

Wednesday, June 28th, 2023 9PM EST - 1AM EST SPECIAL BROADCAST!

TWO CONSPIRACY WORLDS COLLIDE!

**UFOS, THE DEEP STATE, GOVERNMENT COVERUPS,
DISCLOSURE NARRATIVES IN THE MEDIA AND MORE.**

1
00:00:50,580 --> 00:00:12,060
foreign

2
00:00:50,590 --> 00:01:00,170
[Music]

3
00:01:00,180 --> 00:01:05,540
thank you

4
00:01:17,570 --> 00:01:11,300
[Music]

5
00:01:34,740 --> 00:01:19,540
foreign

6
00:02:11,770 --> 00:01:59,100
[Music]

7
00:02:17,570 --> 00:02:14,510
tations friends and welcome back tonight

8
00:02:20,449 --> 00:02:17,580
is a very special night here at

9
00:02:23,990 --> 00:02:20,459
trueseekers because this is sort of last

10
00:02:27,050 --> 00:02:24,000
minute but the producer of Clive Lewis

11
00:02:30,350 --> 00:02:27,060
Ground Zero contacted me last night and

12
00:02:31,610 --> 00:02:30,360
asked me to come and do a guest spot for

13
00:02:35,150 --> 00:02:31,620

a few hours

14

00:02:36,710 --> 00:02:35,160

and uh I really wanted to do that of

15

00:02:40,070 --> 00:02:36,720

course

16

00:02:44,449 --> 00:02:40,080

um but I have to fulfill my commitment

17

00:02:46,970 --> 00:02:44,459

here and do a show for us uh here on my

18

00:02:49,790 --> 00:02:46,980

channel so what we've worked out is a

19

00:02:52,430 --> 00:02:49,800

very special Arrangement and tonight two

20

00:02:56,570 --> 00:02:52,440

conspiracy worlds uh will collide

21

00:02:59,089 --> 00:02:56,580

because uh this is a joint broadcast of

22

00:03:02,930 --> 00:02:59,099

Truth Seekers with me your host Stephen

23

00:03:06,710 --> 00:03:02,940

cambian and later uh we will have a

24

00:03:10,670 --> 00:03:06,720

broadcast of Clyde Lewis uh Ground Zero

25

00:03:15,350 --> 00:03:10,680

and I will be a guest there now uh Mr

26

00:03:18,170 --> 00:03:15,360

Lewis is uh does a lot of really

27

00:03:20,809 --> 00:03:18,180

interesting and amazing monologues and I

28

00:03:23,630 --> 00:03:20,819

got a preview of his tonight and was

29

00:03:26,089 --> 00:03:23,640

inspired to do my own so the way this is

30

00:03:28,250 --> 00:03:26,099

going to work is a little strange but I

31

00:03:31,610 --> 00:03:28,260

think everything should work out we'll

32

00:03:34,970 --> 00:03:31,620

be here for an hour uh and then we're

33

00:03:38,449 --> 00:03:34,980

gonna switch over to Clyde Lewis Ground

34

00:03:41,630 --> 00:03:38,459

Zero feed where he will be doing a

35

00:03:43,610 --> 00:03:41,640

monologue for an hour and then I will

36

00:03:45,589 --> 00:03:43,620

join him and we're gonna have a

37

00:03:47,809 --> 00:03:45,599

conversation about all of these things

38

00:03:50,270 --> 00:03:47,819

that have been going on about UFOs the

39

00:03:52,670 --> 00:03:50,280

Deep state government cover-ups the

40

00:03:53,390 --> 00:03:52,680

disclosure narratives in the media and

41

00:03:57,470 --> 00:03:53,400

more

42

00:04:00,490 --> 00:03:57,480

uh he has titled his broadcast uh kind

43

00:04:06,770 --> 00:04:00,500

of funny uh I have it on my Twitter here

44

00:04:09,830 --> 00:04:06,780

uh UFO psyop but with s-i-g-h is this

45

00:04:12,350 --> 00:04:09,840

all a humdrum is this worth the hype and

46

00:04:13,850 --> 00:04:12,360

the attention that it is apparently

47

00:04:16,310 --> 00:04:13,860

getting

48

00:04:18,590 --> 00:04:16,320

um time will tell but tonight we're

49

00:04:21,770 --> 00:04:18,600

going to break it all down for you and I

50

00:04:24,830 --> 00:04:21,780

think this is a great uh situation

51
00:04:27,110 --> 00:04:24,840
because uh Mr Lewis has an interesting

52
00:04:30,110 --> 00:04:27,120
show covering many of the same topics as

53
00:04:32,990 --> 00:04:30,120
we do but vastly different audience he's

54
00:04:35,090 --> 00:04:33,000
also on terrestrial radio so I'm not

55
00:04:37,730 --> 00:04:35,100
sure if it's the first time it might be

56
00:04:40,749 --> 00:04:37,740
the first time tonight that I will be on

57
00:04:43,790 --> 00:04:40,759
uh terrestrial radio in quite some time

58
00:04:46,330 --> 00:04:43,800
uh and I'm very excited about that some

59
00:04:49,790 --> 00:04:46,340
of you know that I grew up listening to

60
00:04:51,890 --> 00:04:49,800
talk radio that's one of the huge things

61
00:04:54,770 --> 00:04:51,900
that inspired me to be a show host

62
00:04:57,350 --> 00:04:54,780
myself and made me want to get into this

63
00:05:01,430 --> 00:04:57,360

years and years of listening to talk

64

00:05:04,490 --> 00:05:01,440

radio shows and uh Ground Zero is on a

65

00:05:08,270 --> 00:05:04,500

bunch of terrestrial radio stations uh

66

00:05:09,409 --> 00:05:08,280

Portland and other markets uh that I'm

67

00:05:11,270 --> 00:05:09,419

aware of

68

00:05:13,189 --> 00:05:11,280

when I've listened I've listened on the

69

00:05:15,290 --> 00:05:13,199

internet feed so I'm not quite sure that

70

00:05:17,150 --> 00:05:15,300

and we can try to clarify

71

00:05:20,030 --> 00:05:17,160

but uh

72

00:05:22,550 --> 00:05:20,040

oh one second I wanted to uh I wanted to

73

00:05:25,029 --> 00:05:22,560

share his as well

74

00:05:28,430 --> 00:05:25,039

let's

75

00:05:32,749 --> 00:05:28,440

yeah so he's titled his broadcast

76

00:05:35,990 --> 00:05:32,759

tonight UFO a psyop and uh we will be

77

00:05:42,350 --> 00:05:36,000

discussing all of these things uh this

78

00:05:45,129 --> 00:05:42,360

evening uh so let us begin uh

79

00:05:48,830 --> 00:05:45,139

I have uh some

80

00:05:50,930 --> 00:05:48,840

notes that I have prepared

81

00:05:53,090 --> 00:05:50,940

uh and in the spirit of cooperation

82

00:05:55,129 --> 00:05:53,100

since Mr Lewis is doing about an hour

83

00:05:58,969 --> 00:05:55,139

monologue I'm going to try to keep my

84

00:06:00,890 --> 00:05:58,979

comments uh to an hour as well but

85

00:06:04,129 --> 00:06:00,900

before we begin we want to welcome all

86

00:06:06,110 --> 00:06:04,139

members of the live chat uh no matter

87

00:06:08,210 --> 00:06:06,120

where you're live chatting in the twitch

88

00:06:10,670 --> 00:06:08,220

chat in the rumble chat on the Facebook

89

00:06:13,969 --> 00:06:10,680

live feed or the Twitter feed and of

90

00:06:16,790 --> 00:06:13,979

course YouTube our home base here I see

91

00:06:19,129 --> 00:06:16,800

the live chat is filling up nicely this

92

00:06:21,050 --> 00:06:19,139

is going to be a fun evening thank you

93

00:06:23,230 --> 00:06:21,060

all for being here for this special

94

00:06:26,689 --> 00:06:23,240

broadcast

95

00:06:29,809 --> 00:06:26,699

combination team up between us here at

96

00:06:31,670 --> 00:06:29,819

truth Seekers and Clyde Lewis over at

97

00:06:36,529 --> 00:06:31,680

Ground Zero

98

00:06:39,409 --> 00:06:36,539

so we begin tonight's broadcast to talk

99

00:06:43,909 --> 00:06:39,419

about some of the history

100

00:06:46,249 --> 00:06:43,919

that has led us here the the huge story

101
00:06:49,070 --> 00:06:46,259
some call it huge some call it nothing

102
00:06:51,890 --> 00:06:49,080
Burger story of a recent UFO

103
00:06:54,830 --> 00:06:51,900
whistleblower whose name is David grush

104
00:06:56,390 --> 00:06:54,840
coming forward and making claims that

105
00:07:00,710 --> 00:06:56,400
the United States government is in

106
00:07:02,749 --> 00:07:00,720
possession of intact craft call them

107
00:07:07,430 --> 00:07:02,759
spacecraft if you will

108
00:07:11,330 --> 00:07:07,440
uh recovered technology even perhaps

109
00:07:13,670 --> 00:07:11,340
recovered non-human bodies

110
00:07:15,950 --> 00:07:13,680
but how did we get here

111
00:07:19,370 --> 00:07:15,960
and I think that is very important

112
00:07:22,930 --> 00:07:19,380
history is an incredible teacher uh so

113
00:07:25,969 --> 00:07:22,940

it's important that we

114

00:07:28,249 --> 00:07:25,979

examine others that have made similar

115

00:07:30,650 --> 00:07:28,259

claims

116

00:07:33,589 --> 00:07:30,660

so the prevailing narrative about UFOs

117

00:07:36,890 --> 00:07:33,599

amongst many interested in this strange

118

00:07:39,110 --> 00:07:36,900

and esoteric topic has been that there

119

00:07:40,370 --> 00:07:39,120

have been aliens visiting Earth for

120

00:07:43,730 --> 00:07:40,380

quite some time

121

00:07:45,890 --> 00:07:43,740

those aliens are visiting Earth with

122

00:07:49,129 --> 00:07:45,900

literally out of this world technology

123

00:07:49,969 --> 00:07:49,139

that we can barely even understand or

124

00:07:52,370 --> 00:07:49,979

imagine

125

00:07:55,309 --> 00:07:52,380

truly mind-bending stuff

126
00:07:58,309 --> 00:07:55,319
after all how do they get here from such

127
00:08:01,430 --> 00:07:58,319
vast distances of space

128
00:08:03,890 --> 00:08:01,440
but somehow these Advanced crafts which

129
00:08:06,830 --> 00:08:03,900
are able to get here through

130
00:08:09,589 --> 00:08:06,840
in some cases claimed hundreds of light

131
00:08:12,050 --> 00:08:09,599
years away they can get here to planet

132
00:08:14,570 --> 00:08:12,060
Earth from other star systems light

133
00:08:17,870 --> 00:08:14,580
years away from us but for various

134
00:08:21,110 --> 00:08:17,880
reasons or so The Story Goes they still

135
00:08:22,430 --> 00:08:21,120
somehow crash while traversing Earth's

136
00:08:26,029 --> 00:08:22,440
atmosphere

137
00:08:30,830 --> 00:08:26,039
various reasons or speculation have been

138
00:08:34,670 --> 00:08:30,840

offered as to what actually Downs these

139

00:08:39,649 --> 00:08:37,730

these explanations range from just some

140

00:08:41,930 --> 00:08:39,659

sort of systems failure to powerful

141

00:08:44,810 --> 00:08:41,940

radar or lightning that will interfere

142

00:08:46,730 --> 00:08:44,820

with their power or propulsion systems

143

00:08:49,490 --> 00:08:46,740

there are even stories that the United

144

00:08:52,910 --> 00:08:49,500

States government has at times somehow

145

00:08:57,290 --> 00:08:52,920

manage to intentionally shoot down some

146

00:09:00,050 --> 00:08:57,300

of these alien craft or UFOs

147

00:09:05,329 --> 00:09:00,060

for many years there has been talk of

148

00:09:07,730 --> 00:09:05,339

crashes of alien spacecraft and stories

149

00:09:10,670 --> 00:09:07,740

saying exactly that that alien

150

00:09:11,690 --> 00:09:10,680

spacecraft have crash landed here on

151
00:09:13,190 --> 00:09:11,700
Earth

152
00:09:16,310 --> 00:09:13,200
and while I find these stories

153
00:09:17,389 --> 00:09:16,320
fascinating most of them have one thing

154
00:09:19,790 --> 00:09:17,399
in common

155
00:09:23,210 --> 00:09:19,800
though people purport the stories to be

156
00:09:24,230 --> 00:09:23,220
true they are never quite proven to be

157
00:09:27,009 --> 00:09:24,240
true

158
00:09:30,230 --> 00:09:27,019
multiple stories of these alien craft

159
00:09:31,329 --> 00:09:30,240
somehow crashing or Landing here on

160
00:09:34,490 --> 00:09:31,339
Earth

161
00:09:35,750 --> 00:09:34,500
and included in most of these stories is

162
00:09:38,810 --> 00:09:35,760
the narrative

163
00:09:42,470 --> 00:09:38,820

that there is some shadowy top secret

164

00:09:45,290 --> 00:09:42,480

government or military organization that

165

00:09:47,269 --> 00:09:45,300

will come in recover the craft or the

166

00:09:50,150 --> 00:09:47,279

pieces of The Craft and in some cases

167

00:09:52,910 --> 00:09:50,160

even recover bodies

168

00:09:54,410 --> 00:09:52,920

in even rarer cases there are claims

169

00:09:59,150 --> 00:09:54,420

that the United States government has

170

00:10:01,190 --> 00:09:59,160

recovered live alien creatures

171

00:10:03,470 --> 00:10:01,200

there have been many stories with this

172

00:10:05,990 --> 00:10:03,480

similar narrative

173

00:10:12,230 --> 00:10:06,000

starting in the 1940s continuing into

174

00:10:18,889 --> 00:10:16,070

even some from more present day

175

00:10:21,470 --> 00:10:18,899

in most of these stories we hear about

176

00:10:24,110 --> 00:10:21,480

this shadowy recovery team coming in

177

00:10:27,290 --> 00:10:24,120

cordoning off the area

178

00:10:30,410 --> 00:10:27,300

and then getting to work recovering the

179

00:10:32,509 --> 00:10:30,420

craft most of these stories also include

180

00:10:33,829 --> 00:10:32,519

accounts of witness tampering and

181

00:10:36,050 --> 00:10:33,839

intimidation

182

00:10:38,509 --> 00:10:36,060

in some cases people were apparently

183

00:10:41,449 --> 00:10:38,519

even threatened with murder if they ever

184

00:10:44,030 --> 00:10:41,459

dared to talk publicly about what it is

185

00:10:45,850 --> 00:10:44,040

that they saw

186

00:10:49,130 --> 00:10:45,860

throughout the years

187

00:10:52,389 --> 00:10:49,140

starting in the late 1980s there has

188

00:10:55,269 --> 00:10:52,399

been many so-called UFO whistleblowers

189

00:10:59,090 --> 00:10:55,279

sometimes they had impressive military

190

00:11:01,970 --> 00:10:59,100

educational or intelligence credentials

191

00:11:04,370 --> 00:11:01,980

many or all of these so-called UFO

192

00:11:06,710 --> 00:11:04,380

whistleblowers stepped forward and

193

00:11:10,009 --> 00:11:06,720

confirmed stories we were already told

194

00:11:12,829 --> 00:11:10,019

about UFOs aliens and crash retrievals

195

00:11:14,750 --> 00:11:12,839

for decades

196

00:11:19,730 --> 00:11:14,760

but were these so-called UFO

197

00:11:22,190 --> 00:11:19,740

whistleblowers really confirmed uh

198

00:11:25,310 --> 00:11:22,200

pardon me were these so-called UFO

199

00:11:31,790 --> 00:11:27,590

were they really confirming these

200

00:11:36,050 --> 00:11:33,889

were they telling the truth

201
00:11:39,410 --> 00:11:36,060
were they on the level and most

202
00:11:41,690 --> 00:11:39,420
importantly did they put forth real or

203
00:11:44,090 --> 00:11:41,700
tangible evidence to prove that these

204
00:11:46,130 --> 00:11:44,100
stories being told for decades were

205
00:11:49,009 --> 00:11:46,140
actually true

206
00:11:51,069 --> 00:11:49,019
you can see my previous piece a not so

207
00:11:53,870 --> 00:11:51,079
brief history of UFO whistleblowers

208
00:11:55,610 --> 00:11:53,880
there I laid out a history of many of

209
00:11:58,250 --> 00:11:55,620
these so-called

210
00:12:00,710 --> 00:11:58,260
former UFO whistleblowers

211
00:12:03,290 --> 00:12:00,720
some indeed had impressive military

212
00:12:05,329 --> 00:12:03,300
educational or intelligence backgrounds

213
00:12:07,850 --> 00:12:05,339

and credentials

214

00:12:09,470 --> 00:12:07,860

it's important to also note that some of

215

00:12:12,230 --> 00:12:09,480

those so-called whistleblowers actually

216

00:12:15,350 --> 00:12:12,240

had completely fake educations fake work

217

00:12:17,269 --> 00:12:15,360

histories or fake credentials

218

00:12:18,710 --> 00:12:17,279

fake degrees

219

00:12:21,170 --> 00:12:18,720

some

220

00:12:23,210 --> 00:12:21,180

indeed claimed to work on top secret

221

00:12:26,269 --> 00:12:23,220

government projects but never could

222

00:12:28,790 --> 00:12:26,279

quite prove that they really did

223

00:12:31,550 --> 00:12:28,800

so what about evidence have any of these

224

00:12:34,009 --> 00:12:31,560

previous so-called UFO whistleblowers

225

00:12:36,410 --> 00:12:34,019

actually provided evidence

226

00:12:39,889 --> 00:12:36,420

no friends as outlined in my previous

227

00:12:41,870 --> 00:12:39,899

piece on a brief history of UFO

228

00:12:45,949 --> 00:12:41,880

whistleblowers

229

00:12:47,569 --> 00:12:45,959

uh by the way I will provide a link in

230

00:12:50,210 --> 00:12:47,579

the description later if you'd like to

231

00:12:51,829 --> 00:12:50,220

learn more about UFO whistleblowers to

232

00:12:56,269 --> 00:12:51,839

our previous piece

233

00:12:58,269 --> 00:12:56,279

none of these so-called UFO

234

00:13:01,250 --> 00:12:58,279

whistleblowers throughout all of history

235

00:13:03,769 --> 00:13:01,260

have ever conclusively proven their

236

00:13:06,410 --> 00:13:03,779

claims even those with real and

237

00:13:07,069 --> 00:13:06,420

impressive credentials

238

00:13:09,650 --> 00:13:07,079

um

239

00:13:12,949 --> 00:13:09,660

they seem to have a problem actually

240

00:13:14,930 --> 00:13:12,959

proving that their so-called or their

241

00:13:17,990 --> 00:13:14,940

so-called true stories were actually

242

00:13:22,790 --> 00:13:20,990

a fantastic story of aliens and crash

243

00:13:25,430 --> 00:13:22,800

retrievals and government-backed

244

00:13:26,810 --> 00:13:25,440

Engineering secret programs is what most

245

00:13:28,550 --> 00:13:26,820

of them had

246

00:13:30,350 --> 00:13:28,560

a story

247

00:13:32,750 --> 00:13:30,360

but none of these previous UFO

248

00:13:35,629 --> 00:13:32,760

whistleblowers ever provided the one

249

00:13:38,750 --> 00:13:35,639

thing that most of us who really want to

250

00:13:42,410 --> 00:13:38,760

believe need before we will truly

251
00:13:45,470 --> 00:13:42,420
believe and that is evidence

252
00:13:48,889 --> 00:13:45,480
all of the previous UFO whistleblowers

253
00:13:50,810 --> 00:13:48,899
in history every single one of them all

254
00:13:53,629 --> 00:13:50,820
told Fantastical Tales of

255
00:13:56,329 --> 00:13:53,639
extraterrestrial biological entities and

256
00:13:58,550 --> 00:13:56,339
incredible technology back engineering

257
00:14:01,190 --> 00:13:58,560
of alien technology to create some of

258
00:14:04,670 --> 00:14:01,200
our Earth Technology

259
00:14:07,430 --> 00:14:04,680
they all spoke of Technology recovered

260
00:14:10,069 --> 00:14:07,440
by these secret crash retrieval programs

261
00:14:12,230 --> 00:14:10,079
but none of them not one was ever able

262
00:14:13,129 --> 00:14:12,240
to conclusively prove their claims were

263
00:14:15,170 --> 00:14:13,139

true

264

00:14:18,110 --> 00:14:15,180

none of them had any real or actual

265

00:14:20,269 --> 00:14:18,120

evidence or supporting evidence that

266

00:14:23,389 --> 00:14:20,279

would verify their claims as true

267

00:14:25,430 --> 00:14:23,399

accurate and real Mostly they had

268

00:14:29,090 --> 00:14:25,440

stories

269

00:14:32,449 --> 00:14:29,100

so were they all just telling tall tales

270

00:14:35,290 --> 00:14:32,459

in it for some Fame and Fortune perhaps

271

00:14:37,910 --> 00:14:35,300

it is interesting that every single

272

00:14:41,329 --> 00:14:37,920

so-called UFO whistleblower that I have

273

00:14:45,170 --> 00:14:41,339

seen in history largely had no other

274

00:14:47,090 --> 00:14:45,180

income except UFOs for years

275

00:14:49,790 --> 00:14:47,100

to the people that think that could not

276

00:14:52,310 --> 00:14:49,800

be why someone would make up stories or

277

00:14:54,769 --> 00:14:52,320

that there isn't enough money in UFOs to

278

00:14:57,410 --> 00:14:54,779

make that much money

279

00:14:59,990 --> 00:14:57,420

I need you to think again because there

280

00:15:03,170 --> 00:15:00,000

are people who are making hundreds of

281

00:15:07,129 --> 00:15:03,180

thousands of dollars a year off of

282

00:15:09,949 --> 00:15:07,139

promoting UFOs and alien stories

283

00:15:12,650 --> 00:15:09,959

this is a verifiable fact

284

00:15:15,470 --> 00:15:12,660

I have been asked also to talk about the

285

00:15:16,910 --> 00:15:15,480

technology and the recovered biological

286

00:15:20,329 --> 00:15:16,920

entities

287

00:15:22,910 --> 00:15:20,339

after recovery where is it that they are

288

00:15:26,509 --> 00:15:22,920

taken and many or most of these stories

289

00:15:29,269 --> 00:15:26,519

the tech embodies if any were involved

290

00:15:31,610 --> 00:15:29,279

in the recovery

291

00:15:35,150 --> 00:15:31,620

were taken to Wright-Patterson Air Force

292

00:15:38,030 --> 00:15:35,160

Base the famous Hangar 18. an

293

00:15:40,430 --> 00:15:38,040

interesting note uh Wright-Patterson Air

294

00:15:43,129 --> 00:15:40,440

Force Base didn't have a Hangar 18 but

295

00:15:44,889 --> 00:15:43,139

they did have a building 18 that many

296

00:15:48,769 --> 00:15:44,899

people believe

297

00:15:52,790 --> 00:15:48,779

housed alien technology and even alien

298

00:15:55,310 --> 00:15:52,800

biology in the form of bodies

299

00:15:58,970 --> 00:15:55,320

other various stories told throughout

300

00:16:02,389 --> 00:15:58,980

the years or perhaps more accurately

301
00:16:04,550 --> 00:16:02,399
stories not just told but sold

302
00:16:08,629 --> 00:16:04,560
suggests that the material craft or

303
00:16:11,509 --> 00:16:08,639
bodies are taken to Area 51 America's

304
00:16:14,870 --> 00:16:11,519
most top secret research base

305
00:16:16,610 --> 00:16:14,880
what better place to take alien

306
00:16:21,230 --> 00:16:16,620
technology or bodies than the most

307
00:16:23,689 --> 00:16:21,240
secret place on Earth area 51.

