[Music]

2
00:00:21,370 --> 00:00:16,930

thank you

3
00:00:24,349 --> 00:00:21,380

[Music]

4
00:00:26,870 --> 00:00:24,359

okay here we go UAP studies podcast

5
00:00:28,970 --> 00:00:26,880

welcome to it I am Louis Borges joining

6
00:00:30,650 --> 00:00:28,980

me as always Jason gilmet how are you my

7
00:00:33,290 --> 00:00:30,660

friend hello hello I'm doing very good

8
00:00:35,810 --> 00:00:33,300

I'm so excited for this episode this has

9
00:00:38,150 --> 00:00:35,820

been a long time uh something I want to

10
00:00:40,790 --> 00:00:38,160

have had a lot for a long time so having

11
00:00:43,310 --> 00:00:40,800

this uh Calvin on the show today is

12
00:00:45,110 --> 00:00:43,320

awesome absolutely our esteemed guest

13
00:00:47,090 --> 00:00:45,120

today is Calvin Parker and he's here to

14

00:00:50,270 --> 00:00:47,100

discuss his uh incident that happened in

15

00:00:52,010 --> 00:00:50,280

the 1973 in Pascagoula Mississippi uh

16

00:00:53,869 --> 00:00:52,020

he's told his story many times but for

17

00:00:55,970 --> 00:00:53,879

our listeners that haven't heard of them

18

00:00:58,189 --> 00:00:55,980

before or aren't familiar he's going to

19

00:01:00,349 --> 00:00:58,199

sort of bring us through it so uh Calvin

20

00:01:01,970 --> 00:01:00,359

you know take it from there and uh tell

21

00:01:03,170 --> 00:01:01,980

us about your fishing trip with your

22

00:01:05,270 --> 00:01:03,180

friend Charlie

23

00:01:08,330 --> 00:01:05,280

Lord that was one I'll never forget

24

00:01:09,649 --> 00:01:08,340

that's been 50 years I still remember it

25

00:01:11,990 --> 00:01:09,659

uh

26

00:01:13,789 --> 00:01:12,000

while I was working to tell you a little

27

00:01:15,469 --> 00:01:13,799

bit about how I got started I was

28

00:01:16,730 --> 00:01:15,479

working in the oil fields lived in

29

00:01:19,370 --> 00:01:16,740

Laurel

30

00:01:22,130 --> 00:01:19,380

and uh

31

00:01:24,950 --> 00:01:22,140

I was tired of working 16 hours a day

32

00:01:27,649 --> 00:01:24,960

seven days a week and back then that's

33

00:01:30,170 --> 00:01:27,659

what it was so I called Charlie I'm

34

00:01:31,969 --> 00:01:30,180

asking for a job he said yeah I have an

35

00:01:35,990 --> 00:01:31,979

opening at the uh

36

00:01:38,569 --> 00:01:36,000

FB Walker Sun Shipyard if you would come

37

00:01:41,390 --> 00:01:38,579

on down and go to work I said yeah

38

00:01:43,609 --> 00:01:41,400

so I went down my first day there I

39

00:01:46,190 --> 00:01:43,619

always tell everybody I got hard and fog

40

00:01:49,670 --> 00:01:46,200

and got a physical the first day

41

00:01:52,370 --> 00:01:49,680

so um I went down and

42

00:01:54,230 --> 00:01:52,380

brassed in and we worked all day and we

43

00:01:56,389 --> 00:01:54,240

got time to get off Charlie that's me

44

00:01:58,969 --> 00:01:56,399

said do you want to go fishing

45

00:02:01,130 --> 00:01:58,979

I said well yeah but I didn't bring no

46

00:02:03,410 --> 00:02:01,140

fishing poles with me he said well I got

47

00:02:04,789 --> 00:02:03,420

something you can buy

48

00:02:07,429 --> 00:02:04,799

welfare

49

00:02:09,229 --> 00:02:07,439

a man delonious fishing poles from the

50

00:02:11,050 --> 00:02:09,239

south that's something else it's like

51

00:02:14,990 --> 00:02:11,060

giving you his firstborn

52

00:02:18,050 --> 00:02:15,000

so it's a big deal yeah yeah it is

53

00:02:21,110 --> 00:02:18,060

so we went got off work about five and

54

00:02:24,350 --> 00:02:21,120

went by his apartment and got uh

55

00:02:27,350 --> 00:02:24,360

sufficient pose suspending reels

56

00:02:29,150 --> 00:02:27,360

and he said I know a place down by the

57

00:02:31,910 --> 00:02:29,160

old Green Hill that's where they unload

58

00:02:34,130 --> 00:02:31,920

the Grain in the fish come up and eat he

59

00:02:36,710 --> 00:02:34,140

said I used to catch a lot of fish here

60

00:02:39,110 --> 00:02:36,720

so we got there and we wasn't there five

61

00:02:41,330 --> 00:02:39,120

minutes and what they call these little

62

00:02:43,610 --> 00:02:41,340

gnats is no Sims

63

00:02:45,949 --> 00:02:43,620

what they call them up here

64

00:02:47,630 --> 00:02:45,959

they got a mouth about the size of a

65

00:02:50,449 --> 00:02:47,640

five gallon bucket they hurt when they

66

00:02:53,930 --> 00:02:50,459

bite but you can't see them

67

00:02:55,670 --> 00:02:53,940

so they were so bad he said let's go I

68

00:02:57,649 --> 00:02:55,680

know another place let's go over there

69

00:02:59,089 --> 00:02:57,659

and try and then they're still that bad

70

00:03:01,910 --> 00:02:59,099

we'll go home

71

00:03:03,830 --> 00:03:01,920

so we left there and went to the uh Shaw

72

00:03:05,930 --> 00:03:03,840

painters Shipyard

73

00:03:08,990 --> 00:03:05,940

and I noticed when we got to the

74

00:03:10,670 --> 00:03:09,000

shipyard it was posted signs there now

75

00:03:12,410 --> 00:03:10,680

and uh

76

00:03:14,630 --> 00:03:12,420

I said Charlie we're gonna get in

77

00:03:17,750 --> 00:03:14,640

trouble fishing here

78

00:03:19,790 --> 00:03:17,760

he said now I'll fish here many times we

79

00:03:23,030 --> 00:03:19,800

won't get in trouble I said okay you go

80

00:03:25,789 --> 00:03:23,040

get me out of jail we go to jail he said

81

00:03:28,610 --> 00:03:25,799

don't worry so we walked past there it

82

00:03:30,170 --> 00:03:28,620

took about 15 minutes to get to where we

83

00:03:32,869 --> 00:03:30,180

was going to fish from where the car was

84

00:03:35,030 --> 00:03:32,879

because it's so much debris you know

85

00:03:38,149 --> 00:03:35,040

on the ground where the tide had to come

86

00:03:40,369 --> 00:03:38,159

in and left it and then it went out and

87

00:03:42,589 --> 00:03:40,379

left left the debris

88

00:03:44,930 --> 00:03:42,599

so we sat down on Oak pier and I

89

00:03:46,850 --> 00:03:44,940

remember looking out across up here

90

00:03:50,630 --> 00:03:46,860

across the river

91

00:03:53,690 --> 00:03:50,640

and uh there was no boat uh Coast Guard

92

00:03:56,690 --> 00:03:53,700

Cutter or Noah ship one and it was made

93

00:03:58,729 --> 00:03:56,700

out of steel and in my mind I was

94

00:04:00,649 --> 00:03:58,739

thinking well how does something Man of

95

00:04:03,649 --> 00:04:00,659

Steel flow

96

00:04:06,530 --> 00:04:03,659

and I noticed some blue lights coming

97

00:04:10,149 --> 00:04:06,540

from our back across the water some blue

98

00:04:13,610 --> 00:04:10,159

lights it was color the the police cars

99

00:04:16,370 --> 00:04:13,620

uh have blue lights on so I thought it

100

00:04:19,009 --> 00:04:16,380

was a log down there to run us off

101
00:04:20,030 --> 00:04:19,019
so we stood up and turned around and

102
00:04:23,689 --> 00:04:20,040
looked

103
00:04:26,450 --> 00:04:23,699
and before we can uh get stood up good

104
00:04:29,570 --> 00:04:26,460
there was this bright light to come all

105
00:04:32,810 --> 00:04:29,580
over us out bright as any Searchlight

106
00:04:35,150 --> 00:04:32,820
I've ever seen except you know

107
00:04:38,030 --> 00:04:35,160
it wasn't a Searchlight it was coming

108
00:04:41,030 --> 00:04:38,040
from inside the craft and I'll explain

109
00:04:43,730 --> 00:04:41,040
that when I get a little better to it

110
00:04:46,570 --> 00:04:43,740
okay and that was three bulky looking

111
00:04:50,150 --> 00:04:46,580
creatures coming down toward us

112
00:04:52,490 --> 00:04:50,160
and uh you couldn't really make them out

113
00:04:55,490 --> 00:04:52,500

but you know you could tell it was three

114

00:04:58,310 --> 00:04:55,500
of whatever it was so it's coming

115

00:05:00,650 --> 00:04:58,320
and the closer they got the scarier I

116

00:05:02,090 --> 00:05:00,660
got the scared of Charlie got to be

117

00:05:05,150 --> 00:05:02,100
honest with you

118

00:05:07,430 --> 00:05:05,160
so two of them got a hold of Charlie and

119

00:05:10,610 --> 00:05:07,440
one of them got a hold of me and

120

00:05:12,890 --> 00:05:10,620
immediately I felt uh sting in my arms

121

00:05:14,870 --> 00:05:12,900
which they found out later through blood

122

00:05:17,330 --> 00:05:14,880
work and all that they gave us an

123

00:05:19,670 --> 00:05:17,340
injection of some kind they don't know

124

00:05:21,890 --> 00:05:19,680
what it was but they gave us one so I

125

00:05:24,890 --> 00:05:21,900
figured that helped us relax

126

00:05:28,490 --> 00:05:24,900

and I just relaxed and uh I couldn't

127

00:05:30,770 --> 00:05:28,500

move nothing but my eyeballs and broke

128

00:05:35,150 --> 00:05:30,780

my head a little bit

129

00:05:37,730 --> 00:05:35,160

so this thing carried us to the y'all

130

00:05:42,529 --> 00:05:37,740

I wanted to say I want to say the door

131

00:05:45,290 --> 00:05:42,539

on it but I guess it was adored

132

00:05:47,570 --> 00:05:45,300

you know it was open in there so he

133

00:05:50,050 --> 00:05:47,580

carried us in and that's when I noticed

134

00:05:53,629 --> 00:05:50,060

the lights was coming out of the wall

135

00:05:56,150 --> 00:05:53,639

the searchlights instead of being a big

136

00:05:57,830 --> 00:05:56,160

Searchlight is coming from inside the

137

00:06:00,529 --> 00:05:57,840

craft out of the wall

138

00:06:04,070 --> 00:06:00,539

and I thought that was unusual and still

139

00:06:06,409 --> 00:06:04,080

I had no idea what it you know what this

140

00:06:09,890 --> 00:06:06,419

was I couldn't really see what had me by

141

00:06:13,969 --> 00:06:09,900

the arm because he gave me that uh shot

142

00:06:17,629 --> 00:06:13,979

or what I assumed was a shot

143

00:06:19,670 --> 00:06:17,639

well we got to the door and

144

00:06:22,370 --> 00:06:19,680

I don't remember seeing Charlie after

145

00:06:26,150 --> 00:06:22,380

that but this thing made a left turn

146

00:06:28,309 --> 00:06:26,160

we went down the hallway for 20 about 10

147

00:06:31,610 --> 00:06:28,319

15 20 foot

148

00:06:34,370 --> 00:06:31,620

and it turned right and there was a

149

00:06:35,450 --> 00:06:34,380

um examination room what I call it that

150

00:06:38,090 --> 00:06:35,460

was there

151
00:06:40,550 --> 00:06:38,100
and I noticed in this room when I was

152
00:06:45,050 --> 00:06:40,560
looking in the door there was um

153
00:06:47,629 --> 00:06:45,060
it looked like a glass bed or I assumed

154
00:06:49,670 --> 00:06:47,639
it was glass because it was clear

155
00:06:51,290 --> 00:06:49,680
and this thing carried me up when he

156
00:06:55,370 --> 00:06:51,300
laid me on this bed

157
00:06:57,409 --> 00:06:55,380
and uh the bed was at an angle I'd say a

158
