&
LOUIS BORGES

1
00:00:24,390 --> 00:00:21,029

[Music]

2
00:00:26,870 --> 00:00:24,400

today uh our guest is my uh good friend

3
00:00:29,029 --> 00:00:26,880

lou borges or louis borges i should say

4
00:00:31,269 --> 00:00:29,039

uh it's i call him lou because i've got

5
00:00:34,150 --> 00:00:31,279

to know him a little bit here in the

6
00:00:37,190 --> 00:00:34,160

last few months and he is a researcher

7
00:00:38,630 --> 00:00:37,200

and enthusiast a man after my own heart

8
00:00:41,590 --> 00:00:38,640

that's been investigating and

9
00:00:43,910 --> 00:00:41,600

researching ufo cases especially

10
00:00:45,750 --> 00:00:43,920

obsessed with uh reading books and

11
00:00:47,430 --> 00:00:45,760

watching documentaries and trying to

12
00:00:49,830 --> 00:00:47,440

gain the knowledge of what the hell is

13
00:00:51,510 --> 00:00:49,840

actually going on so louis thank you for

14

00:00:53,350 --> 00:00:51,520

coming on the podcast today man i really

15

00:00:55,590 --> 00:00:53,360

appreciate it thanks for having me buddy

16

00:00:57,189 --> 00:00:55,600

it's a big pleasure and uh before we

17

00:00:58,790 --> 00:00:57,199

start a little credit to you because i

18

00:01:01,349 --> 00:00:58,800

know you're very humble guy you don't

19

00:01:03,270 --> 00:01:01,359

pat yourself on the back but you've done

20

00:01:06,310 --> 00:01:03,280

extremely well with this podcast from

21

00:01:07,750 --> 00:01:06,320

what i've read over 60 000 downloads

22

00:01:09,590 --> 00:01:07,760

you know there's numerous people where

23

00:01:11,670 --> 00:01:09,600

that was their number one preferred

24

00:01:14,550 --> 00:01:11,680

podcast as far as all the available

25

00:01:15,910 --> 00:01:14,560

podcasts in the world i did some math

26

00:01:17,749 --> 00:01:15,920

you're you know with the amount of

27

00:01:20,070 --> 00:01:17,759

episodes you've done and that's like 3

28

00:01:21,990 --> 00:01:20,080

600 minutes of material

29

00:01:24,149 --> 00:01:22,000

um that you've put out and edited and

30

00:01:25,510 --> 00:01:24,159

done on your own on your own will that

31

00:01:27,670 --> 00:01:25,520

you're not getting paid to do this

32

00:01:29,830 --> 00:01:27,680

you're just uh labor of love labor of

33

00:01:31,270 --> 00:01:29,840

love for sure so good on you for that

34

00:01:32,630 --> 00:01:31,280

you need uh credit where credit's due

35

00:01:34,870 --> 00:01:32,640

you've had some pretty big names on the

36

00:01:36,550 --> 00:01:34,880

show and i'm just a normal guy i'm just

37

00:01:39,190 --> 00:01:36,560

a civilian that

38

00:01:41,190 --> 00:01:39,200

did have an experience a couple you know

39

00:01:43,510 --> 00:01:41,200

a couple experiences and then you open

40

00:01:45,830 --> 00:01:43,520

your eyes you become enthusiastic you

41

00:01:48,630 --> 00:01:45,840

know seeing is believing so seems

42

00:01:50,469 --> 00:01:48,640

ridiculous a lot of the stuff that um

43

00:01:52,550 --> 00:01:50,479

some people say or

44

00:01:55,270 --> 00:01:52,560

investigate and it kind of has a bad rap

45

00:01:56,709 --> 00:01:55,280

just the whole subject in general but um

46

00:01:58,630 --> 00:01:56,719

there's a lot of stuff coming out and i

47

00:02:00,550 --> 00:01:58,640

think that's happening for a reason now

48

00:02:02,870 --> 00:02:00,560

and i'm kind of like you i'm just

49

00:02:04,870 --> 00:02:02,880

thirsting for more information it's

50

00:02:06,310 --> 00:02:04,880

it's hard to get new information when

51
00:02:09,109 --> 00:02:06,320
you're reading about stories that happen

52
00:02:11,110 --> 00:02:09,119
in the 40s yeah 51 and all that it's

53
00:02:13,270 --> 00:02:11,120
like okay that's great now what what

54
00:02:15,350 --> 00:02:13,280
what now what's happening yeah

55
00:02:17,270 --> 00:02:15,360
where is there a good source of credible

56
00:02:19,589 --> 00:02:17,280
information and credit to you your

57
00:02:21,750 --> 00:02:19,599
podcast is one of those oh thank you man

58
00:02:24,070 --> 00:02:21,760
i really do appreciate it uh yeah i know

59
00:02:26,710 --> 00:02:24,080
it's a labor of love and i like having

60
00:02:29,190 --> 00:02:26,720
people of all walks of life and research

61
00:02:31,350 --> 00:02:29,200
um you know on the podcast as well so it

62
00:02:33,589 --> 00:02:31,360
was very important for me to have you on

63
00:02:36,150 --> 00:02:33,599

uh i always ask this whenever somebody

64

00:02:37,509 --> 00:02:36,160

comes on the podcast but something sort

65

00:02:40,229 --> 00:02:37,519

of triggers

66

00:02:42,550 --> 00:02:40,239

the interest in people either at an

67

00:02:44,869 --> 00:02:42,560

early age or because of a sighting so

68

00:02:47,670 --> 00:02:44,879

what was it that triggered you

69

00:02:49,509 --> 00:02:47,680

into uh you know ufology what was it

70

00:02:51,830 --> 00:02:49,519

that did the trick for you

71

00:02:53,430 --> 00:02:51,840

well for me it was never uh i never

72

00:02:55,750 --> 00:02:53,440

really gave it much thought it was

73

00:02:57,350 --> 00:02:55,760

always kind of a fringe thing movies you

74

00:02:59,990 --> 00:02:57,360

know conspiracy

75

00:03:02,550 --> 00:03:00,000

but uh i used to work uh selling cars

76
00:03:04,550 --> 00:03:02,560
for this company that was basically a

77
00:03:06,470 --> 00:03:04,560
traveling tent sales so we'd go into a

78
00:03:08,070 --> 00:03:06,480
local town we'd have three or four

79
00:03:10,229 --> 00:03:08,080
dealerships pool their inventory and

80
00:03:12,790 --> 00:03:10,239
we'd put on a huge tent sale with 400

81
00:03:16,790 --> 00:03:12,800
cars and uh so we happened to be in fort

82
00:03:18,869 --> 00:03:16,800
mcmurray i want to say 2001 00102

83
00:03:20,470 --> 00:03:18,879
something like that uh and me and one of

84
00:03:22,149 --> 00:03:20,480
my co-workers we were all staying in

85
00:03:23,430 --> 00:03:22,159
hotels because none of us are from fort

86
00:03:24,869 --> 00:03:23,440
murray so

87
00:03:26,309 --> 00:03:24,879
so we went out and we got some wendy's

88
00:03:28,390 --> 00:03:26,319

for the rest of our buddies back in the

89

00:03:30,149 --> 00:03:28,400

room and we came back to the parking lot

90

00:03:31,509 --> 00:03:30,159

he was having a smoke so i was hanging

91

00:03:32,390 --> 00:03:31,519

outside waiting for them and we were

92

00:03:34,789 --> 00:03:32,400

chatting

93

00:03:36,149 --> 00:03:34,799

and uh we the people that we worked with

94

00:03:38,149 --> 00:03:36,159

that week and said hey you guys have you

95

00:03:39,430 --> 00:03:38,159

ever seen the northern lights and we

96

00:03:41,110 --> 00:03:39,440

hadn't and they were like oh you're

97

00:03:42,789 --> 00:03:41,120

going to love it it's they're beautiful

98

00:03:44,470 --> 00:03:42,799

this time of year you know we're so far

99

00:03:46,949 --> 00:03:44,480

north they're really vivid so if you get

100

00:03:48,550 --> 00:03:46,959

a chance take a look and uh so sure

101
00:03:49,430 --> 00:03:48,560
enough that night we come back it's

102
00:03:51,670 --> 00:03:49,440
probably

103
00:03:53,030 --> 00:03:51,680
i don't know maybe 10 30 11 o'clock at

104
00:03:55,110 --> 00:03:53,040
night and we're in the parking lot of

105
00:03:57,110 --> 00:03:55,120
the hotel and we look up and sure enough

106
00:03:59,589 --> 00:03:57,120
there's the northern lights these big

107
00:04:00,710 --> 00:03:59,599
green vivid belts that almost look like

108
00:04:02,630 --> 00:04:00,720
a ribbon

109
00:04:05,350 --> 00:04:02,640
with these vertical lines up and down

110
00:04:07,509 --> 00:04:05,360
like piano keys right sort of just like

111
00:04:10,309 --> 00:04:07,519
a border in the sky so we were super

112
00:04:11,910 --> 00:04:10,319
impressed by it and so we look up and i

113
00:04:13,750 --> 00:04:11,920

kind of look straight up and arch my

114

00:04:15,509 --> 00:04:13,760

neck back and i go hey you can see the

115

00:04:19,110 --> 00:04:15,519

bottom of these things they look like

116

00:04:20,469 --> 00:04:19,120

little green led nightclub sticks and as

117

00:04:22,629 --> 00:04:20,479

if you were just looking at the bottom

118

00:04:24,310 --> 00:04:22,639

you see all these green dots oh gotcha

119

00:04:26,230 --> 00:04:24,320

totally amazed by this thing and we

120

00:04:28,950 --> 00:04:26,240

realized that now it's not just kind of

121

00:04:30,950 --> 00:04:28,960

in the distance it's literally the full

122

00:04:31,670 --> 00:04:30,960

circumference of the sky everywhere you

123

00:04:33,749 --> 00:04:31,680

go

124

00:04:35,830 --> 00:04:33,759

this ring of these lights was completely

125

00:04:37,909 --> 00:04:35,840

around us and so the more we're talking

126
00:04:40,390 --> 00:04:37,919
about it looking at it it started to

127
00:04:43,189 --> 00:04:40,400
kind of turn into like a like

128
00:04:45,110 --> 00:04:43,199
a concentration of green light it was

129
00:04:47,670 --> 00:04:45,120
like it was so bright that it almost

130
00:04:49,350 --> 00:04:47,680
looked like a giant ball it wasn't just

131
00:04:51,270 --> 00:04:49,360
this little strip of green lights

132
00:04:52,870 --> 00:04:51,280
anymore and so we started to kind of

133
00:04:54,550 --> 00:04:52,880
look at each other like are we losing

134
00:04:57,749 --> 00:04:54,560
our mind like what's actually going on

135
00:04:59,350 --> 00:04:57,759
that's like a had to be a 200 foot wide

136
00:05:01,590 --> 00:04:59,360
green light that you could barely look

137
00:05:03,350 --> 00:05:01,600
at and so we start thinking okay maybe

138
00:05:05,749 --> 00:05:03,360

it's our eyes playing tricks on us maybe

139

00:05:07,510 --> 00:05:05,759

it's further away or who knows so we

140

00:05:09,830 --> 00:05:07,520

start using the parking lot as kind of

141

00:05:11,830 --> 00:05:09,840

our yardstick say all right that's maybe

142

00:05:14,070 --> 00:05:11,840

a hundred feet how many parking lots

143

00:05:16,629 --> 00:05:14,080

above us do you figure that is

144

00:05:19,029 --> 00:05:16,639

at first it was uh it's got to be 20

145

00:05:21,110 --> 00:05:19,039

parking lots away and the more we kept

146

00:05:22,469 --> 00:05:21,120

looking it we would you know look at the

147

00:05:24,390 --> 00:05:22,479

end of the parking lot look up in the

148

00:05:26,550 --> 00:05:24,400

sky look at the end of the parking lot

149

00:05:28,710 --> 00:05:26,560

next thing you know it's probably four

150

00:05:30,550 --> 00:05:28,720

parking lot lengths above us

151

00:05:32,469 --> 00:05:30,560

and we freaked right out ran inside the

152

00:05:33,350 --> 00:05:32,479

hotel there was nobody at the front desk

153

00:05:34,950 --> 00:05:33,360

so we

154

00:05:36,870 --> 00:05:34,960

ran up to the room with our buddies and

155

00:05:38,870 --> 00:05:36,880

we were like noticeably shaking you know

156

00:05:40,629 --> 00:05:38,880

we hadn't been drinking or anything else

157

00:05:42,870 --> 00:05:40,639

we were just flat out scared of what

158

00:05:44,469 --> 00:05:42,880

just happened and we told our buddies

159

00:05:46,629 --> 00:05:44,479

the story they thought we were nuts and

160

00:05:48,390 --> 00:05:46,639

all the rest and it was until the next

161

00:05:49,749 --> 00:05:48,400

day when i went to work and

162

00:05:51,430 --> 00:05:49,759

you know we were telling everybody else

163

00:05:53,590 --> 00:05:51,440

that worked locally that would happened

164

00:05:57,110 --> 00:05:53,600

and it's crazy this giant

165

00:05:59,510 --> 00:05:57,120

green mass whatever it was just you know

166

00:06:01,430 --> 00:05:59,520

appeared out of nothing basically and

167

00:06:03,590 --> 00:06:01,440

one of the sales guys said you know i

168

00:06:05,749 --> 00:06:03,600

actually believe you guys because you

169

00:06:08,150 --> 00:06:05,759

both tell the exact same story even when

170

00:06:10,150 --> 00:06:08,160

you're not around each other yeah both

171

00:06:12,950 --> 00:06:10,160

equally shaken by the experience it

172

00:06:15,270 --> 00:06:12,960

wasn't cool it wasn't like oh wow it was

173

00:06:17,590 --> 00:06:15,280

like what the hell is going on you know

174

00:06:19,670 --> 00:06:17,600

this isn't supposed to happen and ever

175

00:06:21,270 --> 00:06:19,680

since then it kind of it kind of sparked

176
00:06:24,070 --> 00:06:21,280
my brain that you know there are things

177
00:06:26,390 --> 00:06:24,080
that do go on people are not crazy it's

178
00:06:28,550 --> 00:06:26,400
not just you know farmers in arkansas

179
00:06:30,309 --> 00:06:28,560
that have uh random experiences with

180
00:06:31,909 --> 00:06:30,319
aliens and all the rest there's stuff we

181
00:06:34,390 --> 00:06:31,919
don't fully understand

182
00:06:36,469 --> 00:06:34,400
uh i'm more of a scientific mind so i'm

183
00:06:39,029 --> 00:06:36,479
into quantum physics and particle theory

184
00:06:40,790 --> 00:06:39,039
and all that and even at that level it

185
00:06:42,230 --> 00:06:40,800
makes sense that there's certain things

186
00:06:43,830 --> 00:06:42,240
we cannot see

187
00:06:46,629 --> 00:06:43,840
we're only picking up a little piece of

188
00:06:48,950 --> 00:06:46,639

the spectrum as far as our perception of

189

00:06:50,950 --> 00:06:48,960

life so um that you know having

190

00:06:52,950 --> 00:06:50,960

first-hand experience and then

191

00:06:54,469 --> 00:06:52,960

as of recently a couple months ago you

192

00:06:57,189 --> 00:06:54,479

and i had went through an experience

193

00:07:00,629 --> 00:06:57,199

where i was giving you a video real time

194

00:07:02,710 --> 00:07:00,639

yeah actual uap an unidentified light

195

00:07:04,629 --> 00:07:02,720

hovering in the sky you checked for

196

00:07:05,749 --> 00:07:04,639

aircraft and any other type of traffic

197

00:07:08,150 --> 00:07:05,759

in the area

198

00:07:10,469 --> 00:07:08,160

and it was nothing and i subsequently

199

00:07:14,150 --> 00:07:10,479

got video and pictures and it was

200

00:07:15,670 --> 00:07:14,160

basically just a a plasma orb and every

201
00:07:17,189 --> 00:07:15,680
close-up photo it seemed to have a

202
00:07:19,029 --> 00:07:17,199
slightly different

203
00:07:21,670 --> 00:07:19,039
image like it was moving or changing

204
00:07:23,990 --> 00:07:21,680
somehow and it sat there for 45 minutes

205
00:07:26,230 --> 00:07:24,000
and didn't move and to mention that it

206
00:07:27,589 --> 00:07:26,240
was also one of the windiest nights that

207
00:07:30,070 --> 00:07:27,599
we've had

208
00:07:32,150 --> 00:07:30,080
if it was an aircraft that was flying in

209
00:07:34,870 --> 00:07:32,160
one of the most windy conditions and it

210
00:07:36,710 --> 00:07:34,880
was staying stable correct yeah right it

211
00:07:38,710 --> 00:07:36,720
wasn't a helicopter there was no pulsing

212
00:07:40,469 --> 00:07:38,720
lights it was too big for a helicopter

213
00:07:43,350 --> 00:07:40,479

where i live i have this view where i

214

00:07:45,909 --> 00:07:43,360

see lots of aircraft and ever since you

215

00:07:47,990 --> 00:07:45,919

know oh 102 i like to keep my eyes to

216

00:07:49,909 --> 00:07:48,000

the sky right and yeah you even told me

217

00:07:52,150 --> 00:07:49,919

where i live this is a hot spot you know

218

00:07:53,430 --> 00:07:52,160

keep your eyes out and i think we were

219

00:07:54,869 --> 00:07:53,440

chatting about it that day and sure

220

00:07:55,830 --> 00:07:54,879

enough i came home and i'm looking

221

00:07:57,830 --> 00:07:55,840

outside

222

00:08:00,070 --> 00:07:57,840

my wife isn't really big into this the

223

00:08:01,909 --> 00:08:00,080

whole uap phenomenon kind of freaks her

224

00:08:03,749 --> 00:08:01,919

out and i told her i said there's a

225

00:08:06,550 --> 00:08:03,759

there's a ball of light that's literally

226

00:08:08,150 --> 00:08:06,560

hovering there it's not a helicopter and

227

00:08:10,390 --> 00:08:08,160

then i called you and i gave you the

228

00:08:11,670 --> 00:08:10,400

coordinates and the direction and you

229

00:08:13,110 --> 00:08:11,680

even said that a lot of the air traffic

230

00:08:15,430 --> 00:08:13,120

was grounded because we're having a

231

00:08:17,270 --> 00:08:15,440

major wind storm oh yeah and that thing

232

00:08:19,830 --> 00:08:17,280

was large like it was huge from a

233

00:08:23,510 --> 00:08:19,840

distance you can tell that uh it had

234

00:08:24,950 --> 00:08:23,520

some some size to it yeah yeah and with

235

00:08:26,469 --> 00:08:24,960

the street lights down below being

236

00:08:28,390 --> 00:08:26,479

perfect reference you could tell it

237

00:08:30,710 --> 00:08:28,400

wasn't getting any closer any further

238

00:08:32,230 --> 00:08:30,720

away it wasn't going left to right and

239

00:08:34,149 --> 00:08:32,240

just the amount of time that it stayed

240

00:08:37,110 --> 00:08:34,159

there if it was air traffic it was

241

00:08:38,709 --> 00:08:37,120

hovering for 45 minutes right right

242

00:08:40,230 --> 00:08:38,719

yeah so you know things like that have

243

00:08:42,630 --> 00:08:40,240

kind of got me inspired and then you

244

00:08:44,070 --> 00:08:42,640

know you kind of expand your horizons

245

00:08:46,630 --> 00:08:44,080

and people that are like-minded and you

246

00:08:49,030 --> 00:08:46,640

talk with people and i encounter you and

247

00:08:51,509 --> 00:08:49,040

uh your credibility is uh precedes

248

00:08:53,350 --> 00:08:51,519

yourself so um that's kind of what's

249

00:08:55,509 --> 00:08:53,360

brought me here today so yeah i'm not

