00:00:05,050 --> 00:00:13,990

[Music]

2
00:00:21,790 --> 00:00:16,930

thank you

3
00:00:24,290 --> 00:00:21,800

[Music]

4
00:00:26,570 --> 00:00:24,300

telling the story a lot lately so if

5
00:00:27,890 --> 00:00:26,580

anyone's heard this before I apologize

6
00:00:29,450 --> 00:00:27,900

um because I realized I'm like I have to

7
00:00:31,609 --> 00:00:29,460

start using different words because I'm

8
00:00:33,049 --> 00:00:31,619

going to sound like I'm repeating myself

9
00:00:35,389 --> 00:00:33,059

um but how it started you know because

10
00:00:36,889 --> 00:00:35,399

you realize you use the same Expressions

11
00:00:38,270 --> 00:00:36,899

to explain stuff and I was laughing

12
00:00:39,950 --> 00:00:38,280

because I'm like

13
00:00:41,630 --> 00:00:39,960

um someone who's following this is

14

00:00:43,610 --> 00:00:41,640

probably like God she uses you gotta get

15

00:00:45,889 --> 00:00:43,620

a better better vocabulary

16

00:00:48,229 --> 00:00:45,899

um so it started with just change your

17

00:00:49,430 --> 00:00:48,239

story just throw a Twist every once in a

18

00:00:51,110 --> 00:00:49,440

while exactly and I'm not going to be

19

00:00:53,330 --> 00:00:51,120

credible you can't do this in this case

20

00:00:55,610 --> 00:00:53,340

as we know from Travis Bolton and

21

00:00:57,590 --> 00:00:55,620

balbazar and other people if you do any

22

00:00:59,150 --> 00:00:57,600

change of your story people are on it

23

00:01:00,529 --> 00:00:59,160

and they will call you out on it and I

24

00:01:01,970 --> 00:01:00,539

love that and that's the way it should

25

00:01:03,290 --> 00:01:01,980

be because we have to be we all have to

26

00:01:05,030 --> 00:01:03,300

be accountable for each other and

27

00:01:07,010 --> 00:01:05,040

ourselves especially when it comes to

28

00:01:09,230 --> 00:01:07,020

this subject because you can forget

29

00:01:10,969 --> 00:01:09,240

things but when it comes to certain

30

00:01:14,030 --> 00:01:10,979

facts and you're saying something's real

31

00:01:16,010 --> 00:01:14,040

you have to you have to be precise and

32

00:01:18,170 --> 00:01:16,020

it has to be legit and you can't change

33

00:01:21,770 --> 00:01:18,180

story right obviously

34

00:01:24,050 --> 00:01:21,780

um anyway yeah well said right uh how it

35

00:01:25,429 --> 00:01:24,060

got uh how I started into it uh my

36

00:01:27,350 --> 00:01:25,439

actually I talked to my dad recently

37

00:01:29,149 --> 00:01:27,360

about this so my my story will change a

38

00:01:31,190 --> 00:01:29,159

little bit because I told him I'm like

39

00:01:33,050 --> 00:01:31,200

Dad I've been doing a lot of you a UFO

40

00:01:35,270 --> 00:01:33,060

podcast because he's the one who really

41

00:01:36,890 --> 00:01:35,280

got me into it because he had a sighting

42

00:01:39,050 --> 00:01:36,900

when he was really young

43

00:01:40,609 --> 00:01:39,060

um or younger I believe I think he was

44

00:01:43,190 --> 00:01:40,619

in high school I thought he was in like

45

00:01:45,350 --> 00:01:43,200

University kind of age College age um

46

00:01:47,210 --> 00:01:45,360

but he was in high school he said so I

47

00:01:48,950 --> 00:01:47,220

asked him actually last weekend and I

48

00:01:50,450 --> 00:01:48,960

was like Dad tell me the story again

49

00:01:52,550 --> 00:01:50,460

because I feel like maybe I'm not

50

00:01:54,710 --> 00:01:52,560

getting it right or I'm missing

51
00:01:56,690 --> 00:01:54,720
something because I've told it and it's

52
00:01:58,670 --> 00:01:56,700
how I remember it but this is a third

53
00:02:02,330 --> 00:01:58,680
part this is a second person story right

54
00:02:04,730 --> 00:02:02,340
it's not my story that I'm telling so he

55
00:02:06,289 --> 00:02:04,740
he updated it for me and so how it goes

56
00:02:08,930 --> 00:02:06,299
is that my dad was in high school and

57
00:02:11,930 --> 00:02:08,940
they were driving up north to

58
00:02:14,210 --> 00:02:11,940
um they were going to this Cottage

59
00:02:16,790 --> 00:02:14,220
um and at that time you know they were

60
00:02:18,410 --> 00:02:16,800
on a highway and I it was a it was a

61
00:02:20,270 --> 00:02:18,420
known highway but I thought it was a

62
00:02:21,530 --> 00:02:20,280
popular more popular highway but it but

63
00:02:23,030 --> 00:02:21,540

it wasn't actually apparently it was

64

00:02:24,110 --> 00:02:23,040

just like a very and other people were

65

00:02:25,490 --> 00:02:24,120

on it

66

00:02:27,530 --> 00:02:25,500

um so it was a group of my dad's friends

67

00:02:30,290 --> 00:02:27,540

and they ended up they got out of a car

68

00:02:33,170 --> 00:02:30,300

and they saw an object and it was in the

69

00:02:35,449 --> 00:02:33,180

sky and my dad was obviously like what

70

00:02:37,850 --> 00:02:35,459

is this all of them were looking at it

71

00:02:39,949 --> 00:02:37,860

um so they chased the UFO this is the

72

00:02:41,869 --> 00:02:39,959

one thing I exactly I didn't know this

73

00:02:43,790 --> 00:02:41,879

my dad updated me and he's like Chrissy

74

00:02:47,390 --> 00:02:43,800

we chased it before we got out of the

75

00:02:49,070 --> 00:02:47,400

car and I'm like what so they chased it

76

00:02:51,530 --> 00:02:49,080

for a little bit there's also another

77

00:02:54,410 --> 00:02:51,540

part of this is really wild

78

00:02:56,630 --> 00:02:54,420

um to the story that I I totally forgot

79

00:02:58,070 --> 00:02:56,640

about or you know so he's told it a

80

00:03:01,070 --> 00:02:58,080

couple times to me but I haven't talked

81

00:03:03,290 --> 00:03:01,080

to him in the past recent until recent

82

00:03:05,869 --> 00:03:03,300

um anyway uh so they got out of the car

83

00:03:07,670 --> 00:03:05,879

and they looked at it and uh they

84

00:03:10,190 --> 00:03:07,680

flashed their lights at it and it

85

00:03:12,050 --> 00:03:10,200

flashed back its own lights oh wow so my

86

00:03:13,490 --> 00:03:12,060

dad's I know so they were like my dad's

87

00:03:15,410 --> 00:03:13,500

like we were communicating with this

88

00:03:17,270 --> 00:03:15,420

thing and I said to him how big was it

89

00:03:19,550 --> 00:03:17,280

because how it started for me and I'll

90

00:03:21,229 --> 00:03:19,560

get to that is he has a picture of it

91

00:03:23,270 --> 00:03:21,239

they ended up taking a picture he still

92

00:03:25,309 --> 00:03:23,280

has the picture hopefully no one tries

93

00:03:27,470 --> 00:03:25,319

to read my parents place for it

94

00:03:28,670 --> 00:03:27,480

um we're looking for it

95

00:03:30,470 --> 00:03:28,680

um they have this picture and I asked

96

00:03:32,750 --> 00:03:30,480

him I'm like how big was this craft dad

97

00:03:36,589 --> 00:03:32,760

so when you look at the photo you see

98

00:03:38,930 --> 00:03:36,599

this telephone pole it's hovering it

99

00:03:41,509 --> 00:03:38,940

looks like a sun and I remember that

100

00:03:43,309 --> 00:03:41,519

clearly and it's hovering above like

101
00:03:45,229 --> 00:03:43,319
literally like a telephone pole or a

102
00:03:47,449 --> 00:03:45,239
little bit higher so they were really

103
00:03:50,449 --> 00:03:47,459
close to it and I asked him I'm like how

104
00:03:52,309 --> 00:03:50,459
big was it and he's like it he was you

105
00:03:55,250 --> 00:03:52,319
he was it wasn't that big you must have

106
00:03:56,869 --> 00:03:55,260
had to been like four feet or taller to

107
00:03:59,270 --> 00:03:56,879
get in this craft

108
00:04:01,250 --> 00:03:59,280
so at that point drones didn't exist

109
00:04:04,070 --> 00:04:01,260
right like they weren't around at that

110
00:04:05,630 --> 00:04:04,080
time so then what happened was my dad I

111
00:04:08,030 --> 00:04:05,640
remember this part clearly that him

112
00:04:09,890 --> 00:04:08,040
telling me is he took out a rifle and

113
00:04:11,449 --> 00:04:09,900

they they did and they you know they

114

00:04:12,589 --> 00:04:11,459

weren't gonna shoot at it but they were

115

00:04:15,530 --> 00:04:12,599

trying to get a better look at it

116

00:04:17,770 --> 00:04:15,540

through the scope of the gun and so when

117

00:04:20,689 --> 00:04:17,780

they directed the gun at it it took off

118

00:04:22,550 --> 00:04:20,699

and so that's when you know they were

119

00:04:24,050 --> 00:04:22,560

like what is this thing because it knew

120

00:04:26,150 --> 00:04:24,060

it was intelligent it knew what was

121

00:04:28,490 --> 00:04:26,160

happening I know it was unbelievable and

122

00:04:30,650 --> 00:04:28,500

so at that point then um I thought that

123

00:04:33,050 --> 00:04:30,660

it was on Major news after that it isn't

124

00:04:34,670 --> 00:04:33,060

so if someone is following this story I

125

00:04:37,610 --> 00:04:34,680

am going to tell the other part that my

126

00:04:39,050 --> 00:04:37,620

dad said that's correct is that um so

127

00:04:41,030 --> 00:04:39,060

apparently I thought the news picked up

128

00:04:42,650 --> 00:04:41,040

that story but they didn't there was

129

00:04:45,110 --> 00:04:42,660

another similar sighting that happened

130

00:04:46,850 --> 00:04:45,120

on a town that was near to them and it

131

00:04:48,230 --> 00:04:46,860

kept other sightings kept happening that

132

00:04:50,270 --> 00:04:48,240

was similar to theirs and that's what

133

00:04:51,830 --> 00:04:50,280

the news reported and other people saw

134

00:04:54,170 --> 00:04:51,840

the mass sighting of something similar

135

00:04:56,749 --> 00:04:54,180

to my parents to my dad did

136

00:04:59,030 --> 00:04:56,759

um so yeah I was and wild so then so

137

00:05:01,670 --> 00:04:59,040

long story short when I was like six or

138

00:05:03,469 --> 00:05:01,680

seven he showed me that photo and I

139

00:05:05,870 --> 00:05:03,479

remember like looking at it and it was

140

00:05:07,610 --> 00:05:05,880

like it was like I was just I was

141

00:05:09,770 --> 00:05:07,620

enthralled like after that and then

142

00:05:11,810 --> 00:05:09,780

always knowing these these UFO stories

143

00:05:14,450 --> 00:05:11,820

my dad telling them all the time you

144

00:05:16,430 --> 00:05:14,460

know him becoming fascinated into it

145

00:05:18,050 --> 00:05:16,440

um you know meeting people as well but

146

00:05:21,170 --> 00:05:18,060

he didn't really talk about it because

147

00:05:22,670 --> 00:05:21,180

of the ridicule was so bad so now that

148

00:05:24,350 --> 00:05:22,680

you know he talks about it more now

149

00:05:25,670 --> 00:05:24,360

because the vertical wasn't but he would

150

00:05:26,930 --> 00:05:25,680

tell me when I was younger like don't

151

00:05:29,749 --> 00:05:26,940

talk about it people think we're crazy

152

00:05:32,029 --> 00:05:29,759

you know it's not and what area what

153

00:05:33,770 --> 00:05:32,039

area was this in like what town did this

154

00:05:35,330 --> 00:05:33,780

occur yeah that's a great it was just I

155

00:05:37,790 --> 00:05:35,340

believe it was in it was Northern

156

00:05:40,430 --> 00:05:37,800

Ontario so I'm not sure exact town he

157

00:05:43,189 --> 00:05:40,440

said but it is Northern Ontario my

158

00:05:44,749 --> 00:05:43,199

parents at that time my dad lived in I

159

00:05:46,370 --> 00:05:44,759

believe it was either Hanover or

160

00:05:47,870 --> 00:05:46,380

Kitchener at that time but I think it

161

00:05:49,490 --> 00:05:47,880

was Hanover

162

00:05:52,370 --> 00:05:49,500

um so close to that area which is still

163

00:05:54,050 --> 00:05:52,380

around northern northern Ontario not too

164

00:05:55,790 --> 00:05:54,060

far north either like in a couple hours

165

00:05:58,129 --> 00:05:55,800

outside of Toronto yeah that's not

166

00:06:00,529 --> 00:05:58,139

that's not that far up north but that

167

00:06:02,450 --> 00:06:00,539

whole region like even I lived I say

168

00:06:04,550 --> 00:06:02,460

probably about Midway through the

169

00:06:06,770 --> 00:06:04,560

province of Quebec which you know

170

00:06:08,510 --> 00:06:06,780

compared to Ontario would be up North

171

00:06:10,370 --> 00:06:08,520

Ontario and that was where one of I

172

00:06:13,129 --> 00:06:10,380

think our second sighting that we've

173

00:06:15,890 --> 00:06:13,139

ever had took place so it's everywhere

174

00:06:18,529 --> 00:06:15,900

even in like the remote parts of this

175

00:06:20,870 --> 00:06:18,539

country this stuff is there it's always

176
00:06:22,430 --> 00:06:20,880
flying around it's just sometimes we're

177
00:06:25,189 --> 00:06:22,440
lucky we get to spot it and sometimes

178
00:06:27,890 --> 00:06:25,199
you know yeah not so lucky

179
00:06:29,749 --> 00:06:27,900
but uh did did you ever have yourself

180
00:06:31,370 --> 00:06:29,759
did you ever have a sighting

181
00:06:33,350 --> 00:06:31,380
I've had something with my my

182
00:06:34,610 --> 00:06:33,360
ex-boyfriend at a time you know where I

183
00:06:36,230 --> 00:06:34,620
have talked about this I don't really

184
00:06:37,850 --> 00:06:36,240
talk about it as much it's not because

185
00:06:39,830 --> 00:06:37,860
of ridicules because I'm still deciding

186
00:06:41,990 --> 00:06:39,840
on what happened right you know I've

187
00:06:43,309 --> 00:06:42,000
I've had sightings with I had one with

188
00:06:45,650 --> 00:06:43,319

him where

189

00:06:46,969 --> 00:06:45,660

um he like we were in the backyard and

190

00:06:49,249 --> 00:06:46,979

like I always laugh because now there's

191

00:06:51,830 --> 00:06:49,259

like backyard UFOs

192

00:06:55,370 --> 00:06:51,840

um but I was in the backyard with him

193

00:06:57,589 --> 00:06:55,380

and it was during the day and I looked

194

00:06:59,629 --> 00:06:57,599

up in the sky and I was like what is

195

00:07:02,330 --> 00:06:59,639

that and I'm like is there such thing as

196

00:07:04,909 --> 00:07:02,340

a day comment because and he's like

197

00:07:07,249 --> 00:07:04,919

Chrissy and it was moving so slow and it

198

00:07:09,170 --> 00:07:07,259

had this little Trail

199

00:07:10,670 --> 00:07:09,180

um in the back of it and it wasn't very

200

00:07:12,290 --> 00:07:10,680

like the trail wasn't large and it

201
00:07:14,210 --> 00:07:12,300
wasn't like it was coming from any type

202
00:07:16,730 --> 00:07:14,220
of craft it looked like but it had like

203
00:07:18,950 --> 00:07:16,740
a fireball at the end of it with this

204
00:07:20,029 --> 00:07:18,960
very tiny smoke Trail uh and it could

205
00:07:22,010 --> 00:07:20,039
have been something it doesn't mean it

206
00:07:23,510 --> 00:07:22,020
was a UFO I don't know

207
00:07:25,370 --> 00:07:23,520
um but I've seen other pictures of

208
00:07:27,050 --> 00:07:25,380
something similar of an identified

209
00:07:28,670 --> 00:07:27,060
flying objects and I was like that is

210
00:07:31,909 --> 00:07:28,680
something that I that is similar to what

211
00:07:33,650 --> 00:07:31,919
I've seen um so I pointed at him and I

212
00:07:36,110 --> 00:07:33,660
said what is that and he looked at it

213
00:07:38,510 --> 00:07:36,120

too and we stared at it for a while and

214

00:07:41,029 --> 00:07:38,520

then a craft like one of those

215

00:07:43,010 --> 00:07:41,039

um a craft that flew over his house not

216

00:07:45,830 --> 00:07:43,020

even a joke it was an army plane flew

217

00:07:47,869 --> 00:07:45,840

over and flew directly at it and then it

218

00:07:49,550 --> 00:07:47,879

came back on the same flight path right

219

00:07:51,170 --> 00:07:49,560

after so it was going it was going to

220

00:07:52,670 --> 00:07:51,180

look at what it was

221

00:07:54,230 --> 00:07:52,680

um no one else reported it from what I

222

00:07:56,510 --> 00:07:54,240

what I know in the media if they might

223

00:07:58,249 --> 00:07:56,520

have and maybe we missed it but um it

224

00:08:00,409 --> 00:07:58,259

doesn't mean it was a UFO I don't know

225

00:08:01,790 --> 00:08:00,419

until that to this day I still don't

226

00:08:03,529 --> 00:08:01,800

know what it is and it probably could be

227

00:08:05,270 --> 00:08:03,539

explained let's be honest most of the

228

00:08:07,010 --> 00:08:05,280

time they are but it doesn't matter

229

00:08:09,409 --> 00:08:07,020

sometimes if it's just the one that

230

00:08:10,730 --> 00:08:09,419

hasn't it still means it's real but

231

00:08:12,950 --> 00:08:10,740

that's interesting that you had that

232

00:08:14,930 --> 00:08:12,960

military plane fly over that's a little

233

00:08:16,670 --> 00:08:14,940

detail to be honest I'm not I'm not I'm

234

00:08:19,010 --> 00:08:16,680

on expertise on military planes either

235

00:08:20,210 --> 00:08:19,020

so I don't know if it could have just I

236

00:08:22,249 --> 00:08:20,220

don't know what type of plane it was but

237

00:08:23,749 --> 00:08:22,259

it did fly back on the same path that it

238

00:08:25,610 --> 00:08:23,759

flew in on

239

00:08:29,210 --> 00:08:25,620

um and I believe that is a sign of a

240

00:08:31,010 --> 00:08:29,220

form of crap of a military plane and it

241

00:08:33,170 --> 00:08:31,020

wasn't a matter it was a black plane it

242

00:08:35,269 --> 00:08:33,180

wasn't a marked plane that's for sure it

243

00:08:37,130 --> 00:08:35,279

wasn't like some typical plane that you

244

00:08:39,589 --> 00:08:37,140

would see flying around it was for sure

245

00:08:41,389 --> 00:08:39,599

some form of military plane

246

00:08:43,790 --> 00:08:41,399

um so yeah that those were times and

247

00:08:45,710 --> 00:08:43,800

it's even outside for him it's so funny

248

00:08:47,570 --> 00:08:45,720

because he was never really into UFOs

249

00:08:49,790 --> 00:08:47,580

until we started dating and now you know

250

00:08:51,550 --> 00:08:49,800

now we're obviously not together anymore

251

00:08:55,190 --> 00:08:51,560

um sharing my personal life here but

252

00:08:57,710 --> 00:08:55,200

yeah he um you know he's he's in he

253

00:09:00,110 --> 00:08:57,720

loves it now like he's he's such a UFO

254

00:09:01,130 --> 00:09:00,120

guy now and team I haven't talked to him

255

00:09:02,930 --> 00:09:01,140

in a while I wonder what he's thinking

256

00:09:04,670 --> 00:09:02,940

with all the new Pentagon information he

257

00:09:05,990 --> 00:09:04,680

