

**UAP STUDIES
PODCAST**

LOUIS BORGES

JASON GUILLEMETTE

1
00:00:23,269 --> 00:00:21,109

[Music]

2
00:00:25,349 --> 00:00:23,279

all right here we go welcome to it uap

3
00:00:26,950 --> 00:00:25,359

studies podcast i always get charged up

4
00:00:29,509 --> 00:00:26,960

listening to our music man that's a

5
00:00:31,029 --> 00:00:29,519

wicked little intro we got and uh it

6
00:00:33,110 --> 00:00:31,039

puts me in the mood to have a good show

7
00:00:35,270 --> 00:00:33,120

so my name is louis borges joining me as

8
00:00:37,590 --> 00:00:35,280

always my illustrious co-host jason

9
00:00:39,350 --> 00:00:37,600

gilbert how are you my friend i'm doing

10
00:00:41,350 --> 00:00:39,360

very good how are you sir i'm doing

11
00:00:43,430 --> 00:00:41,360

really good really good uh happy to be

12
00:00:45,750 --> 00:00:43,440

here again recording another show

13
00:00:48,549 --> 00:00:45,760

we keep getting lots of good uh press

14

00:00:49,830 --> 00:00:48,559

and fan mail and our subscriber ship is

15

00:00:51,270 --> 00:00:49,840

going through the roof

16

00:00:53,350 --> 00:00:51,280

all these good things that keep telling

17

00:00:55,029 --> 00:00:53,360

us to do more shows people commenting on

18

00:00:57,830 --> 00:00:55,039

our posts saying hey you guys are doing

19

00:00:59,430 --> 00:00:57,840

good things keep it coming we like it we

20

00:01:01,349 --> 00:00:59,440

tune in every week so thank you to

21

00:01:02,950 --> 00:01:01,359

everybody who's doing that uh we wanted

22

00:01:05,990 --> 00:01:02,960

to kind of have a show today to talk a

23

00:01:08,230 --> 00:01:06,000

little bit about uh uap programming like

24

00:01:09,910 --> 00:01:08,240

television series uh documentaries on

25

00:01:12,230 --> 00:01:09,920

netflix and amazon prime and that type

26
00:01:13,750 --> 00:01:12,240
of stuff you know based on our opinion

27
00:01:16,149 --> 00:01:13,760
this is kind of like the sig not the

28
00:01:18,230 --> 00:01:16,159
siegfried and roy the siskel and ebert

29
00:01:20,789 --> 00:01:18,240
is what i meant to say uh siskel and

30
00:01:22,469 --> 00:01:20,799
eber oh come on well siegfried and roy

31
00:01:24,149 --> 00:01:22,479
were into lions and stuff that's kind of

32
00:01:25,590 --> 00:01:24,159
yeah we're not so much yeah i think one

33
00:01:27,429 --> 00:01:25,600
of them got eaten though so we probably

34
00:01:29,830 --> 00:01:27,439
shouldn't go too deep into that i think

35
00:01:32,390 --> 00:01:29,840
uap is a lot safer of a

36
00:01:34,230 --> 00:01:32,400
of an industry than taming lines or

37
00:01:35,749 --> 00:01:34,240
whatever right nobody's tamed any grays

38
00:01:38,069 --> 00:01:35,759

yet so we should probably not relate it

39

00:01:39,830 --> 00:01:38,079

to that we know of that we know of yeah

40

00:01:41,350 --> 00:01:39,840

so so we're going to mention some of our

41

00:01:43,109 --> 00:01:41,360

opinions about certain programs that

42

00:01:44,870 --> 00:01:43,119

we've watched uh some that we like some

43

00:01:47,109 --> 00:01:44,880

that we think are full of it uh

44

00:01:49,350 --> 00:01:47,119

obviously judge for yourself but um

45

00:01:50,789 --> 00:01:49,360

let's get right into it so roll the dice

46

00:01:53,270 --> 00:01:50,799

here we'll pick a show like let's pick a

47

00:01:54,630 --> 00:01:53,280

popular show like ancient aliens on the

48

00:01:56,789 --> 00:01:54,640

history channel

49

00:01:57,910 --> 00:01:56,799

oh you starts with an a i like starts

50

00:01:59,510 --> 00:01:57,920

with an a yeah that's just

51
00:02:01,590 --> 00:01:59,520
alphabetically what do you think ancient

52
00:02:04,310 --> 00:02:01,600
aliens yeah your name

53
00:02:05,429 --> 00:02:04,320
well i'm gonna say yay for

54
00:02:08,790 --> 00:02:05,439
you know

55
00:02:11,350 --> 00:02:08,800
up to year eight i think but year eight

56
00:02:12,790 --> 00:02:11,360
i think they kind of start running out

57
00:02:15,350 --> 00:02:12,800
of material

58
00:02:16,869 --> 00:02:15,360
and they start rehashing stories that

59
00:02:19,270 --> 00:02:16,879
we've already seen it just maybe have a

60
00:02:21,750 --> 00:02:19,280
different spin on it maybe a newer

61
00:02:23,510 --> 00:02:21,760
interview about the same subject but

62
00:02:25,030 --> 00:02:23,520
to me i thought it was a little bit more

63
00:02:25,990 --> 00:02:25,040

repetitive things that we've already

64

00:02:29,190 --> 00:02:26,000

covered

65

00:02:31,350 --> 00:02:29,200

so yeah i i would say up to about season

66

00:02:32,790 --> 00:02:31,360

eight i love the show for me when i

67

00:02:34,309 --> 00:02:32,800

first watched it i was sort of still

68

00:02:37,110 --> 00:02:34,319

really skeptical minded about a lot of

69

00:02:39,110 --> 00:02:37,120

things and it just seemed like every

70

00:02:42,390 --> 00:02:39,120

astronomical phenomenon they were

71

00:02:45,670 --> 00:02:42,400

looking at or any ancient ruin it always

72

00:02:47,589 --> 00:02:45,680

had to tie into it must be aliens like

73

00:02:49,270 --> 00:02:47,599

and at some point you know

74

00:02:50,869 --> 00:02:49,280

i remember i watched one episode and i

75

00:02:52,070 --> 00:02:50,879

was three quarters of the way into it

76

00:02:53,910 --> 00:02:52,080

into it and i thought you know what

77

00:02:55,990 --> 00:02:53,920

they're actually putting some pretty

78

00:02:58,229 --> 00:02:56,000

plausible information out there yeah and

79

00:02:59,670 --> 00:02:58,239

it was just like a quick left turn right

80

00:03:01,589 --> 00:02:59,680

into the aliens and i thought you know

81

00:03:03,270 --> 00:03:01,599

now you're kind of getting stupid but

82

00:03:04,949 --> 00:03:03,280

you know oddly enough and the more i've

83

00:03:07,030 --> 00:03:04,959

gotten into this subject and research

84

00:03:08,630 --> 00:03:07,040

and talk to people and be on the show

85

00:03:11,270 --> 00:03:08,640

with you and you know you get these

86

00:03:12,869 --> 00:03:11,280

people that fill in these gaps um and

87

00:03:14,710 --> 00:03:12,879

then you kind of relate it back to

88

00:03:16,949 --> 00:03:14,720

ancient you know

89

00:03:19,430 --> 00:03:16,959

civilizations and structures and things

90

00:03:20,550 --> 00:03:19,440

like that it's not all that crazy

91

00:03:22,070 --> 00:03:20,560

anymore

92

00:03:23,990 --> 00:03:22,080

and i've subsequently gone back and

93

00:03:25,509 --> 00:03:24,000

watched most of the episodes again right

94

00:03:27,430 --> 00:03:25,519

from season one up until the ones

95

00:03:28,949 --> 00:03:27,440

they're putting out now um i noticed

96

00:03:31,030 --> 00:03:28,959

recently the ones they're releasing seem

97

00:03:32,710 --> 00:03:31,040

to be almost a covid version of it where

98

00:03:34,309 --> 00:03:32,720

it's like four guys in a studio just

99

00:03:36,789 --> 00:03:34,319

chatting about their opinion they're

100

00:03:38,070 --> 00:03:36,799

doing a video podcast essentially rather

101

00:03:40,149 --> 00:03:38,080

than oh

102

00:03:42,229 --> 00:03:40,159

professional filming and different like

103

00:03:44,070 --> 00:03:42,239

cut scenes and different they don't have

104

00:03:46,789 --> 00:03:44,080

as many people on an episode as they

105

00:03:48,869 --> 00:03:46,799

used to so maybe that's a byproduct of

106

00:03:50,149 --> 00:03:48,879

the pandemic and that type of thing but

107

00:03:52,149 --> 00:03:50,159

i think they've got a little more on

108

00:03:54,149 --> 00:03:52,159

point recently again i do agree with you

109

00:03:55,509 --> 00:03:54,159

there's a lot of rehashing it seems

110

00:03:56,949 --> 00:03:55,519

because there's only so many ancient

111

00:03:58,630 --> 00:03:56,959

ruins in the world that you can talk

112

00:04:00,949 --> 00:03:58,640

about and i mean stuff is constantly

113

00:04:02,789 --> 00:04:00,959

being discovered but i i can see it

114

00:04:05,190 --> 00:04:02,799

being a little tough for new material at

115

00:04:07,429 --> 00:04:05,200

times you know one of the they do

116

00:04:09,110 --> 00:04:07,439

mention you know about history being

117

00:04:11,429 --> 00:04:09,120

written

118

00:04:12,789 --> 00:04:11,439

you know fairly recently as far as we

119

00:04:14,710 --> 00:04:12,799

know and

120

00:04:17,670 --> 00:04:14,720

whenever there's a war even what's going

121

00:04:20,229 --> 00:04:17,680

on in the ukraine right now

122

00:04:22,550 --> 00:04:20,239

we completely annihilate the culture

123

00:04:24,550 --> 00:04:22,560

like we destroy their statues we destroy

124

00:04:27,030 --> 00:04:24,560

their libraries and we do that over

125

00:04:28,790 --> 00:04:27,040

conquering over we've done this for how

126

00:04:30,550 --> 00:04:28,800

many millennias like

127

00:04:32,790 --> 00:04:30,560

yeah history was written by the winners

128

00:04:34,790 --> 00:04:32,800

of the wars yeah so there's a bunch of

129

00:04:36,790 --> 00:04:34,800

civilizations that

130

00:04:39,030 --> 00:04:36,800

this could have happened to them but

131

00:04:40,070 --> 00:04:39,040

maybe they were ahead in you know the

132

00:04:42,310 --> 00:04:40,080

way that they were building their

133

00:04:44,469 --> 00:04:42,320

buildings maybe they did get help from

134

00:04:45,990 --> 00:04:44,479

somewhere that it doesn't make sense

135

00:04:47,030 --> 00:04:46,000

there's a big hole there that sort of

136

00:04:49,749 --> 00:04:47,040

leaves

137

00:04:52,070 --> 00:04:49,759

the plausibility at least

138

00:04:54,150 --> 00:04:52,080

that ufos or you know extraterrestrial

139

00:04:56,469 --> 00:04:54,160

life actually helped us out

140

00:04:58,710 --> 00:04:56,479

many times in the past right

141

00:05:00,469 --> 00:04:58,720

some of these ruins are just incredible

142

00:05:02,950 --> 00:05:00,479

though like you take the the temple of

143

00:05:05,350 --> 00:05:02,960

balbach in lebanon um which was

144

00:05:07,189 --> 00:05:05,360

subsequently built over by the romans to

145

00:05:09,270 --> 00:05:07,199

be the temp temple of jupiter or

146

00:05:10,790 --> 00:05:09,280

something like that so and it that's

147

00:05:12,790 --> 00:05:10,800

actually a commonality around the world

148

00:05:14,790 --> 00:05:12,800

a lot of these sacred sites have many

149

00:05:17,270 --> 00:05:14,800

layers of other sacred sites you know

150

00:05:19,110 --> 00:05:17,280

whether the side a or side b won the

151
00:05:21,270 --> 00:05:19,120
conflict they seem to almost have

152
00:05:22,790 --> 00:05:21,280
reverence for that space and even if

153
00:05:24,790 --> 00:05:22,800
they destroy the old temple they usually

154
00:05:27,110 --> 00:05:24,800
rebuilt their own in the same spot but

155
00:05:29,590 --> 00:05:27,120
if you look at ball back there's three

156
00:05:33,189 --> 00:05:29,600
times or sorry three stones that i think

157
00:05:35,510 --> 00:05:33,199
they're like 700 tons each

158
00:05:37,110 --> 00:05:35,520
like ridiculous these are 50 foot long

159
00:05:39,430 --> 00:05:37,120
by 10 foot high

160
00:05:40,790 --> 00:05:39,440
by 30 foot wide kind of thing and

161
00:05:43,749 --> 00:05:40,800
they're slid in the middle of the

162
00:05:46,550 --> 00:05:43,759
structure almost in like jenga fashion

163
00:05:48,310 --> 00:05:46,560

so obviously if you want to go for easy

164

00:05:49,830 --> 00:05:48,320

you don't play with rocks that size

165

00:05:51,670 --> 00:05:49,840

right we build in bricks that you can

166

00:05:53,749 --> 00:05:51,680

carry with your hands right we haven't

167

00:05:56,230 --> 00:05:53,759

been you know building monolithic stones

168

00:05:57,510 --> 00:05:56,240

for years and years and years um

169

00:05:59,110 --> 00:05:57,520

so but if you look at the amount of

170

00:06:00,790 --> 00:05:59,120

effort it would have gone into to quarry

171

00:06:02,309 --> 00:06:00,800

those in one piece

172

00:06:05,510 --> 00:06:02,319

at a time where they're supposed to be

173

00:06:08,230 --> 00:06:05,520

using like what bone tools maybe bronze

174

00:06:10,070 --> 00:06:08,240

at best or copper tools the some of

175

00:06:12,710 --> 00:06:10,080

these stones are way harder than the

176