308
00:16:25,730 --> 00:16:23,699
and on Wright-Patterson Air Force Base

309
00:16:28,730 --> 00:16:25,740
it's important to note that there are

310
00:16:31,009 --> 00:16:28,740
some indicators that that is where you

311
00:16:33,290 --> 00:16:31,019
would take alien technology after all

312
00:16:35,750 --> 00:16:33,300
right Patterson Air Force Base famously

313
00:16:38,590 --> 00:16:35,760

houses the foreign technology division

314

00:16:41,990 --> 00:16:38,600

which studies foreign technology

315

00:16:43,790 --> 00:16:42,000

recovered through various means but back

316

00:16:47,590 --> 00:16:43,800

to Area 51

317

00:16:50,870 --> 00:16:47,600

there are stories of people going into

318

00:16:52,790 --> 00:16:50,880

uh or as as far as Wright Patterson

319

00:16:55,730 --> 00:16:52,800

there are stories

320

00:16:58,430 --> 00:16:55,740

of people going into lower levels at

321

00:17:00,410 --> 00:16:58,440

Wright-Patterson Air Force Base some say

322

00:17:03,410 --> 00:17:00,420

in building 18

323

00:17:05,270 --> 00:17:03,420

and seeing alien bodies kept in freezers

324

00:17:07,370 --> 00:17:05,280

or glass tubes

325

00:17:10,069 --> 00:17:07,380

there are other stories of people seeing

326

00:17:13,730 --> 00:17:10,079

entire intact crafts and parts of

327

00:17:16,669 --> 00:17:13,740

wreckage of recovered UFO technology in

328

00:17:19,250 --> 00:17:16,679

these lower levels at Wright-Patterson

329

00:17:21,829 --> 00:17:19,260

Air Force Base

330

00:17:24,350 --> 00:17:21,839

yes again we have stories

331

00:17:26,929 --> 00:17:24,360

but unfortunately once again we have no

332

00:17:29,510 --> 00:17:26,939

evidence to prove these claims

333

00:17:32,390 --> 00:17:29,520

of aliens or alien technology at

334

00:17:34,730 --> 00:17:32,400

Wright-Patterson conclusively

335

00:17:36,650 --> 00:17:34,740

many people who have verifiably worked

336

00:17:39,169 --> 00:17:36,660

at Area 51

337

00:17:42,490 --> 00:17:39,179

and have been all over the base have

338

00:17:46,490 --> 00:17:42,500

denied ever seeing any alien technology

339

00:17:47,750 --> 00:17:46,500

spacecraft or bodies at Area 51 but

340

00:17:51,049 --> 00:17:47,760

still

341

00:17:54,049 --> 00:17:51,059

stories do persist that in some secret

342

00:17:56,590 --> 00:17:54,059

subbase of Area 51

343

00:17:59,810 --> 00:17:56,600

there actually exists Laboratories

344

00:18:03,950 --> 00:17:59,820

hangars and even medical facilities to

345

00:18:07,970 --> 00:18:03,960

house and study the alien technology

346

00:18:10,430 --> 00:18:07,980

and alien bodies and perhaps even living

347

00:18:13,310 --> 00:18:10,440

alien creatures

348

00:18:16,669 --> 00:18:13,320

there are also stories of recovered live

349

00:18:20,750 --> 00:18:16,679

aliens which Were Somehow taken to Area

350

00:18:24,470 --> 00:18:20,760

51 or some other shadowy secret base and

351
00:18:28,310 --> 00:18:24,480
interviewed and interrogated somehow

352
00:18:30,890 --> 00:18:28,320
I've always questioned how

353
00:18:33,710 --> 00:18:30,900
any human could communicate with an

354
00:18:35,810 --> 00:18:33,720
alien species after all their language

355
00:18:39,529 --> 00:18:35,820
could be different their verbalization

356
00:18:40,850 --> 00:18:39,539
could be completely pardoned upon alien

357
00:18:43,070 --> 00:18:40,860
to us

358
00:18:47,450 --> 00:18:43,080
would a linguist really know how to

359
00:18:51,409 --> 00:18:47,460
communicate with an alien species

360
00:18:54,409 --> 00:18:51,419
but usually these stories include a

361
00:18:58,010 --> 00:18:54,419
story of communication taking place

362
00:18:59,990 --> 00:18:58,020
through telepathic means somehow with

363
00:19:03,110 --> 00:19:00,000

the aliens communicating

364

00:19:06,169 --> 00:19:03,120

through pictures in people's minds

365

00:19:08,150 --> 00:19:06,179

again more fantastic stories

366

00:19:10,669 --> 00:19:08,160

but little or no supportive evidence

367

00:19:12,830 --> 00:19:10,679

other than the testimony of people who

368

00:19:13,850 --> 00:19:12,840

are sometimes less than credible in many

369

00:19:17,210 --> 00:19:13,860

cases

370

00:19:19,430 --> 00:19:17,220

and who I think not coincidentally are

371

00:19:23,810 --> 00:19:19,440

always promoting a book or something for

372

00:19:26,150 --> 00:19:23,820

sale about their Amazing Story or

373

00:19:29,330 --> 00:19:26,160

haven't had a real job in years and

374

00:19:31,789 --> 00:19:29,340

instead exists and make their living off

375

00:19:34,010 --> 00:19:31,799

of telling their story

376

00:19:36,650 --> 00:19:34,020

it is important to note that many of the

377

00:19:40,010 --> 00:19:36,660

people telling these stories

378

00:19:42,890 --> 00:19:40,020

or perhaps more accurately selling not

379

00:19:46,010 --> 00:19:42,900

telling but selling these stories sought

380

00:19:49,490 --> 00:19:46,020

out Fame and money for doing so

381

00:19:52,090 --> 00:19:49,500

most or all like the so-called UFO

382

00:19:54,950 --> 00:19:52,100

whistleblowers who came before them

383

00:19:58,610 --> 00:19:54,960

never actually proved their stories were

384

00:20:02,330 --> 00:19:58,620

true as they originally claimed

385

00:20:07,190 --> 00:20:02,340

so it is through that lens of some

386

00:20:09,950 --> 00:20:07,200

history and what I call UFO mythology

387

00:20:13,669 --> 00:20:09,960

that along comes

388

00:20:16,130 --> 00:20:13,679

a new so-called UFO whistleblower

389

00:20:18,169 --> 00:20:16,140

his name was David grush

390

00:20:21,830 --> 00:20:18,179

and like many previous UFO

391

00:20:24,529 --> 00:20:21,840

whistleblowers he had real credentials

392

00:20:27,289 --> 00:20:24,539

he had real military experience

393

00:20:30,110 --> 00:20:27,299

and he had intelligence training and

394

00:20:33,529 --> 00:20:30,120

responsibilities inside the United

395

00:20:38,890 --> 00:20:36,289

like many who would come before him

396

00:20:44,029 --> 00:20:38,900

Mr grush comes with verifiable

397

00:20:48,230 --> 00:20:45,950

also like many

398

00:20:50,990 --> 00:20:48,240

other UFO whistleblowers who came before

399

00:20:52,789 --> 00:20:51,000

him Mr grush is telling Sensational

400

00:20:55,070 --> 00:20:52,799

stories about the United States

401
00:20:57,669 --> 00:20:55,080
government having secret projects that

402
00:21:02,210 --> 00:20:57,679
are recovering non-human technology

403
00:21:04,850 --> 00:21:02,220
intact craft and even bodies

404
00:21:06,950 --> 00:21:04,860
and perhaps a new twist however Mr grush

405
00:21:09,350 --> 00:21:06,960
claimed he did not know if the non-human

406
00:21:12,830 --> 00:21:09,360
bodies in technology came from Alien

407
00:21:14,870 --> 00:21:12,840
star systems he suggested that instead

408
00:21:18,770 --> 00:21:14,880
they may come from another dimension

409
00:21:24,650 --> 00:21:22,430
but where are we at now well now that

410
00:21:27,770 --> 00:21:24,660
has been weeks since Mr grush made his

411
00:21:30,049 --> 00:21:27,780
original claims and so far he has not

412
00:21:31,909 --> 00:21:30,059
publicly provided any evidence to

413
00:21:34,669 --> 00:21:31,919

actually prove his claims

414

00:21:36,950 --> 00:21:34,679

he does claim however that he gave top

415

00:21:39,110 --> 00:21:36,960

secret information to members of the

416

00:21:42,110 --> 00:21:39,120

United States government

417

00:21:44,149 --> 00:21:42,120

that he claims prove that his claims are

418

00:21:46,370 --> 00:21:44,159

indeed true

419

00:21:48,049 --> 00:21:46,380

I find it somewhat convenient that the

420

00:21:50,090 --> 00:21:48,059

man claims to have proof and be a

421

00:21:53,210 --> 00:21:50,100

whistleblower but he won't share that

422

00:21:55,010 --> 00:21:53,220

information with the general public

423

00:21:57,350 --> 00:21:55,020

now

424

00:21:59,990 --> 00:21:57,360

there is talk of public hearings in Mr

425

00:22:02,570 --> 00:22:00,000

grush testifying before members of

426
00:22:04,690 --> 00:22:02,580
Congress about these programs these

427
00:22:08,450 --> 00:22:04,700
recovered Technologies

428
00:22:10,789 --> 00:22:08,460
including even perhaps intact craft and

429
00:22:13,370 --> 00:22:10,799
bodies

430
00:22:17,149 --> 00:22:13,380
so will he soon provide the proof the

431
00:22:20,090 --> 00:22:17,159
evidence that so so many desperately won

432
00:22:23,110 --> 00:22:20,100
so that we can finally say

433
00:22:28,310 --> 00:22:23,120
that these decades-old stories really

434
00:22:32,510 --> 00:22:30,289
I have found throughout my life that

435
00:22:34,130 --> 00:22:32,520
history can sometimes be our greatest

436
00:22:37,430 --> 00:22:34,140
teachers

437
00:22:40,610 --> 00:22:37,440
and one of the reasons I am not at all

438
00:22:43,250 --> 00:22:40,620

optimistic that Mr grush will actually

439

00:22:44,930 --> 00:22:43,260

deliver real or tangible evidence is

440

00:22:49,010 --> 00:22:44,940

history

441

00:22:50,810 --> 00:22:49,020

that many people have made similar

442

00:22:53,770 --> 00:22:50,820

claims in the past

443

00:22:56,510 --> 00:22:53,780

none of them until Mr grush came along

444

00:22:59,149 --> 00:22:56,520

in the entire history of these stories

445

00:23:01,610 --> 00:22:59,159

and claims have ever actually been able

446

00:23:03,529 --> 00:23:01,620

to really prove that the stories really

447

00:23:05,870 --> 00:23:03,539

are true

448

00:23:09,289 --> 00:23:05,880

additionally it has been established

449

00:23:11,270 --> 00:23:09,299

that Mr grush is closely associated with

450

00:23:14,330 --> 00:23:11,280

many of the people who have been pushing

451
00:23:16,430 --> 00:23:14,340
these stories most often for profit but

452
00:23:19,130 --> 00:23:16,440
never providing proof or real evidence

453
00:23:22,130 --> 00:23:19,140
for many years now

454
00:23:24,770 --> 00:23:22,140
he is connected directly to members of

455
00:23:26,510 --> 00:23:24,780
the to the Stars Academy a UFO

456
00:23:28,970 --> 00:23:26,520
investment scheme that collected

457
00:23:31,490 --> 00:23:28,980
millions of dollars but in which no

458
00:23:34,669 --> 00:23:31,500
investor to my knowledge ever got their

459
00:23:36,830 --> 00:23:34,679
money back let alone made any profits

460
00:23:39,470 --> 00:23:36,840
off of their investment

461
00:23:41,810 --> 00:23:39,480
some people in the UFO Community have

462
00:23:44,810 --> 00:23:41,820
even said that Stu to the Stars Academy

463
00:23:46,909 --> 00:23:44,820

is under investigation by the Securities

464

00:23:49,970 --> 00:23:46,919
and Exchange Commission

465

00:23:53,149 --> 00:23:49,980
but so far to my knowledge no charges

466

00:23:56,029 --> 00:23:53,159
have officially been filed

467

00:23:58,730 --> 00:23:56,039
Mr Rush is directly connected to many

468

00:23:59,950 --> 00:23:58,740
who were a part of what I would consider

469

00:24:04,370 --> 00:23:59,960
that

470

00:24:07,010 --> 00:24:04,380
ttsa being a huge UFO money grab

471

00:24:08,630 --> 00:24:07,020
these people include Gary Nolan and Lou

472

00:24:14,690 --> 00:24:08,640
Elizondo

473

00:24:18,470 --> 00:24:14,700
to talk about UFOs and Mr grush included

474

00:24:21,830 --> 00:24:18,480
a completely and totally fake UFO case

475

00:24:25,549 --> 00:24:21,840
that apparently took place or reportedly

476

00:24:28,549 --> 00:24:25,559

took place in Italy in the 1930s

477

00:24:32,810 --> 00:24:28,559

this story has been conclusively proven

478

00:24:35,870 --> 00:24:32,820

to most reasonable people's uh you know

479

00:24:39,169 --> 00:24:35,880

belief to be a complete and total fake

480

00:24:41,330 --> 00:24:39,179

story a hoax based on fake documents

481

00:24:42,830 --> 00:24:41,340

that were leaked from some archive that

482

00:24:45,049 --> 00:24:42,840

doesn't even exist

483

00:24:47,990 --> 00:24:45,059

that was the only proof of that story

484

00:24:51,409 --> 00:24:48,000

that Mr grush included in his so-called

485

00:24:56,570 --> 00:24:54,169

he is also besides Lou Elizondo

486

00:24:58,310 --> 00:24:56,580

connected directly to Eric Davis who's

487

00:25:00,409 --> 00:24:58,320

been telling alien stories for years

488

00:25:02,510 --> 00:25:00,419

without proof

489

00:25:03,909 --> 00:25:02,520

even claiming to brief members of

490

00:25:05,510 --> 00:25:03,919

Congress

491

00:25:07,909 --> 00:25:05,520

interestingly

492

00:25:11,330 --> 00:25:07,919

uh

493

00:25:13,610 --> 00:25:11,340

Miss Dr Taylor Travis Taylor of

494

00:25:16,430 --> 00:25:13,620

Skinwalker Ranch Fame

495

00:25:21,230 --> 00:25:16,440

as famously said that Eric Davis

496

00:25:27,350 --> 00:25:24,649

also there is more connections the

497

00:25:29,330 --> 00:25:27,360

connection here with Eric Davis is that

498

00:25:32,029 --> 00:25:29,340

Eric Davis also works for Hal put off

499

00:25:34,010 --> 00:25:32,039

the man who wasted taxpayer dollars

500

00:25:37,970 --> 00:25:34,020

studying psychic superpowers for years

501
00:25:40,909 --> 00:25:37,980
and also was involved in uh Skinwalker

502
00:25:43,310 --> 00:25:40,919
Ranch wasting some 22 million dollars of

503
00:25:46,370 --> 00:25:43,320
taxpayer dollars Chasing Ghosts goblins

504
00:25:49,789 --> 00:25:46,380
poltergeists werewolves and my favorite

505
00:25:52,190 --> 00:25:49,799
Dino beavers

506
00:25:54,890 --> 00:25:52,200
um he wasted an awful lot of money

507
00:25:56,450 --> 00:25:54,900
studying psychic superpowers for years

508
00:26:00,350 --> 00:25:56,460
for the United States government

509
00:26:04,909 --> 00:26:00,360
apparently as a subcontractor

510
00:26:07,549 --> 00:26:04,919
Mr putoff is also a Scientologist and I

511
00:26:09,430 --> 00:26:07,559
won't really I don't want to be accused

512
00:26:12,049 --> 00:26:09,440
of you know

513
00:26:14,870 --> 00:26:12,059

impugning someone's religious beliefs so

514

00:26:17,630 --> 00:26:14,880

I won't talk about his

515

00:26:19,549 --> 00:26:17,640

purportedly being a high-ranking member

516

00:26:22,909 --> 00:26:19,559

of Scientology you can do your own

517

00:26:24,710 --> 00:26:22,919

research about what they believe

518

00:26:27,590 --> 00:26:24,720

um and the connection that's important

519

00:26:28,850 --> 00:26:27,600

is that Eric Davis works for Hal put off

520

00:26:31,610 --> 00:26:28,860

and

521

00:26:33,529 --> 00:26:31,620

um he Al putoff was also a member of to

522

00:26:35,269 --> 00:26:33,539

the Stars Academy that collected

523

00:26:36,950 --> 00:26:35,279

millions of dollars and promised

524

00:26:40,430 --> 00:26:36,960

investors a spaceship but never

525

00:26:41,810 --> 00:26:40,440

delivered additionally uh to my

526

00:26:44,029 --> 00:26:41,820

knowledge and I have asked several times

527

00:26:46,909 --> 00:26:44,039

if you invested into the Stars Academy

528

00:26:48,310 --> 00:26:46,919

please contact me at truthseekershow

529

00:26:51,830 --> 00:26:48,320

gmail.com

530

00:26:54,769 --> 00:26:51,840

I would appreciate someone letting me

531

00:26:56,810 --> 00:26:54,779

know if they ever got their initial seed

532

00:27:00,950 --> 00:26:56,820

investment back

533

00:27:03,529 --> 00:27:00,960

if their current stock is worth anything

534

00:27:07,190 --> 00:27:03,539

or if they lost all their money

535

00:27:09,649 --> 00:27:07,200

I am aware that an individual complained

536

00:27:11,630 --> 00:27:09,659

to the SEC trying to figure out how to

537

00:27:14,630 --> 00:27:11,640

sell his stock and was advised by the

538

00:27:15,890 --> 00:27:14,640

SEC that his Stock May indeed be

539

00:27:18,529 --> 00:27:15,900

worthless

540

00:27:21,350 --> 00:27:18,539

so there's that and of course Hal put

541

00:27:23,570 --> 00:27:21,360

off Eric Davis works for Hal putoff who

542

00:27:25,970 --> 00:27:23,580

was involved with tsa along with Gary

543

00:27:29,930 --> 00:27:25,980

Nolan Luella zondo and others who seem

544

00:27:31,610 --> 00:27:29,940

to have some connection to Mr grush

545

00:27:34,250 --> 00:27:31,620

um

546

00:27:36,350 --> 00:27:34,260

Mr grush is also directly connected to

547

00:27:37,909 --> 00:27:36,360

Jeremy Corbell who has made an

548

00:27:41,029 --> 00:27:37,919

incredible amount of money producing

549

00:27:44,510 --> 00:27:41,039

documentaries and fantastic tales about

550

00:27:46,970 --> 00:27:44,520

Skinwalker Ranch a fake convicted pimp

551
00:27:49,190 --> 00:27:46,980
scientist he claims worked at Area 51

552
00:27:52,010 --> 00:27:49,200
called Bob Lazar

553
00:27:53,269 --> 00:27:52,020
it's a great book you can buy it but not

554
00:27:56,930 --> 00:27:53,279
for me

555
00:27:59,450 --> 00:27:56,940
uh Mr Corbell also made lots of money

556
00:28:02,110 --> 00:27:59,460
selling stories of alien implants but

557
00:28:05,149 --> 00:28:02,120
never actually proved that the implants

558
00:28:07,669 --> 00:28:05,159
were alien technology

559
00:28:10,850 --> 00:28:07,679
he never proved that his documentaries

560
00:28:14,810 --> 00:28:10,860
were indeed as acclaimed true stories he

561
00:28:18,590 --> 00:28:14,820
never provides actual proof or evidence

562
00:28:21,590 --> 00:28:18,600
Mr Corbell is a peddler of these stories

563
00:28:24,169 --> 00:28:21,600

stories with no evidence to me have no

564

00:28:29,510 --> 00:28:26,630

grush is also directly connected to

565

00:28:32,210 --> 00:28:29,520

George Knapp who was an early investor

566

00:28:36,169 --> 00:28:32,220

in ttsa and helped them publicize

567

00:28:38,210 --> 00:28:36,179

themselves I believe this is my belief I

568

00:28:39,890 --> 00:28:38,220

believe that George Knapp who has

569

00:28:41,350 --> 00:28:39,900

admitted to being an early investor in

570

00:28:44,210 --> 00:28:41,360

ttsa

571

00:28:46,250 --> 00:28:44,220

may have some problems because as a

572

00:28:48,710 --> 00:28:46,260

member of the media he did many stories

573

00:28:50,269 --> 00:28:48,720

on ttsa and helped them publicize their

574

00:28:53,090 --> 00:28:50,279

public offering

575

00:28:55,130 --> 00:28:53,100

in my opinion and he never disclosed

576

00:28:58,669 --> 00:28:55,140

while he was doing those stories in the

577

00:29:01,909 --> 00:28:58,679

media pumping the tsa investment thing

578

00:29:03,830 --> 00:29:01,919

that he was an early investor

579

00:29:05,570 --> 00:29:03,840

uh I believe that he helped them

580

00:29:08,930 --> 00:29:05,580

publicize themselves and get more

581

00:29:12,890 --> 00:29:08,940

investors that's my personal belief

582

00:29:15,049 --> 00:29:12,900

um so is it all just a coincidence that

583

00:29:17,810 --> 00:29:15,059

this man is directly connected in some

584

00:29:20,450 --> 00:29:17,820

way to so many different UFO profiteers

585

00:29:23,389 --> 00:29:20,460

who have collectively made millions of

586

00:29:24,470 --> 00:29:23,399

dollars off of promoting UFO stories but

587

00:29:27,950 --> 00:29:24,480

never

588

00:29:30,350 --> 00:29:27,960

off of promoting UFO stories as true but

589

00:29:32,630 --> 00:29:30,360

never actually proving that the stories

590

00:29:35,630 --> 00:29:32,640

are true

591

00:29:38,590 --> 00:29:35,640

will Mr grush actually be able to prove

592

00:29:41,210 --> 00:29:38,600

his fantastic claims are really true

593

00:29:43,970 --> 00:29:41,220

unlike all the people he is closely

594

00:29:46,130 --> 00:29:43,980

associated with who have made incredible

595

00:29:49,669 --> 00:29:46,140

amounts of money promoting unprovable

596

00:29:51,529 --> 00:29:49,679

stories as real and true stories

597

00:29:54,590 --> 00:29:51,539

time will tell

598

00:29:57,169 --> 00:29:54,600

uh but I for one am happy that this man

599

00:30:01,250 --> 00:29:57,179

May soon be forced to either put up or

600

00:30:04,070 --> 00:30:01,260

shut up and hopefully very soon

601
00:30:06,350 --> 00:30:04,080
finally one of these people who is

602
00:30:09,470 --> 00:30:06,360
making fantastic claims and by the way

603
00:30:14,510 --> 00:30:09,480
intends to make fantastic money

604
00:30:17,630 --> 00:30:14,520
Dave grush and uh Gary Nolan

605
00:30:19,970 --> 00:30:17,640
took part in a meeting on the week of

606
00:30:22,430 --> 00:30:19,980
May 15th with a Canadian Member of

607
00:30:25,370 --> 00:30:22,440
Parliament whose name I believe is Larry

608
00:30:27,350 --> 00:30:25,380
McGuire and in that meeting they began

609
00:30:29,990 --> 00:30:27,360
talking about some things to Larry

610
00:30:32,570 --> 00:30:30,000
McGuire but Ross colgar who was uh

611
00:30:34,850 --> 00:30:32,580
connected via teleconference into the

612
00:30:37,010 --> 00:30:34,860
meeting stopped them

613
00:30:38,810 --> 00:30:37,020

claiming that they had to save that for

614

00:30:42,649 --> 00:30:38,820

the documentary

615

00:30:45,889 --> 00:30:42,659

so that's an incredible red flag to me

616

00:30:48,430 --> 00:30:45,899

because it means that this man is as

617

00:30:52,730 --> 00:30:48,440

intended to make money from his story

618

00:30:55,310 --> 00:30:52,740

before even becoming public and actually

619

00:30:59,210 --> 00:30:55,320

telling his story he

620

00:31:00,769 --> 00:30:59,220

apparently already had a documentary

621

00:31:03,950 --> 00:31:00,779

deal in place

622

00:31:05,870 --> 00:31:03,960

and Ross Colbert is somehow involved for

623

00:31:08,810 --> 00:31:05,880

those unaware Ross colthard is the

624

00:31:11,510 --> 00:31:08,820

disgraced Australian journalist who has

625

00:31:12,710 --> 00:31:11,520

brought us this story through news

626
00:31:15,110 --> 00:31:12,720
Nation

627
00:31:18,049 --> 00:31:15,120
uh and Ross Colbert has been caught

628
00:31:20,570 --> 00:31:18,059
selling 100 provably fake stories

629
00:31:22,430 --> 00:31:20,580
several times before

630
00:31:24,470 --> 00:31:22,440
we have detailed

631
00:31:26,870 --> 00:31:24,480
those completely and totally fake

632
00:31:29,330 --> 00:31:26,880
stories here on our Channel just search

633
00:31:33,830 --> 00:31:29,340
Ross colpard hit the little magnifying

634
00:31:35,990 --> 00:31:33,840
glass search big Bluff or Ross and you

635
00:31:38,210 --> 00:31:36,000
should find those two stories one of

636
00:31:40,970 --> 00:31:38,220
which explains why he covers UFO now

637
00:31:43,909 --> 00:31:40,980
UFOs now his contract was not renewed

638
00:31:47,389 --> 00:31:43,919

with 60 Minutes Australia after being

639

00:31:50,690 --> 00:31:47,399

caught selling a 100 percent fake story

640

00:31:53,590 --> 00:31:50,700

with uh dubious sources who he did not

641

00:31:57,110 --> 00:31:53,600

vet or verify what they were telling him

642

00:31:59,750 --> 00:31:57,120

and this story made very very serious

643

00:32:02,630 --> 00:31:59,760

allegations of criminal activity against

644

00:32:04,970 --> 00:32:02,640

members of the British Parliament so

645

00:32:06,649 --> 00:32:04,980

here we can see how Reckless one of the

646

00:32:09,830 --> 00:32:06,659

people bringing us this story in the

647

00:32:12,230 --> 00:32:09,840

form of Ross Colt art is after that his

648

00:32:14,210 --> 00:32:12,240

contract was not renewed after Media

649

00:32:16,909 --> 00:32:14,220

Watch called his story incredibly

650

00:32:20,389 --> 00:32:16,919

misleading and deceptive

651
00:32:23,450 --> 00:32:20,399
suddenly he enters the UFO World writes

652
00:32:26,090 --> 00:32:23,460
a book and hasn't added any other job to

653
00:32:28,430 --> 00:32:26,100
the best of my knowledge since jumping

654
00:32:31,250 --> 00:32:28,440
into the UFO World selling

655
00:32:33,110 --> 00:32:31,260
what he says are true stories one of his

656
00:32:35,090 --> 00:32:33,120
huge stories was what I call the big

657
00:32:37,630 --> 00:32:35,100
Bluff where he promised he had

658
00:32:41,389 --> 00:32:37,640
conclusive proof of alien technology

659
00:32:43,730 --> 00:32:41,399
part of me and then in the voiceover he

660
00:32:46,190 --> 00:32:43,740
said wait conclusive proof of alien

661
00:32:47,690 --> 00:32:46,200
technology all confirmed by this man and

662
00:32:50,029 --> 00:32:47,700
in the promos

663
00:32:52,310 --> 00:32:50,039

uh this renowned scientist and in the

664

00:32:55,010 --> 00:32:52,320

promos they cut to a shot of Michio Kaku

665

00:32:58,130 --> 00:32:55,020

Michio Kaku didn't confirm anything that

666

00:33:00,470 --> 00:32:58,140

story was 100 completely and totally

667

00:33:02,630 --> 00:33:00,480

fake click bait garbage

668

00:33:04,610 --> 00:33:02,640

so it's important to note who's bringing

669

00:33:07,430 --> 00:33:04,620

us this story and their history of

670

00:33:09,769 --> 00:33:07,440

clickbait garbage stories another huge

671

00:33:11,269 --> 00:33:09,779

red flag for me and of course the other

672

00:33:14,330 --> 00:33:11,279

two people who brought us the story

673

00:33:18,049 --> 00:33:14,340

Leslie Kane and Ralph Blumenthal have

674

00:33:20,389 --> 00:33:18,059

both been caught in a previous 100 well

675

00:33:21,769 --> 00:33:20,399

I don't want to say 100 percent they've

676

00:33:24,409 --> 00:33:21,779

both been caught

677

00:33:27,529 --> 00:33:24,419

with a story that was largely factually

678

00:33:31,490 --> 00:33:27,539

false in the form of the story about

679

00:33:33,590 --> 00:33:31,500

Luis Elizondo so we can see that all of

680

00:33:35,930 --> 00:33:33,600

these people are connected I don't think

681

00:33:38,389 --> 00:33:35,940

that's a coincidence I really don't

682

00:33:42,049 --> 00:33:38,399

think that that is a coincidence

683

00:33:43,909 --> 00:33:42,059

so people keep asking me if I think he's

684

00:33:46,430 --> 00:33:43,919

going to actually provide evidence or

685

00:33:47,509 --> 00:33:46,440

proof and what I will say is

686

00:33:50,149 --> 00:33:47,519

um

687

00:33:53,090 --> 00:33:50,159

time will tell but I'm happy that one of

688

00:33:55,130 --> 00:33:53,100

these people who is claiming that their

689

00:33:57,649 --> 00:33:55,140

story is true and is trying to make

690

00:33:59,930 --> 00:33:57,659

money already from their so-called true

691

00:34:02,810 --> 00:33:59,940

story will be forced to provide evidence

692

00:34:05,570 --> 00:34:02,820

or explain why he made those Fantastical

693

00:34:07,549 --> 00:34:05,580

claims without actual real proof or

694

00:34:10,250 --> 00:34:07,559

evidence

695

00:34:12,589 --> 00:34:10,260

I also wonder will we see some sketchy

696

00:34:15,169 --> 00:34:12,599

old documents that we've all seen before

697

00:34:18,430 --> 00:34:15,179

or is that out there publicly on the

698

00:34:22,609 --> 00:34:18,440

internet uh as his so-called evidence

699

00:34:25,430 --> 00:34:22,619

perhaps so because Mr David grush is

700

00:34:29,149 --> 00:34:25,440

actually already talking about documents

701
00:34:31,669 --> 00:34:29,159
and the 1930s Italian UFO case purported

702
00:34:34,250 --> 00:34:31,679
to have document evidence but there's a

703
00:34:37,070 --> 00:34:34,260
huge problem with that story in that the

704
00:34:39,290 --> 00:34:37,080
documents turned out to be fakes

705
00:34:41,210 --> 00:34:39,300
in short he talked about being briefed

706
00:34:44,930 --> 00:34:41,220
by the United States government about an

707
00:34:48,050 --> 00:34:44,940
Italian UFO crash that took place in the

708
00:34:50,389 --> 00:34:48,060
1930s but the problem is that it wasn't

709
00:34:53,149 --> 00:34:50,399
a real case it was a UFO hoax that was

710
00:34:54,649 --> 00:34:53,159
proven a hoax and fake more than 20

711
00:34:57,109 --> 00:34:54,659
years ago

712
00:35:00,670 --> 00:34:57,119
this my friends is not a good indicator

713
00:35:02,930 --> 00:35:00,680

that Mr grush has any real or verifiable

714

00:35:05,210 --> 00:35:02,940

documentary evidence

715

00:35:08,210 --> 00:35:05,220

but I'm still hopeful that I'm wrong

716

00:35:11,150 --> 00:35:08,220

about him and wrong about him coming

717

00:35:13,730 --> 00:35:11,160

forth with real and verifiable

718

00:35:16,069 --> 00:35:13,740

document evidence that he claims to be

719

00:35:19,310 --> 00:35:16,079

in possession of

720

00:35:22,190 --> 00:35:19,320

other than seeing pictures and perhaps

721

00:35:25,190 --> 00:35:22,200

seeing documents Mr gresh just has

722

00:35:27,410 --> 00:35:25,200

second hand stories that he claims other

723

00:35:28,730 --> 00:35:27,420

people told him so he has no first-hand

724

00:35:31,550 --> 00:35:28,740

knowledge

725

00:35:34,550 --> 00:35:31,560

he didn't see aliens he didn't see the

726

00:35:36,950 --> 00:35:34,560

bodies he didn't see the intact craft he

727

00:35:40,670 --> 00:35:36,960

just heard stories and people gave him

728

00:35:43,250 --> 00:35:40,680

documents some of which we know now may

729

00:35:46,430 --> 00:35:43,260

be completely fake documents

730

00:35:48,710 --> 00:35:46,440

this is another huge red flag is Mr

731

00:35:51,890 --> 00:35:48,720

grush simply

732

00:35:55,190 --> 00:35:51,900

believing Stories being fed to him and

733

00:35:56,329 --> 00:35:55,200

fake documents being offered to him as

734

00:35:59,829 --> 00:35:56,339

evidence

735

00:36:05,270 --> 00:36:02,210

because imagine

736

00:36:07,430 --> 00:36:05,280

quitting your job going public and

737

00:36:09,710 --> 00:36:07,440

becoming a whistleblower

738

00:36:12,230 --> 00:36:09,720

and then finding out that you were

739

00:36:14,990 --> 00:36:12,240

manipulated by a bunch of UFO profiteers

740

00:36:16,550 --> 00:36:15,000

that wanted a new whistleblower out

741

00:36:19,609 --> 00:36:16,560

there on the scene to keep people

742

00:36:23,870 --> 00:36:19,619

interested excited and engaged

743

00:36:26,810 --> 00:36:23,880

and of course buying new products

744

00:36:30,950 --> 00:36:26,820

the implications of the allegations if

745

00:36:37,069 --> 00:36:33,470

would be world changing

746

00:36:39,290 --> 00:36:37,079

but somehow to me all of this

747

00:36:42,170 --> 00:36:39,300

this man's entire story seems too

748

00:36:45,109 --> 00:36:42,180

perfect out of nowhere

749

00:36:47,569 --> 00:36:45,119

some shadowy government intelligence

750

00:36:51,250 --> 00:36:47,579

agent with high ranking security

751

00:36:54,589 --> 00:36:51,260

clearances comes out

752

00:36:58,730 --> 00:36:54,599

and this person David grush would just

753

00:37:00,109 --> 00:36:58,740

come along suddenly and confirm for True

754

00:37:02,210 --> 00:37:00,119

Believers

755

00:37:05,630 --> 00:37:02,220

the world over

756

00:37:08,930 --> 00:37:05,640

that yes you're not crazy you were right

757

00:37:11,630 --> 00:37:08,940

it's true it's all true

758

00:37:14,329 --> 00:37:11,640

would confirm for people that they were

759

00:37:19,190 --> 00:37:14,339

always right and that these stories were

760

00:37:22,609 --> 00:37:19,200

all true they always were you were right

761

00:37:24,470 --> 00:37:22,619

as I said I'm incredibly hopeful that I

762

00:37:27,349 --> 00:37:24,480

am wrong about him

763

00:37:28,670 --> 00:37:27,359

and that all the red flags about him are

764

00:37:32,450 --> 00:37:28,680

just

765

00:37:35,030 --> 00:37:32,460

my own bitter skepticism

766

00:37:38,930 --> 00:37:35,040

having been promised so many times

767

00:37:40,250 --> 00:37:38,940

before by so-called UFO whistleblowers

768

00:37:42,710 --> 00:37:40,260

of the past

769

00:37:46,910 --> 00:37:42,720

that disclosure is just around the next

770

00:37:49,970 --> 00:37:46,920

corner just believe just hold on

771

00:37:53,690 --> 00:37:49,980

because Bombshells are coming

772

00:37:55,250 --> 00:37:53,700

so I wonder friends will the story of

773

00:37:59,270 --> 00:37:55,260

Dave grush

774

00:38:03,589 --> 00:37:59,280

truly be a real bombshell

775

00:38:05,210 --> 00:38:03,599

or will it be the biggest dud in UFO

776

00:38:07,190 --> 00:38:05,220

history ever

777

00:38:08,270 --> 00:38:07,200

let me know what you think in the

778

00:38:12,349 --> 00:38:08,280

comments

779

00:38:14,930 --> 00:38:12,359

now friends I am going to uh

780

00:38:16,910 --> 00:38:14,940

welcome the live chat I know that I have

781

00:38:20,630 --> 00:38:16,920

missed many things so we'll get caught

782

00:38:22,910 --> 00:38:20,640

up on the super chats I am going to uh I

783

00:38:24,650 --> 00:38:22,920

am sporadically racing with my scroll

784

00:38:28,010 --> 00:38:24,660

reel back to the beginning of the live

785

00:38:30,290 --> 00:38:28,020

chat we uh our viewer supported show and

786

00:38:32,630 --> 00:38:30,300

I thank you all for your kindness

787

00:38:35,150 --> 00:38:32,640

generosity and support we read every

788

00:38:37,069 --> 00:38:35,160

single super chat if you're not set up

789

00:38:38,930 --> 00:38:37,079

with Super Chat on YouTube you can use

790

00:38:41,810 --> 00:38:38,940

PayPal the instructions are in the

791

00:38:43,970 --> 00:38:41,820

description of our video here just add a

792

00:38:46,609 --> 00:38:43,980

note and give us your chat room user ID

793

00:38:48,290 --> 00:38:46,619

and anything you want me to read and I

794

00:38:51,170 --> 00:38:48,300

will do that

795

00:38:53,510 --> 00:38:51,180

Sandra McDonald with Kylie generous 299

796

00:38:56,930 --> 00:38:53,520

Australian and thank you also for being

797

00:38:59,390 --> 00:38:56,940

a member says keep up the good work uh

798

00:39:01,849 --> 00:38:59,400

thank you I believe that I will and

799

00:39:03,109 --> 00:39:01,859

Robert Redmond is here uh both of you

800

00:39:05,150 --> 00:39:03,119

guys very generous you're already

801
00:39:07,609 --> 00:39:05,160
members and they're throwing a couple of

802
00:39:10,370 --> 00:39:07,619
bucks in the Hat besides their monthly

803
00:39:12,589 --> 00:39:10,380
membership couple of bucks and I

804
00:39:14,750 --> 00:39:12,599
appreciate that immensely Robert Redmond

805
00:39:17,089 --> 00:39:14,760
with a kind of generous super sticker

806
00:39:20,150 --> 00:39:17,099
thank you for your kindness generosity

807
00:39:23,450 --> 00:39:20,160
and support of the show we welcome one

808
00:39:27,170 --> 00:39:23,460
and all to the live chat as I uh scroll

809
00:39:29,390 --> 00:39:27,180
through and uh we have zizzix long time

810
00:39:31,730 --> 00:39:29,400
show supporter who is also a YouTube

811
00:39:33,470 --> 00:39:31,740
channel member such generous people we

812
00:39:35,990 --> 00:39:33,480
have here in our audience thank you very

813
00:39:38,990 --> 00:39:36,000

much for your kindness generosity and

814

00:39:41,329 --> 00:39:39,000

support this is also a member and

815

00:39:43,069 --> 00:39:41,339

through 10 bucks in the till thank you

816

00:39:46,010 --> 00:39:43,079

very much sizzix long time show

817

00:39:47,990 --> 00:39:46,020

supporter says I seen documentary their

818

00:39:51,530 --> 00:39:48,000

lost century and how to reclaim it by Dr

819

00:39:54,650 --> 00:39:51,540

Steve in Greer I liked it well uh good

820

00:39:56,750 --> 00:39:54,660

zizzix uh but you do know that in the

821

00:39:58,550 --> 00:39:56,760

entire history of free energy devices

822

00:40:01,490 --> 00:39:58,560

nobody's ever proven that free energy

823

00:40:03,050 --> 00:40:01,500

actually is possible it's another sort

824

00:40:05,329 --> 00:40:03,060

of Shady

825

00:40:07,310 --> 00:40:05,339

some would say scammy subject that

826

00:40:09,290 --> 00:40:07,320

people make a lot of money promoting but

827

00:40:12,349 --> 00:40:09,300

never prove their claims

828

00:40:15,589 --> 00:40:12,359

right and Simon fly is here and offers

829

00:40:17,450 --> 00:40:15,599

uh dud times 1 million maybe or is that

830

00:40:20,930 --> 00:40:17,460

a hundred thousand that's I think it's

831

00:40:22,670 --> 00:40:20,940

one million yes uh you may be right let

832

00:40:26,390 --> 00:40:22,680

me know what you think in the comments

833

00:40:28,010 --> 00:40:26,400

or the uh the questions or if you have

834

00:40:30,109 --> 00:40:28,020

comments or questions for me I should

835

00:40:31,910 --> 00:40:30,119

say in the live chat please put them in

836

00:40:34,849 --> 00:40:31,920

all capital letters

837

00:40:36,530 --> 00:40:34,859

it is very important uh to me I happen

838

00:40:38,569 --> 00:40:36,540

to be visually impaired and it helps me

839

00:40:41,810 --> 00:40:38,579

identify that that's a comment that you

840

00:40:45,250 --> 00:40:41,820

want me to share on the screen and even

841

00:40:52,069 --> 00:40:48,950

ganja 73 is here and says yeah if you

842

00:40:54,950 --> 00:40:52,079

Google UFO all you get is these clowns

843

00:40:57,770 --> 00:40:54,960

yeah it's really there is no other story

844

00:41:00,829 --> 00:40:57,780

about UFOs right now this is the story

845

00:41:02,930 --> 00:41:00,839

about UFOs and frustratingly everybody

846

00:41:06,230 --> 00:41:02,940

is just waiting for something to happen

847

00:41:08,270 --> 00:41:06,240

and oh somebody said this so that's a

848

00:41:11,210 --> 00:41:08,280

big story and somebody said that and

849

00:41:13,849 --> 00:41:11,220

that's a big story but as far as you

850

00:41:15,530 --> 00:41:13,859

know can we see evidence it's been what

851
00:41:18,109 --> 00:41:15,540
has it been three weeks now

852
00:41:21,410 --> 00:41:18,119
since the so-called bombshell interview

853
00:41:23,510 --> 00:41:21,420
or whatever or the bombshell article

854
00:41:26,390 --> 00:41:23,520
announcing these accusations or

855
00:41:28,790 --> 00:41:26,400
allegations and we still haven't seen

856
00:41:32,150 --> 00:41:28,800
evidence but now people oh no you gotta

857
00:41:36,230 --> 00:41:32,160
wait they're gonna have apparently they

858
00:41:39,109 --> 00:41:36,240
will have some sort of uh

859
00:41:41,390 --> 00:41:39,119
Hearing in which Mr grush and others

860
00:41:43,310 --> 00:41:41,400
will testify and now people are saying

861
00:41:46,930 --> 00:41:43,320
oh that's great so who who's going to

862
00:41:49,910 --> 00:41:46,940
testify how put off Eric Davis

863
00:41:51,589 --> 00:41:49,920

Gary Nolan is that who we're going to

864

00:41:54,050 --> 00:41:51,599

get or are we going to get some people

865

00:41:55,730 --> 00:41:54,060

that actually have first-hand knowledge

866

00:41:59,329 --> 00:41:55,740

and

867

00:42:01,790 --> 00:41:59,339

this of course leads everybody to

868

00:42:03,829 --> 00:42:01,800

speculate so we all get to sit around

869

00:42:06,290 --> 00:42:03,839

and wonder and well maybe this will

870

00:42:10,010 --> 00:42:06,300

happen and this will happen and this

871

00:42:14,030 --> 00:42:10,020

whole UFO circus is in full swing

872

00:42:15,829 --> 00:42:14,040

and this certainly I would think is a

873

00:42:19,069 --> 00:42:15,839

form of entertainment for people it's

874

00:42:22,190 --> 00:42:19,079

like following a soap opera right

875

00:42:25,609 --> 00:42:22,200

will Luke and Laura get married right

876

00:42:28,370 --> 00:42:25,619

will Lou Elizondo and Dave gross testify

877

00:42:30,710 --> 00:42:28,380

before Congress and one thing that I'm

878

00:42:35,890 --> 00:42:30,720

very unclear of is

879

00:42:43,310 --> 00:42:40,390

are members of the United States Senate

880

00:42:44,810 --> 00:42:43,320

easy to manipulate into doing public

881

00:42:46,010 --> 00:42:44,820

hearings

882

00:42:48,410 --> 00:42:46,020

and

883

00:42:50,690 --> 00:42:48,420

people are proposing legislation that

884

00:42:53,390 --> 00:42:50,700

people have to turn over UFO or off

885

00:42:56,270 --> 00:42:53,400

world vehicles and or lose their funding

886

00:42:59,270 --> 00:42:56,280

and there does appear to be a lot of

887

00:43:00,829 --> 00:42:59,280

actions taking place on the government I

888

00:43:03,410 --> 00:43:00,839

reached out to a friend of mine who

889

00:43:05,390 --> 00:43:03,420

works for the federal government and uh

890

00:43:08,329 --> 00:43:05,400

asked him if he was up on this situation

891

00:43:09,710 --> 00:43:08,339

I sent him some articles and he told me

892

00:43:11,329 --> 00:43:09,720

that it looks like the government is

893

00:43:13,609 --> 00:43:11,339

trying to

894

00:43:14,990 --> 00:43:13,619

get rid of these wackadus and cover

895

00:43:16,130 --> 00:43:15,000

themselves

896

00:43:18,230 --> 00:43:16,140

take

897

00:43:20,569 --> 00:43:18,240

a lot of action and then they can say

898

00:43:23,390 --> 00:43:20,579

look we did everything we could we can't

899

00:43:25,670 --> 00:43:23,400

find the alien technology we can't find

900

00:43:27,650 --> 00:43:25,680

the alien bodies or any of the programs

901
00:43:30,109 --> 00:43:27,660
that you say exist with the alien

902
00:43:32,390 --> 00:43:30,119
technology and the alien bodies

903
00:43:34,309 --> 00:43:32,400
and the government may think that that

904
00:43:37,430 --> 00:43:34,319
will be good enough but I gotta tell you

905
00:43:40,670 --> 00:43:37,440
if they no matter what they do

906
00:43:43,609 --> 00:43:40,680
if they come back and say we can't find

907
00:43:45,890 --> 00:43:43,619
evidence of extraterrestrials or

908
00:43:48,109 --> 00:43:45,900
off-world vehicles or off-world

909
00:43:50,589 --> 00:43:48,119
technology that that these people are

910
00:43:53,690 --> 00:43:50,599
claiming we just we can't find any of it

911
00:43:56,470 --> 00:43:53,700
we don't believe that either the

912
00:43:59,390 --> 00:43:56,480
government or any of its subcontractors

913
00:44:00,530 --> 00:43:59,400

are in possession of this technology if

914

00:44:02,750 --> 00:44:00,540

they do that

915

00:44:04,069 --> 00:44:02,760

the True Believers the real true

916

00:44:06,829 --> 00:44:04,079

believers are just going to claim

917

00:44:09,109 --> 00:44:06,839

there's a cover-up and they're lying to

918

00:44:11,329 --> 00:44:09,119

us and that these alien Technologies

919

00:44:13,010 --> 00:44:11,339

exist and these alien recovered bodies

920

00:44:15,050 --> 00:44:13,020

are real and these non-human or

921

00:44:16,130 --> 00:44:15,060

interdimensional that's what's going to

922

00:44:19,190 --> 00:44:16,140

happen

923

00:44:22,670 --> 00:44:19,200

so I do feel as if the United States

924

00:44:25,849 --> 00:44:22,680

government is taking steps to sort of

925

00:44:28,069 --> 00:44:25,859

say hey look okay okay you're making

926

00:44:30,950 --> 00:44:28,079

really Fantastical claims we'll

927

00:44:32,630 --> 00:44:30,960

investigate it we'll listen to the

928

00:44:37,130 --> 00:44:32,640

evidence

929

00:44:40,550 --> 00:44:37,140

are we going to get people telling

930

00:44:43,550 --> 00:44:40,560

stories wasting Senators times time with

931

00:44:46,069 --> 00:44:43,560

stories that can't be proven backed up

932

00:44:48,530 --> 00:44:46,079

and it's interesting that the Canadian

933

00:44:52,010 --> 00:44:48,540

Member of Parliament referenced the

934

00:44:56,150 --> 00:44:52,020

Wilbert Smith case in his letter which

935

00:44:59,210 --> 00:44:56,160

is another largely people think fake

936

00:45:01,670 --> 00:44:59,220

story about a Canadian member of the

937

00:45:03,530 --> 00:45:01,680

government who ran some kind of UFO

938

00:45:05,089 --> 00:45:03,540

study program and talked to some people

939

00:45:07,670 --> 00:45:05,099

in the United States government and said

940

00:45:10,250 --> 00:45:07,680

they said we had crash retrievals and it

941

00:45:12,530 --> 00:45:10,260

was higher than that higher level of secrecy

942

00:45:14,510 --> 00:45:12,540

than the hydrogen bomb but of course

943

00:45:17,210 --> 00:45:14,520

this person Wilbert Smith who the

944

00:45:19,150 --> 00:45:17,220

Canadian member of Parma government I

945

00:45:21,710 --> 00:45:19,160

believe is referencing in his letter

946

00:45:23,870 --> 00:45:21,720

leaves out that that person Wilbert

947

00:45:26,630 --> 00:45:23,880

Smith also telepathically communicated

948

00:45:28,010 --> 00:45:26,640

with aliens from Saturn and Venus from

949

00:45:29,990 --> 00:45:28,020

his backyard

950

00:45:32,950 --> 00:45:30,000

never mind the fact that those aren't

951
00:45:35,690 --> 00:45:32,960
habitable planets and there's you know

952
00:45:39,170 --> 00:45:35,700
it just gets wacky

953
00:45:42,589 --> 00:45:39,180
uh so far the people pushing this story

954
00:45:46,490 --> 00:45:42,599
are ignoring the fact that a 1930s

955
00:45:50,809 --> 00:45:46,500
completely totally alleged fake it's a

956
00:45:52,670 --> 00:45:50,819
it's a fake UFO case the 1930s case

957
00:45:54,109 --> 00:45:52,680
um and interestingly

958
00:45:56,210 --> 00:45:54,119
I think

959
00:45:58,609 --> 00:45:56,220
the other reference that we have is

960
00:46:00,410 --> 00:45:58,619
another fake case with this letter from

961
00:46:04,309 --> 00:46:00,420
the Canadian Member of Parliament who

962
00:46:06,170 --> 00:46:04,319
met with grush Colt art and also uh Gary

963
00:46:09,470 --> 00:46:06,180

Nolan

964

00:46:12,770 --> 00:46:09,480

it's not looking good uh for this being

965

00:46:16,069 --> 00:46:12,780

a real or true story too many red flags

966

00:46:18,829 --> 00:46:16,079

to me why is only or only people

967

00:46:20,750 --> 00:46:18,839

mentioning already known stories that

968

00:46:22,790 --> 00:46:20,760

are fake and claiming that that's their

969

00:46:24,890 --> 00:46:22,800

evidence or proof of UFO crash

970

00:46:26,990 --> 00:46:24,900

retrievals it's because something is

971

00:46:29,510 --> 00:46:27,000

written down on a government piece of

972

00:46:31,670 --> 00:46:29,520

paper does not make it true that's

973

00:46:34,730 --> 00:46:31,680

another point that I think that people

974

00:46:37,790 --> 00:46:34,740

are rightly missing here and it's very

975

00:46:39,950 --> 00:46:37,800

problematic that this person is deeply

976
00:46:43,490 --> 00:46:39,960
connected with people that some would

977
00:46:45,650 --> 00:46:43,500
say ran a UFO con before in the form of

978
00:46:47,410 --> 00:46:45,660
ttsa

979
00:46:51,109 --> 00:46:47,420
um

980
00:46:53,569 --> 00:46:51,119
extremely problematic when when and by

981
00:46:55,970 --> 00:46:53,579
the way we broke the story of Gary Nolan

982
00:47:00,109 --> 00:46:55,980
and Dave grosh meeting with this member

983
00:47:02,150 --> 00:47:00,119
of Canadian Parliament uh Mr McGuire on

984
00:47:04,790 --> 00:47:02,160
the week of May 15th when I as soon as I

985
00:47:07,490 --> 00:47:04,800
heard Gary Nolan was involved I said

986
00:47:09,470 --> 00:47:07,500
this this whole story is probably fake

987
00:47:10,609 --> 00:47:09,480
because Gary Nolan has been involved in

988
00:47:13,670 --> 00:47:10,619

multiple

989

00:47:15,770 --> 00:47:13,680

super hyped stories about aliens or UFOs

990

00:47:18,890 --> 00:47:15,780

that turn out to be nothing burgers and

991

00:47:22,550 --> 00:47:18,900

fake not the least of which was uh

992

00:47:25,250 --> 00:47:22,560

Steven Greer's Atacama humanoid and then

993

00:47:26,809 --> 00:47:25,260

we get the ball shavings the Ross Colpar

994

00:47:29,349 --> 00:47:26,819

big Bluff he was involved in that

995

00:47:32,870 --> 00:47:29,359

completely and totally 100 percent

996

00:47:35,329 --> 00:47:32,880

provably fake story and in both cases

997

00:47:37,150 --> 00:47:35,339

both of those stories were super hyped

998

00:47:39,650 --> 00:47:37,160

out the Wazoo evidence is coming

999

00:47:41,870 --> 00:47:39,660

Bombshells are dropping we're finally

1000

00:47:43,370 --> 00:47:41,880

going to get the proof that aliens are

1001
00:47:44,930 --> 00:47:43,380
real we're probably going to get the

1002
00:47:48,349 --> 00:47:44,940
proof we're finally going to get the

1003
00:47:50,809 --> 00:47:48,359
proof of alien technology and then

1004
00:47:52,609 --> 00:47:50,819
sometimes goes goes by and they think we

1005
00:47:56,089 --> 00:47:52,619
all forget that they promised all the

1006
00:47:57,770 --> 00:47:56,099
you know the proof in some cases you

1007
00:47:59,750 --> 00:47:57,780
know the stories get blown out of the

1008
00:48:03,650 --> 00:47:59,760
water as completely fake

1009
00:48:06,530 --> 00:48:03,660
it's it's it's like a circus here right

1010
00:48:08,329 --> 00:48:06,540
and of course Gary Nolan is the person

1011
00:48:12,530 --> 00:48:08,339
who provided grush with information

1012
00:48:13,730 --> 00:48:12,540
about so-called alien or non-human

1013
00:48:16,010 --> 00:48:13,740

recovered

1014

00:48:18,349 --> 00:48:16,020

uh material

1015

00:48:20,750 --> 00:48:18,359

and I'm sorry I don't trust an

1016

00:48:23,210 --> 00:48:20,760

immunologist to make that call and even

1017

00:48:25,190 --> 00:48:23,220

Mr Nolan had to admit that that material

1018

00:48:28,250 --> 00:48:25,200

could be made on Earth it would just be

1019

00:48:30,170 --> 00:48:28,260

expensive so somehow it's alien

1020

00:48:32,390 --> 00:48:30,180

technology because nobody's willing to

1021

00:48:35,569 --> 00:48:32,400

spend money to develop expensive

1022

00:48:37,190 --> 00:48:35,579

materials really really problematic that

1023

00:48:40,609 --> 00:48:37,200

these people are directly involved in

1024

00:48:42,589 --> 00:48:40,619

this story and I'm sorry if uh you truly

1025

00:48:45,290 --> 00:48:42,599

want to believe it I I want to believe

1026

00:48:46,970 --> 00:48:45,300

the story is true I keep saying this if

1027

00:48:48,530 --> 00:48:46,980

it turns out that this guy's telling the

1028

00:48:50,569 --> 00:48:48,540

truth and he's going to get us the

1029

00:48:52,849 --> 00:48:50,579

evidence and we'll find out that all

1030

00:48:55,849 --> 00:48:52,859

this is true I will cream in my pants

1031

00:48:58,329 --> 00:48:55,859

live on air if I'm live on air when I

1032

00:49:02,690 --> 00:48:58,339

find out if not I'll try to tape myself

1033

00:49:05,150 --> 00:49:02,700

CR having a UFO creamail in my pants

1034

00:49:07,910 --> 00:49:05,160

right so

1035

00:49:10,609 --> 00:49:07,920

to people who think I'm too skeptical or

1036

00:49:12,770 --> 00:49:10,619

you know just wait and see I'm waiting

1037

00:49:14,569 --> 00:49:12,780

and seeing but in the meantime things

1038

00:49:17,349 --> 00:49:14,579

are not looking good and it's looking

1039

00:49:20,089 --> 00:49:17,359

worse and worse as more time is going on

1040

00:49:22,430 --> 00:49:20,099

uh We've also got the startling

1041

00:49:25,910 --> 00:49:22,440

Revelations that Mr grush didn't talk

1042

00:49:28,370 --> 00:49:25,920

about non-human bodies to Leslie Kane

1043

00:49:30,290 --> 00:49:28,380

and Ralph Blumenthal and then they said

1044

00:49:32,089 --> 00:49:30,300

they didn't want to talk about bodies

1045

00:49:34,970 --> 00:49:32,099

but isn't that a huge part of the story

1046

00:49:37,670 --> 00:49:34,980

and why would you leave that out and

1047

00:49:40,250 --> 00:49:37,680

Kane and Blumenthal have played real

1048

00:49:42,970 --> 00:49:40,260

fast and loose with the facts to push a

1049

00:49:46,490 --> 00:49:42,980

fake story or a fake narrative before

1050

00:49:48,170 --> 00:49:46,500

bigly hugely in the form of their New

1051
00:49:51,170 --> 00:49:48,180
York Times article which was largely

1052
00:49:53,030 --> 00:49:51,180
factually incorrect

1053
00:49:55,089 --> 00:49:53,040
we have wreak in havoc

1054
00:49:58,309 --> 00:49:55,099
uh

1055
00:49:59,750 --> 00:49:58,319
215 who's also a member and a long time

1056
00:50:01,849 --> 00:49:59,760
show supporter with the kind of generous

1057
00:50:03,829 --> 00:50:01,859
999 Super Chat says I've been hearing

1058
00:50:07,849 --> 00:50:03,839
the word whistleblower a lot in the news

1059
00:50:10,010 --> 00:50:07,859
lately more than usual yeah but here's

1060
00:50:13,670 --> 00:50:10,020
the problem uh whistleblowers have

1061
00:50:17,990 --> 00:50:13,680
evidence whistleblowers have proof

1062
00:50:19,790 --> 00:50:18,000
um this guy has stories and and I don't

1063
00:50:21,589 --> 00:50:19,800

think it's a coincidence that all the

1064

00:50:23,690 --> 00:50:21,599

other UFO whistleblowers didn't have

1065

00:50:27,109 --> 00:50:23,700

evidence or proof either they had

1066

00:50:29,569 --> 00:50:27,119

stories and this continual game of wait

1067

00:50:31,670 --> 00:50:29,579

and see amounts to the carrot on the

1068

00:50:34,190 --> 00:50:31,680

stick keep chasing that carrot the

1069

00:50:36,790 --> 00:50:34,200

evidence is coming Bombshells will be

1070

00:50:40,790 --> 00:50:36,800

dropping sure sure

1071

00:50:43,250 --> 00:50:40,800

meanwhile most so many things out of UFO

1072

00:50:45,290 --> 00:50:43,260

land have been blown apart lately as

1073

00:50:48,829 --> 00:50:45,300

completely fake including the go fast

1074

00:50:51,170 --> 00:50:48,839

video the Trinity UFO crash case turns

1075

00:50:53,089 --> 00:50:51,180

out to be a complete and total hoax and

1076

00:50:55,730 --> 00:50:53,099

people push that story made a lot of

1077

00:50:57,470 --> 00:50:55,740

money pushing that story so a lot of

1078

00:51:00,650 --> 00:50:57,480

these stories were literally falling

1079

00:51:03,349 --> 00:51:00,660

apart right before our eyes and suddenly

1080

00:51:04,990 --> 00:51:03,359

you know it's like Dave gresh is like

1081

00:51:07,670 --> 00:51:05,000

the New Hope

1082

00:51:09,950 --> 00:51:07,680

and uh you know I guess it's okay to

1083

00:51:12,829 --> 00:51:09,960

hope I'm just telling people please be

1084

00:51:15,170 --> 00:51:12,839

cautiously optimistic before you put

1085

00:51:18,410 --> 00:51:15,180

your faith in another UFO whistleblower

1086

00:51:20,870 --> 00:51:18,420

because at least for me I I have done

1087

00:51:23,510 --> 00:51:20,880

that many multiple times before and

1088

00:51:25,790 --> 00:51:23,520

eventually got tired of waiting for the

1089

00:51:27,770 --> 00:51:25,800

evidence or the proof that I was

1090

00:51:29,270 --> 00:51:27,780

promised in the first place because it

1091

00:51:31,309 --> 00:51:29,280

never comes with these UFO

1092

00:51:34,190 --> 00:51:31,319

whistleblowers now

1093

00:51:36,650 --> 00:51:34,200

and by the way I hope I'm wrong and I

1094

00:51:38,630 --> 00:51:36,660

hope that you know it's just a

1095

00:51:40,250 --> 00:51:38,640

coincidence that every other UFO

1096

00:51:41,750 --> 00:51:40,260

whistleblower never came through with

1097

00:51:44,150 --> 00:51:41,760

the evidence or proof and this guy's

1098

00:51:45,890 --> 00:51:44,160

going to be different but so far this

1099

00:51:48,829 --> 00:51:45,900

guy doesn't look different especially

1100

00:51:51,470 --> 00:51:48,839

signing up for a documentary deal before

1101

00:51:53,870 --> 00:51:51,480

he even is known and a public person or

1102

00:51:56,690 --> 00:51:53,880

comes out he already had a documentary

1103

00:52:00,170 --> 00:51:56,700

deal in place allegedly and by the way

1104

00:52:02,030 --> 00:52:00,180

people Mr grush or Mr Ross coldthart or

1105

00:52:04,010 --> 00:52:02,040

Gary Nolan can correct me send me an

1106

00:52:05,390 --> 00:52:04,020

email and tell me that he doesn't have a

1107

00:52:08,990 --> 00:52:05,400

documentary deal

1108

00:52:15,710 --> 00:52:09,000

and uh I I will report that accurately

1109

00:52:18,049 --> 00:52:15,720

so um we don't have much more time Mr uh

1110

00:52:21,589 --> 00:52:18,059

Mr clag Lewis is going to be starting

1111

00:52:22,910 --> 00:52:21,599

his show in just a few minutes and he

1112

00:52:25,250 --> 00:52:22,920

will be

1113

00:52:29,569 --> 00:52:27,829

yeah he starts at 10 p.m Eastern so we

1114

00:52:32,210 --> 00:52:29,579

got just a few more minutes and then

1115

00:52:34,430 --> 00:52:32,220

what I'm going to do is you you're going

1116

00:52:37,790 --> 00:52:34,440

to see me drop out I don't want anybody

1117

00:52:41,270 --> 00:52:37,800

to be confused by this but here's here's

1118

00:52:43,730 --> 00:52:41,280

what's happening so we're we're nearing

1119

00:52:46,430 --> 00:52:43,740

the end of the first hour of our very

1120

00:52:50,270 --> 00:52:46,440

special broadcast tonight between Clyde

1121

00:52:53,630 --> 00:52:50,280

Lewis of ground zero and us here at

1122

00:52:57,770 --> 00:52:53,640

truseekers I've done my hour talk on

1123

00:53:00,049 --> 00:52:57,780

what's been happening recently and uh Mr

1124

00:53:03,410 --> 00:53:00,059

Clyde Lewis is up next and he's going to

1125

00:53:06,730 --> 00:53:03,420

be doing an hour-long talk as well

1126
00:53:10,609 --> 00:53:06,740
about many of these issues his talk is

1127
00:53:12,710 --> 00:53:10,619
is different than mine but I think what

1128
00:53:14,750 --> 00:53:12,720
he had to say having had a preview of it

1129
00:53:16,309 --> 00:53:14,760
this guy's such a professional I'm like

1130
00:53:19,130 --> 00:53:16,319
what am I doing doing a show with this

1131
00:53:22,010 --> 00:53:19,140
guy he writes a script for his monologue

1132
00:53:23,569 --> 00:53:22,020
for every show uh I could learn a lot

1133
00:53:25,210 --> 00:53:23,579
from someone as disciplined and

1134
00:53:28,250 --> 00:53:25,220
professional

1135
00:53:33,770 --> 00:53:28,260
it's also interesting I I never knew

1136
00:53:35,990 --> 00:53:33,780
this but Mr Lewis was a voice talent in

1137
00:53:38,630 --> 00:53:36,000
the toxic Avengers series

1138
00:53:40,549 --> 00:53:38,640

uh which I grew up remember that the

1139

00:53:44,089 --> 00:53:40,559

Toxic Avenger the guy with the mop and

1140

00:53:45,950 --> 00:53:44,099

all of that he fell into a vat of toxic

1141

00:53:48,230 --> 00:53:45,960

waste and got super powers but he was

1142

00:53:50,089 --> 00:53:48,240

all mangled and deformed it was a great

1143

00:53:51,770 --> 00:53:50,099

series it was kind of like Ninja Turtles

1144

00:53:54,290 --> 00:53:51,780

before Ninja Turtles

1145

00:53:56,930 --> 00:53:54,300

in any case uh he'll be with us shortly

1146

00:53:59,750 --> 00:53:56,940

so what what's going to happen is you

1147

00:54:01,849 --> 00:53:59,760

won't see me I'm just gonna uh I've got

1148

00:54:05,390 --> 00:54:01,859

a background of the show and of course

1149

00:54:07,970 --> 00:54:05,400

uh Mr Lewis Ground Zero show is audio so

1150

00:54:09,770 --> 00:54:07,980

he'll we'll have the audio here and the

1151
00:54:13,370 --> 00:54:09,780
feed will be playing and you can listen

1152
00:54:16,490 --> 00:54:13,380
along as Mr Lewis gives his talk when

1153
00:54:20,270 --> 00:54:16,500
his show starts and after he does his

1154
00:54:22,190 --> 00:54:20,280
hour I will be live with him and we'll

1155
00:54:25,010 --> 00:54:22,200
have uh I think it's going to be two

1156
00:54:28,549 --> 00:54:25,020
hour long discussion about all of this

1157
00:54:34,250 --> 00:54:28,559
stuff that's been going on is it a as Mr

1158
00:54:39,470 --> 00:54:35,930
sign up

1159
00:54:44,089 --> 00:54:39,480
or is there something to all of this

1160
00:54:45,950 --> 00:54:44,099
uh Mr Lewis and I actually agree on a

1161
00:54:47,569 --> 00:54:45,960
lot of different topics including the

1162
00:54:49,790 --> 00:54:47,579
United States government where we both

1163
00:54:52,130 --> 00:54:49,800

refused to participate we think they're

1164

00:54:54,230 --> 00:54:52,140

all criminals it's rare that I meet

1165

00:54:56,390 --> 00:54:54,240

somebody that has the same philosophy

1166

00:54:58,490 --> 00:54:56,400

about politics that I do which is it's

1167

00:55:00,829 --> 00:54:58,500

all a waste of time just because you

1168

00:55:02,390 --> 00:55:00,839

pick one set of criminals on one side

1169

00:55:04,790 --> 00:55:02,400

that you think are less criminal than

1170

00:55:08,270 --> 00:55:04,800

the criminals on the other side you know

1171

00:55:11,210 --> 00:55:08,280

nothing changes they're all criminals

1172

00:55:14,870 --> 00:55:11,220

so I'm going to drop out here and then

1173

00:55:17,930 --> 00:55:14,880

we're gonna play the feed from his from

1174

00:55:20,870 --> 00:55:17,940

him uh one second let me get that so

1175

00:55:24,109 --> 00:55:20,880

that's ready and available and so this

1176

00:55:25,569 --> 00:55:24,119

is an interesting uh Adventure tonight

1177

00:55:28,609 --> 00:55:25,579

it's kind of like old school

1178

00:55:30,589 --> 00:55:28,619

simulcasting if you weren't aware back

1179

00:55:33,829 --> 00:55:30,599

in the day radio stations would

1180

00:55:35,930 --> 00:55:33,839

sometimes share broadcast feeds and they

1181

00:55:40,010 --> 00:55:35,940

would help each other to reach a larger

1182

00:55:43,250 --> 00:55:40,020

area and that is quite uh what we are

1183

00:55:45,710 --> 00:55:43,260

doing tonight uh let um let me see if I

1184

00:55:48,650 --> 00:55:45,720

can get the feed here

1185

00:55:52,150 --> 00:55:48,660

and I want to thank uh Ron Patton Mr

1186

00:55:54,770 --> 00:55:52,160

Clyde Lewis's producer for making this

1187

00:55:56,750 --> 00:55:54,780

as easy only as possible it's

1188

00:55:58,370 --> 00:55:56,760

interesting we were this is all last

1189

00:56:02,870 --> 00:55:58,380

minute we were not planning to do this

1190

00:56:06,170 --> 00:56:02,880

but I said yeah absolutely uh let's do

1191

00:56:07,849 --> 00:56:06,180

it and do it as sort of a simulcast that

1192

00:56:10,309 --> 00:56:07,859

would be all

1193

00:56:12,829 --> 00:56:10,319

all right so I've got the feed but it's

1194

00:56:14,750 --> 00:56:12,839

not Mr Lewis's show yet he begins in

1195

00:56:16,370 --> 00:56:14,760

just a few minutes here so we'll take

1196

00:56:18,170 --> 00:56:16,380

some comments and questions from the

1197

00:56:20,870 --> 00:56:18,180

live chat

1198

00:56:22,910 --> 00:56:20,880

uh vibrating sound this year I haven't

1199

00:56:26,030 --> 00:56:22,920

seen you in a while welcome well I seen

1200

00:56:28,069 --> 00:56:26,040

you the other night and welcome but I

1201

00:56:30,530 --> 00:56:28,079

mean before that right or am I wrong

1202

00:56:32,150 --> 00:56:30,540

sometimes I'm wrong I I just don't think

1203

00:56:34,010 --> 00:56:32,160

I've seen you around but I'm glad to see

1204

00:56:37,069 --> 00:56:34,020

you Kevin Gerhart is here and says

1205

00:56:39,230 --> 00:56:37,079

Charles Ponzi himself aka the inventor

1206

00:56:41,329 --> 00:56:39,240

of the Ponzi scheme could come out and

1207

00:56:43,490 --> 00:56:41,339

tell a story of a UFO and a large

1208

00:56:47,750 --> 00:56:43,500

percentage of UFO cultists would believe

1209

00:56:49,250 --> 00:56:47,760

it no questions asked yeah I I think

1210

00:56:51,230 --> 00:56:49,260

that you're right A lot of these people

1211

00:56:52,790 --> 00:56:51,240

they don't care about the evidence they

1212

00:56:54,589 --> 00:56:52,800

just want people to confirm what they

1213

00:56:57,710 --> 00:56:54,599

already believe and that's enough for

1214

00:57:00,109 --> 00:56:57,720

them and that's problematic Randy 1979

1215

00:57:01,970 --> 00:57:00,119

says I believe medium-sized nuclear

1216

00:57:04,430 --> 00:57:01,980

plants can be built that can run for 50

1217

00:57:07,609 --> 00:57:04,440

years refuel once and run for another 50

1218

00:57:08,690 --> 00:57:07,619

years you are correct same goes for I

1219

00:57:11,030 --> 00:57:08,700

think

1220

00:57:12,290 --> 00:57:11,040

um nuclear aircraft carriers don't need

1221

00:57:15,349 --> 00:57:12,300

to be fueled

1222

00:57:17,089 --> 00:57:15,359

uh uh except every couple of decades I

1223

00:57:18,950 --> 00:57:17,099

believe I could be wrong somebody check

1224

00:57:21,109 --> 00:57:18,960

fact check me on that

1225

00:57:23,210 --> 00:57:21,119

Michael says I feel like the whole UFO

1226

00:57:25,490 --> 00:57:23,220

topic is like that girl in college who

1227

00:57:28,069 --> 00:57:25,500

just drags you along you want to believe

1228

00:57:29,329 --> 00:57:28,079

so bad that she's into you that you

1229

00:57:32,329 --> 00:57:29,339

close off and convince yourself

1230

00:57:34,609 --> 00:57:32,339

regardless of any red flags yeah I've

1231

00:57:37,250 --> 00:57:34,619

been there I've been there Michael right

1232

00:57:39,530 --> 00:57:37,260

you know what's the worst is a nice girl

1233

00:57:41,750 --> 00:57:39,540

I always feel because you know how men

1234

00:57:44,270 --> 00:57:41,760

are stupid and just because just because

1235

00:57:46,430 --> 00:57:44,280

a girl is nice to us we think she's into

1236

00:57:47,930 --> 00:57:46,440

me dude she's got to be she's so nice to

1237

00:57:52,370 --> 00:57:47,940

me she's always smiling at me and she's

1238

00:57:55,370 --> 00:57:52,380

nice right we're idiots right so just

1239

00:57:57,710 --> 00:57:55,380

because she wasn't nasty to you or like

1240

00:58:04,670 --> 00:57:57,720

rude to you you somehow think that means

1241

00:58:08,750 --> 00:58:06,290

yeah

1242

00:58:10,549 --> 00:58:08,760

uh unknown sender is correct there are

1243

00:58:13,790 --> 00:58:10,559

corroded nuclear power plants that are

1244

00:58:16,130 --> 00:58:13,800

being shut down I I have heard that I

1245

00:58:17,270 --> 00:58:16,140

have absolutely heard that uh I'm not

1246

00:58:19,190 --> 00:58:17,280

quite sure

1247

00:58:21,230 --> 00:58:19,200

foxglove says the way government should

1248

00:58:23,750 --> 00:58:21,240

be I think of government as one guy in

1249

00:58:27,589 --> 00:58:23,760

an office making unimportant decisions

1250

00:58:29,630 --> 00:58:27,599

says Ron Swenson yeah yeah archaic

1251
00:58:32,690 --> 00:58:29,640
revival is here holding down the twitch

1252
00:58:36,230 --> 00:58:32,700
chat and says Bombshells bro yeah I I

1253
00:58:38,329 --> 00:58:36,240
totally I totally agree with that

1254
00:58:39,890 --> 00:58:38,339
um so I want to be clear in saying that

1255
00:58:41,630 --> 00:58:39,900
you're not going to see me for the next

1256
00:58:44,870 --> 00:58:41,640
hour

1257
00:58:47,569 --> 00:58:44,880
um Mr Clyde Lewis of ground zero is

1258
00:58:49,250 --> 00:58:47,579
going to be doing an hour himself of a

1259
00:58:51,710 --> 00:58:49,260
presentation or some thoughts or

1260
00:58:55,430 --> 00:58:51,720
monologue kind of like I did just now

1261
00:58:57,109 --> 00:58:55,440
and uh you know I'm gonna be I'm going

1262
00:58:58,789 --> 00:58:57,119
to be right here with you I'll be in the

1263
00:59:01,370 --> 00:58:58,799

live chat that's what I'll do I'll come

1264

00:59:03,829 --> 00:59:01,380

in the live chat and be speaking with

1265

00:59:08,390 --> 00:59:03,839

you while we listen to Mr Clyde Lewis's

1266

00:59:11,150 --> 00:59:08,400

uh thoughts on these latest uh stories

1267

00:59:13,609 --> 00:59:11,160

uh we had a chance to talk today and I

1268

00:59:17,150 --> 00:59:13,619

should mention that I talked to him and

1269

00:59:20,809 --> 00:59:17,160

uh from contact in the desert by video

1270

00:59:22,549 --> 00:59:20,819

call uh with our friend Brian Gable from

1271

00:59:25,190 --> 00:59:22,559

the secret teachings

1272

00:59:27,530 --> 00:59:25,200

Andrew masonette is here with Kylie

1273

00:59:29,210 --> 00:59:27,540

Jenner's 10 super chat so has been

1274

00:59:31,670 --> 00:59:29,220

waiting since I started listening to you

1275

00:59:33,650 --> 00:59:31,680

for you to be a guest on Ground Zero you

1276

00:59:35,630 --> 00:59:33,660

deserve to be heard on the radio thank

1277

00:59:38,270 --> 00:59:35,640

you I appreciate that and I gotta tell

1278

00:59:41,630 --> 00:59:38,280

you it is it's a thrill for me I've been

1279

00:59:43,609 --> 00:59:41,640

on the radio a few times before uh in my

1280

00:59:45,950 --> 00:59:43,619

life but this is the I think this is the

1281

00:59:49,549 --> 00:59:45,960

first time that true Seekers is going on

1282

00:59:50,809 --> 00:59:49,559

terrestrial radio and uh boy I gotta get

1283

00:59:52,549 --> 00:59:50,819

with them and figure out how to hook

1284

00:59:55,010 --> 00:59:52,559

that up for us every night that would be

1285

00:59:56,870 --> 00:59:55,020

awesome I know it's on in Portland and I

1286

00:59:59,270 --> 00:59:56,880

think a few other cities I'm not quite

1287

01:00:01,970 --> 00:59:59,280

sure how they work that out but they do

1288

01:00:04,370 --> 01:00:01,980

he also has a YouTube channel which I'll

1289

01:00:07,010 --> 01:00:04,380

be sharing in the live chat I will pin

1290

01:00:08,569 --> 01:00:07,020

it I'm a terrible show host uh but yes

1291

01:00:12,829 --> 01:00:08,579

the first time that I will be appearing

1292

01:00:16,309 --> 01:00:12,839

as a guest on a show and we'll be on uh

1293

01:00:18,650 --> 01:00:16,319

will be on terrestrial radio and uh so I

1294

01:00:21,109 --> 01:00:18,660

gotta get with the plugs right gotta

1295

01:00:23,089 --> 01:00:21,119

push our channel here I'm sure some of

1296

01:00:25,490 --> 01:00:23,099

those people if they got radios they

1297

01:00:28,490 --> 01:00:25,500

might have computers and phones and know

1298

01:00:31,010 --> 01:00:28,500

about the internet too I'm hoping uh

1299

01:00:33,230 --> 01:00:31,020

that we can uh persuade some to come

1300

01:00:35,690 --> 01:00:33,240

over and check us out here and if you're

1301
01:00:41,170 --> 01:00:35,700
new to the channel uh I appreciate you

1302
01:00:46,250 --> 01:00:43,309
I think that there were some people

1303
01:00:49,430 --> 01:00:46,260
since Mr Lewis's show starts an hour

1304
01:00:51,829 --> 01:00:49,440
after this that hopped in here and if

1305
01:00:54,410 --> 01:00:51,839
you're one of those people welcome

1306
01:01:00,170 --> 01:00:54,420
um I'm excited to do this oh let's see

1307
01:01:08,630 --> 01:01:03,230
Let me refresh it sounds like

1308
01:01:16,430 --> 01:01:12,349
yeah we have the feed friends so it's a

1309
01:01:19,549 --> 01:01:16,440
commercial I think or intro right now

1310
01:01:23,630 --> 01:01:22,130
thank you all for being here let's get

1311
01:01:25,970 --> 01:01:23,640
ready friends I'm gonna come into the

1312
01:01:28,849 --> 01:01:25,980
live chat we've got Clyde Lewis from

1313
01:01:31,970 --> 01:01:28,859

Ground Zero his broadcast standing by

1314

01:01:34,250 --> 01:01:31,980

for simulcast here let's get into it

1315

01:01:34,260 --> 01:01:41,450

one second

1316

01:01:51,190 --> 01:01:43,490

can you guys hear that please somebody

1317

01:01:56,690 --> 01:01:54,410

yeah it's Ground Zero

1318

01:01:58,809 --> 01:01:56,700

we've reached Ground Zero friends so I'm

1319

01:02:01,849 --> 01:01:58,819

gonna pop out of here

1320

01:02:05,589 --> 01:02:01,859

okay we've got the audio let me make

1321

01:02:07,849 --> 01:02:05,599

sure it's up all the way I'm Clark Lewis

1322

01:02:10,789 --> 01:02:07,859

and this

1323

01:02:12,410 --> 01:02:10,799

yeah it's Ground Zero zero awesome I'm

1324

01:02:13,490 --> 01:02:12,420

gonna pop out of here friends I'll be in

1325

01:02:15,470 --> 01:02:13,500

the live chat

1326

01:02:15,790 --> 01:02:15,480

let's have a good time tonight this is

1327

01:02:21,650 --> 01:02:15,800

awesome

1328

01:02:21,660 --> 01:02:29,150

or 866-536-7469

1329

01:02:32,750 --> 01:02:30,890

forgive me for not hopping on this when

1330

01:02:34,010 --> 01:02:32,760

we have the opportunity but uh we

1331

01:02:36,470 --> 01:02:34,020

couldn't

1332

01:02:38,930 --> 01:02:36,480

hop on this because we were shut down at

1333

01:02:43,430 --> 01:02:41,690

at times when I you know

1334

01:02:45,170 --> 01:02:43,440

I just come off as being really

1335

01:02:47,089 --> 01:02:45,180

irritated and I am irritated when this

1336

01:02:48,710 --> 01:02:47,099

stuff happens you know I talked a little

1337

01:02:51,470 --> 01:02:48,720

bit about it last night

1338

01:02:53,450 --> 01:02:51,480

but I get really irritated when you

1339

01:02:54,770 --> 01:02:53,460

depend on your electronics you depend on

1340

01:02:56,450 --> 01:02:54,780

the internet you depend on all these

1341

01:02:57,950 --> 01:02:56,460

things you find out just how crippled

1342

01:03:00,710 --> 01:02:57,960

you are

1343

01:03:03,530 --> 01:03:02,390

I've always said that ground zero

1344

01:03:06,470 --> 01:03:03,540

wouldn't exist if it weren't for the

1345

01:03:08,750 --> 01:03:06,480

internet I mean what we started in 95.

1346

01:03:10,069 --> 01:03:08,760

figured out we started in 95 the

1347

01:03:12,289 --> 01:03:10,079

internet to me was fun it was

1348

01:03:14,450 --> 01:03:12,299

interesting then I was working another

1349

01:03:18,589 --> 01:03:14,460

job at the time uh creating internet

1350

01:03:20,410 --> 01:03:18,599

content we were broadcasting Art Bell on

1351

01:03:23,569 --> 01:03:20,420

real audio

1352

01:03:26,150 --> 01:03:23,579

15K I mean come on

1353

01:03:27,890 --> 01:03:26,160

this was exciting for us it was exciting

1354

01:03:29,630 --> 01:03:27,900

time and I had this guy who always

1355

01:03:31,069 --> 01:03:29,640

wondered he just sits there and stares

1356

01:03:32,870 --> 01:03:31,079

at his website

1357

01:03:35,030 --> 01:03:32,880

because I used to have my first website

1358

01:03:37,130 --> 01:03:35,040

I had

1359

01:03:39,410 --> 01:03:37,140

was done by a guy named I think his name

1360

01:03:41,329 --> 01:03:39,420

was Scottie Jorgensen he was a cello

1361

01:03:42,829 --> 01:03:41,339

player well no he was a heart player he

1362

01:03:46,190 --> 01:03:42,839

played a harp he called himself hell's

1363

01:03:48,309 --> 01:03:46,200

harpist the guy designed my website all

1364

01:03:51,289 --> 01:03:48,319

right he designed it with these towers

1365

01:03:54,470 --> 01:03:51,299

and animated flames coming up out of

1366

01:03:57,049 --> 01:03:54,480

these uh these lamps and alien heads

1367

01:03:58,910 --> 01:03:57,059

blinking and I was like wow it was like

1368

01:04:00,289 --> 01:03:58,920

something out of it was like Doom or

1369

01:04:02,569 --> 01:04:00,299

Diablo

1370

01:04:05,510 --> 01:04:02,579

like like what Mitch is playing right

1371

01:04:07,609 --> 01:04:05,520

now twitch.tv son of Ground Zero he's in

1372

01:04:09,349 --> 01:04:07,619

there right now playing Diablo four

1373

01:04:11,569 --> 01:04:09,359

and uh if you want to go and say hi to

1374

01:04:13,430 --> 01:04:11,579

him he's out there doing it

1375

01:04:15,589 --> 01:04:13,440

but it was like that it looked like

1376

01:04:17,630 --> 01:04:15,599

something out of a doom gamer Diablo 4K

1377

01:04:19,970 --> 01:04:17,640

and I just stared at it so I'm thinking

1378

01:04:22,309 --> 01:04:19,980

this is my window this is my selling

1379

01:04:24,710 --> 01:04:22,319

place this is what I do

1380

01:04:27,230 --> 01:04:24,720

it reflects me and every time I do a new

1381

01:04:28,670 --> 01:04:27,240

design or a new whatever I would I would

1382

01:04:30,109 --> 01:04:28,680

like I think the worst design I ever did

1383

01:04:31,910 --> 01:04:30,119

is I went all blue once because somebody

1384

01:04:34,069 --> 01:04:31,920

said well you know blue calms people

1385

01:04:35,390 --> 01:04:34,079

down and it's very good for business no

1386

01:04:38,510 --> 01:04:35,400

blue sucks

1387

01:04:41,809 --> 01:04:38,520

what I get for hiring a consultant that

1388

01:04:45,890 --> 01:04:43,260

hello this is the president

1389

01:04:47,510 --> 01:04:45,900

[Music]

1390

01:04:49,549 --> 01:04:47,520

hello this is the president of the

1391

01:04:53,390 --> 01:04:49,559

United States

1392

01:04:57,710 --> 01:04:56,390

you again look behind you this is my

1393

01:04:59,210 --> 01:04:57,720

private line

1394

01:05:02,030 --> 01:04:59,220

how did you get through

1395

01:05:05,510 --> 01:05:02,040

they're everywhere all the time

1396

01:05:08,109 --> 01:05:05,520

receiving every day but you have to look

1397

01:05:11,340 --> 01:05:08,119

behind you there is nothing behind me

1398

01:05:13,630 --> 01:05:11,350

how did you

1399

01:05:16,250 --> 01:05:13,640

[Music]

1400

01:05:19,670 --> 01:05:16,260

it doesn't matter

1401
01:05:24,170 --> 01:05:19,680
and telling you about monsters please

1402
01:05:24,180 --> 01:05:28,670
must in the Oval Office

1403
01:05:39,549 --> 01:05:32,130
[Music]

1404
01:05:39,559 --> 01:05:44,960
the loudspeakers spoke up and said

1405
01:06:22,510 --> 01:05:47,690
[Music]

1406
01:06:26,470 --> 01:06:24,270
I'm Clyde Lewis

1407
01:06:38,270 --> 01:06:26,480
[Music]

1408
01:06:39,170 --> 01:06:38,280
the numbers to call tonight five zero

1409
01:06:41,990 --> 01:06:39,180
three

1410
01:06:45,289 --> 01:06:42,000
two two five zero

1411
01:06:47,029 --> 01:06:45,299
860 or 866

1412
01:06:48,950 --> 01:06:47,039
-536

1413
01:06:51,829 --> 01:06:48,960

7469

1414

01:06:54,289 --> 01:06:51,839

that is toll-free

1415

01:06:57,049 --> 01:06:54,299

like to say hello to everybody

1416

01:06:59,089 --> 01:06:57,059

in aftermath chat aftermath dot media

1417

01:07:00,349 --> 01:06:59,099

sign up today take part in aftermath

1418

01:07:02,390 --> 01:07:00,359

chat a lot of people

1419

01:07:06,289 --> 01:07:02,400

watching us on video

1420

01:07:07,730 --> 01:07:06,299

also twitch.tv son of Ground Zero my son

1421

01:07:09,529 --> 01:07:07,740

is playing his games tonight and

1422

01:07:10,549 --> 01:07:09,539

listening to the show if you want to if

1423

01:07:12,789 --> 01:07:10,559

you're a gamer you want to play along

1424

01:07:17,029 --> 01:07:12,799

just go ahead and check out twitch.tv

1425

01:07:19,010 --> 01:07:17,039

sonogram Zero have a good time there

1426

01:07:23,329 --> 01:07:19,020

so it's been a few weeks

1427

01:07:25,789 --> 01:07:23,339

since there was this huge dump

1428

01:07:26,990 --> 01:07:25,799

this huge dump of UFO information being

1429

01:07:28,970 --> 01:07:27,000

reported

1430

01:07:31,010 --> 01:07:28,980

by the mainstream media it was like it

1431

01:07:35,510 --> 01:07:31,020

spiked into the stratosphere and then

1432

01:07:38,930 --> 01:07:37,130

stories of course were already spinning

1433

01:07:42,470 --> 01:07:38,940

about a family in Las Vegas that claimed

1434

01:07:44,930 --> 01:07:42,480

that a UFO crashed in their back lot

1435

01:07:47,089 --> 01:07:44,940

after police saw what appeared to be a

1436

01:07:48,650 --> 01:07:47,099

blue light coming down

1437

01:07:50,630 --> 01:07:48,660

in the neighborhood and they were

1438

01:07:55,309 --> 01:07:50,640

terrified

1439

01:07:57,109 --> 01:07:55,319

was believed they were harassed by

1440

01:07:59,930 --> 01:07:57,119

Unknown People some people say it was

1441

01:08:02,390 --> 01:07:59,940

mufon others say it was Men in Black

1442

01:08:04,069 --> 01:08:02,400

they showed up in sedans

1443

01:08:06,349 --> 01:08:04,079

and then the family just disappeared

1444

01:08:07,849 --> 01:08:06,359

they fell off the radar

1445

01:08:10,130 --> 01:08:07,859

not speaking to anyone including George

1446

01:08:13,069 --> 01:08:10,140

Knapp of klas so of course you don't

1447

01:08:15,049 --> 01:08:13,079

talk to George Knapp and you're done

1448

01:08:17,209 --> 01:08:15,059

well another UFO story that barely got

1449

01:08:18,709 --> 01:08:17,219

coverage was of witnesses that claimed

1450

01:08:22,130 --> 01:08:18,719

that they saw a pair

1451

01:08:23,390 --> 01:08:22,140
of F-16 scrambled to engage a in a in a

1452

01:08:26,870 --> 01:08:23,400
dog fight

1453

01:08:29,090 --> 01:08:26,880
with a UFO near bad ax Michigan that was

1454

01:08:32,390 --> 01:08:29,100
back on June 3rd that's according to a

1455

01:08:33,590 --> 01:08:32,400
report it was filed at the National UFO

1456

01:08:36,050 --> 01:08:33,600
Reporting Center the only witness

1457

01:08:39,169 --> 01:08:36,060
identified by name

1458

01:08:40,970 --> 01:08:39,179
it was uh he was identified by the Huron

1459

01:08:42,530 --> 01:08:40,980
Daily tribute his name was Christopher

1460

01:08:45,169 --> 01:08:42,540
bilbrey

1461

01:08:47,030 --> 01:08:45,179
and he told here on daily tribute he

1462

01:08:48,289 --> 01:08:47,040
said that the UFO was extremely fast it

1463

01:08:49,669 --> 01:08:48,299

was capable of overtaking and out

1464

01:08:51,410 --> 01:08:49,679

maneuvering the fighter jets with

1465

01:08:53,150 --> 01:08:51,420

extreme ease

1466

01:08:54,829 --> 01:08:53,160

it would overtake a jet stop suddenly

1467

01:08:57,289 --> 01:08:54,839

and seem to turn towards the incoming

1468

01:08:58,630 --> 01:08:57,299

Jets spinning around and he also claimed

1469

01:09:01,130 --> 01:08:58,640

one of the fighter jets fired

1470

01:09:03,829 --> 01:09:01,140

anti-missile flares

1471

01:09:06,470 --> 01:09:03,839

during the engagement

1472

01:09:08,390 --> 01:09:06,480

but you know looking over some of the

1473

01:09:09,590 --> 01:09:08,400

other stories surrounding this you know

1474

01:09:12,050 --> 01:09:09,600

the authorities

1475

01:09:13,130 --> 01:09:12,060

had more questions than answers unlike

1476

01:09:16,430 --> 01:09:13,140

the

1477

01:09:17,870 --> 01:09:16,440

admitted to seeing something fall out of

1478

01:09:19,970 --> 01:09:17,880

the sky local authorities in the region

1479

01:09:22,249 --> 01:09:19,980

have no idea

1480

01:09:24,110 --> 01:09:22,259

what the hell happened what or if

1481

01:09:26,030 --> 01:09:24,120

anything happened

1482

01:09:29,390 --> 01:09:26,040

Huron County Sheriff Kelly Hanson told

1483

01:09:31,370 --> 01:09:29,400

the Huron Daily his office

1484

01:09:32,990 --> 01:09:31,380

has no records of any reports seems like

1485

01:09:34,849 --> 01:09:33,000

something you'd call the police for if

1486

01:09:36,349 --> 01:09:34,859

you saw f-16s deploying flares during a

1487

01:09:38,870 --> 01:09:36,359

dogfight over Michigan

1488

01:09:41,209 --> 01:09:38,880

I guess none of the witnesses thought to

1489

01:09:43,130 --> 01:09:41,219

call the police

1490

01:09:44,990 --> 01:09:43,140

or the police have covered it up who

1491

01:09:47,689 --> 01:09:45,000

knows

1492

01:09:50,150 --> 01:09:47,699

and so what this does is the the UFO

1493

01:09:52,010 --> 01:09:50,160

scene overly Huron

1494

01:09:54,890 --> 01:09:52,020

triggers for me

1495

01:09:56,930 --> 01:09:54,900

the memory of the balloon incidents well

1496

01:09:58,910 --> 01:09:56,940

the Chinese balloon incident it was you

1497

01:10:00,650 --> 01:09:58,920

know Chinese balloon that was seen

1498

01:10:03,530 --> 01:10:00,660

flying over our missile silos and other

1499

01:10:05,810 --> 01:10:03,540

objects that were seen as well as well

1500

01:10:08,030 --> 01:10:05,820

saw these cylindrical objects that were

1501

01:10:11,870 --> 01:10:08,040

not identified

1502

01:10:13,430 --> 01:10:11,880

uh and of course Chuck Schumer went on

1503

01:10:15,290 --> 01:10:13,440

the news and said well they're all

1504

01:10:17,990 --> 01:10:15,300

balloons

1505

01:10:20,090 --> 01:10:18,000

and of course none of the cylindrical

1506

01:10:22,850 --> 01:10:20,100

objects were identified

1507

01:10:24,350 --> 01:10:22,860

no corporations or countries including

1508

01:10:26,750 --> 01:10:24,360

China admitted that the objects were

1509

01:10:28,550 --> 01:10:26,760

commercial or even weather balloons

1510

01:10:30,050 --> 01:10:28,560

so the media was quick to sensationalize

1511

01:10:31,189 --> 01:10:30,060

the incidents and what some people are

1512

01:10:32,930 --> 01:10:31,199

concluding

1513

01:10:35,330 --> 01:10:32,940

they were all part of some massive

1514

01:10:39,410 --> 01:10:35,340

psychological operations some psyop a

1515

01:10:42,470 --> 01:10:40,910

United States military and the United

1516

01:10:44,450 --> 01:10:42,480

States intelligence Community are still

1517

01:10:46,130 --> 01:10:44,460

trying to sort out the details about the

1518

01:10:49,370 --> 01:10:46,140

three objects

1519

01:10:51,590 --> 01:10:49,380

they remain unidentified

1520

01:10:53,330 --> 01:10:51,600

and they were shot down of course many

1521

01:10:55,070 --> 01:10:53,340

of them not found shot down in different

1522

01:10:56,689 --> 01:10:55,080

areas within American and Canadian

1523

01:10:58,910 --> 01:10:56,699

airspace and it happened last February

1524

01:11:00,530 --> 01:10:58,920

one organization has remained noticeably

1525

01:11:02,149 --> 01:11:00,540

absent for much of the official

1526

01:11:05,030 --> 01:11:02,159

disclosures about the responses to these

1527

01:11:07,310 --> 01:11:05,040

incidents Pentagon of course came up

1528

01:11:10,189 --> 01:11:07,320

with the aaro or the all domain anomaly

1529

01:11:11,689 --> 01:11:10,199

resolution office the aaro will not

1530

01:11:13,370 --> 01:11:11,699

report nor will they give any

1531

01:11:16,490 --> 01:11:13,380

information about the objects that were

1532

01:11:18,649 --> 01:11:16,500

downed of the Chinese balloon

1533

01:11:19,910 --> 01:11:18,659

so this is very conspicuous very curious

1534

01:11:22,490 --> 01:11:19,920

since the office was created

1535

01:11:23,570 --> 01:11:22,500

specifically to focus on issues relating

1536

01:11:26,810 --> 01:11:23,580

to

1537

01:11:30,530 --> 01:11:26,820

unidentified aerial phenomena

1538

01:11:31,970 --> 01:11:30,540

so it's like a broken arrow aaro the old

1539

01:11:33,470 --> 01:11:31,980

place broken down because they just

1540

01:11:35,930 --> 01:11:33,480

don't want to comment on what was shot

1541

01:11:38,390 --> 01:11:35,940

down during that time

1542

01:11:41,090 --> 01:11:38,400

if you remember it was uh you know

1543

01:11:43,490 --> 01:11:41,100

pretty amazing how reporters were trying

1544

01:11:45,470 --> 01:11:43,500

to talk about the case especially I was

1545

01:11:47,630 --> 01:11:45,480

watching CNN follow the cases they kept

1546

01:11:50,149 --> 01:11:47,640

on cutting back saying this is unusual

1547

01:11:51,530 --> 01:11:50,159

this is unusual the the pilots say their

1548

01:11:53,270 --> 01:11:51,540

radar was turned off when they came

1549

01:11:55,370 --> 01:11:53,280

close to the object this is unusual it's

1550

01:11:57,050 --> 01:11:55,380

cylindrical about the size of a car this

1551

01:11:58,790 --> 01:11:57,060

is unusual I just remember all that it

1552

01:12:00,890 --> 01:11:58,800

was like it was yesterday and then Chuck

1553

01:12:02,990 --> 01:12:00,900

Schumer comes on acting all I I knew

1554

01:12:04,430 --> 01:12:03,000

everything I'm Chuck Schumer and he

1555

01:12:07,250 --> 01:12:04,440

assured everyone that the objects were

1556

01:12:08,870 --> 01:12:07,260

balloons the very uh agency is supposed

1557

01:12:10,010 --> 01:12:08,880

to give the final report is remaining

1558

01:12:11,930 --> 01:12:10,020

silent they didn't say anything they

1559

01:12:13,910 --> 01:12:11,940

didn't file a report

1560

01:12:16,189 --> 01:12:13,920

it just let it go

1561

01:12:19,790 --> 01:12:16,199

of course the president you know so the

1562

01:12:21,890 --> 01:12:19,800

president organizes his own task force

1563

01:12:23,510 --> 01:12:21,900

after the ballooned incident and after

1564

01:12:25,130 --> 01:12:23,520

the other UFOs

1565

01:12:27,470 --> 01:12:25,140

didn't give it a name that I know of but

1566

01:12:28,790 --> 01:12:27,480

they do have a private investigative

1567

01:12:31,430 --> 01:12:28,800

team

1568

01:12:33,290 --> 01:12:31,440

that is now working on behalf of the

1569

01:12:36,050 --> 01:12:33,300

White House to investigate UFOs I mean

1570

01:12:37,910 --> 01:12:36,060

we already have the aaro

1571

01:12:40,550 --> 01:12:37,920

I mean

1572

01:12:42,410 --> 01:12:40,560

interagency team that's what Biden said

1573

01:12:43,430 --> 01:12:42,420

he started an interagency team to

1574

01:12:45,229 --> 01:12:43,440

monitor investigate and Report

1575

01:12:46,610 --> 01:12:45,239

unidentified aerial objects we have the

1576

01:12:49,669 --> 01:12:46,620

Aro

1577

01:12:53,450 --> 01:12:49,679

which has created over two years ago

1578

01:12:55,910 --> 01:12:53,460

and Mark Rubio or Marco Rubio the uh the

1579

01:12:58,189 --> 01:12:55,920

senator the Republican senator

1580

01:13:00,229 --> 01:12:58,199

he's been very outspoken and he's been

1581

01:13:01,729 --> 01:13:00,239

an advocate for taking UAP sighting

1582

01:13:04,610 --> 01:13:01,739

seriously

1583

01:13:06,890 --> 01:13:04,620

and what's interesting is that I don't

1584

01:13:09,169 --> 01:13:06,900

know if you're familiar with news Nation

1585

01:13:10,430 --> 01:13:09,179

well news nation has really ran with the

1586

01:13:12,649 --> 01:13:10,440

story they've been giving a lot of

1587

01:13:14,149 --> 01:13:12,659

comprehensive coverage to this story as

1588

01:13:15,410 --> 01:13:14,159

putting them on the map actually I think

1589

01:13:17,270 --> 01:13:15,420

that a lot of people are tuning in to

1590

01:13:19,310 --> 01:13:17,280

find out more information about uh both

1591

01:13:20,630 --> 01:13:19,320

David Rush who is The Whistleblower who

1592

01:13:23,149 --> 01:13:20,640

we just heard about I don't want to put

1593

01:13:26,689 --> 01:13:23,159

the car before the horse but they're

1594

01:13:29,510 --> 01:13:26,699

also talking with a lot of people

1595

01:13:33,770 --> 01:13:29,520

in Congress in the Senate asking them

1596

01:13:35,390 --> 01:13:33,780

questions about the aaro why they kept

1597

01:13:37,669 --> 01:13:35,400

quiet on the issue with what happened

1598

01:13:40,310 --> 01:13:37,679

over Lake Michigan and Lake Huron and

1599

01:13:43,070 --> 01:13:40,320

also they did an interview with uh Marco

1600

01:13:45,830 --> 01:13:43,080

Rubio asking about what he felt about

1601
01:13:47,630 --> 01:13:45,840
the David grush whistleblower who came

1602
01:13:49,189 --> 01:13:47,640
forward and said their alien craft that

1603
01:13:52,610 --> 01:13:49,199
we're working on in reverse engineering

1604
01:13:53,689 --> 01:13:52,620
the response is kind of bizarre and

1605
01:13:56,149 --> 01:13:53,699
we'll tell you about that coming up

1606
01:13:58,550 --> 01:13:56,159
503-225

1607
01:13:59,570 --> 01:13:58,560
zero eight sixty or eight six six five

1608
01:14:01,910 --> 01:13:59,580
three six

1609
01:14:04,250 --> 01:14:01,920
seven four six nine you are listening to

1610
01:14:04,700 --> 01:14:04,260
Ground Zero I'm Clyde Lewis and we'll be

1611
01:14:24,520 --> 01:14:04,710
back

1612
01:14:24,530 --> 01:14:29,689
[Music]

