11
00:00:45,830 --> 00:00:44,000

experience again he's another uh another

12
00:00:47,990 --> 00:00:45,840

guest that meets our caliber of what we

13
00:00:50,709 --> 00:00:48,000

think are the real deal in the world of

14

00:00:52,630 --> 00:00:50,719

ufology and uh yeah i'll throw it back

15

00:00:54,630 --> 00:00:52,640

to you let's uh let's intro and maybe

16

00:00:56,709 --> 00:00:54,640

17

00:00:58,630 --> 00:00:56,719

our today's guest perfect so today we

18

00:01:02,069 --> 00:00:58,640

00:01:04,710 --> 00:01:02,079

from scotland and uh he's the assistant

20

00:01:06,630 --> 00:01:04,720

editor of the outer limits magazine he's

21

00:01:08,390 --> 00:01:06,640

been a founder of the strange phenomenon

22

00:01:10,310 --> 00:01:08,400

investigation which started back in

23

00:01:12,310 --> 00:01:10,320

1979.

24

00:01:14,310 --> 00:01:12,320

malcolm is also a well-known scottish

25

00:01:17,109 --> 00:01:14,320

author of books on the paranormal and

26

00:01:19,190 --> 00:01:17,119

ufo topics he's an established speaker

27

00:01:21,670 --> 00:01:19,200

presenter script writer and authored

28

00:01:23,910 --> 00:01:21,680

many books on ufos and the paranormal

29

00:01:26,149 --> 00:01:23,920

such as ufo case files in scotland

30

00:01:28,710 --> 00:01:26,159

volume one and two the monster of loch

31

00:01:31,429 --> 00:01:28,720

ness the paranormal case files of great

32

00:01:33,910 --> 00:01:31,439

britain volume one two and three and a

33

00:01:35,350 --> 00:01:33,920

dutchmont wood ufo incident as well

34

00:01:37,830 --> 00:01:35,360

which is one that we haven't covered

35

00:01:40,069 --> 00:01:37,840

much on the podcast but it's a crucial

36

00:01:41,990 --> 00:01:40,079

incident that took place uh so i'd like

37

00:01:43,990 --> 00:01:42,000

to welcome you to the podcast malcolm

38

00:01:45,429 --> 00:01:44,000

how you doing sir

39

00:01:47,910 --> 00:01:45,439

yes it's a pleasure to be on your

40

00:01:49,590 --> 00:01:47,920

podcast i'm very well sir very well

41

00:01:51,510 --> 00:01:49,600

indeed nice to be on

42

00:01:53,990 --> 00:01:51,520

great so one of the things that we

43

00:01:55,830 --> 00:01:54,000

always ask our guests is basically we we

44

00:01:58,230 --> 00:01:55,840

all have origin stories something that

45

00:02:00,550 --> 00:01:58,240

triggered the ufo

46

00:02:03,350 --> 00:02:00,560

interest in somebody uh what age were

47

00:02:04,469 --> 00:02:03,360

you at when the ufo subject took hold of

48

00:02:09,029 --> 00:02:04,479

you

49

00:02:11,830 --> 00:02:09,039

i'd probably be about maybe eight or

50

00:02:13,510 --> 00:02:11,840

nine years of age you know and from

51
00:02:15,190 --> 00:02:13,520
throughout growing up in my childhood

52
00:02:17,830 --> 00:02:15,200
i've had a number

53
00:02:19,190 --> 00:02:17,840
of very very strange and paranormal

54
00:02:21,430 --> 00:02:19,200
experiences

55
00:02:23,110 --> 00:02:21,440
and you know as i grew older i decided i

56
00:02:26,070 --> 00:02:23,120
wanted to learn more about these

57
00:02:28,309 --> 00:02:26,080
fascinating subjects but um i was very

58
00:02:30,150 --> 00:02:28,319
very skeptical i honestly felt that

59
00:02:32,070 --> 00:02:30,160
there were no validity

60
00:02:35,830 --> 00:02:32,080
to claims pertaining to ghost support

61
00:02:37,910 --> 00:02:35,840
against ufos and way back in 1979 i

62
00:02:39,589 --> 00:02:37,920
started out on a one-man crusade to

63
00:02:40,630 --> 00:02:39,599

prove what i what a load of nonsense it

64

00:02:42,470 --> 00:02:40,640

was

65

00:02:45,030 --> 00:02:42,480

however

66

00:02:47,190 --> 00:02:45,040

there's no smoke without fire and whilst

67

00:02:47,990 --> 00:02:47,200

yes there are a lot of nonsense out

68

00:02:52,869 --> 00:02:48,000

there

69

00:02:55,350 --> 00:02:52,879

wonderful cases

70

00:02:58,550 --> 00:02:55,360

of ufo sightings of close proximity

71

00:03:01,509 --> 00:02:58,560

sightings ghost sporter guys that i knew

72

00:03:05,110 --> 00:03:01,519

that hey we are on to something here and

73

00:03:07,350 --> 00:03:05,120

like i said in 1979 we formed sbi to

74

00:03:10,070 --> 00:03:07,360

look at all claims pertaining to all the

75

00:03:11,990 --> 00:03:10,080

wonderful bizarre worlds of the ufos and

76

00:03:14,949 --> 00:03:12,000

the unexplained it's been a it's been a

77

00:03:17,990 --> 00:03:14,959

wonderful journey a terrific journey

78

00:03:20,790 --> 00:03:18,000

beautiful and as far as activity in

79

00:03:22,710 --> 00:03:20,800

great britain you guys are you have as

80

00:03:24,710 --> 00:03:22,720

much activity as canada and the united

81

00:03:27,750 --> 00:03:24,720

states but we don't seem to hear about

82

00:03:28,949 --> 00:03:27,760

it too much unless it's a massive case

83

00:03:30,550 --> 00:03:28,959

how often

84

00:03:33,750 --> 00:03:30,560

are sightings

85

00:03:35,509 --> 00:03:33,760

occurring in the great britain

86

00:03:38,070 --> 00:03:35,519

well in great britain as a whole we

87

00:03:40,550 --> 00:03:38,080

still have a wealth of ufo reports and

88

00:03:42,710 --> 00:03:40,560

more so in scotland as well there's a

89

00:03:45,350 --> 00:03:42,720

small town called bonney bridge in

90

00:03:47,670 --> 00:03:45,360

stirlingshire in central scotland

91

00:03:50,789 --> 00:03:47,680

which has seen a rise of ufo reports

92

00:03:53,110 --> 00:03:50,799

from 1992 till present day

93

00:03:55,589 --> 00:03:53,120

i i've investigated this with a local

94

00:03:57,429 --> 00:03:55,599

provost councillor billy buchanan who

95

00:03:58,470 --> 00:03:57,439

was previously a councillor he's now a

96

00:04:00,229 --> 00:03:58,480

provost

97

00:04:02,550 --> 00:04:00,239

and we've done a lot of work in the

98

00:04:04,229 --> 00:04:02,560

bonney bridge area there's sightings

99

00:04:05,589 --> 00:04:04,239

throughout scotland which demand

100

00:04:07,910 --> 00:04:05,599

explanation

101
00:04:09,990 --> 00:04:07,920
we're talking about low-level close

102
00:04:12,949 --> 00:04:10,000
proximity sightings sightings that you

103
00:04:16,150 --> 00:04:12,959
could almost throw a stone at we have

104
00:04:18,710 --> 00:04:16,160
the large black triangular shaped craft

105
00:04:19,909 --> 00:04:18,720
slowly moving across the scottish skies

106
00:04:22,230 --> 00:04:19,919
as well

107
00:04:25,430 --> 00:04:22,240
and these are perplexing because as a

108
00:04:28,469 --> 00:04:25,440
researcher my job is to find out if

109
00:04:31,270 --> 00:04:28,479
there's a natural explanation to account

110
00:04:33,510 --> 00:04:31,280
for any given sighting we do that

111
00:04:35,189 --> 00:04:33,520
through checking by the with the police

112
00:04:37,189 --> 00:04:35,199
do the police have anybody phoning in

113
00:04:39,189 --> 00:04:37,199

with members of the public seeing the

114

00:04:41,510 --> 00:04:39,199

same thing we check with the local

115

00:04:44,230 --> 00:04:41,520

airports the national airports local

116

00:04:46,230 --> 00:04:44,240

flying clubs the ministry of defense

117

00:04:48,629 --> 00:04:46,240

which tend to dot the eyes and cross

118

00:04:50,710 --> 00:04:48,639

cities to try and reach a normal

119

00:04:53,909 --> 00:04:50,720

conclusion and the vast the vast

120

00:04:57,270 --> 00:04:53,919

majority of ufo reports as high as 95

121

00:04:59,590 --> 00:04:57,280

percent have a natural explanation

122

00:05:01,990 --> 00:04:59,600

five percent remain

123

00:05:05,189 --> 00:05:02,000

three percent of the five could be our

124

00:05:07,029 --> 00:05:05,199

own black budget technology as we know

125

00:05:09,670 --> 00:05:07,039

the stealth aircraft was flying in

126

00:05:12,310 --> 00:05:09,680

american skies for a good number of

127

00:05:15,110 --> 00:05:12,320

years before the american air force put

128

00:05:18,230 --> 00:05:15,120

their hands up and said it's ours that

129

00:05:20,310 --> 00:05:18,240

gave rise to many false 3 f4 reports so

130

00:05:21,830 --> 00:05:20,320

we have to be very very careful that

131

00:05:25,029 --> 00:05:21,840

what we're seeing in the skies is not

132

00:05:28,390 --> 00:05:25,039

our own black budget technology now the

133

00:05:31,909 --> 00:05:28,400

two percent that remains from that five

134

00:05:34,230 --> 00:05:31,919

one percent could be a rare new

135

00:05:36,950 --> 00:05:34,240

atmospheric phenomena something akin to

136

00:05:39,189 --> 00:05:36,960

ball lightning or something

137

00:05:40,310 --> 00:05:39,199

the one percent the fly in the ointment

138

00:05:42,469 --> 00:05:40,320

for me

139

00:05:45,270 --> 00:05:42,479

personally and my colleagues as we are

140

00:05:47,670 --> 00:05:45,280

dealing absolutely dealing with some

141

00:05:49,110 --> 00:05:47,680

form of non-human intelligence

142

00:05:51,189 --> 00:05:49,120

that's always been with us it's been

143

00:05:53,590 --> 00:05:51,199

here since the you know mankind was on

144

00:05:56,629 --> 00:05:53,600

the planet we see it in the cave

145

00:05:59,830 --> 00:05:56,639

paintings etc we see it in renaissance

146

00:06:02,150 --> 00:05:59,840

paintings you know and the artwork etc

147

00:06:04,070 --> 00:06:02,160

big big question was if they have been

148

00:06:06,390 --> 00:06:04,080

here for so long why

149

00:06:08,390 --> 00:06:06,400

but um in scotland we have some

150

00:06:10,790 --> 00:06:08,400

wonderful cases i'd love to tell your

151

00:06:12,390 --> 00:06:10,800

good self and your listeners

152

00:06:14,710 --> 00:06:12,400

absolutely yeah

153

00:06:17,350 --> 00:06:14,720

you feel free this is the this is your

154

00:06:19,670 --> 00:06:17,360

time for sure to talk about this stuff

155

00:06:21,350 --> 00:06:19,680

okay what i would like to say first and

156

00:06:23,110 --> 00:06:21,360

foremost you mentioned ella about you

157

00:06:24,710 --> 00:06:23,120

know basically what was the first case

158

00:06:26,309 --> 00:06:24,720

that got me off the

159

00:06:27,749 --> 00:06:26,319

skeptical fence or what got me

160

00:06:31,029 --> 00:06:27,759

interested in it

161

00:06:32,629 --> 00:06:31,039

it would be 1979 now the story may well

162

00:06:35,430 --> 00:06:32,639

be known to some of your viewers and

163

00:06:38,550 --> 00:06:35,440

listeners but i'll tell it again

164

00:06:40,950 --> 00:06:38,560

1979 i was only about 19 years of age so

165

00:06:43,590 --> 00:06:40,960

that's going back a bit and what

166

00:06:46,309 --> 00:06:43,600

happened was it was a local forester a

167

00:06:48,629 --> 00:06:46,319

chap called robert taylor

168

00:06:51,270 --> 00:06:48,639

he was employed by the livingston

169

00:06:52,469 --> 00:06:51,280

development corporation in the forestry

170

00:06:55,589 --> 00:06:52,479

department

171

00:06:57,909 --> 00:06:55,599

and his job was to ensure that no cattle

172

00:07:01,670 --> 00:06:57,919

or sheep strayed into the woods

173

00:07:04,710 --> 00:07:01,680

very very mundane job he had no interest

174

00:07:07,270 --> 00:07:04,720

no interest at all in ufos flying

175

00:07:09,510 --> 00:07:07,280

saucers you know he was an educated man

176
00:07:12,870 --> 00:07:09,520
he uh he fought in the second world war

177
00:07:15,189 --> 00:07:12,880
he helped um liberate bilson bergen the

178
00:07:16,390 --> 00:07:15,199
the the concentration camp where he was

179
00:07:19,350 --> 00:07:16,400
a young man

180
00:07:21,749 --> 00:07:19,360
so now he's older mundane job walking

181
00:07:23,510 --> 00:07:21,759
through the woods with his irish red

182
00:07:26,150 --> 00:07:23,520
setter dog lara

183
00:07:28,870 --> 00:07:26,160
walking down this forestry path

184
00:07:32,230 --> 00:07:28,880
came upon a clearing

185
00:07:34,870 --> 00:07:32,240
oh my god what the what is that

186
00:07:38,070 --> 00:07:34,880
he saw he described this large

187
00:07:40,550 --> 00:07:38,080
dome-shaped object with the flange going

188
00:07:43,189 --> 00:07:40,560

around its perimeter with cross-leg

189

00:07:44,950 --> 00:07:43,199

projections sticking up from the flange

190

00:07:47,430 --> 00:07:44,960

and it disappeared

191

00:07:49,350 --> 00:07:47,440

and reappeared solidified and

192

00:07:51,029 --> 00:07:49,360

de-solidified and

193

00:07:52,150 --> 00:07:51,039

he's never seen anything like this in

194

00:07:54,790 --> 00:07:52,160

his life

195

00:07:56,070 --> 00:07:54,800

and his dog is bark bark barking

196

00:07:56,950 --> 00:07:56,080

furiously

197

00:07:58,629 --> 00:07:56,960

then

198

00:08:00,390 --> 00:07:58,639

as if suddenly

199

00:08:01,510 --> 00:08:00,400

as if this scene couldn't get any more

200

00:08:02,790 --> 00:08:01,520

stranger

201
00:08:05,990 --> 00:08:02,800
it did

202
00:08:08,550 --> 00:08:06,000
for what resembled resembled

203
00:08:10,309 --> 00:08:08,560
two second world war c mines you know

204
00:08:12,309 --> 00:08:10,319
these bobbin mines that floated in the

205
00:08:15,029 --> 00:08:12,319
north atlantic with a spike sticking out

206
00:08:16,710 --> 00:08:15,039
a bit right resembled that two of them

207
00:08:18,950 --> 00:08:16,720
dropped down

208
00:08:21,589 --> 00:08:18,960
from this craft it was hovering about 40

209
00:08:23,990 --> 00:08:21,599
feet above this grass dropped down

210
00:08:26,629 --> 00:08:24,000
and impacted on the grass started

211
00:08:29,430 --> 00:08:26,639
rolling across the grass towards him

212
00:08:31,110 --> 00:08:29,440
he's like this was going on here

213
00:08:33,110 --> 00:08:31,120

then he stopped

214

00:08:35,589 --> 00:08:33,120

then he projected these rod like

215

00:08:37,909 --> 00:08:35,599

projections towards his purse and pulled

216

00:08:40,630 --> 00:08:37,919

him pulled him very very forcibly

217

00:08:42,070 --> 00:08:40,640

towards this larger object

218

00:08:43,829 --> 00:08:42,080

at that point

219

00:08:46,470 --> 00:08:43,839

he remembers a

220

00:08:49,110 --> 00:08:46,480

horrible burning smell pervading the

221

00:08:50,150 --> 00:08:49,120

whole area and then a swishing sound and

222

00:08:52,630 --> 00:08:50,160

then

223

00:08:54,310 --> 00:08:52,640

he lost consciousness

224

00:08:56,230 --> 00:08:54,320

when he regained consciousness the

225

00:08:58,870 --> 00:08:56,240

larger object was gone the smaller

226

00:09:02,070 --> 00:08:58,880

objects were gone and there were over 40

227

00:09:03,829 --> 00:09:02,080

holes and impressions in the grass and

228

00:09:05,829 --> 00:09:03,839

the grass in front of him

229

00:09:07,910 --> 00:09:05,839

he had a nasty graze under his chin he

230

00:09:10,389 --> 00:09:07,920

had a graze on his head he had a

231

00:09:12,550 --> 00:09:10,399

pounding headache and he managed to

232

00:09:16,230 --> 00:09:12,560

stagger back to his pickup truck which

233

00:09:18,470 --> 00:09:16,240

was uh near the woods he tried to radio

234

00:09:20,310 --> 00:09:18,480

base for help

235

00:09:21,350 --> 00:09:20,320

but he couldn't speak he had lost his

236

00:09:23,509 --> 00:09:21,360

voice

237

00:09:25,030 --> 00:09:23,519

so he managed somehow to reverse the

238

00:09:26,870 --> 00:09:25,040

truck into a ditch

239

00:09:28,870 --> 00:09:26,880

he couldn't move the truck

240

00:09:31,190 --> 00:09:28,880

he managed to get back home to his wife

241

00:09:33,430 --> 00:09:31,200

and his wife which is what's happened to

242

00:09:35,509 --> 00:09:33,440

you because her husband you know his

243

00:09:37,590 --> 00:09:35,519

jersey was all muddy

244

00:09:38,710 --> 00:09:37,600

and he said i've been attacked

245

00:09:41,269 --> 00:09:38,720

attacked

246

00:09:42,310 --> 00:09:41,279

i don't buy her by men

247

00:09:44,150 --> 00:09:42,320

no

248

00:09:45,670 --> 00:09:44,160

by a spaceship thing

249

00:09:46,790 --> 00:09:45,680

