**UAP STUDIES
PODCAST**

1
00:00:03,750 --> 00:00:01,589
hey everybody welcome back to another

2
00:00:05,110 --> 00:00:03,760
episode of uap studies podcast uh we've

3
00:00:07,670 --> 00:00:05,120
been interviewing a lot of people lately

4
00:00:09,030 --> 00:00:07,680
from the tv world uh television programs

5
00:00:10,709 --> 00:00:09,040
things like that and we wanted to get

6
00:00:12,390 --> 00:00:10,719
some perspective on is there any

7
00:00:13,990 --> 00:00:12,400
infighting i mean there's competition

8
00:00:15,910 --> 00:00:14,000
money involved in this

9
00:00:17,510 --> 00:00:15,920
do these guys all get along or are they

10
00:00:19,429 --> 00:00:17,520
just fighting with each other so wanted

11
00:00:20,950 --> 00:00:19,439
to know about that also uh this

12
00:00:23,109 --> 00:00:20,960
gentleman has had some very interesting

13
00:00:25,750 --> 00:00:23,119

perspectives on some famous sighting

14

00:00:27,429 --> 00:00:25,760

cases uh so much to the point that

15

00:00:29,509 --> 00:00:27,439

there's more to it than we think even

16

00:00:31,589 --> 00:00:29,519

though it's old information uh and we

17

00:00:35,030 --> 00:00:31,599

even dive into things uh hopefully about

18

00:00:36,709 --> 00:00:35,040

um poltergeist demons high strangeness

19

00:00:38,549 --> 00:00:36,719

that seems to be more of a reoccurring

20

00:00:40,630 --> 00:00:38,559

theme more and more all the time so

21

00:00:42,950 --> 00:00:40,640

today's guest is a 20-year veteran at

22

00:00:44,310 --> 00:00:42,960

this very well-spoken big credentials

23

00:00:46,549 --> 00:00:44,320

behind um

24

00:00:47,990 --> 00:00:46,559

are you excited or what man i'm i'm

25

00:00:49,910 --> 00:00:48,000

really excited it's gonna be a great

26

00:00:57,520 --> 00:00:49,920

episode i'm really pumped so let's get

27

00:01:16,630 --> 00:01:10,880

[Music]