1613
01:14:29,699 --> 01:14:37,189

foreign

1614

01:14:41,169 --> 01:14:38,930

hey guys it's Clyde I'm with the Vice

1615

01:14:44,450 --> 01:14:41,179

President of Sales at my Patriot Supply

1616

01:14:46,370 --> 01:14:44,460

Mr Joe reek and he's here tonight to

1617

01:14:48,350 --> 01:14:46,380

talk to us about being prepared you know

1618

01:14:50,149 --> 01:14:48,360

what disaster strikes Pantry Staples are

1619

01:14:51,590 --> 01:14:50,159

the first to vanish what are some of the

1620

01:14:53,870 --> 01:14:51,600

things that people need to stock up on

1621

01:14:56,090 --> 01:14:53,880

in case of a disaster people need to get

1622

01:14:58,010 --> 01:14:56,100

supplied with long-term emergency food

1623

01:14:59,689 --> 01:14:58,020

because of the long shelf life they

1624

01:15:01,490 --> 01:14:59,699

don't have to sit there and actively

1625

01:15:03,830 --> 01:15:01,500

rotate out their emergency food storage

1626

01:15:05,930 --> 01:15:03,840

so they can always have a reliable

1627

01:15:07,910 --> 01:15:05,940

source for food where can people go to

1628

01:15:09,530 --> 01:15:07,920

find all this wonderful food you know we

1629

01:15:12,470 --> 01:15:09,540

partnered with ground zero so you need

1630

01:15:13,970 --> 01:15:12,480

to go to prepare with ground zero.com to

1631

01:15:15,709 --> 01:15:13,980

take advantage of the current specials

1632

01:15:17,930 --> 01:15:15,719

that we offer you'll always save a lot

1633

01:15:19,610 --> 01:15:17,940

more money visiting these websites yeah

1634

01:15:21,169 --> 01:15:19,620

don't be that person scrambling for that

1635

01:15:23,510 --> 01:15:21,179

last crust of bread from your neighbor

1636

01:15:25,669 --> 01:15:23,520

when things go south you should be smart

1637

01:15:27,709 --> 01:15:25,679

and stock up on Staples that you get

1638

01:15:30,290 --> 01:15:27,719

from my Patriot Supply just go to

1639

01:15:32,689 --> 01:15:30,300

prepare with ground zero.com that's

1640

01:15:33,830 --> 01:15:32,699

prepared with ground zero.com Joe reek

1641

01:15:36,229 --> 01:15:33,840

thank you so much for being with us

1642

01:15:38,750 --> 01:15:36,239

today my pleasure Clyde

1643

01:15:41,330 --> 01:15:38,760

following a disaster your home emergency

1644

01:15:43,310 --> 01:15:41,340

kit will be invaluable building a kit

1645

01:15:45,590 --> 01:15:43,320

doesn't take long and you'll be glad you

1646

01:15:48,050 --> 01:15:45,600

did when disaster strikes here's a list

1647

01:15:50,149 --> 01:15:48,060

of items to include a first aid kit

1648

01:15:53,390 --> 01:15:50,159

battery powered or hand crank radio

1649

01:15:56,630 --> 01:15:53,400

flashlight extra batteries an emergency

1650

01:15:58,850 --> 01:15:56,640

whistle cell phone with charger cash and

1651
01:16:01,189 --> 01:15:58,860
small bills a local map with your family

1652
01:16:04,729 --> 01:16:01,199
meeting place identified food and water

1653
01:16:07,490 --> 01:16:04,739
to last two weeks garbage bags dust

1654
01:16:09,830 --> 01:16:07,500
masks and seasonal clothing and Footwear

1655
01:16:11,510 --> 01:16:09,840
add prescription medications or any

1656
01:16:13,550 --> 01:16:11,520
other important items unique to your

1657
01:16:15,950 --> 01:16:13,560
family's needs once you've created your

1658
01:16:18,649 --> 01:16:15,960
kit check food expiry dates once a year

1659
01:16:21,169 --> 01:16:18,659
and update seasonal clothing for growing

1660
01:16:23,149 --> 01:16:21,179
children if you have pets make sure you

1661
01:16:26,209 --> 01:16:23,159
have everything your Furry Friends need

1662
01:16:27,770 --> 01:16:26,219
in an easy to carry grab and go bag to

1663
01:16:30,130 --> 01:16:27,780

learn more about preparing an emergency

1664

01:16:32,689 --> 01:16:30,140

kit visit

1665

01:16:37,310 --> 01:16:32,699

mill.wa.gov forward slash preparedness

1666

01:16:41,090 --> 01:16:39,709

let's face it guys we're living in times

1667

01:16:42,950 --> 01:16:41,100

where the truth is becoming more

1668

01:16:44,450 --> 01:16:42,960

suppressed and censorship is increasing

1669

01:16:46,970 --> 01:16:44,460

in the alarming rate especially on

1670

01:16:48,890 --> 01:16:46,980

social media platforms it's Clyde and I

1671

01:16:51,350 --> 01:16:48,900

want to tell you about a safe and secure

1672

01:16:53,930 --> 01:16:51,360

Digital Playground we put together just

1673

01:16:56,030 --> 01:16:53,940

for you it's aftermath.media

1674

01:16:58,310 --> 01:16:56,040

you get access to thousands of Ground

1675

01:17:00,290 --> 01:16:58,320

Zero archives and podcasts along with

1676

01:17:02,030 --> 01:17:00,300

our private social media groups with

1677

01:17:04,130 --> 01:17:02,040

your basic membership starting at only

1678

01:17:06,709 --> 01:17:04,140

seven dollars a month each subscription

1679

01:17:08,870 --> 01:17:06,719

includes tech support access to the RSS

1680

01:17:11,209 --> 01:17:08,880

feeds along with our own chat room and

1681

01:17:12,830 --> 01:17:11,219

telegram channel in addition the premium

1682

01:17:15,470 --> 01:17:12,840

membership includes research study

1683

01:17:17,689 --> 01:17:15,480

groups webinars a document and movie

1684

01:17:20,570 --> 01:17:17,699

Library a live video stream of ground

1685

01:17:22,729 --> 01:17:20,580

zero a monthly Zoom chat with me and

1686

01:17:24,950 --> 01:17:22,739

other bonus content be sure to check out

1687

01:17:26,209 --> 01:17:24,960

our yearly specials as well sign up

1688

01:17:29,990 --> 01:17:26,219

today while you're thinking about it

1689

01:17:32,390 --> 01:17:30,000

sign up at aftermath.media again that's

1690

01:17:34,130 --> 01:17:32,400

aftermath.me

1691

01:17:35,270 --> 01:17:34,140

hey guys it's Clyde you know we've had a

1692

01:17:36,770 --> 01:17:35,280

lot of requests for Ground Zero

1693

01:17:39,169 --> 01:17:36,780

merchandise so we put together an online

1694

01:17:40,910 --> 01:17:39,179

store with a big variety of high quality

1695

01:17:42,890 --> 01:17:40,920

items I'm really excited to let you know

1696

01:17:45,110 --> 01:17:42,900

about these things we have a lot to

1697

01:17:46,550 --> 01:17:45,120

offer you and your loved ones in

1698

01:17:48,890 --> 01:17:46,560

addition to our regular apparel such as

1699

01:17:50,630 --> 01:17:48,900

t-shirts beanies hoodies and hats we've

1700

01:17:52,970 --> 01:17:50,640

expanded our product line with posters

1701

01:17:54,770 --> 01:17:52,980

Flags aprons mugs and a whole lot more

1702

01:17:56,390 --> 01:17:54,780

we also have Ground Zero Collectibles

1703

01:17:58,669 --> 01:17:56,400

along with a limited edition of items

1704

01:18:00,290 --> 01:17:58,679

like a slight Lewis canvas portrait a

1705

01:18:02,090 --> 01:18:00,300

ground zero embroidered jacket that will

1706

01:18:03,470 --> 01:18:02,100

certainly make for great gifts and for

1707

01:18:05,090 --> 01:18:03,480

interesting conversations with family

1708

01:18:06,830 --> 01:18:05,100

and friends and we now offer

1709

01:18:09,410 --> 01:18:06,840

Publications such as Ron Patton's book

1710

01:18:11,330 --> 01:18:09,420

about mind control mkzine and back

1711

01:18:12,550 --> 01:18:11,340

copies of the official magazine of

1712

01:18:15,050 --> 01:18:12,560

Ground Zero while it was in print

1713

01:18:17,570 --> 01:18:15,060

paranoia the conspiracy reader also

1714

01:18:19,130 --> 01:18:17,580

coming in 2023 our updated and revised

1715

01:18:20,930 --> 01:18:19,140

books that I've written there's a

1716

01:18:23,689 --> 01:18:20,940

Securities to use shopping cart for your

1717

01:18:25,910 --> 01:18:23,699

purchases so shop today at our official

1718

01:18:40,510 --> 01:18:25,920

store by going to Ground Zero merch.com

1719

01:18:45,470 --> 01:18:42,649

all this stuff started coming out the

1720

01:18:47,990 --> 01:18:45,480

Las Vegas thing that you know the brush

1721

01:18:49,729 --> 01:18:48,000

thing all this stuff coming out

1722

01:18:52,850 --> 01:18:49,739

Ryan Gable came on gave his thoughts

1723

01:18:54,530 --> 01:18:52,860

about he says man if this is all a hoax

1724

01:18:56,450 --> 01:18:54,540

but it's certainly going to embarrass

1725

01:18:59,149 --> 01:18:56,460

people it's going to embarrass a lot of

1726

01:19:01,010 --> 01:18:59,159

people right I thought yeah it's true I

1727

01:19:03,830 --> 01:19:01,020

mean and for the longest time we had

1728

01:19:07,189 --> 01:19:03,840

nothing being said nothing

1729

01:19:09,470 --> 01:19:07,199

and then Marco Rubio ends up uh coming

1730

01:19:13,610 --> 01:19:09,480

on news Nation

1731

01:19:16,070 --> 01:19:13,620

and uh and he had a lot to say about

1732

01:19:18,350 --> 01:19:16,080

what's going on and and the grush

1733

01:19:21,350 --> 01:19:18,360

situation here's here's his account

1734

01:19:22,610 --> 01:19:21,360

listen to this let's hold on technical

1735

01:19:25,669 --> 01:19:22,620

difficulties we'll be back with that in

1736

01:19:27,110 --> 01:19:25,679

just a bit but in the meantime uh oh we

1737

01:19:29,030 --> 01:19:27,120

got the clip okay here we go let's get

1738

01:19:32,450 --> 01:19:29,040

the clip up there we go all right this

1739

01:19:34,370 --> 01:19:32,460

is Marco Rubio speak okay

1740

01:19:37,790 --> 01:19:34,380

something's happening with this Marco

1741

01:19:39,709 --> 01:19:37,800

Rubio speaking to news Nation about the

1742

01:19:40,850 --> 01:19:39,719

whistleblowers coming forward people say

1743

01:19:42,890 --> 01:19:40,860

there are people that have come forward

1744

01:19:45,050 --> 01:19:42,900

to share information with our committee

1745

01:19:46,370 --> 01:19:45,060

over the last couple of years I would

1746

01:19:47,870 --> 01:19:46,380

imagine some of them are potentially

1747

01:19:49,910 --> 01:19:47,880

some of the same people that perhaps

1748

01:19:51,169 --> 01:19:49,920

he's referring to I want to be very

1749

01:19:52,550 --> 01:19:51,179

protective of these people a lot of

1750

01:19:54,290 --> 01:19:52,560

these people came to us even before

1751

01:19:56,510 --> 01:19:54,300

these protections were in the law or

1752

01:19:59,090 --> 01:19:56,520

whistleblowers to come forward sorry

1753

01:20:00,590 --> 01:19:59,100

people who have had first-hand knowledge

1754

01:20:02,209 --> 01:20:00,600

who claim to have firsthand knowledge of

1755

01:20:04,370 --> 01:20:02,219

seeing this type of thing or have

1756

01:20:06,410 --> 01:20:04,380

firsthand knowledge or firsthand claims

1757

01:20:07,970 --> 01:20:06,420

of certain things uh some are public

1758

01:20:09,950 --> 01:20:07,980

figures you know and and you've heard

1759

01:20:12,709 --> 01:20:09,960

from them in the past others

1760

01:20:13,910 --> 01:20:12,719

um you know have not shared publicly and

1761

01:20:15,290 --> 01:20:13,920

so we're trying to gather as much of

1762

01:20:16,310 --> 01:20:15,300

that information as we can but and the

1763

01:20:17,870 --> 01:20:16,320

reason why I'm being cautious about

1764

01:20:19,430 --> 01:20:17,880

trying to be evasive but I am trying to

1765

01:20:20,510 --> 01:20:19,440

be protective of these people some of

1766

01:20:22,250 --> 01:20:20,520

these people still work in the

1767

01:20:24,770 --> 01:20:22,260

government and frankly a lot of them are

1768

01:20:27,110 --> 01:20:24,780

very fearful of their jobs fearful their

1769

01:20:29,570 --> 01:20:27,120

clearances fearful of their career and

1770

01:20:31,370 --> 01:20:29,580

and and some frankly are fearful of harm

1771

01:20:32,810 --> 01:20:31,380

coming to them so that category of

1772

01:20:34,250 --> 01:20:32,820

people who have first-hand knowledge who

1773

01:20:36,530 --> 01:20:34,260

say they have actually seen these kinds

1774

01:20:39,350 --> 01:20:36,540

of things do you find many of them

1775

01:20:41,570 --> 01:20:39,360

credible well I don't find them either

1776

01:20:43,550 --> 01:20:41,580

not credible or credible because we have

1777

01:20:44,870 --> 01:20:43,560

no basis about we understand some of

1778

01:20:46,490 --> 01:20:44,880

these claims are things that are Beyond

1779

01:20:48,530 --> 01:20:46,500

sort of the realm of what any of us has

1780

01:20:51,410 --> 01:20:48,540

ever dealt with what I think we owe them

1781

01:20:53,510 --> 01:20:51,420

is just a mature you know understand

1782

01:20:54,950 --> 01:20:53,520

listening and trying to put these all

1783

01:20:56,390 --> 01:20:54,960

these pieces together and just sort of

1784

01:20:57,770 --> 01:20:56,400

intake the information without any

1785

01:20:59,149 --> 01:20:57,780

prejudgment or jumping to any

1786

01:21:02,030 --> 01:20:59,159

conclusions in One Direction or another

1787

01:21:04,070 --> 01:21:02,040

I will say I find most of these people

1788

01:21:06,470 --> 01:21:04,080

at some point or maybe even currently

1789

01:21:08,689 --> 01:21:06,480

have held very high clearances and high

1790

01:21:10,550 --> 01:21:08,699

positions within our government so you

1791

01:21:13,250 --> 01:21:10,560

start out you do ask yourself like what

1792

01:21:16,130 --> 01:21:13,260

incentive would so many people would

1793

01:21:18,290 --> 01:21:16,140

that kind of um qualification these are

1794

01:21:20,149 --> 01:21:18,300

serious people have to come forward and

1795

01:21:22,070 --> 01:21:20,159

make something up

1796

01:21:23,510 --> 01:21:22,080

that's Marco Rubio now here's the thing

1797

01:21:25,490 --> 01:21:23,520

about this

1798

01:21:28,250 --> 01:21:25,500

this is

1799

01:21:30,290 --> 01:21:28,260

an old spin that's new spin again

1800

01:21:32,810 --> 01:21:30,300

and this is what really has me concerned

1801
01:21:34,310 --> 01:21:32,820
because we know who have you know been

1802
01:21:36,890 --> 01:21:34,320
doing this for years I've been doing

1803
01:21:39,050 --> 01:21:36,900
this for 30. we know that the same story

1804
01:21:40,490 --> 01:21:39,060
has been told over and over and over

1805
01:21:42,290 --> 01:21:40,500
again and people have come forward like

1806
01:21:44,270 --> 01:21:42,300
Bob Lazar and others saying yeah they're

1807
01:21:46,250 --> 01:21:44,280
working on these aircraft reverse

1808
01:21:48,350 --> 01:21:46,260
engineered aircraft and we get the same

1809
01:21:49,490 --> 01:21:48,360
story of you know they're gonna ruin

1810
01:21:50,570 --> 01:21:49,500
their careers if they come forward

1811
01:21:52,070 --> 01:21:50,580
they're going to break their cue

1812
01:21:55,010 --> 01:21:52,080
clearance if they come forward all this

1813
01:21:56,689 --> 01:21:55,020

other stuff and so a lot of people right

1814

01:21:59,750 --> 01:21:56,699

now

1815

01:22:02,209 --> 01:21:59,760

even though that it's becoming more or

1816

01:22:04,550 --> 01:22:02,219

less mainstream a lot of people are not

1817

01:22:07,729 --> 01:22:04,560

buying into it

1818

01:22:10,790 --> 01:22:07,739

whether instinctively or intellectual

1819

01:22:12,050 --> 01:22:10,800

uh and you know a lot of people on the

1820

01:22:14,390 --> 01:22:12,060

spiritual side of things want to call

1821

01:22:16,729 --> 01:22:14,400

out you know bluebeam or whatever blue

1822

01:22:18,890 --> 01:22:16,739

beams like you know Flat Earth to me I

1823

01:22:21,290 --> 01:22:18,900

just think you know whatever

1824

01:22:23,630 --> 01:22:21,300

but you look at all of the people

1825

01:22:25,490 --> 01:22:23,640

involved here the UFO Monopoly I call

1826
01:22:29,450 --> 01:22:25,500
them they're kind of playing a game here

1827
01:22:31,010 --> 01:22:29,460
they're they're disclosing very little

1828
01:22:32,450 --> 01:22:31,020
but we hear about Congressional

1829
01:22:35,090 --> 01:22:32,460
investigations of the UFOs and

1830
01:22:36,590 --> 01:22:35,100
eyewitnesses but this goes back all the

1831
01:22:38,030 --> 01:22:36,600
way to the 60s after the Kennedy

1832
01:22:40,310 --> 01:22:38,040
assassination this is Cold War

1833
01:22:42,770 --> 01:22:40,320
conspiracy theory here

1834
01:22:44,930 --> 01:22:42,780
you see the public the younger public

1835
01:22:46,610 --> 01:22:44,940
doesn't I don't think they even

1836
01:22:48,350 --> 01:22:46,620
associated

1837
01:22:49,729 --> 01:22:48,360
with those that are out there that were

1838
01:22:51,950 --> 01:22:49,739

making all these claims I mean you can

1839

01:22:53,149 --> 01:22:51,960

go back people like Whitley strieber you

1840

01:22:55,370 --> 01:22:53,159

can go back to people like Bob Lazar

1841

01:22:58,370 --> 01:22:55,380

Richard Hoagland you know all of these

1842

01:23:00,050 --> 01:22:58,380

Old-Timers Linda Bolton Howe and they

1843

01:23:02,090 --> 01:23:00,060

still show up at UFO conventions and

1844

01:23:03,890 --> 01:23:02,100

they still talk their talk but that's

1845

01:23:06,290 --> 01:23:03,900

the thing is that you know these new

1846

01:23:07,729 --> 01:23:06,300

guys and even some of the old guys like

1847

01:23:09,530 --> 01:23:07,739

Blumenthal of the New York Times and

1848

01:23:11,630 --> 01:23:09,540

others they're starting the story over

1849

01:23:13,729 --> 01:23:11,640

again and and it's not

1850

01:23:16,130 --> 01:23:13,739

cut and dry black and white disclosure

1851

01:23:19,189 --> 01:23:16,140

and it never will be

1852

01:23:20,630 --> 01:23:19,199

it's it's coming off as and I and I want

1853

01:23:22,689 --> 01:23:20,640

to call it a psyop but I'm not going to

1854

01:23:25,430 --> 01:23:22,699

call it the psy op it's going to be the

1855

01:23:27,530 --> 01:23:25,440

s-i-g-h-op meaning every time I hear

1856

01:23:29,990 --> 01:23:27,540

something like this I sigh

1857

01:23:33,050 --> 01:23:30,000

and I think to myself are we really

1858

01:23:34,970 --> 01:23:33,060

going to you know try this again

1859

01:23:36,709 --> 01:23:34,980

it failed in the 60s and it failed in

1860

01:23:38,689 --> 01:23:36,719

the 70s with people saying no no no no

1861

01:23:41,090 --> 01:23:38,699

no no nothing to see here but now for

1862

01:23:43,130 --> 01:23:41,100

some reason the government is making a

1863

01:23:45,530 --> 01:23:43,140

conspiracy a conspiracy theory about

1864

01:23:48,709 --> 01:23:45,540

itself

1865

01:23:50,810 --> 01:23:48,719

and it's all wrapped up with a bunch of

1866

01:23:53,990 --> 01:23:50,820

ugliness and a bunch of I guess you

1867

01:23:55,910 --> 01:23:54,000

could say paranormal occult type stuff

1868

01:23:57,590 --> 01:23:55,920

that one way or another it's going to

1869

01:23:59,570 --> 01:23:57,600

take years

1870

01:24:00,830 --> 01:23:59,580

to unravel and some of the secrets about

1871

01:24:02,689 --> 01:24:00,840

it are probably going to go all the way

1872

01:24:03,770 --> 01:24:02,699

back to the Nazis maybe even be beyond

1873

01:24:05,450 --> 01:24:03,780

that

1874

01:24:06,770 --> 01:24:05,460

because after all we made deals with

1875

01:24:08,870 --> 01:24:06,780

those Nazis

1876

01:24:10,790 --> 01:24:08,880

project pay-per-clip and others but

1877

01:24:13,910 --> 01:24:10,800

think about this you know we've been

1878

01:24:16,610 --> 01:24:13,920

what under the spell

1879

01:24:19,790 --> 01:24:16,620

of covid-19 for three years

1880

01:24:21,050 --> 01:24:19,800

and you know someone says Cynthia Webb

1881

01:24:22,610 --> 01:24:21,060

had said that this is our alien moment

1882

01:24:24,649 --> 01:24:22,620

and it's like what they do if we're

1883

01:24:26,209 --> 01:24:24,659

under attack by aliens but that's the

1884

01:24:28,729 --> 01:24:26,219

thing is that we have this coveted

1885

01:24:31,070 --> 01:24:28,739

psychological warfare operation

1886

01:24:33,709 --> 01:24:31,080

and we're still being bombarded with

1887

01:24:36,229 --> 01:24:33,719

climate change crisis crap

1888

01:24:38,030 --> 01:24:36,239

and so what is the public doing

1889

01:24:40,189 --> 01:24:38,040

and saying oh it's just one more thing

1890

01:24:41,990 --> 01:24:40,199

you know first we have covid then we

1891

01:24:43,610 --> 01:24:42,000

have climate change climate crisis the

1892

01:24:47,090 --> 01:24:43,620

air is bad the water is going to be bad

1893

01:24:49,610 --> 01:24:47,100

everybody needs a digital ID and Bam

1894

01:24:51,470 --> 01:24:49,620

aliens show up but I really don't think

1895

01:24:53,090 --> 01:24:51,480

that the aliens are going to bring about

1896

01:24:55,850 --> 01:24:53,100

the New World Order I just think it's

1897

01:24:57,290 --> 01:24:55,860

going to be one more distraction

1898

01:25:00,050 --> 01:24:57,300

because when it comes to any official

1899

01:25:03,169 --> 01:25:00,060

discussion about extraterrestrials

1900

01:25:05,750 --> 01:25:03,179

most of the population think ah

1901

01:25:07,310 --> 01:25:05,760

obviously I mean and it's nothing like I

1902

01:25:09,110 --> 01:25:07,320

mean like I said doing this for 30 years

1903

01:25:11,630 --> 01:25:09,120

I remember Art Bell talking about this

1904

01:25:13,790 --> 01:25:11,640

when I was working alongside him back in

1905

01:25:15,709 --> 01:25:13,800

the 1990s and I remember him saying you

1906

01:25:18,290 --> 01:25:15,719

know it's I I wanted to be here for when

1907

01:25:20,090 --> 01:25:18,300

disclosure happened well now George

1908

01:25:21,950 --> 01:25:20,100

Nori's out there and he's here for that

1909

01:25:23,390 --> 01:25:21,960

and everybody else I'll be I mean Mike

1910

01:25:25,250 --> 01:25:23,400

Siegel I didn't interview with him in

1911

01:25:27,410 --> 01:25:25,260

California he said he wanted to be here

1912

01:25:29,030 --> 01:25:27,420

for it this is what we get it's not the

1913

01:25:31,010 --> 01:25:29,040

disclosure we want it's the disclosure

1914

01:25:33,250 --> 01:25:31,020

we get

1915

01:25:35,510 --> 01:25:33,260

and the Deep state

1916

01:25:38,810 --> 01:25:35,520

compromises it

1917

01:25:40,550 --> 01:25:38,820

and they you know the teams and every

1918

01:25:43,790 --> 01:25:40,560

other people

1919

01:25:45,590 --> 01:25:43,800

they they just they're appealing to a

1920

01:25:47,390 --> 01:25:45,600

younger generation I remember Blumenthal

1921

01:25:48,470 --> 01:25:47,400

telling me when I interviewed him Ralph

1922

01:25:49,970 --> 01:25:48,480

blue with all the guy that wrote the

1923

01:25:52,070 --> 01:25:49,980

story about the military and their

1924

01:25:53,990 --> 01:25:52,080

encounters with the Navy in the in the

1925

01:25:57,290 --> 01:25:54,000

UFOs and the Tic Tacs

1926

01:25:58,970 --> 01:25:57,300

and he said this is not for the UFO

1927

01:26:01,970 --> 01:25:58,980

person that's been involved in the UFO

1928

01:26:03,950 --> 01:26:01,980

investigations since the 70s 80s 90s and

1929

01:26:05,750 --> 01:26:03,960

Beyond he says this is for that two

1930

01:26:07,669 --> 01:26:05,760

percent out there

1931

01:26:09,770 --> 01:26:07,679

they'd have a hard time being convinced

1932

01:26:11,209 --> 01:26:09,780

that this is happening they're the newer

1933

01:26:12,530 --> 01:26:11,219

generation and they're the ones that

1934

01:26:14,450 --> 01:26:12,540

have to decide

1935

01:26:15,890 --> 01:26:14,460

if this is real or not and it's in our

1936

01:26:23,629 --> 01:26:15,900

DNA

1937

01:26:26,570 --> 01:26:23,639

culture that is based on alien belief

1938

01:26:27,770 --> 01:26:26,580

superhero belief I mean this is why we

1939

01:26:29,689 --> 01:26:27,780

spend all that money at the movie

1940

01:26:31,129 --> 01:26:29,699

theaters to watch superhero movies and

1941

01:26:32,870 --> 01:26:31,139

alien movies

1942

01:26:34,430 --> 01:26:32,880

because it's entrenched in our culture

1943

01:26:35,990 --> 01:26:34,440

so much

1944

01:26:37,669 --> 01:26:36,000

that if it doesn't perform the way we

1945

01:26:39,709 --> 01:26:37,679

want it to if the anthropogenic aliens

1946

01:26:41,629 --> 01:26:39,719

don't show up and they have two eyes and

1947

01:26:43,550 --> 01:26:41,639

they have two legs and arms we're not

1948

01:26:45,410 --> 01:26:43,560

going to be in love with them at all

1949

01:26:47,030 --> 01:26:45,420

they look like little octopus they're

1950

01:26:48,470 --> 01:26:47,040

not gonna like them at all we're

1951

01:26:50,870 --> 01:26:48,480

wondering if we're gonna bread them and

1952

01:26:52,310 --> 01:26:50,880

eat them as calamari same with uh

1953

01:26:54,350 --> 01:26:52,320

anything that may look like an arachnid

1954

01:26:55,910 --> 01:26:54,360

we'd squish it just like that or even

1955

01:26:57,350 --> 01:26:55,920

something looked like a lobster we'd be

1956

01:27:00,649 --> 01:26:57,360

running to get a big old pot of butter

1957

01:27:03,649 --> 01:27:00,659

in our lobster bibs we will not accept

1958

01:27:05,629 --> 01:27:03,659

anything that doesn't look like us we

1959

01:27:07,790 --> 01:27:05,639

will not accept anything that doesn't

1960

01:27:09,110 --> 01:27:07,800

speak our language and you know what if

1961

01:27:11,149 --> 01:27:09,120

you want to be real about this whole

1962

01:27:12,590 --> 01:27:11,159

thing they probably won't speak our

1963

01:27:16,430 --> 01:27:12,600

language and they'll look nothing like

1964

01:27:23,750 --> 01:27:18,590

all right same with this idea that we

1965

01:27:27,290 --> 01:27:25,370

if they're a lot like ours then maybe

1966

01:27:31,490 --> 01:27:27,300

they're not theirs there's something

1967

01:27:32,930 --> 01:27:31,500

that may be made here who knows still

1968

01:27:36,129 --> 01:27:32,940

there's a lot of stuff to get to on this

1969

01:27:39,490 --> 01:27:36,139

report and it's certainly interesting

1970

01:27:44,750 --> 01:27:41,629

866-536-7469 you are listening to Ground

1971

01:28:28,390 --> 01:27:44,760

Zero I'm Craig Lewis and we'll be back

1972

01:28:35,209 --> 01:28:31,330

[Music]

1973

01:28:37,370 --> 01:28:35,219

with srn news I'm Tasha Stevens smoke

1974

01:28:39,590 --> 01:28:37,380

from Canadian wildfires is covering the

1975

01:28:41,689 --> 01:28:39,600

Midwest but it's expected to move East

1976
01:28:44,570 --> 01:28:41,699
hitting parts of Western and Central New

1977
01:28:46,669 --> 01:28:44,580
York millions of people Detroit Chicago

1978
01:28:49,129 --> 01:28:46,679
Cleveland and Pittsburgh are dealing

1979
01:28:51,229 --> 01:28:49,139
with unhealthy air quality debris from

1980
01:28:53,570 --> 01:28:51,239
the imploded Titan submersible is

1981
01:28:56,209 --> 01:28:53,580
recovered and does contain presumed

1982
01:28:58,250 --> 01:28:56,219
human remains the US Coast Guard made

1983
01:29:00,649 --> 01:28:58,260
the announcement Wednesday after a ship

1984
01:29:03,110 --> 01:29:00,659
carrying pieces of the wreckage returned

1985
01:29:05,030 --> 01:29:03,120
to Port investigators from the U.S and

1986
01:29:08,110 --> 01:29:05,040
Canada will use the pieces to try to

1987
01:29:10,550 --> 01:29:08,120
figure out what caused it to implode

1988
01:29:12,830 --> 01:29:10,560

unionized UPS drivers are warning of a

1989

01:29:15,649 --> 01:29:12,840

strike that could begin as soon as next

1990

01:29:17,990 --> 01:29:15,659

week after failed negotiations Teamsters

1991

01:29:20,030 --> 01:29:18,000

General presidents Sean O'Brien warned

1992

01:29:22,850 --> 01:29:20,040

the largest single employer strike in

1993

01:29:27,950 --> 01:29:22,860

American history now appears inevitable

1994

01:29:32,390 --> 01:29:30,229

let's see if something costs less but

1995

01:29:34,129 --> 01:29:32,400

people are happier with it that sounds

1996

01:29:36,110 --> 01:29:34,139

like something to look into and that's

1997

01:29:37,850 --> 01:29:36,120

meta share maybe you've heard switching

1998

01:29:40,610 --> 01:29:37,860

to Medishare to pay for healthcare can

1999

01:29:43,010 --> 01:29:40,620

save the typical family 500 bucks a

2000

01:29:46,310 --> 01:29:43,020

month and that's huge but it's also true

2001
01:29:48,169 --> 01:29:46,320
that people are way more satisfied after

2002
01:29:50,570 --> 01:29:48,179
making the switch to the customer

2003
01:29:52,189 --> 01:29:50,580
satisfaction rate for metashare is

2004
01:29:55,250 --> 01:29:52,199
double that of the typical health

2005
01:29:56,570 --> 01:29:55,260
insurance plan double Medishare works

2006
01:29:58,010 --> 01:29:56,580
it's been around for more than a quarter

2007
01:30:00,229 --> 01:29:58,020
century and members have shared more

2008
01:30:01,970 --> 01:30:00,239
than three billion dollars of each

2009
01:30:04,310 --> 01:30:01,980
other's bills people love having

2010
01:30:06,950 --> 01:30:04,320
Telehealth and a huge Nationwide PPO

2011
01:30:09,169 --> 01:30:06,960
Network so yeah you can save a ton and

2012
01:30:10,370 --> 01:30:09,179
like it better imagine being happy with

2013
01:30:12,590 --> 01:30:10,380

how you're taking care of your health

2014

01:30:14,090 --> 01:30:12,600

care so if you're self-employed or part

2015

01:30:15,770 --> 01:30:14,100

of the gig economy or you just want to

2016

01:30:17,810 --> 01:30:15,780

plan you're happy with you can call

2017

01:30:19,850 --> 01:30:17,820

right now and get a price within two

2018

01:30:21,890 --> 01:30:19,860

minutes a very very smart use of two

2019

01:30:27,169 --> 01:30:21,900

minutes here's the number you need 888

2020

01:30:30,950 --> 01:30:27,179

share 19 that's 888 share 1988 share

2021

01:30:33,050 --> 01:30:30,960

night eight zero if you haven't switched

2022

01:30:34,490 --> 01:30:33,060

to metashare yet two big reasons to at

2023

01:30:36,590 --> 01:30:34,500

least consider it and why it makes so

2024

01:30:38,209 --> 01:30:36,600

much sense right now number one's

2025

01:30:39,770 --> 01:30:38,219

inflation which is just affecting

2026

01:30:42,169 --> 01:30:39,780

everything it makes sense to say okay

2027

01:30:44,330 --> 01:30:42,179

where can I actually save well you could

2028

01:30:46,129 --> 01:30:44,340

save a lot and one Fell Swoop if you

2029

01:30:50,870 --> 01:30:46,139

switch to metashare the typical family

2030

01:30:52,850 --> 01:30:50,880

saves 500 a month secondly your

2031

01:30:54,169 --> 01:30:52,860

conscience Medicare members aren't

2032

01:30:56,510 --> 01:30:54,179

forced to pay for things they don't

2033

01:30:58,610 --> 01:30:56,520

support or believe in and that's a big

2034

01:31:00,229 --> 01:30:58,620

deal for a lot of people right now they

2035

01:31:02,390 --> 01:31:00,239

want their money to actually help people

2036

01:31:04,490 --> 01:31:02,400

and one more reason you can trust

2037

01:31:06,290 --> 01:31:04,500

Medishare it's been the gold standard

2038

01:31:08,990 --> 01:31:06,300

for healthcare sharing for more than 25

2039

01:31:11,149 --> 01:31:09,000

years and members love it too it has

2040

01:31:13,370 --> 01:31:11,159

double the customer satisfaction rating

2041

01:31:14,810 --> 01:31:13,380

compared to health insurance so now's a

2042

01:31:16,310 --> 01:31:14,820

great time to consider making the switch

2043

01:31:19,129 --> 01:31:16,320

and they're very easy to talk to

2044

01:31:20,510 --> 01:31:19,139

Medishare has great customer service you

2045

01:31:26,050 --> 01:31:20,520

can even get a price within two minutes

2046

01:31:29,870 --> 01:31:26,060

call 855 share 40 That's 855 s-h-a-r-e

2047

01:31:31,370 --> 01:31:29,880

40855 share for hey guys it's Clyde

2048

01:31:34,310 --> 01:31:31,380

you've heard me talk about get the tea

2049

01:31:37,610 --> 01:31:34,320

on our show for a long time now well

2050

01:31:40,970 --> 01:31:37,620

they have a new tea called Super T plus

2051
01:31:43,370 --> 01:31:40,980
Senna you have to check it out Senna is

2052
01:31:45,169 --> 01:31:43,380
the PowerHouse of digestive AIDS it's

2053
01:31:47,290 --> 01:31:45,179
their same great blend of herbs in their

2054
01:31:50,570 --> 01:31:47,300
regular tea now it has with

2055
01:31:52,450 --> 01:31:50,580
super tea plus seven five minutes he's

2056
01:31:55,669 --> 01:31:52,460
definitely the tea that makes you go

2057
01:31:57,830 --> 01:31:55,679
a gentle daily cleanse and right now you

2058
01:32:00,110 --> 01:31:57,840
could say five dollars with a special

2059
01:32:02,450 --> 01:32:00,120
introductory offer and this month only

2060
01:32:04,669 --> 01:32:02,460
you'll also save ten dollars on their

2061
01:32:06,290 --> 01:32:04,679
amazing supplement joint load all of get

2062
01:32:08,870 --> 01:32:06,300
the t's products are made in the USA

2063
01:32:11,209 --> 01:32:08,880

organic and non-GMO sourced from the

2064

01:32:13,490 --> 01:32:11,219

purest ingredients available and just

2065

01:32:17,990 --> 01:32:13,500

for Ground Zero listeners any size order

2066

01:32:18,000 --> 01:32:23,629

[Music]

2067

01:32:29,270 --> 01:32:27,590

you are one of the most trusted former

2068

01:32:30,950 --> 01:32:29,280

intelligence officials in the U.S

2069

01:32:33,530 --> 01:32:30,960

defense and intelligence establishment

2070

01:32:35,330 --> 01:32:33,540

yes I was you were trusted with the most

2071

01:32:36,770 --> 01:32:35,340

Intimate Secrets

2072

01:32:39,649 --> 01:32:36,780

yes

2073

01:32:42,530 --> 01:32:39,659

what conclusion did you come to at the

2074

01:32:46,790 --> 01:32:42,540

end of your time on the UAP task course

2075

01:32:48,490 --> 01:32:46,800

the UAP task morsels refuse access to a

2076

01:32:51,770 --> 01:32:48,500

broad crash

2077

01:32:54,910 --> 01:32:51,780

when you say special treaties

2078

01:32:58,129 --> 01:32:54,920

these are retrieving non-human origin

2079

01:33:00,729 --> 01:32:58,139

technical Vehicles call it spacecraft if

2080

01:33:02,870 --> 01:33:00,739

you will non-human exotic origin

2081

01:33:05,990 --> 01:33:02,880

vehicles that have either landed or

2082

01:33:08,209 --> 01:33:06,000

crashed we have spicecraft from another

2083

01:33:11,390 --> 01:33:08,219

species we do yeah

2084

01:33:14,209 --> 01:33:11,400

Hi Minnie quite a number you're kidding

2085

01:33:19,729 --> 01:33:16,430

there was in fact a program that the UAP

2086

01:33:22,189 --> 01:33:19,739

task force was uh not red injury it's

2087

01:33:23,930 --> 01:33:22,199

easy to see that after 30 years he's

2088

01:33:25,550 --> 01:33:23,940

still angry at the disbelief right here

2089

01:33:27,290 --> 01:33:25,560

we've seen something I've seen something

2090

01:33:31,490 --> 01:33:27,300

hundreds of Pilots have seen something

2091

01:33:32,810 --> 01:33:31,500

in the skies we have dutifully reported

2092

01:33:36,229 --> 01:33:32,820

these things

2093

01:33:38,149 --> 01:33:36,239

and we have had 15 million Witnesses

2094

01:33:40,610 --> 01:33:38,159

before anybody's going to look into the

2095

01:33:42,950 --> 01:33:40,620

problem seriously but this is utterly

2096

01:33:45,890 --> 01:33:42,960

fantastic this is more fantastic than

2097

01:33:49,669 --> 01:33:45,900

than flying saucers or people from Venus

2098

01:33:55,970 --> 01:33:52,689

these are retrieving non-human origin

2099

01:33:57,590 --> 01:33:55,980

technical Vehicles call it spacecraft if

2100

01:34:01,310 --> 01:33:57,600

you will uh it's probably not the right

2101
01:34:04,129 --> 01:34:01,320
parlance but uh no kidding non-human

2102
01:34:07,189 --> 01:34:04,139
exotic origin vehicles that have either

2103
01:34:10,910 --> 01:34:07,199
landed or crashed we have spacecraft

2104
01:34:14,209 --> 01:34:10,920
from another species we do yeah how many

2105
01:34:19,010 --> 01:34:16,450
I'm Clyde Lewis

2106
01:34:21,530 --> 01:34:19,020
you are listening to Ground Zero like I

2107
01:34:23,090 --> 01:34:21,540
say a special hello tonight to the truth

2108
01:34:25,250 --> 01:34:23,100
Seekers chat

2109
01:34:27,290 --> 01:34:25,260
they're on YouTube right now

2110
01:34:28,669 --> 01:34:27,300
and those who are on true Seekers like

2111
01:34:30,950 --> 01:34:28,679
to say hello to you I'm looking at you

2112
01:34:32,990 --> 01:34:30,960
right now got my eye on you guys

2113
01:34:34,610 --> 01:34:33,000

yeah we're gonna we're gonna be on for a

2114

01:34:36,290 --> 01:34:34,620

little bit and then of course Stephen

2115

01:34:38,209 --> 01:34:36,300

campion's gonna be on he's the guy that

2116

01:34:39,590 --> 01:34:38,219

hosts true figures so everybody out

2117

01:34:41,750 --> 01:34:39,600

there like say hello to you thank you so

2118

01:34:43,070 --> 01:34:41,760

much for tuning in tonight and hopefully

2119

01:34:46,810 --> 01:34:43,080

you could call into the program and give

2120

01:34:46,820 --> 01:34:51,370

503-225-0860 or

2121

01:34:56,510 --> 01:34:54,770

866-536-7469 so arrow is shut down any

2122

01:34:59,209 --> 01:34:56,520

information coming out about what

2123

01:35:00,590 --> 01:34:59,219

happened with the Chinese balloon and we

2124

01:35:01,970 --> 01:35:00,600

all know about the Chinese balloon but

2125

01:35:04,010 --> 01:35:01,980

the other craft we didn't know much

2126
01:35:05,330 --> 01:35:04,020
about some of it went down in a place

2127
01:35:08,149 --> 01:35:05,340
where you couldn't go and find it

2128
01:35:10,010 --> 01:35:08,159
conveniently uh and then what we have is

2129
01:35:11,750 --> 01:35:10,020
we have air force or ex-air Force

2130
01:35:13,669 --> 01:35:11,760
officer David grush who made worldwide

2131
01:35:15,590 --> 01:35:13,679
news earlier this month when he claimed

2132
01:35:17,149 --> 01:35:15,600
alien crafting bodies have been

2133
01:35:18,290 --> 01:35:17,159
recovered and back engineered by U.S

2134
01:35:21,590 --> 01:35:18,300
officials

2135
01:35:25,010 --> 01:35:21,600
nothing new right it's just it became

2136
01:35:27,050 --> 01:35:25,020
new because the media glomed on to it

2137
01:35:29,750 --> 01:35:27,060
grush noted that these beings are

2138
01:35:32,330 --> 01:35:29,760

cautiously described as non-human

2139

01:35:34,370 --> 01:35:32,340

intelligences by insiders Within These

2140

01:35:35,990 --> 01:35:34,380

highly classified programs because even

2141

01:35:38,810 --> 01:35:36,000

experts can't say for sure where these

2142

01:35:41,570 --> 01:35:38,820

beings are really coming from

2143

01:35:43,550 --> 01:35:41,580

now check me if I'm wrong

2144

01:35:44,990 --> 01:35:43,560

but did the media report that grush had

2145

01:35:46,490 --> 01:35:45,000

first-hand knowledge of the downcraft

2146

01:35:48,830 --> 01:35:46,500

and that we have the bodies of dead

2147

01:35:50,450 --> 01:35:48,840

aliens and all the same old stuff we've

2148

01:35:51,649 --> 01:35:50,460

heard from Roswell witnesses to Jackie

2149

01:35:52,850 --> 01:35:51,659

Gleason

2150

01:35:55,550 --> 01:35:52,860

I mean

2151

01:35:57,530 --> 01:35:55,560

am I wrong here Bob Lazar

2152

01:36:00,830 --> 01:35:57,540

all these guys have made comments about

2153

01:36:03,770 --> 01:36:00,840

seeing craft or touching craft or what

2154

01:36:07,129 --> 01:36:03,780

about the guys uh rendition base

2155

01:36:09,290 --> 01:36:07,139

yeah rental Brent Waters

2156

01:36:11,209 --> 01:36:09,300

they said they touched the UFO I touched

2157

01:36:13,970 --> 01:36:11,219

the UFO that should be a book I touched

2158

01:36:17,149 --> 01:36:13,980

the UFO now according to a news station

2159

01:36:19,129 --> 01:36:17,159

or a news Nation report

2160

01:36:21,770 --> 01:36:19,139

Russia's heard

2161

01:36:23,510 --> 01:36:21,780

all of this second hand again

2162

01:36:25,850 --> 01:36:23,520

it's like a game of telephone you know

2163

01:36:28,189 --> 01:36:25,860

where you whisper messages in each

2164

01:36:29,390 --> 01:36:28,199

other's ears at sleepovers and then you

2165

01:36:30,890 --> 01:36:29,400

wait for the guy to give the message

2166

01:36:32,030 --> 01:36:30,900

into some gobbledygook that you don't

2167

01:36:33,770 --> 01:36:32,040

understand well the Inspector General

2168

01:36:35,149 --> 01:36:33,780

described Russia's accounts as credible

2169

01:36:36,830 --> 01:36:35,159

and urgent

2170

01:36:38,030 --> 01:36:36,840

forwarding the filing to the U.S

2171

01:36:40,189 --> 01:36:38,040

Director of National Intelligence

2172

01:36:42,530 --> 01:36:40,199

Admiral Haynes and Senator Rubio's own

2173

01:36:45,470 --> 01:36:42,540

Senate select committee on intelligence

2174

01:36:47,270 --> 01:36:45,480

among others in government

2175

01:36:49,129 --> 01:36:47,280

but now there are other unknown

2176
01:36:50,990 --> 01:36:49,139
whistleblowers with the same story Rubio

2177
01:36:52,910 --> 01:36:51,000
says

2178
01:36:54,169 --> 01:36:52,920
that more whistleblowers in the Pentagon

2179
01:36:56,090 --> 01:36:54,179
have come forward with first-hand

2180
01:36:59,689 --> 01:36:56,100
knowledge of secret UFO crash retrieval

2181
01:37:01,010 --> 01:36:59,699
programs Rubio is the vice chair of the

2182
01:37:02,810 --> 01:37:01,020
Senate's intelligence committee he

2183
01:37:05,450 --> 01:37:02,820
emphasized that there have been similar

2184
01:37:07,370 --> 01:37:05,460
credible threats to the committee's

2185
01:37:10,550 --> 01:37:07,380
other unnamed Witnesses their

2186
01:37:12,590 --> 01:37:10,560
livelihoods and their lives

2187
01:37:14,750 --> 01:37:12,600
this is what he said quote I'm not I'm

2188
01:37:17,510 --> 01:37:14,760

not trying to be evasive but I'm trying

2189

01:37:18,590 --> 01:37:17,520

to be protective of those people some of

2190

01:37:20,750 --> 01:37:18,600

these people still work in the

2191

01:37:23,149 --> 01:37:20,760

government and frankly a lot of them are

2192

01:37:24,890 --> 01:37:23,159

very fearful

2193

01:37:26,510 --> 01:37:24,900

goes on to say they're fearful for their

2194

01:37:28,370 --> 01:37:26,520

jobs they're fearful of their clearances

2195

01:37:30,830 --> 01:37:28,380

fearful of their career and some frankly

2196

01:37:32,270 --> 01:37:30,840

are fearful of harm coming to them

2197

01:37:34,550 --> 01:37:32,280

now that's a strange thing to say

2198

01:37:36,229 --> 01:37:34,560

especially when they've taken away psych

2199

01:37:38,750 --> 01:37:36,239

exams

2200

01:37:41,090 --> 01:37:38,760

for pilots and and navy aviators and

2201

01:37:43,370 --> 01:37:41,100

others they don't have a psyche vow if

2202

01:37:45,110 --> 01:37:43,380

they say they see a UFO

2203

01:37:46,970 --> 01:37:45,120

so now there's threats within the

2204

01:37:48,350 --> 01:37:46,980

government that if you say something or

2205

01:37:51,410 --> 01:37:48,360

if you see something you say something

2206

01:37:54,050 --> 01:37:51,420

you could die or you could be laughed at

2207

01:37:56,149 --> 01:37:54,060

or ridiculed or whatever so

2208

01:37:58,189 --> 01:37:56,159

Rubio's comments illustrate the need for

2209

01:38:00,830 --> 01:37:58,199

congress's

2210

01:38:02,689 --> 01:38:00,840

uh newly created offices to protect

2211

01:38:06,050 --> 01:38:02,699

whistleblowers we need whistleblower

2212

01:38:07,490 --> 01:38:06,060

protectors and of course there were by I

2213

01:38:08,930 --> 01:38:07,500

think it was a bipartisan Amendment to

2214

01:38:11,030 --> 01:38:08,940

the National Defense authorization act

2215

01:38:13,790 --> 01:38:11,040

saying no problem come forward talk

2216

01:38:14,870 --> 01:38:13,800

about your UFO experiences we won't care

2217

01:38:17,870 --> 01:38:14,880

but

2218

01:38:21,410 --> 01:38:17,880

this is I mean this is as confusing as

2219

01:38:28,189 --> 01:38:23,990

and okay here's the thing that really

2220

01:38:29,689 --> 01:38:28,199

has me uh you know freaked out last week

2221

01:38:31,990 --> 01:38:29,699

the committee

2222

01:38:34,310 --> 01:38:32,000

the Senate intelligence committee

2223

01:38:36,530 --> 01:38:34,320

unanimously adopted a provision to cut

2224

01:38:39,110 --> 01:38:36,540

off all federal funding to any secret

2225

01:38:40,490 --> 01:38:39,120

UFO reverse engineered programs where

2226

01:38:42,830 --> 01:38:40,500

the conducted by the US government are

2227

01:38:44,750 --> 01:38:42,840

hidden away in the private sector via

2228

01:38:47,090 --> 01:38:44,760

defense contractors

2229

01:38:49,250 --> 01:38:47,100

their words not mine

2230

01:38:52,189 --> 01:38:49,260

once again I will repeat this so there's

2231

01:38:54,669 --> 01:38:52,199

no misunderstanding the committee the

2232

01:38:58,790 --> 01:38:54,679

Senate intelligence committee

2233

01:39:01,610 --> 01:38:58,800

adopted unanimously a provision to cut

2234

01:39:04,430 --> 01:39:01,620

off all federal funding

2235

01:39:05,750 --> 01:39:04,440

to any secret UFO reverse engineering

2236

01:39:07,610 --> 01:39:05,760

program where they're conducted by the

2237

01:39:10,010 --> 01:39:07,620

US government or hidden away in the

2238

01:39:11,930 --> 01:39:10,020

private sector via defense contractors

2239

01:39:13,729 --> 01:39:11,940

so using those words they actually

2240

01:39:15,229 --> 01:39:13,739

admitted that there is a UFO reverse

2241

01:39:16,550 --> 01:39:15,239

engineering program am I right or wrong

2242

01:39:18,410 --> 01:39:16,560

here

2243

01:39:21,290 --> 01:39:18,420

the Intel committee chose their words

2244

01:39:22,610 --> 01:39:21,300

carefully broadly targeting any reverse

2245

01:39:24,169 --> 01:39:22,620

engineering programs involving

2246

01:39:27,110 --> 01:39:24,179

unidentified craft

2247

01:39:29,149 --> 01:39:27,120

to talking about even non-earth or

2248

01:39:31,729 --> 01:39:29,159

exotic craft

2249

01:39:34,310 --> 01:39:31,739

at the same time the legislation would

2250

01:39:36,530 --> 01:39:34,320

cease funding for any Personnel engaged

2251
01:39:40,310 --> 01:39:36,540
in capturing recovering and securing

2252
01:39:43,189 --> 01:39:40,320
UFOs or pieces or components of UFOs

2253
01:39:45,110 --> 01:39:43,199
their words not mine

2254
01:39:46,610 --> 01:39:45,120
funding would also be cut off for the

2255
01:39:48,530 --> 01:39:46,620
development of propulsion technology or

2256
01:39:51,110 --> 01:39:48,540
Aerospace craft it uses propulsory

2257
01:39:53,330 --> 01:39:51,120
technology systems or subsystems that is

2258
01:39:54,830 --> 01:39:53,340
based or derived or inspired by

2259
01:39:56,629 --> 01:39:54,840
inspection analysis or reverse

2260
01:40:01,189 --> 01:39:56,639
engineering of recovered UFOs or

2261
01:40:05,689 --> 01:40:02,629
and perhaps more importantly the bill

2262
01:40:07,570 --> 01:40:05,699
language prohibits legal prosecution

2263
01:40:09,470 --> 01:40:07,580

of individuals with knowledge or

2264

01:40:11,209 --> 01:40:09,480

surreptitious retrieval and reverse

2265

01:40:13,430 --> 01:40:11,219

engineering of non-human craft to avoid

2266

01:40:15,830 --> 01:40:13,440

legal Jeopardy

2267

01:40:17,450 --> 01:40:15,840

such individuals would have two months

2268

01:40:18,890 --> 01:40:17,460

after passage of the legislation to

2269

01:40:21,770 --> 01:40:18,900

inform the director of the pentagon's

2270

01:40:26,149 --> 01:40:21,780

new UFO analysis Office of the existence

2271

01:40:30,290 --> 01:40:28,610

so I read you the wording

2272

01:40:32,810 --> 01:40:30,300

the wording appears to be a direct

2273

01:40:33,890 --> 01:40:32,820

admittance that the UFOs are actually

2274

01:40:35,510 --> 01:40:33,900

real

2275

01:40:37,310 --> 01:40:35,520

and that any and all information or

2276

01:40:40,250 --> 01:40:37,320

technology

2277

01:40:41,450 --> 01:40:40,260

anything going on should be stopped we

2278

01:40:43,310 --> 01:40:41,460

should not put anything in the private

2279

01:40:45,050 --> 01:40:43,320

sector if anyone's caught doing that

2280

01:40:47,930 --> 01:40:45,060

they'll be under you know they'll be

2281

01:40:49,250 --> 01:40:47,940

under some sort of a you know I don't

2282

01:40:50,090 --> 01:40:49,260

know what they call a penalty or

2283

01:40:51,830 --> 01:40:50,100

whatever

2284

01:40:54,470 --> 01:40:51,840

so they'd have six months to turn over

2285

01:40:56,689 --> 01:40:54,480

all such material information two months

2286

01:40:58,370 --> 01:40:56,699

after the legislation to say if you want

2287

01:41:00,470 --> 01:40:58,380

to talk we won't arrest you or put you

2288

01:41:02,030 --> 01:41:00,480

in Chains or whatever and a

2289

01:41:04,189 --> 01:41:02,040

comprehensive list of all non-earth

2290

01:41:10,610 --> 01:41:04,199

origin or exotic UFO material has to be

2291

01:41:13,970 --> 01:41:12,770

and more importantly the Senate

2292

01:41:16,850 --> 01:41:13,980

intelligence committee's legislation

2293

01:41:19,550 --> 01:41:16,860

contains a sense of Congress provision

2294

01:41:20,930 --> 01:41:19,560

and such resolutions typically convey a

2295

01:41:23,030 --> 01:41:20,940

particular message from either the house

2296

01:41:27,649 --> 01:41:23,040

or the senate or in this case from

2297

01:41:31,669 --> 01:41:30,530

it sounds like they're serious right I

2298

01:41:34,850 --> 01:41:31,679

mean they wouldn't use those words

2299

01:41:36,830 --> 01:41:34,860

unless they admitted to something

2300

01:41:42,970 --> 01:41:36,840

thumbs up don't know exactly what

2301

01:41:48,649 --> 01:41:46,030

503-225-0860 or

2302

01:41:53,130 --> 01:41:48,659

866-536-7469 you are listening Ground

2303

01:41:53,140 --> 01:42:08,530

[Music]

2304

01:42:08,540 --> 01:42:13,980

thank you

2305

01:42:13,990 --> 01:42:18,850

[Music]

