UAP STUDIES
PODCAST

1
00:00:07,359 --> 00:00:11,070

so

2
00:00:25,589 --> 00:00:19,120

[Music]

3
00:00:30,710 --> 00:00:27,509

well welcome back to another fantastic

4
00:00:33,350 --> 00:00:30,720

episode of uap studies uh i'm jason

5
00:00:35,590 --> 00:00:33,360

gilmet louis borges is on vacation this

6
00:00:38,790 --> 00:00:35,600

week but he'll be with us on the next

7
00:00:41,110 --> 00:00:38,800

episode today we have paola harris who's

8
00:00:43,430 --> 00:00:41,120

joining us uh we're going to talk about

9
00:00:45,990 --> 00:00:43,440

her incredible career her work that

10
00:00:48,229 --> 00:00:46,000

she's currently working on uh i totally

11
00:00:51,189 --> 00:00:48,239

ripped off the intro from the gaia

12
00:00:52,790 --> 00:00:51,199

website for uh because i thought it was

13
00:00:55,029 --> 00:00:52,800

well written i thought why not just say

14

00:00:56,709 --> 00:00:55,039

it so paula harris is an italian

15

00:00:58,630 --> 00:00:56,719

american photojournalist and

16

00:01:00,630 --> 00:00:58,640

investigative reporter in the field of

17

00:01:02,790 --> 00:01:00,640

extraterrestrial related phenomenon

18

00:01:04,789 --> 00:01:02,800

research she is widely published

19

00:01:07,510 --> 00:01:04,799

freelancer writer who has studied this

20

00:01:09,270 --> 00:01:07,520

phenomenon since 1979 and is on a

21

00:01:11,590 --> 00:01:09,280

personal terms with many of the leading

22

00:01:13,670 --> 00:01:11,600

researchers in the field paola is the

23

00:01:16,390 --> 00:01:13,680

author of six books and producer of the

24

00:01:18,630 --> 00:01:16,400

annual star works usa conference so

25

00:01:20,789 --> 00:01:18,640

paola i'd like to uh welcome you to uip

26

00:01:23,830 --> 00:01:20,799

studies again it's fantastic to have you

27

00:01:26,310 --> 00:01:23,840

on well it's fantastic to be here and

28

00:01:27,590 --> 00:01:26,320

and it's so exciting uh you know you

29

00:01:29,270 --> 00:01:27,600

were just telling me that you're

30

00:01:32,310 --> 00:01:29,280

enjoying the summer well i'm enjoying

31

00:01:35,030 --> 00:01:32,320

the summer but i'm always working this

32

00:01:37,749 --> 00:01:35,040

is this is uh like a passion for me this

33

00:01:39,190 --> 00:01:37,759

is what got me started and

34

00:01:41,109 --> 00:01:39,200

uh so

35

00:01:43,910 --> 00:01:41,119

you know it's really really nice to

36

00:01:46,069 --> 00:01:43,920

speak to you and your audience and also

37

00:01:48,789 --> 00:01:46,079

my mother was born in canada like i told

38

00:01:51,830 --> 00:01:48,799

you my mom was born in stratford ontario

39

00:01:54,469 --> 00:01:51,840

so nice i've got canadian roots sort of

40

00:01:56,870 --> 00:01:54,479

my first school was in stratford ontario

41

00:01:59,109 --> 00:01:56,880

the canadian connection i love it

42

00:02:01,270 --> 00:01:59,119

yeah we looking at the stats for the

43

00:02:04,389 --> 00:02:01,280

podcast a lot of our listeners are from

44

00:02:05,990 --> 00:02:04,399

america at least um like 54 percent uh

45

00:02:07,749 --> 00:02:06,000

we have a few from canada but i'm trying

46

00:02:09,749 --> 00:02:07,759

to encourage more canadians to get onto

47

00:02:11,110 --> 00:02:09,759

the subject because uh you know i'm

48

00:02:12,790 --> 00:02:11,120

trying to keep up with the statsman

49

00:02:14,790 --> 00:02:12,800

states obviously there's more people in

50

00:02:16,309 --> 00:02:14,800

the united states and canada i

51
00:02:18,070 --> 00:02:16,319
understand that so the stats would be a

52
00:02:20,390 --> 00:02:18,080
little bit higher but uh yeah trying to

53
00:02:21,190 --> 00:02:20,400
get canadians motivated on the subject

54
00:02:22,470 --> 00:02:21,200
here

55
00:02:24,710 --> 00:02:22,480
uh today

56
00:02:26,710 --> 00:02:24,720
i want to talk to you um basically learn

57
00:02:29,350 --> 00:02:26,720
a little bit more about you um you know

58
00:02:31,670 --> 00:02:29,360
your roots in ufology how you got

59
00:02:33,270 --> 00:02:31,680
started in it uh wondering if you know i

60
00:02:35,190 --> 00:02:33,280
normally ask people have you had an

61
00:02:37,110 --> 00:02:35,200
experience when you were a kid you know

62
00:02:39,190 --> 00:02:37,120
what really started this because it is

63
00:02:40,869 --> 00:02:39,200

an obsession at some point uh to

64

00:02:42,309 --> 00:02:40,879

continue you know

65

00:02:44,229 --> 00:02:42,319

especially through the years that you've

66

00:02:47,110 --> 00:02:44,239

done this these investigations there was

67

00:02:49,589 --> 00:02:47,120

a lot of stigma a lot of ridicule that

68

00:02:51,350 --> 00:02:49,599

came along with that so how did you get

69

00:02:53,110 --> 00:02:51,360

started in all of this

70

00:02:55,270 --> 00:02:53,120

well first of all i have a master's in

71

00:02:57,110 --> 00:02:55,280

education so i'm a teacher i've been

72

00:02:58,070 --> 00:02:57,120

teaching high school english for 40

73

00:03:00,309 --> 00:02:58,080

years

74

00:03:03,270 --> 00:03:00,319

and i didn't i choose this i didn't have

75

00:03:05,030 --> 00:03:03,280

an experience what happened was i i

76
00:03:07,470 --> 00:03:05,040
watched the movie close encounters of

77
00:03:10,309 --> 00:03:07,480
the third kind in

78
00:03:12,710 --> 00:03:10,319
1979 and i was teaching a class in

79
00:03:15,350 --> 00:03:12,720
science fiction and when i watched it it

80
00:03:18,390 --> 00:03:15,360
gave me an emotional reaction now i

81
00:03:21,350 --> 00:03:18,400
never believed that i would ever work

82
00:03:24,309 --> 00:03:21,360
with jay allen heineck for six years and

83
00:03:27,030 --> 00:03:24,319
at the last five years of my career now

84
00:03:29,589 --> 00:03:27,040
work with jacques villain and

85
00:03:31,110 --> 00:03:29,599
that is all pre-programmed something

86
00:03:34,149 --> 00:03:31,120
from somewhere

87
00:03:35,910 --> 00:03:34,159
but i went to to a wedding in evanston

88
00:03:37,910 --> 00:03:35,920

illinois after i saw the film i had an

89

00:03:40,949 --> 00:03:37,920

emotional reaction to it i wasn't

90

00:03:43,589 --> 00:03:40,959

interested in ufos necessarily but when

91

00:03:46,710 --> 00:03:43,599

i walked into the center for ufo studies

92

00:03:48,710 --> 00:03:46,720

in evanston illinois um

93

00:03:50,710 --> 00:03:48,720

alan heineck happened to be there came

94

00:03:53,350 --> 00:03:50,720

from around the corner with his pipe his

95

00:03:56,229 --> 00:03:53,360

famous pipe and he said to me i hear you

96

00:03:58,149 --> 00:03:56,239

speak italian and i am italian my father

97

00:03:59,990 --> 00:03:58,159

was the italian council for the state of

98

00:04:02,869 --> 00:04:00,000

rhode island i was born in italy and

99

00:04:05,030 --> 00:04:02,879

i've lived in italy and and i said he's

100

00:04:07,429 --> 00:04:05,040

i said yeah i speak italian i'm italian

101
00:04:10,390 --> 00:04:07,439
he said well will you work with me and

102
00:04:13,350 --> 00:04:10,400
six years of my life i've worked i

103
00:04:15,990 --> 00:04:13,360
worked with dr jalen heineck became a

104
00:04:19,590 --> 00:04:16,000
member alike of his family with mimi his

105
00:04:23,030 --> 00:04:19,600
wife today i i consider paul heineck my

106
00:04:24,950 --> 00:04:23,040
son i knew the kids and what uh what

107
00:04:27,909 --> 00:04:24,960
happened is when you're working with an

108
00:04:29,909 --> 00:04:27,919
astronomer especially astronomer that i

109
00:04:31,430 --> 00:04:29,919
started out as a skeptic

110
00:04:33,189 --> 00:04:31,440
it's not a matter of belief we're not

111
00:04:35,350 --> 00:04:33,199
dealing with beliefs so do you believe

112
00:04:38,230 --> 00:04:35,360
in ufos is stupid

113
00:04:40,710 --> 00:04:38,240

it's data you have to look at the data

114

00:04:42,390 --> 00:04:40,720

uh the data that comes in of course

115

00:04:45,590 --> 00:04:42,400

hynek worked with blue book

116

00:04:48,550 --> 00:04:45,600

so he's got blue book data plus he

117

00:04:51,270 --> 00:04:48,560

changed his mind about

118

00:04:53,830 --> 00:04:51,280

uh ufos when he did the lonnie zamora

119

00:04:56,710 --> 00:04:53,840

case that's in our book trinity people

120

00:04:59,110 --> 00:04:56,720

should read the new revised version

121

00:05:02,390 --> 00:04:59,120

because it talks about the case in

122

00:05:05,909 --> 00:05:02,400

socorro with lonnie zamora the trooper

123

00:05:08,390 --> 00:05:05,919

besides the 1945 case and i didn't know

124

00:05:11,510 --> 00:05:08,400

that until i met jacques villa years

125

00:05:14,150 --> 00:05:11,520

later when i was working on the 1945

126

00:05:15,189 --> 00:05:14,160

case i had been working on it for uh

127

00:05:17,510 --> 00:05:15,199

uh

128

00:05:19,430 --> 00:05:17,520

for a number of years for five years and

129

00:05:21,430 --> 00:05:19,440

then jog knew there was metal connected

130

00:05:23,749 --> 00:05:21,440

so he with it because the little boy

131

00:05:27,270 --> 00:05:23,759

went inside the craft and pulled off

132

00:05:28,150 --> 00:05:27,280

a handle or something from the wall

133

00:05:30,710 --> 00:05:28,160

and

134

00:05:34,390 --> 00:05:30,720

so what happened was that

135

00:05:37,670 --> 00:05:34,400

i began with heinek who's an astronomer

136

00:05:38,629 --> 00:05:37,680

i'm working with valet who's a scientist

137

00:05:40,390 --> 00:05:38,639

so

138

00:05:41,270 --> 00:05:40,400

it's real

139

00:05:44,150 --> 00:05:41,280

right

140

00:05:46,870 --> 00:05:44,160

and and the scientific process is very

141

00:05:47,830 --> 00:05:46,880

much there which i think is important

142

00:05:49,830 --> 00:05:47,840

because

143

00:05:51,350 --> 00:05:49,840

you mentioned jaylen heineck sort of

144

00:05:53,830 --> 00:05:51,360

showed you the ropes

145

00:05:56,550 --> 00:05:53,840

on the scientific process i think i've

146

00:05:58,469 --> 00:05:56,560

heard that through another podcast but

147

00:05:59,350 --> 00:05:58,479

what was it that he taught you like what

148

00:06:01,510 --> 00:05:59,360

was

149

00:06:03,990 --> 00:06:01,520

what's the lesson that you can pass on

150

00:06:06,950 --> 00:06:04,000

that he taught you i like that question

151

00:06:09,510 --> 00:06:06,960

thanks for asking that you tell me to

152

00:06:10,950 --> 00:06:09,520

listen and not make judgments right you

153

00:06:12,629 --> 00:06:10,960

know and i've met too many of my

154

00:06:14,950 --> 00:06:12,639

colleagues who make a judgment before

155

00:06:16,950 --> 00:06:14,960

they even look at the case or to make a

156

00:06:18,710 --> 00:06:16,960

judgment when you open your mouth

157

00:06:20,309 --> 00:06:18,720

and you can't do that he taught me to

158

00:06:21,430 --> 00:06:20,319

listen because i wasn't a very good

159

00:06:23,909 --> 00:06:21,440

listener

160

00:06:26,070 --> 00:06:23,919

and so when i would go with him and the

161

00:06:27,909 --> 00:06:26,080

contact he started to tell their stories

162

00:06:29,350 --> 00:06:27,919

i used to nudge him and say they're

163

00:06:31,909 --> 00:06:29,360

crazy they're crazy why are you

164

00:06:33,430 --> 00:06:31,919

listening to these people

165

00:06:34,390 --> 00:06:33,440

he used to say

166

00:06:37,510 --> 00:06:34,400

no

167

00:06:40,469 --> 00:06:37,520

you say paula you have to hear

168

00:06:43,029 --> 00:06:40,479

everything everybody's saying because

169

00:06:44,150 --> 00:06:43,039

that's the only way you can connect the

170

00:06:46,390 --> 00:06:44,160

dots

171

00:06:49,830 --> 00:06:46,400

and so what did he teach me he taught me

172

00:06:51,670 --> 00:06:49,840

to be a good listener so over the years

173

00:06:54,710 --> 00:06:51,680

and i've been working at this for 40

174

00:06:55,909 --> 00:06:54,720

years all over the world in italy

175

00:06:59,110 --> 00:06:55,919

france

176
00:07:01,510 --> 00:06:59,120
in in south america now i've learned to

177
00:07:05,589 --> 00:07:01,520
listen and to connect dots

178
00:07:08,629 --> 00:07:05,599
so i think in my old age and i'm 77

179
00:07:10,150 --> 00:07:08,639
i think in my old age i can really say

180
00:07:12,390 --> 00:07:10,160
that i have

181
00:07:14,710 --> 00:07:12,400
connected some dots and

182
00:07:17,189 --> 00:07:14,720
seen the whole entire picture and not

183
00:07:19,909 --> 00:07:17,199
just the media circus

184
00:07:22,230 --> 00:07:19,919
which i consider a media circus that we

185
00:07:25,189 --> 00:07:22,240
have here in the in the united states i

186
00:07:28,230 --> 00:07:25,199
