

**KATHLEEN
MARDEN**

**UAP STUDIES
PODCAST**

1
00:00:04,240 --> 00:00:11,210
uh

2
00:00:23,910 --> 00:00:21,830
[Music]

3
00:00:26,150 --> 00:00:23,920
welcome back to uab studies today we

4
00:00:28,230 --> 00:00:26,160
have kathleen martin who is returning on

5
00:00:29,830 --> 00:00:28,240
the podcast and we are more than happy

6
00:00:32,709 --> 00:00:29,840
to have her on

7
00:00:35,110 --> 00:00:32,719
she is a true pioneer in the field of um

8
00:00:37,510 --> 00:00:35,120
well not only ufology but also abduction

9
00:00:40,389 --> 00:00:37,520
phenomenon and she has worked her butt

10
00:00:42,950 --> 00:00:40,399
off over the years to bring us uh great

11
00:00:44,549 --> 00:00:42,960
information on the subject of course her

12
00:00:46,470 --> 00:00:44,559
newest book forbidden knowledge a

13
00:00:48,150 --> 00:00:46,480

personal journey from alien abduction to

14

00:00:49,350 --> 00:00:48,160

spiritual transformation has just been

15

00:00:51,110 --> 00:00:49,360

released

16

00:00:53,270 --> 00:00:51,120

we are going to talk about that as well

17

00:00:55,430 --> 00:00:53,280

but first i want to welcome louis borges

18

00:00:57,270 --> 00:00:55,440

back to the podcast my man how's it

19

00:00:58,950 --> 00:00:57,280

going it's going very good thanks for

20

00:01:00,950 --> 00:00:58,960

having me again and uh very excited

21

00:01:03,270 --> 00:01:00,960

about our guest uh today we're both big

22

00:01:04,950 --> 00:01:03,280

fans of her work and uh we love having

23

00:01:06,870 --> 00:01:04,960

very credible people on the show people

24

00:01:09,910 --> 00:01:06,880

that have sort of stood the test of time

25

00:01:12,710 --> 00:01:09,920

in this topic uh many don't so

26

00:01:15,109 --> 00:01:12,720

yeah today we have an author a ufologist

27

00:01:17,109 --> 00:01:15,119

an experiencer an advocate

28

00:01:19,190 --> 00:01:17,119

she's a hypnosis practitioner a

29

00:01:21,830 --> 00:01:19,200

conference presenter she's a recipient

30

00:01:24,950 --> 00:01:21,840

of the 2021 ufo congress lifetime

31

00:01:26,710 --> 00:01:24,960

achievement award we could go on all day

32

00:01:28,230 --> 00:01:26,720

but let's bring kathleen martin on the

33

00:01:30,870 --> 00:01:28,240

show welcome

34

00:01:33,109 --> 00:01:30,880

thank you great to be back

35

00:01:34,789 --> 00:01:33,119

so we wanted to sort of ask you many of

36

00:01:36,230 --> 00:01:34,799

you many people know who you are but

37

00:01:38,469 --> 00:01:36,240

some people may not so tell us a little

38

00:01:40,469 --> 00:01:38,479

bit about your history what got you into

39

00:01:42,630 --> 00:01:40,479

this topic uh you know being the niece

40

00:01:44,710 --> 00:01:42,640

of a very famous abduction case betty

41

00:01:46,710 --> 00:01:44,720

and bernie hill and then how that sort

42

00:01:48,630 --> 00:01:46,720

of led into you becoming an author and

43

00:01:51,910 --> 00:01:48,640

then where we are today with your uh

44

00:01:54,469 --> 00:01:51,920

most uh recent book forbidden knowledge

45

00:01:56,630 --> 00:01:54,479

be happy to well i

46

00:01:59,429 --> 00:01:56,640

had arrived home from school when i was

47

00:02:02,789 --> 00:01:59,439

13 years old and my mother was having a

48

00:02:06,310 --> 00:02:02,799

very unusual conversation with my aunt

49

00:02:09,669 --> 00:02:06,320

betty hill and uh first time i'd ever

50

00:02:11,430 --> 00:02:09,679

heard of anything like this but

51
00:02:13,270 --> 00:02:11,440
i knew that the craft had come very

52
00:02:14,790 --> 00:02:13,280
close to my aunt and uncle they were

53
00:02:17,830 --> 00:02:14,800
concerned that they might have been

54
00:02:19,990 --> 00:02:17,840
exposed to radiation and concerned about

55
00:02:22,070 --> 00:02:20,000
what occurred there was a lot of

56
00:02:22,949 --> 00:02:22,080
perplexing evidence when they arrived

57
00:02:26,309 --> 00:02:22,959
home

58
00:02:30,470 --> 00:02:26,319
i saw the unfolding of this event the

59
00:02:32,790 --> 00:02:30,480
emotional impact it had on barney um

60
00:02:34,869 --> 00:02:32,800
my aunts

61
00:02:38,150 --> 00:02:34,879
searched for the answers

62
00:02:40,790 --> 00:02:38,160
and i could never forget about that it

63
00:02:43,589 --> 00:02:40,800

had such a huge impact and they never

64

00:02:46,750 --> 00:02:43,599

wanted the story to go public but it was

65

00:02:50,229 --> 00:02:46,760

released as the result of a violation of

66

00:02:51,270 --> 00:02:50,239

confidentiality on a very wide scale

67

00:02:54,630 --> 00:02:51,280

so

68

00:02:57,830 --> 00:02:54,640

that's where i came from initially i

69

00:03:00,470 --> 00:02:57,840

grew up went to college

70

00:03:04,229 --> 00:03:00,480

earned my degree in social work had a

71

00:03:07,430 --> 00:03:04,239

concentration on social science i loved

72

00:03:08,309 --> 00:03:07,440

uh doing social research studies

73

00:03:10,630 --> 00:03:08,319

and

74

00:03:11,750 --> 00:03:10,640

then i went on to

75

00:03:12,710 --> 00:03:11,760

teaching

76

00:03:14,470 --> 00:03:12,720

and

77

00:03:15,509 --> 00:03:14,480

did some graduate work while i was

78

00:03:16,869 --> 00:03:15,519

teaching

79

00:03:18,550 --> 00:03:16,879

and

80

00:03:21,589 --> 00:03:18,560

became ill

81

00:03:24,710 --> 00:03:21,599

after uh quite a long career

82

00:03:27,509 --> 00:03:24,720

and had to leave my profession

83

00:03:29,270 --> 00:03:27,519

i had a debilitating illness

84

00:03:31,910 --> 00:03:29,280

and i decided

85

00:03:34,710 --> 00:03:31,920

that what i could do for intellectual

86

00:03:38,070 --> 00:03:34,720

stimulation from my home

87

00:03:41,350 --> 00:03:38,080

was to begin to investigate my aunt and

88

00:03:42,390 --> 00:03:41,360

uncle's case i joined the mutual ufo

89

00:03:44,149 --> 00:03:42,400

network

90

00:03:45,670 --> 00:03:44,159

and learned how to conduct an

91

00:03:47,990 --> 00:03:45,680

investigation

92

00:03:49,190 --> 00:03:48,000

had some training for mufon

93

00:03:55,990 --> 00:03:49,200

and

94

00:03:58,789 --> 00:03:56,000

a very long period of time

95

00:04:03,190 --> 00:03:58,799

involving that case it's still going on

96

00:04:05,350 --> 00:04:03,200

today with a lot of new evidence in my

97

00:04:09,270 --> 00:04:05,360

new book that was just published

98

00:04:11,750 --> 00:04:09,280

last year uh for the 60th anniversary of

99

00:04:15,110 --> 00:04:11,760

my aunt and uncle's experience well

100

00:04:18,069 --> 00:04:15,120

about 30 years ago too i began speaking

101
00:04:18,949 --> 00:04:18,079
with other experiencers

102
00:04:21,270 --> 00:04:18,959
and

103
00:04:23,270 --> 00:04:21,280
wanted to know as much as i could i

104
00:04:26,629 --> 00:04:23,280
talked to john mack i talked to bud

105
00:04:28,950 --> 00:04:26,639
hopkins david jacobs some of the big

106
00:04:31,990 --> 00:04:28,960
names in the field

107
00:04:32,950 --> 00:04:32,000
so i had a personal relationship with

108
00:04:34,070 --> 00:04:32,960
them

109
00:04:38,469 --> 00:04:34,080
and

110
00:04:40,150 --> 00:04:38,479
to

111
00:04:43,030 --> 00:04:40,160
conduct three

112
00:04:45,189 --> 00:04:43,040
or take part in as an investigator

113
00:04:47,990 --> 00:04:45,199

in three social research studies on

114

00:04:50,710 --> 00:04:48,000

experiencers to attempt to

115

00:04:54,230 --> 00:04:50,720

identify the characteristics that

116

00:04:57,110 --> 00:04:54,240

experience or share that are not common

117

00:05:01,670 --> 00:04:57,120

among the general population

118

00:05:06,310 --> 00:05:01,680

so uh i've done a great deal of research

119

00:05:08,710 --> 00:05:06,320

investigation experiments on and on um

120

00:05:11,909 --> 00:05:08,720

that and this has brought me to where i

121

00:05:14,790 --> 00:05:11,919

am today i've just released

122

00:05:17,110 --> 00:05:14,800

forbidden knowledge which is

123

00:05:20,230 --> 00:05:17,120

full of information that i thought i

124

00:05:22,070 --> 00:05:20,240

would never release but finally decided

125

00:05:23,189 --> 00:05:22,080

to release it

126

00:05:25,510 --> 00:05:23,199

what

127

00:05:27,670 --> 00:05:25,520

blew me away in a book was actually

128

00:05:30,629 --> 00:05:27,680

finding out how much you were embedded

129

00:05:32,790 --> 00:05:30,639

in betty's life um especially after uh

130

00:05:35,510 --> 00:05:32,800

her husband died barney he died quite

131

00:05:37,590 --> 00:05:35,520

young too wasn't he 46 47

132

00:05:39,830 --> 00:05:37,600

46 years old he said

133

00:05:41,990 --> 00:05:39,840

massive cerebral hemorrhage yeah that's

134

00:05:45,189 --> 00:05:42,000

young that's very young and you said

135

00:05:47,189 --> 00:05:45,199

that the stress of that of what he had

136

00:05:49,189 --> 00:05:47,199

experienced he took it differently than

137

00:05:50,950 --> 00:05:49,199

the way that betty took it like he

138

00:05:53,749 --> 00:05:50,960

seemed to take it a lot harder than she

139

00:05:55,749 --> 00:05:53,759

did he absolutely did and i think that

140

00:05:56,550 --> 00:05:55,759

we have to look at his

141

00:05:59,590 --> 00:05:56,560

uh

142

00:06:00,950 --> 00:05:59,600

historical background he you know he was

143

00:06:03,749 --> 00:06:00,960

a black man

144

00:06:07,670 --> 00:06:03,759

raised in a segregated society

145

00:06:10,390 --> 00:06:07,680

uh he although he had an iq of 140

146

00:06:11,270 --> 00:06:10,400

he couldn't go to college

147

00:06:14,629 --> 00:06:11,280

um

148

00:06:16,550 --> 00:06:14,639

because he was just disadvantaged he

149

00:06:18,230 --> 00:06:16,560

he never had the opportunities that a

150

00:06:22,550 --> 00:06:18,240

white man would have

151
00:06:25,510 --> 00:06:22,560
and so that had an impact on him then

152
00:06:26,390 --> 00:06:25,520
world war ii had an impact on him as

153
00:06:28,870 --> 00:06:26,400
well

154
00:06:33,909 --> 00:06:28,880
uh he ended up

155
00:06:35,909 --> 00:06:33,919
um and in a hospital in fair condition

156
00:06:37,510 --> 00:06:35,919
due to an explosion

157
00:06:42,230 --> 00:06:37,520
and

158
00:06:43,749 --> 00:06:42,240
he worked for the post office

159
00:06:46,870 --> 00:06:43,759
so he was a

160
00:06:50,390 --> 00:06:46,880
bright very bright man a wonderful

161
00:06:52,309 --> 00:06:50,400
individual who reached out to others in

162
00:06:55,110 --> 00:06:52,319
support

163
00:06:56,950 --> 00:06:55,120

and betty's history was

164

00:06:59,909 --> 00:06:56,960

as a woman whose

165

00:07:02,870 --> 00:06:59,919

family had been established in the

166

00:07:04,710 --> 00:07:02,880

northeast since the 1600s

167

00:07:06,870 --> 00:07:04,720

there were some of the first settlers to

168

00:07:10,390 --> 00:07:06,880

come to this country

169

00:07:13,749 --> 00:07:10,400

a very different kind of background my

170

00:07:17,749 --> 00:07:13,759

grandfather was active in town politics

171

00:07:19,230 --> 00:07:17,759

he was at one point the uh head of the

172

00:07:21,670 --> 00:07:19,240

board of chairman of the board of

173

00:07:25,110 --> 00:07:21,680

directors or the

174

00:07:27,350 --> 00:07:25,120

board of selectmen for the town

175

00:07:29,270 --> 00:07:27,360

yeah no just and then finding out that

176
00:07:32,390 --> 00:07:29,280
like you were dealing with her when she

177
00:07:34,790 --> 00:07:32,400
got ill as well uh you were pretty much

178
00:07:36,870 --> 00:07:34,800
the go-to for everything taking down her

179
00:07:39,189 --> 00:07:36,880
diary notes you were going to do the

180
00:07:41,029 --> 00:07:39,199
groceries you cooked you clean you also

181
00:07:44,390 --> 00:07:41,039
had to maintain the house like you you

182
00:07:45,909 --> 00:07:44,400
were really embedded in this

183
00:07:48,309 --> 00:07:45,919
you're the best person to actually write

184
00:07:50,150 --> 00:07:48,319
the book because you lived with them and

185
00:07:51,110 --> 00:07:50,160
you you got to see the side effects of

186
00:07:53,029 --> 00:07:51,120
that

187
00:07:55,749 --> 00:07:53,039
yes i lived with betty when i was a

188
00:07:58,629 --> 00:07:55,759