must be you know freaking out as much as

258

00:09:07,009 --> 00:09:06,000

I am I think there's going to be a whole

259

00:09:08,810 --> 00:09:07,019

bunch of people that are going to jump

260

00:09:10,910 --> 00:09:08,820

on the bandwagon like I knew the whole

261

00:09:12,230 --> 00:09:10,920

time but there were people that just

262

00:09:15,350 --> 00:09:12,240

like you know not that long ago were

263

00:09:17,030 --> 00:09:15,360

like mocking People Like Us right who

264

00:09:19,790 --> 00:09:17,040

cares as long as it comes out I don't

265

00:09:21,350 --> 00:09:19,800

care I I'm not I don't care the ego I

266

00:09:23,870 --> 00:09:21,360

could put aside for two minutes as long

267

00:09:25,870 --> 00:09:23,880

as the information comes out I'm willing

268

00:09:28,790 --> 00:09:25,880

to put up with with anything

269

00:09:30,650 --> 00:09:28,800

as far as ufologist

270

00:09:32,509 --> 00:09:30,660

um and I use the term you follow just

271

00:09:35,269 --> 00:09:32,519

slightly because I mean there's no

272

00:09:37,850 --> 00:09:35,279

really curriculum to this

273

00:09:40,790 --> 00:09:37,860

um no yeah there will be one day a

274

00:09:42,949 --> 00:09:40,800

university class at Harvard for you

275

00:09:44,810 --> 00:09:42,959

apology 101 yeah we'll come back to how

276

00:09:47,030 --> 00:09:44,820

to handle the little gray guys or I'll

277

00:09:49,730 --> 00:09:47,040

be your professor

278

00:09:50,449 --> 00:09:49,740

exactly yeah I can't wait to take that

279

00:09:52,430 --> 00:09:50,459

course

280

00:09:53,570 --> 00:09:52,440

um exactly we're all going to be

281

00:09:56,030 --> 00:09:53,580

teaching the course what are you talking

282

00:09:57,949 --> 00:09:56,040

about yeah well be part of the panel at

283

00:10:01,430 --> 00:09:57,959

least that like agrees on what the

284

00:10:03,829 --> 00:10:01,440

curriculum should be exactly but this

285

00:10:06,230 --> 00:10:03,839

this field used to be dominated by men

286

00:10:09,110 --> 00:10:06,240

and we did have you know Linda Moulton

287

00:10:11,930 --> 00:10:09,120

Howe and Leslie Keane as you know

288

00:10:13,490 --> 00:10:11,940

pioneer women in this field what I think

289

00:10:16,790 --> 00:10:13,500

is really cool with the new generation

290

00:10:19,130 --> 00:10:16,800

is that a lot more women are getting

291

00:10:21,650 --> 00:10:19,140

involved in this and are being a lot

292

00:10:24,710 --> 00:10:21,660

more vocal which is about time it's not

293

00:10:26,630 --> 00:10:24,720

just about little old gray men uh

294

00:10:29,569 --> 00:10:26,640

talking about UFOs anymore it's actually

295

00:10:31,430 --> 00:10:29,579

a youthful generation uh you know young

296

00:10:33,470 --> 00:10:31,440

and old now can actually talk about this

297

00:10:35,990 --> 00:10:33,480

because the lifespan's short right like

298

00:10:37,430 --> 00:10:36,000

85 years is short and if you've seen

299

00:10:38,810 --> 00:10:37,440

something that was like holy [h__h] and

300

00:10:40,370 --> 00:10:38,820

then somebody who's younger than you

301
00:10:45,290 --> 00:10:40,380
sees the same thing you have something

302
00:10:46,970 --> 00:10:45,300
in common now right 100 so I think what

303
00:10:50,090 --> 00:10:46,980
is your take on that with like what's

304
00:10:52,370 --> 00:10:50,100
the uptake on the popularity with the

305
00:10:55,310 --> 00:10:52,380
younger generation when it comes down to

306
00:10:56,509 --> 00:10:55,320
ufology or at least following up on the

307
00:10:58,970 --> 00:10:56,519
subject

308
00:11:01,250 --> 00:10:58,980
yeah from what I see

309
00:11:04,490 --> 00:11:01,260
you know we look at you know gen Zed to

310
00:11:07,730 --> 00:11:04,500
boomer generation just even culturally

311
00:11:09,650 --> 00:11:07,740
the the boomer generation is less still

312
00:11:11,750 --> 00:11:09,660
and this is not everybody right I'm just

313
00:11:13,069 --> 00:11:11,760

kind of making a generalized statement

314

00:11:15,769 --> 00:11:13,079

even though generally statements aren't

315

00:11:17,210 --> 00:11:15,779

the best but I from what I see and what

316

00:11:18,530 --> 00:11:17,220

I've heard but everyone's different to

317

00:11:21,290 --> 00:11:18,540

their own

318

00:11:23,870 --> 00:11:21,300

um mainly when we look at the boomer

319

00:11:25,610 --> 00:11:23,880

generation they're so there is a lot of

320

00:11:27,889 --> 00:11:25,620

distrust within government and I don't

321

00:11:31,190 --> 00:11:27,899

blame them cold war you know like

322

00:11:33,230 --> 00:11:31,200

they're you know like there's there's so

323

00:11:35,389 --> 00:11:33,240

many reasons why they don't believe the

324

00:11:37,910 --> 00:11:35,399

government and there's a lot of distrust

325

00:11:39,650 --> 00:11:37,920

and ridicule around what happened and

326

00:11:41,509 --> 00:11:39,660

how they feel and speaking towards it

327

00:11:43,970 --> 00:11:41,519

and then we have this younger generation

328

00:11:45,829 --> 00:11:43,980

that's coming out where you know their

329

00:11:47,449 --> 00:11:45,839

parents might know about UFOs or might

330

00:11:49,970 --> 00:11:47,459

not but they're really interested in it

331

00:11:51,590 --> 00:11:49,980

and mainstream media is guiding it so

332

00:11:52,910 --> 00:11:51,600

they're hearing this this more and it's

333

00:11:54,410 --> 00:11:52,920

very fascinating to them because it's

334

00:11:57,650 --> 00:11:54,420

the first time that they've ever heard

335

00:11:58,970 --> 00:11:57,660

this you know probably 2017 and they

336

00:12:01,009 --> 00:11:58,980

trust the government a little bit more

337

00:12:03,410 --> 00:12:01,019

maybe not all of them but there is a

338

00:12:04,430 --> 00:12:03,420

little more trust in it I see

339

00:12:06,590 --> 00:12:04,440

um and they're following what's

340

00:12:08,629 --> 00:12:06,600

happening so they might not know

341

00:12:11,329 --> 00:12:08,639

everything that's happened you know

342

00:12:15,170 --> 00:12:11,339

before 2017 they might only know from

343

00:12:18,290 --> 00:12:15,180

2017 and Jeremy Corbell and upwards and

344

00:12:20,090 --> 00:12:18,300

say Joe Rogan and Area 51 in the in the

345

00:12:21,650 --> 00:12:20,100

meme that went out they might be

346

00:12:23,569 --> 00:12:21,660

following that but that's how they ended

347

00:12:26,329 --> 00:12:23,579

up getting in and I think that there is

348

00:12:27,889 --> 00:12:26,339

a lot of positivity around you know when

349

00:12:30,550 --> 00:12:27,899

they use the word disclosure movements

350

00:12:32,569 --> 00:12:30,560

there's there's a lot of optimistic

351

00:12:34,190 --> 00:12:32,579

conversations in the community that I

352

00:12:36,590 --> 00:12:34,200

see within the younger generation that's

353

00:12:37,970 --> 00:12:36,600

really nice and also wanting to wanting

354

00:12:41,090 --> 00:12:37,980

the truth and getting to the bottom of

355

00:12:43,190 --> 00:12:41,100

it and using technology and using things

356

00:12:45,410 --> 00:12:43,200

like streaming and having making

357

00:12:48,410 --> 00:12:45,420

podcasts and connecting with people

358

00:12:50,269 --> 00:12:48,420

they're doing it more than than probably

359

00:12:52,129 --> 00:12:50,279

ever and same with the women same thing

360

00:12:54,470 --> 00:12:52,139

too it's just it's a growing culture

361

00:12:56,569 --> 00:12:54,480

right now and I will say that mainstream

362

00:12:59,150 --> 00:12:56,579

media and pop culture have a lot to do

363

00:13:01,550 --> 00:12:59,160

with that since 2017 and Leslie clean

364

00:13:03,470 --> 00:13:01,560

and Ralph Blumenthal and all of them

365

00:13:05,870 --> 00:13:03,480

coming out with the New York Times piece

366

00:13:08,569 --> 00:13:05,880

oh that was brilliant yeah oh yeah and

367

00:13:11,210 --> 00:13:08,579

that changed things too in 2017 because

368

00:13:13,250 --> 00:13:11,220

I got a lot of guys that were in the

369

00:13:15,650 --> 00:13:13,260

military to come out step forward as

370

00:13:18,350 --> 00:13:15,660

well got people like me to be like I

371

00:13:21,110 --> 00:13:18,360

should maybe you know join mufon and

372

00:13:22,910 --> 00:13:21,120

finally live my life's dream that's

373

00:13:25,269 --> 00:13:22,920

pretty sad if that's my live stream to

374

00:13:28,490 --> 00:13:25,279

join mufon but you know what I lived it

375

00:13:30,889 --> 00:13:28,500

I completed it all right on to the next

376

00:13:32,569 --> 00:13:30,899

thing off off to the uh no judgment in

377

00:13:33,829 --> 00:13:32,579

that no judgment in that Community would

378

00:13:35,090 --> 00:13:33,839

ever judge you on that either if

379

00:13:36,949 --> 00:13:35,100

anything were more than happy that we

380

00:13:39,170 --> 00:13:36,959

have more people set your you set your

381

00:13:40,790 --> 00:13:39,180

goals attainable you know just go ahead

382

00:13:42,949 --> 00:13:40,800

and reach them that's uh really just

383

00:13:46,490 --> 00:13:42,959

keep it modest

384

00:13:49,069 --> 00:13:46,500

but I as I joined um that's what I found

385

00:13:51,170 --> 00:13:49,079

is is sort of the distrust in the

386

00:13:52,790 --> 00:13:51,180

community at first

387

00:13:54,590 --> 00:13:52,800

um you know there's a lot of uh this

388

00:13:56,810 --> 00:13:54,600

guy's an idiot oh don't listen to this

389

00:13:58,670 --> 00:13:56,820

guy this guy's an idiot I even had a

390

00:14:01,370 --> 00:13:58,680

gentleman on who said you know he was

391

00:14:03,829 --> 00:14:01,380

attacked physically and verbally because

392

00:14:06,530 --> 00:14:03,839

of his take on

393

00:14:08,090 --> 00:14:06,540

what this can all be because he was more

394

00:14:09,949 --> 00:14:08,100

from a religious point of view like they

395

00:14:12,410 --> 00:14:09,959

could be demons which of course we cover

396

00:14:14,150 --> 00:14:12,420

because we want to cover all the aspects

397

00:14:16,790 --> 00:14:14,160

of this phenomenon we don't know what it

398

00:14:18,650 --> 00:14:16,800

is so let's hear him out but some people

399

00:14:20,449 --> 00:14:18,660

don't want to hear about they just I've

400

00:14:22,509 --> 00:14:20,459

already made up their minds

401
00:14:24,290 --> 00:14:22,519
that this is it that none other

402
00:14:26,150 --> 00:14:24,300
interdimensional no no they're

403
00:14:28,370 --> 00:14:26,160
extraterrestrials no no you're both

404
00:14:31,069 --> 00:14:28,380
wrong they're demons it's like

405
00:14:33,829 --> 00:14:31,079
we don't know why are we fighting each

406
00:14:36,290 --> 00:14:33,839
other like it's stupid I agree yeah well

407
00:14:38,569 --> 00:14:36,300
the whole thing about this too that you

408
00:14:40,310 --> 00:14:38,579
know ufology is not a religion right

409
00:14:42,250 --> 00:14:40,320
it's a community of people that are

410
00:14:45,110 --> 00:14:42,260
looking for an answer towards a subject

411
00:14:46,910 --> 00:14:45,120
but we do have this likeliness of a

412
00:14:48,230 --> 00:14:46,920
religion where we're all you know I use

413
00:14:49,850 --> 00:14:48,240

it we're fighting but I don't even like

414

00:14:52,790 --> 00:14:49,860

using that trying to find information

415

00:14:55,310 --> 00:14:52,800

and and get information about something

416

00:14:57,590 --> 00:14:55,320

we don't we know that we're seeing right

417

00:14:59,509 --> 00:14:57,600

now that is real but we don't know what

418

00:15:01,730 --> 00:14:59,519

the end cause is and I've said that

419

00:15:03,230 --> 00:15:01,740

before too we don't really know what it

420

00:15:05,689 --> 00:15:03,240

is but that's the same thing with

421

00:15:07,910 --> 00:15:05,699

religion though when you look at it you

422

00:15:10,310 --> 00:15:07,920

know religion is the same way that there

423

00:15:11,750 --> 00:15:10,320

is you know and I do not think that

424

00:15:13,610 --> 00:15:11,760

ufology is a religion I don't think

425

00:15:16,550 --> 00:15:13,620

people should create one around it as

426

00:15:18,530 --> 00:15:16,560

well but we see the same ethos of it

427

00:15:20,389 --> 00:15:18,540

happening uh and I find that really

428

00:15:23,509 --> 00:15:20,399

interesting in the community

429

00:15:26,090 --> 00:15:23,519

um the one thing I love about the

430

00:15:28,129 --> 00:15:26,100

efology community is that there is a lot

431

00:15:30,410 --> 00:15:28,139

of working together and there is a lot

432

00:15:32,090 --> 00:15:30,420

of understanding and there is respect

433

00:15:35,269 --> 00:15:32,100

even though people don't always agree

434

00:15:36,949 --> 00:15:35,279

but I do see the people that I talk to

435

00:15:38,269 --> 00:15:36,959

and maybe it's the community that I'm

436

00:15:40,670 --> 00:15:38,279

usually integrated in because it's

437

00:15:42,650 --> 00:15:40,680

pretty vast around the world but the

438

00:15:45,110 --> 00:15:42,660

people that I see and I know are really

439

00:15:47,810 --> 00:15:45,120

Keen to help each other and want an

440

00:15:50,090 --> 00:15:47,820

answer and want the truth and want the

441

00:15:52,069 --> 00:15:50,100

truth to be real rather than you know

442

00:15:53,870 --> 00:15:52,079

and and not that they don't trust the

443

00:15:55,670 --> 00:15:53,880

government but they're asking questions

444

00:15:58,550 --> 00:15:55,680

all the time and they're trying to work

445

00:16:00,410 --> 00:15:58,560

together and find Solutions

446

00:16:02,210 --> 00:16:00,420

um and I'm seeing that now I don't know

447

00:16:04,069 --> 00:16:02,220

if that happened earlier like I wish I

448

00:16:05,870 --> 00:16:04,079

was in ufology and I talked to friends

449

00:16:07,850 --> 00:16:05,880

that were or ufologists that you know

450

00:16:09,769 --> 00:16:07,860

been doing it for 40 years now that I'm

451
00:16:12,350 --> 00:16:09,779
you know on the the podcast I'm on the

452
00:16:13,850 --> 00:16:12,360
New Frontier Network the the guys in the

453
00:16:17,629 --> 00:16:13,860
group are a little bit older than I am

454
00:16:19,249 --> 00:16:17,639
but I learn from them and their take and

455
00:16:20,810 --> 00:16:19,259
understanding is very different than how

456
00:16:23,389 --> 00:16:20,820
I see the world as well too From

457
00:16:25,069 --> 00:16:23,399
perspective but for them I think that

458
00:16:26,689 --> 00:16:25,079
you know they've been trying for so long

459
00:16:28,430 --> 00:16:26,699
and they're they're in the understanding

460
00:16:31,249 --> 00:16:28,440
now too of collectively working together

461
00:16:33,350 --> 00:16:31,259
but I'm not sure if the you know the

462
00:16:35,210 --> 00:16:33,360
Boomers in general want to do that

463
00:16:37,490 --> 00:16:35,220

because there has been a lot of pushback

464

00:16:39,530 --> 00:16:37,500

I've I've seen that

465

00:16:41,269 --> 00:16:39,540

um in the past but maybe moving forward

466

00:16:42,170 --> 00:16:41,279

now with a different generation they'll

467

00:16:44,269 --> 00:16:42,180

start being a little bit more

468

00:16:45,949 --> 00:16:44,279

collaborative I hope do you think it was

469

00:16:47,030 --> 00:16:45,959

like because they had to struggle so

470

00:16:49,790 --> 00:16:47,040

much

471

00:16:51,170 --> 00:16:49,800

you know in the 90s and even 2000s that

472

00:16:54,050 --> 00:16:51,180

now it's like no I don't want to

473

00:16:56,389 --> 00:16:54,060

cooperate like I fought this hard to be

474

00:16:59,329 --> 00:16:56,399

Rick hope God damn it you know what I

475

00:17:01,069 --> 00:16:59,339

mean um yeah yeah that's a big part too

476

00:17:02,990 --> 00:17:01,079

getting the ego out of the way you know

477

00:17:04,490 --> 00:17:03,000

yeah people have to realize if you start

478

00:17:06,169 --> 00:17:04,500

getting a star status it doesn't mean

479

00:17:07,730 --> 00:17:06,179

anything you're still what you're trying

480

00:17:10,069 --> 00:17:07,740

to do is investigative journalism or

481

00:17:12,529 --> 00:17:10,079

investigative whatever it might be you

482

00:17:14,630 --> 00:17:12,539

know you sometimes money does change

483

00:17:16,850 --> 00:17:14,640

people I agree and how they look at this

484

00:17:17,990 --> 00:17:16,860

and and I don't know if I really believe

485

00:17:19,909 --> 00:17:18,000

in that

486

00:17:21,590 --> 00:17:19,919

um I think that obviously everyone needs

487

00:17:23,390 --> 00:17:21,600

to make a career and have to make money

488

00:17:25,549 --> 00:17:23,400

and and if they are and they are doing

489

00:17:28,010 --> 00:17:25,559

it well in the ethology community but I

490

00:17:29,870 --> 00:17:28,020

think that we have to be mindful in in

491

00:17:31,730 --> 00:17:29,880

how we do that

492

00:17:33,830 --> 00:17:31,740

um and how then we treat people after

493

00:17:34,909 --> 00:17:33,840

people's you know star statuses rise and

494

00:17:36,950 --> 00:17:34,919

then the information that we're giving

495

00:17:38,570 --> 00:17:36,960

out I've heard a lot of negative stories

496

00:17:41,150 --> 00:17:38,580

and you know it is a little you know

497

00:17:42,950 --> 00:17:41,160

hearsay and maybe a little bit of tea in

498

00:17:44,450 --> 00:17:42,960

the gossip but

499

00:17:46,970 --> 00:17:44,460

um I have heard and I don't know anybody

500

00:17:48,230 --> 00:17:46,980

personally but them getting to having

501
00:17:50,450 --> 00:17:48,240
something that's actually happened to

502
00:17:52,850 --> 00:17:50,460
them and then they have a star status

503
00:17:54,590 --> 00:17:52,860
and they keep running with it and they

504
00:17:56,270 --> 00:17:54,600
start making up stories then so that

505
00:17:57,830 --> 00:17:56,280
they can just keep it going and I don't

506
00:17:59,210 --> 00:17:57,840
and that really scares me because

507
00:18:02,630 --> 00:17:59,220
there's people that probably do do that

508
00:18:05,450 --> 00:18:02,640
well yeah the past has a bunch of stem

509
00:18:08,330 --> 00:18:05,460
Roman X in it you know like that guy's

510
00:18:11,090 --> 00:18:08,340
full of crap the mache heads peeking

511