250

00:08:57,750 --> 00:08:55,519

the ufo expert i'm just a civilian

251
00:08:59,670 --> 00:08:57,760
that's had some some crazy stuff happen

252
00:09:02,150 --> 00:08:59,680
and i kind of have that thirst for

253
00:09:03,590 --> 00:09:02,160
knowledge of uh let's let's talk about

254
00:09:06,630 --> 00:09:03,600
it and let's see if anybody else has had

255
00:09:08,230 --> 00:09:06,640
similar things happen yeah and the uh

256
00:09:09,590 --> 00:09:08,240
it's the reaction afterwards you can

257
00:09:11,430 --> 00:09:09,600
tell when somebody's had something

258
00:09:13,509 --> 00:09:11,440
happen to them that's legit

259
00:09:16,070 --> 00:09:13,519
uh just because they're shaken up by it

260
00:09:17,670 --> 00:09:16,080
um i know one of the cases

261
00:09:19,350 --> 00:09:17,680
you know we

262
00:09:20,710 --> 00:09:19,360
you and i have talked about some cases

263
00:09:22,630 --> 00:09:20,720

that have happened in the past and i

264

00:09:24,870 --> 00:09:22,640

realized that i haven't really talked

265

00:09:27,269 --> 00:09:24,880

much you know except the first earlier

266

00:09:29,590 --> 00:09:27,279

episodes about incidences that took

267

00:09:31,590 --> 00:09:29,600

place with uh kenneth arnold and all

268

00:09:33,750 --> 00:09:31,600

that you know but i haven't really

269

00:09:36,070 --> 00:09:33,760

rehashed out any of the old cases so i

270

00:09:37,269 --> 00:09:36,080

like doing that and i like doing that uh

271

00:09:39,110 --> 00:09:37,279

you know especially with somebody like

272

00:09:42,230 --> 00:09:39,120

you that's been you know researching

273

00:09:44,470 --> 00:09:42,240

this stuff as avidly as i have and uh

274

00:09:45,509 --> 00:09:44,480

that's what i enjoyed the topic of it

275

00:09:47,430 --> 00:09:45,519

and even

276

00:09:48,870 --> 00:09:47,440

you know at work we got some people

277

00:09:50,470 --> 00:09:48,880

sometimes he's dropping on the

278

00:09:51,829 --> 00:09:50,480

conversation they're just like probably

279

00:09:53,829 --> 00:09:51,839

thinking what the hell are these two

280

00:09:55,269 --> 00:09:53,839

talking about but it's something that

281

00:09:56,949 --> 00:09:55,279

we're passionate about and wholly

282

00:09:58,630 --> 00:09:56,959

believe because we've seen things with

283

00:10:00,230 --> 00:09:58,640

our own eyes right yeah you've had

284

00:10:02,069 --> 00:10:00,240

experiences yourself have you not when

285

00:10:05,110 --> 00:10:02,079

you were younger you actually saw a

286

00:10:07,190 --> 00:10:05,120

craft like i was lit in the light of it

287

00:10:08,870 --> 00:10:07,200

it uh it flew right above me my brother

288

00:10:10,230 --> 00:10:08,880

and it had this perfect red light

289

00:10:11,670 --> 00:10:10,240

underneath as if it was searching the

290

00:10:14,710 --> 00:10:11,680

ground for something we just happened to

291

00:10:16,230 --> 00:10:14,720

be in its path and i just remember like

292

00:10:18,470 --> 00:10:16,240

not being able to look i was being

293

00:10:19,509 --> 00:10:18,480

doubled on my brother's bike

294

00:10:21,110 --> 00:10:19,519

and uh

295

00:10:22,870 --> 00:10:21,120

i just remember the light was so bright

296

00:10:24,870 --> 00:10:22,880

at first we couldn't even look like we

297

00:10:26,710 --> 00:10:24,880

had to squint down and i looked up

298

00:10:29,030 --> 00:10:26,720

thinking it was a transformer that blown

299

00:10:30,710 --> 00:10:29,040

up on top of one of the telephone poles

300

00:10:32,550 --> 00:10:30,720

and it wasn't i just kept looking up and

301
00:10:34,949 --> 00:10:32,560
about 80 feet above our heads is this

302
00:10:36,870 --> 00:10:34,959
weird cylinder shaped craft with this

303
00:10:39,030 --> 00:10:36,880
light beam coming down from it and it

304
00:10:40,550 --> 00:10:39,040
just kept gliding after it hit us with

305
00:10:43,110 --> 00:10:40,560
the light and just kept gliding and then

306
00:10:44,870 --> 00:10:43,120
went over row houses turned a little bit

307
00:10:47,190 --> 00:10:44,880
and uh went over the trees and i was

308
00:10:48,870 --> 00:10:47,200
just like that was the day that

309
00:10:49,910 --> 00:10:48,880
everything just

310
00:10:51,430 --> 00:10:49,920
they're real

311
00:10:52,790 --> 00:10:51,440
you know people have been saying that

312
00:10:54,630 --> 00:10:52,800
they've been taking stuff like that i

313
00:10:56,949 --> 00:10:54,640

used to watch you know and solve

314

00:10:58,949 --> 00:10:56,959

mysteries and stuff like that uh same as

315

00:11:00,630 --> 00:10:58,959

you did and you know at first you're

316

00:11:02,949 --> 00:11:00,640

like ah maybe these people are full of

317

00:11:05,269 --> 00:11:02,959

[h__h] but you realize you know after you

318

00:11:07,509 --> 00:11:05,279

have an experience like that that

319

00:11:09,750 --> 00:11:07,519

it is now possible that this stuff is

320

00:11:12,470 --> 00:11:09,760

actually happening right

321

00:11:14,470 --> 00:11:12,480

and it changes your mindset um one of

322

00:11:15,990 --> 00:11:14,480

the things for me and i don't know for

323

00:11:17,430 --> 00:11:16,000

you but i i used to be a really

324

00:11:20,069 --> 00:11:17,440

religious person

325

00:11:22,870 --> 00:11:20,079

uh obviously i felt out of my faith

326

00:11:24,710 --> 00:11:22,880

since then but um that was always a

327

00:11:27,030 --> 00:11:24,720

point of contention for me

328

00:11:29,670 --> 00:11:27,040

uh because i thought you know if there's

329

00:11:31,590 --> 00:11:29,680

a god and god is the only thing there is

330

00:11:34,230 --> 00:11:31,600

there can't be anything else but i kept

331

00:11:36,069 --> 00:11:34,240

seeing things that contradicted that and

332

00:11:38,069 --> 00:11:36,079

that pulled i wouldn't say pulled me

333

00:11:40,150 --> 00:11:38,079

away from the church but it sort of

334

00:11:42,310 --> 00:11:40,160

polarized it for me um you know i'm

335

00:11:44,069 --> 00:11:42,320

saying that i can't have both and that

336

00:11:45,910 --> 00:11:44,079

was a huge issue

337

00:11:47,030 --> 00:11:45,920

uh i don't know what that does with uh

338

00:11:48,870 --> 00:11:47,040

people that

339

00:11:50,629 --> 00:11:48,880

you know like yourself

340

00:11:52,790 --> 00:11:50,639

that go through experiences like that if

341

00:11:55,670 --> 00:11:52,800

that changes your faith does it make you

342

00:11:57,590 --> 00:11:55,680

more spiritual in a sense uh did it open

343

00:11:59,829 --> 00:11:57,600

up your eyes to you know because a lot

344

00:12:02,069 --> 00:11:59,839

of people go spiritual after they've had

345

00:12:03,670 --> 00:12:02,079

an experience well for me i was raised

346

00:12:05,590 --> 00:12:03,680

in a christian household i went to

347

00:12:06,870 --> 00:12:05,600

catholic school and i had a good

348

00:12:08,150 --> 00:12:06,880

experience with it i didn't have

349

00:12:09,190 --> 00:12:08,160

anything traumatic i know there's a lot

350

00:12:11,829 --> 00:12:09,200

of bad

351

00:12:13,910 --> 00:12:11,839

uh publicity and press about it

352

00:12:15,670 --> 00:12:13,920

really it's it's the means to get you

353

00:12:17,990 --> 00:12:15,680

the message what you do with it in your

354

00:12:19,829 --> 00:12:18,000

own life is different so i kind of had

355

00:12:21,190 --> 00:12:19,839

one of those experiences where you're

356

00:12:23,670 --> 00:12:21,200

kind of polar you know you feel

357

00:12:25,670 --> 00:12:23,680

polarized but it was more when i went to

358

00:12:26,470 --> 00:12:25,680

school and we were they were teaching us

359

00:12:28,550 --> 00:12:26,480

about

360

00:12:30,470 --> 00:12:28,560

evolution and when i came home and told

361

00:12:33,190 --> 00:12:30,480

my mom who went to school in like the

362

00:12:34,870 --> 00:12:33,200

50s and 60s she lost her mind she goes

363

00:12:36,710 --> 00:12:34,880

we sent you to a catholic school how

364

00:12:39,110 --> 00:12:36,720

dare they talk to you about evolution

365

00:12:42,389 --> 00:12:39,120

saying we came from monkeys and i said

366

00:12:44,790 --> 00:12:42,399

mom if god created everything

367

00:12:46,470 --> 00:12:44,800

he created the monkey so who cares if we

368

00:12:48,870 --> 00:12:46,480

look different a hundred million years

369

00:12:50,790 --> 00:12:48,880

ago than we do now that's right

370

00:12:53,910 --> 00:12:50,800

it doesn't refute god

371

00:12:56,230 --> 00:12:53,920

so the whole idea of well you know

372

00:12:57,670 --> 00:12:56,240

what what you've been taught is only abc

373

00:13:00,150 --> 00:12:57,680

and now you have all this extra

374

00:13:02,069 --> 00:13:00,160

peripheral info what do you do with that

375

00:13:04,470 --> 00:13:02,079

for me it's just a reinforcement you

376

00:13:06,710 --> 00:13:04,480

know i've grown to

377

00:13:08,310 --> 00:13:06,720

not look so much at the rules that men

378

00:13:10,629 --> 00:13:08,320

have written down about how you should

379

00:13:12,870 --> 00:13:10,639

be with god right god created you

380

00:13:14,629 --> 00:13:12,880

whatever god looks like whatever

381

00:13:17,110 --> 00:13:14,639

you know our brains can only get a

382

00:13:19,590 --> 00:13:17,120

glimpse of that i think and i think that

383

00:13:21,670 --> 00:13:19,600

you know the idea of god it's not it's

384

00:13:23,829 --> 00:13:21,680

not stranger than you think it's

385

00:13:25,829 --> 00:13:23,839

stranger than you can think

386

00:13:28,470 --> 00:13:25,839

right now you have to have an open

387

00:13:30,550 --> 00:13:28,480

humility towards that um so to answer

388

00:13:33,670 --> 00:13:30,560

your question it's reinforced it for me

389

00:13:36,230 --> 00:13:33,680

it's proven that you know potentially uh

390

00:13:38,470 --> 00:13:36,240

god loves so much that there's there's

391

00:13:40,389 --> 00:13:38,480

life everywhere why would god be so

392

00:13:42,870 --> 00:13:40,399

limited as to just put life on one

393

00:13:44,710 --> 00:13:42,880

planet and even people that have come at

394

00:13:46,710 --> 00:13:44,720

it with a science mind that are totally

395

00:13:49,269 --> 00:13:46,720

atheistic and just say no what's the

396

00:13:50,629 --> 00:13:49,279

probability of life in our galaxy

397

00:13:52,550 --> 00:13:50,639

and you know when you think that every

398

00:13:54,629 --> 00:13:52,560

single star that you can see

399

00:13:57,110 --> 00:13:54,639

has at least one planet around it so

400

00:13:59,030 --> 00:13:57,120

even one one millionth of a percentage

401
00:14:01,829 --> 00:13:59,040
or whatever the number is it's a whole

402
00:14:04,870 --> 00:14:01,839
lot of zeros it's still way more

403
00:14:07,110 --> 00:14:04,880
probable than improbable yeah it's it's

404
00:14:08,949 --> 00:14:07,120
nearly mathematically impossible that

405
00:14:10,710 --> 00:14:08,959
there isn't life on another planet and

406
00:14:14,150 --> 00:14:10,720
by some estimates you know the drake

407
00:14:16,389 --> 00:14:14,160
equation there's 50 000 life forms just

408
00:14:19,189 --> 00:14:16,399
in our galaxy and there's billions of

409
00:14:21,509 --> 00:14:19,199
galaxies yeah it's a much bigger problem

410
00:14:23,509 --> 00:14:21,519
than we can even compute again i think

411
00:14:25,509 --> 00:14:23,519
as humans our spectrum is limited what

412
00:14:27,269 --> 00:14:25,519
we can see and perceive

413
00:14:30,470 --> 00:14:27,279

and it's like keep it simple stupid

414

00:14:33,430 --> 00:14:30,480

we're not as advanced as we and if there

415

00:14:35,750 --> 00:14:33,440

is something more advanced than us um

416

00:14:37,910 --> 00:14:35,760

i don't think it has a malevolent uh

417

00:14:39,829 --> 00:14:37,920

opinion of things i think if you're

418

00:14:41,990 --> 00:14:39,839

advanced enough to come from another

419

00:14:43,590 --> 00:14:42,000

star system and come here if you wanted

420

00:14:45,750 --> 00:14:43,600

to enslave the planet for your own

421

00:14:49,350 --> 00:14:45,760

purpose you would yeah well there's got

422

00:14:51,829 --> 00:14:49,360

to be when you get to that level of um

423

00:14:54,230 --> 00:14:51,839

advancement it's in everything it's in

424

00:14:56,470 --> 00:14:54,240

spirituality it's in technology

425

00:14:58,870 --> 00:14:56,480

it's in how humans or or creatures

426

00:15:00,870 --> 00:14:58,880

interact with one another so if they've

427

00:15:03,189 --> 00:15:00,880

figured out a way not to blow themselves

428

00:15:05,350 --> 00:15:03,199

up so that they could evolve

429

00:15:06,710 --> 00:15:05,360

to be greater than we are right now you

430

00:15:08,230 --> 00:15:06,720

know so they didn't get there through

431

00:15:09,829 --> 00:15:08,240

warfare they got there through their

432

00:15:11,590 --> 00:15:09,839

minds and through

433

00:15:13,110 --> 00:15:11,600

through their hearts basically right so

434

00:15:15,110 --> 00:15:13,120

i think we're going to advance as a

435

00:15:16,629 --> 00:15:15,120

people we've got to get more

436

00:15:18,790 --> 00:15:16,639

more connected with ourself as a

437

00:15:21,829 --> 00:15:18,800

spiritual creature just having a human

438

00:15:24,310 --> 00:15:21,839

experience right now i often think that

439

00:15:26,629 --> 00:15:24,320

it's because of our human thinking the

440

00:15:27,430 --> 00:15:26,639

arrogance and you know i i like to say

441

00:15:30,470 --> 00:15:27,440

that

442

00:15:34,230 --> 00:15:32,389

we're bold in our arrogance when it

443

00:15:35,990 --> 00:15:34,240

comes down to like you know we are the

444

00:15:37,509 --> 00:15:36,000

top species we

445

00:15:39,670 --> 00:15:37,519

you know nothing can beat us or

446

00:15:42,069 --> 00:15:39,680

technologically advance more than us yes

447

00:15:45,350 --> 00:15:42,079

that's probably true on this planet but

448

00:15:47,670 --> 00:15:45,360

any you know uh intergalactic fairing

449

00:15:49,749 --> 00:15:47,680

you know entities they would have gotten

450

00:15:51,670 --> 00:15:49,759

past a point of violence you know you

451
00:15:53,110 --> 00:15:51,680
would have to get past that point and

452
00:15:54,870 --> 00:15:53,120
you know

453
00:15:56,790 --> 00:15:54,880
working together to be able to build

454
00:15:59,590 --> 00:15:56,800
something bigger than you know we're so

455
00:16:00,949 --> 00:15:59,600
focused on ourselves here even we launch

456
00:16:03,509 --> 00:16:00,959
rockets and stuff like that but it's all

457
00:16:04,870 --> 00:16:03,519
like guns pointing back at our own heads

458
00:16:06,710 --> 00:16:04,880
saying you know we're going to destroy

459
00:16:09,670 --> 00:16:06,720
the world if you don't cooperate and

460
00:16:12,470 --> 00:16:09,680
it's so stupid because we can't progress

461
00:16:14,550 --> 00:16:12,480
fast enough with that mentality you know

462
00:16:16,230 --> 00:16:14,560
look what happens when you use resources

463
00:16:20,150 --> 00:16:16,240

collectively like there was a huge

464

00:16:21,910 --> 00:16:20,160

pandemic and in record time um they were

465

00:16:23,670 --> 00:16:21,920

able to come up with a vaccine and then

466

00:16:25,749 --> 00:16:23,680

several of them now regardless of your

467

00:16:27,350 --> 00:16:25,759

position on that and that's part of the

468

00:16:29,189 --> 00:16:27,360

reason some people have a negative

469

00:16:31,590 --> 00:16:29,199

position because it was too fast it was

470

00:16:34,550 --> 00:16:31,600

untested but it just goes to show to

471

00:16:35,990 --> 00:16:34,560

come from no hope in sight to all of a

472

00:16:38,069 --> 00:16:36,000

sudden having a remedy and a

473

00:16:40,150 --> 00:16:38,079

preventative measure in what eight

474

00:16:42,230 --> 00:16:40,160

months is some crazy short amount of

475

00:16:44,710 --> 00:16:42,240

time so imagine if people use their

476

00:16:46,870 --> 00:16:44,720

resources collectively for good things

477

00:16:48,710 --> 00:16:46,880

but we're a money-based society there's

478

00:16:50,550 --> 00:16:48,720

no money in healthy people there's money

479

00:16:53,670 --> 00:16:50,560

in pharmaceutical care

480

00:16:55,670 --> 00:16:53,680

there's no money in relieving debt in

481

00:16:58,069 --> 00:16:55,680

countries that can do no good for you

482

00:16:59,509 --> 00:16:58,079

but there's money in military yeah and

483

00:17:01,670 --> 00:16:59,519

in that whole establishment so the

484

00:17:03,430 --> 00:17:01,680

things we apportion value on

485

00:17:05,750 --> 00:17:03,440

and spend the biggest amounts of money

486

00:17:07,669 --> 00:17:05,760

on as a government don't really reflect

487

00:17:09,189 --> 00:17:07,679

what everybody wants deep down in sight

488

00:17:11,350 --> 00:17:09,199

everybody wants to live in a peaceful

489

00:17:13,909 --> 00:17:11,360

society everybody wants to be able to

490

00:17:15,350 --> 00:17:13,919

enjoy goods and services and not be

491

00:17:17,110 --> 00:17:15,360

stressed to death

492

00:17:19,189 --> 00:17:17,120

but we don't spend money that way and

493

00:17:20,150 --> 00:17:19,199

that's not where things are heading

494

00:17:23,669 --> 00:17:20,160

hmm

495

00:17:25,270 --> 00:17:23,679

no i got a question for you i'm having

496

00:17:28,230 --> 00:17:25,280

kathleen martin on

497

00:17:30,549 --> 00:17:28,240

i think next week or the week after and

498

00:17:33,510 --> 00:17:30,559

you know i'm often talking about how i

499

00:17:35,990 --> 00:17:33,520