mean there's so much more out there

187
00:07:30,870 --> 00:07:28,240
than people can ever imagine

188
00:07:33,670 --> 00:07:30,880

with sightings with contact with a lot

189

00:07:35,589 --> 00:07:33,680

of stuff and have i grown up a lot yeah

190

00:07:37,270 --> 00:07:35,599

because when i was working with heineck

191

00:07:38,150 --> 00:07:37,280

i didn't even care what was inside the

192

00:07:40,790 --> 00:07:38,160

craft

193

00:07:42,950 --> 00:07:40,800

and and even with the uap that we're

194

00:07:45,589 --> 00:07:42,960

changing the name it's still ufo but i

195

00:07:47,430 --> 00:07:45,599

mean the uap stuff they're interested

196

00:07:49,589 --> 00:07:47,440

only in the craft they're not interested

197

00:07:53,029 --> 00:07:49,599

in what's inside the craft and it took

198

00:07:55,670 --> 00:07:53,039

me a long time to even go there because

199

00:07:57,510 --> 00:07:55,680

mentally i couldn't go there

200

00:07:58,950 --> 00:07:57,520

so what was it that that stopped you

201
00:08:01,110 --> 00:07:58,960
from going there like thinking about the

202
00:08:04,150 --> 00:08:01,120
entities on the craft like

203
00:08:06,710 --> 00:08:04,160
it changes my whole reality i mean

204
00:08:09,589 --> 00:08:06,720
i thought i knew what was real i knew i

205
00:08:12,309 --> 00:08:09,599
thought i knew what was capable what we

206
00:08:14,550 --> 00:08:12,319
were capable of i thought i knew what

207
00:08:16,150 --> 00:08:14,560
world we were living in and you and i

208
00:08:17,589 --> 00:08:16,160
were just talking about time travel a

209
00:08:20,150 --> 00:08:17,599
few minutes ago

210
00:08:22,070 --> 00:08:20,160
and you go wrap your mind around that

211
00:08:23,670 --> 00:08:22,080
you know it's it's

212
00:08:26,309 --> 00:08:23,680
for me

213
00:08:28,469 --> 00:08:26,319

a shattering of my reality and the only

214

00:08:31,670 --> 00:08:28,479

way i can describe it

215

00:08:34,389 --> 00:08:31,680

is i was very close to john mack very

216

00:08:37,029 --> 00:08:34,399

close to him i had him come to my house

217

00:08:39,670 --> 00:08:37,039

and i was his interpreter for him i

218

00:08:41,190 --> 00:08:39,680

brought him to florence to speak

219

00:08:43,670 --> 00:08:41,200

and he said to me

220

00:08:45,190 --> 00:08:43,680

uh after many many years he said you

221

00:08:47,990 --> 00:08:45,200

know we have to accommodate our

222

00:08:49,430 --> 00:08:48,000

worldview to accommodate this phenomenon

223

00:08:51,990 --> 00:08:49,440

which means you have to change the way

224

00:08:54,070 --> 00:08:52,000

you think okay whether you like it or

225

00:08:56,949 --> 00:08:54,080

not you can't fit it into a religious

226

00:08:59,269 --> 00:08:56,959

box can't fit it into a you know

227

00:09:02,230 --> 00:08:59,279

reptilian uh

228

00:09:04,230 --> 00:09:02,240

nordic a gray box because it's so much

229

00:09:06,310 --> 00:09:04,240

more i mean look at james fox's film

230

00:09:08,790 --> 00:09:06,320

that's coming out on virginia this year

231

00:09:11,670 --> 00:09:08,800

where are you gonna fit that in so the

232

00:09:14,310 --> 00:09:11,680

thing is that he told me to accommodate

233

00:09:16,550 --> 00:09:14,320

my world view and it's not easy just

234

00:09:19,269 --> 00:09:16,560

trust me it's not easy so it took me a

235

00:09:21,590 --> 00:09:19,279

long long long time

236

00:09:23,269 --> 00:09:21,600

right and now you've come to that you

237

00:09:24,790 --> 00:09:23,279

know because with your investigations

238

00:09:26,550 --> 00:09:24,800

that you've done not only that you're

239

00:09:29,110 --> 00:09:26,560

connected to everybody like i've seen

240

00:09:31,829 --> 00:09:29,120

you interview uh ross colthard just for

241

00:09:34,710 --> 00:09:31,839

instance uh paul hellyer uh which you

242

00:09:37,110 --> 00:09:34,720

know he passed away recently um clifford

243

00:09:39,829 --> 00:09:37,120

stone james fox paul heineck and joe

244

00:09:41,269 --> 00:09:39,839

heineck uh you've done expeditions uh

245

00:09:42,790 --> 00:09:41,279

you're pretty much the female indiana

246

00:09:44,630 --> 00:09:42,800

jones of uap

247

00:09:46,470 --> 00:09:44,640

research right uh

248

00:09:49,190 --> 00:09:46,480

yes and i ended up in the hospital in

249

00:09:51,590 --> 00:09:49,200

the andes in

250

00:09:54,389 --> 00:09:51,600

i've been peru i've been to the atacama

251

00:09:56,230 --> 00:09:54,399

desert with ricardo gonzalez twice but

252

00:09:57,750 --> 00:09:56,240

that's where the et's are i mean that's

253

00:09:59,190 --> 00:09:57,760

where the craft is you want to go where

254

00:10:01,350 --> 00:09:59,200

the craft lands you want to go with

255

00:10:04,069 --> 00:10:01,360

rafters you have to go and camp out in

256

00:10:05,829 --> 00:10:04,079

the desert for four days you know i i've

257

00:10:08,710 --> 00:10:05,839

been to bogota colombia i've been to

258

00:10:11,990 --> 00:10:08,720

argentina i've been northern italy i did

259

00:10:13,990 --> 00:10:12,000

the whole um friendship case uh you name

260

00:10:16,829 --> 00:10:14,000

it i did it i went to see billy meyer

261

00:10:20,470 --> 00:10:16,839

and it is real in switzerland

262

00:10:23,110 --> 00:10:20,480

uh yeah you know i i did it all and the

263

00:10:25,670 --> 00:10:23,120

reason why i did it is not for money

264

00:10:27,430 --> 00:10:25,680

it's cost me a mint that's why my

265

00:10:29,910 --> 00:10:27,440

colleagues don't do field research

266

00:10:32,630 --> 00:10:29,920

because it's so expensive right now it

267

00:10:35,670 --> 00:10:32,640

cost me all the money i i that that i

268

00:10:38,230 --> 00:10:35,680

taught that i used for teaching

269

00:10:40,470 --> 00:10:38,240

that i was paid for teaching school

270

00:10:43,269 --> 00:10:40,480

that's where it came from but the thing

271

00:10:46,150 --> 00:10:43,279

is this that i that that

272

00:10:47,670 --> 00:10:46,160

i can't make a judgment on anything that

273

00:10:50,310 --> 00:10:47,680

you asked me on

274

00:10:52,790 --> 00:10:50,320

if unless i went and researched it so i

275

00:10:54,470 --> 00:10:52,800

won't do opinion off the top of my head

276

00:10:55,910 --> 00:10:54,480

if you ask me about the billy meyer

277

00:10:57,829 --> 00:10:55,920

cases because i went there and spent

278

00:11:00,630 --> 00:10:57,839

three days there and dealt with that

279

00:11:02,630 --> 00:11:00,640

whole situation or you ask me about

280

00:11:04,310 --> 00:11:02,640

south america it's because i went there

281

00:11:06,630 --> 00:11:04,320

and if you ask me about you know the

282

00:11:09,670 --> 00:11:06,640

yummy cheese case by the way i also did

283

00:11:11,350 --> 00:11:09,680

the chilean amici friendship case

284

00:11:13,430 --> 00:11:11,360

because i interviewed

285

00:11:17,030 --> 00:11:13,440

the people in chile that were talking to

286

00:11:17,910 --> 00:11:17,040

the et's down there and uh you know and

287

00:11:21,269 --> 00:11:17,920

and

288

00:11:23,829 --> 00:11:21,279

i i i need to know it's the reason why i

289

00:11:26,389 --> 00:11:23,839

did it is because i need to know right

290

00:11:29,590 --> 00:11:26,399

and so all my books

291

00:11:32,069 --> 00:11:29,600

uh all my books are only interviews

292

00:11:34,310 --> 00:11:32,079

they're not my what i think or you know

293

00:11:36,949 --> 00:11:34,320

what conclusions i've come to

294

00:11:39,750 --> 00:11:36,959

because my belief system is if you study

295

00:11:42,790 --> 00:11:39,760

this like an academic subject and not on

296

00:11:44,790 --> 00:11:42,800

internet right i had if i had students

297

00:11:47,509 --> 00:11:44,800

today and they gave me internet stuff on

298

00:11:48,870 --> 00:11:47,519

their research papers i give them an f

299

00:11:50,790 --> 00:11:48,880

you know if you're doing a research

300

00:11:53,430 --> 00:11:50,800

paper on einstein you better read his

301

00:11:56,790 --> 00:11:53,440

stuff right or on clifford stone you

302

00:11:58,710 --> 00:11:56,800

better read his book eyes only are on

303

00:12:00,949 --> 00:11:58,720

paul hellyer and who was a very good

304

00:12:03,910 --> 00:12:00,959

friend of mine by the way very very

305

00:12:06,790 --> 00:12:03,920

close and clifford who passed on also

306

00:12:10,069 --> 00:12:06,800

but you know the thing is that what i

307

00:12:12,710 --> 00:12:10,079

came to conclusion of is hanging around

308

00:12:14,870 --> 00:12:12,720

with these people hanging around with a

309

00:12:18,230 --> 00:12:14,880

clifford stone hanging around uh you

310

00:12:20,629 --> 00:12:18,240

know with a dan burris or a um i'm

311

00:12:22,710 --> 00:12:20,639

trying to think of other people al bilik

312

00:12:25,990 --> 00:12:22,720

the philadelphia experiment i did all of

313

00:12:27,990 --> 00:12:26,000

that right and i wha why i have to do

314

00:12:30,470 --> 00:12:28,000

that and if this is logical what i'm

315

00:12:32,949 --> 00:12:30,480

telling people is i can tell whether

316

00:12:34,069 --> 00:12:32,959

somebody's lying to me or not

317

00:12:35,110 --> 00:12:34,079

because

318

00:12:36,949 --> 00:12:35,120

even though they're telling me

319

00:12:38,550 --> 00:12:36,959

outrageous things the dan burris case i

320

00:12:41,190 --> 00:12:38,560

had to go back and see him three times

321

00:12:43,910 --> 00:12:41,200

before i decided to do it

322

00:12:45,190 --> 00:12:43,920

because in the first two times i just

323

00:12:47,750 --> 00:12:45,200

it just

324

00:12:50,389 --> 00:12:47,760

it was so outrageous i i couldn't wrap

325

00:12:51,710 --> 00:12:50,399

my head around it but then i have to let

326
00:12:54,389 --> 00:12:51,720
go of

327
00:12:56,710 --> 00:12:54,399
preconceived notions

328
00:12:59,110 --> 00:12:56,720
for the truth to come out because

329
00:13:02,230 --> 00:12:59,120
you know this is too bizarre all of it's

330
00:13:03,350 --> 00:13:02,240
too weird you know it yeah

331
00:13:05,350 --> 00:13:03,360
well i often

332
00:13:06,470 --> 00:13:05,360
you know have mentioned that it could be

333
00:13:12,310 --> 00:13:06,480
extra

334
00:13:14,230 --> 00:13:12,320
mentioned before

335
00:13:15,829 --> 00:13:14,240
or it could be all of the above that's

336
00:13:18,150 --> 00:13:15,839
the scary bit

337
00:13:20,550 --> 00:13:18,160
right it could be all of the above and

338
00:13:22,470 --> 00:13:20,560

that's a scarier situation to be in

339

00:13:24,470 --> 00:13:22,480

because you really have there's nothing

340

00:13:26,069 --> 00:13:24,480

that we can do about it right oh well

341

00:13:27,990 --> 00:13:26,079

there's nothing you can ever do but i

342

00:13:29,670 --> 00:13:28,000

know what people are thinking i don't

343

00:13:31,670 --> 00:13:29,680

know even the people that are talking

344

00:13:33,269 --> 00:13:31,680

about government stuff what are they

345

00:13:35,030 --> 00:13:33,279

thinking they can't

346

00:13:36,550 --> 00:13:35,040

they never did they never could do

347

00:13:40,069 --> 00:13:36,560

anything about it they can't do anything

348

00:13:42,310 --> 00:13:40,079

about it yeah it is because and and the

349

00:13:44,550 --> 00:13:42,320

reason why i think is apart from the

350

00:13:47,189 --> 00:13:44,560

fact that nobody gets together and talks

351

00:13:49,269 --> 00:13:47,199

about it it's all compartmentalized is

352

00:13:52,069 --> 00:13:49,279

that nobody studies studies it like you

353

00:13:53,829 --> 00:13:52,079

would study an academic subject in other

354

00:13:55,189 --> 00:13:53,839

words nobody reads the books they go on

355

00:13:58,230 --> 00:13:55,199

internet and get their truth which is

356

00:14:00,069 --> 00:13:58,240

ridiculous right uh they if they would

357

00:14:03,269 --> 00:14:00,079

go to the beginning

358

00:14:06,150 --> 00:14:03,279

uh and read you know john keel read all

359

00:14:08,870 --> 00:14:06,160

heinrich's books jacqueline's diaries

360

00:14:10,790 --> 00:14:08,880

have everything in them uh and i've had

361

00:14:12,389 --> 00:14:10,800

a lot of conversations with jack he has

362

00:14:15,110 --> 00:14:12,399

a little bit of a different perspective

363

00:14:16,790 --> 00:14:15,120

in that he thinks that it has to do with

364

00:14:18,069 --> 00:14:16,800

our consciousness that whatever is out

365

00:14:20,629 --> 00:14:18,079

there is trying to get us to pay

366

00:14:23,350 --> 00:14:20,639

attention right so that we grow up so

367

