@STEVEN CAMBIAN

## EARLY RED FLAGS ABOUT "UFO WHISTLEBLOWER" DAVID GRUSCH

1  
00:00:01,680 --> 00:00:07,210  
foreign

2  
00:00:12,770 --> 00:00:09,890  
there are an incredible amount of red

3  
00:00:16,010 --> 00:00:12,780  
flags of this story and we're going to

4  
00:00:17,390 --> 00:00:16,020  
go through the red flags quickly here I

5  
00:00:19,130 --> 00:00:17,400  
want to try to keep it brief tonight

6  
00:00:21,230 --> 00:00:19,140  
because I'm sure more information is

7  
00:00:23,510 --> 00:00:21,240  
going to break about this and right now

8  
00:00:26,390 --> 00:00:23,520  
we're all operating in a vacuum but I

9  
00:00:28,609 --> 00:00:26,400  
did notice uh 10 red flags and actually

10  
00:00:30,290 --> 00:00:28,619  
I noticed more but I ran out the clock

11  
00:00:32,510 --> 00:00:30,300  
trying to make a presentation for

12  
00:00:35,030 --> 00:00:32,520  
tonight so please forgive me red flag

13  
00:00:37,310 --> 00:00:35,040

number one is that the people selling

14

00:00:41,830 --> 00:00:37,320

this story have all been caught selling

15

00:00:47,030 --> 00:00:44,450

completely got the atip story wrong

16

00:00:50,090 --> 00:00:47,040

completely got the the whole thing wrong

17

00:00:53,389 --> 00:00:50,100

they trusted the stories that they were

18

00:00:55,189 --> 00:00:53,399

told as true from Lu Elizondo turns out

19

00:00:56,689 --> 00:00:55,199

much of what he told them he was the

20

00:00:58,930 --> 00:00:56,699

primary source for that New York Times

21

00:01:02,330 --> 00:00:58,940

article turned out to be factually

22

00:01:04,430 --> 00:01:02,340

completely incorrect they also sold that

23

00:01:06,530 --> 00:01:04,440

story about Harry Reid confirming this

24

00:01:10,910 --> 00:01:06,540

stuff then they had to walk that story

25

00:01:13,789 --> 00:01:10,920

back so and Ross coldthart provably sold

26

00:01:17,210 --> 00:01:13,799

the story of the British Parliament all

27

00:01:20,030 --> 00:01:17,220

being involved in a ring of

28

00:01:22,490 --> 00:01:20,040

children Predators essentially right

29

00:01:25,010 --> 00:01:22,500

that story turned out to be completely

30

00:01:27,469 --> 00:01:25,020

and totally fake then Ross colthar comes

31

00:01:29,870 --> 00:01:27,479

into the UFO Community with his huge

32

00:01:32,210 --> 00:01:29,880

Bluff that they had conclusive proof of

33

00:01:35,330 --> 00:01:32,220

alien technology confirmed by Michio

34

00:01:37,670 --> 00:01:35,340

Kaku go ask Michio Kaku if he confirms

35

00:01:39,950 --> 00:01:37,680

alien technology and when he's done

36

00:01:41,569 --> 00:01:39,960

laughing right

37

00:01:43,249 --> 00:01:41,579

he'll tell you he didn't confirm

38

00:01:45,670 --> 00:01:43,259

anything and he wasn't even shown

39

00:01:49,929 --> 00:01:45,680

evidence by Ross Colbert but you see

40

00:01:52,789 --> 00:01:49,939

these people they carefully craft

41

00:01:55,789 --> 00:01:52,799

narratives they put together illusions

42

00:01:57,950 --> 00:01:55,799

of true stories so the people selling

43

00:01:59,990 --> 00:01:57,960

this story and this is a verifiable fact

44

00:02:01,730 --> 00:02:00,000

so I'm not going to argue with people

45

00:02:04,670 --> 00:02:01,740

but the people that are selling this

46

00:02:07,969 --> 00:02:04,680

current big story have all been caught

47

00:02:09,589 --> 00:02:07,979

selling provably fake stories before red

48

00:02:11,510 --> 00:02:09,599

flag number two

49

00:02:13,490 --> 00:02:11,520

these are secondhand accounts from

50

00:02:15,410 --> 00:02:13,500

someone who was never directly involved

51  
00:02:18,050 --> 00:02:15,420  