and she says look come on there's no

250

00:09:49,590 --> 00:09:46,800

such thing

251
00:09:50,310 --> 00:09:49,600
but then she went well i know my

252
00:09:52,389 --> 00:09:50,320
my husband

253
00:09:53,350 --> 00:09:52,399
would never make up a tall tale like

254
00:09:55,750 --> 00:09:53,360
this

255
00:09:58,230 --> 00:09:55,760
so she phoned a local doctor the local

256
00:10:00,870 --> 00:09:58,240
doctor came down to the house checked

257
00:10:02,069 --> 00:10:00,880
his heart his lungs etc he was very

258
00:10:05,350 --> 00:10:02,079
excited

259
00:10:07,829 --> 00:10:05,360
and then he once then malcolm drummond

260
00:10:10,550 --> 00:10:07,839
his forestry boss came down

261
00:10:12,389 --> 00:10:10,560
and both men went up to the woods

262
00:10:13,590 --> 00:10:12,399
there you go there's all the marks in

263
00:10:16,710 --> 00:10:13,600

the grass

264

00:10:18,870 --> 00:10:16,720

now this is where the police

265

00:10:20,069 --> 00:10:18,880

the scottish police became involved

266

00:10:22,870 --> 00:10:20,079

because

267

00:10:26,710 --> 00:10:22,880

it was deemed as an assault

268

00:10:28,389 --> 00:10:26,720

by person or persons unknown a physical

269

00:10:30,829 --> 00:10:28,399

assault

270

00:10:33,910 --> 00:10:30,839

the police looked at the grass wow

271

00:10:35,430 --> 00:10:33,920

yeah they're no denying that fenced off

272

00:10:37,350 --> 00:10:35,440

the area

273

00:10:40,069 --> 00:10:37,360

i became involved i saw the marks on the

274

00:10:42,790 --> 00:10:40,079

grass myself we interviewed bob several

275

00:10:43,829 --> 00:10:42,800

times i interviewed the place etc

276

00:10:51,750 --> 00:10:43,839

and

277

00:10:54,150 --> 00:10:51,760

one thing i should say to yourself is

278

00:10:55,269 --> 00:10:54,160

the trousers at robert taylor war were

279

00:11:00,069 --> 00:10:55,279

ripped

280

00:11:01,829 --> 00:11:00,079

these were tested forensically tested by

281

00:11:04,710 --> 00:11:01,839

the science lab

282

00:11:06,550 --> 00:11:04,720

at edinburgh and the chief scientist

283

00:11:08,150 --> 00:11:06,560

said malcolm

284

00:11:11,269 --> 00:11:08,160

these trousers

285

00:11:13,350 --> 00:11:11,279

were pulled in an upwards manner

286

00:11:15,269 --> 00:11:13,360

they were not made by any forest debris

287

00:11:18,790 --> 00:11:15,279

they were not made by sharp stones or

288

00:11:20,790 --> 00:11:18,800

sharp twigs these were clearly made in a

289

00:11:23,990 --> 00:11:20,800

pulling upwards manner now these were

290

00:11:25,269 --> 00:11:24,000

heavy duty material heavy material you

291

00:11:27,670 --> 00:11:25,279

know

292

00:11:30,949 --> 00:11:27,680

very very thick

293

00:11:33,430 --> 00:11:30,959

1993 we placed a a stone care in there

294

00:11:36,389 --> 00:11:33,440

with a bra brass plaque to commemorate

295

00:11:38,870 --> 00:11:36,399

that event and a few years ago i managed

296

00:11:40,310 --> 00:11:38,880

to get signage placed because

297

00:11:42,470 --> 00:11:40,320

people were coming from all over the

298

00:11:45,269 --> 00:11:42,480

world we couldn't find it it's such a

299

00:11:48,630 --> 00:11:45,279

big we can't find it so i managed to get

300

00:11:50,470 --> 00:11:48,640

signage placed by the local council ufo

301
00:11:53,430 --> 00:11:50,480
this way and we have big signage at the

302
00:11:56,870 --> 00:11:53,440
plaque uh sorry at the area as well

303
00:11:59,670 --> 00:11:56,880
it's a wonderful case and his dog never

304
00:12:01,990 --> 00:11:59,680
ever went back to that area again never

305
00:12:05,829 --> 00:12:02,000
mentioned near that that's just one of

306
00:12:07,190 --> 00:12:05,839
many one of many cases in scotland that

307
00:12:09,910 --> 00:12:07,200
you know it proves that we're dealing

308
00:12:11,910 --> 00:12:09,920
with something real something tangible

309
00:12:14,470 --> 00:12:11,920
now like anything else

310
00:12:16,310 --> 00:12:14,480
people skeptics we love them we wouldn't

311
00:12:18,870 --> 00:12:16,320
be here without them

312
00:12:21,269 --> 00:12:18,880
skeptics had ideas what it could be

313
00:12:23,750 --> 00:12:21,279

one skeptic said

314

00:12:26,629 --> 00:12:23,760

could have not been a tropo belladonna

315

00:12:29,430 --> 00:12:26,639

now that's a point poisonous berry which

316

00:12:32,389 --> 00:12:29,440

ingested with any deep quantity can

317

00:12:34,949 --> 00:12:32,399

cause hallucinations or even death

318

00:12:37,590 --> 00:12:34,959

there is no evidence no evidence of that

319

00:12:39,110 --> 00:12:37,600

plant that been in decrement woods at

320

00:12:41,430 --> 00:12:39,120

all none at all

321

00:12:43,430 --> 00:12:41,440

and um as i said i had to write a

322

00:12:45,509 --> 00:12:43,440

standalone book about that case the

323

00:12:48,310 --> 00:12:45,519

deccan woods incident because

324

00:12:51,269 --> 00:12:48,320

it just deserved people's attention and

325

00:12:52,389 --> 00:12:51,279

as i say wonderful case wonderful case

326

00:12:53,990 --> 00:12:52,399

that's amazing

327

00:12:55,590 --> 00:12:54,000

malcolm i wanted to ask you about the

328

00:12:59,190 --> 00:12:55,600

recent movie that you uh start in the

329

00:13:01,829 --> 00:12:59,200

pentagon ufo files and uh to start i

330

00:13:04,629 --> 00:13:01,839

found it fascinating that it took a uk

331

00:13:07,750 --> 00:13:04,639

media company to give us a film entitled

332

00:13:09,350 --> 00:13:07,760

the pentagon ufo files um but in this

333

00:13:11,829 --> 00:13:09,360

movie and for those who haven't seen it

334

00:13:14,069 --> 00:13:11,839

yet i do recommend it um and we don't

335

00:13:15,990 --> 00:13:14,079

promote many things often but if we've

336

00:13:18,069 --> 00:13:16,000

personally seen it and uh you know like

337

00:13:19,670 --> 00:13:18,079

it we will give it our seal of approval

338

00:13:21,990 --> 00:13:19,680

so to speak not that it's worth anything

339

00:13:24,710 --> 00:13:22,000

but i really enjoyed it um it does go

340

00:13:26,230 --> 00:13:24,720

over the uh you know december 2017 new

341

00:13:29,030 --> 00:13:26,240

york times article about the a-tip

342

00:13:31,829 --> 00:13:29,040

videos um we've had a lot of people on

343

00:13:33,910 --> 00:13:31,839

our show you know sean cahill

344

00:13:36,389 --> 00:13:33,920

kevin day first-hand experiencers that

345

00:13:38,150 --> 00:13:36,399

were on the uss princeton

346

00:13:39,350 --> 00:13:38,160

right at the time that this nimitz thing

347

00:13:41,189 --> 00:13:39,360

was happening

348

00:13:43,350 --> 00:13:41,199

we've had forensic scientists that have

349

00:13:45,750 --> 00:13:43,360

given us you know specific data

350

00:13:48,629 --> 00:13:45,760

telemetry uh you know guys that were

351

00:13:51,030 --> 00:13:48,639

watching these things on radar

352

00:13:53,670 --> 00:13:51,040

but the thing i enjoyed was that you

353

00:13:55,350 --> 00:13:53,680

kind of gave the full chronology and

354

00:13:57,430 --> 00:13:55,360

filled in some gaps that we didn't even

355

00:13:59,590 --> 00:13:57,440

get ourselves on the north american end

356

00:14:01,750 --> 00:13:59,600

of this uh you know we're a lot closer

357

00:14:04,069 --> 00:14:01,760

to where this story launched um but you

358

00:14:06,870 --> 00:14:04,079

know you mentioned senator harry reid

359

00:14:08,550 --> 00:14:06,880

was made aware um either through a leak

360

00:14:09,829 --> 00:14:08,560

or otherwise but

361

00:14:12,790 --> 00:14:09,839

was made aware that there were some

362

00:14:14,790 --> 00:14:12,800

sightings happening with the navy pilots

363

00:14:16,230 --> 00:14:14,800

and i think because of that the

364

00:14:18,069 --> 00:14:16,240

government started taking it more

365

00:14:20,069 --> 00:14:18,079

seriously because now we got military

366

00:14:22,310 --> 00:14:20,079

people breaking silence it's easy to

367

00:14:23,910 --> 00:14:22,320

discredit some nut out in the field in a

368

00:14:25,750 --> 00:14:23,920

farmland and say he doesn't know what he

369

00:14:28,150 --> 00:14:25,760

saw but when it's your own military

370

00:14:30,629 --> 00:14:28,160

people um and then you know there's the

371

00:14:32,389 --> 00:14:30,639

whole idea the threat narrative so i'll

372

00:14:34,230 --> 00:14:32,399

ask you you know what went into making

373

00:14:37,110 --> 00:14:34,240

that movie what made you guys want to do

374

00:14:39,829 --> 00:14:37,120

it and uh what about this whole story do

375

00:14:42,069 --> 00:14:39,839

you find interesting

376

00:14:43,990 --> 00:14:42,079

well yeah i mean obviously i was invited

377

00:14:45,829 --> 00:14:44,000

to go to london i was staying in

378

00:14:49,670 --> 00:14:45,839

scotland at a time invited to go to

379

00:14:51,509 --> 00:14:49,680

london to be part of a team of a few

380

00:14:53,430 --> 00:14:51,519

british ufologists

381

00:14:55,110 --> 00:14:53,440

uh one of whom was of course philip

382

00:14:57,509 --> 00:14:55,120

mantle a very dear and good friend of

383

00:15:00,470 --> 00:14:57,519

mine and we were invited to go to london

384

00:15:03,110 --> 00:15:00,480

to provide our thoughts about what we

385

00:15:05,829 --> 00:15:03,120

thought was happening here with these

386

00:15:07,829 --> 00:15:05,839

wonderful sightings a tic tac gimbal go

387

00:15:10,629 --> 00:15:07,839

fast these objects it was

388

00:15:12,310 --> 00:15:10,639

seen by american air force pilots and it

389

00:15:15,269 --> 00:15:12,320

was just the case of really just sitting

390

00:15:17,829 --> 00:15:15,279

down and giving giving our own views our

391

00:15:19,829 --> 00:15:17,839

own thoughts about what we felt here in

392

00:15:22,550 --> 00:15:19,839

the uk because

393

00:15:23,670 --> 00:15:22,560

you know it's a massive an american case

394

00:15:25,750 --> 00:15:23,680

it's it's

395

00:15:27,829 --> 00:15:25,760

simply incredible when we think about

396

00:15:30,069 --> 00:15:27,839

the fact that um

397

00:15:32,629 --> 00:15:30,079

they had this report this big report

398

00:15:34,389 --> 00:15:32,639

that came out there was a lot more pages

399

00:15:36,710 --> 00:15:34,399

of the report that we haven't as yet

400

00:15:37,749 --> 00:15:36,720

seen and i'd love to see those final

401
00:15:40,150 --> 00:15:37,759

pages

402
00:15:42,150 --> 00:15:40,160

and since then we've obviously had more

403
00:15:44,870 --> 00:15:42,160

sightings come out from various people

404
00:15:48,389 --> 00:15:44,880

as well so it was a it provided that

405
00:15:52,629 --> 00:15:48,399

opportunity for myself philip manto and

406
00:15:54,629 --> 00:15:52,639

phil kinsella jason glaves paul askoff

407
00:15:56,310 --> 00:15:54,639

just to think just to tell people what

408
00:15:57,749 --> 00:15:56,320

we believe was going on

409
00:15:59,829 --> 00:15:57,759

and as you probably for those who

410
00:16:03,110 --> 00:15:59,839

haven't obviously saw this footage and i

411
00:16:04,470 --> 00:16:03,120

dare say that there can't be that many

412
00:16:06,710 --> 00:16:04,480

we're the only deal we're dealing here

413
00:16:09,350 --> 00:16:06,720

with either two things

414

00:16:11,670 --> 00:16:09,360

a it's their own technology

415

00:16:15,110 --> 00:16:11,680

and this was that her own technology was

416

00:16:15,910 --> 00:16:15,120

masquerading to see what this exercise

417

00:16:17,509 --> 00:16:15,920

you know

418

00:16:19,110 --> 00:16:17,519

all these ships it was taking part in

419

00:16:20,470 --> 00:16:19,120

this exercise

420

00:16:22,389 --> 00:16:20,480

but and this so this could have been

421

00:16:24,550 --> 00:16:22,399

american it could have been canadian to

422

00:16:27,350 --> 00:16:24,560

see how they would react

423

00:16:28,310 --> 00:16:27,360

and um which is fanciful which is airy

424

00:16:30,069 --> 00:16:28,320

fairy

425

00:16:31,509 --> 00:16:30,079

that's possibility number one i mean it

426
00:16:35,189 --> 00:16:31,519
could have been

427
00:16:37,590 --> 00:16:35,199
russian experiment chinese except we

428
00:16:40,150 --> 00:16:37,600
have to think about this no matter how

429
00:16:43,110 --> 00:16:40,160
preposterous this sounds we have to look

430
00:16:44,550 --> 00:16:43,120
out the box to see well who else if it's

431
00:16:46,790 --> 00:16:44,560
not american

432
00:16:48,790 --> 00:16:46,800
who else could be doing this

433
00:16:51,350 --> 00:16:48,800
so the other option is

434
00:16:54,710 --> 00:16:51,360
that it clearly is off world because the

435
00:16:56,949 --> 00:16:54,720
g-force involved the speeds involved

436
00:16:59,670 --> 00:16:56,959
is absolutely terrific and if we have

437
00:17:03,269 --> 00:16:59,680
that technology why aren't we using that

438
00:17:06,230 --> 00:17:03,279

technology and in some theaters of war

439

00:17:08,710 --> 00:17:06,240

or whatever or just normal transport

440

00:17:09,590 --> 00:17:08,720

just to get people from atb much more

441

00:17:10,390 --> 00:17:09,600

quicker

442

00:17:12,710 --> 00:17:10,400

so

443

00:17:15,669 --> 00:17:12,720

i tend to think and i could be wrong i

444

00:17:18,309 --> 00:17:15,679

tend to think it's not our own

445

00:17:20,470 --> 00:17:18,319

i don't think it's our own technology at

446

00:17:21,829 --> 00:17:20,480

all i think it is off world i think it

447

00:17:23,750 --> 00:17:21,839

is something else

448

00:17:25,909 --> 00:17:23,760

and again it doesn't provide us an

449

00:17:27,750 --> 00:17:25,919

explanation it doesn't give us an answer

450

00:17:31,029 --> 00:17:27,760

it doesn't you know

451
00:17:32,789 --> 00:17:31,039
what what's going on here and um

452
00:17:35,510 --> 00:17:32,799
we just don't know we just really don't

453
00:17:37,990 --> 00:17:35,520
know but i'm glad that that documentary

454
00:17:40,470 --> 00:17:38,000
was made because it was well put

455
00:17:41,990 --> 00:17:40,480
together people like myself who work

456
00:17:44,390 --> 00:17:42,000
with the media

457
00:17:46,870 --> 00:17:44,400
we're always hopeful that they they will

458
00:17:49,590 --> 00:17:46,880
showcase ourselves and the subject in a

459
00:17:51,190 --> 00:17:49,600
nice correct light

460
00:17:52,070 --> 00:17:51,200
a lot of times they don't you know it's

461
00:17:54,150 --> 00:17:52,080
so

462
00:17:55,990 --> 00:17:54,160
it's all just wishy-washy and it's it's

463
00:17:57,909 --> 00:17:56,000

not presented very well but i was very

464

00:18:00,310 --> 00:17:57,919

very pleased

465

00:18:03,190 --> 00:18:00,320

by my partition participation in the

466

00:18:05,350 --> 00:18:03,200

pentagon ufo files and it was just a

467

00:18:07,750 --> 00:18:05,360

great opportunity just to say to the

468

00:18:10,870 --> 00:18:07,760

british public and the american public

469

00:18:14,230 --> 00:18:10,880

canadian public and everybody in europe

470

00:18:16,070 --> 00:18:14,240

have a look at this this is incredible

471

00:18:17,110 --> 00:18:16,080

with ufology i always find it funny

472

00:18:19,909 --> 00:18:17,120

because it's

473

00:18:21,669 --> 00:18:19,919

possibility versus probability you know

474

00:18:24,870 --> 00:18:21,679

is it possible that it's a russian and

475

00:18:27,510 --> 00:18:24,880

chinese yes it's possible is it

476

00:18:29,590 --> 00:18:27,520

possibly that it's like no i don't think

477

00:18:31,350 --> 00:18:29,600

that that it is them the way the

478

00:18:34,150 --> 00:18:31,360

characteristics the way that they fly

479

00:18:36,630 --> 00:18:34,160

the lack of interactions between the

480

00:18:38,390 --> 00:18:36,640

american and you know russia is having

481

00:18:40,470 --> 00:18:38,400

the same issues that the americans are

482

00:18:42,230 --> 00:18:40,480

with these things so is china china