00:14:25,670 --> 00:14:23,360

that we grow up and i agree with that i

368

00:14:27,590 --> 00:14:25,680

i do because of the weirdness attached

369

00:14:29,750 --> 00:14:27,600

to it um

370

00:14:32,949 --> 00:14:29,760

it's not just people coming from other

371

00:14:34,069 --> 00:14:32,959

countries and i mean other planets and

372

00:14:36,230 --> 00:14:34,079

you know

373

00:14:38,550 --> 00:14:36,240

hybrid babies and all this other stuff

374

00:14:39,430 --> 00:14:38,560

in the mythology it's not that simple

375

00:14:41,509 --> 00:14:39,440

right

376

00:14:43,030 --> 00:14:41,519

these visitations have started since the

377

00:14:45,269 --> 00:14:43,040

beginning of time

378

00:14:47,910 --> 00:14:45,279

and you people should be watching the

379

00:14:50,069 --> 00:14:47,920

ancient aliens and stuff because if you

380

00:14:51,509 --> 00:14:50,079

can look at

381

00:14:53,670 --> 00:14:51,519

the attempts

382

00:14:55,750 --> 00:14:53,680

to raise the consciousness of this

383

00:14:58,389 --> 00:14:55,760

planet

384

00:14:59,910 --> 00:14:58,399

we get an f man we're back in the cold

385

00:15:02,310 --> 00:14:59,920

war right now

386

00:15:03,990 --> 00:15:02,320

so we talk in individual consciousness

387

00:15:06,230 --> 00:15:04,000

are we talking about a social

388

00:15:07,509 --> 00:15:06,240

consciousness like more of a global

389

00:15:09,269 --> 00:15:07,519

consciousness

390

00:15:11,990 --> 00:15:09,279

like what what are we do you think to

391

00:15:13,910 --> 00:15:12,000

deal with a species consciousness i

392

00:15:14,550 --> 00:15:13,920

believe that whatever is coming here has

393

00:15:16,389 --> 00:15:14,560

a

394

00:15:18,470 --> 00:15:16,399

uh collective consciousness in other

395

00:15:19,269 --> 00:15:18,480

words they do what's good for everybody

396

00:15:21,590 --> 00:15:19,279

right

397

00:15:23,590 --> 00:15:21,600

uh we're an experiment in free will so

398

00:15:25,670 --> 00:15:23,600

we do what's good for number one right

399

00:15:27,750 --> 00:15:25,680

and that means kill each other you know

400

00:15:29,990 --> 00:15:27,760

all the stuff we do to our kids i mean

401
00:15:32,710 --> 00:15:30,000
everything that we do to the planet

402
00:15:34,790 --> 00:15:32,720
and i think that we're an experiment and

403
00:15:37,590 --> 00:15:34,800
i think that what happens is that

404
00:15:38,870 --> 00:15:37,600
whoever whatever is coming here is

405
00:15:41,990 --> 00:15:38,880
trying to see if we're going to make it

406
00:15:42,870 --> 00:15:42,000
or not so their attempt to

407
00:15:46,470 --> 00:15:42,880
to

408
00:15:49,269 --> 00:15:46,480
whatever is hey there's more out there

409
00:15:50,949 --> 00:15:49,279
than you think in your reality

410
00:15:53,509 --> 00:15:50,959
not that you go and make a whole bunch

411
00:15:55,030 --> 00:15:53,519
of money off it and you know you just

412
00:15:57,030 --> 00:15:55,040
you know becomes about you and

413
00:15:59,430 --> 00:15:57,040

everything they're saying no

414

00:16:01,990 --> 00:15:59,440

species human species

415

00:16:02,949 --> 00:16:02,000

either you wake up or this planet is

416

00:16:06,150 --> 00:16:02,959

toast

417

00:16:08,629 --> 00:16:06,160

right and and and we've told you all the

418

00:16:11,350 --> 00:16:08,639

messages from the contactees all of them

419

00:16:15,590 --> 00:16:11,360

in latin america are ecological

420

00:16:16,629 --> 00:16:15,600

all of them in 1945 the message was

421

00:16:19,509 --> 00:16:16,639

atomic

422

00:16:22,150 --> 00:16:19,519

and i and in arcade in in trinity which

423

00:16:24,230 --> 00:16:22,160

i hope people read the revised version

424

00:16:25,829 --> 00:16:24,240

remy who's six years old is getting a

425

00:16:28,230 --> 00:16:25,839

vision when he's looking at the beings

426
00:16:30,069 --> 00:16:28,240
when they go up to the craft because the

427
00:16:31,189 --> 00:16:30,079
the beings they see them sliding back

428
00:16:33,749 --> 00:16:31,199
and forth

429
00:16:35,670 --> 00:16:33,759
he gets a vision of 911 if people

430
00:16:36,710 --> 00:16:35,680
falling out of skyscrapers at six years

431
00:16:38,870 --> 00:16:36,720
old well

432
00:16:41,030 --> 00:16:38,880
first of all he never saw a skyscraper

433
00:16:43,269 --> 00:16:41,040
on his whole entire life so this vision

434
00:16:45,990 --> 00:16:43,279
was like crazy and there was no

435
00:16:48,230 --> 00:16:46,000
magazines and kenneth arnold hadn't

436
00:16:50,389 --> 00:16:48,240
talked about ufos yet so this poor

437
00:16:53,110 --> 00:16:50,399
little six-year-old is seeing

438
00:16:55,350 --> 00:16:53,120

people falling out of a skyscraper

439

00:16:58,470 --> 00:16:55,360
and so somewhere

440

00:17:01,430 --> 00:16:58,480
somebody is trying to

441

00:17:03,829 --> 00:17:01,440
give us messages and

442

00:17:05,110 --> 00:17:03,839
for the people that are able to perceive

443

00:17:07,510 --> 00:17:05,120
them and

444

00:17:08,789 --> 00:17:07,520
and and talk about them in some form of

445

00:17:12,150 --> 00:17:08,799
sanity

446

00:17:14,230 --> 00:17:12,160
uh we can get some information but

447

00:17:17,029 --> 00:17:14,240
you know i've been very disillusioned

448

00:17:19,270 --> 00:17:17,039
our our field is crazy yeah you know i i

449

00:17:21,829 --> 00:17:19,280
i can't uh i can't even have a

450

00:17:23,590 --> 00:17:21,839
conversation that makes any sense mostly

451
00:17:26,309 --> 00:17:23,600
because nobody read anything and nobody

452
00:17:28,390 --> 00:17:26,319
goes back to the 40s and 50s

453
00:17:31,270 --> 00:17:28,400
and it's important to go back to the 40s

454
00:17:33,510 --> 00:17:31,280
and 50s because who was visiting here

455
00:17:35,270 --> 00:17:33,520
were people they were space people they

456
00:17:37,270 --> 00:17:35,280
were not little grey aliens there are no

457
00:17:39,350 --> 00:17:37,280
little grey alien visitors in latin

458
00:17:40,470 --> 00:17:39,360
america you want to explain that to me

459
00:17:42,310 --> 00:17:40,480
really

460
00:17:45,350 --> 00:17:42,320
no i never hear about i hear that

461
00:17:47,430 --> 00:17:45,360
hermanos tell us

462
00:17:49,990 --> 00:17:47,440
the brothers of the stars or star

463
00:17:52,310 --> 00:17:50,000

brothers or whatever you call them um i

464

00:17:55,190 --> 00:17:52,320

mean the whole sister paz movement of

465

00:17:56,710 --> 00:17:55,200

the 1970s and the mission rama guys they

466

00:17:59,110 --> 00:17:56,720

saw these people come up to them and

467

00:18:01,510 --> 00:17:59,120

they weren't one there's like 200 of

468

00:18:04,950 --> 00:18:01,520

them there in the chilka desert and and

469

00:18:07,510 --> 00:18:04,960

and seastone is brother uh charlie and

470

00:18:09,350 --> 00:18:07,520

luis fernando and bolivia and ricardo

471

00:18:11,750 --> 00:18:09,360

gonzalez and peru are having

472

00:18:13,430 --> 00:18:11,760

face-to-face contact with these people

473

00:18:15,510 --> 00:18:13,440

and they're not bringing little grace to

474

00:18:17,430 --> 00:18:15,520

take any anyway that doesn't even make

475

00:18:19,190 --> 00:18:17,440

sense to me i mean you need 40 years of

476

00:18:20,789 --> 00:18:19,200

genetic material they're really stupid

477

00:18:21,750 --> 00:18:20,799

then i mean because we can get it off a

478

00:18:24,710 --> 00:18:21,760

glass

479

00:18:28,470 --> 00:18:24,720

so you know i'm thinking okay

480

00:18:30,070 --> 00:18:28,480

what's happening is we may have cousins

481

00:18:32,310 --> 00:18:30,080

in the cosmos

482

00:18:35,110 --> 00:18:32,320

who are a little bit farther on than we

483

00:18:36,070 --> 00:18:35,120

are and we're all the same we're all the

484

00:18:39,190 --> 00:18:36,080

same

485

00:18:41,350 --> 00:18:39,200

uh and they're going well you people are

486

00:18:43,669 --> 00:18:41,360

stayed back in kindergarten no

487

00:18:45,270 --> 00:18:43,679

kindergarten or first grade do you do

488

00:18:47,590 --> 00:18:45,280

you want to graduate because if you

489

00:18:49,830 --> 00:18:47,600

congratulate to the next level we can

490

00:18:53,510 --> 00:18:49,840

not only communicate with you

491

00:18:56,150 --> 00:18:53,520

but we can bring you into a form of your

492

00:18:58,470 --> 00:18:56,160

technology like clifford stone used to

493

00:19:01,430 --> 00:18:58,480

say to me i used to say clifford why why

494

00:19:04,549 --> 00:19:01,440

can't we have contact and clifford god

495

00:19:06,390 --> 00:19:04,559

bless his soul used to say well he say

496

00:19:08,710 --> 00:19:06,400

we can't because our technology doesn't

497

00:19:10,950 --> 00:19:08,720

match our spirituality

498

00:19:13,190 --> 00:19:10,960

and i'd say clifford you're you're a

499

00:19:14,390 --> 00:19:13,200

military man and you're saying this

500

00:19:17,190 --> 00:19:14,400

and he said

501
00:19:18,310 --> 00:19:17,200
that's the bottom line right and and i

502
00:19:22,150 --> 00:19:18,320
go

503
00:19:24,390 --> 00:19:22,160
okay uh

504
00:19:26,070 --> 00:19:24,400
i mean that makes sense but and i'm not

505
00:19:27,750 --> 00:19:26,080
talking about religion i'm talking about

506
00:19:28,549 --> 00:19:27,760
spirituality

507
00:19:30,549 --> 00:19:28,559
which

508
00:19:33,270 --> 00:19:30,559
is a collective consciousness i mean you

509
00:19:34,470 --> 00:19:33,280
don't want to hurt anybody

510
00:19:36,070 --> 00:19:34,480
you don't want to do to your brother

511
00:19:38,390 --> 00:19:36,080
what you don't want to do to you which

512
00:19:40,150 --> 00:19:38,400
is a collective consciousness

513
00:19:42,150 --> 00:19:40,160

uh and

514

00:19:44,630 --> 00:19:42,160

and we don't have that i mean

515

00:19:47,990 --> 00:19:44,640

we maybe some groups have that but for

516

00:19:49,750 --> 00:19:48,000

the majority we have a lot to learn

517

00:19:52,549 --> 00:19:49,760

you know even i used to be part of the

518

00:19:54,310 --> 00:19:52,559

church um i was uh you know the person

519

00:19:56,310 --> 00:19:54,320

that was on stage singing the songs and

520

00:19:58,870 --> 00:19:56,320

stuff i've since not

521

00:20:00,710 --> 00:19:58,880

gone back to church i've i've gone back

522

00:20:02,710 --> 00:20:00,720

on my ways if you will um but the

523

00:20:04,549 --> 00:20:02,720

problem is is or now the problem of what

524

00:20:07,110 --> 00:20:04,559

i experience is that when you get into

525

00:20:09,270 --> 00:20:07,120

this emotional state with everybody in

526
00:20:11,350 --> 00:20:09,280
the church you were one you were like

527
00:20:13,750 --> 00:20:11,360
one consciousness and i you know the

528
00:20:15,909 --> 00:20:13,760
sense of i got you know even people

529
00:20:17,830 --> 00:20:15,919
doing drugs you know like a psychedelics

530
00:20:21,510 --> 00:20:17,840
they say the eye disappears and you

531
00:20:23,669 --> 00:20:21,520
start seeing things differently and i'm

532
00:20:24,950 --> 00:20:23,679
not saying do drugs kids but

533
00:20:26,390 --> 00:20:24,960
you know i'm just

534
00:20:28,470 --> 00:20:26,400
i'm just saying

535
00:20:29,909 --> 00:20:28,480
um you know there's different ways of

536
00:20:32,070 --> 00:20:29,919
looking at things and it's about

537
00:20:33,990 --> 00:20:32,080
changing the mindset and and getting rid

538
00:20:35,830 --> 00:20:34,000

of the eye like even the buddhists and

539

00:20:37,909 --> 00:20:35,840

stuff like that they don't focus on the

540

00:20:40,070 --> 00:20:37,919

eye they focus on others and they seem

541

00:20:42,149 --> 00:20:40,080

so much more happier than i am right

542

00:20:44,310 --> 00:20:42,159

well you know it's it's not just can i

543

00:20:46,630 --> 00:20:44,320

just tell you i want to encourage your

544

00:20:49,029 --> 00:20:46,640

your people to read

545

00:20:51,190 --> 00:20:49,039

and read the book from outer space to

546

00:20:54,149 --> 00:20:51,200

you by howard menger it was written in

547

00:20:56,390 --> 00:20:54,159

the 1960s and he was one of the giant

548

00:21:00,070 --> 00:20:56,400

rock bro group you know van tassel

549

00:21:02,470 --> 00:21:00,080

adamski or feo angelucci i studied this

550

00:21:04,789 --> 00:21:02,480

very very deeply because i couldn't

551
00:21:07,190 --> 00:21:04,799
understand why in southern california we

552
00:21:10,710 --> 00:21:07,200
had this resurgence of contact with the

553
00:21:13,029 --> 00:21:10,720
space brothers because there was a human

554
00:21:14,630 --> 00:21:13,039
type guy that came to see van tassel

555