want to specialize in abduction cases

500

00:17:38,710 --> 00:17:36,000

and work with abductees that's been my

501
00:17:40,789 --> 00:17:38,720
main focus uh i think from the start

502
00:17:43,430 --> 00:17:40,799
but the threat narrative is something

503
00:17:44,549 --> 00:17:43,440
that we hear a lot you know like you

504
00:17:47,110 --> 00:17:44,559
know we don't know what these things

505
00:17:49,430 --> 00:17:47,120
intentions are even somebody spoke to

506
00:17:51,110 --> 00:17:49,440
recently which i shall not name yet it

507
00:17:52,630 --> 00:17:51,120
you know told me well you know if

508
00:17:54,070 --> 00:17:52,640
somebody broke into your house in the

509
00:17:56,150 --> 00:17:54,080
middle of the night

510
00:17:57,669 --> 00:17:56,160
and took you or your spouse and did

511
00:18:00,310 --> 00:17:57,679
whatever they wanted to you and then put

512
00:18:02,470 --> 00:18:00,320
you back would that be illegal and i

513
00:18:03,430 --> 00:18:02,480

thought yeah he goes okay so that's a

514

00:18:05,350 --> 00:18:03,440

threat

515

00:18:07,029 --> 00:18:05,360

and i thought huh i never thought about

516

00:18:08,950 --> 00:18:07,039

it like that like according to our

517

00:18:11,350 --> 00:18:08,960

standards that's a threat but i mean

518

00:18:13,190 --> 00:18:11,360

they always put people back and louie i

519

00:18:15,430 --> 00:18:13,200

even heard about people being tucked in

520

00:18:17,430 --> 00:18:15,440

bed you know what i mean like being

521

00:18:19,110 --> 00:18:17,440

brought back and tucked back in bed and

522

00:18:21,029 --> 00:18:19,120

there seems to be you know it's

523

00:18:22,390 --> 00:18:21,039

traumatic at the time

524

00:18:24,070 --> 00:18:22,400

but there's no threat there i mean they

525

00:18:25,990 --> 00:18:24,080

could easily just send you out the

526

00:18:27,510 --> 00:18:26,000

airlock and float back into space which

527

00:18:29,430 --> 00:18:27,520

i think is what we would do if we

528

00:18:31,110 --> 00:18:29,440

started exploring other planets we'd be

529

00:18:32,710 --> 00:18:31,120

like uh we're not going to bother

530

00:18:34,549 --> 00:18:32,720

returning a ship and returning the

531

00:18:36,549 --> 00:18:34,559

person or the entity back we're just

532

00:18:38,710 --> 00:18:36,559

going to launch them out their lock

533

00:18:40,950 --> 00:18:38,720

but they don't do that um what is your

534

00:18:42,950 --> 00:18:40,960

thought on the threat narrative

535

00:18:45,029 --> 00:18:42,960

well it it's kind of like when you have

536

00:18:47,590 --> 00:18:45,039

an ant farm as a person right if your

537

00:18:49,029 --> 00:18:47,600

ant farm dies you're probably

538

00:18:50,470 --> 00:18:49,039

not going to think too much about it or

539

00:18:52,630 --> 00:18:50,480

toss it so we're wired a little

540

00:18:54,150 --> 00:18:52,640

differently i think then than some of

541

00:18:56,230 --> 00:18:54,160

these

542

00:18:57,830 --> 00:18:56,240

potential entities or whatever they are

543

00:19:00,150 --> 00:18:57,840

and you know that with the betty and

544

00:19:02,150 --> 00:19:00,160

barney hill case being so famous when

545

00:19:04,549 --> 00:19:02,160

they came out and said hey something

546

00:19:07,350 --> 00:19:04,559

happened we're not crazy we were taken

547

00:19:09,190 --> 00:19:07,360

on something they did some random tests

548

00:19:12,230 --> 00:19:09,200

and then we were brought back like they

549

00:19:13,430 --> 00:19:12,240

risked everything their reputation

550

00:19:15,430 --> 00:19:13,440

you know at the time they were an

551
00:19:17,350 --> 00:19:15,440
interracial couple in an era that didn't

552
00:19:19,029 --> 00:19:17,360
accept that very well they could have

553
00:19:21,350 --> 00:19:19,039
just as easily kept their mouth shut and

554
00:19:24,310 --> 00:19:21,360
not told anybody about that right so it

555
00:19:25,990 --> 00:19:24,320
must have impacted them so greatly that

556
00:19:27,669 --> 00:19:26,000
they felt the need to throw caution to

557
00:19:30,070 --> 00:19:27,679
the wind and say let's talk about it

558
00:19:31,750 --> 00:19:30,080
even to the point now where their niece

559
00:19:33,909 --> 00:19:31,760
is going to be on your show and she's

560
00:19:36,630 --> 00:19:33,919
sort of carrying that torch so that they

561
00:19:39,350 --> 00:19:36,640
don't just go away which is what some

562
00:19:40,870 --> 00:19:39,360
agencies or some people may want you

563
00:19:43,190 --> 00:19:40,880

know they may not want light to be

564

00:19:46,789 --> 00:19:43,200

brought on that so right i still go back

565

00:19:49,350 --> 00:19:46,799

to my original thought um if they were

566

00:19:51,029 --> 00:19:49,360

if they wanted us to just dig gold for

567

00:19:53,430 --> 00:19:51,039

them because that's what their son ran

568

00:19:55,830 --> 00:19:53,440

off of or whatever like it would already

569

00:19:58,230 --> 00:19:55,840

be that way there would be no

570

00:20:00,390 --> 00:19:58,240

no free will you know so it's to go back

571

00:20:02,230 --> 00:20:00,400

to the ant farm analogy you could crush

572

00:20:03,909 --> 00:20:02,240

those ants anytime you want you could

573

00:20:06,310 --> 00:20:03,919

you know melt them with a magnifying

574

00:20:07,990 --> 00:20:06,320

glass

575

00:20:10,230 --> 00:20:08,000

you want to see them do well you want to

576

00:20:12,710 --> 00:20:10,240

see them evolve and get a bigger ant

577

00:20:14,310 --> 00:20:12,720

farm what are they doing now so

578

00:20:15,990 --> 00:20:14,320

whether you're religious or not if you

579

00:20:17,190 --> 00:20:16,000

think it's an experiment and we were

580

00:20:19,590 --> 00:20:17,200

seated here

581

00:20:21,590 --> 00:20:19,600

okay but if you are religious that's

582

00:20:23,669 --> 00:20:21,600

kind of the definition of being planted

583

00:20:25,830 --> 00:20:23,679

on this planet as your scripture talks

584

00:20:28,870 --> 00:20:25,840

about right many faiths have a very

585

00:20:31,190 --> 00:20:28,880

similar creation story there was nothing

586

00:20:34,149 --> 00:20:31,200

and then from some consciousness there

587

00:20:36,310 --> 00:20:34,159

was a reason and a purpose for us to be

588

00:20:38,390 --> 00:20:36,320

put here right we need it in earth it

589

00:20:41,270 --> 00:20:38,400

needs to if you look at the complexity

590

00:20:42,789 --> 00:20:41,280

of science and everything else it's way

591

00:20:45,029 --> 00:20:42,799

above our pay grade

592

00:20:46,630 --> 00:20:45,039

so to define that is kind of it's an

593

00:20:48,470 --> 00:20:46,640

impossible question do you know what i

594

00:20:50,549 --> 00:20:48,480

mean yeah we're not we're not wired to

595

00:20:51,350 --> 00:20:50,559

be able to describe where we came from

596

00:20:53,350 --> 00:20:51,360

or

597

00:20:55,350 --> 00:20:53,360

you know the the most plausible thing

598

00:20:57,190 --> 00:20:55,360

i've heard about the whole thought of

599

00:20:59,270 --> 00:20:57,200

are aliens real or why don't they make

600

00:21:02,070 --> 00:20:59,280

us do this or that is i heard somebody

601
00:21:03,990 --> 00:21:02,080
say once if we figured out time travel

602
00:21:05,510 --> 00:21:04,000
and let's say we're

603
00:21:07,909 --> 00:21:05,520
you know on another planet now because

604
00:21:09,510 --> 00:21:07,919
we've destroyed earth maybe we evolved

605
00:21:11,830 --> 00:21:09,520
to such a way that we can no longer

606
00:21:14,470 --> 00:21:11,840
reproduce maybe our dna mutated maybe

607
00:21:15,669 --> 00:21:14,480
we've just polluted our genome so badly

608
00:21:18,149 --> 00:21:15,679
right we have

609
00:21:20,310 --> 00:21:18,159
and dna editing and stuff maybe we start

610
00:21:21,430 --> 00:21:20,320
messing with that and it causes a major

611
00:21:23,270 --> 00:21:21,440
flaw

612
00:21:25,190 --> 00:21:23,280
uh and then at some point we can't fix

613
00:21:26,470 --> 00:21:25,200

that you know what i mean so yeah plus

614

00:21:28,950 --> 00:21:26,480

in the future

615

00:21:30,950 --> 00:21:28,960

coming back to harvest dna or some kind

616

00:21:32,710 --> 00:21:30,960

of genetic base

617

00:21:34,870 --> 00:21:32,720

to keep ourselves going down the road i

618

00:21:36,950 --> 00:21:34,880

know that sounds ridiculous time travel

619

00:21:39,190 --> 00:21:36,960

makes sense mathematically clearly we

620

00:21:40,950 --> 00:21:39,200

haven't figured out how to do it yet but

621

00:21:41,990 --> 00:21:40,960

that makes the most sense to me why

622

00:21:44,710 --> 00:21:42,000

would they be

623

00:21:46,630 --> 00:21:44,720

you know gentle and benevolent with us

624

00:21:49,190 --> 00:21:46,640

not gonna mess up what's gonna happen in

625

00:21:51,990 --> 00:21:49,200

the future and b because we're that sort

626

00:21:53,590 --> 00:21:52,000

of pure source we're the fountain

627

00:21:56,149 --> 00:21:53,600

that they're coming back to before

628

00:21:58,390 --> 00:21:56,159

things got really bad right it's crazy

629

00:22:01,990 --> 00:21:58,400

but it's more plausible to me than

630

00:22:03,990 --> 00:22:02,000

some you know um uh ancient species

631

00:22:06,470 --> 00:22:04,000

that's out in space has nothing better

632

00:22:08,230 --> 00:22:06,480

to do but come here and just fly by and

633

00:22:09,350 --> 00:22:08,240

let a few people see it and then bugger

634

00:22:11,350 --> 00:22:09,360

off i don't think

635

00:22:13,909 --> 00:22:11,360

you'd have bigger fish to fry than just

636

00:22:16,149 --> 00:22:13,919

coming here for sport yeah and but there

637

00:22:17,350 --> 00:22:16,159

seems to be multiple species it's not

638

00:22:19,190 --> 00:22:17,360

just you know because a lot of people

639

00:22:20,630 --> 00:22:19,200

mentioned the greys obviously the betty

640

00:22:23,270 --> 00:22:20,640

and barney hill

641

00:22:24,950 --> 00:22:23,280

story uh involved the greys but

642

00:22:27,909 --> 00:22:24,960

people are reporting you know different

643

00:22:30,070 --> 00:22:27,919

looking things like uh praying mantis

644

00:22:33,909 --> 00:22:30,080

looking creatures or taller creatures

645

00:22:36,149 --> 00:22:33,919

you know nordic blondes exactly yeah but

646

00:22:37,830 --> 00:22:36,159

uh it seems that the experiences or the

647

00:22:39,510 --> 00:22:37,840

abductions vary

648

00:22:41,669 --> 00:22:39,520

uh you know with the grays it seems to

649

00:22:43,590 --> 00:22:41,679

be like you know people can like okay

650

00:22:45,990 --> 00:22:43,600

it's not too bad right like i mean it

651
00:22:48,230 --> 00:22:46,000
sucks but they seem to be fairly neutral

652
00:22:49,750 --> 00:22:48,240
uh with the reptilians it seems to be

653
00:22:52,630 --> 00:22:49,760
like it's very intimidating the whole

654
00:22:54,310 --> 00:22:52,640
time uh it's almost like a hatred of our

655
00:22:56,230 --> 00:22:54,320
species but they have to do whatever it

656
00:22:57,110 --> 00:22:56,240
is they have to do so it's it's kind of

657
00:22:59,350 --> 00:22:57,120
weird

658
00:23:01,110 --> 00:22:59,360
and even speaking to somebody uh

659
00:23:02,470 --> 00:23:01,120
recently that is

660
00:23:03,990 --> 00:23:02,480
you know going to be on the podcast

661
00:23:05,270 --> 00:23:04,000
later on i just can't name them yet

662
00:23:07,669 --> 00:23:05,280
because they haven't given me permission

663
00:23:09,190 --> 00:23:07,679

but i was talking to them and uh they

664

00:23:11,029 --> 00:23:09,200

were mentioning you know when i said i

665

00:23:12,870 --> 00:23:11,039

think it's multiple species doing this

666

00:23:14,710 --> 00:23:12,880

it's not just one and he said you know

667

00:23:16,870 --> 00:23:14,720

brother you're dead on

668

00:23:18,070 --> 00:23:16,880

and i thought you know that makes sense

669

00:23:19,830 --> 00:23:18,080

because you know you got even the

670

00:23:22,950 --> 00:23:19,840

huntsville incident with like the the

671

00:23:25,110 --> 00:23:22,960

pointy ears monkey looking entities that

672

00:23:26,549 --> 00:23:25,120

you could shoot a point blank and it

673

00:23:28,789 --> 00:23:26,559

didn't do anything to them they would

674

00:23:30,470 --> 00:23:28,799

just bounce off as if it was a shield

675

00:23:32,230 --> 00:23:30,480

i mean that sounds weird and crazy but

676

00:23:35,029 --> 00:23:32,240

this took place in the 50s and that

677

00:23:36,870 --> 00:23:35,039

family was traumatized then

678

00:23:38,470 --> 00:23:36,880

invited the next-door neighbor to come

679

00:23:40,630 --> 00:23:38,480

and have dinner and he was you know

680

00:23:42,950 --> 00:23:40,640

regretting that decision as well

681

00:23:44,710 --> 00:23:42,960

so obviously there's there's different

682

00:23:46,549 --> 00:23:44,720

entities doing this i don't think that

683

00:23:47,669 --> 00:23:46,559

they all have the same

684

00:23:49,909 --> 00:23:47,679

um

685

00:23:51,750 --> 00:23:49,919

interest in heart you know like some of

686

00:23:53,430 --> 00:23:51,760

them might have their own agendas

687

00:23:55,830 --> 00:23:53,440

uh but the betting barney hill for me

688

00:23:58,149 --> 00:23:55,840

was a a huge one and it was especially

689

00:24:00,950 --> 00:23:58,159

the details right we were talking about

690

00:24:03,190 --> 00:24:00,960

um not that long ago about how betty

691

00:24:04,870 --> 00:24:03,200

was in the room and then one of the

692

00:24:07,269 --> 00:24:04,880

entities that was in the room with uh

693

00:24:09,510 --> 00:24:07,279

barney came in all excitedly

694

00:24:11,029 --> 00:24:09,520

and was talking to them and then reached

695

00:24:12,070 --> 00:24:11,039

inside her mouth and started pulling on

696

00:24:13,350 --> 00:24:12,080

her teeth

697

00:24:15,190 --> 00:24:13,360

and then he asked her why aren't your

698

00:24:16,789 --> 00:24:15,200

teeth coming out your husband's teeth

699

00:24:19,190 --> 00:24:16,799

came out and she had to explain to them

700

00:24:20,470 --> 00:24:19,200

what dentures were so just those little

701
00:24:22,070 --> 00:24:20,480
details

702
00:24:23,750 --> 00:24:22,080
are the ones that make the story

703
00:24:25,029 --> 00:24:23,760
credible because who would go through

704
00:24:27,750 --> 00:24:25,039
that level

705
00:24:29,269 --> 00:24:27,760
of details within their story right for

706
00:24:32,549 --> 00:24:29,279
sure yeah you're i mean people have a

707
00:24:35,750 --> 00:24:32,559
good imagination but when when they know

708
00:24:37,510 --> 00:24:35,760
that forensic level of information it's

709
00:24:39,510 --> 00:24:37,520
like you really got to be hard-pressed

710
00:24:40,710 --> 00:24:39,520
to bring it up yeah and to go back to

711
00:24:41,750 --> 00:24:40,720
your point about there being different

712
00:24:43,350 --> 00:24:41,760
species

713
00:24:45,669 --> 00:24:43,360

let's let's go down the rabbit hole a

714

00:24:48,390 --> 00:24:45,679

little further so you get into the

715

00:24:52,070 --> 00:24:48,400

fringe area of like cryptids so then you

716

00:24:54,390 --> 00:24:52,080

have things like mothman or skinwalkers

717

00:24:56,470 --> 00:24:54,400

or you have you know these variation

718

00:24:58,549 --> 00:24:56,480

legends even bigfoot people say you know

719

00:25:01,110 --> 00:24:58,559

bigfoot and ufos seem to go hand in hand

720

00:25:02,149 --> 00:25:01,120

seems crazy yeah your physical flesh and

721

00:25:03,669 --> 00:25:02,159

blood

722

00:25:05,590 --> 00:25:03,679

uh like

723

00:25:08,149 --> 00:25:05,600

it's almost like it's not just the

724

00:25:10,630 --> 00:25:08,159

universe of other planets that have life

725

00:25:13,029 --> 00:25:10,640

it could be interdimensional energies of

726

00:25:14,470 --> 00:25:13,039

things that can just come through and go

727

00:25:16,630 --> 00:25:14,480

elsewhere like

728

00:25:18,390 --> 00:25:16,640

i don't i don't even my brain kind of

729

00:25:20,390 --> 00:25:18,400

gets stuck on stuff like that because

730

00:25:22,549 --> 00:25:20,400

you keep you go further and further and

731

00:25:24,230 --> 00:25:22,559

further down and there's no answers to

732

00:25:26,070 --> 00:25:24,240

any of these questions right yeah and it

733

00:25:28,230 --> 00:25:26,080

just gets on the borderline of okay now

734

00:25:29,669 --> 00:25:28,240

you're getting a bit crazy yeah i used

735

00:25:31,830 --> 00:25:29,679

to watch the history channel show

736

00:25:33,430 --> 00:25:31,840

ancient aliens when it first came out

737

00:25:34,789 --> 00:25:33,440

and some of them were kind of cool if

738

00:25:37,590 --> 00:25:34,799

they were talking about like historical

739

00:25:40,230 --> 00:25:37,600

artifacts or you know um places like go

740

00:25:43,029 --> 00:25:40,240

back to tapi or you know

741

00:25:44,310 --> 00:25:43,039

ball back the the jupiter all that but

742

00:25:45,830 --> 00:25:44,320

then you'd listen to some and it was

743

00:25:47,750 --> 00:25:45,840

like you know this must have been done

744

00:25:49,190 --> 00:25:47,760

by aliens and i used to think okay now

745

00:25:50,950 --> 00:25:49,200

you're getting weird it's time to change

746

00:25:52,470 --> 00:25:50,960

the channel but when you go back and

747

00:25:54,549 --> 00:25:52,480

i've since gone back and watched them

748

00:25:56,549 --> 00:25:54,559

again some of the older episodes they're

749

00:25:58,870 --> 00:25:56,559

just trying to point to the thought that

750

00:26:01,350 --> 00:25:58,880

it's way too advanced for the time and