college student after barney's death and

189

00:08:01,029 --> 00:07:58,639

drove barney's car to

190

00:08:03,350 --> 00:08:01,039

college for my classes

191

00:08:06,070 --> 00:08:03,360

the same car the same car

192

00:08:08,070 --> 00:08:06,080

the car it was the station wagon okay

193

00:08:11,670 --> 00:08:08,080

that he had it wasn't the car that they

194

00:08:12,550 --> 00:08:11,680

had there okay okay i had to ask to ask

195

00:08:14,790 --> 00:08:12,560

yes

196

00:08:16,070 --> 00:08:14,800

yeah and then

197

00:08:18,869 --> 00:08:16,080

um

198

00:08:20,230 --> 00:08:18,879

i bet he had assisted me with my

199

00:08:24,070 --> 00:08:20,240

education

200

00:08:26,469 --> 00:08:24,080

financially

201
00:08:29,350 --> 00:08:26,479
and had made that promise when i was

202
00:08:31,749 --> 00:08:29,360
born in fact so i always knew that that

203
00:08:34,389 --> 00:08:31,759
was a promise she had made but after

204
00:08:36,550 --> 00:08:34,399
barney died uh i

205
00:08:38,149 --> 00:08:36,560
had to move there for finance for

206
00:08:40,870 --> 00:08:38,159
financial reasons

207
00:08:43,350 --> 00:08:40,880
and then i made the promise to betty

208
00:08:45,190 --> 00:08:43,360
that i would always take care of her in

209
00:08:47,910 --> 00:08:45,200
her old age

210
00:08:49,269 --> 00:08:47,920
for what she did for me and so

211
00:08:52,230 --> 00:08:49,279
i'm uh

212
00:08:56,790 --> 00:08:52,240
moved near her

213
00:09:00,710 --> 00:08:56,800

and i i mean within probably five miles

214

00:09:03,430 --> 00:09:00,720

of her home i had been about a 45 minute

215

00:09:06,470 --> 00:09:03,440

to an hour drive away so i sold my place

216

00:09:09,110 --> 00:09:06,480

and moved to be near her

217

00:09:11,990 --> 00:09:09,120

and lived with her

218

00:09:15,030 --> 00:09:12,000

um when she was

219

00:09:17,910 --> 00:09:15,040

unable to care for herself because of

220

00:09:20,389 --> 00:09:17,920

her terminal cancer

221

00:09:22,389 --> 00:09:20,399

did you and betty ever discuss uap

222

00:09:25,190 --> 00:09:22,399

phenomenon i know you're an experiencer

223

00:09:27,430 --> 00:09:25,200

and so is she so i'm not 100 certain on

224

00:09:29,670 --> 00:09:27,440

timelines like if your experiences were

225

00:09:31,990 --> 00:09:29,680

after the fact or whatnot but did you

226

00:09:33,910 --> 00:09:32,000

ever have discussions uh candid ones

227

00:09:37,430 --> 00:09:33,920

about that that sort of thing

228

00:09:39,670 --> 00:09:37,440

absolutely we had many many discussions

229

00:09:42,070 --> 00:09:39,680

beginning when i began my

230

00:09:44,230 --> 00:09:42,080

research

231

00:09:46,790 --> 00:09:44,240

for the book captured the betty and

232

00:09:48,710 --> 00:09:46,800

barney hill ufo experience

233

00:09:51,590 --> 00:09:48,720

and

234

00:09:52,790 --> 00:09:51,600

because i heard about it when i was 13

235

00:09:55,509 --> 00:09:52,800

whenever

236

00:09:57,590 --> 00:09:55,519

we i went they came to the house or we

237

00:09:58,389 --> 00:09:57,600

went to their house

238

00:09:59,430 --> 00:09:58,399

um

239

00:10:02,069 --> 00:09:59,440

betty

240

00:10:05,590 --> 00:10:02,079

was obsessed with this she wanted

241

00:10:08,550 --> 00:10:05,600

answers she was talking to air force

242

00:10:09,829 --> 00:10:08,560

officers to naval officers

243

00:10:11,350 --> 00:10:09,839

about this

244

00:10:14,870 --> 00:10:11,360

so

245

00:10:17,190 --> 00:10:14,880

focused on

246

00:10:18,389 --> 00:10:17,200

barney on the other hand had a totally

247

00:10:20,230 --> 00:10:18,399

different attitude

248

00:10:21,990 --> 00:10:20,240

he wanted to forget it as quickly as

249

00:10:23,750 --> 00:10:22,000

possible he thought that no good could

250

00:10:24,550 --> 00:10:23,760

ever come

251

00:10:28,790 --> 00:10:24,560

but

252

00:10:33,030 --> 00:10:28,800

that i uh drove betty along the close

253

00:10:36,150 --> 00:10:33,040

encounter root numerous times i tape

254

00:10:38,630 --> 00:10:36,160

recorded her statements i did my own

255

00:10:41,030 --> 00:10:38,640

investigation going up there with my

256

00:10:44,470 --> 00:10:41,040

husband time and time again

257

00:10:47,509 --> 00:10:44,480

always looking for a prosaic explanation

258

00:10:50,550 --> 00:10:47,519

which i couldn't find uh betty was very

259

00:10:51,750 --> 00:10:50,560

much a nuts and bolts kind of person she

260

00:10:54,230 --> 00:10:51,760

and i

261

00:10:55,670 --> 00:10:54,240

would have uh heated discussions you

262

00:10:56,790 --> 00:10:55,680

might say about

263

00:10:58,069 --> 00:10:56,800

uh

264

00:11:03,110 --> 00:10:58,079

the

265

00:11:05,350 --> 00:11:03,120

were taken through ceilings or walls or

266

00:11:08,069 --> 00:11:05,360

closed windows

267

00:11:11,269 --> 00:11:08,079

and i would always say well betty don't

268

00:11:13,670 --> 00:11:11,279

you think that these et's if they had

269

00:11:15,509 --> 00:11:13,680

the ability to come here

270

00:11:19,990 --> 00:11:15,519

might have

271

00:11:21,990 --> 00:11:20,000

developed the technology to

272

00:11:24,630 --> 00:11:22,000

do something

273

00:11:27,350 --> 00:11:24,640

scientifically using physics

274

00:11:28,630 --> 00:11:27,360

to pass a human body through a solid

275

00:11:31,590 --> 00:11:28,640

surface

276

00:11:33,509 --> 00:11:31,600

and her answer was always well if

277

00:11:37,509 --> 00:11:33,519

somebody told me that it happened to

278

00:11:39,829 --> 00:11:37,519

them i'd ask to see the repair bill

279

00:11:43,269 --> 00:11:39,839

so i mean you have to say betty seemed

280

00:11:45,750 --> 00:11:43,279

very nuts and bolts and in her approach

281

00:11:46,630 --> 00:11:45,760

to all of this

282

00:11:49,430 --> 00:11:46,640

and

283

00:11:50,870 --> 00:11:49,440

encouraged me to be that way too so for

284

00:11:53,350 --> 00:11:50,880

many years

285

00:11:55,910 --> 00:11:53,360

i was a nuts and bolts investigator i

286

00:11:58,389 --> 00:11:55,920

was looking at everything in terms of

287

00:12:00,949 --> 00:11:58,399

physical evidence

288

00:12:02,389 --> 00:12:00,959

it seems like it used to be just when

289

00:12:03,990 --> 00:12:02,399

you say nuts and bolts i've heard that

290

00:12:06,470 --> 00:12:04,000

term a lot people want something they

291

00:12:08,150 --> 00:12:06,480

can dig their teeth into and now with

292

00:12:09,910 --> 00:12:08,160

you know where studies have caught up

293

00:12:11,910 --> 00:12:09,920

and even with strange places like

294

00:12:13,110 --> 00:12:11,920

skinwalker ranch and things like that

295

00:12:15,990 --> 00:12:13,120

you know we didn't really think there

296

00:12:19,190 --> 00:12:16,000

was a connection between ufos or bigfoot

297

00:12:21,829 --> 00:12:19,200

or cryptids or paranormal or

298

00:12:23,829 --> 00:12:21,839

you know even poltergeist activity but

299

00:12:26,310 --> 00:12:23,839

the deeper down this rabbit hole we seem

300

00:12:27,829 --> 00:12:26,320

to go and many investigators and

301

00:12:29,990 --> 00:12:27,839

researchers are all kind of coming to

302

00:12:31,910 --> 00:12:30,000

the same conclusion that we thought we

303

00:12:34,150 --> 00:12:31,920

had something that you know tangible we

304

00:12:36,550 --> 00:12:34,160

were making progress and now it's just

305

00:12:38,230 --> 00:12:36,560

stranger than we ever thought it was and

306

00:12:40,230 --> 00:12:38,240

it's like we're almost back to square

307

00:12:42,790 --> 00:12:40,240

one again because of the the wide

308

00:12:44,949 --> 00:12:42,800

variety of phenomenon that people report

309

00:12:47,269 --> 00:12:44,959

and a lot of ufo experiencers

310

00:12:49,110 --> 00:12:47,279

they seem to take on physiological

311

00:12:51,430 --> 00:12:49,120

happenings whether they have experiences

312

00:12:54,310 --> 00:12:51,440

again or something spooky happens at

313

00:12:55,990 --> 00:12:54,320

home or like shadow people or whatever

314

00:12:57,829 --> 00:12:56,000

it all seems to be

315

00:12:59,829 --> 00:12:57,839

like an ongoing effect you don't just

316

00:13:02,310 --> 00:12:59,839

have an experience you may also have

317

00:13:03,990 --> 00:13:02,320

medical conditions after or you know

318

00:13:06,629 --> 00:13:04,000

things that we can't even begin to

319

00:13:08,870 --> 00:13:06,639

explain as a result so we're definitely

320

00:13:11,030 --> 00:13:08,880

getting uh getting stranger and stranger

321

00:13:13,350 --> 00:13:11,040

and it's it it's time for some big

322

00:13:15,190 --> 00:13:13,360

brains and people such as yourself to to

323

00:13:17,509 --> 00:13:15,200

help us all really understand this at

324

00:13:19,750 --> 00:13:17,519

more of a spiritual level

325

00:13:23,990 --> 00:13:19,760

yes absolutely and

326

00:13:29,750 --> 00:13:27,590

my family had some of this paranormal

327

00:13:32,790 --> 00:13:29,760

activity occur

328

00:13:34,790 --> 00:13:32,800

in our home after a craft landed on my

329

00:13:37,190 --> 00:13:34,800

grandparents farm which was

330

00:13:39,750 --> 00:13:37,200

the craft landed

331

00:13:40,870 --> 00:13:39,760

about 160 feet away from my childhood

332

00:13:42,870 --> 00:13:40,880

home

333

00:13:45,350 --> 00:13:42,880

and my mother and i

334

00:13:47,430 --> 00:13:45,360

remembered being taken we weren't didn't

335

00:13:49,829 --> 00:13:47,440

remember being taken to craft but we

336

00:13:53,990 --> 00:13:49,839

remembered finding ourselves

337

00:13:56,550 --> 00:13:54,000

on craft in a very frightening situation

338

00:13:59,350 --> 00:13:56,560

and after that occurred

339

00:14:01,750 --> 00:13:59,360

we started to have light orbs

340

00:14:03,590 --> 00:14:01,760

in my childhood home sometimes a door

341

00:14:06,150 --> 00:14:03,600

would open

342

00:14:08,550 --> 00:14:06,160

on its own and the cat would walk in and

343

00:14:10,710 --> 00:14:08,560

the door would close and

344

00:14:13,189 --> 00:14:10,720

that even happened when we had company

345

00:14:14,949 --> 00:14:13,199

my father was a boy scout leader and he

346

00:14:17,189 --> 00:14:14,959

was having a committee meeting when that

347

00:14:19,670 --> 00:14:17,199

happened one night so that was rather

348

00:14:22,150 --> 00:14:19,680

startling

349

00:14:25,030 --> 00:14:22,160

one time i was sleeping in my mother's

350

00:14:27,670 --> 00:14:25,040

bed when my husband and i were visiting

351
00:14:30,389 --> 00:14:27,680
from another state and

352
00:14:31,590 --> 00:14:30,399
we felt something unseen walking on the

353
00:14:34,150 --> 00:14:31,600
bed

354
00:14:38,389 --> 00:14:35,990
it didn't know what it was it wasn't a

355
00:14:40,949 --> 00:14:38,399
cat we turned on the lights we looked

356
00:14:42,069 --> 00:14:40,959
and this very strange thing was

357
00:14:46,150 --> 00:14:42,079
occurring

358
00:14:49,030 --> 00:14:46,160
i found a letter that betty wrote

359
00:14:50,150 --> 00:14:49,040
and it was in her files and and she

360
00:14:53,509 --> 00:14:50,160
said

361
00:14:54,470 --> 00:14:53,519
these things are happening to barney and

362
00:14:56,470 --> 00:14:54,480
i

363
00:15:00,230 --> 00:14:56,480

and also

364

00:15:03,430 --> 00:15:00,240

uh to my family members we do not

365

00:15:08,470 --> 00:15:03,440

believe in ghosts but we believe that

366

00:15:09,590 --> 00:15:08,480

these et's could be unseen to us

367

00:15:11,269 --> 00:15:09,600

so

368

00:15:13,750 --> 00:15:11,279

uh even though she was very nuts and

369

00:15:16,870 --> 00:15:13,760

bolts oriented she had that question

370

00:15:19,590 --> 00:15:16,880

what's going on and yes absolutely i've

371

00:15:20,550 --> 00:15:19,600

discovered that they can be unseen to us

372

00:15:21,910 --> 00:15:20,560

because

373

00:15:25,670 --> 00:15:21,920

they are

374

00:15:28,949 --> 00:15:27,030

dimension

375

00:15:32,069 --> 00:15:28,959

you might say they and the difference

376

00:15:34,310 --> 00:15:32,079

between the dimensions is the rate the

377

00:15:35,590 --> 00:15:34,320

vibratory rate

378

00:15:37,189 --> 00:15:35,600