00:18:12,710 --> 00:18:11,100
Through the Windows you know people say

512
00:18:14,690 --> 00:18:12,720
oh they could float right through walls

513
00:18:16,370 --> 00:18:14,700

and yet they can't do it at his house

514

00:18:17,930 --> 00:18:16,380

they could only just peekaboo through

515

00:18:20,870 --> 00:18:17,940

the stairs or Through the Windows like

516

00:18:24,049 --> 00:18:20,880

exactly yeah what I'm talking about yeah

517

00:18:26,570 --> 00:18:24,059

so but that's that's a problem and at

518

00:18:29,150 --> 00:18:26,580

first some people actually believed him

519

00:18:31,490 --> 00:18:29,160

right like at first it wasn't credible

520

00:18:33,169 --> 00:18:31,500

because he did have some video footage

521

00:18:36,169 --> 00:18:33,179

that was credible it's just that

522

00:18:37,490 --> 00:18:36,179

eventually they embezzle their stories a

523

00:18:39,169 --> 00:18:37,500

little bit more or like they just

524

00:18:41,510 --> 00:18:39,179

embellishes the word I'm looking for

525

00:18:43,549 --> 00:18:41,520

yeah yeah the Canon bezel they probably

526

00:18:45,650 --> 00:18:43,559

do embezzle stuff too but yeah well

527

00:18:48,350 --> 00:18:45,660

there's also people yeah exactly they

528

00:18:51,250 --> 00:18:48,360

sell uh their snake oil sellers right

529

00:18:53,930 --> 00:18:51,260

they they sell a tail and unfortunately

530

00:18:56,210 --> 00:18:53,940

if you're tied to that if you're in

531

00:18:58,130 --> 00:18:56,220

investigator that originally was

532

00:18:59,630 --> 00:18:58,140

investigating that and you get sucked

533

00:19:02,870 --> 00:18:59,640

into somebody's um

534

00:19:05,630 --> 00:19:02,880

delusion that is problematic and it's

535

00:19:08,029 --> 00:19:05,640

this community specifically your

536

00:19:09,890 --> 00:19:08,039

reputation to be shot like that

537

00:19:12,710 --> 00:19:09,900

and good I'm glad that the community

538

00:19:13,970 --> 00:19:12,720

holds people you know accountable I hope

539

00:19:16,130 --> 00:19:13,980

that they're you know people forgive

540

00:19:18,470 --> 00:19:16,140

each other you know hopefully for that

541

00:19:21,650 --> 00:19:18,480

right we'll see but I agree that if you

542

00:19:23,870 --> 00:19:21,660

are you know lying or making up stories

543

00:19:25,490 --> 00:19:23,880

and deceiving the community that's

544

00:19:27,350 --> 00:19:25,500

trying to do something that they feel is

545

00:19:28,970 --> 00:19:27,360

good and positive and proper research

546

00:19:31,010 --> 00:19:28,980

then yeah I don't think you're welcome

547

00:19:32,870 --> 00:19:31,020

you know it's I think it's just that

548

00:19:34,730 --> 00:19:32,880

simple too yeah it's but it's really

549

00:19:36,049 --> 00:19:34,740

unfortunate that there are people but

550

00:19:37,430 --> 00:19:36,059

we're not the only group they're

551
00:19:38,390 --> 00:19:37,440
probably doing it in the Counter Culture

552
00:19:39,770 --> 00:19:38,400
there's probably lots of counter

553
00:19:41,570 --> 00:19:39,780
cultures that that deal with that kind

554
00:19:43,370 --> 00:19:41,580
of stuff what reminds me of Fight Club

555
00:19:45,710 --> 00:19:43,380
you know when he gets addicted to going

556
00:19:47,210 --> 00:19:45,720
to like these self-help groups and

557
00:19:48,590 --> 00:19:47,220
that's kind of what I see these people

558
00:19:50,630 --> 00:19:48,600
as they're just trying to find somewhere

559
00:19:52,490 --> 00:19:50,640
to belong and yeah they'll do anything

560
00:19:54,770 --> 00:19:52,500
spin anything to belong to that group

561
00:19:56,630 --> 00:19:54,780
and unfortunately either a dime a dozen

562
00:19:59,150 --> 00:19:56,640
but now they're you're not hearing so

563
00:20:01,549 --> 00:19:59,160

much about these cases anymore you hear

564

00:20:03,409 --> 00:20:01,559

more about like what's coming out in the

565

00:20:05,029 --> 00:20:03,419

newspapers what's coming out you know or

566

00:20:06,590 --> 00:20:05,039

seems to be rumored right now that

567

00:20:08,690 --> 00:20:06,600

something's supposed to be leaking

568

00:20:10,430 --> 00:20:08,700

either this weekend or next week or

569

00:20:11,270 --> 00:20:10,440

something like that and that seems to be

570

00:20:16,190 --> 00:20:11,280

the

571

00:20:18,649 --> 00:20:16,200

uh at least Jeremy uh Corbell is sort of

572

00:20:20,990 --> 00:20:18,659

leading us today did you see that yeah

573

00:20:24,529 --> 00:20:21,000

yeah I did I literally just saw it like

574

00:20:27,289 --> 00:20:24,539

he's so perfect on here yeah right yeah

575

00:20:29,029 --> 00:20:27,299

Jeremy is pretty it is yeah that's uh

576

00:20:30,529 --> 00:20:29,039

well you know the the funny thing too is

577

00:20:31,970 --> 00:20:30,539

we look at everybody in this community

578

00:20:35,930 --> 00:20:31,980

and how they like to tell their

579

00:20:37,250 --> 00:20:35,940

narrative one thing Jeremy does do well

580

00:20:38,930 --> 00:20:37,260

um and I've interviewed Jeremy in the

581

00:20:40,850 --> 00:20:38,940

past as well for another podcast for all

582

00:20:44,690 --> 00:20:40,860

pop repeat and he was one of our first

583

00:20:47,630 --> 00:20:44,700

interviews that I did and he's very good

584

00:20:50,090 --> 00:20:47,640

at using pop culture and and having that

585

00:20:51,649 --> 00:20:50,100

look so that it's attractive to a

586

00:20:55,070 --> 00:20:51,659

younger audience and to people that

587

00:20:56,750 --> 00:20:55,080

might not really understand ufology as

588

00:20:57,890 --> 00:20:56,760

someone in the community or people that

589

00:21:00,049 --> 00:20:57,900

are been in the community for a while

590

00:21:02,690 --> 00:21:00,059

but someone that's new they might come

591

00:21:04,250 --> 00:21:02,700

through that as a conduit to be like oh

592

00:21:05,870 --> 00:21:04,260

what is this and a lot of people after

593

00:21:08,330 --> 00:21:05,880

they watched his documentary tons of

594

00:21:09,409 --> 00:21:08,340

people called me and we're like Chrissy

595

00:21:10,909 --> 00:21:09,419

um what is going on like I don't even

596

00:21:12,529 --> 00:21:10,919

know who babazar is what is this and I'm

597

00:21:14,570 --> 00:21:12,539

like well welcome down the rabbit hole

598

00:21:16,310 --> 00:21:14,580

you know like here we open up let's

599

00:21:17,930 --> 00:21:16,320

let's start and

600

00:21:19,490 --> 00:21:17,940

and then that's the way that they get in

601
00:21:21,169 --> 00:21:19,500
and then they start asking questions and

602
00:21:24,409 --> 00:21:21,179
then they realize there's like a vault

603
00:21:25,610 --> 00:21:24,419
of info that they could forever now you

604
00:21:28,070 --> 00:21:25,620
know won't even know all of it until

605
00:21:29,750 --> 00:21:28,080
they probably the day they die uh so

606
00:21:32,630 --> 00:21:29,760
it's like welcoming them in be like you

607
00:21:34,490 --> 00:21:32,640
know come on to this side of the ship so

608
00:21:36,110 --> 00:21:34,500
I see that and I see that's how Jeremy

609
00:21:38,270 --> 00:21:36,120
do it some people don't some people use

610
00:21:39,710 --> 00:21:38,280
the news outlets to do and I I prefer

611
00:21:41,630 --> 00:21:39,720
that in my way

612
00:21:43,909 --> 00:21:41,640
um and working is working with like

613
00:21:45,470 --> 00:21:43,919

legit legitimate news

614

00:21:47,149 --> 00:21:45,480

um and not saying jerus stuff is not

615

00:21:48,590 --> 00:21:47,159

legitimate in that you know it's it's

616

00:21:49,970 --> 00:21:48,600

I'm just saying there's different ways

617

00:21:52,070 --> 00:21:49,980

of doing it

618

00:21:54,049 --> 00:21:52,080

um but I do like that faction of of

619

00:21:55,669 --> 00:21:54,059

having it through a news organization

620

00:21:57,890 --> 00:21:55,679

and pushing it out something like the

621

00:21:59,390 --> 00:21:57,900

debrief and that's why I work with them

622

00:22:01,430 --> 00:21:59,400

um I can work with them in my space

623

00:22:03,950 --> 00:22:01,440

because of what I do and what my skill

624

00:22:06,770 --> 00:22:03,960

set is in PR but there's different ways

625

00:22:08,450 --> 00:22:06,780

Stephen Greer uses you know events and

626

00:22:10,730 --> 00:22:08,460

uses apps you know I don't know how much

627

00:22:13,610 --> 00:22:10,740

I agree with Steven Greer's

628

00:22:16,310 --> 00:22:13,620

um take on things personally but he does

629

00:22:17,930 --> 00:22:16,320

that way you know uh gosh like there's

630

00:22:19,850 --> 00:22:17,940

tons of people that have their different

631

00:22:22,130 --> 00:22:19,860

way of getting their information out and

632

00:22:25,730 --> 00:22:22,140

making it and branding it around how

633

00:22:26,990 --> 00:22:25,740

they they see the UFO narrative uh and

634

00:22:28,789 --> 00:22:27,000

sometimes it's good and sometimes I

635

00:22:30,770 --> 00:22:28,799

don't always agree with everything how

636

00:22:32,210 --> 00:22:30,780

would you because you've been doing this

637

00:22:34,610 --> 00:22:32,220

for a while now I mean you've been

638

00:22:36,710 --> 00:22:34,620

investigating it for a while surrounded

639

00:22:39,110 --> 00:22:36,720

immersed in it for a long time

640

00:22:41,330 --> 00:22:39,120

how would you gauge like approaching the

641

00:22:43,789 --> 00:22:41,340

subject without falling prey to that

642

00:22:45,590 --> 00:22:43,799

without getting the ego in a way like

643

00:22:47,029 --> 00:22:45,600

how do you approach it

644

00:22:49,810 --> 00:22:47,039

yeah do you mean by somebody who's

645

00:22:53,450 --> 00:22:49,820

coming new or into the just somebody

646

00:22:55,789 --> 00:22:53,460

just anybody in peer like you know what

647

00:22:58,490 --> 00:22:55,799

what do you do as a person to prevent

648

00:23:00,110 --> 00:22:58,500

yourself from getting that ego trip or

649

00:23:02,390 --> 00:23:00,120

like saying no no I'm right about this

650

00:23:04,970 --> 00:23:02,400

and you know not starting to rag on

651
00:23:06,470 --> 00:23:04,980
other people right yeah my place in the

652
00:23:08,750 --> 00:23:06,480
community is I'm really interested in

653
00:23:11,390 --> 00:23:08,760
the cultural perspective of it and how

654
00:23:13,370 --> 00:23:11,400
mainstream media tells the narrative and

655
00:23:15,110 --> 00:23:13,380
what is going on within like the

656
00:23:16,149 --> 00:23:15,120
mainstream populace now and then where

657
00:23:19,250 --> 00:23:16,159
we're going to be going in the future

658
00:23:21,590 --> 00:23:19,260
and then using media and pop culture is

659
00:23:23,149 --> 00:23:21,600
that conduit to see how they spread the

660
00:23:25,010 --> 00:23:23,159
narrative and then also how the Pentagon

661
00:23:26,570 --> 00:23:25,020
decides to tell the narrative along with

662
00:23:28,430 --> 00:23:26,580
their own community and what does that

663
00:23:29,870 --> 00:23:28,440

mean and where are we going to go in the

664

00:23:32,090 --> 00:23:29,880

future for it

665

00:23:34,490 --> 00:23:32,100

um so I'm really a collector I like to

666

00:23:36,230 --> 00:23:34,500

collect I like to observe and then I'll

667

00:23:37,909 --> 00:23:36,240

make my personal decisions I don't

668

00:23:40,909 --> 00:23:37,919

always share them because I don't always

669

00:23:42,890 --> 00:23:40,919

feel that what I say and what I care

670

00:23:46,490 --> 00:23:42,900

about if who is right or wrong does it

671

00:23:48,590 --> 00:23:46,500

really matter it's just my opinion so

672

00:23:51,169 --> 00:23:48,600

sometimes it's not needed but it's to

673

00:23:52,970 --> 00:23:51,179

look at everything that we're doing as a

674

00:23:54,470 --> 00:23:52,980

collective and to see if we're telling

675

00:23:56,510 --> 00:23:54,480

we're going down the right Road and

676
00:23:58,789 --> 00:23:56,520
talking to people and seeing how we're

677
00:24:00,230 --> 00:23:58,799
shaping this narrative

678
00:24:02,510 --> 00:24:00,240
um you know it's it's going to change

679
00:24:04,010 --> 00:24:02,520
it's changed it you know someone calls

680
00:24:06,350 --> 00:24:04,020
it like a friend of mine actually Victor

681
00:24:08,269 --> 00:24:06,360
vigiani is a ufologist I was talking to

682
00:24:10,669 --> 00:24:08,279
earlier today and he called it like the

683
00:24:12,950 --> 00:24:10,679
New Testament in the Old Testament I

684
00:24:14,870 --> 00:24:12,960
laughed good comparison right that's why

685
00:24:16,490 --> 00:24:14,880
I said too I was like Baba back to the

686
00:24:18,590 --> 00:24:16,500
biblical stuff for the UFO committee

687
00:24:20,750 --> 00:24:18,600
which again not a religion but you know

688
00:24:22,610 --> 00:24:20,760

it refers to it because there are these

689

00:24:24,350 --> 00:24:22,620

conversations that people are like well

690

00:24:25,909 --> 00:24:24,360

let's forget about

691

00:24:27,890 --> 00:24:25,919

um you know all the old information and

692

00:24:30,169 --> 00:24:27,900

we're just going to start at 2017 and go

693

00:24:32,090 --> 00:24:30,179

forward and I'm like what you can't do

694

00:24:33,649 --> 00:24:32,100

that I'm like that's not that's not fair

695

00:24:35,750 --> 00:24:33,659

you have to look at all the other

696

00:24:37,370 --> 00:24:35,760

information of these ufologists and

697

00:24:38,510 --> 00:24:37,380

everything that they've done and put it

698

00:24:40,669 --> 00:24:38,520

and some of them are scientists not

699

00:24:42,409 --> 00:24:40,679

everyone's credible but there are a lot

700

00:24:43,850 --> 00:24:42,419

of credit credible people in the

701
00:24:45,350 --> 00:24:43,860
industry that have done tons of good

702
00:24:47,570 --> 00:24:45,360
work better than the people that are

703
00:24:49,010 --> 00:24:47,580
proud I'll be doing work now so we need

704
00:24:50,630 --> 00:24:49,020
to look at that

705
00:24:53,570 --> 00:24:50,640
um so yeah so I think I just went off a

706
00:24:56,390 --> 00:24:53,580
tangent there but no no you did good but

707
00:24:59,210 --> 00:24:56,400
for mine I don't I don't really you know

708
00:25:01,010 --> 00:24:59,220
how I sift through it is asking finding

709
00:25:03,110 --> 00:25:01,020
listening to more stories my Narrative

710
00:25:04,970 --> 00:25:03,120
of what I believe has changed over time

711
00:25:06,409 --> 00:25:04,980
because I've learned more so the more

712
00:25:08,750 --> 00:25:06,419
that you learn the more that your

713
00:25:09,769 --> 00:25:08,760

opinion and what you know about the

714

00:25:11,510 --> 00:25:09,779

community and what you know about

715

00:25:13,850 --> 00:25:11,520

people's stories that are facts or

716

00:25:15,890 --> 00:25:13,860

fiction starts to grow and then you can

717

00:25:18,049 --> 00:25:15,900

start creating you know other narratives

718

00:25:20,990 --> 00:25:18,059

or understandings around that

719

00:25:23,390 --> 00:25:21,000

I like Jacques Valley's book I'm reading

720

00:25:25,789 --> 00:25:23,400

confrontations right now and you could

721

00:25:28,130 --> 00:25:25,799

see like he's humbled by some of the

722

00:25:30,110 --> 00:25:28,140

experiences that he's had and he speaks

723

00:25:31,789 --> 00:25:30,120

from experience and he keeps saying you

724

00:25:34,130 --> 00:25:31,799

know for the UFO investigate like he

725

00:25:36,049 --> 00:25:34,140

keeps giving these little tips so I've

726

00:25:37,490 --> 00:25:36,059

been highlighting like crazy my books

727

00:25:39,470 --> 00:25:37,500

are worth nothing like if I'm gonna

728

00:25:41,029 --> 00:25:39,480

resell any of these things they're

729

00:25:43,370 --> 00:25:41,039

highlighted and tabbed like crazy

730

00:25:45,230 --> 00:25:43,380

they're worth nothing that's not true

731

00:25:47,450 --> 00:25:45,240

that actually I'd probably I would you

732

00:25:49,850 --> 00:25:47,460

know what I would rather buy a book from

733

00:25:51,409 --> 00:25:49,860

somebody who does UFO research than just

734

00:25:52,549 --> 00:25:51,419

the book because it would have all like

735

00:25:54,110 --> 00:25:52,559

it's people like oh my work's almost

736

00:25:55,610 --> 00:25:54,120

done for me or I'd be like what do I

737

00:25:57,769 --> 00:25:55,620

believe what they think or I think it

738

00:26:00,350 --> 00:25:57,779

would be I love to see Stayton Freeman's

739

00:26:02,210 --> 00:26:00,360

books and you know right and what he's

740

00:26:03,950 --> 00:26:02,220

done I think it would be wonderful to

741

00:26:05,690 --> 00:26:03,960

see what he highlighted and what he

742

00:26:08,390 --> 00:26:05,700

thought was important I think the

743

00:26:10,130 --> 00:26:08,400

opposite notes on and stuff yeah exactly

744

00:26:11,450 --> 00:26:10,140

well that's that's why I thought like

745

00:26:13,190 --> 00:26:11,460

I'm like you know my collection that's

746

00:26:15,289 --> 00:26:13,200

what I do when I go through a book I

747

00:26:16,549 --> 00:26:15,299

highlight it and I there's because I

748

00:26:18,470 --> 00:26:16,559

figured if ever I need to like put

749

00:26:20,390 --> 00:26:18,480

something together a case I have all all

750

00:26:24,409 --> 00:26:20,400

my my sections already pre-done for me

751
00:26:26,690 --> 00:26:24,419
right did my work ahead a time uh but I

752
00:26:28,430 --> 00:26:26,700
I did love that from his book because

753
00:26:30,230 --> 00:26:28,440
there's several times in his chapters

754
00:26:32,390 --> 00:26:30,240
he's saying look this is the approach

755
00:26:34,789 --> 00:26:32,400
there's no data there's no this as much

756
00:26:36,409 --> 00:26:34,799
as I want to believe the story you know

757
00:26:38,090 --> 00:26:36,419
there's lack of evidence and therefore

758
00:26:40,850 --> 00:26:38,100
this is the classification and his

759
00:26:43,010 --> 00:26:40,860
classification system is was brilliant

760
00:26:44,690 --> 00:26:43,020
compared to what we had before because

761
00:26:46,370 --> 00:26:44,700
it does classify whether or not it's

762
00:26:47,390 --> 00:26:46,380
worth you actually going up to the site

763
00:26:49,669 --> 00:26:47,400

to do

764

00:26:52,130 --> 00:26:49,679

an investigation

765