751
00:26:03,190 --> 00:26:01,360
age that it is there had to be some

752
00:26:04,950 --> 00:26:03,200
other part of the story you know they

753
00:26:06,870 --> 00:26:04,960
believe in you know like panspermia

754
00:26:09,110 --> 00:26:06,880
maybe something seeded our planet and

755
00:26:11,830 --> 00:26:09,120
many others but that's kind of hand in

756
00:26:13,510 --> 00:26:11,840
hand with creation stories of all right

757
00:26:16,149 --> 00:26:13,520
your beliefs you know what's right

758
00:26:18,390 --> 00:26:16,159
something said let it be and then it was

759
00:26:19,750 --> 00:26:18,400
who knows why or or we know those are

760
00:26:21,750 --> 00:26:19,760
stories that we all

761
00:26:24,549 --> 00:26:21,760
ask our questions we ask ourselves who

762
00:26:27,510 --> 00:26:24,559
am i why am i here where am i going but

763
00:26:29,669 --> 00:26:27,520

i think it gets spookier when you try to

764

00:26:31,750 --> 00:26:29,679

put a definition on it and say no

765

00:26:33,590 --> 00:26:31,760

they're just grey aliens they come from

766

00:26:35,909 --> 00:26:33,600

here there's been people that said

767

00:26:37,750 --> 00:26:35,919

they've found caves and that's where the

768

00:26:40,789 --> 00:26:37,760

reptilians seem to be it's almost like

769

00:26:42,950 --> 00:26:40,799

the reptilian aliens quote unquote are

770

00:26:45,269 --> 00:26:42,960

the landlocked ones on this planet that

771

00:26:48,149 --> 00:26:45,279

are kind of hiding not coming here in

772

00:26:51,110 --> 00:26:48,159

some other kind of craft right right

773

00:26:52,870 --> 00:26:51,120

it's it has varying complexity above the

774

00:26:54,710 --> 00:26:52,880

stuff that we already have no clue about

775

00:26:57,750 --> 00:26:54,720

like we're just we're just nipping the

776

00:26:59,909 --> 00:26:57,760

edge of it but it's a huge well and so

777

00:27:01,430 --> 00:26:59,919

trying to guess a b or c

778

00:27:03,430 --> 00:27:01,440

good luck your guess is as good as

779

00:27:05,350 --> 00:27:03,440

anybody else's right right

780

00:27:06,470 --> 00:27:05,360

it becomes an easy topic to say ah it's

781

00:27:07,909 --> 00:27:06,480

all nonsense

782

00:27:10,470 --> 00:27:07,919

because if you just look at it at face

783

00:27:12,310 --> 00:27:10,480

value it kind of is but it's just when

784

00:27:14,470 --> 00:27:12,320

you have enough nonsense there's smoke

785

00:27:16,470 --> 00:27:14,480

there's fire yeah yeah so and i think

786

00:27:18,070 --> 00:27:16,480

the whole ufo thing it's got to a point

787

00:27:20,230 --> 00:27:18,080

now where enough people with camera

788

00:27:21,750 --> 00:27:20,240

phones and there's enough credible

789

00:27:23,590 --> 00:27:21,760

videos but there's a lot of really good

790

00:27:26,149 --> 00:27:23,600

crappy videos too

791

00:27:27,909 --> 00:27:26,159

either intentionally or not

792

00:27:29,590 --> 00:27:27,919

but it's just trying to like pollute

793

00:27:33,029 --> 00:27:29,600

that well a little bit you know right

794

00:27:34,470 --> 00:27:33,039

make it hard to get genuine proper info

795

00:27:35,990 --> 00:27:34,480

and if you know some people go to the

796

00:27:38,630 --> 00:27:36,000

extreme that you know the government

797

00:27:40,549 --> 00:27:38,640

knows they're squashing people that talk

798

00:27:43,110 --> 00:27:40,559

you know there's what's with deathbed

799

00:27:44,950 --> 00:27:43,120

confessions of former military officers

800

00:27:47,510 --> 00:27:44,960

right you choose that as your last

801
00:27:50,230 --> 00:27:47,520
spoken word right make some nonsense up

802
00:27:51,750 --> 00:27:50,240
about aliens in the 70s right yeah i

803
00:27:53,669 --> 00:27:51,760
give those guys a lot of credence

804
00:27:56,630 --> 00:27:53,679
because they wanted that to be their

805
00:27:59,190 --> 00:27:56,640
final legacy for some reason yeah well

806
00:28:01,590 --> 00:27:59,200
letting the public know um

807
00:28:03,669 --> 00:28:01,600
i think we would fare better if we was

808
00:28:04,950 --> 00:28:03,679
it's just one species you know let's see

809
00:28:05,990 --> 00:28:04,960
had the grays

810
00:28:08,230 --> 00:28:06,000
uh

811
00:28:11,029 --> 00:28:08,240
and it was just them coming here i think

812
00:28:13,269 --> 00:28:11,039
it would be a lot easier for military or

813
00:28:15,590 --> 00:28:13,279

whatever the deep complex that know

814

00:28:17,909 --> 00:28:15,600

what's going on to say hey let's start

815

00:28:19,590 --> 00:28:17,919

pushing you know that uh this revelation

816

00:28:21,909 --> 00:28:19,600

that there is a species that's

817

00:28:23,830 --> 00:28:21,919

interacting with us like we keep looking

818

00:28:26,389 --> 00:28:23,840

for life out there instead of looking

819

00:28:27,510 --> 00:28:26,399

for what's possibly already found us

820

00:28:28,870 --> 00:28:27,520

and

821

00:28:30,789 --> 00:28:28,880

i think

822

00:28:33,430 --> 00:28:30,799

the truth is is that when they reveal

823

00:28:34,789 --> 00:28:33,440

that okay there's multiple

824

00:28:36,470 --> 00:28:34,799

entities we don't know where they're

825

00:28:38,310 --> 00:28:36,480

from we don't know what their technology

826

00:28:39,029 --> 00:28:38,320

is we don't know what their intentions

827

00:28:41,830 --> 00:28:39,039

are

828

00:28:43,430 --> 00:28:41,840

airspace

829

00:28:45,269 --> 00:28:43,440

some people are being taken i think

830

00:28:47,830 --> 00:28:45,279

that's another point too about the

831

00:28:50,389 --> 00:28:47,840

abduction phenomenon is that

832

00:28:52,789 --> 00:28:50,399

you know people are being followed

833

00:28:55,029 --> 00:28:52,799

and tapped and told to shut the [h__\h] up

834

00:28:56,710 --> 00:28:55,039

you know with sorry for my french there

835

00:28:58,630 --> 00:28:56,720

but that's exactly what they're being

836

00:29:00,710 --> 00:28:58,640

told to do over the past is that if they

837

00:29:02,549 --> 00:29:00,720

had experiences they were

838

00:29:04,710 --> 00:29:02,559

shut down followed

839

00:29:05,510 --> 00:29:04,720

um you know threatened

840

00:29:07,510 --> 00:29:05,520

and

841

00:29:09,029 --> 00:29:07,520

that in of itself means that there was a

842

00:29:10,950 --> 00:29:09,039

secret from the start that they were

843

00:29:12,870 --> 00:29:10,960

trying to keep quiet

844

00:29:14,789 --> 00:29:12,880

now it's starting to come out and like i

845

00:29:17,830 --> 00:29:14,799

said once we accept the phenomenon that

846

00:29:19,750 --> 00:29:17,840

ufos or uaps are here we have to now

847

00:29:21,990 --> 00:29:19,760

accept okay the cattle mutilation as

848

00:29:23,510 --> 00:29:22,000

well the abduction phenomenon as well

849

00:29:25,590 --> 00:29:23,520

and that's all coming down the tailpipe

850

00:29:27,830 --> 00:29:25,600

right it's all coming down

851

00:29:30,310 --> 00:29:27,840

but it's a matter of time before the

852

00:29:31,350 --> 00:29:30,320

public is able to you know like you me

853

00:29:33,909 --> 00:29:31,360

or

854

00:29:35,750 --> 00:29:33,919

yay you know bring it on bring the news

855

00:29:37,830 --> 00:29:35,760

we're happy to hear it but some people

856

00:29:39,990 --> 00:29:37,840

aren't they're so locked into the little

857

00:29:41,510 --> 00:29:40,000

boxes of daily life and their little

858

00:29:43,269 --> 00:29:41,520

corners that

859

00:29:44,470 --> 00:29:43,279

it's gonna be hard and like you

860

00:29:46,470 --> 00:29:44,480

mentioned

861

00:29:47,909 --> 00:29:46,480

uh the sighting that you had sort of

862

00:29:49,510 --> 00:29:47,919

locked you out of that you know started

863

00:29:51,590 --> 00:29:49,520

saying holy crap

864

00:29:54,310 --> 00:29:51,600

open up your mind and ideas that maybe

865

00:29:56,470 --> 00:29:54,320

this phenomenon is real what do you

866

00:29:58,870 --> 00:29:56,480

think of the travis walton case

867

00:30:01,110 --> 00:29:58,880

i think that's that's another good one i

868

00:30:03,350 --> 00:30:01,120

mean when you get abducted and you have

869

00:30:05,590 --> 00:30:03,360

80 of your friends watching again the

870

00:30:07,590 --> 00:30:05,600

same as betty and barney hill

871

00:30:08,389 --> 00:30:07,600

time when this happened you run the risk

872

00:30:10,149 --> 00:30:08,399

of

873

00:30:11,350 --> 00:30:10,159

like they live in a small town everybody

874

00:30:13,510 --> 00:30:11,360

knows everybody you don't want to

875

00:30:15,029 --> 00:30:13,520

embarrass your family and your grandma

876

00:30:16,470 --> 00:30:15,039

and i'm sure they had pressure from

877

00:30:17,830 --> 00:30:16,480

their families too saying like have you

878

00:30:19,990 --> 00:30:17,840

lost your mind

879

00:30:22,389 --> 00:30:20,000

so it must have impacted them in a great

880

00:30:24,950 --> 00:30:22,399

enough level where they're all gonna go

881

00:30:26,789 --> 00:30:24,960

and like give testimony to the police

882

00:30:28,950 --> 00:30:26,799

like if you lie you're plagiarizing

883

00:30:31,350 --> 00:30:28,960

yourself you know like you go to jail

884

00:30:33,430 --> 00:30:31,360

yeah for them to go out and say no this

885

00:30:34,310 --> 00:30:33,440

happened and you know i've heard some of

886

00:30:36,389 --> 00:30:34,320

the

887

00:30:37,990 --> 00:30:36,399

police station recordings and stuff like

888

00:30:40,389 --> 00:30:38,000

that and they're trying to twist it and

889

00:30:41,909 --> 00:30:40,399

well are you sure you saw this

890

00:30:43,830 --> 00:30:41,919

but i mean flat out for a guy to

891

00:30:45,909 --> 00:30:43,840

disappear and then reappear

892

00:30:48,070 --> 00:30:45,919

many many hours later

893

00:30:49,590 --> 00:30:48,080

and they saw it happen i mean

894

00:30:50,710 --> 00:30:49,600

you'd never know for sure unless you're

895

00:30:53,430 --> 00:30:50,720

there right

896

00:30:55,510 --> 00:30:53,440

i'm an optimistic pessimist i i don't

897

00:30:57,430 --> 00:30:55,520

and to your point on disclosure i really

898

00:30:59,029 --> 00:30:57,440

want it to happen do i ever think

899

00:31:01,190 --> 00:30:59,039

they're actually going to do it i don't

900

00:31:02,950 --> 00:31:01,200

know i don't think so because how do you

901
00:31:05,190 --> 00:31:02,960
say that you have these things coming

902
00:31:06,710 --> 00:31:05,200
into your airspace with impunity there's

903
00:31:08,630 --> 00:31:06,720
not a damn thing you can do about it

904
00:31:09,750 --> 00:31:08,640
like that gets real scary real fast

905
00:31:11,190 --> 00:31:09,760
because

906
00:31:13,830 --> 00:31:11,200
how do we know they're not they're not

907
00:31:15,669 --> 00:31:13,840
here for that or you know and then if we

908
00:31:17,990 --> 00:31:15,679
are going to attempt to communicate who

909
00:31:20,870 --> 00:31:18,000
gets to speak on behalf of mankind like

910
00:31:22,630 --> 00:31:20,880
good point you asked is it you know like

911
00:31:24,389 --> 00:31:22,640
who gets a vote on this thing right it

912
00:31:26,070 --> 00:31:24,399
just gets like i said the further down

913
00:31:28,310 --> 00:31:26,080

the rabbit hole my brain goes the more

914

00:31:29,909 --> 00:31:28,320

confusing it gets and the more

915

00:31:31,830 --> 00:31:29,919

abstract you know you feel like you're

916

00:31:33,029 --> 00:31:31,840

making progress you absorb all this

917

00:31:35,110 --> 00:31:33,039

information

918

00:31:37,269 --> 00:31:35,120

you know you do podcasts you read books

919

00:31:39,110 --> 00:31:37,279

research you talk to people and you

920

00:31:41,430 --> 00:31:39,120

still feel sometimes no further ahead

921

00:31:44,230 --> 00:31:41,440

than before you even started right you

922

00:31:46,310 --> 00:31:44,240

know yeah i think eric weinstein or

923

00:31:48,870 --> 00:31:46,320

jordan peterson would be good candidates

924

00:31:49,750 --> 00:31:48,880

to be the representative of our species

925

00:31:52,230 --> 00:31:49,760

i think

926
00:31:54,789 --> 00:31:52,240
men of you know logic and reasoning and

927
00:31:57,669 --> 00:31:54,799
you know sound minds would be the best i

928
00:31:59,190 --> 00:31:57,679
i think was it nato that started um

929
00:32:01,269 --> 00:31:59,200
working on

930
00:32:02,870 --> 00:32:01,279
you know if there is is going to be an

931
00:32:04,310 --> 00:32:02,880
interaction there's like an actual

932
00:32:05,909 --> 00:32:04,320
department that would take care of that

933
00:32:07,830 --> 00:32:05,919
i'm just interested in finding out

934
00:32:09,909 --> 00:32:07,840
exactly what their plans are well we

935
00:32:13,509 --> 00:32:09,919
would have as much access to that as we

936
00:32:15,350 --> 00:32:13,519
currently do to the un or g20 yeah yeah

937
00:32:17,110 --> 00:32:15,360
if we think there's any more input gonna

938
00:32:18,710 --> 00:32:17,120

be requested from the average joe i

939

00:32:20,470 --> 00:32:18,720

think we're sadly mistaken right

940

00:32:22,630 --> 00:32:20,480

whatever bodies they're gonna form we're

941

00:32:25,110 --> 00:32:22,640

gonna be the same kind of hierarchy that

942

00:32:27,029 --> 00:32:25,120

they already have yeah it's not gonna be

943

00:32:28,710 --> 00:32:27,039

an average uh it's not gonna be

944

00:32:31,430 --> 00:32:28,720

available to the average public you know

945

00:32:33,029 --> 00:32:31,440

even like declassified documents

946

00:32:35,269 --> 00:32:33,039

i don't know i don't

947

00:32:37,509 --> 00:32:35,279

there's documents been classified for 50

948

00:32:39,750 --> 00:32:37,519

years and still classified like nobody's

949

00:32:41,350 --> 00:32:39,760

letting stuff out that doesn't they

950

00:32:44,630 --> 00:32:41,360

don't want to get out yeah there's been

951
00:32:47,110 --> 00:32:44,640
some slips but like the slips are from

952
00:32:48,710 --> 00:32:47,120
like julian assange

953
00:32:51,269 --> 00:32:48,720
yeah stuff like this is deeper than

954
00:32:52,789 --> 00:32:51,279
anybody can go you know and even

955
00:32:54,149 --> 00:32:52,799
presidents have tried to get information

956
00:32:55,590 --> 00:32:54,159
to this and they were stonewalled

957
00:32:57,509 --> 00:32:55,600
because you don't have a need to know

958
00:32:58,870 --> 00:32:57,519
yeah well like who's really in charge of

959
00:33:01,029 --> 00:32:58,880
this and

960
00:33:02,870 --> 00:33:01,039
i mean why is it that

961
00:33:04,230 --> 00:33:02,880
i just think it's because it's too scary

962
00:33:06,310 --> 00:33:04,240
for the average person to try to

963
00:33:08,870 --> 00:33:06,320

contemplate that yeah people think there

964

00:33:10,870 --> 00:33:08,880

would be religious implications and i

965

00:33:12,630 --> 00:33:10,880

don't know i think it's no different

966

00:33:14,149 --> 00:33:12,640

than discovering a new insect in the

967

00:33:16,230 --> 00:33:14,159

woods how would it matter if you

968

00:33:18,630 --> 00:33:16,240

discovered life on another planet sure

969

00:33:20,789 --> 00:33:18,640

of course it is like to me would be no

970

00:33:22,950 --> 00:33:20,799

more strange than encountering something

971

00:33:24,470 --> 00:33:22,960

on earth that's unknown yeah

972

00:33:26,230 --> 00:33:24,480

but for some people

973

00:33:27,669 --> 00:33:26,240

they're very regimented you know they

974

00:33:29,909 --> 00:33:27,679

take scripture

975

00:33:32,149 --> 00:33:29,919

literal to the punctuation you don't

976

00:33:34,549 --> 00:33:32,159

change it you don't misinterpret it it

977

00:33:36,389 --> 00:33:34,559

says this that's all it is well

978

00:33:38,230 --> 00:33:36,399

then that means that we're only 10 000

979

00:33:39,830 --> 00:33:38,240

years old according to ancient

980

00:33:41,350 --> 00:33:39,840

scriptures you know

981

00:33:43,190 --> 00:33:41,360

this is coming from a time where most

982

00:33:44,710 --> 00:33:43,200

people couldn't read or write and it was

983

00:33:46,149 --> 00:33:44,720

illiterate and most of these stories

984

00:33:48,310 --> 00:33:46,159

were written hundreds of years after

985

00:33:49,909 --> 00:33:48,320

those people lived yeah so you have to

986

00:33:52,549 --> 00:33:49,919

take everything with a grain of salt is

987

00:33:54,149 --> 00:33:52,559

it true absolutely is there a reason

988

00:33:56,470 --> 00:33:54,159

those books have survived thousands of

989

00:33:57,909 --> 00:33:56,480

years absolutely you don't want to miss

990

00:33:59,990 --> 00:33:57,919

the forest because there's too many

991

00:34:01,830 --> 00:34:00,000

trees in the way yeah don't get so

992

00:34:03,830 --> 00:34:01,840

caught up in the minutia

993

00:34:06,310 --> 00:34:03,840

what's actually being said and yeah

994

00:34:07,269 --> 00:34:06,320

science and religion do get along you

995

00:34:09,829 --> 00:34:07,279

know

996

00:34:11,589 --> 00:34:09,839

uh science only discovers things that

997

00:34:14,310 --> 00:34:11,599

were already there you know nobody

998

00:34:16,869 --> 00:34:14,320

invented geometry nobody invented you

999

00:34:19,270 --> 00:34:16,879

know astrology we just discovered it

1000

00:34:21,589 --> 00:34:19,280

yeah well it's a much it's a much we

1001
00:34:23,510 --> 00:34:21,599
just play in this sandbox we didn't make

1002
00:34:24,869 --> 00:34:23,520
it and we're just trying to understand

1003
00:34:27,270 --> 00:34:24,879
it so we got to have a little bit of

1004
00:34:29,909 --> 00:34:27,280
humility with what's possible and what's

1005
00:34:30,710 --> 00:34:29,919