so

379

00:15:39,829 --> 00:15:37,199

theoretically

380

00:15:40,710 --> 00:15:39,839

in physics everything has a vibratory

381

00:15:43,509 --> 00:15:40,720

rate

382

00:15:46,230 --> 00:15:43,519

none of us are completely solid

383

00:15:48,310 --> 00:15:46,240

that our atoms are moving

384

00:15:49,269 --> 00:15:48,320

and so

385

00:15:51,670 --> 00:15:49,279

when you

386

00:15:53,110 --> 00:15:51,680

talk about this you only have to think

387

00:15:55,110 --> 00:15:53,120

these ets

388

00:15:57,910 --> 00:15:55,120

have said that they're in the

389

00:16:00,790 --> 00:15:57,920

fifth and sixth dimensions

390

00:16:02,150 --> 00:16:00,800

that only means that the vibratory rate

391

00:16:05,350 --> 00:16:02,160

is faster

392

00:16:07,189 --> 00:16:05,360

so we can't see them we have a limited

393

00:16:08,550 --> 00:16:07,199

visual range

394

00:16:11,590 --> 00:16:08,560

now

395

00:16:12,550 --> 00:16:11,600

if these et's come into your environment

396

00:16:18,310 --> 00:16:12,560

you can

397

00:16:21,030 --> 00:16:18,320

tingling sensation in your bodies

398

00:16:24,629 --> 00:16:21,040

this this goes all the way back to betty

399

00:16:28,389 --> 00:16:24,639

and barney when they were attempting to

400

00:16:30,949 --> 00:16:28,399

speed down the highway to evade this ufo

401
00:16:34,710 --> 00:16:30,959
that was chasing them just over the top

402
00:16:37,430 --> 00:16:34,720
of their car and they heard these

403
00:16:39,350 --> 00:16:37,440
buzzing sounds striking their the trunk

404
00:16:41,749 --> 00:16:39,360
of their car

405
00:16:44,150 --> 00:16:41,759
this tingling sensation passed through

406
00:16:46,790 --> 00:16:44,160
their bodies it was an electrical

407
00:16:47,910 --> 00:16:46,800
tingling sensation

408
00:16:52,629 --> 00:16:47,920
so

409
00:16:56,470 --> 00:16:52,639
there there are things that we couldn't

410
00:16:58,470 --> 00:16:56,480
explain back then for barney there was

411
00:17:00,389 --> 00:16:58,480
uh when he was standing in the field and

412
00:17:03,110 --> 00:17:00,399
the craft was hovering over only a

413
00:17:05,750 --> 00:17:03,120

hundred feet overhead and descending in

414

00:17:07,029 --> 00:17:05,760

his direction

415

00:17:16,870 --> 00:17:07,039

he

416

00:17:20,309 --> 00:17:16,880

or a rope or what it was

417

00:17:23,510 --> 00:17:20,319

today we know that this is a beam which

418

00:17:26,470 --> 00:17:23,520

is sort of a tractor beam it appears to

419

00:17:29,430 --> 00:17:26,480

be inter-dimensional and i actually have

420

00:17:32,950 --> 00:17:29,440

video that i'm going to be showing in at

421

00:17:34,870 --> 00:17:32,960

most of my lectures this year that has

422

00:17:37,110 --> 00:17:34,880

been caught on

423

00:17:38,310 --> 00:17:37,120

a few seconds

424

00:17:40,549 --> 00:17:38,320

of film

425

00:17:43,190 --> 00:17:40,559

and one of the biggest cases i've ever

426
00:17:45,430 --> 00:17:43,200
worked on three people one a confirmed

427
00:17:46,630 --> 00:17:45,440
experiencer

428
00:17:49,750 --> 00:17:46,640
and that

429
00:17:52,470 --> 00:17:49,760
i arranged for two highly respected

430
00:17:54,390 --> 00:17:52,480
paranormal investigators to go to this

431
00:17:57,029 --> 00:17:54,400
experiencer's home

432
00:17:58,830 --> 00:17:57,039
to conduct an investigation to see if

433
00:18:01,190 --> 00:17:58,840
they could capture any

434
00:18:03,590 --> 00:18:01,200
evidence they went there they had all

435
00:18:06,470 --> 00:18:03,600
their equipment set up they had a video

436
00:18:10,789 --> 00:18:06,480
camera in one part of the yard to try to

437
00:18:12,470 --> 00:18:10,799
capture a ufo well they did captured not

438
00:18:16,390 --> 00:18:12,480

the ufo

439

00:18:18,470 --> 00:18:16,400

but they uh had this craft come in

440

00:18:20,549 --> 00:18:18,480

and suddenly all the equipment they were

441

00:18:22,870 --> 00:18:20,559

holding in their hands was no longer in

442

00:18:25,190 --> 00:18:22,880

their hands they were reeling back and

443

00:18:27,029 --> 00:18:25,200

forth they were feeling nauseated they

444

00:18:28,390 --> 00:18:27,039

picked up all the equipment they had to

445

00:18:30,830 --> 00:18:28,400

find it first

446

00:18:33,110 --> 00:18:30,840

under a bush walked back into the

447

00:18:35,830 --> 00:18:33,120

experencer's home

448

00:18:38,070 --> 00:18:35,840

and the experencer's wife was there

449

00:18:40,310 --> 00:18:38,080

saying where have you been

450

00:18:42,070 --> 00:18:40,320

and they said just out in the yard

451
00:18:43,510 --> 00:18:42,080
and she said no you weren't i was

452
00:18:45,909 --> 00:18:43,520
looking for you

453
00:18:47,990 --> 00:18:45,919
uh do you know what time it is

454
00:18:50,390 --> 00:18:48,000
they went outside at ten o'clock they

455
00:18:51,909 --> 00:18:50,400
thought it was still only eleven o'clock

456
00:18:53,669 --> 00:18:51,919
it was actually one o'clock in the

457
00:18:55,029 --> 00:18:53,679
morning

458
00:18:57,430 --> 00:18:55,039
you're you're

459
00:18:59,750 --> 00:18:57,440
i'm sorry your mom experienced that as

460
00:19:01,590 --> 00:18:59,760
well right grocery shopping one day she

461
00:19:03,270 --> 00:19:01,600
you mentioned that in the book i believe

462
00:19:04,710 --> 00:19:03,280
that she went out grocery shopping and

463
00:19:06,390 --> 00:19:04,720

then experienced this

464

00:19:08,549 --> 00:19:06,400

missing time you guys were all worried

465

00:19:11,350 --> 00:19:08,559

that she had gotten into a car crash or

466

00:19:13,590 --> 00:19:11,360

something yes absolutely yeah and when

467

00:19:14,870 --> 00:19:13,600

she arrived home the frozen food was

468

00:19:17,430 --> 00:19:14,880

thought

469

00:19:19,990 --> 00:19:17,440

oh really this missing time is pretty

470

00:19:23,510 --> 00:19:20,000

common among experiencers

471

00:19:26,870 --> 00:19:23,520

um but what happened is i was able to

472

00:19:29,350 --> 00:19:26,880

obtain film from that camera

473

00:19:34,549 --> 00:19:29,360

in that case i was just talking about

474

00:19:36,390 --> 00:19:34,559

and on it it shows a uh an indigo beam

475

00:19:39,909 --> 00:19:36,400

and it shows

476
00:19:43,190 --> 00:19:39,919
an entity dropping off that beam

477
00:19:46,789 --> 00:19:43,200
and that entity is not solid

478
00:19:49,990 --> 00:19:46,799
initially it's translucent but becomes

479
00:19:51,510 --> 00:19:50,000
solid as it descends toward the ground

480
00:19:52,549 --> 00:19:51,520
there were several

481
00:19:55,990 --> 00:19:52,559
entities

482
00:19:58,710 --> 00:19:56,000
captured and during my ex my lectures

483
00:19:59,830 --> 00:19:58,720
this year i'm going to be showing

484
00:20:03,830 --> 00:19:59,840
the

485
00:20:07,590 --> 00:20:03,840
that video and those entities that i was

486
00:20:08,950 --> 00:20:07,600
able to capture and in my frame by frame

487
00:20:10,950 --> 00:20:08,960
analysis

488
00:20:13,430 --> 00:20:10,960

in the first few seconds before they

489

00:20:16,390 --> 00:20:13,440

realized what was going on i'm talking

490

00:20:18,070 --> 00:20:16,400

about the et's realizing right

491

00:20:20,310 --> 00:20:18,080

it's almost like we're only programmed

492

00:20:22,149 --> 00:20:20,320

to pick up and physiologically this is

493

00:20:25,190 --> 00:20:22,159

true we are only programmed to pick up a

494

00:20:27,190 --> 00:20:25,200

certain part of the spectrum visually

495

00:20:29,190 --> 00:20:27,200

audibly you know we can't hear super

496

00:20:31,430 --> 00:20:29,200

super low frequencies or super super

497

00:20:33,350 --> 00:20:31,440

high kind of like a dog whistle only a

498

00:20:36,390 --> 00:20:33,360

dog can hear it because that vibration

499

00:20:38,230 --> 00:20:36,400

is in tune with their physiology so you

500

00:20:41,270 --> 00:20:38,240

know and even if you study quantum

501
00:20:43,909 --> 00:20:41,280
physics and it's almost like what we see

502
00:20:45,750 --> 00:20:43,919
is just the best version our brains can

503
00:20:48,230 --> 00:20:45,760
make of what we see it may not actually

504
00:20:51,029 --> 00:20:48,240
be the reality we know so when you see

505
00:20:53,669 --> 00:20:51,039
things dematerializing and i mean maybe

506
00:20:56,230 --> 00:20:53,679
that's how they travel crazy distances

507
00:20:58,950 --> 00:20:56,240
is not by actual propulsion machinery

508
00:21:00,870 --> 00:20:58,960
maybe there's a dematerialization

509
00:21:02,950 --> 00:21:00,880
and then a reappearance somewhere far

510
00:21:04,710 --> 00:21:02,960
far away like if you can figure out how

511
00:21:06,870 --> 00:21:04,720
that vibration works that's like the

512
00:21:08,710 --> 00:21:06,880
instant highway and you know and when

513
00:21:10,310 --> 00:21:08,720

you look at quantum entanglement and you

514

00:21:12,870 --> 00:21:10,320

know you move one thing here something

515

00:21:15,029 --> 00:21:12,880

else is also affected uh you know maybe

516

00:21:17,350 --> 00:21:15,039

it's it's way above our pay grade to

517

00:21:18,789 --> 00:21:17,360

even try to understand a percentage of

518

00:21:21,510 --> 00:21:18,799

this type of stuff

519

00:21:22,390 --> 00:21:21,520

yes uh you know it looks like magic to

520

00:21:26,149 --> 00:21:22,400

us

521

00:21:29,110 --> 00:21:26,159

technological

522

00:21:30,630 --> 00:21:29,120

level of development uh we have a long

523

00:21:33,029 --> 00:21:30,640

way to go to

524

00:21:35,350 --> 00:21:33,039

to reach that point scientists

525

00:21:38,870 --> 00:21:35,360

theoretical physicists are attempting to

526
00:21:41,669 --> 00:21:38,880
understand that are developing theories

527
00:21:44,070 --> 00:21:41,679
on it uh it appears to be

528
00:21:46,710 --> 00:21:44,080
interdimensional in neighbor in nature

529
00:21:49,669 --> 00:21:46,720
and some of those physicists believe

530
00:21:52,149 --> 00:21:49,679
that these entities are actually on some

531
00:21:54,149 --> 00:21:52,159
distant planet and actually have the

532
00:21:56,710 --> 00:21:54,159
ability to

533
00:22:00,310 --> 00:21:56,720
project

534
00:22:03,590 --> 00:22:00,320
sort of images or holograms

535
00:22:05,750 --> 00:22:03,600
and that's what we believe is uh craft

536
00:22:08,230 --> 00:22:05,760
and non-human entities but they're

537
00:22:10,870 --> 00:22:08,240
actually on another planet

538
00:22:13,029 --> 00:22:10,880

i don't know about that because being an

539

00:22:14,230 --> 00:22:13,039

experiencer and being in that

540

00:22:16,549 --> 00:22:14,240

environment

541

00:22:20,710 --> 00:22:16,559

everything seemed very nuts and bolts to

542

00:22:25,190 --> 00:22:20,720

me it was physical and i was with

543

00:22:26,870 --> 00:22:25,200

um sentient beings at least the uh the

544

00:22:29,190 --> 00:22:26,880

scientists

545

00:22:32,070 --> 00:22:29,200

uh and the educators

546

00:22:35,430 --> 00:22:32,080

seemed like sentient beings i did not

547

00:22:38,149 --> 00:22:35,440

think they were bio robotic in any way

548

00:22:41,669 --> 00:22:38,159

many experiences i've talked to have

549

00:22:44,070 --> 00:22:41,679

said that they age and i saw one who had

550

00:22:47,029 --> 00:22:44,080

aged over the years too

551
00:22:49,270 --> 00:22:47,039
my escort so

552
00:22:51,029 --> 00:22:49,280
yeah there's maybe there's more than one

553
00:22:53,190 --> 00:22:51,039
thing going on

554
00:22:55,590 --> 00:22:53,200
for sure for sure

555
00:22:58,310 --> 00:22:55,600
sorry i was being blinded by my uh my

556
00:23:02,070 --> 00:22:59,990
i wanted to ask you kathleen because you

557
00:23:04,630 --> 00:23:02,080
openly say that you're an experiencer

558
00:23:07,430 --> 00:23:04,640
you've had um you know vivid things

559
00:23:10,230 --> 00:23:07,440
happen so what level of detail do you

560
00:23:12,390 --> 00:23:10,240
actually recall is it kind of like fuzzy

561
00:23:15,590 --> 00:23:12,400
memories like i was here and then i only

562
00:23:17,990 --> 00:23:15,600
remembered it after or do you remember

563
00:23:19,909 --> 00:23:18,000

it as if like it happened i was here i

564

00:23:21,830 --> 00:23:19,919