2306

01:42:22,250 --> 01:42:21,169

hey guys it's Clyde you know we've had a

2307

01:42:23,750 --> 01:42:22,260

lot of requests for Ground Zero

2308

01:42:26,209 --> 01:42:23,760

merchandise so we put together an online

2309

01:42:27,950 --> 01:42:26,219

store with a big variety of high quality

2310

01:42:29,930 --> 01:42:27,960

items I'm really excited to let you know

2311

01:42:32,090 --> 01:42:29,940

about these things we have a lot to

2312

01:42:33,530 --> 01:42:32,100

offer you and your loved ones in

2313

01:42:35,930 --> 01:42:33,540

addition to our regular apparel such as

2314

01:42:37,609 --> 01:42:35,940

t-shirts beanies hoodies and hats we've

2315

01:42:40,010 --> 01:42:37,619

expanded our product line with posters

2316

01:42:41,810 --> 01:42:40,020

Flags aprons mugs and a whole lot more

2317

01:42:43,370 --> 01:42:41,820

we also have Ground Zero Collectibles

2318

01:42:45,649 --> 01:42:43,380

along with a limited edition of items

2319

01:42:47,209 --> 01:42:45,659

like a Clyde Lewis canvas portrait a

2320

01:42:49,010 --> 01:42:47,219

ground zero embroidered jacket that will

2321

01:42:50,390 --> 01:42:49,020

certainly make for great gifts and for

2322

01:42:52,070 --> 01:42:50,400

interesting conversations with family

2323

01:42:53,810 --> 01:42:52,080

and friends and we now offer

2324

01:42:56,390 --> 01:42:53,820

Publications such as Ron Patton's book

2325

01:42:58,310 --> 01:42:56,400

about mind control mkzine and back

2326

01:42:59,510 --> 01:42:58,320

copies of the official magazine of

2327

01:43:02,090 --> 01:42:59,520

Ground Zero while it was in print

2328

01:43:04,550 --> 01:43:02,100

paranoia the conspiracy reader also

2329

01:43:06,109 --> 01:43:04,560

coming in 2023 our updated and revised

2330

01:43:07,910 --> 01:43:06,119

books that I've written there's a

2331

01:43:10,669 --> 01:43:07,920

Securities to use shopping cart for your

2332

01:43:12,890 --> 01:43:10,679

purchases so shop today at our official

2333

01:43:16,430 --> 01:43:12,900

store by going to Ground Zero merch.com

2334

01:43:17,689 --> 01:43:16,440

again that's Ground Zero merge.com hey

2335

01:43:19,790 --> 01:43:17,699

guys it's Clyde I'm with the Vice

2336

01:43:21,709 --> 01:43:19,800

President of Sales said my Patriot

2337

01:43:22,970 --> 01:43:21,719

Supply what is the some of the new

2338

01:43:24,770 --> 01:43:22,980

things that you have available for

2339

01:43:27,050 --> 01:43:24,780

people it's not just powdered this and

2340

01:43:28,790 --> 01:43:27,060

powder that the food is really good the

2341

01:43:31,430 --> 01:43:28,800

food tastes amazing and we're coming out

2342

01:43:33,109 --> 01:43:31,440

with new entrees new desserts new

2343

01:43:34,490 --> 01:43:33,119

recipes weekly in fact one of the things

2344

01:43:36,890 --> 01:43:34,500

that we're doing right now is we're

2345

01:43:38,689 --> 01:43:36,900

adding vitamins and minerals so we're

2346

01:43:40,430 --> 01:43:38,699

fortifying all of the meals so now

2347

01:43:42,890 --> 01:43:40,440

you're going to get that added vitamin

2348

01:43:44,750 --> 01:43:42,900

the added minerals the added calories

2349

01:43:46,189 --> 01:43:44,760

for your meals so you can make sure that

2350

01:43:48,470 --> 01:43:46,199

your body is going to be getting what

2351

01:43:50,090 --> 01:43:48,480

you need for disasters and be able to

2352

01:43:51,770 --> 01:43:50,100

regulate and still be able to give you

2353

01:43:53,390 --> 01:43:51,780

the energy that you need to take care of

2354

01:43:55,430 --> 01:43:53,400

any situation that you may find yourself

2355

01:43:57,229 --> 01:43:55,440

in that's right disasters are stressful

2356

01:43:59,209 --> 01:43:57,239

and there's a lot of work behind helping

2357

01:44:00,890 --> 01:43:59,219

other people your neighbor and of course

2358

01:44:02,870 --> 01:44:00,900

at the end you want to have good caloric

2359

01:44:04,370 --> 01:44:02,880

foods that are tasty and still give you

2360

01:44:06,109 --> 01:44:04,380

the vitamins and minerals and energy you

2361

01:44:08,390 --> 01:44:06,119

need you should be smart and stock up on

2362

01:44:11,090 --> 01:44:08,400

Staples from my Patriot Supply just go

2363

01:44:13,550 --> 01:44:11,100

to prepare with ground zero.com that's

2364

01:44:14,629 --> 01:44:13,560

prepared with ground zero.com Joe reek

2365

01:44:16,850 --> 01:44:14,639

thank you so much for being with us

2366

01:44:18,590 --> 01:44:16,860

today my pleasure Clyde let's face it

2367

01:44:20,390 --> 01:44:18,600

guys we're living in times where the

2368

01:44:22,189 --> 01:44:20,400

truth is becoming more suppressed and

2369

01:44:23,629 --> 01:44:22,199

censorship is increasing the alarming

2370

01:44:26,090 --> 01:44:23,639

rate especially on social media

2371

01:44:28,129 --> 01:44:26,100

platforms it's Clyde and I want to tell

2372

01:44:30,410 --> 01:44:28,139

you about a safe and secure Digital

2373

01:44:32,570 --> 01:44:30,420

Playground we put together just for you

2374

01:44:34,669 --> 01:44:32,580

it's aftermath.media

2375

01:44:36,950 --> 01:44:34,679

you get access to thousands of Ground

2376

01:44:38,930 --> 01:44:36,960

Zero archives and podcasts along with

2377

01:44:40,609 --> 01:44:38,940

our private social media groups with

2378

01:44:42,770 --> 01:44:40,619

your basic membership starting at only

2379

01:44:45,350 --> 01:44:42,780

seven dollars a month each subscription

2380

01:44:47,450 --> 01:44:45,360

includes tech support access to the RSS

2381

01:44:49,850 --> 01:44:47,460

feeds along with our own chat room and

2382

01:44:51,470 --> 01:44:49,860

telegram channel in addition the premium

2383

01:44:54,109 --> 01:44:51,480

membership includes research study

2384

01:44:56,330 --> 01:44:54,119

groups webinars a document and movie

2385

01:44:59,209 --> 01:44:56,340

Library a live video stream of ground

2386

01:45:01,370 --> 01:44:59,219

zero a monthly Zoom chat with me and

2387

01:45:03,530 --> 01:45:01,380

other bonus content be sure to check out

2388

01:45:04,850 --> 01:45:03,540

our yearly specials as well sign up

2389

01:45:08,629 --> 01:45:04,860

today while you're thinking about it

2390

01:45:11,109 --> 01:45:08,639

sign up at aftermath.media again that's

2391

01:45:14,689 --> 01:45:11,119

aftermath.me

2392

01:45:16,669 --> 01:45:14,699

ladies and gentlemen don't let the stock

2393

01:45:17,830 --> 01:45:16,679

market jeopardize your retirement

2394

01:45:19,669 --> 01:45:17,840

savings

2395

01:45:23,270 --> 01:45:19,679

401k

2396

01:45:27,290 --> 01:45:23,280

Ira or any other savings that you rely

2397

01:45:30,470 --> 01:45:27,300

on I'm introducing a rock solid solution

2398

01:45:33,050 --> 01:45:30,480

a gold-backed IRA

2399

01:45:35,990 --> 01:45:33,060

protect your hard-earned money

2400

01:45:39,290 --> 01:45:36,000

our team is standing by to ensure a

2401
01:45:41,510 --> 01:45:39,300
seamless transition so that you can

2402
01:45:43,310 --> 01:45:41,520
enjoy a Secure Retirement filled with

2403
01:45:46,390 --> 01:45:43,320
freedom and peace of mind

2404
01:45:50,270 --> 01:45:48,590
800-753-8534 to set up your gold back

2405
01:45:52,609 --> 01:45:50,280
die array today

2406
01:45:55,129 --> 01:45:52,619
secure your dreams with United Gold

2407
01:45:58,209 --> 01:45:55,139
group your trusted retirement partner

2408
01:45:58,219 --> 01:46:07,630
800-753-8534 again 800-753-8534

2409
01:46:25,980 --> 01:46:24,229
[Music]

2410
01:46:32,050 --> 01:46:25,990
thank you

2411
01:46:35,390 --> 01:46:32,060
[Music]

2412
01:46:37,189 --> 01:46:35,400
so this is what I mean I was reading

2413
01:46:39,050 --> 01:46:37,199

their words because I I couldn't believe

2414

01:46:41,030 --> 01:46:39,060

what I was reading so I had to read it

2415

01:46:42,770 --> 01:46:41,040

to you like I said their words not mine

2416

01:46:45,050 --> 01:46:42,780

about UFO

2417

01:46:46,490 --> 01:46:45,060

so the sense of Congress stuff that

2418

01:46:49,250 --> 01:46:46,500

you're talking about

2419

01:46:51,950 --> 01:46:49,260

basically saying that any illegally

2420

01:46:54,709 --> 01:46:51,960

hidden craft

2421

01:46:56,270 --> 01:46:54,719

any craft of non-earth or exotic origin

2422

01:46:57,470 --> 01:46:56,280

has to be brought out of the Shadows for

2423

01:46:59,510 --> 01:46:57,480

broader scientific and Industrial

2424

01:47:02,450 --> 01:46:59,520

analysis

2425

01:47:04,850 --> 01:47:02,460

so what they're talking about here is a

2426

01:47:07,370 --> 01:47:04,860

technological stove pipe

2427

01:47:09,229 --> 01:47:07,380

that means non-sharing of information

2428

01:47:10,729 --> 01:47:09,239

due to excessive secrecy and

2429

01:47:13,790 --> 01:47:10,739

compartmentalization they've done this

2430

01:47:15,590 --> 01:47:13,800

for years okay the aviation

2431

01:47:18,410 --> 01:47:15,600

groups have done this for years the V2

2432

01:47:21,109 --> 01:47:18,420

rocket all of the stuff we use for space

2433

01:47:22,550 --> 01:47:21,119

always it's been questioning whether or

2434

01:47:24,410 --> 01:47:22,560

not we're under Von Braun and others

2435

01:47:26,510 --> 01:47:24,420

knew exactly

2436

01:47:28,370 --> 01:47:26,520

what was going on they they knew where

2437

01:47:30,649 --> 01:47:28,380

it came from they came from the drill it

2438

01:47:32,450 --> 01:47:30,659

came from some other group and of course

2439

01:47:33,890 --> 01:47:32,460

you know that's all up to mythology

2440

01:47:35,510 --> 01:47:33,900

that's all up to what you want to

2441

01:47:37,370 --> 01:47:35,520

believe right

2442

01:47:39,109 --> 01:47:37,380

but despite the shocking directness of

2443

01:47:40,370 --> 01:47:39,119

these legislative moves you got Mark

2444

01:47:41,930 --> 01:47:40,380

Rubio

2445

01:47:44,090 --> 01:47:41,940

and you heard what he had to say he

2446

01:47:45,950 --> 01:47:44,100

became like he was talking along as if

2447

01:47:47,570 --> 01:47:45,960

yeah I get it all you know I wanna I

2448

01:47:49,189 --> 01:47:47,580

wanna be a part of this this is so cool

2449

01:47:50,689 --> 01:47:49,199

and then you sound a little bit more

2450

01:47:52,370 --> 01:47:50,699

circumspect about

2451

01:47:55,189 --> 01:47:52,380

the accuracy of these high-level

2452

01:47:59,090 --> 01:47:57,530

so you know he says I don't find them

2453

01:48:00,470 --> 01:47:59,100

either credible or not credible it's

2454

01:48:03,129 --> 01:48:00,480

like what Donald Trump did when they

2455

01:48:05,149 --> 01:48:03,139

asked him about UFOs

2456

01:48:07,550 --> 01:48:05,159

particularly but I do believe that we

2457

01:48:08,990 --> 01:48:07,560

have blah blah blah we have a man out

2458

01:48:10,910 --> 01:48:09,000

there you know

2459

01:48:13,910 --> 01:48:10,920

let's go to Zach in North Carolina hey

2460

01:48:15,649 --> 01:48:13,920

Zach you're on ground zero oh hey uh

2461

01:48:17,750 --> 01:48:15,659

quiet it's so nice to meet you how are

2462

01:48:19,729 --> 01:48:17,760

you good good

2463

01:48:21,709 --> 01:48:19,739

um you know this is very bizarre because

2464

01:48:24,770 --> 01:48:21,719

I I don't normally turn my radio on and

2465

01:48:26,570 --> 01:48:24,780

I just started I turn your rate uh to

2466

01:48:28,490 --> 01:48:26,580

your show tonight and I started

2467

01:48:30,169 --> 01:48:28,500

listening and I've always wanted to tell

2468

01:48:32,510 --> 01:48:30,179

the story

2469

01:48:34,010 --> 01:48:32,520

um and I've never I never have and I

2470

01:48:36,530 --> 01:48:34,020

figured well it's a it's a radio show

2471

01:48:38,629 --> 01:48:36,540

and nobody you know hopefully recognizes

2472

01:48:39,950 --> 01:48:38,639

the same voice but

2473

01:48:42,590 --> 01:48:39,960

um my mom

2474

01:48:46,070 --> 01:48:42,600

um has told me this when I was younger

2475

01:48:48,830 --> 01:48:46,080

she was abducted by aliens and the story

2476

01:48:52,430 --> 01:48:48,840

is very graphic she's explained details

2477

01:48:55,189 --> 01:48:52,440

to me and um I just wanted to tell you

2478

01:48:57,169 --> 01:48:55,199

and explain to you her story from what's

2479

01:48:59,090 --> 01:48:57,179

been said to me

2480

01:49:00,770 --> 01:48:59,100

um and what happened to her

2481

01:49:02,390 --> 01:49:00,780

okay quickly we got a little bit of time

2482

01:49:04,910 --> 01:49:02,400

just go ahead and what what happened

2483

01:49:07,370 --> 01:49:04,920

with her well this was when she was

2484

01:49:10,070 --> 01:49:07,380

pregnant with my sister so it was like

2485

01:49:13,370 --> 01:49:10,080

she didn't have my sister till 1981 so I

2486

01:49:14,450 --> 01:49:13,380

think it was like 1980. and um it

2487

01:49:16,790 --> 01:49:14,460

happened in the middle of the night

2488

01:49:19,370 --> 01:49:16,800

where she was teleported through her

2489

01:49:21,950 --> 01:49:19,380

window through a red light onto a main

2490

01:49:24,169 --> 01:49:21,960

uh spaceship

2491

01:49:25,669 --> 01:49:24,179

um she they use

2492

01:49:27,410 --> 01:49:25,679

um communication where they don't move

2493

01:49:30,169 --> 01:49:27,420

their their mouth or anything like that

2494

01:49:31,490 --> 01:49:30,179

everything was teleport whatever but

2495

01:49:33,890 --> 01:49:31,500

they explained to her the main being

2496

01:49:35,750 --> 01:49:33,900

came out told her that they weren't

2497

01:49:38,870 --> 01:49:35,760

going to harm her they only wanted to

2498

01:49:41,030 --> 01:49:38,880

see the baby and they literally lifted

2499

01:49:43,609 --> 01:49:41,040

my sister out of her and showed all all

2500

01:49:45,890 --> 01:49:43,619

the other beings observing and then once

2501
01:49:47,689 --> 01:49:45,900
done put put my sister back into my mom

2502
01:49:51,410 --> 01:49:47,699
and then she said that she felt the

2503
01:49:53,990 --> 01:49:51,420
impact of dropping back into the bed but

2504
01:49:55,189 --> 01:49:54,000
she was in a deep sleep so long story

2505
01:49:56,870 --> 01:49:55,199
short

2506
01:49:59,209 --> 01:49:56,880
um there were some scientists or some

2507
01:50:02,169 --> 01:49:59,219
guy was on Oprah explaining that young

2508
01:50:05,030 --> 01:50:02,179
pregnant women were having these I guess

2509
01:50:07,010 --> 01:50:05,040
abductions and there was a there was a

2510
01:50:09,410 --> 01:50:07,020
number and my mom ended up contacting

2511
01:50:11,510 --> 01:50:09,420
this guy and telling him her story and

2512
01:50:14,030 --> 01:50:11,520
he was like yes you you have been

2513
01:50:18,050 --> 01:50:14,040

abducted yeah we had somebody on the

2514

01:50:19,910 --> 01:50:18,060

show a while back uh who said that uh uh

2515

01:50:21,290 --> 01:50:19,920

he also his mother was part of a

2516

01:50:23,149 --> 01:50:21,300

breeding program or something and I and

2517

01:50:26,270 --> 01:50:23,159

I read about a breeding program that

2518

01:50:28,609 --> 01:50:26,280

happened back in the 60s and 70s and

2519

01:50:30,229 --> 01:50:28,619

that uh and it was uh I can't remember

2520

01:50:32,689 --> 01:50:30,239

what they called it but they were

2521

01:50:34,910 --> 01:50:32,699

actually training children to

2522

01:50:37,010 --> 01:50:34,920

communicate using computers with

2523

01:50:39,350 --> 01:50:37,020

extraterrestrials and some of them

2524

01:50:41,510 --> 01:50:39,360

actually joined the heavens Gate cult

2525

01:50:43,189 --> 01:50:41,520

and they were actually running sequences

2526

01:50:45,950 --> 01:50:43,199

were they were seeking they were

2527

01:50:48,530 --> 01:50:45,960

actually uh using more programs creating

2528

01:50:49,850 --> 01:50:48,540

fake Alien War programs and they were

2529

01:50:51,709 --> 01:50:49,860

presenting them to the what is called

2530

01:50:53,090 --> 01:50:51,719

the first Earth Battalion and I don't

2531

01:50:54,410 --> 01:50:53,100

know if anybody knows the first Earth

2532

01:50:55,370 --> 01:50:54,420

Battalion is but what they are they're

2533

01:50:56,990 --> 01:50:55,380

those guys that I don't know if you've

2534

01:50:59,149 --> 01:50:57,000

seen the movie Men Who Stare at Goats

2535

01:51:00,590 --> 01:50:59,159

that was that was who they were they

2536

01:51:03,290 --> 01:51:00,600

were the first Earth Battalion and so

2537

01:51:04,790 --> 01:51:03,300

they learned how to communicate at least

2538

01:51:07,729 --> 01:51:04,800

with some extraterrestrial presence

2539

01:51:09,350 --> 01:51:07,739

using computers and these these kids

2540

01:51:10,550 --> 01:51:09,360

that were born of these parents were

2541

01:51:13,669 --> 01:51:10,560

trained to do that what does your sister

2542

01:51:16,129 --> 01:51:13,679

do right now if I have if a man

2543

01:51:18,410 --> 01:51:16,139

um you know uh unfortunately my sister

2544

01:51:19,490 --> 01:51:18,420

and I were a strange we don't have a

2545

01:51:22,129 --> 01:51:19,500

relationship

2546

01:51:24,350 --> 01:51:22,139

um we all live now in the same town both

2547

01:51:26,570 --> 01:51:24,360

my mom

2548

01:51:29,810 --> 01:51:26,580

and I were from New York

2549

01:51:32,149 --> 01:51:29,820

um but I I really don't know

2550

01:51:34,850 --> 01:51:32,159

um much about my sister she has her own

2551
01:51:36,109 --> 01:51:34,860
life um but this breeding program I mean

2552
01:51:37,970 --> 01:51:36,119
from what I explained to you and how

2553
01:51:40,310 --> 01:51:37,980
they just wanted to see the baby yeah

2554
01:51:42,590 --> 01:51:40,320
and how my mom's explain this to me why

2555
01:51:44,750 --> 01:51:42,600
do you like have you heard of anything

2556
01:51:47,149 --> 01:51:44,760
like this before no from what happened

2557
01:51:48,830 --> 01:51:47,159
to her no I've I've heard of a lot of

2558
01:51:50,090 --> 01:51:48,840
abduction stories you know and a lot of

2559
01:51:51,470 --> 01:51:50,100
them are pretty interesting some are

2560
01:51:55,430 --> 01:51:51,480
pretty weird

2561
01:51:57,590 --> 01:51:55,440
I just like I say I mean everybody's had

2562
01:51:59,090 --> 01:51:57,600
their different experiences but like I

2563
01:52:00,649 --> 01:51:59,100

said there was a guy that we had on the

2564

01:52:02,810 --> 01:52:00,659

show a while back that was saying that

2565

01:52:03,890 --> 01:52:02,820

he was part of the program he was when

2566

01:52:05,750 --> 01:52:03,900

he was born he was part of the super

2567

01:52:08,209 --> 01:52:05,760

soldier program and it but he was doing

2568

01:52:11,209 --> 01:52:08,219

is he was part of what is known as uh

2569

01:52:15,050 --> 01:52:11,219

there's a radiant guardian and solar

2570

01:52:17,270 --> 01:52:15,060

Warden to off Planet uh groups that uh

2571

01:52:19,729 --> 01:52:17,280

Gary McKinnon when he uh when he broke

2572

01:52:22,070 --> 01:52:19,739

into the computers at Nasa described

2573

01:52:25,790 --> 01:52:22,080

solar Warden and uh radiant Guardian as

2574

01:52:28,729 --> 01:52:25,800

two groups that were um part of this off

2575

01:52:30,109 --> 01:52:28,739

Planet military in fact even Gene

2576

01:52:32,209 --> 01:52:30,119

Roddenberry wrote about it too that's

2577

01:52:34,669 --> 01:52:32,219

why we have Star Trek in space 1999

2578

01:52:36,229 --> 01:52:34,679

because he first proposed Star Trek to a

2579

01:52:39,169 --> 01:52:36,239

British company they stole the idea into

2580

01:52:41,330 --> 01:52:39,179

space 1999. he came in and he had some

2581

01:52:43,310 --> 01:52:41,340

connections with this group called The

2582

01:52:45,530 --> 01:52:43,320

Nine where they were summoning benign

2583

01:52:47,510 --> 01:52:45,540

Gods the need and it's just a weird

2584

01:52:49,070 --> 01:52:47,520

story but uh apparently that's why he

2585

01:52:50,870 --> 01:52:49,080

came up with things like Deep Space Nine

2586

01:52:52,129 --> 01:52:50,880

and that's why he has all these

2587

01:52:53,689 --> 01:52:52,139

different stories is because he was

2588

01:52:56,330 --> 01:52:53,699

exposed to it at a young age and as a

2589

01:52:58,669 --> 01:52:56,340

young writer uh he knew about all these

2590

01:53:01,550 --> 01:52:58,679

crazy stories about space and hybrid

2591

01:53:03,350 --> 01:53:01,560

programs and all this stuff so yeah wow

2592

01:53:04,850 --> 01:53:03,360

that's very interesting well I mean I'm

2593

01:53:07,189 --> 01:53:04,860

glad I was able to tell the story

2594

01:53:09,470 --> 01:53:07,199

because what makes this so bizarre is

2595

01:53:11,629 --> 01:53:09,480

that my mom had no recollection of

2596

01:53:13,729 --> 01:53:11,639

anything at that time of what they what

2597

01:53:15,830 --> 01:53:13,739

they looked like nothing well that's um

2598

01:53:16,850 --> 01:53:15,840

that's amazing uh that happened I gotta

2599

01:53:18,649 --> 01:53:16,860

go to other calls but I really

2600

01:53:20,090 --> 01:53:18,659

appreciate the story let's go to Richard

2601
01:53:22,250 --> 01:53:20,100
in North Carolina hey Richard you're on

2602
01:53:24,649 --> 01:53:22,260
ground zero

2603
01:53:26,209 --> 01:53:24,659
totally my honor Clyde how are you good

2604
01:53:27,950 --> 01:53:26,219
how are you doing

2605
01:53:29,810 --> 01:53:27,960
man I'm all right I enjoyed listening to

2606
01:53:31,490 --> 01:53:29,820
the show tonight thanks you know you've

2607
01:53:34,010 --> 01:53:31,500
touched on a few things that really kind

2608
01:53:36,590 --> 01:53:34,020
of hit with me tonight you know the JFK

2609
01:53:39,010 --> 01:53:36,600
and it's this this generation heard

2610
01:53:41,570 --> 01:53:39,020
enough of that fruit to be real

2611
01:53:43,609 --> 01:53:41,580
and you know it's like kind of just

2612
01:53:45,590 --> 01:53:43,619
staying with today's news and

2613
01:53:47,629 --> 01:53:45,600

yeah I don't know another word to

2614

01:53:49,970 --> 01:53:47,639

describe you know Joe Biden's address

2615

01:53:52,790 --> 01:53:49,980

and the content of an address but it's

2616

01:53:54,590 --> 01:53:52,800

it's utter nonsense address what what

2617

01:53:55,990 --> 01:53:54,600

address are you talking about are you

2618

01:53:59,390 --> 01:53:56,000

talking about this

2619

01:54:02,450 --> 01:53:59,400

the queen or are you talking about they

2620

01:54:04,729 --> 01:54:02,460

found out he's using a CPAP now I saw

2621

01:54:06,950 --> 01:54:04,739

that red line on drugs today and about I

2622

01:54:08,629 --> 01:54:06,960

just laughed out loud oh he uses a CPAP

2623

01:54:12,470 --> 01:54:08,639

he's gonna die tomorrow

2624

01:54:14,689 --> 01:54:12,480

that's not quite any excuse will do

2625

01:54:18,350 --> 01:54:14,699

there's gobbledygook coming out of our

2626
01:54:19,850 --> 01:54:18,360
government 300 million people now yeah

2627
01:54:21,350 --> 01:54:19,860
and you know when we started it's a real

2628
01:54:22,850 --> 01:54:21,360
hockey stick we started there's some

2629
01:54:24,470 --> 01:54:22,860
number of relative Americans to which

2630
01:54:27,350 --> 01:54:24,480
the government was accountable

2631
01:54:29,270 --> 01:54:27,360
and you know they had to make sense when

2632
01:54:30,890 --> 01:54:29,280
they talked but for every individual

2633
01:54:32,930 --> 01:54:30,900
group and for every individual cause

2634
01:54:34,729 --> 01:54:32,940
right the things that matter to

2635
01:54:36,530 --> 01:54:34,739
Americans if I could just wave a magic

2636
01:54:37,729 --> 01:54:36,540
wand and go around every person in this

2637
01:54:39,890 --> 01:54:37,739
country

2638
01:54:40,790 --> 01:54:39,900

listen to this this is the point where

2639

01:54:43,310 --> 01:54:40,800

your government

2640

01:54:45,050 --> 01:54:43,320

started talking nonsense to you right

2641

01:54:46,370 --> 01:54:45,060

about what you cared well see that's the

2642

01:54:47,689 --> 01:54:46,380

thing okay let's let me ask you this

2643

01:54:50,510 --> 01:54:47,699

quickly before because the music's going

2644

01:54:52,189 --> 01:54:50,520

why do you think now they're re-spinning

2645

01:54:53,689 --> 01:54:52,199

the tales we have been told to us since

2646

01:54:55,750 --> 01:54:53,699

the 60s

2647

01:55:01,910 --> 01:54:59,330

I'm not saying everything and we know

2648

01:55:04,370 --> 01:55:01,920

there's a 75-year history right we know

2649

01:55:05,990 --> 01:55:04,380

there's a 75-year history but it only

2650

01:55:07,310 --> 01:55:06,000

started in the 60s when people started

2651
01:55:09,350 --> 01:55:07,320
questioning government

2652
01:55:11,390 --> 01:55:09,360
you don't have to be super educated to

2653
01:55:12,890 --> 01:55:11,400
care about something no we don't point

2654
01:55:15,050 --> 01:55:12,900
for the government started lying to you

2655
01:55:16,310 --> 01:55:15,060
everybody needs to be reminded of that

2656
01:55:18,229 --> 01:55:16,320
that's right and a lot of people feel

2657
01:55:19,910 --> 01:55:18,239
that way that's why you know after even

2658
01:55:22,669 --> 01:55:19,920
the Libertarians have always known it

2659
01:55:24,590 --> 01:55:22,679
but everybody else needs to have that be

2660
01:55:27,290 --> 01:55:24,600
reminded on their social media feed on

2661
01:55:29,450 --> 01:55:27,300
their timeline remember when you know

2662
01:55:31,250 --> 01:55:29,460
yeah well yeah remember when how many

2663
01:55:35,149 --> 01:55:31,260

people forget that's the point and

2664

01:55:37,250 --> 01:55:35,159

that's why I I like I say it seems to be

2665

01:55:38,750 --> 01:55:37,260

a little peculiar that they're taking

2666

01:55:40,310 --> 01:55:38,760

the old stories and spinning them into

2667

01:55:42,290 --> 01:55:40,320

news stories again

2668

01:55:44,030 --> 01:55:42,300

they're not new the other people said

2669

01:55:45,649 --> 01:55:44,040

the same thing that this guy said

2670

01:55:46,850 --> 01:55:45,659

the government denied it denied it

2671

01:55:47,990 --> 01:55:46,860

denied it now they're all for it they're

2672

01:55:50,270 --> 01:55:48,000

making conspiracy theories against

2673

01:55:51,830 --> 01:55:50,280

themselves doesn't make sense

2674

01:55:53,330 --> 01:55:51,840

Steve Campion is coming up on Ground

2675

01:55:55,290 --> 01:55:53,340

Zero true Seekers we'll be back with

2676

01:56:16,510 --> 01:55:55,300

more don't go away

2677

01:56:21,229 --> 01:56:18,129

[Music]

2678

01:56:22,850 --> 01:56:21,239

if you haven't switched to metashare yet

2679

01:56:24,709 --> 01:56:22,860

two big reasons to at least consider it

2680

01:56:26,930 --> 01:56:24,719

and why it makes so much sense right now

2681

01:56:28,609 --> 01:56:26,940

number one is inflation which is just

2682

01:56:30,890 --> 01:56:28,619

affecting everything it makes sense to

2683

01:56:33,050 --> 01:56:30,900

say okay where can I actually save well

2684

01:56:34,910 --> 01:56:33,060

you could save a lot and one Fell Swoop

2685

01:56:39,530 --> 01:56:34,920

if you switch to metashare the typical

2686

01:56:41,510 --> 01:56:39,540

family saves 500 a month secondly your

2687

01:56:42,830 --> 01:56:41,520

conscience Medicare members aren't

2688

01:56:45,169 --> 01:56:42,840

forced to pay for things they don't

2689

01:56:47,270 --> 01:56:45,179

support or believe in and that's a big

2690

01:56:48,890 --> 01:56:47,280

deal for a lot of people right now they

2691

01:56:50,990 --> 01:56:48,900

want their money to actually help people

2692

01:56:53,149 --> 01:56:51,000

and one more reason you can trust

2693

01:56:54,890 --> 01:56:53,159

Medishare it's been the gold standard

2694

01:56:57,649 --> 01:56:54,900

for healthcare sharing for more than 25

2695

01:57:00,050 --> 01:56:57,659

years it works and members love it too

2696

01:57:01,850 --> 01:57:00,060

it has double the customer satisfaction

2697

01:57:03,649 --> 01:57:01,860

rating compared to health insurance so

2698

01:57:05,450 --> 01:57:03,659

now's a great time to consider making

2699

01:57:08,030 --> 01:57:05,460

the switch and they're very easy to talk

2700

01:57:09,590 --> 01:57:08,040

to Medishare has great customer service

2701
01:57:12,589 --> 01:57:09,600
you can even get a price within two

2702
01:57:17,810 --> 01:57:12,599
minutes here's the number call 855 share

2703
01:57:21,109 --> 01:57:17,820
40 That's 855 s-h-a-r-e 40 85 l5 share

2704
01:57:25,910 --> 01:57:22,850
it's hard

2705
01:57:28,490 --> 01:57:25,920
so is maintaining a healthy diet

2706
01:57:30,709 --> 01:57:28,500
of course neither is half as hard

2707
01:57:34,010 --> 01:57:30,719
as dying

2708
01:57:36,229 --> 01:57:34,020
sadly type 2 diabetes heart disease and

2709
01:57:39,050 --> 01:57:36,239
stroke kill nearly a million people a

2710
01:57:40,790 --> 01:57:39,060
year even sadder most of these deaths

2711
01:57:43,189 --> 01:57:40,800
are preventable with a few Lifestyle

2712
01:57:46,310 --> 01:57:43,199
Changes including regular activity

2713
01:57:48,530 --> 01:57:46,320

healthier eating and not smoking

2714

01:57:51,109 --> 01:57:48,540

talk to your doctor about your risk for

2715

01:57:52,970 --> 01:57:51,119

type 2 diabetes and heart disease and if

2716

01:57:56,510 --> 01:57:52,980

your doctor recommends lifestyle changes

2717

01:57:59,149 --> 01:57:56,520

or medication listen the reason so many

2718

01:58:02,089 --> 01:57:59,159

die is because not enough are willing to

2719

01:58:05,149 --> 01:58:02,099

change you can stop it starting right

2720

01:58:08,270 --> 01:58:05,159

now it's your life listen to your doctor

2721

01:58:11,209 --> 01:58:08,280

eat better get moving

2722

01:58:13,070 --> 01:58:11,219

visit checkupamerica.org or call 1-800

2723

01:58:30,430 --> 01:58:13,080

diabetes a message from the American

2724

01:58:35,030 --> 01:58:33,530

news this hour from townhall.com I'm

2725

01:58:37,609 --> 01:58:35,040

Tasha Stevens

2726

01:58:39,350 --> 01:58:37,619

after reporters noticed indentions on

2727

01:58:41,270 --> 01:58:39,360

both sides of the president's face and

2728

01:58:43,070 --> 01:58:41,280

it became a topic on social media the

2729

01:58:45,109 --> 01:58:43,080

White House said that it was due to a

2730

01:58:46,910 --> 01:58:45,119

CPAP machine a spokesman says the

2731

01:58:49,189 --> 01:58:46,920

president has dealt with sleep apnea

2732

01:58:51,649 --> 01:58:49,199

since 2008 and has disclosed that

2733

01:58:53,450 --> 01:58:51,659

history in his medical reports White

2734

01:58:55,609 --> 01:58:53,460

House officials say Mr Biden had begun

2735

01:58:58,490 --> 01:58:55,619

using the CPAP machine in recent weeks

2736

01:59:00,530 --> 01:58:58,500

to improve his Sleep Quality CPAP stands

2737

01:59:02,510 --> 01:59:00,540

for continuous positive airway pressure

2738

01:59:04,370 --> 01:59:02,520

and the Machine uses air pressure

2739

01:59:06,589 --> 01:59:04,380

delivered through a face mask to keep

2740

01:59:08,209 --> 01:59:06,599

Airways open while you sleep the

2741

01:59:09,770 --> 01:59:08,219

president was seen this week with marks

2742

01:59:12,649 --> 01:59:09,780

on his face indicating he had been

2743

01:59:15,830 --> 01:59:12,659

wearing some type of wide strap Greg

2744

01:59:17,810 --> 01:59:15,840

Clarkston the White House federal judge

2745

01:59:20,209 --> 01:59:17,820

temporarily blocks Kentucky's ban on

2746

01:59:22,490 --> 01:59:20,219

puberty blockers and hormones on minors

2747

01:59:25,010 --> 01:59:22,500

the judge took the action shortly before

2748

01:59:27,770 --> 01:59:25,020

the measure was set to take effect

2749

01:59:32,270 --> 01:59:27,780

Travelers are getting hit with delays at

2750

01:59:37,790 --> 01:59:34,790

Newark Airport Wednesday and again home

2751
01:59:39,790 --> 01:59:37,800
to Florida she calls it a nightmare

2752
01:59:43,570 --> 01:59:39,800
there's no flights

2753
01:59:47,510 --> 01:59:45,950
we're supposed to go at 2 30 and that

2754
01:59:53,689 --> 01:59:47,520
was canceled

2755
01:59:57,890 --> 01:59:55,189
so yes

2756
02:00:04,209 --> 01:59:57,900
today early afternoon on the East Coast

2757
02:00:09,649 --> 02:00:07,149
unionized you UPS

2758
02:00:11,030 --> 02:00:09,659
drivers or O'Brien Warren the largest

2759
02:00:14,030 --> 02:00:11,040
single employer strike in American

2760
02:00:15,530 --> 02:00:14,040
history now appears inevitable over 340

2761
02:00:18,229 --> 02:00:15,540
000 UPS

2762
02:00:20,810 --> 02:00:18,239
employees could walk off the job causing

2763
02:00:23,510 --> 02:00:20,820

Mass lve disruptions to the U.S supply

2764

02:00:25,609 --> 02:00:23,520

chain UPS has agreed to install air

2765

02:00:28,370 --> 02:00:25,619

conditioning and heat shields inside

2766

02:00:31,070 --> 02:00:28,380

delivery trucks more on these stories at

2767

02:00:32,870 --> 02:00:31,080

townhall.com

2768

02:00:34,729 --> 02:00:32,880

this is KRON Carmichael founder of

2769

02:00:37,430 --> 02:00:34,739

soulti talking about a very serious

2770

02:00:39,649 --> 02:00:37,440

subject your heart heart disease is

2771

02:00:41,330 --> 02:00:39,659

America's number one cause of death it's

2772

02:00:43,189 --> 02:00:41,340

called the silent killer because half of

2773

02:00:45,589 --> 02:00:43,199

its victims die from their very first

2774

02:00:47,990 --> 02:00:45,599

heart attack most had no idea they even

2775

02:00:50,270 --> 02:00:48,000

had heart disease nor do the hundreds of

2776

02:00:52,910 --> 02:00:50,280

thousands who suffer a stroke every year

2777

02:00:54,410 --> 02:00:52,920

18 years ago Salty's clinically proven

2778

02:00:57,530 --> 02:00:54,420

key ingredient dropped my bad

2779

02:01:00,050 --> 02:00:57,540

cholesterol from 120 to 89 in about four

2780

02:01:02,810 --> 02:01:00,060

months My overall cardio health is

2781

02:01:04,970 --> 02:01:02,820

fantastic I'm 74 years old I take no

2782

02:01:06,950 --> 02:01:04,980

prescription drugs if you or a loved one

2783

02:01:09,350 --> 02:01:06,960

could benefit from a super enriched

2784

02:01:12,370 --> 02:01:09,360

heart-healthy supplement I invite you to

2785

02:01:15,950 --> 02:01:12,380

visit soulti.com that's

2786

02:01:19,129 --> 02:01:15,960

s-o-l-t-e-a.com use the code my heart to

2787

02:01:21,050 --> 02:01:19,139

get 29.95 off your initial shipment then

2788

02:01:23,689 --> 02:01:21,060

three bottles for the price of two on an

2789

02:01:26,089 --> 02:01:23,699

ongoing basis visit salty today even

2790

02:01:29,689 --> 02:01:26,099

better yet right now and use the code my

2791

02:01:32,510 --> 02:01:29,699

heart to save big thanks very much

2792

02:01:34,010 --> 02:01:32,520

a sober look at the U.S debt problem the

2793

02:01:35,810 --> 02:01:34,020

Congressional budget office is giving

2794

02:01:38,030 --> 02:01:35,820

the world a picture of ever higher

2795

02:01:40,129 --> 02:01:38,040

deficits greater governments spending

2796

02:01:47,930 --> 02:01:40,139

and tax revenues that only begin to

2797

02:01:53,390 --> 02:01:50,410

that will be equal to a record

2798

02:01:56,930 --> 02:01:53,400

181 percent of American economic

2799

02:01:59,330 --> 02:01:56,940

activity by 2053 that compares with a

2800

02:02:01,490 --> 02:01:59,340

projected 98 at the end of this budget

2801
02:02:03,350 --> 02:02:01,500
year it's a sign that the government is

2802
02:02:05,390 --> 02:02:03,360
getting more dependent on debt to pay

2803
02:02:08,089 --> 02:02:05,400
for Social Security Medicare the

2804
02:02:09,890 --> 02:02:08,099
military infrastructure and an array of

2805
02:02:12,709 --> 02:02:09,900
programs that benefit millions of

2806
02:02:14,930 --> 02:02:12,719
households Keith Peters reporting smoke

2807
02:02:17,030 --> 02:02:14,940
from Canadian wildfires is covering the

2808
02:02:19,669 --> 02:02:17,040
Midwest but it's expected to move East

2809
02:02:21,410 --> 02:02:19,679
hitting parts of Western and Central New

2810
02:02:23,149 --> 02:02:21,420
York millions of people in Chicago

2811
02:02:25,129 --> 02:02:23,159
Detroit Cleveland Pittsburgh and

2812
02:02:27,169 --> 02:02:25,139
elsewhere dealing with an L healthy air

2813
02:02:31,370 --> 02:02:27,179

quality news and Analysis at

2814

02:02:36,290 --> 02:02:33,890

14 state police officers in southern

2815

02:02:39,950 --> 02:02:36,300

Mexico have been abducted

2816

02:02:42,109 --> 02:02:39,960

correspondent Donna Warder reports

2817

02:02:43,910 --> 02:02:42,119

Federal and local forces have been

2818

02:02:47,390 --> 02:02:43,920

deployed in the search for the 14

2819

02:02:49,189 --> 02:02:47,400

officers who were abducted on Tuesday an

2820

02:02:51,229 --> 02:02:49,199

official with the state police force

2821

02:02:53,570 --> 02:02:51,239

says the agents were traveling to the

2822

02:02:55,129 --> 02:02:53,580

capital of Chiapas in a Personnel

2823

02:02:57,290 --> 02:02:55,139

transport truck when they were

2824

02:02:59,870 --> 02:02:57,300

intercepted by several trucks with

2825

02:03:01,910 --> 02:02:59,880

gunmen the official says there were also

2826
02:03:04,310 --> 02:03:01,920
women in the truck but they were

2827
02:03:06,890 --> 02:03:04,320
released while the 14 men were taken

2828
02:03:09,290 --> 02:03:06,900
away I'm Donna water debris from the

2829
02:03:11,930 --> 02:03:09,300
imploded Titan submersible is recovered

2830
02:03:13,370 --> 02:03:11,940
and contains presumed human remains the

2831
02:03:15,229 --> 02:03:13,380
U.S Coast Guard made the announcement

2832
02:03:16,850 --> 02:03:15,239
Wednesday after a ship carrying pieces

2833
02:03:19,430 --> 02:03:16,860
of wreckage recovered from the bottom of

2834
02:03:21,350 --> 02:03:19,440
the ocean returned to Port investigators

2835
02:03:24,950 --> 02:03:21,360
will use the pieces to try to determine

2836
02:03:30,530 --> 02:03:24,960
what caused the submersible to implode

2837
02:04:31,970 --> 02:04:11,169
[Music]

2838
02:04:35,030 --> 02:04:31,980

no aliens bioduplication nude

2839

02:04:38,980 --> 02:04:35,040

conspiracies oh my God Clyde Lewis with

2840

02:04:38,990 --> 02:04:51,040

[Applause]

2841

02:05:09,770 --> 02:05:02,220

[Music]

2842

02:05:09,780 --> 02:05:22,290

foreign

2843

02:05:27,080 --> 02:05:26,970

[Laughter]

2844

02:05:43,970 --> 02:05:27,090

[Applause]

2845

02:05:48,470 --> 02:05:43,980

[Music]

2846

02:05:51,830 --> 02:05:50,390

so last night I was actually talking

2847

02:05:54,649 --> 02:05:51,840

about the genetically modified

2848

02:05:57,350 --> 02:05:54,659

mosquitoes right we've talked about them

2849

02:05:59,570 --> 02:05:57,360

before but I I didn't know that you know

2850

02:06:01,790 --> 02:05:59,580

Bill Gates had a

2851
02:06:04,129 --> 02:06:01,800
Factory that made genetically modified

2852
02:06:05,270 --> 02:06:04,139
mosquitoes in Medellin Colombia

2853
02:06:06,950 --> 02:06:05,280
who knew

2854
02:06:09,770 --> 02:06:06,960
it reminded me of the X-Files remember

2855
02:06:11,570 --> 02:06:09,780
the bees right and I thought yeah this

2856
02:06:13,070 --> 02:06:11,580
would be interesting you know and I I

2857
02:06:15,410 --> 02:06:13,080
just you know look back at it thinking

2858
02:06:16,910 --> 02:06:15,420
well okay I said my point but today they

2859
02:06:19,070 --> 02:06:16,920
announced it was malaria that broke out

2860
02:06:21,470 --> 02:06:19,080
in both Texas and Florida caused by

2861
02:06:22,550 --> 02:06:21,480
mosquitoes and so I say timing is

2862
02:06:24,589 --> 02:06:22,560
everything when you're talking about

2863
02:06:26,330 --> 02:06:24,599

stuff like this and that's why going

2864

02:06:28,250 --> 02:06:26,340

back in time and talking about what

2865

02:06:31,010 --> 02:06:28,260

happened weeks ago with all this

2866

02:06:33,109 --> 02:06:31,020

disclosure stuff with all the uh you

2867

02:06:35,390 --> 02:06:33,119

know the disclosure the whistleblowers

2868

02:06:37,310 --> 02:06:35,400

the guy who said that 10-foot aliens 10

2869

02:06:39,350 --> 02:06:37,320

feet aliens are in his backyard you know

2870

02:06:40,850 --> 02:06:39,360

there's no doubt and and this is the

2871

02:06:43,669 --> 02:06:40,860

thing we need to think about and we need

2872

02:06:45,169 --> 02:06:43,679

to again when you're talking about UFOs

2873

02:06:47,629 --> 02:06:45,179

when you're talking about aliens we're

2874

02:06:50,330 --> 02:06:47,639

talking about all that stuff I mean The

2875

02:06:53,330 --> 02:06:50,340

Fringe subculture

2876

02:06:56,629 --> 02:06:53,340

has been nurtured to think

2877

02:06:59,810 --> 02:06:56,639

of UFOs and aliens in a certain way

2878

02:07:01,910 --> 02:06:59,820

the subculture was nurtured by

2879

02:07:04,310 --> 02:07:01,920

late night radio like Art Bell George

2880

02:07:06,169 --> 02:07:04,320

Nori those guys

2881

02:07:08,209 --> 02:07:06,179

and then it was propelled into a more

2882

02:07:09,530 --> 02:07:08,219

popular position with TV shows like The

2883

02:07:12,050 --> 02:07:09,540

X-Files

2884

02:07:13,209 --> 02:07:12,060

solidified as conspiriology on the

2885

02:07:15,589 --> 02:07:13,219

internet

2886

02:07:18,109 --> 02:07:15,599

ridiculed by those who think conspiracy

2887

02:07:19,970 --> 02:07:18,119

theories are dangerous

2888

02:07:21,890 --> 02:07:19,980

pejorative you know that kind of thing

2889

02:07:23,990 --> 02:07:21,900

it's argued that emerging World Views

2890

02:07:25,910 --> 02:07:24,000

have been shaped by Fringe subcultures

2891

02:07:27,290 --> 02:07:25,920

we wouldn't be in this position we're in

2892

02:07:29,149 --> 02:07:27,300

that one for the French subculture

2893

02:07:31,970 --> 02:07:29,159

French subculture has given us the

2894

02:07:33,830 --> 02:07:31,980

aliens superheroes comic books Sci-Fi

2895

02:07:36,589 --> 02:07:33,840

movies

2896

02:07:39,050 --> 02:07:36,599

the mainstream media though

2897

02:07:40,609 --> 02:07:39,060

here's where we fail

2898

02:07:42,649 --> 02:07:40,619

mainstream media is trying to keep up

2899

02:07:45,890 --> 02:07:42,659

with the changes

2900

02:07:47,450 --> 02:07:45,900

and you know they try to play with the

2901
02:07:49,010 --> 02:07:47,460
metaphoric culture what cultural weather

2902
02:07:50,570 --> 02:07:49,020
and the best they can do is say Madonna

2903
02:07:53,810 --> 02:07:50,580
was found unresponsive in her apartment

2904
02:07:56,689 --> 02:07:53,820
tonight which she was she's better now

2905
02:07:57,890 --> 02:07:56,699
but I'm just saying this is their

2906
02:08:00,229 --> 02:07:57,900
barometer

2907
02:08:02,390 --> 02:08:00,239
this is their cultural weather this is

2908
02:08:05,089 --> 02:08:02,400
you know this is the this is their

2909
02:08:07,609 --> 02:08:05,099
barometer of cosmic change or seismic

2910
02:08:09,470 --> 02:08:07,619
change that shakes up the Paradigm UFOs

2911
02:08:11,530 --> 02:08:09,480
on the other hand you always get people

2912
02:08:15,350 --> 02:08:11,540
going well out of this world talk today

2913
02:08:19,910 --> 02:08:15,360

a cosmic catastrophe you know all this

2914

02:08:24,950 --> 02:08:21,770

you know the difficulty

2915

02:08:27,169 --> 02:08:24,960

and being part of the maligned Fringe

2916

02:08:28,790 --> 02:08:27,179

is you have to deal with those who

2917

02:08:31,129 --> 02:08:28,800

immediately dismiss anything as

2918

02:08:34,070 --> 02:08:31,139

uncomfortable or inconvenient

2919

02:08:37,729 --> 02:08:34,080

so the objective here

2920

02:08:39,890 --> 02:08:37,739

is to reveal the lies

2921

02:08:41,810 --> 02:08:39,900

cut away from the mythology mythology is

2922

02:08:43,609 --> 02:08:41,820

fun don't get me wrong I love telling a

2923

02:08:45,830 --> 02:08:43,619

good story

2924

02:08:47,089 --> 02:08:45,840

Roswell is a great story I love telling

2925

02:08:49,189 --> 02:08:47,099

it every year

2926

02:08:50,450 --> 02:08:49,199

you know Mari Island's a great story I

2927

02:08:52,490 --> 02:08:50,460

love telling it every year there's a lot

2928

02:08:53,870 --> 02:08:52,500

of things that I've seen in Mari Island

2929

02:08:55,250 --> 02:08:53,880

that make me believe that it's true

2930

02:08:56,570 --> 02:08:55,260

story even though they say that it

2931

02:08:57,709 --> 02:08:56,580

wasn't a true story I just think it's a

2932

02:08:59,930 --> 02:08:57,719

beautiful story

2933

02:09:02,810 --> 02:08:59,940

full of Men In Black and I love Mothman

2934

02:09:05,149 --> 02:09:02,820

you know I love all that stuff

2935

02:09:07,250 --> 02:09:05,159

so you have to say to yourself okay what

2936

02:09:09,229 --> 02:09:07,260

part of this is is Legend and what part

2937

02:09:12,109 --> 02:09:09,239

of this is reality

2938

02:09:13,669 --> 02:09:12,119

and one of the biggest Liars we have

2939

02:09:16,070 --> 02:09:13,679

one of the biggest lies we have to deal

2940

02:09:17,930 --> 02:09:16,080

with Is Us

2941

02:09:20,209 --> 02:09:17,940

the UFO Community itself has to deal

2942

02:09:21,589 --> 02:09:20,219

with all the liars and all the people

2943

02:09:24,109 --> 02:09:21,599

who are lying

2944

02:09:26,629 --> 02:09:24,119

in order to make a buck

2945

02:09:28,850 --> 02:09:26,639

all the hopes we have all the fears all

2946

02:09:30,950 --> 02:09:28,860

the biases all the psychological

2947

02:09:35,450 --> 02:09:30,960

defenses

2948

02:09:37,070 --> 02:09:35,460

and in a clandestine way

2949

02:09:38,990 --> 02:09:37,080

it

2950

02:09:42,589 --> 02:09:39,000

tries to distort perception of the world

2951
02:09:46,910 --> 02:09:44,270
and this is what always has bothered me

2952
02:09:49,310 --> 02:09:46,920
about talking about the subject because

2953
02:09:53,209 --> 02:09:49,320
I want so badly

2954
02:09:55,010 --> 02:09:53,219
to give that credible objective View

2955
02:09:57,890 --> 02:09:55,020
but the minds of the people have to be

2956
02:10:00,229 --> 02:09:57,900
open and objective otherwise it's all Bs

2957
02:10:02,089 --> 02:10:00,239
no one has to compromise ethics or core

2958
02:10:04,129 --> 02:10:02,099
beliefs however we would all benefit

2959
02:10:05,570 --> 02:10:04,139
from some reasonable compromise between

2960
02:10:08,870 --> 02:10:05,580
being naively trusting and

2961
02:10:11,629 --> 02:10:10,250
there are many people we trust who are

2962
02:10:13,189 --> 02:10:11,639
telling us the truth but when it comes

2963
02:10:14,810 --> 02:10:13,199

to sensitive material or matters or

2964

02:10:16,430 --> 02:10:14,820

national security or blah blah blah blah

2965

02:10:18,229 --> 02:10:16,440

blah blah the public has to understand

2966

02:10:22,550 --> 02:10:18,239

that there are limits to what these

2967

02:10:27,890 --> 02:10:26,209

and that is why it made me beneficial

2968

02:10:29,209 --> 02:10:27,900

to listen other people's other opinions

2969

02:10:30,770 --> 02:10:29,219

and do the work for yourself meaning not

2970

02:10:32,870 --> 02:10:30,780

relying heavily on the messenger but

2971

02:10:35,089 --> 02:10:32,880

become someone who can testify to the

2972

02:10:37,129 --> 02:10:35,099

validity

2973

02:10:38,810 --> 02:10:37,139

of what can be called true paranormal

2974

02:10:43,250 --> 02:10:38,820

activity by experimenting with it all by

2975

02:10:45,430 --> 02:10:43,260

yourself or with a small group and look

2976

02:10:48,290 --> 02:10:45,440

if you go outside of your comfort zone

2977

02:10:50,450 --> 02:10:48,300

your findings may surprise you

2978

02:10:52,370 --> 02:10:50,460

but you have to realize that during your

2979

02:10:55,370 --> 02:10:52,380

experiment the universe never just hands

2980

02:10:57,229 --> 02:10:55,380

you a bundle of paranormal proof

2981

02:10:58,550 --> 02:10:57,239

sometimes it'd be a daunting task that

2982

02:11:01,129 --> 02:10:58,560

takes a lot of time

2983

02:11:03,109 --> 02:11:01,139

days go by weeks go by months go by

2984

02:11:05,390 --> 02:11:03,119

something can be shown compelling

2985

02:11:07,129 --> 02:11:05,400

evidence all that dropped in your lap

2986

02:11:08,990 --> 02:11:07,139

but right now

2987

02:11:10,430 --> 02:11:09,000

with all the whistleblowers and all the

2988

02:11:12,589 --> 02:11:10,440

guys calling up saying they're ugly

2989

02:11:14,689 --> 02:11:12,599

aliens in the backyard and with all the

2990

02:11:16,370 --> 02:11:14,699

people that are you know saying that you

2991

02:11:19,129 --> 02:11:16,380

know they saw things above Lake Huron

2992

02:11:20,870 --> 02:11:19,139

and it just it's it's that we need to

2993

02:11:22,609 --> 02:11:20,880

understand

2994

02:11:25,550 --> 02:11:22,619

but every little bit

2995

02:11:27,050 --> 02:11:25,560

has a place it's a puzzle every dot you

2996

02:11:28,850 --> 02:11:27,060

connect

2997

02:11:30,229 --> 02:11:28,860

has to lead to some Discovery if you

2998

02:11:32,149 --> 02:11:30,239

can't Discover it you find it's fake

2999

02:11:34,609 --> 02:11:32,159

then say it's fake

3000

02:11:36,050 --> 02:11:34,619

don't say that everything's fake

3001

02:11:37,550 --> 02:11:36,060

that'd make you sound like an idiot

3002

02:11:39,709 --> 02:11:37,560

because there's stuff going on out there

3003

02:11:41,149 --> 02:11:39,719

that you can't explain

3004

02:11:44,209 --> 02:11:41,159

it's always bothers me that you know if

3005

02:11:45,890 --> 02:11:44,219

you if you show something ah CGI ah I'm

3006

02:11:46,850 --> 02:11:45,900

an expert everybody's an expert no

3007

02:11:50,450 --> 02:11:46,860

they're not

3008

02:11:51,410 --> 02:11:50,460

or hey why are UFOs always blurry I'll

3009

02:11:53,030 --> 02:11:51,420

tell you why they're always blurry

3010

02:11:54,890 --> 02:11:53,040

you've ever taken a picture of a

3011

02:11:56,149 --> 02:11:54,900

baseball being thrown at a catcher with

3012

02:11:58,550 --> 02:11:56,159

your cell phone

3013

02:12:01,550 --> 02:11:58,560

you ever caught it in full 98 mile an

3014

02:12:03,530 --> 02:12:01,560

hour throw no you have it

3015

02:12:05,570 --> 02:12:03,540

UFOs go faster than that if you have a

3016

02:12:07,669 --> 02:12:05,580

hovered UFO then great

3017

02:12:09,350 --> 02:12:07,679

congratulations

3018

02:12:10,729 --> 02:12:09,360

but having one go by really fast and

3019

02:12:12,350 --> 02:12:10,739

have you catch against I wonder you can

3020

02:12:14,209 --> 02:12:12,360

catch it on your cell phone

3021

02:12:16,189 --> 02:12:14,219

with all the phones we have in the world

3022

02:12:18,050 --> 02:12:16,199

it's a wonder we don't have clearer

3023

02:12:20,750 --> 02:12:18,060

pictures yeah when something's going

3024

02:12:23,149 --> 02:12:20,760

faster than a damn jet you're not gonna

3025

02:12:24,770 --> 02:12:23,159

catch that it's by accident that's why

3026
02:12:26,209 --> 02:12:24,780
people say when I took the picture I

3027
02:12:28,490 --> 02:12:26,219
never saw it and then when I developed

3028
02:12:31,430 --> 02:12:28,500
it there it was is because snap it got

3029
02:12:33,169 --> 02:12:31,440
it in that millisecond

3030
02:12:34,430 --> 02:12:33,179
people need to use a little bit of logic

3031
02:12:35,810 --> 02:12:34,440
on the other side as well not just

3032
02:12:37,010 --> 02:12:35,820
saying all right well you know just

3033
02:12:38,089 --> 02:12:37,020
because it's blurry it's always taken

3034
02:12:39,950 --> 02:12:38,099
with a potato

3035
02:12:41,629 --> 02:12:39,960
although Bigfoot's different Bigfoot is

3036
02:12:44,750 --> 02:12:41,639
blurry

3037
02:12:48,229 --> 02:12:44,760
when you take a picture of him he's just

3038
02:12:52,250 --> 02:12:49,669

he's blurry

3039

02:12:53,689 --> 02:12:52,260

I get it now I figured it out

3040

02:12:55,550 --> 02:12:53,699

anyway

3041

02:12:57,229 --> 02:12:55,560

tonight I I just think that it's time

3042

02:12:59,390 --> 02:12:57,239

that we uh

3043

02:13:01,189 --> 02:12:59,400

we we get into the strange news but we

3044

02:13:04,490 --> 02:13:01,199

get into it with a guy who uh certainly

3045

02:13:05,870 --> 02:13:04,500

has the power to tell you where

3046

02:13:08,089 --> 02:13:05,880

everything sits

3047

02:13:09,530 --> 02:13:08,099

and he and I had a very good discussion

3048

02:13:11,390 --> 02:13:09,540

today over the phone about where we're

3049

02:13:12,709 --> 02:13:11,400

going with the show tonight and it's

3050

02:13:14,770 --> 02:13:12,719

going to be interesting because we're

3051

02:13:18,589 --> 02:13:14,780

going to have some really good

3052

02:13:21,169 --> 02:13:18,599

objective talk about grush and objective

3053

02:13:23,030 --> 02:13:21,179

talk about who's behind him some

3054

02:13:24,830 --> 02:13:23,040

objective talk about what's going on

3055

02:13:27,109 --> 02:13:24,840

with the wording in Congress and in the

3056

02:13:29,030 --> 02:13:27,119

Senate what this means to actually admit

3057

02:13:31,189 --> 02:13:29,040

that UFO groups exist and that maybe

3058

02:13:33,709 --> 02:13:31,199

they admit that some of this back

3059

02:13:37,069 --> 02:13:33,719

engineered stuff

3060

02:13:38,209 --> 02:13:37,079

Stephen cambian is up next on ground

3061

02:13:39,350 --> 02:13:38,219

zero

3062

02:13:51,229 --> 02:13:39,360

and we'll be back

3063

02:13:51,239 --> 02:13:56,090

foreign

3064

02:13:56,100 --> 02:14:20,450

[Music]