not because how do you know nobody knows

1006
00:34:34,950 --> 00:34:30,720
yeah

1007
00:34:36,790 --> 00:34:34,960
keep thinking about the evolution of our

1008
00:34:37,829 --> 00:34:36,800
species we're talking about how you know

1009
00:34:40,069 --> 00:34:37,839
we'll start

1010
00:34:41,990 --> 00:34:40,079
you know even it's happening now or the

1011
00:34:43,909 --> 00:34:42,000
new generation aren't breeding as much

1012
00:34:45,990 --> 00:34:43,919
as they used to they're not having kids

1013
00:34:48,069 --> 00:34:46,000

their sexual drives is down

1014

00:34:49,430 --> 00:34:48,079

uh that potentially can happen to us

1015

00:34:50,950 --> 00:34:49,440

with everything that we're doing to

1016

00:34:52,550 --> 00:34:50,960

ourselves uh

1017

00:34:53,990 --> 00:34:52,560

you know even you're talking about uh

1018

00:34:55,349 --> 00:34:54,000

being able to reproduce ourselves

1019

00:34:57,030 --> 00:34:55,359

without actually

1020

00:34:58,710 --> 00:34:57,040

having intercourse like you can actually

1021

00:35:00,390 --> 00:34:58,720

just grab one cell from a person the

1022

00:35:02,069 --> 00:35:00,400

other and create

1023

00:35:03,510 --> 00:35:02,079

a life form you're like oh what would

1024

00:35:05,750 --> 00:35:03,520

you like your baby to have blue eyes

1025

00:35:07,750 --> 00:35:05,760

would you like your yeah um you know i

1026
00:35:10,230 --> 00:35:07,760
have three arms we could genetically

1027
00:35:12,390 --> 00:35:10,240
modify that and that is dangerous

1028
00:35:14,470 --> 00:35:12,400
grounds and i think that is something

1029
00:35:16,069 --> 00:35:14,480
also you know you're looking at uh you

1030
00:35:17,510 --> 00:35:16,079
know the grays and stuff like that a lot

1031
00:35:18,550 --> 00:35:17,520
of people think maybe it's us from the

1032
00:35:20,310 --> 00:35:18,560
futures

1033
00:35:22,390 --> 00:35:20,320
uh you know the face would shrink down

1034
00:35:24,390 --> 00:35:22,400
the head would get bigger we would need

1035
00:35:26,230 --> 00:35:24,400
less and less muscle because

1036
00:35:27,829 --> 00:35:26,240
if we're in space all the time you know

1037
00:35:29,589 --> 00:35:27,839
there's uh you know we're traveling

1038
00:35:31,750 --> 00:35:29,599

around we need to have smaller bodies

1039

00:35:33,829 --> 00:35:31,760

right more conservative

1040

00:35:35,510 --> 00:35:33,839

energy-saving bodies

1041

00:35:37,670 --> 00:35:35,520

and a lot of things too when you listen

1042

00:35:39,349 --> 00:35:37,680

to uh you know abductees there's no

1043

00:35:40,790 --> 00:35:39,359

bathrooms in there

1044

00:35:42,069 --> 00:35:40,800

you know there's no toilets like these

1045

00:35:43,589 --> 00:35:42,079

things are traveling around space

1046

00:35:44,790 --> 00:35:43,599

supposedly and they don't need to use

1047

00:35:47,510 --> 00:35:44,800

the bathroom

1048

00:35:49,430 --> 00:35:47,520

and uh but their ships are designed for

1049

00:35:51,030 --> 00:35:49,440

abductions which is another thing that

1050

00:35:54,150 --> 00:35:51,040

to me is fascinating because there's

1051
00:35:55,910 --> 00:35:54,160
always a room with a table you know

1052
00:35:58,310 --> 00:35:55,920
that's perfect length for a human like

1053
00:35:59,910 --> 00:35:58,320
they're designed to come here with the

1054
00:36:01,829 --> 00:35:59,920
tools and everything and that's

1055
00:36:03,589 --> 00:36:01,839
something that i've always been like huh

1056
00:36:05,829 --> 00:36:03,599
okay so it's not just like oh come

1057
00:36:08,150 --> 00:36:05,839
aboard or ship and sit on the couch it's

1058
00:36:09,990 --> 00:36:08,160
like they actually have an you know a

1059
00:36:11,589 --> 00:36:10,000
physical medical room that they put

1060
00:36:13,589 --> 00:36:11,599
these people in

1061
00:36:15,430 --> 00:36:13,599
so just that is like okay that has

1062
00:36:18,150 --> 00:36:15,440
something to do with us you know because

1063
00:36:19,750 --> 00:36:18,160

if it was a table for any other species

1064

00:36:21,430 --> 00:36:19,760

who knows what it would be a round table

1065

00:36:22,630 --> 00:36:21,440

or something these are designed to fit

1066

00:36:25,109 --> 00:36:22,640

our bodies

1067

00:36:26,870 --> 00:36:25,119

so obviously there's an interest in us

1068

00:36:28,310 --> 00:36:26,880

it's just you know we're trying to

1069

00:36:29,670 --> 00:36:28,320

figure out what that is

1070

00:36:31,510 --> 00:36:29,680

i think it's above our pay grant

1071

00:36:33,349 --> 00:36:31,520

personally now one thing i want to talk

1072

00:36:36,150 --> 00:36:33,359

to you about which is something that i'm

1073

00:36:38,550 --> 00:36:36,160

passionate about is the bob lazar story

1074

00:36:40,870 --> 00:36:38,560

because i'm a huge bob lazar uh believer

1075

00:36:41,829 --> 00:36:40,880

i believe them since the start

1076

00:36:43,430 --> 00:36:41,839

uh

1077

00:36:45,109 --> 00:36:43,440

what are your thoughts on lazar because

1078

00:36:47,270 --> 00:36:45,119

i read i led you in the book not that

1079

00:36:48,790 --> 00:36:47,280

long ago uh i don't know if you finished

1080

00:36:51,030 --> 00:36:48,800

it or not but you know quite a bit on

1081

00:36:52,950 --> 00:36:51,040

the lazar story there you go i got it

1082

00:36:55,270 --> 00:36:52,960

right here buddy right here

1083

00:36:57,109 --> 00:36:55,280

again i think bob lazar pardon me i

1084

00:36:58,870 --> 00:36:57,119

think he's one of the most

1085

00:37:00,470 --> 00:36:58,880

for the same reasons of betty barney

1086

00:37:03,190 --> 00:37:00,480

hill and travis walton and everybody

1087

00:37:06,069 --> 00:37:03,200

else who took a big risk to say anything

1088

00:37:08,150 --> 00:37:06,079

i mean for him to come out when he did

1089

00:37:10,150 --> 00:37:08,160

you know initially blacked out on tv

1090

00:37:11,430 --> 00:37:10,160

with a different name was it dennis or

1091

00:37:14,150 --> 00:37:11,440

something it was dennis and the name of

1092

00:37:15,589 --> 00:37:14,160

his handler yeah you know and so okay

1093

00:37:18,230 --> 00:37:15,599

anybody could do that anybody can make

1094

00:37:20,790 --> 00:37:18,240

up a story the thing that gets me and

1095

00:37:23,109 --> 00:37:20,800

again i'm a science-minded person is

1096

00:37:25,109 --> 00:37:23,119

how do you predict an element

1097

00:37:27,510 --> 00:37:25,119

that was so far in the future like at

1098

00:37:29,829 --> 00:37:27,520

the time when he said element 115 was

1099

00:37:31,829 --> 00:37:29,839

the fuel of these supposed craft he was

1100

00:37:33,589 --> 00:37:31,839

being paid to reverse engineer

1101

00:37:35,589 --> 00:37:33,599

that periodic table of elements didn't

1102

00:37:38,630 --> 00:37:35,599

go anywhere near that high and it wasn't

1103

00:37:40,550 --> 00:37:38,640

like 115 was next in line either right i

1104

00:37:43,030 --> 00:37:40,560

think it was like eight or nine ahead of

1105

00:37:44,950 --> 00:37:43,040

where they even were a good point

1106

00:37:46,069 --> 00:37:44,960

to predict that 20 years before it was

1107

00:37:47,670 --> 00:37:46,079

discovered

1108

00:37:50,150 --> 00:37:47,680

and then to know that you know an

1109

00:37:52,710 --> 00:37:50,160

element with those properties would make

1110

00:37:53,670 --> 00:37:52,720

a reasonable fuel for a nuclear-powered

1111

00:37:56,390 --> 00:37:53,680

craft

1112

00:37:58,470 --> 00:37:56,400

that's way too coincidental like right

1113

00:38:02,069 --> 00:37:58,480

nobody's sitting here right now going

1114

00:38:03,750 --> 00:38:02,079

yeah element 137 cures cancer you know

1115

00:38:05,510 --> 00:38:03,760

and then if that were to come due you

1116

00:38:08,310 --> 00:38:05,520

wouldn't say that guy was crazy you

1117

00:38:10,550 --> 00:38:08,320

would be a genius or a savant of some

1118

00:38:12,950 --> 00:38:10,560

kind yeah well because of the fact that

1119

00:38:15,430 --> 00:38:12,960

he took such a risk and then you know by

1120

00:38:17,750 --> 00:38:15,440

his own admission he had to

1121

00:38:19,349 --> 00:38:17,760

reveal himself for his own protection

1122

00:38:21,109 --> 00:38:19,359

you know when you're but you had said

1123

00:38:23,430 --> 00:38:21,119

too you know they give them a gun and

1124

00:38:25,990 --> 00:38:23,440

just to kind of really seal the deal of

1125

00:38:27,829 --> 00:38:26,000

how serious a position you're in

1126

00:38:30,069 --> 00:38:27,839

um you know they would go through his

1127

00:38:31,910 --> 00:38:30,079

car and move things around on purpose

1128

00:38:33,750 --> 00:38:31,920

and leave it as such because they wanted

1129

00:38:36,069 --> 00:38:33,760

him to discover that oh yeah yeah we

1130

00:38:37,670 --> 00:38:36,079

know who you are we know where you live

1131

00:38:39,109 --> 00:38:37,680

and it's like yeah you could have

1132

00:38:41,349 --> 00:38:39,119

somebody being mischievous you know

1133

00:38:43,109 --> 00:38:41,359

there's haters and stuff and you post

1134

00:38:45,190 --> 00:38:43,119

something online you might get somebody

1135

00:38:47,589 --> 00:38:45,200

send you threats or whatever but it's

1136

00:38:50,230 --> 00:38:47,599

not at that you know intrinsic level

1137

00:38:52,550 --> 00:38:50,240

where you're gonna have to be worried

1138

00:38:53,829 --> 00:38:52,560

for a long time and i keep in the back

1139

00:38:55,510 --> 00:38:53,839

of my mind

1140

00:38:57,750 --> 00:38:55,520

why would he do that he's made no

1141

00:38:59,430 --> 00:38:57,760

benefit out of this at all he like they

1142

00:39:02,069 --> 00:38:59,440

raided his lab

1143

00:39:03,829 --> 00:39:02,079

by the fbi and basically destroyed his

1144

00:39:06,150 --> 00:39:03,839

name he doesn't have a business or a

1145

00:39:08,630 --> 00:39:06,160

namesake so yeah all he could do was

1146

00:39:10,390 --> 00:39:08,640

come out for his own protection right so

1147

00:39:11,829 --> 00:39:10,400

i don't see any benefit like he's not

1148

00:39:13,510 --> 00:39:11,839

cashing in on

1149

00:39:15,670 --> 00:39:13,520

many many many books and he's not

1150

00:39:17,349 --> 00:39:15,680

flooding the market of hey listen to me

1151

00:39:19,349 --> 00:39:17,359

i'm the alien guy

1152

00:39:20,630 --> 00:39:19,359

i think he has more credible things to

1153

00:39:22,630 --> 00:39:20,640

say about

1154

00:39:24,790 --> 00:39:22,640

his drawings and how it worked and his

1155

00:39:26,390 --> 00:39:24,800

information is all plausible it's not

1156

00:39:28,710 --> 00:39:26,400

really out there

1157

00:39:30,550 --> 00:39:28,720

and the prediction of that element 115 i

1158

00:39:32,550 --> 00:39:30,560

just i think that's the

1159

00:39:34,230 --> 00:39:32,560

that's the the feather in the cap i

1160

00:39:37,589 --> 00:39:34,240

think he's the real deal for sure he put

1161

00:39:40,069 --> 00:39:37,599

himself at a significant risk even going

1162

00:39:41,910 --> 00:39:40,079

over this topic and blowing the whistle

1163

00:39:44,150 --> 00:39:41,920

he felt important enough that it needed

1164

00:39:46,150 --> 00:39:44,160

to come out just like guys now you know

1165

00:39:48,390 --> 00:39:46,160

like lou elizondo government people that

1166

00:39:50,310 --> 00:39:48,400

said i can't reveal this working for the

1167

00:39:52,230 --> 00:39:50,320

government but somebody needs to know

1168

00:39:53,030 --> 00:39:52,240

because yeah the threat level of some

1169

00:39:56,390 --> 00:39:53,040

kind

1170

00:39:58,870 --> 00:39:56,400

yeah and you know

1171

00:40:02,550 --> 00:39:58,880

the threat narrative i i don't believe

1172

00:40:04,710 --> 00:40:02,560

in fully but like listening to lazar um

1173

00:40:06,150 --> 00:40:04,720

talk about you know the basically from

1174

00:40:08,309 --> 00:40:06,160

the start he knew that he was placing

1175

00:40:11,030 --> 00:40:08,319

somebody who got killed somebody who

1176

00:40:13,270 --> 00:40:11,040

tried to take a tool to the whatever the

1177

00:40:14,870 --> 00:40:13,280

half basketball uh dome he was talking

1178

00:40:15,829 --> 00:40:14,880

about

1179

00:40:17,190 --> 00:40:15,839

and

1180

00:40:19,589 --> 00:40:17,200

he knew from the start he's replacing

1181

00:40:20,950 --> 00:40:19,599

somebody got killed then the russians

1182

00:40:22,470 --> 00:40:20,960

that were working on a separate

1183

00:40:25,589 --> 00:40:22,480

compartment

1184

00:40:26,710 --> 00:40:25,599

in the same you know s4 facility uh went

1185

00:40:28,630 --> 00:40:26,720

missing

1186

00:40:30,309 --> 00:40:28,640

and that's when he was given the gun and

1187

00:40:32,390 --> 00:40:30,319

i mean you got to think this guy is not

1188

00:40:34,230 --> 00:40:32,400

this guy just built stuff you know uh

1189

00:40:35,990 --> 00:40:34,240

built a a rocket car and stuff like i

1190

00:40:38,309 --> 00:40:36,000

was thinking outside the box that's what

1191

00:40:40,309 --> 00:40:38,319

he does and he's introduced to this very

1192

00:40:42,470 --> 00:40:40,319

scary situation

1193

00:40:44,550 --> 00:40:42,480

and you know some people might know this

1194

00:40:45,829 --> 00:40:44,560

some people might not but his wife was

1195

00:40:47,829 --> 00:40:45,839

actually

1196

00:40:49,109 --> 00:40:47,839

having an affair with her flight

1197

00:40:49,910 --> 00:40:49,119

instructor

1198

00:40:51,589 --> 00:40:49,920

and

1199

00:40:53,510 --> 00:40:51,599

he didn't know about it but the people

1200

00:40:55,430 --> 00:40:53,520

that were following him and you know

1201
00:40:57,430 --> 00:40:55,440
making sure he kept his mouth shut knew

1202
00:40:59,510 --> 00:40:57,440
of it that's why he wasn't being brought

1203
00:41:00,870 --> 00:40:59,520
into the uh you know facility because

1204
00:41:02,790 --> 00:41:00,880
they thought oh he's gonna find out he's

1205
00:41:04,470 --> 00:41:02,800
gonna lose his [h__h] let's give him some

1206
00:41:06,550 --> 00:41:04,480
breathing space but of course they

1207
00:41:08,710 --> 00:41:06,560
didn't communicate that with them and he

1208
00:41:10,069 --> 00:41:08,720
thought holy [h__h] maybe uh my life is

1209
00:41:11,670 --> 00:41:10,079
threatened here by the only people that

1210
00:41:12,950 --> 00:41:11,680
i've been hired to

1211
00:41:13,910 --> 00:41:12,960
help out

1212
00:41:16,470 --> 00:41:13,920
and

1213
00:41:17,750 --> 00:41:16,480

just that alone was enough for him to

1214

00:41:20,150 --> 00:41:17,760

come out because he thought you know

1215

00:41:22,870 --> 00:41:20,160

panic mode they're gonna [h__h] kill me

1216

00:41:25,510 --> 00:41:22,880

and you know to stick to a story 30

1217

00:41:27,430 --> 00:41:25,520

years later or 30 somewhat years later

1218

00:41:29,349 --> 00:41:27,440

and still say look this is what happened

1219

00:41:31,349 --> 00:41:29,359

i'm not changing anything i'm not adding

1220

00:41:33,190 --> 00:41:31,359

anything to the story and things that

1221

00:41:35,109 --> 00:41:33,200

like you mentioned even the hand scanner

1222

00:41:36,630 --> 00:41:35,119

that he was talking about

1223

00:41:38,230 --> 00:41:36,640

i mean everybody's like oh that's full

1224

00:41:40,150 --> 00:41:38,240

of [h__h] and then they had a picture of

1225

00:41:42,069 --> 00:41:40,160

it that got revealed and it was exactly

1226

00:41:43,430 --> 00:41:42,079

what he was talking about like you

1227

00:41:45,190 --> 00:41:43,440

mentioned there's all these details that

1228

00:41:48,150 --> 00:41:45,200

are coming out now they're vindicating

1229

00:41:49,990 --> 00:41:48,160

the man right uh so yeah i'm a huge bob

1230

00:41:51,910 --> 00:41:50,000

lazar fan i'd like to have him on the

1231

00:41:53,430 --> 00:41:51,920

podcast to tell the truth i'd like to

1232

00:41:55,990 --> 00:41:53,440

you know have him

1233

00:41:57,589 --> 00:41:56,000

talk about his book and his experience

1234

00:41:59,270 --> 00:41:57,599

but uh yeah i was wondering what your

1235

00:42:01,349 --> 00:41:59,280

thoughts were on him because

1236

00:42:03,109 --> 00:42:01,359

well i mean look at who he has a couple

1237

00:42:05,430 --> 00:42:03,119

of guys in his corner too right like

1238

00:42:07,990 --> 00:42:05,440

george knapp was the original guy who

1239

00:42:10,710 --> 00:42:08,000

broke the story yeah to this day he's

1240

00:42:11,670 --> 00:42:10,720

still a tried and true defendant of bob

1241

00:42:12,950 --> 00:42:11,680

lazar

1242

00:42:15,030 --> 00:42:12,960

still willing to put his name on the

1243

00:42:16,870 --> 00:42:15,040

books and stand up and say this guy is

1244

00:42:18,710 --> 00:42:16,880

telling the truth he's legit right and

1245

00:42:21,109 --> 00:42:18,720

then even jeremy corbell i think that's

1246

00:42:22,870 --> 00:42:21,119

his name jeremy corbell yeah he's done

1247

00:42:24,630 --> 00:42:22,880

follow-up videos as well with george

1248

00:42:26,950 --> 00:42:24,640

knapp again it's kind of the passing of

1249

00:42:28,390 --> 00:42:26,960

the torch but it's not just one guy

1250

00:42:30,710 --> 00:42:28,400

willing to stake at all when you have

1251
00:42:33,030 --> 00:42:30,720
other guys willing to say group me in

1252
00:42:34,309 --> 00:42:33,040
with him because he's the real deal i

1253
00:42:36,630 --> 00:42:34,319
think there's something there you know i

1254
00:42:37,510 --> 00:42:36,640
think bs kind of fizzles apart really

1255
00:42:40,550 --> 00:42:37,520
quick

1256
00:42:42,870 --> 00:42:40,560