483

00:18:44,549 --> 00:18:42,240

started their own uap task force for

484

00:18:47,350 --> 00:18:44,559

crying out loud so it shows that it's

485

00:18:49,190 --> 00:18:47,360

it's it's a it's a global issue and

486

00:18:51,029 --> 00:18:49,200

they're thinking is it the americans is

487

00:18:52,470 --> 00:18:51,039

it the russians like they're thinking

488

00:18:54,870 --> 00:18:52,480

the same thing that we're thinking on

489

00:18:57,029 --> 00:18:54,880

this side right we know it's not canada

490

00:18:59,350 --> 00:18:57,039

because canada has absolutely no budget

491

00:19:01,350 --> 00:18:59,360

for military whatsoever or experimental

492

00:19:03,669 --> 00:19:01,360

stuff and if it was canada there'd be a

493

00:19:06,230 --> 00:19:03,679

big canadian flag on the tic tac or

494

00:19:07,990 --> 00:19:06,240

something like that right

495

00:19:09,590 --> 00:19:08,000

nobody's playing with experimental

496

00:19:11,190 --> 00:19:09,600

footage and we've had plenty of military

497

00:19:13,510 --> 00:19:11,200

people on this show you know that said

498

00:19:15,029 --> 00:19:13,520

listen we would never that's how

499

00:19:17,350 --> 00:19:15,039

friendly fire happens and that's how

500

00:19:19,430 --> 00:19:17,360

people die and that's the best way to

501
00:19:20,950 --> 00:19:19,440
blow your cover on a black budget

502
00:19:23,110 --> 00:19:20,960
project which is the

503
00:19:25,350 --> 00:19:23,120
that's the end-all be-all is don't let

504
00:19:28,070 --> 00:19:25,360
this get out so they're not playing with

505
00:19:31,350 --> 00:19:28,080
this technology over highly populated

506
00:19:33,190 --> 00:19:31,360
cities and while other people don't know

507
00:19:35,029 --> 00:19:33,200
the training's happening the military

508
00:19:37,510 --> 00:19:35,039
bar down does not

509
00:19:39,350 --> 00:19:37,520
do that ever anywhere um you know and

510
00:19:41,830 --> 00:19:39,360
it's a it's an offense to your own

511
00:19:43,510 --> 00:19:41,840
troops that like we don't trust you

512
00:19:45,510 --> 00:19:43,520
enough to know that we're running covert

513
00:19:47,830 --> 00:19:45,520

operations covert operations all the

514

00:19:49,830 --> 00:19:47,840

time happen when you're told hey don't

515

00:19:51,510 --> 00:19:49,840

go in there don't ask about this you're

516

00:19:53,909 --> 00:19:51,520

just like okay yeah it could be

517

00:19:56,470 --> 00:19:53,919

something very mundane and not

518

00:19:58,390 --> 00:19:56,480

life-changing but they're just used to

519

00:20:00,549 --> 00:19:58,400

if you're told you don't ask or you

520

00:20:02,789 --> 00:20:00,559

don't need to know this that's just par

521

00:20:05,029 --> 00:20:02,799

for the course even on you know other

522

00:20:07,430 --> 00:20:05,039

things that are like shift change times

523

00:20:09,590 --> 00:20:07,440

or standard operations on the boat they

524

00:20:11,590 --> 00:20:09,600

do have some compartmentalization

525

00:20:14,070 --> 00:20:11,600

so you know that's not the big thing the

526

00:20:17,110 --> 00:20:14,080

big thing for me is the characteristics

527

00:20:19,029 --> 00:20:17,120

the speeds the apparent g-forces

528

00:20:20,630 --> 00:20:19,039

we interviewed some of the cast from a

529

00:20:22,390 --> 00:20:20,640

tear in the sky which is a new movie

530

00:20:25,430 --> 00:20:22,400

that just came out one of them being

531

00:20:27,590 --> 00:20:25,440

dave mason and he's a brilliant engineer

532

00:20:29,590 --> 00:20:27,600

and scientist inventor

533

00:20:31,669 --> 00:20:29,600

and they essentially caught

534

00:20:34,549 --> 00:20:31,679

reigning tic tacs similar to what

535

00:20:37,270 --> 00:20:34,559

happened in the in the uss nimitz video

536

00:20:39,669 --> 00:20:37,280

and like he's very good with photography

537

00:20:41,590 --> 00:20:39,679

he knows how to do the the trigonometry

538

00:20:43,909 --> 00:20:41,600

with the angles and you know the field

539

00:20:46,390 --> 00:20:43,919

of view and how far away it is and

540

00:20:48,549 --> 00:20:46,400

basically he said that what they caught

541

00:20:51,990 --> 00:20:48,559

was a reigning tic tac went from

542

00:20:55,510 --> 00:20:52,000

sub-orbital into the water speeds were

543

00:20:57,510 --> 00:20:55,520

ranging from 8 000 miles an hour to 84

544

00:20:59,430 --> 00:20:57,520

000 miles an hour

545

00:21:01,830 --> 00:20:59,440

and i mean when you look at these things

546

00:21:03,990 --> 00:21:01,840

on flear and i mean the tic tac footage

547

00:21:06,390 --> 00:21:04,000

is an infrared shot you can see right on

548

00:21:08,070 --> 00:21:06,400

the gunner footage it says ir in the top

549

00:21:10,710 --> 00:21:08,080

so again this doesn't appear to the

550

00:21:13,110 --> 00:21:10,720

normal naked eye in that spectrum but

551
00:21:16,070 --> 00:21:13,120
when you see what it's doing how cold it

552
00:21:18,549 --> 00:21:16,080
is there's no propulsion there's no heat

553
00:21:20,470 --> 00:21:18,559
not even the friction is registering as

554
00:21:24,070 --> 00:21:20,480
something causing heat so

555
00:21:26,070 --> 00:21:24,080
it's so beyond our potential just as

556
00:21:27,990 --> 00:21:26,080
beings to be in a machine

557
00:21:30,470 --> 00:21:28,000
would we be able to do that and the

558
00:21:31,990 --> 00:21:30,480
g-force alone would kill you

559
00:21:33,510 --> 00:21:32,000
not to mention you know the erratic

560
00:21:35,750 --> 00:21:33,520
changes in direction and everything else

561
00:21:37,750 --> 00:21:35,760
so for me the the strangest thing and

562
00:21:40,070 --> 00:21:37,760
the hardest thing to explain

563
00:21:41,350 --> 00:21:40,080

is how does it do what it does even if

564

00:21:43,029 --> 00:21:41,360

it is russia

565

00:21:44,789 --> 00:21:43,039

jason you mentioned you know russia's

566

00:21:46,950 --> 00:21:44,799

having a hard time with ukraine if they

567

00:21:49,990 --> 00:21:46,960

had ufo technology it would be lights

568

00:21:52,630 --> 00:21:50,000

out yeah oh yeah yeah i think it's very

569

00:21:54,789 --> 00:21:52,640

improbable that this is human-made just

570

00:21:56,630 --> 00:21:54,799

because of the fact that even if we

571

00:21:58,470 --> 00:21:56,640

could make something that would go that

572

00:22:00,390 --> 00:21:58,480

fast you still need somebody to operate

573

00:22:03,430 --> 00:22:00,400

it and i don't think we've developed

574

00:22:05,430 --> 00:22:03,440

that bubble technology where physics

575

00:22:06,950 --> 00:22:05,440

don't apply i don't think that exists on

576

00:22:07,909 --> 00:22:06,960

our planet

577

00:22:09,669 --> 00:22:07,919

yeah

578

00:22:11,350 --> 00:22:09,679

totally again with you you know when you

579

00:22:14,870 --> 00:22:11,360

look at that footage and you look at the

580

00:22:16,710 --> 00:22:14,880

dynamics and stuff it doesn't seem as if

581

00:22:19,190 --> 00:22:16,720

we could do anything at that at this

582

00:22:21,190 --> 00:22:19,200

stage in our technology i mean look at

583

00:22:24,149 --> 00:22:21,200

how technology's advanced over the last

584

00:22:26,149 --> 00:22:24,159

50 years from the big mobile phone and

585

00:22:28,230 --> 00:22:26,159

stuff you know to the slim phones have

586

00:22:30,710 --> 00:22:28,240

got now technology's ever progressing

587

00:22:33,510 --> 00:22:30,720

not just in telecommunications

588

00:22:36,149 --> 00:22:33,520

but in you know military technology as

589

00:22:39,350 --> 00:22:36,159

well and like you said you know if

590

00:22:41,909 --> 00:22:39,360

the ukraine had that uh then it would be

591

00:22:43,430 --> 00:22:41,919

like so for russia um because you would

592

00:22:45,669 --> 00:22:43,440

employ that you know

593

00:22:47,510 --> 00:22:45,679

i mean war is terrible in any conflict

594

00:22:48,789 --> 00:22:47,520

anywhere on planet earth of course it is

595

00:22:50,470 --> 00:22:48,799

but um

596

00:22:52,789 --> 00:22:50,480

and it's sad that sometimes you have to

597

00:22:54,549 --> 00:22:52,799

use um you know weapons of destruction

598

00:22:57,110 --> 00:22:54,559

to do that you know the age bomb the

599

00:22:57,830 --> 00:22:57,120

atom bomb you know that that that ended

600

00:22:59,669 --> 00:22:57,840

uh

601
00:23:01,909 --> 00:22:59,679
japan you know they were in japan they

602
00:23:04,549 --> 00:23:01,919
knew they couldn't compete with that so

603
00:23:06,950 --> 00:23:04,559
we're living in terrible times um

604
00:23:08,710 --> 00:23:06,960
the problem is that and i keep saying is

605
00:23:11,110 --> 00:23:08,720
it's not just this technology it's not

606
00:23:12,950 --> 00:23:11,120
just this incredible ufos that we've

607
00:23:15,110 --> 00:23:12,960
seen flitting about the skies it's the

608
00:23:17,590 --> 00:23:15,120
abduction phenomena

609
00:23:19,750 --> 00:23:17,600
what bothers me is the fact that they're

610
00:23:20,950 --> 00:23:19,760
taking people from their homes from

611
00:23:22,789 --> 00:23:20,960
their cars

612
00:23:24,630 --> 00:23:22,799
and you know doing these horrible

613
00:23:26,870 --> 00:23:24,640

experiments on them now

614

00:23:27,830 --> 00:23:26,880

they've been doing it for over 40 50 60

615

00:23:29,909 --> 00:23:27,840

years

616

00:23:31,830 --> 00:23:29,919

if it's a genetic thing

617

00:23:33,909 --> 00:23:31,840

if they're trying to get some genetics

618

00:23:36,310 --> 00:23:33,919

out of us well surely they could do that

619

00:23:37,990 --> 00:23:36,320

in a a hospital would go into you know

620

00:23:39,669 --> 00:23:38,000

stealthily went in a hospital get

621

00:23:41,990 --> 00:23:39,679

sperman over

622

00:23:44,390 --> 00:23:42,000

but then again maybe they need the the

623

00:23:46,789 --> 00:23:44,400

human being or is it as some people have

624

00:23:49,510 --> 00:23:46,799

said maybe these small greys are looking

625

00:23:50,630 --> 00:23:49,520

for our soul what makes their soul tick

626

00:23:53,029 --> 00:23:50,640

etc

627

00:23:55,350 --> 00:23:53,039

right now i'm dealing with a lady in uh

628

00:23:57,830 --> 00:23:55,360

in edinburgh and she's been abducted

629

00:24:00,149 --> 00:23:57,840

since she was 10 years of age she's got

630

00:24:02,710 --> 00:24:00,159

marks all over her body it's the early

631

00:24:06,070 --> 00:24:02,720

stage of this investigation but she is

632

00:24:08,070 --> 00:24:06,080

terrified she is wanting answers and

633

00:24:09,990 --> 00:24:08,080

whilst guys like me and guys like your

634

00:24:11,029 --> 00:24:10,000

good selves we can do all the research

635

00:24:12,870 --> 00:24:11,039

we want

636

00:24:15,149 --> 00:24:12,880

but we haven't got the answers not yet

637

00:24:17,750 --> 00:24:15,159

you know and that's the problem it's so

638

00:24:19,750 --> 00:24:17,760

frustrating to know that we're dealing

639

00:24:22,070 --> 00:24:19,760

with a real phenomena here but we can't

640

00:24:24,390 --> 00:24:22,080

get a handle on it we can't stop them we

641

00:24:26,390 --> 00:24:24,400

can have all these small cameras hidden

642

00:24:27,590 --> 00:24:26,400

in the bedroom to see if we can capture

643

00:24:29,669 --> 00:24:27,600

something

644

00:24:31,110 --> 00:24:29,679

but it doesn't always work as we know

645

00:24:33,350 --> 00:24:31,120

yeah i have a

646

00:24:35,990 --> 00:24:33,360

somebody that i know that is within the

647

00:24:37,590 --> 00:24:36,000

u.s military and he told me

648

00:24:39,669 --> 00:24:37,600

uh just flat out when i said you know is

649

00:24:40,789 --> 00:24:39,679

there really a threat narrative to this

650

00:24:42,710 --> 00:24:40,799

whole

651
00:24:44,789 --> 00:24:42,720
ufo thing because they seem to be quite

652
00:24:47,269 --> 00:24:44,799
docile with our military meaning you

653
00:24:49,990 --> 00:24:47,279
know almost like a laser pointer

654
00:24:52,230 --> 00:24:50,000
and uh a cat you know just try to catch

655
00:24:54,470 --> 00:24:52,240
me type scenario

656
00:24:56,310 --> 00:24:54,480
yeah so and i find that funny but he

657
00:24:57,590 --> 00:24:56,320
said you know i said

658
00:24:58,870 --> 00:24:57,600
is there such a thing as a threat

659
00:25:00,549 --> 00:24:58,880
narrative because they haven't shown any

660
00:25:02,630 --> 00:25:00,559
hostility towards us he goes well let me

661
00:25:03,909 --> 00:25:02,640
tell you something he says is it illegal

662
00:25:05,990 --> 00:25:03,919
for me to break into your house in the

663
00:25:08,549 --> 00:25:06,000

middle of the night take you

664

00:25:11,269 --> 00:25:08,559

do medical experiments and then drop you

665

00:25:13,909 --> 00:25:11,279

back off feeling sick ill without your

666

00:25:15,510 --> 00:25:13,919

right and without consent i said well

667

00:25:17,909 --> 00:25:15,520

yeah that would be illegal it goes okay

668

00:25:19,830 --> 00:25:17,919

so then it goes against our laws as

669

00:25:22,070 --> 00:25:19,840

humans it goes against a you know it's

670

00:25:23,350 --> 00:25:22,080

an offense against us and it's true

671

00:25:24,470 --> 00:25:23,360

there's nothing we can do about it the

672

00:25:25,750 --> 00:25:24,480

government's not going to come out and

673

00:25:27,430 --> 00:25:25,760

say hey actually the abduction

674

00:25:29,350 --> 00:25:27,440

phenomenon is real

675

00:25:30,870 --> 00:25:29,360

we can't do anything about it even if we

676

00:25:33,990 --> 00:25:30,880

found out that they were on a radar by

677

00:25:36,230 --> 00:25:34,000

the time was it norad uh that takes care

678

00:25:38,950 --> 00:25:36,240

of the stuff over her airspace that it

679

00:25:40,630 --> 00:25:38,960

would never make it in time so it is

680

00:25:43,029 --> 00:25:40,640

something that i think is not being

681

00:25:44,630 --> 00:25:43,039

mentioned with the uap

682

00:25:46,070 --> 00:25:44,640

stuff that's going on in washington

683

00:25:48,549 --> 00:25:46,080

they're not talking about the abduction

684

00:25:50,149 --> 00:25:48,559

phenomenon and if it's you know that it

685

00:25:53,990 --> 00:25:50,159

seems like they're almost waiting to

686

00:25:56,230 --> 00:25:54,000

bring that forward to people you know

687

00:25:59,110 --> 00:25:56,240

yeah certainly certainly as i say it's

688

00:26:00,070 --> 00:25:59,120

very very serious for sure very serious

689

00:26:01,990 --> 00:26:00,080

indeed

690

00:26:04,310 --> 00:26:02,000

and you could take that to the another

691

00:26:06,549 --> 00:26:04,320

level because i've spoken to people who

692

00:26:08,470 --> 00:26:06,559

claim and it's just a claim

693

00:26:10,710 --> 00:26:08,480

um that they have seen military

694

00:26:13,590 --> 00:26:10,720

personnel with these small grays you

695

00:26:15,750 --> 00:26:13,600

know side by side now i can't prove that

696

00:26:17,830 --> 00:26:15,760

i'm only listening to their stories um

697

00:26:21,669 --> 00:26:17,840

but collectively you take these stories

698

00:26:23,909 --> 00:26:21,679

from the uk britain canada america etc

699

00:26:25,750 --> 00:26:23,919

then it would seem to suggest that

700

00:26:27,990 --> 00:26:25,760

something very real is going on and then

701
00:26:30,230 --> 00:26:28,000
maybe in cahoots is it black engineering

702
00:26:31,750 --> 00:26:30,240
technology we're talking about here

703
00:26:33,909 --> 00:26:31,760
it's bad enough these things are

704
00:26:37,909 --> 00:26:33,919
happening but if they're happening at

705
00:26:40,070 --> 00:26:37,919
the behest of a military power and then

706
00:26:41,750 --> 00:26:40,080
even worse that's even more concerning

707
00:26:44,070 --> 00:26:41,760
yeah well that would be a crime against

708
00:26:46,470 --> 00:26:44,080
its own people wouldn't it to be able to

709
