 01:55:46,560

again and there's like hundreds of

2543

01:55:52,550 --> 01:55:49,380

boards in this bathroom this took so

2544

01:55:54,470 --> 01:55:52,560

much time but thank you and uh we have

2545

01:55:56,810 --> 01:55:54,480

dead Minds podcast with Kylie Jenner's

2546

01:55:59,689 --> 01:55:56,820

five dollars says good keep up the good

2547

01:56:01,910 --> 01:55:59,699

work Steve the truth is somewhere yeah I

2548

01:56:03,770 --> 01:56:01,920

agree with you uh thank you for your

2549

01:56:05,689 --> 01:56:03,780

kindness generosity and support of the

2550

01:56:08,570 --> 01:56:05,699

show it is much much appreciated

2551

01:56:10,790 --> 01:56:08,580

thank you for uh helping us to praise

2552

01:56:12,770 --> 01:56:10,800

the cash and we want to thank all of our

2553

01:56:14,510 --> 01:56:12,780

kind and generous benefactors including

2554

01:56:15,890 --> 01:56:14,520

you patreon supporters and you channel

2555

01:56:18,050 --> 01:56:15,900

members thank you for kindness

2556

01:56:19,850 --> 01:56:18,060

generosity and support and thank you

2557

01:56:21,830 --> 01:56:19,860

deadminds podcast and all our super

2558

01:56:24,410 --> 01:56:21,840

super Chatters tonight for helping us to

2559

01:56:30,340 --> 01:56:24,420

praise the cash

2560

01:56:30,350 --> 01:56:44,570

[Music]