3065

02:14:23,990 --> 02:14:22,669

let's face it guys we're living in times

3066

02:14:25,850 --> 02:14:24,000

where the truth is becoming more

3067

02:14:27,530 --> 02:14:25,860

suppressed and censorship is increasing

3068

02:14:30,290 --> 02:14:27,540

and alarming rate especially on social

3069

02:14:32,450 --> 02:14:30,300

media platforms it's Clyde and I want to

3070

02:14:34,790 --> 02:14:32,460

tell you about a safe and secure Digital

3071

02:14:36,950 --> 02:14:34,800

Playground we put together just for you

3072

02:14:38,990 --> 02:14:36,960

it's aftermath.media

3073

02:14:41,270 --> 02:14:39,000

you get access to thousands of Ground

3074

02:14:43,189 --> 02:14:41,280

Zero archives and podcasts along with

3075

02:14:44,990 --> 02:14:43,199

our private social media groups with

3076

02:14:47,089 --> 02:14:45,000

your basic membership starting at only

3077

02:14:49,729 --> 02:14:47,099

seven dollars a month each subscription

3078

02:14:51,890 --> 02:14:49,739

includes tech support access to the RSS

3079

02:14:54,229 --> 02:14:51,900

feeds along with our own chat room and

3080

02:14:55,850 --> 02:14:54,239

telegram channel in addition the premium

3081

02:14:58,430 --> 02:14:55,860

membership includes research study

3082

02:15:00,649 --> 02:14:58,440

groups webinars a document and movie

3083

02:15:03,589 --> 02:15:00,659

Library a live video stream of ground

3084

02:15:05,689 --> 02:15:03,599

zero a monthly Zoom chat with me and

3085

02:15:07,910 --> 02:15:05,699

other bonus content be sure to check out

3086

02:15:09,229 --> 02:15:07,920

our yearly specials as well sign up

3087

02:15:12,950 --> 02:15:09,239

today while you're thinking about it

3088

02:15:15,050 --> 02:15:12,960

sign up at aftermath.media again that's

3089

02:15:17,450 --> 02:15:15,060

aftermath.me

3090

02:15:20,089 --> 02:15:17,460

following a disaster your home emergency

3091

02:15:22,010 --> 02:15:20,099

kit will be invaluable building a kit

3092

02:15:24,290 --> 02:15:22,020

doesn't take long and you'll be glad you

3093

02:15:26,750 --> 02:15:24,300

did when disaster strikes here's a list

3094

02:15:28,850 --> 02:15:26,760

of items to include a first aid kit

3095

02:15:32,089 --> 02:15:28,860

battery powered or hand crank radio

3096

02:15:34,970 --> 02:15:32,099

flashlight extra batteries an emergency

3097

02:15:37,790 --> 02:15:34,980

whistle cell phone phone with charger

3098

02:15:39,350 --> 02:15:37,800

cash and small bills a local map with

3099

02:15:42,470 --> 02:15:39,360

your family meeting place identified

3100

02:15:45,890 --> 02:15:42,480

food and water to last two weeks garbage

3101
02:15:47,569 --> 02:15:45,900
bags dust masks and seasonal clothing

3102
02:15:49,790 --> 02:15:47,579
and Footwear add prescription

3103
02:15:51,649 --> 02:15:49,800
medications or any other important items

3104
02:15:53,089 --> 02:15:51,659
unique to your family's needs once

3105
02:15:55,910 --> 02:15:53,099
you've created your kit check food

3106
02:15:57,589 --> 02:15:55,920
expiry dates once a year and update

3107
02:16:00,050 --> 02:15:57,599
seasonal clothing for growing children

3108
02:16:02,569 --> 02:16:00,060
if you have pets make sure you have

3109
02:16:05,030 --> 02:16:02,579
everything your Furry Friends need in an

3110
02:16:06,950 --> 02:16:05,040
easy to carry grab and go bag to learn

3111
02:16:09,069 --> 02:16:06,960
more about preparing an emergency kit

3112
02:16:11,569 --> 02:16:09,079
visit

3113
02:16:15,430 --> 02:16:11,579

mill.wa.gov forward slash preparedness

3114

02:16:18,830 --> 02:16:17,750

hey guys it's Clyde you know we've had a

3115

02:16:20,330 --> 02:16:18,840

lot of requests for Ground Zero

3116

02:16:22,850 --> 02:16:20,340

merchandise so we put together an online

3117

02:16:24,770 --> 02:16:22,860

store with a big variety of high quality

3118

02:16:26,629 --> 02:16:24,780

items I'm really excited to let you know

3119

02:16:28,729 --> 02:16:26,639

about these things we have a lot to

3120

02:16:29,990 --> 02:16:28,739

offer you and your loved ones in

3121

02:16:32,810 --> 02:16:30,000

addition to our regular apparels

3122

02:16:34,429 --> 02:16:32,820

t-shirts beanies hoodies and hats we've

3123

02:16:36,650 --> 02:16:34,439

expanded our product line with posters

3124

02:16:38,389 --> 02:16:36,660

Flags aprons mugs and a whole lot more

3125

02:16:39,950 --> 02:16:38,399

we also have Ground Zero Collectibles

3126

02:16:42,169 --> 02:16:39,960

along with a limited edition of items

3127

02:16:43,790 --> 02:16:42,179

like a Clyde Lewis canvas portrait a

3128

02:16:45,589 --> 02:16:43,800

ground zero embroidered jacket that will

3129

02:16:46,969 --> 02:16:45,599

certainly make for great gifts and for

3130

02:16:48,650 --> 02:16:46,979

interesting conversations with family

3131

02:16:50,330 --> 02:16:48,660

and friends and we now offer

3132

02:16:52,969 --> 02:16:50,340

Publications such as Ron Patton's book

3133

02:16:54,830 --> 02:16:52,979

about mind control mkzine and back

3134

02:16:56,049 --> 02:16:54,840

copies of the official magazine of

3135

02:16:58,610 --> 02:16:56,059

Ground Zero while it was in print

3136

02:17:01,070 --> 02:16:58,620

paranoia the conspiracy reader also

3137

02:17:02,629 --> 02:17:01,080

coming in 2023 our updated and revised

3138

02:17:04,429 --> 02:17:02,639

books that I've written there's a

3139

02:17:07,190 --> 02:17:04,439

Securities to use shopping cart for your

3140

02:17:09,410 --> 02:17:07,200

purchases so shop today at our official

3141

02:17:13,250 --> 02:17:09,420

store by going to ground zeromerch.com

3142

02:17:14,509 --> 02:17:13,260

again that's ground zeroomberg.com you

3143

02:17:16,610 --> 02:17:14,519

know a lot of people talk about my

3144

02:17:18,770 --> 02:17:16,620

Patriot Supply and how wonderful it is

3145

02:17:20,389 --> 02:17:18,780

it is a great product we have the Vice

3146

02:17:23,089 --> 02:17:20,399

President of Sales of my Patriot Supply

3147

02:17:24,950 --> 02:17:23,099

Mr Joe reek is on the phone with us what

3148

02:17:26,570 --> 02:17:24,960

is the some of the new things that you

3149

02:17:28,610 --> 02:17:26,580

have available for people it's not just

3150

02:17:29,629 --> 02:17:28,620

powder this and powder that the food is

3151

02:17:31,610 --> 02:17:29,639

really good

3152

02:17:33,049 --> 02:17:31,620

you're going to have rice pudding you're

3153

02:17:35,629 --> 02:17:33,059

going to have all of your main course

3154

02:17:38,270 --> 02:17:35,639

servings breakfast lunches dinners

3155

02:17:41,450 --> 02:17:38,280

drinks desserts everything that any

3156

02:17:43,129 --> 02:17:41,460

family would use on a regular basis yeah

3157

02:17:45,469 --> 02:17:43,139

they are fantastic I've seen a lot of

3158

02:17:46,610 --> 02:17:45,479

them and they're also uh all kinds of

3159

02:17:48,469 --> 02:17:46,620

things you can get things you never

3160

02:17:51,290 --> 02:17:48,479

dreamed of getting like eggs and butter

3161

02:17:53,209 --> 02:17:51,300

these are not MREs these are tasty meals

3162

02:17:55,070 --> 02:17:53,219

being put together by wonderful chefs

3163

02:17:56,570 --> 02:17:55,080

and people who know what good food

3164

02:17:59,150 --> 02:17:56,580

tastes like so if you're in a disaster

3165

02:18:01,250 --> 02:17:59,160

you don't have to eat crumbs or or eat

3166

02:18:03,129 --> 02:18:01,260

rations or something all you got to do

3167

02:18:06,110 --> 02:18:03,139

is go to prepare with ground zero.com

3168

02:18:07,429 --> 02:18:06,120

that's prepared with ground zero.com Joe

3169

02:18:18,610 --> 02:18:07,439

rig thank you for being with us today

3170

02:18:22,849 --> 02:18:21,290

all right the anticipation is just

3171

02:18:24,830 --> 02:18:22,859

building right now Stephen campion's

3172

02:18:26,450 --> 02:18:24,840

with us an award-winning multimedia

3173

02:18:28,190 --> 02:18:26,460

artist who runs a media and technology

3174

02:18:30,589 --> 02:18:28,200

company his creative Works have been in

3175

02:18:33,410 --> 02:18:30,599

radio television films theaters and many

3176

02:18:36,110 --> 02:18:33,420

platforms on the internet he is the host

3177

02:18:41,950 --> 02:18:36,120

oh wait a minute we have some Echo going

3178

02:18:46,070 --> 02:18:44,810

he's been the host of true Seekers the

3179

02:18:47,870 --> 02:18:46,080

show that explores and investigates

3180

02:18:49,610 --> 02:18:47,880

mysterious uh mysterious topics with a

3181

02:18:51,889 --> 02:18:49,620

skeptical eye true Secrets is available

3182

02:18:53,450 --> 02:18:51,899

on most video platforms and all audio

3183

02:18:55,969 --> 02:18:53,460

podcast platforms tonight it's

3184

02:18:57,770 --> 02:18:55,979

simulcasting on YouTube and again

3185

02:19:00,650 --> 02:18:57,780

Stephen Camby and he's like a brother

3186

02:19:03,110 --> 02:19:00,660

from another mother to me in fact when

3187

02:19:05,509 --> 02:19:03,120

uh I was in contact we actually talked

3188

02:19:08,750 --> 02:19:05,519

with each other okay we need somebody to

3189

02:19:10,790 --> 02:19:08,760

turn down the computer

3190

02:19:18,910 --> 02:19:10,800

that is bizarre

3191

02:19:23,990 --> 02:19:21,469

get the phone conversation taken care of

3192

02:19:25,490 --> 02:19:24,000

so that we don't have me coming back to

3193

02:19:27,290 --> 02:19:25,500

me again that'd be kind of interesting I

3194

02:19:29,169 --> 02:19:27,300

appreciate that anyway if you want to

3195

02:19:32,530 --> 02:19:29,179

call in tonight

3196

02:19:36,889 --> 02:19:35,030

866-536-7469 we'll get to Steven when we

3197

02:19:38,629 --> 02:19:36,899

get the technical difficulties take it

3198

02:19:40,910 --> 02:19:38,639

away but in the meantime I I wanted to

3199

02:19:43,129 --> 02:19:40,920

go back to what Marco Rubio had said and

3200

02:19:44,750 --> 02:19:43,139

the reason why is because Marco Rubio is

3201

02:19:47,209 --> 02:19:44,760

taking into this stance now but even

3202

02:19:48,830 --> 02:19:47,219

though these other groups uh after a few

3203

02:19:50,690 --> 02:19:48,840

weeks ago we were talking about the UFO

3204

02:19:53,030 --> 02:19:50,700

situation we were talking about you know

3205

02:19:56,030 --> 02:19:53,040

uh David rush and all these others and

3206

02:19:58,070 --> 02:19:56,040

and uh now I guess Senate is getting

3207

02:20:00,770 --> 02:19:58,080

really tough on these guys they say

3208

02:20:03,830 --> 02:20:00,780

bring his proof or else and they even

3209

02:20:05,690 --> 02:20:03,840

admit they say hey UFOs exist so if they

3210

02:20:08,210 --> 02:20:05,700

exist and we're going on what you say

3211

02:20:10,849 --> 02:20:08,220

then you better show something and of

3212

02:20:12,770 --> 02:20:10,859

course this is made Marco Rubio senator

3213

02:20:13,730 --> 02:20:12,780

Marco Rubio little circumspect about the

3214

02:20:15,110 --> 02:20:13,740

whole thing that's what he had to say

3215

02:20:16,910 --> 02:20:15,120

people say there are people that have

3216

02:20:18,710 --> 02:20:16,920

come forward to share information with

3217

02:20:20,630 --> 02:20:18,720

our committee over the last couple of

3218

02:20:22,190 --> 02:20:20,640

years I would imagine some of them are

3219

02:20:24,290 --> 02:20:22,200

potentially some of the same people that

3220

02:20:25,730 --> 02:20:24,300

perhaps he's referring to I want to be

3221

02:20:27,050 --> 02:20:25,740

very protective of these people a lot of

3222

02:20:28,910 --> 02:20:27,060

these people came to us even before

3223

02:20:30,650 --> 02:20:28,920

these protections were in the law or

3224

02:20:32,690 --> 02:20:30,660

whistleblowers to come forward

3225

02:20:34,670 --> 02:20:32,700

sorry people who have had first-hand

3226

02:20:36,290 --> 02:20:34,680

knowledge who claim to have firsthand

3227

02:20:38,450 --> 02:20:36,300

knowledge of seeing this type of thing

3228

02:20:40,790 --> 02:20:38,460

or have firsthand knowledge or firsthand

3229

02:20:42,410 --> 02:20:40,800

claims of certain things uh some are

3230

02:20:44,510 --> 02:20:42,420

public figures you know and and you've

3231

02:20:47,270 --> 02:20:44,520

heard from them in the past others

3232

02:20:48,530 --> 02:20:47,280

um you know have not shared publicly and

3233

02:20:49,910 --> 02:20:48,540

so we're trying to gather as much of

3234

02:20:51,349 --> 02:20:49,920

that information as we can but and the

3235

02:20:53,030 --> 02:20:51,359

reason why I'm being trying to be

3236

02:20:54,290 --> 02:20:53,040

evasive but I am trying to be protective

3237

02:20:56,330 --> 02:20:54,300

of these people some of these people

3238

02:20:58,429 --> 02:20:56,340

still work in the government and frankly

3239

02:21:00,349 --> 02:20:58,439

a lot of them are very fearful of their

3240

02:21:02,990 --> 02:21:00,359

jobs fearful their clearances fearful of

3241

02:21:05,150 --> 02:21:03,000

their career and and and some frankly

3242

02:21:06,469 --> 02:21:05,160

are fearful of harm coming to them so

3243

02:21:07,849 --> 02:21:06,479

that category of people who have

3244

02:21:09,770 --> 02:21:07,859

first-hand knowledge who say they have

3245

02:21:12,830 --> 02:21:09,780

actually seen these kinds of things do

3246

02:21:15,110 --> 02:21:12,840

you find many of them credible well I

3247

02:21:16,849 --> 02:21:15,120

don't find them either not credible or

3248

02:21:18,590 --> 02:21:16,859

credible because we have no basis about

3249

02:21:20,270 --> 02:21:18,600

understand some of these claims are

3250

02:21:21,650 --> 02:21:20,280

things that are Beyond sort of the realm

3251

02:21:23,809 --> 02:21:21,660

of what any of us has ever dealt with

3252

02:21:27,170 --> 02:21:23,819

what I think we owe them is just a

3253

02:21:28,550 --> 02:21:27,180

mature you know understand listening and

3254

02:21:30,050 --> 02:21:28,560

trying to put these all these pieces

3255

02:21:31,730 --> 02:21:30,060

together and just sort of intake the

3256

02:21:33,110 --> 02:21:31,740

information without any prejudice or

3257

02:21:35,389 --> 02:21:33,120

jumping to any conclusions in One

3258

02:21:37,730 --> 02:21:35,399

Direction or another I will say I find

3259

02:21:39,950 --> 02:21:37,740

most of these people at some point or

3260

02:21:41,750 --> 02:21:39,960

maybe even currently have held very high

3261

02:21:44,030 --> 02:21:41,760

comparances and high positions within

3262

02:21:46,849 --> 02:21:44,040

our government so you start out you do

3263

02:21:49,010 --> 02:21:46,859

ask yourself like what incentive would

3264

02:21:51,230 --> 02:21:49,020

so many people with that kind of um

3265

02:21:53,270 --> 02:21:51,240

qualification these are serious people

3266

02:21:54,710 --> 02:21:53,280

have to come forward and make something

3267

02:21:56,570 --> 02:21:54,720

up

3268

02:21:58,010 --> 02:21:56,580

Senator Rubio who's Vice chair of the

3269

02:21:59,389 --> 02:21:58,020

Senate intelligence committee emphasized

3270

02:22:01,490 --> 02:21:59,399

that there have been similar credible

3271

02:22:03,530 --> 02:22:01,500

threats to the committee's other unnamed

3272

02:22:05,450 --> 02:22:03,540

Witnesses their livelihoods and their

3273

02:22:06,950 --> 02:22:05,460

lives last week the community the

3274

02:22:08,150 --> 02:22:06,960

committee that was put together the

3275

02:22:10,910 --> 02:22:08,160

Senate intelligence committee

3276

02:22:12,830 --> 02:22:10,920

unanimously adopted a provision to cut

3277

02:22:14,750 --> 02:22:12,840

off all federal funding to any secret

3278

02:22:16,190 --> 02:22:14,760

UFO reverse engineering programs whether

3279

02:22:18,349 --> 02:22:16,200

they be conducted by the US government

3280

02:22:20,870 --> 02:22:18,359

or hidden away in the private sector via

3281

02:22:23,929 --> 02:22:20,880

defense contractors they admitted

3282

02:22:26,929 --> 02:22:23,939

but if they are working on UFOs that

3283

02:22:28,370 --> 02:22:26,939

they will investigate and and there's

3284

02:22:30,110 --> 02:22:28,380

more to this but I want to see if we can

3285

02:22:31,849 --> 02:22:30,120

get back to Stephen Stephen cambian with

3286

02:22:34,790 --> 02:22:31,859

us tonight on Ground Zero Stephen are

3287

02:22:35,929 --> 02:22:34,800

you there yes I'm here yeah we had a

3288

02:22:37,250 --> 02:22:35,939

little bit of technical difficulties but

3289

02:22:38,389 --> 02:22:37,260

we're good to have you on it's good to

3290

02:22:39,710 --> 02:22:38,399

have you like I said you're the brother

3291

02:22:41,870 --> 02:22:39,720

from another mother we were talking in

3292

02:22:43,370 --> 02:22:41,880

contact in the desert over the phone I

3293

02:22:44,510 --> 02:22:43,380

was enjoying our conversation that was a

3294

02:22:47,030 --> 02:22:44,520

lot of fun

3295

02:22:48,889 --> 02:22:47,040

yeah yeah me too it was very nice to

3296

02:22:50,750 --> 02:22:48,899

connect to you and it's been a long time

3297

02:22:53,330 --> 02:22:50,760

since I've gotten to say this growing up

3298

02:22:56,210 --> 02:22:53,340

on talk radio but I'm a long time

3299

02:22:57,950 --> 02:22:56,220

listener first-time caller so tonight is

3300

02:23:00,650 --> 02:22:57,960

even more special to me because you

3301

02:23:02,450 --> 02:23:00,660

called me to be on your show which is

3302

02:23:03,950 --> 02:23:02,460

awesome yes I did thank you thank you

3303

02:23:06,530 --> 02:23:03,960

very much for that I enjoyed our

3304

02:23:08,990 --> 02:23:06,540

conversation to be on terrestrial radio

3305

02:23:11,630 --> 02:23:09,000

because I grew up with listening to talk

3306

02:23:15,050 --> 02:23:11,640

radio it's one of the major reasons why

3307

02:23:17,450 --> 02:23:15,060

I'm here today yeah uh you know I I just

3308

02:23:19,370 --> 02:23:17,460

loved it growing up well it's an honor

3309

02:23:21,110 --> 02:23:19,380

to have you on because I know that you

3310

02:23:22,790 --> 02:23:21,120

have been I don't know you've got a lot

3311

02:23:24,889 --> 02:23:22,800

of stuff behind you in your career you

3312

02:23:26,690 --> 02:23:24,899

got a lot of stuff you've worked on and

3313

02:23:28,730 --> 02:23:26,700

you know you've also been like I say

3314

02:23:31,849 --> 02:23:28,740

part of the subculture Fringe for a long

3315

02:23:33,889 --> 02:23:31,859

time and since we've been both a part of

3316

02:23:35,809 --> 02:23:33,899

this for a long time there comes a time

3317

02:23:38,570 --> 02:23:35,819

where we have to kind of back up and go

3318

02:23:41,210 --> 02:23:38,580

all right why are we being told this all

3319

02:23:42,830 --> 02:23:41,220

over again why are these stories coming

3320

02:23:45,050 --> 02:23:42,840

and they're not unique but they are

3321

02:23:46,730 --> 02:23:45,060

coming out and why is the government

3322

02:23:48,469 --> 02:23:46,740

taking it seriously when before they

3323

02:23:49,910 --> 02:23:48,479

didn't take it serious at all how do you

3324

02:23:52,429 --> 02:23:49,920

feel about that

3325

02:23:54,830 --> 02:23:52,439

yeah I think there's one of the major

3326

02:23:57,230 --> 02:23:54,840

problems you mentioned this reset or

3327

02:23:59,210 --> 02:23:57,240

reboot and one of the major problems

3328

02:24:01,550 --> 02:23:59,220

that we're having is with the younger

3329

02:24:05,210 --> 02:24:01,560

generation many of which I call them the

3330

02:24:08,270 --> 02:24:05,220

2016ers they came in in 2016 so they're

3331

02:24:10,790 --> 02:24:08,280

only aware of the stories and and what

3332

02:24:13,130 --> 02:24:10,800

has happened since 2016.

3333

02:24:15,950 --> 02:24:13,140

but if you if you go a little deeper

3334

02:24:18,050 --> 02:24:15,960

into the history you quickly realize

3335

02:24:20,870 --> 02:24:18,060

that all of this has happened before and

3336

02:24:23,389 --> 02:24:20,880

it will all happen again and I I did a

3337

02:24:25,370 --> 02:24:23,399

piece on my show a not so brief history

3338

02:24:28,550 --> 02:24:25,380

of UFO whistleblowers it was three hours

3339

02:24:30,830 --> 02:24:28,560

long and I only got to I think seven UFO

3340

02:24:34,429 --> 02:24:30,840

whistleblowers previous to this current

3341

02:24:36,590 --> 02:24:34,439

Mr David grush and it was interesting to

3342

02:24:38,210 --> 02:24:36,600

show the history of that because all of

3343

02:24:40,790 --> 02:24:38,220

them came forth with very similar

3344

02:24:42,950 --> 02:24:40,800

stories to Mr grush some of them had

3345

02:24:45,290 --> 02:24:42,960

very impressive credentials military

3346

02:24:47,929 --> 02:24:45,300

educational or intelligence credentials

3347

02:24:50,929 --> 02:24:47,939

just like this current person David

3348

02:24:52,910 --> 02:24:50,939

grush but one thing that all the UFO

3349

02:24:54,530 --> 02:24:52,920

whistleblowers in history have had in

3350

02:24:56,809 --> 02:24:54,540

common is they all made these

3351

02:24:59,870 --> 02:24:56,819

Fantastical claims and neither one of

3352

02:25:02,389 --> 02:24:59,880

them have provided overwhelming or even

3353

02:25:05,150 --> 02:25:02,399

really substantial and supportive

3354

02:25:07,969 --> 02:25:05,160

evidence and and that's what we've been

3355

02:25:10,670 --> 02:25:07,979

lacking we've had a plethora of stories

3356

02:25:12,650 --> 02:25:10,680

remember I like to say these people

3357

02:25:14,210 --> 02:25:12,660

aren't telling stories you always have

3358

02:25:16,610 --> 02:25:14,220

to remember they're not just telling the

3359

02:25:18,590 --> 02:25:16,620

stories they're selling the stories yeah

3360

02:25:20,990 --> 02:25:18,600

and that's an important part of this so

3361

02:25:23,150 --> 02:25:21,000

the younger generation were people who

3362

02:25:25,429 --> 02:25:23,160

came into this late and aren't aware of

3363

02:25:27,710 --> 02:25:25,439

the full history haven't been on these

3364

02:25:30,290 --> 02:25:27,720

up and down cycles that someone with

3365

02:25:34,010 --> 02:25:30,300

your experience or my experience been

3366

02:25:37,190 --> 02:25:34,020

here for decades seen so many of these

3367

02:25:39,530 --> 02:25:37,200

UFO whistleblowers come and go I I

3368

02:25:41,750 --> 02:25:39,540

really hope I'm wrong but I'm seeing a

3369

02:25:44,270 --> 02:25:41,760

great deal of red flags about this

3370

02:25:47,690 --> 02:25:44,280

person just as I did with some of the

3371

02:25:49,490 --> 02:25:47,700

previous so-called UFO whistleblowers

3372

02:25:51,590 --> 02:25:49,500

kind of strange feeling when I was

3373

02:25:54,950 --> 02:25:51,600

watching him I just feel he's far too

3374

02:25:56,809 --> 02:25:54,960

calm uh far too confident and and the

3375

02:25:58,610 --> 02:25:56,819

story is like what have we learned from

3376

02:26:01,130 --> 02:25:58,620

him absolutely nothing that we didn't

3377

02:26:03,469 --> 02:26:01,140

know already you feel that way

3378

02:26:06,170 --> 02:26:03,479

yeah I feel like it's just yet another

3379

02:26:08,630 --> 02:26:06,180

person that might have you see there's

3380

02:26:10,490 --> 02:26:08,640

two I put two categories of you of

3381

02:26:12,650 --> 02:26:10,500

so-called UFO whistleblowers there are

3382

02:26:14,690 --> 02:26:12,660

some that you can quickly pick apart

3383

02:26:16,490 --> 02:26:14,700

their claims and credentials they have

3384

02:26:19,010 --> 02:26:16,500

some in some cases they have fake

3385

02:26:21,469 --> 02:26:19,020

educations they fake their work history

3386

02:26:23,389 --> 02:26:21,479

they say you know qualifications or

3387

02:26:25,250 --> 02:26:23,399

places they claim they've worked and

3388

02:26:27,469 --> 02:26:25,260

those people we can quickly brush aside

3389

02:26:30,170 --> 02:26:27,479

harder to brush a cider people like

3390

02:26:33,469 --> 02:26:30,180

Philip Corso or even Clifford Stone

3391

02:26:35,389 --> 02:26:33,479

right uh who had impressive and

3392

02:26:37,910 --> 02:26:35,399

verifiable military service and

3393

02:26:39,469 --> 02:26:37,920

credentials and came forward with these

3394

02:26:41,750 --> 02:26:39,479

stories so grush is in that second

3395

02:26:44,929 --> 02:26:41,760

category and the True Believers are

3396

02:26:47,690 --> 02:26:44,939

hammering home while his he's he's got

3397

02:26:49,429 --> 02:26:47,700

these super top level clearances and and

3398

02:26:52,370 --> 02:26:49,439

many are saying why would he lie and

3399

02:26:54,889 --> 02:26:52,380

wreck his whole career and um you know

3400

02:26:56,690 --> 02:26:54,899

his credentials are so impeccable and

3401

02:26:58,429 --> 02:26:56,700

that I will agree with just as I agreed

3402

02:27:00,410 --> 02:26:58,439

with Phil of Corso's credentials being

3403

02:27:02,389 --> 02:27:00,420

incredible you know Phil of course or

3404

02:27:04,730 --> 02:27:02,399

was that the Crossroad of history at

3405

02:27:06,650 --> 02:27:04,740

many different places and he indeed

3406

02:27:09,530 --> 02:27:06,660

worked for foreign technology division

3407

02:27:11,450 --> 02:27:09,540

which studies anything that the United

3408

02:27:13,969 --> 02:27:11,460

States government recovers that that

3409

02:27:17,389 --> 02:27:13,979

would be not non-us technology like

3410

02:27:21,469 --> 02:27:17,399

Russian or Chinese uh equipment space

3411

02:27:24,770 --> 02:27:21,479

space junk whatever they recover Mig

3412

02:27:27,230 --> 02:27:24,780

Fighters we've gotten a hold of so yeah

3413

02:27:29,210 --> 02:27:27,240

this person has impressive credentials

3414

02:27:30,590 --> 02:27:29,220

but there's a lot of flags we're going

3415

02:27:32,450 --> 02:27:30,600

to talk more about this Stephen Champion

3416

02:27:35,950 --> 02:27:32,460

with us tonight on ground zero five zero

3417

02:27:38,450 --> 02:27:35,960

three two two five zero eight sixty or

3418

02:27:39,950 --> 02:27:38,460

866-536-7469 we also invite aftermath

3419

02:27:41,809 --> 02:27:39,960

chat and Truth Seekers to call in

3420

02:27:44,750 --> 02:27:41,819

tonight so please do we'll be back with

3421

02:27:53,820 --> 02:27:50,889

[Music]

3422

02:28:11,389 --> 02:27:53,830

thank you

3423

02:28:15,830 --> 02:28:13,429

okay we're on a break I'm so glad I

3424

02:28:17,210 --> 02:28:15,840

could take you guys with me uh and thank

3425

02:28:21,670 --> 02:28:17,220

you so much for being here if you're

3426

02:28:27,469 --> 02:28:24,530

with us already news I'm Taylor Stevens

3427

02:28:29,210 --> 02:28:27,479

three Amtrak cars have derailed after a

3428

02:28:31,910 --> 02:28:29,220

collusion with a water truck that was

3429

02:28:33,650 --> 02:28:31,920

sitting on the rails near Los Angeles on

3430

02:28:36,530 --> 02:28:33,660

those 20 people were on the train that

3431

02:28:38,630 --> 02:28:36,540

was traveling from Seattle to LA 16 were

3432

02:28:41,030 --> 02:28:38,640

transported to a local hospital with

3433

02:28:42,830 --> 02:28:41,040

minor injuries severe weather creating

3434

02:28:45,770 --> 02:28:42,840

issues at airports ahead of the Fourth

3435

02:28:47,710 --> 02:28:45,780

of July weekend more than 5 900 flights

3436

02:28:50,690 --> 02:28:47,720

have already been delayed or canceled

3437

02:28:53,150 --> 02:28:50,700

America's biggest and busiest airports

3438

02:28:55,190 --> 02:28:53,160

are the hardest hit debris from the

3439

02:28:57,530 --> 02:28:55,200

imploded Titan submersible containing

3440

02:28:59,450 --> 02:28:57,540

presumed human remains has been found

3441

02:29:01,969 --> 02:28:59,460

the US Coast Guard made the announcement

3442

02:29:03,830 --> 02:29:01,979

Wednesday after a ship carrying pieces

3443

02:29:06,410 --> 02:29:03,840

of wreckage recovered from the bottom of

3444

02:29:08,450 --> 02:29:06,420

the ocean returned to Port the evidence

3445

02:29:12,170 --> 02:29:08,460

will be transported to a U.S court for

3446

02:29:14,030 --> 02:29:12,180

further analysis UPS drivers warning of

3447

02:29:18,230 --> 02:29:14,040

an imminent strike that could start as

3448

02:29:19,849 --> 02:29:18,240

soon as next week this is SRA news

3449

02:29:21,650 --> 02:29:19,859

if you're a business owner with five

3450

02:29:23,090 --> 02:29:21,660

employees or more you need to listen to

3451

02:29:24,770 --> 02:29:23,100

this important announcement your

3452

02:29:26,450 --> 02:29:24,780

business may be eligible to receive up

3453

02:29:27,950 --> 02:29:26,460

to twenty six thousand dollars per

3454

02:29:30,050 --> 02:29:27,960

employee through the employee retention

3455

02:29:31,790 --> 02:29:30,060

tax credit a fully funded tax credit

3456

02:29:33,530 --> 02:29:31,800

created to help businesses during these

3457

02:29:35,270 --> 02:29:33,540

difficult times let the experts at

3458

02:29:37,070 --> 02:29:35,280

Benchmark human capital help you get the

3459

02:29:38,630 --> 02:29:37,080

money you're owed Benchmark is the

3460

02:29:40,370 --> 02:29:38,640

nation's leading provider of employee

3461

02:29:42,469 --> 02:29:40,380

retention tax credit we know how to

3462

02:29:44,389 --> 02:29:42,479

maximize your ERC credit even if you've

3463

02:29:46,610 --> 02:29:44,399

taken PPP loans or didn't have a decline

3464

02:29:48,290 --> 02:29:46,620

in Revenue we've secured over 400

3465

02:29:49,550 --> 02:29:48,300

million in employee retention tax

3466

02:29:51,889 --> 02:29:49,560

credits for our clients the

3467

02:29:54,110 --> 02:29:51,899

pre-qualification is free even if you

3468

02:29:56,450 --> 02:29:54,120

received PPP money this is more money

3469

02:29:58,429 --> 02:29:56,460

that you may be owed repayment is not

3470

02:30:00,950 --> 02:29:58,439

necessary so if you have five employees

3471

02:30:02,630 --> 02:30:00,960

or more call 800-535

3472

02:30:04,790 --> 02:30:02,640

ertc right now to get your free

3473

02:30:06,410 --> 02:30:04,800

pre-qualification don't wait take

3474

02:30:08,210 --> 02:30:06,420

advantage of this tax credit while funds

3475

02:30:10,969 --> 02:30:08,220

remain available call Benchmark human

3476

02:30:13,070 --> 02:30:10,979

capital today at 800-535

3477

02:30:15,110 --> 02:30:13,080

ertc and claim what's rightly yours

3478

02:30:18,170 --> 02:30:15,120

that's 800-535

3479

02:30:21,530 --> 02:30:18,180

ertc 800-535-3780

3480

02:30:23,330 --> 02:30:21,540

eight zero if you haven't switched to

3481

02:30:24,830 --> 02:30:23,340

metashare yet two big reasons to at

3482

02:30:26,929 --> 02:30:24,840

least consider it and why it makes so

3483

02:30:28,550 --> 02:30:26,939

much sense right now number one is

3484

02:30:30,110 --> 02:30:28,560

inflation which is just affecting

3485

02:30:32,450 --> 02:30:30,120

everything it makes sense to say okay

3486

02:30:34,610 --> 02:30:32,460

where can I actually save well you could

3487

02:30:36,469 --> 02:30:34,620

save a lot in one Fell Swoop if you

3488

02:30:39,309 --> 02:30:36,479

switch to metashare the typical family

3489

02:30:42,650 --> 02:30:39,319

saves five hundred dollars a month

3490

02:30:44,090 --> 02:30:42,660

secondly your conscience Medishare

3491

02:30:46,190 --> 02:30:44,100

members aren't forced to pay for things

3492

02:30:48,050 --> 02:30:46,200

they don't support or believe in and

3493

02:30:49,610 --> 02:30:48,060

that's a big deal for a lot of people

3494

02:30:51,889 --> 02:30:49,620

right now they want their money to

3495

02:30:54,050 --> 02:30:51,899

actually help people and one more reason

3496

02:30:55,910 --> 02:30:54,060

you can trust metashare it's been the

3497

02:30:58,550 --> 02:30:55,920

gold standard for healthcare sharing for

3498

02:31:00,410 --> 02:30:58,560

more than 25 years and members love it

3499

02:31:02,090 --> 02:31:00,420

too it has double the customer

3500

02:31:04,130 --> 02:31:02,100

satisfaction rating compared to health

3501

02:31:05,630 --> 02:31:04,140

insurance so now's a great time to

3502

02:31:08,150 --> 02:31:05,640

consider making the switch and they're

3503

02:31:10,010 --> 02:31:08,160

very easy to talk to Medishare has great

3504

02:31:12,889 --> 02:31:10,020

customer service you can even get a

3505

02:31:18,170 --> 02:31:12,899

price within two minutes call 855 share

3506

02:31:20,690 --> 02:31:18,180

40 That's 855 s-h-a-r-e 40855 share for

3507

02:31:22,550 --> 02:31:20,700

40. hey guys it's Clyde you've heard me

3508

02:31:25,910 --> 02:31:22,560

talk about get the tea on our show for a

3509

02:31:29,330 --> 02:31:25,920

long time now well they have a new tea

3510

02:31:32,150 --> 02:31:29,340

called Super T plus Senna you have to

3511

02:31:34,429 --> 02:31:32,160

check it out Senna is the PowerHouse of

3512

02:31:36,349 --> 02:31:34,439

digestive AIDS it's their same great

3513

02:31:40,250 --> 02:31:36,359

blend of herbs in their regular tea now

3514

02:31:42,110 --> 02:31:40,260

enhanced with Senna super tea plus Senna

3515

02:31:44,330 --> 02:31:42,120

is definitely the tea that makes you go

3516

02:31:46,550 --> 02:31:44,340

if you know what I mean a gentle daily

3517

02:31:48,950 --> 02:31:46,560

cleanse and right now you can save five

3518

02:31:51,290 --> 02:31:48,960

dollars with their special introductory

3519

02:31:53,030 --> 02:31:51,300

offer and this month only you'll also

3520

02:31:55,490 --> 02:31:53,040

save ten dollars on their amazing

3521

02:31:57,590 --> 02:31:55,500

supplement joint love all of get the t's

3522

02:31:59,570 --> 02:31:57,600

products are made in the USA organic and

3523

02:32:01,670 --> 02:31:59,580

non-GMO sourced from the purest

3524

02:32:03,770 --> 02:32:01,680

ingredients available and just for

3525

02:32:05,809 --> 02:32:03,780

Ground Zero listeners any size order

3526

02:32:08,220 --> 02:32:05,819

will get you free shipping just go to

3527

02:32:14,030 --> 02:32:08,230

get the team

3528

02:32:14,040 --> 02:32:17,210

oh

3529

02:32:20,809 --> 02:32:19,130

questions have Arisen as such as who is

3530

02:32:22,910 --> 02:32:20,819

he what is he where did he come from is

3531

02:32:24,950 --> 02:32:22,920

he a creature of a foreign power is he a

3532

02:32:27,170 --> 02:32:24,960

creep is he dangerous is he smart dumb

3533

02:32:34,130 --> 02:32:27,180

nice to his parents real put on crazy

3534

02:32:38,570 --> 02:32:36,050

share information with our committee

3535

02:32:39,830 --> 02:32:38,580

over the last couple of years

3536

02:32:43,130 --> 02:32:39,840

everyone

3537

02:32:45,469 --> 02:32:43,140

the entire American public has been lied

3538

02:32:48,170 --> 02:32:45,479

to for decades yeah there's a

3539

02:32:50,389 --> 02:32:48,180

sophisticated disinformation campaign

3540

02:32:52,190 --> 02:32:50,399

targeting the US populace Senator Marco

3541

02:32:54,349 --> 02:32:52,200

Rubio has stated that a whistleblower

3542

02:32:56,570 --> 02:32:54,359

David crush is not the only government

3543

02:32:58,670 --> 02:32:56,580

official and whistleblower to have come

3544

02:33:02,270 --> 02:32:58,680

forward with UFO claims

3545

02:33:04,130 --> 02:33:02,280

if you get a somebody in that you know

3546

02:33:05,630 --> 02:33:04,140

says well there's something happen to me

3547

02:33:07,610 --> 02:33:05,640

I'm not sure what it is I want to

3548

02:33:10,790 --> 02:33:07,620

explore it and I want you to help me

3549

02:33:13,250 --> 02:33:10,800

with it how do you know that what

3550

02:33:14,780 --> 02:33:13,260

they're relaying are natural and what

3551
02:33:16,250 --> 02:33:14,790
they believe

3552
02:33:18,110 --> 02:33:16,260
[Music]

3553
02:33:22,130 --> 02:33:18,120
us saying

3554
02:33:23,570 --> 02:33:22,140
to the human race for the first time an

3555
02:33:25,849 --> 02:33:23,580
official

3556
02:33:27,710 --> 02:33:25,859
intelligence representative at a high

3557
02:33:29,750 --> 02:33:27,720
level from the US government

3558
02:33:31,969 --> 02:33:29,760
saying publicly

3559
02:33:33,230 --> 02:33:31,979
we are not alone we're definitely not

3560
02:33:35,809 --> 02:33:33,240
alone

3561
02:33:38,150 --> 02:33:35,819
what if they're not from an advanced

3562
02:33:39,170 --> 02:33:38,160
civilization 300 million bikers from

3563
02:33:41,270 --> 02:33:39,180

here

3564

02:33:45,170 --> 02:33:41,280

but what if it's us

3565

02:33:46,969 --> 02:33:45,180

500 000 years into the future is coming

3566

02:33:49,190 --> 02:33:46,979

back to document

3567

02:33:50,630 --> 02:33:49,200

the second half of the 20th century and

3568

02:33:53,150 --> 02:33:50,640

into the first 20th century because

3569

02:33:55,750 --> 02:33:53,160

they're anthropologists it's true you

3570

02:33:58,730 --> 02:33:55,760

know this is the third

3571

02:34:00,770 --> 02:33:58,740

objects there has been spotted over

3572

02:34:02,690 --> 02:34:00,780

North America in just the past week and

3573

02:34:04,490 --> 02:34:02,700

remember of course that the US Air Force

3574

02:34:06,830 --> 02:34:04,500

shots now this Chinese it's five minutes

3575

02:34:08,630 --> 02:34:06,840

last weekend and identified objects

3576

02:34:11,450 --> 02:34:08,640

which was described to the size of a

3577

02:34:14,750 --> 02:34:11,460

small car was taken down on Friday

3578

02:34:19,610 --> 02:34:17,090

Lewis

3579

02:34:21,790 --> 02:34:19,620

you are listening to Ground Zero the

3580

02:34:24,670 --> 02:34:21,800

numbers are called tonight

3581

02:34:26,750 --> 02:34:24,680

503-225-0860 or

3582

02:34:28,610 --> 02:34:26,760

866-536-7469 very happy to have with us

3583

02:34:31,670 --> 02:34:28,620

Stephen Camion on the program

3584

02:34:33,290 --> 02:34:31,680

so I want to ask you Stephen you know if

3585

02:34:34,190 --> 02:34:33,300

you've seen the movie Mirage man haven't

3586

02:34:37,790 --> 02:34:34,200

you

3587

02:34:39,469 --> 02:34:37,800

oh yeah absolutely and uh I I think that

3588

02:34:41,510 --> 02:34:39,479

one one of the other things that people

3589

02:34:45,710 --> 02:34:41,520

really need to realize is that there

3590

02:34:48,530 --> 02:34:45,720

used to be a shadowy sort of secret

3591

02:34:51,050 --> 02:34:48,540

covert attempt at manipulating the UFO

3592

02:34:53,090 --> 02:34:51,060

community and uh the Mirage man really

3593

02:34:55,250 --> 02:34:53,100

breaks that down Richard Doty The

3594

02:34:58,130 --> 02:34:55,260

Original Gangster of this information

3595

02:35:01,309 --> 02:34:58,140

agents was paid to come into the UFO

3596

02:35:02,630 --> 02:35:01,319

Community spy on people report back to

3597

02:35:05,389 --> 02:35:02,640

the government what people are talking

3598

02:35:09,230 --> 02:35:05,399

about what cases they're working on and

3599

02:35:11,510 --> 02:35:09,240

also spread 100 false stories about UFOs

3600

02:35:14,150 --> 02:35:11,520

and aliens as in the famous benowitz

3601

02:35:18,290 --> 02:35:14,160

case in which he literally drove a man

3602

02:35:20,510 --> 02:35:18,300

crazy but these efforts used to be very

3603

02:35:22,130 --> 02:35:20,520

covert and secret they would not

3604

02:35:24,590 --> 02:35:22,140

acknowledge that they were sending

3605

02:35:27,710 --> 02:35:24,600

people into the UFO community and 2016

3606

02:35:29,389 --> 02:35:27,720

marked a big change because the

3607

02:35:31,849 --> 02:35:29,399

government went from these covert

3608

02:35:34,130 --> 02:35:31,859

attempts to direct in your face

3609

02:35:37,790 --> 02:35:34,140

infiltration of the UFO Community by

3610

02:35:40,250 --> 02:35:37,800

members of all different I call them

3611

02:35:44,389 --> 02:35:40,260

alphabet soup agencies we've got John

3612

02:35:46,670 --> 02:35:44,399

Ramirez from the CIA we've got Anjali an

3613

02:35:48,590 --> 02:35:46,680

information Warfare specialist from the

3614

02:35:51,230 --> 02:35:48,600

defense intelligence agency the DIA

3615

02:35:54,590 --> 02:35:51,240

we've got Ron pandolfi from the CIA

3616

02:35:56,690 --> 02:35:54,600

we've got Jim semivan from the CIA we've

3617

02:35:58,610 --> 02:35:56,700

got Eric Davis and Hal putoff both

3618

02:36:00,950 --> 02:35:58,620

reportedly contractors or who have

3619

02:36:04,309 --> 02:36:00,960

worked for the CIA we've got Travis

3620

02:36:06,770 --> 02:36:04,319

Taylor who worked for the Pentagon we've

3621

02:36:09,950 --> 02:36:06,780

got Richard Doty is still front and

3622

02:36:13,429 --> 02:36:09,960

center and we've also got Louis zando

3623

02:36:15,469 --> 02:36:13,439

and others who are you know members of

3624

02:36:17,809 --> 02:36:15,479

alphabet soup agencies or intelligence

3625

02:36:20,690 --> 02:36:17,819

people that are directly infiltrating

3626
02:36:23,870 --> 02:36:20,700
the UFO Community manipulating The

3627
02:36:26,090 --> 02:36:23,880
Narrative pushing narratives and stories

3628
02:36:28,910 --> 02:36:26,100
into the UFO Community they have

3629
02:36:31,450 --> 02:36:28,920
virtually these list of people that I

3630
02:36:33,710 --> 02:36:31,460
have mentioned to you and more

3631
02:36:35,750 --> 02:36:33,720
all from the government all from three

3632
02:36:37,849 --> 02:36:35,760
letter A agencies all with intelligence

3633
02:36:40,670 --> 02:36:37,859
training have all infiltrated the UFO

3634
02:36:43,610 --> 02:36:40,680
Community since 2016. right but instead

3635
02:36:46,010 --> 02:36:43,620
of the previously covert way that they

3636
02:36:48,110 --> 02:36:46,020
would manipulate things now they are

3637
02:36:50,150 --> 02:36:48,120
direct front and center taking the

3638
02:36:53,750 --> 02:36:50,160

spotlight we've got John Ramirez saying

3639

02:36:57,050 --> 02:36:53,760

I'm I was abducted by aliens same for

3640

02:36:59,870 --> 02:36:57,060

um same for uh a few of these others

3641

02:37:03,469 --> 02:36:59,880

including uh Stanford University

3642

02:37:07,790 --> 02:37:03,479

Professor Gary Nolan he he may have seen

3643

02:37:10,190 --> 02:37:07,800

aliens and Ron pandolfi semi-van and

3644

02:37:12,410 --> 02:37:10,200

it's it's a strange thing to me that the

3645

02:37:14,389 --> 02:37:12,420

same government that supposedly as the

3646

02:37:16,969 --> 02:37:14,399

UFO mythology goes has covered this

3647

02:37:18,590 --> 02:37:16,979

secret up for 70 years is suddenly

3648

02:37:20,510 --> 02:37:18,600

sending all of these intelligence

3649

02:37:22,849 --> 02:37:20,520

operatives directly into the UFO

3650

02:37:24,530 --> 02:37:22,859

Community to take the spotlight to take

3651

02:37:26,750 --> 02:37:24,540

center stage and tell us that they're

3652

02:37:29,570 --> 02:37:26,760

going to bring us disclosure right and

3653

02:37:32,570 --> 02:37:29,580

this person David Gross I believe is

3654

02:37:35,050 --> 02:37:32,580

just an extension of that operation that

3655

02:37:37,429 --> 02:37:35,060

has been taking place since 26 16

3656

02:37:39,349 --> 02:37:37,439

2017. well I've been I've been involved

3657

02:37:41,870 --> 02:37:39,359

with this since 1995 and I've told you

3658

02:37:43,730 --> 02:37:41,880

before that I I feel a little uneasy

3659

02:37:45,830 --> 02:37:43,740

about the fact that back when I was

3660

02:37:47,090 --> 02:37:45,840

first starting Ground Zero everybody and

3661

02:37:49,550 --> 02:37:47,100

their dog wanted to come on the program

3662

02:37:52,130 --> 02:37:49,560

and talk with me and I was very I'm like

3663

02:37:53,750 --> 02:37:52,140

you I mean I I like a good story right

3664

02:37:55,190 --> 02:37:53,760

and sometimes I don't like the truth

3665

02:37:56,929 --> 02:37:55,200

getting in the in the way of a good

3666

02:37:58,070 --> 02:37:56,939

story and then if the truth gets in the

3667

02:37:59,990 --> 02:37:58,080

way of the story I go back and say okay

3668

02:38:01,490 --> 02:38:00,000

here's the truth guys you know it's like

3669

02:38:03,170 --> 02:38:01,500

I always have that fortune attitude

3670

02:38:05,330 --> 02:38:03,180

where I'm saying I could be kidding but

3671

02:38:07,610 --> 02:38:05,340

I'm very kidding I'm very uh serious

3672

02:38:10,790 --> 02:38:07,620

about what I kid about and you know what

3673

02:38:13,849 --> 02:38:10,800

these guys don't do that these new

3674

02:38:17,630 --> 02:38:13,859

people part of the UFO Monopoly anything

3675

02:38:20,510 --> 02:38:17,640

from Skinwalker Ranch to uh you know Lou

3676

02:38:22,309 --> 02:38:20,520

alizando to having access to anybody

3677

02:38:25,190 --> 02:38:22,319

who's speaking about this kind of stuff

3678

02:38:27,110 --> 02:38:25,200

it all of a sudden just stops

3679

02:38:29,750 --> 02:38:27,120

and people like me who've been at this

3680

02:38:32,450 --> 02:38:29,760

for nearly 30 years don't even get the

3681

02:38:33,830 --> 02:38:32,460

opportunity to speak with them I've

3682

02:38:35,630 --> 02:38:33,840

spoken with all the guys that were on

3683

02:38:38,330 --> 02:38:35,640

the battleships that saw the Tic Tacs

3684

02:38:40,429 --> 02:38:38,340

but Lou nah never been on the program

3685

02:38:42,770 --> 02:38:40,439

and he was asked you know why don't you

3686

02:38:43,969 --> 02:38:42,780

go on the ground zero show uh he was at

3687

02:38:46,070 --> 02:38:43,979

one of these gatherings I think in

3688

02:38:48,530 --> 02:38:46,080

Roswell or someplace and his manager

3689

02:38:50,210 --> 02:38:48,540

stepped in and said uh he won't answer

3690

02:38:53,870 --> 02:38:50,220

that question I was going what the hell

3691

02:38:57,110 --> 02:38:53,880

did I do you know and I I just yeah I

3692

02:38:59,510 --> 02:38:57,120

just wonder is it because maybe like you

3693

02:39:01,790 --> 02:38:59,520

I want to ask some questions that aren't

3694

02:39:04,010 --> 02:39:01,800

like little ping pong questions going I

3695

02:39:07,010 --> 02:39:04,020

believe so much it's like tell me

3696

02:39:10,370 --> 02:39:07,020

Santa's real just tell me you know okay

3697

02:39:12,349 --> 02:39:10,380

Santa had a a story a base story if you

3698

02:39:14,030 --> 02:39:12,359

use quantum physics in Heisenberg's uh

3699

02:39:15,650 --> 02:39:14,040

uncertainty principle you can prove

3700

02:39:17,630 --> 02:39:15,660

Santa in fact Stephen Hawking told me

3701

02:39:20,630 --> 02:39:17,640

that when I talked with him all his

3702

02:39:21,830 --> 02:39:20,640

stuff you know you can make it work but

3703

02:39:23,570 --> 02:39:21,840

when you ask the hard questions

3704

02:39:26,950 --> 02:39:23,580

sometimes it just clam right up and they

3705

02:39:29,330 --> 02:39:26,960

go oh I don't want you to be host

3706

02:39:30,590 --> 02:39:29,340

you know this is a little hostile for me

3707

02:39:32,630 --> 02:39:30,600

I can't deal

3708

02:39:34,190 --> 02:39:32,640

it's like no it's not I'm asking good

3709

02:39:36,590 --> 02:39:34,200

questions is there something wrong with

3710

02:39:38,030 --> 02:39:36,600

that and and that's why I I have that's

3711

02:39:39,830 --> 02:39:38,040

why I brought up Mirage Men And the

3712

02:39:42,050 --> 02:39:39,840

reason why is because when I saw Mirage

3713

02:39:44,690 --> 02:39:42,060

man my mouth had dropped because most of

3714

02:39:45,889 --> 02:39:44,700

that was focused on Dulce and and there

3715

02:39:48,950 --> 02:39:45,899

are a lot of reports that came out of

3716

02:39:52,370 --> 02:39:48,960

dual say about aliens and and humans in

3717

02:39:54,349 --> 02:39:52,380

in you know Vats of blood or or bacteria

3718

02:39:56,150 --> 02:39:54,359

or whatever I don't know but I mean all

3719

02:39:58,670 --> 02:39:56,160

of that in cattle mutilations in that

3720

02:40:00,590 --> 02:39:58,680

whole area all that stuff though we can

3721

02:40:02,809 --> 02:40:00,600

all say could be nonsense I mean Phil

3722

02:40:05,030 --> 02:40:02,819

Schneider though he was killed after he

3723

02:40:07,130 --> 02:40:05,040

admitted that this was going on so maybe

3724

02:40:08,570 --> 02:40:07,140

he was saying something that pissed

3725

02:40:11,330 --> 02:40:08,580

people off I don't know

3726

02:40:13,130 --> 02:40:11,340

well there's there's various there's two

3727

02:40:15,170 --> 02:40:13,140

stories of Phil Schneider which is very

3728

02:40:16,969 --> 02:40:15,180

important to realize in one story he was

3729

02:40:19,130 --> 02:40:16,979

a government contractor and UFO

3730

02:40:20,750 --> 02:40:19,140

whistleblower but if you dig a little

3731

02:40:22,790 --> 02:40:20,760

deeper and peel back some layers of

3732

02:40:26,150 --> 02:40:22,800

deception you might find out that he was

3733

02:40:28,730 --> 02:40:26,160

a mental patient who was uh investigated

3734

02:40:30,770 --> 02:40:28,740

by the FBI for having hold of nuclear

3735

02:40:32,929 --> 02:40:30,780

materials and that he never actually

3736

02:40:34,790 --> 02:40:32,939

worked for the government and he had a

3737

02:40:36,710 --> 02:40:34,800

weird mental condition which caused him

3738

02:40:39,230 --> 02:40:36,720

to mutilate himself and he cut his own

3739

02:40:41,570 --> 02:40:39,240

fingers off he used to hold his fingers

3740

02:40:43,969 --> 02:40:41,580

up at UFO conferences and speaks

3741

02:40:45,469 --> 02:40:43,979

speeches that he gave and said the alien

3742

02:40:48,130 --> 02:40:45,479

shot off my fingers with an energy

3743

02:40:50,809 --> 02:40:48,140

weapon but there's documentation that

3744

02:40:52,910 --> 02:40:50,819

proves that he had a strange mental

3745

02:40:56,450 --> 02:40:52,920

condition and spent a lot of time in in

3746

02:41:00,469 --> 02:40:56,460

mental institutions so we also should

3747

02:41:03,050 --> 02:41:00,479

recognize that there is a a an effort in

3748

02:41:06,050 --> 02:41:03,060

in some Circles of the UFO Community to

3749

02:41:08,270 --> 02:41:06,060

manipulate and use people with mental

3750

02:41:10,730 --> 02:41:08,280

conditions to sell stories and there was

3751
02:41:12,830 --> 02:41:10,740
also I've reported extensively on the

3752
02:41:14,570 --> 02:41:12,840
fact that there isn't also besides the

3753
02:41:17,090 --> 02:41:14,580
infiltration of intelligence community

3754
02:41:18,770 --> 02:41:17,100
members to the UFO Community there's

3755
02:41:21,550 --> 02:41:18,780
also a problem with let's just say

3756
02:41:25,190 --> 02:41:21,560
people who have problems with Children

3757
02:41:26,389 --> 02:41:25,200
of offenses related to children that's a

3758
02:41:30,050 --> 02:41:26,399
very ugly thing

3759
02:41:31,969 --> 02:41:30,060
these people are milked for stories to

3760
02:41:34,610 --> 02:41:31,979
sell about the secret space program

3761
02:41:36,050 --> 02:41:34,620
about UFO crash retrievals and do I

3762
02:41:38,630 --> 02:41:36,060
believe they're credible Witnesses no

3763
02:41:40,309 --> 02:41:38,640

based on their you know they need money

3764

02:41:43,070 --> 02:41:40,319

and suddenly they're stepping forward

3765

02:41:44,870 --> 02:41:43,080

let's uh we got to take a break yes uh

3766

02:41:46,490 --> 02:41:44,880

Stephen Champion with us tonight in

3767

02:41:48,290 --> 02:41:46,500

ground zero five zero three two two five

3768

02:41:51,950 --> 02:41:48,300

zero eight sixty or eight six six five

3769

02:41:55,740 --> 02:41:53,030

together

3770

02:41:59,870 --> 02:41:55,750

okay let me see if I can

3771

02:42:04,070 --> 02:42:01,730

yeah I'm sorry about all of the brakes

3772

02:42:06,290 --> 02:42:04,080

you guys are not used to regular radio

3773

02:42:07,969 --> 02:42:06,300

and honestly neither am I there's a lot

3774

02:42:09,650 --> 02:42:07,979

of breaks you got to pay the bills to

3775

02:42:12,889 --> 02:42:09,660

stay on the radio but I still think it's

3776

02:42:16,790 --> 02:42:12,899

awesome we're we are uh

3777

02:42:18,830 --> 02:42:16,800

we are live on a bunch of terrestrial

3778

02:42:20,990 --> 02:42:18,840

radio stations right now with Clyde

3779

02:42:24,410 --> 02:42:21,000

Lewis from Ground Zero thanks so much

3780

02:42:28,550 --> 02:42:24,420

all of you for joining me uh we have

3781

02:42:32,210 --> 02:42:30,830

there's only two more breaks after this

3782

02:42:34,429 --> 02:42:32,220

so

3783

02:42:37,910 --> 02:42:34,439

yeah

3784

02:42:41,030 --> 02:42:37,920

hopefully uh we'll make it through this

3785

02:42:43,490 --> 02:42:41,040

reminds me of when I uh when I had an

3786

02:42:46,070 --> 02:42:43,500

audio podcast there were so many ads for

3787

02:42:48,590 --> 02:42:46,080

the T and uh the Patriot Supply and all

3788

02:42:49,849 --> 02:42:48,600

this stuff uh all to try to make a

3789

02:42:52,910 --> 02:42:49,859

little bit of money but as I understand

3790

02:42:55,790 --> 02:42:52,920

it there these ads just go to keep them

3791

02:42:58,849 --> 02:42:55,800

on the radio and and uh as well they

3792

02:43:01,730 --> 02:42:58,859

should so we'll return to the stream in

3793

02:43:03,889 --> 02:43:01,740

progress from uh Ground Zero Clyde Lewis

3794

02:43:07,190 --> 02:43:03,899

thank you all for being here tonight

3795

02:43:09,770 --> 02:43:07,200

true Seekers is invading terrestrial

3796

02:43:11,510 --> 02:43:09,780

radio all over the United States I'm so

3797

02:43:14,150 --> 02:43:11,520

glad that I could take you all with me

3798

02:43:16,929 --> 02:43:14,160

to do that

3799

02:43:21,710 --> 02:43:16,939

or any other savings that you rely on

3800

02:43:23,750 --> 02:43:21,720

I'm introducing a rock solid solution a

3801

02:43:26,330 --> 02:43:23,760

gold-backed IRA

3802

02:43:29,270 --> 02:43:26,340

protect your hard-earned money

3803

02:43:32,630 --> 02:43:29,280

our team is standing by to ensure a

3804

02:43:34,849 --> 02:43:32,640

seamless transition so that you can

3805

02:43:36,590 --> 02:43:34,859

enjoy a Secure Retirement filled with

3806

02:43:39,550 --> 02:43:36,600

freedom and peace of mind

3807

02:43:43,490 --> 02:43:42,050

800-753-8534 to set up your gold-backed

3808

02:43:46,010 --> 02:43:43,500

IRA today

3809

02:43:48,530 --> 02:43:46,020

secure your dreams with United Gold

3810

02:43:51,610 --> 02:43:48,540

group your trusted retirement partner

3811

02:43:51,620 --> 02:43:58,309

800-753-8534 again 800-753-8534

3812

02:44:01,190 --> 02:44:00,050

hey guys it's Clyde you know we've had a

3813

02:44:02,690 --> 02:44:01,200

lot of requests for Ground Zero

3814

02:44:05,150 --> 02:44:02,700

merchandise so we put together an online

3815

02:44:06,889 --> 02:44:05,160

store with a big variety of high quality

3816

02:44:08,809 --> 02:44:06,899

items I'm really excited to let you know

3817

02:44:11,030 --> 02:44:08,819

about these things we have a lot to

3818

02:44:12,469 --> 02:44:11,040

offer you and your loved ones in

3819

02:44:14,690 --> 02:44:12,479

addition to our regular apparel such as

3820

02:44:16,130 --> 02:44:14,700

t-shirts beanies hoodies and hats we

3821

02:44:18,590 --> 02:44:16,140

have expanded our product line with

3822

02:44:20,389 --> 02:44:18,600

posters Flags aprons mugs and a whole

3823

02:44:21,530 --> 02:44:20,399

lot more we also have Ground Zero

3824

02:44:23,210 --> 02:44:21,540

Collectibles along with a limited

3825

02:44:25,070 --> 02:44:23,220

edition of items like a clight Lewis

3826

02:44:26,450 --> 02:44:25,080

canvas portrait a ground zero

3827

02:44:28,370 --> 02:44:26,460

embroidered jacket that will certainly

3828

02:44:29,750 --> 02:44:28,380

make for great gifts and for interesting

3829

02:44:31,910 --> 02:44:29,760

conversations with family and friends

3830

02:44:33,790 --> 02:44:31,920

and we now offer Publications such as

3831

02:44:36,710 --> 02:44:33,800

Ron Patton's book about mind control

3832

02:44:38,270 --> 02:44:36,720

mkzine and back copies of the official

3833

02:44:40,550 --> 02:44:38,280

magazine of Ground Zero while it was in

3834

02:44:43,010 --> 02:44:40,560

print paranoia the conspiracy reader

3835

02:44:44,809 --> 02:44:43,020

also coming in 2023 our updated and

3836

02:44:46,429 --> 02:44:44,819

revised books that I've written there's

3837

02:44:49,309 --> 02:44:46,439

a secure and easy to use shopping cart

3838

02:44:50,770 --> 02:44:49,319

for your purchases so shop today at our

3839

02:44:53,870 --> 02:44:50,780

official store by going to ground

3840

02:44:56,270 --> 02:44:53,880

zeromerc.com again that's Ground Zero

3841

02:44:57,950 --> 02:44:56,280

merge.com you know a lot of people talk

3842

02:45:00,050 --> 02:44:57,960

about my Patriot Supply and how

3843

02:45:02,150 --> 02:45:00,060

wonderful full it is it is a great

3844

02:45:03,349 --> 02:45:02,160

product and I have it in my home of

3845

02:45:04,670 --> 02:45:03,359

course many of the staff here at Ground

3846

02:45:06,349 --> 02:45:04,680

Zero have it too we have the Vice

3847

02:45:09,290 --> 02:45:06,359

President of Sales of my Patriot Supply

3848

02:45:11,570 --> 02:45:09,300

Mr Joe reek is on the phone with us and

3849

02:45:13,490 --> 02:45:11,580

we're talking about how you can prepare

3850

02:45:14,750 --> 02:45:13,500

for disasters and catastrophes because

3851

02:45:16,309 --> 02:45:14,760

we do know a lot of things are happening

3852

02:45:18,950 --> 02:45:16,319

a lot of bad things are happening I mean

3853

02:45:20,990 --> 02:45:18,960

have you noticed lately Joe how we have

3854

02:45:23,030 --> 02:45:21,000

all of these factories and agricultural

3855

02:45:25,730 --> 02:45:23,040

places catching on fire and burning down

3856

02:45:27,050 --> 02:45:25,740

what does that mean for our pocketbook

3857

02:45:28,969 --> 02:45:27,060

well number one it's going to mean

3858

02:45:31,070 --> 02:45:28,979

higher prices for food because with

3859

02:45:33,170 --> 02:45:31,080

these factories being destroyed that's

3860

02:45:36,830 --> 02:45:33,180

causing more strain on the supply chain

3861

02:45:38,870 --> 02:45:36,840

so you gotta act now before more damage

3862

02:45:41,090 --> 02:45:38,880

occurs and you got to get repaired and I

3863

02:45:43,250 --> 02:45:41,100

would urge everybody go right now to

3864

02:45:44,870 --> 02:45:43,260

prepare with ground zero.com to take

3865

02:45:46,250 --> 02:45:44,880

advantage of these special discounts for

3866

02:45:48,410 --> 02:45:46,260

you and your listeners these are not

3867

02:45:50,809 --> 02:45:48,420

MREs all you got to do is go to prepare

3868

02:45:53,150 --> 02:45:50,819

with ground zero.com that's prepared

3869

02:45:54,770 --> 02:45:53,160

with ground zero.com Joe Rigg thank you

3870

02:46:14,650 --> 02:45:54,780

for being with us today thanks Clyde

3871

02:46:23,510 --> 02:46:20,710

[Music]

3872

02:46:25,250 --> 02:46:23,520

five zero three two two five zero eight

3873

02:46:26,929 --> 02:46:25,260

six two eight six six five three six

3874

02:46:28,730 --> 02:46:26,939

seven four six nine Stephen Champion

3875

02:46:30,410 --> 02:46:28,740

with us tonight give me the other side

3876

02:46:33,290 --> 02:46:30,420

of the story and a little bit of a push

3877

02:46:35,510 --> 02:46:33,300

here to try and get a little objectivity

3878

02:46:37,550 --> 02:46:35,520

going on with the latest findings of the

3879

02:46:39,530 --> 02:46:37,560

latest whistleblowers that we hear about

3880

02:46:41,510 --> 02:46:39,540

of course Senator Mark Rubio was

3881

02:46:43,070 --> 02:46:41,520

speaking today about it and a whole new

3882

02:46:44,270 --> 02:46:43,080

way of looking at this tonight we'll

3883

02:46:46,309 --> 02:46:44,280

talk more about that coming up Ryan

3884

02:46:47,870 --> 02:46:46,319

Gable that was on with us tonight Ryan

3885

02:46:50,330 --> 02:46:47,880

Gable from the secret teachings hi

3886

02:46:52,790 --> 02:46:50,340

you're on with Stephen Campion go ahead

3887

02:46:54,590 --> 02:46:52,800

Hey Stephen cambian and Clyde Lewis on

3888

02:46:57,050 --> 02:46:54,600

the same show this is a 10 out of 10.