remember going with them we went on the

565

00:23:24,470 --> 00:23:21,840

craft it looked like this like do you

566

00:23:26,710 --> 00:23:24,480

have that level of sort of granular

567

00:23:28,549 --> 00:23:26,720

detail with some of your experiences

568

00:23:30,310 --> 00:23:28,559

in terms of

569

00:23:31,510 --> 00:23:30,320

uh memory

570

00:23:32,549 --> 00:23:31,520

i

571

00:23:34,710 --> 00:23:32,559

had

572

00:23:39,110 --> 00:23:34,720

my initial memory was of being on a

573

00:23:40,789 --> 00:23:39,120

craft lying on a table there were

574

00:23:42,710 --> 00:23:40,799

non-humans

575

00:23:45,990 --> 00:23:42,720

around me

576

00:23:47,750 --> 00:23:46,000

i could not remember their faces i

577

00:23:50,710 --> 00:23:47,760

remembered the scenario that was

578

00:23:52,470 --> 00:23:50,720

happening there so there was pain in my

579

00:23:55,430 --> 00:23:52,480

body after i

580

00:23:58,070 --> 00:23:55,440

i knew that something had happened to me

581

00:23:59,830 --> 00:23:58,080

and the way i rationalized it

582

00:24:01,110 --> 00:23:59,840

was to think that

583

00:24:03,669 --> 00:24:01,120

my mother

584

00:24:06,470 --> 00:24:03,679

had arranged for surgeons to come into

585

00:24:08,950 --> 00:24:06,480

my home in the middle of the night to do

586

00:24:11,590 --> 00:24:08,960

surgery on me because she didn't want to

587

00:24:15,350 --> 00:24:11,600

frighten me i mean that's even crazier

588

00:24:18,549 --> 00:24:15,360

in a sense than uh being on that craft

589

00:24:20,549 --> 00:24:18,559

and and my mother was there i saw her

590

00:24:21,430 --> 00:24:20,559

you know too so

591

00:24:23,750 --> 00:24:21,440

um

592

00:24:26,230 --> 00:24:23,760

very clear memory of that

593

00:24:27,590 --> 00:24:26,240

it was through a very powerful ab

594

00:24:29,830 --> 00:24:27,600

reaction

595

00:24:32,630 --> 00:24:29,840

as i tried to remember what they looked

596

00:24:35,029 --> 00:24:32,640

like that i finally did remember

597

00:24:36,549 --> 00:24:35,039

and was able to draw a sketch of what

598

00:24:37,909 --> 00:24:36,559

they looked like

599

00:24:38,789 --> 00:24:37,919

um

600

00:24:41,269 --> 00:24:38,799

so

601
00:24:43,269 --> 00:24:41,279
but uh

602
00:24:46,950 --> 00:24:43,279
dr james harder

603
00:24:48,950 --> 00:24:46,960
worked with both my mother and i he was

604
00:24:50,630 --> 00:24:48,960
from the university of california at

605
00:24:52,549 --> 00:24:50,640
berkeley i

606
00:24:53,750 --> 00:24:52,559
worked as a professor in the engineering

607
00:24:56,470 --> 00:24:53,760
department

608
00:24:57,789 --> 00:24:56,480
and was also the aerial research

609
00:25:02,630 --> 00:24:57,799
phenomena

610
00:25:05,029 --> 00:25:02,640
association's uh or ariel apro apro i

611
00:25:08,230 --> 00:25:05,039
got that mixed up aerial phenomena

612
00:25:09,029 --> 00:25:08,240
research organization uh he was their

613
00:25:12,549 --> 00:25:09,039

chief

614

00:25:13,350 --> 00:25:12,559

abduction investigator so he hypnotized

615

00:25:16,870 --> 00:25:13,360

us

616

00:25:19,909 --> 00:25:16,880

and we remembered more details

617

00:25:23,110 --> 00:25:19,919

of what had occurred

618

00:25:25,350 --> 00:25:23,120

um this was in the 1970s but

619

00:25:27,990 --> 00:25:25,360

it was only a couple of hypnosis

620

00:25:30,789 --> 00:25:28,000

sessions and very short

621

00:25:32,950 --> 00:25:30,799

so but he gave us the post-hypnotic

622

00:25:34,230 --> 00:25:32,960

suggestion that we would be able to

623

00:25:35,190 --> 00:25:34,240

remember

624

00:25:38,070 --> 00:25:35,200

more

625

00:25:40,390 --> 00:25:38,080

and that we would attempt to

626
00:25:41,510 --> 00:25:40,400
acquire evidence

627
00:25:46,549 --> 00:25:41,520
so

628
00:25:48,950 --> 00:25:46,559
years i was able to gather

629
00:25:52,070 --> 00:25:48,960
evidence sometimes i gathered it and

630
00:25:53,269 --> 00:25:52,080
destroyed it i think i was instructed to

631
00:25:54,789 --> 00:25:53,279
do that

632
00:25:58,149 --> 00:25:54,799
and

633
00:26:00,549 --> 00:25:58,159
um so i've always had some memories

634
00:26:03,430 --> 00:26:00,559
uh i've had an awareness that they were

635
00:26:05,510 --> 00:26:03,440
going to come i would be extraordinarily

636
00:26:06,870 --> 00:26:05,520
frightened for

637
00:26:09,909 --> 00:26:06,880
much of this

638
00:26:11,669 --> 00:26:09,919

as i was waiting i would be awake when

639

00:26:13,350 --> 00:26:11,679

they came

640

00:26:16,230 --> 00:26:13,360

and

641

00:26:19,110 --> 00:26:16,240

then i'd find myself on craft i did not

642

00:26:21,190 --> 00:26:19,120

remember how i arrived to the craft

643

00:26:23,190 --> 00:26:21,200

i could never remember that part of it

644

00:26:24,789 --> 00:26:23,200

that seems to be a common a common thing

645

00:26:27,029 --> 00:26:24,799

amongst abductees that they don't

646

00:26:28,789 --> 00:26:27,039

remember the transition from even if

647

00:26:30,230 --> 00:26:28,799

let's say they're in their rooms to

648

00:26:32,390 --> 00:26:30,240

being on board of the craft there's

649

00:26:33,269 --> 00:26:32,400

there's that gap there so

650

00:26:35,669 --> 00:26:33,279

yes

651
00:26:37,190 --> 00:26:35,679
and some people remember being walked to

652
00:26:38,390 --> 00:26:37,200
craft but

653
00:26:46,149 --> 00:26:38,400
i

654
00:26:49,269 --> 00:26:46,159
uh

655
00:26:54,549 --> 00:26:49,279
an interdimensional

656
00:26:56,230 --> 00:26:54,559
portal of sorts that into that ufo and i

657
00:26:58,870 --> 00:26:56,240
of course i started vibrating at a

658
00:27:01,350 --> 00:26:58,880
higher rate my body came apart

659
00:27:03,350 --> 00:27:01,360
and that's why i can't remember it

660
00:27:05,350 --> 00:27:03,360
that's what i think happened

661
00:27:07,750 --> 00:27:05,360
and then when i was in their environment

662
00:27:10,230 --> 00:27:07,760
i was whole and i think that maybe the

663
00:27:11,190 --> 00:27:10,240

reason that i became disabled with

664

00:27:12,870 --> 00:27:11,200

illness

665

00:27:15,350 --> 00:27:12,880

was because

666

00:27:17,990 --> 00:27:15,360

of that process of being taken there

667

00:27:20,310 --> 00:27:18,000

time and time again

668

00:27:22,710 --> 00:27:20,320

how many times uh are we talking here

669

00:27:23,909 --> 00:27:22,720

was this you know a half a dozen or is

670

00:27:27,269 --> 00:27:23,919

this something that you've experienced

671

00:27:30,470 --> 00:27:27,279

for years and years and many many times

672

00:27:35,190 --> 00:27:30,480

i've experienced it for many years from

673

00:27:38,389 --> 00:27:35,200

uh at least from the age of 17.

674

00:27:40,230 --> 00:27:38,399

it occurred more frequently when i was

675

00:27:43,350 --> 00:27:40,240

in my

676
00:27:46,630 --> 00:27:43,360
sort of 25 to

677
00:27:48,789 --> 00:27:46,640
no maybe about 32

678
00:27:49,750 --> 00:27:48,799
something like that um

679
00:27:52,389 --> 00:27:49,760
every

680
00:27:54,870 --> 00:27:52,399
maybe three months i i can't say for

681
00:27:57,590 --> 00:27:54,880
certain it just all i remember is it

682
00:28:00,470 --> 00:27:57,600
occurred frequently and on three

683
00:28:02,950 --> 00:28:00,480
occasions people saw the craft

684
00:28:05,110 --> 00:28:02,960
on one of those occasions

685
00:28:07,669 --> 00:28:05,120
the people saw the craft

686
00:28:09,830 --> 00:28:07,679
near my house and they knocked on my

687
00:28:12,310 --> 00:28:09,840
door they were looking for me

688
00:28:15,190 --> 00:28:12,320

but i wasn't there they couldn't find me

689

00:28:17,350 --> 00:28:15,200

i was probably on that craft i i had

690

00:28:18,870 --> 00:28:17,360

memories of being on craft

691

00:28:20,310 --> 00:28:18,880

that night

692

00:28:23,510 --> 00:28:20,320

so

693

00:28:25,990 --> 00:28:23,520

um then as i grew older

694

00:28:29,990 --> 00:28:26,000

uh it was interfering

695

00:28:33,190 --> 00:28:30,000

really when i was in my 40s i was ill it

696

00:28:37,029 --> 00:28:33,200

was interfering with my ability to

697

00:28:39,190 --> 00:28:37,039

uh become well or feel well because they

698

00:28:40,870 --> 00:28:39,200

were keeping me up during the night

699

00:28:43,669 --> 00:28:40,880

about once a year

700

00:28:47,430 --> 00:28:43,679

and so i said i asked them

701

00:28:49,190 --> 00:28:47,440

to just let me sleep through it

702

00:28:51,909 --> 00:28:49,200

and so i think that i slept through it

703

00:28:54,149 --> 00:28:51,919

because i'd awaken for example with

704

00:28:57,990 --> 00:28:54,159

blood on my navel

705

00:29:00,230 --> 00:28:58,000

feeling a kind of a pinching pain

706

00:29:02,870 --> 00:29:00,240

but i would not remember

707

00:29:05,350 --> 00:29:02,880

always being taken sometimes i remember

708

00:29:06,789 --> 00:29:05,360

being taken if i was awake when it

709

00:29:08,470 --> 00:29:06,799

occurred

710

00:29:11,110 --> 00:29:08,480

is it always the same

711

00:29:12,710 --> 00:29:11,120

group of entities they were right were

712

00:29:14,149 --> 00:29:12,720

they recognizable like that's the one

713

00:29:16,789 --> 00:29:14,159

with the funny ear and that's small with

714

00:29:19,510 --> 00:29:16,799

the scar on his head that kind of thing

715

00:29:21,990 --> 00:29:19,520

i recognized my escort

716

00:29:23,990 --> 00:29:22,000

uh we had a relationship

717

00:29:25,590 --> 00:29:24,000

and we were take uh

718

00:29:28,310 --> 00:29:25,600

i liked him

719

00:29:31,029 --> 00:29:28,320

we and he always came to me

720

00:29:32,549 --> 00:29:31,039

time and time again

721

00:29:35,510 --> 00:29:32,559

one time

722

00:29:41,430 --> 00:29:35,520

and this was much later on in it was in

723

00:29:44,630 --> 00:29:42,630

i was

724

00:29:47,590 --> 00:29:44,640

taken

725

00:29:50,230 --> 00:29:47,600

maybe by denise stoner's group

726

00:29:51,750 --> 00:29:50,240

i don't know

727

00:29:53,350 --> 00:29:51,760

it was

728

00:29:56,389 --> 00:29:53,360

let me tell you a little bit she and i

729

00:29:58,630 --> 00:29:56,399

were had and my father had been to

730

00:30:02,070 --> 00:29:58,640

uh saint pete to

731

00:30:03,870 --> 00:30:02,080

a a ufo meeting a mufon meeting

732

00:30:05,430 --> 00:30:03,880

and paula harris was speaking

733

00:30:09,350 --> 00:30:05,440

[Music]

734

00:30:11,590 --> 00:30:09,360

and we on the on our return home

735

00:30:13,110 --> 00:30:11,600

uh that night my gps started to

736

00:30:16,149 --> 00:30:13,120

malfuction

737

00:30:18,630 --> 00:30:16,159

uh i ended up on a

738

00:30:21,110 --> 00:30:18,640

just a lonely road and realized that i

739

00:30:23,510 --> 00:30:21,120

wasn't supposed to be there and

740

00:30:24,870 --> 00:30:23,520

turned around went directly back to the

741

00:30:28,310 --> 00:30:24,880

highway

742

00:30:30,870 --> 00:30:28,320

and turned the gps off then denise and i

743

00:30:31,750 --> 00:30:30,880

my father were just talking the entire

744

00:30:34,549 --> 00:30:31,760

time

745

00:30:35,430 --> 00:30:34,559

and then everything was quiet and she

746

00:30:37,430 --> 00:30:35,440

and i

747

00:30:39,029 --> 00:30:37,440

remembered sort of feeling like we were

748

00:30:39,830 --> 00:30:39,039

going uphill

749

00:30:41,750 --> 00:30:39,840

and

750

00:30:43,990 --> 00:30:41,760

there are no hills there

751
00:30:45,510 --> 00:30:44,000
where we were driving

752
00:30:46,710 --> 00:30:45,520
and so

753
00:30:47,909 --> 00:30:46,720
um

754
00:30:50,149 --> 00:30:47,919
her

755
00:30:51,990 --> 00:30:50,159
she might i don't know we have this

756
00:30:54,070 --> 00:30:52,000
point of confusion

757
00:30:56,710 --> 00:30:54,080
if we were taken together

758
00:30:58,149 --> 00:30:56,720
under hypnosis she remembered walking

759
00:30:59,430 --> 00:30:58,159
by a room

760
00:31:02,389 --> 00:30:59,440
where there

761
00:31:04,950 --> 00:31:02,399
was a man and a woman sitting on a bench

762
00:31:06,320 --> 00:31:04,960
the man was elderly and bald like my

763
00:31:07,750 --> 00:31:06,330

father the woman

764

00:31:10,149 --> 00:31:07,760

[Music]