2561

01:56:44,580 --> 01:56:50,090

all right so

2562

01:56:50,100 --> 01:56:54,590

you can't have enough TP

2563

01:56:58,669 --> 01:56:56,149

I have a shelf

2564

01:57:02,149 --> 01:56:58,679

that goes on the side of the sink

2565

01:57:03,050 --> 01:57:02,159

and it holds like 12 rolls of toilet

2566

01:57:05,930 --> 01:57:03,060

paper

2567

01:57:07,070 --> 01:57:05,940

I'm Gonna Fill that [h__h] up I'm gonna

2568

01:57:10,669 --> 01:57:07,080

fill that up

2569

01:57:12,169 --> 01:57:10,679

and then there's a cabinet too so

2570

01:57:14,750 --> 01:57:12,179

we'll have plenty of toilet paper

2571

01:57:16,070 --> 01:57:14,760

there's a store called Dollar General I

2572

01:57:17,570 --> 01:57:16,080

don't know if you guys have those in

2573

01:57:19,729 --> 01:57:17,580

foreign countries

2574

01:57:21,350 --> 01:57:19,739

but it's kind of like a dollar store but

2575

01:57:24,830 --> 01:57:21,360

slightly

2576

01:57:26,810 --> 01:57:24,840

better and they have everything and uh

2577

01:57:28,970 --> 01:57:26,820

it's a great place to go because it's

2578

01:57:30,709 --> 01:57:28,980

right near the cabin and you know like

2579

01:57:32,149 --> 01:57:30,719

if you forget the mustard for the hot

2580

01:57:35,330 --> 01:57:32,159

dogs you just go over there if you need

2581

01:57:39,050 --> 01:57:35,340

a bag of ice or you need candles or

2582

01:57:40,970 --> 01:57:39,060

lighter fluid charcoal any toilet paper

2583

01:57:42,350 --> 01:57:40,980

paper cups anything I need for the

2584

01:57:49,750 --> 01:57:42,360

cabinet I just go over there and get it

2585

01:57:55,430 --> 01:57:53,330

did I have to put in a sand Mound uh no

2586

01:57:58,910 --> 01:57:55,440

because we use what's called a sawdust

2587

01:58:00,709 --> 01:57:58,920

toilet or a composting toilet

2588

01:58:03,109 --> 01:58:00,719

um I'm gonna do a whole show on the

2589

01:58:04,970 --> 01:58:03,119

composting toilet people come in that

2590

01:58:07,129 --> 01:58:04,980

bathroom including my neighbors friends

2591

01:58:08,990 --> 01:58:07,139

whatever they come to visit and they

2592

01:58:10,310 --> 01:58:09,000

expect that the bathroom is going to

2593

01:58:13,250 --> 01:58:10,320

smell like an outhouse and it never

2594

01:58:15,890 --> 01:58:13,260

smells you uh it's got a separator and

2595

01:58:18,530 --> 01:58:15,900

one and two gets separated and then you

2596

01:58:22,390 --> 01:58:18,540

put pine shavings in it and it

2597

01:58:24,830 --> 01:58:22,400

it doesn't stink believe it or not

2598

01:58:27,109 --> 01:58:24,840

eventually we will get a well and a

2599

01:58:30,109 --> 01:58:27,119

septic but that's about I don't know 50

2600

01:58:32,990 --> 01:58:30,119

or 60 thousand dollars so for now we

2601

01:58:35,330 --> 01:58:33,000

have a composting toilet which isn't

2602

01:58:37,010 --> 01:58:35,340

great but it beats what we did do first

2603

01:58:39,470 --> 01:58:37,020

when I first built the cabin we didn't

2604

01:58:41,689 --> 01:58:39,480

have the composting toilet we used the

2605

01:58:44,629 --> 01:58:41,699

toilet in a little tiny camping trailer

2606

01:58:46,609 --> 01:58:44,639

like a that slept two and has this

2607

01:58:48,530 --> 01:58:46,619

little tiny bathroom in it but then he

2608

01:58:51,649 --> 01:58:48,540

got an empty the pooper tank and that is

2609

01:58:53,990 --> 01:58:51,659

gross right you remember that National

2610

01:58:56,629 --> 01:58:54,000

Lampoon's Vacation Christmas vacation or

2611

01:58:58,729 --> 01:58:56,639

whatever the crapper's full that's what

2612

01:59:01,310 --> 01:58:58,739

you got to do and it is the grossest job

2613

01:59:03,290 --> 01:59:01,320

ever so now that we have a composting

2614

01:59:05,089 --> 01:59:03,300

toilet I mean it's not

2615