00:06:14,870 --> 00:06:12,720

tools they supposedly had and the amount

177

00:06:15,590 --> 00:06:14,880

of precision that they used to to quarry

178

00:06:18,790 --> 00:06:15,600

them

179

00:06:20,629 --> 00:06:18,800

could barely do that by today's

180

00:06:22,150 --> 00:06:20,639

standards and they didn't even use them

181

00:06:24,070 --> 00:06:22,160

as a foundation stones they put them in

182

00:06:25,830 --> 00:06:24,080

the middle yeah they had to get them 20

183

00:06:28,070 --> 00:06:25,840

or 30 feet off the ground just to make

184

00:06:29,270 --> 00:06:28,080

it that much harder like who would go

185

00:06:31,110 --> 00:06:29,280

through that

186

00:06:33,830 --> 00:06:31,120

and you know what we're taught is a time

187

00:06:35,830 --> 00:06:33,840

frame where we can barely forage for

188

00:06:37,990 --> 00:06:35,840

enough food to keep ourselves sustained

189

00:06:39,990 --> 00:06:38,000

who's gonna burn those calories to do

190

00:06:42,629 --> 00:06:40,000

that [\h__\h] it doesn't make any sense the

191

00:06:43,990 --> 00:06:42,639

average lifespan was 24 years old

192

00:06:45,350 --> 00:06:44,000

exactly you're not going to dedicate

193

00:06:48,230 --> 00:06:45,360

half of your life to something unless

194

00:06:49,830 --> 00:06:48,240

you truly believe that it's worth it or

195

00:06:52,790 --> 00:06:49,840

and i don't even necessarily believe

196

00:06:55,189 --> 00:06:52,800

that it was technology passed on to us

197

00:06:57,589 --> 00:06:55,199

by these ancients because even if we had

198

00:06:59,909 --> 00:06:57,599

the mathematical plans to do it we don't

199

00:07:01,909 --> 00:06:59,919

have the technology or the ability to do

200

00:07:03,510 --> 00:07:01,919

it you know even by today's standards

201

00:07:05,350 --> 00:07:03,520

with our current technology and our

202

00:07:06,950 --> 00:07:05,360

current machinery and everything else

203

00:07:08,550 --> 00:07:06,960

some of these stones you'd have to drag

204

00:07:10,070 --> 00:07:08,560

them over mountain and water and

205

00:07:11,830 --> 00:07:10,080

everything else why the hell would you

206

00:07:14,390 --> 00:07:11,840

do that you know you'd make a shrine

207

00:07:16,390 --> 00:07:14,400

sure i mean every culture has looked to

208

00:07:19,189 --> 00:07:16,400

the heavens for some kind of

209

00:07:21,189 --> 00:07:19,199

spiritual benefit but you could simplify

210

00:07:23,430 --> 00:07:21,199

that you don't god's not telling you to

211

00:07:25,510 --> 00:07:23,440

build something like that so why did

212

00:07:27,350 --> 00:07:25,520

they do that and why is it prevalent so

213

00:07:30,150 --> 00:07:27,360

many places you know stonehenge and

214

00:07:33,110 --> 00:07:30,160

everything else why do you need 150 ton

215

00:07:35,110 --> 00:07:33,120

stones to prove a point it's amazing or

216

00:07:37,270 --> 00:07:35,120

build a culture around like you got

217

00:07:38,790 --> 00:07:37,280

egypt and then you got mexico that have

218

00:07:40,629 --> 00:07:38,800

these pyramids

219

00:07:43,029 --> 00:07:40,639

and it seems like cultures were built

220

00:07:44,550 --> 00:07:43,039

around this concept and they don't seem

221

00:07:46,950 --> 00:07:44,560

to be the same age you look at south

222

00:07:48,469 --> 00:07:46,960

america you look at africa there's even

223

00:07:50,230 --> 00:07:48,479

ones in europe that they found you know

224

00:07:53,350 --> 00:07:50,240

i think in serbia they found pyramids

225

00:07:56,710 --> 00:07:53,360

hidden in jungle ruins and some kid from

226

00:07:58,309 --> 00:07:56,720

montreal found a a google image of a

227

00:07:59,510 --> 00:07:58,319

piece of the jungle that he said hey

228

00:08:01,510 --> 00:07:59,520

there's something buried under there and

229

00:08:04,869 --> 00:08:01,520

sure enough it's a lost city so they all

230

00:08:06,629 --> 00:08:04,879

seemed to be the same time frame but all

231

00:08:08,629 --> 00:08:06,639

across the planet like nobody would

232

00:08:10,869 --> 00:08:08,639

communicate at that time you know like

233

00:08:12,230 --> 00:08:10,879

there was no internets there was no mail

234

00:08:13,990 --> 00:08:12,240

most of these cultures didn't even know

235

00:08:16,390 --> 00:08:14,000

other cultures existed outside of their

236

00:08:18,469 --> 00:08:16,400

own so the commonality on that is

237

00:08:20,309 --> 00:08:18,479

amazing it would certainly

238

00:08:22,469 --> 00:08:20,319

they have a point you know like if there

239

00:08:24,710 --> 00:08:22,479

is some type of ancient

240

00:08:27,990 --> 00:08:24,720

and again the ancient alien theory is

241

00:08:29,990 --> 00:08:28,000

multifaceted it's not only ruins it's

242

00:08:31,990 --> 00:08:30,000

you know the panspermia theory maybe

243

00:08:34,389 --> 00:08:32,000

we're receded maybe it's a hybrid

244

00:08:36,630 --> 00:08:34,399

project i mean there's many facets of

245

00:08:37,990 --> 00:08:36,640

this quote-unquote ancient alien theory

246

00:08:40,630 --> 00:08:38,000

but if you just want to look at it from

247

00:08:42,870 --> 00:08:40,640

an archaeological point of view you know

248

00:08:45,190 --> 00:08:42,880

the the raw goods you know the sphinx

249

00:08:47,190 --> 00:08:45,200

and all that stuff the sphinx you know

250

00:08:49,590 --> 00:08:47,200

the damage around the feet is water

251

00:08:51,590 --> 00:08:49,600

erosion it's not from wind or anything

252

00:08:54,310 --> 00:08:51,600

else so the last time there was water

253

00:08:56,710 --> 00:08:54,320

there was many thousands of years you

254

00:08:58,790 --> 00:08:56,720

know longer than they thought the sphinx

255

00:09:01,509 --> 00:08:58,800

could possibly be old so some of these

256

00:09:04,070 --> 00:09:01,519

things that they thought were 4000 bc

257

00:09:05,590 --> 00:09:04,080

are more like 10 or 12 000 bc and maybe

258

00:09:07,990 --> 00:09:05,600

even that's not accurate because you

259

00:09:10,070 --> 00:09:08,000

can't carbon date stone and you know and

260

00:09:11,990 --> 00:09:10,080

most organic material withers away after

261

00:09:13,590 --> 00:09:12,000

a certain number of years they really

262

00:09:17,190 --> 00:09:13,600

don't know how old this stuff is and

263

00:09:20,070 --> 00:09:17,200

that goes for incan ruins aztec ruins um

264

00:09:22,550 --> 00:09:20,080

you know pumapunku in peru

265

00:09:24,790 --> 00:09:22,560

they have these h-cut blocks

266

00:09:26,389 --> 00:09:24,800

and it's like a small h inside a bigger

267

00:09:28,790 --> 00:09:26,399

h a bigger it's almost like the russian

268

00:09:31,110 --> 00:09:28,800

doll right they made their joints so

269

00:09:32,949 --> 00:09:31,120

friggin complicated and there's even

270

00:09:34,710 --> 00:09:32,959

some stones that are so well preserved

271

00:09:37,110 --> 00:09:34,720

that if you run your thumb down one of

272

00:09:39,670 --> 00:09:37,120

those lines you'll cut yourself it's

273

00:09:41,030 --> 00:09:39,680

like they were laser etched and this is

274

00:09:42,949 --> 00:09:41,040

at a time where

275

00:09:45,670 --> 00:09:42,959

you know they were drinking out of pig

276

00:09:48,790 --> 00:09:45,680

bladders and carrying basket like we're

277

00:09:50,389 --> 00:09:48,800

nowhere near as advanced as we were

278

00:09:52,630 --> 00:09:50,399

supposedly you know

279

00:09:54,630 --> 00:09:52,640

what it had to been to build it yeah

280

00:09:56,630 --> 00:09:54,640

well we always have these concepts of

281

00:09:58,310 --> 00:09:56,640

like well what what it would be like to

282

00:09:59,269 --> 00:09:58,320

live back then but we really have no

283

00:10:01,030 --> 00:09:59,279

idea

284

00:10:05,430 --> 00:10:01,040

like you would die from everything like

285

00:10:07,670 --> 00:10:05,440

if you made it to the age of like 12

286

00:10:10,470 --> 00:10:07,680

good chances you're gonna see adulthood

287

00:10:12,630 --> 00:10:10,480

right yeah because most most people died

288

00:10:14,870 --> 00:10:12,640

yeah the birth rate was very very low

289

00:10:16,389 --> 00:10:14,880

that's why everybody had 30 kids because

290

00:10:18,630 --> 00:10:16,399

15 of them weren't going to make it you

291

00:10:20,550 --> 00:10:18,640

know yeah so you know

292

00:10:22,550 --> 00:10:20,560

cable tv so what else are you gonna do

293

00:10:24,870 --> 00:10:22,560

yeah but still at some point fake a

294

00:10:27,030 --> 00:10:24,880

headache or something you know

295

00:10:29,430 --> 00:10:27,040

there's no advil back then

296

00:10:31,829 --> 00:10:29,440

there's a lot of headaches yeah but uh

297

00:10:33,910 --> 00:10:31,839

yeah to spend that much time and not

298

00:10:36,389 --> 00:10:33,920

only that but to have the technology

299

00:10:38,949 --> 00:10:36,399

that they use just suddenly disappear

300

00:10:40,870 --> 00:10:38,959

like there's no tools ever found

301
00:10:43,750 --> 00:10:40,880
around these sites that say oh they use

302
00:10:45,269 --> 00:10:43,760
this right so yeah it is a mystery a lot

303
00:10:47,590 --> 00:10:45,279
of these ancient epics you know they

304
00:10:49,829 --> 00:10:47,600
they read like uh

305
00:10:51,269 --> 00:10:49,839
like like science fiction you know a lot

306
00:10:54,389 --> 00:10:51,279
of the east indian culture with the

307
00:10:57,509 --> 00:10:54,399
vedas and the mahabharata they talk

308
00:10:59,829 --> 00:10:57,519
about flying ships like literally

309
00:11:01,910 --> 00:10:59,839
machines having wars in the sky shooting

310
00:11:04,069 --> 00:11:01,920
beams and lasers at each other and bombs

311
00:11:06,150 --> 00:11:04,079
and all that and this is like thousands

312
00:11:07,829 --> 00:11:06,160
of years ago like the the thought of

313
00:11:10,389 --> 00:11:07,839

flight wasn't even

314

00:11:12,150 --> 00:11:10,399

conjured as far as we know and yet they

315

00:11:14,310 --> 00:11:12,160

seem to have what they believe to be a

316

00:11:15,990 --> 00:11:14,320

real depiction and nobody that's that

317

00:11:17,910 --> 00:11:16,000

believes in that faith

318

00:11:19,670 --> 00:11:17,920

it's not supposed to be lore it's

319

00:11:22,230 --> 00:11:19,680

supposed to be true yeah that actually

320

00:11:25,110 --> 00:11:22,240

happened right they take it literal so i

321

00:11:26,389 --> 00:11:25,120

mean either they witness something or

322

00:11:28,389 --> 00:11:26,399

you know there's a part of our own

323

00:11:30,310 --> 00:11:28,399

history that we don't know about maybe

324

00:11:32,230 --> 00:11:30,320

you know they talk about anti-diluvian

325

00:11:34,470 --> 00:11:32,240

societies you know the flood that

326
00:11:35,990 --> 00:11:34,480
destroyed everyone who knows what was

327
00:11:37,269 --> 00:11:36,000
before that who knows if it even

328
00:11:38,790 --> 00:11:37,279
happened but

329
00:11:40,710 --> 00:11:38,800
you know it's it's bizarre when all the

330
00:11:43,590 --> 00:11:40,720
major religions seem to have a similar

331
00:11:45,829 --> 00:11:43,600
story um and they don't agree on

332
00:11:48,230 --> 00:11:45,839
anything else globally but yet certain

333
00:11:49,190 --> 00:11:48,240
key fundamental blocks of main religion

334
00:11:51,110 --> 00:11:49,200
seems to

335
00:11:52,790 --> 00:11:51,120
all go together with that right that you

336
00:11:53,990 --> 00:11:52,800
know i think we're a lot older than we

337
00:11:55,030 --> 00:11:54,000
think we are

338
00:11:56,870 --> 00:11:55,040

and

339

00:11:58,550 --> 00:11:56,880

again there's been many extinctions on

340

00:12:00,550 --> 00:11:58,560

this planet i mean if even if you want

341

00:12:03,670 --> 00:12:00,560

to look at a scientific level look at

342

00:12:05,829 --> 00:12:03,680

flight flight has evolved four separate

343

00:12:08,150 --> 00:12:05,839

times on the planet earth so there would

344

00:12:10,790 --> 00:12:08,160

be a society maybe it was insect form or

345

00:12:13,350 --> 00:12:10,800

whatever or you know a culture of

346

00:12:15,670 --> 00:12:13,360

animals there's a huge die off an

347

00:12:18,310 --> 00:12:15,680

extinction event things bounce back they

348