uh frauds are shown to be frauds pretty

1257
00:42:45,430 --> 00:42:42,880
quick there was a whole big name

1258
00:42:48,710 --> 00:42:45,440
ufo people that supposedly had a

1259
00:42:50,790 --> 00:42:48,720
miniature ufo in mexico it was a big

1260
00:42:52,309 --> 00:42:50,800
publicity hype and you know they had all

1261
00:42:53,990 --> 00:42:52,319
these people show up at a theater and

1262
00:42:55,270 --> 00:42:54,000
reveal it and

1263
00:42:56,230 --> 00:42:55,280

you know so

1264

00:42:57,670 --> 00:42:56,240

um

1265

00:42:59,510 --> 00:42:57,680

yeah i think

1266

00:43:01,589 --> 00:42:59,520

eventually the stuff that's not true

1267

00:43:03,670 --> 00:43:01,599

kind of falls apart like you said 30

1268

00:43:05,910 --> 00:43:03,680

years this guy's story is tight

1269

00:43:08,470 --> 00:43:05,920

and you know to to even come up with

1270

00:43:10,790 --> 00:43:08,480

that at the risk of serious trouble for

1271

00:43:12,630 --> 00:43:10,800

yourself yeah why would you do that you

1272

00:43:14,870 --> 00:43:12,640

know yeah and there's no money involved

1273

00:43:16,069 --> 00:43:14,880

either like he's made zero money off of

1274

00:43:18,069 --> 00:43:16,079

this right

1275

00:43:20,069 --> 00:43:18,079

uh maybe a few bucks off the book but i

1276

00:43:22,390 --> 00:43:20,079

mean he should have written a book

1277

00:43:24,550 --> 00:43:22,400

a long time ago because it explains you

1278

00:43:25,750 --> 00:43:24,560

know moment by moment what happened

1279

00:43:27,510 --> 00:43:25,760

where i think you know he gets

1280

00:43:29,510 --> 00:43:27,520

interviewed on joe rogan

1281

00:43:30,630 --> 00:43:29,520

and it's just out of sequence right so

1282

00:43:32,230 --> 00:43:30,640

you're trying to figure well how much

1283

00:43:34,470 --> 00:43:32,240

time was he working there and you know

1284

00:43:36,630 --> 00:43:34,480

when did this occur yeah so phonology is

1285

00:43:38,550 --> 00:43:36,640

tough because he has so much information

1286

00:43:39,750 --> 00:43:38,560

and he wants to give it to you at his

1287

00:43:41,349 --> 00:43:39,760

pace

1288

00:43:43,190 --> 00:43:41,359

he wants to get to the important stuff

1289

00:43:44,870 --> 00:43:43,200

he doesn't want to meddle with well how

1290

00:43:47,030 --> 00:43:44,880

many years and months did you work in

1291

00:43:49,109 --> 00:43:47,040

this department before moving on you're

1292

00:43:51,190 --> 00:43:49,119

missing the point yeah again we're

1293

00:43:53,430 --> 00:43:51,200

talking about the few trees and we're

1294

00:43:55,030 --> 00:43:53,440

not talking about the forest who cares

1295

00:43:57,510 --> 00:43:55,040

what the specifics of that are and i

1296

00:43:59,270 --> 00:43:57,520

mean it's 30 years ago so yeah he wants

1297

00:44:00,790 --> 00:43:59,280

to get down to the nitty-gritty of it

1298

00:44:02,630 --> 00:44:00,800

you know but i do have a question for

1299

00:44:04,550 --> 00:44:02,640

you and i know you're you're a big bob

1300

00:44:07,109 --> 00:44:04,560

lazar guy do you there's that you know

1301
00:44:09,990 --> 00:44:07,119
the rumor that he had a piece of element

1302
00:44:12,150 --> 00:44:10,000
115 or he took it what are your thoughts

1303
00:44:15,829 --> 00:44:12,160
on that what do you think i think he had

1304
00:44:17,510 --> 00:44:15,839
a little bit and the reason is um

1305
00:44:19,750 --> 00:44:17,520
the one that he played with that he had

1306
00:44:22,230 --> 00:44:19,760
videotaped or whatever so he did have a

1307
00:44:24,630 --> 00:44:22,240
little bit of it because when he was uh

1308
00:44:26,390 --> 00:44:24,640
filming the movie with uh

1309
00:44:27,750 --> 00:44:26,400
uh jeremy corbell

1310
00:44:29,030 --> 00:44:27,760
they were talking over the phone and

1311
00:44:31,109 --> 00:44:29,040
jeremy was saying do you have the video

1312
00:44:34,790 --> 00:44:31,119
of the element 115 or whatever and the

1313
00:44:36,550 --> 00:44:34,800

next day he gets raided by the fbi yeah

1314

00:44:38,870 --> 00:44:36,560

right so it's like they're listening

1315

00:44:40,630 --> 00:44:38,880

into his call still you know like he's

1316

00:44:43,109 --> 00:44:40,640

got where they was not just them

1317

00:44:44,870 --> 00:44:43,119

realizing he was about to do an expose

1318

00:44:46,630 --> 00:44:44,880

documentary maybe they tapped his phone

1319

00:44:48,790 --> 00:44:46,640

lines and thought we'd better hit his

1320

00:44:50,790 --> 00:44:48,800

you know place of business his home

1321

00:44:52,390 --> 00:44:50,800

look for any you know uh

1322

00:44:53,750 --> 00:44:52,400

manuscripts of what's about to be

1323

00:44:56,470 --> 00:44:53,760

published i think they wanted to

1324

00:44:58,870 --> 00:44:56,480

intercept what he knows a tsunami of

1325

00:45:00,470 --> 00:44:58,880

information exactly and uh they don't

1326

00:45:02,309 --> 00:45:00,480

know what exactly looks now you have

1327

00:45:03,750 --> 00:45:02,319

somebody who's uh interested in doing a

1328

00:45:06,309 --> 00:45:03,760

documentary on them they're talking

1329

00:45:08,630 --> 00:45:06,319

about it over the phone so one of them

1330

00:45:11,750 --> 00:45:08,640

had their phone tap for sure because for

1331

00:45:13,829 --> 00:45:11,760

the fbi to move in that freaking quickly

1332

00:45:15,430 --> 00:45:13,839

and you know take down his work but they

1333

00:45:17,670 --> 00:45:15,440

were at his home as well like thinking

1334

00:45:18,630 --> 00:45:17,680

you know this guy still has element 115.

1335

00:45:20,309 --> 00:45:18,640

so

1336

00:45:21,829 --> 00:45:20,319

yeah i think you know just those little

1337

00:45:25,030 --> 00:45:21,839

incidences that are taking place with

1338

00:45:27,670 --> 00:45:25,040

him like if he was full of baloney

1339

00:45:29,750 --> 00:45:27,680

you know uh there wouldn't be fbi

1340

00:45:31,990 --> 00:45:29,760

up his ass every time that he talks

1341

00:45:33,829 --> 00:45:32,000

about something or you know like still

1342

00:45:34,710 --> 00:45:33,839

30 years later they're still following

1343

00:45:37,430 --> 00:45:34,720

him

1344

00:45:39,750 --> 00:45:37,440

so yeah my guess is this guy's as legit

1345

00:45:41,589 --> 00:45:39,760

as it gets and his story you know you

1346

00:45:42,950 --> 00:45:41,599

talk about what it was nine crafts or

1347

00:45:44,790 --> 00:45:42,960

something like that that they had at the

1348

00:45:46,390 --> 00:45:44,800

time yeah um

1349

00:45:47,750 --> 00:45:46,400

it's true and they're not all from the

1350

00:45:49,510 --> 00:45:47,760

same species because they're all

1351
00:45:51,109 --> 00:45:49,520
different crafts they all have different

1352
00:45:52,870 --> 00:45:51,119
components and they're all

1353
00:45:55,030 --> 00:45:52,880
trying to figure out exactly how each

1354
00:45:57,190 --> 00:45:55,040
one of them operate and work

1355
00:45:59,430 --> 00:45:57,200
and here's how specific his info was

1356
00:46:01,670 --> 00:45:59,440
right he's not only was the first guy to

1357
00:46:06,470 --> 00:46:01,680
talk about area 51 but he's talking

1358
00:46:08,309 --> 00:46:06,480
about s4 which is an underground portion

1359
00:46:09,589 --> 00:46:08,319
on this groom lake bed which the

1360
00:46:11,670 --> 00:46:09,599
government didn't even officially

1361
00:46:13,829 --> 00:46:11,680
acknowledge until like what 2013 or

1362
00:46:16,150 --> 00:46:13,839
something like that yeah area 51

1363
00:46:18,950 --> 00:46:16,160

actually exists before that it was a

1364

00:46:20,870 --> 00:46:18,960

mine site for like nickel and copper you

1365

00:46:22,630 --> 00:46:20,880

know it was a tunnel system it's on a

1366

00:46:24,150 --> 00:46:22,640

salt flat and then you know lockheed

1367

00:46:26,309 --> 00:46:24,160

starts testing

1368

00:46:28,710 --> 00:46:26,319

spycraft you know this is cold war era

1369

00:46:31,589 --> 00:46:28,720

type stuff and so for him to even bring

1370

00:46:34,630 --> 00:46:31,599

up the fact that there is a base above

1371

00:46:37,270 --> 00:46:34,640

ground at groom lake in this tiny little

1372

00:46:39,589 --> 00:46:37,280

part of nevada and there's also an

1373

00:46:41,349 --> 00:46:39,599

underground base that i worked at you

1374

00:46:43,510 --> 00:46:41,359

know disassembling

1375

00:46:46,630 --> 00:46:43,520

crash and coincidentally you know the

1376

00:46:49,270 --> 00:46:46,640

area of 51 roswell incident is like 20

1377

00:46:51,510 --> 00:46:49,280

years before yeah on the same spot you

1378

00:46:54,550 --> 00:46:51,520

know so like it you can't be that

1379

00:46:56,390 --> 00:46:54,560

specific and that right all the time and

1380

00:46:59,910 --> 00:46:56,400

be full of it yeah

1381

00:47:01,829 --> 00:46:59,920

he's he's either knows firsthand or

1382

00:47:03,589 --> 00:47:01,839

he's about as close as you can get to a

1383

00:47:05,910 --> 00:47:03,599

lot of information and imagine what he

1384

00:47:08,790 --> 00:47:05,920

knows that he that he feels is too scary

1385

00:47:10,550 --> 00:47:08,800

to talk about right you imagine yeah and

1386

00:47:12,470 --> 00:47:10,560

he thinks that it's a great disservice

1387

00:47:15,109 --> 00:47:12,480

to the scientific community to hold back

1388

00:47:17,030 --> 00:47:15,119

this technology and you know who knows

1389

00:47:18,309 --> 00:47:17,040

how much further that would advance us

1390

00:47:20,230 --> 00:47:18,319

if they would just

1391

00:47:21,030 --> 00:47:20,240

say hey here's some

1392

00:47:22,950 --> 00:47:21,040

you know

1393

00:47:24,710 --> 00:47:22,960

tech that does this or that try to

1394

00:47:26,790 --> 00:47:24,720

figure it out but um yeah it's all

1395

00:47:28,390 --> 00:47:26,800

secretive the other thing is too um he

1396

00:47:30,950 --> 00:47:28,400

brought people

1397

00:47:33,430 --> 00:47:30,960

in the middle of nowhere in a desert

1398

00:47:34,950 --> 00:47:33,440

like several times at you know wednesday

1399

00:47:38,230 --> 00:47:34,960

night at seven o'clock because that's

1400

00:47:40,390 --> 00:47:38,240

when there was lease traffic on that

1401

00:47:42,950 --> 00:47:40,400

exactly they would see the crafts fly so

1402

00:47:44,790 --> 00:47:42,960

how did he know that at that exact spot

1403

00:47:46,630 --> 00:47:44,800

at seven o'clock on wednesday they would

1404

00:47:48,790 --> 00:47:46,640

see the test flight exactly right they

1405

00:47:50,870 --> 00:47:48,800

even brought an rv and he brought his

1406

00:47:52,870 --> 00:47:50,880

his wife and her friends like a bunch of

1407

00:47:54,150 --> 00:47:52,880

people went out there to uh he just want

1408

00:47:56,069 --> 00:47:54,160

to show them

1409

00:47:58,470 --> 00:47:56,079

but he was young and dumb like he was in

1410

00:48:00,470 --> 00:47:58,480

his you know early 20s and he wasn't

1411

00:48:02,390 --> 00:48:00,480

thinking straight and he [h__h] up at

1412

00:48:03,750 --> 00:48:02,400

many places he admits that

1413

00:48:05,589 --> 00:48:03,760

like i shouldn't have done this it's so

1414

00:48:07,430 --> 00:48:05,599

brilliant and like a lot of people with

1415

00:48:09,670 --> 00:48:07,440

extreme intelligence they're socially

1416

00:48:12,069 --> 00:48:09,680

awkward they don't yeah with conformity

1417

00:48:13,670 --> 00:48:12,079

or you know workplace rules and stuff

1418

00:48:15,589 --> 00:48:13,680

like that like this was a guy that was

1419

00:48:18,309 --> 00:48:15,599

building rocket cars in his driveway as

1420

00:48:19,750 --> 00:48:18,319

a kid yeah for the internet and books

1421

00:48:22,790 --> 00:48:19,760

telling you how to build a rocket car

1422

00:48:25,349 --> 00:48:22,800

your driveway right his level of uh of

1423

00:48:27,589 --> 00:48:25,359

understanding of science and you know i

1424

00:48:31,109 --> 00:48:27,599

think his profession main title was what

1425

00:48:33,349 --> 00:48:31,119

he's like a nuclear physicist yeah yeah

1426

00:48:35,589 --> 00:48:33,359

he understands molecules and you know

1427

00:48:38,710 --> 00:48:35,599

ion exchange way better than the average

1428

00:48:40,390 --> 00:48:38,720

joe so who better than to have

1429

00:48:41,750 --> 00:48:40,400

you know in a program like that the

1430

00:48:43,589 --> 00:48:41,760

government would have probably only been

1431

00:48:44,870 --> 00:48:43,599

looking for the brightest and best and

1432

00:48:47,030 --> 00:48:44,880

even if they were

1433

00:48:48,710 --> 00:48:47,040

a type or difficult to handle those are

1434

00:48:50,470 --> 00:48:48,720

the brains they need

1435

00:48:52,549 --> 00:48:50,480

to think differently than the scientists

1436

00:48:54,470 --> 00:48:52,559

they already have so yeah i think the

1437

00:48:56,309 --> 00:48:54,480

crazier and the more reckless he was the

1438

00:48:58,630 --> 00:48:56,319

more plausible he would actually be part

1439

00:49:00,069 --> 00:48:58,640

of that rogue program but just even the

1440

00:49:01,829 --> 00:49:00,079

way that they recruited them you got to

1441

00:49:03,510 --> 00:49:01,839

think they're still recruiting

1442

00:49:05,030 --> 00:49:03,520

scientists that way as well like there's

1443

00:49:06,630 --> 00:49:05,040

a bunch of scientists that have worked

1444

00:49:08,630 --> 00:49:06,640

on some material that they keep their

1445

00:49:11,190 --> 00:49:08,640

mouth shut you know non-disclosure

1446

00:49:13,910 --> 00:49:11,200

agreements and being followed

1447

00:49:15,510 --> 00:49:13,920

probably as equally as lazar is look at

1448

00:49:17,589 --> 00:49:15,520

remote viewing you know the government

1449

00:49:18,309 --> 00:49:17,599

openly admits that they played around

1450

00:49:20,150 --> 00:49:18,319

with

1451

00:49:22,069 --> 00:49:20,160

psychics who have the ability to find

1452

00:49:24,630 --> 00:49:22,079

stuff you know there was a i forget at

1453

00:49:26,150 --> 00:49:24,640

what time period but there was a a spy

1454

00:49:28,549 --> 00:49:26,160

plane that went down somewhere i think

1455

00:49:30,150 --> 00:49:28,559

it was in africa and the u.s needed or

1456

00:49:31,910 --> 00:49:30,160

no it was a soviet plane that went down

1457

00:49:33,910 --> 00:49:31,920

and the u.s wanted to capture it before

1458

00:49:36,549 --> 00:49:33,920

the russians got to it right and they

1459

00:49:38,870 --> 00:49:36,559

used psychic mediums and remote viewers

1460

00:49:41,030 --> 00:49:38,880

to you know somehow travel through space

1461

00:49:42,870 --> 00:49:41,040

and time in their mind and tell them

1462

00:49:44,549 --> 00:49:42,880

exactly where that plane crashed so like

1463

00:49:45,589 --> 00:49:44,559

how do you do that kind of stuff there's

1464

00:49:49,349 --> 00:49:45,599

got to be

1465

00:49:51,829 --> 00:49:49,359

some people can access maybe we can all

1466

00:49:53,589 --> 00:49:51,839

access it we're just not trained or

1467

00:49:55,589 --> 00:49:53,599

you know and then you start getting into

1468

00:49:57,589 --> 00:49:55,599

even mysticism with meditating and

1469

00:50:00,309 --> 00:49:57,599

things like that and you can go to

1470

00:50:03,030 --> 00:50:00,319

different places yeah you have the tools

1471

00:50:05,030 --> 00:50:03,040

you know or it's very jedi as far as i'm

1472

00:50:06,630 --> 00:50:05,040

concerned well even like you know people

1473

00:50:09,270 --> 00:50:06,640

saying they're experimenting with drugs

1474

00:50:10,870 --> 00:50:09,280

you know dmt or you know the uh

1475

00:50:12,790 --> 00:50:10,880

mushrooms and stuff like that like just

1476
00:50:14,630 --> 00:50:12,800
that sense of self gets separated and

1477
00:50:15,829 --> 00:50:14,640
you enter this whole new phase of

1478
00:50:17,430 --> 00:50:15,839
thinking

1479
00:50:19,750 --> 00:50:17,440
and and your brain is actually firing

1480
00:50:22,710 --> 00:50:19,760
off you know new pathways into the

1481
00:50:24,710 --> 00:50:22,720
synapses of your brain yeah so just that

1482
00:50:26,549 --> 00:50:24,720
in of itself makes us think okay we can

1483
00:50:27,750 --> 00:50:26,559
think different we can see things

1484
00:50:29,589 --> 00:50:27,760
differently

1485
00:50:30,870 --> 00:50:29,599
and uh you know a lot of people will say

1486
00:50:32,870 --> 00:50:30,880
like if you and me are in the same room

1487
00:50:34,549 --> 00:50:32,880
we're both doing the drugs

1488
00:50:36,230 --> 00:50:34,559

after a while the sense of self goes

1489

00:50:37,910 --> 00:50:36,240

away and it's just like i need to take

1490

00:50:39,270 --> 00:50:37,920

care of this person like you just care

1491

00:50:41,510 --> 00:50:39,280

even if you've never met the person i

1492

00:50:43,670 --> 00:50:41,520

would think joe rogan was talking about

1493

00:50:44,950 --> 00:50:43,680

uh some just some mexican dude that he

1494

00:50:46,790 --> 00:50:44,960

was doing drugs with and they didn't

1495

00:50:48,790 --> 00:50:46,800

know each other and then they ended up

1496

00:50:50,710 --> 00:50:48,800

like just loving each other so much like

1497

00:50:52,710 --> 00:50:50,720

i just respect you and like they were

1498

00:50:55,190 --> 00:50:52,720

just like you know that completely goes

1499

00:50:57,349 --> 00:50:55,200

away and i think yeah i think it's just

1500

00:50:58,230 --> 00:50:57,359

a matter of consciousness right

1501
00:51:00,230 --> 00:50:58,240
uh

1502
00:51:02,150 --> 00:51:00,240
that sounds like it was some good [\h__\h]