765

00:31:12,389 --> 00:31:10,159

was wearing sort of the outfit that i

766

00:31:15,350 --> 00:31:12,399

was wearing but she couldn't say for

767

00:31:18,710 --> 00:31:15,360

certain if it was us

768

00:31:21,750 --> 00:31:18,720

we all arrived home late that night

769

00:31:23,909 --> 00:31:21,760

i think she was later than we were

770

00:31:25,430 --> 00:31:23,919

she remembered finding herself on a

771

00:31:26,470 --> 00:31:25,440

different road

772

00:31:28,549 --> 00:31:26,480

than

773

00:31:31,669 --> 00:31:28,559

she had been driving on

774

00:31:36,630 --> 00:31:31,679

she was on like a lonely road next to a

775

00:31:38,149 --> 00:31:36,640

lake she saw a giant red-orange orb rise

776
00:31:40,630 --> 00:31:38,159
up out of the lake

777
00:31:41,750 --> 00:31:40,640
she remembered seeing her

778
00:31:43,990 --> 00:31:41,760
escort

779
00:31:45,990 --> 00:31:44,000
and then she remembered finding herself

780
00:31:48,230 --> 00:31:46,000
in her driveway

781
00:31:50,470 --> 00:31:48,240
and her husband being concerned about

782
00:31:51,750 --> 00:31:50,480
why she was so late

783
00:31:52,950 --> 00:31:51,760
so

784
00:31:55,430 --> 00:31:52,960
and her

785
00:31:57,190 --> 00:31:55,440
her insulin pump was not

786
00:31:58,870 --> 00:31:57,200
working it was

787
00:32:02,149 --> 00:31:58,880
she it was buzzing even though it was a

788
00:32:04,870 --> 00:32:02,159

new battery um her cell phone had

789

00:32:05,669 --> 00:32:04,880

stopped working completely that sort of

790

00:32:09,830 --> 00:32:05,679

thing

791

00:32:11,830 --> 00:32:09,840

the next night is when i found myself

792

00:32:13,269 --> 00:32:11,840

on a craft

793

00:32:15,750 --> 00:32:13,279

i woke up

794

00:32:18,230 --> 00:32:15,760

when i was dropped on a table

795

00:32:22,149 --> 00:32:18,240

i opened i was on my side

796

00:32:24,149 --> 00:32:22,159

i opened my eyes and i saw a little

797

00:32:29,909 --> 00:32:24,159

entity that i'd never seen before it

798

00:32:32,470 --> 00:32:29,919

looked robot look robotic or bio-robotic

799

00:32:35,669 --> 00:32:32,480

it was about six inches probably from my

800

00:32:36,630 --> 00:32:35,679

face it was very startling it did not

801
00:32:39,669 --> 00:32:36,640
look

802
00:32:42,470 --> 00:32:39,679
at all like it was a sentient being the

803
00:32:45,190 --> 00:32:42,480
face was completely flat it had a round

804
00:32:46,549 --> 00:32:45,200
head like a basketball

805
00:32:49,430 --> 00:32:46,559
the eyes

806
00:32:50,549 --> 00:32:49,440
although they were black had sort of a

807
00:32:53,830 --> 00:32:50,559
silver

808
00:32:56,710 --> 00:32:53,840
outline almost like metal

809
00:32:57,990 --> 00:32:56,720
i didn't notice a nose but i noticed a

810
00:33:01,430 --> 00:32:58,000
little mouth

811
00:33:03,430 --> 00:33:01,440
that move that sort of did a smile

812
00:33:06,630 --> 00:33:03,440
in a sense it moved

813
00:33:08,070 --> 00:33:06,640

uh when i opened my eyes and and looked

814

00:33:11,590 --> 00:33:08,080

at it

815

00:33:14,630 --> 00:33:11,600

and then the two taller entities down at

816

00:33:16,789 --> 00:33:14,640

the foot of the table

817

00:33:18,870 --> 00:33:16,799

there were two or three i'm not certain

818

00:33:21,350 --> 00:33:18,880

i didn't have my glasses on i was older

819

00:33:23,909 --> 00:33:21,360

then and needed glasses so they were

820

00:33:25,909 --> 00:33:23,919

kind of fuzzy to me but i know that they

821

00:33:27,509 --> 00:33:25,919

were much taller than i was accustomed

822

00:33:30,389 --> 00:33:27,519

to seeing

823

00:33:33,029 --> 00:33:30,399

and this little guy was not anything

824

00:33:34,710 --> 00:33:33,039

like what i was accustomed to seeing

825

00:33:36,310 --> 00:33:34,720

either

826
00:33:39,990 --> 00:33:36,320
and so

827
00:33:44,389 --> 00:33:42,389
uh when i was dropped i had had to have

828
00:33:46,870 --> 00:33:44,399
some physical therapy

829
00:33:48,630 --> 00:33:46,880
the next morning i was feeling pretty

830
00:33:49,990 --> 00:33:48,640
terrible

831
00:33:52,310 --> 00:33:50,000
physically

832
00:33:54,870 --> 00:33:52,320
and i said to my father i think i was

833
00:33:57,590 --> 00:33:54,880
taken last night my father's who lived

834
00:33:59,669 --> 00:33:57,600
in the guest house beside my house

835
00:34:02,149 --> 00:33:59,679
uh said

836
00:34:05,269 --> 00:34:02,159
well i think you were too because i saw

837
00:34:07,190 --> 00:34:05,279
a strange light or strange lights got up

838
00:34:09,349 --> 00:34:07,200

in the middle of the night and saw them

839

00:34:11,109 --> 00:34:09,359

outside the window

840

00:34:13,109 --> 00:34:11,119

and so um

841

00:34:15,349 --> 00:34:13,119

you know that was some confirmation that

842

00:34:17,669 --> 00:34:15,359

i it probably did in addition to the

843

00:34:20,149 --> 00:34:17,679

injuries i received

844

00:34:21,990 --> 00:34:20,159

so you mentioned before that um you know

845

00:34:23,589 --> 00:34:22,000

having worked with over 5000

846

00:34:25,829 --> 00:34:23,599

experiencers that

847

00:34:28,629 --> 00:34:25,839

they all share some characteristics or

848

00:34:29,990 --> 00:34:28,639

features that is not common

849

00:34:31,430 --> 00:34:30,000

do you want to touch up a little bit on

850

00:34:33,909 --> 00:34:31,440

that like what have you found with the

851
00:34:36,149 --> 00:34:33,919
abductees or the experiencers what what

852
00:34:37,510 --> 00:34:36,159
is it that they have that the general

853
00:34:38,550 --> 00:34:37,520
population

854
00:34:39,829 --> 00:34:38,560
are not

855
00:34:44,550 --> 00:34:39,839
as

856
00:34:46,790 --> 00:34:44,560
well in our study

857
00:34:50,470 --> 00:34:46,800
the majority of

858
00:34:53,349 --> 00:34:50,480
the abductee group as was determined by

859
00:34:56,310 --> 00:34:53,359
uh the american personality inventory

860
00:34:57,349 --> 00:34:56,320
administered and graded by dr don c don

861
00:34:59,589 --> 00:34:57,359
derry

862
00:35:00,390 --> 00:34:59,599
um

863
00:35:02,150 --> 00:35:00,400

so

864

00:35:04,230 --> 00:35:02,160

these were people who were alien

865

00:35:07,910 --> 00:35:04,240

abductees then we had the group of

866

00:35:09,990 --> 00:35:07,920

people who had just taken the exam

867

00:35:12,710 --> 00:35:10,000

and we had uh

868

00:35:15,349 --> 00:35:12,720

i had already removed those who didn't

869

00:35:19,670 --> 00:35:15,359

complete the exam and those who we were

870

00:35:24,950 --> 00:35:23,589

so um what we discovered is that the

871

00:35:26,550 --> 00:35:24,960

majority

872

00:35:29,430 --> 00:35:26,560

uh had

873

00:35:30,870 --> 00:35:29,440

observed a craft up close at least one

874

00:35:32,150 --> 00:35:30,880

time

875

00:35:34,710 --> 00:35:32,160

they had

876

00:35:37,750 --> 00:35:34,720

conscious recall of observing non-human

877

00:35:40,550 --> 00:35:37,760

entities at least one time

878

00:35:42,550 --> 00:35:40,560

their family members had as well

879

00:35:45,030 --> 00:35:42,560

they had been taken to craft so we

880

00:35:48,950 --> 00:35:45,040

discovered that there was definitely a

881

00:35:49,990 --> 00:35:48,960

genetic family link there

882

00:35:50,950 --> 00:35:50,000

also

883

00:35:53,030 --> 00:35:50,960

that

884

00:35:56,069 --> 00:35:53,040

these experiencers

885

00:35:58,790 --> 00:35:56,079

had become more spiritual

886

00:36:02,710 --> 00:35:58,800

a very very high percentage of the

887

00:36:03,589 --> 00:36:02,720

abductee group had become more spiritual

888

00:36:04,870 --> 00:36:03,599

um

889

00:36:09,750 --> 00:36:04,880

they had

890

00:36:12,310 --> 00:36:09,760

empathic where they it's a psychic sense

891

00:36:15,030 --> 00:36:12,320

of being able to experience what is

892

00:36:16,150 --> 00:36:15,040

going on inside of another person's body

893

00:36:19,990 --> 00:36:16,160

as if

894

00:36:22,390 --> 00:36:20,000

it's your own i do this if i get into

895

00:36:25,589 --> 00:36:22,400

their auric realm

896

00:36:28,710 --> 00:36:25,599

i try to shut that off but when i work

897

00:36:30,390 --> 00:36:28,720

with experiencers sometimes i get into

898

00:36:33,190 --> 00:36:30,400

their auric realm

899

00:36:35,910 --> 00:36:33,200

and i can i experience that in my own

900

00:36:35,920 --> 00:36:38,790

they

901
00:36:44,230 --> 00:36:41,430
are psychic or intuitive

902
00:36:47,510 --> 00:36:44,240
there are many who are mediums

903
00:36:49,430 --> 00:36:47,520
which is very surprising to me but

904
00:36:51,829 --> 00:36:49,440
something just something i learned i

905
00:36:54,710 --> 00:36:51,839
don't have statistics on that i

906
00:36:56,710 --> 00:36:54,720
discovered that after we had done our

907
00:36:58,310 --> 00:36:56,720
studies

908
00:37:01,030 --> 00:36:58,320
they uh

909
00:37:03,190 --> 00:37:01,040
we asked the question about sleep her

910
00:37:04,550 --> 00:37:03,200
out actually two questions about sleep

911
00:37:07,270 --> 00:37:04,560
paralysis

912
00:37:09,349 --> 00:37:07,280
have you been awakened during the night

913
00:37:12,230 --> 00:37:09,359

feeling paralyzed and

914

00:37:15,670 --> 00:37:12,240

able to move only your eyes

915

00:37:18,710 --> 00:37:15,680

well a very high percentage said yes

916

00:37:20,550 --> 00:37:18,720

the next question was

917

00:37:23,510 --> 00:37:20,560

have you awakened

918

00:37:24,470 --> 00:37:23,520

during the night

919

00:37:28,069 --> 00:37:24,480

seeing

920

00:37:31,750 --> 00:37:28,079

non-humans in your environment

921

00:37:35,030 --> 00:37:31,760

and then became paralyzed

922

00:37:36,550 --> 00:37:35,040

now it was a fairly low like 36 40

923

00:37:38,630 --> 00:37:36,560

percent among

924

00:37:41,630 --> 00:37:38,640

the entire group

925

00:37:43,430 --> 00:37:41,640

but among the group of those who were

926
00:37:46,470 --> 00:37:43,440
abductees

927
00:37:48,829 --> 00:37:46,480
it was highly statistically significant

928
00:37:53,270 --> 00:37:48,839
so this was definitely not sleep

929
00:37:57,349 --> 00:37:53,280
paralysis or this group of abductees

930
00:37:58,230 --> 00:37:57,359
they experienced everything at a higher

931
00:38:01,190 --> 00:37:58,240
rate

932
00:38:02,150 --> 00:38:01,200
one of the questions we asked is

933
00:38:07,190 --> 00:38:02,160
uh

934
00:38:11,030 --> 00:38:07,200
if you could end this today would you

935
00:38:14,310 --> 00:38:11,040
among the experiencers overall 71

936
00:38:18,390 --> 00:38:14,320
said no i do not want it to end

937
00:38:21,910 --> 00:38:18,400
among the abductee group 74

938
00:38:23,750 --> 00:38:21,920

said no i do not want it to end

939

00:38:26,870 --> 00:38:23,760

if you compare that to the edgar

940

00:38:26,880 --> 00:38:29,910

experiencers

941

00:38:35,270 --> 00:38:34,470

survey it was a i guess the e the

942

00:38:37,190 --> 00:38:35,280

uh

943

00:38:39,349 --> 00:38:37,200

experiencers

944

00:38:41,270 --> 00:38:39,359

questionnaire i think is what they what

945

00:38:45,030 --> 00:38:41,280

we called it

946

00:38:48,230 --> 00:38:45,040

but for them it was 83 percent that

947

00:38:49,750 --> 00:38:48,240

would not want to end these experiences

948

00:38:50,550 --> 00:38:49,760

if they could

949

00:38:51,910 --> 00:38:50,560

so

950

00:38:54,550 --> 00:38:51,920

uh

951
00:38:55,910 --> 00:38:54,560
you have to think that this must not be

952
00:38:57,589 --> 00:38:55,920
as frightening

953
00:38:59,030 --> 00:38:57,599
or as horrific

954
00:39:02,150 --> 00:38:59,040
or

955
00:39:04,550 --> 00:39:02,160
intrusive as we always thought that it

956
00:39:07,750 --> 00:39:04,560
was and what we discovered

957
00:39:10,550 --> 00:39:07,760
is that experiencers over

958
00:39:13,990 --> 00:39:10,560
many many years have sort of established

959
00:39:16,390 --> 00:39:14,000
a friendly relationship with these ets

960
00:39:17,510 --> 00:39:16,400
if they ask for healing they're being

961
00:39:20,950 --> 00:39:17,520
healed

962
00:39:22,710 --> 00:39:20,960
among our abductees 45

963
00:39:25,109 --> 00:39:22,720

had been healed when they asked for

964

00:39:26,390 --> 00:39:25,119

healing

965

00:39:28,470 --> 00:39:26,400

um

966

00:39:31,990 --> 00:39:28,480

they were also

967

00:39:33,190 --> 00:39:32,000

early on experiencing health problems as

968

00:39:35,270 --> 00:39:33,200

i did

969

00:39:36,790 --> 00:39:35,280

and uh

970

00:39:40,870 --> 00:39:36,800

they had

971

00:39:42,390 --> 00:39:40,880

53 percent had migraine headaches 45 had

972

00:39:44,150 --> 00:39:42,400

nose bleeds

973

00:39:47,270 --> 00:39:44,160

uh 44

974

00:39:50,390 --> 00:39:47,280

had a medical diagnosis of chronic

975

00:39:53,270 --> 00:39:50,400

fatigue and immune dysfunction syndrome

976
00:39:55,349 --> 00:39:53,280
only 18 said that they had uh

977
00:39:56,950 --> 00:39:55,359
fibromyalgia

978
00:39:58,069 --> 00:39:56,960
so um

979
00:40:01,349 --> 00:39:58,079
but

980
00:40:05,030 --> 00:40:01,359
you get over that over time

981
00:40:08,309 --> 00:40:05,040
uh paranormal experiences 61 percent of

982
00:40:11,109 --> 00:40:08,319
the overall experiences said yes they

983
00:40:13,589 --> 00:40:11,119
they'd had these in their homes 50

984
00:40:14,630 --> 00:40:13,599
for the abductee group

985