00:06:59,629 --> 00:06:57,419
45 degree angle

159
00:07:01,189 --> 00:06:59,639
and he laid me there and he didn't strap

160
00:07:02,689 --> 00:07:01,199
me down or nothing right there and I

161
00:07:04,189 --> 00:07:02,699
couldn't move

162
00:07:09,409 --> 00:07:04,199
oh

163
00:07:14,089 --> 00:07:13,490

so he laid us on the bed and he backed

164

00:07:16,969 --> 00:07:14,099

up

165

00:07:17,809 --> 00:07:16,979

and went over to a corner and just shut

166

00:07:21,050 --> 00:07:17,819

down

167

00:07:24,230 --> 00:07:21,060

and I noticed him then he moved kind of

168

00:07:27,830 --> 00:07:24,240

uh mechanically wise so I figured

169

00:07:31,129 --> 00:07:27,840

he was a robot of what I guessed

170

00:07:32,270 --> 00:07:31,139

and then uh I was laying there and

171

00:07:34,129 --> 00:07:32,280

there's something to come out of the

172

00:07:36,950 --> 00:07:34,139

ceiling about the size of a deck of

173

00:07:37,850 --> 00:07:36,960

cards and it come down the foot from my

174

00:07:41,990 --> 00:07:37,860

head

175

00:07:44,150 --> 00:07:42,000

times

176

00:07:44,990 --> 00:07:44,160

but every time it would go it would

177

00:07:47,150 --> 00:07:45,000

click

178

00:07:49,490 --> 00:07:47,160

and then it shot back up in the ceiling

179

00:07:50,629 --> 00:07:49,500

just disappeared

180

00:07:55,850 --> 00:07:50,639

so

181

00:07:59,029 --> 00:07:55,860

I I can't even Zone uh imagine what that

182

00:08:02,029 --> 00:07:59,039

was but anyhow it did and it shot back

183

00:08:04,850 --> 00:08:02,039

up and it disappeared into the ceiling

184

00:08:07,670 --> 00:08:04,860

and then I felt a presence

185

00:08:09,830 --> 00:08:07,680

and I heard it really didn't hear

186

00:08:11,809 --> 00:08:09,840

nothing but I just felt like it was

187

00:08:16,129 --> 00:08:11,819

something they were watching me and I

188

00:08:18,650 --> 00:08:16,139

rode my head to the uh made my ride

189

00:08:21,950 --> 00:08:18,660

and I noticed this female looking

190

00:08:23,570 --> 00:08:21,960

creature had come out or I call her a

191

00:08:25,010 --> 00:08:23,580

creature it looked like a woman looked

192

00:08:27,830 --> 00:08:25,020

like a regular woman

193

00:08:30,650 --> 00:08:27,840

and I've said it before and I said it

194

00:08:32,750 --> 00:08:30,660

now she was so regular looking that if

195

00:08:34,730 --> 00:08:32,760

you bumped into her in a bar

196

00:08:36,790 --> 00:08:34,740

and you had enough drinks you'd probably

197

00:08:40,009 --> 00:08:36,800

ask her out

198

00:08:42,230 --> 00:08:40,019

that's how normal looking she was there

199

00:08:44,630 --> 00:08:42,240

was no features to her at all Calvin

200

00:08:47,870 --> 00:08:44,640

that set her apart at all that she would

201
00:08:50,750 --> 00:08:47,880
just look pure human well the only thing

202
00:08:53,389 --> 00:08:50,760
that would set her apart and I noticed

203
00:08:54,949 --> 00:08:53,399
her hands because she had her she I

204
00:08:57,590 --> 00:08:54,959
could see her hands

205
00:09:01,070 --> 00:08:57,600
and uh her two middle fingers on each

206
00:09:03,829 --> 00:09:01,080
hand was a little longer than uh

207
00:09:06,650 --> 00:09:03,839
any normal one but she didn't have no

208
00:09:08,389 --> 00:09:06,660
breasts and uh she had regular eyes

209
00:09:10,190 --> 00:09:08,399
mouth nose

210
00:09:13,370 --> 00:09:10,200
had hair

211
00:09:15,590 --> 00:09:13,380
and the lights was kind of blue screen

212
00:09:17,449 --> 00:09:15,600
in there so it made her hair look bluish

213
00:09:20,269 --> 00:09:17,459

green but I know it was

214

00:09:22,610 --> 00:09:20,279

you know a regular color

215

00:09:24,470 --> 00:09:22,620

but she'd come over and she put her left

216

00:09:27,290 --> 00:09:24,480

hand on my jaw

217

00:09:29,210 --> 00:09:27,300

and I noticed then it really wasn't no

218

00:09:33,170 --> 00:09:29,220

feeling to her skin

219

00:09:35,170 --> 00:09:33,180

of course I was scared by then my shots

220

00:09:38,210 --> 00:09:35,180

started wearing off or whatever I had

221

00:09:40,310 --> 00:09:38,220

and she took her right hand

222

00:09:43,910 --> 00:09:40,320

and she took her left hand pushed down

223

00:09:46,009 --> 00:09:43,920

on my jaw and my mouth was open and she

224

00:09:48,710 --> 00:09:46,019

took her right two middle fingers to run

225

00:09:51,949 --> 00:09:48,720

down my throat and they went past that

226

00:09:53,870 --> 00:09:51,959

little hangy damn thing in the back oh I

227

00:09:56,150 --> 00:09:53,880

don't know what it's called it's an

228

00:09:58,009 --> 00:09:56,160

epiglottis is what they call that is

229

00:09:59,269 --> 00:09:58,019

that what they call it epiglottis yeah

230

00:10:01,790 --> 00:09:59,279

the back of your throat your little

231

00:10:03,430 --> 00:10:01,800

punching bag I've worn it for years what

232

00:10:06,889 --> 00:10:03,440

that thing was called

233

00:10:11,150 --> 00:10:06,899

well now you know brother yeah

234

00:10:14,150 --> 00:10:11,160

and I started gagging throwing up

235

00:10:17,329 --> 00:10:14,160

and uh she yanked her hand out real

236

00:10:20,210 --> 00:10:17,339

quick like her fingers

237

00:10:23,329 --> 00:10:20,220

and I couldn't figure out really what

238

00:10:25,970 --> 00:10:23,339

she was doing it it scared me I started

239

00:10:28,910 --> 00:10:25,980

bleeding and she had scratched my throat

240

00:10:34,130 --> 00:10:28,920

up and all and I was bleeding real bad

241

00:10:36,290 --> 00:10:34,140

and she pulled out and she mentally I

242

00:10:39,110 --> 00:10:36,300

think she said now I don't know that

243

00:10:41,269 --> 00:10:39,120

that she said it was we don't mean to

244

00:10:45,590 --> 00:10:41,279

harm you or I'm not going to harm you

245

00:10:48,050 --> 00:10:45,600

but anyhow the damage was done right

246

00:10:51,730 --> 00:10:48,060

so she pulled out

247

00:10:55,490 --> 00:10:51,740

and it was blood it was gushing blood

248

00:10:57,710 --> 00:10:55,500

what I mean was she had scratched me up

249

00:11:01,190 --> 00:10:57,720

and uh

250

00:11:02,690 --> 00:11:01,200

I was thinking well you know she did

251
00:11:04,970 --> 00:11:02,700
harm me

252
00:11:07,730 --> 00:11:04,980
and she made a noise I don't know if I

253
00:11:10,850 --> 00:11:07,740
ever heard a mating call off alligator

254
00:11:12,710 --> 00:11:10,860
or not but no if you own a swamp it

255
00:11:16,370 --> 00:11:12,720
vibrates the whole swamp you can hear

256
00:11:19,130 --> 00:11:16,380
from miles it's kind of goop go go

257
00:11:21,889 --> 00:11:19,140
and she made a noise like that and what

258
00:11:23,750 --> 00:11:21,899
I call a mating call for an alligator

259
00:11:27,230 --> 00:11:23,760
and I noticed

260
00:11:28,610 --> 00:11:27,240
I heard a noise over on my left and I

261
00:11:30,769 --> 00:11:28,620
turned around and looked and this

262
00:11:33,170 --> 00:11:30,779
creature that had shut down like a Jack

263
00:11:33,889 --> 00:11:33,180

In The Box come alive like a Jack In The

264

00:11:36,710 --> 00:11:33,899

Box

265

00:11:39,949 --> 00:11:36,720

and he come over to where I was

266

00:11:44,750 --> 00:11:39,959

well he grabbed me by the left arm again

267

00:11:46,850 --> 00:11:44,760

and you could hear a little Goose air or

268

00:11:49,730 --> 00:11:46,860

something like

269

00:11:52,190 --> 00:11:49,740

and when they grabbed me by the arm and

270

00:11:55,250 --> 00:11:52,200

I got relaxed again

271

00:11:57,350 --> 00:11:55,260

so I figured oh they said it's emergency

272

00:12:00,290 --> 00:11:57,360

room at the ER

273

00:12:01,250 --> 00:12:00,300

that uh because we went right after this

274

00:12:04,610 --> 00:12:01,260

happened

275

00:12:07,430 --> 00:12:04,620

that it it looked like my arm was split

276

00:12:11,629 --> 00:12:07,440

and they had pictures of it

277

00:12:14,269 --> 00:12:11,639

and uh my arm was kind of split and he

278

00:12:17,389 --> 00:12:14,279

said that a lot of times in the service

279

00:12:19,670 --> 00:12:17,399

they have give so many vaccinations they

280

00:12:22,870 --> 00:12:19,680

got it like a gallon jug with a vaccine

281

00:12:25,850 --> 00:12:22,880

in it and they have air guns

282

00:12:27,889 --> 00:12:25,860

and it looked like we're one of them and

283

00:12:30,350 --> 00:12:27,899

split my arm they come out with such

284

00:12:32,509 --> 00:12:30,360

pressure didn't split so that's what

285

00:12:34,730 --> 00:12:32,519

they're sending the doctors you know

286

00:12:38,090 --> 00:12:34,740

saying Dr Bosco

287

00:12:39,350 --> 00:12:38,100

but anyhow get back to the story here

288

00:12:41,750 --> 00:12:39,360

y'all

289

00:12:44,509 --> 00:12:41,760

they give me the shot again

290

00:12:46,790 --> 00:12:44,519

well this uh

291

00:12:56,690 --> 00:12:46,800

lady

292

00:12:59,329 --> 00:12:56,700

it could have been anything it could

293

00:13:02,690 --> 00:12:59,339

have been something in disguise

294

00:13:04,850 --> 00:13:02,700

but I I figure if it was in Disguise I

295

00:13:07,730 --> 00:13:04,860

disguised herself like a female so it

296

00:13:10,690 --> 00:13:07,740

wouldn't scare you so bad right

297

00:13:14,210 --> 00:13:10,700

she went back over to the other side

298

00:13:17,090 --> 00:13:14,220

walked normal went normal this thing

299

00:13:19,250 --> 00:13:17,100

that picked me up and carried me outside

300

00:13:21,710 --> 00:13:19,260

back to the river

301
00:13:24,170 --> 00:13:21,720
and set me down and my arms were

302
00:13:26,150 --> 00:13:24,180
stretched out across the facing the

303
00:13:29,030 --> 00:13:26,160
river and I was just standing there

304
00:13:32,449 --> 00:13:29,040
still and that's when I finally heard

305
00:13:34,490 --> 00:13:32,459
Charlie he said son son you okay and he

306
00:13:36,050 --> 00:13:34,500
was laying down at my feet grabbing on

307
00:13:39,769 --> 00:13:36,060
my pants leg

308
00:13:43,009 --> 00:13:39,779
and I thought yeah you know for

309
00:13:45,889 --> 00:13:43,019
everything that just happened I'm okay

310
00:13:48,530 --> 00:13:45,899
and Charlie said

311
00:13:51,290 --> 00:13:48,540
well let's set out the damage is done

312
00:13:53,810 --> 00:13:51,300
let's sit down and talk about this

313
00:13:55,610 --> 00:13:53,820

and this is the only time I really ever

314

00:13:59,629 --> 00:13:55,620

talked to Charlie we didn't talk about

315

00:14:02,930 --> 00:13:59,639

what happened to each other right and uh

316

00:14:06,470 --> 00:14:02,940

we agreed not to say nothing about it

317

00:14:07,129 --> 00:14:06,480

because this was 1973. nobody believed