00:26:53,630 --> 00:26:52,140

I have not had the chance yet to go out

766

00:26:57,470 --> 00:26:53,640

on site to do an investigation nothing

767

00:26:58,990 --> 00:26:57,480

landed no cows dead which God I want one

768

00:27:04,250 --> 00:26:59,000

so bad

769

00:27:07,669 --> 00:27:04,260

Academy you're like a cattle just just

770

00:27:08,870 --> 00:27:07,679

once uh I know Christopher O'Brien's

771

00:27:10,190 --> 00:27:08,880

like no you don't want that they smell

772

00:27:12,230 --> 00:27:10,200

horrible I'm like yeah I never thought

773

00:27:13,789 --> 00:27:12,240

about that like the smell you know you

774

00:27:15,049 --> 00:27:13,799

see it on TV you're like oh yeah I'd

775

00:27:16,610 --> 00:27:15,059

love to see one of those with like yeah

776

00:27:19,490 --> 00:27:16,620

the smell would probably do me in I

777

00:27:20,870 --> 00:27:19,500

guess uh but yeah I haven't had the

778

00:27:22,730 --> 00:27:20,880

chance yet to go out on the field but

779

00:27:25,549 --> 00:27:22,740

yet I haven't had really a case you know

780

00:27:27,470 --> 00:27:25,559

of anything Landing or anything uh

781

00:27:28,549 --> 00:27:27,480

nearby have you ever had a chance to go

782

00:27:31,010 --> 00:27:28,559

out in the field

783

00:27:33,649 --> 00:27:31,020

the only thing I've ever done in field

784

00:27:35,510 --> 00:27:33,659

work is I actually when I started you

785

00:27:37,370 --> 00:27:35,520

know I've always read more information

786

00:27:38,570 --> 00:27:37,380

and watched things about ufology and

787

00:27:40,610 --> 00:27:38,580

just talked to and would go to

788

00:27:42,470 --> 00:27:40,620

conferences and meet people and ask

789

00:27:44,090 --> 00:27:42,480

questions and really would just be an

790

00:27:45,830 --> 00:27:44,100

observer and a fly on the wall and then

791

00:27:47,870 --> 00:27:45,840

like hang out with my dad where we geek

792

00:27:49,490 --> 00:27:47,880

out together about UFOs you know I go

793

00:27:51,110 --> 00:27:49,500

visit my parents and we talk about it

794

00:27:53,029 --> 00:27:51,120

you know until like midnight and like

795

00:27:55,730 --> 00:27:53,039

that's where the pr came from right yeah

796

00:27:57,470 --> 00:27:55,740

well and I for for sure like that's

797

00:27:59,690 --> 00:27:57,480

that's a big part of it too but it's

798

00:28:01,549 --> 00:27:59,700

funny where we I where I would learn and

799

00:28:03,889 --> 00:28:01,559

get my information so when I was at a

800

00:28:06,590 --> 00:28:03,899

conference uh I met

801
00:28:08,750 --> 00:28:06,600
um Patty Greer and my dad actually did

802
00:28:10,010 --> 00:28:08,760
and my dad introduced me to her and not

803
00:28:12,049 --> 00:28:10,020
so much I don't know how much I believe

804
00:28:14,090 --> 00:28:12,059
now in crop circles

805
00:28:16,310 --> 00:28:14,100
um because I'm learning so much more but

806
00:28:19,430 --> 00:28:16,320
I won because I was like this is the

807
00:28:22,370 --> 00:28:19,440
closest thing that I can I can get to

808
00:28:26,269 --> 00:28:22,380
the concept of a UFO and something maybe

809
00:28:31,130 --> 00:28:26,279
being real so I went out and I flew out

810
00:28:32,990 --> 00:28:31,140
to um to London England and I met a

811
00:28:34,730 --> 00:28:33,000
researcher I'm like Gary's going to kill

812
00:28:38,029 --> 00:28:34,740
me I just forgot Kerry's last name he's

813
00:28:39,590 --> 00:28:38,039

gonna kill me wow Chrissy we'll edit it

814

00:28:43,450 --> 00:28:39,600

will you find out later we'll just put

815

00:28:47,690 --> 00:28:45,889

I know Gary's gonna be like Chrissy

816

00:28:49,250 --> 00:28:47,700

she's like you have him on the show and

817

00:28:52,310 --> 00:28:49,260

he's been like what

818

00:28:53,750 --> 00:28:52,320

um so Gary and I I ended up meeting Gary

819

00:28:55,850 --> 00:28:53,760

and so I was just wanted to do Circle

820

00:28:58,669 --> 00:28:55,860

chasing that's what they called it so I

821

00:29:00,769 --> 00:28:58,679

met um Patty Greer and Patty Greer uh

822

00:29:03,289 --> 00:29:00,779

direct me in towards a group of people

823

00:29:04,789 --> 00:29:03,299

that do Circle uh Circle chasing and a

824

00:29:05,990 --> 00:29:04,799

whole bunch of other activities and

825

00:29:07,789 --> 00:29:06,000

they're like do you want to go do other

826

00:29:09,769 --> 00:29:07,799

things and I said no no I just want to

827

00:29:12,529 --> 00:29:09,779

see a crop circle like I just want to be

828

00:29:14,510 --> 00:29:12,539

in one and see it so I ended up flying

829

00:29:16,610 --> 00:29:14,520

out uh to England and I stayed in

830

00:29:19,549 --> 00:29:16,620

basketball I did an Airbnb with this

831

00:29:22,310 --> 00:29:19,559

wonderful family and uh every day I'd

832

00:29:24,889 --> 00:29:22,320

meet up with Gary and I would go out and

833

00:29:27,649 --> 00:29:24,899

Jaime actually was there from he's the I

834

00:29:30,049 --> 00:29:27,659

actually met up with him and Gary that

835

00:29:31,610 --> 00:29:30,059

same time he's the Mexican I'm not sure

836

00:29:33,950 --> 00:29:31,620

if you met the the journalist I'm not

837

00:29:35,570 --> 00:29:33,960

sure if you're familiar with with Jamie

838

00:29:36,830 --> 00:29:35,580

um so I ended up meeting up with them

839

00:29:39,230 --> 00:29:36,840

and they were doing like their

840

00:29:41,090 --> 00:29:39,240

documentary and their research so I was

841

00:29:43,190 --> 00:29:41,100

really just following them along and

842

00:29:45,230 --> 00:29:43,200

learning and from their side and then

843

00:29:46,490 --> 00:29:45,240

them documenting the crop circles so we

844

00:29:48,830 --> 00:29:46,500

went to about I believe four crop

845

00:29:51,409 --> 00:29:48,840

circles oh wow that that trip yeah and

846

00:29:52,549 --> 00:29:51,419

that many yeah so they were ones that

847

00:29:54,529 --> 00:29:52,559

had been around they weren't freshly

848

00:29:56,630 --> 00:29:54,539

made they were they were um they were

849

00:29:58,250 --> 00:29:56,640

new and and this is the thing like Gary

850

00:30:00,470 --> 00:29:58,260

was never like hey Chrissy you know

851

00:30:01,970 --> 00:30:00,480

these are extraterrestrials he's like I

852

00:30:04,789 --> 00:30:01,980

don't know what makes this like he was

853

00:30:06,110 --> 00:30:04,799

still researching researching it as well

854

00:30:08,450 --> 00:30:06,120

um the one thing I'll say about crop

855

00:30:11,570 --> 00:30:08,460

circles and I don't know how real they

856

00:30:14,930 --> 00:30:11,580

are in context but they're beautiful

857

00:30:16,310 --> 00:30:14,940

like it doesn't matter the one thing I

858

00:30:18,590 --> 00:30:16,320

say to people I'm like it doesn't matter

859

00:30:20,750 --> 00:30:18,600

for crop circles it does matter in

860

00:30:22,370 --> 00:30:20,760

context if it is you know some form of

861

00:30:25,010 --> 00:30:22,380

extraterrestrial for sure we would love

862

00:30:27,169 --> 00:30:25,020

to know that but in general if it is

863

00:30:28,370 --> 00:30:27,179

human made people should just go see

864

00:30:30,169 --> 00:30:28,380

them because they're like they're

865

00:30:32,450 --> 00:30:30,179

beautiful when it comes to Art like

866

00:30:34,370 --> 00:30:32,460

they're stunning like they're just a a

867

00:30:36,169 --> 00:30:34,380

piece of work and like the one I walked

868

00:30:37,490 --> 00:30:36,179

into one I just got this beautiful like

869

00:30:39,110 --> 00:30:37,500

and people are like did you feel

870

00:30:40,330 --> 00:30:39,120

different I said no I actually took a

871

00:30:43,310 --> 00:30:40,340

nap in one

872

00:30:44,990 --> 00:30:43,320

because we were doing so much work and I

873

00:30:47,029 --> 00:30:45,000

was up so early and I just I took it

874

00:30:48,230 --> 00:30:47,039

like a 10 minute nap in a circle and I

875

00:30:49,669 --> 00:30:48,240

laughed and I'm like no I'm like I

876

00:30:50,870 --> 00:30:49,679

didn't feel any weird energy there was

877

00:30:52,430 --> 00:30:50,880

there were there were other people were

878

00:30:54,049 --> 00:30:52,440

there documenting them

879

00:30:55,970 --> 00:30:54,059

um but they were stunning like they're

880

00:30:57,950 --> 00:30:55,980

just beautiful pieces of artwork if

881

00:30:59,509 --> 00:30:57,960

anything but that was the closest I

882

00:31:01,549 --> 00:30:59,519

ended up getting into kind of going into

883

00:31:02,690 --> 00:31:01,559

fields and now I hope that I get to do

884

00:31:04,190 --> 00:31:02,700

more

885

00:31:05,810 --> 00:31:04,200

um outside of that I know a lot of

886

00:31:07,370 --> 00:31:05,820

stories I talk to tons of people in the

887

00:31:08,810 --> 00:31:07,380

community about it

888

00:31:11,029 --> 00:31:08,820

um and I've met tons of people in the

889

00:31:12,590 --> 00:31:11,039

community that are before I really ended

890

00:31:14,810 --> 00:31:12,600

up getting in on on this side even

891

00:31:16,190 --> 00:31:14,820

deeper they were researchers that I

892

00:31:18,470 --> 00:31:16,200

would just end up becoming friends with

893

00:31:20,269 --> 00:31:18,480

and talking to and going for dinner with

894

00:31:21,889 --> 00:31:20,279

it's and the thing that's always

895

00:31:24,470 --> 00:31:21,899

fascinating me about the crop circles

896

00:31:26,389 --> 00:31:24,480

it's you could tell when it's you know

897

00:31:28,549 --> 00:31:26,399

the fake ones or you usually a human

898

00:31:31,250 --> 00:31:28,559

made it they look nice but they're

899

00:31:33,230 --> 00:31:31,260

nowhere near as intricate as the ones

900

00:31:34,730 --> 00:31:33,240

that just seem to be

901
00:31:36,649 --> 00:31:34,740
unexplainable

902
00:31:37,970 --> 00:31:36,659
um and some of people have actually gone

903
00:31:40,430 --> 00:31:37,980
through and like oh they're actually

904
00:31:42,289 --> 00:31:40,440
blueprints for oh I forgot what it's

905
00:31:43,789 --> 00:31:42,299
like an engineer has gone through one a

906
00:31:45,110 --> 00:31:43,799
couple of them anyways and figured out

907
00:31:47,509 --> 00:31:45,120
that they're like almost pieces of

908
00:31:49,250 --> 00:31:47,519
technology and he's recreated them with

909
00:31:52,549 --> 00:31:49,260
metals and stuff like that

910
00:31:54,470 --> 00:31:52,559
and I just I just love it the geometry

911
00:31:57,230 --> 00:31:54,480
though the complexity of it I don't

912
00:31:59,090 --> 00:31:57,240
think it's a guy in the field like it

913
00:32:00,710 --> 00:31:59,100

would take you way much more than eight

914

00:32:03,649 --> 00:32:00,720

hours to complete something like that

915

00:32:05,509 --> 00:32:03,659

like yeah oh now I remembered Gary King

916

00:32:07,430 --> 00:32:05,519

there you go Gary I'm sorry if you ever

917

00:32:09,049 --> 00:32:07,440

goes to this I want to insert that now

918

00:32:13,990 --> 00:32:09,059

just say king and we'll insert that

919

00:32:20,930 --> 00:32:17,450

so Gary uh when we showed up in a crop

920

00:32:22,730 --> 00:32:20,940

circle this one guy ended up uh walking

921

00:32:24,409 --> 00:32:22,740

you know up to it as well and he's I'm

922

00:32:25,730 --> 00:32:24,419

like who's who's this guy Gary because

923

00:32:27,409 --> 00:32:25,740

he waved to him and said hi and he's

924

00:32:29,990 --> 00:32:27,419

like oh he's one of the debunkers and he

925

00:32:31,610 --> 00:32:30,000

says he makes them like really so he

926
00:32:33,769 --> 00:32:31,620
came over and was like asking questions

927
00:32:35,029 --> 00:32:33,779
about when it was made and and this

928
00:32:36,409 --> 00:32:35,039
night he didn't say that he claimed to

929
00:32:37,730 --> 00:32:36,419
make this one but he's claimed to make

930
00:32:39,409 --> 00:32:37,740
other ones

931
00:32:41,750 --> 00:32:39,419
um and could be true and you could see

932
00:32:44,450 --> 00:32:41,760
this again part of the community this

933
00:32:47,450 --> 00:32:44,460
kind of like you know back and forth of

934
00:32:49,490 --> 00:32:47,460
like distrust or who's made and like um

935
00:32:51,710 --> 00:32:49,500
and this kind of struggle that was going

936
00:32:53,269 --> 00:32:51,720
along with it it's really interesting to

937
00:32:54,590 --> 00:32:53,279
watch them and even interact with each

938
00:32:55,850 --> 00:32:54,600

other as someone but they were they were

939

00:32:58,370 --> 00:32:55,860

actually really respectful to each other

940

00:33:00,230 --> 00:32:58,380

which is really nice they weren't rude

941

00:33:02,690 --> 00:33:00,240

um but professional courtesy right

942

00:33:04,130 --> 00:33:02,700

exactly that's what it was and

943

00:33:05,750 --> 00:33:04,140

um but he was really interested and I

944

00:33:07,130 --> 00:33:05,760

said it was funny because I go if he

945

00:33:08,750 --> 00:33:07,140

knows that they're fake then why is he

946

00:33:10,610 --> 00:33:08,760

coming he's like Chrissy he's at them

947

00:33:12,049 --> 00:33:10,620

all the time he comes from every time

948

00:33:13,250 --> 00:33:12,059

there's a crop circle he's like I see

949

00:33:15,950 --> 00:33:13,260

them all the time and he's always is

950

00:33:17,810 --> 00:33:15,960

asking questions and somebody claims to

951
00:33:19,669 --> 00:33:17,820
make and some he doesn't so you get a

952
00:33:21,590 --> 00:33:19,679
lot of that and I think the the UK

953
00:33:23,269 --> 00:33:21,600
version of this in the ufology community

954
00:33:25,610 --> 00:33:23,279
is probably a little bit different than

955
00:33:27,950 --> 00:33:25,620
what we get in the states I don't know

956
00:33:30,590 --> 00:33:27,960
tons of people in the UK space um I know

957
00:33:32,750 --> 00:33:30,600
Gary well myself now but outside of that

958
00:33:34,730 --> 00:33:32,760
I don't know a ton of

959
00:33:36,350 --> 00:33:34,740
not that it's researchers but just tons

960
00:33:38,149 --> 00:33:36,360
of people that that follow it as much

961
00:33:39,889 --> 00:33:38,159
but I think there is a different

962
00:33:43,190 --> 00:33:39,899
narrative obviously when it comes to

963
00:33:44,930 --> 00:33:43,200

Nick Pope and things like that but yeah

964

00:33:46,490 --> 00:33:44,940

um but I I even asked the local the

965

00:33:49,130 --> 00:33:46,500

person I was living with for that time

966

00:33:50,450 --> 00:33:49,140

in an Airbnb I asked her I'm like you

967

00:33:51,950 --> 00:33:50,460

you know what crop circles right and

968

00:33:53,090 --> 00:33:51,960

she's like yeah yeah I'm like they're

969

00:33:54,470 --> 00:33:53,100

like they're like 10 minutes from your

970

00:33:56,630 --> 00:33:54,480

house I'm like have you ever been in one

971

00:33:58,789 --> 00:33:56,640

she's like no I don't know I'm like what

972

00:34:00,169 --> 00:33:58,799

and so I ended up giving her like I told

973

00:34:01,789 --> 00:34:00,179

her I know that's what I said I'm like

974

00:34:03,289 --> 00:34:01,799

you've been here your entire life and

975

00:34:04,610 --> 00:34:03,299

you've never seen one and she's like no

976

00:34:06,490 --> 00:34:04,620

otherwise you know people are just

977

00:34:08,510 --> 00:34:06,500

saying kind of whatever it is

978

00:34:10,550 --> 00:34:08,520

and she's like oh and other people make

979

00:34:11,990 --> 00:34:10,560

them and stuff and I said I highly

980

00:34:13,970 --> 00:34:12,000

suggest and I told her about it even

981

00:34:15,770 --> 00:34:13,980

more in depth and she went really and I

982

00:34:18,050 --> 00:34:15,780

said yeah I'm like go just go check it

983

00:34:20,210 --> 00:34:18,060

out so hopefully she's gone now to see

984

00:34:22,669 --> 00:34:20,220

it but I think some people that I

985

00:34:24,889 --> 00:34:22,679

noticed just even their in their region

986

00:34:27,109 --> 00:34:24,899

didn't really pay any attention to it so

987

00:34:29,510 --> 00:34:27,119

see those are the people I fear for the

988

00:34:31,369 --> 00:34:29,520

most the people that just like I could

989

00:34:33,290 --> 00:34:31,379

care less about you have until it's like

990

00:34:35,930 --> 00:34:33,300

right on the front door and then Don't

991

00:34:38,389 --> 00:34:35,940

Panic of course is there a crop circle

992

00:34:40,310 --> 00:34:38,399

that appeared um or that appealed to you

993

00:34:42,889 --> 00:34:40,320

more than the others one that

994

00:34:45,710 --> 00:34:42,899

maybe stood out more than the others the

995

00:34:47,210 --> 00:34:45,720

ones that I that I love there's two

996

00:34:48,710 --> 00:34:47,220

though I didn't see these ones though

997

00:34:50,210 --> 00:34:48,720

the ones that I saw were they weren't

998

00:34:52,310 --> 00:34:50,220

basic but they were they're not as

999

00:34:53,569 --> 00:34:52,320

intricate as the other ones

1000

00:34:55,730 --> 00:34:53,579

um I don't know the date of this crop

1001

00:34:58,010 --> 00:34:55,740

circle but it was the one where

1002

00:34:59,990 --> 00:34:58,020

um it looked like a hallway and it was

1003

00:35:01,609 --> 00:35:00,000

like three-dimensional even maybe it was

1004

00:35:03,710 --> 00:35:01,619

just it was unbelievable like the

1005

00:35:05,750 --> 00:35:03,720

dimensions to it were on were just

1006

00:35:08,450 --> 00:35:05,760

stunning and then the other one where is

1007

00:35:10,370 --> 00:35:08,460

I think it's uh there's like a like an

1008

00:35:13,250 --> 00:35:10,380

ET face and then there's some type of

1009

00:35:15,170 --> 00:35:13,260

binary code in a circle oh wow you were

1010

00:35:17,930 --> 00:35:15,180

at that one I was no I haven't seen them

1011

00:35:19,609 --> 00:35:17,940

okay no no I'm only gonna say wow yeah

1012

00:35:21,050 --> 00:35:19,619

I've seen that one God I would yeah I'd

1013

00:35:22,430 --> 00:35:21,060

be streaming from the top of the

1014

00:35:24,829 --> 00:35:22,440

hilltops if I was in that one running

1015

00:35:28,329 --> 00:35:24,839

around with a drone trying to film it

1016

00:35:30,580 --> 00:35:28,339

um where's my metal detector where is it

1017

00:35:33,230 --> 00:35:30,590

Gary exactly

1018

00:35:36,410 --> 00:35:33,240

[Laughter]

