

Truth Seekers

**STEVEN CAMBIAN
INVESTIGATES...**

**" The STRANGE case
of Sarah Adams. "**

PART 1

1
00:00:55,970 --> 00:00:07,670
foreign

2
00:00:55,980 --> 00:01:01,130
thank you

3
00:01:22,170 --> 00:01:07,000
[Music]

4
00:01:30,440 --> 00:01:22,180
foreign

5
00:02:12,470 --> 00:01:54,820
[Music]

6
00:02:21,710 --> 00:02:16,130
live from the cabin my friends

7
00:02:25,130 --> 00:02:21,720
I'm happy to say that uh we are in the

8
00:02:29,150 --> 00:02:25,140
cabin and hopefully if all goes well

9
00:02:31,490 --> 00:02:29,160
uh we are broadcasting live right from

10
00:02:33,949 --> 00:02:31,500
the cabin tonight and I thought it

11
00:02:35,570 --> 00:02:33,959
appropriate in this sort of strange

12
00:02:39,050 --> 00:02:35,580
wooded place

13
00:02:41,690 --> 00:02:39,060

uh that tonight I'm gonna share a sort

14

00:02:44,630 --> 00:02:41,700

of personal story that began some time

15

00:02:47,630 --> 00:02:44,640

ago and I'm calling this The Strange

16

00:02:50,509 --> 00:02:47,640

Case of Sarah Adams

17

00:02:52,490 --> 00:02:50,519

uh for those who are not familiar with

18

00:02:55,850 --> 00:02:52,500

her she

19

00:02:56,750 --> 00:02:55,860

um sort of came on my radar some time

20

00:02:59,690 --> 00:02:56,760

ago

21

00:03:02,270 --> 00:02:59,700

but then came back onto my radar due to

22

00:03:05,270 --> 00:03:02,280

the death of conspiracy theorist Max

23

00:03:08,030 --> 00:03:05,280

Spears because she was his uh I believe

24

00:03:10,009 --> 00:03:08,040

she was his you know significant other

25

00:03:12,470 --> 00:03:10,019

his girlfriend

26

00:03:18,410 --> 00:03:12,480

so

27

00:03:20,990 --> 00:03:18,420

because of the whole situation with Max

28

00:03:24,110 --> 00:03:21,000

Spears

29

00:03:26,630 --> 00:03:24,120

um and let me turn my attention to live

30

00:03:29,229 --> 00:03:26,640

chat I also want to mention that tonight

31

00:03:31,790 --> 00:03:29,239

is the first night where we are

32

00:03:34,670 --> 00:03:31,800

attempting at least I'm not sure how

33

00:03:40,130 --> 00:03:34,680

well it's going to work to simulcast to

34

00:03:42,649 --> 00:03:40,140

both uh YouTube and uh and my Facebook

35

00:03:45,170 --> 00:03:42,659

profile page

36

00:03:48,110 --> 00:03:45,180

um I just checked it looks like we're

37

00:03:51,289 --> 00:03:48,120

live on both

38

00:03:54,470 --> 00:03:51,299

uh but there is a lag and a time delay

39

00:04:00,229 --> 00:03:57,350

um for the Facebook

40

00:04:04,190 --> 00:04:00,239

I'm not sure why that is

41

00:04:09,050 --> 00:04:04,200

um but it looks like our usual YouTube

42

00:04:10,369 --> 00:04:09,060

situation is stable and working if there

43

00:04:13,369 --> 00:04:10,379

is issues

44

00:04:17,349 --> 00:04:13,379

uh please you know like if there's lag

45

00:04:22,909 --> 00:04:20,150

and I see

46

00:04:26,090 --> 00:04:22,919

I'm gonna give some shout outs to oh we

47

00:04:28,670 --> 00:04:26,100

have Brandon young is here shout out to

48

00:04:31,730 --> 00:04:28,680

Brandon young and Dan Hogan

49

00:04:35,510 --> 00:04:31,740

we have Jeff jonaside

50

00:04:37,070 --> 00:04:35,520

and out of mind lead veltman shout out

51
00:04:41,090 --> 00:04:37,080
to all you guys I'm happy that you could

52
00:04:43,310 --> 00:04:41,100
be here to help me test this uh first

53
00:04:44,330 --> 00:04:43,320
broadcast from the cabin and I got to

54
00:04:46,670 --> 00:04:44,340
tell you

55
00:04:49,670 --> 00:04:46,680
I just had this come up in my memories

56
00:04:52,790 --> 00:04:49,680
on Facebook there was a picture of like

57
00:04:56,810 --> 00:04:52,800
the walls in here halfway up and the

58
00:04:59,629 --> 00:04:56,820
windows just like glued into the walls

59
00:05:01,610 --> 00:04:59,639
and uh so what a difference a year makes

60
00:05:05,030 --> 00:05:01,620
because a year ago I was still building

61
00:05:07,490 --> 00:05:05,040
these cordwood walls and trying to make

62
00:05:12,850 --> 00:05:07,500
this into some kind of a new cabin room

63
00:05:18,290 --> 00:05:15,770

let's see here we have some comments

64

00:05:19,490 --> 00:05:18,300

from our live chat uh but I want to get

65

00:05:22,070 --> 00:05:19,500

back to

66

00:05:25,129 --> 00:05:22,080

this is the Strange Case

67

00:05:27,170 --> 00:05:25,139

of Sarah Adams

68

00:05:32,689 --> 00:05:27,180

um and some people call her Sarah R

69

00:05:36,129 --> 00:05:33,529

um

70

00:05:38,050 --> 00:05:36,139

for those that are unfamiliar with her

71

00:05:40,670 --> 00:05:38,060

she is

72

00:05:43,310 --> 00:05:40,680

self-described she describes herself as

73

00:05:47,450 --> 00:05:43,320

an intuitive healer

74

00:05:49,689 --> 00:05:47,460

and so I started watching her

75

00:05:51,950 --> 00:05:49,699

I don't want to call them performances

76

00:05:55,249 --> 00:05:51,960

uh that would be

77

00:05:58,670 --> 00:05:55,259

that would be not fair to her I started

78

00:06:02,150 --> 00:05:58,680

watching her broadcasts her talks her

79

00:06:04,370 --> 00:06:02,160

material again around the time of Max

80

00:06:07,249 --> 00:06:04,380

Beer's death because

81

00:06:11,210 --> 00:06:07,259

quite honestly I was just curious

82

00:06:12,950 --> 00:06:11,220

about Max Spears and honestly I was

83

00:06:15,650 --> 00:06:12,960

curious who his girlfriend was I heard

84

00:06:16,790 --> 00:06:15,660

they were like the power conspiracy

85

00:06:21,770 --> 00:06:16,800

couple

86

00:06:28,010 --> 00:06:24,890

I got to learn a lesson about

87

00:06:29,330 --> 00:06:28,020

I've always heard this term uh from

88

00:06:32,809 --> 00:06:29,340

people

89

00:06:34,129 --> 00:06:32,819

this term what they talk about resonates

90

00:06:37,550 --> 00:06:34,139

with me

91

00:06:40,370 --> 00:06:37,560

and so I found a few of her videos while

92

00:06:42,650 --> 00:06:40,380

I was already working on this uh thing

93

00:06:44,809 --> 00:06:42,660

called The Mind hack project

94

00:06:47,210 --> 00:06:44,819

and in that I was talking about

95

00:06:48,830 --> 00:06:47,220

connection to source and connection to

96

00:06:51,290 --> 00:06:48,840

Divine energy

97

00:06:54,650 --> 00:06:51,300

it's my belief that the greater your

98

00:06:57,469 --> 00:06:54,660

connection to Source or God or Divine

99

00:06:58,790 --> 00:06:57,479

energy the greater your own capabilities

100

00:07:00,409 --> 00:06:58,800

become

101
00:07:04,309 --> 00:07:00,419
and she was talking about something

102
00:07:07,850 --> 00:07:04,319
incredibly similar which is to you know

103
00:07:10,730 --> 00:07:07,860
avoid drugs avoid alcohol uh so that you

104
00:07:12,950 --> 00:07:10,740
can have as much God energy

105
00:07:15,409 --> 00:07:12,960
pulsing through you as possible and she

106
00:07:16,610 --> 00:07:15,419
talks about this connection that we all

107
00:07:20,450 --> 00:07:16,620
have

108
00:07:22,129 --> 00:07:20,460
very similar to my it's not my idea but

109
00:07:24,409 --> 00:07:22,139
it was an idea that I was running with

110
00:07:28,010 --> 00:07:24,419
with this mind hack project

111
00:07:31,730 --> 00:07:28,020
so this resonated with me and I wanted

112
00:07:34,969 --> 00:07:31,740
to hear more about what she talked about

113
00:07:38,629 --> 00:07:34,979

but quite honestly like many people

114

00:07:42,350 --> 00:07:38,639

I always say this pick a Lane right are

115

00:07:46,490 --> 00:07:42,360

you uh a light worker are you a psychic

116

00:07:48,409 --> 00:07:46,500

are you a Channeler are you a Healer are

117

00:07:50,689 --> 00:07:48,419

you an intuitive empath I don't know

118

00:07:54,650 --> 00:07:50,699

pick a lane and it's seen with her that

119

00:07:56,990 --> 00:07:54,660

she doesn't really pick a lane she's

120

00:07:58,850 --> 00:07:57,000

very interesting and sort of like she's

121

00:08:02,510 --> 00:07:58,860

all of those things

122

00:08:04,909 --> 00:08:02,520

so I needed new material a new show

123

00:08:07,189 --> 00:08:04,919

guests I was really intent that I didn't

124

00:08:09,230 --> 00:08:07,199

want to just let's get the Midnight Hour

125

00:08:11,809 --> 00:08:09,240

show guests and run them all again on

126

00:08:14,029 --> 00:08:11,819

this new show so I reached out to her

127

00:08:16,550 --> 00:08:14,039

and a few other people and much to my

128

00:08:20,869 --> 00:08:16,560

surprise because I've heard that she is

129

00:08:23,749 --> 00:08:20,879

very difficult to get uh access to

130

00:08:25,969 --> 00:08:23,759

I'm told she's very busy she I reached

131

00:08:28,129 --> 00:08:25,979

out to a friend recently who's in

132

00:08:30,529 --> 00:08:28,139

California he lives in Sacramento and

133

00:08:32,089 --> 00:08:30,539

he's very plugged into

134

00:08:34,969 --> 00:08:32,099

I don't even know how to describe it

135

00:08:35,889 --> 00:08:34,979

like the new age Crystal buying kind of

136

00:08:41,750 --> 00:08:35,899

people

137

00:08:44,930 --> 00:08:41,760

and he told me that she's one of the

138

00:08:47,030 --> 00:08:44,940

most in demand light worker psychic

139

00:08:49,370 --> 00:08:47,040

healers whatever you want to call her in

140

00:08:50,509 --> 00:08:49,380

California and that if you called her

141

00:08:53,269 --> 00:08:50,519

today

142

00:08:55,250 --> 00:08:53,279

to get an appointment or a session it

143

00:08:59,210 --> 00:08:55,260

might be months before she could fit you

144

00:09:01,910 --> 00:08:59,220

in that's how busy this girl is and some

145

00:09:04,970 --> 00:09:01,920

would say that's how successful she is

146

00:09:06,650 --> 00:09:04,980

now she makes a lot of claims however

147

00:09:10,610 --> 00:09:06,660

that I have

148

00:09:12,530 --> 00:09:10,620

huge problems with and uh I'm gonna go

149

00:09:13,690 --> 00:09:12,540

to my Twitter I'm not going to share

150

00:09:15,829 --> 00:09:13,700

this but

151

00:09:18,290 --> 00:09:15,839

I post it

152

00:09:19,910 --> 00:09:18,300

sort of a teaser graphic for this thing

153

00:09:23,630 --> 00:09:19,920

I'm calling This Strange Case of Sarah

154

00:09:25,750 --> 00:09:23,640

Adams and in it I uh asked some

155

00:09:30,110 --> 00:09:25,760

questions and here are the questions

156

00:09:32,329 --> 00:09:30,120

what's the deal with Sarah Adams

157

00:09:36,230 --> 00:09:32,339

oh you know what I can share this so I'm

158

00:09:36,240 --> 00:09:40,910

so I'm just going to share this

159

00:09:45,470 --> 00:09:43,250

oh that didn't work

160

00:09:47,630 --> 00:09:45,480

one second

161

00:09:50,630 --> 00:09:47,640

oh there we go

162

00:09:55,850 --> 00:09:50,640

you guys are gonna have to excuse uh

163

00:10:02,509 --> 00:09:59,030

an issue for me sometimes

164

00:10:05,090 --> 00:10:02,519

okay where's my Twitter there we go

165

00:10:07,850 --> 00:10:05,100

we're just going to share this

166

00:10:11,509 --> 00:10:07,860

so what's the deal with Sarah Adams we

167

00:10:14,389 --> 00:10:11,519

investigate her claims and her powers

168

00:10:17,150 --> 00:10:14,399

you know she basically

169

00:10:18,530 --> 00:10:17,160

claims to have superpowers that's the

170

00:10:21,290 --> 00:10:18,540

easiest way that I could break it down

171

00:10:23,810 --> 00:10:21,300

for you and so I ask these questions

172

00:10:26,930 --> 00:10:23,820

based on her own

173

00:10:28,970 --> 00:10:26,940

her own sort of claims of things that

174

00:10:31,690 --> 00:10:28,980

she does for her clients so I asked can

175

00:10:35,570 --> 00:10:31,700

she really repair your DNA

176

00:10:37,190 --> 00:10:35,580

uh can she repair your aura help you

177

00:10:40,730 --> 00:10:37,200

connect with God

178

00:10:42,230 --> 00:10:40,740

help you recover from trauma

179

00:10:44,930 --> 00:10:42,240

uh

180

00:10:47,269 --> 00:10:44,940

can she really read minds and another

181

00:10:51,050 --> 00:10:47,279

claim that I've heard

182

00:10:54,650 --> 00:10:51,060

talk about is this sort of starseed I'm

183

00:10:57,290 --> 00:10:54,660

not from here I am not of this Earth

184

00:11:00,410 --> 00:10:57,300

so is she an alien is she an alien

185

00:11:02,449 --> 00:11:00,420

hybrid is she what people would call a

186

00:11:04,790 --> 00:11:02,459

starseed

187

00:11:09,110 --> 00:11:04,800

and these are the questions that I had

188

00:11:10,130 --> 00:11:09,120

that to me I want it I wanted to hear

189

00:11:13,190 --> 00:11:10,140

her

190

00:11:14,889 --> 00:11:13,200

I want it to

191

00:11:20,210 --> 00:11:14,899

I wanted to

192

00:11:23,930 --> 00:11:20,220

Explore her making these claims and

193

00:11:25,009 --> 00:11:23,940

how valid are her claims and much to my

194

00:11:27,069 --> 00:11:25,019

surprise

195

00:11:29,930 --> 00:11:27,079

she

196

00:11:31,670 --> 00:11:29,940

returned messages to me

197

00:11:34,009 --> 00:11:31,680

and

198

00:11:37,910 --> 00:11:34,019

I gotta tell you also if people don't

199

00:11:40,370 --> 00:11:37,920

know my history I uh sort of make it it

200

00:11:43,069 --> 00:11:40,380

was a hobby I guess for a while that I

201
00:11:45,110 --> 00:11:43,079
would go see every psychic every medium

202
00:11:46,610 --> 00:11:45,120
that I could find or somebody would tell

203
00:11:49,370 --> 00:11:46,620
me about one

204
00:11:51,350 --> 00:11:49,380
and having a background in stage magic I

205
00:11:52,790 --> 00:11:51,360
did a mentalism show for a while for

206
00:11:55,730 --> 00:11:52,800
those that don't know a mentalism show

207
00:11:57,829 --> 00:11:55,740
is kind of like a psychic show but

208
00:11:59,870 --> 00:11:57,839
everybody knows that the person is a

209
00:12:02,269 --> 00:11:59,880
magician they're pretending but

210
00:12:06,350 --> 00:12:02,279
mentalists will do things like hypnosis

211
00:12:08,870 --> 00:12:06,360
mind control bending metal I've done a

212
00:12:10,310 --> 00:12:08,880
show that was centered around being that

213
00:12:13,130 --> 00:12:10,320

kind of a character

214

00:12:15,470 --> 00:12:13,140

I can spot the trickery that most fake

215

00:12:17,329 --> 00:12:15,480

psychics use a mile away

216

00:12:20,150 --> 00:12:17,339

so I would go

217

00:12:22,550 --> 00:12:20,160

visit these psychics try to find a

218

00:12:24,110 --> 00:12:22,560

genuine one I for my entire life I'd

219

00:12:26,389 --> 00:12:24,120

wanted to find somebody that claimed

220

00:12:28,009 --> 00:12:26,399

they had supernatural abilities that was

221

00:12:30,949 --> 00:12:28,019

real

222

00:12:33,470 --> 00:12:30,959

folks I've seen hundreds talk to

223

00:12:35,750 --> 00:12:33,480

hundreds of Psychics had readings from

224

00:12:38,449 --> 00:12:35,760

psychics my wife and I used to go

225

00:12:40,970 --> 00:12:38,459

together and even work together to try

226
00:12:42,650 --> 00:12:40,980
to bust them and see if they were you

227
00:12:45,050 --> 00:12:42,660
know frauds

228
00:12:47,150 --> 00:12:45,060
and my wife was very familiar having

229
00:12:49,970 --> 00:12:47,160
been my stage partner also with all the

230
00:12:54,290 --> 00:12:49,980
trickery involved and even she could

231
00:12:57,230 --> 00:12:54,300
pick it out without me even helping

232
00:12:59,870 --> 00:12:57,240
most of the time these fake psychics use

233
00:13:02,629 --> 00:12:59,880
a few common techniques they use

234
00:13:05,389 --> 00:13:02,639
magic tricks to convince people that

235
00:13:08,090 --> 00:13:05,399
they can read their minds they use cold

236
00:13:10,129 --> 00:13:08,100
reading and

237
00:13:12,470 --> 00:13:10,139
most of these psychics when you really

238
00:13:15,110 --> 00:13:12,480

press them for proof of their claims of

239

00:13:18,050 --> 00:13:15,120

their abilities will shrivel up and say

240

00:13:19,250 --> 00:13:18,060

you're just not a Believer nothing will

241

00:13:22,310 --> 00:13:19,260

convince you

242

00:13:24,110 --> 00:13:22,320

they have a defense mechanism but miss

243

00:13:26,569 --> 00:13:24,120

Adams to her credit

244

00:13:28,910 --> 00:13:26,579

I think that she knew because we have

245

00:13:31,250 --> 00:13:28,920

some friends in common of my rather

246

00:13:32,870 --> 00:13:31,260

skeptical attitude towards psychics and

247

00:13:33,949 --> 00:13:32,880

people that claim to have Supernatural

248

00:13:37,550 --> 00:13:33,959

powers

249

00:13:40,250 --> 00:13:37,560

or abilities so she

250

00:13:44,629 --> 00:13:40,260

said I'd be happy to call you and give

251
00:13:47,410 --> 00:13:44,639
you uh you know a session at no cost and

252
00:13:50,329 --> 00:13:47,420
and I'll be able to

253
00:13:51,889 --> 00:13:50,339
manipulate some things and you'll walk

254
00:13:54,650 --> 00:13:51,899
away

255
00:13:57,170 --> 00:13:54,660
and you'll know that I'm genuine

256
00:14:00,110 --> 00:13:57,180
now this my friends is too good to be

257
00:14:03,470 --> 00:14:00,120
true for somebody like me so I said yeah

258
00:14:06,470 --> 00:14:03,480
when you know so last night it was late

259
00:14:09,050 --> 00:14:06,480
last night uh she called me

260
00:14:11,690 --> 00:14:09,060
and uh

261
00:14:12,550 --> 00:14:11,700
she ran me through a lot of different

262
00:14:15,710 --> 00:14:12,560
things

263
00:14:18,889 --> 00:14:15,720

in this session you know I don't even

264

00:14:21,490 --> 00:14:18,899

know how to describe it but basically in

265

00:14:24,009 --> 00:14:21,500

this session she told me that she was

266

00:14:29,150 --> 00:14:24,019

repairing my aura

267

00:14:29,750 --> 00:14:29,160

aligning my chakras removing bad energy

268

00:14:31,430 --> 00:14:29,760

um

269

00:14:33,889 --> 00:14:31,440

and

270

00:14:38,629 --> 00:14:33,899

one of the things that I found most

271

00:14:41,569 --> 00:14:38,639

strange was that she was telling me uh

272

00:14:43,790 --> 00:14:41,579

you know I want you to

273

00:14:45,769 --> 00:14:43,800

think about all the trauma in your life

274

00:14:47,990 --> 00:14:45,779

everything that's ever been painful

275

00:14:49,970 --> 00:14:48,000

since your childhood every time

276

00:14:52,490 --> 00:14:49,980

somebody's hurt you every time you were

277

00:14:55,069 --> 00:14:52,500

sad every time you were in pain or

278

00:14:57,889 --> 00:14:55,079

suffering and imagine it going in this

279

00:15:00,110 --> 00:14:57,899

big black bubble and okay now I'm going

280

00:15:02,449 --> 00:15:00,120

to take the bubble and fly it to the Sun

281

00:15:05,150 --> 00:15:02,459

and it's gone it's incinerated all your

282

00:15:07,490 --> 00:15:05,160

past traumas are gone

283

00:15:10,430 --> 00:15:07,500

and that seemed a little strange to me

284

00:15:11,569 --> 00:15:10,440

that she could claim that she could

285

00:15:13,670 --> 00:15:11,579

remove

286

00:15:15,829 --> 00:15:13,680

people's trauma

287

00:15:18,110 --> 00:15:15,839

that quickly and it was very

288

00:15:19,790 --> 00:15:18,120

uncomfortable at first the beginning of

289

00:15:21,650 --> 00:15:19,800

this session that's what that's kind of

290

00:15:24,590 --> 00:15:21,660

where this session started

291

00:15:27,769 --> 00:15:24,600

and I have to say I wanted to record

292

00:15:30,290 --> 00:15:27,779

this but I was shy about asking her to

293

00:15:31,970 --> 00:15:30,300

record this session because I don't know

294

00:15:35,569 --> 00:15:31,980

her well enough and I wanted to build

295

00:15:37,370 --> 00:15:35,579

her trust and genuinely find out if she

296

00:15:40,730 --> 00:15:37,380

was real or

297

00:15:43,910 --> 00:15:40,740

a fraud like most other fake psychics so

298

00:15:45,050 --> 00:15:43,920

I didn't either record it without asking

299

00:15:47,870 --> 00:15:45,060

her because I thought that would be a

300

00:15:48,590 --> 00:15:47,880

violation of trust and I didn't ask her

301
00:15:51,530 --> 00:15:48,600
to

302
00:15:54,110 --> 00:15:51,540
but someone reminded me that she did a

303
00:15:57,769 --> 00:15:54,120
very similar session that she did for me

304
00:16:01,129 --> 00:15:57,779
when she was on another show uh another

305
00:16:06,829 --> 00:16:01,139
person's show and I found that

306
00:16:08,150 --> 00:16:06,839
and we are going to cite fair use and

307
00:16:14,810 --> 00:16:08,160
this is from

308
00:16:18,230 --> 00:16:14,820
interview

309
00:16:20,990 --> 00:16:18,240
uh on the Kevin Moore Show

310
00:16:22,910 --> 00:16:21,000
and I have it queued up so let me see if

311
00:16:26,150 --> 00:16:22,920
I can't uh

312
00:16:27,949 --> 00:16:26,160
we're gonna share that screen now I have

313
00:16:30,050 --> 00:16:27,959

to say that there were some distinct

314

00:16:32,269 --> 00:16:30,060

differences between the session that she

315

00:16:33,650 --> 00:16:32,279

did for him in the session that she did

316

00:16:36,170 --> 00:16:33,660

for me

317

00:16:38,990 --> 00:16:36,180

most specifically and of most importance

318

00:16:41,870 --> 00:16:39,000

is that the beginning when she started

319

00:16:43,550 --> 00:16:41,880

the session with me was much longer

320

00:16:46,310 --> 00:16:43,560

when we're going to show this cabin

321

00:16:47,810 --> 00:16:46,320

Moore clip she just tells him I'm gonna

322

00:16:49,730 --> 00:16:47,820

I'm gonna work on your energy or

323

00:16:52,249 --> 00:16:49,740

something like that I need you to close

324

00:16:55,129 --> 00:16:52,259

your eyes and then she pretty much goes

325

00:16:56,389 --> 00:16:55,139

right into a similar session that she

326

00:17:00,290 --> 00:16:56,399

did for me

327

00:17:02,509 --> 00:17:00,300

the difference is in my session this was

328

00:17:04,490 --> 00:17:02,519

a little more drawn out close your eyes

329

00:17:07,250 --> 00:17:04,500

clear your mind

330

00:17:09,650 --> 00:17:07,260

make your mind a blank slate

331

00:17:11,929 --> 00:17:09,660

try to focus on my voice

332

00:17:15,049 --> 00:17:11,939

and something about that seems very

333

00:17:17,630 --> 00:17:15,059

familiar to me the way that she was

334

00:17:19,130 --> 00:17:17,640

I don't want to say setting me up you

335

00:17:21,169 --> 00:17:19,140

know the way that she was preparing me

336

00:17:23,929 --> 00:17:21,179

for this experience seemed very familiar

337

00:17:27,530 --> 00:17:23,939

to me but I didn't it didn't catch it

338

00:17:29,650 --> 00:17:27,540

because I was really intent on having an

339

00:17:32,450 --> 00:17:29,660

open mind and

340

00:17:34,909 --> 00:17:32,460

experiencing whatever she could show me

341

00:17:37,070 --> 00:17:34,919

so when I play this clip for Kevin Moore

342

00:17:40,310 --> 00:17:37,080

from Kevin Moore Show just please keep

343

00:17:44,750 --> 00:17:43,250

start of my session was a much longer

344

00:17:47,510 --> 00:17:44,760

setup

345

00:17:50,810 --> 00:17:47,520

this may become important later and

346

00:17:55,250 --> 00:17:50,820

we'll see why but we're gonna share

347

00:17:55,260 --> 00:18:00,350

and

348

00:18:09,049 --> 00:18:03,110

let's see if we could

349

00:18:16,310 --> 00:18:12,250

and I have to remember share audio

350

00:18:18,409 --> 00:18:16,320

and here we go

351

00:18:21,230 --> 00:18:18,419

and I have this time stamp right to

352

00:18:23,210 --> 00:18:21,240

where I want it so and I'm going to cite

353

00:18:25,310 --> 00:18:23,220

I don't know Kevin Moore but we have

354

00:18:28,669 --> 00:18:25,320

friends in common and uh you know I

355

00:18:30,529 --> 00:18:28,679

think that he'll agree with my

356

00:18:32,870 --> 00:18:30,539

saying that this is transformative work

357

00:18:35,330 --> 00:18:32,880

I'm going to say fair use fair use fair

358

00:18:37,250 --> 00:18:35,340

use we're going to be discussing this

359

00:18:39,890 --> 00:18:37,260

reading she's given Kevin Moore

360

00:18:42,470 --> 00:18:39,900

especially in how it relates to the very

361

00:18:44,930 --> 00:18:42,480

similar reading or session that I got

362

00:18:46,430 --> 00:18:44,940

from her so let's take a listen even

363

00:18:51,250 --> 00:18:46,440

worse down the road somewhere but it's

364

00:18:54,110 --> 00:18:51,260

doubles double as much I know right

365

00:18:55,909 --> 00:18:54,120

what is the most important message of

366

00:18:57,409 --> 00:18:55,919

your work

367

00:18:59,450 --> 00:18:57,419

hmm

368

00:19:01,190 --> 00:18:59,460

it would be to remind people of how

369

00:19:03,289 --> 00:19:01,200

powerful they are how Divine they are

370

00:19:06,350 --> 00:19:03,299

that

371

00:19:10,190 --> 00:19:06,360

you know no matter what color what race

372

00:19:12,470 --> 00:19:10,200

What ethnicity what sexual orientation

373

00:19:13,909 --> 00:19:12,480

and I'm probably gonna get just slammed

374

00:19:16,789 --> 00:19:13,919

for that one

375

00:19:18,950 --> 00:19:16,799

um that they're all a part of God and

376

00:19:19,669 --> 00:19:18,960

they all have God within them and no

377

00:19:21,110 --> 00:19:19,679

matter

378

00:19:22,730 --> 00:19:21,120

what suffering they're going through

379

00:19:25,490 --> 00:19:22,740

they could just

380

00:19:27,350 --> 00:19:25,500

silence their minds and go Within start

381

00:19:30,289 --> 00:19:27,360

connecting to their souls there's all

382

00:19:33,409 --> 00:19:30,299

the solutions and all the healing there

383

00:19:35,210 --> 00:19:33,419

I want to remind Humanity of their power

384

00:19:37,070 --> 00:19:35,220

and of their souls

385

00:19:40,549 --> 00:19:37,080

that's what I want to do

386

00:19:41,990 --> 00:19:40,559

I'm not a teacher I'm not a leader

387

00:19:44,270 --> 00:19:42,000

I'm just

388

00:19:47,450 --> 00:19:44,280

somebody saying

389

00:19:50,570 --> 00:19:47,460

remember who you are because you're much

390

00:19:51,950 --> 00:19:50,580

more than you think you are you are in a

391

00:19:54,049 --> 00:19:51,960

thought person

392

00:19:56,090 --> 00:19:54,059

that diminishes you

393

00:19:57,710 --> 00:19:56,100

get rid of that

394

00:20:00,409 --> 00:19:57,720

become

395

00:20:03,470 --> 00:20:00,419

whole again and happy

396

00:20:06,049 --> 00:20:03,480

rise up and stand up

397

00:20:10,430 --> 00:20:06,059

everybody needs to do that

398

00:20:12,169 --> 00:20:10,440

okay so what I can do is I can start by

399

00:20:14,810 --> 00:20:12,179

doing

400

00:20:17,330 --> 00:20:14,820

some energy work on you if you want

401
00:20:18,529 --> 00:20:17,340
absolutely

402
00:20:23,210 --> 00:20:18,539
some

403
00:20:31,490 --> 00:20:23,220
so you would have to shut your eyes

404
00:20:37,669 --> 00:20:34,970
and you will usually feel tingling

405
00:20:40,010 --> 00:20:37,679
warmth or something else

406
00:20:47,150 --> 00:20:40,020
as energy affects the body on every

407
00:20:52,370 --> 00:20:49,370
I'm just going to work on your chakra

408
00:21:06,890 --> 00:20:55,970
please do let me know when you feel like

409
00:21:06,900 --> 00:21:21,590
um

410
00:21:21,600 --> 00:21:25,010
hmm

411
00:21:36,770 --> 00:21:29,390
it's like a pulsing a little bit yes God

412
00:21:41,570 --> 00:21:39,649
so I'm going to actually bring your

413
00:21:52,360 --> 00:21:41,580

frequency up so that during this

414

00:21:52,370 --> 00:21:56,390

[Music]