in any of these so-called top secret

52  
00:02:20,150 --> 00:02:18,060  
programs these are just stories that

53  
00:02:22,250 --> 00:02:20,160  
people told him now he says he has

54  
00:02:24,290 --> 00:02:22,260  
evidence he says he has documents

55  
00:02:28,190 --> 00:02:24,300  
nobody's allowed to see them that's

56  
00:02:34,369 --> 00:02:30,830  
red flag number three according to Brian

57  
00:02:38,030 --> 00:02:34,379  
Bender this man was quote groomed

58  
00:02:40,369 --> 00:02:38,040  
unquote by Lou Elizondo and it was Lou

59  
00:02:42,710 --> 00:02:40,379  
Elizondo who misled reporters for years

60  
00:02:44,990 --> 00:02:42,720  
about a fake UFO program that was never

61  
00:02:47,330 --> 00:02:45,000  
funded Never official and never secret

62  
00:02:51,050 --> 00:02:47,340  
since that program never actually

63  
00:02:53,270 --> 00:02:51,060

existed uh Elizondo had to admit it

64

00:02:55,610 --> 00:02:53,280

wasn't a program it was an activity he

65

00:02:58,070 --> 00:02:55,620

did in his spare time it wasn't his

66

00:03:00,710 --> 00:02:58,080

primary job he wasn't the director of

67

00:03:03,890 --> 00:03:00,720

anything he was the director of a

68

00:03:05,990 --> 00:03:03,900

program in his own imagination and this

69

00:03:09,410 --> 00:03:06,000

man who has been lying to us for years

70

00:03:12,350 --> 00:03:09,420

lied to us with tsa lied to us about

71

00:03:15,110 --> 00:03:12,360

atip lied to us about the Felon five

72

00:03:17,630 --> 00:03:15,120

lied to us about more and more and more

73

00:03:20,630 --> 00:03:17,640

lied about I think he lied about being a

74

00:03:22,550 --> 00:03:20,640

remote viewer and having super powers oh

75

00:03:25,670 --> 00:03:22,560

and that gets into a whole thing too

76

00:03:27,649 --> 00:03:25,680

remember that the lies are ridiculous

77

00:03:32,170 --> 00:03:27,659

they get more and more ridiculous as

78

00:03:36,110 --> 00:03:32,180

time goes on and there is a one second

79

00:03:37,070 --> 00:03:36,120

there is a video making the rounds right

80

00:03:39,050 --> 00:03:37,080

now

81

00:03:42,710 --> 00:03:39,060

uh which I think is incredibly

82

00:03:44,869 --> 00:03:42,720

interesting it's a video of Tom DeLonge

83

00:03:47,350 --> 00:03:44,879

talking about war stories that

84

00:03:51,110 --> 00:03:47,360

apparently he was told by liar Lou

85

00:03:52,250 --> 00:03:51,120

Elizondo and uh this is very problematic

86

00:03:56,449 --> 00:03:52,260

because this is a hundred percent

87

00:03:58,149 --> 00:03:56,459

provably fake story it can't be true but

88

00:04:00,890 --> 00:03:58,159

let's take a listen at Tom DeLong

89

00:04:02,930 --> 00:04:00,900

repeating lies that allegedly or

90

00:04:04,089 --> 00:04:02,940

apparently he was told by Lou Alexander

91

00:04:07,970 --> 00:04:04,099

special

92

00:04:10,309 --> 00:04:07,980

like a soldier you know he fought yeah

93

00:04:14,449 --> 00:04:10,319

um he fought the Taliban in Afghanistan

94

00:04:18,370 --> 00:04:14,459

like a month after 9 11. a secretary of

95

00:04:21,229 --> 00:04:18,380

uh defense Mattis

96

00:04:23,270 --> 00:04:21,239

Mattis saved his life blue got pinned

97

00:04:24,830 --> 00:04:23,280

down in a huge machine gun fight none of

98

00:04:25,730 --> 00:04:24,840

this is true and this is he called for

99

00:04:27,830 --> 00:04:25,740

air support and they said there's

100

00:04:29,629 --> 00:04:27,840

nothing in the area and he said I looked

101  
00:04:31,249 --> 00:04:29,639  
at my friend I said we are going to die

102  
00:04:32,810 --> 00:04:31,259  
we're dead there's like 100 of them