00:26:47,909 --> 00:26:46,480
yeah to witness what these things are

710
00:26:49,669 --> 00:26:47,919
doing to us and obviously there's a

711
00:26:50,549 --> 00:26:49,679
reason that they need you physically

712
00:26:51,909 --> 00:26:50,559
there

713
00:26:54,390 --> 00:26:51,919

present you know while they're doing

714

00:26:55,830 --> 00:26:54,400

these uh operations or and it you're

715

00:26:57,909 --> 00:26:55,840

right it could have something to do with

716

00:27:00,549 --> 00:26:57,919

our consciousness or our souls whatever

717

00:27:02,710 --> 00:27:00,559

it is but it's quite strange uh it seems

718

00:27:04,789 --> 00:27:02,720

like there's

719

00:27:05,669 --> 00:27:04,799

yeah are you aware of one of scotland's

720

00:27:08,630 --> 00:27:05,679

biggest

721

00:27:10,149 --> 00:27:08,640

ufo abduction cases the a70 case do you

722

00:27:11,350 --> 00:27:10,159

know about this not familiar with that

723

00:27:14,310 --> 00:27:11,360

sir no

724

00:27:19,029 --> 00:27:14,320

shall i tell you absolutely yeah please

725

00:27:23,909 --> 00:27:21,669

okay again it confirms two men from

726

00:27:25,110 --> 00:27:23,919

edinburgh the capital city of of

727

00:27:27,350 --> 00:27:25,120

scotland

728

00:27:29,269 --> 00:27:27,360

and they had no interest in ufos as uh

729

00:27:31,430 --> 00:27:29,279

most people do they they were aware of

730

00:27:33,750 --> 00:27:31,440

it on television and newspapers but it

731

00:27:35,830 --> 00:27:33,760

wasn't a big concern for them

732

00:27:38,070 --> 00:27:35,840

now all that changed

733

00:27:40,789 --> 00:27:38,080

all that changed on an august evening

734

00:27:43,029 --> 00:27:40,799

back in 1992

735

00:27:45,510 --> 00:27:43,039

the two men were driving in their car

736

00:27:48,710 --> 00:27:45,520

from edinburgh towards a small village

737

00:27:50,710 --> 00:27:48,720

called tarbraks and west lothian

738

00:27:52,870 --> 00:27:50,720

and as they left the built-up city of

739

00:27:55,269 --> 00:27:52,880

edinburgh with the big buildings etc

740

00:27:57,350 --> 00:27:55,279

this a70 road

741

00:27:58,549 --> 00:27:57,360

went further miles out

742

00:28:02,470 --> 00:27:58,559

farmland

743

00:28:05,350 --> 00:28:02,480

right

744

00:28:08,470 --> 00:28:05,360

lonely road just fields and fields for

745

00:28:10,470 --> 00:28:08,480

for miles you know farmers fields

746

00:28:12,950 --> 00:28:10,480

so the job driving down this road it was

747

00:28:15,190 --> 00:28:12,960

about half past 10 at night and as you

748

00:28:18,549 --> 00:28:15,200

were approaching a blind bend

749

00:28:22,070 --> 00:28:18,559

your classic classic flying saucer was

750

00:28:23,669 --> 00:28:22,080

about 50 60 feet above the the ground

751
00:28:26,230 --> 00:28:23,679
above the road

752
00:28:28,310 --> 00:28:26,240
it was like three tiers a black shiny

753
00:28:30,950 --> 00:28:28,320
three-tiered disc shaped object and i

754
00:28:36,870 --> 00:28:32,149
they knew

755
00:28:38,470 --> 00:28:36,880
conventional helicopter or aircraft of

756
00:28:40,149 --> 00:28:38,480
any description

757
00:28:42,950 --> 00:28:40,159
and so if you can imagine this is the

758
00:28:46,230 --> 00:28:42,960
ufo my hand here this is a car and as

759
00:28:48,149 --> 00:28:46,240
the car was directly underneath this

760
00:28:51,350 --> 00:28:48,159
hovering object

761
00:28:53,830 --> 00:28:51,360
it emitted a heavy silver shimmering

762
00:28:55,830 --> 00:28:53,840
curtain of mist

763
00:28:58,470 --> 00:28:55,840

and it hit the car and as soon as that

764

00:29:00,789 --> 00:28:58,480

effect hit the car

765

00:29:03,510 --> 00:29:00,799

both men were enveloped in total and

766

00:29:04,870 --> 00:29:03,520

inky blackness

767

00:29:06,630 --> 00:29:04,880

they couldn't see their hands in front

768

00:29:08,310 --> 00:29:06,640

of their face they couldn't see the

769

00:29:10,230 --> 00:29:08,320

dashboard of the card

770

00:29:12,470 --> 00:29:10,240

they couldn't see each other

771

00:29:13,750 --> 00:29:12,480

gary one of the witnesses says

772

00:29:15,430 --> 00:29:13,760

are we dead

773

00:29:17,830 --> 00:29:15,440

is this death

774

00:29:19,590 --> 00:29:17,840

we don't know how long but suddenly they

775

00:29:21,269 --> 00:29:19,600

regained their sight the cars on the

776

00:29:23,190 --> 00:29:21,279

other side of the road and they had to

777

00:29:24,470 --> 00:29:23,200

struggle violently put back onto that

778

00:29:26,630 --> 00:29:24,480

side of the road

779

00:29:28,870 --> 00:29:26,640

they reached their destination

780

00:29:30,789 --> 00:29:28,880

knocked on the occupants door

781

00:29:32,789 --> 00:29:30,799

and the lady says

782

00:29:33,750 --> 00:29:32,799

what time do you call this

783

00:29:36,230 --> 00:29:33,760

what

784

00:29:38,549 --> 00:29:36,240

you're an hour and a half late

785

00:29:40,789 --> 00:29:38,559

the journey should only have taken 30

786

00:29:43,750 --> 00:29:40,799

minutes and they were an hour and a half

787

00:29:45,909 --> 00:29:43,760

past that 30 minute deadline

788

00:29:47,830 --> 00:29:45,919

now they went into the house and said to

789

00:29:50,549 --> 00:29:47,840

the family we'll never believe what

790

00:29:53,350 --> 00:29:50,559

we've just seen now that night

791

00:29:55,510 --> 00:29:53,360

and subsequent nights thereafter

792

00:29:57,750 --> 00:29:55,520

they had these strange dreams of these

793

00:29:59,909 --> 00:29:57,760

small grey creatures which we as we know

794

00:30:01,669 --> 00:29:59,919

called the greys they large uh

795

00:30:03,350 --> 00:30:01,679

pear-shaped head the black inky

796

00:30:05,110 --> 00:30:03,360

almond-shaped eyes

797

00:30:07,269 --> 00:30:05,120

then

798

00:30:10,070 --> 00:30:07,279

they found scars on their body

799

00:30:12,070 --> 00:30:10,080

scars that previously were not there

800

00:30:13,510 --> 00:30:12,080

where did they come from

801
00:30:15,990 --> 00:30:13,520
now as i said they didn't know much

802
00:30:17,029 --> 00:30:16,000
about ufos and gary one of the witnesses

803
00:30:18,549 --> 00:30:17,039
said well

804
00:30:20,470 --> 00:30:18,559
who do you turn to

805
00:30:21,830 --> 00:30:20,480
who who do you go to with these things

806
00:30:24,710 --> 00:30:21,840
do you go to the place do you go to your

807
00:30:26,389 --> 00:30:24,720
doctor who do you go to

808
00:30:27,909 --> 00:30:26,399
cutting the long story short he went to

809
00:30:30,389 --> 00:30:27,919
his local library and he went to the

810
00:30:32,630 --> 00:30:30,399
ufos and paranormal section and he

811
00:30:34,870 --> 00:30:32,640
picked out a book by a famous british

812
00:30:36,789 --> 00:30:34,880
author jenny randalls

813
00:30:38,470 --> 00:30:36,799

and my address was at the in the end of

814

00:30:40,630 --> 00:30:38,480

the bootcamp

815

00:30:41,750 --> 00:30:40,640

maybe i should call this chat malcolm

816

00:30:44,310 --> 00:30:41,760

robinson

817

00:30:46,230 --> 00:30:44,320

long story short if he called me i

818

00:30:48,070 --> 00:30:46,240

listened to him on the phone

819

00:30:50,230 --> 00:30:48,080

and i said would you and colin that was

820

00:30:52,710 --> 00:30:50,240

the other person in the car would you

821

00:30:55,990 --> 00:30:52,720

and colin like to come to my house and

822

00:30:58,230 --> 00:30:56,000

talk about it yeah yeah yeah sure

823

00:31:00,230 --> 00:30:58,240

then i said to them

824

00:31:04,310 --> 00:31:00,240

would you be happy to go under hypnotic

825

00:31:05,909 --> 00:31:04,320

regression just to see if perhaps

826

00:31:08,070 --> 00:31:05,919

something else may have happened that

827

00:31:09,909 --> 00:31:08,080

night both men says malcolm malcolm

828

00:31:11,909 --> 00:31:09,919

we'll try anything we need to know what

829

00:31:13,909 --> 00:31:11,919

happened malcolm even their wives don't

830

00:31:15,830 --> 00:31:13,919

believe what what went on you know we're

831

00:31:17,830 --> 00:31:15,840

having trouble we have work mates but

832

00:31:19,669 --> 00:31:17,840

just laughing at us now

833

00:31:21,909 --> 00:31:19,679

what i'm about to tell you

834

00:31:24,149 --> 00:31:21,919

right now is what happened

835

00:31:26,470 --> 00:31:24,159

under hypnosis

836

00:31:28,789 --> 00:31:26,480

the conscious recall was only ever seen

837

00:31:30,950 --> 00:31:28,799

a physical craft the car going under it

838

00:31:33,029 --> 00:31:30,960

the big light bang blackness that's a

839

00:31:35,750 --> 00:31:33,039

conscious recall

840

00:31:36,789 --> 00:31:35,760

under hypnosis they said

841

00:31:39,350 --> 00:31:36,799

some of it

842

00:31:41,350 --> 00:31:39,360

tallies with european abductions some of

843

00:31:44,870 --> 00:31:41,360

it doesn't

844

00:31:46,789 --> 00:31:44,880

they claim they were stopped on the road

845

00:31:48,549 --> 00:31:46,799

several small gray creatures three and a

846

00:31:49,590 --> 00:31:48,559

half to four feet tall approached the

847

00:31:53,990 --> 00:31:49,600

car

848

00:31:56,310 --> 00:31:54,000

another sounds bizarre placed one of the

849

00:31:59,110 --> 00:31:56,320

men on a floating stretcher nobody was

850

00:32:01,269 --> 00:31:59,120

holding it three floating stretcher they

851

00:32:03,509 --> 00:32:01,279

were taken on board this object they

852

00:32:05,909 --> 00:32:03,519

were stripped naked and subjected to

853

00:32:07,830 --> 00:32:05,919

some form of medical or clinical

854

00:32:09,909 --> 00:32:07,840

procedure

855

00:32:12,630 --> 00:32:09,919

gary found himself in a flat raised

856

00:32:15,509 --> 00:32:12,640

table and he says malcolm

857

00:32:18,070 --> 00:32:15,519

i couldn't move i could not move a

858

00:32:20,230 --> 00:32:18,080

muscle i could only move my eyes

859

00:32:22,630 --> 00:32:20,240

and then suddenly i saw this can-shaped

860

00:32:24,630 --> 00:32:22,640

device it was about three feet tall come

861

00:32:26,549 --> 00:32:24,640

off the floor of the machine

862

00:32:28,710 --> 00:32:26,559

come up to about my head tight and a

863

00:32:31,190 --> 00:32:28,720

lever went up like that with two red

864

00:32:33,350 --> 00:32:31,200

like led lights and it started to spin

865

00:32:35,990 --> 00:32:33,360

around my head making a noise this is i

866

00:32:38,310 --> 00:32:36,000

don't know what it did i haven't a clue

867

00:32:40,789 --> 00:32:38,320

then he also saw above him this black

868

00:32:42,549 --> 00:32:40,799

kind of lens shaped object just free

869

00:32:43,750 --> 00:32:42,559

floating and oscillating again he

870

00:32:44,950 --> 00:32:43,760

couldn't move he didn't know what was

871

00:32:47,350 --> 00:32:44,960

going on

872

00:32:49,750 --> 00:32:47,360

and then he also remembers these two

873

00:32:51,509 --> 00:32:49,760

small grey beings at the foot of this

874

00:32:53,990 --> 00:32:51,519

flat bed thing

875

00:32:56,070 --> 00:32:54,000

and he says they they had this pendulum

876
00:32:57,990 --> 00:32:56,080
like a pendulum and we're moving up and

877
00:32:59,350 --> 00:32:58,000
down his body

878
00:33:00,789 --> 00:32:59,360
and then he says

879
00:33:02,549 --> 00:33:00,799
well he didn't want to tell me what

880
00:33:03,350 --> 00:33:02,559
happened next i said you've got to tell

881
00:33:10,549 --> 00:33:03,360
me

882
00:33:12,070 --> 00:33:10,559
what you saw

883
00:33:13,430 --> 00:33:12,080
well i looked down i could only move my

884
00:33:15,110 --> 00:33:13,440
eyes malcolm this is what he's saying i

885
00:33:17,669 --> 00:33:15,120
could only look and i looked down on the

886
00:33:20,149 --> 00:33:17,679
floor and i saw a naked female

887
00:33:23,990 --> 00:33:20,159
naked female about

888
00:33:25,509 --> 00:33:24,000

16 17 17 years of age she had her knees

889

00:33:27,909 --> 00:33:25,519

up under her chin

890

00:33:30,230 --> 00:33:27,919

she had her arms around her knees and

891

00:33:32,470 --> 00:33:30,240

she gently turned her head and looked in

892

00:33:35,269 --> 00:33:32,480

my direction and tears were running down

893

00:33:37,750 --> 00:33:35,279

her face he says malcolm i'll never ever

894

00:33:39,269 --> 00:33:37,760

forget that and as long as i live

895

00:33:42,470 --> 00:33:39,279

another thing you saw on board this

896

00:33:45,029 --> 00:33:42,480

craft was he saw he says

897

00:33:46,789 --> 00:33:45,039

it was like a pool of a man's shaving

898

00:33:49,509 --> 00:33:46,799

gel just starting to bubble up on the

899

00:33:50,870 --> 00:33:49,519

floor of this this this room

900

00:33:52,950 --> 00:33:50,880

circular room

901
00:33:55,990 --> 00:33:52,960
no instrumentation or anything just this

902
00:33:58,310 --> 00:33:56,000
flat table and coming out of this was a

903
00:34:00,950 --> 00:33:58,320
small grey being

904
00:34:02,549 --> 00:34:00,960
and i says gary in the drawings it looks

905
00:34:04,149 --> 00:34:02,559
like ribs

906
00:34:05,590 --> 00:34:04,159
i'm not aware of any of these creatures

907
00:34:07,669 --> 00:34:05,600
having ribs and they said a very

908
00:34:10,629 --> 00:34:07,679
interesting thing he says well

909
00:34:12,149 --> 00:34:10,639
maybe it was heavy folds of skin which

910
00:34:14,149 --> 00:34:12,159
was interesting

911
00:34:16,389 --> 00:34:14,159
another thing that was not common with

912
00:34:18,869 --> 00:34:16,399
european abduction reports was

913
00:34:22,149 --> 00:34:18,879

underneath the eyes the black

914

00:34:23,589 --> 00:34:22,159

eyes of these creatures was green red

915

00:34:25,669 --> 00:34:23,599

and black

916

00:34:28,470 --> 00:34:25,679

lines under their eyes now that's i know

917

00:34:31,589 --> 00:34:28,480

it sounds bizarre many cases are

918

00:34:33,909 --> 00:34:31,599

and it was absolutely traumatized them

919

00:34:34,710 --> 00:34:33,919

now it's a long story so i'll be brief

920

00:34:36,470 --> 00:34:34,720

so

921

00:34:38,790 --> 00:34:36,480

as i said to you his wife did not

922

00:34:40,550 --> 00:34:38,800

believe him until one night

923

00:34:43,990 --> 00:34:40,560

one night i took a phone call in my

924

00:34:46,069 --> 00:34:44,000

house and it was gary's wife

925

00:34:46,869 --> 00:34:46,079

is that your malcolm yes how can i help

926

00:34:48,950 --> 00:34:46,879

you

927

00:34:51,990 --> 00:34:48,960

and she says she was lying in bed gary

928

00:34:53,669 --> 00:34:52,000

was next to her he was sleeping

929

00:34:56,550 --> 00:34:53,679

she was says his malcolm i wasn't

930

00:34:59,109 --> 00:34:56,560

sleeping had read a book closed the book

931

00:35:01,270 --> 00:34:59,119

put it on the bedside table

932

00:35:03,990 --> 00:35:01,280

switched the bedside light off and

933

00:35:06,790 --> 00:35:04,000

within 20 seconds

934

00:35:08,470 --> 00:35:06,800

cold clammy hands grabbed small hands

935

00:35:10,470 --> 00:35:08,480

like child-like hands grabbed their

936

00:35:13,109 --> 00:35:10,480

ankles and pulled them pulled her so i

937

00:35:15,670 --> 00:35:13,119

pulled her forcibly down the bed so

938

00:35:17,990 --> 00:35:15,680

where her head was on the pillow it's

939

00:35:19,990 --> 00:35:18,000

now down there and she saw these three

940

00:35:22,710 --> 00:35:20,000

creatures at the foot of the bed

941

00:35:25,030 --> 00:35:22,720

wobbling into the wall and disappearing

942

00:35:27,190 --> 00:35:25,040

and she says malcolm i'm so sorry i

943

00:35:29,109 --> 00:35:27,200

firmly believe my husband now

944

00:35:31,430 --> 00:35:29,119

and this is just one of many cases

945

00:35:33,829 --> 00:35:31,440

coming out of scotland similar to some

946

00:35:35,190 --> 00:35:33,839

degree to canada and also

947

00:35:37,109 --> 00:35:35,200

america

948

00:35:38,950 --> 00:35:37,119

what's concerning too is that these

949