415

00:22:01,250 --> 00:21:58,730

this apartment thinks do I want this or

416

00:22:03,950 --> 00:22:01,260

is this this is my imagination but I've

417

00:22:08,810 --> 00:22:03,960

never felt that before

418

00:22:25,669 --> 00:22:12,409

I'm just bringing you up in frequency

419

00:22:25,679 --> 00:22:30,890

um

420

00:22:30,900 --> 00:22:35,570

okay

421

00:22:35,580 --> 00:22:44,390

your Aurora is changing colors

422

00:22:44,400 --> 00:22:50,049

wow

423

00:22:59,630 --> 00:22:56,029

how are you feeling a lot uh yeah well I

424

00:23:02,930 --> 00:22:59,640

posted that was amazing

425

00:23:07,070 --> 00:23:04,490

without answering your question I don't

426

00:23:07,080 --> 00:23:12,049

I obviously can feel what you feel

427

00:23:20,270 --> 00:23:14,930

whenever we tune ourselves to a higher

428

00:23:20,280 --> 00:23:31,190

all right

429

00:23:31,200 --> 00:23:43,789

sorry folks uh one second

430

00:23:43,799 --> 00:23:47,330

oh come on

431

00:23:47,340 --> 00:23:50,990

there we go

432

00:23:55,190 --> 00:23:52,909

I should have clipped that I'm sorry

433

00:23:57,529 --> 00:23:55,200

guys

434

00:24:25,250 --> 00:23:57,539

Let's uh let's go back to the share

435

00:24:25,260 --> 00:24:48,409

gotta have a crystal

436

00:24:58,130 --> 00:24:52,130

okay folks we're gonna stop it there

437

00:25:05,270 --> 00:25:00,730

regardless of

438

00:25:06,649 --> 00:25:05,280

Moore it's kind of important just to

439

00:25:08,630 --> 00:25:06,659

note that

440

00:25:16,010 --> 00:25:08,640

I

441

00:25:18,710 --> 00:25:16,020

of a woo believer than me despite all of

442

00:25:20,570 --> 00:25:18,720

his sort of uh you know Bob's are as a

443

00:25:23,810 --> 00:25:20,580

fraud and

444

00:25:25,909 --> 00:25:23,820

crazy Cassidy and you know uh Mark

445

00:25:27,890 --> 00:25:25,919

Richards which I agree with him on but

446

00:25:31,549 --> 00:25:27,900

you know he's got a channeling website

447

00:25:33,950 --> 00:25:31,559

he's at all the new age Expo things and

448

00:25:37,250 --> 00:25:33,960

he's a little bit more of a believer

449

00:25:39,830 --> 00:25:37,260

in my case the beginning was much longer

450

00:25:42,470 --> 00:25:39,840

she did a whole sort of getting me ready

451
00:25:44,510 --> 00:25:42,480
for this experience that I was going to

452
00:25:47,870 --> 00:25:44,520
have and one of the things that she told

453
00:25:51,890 --> 00:25:47,880
me in in private messages before the

454
00:25:53,810 --> 00:25:51,900
phone call was that she could uh

455
00:25:55,310 --> 00:25:53,820
make my heart

456
00:25:58,490 --> 00:25:55,320
go faster

457
00:26:00,710 --> 00:25:58,500
and she could give me chills and make me

458
00:26:02,690 --> 00:26:00,720
feel pins and needles and things like

459
00:26:05,570 --> 00:26:02,700
this so

460
00:26:09,049 --> 00:26:05,580
after the initial like okay we're gonna

461
00:26:11,690 --> 00:26:09,059
we're gonna get rid of all your trauma

462
00:26:14,990 --> 00:26:11,700
I I was feeling pretty skeptical

463
00:26:17,750 --> 00:26:15,000

and uh then she started telling me that

464

00:26:19,970 --> 00:26:17,760

she was going to work on my aura and

465

00:26:21,409 --> 00:26:19,980

this is something that I kind of had a

466

00:26:23,409 --> 00:26:21,419

problem with because

467

00:26:26,269 --> 00:26:23,419

I don't know that I believe in auras

468

00:26:29,090 --> 00:26:26,279

okay you're gonna work on my aura how

469

00:26:32,690 --> 00:26:29,100

can I be sh how can I tell

470

00:26:34,730 --> 00:26:32,700

uh that you're working on my aura I

471

00:26:38,210 --> 00:26:34,740

don't know okay you're working on my

472

00:26:40,190 --> 00:26:38,220

auro lady okay and uh

473

00:26:43,850 --> 00:26:40,200

but

474

00:26:46,610 --> 00:26:43,860

I did have this weird sensation start

475

00:26:49,549 --> 00:26:46,620

right after she said that she was you

476
00:26:51,950 --> 00:26:49,559
know sending all my trauma in that black

477
00:26:53,810 --> 00:26:51,960
magic bubble into the sun

478
00:26:55,610 --> 00:26:53,820
I had this feeling that everything

479
00:26:57,830 --> 00:26:55,620
became lighter

480
00:27:00,470 --> 00:26:57,840
but I didn't want to let on to her

481
00:27:03,289 --> 00:27:00,480
because she kept saying you might start

482
00:27:04,970 --> 00:27:03,299
feeling a little strange and I mean it

483
00:27:07,190 --> 00:27:04,980
was like a mantra you might feel a

484
00:27:10,730 --> 00:27:07,200
little strange it's okay just focus on

485
00:27:13,310 --> 00:27:10,740
my voice I want you to relax don't be

486
00:27:15,350 --> 00:27:13,320
afraid there's nothing to fear you might

487
00:27:16,610 --> 00:27:15,360
start to feel a little strange she kept

488
00:27:19,970 --> 00:27:16,620

saying that you might start to feel a

489

00:27:22,010 --> 00:27:19,980

little strange so yeah I started to feel

490

00:27:25,789 --> 00:27:22,020

a little strange

491

00:27:28,549 --> 00:27:25,799

she's working on my aura then she tells

492

00:27:32,029 --> 00:27:28,559

me that she was working on my

493

00:27:34,970 --> 00:27:32,039

chakras aligning my chakras which is

494

00:27:37,370 --> 00:27:34,980

again something that I ca I can't prove

495

00:27:38,990 --> 00:27:37,380

or disprove that she's working on my

496

00:27:41,450 --> 00:27:39,000

chakras

497

00:27:43,190 --> 00:27:41,460

but when she was doing saying this she

498

00:27:45,710 --> 00:27:43,200

said it's going to take a little more

499

00:27:48,230 --> 00:27:45,720

work you're very out of alignment your

500

00:27:49,190 --> 00:27:48,240

chakras are very skewed and out of a

501
00:27:50,990 --> 00:27:49,200
line

502
00:27:54,230 --> 00:27:51,000
I started feeling

503
00:27:57,110 --> 00:27:54,240
like a tenseness in my back and

504
00:28:00,950 --> 00:27:57,120
shoulders and then in other parts of my

505
00:28:03,649 --> 00:28:00,960
body and again I I did not let on

506
00:28:05,450 --> 00:28:03,659
because I was concerned that she was

507
00:28:07,010 --> 00:28:05,460
cold reading and if somebody is cold

508
00:28:10,610 --> 00:28:07,020
reading they'll say

509
00:28:13,010 --> 00:28:10,620
uh do you feel that do you feel that

510
00:28:14,990 --> 00:28:13,020
sensation and if you say yes that then

511
00:28:18,649 --> 00:28:15,000
they go yeah yeah that's me doing that

512
00:28:21,950 --> 00:28:18,659
or you know I was kind of straight faced

513
00:28:23,269 --> 00:28:21,960

during this situation

514

00:28:26,810 --> 00:28:23,279

um

515

00:28:31,610 --> 00:28:26,820

and then that's when things got crazier

516

00:28:39,649 --> 00:28:34,070

I'm gonna just uh pop up some of these

517

00:28:43,789 --> 00:28:42,649

oh no don't you BG's mentioned Jason

518

00:28:48,649 --> 00:28:43,799

quit

519

00:28:52,370 --> 00:28:48,659

as some people but I think he gets far

520

00:28:57,110 --> 00:28:52,380

too much attention in our sphere here

521

00:29:03,769 --> 00:28:59,210

Super V fun cat

522

00:29:06,470 --> 00:29:03,779

she's a natural hypnotist or part alien

523

00:29:09,950 --> 00:29:06,480

well that may have something to do with

524

00:29:09,960 --> 00:29:15,649

and let's see

525

00:29:20,510 --> 00:29:17,810

I kind of missed the joke

526

00:29:22,970 --> 00:29:20,520

okay so back to this reading that she's

527

00:29:25,010 --> 00:29:22,980

giving me now remember I've looked into

528

00:29:28,610 --> 00:29:25,020

hundreds of Psychics

529

00:29:31,430 --> 00:29:28,620

I I've never had a physical sensation

530

00:29:35,690 --> 00:29:31,440

like I started to have while she was

531

00:29:37,370 --> 00:29:35,700

supposedly working on my aura working on

532

00:29:39,470 --> 00:29:37,380

my chakras

533

00:29:41,210 --> 00:29:39,480

then she said

534

00:29:44,450 --> 00:29:41,220

I'm going to begin to work on your

535

00:29:48,350 --> 00:29:44,460

organs because your organs

536

00:29:51,430 --> 00:29:48,360

I I as I recall she started rattling off

537

00:29:55,130 --> 00:29:51,440

numbers to me like your liver is at 40

538

00:29:57,049 --> 00:29:55,140

of its of its Norm of what the health

539

00:29:59,029 --> 00:29:57,059

that it should be at which makes sense

540

00:30:02,210 --> 00:29:59,039

because I probably drink a little too

541

00:30:04,549 --> 00:30:02,220

much beer so I that one I kind of agreed

542

00:30:06,830 --> 00:30:04,559

yeah I probably my liver function is

543

00:30:09,110 --> 00:30:06,840

probably terrible and then she started

544

00:30:11,330 --> 00:30:09,120

talking about my heart function my mind

545

00:30:14,149 --> 00:30:11,340

you know my brain

546

00:30:15,310 --> 00:30:14,159

as I recall she said something about my

547

00:30:18,889 --> 00:30:15,320

brain

548

00:30:21,769 --> 00:30:18,899

which floored me because

549

00:30:22,970 --> 00:30:21,779

I have I'm a Survivor of a brain

550

00:30:24,409 --> 00:30:22,980

aneurysm

551
00:30:27,169 --> 00:30:24,419
and she said

552
00:30:29,690 --> 00:30:27,179
something about my brain that you had a

553
00:30:32,330 --> 00:30:29,700
problem with your brain or something

554
00:30:34,130 --> 00:30:32,340
like that and I was floored at that

555
00:30:36,710 --> 00:30:34,140
moment and didn't know what to say but

556
00:30:38,630 --> 00:30:36,720
again I didn't give her a positive

557
00:30:40,970 --> 00:30:38,640
response I was very careful not to give

558
00:30:43,669 --> 00:30:40,980
her positive responses in case she was

559
00:30:46,070 --> 00:30:43,679
cold reading me

560
00:30:48,350 --> 00:30:46,080
I don't know how she would know that so

561
00:30:50,029 --> 00:30:48,360
I started to get creeped out

562
00:30:52,909 --> 00:30:50,039
right away

563
00:30:54,950 --> 00:30:52,919

with the possibility because I was

564

00:30:55,909 --> 00:30:54,960

having these physical Sensations in my

565

00:30:58,970 --> 00:30:55,919

body

566

00:31:01,669 --> 00:30:58,980

uh you know and then after she started

567

00:31:05,090 --> 00:31:01,679

rattling off these numbers like your

568

00:31:08,690 --> 00:31:05,100

your lung function is bad too you know

569

00:31:11,210 --> 00:31:08,700

yeah I smoke and I drink so my lungs and

570

00:31:13,310 --> 00:31:11,220

my liver probably a mess and she said

571

00:31:16,130 --> 00:31:13,320

I'm gonna go in and start working on

572

00:31:18,769 --> 00:31:16,140

that to clear those Pathways to improve

573

00:31:21,889 --> 00:31:18,779

your organs now I'm gonna and then she

574

00:31:24,409 --> 00:31:21,899

said I'm gonna work on your heart you're

575

00:31:25,490 --> 00:31:24,419

going to begin to feel a sensation in

576

00:31:27,409 --> 00:31:25,500

your chest

577

00:31:30,529 --> 00:31:27,419

and then she kept saying do you feel

578

00:31:32,690 --> 00:31:30,539

that do you feel that and I'm like I I

579

00:31:34,070 --> 00:31:32,700

don't think so I don't think so I don't

580

00:31:37,970 --> 00:31:34,080

think so

581

00:31:40,250 --> 00:31:37,980

and then out of nowhere I got this

582

00:31:43,010 --> 00:31:40,260

wasn't a pain it was like a warm

583

00:31:46,850 --> 00:31:43,020

sensation right in the the top of my

584

00:31:49,669 --> 00:31:46,860

chest and I was

585

00:31:51,830 --> 00:31:49,679

taken aback because this is another

586

00:31:54,470 --> 00:31:51,840

physical Sensation that she's telling me

587

00:31:59,630 --> 00:31:54,480

that I'm gonna have that I truly started

588

00:32:02,690 --> 00:31:59,640

having so I uh you know

589

00:32:04,730 --> 00:32:02,700

then I I sort of got the urge to start

590

00:32:07,190 --> 00:32:04,740

making notes but she kept telling me to

591

00:32:09,769 --> 00:32:07,200

be still and I didn't want to do that so

592

00:32:12,350 --> 00:32:09,779

I just tried to intensely remember the

593

00:32:14,750 --> 00:32:12,360

sequence of events here the best that I

594

00:32:16,850 --> 00:32:14,760

can I'm making notes in my mind but then

595

00:32:19,669 --> 00:32:16,860

I started to get some anxiety because I

596

00:32:21,830 --> 00:32:19,679

felt this heat getting hotter in my

597

00:32:23,450 --> 00:32:21,840

chest while she said that she's working

598

00:32:25,070 --> 00:32:23,460

on my heart

599

00:32:26,810 --> 00:32:25,080

and then one of the things she said to

600

00:32:30,049 --> 00:32:26,820

me in a message before this reading

601
00:32:33,590 --> 00:32:30,059
began on the phone was that she could

602
00:32:36,110 --> 00:32:33,600
make my heart go faster or slower

603
00:32:37,490 --> 00:32:36,120
I forgot that she had said that and then

604
00:32:39,649 --> 00:32:37,500
she said

605
00:32:41,269 --> 00:32:39,659
after the warm sensation and she told me

606
00:32:43,909 --> 00:32:41,279
she was working on my heart she said

607
00:32:46,549 --> 00:32:43,919
you're going to begin to feel your heart

608
00:32:50,389 --> 00:32:46,559
your heartbeat and pulse are going to

609
00:32:52,669 --> 00:32:50,399
get faster do you feel that at first and

610
00:32:55,430 --> 00:32:52,679
no I don't feel anything

611
00:32:57,590 --> 00:32:55,440
and I put my hand on my heart and I

612
00:32:59,930 --> 00:32:57,600
could feel a steady sort of resting

613
00:33:00,950 --> 00:32:59,940

rhythm of a heart nothing seemed out of

614

00:33:03,769 --> 00:33:00,960

the ordinary

615

00:33:05,810 --> 00:33:03,779

and then she said give me a moment

616

00:33:06,769 --> 00:33:05,820

okay you're gonna start feeling it in a

617

00:33:09,110 --> 00:33:06,779

moment you're going to start feeling

618

00:33:10,430 --> 00:33:09,120

your heart will begin to race you're

619

00:33:13,909 --> 00:33:10,440

going to feel it

620

00:33:16,250 --> 00:33:13,919

and I'm thinking no way no way is she

621

00:33:18,490 --> 00:33:16,260

going to make my heart beat faster

622

00:33:21,590 --> 00:33:18,500

and again I started feeling this anxiety

623

00:33:24,470 --> 00:33:21,600

most of the anxiety was centered around

624

00:33:27,049 --> 00:33:24,480

what if I finally found a real

625

00:33:29,269 --> 00:33:27,059

psychic here that can actually do

626

00:33:31,310 --> 00:33:29,279

something that's measurable

627

00:33:33,710 --> 00:33:31,320

and just at that moment

628

00:33:35,090 --> 00:33:33,720

I have my art on I have my hand on my

629

00:33:38,269 --> 00:33:35,100

heart

630

00:33:40,850 --> 00:33:38,279

and it was not

631

00:33:43,669 --> 00:33:40,860

totally subtle but it wasn't like my

632

00:33:46,190 --> 00:33:43,679

heart rate did not double but it

633

00:33:48,409 --> 00:33:46,200

increased dramatically and she said

634

00:33:50,029 --> 00:33:48,419

there there now you'll feel it right

635

00:33:53,630 --> 00:33:50,039

when

636

00:33:55,370 --> 00:33:53,640

I started no like I could feel it in my

637

00:33:57,950 --> 00:33:55,380

hand that my heart was starting to beat

638

00:34:01,610 --> 00:33:57,960

faster so

639

00:34:05,149 --> 00:34:01,620

now I got totally freaked because I

640

00:34:06,950 --> 00:34:05,159

thought this is a physical effect and

641

00:34:08,690 --> 00:34:06,960

she's telling me she's going to make my

642

00:34:11,030 --> 00:34:08,700

heart go faster

643

00:34:13,730 --> 00:34:11,040

and God is my witness

644

00:34:16,369 --> 00:34:13,740

it did my heart beat

645

00:34:19,250 --> 00:34:16,379

jumped up and she said it'll it'll begin

646

00:34:21,889 --> 00:34:19,260

to slow down relax you'll be fine don't

647

00:34:23,589 --> 00:34:21,899

be afraid I'm working the energies of

648

00:34:27,470 --> 00:34:23,599

your heart out or something like that

649

00:34:29,810 --> 00:34:27,480

and I'm floored I was floored at this

650

00:34:32,629 --> 00:34:29,820

point because I've seen a hundred

651
00:34:35,210 --> 00:34:32,639
psychics all of them use magic tricks

652
00:34:37,730 --> 00:34:35,220
all of them use cold reading techniques

653
00:34:39,829 --> 00:34:37,740
that's another point I'd like to make

654
00:34:41,030 --> 00:34:39,839
I'm very familiar with cold reading

655
00:34:46,010 --> 00:34:41,040
techniques

656
00:34:47,930 --> 00:34:46,020
are generalizations and they throw out a

657
00:34:49,790 --> 00:34:47,940
lot of stuff and they wait to see what

658
00:34:53,089 --> 00:34:49,800
you respond to and then they grab that

659
00:34:55,550 --> 00:34:53,099
hit and they run with it see yeah yeah

660
00:34:58,670 --> 00:34:55,560
you do have you know

661
00:35:01,550 --> 00:34:58,680
problems with your feet or nonsense

662
00:35:05,750 --> 00:35:01,560
these cold readers use she didn't throw

663
00:35:08,870 --> 00:35:05,760

out lots of stuff or generalizations it

664

00:35:11,329 --> 00:35:08,880

was all very specific like her telling

665

00:35:14,170 --> 00:35:11,339

me you're gonna feel your heart go

666

00:35:17,270 --> 00:35:14,180

faster and it did

667

00:35:20,450 --> 00:35:17,280

I have looked for somebody that had

668

00:35:22,910 --> 00:35:20,460

measurable psychic ability for decades

669

00:35:26,990 --> 00:35:22,920

never found one person that could come

670

00:35:28,310 --> 00:35:27,000

anywhere near what she was doing at this

671

00:35:30,490 --> 00:35:28,320

moment

672

00:35:35,569 --> 00:35:30,500

I got

673

00:35:38,270 --> 00:35:35,579

excited I I can't lie I was like my God

674

00:35:42,050 --> 00:35:38,280

can she really do this thing that she

675

00:35:45,170 --> 00:35:42,060

said that she would do and she did it

676

00:35:47,030 --> 00:35:45,180

then things got a little stranger

677

00:35:49,609 --> 00:35:47,040

she started saying that she was gonna

678

00:35:52,270 --> 00:35:49,619

work on my DNA

679

00:35:55,310 --> 00:35:52,280

that I had errors we all have errors

680

00:35:57,410 --> 00:35:55,320

anomalies or problems

681

00:36:00,109 --> 00:35:57,420

in our DNA

682

00:36:02,390 --> 00:36:00,119

uh

683

00:36:03,829 --> 00:36:02,400

and Dan Hogan we have a comment up on

684

00:36:05,810 --> 00:36:03,839

the screen have you ever said anything

685

00:36:07,849 --> 00:36:05,820

in your other shows about having a brain

686

00:36:12,109 --> 00:36:07,859

aneurysm yes I did

687

00:36:13,849 --> 00:36:12,119

so you know the possibility on some of

688

00:36:14,950 --> 00:36:13,859

her heads there's two possibilities with

689

00:36:18,230 --> 00:36:14,960

psychics

690

00:36:20,450 --> 00:36:18,240

one of them is cold reading

691

00:36:22,790 --> 00:36:20,460

most of them use cold reading but some

692

00:36:25,910 --> 00:36:22,800

of them use research and it's called

693

00:36:27,829 --> 00:36:25,920

pre-show work they will

694

00:36:31,430 --> 00:36:27,839

go to the ends of the Earth to find

695

00:36:32,990 --> 00:36:31,440

information about a subject for all I

696

00:36:35,089 --> 00:36:33,000

know she could have listened to every

697

00:36:37,190 --> 00:36:35,099

one of my shows picking out pieces of

698

00:36:39,650 --> 00:36:37,200

information but I don't have evidence to

699

00:36:40,910 --> 00:36:39,660

support that but it's definitely a

700

00:36:49,250 --> 00:36:40,920

possibility

701

00:36:54,950 --> 00:36:51,650

that's scary

702

00:37:00,170 --> 00:36:57,230

Oh Ellen Fox that's an excellent

703

00:37:02,450 --> 00:37:00,180

question did she heal your eye situation

704

00:37:05,690 --> 00:37:02,460

a lot of people know because of a brain

705

00:37:08,210 --> 00:37:05,700

aneurysm I have one paralyzed eye it's

706

00:37:10,130 --> 00:37:08,220

called third nerve palsy and just for

707

00:37:11,870 --> 00:37:10,140

the benefit of anybody watching that's

708

00:37:14,150 --> 00:37:11,880

always wondering why does this guy wear

709

00:37:16,670 --> 00:37:14,160

sunglasses constantly it's because I

710

00:37:19,970 --> 00:37:16,680

have a what most people would call a

711

00:37:22,970 --> 00:37:19,980

lazy eye and it's uh it's a chronic

712

00:37:25,609 --> 00:37:22,980

condition it's never gonna come back

713

00:37:29,870 --> 00:37:25,619

Ellen I did not think to ask her to heal

714

00:37:34,550 --> 00:37:29,880

that maybe I could if I talked to her uh

715

00:37:37,370 --> 00:37:34,560

but most of her claims of healing me

716

00:37:41,150 --> 00:37:37,380

I I don't know did she did she really

717

00:37:43,849 --> 00:37:41,160

repair my aura did she align my chakras

718

00:37:46,130 --> 00:37:43,859

and the most troubling claim that she

719

00:37:48,050 --> 00:37:46,140

makes that I have a problem with is that

720

00:37:52,670 --> 00:37:48,060

she repairs people's

721

00:37:55,370 --> 00:37:52,680

damaged DNA because again you know it's

722

00:37:57,589 --> 00:37:55,380

not like we looked at my DNA under a

723

00:38:01,670 --> 00:37:57,599

microscope before this session and found

724

00:38:04,670 --> 00:38:01,680

flaws errors anomalies or damage and

725

00:38:06,829 --> 00:38:04,680

then looked at my DNA sample after the

726

00:38:10,370 --> 00:38:06,839

session and found that she had repaired

727

00:38:13,810 --> 00:38:10,380

it and to me that would be proof that

728

00:38:16,190 --> 00:38:13,820

she actually repaired my DNA

729

00:38:17,990 --> 00:38:16,200

the problem that I have with psychics

730

00:38:20,270 --> 00:38:18,000

especially psychics

731

00:38:22,190 --> 00:38:20,280

or mediums or anybody that charges

732

00:38:23,569 --> 00:38:22,200

people money is that they're pretending

733

00:38:26,450 --> 00:38:23,579

and

734

00:38:30,890 --> 00:38:26,460

the example I always use is this if I

735

00:38:33,470 --> 00:38:30,900

were to for example tell you I will

736

00:38:35,270 --> 00:38:33,480

cut your grass for fifty dollars and

737

00:38:37,010 --> 00:38:35,280

then I took your fifty dollars and I

738

00:38:39,050 --> 00:38:37,020

just walked out in your front lawn and

739

00:38:42,170 --> 00:38:39,060

pretended to cut the grass and kept your

740

00:38:45,170 --> 00:38:42,180

fifty dollars that would be a crime

741

00:38:47,450 --> 00:38:45,180

that would be theft you know it would be

742

00:38:49,910 --> 00:38:47,460

immoral unethical and probably illegal

743

00:38:52,849 --> 00:38:49,920

to take money for a service and then

744

00:38:54,470 --> 00:38:52,859

just pretend with no proof that you

745

00:38:55,849 --> 00:38:54,480

actually issued the service this is why

746

00:38:57,230 --> 00:38:55,859

I have a problem with psychics this is

747

00:39:00,109 --> 00:38:57,240

why I have a problem with mediums and

748

00:39:03,650 --> 00:39:00,119

even a lot of these so-called light

749

00:39:07,010 --> 00:39:03,660

worker healers or Quantum this and you

750

00:39:10,430 --> 00:39:07,020

know Crystal healers I I'm not real big

751

00:39:12,290 --> 00:39:10,440

on Reiki either you know

752

00:39:13,970 --> 00:39:12,300

I have a problem with anybody taking

753

00:39:15,829 --> 00:39:13,980

money for something that they can't

754

00:39:17,210 --> 00:39:15,839

prove that they actually provided the

755

00:39:20,089 --> 00:39:17,220

service so

756

00:39:21,650 --> 00:39:20,099

the DNA issue is a big issue for me I

757

00:39:24,770 --> 00:39:21,660

have not talked to her about this yet

758

00:39:27,770 --> 00:39:24,780

now I wanted to do this show because

759

00:39:29,450 --> 00:39:27,780

there is too much to unpack here and jam

760

00:39:31,849 --> 00:39:29,460

it all in one show along with the

761

00:39:34,069 --> 00:39:31,859

interview of her so

762

00:39:36,410 --> 00:39:34,079

tonight I just wanted to talk about this

763

00:39:40,670 --> 00:39:36,420

experience that I had with her

764

00:39:43,670 --> 00:39:40,680

and I'd also like to continue uh because

765

00:39:46,010 --> 00:39:43,680

there was one more physical effect

766

00:39:49,790 --> 00:39:46,020

she said that she was

767