103  
00:04:34,430 --> 00:04:32,820  
shooting and they're they're pinning on

104  
00:04:36,469 --> 00:04:34,440  
a rock then he heard something on the

105  
00:04:39,830 --> 00:04:36,479  
radio and Mattis comes flying in on like

106  
00:04:41,450 --> 00:04:39,840  
one of those Bradley Vehicles saying and

107  
00:04:43,189 --> 00:04:41,460  
the big door flies down and so get in

108  
00:04:44,629 --> 00:04:43,199  
boys he's in the T-shirt he's on busy

109  
00:04:46,610 --> 00:04:44,639  
I'll get to you in a second he's on the

110  
00:04:49,370 --> 00:04:46,620  
automatic grenade launcher just wiping

111  
00:04:50,870 --> 00:04:49,380  
people out you know and he just he loses

112  
00:04:52,850 --> 00:04:50,880  
it he's on the ground just looking up at

113  
00:04:54,950 --> 00:04:52,860

this guy in the sunset kind of thing

114

00:04:58,550 --> 00:04:54,960

like who the [h\_\_\h] is this guy you know

115

00:05:00,650 --> 00:04:58,560

and he saved their his life you know so

116

00:05:03,409 --> 00:05:00,660

but salute came from like really being

117

00:05:05,570 --> 00:05:03,419

in war to moving up to a place where he

118

00:05:07,909 --> 00:05:05,580

had a lot of responsibility with a lot

119

00:05:10,070 --> 00:05:07,919

of very sensitive things and

120

00:05:13,010 --> 00:05:10,080

and by the way friends none of that is

121

00:05:15,650 --> 00:05:13,020

true that entire story is completely and

122

00:05:17,510 --> 00:05:15,660

totally fake and made up and I can prove

123

00:05:20,030 --> 00:05:17,520

it there's a timeline of when Lou

124

00:05:22,370 --> 00:05:20,040

Elizondo was in the Army there's a

125

00:05:24,350 --> 00:05:22,380

timeline uh or you know there's a

126

00:05:27,110 --> 00:05:24,360

timeline as well

127

00:05:28,730 --> 00:05:27,120

the timelines don't match up that story

128

00:05:32,029 --> 00:05:28,740

couldn't have happened and just so

129

00:05:35,810 --> 00:05:32,039

everybody's aware uh multi-star generals

130

00:05:39,290 --> 00:05:35,820

don't operate machine guns from you know

131

00:05:43,430 --> 00:05:39,300

tanks or anything they don't do that

132

00:05:46,310 --> 00:05:43,440

they're in offices directing their army

133

00:05:48,350 --> 00:05:46,320

officers this is a totally made up story

134

00:05:51,170 --> 00:05:48,360

did Lou Elizondo tell them that what

135

00:05:53,090 --> 00:05:51,180

about Lou Elizondo telling uh

136

00:05:55,430 --> 00:05:53,100

people that he has remote viewing

137

00:05:57,710 --> 00:05:55,440

superpowers and then refusing to comment

138

00:05:59,629 --> 00:05:57,720

on whether he was using remote viewing

139

00:06:01,850 --> 00:05:59,639

right and what about that story that he

140

00:06:05,150 --> 00:06:01,860

saved this whole crew from getting

141

00:06:07,969 --> 00:06:05,160

murdered right by terrorists because he

142

00:06:11,629 --> 00:06:07,979

remote viewed the battlefield all lies

143

00:06:15,409 --> 00:06:11,639

and that liar Lou Elizondo is backing

144

00:06:20,090 --> 00:06:15,419

this story right but let's get back to

145

00:06:23,150 --> 00:06:20,100

the Red Flags uh one second here let's

146

00:06:24,350 --> 00:06:23,160

get back to the the red flags of this

147

00:06:26,330 --> 00:06:24,360

story

148

00:06:28,730 --> 00:06:26,340

all right so we've gotten that one red

149

00:06:32,029 --> 00:06:28,740

flag number three red flag number four

150

00:06:34,010 --> 00:06:32,039

according to Brian Bender multi multiple

151  
00:06:36,650 --> 00:06:34,020  
media Outlets passed on the story

152  
00:06:39,350 --> 00:06:36,660  
including Politico and several others