00:21:17,350 --> 00:21:14,640
right and tussle worked for douglas

556
00:21:19,510 --> 00:21:17,360
aircraft and what's his name uh you know

557
00:21:21,669 --> 00:21:19,520
howard hughes finance the integratron

558
00:21:23,510 --> 00:21:21,679
would people start studying this stuff

559
00:21:26,070 --> 00:21:23,520
and the reason why i think there was a

560
00:21:28,870 --> 00:21:26,080
space brother movement because adamski

561
00:21:31,110 --> 00:21:28,880
really did see orathon and he really did

562
00:21:33,510 --> 00:21:31,120
see him at and now we have a book with

563
00:21:35,510 --> 00:21:33,520

with a brownie photograph of orathon

564

00:21:37,669 --> 00:21:35,520

that that that they've done out of

565

00:21:40,710 --> 00:21:37,679

netherland you know michael zerger's

566

00:21:42,870 --> 00:21:40,720

work michelle zerger's work look at my

567

00:21:44,870 --> 00:21:42,880

youtube when he talks about that all

568

00:21:47,110 --> 00:21:44,880

people outside the country that do real

569

00:21:48,630 --> 00:21:47,120

research you know michelle zerger lives

570

00:21:51,590 --> 00:21:48,640

in tokyo and he did all the work on

571

00:21:53,909 --> 00:21:51,600

adamski and the truth is that what was

572

00:21:56,230 --> 00:21:53,919

happening at that time in the 50s and

573

00:21:59,590 --> 00:21:56,240

60s was the new age movement because

574

00:22:03,270 --> 00:21:59,600

they had mara rishi they had yogananda

575

00:22:06,070 --> 00:22:03,280

they had est they had um they had I ron

576

00:22:09,190 --> 00:22:06,080

hubbard they had all of this stuff going

577

00:22:10,310 --> 00:22:09,200

on in southern california so whatever e

578

00:22:13,990 --> 00:22:10,320

teaser

579

00:22:15,190 --> 00:22:14,000

in the ether you know that group that

580

00:22:17,510 --> 00:22:15,200

and there's

581

00:22:20,710 --> 00:22:17,520

57 different groups says

582

00:22:22,230 --> 00:22:20,720

um says clifford that particular group

583

00:22:25,270 --> 00:22:22,240

decided they were going to hook onto the

584

00:22:27,110 --> 00:22:25,280

new age movement even norman paulson was

585

00:22:28,310 --> 00:22:27,120

was part of the giant rock stuff that

586

00:22:31,270 --> 00:22:28,320

was happening

587

00:22:33,430 --> 00:22:31,280

in uh in landers in uh you know palm

588

00:22:35,750 --> 00:22:33,440

springs people need to go back there and

589

00:22:37,909 --> 00:22:35,760

see what the heck was the message

590

00:22:40,230 --> 00:22:37,919

because it was very interesting because

591

00:22:43,830 --> 00:22:40,240

you talked about buddhism it went with

592

00:22:46,070 --> 00:22:43,840

eastern religion it was the same

593

00:22:48,310 --> 00:22:46,080

theories as eastern religions as

594

00:22:49,510 --> 00:22:48,320

buddhism is that kind of thing

595

00:22:52,230 --> 00:22:49,520

and so

596

00:22:54,870 --> 00:22:52,240

um and that was compassion

597

00:22:57,190 --> 00:22:54,880

and and uh you know being one and

598

00:22:59,750 --> 00:22:57,200

looking at yourself as part of nature

599

00:23:01,350 --> 00:22:59,760

and so forth and because they're not on

600

00:23:02,789 --> 00:23:01,360

vacation otherwise they would have gone

601
00:23:04,630 --> 00:23:02,799
to the caribbean and had a couple of

602
00:23:07,350 --> 00:23:04,640
beers okay come on

603
00:23:10,630 --> 00:23:07,360
anything where we have

604
00:23:12,870 --> 00:23:10,640
a a movement a flap a bunch of

605
00:23:15,110 --> 00:23:12,880
contactees and they were not only there

606
00:23:18,470 --> 00:23:15,120
they were in italy with our eugenio

607
00:23:22,789 --> 00:23:18,480
sidakuza uh he's he met venusians too on

608
00:23:25,669 --> 00:23:22,799
the island of sicily all in the 1950s

609
00:23:29,590 --> 00:23:25,679
so the new age movement was jumping into

610
00:23:31,750 --> 00:23:29,600
con into effect and i think what what

611
00:23:33,830 --> 00:23:31,760
happened with whoever was visiting was

612
00:23:35,270 --> 00:23:33,840
they're going well the humans are going

613
00:23:37,830 --> 00:23:35,280

to go into the new age movement we might

614

00:23:41,269 --> 00:23:37,840

as well jump in there and and you know

615

00:23:44,230 --> 00:23:41,279

give them some advice too and i think

616

00:23:46,310 --> 00:23:44,240

that's when the giant rock group

617

00:23:48,230 --> 00:23:46,320

and i want to do more work on this and

618

00:23:51,190 --> 00:23:48,240

more research i just went to back to

619

00:23:53,110 --> 00:23:51,200

howard menger's house and stood on the

620

00:23:55,510 --> 00:23:53,120

place where val thor was sitting and i

621

00:23:58,710 --> 00:23:55,520

did that with a group of people

622

00:24:00,950 --> 00:23:58,720

researchers that are into this like me

623

00:24:03,110 --> 00:24:00,960

we did it in june

624

00:24:05,269 --> 00:24:03,120

right there where val thor was sitting

625

00:24:07,590 --> 00:24:05,279

at howard manager's house all the

626

00:24:09,750 --> 00:24:07,600

pictures of al thor and don and jill

627

00:24:12,310 --> 00:24:09,760

because the photographer that took those

628

00:24:14,230 --> 00:24:12,320

pictures was talking to wendell stevens

629

00:24:16,470 --> 00:24:14,240

that he was told by manager that three

630

00:24:19,350 --> 00:24:16,480

visitors were there so i thought okay

631

00:24:21,590 --> 00:24:19,360

that's the cold war days where russia

632

00:24:25,190 --> 00:24:21,600

was the enemy

633

00:24:30,310 --> 00:24:27,190

how are we ever going to be friends with

634

00:24:34,149 --> 00:24:31,269

it's

635

00:24:35,750 --> 00:24:34,159

and you're kind of you know indicating

636

00:24:37,510 --> 00:24:35,760

not indicating but saying you know it's

637

00:24:40,310 --> 00:24:37,520

about us getting our stuff together

638

00:24:41,830 --> 00:24:40,320

right um and just stop blowing each

639

00:24:43,590 --> 00:24:41,840

other up and

640

00:24:45,510 --> 00:24:43,600

every missile that we have is all

641

00:24:47,269 --> 00:24:45,520

pointed back at us which is weird

642

00:24:49,110 --> 00:24:47,279

there's nothing pointing out it's all

643

00:24:52,070 --> 00:24:49,120

pointing back at us

644

00:24:53,990 --> 00:24:52,080

uh for self-defense allegedly um you

645

00:24:55,510 --> 00:24:54,000

know somebody attacks the united states

646

00:24:57,750 --> 00:24:55,520

they got missiles that they're able to

647

00:25:00,310 --> 00:24:57,760

send it's just crazy

648

00:25:03,110 --> 00:25:00,320

but the message is clear and what i find

649

00:25:04,870 --> 00:25:03,120

weird is that they always talk to um

650

00:25:06,630 --> 00:25:04,880

somebody who's not political somebody

651
00:25:08,390 --> 00:25:06,640
who's just a nobody and they'll give

652
00:25:10,390 --> 00:25:08,400
them a message do you think there's a

653
00:25:11,990 --> 00:25:10,400
reason why they talk to

654
00:25:14,549 --> 00:25:12,000
everybody like that to give them a

655
00:25:16,789 --> 00:25:14,559
message is that it leaks through to the

656
00:25:19,110 --> 00:25:16,799
public or is that just they just assume

657
00:25:21,190 --> 00:25:19,120
that we'll all share the information

658
00:25:23,510 --> 00:25:21,200
well first of all let's let's get this

659
00:25:25,909 --> 00:25:23,520
straight we're in a chess game and the

660
00:25:28,789 --> 00:25:25,919
only way to win this is is always

661
00:25:30,310 --> 00:25:28,799
checkmate right ever and that's why our

662
00:25:32,149 --> 00:25:30,320
book is so important i keep mentioning

663
00:25:34,230 --> 00:25:32,159

this because the whole thing started

664

00:25:36,390 --> 00:25:34,240

with the atomic bomb i mean the first

665

00:25:38,710 --> 00:25:36,400

crash was not at roswell it was one

666

00:25:42,070 --> 00:25:38,720

month after the atomic bomb in san

667

00:25:45,029 --> 00:25:42,080

antonio new mexico witnessed by uh at

668

00:25:47,830 --> 00:25:45,039

least three people and with five now

669

00:25:50,390 --> 00:25:47,840

that we we've gotten them all and and

670

00:25:52,149 --> 00:25:50,400

that was not a vacation stunt that was

671

00:25:54,870 --> 00:25:52,159

what you what were you thinking because

672

00:25:56,470 --> 00:25:54,880

once you open up pandora's box like that

673

00:25:59,110 --> 00:25:56,480

it not only affects

674

00:26:01,510 --> 00:25:59,120

other dimensions right better play we

675

00:26:03,909 --> 00:26:01,520

got to play the game all of us china has

676
00:26:05,909 --> 00:26:03,919
to play it russia has to play we have to

677
00:26:08,630 --> 00:26:05,919
play a chess game there's no way of

678
00:26:10,549 --> 00:26:08,640
winning that right you have to just do

679
00:26:11,669 --> 00:26:10,559
checkmate every time with your with your

680
00:26:13,269 --> 00:26:11,679
pieces

681
00:26:14,630 --> 00:26:13,279
so for the rest of our lives we're going

682
00:26:16,789 --> 00:26:14,640
to have to checkmate nobody's going to

683
00:26:18,870 --> 00:26:16,799
get rid of their nuclear everybody's

684
00:26:21,110 --> 00:26:18,880
going to point it at each other

685
00:26:23,110 --> 00:26:21,120
and so you're dealing with the upper

686
00:26:25,269 --> 00:26:23,120
level of a very

687
00:26:27,350 --> 00:26:25,279
um

688
00:26:29,830 --> 00:26:27,360

you know very

689

00:26:31,590 --> 00:26:29,840

strategic thinking so why are they going

690

00:26:32,870 --> 00:26:31,600

to speak go to speak to people and

691

00:26:34,710 --> 00:26:32,880

making bombs

692

00:26:36,950 --> 00:26:34,720

why are they going to speak to political

693

00:26:38,630 --> 00:26:36,960

people who really are doing what's good

694

00:26:41,190 --> 00:26:38,640

for them why

695

00:26:42,710 --> 00:26:41,200

they're going to go to grassroots

696

00:26:44,390 --> 00:26:42,720

and that's why i admire the work of

697

00:26:46,710 --> 00:26:44,400

stephen greer i'm sorry but he's the

698

00:26:48,630 --> 00:26:46,720

only one that has it together as far as

699

00:26:50,630 --> 00:26:48,640

why it happened when it happened and

700

00:26:52,230 --> 00:26:50,640

who's involved because

701
00:26:54,950 --> 00:26:52,240
being in europe and living in other

702
00:26:57,350 --> 00:26:54,960
countries and i lived in italy from 1992

703
00:26:59,510 --> 00:26:57,360
to 2007

704
00:27:02,070 --> 00:26:59,520
i know he's telling the truth about all

705
00:27:03,510 --> 00:27:02,080
of it like all of that stuff

706
00:27:06,549 --> 00:27:03,520
and uh the

707
00:27:08,789 --> 00:27:06,559
the the deal is that i don't mean to be

708
00:27:10,710 --> 00:27:08,799
depressed depressing but

709
00:27:14,070 --> 00:27:10,720
we can change it

710
00:27:16,470 --> 00:27:14,080
by thinking differently by by changing

711
00:27:19,510 --> 00:27:16,480
the way we like john max said changing

712
00:27:22,470 --> 00:27:19,520
our world view and that starts in every

713
00:27:23,909 --> 00:27:22,480

which ways change your mind about all

714

00:27:24,870 --> 00:27:23,919

kinds of stuff

715

00:27:26,549 --> 00:27:24,880

and then

716

00:27:28,230 --> 00:27:26,559

i mean i talked to edgar mitchell and

717

00:27:29,590 --> 00:27:28,240

this is really interesting i have to

718

00:27:31,990 --> 00:27:29,600

tell you that he was a good friend of

719

00:27:33,750 --> 00:27:32,000

mine and i was invited to his funeral it

720

00:27:35,990 --> 00:27:33,760

was one of the saddest things ever but

721

00:27:38,549 --> 00:27:36,000

he said to me paula he said

722

00:27:40,789 --> 00:27:38,559

i used to do esp experiments from the

723

00:27:42,870 --> 00:27:40,799

moon and they were 95

724

00:27:45,510 --> 00:27:42,880

accurate and i said you used to think

725

00:27:47,430 --> 00:27:45,520

things and they used to come to florida

726

00:27:48,950 --> 00:27:47,440

from the moon and you used to do

727

00:27:50,149 --> 00:27:48,960

experiments like they used to use the

728

00:27:53,830 --> 00:27:50,159

cards and stuff

729

00:27:57,110 --> 00:27:53,840

and he goes yes and i got then our

730

00:27:59,350 --> 00:27:57,120

thoughts are powerful and he goes yes

731

00:28:01,990 --> 00:27:59,360

and i said we can change things with our

732

00:28:04,870 --> 00:28:02,000

thoughts and nice and he said yes and

733

00:28:06,710 --> 00:28:04,880

this is why the engineer like dr edgar

734

00:28:08,549 --> 00:28:06,720

mitchell would come back from the moon

735

00:28:10,630 --> 00:28:08,559

and start uh

736

00:28:12,710 --> 00:28:10,640

noetic sciences because he was more

737

00:28:13,830 --> 00:28:12,720

interested in esp

738

00:28:16,389 --> 00:28:13,840

and and

