

Truth Seekers

@STEVEN CAMBIAN

**DR. STEVEN GREER'S
PORTA POTTY
TOP SECRET BASE!**

1
00:00:11,750 --> 00:00:09,110
he also was read into and had the chief

2
00:00:14,450 --> 00:00:11,760
scientist shohan the location which this

3
00:00:17,029 --> 00:00:14,460
is another thing there is there's these

4
00:00:19,970 --> 00:00:17,039
illustrations in this thing

5
00:00:22,790 --> 00:00:19,980
and you see that thing in the background

6
00:00:25,429 --> 00:00:22,800
I think those are porta potties I'm not

7
00:00:28,070 --> 00:00:25,439
sure but I think they're porta potties

8
00:00:30,290 --> 00:00:28,080
and according to these illustrations

9
00:00:31,849 --> 00:00:30,300
there's these secret underground bases

10
00:00:34,130 --> 00:00:31,859
that that are big enough for like

11
00:00:35,990 --> 00:00:34,140
hundreds of people to work in and

12
00:00:37,790 --> 00:00:36,000
apparently they're so secret that the

13
00:00:41,150 --> 00:00:37,800

government just lets everybody Park

14

00:00:44,330 --> 00:00:41,160

their car right outside the secret base

15

00:00:48,290 --> 00:00:44,340

and there's listen if you gotta take a

16

00:00:50,990 --> 00:00:48,300

dump there's porta potties there's porta

17

00:00:54,290 --> 00:00:51,000

potties outside the secret underground

18

00:00:56,209 --> 00:00:54,300

bases so if you gotta listen sometimes

19

00:00:59,090 --> 00:00:56,219

maybe you just gotta you're driving to

20

00:01:01,310 --> 00:00:59,100

work you gotta take a big dump and maybe

21

00:01:02,450 --> 00:01:01,320

they don't have bathrooms in the

22

00:01:04,910 --> 00:01:02,460

underground

23

00:01:06,830 --> 00:01:04,920

secret alien bases we're working on the

24

00:01:09,230 --> 00:01:06,840

alien spacecraft

25

00:01:11,390 --> 00:01:09,240

they have such technology that they can

26
00:01:12,890 --> 00:01:11,400
back engineer aliens he's cramped but

27
00:01:16,030 --> 00:01:12,900
they can't figure out how to put a

28
00:01:19,370 --> 00:01:16,040
bathroom in that [\h__\h] underground

29
00:01:22,550 --> 00:01:19,380
instead they got porta potties all along

30
00:01:24,770 --> 00:01:22,560
the back row and this base is ultra top

31
00:01:26,929 --> 00:01:24,780
secret it is housing the most secret

32
00:01:29,510 --> 00:01:26,939
things on planet Earth

33
00:01:32,510 --> 00:01:29,520
the the greatest secrets of the United

34
00:01:33,830 --> 00:01:32,520
States Shadow cabal you know black

35
00:01:35,090 --> 00:01:33,840
budget

36
00:01:37,550 --> 00:01:35,100
government

37
00:01:39,830 --> 00:01:37,560
you know the Deep State it's the most

38
00:01:42,710 --> 00:01:39,840

secret base of the deep state but we're

39

00:01:45,109 --> 00:01:42,720

gonna put a row of like

40

00:01:46,910 --> 00:01:45,119

all these porta potties out there and

41

00:01:50,450 --> 00:01:46,920

we're just gonna let everybody Park

42

00:01:54,770 --> 00:01:50,460

their cars right outside where you go

43

00:01:57,770 --> 00:01:54,780

into the secret base and there's listen

44

00:02:00,289 --> 00:01:57,780

they would not do that there's Russian

45

00:02:03,109 --> 00:02:00,299

satellites that would pick this up in a

46

00:02:05,209 --> 00:02:03,119

minute in a minute there's Chinese

47

00:02:07,550 --> 00:02:05,219

satellites that would pick this up in a

48

00:02:09,469 --> 00:02:07,560

minute you don't put an underground base

49

00:02:11,930 --> 00:02:09,479

somewhere and then just let hundreds of

50

00:02:14,690 --> 00:02:11,940

people come to work and park right

51
00:02:19,430 --> 00:02:14,700
outside in a row and then put Port

52
00:02:22,550 --> 00:02:19,440
bodies in case we want to take his [h__\h]