00:12:20,470 --> 00:12:18,320

rebound flight evolve in another way

349

00:12:22,150 --> 00:12:20,480

maybe become birds this time so the

350

00:12:23,750 --> 00:12:22,160

point is and again this is researchable

351
00:12:26,069 --> 00:12:23,760
don't take my word for it go do your own

352
00:12:29,350 --> 00:12:26,079
research but yeah flight has evolved on

353
00:12:31,750 --> 00:12:29,360
this planet four separate times from

354
00:12:34,069 --> 00:12:31,760
what we believe to be nothing so either

355
00:12:36,470 --> 00:12:34,079
it was aided or maybe that's just the

356
00:12:38,310 --> 00:12:36,480
course of evolution everywhere maybe we

357
00:12:40,310 --> 00:12:38,320
could totally expect that if there is

358
00:12:42,870 --> 00:12:40,320
life elsewhere yeah it could look close

359
00:12:44,470 --> 00:12:42,880
to us and they could have animals and

360
00:12:46,710 --> 00:12:44,480
insects and birds and all that stuff on

361
00:12:49,590 --> 00:12:46,720
their planet too because maybe that's

362
00:12:51,350 --> 00:12:49,600
just the eventual course of all life

363
00:12:53,590 --> 00:12:51,360

if you blow yourself up or pollute your

364

00:12:55,829 --> 00:12:53,600

genome you go extinct it sparks up again

365

00:12:57,829 --> 00:12:55,839

and you give this another round so who

366

00:12:59,590 --> 00:12:57,839

knows who knows how many takes there

367

00:13:01,590 --> 00:12:59,600

have been at this you know and if you

368

00:13:03,590 --> 00:13:01,600

look at ancient alien ruins or the

369

00:13:05,670 --> 00:13:03,600

theory of ancient aliens in relation to

370

00:13:07,590 --> 00:13:05,680

the ruins it would certainly make sense

371

00:13:10,310 --> 00:13:07,600

that that you know there's some credence

372

00:13:11,350 --> 00:13:10,320

there and every alien that they mention

373

00:13:13,430 --> 00:13:11,360

on their

374

00:13:15,110 --> 00:13:13,440

because there's quite a bit i'm not all

375

00:13:17,110 --> 00:13:15,120

familiar with them

376

00:13:18,230 --> 00:13:17,120

but they're all bipeds yeah right

377

00:13:20,629 --> 00:13:18,240

they're all

378

00:13:23,750 --> 00:13:20,639

relatively humanoid yes

379

00:13:25,350 --> 00:13:23,760

very much so uh and hybrids two legs two

380

00:13:27,030 --> 00:13:25,360

arms they don't they're not like octopus

381

00:13:29,590 --> 00:13:27,040

walking on the ground no just like oh it

382

00:13:32,069 --> 00:13:29,600

was bubbles that came out of you know

383

00:13:32,949 --> 00:13:32,079

a flying saucer that's not the case

384

00:13:35,590 --> 00:13:32,959

so

385

00:13:36,790 --> 00:13:35,600

to me i find that funny it's it's always

386

00:13:39,110 --> 00:13:36,800

bipeds

387

00:13:41,189 --> 00:13:39,120

and humanoid

388

00:13:43,829 --> 00:13:41,199

it's like you know we come from far or

389

00:13:46,629 --> 00:13:43,839

from wherever they are from and

390

00:13:48,629 --> 00:13:46,639

they're all humanoids yeah so yeah i

391

00:13:51,030 --> 00:13:48,639

find there there are reports of like

392

00:13:53,350 --> 00:13:51,040

reptilians and if you want to get into

393

00:13:54,389 --> 00:13:53,360

cryptids and you know like skin walkers

394

00:13:57,189 --> 00:13:54,399

or like

395

00:13:58,389 --> 00:13:57,199

half wolf bipedal wolf looking things

396

00:14:00,710 --> 00:13:58,399

bigfoot

397

00:14:02,550 --> 00:14:00,720

even fairies like i saw a video from

398

00:14:04,790 --> 00:14:02,560

somebody's doorbell camera the other day

399

00:14:06,870 --> 00:14:04,800

i posted it on my facebook page it's a

400

00:14:09,350 --> 00:14:06,880

legit fairy flying in front of the

401
00:14:11,430 --> 00:14:09,360
doorbell camera sort of pauses and takes

402
00:14:14,069 --> 00:14:11,440
off like this thing's maybe four or five

403
00:14:16,470 --> 00:14:14,079
inches that has human arms and legs and

404
00:14:18,550 --> 00:14:16,480
wings and away it goes like what the

405
00:14:20,389 --> 00:14:18,560
hell is that that's not an insect of any

406
00:14:21,910 --> 00:14:20,399
sort and yeah there's a lot of fake

407
00:14:24,710 --> 00:14:21,920
stuff but that's not the only video

408
00:14:26,629 --> 00:14:24,720
claiming to be of such too you know so

409
00:14:28,949 --> 00:14:26,639
oh man we probably killed so many of

410
00:14:31,350 --> 00:14:28,959
them with our uh lanterns outside you

411
00:14:32,790 --> 00:14:31,360
know the ones that zap the bugs oh yeah

412
00:14:35,269 --> 00:14:32,800
i never thought of that you know yeah

413
00:14:37,829 --> 00:14:35,279

really big zap maybe yeah yeah maybe we

414

00:14:39,670 --> 00:14:37,839

did some damage to something yeah

415

00:14:41,189 --> 00:14:39,680

yeah if they're involved enough to still

416

00:14:43,030 --> 00:14:41,199

be around they should know to avoid the

417

00:14:44,069 --> 00:14:43,040

bug zapper though come on well yeah you

418

00:14:47,110 --> 00:14:44,079

think at this point they would have

419

00:14:48,069 --> 00:14:47,120

learned but who knows or or go extinct

420

00:14:52,870 --> 00:14:48,079

yeah

421

00:14:54,710 --> 00:14:52,880

decide to go um okay so

422

00:14:56,790 --> 00:14:54,720

we'll move on to another another show

423

00:14:58,949 --> 00:14:56,800

here yeah i was gonna say ancient aliens

424

00:15:00,389 --> 00:14:58,959

we're both a yay for ancient aliens

425

00:15:02,470 --> 00:15:00,399

check it out there's a lot of older

426

00:15:04,230 --> 00:15:02,480

episodes that they don't show on uh on

427

00:15:06,389 --> 00:15:04,240

your sort of on demand or whatever but

428

00:15:07,670 --> 00:15:06,399

you can youtube them and i'm sure

429

00:15:08,949 --> 00:15:07,680

there's other ways of finding older

430

00:15:10,949 --> 00:15:08,959

episodes as well if you're internet

431

00:15:13,269 --> 00:15:10,959

savvy so uh yeah we definitely think

432

00:15:15,990 --> 00:15:13,279

it's a yay so let's move on to

433

00:15:18,069 --> 00:15:16,000

unidentified uh inside america's ufo

434

00:15:20,230 --> 00:15:18,079

investigation which is a history channel

435

00:15:22,949 --> 00:15:20,240

program that was produced by well

436

00:15:25,750 --> 00:15:22,959

co-produced by luis salazando

437

00:15:28,550 --> 00:15:25,760

and it basically started the breaking of

438

00:15:31,189 --> 00:15:28,560

the uh the story of the nimitz and the

439

00:15:34,629 --> 00:15:31,199

uss princeton the tic tac video the

440

00:15:36,949 --> 00:15:34,639

gimbal the go fast you know that's uh

441

00:15:39,350 --> 00:15:36,959

that was the first time on on public

442

00:15:42,150 --> 00:15:39,360

cable television that somebody made an

443

00:15:43,829 --> 00:15:42,160

attempt to uh decipher this story and

444

00:15:45,269 --> 00:15:43,839

he's had a lot of reputable people on

445

00:15:47,030 --> 00:15:45,279

that show a lot of guests have been on

446

00:15:48,949 --> 00:15:47,040

our show you know like sean cahill and

447

00:15:51,030 --> 00:15:48,959

that type of thing and uh so what do you

448

00:15:53,910 --> 00:15:51,040

think about lu elizondo's show that's

449

00:15:56,230 --> 00:15:53,920

what put him on the map yeah i i loved

450

00:15:58,470 --> 00:15:56,240

the show i was looking forward to it uh

451
00:16:00,629 --> 00:15:58,480
when it was announced i saw the first

452
00:16:01,990 --> 00:16:00,639
season saw the second season i liked

453
00:16:03,749 --> 00:16:02,000
them both

454
00:16:05,590 --> 00:16:03,759
i think now

455
00:16:08,710 --> 00:16:05,600
looking back i could see the production

456
00:16:10,790 --> 00:16:08,720
value that went into those shows so i i

457
00:16:12,870 --> 00:16:10,800
could see where the

458
00:16:15,110 --> 00:16:12,880
wanting to disclose more information

459
00:16:16,790 --> 00:16:15,120
format and the entertainment value like

460
00:16:17,509 --> 00:16:16,800
there's tons of stuff that was recorded

461
00:16:19,110 --> 00:16:17,519
that

462
00:16:21,269 --> 00:16:19,120
did make the cut

463
00:16:23,269 --> 00:16:21,279

into the show and it's

464

00:16:25,990 --> 00:16:23,279

you know the drama was there like what

465

00:16:27,110 --> 00:16:26,000

did you see did it you know like the you

466

00:16:29,670 --> 00:16:27,120

could definitely tell there was a

467

00:16:32,310 --> 00:16:29,680

production value to it so

468

00:16:34,389 --> 00:16:32,320

but i love the show i i like the spin on

469

00:16:36,389 --> 00:16:34,399

it like the fact that we had senator

470

00:16:38,069 --> 00:16:36,399

harry that was on it as well

471

00:16:39,670 --> 00:16:38,079

um

472

00:16:42,310 --> 00:16:39,680

and they covered basically all the

473

00:16:44,389 --> 00:16:42,320

aspects from the nimitz incidents to

474

00:16:46,470 --> 00:16:44,399

what's happening now in the ufo world

475

00:16:48,150 --> 00:16:46,480

right or at least up to the last two

476

00:16:50,389 --> 00:16:48,160

years anyways

477

00:16:52,230 --> 00:16:50,399

so yeah i like both season what did you

478

00:16:53,990 --> 00:16:52,240

think of them i i think there's things

479

00:16:56,629 --> 00:16:54,000

that we take for granted now that we

480

00:16:59,030 --> 00:16:56,639

know just off-the-cuff information

481

00:17:00,550 --> 00:16:59,040

that are attributed to that show you

482

00:17:02,949 --> 00:17:00,560

know like like i said i think luis

483

00:17:05,110 --> 00:17:02,959

elizondo it was a chance for him to tell

484

00:17:07,029 --> 00:17:05,120

his story you know maybe a little bob

485

00:17:09,669 --> 00:17:07,039

lazarian to sort of

486

00:17:10,949 --> 00:17:09,679

come clean and put your face on tv maybe

487

00:17:12,069 --> 00:17:10,959

that's the only way you're secure in

488

00:17:13,829 --> 00:17:12,079

this type of thing if you're going to

489

00:17:15,909 --> 00:17:13,839

take those kind of risks is

490

00:17:17,990 --> 00:17:15,919

actually come out not be you know a

491

00:17:19,270 --> 00:17:18,000

darkened face or a garbled voice on a

492

00:17:21,510 --> 00:17:19,280

recording

493

00:17:23,270 --> 00:17:21,520

but you know guys like sean cahill

494

00:17:25,590 --> 00:17:23,280

and um you know

495

00:17:27,110 --> 00:17:25,600

mr voorhees as well like many of these

496

00:17:28,390 --> 00:17:27,120

guys have been on this show but the

497

00:17:29,909 --> 00:17:28,400

people that were involved in the

498

00:17:32,630 --> 00:17:29,919

hands-on viewing

499

00:17:34,549 --> 00:17:32,640

subsequent scientists um you know the

500

00:17:36,789 --> 00:17:34,559

the bigger minds and brains the chris

501
00:17:39,669 --> 00:17:36,799
millions of the world tom de long

502
00:17:41,830 --> 00:17:39,679
everybody who we now just assume that's

503
00:17:43,990 --> 00:17:41,840
always been part of this uh we didn't

504
00:17:44,789 --> 00:17:44,000
know who they were until the show

505
00:17:47,510 --> 00:17:44,799
so

506
00:17:49,190 --> 00:17:47,520
you know i always have a skeptical um

507
00:17:50,789 --> 00:17:49,200
kind of a filter on things when i watch

508
00:17:52,070 --> 00:17:50,799
it for the first time i'm kind of i'm

509
00:17:53,669 --> 00:17:52,080
always trying to think like what's the

510
00:17:55,430 --> 00:17:53,679
end game why yeah okay great there's a

511
00:17:57,190 --> 00:17:55,440
show about aliens on tv they're not

512
00:17:58,549 --> 00:17:57,200
gonna i i'm skeptical right so i'm

513
00:18:01,510 --> 00:17:58,559

automatically thinking i'm not gonna

514

00:18:03,110 --> 00:18:01,520

gain anything from it but why you know

515

00:18:05,430 --> 00:18:03,120

and i think it's a positive thing the

516

00:18:07,909 --> 00:18:05,440

fact that a major television

517

00:18:10,310 --> 00:18:07,919

uh network and many networks now are

518

00:18:12,950 --> 00:18:10,320

agreeing to run these series for more

519

00:18:14,310 --> 00:18:12,960

than one year in a lot of cases uh it

520

00:18:15,990 --> 00:18:14,320

tells you that they're spending money on

521

00:18:18,310 --> 00:18:16,000

it and they're making money people are

522

00:18:19,909 --> 00:18:18,320

watching it if you don't watch your show

523

00:18:21,909 --> 00:18:19,919

advertisers don't want to advertise on

524

00:18:24,390 --> 00:18:21,919

that show there's no ratings and there's