153  
00:06:40,790 --> 00:06:39,360  
according to Ross coltar multiple media

154  
00:06:42,950 --> 00:06:40,800  
Outlets including the New York Times

155  
00:06:44,629 --> 00:06:42,960  
Politico and others refused to run the

156  
00:06:47,090 --> 00:06:44,639  
story he claimed they didn't have the

157  
00:06:50,330 --> 00:06:47,100  
backbone they didn't have the courage to

158  
00:06:52,730 --> 00:06:50,340  
run the story or maybe these more

159  
00:06:55,070 --> 00:06:52,740  
credible larger media organizations

160  
00:06:56,930 --> 00:06:55,080  
wouldn't touch this story with a 10-foot

161  
00:06:59,450 --> 00:06:56,940  
pole because they knew that the people

162  
00:07:02,270 --> 00:06:59,460  
selling the story have all been caught

163  
00:07:05,029 --> 00:07:02,280

selling fake stories before

164

00:07:07,129 --> 00:07:05,039

red flag number five the defense office

165

00:07:09,290 --> 00:07:07,139

of pre-publication and Security review

166

00:07:11,990 --> 00:07:09,300

approved this man to release this

167

00:07:14,110 --> 00:07:12,000

information this means that there is no

168

00:07:16,550 --> 00:07:14,120

classified information in his story

169

00:07:18,650 --> 00:07:16,560

despite his claims now I could be wrong

170

00:07:21,230 --> 00:07:18,660

about this but

171

00:07:23,210 --> 00:07:21,240

I checked in with an intelligence friend

172

00:07:24,770 --> 00:07:23,220

who's worked in intelligence he's

173

00:07:26,689 --> 00:07:24,780

retired now he worked in Navy

174

00:07:28,790 --> 00:07:26,699

intelligence his whole life and he told

175

00:07:30,350 --> 00:07:28,800

me that the defense office of

176

00:07:33,950 --> 00:07:30,360

pre-publication and Security review

177

00:07:36,129 --> 00:07:33,960

would never approve this guy to go and

178

00:07:39,529 --> 00:07:36,139

do interviews and talk about any of this

179

00:07:41,870 --> 00:07:39,539

if those were real classified programs

180

00:07:44,150 --> 00:07:41,880

that actually existed because even the

181

00:07:46,670 --> 00:07:44,160

existence of those classified programs

182

00:07:49,070 --> 00:07:46,680

is classified

183

00:07:51,409 --> 00:07:49,080

you see the problem here

184

00:07:53,749 --> 00:07:51,419

the defense office of pre-publication

185

00:07:56,629 --> 00:07:53,759

and Security review is there to prevent

186

00:07:58,909 --> 00:07:56,639

anybody from leaking any classified

187

00:08:00,050 --> 00:07:58,919

information why would they let him talk

188

00:08:03,770 --> 00:08:00,060

about this

189

00:08:06,529 --> 00:08:03,780

if this was true and there was real top

190

00:08:08,270 --> 00:08:06,539

secret or classified programs in the

191

00:08:09,890 --> 00:08:08,280

United States government involving this

192

00:08:13,249 --> 00:08:09,900

and then of course we get the Pentagon

193

00:08:15,350 --> 00:08:13,259

denial big red flag here and why don't

194

00:08:19,430 --> 00:08:15,360

the people selling this story explain

195

00:08:20,150 --> 00:08:19,440

this red flag this huge problem with the

196

00:08:22,670 --> 00:08:20,160

story

197

00:08:25,610 --> 00:08:22,680

they won't do it

198

00:08:27,110 --> 00:08:25,620

red flag number six this appears to be a

199

00:08:29,089 --> 00:08:27,120

coordinated effort all the people

200

00:08:31,790 --> 00:08:29,099

selling this man's story are working

201  
00:08:33,949 --> 00:08:31,800  
together to release it together Ross

202  
00:08:36,949 --> 00:08:33,959  
coldhart interviewed this man in early

203  
00:08:40,370 --> 00:08:36,959  
May why did he wait a month to drop it

204  