739

00:28:19,590 --> 00:28:16,399

and the in the power of the mind and

740

00:28:22,470 --> 00:28:19,600

thoughts and all of this stuff so is

741

00:28:24,950 --> 00:28:22,480

this connected with ufology if you have

742

00:28:28,470 --> 00:28:24,960

any kind of brain yes

743

00:28:30,470 --> 00:28:28,480

it's all connected with all of it

744

00:28:32,950 --> 00:28:30,480

it's consciousness

745

00:28:35,510 --> 00:28:32,960

and and and it's hard for people

746

00:28:37,350 --> 00:28:35,520

to understand this but the et's don't

747

00:28:39,269 --> 00:28:37,360

take you as coffee and say hey guess

748

00:28:41,830 --> 00:28:39,279

this is how we think and you know this

749

00:28:44,310 --> 00:28:41,840

is what we believe what they do

750

00:28:46,389 --> 00:28:44,320

which i just found out about in the last

751
00:28:48,549 --> 00:28:46,399
couple of years is give you a series of

752
00:28:49,470 --> 00:28:48,559
coincidences

753
00:28:52,389 --> 00:28:49,480
and

754
00:28:54,710 --> 00:28:52,399
experiences whether it be a sighting or

755
00:28:57,510 --> 00:28:54,720
a vision or a dream

756
00:29:00,630 --> 00:28:57,520
to help you understand

757
00:29:01,669 --> 00:29:00,640
there is another reality

758
00:29:03,269 --> 00:29:01,679
right

759
00:29:05,590 --> 00:29:03,279
because we're only limited by our five

760
00:29:07,669 --> 00:29:05,600
senses anyways when we

761
00:29:11,269 --> 00:29:07,679
and our families and all the

762
00:29:14,230 --> 00:29:11,279
distractions we have yes yeah no that's

763
00:29:15,669 --> 00:29:14,240

and again the the focus on um you know

764

00:29:16,630 --> 00:29:15,679

this research because you said something

765

00:29:18,710 --> 00:29:16,640

to me

766

00:29:20,950 --> 00:29:18,720

uh last time that we spoke and you said

767

00:29:22,789 --> 00:29:20,960

you know jason keep all these

768

00:29:25,110 --> 00:29:22,799

recordings especially with jacques and

769

00:29:27,430 --> 00:29:25,120

all these uh folks he said because and

770

00:29:29,190 --> 00:29:27,440

i'm paraphrasing here but uh some to the

771

00:29:31,350 --> 00:29:29,200

effect that you know the you know we're

772

00:29:33,909 --> 00:29:31,360

losing a lot of these pioneers they're

773

00:29:35,669 --> 00:29:33,919

they're passing on and this is you know

774

00:29:38,389 --> 00:29:35,679

even you were mentioning imagine if we

775

00:29:41,029 --> 00:29:38,399

could have the technology of podcast now

776

00:29:42,630 --> 00:29:41,039

to talk to jay allen heineck

777

00:29:44,870 --> 00:29:42,640

and how much wisdom he could have passed

778

00:29:46,710 --> 00:29:44,880

on to the other investigators and and

779

00:29:48,950 --> 00:29:46,720

researchers in the field

780

00:29:50,630 --> 00:29:48,960

uh and and that really resonated with me

781

00:29:51,909 --> 00:29:50,640

i was like okay she's right like i got

782

00:29:54,310 --> 00:29:51,919

to keep all these recordings because

783

00:29:56,310 --> 00:29:54,320

before i was doing just audio you know

784

00:29:58,149 --> 00:29:56,320

we're doing video as well which is is

785

00:30:00,470 --> 00:29:58,159

really important because i i do want to

786

00:30:03,510 --> 00:30:00,480

capture that right that's very important

787

00:30:05,510 --> 00:30:03,520

um yes so about the book trinity um just

788

00:30:07,029 --> 00:30:05,520

for the people that are not familiar

789

00:30:09,350 --> 00:30:07,039

with this story i'm just going to give a

790

00:30:10,549 --> 00:30:09,360

brief and correct me when i'm wrong here

791

00:30:13,430 --> 00:30:10,559

because i'm probably going to be wrong a

792

00:30:15,990 --> 00:30:13,440

little bit but it happened in 1945 right

793

00:30:18,230 --> 00:30:16,000

um and uh basically these two little

794

00:30:19,510 --> 00:30:18,240

boys which were in charge of working on

795

00:30:23,430 --> 00:30:19,520

this uh

796

00:30:25,669 --> 00:30:23,440

farm or ranch uh witnessed a crashed

797

00:30:28,549 --> 00:30:25,679

craft that looked almost the same shape

798

00:30:30,870 --> 00:30:28,559

as an avocado but it had a avocado

799

00:30:32,789 --> 00:30:30,880

yeah and it had um a

800

00:30:34,549 --> 00:30:32,799

sort of like a door that they explained

801
00:30:37,110 --> 00:30:34,559
and you could see three entities or four

802
00:30:38,470 --> 00:30:37,120
entities and they're moving about and

803
00:30:40,389 --> 00:30:38,480
they were hurt at least it got the

804
00:30:41,830 --> 00:30:40,399
indication that they were hurt because

805
00:30:43,909 --> 00:30:41,840
of the way that they were reacting but

806
00:30:45,669 --> 00:30:43,919
what was really weird is that um you're

807
00:30:48,870 --> 00:30:45,679
mentioning remy had

808
00:30:50,549 --> 00:30:48,880
visions of all these atomic things and

809
00:30:52,230 --> 00:30:50,559
as far as i know they weren't aware of

810
00:30:53,269 --> 00:30:52,240
the presence of these two little boys

811
00:30:56,149 --> 00:30:53,279
right

812
00:30:58,789 --> 00:30:56,159
no they were uh because well what

813
00:31:00,789 --> 00:30:58,799

happened is the boys actually witnessed

814

00:31:04,070 --> 00:31:00,799

the crash i mean this is this is why

815

00:31:05,990 --> 00:31:04,080

this is so amazing uh it was on jose

816

00:31:08,470 --> 00:31:06,000

padilla's farm i mean his father rented

817

00:31:10,470 --> 00:31:08,480

from the blm 180 000 acres and they were

818

00:31:12,870 --> 00:31:10,480

supposed to fix the fences and there was

819

00:31:14,870 --> 00:31:12,880

a thunderstorm and you know remember

820

00:31:16,630 --> 00:31:14,880

there's thunderstorms in roswell i've

821

00:31:18,470 --> 00:31:16,640

never seen thunderstorms like in new

822

00:31:21,269 --> 00:31:18,480

mexico there was a thunder it was very

823

00:31:24,549 --> 00:31:21,279

bad right and this thing came in this

824

00:31:27,029 --> 00:31:24,559

avocado hit the radio tower which then

825

00:31:30,070 --> 00:31:27,039

jose climbs up to see the damage later

826

00:31:31,830 --> 00:31:30,080

so he's not lying by the way jack and i

827

00:31:34,149 --> 00:31:31,840

are really upset with our own

828

00:31:35,990 --> 00:31:34,159

researchers who don't do

829

00:31:38,789 --> 00:31:36,000

even read the book have not even read

830

00:31:41,269 --> 00:31:38,799

the book but we have been to the where

831

00:31:44,789 --> 00:31:41,279

the radio tower were as we've been to

832

00:31:47,269 --> 00:31:44,799

the location but i've been about 20

833

00:31:50,149 --> 00:31:47,279

times jacques has at least been there

834

00:31:52,630 --> 00:31:50,159

eight times eight times so we walk on

835

00:31:54,549 --> 00:31:52,640

the location and we because

836

00:31:56,950 --> 00:31:54,559

there's new stuff that comes out every

837

00:31:57,909 --> 00:31:56,960

time we go there and thing is the boys

838

00:31:59,110 --> 00:31:57,919

saw

839

00:32:00,789 --> 00:31:59,120

the crowd

840

00:32:03,269 --> 00:32:00,799

yet they saw it it's not like it it's

841

00:32:05,350 --> 00:32:03,279

been strewn over three miles

842

00:32:07,110 --> 00:32:05,360

like in other crashes and you just see

843

00:32:10,070 --> 00:32:07,120

the degree they watched it

844

00:32:12,230 --> 00:32:10,080

and then because they're so curious

845

00:32:13,509 --> 00:32:12,240

and especially jose who's very

846

00:32:15,909 --> 00:32:13,519

mischievous or you wouldn't have gone

847

00:32:18,230 --> 00:32:15,919

inside that thing uh

848

00:32:20,789 --> 00:32:18,240

he's looking at through binoculars and

849

00:32:23,269 --> 00:32:20,799

and here's squealing like and he

850

00:32:25,269 --> 00:32:23,279

described as when you kill a rabbit

851
00:32:27,110 --> 00:32:25,279
so okay

852
00:32:29,029 --> 00:32:27,120
you can't make that up i mean when you

853
00:32:31,430 --> 00:32:29,039
kill a rabbit it starts squealing and he

854
00:32:33,509 --> 00:32:31,440
goes i wanted to go in and help them he

855
00:32:36,470 --> 00:32:33,519
said they were children like us and of

856
00:32:38,549 --> 00:32:36,480
course because there was a fire and all

857
00:32:39,669 --> 00:32:38,559
the smoke in the mesquite if you go

858
00:32:42,389 --> 00:32:39,679
there now

859
00:32:45,269 --> 00:32:42,399
what used to be seven foot tall mesquite

860
00:32:48,149 --> 00:32:45,279
uh bushes and trees are only two feet

861
00:32:50,549 --> 00:32:48,159
tall that's not due to the crash that's

862
00:32:52,470 --> 00:32:50,559
due to the fact that crash is 13 miles

863
00:32:54,630 --> 00:32:52,480

from the trinity site

864

00:32:56,630 --> 00:32:54,640

and they did not tell those people they

865

00:32:57,909 --> 00:32:56,640

were going to explode the atomic bomb

866

00:33:01,350 --> 00:32:57,919

they did not

867

00:33:03,830 --> 00:33:01,360

the radius of radiation went out 150

868

00:33:06,470 --> 00:33:03,840

miles so of course

869

00:33:08,070 --> 00:33:06,480

remy's uh i mean uh jose's mother is

870

00:33:10,549 --> 00:33:08,080

going to be blind when she opens the

871

00:33:13,110 --> 00:33:10,559

door she's blinded in one eye and they

872

00:33:15,830 --> 00:33:13,120

and jose's eardrum was blown out and

873

00:33:17,509 --> 00:33:15,840

bleeding so i mean this story is not

874

00:33:19,190 --> 00:33:17,519

just about

875

00:33:20,870 --> 00:33:19,200

about crash

876

00:33:23,269 --> 00:33:20,880

and it's not in competition with any

877

00:33:25,269 --> 00:33:23,279

other crashes right we all sit down and

878

00:33:28,230 --> 00:33:25,279

talk about this we put the things

879

00:33:30,470 --> 00:33:28,240

together we put the dots together um

880

00:33:32,710 --> 00:33:30,480

it's about they didn't tell them

881

00:33:35,750 --> 00:33:32,720

that they were going to explode the bomb

882

00:33:39,110 --> 00:33:35,760

so what happened was all of this damage

883

00:33:41,990 --> 00:33:39,120

and then a month later this craft is

884

00:33:44,070 --> 00:33:42,000

coming from that direction

885

00:33:46,470 --> 00:33:44,080

again not on vacation

886

00:33:47,190 --> 00:33:46,480

uh is coming from that direction and the

887

00:33:51,590 --> 00:33:47,200

and

888

00:33:53,750 --> 00:33:51,600

kids didn't talk about it for 60 years

889

00:33:55,269 --> 00:33:53,760

because they both went their own ways

890

00:33:56,630 --> 00:33:55,279

because the government would because

891

00:33:58,870 --> 00:33:56,640

they took something they weren't

892

00:34:00,870 --> 00:33:58,880

supposed to take from the inside you

893

00:34:02,310 --> 00:34:00,880

know they're not going to talk about it

894

00:34:05,430 --> 00:34:02,320

they had something

895

00:34:08,389 --> 00:34:05,440

that didn't belong to them so

896

00:34:10,470 --> 00:34:08,399

i said to sorrow right the treasure

897

00:34:11,909 --> 00:34:10,480

they called because they spoke spanish i

898

00:34:13,909 --> 00:34:11,919

mean it was it was

899

00:34:15,750 --> 00:34:13,919

it's funny because the pilot that flew

900

00:34:17,270 --> 00:34:15,760

overs thought they were indian boys they

901
00:34:18,710 --> 00:34:17,280
were like oh you saw two little indian

902
00:34:19,589 --> 00:34:18,720
boys on there no they weren't indian

903
00:34:22,230 --> 00:34:19,599
boys

904
00:34:24,389 --> 00:34:22,240
even though jose has it comes from an

905
00:34:26,629 --> 00:34:24,399
apache grandmother background that's

906
00:34:29,589 --> 00:34:26,639
what was on the first cover they were

907
00:34:31,909 --> 00:34:29,599
hispanic so yeah they wanted they want

908
00:34:33,270 --> 00:34:31,919
it's like when you go somewhere you take

909
00:34:35,270 --> 00:34:33,280
a rock

910
00:34:38,389 --> 00:34:35,280
you want a what do you call souvenir the

911
00:34:40,629 --> 00:34:38,399
word desoto souvenir so naturally when

912
00:34:42,310 --> 00:34:40,639
all the young boys are working on the

913
00:34:43,829 --> 00:34:42,320

manhattan project they had never seen a

914

00:34:46,230 --> 00:34:43,839

ufo they didn't even know what to

915

00:34:47,750 --> 00:34:46,240

cleaning up went to the I barn cafe and

916

00:34:50,629 --> 00:34:47,760

they didn't leave anybody there

917

00:34:53,510 --> 00:34:50,639

naturally somebody like jose's gonna go

918

00:34:55,270 --> 00:34:53,520

inside i need a i need a souvenir get

919

00:34:56,869 --> 00:34:55,280

the crowbar and pull something from the

920

00:34:59,430 --> 00:34:56,879

inside of the wall

921

00:35:00,310 --> 00:34:59,440

and and uh you know

922

00:35:05,190 --> 00:35:00,320

and

923

00:35:08,230 --> 00:35:05,200