00:39:51,470 --> 00:39:49,800

repairing or upgrading my DNA and that I

768

00:39:53,510 --> 00:39:51,480

would begin to feel tingling in

769

00:39:56,510 --> 00:39:53,520

different areas of my body

770

00:39:58,069 --> 00:39:56,520

now I didn't feel tingling and she kept

771

00:40:00,349 --> 00:39:58,079

saying something like do you feel that

772

00:40:02,930 --> 00:40:00,359

tingling do you feel that sensation it's

773

00:40:05,390 --> 00:40:02,940

like a shiver do you feel that and I

774

00:40:07,490 --> 00:40:05,400

said no no no and then all of a sudden

775

00:40:10,069 --> 00:40:07,500

you know like when you get that shiver

776

00:40:13,430 --> 00:40:10,079

all of a sudden I got that shiver

777

00:40:17,510 --> 00:40:13,440

and again I was floored because I

778

00:40:19,730 --> 00:40:17,520

I spent years doing stage magic shows if

779

00:40:22,250 --> 00:40:19,740

I could do those two tricks making

780

00:40:25,430 --> 00:40:22,260

somebody's heart beat faster

781

00:40:28,310 --> 00:40:25,440

on command and giving them a shiver on

782

00:40:30,230 --> 00:40:28,320

command that would be to magicians ask

783

00:40:33,109 --> 00:40:30,240

any magician if they could figure out

784

00:40:35,450 --> 00:40:33,119

how to do that that would be an amazing

785

00:40:38,329 --> 00:40:35,460

effect it would be jaw dropping to an

786

00:40:41,870 --> 00:40:38,339

audience if you could do that so I was

787

00:40:45,890 --> 00:40:41,880

very excited and impressed

788

00:40:48,829 --> 00:40:45,900

at first but I have to say that on the

789

00:40:53,390 --> 00:40:48,839

actual value of the whatever she was

790

00:40:55,250 --> 00:40:53,400

supposed to be working on on me and uh I

791

00:40:58,370 --> 00:40:55,260

didn't I don't know that there is value

792

00:41:01,790 --> 00:40:58,380

do I feel like all my past traumas are

793

00:41:04,190 --> 00:41:01,800

healed and gone no but I will say that I

794

00:41:07,849 --> 00:41:04,200

I felt great today

795

00:41:09,530 --> 00:41:07,859

I also had strange vivid dreams and she

796

00:41:11,150 --> 00:41:09,540

said that I would

797

00:41:14,210 --> 00:41:11,160

and that's another part of this

798

00:41:18,730 --> 00:41:14,220

experience and she was in the dreams

799

00:41:22,670 --> 00:41:18,740

in a strange sort of way sort of

800

00:41:25,130 --> 00:41:22,680

Vivid weird Diamond Atlantis I'm in

801
00:41:27,890 --> 00:41:25,140
Egypt and she's there

802
00:41:31,550 --> 00:41:27,900
like showing me a pyramid

803
00:41:33,530 --> 00:41:31,560
it was Bizarro bizarre dreams

804
00:41:35,450 --> 00:41:33,540
but I woke up this morning

805
00:41:36,950 --> 00:41:35,460
feeling better than I have in a long

806
00:41:39,109 --> 00:41:36,960
time so

807
00:41:43,430 --> 00:41:39,119
was there a benefit to this stuff I have

808
00:41:48,410 --> 00:41:46,250
and we're going to go back to uh

809
00:41:54,829 --> 00:41:48,420
we're gonna go back to comments

810
00:42:08,030 --> 00:41:57,050
William pixie

811
00:42:13,550 --> 00:42:09,890
I wouldn't charge anyone to dine for any

812
00:42:16,609 --> 00:42:13,560
tarot reading or anything else either

813
00:42:19,130 --> 00:42:16,619

yeah rimsy I uh

814

00:42:20,390 --> 00:42:19,140

I don't know not really into tarot I was

815

00:42:23,510 --> 00:42:20,400

at one point

816

00:42:26,630 --> 00:42:23,520

um but I never charged people money

817

00:42:28,970 --> 00:42:26,640

but I did do I did this mentalism show

818

00:42:30,770 --> 00:42:28,980

and that was kind of like for quite

819

00:42:33,290 --> 00:42:30,780

honestly it was for housewives that had

820

00:42:35,390 --> 00:42:33,300

too much money and I would go to House

821

00:42:37,430 --> 00:42:35,400

parties or cocktail parties and do sort

822

00:42:39,650 --> 00:42:37,440

of like a stand-up show for an hour and

823

00:42:42,230 --> 00:42:39,660

then afterwards I could never figure out

824

00:42:44,210 --> 00:42:42,240

how to read tarot cards without a book

825

00:42:47,329 --> 00:42:44,220

next to me and you can't do that for

826
00:42:53,150 --> 00:42:47,339
money so I use these Fortune card things

827
00:42:57,290 --> 00:42:55,609
oh Peter Wilco well thanks for joining

828
00:43:00,589 --> 00:42:57,300
us Peter and we'll see you again soon

829
00:43:05,690 --> 00:43:03,710
when meal Miracles are here Ellen fox

830
00:43:06,829 --> 00:43:05,700
says when Miracles are here they will be

831
00:43:09,829 --> 00:43:06,839
free

832
00:43:12,530 --> 00:43:09,839
yes so the takeaway from this her

833
00:43:15,710 --> 00:43:12,540
working on my chakras and healing me of

834
00:43:17,450 --> 00:43:15,720
past trauma is that I don't I didn't

835
00:43:22,430 --> 00:43:17,460
find

836
00:43:25,490 --> 00:43:22,440
so far I am unconvinced but I felt great

837
00:43:28,550 --> 00:43:25,500
this morning when I woke up and

838
00:43:31,790 --> 00:43:28,560

we all have trauma did she heal all my

839

00:43:35,510 --> 00:43:31,800

past trauma no but I had a very positive

840

00:43:38,450 --> 00:43:35,520

attitude today and realized on the drive

841

00:43:39,829 --> 00:43:38,460

to the cabin here that I didn't think

842

00:43:41,750 --> 00:43:39,839

about

843

00:43:46,010 --> 00:43:41,760

any

844

00:43:53,750 --> 00:43:46,020

past trauma or pain or anxiety today

845

00:43:57,710 --> 00:43:55,730

and William Pixley I don't doubt you

846

00:44:04,069 --> 00:43:57,720

riemc because you are wise enough to

847

00:44:04,079 --> 00:44:07,490

ude

848

00:44:12,230 --> 00:44:09,410

Dan Hogan I go to see a medium but I'm

849

00:44:13,190 --> 00:44:12,240

not paying any more than 40 or 50 bucks

850

00:44:15,970 --> 00:44:13,200

um

851
00:44:18,290 --> 00:44:15,980
Miss Sarah Adams is significantly more

852
00:44:21,890 --> 00:44:18,300
significantly significantly more

853
00:44:24,829 --> 00:44:21,900
expensive than 40 or 50 dollars

854
00:44:27,650 --> 00:44:24,839
um I I don't want to miss I don't want

855
00:44:30,050 --> 00:44:27,660
to say a number that's wrong so I will

856
00:44:34,430 --> 00:44:30,060
ask her what she charges clients when we

857
00:44:40,550 --> 00:44:38,329
good night Carol Mike Carol

858
00:44:49,010 --> 00:44:40,560
you may highly be

859
00:44:52,910 --> 00:44:51,349
dream C I actually believe in and work

860
00:44:54,950 --> 00:44:52,920
with chakras but I wouldn't expect

861
00:44:57,470 --> 00:44:54,960
anyone else to believe it

862
00:44:59,569 --> 00:44:57,480
it's more of a matter of faith not

863
00:45:02,450 --> 00:44:59,579

something that can be proven you know I

864

00:45:03,829 --> 00:45:02,460

got that sense from her as well

865

00:45:07,370 --> 00:45:03,839

it's like

866

00:45:09,829 --> 00:45:07,380

do I blame her though for uh for selling

867

00:45:12,109 --> 00:45:09,839

this service no because every

868

00:45:14,530 --> 00:45:12,119

spiritual organization is selling

869

00:45:16,510 --> 00:45:14,540

services whether you're Catholic Jewish

870

00:45:20,630 --> 00:45:16,520

Muslim

871

00:45:22,550 --> 00:45:20,640

Hindi Buddhist there's always you know

872

00:45:26,690 --> 00:45:22,560

give a few bucks

873

00:45:28,670 --> 00:45:26,700

and you know like the Catholic I grew up

874

00:45:32,089 --> 00:45:28,680

Catholic and there

875

00:45:34,370 --> 00:45:32,099

they're rituals like for example there's

876

00:45:35,809 --> 00:45:34,380

it used to be called the last rites but

877

00:45:37,730 --> 00:45:35,819

now it's called anointing of the sick

878

00:45:40,550 --> 00:45:37,740

because we have to change the words to

879

00:45:42,230 --> 00:45:40,560

make everything you know more pleasant

880

00:45:45,470 --> 00:45:42,240

sounding I don't know anointing of the

881

00:45:47,089 --> 00:45:45,480

sick and the last rights whatever but in

882

00:45:49,970 --> 00:45:47,099

the Catholic ritual of anointing of the

883

00:45:53,150 --> 00:45:49,980

sick or last rights you're basically

884

00:45:55,190 --> 00:45:53,160

assured a place in heaven if the priest

885

00:45:57,470 --> 00:45:55,200

gets to you before you die and

886

00:45:59,150 --> 00:45:57,480

administers the last rites because he

887

00:46:02,270 --> 00:45:59,160

part of that is he'll take your

888

00:46:04,490 --> 00:46:02,280

confession and then He blesses you on

889

00:46:07,069 --> 00:46:04,500

your Merry way and anoints you with oil

890

00:46:09,410 --> 00:46:07,079

and the Catholic belief is that if you

891

00:46:11,510 --> 00:46:09,420

just get last rights it doesn't matter

892

00:46:13,790 --> 00:46:11,520

what you know it's almost ridiculous

893

00:46:15,770 --> 00:46:13,800

like you could be a murderer but if you

894

00:46:18,670 --> 00:46:15,780

get last rights you're still going to

895

00:46:22,069 --> 00:46:18,680

heaven you know doesn't make any sense

896

00:46:24,050 --> 00:46:22,079

but Catholics pay you pay the priest

897

00:46:26,870 --> 00:46:24,060

when my father was dying in the hospital

898

00:46:29,390 --> 00:46:26,880

we had to have some money there to give

899

00:46:30,170 --> 00:46:29,400

to the priest to do this last rights

900

00:46:32,030 --> 00:46:30,180

thing

901
00:46:33,349 --> 00:46:32,040
but my father was very Catholic and he

902
00:46:35,510 --> 00:46:33,359
would have wanted that so we just paid

903
00:46:37,190 --> 00:46:35,520
the money and do I know that for sure

904
00:46:40,130 --> 00:46:37,200
well we got him the last rights he's

905
00:46:43,010 --> 00:46:40,140
going to heaven no I have to you have to

906
00:46:45,410 --> 00:46:43,020
go in faith with Catholics to say okay

907
00:46:47,030 --> 00:46:45,420
he might you know he guess he's going to

908
00:46:49,370 --> 00:46:47,040
heaven because we paid the hundred bucks

909
00:46:53,329 --> 00:46:49,380
to the church and we got him the last

910
00:46:57,950 --> 00:46:55,670
Jasmine emmerich who's very wise about

911
00:46:59,089 --> 00:46:57,960
some of this stuff she says uh she

912
00:47:00,890 --> 00:46:59,099
wouldn't be able to sell it if there

913
00:47:03,050 --> 00:47:00,900

were no buyers I'm not trying to shift

914

00:47:06,890 --> 00:47:03,060

blame but the charlatans cannot sell

915

00:47:10,370 --> 00:47:06,900

their snake oil if there are no buyers

916

00:47:13,730 --> 00:47:10,380

short form of a longer conversation I

917

00:47:17,089 --> 00:47:13,740

agree with you absolutely

918

00:47:19,550 --> 00:47:17,099

and just to be fair to her no you know

919

00:47:21,470 --> 00:47:19,560

I'm not saying that she's a charlatan or

920

00:47:23,390 --> 00:47:21,480

a snake oil salesperson that's yet to be

921

00:47:25,309 --> 00:47:23,400

determined I

922

00:47:27,829 --> 00:47:25,319

you know let's get back to the

923

00:47:29,150 --> 00:47:27,839

experience though so

924

00:47:37,730 --> 00:47:29,160

oh

925

00:47:37,740 --> 00:47:41,930

hello this is Stephen

926

00:47:41,940 --> 00:47:45,650

yeah who's this

927

00:47:50,569 --> 00:47:48,650

oh Eric listen let me pull you in right

928

00:47:52,130 --> 00:47:50,579

now but I gotta finish a point and then

929

00:47:56,329 --> 00:47:52,140

we'll get right to you okay

930

00:48:01,910 --> 00:47:58,190

all right we didn't even open the phone

931

00:48:03,710 --> 00:48:01,920

lines up but I gave the number out uh

932

00:48:06,650 --> 00:48:03,720

earlier because

933

00:48:09,650 --> 00:48:06,660

I wanted to have another perspective

934

00:48:11,750 --> 00:48:09,660

here of somebody who has had encounters

935

00:48:13,670 --> 00:48:11,760

with her and that would be Eric The

936

00:48:16,370 --> 00:48:13,680

Awakening man one of the things that she

937

00:48:18,770 --> 00:48:16,380

told me was that she can summon

938

00:48:21,470 --> 00:48:18,780

spaceships and even Eric The Awakening

939

00:48:23,870 --> 00:48:21,480

man saw them and I said I know him on

940

00:48:25,010 --> 00:48:23,880

Twitter I gotta talk to him and you know

941

00:48:26,750 --> 00:48:25,020

find out

942

00:48:30,109 --> 00:48:26,760

so we're going to get to Eric in a

943

00:48:33,829 --> 00:48:30,119

moment he's here on the phone but

944

00:48:35,510 --> 00:48:33,839

to finish my point so

945

00:48:38,809 --> 00:48:35,520

there was

946

00:48:41,150 --> 00:48:38,819

these physical Sensations that I was

947

00:48:43,790 --> 00:48:41,160

having and I couldn't I cannot I could

948

00:48:46,069 --> 00:48:43,800

not explain at the time then she got

949

00:48:49,069 --> 00:48:46,079

into a lot of different stuff about my

950

00:48:51,950 --> 00:48:49,079

son who happens to be autistic

951
00:48:54,770 --> 00:48:51,960
she told me things that were spot on

952
00:48:56,569 --> 00:48:54,780
dead on with my son that he runs around

953
00:48:58,250 --> 00:48:56,579
giggling a lot that he runs around

954
00:49:00,349 --> 00:48:58,260
screaming a lot

955
00:49:03,290 --> 00:49:00,359
but that later when I thought about it

956
00:49:05,210 --> 00:49:03,300
all autistic children do that anybody

957
00:49:07,010 --> 00:49:05,220
familiar with autistic children knows

958
00:49:08,930 --> 00:49:07,020
that they just they'll just they'll walk

959
00:49:10,670 --> 00:49:08,940
up behind you and just scream for no

960
00:49:13,849 --> 00:49:10,680
reason you know especially the

961
00:49:15,470 --> 00:49:13,859
non-verbal ones and I don't know I said

962
00:49:17,329 --> 00:49:15,480
hey every kid runs around giggling

963
00:49:19,130 --> 00:49:17,339

sometimes don't they and she said no but

964

00:49:21,349 --> 00:49:19,140

yours does it a lot a lot more than most

965

00:49:23,210 --> 00:49:21,359

children and she's right my wife and I

966

00:49:25,010 --> 00:49:23,220

call it the giggles so there's something

967

00:49:26,510 --> 00:49:25,020

else that she told me

968

00:49:28,069 --> 00:49:26,520

and I just want to make one more point

969

00:49:30,710 --> 00:49:28,079

about my son she told me that his

970

00:49:33,170 --> 00:49:30,720

favorite color is blue and he's

971

00:49:35,329 --> 00:49:33,180

non-verbal autistic if I ask him what's

972

00:49:37,190 --> 00:49:35,339

your favorite color he can't tell me if

973

00:49:38,870 --> 00:49:37,200

I put a bunch of crayons in front of him

974

00:49:40,730 --> 00:49:38,880

and say pick your favorite color he

975

00:49:42,589 --> 00:49:40,740

doesn't consistently pick the same color

976

00:49:45,290 --> 00:49:42,599

so I don't know if she's right about

977

00:49:47,630 --> 00:49:45,300

that but let's get to Eric The Awakening

978

00:49:50,270 --> 00:49:47,640

man Eric are you there

979

00:49:53,390 --> 00:49:50,280

yeah can you hear me clearly yes I can

980

00:49:56,210 --> 00:49:53,400

so we talked a little bit on Twitter

981

00:49:58,670 --> 00:49:56,220

she said that you were somewhere nearby

982

00:50:01,730 --> 00:49:58,680

her and

983

00:50:03,650 --> 00:50:01,740

she summoned spaceships and you saw them

984

00:50:07,790 --> 00:50:03,660

so can you tell us what happened with

985

00:50:07,800 --> 00:50:12,770

beginning in the middle of

986

00:50:15,950 --> 00:50:14,450

going for three or four minutes if you

987

00:50:17,870 --> 00:50:15,960

want no yeah I mean three or four

988

00:50:19,970 --> 00:50:17,880

minutes is good to tell the story so she

989

00:50:21,470 --> 00:50:19,980

summons or let's take it from here she

990

00:50:28,390 --> 00:50:21,480

tells you that she's going to summon

991

00:50:32,030 --> 00:50:30,950

you know I'm a researcher and I try to

992

00:50:36,470 --> 00:50:32,040

keep

993

00:50:39,950 --> 00:50:38,329

in a lot of ways you know I wouldn't say

994

00:50:42,890 --> 00:50:39,960

I'm skeptical because I've seen enough

995

00:50:45,170 --> 00:50:42,900

now and met enough people to have an

996

00:50:48,170 --> 00:50:45,180

intuition about if I if I'm feeling

997

00:50:50,270 --> 00:50:48,180

their Vibe like maybe this is legit like

998

00:50:52,190 --> 00:50:50,280

for example Corey did I never ever felt

999

00:50:53,630 --> 00:50:52,200

that guy five in the beginning

1000

00:50:54,650 --> 00:50:53,640

so anyway I just wanted to drop that

1001
00:50:56,569 --> 00:50:54,660
real quick

1002
00:50:58,849 --> 00:50:56,579
um so what happened was is I've been

1003
00:51:01,250 --> 00:50:58,859
talking to this guy Gary Drew who lives

1004
00:51:04,490 --> 00:51:01,260
in Kingman Arizona and he wrote the book

1005
00:51:07,790 --> 00:51:04,500
seven days in Kingman about the three

1006
00:51:10,430 --> 00:51:07,800
two crashes and a landing in Kingman

1007
00:51:13,370 --> 00:51:10,440
Arizona off of Stockton Road in the in

1008
00:51:15,710 --> 00:51:13,380
the Red Lake area so I met him at the

1009
00:51:17,270 --> 00:51:15,720
conference in Laughlin uh I've been

1010
00:51:18,470 --> 00:51:17,280
talking to him he was a hard guy to get

1011
00:51:20,089 --> 00:51:18,480
to talk to but you know how it is

1012
00:51:21,650 --> 00:51:20,099
sometimes you try to you know have

1013
00:51:23,089 --> 00:51:21,660

conversations with these people you want

1014

00:51:24,589 --> 00:51:23,099

you're interested in and they're

1015

00:51:27,470 --> 00:51:24,599

sometimes they're Larry or they're

1016

00:51:29,630 --> 00:51:27,480

cautious and this guy he was not willing

1017

00:51:36,130 --> 00:51:29,640

initially to really just open up so I

1018

00:51:41,930 --> 00:51:39,829

so he opened up but anyway

1019

00:51:43,910 --> 00:51:41,940

so I said you know at one point I said

1020

00:51:45,650 --> 00:51:43,920

so are there UFOs still flying around

1021

00:51:47,569 --> 00:51:45,660

out there in Kingman because he has a

1022

00:51:49,609 --> 00:51:47,579

ranch out there off of Old Stockton road

1023

00:51:51,829 --> 00:51:49,619

which is about a 40 mile road that goes

1024

00:51:54,829 --> 00:51:51,839

through the desert from Kingman towards

1025

00:51:57,650 --> 00:51:54,839

the general direction of Nevada and uh

1026
00:52:00,230 --> 00:51:57,660
he says yes and you know so on and so

1027
00:52:02,270 --> 00:52:00,240
forth so I said well where where do I go

1028
00:52:04,130 --> 00:52:02,280
to see these things and he told me you

1029
00:52:06,950 --> 00:52:04,140
know Drive 20 miles out old Stockton

1030
00:52:11,230 --> 00:52:06,960
Road and you'll see him so of course I

1031
00:52:13,730 --> 00:52:11,240
told my friend John Polk to the Sedona

1032
00:52:21,770 --> 00:52:13,740
I've heard John Polk was there as well

1033
00:52:25,309 --> 00:52:23,809
you know it's more fun when you're doing

1034
00:52:27,950 --> 00:52:25,319
these sort of things to have people with

1035
00:52:29,690 --> 00:52:27,960
you sure like Sky watching yeah like Sky

1036
00:52:32,630 --> 00:52:29,700
watching With Friends

1037
00:52:34,670 --> 00:52:32,640
right well also if you see something and

1038
00:52:36,349 --> 00:52:34,680

it sounds too Fantastical for somebody

1039

00:52:37,609 --> 00:52:36,359

if you're telling the story you got

1040

00:52:39,410 --> 00:52:37,619

three other people and if they're

1041

00:52:40,549 --> 00:52:39,420

incredible people or whatever then you

1042

00:52:42,530 --> 00:52:40,559

know you've got four people that are

1043

00:52:44,630 --> 00:52:42,540

telling the same story absolutely then

1044

00:52:46,130 --> 00:52:44,640

you got to deduce that why would all

1045

00:52:48,230 --> 00:52:46,140

four of these people just make this up

1046

00:52:50,809 --> 00:52:48,240

for no profit no gain and they don't

1047

00:52:52,609 --> 00:52:50,819

need attention you know what I mean

1048

00:52:55,970 --> 00:52:52,619

sure

1049

00:52:56,870 --> 00:52:55,980

okay so anyway so we uh we the Brad and

1050

00:52:59,990 --> 00:52:56,880

Sarah

1051
00:53:01,309 --> 00:53:00,000
were in California and they were they

1052
00:53:03,290 --> 00:53:01,319
were gonna they decided they're gonna

1053
00:53:06,049 --> 00:53:03,300
drive and because I told them about it

1054
00:53:07,609 --> 00:53:06,059
and so we left the donuts it took about

1055
00:53:10,010 --> 00:53:07,619
two little over two hours to get to

1056
00:53:11,809 --> 00:53:10,020
Kingman they left California they drove

1057
00:53:13,309 --> 00:53:11,819
out and we timed it where we met in

1058
00:53:15,829 --> 00:53:13,319
Kingman Arizona

1059
00:53:17,630 --> 00:53:15,839
and uh and I had already scoped out the

1060
00:53:19,730 --> 00:53:17,640
spot because I've driven out there the

1061
00:53:22,190 --> 00:53:19,740
day before so I knew exactly where we

1062
00:53:24,950 --> 00:53:22,200
were gonna go so uh so we drove out

1063
00:53:26,630 --> 00:53:24,960

there uh to cars they followed us out

1064

00:53:28,790 --> 00:53:26,640

there John Polk and I drove he's got the

1065

00:53:30,650 --> 00:53:28,800

night vision goggles and then there

1066

00:53:33,290 --> 00:53:30,660

anyway so we get out there it's a little

1067

00:53:34,609 --> 00:53:33,300

after 8 PM or whatever it was around

1068

00:53:35,210 --> 00:53:34,619

what do you think about this for a

1069

00:53:36,890 --> 00:53:35,220

second

1070

00:53:38,809 --> 00:53:36,900

it was it was in the eight o'clock hour

1071

00:53:40,670 --> 00:53:38,819

but as you know certain times of the

1072

00:53:42,829 --> 00:53:40,680

year this was about a month ago I'm

1073

00:53:43,490 --> 00:53:42,839

approximately you know again here's the

1074

00:53:46,309 --> 00:53:43,500

deal

1075

00:53:49,190 --> 00:53:46,319

in these certain areas it is my

1076

00:53:51,470 --> 00:53:49,200

experience that just after it gets dark

1077

00:53:54,109 --> 00:53:51,480

there's a window of time that's usually

1078

00:53:56,690 --> 00:53:54,119

about 30 to 45 minutes for some reason

1079

00:53:59,990 --> 00:53:56,700

there is a lot of activity in specific

1080

00:54:02,270 --> 00:54:00,000

areas uh so that's that and then if you

1081

00:54:04,910 --> 00:54:02,280

go let's say 10 11 12

1082

00:54:07,490 --> 00:54:04,920

a lot of times you'll see nothing yeah I

1083

00:54:10,430 --> 00:54:07,500

agree with you Twilight and Twilight for

1084

00:54:20,870 --> 00:54:10,440

me Twilight and you know Dusk and Dawn

1085

00:54:24,589 --> 00:54:22,730

and when I say he believes doesn't mean

1086

00:54:26,809 --> 00:54:24,599

I don't believe him or I disbelieve him

1087

00:54:29,390 --> 00:54:26,819

I'm just saying he believes that he can

1088

00:54:30,770 --> 00:54:29,400

call these things in right and I've

1089

00:54:32,150 --> 00:54:30,780

already thinking before anybody's

1090

00:54:33,470 --> 00:54:32,160

talking about anything that these things

1091

00:54:35,089 --> 00:54:33,480

are already here whether you call them

1092

00:54:36,890 --> 00:54:35,099

in or not they're I've already been told

1093

00:54:38,030 --> 00:54:36,900

they're here but if you guys want to

1094

00:54:39,650 --> 00:54:38,040

think that you're calling them in then

1095

00:54:43,010 --> 00:54:39,660

great maybe maybe you are I don't know

1096

00:54:44,569 --> 00:54:43,020

just like I don't know yeah you know so

1097

00:54:46,970 --> 00:54:44,579

uh so we're out there we have the night

1098

00:54:50,569 --> 00:54:48,890

you know completely pitch dark out there

1099

00:54:51,589 --> 00:54:50,579

those are black there's no lights out

1100

00:54:53,510 --> 00:54:51,599

there you know if you're in the middle

1101
00:54:56,089 --> 00:54:53,520
of the desert off this little road the

1102
00:54:57,530 --> 00:54:56,099
whole stocky Road and uh and these

1103
00:55:00,109 --> 00:54:57,540
things start to appear

1104
00:55:02,630 --> 00:55:00,119
and uh we're seeing them and

1105
00:55:06,230 --> 00:55:02,640
uh I would say in a period of 30 minutes

1106
00:55:08,510 --> 00:55:06,240
we saw no no exaggeration

1107
00:55:10,609 --> 00:55:08,520
15 to 20.