00:08:42,709 --> 00:08:40,380  
and why did this all happen in one day

205  
00:08:45,410 --> 00:08:42,719  
you mean to tell me that Ross cold third

206  
00:08:47,750 --> 00:08:45,420  
has this true story the story of a

207  
00:08:50,269 --> 00:08:47,760  
Lifetime right that's huge bombshell

208  
00:08:54,910 --> 00:08:50,279  
story and he waits a full month

209  
00:08:58,070 --> 00:08:54,920  
and he lets himself get scooped by

210  
00:09:00,350 --> 00:08:58,080  
essentially a Blog on the web on the on

211  
00:09:01,670 --> 00:09:00,360  
the internet the debrief no offense to

212  
00:09:02,990 --> 00:09:01,680  
the debrief I know they got a lot of

213  
00:09:05,210 --> 00:09:03,000

people working for them but it's still

214

00:09:07,610 --> 00:09:05,220

just essentially a blog site

215

00:09:09,710 --> 00:09:07,620

this doesn't not make any sense it's

216

00:09:12,650 --> 00:09:09,720

also interesting that this story appears

217

00:09:15,829 --> 00:09:12,660

to be coordinated with Christopher

218

00:09:17,150 --> 00:09:15,839

mellon's op-ed piece last week and a lot

219

00:09:18,889 --> 00:09:17,160

of people are also saying that this

220

00:09:21,590 --> 00:09:18,899

appears to be a coordinated effort to

221

00:09:23,449 --> 00:09:21,600

throw Steven Greer's uh so-called

222

00:09:25,550 --> 00:09:23,459

whistleblowers you know to take up all

223

00:09:28,070 --> 00:09:25,560

the oxygen in the room and Destroy his

224

00:09:29,870 --> 00:09:28,080

event that's happening in a few days I

225

00:09:32,389 --> 00:09:29,880

think Greer's whistleblowers are Faker

226

00:09:34,130 --> 00:09:32,399

than this guy though and we proved that

227

00:09:35,690 --> 00:09:34,140

here at least a few of them are

228

00:09:37,130 --> 00:09:35,700

completely and totally fake they're not

229

00:09:40,190 --> 00:09:37,140

real they're not real whistleblowers

230

00:09:43,430 --> 00:09:40,200

this guy I don't know what remains to be

231

00:09:45,230 --> 00:09:43,440

seen uh but the fact that they are all

232

00:09:48,590 --> 00:09:45,240

coordinating together

233

00:09:50,630 --> 00:09:48,600

and then of course we've got uh we've

234

00:09:53,030 --> 00:09:50,640

got Lou Elizondo and Christopher Mellon

235

00:09:55,850 --> 00:09:53,040

pumping the story to their huge social

236

00:09:58,850 --> 00:09:55,860

media followings it's all coordinated

237

00:10:01,250 --> 00:09:58,860

all to happen on the same day that is

238

00:10:03,410 --> 00:10:01,260

not a coincidence friends

239

00:10:06,829 --> 00:10:03,420

and why do only those three get access

240

00:10:09,350 --> 00:10:06,839

to this guy and also this guy also went

241

00:10:12,110 --> 00:10:09,360

to Star Trek conventions to meet Jeremy

242

00:10:13,910 --> 00:10:12,120

Corbell and George Knapp and allegedly

243

00:10:16,190 --> 00:10:13,920

or apparently this is rumors and

244

00:10:18,650 --> 00:10:16,200

speculation he tried to get them to tell

245

00:10:21,110 --> 00:10:18,660

his story and they weren't interested if

246

00:10:23,810 --> 00:10:21,120

core Bell and George Knapp don't want to

247

00:10:26,030 --> 00:10:23,820

sell this story what is going on with

248

00:10:27,889 --> 00:10:26,040

this story something must be made those

249

00:10:30,130 --> 00:10:27,899

guys are out there selling flares as

250

00:10:33,230 --> 00:10:30,140

real UFOs they didn't want this story

251  
00:10:35,210 --> 00:10:33,240  
allegedly Uh something's a real problem

252  
00:10:37,310 --> 00:10:35,220  
red flag number seven conflicting

253  
00:10:39,710 --> 00:10:37,320  
stories about why major media would not

254  