318

00:14:11,449 --> 00:14:07,139

you

319

00:14:13,550 --> 00:14:11,459

not then anyway and uh

320

00:14:15,350 --> 00:14:13,560

we figured people would think us crazy

321

00:14:17,569 --> 00:14:15,360

so we're great we wasn't going to say

322

00:14:20,509 --> 00:14:17,579

nothing about it and get up and go to

323

00:14:24,410 --> 00:14:20,519

work the next morning

324

00:14:27,530 --> 00:14:24,420

so we sit there probably 15-20 minutes

325

00:14:30,050 --> 00:14:27,540

and kind of calmed down and made her way

326

00:14:31,189 --> 00:14:30,060

back started making her way back to a

327

00:14:37,850 --> 00:14:31,199

car

328

00:14:40,910 --> 00:14:37,860

uh I opened my door and the windows was

329

00:14:43,790 --> 00:14:40,920

shattered in place on the side the

330

00:14:45,949 --> 00:14:43,800

passenger side that was facing the crowd

331

00:14:49,069 --> 00:14:45,959

looked like they just shattered all in

332

00:14:52,250 --> 00:14:49,079

place but they're still intact

333

00:14:54,650 --> 00:14:52,260

well when Charlie went to open the door

334

00:14:56,110 --> 00:14:54,660

the windshield on the driver's side fell

335

00:15:01,009 --> 00:14:56,120

out

336

00:15:02,689 --> 00:15:01,019

so uh it's crazy it is I I don't know

337

00:15:05,750 --> 00:15:02,699

what shattered them I don't know the

338

00:15:07,910 --> 00:15:05,760

noise of this thing taking off well to

339

00:15:09,650 --> 00:15:07,920

get back to where it took off let me get

340

00:15:14,870 --> 00:15:09,660

back to the pier

341

00:15:16,970 --> 00:15:14,880

way y'all we one was he was pulling up

342

00:15:19,310 --> 00:15:16,980

my pants leg and finally we both stood

343

00:15:21,829 --> 00:15:19,320

up and turned around and this thing

344

00:15:23,750 --> 00:15:21,839

lifted off the ground it was already

345

00:15:25,310 --> 00:15:23,760

hovering off the ground probably about

346

00:15:27,889 --> 00:15:25,320

two or three foot

347

00:15:30,650 --> 00:15:27,899

but it just picked up a little ways in

348

00:15:31,850 --> 00:15:30,660

this uh air and then it just shot off

349

00:15:35,269 --> 00:15:31,860

like a

350

00:15:40,490 --> 00:15:37,550

so that that's kind of what scared us

351
00:15:42,410 --> 00:15:40,500
when we got back to the car then notice

352
00:15:45,110 --> 00:15:42,420
the windows and the car wouldn't hardly

353
00:15:47,509 --> 00:15:45,120
crank it was a brand new car in 73 it

354
00:15:49,310 --> 00:15:47,519
was a brand new Rambler warning

355
00:15:52,790 --> 00:15:49,320
and uh

356
00:15:55,550 --> 00:15:52,800
of course I finally got the car cranked

357
00:15:57,290 --> 00:15:55,560
it was my car we started driving

358
00:15:59,449 --> 00:15:57,300
and was going toward this apartment

359
00:16:02,329 --> 00:15:59,459
complex and uh

360
00:16:04,430 --> 00:16:02,339
he he saw a store over on the side back

361
00:16:06,430 --> 00:16:04,440
in they didn't have cell phones and they

362
00:16:10,009 --> 00:16:06,440
didn't didn't have computers or nothing

363
00:16:11,870 --> 00:16:10,019

he asked me he said uh pull in here and

364

00:16:13,610 --> 00:16:11,880

let's use the phone

365

00:16:15,290 --> 00:16:13,620

well I thought he was going to call his

366

00:16:16,970 --> 00:16:15,300

wife I didn't know he was going to call

367

00:16:19,790 --> 00:16:16,980

everybody in the country and tell them

368

00:16:23,030 --> 00:16:19,800

because we agreed not to tell nobody

369

00:16:25,670 --> 00:16:23,040

but Charlie Whitney called Keesler Air

370

00:16:28,249 --> 00:16:25,680

Force Base and apparently they told told

371

00:16:30,290 --> 00:16:28,259

him to call the local authorities

372

00:16:32,569 --> 00:16:30,300

he'd come back to the car he said you

373

00:16:34,009 --> 00:16:32,579

got any change for the phone I thought

374

00:16:37,310 --> 00:16:34,019

he lost his money

375

00:16:39,230 --> 00:16:37,320

so we scrambled around under the seats

376

00:16:41,210 --> 00:16:39,240

between the Saints and found some more

377

00:16:43,189 --> 00:16:41,220

chains I don't think it's about a nickel

378

00:16:45,710 --> 00:16:43,199

or dime to call

379

00:16:47,569 --> 00:16:45,720

and he called the local wall

380

00:16:50,389 --> 00:16:47,579

Sheriff Department

381

00:16:51,650 --> 00:16:50,399

because keister and cow told him to call

382

00:16:53,930 --> 00:16:51,660

the sheriff department they didn't

383

00:16:57,530 --> 00:16:53,940

handle nothing like that

384

00:16:59,569 --> 00:16:57,540

well they told us to sit there

385

00:17:01,430 --> 00:16:59,579

until they got there of course I know

386

00:17:03,949 --> 00:17:01,440

they figured we was on dope or drinking

387

00:17:06,710 --> 00:17:03,959

they didn't want us on the road

388

00:17:09,350 --> 00:17:06,720

well Charlie told me that uh

389

00:17:11,569 --> 00:17:09,360

they said sit here I said who sits that

390

00:17:13,069 --> 00:17:11,579

there he said the police department well

391

00:17:16,789 --> 00:17:13,079

I was afraid to move because that's

392

00:17:19,309 --> 00:17:16,799

going to arrest us we had to move anyhow

393

00:17:21,470 --> 00:17:19,319

so I sat there and waited on them it

394

00:17:22,789 --> 00:17:21,480

took them less than 10 minutes to get

395

00:17:25,549 --> 00:17:22,799

there

396

00:17:27,230 --> 00:17:25,559

and of course I was driving they stepped

397

00:17:29,570 --> 00:17:27,240

to my side of the car and wanted to see

398

00:17:32,029 --> 00:17:29,580

my driver's license I showed them them

399

00:17:34,130 --> 00:17:32,039

is to step out of the car

400

00:17:36,830 --> 00:17:34,140

I stepped out of the car he said now

401

00:17:39,409 --> 00:17:36,840

stand on your right or left leg I can't

402

00:17:42,529 --> 00:17:39,419

remember which one exactly

403

00:17:45,289 --> 00:17:42,539

and uh hold your head back touch your

404

00:17:46,610 --> 00:17:45,299

nose close your eyes and count from 200

405

00:17:48,950 --> 00:17:46,620

backwards

406

00:17:51,590 --> 00:17:48,960

I said hell man I can't do that sober

407

00:17:56,029 --> 00:17:51,600

myself thank you

408

00:17:58,610 --> 00:17:56,039

he said we'll do it so anyhow I've done

409

00:18:00,770 --> 00:17:58,620

a school sobriety test and I Walk the

410

00:18:02,690 --> 00:18:00,780

Line they said you're okay he said

411

00:18:05,390 --> 00:18:02,700

followers to complete the show tomorrow

412

00:18:08,029 --> 00:18:05,400

but I said well if I'm okay you know I'd

413

00:18:10,370 --> 00:18:08,039

rather go on home he should follow us to

414

00:18:14,210 --> 00:18:10,380

the Sheriff's Department Charlie was

415

00:18:16,730 --> 00:18:14,220

by then talking to the uh other Deputy

416

00:18:18,770 --> 00:18:16,740

that was waiting

417

00:18:19,850 --> 00:18:18,780

so we followed them to the Sheriff's

418

00:18:23,570 --> 00:18:19,860

Department

419

00:18:26,110 --> 00:18:23,580

we got out and uh they took Charlie one

420

00:18:28,490 --> 00:18:26,120

room they took me in another room then

421

00:18:30,409 --> 00:18:28,500

interrogated to separate then he put us

422

00:18:33,110 --> 00:18:30,419

in a room together

423

00:18:36,350 --> 00:18:33,120

and that's

424

00:18:38,690 --> 00:18:36,360

when uh Me and Charlie was talking about

425

00:18:41,870 --> 00:18:38,700

what really happened to us

426

00:18:44,330 --> 00:18:41,880

and they had it on recording well the

427

00:18:45,289 --> 00:18:44,340

sheriff came down to the Sheriff's

428

00:18:49,010 --> 00:18:45,299

Department

429

00:18:51,350 --> 00:18:49,020

and he coming to the room that he had us

430

00:18:53,330 --> 00:18:51,360

and got something out of the drawer and

431

00:18:56,390 --> 00:18:53,340

apparently it was what they call a

432

00:18:58,250 --> 00:18:56,400

sacred tape he was listening to it and

433

00:19:00,529 --> 00:18:58,260

he come in and he said oh

434

00:19:02,690 --> 00:19:00,539

you boys going home gets to sleep and

435

00:19:05,270 --> 00:19:02,700

I'll say y'all tomorrow

436

00:19:08,150 --> 00:19:05,280

well this was after I took the sobriety

437

00:19:10,549 --> 00:19:08,160

test and I took blew the balloon up or

438

00:19:11,930 --> 00:19:10,559

what they call a balloon which showed I

439

00:19:15,590 --> 00:19:11,940

wasn't drinking

440

00:19:18,289 --> 00:19:15,600

van and uh so we left and we drove on

441

00:19:19,370 --> 00:19:18,299

home well I got to the apartment where I

442

00:19:23,090 --> 00:19:19,380

was staying

443

00:19:24,950 --> 00:19:23,100

and I felt you ever just felt dirty

444

00:19:26,330 --> 00:19:24,960

there was blood all over you and all

445

00:19:29,570 --> 00:19:26,340

over my shirt

446

00:19:32,390 --> 00:19:29,580

so I walked into my bathroom I took off

447

00:19:34,130 --> 00:19:32,400

all my clothes I took off my shoes and

448

00:19:35,990 --> 00:19:34,140

there was a paper bag there and I put

449

00:19:38,090 --> 00:19:36,000

them in a paper bag

450

00:19:41,090 --> 00:19:38,100

and there was a gallon of bleach on the

451
00:19:44,690 --> 00:19:41,100
bathtub so I took that bleach and just

452
00:19:47,450 --> 00:19:44,700
poured it on me because I remember as a

453
00:19:50,690 --> 00:19:47,460
child baby my mother was babies in

454
00:19:53,930 --> 00:19:50,700
Bleach if we had gotten poison ivy

455
00:19:55,010 --> 00:19:53,940
or something and anyhow I thought it

456
00:19:58,730 --> 00:19:55,020
cleaned

457
00:20:01,669 --> 00:19:58,740
because this was 50 years maybe 50 years

458
00:20:06,350 --> 00:20:04,549
and that's the only thing I need to do

459
00:20:09,529 --> 00:20:06,360
so when I got out of the shower I took

460
00:20:11,330 --> 00:20:09,539
my clothes and I put them in a dumpster

461
00:20:14,090 --> 00:20:11,340
well uh

462
00:20:16,250 --> 00:20:14,100
I went on in and went to bed I don't

463
00:20:17,690 --> 00:20:16,260

know what Charlie did I guess he went in

464

00:20:20,750 --> 00:20:17,700

and went to bed

465

00:20:22,149 --> 00:20:20,760

and not that I got any sleep but I got

466

00:20:26,630 --> 00:20:22,159

up the next morning

467

00:20:29,750 --> 00:20:26,640

and Charlie was already up so we left

468

00:20:31,730 --> 00:20:29,760

him was going to work and we went on to

469

00:20:34,190 --> 00:20:31,740

work and uh

470

00:20:36,049 --> 00:20:34,200

when we got at work of course this is my

471

00:20:38,330 --> 00:20:36,059

second day there I noticed there was a

472

00:20:41,450 --> 00:20:38,340

lot of cars around

473

00:20:45,409 --> 00:20:41,460

and a lot of uh what they call these

474

00:20:46,130 --> 00:20:45,419

uplinks on TV Vans a lot of TV games is