1019

00:35:37,970 --> 00:35:36,420

um but uh no I've only seen those ones

1020

00:35:40,310 --> 00:35:37,980

um the ones that I've been in were were

1021

00:35:42,170 --> 00:35:40,320

just like some general designs and they

1022

00:35:43,910 --> 00:35:42,180

they were beautiful too uh there was

1023

00:35:46,130 --> 00:35:43,920

basket weaving in one that I was in

1024

00:35:48,589 --> 00:35:46,140

which was really cool that's one yeah

1025

00:35:50,210 --> 00:35:48,599

and it was yeah and it was beautiful

1026
00:35:52,609 --> 00:35:50,220
basket weaving and it was like basket

1027
00:35:55,730 --> 00:35:52,619
weaving in the entire thing laid down

1028
00:35:57,290 --> 00:35:55,740
perfectly like flat so whoever did the

1029
00:35:58,970 --> 00:35:57,300
if someone did do the basket weaving

1030
00:36:01,130 --> 00:35:58,980
well done because some of the best

1031
00:36:04,430 --> 00:36:01,140
basket weaving I've seen with crops yeah

1032
00:36:06,530 --> 00:36:04,440
in the night in the night exactly

1033
00:36:08,210 --> 00:36:06,540
um there's just it's and I know a lot of

1034
00:36:09,890 --> 00:36:08,220
people don't believe in them and that's

1035
00:36:12,109 --> 00:36:09,900
fine I don't know what it is personally

1036
00:36:14,210 --> 00:36:12,119
and you know the more I the more I hear

1037
00:36:16,910 --> 00:36:14,220
about crop circles you know I do

1038
00:36:18,650 --> 00:36:16,920

question it but besides of it I do find

1039

00:36:20,630 --> 00:36:18,660

it very interesting you know and if

1040

00:36:22,490 --> 00:36:20,640

anything they're beautiful man-made or

1041

00:36:24,589 --> 00:36:22,500

not they're they're stunning pieces of

1042

00:36:26,270 --> 00:36:24,599

artwork well I remember in the early 90s

1043

00:36:27,950 --> 00:36:26,280

there was that video that somebody had

1044

00:36:30,470 --> 00:36:27,960

captured from England which shows like

1045

00:36:33,050 --> 00:36:30,480

two silver balls just fine really

1046

00:36:34,910 --> 00:36:33,060

quickly above a field and then you would

1047

00:36:37,310 --> 00:36:34,920

see the formation form and then fly off

1048

00:36:38,450 --> 00:36:37,320

now this is early 90s yeah I believe

1049

00:36:41,210 --> 00:36:38,460

that was I think that's

1050

00:36:43,250 --> 00:36:41,220

where who got that footage from a farmer

1051

00:36:46,490 --> 00:36:43,260

that's kind of giving it to her and then

1052

00:36:48,710 --> 00:36:46,500

Gary King has footage as well too of uh

1053

00:36:50,690 --> 00:36:48,720

something similar there's like a a flash

1054

00:36:52,310 --> 00:36:50,700

of light and then when he looks down

1055

00:36:53,690 --> 00:36:52,320

there's like a crop circle right

1056

00:36:55,010 --> 00:36:53,700

underneath it

1057

00:36:56,750 --> 00:36:55,020

um that ended up happening and you can

1058

00:36:59,210 --> 00:36:56,760

see it as like the daylight starts to

1059

00:37:00,650 --> 00:36:59,220

come up in his video as well but I think

1060

00:37:02,230 --> 00:37:00,660

the one that you're speaking about the

1061

00:37:05,450 --> 00:37:02,240

two orbs is yeah

1062

00:37:06,970 --> 00:37:05,460

so that's like the only video that I've

1063

00:37:10,010 --> 00:37:06,980

seen where it actually shows

1064

00:37:12,170 --> 00:37:10,020

unidentified crafts and then

1065

00:37:14,450 --> 00:37:12,180

something forming underneath them in the

1066

00:37:15,829 --> 00:37:14,460

grass right yeah I know we can reproduce

1067

00:37:17,930 --> 00:37:15,839

it I know that there's people out there

1068

00:37:20,150 --> 00:37:17,940

that have really mastered it

1069

00:37:23,990 --> 00:37:20,160

but some of these designs are so

1070

00:37:26,030 --> 00:37:24,000

intricate and so perfect that I just I

1071

00:37:28,609 --> 00:37:26,040

have a hard time fathoming um that

1072

00:37:31,430 --> 00:37:28,619

somebody in the dark is capable of doing

1073

00:37:35,390 --> 00:37:31,440

that in one sitting you know that's just

1074

00:37:37,069 --> 00:37:35,400

it's it's I know it blows your mind I

1075

00:37:39,109 --> 00:37:37,079

know I'm the same way and the funny

1076

00:37:41,450 --> 00:37:39,119

thing is like how I kind of look at this

1077

00:37:43,250 --> 00:37:41,460

is ufology now you know as I start

1078

00:37:46,310 --> 00:37:43,260

getting deeper and deeper and deeper

1079

00:37:49,130 --> 00:37:46,320

into it you know in my context as I look

1080

00:37:51,170 --> 00:37:49,140

at you know obviously from our you UFO

1081

00:37:53,270 --> 00:37:51,180

footage that's come from the Navy and

1082

00:37:55,370 --> 00:37:53,280

anything like that to me is like

1083

00:37:58,310 --> 00:37:55,380

extremely important right it's the most

1084

00:38:00,050 --> 00:37:58,320

credible that we have and then I'll be

1085

00:38:01,849 --> 00:38:00,060

not saying anyone else's but that's the

1086

00:38:03,349 --> 00:38:01,859

most credible and I look at that and I

1087

00:38:04,550 --> 00:38:03,359

go okay let's it's not that I'm not

1088

00:38:06,530 --> 00:38:04,560

gonna obviously not look at history

1089

00:38:08,030 --> 00:38:06,540

because it's most important but this is

1090

00:38:09,650 --> 00:38:08,040

important to us to have that we can say

1091

00:38:11,270 --> 00:38:09,660

and hold it and be like this most the

1092

00:38:13,609 --> 00:38:11,280

most important evidence maybe that we

1093

00:38:15,470 --> 00:38:13,619

have right now everything else I still

1094

00:38:17,030 --> 00:38:15,480

listen to I still listen to the E.T

1095

00:38:19,490 --> 00:38:17,040

stories I still listen to the crop

1096

00:38:20,930 --> 00:38:19,500

circle stories I still listen to you

1097

00:38:23,270 --> 00:38:20,940

know other people's parts of Mythology

1098

00:38:25,790 --> 00:38:23,280

in the community because I don't like to

1099

00:38:27,890 --> 00:38:25,800

push off the idea that oh it's that's

1100

00:38:28,910 --> 00:38:27,900

not real that's and telling people you

1101
00:38:31,130 --> 00:38:28,920
know especially if they've had an

1102
00:38:32,450 --> 00:38:31,140
encounter and there's has been negative

1103
00:38:33,410 --> 00:38:32,460
I'm never going to tell somebody that

1104
00:38:34,730 --> 00:38:33,420
they're experienced and it's been

1105
00:38:36,650 --> 00:38:34,740
traumatic is wrong and that they're

1106
00:38:39,230 --> 00:38:36,660
lying like I just I don't think that's

1107
00:38:40,370 --> 00:38:39,240
right but I'm open to listen to it it

1108
00:38:42,050 --> 00:38:40,380
doesn't mean that I have to believe it

1109
00:38:43,910 --> 00:38:42,060
but I'm open to listen to it and then

1110
00:38:46,430 --> 00:38:43,920
maybe one day as our science gets better

1111
00:38:49,130 --> 00:38:46,440
we'll be able to confirm it so when I

1112
00:38:51,230 --> 00:38:49,140
look at it now you know through the lens

1113
00:38:52,730 --> 00:38:51,240

and even in a PR lens of what I'm

1114

00:38:54,349 --> 00:38:52,740

allowed to talk about or what I should

1115

00:38:56,089 --> 00:38:54,359

be able to talk about right when I say

1116

00:38:58,670 --> 00:38:56,099

aloud I mean by like what's the most

1117

00:38:59,690 --> 00:38:58,680

credible thing to talk about is using

1118

00:39:01,609 --> 00:38:59,700

stuff that's come from the government

1119

00:39:02,870 --> 00:39:01,619

that's been approved you know through

1120

00:39:04,670 --> 00:39:02,880

the Pentagon

1121

00:39:06,349 --> 00:39:04,680

um you know other footage that is really

1122

00:39:07,910 --> 00:39:06,359

credible sources from people that are

1123

00:39:09,470 --> 00:39:07,920

experts and have been trained with a

1124

00:39:11,810 --> 00:39:09,480

proper eye to identify different things

1125

00:39:13,310 --> 00:39:11,820

if they're UFOs or not you know those

1126
00:39:15,170 --> 00:39:13,320
are important Staples that we can push

1127
00:39:17,150 --> 00:39:15,180
the community forward with with press in

1128
00:39:18,530 --> 00:39:17,160
mainstream media and then we can help to

1129
00:39:19,910 --> 00:39:18,540
tell that narrative in mainstream

1130
00:39:22,310 --> 00:39:19,920
because it's the closest we're going to

1131
00:39:24,589 --> 00:39:22,320
get to the most the best evidence we'll

1132
00:39:26,210 --> 00:39:24,599
ever have but it doesn't mean that you

1133
00:39:28,310 --> 00:39:26,220
have to stop not listening to the other

1134
00:39:29,930 --> 00:39:28,320
stories because one day maybe we'll have

1135
00:39:31,790 --> 00:39:29,940
science that will catch up and be able

1136
00:39:33,829 --> 00:39:31,800
to prove of these other things some

1137
00:39:36,050 --> 00:39:33,839
people are lying yes it's just the way

1138
00:39:38,030 --> 00:39:36,060

it is some people might not be but our

1139

00:39:39,770 --> 00:39:38,040

science isn't there yet to prove it and

1140

00:39:41,510 --> 00:39:39,780

maybe one day it will be

1141

00:39:43,430 --> 00:39:41,520

um but I think it's okay to listen you

1142

00:39:44,870 --> 00:39:43,440

just have to be you have to be mindful

1143

00:39:47,270 --> 00:39:44,880

that not everything's true and you can't

1144

00:39:49,069 --> 00:39:47,280

go down the rabbit hole of super

1145

00:39:50,810 --> 00:39:49,079

paranormal because I think that it can

1146

00:39:52,490 --> 00:39:50,820

be really dangerous as well it might

1147

00:39:57,310 --> 00:39:52,500

confuse you of what you think is real or

1148

00:40:00,890 --> 00:39:57,320

not yeah not to go not to drink the

1149

00:40:03,290 --> 00:40:00,900

kool-aids exactly just uh wear Nikes I

1150

00:40:04,849 --> 00:40:03,300

forgot about that that's such an oh such

1151

00:40:07,370 --> 00:40:04,859

a morbid detail yeah totally forgot

1152

00:40:09,589 --> 00:40:07,380

about that story the white Nikes how did

1153

00:40:12,109 --> 00:40:09,599

I forget that uh yeah I was gonna say

1154

00:40:14,690 --> 00:40:12,119

for you guys too uh when you do

1155

00:40:15,650 --> 00:40:14,700

something you know such as you do as the

1156

00:40:17,210 --> 00:40:15,660

debrief

1157

00:40:19,190 --> 00:40:17,220

um it has to be backed up like you guys

1158

00:40:20,630 --> 00:40:19,200

got to be able to back up you know what

1159

00:40:22,069 --> 00:40:20,640

you're saying that's the problem is

1160

00:40:23,990 --> 00:40:22,079

somebody you know

1161

00:40:25,430 --> 00:40:24,000

is going to question you well the

1162

00:40:26,690 --> 00:40:25,440

debunkers are still out there so

1163

00:40:29,270 --> 00:40:26,700

obviously you're still going to face

1164

00:40:31,430 --> 00:40:29,280

that but do you think um the debrief is

1165

00:40:33,050 --> 00:40:31,440

ever going to venture into other Realms

1166

00:40:35,690 --> 00:40:33,060

in ufology or is it just going to stick

1167

00:40:37,849 --> 00:40:35,700

to the military briefings for the time

1168

00:40:39,710 --> 00:40:37,859

being that's a great question right now

1169

00:40:41,270 --> 00:40:39,720

I'm not sure we're going to stay where

1170

00:40:43,250 --> 00:40:41,280

the course we are it doesn't mean that

1171

00:40:45,410 --> 00:40:43,260

we won't evolve he probably will at one

1172

00:40:47,750 --> 00:40:45,420

point as as the subject evolves we

1173

00:40:50,150 --> 00:40:47,760

evolve with it and the more evidence we

1174

00:40:52,069 --> 00:40:50,160

have and things that we can prove uh I'm

1175

00:40:53,630 --> 00:40:52,079

not an investigative journalist on this

1176
00:40:56,569 --> 00:40:53,640
side you know I'm public relations and a

1177
00:41:02,089 --> 00:40:56,579
contributor so my understanding of it in

1178
00:41:04,550 --> 00:41:02,099
is is not as vast it's as Tim and MJ and

1179
00:41:06,290 --> 00:41:04,560
Micah's would be they're like I love the

1180
00:41:08,990 --> 00:41:06,300
guys you know the one thing I say about

1181
00:41:10,970 --> 00:41:09,000
this and this is not just to keep my job

1182
00:41:12,710 --> 00:41:10,980
um it's to say is like these guys are

1183
00:41:15,349 --> 00:41:12,720
like they're true investigative

1184
00:41:17,329 --> 00:41:15,359
journalists like they do an amazing job

1185
00:41:20,270 --> 00:41:17,339
of how they vet through their

1186
00:41:22,490 --> 00:41:20,280
information and I get to see it and I'm

1187
00:41:24,230 --> 00:41:22,500
really proud to be part of that because

1188
00:41:26,809 --> 00:41:24,240

I know that they're trying to get to a

1189

00:41:28,910 --> 00:41:26,819

truth and they're trying to do something

1190

00:41:30,710 --> 00:41:28,920

um that's not different but they're

1191

00:41:33,710 --> 00:41:30,720

trying to come you know they're looking

1192

00:41:36,890 --> 00:41:33,720

at ufology and are looking at UFOs I

1193

00:41:38,690 --> 00:41:36,900

should say in a serious light then not

1194

00:41:40,490 --> 00:41:38,700

that everybody else isn't but they're

1195

00:41:42,349 --> 00:41:40,500

using it and doing it a different way

1196

00:41:44,290 --> 00:41:42,359

and trying to push it in a news format

1197

00:41:47,329 --> 00:41:44,300

as well where it's credible information

1198

00:41:49,309 --> 00:41:47,339

and the one thing that has been amazing

1199

00:41:50,990 --> 00:41:49,319

to see this and this this is why I

1200

00:41:53,210 --> 00:41:51,000

always say we have something special a

1201
00:41:54,550 --> 00:41:53,220
the team is just brilliant but outside

1202
00:41:57,890 --> 00:41:54,560
of that

1203
00:42:01,250 --> 00:41:57,900
we are breaking stories like Tim and

1204
00:42:03,470 --> 00:42:01,260
them are breaking stories about uaps and

1205
00:42:05,750 --> 00:42:03,480
mainstream media is picking it up like

1206
00:42:08,270 --> 00:42:05,760
when does that happen yeah that does not

1207
00:42:10,670 --> 00:42:08,280
happen every day when you get

1208
00:42:13,190 --> 00:42:10,680
independent journalism telling stories

1209
00:42:14,630 --> 00:42:13,200
to CNN and fox and people are listening

1210
00:42:16,430 --> 00:42:14,640
and they're picking it up and creating

1211
00:42:18,890 --> 00:42:16,440
you know the debrief back for that

1212
00:42:20,569 --> 00:42:18,900
breaking news it's unbelievable it's

1213
00:42:22,550 --> 00:42:20,579

great it's really amazing to play in

1214

00:42:25,250 --> 00:42:22,560

that space and to learn from them as

1215

00:42:27,410 --> 00:42:25,260

well because the more every day that I'm

1216

00:42:30,230 --> 00:42:27,420

with them I learn something new about

1217

00:42:31,609 --> 00:42:30,240

UFOs and I have or stories that might be

1218

00:42:32,809 --> 00:42:31,619

true or not or things that they've

1219

00:42:34,849 --> 00:42:32,819

learned that I than I would have ever

1220

00:42:37,010 --> 00:42:34,859

have learned before so I feel very

1221

00:42:39,170 --> 00:42:37,020

fortunate and lucky to be to be with

1222

00:42:39,950 --> 00:42:39,180

them to to learn through them you know

1223

00:42:41,870 --> 00:42:39,960

even though if they might not even

1224

00:42:44,270 --> 00:42:41,880

realize they're teaching me they are and

1225

00:42:46,069 --> 00:42:44,280

all of us in that point it becomes a

1226
00:42:48,349 --> 00:42:46,079
reliable source of information something

1227
00:42:51,890 --> 00:42:48,359
that you can depend on right the way

1228
00:42:53,930 --> 00:42:51,900
news used to be uh in this case it falls

1229
00:42:56,569 --> 00:42:53,940
under it's it's the way news should be

1230
00:42:58,010 --> 00:42:56,579
but with uaps which is why the debrief

1231
00:42:59,770 --> 00:42:58,020
is so awesome and I'm not just saying

1232
00:43:02,450 --> 00:42:59,780
that because Tim is coming on tomorrow

1233
00:43:04,730 --> 00:43:02,460
because you know obviously you guys are

1234
00:43:07,069 --> 00:43:04,740
doing a good job the communities is

1235
00:43:08,630 --> 00:43:07,079
thankful for that and I know that

1236
00:43:11,569 --> 00:43:08,640
there's a lot of [h__\h] out there

1237
00:43:13,609 --> 00:43:11,579
that write stupid comments and just you

1238
00:43:15,530 --> 00:43:13,619

know like the poo poo on everything and

1239

00:43:18,829 --> 00:43:15,540

it's no different for this podcast as it

1240

00:43:21,290 --> 00:43:18,839

is for other podcasts or any writers out

1241

00:43:22,790 --> 00:43:21,300

there but those people aren't the ones

1242

00:43:24,170 --> 00:43:22,800

that are actually doing what you guys

1243

00:43:25,730 --> 00:43:24,180

are doing right you guys are actually

1244

00:43:27,109 --> 00:43:25,740

willing to put yourselves on the front

1245

00:43:29,270 --> 00:43:27,119

lines and say hey

1246

00:43:31,790 --> 00:43:29,280

I'll cover this no problem and you're

1247

00:43:34,250 --> 00:43:31,800

way ahead of the game personally like we

1248

00:43:37,190 --> 00:43:34,260

still have I think Global and CTV here

1249

00:43:39,230 --> 00:43:37,200

they never cover anything right and you

1250

00:43:41,030 --> 00:43:39,240

know what I'm talking about oh my God

1251

00:43:43,370 --> 00:43:41,040

yeah like they're like two weeks old

1252

00:43:45,349 --> 00:43:43,380

from like a story breaks behind

1253

00:43:47,270 --> 00:43:45,359

everything yeah well I laughed because

1254

00:43:49,069 --> 00:43:47,280

like you know I looked at even though

1255

00:43:50,270 --> 00:43:49,079

like when you're watching Global pick

1256

00:43:52,849 --> 00:43:50,280

something up it was like I watched

1257

00:43:55,609 --> 00:43:52,859

Jeremy Corbell stuff and you know they

1258

00:43:58,069 --> 00:43:55,619

the their side broke those stories but

1259

00:44:00,050 --> 00:43:58,079

it took Global and the Canadian side two

1260

00:44:01,730 --> 00:44:00,060

weeks I think it was to pick up a story

1261

00:44:03,890 --> 00:44:01,740

or it was a week and a half and I just

1262

00:44:06,230 --> 00:44:03,900

shook my head and I went really Canada

1263

00:44:07,790 --> 00:44:06,240

I'm like and also Canadian government

1264

00:44:09,710 --> 00:44:07,800

are we even gonna start having a

1265

00:44:11,510 --> 00:44:09,720

conversation about this correctly like

1266

00:44:12,890 --> 00:44:11,520

we haven't yet and I'm like and it's

1267

00:44:14,750 --> 00:44:12,900

probably gonna happen sooner than later

1268

00:44:16,490 --> 00:44:14,760

just because that's how Canada follows

1269

00:44:18,170 --> 00:44:16,500

suit no offense I love my country but we

1270

00:44:18,849 --> 00:44:18,180

just suck at yeah

1271

00:44:21,170 --> 00:44:18,859

um

1272

00:44:23,569 --> 00:44:21,180

that's why we go to the states to do it

1273

00:44:25,309 --> 00:44:23,579

because we have more information there's

1274

00:44:29,150 --> 00:44:25,319

more people doing more work down there

1275

00:44:30,650 --> 00:44:29,160

uh about it and and yeah I just it's one

1276

00:44:32,930 --> 00:44:30,660

of those things you know and I I look at

1277

00:44:34,490 --> 00:44:32,940

the debrief and I'm just I'm so proud of

1278

00:44:35,990 --> 00:44:34,500

those guys from what they started you

1279

00:44:38,930 --> 00:44:36,000

know and just happy yeah to be part of

1280

00:44:42,950 --> 00:44:38,940

it do you know I uh contacted or emailed

1281

00:44:44,270 --> 00:44:42,960