00:10:41,329 --> 00:10:39,720  
cover this story these three say

255  
00:10:42,949 --> 00:10:41,339  
completely different things about that

256  
00:10:45,769 --> 00:10:42,959  
and here's where it gets interesting

257  
00:10:48,350 --> 00:10:45,779  
Leslie Keane and Ralph Blumenthal both

258  
00:10:50,449 --> 00:10:48,360  
copied and pasted the exact same tweet

259  
00:10:53,150 --> 00:10:50,459  
on this issue claiming the Washington

260  
00:10:56,030 --> 00:10:53,160  
Post did not pass on the story Ross

261  
00:10:57,949 --> 00:10:56,040  
coldhart says that everybody did pass

262  
00:10:59,930 --> 00:10:57,959  
on the story and nobody had the backbone

263  
00:11:03,170 --> 00:10:59,940

to run the story except for the debrief

264

00:11:05,269 --> 00:11:03,180

and him right why is there conflicting

265

00:11:07,850 --> 00:11:05,279

stories about why people wouldn't want

266

00:11:09,470 --> 00:11:07,860

this story these three people can't get

267

00:11:11,569 --> 00:11:09,480

the story straight I guess they forgot

268

00:11:13,850 --> 00:11:11,579

to send Leslie Keane and Ralph

269

00:11:17,030 --> 00:11:13,860

Blumenthal who both copied and pasted

270

00:11:19,250 --> 00:11:17,040

the same tweet today must have forgot to

271

00:11:21,230 --> 00:11:19,260

copy and paste that tweet to Ross colfar

272

00:11:24,290 --> 00:11:21,240

right so they're working together but

273

00:11:26,810 --> 00:11:24,300

they're doing a terrible job

274

00:11:28,730 --> 00:11:26,820

all right number eight this man claims

275

00:11:30,530 --> 00:11:28,740

he has documents and proof no one

276

00:11:32,329 --> 00:11:30,540

including those selling this story can

277

00:11:34,850 --> 00:11:32,339

see that proof because it's classified

278

00:11:36,530 --> 00:11:34,860

if that were true he would not have been

279

00:11:40,069 --> 00:11:36,540

cleared to talk about any of this

280

00:11:42,530 --> 00:11:40,079

publicly the opsr reviews are done to

281

00:11:45,530 --> 00:11:42,540

ensure that no classified information is

282

00:11:48,290 --> 00:11:45,540

spilled and again if those programs are

283

00:11:50,150 --> 00:11:48,300

real programs even the existence of them

284

00:11:52,190 --> 00:11:50,160

cannot be talked about publicly they

285

00:11:55,030 --> 00:11:52,200

would not have cleared him

286

00:11:58,550 --> 00:11:55,040

but let's not let a little thing like

287

00:12:01,009 --> 00:11:58,560

actual the real way that the

288

00:12:03,410 --> 00:12:01,019

intelligence World Works get in a way of

289

00:12:06,050 --> 00:12:03,420

a good story you can sell and the people

290

00:12:08,030 --> 00:12:06,060

selling this story did not address this

291

00:12:10,370 --> 00:12:08,040

obvious elephant in the room there's a

292

00:12:13,730 --> 00:12:10,380

real problem here

293

00:12:15,590 --> 00:12:13,740

red flag number nine the people who are

294

00:12:17,269 --> 00:12:15,600

selling this story could have gotten on

295

00:12:20,030 --> 00:12:17,279

the record comments from the Pentagon

296

00:12:21,829 --> 00:12:20,040

before running it they chose not to why

297

00:12:23,810 --> 00:12:21,839

they could have gotten comments from the

298

00:12:26,569 --> 00:12:23,820

inspector General's office they did not

299

00:12:27,829 --> 00:12:26,579

do so why not well we did get comments

300

00:12:31,009 --> 00:12:27,839

from the inspector General's office

301

00:12:32,690 --> 00:12:31,019

calling his his complaint credible and

302

00:12:35,329 --> 00:12:32,700

urgent but does that mean because his

303

00:12:38,030 --> 00:12:35,339

information is so good no we're gonna