3889

02:47:01,490 --> 02:46:57,060

I'm glad that you guys are doing this oh

3890

02:47:05,170 --> 02:47:02,469

yeah

3891

02:47:07,790 --> 02:47:05,180

this is awesome

3892

02:47:09,469 --> 02:47:07,800

David Rush was right about one thing and

3893

02:47:10,910 --> 02:47:09,479

Clyde you have it in your Montage he was

3894

02:47:12,650 --> 02:47:10,920

right that there is a sophisticated

3895

02:47:14,809 --> 02:47:12,660

disinformation campaign being run

3896

02:47:17,450 --> 02:47:14,819

against the American people and has been

3897

02:47:18,889 --> 02:47:17,460

run since at least the early 1950s and

3898

02:47:20,929 --> 02:47:18,899

the one thing about that disinformation

3899

02:47:23,030 --> 02:47:20,939

campaign the Robertson panel report that

3900

02:47:24,710 --> 02:47:23,040

people can go online and find a copy of

3901

02:47:27,050 --> 02:47:24,720

an actual digital copy of the original

3902

02:47:30,530 --> 02:47:27,060

report is that they said that they would

3903

02:47:32,750 --> 02:47:30,540

take really difficult to explain UFO

3904

02:47:35,150 --> 02:47:32,760

cases and parade them around the public

3905

02:47:36,889 --> 02:47:35,160

and then they would come in with an easy

3906

02:47:39,110 --> 02:47:36,899

explanation once the public had been

3907

02:47:42,050 --> 02:47:39,120

made aware of it so they could discredit

3908

02:47:43,429 --> 02:47:42,060

the subject of UFOs entirely and I think

3909

02:47:45,290 --> 02:47:43,439

that they're doing something similar

3910

02:47:46,790 --> 02:47:45,300

with these whistleblowers if it is

3911

02:47:48,170 --> 02:47:46,800

organized or at least some of them are

3912

02:47:50,570 --> 02:47:48,180

organized to come out and say these

3913

02:47:52,070 --> 02:47:50,580

things what's happening is once they're

3914

02:47:55,190 --> 02:47:52,080

discredited or once the story falls

3915

02:47:57,650 --> 02:47:55,200

apart it completely discredits and

3916

02:48:00,469 --> 02:47:57,660

dismantles any credibility academic

3917

02:48:02,270 --> 02:48:00,479

public scholarly Etc in the subject of

3918

02:48:03,950 --> 02:48:02,280

UFOs so he's right there's a

3919

02:48:05,510 --> 02:48:03,960

sophisticated disinformation campaign

3920

02:48:07,849 --> 02:48:05,520

going on and whether he knows he's a

3921

02:48:09,170 --> 02:48:07,859

part of it or not I think that that is

3922

02:48:10,670 --> 02:48:09,180

probably the most accurate thing that a

3923

02:48:12,050 --> 02:48:10,680

UFO whistleblower has said in a long

3924

02:48:14,450 --> 02:48:12,060

time well we know we have people in the

3925

02:48:15,889 --> 02:48:14,460

UFO community that exactly we know of

3926

02:48:18,590 --> 02:48:15,899

and I won't mention them on the air but

3927

02:48:21,230 --> 02:48:18,600

we know of certain people who you know

3928

02:48:23,750 --> 02:48:21,240

they follow chickens and other ice cold

3929

02:48:25,610 --> 02:48:23,760

blue chickens and other strange things

3930

02:48:27,889 --> 02:48:25,620

and show me how to do their Karate kicks

3931

02:48:30,889 --> 02:48:27,899

backstage at a conference

3932

02:48:32,630 --> 02:48:30,899

um but here's the thing they've come in

3933

02:48:34,730 --> 02:48:32,640

and and they've made their Mark people

3934

02:48:36,410 --> 02:48:34,740

pay all their money and then they go to

3935

02:48:38,450 --> 02:48:36,420

they go to court and they're being told

3936

02:48:39,770 --> 02:48:38,460

they have to tell the truth and when

3937

02:48:42,290 --> 02:48:39,780

they tell the truth say I made this up

3938

02:48:44,690 --> 02:48:42,300

for whatever I made this up it just

3939

02:48:46,490 --> 02:48:44,700

already has harmed the UFO community in

3940

02:48:47,929 --> 02:48:46,500

a lot of ways and in fact when I went to

3941

02:48:49,730 --> 02:48:47,939

contact in the desert this year it was

3942

02:48:51,410 --> 02:48:49,740

all about science most of it was about

3943

02:48:52,790 --> 02:48:51,420

science there were a few you know

3944

02:48:54,230 --> 02:48:52,800

Old-Timers that showed up and keep

3945

02:48:56,030 --> 02:48:54,240

telling their same stories over and over

3946

02:49:00,650 --> 02:48:56,040

again but you know some of the other

3947

02:49:05,090 --> 02:49:02,770

good

3948

02:49:07,190 --> 02:49:05,100

they don't really have anything to add

3949

02:49:08,929 --> 02:49:07,200

to the conversation and you know Mr

3950

02:49:11,150 --> 02:49:08,939

Lewis you mentioned earlier that Lou

3951

02:49:13,610 --> 02:49:11,160

Alexander wouldn't do your show there's

3952

02:49:15,950 --> 02:49:13,620

three show hosts on this on this

3953

02:49:17,690 --> 02:49:15,960

broadcast right we have Ryan Gable from

3954

02:49:19,969 --> 02:49:17,700

the secret teachings we have you Mr

3955

02:49:22,070 --> 02:49:19,979

Lewis from Ground Zero we have me

3956

02:49:26,630 --> 02:49:22,080

Stephen Campion from truth Seekers on

3957

02:49:29,150 --> 02:49:26,640

YouTube and uh Mr Elizondo would do a

3958

02:49:31,670 --> 02:49:29,160

podcast with 500 subscribers but he

3959

02:49:34,190 --> 02:49:31,680

would not do any of our shows all three

3960

02:49:36,530 --> 02:49:34,200

of us and and I I can tell you why it's

3961

02:49:38,570 --> 02:49:36,540

because we were not going to do the UFO

3962

02:49:41,389 --> 02:49:38,580

circle jerk we were going to ask him

3963

02:49:43,790 --> 02:49:41,399

hard questions in the whole op would

3964

02:49:46,610 --> 02:49:43,800

fall apart instantly under real

3965

02:49:48,530 --> 02:49:46,620

questions and he feared that he would

3966

02:49:51,050 --> 02:49:48,540

send people out dealers to check into

3967

02:49:53,210 --> 02:49:51,060

shows see what what they're about what

3968

02:49:55,550 --> 02:49:53,220

they're like should I do that show or

3969

02:50:01,550 --> 02:49:55,560

not and he would avoid like the plague

3970

02:50:04,910 --> 02:50:01,560

the guy did hundreds of shows you myself

3971

02:50:07,610 --> 02:50:04,920

you Mr Lewis and you Mr Gable all had

3972

02:50:09,590 --> 02:50:07,620

significantly more of a following than

3973

02:50:12,290 --> 02:50:09,600

many of the shows this man went on so it

3974

02:50:14,330 --> 02:50:12,300

wasn't about getting out the word or you

3975

02:50:16,190 --> 02:50:14,340

know publicizing his efforts it was

3976

02:50:18,230 --> 02:50:16,200

about controlling a narrative and and

3977

02:50:21,530 --> 02:50:18,240

using the same talking points over and

3978

02:50:25,130 --> 02:50:21,540

over again as big fans of his told him

3979

02:50:27,770 --> 02:50:25,140

how much of a hero he was for pretending

3980

02:50:30,889 --> 02:50:27,780

to run a fake Pentagon UFO program from

3981

02:50:34,010 --> 02:50:30,899

the Land of Make-Believe right he would

3982

02:50:36,830 --> 02:50:34,020

not accept scrutiny or questioning from

3983

02:50:39,349 --> 02:50:36,840

someone like you Mr Lewis you Ryan Gable

3984

02:50:40,790 --> 02:50:39,359

or me and here's the thing he wouldn't

3985

02:50:42,530 --> 02:50:40,800

do that here's another one do it here's

3986

02:50:45,170 --> 02:50:42,540

another thing so you you look at all

3987

02:50:46,490 --> 02:50:45,180

these people making claims you got Avi

3988

02:50:48,590 --> 02:50:46,500

Loeb who's been doubling down being

3989

02:50:50,870 --> 02:50:48,600

criticized by people he comes on my

3990

02:50:52,190 --> 02:50:50,880

program all the time because he knows

3991

02:50:53,450 --> 02:50:52,200

he's going to get a fair Shake he knows

3992

02:50:55,730 --> 02:50:53,460

he's going to be hurt he knows he's not

3993

02:50:58,130 --> 02:50:55,740

going to get into some you know ideas of

3994

02:51:00,590 --> 02:50:58,140

you know abductions and sensationalism

3995

02:51:01,990 --> 02:51:00,600

and and whether or not there's UFOs he's

3996

02:51:04,610 --> 02:51:02,000

out there seeking everything

3997

02:51:06,410 --> 02:51:04,620

scientifically and and see that's the

3998

02:51:08,510 --> 02:51:06,420

thing is that those who come on I

3999

02:51:11,270 --> 02:51:08,520

believe are not afraid of me I don't

4000

02:51:12,950 --> 02:51:11,280

know why they're afraid of me I have a

4001
02:51:14,330 --> 02:51:12,960
feeling I know they're afraid of you but

4002
02:51:16,490 --> 02:51:14,340
I don't know why they're afraid of me

4003
02:51:17,990 --> 02:51:16,500
because I tried to give a fair Shake I'm

4004
02:51:20,929 --> 02:51:18,000
not as critical I want to hear their

4005
02:51:23,510 --> 02:51:20,939
story but then yeah you're you're fair I

4006
02:51:25,849 --> 02:51:23,520
think you're much more like diplomatic

4007
02:51:27,290 --> 02:51:25,859
and fairer than I tend to be well that's

4008
02:51:29,929 --> 02:51:27,300
that's why we have you in the world

4009
02:51:32,210 --> 02:51:29,939
Stephen yeah but we have I have this

4010
02:51:34,070 --> 02:51:32,220
reputation too but I have this attitude

4011
02:51:36,770 --> 02:51:34,080
that if someone refuses to come on my

4012
02:51:39,110 --> 02:51:36,780
show I know why and it's because I have

4013
02:51:41,690 --> 02:51:39,120

busted some people would would agree

4014

02:51:45,650 --> 02:51:41,700

with me that I have busted more fake

4015

02:51:47,330 --> 02:51:45,660

psychics fake storytellers scammers and

4016

02:51:50,389 --> 02:51:47,340

and everything else in the New Age

4017

02:51:52,990 --> 02:51:50,399

spirituality UFO alien Community then

4018

02:51:54,889 --> 02:51:53,000

almost anybody on Earth

4019

02:51:56,570 --> 02:51:54,899

you know

4020

02:51:58,670 --> 02:51:56,580

I'm able to say I'm somewhere in the

4021

02:52:00,290 --> 02:51:58,680

middle of both of you and when I have

4022

02:52:02,150 --> 02:52:00,300

had people that refuse to come on my

4023

02:52:03,590 --> 02:52:02,160

show I know that it's a little bit of

4024

02:52:05,389 --> 02:52:03,600

both of the issues that you're dealing

4025

02:52:07,969 --> 02:52:05,399

with and one of the main issues is that

4026

02:52:10,190 --> 02:52:07,979

it's because I refuse to do a scripted

4027

02:52:12,170 --> 02:52:10,200

show and I say I want to just ask

4028

02:52:14,090 --> 02:52:12,180

questions and people that apparently

4029

02:52:16,010 --> 02:52:14,100

have a narrative or a story to sell

4030

02:52:17,929 --> 02:52:16,020

rather than talking about it and getting

4031

02:52:20,750 --> 02:52:17,939

into details don't want to do that

4032

02:52:23,150 --> 02:52:20,760

that's [h__\h] points Ryan they've given

4033

02:52:25,190 --> 02:52:23,160

they've given people talking points or

4034

02:52:28,250 --> 02:52:25,200

questions ask me this question so I can

4035

02:52:30,290 --> 02:52:28,260

use this talking point no thank you we

4036

02:52:32,389 --> 02:52:30,300

do a live show I ask real questions you

4037

02:52:34,370 --> 02:52:32,399

don't get them in advance we have a good

4038

02:52:36,469 --> 02:52:34,380

conversation I'm always respectful to

4039

02:52:38,630 --> 02:52:36,479

the guests even if I think they're

4040

02:52:41,210 --> 02:52:38,640

absolutely full of it I'm always

4041

02:52:43,070 --> 02:52:41,220

respectful you know but they don't want

4042

02:52:45,349 --> 02:52:43,080

that they they just want to sell their

4043

02:52:47,090 --> 02:52:45,359

narrative you know and I've talked over

4044

02:52:48,830 --> 02:52:47,100

the course I talked to both of you both

4045

02:52:50,990 --> 02:52:48,840

of you guys about this like we're all

4046

02:52:52,610 --> 02:52:51,000

very open obviously in terms of what we

4047

02:52:53,929 --> 02:52:52,620

do and in terms of our audiences and

4048

02:52:55,670 --> 02:52:53,939

everybody that listens we're open to

4049

02:52:58,370 --> 02:52:55,680

these things we love these subjects I

4050

02:53:00,590 --> 02:52:58,380

mean this is my life I don't like when

4051
02:53:03,349 --> 02:53:00,600
people lie and make it more difficult

4052
02:53:04,790 --> 02:53:03,359
not only to do my job but they lie and

4053
02:53:07,070 --> 02:53:04,800
they make it and they sell things and

4054
02:53:08,870 --> 02:53:07,080
just BS and they make it more difficult

4055
02:53:10,250 --> 02:53:08,880
to figure out what exactly is going on

4056
02:53:11,570 --> 02:53:10,260
in the world and I don't like that well

4057
02:53:12,889 --> 02:53:11,580
you know what I don't like too this is

4058
02:53:16,130 --> 02:53:12,899
what I don't like we're all bitching

4059
02:53:18,950 --> 02:53:16,140
here it's a [h__\h] session okay so so uh

4060
02:53:20,330 --> 02:53:18,960
what I don't like is this so okay we can

4061
02:53:22,370 --> 02:53:20,340
all be critical of the government coming

4062
02:53:24,170 --> 02:53:22,380
forward with all this stuff we can be

4063
02:53:26,389 --> 02:53:24,180

critical of grush we'd be critical of

4064

02:53:28,429 --> 02:53:26,399

the UFO Monopoly but what about those

4065

02:53:30,110 --> 02:53:28,439

that are whining and crying about the

4066

02:53:31,670 --> 02:53:30,120

fact that if somebody is saying

4067

02:53:34,670 --> 02:53:31,680

something is contrary to their little

4068

02:53:36,710 --> 02:53:34,680

cult they're gonna freak out and they do

4069

02:53:38,990 --> 02:53:36,720

that I'm not going to mention any names

4070

02:53:41,450 --> 02:53:39,000

I mean if you want to I don't care but

4071

02:53:43,910 --> 02:53:41,460

I'm just saying yeah one can just

4072

02:53:45,469 --> 02:53:43,920

remember that uh when someone in B Baker

4073

02:53:47,750 --> 02:53:45,479

in my life chat just reminded me

4074

02:53:50,210 --> 02:53:47,760

Elizondo groomed Lou Angelus from

4075

02:53:53,330 --> 02:53:50,220

unidentified celebrity review and other

4076
02:53:55,790 --> 02:53:53,340
show hosts on there it's what he does

4077
02:53:58,790 --> 02:53:55,800
but when they asked him one hard

4078
02:54:02,269 --> 02:53:58,800
question he lost his mind and they lost

4079
02:54:05,150 --> 02:54:02,279
Total Access and their whole show was

4080
02:54:07,910 --> 02:54:05,160
was over essentially for questioning

4081
02:54:09,710 --> 02:54:07,920
right you know dear leader and that is

4082
02:54:11,150 --> 02:54:09,720
ridiculous well it's like I mean there

4083
02:54:13,429 --> 02:54:11,160
are a lot of people you lose access

4084
02:54:15,230 --> 02:54:13,439
right that's the game right if you ask

4085
02:54:18,050 --> 02:54:15,240
the hard questions you lose the access

4086
02:54:19,910 --> 02:54:18,060
and the access equals views clicks and

4087
02:54:22,370 --> 02:54:19,920
attention we live in an attention-based

4088
02:54:23,929 --> 02:54:22,380

economy Mr Lewis and the more attention

4089

02:54:25,550 --> 02:54:23,939

that we can generate if we can get these

4090

02:54:27,590 --> 02:54:25,560

big UFO celebrity guests on our show

4091

02:54:31,370 --> 02:54:27,600

we're going to get huge views so just

4092

02:54:33,769 --> 02:54:31,380

play play ball and fortunately there are

4093

02:54:36,050 --> 02:54:33,779

still people like Mr Lewis and and uh

4094

02:54:37,370 --> 02:54:36,060

Gable was there and me we're not going

4095

02:54:39,170 --> 02:54:37,380

to play ball like that we're not going

4096

02:54:40,969 --> 02:54:39,180

to do it I can handle a show on my own

4097

02:54:42,710 --> 02:54:40,979

too that's another thing that is kind of

4098

02:54:44,510 --> 02:54:42,720

unique and I think Ryan does anyway

4099

02:54:46,849 --> 02:54:44,520

sometimes times doesn't show all by

4100

02:54:49,190 --> 02:54:46,859

himself because we know the material and

4101
02:54:51,290 --> 02:54:49,200
we we don't have to you know always have

4102
02:54:51,870 --> 02:54:51,300
a guest on but hey Ryan what are you

4103
02:54:53,389 --> 02:54:51,880
talking about tonight

4104
02:54:55,969 --> 02:54:53,399
[Music]

4105
02:54:58,090 --> 02:54:55,979
I'm talking about the Black Cube and

4106
02:55:00,769 --> 02:54:58,100
black rock in the history and mythology

4107
02:55:03,110 --> 02:55:00,779
fantastic remember you can hear Ryan

4108
02:55:05,750 --> 02:55:03,120
Gable right after Ground Zero on Ground

4109
02:55:07,010 --> 02:55:05,760
Zero dot radio but check him out tonight

4110
02:55:08,809 --> 02:55:07,020
with a secret teachings thank you Ryan

4111
02:55:10,730 --> 02:55:08,819
for calling the program

4112
02:55:12,590 --> 02:55:10,740
thank you Clyde thank you Stephen 10 out

4113
02:55:15,410 --> 02:55:12,600

of 10. oh thank you so much Stephen

4114

02:55:16,910 --> 02:55:15,420

Camion we continue we continue the 10

4115

02:55:20,469 --> 02:55:16,920

and turn it up to 11 in the next hour

4116

02:55:26,030 --> 02:55:23,769

503-225-0860 or

4117

02:55:32,150 --> 02:55:26,040

866-536-7469 back with more keep it here

4118

02:55:32,160 --> 02:55:35,520

thank you

4119

02:55:35,530 --> 02:56:08,769

[Music]

4120

02:56:08,779 --> 02:56:14,830

okay friends

4121

02:56:20,750 --> 02:56:17,950

uh if you're just joining us

4122

02:56:21,950 --> 02:56:20,760

Grand zero I'm Stephen King of true

4123

02:56:23,650 --> 02:56:21,960

Seekers and you're watching true

4124

02:56:27,849 --> 02:56:23,660

speakers will be doing a specialist

4125

02:56:34,610 --> 02:56:31,610

and uh also we uh surprise to me we got

4126
02:56:36,710 --> 02:56:34,620
Ryan Gable the secret teachings also

4127
02:56:39,170 --> 02:56:36,720
jumping on those same simultaneous

4128
02:56:42,050 --> 02:56:39,180
broadcast awesome awesome somebody said

4129
02:56:44,809 --> 02:56:42,060
10 out of 10 and to me uh this is uh

4130
02:56:47,630 --> 02:56:44,819
awesome we here at true Seekers are

4131
02:56:50,150 --> 02:56:47,640
invading literally completing the

4132
02:56:54,110 --> 02:56:50,160
terrestrial Airways all across the

4133
02:56:55,690 --> 02:56:54,120
United States uh we aren't there uh

4134
02:56:59,090 --> 02:56:55,700
through

4135
02:57:01,610 --> 02:56:59,100
ground zeros amazing terrestrial radio

4136
02:57:02,950 --> 02:57:01,620
distribution we also broadcasting live

4137
02:57:06,710 --> 02:57:02,960
on Twitch

4138
02:57:10,010 --> 02:57:06,720

Steelers Facebook live Twitter Rumble

4139

02:57:12,410 --> 02:57:10,020

and of course YouTube here as well we

4140

02:57:14,389 --> 02:57:12,420

want to welcome all of our listeners uh

4141

02:57:17,690 --> 02:57:14,399

this is I'm so glad that we could do

4142

02:57:19,429 --> 02:57:17,700

this and I'm equally glad that this was

4143

02:57:21,290 --> 02:57:19,439

thrown together at the last minute and I

4144

02:57:23,030 --> 02:57:21,300

hate doing something last minute that

4145

02:57:25,010 --> 02:57:23,040

I've never done before

4146

02:57:27,889 --> 02:57:25,020

I was concerned there'd be all kinds of

4147

02:57:30,110 --> 02:57:27,899

technical glitches except for echo which

4148

02:57:34,490 --> 02:57:30,120

we wanted us to take an extra break

4149

02:57:36,830 --> 02:57:34,500

now uh yeah you need headphones in so

4150

02:57:40,190 --> 02:57:36,840

that Echo from the phone doesn't affect

4151
02:57:43,490 --> 02:57:40,200
the radio broadcast why that was my

4152
02:57:45,950 --> 02:57:43,500
error and I apologize for that Ron

4153
02:57:49,610 --> 02:57:45,960
patnis here this is uh Clyde Lewis

4154
02:57:52,910 --> 02:57:49,620
producer at 906 pm

4155
02:57:56,750 --> 02:57:52,920
okay so go take a lean and smoke and

4156
02:58:00,769 --> 02:57:56,760
chug a beverage good advice we've got uh

4157
02:58:03,889 --> 02:58:00,779
six minutes uh uh before we are back a

4158
02:58:06,290 --> 02:58:03,899
little over six minutes uh some of my

4159
02:58:07,750 --> 02:58:06,300
viewers have commented on all of the

4160
02:58:11,269 --> 02:58:07,760
commercials

4161
02:58:14,030 --> 02:58:11,279
and I I apologize for that but remind

4162
02:58:18,170 --> 02:58:14,040
you that that's terrestrial radio so we

4163
02:58:19,910 --> 02:58:18,180

have to slug through those so uh that Mr

4164

02:58:22,690 --> 02:58:19,920

Clyde Lewis has this excellent

4165

02:58:28,250 --> 02:58:22,700

terrestrial radio distribution network

4166

02:58:33,710 --> 02:58:32,330

I I for one uh support that uh you have

4167

02:58:36,710 --> 02:58:33,720

to do what you got to do to stay on the

4168

02:58:38,929 --> 02:58:36,720

air but maybe just maybe those people

4169

02:58:40,969 --> 02:58:38,939

who are so nasty and critical of me

4170

02:58:42,590 --> 02:58:40,979

playing one few minute bumper just

4171

02:58:44,510 --> 02:58:42,600

reminding people that we're a viewer

4172

02:58:47,330 --> 02:58:44,520

supported the show by the way we should

4173

02:58:48,170 --> 02:58:47,340

do that uh you know you were supported

4174

02:58:49,910 --> 02:58:48,180

show

4175

02:58:51,170 --> 02:58:49,920

which means people like you from all

4176
02:58:55,590 --> 02:58:51,180
over

4177
02:59:01,610 --> 02:58:59,110
[Music]

4178
02:59:05,870 --> 02:59:01,620
you know advertisers

4179
02:59:09,290 --> 02:59:05,880
uh but this works as well so here's our

4180
02:59:10,849 --> 02:59:09,300
announcer Mr Ian to remind you that we

4181
02:59:13,790 --> 02:59:10,859
review your support each other and how

4182
02:59:16,250 --> 02:59:13,800
you can help us continue this incredible

4183
02:59:24,710 --> 02:59:16,260
journey and do complete cast like this

4184
02:59:24,720 --> 02:59:29,710
thank you

4185
02:59:35,150 --> 02:59:32,150
Seekers is a viewer's supported show

4186
02:59:37,370 --> 02:59:35,160
wonderful people like you who enjoy this

4187
02:59:40,790 --> 02:59:37,380
show send pledges in the form of Super

4188
02:59:44,030 --> 02:59:40,800

Chat super stickers super thanks PayPal

4189

02:59:46,490 --> 02:59:44,040

or cash out instructions for how to help

4190

02:59:49,429 --> 02:59:46,500

are in the description

4191

02:59:51,590 --> 02:59:49,439

you can also join our patreon and for as

4192

02:59:54,889 --> 02:59:51,600

little as one dollar a month you can get

4193

02:59:57,650 --> 02:59:54,899

extra content patreon supporters get a

4194

02:59:59,269 --> 02:59:57,660

backstage pass Early Access to all my

4195

03:00:01,730 --> 02:59:59,279

Production videos before they are

4196

03:00:04,190 --> 03:00:01,740

distributed publicly Stephen campion's

4197

03:00:07,250 --> 03:00:04,200

music private private writings a monthly

4198

03:00:09,530 --> 03:00:07,260

show journal and more you can also

4199

03:00:11,870 --> 03:00:09,540

become a YouTube channel member for five

4200

03:00:15,110 --> 03:00:11,880

dollars a month a YouTube membership

4201
03:00:17,990 --> 03:00:15,120
includes all the patreon benefits plus a

4202
03:00:21,050 --> 03:00:18,000
special members badge priority reply to

4203
03:00:24,170 --> 03:00:21,060
video comments and the live chat plus a

4204
03:00:27,230 --> 03:00:24,180
monthly Members Only video we thank you

4205
03:00:30,650 --> 03:00:27,240
all kinds and generous benefactors for

4206
03:00:34,070 --> 03:00:30,660
supporting truth Seekers thank you for

4207
03:00:44,910 --> 03:00:34,080
your generosity and support

foreign

4210
03:01:19,429 --> 03:01:16,670
casts and show your support please be

4211
03:01:21,650 --> 03:01:19,439
sure and check out our merchandise store

4212
03:01:23,929 --> 03:01:21,660
links to our two merchandise online

4213
03:01:25,070 --> 03:01:23,939

stores are in the links to this video or

4214

03:01:27,349 --> 03:01:25,080

podcast

4215

03:01:30,170 --> 03:01:27,359

the Amazon storefront ships super

4216

03:01:33,650 --> 03:01:30,180

quickly in the United States great

4217

03:01:35,750 --> 03:01:33,660

many more places Amazon may not ship to

4218

03:01:38,090 --> 03:01:35,760

your country or location if that's the

4219

03:01:39,950 --> 03:01:38,100

case hit our second merchandise Link in

4220

03:01:41,750 --> 03:01:39,960

the description and visit our rap

4221

03:01:43,490 --> 03:01:41,760

battles storefront

4222

03:01:46,010 --> 03:01:43,500

imagine Dice from our red mobile

4223

03:01:47,990 --> 03:01:46,020

storefront ships worldwide would may

4224

03:01:50,330 --> 03:01:48,000

take longer than Amazon

4225

03:01:52,250 --> 03:01:50,340

we've got a great deal with super high

4226
03:01:54,769 --> 03:01:52,260
quality merchandise for you to choose

4227
03:01:57,469 --> 03:01:54,779
from including t-shirts phone cases

4228
03:01:59,690 --> 03:01:57,479
sweatshirts and even pillows

4229
03:02:02,570 --> 03:01:59,700
the feedback from our products have been

4230
03:02:05,450 --> 03:02:02,580
overwhelming and great quality products

4231
03:02:07,190 --> 03:02:05,460
and fast shipping people all over the

4232
03:02:09,889 --> 03:02:07,200
world are buying some merchandise and

4233
03:02:11,269 --> 03:02:09,899
showing their support of the show praise

4234
03:02:17,570 --> 03:02:11,279
the cash

4235
03:02:19,730 --> 03:02:17,580
we thank you all the kind and generous

4236
03:02:21,830 --> 03:02:19,740
benefactors who are buying some

4237
03:02:34,780 --> 03:02:21,840
merchandise and helping us to continue

4238
03:02:34,790 --> 03:02:44,590

[Music]

4239

03:02:50,630 --> 03:02:47,450

thanks for being here this is truth

4240

03:02:53,150 --> 03:02:50,640

Seekers with your hosts sting

4241

03:02:55,730 --> 03:02:53,160

please write like and comment on our

4242

03:02:57,889 --> 03:02:55,740

videos and podcasts if you are listening

4243

03:03:00,050 --> 03:02:57,899

to all of your podcasts please write us

4244

03:03:02,570 --> 03:03:00,060

five stars to help us rise in the search

4245

03:03:05,210 --> 03:03:02,580

rankings if you're watching on YouTube

4246

03:03:07,610 --> 03:03:05,220

please like comment and subscribe to our

4247

03:03:09,410 --> 03:03:07,620

Channel if you're listening to all your

4248

03:03:11,990 --> 03:03:09,420

podcast we love and appreciate you

4249

03:03:14,929 --> 03:03:12,000

listeners but you are missing the live

4250

03:03:17,690 --> 03:03:14,939

tapings all our shows are recorded live

4251
03:03:19,969 --> 03:03:17,700
with video feeds we'd love you to come

4252
03:03:23,030 --> 03:03:19,979
be a part of our live broadcasts and

4253
03:03:25,490 --> 03:03:23,040
tapings for the podcast head on over to

4254
03:03:28,309 --> 03:03:25,500
YouTube click the Search tool the little

4255
03:03:30,349 --> 03:03:28,319
magnifying glass what should Seekers one

4256
03:03:32,750 --> 03:03:30,359
word in the search bar and hit enter

4257
03:03:35,090 --> 03:03:32,760
you'll see a strange and mysterious guy

4258
03:03:37,490 --> 03:03:35,100
with sunglasses that means you found the

4259
03:03:40,309 --> 03:03:37,500
channel go ahead and smash the Subscribe

4260
03:03:42,469 --> 03:03:40,319
button and hit the notification Bell to

4261
03:03:45,170 --> 03:03:42,479
receive up-to-date info on our YouTube

4262
03:03:48,050 --> 03:03:45,180
channel we welcome you to be a part of

4263
03:03:51,010 --> 03:03:48,060

our live taping and our chat room during

4264

03:03:54,469 --> 03:03:51,020

the live broadcasts seek

4265

03:04:00,370 --> 03:03:54,479

speak to speak truth this is truth

4266

03:04:00,380 --> 03:04:11,469

[Music]

4267

03:04:15,650 --> 03:04:13,910

okay friends so we're back from the

4268

03:04:18,590 --> 03:04:15,660

break and

4269

03:04:23,030 --> 03:04:18,600

Mr Lewis is just about to come back from

4270

03:04:26,750 --> 03:04:23,040

a break so we'll share history as well

4271

03:04:28,190 --> 03:04:26,760

again welcome everyone to the first five

4272

03:04:30,889 --> 03:04:28,200

Lewis of ground zero and Stephen

4273

03:04:33,950 --> 03:04:30,899

champion of Truth special simulcast

4274

03:04:36,290 --> 03:04:33,960

broadcast we are true Seekers is

4275

03:04:38,330 --> 03:04:36,300

invading terrestrial radio tonight I'm

4276

03:04:41,090 --> 03:04:38,340

taking you with thank you all for being

4277

03:04:44,929 --> 03:04:41,100

here let's go back to uh the feed from

4278

03:04:45,590 --> 03:04:44,939

Clive Lewis and uh he and I will be back

4279

03:04:47,570 --> 03:04:45,600

talking

4280

03:04:50,090 --> 03:04:47,580

[Music]

4281

03:04:52,250 --> 03:04:50,100

not an accident

4282

03:04:55,730 --> 03:04:52,260

[Music]

4283

03:05:00,110 --> 03:04:55,740

comparison fly did you know NASA means

4284

03:05:06,349 --> 03:05:00,120

deceive in Hebrew I did not the Denver

4285

03:05:10,550 --> 03:05:08,809

hey that show that fly out of here I

4286

03:05:12,590 --> 03:05:10,560

will as soon as I find out if he has a

4287

03:05:17,450 --> 03:05:12,600

band from the Apple Store podcast I can

4288

03:05:20,630 --> 03:05:17,460

listen to I do it's fly on the wall DOT

4289

03:05:25,250 --> 03:05:20,640

first slash truth first reconfigure your

4290

03:05:30,070 --> 03:05:25,260

DNS server then download a VPN and get

4291

03:05:35,100 --> 03:05:32,670

Ground Zero

4292

03:05:39,710 --> 03:05:35,110

[Music]

4293

03:05:44,349 --> 03:05:39,720

[Applause]

4294

03:05:52,250 --> 03:05:48,930

the loudspeaker spoke up and said

4295

03:05:52,260 --> 03:06:00,070

the loudspeaker spoke

4296

03:06:04,309 --> 03:06:01,849

[Music]

4297

03:06:07,190 --> 03:06:04,319

yes we did you know it's all happened

4298

03:06:15,880 --> 03:06:07,200

before it all happened again

4299

03:06:26,110 --> 03:06:17,810

[Music]

4300

03:06:30,010 --> 03:06:26,120

[Laughter]