525

00:18:25,830 --> 00:18:24,400

no viewers who wants to pay you know

526

00:18:28,230 --> 00:18:25,840

eighty five thousand dollars to have

527

00:18:29,510 --> 00:18:28,240

your commercial run on a history channel

528

00:18:30,710 --> 00:18:29,520

show in

529

00:18:35,029 --> 00:18:30,720

you know

530

00:18:36,549 --> 00:18:35,039

on a wednesday afternoon so the ratings

531

00:18:39,270 --> 00:18:36,559

have to be there there has to be enough

532

00:18:40,950 --> 00:18:39,280

of a thirst for knowledge for these uh

533

00:18:42,870 --> 00:18:40,960

networks to agree to continue to fund

534

00:18:44,549 --> 00:18:42,880

this type of stuff right so for that

535

00:18:46,710 --> 00:18:44,559

reason alone i think it's good it's

536

00:18:48,390 --> 00:18:46,720

making it digestible enough that the

537

00:18:50,549 --> 00:18:48,400

average person who's kind of halfway

538

00:18:51,830 --> 00:18:50,559

interested or maybe doesn't even know

539

00:18:52,950 --> 00:18:51,840

maybe they just don't know anything

540

00:18:54,630 --> 00:18:52,960

about this

541

00:18:56,310 --> 00:18:54,640

at least it's

542

00:18:58,390 --> 00:18:56,320

it's not crossing the line it's not

543

00:19:00,070 --> 00:18:58,400

giving you bad information right it

544

00:19:02,070 --> 00:19:00,080

might be dumbed down

545

00:19:03,669 --> 00:19:02,080

slightly filtered maybe a little bit

546

00:19:05,909 --> 00:19:03,679

altered just because they know it's

547

00:19:06,710 --> 00:19:05,919

going out to everybody but at least it's

548

00:19:10,390 --> 00:19:06,720

there

549

00:19:12,230 --> 00:19:10,400

shows that were legitimate series on the

550

00:19:14,470 --> 00:19:12,240

subject and they certainly didn't

551
00:19:16,710 --> 00:19:14,480
feature government and military people

552
00:19:18,390 --> 00:19:16,720
willing to talk on the record so

553
00:19:20,710 --> 00:19:18,400
you know hats off to them i know luis

554
00:19:22,870 --> 00:19:20,720
elizondo did mention that he kind of

555
00:19:24,630 --> 00:19:22,880
split from to the stars academy because

556
00:19:26,630 --> 00:19:24,640
they wanted to continue to stay media

557
00:19:29,270 --> 00:19:26,640
based he wanted to do other things with

558
00:19:31,110 --> 00:19:29,280
this whole uh platform that he now has

559
00:19:32,870 --> 00:19:31,120
but i think that was the springboard and

560
00:19:34,630 --> 00:19:32,880
he wouldn't have a platform if it wasn't

561
00:19:35,590 --> 00:19:34,640
for that show yeah

562
00:19:38,630 --> 00:19:35,600
i mean

563
00:19:40,310 --> 00:19:38,640

it launched lou quite a bit

564

00:19:42,310 --> 00:19:40,320

but i think yeah the creative

565

00:19:43,669 --> 00:19:42,320

differences between what the show wanted

566

00:19:45,510 --> 00:19:43,679

and keep in mind they haven't come out

567

00:19:47,830 --> 00:19:45,520

with the third season

568

00:19:49,750 --> 00:19:47,840

right so i don't think they're going to

569

00:19:50,830 --> 00:19:49,760

i think it was uh i think it's been

570

00:19:53,669 --> 00:19:50,840

cancelled

571

00:19:55,190 --> 00:19:53,679

yeah unless they're gonna start i think

572

00:19:56,950 --> 00:19:55,200

we're revealing his choice though i have

573

00:19:58,950 --> 00:19:56,960

heard him go on the record saying that

574

00:20:01,830 --> 00:19:58,960

he had the opportunity and just decided

575

00:20:02,950 --> 00:20:01,840

not to so oh gotcha yeah yeah because i

576

00:20:06,549 --> 00:20:02,960

think you know there's still

577

00:20:08,870 --> 00:20:06,559

investigations going on he has his own

578

00:20:10,549 --> 00:20:08,880

way of going about what he's doing right

579

00:20:12,310 --> 00:20:10,559

and plus i've seen

580

00:20:15,190 --> 00:20:12,320

as of late lose

581

00:20:17,190 --> 00:20:15,200

on twitter is hasn't been as active as a

582

00:20:18,630 --> 00:20:17,200

lot of people been attacking them and

583

00:20:20,630 --> 00:20:18,640

that's what happens

584

00:20:22,310 --> 00:20:20,640

you end up being the person that's up

585

00:20:23,750 --> 00:20:22,320

front leading the charge people are

586

00:20:25,830 --> 00:20:23,760

going to throw rocks

587

00:20:28,549 --> 00:20:25,840

and uh you see that happen with him so i

588

00:20:30,310 --> 00:20:28,559

hope he's okay i hope

589

00:20:32,070 --> 00:20:30,320

wherever he's at there that uh he's

590

00:20:33,029 --> 00:20:32,080

recouping from

591

00:20:34,789 --> 00:20:33,039

twitter

592

00:20:36,789 --> 00:20:34,799

and focusing on whatever it is that he

593

00:20:38,630 --> 00:20:36,799

needs to focus on money from this this

594

00:20:40,310 --> 00:20:38,640

is not ben

595

00:20:42,870 --> 00:20:40,320

this is a bit of pain in the ass to him

596

00:20:44,630 --> 00:20:42,880

and his family and i'm sure his wife or

597

00:20:47,190 --> 00:20:44,640

kids or whatever have said like just

598

00:20:48,789 --> 00:20:47,200

forget it go do something else like it's

599

00:20:51,430 --> 00:20:48,799

gone further than you thought it was

600

00:20:53,430 --> 00:20:51,440

gonna go just forget about it but him uh

601
00:20:55,750 --> 00:20:53,440
you know unlike george or like george

602
00:20:57,830 --> 00:20:55,760
knapp and other guys even you know like

603
00:20:59,590 --> 00:20:57,840
you eric von daniken and those guys you

604
00:21:03,110 --> 00:20:59,600
write a book chair to the cherry to the

605
00:21:05,669 --> 00:21:03,120
gods in like the 70s and uh you know it

606
00:21:07,750 --> 00:21:05,679
gained huge movement and people

607
00:21:09,270 --> 00:21:07,760
a lot of the ufologists nowadays and

608
00:21:10,390 --> 00:21:09,280
guys that have been in this for decades

609
00:21:12,470 --> 00:21:10,400
has been because of some of those

610
00:21:14,710 --> 00:21:12,480
pioneers so yeah he's kind of like a

611
00:21:16,710 --> 00:21:14,720
modern-day pioneer and if he's the first

612
00:21:19,029 --> 00:21:16,720
person you got this message from

613
00:21:20,310 --> 00:21:19,039

uh then you know it started something

614

00:21:21,270 --> 00:21:20,320

within you right if you're listening to

615

00:21:22,470 --> 00:21:21,280

this show

616

00:21:24,549 --> 00:21:22,480

and you didn't know anything about this

617

00:21:26,470 --> 00:21:24,559

before luella zondo you can thank him

618

00:21:28,230 --> 00:21:26,480

for getting you into this you know it's

619

00:21:31,029 --> 00:21:28,240

it's a super interesting topic it'll

620

00:21:32,789 --> 00:21:31,039

drive you nuts uh it'll prevent you from

621

00:21:34,789 --> 00:21:32,799

really finding the answer but that's

622

00:21:35,830 --> 00:21:34,799

what makes it cool you know easy things

623

00:21:38,390 --> 00:21:35,840

are easy

624

00:21:40,549 --> 00:21:38,400

so yeah two years of doing this and i

625

00:21:42,470 --> 00:21:40,559

still have no clue what the whole this

626
00:21:44,310 --> 00:21:42,480
whole phenomenon is about speak to the

627
00:21:45,830 --> 00:21:44,320
more for the further away it seems to be

628
00:21:46,870 --> 00:21:45,840
getting too yeah

629
00:21:49,190 --> 00:21:46,880
just when you think you're making

630
00:21:50,710 --> 00:21:49,200
progress it's like oh it's not actual

631
00:21:52,549 --> 00:21:50,720
nuts and bolts craft yeah they're

632
00:21:54,230 --> 00:21:52,559
they're interdimensional they're they

633
00:21:56,230 --> 00:21:54,240
exist at a quantum level they can you

634
00:21:58,549 --> 00:21:56,240
know de-materialize and like wait a

635
00:22:00,310 --> 00:21:58,559
minute i know a lot about this stuff and

636
00:22:02,630 --> 00:22:00,320
it's really bothering me now that i feel

637
00:22:04,549 --> 00:22:02,640
like i don't know anything you know so

638
00:22:06,149 --> 00:22:04,559

it humbles you for sure

639

00:22:08,230 --> 00:22:06,159

yeah well there's got to be some sort of

640

00:22:09,669 --> 00:22:08,240

validity to those uh

641

00:22:11,350 --> 00:22:09,679

claims because

642

00:22:13,029 --> 00:22:11,360

some of the stuff that these crafts are

643

00:22:15,669 --> 00:22:13,039

capable of doing is just appearing and

644

00:22:17,669 --> 00:22:15,679

disappearing in one spot or

645

00:22:20,310 --> 00:22:17,679

appearing at three different places at

646

00:22:22,870 --> 00:22:20,320

the same time like a lot like what

647

00:22:25,830 --> 00:22:22,880

electrons do around right so

648

00:22:26,549 --> 00:22:25,840

it's just weird uh yeah so i'm gonna say

649

00:22:29,909 --> 00:22:26,559

that

650

00:22:31,830 --> 00:22:29,919

both those shows season one season two

651
00:22:34,230 --> 00:22:31,840
great shows i would definitely recommend

652
00:22:36,549 --> 00:22:34,240
them for yeah yeah it was well done it's

653
00:22:38,310 --> 00:22:36,559
produced well they uh refrained from

654
00:22:40,630 --> 00:22:38,320
being too opinionated it's like they

655
00:22:42,789 --> 00:22:40,640
knew that people were gonna just break

656
00:22:44,310 --> 00:22:42,799
them over the coals if they even said

657
00:22:46,549 --> 00:22:44,320
the slightest thing that could be taken

658
00:22:48,789 --> 00:22:46,559
the wrong way so they definitely made it

659
00:22:49,590 --> 00:22:48,799
clear that here's our position we don't

660
00:22:52,870 --> 00:22:49,600
know

661
00:22:54,710 --> 00:22:52,880
threat somebody's looking at it and

662
00:22:56,549 --> 00:22:54,720
we're getting to the bottom of it right

663
00:22:59,270 --> 00:22:56,559

but on them for keeping it real i'm a

664

00:23:01,590 --> 00:22:59,280

yay for uh unidentified inside america's

665

00:23:03,669 --> 00:23:01,600

ufo investigation

666

00:23:05,110 --> 00:23:03,679

good now

667

00:23:07,510 --> 00:23:05,120

you want to talk about steven grier's

668

00:23:10,149 --> 00:23:07,520

movies i like stephen greer i know we've

669

00:23:12,630 --> 00:23:10,159

chatted at length and uh sometimes the

670

00:23:15,190 --> 00:23:12,640

opinions vary a bit but i think when he

671

00:23:17,510 --> 00:23:15,200

first came out with unacknowledged

672

00:23:19,669 --> 00:23:17,520

i mean here's an emergency room

673

00:23:21,190 --> 00:23:19,679

physician this guy and i was a med

674

00:23:22,230 --> 00:23:21,200

student so i understand the path it

675

00:23:24,630 --> 00:23:22,240

would have taken to become a

676
00:23:25,909 --> 00:23:24,640
full-fledged doctor and cardiologist and

677
00:23:28,070 --> 00:23:25,919
all the rest i decided to be an

678
00:23:29,669 --> 00:23:28,080
entrepreneur instead it matches my

679
00:23:31,350 --> 00:23:29,679
personality better

680
00:23:33,190 --> 00:23:31,360
but i had the grades to do it if i

681
00:23:35,350 --> 00:23:33,200
wanted to right so i have a real

682
00:23:37,830 --> 00:23:35,360
appreciation for this guy because to be

683
00:23:39,590 --> 00:23:37,840
an emergency room doctor is not any

684
00:23:42,230 --> 00:23:39,600
doctor wants to do this or is even

685
00:23:44,310 --> 00:23:42,240
capable your average family physician

686
00:23:46,710 --> 00:23:44,320
is kind of like a veterinarian they have

687
00:23:48,710 --> 00:23:46,720
time they have study guides they have

688
00:23:50,710 --> 00:23:48,720

people they can ask for advice and

689

00:23:52,310 --> 00:23:50,720

opinions and if it's the subject they're

690

00:23:54,149 --> 00:23:52,320

not familiar with they refer you to a

691

00:23:55,990 --> 00:23:54,159

specialist right a guy that's an

692

00:23:57,909 --> 00:23:56,000

emergency room tech has

693

00:24:00,070 --> 00:23:57,919

seconds to decide what to do to save

694

00:24:01,909 --> 00:24:00,080

somebody's life a guy comes in with a

695

00:24:03,430 --> 00:24:01,919

chainsaw in his head

696

00:24:06,470 --> 00:24:03,440

you're the guy to figure out hey what do

697

00:24:08,390 --> 00:24:06,480

we do doc so for a guy to take that type

698

00:24:10,549 --> 00:24:08,400

of career he's already making crazy

699

00:24:12,470 --> 00:24:10,559

money and doing all that and he did have

700

00:24:13,669 --> 00:24:12,480

a near-death experience as a younger

701
00:24:15,909 --> 00:24:13,679
person

702
00:24:17,269 --> 00:24:15,919
he knows what it's like to die this is

703
00:24:19,110 --> 00:24:17,279
according to him