475

00:20:48,350 --> 00:20:46,140

there

476
00:20:49,669 --> 00:20:48,360
and I still had to put two and two

477
00:20:52,610 --> 00:20:49,679
together

478
00:20:55,370 --> 00:20:52,620
I didn't know what was going on what we

479
00:20:57,649 --> 00:20:55,380
brassed in they have a brass with a

480
00:21:00,710 --> 00:20:57,659
number on it you hand it to them they

481
00:21:02,810 --> 00:21:00,720
write your time right when you get there

482
00:21:04,370 --> 00:21:02,820
and then when you come back out they

483
00:21:05,990 --> 00:21:04,380
give you your brass and they're right

484
00:21:08,870 --> 00:21:06,000
now when you leave

485
00:21:11,510 --> 00:21:08,880
so we brassed in and got to the field

486
00:21:13,190 --> 00:21:11,520
with somebody over the loudspeaker

487
00:21:15,409 --> 00:21:13,200
called for me and Charlie to come to the

488
00:21:20,029 --> 00:21:15,419

office

489

00:21:22,430 --> 00:21:20,039

and uh

490

00:21:26,029 --> 00:21:22,440

the the owner of the shipyard was there

491

00:21:27,590 --> 00:21:26,039

which was the shipyard he said uh y'all

492

00:21:29,990 --> 00:21:27,600

gonna have to do something he said I

493

00:21:32,029 --> 00:21:30,000

can't use the phones I don't know what

494

00:21:34,490 --> 00:21:32,039

happened but y'all gonna have to give a

495

00:21:37,130 --> 00:21:34,500

press release because I got a business

496

00:21:38,870 --> 00:21:37,140

to conduct here and I can't use the

497

00:21:40,070 --> 00:21:38,880

phones because the phone lines are so

498

00:21:43,490 --> 00:21:40,080

stopped up

499

00:21:48,529 --> 00:21:43,500

I thought well how in the world

500

00:21:51,890 --> 00:21:48,539

I knew I had a feeling what it was then

501
00:21:53,870 --> 00:21:51,900
he said well I got an attorney he said

502
00:21:56,270 --> 00:21:53,880
y'all tell him what to say and he'll

503
00:21:58,370 --> 00:21:56,280
give the press release

504
00:22:02,649 --> 00:21:58,380
and I

505
00:22:04,970 --> 00:22:02,659
my part of the press release was nothing

506
00:22:07,610 --> 00:22:04,980
excuse me

507
00:22:09,710 --> 00:22:07,620
I said I don't I I don't nothing

508
00:22:11,810 --> 00:22:09,720
happened to give a press release but

509
00:22:13,490 --> 00:22:11,820
Charlie went ahead he started spilling

510
00:22:16,490 --> 00:22:13,500
his guts in

511
00:22:18,770 --> 00:22:16,500
and uh kind of made me mad because we

512
00:22:22,789 --> 00:22:18,780
agreed not to talk about this to anybody

513
00:22:24,350 --> 00:22:22,799

so Charlie started telling everybody

514

00:22:27,470 --> 00:22:24,360

well

515

00:22:29,630 --> 00:22:27,480

we went ahead and gave the press release

516

00:22:31,789 --> 00:22:29,640

then the sheriff showed up he said I

517

00:22:34,010 --> 00:22:31,799

want to take y'all

518

00:22:36,350 --> 00:22:34,020

to the emergency room and get y'all

519

00:22:38,450 --> 00:22:36,360

checked out because he's saying what

520

00:22:41,450 --> 00:22:38,460

kind of shape I was in that night that I

521

00:22:43,250 --> 00:22:41,460

was bleeding and all that so he took us

522

00:22:46,070 --> 00:22:43,260

to the emergency room after the blood

523

00:22:48,289 --> 00:22:46,080

work we seen the doctor and all this

524

00:22:53,029 --> 00:22:48,299

stuff was a doctor recommended that we

525

00:22:55,130 --> 00:22:53,039

go have a radio big chat for radiation

526

00:22:57,890 --> 00:22:55,140

because he had an idea because the

527

00:23:01,010 --> 00:22:57,900

sheriff told him then what had happened

528

00:23:03,529 --> 00:23:01,020

so we the sheriff put us in the car and

529

00:23:05,450 --> 00:23:03,539

he drove us to wall Kiesel Air Force

530

00:23:07,909 --> 00:23:05,460

Base which is down there

531

00:23:09,409 --> 00:23:07,919

we got to Keisha they called us put us

532

00:23:12,230 --> 00:23:09,419

on through the gate

533

00:23:13,610 --> 00:23:12,240

notice about six guys in hazmat suits

534

00:23:16,250 --> 00:23:13,620

had them on

535

00:23:17,630 --> 00:23:16,260

and we went to get out of the car while

536

00:23:20,210 --> 00:23:17,640

everybody went to get out he said

537

00:23:21,649 --> 00:23:20,220

everybody stay in but these two men

538

00:23:24,110 --> 00:23:21,659

right here

539

00:23:26,690 --> 00:23:24,120

so we got out the checkers for Aviation

540

00:23:27,950 --> 00:23:26,700

well I had some on me Charlie didn't

541

00:23:32,390 --> 00:23:27,960

have none

542

00:23:34,490 --> 00:23:32,400

but uh the reason I had I feel like I

543

00:23:36,230 --> 00:23:34,500

had a little radiation because I had

544

00:23:37,490 --> 00:23:36,240

been working in the oil field around

545

00:23:40,370 --> 00:23:37,500

what's it called

546

00:23:43,730 --> 00:23:40,380

these gamma ray machines and all that uh

547

00:23:46,610 --> 00:23:43,740

check the seismograph of the whole and

548

00:23:48,590 --> 00:23:46,620

they have radiation in them so you know

549

00:23:50,149 --> 00:23:48,600

I I had been working around a little

550

00:23:51,769 --> 00:23:50,159

radiation

551

00:23:53,269 --> 00:23:51,779

well they checked this and they said

552

00:23:56,810 --> 00:23:53,279

they all clear

553

00:24:00,350 --> 00:23:56,820

they said well y'all need to go back

554

00:24:02,990 --> 00:24:00,360

to the meeting room we got a uh they

555

00:24:04,850 --> 00:24:03,000

want to meet with y'all I thought oh my

556

00:24:08,510 --> 00:24:04,860

goodness

557

00:24:10,909 --> 00:24:08,520

well I never have heard of UFOs back in

558

00:24:12,529 --> 00:24:10,919

or aliens or men in black or nothing

559

00:24:15,529 --> 00:24:12,539

else so

560

00:24:18,230 --> 00:24:15,539

is it really I didn't want to go back

561

00:24:20,409 --> 00:24:18,240

there but I went with the crowd we had

562

00:24:23,330 --> 00:24:20,419

to sheriff with us which is Fred Diamond

563

00:24:27,830 --> 00:24:23,340

they took us to the back and the

564

00:24:30,590 --> 00:24:27,840

military interviews along with um

565

00:24:33,230 --> 00:24:30,600

ever Police Department on the coast

566

00:24:35,090 --> 00:24:33,240

there's three counties down here or two

567

00:24:37,430 --> 00:24:35,100

counties uh

568

00:24:39,529 --> 00:24:37,440

Three Counties Jackson Hancock and

569

00:24:42,169 --> 00:24:39,539

Harrison where they had the sheriff and

570

00:24:43,490 --> 00:24:42,179

the police department of Amber Town had

571

00:24:45,649 --> 00:24:43,500

an officer there

572

00:24:46,490 --> 00:24:45,659

and they wanted to know what was going

573

00:24:48,470 --> 00:24:46,500

on

574

00:24:51,230 --> 00:24:48,480

well I didn't tell them nothing Charlie

575

00:24:52,190 --> 00:24:51,240

did you know well I told him just enough

576
00:24:54,830 --> 00:24:52,200
to

577
00:24:57,350 --> 00:24:54,840
what questions they asked

578
00:24:59,210 --> 00:24:57,360
and then they was just as nice as they

579
00:25:02,090 --> 00:24:59,220
can be they said y'all go

580
00:25:05,090 --> 00:25:02,100
so the sheriff put us back in the car

581
00:25:07,370 --> 00:25:05,100
drove us back about 30 miles to where we

582
00:25:10,610 --> 00:25:07,380
were at the shipyard where he picked us

583
00:25:13,370 --> 00:25:10,620
up by that time it was way dark

584
00:25:15,590 --> 00:25:13,380
and uh he said before y'all leave that

585
00:25:19,130 --> 00:25:15,600
somebody wants to talk to you

586
00:25:21,049 --> 00:25:19,140
said okay but my intentions was to go

587
00:25:23,390 --> 00:25:21,059
home get my clothes and going back long

588
00:25:27,169 --> 00:25:23,400

go back to work in the oilfield

589

00:25:28,789 --> 00:25:27,179

so we went in and Dr heineck and Dr

590

00:25:31,669 --> 00:25:28,799

harder was there

591

00:25:34,310 --> 00:25:31,679

and I never heard of them but Dr heineck

592

00:25:36,350 --> 00:25:34,320

was over Project Blue Book which I had

593

00:25:38,750 --> 00:25:36,360

done away with Project Blue Book by then

594

00:25:40,070 --> 00:25:38,760

but Dr heinek was still investigating on

595

00:25:42,769 --> 00:25:40,080

his own

596

00:25:47,450 --> 00:25:42,779

and he was just as nice

597

00:25:49,789 --> 00:25:47,460

and uh they took Charlie back Dr harder

598

00:25:51,350 --> 00:25:49,799

examined him and I said stayed there and

599

00:25:55,070 --> 00:25:51,360

talked to Dr honey

600

00:25:58,610 --> 00:25:55,080

and he he was just kind of the person

601
00:26:01,490 --> 00:25:58,620
that she didn't mind talking to me and

602
00:26:04,909 --> 00:26:01,500
uh he's laid back and sing like

603
00:26:07,549 --> 00:26:04,919
grandfather image like I described him

604
00:26:08,390 --> 00:26:07,559
well we visited with him he gave me his

605
00:26:10,310 --> 00:26:08,400
card

606
00:26:13,010 --> 00:26:10,320
he said well I'll see y'all in the

607
00:26:15,070 --> 00:26:13,020
morning now how these two got there I

608
00:26:18,950 --> 00:26:15,080
found out that it happened

609
00:26:21,649 --> 00:26:18,960
that fast that was the next morning

610
00:26:23,390 --> 00:26:21,659
after this had happened back in That 70s

611
00:26:25,610 --> 00:26:23,400
it takes you that long to make a plane

612
00:26:29,390 --> 00:26:25,620
reservation yeah

613
00:26:31,549 --> 00:26:29,400

so uh later on I seen his son I asked

614

00:26:33,830 --> 00:26:31,559

him oh

615

00:26:35,330 --> 00:26:33,840

I got to know his son real good Paul

616

00:26:38,149 --> 00:26:35,340

honey

617

00:26:40,789 --> 00:26:38,159

and I asked him how his daddy got there

618

00:26:43,850 --> 00:26:40,799

that fast he said apparently

619

00:26:45,289 --> 00:26:43,860

they had connections and got a plane

620

00:26:47,390 --> 00:26:45,299

down

621

00:26:50,029 --> 00:26:47,400

but uh

622

00:26:53,630 --> 00:26:50,039

we went back the next morning I took my

623

00:26:57,049 --> 00:26:53,640

bags with me and as I told dog

624

00:27:00,649 --> 00:26:57,059

said before I got hired and fired and a

625

00:27:02,870 --> 00:27:00,659

physical all in the same day so I went

626
00:27:06,049 --> 00:27:02,880
back to Laurel and that's the end of it

627
00:27:08,510 --> 00:27:06,059
I heard until 2018

628
00:27:10,909 --> 00:27:08,520
and I didn't talk about this I didn't

629
00:27:13,190 --> 00:27:10,919
talk about it to my family I mean

630
00:27:15,649 --> 00:27:13,200
engaged to get married at the moment

631
00:27:17,690 --> 00:27:15,659
this happened in October we got married

632
00:27:21,649 --> 00:27:17,700
November the 9th

633
00:27:25,549 --> 00:27:21,659
and uh I didn't talk about it to her

634
00:27:29,510 --> 00:27:25,559
well she was young and she was 16 I was

635
00:27:31,070 --> 00:27:29,520
18. or 19 just turned 19.