don't want to go into the analysis of it

924

00:35:11,349 --> 00:35:08,240

or any of it but that isn't what proves

925

00:35:12,630 --> 00:35:11,359

it for for me the witness testimony and

926
00:35:14,310 --> 00:35:12,640
then i was going to tell you something

927
00:35:15,589 --> 00:35:14,320
else jason that would have been a lost

928
00:35:19,270 --> 00:35:15,599
case

929
00:35:20,390 --> 00:35:19,280
unless the ets knew jacques and i were

930
00:35:22,790 --> 00:35:20,400
gonna do it

931
00:35:25,510 --> 00:35:22,800
and that really you wrapped your mind

932
00:35:27,589 --> 00:35:25,520
around that right they knew we were

933
00:35:29,750 --> 00:35:27,599
gonna do it they knew jacques was gonna

934
00:35:32,150 --> 00:35:29,760
research the atomic bomb

935
00:35:34,230 --> 00:35:32,160
they knew that this case went into the

936
00:35:35,030 --> 00:35:34,240
files of dixie

937
00:35:38,230 --> 00:35:35,040
um

938
00:35:40,230 --> 00:35:38,240

dixie lee in washington state where the

939

00:35:42,870 --> 00:35:40,240

atomic energy commissioners

940

00:35:44,950 --> 00:35:42,880

showed it to remy when he when she he

941

00:35:47,670 --> 00:35:44,960

got a she got elected

942

00:35:48,550 --> 00:35:47,680

that the atomic energy

943

00:35:50,470 --> 00:35:48,560

uh

944

00:35:53,030 --> 00:35:50,480

classification is higher the president

945

00:35:55,589 --> 00:35:53,040

can't even see it it's higher than

946

00:35:58,710 --> 00:35:55,599

anything it's not and you can't declass

947

00:36:00,790 --> 00:35:58,720

of it there's no foia for it

948

00:36:01,670 --> 00:36:00,800

yeah and so

949

00:36:03,670 --> 00:36:01,680

those

950

00:36:05,589 --> 00:36:03,680

guys or whoever was that was in the

951
00:36:06,870 --> 00:36:05,599
craft or whatever it was

952
00:36:09,030 --> 00:36:06,880
knew that

953
00:36:11,030 --> 00:36:09,040
in the future

954
00:36:12,390 --> 00:36:11,040
this was going to come out

955
00:36:13,349 --> 00:36:12,400
as a warning

956
00:36:16,230 --> 00:36:13,359
on

957
00:36:18,870 --> 00:36:16,240
uh

958
00:36:20,870 --> 00:36:18,880
as a warning and then jack is such a

959
00:36:22,870 --> 00:36:20,880
good writer oh my god he writes this is

960
00:36:24,710 --> 00:36:22,880
like a novel you can't put it down it's

961
00:36:26,390 --> 00:36:24,720
a novel it's not a

962
00:36:27,829 --> 00:36:26,400
and and he

963
00:36:29,990 --> 00:36:27,839

he does something

964

00:36:32,310 --> 00:36:30,000

really historic you know the japanese

965

00:36:33,190 --> 00:36:32,320

just bought the rights to this

966

00:36:36,230 --> 00:36:33,200

we

967

00:36:39,349 --> 00:36:36,240

the japanese emperor already had

968

00:36:42,790 --> 00:36:39,359

capitulated before we threw the bombs

969

00:36:44,470 --> 00:36:42,800

the two bombs before we bombed nagasaki

970

00:36:45,829 --> 00:36:44,480

you you want to wrap your mind around

971

00:36:48,950 --> 00:36:45,839

that

972

00:36:51,430 --> 00:36:48,960

we did it anyway and so you know

973

00:36:53,990 --> 00:36:51,440

because jacques did meticulous work

974

00:36:56,470 --> 00:36:54,000

meticulous see it says meticulous on

975

00:37:00,630 --> 00:36:58,390

i can't do that i can't

976

00:37:01,670 --> 00:37:00,640

work the only thing i can do

977

00:37:04,150 --> 00:37:01,680

is

978

00:37:06,790 --> 00:37:04,160

i had for five years question these guys

979

00:37:09,349 --> 00:37:06,800

i've remy since had died i had gone up

980

00:37:10,470 --> 00:37:09,359

to gig harbor i had been slept on his

981

00:37:13,349 --> 00:37:10,480

couch i

982

00:37:15,349 --> 00:37:13,359

meticulously on the phone i have all the

983

00:37:17,910 --> 00:37:15,359

phone conversations taped

984

00:37:20,790 --> 00:37:17,920

just questioned them to because

985

00:37:23,030 --> 00:37:20,800

if they make one mistake or if i doubt

986

00:37:26,310 --> 00:37:23,040

what they're saying i won't touch it

987

00:37:27,829 --> 00:37:26,320

uh but this this story for me and for

988

00:37:29,990 --> 00:37:27,839

jacques i think is one of the greatest

989

00:37:32,390 --> 00:37:30,000

cases we've ever done

990

00:37:35,030 --> 00:37:32,400

yeah i i really enjoyed the the book i'm

991

00:37:37,109 --> 00:37:35,040

going to have to buy the revised edition

992

00:37:38,790 --> 00:37:37,119

because i want to know more about uh

993

00:37:41,829 --> 00:37:38,800

what you guys discovered

994

00:37:44,230 --> 00:37:41,839

but yeah this story is amazing and like

995

00:37:45,270 --> 00:37:44,240

i said it predates uh roswell by two

996

00:37:47,589 --> 00:37:45,280

years

997

00:37:49,829 --> 00:37:47,599

sort of within the same vicinity and

998

00:37:53,109 --> 00:37:49,839

even close to socorro new mexico which

999

00:37:56,150 --> 00:37:53,119

was i won't say 1963 or something like

1000

00:37:58,150 --> 00:37:56,160

that right yeah yeah yeah but there was

1001

00:38:00,390 --> 00:37:58,160

also aztec and there's the plains of

1002

00:38:03,750 --> 00:38:00,400

saint augustine there were so you ask

1003

00:38:06,950 --> 00:38:03,760

yourself you know why corona the book on

1004

00:38:10,230 --> 00:38:06,960

corona i mean stanton did some work in

1005

00:38:11,750 --> 00:38:10,240

our show why are they going to that area

1006

00:38:13,829 --> 00:38:11,760

right why

1007

00:38:16,870 --> 00:38:13,839

right okay now people go why do they

1008

00:38:19,510 --> 00:38:16,880

crash well i think these guys crash so

1009

00:38:21,990 --> 00:38:19,520

that they they could give us a warning

1010

00:38:24,630 --> 00:38:22,000

i mean you the bodies were gone by the

1011

00:38:27,190 --> 00:38:24,640

time the next 24 hours by the way

1012

00:38:29,430 --> 00:38:27,200

sheriff apodaca and mr padilla went

1013

00:38:32,790 --> 00:38:29,440

inside that craft were hanging out in

1014

00:38:34,150 --> 00:38:32,800

there told the boys to stay out um what

1015

00:38:36,069 --> 00:38:34,160

when the army

1016

00:38:38,150 --> 00:38:36,079

put the brush over the craft you know

1017

00:38:40,390 --> 00:38:38,160

and they're they didn't know it was they

1018

00:38:41,990 --> 00:38:40,400

didn't know any of this stuff they just

1019

00:38:44,390 --> 00:38:42,000

saw this thing

1020

00:38:45,829 --> 00:38:44,400

that they had to get out of there right

1021

00:38:47,910 --> 00:38:45,839

the and the

1022

00:38:49,430 --> 00:38:47,920

because there was no mythology there was

1023

00:38:51,430 --> 00:38:49,440

nothing there was nothing in the

1024

00:38:53,270 --> 00:38:51,440

magazines there was nothing out there

1025

00:38:55,589 --> 00:38:53,280

kenneth arnold hadn't even said flying

1026

00:38:57,589 --> 00:38:55,599

saucer yet so

1027

00:38:59,829 --> 00:38:57,599

this is this is why this story is so

1028

00:39:01,829 --> 00:38:59,839

important because it's a statement and

1029

00:39:03,910 --> 00:39:01,839

then i've been wrapping my mind around

1030

00:39:05,910 --> 00:39:03,920

it they knew we were going to write this

1031

00:39:07,670 --> 00:39:05,920

otherwise it would have been dead

1032

00:39:09,910 --> 00:39:07,680

right statement would have never been

1033

00:39:11,670 --> 00:39:09,920

made they would have never

1034

00:39:13,990 --> 00:39:11,680

they would have crashed for nothing in

1035

00:39:15,750 --> 00:39:14,000

other words they would because the book

1036

00:39:18,710 --> 00:39:15,760

is about the atomic bomb

1037

00:39:21,589 --> 00:39:18,720

the book is about our atomic opening

1038

00:39:22,470 --> 00:39:21,599

pandora's box with our atomic energy

1039

00:39:25,349 --> 00:39:22,480

yeah

1040

00:39:27,589 --> 00:39:25,359

even with the kids in um uh zimbabwe the

1041

00:39:31,030 --> 00:39:27,599

aerial school i mean they got similar

1042

00:39:33,190 --> 00:39:31,040

messages as well about nuclear war about

1043

00:39:35,349 --> 00:39:33,200

us destroying the planet which of course

1044

00:39:37,270 --> 00:39:35,359

then the extraterrestrial model sort of

1045

00:39:39,910 --> 00:39:37,280

applies is that people from the future

1046

00:39:42,310 --> 00:39:39,920

would know what the events would would

1047

00:39:44,710 --> 00:39:42,320

you know take place what i'm fascinated

1048

00:39:45,750 --> 00:39:44,720

by is the telepathy that these entities

1049

00:39:47,910 --> 00:39:45,760

have

1050

00:39:49,829 --> 00:39:47,920

is it technology is it something that we

1051
00:39:51,990 --> 00:39:49,839
are going to be able to figure out later

1052
00:39:54,150 --> 00:39:52,000
on in life with the advance of

1053
00:39:56,390 --> 00:39:54,160
consciousness and all that jazz but i've

1054
00:39:57,910 --> 00:39:56,400
always been fascinated by that what do

1055
00:40:00,470 --> 00:39:57,920
you think about what's going on in

1056
00:40:02,230 --> 00:40:00,480
congress right now with um this you know

1057
00:40:04,069 --> 00:40:02,240
people can come forward now even if they

1058
00:40:05,990 --> 00:40:04,079
signed an nda do you think we're going

1059
00:40:07,670 --> 00:40:06,000
to get any progress

1060
00:40:09,109 --> 00:40:07,680
well let me go back to the telepathy and

1061
00:40:11,109 --> 00:40:09,119
then i'll answer that question sure

1062
00:40:12,550 --> 00:40:11,119
absolutely if if somebody like edgar

1063
00:40:14,790 --> 00:40:12,560

mitchell is doing telepathy from the

1064

00:40:16,870 --> 00:40:14,800

moon you want to explain that to me

1065

00:40:18,790 --> 00:40:16,880

right now and somebody and they're doing

1066

00:40:22,150 --> 00:40:18,800

a tell up the experiments and jack was

1067

00:40:23,990 --> 00:40:22,160

part of that at hsri with the regeller

1068

00:40:26,550 --> 00:40:24,000

and and remote viewing you and explain

1069

00:40:29,910 --> 00:40:26,560

that yes we can do telepathy but it's

1070

00:40:33,030 --> 00:40:29,920

dangerous why because you can't lie

1071

00:40:35,829 --> 00:40:33,040

okay it's direct thought transfer when

1072

00:40:37,990 --> 00:40:35,839

those beings uh even in giant rock were

1073

00:40:39,750 --> 00:40:38,000

talking to the to the contactees they

1074

00:40:41,829 --> 00:40:39,760

were doing telepathy they didn't go to

1075

00:40:44,390 --> 00:40:41,839

school to learn chinese

1076

00:40:46,470 --> 00:40:44,400

italian uh english they didn't go to

1077

00:40:47,910 --> 00:40:46,480

school to learn all those languages

1078

00:40:49,829 --> 00:40:47,920

they're doing

1079

00:40:52,470 --> 00:40:49,839

direct right

1080

00:40:55,990 --> 00:40:52,480

transfer can we do it absolutely

1081

00:40:57,829 --> 00:40:56,000

but we can't lie if we do it can we

1082

00:40:59,910 --> 00:40:57,839

because it's also a transfer of emotion

1083

00:41:01,990 --> 00:40:59,920

like people say that they get like

1084

00:41:03,589 --> 00:41:02,000

feelings and stuff like that come with

1085

00:41:04,950 --> 00:41:03,599

it that's fascinating because the only

1086

00:41:07,750 --> 00:41:04,960

thing that i know that does that is

1087

00:41:09,990 --> 00:41:07,760

music right the music is the only one is

1088

00:41:12,390 --> 00:41:10,000

isn't is part of this

1089

00:41:14,230 --> 00:41:12,400

you know if you really study this and

1090

00:41:16,470 --> 00:41:14,240

nobody really does they don't study it

1091

00:41:18,230 --> 00:41:16,480

like a university thing let me let me

1092

00:41:20,150 --> 00:41:18,240

put we're trying on this podcast we're

1093

00:41:22,790 --> 00:41:20,160

trying yeah what we have you guys on you

1094

00:41:24,550 --> 00:41:22,800

see my drawers back there yeah

1095

00:41:26,870 --> 00:41:24,560

those are all going to rice university

1096

00:41:29,510 --> 00:41:26,880

i've sent them five boxes awesome

1097

00:41:32,470 --> 00:41:29,520

archives all of jacques archives all of

1098

00:41:34,790 --> 00:41:32,480

willie streaver's archives are at rice

1099

00:41:37,349 --> 00:41:34,800

university in houston texas everything

1100

00:41:40,309 --> 00:41:37,359

all the audio everything i ever did

1101
00:41:42,470 --> 00:41:40,319
right so we're trying in that you know i

1102
00:41:44,309 --> 00:41:42,480
hope our great grandchildren go to

1103
00:41:47,750 --> 00:41:44,319
houston and start looking through

1104
00:41:49,510 --> 00:41:47,760
everything right so it is done without

1105
00:41:53,190 --> 00:41:49,520
you know the circus

1106
00:41:55,109 --> 00:41:53,200
atmosphere um the the deal is that you

1107
00:41:57,510 --> 00:41:55,119
asked me about um

1108
00:41:59,910 --> 00:41:57,520
about the government they have no stake