704
00:24:20,789 --> 00:24:19,120
and when you when you know death you

705
00:24:22,870 --> 00:24:20,799
don't fear death and that kind of

706
00:24:24,630 --> 00:24:22,880
changed his outlook on a lot of things

707
00:24:26,630 --> 00:24:24,640
got into esoteric sciences and

708
00:24:28,230 --> 00:24:26,640
meditation and all that and made a

709
00:24:30,950 --> 00:24:28,240
full-fledged transition from being an

710
00:24:33,110 --> 00:24:30,960
emergency room doctor to being one of

711
00:24:36,870 --> 00:24:33,120
the main proponents and the main reason

712
00:24:39,110 --> 00:24:36,880
that that 2001 um press club conference

713
00:24:41,350 --> 00:24:39,120

happened in washington and you had all

714

00:24:43,430 --> 00:24:41,360

these guys that worked for you know the

715

00:24:45,350 --> 00:24:43,440

the faa and for the government and even

716

00:24:48,149 --> 00:24:45,360

paul hellyer the minister of canadian

717

00:24:50,390 --> 00:24:48,159

defense and all these big names all

718

00:24:52,950 --> 00:24:50,400

testified in front of congress or it was

719

00:24:55,190 --> 00:24:52,960

kind of like a sub testimonial it wasn't

720

00:24:57,830 --> 00:24:55,200

officially in congress but it was the

721

00:24:59,269 --> 00:24:57,840

national press club and they all got to

722

00:25:01,669 --> 00:24:59,279

say their piece they went on for days

723

00:25:03,029 --> 00:25:01,679

and days and that's what really got him

724

00:25:03,909 --> 00:25:03,039

started so when he came out with this

725

00:25:07,430 --> 00:25:03,919

movie

726

00:25:09,830 --> 00:25:07,440

um it basically it's it's the story of

727

00:25:11,830 --> 00:25:09,840

what's led up to now right right you

728

00:25:15,029 --> 00:25:11,840

know it's it's the fill into the data

729

00:25:17,269 --> 00:25:15,039

from area 51 and you know project blue

730

00:25:19,190 --> 00:25:17,279

book well what's happened since then if

731

00:25:21,110 --> 00:25:19,200

you don't know watch unacknowledge and

732

00:25:22,789 --> 00:25:21,120

you know even steven tyler was on the

733

00:25:23,909 --> 00:25:22,799

joe rogan podcast and he just kept

734

00:25:26,149 --> 00:25:23,919

saying it you got to watch

735

00:25:28,149 --> 00:25:26,159

unacknowledged yeah what is it you got

736

00:25:30,310 --> 00:25:28,159

to watch unacknowledged so yeah that's

737

00:25:32,149 --> 00:25:30,320

my advice too i'm a big yay

738

00:25:34,070 --> 00:25:32,159

i think it's on amazon prime maybe some

739

00:25:36,950 --> 00:25:34,080

other platforms right now but

740

00:25:39,750 --> 00:25:36,960

yeah no i'll give it an a as well

741

00:25:42,230 --> 00:25:39,760

because i really like those movies i've

742

00:25:43,750 --> 00:25:42,240

had my opinions obviously at times about

743

00:25:46,789 --> 00:25:43,760

certain things about

744

00:25:48,710 --> 00:25:46,799

dr grier's career but it's i do agree

745

00:25:49,990 --> 00:25:48,720

with what you're saying if it's not for

746

00:25:51,510 --> 00:25:50,000

him you know having that press

747

00:25:53,750 --> 00:25:51,520

conference

748

00:25:55,990 --> 00:25:53,760

that put a lot of pressure it should

749

00:25:59,269 --> 00:25:56,000

have gotten way much more publicity than

750

00:26:01,350 --> 00:25:59,279

it did get yeah you're right um

751
00:26:02,230 --> 00:26:01,360
but no anything he comes out with i do

752
00:26:05,190 --> 00:26:02,240
watch

753
00:26:07,110 --> 00:26:05,200
and now i i can sense the hesitation in

754
00:26:09,029 --> 00:26:07,120
your voice because i'm your buddy

755
00:26:11,430 --> 00:26:09,039
so let's talk about movie number two

756
00:26:13,669 --> 00:26:11,440
this is where it all comes together so

757
00:26:16,070 --> 00:26:13,679
second movie is close encounters of the

758
00:26:17,350 --> 00:26:16,080
fifth kind and these aren't like

759
00:26:19,669 --> 00:26:17,360
fictional movies this is like a

760
00:26:21,430 --> 00:26:19,679
documentary based movie close encounters

761
00:26:23,269 --> 00:26:21,440
of the fifth kind i guess it's kind of

762
00:26:25,110 --> 00:26:23,279
like a play on that steven spielberg

763
00:26:26,950 --> 00:26:25,120

close encounters with the third kind but

764

00:26:28,549 --> 00:26:26,960

there are legitimate you know close

765

00:26:30,789 --> 00:26:28,559

encounter the first kind as you see a

766

00:26:32,870 --> 00:26:30,799

craft or you see a light close encounter

767

00:26:35,350 --> 00:26:32,880

the second time you actually you know

768

00:26:38,470 --> 00:26:35,360

see the the inhabitants kind of thing

769

00:26:39,590 --> 00:26:38,480

third kind you interact with life

770

00:26:41,590 --> 00:26:39,600

and then you make it all the way up to

771

00:26:42,950 --> 00:26:41,600

the fifth kind which is collective

772

00:26:46,230 --> 00:26:42,960

meditation

773

00:26:48,310 --> 00:26:46,240

causing visitation like you summon them

774

00:26:51,350 --> 00:26:48,320

and they come to you if you're right of

775

00:26:53,830 --> 00:26:51,360

heart and right of mind so now it's gone

776

00:26:56,310 --> 00:26:53,840

way out there in quantum land so i know

777

00:26:58,549 --> 00:26:56,320

you're a little bit skeptical because he

778

00:27:00,710 --> 00:26:58,559

is charging for these courses now right

779

00:27:03,190 --> 00:27:00,720

like i think you pay five grand to go

780

00:27:04,830 --> 00:27:03,200

sit in a desert new mexico and yeah

781

00:27:06,789 --> 00:27:04,840

bring your own lunch

782

00:27:08,950 --> 00:27:06,799

maybe some lights flashing in the desert

783

00:27:10,630 --> 00:27:08,960

but yeah but if you watch the actual

784

00:27:13,269 --> 00:27:10,640

documentary a lot of the information

785

00:27:15,110 --> 00:27:13,279

that he talks about was like you know

786

00:27:17,110 --> 00:27:15,120

legitimate government people that wanted

787

00:27:19,990 --> 00:27:17,120

to have disclosure many years ago in the

788

00:27:22,789 --> 00:27:20,000

80s and early 90s and they were stifled

789

00:27:25,269 --> 00:27:22,799

by either government um sort of covert

790

00:27:26,710 --> 00:27:25,279

projects or legitimate spooky [h__h] that

791

00:27:28,789 --> 00:27:26,720

scared the hell out of people that said

792

00:27:31,190 --> 00:27:28,799

i don't want to go into this any further

793

00:27:33,590 --> 00:27:31,200

so i think the second movie is a lot

794

00:27:35,590 --> 00:27:33,600

more on like an esoteric level

795

00:27:37,669 --> 00:27:35,600

it's kind of like

796

00:27:39,830 --> 00:27:37,679

going down the rabbit hole in terms of

797

00:27:41,750 --> 00:27:39,840

what does this all mean he's now a big

798

00:27:44,310 --> 00:27:41,760

proponent of consciousness and we're all

799

00:27:46,149 --> 00:27:44,320

one and when we realize that we become

800

00:27:48,789 --> 00:27:46,159

just like the aliens so it's a little

801
00:27:50,950 --> 00:27:48,799
bit deep it's easily digestible though

802
00:27:52,630 --> 00:27:50,960
it's not over most people's pay grade

803
00:27:54,950 --> 00:27:52,640
you might have to watch it once or twice

804
00:27:56,710 --> 00:27:54,960
but my advice if you watch something he

805
00:27:58,549 --> 00:27:56,720
says it doesn't quite jive rewind it

806
00:28:00,950 --> 00:27:58,559
watch it again watch it two or three

807
00:28:03,590 --> 00:28:00,960
times it'll make sense and i think he's

808
00:28:05,510 --> 00:28:03,600
a lot more brilliant than we think

809
00:28:07,110 --> 00:28:05,520
i think he's gone a little bit crazy but

810
00:28:09,510 --> 00:28:07,120
maybe he's like

811
00:28:11,909 --> 00:28:09,520
punch drunk love kind of thing like he's

812
00:28:14,230 --> 00:28:11,919
had legitimate imagine if what he's

813
00:28:16,149 --> 00:28:14,240

saying is true he's gone in the desert

814

00:28:18,789 --> 00:28:16,159

he's collectively meditated where people

815

00:28:22,470 --> 00:28:18,799

feel love and oneness and they've

816

00:28:24,710 --> 00:28:22,480

reached out they've had a a common idea

817

00:28:26,549 --> 00:28:24,720

and um you know they're summoning these

818

00:28:28,789 --> 00:28:26,559

things like come see us you're welcome

819

00:28:31,029 --> 00:28:28,799

here we want to interact with you

820

00:28:32,710 --> 00:28:31,039

imagine that [h__h] actually works you'd

821

00:28:34,389 --> 00:28:32,720

go kind of cuckoo too and that's all you

822

00:28:36,789 --> 00:28:34,399

would be focused on for the rest of your

823

00:28:39,350 --> 00:28:36,799

life if it actually works so i think his

824

00:28:42,149 --> 00:28:39,360

current behavior matches somebody who's

825

00:28:45,110 --> 00:28:42,159

had success from something that is legit

826

00:28:47,190 --> 00:28:45,120

and not quite as crazy as we think

827

00:28:49,190 --> 00:28:47,200

and he's just a big brain and those

828

00:28:50,710 --> 00:28:49,200

people are a little bit strange anyway

829

00:28:53,190 --> 00:28:50,720

but i think stephen greer is the real

830

00:28:55,190 --> 00:28:53,200

deal maybe i'm yeah if it wasn't male on

831

00:28:57,430 --> 00:28:55,200

that but i think he's a real deal if it

832

00:28:59,909 --> 00:28:57,440

wasn't because of the amount of money

833

00:29:01,830 --> 00:28:59,919

that he charges people and that he's

834

00:29:03,350 --> 00:29:01,840

charged people before for

835

00:29:04,870 --> 00:29:03,360

you know a lot of different things

836

00:29:07,269 --> 00:29:04,880

throughout his career

837

00:29:09,750 --> 00:29:07,279

but if it was true

838

00:29:11,830 --> 00:29:09,760

that he can actually you know as a group

839

00:29:13,830 --> 00:29:11,840

if we all meditate and focus so we can

840

00:29:16,710 --> 00:29:13,840

make them appear

841

00:29:18,950 --> 00:29:16,720

he's capitalizing on it right he's

842

00:29:21,190 --> 00:29:18,960

making money off of it it's like a tour

843

00:29:23,830 --> 00:29:21,200

guide now like come out to the desert

844

00:29:26,549 --> 00:29:23,840

and we'll all meditate making 400k a

845

00:29:29,110 --> 00:29:26,559

year as an er physician so should

846

00:29:32,070 --> 00:29:29,120

somebody be able to feed their family

847

00:29:35,110 --> 00:29:32,080

and do something they love yeah um if

848

00:29:37,110 --> 00:29:35,120

it's based on negative terms uh you know

849

00:29:38,789 --> 00:29:37,120

yeah i don't think so but i don't

850

00:29:42,389 --> 00:29:38,799

begrudge anybody making a living for

851

00:29:44,549 --> 00:29:42,399

sure if it if it makes you a better

852

00:29:46,470 --> 00:29:44,559

person if you go if you go to the frig

853

00:29:48,389 --> 00:29:46,480

in south america and have an ayahuasca

854

00:29:49,750 --> 00:29:48,399

trip and the guy that organizes that's

855

00:29:51,909 --> 00:29:49,760

making 10 grand a month i don't give a

856

00:29:53,510 --> 00:29:51,919

[h__\h] if that changes my life it was

857

00:29:55,110 --> 00:29:53,520

worth it for me so

858

00:29:56,470 --> 00:29:55,120

i don't begrudge of making a living i

859

00:29:59,990 --> 00:29:56,480

don't think people should get rich off

860

00:30:03,269 --> 00:30:00,000

of this stuff but see if if i was

861

00:30:05,029 --> 00:30:03,279

guaranteed to see ufos and have one of

862

00:30:07,190 --> 00:30:05,039

those trips uh

863

00:30:09,990 --> 00:30:07,200

then it would be worth the money right

864

00:30:12,630 --> 00:30:10,000

yeah i'd be like yeah let's get uh so

865

00:30:14,789 --> 00:30:12,640

you need to do ayahwasca and see aliens

866

00:30:17,350 --> 00:30:14,799

isn't that enough to kill most people i

867

00:30:18,789 --> 00:30:17,360

just let's bring it on

868

00:30:21,190 --> 00:30:18,799

let's just see how i'm gonna be here and

869

00:30:23,909 --> 00:30:21,200

i could make myself i'm paying that kind

870

00:30:25,190 --> 00:30:23,919

of money i want my money's worth uh so

871

00:30:27,110 --> 00:30:25,200

if you want you could eat a bunch of

872

00:30:28,549 --> 00:30:27,120

mushrooms and i'll dress up like a gray

873

00:30:30,820 --> 00:30:28,559

and just scare the [\h__\h] out of you i'll

874

00:30:34,149 --> 00:30:30,830

do it for half price that's not the same

875

00:30:35,909 --> 00:30:34,159

[Laughter]