01:59:07,010 --> 01:59:05,099

it's not a great job to empty that thing

2616

01:59:08,629 --> 01:59:07,020

but it's so much better than the than

2617

01:59:10,790 --> 01:59:08,639

the

2618

01:59:12,530 --> 01:59:10,800

alternative which is a gray tank or a

2619

01:59:14,870 --> 01:59:12,540

black tank that you have to constantly

2620

01:59:17,030 --> 01:59:14,880

empty and those things fill up fast

2621

01:59:19,250 --> 01:59:17,040

with a bunch of people using them you

2622

01:59:24,770 --> 01:59:21,910

fill that be uh yeah

2623

01:59:28,790 --> 01:59:24,780

Piney fresh yeah it smells like it

2624

01:59:30,709 --> 01:59:28,800

doesn't actually you know Patty you know

2625

01:59:33,290 --> 01:59:30,719

when it's time to empty the composting

2626
01:59:35,089 --> 01:59:33,300
toilet because you won't get what smells

2627
01:59:38,330 --> 01:59:35,099
like sewage in there but you'll get this

2628
01:59:40,010 --> 01:59:38,340
weird sort of like sour smell and that's

2629
01:59:42,290 --> 01:59:40,020
when the thing starts really filling up

2630
01:59:43,970 --> 01:59:42,300
the the composting tank starts really

2631
01:59:46,370 --> 01:59:43,980
filling up and then you just take that

2632
01:59:48,830 --> 01:59:46,380
out you throw it in the compost bin and

2633
01:59:50,450 --> 01:59:48,840
it turns into dirt now I would some

2634
01:59:52,729 --> 01:59:50,460
people actually use that on vegetables

2635
01:59:54,890 --> 01:59:52,739
they grow I think that's gross uh we we

2636
01:59:57,950 --> 01:59:54,900
use it in flower beds but not in any

2637
02:00:00,709 --> 01:59:57,960
anything we eat you know

2638
02:00:02,390 --> 02:00:00,719

I just use kitty litter yeah oh that

2639

02:00:04,850 --> 02:00:02,400

maybe that works too right just get a

2640

02:00:08,030 --> 02:00:04,860

kitty box but the the cabin has

2641

02:00:10,310 --> 02:00:08,040

electricity and and internet now so you

2642

02:00:13,070 --> 02:00:10,320

know the last the only thing that the

2643

02:00:14,930 --> 02:00:13,080

cabin doesn't have is a flushing toilet

2644

02:00:17,930 --> 02:00:14,940

and I'm okay with it because the

2645

02:00:19,609 --> 02:00:17,940

alternative is a tank and a camper that

2646

02:00:22,310 --> 02:00:19,619

you have to constantly take down the

2647

02:00:25,970 --> 02:00:22,320

road and empty we have something for

2648

02:00:29,330 --> 02:00:25,980

that near the cabin but it's a hike and

2649

02:00:31,430 --> 02:00:29,340

uh or an outhouse and the outhouses are

2650

02:00:33,410 --> 02:00:31,440

gross it's just like a porta potty ever

2651
02:00:35,450 --> 02:00:33,420
been in a porta potty that it's gross

2652
02:00:37,490 --> 02:00:35,460
these composting toilets they don't

2653
02:00:40,970 --> 02:00:37,500
stink at all right

2654
02:00:44,750 --> 02:00:40,980
eat like this gorilla and your stuff

2655
02:00:46,490 --> 02:00:44,760
won't stink yes yeah absolutely so uh

2656
02:00:47,990 --> 02:00:46,500
what can I say we have done our due

2657
02:00:50,629 --> 02:00:48,000
diligence for today I wasn't going to

2658
02:00:53,149 --> 02:00:50,639
work today I thought I'll I'll just do

2659
02:00:55,250 --> 02:00:53,159
this tomorrow right because honestly I

2660
02:01:00,530 --> 02:00:55,260
think that this

2661
02:01:02,930 --> 02:01:00,540
nothing Burger I think it is a propped

2662
02:01:07,609 --> 02:01:02,940
up fake manufactured story

2663
02:01:10,669 --> 02:01:07,619

and I also want to say if this story

2664

02:01:13,669 --> 02:01:10,679

doesn't if this story never has evidence

2665

02:01:16,310 --> 02:01:13,679

to it and we never get the Smoking Gun

2666

02:01:18,470 --> 02:01:16,320

conclusive proof evidence of it then

2667

02:01:22,669 --> 02:01:18,480

none of the people involved in this

2668

02:01:24,649 --> 02:01:22,679

story should ever be welcome or allowed