636
00:27:33,710 --> 00:27:31,080
and uh

637
00:27:36,169 --> 00:27:33,720
I decided not to tell nobody about it I

638
00:27:40,789 --> 00:27:36,179

just wanted to get on with my life

639

00:27:47,570 --> 00:27:45,110

I was uh we had a neighbor died I've

640

00:27:50,029 --> 00:27:47,580

been using a phony name up until then I

641

00:27:52,310 --> 00:27:50,039

still I'll use my real name to get my

642

00:27:55,610 --> 00:27:52,320

paychecks and I will but

643

00:27:57,350 --> 00:27:55,620

I don't have a job I didn't use my name

644

00:27:59,210 --> 00:27:57,360

my real name

645

00:28:02,029 --> 00:27:59,220

oh

646

00:28:04,370 --> 00:28:02,039

we had a neighbor that passed away so

647

00:28:06,830 --> 00:28:04,380

went to the funeral home and signed I

648

00:28:08,510 --> 00:28:06,840

made a mistake I signed a lot more with

649

00:28:10,610 --> 00:28:08,520

my real name

650

00:28:13,310 --> 00:28:10,620

well there was people coming out of the

651
00:28:16,130 --> 00:28:13,320
woodwork well are you the Calvin Parker

652
00:28:18,529 --> 00:28:16,140
that got deducted in 73. now how in the

653
00:28:21,590 --> 00:28:18,539
world somebody remembered that 49 years

654
00:28:25,250 --> 00:28:21,600
later 48 years later I don't know

655
00:28:27,950 --> 00:28:25,260
but they did well we didn't want to take

656
00:28:29,630 --> 00:28:27,960
away from his wife and daughter you know

657
00:28:32,769 --> 00:28:29,640
they was grieving they didn't need this

658
00:28:36,230 --> 00:28:32,779
boil around at the funeral home

659
00:28:38,810 --> 00:28:36,240
uh I said yeah I'm the one that I don't

660
00:28:40,970 --> 00:28:38,820
want to do this right now so I told my

661
00:28:42,289 --> 00:28:40,980
wife I said let's get in the car and go

662
00:28:46,850 --> 00:28:42,299
home

663
00:28:48,889 --> 00:28:46,860

write a book I said I don't have the

664

00:28:51,830 --> 00:28:48,899

education the right one I don't want to

665

00:28:53,630 --> 00:28:51,840

write a book she said well you never

666

00:28:55,010 --> 00:28:53,640

talked about this you never told the

667

00:28:57,950 --> 00:28:55,020

store and apparently people was

668

00:28:59,330 --> 00:28:57,960

interested why aren't you round a book

669

00:29:02,570 --> 00:28:59,340

so now

670

00:29:06,889 --> 00:29:02,580

you know I'm just not going to do it

671

00:29:08,990 --> 00:29:06,899

and uh the next morning Philip mantle

672

00:29:12,289 --> 00:29:09,000

called out of the UK

673

00:29:14,930 --> 00:29:12,299

and he uh was a publisher I didn't know

674

00:29:16,909 --> 00:29:14,940

who he was back in but Charlie had

675

00:29:21,289 --> 00:29:16,919

written a book years ago and he wanted

676

00:29:23,810 --> 00:29:21,299

to talk to me and Martin Willis which is

677

00:29:25,730 --> 00:29:23,820

a friend of mine and asked me if he

678

00:29:28,010 --> 00:29:25,740

could give him a contact number

679

00:29:29,450 --> 00:29:28,020

so yeah you know you can give him my

680

00:29:32,570 --> 00:29:29,460

contact number

681

00:29:35,690 --> 00:29:32,580

I'll talk to him but that's about it

682

00:29:38,570 --> 00:29:35,700

so Philip asked me why haven't you ever

683

00:29:40,909 --> 00:29:38,580

wrote a book just in conversation

684

00:29:43,010 --> 00:29:40,919

oh why don't you talk about this

685

00:29:43,970 --> 00:29:43,020

assistant because the media changes your

686

00:29:46,490 --> 00:29:43,980

story

687

00:29:48,769 --> 00:29:46,500

you start out you tell them you tell it

688

00:29:51,169 --> 00:29:48,779

like it is and they change it to be

689

00:29:52,190 --> 00:29:51,179

something else and I don't get into this

690

00:29:54,230 --> 00:29:52,200

bull

691

00:29:55,970 --> 00:29:54,240

he said well why don't you write a book

692

00:29:59,870 --> 00:29:55,980

and put in your own right and that's

693

00:30:02,810 --> 00:29:59,880

your legacy you uh Rob want to tell it

694

00:30:05,389 --> 00:30:02,820

like it is they can't change you

695

00:30:06,289 --> 00:30:05,399

I got to thinking well that made plenty

696

00:30:08,389 --> 00:30:06,299

of sense

697

00:30:10,130 --> 00:30:08,399

I said well let me think about it for a

698

00:30:12,830 --> 00:30:10,140

week well I've done decided there wasn't

699

00:30:15,230 --> 00:30:12,840

no answer his call no more because on

700

00:30:18,950 --> 00:30:15,240

the on my phone where he called where it

701
00:30:20,690 --> 00:30:18,960
tells the number I put no answer that

702
00:30:22,970 --> 00:30:20,700
right there

703
00:30:26,029 --> 00:30:22,980
so I was standing by the waiting as good

704
00:30:27,350 --> 00:30:26,039
as he his word he he called back but I

705
00:30:30,409 --> 00:30:27,360
didn't look at the number that was

706
00:30:33,169 --> 00:30:30,419
called him and it happened to be feeling

707
00:30:34,669 --> 00:30:33,179
and uh have you thought about writing a

708
00:30:36,529 --> 00:30:34,679
book I said yeah I don't want to mess

709
00:30:40,090 --> 00:30:36,539
with it he said well that's your legacy

710
00:30:43,850 --> 00:30:40,100
you need to write one Calvin he said on

711
00:30:46,310 --> 00:30:43,860
anyhow we fooled around we agreed I said

712
00:30:48,889 --> 00:30:46,320
the only way that I'll ride a bull

713
00:30:51,470 --> 00:30:48,899

I don't have an education I can't spell

714

00:30:53,930 --> 00:30:51,480

my own name sometimes

715

00:30:56,810 --> 00:30:53,940

it's that there's nothing

716

00:30:59,210 --> 00:30:56,820

is the book's not dead if it's a

717

00:31:00,830 --> 00:30:59,220

misspelled word it's left alone if it's

718

00:31:03,529 --> 00:31:00,840

misquoted

719

00:31:06,289 --> 00:31:03,539

yeah tell it like it is in the book to

720

00:31:08,930 --> 00:31:06,299

lay my words wrong he said I'll do it

721

00:31:11,810 --> 00:31:08,940

and he stood by his word he's a man of

722

00:31:13,970 --> 00:31:11,820

his word I have to say that well okay

723

00:31:15,350 --> 00:31:13,980

we've had fundamental on the show a

724

00:31:17,930 --> 00:31:15,360

couple of uh I guess about a month and a

725

00:31:19,789 --> 00:31:17,940

half ago and uh yeah he was the author

726

00:31:21,649 --> 00:31:19,799

of both of your books which you know the

727

00:31:24,169 --> 00:31:21,659

first book was essentially telling of

728

00:31:26,750 --> 00:31:24,179

your story but the second book and I

729

00:31:28,549 --> 00:31:26,760

love the tenacity of Philip because he

730

00:31:30,470 --> 00:31:28,559

went out and find found independent

731

00:31:31,549 --> 00:31:30,480

witnesses that could corroborate your

732

00:31:34,009 --> 00:31:31,559

story

733

00:31:35,690 --> 00:31:34,019

um you know you were hypnotized by none

734

00:31:37,730 --> 00:31:35,700

other than Kathleen Martin who was on

735

00:31:39,950 --> 00:31:37,740

last week and it was also been on

736

00:31:41,990 --> 00:31:39,960

previously as well too so

737

00:31:44,330 --> 00:31:42,000

um it took the original story and added

738

00:31:46,430 --> 00:31:44,340

evidence it added you know I think Bud

739

00:31:49,490 --> 00:31:46,440

Hopkins hypnotized you as well and those

740

00:31:52,549 --> 00:31:49,500

transcripts are in the 1993 but hop you

741

00:31:54,529 --> 00:31:52,559

see it yeah and at the time as well I

742

00:31:56,690 --> 00:31:54,539

heard that uh you passed two lie

743

00:31:59,470 --> 00:31:56,700

detector tests and you even went through

744

00:32:02,269 --> 00:31:59,480

like a voice stress test

745

00:32:04,070 --> 00:32:02,279

yeah show anomalies in your voice and

746

00:32:06,049 --> 00:32:04,080

you know might indicate that somebody's

747

00:32:08,210 --> 00:32:06,059

being more truthful or not so truthful

748

00:32:10,190 --> 00:32:08,220

and you've been Flawless the whole way

749

00:32:11,870 --> 00:32:10,200

through and and definitely not looking

750

00:32:14,810 --> 00:32:11,880

for that credit you've not wanted to

751
00:32:17,029 --> 00:32:14,820
even talk about it for decades yeah well

752
00:32:19,130 --> 00:32:17,039
I didn't tell my wife up until the book

753
00:32:21,830 --> 00:32:19,140
came out when I did the book

754
00:32:25,430 --> 00:32:21,840
I told Philip called

755
00:32:27,110 --> 00:32:25,440
I said see me I'm going to buy 10 copies

756
00:32:29,149 --> 00:32:27,120
I don't want you to give them to me I

757
00:32:31,430 --> 00:32:29,159
want to buy them they said no I won't

758
00:32:33,590 --> 00:32:31,440
send you 10 copies she said why do you

759
00:32:35,990 --> 00:32:33,600
need 10 copies I said I'm gonna give it

760
00:32:38,570 --> 00:32:36,000
one to my wife and the rest of my other

761
00:32:40,850 --> 00:32:38,580
family and let them read what happened

762
00:32:42,049 --> 00:32:40,860
and then I have a few friends I want to

763
00:32:45,289 --> 00:32:42,059

give one to

764

00:32:48,529 --> 00:32:45,299

and that's how they found out about it

765

00:32:50,750 --> 00:32:48,539

of course since the book came out

766

00:32:53,810 --> 00:32:50,760

uh

767

00:32:56,690 --> 00:32:53,820

it it come out a month early than what

768

00:32:58,669 --> 00:32:56,700

Philip Philip accident relation they hit

769

00:33:00,950 --> 00:32:58,679

the best sellers Market

770

00:33:02,930 --> 00:33:00,960

and people wanted to know about it and I

771

00:33:05,630 --> 00:33:02,940

would agree to talk about it at the

772

00:33:08,149 --> 00:33:05,640

conferences and things that's how I met

773

00:33:11,149 --> 00:33:08,159

Paul heineck you know

774

00:33:13,130 --> 00:33:11,159

but uh it's one of the better things

775

00:33:14,710 --> 00:33:13,140

that I did was getting it out in the

776

00:33:16,669 --> 00:33:14,720

open yeah

777

00:33:18,710 --> 00:33:16,679

our marriage

778

00:33:20,389 --> 00:33:18,720

from what I know um Philip mantle is

779

00:33:22,310 --> 00:33:20,399

working on a new book as well with some

780

00:33:24,710 --> 00:33:22,320

additional information that's coming up

781

00:33:25,909 --> 00:33:24,720

we won't ask you any secrets but uh we

782

00:33:27,409 --> 00:33:25,919

do want to put it out there that the

783

00:33:29,330 --> 00:33:27,419

story is not over and there's still

784

00:33:32,690 --> 00:33:29,340

things coming to the surface about it

785

00:33:34,250 --> 00:33:32,700

well I think uh Philip and Irene Scott's

786

00:33:38,330 --> 00:33:34,260

working on the bull

787

00:33:39,250 --> 00:33:38,340

and raising our ranking Bob she uh she's

788

00:33:41,990 --> 00:33:39,260

been

789

00:33:44,810 --> 00:33:42,000

interviewing the witnesses and all

790

00:33:46,009 --> 00:33:44,820

because she has an education like you

791

00:33:48,529 --> 00:33:46,019

wouldn't believe

792

00:33:52,009 --> 00:33:48,539

so she's been doing the interviews of

793

00:33:55,370 --> 00:33:52,019

the uh Witnesses and all and uh the

794

00:33:56,990 --> 00:33:55,380

background checks and I came I can't

795

00:33:58,669 --> 00:33:57,000

well I didn't want to be involved

796

00:34:01,310 --> 00:33:58,679

because

797

00:34:03,350 --> 00:34:01,320

you know it's containing to me but it's

798

00:34:04,850 --> 00:34:03,360

nothing to do with me

799

00:34:07,850 --> 00:34:04,860

so

800

00:34:09,710 --> 00:34:07,860

I've got two books out and I I could

801
00:34:10,550 --> 00:34:09,720
care less about being involved in that

802
00:34:13,609 --> 00:34:10,560
one

803
00:34:16,069 --> 00:34:13,619
but I'm anxious to read it

804
00:34:18,290 --> 00:34:16,079
yeah I'll be some good uh some good

805
00:34:21,050 --> 00:34:18,300
evidence at least it corroborates with

806
00:34:22,250 --> 00:34:21,060
your story it adds credibility as well I

807
00:34:24,829 --> 00:34:22,260
mean I don't know if you've had any

808
00:34:26,389 --> 00:34:24,839
critics or anybody that uh and you

809
00:34:27,950 --> 00:34:26,399
mentioned the media tends to spend

810
00:34:29,930 --> 00:34:27,960
things the way that they want to and I

811
00:34:33,290 --> 00:34:29,940
absolutely agree with you they they do

812
00:34:34,970 --> 00:34:33,300
that very well but uh yeah no

813
00:34:38,450 --> 00:34:34,980

um the other question that I had for you

814

00:34:39,889 --> 00:34:38,460

though was I saw in an interview once

815

00:34:41,089 --> 00:34:39,899

that you mentioned that this wasn't your

816

00:34:42,770 --> 00:34:41,099

only time

817

00:34:44,210 --> 00:34:42,780

that you've been

818

00:34:45,950 --> 00:34:44,220

um basically taken that there was

819

00:34:47,030 --> 00:34:45,960

another moment where you had missing

820

00:34:49,790 --> 00:34:47,040

time

821

00:34:52,190 --> 00:34:49,800

while fishing and you woke up and you

822

00:34:54,050 --> 00:34:52,200

were covered in a substance is that is

823

00:34:56,510 --> 00:34:54,060

that part of the story as well

824

00:34:59,270 --> 00:34:56,520

that is part of the story this happened

825

00:35:02,870 --> 00:34:59,280

this is why bud Hopkins hypnotized me in

826

00:35:03,950 --> 00:35:02,880

93. I knew that he did a book on this in

827

00:35:05,569 --> 00:35:03,960

time

828

00:35:10,730 --> 00:35:05,579

and uh

829

00:35:12,890 --> 00:35:10,740