876

00:30:38,070 --> 00:30:35,919

all right so we're both a yes for

877

00:30:40,630 --> 00:30:38,080

stephen greer sometimes begrudgingly but

878

00:30:42,870 --> 00:30:40,640

we're both a yay yes i want to say the

879

00:30:45,750 --> 00:30:42,880

the encounters of the fifth kind like i

880

00:30:48,789 --> 00:30:45,760

said i'm not a huge believer in

881

00:30:51,190 --> 00:30:48,799

what says ce5 is is the term for it uh

882

00:30:53,029 --> 00:30:51,200

i'm not a huge believer in that i'm a

883

00:30:55,190 --> 00:30:53,039

huge believer in that i think it's real

884

00:30:57,430 --> 00:30:55,200

well see well there you go then try to

885

00:30:59,669 --> 00:30:57,440

convert me it has to be bro at the plank

886

00:31:01,190 --> 00:30:59,679

scale we are all one like i'm into that

887

00:31:02,870 --> 00:31:01,200

maybe i'm just a hippie at heart or

888

00:31:04,470 --> 00:31:02,880

something but yeah i think you could get

889

00:31:06,470 --> 00:31:04,480

there i'm pretty sure

890

00:31:08,389 --> 00:31:06,480

everything magical happens if you can

891

00:31:10,470 --> 00:31:08,399

really get your brain

892

00:31:12,549 --> 00:31:10,480

i i think there's something to it maybe

893

00:31:15,509 --> 00:31:12,559

it's a little bit over dramatized i've

894

00:31:16,950 --> 00:31:15,519

heard reports that he's timed flares

895

00:31:19,110 --> 00:31:16,960

like there's been planes that drop

896

00:31:21,350 --> 00:31:19,120

flares and then hey everybody look it's

897

00:31:23,110 --> 00:31:21,360

those red globe like i don't know

898

00:31:24,789 --> 00:31:23,120

i've heard that he's full of [h__h] but i

899

00:31:27,190 --> 00:31:24,799

i really want to believe that he's not

900

00:31:29,269 --> 00:31:27,200

and yeah mainly not because of him i

901
00:31:30,389 --> 00:31:29,279
could care less about him i just wish it

902
00:31:32,710 --> 00:31:30,399
was true that we could actually

903
00:31:34,870 --> 00:31:32,720
interface with these things if we get

904
00:31:36,870 --> 00:31:34,880
disciplined enough if we get pure enough

905
00:31:39,269 --> 00:31:36,880
at heart we can make that happen i'd

906
00:31:40,630 --> 00:31:39,279
like to believe that that's possible so

907
00:31:42,230 --> 00:31:40,640
i don't want to believe it's it's all

908
00:31:44,950 --> 00:31:42,240
fake so that's why i'm giving him a

909
00:31:47,509 --> 00:31:44,960
thumbs up optimistic everybody that gets

910
00:31:49,669 --> 00:31:47,519
like a really close encounter with

911
00:31:51,830 --> 00:31:49,679
any entities it's always because they're

912
00:31:53,750 --> 00:31:51,840
at the wrong place wrong time

913
00:31:56,230 --> 00:31:53,760

you know like they're i was driving by

914

00:31:57,110 --> 00:31:56,240

myself down this dark road of course you

915

00:31:59,190 --> 00:31:57,120

were

916

00:32:00,870 --> 00:31:59,200

like every time you're isolated they're

917

00:32:03,190 --> 00:32:00,880

like hey that's easy pickings let's go

918

00:32:04,789 --> 00:32:03,200

after that and that's usually those are

919

00:32:06,789 --> 00:32:04,799

the lucky people you know the people

920

00:32:09,190 --> 00:32:06,799

that actually the intention behind those

921

00:32:10,789 --> 00:32:09,200

type of encounters is not the same as

922

00:32:12,549 --> 00:32:10,799

we're summoning them

923

00:32:13,909 --> 00:32:12,559

to come and you know enlighten us or

924

00:32:15,269 --> 00:32:13,919

even just show that they're there you

925

00:32:17,669 --> 00:32:15,279

know i've heard stories of people that

926
00:32:19,830 --> 00:32:17,679
said they were meditating and they saw a

927
00:32:22,070 --> 00:32:19,840
craft and it zipped off and they were

928
00:32:23,990 --> 00:32:22,080
like oh no come back and the thing came

929
00:32:26,549 --> 00:32:24,000
back and then stayed for a second and

930
00:32:28,710 --> 00:32:26,559
then zipped off again so there they

931
00:32:29,430 --> 00:32:28,720
understood their petition they could you

932
00:32:31,190 --> 00:32:29,440
know

933
00:32:32,630 --> 00:32:31,200
so i'd like to believe it's real i

934
00:32:34,870 --> 00:32:32,640
haven't had one of those experiences

935
00:32:36,789 --> 00:32:34,880
i'll be honest but all right so i'd like

936
00:32:38,950 --> 00:32:36,799
to try it for sure i'd like to get to

937
00:32:40,789 --> 00:32:38,960
that master of your domain level where

938
00:32:41,669 --> 00:32:40,799

you could actually communicate with some

939

00:32:43,909 --> 00:32:41,679

ancient

940

00:32:45,909 --> 00:32:43,919

ideas maybe it's just transient energy

941

00:32:47,509 --> 00:32:45,919

that's like a radio station that we can

942

00:32:49,990 --> 00:32:47,519

all uplink to

943

00:32:52,710 --> 00:32:50,000

and download info maybe that's just the

944

00:32:54,710 --> 00:32:52,720

sum of all the knowledge of the cosmos

945

00:32:56,950 --> 00:32:54,720

is available at some level if you're

946

00:32:58,950 --> 00:32:56,960

there you know yeah if you're the master

947

00:33:02,470 --> 00:32:58,960

kind of thing right so i just think it's

948

00:33:04,389 --> 00:33:02,480

super cool so i don't want to [h__h] on it

949

00:33:06,149 --> 00:33:04,399

fair enough that's the one

950

00:33:08,149 --> 00:33:06,159

no like i said i'll watch anything that

951
00:33:10,389 --> 00:33:08,159
he comes out with like i watch his

952
00:33:13,269 --> 00:33:10,399
documentaries but i

953
00:33:15,750 --> 00:33:13,279
for that one i'm i wasn't too keen on it

954
00:33:18,870 --> 00:33:15,760
as much as maybe you were but yeah i'm

955
00:33:22,470 --> 00:33:18,880
gonna give uh i'm gonna give a b

956
00:33:24,710 --> 00:33:22,480
to uh yeah dr gur movies yeah so i know

957
00:33:27,029 --> 00:33:24,720
we've been uh these are all pro who do

958
00:33:28,789 --> 00:33:27,039
you know that you think is just totally

959
00:33:32,149 --> 00:33:28,799
full of it like let's give our our

960
00:33:34,630 --> 00:33:32,159
viewers a hand dan romanek stan romanek

961
00:33:36,789 --> 00:33:34,640
stan romanek yeah i believe that's his

962
00:33:38,470 --> 00:33:36,799
name yeah i've heard of him i think i've

963
00:33:41,269 --> 00:33:38,480

watched he had a whole bunch of

964

00:33:44,389 --> 00:33:41,279

encounters i think right supposedly well

965

00:33:47,430 --> 00:33:44,399

allegedly he was being followed by

966

00:33:49,830 --> 00:33:47,440

ufos and people saw that yes there's

967

00:33:51,350 --> 00:33:49,840

something strange with him that you know

968

00:33:53,110 --> 00:33:51,360

these things seem to be attracted to a

969

00:33:55,269 --> 00:33:53,120

woman and he started claiming he was

970

00:33:56,950 --> 00:33:55,279

abducted by aliens

971

00:33:58,630 --> 00:33:56,960

and

972

00:34:00,950 --> 00:33:58,640

then they're playing peek-a-boo with him

973

00:34:03,909 --> 00:34:00,960

in the windows at night or in the

974

00:34:06,789 --> 00:34:03,919

hallways just but you could tell us

975

00:34:08,710 --> 00:34:06,799

to me it's like a cheap balloon or like

976

00:34:11,109 --> 00:34:08,720

a pip papi mache

977

00:34:12,470 --> 00:34:11,119

uh sort of head that he came up with

978

00:34:14,069 --> 00:34:12,480

that's just playing peek-a-boo with them

979

00:34:15,750 --> 00:34:14,079

in the hallway

980

00:34:17,270 --> 00:34:15,760

or through the window like it's just

981

00:34:18,950 --> 00:34:17,280

it's always just

982

00:34:21,829 --> 00:34:18,960

peeking up and then going back down so i

983

00:34:23,109 --> 00:34:21,839

call it peekaboo anyways

984

00:34:24,710 --> 00:34:23,119

i thought that was starting to get

985

00:34:25,589 --> 00:34:24,720

really stupid i'm like why would they

986

00:34:28,470 --> 00:34:25,599

travel

987

00:34:29,909 --> 00:34:28,480

light years just to get here to take you

988

00:34:31,510 --> 00:34:29,919

but instead of taking you they're gonna

989

00:34:34,230 --> 00:34:31,520

play peek-a-boo with you knowing full

990

00:34:37,669 --> 00:34:34,240

well you're recording them

991

00:34:40,710 --> 00:34:37,679

it makes no sense yeah right and

992

00:34:42,629 --> 00:34:40,720

yeah after a while uh people were were

993

00:34:44,230 --> 00:34:42,639

paying him he had almost like a

994

00:34:47,270 --> 00:34:44,240

following as well

995

00:34:49,829 --> 00:34:47,280

like he almost became like a guru of of

996

00:34:51,510 --> 00:34:49,839

ufology like he had this weird

997

00:34:53,829 --> 00:34:51,520

thing about him

998

00:34:55,510 --> 00:34:53,839

and then this one time on the i think it

999

00:34:57,910 --> 00:34:55,520

was a zoom call

1000

00:34:59,829 --> 00:34:57,920

he's uh you know about high strangeness

1001
00:35:01,510 --> 00:34:59,839
you know just weird things happening all

1002
00:35:04,069 --> 00:35:01,520
the time he was he was saying that

1003
00:35:06,310 --> 00:35:04,079
things were always flying around him

1004
00:35:08,790 --> 00:35:06,320
and you could totally tell that his

1005
00:35:11,270 --> 00:35:08,800
finger came up and released like this

1006
00:35:13,030 --> 00:35:11,280
like the the pencil

1007
00:35:15,589 --> 00:35:13,040
you could tell it was his hand that

1008
00:35:16,950 --> 00:35:15,599
flicked the pencil at his own face

1009
00:35:19,430 --> 00:35:16,960
you could tell it was him he's like oh

1010
00:35:22,390 --> 00:35:19,440
it's high strangeness it's like the dude

1011
00:35:23,430 --> 00:35:22,400
he flicked the old pencil like just yeah

1012
00:35:26,230 --> 00:35:23,440
and then

1013
00:35:28,550 --> 00:35:26,240

the people give the ufology a bad name

1014

00:35:30,870 --> 00:35:28,560

right there they're what the skeptics go

1015

00:35:32,550 --> 00:35:30,880

on and say look you believe that like

1016

00:35:34,870 --> 00:35:32,560

you know you believe the same [h__h] as

1017

00:35:36,870 --> 00:35:34,880

this idiot yeah and you know maybe those

1018

00:35:39,910 --> 00:35:36,880

people are planted who knows maybe it

1019

00:35:42,230 --> 00:35:39,920

really is misinformation and what's five

1020

00:35:43,829 --> 00:35:42,240

or 15 minutes of fame you know for these

1021

00:35:45,670 --> 00:35:43,839

people or they think oh they're they're

1022

00:35:47,190 --> 00:35:45,680

actually believing this like i i've

1023

00:35:48,310 --> 00:35:47,200

actually fooled them like i could get

1024

00:35:50,230 --> 00:35:48,320

into this

1025

00:35:51,430 --> 00:35:50,240

there was a guy in belgium his name was

1026

00:35:55,829 --> 00:35:51,440

billy

1027

00:35:57,670 --> 00:35:55,839

apparently i think the people he

1028

00:35:59,510 --> 00:35:57,680

communicated with were the player in or

1029

00:36:01,349 --> 00:35:59,520