1109
00:42:01,910 --> 00:41:59,920
in knowing they are that the people that

1110
00:42:03,190 --> 00:42:01,920
are involved in top secret programs

1111
00:42:04,630 --> 00:42:03,200
already know

1112
00:42:06,390 --> 00:42:04,640
and why

1113
00:42:09,190 --> 00:42:06,400

and and i don't

1114

00:42:12,309 --> 00:42:09,200

wanna um let's put it this way

1115

00:42:15,030 --> 00:42:12,319

i i'm a believer uh in the fact that

1116

00:42:18,950 --> 00:42:15,040

there's an agenda behind everything

1117

00:42:21,349 --> 00:42:18,960

and so far what i see if if this subject

1118

00:42:24,710 --> 00:42:21,359

ended up in the military industrial

1119

00:42:27,349 --> 00:42:24,720

complex and it did eisenhower told us it

1120

00:42:29,670 --> 00:42:27,359

did right they're making tons of money

1121

00:42:31,990 --> 00:42:29,680

off of these you know toys that they've

1122

00:42:34,309 --> 00:42:32,000

recovered and all this technology we

1123

00:42:35,829 --> 00:42:34,319

don't even know anything about this is

1124

00:42:37,030 --> 00:42:35,839

where i think people should listen to

1125

00:42:40,150 --> 00:42:37,040

what stephen says because he's telling

1126
00:42:43,109 --> 00:42:40,160
the truth um stephen grier the the thing

1127
00:42:45,270 --> 00:42:43,119
is they have no real reason to tell

1128
00:42:48,230 --> 00:42:45,280
humanity the truth but they have a

1129
00:42:50,309 --> 00:42:48,240
reason to tell you it's a threat

1130
00:42:52,710 --> 00:42:50,319
and that we need money for

1131
00:42:54,150 --> 00:42:52,720
appropriations for weapons against an

1132
00:42:56,950 --> 00:42:54,160
enemy

1133
00:42:58,870 --> 00:42:56,960
they can tell you that right i mean

1134
00:43:01,750 --> 00:42:58,880
there's an agenda behind everything and

1135
00:43:04,150 --> 00:43:01,760
agenda is not the truth i mean come on

1136
00:43:06,150 --> 00:43:04,160
give me a break if if the agenda was the

1137
00:43:08,550 --> 00:43:06,160
truth everything

1138
00:43:11,510 --> 00:43:08,560

no that there's no truth agenda anywhere

1139

00:43:15,270 --> 00:43:11,520

on either side on

1140

00:43:17,990 --> 00:43:15,280

and so i'm very wary of anything

1141

00:43:20,230 --> 00:43:18,000

now i will say that

1142

00:43:23,030 --> 00:43:20,240

the good-heartedness of somebody like

1143

00:43:25,670 --> 00:43:23,040

chris mellon and i know i met him

1144

00:43:29,349 --> 00:43:25,680

and he really wants to know i mean it's

1145

00:43:31,990 --> 00:43:29,359

a personal thing he wants to know and i

1146

00:43:33,750 --> 00:43:32,000

i really admire the people that really

1147

00:43:36,390 --> 00:43:33,760

want to know and that's my chief

1148

00:43:37,510 --> 00:43:36,400

motivate motivation for there's no other

1149

00:43:40,790 --> 00:43:37,520

believe me

1150

00:43:42,230 --> 00:43:40,800

i have tried to do a laughlin conference

1151

00:43:44,470 --> 00:43:42,240

uh with

1152

00:43:47,190 --> 00:43:44,480

top-level people and st i stay away from

1153

00:43:49,829 --> 00:43:47,200

the conspiracy stuff right uh and and

1154

00:43:51,430 --> 00:43:49,839

i've done done this and i my last lost

1155

00:43:54,550 --> 00:43:51,440

laughlin conference for the people out

1156

00:43:56,950 --> 00:43:54,560

there not doing it anymore because they

1157

00:43:57,750 --> 00:43:56,960

love conspiracy stuff and they love all

1158

00:44:02,230 --> 00:43:57,760

uh

1159

00:44:04,710 --> 00:44:02,240

the negative stuff that we can't even

1160

00:44:07,349 --> 00:44:04,720

prove because truly we don't know what's

1161

00:44:09,829 --> 00:44:07,359

going on right last year i had

1162

00:44:12,870 --> 00:44:09,839

conference the theme is theme based on

1163

00:44:14,870 --> 00:44:12,880

artificial intelligence it was brilliant

1164

00:44:17,829 --> 00:44:14,880

the conversation about the future of

1165

00:44:19,990 --> 00:44:17,839

artificial intelligence had adam curry

1166

00:44:22,390 --> 00:44:20,000

jacques villa paul heineck and paul

1167

00:44:24,390 --> 00:44:22,400

smith on there and it was

1168

00:44:27,750 --> 00:44:24,400

something like a university would have

1169

00:44:30,150 --> 00:44:27,760

but it it it is not supported enough so

1170

00:44:33,750 --> 00:44:30,160

this year is the last one i'm having

1171

00:44:36,069 --> 00:44:33,760

it's 11 11 november 11th to 14th in

1172

00:44:39,349 --> 00:44:36,079

laughlin nevada and it's all on the

1173

00:44:41,990 --> 00:44:39,359

south american messages from the andes

1174

00:44:43,510 --> 00:44:42,000

where i'm going to continue my work i'm

1175

00:44:45,270 --> 00:44:43,520

going to continue my work in latin

1176

00:44:48,150 --> 00:44:45,280

america that's where i'm getting the

1177

00:44:50,870 --> 00:44:48,160

most satisfaction and most truth they

1178

00:44:53,270 --> 00:44:50,880

don't have an agenda they don't care

1179

00:44:55,910 --> 00:44:53,280

they're not going to shoot anybody

1180

00:44:58,630 --> 00:44:55,920

they think it's normal they got aztecs

1181

00:45:00,710 --> 00:44:58,640

and they got you know mayans and they

1182

00:45:03,190 --> 00:45:00,720

think everybody is you know from the

1183

00:45:05,670 --> 00:45:03,200

stars and there's no weirdness and

1184

00:45:08,630 --> 00:45:05,680

they're not making money off uh you know

1185

00:45:11,109 --> 00:45:08,640

technology so you asked me about

1186

00:45:12,710 --> 00:45:11,119

my fear is that if we start listening to

1187

00:45:13,589 --> 00:45:12,720

government whistleblowers we're going to

1188

00:45:15,829 --> 00:45:13,599

have

1189

00:45:17,829 --> 00:45:15,839

a threat-based

1190

00:45:19,430 --> 00:45:17,839

scenario and

1191

00:45:21,349 --> 00:45:19,440

they should have done it when we

1192

00:45:23,430 --> 00:45:21,359

exploded the atomic bomb

1193

00:45:25,030 --> 00:45:23,440

if they're going to do it

1194

00:45:27,430 --> 00:45:25,040

i mean why didn't they do it back then

1195

00:45:29,430 --> 00:45:27,440

it's like why would they do it now right

1196

00:45:30,470 --> 00:45:29,440

oh are they coming here now what do we

1197

00:45:33,030 --> 00:45:30,480

do

1198

00:45:35,109 --> 00:45:33,040

they're going to come in thousands and

1199

00:45:37,270 --> 00:45:35,119

just dismantle everything and drink our

1200

00:45:39,750 --> 00:45:37,280

children's blood and all these are

1201

00:45:42,230 --> 00:45:39,760

things i actually hear in the ufo are

1202

00:45:45,670 --> 00:45:42,240

you serious really no i just heard it

1203

00:45:48,550 --> 00:45:45,680

the other day they're here to from a

1204

00:45:50,390 --> 00:45:48,560

very great researcher they're here to

1205

00:45:52,870 --> 00:45:50,400

harvest our souls why would you want to

1206

00:45:55,349 --> 00:45:52,880

harvest a human soul i was go go

1207

00:45:58,309 --> 00:45:55,359

somebody go somewhere else and harvest

1208

00:46:00,870 --> 00:45:58,319

like a buddhist soul or somebody that is

1209

00:46:04,630 --> 00:46:00,880

really uplifting not somebody does

1210

00:46:06,790 --> 00:46:04,640

pedophile robs people kill people

1211

00:46:09,990 --> 00:46:06,800

like nothing makes sense here when i

1212

00:46:12,069 --> 00:46:10,000

hear my own community that say things

1213

00:46:14,710 --> 00:46:12,079

and a lot of them are being fed by the

1214

00:46:16,470 --> 00:46:14,720

cia or the intelligence community and

1215

00:46:18,550 --> 00:46:16,480

this craziness anything they would tell

1216

00:46:21,109 --> 00:46:18,560

me i'd never repeat

1217

00:46:22,950 --> 00:46:21,119

i mean there's an agenda behind

1218

00:46:25,109 --> 00:46:22,960

everything and

1219

00:46:26,630 --> 00:46:25,119

you know yes there is a secret space

1220

00:46:29,510 --> 00:46:26,640

program it began

1221

00:46:32,630 --> 00:46:29,520

and probably started with the nazis but

1222

00:46:33,829 --> 00:46:32,640

if you spend mental time

1223

00:46:35,750 --> 00:46:33,839

on this

1224

00:46:38,630 --> 00:46:35,760

we can't change anything because we

1225

00:46:42,150 --> 00:46:38,640

can't inspire anybody right might as

1226

00:46:44,390 --> 00:46:42,160

well slitcherous and commit suicide

1227

00:46:45,109 --> 00:46:44,400

and i'm thinking to myself no no no they

1228

00:46:47,589 --> 00:46:45,119

want

1229

00:46:48,870 --> 00:46:47,599

this is this is done by

1230

00:46:51,589 --> 00:46:48,880

showing us

1231

00:46:53,829 --> 00:46:51,599

that we're more than we really are

1232

00:46:56,309 --> 00:46:53,839

we're we're more than we really are

1233

00:46:58,550 --> 00:46:56,319

capable of apart from the esp and the

1234

00:47:02,069 --> 00:46:58,560

spirituality and everything

1235

00:47:03,670 --> 00:47:02,079

can we all get together and and try to

1236

00:47:05,990 --> 00:47:03,680

figure it out

1237

00:47:07,829 --> 00:47:06,000

and just raise the consciousness even if

1238

00:47:10,309 --> 00:47:07,839

a few people do it

1239

00:47:12,710 --> 00:47:10,319

the other people will have to come along

1240

00:47:15,030 --> 00:47:12,720

and do it and other planets will have to

1241

00:47:17,750 --> 00:47:15,040

do it because we're all connected right

1242

00:47:20,069 --> 00:47:17,760

like a galactic consciousness we're just

1243

00:47:23,030 --> 00:47:20,079

at different locations but we're all

1244

00:47:25,670 --> 00:47:23,040

consciousness is the same across maybe

1245

00:47:27,349 --> 00:47:25,680

inter-species right uh even yeah yeah

1246

00:47:29,349 --> 00:47:27,359

you were mentioning a lot about humans

1247

00:47:31,990 --> 00:47:29,359

being on these crafts we've you know

1248

00:47:33,430 --> 00:47:32,000

talked to uh people like calvin parker

1249

00:47:36,069 --> 00:47:33,440

which he

1250

00:47:38,150 --> 00:47:36,079

saw a female on the craft uh even travis

1251
00:47:40,470 --> 00:47:38,160
walton saw human-looking people he said

1252
00:47:42,470 --> 00:47:40,480
the eyes were a little bit different but

1253
00:47:44,549 --> 00:47:42,480
there's always i'm starting to see that

1254
00:47:46,790 --> 00:47:44,559
now a lot more of a pattern of like even

1255
00:47:49,030 --> 00:47:46,800
having humans in the room with

1256
00:47:50,549 --> 00:47:49,040
some people mention the grays or other

1257
00:47:51,750 --> 00:47:50,559
looking entities but there's always

1258
00:47:52,470 --> 00:47:51,760
humans

1259
00:47:55,510 --> 00:47:52,480
well

1260
00:47:57,430 --> 00:47:55,520
colonel corso was you know my greatest

1261
00:47:59,190 --> 00:47:57,440
well he i was the only journalist that

1262
00:48:01,430 --> 00:47:59,200
was close to him and he said they were

1263
00:48:03,349 --> 00:48:01,440

clones he said they didn't worry about

1264

00:48:05,109 --> 00:48:03,359

the you know the little grays because

1265

00:48:07,030 --> 00:48:05,119

they had done autopsies on them they

1266

00:48:08,230 --> 00:48:07,040

were worried about who had made them

1267

00:48:09,910 --> 00:48:08,240

right he wouldn't need the graves

1268

00:48:11,030 --> 00:48:09,920

because he said they would be walking in

1269

00:48:13,109 --> 00:48:11,040

the halls of the pentagon and we

1270

00:48:14,950 --> 00:48:13,119

wouldn't be able to tell

1271

00:48:16,870 --> 00:48:14,960

that they weren't here from here so then

1272

00:48:18,870 --> 00:48:16,880

you go back to the valve thor story that

1273

00:48:21,109 --> 00:48:18,880

i'm doing right now that i'm looking at

1274

00:48:24,309 --> 00:48:21,119

so yeah you know

1275

00:48:26,630 --> 00:48:24,319

yes uh it's all connected it's

1276

00:48:27,510 --> 00:48:26,640

you said it very well it's all of the

1277

00:48:28,870 --> 00:48:27,520

above

1278

00:48:31,510 --> 00:48:28,880

but we

1279

00:48:33,630 --> 00:48:31,520

have gone off the

1280

00:48:36,870 --> 00:48:33,640

you know the rails with our

1281

00:48:39,589 --> 00:48:36,880

interpretation of this field and you

1282

00:48:41,589 --> 00:48:39,599

can't go to a ufo conference now without

1283

00:48:43,270 --> 00:48:41,599

posing with a little grey alien and i'm

1284

00:48:45,349 --> 00:48:43,280

thinking to myself you know they tried

1285

00:48:47,829 --> 00:48:45,359

to make me do that and i said well no

1286

00:48:49,510 --> 00:48:47,839

avi leave and and those harvard

1287

00:48:51,109 --> 00:48:49,520

scientists that are really doing this

1288

00:48:53,270 --> 00:48:51,119

they wouldn't even walk into a room if

1289

00:48:55,910 --> 00:48:53,280

they saw that

1290

00:48:58,309 --> 00:48:55,920

well i mean why yeah it looks like a

1291