1108
00:55:12,650 --> 00:55:10,619
and some of them you could see with the

1109
00:55:14,510 --> 00:55:12,660
naked eye some of them were so high up

1110
00:55:17,150 --> 00:55:14,520
that you couldn't see unless you had the

1111
00:55:19,309 --> 00:55:17,160
night vision because because for some

1112
00:55:21,470 --> 00:55:19,319
reason uh when you have the night vision

1113
00:55:23,210 --> 00:55:21,480

in some instances there's a light

1114

00:55:25,250 --> 00:55:23,220

spectrum that's occurring with these

1115

00:55:27,890 --> 00:55:25,260

things that allows you to see them with

1116

00:55:29,150 --> 00:55:27,900

the night vision uh but you may not be

1117

00:55:30,650 --> 00:55:29,160

able to see them with the naked eye but

1118

00:55:32,150 --> 00:55:30,660

when they're really close

1119

00:55:33,349 --> 00:55:32,160

you don't really need the night vision

1120

00:55:34,549 --> 00:55:33,359

because they're close enough to where

1121

00:55:35,690 --> 00:55:34,559

they're bright enough and you can see

1122

00:55:37,370 --> 00:55:35,700

them so

1123

00:55:39,290 --> 00:55:37,380

um so we're seeing these things kind of

1124

00:55:41,870 --> 00:55:39,300

kind of cruise over back and forth and

1125

00:55:43,490 --> 00:55:41,880

in my mind I'm thinking okay I can't I

1126
00:55:44,690 --> 00:55:43,500
could never promise anybody these aren't

1127
00:55:46,069 --> 00:55:44,700
satellites

1128
00:55:48,049 --> 00:55:46,079
I know they're not playing I know

1129
00:55:49,910 --> 00:55:48,059
they're not helicopters I couldn't tell

1130
00:55:51,230 --> 00:55:49,920
you they weren't military secret crap

1131
00:55:52,849 --> 00:55:51,240
because I don't know but I just know

1132
00:55:54,530 --> 00:55:52,859
they're moving up back and forth over

1133
00:55:58,089 --> 00:55:54,540
this one little area then all of a

1134
00:56:01,069 --> 00:55:58,099
sudden it's this

1135
00:56:03,049 --> 00:56:01,079
one object appeared that was bigger and

1136
00:56:04,670 --> 00:56:03,059
brighter than the other ones that have

1137
00:56:05,870 --> 00:56:04,680
been flying back and forth and right

1138
00:56:07,910 --> 00:56:05,880

behind it

1139

00:56:10,849 --> 00:56:07,920

it looked like in a triangle formation

1140

00:56:13,730 --> 00:56:10,859

there was two smaller lights but still

1141

00:56:15,410 --> 00:56:13,740

uh visible with the naked eye and

1142

00:56:18,490 --> 00:56:15,420

they're flying in August called a

1143

00:56:21,049 --> 00:56:18,500

formation I'm going towards Nevada

1144

00:56:22,730 --> 00:56:21,059

I didn't think about that until now but

1145

00:56:25,010 --> 00:56:22,740

that was the direction that they were

1146

00:56:26,510 --> 00:56:25,020

flying towards Nevada and I don't know

1147

00:56:28,010 --> 00:56:26,520

if they were headed exactly in the

1148

00:56:30,589 --> 00:56:28,020

direction of Area 51 that would be

1149

00:56:32,569 --> 00:56:30,599

speculation but anyway so then

1150

00:56:34,130 --> 00:56:32,579

we're looking at this thing move and

1151
00:56:36,109 --> 00:56:34,140
we're thinking is that one is that three

1152
00:56:37,549 --> 00:56:36,119
objects or is that one big object and

1153
00:56:38,930 --> 00:56:37,559
we're seeing the three points of light

1154
00:56:39,710 --> 00:56:38,940
but the one day light in the front I

1155
00:56:42,890 --> 00:56:39,720
don't know

1156
00:56:44,290 --> 00:56:42,900
and this other object that was up higher

1157
00:56:47,930 --> 00:56:44,300
in the atmosphere

1158
00:56:49,549 --> 00:56:47,940
appears and starts to come down towards

1159
00:56:52,370 --> 00:56:49,559
these other three lights that are moving

1160
00:56:54,349 --> 00:56:52,380
and it looks like it's going to go right

1161
00:56:56,690 --> 00:56:54,359
into this light clusters that I'm

1162
00:56:59,089 --> 00:56:56,700
watching but then as they as these other

1163
00:57:01,069 --> 00:56:59,099

lights move it kind of goes

1164

00:57:03,049 --> 00:57:01,079

it was behind it because you could see

1165

00:57:05,089 --> 00:57:03,059

that it wasn't going in front of it or

1166

00:57:07,549 --> 00:57:05,099

through it it kind of went behind it but

1167

00:57:14,750 --> 00:57:07,559

to see all all that happened at one time

1168

00:57:18,230 --> 00:57:16,549

yeah we're okay here we're we're

1169

00:57:21,109 --> 00:57:18,240

independent you don't have to worry

1170

00:57:24,230 --> 00:57:21,119

about anything but Sarah was there and

1171

00:57:26,990 --> 00:57:24,240

she was uh she was describing uh what

1172

00:57:28,730 --> 00:57:27,000

was happening and she was saying I can't

1173

00:57:30,650 --> 00:57:28,740

remember recall everything but one of

1174

00:57:32,390 --> 00:57:30,660

the things that she she was saying that

1175

00:57:33,530 --> 00:57:32,400

they're big they have a face in these

1176

00:57:35,329 --> 00:57:33,540

mountains

1177

00:57:37,010 --> 00:57:35,339

and I didn't tell her this she didn't

1178

00:57:38,990 --> 00:57:37,020

know this she didn't know anything about

1179

00:57:40,670 --> 00:57:39,000

Harry Drew but I remember she hadn't

1180

00:57:43,190 --> 00:57:40,680

been prepped about any of this stuff

1181

00:57:45,470 --> 00:57:43,200

but she was uh telling me pretty much

1182

00:57:47,569 --> 00:57:45,480

the same thing that Harry Drew had

1183

00:57:50,510 --> 00:57:47,579

already told me privately on phone

1184

00:57:52,190 --> 00:57:50,520

conversations and so she somehow picked

1185

00:57:53,870 --> 00:57:52,200

up on this the energy of these things

1186

00:57:56,750 --> 00:57:53,880

and said that you know they've got a

1187

00:57:58,250 --> 00:57:56,760

base here and so that's so to me these

1188

00:58:00,950 --> 00:57:58,260

things have been flying over in this one

1189

00:58:02,510 --> 00:58:00,960

mountainous region uh for I could

1190

00:58:03,890 --> 00:58:02,520

speculate that it could have been

1191

00:58:07,190 --> 00:58:03,900

because the mountains have a lot of gold

1192

00:58:08,750 --> 00:58:07,200

a lot of Crystal and uh and granite

1193

00:58:11,390 --> 00:58:08,760

because that is a hot spot for some

1194

00:58:13,609 --> 00:58:11,400

reason for anything and um

1195

00:58:15,470 --> 00:58:13,619

and then uh you know so she's kind of

1196

00:58:17,690 --> 00:58:15,480

Nancy she was nailing it so you know

1197

00:58:19,609 --> 00:58:17,700

yeah I mean uh that was just the

1198

00:58:23,270 --> 00:58:19,619

beginning

1199

00:58:25,190 --> 00:58:23,280

so you know and then they have roughly

1200

00:58:27,950 --> 00:58:25,200

for like 15 minutes and then we just

1201

00:58:30,170 --> 00:58:27,960

decided okay let's go back to the hotel

1202

00:58:31,430 --> 00:58:30,180

and we and uh hopefully I don't think

1203

00:58:32,870 --> 00:58:31,440

Sarah will mind that I tell you this

1204

00:58:34,849 --> 00:58:32,880

because she'll probably tell you the

1205

00:58:36,890 --> 00:58:34,859

details in her when she talks to you but

1206

00:58:39,410 --> 00:58:36,900

I'm going to Highlights so we get back

1207

00:58:40,789 --> 00:58:39,420

to her hotel uh and we're sitting there

1208

00:58:42,109 --> 00:58:40,799

on this little she had a nice little

1209

00:58:44,569 --> 00:58:42,119

plate there with her we're sitting on

1210

00:58:46,730 --> 00:58:44,579

the couch John Polk myself I'm sitting

1211

00:58:49,849 --> 00:58:46,740

next to Sarah and Brad Olson sitting

1212

00:58:52,250 --> 00:58:49,859

next to her on the other side and um

1213

00:58:55,010 --> 00:58:52,260

all of a sudden she goes look at me

1214

00:58:56,990 --> 00:58:55,020

and I look her in the eyes

1215

00:58:58,849 --> 00:58:57,000

I'm not laughing at her I'm just kind of

1216

00:59:01,670 --> 00:58:58,859

laughing and amazement and I'm looking

1217

00:59:04,069 --> 00:59:01,680

at her eyes and her one of her eyes is

1218

00:59:06,950 --> 00:59:04,079

kind of the pupil is kind of moving

1219

00:59:08,690 --> 00:59:06,960

around in almost like a circle

1220

00:59:10,789 --> 00:59:08,700

and I'm thinking I've never seen anybody

1221

00:59:11,930 --> 00:59:10,799

do this before it's interesting and the

1222

00:59:13,549 --> 00:59:11,940

other eye

1223

00:59:15,470 --> 00:59:13,559

was moving

1224

00:59:17,150 --> 00:59:15,480

I I don't know if it was up and down

1225

00:59:18,470 --> 00:59:17,160

sideways but it was moving in a

1226

00:59:20,870 --> 00:59:18,480

different pattern

1227

00:59:22,010 --> 00:59:20,880

then then the other eye so she had both

1228

00:59:25,250 --> 00:59:22,020

her eyes

1229

00:59:28,370 --> 00:59:25,260

looking at me moving and in some strange

1230

00:59:30,530 --> 00:59:28,380

way that I've never seen before okay and

1231

00:59:34,190 --> 00:59:30,540

then

1232

00:59:36,589 --> 00:59:34,200

I forget how she said it but uh

1233

00:59:38,329 --> 00:59:36,599

she more or less announced that she was

1234

00:59:39,530 --> 00:59:38,339

gonna Channel or something along those

1235

00:59:42,530 --> 00:59:39,540

lines

1236

00:59:43,789 --> 00:59:42,540

and then this and then she just I wish I

1237

00:59:45,170 --> 00:59:43,799

could have recorded this because I

1238

00:59:46,870 --> 00:59:45,180

wasn't really prepared because she was

1239

00:59:49,910 --> 00:59:46,880

going to do this yeah

1240

00:59:52,190 --> 00:59:49,920

I wish I would have I wish I would have

1241

00:59:54,170 --> 00:59:52,200

recorded what she did for me because I

1242

00:59:56,510 --> 00:59:54,180

wanted to be able to deconstruct it

1243

00:59:59,450 --> 00:59:56,520

better I have to do it totally from

1244

01:00:01,370 --> 00:59:59,460

memory because I was making mental notes

1245

01:00:03,410 --> 01:00:01,380

like of what she was saying and what was

1246

01:00:04,670 --> 01:00:03,420

happening and the sensations that I felt

1247

01:00:16,490 --> 01:00:04,680

like I was having

1248

01:00:21,890 --> 01:00:19,910

affected by somebody or an experience I

1249

01:00:23,210 --> 01:00:21,900

tend to recall all the details because

1250

01:00:25,670 --> 01:00:23,220

it sounds like that's what happened to

1251

01:00:28,789 --> 01:00:25,680

you where whatever happened you you were

1252

01:00:31,730 --> 01:00:28,799

affected by it physically I was phys

1253

01:00:33,829 --> 01:00:31,740

Eric I was physically affected I was

1254

01:00:36,170 --> 01:00:33,839

physically I felt physical Sensations

1255

01:00:36,950 --> 01:00:36,180

that she told me that I was going to

1256

01:00:40,430 --> 01:00:36,960

feel

1257

01:00:46,970 --> 01:00:43,910

I'm I'm you know me I'm as skeptical as

1258

01:00:50,510 --> 01:00:46,980

as most Skeptics but I want to believe

1259

01:00:52,430 --> 01:00:50,520

and what I'm going to say right now is I

1260

01:00:53,630 --> 01:00:52,440

don't know I can't explain some of the

1261

01:00:56,510 --> 01:00:53,640

things that happened I'm still

1262

01:00:58,670 --> 01:00:56,520

processing it and I'm gonna you know I

1263

01:01:00,470 --> 01:00:58,680

have a working Theory uh that would

1264

01:01:02,870 --> 01:01:00,480

explain some of it and we're going to

1265

01:01:06,230 --> 01:01:02,880

explore that when we talk to her but I

1266

01:01:09,170 --> 01:01:06,240

want to I don't wanna have a one-sided

1267

01:01:12,049 --> 01:01:09,180

conversation when she's not here so I I

1268

01:01:14,630 --> 01:01:12,059

will present what I believe may be what

1269

01:01:19,730 --> 01:01:17,450

no I just I you know it's my fault I

1270

01:01:21,829 --> 01:01:19,740

told her that uh first of all this is a

1271

01:01:23,569 --> 01:01:21,839

new this is the first broadcast from the

1272

01:01:25,190 --> 01:01:23,579

cabin and I was afraid that nothing

1273

01:01:27,829 --> 01:01:25,200

would work because

1274

01:01:29,569 --> 01:01:27,839

you know we have like the guy had to run

1275

01:01:32,270 --> 01:01:29,579

a two mile line to the nearest

1276

01:01:34,490 --> 01:01:32,280

connection point in the woods here so I

1277

01:01:37,250 --> 01:01:34,500

The Internet's been working but I was

1278

01:01:39,530 --> 01:01:37,260

scared that the that it wouldn't work

1279

01:01:41,809 --> 01:01:39,540

well first of all and I didn't want to

1280

01:01:43,730 --> 01:01:41,819

ruin her appearance and then also

1281

01:01:46,370 --> 01:01:43,740

there's so much to unpack so I thought

1282

01:01:48,530 --> 01:01:46,380

tonight I would just talk about some of

1283

01:01:50,870 --> 01:01:48,540

the things some of her claims the

1284

01:01:53,089 --> 01:01:50,880

experience that I had show Kevin Moore's

1285

01:01:55,670 --> 01:01:53,099

experience and then when she comes on

1286

01:01:57,950 --> 01:01:55,680

everybody will have more of a background

1287

01:02:05,890 --> 01:01:57,960

and it's more of a deep dive into her

1288

01:02:10,609 --> 01:02:08,329

I've been trying to get Eric to come on

1289

01:02:12,049 --> 01:02:10,619

my show you never came on my radio show

1290

01:02:14,750 --> 01:02:12,059

I kept trying I'm like come on man

1291

01:02:16,670 --> 01:02:14,760

you're Eric is at the center of all this

1292

01:02:19,309 --> 01:02:16,680

stuff and what people don't know about

1293

01:02:21,650 --> 01:02:19,319

Eric is that like if there's like

1294

01:02:23,750 --> 01:02:21,660

Paranormal Activity anywhere he can

1295

01:02:25,910 --> 01:02:23,760

drive to he just hops in his car and

1296

01:02:28,190 --> 01:02:25,920

goes there and looks into it and I love

1297

01:02:29,930 --> 01:02:28,200

that kind of field work you know

1298

01:02:31,250 --> 01:02:29,940

yeah you that's really the

1299

01:02:33,890 --> 01:02:31,260

really the one case so I do all this

1300

01:02:35,450 --> 01:02:33,900

because I want to know and as you know I

1301

01:02:36,890 --> 01:02:35,460

don't do radio I'm not writing a book

1302

01:02:38,510 --> 01:02:36,900

I'm not I'm not out there trying to

1303

01:02:40,490 --> 01:02:38,520

publicize myself to making money because

1304

01:02:42,890 --> 01:02:40,500

it's for me but I share it with my

1305

01:02:44,390 --> 01:02:42,900

friends and people that that want to

1306

01:02:46,849 --> 01:02:44,400

listen you know

1307

01:02:48,470 --> 01:02:46,859

don't agree with me I invite him to come

1308

01:02:49,789 --> 01:02:48,480

out and deck it out themselves and if

1309

01:02:51,410 --> 01:02:49,799

they don't want to do it then fine I

1310

01:02:53,990 --> 01:02:51,420

mean whatever I don't care

1311

01:02:55,250 --> 01:02:54,000

you know it's for me sure I've learned a

1312

01:02:57,410 --> 01:02:55,260

lot

1313

01:02:59,630 --> 01:02:57,420

so here's the deal though is when you

1314

01:03:01,789 --> 01:02:59,640

start doing this at first you're not

1315

01:03:04,609 --> 01:03:01,799

sure exactly you know what's what but

1316

01:03:07,730 --> 01:03:04,619

then when you have a a series of

1317

01:03:09,770 --> 01:03:07,740

experiences with a variety of people

1318

01:03:12,109 --> 01:03:09,780

then after a period of time you start

1319

01:03:15,589 --> 01:03:12,119

well I started to think that okay this

1320

01:03:18,230 --> 01:03:15,599

is legit in my opinion now I couldn't

1321

01:03:20,030 --> 01:03:18,240

convince you over the phone or in some

1322

01:03:22,849 --> 01:03:20,040

radio interview that's legit you would

1323

01:03:25,309 --> 01:03:22,859

have to experience it yourself and so

1324

01:03:27,890 --> 01:03:25,319

what's interesting about Sarah and she

1325

01:03:29,450 --> 01:03:27,900

worked with Brad Olson told me when he

1326

01:03:31,190 --> 01:03:29,460

first told me about there that he met

1327

01:03:32,270 --> 01:03:31,200

her and I didn't know who she was and he

1328

01:03:33,410 --> 01:03:32,280

says you've got to meet her she's

1329

01:03:35,210 --> 01:03:33,420

remarkable

1330

01:03:37,250 --> 01:03:35,220

and I thought I think that's an

1331

01:03:38,450 --> 01:03:37,260

interesting word remarkable and uh yeah

1332

01:03:41,870 --> 01:03:38,460

I'm going to talk a little bit more

1333

01:03:44,510 --> 01:03:41,880

about about uh just the conversation

1334

01:03:47,210 --> 01:03:44,520

that we had that didn't revolve around

1335

01:03:49,309 --> 01:03:47,220

revolve around you know this so-called

1336

01:03:50,630 --> 01:03:49,319

experience that she was going to give to

1337

01:03:52,789 --> 01:03:50,640

me because

1338

01:03:55,030 --> 01:03:52,799

there's a lot of interesting things that

1339

01:03:58,430 --> 01:03:55,040

she talked about with me

1340

01:04:01,270 --> 01:03:58,440

that honestly impressed me one of them

1341

01:04:04,490 --> 01:04:01,280

was that she has an incredible

1342

01:04:06,530 --> 01:04:04,500

incredible knowledge of the Bible

1343

01:04:09,650 --> 01:04:06,540

and uh

1344

01:04:12,170 --> 01:04:09,660

I had 10 years of Catholic scripture

1345

01:04:15,470 --> 01:04:12,180

study and bible study and brainwashing

1346

01:04:17,930 --> 01:04:15,480

and I know I know the Bible better than

1347

01:04:20,870 --> 01:04:17,940

most preachers I'm very confident in

1348

01:04:23,569 --> 01:04:20,880

saying that because of 10 years of you

1349

01:04:26,030 --> 01:04:23,579

know we'd have half a day sometimes of

1350

01:04:30,410 --> 01:04:26,040

Bible study you know four hours a day

1351

01:04:33,170 --> 01:04:30,420

for years so I'm very well versed in the

1352

01:04:35,210 --> 01:04:33,180

Bible and I was impressed with her

1353

01:04:38,270 --> 01:04:35,220

knowledge of the scripture she can spit

1354

01:04:42,650 --> 01:04:38,280

scripture like a preacher can spit

1355

01:04:45,109 --> 01:04:42,660

scripture and in context and making

1356

01:04:47,270 --> 01:04:45,119

analogies that make sense she would say

1357

01:04:49,370 --> 01:04:47,280

like you know the Bible says that we are

1358

01:04:50,990 --> 01:04:49,380

more powerful than the angels and then

1359

01:04:53,630 --> 01:04:51,000

she would give me the Bible verse to

1360

01:04:55,970 --> 01:04:53,640

support her to support her statement

1361

01:04:58,730 --> 01:04:55,980

which was impressive to me but then

1362

01:05:01,130 --> 01:04:58,740

she's so mysterious I asked her did you

1363

01:05:03,049 --> 01:05:01,140

grow up Christian and she said

1364

01:05:07,430 --> 01:05:03,059

I

1365

01:05:10,190 --> 01:05:07,440

something like that that seemed like

1366

01:05:12,410 --> 01:05:10,200

well just an odd comment you know so I

1367

01:05:14,569 --> 01:05:12,420

don't know where she got the intense

1368

01:05:19,609 --> 01:05:14,579

Bible knowledge that she has if not

1369

01:05:23,750 --> 01:05:22,490

yeah well I can can you hear me still

1370

01:05:25,490 --> 01:05:23,760

yes

1371

01:05:28,430 --> 01:05:25,500

okay so um

1372

01:05:30,829 --> 01:05:28,440

I'm gonna tell you a little bit because

1373

01:05:32,450 --> 01:05:30,839

I have a feeling because you're you're

1374

01:05:34,549 --> 01:05:32,460

smart you're developing a rapport with

1375

01:05:36,289 --> 01:05:34,559

her and you're approaching it in a

1376

01:05:38,510 --> 01:05:36,299

professional way I think she will open

1377

01:05:40,490 --> 01:05:38,520

up and tell you some things and what

1378

01:05:43,190 --> 01:05:40,500

she's already told me and one of the

1379

01:05:44,750 --> 01:05:43,200

things uh I'm gonna I'm gonna kind of

1380

01:05:46,510 --> 01:05:44,760

dance around a little bit because I

1381

01:05:50,750 --> 01:05:46,520

don't have her permission but that she

1382

01:05:53,270 --> 01:05:50,760

uh she was raised in well I don't raise

1383

01:05:55,970 --> 01:05:53,280

it she was in a military type situation

1384

01:05:58,250 --> 01:05:55,980

but put it that way okay

1385

01:06:00,589 --> 01:05:58,260

uh there is a base in California called

1386

01:06:05,329 --> 01:06:00,599

Edwards Air Force Base she did tell me

1387

01:06:09,289 --> 01:06:07,370

I'm watching your chat room and some

1388

01:06:10,670 --> 01:06:09,299

people were saying uh

1389

01:06:12,349 --> 01:06:10,680

she's she's an aliener she thinks she's

1390

01:06:15,410 --> 01:06:12,359

an alien or something like that

1391

01:06:18,710 --> 01:06:15,420

and without getting into detail what she

1392

01:06:19,490 --> 01:06:18,720

described to me why she is the way she

1393

01:06:27,049 --> 01:06:19,500

is

1394

01:06:29,630 --> 01:06:27,059

could prove it through her work probably

1395

01:06:32,150 --> 01:06:29,640

eventually maybe but she can't if she

1396

01:06:34,250 --> 01:06:32,160

just tells you she in other words

1397

01:06:35,390 --> 01:06:34,260

it's possible I know it's going to sound

1398

01:06:38,510 --> 01:06:35,400

out there

1399

01:06:39,890 --> 01:06:38,520

but it's plot it's possible that uh

1400

01:06:41,150 --> 01:06:39,900

they're doing

1401

01:06:43,670 --> 01:06:41,160

um

1402

01:06:45,710 --> 01:06:43,680

we'll call it experimentation and and I

1403

01:06:47,270 --> 01:06:45,720

and I believe this is true and I believe

1404

01:06:49,309 --> 01:06:47,280

it's been going on a long time but again

1405

01:06:52,370 --> 01:06:49,319

it's something you can't prove that

1406

01:06:55,370 --> 01:06:52,380

they're genetically uh altering and

1407

01:06:58,490 --> 01:06:55,380

manipulating uh people

1408

01:07:00,650 --> 01:06:58,500

that and that are selected uh sometimes

1409

01:07:02,470 --> 01:07:00,660

not everybody through the military and

1410

01:07:05,390 --> 01:07:02,480

so if you're let's say you're a female

1411

01:07:07,670 --> 01:07:05,400

and and they you have special abilities

1412

01:07:10,609 --> 01:07:07,680

I'm not talking about Sarah right now

1413

01:07:12,890 --> 01:07:10,619

and then they want to uh create let's

1414

01:07:15,230 --> 01:07:12,900

say like a I'm not saying this is a

1415

01:07:17,450 --> 01:07:15,240

Joseph mangle situation but kind of been

1416

01:07:21,289 --> 01:07:17,460

a lab tech situation where you're adding

1417

01:07:23,029 --> 01:07:21,299

the DNA or whatever of of being that are

1418

01:07:25,609 --> 01:07:23,039

not from this Earth and then you're

1419

01:07:27,410 --> 01:07:25,619

adding other DNA and then you're putting

1420

01:07:29,630 --> 01:07:27,420

it together and you're injecting it into

1421

01:07:32,210 --> 01:07:29,640

the womb of a person and then out of

1422

01:07:34,370 --> 01:07:32,220

that person comes a baby and then that

1423

01:07:38,690 --> 01:07:34,380

baby grows up with these abilities and

1424

01:07:45,049 --> 01:07:41,329

that didn't grow up in this program

1425

01:07:46,069 --> 01:07:45,059

we'll call it uh have naturally or are

1426

01:07:48,529 --> 01:07:46,079

aware of

1427

01:07:49,430 --> 01:07:48,539

she talks about it everybody has this

1428

01:07:52,370 --> 01:07:49,440

ability

1429

01:07:55,730 --> 01:07:52,380

maybe that's true but

1430

01:07:58,370 --> 01:07:55,740

it's definitely an advantage for her in

1431

01:08:00,109 --> 01:07:58,380

many ways that she's aware of it and she

1432

01:08:02,390 --> 01:08:00,119

knows how to use it and I think she was

1433

01:08:03,829 --> 01:08:02,400

probably taught how to use it and so

1434

01:08:05,150 --> 01:08:03,839

that's all you know I've been in a

1435

01:08:06,890 --> 01:08:05,160

nutshell right there

1436

01:08:09,770 --> 01:08:06,900

well that's a lot of speculation but

1437

01:08:11,809 --> 01:08:09,780

here's what I'll say I've heard various

1438

01:08:14,270 --> 01:08:11,819

stories about some kind of experiments

1439

01:08:15,950 --> 01:08:14,280

at Edwards Air Force Base

1440

01:08:18,530 --> 01:08:15,960

does that make sense you've heard

1441

01:08:21,349 --> 01:08:18,540

similar stories right

1442

01:08:25,430 --> 01:08:21,359

but experiments involving some kind of

1443

01:08:29,030 --> 01:08:25,440

alien technology or biological entities

1444

01:08:30,530 --> 01:08:29,040

at Edwards at Edwards Air Force Base and

1445

01:08:32,749 --> 01:08:30,540

she apparently

1446

01:08:34,849 --> 01:08:32,759

I don't know if it was her father as I I

1447

01:08:38,630 --> 01:08:34,859

don't recall exactly but she had some

1448

01:08:42,349 --> 01:08:40,010

yes

1449

01:08:44,510 --> 01:08:42,359

I've heard her sort of talk about star

1450

01:08:48,110 --> 01:08:44,520

seeds and how she may have some

1451

01:08:50,870 --> 01:08:48,120

connection or DNA of them or yeah so I'm

1452

01:08:53,030 --> 01:08:50,880

gonna have to unpack that with her when

1453

01:08:55,130 --> 01:08:53,040

she's when she's here because I I don't

1454

01:08:57,709 --> 01:08:55,140

want to you know just throw stuff out

1455

01:08:59,809 --> 01:08:57,719

there and when she doesn't have an

1456

01:09:01,729 --> 01:08:59,819

opportunity to respond

1457

01:09:04,010 --> 01:09:01,739

right well that'll be very interesting

1458

01:09:06,410 --> 01:09:04,020

when you uh because uh

1459

01:09:07,490 --> 01:09:06,420

okay we'll skip forward should I talk to

1460

01:09:10,249 --> 01:09:07,500

you for another few minutes or do you

1461

01:09:11,570 --> 01:09:10,259

want to yeah yeah sure sure yeah

1462

01:09:12,829 --> 01:09:11,580

so we'll get

1463

01:09:15,530 --> 01:09:12,839

so uh

1464

01:09:17,809 --> 01:09:15,540

uh flip the year about two and a half

1465

01:09:21,110 --> 01:09:17,819

weeks ago I was in Sedona

1466

01:09:22,610 --> 01:09:21,120

and I drove up there to go to happy jack

1467

01:09:25,309 --> 01:09:22,620

which I

1468

01:09:28,910 --> 01:09:25,319

uh two weeks prior to that

1469

01:09:30,890 --> 01:09:28,920

myself John Polk and raw this guy's

1470

01:09:32,870 --> 01:09:30,900

amazing too uh that's somebody you might

1471

01:09:35,329 --> 01:09:32,880

want to talk to at some point he's he's

1472

01:09:37,610 --> 01:09:35,339

got abilities as well but anyway to his

1473

01:09:39,070 --> 01:09:37,620

girlfriend Krista we went to Happy Jack

1474

01:09:41,450 --> 01:09:39,080

and uh

1475

01:09:42,530 --> 01:09:41,460

I filmed some stuff you something you

1476

01:09:45,709 --> 01:09:42,540

might have looked at it already on my

1477

01:09:50,390 --> 01:09:45,719

Twitter but these were legit objects and

1478

01:09:55,669 --> 01:09:53,150

anyway so so I wanted to go back there

1479

01:09:57,350 --> 01:09:55,679

after oh that night I'm kind of going

1480

01:09:59,870 --> 01:09:57,360

off topic a little bit but that night we

1481

01:10:02,450 --> 01:09:59,880

were up there uh we were hearing sounds

1482

01:10:04,310 --> 01:10:02,460

uh that we're not human sounds

1483

01:10:07,310 --> 01:10:04,320

I don't know what they were

1484

01:10:09,169 --> 01:10:07,320

um but John and raw and stuff sort of

1485

01:10:11,810 --> 01:10:09,179

the Bigfoot which they call the muggy on

1486

01:10:13,250 --> 01:10:11,820

Monster up there in Arizona and I I

1487

01:10:14,930 --> 01:10:13,260

couldn't tell you if it was Bigfoot or

1488

01:10:18,830 --> 01:10:14,940

not but that's what they believe so I so

1489

01:10:21,050 --> 01:10:18,840

anyway so then so I went back to uh so

1490

01:10:23,810 --> 01:10:21,060

again a second time I I wanted to Camp

1491

01:10:25,910 --> 01:10:23,820