2669

02:01:27,350 --> 02:01:24,659

anywhere near

2670

02:01:29,750 --> 02:01:27,360

making money in the UFO world ever again

2671

02:01:32,510 --> 02:01:29,760

now do I think that's going to happen no

2672

02:01:34,850 --> 02:01:32,520

these same people just deceived all of

2673

02:01:37,189 --> 02:01:34,860

us with this tsa story a few years ago

2674

02:01:40,790 --> 02:01:37,199

made millions of dollars TV show deals

2675

02:01:43,250 --> 02:01:40,800

book deals no evidence now it would

2676

02:01:46,070 --> 02:01:43,260

appear that allegedly all those same

2677

02:01:49,609 --> 02:01:46,080

people just propped this guy up and he's

2678

02:01:50,330 --> 02:01:49,619

got no evidence conveniently right but I

2679

02:01:52,370 --> 02:01:50,340

get

2680

02:01:54,770 --> 02:01:52,380

the True Believers want to believe this

2681

02:01:55,729 --> 02:01:54,780

[h__h] right the True Believers want to

2682

02:01:58,970 --> 02:01:55,739

believe it

2683

02:02:03,229 --> 02:02:01,010

if no evidence ever comes of this

2684

02:02:04,490 --> 02:02:03,239

they'll have a new guy soon right

2685

02:02:06,410 --> 02:02:04,500

they're already talking oh there's other

2686

02:02:07,970 --> 02:02:06,420

whistleblowers and by the way I think

2687

02:02:09,669 --> 02:02:07,980

tomorrow we're going to be covering the

2688

02:02:12,290 --> 02:02:09,679

Steven Greer garbage

2689

02:02:13,910 --> 02:02:12,300

disclosure Festival that cost thousands

2690

02:02:16,609 --> 02:02:13,920

of dollars or five hundred dollars or

2691

02:02:19,550 --> 02:02:16,619

whatever it costs to attend and like I

2692

02:02:22,129 --> 02:02:19,560

said the same slime balls that are

2693

02:02:24,109 --> 02:02:22,139

stealing this story from news nation and

2694

02:02:26,570 --> 02:02:24,119

illegally re-broadcasting it while

2695

02:02:30,410 --> 02:02:26,580

collecting money to illegally

2696

02:02:33,530 --> 02:02:30,420

rebroadcast uh copyrighted interview

2697

02:02:35,510 --> 02:02:33,540

they don't own and have no rights to are

2698

02:02:38,510 --> 02:02:35,520

the same people that are promoting the

2699

02:02:40,010 --> 02:02:38,520

Greer garbage Festival it's a garbage

2700

02:02:42,950 --> 02:02:40,020

Festival

2701
02:02:45,589 --> 02:02:42,960
he's got some fake whistleblowers with

2702
02:02:48,229 --> 02:02:45,599
no evidence congratulations this is a

2703
02:02:51,470 --> 02:02:48,239
really historic disclosure event

2704
02:02:54,109 --> 02:02:51,480
uh if you count nothing Burgers as

2705
02:02:57,770 --> 02:02:54,119
disclosure events but we'll break all of

2706
02:03:00,649 --> 02:02:57,780
that down for you uh on tomorrow's show

2707
02:03:03,770 --> 02:03:00,659
uh for now I you know I'm gonna

2708
02:03:06,910 --> 02:03:03,780
uh hold my comments about that because

2709
02:03:09,290 --> 02:03:06,920
uh you know

2710
02:03:11,089 --> 02:03:09,300
edgarian I love how Greer tries to

2711
02:03:12,530 --> 02:03:11,099
pretend these hearings are legit and

2712
02:03:15,530 --> 02:03:12,540
they have the eye of the government on

2713
02:03:19,189 --> 02:03:15,540

it yeah it's all stagecraft it's all an

2714

02:03:21,290 --> 02:03:19,199

illusion a deceptive illusion of an

2715

02:03:23,330 --> 02:03:21,300

historic disclosure event with

2716

02:03:26,149 --> 02:03:23,340

whistleblowers but the whistleblowers

2717

02:03:29,149 --> 02:03:26,159

are largely garbage Peddlers so with no

2718

02:03:31,129 --> 02:03:29,159

evidence so who cares right and I get it

2719

02:03:32,870 --> 02:03:31,139

some of them like this Eric Hecker okay

2720

02:03:35,570 --> 02:03:32,880

you got a picture of you at the North

2721

02:03:37,450 --> 02:03:35,580

Pole you don't have proof of your claims

2722

02:03:40,729 --> 02:03:37,460

of what's going on at the North Pole