00:40:16,150 --> 00:40:14,640
um

986
00:40:18,230 --> 00:40:16,160
looking

987
00:40:19,510 --> 00:40:18,240
orbs in the home

988
00:40:21,510 --> 00:40:19,520

61

989

00:40:24,390 --> 00:40:21,520

over all

990

00:40:27,109 --> 00:40:24,400

50 percent of the abductee group

991

00:40:30,069 --> 00:40:27,119

had seen orbs that's appeared to be

992

00:40:32,630 --> 00:40:30,079

intelligently controlled in their homes

993

00:40:33,829 --> 00:40:32,640

uh motion in the mattress

994

00:40:35,190 --> 00:40:33,839

58

995

00:40:36,950 --> 00:40:35,200

overall

996

00:40:39,990 --> 00:40:36,960

75

997

00:40:40,710 --> 00:40:40,000

for abductees

998

00:40:42,630 --> 00:40:40,720

so

999

00:40:45,270 --> 00:40:42,640

quite significant

1000

00:40:47,109 --> 00:40:45,280

do you think there's a reason why they

1001
00:40:49,190 --> 00:40:47,119
sort of erase your memory after you've

1002
00:40:50,550 --> 00:40:49,200
had an encounter with them is there a

1003
00:40:52,390 --> 00:40:50,560
specific

1004
00:40:54,069 --> 00:40:52,400
reason why they're doing this is it's

1005
00:40:56,470 --> 00:40:54,079
hard on their psyche because obviously

1006
00:40:58,790 --> 00:40:56,480
there's a need to know for experiencers

1007
00:41:00,470 --> 00:40:58,800
experiencers want to know what happened

1008
00:41:01,990 --> 00:41:00,480
they want to know more about who these

1009
00:41:04,550 --> 00:41:02,000
entities are

1010
00:41:06,950 --> 00:41:04,560
but it seems like they just do this

1011
00:41:11,190 --> 00:41:06,960
brainwash thing on people do you think

1012
00:41:17,510 --> 00:41:13,510
there are so many answers that i have

1013
00:41:20,950 --> 00:41:17,520

for that um now first of all

1014

00:41:23,349 --> 00:41:20,960

they want us to remember part of it they

1015

00:41:27,109 --> 00:41:23,359

want us to remember the part

1016

00:41:29,589 --> 00:41:27,119

of the educational part about uh

1017

00:41:33,190 --> 00:41:29,599

their concern about our use of nuclear

1018

00:41:35,910 --> 00:41:33,200

weapons their concern about a collapse

1019

00:41:38,069 --> 00:41:35,920

of our environment

1020

00:41:39,349 --> 00:41:38,079

and that it could lead to our

1021

00:41:41,510 --> 00:41:39,359

destruction

1022

00:41:45,430 --> 00:41:41,520

they have been giving this information

1023

00:41:47,430 --> 00:41:45,440

to experiencers for many many years

1024

00:41:49,430 --> 00:41:47,440

but most of us

1025

00:41:52,470 --> 00:41:49,440

are returned to our home

1026
00:41:53,670 --> 00:41:52,480
without the memory that they want us to

1027
00:41:55,910 --> 00:41:53,680
have

1028
00:42:00,230 --> 00:41:55,920
now on the other hand

1029
00:42:02,870 --> 00:42:00,240
they don't want us to be traumatized by

1030
00:42:05,910 --> 00:42:02,880
this experience so they've they've

1031
00:42:07,670 --> 00:42:05,920
appeared to have wiped out this memory

1032
00:42:11,270 --> 00:42:07,680
uh in order

1033
00:42:13,190 --> 00:42:11,280
to assist us now what i've discovered is

1034
00:42:15,510 --> 00:42:13,200
regardless of whether or not you have a

1035
00:42:17,430 --> 00:42:15,520
highly positive or highly negative

1036
00:42:19,270 --> 00:42:17,440
experience

1037
00:42:20,390 --> 00:42:19,280
you come out feeling traumatized

1038
00:42:21,510 --> 00:42:20,400

initially

1039

00:42:23,430 --> 00:42:21,520

right

1040

00:42:24,630 --> 00:42:23,440

because you don't know what happened you

1041

00:42:26,550 --> 00:42:24,640

only know

1042

00:42:29,109 --> 00:42:26,560

that you were taken

1043

00:42:30,950 --> 00:42:29,119

a lot of people don't remember

1044

00:42:32,950 --> 00:42:30,960

they recall being on the table but they

1045

00:42:34,870 --> 00:42:32,960

don't recall exactly what happened when

1046

00:42:38,069 --> 00:42:34,880

they were there right

1047

00:42:40,309 --> 00:42:38,079

or being taken to craft and don't know

1048

00:42:41,990 --> 00:42:40,319

what happened on craft

1049

00:42:44,870 --> 00:42:42,000

so uh

1050

00:42:48,150 --> 00:42:44,880

i don't know the answer for that

1051
00:42:50,309 --> 00:42:48,160
all i know is that uh a lot of people

1052
00:42:54,150 --> 00:42:50,319
feel much better

1053
00:42:55,750 --> 00:42:54,160
uh after they have had emdr therapy with

1054
00:42:57,430 --> 00:42:55,760
a qualified

1055
00:42:58,390 --> 00:42:57,440
psychotherapist

1056
00:42:59,750 --> 00:42:58,400
or

1057
00:43:03,430 --> 00:42:59,760
have had

1058
00:43:07,670 --> 00:43:03,440
hypnosis hypnotherapy

1059
00:43:10,069 --> 00:43:07,680
by a qualified licensed psychotherapist

1060
00:43:11,349 --> 00:43:10,079
were there any cases of the many many

1061
00:43:12,870 --> 00:43:11,359
thousands that you've you know

1062
00:43:15,589 --> 00:43:12,880
researched were there any that really

1063
00:43:18,069 --> 00:43:15,599

stood out like people with so much

1064

00:43:19,829 --> 00:43:18,079

detail in their story that it's you know

1065

00:43:21,990 --> 00:43:19,839

even if you're a skeptic it would be

1066

00:43:24,150 --> 00:43:22,000

near impossible to doubt you know like

1067

00:43:26,870 --> 00:43:24,160

are there any really memorable ones that

1068

00:43:29,349 --> 00:43:26,880

stand out in your mind

1069

00:43:31,829 --> 00:43:29,359

well with all of the experiences that

1070

00:43:34,230 --> 00:43:31,839

i've worked with i've always taught them

1071

00:43:36,069 --> 00:43:34,240

how to collect evidence and if they were

1072

00:43:38,309 --> 00:43:36,079

able to collect evidence then i

1073

00:43:40,950 --> 00:43:38,319

continued to have a relationship with

1074

00:43:42,630 --> 00:43:40,960

them if this is what they wanted i had a

1075

00:43:44,550 --> 00:43:42,640

case in

1076
00:43:46,309 --> 00:43:44,560
um in canada

1077
00:43:47,190 --> 00:43:46,319
winnipeg

1078
00:43:49,430 --> 00:43:47,200
for

1079
00:43:52,710 --> 00:43:49,440
an experimenter who

1080
00:43:53,910 --> 00:43:52,720
collected evidence over many many years

1081
00:43:56,710 --> 00:43:53,920
and

1082
00:43:59,829 --> 00:43:59,030
being able to

1083
00:44:01,190 --> 00:43:59,839
have

1084
00:44:04,069 --> 00:44:01,200
evidence

1085
00:44:05,750 --> 00:44:04,079
that he was healed

1086
00:44:07,750 --> 00:44:05,760
from lymphoma

1087
00:44:11,270 --> 00:44:07,760
by an orb

1088
00:44:14,710 --> 00:44:11,280

that was actually captured on video

1089

00:44:15,510 --> 00:44:14,720

coming into his room after he and i were

1090

00:44:17,990 --> 00:44:15,520

both

1091

00:44:20,150 --> 00:44:18,000

uh sending telepathic messages for

1092

00:44:21,109 --> 00:44:20,160

healing for him

1093

00:44:23,430 --> 00:44:21,119

and

1094

00:44:24,710 --> 00:44:23,440

the next day after

1095

00:44:27,829 --> 00:44:24,720

this happened

1096

00:44:30,390 --> 00:44:27,839

the very large nodes that he had on the

1097

00:44:34,710 --> 00:44:30,400

side of his neck were no longer visible

1098

00:44:38,230 --> 00:44:34,720

he went in for surgery and uh

1099

00:44:40,309 --> 00:44:38,240

though he only four tiny necrotic nodes

1100

00:44:42,390 --> 00:44:40,319

were removed they were no longer

1101
00:44:44,870 --> 00:44:42,400
cancerous

1102
00:44:47,270 --> 00:44:44,880
so uh it was

1103
00:44:50,790 --> 00:44:47,280
really something he also

1104
00:44:53,270 --> 00:44:50,800
captured uh photographs of some of these

1105
00:44:54,790 --> 00:44:53,280
entities not not very good

1106
00:44:57,589 --> 00:44:54,800
but one of them

1107
00:45:00,390 --> 00:44:57,599
uh certainly did not look like an e.t to

1108
00:45:02,309 --> 00:45:00,400
me it looked like an elf

1109
00:45:03,829 --> 00:45:02,319
so i don't know maybe there are many

1110
00:45:05,670 --> 00:45:03,839
things going on through this

1111
00:45:09,430 --> 00:45:05,680
interdimensional portal that seemed to

1112
00:45:11,990 --> 00:45:09,440
be open to his home

1113
00:45:16,309 --> 00:45:12,000

it's just amazing to look at it with its

1114

00:45:22,790 --> 00:45:20,150

just a little round derby kind of hat

1115

00:45:24,710 --> 00:45:22,800

uh it just didn't look like an e.t

1116

00:45:27,349 --> 00:45:24,720

the leprechauns are real

1117

00:45:29,109 --> 00:45:27,359

yes i mean it was more like a leprechaun

1118

00:45:31,670 --> 00:45:29,119

in its sentence

1119

00:45:33,829 --> 00:45:31,680

um but also his girlfriend when they

1120

00:45:34,870 --> 00:45:33,839

were at the family camp

1121

00:45:37,270 --> 00:45:34,880

um

1122

00:45:38,870 --> 00:45:37,280

one night in the middle of the night

1123

00:45:43,109 --> 00:45:38,880

was able to

1124

00:45:46,710 --> 00:45:43,119

be awake but paralyzed and could see

1125

00:45:49,349 --> 00:45:46,720

loads and loads of little orbs

1126
00:45:50,790 --> 00:45:49,359
picking him up

1127
00:45:53,589 --> 00:45:50,800
from the bed

1128
00:45:56,950 --> 00:45:53,599
and when he was returned there was there

1129
00:46:00,790 --> 00:45:56,960
were marks on his body uh something done

1130
00:46:01,670 --> 00:46:00,800
to his lower back there was a round

1131
00:46:04,069 --> 00:46:01,680
mark

1132
00:46:08,550 --> 00:46:04,079
with a needle point so something was

1133
00:46:13,589 --> 00:46:12,309
dr joseph burks has his medical

1134
00:46:15,750 --> 00:46:13,599
evidence

1135
00:46:19,829 --> 00:46:15,760
i collected a little bit but i wanted a

1136
00:46:22,550 --> 00:46:19,839
medical doctor to have this evidence

1137
00:46:25,430 --> 00:46:22,560
so that was one case

1138
00:46:26,950 --> 00:46:25,440

um i talked about it i wrote about it in

1139

00:46:29,510 --> 00:46:26,960

my book

1140

00:46:32,309 --> 00:46:29,520

extraterrestrial contact what to do

1141

00:46:35,430 --> 00:46:32,319

when you've been abducted

1142

00:46:38,309 --> 00:46:35,440

and also another case that really stands

1143

00:46:42,710 --> 00:46:38,319

out was one that i investigated it was

1144

00:46:44,790 --> 00:46:42,720

very much like the skinwalker ranch and

1145

00:46:48,390 --> 00:46:44,800

this took place in texas

1146

00:46:51,270 --> 00:46:48,400

and the land that it took place on

1147

00:46:55,270 --> 00:46:51,280

had been donated supposedly given to the

1148

00:46:56,950 --> 00:46:55,280

white man by the native american tribe

1149

00:46:58,710 --> 00:46:56,960

years ago

1150

00:47:01,109 --> 00:46:58,720

and it was cursed

1151

00:47:04,069 --> 00:47:01,119

just like the skinwalker ranch

1152

00:47:05,990 --> 00:47:04,079

and there was highly negative activity

1153

00:47:09,430 --> 00:47:06,000

taking place there

1154

00:47:11,190 --> 00:47:09,440

but et's would show up as well there was

1155

00:47:12,470 --> 00:47:11,200

a time slip

1156

00:47:13,750 --> 00:47:12,480

there where

1157

00:47:15,910 --> 00:47:13,760

one time

1158

00:47:17,990 --> 00:47:15,920

uh the experimenter who happened to be a

1159

00:47:19,750 --> 00:47:18,000

retired commercial pilot

1160

00:47:22,549 --> 00:47:19,760

and his mother were looking out the

1161

00:47:23,589 --> 00:47:22,559

window at this runway he was now running

1162

00:47:27,349 --> 00:47:23,599

a small

1163

00:47:29,990 --> 00:47:27,359

airport that did repairs

1164

00:47:31,430 --> 00:47:30,000

they saw mammoths grazing on a grassy

1165

00:47:32,309 --> 00:47:31,440

savannah

1166

00:47:35,190 --> 00:47:32,319

it's

1167

00:47:37,589 --> 00:47:35,200

an extraordinary story that is in also

1168

00:47:39,990 --> 00:47:37,599

in my book extraterrestrial contact what

1169

00:47:43,589 --> 00:47:40,000

to do when you've been abducted which is

1170

00:47:45,829 --> 00:47:43,599

sort of a comprehensive guide on contact

1171

00:47:47,829 --> 00:47:45,839

and abduction

1172

00:47:49,670 --> 00:47:47,839

you mentioned skinwalker ranch we had

1173

00:47:51,910 --> 00:47:49,680

george knapp and colin kelleher on the

1174

00:47:54,470 --> 00:47:51,920

show discussing a new book

1175

00:47:56,870 --> 00:47:54,480

skin walkers at the pentagon and

1176

00:47:58,950 --> 00:47:56,880

they also discussed you know lights and

1177

00:48:01,030 --> 00:47:58,960

orbs and they talked specifically about

1178

00:48:03,190 --> 00:48:01,040

the blue ones they nicknamed them blue

1179

00:48:05,109 --> 00:48:03,200

meanies because they seemed that anybody

1180

00:48:06,870 --> 00:48:05,119

who had had you know the hitchhiker

1181

00:48:08,630 --> 00:48:06,880

effect meaning they had taken some of

1182

00:48:11,430 --> 00:48:08,640

this strangeness home with them and in

1183

00:48:13,670 --> 00:48:11,440

their lives the people that it had um

1184

00:48:15,670 --> 00:48:13,680

come in contact with these blue orbs

1185

00:48:16,829 --> 00:48:15,680

reported actual

1186

00:48:19,510 --> 00:48:16,839

problems you know like

1187

00:48:21,670 --> 00:48:19,520

immunodeficiencies uh lupus hashimoto's

1188

00:48:23,829 --> 00:48:21,680

disease like strange really obscure

1189

00:48:26,069 --> 00:48:23,839

diseases that most people would never

1190

00:48:27,510 --> 00:48:26,079

even have a chance of getting and it was

1191

00:48:30,230 --> 00:48:27,520

almost like some of these lights are

1192

00:48:32,950 --> 00:48:30,240

healing some of them are not so much

1193

00:48:35,430 --> 00:48:32,960

it's just it's a to zed of everything

1194

00:48:37,589 --> 00:48:35,440

and everything in between as far as uh

1195