up there again to see if this if my

1492

01:10:27,770 --> 01:10:25,920

first experiences would happen again you

1493

01:10:30,890 --> 01:10:27,780

know one of those kind of deals and then

1494

01:10:32,930 --> 01:10:30,900

I got sick and so I was in I was at

1495

01:10:34,669 --> 01:10:32,940

John's house and uh I was supposed to

1496

01:10:35,810 --> 01:10:34,679

hang out with Sarah and everybody were

1497

01:10:37,189 --> 01:10:35,820

all going to kind of hang out but I had

1498

01:10:39,890 --> 01:10:37,199

money that I'm getting sick I'm throwing

1499

01:10:40,550 --> 01:10:39,900

up so Sarah comes over to John Paul's

1500

01:10:43,490 --> 01:10:40,560

house

1501

01:10:46,610 --> 01:10:43,500

and she asked permission to heal me and

1502

01:10:49,010 --> 01:10:46,620

I said absolutely so she actually did

1503

01:10:50,870 --> 01:10:49,020

some things and she was you know putting

1504

01:10:52,970 --> 01:10:50,880

her hands over me and kind of like like

1505

01:10:54,950 --> 01:10:52,980

I said she was collecting energy and

1506

01:10:58,010 --> 01:10:54,960

then she was throwing it kind of tossing

1507

01:11:00,470 --> 01:10:58,020

it and uh she did that for a while and

1508

01:11:01,669 --> 01:11:00,480

then she got the kind of well I don't

1509

01:11:02,870 --> 01:11:01,679

know if exhausted the right word but she

1510

01:11:04,310 --> 01:11:02,880

found she got worn out because she said

1511

01:11:07,610 --> 01:11:04,320

there

1512

01:11:10,189 --> 01:11:07,620

were energy in my gut area that was uh

1513

01:11:12,169 --> 01:11:10,199

also called negative it was it was not

1514

01:11:14,510 --> 01:11:12,179

healthy and so she was trying to clear

1515

01:11:18,350 --> 01:11:14,520

that and so after she did that

1516

01:11:20,270 --> 01:11:18,360

it did feel better no doubt about I

1517

01:11:23,030 --> 01:11:20,280

wasn't totally better but I felt better

1518

01:11:24,229 --> 01:11:23,040

than I did before she did it so then I

1519

01:11:26,750 --> 01:11:24,239

thought okay maybe I'm going to get

1520

01:11:28,130 --> 01:11:26,760

better maybe I can go camping uh the

1521

01:11:29,689 --> 01:11:28,140

next day came and I wasn't really

1522

01:11:32,330 --> 01:11:29,699

getting better but I was still better

1523

01:11:33,950 --> 01:11:32,340

than I was and I just decided okay I'm

1524

01:11:37,070 --> 01:11:33,960

just gonna go home

1525

01:11:38,870 --> 01:11:37,080

even though I don't want to uh

1526

01:11:40,070 --> 01:11:38,880

because I just because I was worried

1527

01:11:41,390 --> 01:11:40,080

that I was getting really sick and I

1528

01:11:44,510 --> 01:11:41,400

wanted to be home if I was going to be

1529

01:11:47,390 --> 01:11:44,520

really sick so I drove home

1530

01:11:50,810 --> 01:11:49,610

started throwing out bad for two days I

1531

01:11:52,610 --> 01:11:50,820

was throwing up got to the point where I

1532

01:11:54,350 --> 01:11:52,620

was showing up Bloodstone this was 14

1533

01:11:57,050 --> 01:11:54,360

days ago

1534

01:11:59,750 --> 01:11:57,060

okay and uh my neighbors hear me throw

1535

01:12:02,450 --> 01:11:59,760

up and I'm like you know

1536

01:12:04,130 --> 01:12:02,460

he called 911 they take me to the

1537

01:12:05,750 --> 01:12:04,140

hospital so I just got out of the

1538

01:12:08,450 --> 01:12:05,760

hospital today I was in the hospital in

1539

01:12:10,669 --> 01:12:08,460

emergency for 12 days they did several

1540

01:12:13,729 --> 01:12:10,679

X-rays of Scopes and they put that stuff

1541

01:12:16,850 --> 01:12:13,739

that camera down into my stomach and at

1542

01:12:18,950 --> 01:12:16,860

first stage they thought that uh that I

1543

01:12:21,590 --> 01:12:18,960

might have cancer they thought that

1544

01:12:23,390 --> 01:12:21,600

there was a blockage there that was

1545

01:12:25,370 --> 01:12:23,400

causing that's why the accident was

1546

01:12:26,750 --> 01:12:25,380

coming up and they said I had some stuff

1547

01:12:29,510 --> 01:12:26,760

in my throat

1548

01:12:30,229 --> 01:12:29,520

and uh so they took really good care of

1549

01:12:34,970 --> 01:12:30,239

me

1550

01:12:36,649 --> 01:12:34,980

I spoke to them when we eat sauce and

1551

01:12:38,570 --> 01:12:36,659

liquids they can't really like have a

1552

01:12:39,830 --> 01:12:38,580

meal yet because my stomach's film up so

1553

01:12:41,510 --> 01:12:39,840

it was going to take three months for me

1554

01:12:52,310 --> 01:12:41,520

to get better what they said yeah I hope

1555

01:12:55,850 --> 01:12:54,290

well you don't have to come because I'll

1556

01:12:57,950 --> 01:12:55,860

just I'm going to come up your way in a

1557

01:12:59,510 --> 01:12:57,960

few days and then we'll just go have

1558

01:13:01,490 --> 01:12:59,520

lunch and we'll you know we'll talk but

1559

01:13:03,470 --> 01:13:01,500

but she says I hope you don't mind

1560

01:13:05,450 --> 01:13:03,480

everybody I hope you don't mind

1561

01:13:06,770 --> 01:13:05,460

but I've been sending lots of healing

1562

01:13:08,750 --> 01:13:06,780

energy your way

1563

01:13:09,830 --> 01:13:08,760

and and I thought well no of course I

1564

01:13:11,870 --> 01:13:09,840

don't mind thank you very much but

1565

01:13:13,310 --> 01:13:11,880

what's weird about this is

1566

01:13:14,750 --> 01:13:13,320

so strange

1567

01:13:17,030 --> 01:13:14,760

the doctor

1568

01:13:19,310 --> 01:13:17,040

the surgeon we come in every morning in

1569

01:13:21,530 --> 01:13:19,320

the beginning and then twice he came in

1570

01:13:23,510 --> 01:13:21,540

two mornings in a row he said

1571

01:13:25,430 --> 01:13:23,520

very kind of coldly It kind of pissed me

1572

01:13:27,530 --> 01:13:25,440

off actually says looks like we're gonna

1573

01:13:29,209 --> 01:13:27,540

have to remove your stomach and then he

1574

01:13:30,890 --> 01:13:29,219

just walked out and I'm like seven

1575

01:13:32,510 --> 01:13:30,900

o'clock in the morning and I'm not

1576

01:13:33,770 --> 01:13:32,520

really even awake yet because you can't

1577

01:13:35,149 --> 01:13:33,780

sleep in the hospital more than about

1578

01:13:48,970 --> 01:13:35,159

three hours because they're constantly

1579

01:13:52,729 --> 01:13:50,990

but in the meantime they've got all

1580

01:13:54,950 --> 01:13:52,739

these fluids in me intravenously and so

1581

01:13:56,870 --> 01:13:54,960

on and so forth and I'm slowly getting

1582

01:13:58,430 --> 01:13:56,880

better and I got a tube down my up my

1583

01:14:00,470 --> 01:13:58,440

nose down into my stomach and they're

1584

01:14:05,510 --> 01:14:00,480

sucking out all the you have to make

1585

01:14:10,209 --> 01:14:07,310

ulcers in my stomach and in my throat

1586

01:14:14,570 --> 01:14:10,219

yeah I saw that on Twitter that sucks

1587

01:14:16,550 --> 01:14:14,580

that sucks Eric but it beats cancer

1588

01:14:18,470 --> 01:14:16,560

that was pretty this is definitely uh

1589

01:14:20,810 --> 01:14:18,480

from what I've learned since this is all

1590

01:14:22,430 --> 01:14:20,820

at this and I let this thing go and not

1591

01:14:24,470 --> 01:14:22,440

gone to the hospital and he could have

1592

01:14:26,570 --> 01:14:24,480

turned into cancer was like pre-cancer

1593

01:14:28,550 --> 01:14:26,580

activity happening

1594

01:14:30,709 --> 01:14:28,560

um so then the doctor comes in uh

1595

01:14:34,729 --> 01:14:30,719

yesterday and the same Doctor Who says

1596

01:14:38,810 --> 01:14:34,739

uh uh he say I apologize I was wrong

1597

01:14:40,669 --> 01:14:38,820

after all he says he says uh well uh you

1598

01:14:43,610 --> 01:14:40,679

don't have cancer and you don't need

1599

01:14:45,110 --> 01:14:43,620

surgery so we're gonna let you go home

1600

01:14:50,410 --> 01:14:45,120

yeah

1601

01:14:54,229 --> 01:14:53,030

I'm going to heal there's there's no way

1602

01:14:56,149 --> 01:14:54,239

I'm having surgery I just didn't want to

1603

01:14:58,910 --> 01:14:56,159

believe it but somehow in the background

1604

01:15:01,070 --> 01:14:58,920

Sarah you know 150 miles away apparently

1605

01:15:02,870 --> 01:15:01,080

was doing her thing so I don't know if

1606

01:15:04,490 --> 01:15:02,880

she was helping or what percentage of

1607

01:15:06,290 --> 01:15:04,500

what she was doing was helping me heal

1608

01:15:07,610 --> 01:15:06,300

but if there was a turnaround but I

1609

01:15:10,070 --> 01:15:07,620

don't think the doctors were prepared

1610

01:15:11,990 --> 01:15:10,080

for it that's a true story well that's

1611

01:15:15,169 --> 01:15:12,000

interesting so that's another thing to

1612

01:15:18,169 --> 01:15:15,179

add to the Strange Case of Sarah Adams

1613

01:15:20,450 --> 01:15:18,179

yeah exactly

1614

01:15:22,310 --> 01:15:20,460

all right well I'm Gonna Let You Go Eric

1615

01:15:25,130 --> 01:15:22,320

I want you to come and do a whole show

1616

01:15:28,130 --> 01:15:25,140

with me on video soon can you do that

1617

01:15:30,110 --> 01:15:28,140

when you're feeling better video but uh

1618

01:15:33,169 --> 01:15:30,120

maybe but uh we're just calling red

1619

01:15:35,030 --> 01:15:33,179

spine back down the Charles Hall uh

1620

01:15:37,130 --> 01:15:35,040

rabbit hole but maybe we can have some

1621

01:15:38,930 --> 01:15:37,140

fun with that because I got some stuff

1622

01:15:41,149 --> 01:15:38,940

yeah I got some stuff to send you about

1623

01:15:43,070 --> 01:15:41,159

that

1624

01:15:44,870 --> 01:15:43,080

we got some stuff to send you okay well

1625

01:15:47,330 --> 01:15:44,880

we'll be in touch thank you Eric for

1626

01:15:49,310 --> 01:15:47,340

being a guest enjoy

1627

01:15:53,209 --> 01:15:49,320

it all right thanks Eric feel better get

1628

01:15:57,770 --> 01:15:56,030

okay so that was Eric Awakening man and

1629

01:16:00,890 --> 01:15:57,780

and you know I thought it would be good

1630

01:16:02,990 --> 01:16:00,900

if we he uh just got out of the hospital

1631

01:16:06,229 --> 01:16:03,000

so you know I kind of told him like Hey

1632

01:16:10,669 --> 01:16:08,390

um you know call in and tell me about

1633

01:16:12,410 --> 01:16:10,679

your experience with her but uh you know

1634

01:16:14,350 --> 01:16:12,420

he was feeling tired earlier so that was

1635

01:16:17,090 --> 01:16:14,360

kind of a surprise call

1636

01:16:19,430 --> 01:16:17,100

and what we're going to do now is we're

1637

01:16:23,330 --> 01:16:19,440

going to take a short break

1638

01:16:25,130 --> 01:16:23,340

uh quite honestly so I can go use the

1639

01:16:30,410 --> 01:16:25,140

outdoor Plumbing

1640

01:16:32,270 --> 01:16:30,420

no we don't actually but you know I use

1641

01:16:33,770 --> 01:16:32,280

a tree sometimes

1642

01:16:36,050 --> 01:16:33,780

so uh

1643

01:16:38,630 --> 01:16:36,060

I'm gonna

1644

01:16:41,149 --> 01:16:38,640

go take care of something and I will be

1645

01:16:43,430 --> 01:16:41,159

right back and then we're gonna I have a

1646

01:16:45,530 --> 01:16:43,440

two more points to make that are very

1647

01:16:47,630 --> 01:16:45,540

important and then we're going to go to

1648

01:16:49,490 --> 01:16:47,640

the live chat questions comments and you

1649

01:16:52,010 --> 01:16:49,500

can ask me anything oh and I just wanted

1650

01:16:54,290 --> 01:16:52,020

to mention I saw that comment solar

1651

01:16:58,010 --> 01:16:54,300

Marshall what happened to Stephen

1652

01:17:00,530 --> 01:16:58,020

cambian ordinarily he would rip this BS

1653

01:17:03,950 --> 01:17:00,540

person apart and you can watch the

1654

01:17:06,290 --> 01:17:03,960

beginning of the show and hear about the

1655

01:17:08,870 --> 01:17:06,300

experience that I had with this girl and

1656

01:17:13,189 --> 01:17:08,880

why I am reserving

1657

01:17:15,290 --> 01:17:13,199

my usual very skeptical some would say

1658

01:17:17,870 --> 01:17:15,300

nasty nature towards people that make

1659

01:17:20,149 --> 01:17:17,880

these sort of claims

1660

01:17:21,830 --> 01:17:20,159

um a lot happened with her that I cannot

1661

01:17:23,750 --> 01:17:21,840

explain

1662

01:17:28,130 --> 01:17:23,760

and

1663

01:17:30,290 --> 01:17:28,140

the benefit of the doubt now I have a

1664

01:17:34,010 --> 01:17:30,300

working theory about how she was able to

1665

01:17:37,189 --> 01:17:34,020

accomplish some of what I experienced

1666

01:17:40,669 --> 01:17:37,199

we're gonna do uh we're gonna unpack

1667

01:17:42,970 --> 01:17:40,679

that when I have her here to answer

1668

01:17:45,410 --> 01:17:42,980

questions and see what she thinks about

1669

01:17:52,950 --> 01:17:45,420

my conclusions

1670

01:18:36,530 --> 01:18:01,270

[Music]

1671

01:18:40,140 --> 01:18:38,880

laughs

1672

01:18:46,490 --> 01:18:40,150

[Applause]

1673

01:18:52,669 --> 01:18:50,750

man we are back folks sorry about that I

1674

01:18:54,890 --> 01:18:52,679

think I gotta make that brake bumper a

1675

01:18:57,770 --> 01:18:54,900

little bit longer so what we're going to

1676

01:18:58,510 --> 01:18:57,780

do now is I have a few final points to

1677

01:19:04,070 --> 01:18:58,520

make

1678

01:19:05,570 --> 01:19:04,080

and uh I have uh I have another thing to

1679

01:19:13,430 --> 01:19:05,580

share here

1680

01:19:19,310 --> 01:19:17,930

folks while she

1681

01:19:23,149 --> 01:19:19,320

you know one of the things that she told

1682

01:19:25,310 --> 01:19:23,159

me was I have so many clients that it

1683

01:19:27,770 --> 01:19:25,320

takes months to get a booking with me

1684

01:19:30,229 --> 01:19:27,780

and I don't have anything but happy

1685

01:19:32,810 --> 01:19:30,239

clients and I thought well

1686

01:19:34,490 --> 01:19:32,820

I don't know that that's a very

1687

01:19:37,850 --> 01:19:34,500

believable

1688

01:19:40,310 --> 01:19:37,860

assertion I mean you know there's got to

1689

01:19:44,689 --> 01:19:40,320

be somebody that gave her the money and

1690

01:19:51,070 --> 01:19:46,550

you know

1691

01:19:54,890 --> 01:19:51,080

but what she sent me was a page full of

1692

01:19:56,090 --> 01:19:54,900

testimonials that are from her clients

1693

01:20:00,830 --> 01:19:56,100

so

1694

01:20:00,840 --> 01:20:08,090

let's see here

1695

01:20:08,100 --> 01:20:12,649

little testimonials here we go

1696

01:20:18,410 --> 01:20:17,030

so we've got an entire page full of

1697

01:20:19,970 --> 01:20:18,420

testimonials

1698

01:20:22,189 --> 01:20:19,980

from people

1699

01:20:24,410 --> 01:20:22,199

and you'll forgive me if this is very

1700

01:20:26,330 --> 01:20:24,420

big please remember that I'm vision

1701

01:20:28,729 --> 01:20:26,340

impaired

1702

01:20:30,470 --> 01:20:28,739

um a random decision to have a session

1703

01:20:32,750 --> 01:20:30,480

with Sarah has answered so many

1704

01:20:35,630 --> 01:20:32,760

questions that involve so many areas of

1705

01:20:39,470 --> 01:20:35,640

my life and cleaned the pathway so I can

1706

01:20:43,550 --> 01:20:41,510

I'm going to skip through a lot of this

1707

01:20:45,830 --> 01:20:43,560

though the single 60 Minute telephone

1708

01:20:48,470 --> 01:20:45,840

session changed everything in short I

1709

01:20:50,390 --> 01:20:48,480

had multiple energetic blockages that

1710

01:20:52,490 --> 01:20:50,400

were intentionally preventing me from

1711

01:20:55,550 --> 01:20:52,500

raising my vibration those blockages

1712

01:20:58,550 --> 01:20:55,560

along with various other emotional and

1713

01:21:01,610 --> 01:20:58,560

health blockages were discovered and she

1714

01:21:02,930 --> 01:21:01,620

quickly went to work removing them

1715

01:21:06,050 --> 01:21:02,940

and

1716

01:21:10,250 --> 01:21:06,060

you know here here's where I did I

1717

01:21:13,130 --> 01:21:10,260

wanted to to kind of go over all of this

1718

01:21:15,709 --> 01:21:13,140

all of this all of these testimonials

1719

01:21:18,590 --> 01:21:15,719

and so I

1720

01:21:21,770 --> 01:21:18,600

I have uh text to speech

1721

01:21:24,470 --> 01:21:21,780

on my laptop here and I played the

1722

01:21:27,470 --> 01:21:24,480

entire page of testimonials

1723

01:21:29,030 --> 01:21:27,480

or my cabin right here

1724

01:21:31,689 --> 01:21:29,040

and

1725

01:21:33,470 --> 01:21:31,699

all of them are glowing

1726

01:21:35,810 --> 01:21:33,480

testimonials about what great

1727

01:21:39,830 --> 01:21:35,820

experiences uh

1728

01:21:42,110 --> 01:21:39,840

she this person bought a 12 session pack

1729

01:21:45,709 --> 01:21:42,120

my journey with Sarah brought me joy

1730

01:21:49,010 --> 01:21:45,719

lightness literally thanks to her I am

1731

01:21:51,110 --> 01:21:49,020

on a keto diet for three months now and

1732

01:21:54,590 --> 01:21:51,120

so much love

1733

01:21:57,050 --> 01:21:54,600

I can feel that I am in love all the

1734

01:21:58,910 --> 01:21:57,060

time almost Sarah does not only help you

1735

01:22:01,070 --> 01:21:58,920

with your challenges and energetic and

1736

01:22:03,530 --> 01:22:01,080

physical levels more importantly she

1737

01:22:05,689 --> 01:22:03,540

empowers you for her techniques on her

1738

01:22:07,850 --> 01:22:05,699

own to heal and grow spiritually and

1739

01:22:09,410 --> 01:22:07,860

otherwise

1740

01:22:12,410 --> 01:22:09,420

there's another one to add a reading

1741

01:22:14,990 --> 01:22:12,420

where Sarah scared scanned my body she

1742

01:22:17,570 --> 01:22:15,000

facilitated healing energy I decided to

1743

01:22:20,570 --> 01:22:17,580

contact her due to a visit from a male

1744

01:22:22,490 --> 01:22:20,580

not frequent visitor depression so here

1745

01:22:23,810 --> 01:22:22,500

we have somebody that had a tremendous

1746

01:22:27,110 --> 01:22:23,820

experience with her that was suffering

1747

01:22:30,290 --> 01:22:27,120

from depression that no longer is

1748

01:22:32,930 --> 01:22:30,300

I had a very healing reading with Sarah

1749

01:22:35,750 --> 01:22:32,940

she was able to read my order and Target

1750

01:22:38,450 --> 01:22:35,760

where I needed the most energy

1751

01:22:40,430 --> 01:22:38,460

and you know

1752

01:22:41,390 --> 01:22:40,440

I don't know what to think about some of

1753

01:22:43,189 --> 01:22:41,400

this stuff

1754

01:22:47,270 --> 01:22:43,199

but

1755

01:22:50,390 --> 01:22:47,280

there is this huge huge page that took

1756

01:22:52,850 --> 01:22:50,400

like half of my ride here to the cabin

1757

01:22:54,410 --> 01:22:52,860

for this text-to-speech program

1758

01:22:57,350 --> 01:22:54,420

to read it

1759

01:22:59,750 --> 01:22:57,360

so you know

1760

01:23:02,510 --> 01:22:59,760

I think that affected me in the same way

1761

01:23:05,270 --> 01:23:02,520

that a lot of people know

1762

01:23:07,970 --> 01:23:05,280

you know I Jason quit was one of those

1763

01:23:10,010 --> 01:23:07,980

other people that I was like this guy is

1764

01:23:11,209 --> 01:23:10,020

talking a lot of smack and he has no

1765

01:23:13,610 --> 01:23:11,219

proof

1766

01:23:16,689 --> 01:23:13,620

and one of the things about Jason quit

1767

01:23:20,450 --> 01:23:16,699

was that everybody that read his book

1768

01:23:23,330 --> 01:23:20,460

could not say how you know could not

1769

01:23:26,090 --> 01:23:23,340

give him a better review of his book

1770

01:23:28,610 --> 01:23:26,100

it got incredible

1771

01:23:30,590 --> 01:23:28,620

incredible reviews

1772

01:23:32,810 --> 01:23:30,600

if you look at the Amazon page for

1773

01:23:34,550 --> 01:23:32,820

Jason's book it there's tons of people

1774

01:23:36,229 --> 01:23:34,560

there like I've had similar experience

1775

01:23:38,090 --> 01:23:36,239

this book helped me so much to

1776

01:23:41,030 --> 01:23:38,100

understand more about my own experiences

1777

01:23:42,530 --> 01:23:41,040

I'm so glad that I I bought the you know

1778

01:23:45,169 --> 01:23:42,540

that I got his book it helped me

1779

01:23:48,290 --> 01:23:45,179

understand what's happening to me better

1780

01:23:49,729 --> 01:23:48,300

and I thought uh

1781

01:23:52,130 --> 01:23:49,739

Brandon young how many of those

1782

01:23:55,490 --> 01:23:52,140

testimonials are written by one person I

1783

01:23:57,470 --> 01:23:55,500

have and I I don't have them here on

1784

01:24:01,610 --> 01:23:57,480

this laptop but I have

1785

01:24:05,410 --> 01:24:01,620

also I mean I can find them email them

1786

01:24:08,570 --> 01:24:05,420

to you Brandon but I have screenshots of

1787

01:24:10,610 --> 01:24:08,580

Facebook posts people that have gotten

1788

01:24:12,970 --> 01:24:10,620

sessions post on Facebook that were

1789

01:24:16,490 --> 01:24:12,980

certainly written by different people

1790

01:24:18,169 --> 01:24:16,500

and yeah I don't know you know could

1791

01:24:20,450 --> 01:24:18,179

that be just a marketing like somebody

1792

01:24:22,430 --> 01:24:20,460

just wrote all those I don't think so I

1793

01:24:24,709 --> 01:24:22,440

don't get that from her I don't get that

1794

01:24:27,290 --> 01:24:24,719

she's like deceptive

1795

01:24:29,930 --> 01:24:27,300

about a lot of the things that she talks

1796

01:24:32,330 --> 01:24:29,940

about or the way that she markets

1797

01:24:33,229 --> 01:24:32,340

herself and another point that I wanted

1798

01:24:36,050 --> 01:24:33,239

to make

1799

01:24:37,970 --> 01:24:36,060

is uh

1800

01:24:39,770 --> 01:24:37,980

yeah it could maybe be determined maybe

1801

01:24:43,610 --> 01:24:39,780

somebody can do a deep dive on that and

1802

01:24:46,310 --> 01:24:43,620

that that page is just her website

1803

01:24:48,890 --> 01:24:46,320

uh testimonials I'll put the link on

1804

01:24:50,450 --> 01:24:48,900

Twitter later so anybody can look at

1805

01:24:53,570 --> 01:24:50,460

that if they want to try to pick it

1806

01:24:57,110 --> 01:24:53,580

apart I didn't go that far it seemed to

1807

01:24:59,510 --> 01:24:57,120

me to not be at least blaringly obvious

1808

01:25:01,010 --> 01:24:59,520

that it was written all those were

1809

01:25:03,350 --> 01:25:01,020

written by one person but you're talking

1810

01:25:05,450 --> 01:25:03,360

about hundreds of testimonials here

1811

01:25:07,250 --> 01:25:05,460

I don't see her faking hundreds of

1812

01:25:09,649 --> 01:25:07,260

testimonials

1813

01:25:13,550 --> 01:25:09,659

so yeah I'm going to turn my attention

1814

01:25:16,250 --> 01:25:13,560

now really fully to the live chat

1815

01:25:18,350 --> 01:25:16,260

if you have a question or comment that

1816

01:25:21,169 --> 01:25:18,360

you want me to share on the screen that

1817

01:25:24,110 --> 01:25:21,179

you want to ask about this strange case

1818

01:25:26,090 --> 01:25:24,120

of Sarah Adams please do put it in all

1819

01:25:29,290 --> 01:25:26,100

caps and remember that I'm vision

1820

01:25:32,689 --> 01:25:29,300

impaired so that helps me

1821

01:25:34,970 --> 01:25:32,699

uh and and we're gonna try to deal with

1822

01:25:36,590 --> 01:25:34,980

Jeff here who's not a fan why don't you

1823

01:25:38,149 --> 01:25:36,600

read her email to me that I sent you

1824

01:25:40,669 --> 01:25:38,159

today Steve and it shows who Sarah

1825

01:25:41,990 --> 01:25:40,679

really is Jeff you know you have a

1826

01:25:43,790 --> 01:25:42,000

personal

1827

01:25:46,490 --> 01:25:43,800

I don't want to call it Vendetta but you

1828

01:25:47,930 --> 01:25:46,500

don't like this girl and I get that for

1829

01:25:50,649 --> 01:25:47,940

various reasons and you've kind of

1830

01:25:53,750 --> 01:25:50,659

feuded with her and

1831

01:25:55,550 --> 01:25:53,760

I'm in receipt of the emails that you

1832

01:25:58,310 --> 01:25:55,560

gave me

1833

01:26:01,129 --> 01:25:58,320

and I'm gonna bring those up when she's

1834

01:26:04,010 --> 01:26:01,139

here and I can ask her directly because

1835

01:26:06,050 --> 01:26:04,020

it's not fair to just here's one side of

1836

01:26:08,810 --> 01:26:06,060

the story if you want to come back when

1837

01:26:10,669 --> 01:26:08,820

she's in the live chat when she's on the

1838

01:26:12,229 --> 01:26:10,679

actual show which I think we'll be doing

1839

01:26:13,669 --> 01:26:12,239

next week I'm trying to coordinate it

1840

01:26:15,950 --> 01:26:13,679

with her

1841

01:26:18,649 --> 01:26:15,960

um you're welcome to ask her the

1842

01:26:20,689 --> 01:26:18,659

questions if she wants to answer she

1843

01:26:23,750 --> 01:26:20,699

will but I'm going to specifically bring

1844

01:26:27,350 --> 01:26:23,760

up the coronavirus stuff here's an issue

1845

01:26:29,450 --> 01:26:27,360

that Jeff honestly I think Jeff giopia

1846

01:26:31,850 --> 01:26:29,460

has a personal you know he's been

1847

01:26:33,110 --> 01:26:31,860

feuding with this girl for various

1848

01:26:36,229 --> 01:26:33,120

reasons

1849

01:26:37,250 --> 01:26:36,239

and you know honestly I want to be fair

1850

01:26:39,110 --> 01:26:37,260

to her

1851

01:26:41,629 --> 01:26:39,120

Jeff and I don't think it's fair for me

1852

01:26:42,530 --> 01:26:41,639

to just pull out a bunch of emails or to

1853

01:26:44,870 --> 01:26:42,540

say

1854

01:26:47,870 --> 01:26:44,880

here's a bunch of things that could be a

1855

01:26:50,330 --> 01:26:47,880

huge problem that she's doing now one of

1856

01:26:53,930 --> 01:26:50,340

them I will just quickly mention is that

1857

01:26:55,310 --> 01:26:53,940

she was selling some kind of Coronavirus

1858

01:26:57,050 --> 01:26:55,320

related

1859

01:26:58,930 --> 01:26:57,060

I don't want to call it a cure or

1860

01:27:01,669 --> 01:26:58,940

sessions healing sessions and

1861

01:27:03,709 --> 01:27:01,679

homeopathic remedies

1862

01:27:05,570 --> 01:27:03,719

that I have a problem with and I will

1863

01:27:07,729 --> 01:27:05,580

agree with anybody that equally has a

1864

01:27:10,550 --> 01:27:07,739

problem with it first of all homeopathic

1865

01:27:14,510 --> 01:27:10,560

remedies are

1866

01:27:16,850 --> 01:27:14,520

junk they're garbage it's proven you

1867

01:27:19,550 --> 01:27:16,860

know if you just go by actual medical

1868

01:27:22,129 --> 01:27:19,560

science I don't believe that homeopathic

1869

01:27:23,990 --> 01:27:22,139

remedies do anything except line the

1870

01:27:26,450 --> 01:27:24,000

pockets of somebody who wants to sell

1871

01:27:29,510 --> 01:27:26,460

fake medicine and fake cures for things

1872

01:27:32,149 --> 01:27:29,520

and fake treatments for things

1873

01:27:33,649 --> 01:27:32,159

I'm not a fan of homeopathic remedies

1874

01:27:35,570 --> 01:27:33,659

and

1875

01:27:38,930 --> 01:27:35,580

also

1876

01:27:41,209 --> 01:27:38,940

if she's I'm gonna ask her directly are

1877

01:27:43,790 --> 01:27:41,219

you doing healing sessions with people

1878

01:27:46,070 --> 01:27:43,800

who are coronavirus infected and what

1879

01:27:48,410 --> 01:27:46,080

are you telling them that these healing

1880

01:27:51,550 --> 01:27:48,420

sessions are going to do for them about

1881

01:27:54,110 --> 01:27:51,560

their problem of having coveted 19.