csis this week I did now I'm panicking

1282

00:44:46,730 --> 00:44:44,280

that they're like monitoring my house

1283

00:44:48,109 --> 00:44:46,740

but I just said I just said look I host

1284

00:44:50,390 --> 00:44:48,119

a podcast

1285

00:44:52,430 --> 00:44:50,400

um you know is there a louisando version

1286

00:44:54,230 --> 00:44:52,440

the Canadian version that we can speak

1287

00:44:58,250 --> 00:44:54,240

to on this

1288

00:45:00,349 --> 00:44:58,260

am I expecting csis to reply no I'm

1289

00:45:02,690 --> 00:45:00,359

expecting them to have a van outside my

1290

00:45:04,849 --> 00:45:02,700

house probably but

1291

00:45:06,410 --> 00:45:04,859

um it's worth asking just in case

1292

00:45:08,809 --> 00:45:06,420

somebody's like hey you know what yeah

1293

00:45:11,089 --> 00:45:08,819

maybe let's have a discussion about it

1294

00:45:13,490 --> 00:45:11,099

right we never hear anything on this

1295

00:45:15,890 --> 00:45:13,500

side or our militaries never talks about

1296

00:45:17,870 --> 00:45:15,900

it they just release all the info not

1297

00:45:20,990 --> 00:45:17,880

that long ago I mean several years ago

1298

00:45:23,690 --> 00:45:21,000

but yeah that's it nothing else well we

1299

00:45:25,849 --> 00:45:23,700

have a commemorative loony too that has

1300

00:45:28,870 --> 00:45:25,859

the Shang Harbor crash on our money

1301

00:45:31,550 --> 00:45:28,880

knows more than our military right

1302

00:45:34,550 --> 00:45:31,560

well and also I'm like Canada if you

1303

00:45:36,650 --> 00:45:34,560

know more just let it out like start

1304

00:45:39,410 --> 00:45:36,660

because if you're just giving us like

1305

00:45:43,190 --> 00:45:39,420

loonies with pictures on it of Shang

1306

00:45:45,290 --> 00:45:43,200

Harbor like I great but like you can do

1307

00:45:46,670 --> 00:45:45,300

better than that I just laughed when it

1308

00:45:48,290 --> 00:45:46,680

came out and nobody even really talked

1309

00:45:49,730 --> 00:45:48,300

about it and I'm like I tried to get one

1310

00:45:51,230 --> 00:45:49,740

because I was like freaking out I was

1311

00:45:53,150 --> 00:45:51,240

like there's a like and I guess there's

1312

00:45:56,030 --> 00:45:53,160

two loonies that have

1313

00:45:58,370 --> 00:45:56,040

um depict yeah oh the Manitoba one right

1314

00:46:00,470 --> 00:45:58,380

Falcon Lake yeah I believe it's a Falcon

1315

00:46:01,790 --> 00:46:00,480

Lake I believe there's two I thought it

1316

00:46:03,230 --> 00:46:01,800

was that was Shang

1317

00:46:05,270 --> 00:46:03,240

um there's shag Harbor but the other

1318

00:46:07,609 --> 00:46:05,280

incident was Falcon Lake Manitoba wasn't

1319

00:46:09,770 --> 00:46:07,619

it with uh yeah yeah I thought that okay

1320

00:46:11,390 --> 00:46:09,780

maybe I'm confusing my loonies but I

1321

00:46:13,609 --> 00:46:11,400

know there's there's two there's two

1322

00:46:16,130 --> 00:46:13,619

images maybe they're both on there

1323

00:46:18,290 --> 00:46:16,140

um of of the like yeah of a UFO crashing

1324

00:46:19,550 --> 00:46:18,300

and I and or going into the water that

1325

00:46:20,630 --> 00:46:19,560

was the other thing someone said I'm

1326

00:46:21,829 --> 00:46:20,640

like because they're like oh it's

1327

00:46:23,750 --> 00:46:21,839

crashing the water I'm like how do you

1328

00:46:25,550 --> 00:46:23,760

know it's not going into the water I'm

1329

00:46:27,470 --> 00:46:25,560

like now that we know of and someone

1330

00:46:29,750 --> 00:46:27,480

just mind blew up and I'm like oh yeah

1331

00:46:31,790 --> 00:46:29,760

I'm like I'm I want that Looney they

1332

00:46:33,349 --> 00:46:31,800

never found a ship yeah they never found

1333

00:46:34,490 --> 00:46:33,359

a ship they searched exactly high and

1334

00:46:36,890 --> 00:46:34,500

low and they couldn't find anything we

1335

00:46:38,329 --> 00:46:36,900

know now that there's Usos exactly

1336

00:46:39,589 --> 00:46:38,339

underneath the water so yeah it makes

1337

00:46:42,290 --> 00:46:39,599

total sense that that's what they

1338

00:46:44,750 --> 00:46:42,300

witnessed just that going back to bed I

1339

00:46:46,670 --> 00:46:44,760

guess yeah I hope that we have better

1340

00:46:48,050 --> 00:46:46,680

images in the next little bit that comes

1341

00:46:50,510 --> 00:46:48,060

out if we're only getting anything in

1342

00:46:53,990 --> 00:46:50,520

the 180 days it's hopefully going to be

1343

00:46:57,290 --> 00:46:54,000

I want it Tic Tac on my 50 Bill all

1344

00:46:59,630 --> 00:46:57,300

right I want a black triangle on a

1345

00:47:01,250 --> 00:46:59,640

hundred that's what I want and then it's

1346

00:47:03,530 --> 00:47:01,260

official in Canada they've officially

1347

00:47:04,670 --> 00:47:03,540

come out cartoons already have UFOs

1348

00:47:07,430 --> 00:47:04,680

might as well have it on the other

1349

00:47:12,069 --> 00:47:07,440

builds as well so or is it toonies maybe

1350

00:47:17,030 --> 00:47:14,450

okay but I think they did too because

1351
00:47:18,950 --> 00:47:17,040
like the the two incidences I think or I

1352
00:47:20,990 --> 00:47:18,960
might be mistaken here but I thought

1353
00:47:23,690 --> 00:47:21,000
that they made one for shag and one for

1354
00:47:25,730 --> 00:47:23,700
Falcon Lake as well but I could be

1355
00:47:27,829 --> 00:47:25,740
mistaken you know um I should probably

1356
00:47:30,230 --> 00:47:27,839
look into maybe buying it it's like 20

1357
00:47:32,210 --> 00:47:30,240
bucks for a toonie seems

1358
00:47:34,250 --> 00:47:32,220
counterproductive isn't it like I tried

1359
00:47:36,230 --> 00:47:34,260
yeah did you tried yeah I couldn't get

1360
00:47:38,210 --> 00:47:36,240
one so I don't know how much they are

1361
00:47:41,390 --> 00:47:38,220
now they're probably on Amazon

1362
00:47:42,950 --> 00:47:41,400
eBay somewhere for a lot more but I do

1363
00:47:44,569 --> 00:47:42,960

well if you get your hands on one I'll

1364

00:47:47,270 --> 00:47:44,579

probably be circulated sometime right

1365

00:47:49,250 --> 00:47:47,280

you get lucky uh I was gonna say with

1366

00:47:50,329 --> 00:47:49,260

all that you got going on because uh

1367

00:47:53,089 --> 00:47:50,339

you're the owner of all cap

1368

00:47:56,030 --> 00:47:53,099

Communications you co-host uh alt pop

1369

00:47:58,670 --> 00:47:56,040

repeat and you're also doing this stuff

1370

00:48:01,549 --> 00:47:58,680

with uh the debrief how do you balance

1371

00:48:03,410 --> 00:48:01,559

that uh with just being able to step

1372

00:48:05,750 --> 00:48:03,420

back sometimes without it swarming

1373

00:48:07,790 --> 00:48:05,760

because that's a lot of work uh

1374

00:48:10,490 --> 00:48:07,800

especially in in UFOs I mean you're not

1375

00:48:12,650 --> 00:48:10,500

always talking UFOs but it revolves

1376

00:48:15,470 --> 00:48:12,660

around that so how do you take a break

1377

00:48:17,690 --> 00:48:15,480

do you just you know take a month off do

1378

00:48:19,970 --> 00:48:17,700

you just I haven't solved the subject

1379

00:48:21,770 --> 00:48:19,980

you haven't done that yet no

1380

00:48:23,870 --> 00:48:21,780

um I because I've recently started with

1381

00:48:26,089 --> 00:48:23,880

the debrief I think gosh was it early

1382

00:48:29,770 --> 00:48:26,099

February I believe or January you're not

1383

00:48:32,690 --> 00:48:29,780

fed up of them yet okay yeah yeah

1384

00:48:35,030 --> 00:48:32,700

it's usually two years in are we on the

1385

00:48:37,730 --> 00:48:35,040

next podcast I'm like oh God I was

1386

00:48:40,130 --> 00:48:37,740

joking right I'm just joking

1387

00:48:42,950 --> 00:48:40,140

um that no so it's uh

1388

00:48:44,390 --> 00:48:42,960

first of all I love the topic so and I

1389

00:48:47,150 --> 00:48:44,400

love the debrief and I love the team in

1390

00:48:49,549 --> 00:48:47,160

it because it's like a in a way it's a

1391

00:48:52,490 --> 00:48:49,559

family and I get to talk to people about

1392

00:48:55,010 --> 00:48:52,500

a subject I really like and enjoy and

1393

00:48:57,349 --> 00:48:55,020

generally consume on my off time anyway

1394

00:49:00,049 --> 00:48:57,359

you know I got to watch T I ended up

1395

00:49:02,030 --> 00:49:00,059

watching it was able to watch uh TV and

1396

00:49:04,069 --> 00:49:02,040

I was like what is that 60 Minutes piece

1397

00:49:05,630 --> 00:49:04,079

coming out I like messaged the group in

1398

00:49:07,130 --> 00:49:05,640

our group chat

1399

00:49:08,690 --> 00:49:07,140

um because I was like I finally get to

1400

00:49:11,089 --> 00:49:08,700

watch some television and so go figure

1401

00:49:13,549 --> 00:49:11,099

it's like the one thing I want to watch

1402

00:49:15,230 --> 00:49:13,559

um but I do I try to I try to consume as

1403

00:49:16,790 --> 00:49:15,240

much I'm also I'm here in conversations

1404

00:49:18,829 --> 00:49:16,800

I'm seeing stuff that's going on in the

1405

00:49:20,990 --> 00:49:18,839

media so I'm consuming it uh

1406

00:49:23,329 --> 00:49:21,000

consistently so there is an interesting

1407

00:49:25,609 --> 00:49:23,339

balance where you have to do uh so most

1408

00:49:28,370 --> 00:49:25,619

of the time is I I treat the debrief

1409

00:49:30,049 --> 00:49:28,380

like vocab I you know mix it in with my

1410

00:49:31,970 --> 00:49:30,059

day so I'm scheduling certain days for

1411

00:49:34,730 --> 00:49:31,980

both or Times breaking news happens

1412

00:49:36,049 --> 00:49:34,740

sometimes I have to reshift my schedule

1413

00:49:37,609 --> 00:49:36,059

um but I'm able to do it I also have a

1414

00:49:39,170 --> 00:49:37,619

team in vocab like you have two other

1415

00:49:40,609 --> 00:49:39,180

people that work with me

1416

00:49:42,410 --> 00:49:40,619

um so they're able to do other stuff

1417

00:49:44,510 --> 00:49:42,420

when I'm taking care of clients as well

1418

00:49:47,270 --> 00:49:44,520

so it's really scheduling understanding

1419

00:49:50,089 --> 00:49:47,280

how to schedule my life is scheduled to

1420

00:49:53,450 --> 00:49:50,099

to the hour sometimes when it comes to

1421

00:49:55,609 --> 00:49:53,460

like working out uh like just editing

1422

00:49:57,290 --> 00:49:55,619

doing all those things spending time

1423

00:49:59,510 --> 00:49:57,300

with my family you know going to the

1424

00:50:01,370 --> 00:49:59,520

dentist like normal stuff and it's and

1425

00:50:02,750 --> 00:50:01,380

it's hard because I don't have a massive

1426
00:50:04,609 --> 00:50:02,760
team like I have obviously we have the

1427
00:50:06,710 --> 00:50:04,619
team at the debrief but of myself it's

1428
00:50:08,510 --> 00:50:06,720
not it's me so

1429
00:50:09,770 --> 00:50:08,520
um I know that working out and stuff

1430
00:50:12,049 --> 00:50:09,780
like that and trying to eat healthy is

1431
00:50:13,910 --> 00:50:12,059
important and then also doing things

1432
00:50:15,890 --> 00:50:13,920
that I know that I can't do if I can't

1433
00:50:18,770 --> 00:50:15,900
do it I have to say and be reasonable to

1434
00:50:21,109 --> 00:50:18,780
it myself and sleep and you know and

1435
00:50:22,670 --> 00:50:21,119
yeah and then along with like work like

1436
00:50:24,410 --> 00:50:22,680
usually when I'm done vocab maybe during

1437
00:50:26,450 --> 00:50:24,420
the day and I've done very debrief stuff

1438
00:50:29,150 --> 00:50:26,460

then I work on all pop repeat at night

1439

00:50:30,589 --> 00:50:29,160

and then usually within the the other

1440

00:50:32,210 --> 00:50:30,599

podcasts that I'm with the New Frontier

1441

00:50:34,190 --> 00:50:32,220

Network you know thankfully I'm not

1442

00:50:36,170 --> 00:50:34,200

doing any editing uh with Derek he's

1443

00:50:38,210 --> 00:50:36,180

amazing who does her editing so he does

1444

00:50:40,910 --> 00:50:38,220

so I'm just booking talent and or

1445

00:50:43,309 --> 00:50:40,920

interviews experts to be on the podcast

1446

00:50:44,990 --> 00:50:43,319

with them and the guys are too so at

1447

00:50:47,030 --> 00:50:45,000

least I that there have more of a team

1448

00:50:48,710 --> 00:50:47,040

of a group of us doing stuff right so

1449

00:50:50,450 --> 00:50:48,720

it's just a it's a balancing game but I

1450

00:50:51,650 --> 00:50:50,460

do enjoy it like I will take a vacation

1451

00:50:53,630 --> 00:50:51,660

one day

1452

00:50:55,549 --> 00:50:53,640

yeah well it sounds like you got along

1453

00:50:59,030 --> 00:50:55,559

the go I personally like to stay in

1454

00:51:01,430 --> 00:50:59,040

shape round is a shape so I like to

1455

00:51:03,530 --> 00:51:01,440

think I kept my shape but the uh the

1456

00:51:06,109 --> 00:51:03,540

thing is for me I is trying to detach

1457

00:51:08,510 --> 00:51:06,119

myself from the UFO stuff sometimes and

1458

00:51:10,910 --> 00:51:08,520

then spend time with the family and you

1459

00:51:12,890 --> 00:51:10,920

know detach myself in the podcast like

1460

00:51:15,109 --> 00:51:12,900

but I'm having a harder time like it's

1461

00:51:17,510 --> 00:51:15,119

just like I just want to take two weeks

1462

00:51:19,430 --> 00:51:17,520

where I don't even think UFOs or uaps

1463

00:51:21,430 --> 00:51:19,440

but this isn't the time to do it because

1464

00:51:23,510 --> 00:51:21,440

everything's coming out

1465

00:51:25,010 --> 00:51:23,520

you know what somebody else said that to

1466

00:51:26,510 --> 00:51:25,020

me UFO Jane because like some of the

1467

00:51:28,430 --> 00:51:26,520

women we obviously do talk to each other

1468

00:51:30,349 --> 00:51:28,440

and she sent me a note she's like I'm so

1469

00:51:31,790 --> 00:51:30,359

busy working she's like but like we're

1470

00:51:34,370 --> 00:51:31,800

in the middle of so much information

1471

00:51:36,589 --> 00:51:34,380

she's like and I'm just trying to keep

1472

00:51:38,930 --> 00:51:36,599

up with it Chrissy and I said I know I'm

1473

00:51:41,210 --> 00:51:38,940

like I I feel you and it's you can't

1474

00:51:45,170 --> 00:51:41,220

really take a break but at the same time

1475

00:51:48,170 --> 00:51:45,180

I miss it like I really I I spend a lot

1476

00:51:51,589 --> 00:51:48,180

of my time on in clubhouse if I do have

1477

00:51:53,329 --> 00:51:51,599

time in like UFO groups I spend my time

1478

00:51:55,490 --> 00:51:53,339

you know talking with the debrief guys

1479

00:51:57,109 --> 00:51:55,500

like I really find myself in that

1480

00:51:58,549 --> 00:51:57,119

Community a lot

1481

00:51:59,870 --> 00:51:58,559

um and even previously before the

1482

00:52:03,829 --> 00:51:59,880

debrief I was like going to take

1483

00:52:05,210 --> 00:52:03,839

vacations to like go do UFO stuff and uh

1484

00:52:06,470 --> 00:52:05,220

my ex-boyfriend was like where are you

1485

00:52:08,809 --> 00:52:06,480

going I was like oh I'm just gonna plan

1486

00:52:11,510 --> 00:52:08,819

like you know some UFO activity it's

1487

00:52:14,390 --> 00:52:11,520

just like shakes his head came into

1488

00:52:17,930 --> 00:52:14,400

Woods it's fine it's okay you know and

1489

00:52:20,329 --> 00:52:17,940

so I like it like I enjoy it and I it's

1490

00:52:23,089 --> 00:52:20,339

it's part of my life but I do it does

1491

00:52:25,670 --> 00:52:23,099

become consuming a lot because there's a

1492

00:52:27,829 --> 00:52:25,680

lot of information coming at us and also

1493

00:52:28,730 --> 00:52:27,839

you know understanding all of it too you

1494

00:52:30,290 --> 00:52:28,740

know and breaking it down because

1495

00:52:31,790 --> 00:52:30,300

sometimes when you look at things that

1496

00:52:33,890 --> 00:52:31,800

are coming out of the Pentagon not

1497

00:52:35,150 --> 00:52:33,900

everything's easy you know if we were

1498

00:52:37,130 --> 00:52:35,160

really you're just getting into this

1499

00:52:40,069 --> 00:52:37,140

you're like what what does this even

1500

00:52:40,970 --> 00:52:40,079

mean like you know where where are these

1501
00:52:42,710 --> 00:52:40,980
other players comes like who's

1502
00:52:45,170 --> 00:52:42,720
Christopher melon who's you know you

1503
00:52:47,870 --> 00:52:45,180
know like who's who's like I can imagine

1504
00:52:50,390 --> 00:52:47,880
people coming into this being like what

1505
00:52:52,069 --> 00:52:50,400
and when you start talking like I've had

1506
00:52:54,290 --> 00:52:52,079
this with outside of people and in the

1507
00:52:55,970 --> 00:52:54,300
community where someone like for example

1508
00:52:57,710 --> 00:52:55,980
say you and I are having a conversation

1509
00:52:59,270 --> 00:52:57,720
just we were hanging out and chatting

1510
00:53:01,609 --> 00:52:59,280
about it people that don't know anything

1511
00:53:03,589 --> 00:53:01,619
about UFOs this is like Greek to them

1512
00:53:05,930 --> 00:53:03,599
they're like who are you talking about

1513
00:53:08,510 --> 00:53:05,940

intelligence who's this person that's

1514

00:53:11,030 --> 00:53:08,520

here like what's with the Pentagon like

1515

00:53:13,670 --> 00:53:11,040

for them it's it's blows their mind and

1516

00:53:15,650 --> 00:53:13,680

I watch that too because they they have

1517

00:53:18,650 --> 00:53:15,660

no idea and they're like who are these

1518

00:53:20,390 --> 00:53:18,660

key players and I go well this is

1519

00:53:22,190 --> 00:53:20,400

welcome to the community like this is

1520

00:53:24,410 --> 00:53:22,200

what this is about and it's a narrative

1521

00:53:26,750 --> 00:53:24,420

that we've it's like a drama it's a soap

1522

00:53:28,790 --> 00:53:26,760

opera a real life soap opera that we've

1523

00:53:30,770 --> 00:53:28,800

been watching unfolds with lots of key

1524

00:53:33,650 --> 00:53:30,780

players but it's real and it's like

1525

00:53:35,930 --> 00:53:33,660

affecting the world it's it's a wild

1526
00:53:37,609 --> 00:53:35,940
topic like it really is do you know what

1527
00:53:40,430 --> 00:53:37,619
data for my wife was the movie The

1528
00:53:41,930 --> 00:53:40,440
phenomenon that Jamie Foxx made that's

1529
00:53:44,210 --> 00:53:41,940
the one that that's the one that's that

1530
00:53:46,250 --> 00:53:44,220
put the nail in the coffin for her to

1531
00:53:47,690 --> 00:53:46,260
believe in in this whole thing and you

1532
00:53:49,910 --> 00:53:47,700
know I was talking about for years

1533
00:53:52,190 --> 00:53:49,920
didn't matter but she sees the movie

1534
00:53:54,410 --> 00:53:52,200
like an hour and a half long and she's

1535
00:53:56,030 --> 00:53:54,420
like what how come nobody knows about

1536
00:53:57,589 --> 00:53:56,040
this I'm like that's what we're trying

1537
00:54:00,650 --> 00:53:57,599
to tell people like I've been telling

1538
00:54:02,569 --> 00:54:00,660

you for years now exactly like how come

1539

00:54:04,190 --> 00:54:02,579

when I say it it doesn't that's the

1540

00:54:05,510 --> 00:54:04,200

thing about people like if you meet a

1541

00:54:08,329 --> 00:54:05,520

stranger and a stranger tells you

1542

00:54:10,370 --> 00:54:08,339

something it must be true why would the

1543

00:54:12,410 --> 00:54:10,380

stranger be full of [\h__\h]