00:35:41,270 --> 00:35:38,960

crafts are designed

950

00:35:42,710 --> 00:35:41,280

to have experiment with us in it like

951
00:35:44,950 --> 00:35:42,720
people go in and there's like an

952
00:35:46,950 --> 00:35:44,960
operation room or a table of some sort

953
00:35:50,550 --> 00:35:46,960
but every one of these crafts seem to

954
00:35:52,710 --> 00:35:50,560
have a room that is designed for

955
00:35:54,550 --> 00:35:52,720
medical procedures on humans like the

956
00:35:56,390 --> 00:35:54,560
table is human size there's humans

957
00:35:58,710 --> 00:35:56,400
always involved and like you mentioned

958
00:35:59,670 --> 00:35:58,720
that that 16 17 year old girl that's

959
00:36:01,430 --> 00:35:59,680
crying

960
00:36:03,270 --> 00:36:01,440
even when you look back at the berkshire

961
00:36:05,270 --> 00:36:03,280
incidents when it's going from city to

962
00:36:07,030 --> 00:36:05,280
city abducting people

963
00:36:08,790 --> 00:36:07,040

i'm not surprised that that still is

964

00:36:10,390 --> 00:36:08,800

happening today that it's you know

965

00:36:11,349 --> 00:36:10,400

whatever their agenda is they're going

966

00:36:13,589 --> 00:36:11,359

from

967

00:36:15,910 --> 00:36:13,599

especially in scotland in england

968

00:36:17,589 --> 00:36:15,920

everything's so close together so it is

969

00:36:19,910 --> 00:36:17,599

possible that uh

970

00:36:21,750 --> 00:36:19,920

they do that in that section as well now

971

00:36:24,230 --> 00:36:21,760

one of the questions that i have for you

972

00:36:25,430 --> 00:36:24,240

um is that usually in the uk the tall

973

00:36:30,550 --> 00:36:25,440

whites

974

00:36:32,790 --> 00:36:30,560

predominant over there while over here

975

00:36:35,510 --> 00:36:32,800

in north america it's usually uh the

976
00:36:37,030 --> 00:36:35,520
grays that we have so have you had any

977
00:36:38,630 --> 00:36:37,040
experience or anything like that with

978
00:36:40,710 --> 00:36:38,640
the the tall whites

979
00:36:42,310 --> 00:36:40,720
or is it

980
00:36:45,829 --> 00:36:42,320
nordic blinds i think you call them

981
00:36:49,349 --> 00:36:45,839
right nordic blondes nordic

982
00:36:51,750 --> 00:36:49,359
they are in a historic lore of british

983
00:36:53,270 --> 00:36:51,760
mythology we have a few cases of these

984
00:36:55,270 --> 00:36:53,280
nordic blondes

985
00:36:57,430 --> 00:36:55,280
beautiful kind of norwegian type people

986
00:37:00,630 --> 00:36:57,440
with a long blonde hair kind of george

987
00:37:02,790 --> 00:37:00,640
adamski ass kind of people um

988
00:37:05,190 --> 00:37:02,800

who are so sorry

989

00:37:07,430 --> 00:37:05,200

but that's that's in the past we don't

990

00:37:09,430 --> 00:37:07,440

seem to be dealing with any of these

991

00:37:10,790 --> 00:37:09,440

nordic-like creatures or whatever they

992

00:37:12,950 --> 00:37:10,800

may be now

993

00:37:15,030 --> 00:37:12,960

mostly it's a small gray beings that

994

00:37:17,109 --> 00:37:15,040

we're seeing people often ask me well

995

00:37:19,510 --> 00:37:17,119

malcolm don't forget we also have these

996

00:37:21,510 --> 00:37:19,520

reptilian-like creatures and stuff and

997

00:37:23,829 --> 00:37:21,520

insectoids you call them

998

00:37:26,230 --> 00:37:23,839

we may well have that but here in

999

00:37:28,069 --> 00:37:26,240

scotland and in england i personally

1000

00:37:30,630 --> 00:37:28,079

haven't dealt with any of those cases so

1001

00:37:33,109 --> 00:37:30,640

i cannot comment on them i'm not saying

1002

00:37:35,430 --> 00:37:33,119

they don't happen they may well do but

1003

00:37:37,750 --> 00:37:35,440

certainly i can only speak about cases

1004

00:37:39,910 --> 00:37:37,760

i've personally dealt with um but again

1005

00:37:42,710 --> 00:37:39,920

it's there's no denying it they are in

1006

00:37:46,790 --> 00:37:42,720

this historic uh youthful lore yeah the

1007

00:37:48,950 --> 00:37:46,800

nordics it's insectoids reptilians etc

1008

00:37:50,790 --> 00:37:48,960

yeah we don't hear of them as often i've

1009

00:37:52,470 --> 00:37:50,800

had a few people or we've had a few

1010

00:37:55,349 --> 00:37:52,480

people on the podcast that have talked

1011

00:37:57,990 --> 00:37:55,359

about the reptilians uh usually being in

1012

00:37:59,349 --> 00:37:58,000

cahoots with the uh grays it seems like

1013

00:38:00,710 --> 00:37:59,359

the grays are almost like the worker

1014

00:38:02,630 --> 00:38:00,720

bees for these things these things are a

1015

00:38:03,349 --> 00:38:02,640

little bit higher up up the the chain

1016

00:38:05,349 --> 00:38:03,359

but

1017

00:38:07,270 --> 00:38:05,359

again it's nothing that we can prove or

1018

00:38:08,470 --> 00:38:07,280

it's just uh stories from the abductees

1019

00:38:12,550 --> 00:38:08,480

that we were

1020

00:38:16,390 --> 00:38:14,550

yeah there was a i think in historic

1021

00:38:17,910 --> 00:38:16,400

legend i'm not sure if it was ireland or

1022

00:38:20,069 --> 00:38:17,920

scotland but there was a group known as

1023

00:38:22,710 --> 00:38:20,079

the tuatha di dinan

1024

00:38:24,790 --> 00:38:22,720

and uh they had you know some people

1025

00:38:26,950 --> 00:38:24,800

thought that they may not have been from

1026

00:38:29,109 --> 00:38:26,960

this earth either or they had

1027

00:38:31,109 --> 00:38:29,119

information or technology that you know

1028

00:38:33,430 --> 00:38:31,119

superseded everybody else at that time

1029

00:38:35,190 --> 00:38:33,440

so there's been recordings of this going

1030

00:38:35,990 --> 00:38:35,200

back hundreds if not thousands of years

1031

00:38:37,829 --> 00:38:36,000

too

1032

00:38:39,430 --> 00:38:37,839

you know whether they're transient

1033

00:38:41,750 --> 00:38:39,440

whether these are just one of many

1034

00:38:42,950 --> 00:38:41,760

civilizations and you know

1035

00:38:44,550 --> 00:38:42,960

unless there was something interesting

1036

00:38:45,829 --> 00:38:44,560

enough to keep you coming back over and

1037

00:38:47,430 --> 00:38:45,839

over again

1038

00:38:48,950 --> 00:38:47,440

sometimes it might be a one and done you

1039

00:38:51,990 --> 00:38:48,960

never know right maybe they're on to

1040

00:38:54,069 --> 00:38:52,000

something bigger and better than us

1041

00:38:56,069 --> 00:38:54,079

yeah and i always said that you know

1042

00:38:57,670 --> 00:38:56,079

people say well how are they getting

1043

00:38:59,510 --> 00:38:57,680

here you know

1044

00:39:02,390 --> 00:38:59,520

they're traveling faster than lights

1045

00:39:04,470 --> 00:39:02,400

people say you can't you know move

1046

00:39:05,670 --> 00:39:04,480

faster like yeah that's possibly our

1047

00:39:06,710 --> 00:39:05,680

technology if we're dealing with

1048

00:39:08,950 --> 00:39:06,720

something

1049

00:39:11,510 --> 00:39:08,960

well in advance of our own technology we

1050

00:39:13,270 --> 00:39:11,520

can't comprehend that you know it's like

1051
00:39:14,870 --> 00:39:13,280
a christopher columbus going into the

1052
00:39:16,550 --> 00:39:14,880
nautilus the big you know the big

1053
00:39:17,670 --> 00:39:16,560
submarine et cetera

1054
00:39:19,589 --> 00:39:17,680
and there's no denying that we're

1055
00:39:22,069 --> 00:39:19,599
dealing with something very superior um

1056
00:39:24,069 --> 00:39:22,079
they may well have um bases under the

1057
00:39:26,069 --> 00:39:24,079
oceans perhaps we know that there are

1058
00:39:28,630 --> 00:39:26,079
many sightings coming from near the

1059
00:39:31,109 --> 00:39:28,640
island of puerto rico

1060
00:39:32,710 --> 00:39:31,119
you know here in wales wales and great

1061
00:39:34,790 --> 00:39:32,720
britain there's some sightings coming

1062
00:39:36,630 --> 00:39:34,800
into the coming into the water and

1063
00:39:39,109 --> 00:39:36,640

exiting the waters around the british

1064

00:39:40,950 --> 00:39:39,119

isles as well so who knows you know we

1065

00:39:42,710 --> 00:39:40,960

know more about the surface of the moon

1066

00:39:45,589 --> 00:39:42,720

and we do what's under our planet's

1067

00:39:48,550 --> 00:39:45,599

oceans as well it could be dimensional

1068

00:39:52,069 --> 00:39:48,560

um at my point of life right now i tend

1069

00:39:54,630 --> 00:39:52,079

to to be in the camp of jacqueline i do

1070

00:39:56,310 --> 00:39:54,640

think it's a dimensional thing remember

1071

00:39:58,870 --> 00:39:56,320

what i said a moment ago about the

1072

00:40:01,430 --> 00:39:58,880

scottish case where this ufo solid one

1073

00:40:02,950 --> 00:40:01,440

minute dematerialized and became solid

1074

00:40:05,109 --> 00:40:02,960

the next minute we're dealing with

1075

00:40:07,670 --> 00:40:05,119

something dimensional

1076

00:40:10,390 --> 00:40:07,680

it may not could is it extraterrestrial

1077

00:40:13,109 --> 00:40:10,400

as well it could be any number of things

1078

00:40:14,550 --> 00:40:13,119

but for me it's definitely dimensional

1079

00:40:16,150 --> 00:40:14,560

they're coming in

1080

00:40:18,710 --> 00:40:16,160

it could be a wormhole it could be a

1081

00:40:20,630 --> 00:40:18,720

number of things but yes

1082

00:40:22,710 --> 00:40:20,640

it's all speculation isn't it does

1083

00:40:23,990 --> 00:40:22,720

anybody really have the answer

1084

00:40:25,430 --> 00:40:24,000

and it could be like you mentioned it

1085

00:40:27,589 --> 00:40:25,440

could be the multiple things so you can

1086

00:40:29,750 --> 00:40:27,599

have a extraterrestrial visitation you

1087

00:40:31,670 --> 00:40:29,760

can have a interdimensional visitations

1088

00:40:34,630 --> 00:40:31,680

like all the crafts even the craft that

1089

00:40:36,630 --> 00:40:34,640

you mentioned that had those um

1090

00:40:38,550 --> 00:40:36,640

those was the balls with this the spikes

1091

00:40:39,670 --> 00:40:38,560

on it came rolling out you don't hear

1092

00:40:40,950 --> 00:40:39,680

that often

1093

00:40:42,710 --> 00:40:40,960

it almost sounds like there's different

1094

00:40:44,710 --> 00:40:42,720

species coming in and visiting and

1095

00:40:46,390 --> 00:40:44,720

taking looks at stuff most of the time

1096

00:40:47,750 --> 00:40:46,400

they leave people intact

1097

00:40:49,430 --> 00:40:47,760

and like i mentioned that with the

1098

00:40:51,109 --> 00:40:49,440

abduction they always return people so

1099

00:40:52,870 --> 00:40:51,119

now they just float you out the air

1100

00:40:54,069 --> 00:40:52,880

docks in space and say okay well thank

1101
00:40:56,230 --> 00:40:54,079
you for your time

1102
00:40:57,190 --> 00:40:56,240
the uh even when i was talking with uh

1103
00:41:00,230 --> 00:40:57,200
terry

1104
00:41:01,510 --> 00:41:00,240
love good or lovely i forgot lovelace or

1105
00:41:03,750 --> 00:41:01,520
something along those lines he was

1106
00:41:05,750 --> 00:41:03,760
mentioning that as he was screaming on

1107
00:41:08,550 --> 00:41:05,760
the table uh the leader whatever the

1108
00:41:10,630 --> 00:41:08,560
medical examiner um alien just looked at

1109
00:41:12,230 --> 00:41:10,640
him he says oh be quiet you know we

1110
00:41:14,630 --> 00:41:12,240
always put you back

1111
00:41:16,230 --> 00:41:14,640
and it's weird just to hear that like

1112
00:41:17,829 --> 00:41:16,240
how we're supposed to subconsciously

1113
00:41:20,870 --> 00:41:17,839

know that we'll be okay after these

1114

00:41:23,990 --> 00:41:20,880

experiences like it's it's it's crazy

1115

00:41:26,710 --> 00:41:24,000

well i mean i remember in the 70s gary

1116

00:41:28,630 --> 00:41:26,720

who was lying naked in this flat table

1117

00:41:30,230 --> 00:41:28,640

he couldn't even speak so he was shouted

1118

00:41:31,990 --> 00:41:30,240

out and he said why

1119

00:41:33,190 --> 00:41:32,000

why do you want me why are you doing

1120

00:41:35,910 --> 00:41:33,200

this

1121

00:41:37,910 --> 00:41:35,920

one word he got one word and that was

1122

00:41:44,390 --> 00:41:37,920

sanctuary

1123

00:41:46,150 --> 00:41:44,400

malcolm i swear to god that i heard that

1124

00:41:48,390 --> 00:41:46,160

clear as a bell and a kind of metallic

1125

00:41:51,349 --> 00:41:48,400

kind of sound in my head sanctuary they

1126

00:41:53,829 --> 00:41:51,359

want that so i i don't know i mean

1127

00:41:55,750 --> 00:41:53,839

we can only when i come on podcasts it's

1128

00:41:58,230 --> 00:41:55,760

just great for me to provide an

1129

00:42:00,790 --> 00:41:58,240

opportunity to inform an audience who

1130

00:42:02,309 --> 00:42:00,800

probably doesn't know our cases about

1131

00:42:04,150 --> 00:42:02,319

what's happening here in the uk and

1132

00:42:07,430 --> 00:42:04,160

scotland as a whole because it's

1133

00:42:08,950 --> 00:42:07,440

important it's a big ufo logical jigsaw

1134

00:42:11,750 --> 00:42:08,960

that's what ufology is there will be

1135

00:42:13,430 --> 00:42:11,760

someday maybe ottawa may have a part

1136

00:42:15,109 --> 00:42:13,440

there it might fit with something in

1137

00:42:17,109 --> 00:42:15,119

dumfries and galloway and scotland and

1138

00:42:20,870 --> 00:42:17,119

that nest fine and that helps build this

1139

00:42:23,270 --> 00:42:20,880

ufological jigsaw um but but not any

1140

00:42:26,470 --> 00:42:23,280

nearer sadly we're not any nearer to

1141

00:42:29,190 --> 00:42:26,480

finding out what is the the resin detail

1142

00:42:31,190 --> 00:42:29,200

what is going on here did they see this

1143

00:42:32,550 --> 00:42:31,200

as planet earth but a zoo and so what

1144

00:42:34,309 --> 00:42:32,560

we're seeing is they're not taking

1145

00:42:35,990 --> 00:42:34,319

things from us but they're putting

1146

00:42:38,150 --> 00:42:36,000

things in us

1147

00:42:41,349 --> 00:42:38,160

they are the gods so to speak the earth

1148

00:42:43,430 --> 00:42:41,359

but vandanakin spoke about um is it you

1149

00:42:45,430 --> 00:42:43,440

know is planet earth

1150

00:42:48,069 --> 00:42:45,440

did we come from apes did we come from

1151

00:42:50,470 --> 00:42:48,079

the primordial soup uh with comet

1152

00:42:54,069 --> 00:42:50,480

strikes containing the nucleus of life

1153

00:42:56,950 --> 00:42:54,079

or were we put here by another race

1154

00:42:58,790 --> 00:42:56,960

again pure speculation you know yeah

1155

00:43:00,069 --> 00:42:58,800

even in the zimbabwe case when the

1156

00:43:01,990 --> 00:43:00,079

children were saying that they were

1157

00:43:04,309 --> 00:43:02,000

getting messages they were saying that

1158

00:43:06,470 --> 00:43:04,319

don't get too technologically

1159

00:43:08,069 --> 00:43:06,480

uh involved like that's the message that

1160

00:43:10,069 --> 00:43:08,079

we're getting from these things that

1161

00:43:11,430 --> 00:43:10,079

technology will be probably the end of

1162

00:43:13,349 --> 00:43:11,440

us the thing is with technology with

1163

00:43:14,710 --> 00:43:13,359

humans it's always how can we use it to

1164

00:43:17,030 --> 00:43:14,720

kill somebody

1165

00:43:18,790 --> 00:43:17,040

right like every technology we have that

1166

00:43:21,030 --> 00:43:18,800

comes down leaks down from the military

1167

00:43:23,589 --> 00:43:21,040

was originally designed to kill people

1168

00:43:26,390 --> 00:43:23,599

or how can we use this to uh you know

1169

00:43:28,470 --> 00:43:26,400

limit our threats that we have out there

1170

00:43:30,230 --> 00:43:28,480

and really i understand that because

1171

00:43:32,069 --> 00:43:30,240

with the nuclear facilities now i don't

1172

00:43:33,510 --> 00:43:32,079

know about england or great britain but

1173

00:43:36,150 --> 00:43:33,520

you guys have had your own sightings at

1174

00:43:38,470 --> 00:43:36,160

nuclear facilities as well right yes

1175

00:43:39,829 --> 00:43:38,480