53
00:02:24,010 --> 00:02:22,560
oh my God this is so stupid what am I

54
00:02:26,570 --> 00:02:24,020
doing here

55
00:02:28,910 --> 00:02:26,580
all right underground military base

56
00:02:32,630 --> 00:02:28,920
serious stuff it's in the dugway sector

57
00:02:34,010 --> 00:02:32,640
so-called Avery sector k-v-e-r-y all

58
00:02:36,410 --> 00:02:34,020
right and that's another thing he said

59
00:02:39,050 --> 00:02:36,420
it's in the dugway Proving Grounds so we

60
00:02:41,210 --> 00:02:39,060
can look on satellite maps and as

61
00:02:43,430 --> 00:02:41,220
ridiculous as it sounds I went looking

62
00:02:45,770 --> 00:02:43,440
for big rows of cars and porta potties

63
00:02:47,630 --> 00:02:45,780

out by The dugway Proving Grounds and I

64

00:02:51,410 --> 00:02:47,640

couldn't find anything I couldn't find

65

00:02:53,750 --> 00:02:51,420

[h__\h] so is this fake well uh this is

66

00:02:56,210 --> 00:02:53,760

another anonymous source and if you look

67

00:02:58,550 --> 00:02:56,220

at the logic and the Ridiculousness of

68

00:03:01,729 --> 00:02:58,560

this whole thing I think you might agree

69

00:03:03,470 --> 00:03:01,739

that this is probably a tall tale and by

70

00:03:05,509 --> 00:03:03,480

the way there's more illustrations with

71

00:03:08,210 --> 00:03:05,519

the porta potties and the cars I think

72

00:03:10,210 --> 00:03:08,220

it has huge capacity for parking you go

73

00:03:13,250 --> 00:03:10,220

in and there's a vast underground

74

00:03:15,710 --> 00:03:13,260

complex in that location that location

75

00:03:17,509 --> 00:03:15,720

has been handed off to investors and

76

00:03:20,210 --> 00:03:17,519

here's the thing if there's huge

77

00:03:22,970 --> 00:03:20,220

capacity for parking why is everybody

78

00:03:25,309 --> 00:03:22,980

parking their car on the surface then

79

00:03:27,610 --> 00:03:25,319

this makes no sense this is a total

80

00:03:30,229 --> 00:03:27,620

contradiction

81

00:03:32,509 --> 00:03:30,239

this gives an illustration of the size

82

00:03:34,610 --> 00:03:32,519

of this you can put easily on the

83

00:03:37,809 --> 00:03:34,620

platform that goes down the Air Force

84

00:03:41,270 --> 00:03:37,819

One it's a very large elevator goes down

85

00:03:43,369 --> 00:03:41,280

I told you okay so this location has

86

00:03:44,869 --> 00:03:43,379

been handed off according to Greer with

87

00:03:47,550 --> 00:03:44,879

investigators with the US government

88

00:03:48,649 --> 00:03:47,560

which investigators which department

89

00:03:50,750 --> 00:03:48,659

[Music]

90

00:03:53,990 --> 00:03:50,760

is investigating this can we have their

91

00:03:56,990 --> 00:03:54,000

names oh of course not but what we what

92

00:03:58,550 --> 00:03:57,000

we can get is see there's the entrance

93

00:04:00,890 --> 00:03:58,560

to the underground base looks like a

94

00:04:02,289 --> 00:04:00,900

little shed there next to the poor

95

00:04:05,030 --> 00:04:02,299

[h__\h]

96

00:04:08,030 --> 00:04:05,040

I'm sorry I can't get over the porta

97

00:04:10,250 --> 00:04:08,040

potties why would you just have a

98

00:04:12,710 --> 00:04:10,260

parking lot outside a deep underground

99

00:04:15,830 --> 00:04:12,720

military base where everybody could park

100

00:04:18,949 --> 00:04:15,840

and [h__\h] like this doesn't make any

101
00:04:21,050 --> 00:04:18,959
sense whatsoever I'm sorry there are

102
00:04:23,570 --> 00:04:21,060
underground bases but they don't look

103
00:04:26,390 --> 00:04:23,580
like this on the surface the point of an

104
00:04:29,390 --> 00:04:26,400
underground base is two things

105
00:04:32,150 --> 00:04:29,400
it usually bunkers to prevent like a

106
00:04:35,450 --> 00:04:32,160
nuclear you know anything nuclear from

107
00:04:37,490 --> 00:04:35,460
reaching them or to provide secrecy to

108
00:04:39,830 --> 00:04:37,500
work on things I would think

109
00:04:41,990 --> 00:04:39,840
uh it kind of blows the secret these

110
00:04:45,830 --> 00:04:42,000
thing out when you've got you know 25

111
00:04:48,890 --> 00:04:45,840
porta potties and a hundred or 150 cars

112
00:04:50,150 --> 00:04:48,900
out there and this makes no sense why

113
00:04:52,790 --> 00:04:50,160

would people not pull you got enough

114

00:04:55,850 --> 00:04:52,800

space under there for the Air Force One

115

00:04:57,230 --> 00:04:55,860

and helicopters and a train but you

116

00:04:58,010 --> 00:04:57,240

don't got enough space for people to

117

00:05:00,170 --> 00:04:58,020

park

118

00:05:02,030 --> 00:05:00,180

nice and you don't got bathrooms why

119

00:05:05,510 --> 00:05:02,040

don't they got bathrooms in the deep

120

00:05:07,969 --> 00:05:05,520

underground base you're like listen this

121

00:05:10,430 --> 00:05:07,979

is so stupid and so ridiculous right

122

00:05:13,730 --> 00:05:10,440

like imagine the scientists that work

123

00:05:16,909 --> 00:05:13,740

there like listen I would like to keep

124

00:05:19,370 --> 00:05:16,919

trying to back engineer this uh alien

125

00:05:22,730 --> 00:05:19,380

spacecraft but I've really gotta take a

126

00:05:25,930 --> 00:05:22,740

[h__h] so I gotta go up top I gotta go top

127

00:05:29,210 --> 00:05:25,940

side and use the porta potty

128

00:05:32,270 --> 00:05:29,220

I gotta go top side and take a [h__h]

129

00:05:35,529 --> 00:05:32,280

before I could continue to back engineer

130

00:05:38,689 --> 00:05:35,539

this alien space

131

00:05:42,710 --> 00:05:38,699

so stupid and

132

00:05:46,610 --> 00:05:42,720

as stupid as this is imagine the idiots

133

00:05:50,150 --> 00:05:46,620

that helped hype this that helped this

134

00:05:54,070 --> 00:05:50,160

man take money from people for this

135

00:05:57,830 --> 00:05:54,080

level of stupidity this level of