1544

00:54:13,970 --> 00:54:12,420

now you know they are because you could

1545

00:54:15,589 --> 00:54:13,980

just Google it I remember when I was a

1546

00:54:17,569 --> 00:54:15,599

kid like anybody could say anything and

1547

00:54:20,030 --> 00:54:17,579

you couldn't search it you know somebody

1548

00:54:21,410 --> 00:54:20,040

tells you that dolphin lays 900 eggs you

1549

00:54:24,170 --> 00:54:21,420

believe them like there's you couldn't

1550

00:54:26,750 --> 00:54:24,180

search that up right yeah but uh that

1551

00:54:28,069 --> 00:54:26,760

times are changing so for yourself do

1552

00:54:31,370 --> 00:54:28,079

you have anything in the works right now

1553

00:54:33,770 --> 00:54:31,380

uh a new article maybe dropping soon oh

1554

00:54:35,990 --> 00:54:33,780

thanks uh yeah I'm going to rebelliously

1555

00:54:37,609 --> 00:54:36,000

curious with Chrissy Newton is a show

1556

00:54:39,170 --> 00:54:37,619

that I work just like fun little Clips

1557

00:54:41,150 --> 00:54:39,180

information videos that are coming out

1558

00:54:43,670 --> 00:54:41,160

I'm going to turn it into uh an

1559

00:54:45,230 --> 00:54:43,680

interview Style Show now so different a

1560

00:54:47,150 --> 00:54:45,240

whole different intro everything else

1561

00:54:49,549 --> 00:54:47,160

different guests so I'm really excited

1562

00:54:51,530 --> 00:54:49,559

about that uh because I get to I get to

1563

00:54:53,870 --> 00:54:51,540

play in both sides on this and that's

1564

00:54:55,849 --> 00:54:53,880

the beauty of it is I get to do PR at

1565

00:54:57,890 --> 00:54:55,859

the debrief and do what I love and

1566

00:55:00,410 --> 00:54:57,900

that's a passion that for me is for sure

1567

00:55:02,870 --> 00:55:00,420

that doesn't go away but then I also get

1568

00:55:04,730 --> 00:55:02,880

to make content and that's even another

1569

00:55:07,849 --> 00:55:04,740

passion so I get to do both and it's

1570

00:55:09,829 --> 00:55:07,859

about UFOs like it's like a win-win I

1571

00:55:11,990 --> 00:55:09,839

know right the subject talks about

1572

00:55:13,910 --> 00:55:12,000

itself that's a win-win so when is that

1573

00:55:16,490 --> 00:55:13,920

starting or is that already starting to

1574

00:55:18,049 --> 00:55:16,500

start not yet well rebelliously curious

1575

00:55:20,030 --> 00:55:18,059

with Chrissy Newton is already out but

1576

00:55:22,250 --> 00:55:20,040

I'm the new show format will start in

1577

00:55:23,750 --> 00:55:22,260

the next couple weeks so I'm just I'm

1578

00:55:24,829 --> 00:55:23,760

bringing guests yeah

1579

00:55:26,569 --> 00:55:24,839

um I'm just bringing different guests on

1580

00:55:28,490 --> 00:55:26,579

right now that I'm trying to book so I'm

1581

00:55:30,289 --> 00:55:28,500

excited about that well let us know when

1582

00:55:32,089 --> 00:55:30,299

you drop your first episode we'll post

1583

00:55:34,309 --> 00:55:32,099

it on the Facebook group okay thank you

1584

00:55:36,530 --> 00:55:34,319

make sure everybody's there so I thank

1585

00:55:38,630 --> 00:55:36,540

you so much for joining us uh today on

1586

00:55:41,569 --> 00:55:38,640

UAP studies it was a blast talking to

1587

00:55:43,789 --> 00:55:41,579

you I was uh mentioning to I think with

1588

00:55:46,490 --> 00:55:43,799

Sev talk that was on several episodes

1589

00:55:48,950 --> 00:55:46,500

back just how it was it's been very hard

1590

00:55:51,289 --> 00:55:48,960

for me to get females to come on and

1591

00:55:53,809 --> 00:55:51,299

talk about you know their investigations

1592

00:55:56,809 --> 00:55:53,819

and stuff like that and just that I want

1593

00:55:58,849 --> 00:55:56,819

you know more of of everybody more

1594

00:56:01,849 --> 00:55:58,859

diversity not just you know white old

1595

00:56:03,650 --> 00:56:01,859

men uh she agreed so it's nice to see

1596

00:56:06,950 --> 00:56:03,660

it's nice to see the community to come

1597

00:56:08,870 --> 00:56:06,960

together and um and be so uh inviting

1598

00:56:11,990 --> 00:56:08,880

for everybody this is has nothing to do

1599

00:56:13,910 --> 00:56:12,000

with religion or where you live on this

1600

00:56:16,190 --> 00:56:13,920

planet this is the subject that unifies

1601
00:56:17,690 --> 00:56:16,200
us all so I think that's the aspect that

1602
00:56:20,329 --> 00:56:17,700
I like about it that's a little bit

1603
00:56:22,430 --> 00:56:20,339
different than religion you know I agree

1604
00:56:23,990 --> 00:56:22,440
and you know what the first thing I was

1605
00:56:26,450 --> 00:56:24,000
worried about getting into this people

1606
00:56:28,609 --> 00:56:26,460
are like who is this chick you know like

1607
00:56:29,990 --> 00:56:28,619
we've never seen you before and I was

1608
00:56:31,010 --> 00:56:30,000
scared I was gonna get and this doesn't

1609
00:56:32,809 --> 00:56:31,020
have it doesn't mean it's not gonna

1610
00:56:34,430 --> 00:56:32,819
happen yet um I know that some people

1611
00:56:36,170 --> 00:56:34,440
think that and I should probably clarify

1612
00:56:38,690 --> 00:56:36,180
for certain people that they think we

1613
00:56:41,089 --> 00:56:38,700

work for the CIA at the debrief and all

1614

00:56:43,730 --> 00:56:41,099

this kind of stuff all these rooms I

1615

00:56:45,829 --> 00:56:43,740

know like and that we're part of like

1616

00:56:48,470 --> 00:56:45,839

reptilians and it's like no we're not

1617

00:56:50,630 --> 00:56:48,480

you know so uh no we're independent

1618

00:56:53,270 --> 00:56:50,640

journalists none of us uh are hired from

1619

00:56:55,549 --> 00:56:53,280

the government to do any of this we are

1620

00:56:57,289 --> 00:56:55,559

doing it on our own uh to clarify for

1621

00:56:59,030 --> 00:56:57,299

some people that think that we're CI

1622

00:57:01,190 --> 00:56:59,040

agents which is not true

1623

00:57:03,170 --> 00:57:01,200

um but yeah I'm like the the whole thing

1624

00:57:04,250 --> 00:57:03,180

about when I first started was that I

1625

00:57:06,470 --> 00:57:04,260

was worried that people are going to be

1626

00:57:08,870 --> 00:57:06,480

like who is she like she just shows up

1627

00:57:10,970 --> 00:57:08,880

and you know and that hasn't been the

1628

00:57:12,410 --> 00:57:10,980

case and I am thankful people and I

1629

00:57:14,450 --> 00:57:12,420

thank the community for being really

1630

00:57:15,829 --> 00:57:14,460

welcoming to me and being wonderful

1631

00:57:17,630 --> 00:57:15,839

doesn't mean that I'm not going to get

1632

00:57:19,370 --> 00:57:17,640

you know some people are gonna make some

1633

00:57:21,410 --> 00:57:19,380

negative comments but so far it's been

1634

00:57:23,690 --> 00:57:21,420

really nice and the women and the men

1635

00:57:25,730 --> 00:57:23,700

have been really abrasive and I also see

1636

00:57:27,530 --> 00:57:25,740

that a lot of men in the community are

1637

00:57:29,510 --> 00:57:27,540

championing a lot of women right now

1638

00:57:31,069 --> 00:57:29,520

that whole the Demi Lovato thing too

1639

00:57:33,049 --> 00:57:31,079

that just came out

1640

00:57:34,970 --> 00:57:33,059

um which she's gonna be right and it's

1641

00:57:37,010 --> 00:57:34,980

interesting because my first thought was

1642

00:57:39,049 --> 00:57:37,020

instantly where I was like oh she

1643

00:57:40,849 --> 00:57:39,059

doesn't know anything about UFOs and

1644

00:57:43,010 --> 00:57:40,859

then I thought you know what it's a

1645

00:57:44,270 --> 00:57:43,020

start it's a start and it doesn't mean

1646

00:57:46,190 --> 00:57:44,280

that and who knows what she's gonna do

1647

00:57:48,289 --> 00:57:46,200

she's going to do a good job or not but

1648

00:57:50,450 --> 00:57:48,299

the point is that she might open the

1649

00:57:52,370 --> 00:57:50,460

door for other women and within the UFO

1650

00:57:53,809 --> 00:57:52,380

Community to start having larger voices

1651
00:57:56,270 --> 00:57:53,819
because she ended up putting a light on

1652
00:57:57,710 --> 00:57:56,280
it and she's a woman or even Stars even

1653
00:58:00,049 --> 00:57:57,720
like you know people in the

1654
00:58:03,289 --> 00:58:00,059
entertainment side what's uh Miley Cyrus

1655
00:58:05,329 --> 00:58:03,299
had a pretty holy [h__h] UFO close

1656
00:58:08,089 --> 00:58:05,339
encounter so you know just getting these

1657
00:58:09,890 --> 00:58:08,099
people out I think would be yeah get

1658
00:58:11,089 --> 00:58:09,900
down and I've seen a lot of pot yeah and

1659
00:58:13,190 --> 00:58:11,099
I've seen a lot of positive

1660
00:58:16,010 --> 00:58:13,200
conversations on UFO Twitter about women

1661
00:58:17,630 --> 00:58:16,020
being going forward and then other women

1662
00:58:20,030 --> 00:58:17,640
that need to be represented that don't

1663
00:58:22,609 --> 00:58:20,040

that have done amazing research you know

1664

00:58:24,170 --> 00:58:22,619

that have done lots of research compared

1665

00:58:26,930 --> 00:58:24,180

to a lot of us that have other voices

1666

00:58:29,030 --> 00:58:26,940

that need to be heard too so I'm I'm

1667

00:58:30,349 --> 00:58:29,040

really optimistic about more women and a

1668

00:58:32,990 --> 00:58:30,359

lot of younger like look at Christina

1669

00:58:34,670 --> 00:58:33,000

Gomez from our team she's she's a she

1670

00:58:36,710 --> 00:58:34,680

she's the smartest gen zat I've ever met

1671

00:58:38,930 --> 00:58:36,720

in my life like she's brilliant like

1672

00:58:41,270 --> 00:58:38,940

she's she really is brilliant

1673

00:58:43,789 --> 00:58:41,280

um so we're gonna see I hope we have

1674

00:58:45,829 --> 00:58:43,799

more of her and if she is the version of

1675

00:58:48,950 --> 00:58:45,839

the next UFO generation that's coming up

1676

00:58:50,870 --> 00:58:48,960

we are fine yeah yeah no that's I'm

1677

00:58:52,010 --> 00:58:50,880

totally proud of everybody that's coming

1678

00:58:53,510 --> 00:58:52,020

out

1679

00:58:55,010 --> 00:58:53,520

um and I tell them every every time

1680

00:58:57,230 --> 00:58:55,020

somebody new comes out I follow them

1681

00:58:59,210 --> 00:58:57,240

right away uh just give them you know

1682

00:59:00,589 --> 00:58:59,220

the the big thanks because I think it's

1683

00:59:02,809 --> 00:59:00,599

awesome and I think we our communities

1684

00:59:04,430 --> 00:59:02,819

are finally get yeah we're coming up

1685

00:59:07,609 --> 00:59:04,440

baby we're cool we're coming up cool

1686

00:59:09,049 --> 00:59:07,619

kids are here we are it's great and I

1687

00:59:10,910 --> 00:59:09,059

laughed because I love it I'm like and I

1688

00:59:12,890 --> 00:59:10,920

love that more people are jumping on the

1689

00:59:14,569 --> 00:59:12,900

bandwagon I think it's again like it's a

1690

00:59:17,089 --> 00:59:14,579

counterculture that's turned into like a

1691

00:59:19,609 --> 00:59:17,099

mainstream like a mainstream culture

1692

00:59:21,109 --> 00:59:19,619

like give it another 10 years like it's

1693

00:59:23,030 --> 00:59:21,119

UFOs are even going to be more

1694

00:59:24,530 --> 00:59:23,040

mainstream than we've ever thought but

1695

00:59:27,650 --> 00:59:24,540

then watch the drop be something like

1696

00:59:29,630 --> 00:59:27,660

horrific like yes they're here and uh

1697

00:59:31,930 --> 00:59:29,640

the plan is is that uh

1698

00:59:35,329 --> 00:59:31,940

they're gonna eat US

1699

00:59:37,849 --> 00:59:35,339

ah damn it's like all these years of

1700

00:59:40,130 --> 00:59:37,859

ufology just gone on the toilet but uh

1701

00:59:42,170 --> 00:59:40,140

let's hope that's not the let's hope

1702

00:59:43,849 --> 00:59:42,180

that's not the case well Nick Pope said

1703

00:59:45,710 --> 00:59:43,859

something to me in a yeah in an

1704

00:59:47,930 --> 00:59:45,720

interview with the new the new frontier

1705

00:59:49,910 --> 00:59:47,940

Network and he said that you know if

1706

00:59:51,289 --> 00:59:49,920

they're the Demonic or not people in the

1707

00:59:53,809 --> 00:59:51,299

government are still deciding that and I

1708

00:59:55,490 --> 00:59:53,819

was like I don't I just it left me I

1709

00:59:57,349 --> 00:59:55,500

know and I'm like oh we had to go down

1710

01:00:00,049 --> 00:59:57,359

that road I'm like I know that we have

1711

01:00:02,569 --> 01:00:00,059

like we do have to look at what it what

1712

01:00:04,309 --> 01:00:02,579

it is but you know I'm hoping I'm gonna

1713

01:00:06,109 --> 01:00:04,319

stay on the optimistic side that it's

1714

01:00:07,549 --> 01:00:06,119

good and that you know it's it's not

1715

01:00:09,890 --> 01:00:07,559

going to be something bad well because

1716

01:00:11,809 --> 01:00:09,900

yeah because Lou had mentioned that that

1717

01:00:13,490 --> 01:00:11,819

was a huge problem

1718

01:00:15,829 --> 01:00:13,500

um that the religious aspects especially

1719

01:00:19,130 --> 01:00:15,839

in politics is like we don't talk about

1720

01:00:20,390 --> 01:00:19,140

UFOs you know it's only Jesus Christ not

1721

01:00:22,430 --> 01:00:20,400

that there's anything wrong with that

1722

01:00:24,349 --> 01:00:22,440

but there is something wrong if we're

1723

01:00:27,170 --> 01:00:24,359

ignoring something that's like very real

1724

01:00:29,390 --> 01:00:27,180

and we're not addressing it over beliefs

1725

01:00:31,370 --> 01:00:29,400

and you know just saying it makes me

1726

01:00:34,010 --> 01:00:31,380

feel uncomfortable it's an icky subject

1727

01:00:35,569 --> 01:00:34,020

right and I mentioned this before but

1728

01:00:38,329 --> 01:00:35,579

it's it's kind of like you know somebody

1729

01:00:39,410 --> 01:00:38,339

who's uh somebody's abused trying to

1730

01:00:41,809 --> 01:00:39,420

tell people and people are like oh

1731

01:00:43,490 --> 01:00:41,819

you're just crazy but it's like no now

1732

01:00:44,809 --> 01:00:43,500

there's validity now right like all

1733

01:00:47,390 --> 01:00:44,819

those people speaking up for all those

1734

01:00:49,190 --> 01:00:47,400

years yeah finally that's what I say

1735

01:00:50,450 --> 01:00:49,200

about uh abductions and everything else

1736

01:00:52,130 --> 01:00:50,460

I said we don't know I know you want to

1737

01:00:53,870 --> 01:00:52,140

close this podcast down soon no no no no

1738

01:00:54,340 --> 01:00:53,880

I'm just making sure I'm not wasting

1739

01:00:58,930 --> 01:00:54,350

your time

1740

01:01:04,490 --> 01:01:01,970

like abductions and stuff like

1741

01:01:05,930 --> 01:01:04,500

um you know that's it's a I try to stay

1742

01:01:07,130 --> 01:01:05,940

away from that obviously we talk about

1743

01:01:09,650 --> 01:01:07,140

reporting and stuff because we don't

1744

01:01:12,049 --> 01:01:09,660

have real legit evidence on it but it

1745

01:01:13,910 --> 01:01:12,059

doesn't mean that people that are going

1746

01:01:16,910 --> 01:01:13,920

through these experiences it's real to

1747

01:01:18,589 --> 01:01:16,920

them and I think we have to have empathy

1748

01:01:20,930 --> 01:01:18,599

as a community towards those people

1749

01:01:22,130 --> 01:01:20,940

because a could be mental health you

1750

01:01:24,410 --> 01:01:22,140

know there is a lot of mental health

1751

01:01:26,390 --> 01:01:24,420

issues in the community we do know that

1752

01:01:28,430 --> 01:01:26,400

yeah we don't always talk about them but

1753

01:01:30,049 --> 01:01:28,440

they're they're there you know um and

1754

01:01:32,809 --> 01:01:30,059

then with tons of other communities too

1755

01:01:35,150 --> 01:01:32,819

but we do have a lot in our own and then

1756

01:01:36,890 --> 01:01:35,160

um outside of that is like looking at

1757

01:01:37,970 --> 01:01:36,900

these people and saying this is real to

1758

01:01:39,650 --> 01:01:37,980

you and it doesn't mean that it's

1759

01:01:41,270 --> 01:01:39,660

actually happened or not sorry my dog

1760

01:01:42,950 --> 01:01:41,280

it's actually doesn't mean it's happened

1761

01:01:44,630 --> 01:01:42,960

or not okay good it doesn't mean if it's

1762

01:01:47,150 --> 01:01:44,640

actually happened or not but for you

1763

01:01:49,370 --> 01:01:47,160

it's real and it's trauma and how how

1764

01:01:51,710 --> 01:01:49,380

can you find somebody that is going to

1765

01:01:53,870 --> 01:01:51,720

relate to your trauma that's said that

1766

01:01:55,970 --> 01:01:53,880

they've been abducted by aliens or

1767

01:01:58,549 --> 01:01:55,980

whatever it may be like that would be