4301
03:06:38,290 --> 03:06:32,330
and this

4302
03:06:38,300 --> 03:06:53,769
the numbers to call tonight 503-225

4303
03:07:00,230 --> 03:06:58,130
a very distorted view of what reality is

4304
03:07:02,630 --> 03:07:00,240
my reality isn't necessary your reality

4305
03:07:05,150 --> 03:07:02,640
and vice versa right

4306
03:07:07,190 --> 03:07:05,160
we have religion telling us one idea

4307
03:07:08,690 --> 03:07:07,200
we've got media telling us another idea

4308
03:07:10,550 --> 03:07:08,700
especially when it comes to politics

4309
03:07:12,650 --> 03:07:10,560
where politics suck

4310
03:07:14,210 --> 03:07:12,660
yeah I think I'm gonna be it's just

4311
03:07:16,070 --> 03:07:14,220
going to be me by voting for the best

4312
03:07:18,889 --> 03:07:16,080
criminal right and then you've got

4313
03:07:20,870 --> 03:07:18,899

movies you got TV you got governments

4314

03:07:23,990 --> 03:07:20,880

saying things you got politicians saying

4315

03:07:28,610 --> 03:07:24,000

I mean everything is you know there to

4316

03:07:35,389 --> 03:07:32,150

and that works even for the Intel agency

4317

03:07:38,090 --> 03:07:35,399

deep state agencies the CIA the alphabet

4318

03:07:40,730 --> 03:07:38,100

agencies alphabet soup agencies

4319

03:07:44,389 --> 03:07:40,740

so all of them

4320

03:07:47,570 --> 03:07:44,399

attempt to construct a reality

4321

03:07:50,389 --> 03:07:47,580

that we want to choose to believe

4322

03:07:52,250 --> 03:07:50,399

so it's good to have objectivity and

4323

03:07:54,230 --> 03:07:52,260

look at it and realize that it appears

4324

03:07:56,750 --> 03:07:54,240

to be this way it alleges to be this way

4325

03:07:59,330 --> 03:07:56,760

uh we don't know for sure if it's this

4326

03:08:01,370 --> 03:07:59,340

way pictures or it doesn't exist the

4327

03:08:02,510 --> 03:08:01,380

whole nine yards here and even with

4328

03:08:04,429 --> 03:08:02,520

pictures it doesn't matter anymore

4329

03:08:06,769 --> 03:08:04,439

because they can deep fake everything

4330

03:08:08,510 --> 03:08:06,779

so how are we to believe stories of

4331

03:08:10,130 --> 03:08:08,520

disclosure when people have lost faith

4332

03:08:14,150 --> 03:08:10,140

in their governments and the media even

4333

03:08:18,710 --> 03:08:16,550

I mean how

4334

03:08:20,870 --> 03:08:18,720

it couldn't come at a worse time I mean

4335

03:08:23,030 --> 03:08:20,880

this closure is coming at a very bad

4336

03:08:24,889 --> 03:08:23,040

time right now if this is their idea of

4337

03:08:27,170 --> 03:08:24,899

disclosure it's coming at a very bad

4338

03:08:31,490 --> 03:08:30,110

or as we're talking about tonight that

4339

03:08:33,469 --> 03:08:31,500

government could be attempting to

4340

03:08:35,269 --> 03:08:33,479

generate faith

4341

03:08:37,550 --> 03:08:35,279

by admitting that perhaps this UFO thing

4342

03:08:39,290 --> 03:08:37,560

could be Revisited

4343

03:08:40,969 --> 03:08:39,300

I always tell this story to people and

4344

03:08:42,230 --> 03:08:40,979

it's kind of a I mean people may think

4345

03:08:45,650 --> 03:08:42,240

it's a little sacrilegious but think of

4346

03:08:48,950 --> 03:08:45,660

this for a moment so it's like when the

4347

03:08:50,510 --> 03:08:48,960

Romans okay they killed Jesus

4348

03:08:52,910 --> 03:08:50,520

and then when their governments started

4349

03:08:54,590 --> 03:08:52,920

to fall apart Constantine came along and

4350

03:08:56,510 --> 03:08:54,600

said hey let's reconsider that Jesus

4351

03:08:58,790 --> 03:08:56,520

thing

4352

03:09:00,650 --> 03:08:58,800

and all of a sudden the monarchs did it

4353

03:09:01,730 --> 03:09:00,660

kings and queens did it and this is how

4354

03:09:03,610 --> 03:09:01,740

it starts

4355

03:09:06,290 --> 03:09:03,620

ah Jesus

4356

03:09:07,730 --> 03:09:06,300

then hey our government's falling apart

4357

03:09:09,349 --> 03:09:07,740

what do we do hey let's rewrite let's

4358

03:09:11,450 --> 03:09:09,359

resurrect Jesus he was a guy that

4359

03:09:12,889 --> 03:09:11,460

everybody could rally behind and even if

4360

03:09:15,110 --> 03:09:12,899

he doesn't exist we can talk about this

4361

03:09:17,210 --> 03:09:15,120

guy that you know has a beard and long

4362

03:09:18,830 --> 03:09:17,220

hair and all guys have beard and long

4363

03:09:20,389 --> 03:09:18,840

hair so he's a different guy with a

4364

03:09:22,130 --> 03:09:20,399

beard and long hair

4365

03:09:23,630 --> 03:09:22,140

okay I'm not saying I believe that

4366

03:09:25,790 --> 03:09:23,640

there's no Jesus all I'm saying is is

4367

03:09:28,370 --> 03:09:25,800

that hey

4368

03:09:31,010 --> 03:09:28,380

I'm not saying there no UFOs either

4369

03:09:34,730 --> 03:09:31,020

but everything has its story and

4370

03:09:37,429 --> 03:09:34,740

narrative based upon authorities

4371

03:09:38,750 --> 03:09:37,439

and after three years of covid-19 and

4372

03:09:42,050 --> 03:09:38,760

all the nonsense we were told about

4373

03:09:42,830 --> 03:09:42,060

masks and lockdowns and and vaccines and

4374

03:09:44,809 --> 03:09:42,840

everything

4375

03:09:46,309 --> 03:09:44,819

all the psychological warfare that went

4376

03:09:48,650 --> 03:09:46,319

with that right

4377

03:09:51,590 --> 03:09:48,660

all this climate change propaganda now

4378

03:09:52,969 --> 03:09:51,600

the the air we breathe is is is Harsh

4379

03:09:54,650 --> 03:09:52,979

and horrible because of climate change

4380

03:09:58,250 --> 03:09:54,660

not because of fires but because of

4381

03:09:59,929 --> 03:09:58,260

climate change so all this propaganda

4382

03:10:01,490 --> 03:09:59,939

there are people out there that are

4383

03:10:04,490 --> 03:10:01,500

suspicious

4384

03:10:07,070 --> 03:10:04,500

of anything the government says

4385

03:10:09,769 --> 03:10:07,080

and so the government is now facing A

4386

03:10:17,030 --> 03:10:13,790

and that Hard Sell is UFOs

4387

03:10:18,889 --> 03:10:17,040

and it's hard to try and disseminate the

4388

03:10:20,929 --> 03:10:18,899

right information when you have a bunch

4389

03:10:22,790 --> 03:10:20,939

of people wanting you to listen to their

4390

03:10:24,950 --> 03:10:22,800

narrative and frame their narrative in a

4391

03:10:26,030 --> 03:10:24,960

way that I don't know you can choose to

4392

03:10:27,590 --> 03:10:26,040

believe it or not choose believe but

4393

03:10:29,150 --> 03:10:27,600

Stephen Cammy is probably one of the

4394

03:10:31,550 --> 03:10:29,160

best Skeptics out there

4395

03:10:32,990 --> 03:10:31,560

and is on the program tonight and uh

4396

03:10:35,990 --> 03:10:33,000

it's good to have you back on for the

4397

03:10:38,150 --> 03:10:36,000

last hour uh it's true though I mean our

4398

03:10:40,309 --> 03:10:38,160

reality we choose the reality we want to

4399

03:10:42,710 --> 03:10:40,319

play in and you know we have everything

4400

03:10:44,630 --> 03:10:42,720

from comic book reality sci-fi reality

4401

03:10:46,969 --> 03:10:44,640

sci-fi becoming reality religion

4402

03:10:48,590 --> 03:10:46,979

religious reality mythologies that's why

4403

03:10:49,910 --> 03:10:48,600

I say if you read Joseph Campbell it

4404

03:10:51,830 --> 03:10:49,920

changes your life I've read Joseph

4405

03:10:53,389 --> 03:10:51,840

Campbell and I think you know you read

4406

03:10:55,250 --> 03:10:53,399

Joseph Campbell and it'll just set it

4407

03:10:57,170 --> 03:10:55,260

all out for you but a lot of things are

4408

03:10:59,090 --> 03:10:57,180

based on mythologies a lot of things are

4409

03:11:01,610 --> 03:10:59,100

based on urban legends but that doesn't

4410

03:11:03,230 --> 03:11:01,620

ruin the idea that they may be real it

4411

03:11:04,969 --> 03:11:03,240

just you have to remember that there are

4412

03:11:07,130 --> 03:11:04,979

legends and there are things surrounding

4413

03:11:09,650 --> 03:11:07,140

these stories I mean like Roswell for

4414

03:11:10,570 --> 03:11:09,660

example I love Roswell I go there every

4415

03:11:14,210 --> 03:11:10,580

year

4416

03:11:16,790 --> 03:11:14,220

uh Gene Dao is an amazing guy he runs

4417

03:11:18,469 --> 03:11:16,800

our show out there in New Mexico I love

4418

03:11:22,010 --> 03:11:18,479

Roswell but I know that there's a

4419

03:11:23,870 --> 03:11:22,020

mythology surrounding Roswell okay I

4420

03:11:25,370 --> 03:11:23,880

know but there's a there's the reality

4421

03:11:27,170 --> 03:11:25,380

as well I've talked with many people

4422

03:11:28,730 --> 03:11:27,180

credible people who've been speaking

4423

03:11:29,750 --> 03:11:28,740

about it not even talking about aliens

4424

03:11:31,429 --> 03:11:29,760

talking about we didn't even know what

4425

03:11:33,230 --> 03:11:31,439

aliens were back then we didn't know

4426
03:11:34,309 --> 03:11:33,240
what they were dealing with we just knew

4427
03:11:36,590 --> 03:11:34,319
that it was something that was bizarre

4428
03:11:38,870 --> 03:11:36,600
we hadn't seen it before Pilots were in

4429
03:11:40,610 --> 03:11:38,880
it they were dead that kind of thing but

4430
03:11:43,550 --> 03:11:40,620
then the alien story started happening

4431
03:11:45,889 --> 03:11:43,560
in the 1960s and evolved from there and

4432
03:11:47,630 --> 03:11:45,899
now everybody and their dog was there or

4433
03:11:49,790 --> 03:11:47,640
had a friend of a friend of a friend who

4434
03:11:50,870 --> 03:11:49,800
was there and I talked with somebody

4435
03:11:52,969 --> 03:11:50,880
that was saying that you know everything

4436
03:11:53,870 --> 03:11:52,979
was so compartmentalized back then they

4437
03:11:55,010 --> 03:11:53,880
didn't even know they were working on

4438
03:11:56,269 --> 03:11:55,020

the Manhattan Project they're going to

4439

03:11:58,010 --> 03:11:56,279

load a bomb to go to Japan they didn't

4440

03:12:00,410 --> 03:11:58,020

know what it meant

4441

03:12:02,510 --> 03:12:00,420

yeah yeah absolutely and you're right

4442

03:12:04,250 --> 03:12:02,520

about the Roswell mythology it's one of

4443

03:12:06,530 --> 03:12:04,260

my favorite stories we did a deep dive

4444

03:12:08,929 --> 03:12:06,540

on my true Seekers Channel on YouTube

4445

03:12:11,269 --> 03:12:08,939

with all the world's leading experts

4446

03:12:12,769 --> 03:12:11,279

authors and I thought if I just brought

4447

03:12:14,450 --> 03:12:12,779

them all together and interviewed them

4448

03:12:16,429 --> 03:12:14,460

all we would get to the bottom of what

4449

03:12:18,530 --> 03:12:16,439

it really was and it just left me with

4450

03:12:20,690 --> 03:12:18,540

more questions and answers and you're

4451

03:12:22,849 --> 03:12:20,700

also correct in that the Roswell

4452

03:12:24,889 --> 03:12:22,859

mythology has grown over time the

4453

03:12:27,410 --> 03:12:24,899

original story did not include a second

4454

03:12:30,349 --> 03:12:27,420

crash site or alien bodies that was all

4455

03:12:33,650 --> 03:12:30,359

tacked on later so we see with a lot of

4456

03:12:36,469 --> 03:12:33,660

what I call UFO mythology is that

4457

03:12:39,610 --> 03:12:36,479

stories you know we have may have a seat

4458

03:12:42,590 --> 03:12:39,620

of Truth in them but then they they

4459

03:12:44,750 --> 03:12:42,600

evolve over time they get added to and

4460

03:12:48,050 --> 03:12:44,760

tacked onto and also what you have to

4461

03:12:51,230 --> 03:12:48,060

realize about Roswell is Roswell is the

4462

03:12:54,050 --> 03:12:51,240

case that so many other people have

4463

03:12:56,330 --> 03:12:54,060

tried to glob onto it's as if you take

4464

03:12:59,150 --> 03:12:56,340

some already accepted piece of Mythology

4465

03:13:00,769 --> 03:12:59,160

and then you attach your story to it

4466

03:13:03,950 --> 03:13:00,779

because people have already accepted

4467

03:13:05,870 --> 03:13:03,960

that that original mythology so now we

4468

03:13:08,330 --> 03:13:05,880

get things like the Roswell Rock we get

4469

03:13:10,730 --> 03:13:08,340

the alien autopsy we get the Roswell

4470

03:13:12,889 --> 03:13:10,740

slides hosts all of which were fake

4471

03:13:15,410 --> 03:13:12,899

stories well this I believe but they

4472

03:13:17,389 --> 03:13:15,420

were globbed onto Roswell to make them

4473

03:13:19,130 --> 03:13:17,399

more credible right this is a lot like

4474

03:13:21,410 --> 03:13:19,140

well there's a lot like the Shroud of

4475

03:13:23,269 --> 03:13:21,420

Turin this is this is a lot like the

4476

03:13:25,610 --> 03:13:23,279

idea that Jesus was born in a little

4477

03:13:26,990 --> 03:13:25,620

wooden manger he was born in a cave all

4478

03:13:28,849 --> 03:13:27,000

these things evolved over time to fit

4479

03:13:31,130 --> 03:13:28,859

the mythology so it has this Hallmark

4480

03:13:32,870 --> 03:13:31,140

card type of effect to it gotta go to

4481

03:13:34,309 --> 03:13:32,880

another break Stephen Campion with us

4482

03:13:36,590 --> 03:13:34,319

tonight on ground zero five zero three

4483

03:13:42,889 --> 03:13:40,389

all right I think we're on a break again

4484

03:13:46,070 --> 03:13:42,899

uh welcome if you're just joining us you

4485

03:13:48,530 --> 03:13:46,080

are watching true speakers as we invade

4486

03:13:50,630 --> 03:13:48,540

terrestrial radio all over the

4487

03:13:52,610 --> 03:13:50,640

continental United States tonight with

4488

03:13:56,990 --> 03:13:52,620

the hope with the help of our friend

4489

03:13:59,090 --> 03:13:57,000

Clyde Lewis from Ground Zero uh and we

4490

03:14:01,490 --> 03:13:59,100

are doing a special simulcast broadcast

4491

03:14:06,950 --> 03:14:01,500

he is broadcasting on terrestrial radio

4492

03:14:11,030 --> 03:14:06,960

and his Digital internet feed uh as well

4493

03:14:12,469 --> 03:14:11,040

and we are here uh in on our

4494

03:14:15,590 --> 03:14:12,479

distribution Network all over the

4495

03:14:18,050 --> 03:14:15,600

Internet we are live on Twitch Rumble uh

4496

03:14:21,530 --> 03:14:18,060

Facebook live Twitter and of course

4497

03:14:23,450 --> 03:14:21,540

YouTube here and welcome one and all I

4498

03:14:26,210 --> 03:14:23,460

think this is great we also got to hear

4499

03:14:29,929 --> 03:14:26,220

from Ryan Gable of the secret teachings

4500

03:14:30,530 --> 03:14:29,939

joining tonight's specialist broadcast

4501

03:14:34,490 --> 03:14:30,540

um

4502

03:14:35,809 --> 03:14:34,500

despite the uh the fact that this was

4503

03:14:38,269 --> 03:14:35,819

thrown together at the very last minute

4504

03:14:40,550 --> 03:14:38,279

I'm sort of amazed that everything seems

4505

03:14:42,230 --> 03:14:40,560

to be appears to be working from a

4506

03:14:44,750 --> 03:14:42,240

technical end

4507

03:14:48,349 --> 03:14:44,760

um I I'm getting messages from a friend

4508

03:14:51,469 --> 03:14:48,359

of mine who is in a market that needs to

4509

03:14:55,130 --> 03:14:51,479

acquired nuisance radio broadcast radio

4510

03:14:56,690 --> 03:14:55,140

station reaches his home and uh he sent

4511

03:14:59,389 --> 03:14:56,700

me a message saying congratulations

4512

03:15:02,269 --> 03:14:59,399

Stephen I'm hearing truth Seekers online

4513

03:15:04,309 --> 03:15:02,279

radio for the first time I want new

4514

03:15:07,969 --> 03:15:04,319

religions this is awesome

4515

03:15:10,730 --> 03:15:07,979

so thanks to uh Ron Patton the producer

4516

03:15:12,650 --> 03:15:10,740

of Mr Lewis and Mr Lewis for joining us

4517

03:15:14,389 --> 03:15:12,660

along with him and uh

4518

03:15:17,210 --> 03:15:14,399

I wasn't quite sure how to approach

4519

03:15:19,250 --> 03:15:17,220

tonight but I decided hey truth Seekers

4520

03:15:21,170 --> 03:15:19,260

is going to invade terrestrial radio I'm

4521

03:15:22,849 --> 03:15:21,180

just going to take you guys with me for

4522

03:15:25,969 --> 03:15:22,859

the journey thanks so much all of you

4523

03:15:30,110 --> 03:15:25,979

for being here and we've got another uh

4524

03:15:33,410 --> 03:15:30,120

43 minutes of broadcast left to go

4525

03:15:36,889 --> 03:15:33,420

um uh hopefully uh we will get to cover

4526
03:15:38,469 --> 03:15:36,899
a little more about these emerging this

4527
03:15:42,110 --> 03:15:38,479
emerging

4528
03:15:45,950 --> 03:15:42,120
UFO what Mr Lewis is calling a sky up

4529
03:15:49,250 --> 03:15:45,960
but PSI s-i-g-h psyop

4530
03:15:51,349 --> 03:15:49,260
uh and what I'm calling maybe maybe the

4531
03:15:52,210 --> 03:15:51,359
continuation of an intelligence

4532
03:15:57,290 --> 03:15:52,220
Community

4533
03:15:58,849 --> 03:15:57,300
want to thank UFO John Doe who's the

4534
03:16:00,889 --> 03:15:58,859
Prime and general School 99 Super Chat

4535
03:16:05,269 --> 03:16:00,899
says great show hope you get a UFO radio

4536
03:16:06,830 --> 03:16:05,279
show someday you do a really great show

4537
03:16:10,429 --> 03:16:06,840
well thank you for the vote of

4538
03:16:11,990 --> 03:16:10,439

confidence and uh I I I have to tell and

4539

03:16:14,630 --> 03:16:12,000

thank you for helping us raise the cash

4540

03:16:15,710 --> 03:16:14,640

longtime show supporter UFO glad to see

4541

03:16:20,210 --> 03:16:15,720

you out there

4542

03:16:25,010 --> 03:16:22,969

deadlines podcast is here uh welcome

4543

03:16:26,769 --> 03:16:25,020

back mine's podcast this is awesome

4544

03:16:30,050 --> 03:16:26,779

awesome

4545

03:16:34,910 --> 03:16:32,450

yeah is this one of those audio files

4546

03:16:37,550 --> 03:16:34,920

the audio doesn't sound good tonight uh

4547

03:16:39,769 --> 03:16:37,560

anyone else oh no this is this is Peter

4548

03:16:44,450 --> 03:16:39,779

right Peter make sure that I understand

4549

03:16:45,830 --> 03:16:44,460

is that Peter my friend I know from

4550

03:16:47,929 --> 03:16:45,840

where

4551

03:16:49,849 --> 03:16:47,939

right I believe this is Peter and my

4552

03:16:51,349 --> 03:16:49,859

friend from my cabin in the Coconut

4553

03:16:54,010 --> 03:16:51,359

mountains of Pennsylvania I'm sorry if

4554

03:16:57,410 --> 03:16:54,020

it is a little bit muffled we are

4555

03:17:01,809 --> 03:16:57,420

rebroadcasting the audio feed of Mr

4556

03:17:01,819 --> 03:17:07,250

and if so I apologize

4557

03:17:12,710 --> 03:17:10,790

yeah Mr Lewis is still at break so um I

4558

03:17:14,690 --> 03:17:12,720

will try to smear you as many ads as

4559

03:17:17,870 --> 03:17:14,700

possible we'll pop out while he does

4560

03:17:19,849 --> 03:17:17,880

Those ads and I will check in here with

4561

03:17:20,630 --> 03:17:19,859

the live chat

4562

03:17:24,730 --> 03:17:20,640

um

4563

03:17:27,590 --> 03:17:24,740

we are talking about the latest blower

4564

03:17:29,450 --> 03:17:27,600

uh who has come forward claiming that

4565

03:17:32,090 --> 03:17:29,460

the United States government is in

4566

03:17:35,269 --> 03:17:32,100

possession of non-human craft and

4567

03:17:39,530 --> 03:17:35,279

perhaps non-human bodies of all things

4568

03:17:41,830 --> 03:17:39,540

uh so far no proof any let's just say

4569

03:17:44,870 --> 03:17:41,840

more skeptically minded people have

4570

03:17:48,530 --> 03:17:44,880

raised many red flags in serious now

4571

03:17:54,230 --> 03:17:51,469

yeah so

4572

03:17:56,630 --> 03:17:54,240

red Minds podcast is here and says crap

4573

03:17:58,550 --> 03:17:56,640

show the CIA misinformation BS it's just

4574

03:18:00,950 --> 03:17:58,560

entertainment for me these days

4575

03:18:03,650 --> 03:18:00,960

well

4576

03:18:07,370 --> 03:18:05,929

I completely and totally understand for

4577

03:18:08,809 --> 03:18:07,380

many people it is just a form of

4578

03:18:10,790 --> 03:18:08,819

entertainment and some of us are a

4579

03:18:12,349 --> 03:18:10,800

little too serious about it I use my

4580

03:18:14,030 --> 03:18:12,359

show to get to the truth of my own

4581

03:18:15,530 --> 03:18:14,040

personal experience at least that has

4582

03:18:17,870 --> 03:18:15,540

been the attempt

4583

03:18:21,130 --> 03:18:17,880

uh well here's my 15-minute timer let's

4584

03:18:21,140 --> 03:18:26,410

interdimensionality these operations

4585

03:18:26,420 --> 03:18:31,429

is damage control

4586

03:18:38,269 --> 03:18:34,130

could be

4587

03:18:43,550 --> 03:18:40,910

PM you're buffering on my end I'm going

4588

03:18:53,990 --> 03:18:43,560

to check my connection

4589

03:18:58,969 --> 03:18:56,269

check my connection okay you're there

4590

03:19:01,490 --> 03:18:58,979

are you there yeah okay yes I am here

4591

03:19:03,469 --> 03:19:01,500

all right so guys all right so here's

4592

03:19:04,670 --> 03:19:03,479

some reality and I want to get your

4593

03:19:06,950 --> 03:19:04,680

thoughts on this because I was talking

4594

03:19:08,450 --> 03:19:06,960

about how anyone can stage anything

4595

03:19:13,790 --> 03:19:08,460

anyone can do anything like you say

4596

03:19:18,110 --> 03:19:16,610

every reporter that does a UFO story

4597

03:19:19,610 --> 03:19:18,120

okay

4598

03:19:21,769 --> 03:19:19,620

they have a good story until the

4599

03:19:25,130 --> 03:19:21,779

inconsistencies show up

4600

03:19:26,990 --> 03:19:25,140

but exactly these inconsistencies seem

4601
03:19:28,790 --> 03:19:27,000
to be a new breed now we have hearsay we

4602
03:19:30,469 --> 03:19:28,800
have a known whistleblowers we have

4603
03:19:31,790 --> 03:19:30,479
their credibility being sustained and

4604
03:19:34,309 --> 03:19:31,800
their stories urging the Senate to

4605
03:19:35,630 --> 03:19:34,319
double down on their investigation so

4606
03:19:38,630 --> 03:19:35,640
you got to remember

4607
03:19:41,030 --> 03:19:38,640
yeah Dave grosh

4608
03:19:42,830 --> 03:19:41,040
was a whistleblower wasn't just given

4609
03:19:44,090 --> 03:19:42,840
air time on the mainstream news he was

4610
03:19:46,550 --> 03:19:44,100
given at least a small amount of

4611
03:19:47,990 --> 03:19:46,560
credence by them they allowed him to

4612
03:19:50,210 --> 03:19:48,000
talk without mockery or even much

4613
03:19:52,130 --> 03:19:50,220

questioning fact checkers online or even

4614

03:19:54,410 --> 03:19:52,140

Snopes avoided the story they didn't

4615

03:19:56,150 --> 03:19:54,420

shut it down the Biden Administration

4616

03:19:58,790 --> 03:19:56,160

was actually feeding the UFO story for

4617

03:20:01,250 --> 03:19:58,800

months before he came forward

4618

03:20:02,809 --> 03:20:01,260

uh in June we have the intelligence

4619

03:20:04,429 --> 03:20:02,819

Community they released a report

4620

03:20:06,830 --> 03:20:04,439

claiming it knew about unknown flying

4621

03:20:08,210 --> 03:20:06,840

objects in U.S airspace Pentagon

4622

03:20:11,030 --> 03:20:08,220

releases files claiming they know about

4623

03:20:13,870 --> 03:20:11,040

247 some odd UFOs blah blah blah blah

4624

03:20:17,269 --> 03:20:13,880

blah so here's the thing

4625

03:20:19,670 --> 03:20:17,279

why has the Press picked up this UFO

4626
03:20:21,410 --> 03:20:19,680
ball why are they really running with it

4627
03:20:23,510 --> 03:20:21,420
with no smirk no Giggle and serious

4628
03:20:25,670 --> 03:20:23,520
reporting on the matter that even

4629
03:20:28,429 --> 03:20:25,680
Popular Mechanics Stephen

4630
03:20:30,349 --> 03:20:28,439
they use the radical UFO Believers but

4631
03:20:32,929 --> 03:20:30,359
they had the article that was in the

4632
03:20:35,570 --> 03:20:32,939
magazine six solid reasons to actually

4633
03:20:38,210 --> 03:20:35,580
believe in aliens

4634
03:20:40,010 --> 03:20:38,220
yeah and I think that what we need to

4635
03:20:42,469 --> 03:20:40,020
realize is that we live in an

4636
03:20:44,389 --> 03:20:42,479
environment right now there seems to

4637
03:20:46,370 --> 03:20:44,399
have been a shift in the media to what I

4638
03:20:48,650 --> 03:20:46,380

call copy and paste journalism which is

4639

03:20:51,170 --> 03:20:48,660

horrible when the original debrief

4640

03:20:53,570 --> 03:20:51,180

article

4641

03:20:56,389 --> 03:20:53,580

part of me outlining Mr grush's claims

4642

03:20:58,790 --> 03:20:56,399

came out hundreds and hundreds of online

4643

03:21:01,010 --> 03:20:58,800

media Outlets before the mainstream

4644

03:21:03,349 --> 03:21:01,020

media really started to cover it a

4645

03:21:07,070 --> 03:21:03,359

little bit hundreds and hundreds perhaps

4646

03:21:09,830 --> 03:21:07,080

thousands of online media Outlets or

4647

03:21:12,110 --> 03:21:09,840

click bait garbage Peddlers all copied

4648

03:21:13,790 --> 03:21:12,120

and pasted virtually the you know

4649

03:21:15,469 --> 03:21:13,800

they've changed the words a little bit

4650

03:21:16,790 --> 03:21:15,479

so they could get past the copy oh it's

4651
03:21:18,469 --> 03:21:16,800
not copyright it's it's a different

4652
03:21:20,929 --> 03:21:18,479
thing they just quote everything and

4653
03:21:22,550 --> 03:21:20,939
according to they they love the

4654
03:21:24,469 --> 03:21:22,560
according to because that gives them

4655
03:21:27,290 --> 03:21:24,479
deniability if the story comes crashing

4656
03:21:29,150 --> 03:21:27,300
down we didn't say that the debrief said

4657
03:21:30,830 --> 03:21:29,160
that they put according to but they all

4658
03:21:32,929 --> 03:21:30,840
copied and paste all over the Internet

4659
03:21:35,150 --> 03:21:32,939
there was thousands of copy and paste

4660
03:21:37,670 --> 03:21:35,160
jobs on this story then the mainstream

4661
03:21:41,809 --> 03:21:37,680
media sees that and realizes that this

4662
03:21:43,849 --> 03:21:41,819
is a good click bait uh you know juicy

4663
03:21:46,309 --> 03:21:43,859

salacious story that they could get some

4664

03:21:48,590 --> 03:21:46,319

hits with and they start chiming in

4665

03:21:51,650 --> 03:21:48,600

largely copying and pasting the story

4666

03:21:54,050 --> 03:21:51,660

and and it's interesting that they you

4667

03:21:56,030 --> 03:21:54,060

know they they do all of this coverage

4668

03:21:57,769 --> 03:21:56,040

and they just copy and paste what they

4669

03:22:00,469 --> 03:21:57,779

were told from the debrief or from news

4670

03:22:02,990 --> 03:22:00,479

Nation right they don't actually you

4671

03:22:05,090 --> 03:22:03,000

know investigate anything they're not

4672

03:22:06,950 --> 03:22:05,100

aware of the history of so many other

4673

03:22:08,929 --> 03:22:06,960

UFO whistleblowers they don't mention

4674

03:22:11,570 --> 03:22:08,939

that you know they may give a skeptic a

4675

03:22:15,110 --> 03:22:11,580

few minutes to chime in but it doesn't

4676

03:22:17,090 --> 03:22:15,120

compare and then also we have we have to

4677

03:22:19,849 --> 03:22:17,100

realize that there's attention-based

4678

03:22:22,010 --> 03:22:19,859

economy the journalistic integrity and

4679

03:22:24,590 --> 03:22:22,020

real investigative journalism in the

4680

03:22:26,030 --> 03:22:24,600

mainstream media is largely dead you

4681

03:22:27,950 --> 03:22:26,040

grew up with things like 60 minutes

4682

03:22:30,170 --> 03:22:27,960

where these guys did incredible

4683

03:22:32,150 --> 03:22:30,180

investigatory work they fact checked

4684

03:22:33,950 --> 03:22:32,160

them they vetted people they didn't do

4685

03:22:38,150 --> 03:22:33,960

any of it they vetted the guy's

4686

03:22:40,010 --> 03:22:38,160

background but to run a big story huge

4687

03:22:42,650 --> 03:22:40,020

like this with all of this hype with

4688

03:22:45,170 --> 03:22:42,660

absolutely no verifiable evidence of his

4689

03:22:47,690 --> 03:22:45,180

claims just it's I call it trust me dude

4690

03:22:49,130 --> 03:22:47,700

you know trust me dude I talk to these

4691

03:22:52,070 --> 03:22:49,140

guys and they told me that there's

4692

03:22:54,889 --> 03:22:52,080

aliens and crash retrievals an intact

4693

03:22:57,769 --> 03:22:54,899

craft great can we talk to them well no

4694

03:22:59,570 --> 03:22:57,779

you can't but I did you know and it

4695

03:23:01,490 --> 03:22:59,580

seems to be a convenient excuse also

4696

03:23:02,530 --> 03:23:01,500

that people are offering saying that

4697

03:23:05,450 --> 03:23:02,540

this man

4698

03:23:07,490 --> 03:23:05,460

gave proof to members of Congress or

4699

03:23:09,710 --> 03:23:07,500

members of the government there's also a

4700

03:23:11,809 --> 03:23:09,720

conflation the intelligence Community

4701
03:23:14,150 --> 03:23:11,819
Inspector General he filed a complaint

4702
03:23:16,969 --> 03:23:14,160
with people were saying he failed his

4703
03:23:18,830 --> 03:23:16,979
claims you know urgent and credible well

4704
03:23:21,290 --> 03:23:18,840
which claims the claims that he was

4705
03:23:23,090 --> 03:23:21,300
retaliated for looking into UFOs or the

4706
03:23:26,090 --> 03:23:23,100
or the claims that he's making of alien

4707
03:23:28,130 --> 03:23:26,100
bodies they conflate the two it's it's a

4708
03:23:31,450 --> 03:23:28,140
lot of language play to make this story

4709
03:23:34,910 --> 03:23:31,460
work and also Mr Lewis my favorite thing

4710
03:23:36,830 --> 03:23:34,920
to sell a great UFO story and make lots

4711
03:23:39,110 --> 03:23:36,840
of money you have to use the LIE bio

4712
03:23:41,389 --> 03:23:39,120
Mission they all do that and some of the

4713
03:23:43,910 --> 03:23:41,399

lies by Omission in Mr grush's case may

4714

03:23:46,130 --> 03:23:43,920

be very concerning like the fact that he

4715

03:23:48,530 --> 03:23:46,140

met with the Canadian prime or Canadian

4716

03:23:51,889 --> 03:23:48,540

Member of Parliament May 15th before he

4717

03:23:53,809 --> 03:23:51,899

went public and in that conversation uh

4718

03:23:55,790 --> 03:23:53,819

he started talking about things in Ross

4719

03:23:58,130 --> 03:23:55,800

culpark the person majorly selling this

4720

03:23:59,870 --> 03:23:58,140

story cautioned him that we can't talk

4721

03:24:02,389 --> 03:23:59,880

about that we have to save that for the

4722

03:24:04,969 --> 03:24:02,399

documentary so May 15th this man has

4723

03:24:07,550 --> 03:24:04,979

already got a documentary deal before he

4724

03:24:09,650 --> 03:24:07,560

even goes public is this man Money

4725

03:24:11,090 --> 03:24:09,660

Motivated that's a lie by Omission why

4726
03:24:12,950 --> 03:24:11,100
didn't you tell us he had a documentary

4727
03:24:14,570 --> 03:24:12,960
deal before he went public why didn't

4728
03:24:19,010 --> 03:24:14,580
you tell us he was closely associated

4729
03:24:20,510 --> 03:24:19,020
with Lou Elizondo of the tsa fame where

4730
03:24:22,550 --> 03:24:20,520
they promised everybody a spaceship

4731
03:24:24,710 --> 03:24:22,560
collected a few million dollars claimed

4732
03:24:26,630 --> 03:24:24,720
that this man ran a pentagon UFO program

4733
03:24:28,130 --> 03:24:26,640
that never existed and none of the

4734
03:24:30,950 --> 03:24:28,140
investors ever got their money back

4735
03:24:34,130 --> 03:24:30,960
isn't that important to the story well

4736
03:24:36,830 --> 03:24:34,140
his vendor said he was groomed by Lou

4737
03:24:39,349 --> 03:24:36,840
Elizondo they leave all of the anything

4738
03:24:41,870 --> 03:24:39,359

that could indicate the story may be

4739

03:24:44,389 --> 03:24:41,880

false or not true they leave it out it's

4740

03:24:48,070 --> 03:24:44,399

the Lie by Omission it's hell a good UFO

4741

03:24:50,690 --> 03:24:48,080

con Works in my opinion many historical

4742

03:24:53,450 --> 03:24:50,700

examples I could give you of the Lie by

4743

03:24:55,090 --> 03:24:53,460

Omission to make the story sell to make

4744

03:24:57,469 --> 03:24:55,100

the story work and just as you said

4745

03:24:59,690 --> 03:24:57,479

eventually when the fact Checkers come

4746

03:25:01,910 --> 03:24:59,700

in it all starts falling apart everybody

4747

03:25:04,190 --> 03:25:01,920

runs they do what I call the cosmicon

4748

03:25:06,590 --> 03:25:04,200

shuffle they go away for a little while

4749

03:25:07,910 --> 03:25:06,600

and we also need to recognize that Ross

4750

03:25:09,710 --> 03:25:07,920

coldhart one of the major people

4751
03:25:12,170 --> 03:25:09,720
selling the story he's the Australian

4752
03:25:15,170 --> 03:25:12,180
guy doing the interview of him has been

4753
03:25:18,290 --> 03:25:15,180
caught selling 100 provably huge stories

4754
03:25:20,150 --> 03:25:18,300
before he was let go of or not his

4755
03:25:23,469 --> 03:25:20,160
contract not renewed by 60 Minutes

4756
03:25:26,090 --> 03:25:23,479
Australia because his he sold the story

4757
03:25:27,849 --> 03:25:26,100
making very serious claims about child

4758
03:25:30,769 --> 03:25:27,859
related uh

4759
03:25:32,450 --> 03:25:30,779
offenses made against children by

4760
03:25:34,490 --> 03:25:32,460
members of the British Parliament that

4761
03:25:37,130 --> 03:25:34,500
story completely fell apart under

4762
03:25:39,050 --> 03:25:37,140
scrutiny Media Watch called Ross Colt

4763
03:25:42,110 --> 03:25:39,060

art story about that incredibly

4764

03:25:44,330 --> 03:25:42,120

deceptive and manipulative he was let go

4765

03:25:46,370 --> 03:25:44,340

or not contract not renewed from 60

4766

03:25:48,110 --> 03:25:46,380

Minutes Australia he comes into the UFO

4767

03:25:50,269 --> 03:25:48,120

community and he instantly starts

4768

03:25:52,910 --> 03:25:50,279

selling their huge UFO story claiming

4769

03:25:55,010 --> 03:25:52,920

conclusive proof of alien technology all

4770

03:25:57,530 --> 03:25:55,020

confirmed by this man and in the promos

4771

03:25:59,690 --> 03:25:57,540

they cut to us this famous scientist all

4772

03:26:02,030 --> 03:25:59,700

confirmed alien technology all confirmed

4773

03:26:03,130 --> 03:26:02,040

by this famous scientist they cut to a

4774

03:26:05,990 --> 03:26:03,140

shot of Mitchell

4775

03:26:07,790 --> 03:26:06,000

Michio Kaku never confirmed anything he

4776

03:26:09,229 --> 03:26:07,800

did the same thing he always does in UFO

4777

03:26:10,729 --> 03:26:09,239

stories he talks about theoretical

4778

03:26:13,490 --> 03:26:10,739

physics how they might get here

4779

03:26:15,349 --> 03:26:13,500

wormholes faster than like travel they

4780

03:26:17,330 --> 03:26:15,359

not only did they not have conclusive

4781

03:26:19,010 --> 03:26:17,340

proof of alien technology and that huge

4782

03:26:21,769 --> 03:26:19,020

clickbait story he sold right before

4783

03:26:24,050 --> 03:26:21,779

this one they had no proof of any alien

4784

03:26:25,849 --> 03:26:24,060

technology these are important things

4785

03:26:28,130 --> 03:26:25,859

that people need to realize about the

4786

03:26:30,769 --> 03:26:28,140

people peddling this story they have

4787

03:26:32,389 --> 03:26:30,779

been caught Leslie Kane and Ralph

4788

03:26:34,610 --> 03:26:32,399

Blumenthal caught with a completely

4789

03:26:37,429 --> 03:26:34,620

factually inaccurate story about Lou

4790

03:26:39,710 --> 03:26:37,439

Elizondo and this secret 22 million

4791

03:26:41,809 --> 03:26:39,720

dollar Pentagon UFO program that didn't

4792

03:26:43,849 --> 03:26:41,819

exist that conflated many different

4793

03:26:46,130 --> 03:26:43,859

things they got to facts wrong they

4794

03:26:47,690 --> 03:26:46,140

didn't fact check they left out all the

4795

03:26:50,210 --> 03:26:47,700

stuff about Skinwalker Ranch and

4796

03:26:53,990 --> 03:26:50,220

monsters and werewolves and poltergeists

4797

03:26:56,030 --> 03:26:54,000

and nonsense this is how this this works

4798

03:26:58,190 --> 03:26:56,040

you just you push forward the

4799

03:27:00,769 --> 03:26:58,200

information you manipulate it they

4800

03:27:03,110 --> 03:27:00,779

massage the data they do the LIE bio

4801
03:27:06,290 --> 03:27:03,120
Mission Mr Lewis and this story I

4802
03:27:07,550 --> 03:27:06,300
believe will fall apart uh in due time I

4803
03:27:11,710 --> 03:27:07,560
just hope it doesn't take five years

4804
03:27:17,690 --> 03:27:15,229
and we're back to break again

4805
03:27:20,450 --> 03:27:17,700
yeah I was trying to speak quickly

4806
03:27:22,250 --> 03:27:20,460
because I wanted to get certain points

4807
03:27:23,389 --> 03:27:22,260
in that I think are the most importantly

4808
03:27:25,670 --> 03:27:23,399
if you're just joining us you're

4809
03:27:30,229 --> 03:27:25,680
watching true speakers and we are doing

4810
03:27:32,630 --> 03:27:30,239
a very special uh simulcast and true

4811
03:27:34,490 --> 03:27:32,640
stickers is invading terrestrial radio

4812
03:27:36,830 --> 03:27:34,500
tonight thanks to the kindness

4813
03:27:38,690 --> 03:27:36,840

generosity and support of Mr Craig Lewis

4814

03:27:42,050 --> 03:27:38,700

Ground Zero

4815

03:27:44,090 --> 03:27:42,060

we are live on both our own true Seekers

4816

03:27:46,250 --> 03:27:44,100

distribution Network at various points

4817

03:27:48,889 --> 03:27:46,260

all over the Internet and we are live on

4818

03:27:50,750 --> 03:27:48,899

a whole bunch I'm told of terrestrial

4819

03:27:53,630 --> 03:27:50,760

radio stations all across the

4820

03:27:55,130 --> 03:27:53,640

continental United States and this is a

4821

03:27:57,950 --> 03:27:55,140

Big Thrill for me because I grew up

4822

03:28:01,429 --> 03:27:57,960

listening to talk radio and now I'm on

4823

03:28:05,030 --> 03:28:01,439

top radio all over the country uh a big

4824

03:28:08,150 --> 03:28:05,040

show uh and that is really awesome so

4825

03:28:11,990 --> 03:28:08,160

glad that I can take you all with me

4826
03:28:14,870 --> 03:28:12,000
um I am going to monitor this let me

4827
03:28:20,469 --> 03:28:14,880
monitor the uh

4828
03:28:25,250 --> 03:28:23,090
I'm just making sure that the fee is

4829
03:28:28,309 --> 03:28:25,260
still good we'll be sharing Mr Lewis

4830
03:28:31,670 --> 03:28:28,319
feed uh shortly

4831
03:28:34,250 --> 03:28:31,680
after the break uh luckily I don't have

4832
03:28:37,510 --> 03:28:34,260
the brake playing I think they just

4833
03:28:43,070 --> 03:28:40,969
telephone and green Zero radio all over

4834
03:28:45,050 --> 03:28:43,080
the country uh this is a great

4835
03:28:46,910 --> 03:28:45,060
conversation you know I feel like we can

4836
03:28:49,550 --> 03:28:46,920
bring this message to other people who

4837
03:28:52,729 --> 03:28:49,560
may not be uh

4838
03:28:57,650 --> 03:28:52,739

well aware of how these stories are

4839

03:29:00,469 --> 03:28:57,660

formulated and unfold and it's so great

4840

03:29:02,269 --> 03:29:00,479

that we can bring our message of seeking

4841

03:29:04,969 --> 03:29:02,279

the truth but the real truth behind

4842

03:29:08,530 --> 03:29:04,979

these things to so many more people uh

4843

03:29:11,750 --> 03:29:08,540

thanks to the simulcast this is awesome

4844

03:29:14,330 --> 03:29:11,760

to read this here you're very Lucy yeah

4845

03:29:17,290 --> 03:29:14,340

I'm all caffeined up I'm ready to go

4846

03:29:19,670 --> 03:29:17,300

let's talk about this right

4847

03:29:26,450 --> 03:29:19,680

[Music]

4848

03:29:26,460 --> 03:29:36,530

yes and uh numbers

4849

03:29:41,389 --> 03:29:39,050

I think yeah I think all personally

4850

03:29:44,030 --> 03:29:41,399

we've got 29 more minutes of tonight's

4851
03:30:14,389 --> 03:29:44,040
very special broadcast this before our

4852
03:30:18,429 --> 03:30:16,370
one thing that's important to realize is

4853
03:30:31,550 --> 03:30:18,439
that the United States government has

4854
03:30:38,349 --> 03:30:34,910
actively encouraged people thinking that

4855
03:30:41,690 --> 03:30:38,359
this only UFOs replies

4856
03:30:44,389 --> 03:30:41,700
what they were really see which is

4857
03:30:47,090 --> 03:30:44,399
top secret United States military

4858
03:30:48,889 --> 03:30:47,100
technology being tested

4859
03:30:51,170 --> 03:30:48,899
Toronto is here a long time show

4860
03:30:53,030 --> 03:30:51,180
supporter Montreal you've been with me

4861
03:30:55,070 --> 03:30:53,040
for a long time isn't it great to see

4862
03:30:56,750 --> 03:30:55,080
that our show has been made in

4863
03:30:59,630 --> 03:30:56,760

terrestrial radio all over the United

4864

03:31:03,830 --> 03:30:59,640

States tonight uh I gotta tell you this

4865

03:31:06,769 --> 03:31:03,840

is uh this is thrill for me and uh

4866

03:31:10,240 --> 03:31:06,779

Ryan she's truth about him dropping

4867

03:31:12,830 --> 03:31:10,250

rocks are rolling yes

4868

03:31:17,150 --> 03:31:12,840

[Music]

4869

03:31:21,530 --> 03:31:19,370

yeah external knowledge is here so Steve

4870

03:31:23,269 --> 03:31:21,540

all love me and appreciate it yeah and I

4871

03:31:24,590 --> 03:31:23,279

appreciate all of you thanks so much for

4872

03:31:26,330 --> 03:31:24,600

being here

4873

03:31:28,309 --> 03:31:26,340

um I realize it's a very long broadcast

4874

03:31:31,969 --> 03:31:28,319

this is the best way that we could get

4875

03:31:34,910 --> 03:31:31,979

to get it uh going

4876

03:31:37,429 --> 03:31:34,920

sorry you're that reload I refreshed

4877

03:31:41,290 --> 03:31:37,439

that might help and I'm getting a

4878

03:31:46,070 --> 03:31:44,030

Ryan Gable said your last segment is a

4879

03:31:48,650 --> 03:31:46,080

sound clip I'm going to play crushed it

4880

03:31:50,750 --> 03:31:48,660

oh that's great I'm so happy that uh and

4881

03:31:53,330 --> 03:31:50,760

by the way Ryan Gable has recognition

4882

03:31:55,610 --> 03:31:53,340

from

4883

03:31:58,370 --> 03:31:55,620

ever

4884

03:32:00,710 --> 03:31:58,380

and I hear that I think we're coming

4885

03:32:03,889 --> 03:32:00,720

back from break now so I will be sharing

4886

03:32:06,950 --> 03:32:03,899

the feed again and muting myself so that

4887

03:32:09,710 --> 03:32:06,960

you don't get a lot of feedback or this

4888

03:32:18,370 --> 03:32:09,720

is working good so far so let me uh

4889

03:32:27,680 --> 03:32:21,250

food is good

4890

03:32:27,690 --> 03:32:31,870

[Music]

4891

03:32:38,090 --> 03:32:35,150

by the way I'm not Clyde Lewis I think

4892

03:32:40,910 --> 03:32:38,100

you guys know that we're on Clyde Lewis

4893

03:32:43,610 --> 03:32:40,920

Ground Zero uh on terrestrial radio

4894

03:32:45,889 --> 03:32:43,620

stations all over the country and uh

4895

03:32:49,130 --> 03:32:45,899

through his own internet distribution

4896

03:32:50,690 --> 03:32:49,140

Network as well thanks so much to all of

4897

03:32:52,790 --> 03:32:50,700

you for being here and the moderators

4898

03:32:55,670 --> 03:32:52,800

should continue to share Mr Lewis

4899

03:32:59,990 --> 03:32:55,680

website or uh places you could find

4900

03:33:01,550 --> 03:33:00,000

history and before we come back home

4901

03:33:03,130 --> 03:33:01,560

great show tonight one time this is

4902

03:33:05,210 --> 03:33:03,140

their first time chatter thanks so much

4903

03:33:06,710 --> 03:33:05,220

appreciate the work you put into the

4904

03:33:08,450 --> 03:33:06,720

spelling wise glad you're in the Phil

4905

03:33:10,090 --> 03:33:08,460

are getting the reach you deserve thank

4906

03:33:12,769 --> 03:33:10,100

you very much

4907

03:33:15,410 --> 03:33:12,779

generosity support thanks for helping us

4908

03:33:20,889 --> 03:33:15,420

get crazy crowded that our government

4909

03:33:25,190 --> 03:33:22,550

explaining them for derivative

4910

03:33:27,349 --> 03:33:25,200

technology for decades and we're seeing

4911

03:33:28,690 --> 03:33:27,359

multiple Nations get on board and start

4912

03:33:30,530 --> 03:33:28,700

coming forward including Canada

4913

03:33:33,710 --> 03:33:30,540

undoubted and decades

4914

03:33:38,929 --> 03:33:35,630

the consensus reality needs to catch up

4915

03:33:40,090 --> 03:33:38,939

let's get back to Clyde Lewis feet oh

4916

03:33:44,090 --> 03:33:40,100

thanks so much for being here everyone

4917

03:33:45,830 --> 03:33:44,100

as we know there are known gnomes there

4918

03:33:48,229 --> 03:33:45,840

are things we know we know

4919

03:33:50,210 --> 03:33:48,239

we also know there are no unknowns that

4920

03:33:51,950 --> 03:33:50,220

is to say we know there's some things we

4921

03:33:54,830 --> 03:33:51,960

do not know

4922

03:33:57,769 --> 03:33:54,840

it's not a claim it's a fact but they're

4923

03:34:04,370 --> 03:33:57,779

also unknown unknowns the ones we don't

4924

03:34:09,290 --> 03:34:06,370

[Music]

4925

03:34:11,210 --> 03:34:09,300

in the meantime all residents are being

4926
03:34:14,090 --> 03:34:11,220
ordered to shelter in place immediately

4927
03:34:15,889 --> 03:34:14,100
close and lock all doors and windows

4928
03:34:18,530 --> 03:34:15,899
turn off all heating and air

4929
03:34:20,630 --> 03:34:18,540
conditioning systems and seal any cracks

4930
03:34:23,990 --> 03:34:20,640
or crevices in your home of paint or

4931
03:34:27,250 --> 03:34:24,000
dance towels safe intermediate schools

4932
03:34:32,929 --> 03:34:29,769
I'm Craig Lewis

4933
03:34:36,469 --> 03:34:32,939
you are listening to Ground Zero tonight

4934
03:34:38,150 --> 03:34:36,479
Steven Champions was true Seekers

4935
03:34:39,650 --> 03:34:38,160
fan of the program

4936
03:34:40,610 --> 03:34:39,660
so Stephen

4937
03:34:44,330 --> 03:34:40,620
um

4938
03:34:46,070 --> 03:34:44,340

so now we have the media saying that

4939

03:34:47,990 --> 03:34:46,080

well the U.S is admitting to something

4940

03:34:49,550 --> 03:34:48,000

they previously denied seeking out

4941

03:34:51,550 --> 03:34:49,560

against the wishes of the government the

4942

03:34:54,710 --> 03:34:51,560

government says oh no problem

4943

03:34:56,929 --> 03:34:54,720

uh but yet we're in the middle of this

4944

03:34:59,450 --> 03:34:56,939

whole globalist move

4945

03:35:01,309 --> 03:34:59,460

uh yeah and and it's it's kind of

4946

03:35:03,229 --> 03:35:01,319

strange because governments don't admit

4947

03:35:05,570 --> 03:35:03,239

to anything I mean hell they even do

4948

03:35:07,130 --> 03:35:05,580

false Flags in Russia about you know

4949

03:35:09,469 --> 03:35:07,140

mutinies and all kinds of other nonsense

4950

03:35:11,990 --> 03:35:09,479

so I mean governments don't admit to

4951
03:35:14,630 --> 03:35:12,000
anything really they they they they even

4952
03:35:18,050 --> 03:35:14,640
deny physical realities like you know

4953
03:35:20,870 --> 03:35:18,060
what watching a uh a building fall or

4954
03:35:23,269 --> 03:35:20,880
two buildings fall terminal velocity

4955
03:35:24,889 --> 03:35:23,279
you know they don't they don't they

4956
03:35:26,690 --> 03:35:24,899
don't admit anything like 911 they don't

4957
03:35:30,710 --> 03:35:26,700
admit that they don't admit they were

4958
03:35:32,150 --> 03:35:30,720
wrong about covet okay so we have grush

4959
03:35:33,950 --> 03:35:32,160
coming in

4960
03:35:35,929 --> 03:35:33,960
he's been allowed to testify in front of

4961
03:35:37,910 --> 03:35:35,939
the House of Representatives

4962
03:35:40,130 --> 03:35:37,920
that wasn't afforded to anybody that was

4963
03:35:42,170 --> 03:35:40,140

a coveted skeptic any doctor that came

4964

03:35:44,870 --> 03:35:42,180

forward and said oh by the way your your

4965

03:35:46,790 --> 03:35:44,880

coven stuff is nonsense they didn't let

4966

03:35:49,190 --> 03:35:46,800

them do that they didn't do it with 911

4967

03:35:51,650 --> 03:35:49,200

anybody like The Architects uh for 9 11

4968

03:35:52,929 --> 03:35:51,660

truth they weren't able to testify in

4969

03:35:55,309 --> 03:35:52,939

front of the House of Representatives

4970

03:35:57,530 --> 03:35:55,319

well you'd think they would that's right

4971

03:36:00,170 --> 03:35:57,540

oh that's very important and you've got

4972

03:36:01,729 --> 03:36:00,180

a whole list of Engineers and Architects

4973

03:36:04,309 --> 03:36:01,739

that are disputing the official

4974

03:36:06,349 --> 03:36:04,319

narrative God forbid we let them testify

4975

03:36:09,349 --> 03:36:06,359

before Congress and yeah and then we

4976

03:36:11,389 --> 03:36:09,359

have Charles McAuliffe who's the uh uh

4977

03:36:13,969 --> 03:36:11,399

groceries lawyer or former lawyer I

4978

03:36:15,110 --> 03:36:13,979

think uh he was uh the Senate appointed

4979

03:36:17,570 --> 03:36:15,120

Inspector General of the United States

4980

03:36:19,309 --> 03:36:17,580

intelligence uh services

4981

03:36:20,929 --> 03:36:19,319

and then here we have the biggest

4982

03:36:22,790 --> 03:36:20,939

platform in the country being given to

4983

03:36:24,590 --> 03:36:22,800

this whistleblower

4984

03:36:26,090 --> 03:36:24,600

and he's been represented by former

4985

03:36:29,210 --> 03:36:26,100

intelligence officials like you said

4986

03:36:30,110 --> 03:36:29,220

we've got all these people uh so how is

4987

03:36:31,790 --> 03:36:30,120

it

4988

03:36:34,370 --> 03:36:31,800

that you treat a whistleblower who's

4989

03:36:36,349 --> 03:36:34,380

embarrassing you and endangering these

4990

03:36:39,110 --> 03:36:36,359

secret clandestine plans about UFO

4991

03:36:42,290 --> 03:36:39,120

cover-up truth is you don't he's an

4992

03:36:44,630 --> 03:36:42,300

asset correct yeah there's I I really

4993

03:36:47,210 --> 03:36:44,640

think that either he is an asset or he

4994

03:36:49,969 --> 03:36:47,220

is what uh another show host on friend

4995

03:36:53,330 --> 03:36:49,979

of dark journalist calls on Bobo a CIA

4996

03:36:55,190 --> 03:36:53,340

Bobo they get a useful person with a

4997

03:36:57,710 --> 03:36:55,200

good background that they they can

4998

03:37:00,650 --> 03:36:57,720

instantly discredit if they need to they

4999

03:37:03,650 --> 03:37:00,660

load them up and they send them out and

5000

03:37:05,150 --> 03:37:03,660

and this may be what has happened here a

5001
03:37:07,670 --> 03:37:05,160
lot of people aren't aware but I have a

5002
03:37:09,349 --> 03:37:07,680
non-verbal autistic son I know a great

5003
03:37:11,750 --> 03:37:09,359
deal about autism I've spent years

5004
03:37:14,150 --> 03:37:11,760
researching autism this person David

5005
03:37:16,670 --> 03:37:14,160
grush happens to be autistic there are

5006
03:37:18,950 --> 03:37:16,680
scientific there are multitude of

5007
03:37:21,349 --> 03:37:18,960
scientific studies and by the way if he

5008
03:37:23,090 --> 03:37:21,359
is autistic and I have no reason to

5009
03:37:25,010 --> 03:37:23,100
believe he's not the claim has been made

5010
03:37:27,290 --> 03:37:25,020
he is what is called very high

5011
03:37:29,269 --> 03:37:27,300
functioning autistic but still in high

5012
03:37:31,729 --> 03:37:29,279
functioning autistic people their

5013
03:37:34,969 --> 03:37:31,739

scientific studies that that prove that

5014

03:37:37,010 --> 03:37:34,979

they have trouble Discerning lies from

5015

03:37:38,750 --> 03:37:37,020

truth and they are more easily

5016

03:37:41,990 --> 03:37:38,760

manipulated than a person that is not

5017

03:37:45,110 --> 03:37:42,000

affected by uh by this being on the

5018

03:37:47,150 --> 03:37:45,120

Spectrum so it could very well be that

5019

03:37:49,130 --> 03:37:47,160

one possibility is that this man has

5020

03:37:53,510 --> 03:37:49,140

been manipulated by the same players

5021

03:37:55,309 --> 03:37:53,520

that brought us with tsa uh techno what

5022

03:37:57,530 --> 03:37:55,319

many people have called the Techno scam

5023

03:37:59,090 --> 03:37:57,540

where millions of dollars are raised it

5024

03:38:01,790 --> 03:37:59,100

could be manipulated by the same people

5025

03:38:04,510 --> 03:38:01,800

there are direct ties between him and

5026

03:38:07,250 --> 03:38:04,520

many of those same people including

5027

03:38:10,010 --> 03:38:07,260

Stanford Professor who's worked for the

5028

03:38:11,929 --> 03:38:10,020

CIA Gary Nolan including Lou Elizondo

5029

03:38:15,010 --> 03:38:11,939

who many people know is an intelligence

5030

03:38:17,389 --> 03:38:15,020

he's a counterintelligence guy including

5031

03:38:21,050 --> 03:38:17,399

others that he may have direct

5032

03:38:23,570 --> 03:38:21,060

connection to that previously sold us a

5033

03:38:25,729 --> 03:38:23,580

big disclosure lie so there's a lot of

5034

03:38:28,190 --> 03:38:25,739

red flags here I think it's best to be

5035

03:38:29,809 --> 03:38:28,200

cautious I for one like to joke though

5036

03:38:32,750 --> 03:38:29,819

and say if it turns out that this is all

5037

03:38:34,490 --> 03:38:32,760

true so I will cream in my pants because

5038

03:38:36,710 --> 03:38:34,500

that would be the greatest moment in

5039

03:38:38,750 --> 03:38:36,720

human history it would be you you you

5040

03:38:41,030 --> 03:38:38,760

people like you people like me people

5041

03:38:44,030 --> 03:38:41,040

like Ryan Gable we've spent years of Our

5042

03:38:47,630 --> 03:38:44,040

Lives studying every story to the minute

5043

03:38:49,610 --> 03:38:47,640

details the minutia as people call it we

5044

03:38:51,530 --> 03:38:49,620

really have spent a great deal of time

5045

03:38:54,050 --> 03:38:51,540

invested into this whether it's just

5046

03:38:56,750 --> 03:38:54,060

some form of entertainment for us or a

5047

03:38:58,429 --> 03:38:56,760

real desire or need to know maybe we

5048

03:39:00,050 --> 03:38:58,439

have personal experiences that were

5049

03:39:03,229 --> 03:39:00,060

trying to come to this community to

5050

03:39:04,670 --> 03:39:03,239

figure out if it if it all that's

5051

03:39:07,670 --> 03:39:04,680

another part of this that is very

5052

03:39:09,650 --> 03:39:07,680

troubling to me it's all too convenient

5053

03:39:11,450 --> 03:39:09,660

the same government that told us for 70

5054

03:39:14,090 --> 03:39:11,460

years there's nothing to this is now

5055

03:39:16,490 --> 03:39:14,100

going to tell us that it was all true

5056

03:39:17,929 --> 03:39:16,500

all this time I want to get something 70

5057

03:39:20,269 --> 03:39:17,939

years I want to get something in here

5058

03:39:22,070 --> 03:39:20,279

too okay I always hear people say things

5059

03:39:23,510 --> 03:39:22,080

like well this is a distraction and I

5060

03:39:25,550 --> 03:39:23,520

always ask them a distraction from what

5061

03:39:27,950 --> 03:39:25,560

because what I mean here's a weird card

5062

03:39:30,590 --> 03:39:27,960

that they're playing in the middle of

5063

03:39:33,110 --> 03:39:30,600

climate change crisis in the middle of

5064

03:39:34,370 --> 03:39:33,120

this military operation in Ukraine in

5065

03:39:36,710 --> 03:39:34,380

the middle of telling us another

5066

03:39:38,570 --> 03:39:36,720

pandemic's on the way and we still know

5067

03:39:40,130 --> 03:39:38,580

these things and yet people say well

5068

03:39:41,630 --> 03:39:40,140

it's a distraction it's blue beam I'm

5069

03:39:44,450 --> 03:39:41,640

beginning to believe that blue beam is

5070

03:39:46,490 --> 03:39:44,460

is the Flat Earth of UFO Community it's

5071

03:39:47,809 --> 03:39:46,500

just getting it's just it's just getting

5072

03:39:49,670 --> 03:39:47,819

to that point where it's like everybody

5073

03:39:51,590 --> 03:39:49,680

says oh it's flat Earth New World Order

5074

03:39:54,769 --> 03:39:51,600

well let me just tell you this I don't

5075

03:39:57,229 --> 03:39:54,779

hear one person at the world economic

5076
03:39:58,790 --> 03:39:57,239
Forum or at the U.N talking about David

5077
03:40:01,429 --> 03:39:58,800
grush

5078
03:40:04,610 --> 03:40:01,439
yeah do you think they would I mean what

5079
03:40:06,229 --> 03:40:04,620
what if you were a competing nation and

5080
03:40:07,969 --> 03:40:06,239
and you really thought that the United

5081
03:40:10,610 --> 03:40:07,979
States government was in possession of

5082
03:40:13,070 --> 03:40:10,620
advanced super Advanced extraterrestrial

5083
03:40:14,929 --> 03:40:13,080
spaceships and they've been hiding that

5084
03:40:17,090 --> 03:40:14,939
and hoarding that technology for

5085
03:40:19,670 --> 03:40:17,100
themselves and this gets into all the

5086
03:40:22,250 --> 03:40:19,680
arguments that the proponents of of this

5087
03:40:24,050 --> 03:40:22,260
Theory all being true make like well

5088
03:40:25,610 --> 03:40:24,060

they're hiding free energy technology

5089

03:40:28,429 --> 03:40:25,620

and that could change the world and

5090

03:40:29,870 --> 03:40:28,439

solve climate change and and uh you know

5091

03:40:32,210 --> 03:40:29,880

that these are Advanced weapons

5092

03:40:34,130 --> 03:40:32,220

platforms they don't want to this if if

5093

03:40:36,110 --> 03:40:34,140

they made all of this public the whole

5094

03:40:38,030 --> 03:40:36,120

world would be different tomorrow we

5095

03:40:41,690 --> 03:40:38,040

we'd all have free energy we could go

5096

03:40:43,309 --> 03:40:41,700

from here to Japan in in 10 minutes on a

5097

03:40:45,410 --> 03:40:43,319

flight on one of these saucers and all

5098

03:40:46,969 --> 03:40:45,420

of these things and and it's great but

5099

03:40:49,610 --> 03:40:46,979

it's one of those if it sounds too good

5100

03:40:51,950 --> 03:40:49,620

to be true it probably is nobody's ever

5101
03:40:54,769 --> 03:40:51,960
proven free energy is real nobody's ever

5102
03:40:56,809 --> 03:40:54,779
there's been all these cases too we

5103
03:40:58,729 --> 03:40:56,819
should get into quickly the the

5104
03:41:00,590 --> 03:40:58,739
materials there's been a lot of claims

5105
03:41:02,330 --> 03:41:00,600
people saying oh well this is alien

5106
03:41:04,610 --> 03:41:02,340
material it all turns out to be

5107
03:41:06,469 --> 03:41:04,620
falsehoods it all turns out to be fake

5108
03:41:09,290 --> 03:41:06,479
it's very easy to put a piece of metal

5109
03:41:11,450 --> 03:41:09,300
into a mass spectrometer that can

5110
03:41:13,969 --> 03:41:11,460
determine isotopic ratios and find out

5111
03:41:16,130 --> 03:41:13,979
if this metal originated in our solar

5112
03:41:17,809 --> 03:41:16,140
system or not so there should be clear

5113
03:41:19,910 --> 03:41:17,819

indications that people really have

5114

03:41:21,530 --> 03:41:19,920

pieces of spaceships we should be able

5115

03:41:25,370 --> 03:41:21,540

to clearly demonstrate that through

5116

03:41:27,349 --> 03:41:25,380

repeatable science and and and the same

5117

03:41:29,269 --> 03:41:27,359

piece should be analyzed by four

5118

03:41:31,370 --> 03:41:29,279

separate scientists that are all

5119

03:41:33,229 --> 03:41:31,380

material scientists why do we have a CIA

5120

03:41:36,110 --> 03:41:33,239

guy in the form of Gary Nolan doing

5121

03:41:37,610 --> 03:41:36,120

materials now I have no idea do you know

5122

03:41:41,450 --> 03:41:37,620

what he is

5123

03:41:43,610 --> 03:41:41,460

who also happened to love and fauci and

5124

03:41:45,110 --> 03:41:43,620

think he did such an amazing job for us

5125

03:41:48,050 --> 03:41:45,120

well congratulating him on his

5126
03:41:49,790 --> 03:41:48,060
retirement I know we got to get to the

5127
03:41:52,250 --> 03:41:49,800
break but uh we'll be back because we've

5128
03:41:54,650 --> 03:41:52,260
been camping with us we'll be back

5129
03:42:01,010 --> 03:41:54,660
okay friends we're back to break I'm

5130
03:42:06,590 --> 03:42:04,190
so uh Mr Lewis is in break again we've

5131
03:42:08,929 --> 03:42:06,600
already played our breaks so uh some of

5132
03:42:10,910 --> 03:42:08,939
the people that were very critical of us

5133
03:42:13,370 --> 03:42:10,920
playing one few minute bumper once

5134
03:42:16,250 --> 03:42:13,380
during a two or four or five hour uh

5135
03:42:18,889 --> 03:42:16,260
presentation uh needs to be reminded

5136
03:42:20,150 --> 03:42:18,899
that you know international radio and a

5137
03:42:22,750 --> 03:42:20,160
lot of audio podcasts there's

5138
03:42:26,389 --> 03:42:22,760

commercials every five or ten minutes

5139

03:42:28,550 --> 03:42:26,399

it's what in one model of doing it our

5140

03:42:30,349 --> 03:42:28,560

model of doing it is the PBS model being

5141

03:42:32,330 --> 03:42:30,359

a viewer supported show remaining is

5142

03:42:35,030 --> 03:42:32,340

ad-free as possible I realize there are

5143

03:42:36,410 --> 03:42:35,040

some YouTube ads but those aren't what

5144

03:42:38,929 --> 03:42:36,420

I'm not supposed to tell you what I

5145

03:42:40,790 --> 03:42:38,939

could do with those so I won't but we

5146

03:42:42,889 --> 03:42:40,800

try to keep things as ad free as

5147

03:42:46,269 --> 03:42:42,899

possible and I'm sure

5148

03:42:49,490 --> 03:42:46,279

um that uh the critics who you know

5149

03:42:50,990 --> 03:42:49,500

complained about a two or three or four

5150

03:42:52,550 --> 03:42:51,000

minutes I don't know how long it is a

5151
03:42:54,530 --> 03:42:52,560
few minute bumper that we play just

5152
03:42:55,790 --> 03:42:54,540
reminding people reviewers brutality

5153
03:42:57,650 --> 03:42:55,800
show

5154
03:43:01,670 --> 03:42:57,660
you know

5155
03:43:05,030 --> 03:43:01,680
not not a big deal uh compared to uh

5156
03:43:07,070 --> 03:43:05,040
other models uh which have more uh but

5157
03:43:12,229 --> 03:43:07,080
there's you know those people who

5158
03:43:14,690 --> 03:43:12,239
through the ad don't just you know have

5159
03:43:16,190 --> 03:43:14,700
people send them super chats or PayPal

5160
03:43:17,690 --> 03:43:16,200
projects by the way thanks for all the

5161
03:43:21,830 --> 03:43:17,700
support today for tonight's entry

5162
03:43:24,950 --> 03:43:21,840
broadcast it's amazing to me again and

5163
03:43:28,010 --> 03:43:24,960

we have such support from our audiences

5164

03:43:30,290 --> 03:43:28,020

the only 13 is here the ecps is just a

5165

03:43:32,389 --> 03:43:30,300

distraction to what to buy these crimes

5166

03:43:34,550 --> 03:43:32,399

to simulate the alien Union they need

5167

03:43:36,590 --> 03:43:34,560

for One World Government theories Theory

5168

03:43:39,469 --> 03:43:36,600

theories you're right uh we don't have

5169

03:43:42,290 --> 03:43:39,479

the truth yet so people are certainly

5170

03:43:43,250 --> 03:43:42,300

going to speculate

5171

03:43:45,290 --> 03:43:43,260

um

5172

03:43:47,450 --> 03:43:45,300

Randy Smith this is the latest that I've

5173

03:43:49,370 --> 03:43:47,460

ever been on a live stream and I've been

5174

03:43:51,710 --> 03:43:49,380

around one of them and it used to go

5175

03:43:54,590 --> 03:43:51,720

away while doing this we've done eight

5176
03:43:56,090 --> 03:43:54,600
hour students here uh but I haven't done

5177
03:43:57,290 --> 03:43:56,100
one of these because they won't stream

5178
03:43:59,990 --> 03:43:57,300
in a while

5179
03:44:10,570 --> 03:44:00,000
thanks vibrating sound

5180
03:44:10,580 --> 03:44:16,370
yes thank you very much

5181
03:44:21,469 --> 03:44:19,610
to increase the cash for Mr Ian tell me

5182
03:44:23,750 --> 03:44:21,479
to stay on target yeah I think we've got

5183
03:44:25,910 --> 03:44:23,760
one more segment to go and so I'm going

5184
03:44:30,429 --> 03:44:25,920
to try to Rapid Fire I've pretty much

5185
03:44:30,439 --> 03:44:35,469
is

5186
03:44:43,490 --> 03:44:39,729
an incredible broadcast

5187
03:44:46,429 --> 03:44:43,500
zero and us here at crew Seekers for

5188
03:44:48,769 --> 03:44:46,439

those uh maybe unaware or just joining

5189

03:44:50,990 --> 03:44:48,779

us two Seekers is invading the

5190

03:44:53,510 --> 03:44:51,000

terrestrial radio tonight we are on all

5191

03:44:56,210 --> 03:44:53,520

of these videos all over the continent

5192

03:44:58,370 --> 03:44:56,220

of the United States uh thanks for the

5193

03:45:00,830 --> 03:44:58,380

kindness and support of Mr Clyde Lewis

5194

03:45:03,590 --> 03:45:00,840

from the ground zero show which I

5195

03:45:07,250 --> 03:45:03,600

encourage you to checking out he does a

5196

03:45:09,110 --> 03:45:07,260

great job and equally like us he's not

5197

03:45:13,090 --> 03:45:09,120

willing to just accept

5198

03:45:18,050 --> 03:45:16,070

yeah you're probably correct that isn't

5199

03:45:21,769 --> 03:45:18,060

my wheelhouse but it is interesting that

5200

03:45:23,690 --> 03:45:21,779

Mr Noland is congratulating him uh and

5201

03:45:25,790 --> 03:45:23,700

Louis says you're doing a fabulous job

5202

03:45:28,370 --> 03:45:25,800

yeah the thing is with these radio

5203

03:45:30,830 --> 03:45:28,380

segments you know in between the breaks

5204

03:45:33,530 --> 03:45:30,840

you gotta like you gotta hit it you know

5205

03:45:36,229 --> 03:45:33,540

you got to be on and uh I'm feeling very

5206

03:45:38,630 --> 03:45:36,239

on tonight actually uh to the energy

5207

03:45:40,150 --> 03:45:38,640

from live chat uh which has been

5208

03:45:43,010 --> 03:45:40,160

overwhelmingly

5209

03:45:44,570 --> 03:45:43,020

greater reminding everybody like share

5210

03:45:48,229 --> 03:45:44,580

and subscribe it really does help

5211

03:45:48,239 --> 03:45:53,870

that really does help as well

5212

03:45:59,090 --> 03:45:55,969

uh yeah

5213

03:46:01,969 --> 03:45:59,100

I'm just listening into Mr Lewis feed

5214

03:46:05,510 --> 03:46:01,979

will be returning to that shortly and do

5215

03:46:08,030 --> 03:46:05,520

what I believe will be uh the final

5216

03:46:08,990 --> 03:46:08,040

segment of tonight's show or wrap up all

5217

03:46:11,210 --> 03:46:09,000

sorts

5218

03:46:15,110 --> 03:46:11,220

and hey Mr Ground Zero with pine Lewis

5219

03:46:16,969 --> 03:46:15,120

uh you better give me a plug

5220

03:46:21,590 --> 03:46:16,979

I forgot I gotta tell people how to find

5221

03:46:23,450 --> 03:46:21,600

this real quick that'll be my wrap up

5222

03:46:25,010 --> 03:46:23,460

I think it's awesome there's so many

5223

03:46:27,050 --> 03:46:25,020

people all over the country listening

5224

03:46:28,550 --> 03:46:27,060

you want to make sure they can find us

5225

03:46:31,190 --> 03:46:28,560

thank you Lord

5226

03:46:32,870 --> 03:46:31,200

yeah yes I'm here

5227

03:46:38,570 --> 03:46:32,880

yeah

5228

03:46:42,729 --> 03:46:40,190

we want to make sure they can find us

5229

03:46:45,170 --> 03:46:42,739

yeah are you there are you there okay

5230

03:46:47,389 --> 03:46:45,180

yes I'm here you have the delay that's

5231

03:46:49,309 --> 03:46:47,399

why okay there we go so all right I'm

5232

03:46:51,469 --> 03:46:49,319

gonna I'm gonna share your feed now okay

5233

03:46:53,330 --> 03:46:51,479

we're good good all right so here's the

5234

03:46:54,950 --> 03:46:53,340

thing I wanted to share this with you

5235

03:46:56,510 --> 03:46:54,960

because it's been pissing me off and

5236

03:46:58,450 --> 03:46:56,520

driving me nuts for a long time and I

5237

03:47:01,490 --> 03:46:58,460

want to get your opinion on it okay

5238

03:47:05,090 --> 03:47:01,500

do you do you remember

5239

03:47:07,190 --> 03:47:05,100

do you remember the uh disclosure

5240

03:47:08,690 --> 03:47:07,200

project national press club meeting of

5241

03:47:11,210 --> 03:47:08,700

2001.

5242

03:47:13,190 --> 03:47:11,220

yes I do and a lot of people credit a

5243

03:47:14,450 --> 03:47:13,200

lot of people give Mr Greer a lot of

5244

03:47:16,670 --> 03:47:14,460

credit for that but when you start

5245

03:47:19,370 --> 03:47:16,680

picking apart the so-called

5246

03:47:21,050 --> 03:47:19,380

people that were speakers or resolved it

5247

03:47:23,030 --> 03:47:21,060

kind of It kind of falls apart and

5248

03:47:26,090 --> 03:47:23,040

interestingly the latest one he just did

5249

03:47:28,610 --> 03:47:26,100

was a nothing Burger okay lots of huge

5250

03:47:30,910 --> 03:47:28,620

claims no evidence just pretty pictures

5251
03:47:33,830 --> 03:47:30,920
and stories so the biggest the biggest

5252
03:47:35,570 --> 03:47:33,840
misquoted thing at that get together was

5253
03:47:38,450 --> 03:47:35,580
Carol rosin

5254
03:47:40,849 --> 03:47:38,460
talking about Werner Von Braun everybody

5255
03:47:43,070 --> 03:47:40,859
says that she said that Von Braun said

5256
03:47:45,830 --> 03:47:43,080
there would be a fake alien threat or a

5257
03:47:48,410 --> 03:47:45,840
fake Alien Invasion she never said that

5258
03:47:50,030 --> 03:47:48,420
that is such a big Mandela effect I

5259
03:47:52,190 --> 03:47:50,040
don't know I don't know if you believe

5260
03:47:56,210 --> 03:47:52,200
in Mandela effects but she didn't say

5261
03:47:59,570 --> 03:47:56,220
that she was at a damn UFO conference

5262
03:48:02,090 --> 03:47:59,580
talking about the reality of aliens okay

5263
03:48:04,729 --> 03:48:02,100

what she was saying is is the last card

5264

03:48:06,769 --> 03:48:04,739

is the quote threat that they will call

5265

03:48:08,929 --> 03:48:06,779

talk about aliens aliens are a threat

5266

03:48:10,670 --> 03:48:08,939

but people take that out of context and

5267

03:48:12,889 --> 03:48:10,680

say remember there's going to be a fake

5268

03:48:16,130 --> 03:48:12,899

Alien Invasion there's gonna be a fake

5269

03:48:17,830 --> 03:48:16,140

Alien Invasion guys and I just shake my

5270

03:48:20,389 --> 03:48:17,840

head and go no

5271

03:48:22,370 --> 03:48:20,399

it's not gonna be a fake alien today if

5272

03:48:23,389 --> 03:48:22,380

we have an alien invasion at all I'm

5273

03:48:25,010 --> 03:48:23,399

sure people are going to be standing

5274

03:48:27,710 --> 03:48:25,020

there going it's fake it's fake it's

5275

03:48:29,510 --> 03:48:27,720

like in War of the Worlds where they're

5276

03:48:31,729 --> 03:48:29,520

standing there they get turned to dust

5277

03:48:32,929 --> 03:48:31,739

because the Alias is screw this we don't

5278

03:48:35,450 --> 03:48:32,939

even care about these people they're

5279

03:48:38,030 --> 03:48:35,460

like ants but I just I just think to

5280

03:48:39,710 --> 03:48:38,040

myself she was a UFO conference she

5281

03:48:42,110 --> 03:48:39,720

wouldn't say that aliens are fake if she

5282

03:48:43,610 --> 03:48:42,120

was in a UFO conference and people don't

5283

03:48:45,650 --> 03:48:43,620

get it they just they quote it they

5284

03:48:47,389 --> 03:48:45,660

misquote it all the time and so I just

5285

03:48:50,090 --> 03:48:47,399

wanted to share that with you because I

5286

03:48:52,070 --> 03:48:50,100

just thought you'd understand my pain

5287

03:48:54,590 --> 03:48:52,080

yeah and not only that but what we're

5288

03:48:56,809 --> 03:48:54,600

talking about is that as speaking of UFO

5289

03:49:00,050 --> 03:48:56,819

profiteering Mr Greer made he

5290

03:49:02,450 --> 03:49:00,060

crowdfunded almost 500 000 to make an

5291

03:49:05,330 --> 03:49:02,460

emergency film because he said that fake

5292

03:49:07,309 --> 03:49:05,340

Alien Invasion that Verna Von Braun

5293

03:49:09,290 --> 03:49:07,319

allegedly talked about remember this is

5294

03:49:11,150 --> 03:49:09,300

a third hand account or secondhand

5295

03:49:13,250 --> 03:49:11,160

account from somebody that claims they

5296

03:49:14,929 --> 03:49:13,260

worked for or with him we don't we

5297

03:49:17,210 --> 03:49:14,939

didn't get it right from his mouth that

5298

03:49:20,389 --> 03:49:17,220

this is what they were going to do uh

5299

03:49:22,610 --> 03:49:20,399

but you know Mr Greer made almost uh he

5300

03:49:24,590 --> 03:49:22,620

collected I think four or five hundred

5301
03:49:26,990 --> 03:49:24,600
thousand dollars to make a film and then

5302
03:49:29,450 --> 03:49:27,000
he filled the film with commercials for

5303
03:49:30,710 --> 03:49:29,460
more stuff you could buy from him you

5304
03:49:32,269 --> 03:49:30,720
know saying oh we're going to put this

5305
03:49:33,650 --> 03:49:32,279
out for free but it was filled with

5306
03:49:35,269 --> 03:49:33,660
commercials for his own person because

5307
03:49:37,010 --> 03:49:35,279
they don't like the idea of it being a

5308
03:49:38,450 --> 03:49:37,020
threat yeah when they called it a threat

5309
03:49:39,469 --> 03:49:38,460
Assessment program he freaked out about

5310
03:49:41,809 --> 03:49:39,479
that why

5311
03:49:43,370 --> 03:49:41,819
again that the energy systems they'll

5312
03:49:45,650 --> 03:49:43,380
give us it'll get rid of climate change

5313
03:49:47,870 --> 03:49:45,660

it's such a spiritual experience I don't

5314

03:49:49,849 --> 03:49:47,880

like it when UFOs and aliens are being

5315

03:49:51,950 --> 03:49:49,859

are replacing your spiritual experience

5316

03:49:53,150 --> 03:49:51,960

I mean if you can't find God if you

5317

03:49:54,530 --> 03:49:53,160

don't know the difference between aliens

5318

03:49:57,370 --> 03:49:54,540

and God you might as well just give up

5319

03:50:00,889 --> 03:49:57,380

just give up

5320

03:50:02,929 --> 03:50:00,899

know your mythologies okay please just

5321

03:50:05,510 --> 03:50:02,939

know your mythology I tend to believe I

5322

03:50:08,030 --> 03:50:05,520

tend to agree with you 100 and and and

5323

03:50:09,710 --> 03:50:08,040

it's unfortunate but that that story had

5324

03:50:11,269 --> 03:50:09,720

legs for a while and everybody was

5325

03:50:15,590 --> 03:50:11,279

talking about it and there's no evidence

5326

03:50:17,269 --> 03:50:15,600

no proof uh you know this is Carol rosin

5327

03:50:18,950 --> 03:50:17,279

is the only source of that and it

5328

03:50:21,050 --> 03:50:18,960

generated hundreds of thousands of

5329

03:50:23,150 --> 03:50:21,060

dollars for the people selling the story

5330

03:50:25,250 --> 03:50:23,160

and then and it's a perfect kind of a

5331

03:50:27,590 --> 03:50:25,260

thing because they could go see we we

5332

03:50:29,389 --> 03:50:27,600

put out our emergency documentary and

5333

03:50:32,030 --> 03:50:29,399

they and they didn't do the fake Alien

5334

03:50:34,090 --> 03:50:32,040

Invasion like they planned you know like

5335

03:50:37,729 --> 03:50:34,100

come on really come on

5336

03:50:39,710 --> 03:50:37,739

this can't be real yeah every time I

5337

03:50:41,510 --> 03:50:39,720

hear people say that every time I hear

5338

03:50:43,849 --> 03:50:41,520

people say that I just go nuts because

5339

03:50:45,710 --> 03:50:43,859

it's like even even these people who are

5340

03:50:47,210 --> 03:50:45,720

the religious guys that are saying that

5341

03:50:48,889 --> 03:50:47,220

aliens are the fallen angels and it's

5342

03:50:52,070 --> 03:50:48,899

going to be fake and the Antichrist is

5343

03:50:53,570 --> 03:50:52,080

going to be here yeah okay you know I'm

5344

03:50:55,729 --> 03:50:53,580

I'm willing to play the game but you

5345

03:50:57,469 --> 03:50:55,739

know I always say you know my peas and

5346

03:50:59,090 --> 03:50:57,479

my carrots are separated on my plate for

5347

03:51:01,550 --> 03:50:59,100

a reason I don't like putting my demons

5348

03:51:03,590 --> 03:51:01,560

with my aliens I just I just don't like

5349

03:51:04,969 --> 03:51:03,600

that it's like a little E.T walking

5350

03:51:05,510 --> 03:51:04,979

around going

5351

03:51:11,510 --> 03:51:05,520

ouch

5352

03:51:13,790 --> 03:51:11,520

Satan I don't I don't just I don't go

5353

03:51:15,469 --> 03:51:13,800

there let's go to Eric in Washington hey

5354

03:51:16,670 --> 03:51:15,479

Eric you're on with Stephen Camby and go

5355

03:51:19,010 --> 03:51:16,680

ahead

5356

03:51:20,269 --> 03:51:19,020

hey Clyde and Stephen great show tonight

5357

03:51:25,250 --> 03:51:20,279

thank you

5358

03:51:27,889 --> 03:51:25,260

the whole timing thing with uh you know

5359

03:51:29,870 --> 03:51:27,899

our President coming out and walking

5360

03:51:34,490 --> 03:51:29,880

with the Indian

5361

03:51:36,429 --> 03:51:34,500

president is a sign of anti-gravity and

5362

03:51:39,349 --> 03:51:36,439

Technology coming real soon

5363

03:51:41,450 --> 03:51:39,359

and and with Marco Rubio coming out at

5364

03:51:44,210 --> 03:51:41,460

the same time you know with with him

5365

03:51:46,010 --> 03:51:44,220

spilling the beans right now

5366

03:51:48,710 --> 03:51:46,020

um it's just amazing because India

5367

03:51:51,290 --> 03:51:48,720

really is the factual

5368

03:51:53,030 --> 03:51:51,300

uh country if you go back in their

5369

03:51:56,750 --> 03:51:53,040

history and their books and all their

5370

03:51:58,510 --> 03:51:56,760

technology it outlines the Vimana yeah I

5371

03:52:02,330 --> 03:51:58,520

remember that story yeah

5372

03:52:03,710 --> 03:52:02,340

thousands of years yeah

5373

03:52:04,790 --> 03:52:03,720

what do you say about the man I'm sorry

5374

03:52:07,429 --> 03:52:04,800

I'm agreeing with you what are you

5375

03:52:09,410 --> 03:52:07,439

saying well just as Humana is really the

5376

03:52:12,889 --> 03:52:09,420

deal it's their culture it's their

5377

03:52:15,650 --> 03:52:12,899

history it's their religion is based on

5378

03:52:17,929 --> 03:52:15,660

you know the meditational and the water

5379

03:52:18,830 --> 03:52:17,939

flow and the candles going down the

5380

03:52:22,670 --> 03:52:18,840

river

5381

03:52:24,650 --> 03:52:22,680

and just the whole technology of that

5382

03:52:26,450 --> 03:52:24,660

coming out right now it's amazing what

5383

03:52:28,250 --> 03:52:26,460

the president getting together with the

5384

03:52:30,110 --> 03:52:28,260

Indian president well and of course

5385

03:52:32,929 --> 03:52:30,120

there's been a lot of UFO activity in

5386

03:52:36,469 --> 03:52:32,939

India as well and it just this just in I

5387

03:52:40,309 --> 03:52:36,479

gotta just just in internationally a UFO

5388

03:52:42,530 --> 03:52:40,319

lab which is an organization in Japan uh

5389

03:52:45,469 --> 03:52:42,540

has just released UFO photos uh

5390

03:52:47,809 --> 03:52:45,479

Fukushima happened in Fukushima uh it

5391

03:52:50,690 --> 03:52:47,819

says here uh okay

5392

03:52:52,010 --> 03:52:50,700

yeah group said examine a total of 494

5393

03:52:54,469 --> 03:52:52,020

reports received from people both in

5394

03:52:55,910 --> 03:52:54,479

Japan and abroad over the last year uh

5395

03:52:57,229 --> 03:52:55,920

images appeared if drones Birds

5396

03:53:00,110 --> 03:52:57,239

reflection slide et cetera et cetera et

5397

03:53:02,870 --> 03:53:00,120

cetera now Japan's in on this now wow so

5398

03:53:04,309 --> 03:53:02,880

there you go I don't know Japan Japan is

5399

03:53:07,010 --> 03:53:04,319

now saying

5400

03:53:08,570 --> 03:53:07,020

that they are following UFOs that they

5401
03:53:10,550 --> 03:53:08,580
have pictures and they're showing them

5402
03:53:11,929 --> 03:53:10,560
and and they have the same stories as

5403
03:53:14,510 --> 03:53:11,939
they could be drones Birds reflections

5404
03:53:16,910 --> 03:53:14,520
of light airplanes insects uh a number

5405
03:53:17,990 --> 03:53:16,920
of things uh it may be possible to

5406
03:53:20,750 --> 03:53:18,000
create these images with computer

5407
03:53:23,389 --> 03:53:20,760
Graphics but they're real UFOs aliens

5408
03:53:24,769 --> 03:53:23,399
may be on board said takahiru makimi

5409
03:53:26,090 --> 03:53:24,779
head of the international vehicle lab

5410
03:53:28,190 --> 03:53:26,100
and chief editor of the monkey cult

5411
03:53:31,250 --> 03:53:28,200
magazine move this is from the Japan

5412
03:53:32,269 --> 03:53:31,260
news Japanese news so there you go this

5413
03:53:34,130 --> 03:53:32,279

just came in

5414

03:53:38,570 --> 03:53:34,140

so it's spreading the whole thing's

5415

03:53:42,229 --> 03:53:41,030

yeah I'm here okay uh the whole thing's

5416

03:53:43,670 --> 03:53:42,239

spreading the whole Japanese thing is

5417

03:53:46,429 --> 03:53:43,680

spreading it's not spreading in Japan

5418

03:53:48,050 --> 03:53:46,439

spreading all over so who knows what how

5419

03:53:50,630 --> 03:53:48,060

far this is going to go

5420

03:53:53,690 --> 03:53:50,640

yeah yeah maybe maybe some of the other

5421

03:53:56,330 --> 03:53:53,700

nation states are are realizing oh oh

5422

03:53:59,090 --> 03:53:56,340

we've got a UFO story to tell two but

5423

03:54:01,670 --> 03:53:59,100

you know I'm Still Holding Out for for

5424

03:54:04,309 --> 03:54:01,680

the massive evidence that people claim

5425

03:54:06,229 --> 03:54:04,319

that they have and you know we also need

5426
03:54:07,790 --> 03:54:06,239
to always keep in mind that many of

5427
03:54:09,650 --> 03:54:07,800
these people that are selling the

5428
03:54:11,750 --> 03:54:09,660
stories not just they don't tell them

5429
03:54:13,670 --> 03:54:11,760
they sell them you know they've been

5430
03:54:15,410 --> 03:54:13,680
claiming these big claims for many years

5431
03:54:16,670 --> 03:54:15,420
and I agree with people like John from

5432
03:54:18,050 --> 03:54:16,680
the black world and others who have said

5433
03:54:19,910 --> 03:54:18,060
Now's the Time then if you've got

5434
03:54:22,309 --> 03:54:19,920
evidence put it up yeah put up or shut

5435
03:54:24,710 --> 03:54:22,319
up let's see it and let's and let's get

5436
03:54:26,090 --> 03:54:24,720
to the bottom of this or you know if

5437
03:54:28,550 --> 03:54:26,100
this whole thing comes crashing down

5438
03:54:30,650 --> 03:54:28,560

there's going to be a lot of people uh

5439

03:54:32,389 --> 03:54:30,660

that will you know have a lot of

5440

03:54:33,769 --> 03:54:32,399

explaining to do yeah I've noticed that

5441

03:54:34,610 --> 03:54:33,779

Greenwell's acting more like you these

5442

03:54:36,889 --> 03:54:34,620

days

5443

03:54:39,110 --> 03:54:36,899

what is it you guys are all turning into

5444

03:54:41,269 --> 03:54:39,120

Grumpy Old Men I mean I knew you I knew

5445

03:54:43,250 --> 03:54:41,279

I knew Greenwald he was just a kid

5446

03:54:44,990 --> 03:54:43,260

I met him in San Francisco I've been on

5447

03:54:46,910 --> 03:54:45,000

his website I was on his website when I

5448

03:54:48,290 --> 03:54:46,920

was when I was probably 14 years old I

5449

03:54:50,030 --> 03:54:48,300

mean he does good work I mean he

5450

03:54:52,550 --> 03:54:50,040

revealed that whole situation going in

5451

03:54:54,530 --> 03:54:52,560

20 what is it 29 Palms he's just

5452

03:54:56,689 --> 03:54:54,540

revealing that yeah good work on that

5453

03:54:58,729 --> 03:54:56,699

one hey a pleasure Steve we'll have you

5454

03:55:00,410 --> 03:54:58,739

on again if we find anything that seems

5455

03:55:02,870 --> 03:55:00,420

to be fishy going on and we'll weigh out

5456

03:55:05,990 --> 03:55:02,880

and see what happens with more of this

5457

03:55:07,550 --> 03:55:06,000

uh you know move two steps forward one

5458

03:55:08,990 --> 03:55:07,560

step back two steps forward one step

5459

03:55:10,550 --> 03:55:09,000

back with the government finally

5460

03:55:12,050 --> 03:55:10,560

admitting or not admitting or I don't

5461

03:55:14,689 --> 03:55:12,060

know what they're doing these days but

5462

03:55:16,910 --> 03:55:14,699

it's really a pleasure so so it's a bit

5463

03:55:18,349 --> 03:55:16,920

pleasure for me thanks so much for doing

5464

03:55:19,670 --> 03:55:18,359

this how do we how do we get involved

5465

03:55:22,370 --> 03:55:19,680

with truth Seekers

5466

03:55:24,769 --> 03:55:22,380

oh it's very easy to find us you can our

5467

03:55:26,990 --> 03:55:24,779

main Hub is the YouTube channel just go

5468

03:55:28,969 --> 03:55:27,000

to YouTube and put uh hit that little

5469

03:55:31,309 --> 03:55:28,979

search bar the magnifying glass put true

5470

03:55:33,469 --> 03:55:31,319

Seekers one word and look for the

5471

03:55:34,969 --> 03:55:33,479

strange guy with sunglasses you found us

5472

03:55:37,030 --> 03:55:34,979

go there subscribe hit the notification

5473

03:55:39,370 --> 03:55:37,040

Bell you can also go to

5474

03:55:41,389 --> 03:55:39,380

truesecretshow.com

5475

03:55:43,429 --> 03:55:41,399

truthseekershow.com and get all the

5476
03:55:46,130 --> 03:55:43,439
latest audio episodes video episodes

5477
03:55:50,760 --> 03:55:46,140
fantastic you have a good night take

5478
03:55:50,770 --> 03:55:55,849
[Music]