00:48:39,750 --> 00:48:37,599

what they could possibly be and also the

1196

00:48:41,910 --> 00:48:39,760

physical effects and a lot of people are

1197

00:48:44,230 --> 00:48:41,920

skeptical and they want hard evidence

1198

00:48:45,910 --> 00:48:44,240

well i mean if you're a science mind and

1199

00:48:48,230 --> 00:48:45,920

you're studying people that have had

1200

00:48:50,630 --> 00:48:48,240

scientific things come from their

1201

00:48:52,870 --> 00:48:50,640

experience that's measurable

1202

00:48:54,790 --> 00:48:52,880

you would think repeatable and it's

1203

00:48:56,950 --> 00:48:54,800

something that you can gather data from

1204

00:48:58,470 --> 00:48:56,960

and use to sort of further your your

1205

00:49:02,150 --> 00:48:58,480

information so

1206

00:49:03,670 --> 00:49:02,160

yes and uh dr james lecasky from the dia

1207

00:49:04,549 --> 00:49:03,680

colm kelleher

1208

00:49:07,430 --> 00:49:04,559

um

1209

00:49:09,270 --> 00:49:07,440

a scientist who's working on this and of

1210

00:49:10,069 --> 00:49:09,280

course george knapp

1211

00:49:11,829 --> 00:49:10,079

whom

1212

00:49:13,910 --> 00:49:11,839

he and i discussed this on one of his

1213

00:49:17,829 --> 00:49:13,920

shows i'm going to be on his show again

1214

00:49:19,349 --> 00:49:17,839

on sunday night and uh

1215

00:49:24,309 --> 00:49:19,359

actually

1216

00:49:29,589 --> 00:49:28,790

so that'll probably be groggy but anyway

1217

00:49:32,150 --> 00:49:29,599

um

1218

00:49:34,710 --> 00:49:32,160

yeah this is repeatable if you go to the

1219

00:49:36,549 --> 00:49:34,720

skinwalker ranch uh

1220

00:49:38,470 --> 00:49:36,559

you can pick this up but something i

1221

00:49:40,630 --> 00:49:38,480

read in the book

1222

00:49:42,870 --> 00:49:40,640

is that

1223

00:49:45,589 --> 00:49:42,880

there was something that happened to

1224

00:49:46,870 --> 00:49:45,599

these people who picked up these

1225

00:49:47,670 --> 00:49:46,880

hitchhikers

1226

00:49:53,349 --> 00:49:47,680

that

1227

00:49:56,230 --> 00:49:53,359

them a feeling of terror

1228

00:49:59,510 --> 00:49:56,240

what i understand about this from all of

1229

00:50:01,829 --> 00:49:59,520

my years of research and um you know

1230

00:50:04,150 --> 00:50:01,839

moving beyond the nuts and bolts because

1231

00:50:05,430 --> 00:50:04,160

i just discovered it was scientifically

1232

00:50:06,950 --> 00:50:05,440

dishonest

1233

00:50:09,190 --> 00:50:06,960

not to

1234

00:50:10,630 --> 00:50:09,200

i wanted the answers

1235

00:50:13,190 --> 00:50:10,640

well

1236

00:50:16,390 --> 00:50:13,200

when you feel terror it lowers your

1237

00:50:17,750 --> 00:50:16,400

vibrational frequency

1238

00:50:19,910 --> 00:50:17,760

and

1239

00:50:23,349 --> 00:50:19,920

these negative

1240

00:50:25,589 --> 00:50:23,359

entities can then attach to you

1241

00:50:27,630 --> 00:50:25,599

and not all et's

1242

00:50:30,390 --> 00:50:27,640

are friendly and there are negative

1243

00:50:31,670 --> 00:50:30,400

interdimensionals as well

1244

00:50:32,790 --> 00:50:31,680

that uh

1245

00:50:34,710 --> 00:50:32,800

you know

1246

00:50:37,349 --> 00:50:34,720

that land is cursed

1247

00:50:40,150 --> 00:50:37,359

by shamans it's been that way for

1248

00:50:42,150 --> 00:50:40,160

more than 200 years

1249

00:50:46,309 --> 00:50:42,160

so

1250

00:50:48,630 --> 00:50:46,319

blue

1251
00:50:51,109 --> 00:50:48,640
they're not the same as these sort of

1252
00:50:52,470 --> 00:50:51,119
plasma orbs that have

1253
00:50:54,790 --> 00:50:52,480
intelligence

1254
00:50:57,510 --> 00:50:54,800
these blue

1255
00:50:59,670 --> 00:50:57,520
solid orbs that strike people and make

1256
00:51:01,990 --> 00:50:59,680
them sick are different and i believe

1257
00:51:04,630 --> 00:51:02,000
that they are negative and this is

1258
00:51:08,230 --> 00:51:04,640
something that's being perpetrated by

1259
00:51:10,150 --> 00:51:08,240
the negative side of all of this because

1260
00:51:12,870 --> 00:51:10,160
had the same problem didn't aid and i

1261
00:51:15,349 --> 00:51:12,880
think brazil 1977 with these orbs that

1262
00:51:17,750 --> 00:51:15,359
would zap people make them anemic i

1263
00:51:20,470 --> 00:51:17,760

think few people died because of it as

1264

00:51:23,030 --> 00:51:20,480

well but it was called the suck suck

1265

00:51:25,589 --> 00:51:23,040

incident because it would suck the iron

1266

00:51:28,390 --> 00:51:25,599

out of people's bloods and just this was

1267

00:51:30,710 --> 00:51:28,400

going on for months but it was yeah

1268

00:51:32,870 --> 00:51:30,720

those little blue orbs so

1269

00:51:34,230 --> 00:51:32,880

blue nasties

1270

00:51:37,510 --> 00:51:34,240

earned their names

1271

00:51:40,790 --> 00:51:37,520

yeah they they harm people yeah uh when

1272

00:51:42,870 --> 00:51:40,800

they hit them they can burn people

1273

00:51:44,790 --> 00:51:42,880

uh they do

1274

00:51:46,230 --> 00:51:44,800

they're just negative

1275

00:51:49,270 --> 00:51:46,240

and

1276

00:51:52,790 --> 00:51:49,280

they they do make people sick

1277

00:51:55,510 --> 00:51:52,800

these negative interdimensional entities

1278

00:51:57,990 --> 00:51:55,520

that have a lower vibration

1279

00:52:00,309 --> 00:51:58,000

feed off fear

1280

00:52:01,910 --> 00:52:00,319

of anger

1281

00:52:03,349 --> 00:52:01,920

loathing

1282

00:52:04,710 --> 00:52:03,359

pain

1283

00:52:07,750 --> 00:52:04,720

illness

1284

00:52:11,190 --> 00:52:07,760

it makes them thrive and grow

1285

00:52:14,230 --> 00:52:11,200

and it's extraordinarily important to

1286

00:52:17,510 --> 00:52:14,240

remove these things the paranormal

1287

00:52:18,390 --> 00:52:17,520

clergy is receiving more

1288

00:52:19,750 --> 00:52:18,400

requests

1289

00:52:23,349 --> 00:52:19,760

than ever

1290

00:52:26,349 --> 00:52:23,359

to detach these things uh if you go to

1291

00:52:28,870 --> 00:52:26,359

my website at kathleen

1292

00:52:31,510 --> 00:52:28,880

martin.com you'll

1293

00:52:33,030 --> 00:52:31,520

read some suggestions

1294

00:52:35,190 --> 00:52:33,040

on how to

1295

00:52:36,230 --> 00:52:35,200

detach these things

1296

00:52:39,990 --> 00:52:36,240

so

1297

00:52:41,910 --> 00:52:40,000

it's under my essays on contact

1298

00:52:45,270 --> 00:52:41,920

so that will give you

1299

00:52:47,829 --> 00:52:45,280

a beginning on on what to do you have to

1300

00:52:49,109 --> 00:52:47,839

raise your vibrational frequency you

1301
00:52:51,270 --> 00:52:49,119
have to be

1302
00:52:53,990 --> 00:52:51,280
happy you have to avoid

1303
00:52:58,069 --> 00:52:54,000
anything that might make you frightened

1304
00:53:00,150 --> 00:52:58,079
or might uh cause you to become angry or

1305
00:53:02,150 --> 00:53:00,160
you know that sort of thing so don't

1306
00:53:03,030 --> 00:53:02,160
have kids is what you're saying don't

1307
00:53:04,950 --> 00:53:03,040
have

1308
00:53:07,109 --> 00:53:04,960
the stress of kids

1309
00:53:08,790 --> 00:53:07,119
you've got sex your immune system that's

1310
00:53:10,390 --> 00:53:08,800
actually true like that's what they say

1311
00:53:12,710 --> 00:53:10,400
you know you can actually manifest

1312
00:53:14,630 --> 00:53:12,720
positive health in your life if you're

1313
00:53:16,710 --> 00:53:14,640

if you raise your vibrational energy to

1314

00:53:18,710 --> 00:53:16,720

a positive one rather than dwelling in

1315

00:53:20,790 --> 00:53:18,720

the negative it's no coincidence a lot

1316

00:53:23,510 --> 00:53:20,800

of people that are always negative and

1317

00:53:25,109 --> 00:53:23,520

always in that zone also have a lot of

1318

00:53:27,430 --> 00:53:25,119

health problems and they have a lot of

1319

00:53:29,109 --> 00:53:27,440

bad luck quote unquote you know it's

1320

00:53:31,910 --> 00:53:29,119

sort of like your circle of influence

1321

00:53:34,150 --> 00:53:31,920

you create it and you live within it

1322

00:53:35,030 --> 00:53:34,160

whatever that energy field looks like

1323

00:53:36,790 --> 00:53:35,040

you know

1324

00:53:39,030 --> 00:53:36,800

yes and anyone

1325

00:53:40,870 --> 00:53:39,040

can regardless of how high their energy

1326

00:53:44,390 --> 00:53:40,880

field might be

1327

00:53:49,430 --> 00:53:44,400

if they uh are overcome

1328

00:53:50,630 --> 00:53:49,440

if they have a moment of uh just

1329

00:53:52,069 --> 00:53:50,640

terror

1330

00:53:53,990 --> 00:53:52,079

in their lives

1331

00:53:56,150 --> 00:53:54,000

it could be caused by one of these

1332

00:53:59,270 --> 00:53:56,160

negative entities that can get in and

1333

00:54:02,069 --> 00:53:59,280

attach so don't think that it only

1334

00:54:05,109 --> 00:54:02,079

impacts those who are lower vibrating

1335

00:54:07,349 --> 00:54:05,119

people who are alcoholics opioid

1336

00:54:09,990 --> 00:54:07,359

abusers

1337

00:54:12,309 --> 00:54:10,000

people who have thrive on horror movies

1338

00:54:13,349 --> 00:54:12,319

that sort of thing it can happen to

1339

00:54:17,109 --> 00:54:13,359

anybody

1340

00:54:20,470 --> 00:54:17,119

you just have to change your behavior

1341

00:54:24,309 --> 00:54:20,480

you have to do what you can to keep

1342

00:54:26,390 --> 00:54:24,319

as positive as possible because then

1343

00:54:28,710 --> 00:54:26,400

these negative entities are not being

1344

00:54:30,870 --> 00:54:28,720

fed they're not receiving what they're

1345

00:54:32,790 --> 00:54:30,880

looking for and they have to look

1346

00:54:34,230 --> 00:54:32,800

elsewhere

1347

00:54:35,910 --> 00:54:34,240

i wanted to ask you what we have you in

1348

00:54:37,829 --> 00:54:35,920

the show i've always been intrigued by

1349

00:54:40,870 --> 00:54:37,839

statements people make that they were

1350

00:54:43,349 --> 00:54:40,880

abducted and had a physical implant and

1351

00:54:45,270 --> 00:54:43,359

i've heard stories of one particular

1352

00:54:48,870 --> 00:54:45,280

doctor who claims to have removed four

1353

00:54:51,910 --> 00:54:48,880

or five i forget the number but actual

1354

00:54:54,549 --> 00:54:51,920

metallic little tiny chips or things

1355

00:54:56,950 --> 00:54:54,559

that had almost like biochemistry within

1356

00:54:58,230 --> 00:54:56,960

them they weren't you know it wasn't a

1357

00:55:01,190 --> 00:54:58,240

different um

1358

00:55:03,430 --> 00:55:01,200

creature or a cell it was like a metal

1359

00:55:05,670 --> 00:55:03,440

but it seemed to fuse with the muscle

1360

00:55:07,270 --> 00:55:05,680

tissues and it seemed to have

1361

00:55:08,950 --> 00:55:07,280

you know and it was removable and even

1362

00:55:10,630 --> 00:55:08,960

when they did like metallurgical you

1363

00:55:12,789 --> 00:55:10,640

know diagnosis on it they're like yeah

1364

00:55:15,109 --> 00:55:12,799

the isotopes of these metals don't exist

1365

00:55:16,470 --> 00:55:15,119

on our planet so uh have you uh

1366

00:55:18,390 --> 00:55:16,480

researched anybody that's claimed to

1367

00:55:19,829 --> 00:55:18,400

have had an implant or dirt you know had

1368

00:55:23,589 --> 00:55:19,839

some light on

1369

00:55:25,829 --> 00:55:23,599

yes and it was dr roger lear who was the

1370

00:55:28,230 --> 00:55:25,839

pioneer and uh

1371

00:55:29,829 --> 00:55:28,240

along with daryl sims they worked

1372

00:55:32,630 --> 00:55:29,839

together for a while and then they had a

1373

00:55:36,150 --> 00:55:32,640

falling out but and dr rogelier

1374

00:55:38,950 --> 00:55:36,160

continued with this and had surgeons who

1375

00:55:39,829 --> 00:55:38,960

worked with him to remove these implants

1376

00:55:44,710 --> 00:55:39,839

they

1377

00:55:47,829 --> 00:55:44,720

implants were coated with a biological

1378

00:55:50,630 --> 00:55:47,839

substance very hard that prevented them

1379

00:55:53,670 --> 00:55:50,640

from being rejected from the body they

1380

00:55:56,309 --> 00:55:53,680

were connected to proprioceptor nerve

1381

00:55:58,870 --> 00:55:56,319

fibers in the body they appeared to have

1382

00:56:02,309 --> 00:55:58,880

intelligence

1383

00:56:03,910 --> 00:56:02,319

when the surgeons went to remove them

1384

00:56:06,309 --> 00:56:03,920

they attempted to

1385

00:56:08,230 --> 00:56:06,319

flee from the scalpel

1386

00:56:10,470 --> 00:56:08,240

they would move up the

1387

00:56:13,589 --> 00:56:10,480

the arm for example if it was in the

1388

00:56:14,870 --> 00:56:13,599

hand up the leg if it was in the foot

1389

00:56:16,630 --> 00:56:14,880

so

1390

00:56:20,309 --> 00:56:16,640

they would try to escape

1391

00:56:21,829 --> 00:56:20,319

uh the ets now seem to be planting them

1392

00:56:23,990 --> 00:56:21,839

in places that are

1393

00:56:26,069 --> 00:56:24,000

much more difficult to reach

1394

00:56:27,829 --> 00:56:26,079

such as uh in

1395

00:56:29,510 --> 00:56:27,839

in the jawbone

1396

00:56:31,349 --> 00:56:29,520

under the teeth

1397

00:56:37,750 --> 00:56:31,359

uh

1398

00:56:39,190 --> 00:56:37,760

you remove them it could cause paralysis

1399

00:56:40,950 --> 00:56:39,200

yeah i've heard of a guy had one of his

1400

00:56:42,630 --> 00:56:40,960

brain stem and they said yeah we could

1401
00:56:44,710 --> 00:56:42,640