something like that you really got to

1030

00:36:02,550 --> 00:36:01,359

read about this guy because it's deep we

1031

00:36:04,710 --> 00:36:02,560

don't have enough time on this show to

1032

00:36:06,069 --> 00:36:04,720

talk about it long story short he

1033

00:36:08,470 --> 00:36:06,079

believes he's been in communication with

1034

00:36:11,190 --> 00:36:08,480

these people for years uh he's been able

1035

00:36:13,030 --> 00:36:11,200

to ask them things at various points in

1036

00:36:15,589 --> 00:36:13,040

his life where he needed direction and

1037

00:36:16,710 --> 00:36:15,599

all the rest but at the end of it to sum

1038

00:36:19,030 --> 00:36:16,720

it all up

1039

00:36:21,109 --> 00:36:19,040

uh you know they know all about us

1040

00:36:23,109 --> 00:36:21,119

they're much older than we are they

1041

00:36:25,750 --> 00:36:23,119

don't live and die like we do they just

1042

00:36:27,270 --> 00:36:25,760

become to the point of like light beings

1043

00:36:29,589 --> 00:36:27,280

where they have a physical form but

1044

00:36:31,349 --> 00:36:29,599

that's only for our recognition

1045

00:36:33,829 --> 00:36:31,359

and they're benevolent and they care

1046

00:36:36,950 --> 00:36:33,839

about us and they acknowledge the

1047

00:36:38,790 --> 00:36:36,960

existence of a supreme creator like even

1048

00:36:41,670 --> 00:36:38,800

some of these aliens believe in god you

1049

00:36:43,510 --> 00:36:41,680

know like it's it's very reinforcing if

1050

00:36:45,190 --> 00:36:43,520

you're already of that opinion and it's

1051

00:36:47,829 --> 00:36:45,200

very interesting if you're already not

1052

00:36:49,589 --> 00:36:47,839

so right um yeah i i would say if we're

1053

00:36:51,750 --> 00:36:49,599

just tossing names out of random people

1054

00:36:54,150 --> 00:36:51,760

that have crazy stories look at billy

1055

00:36:56,470 --> 00:36:54,160

meyer m-e-i-e-r

1056

00:36:57,349 --> 00:36:56,480

and uh most of his stuff is in german or

1057

00:37:01,190 --> 00:36:57,359

um

1058

00:37:02,870 --> 00:37:01,200

like tri-language but yeah uh if you

1059

00:37:04,390 --> 00:37:02,880

look up billy uh billy myers there's

1060

00:37:05,430 --> 00:37:04,400

been you know some english speak

1061

00:37:07,589 --> 00:37:05,440

speaking people that have done

1062

00:37:09,750 --> 00:37:07,599

documentaries on him he's got pictures

1063

00:37:11,190 --> 00:37:09,760

of these things he'd go outside and

1064

00:37:13,190 --> 00:37:11,200

you know sing a hymn and they would show

1065

00:37:15,670 --> 00:37:13,200

up and he's got photographs like actual

1066

00:37:17,990 --> 00:37:15,680

film which is a lot harder to fake than

1067

00:37:20,150 --> 00:37:18,000

digital stuff nowadays right like yeah

1068

00:37:22,710 --> 00:37:20,160

potential effects in movies the guy had

1069

00:37:24,870 --> 00:37:22,720

one arm like just think about it the guy

1070

00:37:26,390 --> 00:37:24,880

the guy had one arm yeah how is he going

1071

00:37:27,430 --> 00:37:26,400

to fake it like he's got to hold the

1072

00:37:29,190 --> 00:37:27,440

camera

1073

00:37:30,710 --> 00:37:29,200

while trying to like what throw a

1074

00:37:33,430 --> 00:37:30,720

frisbee-sized

1075

00:37:36,150 --> 00:37:33,440

ufo and capture it just in time with his

1076

00:37:38,710 --> 00:37:36,160

one arm he looks like a one-armed zzz

1077

00:37:40,950 --> 00:37:38,720

top with a similar life to calvin parker

1078

00:37:42,630 --> 00:37:40,960

like never wanted any fame from this but

1079

00:37:43,990 --> 00:37:42,640

yeah they've been talking to me for

1080

00:37:45,990 --> 00:37:44,000

years so what the hell they might as

1081

00:37:47,990 --> 00:37:46,000

well bring it out in the open so

1082

00:37:50,310 --> 00:37:48,000

similar in that respect

1083

00:37:52,710 --> 00:37:50,320

and who knows maybe he was right i don't

1084

00:37:54,710 --> 00:37:52,720

some people swear by it by it to get

1085

00:37:56,870 --> 00:37:54,720

these books that it's really good i

1086

00:37:58,870 --> 00:37:56,880

never got my hands on any copies i keep

1087

00:38:01,510 --> 00:37:58,880

looking every time but i'm at the

1088

00:38:03,670 --> 00:38:01,520

bookstore but yeah yeah i don't uh so

1089

00:38:06,150 --> 00:38:03,680

back to your stan romanek why why is it

1090

00:38:07,589 --> 00:38:06,160

an a in your mind and i don't know him a

1091

00:38:08,390 --> 00:38:07,599

or b i've heard the name but i don't

1092

00:38:09,910 --> 00:38:08,400

know

1093

00:38:12,310 --> 00:38:09,920

if he's full of it or not i don't have

1094

00:38:15,030 --> 00:38:12,320

an opinion just just because of who he

1095

00:38:18,390 --> 00:38:15,040

is uh and then he he got caught with uh

1096

00:38:20,790 --> 00:38:18,400

kitty porn too yeah so yeah that sucks

1097

00:38:22,550 --> 00:38:20,800

and that pretty much ruins everything as

1098

00:38:23,349 --> 00:38:22,560

far as i'm concerned that he's ever said

1099

00:38:24,470 --> 00:38:23,359

right

1100

00:38:29,510 --> 00:38:24,480

so

1101
00:38:33,430 --> 00:38:29,520
yeah pretty much pretty much i uh let's

1102
00:38:36,390 --> 00:38:34,790
all right what about other like

1103
00:38:38,950 --> 00:38:36,400
subsequent shows that are kind of like

1104
00:38:41,109 --> 00:38:38,960
paranormal based not all necessarily

1105
00:38:43,030 --> 00:38:41,119
full uap all the time like the

1106
00:38:44,950 --> 00:38:43,040
unexplained with william shatner which

1107
00:38:47,109 --> 00:38:44,960
is a history channel production have you

1108
00:38:50,069 --> 00:38:47,119
seen any of those shapes i i haven't

1109
00:38:52,470 --> 00:38:50,079
seen many i've seen maybe two episodes

1110
00:38:54,790 --> 00:38:52,480
i liked them but i i wouldn't say that

1111
00:38:56,630 --> 00:38:54,800
i'm a conessa of uh

1112
00:38:58,950 --> 00:38:56,640
that show at all that was very french of

1113
00:39:01,109 --> 00:38:58,960

you my friend well it's what happens

1114

00:39:02,710 --> 00:39:01,119

when you have a beer you uh come out

1115

00:39:04,150 --> 00:39:02,720

with the french accent so that's all

1116

00:39:05,670 --> 00:39:04,160

right we're uh this is the evening

1117

00:39:07,510 --> 00:39:05,680

recording so what the hell we're doing

1118

00:39:09,910 --> 00:39:07,520

oh yeah for sure

1119

00:39:11,430 --> 00:39:09,920

so um yeah i i've watched quite a few of

1120

00:39:13,829 --> 00:39:11,440

those shows again they do touch on

1121

00:39:16,950 --> 00:39:13,839

different topics some of it is like you

1122

00:39:18,790 --> 00:39:16,960

know statues in france that are crying

1123

00:39:21,030 --> 00:39:18,800

you know like weird stuff like that some

1124

00:39:22,390 --> 00:39:21,040

of it is uap related some of it is

1125

00:39:24,230 --> 00:39:22,400

cryptid

1126

00:39:26,310 --> 00:39:24,240

um you know they've had some pretty

1127

00:39:28,710 --> 00:39:26,320

bizarre stuff on there people with weird

1128

00:39:30,150 --> 00:39:28,720

growths and [h__h] like that so i i think

1129

00:39:32,390 --> 00:39:30,160

it's just bill shatner being bill

1130

00:39:35,030 --> 00:39:32,400

shatner do i like bill shatner i think

1131

00:39:37,109 --> 00:39:35,040

he's awesome he's canadian we're proudly

1132

00:39:39,510 --> 00:39:37,119

canadian uh you know he's got the order

1133

00:39:41,670 --> 00:39:39,520

of canada he just went to space you know

1134

00:39:43,670 --> 00:39:41,680

he was on that's pretty cool there's not

1135

00:39:45,750 --> 00:39:43,680

much more this guy can do like would you

1136

00:39:48,790 --> 00:39:45,760

stop making us look bad those are big

1137

00:39:50,950 --> 00:39:48,800

shoes to fill bill shatner yeah but i do

1138

00:39:53,030 --> 00:39:50,960

have a great respect for the man and uh

1139

00:39:55,910 --> 00:39:53,040

again you could tell it's similar

1140

00:39:57,750 --> 00:39:55,920

production to like ancient aliens or

1141

00:39:59,990 --> 00:39:57,760

another program like the proof is out

1142

00:40:01,829 --> 00:40:00,000

there they all seem to have similar

1143

00:40:03,109 --> 00:40:01,839

guests similar

1144

00:40:07,109 --> 00:40:03,119

themes

1145

00:40:10,870 --> 00:40:09,349

you know the speaking and the uh

1146

00:40:12,630 --> 00:40:10,880

what do they call that when the guy

1147

00:40:14,710 --> 00:40:12,640

who's talking over the show oh the

1148

00:40:16,069 --> 00:40:14,720

narrator the narrator like we're doing

1149

00:40:17,990 --> 00:40:16,079

yeah the narrative always seems to be

1150

00:40:19,750 --> 00:40:18,000

pretty similar uh there's even one

1151
00:40:22,069 --> 00:40:19,760
called america's book of secrets they

1152
00:40:23,910 --> 00:40:22,079
touch on a lot of similar things

1153
00:40:26,069 --> 00:40:23,920
but i think overall the history channel

1154
00:40:28,230 --> 00:40:26,079
does a pretty good job um with all the

1155
00:40:29,670 --> 00:40:28,240
programming they have whoever's on it

1156
00:40:31,829 --> 00:40:29,680
they're putting out some good materials

1157
00:40:33,270 --> 00:40:31,839
so thank you for what it's worth but uh

1158
00:40:35,670 --> 00:40:33,280
yeah i would give anything from the

1159
00:40:36,790 --> 00:40:35,680
history channel and involving uap

1160
00:40:38,790 --> 00:40:36,800
studies

1161
00:40:41,270 --> 00:40:38,800
or ancient aliens or anything like that

1162
00:40:42,950 --> 00:40:41,280
unexplained i'd say it's it's worth it's

1163
00:40:44,550 --> 00:40:42,960

worth paying the extra couple bucks to

1164

00:40:46,630 --> 00:40:44,560

get the channel every month

1165

00:40:49,190 --> 00:40:46,640

for me i would say the uh unsolved

1166

00:40:52,150 --> 00:40:49,200

mysteries all the old ones and the new

1167

00:40:55,829 --> 00:40:52,160

ones on netflix as well they're not all

1168

00:40:57,190 --> 00:40:55,839

about uaps or like alien abductions but

1169

00:40:59,030 --> 00:40:57,200

they're good

1170

00:41:01,510 --> 00:40:59,040

the good episodes and the ones that do

1171

00:41:03,670 --> 00:41:01,520

involve uh some sort of abduction

1172

00:41:05,750 --> 00:41:03,680

scenarios they're always good

1173

00:41:07,190 --> 00:41:05,760

reenactments that are done at least the

1174

00:41:07,990 --> 00:41:07,200

story is always good

1175

00:41:08,790 --> 00:41:08,000

yeah

1176

00:41:11,430 --> 00:41:08,800

and

1177

00:41:13,430 --> 00:41:11,440

yeah i i miss the voice though i'm gonna

1178

00:41:14,950 --> 00:41:13,440

admit like in the newer episodes they

1179

00:41:17,670 --> 00:41:14,960

don't have that

1180

00:41:18,950 --> 00:41:17,680

tonight on unsolved mysteries

1181

00:41:20,870 --> 00:41:18,960

[Laughter]