it's hectic to wake up and have uh I

830

00:35:15,770 --> 00:35:12,900

went fishing I said I wasn't going to

831

00:35:18,290 --> 00:35:15,780

fish no more I went out and I told my

832

00:35:20,569 --> 00:35:18,300

wife I said I'll be back before dark

833

00:35:23,450 --> 00:35:20,579

well it was three o'clock in the morning

834

00:35:25,490 --> 00:35:23,460

this from 11 o'clock to three o'clock

835

00:35:26,390 --> 00:35:25,500

right and

836

00:35:29,089 --> 00:35:26,400

um

837

00:35:32,329 --> 00:35:29,099

I couldn't figure out what happened

838

00:35:34,069 --> 00:35:32,339

and I even had fish and the cooler don't

839

00:35:36,410 --> 00:35:34,079

remember catching them

840

00:35:39,589 --> 00:35:36,420

oh wow and I

841

00:35:43,370 --> 00:35:39,599

back then I didn't believe it hypnosis

842

00:35:45,290 --> 00:35:43,380

I didn't blame uh I still didn't I still

843

00:35:47,569 --> 00:35:45,300

don't know what happened to it or what

844

00:35:48,770 --> 00:35:47,579

happened to me or where they was from or

845

00:35:52,010 --> 00:35:48,780

anything

846

00:35:54,290 --> 00:35:52,020

so I was still hunting answers and Bud

847

00:35:54,890 --> 00:35:54,300

Hopkins had a book

848

00:35:57,170 --> 00:35:54,900

um

849

00:35:58,730 --> 00:35:57,180

called Mission time

850

00:36:01,190 --> 00:35:58,740

and

851
00:36:02,569 --> 00:36:01,200
that made sense to me because I was

852
00:36:06,290 --> 00:36:02,579
missing some time

853
00:36:08,390 --> 00:36:06,300
and he did help me uh of course Bud's

854
00:36:09,890 --> 00:36:08,400
dead and gone now

855
00:36:12,770 --> 00:36:09,900
but um

856
00:36:15,589 --> 00:36:12,780
apparently he hypnotized me put a

857
00:36:17,990 --> 00:36:15,599
Post-It not a suggestion in my head that

858
00:36:20,270 --> 00:36:18,000
I wouldn't remember this until it was

859
00:36:23,630 --> 00:36:20,280
time to remember it or until I can

860
00:36:26,270 --> 00:36:23,640
handle it right but uh basically what it

861
00:36:29,690 --> 00:36:26,280
was was another reduction

862
00:36:34,370 --> 00:36:29,700
and uh they gonna get into great detail

863
00:36:35,650 --> 00:36:34,380

in this in Phillip and Philip's new book

864

00:36:40,069 --> 00:36:35,660

nice

865

00:36:42,349 --> 00:36:40,079

no but the uh that's the one that we uh

866

00:36:44,930 --> 00:36:42,359

we're talking about at work excitingly

867

00:36:47,150 --> 00:36:44,940

was just talking about your hypnosis

868

00:36:50,089 --> 00:36:47,160

regressions with Kathleen Martin and

869

00:36:53,210 --> 00:36:50,099

then of course bud Hopkins I know that

870

00:36:55,490 --> 00:36:53,220

you mentioned in that article or that

871

00:36:57,890 --> 00:36:55,500

new sequence that I saw it in that

872

00:37:00,589 --> 00:36:57,900

basically you had had enough at that

873

00:37:03,050 --> 00:37:00,599

point that uh when you woke up you just

874

00:37:05,589 --> 00:37:03,060

you had enough and you grab hold of one

875

00:37:09,410 --> 00:37:05,599

of these entities and gave her hell yeah

876

00:37:11,690 --> 00:37:09,420

I made her head against the wall yeah me

877

00:37:14,329 --> 00:37:11,700

and her in the fish I back in I was in

878

00:37:17,450 --> 00:37:14,339

shape I'm sick and wait till he's down

879

00:37:19,609 --> 00:37:17,460

but back then I was in shape and I was

880

00:37:21,829 --> 00:37:19,619

going to take her with me I was going I

881

00:37:23,690 --> 00:37:21,839

didn't care where I was yeah I wrapped

882

00:37:27,589 --> 00:37:23,700

my hands around her neck after I done

883

00:37:29,810 --> 00:37:27,599

beat her against the ball same identical

884

00:37:33,290 --> 00:37:29,820

female identity

885

00:37:35,089 --> 00:37:33,300

except she had dates like I am and I was

886

00:37:38,270 --> 00:37:35,099

going to take her with me if I was

887

00:37:41,870 --> 00:37:38,280

pulled up or wherever I was

888

00:37:43,910 --> 00:37:41,880

and because I wanted to prove I wanted I

889

00:37:46,910 --> 00:37:43,920

wanted people to say what was going on

890

00:37:48,770 --> 00:37:46,920

yeah do you figure that you just your

891

00:37:50,690 --> 00:37:48,780

fear was so strong that you kind of

892

00:37:52,190 --> 00:37:50,700

fought off the paralysis or maybe they

893

00:37:54,109 --> 00:37:52,200

didn't give you a strong enough dose the

894

00:37:55,730 --> 00:37:54,119

second time or what was it that allowed

895

00:37:57,589 --> 00:37:55,740

you to actually fight back versus

896

00:37:59,270 --> 00:37:57,599

because the first time ever could just

897

00:38:03,710 --> 00:37:59,280

move your head you were paralyzed

898

00:38:05,089 --> 00:38:03,720

otherwise pain and dremelon yeah yeah uh

899

00:38:09,230 --> 00:38:05,099

people

900

00:38:12,650 --> 00:38:09,240

that's going to save the world enough

901
00:38:17,450 --> 00:38:12,660
but I think in reality we all just

902
00:38:19,670 --> 00:38:17,460
didn't experiment right uh I believe you

903
00:38:21,770 --> 00:38:19,680
know they experiment used to experiment

904
00:38:23,510 --> 00:38:21,780
with animals and I think people's the

905
00:38:26,270 --> 00:38:23,520
same way they're always being

906
00:38:28,310 --> 00:38:26,280
experimented with and I think it's more

907
00:38:32,150 --> 00:38:28,320
than just me it was a lot more people

908
00:38:34,010 --> 00:38:32,160
yeah that I'm sure that's been abducted

909
00:38:35,450 --> 00:38:34,020
yeah you said that you had people just

910
00:38:37,130 --> 00:38:35,460
randomly showing up in your driveway

911
00:38:38,450 --> 00:38:37,140
you'd come home and there'd be strangers

912
00:38:40,130 --> 00:38:38,460
there and they want to tell you their

913
00:38:41,150 --> 00:38:40,140

story and a lot of them were really

914

00:38:47,210 --> 00:38:41,160

credible

915

00:38:48,770 --> 00:38:47,220

still is going on till today

916

00:38:51,670 --> 00:38:48,780

uh

917

00:38:54,290 --> 00:38:51,680

just last week you know we had somebody

918

00:38:56,569 --> 00:38:54,300

they they just pull up my driveway and

919

00:38:58,430 --> 00:38:56,579

spend the night till I get up you look

920

00:39:00,410 --> 00:38:58,440

after winning some of them some of them

921

00:39:03,170 --> 00:39:00,420

even have breakfast with them

922

00:39:05,089 --> 00:39:03,180

so uh they just want to talk they just

923

00:39:08,210 --> 00:39:05,099

need somebody to talk to and they know

924

00:39:11,390 --> 00:39:08,220

probably think that I can relate

925

00:39:13,609 --> 00:39:11,400

or know something that they don't and I

926

00:39:14,870 --> 00:39:13,619

I really don't know I don't know to this

927

00:39:17,450 --> 00:39:14,880

day

928

00:39:20,329 --> 00:39:17,460

what oh

929

00:39:21,290 --> 00:39:20,339

what went on but I know something did

930

00:39:23,329 --> 00:39:21,300

happen

931

00:39:28,370 --> 00:39:23,339

now

932

00:39:31,730 --> 00:39:28,380

thought well we

933

00:39:33,829 --> 00:39:31,740

working this happened over by angle

934

00:39:35,810 --> 00:39:33,839

Shipyards the experiment with something

935

00:39:37,910 --> 00:39:35,820

or something like that

936

00:39:41,329 --> 00:39:37,920

so that's why I thought a couple of

937

00:39:44,450 --> 00:39:41,339

rednecks got out had a beard probably

938

00:39:46,250 --> 00:39:44,460

done all this but I I don't believe that

939

00:39:51,230 --> 00:39:46,260

now

940

00:39:54,589 --> 00:39:51,240

until

941

00:39:58,010 --> 00:39:54,599

that happened and I still know it was a

942

00:40:01,370 --> 00:39:58,020

UFOs but we got credible Witnesses like

943

00:40:04,130 --> 00:40:01,380

the Coast Guard the same time and we

944

00:40:07,309 --> 00:40:04,140

don't have one or two witnesses we got

945

00:40:10,990 --> 00:40:07,319

six or seven Witnesses now right let's

946

00:40:14,150 --> 00:40:11,000

think something and it's um

947

00:40:15,230 --> 00:40:14,160

you can go back in the paper some have

948

00:40:17,450 --> 00:40:15,240

to go look

949

00:40:20,230 --> 00:40:17,460

and before they even had electricity

950

00:40:23,809 --> 00:40:20,240

people were seeing things

951
00:40:25,010 --> 00:40:23,819
500 people in a small little town saying

952
00:40:27,530 --> 00:40:25,020
something that happened

953
00:40:31,790 --> 00:40:27,540
and that that's before even they had

954
00:40:33,410 --> 00:40:31,800
electricity and that that interests me

955
00:40:35,750 --> 00:40:33,420
um

956
00:40:37,010 --> 00:40:35,760
yeah there's something going on I don't

957
00:40:38,870 --> 00:40:37,020
know what but the government's starting

958
00:40:41,390 --> 00:40:38,880
to realize it now

959
00:40:44,750 --> 00:40:41,400
they start to come out pretty uh

960
00:40:46,730 --> 00:40:44,760
well it's you know it's and it's I

961
00:40:48,170 --> 00:40:46,740
always thought the threat narrative was

962
00:40:49,250 --> 00:40:48,180
a little bit over the top because I

963
00:40:51,950 --> 00:40:49,260

thought well these things have never

964

00:40:53,870 --> 00:40:51,960

shown really any hostility but uh

965

00:40:55,490 --> 00:40:53,880

somebody that I know once mentioned to

966

00:40:57,170 --> 00:40:55,500

me goes okay well if

967

00:40:58,250 --> 00:40:57,180

somebody comes and takes you in the

968

00:41:00,170 --> 00:40:58,260

middle of the night while you're

969

00:41:02,809 --> 00:41:00,180

sleeping is that illegal and I was like

970

00:41:04,730 --> 00:41:02,819

well yeah all right if somebody takes in

971

00:41:07,550 --> 00:41:04,740

the middle of the night and does medical

972

00:41:10,430 --> 00:41:07,560

procedures on you without your you know

973

00:41:12,589 --> 00:41:10,440

wanting to uh is that illegal I was like

974

00:41:15,170 --> 00:41:12,599

yeah he says then how is the alien

975

00:41:17,750 --> 00:41:15,180

abductions not an illegal or a state

976

00:41:19,309 --> 00:41:17,760

matter at this point I thought that's a

977

00:41:21,050 --> 00:41:19,319

good point I mean I never thought about

978

00:41:23,510 --> 00:41:21,060

it like that before from a human point

979

00:41:25,609 --> 00:41:23,520

of view but uh yeah it's it is

980

00:41:27,470 --> 00:41:25,619

concerning that this is An Occurrence

981

00:41:30,589 --> 00:41:27,480

that is happening to people

982

00:41:33,890 --> 00:41:30,599

um and kudos to you because to I've gone

983

00:41:36,230 --> 00:41:33,900

back from 1973 to now and to be able to

984

00:41:37,430 --> 00:41:36,240

talk about it you know like you

985

00:41:38,930 --> 00:41:37,440

mentioned there was a time when you

986

00:41:40,490 --> 00:41:38,940

could not talk about it like people

987

00:41:42,770 --> 00:41:40,500

thought that you would CR you were crazy

988

00:41:44,329 --> 00:41:42,780

you mentioned you were just getting

989

00:41:46,370 --> 00:41:44,339

married you know you're trying to get

990

00:41:48,950 --> 00:41:46,380

your life together by a house get you

991

00:41:51,410 --> 00:41:48,960

know get all your stuff in order and uh

992

00:41:53,510 --> 00:41:51,420

here you have this incredible uh

993

00:41:55,250 --> 00:41:53,520

experience really

994

00:41:56,569 --> 00:41:55,260

I wouldn't say one of a kind because

995

00:41:58,490 --> 00:41:56,579

there's obviously some other people

996

00:42:00,650 --> 00:41:58,500

experiencing it but very unique

997

00:42:03,230 --> 00:42:00,660

experience that not

998

00:42:05,569 --> 00:42:03,240

the general public will never experience

999

00:42:07,309 --> 00:42:05,579

right uh happen to you and you're trying

1000

00:42:10,010 --> 00:42:07,319

to get your life together so kudos to

1001
00:42:12,050 --> 00:42:10,020
you to be able to handle that yeah my

1002
00:42:14,569 --> 00:42:12,060
call in life you know the way I had my

1003
00:42:17,329 --> 00:42:14,579
life plan was to get married buy a house

1004
00:42:19,010 --> 00:42:17,339
have children have grandchildren

1005
00:42:21,650 --> 00:42:19,020
retiring fish

1006
00:42:24,050 --> 00:42:21,660
and this really messed up my whole deal

1007
00:42:25,790 --> 00:42:24,060
yeah I mean I went ahead with the

1008
00:42:29,630 --> 00:42:25,800
getting married partner having children

1009
00:42:31,510 --> 00:42:29,640
apart but it's been hell

1010
00:42:35,210 --> 00:42:31,520
oh

1011
00:42:38,150 --> 00:42:35,220
Obama and there's times it was rough on

1012
00:42:40,609 --> 00:42:38,160
my marriage I mean you keep a secret

1013
00:42:42,950 --> 00:42:40,619

from your wife for 48 years and not talk

1014

00:42:44,569 --> 00:42:42,960

about nothing in front of her yeah you

1015

00:42:47,569 --> 00:42:44,579

know she wants to know

1016

00:42:49,970 --> 00:42:47,579

and uh I regret it but I should have

1017

00:42:51,410 --> 00:42:49,980

talked to her about then but you know I

1018

00:42:55,010 --> 00:42:51,420

didn't want her to think she's married

1019

00:42:56,510 --> 00:42:55,020

to a low team great great and you guys

1020

00:42:58,309 --> 00:42:56,520

were young too I mean this happened to

1021

00:43:01,250 --> 00:42:58,319

you when you were 19 it's not like you

1022

00:43:02,510 --> 00:43:01,260

were at the you know the height of you

1023