00:49:00,710 --> 00:48:58,319

circus in italy in europe we didn't do

1292

00:49:03,270 --> 00:49:00,720

that yeah we didn't have gadgets we

1293

00:49:05,349 --> 00:49:03,280

didn't sell t-shirts we didn't have you

1294

00:49:07,349 --> 00:49:05,359

know statues we didn't have blow up

1295

00:49:11,030 --> 00:49:07,359

aliens we didn't

1296

00:49:13,349 --> 00:49:11,040

it it's so much more it's so much more

1297

00:49:16,630 --> 00:49:13,359

serious than that

1298

00:49:19,750 --> 00:49:16,640

yes but it becomes that

1299

00:49:22,390 --> 00:49:19,760

then it's entertainment

1300

00:49:24,549 --> 00:49:22,400

and it is not entertainment anymore not

1301

00:49:25,990 --> 00:49:24,559

in my mind it's survival

1302

00:49:28,390 --> 00:49:26,000

right

1303

00:49:30,069 --> 00:49:28,400

no well said paul said what's this new

1304

00:49:31,430 --> 00:49:30,079

research before i let you go here what's

1305

00:49:34,950 --> 00:49:31,440

this new research that you've been

1306

00:49:37,589 --> 00:49:34,960

working on well uh in night in 2014 i

1307

00:49:39,510 --> 00:49:37,599

took the last surviving people that were

1308

00:49:41,349 --> 00:49:39,520

part of the giant rock

1309

00:49:45,750 --> 00:49:41,359

you know a group

1310

00:49:47,910 --> 00:49:45,760

in in uh in the 1950s 1952 there were a

1311

00:49:49,349 --> 00:49:47,920

group of people besides van tassel there

1312

00:49:51,510 --> 00:49:49,359

was uh

1313

00:49:53,270 --> 00:49:51,520

adamski and all those guys that had real

1314

00:49:55,750 --> 00:49:53,280

face-to-face research with what they

1315

00:49:57,589 --> 00:49:55,760

call the space brothers and i met robert

1316

00:49:59,829 --> 00:49:57,599

short in cornwall in arizona and he told

1317

00:50:02,390 --> 00:49:59,839

me yeah the guy came up to my car he

1318

00:50:05,589 --> 00:50:02,400

said i was driving down from from

1319

00:50:07,270 --> 00:50:05,599

northern california to palm springs area

1320

00:50:10,230 --> 00:50:07,280

and so forth and he said he came up to

1321

00:50:13,349 --> 00:50:10,240

my car and he said not only did this guy

1322

00:50:16,390 --> 00:50:13,359

come up to my car he said this guy

1323

00:50:19,109 --> 00:50:16,400

we could talk to them on crystal radio i

1324

00:50:20,630 --> 00:50:19,119

see you're you're kidding and he goes no

1325

00:50:22,150 --> 00:50:20,640

he said there was a frequency where you

1326

00:50:25,510 --> 00:50:22,160

could talk to the space brothers on

1327

00:50:27,670 --> 00:50:25,520

crystal radio until the fbi came along

1328

00:50:29,510 --> 00:50:27,680

and said you can't do that those are

1329

00:50:32,950 --> 00:50:29,520

enemies and we're gonna shut down that

1330

00:50:36,150 --> 00:50:32,960

uh frequency and so forth so the beings

1331

00:50:38,549 --> 00:50:36,160

asked that van tassel and robert short

1332

00:50:39,670 --> 00:50:38,559

let go of their vocal cords it was not

1333

00:50:42,230 --> 00:50:39,680

channeling

1334

00:50:44,390 --> 00:50:42,240

uh it was letting go of the vocal cords

1335

00:50:48,069 --> 00:50:44,400

so their voice came through

1336

00:50:49,270 --> 00:50:48,079

and they did that kind of of messaging

1337

00:50:51,430 --> 00:50:49,280

because they couldn't go back on the

1338

00:50:53,190 --> 00:50:51,440

crystal radio now if you do extensive

1339

00:50:55,829 --> 00:50:53,200

research like i do you realize in the

1340

00:50:58,470 --> 00:50:55,839

yummy jeez the case in italy in pescada

1341

00:51:00,549 --> 00:50:58,480

the beings and i have the audio of that

1342

00:51:03,910 --> 00:51:00,559

i have the audio was left to me by

1343

00:51:06,150 --> 00:51:03,920

stefano brescia talk to the italians on

1344

00:51:08,950 --> 00:51:06,160

crystal radio

1345

00:51:11,030 --> 00:51:08,960

so the these aliens talking to people on

1346

00:51:12,549 --> 00:51:11,040

crystal radio and if people would do

1347

00:51:14,230 --> 00:51:12,559

their research they find out about it

1348

00:51:15,109 --> 00:51:14,240

but anyway so what happens with robert

1349

00:51:17,190 --> 00:51:15,119

short

1350

00:51:19,750 --> 00:51:17,200

i took him down to

1351
00:51:23,670 --> 00:51:19,760
with a group of people and i filmed it

1352
00:51:25,990 --> 00:51:23,680
with and to do a channeling in 2014

1353
00:51:28,230 --> 00:51:26,000
and his channeling is outrageous it's

1354
00:51:32,150 --> 00:51:28,240
called the end of separation

1355
00:51:33,670 --> 00:51:32,160
and he mentions vladimir putin in 2014.

1356
00:51:36,069 --> 00:51:33,680
and i'm going

1357
00:51:37,990 --> 00:51:36,079
nah he's not even in the news this is

1358
00:51:40,549 --> 00:51:38,000
not you know this is not current you

1359
00:51:42,390 --> 00:51:40,559
know it's like why why did we get

1360
00:51:43,190 --> 00:51:42,400
putin's name in there

1361
00:51:44,710 --> 00:51:43,200
well

1362
00:51:47,190 --> 00:51:44,720
the being that was

1363
00:51:49,750 --> 00:51:47,200

the voice was different it was weird

1364

00:51:51,349 --> 00:51:49,760

uh was warning us about the future and

1365

00:51:53,670 --> 00:51:51,359

he said the only way we could ever

1366

00:51:56,309 --> 00:51:53,680

conquer this is just

1367

00:51:59,270 --> 00:51:56,319

to end separation well as you know

1368

00:52:02,230 --> 00:51:59,280

politically it's all the opposite today

1369

00:52:04,390 --> 00:52:02,240

it's all the opposite

1370

00:52:06,710 --> 00:52:04,400

so the divide and conquer

1371

00:52:09,270 --> 00:52:06,720

uh mode is here

1372

00:52:10,790 --> 00:52:09,280

if we're going to do that

1373

00:52:13,589 --> 00:52:10,800

it'll conquer

1374

00:52:15,349 --> 00:52:13,599

if we can come together

1375

00:52:18,549 --> 00:52:15,359

and they've told us that and we're

1376

00:52:20,549 --> 00:52:18,559

hard-headed 2014 that was the message i

1377

00:52:21,750 --> 00:52:20,559

recorded it it's on video and i'm going

1378

00:52:23,430 --> 00:52:21,760

to do more

1379

00:52:24,710 --> 00:52:23,440

more work on that

1380

00:52:27,030 --> 00:52:24,720

we're going to come

1381

00:52:30,150 --> 00:52:27,040

if if we can surpass that and come

1382

00:52:32,790 --> 00:52:30,160

together without an atomic explosion or

1383

00:52:34,950 --> 00:52:32,800

you know the glaciers melting and all

1384

00:52:36,230 --> 00:52:34,960

this tragedy stuff

1385

00:52:39,030 --> 00:52:36,240

then maybe

1386

00:52:41,349 --> 00:52:39,040

we could grow up and become enlightened

1387

00:52:42,549 --> 00:52:41,359

and graduate from school you know i'm a

1388

00:52:45,510 --> 00:52:42,559

teacher so i'm going to use that

1389

00:52:48,230 --> 00:52:45,520

metaphor i would like to see us graduate

1390

00:52:49,990 --> 00:52:48,240

yeah i want to go for graduation

1391

00:52:51,829 --> 00:52:50,000

it must be cool for your students to

1392

00:52:54,950 --> 00:52:51,839

know that uh you you have been in the

1393

00:52:56,710 --> 00:52:54,960

ufo field for a long time i would be uh

1394

00:53:00,309 --> 00:52:56,720

i'd be tripping if i was your your

1395

00:53:02,470 --> 00:53:00,319

student i'd be thinking this is cool uh

1396

00:53:05,109 --> 00:53:02,480

so the message from the andes is taking

1397

00:53:08,150 --> 00:53:05,119

place again november 14th uh november

1398

00:53:10,549 --> 00:53:08,160

11th to the 14th yeah 11 11 to 14. it's

1399

00:53:12,150 --> 00:53:10,559

the last laughlin conference we're gonna

1400

00:53:13,430 --> 00:53:12,160

hardy

1401

00:53:16,470 --> 00:53:13,440

nice and where can people get the

1402

00:53:18,470 --> 00:53:16,480

tickets for this okay my company that i

1403

00:53:20,390 --> 00:53:18,480

formed to do laughlin is called star

1404

00:53:25,270 --> 00:53:20,400

works usa so

1405

00:53:31,510 --> 00:53:28,230

and we will have a pan flute from the

1406

00:53:34,069 --> 00:53:31,520

andes we have llamas no little blow up

1407

00:53:36,470 --> 00:53:34,079

aliens but llamas we have

1408

00:53:39,829 --> 00:53:36,480

ricardo gonzalez who is one of the

1409

00:53:41,829 --> 00:53:39,839

contactees of that group uh in the 70s

1410

00:53:44,309 --> 00:53:41,839

who has had face-to-face contact with

1411

00:53:47,670 --> 00:53:44,319

his messages and he lives in argentina

1412

00:53:50,230 --> 00:53:47,680

and is from peru so people can get the

1413

00:53:52,870 --> 00:53:50,240

newest information from that conference

1414

00:53:54,150 --> 00:53:52,880

and and and then i also have andrew

1415

00:53:57,589 --> 00:53:54,160

perrone i'm going to have stephen

1416

00:54:00,870 --> 00:53:57,599

bassett talk about the ufos the uaps i'm

1417

00:54:02,790 --> 00:54:00,880

gonna have uh regina meredith i'm i i

1418

00:54:05,510 --> 00:54:02,800

have sean mcnamara is going to talk

1419

00:54:08,150 --> 00:54:05,520

about removable viewing and i have sarah

1420

00:54:10,549 --> 00:54:08,160

bressman comey who's going to be our our

1421

00:54:13,349 --> 00:54:10,559

experiencer person and talk about

1422

00:54:15,829 --> 00:54:13,359

atlantis so i have like it's like a mini

1423

00:54:17,910 --> 00:54:15,839

university but it's so much fun

1424

00:54:19,349 --> 00:54:17,920

and color is purple so everybody has to

1425

00:54:21,670 --> 00:54:19,359

dress in purple

1426
00:54:23,349 --> 00:54:21,680
you know

1427
00:54:25,430 --> 00:54:23,359
louis and i are thinking about getting

1428
00:54:27,829 --> 00:54:25,440
more active and attending some of these

1429
00:54:30,150 --> 00:54:27,839
uh events that's taken place so next

1430
00:54:32,549 --> 00:54:30,160
year uh hopefully we get to attend a

1431
00:54:35,470 --> 00:54:32,559
little bit more of this uh as far as

1432
00:54:37,910 --> 00:54:35,480
your work and and um is the

1433
00:54:39,430 --> 00:54:37,920
starworksusa.com is that the um where do

1434
00:54:41,030 --> 00:54:39,440
you can find all the information

1435
00:54:43,990 --> 00:54:41,040
absolutely and

1436
00:54:46,470 --> 00:54:44,000
when i finish when i finish laughlin i'm

1437
00:54:49,109 --> 00:54:46,480
going to start up small conferences

1438
00:54:51,270 --> 00:54:49,119

in crestone colorado uh

1439

00:54:54,710 --> 00:54:51,280

you know because that's where

1440

00:54:57,030 --> 00:54:54,720

i filmed the movie serious with uh with

1441

00:54:59,670 --> 00:54:57,040

stephen gr or he filmed the movie series

1442

00:55:01,910 --> 00:54:59,680

and i was in it and that's where we saw

1443

00:55:04,230 --> 00:55:01,920

all kinds of sightings you know in the

1444

00:55:06,309 --> 00:55:04,240

san luis valley and i bought five acres

1445

00:55:08,150 --> 00:55:06,319

of land there so i thought okay well you

1446

00:55:09,589 --> 00:55:08,160

know i just want to be here and

1447

00:55:11,829 --> 00:55:09,599

start gauge you can see the whole milky

1448

00:55:13,430 --> 00:55:11,839

way from that spot oh that's fantastic

1449

00:55:14,870 --> 00:55:13,440

that's one of my dream is to see the

1450

00:55:17,030 --> 00:55:14,880

actual milky way

1451
00:55:18,870 --> 00:55:17,040
from beginning to end i mean that is the

1452
00:55:21,430 --> 00:55:18,880
darkest place on earth in san luis

1453
00:55:23,430 --> 00:55:21,440
valley so plan it with your family nice

1454
00:55:25,910 --> 00:55:23,440
it is it is an experiment where all the

1455
00:55:27,910 --> 00:55:25,920
religions live together it was done by

1456
00:55:29,270 --> 00:55:27,920
hannah and maury strong who were

1457
00:55:32,829 --> 00:55:29,280
canadians

1458
00:55:35,750 --> 00:55:32,839
and you ought to think about crestone

1459
00:55:37,670 --> 00:55:35,760
nice paula harris i thank you so much

1460
00:55:39,430 --> 00:55:37,680
for coming back on the podcast let's not

1461
00:55:41,670 --> 00:55:39,440
make this the the last time let's have

1462
00:55:44,150 --> 00:55:41,680
you back on again i always appreciate

1463
00:55:45,589 --> 00:55:44,160

talking with you uh you're uh a well of

1464

00:55:48,150 --> 00:55:45,599

knowledge and

1465

00:55:49,829 --> 00:55:48,160

just i'm in awe of your work and the

1466

00:55:51,750 --> 00:55:49,839

fact that like i mentioned to you before

1467

00:55:54,069 --> 00:55:51,760

i think you're a pioneer in this field

1468

00:55:55,990 --> 00:55:54,079

you know everybody and the fact that uh

1469

00:55:56,950 --> 00:55:56,000

you're kind of like the indiana jones of

1470

00:55:59,349 --> 00:55:56,960

uh

1471

00:56:02,150 --> 00:55:59,359

uap studies so i appreciate your time

1472

00:56:07,430 --> 00:56:02,160

for sure okay thank you jason you take