2723

02:03:43,790 --> 02:03:40,739

none you know according to him his

2724

02:03:45,950 --> 02:03:43,800

evidence is documents that he downloaded

2725

02:03:47,990 --> 02:03:45,960

largely from theblackvault.com but he

2726

02:03:50,030 --> 02:03:48,000

did have some other document he claimed

2727

02:03:53,510 --> 02:03:50,040

was a government document that was

2728

02:03:56,390 --> 02:03:53,520

marked at the top classified as hell

2729

02:03:59,030 --> 02:03:56,400

you gotta love it you know so it is what

2730

02:04:02,689 --> 02:03:59,040

it is and and by the way I guess we're

2731

02:04:04,729 --> 02:04:02,699

gonna do four shows this week which is

2732

02:04:06,410 --> 02:04:04,739

going against my I said our summer

2733

02:04:10,010 --> 02:04:06,420

schedule is three shows and we're gonna

2734

02:04:12,109 --> 02:04:10,020

do three shows three great shows and you

2735

02:04:14,629 --> 02:04:12,119

know I have to have time for the the

2736

02:04:18,109 --> 02:04:14,639

cabin projects and and for vacationing

2737

02:04:20,990 --> 02:04:18,119

and look you know uh we worked hard here

2738

02:04:23,990 --> 02:04:21,000

all winter all spring

2739

02:04:26,149 --> 02:04:24,000

uh I want to take my children fishing I

2740

02:04:28,490 --> 02:04:26,159

want to take my children on kayaks and

2741

02:04:31,370 --> 02:04:28,500

canoes and row boats on the Lakes all

2742

02:04:33,830 --> 02:04:31,380

around the cabin it's a tremendous gift

2743

02:04:36,649 --> 02:04:33,840

of of uh

2744

02:04:39,290 --> 02:04:36,659

you know recreational activities around

2745

02:04:42,589 --> 02:04:39,300

the I picked where the cabin is because

2746

02:04:45,350 --> 02:04:42,599

there are state parks there's waterfalls

2747

02:04:48,890 --> 02:04:45,360

there's Lakes there's trout streams

2748

02:04:51,589 --> 02:04:48,900

there's Rivers there is hiking trails

2749

02:04:54,649 --> 02:04:51,599

all over the place there is state game

2750

02:04:57,770 --> 02:04:54,659

lands to explore there is the new cabin

2751
02:05:00,410 --> 02:04:57,780
land to do something with there is so

2752
02:05:02,810 --> 02:05:00,420
much to do there and uh

2753
02:05:05,030 --> 02:05:02,820
every year and I've said this before we

2754
02:05:07,129 --> 02:05:05,040
listen this year I said I'm only going

2755
02:05:07,910 --> 02:05:07,139
to do three shows a week because every

2756
02:05:10,250 --> 02:05:07,920
year

2757
02:05:12,350 --> 02:05:10,260
in the summertime especially the views

2758
02:05:14,810 --> 02:05:12,360
just drop they go down 30 to 40 percent

2759
02:05:17,209 --> 02:05:14,820
and that the reason is everybody else is

2760
02:05:19,129 --> 02:05:17,219
outside so why do I want to be sitting

2761
02:05:21,290 --> 02:05:19,139
in front of a computer when I have a

2762
02:05:23,990 --> 02:05:21,300
cabin I want to be with my family at the

2763
02:05:27,589 --> 02:05:24,000

cabin I want to be at the at the at the

2764

02:05:29,270 --> 02:05:27,599

campfire right I'm gonna have uh you

2765

02:05:31,250 --> 02:05:29,280

know there has to be some balance but

2766

02:05:33,530 --> 02:05:31,260

this week especially considering we're

2767

02:05:35,149 --> 02:05:33,540

hitting 1 million views this week we'll

2768

02:05:36,890 --> 02:05:35,159

do an extra show

2769

02:05:40,310 --> 02:05:36,900

but then we're right back to three next

2770

02:05:43,010 --> 02:05:40,320

week I hope we'll see

2771

02:05:45,229 --> 02:05:43,020

yes Patty says lots of natural beauty in

2772

02:05:46,669 --> 02:05:45,239

that area yeah and a lot of Bigfoot

2773

02:05:51,050 --> 02:05:46,679

sight maybe I just want to go look for

2774

02:05:56,030 --> 02:05:54,050

Brian King's uh X7 says I like the way

2775

02:05:57,770 --> 02:05:56,040

you peel away the onion of the grifter

2776