1182

00:41:23,270 --> 00:41:20,880

yeah well then it became the 90s and

1183

00:41:24,470 --> 00:41:23,280

then the 2000s and then that became not

1184

00:41:26,710 --> 00:41:24,480

so cool so

1185

00:41:29,270 --> 00:41:26,720

yeah the show sort of went down after

1186

00:41:31,589 --> 00:41:29,280

that but uh i still enjoy it i i still

1187

00:41:33,349 --> 00:41:31,599

think there's some good ones in there

1188

00:41:34,630 --> 00:41:33,359

yep for sure i i get a kick out of

1189

00:41:36,150 --> 00:41:34,640

watching things that are produced in

1190

00:41:37,589 --> 00:41:36,160

different countries and you know we have

1191

00:41:39,750 --> 00:41:37,599

a lot of guests from the uk and

1192

00:41:41,430 --> 00:41:39,760

australia and all the rest and um

1193

00:41:44,550 --> 00:41:41,440

there's one that i watched on amazon

1194

00:41:48,230 --> 00:41:44,560

prime was called australian skies now

1195

00:41:48,870 --> 00:41:48,240

australian being a l i n at the end of

1196

00:41:53,349 --> 00:41:48,880

it

1197

00:41:55,349 --> 00:41:53,359

off random lights and you know

1198

00:41:57,510 --> 00:41:55,359

phenomenon and stuff like that but to

1199

00:41:59,109 --> 00:41:57,520

hear these people get so jacked up and

1200

00:42:00,950 --> 00:41:59,119

excited about the same phenomenon that

1201
00:42:03,270 --> 00:42:00,960
we're jacked up and excited about yeah

1202
00:42:04,870 --> 00:42:03,280
on the total other end of the planet uh

1203
00:42:07,270 --> 00:42:04,880
it just seemed to have a nice symmetry

1204
00:42:09,030 --> 00:42:07,280
to us it's like hey it's not just us

1205
00:42:11,430 --> 00:42:09,040
this isn't something you get on cable tv

1206
00:42:13,430 --> 00:42:11,440
it's a subscription-based program but

1207
00:42:16,230 --> 00:42:13,440
it's nice to see

1208
00:42:18,309 --> 00:42:16,240
um you know well-made productions in

1209
00:42:19,670 --> 00:42:18,319
other countries and you know our friend

1210
00:42:21,430 --> 00:42:19,680
philip mantle who we had on the show a

1211
00:42:23,510 --> 00:42:21,440
couple months ago and he was part of a

1212
00:42:24,630 --> 00:42:23,520
documentary that recently came out and

1213
00:42:26,870 --> 00:42:24,640

we're going to be interviewing more

1214

00:42:28,309 --> 00:42:26,880

people from that production as well in

1215

00:42:29,829 --> 00:42:28,319

the future but

1216

00:42:31,589 --> 00:42:29,839

it's nice to see that there's money

1217

00:42:33,270 --> 00:42:31,599

being spent on this this is high budget

1218

00:42:34,950 --> 00:42:33,280

stuff it's not tacky

1219

00:42:37,109 --> 00:42:34,960

and the stuff that they're bringing out

1220

00:42:39,190 --> 00:42:37,119

is actually new information we watch it

1221

00:42:40,309 --> 00:42:39,200

and we learn something new so

1222

00:42:42,390 --> 00:42:40,319

well

1223

00:42:44,390 --> 00:42:42,400

yeah the ratings show

1224

00:42:45,750 --> 00:42:44,400

at least the showrunners that we are

1225

00:42:48,630 --> 00:42:45,760

interested

1226

00:42:50,550 --> 00:42:48,640

in this sort of material so yeah it

1227

00:42:51,990 --> 00:42:50,560

encourages them to spend more money on

1228

00:42:53,430 --> 00:42:52,000

like okay well let's come up with season

1229

00:42:54,150 --> 00:42:53,440

two or you know

1230

00:42:56,230 --> 00:42:54,160

could

1231

00:42:58,550 --> 00:42:56,240

look at angel aliens from for crown out

1232

00:42:59,910 --> 00:42:58,560

loud obviously the ratings for that show

1233

00:43:02,309 --> 00:42:59,920

must have been really high because

1234

00:43:04,150 --> 00:43:02,319

they're continuing yeah exactly and they

1235

00:43:06,069 --> 00:43:04,160

continue making them so obviously the

1236

00:43:07,829 --> 00:43:06,079

ratings are there

1237

00:43:09,349 --> 00:43:07,839

like netflix and amazon prime and

1238

00:43:11,030 --> 00:43:09,359

netflix has been in the news lately

1239

00:43:13,030 --> 00:43:11,040

because i think they said in the first

1240

00:43:15,109 --> 00:43:13,040

quarter 200 000 people canceled their

1241

00:43:17,750 --> 00:43:15,119

subscription password sharing is

1242

00:43:19,750 --> 00:43:17,760

becoming a real problem uh they cancel a

1243

00:43:20,870 --> 00:43:19,760

series everybody loves now they boycott

1244

00:43:23,190 --> 00:43:20,880

and they don't want to watch it anymore

1245

00:43:25,589 --> 00:43:23,200

so they're facing their challenges so

1246

00:43:27,030 --> 00:43:25,599

now more than ever you have a voice by

1247

00:43:29,670 --> 00:43:27,040

what you watch

1248

00:43:31,990 --> 00:43:29,680

if you are a viewer of a show it's being

1249

00:43:33,990 --> 00:43:32,000

recorded somewhere that you dig that

1250

00:43:35,910 --> 00:43:34,000

and if there's a lack of you digging

1251
00:43:37,349 --> 00:43:35,920
those shows they don't get rerun and

1252
00:43:39,510 --> 00:43:37,359
they don't get picked up again for

1253
00:43:41,670 --> 00:43:39,520
subsequent series and they just get

1254
00:43:44,230 --> 00:43:41,680
tanked right so i think if you're into

1255
00:43:45,990 --> 00:43:44,240
this stuff consume the media absorb as

1256
00:43:47,430 --> 00:43:46,000
much of it as you can

1257
00:43:49,030 --> 00:43:47,440
hell if you like gardening read

1258
00:43:50,550 --> 00:43:49,040
everything you can possibly read on it

1259
00:43:52,870 --> 00:43:50,560
watch every video you could possibly

1260
00:43:55,270 --> 00:43:52,880
watch on it then you know that you're

1261
00:43:57,109 --> 00:43:55,280
really into that subject so if this

1262
00:43:58,630 --> 00:43:57,119
happens to be your cup of tea

1263
00:44:00,309 --> 00:43:58,640

go hard read it all make your own

1264

00:44:02,470 --> 00:44:00,319

decisions don't be a sheep right make

1265

00:44:05,270 --> 00:44:02,480

your own uh your own opinion on things

1266

00:44:07,670 --> 00:44:05,280

but don't become ignorant either because

1267

00:44:09,270 --> 00:44:07,680

we've all been opinionated at times and

1268

00:44:12,150 --> 00:44:09,280

we've been putting our place pretty

1269

00:44:13,829 --> 00:44:12,160

quick and um quickly brought back down

1270

00:44:15,510 --> 00:44:13,839

to earth you know like we don't know as

1271

00:44:17,510 --> 00:44:15,520

much as we think we do

1272

00:44:19,670 --> 00:44:17,520

having an open-mindedness to this i

1273

00:44:22,870 --> 00:44:19,680

think is key for sure oh absolutely and

1274

00:44:24,790 --> 00:44:22,880

that was also a big part of you know a

1275

00:44:26,950 --> 00:44:24,800

lot of

1276

00:44:29,349 --> 00:44:26,960

different points of views on the podcast

1277

00:44:31,750 --> 00:44:29,359

is important and i don't have any like

1278

00:44:34,630 --> 00:44:31,760

even i have my differences with the ce5

1279

00:44:37,030 --> 00:44:34,640

stuff but i want people from the ce5

1280

00:44:38,630 --> 00:44:37,040

community to come on the podcast and

1281

00:44:41,190 --> 00:44:38,640

talk about it because

1282

00:44:43,430 --> 00:44:41,200

that changes my point of view right or

1283

00:44:45,589 --> 00:44:43,440

at least allows me to say well why do

1284

00:44:46,870 --> 00:44:45,599

you believe that or how does it work

1285

00:44:48,470 --> 00:44:46,880

right

1286

00:44:50,309 --> 00:44:48,480

that's if we only had people on that

1287

00:44:52,710 --> 00:44:50,319

agreed with us this would be a one-sided

1288

00:44:54,710 --> 00:44:52,720

show oh absolutely discussion with my

1289

00:44:56,950 --> 00:44:54,720

wife the other day i said look it's not

1290

00:44:59,109 --> 00:44:56,960

about the show yeah we do a podcast we

1291

00:45:01,430 --> 00:44:59,119

talk about aliens it's not about aliens

1292

00:45:03,589 --> 00:45:01,440

it's about the show it's the people it's

1293

00:45:05,430 --> 00:45:03,599

the banter you don't have a talk show

1294

00:45:07,109 --> 00:45:05,440

unless you have talk yeah so what you're

1295

00:45:09,670 --> 00:45:07,119

talking about is just the flavor of the

1296

00:45:11,349 --> 00:45:09,680

day but you don't have anything

1297

00:45:13,589 --> 00:45:11,359

unless you have that you know what i

1298

00:45:15,670 --> 00:45:13,599

mean so yeah well

1299

00:45:18,710 --> 00:45:15,680

i'd like to consider myself like the

1300

00:45:21,589 --> 00:45:18,720

whoopi goldberg of this podcast

1301

00:45:24,630 --> 00:45:21,599

okay so i totally get what you mean

1302

00:45:26,790 --> 00:45:24,640

uh yeah i know as far as those shows go

1303

00:45:29,510 --> 00:45:26,800

you can find them on amazon

1304

00:45:30,829 --> 00:45:29,520

uh netflix has them actually even disney

1305

00:45:32,630 --> 00:45:30,839

i think has a few

1306

00:45:34,790 --> 00:45:32,640

documentaries has quite a few too i

1307

00:45:36,710 --> 00:45:34,800

wanted to mention expedition x

1308

00:45:38,150 --> 00:45:36,720

you know it's there's a few variations

1309

00:45:40,309 --> 00:45:38,160

of it it's with josh gates it's on

1310

00:45:42,870 --> 00:45:40,319

discovery channel basically it was him

1311

00:45:44,710 --> 00:45:42,880

just doing random research it's kind of

1312

00:45:47,109 --> 00:45:44,720

turned more into paranormal and uap

1313

00:45:49,829 --> 00:45:47,119

based now he has a guy and a girl i

1314

00:45:52,390 --> 00:45:49,839

think jessica and phil they're his new

1315

00:45:55,430 --> 00:45:52,400

hosts and they do things like skinwalker

1316

00:45:57,430 --> 00:45:55,440

ranch beast of bray road bigfoot and

1317

00:45:59,510 --> 00:45:57,440

he'll send them out so it kind of has a

1318

00:46:01,349 --> 00:45:59,520

tacky setup to begin with right they

1319

00:46:03,349 --> 00:46:01,359

have some really high profile guests on

1320

00:46:05,829 --> 00:46:03,359

there they've interviewed lou elizondo

1321

00:46:07,670 --> 00:46:05,839

and sean cahill they feature the tic tac

1322

00:46:09,349 --> 00:46:07,680

video on their show so they're as

1323

00:46:11,589 --> 00:46:09,359

current and up to date as everybody else

1324

00:46:13,270 --> 00:46:11,599

and it's not a very well-known program

1325

00:46:15,670 --> 00:46:13,280

but i do give it my seal of approval

1326

00:46:17,349 --> 00:46:15,680

expedition x it's on discovery channel

1327

00:46:19,030 --> 00:46:17,359

and the host is a guy named josh gates

1328

00:46:21,349 --> 00:46:19,040

he has a couple other

1329

00:46:22,950 --> 00:46:21,359

spin-off expeditions

1330

00:46:24,870 --> 00:46:22,960

but it's it's been good i've actually

1331

00:46:28,069 --> 00:46:24,880

enjoyed most of his programs which is

1332

00:46:29,750 --> 00:46:28,079

rare i'm usually 50 50 at best but uh i

1333

00:46:31,910 --> 00:46:29,760

will give that one a thumbs up before we

1334

00:46:33,589 --> 00:46:31,920

uh sign off on this episode so yeah i'll

1335

00:46:35,510 --> 00:46:33,599

have to look into that i haven't watched

1336

00:46:37,190 --> 00:46:35,520

it yet and there's like so many others

1337

00:46:39,109 --> 00:46:37,200

too you know like we mentioned the proof

1338

00:46:42,390 --> 00:46:39,119

is out there you mentioned before the

1339

00:46:45,670 --> 00:46:42,400

phenomenon um great movie yeah great

1340

00:46:47,589 --> 00:46:45,680

movie yeah so so yeah just if you don't

1341

00:46:48,710 --> 00:46:47,599

don't necessarily use the keywords you

1342

00:46:50,390 --> 00:46:48,720

would normally

1343

00:46:53,510 --> 00:46:50,400

use to search for things internet is

1344

00:46:55,190 --> 00:46:53,520

very algorithmic nowadays ufo has been

1345

00:46:57,349 --> 00:46:55,200

replaced with uap

1346

00:46:59,990 --> 00:46:57,359

if you search ufo on netflix you get one

1347

00:47:02,550 --> 00:47:00,000

set of results you search uap you get

1348

00:47:06,230 --> 00:47:02,560

different results same as amazon same as

1349

00:47:07,910 --> 00:47:06,240

youtube same as podcast land so so

1350

00:47:10,630 --> 00:47:07,920

change up your keywords you know the

1351
00:47:12,550 --> 00:47:10,640
internet is based on popular searches

1352
00:47:14,390 --> 00:47:12,560
so if you don't find as much as you want

1353
00:47:16,710 --> 00:47:14,400
using certain verbage change it up and

1354
00:47:20,870 --> 00:47:16,720
you'd be surprised what pops up so

1355
00:47:23,190 --> 00:47:20,880
happy hunting hey we also want to say uh

1356
00:47:24,950 --> 00:47:23,200
hello to sage by the way who always

1357
00:47:27,589 --> 00:47:24,960
listens to the podcast so one of our

1358
00:47:30,069 --> 00:47:27,599
biggest fans he's a great guy and he

1359
00:47:32,710 --> 00:47:30,079
wasn't super into the the topic until we

1360
00:47:34,470 --> 00:47:32,720
started uh kind of peaking his interest

1361
00:47:37,190 --> 00:47:34,480
and now he's showing us stuff you know

1362
00:47:39,829 --> 00:47:37,200
this guy is as deep as we are

1363
00:47:43,360 --> 00:47:39,839

loves it can't get enough of it so