1882

01:27:56,930 --> 01:27:54,120

obviously if she's offering healing

1883

01:27:59,629 --> 01:27:56,940

services to people who are infected or

1884

01:28:01,149 --> 01:27:59,639

concerned with covid-19 that's a problem

1885

01:28:03,530 --> 01:28:01,159

for me

1886

01:28:05,930 --> 01:28:03,540

but one of the other points I wanted to

1887

01:28:08,510 --> 01:28:05,940

make I couldn't find the pictures

1888

01:28:11,030 --> 01:28:08,520

uh

1889

01:28:13,129 --> 01:28:11,040

I've said this about all of these a lot

1890

01:28:16,310 --> 01:28:13,139

of these gurus especially Corey good and

1891

01:28:18,229 --> 01:28:16,320

David Wilcox why if you guys are like

1892

01:28:20,750 --> 01:28:18,239

supposed to be the saviors of humanity

1893

01:28:24,530 --> 01:28:20,760

don't you do something in the real world

1894

01:28:28,729 --> 01:28:24,540

you know go feed the Homeless go help

1895

01:28:33,830 --> 01:28:31,970

someone sent me because I they knew that

1896

01:28:36,649 --> 01:28:33,840

I was going to be covering This Strange

1897

01:28:38,990 --> 01:28:36,659

Case of Sarah Adams and they knew that I

1898

01:28:42,649 --> 01:28:39,000

have said on multiple multiple occasions

1899

01:28:45,530 --> 01:28:42,659

about David Wilcock shady shellcock and

1900

01:28:48,470 --> 01:28:45,540

Corey good Corey no good why don't you

1901

01:28:50,810 --> 01:28:48,480

go feed the Homeless right you're so

1902

01:28:53,450 --> 01:28:50,820

spiritual your love and light we're we

1903

01:28:55,430 --> 01:28:53,460

never see you at a soup kitchen dulling

1904

01:28:56,510 --> 01:28:55,440

out soup to the bums or the homeless

1905

01:28:59,870 --> 01:28:56,520

people

1906

01:29:01,610 --> 01:28:59,880

so I think because somebody knew that I

1907

01:29:03,590 --> 01:29:01,620

hammered them why don't you feed the

1908

01:29:05,510 --> 01:29:03,600

Homeless if you care about people so

1909

01:29:09,350 --> 01:29:05,520

much and you're light and love somebody

1910

01:29:11,990 --> 01:29:09,360

sent me pictures of this Sarah Adams in

1911

01:29:14,209 --> 01:29:12,000

Egypt feeding the homeless now she's

1912

01:29:15,290 --> 01:29:14,219

there on vacation she didn't have to do

1913

01:29:18,410 --> 01:29:15,300

that

1914

01:29:20,629 --> 01:29:18,420

and I'm not sure the exact story as I as

1915

01:29:24,229 --> 01:29:20,639

best as I recall from the email

1916

01:29:26,149 --> 01:29:24,239

there are people who live in or near the

1917

01:29:27,890 --> 01:29:26,159

graveyards in Egypt then they're

1918

01:29:30,050 --> 01:29:27,900

homeless and they don't have any money

1919

01:29:33,830 --> 01:29:30,060

and they don't have any food

1920

01:29:36,470 --> 01:29:33,840

and Sarah recognized this while she was

1921

01:29:38,810 --> 01:29:36,480

there encountered these people and went

1922

01:29:41,510 --> 01:29:38,820

at her own expense and bought a ton of

1923

01:29:43,070 --> 01:29:41,520

food and is handing it out to all these

1924

01:29:44,510 --> 01:29:43,080

homeless people

1925

01:29:47,149 --> 01:29:44,520

now

1926

01:29:49,310 --> 01:29:47,159

one could argue that that might be just

1927

01:29:51,890 --> 01:29:49,320

for publicity look at me feeding these

1928

01:29:55,490 --> 01:29:51,900

homeless people but I have found

1929

01:29:57,290 --> 01:29:55,500

multiple examples of her doing things

1930

01:30:00,410 --> 01:29:57,300

like that

1931

01:30:01,250 --> 01:30:00,420

and I also will say that I found her to

1932

01:30:03,470 --> 01:30:01,260

be

1933

01:30:07,310 --> 01:30:03,480

very very

1934

01:30:11,209 --> 01:30:07,320

I I don't know sincere and genuine in

1935

01:30:13,250 --> 01:30:11,219

her I guess belief and desire that it's

1936

01:30:15,290 --> 01:30:13,260

her life mission to help

1937

01:30:18,709 --> 01:30:15,300

people

1938

01:30:20,930 --> 01:30:18,719

I may not agree that these healing

1939

01:30:23,149 --> 01:30:20,940

sessions that she offers are a good

1940

01:30:26,270 --> 01:30:23,159

thing for people that are sick I don't

1941

01:30:27,950 --> 01:30:26,280

know yet the jury's still out with me

1942

01:30:32,209 --> 01:30:27,960

um but

1943

01:30:34,250 --> 01:30:32,219

I will say and and also listen just

1944

01:30:38,810 --> 01:30:34,260

because she's sincere

1945

01:30:40,790 --> 01:30:38,820

does not mean that you know

1946

01:30:42,470 --> 01:30:40,800

just because she's sincere that's not

1947

01:30:47,570 --> 01:30:42,480

proof

1948

01:30:48,890 --> 01:30:47,580

powers you know sincerity is not

1949

01:30:52,750 --> 01:30:48,900

evidence

1950

01:30:54,910 --> 01:30:52,760

but I didn't get the same con artist

1951

01:30:59,390 --> 01:30:54,920

all for money

1952

01:31:04,970 --> 01:31:02,870

that I get from other that I get from

1953

01:31:07,129 --> 01:31:04,980

other people

1954

01:31:09,350 --> 01:31:07,139

I always feel like this live chat sort

1955

01:31:21,350 --> 01:31:09,360

of crashed

1956

01:31:26,689 --> 01:31:23,990

yeah I'm getting the comments in the

1957

01:31:28,390 --> 01:31:26,699

live chat but seems to be stuck let me

1958

01:31:49,010 --> 01:31:28,400

try to

1959

01:31:49,020 --> 01:31:53,810

put something there

1960

01:32:00,050 --> 01:31:56,390

oh

1961

01:32:03,770 --> 01:32:00,060

yeah friends the live chat sort of

1962

01:32:05,870 --> 01:32:03,780

crashed in my stream yard setup

1963

01:32:09,950 --> 01:32:05,880

but I still see that it's still going

1964

01:32:15,709 --> 01:32:12,050

of course

1965

01:32:17,689 --> 01:32:15,719

which brings me to another point that I

1966

01:32:18,890 --> 01:32:17,699

really want to make sure that I make

1967

01:32:21,830 --> 01:32:18,900

um

1968

01:32:25,430 --> 01:32:21,840

you know I get in these females and I'm

1969

01:32:30,110 --> 01:32:25,440

getting these comments about things like

1970

01:32:34,129 --> 01:32:30,120

I had squeaky lights or you're too dark

1971

01:32:37,070 --> 01:32:34,139

the lighting is too dark or uh oh your

1972

01:32:41,030 --> 01:32:37,080

background was off on this one show did

1973

01:32:42,649 --> 01:32:41,040

you bump the webcam and yes I did bump

1974

01:32:44,870 --> 01:32:42,659

the webcam right before the stream

1975

01:32:47,629 --> 01:32:44,880

started oh there we go we're back again

1976

01:32:51,410 --> 01:32:47,639

now I think I got you guys back

1977

01:32:53,870 --> 01:32:51,420

so you know I have a theory here and

1978

01:32:55,910 --> 01:32:53,880

that is this it's especially the people

1979

01:32:58,490 --> 01:32:55,920

that are used to the Midnight Hour show

1980

01:33:00,350 --> 01:32:58,500

my radio show who are making and listen

1981

01:33:02,330 --> 01:33:00,360

these are constructive comments if I've

1982

01:33:04,729 --> 01:33:02,340

got squeaky lights I should oil them

1983

01:33:07,250 --> 01:33:04,739

yeah they were cheap Chinese lights they

1984

01:33:08,689 --> 01:33:07,260

oil or they squeak a lot and I have to

1985

01:33:10,070 --> 01:33:08,699

try to fix that because I love the

1986

01:33:16,610 --> 01:33:10,080

lights but yeah I don't like that

1987

01:33:21,709 --> 01:33:20,270

Super V front cat she is not to the best

1988

01:33:25,250 --> 01:33:21,719

of my knowledge we've talked about this

1989

01:33:28,070 --> 01:33:25,260

a supporter of Corey Goode in fact she

1990

01:33:30,590 --> 01:33:28,080

believes that she is maybe somewhat

1991

01:33:33,050 --> 01:33:30,600

responsible for the karmic shift in

1992

01:33:34,850 --> 01:33:33,060

Quarry Goods fortunes lately and maybe

1993

01:33:37,970 --> 01:33:34,860

we'll get her to talk about that when we

1994

01:33:40,970 --> 01:33:37,980

have her uh to interview

1995

01:33:43,790 --> 01:33:40,980

oh out of mind it wasn't you I got I got

1996

01:33:46,129 --> 01:33:43,800

like two emails about the squeaks like

1997

01:33:47,390 --> 01:33:46,139

somebody said it was unwatchable uh I

1998

01:33:49,430 --> 01:33:47,400

think it was Mario heat so I'm sorry

1999

01:33:51,770 --> 01:33:49,440

Mario I'm going to try to fix those

2000

01:33:52,850 --> 01:33:51,780

lights absolutely oh but back to my

2001

01:33:56,270 --> 01:33:52,860

point

2002

01:34:00,110 --> 01:33:56,280

uh so yeah the background's gonna be off

2003

01:34:02,870 --> 01:34:00,120

the music may be too loud the the lights

2004

01:34:04,790 --> 01:34:02,880

May squeak the microphone might not

2005

01:34:06,530 --> 01:34:04,800

sound great I'm working on getting a

2006

01:34:07,129 --> 01:34:06,540

better microphone

2007

01:34:09,290 --> 01:34:07,139

um

2008

01:34:11,810 --> 01:34:09,300

and by the way all of this stuff the

2009

01:34:13,850 --> 01:34:11,820

webcam the microphone and the software

2010

01:34:15,830 --> 01:34:13,860

is all purchased from patreon money that

2011

01:34:19,070 --> 01:34:15,840

I was setting aside so thanks to all my

2012

01:34:21,410 --> 01:34:19,080

patreon supporters my point is that I

2013

01:34:24,530 --> 01:34:21,420

have uh

2014

01:34:26,209 --> 01:34:24,540

oh yeah the context could be but I don't

2015

01:34:28,310 --> 01:34:26,219

think so because she's done many other

2016

01:34:32,330 --> 01:34:28,320

things including

2017

01:34:33,770 --> 01:34:32,340

uh uh I have heard from several several

2018

01:34:35,530 --> 01:34:33,780

people

2019

01:34:37,850 --> 01:34:35,540

in the community

2020

01:34:39,709 --> 01:34:37,860

uh I don't want whatever you want to

2021

01:34:43,729 --> 01:34:39,719

call this community that conspiracy Land

2022

01:34:46,250 --> 01:34:43,739

Community UFO alien nuts whatever that

2023

01:34:49,250 --> 01:34:46,260

she sent significant amounts of money to

2024

01:34:51,470 --> 01:34:49,260

when they were in trouble or they needed

2025

01:34:52,550 --> 01:34:51,480

her they needed some help somebody lost

2026

01:34:55,370 --> 01:34:52,560

their home

2027

01:34:57,430 --> 01:34:55,380

she sent them a bunch of money and I

2028

01:35:01,250 --> 01:34:57,440

don't mean a small amount of money

2029

01:35:04,610 --> 01:35:01,260

there's a lot of examples of this that

2030

01:35:05,930 --> 01:35:04,620

I've been hearing and here we have Eric

2031

01:35:08,209 --> 01:35:05,940

in the

2032

01:35:09,770 --> 01:35:08,219

oh don't Smits where to small stuff when

2033

01:35:12,830 --> 01:35:09,780

streaming it's usually all small stuff

2034

01:35:14,510 --> 01:35:12,840

you're rightly uh so yeah let me try to

2035

01:35:16,189 --> 01:35:14,520

finish that point that's another thing

2036

01:35:18,169 --> 01:35:16,199

I'm sorry guys I ramble sometimes

2037

01:35:20,030 --> 01:35:18,179

because I'm used to the ability to edit

2038

01:35:21,530 --> 01:35:20,040

everything oh so my theory is that

2039

01:35:22,430 --> 01:35:21,540

people who are used to the midnight hour

2040

01:35:25,129 --> 01:35:22,440

show

2041

01:35:28,430 --> 01:35:25,139

it was pre-recorded there was tons of

2042

01:35:30,530 --> 01:35:28,440

editing and sometimes tons sometimes I

2043

01:35:33,709 --> 01:35:30,540

just let a lot of stuff slip but

2044

01:35:36,830 --> 01:35:33,719

with a pre-recorded audio show

2045

01:35:38,870 --> 01:35:36,840

if there's a click a squeak you can get

2046

01:35:42,890 --> 01:35:38,880

that out of there before you air the

2047

01:35:45,350 --> 01:35:42,900

show and uh so people were used to like

2048

01:35:48,709 --> 01:35:45,360

Perfect Production and everything being

2049

01:35:50,450 --> 01:35:48,719

perfect this show is live so things are

2050

01:35:52,669 --> 01:35:50,460

going to be different and I'm calling

2051

01:35:55,910 --> 01:35:52,679

this warts and all so you're getting my

2052

01:35:58,070 --> 01:35:55,920

new show warts and all I want to produce

2053

01:36:00,169 --> 01:35:58,080

as much content as possible and the best

2054

01:36:02,149 --> 01:36:00,179

way to do that is no editing I could

2055

01:36:03,950 --> 01:36:02,159

take those shows down try to edit the

2056

01:36:05,629 --> 01:36:03,960

audio to get the squeaking out and put

2057

01:36:09,110 --> 01:36:05,639

them back up but that's a lot of editing

2058

01:36:11,270 --> 01:36:09,120

and re-uploads and you know lost views

2059

01:36:13,910 --> 01:36:11,280

we're not going to do that so my point

2060

01:36:16,310 --> 01:36:13,920

is that this new show truth Seekers you

2061

01:36:18,590 --> 01:36:16,320

guys are getting it warts and all and

2062

01:36:20,810 --> 01:36:18,600

certainly I will try to address issues

2063

01:36:26,090 --> 01:36:20,820

that are a problem

2064

01:36:28,310 --> 01:36:26,100

but for now we're getting it uh

2065

01:36:31,550 --> 01:36:28,320

William Pixley we're getting it warts

2066

01:36:32,930 --> 01:36:31,560

and all so that's that point and given

2067

01:36:34,729 --> 01:36:32,940

this whole episodes out of your ordinary

2068

01:36:37,610 --> 01:36:34,739

skeptical frame is there any takeaways

2069

01:36:40,250 --> 01:36:37,620

from this experience as of now you feel

2070

01:36:41,689 --> 01:36:40,260

that you can quantify speak to

2071

01:36:44,090 --> 01:36:41,699

definitely

2072

01:36:45,530 --> 01:36:44,100

here's what I can say I can say this

2073

01:36:48,229 --> 01:36:45,540

with certainty

2074

01:36:51,050 --> 01:36:48,239

she told me that she could speed up my

2075

01:36:53,930 --> 01:36:51,060

heart and then she did she told me that

2076

01:36:56,390 --> 01:36:53,940

I would feel pins and needles or shivers

2077

01:36:58,669 --> 01:36:56,400

and I felt

2078

01:37:02,570 --> 01:36:58,679

I think I felt pins and needles in my

2079

01:37:05,750 --> 01:37:02,580

leg and then I felt uh like a whole like

2080

01:37:08,689 --> 01:37:05,760

chill went up and down my spine

2081

01:37:11,090 --> 01:37:08,699

and I have a working Theory

2082

01:37:14,090 --> 01:37:11,100

that we're going to talk to her about

2083

01:37:16,729 --> 01:37:14,100

that may explain some of this phenomenon

2084

01:37:19,850 --> 01:37:16,739

that and listen I'm not the only person

2085

01:37:23,149 --> 01:37:19,860

that she has done this to I have other

2086

01:37:25,790 --> 01:37:23,159

sources who told me that she

2087

01:37:28,189 --> 01:37:25,800

created a physical effect in them

2088

01:37:30,530 --> 01:37:28,199

and it's very interesting to me that

2089

01:37:33,470 --> 01:37:30,540

she's able to somehow do this

2090

01:37:36,530 --> 01:37:33,480

and this is another reason that yeah I'm

2091

01:37:38,810 --> 01:37:36,540

dropping my normal skeptical like just

2092

01:37:41,629 --> 01:37:38,820

beat them up and that their frauds and

2093

01:37:45,169 --> 01:37:41,639

find a way to explain it I want to get

2094

01:37:47,810 --> 01:37:45,179

this right if there is a more reasonable

2095

01:37:49,669 --> 01:37:47,820

explanation and actually I really do

2096

01:37:51,410 --> 01:37:49,679

believe there is I'm talking to some

2097

01:37:54,229 --> 01:37:51,420

experts right now

2098

01:37:56,390 --> 01:37:54,239

about my experience with her and a few

2099

01:37:59,330 --> 01:37:56,400

other people's experience with her

2100

01:38:02,750 --> 01:37:59,340

to try to get to

2101
01:38:05,350 --> 01:38:02,760
a non-paranormal explanation that's not

2102
01:38:08,450 --> 01:38:05,360
you know swamp gas or weather balloons

2103
01:38:11,330 --> 01:38:08,460
ridiculous but actually explains what

2104
01:38:15,709 --> 01:38:11,340
she did what she is doing and how she's

2105
01:38:20,330 --> 01:38:17,930
Sarah's interesting I want to see proof

2106
01:38:22,250 --> 01:38:20,340
that she's psychic and a super soldier I

2107
01:38:24,890 --> 01:38:22,260
think that was her boyfriend that was

2108
01:38:27,050 --> 01:38:24,900
the Super Soldier and this is the world

2109
01:38:30,050 --> 01:38:27,060
that we're in we have a psychic

2110
01:38:33,290 --> 01:38:30,060
intuitive healer and her boyfriend was a

2111
01:38:36,709 --> 01:38:33,300
super soldier he's now deceased may he

2112
01:38:38,930 --> 01:38:36,719
rest in peace God Rest his soul

2113
01:38:39,709 --> 01:38:38,940

the context I'm happy to be the guinea

2114

01:38:41,810 --> 01:38:39,719

pig

2115

01:38:43,669 --> 01:38:41,820

and you know I didn't open the phone

2116

01:38:46,490 --> 01:38:43,679

lines if anybody else would like to call

2117

01:38:49,490 --> 01:38:46,500

in I'm going to put that I'm gonna put

2118

01:38:51,169 --> 01:38:49,500

that phone line in uh

2119

01:38:53,510 --> 01:38:51,179

might be due to the power of suggestion

2120

01:38:56,149 --> 01:38:53,520

and not psychic activity who knows

2121

01:38:59,030 --> 01:38:56,159

well there you go rimsy you're you're

2122

01:39:00,410 --> 01:38:59,040

coming dangerously close to the

2123

01:39:04,189 --> 01:39:00,420

explanation that I'm trying to get to

2124

01:39:06,350 --> 01:39:04,199

but I have a real expert on the power of

2125

01:39:08,689 --> 01:39:06,360

suggestion and hypnosis who has to help

2126

01:39:11,810 --> 01:39:08,699

me analyze what happened

2127

01:39:14,149 --> 01:39:11,820

and see if we could get to a

2128

01:39:17,870 --> 01:39:14,159

non-paranormal explanation for these

2129

01:39:19,729 --> 01:39:17,880

physical effects she was able and listen

2130

01:39:21,830 --> 01:39:19,739

you know my hands and my hat here

2131

01:39:24,110 --> 01:39:21,840

everybody knows that I'm such a skeptic

2132

01:39:26,450 --> 01:39:24,120

that I'd go oh these people are all

2133

01:39:28,010 --> 01:39:26,460

going to think I went to the woo and you

2134

01:39:31,310 --> 01:39:28,020

know now I'm gonna be I'm gonna have

2135

01:39:35,530 --> 01:39:31,320

channelers on next and you know

2136

01:39:38,750 --> 01:39:35,540

super soldiers and uh you know

2137

01:39:42,410 --> 01:39:38,760

targeted individuals and you know we're

2138

01:39:43,970 --> 01:39:42,420

gonna go total woo here no but I had an

2139

01:39:47,870 --> 01:39:43,980

experience

2140

01:39:51,410 --> 01:39:47,880

that was physical effect she physically

2141

01:39:54,169 --> 01:39:51,420

affected me over the phone

2142

01:39:55,729 --> 01:39:54,179

I was impressed with her ability to do

2143

01:39:57,530 --> 01:39:55,739

that when she told me she was going to

2144

01:40:00,050 --> 01:39:57,540

do something like that I went no this is

2145

01:40:02,570 --> 01:40:00,060

going to be good and I sat there and I

2146

01:40:05,090 --> 01:40:02,580

you know and I was kind of resistant at

2147

01:40:07,129 --> 01:40:05,100

first to the experience but this is what

2148

01:40:09,169 --> 01:40:07,139

happened and I want to get back for a

2149

01:40:12,830 --> 01:40:09,179

moment just to my son

2150

01:40:15,890 --> 01:40:12,840

uh because uh this is important part of

2151
01:40:17,390 --> 01:40:15,900
the story too she and somebody mentioned

2152
01:40:20,149 --> 01:40:17,400
I've mentioned that my I have an

2153
01:40:22,550 --> 01:40:20,159
autistic son many times she didn't

2154
01:40:24,950 --> 01:40:22,560
try to say that she knew by psychic

2155
01:40:27,530 --> 01:40:24,960
ability that I had an autistic son

2156
01:40:29,330 --> 01:40:27,540
I offered that I said you know if you

2157
01:40:30,770 --> 01:40:29,340
really can heal people I have an

2158
01:40:32,090 --> 01:40:30,780
autistic son

2159
01:40:34,310 --> 01:40:32,100
and

2160
01:40:35,450 --> 01:40:34,320
if you could do anything for him that

2161
01:40:39,530 --> 01:40:35,460
would be awesome

2162
01:40:41,990 --> 01:40:39,540
and uh that one part kind of threw me

2163
01:40:44,570 --> 01:40:42,000

because she said oh he screams a lot and

2164

01:40:46,669 --> 01:40:44,580

he uh he runs around giggling I

2165

01:40:48,229 --> 01:40:46,679

discounted that because if she knows

2166

01:40:49,610 --> 01:40:48,239

anything about autistic children she

2167

01:40:52,850 --> 01:40:49,620

will know that most of them do that

2168

01:40:55,189 --> 01:40:52,860

especially the non-verbal ones

2169

01:40:57,290 --> 01:40:55,199

the other thing is that she told me that

2170

01:40:59,570 --> 01:40:57,300

my son was telepathic and he doesn't

2171

01:41:03,410 --> 01:40:59,580

speak but that she could communicate

2172

01:41:04,910 --> 01:41:03,420

with him so she said I go okay and she

2173

01:41:07,129 --> 01:41:04,920

told me she was communicating with them

2174

01:41:09,950 --> 01:41:07,139

telepathically and while this is going

2175

01:41:12,290 --> 01:41:09,960

on it's like midnight and I'm sure for

2176

01:41:15,590 --> 01:41:12,300

once I'm sure that he was in bed

2177

01:41:17,870 --> 01:41:15,600

sleeping so that kind of threw me off of

2178

01:41:20,030 --> 01:41:17,880

my excitement because I went okay well

2179

01:41:22,729 --> 01:41:20,040

she's telepathically communicating with

2180

01:41:24,709 --> 01:41:22,739

him while he's sleeping is she able to

2181

01:41:27,649 --> 01:41:24,719

do that to telepathically communicate

2182

01:41:29,270 --> 01:41:27,659

with him while he's sleeping okay and

2183

01:41:31,189 --> 01:41:29,280

then she told me that his favorite color

2184

01:41:33,350 --> 01:41:31,199

was blue

2185

01:41:35,330 --> 01:41:33,360

now I have to tell you for anybody that

2186

01:41:36,649 --> 01:41:35,340

has an autistic child especially a

2187

01:41:38,770 --> 01:41:36,659

non-verbal one

2188

01:41:42,470 --> 01:41:38,780

I don't know what his favorite color is

2189

01:41:44,930 --> 01:41:42,480

I wish to God that I did so she tells me

2190

01:41:47,689 --> 01:41:44,940

his favorite color is blue today

2191

01:41:49,189 --> 01:41:47,699

I went to try to find crayons because if

2192

01:41:51,530 --> 01:41:49,199

you just ask him what's your favorite

2193

01:41:53,629 --> 01:41:51,540

color no response

2194

01:41:56,149 --> 01:41:53,639

I couldn't find crayons or these we have

2195

01:41:57,770 --> 01:41:56,159

these colors he can identify colors with

2196

01:41:59,270 --> 01:41:57,780

these cards we have these flash cards

2197

01:42:01,250 --> 01:41:59,280

you can say what color and he'll point

2198

01:42:02,990 --> 01:42:01,260

to and he'll say blue what color he'll

2199

01:42:05,930 --> 01:42:03,000

point to and he'll say yellow so he does

2200

01:42:07,550 --> 01:42:05,940

speak a little bit but it's not much

2201

01:42:10,850 --> 01:42:07,560

couldn't find the cards couldn't find

2202

01:42:13,790 --> 01:42:10,860

crayons but I figured multiple choice if

2203

01:42:15,830 --> 01:42:13,800

I give him a choice maybe he will be

2204

01:42:19,070 --> 01:42:15,840

able to respond

2205

01:42:21,530 --> 01:42:19,080

so today and I got very emotional about

2206

01:42:26,990 --> 01:42:25,550

today she or I I took him and you have

2207

01:42:29,270 --> 01:42:27,000

to get him very calm when you want his

2208

01:42:30,970 --> 01:42:29,280

attention so I try to get him calm and

2209

01:42:33,530 --> 01:42:30,980

put him on the couch and I asked Him

2210

01:42:36,770 --> 01:42:33,540

Zachary what's your favorite color

2211

01:42:38,570 --> 01:42:36,780

yellow or blue he said blue

2212

01:42:40,669 --> 01:42:38,580

what's your favorite color red or blue

2213

01:42:43,669 --> 01:42:40,679

he said blue what's your favorite color

2214

01:42:46,430 --> 01:42:43,679

black or blue white or blue yellow or

2215

01:42:48,590 --> 01:42:46,440

blue green or blue gray or blue brown or

2216

01:42:51,530 --> 01:42:48,600

blue every color I could think of

2217

01:42:53,209 --> 01:42:51,540

each time he said blue and I got very

2218

01:42:54,350 --> 01:42:53,219

emotional about this

2219

01:42:56,270 --> 01:42:54,360

because

2220

01:42:58,490 --> 01:42:56,280

he's eight years old he doesn't

2221

01:43:01,729 --> 01:42:58,500

communicate I don't know what his

2222

01:43:06,050 --> 01:43:04,490

if nothing else from this experience if

2223

01:43:08,510 --> 01:43:06,060

that's really his favorite color and I

2224

01:43:10,129 --> 01:43:08,520

got to find that out I'm glad that I met

2225

01:43:12,590 --> 01:43:10,139

and talked to this woman

2226

01:43:15,050 --> 01:43:12,600

I don't know if she's a psychic I know

2227

01:43:17,030 --> 01:43:15,060

that I had actual physical effects

2228

01:43:20,149 --> 01:43:17,040

happen

2229

01:43:21,530 --> 01:43:20,159

and after she talked to me about my son

2230

01:43:23,629 --> 01:43:21,540

you know

2231

01:43:25,970 --> 01:43:23,639

she told me that I would have I may have

2232

01:43:28,729 --> 01:43:25,980

I may feel strange effects

2233

01:43:30,530 --> 01:43:28,739

I may have strange dreams tomorrow she

2234

01:43:32,990 --> 01:43:30,540

would check in on me which I thought was

2235

01:43:34,370 --> 01:43:33,000

a little weird like okay you just fixed

2236

01:43:35,870 --> 01:43:34,380

my R and tomorrow you're going to check

2237

01:43:37,970 --> 01:43:35,880

in with me and she did

2238

01:43:41,390 --> 01:43:37,980

and asked me how I was feeling

2239

01:43:44,209 --> 01:43:41,400

and I gotta tell you that you know I

2240

01:43:45,950 --> 01:43:44,219

don't believe in empaths I don't but I

2241

01:43:48,430 --> 01:43:45,960

do believe that some people are more

2242

01:43:51,950 --> 01:43:48,440

caring and empathetic of others feelings

2243

01:43:54,850 --> 01:43:51,960

than others maybe there's a scale right

2244

01:43:58,010 --> 01:43:54,860

and some people are just more naturally

2245

01:44:00,470 --> 01:43:58,020

sympathetic empathetic and that's what I

2246

01:44:02,930 --> 01:44:00,480

get from her is that she truly cared

2247

01:44:07,129 --> 01:44:02,940

about she truly cares about the people

2248

01:44:13,970 --> 01:44:10,310

I don't know I don't know what else what

2249

01:44:15,530 --> 01:44:13,980

else I could say this is what I'll I