yeah and that to me is just a sign that

1176

00:43:41,589 --> 00:43:39,839

we're dealing with something that we

1177

00:43:43,589 --> 00:43:41,599

shouldn't have louie and i always joke

1178

00:43:45,109 --> 00:43:43,599

around that it's kind of like toddlers

1179

00:43:46,630 --> 00:43:45,119

running around with scissors and they're

1180

00:43:48,950 --> 00:43:46,640

just like slapping the scissors out of

1181

00:43:51,109 --> 00:43:48,960

her hand saying no you're not old enough

1182

00:43:52,470 --> 00:43:51,119

or wise enough to use these

1183

00:43:54,309 --> 00:43:52,480

and that's kind of the impression that

1184

00:43:55,270 --> 00:43:54,319

we get

1185

00:43:56,950 --> 00:43:55,280

well

1186

00:43:59,349 --> 00:43:56,960

to some degree i hope that's true and

1187

00:44:01,349 --> 00:43:59,359

what i mean by that is you know you know

1188

00:44:03,589 --> 00:44:01,359

a lot of ufos as you quite rightly said

1189

00:44:06,230 --> 00:44:03,599

have been seen over missile silos and

1190

00:44:08,870 --> 00:44:06,240

switching off the minuteman missile etc

1191

00:44:10,790 --> 00:44:08,880

and then so if they're trying to stop us

1192

00:44:12,710 --> 00:44:10,800

from really going too far well i guess

1193

00:44:13,430 --> 00:44:12,720

that that's got to be a good thing you

1194

00:44:14,630 --> 00:44:13,440

know

1195

00:44:16,790 --> 00:44:14,640

um

1196

00:44:18,790 --> 00:44:16,800

i don't know why they can't stop coming

1197

00:44:20,710 --> 00:44:18,800

into wars like what's happening just now

1198

00:44:23,030 --> 00:44:20,720

in the ukraine you know where russia but

1199

00:44:24,710 --> 00:44:23,040

maybe that's not their part of the plan

1200

00:44:26,870 --> 00:44:24,720

there is a plan of course there's a plan

1201
00:44:28,630 --> 00:44:26,880
with easy it's an alien agenda but

1202
00:44:31,750 --> 00:44:28,640
certainly it's not stopping coming in to

1203
00:44:33,349 --> 00:44:31,760
stop wars etc or famine for that for one

1204
00:44:35,510 --> 00:44:33,359
of a better word you know

1205
00:44:37,670 --> 00:44:35,520
famine is rife throughout

1206
00:44:39,510 --> 00:44:37,680
parts of the world as we know so clearly

1207
00:44:41,829 --> 00:44:39,520
there's not something

1208
00:44:44,069 --> 00:44:41,839
i mean this technology this superior

1209
00:44:46,550 --> 00:44:44,079
technology this advanced these advanced

1210
00:44:49,349 --> 00:44:46,560
aliens have could clearly eradicate

1211
00:44:52,309 --> 00:44:49,359
poverty could clearly eradicate

1212
00:44:54,630 --> 00:44:52,319
famine etc and maybe they could give us

1213
00:44:56,150 --> 00:44:54,640

health and far better health but that's

1214

00:44:58,630 --> 00:44:56,160

not part of the plan that would appear

1215

00:45:00,309 --> 00:44:58,640

it's not part of their plan yeah

1216

00:45:02,550 --> 00:45:00,319

it's amazing how similar some of these

1217

00:45:05,589 --> 00:45:02,560

uh cases are like that a 71 you just

1218

00:45:07,750 --> 00:45:05,599

described i just kept hearing reminders

1219

00:45:09,990 --> 00:45:07,760

of the calvin parker case and we had him

1220

00:45:12,309 --> 00:45:10,000

on our show a couple months ago it was

1221

00:45:14,710 --> 00:45:12,319

almost exactly the same you know

1222

00:45:17,270 --> 00:45:14,720

you're in a place you feel safe all of a

1223

00:45:19,349 --> 00:45:17,280

sudden you see a craft or lights next

1224

00:45:21,190 --> 00:45:19,359

thing you know you're on the ship and

1225

00:45:23,910 --> 00:45:21,200

most of these memories come back through

1226

00:45:26,870 --> 00:45:23,920

hypnotherapy and regression therapy uh

1227

00:45:29,109 --> 00:45:26,880

you know being on a flat table having a

1228

00:45:30,550 --> 00:45:29,119

little device pop up and kind of i think

1229

00:45:31,910 --> 00:45:30,560

calvin said it looked like a deck of

1230

00:45:34,470 --> 00:45:31,920

playing cards and popped out of the

1231

00:45:35,910 --> 00:45:34,480

ceiling scanned his head and then

1232

00:45:38,870 --> 00:45:35,920

it took right back off where it came

1233

00:45:40,950 --> 00:45:38,880

from and having that esp

1234

00:45:43,589 --> 00:45:40,960

uh communication with these entities as

1235

00:45:45,750 --> 00:45:43,599

well and then being brought back having

1236

00:45:47,990 --> 00:45:45,760

physical trauma like he you know had

1237

00:45:50,470 --> 00:45:48,000

blood on his clothing and didn't feel

1238

00:45:52,230 --> 00:45:50,480

right and even when we speak with people

1239

00:45:53,990 --> 00:45:52,240

who've done a lot of research on this

1240

00:45:56,069 --> 00:45:54,000

whole field like for example george

1241

00:45:58,150 --> 00:45:56,079

knapp we interviewed him about his book

1242

00:46:01,109 --> 00:45:58,160

skinwalkers at the pentagon and he

1243

00:46:03,829 --> 00:46:01,119

explained that it's a whole wide variety

1244

00:46:07,349 --> 00:46:03,839

of not only phenomenon like as crazy as

1245

00:46:09,589 --> 00:46:07,359

it is bigfoots ufos cryptids uh blue

1246

00:46:11,510 --> 00:46:09,599

orbs all this stuff for some reason they

1247

00:46:13,829 --> 00:46:11,520

all seem to exist in the same world

1248

00:46:15,430 --> 00:46:13,839

whether it's dimensional or not um but

1249

00:46:17,670 --> 00:46:15,440

the people that seem to interact with

1250

00:46:20,790 --> 00:46:17,680

these things a lot of them reported

1251

00:46:23,109 --> 00:46:20,800

physical male effects um you know

1252

00:46:25,910 --> 00:46:23,119

autoimmune diseases that were so obscure

1253

00:46:28,230 --> 00:46:25,920

and rare that almost nobody got them and

1254

00:46:30,069 --> 00:46:28,240

now they're occurring with frequency and

1255

00:46:31,990 --> 00:46:30,079

he even mentioned the hitchhiker effect

1256

00:46:33,750 --> 00:46:32,000

that when he got too close to

1257

00:46:35,670 --> 00:46:33,760

the paranormal realm or whatever the

1258

00:46:37,030 --> 00:46:35,680

hell is going on at skinwalker ranch

1259

00:46:38,390 --> 00:46:37,040

they would bring that home with them and

1260

00:46:40,150 --> 00:46:38,400

their family and other people would have

1261

00:46:42,470 --> 00:46:40,160

spooky things happen so

1262

00:46:45,109 --> 00:46:42,480

it's such a deep level now you know we

1263

00:46:47,910 --> 00:46:45,119

were nuts and bolts ufologists looking

1264

00:46:50,710 --> 00:46:47,920

for metal craft and you know ufo is now

1265

00:46:54,150 --> 00:46:50,720

uap because it's not just a flying

1266

00:46:56,630 --> 00:46:54,160

object it's phenomenon it's anomalous

1267

00:46:59,349 --> 00:46:56,640

and it's stranger than our brains can

1268

00:47:01,910 --> 00:46:59,359

comprehend i think

1269

00:47:03,349 --> 00:47:01,920

yeah absolutely i mean i would also even

1270

00:47:04,950 --> 00:47:03,359

though i firmly believe that we're

1271

00:47:07,030 --> 00:47:04,960

dealing with some form of non-human

1272

00:47:09,270 --> 00:47:07,040

intelligence i would always say to my

1273

00:47:11,190 --> 00:47:09,280

audience when i give lectures that when

1274

00:47:14,470 --> 00:47:11,200

we're using hypnosis we have to be very

1275

00:47:16,870 --> 00:47:14,480

very careful using hypnosis in a uf

1276
00:47:19,349 --> 00:47:16,880
abduction scenario because people can

1277
00:47:21,270 --> 00:47:19,359
lie or please a hypnotherapist there may

1278
00:47:23,349 --> 00:47:21,280
be something called kryptonesia which

1279
00:47:25,829 --> 00:47:23,359
they as a child they read a story about

1280
00:47:27,910 --> 00:47:25,839
a ufo and a comic book and it's went

1281
00:47:29,750 --> 00:47:27,920
right to the back of the mind and once

1282
00:47:32,790 --> 00:47:29,760
under hypnosis it's like the sluice

1283
00:47:34,549 --> 00:47:32,800
gates of the mind lifts up that barrier

1284
00:47:37,030 --> 00:47:34,559
and all these recall come over now

1285
00:47:39,030 --> 00:47:37,040
that's not to say that what leonard

1286
00:47:41,030 --> 00:47:39,040
leonard springfield did and many other

1287
00:47:43,030 --> 00:47:41,040
um you know hypnotherapists and

1288
00:47:44,950 --> 00:47:43,040

apologies did a bad thing

1289

00:47:47,270 --> 00:47:44,960

absolutely not we need this we need to

1290

00:47:49,510 --> 00:47:47,280

be very careful

1291

00:47:52,470 --> 00:47:49,520

nowadays there's so many programs on

1292

00:47:54,710 --> 00:47:52,480

television about ufos etc you know it

1293

00:47:56,870 --> 00:47:54,720

used to be maybe two in 10 saw a program

1294

00:47:59,270 --> 00:47:56,880

maybe 20 years ago now it's about eight

1295

00:48:00,950 --> 00:47:59,280

or nine and ten seeing the same program

1296

00:48:02,950 --> 00:48:00,960

they may not believe in that but that

1297

00:48:05,190 --> 00:48:02,960

that's in their minds now so if they

1298

00:48:07,589 --> 00:48:05,200

have seen something then they may recall

1299

00:48:09,190 --> 00:48:07,599

that what they saw on the telly um and

1300

00:48:13,270 --> 00:48:09,200

for every

1301

00:48:17,270 --> 00:48:13,280

five people who's seen a bona fide a ufo

1302

00:48:19,510 --> 00:48:17,280

that maybe three people will say

1303

00:48:21,670 --> 00:48:19,520

i don't know i never saw anything so

1304

00:48:24,150 --> 00:48:21,680

five people in a part and i've seen this

1305

00:48:26,470 --> 00:48:24,160

before five people have been a ufo

1306

00:48:28,790 --> 00:48:26,480

sighting and three

1307

00:48:29,910 --> 00:48:28,800

sorry two have seen the ufo and three

1308

00:48:31,349 --> 00:48:29,920

didn't

1309

00:48:33,510 --> 00:48:31,359

why is that

1310

00:48:36,150 --> 00:48:33,520

possibly because maybe you have to be on

1311

00:48:38,950 --> 00:48:36,160

a certain frequency a certain level it's

1312

00:48:41,430 --> 00:48:38,960

like the old radios are here in the the

1313

00:48:42,309 --> 00:48:41,440

united kingdom bbc radio one you tuned

1314

00:48:44,309 --> 00:48:42,319

it

1315

00:48:46,150 --> 00:48:44,319

then you've got bbc radio 2 you're

1316

00:48:47,589 --> 00:48:46,160

scanning through the wavelengths so

1317

00:48:49,990 --> 00:48:47,599

perhaps the

1318

00:48:52,150 --> 00:48:50,000

or chungy are more psychically aware

1319

00:48:54,549 --> 00:48:52,160

then you're in that frequency you will

1320

00:48:56,549 --> 00:48:54,559

see these these lights in the sky just

1321

00:48:59,589 --> 00:48:56,559

like the dogs and the cats or animals

1322

00:49:02,390 --> 00:48:59,599

are well attuned to hear and see

1323

00:49:05,270 --> 00:49:02,400

different frequencies and vibrations

1324

00:49:07,750 --> 00:49:05,280

you know um maybe maybe just some of us

1325

00:49:10,630 --> 00:49:07,760

can see this um getting back to the the

1326

00:49:12,950 --> 00:49:10,640

pentagon ufo files though you know

1327

00:49:14,710 --> 00:49:12,960

maybe these things are flying about and

1328

00:49:17,430 --> 00:49:14,720

they can't be seen all the time because

1329

00:49:19,109 --> 00:49:17,440

it's different light frequencies and

1330

00:49:21,270 --> 00:49:19,119

they may be there all the time we don't

1331

00:49:23,349 --> 00:49:21,280

see them that's the thing too what did

1332

00:49:25,190 --> 00:49:23,359

you think about the newest uh

1333

00:49:27,109 --> 00:49:25,200

development in the united states with

1334

00:49:29,670 --> 00:49:27,119

the congress holding the hearings were

1335

00:49:31,109 --> 00:49:29,680

you pleased at it were you sort of

1336

00:49:32,390 --> 00:49:31,119

disappointed because some people are on

1337

00:49:34,630 --> 00:49:32,400

the fence some people were happy with

1338

00:49:36,549 --> 00:49:34,640

what came out some people were not

1339

00:49:38,470 --> 00:49:36,559

uh at least they're not

1340

00:49:39,430 --> 00:49:38,480

avoiding the subject altogether but i

1341

00:49:40,710 --> 00:49:39,440

thought it was kind of funny where

1342

00:49:41,750 --> 00:49:40,720

they're saying we want to be clear with

1343

00:49:43,670 --> 00:49:41,760

the public

1344

00:49:46,309 --> 00:49:43,680

and totally open and transparent but

1345

00:49:47,910 --> 00:49:46,319

most of the stuff will be classified

1346

00:49:49,190 --> 00:49:47,920

which i thought

1347

00:49:51,430 --> 00:49:49,200

yeah

1348

00:49:53,510 --> 00:49:51,440

i mean back into i think it was 2001

1349

00:49:55,589 --> 00:49:53,520

where depressed club disclosures you had

1350

00:49:58,710 --> 00:49:55,599

all these military and all that saying i

1351
00:50:01,670 --> 00:49:58,720
saw this and i saw that i went yes at

1352
00:50:03,349 --> 00:50:01,680
last we've got you know people not just

1353
00:50:05,829 --> 00:50:03,359
the me man in the street but these

1354
00:50:08,230 --> 00:50:05,839
recognizable military people with

1355
00:50:09,829 --> 00:50:08,240
stories to tell this this is it

1356
00:50:11,910 --> 00:50:09,839
and it was yesterday's news and they

1357
00:50:14,150 --> 00:50:11,920
went on to other things and had other

1358
00:50:15,670 --> 00:50:14,160
disclosure can i meet in since then and

1359
00:50:18,150 --> 00:50:15,680
then obviously the one you've just

1360
00:50:20,230 --> 00:50:18,160
spoken about what do you think about it

1361
00:50:21,670 --> 00:50:20,240
yes i agree with you in the sense that

1362
00:50:23,349 --> 00:50:21,680
it's great that they're speaking about

1363
00:50:25,349 --> 00:50:23,359

it the military are speaking about it

1364

00:50:28,230 --> 00:50:25,359

whether the pressurizer is speaking

1365

00:50:29,829 --> 00:50:28,240

about it who knows but at least they are

1366

00:50:31,829 --> 00:50:29,839

and at least they're now providing the

1367

00:50:34,710 --> 00:50:31,839

american and canadian public an

1368

00:50:36,630 --> 00:50:34,720

opportunity to be upfront with this i

1369

00:50:38,390 --> 00:50:36,640

agree also that there'll be a

1370

00:50:40,390 --> 00:50:38,400

suppression led on that you know that

1371

00:50:41,349 --> 00:50:40,400

sort of good documents there or what we

1372

00:50:43,190 --> 00:50:41,359

will see

1373

00:50:45,829 --> 00:50:43,200

below that lid

1374

00:50:47,510 --> 00:50:45,839

is the gems the fantastic gems that you

1375

00:50:49,430 --> 00:50:47,520

and i will probably never see you know

1376

00:50:51,270 --> 00:50:49,440

and that's a shame

1377

00:50:53,030 --> 00:50:51,280

well they mentioned too that uh you know

1378

00:50:54,630 --> 00:50:53,040

whenever anything happens they'd be the

1379

00:50:57,510 --> 00:50:54,640

ones that would show up and get the

1380

00:50:59,030 --> 00:50:57,520

tapes and and all that information

1381

00:51:00,710 --> 00:50:59,040

but somebody was already doing that

1382

00:51:02,630 --> 00:51:00,720

before them you know when you hear about

1383

00:51:04,470 --> 00:51:02,640

the nimitz incidents uh two uh

1384

00:51:06,710 --> 00:51:04,480

civilian-looking people came on this

1385

00:51:09,430 --> 00:51:06,720

helicopter took the footage took

1386

00:51:11,430 --> 00:51:09,440

everything so my question with them was

1387

00:51:13,990 --> 00:51:11,440

like in okay are they competing against

1388

00:51:16,630 --> 00:51:14,000

that organization now that whatever that

1389

00:51:17,910 --> 00:51:16,640

under you know that black operation that

1390

00:51:19,829 --> 00:51:17,920

they got going on are they going to be

1391

00:51:21,829 --> 00:51:19,839

competing against those people because

1392

00:51:24,230 --> 00:51:21,839

keep in mind the air force hasn't said

1393

00:51:27,750 --> 00:51:24,240

in part my english hear [h__h] about

1394

00:51:29,990 --> 00:51:27,760

anything in related to the uap subject

1395

00:51:31,990 --> 00:51:30,000

and i think that's a huge piece of the

1396

00:51:33,190 --> 00:51:32,000

puzzle that's missing is the air force

1397

00:51:35,270 --> 00:51:33,200