304

00:12:40,850 --> 00:12:38,040

find out later that all of this

305

00:12:42,949 --> 00:12:40,860

so-called data was carefully massaged to

306

00:12:44,569 --> 00:12:42,959

sell this story that's what we're going

307

00:12:47,509 --> 00:12:44,579

to find out it's all going to start

308

00:12:49,610 --> 00:12:47,519

falling apart that's my opinion and I'm

309

00:12:51,949 --> 00:12:49,620

entitled to it

310

00:12:54,889 --> 00:12:51,959

um where are the documents that this man

311

00:12:57,170 --> 00:12:54,899

claimed that he has and why can nobody

312

00:12:59,030 --> 00:12:57,180

see them even the people selling the

313

00:13:02,329 --> 00:12:59,040

story with him aren't allowed to see the

314

00:13:04,730 --> 00:13:02,339

documents come on that's a huge red flag

315

00:13:06,889 --> 00:13:04,740

the fact that he claims he has documents

316

00:13:09,470 --> 00:13:06,899

but nobody's allowed to see them so this

317

00:13:11,870 --> 00:13:09,480

is trust me dude right a bunch of people

318

00:13:14,210 --> 00:13:11,880

told me some stories and I got some

319

00:13:15,470 --> 00:13:14,220

documents but you can't see them trust

320

00:13:18,710 --> 00:13:15,480

me dude

321

00:13:20,690 --> 00:13:18,720

and red flag number 10. this story is

322

00:13:23,210 --> 00:13:20,700

being hyped and promoted by the same

323

00:13:26,269 --> 00:13:23,220

people who brought us the tsa

324

00:13:28,670 --> 00:13:26,279

technoscan and the fake Pentagon UFO

325

00:13:30,650 --> 00:13:28,680

program I find that incredibly

326

00:13:34,129 --> 00:13:30,660

suspicious that the same people who

327

00:13:36,410 --> 00:13:34,139

duped everybody before including uh

328

00:13:40,009 --> 00:13:36,420

essentially duping people out of

329

00:13:41,870 --> 00:13:40,019

investor money remember Lou Elizondo Tom

330

00:13:43,129 --> 00:13:41,880

Delong Christopher melon they were going

331

00:13:44,690 --> 00:13:43,139

to build a spaceship with a

332

00:13:46,670 --> 00:13:44,700

revolutionary power source that would

333

00:13:48,829 --> 00:13:46,680

change the world they collected millions

334

00:13:51,110 --> 00:13:48,839

of dollars and they did nothing right

335

00:13:53,269 --> 00:13:51,120

but don't worry Lou Elizondo got a book

336

00:13:55,310 --> 00:13:53,279

deal out of it he got a TV show deal out

337

00:13:57,829 --> 00:13:55,320

of those taxpayer-funded

338

00:13:59,750 --> 00:13:57,839

videos that are nothing Burgers it took

339

00:14:02,569 --> 00:13:59,760

years to determine their nothing Burgers

340

00:14:06,290 --> 00:14:02,579

those three videos right this is

341

00:14:08,990 --> 00:14:06,300

extremely extremely problematic

342

00:14:10,970 --> 00:14:09,000

um and I have some more just a few more

343

00:14:14,509 --> 00:14:10,980

things to share

344

00:14:15,829 --> 00:14:14,519

and here's more red flags Eric Davis is

345

00:14:18,410 --> 00:14:15,839

behind this

346

00:14:20,750 --> 00:14:18,420

partially Gary Nolan and I have been

347

00:14:23,150 --> 00:14:20,760

working together since 2009 and what he

348

00:14:24,710 --> 00:14:23,160

told the reporter is 100 accurate much

349

00:14:27,230 --> 00:14:24,720

of what he said is partly based on my

350

00:14:29,329 --> 00:14:27,240

work over 25 years and the more recent

351

00:14:33,009 --> 00:14:29,339

work of my now former special security

352

00:14:35,629 --> 00:14:33,019

officer who works in Colorado Springs

353

00:14:38,150 --> 00:14:35,639

this man from this so-called bombshell

354

00:14:40,970 --> 00:14:38,160

story is a real estate agent in Colorado

355

00:14:43,189 --> 00:14:40,980