2250

01:44:17,689 --> 01:44:15,540

can't really sum it up here we're going

2251

01:44:19,729 --> 01:44:17,699

to sum it up by talking to her

2252

01:44:22,609 --> 01:44:19,739

I wanted to unpack my own personal

2253

01:44:24,830 --> 01:44:22,619

experience with her invite a few others

2254

01:44:27,229 --> 01:44:24,840

to talk about their experience with her

2255

01:44:30,950 --> 01:44:27,239

so that we could

2256

01:44:34,970 --> 01:44:30,960

more fully and really get deep with her

2257

01:44:36,709 --> 01:44:34,980

to try to explore her abilities her

2258

01:44:38,629 --> 01:44:36,719

you know

2259

01:44:40,609 --> 01:44:38,639

philosophies

2260

01:44:42,530 --> 01:44:40,619

you know the one problem that I do have

2261

01:44:45,709 --> 01:44:42,540

though is like I said pick a lane like

2262

01:44:48,109 --> 01:44:45,719

she talks about aliens she talks she

2263

01:44:50,689 --> 01:44:48,119

says she talks to aliens She talks to

2264

01:44:52,010 --> 01:44:50,699

angels she talks to Demons she told me

2265

01:44:54,590 --> 01:44:52,020

she talked to

2266

01:44:57,350 --> 01:44:54,600

like the one of the Four Horsemen of the

2267

01:44:59,330 --> 01:44:57,360

Apocalypse or something like that

2268

01:45:01,790 --> 01:44:59,340

and uh

2269

01:45:04,370 --> 01:45:01,800

it's like too much it's too much to

2270

01:45:06,530 --> 01:45:04,380

unpack with her and I knew like one

2271

01:45:09,169 --> 01:45:06,540

is not gonna do it and I mean we could

2272

01:45:11,270 --> 01:45:09,179

do whole shows just on some of her

2273

01:45:13,250 --> 01:45:11,280

just on some of the videos that she

2274

01:45:14,750 --> 01:45:13,260

posts you know she'll have a video

2275

01:45:17,149 --> 01:45:14,760

talking about

2276

01:45:19,550 --> 01:45:17,159

you know connecting to God and she'll

2277

01:45:20,390 --> 01:45:19,560

have the next video will be like

2278

01:45:23,209 --> 01:45:20,400

foreign

2279

01:45:26,330 --> 01:45:23,219

talking talking about aliens and the

2280

01:45:29,629 --> 01:45:26,340

next video will be how to talk to angels

2281

01:45:31,910 --> 01:45:29,639

and it's so much to unpack with her

2282

01:45:34,550 --> 01:45:31,920

and again I was impressed with her

2283

01:45:37,129 --> 01:45:34,560

biblical knowledge and

2284

01:45:39,229 --> 01:45:37,139

I didn't get the Kook vibe from her

2285

01:45:40,450 --> 01:45:39,239

because you guys will see when we have

2286

01:45:43,669 --> 01:45:40,460

her on the show

2287

01:45:46,910 --> 01:45:43,679

she's incredible she speaks she's

2288

01:45:48,590 --> 01:45:46,920

incredibly well spoken I forgot to ask

2289

01:45:51,169 --> 01:45:48,600

her about her education or if she had

2290

01:45:53,750 --> 01:45:51,179

some kind I'm sure that she's had

2291

01:45:57,109 --> 01:45:53,760

more than just a bachelor's degree in

2292

01:45:59,090 --> 01:45:57,119

college and if not she is incredibly a

2293

01:46:00,709 --> 01:45:59,100

self-learned person to be able to speak

2294

01:46:04,070 --> 01:46:00,719

so well have such a knowledge of the

2295

01:46:07,250 --> 01:46:04,080

Bible esoteric subjects

2296

01:46:09,290 --> 01:46:07,260

she's just so like a walking

2297

01:46:11,330 --> 01:46:09,300

Fountain of Knowledge on esoteric

2298

01:46:14,450 --> 01:46:11,340

subjects and the Bible

2299

01:46:16,550 --> 01:46:14,460

you know and uh you know some somebody I

2300

01:46:18,830 --> 01:46:16,560

want to address this too somebody

2301

01:46:22,310 --> 01:46:18,840

mentioned that uh

2302

01:46:24,550 --> 01:46:22,320

you know more was enamored with her it

2303

01:46:27,410 --> 01:46:24,560

was obvious that he was you know

2304

01:46:29,810 --> 01:46:27,420

googly-eyed at her and interested in her

2305

01:46:32,149 --> 01:46:29,820

and she's faced a lot of criticism about

2306

01:46:33,229 --> 01:46:32,159

her appearance which I think is a huge

2307

01:46:35,090 --> 01:46:33,239

problem

2308

01:46:37,310 --> 01:46:35,100

because this is the world we live in

2309

01:46:38,390 --> 01:46:37,320

that you could be attacked for being fat

2310

01:46:40,490 --> 01:46:38,400

or ugly

2311

01:46:44,149 --> 01:46:40,500

but you can equally be attacked for

2312

01:46:46,310 --> 01:46:44,159

being thin and you know beautiful

2313

01:46:49,550 --> 01:46:46,320

the girl is uh

2314

01:46:53,330 --> 01:46:49,560

I don't I don't know yeah most men would

2315

01:46:55,609 --> 01:46:53,340

say she's very attractive so uh you know

2316

01:46:58,310 --> 01:46:55,619

and I've heard her attacked for being

2317

01:47:00,169 --> 01:46:58,320

the hot girl in ufology or for being the

2318

01:47:02,390 --> 01:47:00,179

hot new age girl and I think that's

2319

01:47:04,609 --> 01:47:02,400

really wrong if we're gonna attack

2320

01:47:06,770 --> 01:47:04,619

somebody for if we can't attack somebody

2321

01:47:08,090 --> 01:47:06,780

for being ugly we probably shouldn't

2322

01:47:09,950 --> 01:47:08,100

attacked somebody for being attractive

2323

01:47:11,629 --> 01:47:09,960

and you know God bless her if she's

2324

01:47:13,910 --> 01:47:11,639

using that to her Advantage everybody

2325

01:47:15,910 --> 01:47:13,920

uses what they were given by God and if

2326

01:47:18,290 --> 01:47:15,920

she was given look I'm very attractive

2327

01:47:20,930 --> 01:47:18,300

listen I've heard others talk about this

2328

01:47:23,629 --> 01:47:20,940

there's a reason that some people do

2329

01:47:25,729 --> 01:47:23,639

very well in this field like Teal Swan

2330

01:47:27,350 --> 01:47:25,739

do you think teal Swan's doing well

2331

01:47:29,330 --> 01:47:27,360

because she's such a great researcher

2332

01:47:31,250 --> 01:47:29,340

and has such great information to offer

2333

01:47:33,770 --> 01:47:31,260

people no it's because she's super hot

2334

01:47:39,530 --> 01:47:33,780

like that's the reality of the world we

2335

01:47:43,189 --> 01:47:41,870

wacky aliens okay great white

2336

01:47:45,050 --> 01:47:43,199

Brotherhood and the tall white

2337

01:47:48,470 --> 01:47:45,060

Pleiadians aren't the same as wacky

2338

01:47:50,450 --> 01:47:48,480

avians and Draco reptilians Lee beltman

2339

01:47:52,609 --> 01:47:50,460

are you an extraterrestrial racist are

2340

01:48:00,410 --> 01:47:52,619

you saying that one

2341

01:48:04,729 --> 01:48:02,810

solar Marshall Kevin Moore is not who he

2342

01:48:06,109 --> 01:48:04,739

claimed to be Kevin turned out to be a

2343

01:48:07,430 --> 01:48:06,119

big disappointment

2344

01:48:09,709 --> 01:48:07,440

yeah you know there's a lot of that

2345

01:48:12,470 --> 01:48:09,719

going around solar Marshall I don't know

2346

01:48:13,910 --> 01:48:12,480

him never met him never spoke to him uh

2347

01:48:16,430 --> 01:48:13,920

you know I probably would like to or

2348

01:48:17,810 --> 01:48:16,440

into a lot of the same subjects but uh I

2349

01:48:20,270 --> 01:48:17,820

don't know what's going on with him or

2350

01:48:22,550 --> 01:48:20,280

with that DVD or what is it documentary

2351
01:48:25,010 --> 01:48:22,560
that he's supposed to have produced like

2352
01:48:26,330 --> 01:48:25,020
I don't know five years ago or a couple

2353
01:48:29,689 --> 01:48:26,340
years ago now

2354
01:48:33,050 --> 01:48:29,699
but I'm one person that having produced

2355
01:48:37,550 --> 01:48:35,030
uh that

2356
01:48:39,890 --> 01:48:37,560
it's difficult to to finish projects

2357
01:48:43,010 --> 01:48:39,900
Super V fun cat I've never heard anyone

2358
01:48:46,729 --> 01:48:43,020
attack her for being smoking hot I have

2359
01:48:47,990 --> 01:48:46,739
uh I got some emails today in fact you

2360
01:48:50,870 --> 01:48:48,000
know that she's only popular because

2361
01:48:52,790 --> 01:48:50,880
she's pretty okay she's popular because

2362
01:48:54,830 --> 01:48:52,800
she's pretty we're in high school again

2363
01:48:57,050 --> 01:48:54,840

but you know I just wanted to mention

2364

01:48:59,570 --> 01:48:57,060

the appearance thing because

2365

01:49:01,729 --> 01:48:59,580

I've heard a few people and then and she

2366

01:49:03,830 --> 01:49:01,739

mentioned it to me that like even Eric

2367

01:49:05,629 --> 01:49:03,840

and some of those guys were like oh you

2368

01:49:07,669 --> 01:49:05,639

can't take her seriously before Eric

2369

01:49:09,530 --> 01:49:07,679

before he met her was kind of like hey

2370

01:49:11,030 --> 01:49:09,540

she's just this you know hot new age

2371

01:49:12,530 --> 01:49:11,040

girl you can't really take her seriously

2372

01:49:14,990 --> 01:49:12,540

and that he met her and he felt

2373

01:49:17,090 --> 01:49:15,000

differently and I think that some of us

2374

01:49:20,750 --> 01:49:17,100

might feel differently

2375

01:49:24,890 --> 01:49:20,760

after uh I get to talk more to her and I

2376

01:49:28,010 --> 01:49:24,900

bring you guys more her

2377

01:49:30,169 --> 01:49:28,020

super she is cute folks want to think

2378

01:49:32,450 --> 01:49:30,179

people trust believe her for this yeah

2379

01:49:34,490 --> 01:49:32,460

maybe I don't know do you guys think

2380

01:49:36,770 --> 01:49:34,500

that more attractive people

2381

01:49:45,350 --> 01:49:36,780

Garner more trust than an ugly person

2382

01:49:50,570 --> 01:49:47,450

I remember seeing this with Michael Horn

2383

01:49:52,310 --> 01:49:50,580

and being like no Steve no what are you

2384

01:49:53,930 --> 01:49:52,320

talking about Brandon him coming back to

2385

01:49:55,490 --> 01:49:53,940

the show I'm gonna do it I think I'm

2386

01:49:58,070 --> 01:49:55,500

gonna do it we're gonna get back on that

2387

01:50:00,709 --> 01:49:58,080

Billy Meyer crazy train and we're gonna

2388

01:50:03,649 --> 01:50:00,719

see uh Michael Horn for those that don't

2389

01:50:05,629 --> 01:50:03,659

know is Billy Myers media representative

2390

01:50:07,910 --> 01:50:05,639

and he's been on my radio show

2391

01:50:10,910 --> 01:50:07,920

previously and there was this big battle

2392

01:50:13,910 --> 01:50:10,920

you know he freaked out and because I

2393

01:50:16,430 --> 01:50:13,920

gotched him that his main source was a

2394

01:50:18,770 --> 01:50:16,440

convicted child molester so his main

2395

01:50:21,410 --> 01:50:18,780

source for proof of why the Billy Myers

2396

01:50:23,090 --> 01:50:21,420

story was true was investigator Wendell

2397

01:50:25,850 --> 01:50:23,100

Stevens who turned out to be a convicted

2398

01:50:28,790 --> 01:50:25,860

child molester and boy he did not like

2399

01:50:31,189 --> 01:50:28,800

me asking him about his child molesting

2400

01:50:34,189 --> 01:50:31,199

source so that turned into a huge battle

2401

01:50:35,570 --> 01:50:34,199

he went away uh you know I said I'm

2402

01:50:37,669 --> 01:50:35,580

never I'm not going to deal with him

2403

01:50:40,070 --> 01:50:37,679

anymore he wants to come back now

2404

01:50:42,290 --> 01:50:40,080

because

2405

01:50:44,330 --> 01:50:42,300

she he wants to come back number one so

2406

01:50:46,790 --> 01:50:44,340

I can apologize to him

2407

01:50:49,189 --> 01:50:46,800

and number two so that he could prove to

2408

01:50:51,169 --> 01:50:49,199

everyone and me that Billy Meyer

2409

01:50:54,470 --> 01:50:51,179

predicted everything that's happening in

2410

01:50:57,109 --> 01:50:54,480

2020 and he did it 10 or 20 years ago I

2411

01:51:00,350 --> 01:50:57,119

may have him come back we'll go back

2412

01:51:02,030 --> 01:51:00,360

down that crazy hole

2413

01:51:04,010 --> 01:51:02,040

I think it's harder to be taken

2414

01:51:05,689 --> 01:51:04,020

seriously if you're sexy not pretty but

2415

01:51:08,870 --> 01:51:05,699

sexy is a challenge

2416

01:51:12,109 --> 01:51:08,880

super v-fun cat it's hard to be taken

2417

01:51:13,430 --> 01:51:12,119

seriously if you're sexy well maybe I

2418

01:51:15,470 --> 01:51:13,440

don't know if that does that apply to

2419

01:51:18,590 --> 01:51:15,480

men and women like what if a man is

2420

01:51:21,649 --> 01:51:18,600

really sexy is is he taken seriously

2421

01:51:25,490 --> 01:51:21,659

I think if a woman is is considered sexy

2422

01:51:28,550 --> 01:51:25,500

she's not valued for other

2423

01:51:30,770 --> 01:51:28,560

you know attributes or other skills she

2424

01:51:32,629 --> 01:51:30,780

may have she's just looked at oh she's

2425

01:51:33,649 --> 01:51:32,639

pretty that's her thing being pretty and

2426

01:51:35,750 --> 01:51:33,659

I think

2427

01:51:38,629 --> 01:51:35,760

some of that may be going on with this

2428

01:51:43,790 --> 01:51:40,729

pretty handsome people do get more trust

2429

01:51:47,750 --> 01:51:43,800

but having high sex appeal is a huge

2430

01:51:49,550 --> 01:51:47,760

challenge people hate super sexy people

2431

01:51:53,870 --> 01:51:49,560

I don't

2432

01:51:55,850 --> 01:51:53,880

commenting on how super sexy or pretty

2433

01:51:57,770 --> 01:51:55,860

or whatever I think this girl is I don't

2434

01:51:59,570 --> 01:51:57,780

say I think she's attractive and I think

2435

01:52:02,570 --> 01:51:59,580

most men would agree with me that she's

2436

01:52:05,990 --> 01:52:02,580

very attractive and maybe a lot of women

2437

01:52:09,470 --> 01:52:06,000

too who are uh into that into women

2438

01:52:11,090 --> 01:52:09,480

would agree with me yeah she's gotta

2439

01:52:13,129 --> 01:52:11,100

you know maybe it's some of her social

2440

01:52:15,950 --> 01:52:13,139

media presence too because she's got a

2441

01:52:18,830 --> 01:52:15,960

lot of those like like model quality

2442

01:52:21,770 --> 01:52:18,840

selfies and things like that but God

2443

01:52:24,109 --> 01:52:21,780

bless her you got to Market yourself

2444

01:52:25,490 --> 01:52:24,119

Stephen told me Bob Lazar was a fraud I

2445

01:52:26,870 --> 01:52:25,500

still believe in bibles are though not

2446

01:52:28,850 --> 01:52:26,880

because I think he's telling the truth

2447

01:52:31,669 --> 01:52:28,860

but because it is fun to believe him

2448

01:52:33,770 --> 01:52:31,679

Rheem C I grew up with that story it's

2449

01:52:36,410 --> 01:52:33,780

probably my all-time favorite UFO story

2450

01:52:40,550 --> 01:52:36,420

and we have solar Marshall here who has

2451
01:52:44,090 --> 01:52:40,560
been the expert in the Bob Lazar case uh

2452
01:52:47,330 --> 01:52:44,100
for years and years and years it is fun

2453
01:52:49,850 --> 01:52:47,340
to believe that it may be true but rimsy

2454
01:52:52,609 --> 01:52:49,860
he talks solar Marshall there's a guy

2455
01:52:55,850 --> 01:52:52,619
with airplanes that was just allowed to

2456
01:52:57,950 --> 01:52:55,860
fly over that Papoose Lake and take

2457
01:53:02,090 --> 01:52:57,960
pictures and there is nothing there

2458
01:53:07,370 --> 01:53:02,100
there is no S4 so there's more evidence

2459
01:53:11,090 --> 01:53:07,380
that Bob Lazar is a fraud I need my uh

2460
01:53:15,050 --> 01:53:11,100
Uno betanium I think it's

2461
01:53:17,890 --> 01:53:15,060
I think it's lazarium or something else

2462
01:53:20,209 --> 01:53:17,900
not Uno

2463
01:53:21,950 --> 01:53:20,219

betanium and we're talking about that

2464

01:53:24,770 --> 01:53:21,960

element

2465

01:53:27,590 --> 01:53:24,780

bibles are 100 more believable so the

2466

01:53:33,530 --> 01:53:27,600

context you don't believe this girl

2467

01:53:38,090 --> 01:53:35,990

CW Chandler has to deal a lot with this

2468

01:53:39,109 --> 01:53:38,100

sex peel issue because it detracts from

2469

01:53:41,750 --> 01:53:39,119

the message

2470

01:53:43,490 --> 01:53:41,760

yeah and I always joke that I had a face

2471

01:53:45,709 --> 01:53:43,500

for radio so I don't know what I'm doing

2472

01:53:47,689 --> 01:53:45,719

on a video camera because man I was very

2473

01:53:50,270 --> 01:53:47,699

apprehensive about this I think I

2474

01:53:56,450 --> 01:53:50,280

preferred being just a you know just a

2475

01:54:01,189 --> 01:53:58,669

yeah leave Altman I'd like to have you

2476

01:54:05,090 --> 01:54:01,199

too you got to come you got to come and

2477

01:54:08,770 --> 01:54:05,100

talk about Q Anon with me because uh I

2478

01:54:13,490 --> 01:54:11,390

a problem

2479

01:54:15,590 --> 01:54:13,500

so if they're hot sexy or pretty they

2480

01:54:17,209 --> 01:54:15,600

get a pass what if we had standards

2481

01:54:19,490 --> 01:54:17,219

those peers had to live up to regardless

2482

01:54:21,950 --> 01:54:19,500

of looks yeah I think you're right I

2483

01:54:24,290 --> 01:54:21,960

mean you know maybe I I should have made

2484

01:54:28,010 --> 01:54:24,300

that point I just mean that like she got

2485

01:54:30,050 --> 01:54:28,020

a lot of flack like you know uh oh she's

2486

01:54:31,609 --> 01:54:30,060

only popular maybe it's jealousy she's

2487

01:54:36,890 --> 01:54:31,619

only popular because she's pretty and

2488

01:54:40,669 --> 01:54:39,050

I'm putting my hands in my pockets for a

2489

01:54:43,669 --> 01:54:40,679

little bit I can't trust myself not to

2490

01:54:45,709 --> 01:54:43,679

be reactive but I am listening

2491

01:54:47,390 --> 01:54:45,719

Daniel I don't know what you're doing

2492

01:54:48,169 --> 01:54:47,400

over there but I don't think I want to

2493

01:54:50,350 --> 01:54:48,179

know

2494

01:54:53,510 --> 01:54:50,360

Brandon young God bless you champion

2495

01:54:56,629 --> 01:54:53,520

thank you Brandon young I'm glad to see

2496

01:54:59,570 --> 01:54:56,639

you here again and the context uh shout

2497

01:55:02,750 --> 01:54:59,580

out to the context in Daniel he has this

2498

01:55:05,810 --> 01:55:02,760

Cosmic con series and uh he just did one

2499

01:55:07,970 --> 01:55:05,820

on Peter's Slattery who's one of my

2500

01:55:11,330 --> 01:55:07,980

favorites because this guy puts out a

2501

01:55:13,129 --> 01:55:11,340

picture of of uh of the aliens that he

2502

01:55:16,250 --> 01:55:13,139

talks to and there's like the Avatar

2503

01:55:19,189 --> 01:55:16,260

aliens are on there et's on there

2504

01:55:22,189 --> 01:55:19,199

and I think the Silver Surfer is on

2505

01:55:26,990 --> 01:55:24,290

William Pixley I'm glad I tuned in

2506

01:55:28,850 --> 01:55:27,000

tonight props love everyone here stay

2507

01:55:32,450 --> 01:55:28,860

safe folks

2508

01:55:35,030 --> 01:55:32,460

good and I'm just gonna check in real

2509

01:55:43,790 --> 01:55:35,040

quick with the

2510

01:55:52,850 --> 01:55:43,800

well Facebook

2511

01:55:59,090 --> 01:55:54,770

oh we have some comments from George

2512

01:56:02,810 --> 01:55:59,100

which I don't think made it to the live

2513

01:56:05,689 --> 01:56:02,820

chat we have George risenal who says

2514

01:56:09,050 --> 01:56:05,699

love the cabin Stephen

2515

01:56:11,870 --> 01:56:09,060

nice cabin Steven and is this still live

2516

01:56:13,310 --> 01:56:11,880

yes we are still here

2517

01:56:15,229 --> 01:56:13,320

George

2518

01:56:17,109 --> 01:56:15,239

I think the way that this system is

2519

01:56:19,850 --> 01:56:17,119

supposed to work is that the Facebook

2520

01:56:21,590 --> 01:56:19,860

comments are supposed to come into my

2521

01:56:23,689 --> 01:56:21,600

live chat here in

2522

01:56:26,149 --> 01:56:23,699

my software and I'm supposed to be able

2523

01:56:29,629 --> 01:56:26,159

to reply to both I don't know oh yeah is

2524

01:56:32,870 --> 01:56:29,639

this still live yeah here we go it is it

2525

01:56:35,450 --> 01:56:32,880

is here it is coming through okay

2526

01:56:37,430 --> 01:56:35,460

we have Jasmine Emrick

2527

01:56:40,070 --> 01:56:37,440

I've never seen you and Jiggy at the

2528

01:56:41,930 --> 01:56:40,080

same place at the same time that may be

2529

01:56:44,030 --> 01:56:41,940

a whole nother conspiracy theory oh and

2530

01:56:45,709 --> 01:56:44,040

that reminds me you know people send me

2531

01:56:46,910 --> 01:56:45,719

conspiracy theories all the time I put

2532

01:56:49,189 --> 01:56:46,920

something on my Twitter that everybody

2533

01:56:52,669 --> 01:56:49,199

should try you type in any three-digit

2534

01:56:55,070 --> 01:56:52,679

number and new cases into Google

2535

01:56:58,129 --> 01:56:55,080

it's kind of trippy

2536

01:57:01,370 --> 01:56:58,139

but later I thought about it and uh

2537

01:57:03,229 --> 01:57:01,380

with the thousands of cases or thousands

2538

01:57:04,910 --> 01:57:03,239

of Stories being written it kind of

2539

01:57:06,590 --> 01:57:04,920

makes sense that that would happen but

2540

01:57:11,350 --> 01:57:06,600

that's not what's Happening Here

2541

01:57:15,050 --> 01:57:11,360

somebody specifically tried to

2542

01:57:17,270 --> 01:57:15,060

manipulate the Google search algorithms

2543

01:57:21,649 --> 01:57:17,280

you'll see what I mean type in any three

2544

01:57:26,870 --> 01:57:21,659

digit number into Google and new cases

2545

01:57:28,490 --> 01:57:26,880

like 333 new cases 111 new cases 110 new

2546

01:57:31,669 --> 01:57:28,500

cases any three digit number between

2547

01:57:33,169 --> 01:57:31,679

zero and a thousand zero nine nine nine

2548

01:57:35,629 --> 01:57:33,179

you know

2549

01:57:39,169 --> 01:57:35,639

and you'll get a strange thing happening

2550

01:57:42,290 --> 01:57:39,179

and I don't know how that happened

2551

01:57:44,209 --> 01:57:42,300

we're going a little long here folks I

2552

01:57:47,870 --> 01:57:44,219

honestly expected this show to be an

2553

01:57:52,790 --> 01:57:47,880

hour but uh we had Eric call in and a

2554

01:58:05,990 --> 01:57:55,970

out of mind I noticed a ton of comments

2555

01:58:11,330 --> 01:58:08,750

yeah I'm not seeing those comments

2556

01:58:14,629 --> 01:58:11,340

I don't think that you guys can see the

2557

01:58:16,910 --> 01:58:14,639

Facebook comments unless I find them in

2558

01:58:19,129 --> 01:58:16,920

my chat here in my software and put them

2559

01:58:21,530 --> 01:58:19,139

up on the screen so I'm gonna try to

2560

01:58:24,169 --> 01:58:21,540

figure out a way to identify

2561

01:58:25,729 --> 01:58:24,179

you know to be sure like oh okay this is

2562

01:58:28,310 --> 01:58:25,739

a Facebook comment and make sure I put

2563

01:58:30,290 --> 01:58:28,320

them all up so that you guys can see

2564

01:58:32,570 --> 01:58:30,300

it looks like Facebook we only had like

2565

01:58:35,270 --> 01:58:32,580

seven people watching but that's seven

2566

01:58:37,370 --> 01:58:35,280

more people than usual so uh I'll take

2567

01:58:40,370 --> 01:58:37,380

that

2568

01:58:42,890 --> 01:58:40,380

I'm going to uh

2569

01:58:46,850 --> 01:58:42,900

oh let's see

2570

01:58:50,330 --> 01:58:48,709

I don't see any Facebook comments yeah

2571

01:58:53,149 --> 01:58:50,340

you won't see the Facebook comments if

2572

01:58:56,030 --> 01:58:53,159

you're just in the YouTube live chat

2573

01:58:58,430 --> 01:58:56,040

uh like I said I have to put them up on

2574

01:59:00,589 --> 01:58:58,440

the screen here so you can see them I

2575

01:59:06,950 --> 01:59:00,599

see them all in my

2576

01:59:12,830 --> 01:59:09,530

it's fake book comments that explains it

2577

01:59:14,689 --> 01:59:12,840

yeah maybe that does explain it

2578

01:59:16,550 --> 01:59:14,699

okay

2579

01:59:19,550 --> 01:59:16,560

I don't know if anybody wants to call in

2580

01:59:21,350 --> 01:59:19,560

but I'm willing to keep going and also I

2581

01:59:24,530 --> 01:59:21,360

just want to mention that I'd like to

2582

01:59:28,070 --> 01:59:24,540

produce more content and um

2583

01:59:31,609 --> 01:59:28,080

we have uh Rachel Hoffman coming up from

2584

01:59:33,290 --> 01:59:31,619

Paranormal Expeditions who's a you know

2585

01:59:35,030 --> 01:59:33,300

I I've been kind of following her on

2586

01:59:37,129 --> 01:59:35,040

Facebook and her Adventure she runs

2587

01:59:38,990 --> 01:59:37,139

around the whole country if she hears

2588

01:59:41,810 --> 01:59:39,000

about a haunted house she's got this bus

2589

01:59:43,790 --> 01:59:41,820

now that she lives in and she just goes

2590

01:59:45,410 --> 01:59:43,800

to these haunted houses and films and

2591

01:59:47,089 --> 01:59:45,420

takes pictures and she does all the

2592

01:59:48,830 --> 01:59:47,099

ghost hunting stuff we're going to be

2593

01:59:50,750 --> 01:59:48,840

talking to her next week we're trying to

2594

01:59:52,850 --> 01:59:50,760

work out the date and also I think

2595

01:59:54,350 --> 01:59:52,860

tomorrow night I might do an ask me

2596

01:59:55,729 --> 01:59:54,360

anything because I've never done that

2597

01:59:57,470 --> 01:59:55,739

and uh

2598

01:59:59,870 --> 01:59:57,480

that would be something kind of fun to

2599

02:00:04,970 --> 02:00:02,450

let me get back to the live comment chat

2600

02:00:06,950 --> 02:00:04,980

here oh let's get back to the

2601
02:00:09,229 --> 02:00:06,960
we're gonna play the live calling number

2602
02:00:11,629 --> 02:00:09,239
the live call-in number you can call in

2603
02:00:13,729 --> 02:00:11,639
and just like Eric did and be a part of

2604
02:00:14,810 --> 02:00:13,739
the show I don't know if anybody wants

2605
02:00:18,290 --> 02:00:14,820
to do that but we're going to play that

2606
02:00:21,169 --> 02:00:18,300
real quickly and you guys can call in on

2607
02:00:22,250 --> 02:00:21,179
our live call in line and come right on

2608
02:00:25,310 --> 02:00:22,260
the show

2609
02:00:27,109 --> 02:00:25,320
so we'll play that now if after I play

2610
02:00:29,570 --> 02:00:27,119
this bumper if no you know nobody's

2611
02:00:30,890 --> 02:00:29,580
called in then we'll just try to wrap

2612
02:00:38,590 --> 02:00:30,900
things up

2613
02:00:44,350 --> 02:00:44,149

[Music]