because if anybody's going to know

1398

00:51:38,470 --> 00:51:35,280

what's going on it's nasa and the air

1399

00:51:41,589 --> 00:51:38,480

force but you hear nothing from them

1400

00:51:43,910 --> 00:51:41,599

that's because nasa stands for never a

1401
00:51:47,030 --> 00:51:43,920
straight answer ah

1402
00:51:48,510 --> 00:51:47,040
i like it i like it

1403
00:51:51,510 --> 00:51:48,520
but yeah i mean it could be

1404
00:51:53,349 --> 00:51:51,520
compartmentalized you know the maybe

1405
00:51:54,870 --> 00:51:53,359
the american air force only knows so

1406
00:51:56,950 --> 00:51:54,880
much and then there's people above them

1407
00:51:58,950 --> 00:51:56,960
who's got a key for a door so now you

1408
00:52:00,390 --> 00:51:58,960
but not giving you that key that door's

1409
00:52:01,990 --> 00:52:00,400
locked to you yeah and it's the same

1410
00:52:03,910 --> 00:52:02,000
with the army in certain departments

1411
00:52:05,910 --> 00:52:03,920
that certain things are locked away from

1412
00:52:08,309 --> 00:52:05,920
i mean i thought when jimmy carter was

1413
00:52:11,109 --> 00:52:08,319

um he was going to release files as was

1414

00:52:13,270 --> 00:52:11,119

reagan and they promised that and and it

1415

00:52:14,790 --> 00:52:13,280

never happened you know and um that

1416

00:52:15,829 --> 00:52:14,800

other chap with the ginger here what's

1417

00:52:27,190 --> 00:52:15,839

his name

1418

00:52:30,710 --> 00:52:28,870

here in the uk you know obviously we've

1419

00:52:32,549 --> 00:52:30,720

been fighting for many years to get

1420

00:52:35,430 --> 00:52:32,559

under the freedom of information act

1421

00:52:37,270 --> 00:52:35,440

many pre-classified document files from

1422

00:52:39,589 --> 00:52:37,280

uh whitehall to be released and they

1423

00:52:42,390 --> 00:52:39,599

have been released a bit drugs and

1424

00:52:45,030 --> 00:52:42,400

drafts and a lot of these pages

1425

00:52:47,670 --> 00:52:45,040

paragraphs are heavily blacked out

1426

00:52:49,589 --> 00:52:47,680

why why now some people have said well

1427

00:52:51,270 --> 00:52:49,599

maybe it's an address which is fine i'll

1428

00:52:52,790 --> 00:52:51,280

name an address you don't want people to

1429

00:52:55,190 --> 00:52:52,800

know that that's fine

1430

00:52:57,589 --> 00:52:55,200

but not as some pages are totally

1431

00:52:59,750 --> 00:52:57,599

blacked out come on you know that's not

1432

00:53:01,670 --> 00:52:59,760

addresses no way no no and they're like

1433

00:53:03,349 --> 00:53:01,680

hey here's the information that you seek

1434

00:53:05,589 --> 00:53:03,359

well everything's redacted for crying

1435

00:53:07,190 --> 00:53:05,599

out loud there's no information to have

1436

00:53:09,510 --> 00:53:07,200

and all the information they do provide

1437

00:53:11,670 --> 00:53:09,520

is stuff that we already are aware of

1438

00:53:14,309 --> 00:53:11,680

right but we're starting to see some

1439

00:53:15,430 --> 00:53:14,319

momentum in canada as well as recently

1440

00:53:17,030 --> 00:53:15,440

louie and i have been trying to reach

1441

00:53:19,510 --> 00:53:17,040

out to some of these politicians like

1442

00:53:21,109 --> 00:53:19,520

larry mcguire here in canada that's

1443

00:53:23,589 --> 00:53:21,119

really pushing the agenda for like

1444

00:53:25,670 --> 00:53:23,599

what's going on with uaps and our

1445

00:53:27,910 --> 00:53:25,680

military and our

1446

00:53:30,710 --> 00:53:27,920

nuclear facilities like we know that we

1447

00:53:33,270 --> 00:53:30,720

are having the same experience as people

1448

00:53:35,030 --> 00:53:33,280

in the uk and in the states this is a

1449

00:53:37,109 --> 00:53:35,040

global issue but

1450

00:53:38,790 --> 00:53:37,119

it's nice to see canada sort of step up

1451
00:53:39,990 --> 00:53:38,800
as well and saying hey we got this

1452
00:53:42,309 --> 00:53:40,000
problem too

1453
00:53:44,710 --> 00:53:42,319
it's uh it's not just the united states

1454
00:53:46,309 --> 00:53:44,720
we have big issues in canada as well we

1455
00:53:48,309 --> 00:53:46,319
see them all that's why

1456
00:53:50,630 --> 00:53:48,319
that's why i love i'm reading this book

1457
00:53:53,589 --> 00:53:50,640
just now you know and all about canada's

1458
00:53:56,470 --> 00:53:53,599
ufo file shark harbor etc yeah some

1459
00:53:59,109 --> 00:53:56,480
wonderful wonderful cases coming from

1460
00:54:01,109 --> 00:53:59,119
canada and uh

1461
00:54:03,829 --> 00:54:01,119
because it's all about education you

1462
00:54:06,630 --> 00:54:03,839
know and you've got to immerse yourself

1463
00:54:08,309 --> 00:54:06,640

in this ufological umbrella and there'll

1464

00:54:11,270 --> 00:54:08,319

be a lot of nonsense out there but it's

1465

00:54:13,670 --> 00:54:11,280

like a big civil shake all that away and

1466

00:54:16,069 --> 00:54:13,680

you still got these kernels of truth

1467

00:54:18,790 --> 00:54:16,079

that won't go through that grid because

1468

00:54:20,950 --> 00:54:18,800

that's the real deal you and i and louie

1469

00:54:23,109 --> 00:54:20,960

would not be involved in the subject if

1470

00:54:26,309 --> 00:54:23,119

we didn't honestly believe that there's

1471

00:54:28,390 --> 00:54:26,319

something there to look at and uh even

1472

00:54:29,829 --> 00:54:28,400

though there's hoaxes and all the rest

1473

00:54:32,630 --> 00:54:29,839

there's still enough there's still

1474

00:54:34,870 --> 00:54:32,640

enough validity there to keep us three

1475

00:54:36,630 --> 00:54:34,880

going you know yeah absolutely i think

1476

00:54:38,230 --> 00:54:36,640

the only way we're actually gonna get

1477

00:54:39,510 --> 00:54:38,240

real disclosure and the kind of

1478

00:54:41,349 --> 00:54:39,520

disclosure

1479

00:54:43,109 --> 00:54:41,359

that we want like you said before they

1480

00:54:44,470 --> 00:54:43,119

had those national press club meetings

1481

00:54:46,390 --> 00:54:44,480

in 2001

1482

00:54:48,069 --> 00:54:46,400

feels like disclosure and the next day

1483

00:54:49,510 --> 00:54:48,079

they're on to something else i kind of

1484

00:54:51,670 --> 00:54:49,520

felt the same way with the new york

1485

00:54:53,589 --> 00:54:51,680

times article the tic tac video this is

1486

00:54:55,270 --> 00:54:53,599

the first time the us government

1487

00:54:57,510 --> 00:54:55,280

acknowledged we don't know what this

1488

00:54:58,870 --> 00:54:57,520

thing is and here's a video of it why

1489

00:55:01,109 --> 00:54:58,880

are we not jumping in up and down the

1490

00:55:03,589 --> 00:55:01,119

streets because it's still

1491

00:55:05,670 --> 00:55:03,599

hidden it's suppressed you know we were

1492

00:55:07,670 --> 00:55:05,680

talking a few episodes ago before these

1493

00:55:09,670 --> 00:55:07,680

house panel meetings and jason says hey

1494

00:55:11,910 --> 00:55:09,680

what do you think uh are we gonna get

1495

00:55:14,870 --> 00:55:11,920

the raw goods and i said listen this is

1496

00:55:18,309 --> 00:55:14,880

the same establishment that's been like

1497

00:55:19,589 --> 00:55:18,319

lying to us essentially for 70 years now

1498

00:55:21,589 --> 00:55:19,599

you think they're actually going to

1499

00:55:23,670 --> 00:55:21,599

admit that yeah we've been blowing smoke

1500

00:55:25,829 --> 00:55:23,680

and sorry about that you would lose all

1501

00:55:28,470 --> 00:55:25,839

faith in your government if they ever

1502

00:55:31,510 --> 00:55:28,480

did that it the acknowledgement itself

1503

00:55:32,870 --> 00:55:31,520

is damning and incriminating so it's not

1504

00:55:34,710 --> 00:55:32,880

going to come from them and as you

1505

00:55:36,710 --> 00:55:34,720

mentioned even if you do file a freedom

1506

00:55:39,349 --> 00:55:36,720

of information request you get these

1507

00:55:41,829 --> 00:55:39,359

redacted documents and some stuff's been

1508

00:55:43,510 --> 00:55:41,839

classified for 50 or 60 years no one

1509

00:55:44,870 --> 00:55:43,520

says it's ever going to come out and

1510

00:55:47,109 --> 00:55:44,880

it's not like there's a certain time

1511

00:55:49,109 --> 00:55:47,119

expiry that eventually it's all going to

1512

00:55:51,430 --> 00:55:49,119

come out no they're going to keep this

1513

00:55:52,950 --> 00:55:51,440

stuff hidden and i think the only thing

1514

00:55:55,109 --> 00:55:52,960

i find positive coming out of the

1515

00:55:57,910 --> 00:55:55,119

movement are people that are

1516

00:56:00,470 --> 00:55:57,920

civilian-based scientists people that

1517

00:56:02,470 --> 00:56:00,480

are inventing new machinery that can

1518

00:56:04,309 --> 00:56:02,480

observe and record different wavelengths

1519

00:56:06,069 --> 00:56:04,319

different frequencies we're going to

1520

00:56:07,829 --> 00:56:06,079

catch the bloody things ourselves on

1521

00:56:08,789 --> 00:56:07,839

tape and provide our own evidence

1522

00:56:11,030 --> 00:56:08,799

because

1523

00:56:13,030 --> 00:56:11,040

you know whatever the government has

1524

00:56:14,069 --> 00:56:13,040

if they can't release it because then

1525

00:56:15,990 --> 00:56:14,079

they have to

1526

00:56:17,670 --> 00:56:16,000

also admit that we've had this for years

1527

00:56:19,510 --> 00:56:17,680

and haven't done anything positive with

1528

00:56:21,589 --> 00:56:19,520

it you know if they do have ufo

1529

00:56:23,430 --> 00:56:21,599

technology it's just been used to try to

1530

00:56:26,390 --> 00:56:23,440

weaponize it's never been used to

1531

00:56:28,309 --> 00:56:26,400

benefit mankind improve our health our

1532

00:56:30,870 --> 00:56:28,319

consciousness or anything that we could

1533

00:56:33,030 --> 00:56:30,880

have used it for it's been held and kept

1534

00:56:35,430 --> 00:56:33,040

in secret so i think the only thing

1535

00:56:38,630 --> 00:56:35,440

positive are movements like this people

1536

00:56:40,630 --> 00:56:38,640

like us dedicated to the uh to the field

1537

00:56:42,230 --> 00:56:40,640

and just won't shut up about it because

1538

00:56:44,309 --> 00:56:42,240

like you said those kernels of truth

1539

00:56:45,750 --> 00:56:44,319

there's enough there that yeah you could

1540

00:56:48,549 --> 00:56:45,760

have the 98

1541

00:56:50,390 --> 00:56:48,559

of explainable phenomenon that's fine

1542

00:56:52,470 --> 00:56:50,400

makes total sense that most of it is

1543

00:56:54,630 --> 00:56:52,480

explainable but it's that two percent

1544

00:56:57,190 --> 00:56:54,640

that keeps us going so credit to

1545

00:56:59,190 --> 00:56:57,200

everybody in the field that's for that

1546

00:56:59,990 --> 00:56:59,200

absolutely i totally agree with you you

1547

00:57:01,349 --> 00:57:00,000

know

1548

00:57:03,430 --> 00:57:01,359

that was a good point you made there

1549

00:57:05,829 --> 00:57:03,440

louie about somebody maybe there's an

1550

00:57:09,910 --> 00:57:05,839

entrepreneur entrepreneur a wonderful

1551
00:57:12,230 --> 00:57:09,920
educated guy who made the design and

1552
00:57:14,069 --> 00:57:12,240
this this piece of equipment that can

1553
00:57:16,390 --> 00:57:14,079
see into those spectrums you know like

1554
00:57:18,390 --> 00:57:16,400
you said can build something it can see

1555
00:57:20,390 --> 00:57:18,400
stuff that we can't see

1556
00:57:22,789 --> 00:57:20,400
and that would be fantastic now the

1557
00:57:24,710 --> 00:57:22,799
skeptics would still probably say well

1558
00:57:26,549 --> 00:57:24,720
you've made that on computer you've done

1559
00:57:28,630 --> 00:57:26,559
this on computer

1560
00:57:31,030 --> 00:57:28,640
that's fine because as we know a lot of

1561
00:57:33,030 --> 00:57:31,040
ufos can be made by computer to like oh

1562
00:57:35,349 --> 00:57:33,040
wow that looks really good

1563
00:57:38,950 --> 00:57:35,359

but the same technology thank goodness

1564

00:57:41,270 --> 00:57:38,960

can be applied to any fake ufo video or

1565

00:57:43,829 --> 00:57:41,280

fake photograph with photographs you can

1566

00:57:45,829 --> 00:57:43,839

see the reason supporting string etc i

1567

00:57:47,750 --> 00:57:45,839

mean we're living i've said before we're

1568

00:57:49,910 --> 00:57:47,760

living in the steven spielberg edge of

1569

00:57:52,230 --> 00:57:49,920

dreamworks laboratory anything can be

1570

00:57:55,910 --> 00:57:52,240

manipulated onto screen to look

1571

00:57:59,190 --> 00:57:55,920

fantastical but the same process can be

1572

00:58:00,309 --> 00:57:59,200

proved and be applied to say well we've

1573

00:58:02,069 --> 00:58:00,319

done a lot

1574

00:58:04,309 --> 00:58:02,079

we've done all our tests but we still

1575

00:58:05,990 --> 00:58:04,319

can't explain this but i'm with you on

1576

00:58:07,910 --> 00:58:06,000

that one yeah maybe there's some guy out

1577

00:58:10,150 --> 00:58:07,920

there who might build a machine that can

1578

00:58:11,670 --> 00:58:10,160

see different spectrums that we can't

1579

00:58:13,589 --> 00:58:11,680

see and that would be great well we

1580

00:58:15,750 --> 00:58:13,599

chatted with dave mason last week from

1581

00:58:18,150 --> 00:58:15,760

that film a tear in the sky and he was

1582

00:58:20,789 --> 00:58:18,160

exactly that entrepreneur inventor

1583

00:58:23,349 --> 00:58:20,799

genius and he figured out a way

1584

00:58:25,430 --> 00:58:23,359

to take uh you know a spectrograph so

1585

00:58:28,390 --> 00:58:25,440

you look at a light in the sky it

1586

00:58:29,829 --> 00:58:28,400

converts that into a waveform of sound

1587

00:58:32,870 --> 00:58:29,839

so there's a lot more

1588

00:58:35,190 --> 00:58:32,880

identifying properties in a waveform so

1589

00:58:36,549 --> 00:58:35,200

you know a 747 will always have that

1590

00:58:38,390 --> 00:58:36,559

characteristic

1591

00:58:40,630 --> 00:58:38,400

sound essentially because he's taking

1592

00:58:44,069 --> 00:58:40,640

light turning it into sound so it's a

1593

00:58:46,630 --> 00:58:44,079

way of filtering the 98 of explainable

1594

00:58:48,309 --> 00:58:46,640

phenomenon and you know if you if you

1595

00:58:50,870 --> 00:58:48,319

were to capture something it would

1596

00:58:53,270 --> 00:58:50,880

measure the radiation the depth of field

1597

00:58:55,589 --> 00:58:53,280

all that stuff it would be a good way

1598

00:58:57,910 --> 00:58:55,599

and a scientific way with documented

1599

00:59:00,470 --> 00:58:57,920

evidence rather than just i saw a light

1600

00:59:01,829 --> 00:59:00,480

in the sky no i saw a light it's this

1601
00:59:04,470 --> 00:59:01,839
type of wave formed this was the

1602
00:59:07,190 --> 00:59:04,480
kilohertz or gigahertz that it's in it's

1603
00:59:09,829 --> 00:59:07,200
to provide those skeptic-minded people

1604
00:59:11,990 --> 00:59:09,839
the raw science that they're looking for

1605
00:59:14,470 --> 00:59:12,000
and so those people actually exist right

1606
00:59:16,789 --> 00:59:14,480
now and are making those strides in

1607
00:59:19,349 --> 00:59:16,799
technology so i think that's super

1608
00:59:20,950 --> 00:59:19,359
super amazing that uh you know i know

1609
00:59:23,829 --> 00:59:20,960
there's no money in this stuff for most

1610
00:59:26,309 --> 00:59:23,839
industries to invest but if you have a a

1611
00:59:27,990 --> 00:59:26,319
well-off genius who's really into this

1612
00:59:29,589 --> 00:59:28,000
that might be all it takes to really

1613
00:59:31,190 --> 00:59:29,599

spur this thing on

1614

00:59:33,190 --> 00:59:31,200

yeah encourage other scientists yeah

1615

00:59:34,870 --> 00:59:33,200

yeah

1616

00:59:36,470 --> 00:59:34,880

again that would be great if we can get

1617

00:59:38,549 --> 00:59:36,480

all these people who can build this

1618

00:59:40,230 --> 00:59:38,559

stuff and then if we've got some