Springs and he's the U.S government

356

00:14:45,829 --> 00:14:43,199

whistleblower who remains unknown will

357

00:14:47,810 --> 00:14:45,839

what but will become known in a soon to

358

00:14:50,930 --> 00:14:47,820

be published expose in the Washington

359

00:14:54,710 --> 00:14:50,940

Post and we have to be very careful here

360

00:14:58,610 --> 00:14:54,720

because uh oh and then I have this too

361

00:15:01,790 --> 00:14:58,620

this is pretty funny even Yuri Geller

362

00:15:07,129 --> 00:15:01,800

Yuri Geller is is critical of this story

363

00:15:09,889 --> 00:15:07,139

right how bad is it when Yuri Geller is

364

00:15:11,629 --> 00:15:09,899

critical of this story Yuri Geller says

365

00:15:14,329 --> 00:15:11,639

my dear friends there is something that

366

00:15:17,629 --> 00:15:14,339

is not right here I need to investigate

367

00:15:19,490 --> 00:15:17,639

with my fellow contacts Stephen Green

368

00:15:21,889 --> 00:15:19,500

Street says I really thought this UFO

369

00:15:23,569 --> 00:15:21,899

stuff might be BS I really did but now

370

00:15:25,670 --> 00:15:23,579

that little elizondo's friend has told

371

00:15:27,829 --> 00:15:25,680

lizard Keane and Ross coltler that

372

00:15:31,090 --> 00:15:27,839

aliens are real I feel like there might

373

00:15:34,129 --> 00:15:31,100

be actually something to it

374

00:15:37,009 --> 00:15:34,139

and here we have Brian Bender he is a

375

00:15:40,490 --> 00:15:37,019

close Ally of Elizondo which is

376

00:15:43,069 --> 00:15:40,500

important contact context I think in

377

00:15:46,069 --> 00:15:43,079

fact I would even say Lou groomed him a

378

00:15:48,230 --> 00:15:46,079

bit for several years now they've been

379

00:15:50,389 --> 00:15:48,240

grooming this guy for several years to

380

00:15:53,569 --> 00:15:50,399

tell this story isn't that a little

381

00:15:55,189 --> 00:15:53,579

suspicious the same people right the

382

00:15:58,730 --> 00:15:55,199

same people who sold us the garbage

383

00:16:00,230 --> 00:15:58,740

story from before about everything that

384

00:16:03,530 --> 00:16:00,240

was fake

385

00:16:06,110 --> 00:16:03,540

and here's Corrections uh about the the

386

00:16:08,689 --> 00:16:06,120

remarks attributed to Harry Reid proving

387

00:16:11,569 --> 00:16:08,699

that Leslie Keane and Ralph Blumenthal

388

00:16:14,150 --> 00:16:11,579

have provably sold 100 fake stories that

389

00:16:16,069 --> 00:16:14,160

was a big story oh Harry Reid says that

390

00:16:18,050 --> 00:16:16,079

there there are crashes of objects of

391

00:16:19,790 --> 00:16:18,060

Unknown Origin may have been recurred in

392

00:16:22,310 --> 00:16:19,800

that retrieved material should be

393

00:16:24,290 --> 00:16:22,320

studied he did not say that crashes had

394

00:16:26,329 --> 00:16:24,300

occurred and that retrieved materials

395

00:16:30,290 --> 00:16:26,339

had been studied secretly for decades

396

00:16:33,110 --> 00:16:30,300

yeah so the story was fake and of course

397

00:16:35,329 --> 00:16:33,120

we have the Pentagon response no aliens

398

00:16:37,129 --> 00:16:35,339

we have not discovered any verifiable

399

00:16:38,810 --> 00:16:37,139

information to substantiate claims in

400

00:16:40,370 --> 00:16:38,820

any programs regarding the possession of

401

00:16:42,650 --> 00:16:40,380

reverse engineering or extraterrestrial

402

00:16:43,970 --> 00:16:42,660

materials have existed in the past or

403

00:16:47,629 --> 00:16:43,980

exist currently

404

00:16:49,970 --> 00:16:47,639

yeah so

405

00:16:52,040 --> 00:16:49,980

what are we left with we're left with a