02:06:00,229 --> 02:05:57,780

stagecraft Steve yeah thank you I

2777

02:06:02,870 --> 02:06:00,239

appreciate it so we have done our due

2778

02:06:04,370 --> 02:06:02,880

diligence today and by the way we didn't

2779

02:06:07,550 --> 02:06:04,380

illegally

2780

02:06:09,830 --> 02:06:07,560

steal somebody else's broadcasts and

2781

02:06:12,350 --> 02:06:09,840

charge you know collect money while we

2782

02:06:13,910 --> 02:06:12,360

were doing something illegal like I

2783

02:06:16,550 --> 02:06:13,920

can't even believe these people are this

2784

02:06:20,209 --> 02:06:16,560

stupid and we didn't lie to you about

2785

02:06:23,270 --> 02:06:20,219

and and hype this so-called

2786

02:06:24,530 --> 02:06:23,280

whistleblower with no evidence listen if

2787

02:06:26,870 --> 02:06:24,540

you're a whistleblower you've got

2788

02:06:29,089 --> 02:06:26,880

evidence and these excuses like while I

2789

02:06:31,250 --> 02:06:29,099

do have evidence but it's classified and

2790

02:06:34,189 --> 02:06:31,260

I gave it to Congress members of

2791

02:06:36,410 --> 02:06:34,199

Congress and by the way

2792

02:06:38,810 --> 02:06:36,420

the chairman of the house intelligence

2793

02:06:40,790 --> 02:06:38,820

committee disputes

2794

02:06:43,370 --> 02:06:40,800

talking to this man to the best of my

2795

02:06:45,649 --> 02:06:43,380

knowledge and will bring more clarity to

2796

02:06:47,570 --> 02:06:45,659

that issue the next time we cover him

2797

02:06:48,830 --> 02:06:47,580

because we're going to be doing some

2798

02:06:51,229 --> 02:06:48,840

fact checking

2799

02:06:54,890 --> 02:06:51,239

right and the story is either going to

2800

02:06:58,490 --> 02:06:54,900

stand on its own as truthful and reality

2801
02:07:00,229 --> 02:06:58,500
or it's going to come crashing down I

2802
02:07:03,109 --> 02:07:00,239
know what I think is going to happen so

2803
02:07:04,609 --> 02:07:03,119
stay tuned so what what can I say

2804
02:07:07,550 --> 02:07:04,619
friends we want to thank each and every

2805
02:07:08,270 --> 02:07:07,560
one of you for joining us tonight

2806
02:07:10,310 --> 02:07:08,280
um

2807
02:07:13,430 --> 02:07:10,320
we had a great attendance tonight and we

2808
02:07:15,370 --> 02:07:13,440
didn't do anything illegal to uh you

2809
02:07:18,530 --> 02:07:15,380
know

2810
02:07:21,169 --> 02:07:18,540
unfairly get viewers we don't earn or

2811
02:07:23,689 --> 02:07:21,179
deserve I think that's why it bothers me

2812
02:07:26,149 --> 02:07:23,699
because these people got all these

2813
02:07:30,709 --> 02:07:26,159

viewers and they had no right to do that

2814

02:07:34,070 --> 02:07:32,750

but it is what it is and this is where

2815

02:07:36,050 --> 02:07:34,080

we're at and this is where we find

2816

02:07:38,750 --> 02:07:36,060

ourselves so we'll be back tomorrow

2817

02:07:41,570 --> 02:07:38,760

night 9 p.m Eastern Standard Time as

2818

02:07:45,350 --> 02:07:41,580

usual friends and so that's all we got

2819

02:07:47,149 --> 02:07:45,360

for you until next time friends uh my

2820

02:07:50,330 --> 02:07:47,159

name is Stephen cambian

2821

02:07:54,649 --> 02:07:50,340

reminding you that the truth is out

2822

02:07:58,910 --> 02:07:54,659

there it just may piss you off

2823

02:08:04,189 --> 02:08:01,250

please join us tomorrow night 9 pm

2824

02:08:06,109 --> 02:08:04,199

Eastern Standard time we'll be back

2825

02:08:34,850 --> 02:08:06,119

my name is Stephen Camby and good night

2826
02:08:34,860 --> 02:08:37,560
thank you

2827
02:09:37,669 --> 02:09:00,229
[Music]

2828
02:09:37,679 --> 02:09:42,420
foreign

2829
02:10:27,410 --> 02:10:25,970
[Music]

2830
02:10:33,220 --> 02:10:27,420
[Applause]

2831
02:11:08,570 --> 02:10:39,670
[Music]

2832
02:11:31,220 --> 02:11:11,340
foreign

2833
02:11:31,230 --> 02:11:54,729
[Music]