1768

01:02:00,529 --> 01:01:58,559

petrifying and so for that person we

1769

01:02:02,870 --> 01:02:00,539

have to give them a place to talk about

1770

01:02:04,789 --> 01:02:02,880

it a place to have somewhere to feel

1771

01:02:06,890 --> 01:02:04,799

that they're included

1772

01:02:09,109 --> 01:02:06,900

um and wanted and understood because

1773

01:02:11,510 --> 01:02:09,119

even if it's real or not they still

1774

01:02:13,250 --> 01:02:11,520

deserve to have that and our community

1775

01:02:16,309 --> 01:02:13,260

has to give them that space to it

1776

01:02:17,690 --> 01:02:16,319

because when you neglect people from

1777

01:02:19,490 --> 01:02:17,700

feeling like they're part of something

1778

01:02:21,049 --> 01:02:19,500

or that they feel that their trauma

1779

01:02:23,029 --> 01:02:21,059

hasn't been dealt with you cause more

1780

01:02:24,710 --> 01:02:23,039

problems because of way more problems

1781

01:02:26,690 --> 01:02:24,720

when you get angry people and we don't

1782

01:02:28,370 --> 01:02:26,700

need angry people in here I think we

1783

01:02:30,529 --> 01:02:28,380

just need to give an ear be a little

1784

01:02:31,970 --> 01:02:30,539

more understanding and then if it's true

1785

01:02:33,349 --> 01:02:31,980

or not we'll find out at some point

1786

01:02:35,150 --> 01:02:33,359

because our science one day will point

1787

01:02:37,250 --> 01:02:35,160

to it and I really hope full of that

1788

01:02:39,230 --> 01:02:37,260

yeah and they did mention it that to Tim

1789

01:02:40,849 --> 01:02:39,240

last time that if one thing is true

1790

01:02:42,890 --> 01:02:40,859

let's say you're saying okay well these

1791

01:02:44,630 --> 01:02:42,900

vehicles are from entities of another

1792

01:02:47,089 --> 01:02:44,640

location

1793

01:02:48,829 --> 01:02:47,099

okay so that also gives validation to

1794

01:02:51,230 --> 01:02:48,839

all these other claims like the cattle

1795

01:02:52,609 --> 01:02:51,240

mutilation seen with these crafts and

1796

01:02:54,349 --> 01:02:52,619

then you got abductions that are seen

1797

01:02:55,970 --> 01:02:54,359

with these crafts so it gives validation

1798

01:02:58,010 --> 01:02:55,980

now to all those other things that

1799

01:02:59,569 --> 01:02:58,020

people have been saying it's not just

1800

01:03:01,789 --> 01:02:59,579

that yes these crafts are flying around

1801

01:03:03,950 --> 01:03:01,799

it's like yes they are doing stuff to

1802

01:03:07,130 --> 01:03:03,960

people and there's nothing we can do

1803

01:03:08,569 --> 01:03:07,140

about it that's the scary part I think

1804

01:03:10,010 --> 01:03:08,579

that's the part that they're afraid to

1805

01:03:11,150 --> 01:03:10,020

tell the public because the public put

1806

01:03:13,970 --> 01:03:11,160

so much

1807

01:03:16,010 --> 01:03:13,980

trust and security that you know like I

1808

01:03:19,430 --> 01:03:16,020

live in the United States you know I

1809

01:03:21,470 --> 01:03:19,440

shouldn't be abducted by aliens I live

1810

01:03:24,470 --> 01:03:21,480

right by a military base but that is

1811

01:03:26,450 --> 01:03:24,480

irrelevant they'll come and it's that's

1812

01:03:28,910 --> 01:03:26,460

that's a part that they can't protect us

1813

01:03:30,650 --> 01:03:28,920

and and whoever wants to say as a

1814

01:03:33,289 --> 01:03:30,660

government you know again don't work for

1815

01:03:36,289 --> 01:03:33,299

the government not a CIA agent but I can

1816

01:03:38,870 --> 01:03:36,299

imagine being that person that has to no

1817

01:03:41,690 --> 01:03:38,880

one wants to come forward and say oh by

1818

01:03:43,010 --> 01:03:41,700

the way they exist and uh they're going

1819

01:03:44,270 --> 01:03:43,020

to take you from your bedroom and

1820

01:03:45,770 --> 01:03:44,280

there's nothing you can do nothing you

1821

01:03:47,930 --> 01:03:45,780

can do about it or we can do about it

1822

01:03:50,150 --> 01:03:47,940

and by the way uh they've been doing it

1823

01:03:53,109 --> 01:03:50,160

for years like no one like even our own

1824

01:03:55,549 --> 01:03:53,119

guys get taken like right

1825

01:03:58,430 --> 01:03:55,559

exactly I don't think it's right I don't

1826
01:03:59,990 --> 01:03:58,440
think that because it's scary and I

1827
01:04:01,490 --> 01:04:00,000
understand why they wouldn't come out

1828
01:04:04,190 --> 01:04:01,500
and say that because it will cause Matt

1829
01:04:06,230 --> 01:04:04,200
that will cause Mass hysteria it would

1830
01:04:08,569 --> 01:04:06,240
people would be petrified to go to sleep

1831
01:04:10,549 --> 01:04:08,579
at night it's like ready cougar you know

1832
01:04:19,630 --> 01:04:10,559
you would not want to sleep like I

1833
01:04:24,650 --> 01:04:22,010
it's my neighbor Steve dressing up in a

1834
01:04:26,630 --> 01:04:24,660
costume again just hear the ground

1835
01:04:28,130 --> 01:04:26,640
no well here's the thing that's that's

1836
01:04:29,510 --> 01:04:28,140
what I'm worried about the most is that

1837
01:04:31,370 --> 01:04:29,520
something like that comes out and then

1838
01:04:32,690 --> 01:04:31,380

you got people that are like

1839

01:04:34,849 --> 01:04:32,700

you know you're mentioning about your

1840

01:04:36,170 --> 01:04:34,859

dad with the gun and the scope yeah

1841

01:04:38,390 --> 01:04:36,180

where people are actually trying to take

1842

01:04:40,250 --> 01:04:38,400

shots at these things now out of fear or

1843

01:04:41,990 --> 01:04:40,260

saying no I'm gonna Capture One or like

1844

01:04:43,670 --> 01:04:42,000

that is another thing that they're

1845

01:04:47,990 --> 01:04:43,680

worried about is like okay people

1846

01:04:50,329 --> 01:04:48,000

actually not uh becoming a vigilante but

1847

01:04:52,670 --> 01:04:50,339

you know on the border of like I'll I'll

1848

01:04:54,710 --> 01:04:52,680

be the first one to shoot one down man

1849

01:04:56,150 --> 01:04:54,720

the Army can't even shoot them down they

1850

01:04:57,650 --> 01:04:56,160

well probably successfully done it

1851
01:05:00,049 --> 01:04:57,660
probably once or twice but they have a

1852
01:05:01,970 --> 01:05:00,059
hard time so yeah I know we'll see where

1853
01:05:05,569 --> 01:05:01,980
this all goes I'm looking forward to the

1854
01:05:07,430 --> 01:05:05,579
June um release I I are you expecting

1855
01:05:10,130 --> 01:05:07,440
this to be like a holy [h__h] thing or are

1856
01:05:13,069 --> 01:05:10,140
you expected to just be a mild here's

1857
01:05:14,750 --> 01:05:13,079
some new information but yeah nothing

1858
01:05:16,190 --> 01:05:14,760
for some better photos like the photos

1859
01:05:18,829 --> 01:05:16,200
are great but I know they probably have

1860
01:05:20,690 --> 01:05:18,839
better ones or videos right or video

1861
01:05:23,210 --> 01:05:20,700
like we know they do it's not like

1862
01:05:24,890 --> 01:05:23,220
saying the debrief knows but I generally

1863
01:05:26,750 --> 01:05:24,900

I think the people in the community are

1864

01:05:29,870 --> 01:05:26,760

like you obviously have more photos that

1865

01:05:31,309 --> 01:05:29,880

you're not releasing yeah and uh slowly

1866

01:05:34,490 --> 01:05:31,319

releasing to us so we like more of those

1867

01:05:36,470 --> 01:05:34,500

like a clearer picture or a video to see

1868

01:05:37,609 --> 01:05:36,480

you know that's I think where we're I

1869

01:05:39,049 --> 01:05:37,619

think where we're going to go with that

1870

01:05:40,789 --> 01:05:39,059

they're probably going to ask for an

1871

01:05:42,529 --> 01:05:40,799

extension we've heard a lot of that in

1872

01:05:45,410 --> 01:05:42,539

the com in the in the conversation but

1873

01:05:47,690 --> 01:05:45,420

no I'm not holding my breath right

1874

01:05:50,210 --> 01:05:47,700

um I'm excited though that we're even at

1875

01:05:52,130 --> 01:05:50,220

this point though like just thankful

1876

01:05:53,870 --> 01:05:52,140

that we're at this point because I know

1877

01:05:56,750 --> 01:05:53,880

a lot like my dad and a lot of other

1878

01:05:59,029 --> 01:05:56,760

people are just like what is happening

1879

01:06:01,670 --> 01:05:59,039

like this is unbelievable your dad must

1880

01:06:03,410 --> 01:06:01,680

be very proud of you though I think so I

1881

01:06:08,029 --> 01:06:03,420

think my dad's like shocked because he's

1882

01:06:09,109 --> 01:06:08,039

like what like what like I think he's I

1883

01:06:12,289 --> 01:06:09,119

think he's I think he's a little

1884

01:06:14,029 --> 01:06:12,299

confused and shocked and you know it's

1885

01:06:15,349 --> 01:06:14,039

not that because this is such a

1886

01:06:17,089 --> 01:06:15,359

different it's not that he doesn't

1887

01:06:19,670 --> 01:06:17,099

understand this world He's Just Not So

1888

01:06:21,289 --> 01:06:19,680

public about it right and he'd rather be

1889

01:06:23,510 --> 01:06:21,299

quiet like he'll tell his friends and

1890

01:06:25,430 --> 01:06:23,520

talk about it with people that like UFOs

1891

01:06:28,309 --> 01:06:25,440

but he would never go out on a podcast

1892

01:06:29,930 --> 01:06:28,319

and talk about it openly right um and

1893

01:06:31,430 --> 01:06:29,940

share that like I actually asked him at

1894

01:06:32,870 --> 01:06:31,440

one time Discovery I was at a conference

1895

01:06:34,069 --> 01:06:32,880

the Discovery Channel I think it was

1896

01:06:36,589 --> 01:06:34,079

Discovery Channel

1897

01:06:38,750 --> 01:06:36,599

um it was it was a larger Outlet

1898

01:06:40,490 --> 01:06:38,760

um they wanted him to to come on and

1899

01:06:41,510 --> 01:06:40,500

they were like does he have a story and

1900

01:06:42,710 --> 01:06:41,520

I said dad do you like do you want to

1901

01:06:45,829 --> 01:06:42,720

tell it and somebody will draw a

1902

01:06:47,569 --> 01:06:45,839

rendering of what you talk about uh and

1903

01:06:49,849 --> 01:06:47,579

he was like nope I don't want any public

1904

01:06:51,349 --> 01:06:49,859

I don't want anyone to know I just like

1905

01:06:53,150 --> 01:06:51,359

the story's fine you can tell it but I

1906

01:06:54,829 --> 01:06:53,160

don't want anybody they don't want them

1907

01:06:56,690 --> 01:06:54,839

to know who I am and I said that's okay

1908

01:06:58,609 --> 01:06:56,700

that's fair you know and so I respect

1909

01:06:59,630 --> 01:06:58,619

for that yeah I have respect for it and

1910

01:07:01,849 --> 01:06:59,640

it's not because he's scared of the

1911

01:07:03,410 --> 01:07:01,859

ridicule anymore he just doesn't want

1912

01:07:05,150 --> 01:07:03,420

people to know who he is about it you

1913

01:07:07,130 --> 01:07:05,160

know he's not he's happy to talk about

1914

01:07:09,230 --> 01:07:07,140

it and fight in his own form of way of

1915

01:07:11,029 --> 01:07:09,240

you know for this topic but he doesn't

1916

01:07:13,010 --> 01:07:11,039

want to be public facing and that's okay

1917

01:07:14,750 --> 01:07:13,020

there's tons of people in every area for

1918

01:07:17,750 --> 01:07:14,760

us I'm just happy that he introduced me

1919

01:07:20,450 --> 01:07:17,760

to it and it's something that I'm very

1920

01:07:22,490 --> 01:07:20,460

lucky to have with my father that we we

1921

01:07:25,130 --> 01:07:22,500

get to hang out he's my buddy besides

1922

01:07:26,930 --> 01:07:25,140

being my dad he's my UFO buddy yeah and

1923

01:07:28,190 --> 01:07:26,940

that's it's very special to me with him

1924

01:07:29,990 --> 01:07:28,200

so

1925

01:07:32,770 --> 01:07:30,000

I hope my daughter grows up to be like

1926

01:07:35,690 --> 01:07:32,780

you that's that would be awesome

1927

01:07:37,849 --> 01:07:35,700

probably she will be if you've been to

1928

01:07:40,730 --> 01:07:37,859

UFOs yeah who knows yeah and I wonder if

1929

01:07:42,289 --> 01:07:40,740

I would be a UFOs if my dad was but you

1930

01:07:43,250 --> 01:07:42,299

know maybe I don't know maybe I wouldn't

1931

01:07:46,670 --> 01:07:43,260

be

1932

01:07:48,650 --> 01:07:46,680

that's the one thing I tell people too

1933

01:07:50,450 --> 01:07:48,660

is that some people like you know like

1934

01:07:51,950 --> 01:07:50,460

they just learn about it or they're like

1935

01:07:55,069 --> 01:07:51,960

did you ever think it's not real and I

1936

01:07:56,809 --> 01:07:55,079

said no I said I've my entire life UFOs

1937

01:08:00,170 --> 01:07:56,819

have been real to me they've never not

1938

01:08:02,990 --> 01:08:00,180

been real so I don't know a world where

1939

01:08:04,609 --> 01:08:03,000

the UFO narrative is not true

1940

01:08:06,289 --> 01:08:04,619

um so it's it's not that it's hard for

1941

01:08:09,410 --> 01:08:06,299

me to understand whether people's

1942

01:08:11,690 --> 01:08:09,420

perspective but I I do look at that as

1943

01:08:14,450 --> 01:08:11,700

something because I am been a Believer

1944

01:08:17,630 --> 01:08:14,460

my entire life yeah um it's different

1945

01:08:19,849 --> 01:08:17,640

than becoming a believer and the fact

1946

01:08:22,430 --> 01:08:19,859

that looking at it even if your dad did

1947

01:08:24,709 --> 01:08:22,440

not become vocal about the fact that he

1948

01:08:27,470 --> 01:08:24,719

was with you got you interested you are

1949

01:08:29,329 --> 01:08:27,480

now doing something about this

1950

01:08:31,010 --> 01:08:29,339

phenomenon you're a lot more active than

1951

01:08:33,890 --> 01:08:31,020

anybody else you know you're part of the

1952

01:08:36,289 --> 01:08:33,900

debrief now you got podcasts on the go

1953

01:08:38,390 --> 01:08:36,299

so that is something that you know even

1954

01:08:40,430 --> 01:08:38,400

this podcast like I said I might suck at

1955

01:08:43,189 --> 01:08:40,440

an investigator you might go through my

1956

01:08:45,229 --> 01:08:43,199

cases and go you know it's horrible this

1957

01:08:46,910 --> 01:08:45,239

guy can't investigate you know he's not

1958

01:08:49,669 --> 01:08:46,920

I would not say no but I'm saying like

1959

01:08:51,470 --> 01:08:49,679

you know even if I was but if the

1960

01:08:53,329 --> 01:08:51,480

podcast is able to motivate you know

1961

01:08:55,789 --> 01:08:53,339

somebody who can get out there and will

1962

01:08:57,590 --> 01:08:55,799

actually do something really good then I

1963

01:09:00,289 --> 01:08:57,600

feel like I've contributed somehow just

1964

01:09:02,570 --> 01:09:00,299

to get somebody off the couch to sort of

1965

01:09:05,749 --> 01:09:02,580

just join the gang right and that really

1966

01:09:07,849 --> 01:09:05,759

was I feel there's a place yeah yeah I

1967

01:09:09,649 --> 01:09:07,859

think for everybody yeah it's a big

1968

01:09:11,630 --> 01:09:09,659

world and they're everywhere so

1969

01:09:13,130 --> 01:09:11,640

oh yeah and everyone has a place in

1970

01:09:16,189 --> 01:09:13,140

certain communities and I'm just

1971

01:09:17,450 --> 01:09:16,199

thankful that the the UFO Community has

1972

01:09:19,729 --> 01:09:17,460

been has been mine they've been really

1973

01:09:21,050 --> 01:09:19,739

wonderful to me and I said to my dad we

1974

01:09:23,769 --> 01:09:21,060

went to the first conference I was like

1975

01:09:26,149 --> 01:09:23,779

Dad these are our people

1976

01:09:27,890 --> 01:09:26,159

and I was like I feel like I'm at home

1977

01:09:29,510 --> 01:09:27,900

like I just laughed because I was like I

1978

01:09:32,030 --> 01:09:29,520

feel I feel right at home I'm like and

1979

01:09:33,410 --> 01:09:32,040

I'm fortunate because some people I

1980

01:09:35,269 --> 01:09:33,420

think look for other communities that

1981

01:09:37,849 --> 01:09:35,279

they want to you know have friendships

1982

01:09:39,829 --> 01:09:37,859

in and and learn and involve together

1983

01:09:41,450 --> 01:09:39,839

and do things and I think I'm very happy

1984

01:09:43,249 --> 01:09:41,460

that I've that I've got them this in

1985

01:09:46,249 --> 01:09:43,259

this community it was a really amazing

1986

01:09:47,749 --> 01:09:46,259

people that I get along with and we'll

1987

01:09:49,789 --> 01:09:47,759

hopefully be friends with the rest of my

1988

01:09:51,769 --> 01:09:49,799

life if I'm researching or not or

1989

01:09:52,789 --> 01:09:51,779

working with the debrief or not so I

1990

01:09:53,809 --> 01:09:52,799

don't think it's this is ever if

1991

01:09:58,120 --> 01:09:53,819

anything is just going to be probably

1992

01:09:58,130 --> 01:10:07,209