1619

00:59:42,470 --> 00:59:40,240

valuable information have a big

1620

00:59:44,309 --> 00:59:42,480

conference somewhere invite all the top

1621

00:59:46,390 --> 00:59:44,319

people from the air force and say well

1622

00:59:48,710 --> 00:59:46,400

this is this is maybe five ten years in

1623

00:59:50,789 --> 00:59:48,720

the making guys we've got the top guys

1624

00:59:52,549 --> 00:59:50,799

all this devices here's what we've got

1625

00:59:55,109 --> 00:59:52,559

we're presenting you the best ufo

1626
00:59:56,309 --> 00:59:55,119
footage etc you gotta take this more

1627
00:59:58,150 --> 00:59:56,319
seriously that would be something

1628
01:00:00,069 --> 00:59:58,160
perhaps for the future when we get there

1629
01:00:01,270 --> 01:00:00,079
with these type of machines but yeah

1630
01:00:03,589 --> 01:00:01,280
fantastic

1631
01:00:05,510 --> 01:00:03,599
and repeatable scientific experiments

1632
01:00:07,589 --> 01:00:05,520
right like that's a nice thing about the

1633
01:00:10,069 --> 01:00:07,599
tear in the sky movie was that it was a

1634
01:00:11,670 --> 01:00:10,079
repeatable over the course of few days

1635
01:00:13,270 --> 01:00:11,680
they could repeat the experiments and

1636
01:00:14,549 --> 01:00:13,280
they got good footage of it and that's

1637
01:00:16,069 --> 01:00:14,559
that's the main thing is finding out

1638
01:00:18,309 --> 01:00:16,079

where are these things at if they're in

1639

01:00:20,710 --> 01:00:18,319

middle of the ocean find the spot

1640

01:00:22,470 --> 01:00:20,720

and then you know just just keep keep

1641

01:00:24,390 --> 01:00:22,480

there for a couple of weeks and uh you

1642

01:00:25,910 --> 01:00:24,400

know keep figuring out now before we

1643

01:00:27,349 --> 01:00:25,920

close uh louis do you have any final

1644

01:00:28,950 --> 01:00:27,359

questions for our guests yeah so we're

1645

01:00:30,789 --> 01:00:28,960

mentioning different people in the field

1646

01:00:32,710 --> 01:00:30,799

and you know prominent ufologists you

1647

01:00:34,630 --> 01:00:32,720

know canadian american all the rest i

1648

01:00:37,589 --> 01:00:34,640

want to ask you just in your own uh the

1649

01:00:39,829 --> 01:00:37,599

uk world of ufologists um there are

1650

01:00:42,710 --> 01:00:39,839

there is somebody very popular in north

1651

01:00:44,230 --> 01:00:42,720

america but i find that he gets a bit of

1652

01:00:45,589 --> 01:00:44,240

bad press in the uk and i'm just

1653

01:00:48,069 --> 01:00:45,599

personally curious so we're talking

1654

01:00:50,390 --> 01:00:48,079

about nick pope now i know he's appeared

1655

01:00:51,270 --> 01:00:50,400

on a million and one shows i don't have

1656

01:00:53,349 --> 01:00:51,280

a a

1657

01:00:54,549 --> 01:00:53,359

an opinion good or bad i've never met

1658

01:00:57,670 --> 01:00:54,559

nick i've never had a chance to

1659

01:00:58,789 --> 01:00:57,680

interview him i see it kind of from both

1660

01:01:00,789 --> 01:00:58,799

ends

1661

01:01:02,549 --> 01:01:00,799

but here's sort of my opinion correct me

1662

01:01:04,230 --> 01:01:02,559

if i'm wrong i want to get some more

1663

01:01:05,910 --> 01:01:04,240

information on that so

1664

01:01:07,670 --> 01:01:05,920

nick pope

1665

01:01:10,470 --> 01:01:07,680

according to his own declaration worked

1666

01:01:12,309 --> 01:01:10,480

for the uk ministry defense he worked in

1667

01:01:15,430 --> 01:01:12,319

a certain section of the uk ministry

1668

01:01:17,910 --> 01:01:15,440

defense where he had some access to

1669

01:01:20,069 --> 01:01:17,920

ufo clandestine programs that type of

1670

01:01:22,309 --> 01:01:20,079

thing now i see he gets a lot of bad

1671

01:01:25,349 --> 01:01:22,319

press people saying well he's not a real

1672

01:01:27,510 --> 01:01:25,359

ufologist he's bolstered his own resume

1673

01:01:29,349 --> 01:01:27,520

so to speak and then i see the other

1674

01:01:31,510 --> 01:01:29,359

side of it where people say well he

1675

01:01:34,150 --> 01:01:31,520

never actually said he ran the

1676

01:01:36,470 --> 01:01:34,160

department he ran the program he was a

1677

01:01:38,549 --> 01:01:36,480

desk clerk and was later promoted to a

1678

01:01:40,470 --> 01:01:38,559

slightly higher position but he's never

1679

01:01:42,789 --> 01:01:40,480

actually claimed that he's knows more

1680

01:01:45,270 --> 01:01:42,799

than he has or he was you know one of

1681

01:01:47,589 --> 01:01:45,280

two people that got some special info so

1682

01:01:50,069 --> 01:01:47,599

maybe you can provide some clarification

1683

01:01:52,230 --> 01:01:50,079

is what do you think about nick pope and

1684

01:01:54,630 --> 01:01:52,240

uh you know what should we know is he

1685

01:01:56,870 --> 01:01:54,640

the real deal or is he uh is he more

1686

01:01:59,990 --> 01:01:56,880

controversial than we think

1687

01:02:01,670 --> 01:02:00,000

well my views are nick pope because i

1688

01:02:04,069 --> 01:02:01,680

know him very personally before he went

1689

01:02:05,910 --> 01:02:04,079

over to america i've had many a dinner

1690

01:02:08,470 --> 01:02:05,920

with nick pope and stanton friedman and

1691

01:02:10,549 --> 01:02:08,480

various conferences etc nice i believe

1692

01:02:12,470 --> 01:02:10,559

is the real deal i think

1693

01:02:14,069 --> 01:02:12,480

a lot of people in the uk have a lot of

1694

01:02:16,390 --> 01:02:14,079

problems with nick whether that's

1695

01:02:19,190 --> 01:02:16,400

jealousy whether it's something else yes

1696

01:02:21,029 --> 01:02:19,200

he did nick pope had a small part in

1697

01:02:22,390 --> 01:02:21,039

hall you know we know that he got

1698

01:02:24,390 --> 01:02:22,400

promoted

1699

01:02:25,670 --> 01:02:24,400

nick told me when he went into that desk

1700

01:02:27,270 --> 01:02:25,680

he says malcolm i thought it was a lot

1701

01:02:29,109 --> 01:02:27,280

of rubbish i was there for low flying

1702

01:02:31,190 --> 01:02:29,119

aircraft it was just you know all these

1703

01:02:33,190 --> 01:02:31,200

complaints and then people would give me

1704

01:02:34,789 --> 01:02:33,200

all these ufo reports and i wanted to

1705

01:02:37,349 --> 01:02:34,799

prove what a load of nonsense it was

1706

01:02:39,670 --> 01:02:37,359

then even i he says malcolm even i was

1707

01:02:40,950 --> 01:02:39,680

knocking on doors and no you can't come

1708

01:02:42,470 --> 01:02:40,960

in this door

1709

01:02:44,789 --> 01:02:42,480

doesn't matter you go about your own

1710

01:02:46,230 --> 01:02:44,799

business he says i was i was stonewalled

1711

01:02:48,549 --> 01:02:46,240

i was going well

1712

01:02:50,789 --> 01:02:48,559

so me personally i honestly i believe

1713

01:02:53,349 --> 01:02:50,799

nick yes he has enhanced his reputation

1714

01:02:55,829 --> 01:02:53,359

by going on tv shows he's never off tv

1715

01:02:58,789 --> 01:02:55,839

is joe's blessing yeah but that's that's

1716

01:03:00,470 --> 01:02:58,799

good because it lets people know that he

1717

01:03:03,109 --> 01:03:00,480

knows his subject and he's getting all

1718

01:03:04,870 --> 01:03:03,119

these wonderful stories out about ufos

1719

01:03:07,510 --> 01:03:04,880

he's making people who would never set

1720

01:03:09,670 --> 01:03:07,520

up about ufos what what was that listen

1721

01:03:10,950 --> 01:03:09,680

wow he's bringing people into this

1722

01:03:13,430 --> 01:03:10,960

subject so

1723

01:03:15,270 --> 01:03:13,440

i i have no problem with it other people

1724

01:03:17,910 --> 01:03:15,280

in the uk have i haven't he's a

1725

01:03:20,309 --> 01:03:17,920

wonderful guy and i'll probably get

1726

01:03:22,150 --> 01:03:20,319

pouters for saying that you know but i

1727

01:03:23,990 --> 01:03:22,160

like the guy i was we were having this

1728

01:03:25,510 --> 01:03:24,000

conversation last night jason and i and

1729

01:03:27,270 --> 01:03:25,520

i said listen it's been bugging me for a

1730

01:03:30,470 --> 01:03:27,280

couple weeks because i saw a post on

1731

01:03:31,829 --> 01:03:30,480

facebook and it was a uk ufo group and

1732

01:03:34,309 --> 01:03:31,839

it was a picture of somebody receiving

1733

01:03:37,190 --> 01:03:34,319

an award and nick pope was beside him

1734

01:03:40,230 --> 01:03:37,200

and the caption said there's a very well

1735

01:03:42,309 --> 01:03:40,240

respected very intelligent ufologist and

1736

01:03:45,190 --> 01:03:42,319

there's also nick pope and i thought you

1737

01:03:48,069 --> 01:03:45,200

know what i've seen enough of him speak

1738

01:03:48,870 --> 01:03:48,079

and heard him and i don't think he's

1739

01:03:53,589 --> 01:03:48,880

ever

1740

01:03:55,670 --> 01:03:53,599

him say i was the leader of the program

1741

01:03:58,069 --> 01:03:55,680

or i got you know access to this and

1742

01:04:00,710 --> 01:03:58,079

nobody else did he's not bolstering

1743

01:04:04,309 --> 01:04:00,720

saying i'm the you know the messiah of

1744

01:04:06,549 --> 01:04:04,319

ufology or i'm the biggest expert he's

1745

01:04:09,910 --> 01:04:06,559

humble he's extremely educated whether

1746

01:04:13,349 --> 01:04:09,920

you're talking about ancient stories or

1747

01:04:14,870 --> 01:04:13,359

uh you know military um stories or

1748

01:04:17,029 --> 01:04:14,880

quantum physics it doesn't seem to

1749

01:04:18,950 --> 01:04:17,039

matter what the topic he's extremely

1750

01:04:21,270 --> 01:04:18,960

intelligent and offers

1751

01:04:22,950 --> 01:04:21,280

just not even his opinion he just says

1752

01:04:25,270 --> 01:04:22,960

you know researchers are talking about

1753

01:04:26,950 --> 01:04:25,280

this some people are saying this there

1754

01:04:28,109 --> 01:04:26,960

have been reports of this

1755

01:04:30,710 --> 01:04:28,119

it's very

1756

01:04:32,870 --> 01:04:30,720

non-biased like i i really like the guy

1757

01:04:34,549 --> 01:04:32,880

i think he's the real deal and i said to

1758

01:04:36,630 --> 01:04:34,559

jason last night i said you know what

1759

01:04:38,710 --> 01:04:36,640

i'm going to take the opportunity today

1760

01:04:40,630 --> 01:04:38,720

just to ask because from what it's worth

1761

01:04:42,710 --> 01:04:40,640

and again i don't know nick i don't have

1762

01:04:44,950 --> 01:04:42,720

a bias one way or the other i think he's

1763

01:04:46,870 --> 01:04:44,960

the real deal and if if we see somebody

1764

01:04:48,789 --> 01:04:46,880

getting some bad press i wouldn't mind

1765

01:04:50,789 --> 01:04:48,799

calling it out just to see what's what

1766

01:04:52,470 --> 01:04:50,799

you know am i brainwashed or

1767

01:04:54,470 --> 01:04:52,480

is he not as bad as some people are

1768

01:04:57,029 --> 01:04:54,480

making him out to be thank you for i

1769

01:04:58,630 --> 01:04:57,039

know i know the people who in the uk who

1770

01:05:01,829 --> 01:04:58,640

don't like them but i'm not going to say

1771

01:05:03,109 --> 01:05:01,839

who they are on this show sure um but um

1772

01:05:07,349 --> 01:05:03,119

that

1773

01:05:10,309 --> 01:05:07,359

was actually placed on my facebook page

1774

01:05:12,870 --> 01:05:10,319

you know um which i was not too happy

1775

01:05:14,710 --> 01:05:12,880

about but you know that's another story

1776

01:05:17,109 --> 01:05:14,720

bottom line is nick pope's fine he's a

1777

01:05:18,390 --> 01:05:17,119

great guy and he's an intelligent guy

1778

01:05:20,950 --> 01:05:18,400

he's getting the story out in the

1779

01:05:22,309 --> 01:05:20,960

television why not you know okay he's

1780

01:05:23,829 --> 01:05:22,319

made a name freestyle he's probably

1781

01:05:25,109 --> 01:05:23,839

getting lots of dollars for for doing

1782

01:05:27,510 --> 01:05:25,119

all the shows

1783

01:05:29,430 --> 01:05:27,520

so what you know as long as he's

1784

01:05:31,190 --> 01:05:29,440

he's truthful as long as he's truthful

1785

01:05:33,430 --> 01:05:31,200

and getting those those facts about

1786

01:05:35,270 --> 01:05:33,440

ufology across the world

1787

01:05:37,029 --> 01:05:35,280

no problems no problem you know lou

1788

01:05:39,349 --> 01:05:37,039

elizondo had that show on history

1789

01:05:41,109 --> 01:05:39,359

channel which is the only reason we know

1790

01:05:43,190 --> 01:05:41,119

his name in the first place he's not

1791

01:05:45,270 --> 01:05:43,200

doing that for free either so i don't

1792

01:05:47,190 --> 01:05:45,280

begrudge anybody making a living again

1793

01:05:49,109 --> 01:05:47,200

as you said as long as it's truthful

1794

01:05:51,670 --> 01:05:49,119

they're not fabricating things to make

1795

01:05:53,510 --> 01:05:51,680

it either more interesting or to prolong

1796

01:05:55,029 --> 01:05:53,520

their tenure like you better keep me

1797

01:05:57,029 --> 01:05:55,039

going on these things because i'm always

1798

01:05:58,789 --> 01:05:57,039

finding new stuff as long as you're not

1799

01:06:01,029 --> 01:05:58,799

doing that i don't have a problem with

1800

01:06:02,150 --> 01:06:01,039

anybody making money writing books

1801
01:06:04,470 --> 01:06:02,160
you're you know you're gonna make a

1802
01:06:07,270 --> 01:06:04,480
living so if you can make a living and

1803
01:06:09,910 --> 01:06:07,280
further this investigative uh you know

1804
01:06:12,230 --> 01:06:09,920
body of work and provide quality stuff

1805
01:06:14,710 --> 01:06:12,240
to it you're enhancing the value of the

1806
01:06:17,029 --> 01:06:14,720
subject not detracting from it so as

1807
01:06:18,950 --> 01:06:17,039
long as you don't form a cult and make

1808
01:06:23,910 --> 01:06:18,960
people wear white sneakers and drink the

1809
01:06:27,510 --> 01:06:25,349
malcolm thank you so much for coming on

1810
01:06:29,670 --> 01:06:27,520
the podcast today um are you working on

1811
01:06:30,789 --> 01:06:29,680
a new book or anything like that as of

1812
01:06:33,029 --> 01:06:30,799
late

1813
01:06:36,710 --> 01:06:33,039

um i'm working on another book yes it's

1814

01:06:38,630 --> 01:06:36,720

to do to do with a scottish case which

1815

01:06:41,190 --> 01:06:38,640

involves over

1816

01:06:43,430 --> 01:06:41,200

three four five dozen small grades seen

1817

01:06:45,430 --> 01:06:43,440

in a field terrorizing the family it's a

1818

01:06:47,990 --> 01:06:45,440

true story and that's the one i'm

1819

01:06:50,390 --> 01:06:48,000

working on just now um but jason it's

1820

01:06:52,470 --> 01:06:50,400

been a pleasure speaking to your good

1821

01:06:54,470 --> 01:06:52,480

self in louisiana uh you've done a

1822

01:06:57,029 --> 01:06:54,480

marvelous marvelous job sir you really

1823

tonight we just want to thank all of our

1832

01:07:16,950 --> 01:07:15,039

listeners we've been getting a lot of a

1833

01:07:18,870 --> 01:07:16,960

lot of strong love mail we don't get any

1834

01:07:21,109 --> 01:07:18,880

hate mail i love that there's trolls

1835

01:07:23,510 --> 01:07:21,119

everywhere and we don't get any trolls

1836

01:07:25,750 --> 01:07:23,520

so i think we have one of the most loyal

1837

01:07:27,829 --> 01:07:25,760

listener bases out there we're doing our

1838

01:07:29,829 --> 01:07:27,839

best to bring you quality guests

1839

01:07:31,750 --> 01:07:29,839

there's a few episodes where we recorded

1840

01:07:33,109 --> 01:07:31,760

ourselves because we didn't have anybody

1841

01:07:35,029 --> 01:07:33,119

of a certain caliber that we wanted to

1842

01:07:36,150 --> 01:07:35,039

bring to our people uh so we have a

1843

01:07:37,430 --> 01:07:36,160

shout out we've been doing this a little

1844

01:07:39,670 --> 01:07:37,440

bit lately we're going to give a shout

1845

01:07:41,910 --> 01:07:39,680

out to one of our biggest fans candace

1846

01:07:43,750 --> 01:07:41,920