2614

02:01:05,540 --> 02:00:44,360

foreign

2615

02:01:34,129 --> 02:01:11,080

[Music]

2616

02:01:34,139 --> 02:01:56,410

thank you

2617

02:02:05,750 --> 02:02:03,109

[Music]

2618

02:02:33,410 --> 02:02:05,760

foreign

2619

02:02:38,629 --> 02:02:35,750

so there we go folks

2620

02:02:40,189 --> 02:02:38,639

uh anybody is free to call in you can

2621

02:02:41,750 --> 02:02:40,199

talk about this subject that we have

2622

02:02:43,189 --> 02:02:41,760

tonight or any other subject if you want

2623

02:02:45,050 --> 02:02:43,199

to talk about your paranormal experience

2624

02:02:47,390 --> 02:02:45,060

I'm kind of running out of steam here

2625

02:02:49,490 --> 02:02:47,400

but I'm willing to stay if somebody

2626

02:02:58,550 --> 02:02:49,500

wants to call in I've got the line here

2627

02:03:03,290 --> 02:03:02,270

yeah Lee I I am here's Lee here's what

2628

02:03:06,109 --> 02:03:03,300

happened

2629

02:03:09,470 --> 02:03:06,119

I am a big supporter of free software so

2630

02:03:12,229 --> 02:03:09,480

I don't and I mean free is in Freedom

2631

02:03:14,030 --> 02:03:12,239

not free is in the cost I pay for some

2632

02:03:17,350 --> 02:03:14,040

free software that I like I contribute

2633

02:03:20,209 --> 02:03:17,360

to and a few other things uh

2634

02:03:22,330 --> 02:03:20,219

I don't like pay by the month software I

2635

02:03:25,490 --> 02:03:22,340

think I consider it software slavery

2636

02:03:28,129 --> 02:03:25,500

however in this circumstance I tried

2637

02:03:30,709 --> 02:03:28,139

working with OBS for a couple of months

2638

02:03:32,209 --> 02:03:30,719

and I could get it to half the things

2639

02:03:34,729 --> 02:03:32,219

that I wanted but not all the things

2640

02:03:36,890 --> 02:03:34,739

that I wanted it was very flashy I could

2641

02:03:40,129 --> 02:03:36,900

get it to look great with these overlays

2642

02:03:43,910 --> 02:03:40,139

and these animated graphics but I

2643

02:03:46,070 --> 02:03:43,920

couldn't figure out uh getting the live

2644

02:03:47,750 --> 02:03:46,080

chat up on the screen and I couldn't

2645

02:03:50,570 --> 02:03:47,760

figure out many things and I went down

2646

02:03:52,790 --> 02:03:50,580

all these rabbit holes

2647

02:03:54,470 --> 02:03:52,800

good stream Jasmine emmerick says good

2648

02:03:56,270 --> 02:03:54,480

stream Steve Community needs someone who

2649

02:03:57,950 --> 02:03:56,280

explores different Avenues people can

2650

02:04:01,430 --> 02:03:57,960

make up their own minds of course I

2651
02:04:06,290 --> 02:04:04,550
things sometimes yeah right

2652
02:04:07,550 --> 02:04:06,300
I want to try to be a little less

2653
02:04:09,709 --> 02:04:07,560
skeptical

2654
02:04:11,209 --> 02:04:09,719
and I knew like somebody like solar

2655
02:04:14,089 --> 02:04:11,219
Marshall will leave it to him he's like

2656
02:04:16,669 --> 02:04:14,099
what happened why are you being nice to

2657
02:04:18,169 --> 02:04:16,679
these nuts right like I we haven't

2658
02:04:19,910 --> 02:04:18,179
determined that she's oh that's another

2659
02:04:22,570 --> 02:04:19,920
thing I wanted to mention I didn't get

2660
02:04:26,209 --> 02:04:22,580
the kooky Vibe she just two

2661
02:04:28,910 --> 02:04:26,219
Lucid present and well spoken to be

2662
02:04:30,350 --> 02:04:28,920
considered just a loon because honestly

2663
02:04:31,609 --> 02:04:30,360

most of the time when I encounter

2664

02:04:33,649 --> 02:04:31,619

somebody that tells me they talk to

2665

02:04:36,350 --> 02:04:33,659

angels or aliens that they have some

2666

02:04:38,330 --> 02:04:36,360

kind of mental issue so I was paying

2667

02:04:42,109 --> 02:04:38,340

attention to see if I could figure out

2668

02:04:44,209 --> 02:04:42,119

that she's got signs of you know

2669

02:04:47,510 --> 02:04:44,219

some kind of mental illness that may be

2670

02:04:48,950 --> 02:04:47,520

causing her belief in her what is

2671

02:04:50,629 --> 02:04:48,960

essentially superpowers I mean

2672

02:04:52,669 --> 02:04:50,639

essentially we've got a girl here who

2673

02:04:55,310 --> 02:04:52,679

claims that she's making a lot of claims

2674

02:04:57,229 --> 02:04:55,320

but that she's got super powers

2675

02:04:59,450 --> 02:04:57,239

maybe one of them

2676

02:05:01,609 --> 02:04:59,460

uh you know

2677

02:05:03,109 --> 02:05:01,619

these are not small claims an

2678

02:05:05,089 --> 02:05:03,119

extraordinary claims require

2679

02:05:07,070 --> 02:05:05,099

extraordinary proof

2680

02:05:09,770 --> 02:05:07,080

honestly like I said I said it several

2681

02:05:13,970 --> 02:05:09,780

times I was floored especially with my

2682

02:05:16,970 --> 02:05:13,980

background in mentalism and Conjuring or

2683

02:05:19,850 --> 02:05:16,980

the art of magic magic tricks that she

2684

02:05:25,850 --> 02:05:19,860

was able to get a physical response out

2685

02:05:31,010 --> 02:05:28,729

oh Brandon young you called I did not

2686

02:05:33,050 --> 02:05:31,020

get your call Brandon if you want to try

2687

02:05:35,270 --> 02:05:33,060

again real fast I don't know Brandon

2688

02:05:36,770 --> 02:05:35,280

every time you say you're gonna call and

2689

02:05:39,109 --> 02:05:36,780

I didn't get the call

2690

02:05:40,790 --> 02:05:39,119

I'm in the phone the app's there you

2691

02:05:42,950 --> 02:05:40,800

know like I don't know what happened you

2692

02:05:46,970 --> 02:05:42,960

could try again or what because the

2693

02:05:49,250 --> 02:05:46,980

line's open and you know you Eric called

2694

02:05:50,629 --> 02:05:49,260

in earlier so I know that it's working

2695

02:05:52,209 --> 02:05:50,639

otherwise we're just going to wrap

2696

02:05:54,649 --> 02:05:52,219

things up

2697

02:05:57,470 --> 02:05:54,659

says I talk to angels all the time but

2698

02:06:08,629 --> 02:05:57,480

I'm crazy yeah

2699

02:06:13,609 --> 02:06:11,810

why is this not working

2700

02:06:23,270 --> 02:06:13,619

oh here we go

2701
02:06:28,370 --> 02:06:26,030
oh it dropped the call Brandon try again

2702
02:06:30,109 --> 02:06:28,380
if you want

2703
02:06:32,390 --> 02:06:30,119
sorry about that

2704
02:06:34,729 --> 02:06:32,400
she sounds smooth again like everyone

2705
02:06:36,890 --> 02:06:34,739
else she needs to show proof

2706
02:06:38,330 --> 02:06:36,900
yeah that's what I'm looking for from

2707
02:06:43,669 --> 02:06:38,340
her

2708
02:06:45,950 --> 02:06:43,679
well uh Daniel if you watch the earlier

2709
02:06:47,629 --> 02:06:45,960
part of the show I explained that she

2710
02:06:48,950 --> 02:06:47,639
told me that she was going to do certain

2711
02:06:51,229 --> 02:06:48,960
things

2712
02:06:52,850 --> 02:06:51,239
and that I would feel physical effects

2713
02:06:56,450 --> 02:06:52,860

of it like she would speed up my heart

2714

02:07:00,290 --> 02:06:56,460

and then ah honestly she did I'm telling

2715

02:07:05,689 --> 02:07:00,300

you she I felt my heart speed up

2716

02:07:09,530 --> 02:07:06,830

hello

2717

02:07:11,629 --> 02:07:09,540

press one oh there we go

2718

02:07:13,370 --> 02:07:11,639

hello this is Stephen and you're calling

2719

02:07:16,460 --> 02:07:13,380

truth Seekers who are you and where are

2720

02:07:22,790 --> 02:07:19,430

[Music]

2721

02:07:30,890 --> 02:07:22,800

St Petersburg Florida great is it Dean

2722

02:07:42,770 --> 02:07:32,870

I said okay and what did you did you

2723

02:07:47,930 --> 02:07:45,470

you know or listening to you uh for

2724

02:07:50,209 --> 02:07:47,940

about maybe three or four months now but

2725

02:07:51,830 --> 02:07:50,219

uh I don't know I guess I really

2726

02:07:54,890 --> 02:07:51,840

resonate well with what you're putting

2727

02:07:56,810 --> 02:07:54,900

out so I I've really enjoyed some of

2728

02:08:00,850 --> 02:07:56,820

your content I'm excited for you having

2729

02:08:09,169 --> 02:08:03,589

I follow you on Twitter as well okay

2730

02:08:12,589 --> 02:08:11,390

I want to hear it yeah absolutely that's

2731

02:08:14,689 --> 02:08:12,599

what we're here for that's what the

2732

02:08:16,430 --> 02:08:14,699

calling line is for for uh everybody to

2733

02:08:18,649 --> 02:08:16,440

be a little more interactive and we want

2734

02:08:21,169 --> 02:08:18,659

our audience to participate so by all

2735

02:08:23,330 --> 02:08:21,179

means let's hear it

2736

02:08:27,370 --> 02:08:23,340

all right let's see here how do I start

2737

02:08:31,910 --> 02:08:27,380

okay this is probably back around

2738

02:08:34,129 --> 02:08:31,920

2001 2002 in that time frame

2739

02:08:35,570 --> 02:08:34,139

maybe a little maybe I don't know what

2740

02:08:38,330 --> 02:08:35,580

I'm thinking about probably a couple

2741

02:08:39,290 --> 02:08:38,340

years after that around 2004 2005. let's

2742

02:08:42,470 --> 02:08:39,300

do that

2743

02:08:46,430 --> 02:08:42,480

and uh okay I worked for a railroad and

2744

02:08:48,169 --> 02:08:46,440

at the time I lived in Cincinnati Ohio

2745

02:08:51,290 --> 02:08:48,179

and uh

2746

02:08:53,870 --> 02:08:51,300

we had a yard a train yard that was in

2747

02:08:56,510 --> 02:08:53,880

Northern Kentucky just south of

2748

02:08:59,810 --> 02:08:56,520

the Queen's Gate yard in Cincinnati

2749

02:09:02,990 --> 02:08:59,820

and it was we called it the Coursey and

2750

02:09:05,810 --> 02:09:03,000

it was uh and not not far up the hill

2751
02:09:07,189 --> 02:09:05,820
from there was an establishment a bar

2752
02:09:09,050 --> 02:09:07,199
you may or may not have heard of it

2753
02:09:10,609 --> 02:09:09,060
before called Bobby mackeys are you

2754
02:09:20,930 --> 02:09:10,619
familiar with that place

2755
02:09:27,410 --> 02:09:23,990
of uh paranormal occurrences

2756
02:09:30,229 --> 02:09:27,420
and I was I I had heard about it growing

2757
02:09:32,870 --> 02:09:30,239
up in the area I mean I knew some of the

2758
02:09:34,850 --> 02:09:32,880
lore around it but I I was still rather

2759
02:09:37,129 --> 02:09:34,860
young at the time I was in my early 20s

2760
02:09:38,870 --> 02:09:37,139
so I really hadn't you know gotten

2761
02:09:41,209 --> 02:09:38,880
around especially that first off of

2762
02:09:44,209 --> 02:09:41,219
Cincinnati so I've never actually been

2763
02:09:46,490 --> 02:09:44,219

there experienced anything you know but

2764

02:09:48,950 --> 02:09:46,500

nonetheless I got I got put on a train

2765

02:09:51,589 --> 02:09:48,960

job where I was they were doing

2766

02:09:54,229 --> 02:09:51,599

construction on the on the train line

2767

02:09:55,490 --> 02:09:54,239

and my job was basically just to sit

2768

02:09:56,209 --> 02:09:55,500

there

2769

02:10:00,169 --> 02:09:56,219

um

2770

02:10:01,970 --> 02:10:00,179

in my car with a radio and uh monitor

2771

02:10:04,550 --> 02:10:01,980

the construction Crews and occasionally

2772

02:10:06,890 --> 02:10:04,560

they would uh they would uh move out of

2773

02:10:09,050 --> 02:10:06,900

the way to let a train pass So

2774

02:10:11,450 --> 02:10:09,060

eventually you know me entered my way

2775

02:10:13,490 --> 02:10:11,460

out of the car and started uh

2776

02:10:15,109 --> 02:10:13,500

um walked over to you know visit with

2777

02:10:16,910 --> 02:10:15,119

the construction crew and see what was

2778

02:10:19,729 --> 02:10:16,920

going on and you know just talk to the

2779

02:10:21,350 --> 02:10:19,739

guys or whatever and uh

2780

02:10:23,870 --> 02:10:21,360

as I uh

2781

02:10:25,310 --> 02:10:23,880

I started hanging out over there because

2782

02:10:27,109 --> 02:10:25,320

they were they were working underground

2783

02:10:29,209 --> 02:10:27,119

they the guys were going down to the

2784

02:10:30,649 --> 02:10:29,219

hole under the under the ground I guess

2785

02:10:32,930 --> 02:10:30,659

they were working on pipes or something

2786

02:10:34,189 --> 02:10:32,940

under underground some type of

2787

02:10:35,570 --> 02:10:34,199

underground thing they were doing I

2788

02:10:38,870 --> 02:10:35,580

don't even really know what the job was

2789

02:10:41,330 --> 02:10:38,880

but the construction job but

2790

02:10:43,310 --> 02:10:41,340

every so often I would get a call and I

2791

02:10:45,229 --> 02:10:43,320

would say they would have to move out of

2792

02:10:47,589 --> 02:10:45,239

the way another train crawl pass and

2793

02:10:50,149 --> 02:10:47,599

whatnot so I got to talking to the guy

2794

02:10:52,189 --> 02:10:50,159

and uh they started to tell me the

2795

02:10:55,790 --> 02:10:52,199

history of the Bobby Mackey's

2796

02:10:58,310 --> 02:10:55,800

establishment and that it uh was uh well

2797

02:11:00,770 --> 02:10:58,320

known for being haunted and apparently

2798

02:11:03,890 --> 02:11:00,780

back in the two legging days it had an

2799

02:11:07,310 --> 02:11:03,900

underground tunnel that went from the

2800

02:11:08,930 --> 02:11:07,320

the bar slash Hotel

2801

02:11:11,390 --> 02:11:08,940

um to a

2802

02:11:14,570 --> 02:11:11,400

uh um there's a river there right next

2803

02:11:16,490 --> 02:11:14,580

to where we were and uh they they would

2804

02:11:18,890 --> 02:11:16,500

literally go hide out on a boat whenever

2805

02:11:20,149 --> 02:11:18,900

like uh the police would show up

2806

02:11:21,830 --> 02:11:20,159

um so that I guess you know they

2807

02:11:23,510 --> 02:11:21,840

wouldn't get caught with their um

2808

02:11:25,970 --> 02:11:23,520

bootlegging or whatever up you know

2809

02:11:27,470 --> 02:11:25,980

they're you know their illegal

2810

02:11:30,169 --> 02:11:27,480

activities let's just put it that way

2811

02:11:32,450 --> 02:11:30,179

and uh

2812

02:11:34,010 --> 02:11:32,460

um he's interested to tell me about um

2813

02:11:35,930 --> 02:11:34,020

all the different people that had died

2814

02:11:38,510 --> 02:11:35,940

in there and that the foreman on the job

2815

02:11:41,689 --> 02:11:38,520

was really making light of it like he

2816

02:11:44,149 --> 02:11:41,699

was uh how do I explain it like he was

2817

02:11:45,890 --> 02:11:44,159

making fun of the

2818

02:11:48,410 --> 02:11:45,900

um establishment like it wasn't real

2819

02:11:50,169 --> 02:11:48,420

like like just you know it's just a big

2820

02:11:55,250 --> 02:11:50,179

it's just a bunch of them

2821

02:11:57,109 --> 02:11:55,260

and he he was really like just uh oh he

2822

02:11:59,510 --> 02:11:57,119

just didn't have like any like respect

2823

02:12:01,430 --> 02:11:59,520

for the Nostalgia of the place and it

2824

02:12:03,290 --> 02:12:01,440

really came off as being pompous and

2825

02:12:04,910 --> 02:12:03,300

arrogant even to me he didn't really

2826

02:12:06,290 --> 02:12:04,920

have a dog in the fight a little way or

2827

02:12:07,609 --> 02:12:06,300

the other I just thought he had a

2828

02:12:10,729 --> 02:12:07,619

certain

2829

02:12:12,770 --> 02:12:10,739

um I don't know it was just like a it

2830

02:12:14,450 --> 02:12:12,780

was like you didn't like he he was he

2831

02:12:16,490 --> 02:12:14,460

was just had a real arrogance about him

2832

02:12:18,890 --> 02:12:16,500

okay for lack of a better way of

2833

02:12:21,410 --> 02:12:18,900

describing it but the stories he was

2834

02:12:23,870 --> 02:12:21,420

telling and the whole fearing of the

2835

02:12:25,430 --> 02:12:23,880

energy that I was feeling like from the

2836

02:12:26,930 --> 02:12:25,440

guys coming up out of there you could

2837

02:12:30,649 --> 02:12:26,940

tell that they were really scared and

2838

02:12:33,410 --> 02:12:30,659

nervous about being on this job and that

2839

02:12:35,229 --> 02:12:33,420

they thought that he was being kind of

2840

02:12:38,149 --> 02:12:35,239

uh uh uh

2841

02:12:41,990 --> 02:12:38,159

an okay so

2842

02:12:43,729 --> 02:12:42,000

um I I I got the job a second day and I

2843

02:12:46,550 --> 02:12:43,739

came back and that same guy was there

2844

02:12:48,709 --> 02:12:46,560

and uh I just kind of tried to avoid him

2845

02:12:50,390 --> 02:12:48,719

again and the guys were coming up

2846

02:12:51,530 --> 02:12:50,400

wanting to come up more and more often

2847

02:12:53,810 --> 02:12:51,540

because they were kind of getting

2848

02:12:55,490 --> 02:12:53,820

freaked out down under there I guess if

2849

02:12:57,410 --> 02:12:55,500

you actually had to go down in that

2850

02:13:00,109 --> 02:12:57,420

tunnel it was kind of a creepy place for

2851
02:13:02,810 --> 02:13:00,119
me and he was being um he was telling

2852
02:13:03,410 --> 02:13:02,820
him how stupid they were for

2853
02:13:05,569 --> 02:13:03,420
um

2854
02:13:08,209 --> 02:13:05,579
being so nervous about being down there

2855
02:13:10,910 --> 02:13:08,219
there's nothing to it it's all it's all

2856
02:13:14,089 --> 02:13:10,920
fake mumbo jumbo blah blah blah and then

2857
02:13:16,609 --> 02:13:14,099
I got um I got to find that job the

2858
02:13:19,010 --> 02:13:16,619
third day in a row and I showed up early

2859
02:13:20,450 --> 02:13:19,020
I um I actually stopped and got a

2860
02:13:22,250 --> 02:13:20,460
breakfast sandwich or something like

2861
02:13:24,770 --> 02:13:22,260
that and I was sitting there waiting on

2862
02:13:27,229 --> 02:13:24,780
everybody to pull up and I noticed that

2863
02:13:29,629 --> 02:13:27,239

the um the foreman wasn't there when it

2864

02:13:32,209 --> 02:13:29,639

got close to I don't know about 9 30 10

2865

02:13:34,729 --> 02:13:32,219

o'clock and I I asked one of the other

2866

02:13:37,490 --> 02:13:34,739

guys working on the job I said what

2867

02:13:39,770 --> 02:13:37,500

happened to the performance and he's

2868

02:13:41,689 --> 02:13:39,780

like oh you didn't hear I'm like no uh

2869

02:13:43,790 --> 02:13:41,699

what are you guys talking about you know

2870

02:13:46,069 --> 02:13:43,800

I mean they were all being real hush

2871

02:13:48,530 --> 02:13:46,079

about it if only one of them put me to

2872

02:13:50,990 --> 02:13:48,540

the side that said after his book

2873

02:13:53,089 --> 02:13:51,000

yesterday when he was when he left the

2874

02:13:57,290 --> 02:13:53,099

kid on back on the expressway and go

2875

02:13:59,629 --> 02:13:57,300

home he accidentally went on the exit

2876

02:14:01,310 --> 02:13:59,639

ramp on the expressway when it was

2877

02:14:02,930 --> 02:14:01,320

actually the

2878

02:14:04,729 --> 02:14:02,940

um exit ramp and he had a head-on

2879

02:14:05,950 --> 02:14:04,739

collision like a mile and a half down

2880

02:14:08,629 --> 02:14:05,960

the road

2881

02:14:11,450 --> 02:14:08,639

and things to say I was really freaked

2882

02:14:13,910 --> 02:14:11,460

out by that and ever since then I I've

2883

02:14:16,250 --> 02:14:13,920

uh and the energy that I just felt at

2884

02:14:18,229 --> 02:14:16,260

the the whole time I was there I knew

2885

02:14:20,209 --> 02:14:18,239

there was something really going on and

2886

02:14:21,709 --> 02:14:20,219

I never I was really a big skeptic

2887

02:14:23,930 --> 02:14:21,719

myself but

2888

02:14:26,149 --> 02:14:23,940

and to like calm things and things of

2889

02:14:28,729 --> 02:14:26,159

that nature and that that right there

2890

02:14:30,890 --> 02:14:28,739

ever since I experienced that and I know

2891

02:14:33,350 --> 02:14:30,900

that that happened to him and credit it

2892

02:14:36,169 --> 02:14:33,360

could have just been a coincidence but I

2893

02:14:38,270 --> 02:14:36,179

really do like that uh he upset some of

2894

02:14:39,830 --> 02:14:38,280

the spirits and uh they had it out for

2895

02:14:40,850 --> 02:14:39,840

him that's what I really believe oh my

2896

02:14:43,310 --> 02:14:40,860

God

2897

02:14:44,870 --> 02:14:43,320

wow yeah we're getting comments like

2898

02:14:47,209 --> 02:14:44,880

rimsy says

2899

02:14:48,890 --> 02:14:47,219

keep away from Bobby Mackey's it is a

2900

02:14:50,810 --> 02:14:48,900

country music nightclub is awful place

2901

02:14:52,970 --> 02:14:50,820

people die there they see ghosts they

2902

02:15:02,649 --> 02:14:52,980

get possessed by demons something bad is

2903

02:15:07,609 --> 02:15:05,510

okay I'm sorry somebody in the chat said

2904

02:15:19,069 --> 02:15:07,619

that there are demons there it's an

2905

02:15:23,030 --> 02:15:20,750

yeah paranormal researchers that went

2906

02:15:24,530 --> 02:15:23,040

there to research it well thanks for

2907

02:15:30,950 --> 02:15:24,540

letting me know yeah I'm gonna check I'm

2908

02:15:35,510 --> 02:15:33,709

I never took that job the rest of the

2909

02:15:37,310 --> 02:15:35,520

time that I worked there I mean it was

2910

02:15:39,109 --> 02:15:37,320

only probably going on for another seven

2911

02:15:41,270 --> 02:15:39,119

to ten days but I did not want to go

2912

02:15:42,950 --> 02:15:41,280

back wow well thanks for letting me know

2913

02:15:45,169 --> 02:15:42,960

about it I appreciate it we're gonna

2914

02:15:47,629 --> 02:15:45,179

wrap things up now I appreciate your

2915

02:15:49,430 --> 02:15:47,639

call and maybe I could do some research

2916

02:15:51,649 --> 02:15:49,440

into that place it sounds like my kind

2917

02:15:54,109 --> 02:15:51,659

of place to look into

2918

02:15:56,689 --> 02:15:54,119

yeah as far as I know it's still open so

2919

02:15:58,310 --> 02:15:56,699

yeah well yeah no problem thank you

2920

02:16:01,729 --> 02:15:58,320

bye-bye all right bye-bye you have a

2921

02:16:07,189 --> 02:16:03,950

okay folks

2922

02:16:08,810 --> 02:16:07,199

let me turn that off there

2923

02:16:11,450 --> 02:16:08,820

and

2924

02:16:14,030 --> 02:16:11,460

oh we have uh there's a book about Bobby

2925

02:16:17,390 --> 02:16:14,040

mackeys called Hell's Gate I will look

2926

02:16:20,089 --> 02:16:17,400

into that in the cabin too yes Casey

2927

02:16:23,149 --> 02:16:20,099

welcome this is the first broadcast of

2928

02:16:24,950 --> 02:16:23,159

my show from the cabin and I can't tell

2929

02:16:26,810 --> 02:16:24,960

you how happy I am that I think most

2930

02:16:30,350 --> 02:16:26,820

everything worked and that's a miracle

2931

02:16:32,150 --> 02:16:30,360

because I got here late and I and then I

2932

02:16:34,730 --> 02:16:32,160

suddenly realized that I had like a I

2933

02:16:36,410 --> 02:16:34,740

had like 40 minutes to like unload the

2934

02:16:38,629 --> 02:16:36,420

car and put you know I got to put

2935

02:16:40,669 --> 02:16:38,639

everything away and like I didn't have

2936

02:16:43,129 --> 02:16:40,679

any of this set up so there's like wires

2937

02:16:45,709 --> 02:16:43,139

and cables and laptops laying around and

2938

02:16:48,049 --> 02:16:45,719

uh hopefully I'll get a more permanent

2939

02:16:49,669 --> 02:16:48,059

setup for what I'm doing shows here but

2940

02:16:51,469 --> 02:16:49,679

the fact that it worked as a minor

2941

02:16:52,969 --> 02:16:51,479

miracle because I'm in the middle of

2942

02:16:55,490 --> 02:16:52,979

nowhere in the woods in Pennsylvania

2943

02:16:59,570 --> 02:16:55,500

here and I want to thank each and every

2944

02:17:06,410 --> 02:17:02,509

let me get my uh

2945

02:17:10,490 --> 02:17:07,910

oh

2946

02:17:12,950 --> 02:17:10,500

back to the comments

2947

02:17:14,870 --> 02:17:12,960

so I want to thank each and every one of

2948

02:17:16,610 --> 02:17:14,880

you guys for joining me especially for

2949

02:17:19,009 --> 02:17:16,620

this this is like a special show for me

2950

02:17:23,209 --> 02:17:19,019

because I've been trying to build this

2951
02:17:25,250 --> 02:17:23,219
you know build this cabin uh and I was

2952
02:17:27,650 --> 02:17:25,260
hoping that we could get internet and I

2953
02:17:30,589 --> 02:17:27,660
could you know do more things here

2954
02:17:32,870 --> 02:17:30,599
because lately I've been here three four

2955
02:17:34,730 --> 02:17:32,880
days a week and that kills the rest of

2956
02:17:38,810 --> 02:17:34,740
my week for doing streams and things

2957
02:17:41,270 --> 02:17:38,820
like that if we don't get you know if we

2958
02:17:46,250 --> 02:17:44,629
if we if I don't if I can't stream here

2959
02:17:48,889 --> 02:17:46,260
I'm not going to be able to produce much

2960
02:17:51,049 --> 02:17:48,899
because at home you know there's a lot

2961
02:17:53,330 --> 02:17:51,059
of other stuff going on but here

2962
02:17:56,330 --> 02:17:53,340
I can really focus a lot better so I'm

2963
02:17:57,950 --> 02:17:56,340

really looking forward to that

2964

02:18:01,790 --> 02:17:57,960

so

2965

02:18:02,990 --> 02:18:01,800

coming up on our show we have uh Rachel

2966

02:18:05,450 --> 02:18:03,000

Hoffman

2967

02:18:07,730 --> 02:18:05,460

from Paranormal Expeditions we're gonna

2968

02:18:10,009 --> 02:18:07,740

have our interview and continue we're

2969

02:18:13,610 --> 02:18:10,019

gonna do a part two here on the Strange

2970

02:18:15,290 --> 02:18:13,620

Case of Sarah Adams I want to thank each

2971

02:18:16,610 --> 02:18:15,300

and every one of you for joining me

2972

02:18:19,429 --> 02:18:16,620

tonight

2973

02:18:22,070 --> 02:18:19,439

until next time folks my name is Stephen

2974

02:18:23,629 --> 02:18:22,080

Camby and reminding you that sometimes

2975

02:18:29,990 --> 02:18:23,639

the proof

2976

02:18:34,140 --> 02:18:30,000

but it's still worth looking for good

2977

02:18:34,150 --> 02:18:57,469

[Music]

2978

02:18:57,479 --> 02:19:00,490

thank you

2979

02:19:52,430 --> 02:19:25,119

[Music]

2980

02:20:01,540 --> 02:19:52,440

foreign

2981

02:20:04,340 --> 02:20:01,550

[Music]