5479
03:55:59,929 --> 03:55:58,189
we got to stop the screen I know that we

5480
03:56:02,150 --> 03:55:59,939
are clear and we want to take a moment

5481
03:56:04,429 --> 03:56:02,160
to thank and recognize exterior

5482
03:56:06,830 --> 03:56:04,439
knowledge of the Kylie Jenner's 49.99

5483
03:56:08,630 --> 03:56:06,840
Super Chat very generous of you exterior

5484
03:56:10,969 --> 03:56:08,640
knowledge long time show supporter thank

5485
03:56:13,130 --> 03:56:10,979
you he says keep exposing these clowns

5486
03:56:14,750 --> 03:56:13,140
as genuine people will one day rise and

5487
03:56:16,490 --> 03:56:14,760
stand and hopefully we'll make our own

5488
03:56:17,689 --> 03:56:16,500

conclusion towards what the closure

5489

03:56:20,030 --> 03:56:17,699

really is

5490

03:56:21,349 --> 03:56:20,040

feel like truth and can be rediscovered

5491

03:56:25,070 --> 03:56:21,359

only by

5492

03:56:26,750 --> 03:56:25,080

almost by only us the same way we

5493

03:56:28,510 --> 03:56:26,760

discovered things on our own I agree

5494

03:56:31,729 --> 03:56:28,520

with you and thank you very much

5495

03:56:37,189 --> 03:56:31,739

generosity and support a lot of very

5496

03:56:42,110 --> 03:56:40,010

all right so we've made it through uh we

5497

03:56:44,090 --> 03:56:42,120

made it through our four hour broadcast

5498

03:56:45,550 --> 03:56:44,100

we're looking at these lights have a

5499

03:56:48,769 --> 03:56:45,560

timer on them

5500

03:56:51,849 --> 03:56:48,779

at a certain time so

5501
03:56:54,769 --> 03:56:51,859
um they've gone so long and even more

5502
03:56:58,630 --> 03:56:54,779
outside of that they're also Bluetooth

5503
03:57:01,030 --> 03:56:58,640
speakers but I don't use them for that

5504
03:57:03,469 --> 03:57:01,040
lights are shutting down

5505
03:57:05,510 --> 03:57:03,479
it's like when you're at the bar and you

5506
03:57:08,170 --> 03:57:05,520
start shutting the lights off tell you

5507
03:57:12,050 --> 03:57:08,180
it's over go home

5508
03:57:14,330 --> 03:57:12,060
uh yes uh dead Minds podcast is here

5509
03:57:15,950 --> 03:57:14,340
fun damn tastic show Steve thanks so

5510
03:57:17,450 --> 03:57:15,960
much for the late on people tune in live

5511
03:57:19,490 --> 03:57:17,460
tonight so I'm glad everybody was able

5512
03:57:22,790 --> 03:57:19,500
to tune in live tonight and I can't tell

5513
03:57:24,769 --> 03:57:22,800

you how happy I am that uh truth Seekers

5514

03:57:28,550 --> 03:57:24,779

has the invaded terrestrial radio

5515

03:57:31,010 --> 03:57:28,560

tonight hopefully uh some of those folks

5516

03:57:33,950 --> 03:57:31,020

may find their way over to Future

5517

03:57:35,750 --> 03:57:33,960

Seekers here and we have been building a

5518

03:57:37,849 --> 03:57:35,760

wonderful Community if you haven't

5519

03:57:41,389 --> 03:57:37,859

already please do hit that like button

5520

03:57:43,790 --> 03:57:41,399

it really does help the algorithm and uh

5521

03:57:45,710 --> 03:57:43,800

helps us rise in the search engine and

5522

03:57:47,689 --> 03:57:45,720

if you're not already I highly encourage

5523

03:57:50,450 --> 03:57:47,699

you please hit that subscribe button and

5524

03:57:53,689 --> 03:57:50,460

the notification Bell each time we do a

5525

03:57:55,150 --> 03:57:53,699

new live show what are we post a new uh

5526

03:57:57,769 --> 03:57:55,160

a new story

5527

03:58:00,110 --> 03:57:57,779

notification and you are most welcome

5528

03:58:02,090 --> 03:58:00,120

here we welcome Skeptics Believers we

5529

03:58:04,189 --> 03:58:02,100

welcome uh people who are just

5530

03:58:06,650 --> 03:58:04,199

interested in strange and esoteric

5531

03:58:08,570 --> 03:58:06,660

topics all we ask is that you treat

5532

03:58:13,309 --> 03:58:08,580

everybody in the live chat with respect

5533

03:58:15,110 --> 03:58:13,319

we also uh have a uh Discord server and

5534

03:58:17,090 --> 03:58:15,120

if you enjoy these live chats with

5535

03:58:20,150 --> 03:58:17,100

people who are interested in similar

5536

03:58:22,189 --> 03:58:20,160

topics as you you might really enjoy the

5537

03:58:23,630 --> 03:58:22,199

Discord server and one of the live chat

5538

03:58:26,870 --> 03:58:23,640

moderators

5539

03:58:28,670 --> 03:58:26,880

me out and give a link for people to

5540

03:58:31,570 --> 03:58:28,680

join the Discord server

5541

03:58:35,210 --> 03:58:31,580

I'd also like to remind you to follow me

5542

03:58:37,670 --> 03:58:35,220

on uh Twitter and that is the best place

5543

03:58:40,969 --> 03:58:37,680

to know about new shows other than the

5544

03:58:43,429 --> 03:58:40,979

the notification Bell uh because we

5545

03:58:46,429 --> 03:58:43,439

tweet and post every show that we do

5546

03:58:49,070 --> 03:58:46,439

before that before we do it tomorrow

5547

03:58:52,250 --> 03:58:49,080

night we will be back at 9 00 PM Eastern

5548

03:58:54,710 --> 03:58:52,260

Standard Time for another simulcast this

5549

03:58:56,809 --> 03:58:54,720

is turning into just a great week and

5550

03:59:00,189 --> 03:58:56,819

isn't it interesting that at the

5551

03:59:02,870 --> 03:59:00,199

beginning of this week I was kind of

5552

03:59:05,389 --> 03:59:02,880

before the week started I should say it

5553

03:59:07,550 --> 03:59:05,399

was kind of a bummed like you know what

5554

03:59:11,150 --> 03:59:07,560

are we gonna do shows on and it's kind

5555

03:59:13,130 --> 03:59:11,160

of into the brush rush now you know it's

5556

03:59:14,570 --> 03:59:13,140

going to be a slow week returning to an

5557

03:59:16,010 --> 03:59:14,580

incredible weekend I'd highly encourage

5558

03:59:19,550 --> 03:59:16,020

you to check out our interview from

5559

03:59:21,410 --> 03:59:19,560

yesterday with uh Bob Kibiot of Unsolved

5560

03:59:24,650 --> 03:59:21,420

Mysteries

5561

03:59:26,750 --> 03:59:24,660

he was the producer that brought us many

5562

03:59:29,330 --> 03:59:26,760

Unsolved Mysteries episodes and

5563

03:59:30,349 --> 03:59:29,340

including the ones involved UFOs and

5564

03:59:33,830 --> 03:59:30,359

aliens

5565

03:59:36,889 --> 03:59:33,840

Factor faked with Jonathan Frakes and

5566

03:59:39,170 --> 03:59:36,899

also of course the alien autopsy he

5567

03:59:41,229 --> 03:59:39,180

chimed in about what he believes about

5568

03:59:43,849 --> 03:59:41,239

was

5569

03:59:44,450 --> 03:59:43,859

for the rest of us

5570

03:59:47,769 --> 03:59:44,460

um

5571

03:59:51,950 --> 03:59:47,779

I highly encourage you to check that out

5572

03:59:54,889 --> 03:59:51,960

we will be live again this week tomorrow

5573

03:59:56,929 --> 03:59:54,899

night at 9 00 PM Eastern Standard Time

5574

04:00:03,790 --> 03:59:56,939

and I'm getting

5575

04:00:09,590 --> 04:00:07,490

uh and one time she was the girl that

5576
04:00:16,070 --> 04:00:09,600
originally called out interfacing them

5577
04:00:20,450 --> 04:00:18,530
but tomorrow night we'll be doing a

5578
04:00:23,389 --> 04:00:20,460
special triple kit what does that mean

5579
04:00:28,130 --> 04:00:23,399
that means three stickers will be live

5580
04:00:31,670 --> 04:00:28,140
uh MK Ultra hiking and gear review and

5581
04:00:33,050 --> 04:00:31,680
Sheila aliens We'll Be Live uh on all

5582
04:00:35,689 --> 04:00:33,060
three channels and tomorrow night we're

5583
04:00:38,990 --> 04:00:35,699
going to be talking uh once again uh

5584
04:00:40,610 --> 04:00:39,000
like I said this is the story now there

5585
04:00:42,469 --> 04:00:40,620
really are no other stories tomorrow

5586
04:00:44,450 --> 04:00:42,479
night we'll be talking about Bobby Lazar

5587
04:00:47,330 --> 04:00:44,460
one of the original UFO whistleblowers

5588
04:00:50,929 --> 04:00:47,340

that came out in 1989 and told stories

5589

04:00:53,689 --> 04:00:50,939

of working uh on top secret project

5590

04:00:55,849 --> 04:00:53,699

involving the back engineering of alien

5591

04:00:58,729 --> 04:00:55,859

spacecraft

5592

04:01:01,250 --> 04:00:58,739

um and we'll be speaking about Bob Lazar

5593

04:01:05,090 --> 04:01:01,260

his story his legacy of Lies quite

5594

04:01:07,610 --> 04:01:05,100

honestly uh and some of the history of

5595

04:01:11,110 --> 04:01:07,620

these other UFO wisdom Growers including

5596

04:01:14,330 --> 04:01:11,120

the latest Mr David and Rush

5597

04:01:15,950 --> 04:01:14,340

terrifying true story revealed and I'm

5598

04:01:17,750 --> 04:01:15,960

happy to help out a friend that's

5599

04:01:21,830 --> 04:01:17,760

starting a new show their show was

5600

04:01:24,530 --> 04:01:21,840

called what was that and our co-hosted

5601
04:01:32,030 --> 04:01:24,540
together with Kim I give you new reviews

5602
04:01:36,889 --> 04:01:34,130
talking about how artificial

5603
04:01:39,710 --> 04:01:36,899
intelligence projects may also not be

5604
04:01:42,530 --> 04:01:39,720
aware that you also

5605
04:01:45,110 --> 04:01:42,540
um responsible for a music video project

5606
04:01:48,530 --> 04:01:45,120
that her and I did together to provide

5607
04:01:54,050 --> 04:01:52,250
video uh which she made a bunch of

5608
04:01:56,510 --> 04:01:54,060
different takes of them and spliced it

5609
04:02:02,229 --> 04:01:56,520
up and turned it into a music video and

5610
04:02:09,120 --> 04:02:05,150
this is going to be the sixth album I've

5611
04:02:09,830 --> 04:02:09,130
released this year this is the year

5612
04:02:11,590 --> 04:02:09,840
[Music]

5613
04:02:16,429 --> 04:02:11,600

um

5614

04:02:20,269 --> 04:02:19,010

and uh well quite honestly I still am

5615

04:02:22,670 --> 04:02:20,279

but

5616

04:02:24,610 --> 04:02:22,680

I had not released any music for quite

5617

04:02:30,290 --> 04:02:24,620

some time though I have been recording

5618

04:02:32,570 --> 04:02:30,300

songs for this entire the entire time so

5619

04:02:37,610 --> 04:02:32,580

I hadn't released an album for many

5620

04:02:41,990 --> 04:02:37,620

years I just wanted to purge the goals

5621

04:02:45,590 --> 04:02:42,000

of our masters of these recorded songs

5622

04:02:49,010 --> 04:02:45,600

we've put together some more six albums

5623

04:02:51,590 --> 04:02:49,020

from my recordings over the last bunch

5624

04:02:54,910 --> 04:02:51,600

of years and a call I'm calling that

5625

04:02:58,910 --> 04:02:54,920

major project in Korea

5626
04:03:01,389 --> 04:02:58,920
and this were an example is a beautiful

5627
04:03:04,070 --> 04:03:01,399
album cover I was having real trouble

5628
04:03:06,650 --> 04:03:04,080
creating these so I reached out to my

5629
04:03:07,790 --> 04:03:06,660
friends aliens who wanted to show it

5630
04:03:10,849 --> 04:03:07,800
tomorrow night

5631
04:03:12,910 --> 04:03:10,859
and described for her what I needed I

5632
04:03:16,309 --> 04:03:12,920
mean

5633
04:03:19,250 --> 04:03:16,319
apparently in love for now with the love

5634
04:03:22,130 --> 04:03:19,260
story she did many different iterations

5635
04:03:25,130 --> 04:03:22,140
and takes them that general idea with

5636
04:03:28,729 --> 04:03:25,140
our AI tools but we were you know this

5637
04:03:30,950 --> 04:03:28,739
uh which is the one that I've selected

5638
04:03:34,070 --> 04:03:30,960

um I know somebody asked me no that's

5639

04:03:36,429 --> 04:03:34,080

not that gives you a depiction of me or

5640

04:03:39,110 --> 04:03:36,439

younger than me or anything like that

5641

04:03:42,110 --> 04:03:39,120

although I did look like

5642

04:03:44,809 --> 04:03:42,120

I was pretty damn Gothic you know I had

5643

04:03:49,189 --> 04:03:44,819

black hair and makeup and everything in

5644

04:03:51,170 --> 04:03:49,199

the younger years and this is uh one of

5645

04:03:53,030 --> 04:03:51,180

my favorite albums that I have ever

5646

04:03:55,429 --> 04:03:53,040

produced

5647

04:03:57,229 --> 04:03:55,439

um it's always hard to like compare it

5648

04:03:59,150 --> 04:03:57,239

to the other things you've done and

5649

04:04:02,809 --> 04:03:59,160

repair it was different this is very

5650

04:04:05,990 --> 04:04:02,819

different in that it's not so angry it's

5651
04:04:08,630 --> 04:04:06,000
it's more with the and the whole album

5652
04:04:11,269 --> 04:04:08,640
is a constant album about a love story

5653
04:04:14,030 --> 04:04:11,279
between two people and all of the things

5654
04:04:17,210 --> 04:04:14,040
that can happen including

5655
04:04:19,670 --> 04:04:17,220
um you know falling in love and the

5656
04:04:23,630 --> 04:04:19,680
things that are ending well with the

5657
04:04:25,070 --> 04:04:23,640
training and you know a lover leaving

5658
04:04:27,950 --> 04:04:25,080
you

5659
04:04:29,990 --> 04:04:27,960
and it's it's actually uh very different

5660
04:04:32,450 --> 04:04:30,000
from most of the things that I have

5661
04:04:35,150 --> 04:04:32,460
produced before and I made that a theme

5662
04:04:38,630 --> 04:04:35,160
of this new uh series of albums you may

5663
04:04:40,790 --> 04:04:38,640

also recall and by the way there's five

5664

04:04:43,849 --> 04:04:40,800

albums that are completely totally free

5665

04:04:46,130 --> 04:04:43,859

on our Channel right now go to the video

5666

04:04:47,389 --> 04:04:46,140

section and you can listen to all of

5667

04:04:49,790 --> 04:04:47,399

them

5668

04:04:53,389 --> 04:04:49,800

um and this one is the newest one we'll

5669

04:04:55,849 --> 04:04:53,399

be debuting it soon uh but I I'm waiting

5670

04:04:57,710 --> 04:04:55,859

for a few things including a video to

5671

04:04:59,990 --> 04:04:57,720

the company just playing the audio it's

5672

04:05:02,210 --> 04:05:00,000

a little boring just playing audio and

5673

04:05:03,830 --> 04:05:02,220

putting an album cover for you know 45

5674

04:05:05,809 --> 04:05:03,840

minutes so I've tried to put some

5675

04:05:08,450 --> 04:05:05,819

animations together and things to kind

5676

04:05:10,250 --> 04:05:08,460

of help to help

5677

04:05:12,590 --> 04:05:10,260

uh you know something that you could

5678

04:05:14,630 --> 04:05:12,600

play on your 70-inch TV while you're

5679

04:05:17,510 --> 04:05:14,640

listening on your uh

5680

04:05:19,490 --> 04:05:17,520

six speaker surround sound system or

5681

04:05:22,790 --> 04:05:19,500

each speaker's surround sound system my

5682

04:05:26,030 --> 04:05:22,800

friend Matt at the cabin has the best

5683

04:05:28,429 --> 04:05:26,040

audio video set up I've I've seen and I

5684

04:05:34,160 --> 04:05:28,439

uh I want to listen to some of those

5685

04:05:41,929 --> 04:05:35,809

[Music]

5686

04:05:47,450 --> 04:05:44,570

multi surround sound system

5687

04:05:49,610 --> 04:05:47,460

uh you know so if you're playing it on

5688

04:05:51,530 --> 04:05:49,620

your TV while you're listening and we we

5689

04:05:53,090 --> 04:05:51,540

have to do a little bit of visuals to

5690

04:05:55,130 --> 04:05:53,100

make it a little more appealing for

5691

04:05:57,950 --> 04:05:55,140

people to play for 45 minutes and listen

5692

04:06:00,349 --> 04:05:57,960

to the songs working on that now there

5693

04:06:02,990 --> 04:06:00,359

will be a debut for this very soon and

5694

04:06:06,590 --> 04:06:03,000

this is the very next one by album a

5695

04:06:08,990 --> 04:06:06,600

love story and uh it's music and by the

5696

04:06:12,969 --> 04:06:09,000

way uh the album is available for free

5697

04:06:15,050 --> 04:06:12,979

right now to patreon supporters and uh

5698

04:06:16,570 --> 04:06:15,060

preciously not for free because people

5699

04:06:19,370 --> 04:06:16,580

have contributed

5700

04:06:23,570 --> 04:06:19,380

we have a patreon that's at the dollar a

5701

04:06:26,269 --> 04:06:23,580

month and there's a huge uh

5702

04:06:27,710 --> 04:06:26,279

bunch of posts going back three years so

5703

04:06:28,849 --> 04:06:27,720

if you're enjoying the patreon for a

5704

04:06:31,969 --> 04:06:28,859

dollar a month you're getting three

5705

04:06:36,110 --> 04:06:31,979

years worth of monthly extra content uh

5706

04:06:38,330 --> 04:06:36,120

including all of these albums uh and a

5707

04:06:41,389 --> 04:06:38,340

ton of Music a monthly show Journal more

5708

04:06:43,550 --> 04:06:41,399

[h__h] a month and my point is that the

5709

04:06:45,769 --> 04:06:43,560

Love Story album is already available

5710

04:06:47,630 --> 04:06:45,779

for patreon supporters they get early

5711

04:06:49,189 --> 04:06:47,640

access to everything that we produce

5712

04:06:51,110 --> 04:06:49,199

it's a little crude it doesn't have the

5713

04:06:55,010 --> 04:06:51,120

animations but I mean people want to

5714

04:06:56,990 --> 04:06:55,020

hear it and also uh it's posted for our

5715

04:06:58,910 --> 04:06:57,000

YouTube channel members the YouTube

5716

04:07:01,729 --> 04:06:58,920

channel membership is available also for

5717

04:07:03,590 --> 04:07:01,739

five books a month and that is all the

5718

04:07:05,929 --> 04:07:03,600

patreon benefits plus you see the people

5719

04:07:08,090 --> 04:07:05,939

in our live chat they have this uh

5720

04:07:10,969 --> 04:07:08,100

YouTube member badge so you get a member

5721

04:07:13,250 --> 04:07:10,979

badge and priority reply to the comments

5722

04:07:15,650 --> 04:07:13,260

in the chat

5723

04:07:17,870 --> 04:07:15,660

I appreciate all of you who are patreon

5724

04:07:19,370 --> 04:07:17,880

supporters our channel members and

5725

04:07:21,410 --> 04:07:19,380

believe it or not some people are both

5726
04:07:22,910 --> 04:07:21,420
they want us so much they give us six

5727
04:07:25,370 --> 04:07:22,920
bucks a month

5728
04:07:27,830 --> 04:07:25,380
I I don't understand it but I appreciate

5729
04:07:32,269 --> 04:07:27,840
it and I thank you all so much for your

5730
04:07:34,070 --> 04:07:32,279
kindness generosity and support So boy I

5731
04:07:37,370 --> 04:07:34,080
am going to have a hard time sleeping

5732
04:07:39,469 --> 04:07:37,380
tonight we have invaded terrestrial

5733
04:07:41,990 --> 04:07:39,479
radio tonight and brought tree Seekers

5734
04:07:43,969 --> 04:07:42,000
to the masses and what I love about it

5735
04:07:45,889 --> 04:07:43,979
is you know those people listening to

5736
04:07:47,689 --> 04:07:45,899
the radio all over the country are

5737
04:07:50,030 --> 04:07:47,699
different it's a different audience

5738
04:07:51,650 --> 04:07:50,040

they're not in YouTube live chats

5739

04:07:53,990 --> 04:07:51,660

they're not

5740

04:07:56,570 --> 04:07:54,000

um on the rumble chat or the twitch chat

5741

04:07:58,849 --> 04:07:56,580

they're not consuming shows like this

5742

04:08:00,170 --> 04:07:58,859

that way they're still doing it the

5743

04:08:03,050 --> 04:08:00,180

radio wave which by the way there's

5744

04:08:05,330 --> 04:08:03,060

nothing wrong with it uh there were some

5745

04:08:08,210 --> 04:08:05,340

people kind of critical L radio the old

5746

04:08:12,050 --> 04:08:08,220

way it works and if the internet goes

5747

04:08:14,650 --> 04:08:12,060

down radio still works and also I gotta

5748

04:08:18,650 --> 04:08:14,660

tell you that at the cabin I have a

5749

04:08:20,750 --> 04:08:18,660

extremely extremely enjoyed the radio at

5750

04:08:22,250 --> 04:08:20,760

my cabin because I grew up in

5751

04:08:26,389 --> 04:08:22,260

Philadelphia where they've been playing

5752

04:08:29,630 --> 04:08:26,399

this same 150 rock songs Forever on the

5753

04:08:31,790 --> 04:08:29,640

same stations forever in the cabin it

5754

04:08:34,370 --> 04:08:31,800

seems like the people in smaller places

5755

04:08:37,250 --> 04:08:34,380

smaller towns and things which is a lot

5756

04:08:39,530 --> 04:08:37,260

of the network that Mr Lewis has built

5757

04:08:41,689 --> 04:08:39,540

appreciate radio more it's a big

5758

04:08:44,389 --> 04:08:41,699

resource for that they're not just

5759

04:08:46,130 --> 04:08:44,399

streaming things don't even have the

5760

04:08:48,429 --> 04:08:46,140

internet at the cabin many people I know

5761

04:08:51,229 --> 04:08:48,439

don't have internet they have the radio

5762

04:08:53,210 --> 04:08:51,239

but my point is getting off the leads I

5763

04:08:54,889 --> 04:08:53,220

apologize my point is that I think

5764

04:08:56,990 --> 04:08:54,899

tonight we may have been able to reach

5765

04:09:00,229 --> 04:08:57,000

many different people that we would

5766

04:09:02,689 --> 04:09:00,239

never normally uh be able to reach and I

5767

04:09:06,229 --> 04:09:02,699

thank so much Mr Pride Louis and his

5768

04:09:08,630 --> 04:09:06,239

producer Ron Patton for their kindness

5769

04:09:11,030 --> 04:09:08,640

and bringing me on and allowing me to do

5770

04:09:13,250 --> 04:09:11,040

that and I grew up with talk radio

5771

04:09:15,110 --> 04:09:13,260

that's where I am here the reason I'm

5772

04:09:17,929 --> 04:09:15,120

here is because I grew up listening to

5773

04:09:20,150 --> 04:09:17,939

talk radio and loving that poor manner

5774

04:09:21,950 --> 04:09:20,160

of you know two people having an

5775

04:09:23,990 --> 04:09:21,960

interesting conversation and I get to

5776

04:09:26,929 --> 04:09:24,000

listen in and I try to Model A lot of

5777

04:09:28,910 --> 04:09:26,939

the talk radio model but we do it with a

5778

04:09:31,969 --> 04:09:28,920

little more visual Flair here because

5779

04:09:34,370 --> 04:09:31,979

you know times change uh but essentially

5780

04:09:37,490 --> 04:09:34,380

the true Seekers could be just the top

5781

04:09:42,950 --> 04:09:37,500

radio uh radio show we cut the video

5782

04:09:45,650 --> 04:09:42,960

feed uh made a few changes you know like

5783

04:09:47,570 --> 04:09:45,660

you know it could be and when you use

5784

04:09:50,150 --> 04:09:47,580

partially that model

5785

04:09:52,370 --> 04:09:50,160

so uh we'll take some comments and

5786

04:09:54,530 --> 04:09:52,380

questions from the live chat

5787

04:09:56,330 --> 04:09:54,540

I mean the Judgment Day says I mean if

5788

04:09:58,910 --> 04:09:56,340

someone told me these aliens were 10

5789

04:10:02,090 --> 04:09:58,920

foot tall rats or 10 feet tall spiders

5790

04:10:06,170 --> 04:10:02,100

I'd Panic yeah I don't like I don't like

5791

04:10:08,030 --> 04:10:06,180

spiders either uh every I just did this

5792

04:10:10,610 --> 04:10:08,040

big clean out at the cabin and I just

5793

04:10:12,889 --> 04:10:10,620

take this big dust thing it's like a

5794

04:10:14,809 --> 04:10:12,899

stick with some kind of spongy feel in

5795

04:10:17,990 --> 04:10:14,819

the end and I just hit them because we

5796

04:10:20,870 --> 04:10:18,000

get a lot of spiders at the cabin uh I'm

5797

04:10:22,969 --> 04:10:20,880

not a fan of spiders right especially

5798

04:10:25,309 --> 04:10:22,979

I'm not so good at identifying them I

5799

04:10:26,870 --> 04:10:25,319

always wear the poisonous type that can

5800

04:10:29,870 --> 04:10:26,880

bite my children when they're there

5801
04:10:32,630 --> 04:10:29,880
sleeping so we we clear that place out

5802
04:10:34,490 --> 04:10:32,640
of anything like spiders right

5803
04:10:36,290 --> 04:10:34,500
and so lots of people in the world are

5804
04:10:38,330 --> 04:10:36,300
afraid of like spiders rats amongst

5805
04:10:39,950 --> 04:10:38,340
other Critters

5806
04:10:41,030 --> 04:10:39,960
what is it there for you to tell the

5807
04:10:43,550 --> 04:10:41,040
public

5808
04:10:46,849 --> 04:10:43,560
maybe they would Panic yeah I'm not

5809
04:10:49,849 --> 04:10:46,859
quite sure Brian uh Shilo is here and it

5810
04:10:52,010 --> 04:10:49,859
says true Seekers rock and roll yeah uh

5811
04:10:55,729 --> 04:10:52,020
thank you and uh dead Minds podcast

5812
04:10:57,830 --> 04:10:55,739
enjoy that actual awesome guy brother

5813
04:10:59,510 --> 04:10:57,840

you deserve it yeah well we thank you

5814

04:11:02,809 --> 04:10:59,520

for your kindness generosity and support

5815

04:11:04,790 --> 04:11:02,819

it was much much appreciated and uh so

5816

04:11:07,130 --> 04:11:04,800

thankful that this whole thing worked

5817

04:11:09,429 --> 04:11:07,140

that I'm just amazed that this even

5818

04:11:12,349 --> 04:11:09,439

worked the way that it worked because

5819

04:11:13,969 --> 04:11:12,359

never having done this I was pretty sure

5820

04:11:16,670 --> 04:11:13,979

that it would work but you never know

5821

04:11:19,309 --> 04:11:16,680

and remember we do a live show here so

5822

04:11:21,590 --> 04:11:19,319

it's very stressful doing some new

5823

04:11:25,610 --> 04:11:21,600

technical thing that you've never even

5824

04:11:27,769 --> 04:11:25,620

tried uh just 100 live but I always say

5825

04:11:29,150 --> 04:11:27,779

this is a live show you get it warts and

5826

04:11:31,429 --> 04:11:29,160

all so if you have a little bit of a

5827

04:11:34,250 --> 04:11:31,439

problem hey we roll with the punches

5828

04:11:35,929 --> 04:11:34,260

that's the way we do things here Mr Ian

5829

04:11:38,689 --> 04:11:35,939

is here reminding people after the show

5830

04:11:40,790 --> 04:11:38,699

search for crowded corners on some Anna

5831

04:11:43,490 --> 04:11:40,800

generated American stuff but rather

5832

04:11:45,469 --> 04:11:43,500

greens with you're into some weird stuff

5833

04:11:47,269 --> 04:11:45,479

and you're

5834

04:11:49,309 --> 04:11:47,279

so comments or questions for me please

5835

04:11:50,030 --> 04:11:49,319

put them in all capital letters will be

5836

04:11:55,010 --> 04:11:50,040

uh

5837

04:11:56,990 --> 04:11:55,020

at this four hours and 12 minutes please

5838

04:11:59,030 --> 04:11:57,000

join true Seekers disappear you'll get a

5839

04:12:02,389 --> 04:11:59,040

lot of info and made meet some great

5840

04:12:05,330 --> 04:12:02,399

people it's free yeah well we thank you

5841

04:12:07,010 --> 04:12:05,340

be Baker for reminding everybody and for

5842

04:12:09,229 --> 04:12:07,020

sharing the link if you like these live

5843

04:12:12,170 --> 04:12:09,239

chats we have a Discord you can do a 24

5844

04:12:14,330 --> 04:12:12,180

hours a day seven days a week and all we

5845

04:12:16,370 --> 04:12:14,340

ask mayor is again just like here please

5846

04:12:18,950 --> 04:12:16,380

be respectful of all the other purchases

5847

04:12:21,710 --> 04:12:18,960

Prince all opinions are welcome but

5848

04:12:24,769 --> 04:12:21,720

please try to respect everybody uh who

5849

04:12:26,570 --> 04:12:24,779

is also there to discuss things and have

5850

04:12:28,070 --> 04:12:26,580

conversations and we've got a bunch of

5851

04:12:30,290 --> 04:12:28,080

different categories in our Discord

5852

04:12:32,090 --> 04:12:30,300

there's a meme section that's funny I go

5853

04:12:33,410 --> 04:12:32,100

there every day it's one of the first

5854

04:12:35,570 --> 04:12:33,420

things I did when I get up in the

5855

04:12:37,729 --> 04:12:35,580

mornings I look at the new memes in our

5856

04:12:40,250 --> 04:12:37,739

Discord server so if you're a fan of

5857

04:12:41,650 --> 04:12:40,260

that kind of stuff it shouldn't be it

5858

04:12:44,210 --> 04:12:41,660

should be interesting

5859

04:12:46,010 --> 04:12:44,220

we invite you to come and be a part of

5860

04:12:47,769 --> 04:12:46,020

our community because gorgeous sort of

5861

04:12:50,809 --> 04:12:47,779

the Hub of the true Seekers community

5862

04:12:54,530 --> 04:12:50,819

and thanks to the moderators there for a

5863

04:12:59,750 --> 04:12:56,689

um Mr Ian says what if it's not telling

5864

04:13:02,450 --> 04:12:59,760

us about aliens what's about telling us

5865

04:13:04,130 --> 04:13:02,460

that a much larger reality yeah that

5866

04:13:06,229 --> 04:13:04,140

would be kind of mind-blowing and scary

5867

04:13:08,330 --> 04:13:06,239

right

5868

04:13:10,429 --> 04:13:08,340

what if our reality is only a very very

5869

04:13:12,710 --> 04:13:10,439

small bit of what's out there well

5870

04:13:14,990 --> 04:13:12,720

that's probably true B Baker says I

5871

04:13:17,809 --> 04:13:15,000

handled everything well yeah you didn't

5872

04:13:19,790 --> 04:13:17,819

see me sweating but I was I was sweating

5873

04:13:22,429 --> 04:13:19,800

the technical Part B Baker because you

5874

04:13:24,229 --> 04:13:22,439

never know this could have been horribly

5875

04:13:26,450 --> 04:13:24,239

wrong and I was just out of end the

5876

04:13:29,450 --> 04:13:26,460

stream and you know it could have been a

5877

04:13:32,510 --> 04:13:29,460

nightmare but um I think that you know

5878

04:13:34,729 --> 04:13:32,520

we have good karma here you know that we

5879

04:13:37,309 --> 04:13:34,739

try to pay it forward we try to help

5880

04:13:39,889 --> 04:13:37,319

other content creators I've helped many

5881

04:13:43,189 --> 04:13:39,899

people get over that hump and become

5882

04:13:45,530 --> 04:13:43,199

monetized we try to I just spent some

5883

04:13:49,250 --> 04:13:45,540

time by the way with a show host that

5884

04:13:53,269 --> 04:13:49,260

you know and like that needed help

5885

04:13:55,969 --> 04:13:53,279

um sort of just figuring out why they

5886

04:13:57,830 --> 04:13:55,979

were getting sort of not the response

5887

04:14:00,229 --> 04:13:57,840

that they should be getting on YouTube

5888

04:14:02,389 --> 04:14:00,239

so we looked at the channel we fixed it

5889

04:14:03,830 --> 04:14:02,399

and now it's doing better already I'm

5890

04:14:06,469 --> 04:14:03,840

always trying to help other people so

5891

04:14:09,469 --> 04:14:06,479

maybe it's that good karma we've had

5892

04:14:12,349 --> 04:14:09,479

some good luck in this when as well as

5893

04:14:16,250 --> 04:14:12,359

could be expected tree Seekers invading

5894

04:14:17,870 --> 04:14:16,260

terrestrial radio and hey uh let's hope

5895

04:14:21,410 --> 04:14:17,880

this won't be the first time but I think

5896

04:14:23,450 --> 04:14:21,420

next time I will just record my

5897

04:14:25,550 --> 04:14:23,460

appearance on a terrestrial radio show

5898

04:14:28,130 --> 04:14:25,560

and then I'll cut out of the commercials

5899

04:14:31,610 --> 04:14:28,140

if they allow me to and broadcast it

5900

04:14:34,130 --> 04:14:31,620

here uh that might be another way to do

5901

04:14:36,769 --> 04:14:34,140

to do something like this but I like the

5902

04:14:39,349 --> 04:14:36,779

live aspect so it was okay we bounced

5903

04:14:41,689 --> 04:14:39,359

back and forth between the pranks and

5904

04:14:44,630 --> 04:14:41,699

again my thanks to Mr Clyde Lewis and

5905

04:14:47,510 --> 04:14:44,640

ground zero and also to Ryan Gable who

5906

04:14:49,790 --> 04:14:47,520

got my gig right Ryan gables on his

5907

04:14:52,610 --> 04:14:49,800

Network he got them that was my game

5908

04:14:56,030 --> 04:14:52,620

Brian Gable right

5909

04:14:59,150 --> 04:14:56,040

right got the got the good gig his show

5910

04:15:02,090 --> 04:14:59,160

plays right after Mr Lewis Mr Lewis

5911

04:15:03,830 --> 04:15:02,100

distribution at work but I'm happy for

5912

04:15:06,590 --> 04:15:03,840

Ryan Gable he's one of the good guys he

5913

04:15:09,010 --> 04:15:06,600

works very hard and he deserves to get a

5914

04:15:12,050 --> 04:15:09,020

break it might

5915

04:15:14,630 --> 04:15:12,060

break may be just the show Growing here

5916

04:15:17,510 --> 04:15:14,640

and we stay completely independent but

5917

04:15:19,790 --> 04:15:17,520

are still able to do this

5918

04:15:22,189 --> 04:15:19,800

tomorrow again

5919

04:15:24,830 --> 04:15:22,199

my husband kept calling the council like

5920

04:15:26,990 --> 04:15:24,840

oh that's strange announcing aliens may

5921

04:15:29,510 --> 04:15:27,000

also involve announcing the collective

5922

04:15:31,309 --> 04:15:29,520

Trade Center on approximately and we had

5923

04:15:35,269 --> 04:15:31,319

to invent Lightspeed or warp travel and

5924

04:15:37,429 --> 04:15:35,279

we're to qualify for the space Club yes

5925

04:15:39,830 --> 04:15:37,439

what do you think of the aristi bow

5926
04:15:41,570 --> 04:15:39,840
message I thought it was pretty fake you

5927
04:15:43,550 --> 04:15:41,580
mean the crop circle message I believe

5928
04:15:46,550 --> 04:15:43,560
that was pretty fake in the people who

5929
04:15:48,229 --> 04:15:46,560
created it came forward but uh that's

5930
04:15:50,269 --> 04:15:48,239
it's been years since that story so

5931
04:15:51,710 --> 04:15:50,279
don't quote me I can hook it up and and

5932
04:15:55,429 --> 04:15:51,720
give you an update on that tomorrow

5933
04:15:57,590 --> 04:15:55,439
taxpayer you'll be happy to do that I'm

5934
04:16:00,530 --> 04:15:57,600
kind of uh Curious myself

5935
04:16:03,110 --> 04:16:00,540
but I think that that was proving to be

5936
04:16:05,510 --> 04:16:03,120
a hoax or at least it was never proven

5937
04:16:06,889 --> 04:16:05,520
to be anything of significance so who

5938
04:16:10,010 --> 04:16:06,899

knows

5939

04:16:11,990 --> 04:16:10,020

um I mean I do recall that I once did a

5940

04:16:14,210 --> 04:16:12,000

crop circle myself out in the fields of

5941

04:16:16,370 --> 04:16:14,220

New Jersey with some friends and it did

5942

04:16:19,429 --> 04:16:16,380

get in the local newspaper and we all

5943

04:16:21,110 --> 04:16:19,439

giggled and laughed because we knew that

5944

04:16:23,929 --> 04:16:21,120

we did that kind of three o'clock in the

5945

04:16:25,389 --> 04:16:23,939

morning with some roping some boards and

5946

04:16:28,870 --> 04:16:25,399

um you know an awful lot of

5947

04:16:31,490 --> 04:16:28,880

alcohol-induced uh energy

5948

04:16:33,910 --> 04:16:31,500

and ours was pretty crude but it still

5949

04:16:36,229 --> 04:16:33,920

got attention uh which is great

5950

04:16:37,910 --> 04:16:36,239

mystery is here and thank you for being

5951

04:16:39,950 --> 04:16:37,920

a member and by the way thanks to all of

5952

04:16:41,870 --> 04:16:39,960

our members and patreon supporters for

5953

04:16:44,150 --> 04:16:41,880

helping us keep the show going we truly

5954

04:16:46,729 --> 04:16:44,160

appreciate it I like them live yeah me

5955

04:16:49,610 --> 04:16:46,739

too vibrating Sounds here welcome new

5956

04:16:52,250 --> 04:16:49,620

YouTube uh chat room moderator vibrates

5957

04:16:53,929 --> 04:16:52,260

album all-time show supporter Sandra

5958

04:16:55,849 --> 04:16:53,939

McDonald is here thanks for being a

5959

04:16:57,070 --> 04:16:55,859

member says I'm proud of Stephen another

5960

04:16:59,929 --> 04:16:57,080

mother

5961

04:17:01,969 --> 04:16:59,939

well done thank you very much I

5962

04:17:04,790 --> 04:17:01,979

appreciate your kindness generosity and

5963

04:17:06,650 --> 04:17:04,800

support great stream Stephen you're a

5964

04:17:08,150 --> 04:17:06,660

natural one talk radio good night all

5965

04:17:10,189 --> 04:17:08,160

God Bless yeah it must be all those

5966

04:17:12,769 --> 04:17:10,199

years of listening and I love how I

5967

04:17:14,809 --> 04:17:12,779

started off tonight on Mr Lewis show by

5968

04:17:16,670 --> 04:17:14,819

saying it's been a long time since I

5969

04:17:18,349 --> 04:17:16,680

could say this long time was their first

5970

04:17:20,570 --> 04:17:18,359

time calling

5971

04:17:24,050 --> 04:17:20,580

all the listing I did there was radio

5972

04:17:26,330 --> 04:17:24,060

station called wwdp in Philadelphia it

5973

04:17:29,450 --> 04:17:26,340

was am talk radio

5974

04:17:31,670 --> 04:17:29,460

uh but I listened to it constantly and a

5975

04:17:33,530 --> 04:17:31,680

person in there named Dom Giordano he

5976

04:17:36,229 --> 04:17:33,540

was the alumni guy the late night guy

5977

04:17:38,389 --> 04:17:36,239

and he talked about local politics and

5978

04:17:40,790 --> 04:17:38,399

sports and Local Foods I wasn't even

5979

04:17:42,469 --> 04:17:40,800

interested in sports but he would talk

5980

04:17:44,809 --> 04:17:42,479

about major headlines and National

5981

04:17:46,910 --> 04:17:44,819

stories a lot and people call in and

5982

04:17:49,309 --> 04:17:46,920

talk and that was one of the few shows

5983

04:17:52,189 --> 04:17:49,319

that I actually called in and and talked

5984

04:17:54,830 --> 04:17:52,199

to the show host later interestingly I

5985

04:17:58,070 --> 04:17:54,840

would work with that show host's nephew

5986

04:18:01,070 --> 04:17:58,080

and get to meet him in person and I told

5987

04:18:03,130 --> 04:18:01,080

them you know what an influence that he

5988

04:18:06,349 --> 04:18:03,140

had on me

5989

04:18:08,750 --> 04:18:06,359

listening to him and you know that I

5990

04:18:12,170 --> 04:18:08,760

wanted to be a top radio host

5991

04:18:14,630 --> 04:18:12,180

and I remember he told me he said uh

5992

04:18:16,189 --> 04:18:14,640

work on your he said oh yeah we'll just

5993

04:18:17,929 --> 04:18:16,199

work on your radio voice you'll be

5994

04:18:20,689 --> 04:18:17,939

you'll be great at it or something like

5995

04:18:23,210 --> 04:18:20,699

that he was very kind to me and uh you

5996

04:18:25,610 --> 04:18:23,220

know I got to meet him uh and that was

5997

04:18:28,790 --> 04:18:25,620

awesome because you know imagine

5998

04:18:31,729 --> 04:18:28,800

listening to this guy late night for

5999

04:18:34,370 --> 04:18:31,739

years and then suddenly out of nowhere I

6000

04:18:36,710 --> 04:18:34,380

have some job where his nephew was

6001
04:18:39,229 --> 04:18:36,720
working right with me and I don't know

6002
04:18:42,050 --> 04:18:39,239
why but I mentioned talk radio he said

6003
04:18:45,550 --> 04:18:42,060
oh my uh my uncle Dom is a talk radio

6004
04:18:47,750 --> 04:18:45,560
host on wwtv and I go oh my God not

6005
04:18:49,550 --> 04:18:47,760
domano the late night guy that's who I

6006
04:18:51,710 --> 04:18:49,560
listen to the most and he said yeah he's

6007
04:18:54,889 --> 04:18:51,720
the late night guy and I got to meet him

6008
04:18:57,170 --> 04:18:54,899
so that was really awesome and him being

6009
04:18:59,929 --> 04:18:57,180
encouraging you know

6010
04:19:01,490 --> 04:18:59,939
you know some people aren't very kind uh

6011
04:19:03,530 --> 04:19:01,500
they'll just shut they'll just shut

6012
04:19:05,450 --> 04:19:03,540
somebody down you know sometimes people

6013
04:19:07,910 --> 04:19:05,460

approach me and talk to me about

6014

04:19:10,070 --> 04:19:07,920

starting a podcast or a YouTube show and

6015

04:19:12,110 --> 04:19:10,080

you know what I say do it do it you'll

6016

04:19:15,050 --> 04:19:12,120

be glad you did you know exercise you

6017

04:19:17,269 --> 04:19:15,060

intellectually it'll challenge you it'll

6018

04:19:19,729 --> 04:19:17,279

test your perseverance it'll test your

6019

04:19:22,010 --> 04:19:19,739

your personal fortitude and resolve

6020

04:19:24,229 --> 04:19:22,020

it'll test your creativity your people

6021

04:19:26,870 --> 04:19:24,239

skills you will roast as much as a

6022

04:19:28,610 --> 04:19:26,880

person do it do it now even if you never

6023

04:19:31,309 --> 04:19:28,620

make a dime out it'll make you a better

6024

04:19:35,030 --> 04:19:31,319

person challenge going after a

6025

04:19:37,450 --> 04:19:35,040

challenging goal and uh I I think it's

6026

04:19:44,150 --> 04:19:37,460

important that we encourage others

6027

04:19:46,790 --> 04:19:44,160

that may be interested in what you know

6028

04:19:50,150 --> 04:19:46,800

what we've been successful at and I

6029

04:19:52,670 --> 04:19:50,160

always tell people like I will I will

6030

04:19:55,429 --> 04:19:52,680

teach you or show you everything that I

6031

04:19:58,729 --> 04:19:55,439

can because someday you know I'm gonna

6032

04:20:01,189 --> 04:19:58,739

be gone from this world and all my

6033

04:20:03,050 --> 04:20:01,199

knowledge will be lost with me so if I

6034

04:20:06,530 --> 04:20:03,060

can share it with somebody else and help

6035

04:20:09,590 --> 04:20:06,540

them I think that's good and and that is

6036

04:20:11,450 --> 04:20:09,600

something that's important to do keeping

6037

04:20:14,330 --> 04:20:11,460

things positive here

6038

04:20:17,769 --> 04:20:14,340

I want to continue to try to do this

6039

04:20:20,570 --> 04:20:17,779

it's very difficult you guys know

6040

04:20:21,849 --> 04:20:20,580

I'm a little angry sometimes not so much

6041

04:20:26,269 --> 04:20:21,859

anymore

6042

04:20:30,290 --> 04:20:26,279

but I you know we want to work on our

6043

04:20:34,610 --> 04:20:30,300

uh show here and our Channel and our

6044

04:20:36,530 --> 04:20:34,620

continuing uh to develop and build what

6045

04:20:39,290 --> 04:20:36,540

we have already built here

6046

04:20:42,290 --> 04:20:39,300

we want to thank our beautiful announcer

6047

04:20:45,110 --> 04:20:42,300

Mr Ian and spooky whatever spooky is

6048

04:20:47,809 --> 04:20:45,120

usually when you say spooky spooky shows

6049

04:20:51,349 --> 04:20:47,819

up it's pretty late over there and

6050

04:20:53,689 --> 04:20:51,359

across the pond with it so and we thank

6051
04:20:56,929 --> 04:20:53,699
all of you and we especially thank Mr

6052
04:20:59,510 --> 04:20:56,939
Craig and Lewis of Ground Zero uh for

6053
04:21:01,429 --> 04:20:59,520
having us tonight and also it by the way

6054
04:21:04,849 --> 04:21:01,439
he didn't even need to let me simulcast

6055
04:21:06,769 --> 04:21:04,859
it on our channel here uh but uh that

6056
04:21:09,950 --> 04:21:06,779
was suggested by his wonderful producer

6057
04:21:11,570 --> 04:21:09,960
Mr Robert Patman I said yeah Let's do

6058
04:21:13,610 --> 04:21:11,580
let's do it that way and I thought it

6059
04:21:16,010 --> 04:21:13,620
worked out great I did an hour that he

6060
04:21:17,809 --> 04:21:16,020
did an hour I did an hour solo then he

6061
04:21:19,790 --> 04:21:17,819
did an hour or so open the purposes of

6062
04:21:22,070 --> 04:21:19,800
our broadcast and then we have the two

6063
04:21:23,570 --> 04:21:22,080

hours where we're conversing back and

6064

04:21:26,389 --> 04:21:23,580

forth we also that's what I think Ryan

6065

04:21:28,670 --> 04:21:26,399

Gable as well uh this has been a great

6066

04:21:30,830 --> 04:21:28,680

broadcast Patty Wilhelm says please take

6067

04:21:33,590 --> 04:21:30,840

care everyone see you back here soon

6068

04:21:35,450 --> 04:21:33,600

it's almost 1 30 East Coast time yeah I

6069

04:21:36,650 --> 04:21:35,460

see that

6070

04:21:38,929 --> 04:21:36,660

um

6071

04:21:40,670 --> 04:21:38,939

well said thanks for all the efforts and

6072

04:21:42,710 --> 04:21:40,680

community service you provide

6073

04:21:44,510 --> 04:21:42,720

yeah thanks for being out there fighting

6074

04:21:47,330 --> 04:21:44,520

a good fight looking for the truth We

6075

04:21:51,170 --> 04:21:47,340

Appreciate You Mr Steve long former

6076

04:21:53,210 --> 04:21:51,180

guests and owner of the show

6077

04:21:55,729 --> 04:21:53,220

thank you very much taxpayer I really

6078

04:21:56,769 --> 04:21:55,739

appreciate it so we have done our due

6079

04:21:58,910 --> 04:21:56,779

diligence

6080

04:22:00,469 --> 04:21:58,920

I gotta tell you

6081

04:22:01,790 --> 04:22:00,479

I knew this was going to be a lot of

6082

04:22:04,550 --> 04:22:01,800

work but

6083

04:22:07,309 --> 04:22:04,560

um it was a lot of work to make this

6084

04:22:09,110 --> 04:22:07,319

works in last minute tonight uh but I'm

6085

04:22:11,210 --> 04:22:09,120

just glad that everything from the

6086

04:22:13,130 --> 04:22:11,220

technical side worked out and we were

6087

04:22:15,050 --> 04:22:13,140

able to do this broadcast I will always

6088

04:22:18,229 --> 04:22:15,060

remember that says the kind that true

6089

04:22:20,030 --> 04:22:18,239

Seekers invaded terrestrial radio we

6090

04:22:22,490 --> 04:22:20,040

were on whole bunch of different radio

6091

04:22:23,990 --> 04:22:22,500

stations in different cities all over

6092

04:22:26,689 --> 04:22:24,000

the country tonight

6093

04:22:28,610 --> 04:22:26,699

I gotta tell you that kind of makes my

6094

04:22:30,530 --> 04:22:28,620

dick hard to be honest with you you know

6095

04:22:33,110 --> 04:22:30,540

to be that voice

6096

04:22:35,809 --> 04:22:33,120

out in those Airwaves that people are

6097

04:22:39,590 --> 04:22:35,819

tuning into just like when I was a child

6098

04:22:41,630 --> 04:22:39,600

it makes me it I can't tell you how cool

6099

04:22:44,510 --> 04:22:41,640

I think that is

6100

04:22:46,130 --> 04:22:44,520

um and I want to thank you all for

6101
04:22:48,469 --> 04:22:46,140
taking this journey with me I thought

6102
04:22:51,110 --> 04:22:48,479
how am I going to do this and then I

6103
04:22:54,469 --> 04:22:51,120
said we'll figure it out I'm just going

6104
04:22:57,469 --> 04:22:54,479
to take our show with me over to Mr

6105
04:23:00,110 --> 04:22:57,479
Lewis Ground Zero show I'm just glad

6106
04:23:02,450 --> 04:23:00,120
everything worked out and uh you know a

6107
04:23:04,790 --> 04:23:02,460
long time ago somebody told me you know

6108
04:23:10,550 --> 04:23:04,800
in

6109
04:23:12,290 --> 04:23:10,560
uh you know you take some risk and

6110
04:23:14,570 --> 04:23:12,300
things work out quit while you're ahead

6111
04:23:17,630 --> 04:23:14,580
so we've been broadcasting for almost

6112
04:23:19,370 --> 04:23:17,640
four hours 20 30 minutes we're going to

6113
04:23:21,050 --> 04:23:19,380

call it a night here I want to thank

6114

04:23:22,849 --> 04:23:21,060

each and every one of you for joining us

6115

04:23:25,130 --> 04:23:22,859

we want to thank Our Kind and Generous

6116

04:23:27,889 --> 04:23:25,140

benefactors our chat room moderators all

6117

04:23:30,889 --> 04:23:27,899

our supporters all around the globe we

6118

04:23:34,150 --> 04:23:30,899

are blessed and uh I am blessed and I

6119

04:23:38,809 --> 04:23:34,160

will continue to be blessed me

6120

04:23:41,210 --> 04:23:38,819

you'll hope that you feel blessed too so

6121

04:23:43,010 --> 04:23:41,220

that's all I got from you friends I will

6122

04:23:45,530 --> 04:23:43,020

be back tomorrow night 9 p.m Eastern

6123

04:23:48,889 --> 04:23:45,540

Standard Time with a very fun show uh

6124

04:23:51,410 --> 04:23:48,899

with MK Ultra uh hiking and gear review

6125

04:23:53,630 --> 04:23:51,420

and our friend Sheila aliens doing a

6126
04:23:56,870 --> 04:23:53,640
trickle cast tomorrow to three different

6127
04:23:59,809 --> 04:23:56,880
YouTube channels not quite as as much

6128
04:24:01,370 --> 04:23:59,819
reaches tonight but we'll take it I hope

6129
04:24:04,189 --> 04:24:01,380
you'll be here with us tomorrow night 9

6130
04:24:05,689 --> 04:24:04,199
p.m Eastern Time next live show so

6131
04:24:07,370 --> 04:24:05,699
that's all we got for you to make

6132
04:24:09,290 --> 04:24:07,380
friends until next time my name is

6133
04:24:13,300 --> 04:24:09,300
Stephen Canby and good night and God

6134
04:25:14,600 --> 04:25:12,309
[Music]

6135
04:25:30,670 --> 04:25:14,610
thank you

6136
04:25:32,260 --> 04:25:30,680
[Music]

6137
04:25:33,630 --> 04:25:32,270
thank you

6138
04:26:01,450 --> 04:25:33,640

[Applause]

6139

04:26:01,460 --> 04:26:09,490

thank you