try to get it out but you're gonna die

1402
00:56:46,789 --> 00:56:44,720
one way or the other it's so deep in

1403
00:56:49,589 --> 00:56:46,799
there it's impossible to access

1404
00:56:50,390 --> 00:56:49,599
yes yes so

1405
00:56:52,630 --> 00:56:50,400
but

1406
00:56:55,030 --> 00:56:52,640
in a couple of those

1407
00:56:57,510 --> 00:56:55,040
implants that were removed

1408
00:56:59,349 --> 00:56:57,520
they discovered that they transmitted

1409
00:57:01,750 --> 00:56:59,359
into deep space

1410
00:57:05,109 --> 00:57:01,760
for about i think it was one or two

1411
00:57:06,870 --> 00:57:05,119
months and then shut down

1412
00:57:08,069 --> 00:57:06,880
and uh

1413
00:57:11,109 --> 00:57:08,079

also

1414

00:57:13,829 --> 00:57:11,119

made of a crystalline structure

1415

00:57:17,430 --> 00:57:13,839

of

1416

00:57:21,270 --> 00:57:17,440

metallic substances that are either rare

1417

00:57:22,630 --> 00:57:21,280

earths or meteoric in origin right

1418

00:57:24,829 --> 00:57:22,640

technology

1419

00:57:27,270 --> 00:57:24,839

far in advance of our own

1420

00:57:28,950 --> 00:57:27,280

nanotechnology for sure

1421

00:57:30,470 --> 00:57:28,960

and it's almost like if it happened to

1422

00:57:32,069 --> 00:57:30,480

me i wouldn't be too sure if i want to

1423

00:57:34,470 --> 00:57:32,079

remove it because what if it's there for

1424

00:57:36,069 --> 00:57:34,480

a good reason what if they told me look

1425

00:57:38,150 --> 00:57:36,079

don't remove this when you gain

1426

00:57:40,549 --> 00:57:38,160

consciousness and uh you go ahead and do

1427

00:57:42,789 --> 00:57:40,559

so and it just turns out to get diabetes

1428

00:57:46,230 --> 00:57:42,799

or something like who knows right yeah

1429

00:57:49,109 --> 00:57:46,240

and i i agree it's not a good idea to

1430

00:57:52,870 --> 00:57:49,119

remove them uh one of the experiencers

1431

00:57:55,829 --> 00:57:52,880

the one in in canada that i spoke of uh

1432

00:57:57,430 --> 00:57:55,839

had his removed by his physician

1433

00:58:00,470 --> 00:57:57,440

and

1434

00:58:02,710 --> 00:58:00,480

regretted it terribly he was feeling

1435

00:58:04,549 --> 00:58:02,720

very remorseful

1436

00:58:06,309 --> 00:58:04,559

and then

1437

00:58:09,910 --> 00:58:06,319

i just said to him well don't worry

1438

00:58:11,589 --> 00:58:09,920

they'll put another one in and

1439

00:58:14,470 --> 00:58:11,599

they'll come and he was back to being

1440

00:58:17,349 --> 00:58:14,480

himself and and yes and they did

1441

00:58:19,349 --> 00:58:17,359

insert another one apparently and

1442

00:58:20,630 --> 00:58:19,359

he was doing fine again

1443

00:58:23,349 --> 00:58:20,640

and so

1444

00:58:25,190 --> 00:58:23,359

they do have some positive

1445

00:58:26,950 --> 00:58:25,200

uh

1446

00:58:30,150 --> 00:58:26,960

reasons for being there

1447

00:58:32,390 --> 00:58:30,160

to monitor the health of the human body

1448

00:58:36,950 --> 00:58:32,400

to be able to communicate with

1449

00:58:38,309 --> 00:58:36,960

experiencers i believe as well and

1450

00:58:41,829 --> 00:58:38,319

so

1451
00:58:44,069 --> 00:58:41,839
i don't know if there's still

1452
00:58:45,349 --> 00:58:44,079
a reason for uh

1453
00:58:46,870 --> 00:58:45,359
for them to

1454
00:58:50,309 --> 00:58:46,880
find us

1455
00:58:52,390 --> 00:58:50,319
uh i'm i'm i've never been certain that

1456
00:58:54,549 --> 00:58:52,400
that was the reason they were placed

1457
00:58:57,030 --> 00:58:54,559
right in our bodies because they could

1458
00:58:59,109 --> 00:58:57,040
probably find us anywhere anyways right

1459
00:59:02,069 --> 00:58:59,119
just through we emit

1460
00:59:03,030 --> 00:59:02,079
a certain a signal or a light they say

1461
00:59:05,030 --> 00:59:03,040
that

1462
00:59:07,109 --> 00:59:05,040
they can see the light coming from our

1463
00:59:08,069 --> 00:59:07,119

bodies

1464

00:59:09,109 --> 00:59:08,079

so

1465

00:59:11,109 --> 00:59:09,119

and

1466

00:59:12,630 --> 00:59:11,119

that seems to be the signature from what

1467

00:59:14,950 --> 00:59:12,640

i understand

1468

00:59:17,430 --> 00:59:14,960

one of the nicest things in the book

1469

00:59:19,430 --> 00:59:17,440

that you wrote was betty and barney

1470

00:59:21,589 --> 00:59:19,440

embody all the traits that exemplify

1471

00:59:23,829 --> 00:59:21,599

what good humans should be

1472

00:59:26,630 --> 00:59:23,839

they are kind loving compassionate

1473

00:59:28,549 --> 00:59:26,640

intelligent curious educated and believe

1474

00:59:30,309 --> 00:59:28,559

in equal rights

1475

00:59:32,309 --> 00:59:30,319

and just that little passage i thought

1476

00:59:34,230 --> 00:59:32,319

was beautifully written because it is

1477

00:59:36,630 --> 00:59:34,240

true they were really good-hearted

1478

00:59:38,150 --> 00:59:36,640

people um and you hear that all the time

1479

00:59:39,829 --> 00:59:38,160

even on skin walker ranch like the

1480

00:59:40,950 --> 00:59:39,839

people were the salt of the earth you

1481

00:59:42,470 --> 00:59:40,960

know

1482

00:59:44,230 --> 00:59:42,480

it's always these people that seem to

1483

00:59:46,470 --> 00:59:44,240

have these occurrences you never hear

1484

00:59:48,549 --> 00:59:46,480

some bad guy in prison having

1485

00:59:50,470 --> 00:59:48,559

alien abductions i mean i haven't yet

1486

00:59:53,190 --> 00:59:50,480

but it's always good people that tend to

1487

00:59:55,109 --> 00:59:53,200

be having these occurrences so do you

1488

00:59:56,710 --> 00:59:55,119

think that's intentional do you think

1489

00:59:58,150 --> 00:59:56,720

that people are picked out that way

1490

00:59:59,589 --> 00:59:58,160

because of their personality because of

1491

01:00:01,109 --> 00:59:59,599

their traits

1492

01:00:01,990 --> 01:00:01,119

because i've never heard of anybody

1493

01:00:03,990 --> 01:00:02,000

being

1494

01:00:06,069 --> 01:00:04,000

on the ship and just all right well

1495

01:00:08,630 --> 01:00:06,079

besides calvin parker who ended up

1496

01:00:10,069 --> 01:00:08,640

punching one but besides that

1497

01:00:11,910 --> 01:00:10,079

in a few weeks we're gonna ask him what

1498

01:00:14,470 --> 01:00:11,920

was it like to be the only guy on record

1499

01:00:16,069 --> 01:00:14,480

to beat up an alien yeah it's he's the

1500

01:00:18,069 --> 01:00:16,079

only one that we know of but besides

1501
01:00:20,069 --> 01:00:18,079
that most people yeah and i i thought it

1502
01:00:22,230 --> 01:00:20,079
was very beautifully written that you

1503
01:00:24,870 --> 01:00:22,240
would say that about them because yeah

1504
01:00:26,630 --> 01:00:24,880
it gives you an insight into them yeah

1505
01:00:28,549 --> 01:00:26,640
yes and

1506
01:00:31,109 --> 01:00:28,559
i asked the et's

1507
01:00:34,950 --> 01:00:31,119
how they selected people

1508
01:00:35,750 --> 01:00:34,960
and they said that initially

1509
01:00:37,589 --> 01:00:35,760
they

1510
01:00:40,069 --> 01:00:37,599
just took people

1511
01:00:41,990 --> 01:00:40,079
up opportunistically

1512
01:00:42,950 --> 01:00:42,000
kids on the back lands of the family

1513
01:00:44,150 --> 01:00:42,960

farm

1514

01:00:46,069 --> 01:00:44,160

um

1515

01:00:48,390 --> 01:00:46,079

people who are out hunting or fishing or

1516

01:00:50,230 --> 01:00:48,400

camping or whatever right

1517

01:00:52,309 --> 01:00:50,240

and then when they found what they were

1518

01:00:54,870 --> 01:00:52,319

looking for

1519

01:00:57,510 --> 01:00:54,880

they took them along family lines

1520

01:01:00,150 --> 01:00:57,520

so i know that they were looking for

1521

01:01:02,069 --> 01:01:00,160

something in particular i know that they

1522

01:01:03,270 --> 01:01:02,079

were attempting

1523

01:01:05,349 --> 01:01:03,280

to

1524

01:01:08,230 --> 01:01:05,359

change humans

1525

01:01:11,589 --> 01:01:08,240

on an evolutionary scale

1526
01:01:12,390 --> 01:01:11,599
and that part of being an experimenter

1527
01:01:13,349 --> 01:01:12,400
uh

1528
01:01:15,510 --> 01:01:13,359
has

1529
01:01:17,030 --> 01:01:15,520
these very positive

1530
01:01:19,190 --> 01:01:17,040
qualities

1531
01:01:22,710 --> 01:01:19,200
right and the children born to

1532
01:01:25,430 --> 01:01:22,720
experimenters also seem to have these

1533
01:01:29,109 --> 01:01:25,440
positive qualities as well

1534
01:01:30,309 --> 01:01:29,119
um highly spiritual for example kind

1535
01:01:32,630 --> 01:01:30,319
caring

1536
01:01:34,309 --> 01:01:32,640
compassionate

1537
01:01:36,549 --> 01:01:34,319
which are all the good traits of humans

1538
01:01:39,430 --> 01:01:36,559

if we could just all focus on that right

1539

01:01:41,109 --> 01:01:39,440

yeah well yes yes

1540

01:01:43,430 --> 01:01:41,119

i heard you mention in another interview

1541

01:01:45,510 --> 01:01:43,440

that it's almost like the ets are trying

1542

01:01:48,630 --> 01:01:45,520

to tell us that our technological

1543

01:01:51,430 --> 01:01:48,640

advancement is not on in par with our

1544

01:01:54,309 --> 01:01:51,440

spiritual advancement and that perhaps

1545

01:01:56,630 --> 01:01:54,319

in you know species previous to us that

1546

01:01:58,549 --> 01:01:56,640

was their undoing or their demise so

1547

01:02:00,390 --> 01:01:58,559

maybe it's a galactic lesson that

1548

01:02:02,630 --> 01:02:00,400

they're trying to teach us and prevent

1549

01:02:05,109 --> 01:02:02,640

from happening again like get to the

1550

01:02:07,430 --> 01:02:05,119

higher realm of understanding don't blow

1551
01:02:09,510 --> 01:02:07,440
yourself up with military that's not the

1552
01:02:10,950 --> 01:02:09,520
way to get advanced enough to see the

1553
01:02:14,150 --> 01:02:10,960
stars right

1554
01:02:16,870 --> 01:02:14,160
yes absolutely they told me this and

1555
01:02:21,029 --> 01:02:16,880
they told other experiencers on the

1556
01:02:24,230 --> 01:02:21,039
open-ended questions on our studies this

1557
01:02:26,549 --> 01:02:24,240
as well others repeated it that you know

1558
01:02:29,430 --> 01:02:26,559
ours technological development is simply

1559
01:02:32,230 --> 01:02:29,440
out of sync with our spiritual growth

1560
01:02:34,549 --> 01:02:32,240
and uh when this happens it could lead

1561
01:02:36,390 --> 01:02:34,559
to the disintegration of the species

1562
01:02:38,630 --> 01:02:36,400
that those were the words they used to

1563
01:02:39,910 --> 01:02:38,640

make disintegration of the species

1564

01:02:41,750 --> 01:02:39,920

integration

1565

01:02:44,789 --> 01:02:41,760

yes if you were to use

1566

01:02:47,270 --> 01:02:44,799

heavy work to use uh louis do you have

1567

01:02:49,029 --> 01:02:47,280

any final questions for our guests today

1568

01:02:51,029 --> 01:02:49,039

yeah i think it's been an awesome show i

1569

01:02:53,589 --> 01:02:51,039

think we covered a lot of material and

1570

01:02:55,430 --> 01:02:53,599

uh such a pleasant person and just

1571

01:02:56,789 --> 01:02:55,440

absolutely you know you can feel other

1572

01:02:58,549 --> 01:02:56,799

people's energy when you're in their

1573

01:03:00,870 --> 01:02:58,559

presence some people make you feel good

1574

01:03:03,270 --> 01:03:00,880

some people you just feel drained i feel

1575

01:03:04,789 --> 01:03:03,280

good i feel like i've learned something

1576

01:03:06,789 --> 01:03:04,799

hopefully our listeners have as well

1577

01:03:09,109 --> 01:03:06,799

that's the whole point of our show and

1578

01:03:11,190 --> 01:03:09,119

uh what a credible and amazing person to

1579

01:03:12,549 --> 01:03:11,200

have on the show kathleen martin

1580

01:03:14,309 --> 01:03:12,559

and now

1581

01:03:16,230 --> 01:03:14,319

also the book forbidden knowledge a

1582

01:03:18,390 --> 01:03:16,240

personal journey from alien abduction to

1583

01:03:21,670 --> 01:03:18,400

spiritual transformation is available

1584

01:03:23,589 --> 01:03:21,680

right now kathleen where can we get uh a

1585

01:03:25,029 --> 01:03:23,599

copy of this book

1586

01:03:27,750 --> 01:03:25,039

uh you can

1587

01:03:29,510 --> 01:03:27,760

acquire a copy of this book at

1588

01:03:31,510 --> 01:03:29,520

amazon.com

1589

01:03:35,430 --> 01:03:31,520

and also

1590

01:03:37,109 --> 01:03:35,440

from my website at kathleen

1591

01:03:38,789 --> 01:03:37,119

martin.com

1592

01:03:41,349 --> 01:03:38,799

via paypal

1593

01:03:45,750 --> 01:03:42,710

you can also

1594

01:03:48,230 --> 01:03:45,760

i will autograph it oh nice if you want

1595

01:03:50,549 --> 01:03:48,240

your name on it just let me know and

1596

01:03:51,589 --> 01:03:50,559

i'll put your name on it as well that is

1597

01:03:53,589 --> 01:03:51,599

awesome

1598

01:03:54,180 --> 01:03:53,599

we'll take two one for louis one for

1599

01:03:56,150 --> 01:03:54,190

jason

1600

01:03:57,589 --> 01:03:56,160

[Laughter]

1601

01:03:59,990 --> 01:03:57,599

kathleen martin thank you so much for

1602

01:04:01,910 --> 01:04:00,000

coming on uap studies podcast today we

1603

01:04:03,670 --> 01:04:01,920

really appreciate it and please come on

1604

01:04:05,430 --> 01:04:03,680

back whenever whenever you want this

1605

01:04:07,829 --> 01:04:05,440

podcast is open to you

1606

01:04:17,510 --> 01:04:07,839

well thank you so much i enjoyed my time