1503
00:51:04,150 --> 00:51:02,160
yeah well probably some really really

1504
00:51:06,309 --> 00:51:04,160
good stuff with you

1505
00:51:08,710 --> 00:51:06,319
what was that like an ayahuasca trip in

1506
00:51:10,069 --> 00:51:08,720
peru or something i'm not quite sure i

1507
00:51:11,990 --> 00:51:10,079
think he was just doing drugs at

1508
00:51:14,069 --> 00:51:12,000
somebody's house or something i could

1509
00:51:15,829 --> 00:51:14,079
totally see that happening though right

1510
00:51:17,990 --> 00:51:15,839
uh but yeah there's a lot of people are

1511
00:51:21,109 --> 00:51:18,000
talking about uh the consciousness and

1512
00:51:23,349 --> 00:51:21,119
um right now we got the ce5 you know

1513
00:51:26,069 --> 00:51:23,359

when people say that uh you know they're

1514

00:51:29,150 --> 00:51:26,079

able to communicate with these objects

1515

00:51:31,990 --> 00:51:29,160

do you think that's possible i'm super

1516

00:51:34,390 --> 00:51:32,000

enthusiastic about that in fact i i want

1517

00:51:36,390 --> 00:51:34,400

to somehow see if i can

1518

00:51:38,309 --> 00:51:36,400

be you know at one of those or whatever

1519

00:51:40,230 --> 00:51:38,319

for those who don't know a ce5 is a

1520

00:51:42,950 --> 00:51:40,240

close encounter of the fifth kind

1521

00:51:45,109 --> 00:51:42,960

supposedly if you meditate in a group

1522

00:51:47,910 --> 00:51:45,119

with like-minded people

1523

00:51:50,870 --> 00:51:47,920

you can cause visitations you can cause

1524

00:51:52,390 --> 00:51:50,880

lights to appear or who knows

1525

00:51:54,390 --> 00:51:52,400

and it just seems you know there's been

1526

00:51:57,109 --> 00:51:54,400

videos taken of things kind of

1527

00:51:59,190 --> 00:51:57,119

transitioning into and kind of fizzling

1528

00:52:01,589 --> 00:51:59,200

out again and yeah i just think that's

1529

00:52:05,829 --> 00:52:03,270

i just think that's a super intriguing

1530

00:52:07,190 --> 00:52:05,839

idea you know and uh if things can

1531

00:52:08,710 --> 00:52:07,200

travel you mentioned that you know the

1532

00:52:11,270 --> 00:52:08,720

alien craft that the greys have don't

1533

00:52:13,270 --> 00:52:11,280

have any bathrooms yeah if you figured

1534

00:52:15,109 --> 00:52:13,280

out interstellar travel you're going

1535

00:52:17,190 --> 00:52:15,119

faster than speed of light because even

1536

00:52:19,030 --> 00:52:17,200

at speed of light if something's 50

1537

00:52:21,829 --> 00:52:19,040

million light years away it's a 50

1538

00:52:23,390 --> 00:52:21,839

million year one-way trip yeah but they

1539

00:52:26,230 --> 00:52:23,400

would have to figure out near

1540

00:52:27,430 --> 00:52:26,240

instantaneous travel so that's probably

1541

00:52:29,670 --> 00:52:27,440

why you don't have a bathroom on your

1542

00:52:31,349 --> 00:52:29,680

little ufo because that's probably honey

1543

00:52:32,790 --> 00:52:31,359

we'll be there and back in 20 minutes

1544

00:52:34,309 --> 00:52:32,800

and then we'll be onto something else

1545

00:52:35,589 --> 00:52:34,319

you know so well even they mentioned

1546

00:52:37,990 --> 00:52:35,599

like there doesn't seem to be any

1547

00:52:40,549 --> 00:52:38,000

genitalia or anything like that to them

1548

00:52:42,470 --> 00:52:40,559

they seem very uh you know thin and like

1549

00:52:44,069 --> 00:52:42,480

they're designed to be almost like

1550

00:52:45,349 --> 00:52:44,079

worker bees they don't need to have a

1551

00:52:46,950 --> 00:52:45,359

bathroom or anything like that they

1552

00:52:48,549 --> 00:52:46,960

don't know and maybe that's what crispr

1553

00:52:50,230 --> 00:52:48,559

becomes you know maybe we get to the

1554

00:52:53,430 --> 00:52:50,240

point of doing things that are currently

1555

00:52:56,309 --> 00:52:53,440

unethical like creating subhuman species

1556

00:52:58,150 --> 00:52:56,319

creating a military of bots or people or

1557

00:53:01,109 --> 00:52:58,160

yeah who knows maybe they're the

1558

00:53:02,470 --> 00:53:01,119

byproduct of you know who's in charge

1559

00:53:04,309 --> 00:53:02,480

they come here in the little scout

1560

00:53:06,069 --> 00:53:04,319

planes to do whatever

1561

00:53:08,230 --> 00:53:06,079

reconnaissance they're supposed to do

1562

00:53:10,150 --> 00:53:08,240

and uh you know they're not they're just

1563

00:53:11,990 --> 00:53:10,160

part of the big picture and i've also

1564

00:53:14,069 --> 00:53:12,000

heard too that maybe the universe is so

1565

00:53:16,790 --> 00:53:14,079

teeming with life and it's at such a

1566

00:53:18,549 --> 00:53:16,800

high level that they're just you know

1567

00:53:19,750 --> 00:53:18,559

light beings they don't even have a

1568

00:53:22,549 --> 00:53:19,760

physical

1569

00:53:24,230 --> 00:53:22,559

presence so maybe the only way for us to

1570

00:53:25,829 --> 00:53:24,240

even kind of comprehend that there's

1571

00:53:28,069 --> 00:53:25,839

something else is it needs to come in

1572

00:53:29,750 --> 00:53:28,079

the form of a little gray man right you

1573

00:53:31,910 --> 00:53:29,760

can see them and relate to them they're

1574

00:53:33,750 --> 00:53:31,920

kind of humanoid you know it's kind of a

1575

00:53:36,069 --> 00:53:33,760

way of sending a message

1576

00:53:37,750 --> 00:53:36,079

um to your ant farm that doesn't know

1577

00:53:40,309 --> 00:53:37,760

anything you know

1578

00:53:42,549 --> 00:53:40,319

the top dogs are above our pay grade in

1579

00:53:45,030 --> 00:53:42,559

terms of contemplation yeah we wouldn't

1580

00:53:46,950 --> 00:53:45,040

understand it even if we saw it so they

1581

00:53:47,589 --> 00:53:46,960

use these other creatures maybe it's you

1582

00:53:50,870 --> 00:53:47,599

know

1583

00:53:53,190 --> 00:53:50,880

a big global uh union everybody's in

1584

00:53:55,510 --> 00:53:53,200

and it's a very sharing and

1585

00:53:56,950 --> 00:53:55,520

open thing right yeah all one big

1586

00:53:59,750 --> 00:53:56,960

collective

1587

00:54:01,829 --> 00:53:59,760

um you know life force maybe everybody

1588

00:54:03,910 --> 00:54:01,839

is one in the future if we can figure

1589

00:54:05,589 --> 00:54:03,920

out how not to blow ourselves up well

1590

00:54:08,230 --> 00:54:05,599

that's probably it we're all connected

1591

00:54:09,750 --> 00:54:08,240

somehow with these entities and in

1592

00:54:12,390 --> 00:54:09,760

ourselves it's just the problem is with

1593

00:54:14,549 --> 00:54:12,400

our human species is that we're prone to

1594

00:54:16,390 --> 00:54:14,559

violence and whenever we're scared we

1595

00:54:19,030 --> 00:54:16,400

get provoked very easily

1596

00:54:20,470 --> 00:54:19,040

uh it is a huge issue with our species i

1597

00:54:21,750 --> 00:54:20,480

i you know i believe that if they're

1598

00:54:23,589 --> 00:54:21,760

going to try to interact with us they

1599

00:54:25,750 --> 00:54:23,599

got to try to somehow

1600

00:54:27,109 --> 00:54:25,760

figure out how not to piss us off and

1601
00:54:28,710 --> 00:54:27,119
even like you know they're you know the

1602
00:54:30,630 --> 00:54:28,720
military now like the navy saying

1603
00:54:32,790 --> 00:54:30,640
they're getting these fly by by drones

1604
00:54:35,510 --> 00:54:32,800
or getting these engagements with these

1605
00:54:37,589 --> 00:54:35,520
tic tacs in the middle of nowhere uh yet

1606
00:54:39,589 --> 00:54:37,599
they've shown absolute restraints

1607
00:54:41,030 --> 00:54:39,599
there's no you know war above you

1608
00:54:43,270 --> 00:54:41,040
there's no lordship or anything like

1609
00:54:44,470 --> 00:54:43,280
that they didn't shoot anybody down they

1610
00:54:46,390 --> 00:54:44,480
seem to be you know the minute that

1611
00:54:48,549 --> 00:54:46,400
somebody tries to engage

1612
00:54:50,470 --> 00:54:48,559
with them they just disappear

1613
00:54:52,150 --> 00:54:50,480

right or their gear doesn't work all of

1614

00:54:53,109 --> 00:54:52,160

a sudden they can't lock on they can't

1615

00:54:54,069 --> 00:54:53,119

fire

1616

00:54:56,630 --> 00:54:54,079

yeah

1617

00:54:58,390 --> 00:54:56,640

launch all torpedoes it's that captain i

1618

00:55:00,230 --> 00:54:58,400

can't yeah yeah exactly i mean that

1619

00:55:02,630 --> 00:55:00,240

wasn't there that um the big incident in

1620

00:55:04,549 --> 00:55:02,640

the u.s where all the military the uh

1621

00:55:06,870 --> 00:55:04,559

the u.s military installations that had

1622

00:55:09,109 --> 00:55:06,880

nuclear missiles they all start going

1623

00:55:11,349 --> 00:55:09,119

offline and they weren't daisy chained

1624

00:55:13,430 --> 00:55:11,359

there was no way you could shut off one

1625

00:55:15,510 --> 00:55:13,440

and then all the rest yeah and it was

1626
00:55:17,190 --> 00:55:15,520
almost just like hey if you think about

1627
00:55:19,750 --> 00:55:17,200
using this

1628
00:55:22,309 --> 00:55:19,760
think again you know yeah it's not gonna

1629
00:55:24,710 --> 00:55:22,319
happen yeah but to your point about you

1630
00:55:26,870 --> 00:55:24,720
know the um the amount of technology

1631
00:55:28,309 --> 00:55:26,880
that that what we could do with this

1632
00:55:31,109 --> 00:55:28,319
technology

1633
00:55:33,270 --> 00:55:31,119
unfortunately the pessimist in me says

1634
00:55:34,309 --> 00:55:33,280
it's just gonna get weaponized i think

1635
00:55:35,750 --> 00:55:34,319
as soon as we were able to put

1636
00:55:37,510 --> 00:55:35,760
satellites in outer space they had

1637
00:55:39,829 --> 00:55:37,520
weapons on them yeah

1638
00:55:41,750 --> 00:55:39,839

we we figure out how to throw a rock as

1639

00:55:43,670 --> 00:55:41,760

a caveman the first thing we do is build

1640

00:55:44,549 --> 00:55:43,680

a slingshot so we can kill [h__h] with it

1641

00:55:46,150 --> 00:55:44,559

you know

1642

00:55:48,710 --> 00:55:46,160

yeah i don't know if it's ingrained in

1643

00:55:50,870 --> 00:55:48,720

who we are as a species or

1644

00:55:53,190 --> 00:55:50,880

if it's just kind of like a rudimentary

1645

00:55:55,670 --> 00:55:53,200

savagery we haven't really evolved out

1646

00:55:57,430 --> 00:55:55,680

of right but i think if there is

1647

00:55:59,030 --> 00:55:57,440

information it would make sense the

1648

00:56:00,150 --> 00:55:59,040

government would keep it quiet because

1649

00:56:02,950 --> 00:56:00,160

they want to use it for their own

1650

00:56:04,630 --> 00:56:02,960

military application um and you don't

1651
00:56:06,309 --> 00:56:04,640
want the enemy knowing that you have it

1652
00:56:08,309 --> 00:56:06,319
you know or that it's out there and then

1653
00:56:09,990 --> 00:56:08,319
they go looking for it and figure out a

1654
00:56:10,789 --> 00:56:10,000
way to get it right from the source you

1655
00:56:12,630 --> 00:56:10,799
know

1656
00:56:14,470 --> 00:56:12,640
see my hope is is that this technology

1657
00:56:16,230 --> 00:56:14,480
is so advanced that the russians can't

1658
00:56:18,630 --> 00:56:16,240
break it and that the americans can't

1659
00:56:21,109 --> 00:56:18,640
break it or whichever other country has

1660
00:56:23,430 --> 00:56:21,119
that in his possessions maybe china

1661
00:56:25,430 --> 00:56:23,440
uh that they can't break the code or

1662
00:56:26,390 --> 00:56:25,440
figure out how to use this technology

1663
00:56:27,270 --> 00:56:26,400

for

1664

00:56:28,710 --> 00:56:27,280

war

1665

00:56:31,270 --> 00:56:28,720

i mean again like you brought up a good

1666

00:56:33,270 --> 00:56:31,280

point every time we discover anything

1667

00:56:35,829 --> 00:56:33,280

it's originally from the military

1668

00:56:37,670 --> 00:56:35,839

complex like it seems like we we evolved

1669

00:56:40,549 --> 00:56:37,680

with war every time there's a war we

1670

00:56:42,470 --> 00:56:40,559

evolve somehow just a little bit more

1671

00:56:44,309 --> 00:56:42,480

but that might be a messed up way of

1672

00:56:46,710 --> 00:56:44,319

evolution for our species that might not

1673

00:56:49,190 --> 00:56:46,720

be something that's common across

1674

00:56:50,950 --> 00:56:49,200

you know the other uh if there is like a

1675

00:56:53,670 --> 00:56:50,960

galactic federation like that this

1676
00:56:55,430 --> 00:56:53,680
israelian um a gentleman said there it

1677
00:56:57,430 --> 00:56:55,440
was like a general or something

1678
00:56:59,190 --> 00:56:57,440
ran a program for like 30 years for

1679
00:57:01,670 --> 00:56:59,200
israeli space programming he comes up

1680
00:57:03,910 --> 00:57:01,680
with that when he's 80.