00:43:03,710 --> 00:43:02,520

know or in the middle of your marriage

1024

00:43:06,530 --> 00:43:03,720

or anything like that you're just

1025

00:43:10,370 --> 00:43:06,540

literally getting started with life yeah

1026

00:43:11,930 --> 00:43:10,380

and uh like I say she was 16 and her

1027

00:43:15,589 --> 00:43:11,940

daddy was strict

1028

00:43:17,450 --> 00:43:15,599

and I figured if oh word got out real

1029

00:43:19,550 --> 00:43:17,460

bad I I didn't know where it was going

1030

00:43:23,030 --> 00:43:19,560

to get out as bad as what it did because

1031

00:43:26,210 --> 00:43:23,040

me and Charlie agree not to tell nobody

1032

00:43:28,849 --> 00:43:26,220

but uh she was 16. I didn't figure her

1033

00:43:30,109 --> 00:43:28,859

daddy would let us get married

1034

00:43:32,510 --> 00:43:30,119

huh

1035

00:43:35,750 --> 00:43:32,520

he didn't stop her

1036

00:43:37,609 --> 00:43:35,760

with uh Charlie being so actively

1037

00:43:40,250 --> 00:43:37,619

um outspoken about this incident that

1038

00:43:41,750 --> 00:43:40,260

took place was that like a strain like

1039

00:43:43,069 --> 00:43:41,760

did that cause a strain between you and

1040

00:43:46,970 --> 00:43:43,079

Charlie because you're trying to keep it

1041

00:43:50,089 --> 00:43:46,980

quiet it did yeah

1042

00:43:55,370 --> 00:43:52,130

I never had much to do with Charlie

1043

00:43:56,930 --> 00:43:55,380

after this happened I I mean I would see

1044

00:43:59,089 --> 00:43:56,940

him and

1045

00:44:01,670 --> 00:43:59,099

get it but we never really talked about

1046

00:44:03,770 --> 00:44:01,680

this and I thought he was the one that

1047

00:44:07,550 --> 00:44:03,780

wrote the story so it made me mad but he

1048

00:44:09,890 --> 00:44:07,560

really wasn't right and I wondered many

1049

00:44:12,050 --> 00:44:09,900

a night how the story got out then I

1050

00:44:14,270 --> 00:44:12,060

thought about it one day and it was

1051

00:44:17,870 --> 00:44:14,280

Bible states that uh

1052

00:44:19,730 --> 00:44:17,880

he was found back then paper ad scanners

1053

00:44:22,130 --> 00:44:19,740

they would scan the police department

1054

00:44:24,349 --> 00:44:22,140

and fire department their ambulances and

1055

00:44:27,290 --> 00:44:24,359

things that was only entertainment they

1056

00:44:28,490 --> 00:44:27,300

have they didn't have internets and all

1057

00:44:31,190 --> 00:44:28,500

that

1058

00:44:33,230 --> 00:44:31,200

so uh I figured it

1059

00:44:36,290 --> 00:44:33,240

when they called the sheriff's

1060

00:44:37,970 --> 00:44:36,300

department to get out on a scanner and

1061

00:44:40,609 --> 00:44:37,980

that's how they got it because the

1062

00:44:42,290 --> 00:44:40,619

newspaper office was

1063

00:44:43,309 --> 00:44:42,300

four or five

1064

00:44:46,309 --> 00:44:43,319

um

1065

00:44:48,890 --> 00:44:46,319

well it might be a block from uh

1066

00:44:51,050 --> 00:44:48,900

the sheriff department they scan what

1067

00:44:53,030 --> 00:44:51,060

happened there all the time

1068

00:44:55,430 --> 00:44:53,040

wow so that's how they got the

1069

00:44:59,030 --> 00:44:55,440

information that uh what took place that

1070

00:45:01,069 --> 00:44:59,040

nice yeah I'm sure they did and uh

1071

00:45:02,990 --> 00:45:01,079

I always blamed you know Charlie and

1072

00:45:05,750 --> 00:45:03,000

that cost hard feelings with me and

1073

00:45:08,210 --> 00:45:05,760

Charlie yeah and he sort of went on tour

1074

00:45:10,069 --> 00:45:08,220

afterwards right like he was making uh

1075

00:45:12,530 --> 00:45:10,079

speeches and writing books and it

1076
00:45:14,809 --> 00:45:12,540
motivated him to sort of change his life

1077
00:45:17,870 --> 00:45:14,819
and become vocal about it

1078
00:45:21,829 --> 00:45:17,880
yeah he he become real vocal about it I

1079
00:45:25,609 --> 00:45:21,839
think he made the uh conferences and

1080
00:45:28,730 --> 00:45:25,619
I'll regular you see him on East female

1081
00:45:31,250 --> 00:45:28,740
TV down here pretty regular yeah he got

1082
00:45:34,190 --> 00:45:31,260
in France with a guy that owned a TV

1083
00:45:36,490 --> 00:45:34,200
station and a local station down here

1084
00:45:40,010 --> 00:45:36,500
and he would be on it once a week

1085
00:45:42,290 --> 00:45:40,020
obviously yeah and I I

1086
00:45:44,450 --> 00:45:42,300
to be honest I hated

1087
00:45:46,370 --> 00:45:44,460
him for it

1088
00:45:48,829 --> 00:45:46,380

yeah you're trying to keep it quiet and

1089

00:45:51,829 --> 00:45:48,839

he's making as much noise as he can

1090

00:45:54,530 --> 00:45:51,839

for decades you don't know the jobs that

1091

00:45:57,829 --> 00:45:54,540

I lost because of this and some of it's

1092

00:46:00,109 --> 00:45:57,839

not because they fired me or nothing

1093

00:46:01,910 --> 00:46:00,119

it's because I didn't want to talk about

1094

00:46:04,790 --> 00:46:01,920

it and they'd find out about it and

1095

00:46:07,670 --> 00:46:04,800

they'd of course curiosity right yeah

1096

00:46:09,230 --> 00:46:07,680

anybody is curious and not just quit and

1097

00:46:11,210 --> 00:46:09,240

leave yeah

1098

00:46:13,010 --> 00:46:11,220

it's almost more interesting to ask

1099

00:46:15,050 --> 00:46:13,020

somebody that doesn't want to talk about

1100

00:46:16,609 --> 00:46:15,060

it it's the people that are boasting

1101

00:46:18,050 --> 00:46:16,619

that kind of get a bit old but when

1102

00:46:20,150 --> 00:46:18,060

somebody's no no I don't want to talk

1103

00:46:21,710 --> 00:46:20,160

about it you get you know you get

1104

00:46:23,750 --> 00:46:21,720

excited like what do you mean like what

1105

00:46:25,910 --> 00:46:23,760

happened so I could totally see that

1106

00:46:28,309 --> 00:46:25,920

just being human nature you're a very

1107

00:46:30,349 --> 00:46:28,319

incredible guy they hear the story and

1108

00:46:32,990 --> 00:46:30,359

you're super approachable you know

1109

00:46:34,849 --> 00:46:33,000

well-mannered nice man they're gonna ask

1110

00:46:37,690 --> 00:46:34,859

for sure hell we're asking that's why

1111

00:46:40,970 --> 00:46:37,700

you're on the show yeah we want to know

1112

00:46:43,010 --> 00:46:40,980

well people want to know now and I don't

1113

00:46:45,410 --> 00:46:43,020

mind talking about it I tell you

1114

00:46:49,370 --> 00:46:45,420

somebody's helped me was Dr heinek's son

1115

00:46:51,349 --> 00:46:49,380

Paul oh man my wife went to Arizona to a

1116

00:46:53,089 --> 00:46:51,359

conference and got to meet him I had

1117

00:46:55,670 --> 00:46:53,099

talked to him on the phone he used to

1118

00:47:00,290 --> 00:46:55,680

give his daddy messages for me

1119

00:47:02,450 --> 00:47:00,300

and uh how many meters uh Arizona at a

1120

00:47:04,790 --> 00:47:02,460

conference and we've been talk about

1121

00:47:09,109 --> 00:47:04,800

once a week since then

1122

00:47:10,910 --> 00:47:09,119

and on the phone or text or but he is a

1123

00:47:15,109 --> 00:47:10,920

good guy he's smart

1124

00:47:17,569 --> 00:47:15,119

his daddy was smart his whole family was

1125

00:47:19,970 --> 00:47:17,579

Paul speaks four or five different

1126

00:47:22,190 --> 00:47:19,980

languages he's invited me to go to

1127

00:47:23,690 --> 00:47:22,200

conferences with him in Mexico and

1128

00:47:28,030 --> 00:47:23,700

French

1129

00:47:30,829 --> 00:47:28,040

I don't care nothing about going nowhere

1130

00:47:32,930 --> 00:47:30,839

I've had two or three conferences I

1131

00:47:35,150 --> 00:47:32,940

could have went to this year and I

1132

00:47:38,569 --> 00:47:35,160

mean not gonna fool with it not gonna

1133

00:47:39,290 --> 00:47:38,579

turn around and I I don't know why it's

1134

00:47:41,930 --> 00:47:39,300

um

1135

00:47:45,470 --> 00:47:41,940

free trip more or less for me because

1136

00:47:49,730 --> 00:47:45,480

they buy you plain ticket they pay you

1137

00:47:51,829 --> 00:47:49,740

uh what the color humidor then if when

1138

00:47:54,470 --> 00:47:51,839

they pay me I buy my wife a plane ticket

1139

00:47:56,630 --> 00:47:54,480

it's like a vacation for us yeah yeah

1140

00:48:00,230 --> 00:47:56,640

that makes sense I would too that's a

1141

00:48:03,710 --> 00:48:00,240

good idea yeah yeah we got all invited

1142

00:48:07,309 --> 00:48:03,720

to Oregon to that one uh Mammoth oh

1143

00:48:09,530 --> 00:48:07,319

amendment I forget the name of it but

1144

00:48:12,530 --> 00:48:09,540

they seem real nice but I could care

1145

00:48:14,930 --> 00:48:12,540

less about going yeah of course now I'm

1146

00:48:19,069 --> 00:48:14,940

taking treatments for cancer

1147

00:48:23,030 --> 00:48:19,079

my health has turned bad and uh

1148

00:48:29,270 --> 00:48:27,290

if it's a traumatic experience obviously

1149

00:48:30,950 --> 00:48:29,280

you kept it quiet for years you don't

1150

00:48:32,990 --> 00:48:30,960

want to go there you don't want to have

1151

00:48:34,910 --> 00:48:33,000

to you don't want to talk about it right

1152

00:48:36,349 --> 00:48:34,920

it wasn't cool you didn't enjoy it it

1153

00:48:39,530 --> 00:48:36,359

wasn't something you want to ever happen

1154

00:48:41,690 --> 00:48:39,540

again so that makes total sense yeah I

1155

00:48:43,990 --> 00:48:41,700

sure don't want it to happen again

1156

00:48:47,690 --> 00:48:44,000

oh

1157

00:48:49,010 --> 00:48:47,700

it's just something that uh I don't

1158

00:48:55,670 --> 00:48:49,020

enjoy

1159

00:48:56,690 --> 00:48:55,680

stories and I catch myself comparing the

1160

00:48:58,849 --> 00:48:56,700

stories

1161

00:49:01,430 --> 00:48:58,859

and some of the people that that drive

1162

00:49:04,190 --> 00:49:01,440

up to the house that's come here

1163

00:49:05,510 --> 00:49:04,200

they have are credible but there's some

1164

00:49:07,790 --> 00:49:05,520

of them I don't believe

1165

00:49:10,190 --> 00:49:07,800

I'm just being honest with you I don't

1166

00:49:11,930 --> 00:49:10,200

believe they just too far out there yeah

1167

00:49:16,270 --> 00:49:11,940

and uh

1168

00:49:22,609 --> 00:49:19,250

we had about three weeks ago she said

1169

00:49:25,309 --> 00:49:22,619

you know I got 10 angry babies in a jar

1170

00:49:26,750 --> 00:49:25,319

that I had and they put up on the Shelf

1171

00:49:29,569 --> 00:49:26,760

in the house

1172

00:49:32,390 --> 00:49:29,579

I said I'll buy one of them from you

1173

00:49:35,089 --> 00:49:32,400

just because DNA I said uh you name the

1174

00:49:38,990 --> 00:49:35,099

price go get him and I'll buy him yeah

1175

00:49:42,589 --> 00:49:39,000

and a jar of pickled and it don't matter

1176
00:49:44,450 --> 00:49:42,599
but you know people change their mind

1177
00:49:46,430 --> 00:49:44,460
that's the difficulty with us too

1178
00:49:49,190 --> 00:49:46,440
finding incredible guests I mean there's

1179
00:49:50,809 --> 00:49:49,200
a lot of Fringe stuff with this topic we

1180
00:49:53,030 --> 00:49:50,819
have some good friends that you know

1181
00:49:55,250 --> 00:49:53,040
agree with us politically and everything

1182
00:49:57,049 --> 00:49:55,260
else and then we tell them we run an

1183
00:49:58,970 --> 00:49:57,059
alien podcast they're like what aliens

1184
00:50:00,650 --> 00:49:58,980
you guys believe in that so it is a

1185
00:50:01,730 --> 00:50:00,660
polarizing subject for sure not

1186
00:50:05,390 --> 00:50:01,740
everybody

1187
00:50:07,069 --> 00:50:05,400
respect that it could be you know that

1188
00:50:09,530 --> 00:50:07,079

it deserves and some people are credible

1189

00:50:12,230 --> 00:50:09,540

and you represent a handful of people

1190

00:50:14,049 --> 00:50:12,240

out of the millions of cases that you

1191

00:50:16,849 --> 00:50:14,059

just can't refute right there's nothing

1192

00:50:18,470 --> 00:50:16,859

ever that's gone against the story and

1193

00:50:20,329 --> 00:50:18,480

you know we consider Bob was our story

1194

00:50:22,309 --> 00:50:20,339

to be essentially the same you know

1195

00:50:24,530 --> 00:50:22,319

these are people that gain nothing from

1196

00:50:26,569 --> 00:50:24,540

it it was hell on their life it cost

1197

00:50:28,670 --> 00:50:26,579

them money and affected their families

1198

00:50:30,530 --> 00:50:28,680

and their relationships they got nothing

1199

00:50:32,690 --> 00:50:30,540

out of it even if you're the subject of

1200

00:50:34,549 --> 00:50:32,700

a book it's not like you're you made 20

1201
00:50:37,970 --> 00:50:34,559
million bucks from it and you're living

1202
00:50:40,370 --> 00:50:37,980
on a yacht it's the juice wasn't worth

1203
00:50:43,010 --> 00:50:40,380
the squeeze sometimes right people don't

1204
00:50:47,870 --> 00:50:43,020
realize they rarely know money talking

1205
00:50:50,450 --> 00:50:47,880
about is or anything I did it all not

1206
00:50:53,930 --> 00:50:50,460
for the money I had money until I got

1207
00:50:55,190 --> 00:50:53,940
sick but I did it to get story out there

1208
00:50:57,890 --> 00:50:55,200
because

1209
00:51:00,950 --> 00:50:57,900
you get the right story out

1210
00:51:02,630 --> 00:51:00,960
and uh I've had people tell me it's like

1211
00:51:05,150 --> 00:51:02,640
sitting in the living room when they do

1212
00:51:06,829 --> 00:51:05,160
read part of the book it's like sitting

1213
00:51:09,410 --> 00:51:06,839

in the living room to listen to you tell

1214

00:51:11,710 --> 00:51:09,420

your story yeah

1215

00:51:16,730 --> 00:51:14,809

it's yeah and like I say who am I to

1216

00:51:19,309 --> 00:51:16,740

doubt anybody even the one with the

1217

00:51:22,309 --> 00:51:19,319

babies in the jar who might have doubted

1218

00:51:24,230 --> 00:51:22,319

I just simply put her on the spot and

1219

00:51:25,910 --> 00:51:24,240

told her I died from her

1220

00:51:28,730 --> 00:51:25,920

and I would

1221

00:51:31,130 --> 00:51:28,740

well usually when I would too yeah yeah

1222

00:51:32,510 --> 00:51:31,140

standing bid I'll buy an alien baby in

1223

00:51:35,270 --> 00:51:32,520

the jar if you can't prove it's legit

1224

00:51:37,010 --> 00:51:35,280

yeah what's uh this is a question that I

1225

00:51:39,230 --> 00:51:37,020

I was wondering about your case but do

1226
00:51:40,849 --> 00:51:39,240
you remember any smells at all like when

1227
00:51:41,750 --> 00:51:40,859
you wanted to ship was there a smell at

1228
00:51:45,829 --> 00:51:41,760
all

1229
00:51:47,809 --> 00:51:45,839
well to be honest with you Casper Gola

1230
00:51:50,510 --> 00:51:47,819
has a pony plan

1231
00:51:53,690 --> 00:51:50,520
and it smells all the time it is rough

1232
00:51:55,069 --> 00:51:53,700
right and uh you can't smell nothing but

1233
00:51:58,130 --> 00:51:55,079
dead fish

1234
00:52:01,130 --> 00:51:58,140
okay from there of course I don't think

1235
00:52:03,950 --> 00:52:01,140
in October that year they was cooking

1236
00:52:05,750 --> 00:52:03,960
but it's still the smell of dead fish

1237
00:52:08,230 --> 00:52:05,760
around right

1238
00:52:10,609 --> 00:52:08,240

so that's all you could smell on

1239

00:52:12,290 --> 00:52:10,619

its smell right and it's kind of

1240

00:52:14,030 --> 00:52:12,300

nauseating

1241

00:52:18,589 --> 00:52:14,040

without the other

1242

00:52:22,549 --> 00:52:18,599

I I've been asking her hypnosis and uh

1243

00:52:25,849 --> 00:52:22,559

yeah I never played in hypnosis till

1244

00:52:28,609 --> 00:52:25,859

I got hypnotized and now you know

1245

00:52:31,790 --> 00:52:28,619

and it's not something somebody can lead

1246

00:52:32,990 --> 00:52:31,800

you to do but it's something that's

1247

00:52:37,250 --> 00:52:33,000

um

1248

00:52:39,890 --> 00:52:37,260

sharpens your memory right and uh it

1249

00:52:41,270 --> 00:52:39,900

stays I told Bud Hopkins when he

1250

00:52:43,430 --> 00:52:41,280

hypnotized me

1251

00:52:46,309 --> 00:52:43,440

I I said now look

1252

00:52:48,950 --> 00:52:46,319

don't do like I've seen them people do

1253

00:52:52,790 --> 00:52:48,960

on the Las Vegas on the four show or

1254

00:52:54,530 --> 00:52:52,800

nothing maybe a chicken yeah I said

1255

00:52:58,450 --> 00:52:54,540

because I got a ball back in the car and

1256

00:53:04,089 --> 00:53:01,790

that Hopkins is a good guy though yeah

1257

00:53:06,790 --> 00:53:04,099

he uh

1258

00:53:09,530 --> 00:53:06,800

matter of fact I was

1259

00:53:11,569 --> 00:53:09,540

I really don't read any books on this

1260

00:53:12,710 --> 00:53:11,579

but I seen a book with his name on it

1261

00:53:16,370 --> 00:53:12,720

the other day

1262

00:53:18,470 --> 00:53:16,380

and I was sitting there reading uh it's

1263

00:53:20,809 --> 00:53:18,480

up on my shelf I forget the name of it

1264

00:53:21,890 --> 00:53:20,819

but I was reading that just to see what

1265

00:53:25,309 --> 00:53:21,900

he had

1266

00:53:27,770 --> 00:53:25,319

but Bud Hopkins is a good guy yeah

1267

00:53:30,170 --> 00:53:27,780

how did the hypnosis session vary

1268

00:53:31,309 --> 00:53:30,180

between Bud Hopkins and your Kathleen

1269

00:53:33,109 --> 00:53:31,319

murden

1270

00:53:36,589 --> 00:53:33,119

um hypnosis regression but was there any

1271

00:53:38,870 --> 00:53:36,599

similarities or differences they are a

1272

00:53:42,109 --> 00:53:38,880

lot of a lot of similarities

1273

00:53:45,230 --> 00:53:42,119

and with Kathleen I remembered more

1274

00:53:46,970 --> 00:53:45,240

about uh more details about the female

1275

00:53:49,609 --> 00:53:46,980

alien

1276

00:53:53,690 --> 00:53:49,619

like I could pinpoint the color of her

1277

00:53:56,089 --> 00:53:53,700

hair and what she had on and believe it

1278

00:53:59,930 --> 00:53:56,099

or not she had clothes on like us and

1279

00:54:00,890 --> 00:53:59,940

they was kind of cover I was looking

1280

00:54:03,109 --> 00:54:00,900

um

1281

00:54:05,089 --> 00:54:03,119

I really don't know why I thought she

1282

00:54:06,950 --> 00:54:05,099

was woman I just presumed she was a

1283

00:54:09,290 --> 00:54:06,960

woman because she was or it was a woman

1284

00:54:10,130 --> 00:54:09,300

because she was small it looked like a

1285

00:54:14,870 --> 00:54:10,140

woman

1286

00:54:20,630 --> 00:54:17,690

somebody told me well a lot of times I

1287

00:54:23,630 --> 00:54:20,640

can disguise herself so they won't scare

1288

00:54:27,890 --> 00:54:23,640

you and look the same then I got that I

1289

00:54:30,170 --> 00:54:27,900

got that on my mind right so I thank you

1290

00:54:32,809 --> 00:54:30,180

you know she might have been disguised

1291

00:54:36,109 --> 00:54:32,819

and looked like a real woman or maybe

1292

00:54:38,630 --> 00:54:36,119

she did you know like I said coach

1293

00:54:40,670 --> 00:54:38,640

somebody here on Earth we got so many

1294

00:54:43,789 --> 00:54:40,680

different races in so many different

1295

00:54:45,170 --> 00:54:43,799

ways so many people that I wrote down

1296

00:54:47,510 --> 00:54:45,180

that they have

1297

00:54:48,410 --> 00:54:47,520

you know different Natures of different

1298

00:54:50,270 --> 00:54:48,420

people

1299

00:54:52,309 --> 00:54:50,280

yeah and it makes sense that if you're

1300

00:54:54,770 --> 00:54:52,319

going to have a a weird experience like

1301
00:54:56,329 --> 00:54:54,780
what you had and yours is unique in the

1302
00:54:58,549 --> 00:54:56,339
sense that you know you had these

1303
00:55:01,250 --> 00:54:58,559
robotic looking things that came out

1304
00:55:02,329 --> 00:55:01,260
that seemed to be what was protecting

1305
00:55:04,670 --> 00:55:02,339
her

1306
00:55:06,950 --> 00:55:04,680
from you because that one of them

1307
00:55:07,910 --> 00:55:06,960
interjected or helped her out when you

1308
00:55:10,549 --> 00:55:07,920
were

1309
00:55:12,829 --> 00:55:10,559
um basically had enough right you had

1310
00:55:15,349 --> 00:55:12,839
your hands on her right so yeah that's

1311
00:55:16,910 --> 00:55:15,359
unique in the sense like you hear others

1312
00:55:19,609 --> 00:55:16,920
people's stories but you never hear

1313
00:55:21,650 --> 00:55:19,619

about handlers or anybody that uh you

1314

00:55:23,870 --> 00:55:21,660

know the muscle in the group and and

1315

00:55:24,970 --> 00:55:23,880

your case has that which makes it

1316

00:55:27,890 --> 00:55:24,980

interesting

1317

00:55:30,890 --> 00:55:27,900

well I I didn't know what an alien was

1318

00:55:33,289 --> 00:55:30,900

supposed to look like until um

1319

00:55:36,710 --> 00:55:33,299

I think huh

1320

00:55:38,569 --> 00:55:36,720

what was that little guy the statement

1321

00:55:45,770 --> 00:55:38,579

that movie that Stephen King come out

1322

00:55:47,510 --> 00:55:45,780

with kind of cute uh E.T no yeah yeah

1323

00:55:50,030 --> 00:55:47,520

you know after first

1324

00:55:53,150 --> 00:55:50,040

imagination angry and I've ever seen

1325

00:55:55,789 --> 00:55:53,160

then people crossing them big eyes and

1326

00:55:59,510 --> 00:55:55,799

stuff yeah I don't know where they

1327

00:56:02,809 --> 00:55:59,520

unless I did get it from all then but

1328

00:56:05,450 --> 00:56:02,819

the skin is similar yeah

1329

00:56:07,309 --> 00:56:05,460

no this is awesome uh Louis do you have

1330

00:56:09,349 --> 00:56:07,319

any uh final questions for our guest

1331

00:56:12,109 --> 00:56:09,359

today no I just wanted to say thank you

1332

00:56:14,630 --> 00:56:12,119

Calvin we know that uh it's probably the

1333

00:56:17,329 --> 00:56:14,640

50th time you've told this story or more

1334

00:56:18,829 --> 00:56:17,339

maybe uh we seem to have got some unique

1335

00:56:21,049 --> 00:56:18,839

details out of it I've heard your story

1336

00:56:23,089 --> 00:56:21,059

at least a dozen times but today I think

1337

00:56:25,309 --> 00:56:23,099

you shared some extra little tidbits

1338

00:56:27,349 --> 00:56:25,319

that I had never heard before so well

1339

00:56:29,809 --> 00:56:27,359

I'm glad yeah for our listeners that

1340

00:56:32,030 --> 00:56:29,819

don't know who you are now you know that

1341

00:56:34,069 --> 00:56:32,040

you're uh again your legacy is your

1342

00:56:35,690 --> 00:56:34,079

story whether you wanted it to turn out

1343

00:56:38,510 --> 00:56:35,700

that way or not that's sort of the

1344

00:56:40,130 --> 00:56:38,520

coarse life through at you and uh we

1345

00:56:41,990 --> 00:56:40,140

find you to be a really respectable man

1346

00:56:43,430 --> 00:56:42,000

we're Believers you know we

1347

00:56:45,289 --> 00:56:43,440

wholeheartedly believe you and we

1348

00:56:46,730 --> 00:56:45,299

support everyone else that's been part

1349

00:56:49,130 --> 00:56:46,740

of your experience too like Philip

1350

00:56:50,750 --> 00:56:49,140

mantle and Kathleen and you know other

1351

00:56:53,089 --> 00:56:50,760

credible people that put their name on

1352

00:56:54,370 --> 00:56:53,099

the line and stand behind you so

1353

00:56:57,650 --> 00:56:54,380

um

1354

00:56:58,789 --> 00:56:57,660

is a good man he does what he says he's

1355

00:57:00,170 --> 00:56:58,799

honest

1356

00:57:03,170 --> 00:57:00,180

oh

1357

00:57:04,430 --> 00:57:03,180

we become friends since the books come

1358

00:57:07,190 --> 00:57:04,440

out and

1359

00:57:10,730 --> 00:57:07,200

he he he's if there's ever been a true

1360

00:57:13,609 --> 00:57:10,740

friend he's one yeah no he's he seems

1361

00:57:16,490 --> 00:57:13,619

like a legit uh person that you want

1362

00:57:17,930 --> 00:57:16,500

on your side he's uh he's a nice man

1363

00:57:19,490 --> 00:57:17,940

like you said yeah we enjoyed having him

1364

00:57:22,789 --> 00:57:19,500

on the show it was a great conversation

1365

00:57:25,549 --> 00:57:22,799

and having what I like about him what I

1366

00:57:27,890 --> 00:57:25,559

like about him he investigates

1367

00:57:31,130 --> 00:57:27,900

yeah and if you're running around

1368

00:57:33,950 --> 00:57:31,140

he don't mind getting up and saying it I

1369

00:57:36,770 --> 00:57:33,960

seen him get on that Pope's case you

1370

00:57:40,069 --> 00:57:36,780

know and and ride him to the end yeah

1371

00:57:41,690 --> 00:57:40,079

that's pretty funny you see that I see

1372

00:57:43,910 --> 00:57:41,700

that online every once in a while when

1373

00:57:46,309 --> 00:57:43,920

he's on Nick Pope's case and uh yeah

1374

00:57:47,329 --> 00:57:46,319

it's pretty funny no Calvin I appreciate

1375

00:57:49,609 --> 00:57:47,339

your time

1376

00:57:51,890 --> 00:57:49,619

um I'm appreciative of your story and

1377

00:57:54,170 --> 00:57:51,900

I'm happy that you decided to start

1378

00:57:56,150 --> 00:57:54,180

talking about it openly

1379

00:57:58,430 --> 00:57:56,160

um well I appreciate y'all having me

1380

00:58:00,170 --> 00:57:58,440

yeah it's it's amazing to have you on

1381

00:58:02,510 --> 00:58:00,180

and like I said let's have you on again

1382

00:58:06,410 --> 00:58:02,520

if you're willing and uh everything's

1383

00:58:09,710 --> 00:58:06,420

good uh let's have you on again let's do

1384

00:58:12,650 --> 00:58:09,720

it perfect love to maybe about the time

1385

00:58:15,589 --> 00:58:12,660

at uh Phillips Cafe um

1386

00:58:18,890 --> 00:58:15,599

Philip's new book comes out absolutely

1387

00:58:20,829 --> 00:58:18,900

we'll have you been finished and uh see

1388

00:58:25,370 --> 00:58:20,839

what I don't even know what he's saying

1389

00:58:26,750 --> 00:58:25,380

in the book yeah yeah because I well I

1390

00:58:28,670 --> 00:58:26,760

didn't want to know he don't mind

1391

00:58:31,849 --> 00:58:28,680

telling me yeah but uh they've

1392

00:58:35,569 --> 00:58:31,859

interviewed some more witnesses and they

1393

00:58:37,730 --> 00:58:35,579

got some more proof somewhere nice and a

1394

00:58:40,309 --> 00:58:37,740

lot of stuff in the book now I'm looking

1395

00:58:42,829 --> 00:58:40,319

forward to it nice well we'll have you

1396

00:58:45,349 --> 00:58:42,839

back on with uh with Philip then that

1397

00:58:47,450 --> 00:58:45,359

sounds good sounds like a plan all right

1398

00:58:49,730 --> 00:58:47,460

all right Calvin thank you so much for

1399

00:58:53,600 --> 00:58:49,740

your time I appreciate it thank you

1400

00:58:53,610 --> 00:59:02,349