1681
00:57:06,309 --> 00:57:03,920
and i'm just like you know if if that is

1682
00:57:08,150 --> 00:57:06,319
the case maybe our species is that's why

1683
00:57:09,750 --> 00:57:08,160
there's a hold off with the

1684
00:57:11,750 --> 00:57:09,760
communications because we're so freaking

1685
00:57:13,589 --> 00:57:11,760
prone to violence like in in even the

1686
00:57:15,109 --> 00:57:13,599
abduction phenomenon like how freaked

1687
00:57:16,470 --> 00:57:15,119
out we are by it

1688
00:57:17,190 --> 00:57:16,480

you know um

1689

00:57:19,270 --> 00:57:17,200

in

1690

00:57:20,870 --> 00:57:19,280

religious community as well um i was

1691

00:57:22,950 --> 00:57:20,880

talking to some gentleman who wrote a

1692

00:57:24,710 --> 00:57:22,960

book on you know the christian

1693

00:57:26,950 --> 00:57:24,720

community being abducted and stuff like

1694

00:57:28,309 --> 00:57:26,960

that and them trying to

1695

00:57:30,069 --> 00:57:28,319

resolve

1696

00:57:31,910 --> 00:57:30,079

you know with their faith like what

1697

00:57:34,870 --> 00:57:31,920

exactly is this abduction thing is it a

1698

00:57:36,390 --> 00:57:34,880

demonic thing is it you know and

1699

00:57:37,910 --> 00:57:36,400

we're still on the fence we still don't

1700

00:57:39,589 --> 00:57:37,920

know exactly what's going on so i'm

1701
00:57:42,390 --> 00:57:39,599
looking forward to talking with kathleen

1702
00:57:43,589 --> 00:57:42,400
because she's a lifelong experiencer she

1703
00:57:45,670 --> 00:57:43,599
you know wrote

1704
00:57:47,430 --> 00:57:45,680
many many books on the subject

1705
00:57:48,870 --> 00:57:47,440
especially with betty and barney like

1706
00:57:49,829 --> 00:57:48,880
you mentioned which is like the famous

1707
00:57:52,230 --> 00:57:49,839
case

1708
00:57:53,990 --> 00:57:52,240
i'm looking forward to hearing that like

1709
00:57:55,750 --> 00:57:54,000
just what her thoughts are on these

1710
00:57:57,990 --> 00:57:55,760
entities because it's changed over the

1711
00:58:00,390 --> 00:57:58,000
years right yeah for sure yeah same

1712
00:58:01,750 --> 00:58:00,400
devil at first and now seems uh pretty

1713
00:58:03,910 --> 00:58:01,760

legit so

1714

00:58:05,990 --> 00:58:03,920

uh your point about you know maybe we

1715

00:58:08,549 --> 00:58:06,000

have this inherent evil if you are a

1716

00:58:10,549 --> 00:58:08,559

spiritual or a based person

1717

00:58:13,030 --> 00:58:10,559

if you read you know stories like sodom

1718

00:58:15,030 --> 00:58:13,040

and gomorrah where the world was created

1719

00:58:17,670 --> 00:58:15,040

it evolved and it evolved into just an

1720

00:58:19,430 --> 00:58:17,680

evil horrific mass of people

1721

00:58:21,670 --> 00:58:19,440

and it was just time to hit the reset

1722

00:58:23,829 --> 00:58:21,680

button you know spare one or two and

1723

00:58:25,750 --> 00:58:23,839

blow up the rest kind of thing yeah so

1724

00:58:27,670 --> 00:58:25,760

you know and even like native american

1725

00:58:30,150 --> 00:58:27,680

cultures they believe this is like the

1726

00:58:31,990 --> 00:58:30,160

third or fourth world this is second

1727

00:58:34,630 --> 00:58:32,000

third fourth who knows however many

1728

00:58:38,069 --> 00:58:34,640

times that we've tried to do this again

1729

00:58:39,510 --> 00:58:38,079

so if it is a seating of some kind it

1730

00:58:41,109 --> 00:58:39,520

would make sense that it may not go

1731

00:58:43,910 --> 00:58:41,119

right the first second third or fourth

1732

00:58:46,309 --> 00:58:43,920

time maybe that we've done this before

1733

00:58:48,950 --> 00:58:46,319

we've gotten to the point of having it

1734

00:58:51,109 --> 00:58:48,960

all and then greed taking it over

1735

00:58:53,109 --> 00:58:51,119

and uh it's very

1736

00:58:55,349 --> 00:58:53,119

emblematic of you know like even the

1737

00:58:57,829 --> 00:58:55,359

adam and eve story you had it all you

1738

00:59:00,549 --> 00:58:57,839

got greedy and now that's caused this

1739

00:59:03,190 --> 00:59:00,559

poison yeah in you through your race

1740

00:59:05,030 --> 00:59:03,200

right so take it out of a literal sense

1741

00:59:06,710 --> 00:59:05,040

maybe in a metaphysical level there's

1742

00:59:08,789 --> 00:59:06,720

some truth to that maybe it's just

1743

00:59:10,789 --> 00:59:08,799

within our human condition

1744

00:59:12,950 --> 00:59:10,799

maybe there has been dna modifications

1745

00:59:14,789 --> 00:59:12,960

as some people say that they've they've

1746

00:59:16,950 --> 00:59:14,799

tampered us to make us more advanced to

1747

00:59:19,589 --> 00:59:16,960

get there quicker yeah they know there's

1748

00:59:21,270 --> 00:59:19,599

an expiry on our our planet or on our

1749

00:59:23,430 --> 00:59:21,280

star which there is

1750

00:59:25,349 --> 00:59:23,440

but um yeah it would make total sense

1751

00:59:27,109 --> 00:59:25,359

that we would get to a certain point and

1752

00:59:29,190 --> 00:59:27,119

then hopefully evolve enough to spread

1753

00:59:31,670 --> 00:59:29,200

out and then have colonies elsewhere so

1754

00:59:33,349 --> 00:59:31,680

that we can't just blow ourself up but

1755

00:59:35,589 --> 00:59:33,359

uh i think they're they're here more as

1756

00:59:37,750 --> 00:59:35,599

a concern for what we could do

1757

00:59:39,510 --> 00:59:37,760

maybe if we blow up this planet it has

1758

00:59:41,990 --> 00:59:39,520

you know grim consequences for the rest

1759

00:59:44,309 --> 00:59:42,000

of the universe right well the particle

1760

00:59:46,309 --> 00:59:44,319

theory and entanglement is you know you

1761

00:59:48,390 --> 00:59:46,319

touch something here it has an effect

1762

00:59:51,349 --> 00:59:48,400

somewhere else everything is connected

1763

00:59:53,030 --> 00:59:51,359

on some level yeah the string theory

1764

00:59:54,870 --> 00:59:53,040

so maybe it is a big deal that we've

1765

00:59:56,309 --> 00:59:54,880

gotten to the point where we're scary

1766

00:59:58,549 --> 00:59:56,319

and they want to keep an eye on us to

1767

01:00:00,870 --> 00:59:58,559

make sure we don't destroy this for

1768

01:00:03,190 --> 01:00:00,880

future generations right right we've

1769

01:00:05,190 --> 01:00:03,200

been advanced for 150 years and we've

1770

01:00:07,589 --> 01:00:05,200

done a lot of damage

1771

01:00:09,750 --> 01:00:07,599

and cocky we're very very cocky about it

1772

01:00:12,549 --> 01:00:09,760

you know and most most of the technology

1773

01:00:14,870 --> 01:00:12,559

is all weaponry uh you know we got the

1774

01:00:16,789 --> 01:00:14,880

technology to have cars that that run on

1775

01:00:17,990 --> 01:00:16,799

electricity or you know some of them on

1776

01:00:19,670 --> 01:00:18,000

water they're all squashed because

1777

01:00:21,510 --> 01:00:19,680

there's no money involved

1778

01:00:25,589 --> 01:00:21,520

uh but yeah you bring up some good

1779

01:00:28,069 --> 01:00:25,599

points there i mean uh our species is uh

1780

01:00:29,589 --> 01:00:28,079

it's unique and like i said each of us

1781

01:00:31,910 --> 01:00:29,599

kind of know that their species is

1782

01:00:33,910 --> 01:00:31,920

messed up in a sense so this whole

1783

01:00:36,230 --> 01:00:33,920

revelation of you know if there is other

1784

01:00:38,309 --> 01:00:36,240

entities how is the main population

1785

01:00:39,910 --> 01:00:38,319

going to handle that right so that's

1786

01:00:42,069 --> 01:00:39,920

that's a good point yeah when the people

1787

01:00:44,069 --> 01:00:42,079

that have been ruling by intimidation

1788

01:00:46,870 --> 01:00:44,079

and and i mean back in the day hundreds

1789

01:00:49,510 --> 01:00:46,880

of years ago uh state and religion were

1790

01:00:51,430 --> 01:00:49,520

one yeah the same the leader of the of

1791

01:00:53,270 --> 01:00:51,440

the people was also the leader of the

1792

01:00:56,150 --> 01:00:53,280

faith in that country you were seen as

1793

01:00:56,950 --> 01:00:56,160

both so that sort of dictatorship always

1794

01:01:01,589 --> 01:00:56,960

had

1795

01:01:03,270 --> 01:01:01,599

would get information and educated so

1796

01:01:05,589 --> 01:01:03,280

there was a benefit to keeping people

1797

01:01:07,990 --> 01:01:05,599

illiterate and in the dark yeah just

1798

01:01:09,910 --> 01:01:08,000

tell them how it is don't worry about

1799

01:01:11,910 --> 01:01:09,920

thinking for yourself we'll do that for

1800

01:01:14,390 --> 01:01:11,920

you yeah so it's kind of more of the

1801
01:01:16,470 --> 01:01:14,400
same thing too right there's the i still

1802
01:01:18,870 --> 01:01:16,480
go back to what i said earlier some

1803
01:01:20,710 --> 01:01:18,880
things have been classified for 50 or 60

1804
01:01:23,109 --> 01:01:20,720
years and there's not coming out any

1805
01:01:24,309 --> 01:01:23,119
time right yeah or whenever it yeah

1806
01:01:26,470 --> 01:01:24,319
whenever they do come out they're

1807
01:01:28,069 --> 01:01:26,480
redacted as hell yeah you know you get

1808
01:01:29,430 --> 01:01:28,079
two lines out of the whole page it's not

1809
01:01:31,349 --> 01:01:29,440
blacked out that's not really

1810
01:01:33,349 --> 01:01:31,359
declassified

1811
01:01:34,390 --> 01:01:33,359
good morning i hope everybody's doing

1812
01:01:36,309 --> 01:01:34,400
okay

1813
01:01:39,190 --> 01:01:36,319

don't tell the world about that blank

1814

01:01:40,870 --> 01:01:39,200

blank blank sincerely yours yeah

1815

01:01:43,190 --> 01:01:40,880

and by the way blank blank blank just

1816

01:01:46,630 --> 01:01:43,200

ran away from the blank blank blank yeah

1817

01:01:48,549 --> 01:01:46,640

exactly uh in closing here uh louis uh

1818

01:01:49,990 --> 01:01:48,559

what are your thoughts on how this is

1819

01:01:52,150 --> 01:01:50,000

going to go with the

1820

01:01:55,190 --> 01:01:52,160

united states passing a bill you know

1821

01:01:56,309 --> 01:01:55,200

and uh putting together another sort of

1822

01:01:57,510 --> 01:01:56,319

i mean they seem like they're always

1823

01:02:00,870 --> 01:01:57,520

putting together a new group to

1824

01:02:03,430 --> 01:02:00,880

investigate uaps and ufos every other

1825

01:02:05,029 --> 01:02:03,440

few years but what are your thoughts on

1826

01:02:07,190 --> 01:02:05,039

you know is this going to bring any

1827

01:02:08,789 --> 01:02:07,200

fruition to the community or is this

1828

01:02:10,630 --> 01:02:08,799

just going to be another

1829

01:02:12,230 --> 01:02:10,640

deadbeat program like what we've had in

1830

01:02:14,069 --> 01:02:12,240

the past well i mean they had the

1831

01:02:15,910 --> 01:02:14,079

majestic 12 and then you know the

1832

01:02:17,829 --> 01:02:15,920

findings were you know nothing nothing

1833

01:02:19,430 --> 01:02:17,839

significant and then they you know close

1834

01:02:21,589 --> 01:02:19,440

that open up another department to

1835

01:02:23,670 --> 01:02:21,599

handle consumer complaints and you know

1836

01:02:26,470 --> 01:02:23,680

they had a thousand reports and only you

1837

01:02:28,950 --> 01:02:26,480

know one or two they couldn't explain

1838

01:02:30,549 --> 01:02:28,960

so it's like you need a customer-facing

1839

01:02:32,630 --> 01:02:30,559

portion of the government you need

1840

01:02:35,190 --> 01:02:32,640

someone to deal pr

1841

01:02:37,750 --> 01:02:35,200

with the average joe yeah but i they're

1842

01:02:39,990 --> 01:02:37,760

the real programs nobody knows well a

1843

01:02:42,230 --> 01:02:40,000

few the ones that are in it yeah

1844

01:02:43,990 --> 01:02:42,240

and to me when i look at for example lou

1845

01:02:46,789 --> 01:02:44,000

elizondo somebody that said he was part

1846

01:02:48,390 --> 01:02:46,799

of atip and now he's out of that i just

1847

01:02:49,829 --> 01:02:48,400

look at it like

1848

01:02:51,990 --> 01:02:49,839

with the whistleblowers they had in the

1849

01:02:54,630 --> 01:02:52,000

past they figured out a way to not let

1850

01:02:57,109 --> 01:02:54,640

that happen again yeah so is he actually

1851
01:02:58,870 --> 01:02:57,119
a whistleblower or is he part of some

1852
01:03:00,630 --> 01:02:58,880
kind of disclosure

1853
01:03:02,150 --> 01:03:00,640
that they maybe want to trickle feed

1854
01:03:04,549 --> 01:03:02,160
some info to the people and they want it

1855
01:03:06,630 --> 01:03:04,559
to come from a controllable source right

1856
01:03:09,190 --> 01:03:06,640
who can very easily when asked a

1857
01:03:11,430 --> 01:03:09,200
complicated or a difficult question say

1858
01:03:12,870 --> 01:03:11,440
well i'm not at liberty to discuss that

1859
01:03:14,789 --> 01:03:12,880
right you can use your clearance when

1860
01:03:17,029 --> 01:03:14,799
you need it but you can give the people

1861
01:03:19,190 --> 01:03:17,039
what they ask when you feel it's fit too

1862
01:03:21,029 --> 01:03:19,200
but if they didn't want him to be around

1863
01:03:22,230 --> 01:03:21,039

it would be he wouldn't be around you

1864

01:03:25,750 --> 01:03:22,240

know so

1865

01:03:27,670 --> 01:03:25,760

i i'm again i'm a pessimistic optimist i

1866

01:03:30,230 --> 01:03:27,680

don't actually think anything will come

1867

01:03:32,230 --> 01:03:30,240

of it unfortunately but i wish it would

1868

01:03:34,069 --> 01:03:32,240

i wish it would be more of a

1869

01:03:35,750 --> 01:03:34,079

like let's just grow up a little bit you

1870

01:03:38,230 --> 01:03:35,760

know you pull most people they do

1871

01:03:39,670 --> 01:03:38,240

believe something's up right yeah but 80

1872

01:03:42,309 --> 01:03:39,680

of people already think that it's

1873

01:03:43,910 --> 01:03:42,319

plausible you're not going to scare 80

1874

01:03:46,150 --> 01:03:43,920

of people by giving them the info that

1875

01:03:47,670 --> 01:03:46,160

hey maybe aliens are true yeah scare

1876

01:03:49,589 --> 01:03:47,680

them when you say

1877

01:03:51,829 --> 01:03:49,599

we don't know how they got here how they

1878

01:03:53,829 --> 01:03:51,839

come and go and there's not a damn thing

1879

01:03:55,589 --> 01:03:53,839

we can do about it and now that church

1880

01:03:57,430 --> 01:03:55,599

and state gets a little bit scared

1881

01:03:59,270 --> 01:03:57,440

because they're not the supreme

1882

01:04:01,829 --> 01:03:59,280

authority on the planet there's like

1883

01:04:04,069 --> 01:04:01,839

something above that church and state

1884

01:04:05,990 --> 01:04:04,079

yeah

1885

01:04:07,829 --> 01:04:06,000

a bigger power at play that the

1886

01:04:09,270 --> 01:04:07,839

government can't control

1887

01:04:10,630 --> 01:04:09,280

uh you know because we got used with the

1888

01:04:12,950 --> 01:04:10,640

government to be able to control the

1889

01:04:15,750 --> 01:04:12,960

population control the fear

1890

01:04:17,510 --> 01:04:15,760

you drop a bomb like hey absolutely at

1891

01:04:19,430 --> 01:04:17,520

any point in time these things can show

1892

01:04:21,270 --> 01:04:19,440

up take people if they want to and

1893

01:04:23,029 --> 01:04:21,280

there's nothing we can do about it

1894

01:04:24,390 --> 01:04:23,039

uh i think they're just trying to soften

1895

01:04:26,789 --> 01:04:24,400

the blow right now like i think there's

1896

01:04:30,390 --> 01:04:26,799

a lot going to be of people just trying

1897

01:04:33,190 --> 01:04:30,400

to put styrofoam you know on the corners

1898

01:04:34,789 --> 01:04:33,200

like can we have a baby you know you you

1899

01:04:36,950 --> 01:04:34,799

proof the whole house you know make sure

1900

01:04:39,029 --> 01:04:36,960

that the baby can move around and

1901

01:04:41,270 --> 01:04:39,039

discover things but won't get into

1902

01:04:43,510 --> 01:04:41,280

trouble or or you know be freaked out by

1903

01:04:45,270 --> 01:04:43,520

anything or get hurt so i think that's

1904

01:04:47,270 --> 01:04:45,280

exactly what they're they're up to right

1905

01:04:49,349 --> 01:04:47,280

now is just sort of cushioning the blow

1906

01:04:50,870 --> 01:04:49,359

for people by having it more and more

1907

01:04:52,390 --> 01:04:50,880

into the media

1908

01:04:54,950 --> 01:04:52,400

and you got the woke

1909

01:04:56,470 --> 01:04:54,960

community now right where uh everything

1910

01:04:59,349 --> 01:04:56,480

is being called out so i think there's

1911

01:05:00,789 --> 01:04:59,359

going to be a me too of ufos and

1912

01:05:02,470 --> 01:05:00,799

people coming out of the woodwork saying

1913

01:05:04,150 --> 01:05:02,480

hey i worked on some stuff that was

1914

01:05:06,630 --> 01:05:04,160

pretty freaky and

1915

01:05:09,589 --> 01:05:06,640

disclosure with a lowercase d not a

1916

01:05:11,430 --> 01:05:09,599

capital d yeah yeah nick pope said that

1917

01:05:14,390 --> 01:05:11,440

but to give him credit for that quote

1918

01:05:15,990 --> 01:05:14,400

but absolutely it's slow disclosure it's

1919

01:05:18,230 --> 01:05:16,000

not unofficial like they're not going to

1920

01:05:20,069 --> 01:05:18,240

land on the white house law end yeah and

1921

01:05:22,390 --> 01:05:20,079

you know have coffee with joe biden or

1922

01:05:23,750 --> 01:05:22,400

donald trump right so i think it's a

1923

01:05:24,710 --> 01:05:23,760

trickle effect

1924

01:05:26,309 --> 01:05:24,720

at the end of the day if they didn't

1925

01:05:28,470 --> 01:05:26,319

want it to be out it wouldn't be out you

1926

01:05:31,430 --> 01:05:28,480

know 15 years ago there was one ufo

1927

01:05:32,390 --> 01:05:31,440

documentary on tv now there's series and

1928

01:05:34,870 --> 01:05:32,400

and

1929

01:05:37,029 --> 01:05:34,880

multiple of them you know on every uh

1930

01:05:39,430 --> 01:05:37,039

every media channel that you wanna look

1931

01:05:41,190 --> 01:05:39,440

at you wanna go netflix amazon whatever

1932

01:05:44,950 --> 01:05:41,200

you can find something about the uap

1933

01:05:47,029 --> 01:05:44,960

phenomenon and um so definitely it's uh

1934

01:05:49,349 --> 01:05:47,039

if they didn't want anything getting out

1935

01:05:51,029 --> 01:05:49,359

it wouldn't either so yeah it is a

1936

01:05:53,510 --> 01:05:51,039

trickle effect have you watched the

1937

01:05:56,630 --> 01:05:53,520

phenomenon movie with your spouse yet

1938

01:05:58,470 --> 01:05:56,640

um she got freaked out by e.t even when

1939

01:06:00,549 --> 01:05:58,480

as a kid she really thought he was

1940

01:06:03,029 --> 01:06:00,559

creepy and gross and if i even do the

1941

01:06:05,829 --> 01:06:03,039

shaky long finger like yeah

1942

01:06:07,910 --> 01:06:05,839

she gets right mad at me so uh my wife

1943

01:06:10,789 --> 01:06:07,920

isn't into the uap phenomenon she's

1944

01:06:12,630 --> 01:06:10,799

scared that if they are real

1945

01:06:14,309 --> 01:06:12,640

wow what are they gonna do to us yeah

1946

01:06:16,549 --> 01:06:14,319

and i keep telling her if they wanted to

1947

01:06:17,270 --> 01:06:16,559

make you a slave you'd already be one

1948

01:06:19,510 --> 01:06:17,280

yeah

1949

01:06:21,430 --> 01:06:19,520

i think james fox did a fantastic movie

1950

01:06:23,510 --> 01:06:21,440

on that and uh it changed my wife's

1951

01:06:25,589 --> 01:06:23,520

perspective on the subject she used to

1952

01:06:27,990 --> 01:06:25,599

be the same uh the subject creeped her

1953

01:06:30,950 --> 01:06:28,000

out and uh even an experience that mean

1954

01:06:33,430 --> 01:06:30,960

her had on the side of a road with three

1955

01:06:35,510 --> 01:06:33,440

orbs freaked her out so much that she

1956

01:06:37,990 --> 01:06:35,520

just for years never wanted to talk

1957

01:06:39,589 --> 01:06:38,000

about it yes and she saw the phenomenon

1958

01:06:41,750 --> 01:06:39,599

i saw a few months ago that i was

1959

01:06:42,470 --> 01:06:41,760

sending you real-time video yes not with

1960

01:06:45,109 --> 01:06:42,480

me

1961

01:06:47,190 --> 01:06:45,119

yeah she's a she's a witnesser as well

1962

01:06:48,789 --> 01:06:47,200

but uh i bring it up she doesn't like to

1963

01:06:50,789 --> 01:06:48,799

talk about it so well

1964

01:06:52,710 --> 01:06:50,799

hopefully she listens to your podcast so

1965

01:06:54,630 --> 01:06:52,720

hopefully that's your podcast i'm just a

1966

01:06:56,230 --> 01:06:54,640

guest in your home so thank you for

1967

01:06:58,390 --> 01:06:56,240

letting me do that i've really enjoyed

1968

01:07:00,309 --> 01:06:58,400

it it's been a lot of fun and

1969

01:07:02,789 --> 01:07:00,319

i like to uh chat with like-minded

1970

01:07:04,870 --> 01:07:02,799

people maybe we'll do uh we'll do a tag

1971

01:07:06,950 --> 01:07:04,880

team on a guest one day you know what i

1972

01:07:09,029 --> 01:07:06,960

would love that um you're a great uh

1973

01:07:11,190 --> 01:07:09,039

person to talk to like i said it's just

1974

01:07:13,750 --> 01:07:11,200

it's i had to have you on because i had

1975

01:07:16,870 --> 01:07:13,760

to have people uh know that i had

1976

01:07:18,470 --> 01:07:16,880

discovered you in a sense yeah man it's

1977

01:07:20,630 --> 01:07:18,480

cool to find somebody who's like-minded

1978

01:07:22,230 --> 01:07:20,640

and has done his research and uh is into

1979

01:07:24,950 --> 01:07:22,240

the subject as much as possible and

1980

01:07:27,829 --> 01:07:24,960

that's i've been getting you know emails

1981

01:07:29,510 --> 01:07:27,839

uh and messages from people hi tony by

1982

01:07:32,549 --> 01:07:29,520

the way in australia thank you for your

1983

01:07:34,870 --> 01:07:32,559

kind words i really do appreciate it uh

1984

01:07:36,789 --> 01:07:34,880

but it's just good to have people

1985

01:07:38,870 --> 01:07:36,799

listening to the podcast and people like

1986

01:07:41,510 --> 01:07:38,880

yourselves that are just as you know

1987

01:07:43,829 --> 01:07:41,520

enthused and um

1988

01:07:45,190 --> 01:07:43,839

want more answers to to what's going on

1989

01:07:47,109 --> 01:07:45,200

and you mentioned you would like to see

1990

01:07:48,470 --> 01:07:47,119

a ship that would really solidify it for

1991

01:07:50,549 --> 01:07:48,480

you like a mother ship or something like

1992

01:07:53,029 --> 01:07:50,559

that i love it i'm not freaked out at

1993

01:07:55,990 --> 01:07:53,039

all i'd love to go outside and just see

1994

01:07:58,150 --> 01:07:56,000

a floating city like yeah let's go you

1995

01:08:01,190 --> 01:07:58,160

know it uh i think it's a beautiful

1996

01:08:04,069 --> 01:08:01,200

thing it's it's life at its highest

1997

01:08:06,870 --> 01:08:04,079

intellectual level and uh i would be in

1998

01:08:09,190 --> 01:08:06,880

awe of such a thing so but again i'm

1999

01:08:11,589 --> 01:08:09,200

optimistically pessimistic i have not

2000

01:08:13,910 --> 01:08:11,599

seen any green little men haven't seen a

2001

01:08:15,430 --> 01:08:13,920

ship i haven't been abducted

2002

01:08:17,349 --> 01:08:15,440

i don't think i want to be abducted but

2003

01:08:18,950 --> 01:08:17,359

i wouldn't mind seeing a big ship well i

2004

01:08:20,470 --> 01:08:18,960

i think i would might be abducted as

2005

01:08:21,990 --> 01:08:20,480

long as there's no medical procedures

2006

01:08:23,669 --> 01:08:22,000

that are done you know if it was just

2007

01:08:25,829 --> 01:08:23,679

but you listen to their stories there's

2008

01:08:28,149 --> 01:08:25,839

some probing it's not just cletus and

2009

01:08:30,390 --> 01:08:28,159

yeah oh my getting probed you gotta

2010

01:08:31,829 --> 01:08:30,400

watch for the probe taking some samples

2011

01:08:34,149 --> 01:08:31,839

and whatnot i guess

2012

01:08:36,149 --> 01:08:34,159

yeah i'm out too probably

2013

01:08:39,430 --> 01:08:36,159

i'd like to see him and ask him a few

2014

01:08:41,110 --> 01:08:39,440

questions but then just go on your way

2015

01:08:43,110 --> 01:08:41,120

awesome so you're going to do more into

2016

01:08:45,349 --> 01:08:43,120

the community i'm trying to to coax you

2017

01:08:47,669 --> 01:08:45,359

to uh become more active into the

2018

01:08:49,510 --> 01:08:47,679

community and well you're a mufon member

2019

01:08:51,430 --> 01:08:49,520

you speak very highly of them and all

2020

01:08:53,669 --> 01:08:51,440

the good that they do and i might give

2021

01:08:56,309 --> 01:08:53,679

that some consideration i i think you'd

2022

01:08:57,829 --> 01:08:56,319

be a great investigator and uh i i've

2023

01:08:59,430 --> 01:08:57,839

seen how you work on the computer and

2024

01:09:01,269 --> 01:08:59,440

it's quite fast so i think you'd be

2025

01:09:03,189 --> 01:09:01,279

great at it personally thank you brother

2026

01:09:04,470 --> 01:09:03,199

i appreciate you all right well thank

2027

01:09:06,950 --> 01:09:04,480

2028

podcast uh i thank you for all the

2029

01:09:11,110 --> 01:09:09,040

2030

01:09:13,110 --> 01:09:11,120

a break there over five months but uh we

2031

01:09:15,110 --> 01:09:13,120