28

00:01:20,550 --> 00:01:18,550

welcome back to uap studies for another

29

00:01:22,310 --> 00:01:20,560

amazing episode i am louis borges

30

00:01:24,630 --> 00:01:22,320

joining me as always my good friend and

31

00:01:26,469 --> 00:01:24,640

co-host jason gilman how's it going my

32

00:01:28,469 --> 00:01:26,479

man it's going really well buddy like

33

00:01:31,270 --> 00:01:28,479

you always say any sunday we get to chat

34

00:01:33,510 --> 00:01:31,280

about ufos and weird phenomenon is a

35

00:01:35,429 --> 00:01:33,520

good day so absolutely easy to get

36

00:01:37,749 --> 00:01:35,439

jacked up and uh we're glad to be back i

37

00:01:40,710 --> 00:01:37,759

mean we're coming on almost 100 episodes

38

00:01:43,030 --> 00:01:40,720

this is episode 93 i think we're booked

39

00:01:44,469 --> 00:01:43,040

i think we have another six booked uh

40

00:01:46,870 --> 00:01:44,479

and then we have a big hundredth uh

41

00:01:48,789 --> 00:01:46,880

anniversary 100th episode anniversary

42

00:01:50,870 --> 00:01:48,799

special coming up planned so maybe we'll

43

00:01:53,270 --> 00:01:50,880

wear some tuxedos do some champagne or

44

00:01:55,830 --> 00:01:53,280

something some fancy something fancy

45

00:01:57,190 --> 00:01:55,840

yeah yeah so our guest today is a very

46

00:01:59,030 --> 00:01:57,200

well-known figure we got a lot of good

47

00:02:01,830 --> 00:01:59,040

feedback on facebook people were loving

48

00:02:04,149 --> 00:02:01,840

and uh liking the uh coming soon to uap

49

00:02:06,389 --> 00:02:04,159

studies so we have a former mufon

50

00:02:07,590 --> 00:02:06,399

multi-state director an author a

51
00:02:09,430 --> 00:02:07,600
researcher

52
00:02:11,750 --> 00:02:09,440
and just an overall great guy well

53
00:02:12,949 --> 00:02:11,760
spoken so we want to welcome the show mr

54
00:02:14,869 --> 00:02:12,959
john venturi

55
00:02:17,190 --> 00:02:14,879
thank you thanks for having me on thanks

56
00:02:19,350 --> 00:02:17,200
for being on you're very well known and

57
00:02:22,070 --> 00:02:19,360
uh before we get into you know your work

58
00:02:23,190 --> 00:02:22,080
and sort of uh um you know popular cases

59
00:02:25,510 --> 00:02:23,200
and things like that tell us a little

60
00:02:28,550 --> 00:02:25,520
bit about yourself uh what got you into

61
00:02:30,470 --> 00:02:28,560
ufos and how that led into mufon and

62
00:02:35,750 --> 00:02:30,480
that type of thing yeah well you know

63
00:02:38,229 --> 00:02:35,760

about myself i i was a um executive at

64

00:02:41,910 --> 00:02:38,239

and in the area of security and public

65

00:02:44,150 --> 00:02:41,920

affairs and obviously nobody knew

66

00:02:45,990 --> 00:02:44,160

i was doing ufo stuff

67

00:02:50,229 --> 00:02:46,000

while i was there but let me let me let

68

00:02:52,949 --> 00:02:50,239

me back up and how i got started though

69

00:02:54,790 --> 00:02:52,959

differently than almost anybody i've

70

00:02:58,390 --> 00:02:54,800

ever talked to

71

00:03:01,830 --> 00:02:58,400

is i had no interest in ufos at all i

72

00:03:03,110 --> 00:03:01,840

was 41 when i got involved in this field

73

00:03:06,790 --> 00:03:03,120

i was a

74

00:03:09,030 --> 00:03:06,800

collector of famous monsters of filmland

75

00:03:11,830 --> 00:03:09,040

you know fate magazine

76
00:03:15,110 --> 00:03:11,840
you know i've got horricons comic-cons i

77
00:03:20,309 --> 00:03:15,120
knew nothing about ufos and had no

78
00:03:22,309 --> 00:03:20,319
interest at all in them and then in 95

79
00:03:24,309 --> 00:03:22,319
ups where i was working sent me on an

80
00:03:26,229 --> 00:03:24,319
18-month assignment all around the

81
00:03:28,869 --> 00:03:26,239
country

82
00:03:30,830 --> 00:03:28,879
so um no actually it was i had to go

83
00:03:34,229 --> 00:03:30,840
even earlier than that

84
00:03:36,710 --> 00:03:34,239
um it was actually i got divorced and

85
00:03:40,070 --> 00:03:36,720
that gave me the time

86
00:03:42,470 --> 00:03:40,080
to to look into some other things so

87
00:03:44,390 --> 00:03:42,480
that's when i i actually you know i did

88
00:03:47,509 --> 00:03:44,400

that assignment around the country in in

89

00:03:50,309 --> 00:03:47,519

95 and 6 and i started writing my first

90

00:03:53,350 --> 00:03:50,319

book which was uh it was about the mayan

91

00:03:56,070 --> 00:03:53,360

calendar and and oh and prophecies and

92

00:03:58,710 --> 00:03:56,080

end time prophecies and all of that so

93

00:04:00,550 --> 00:03:58,720

uh i'm writing that and

94

00:04:02,869 --> 00:04:00,560

i keep coming across

95

00:04:05,990 --> 00:04:02,879

different cultures talking about you

96

00:04:08,229 --> 00:04:06,000

know uh star people people on flying

97

00:04:10,390 --> 00:04:08,239

shields and of course i'm watching the

98

00:04:13,429 --> 00:04:10,400

x-files because i love everything sci-fi

99

00:04:15,910 --> 00:04:13,439

and horror and sightings was actually

100

00:04:17,349 --> 00:04:15,920

one of my more favorite shows you know

101

00:04:19,430 --> 00:04:17,359

than the x-files i said you know i'm

102

00:04:23,110 --> 00:04:19,440

going to join this mufon thing you know

103

00:04:26,950 --> 00:04:23,120

and so as i joined mufon in 98 i knew

104

00:04:28,790 --> 00:04:26,960

nothing about ufos so i'm doing that for

105

00:04:30,550 --> 00:04:28,800

a couple of years and beyond switch i

106

00:04:32,790 --> 00:04:30,560

kind of forgot i was a mufon field

107

00:04:35,110 --> 00:04:32,800

investigator because nobody ever sent me

108

00:04:37,590 --> 00:04:35,120

any cases for

109

00:04:40,390 --> 00:04:37,600

probably three years you know so i

110

00:04:41,510 --> 00:04:40,400

complained to james carry on

111

00:04:43,830 --> 00:04:41,520

you know and i said you know what's

112

00:04:45,590 --> 00:04:43,840

going on here i don't get any cases at

113

00:04:47,350 --> 00:04:45,600

all and he says well you want to be a

114

00:04:49,510 --> 00:04:47,360

state section director he gave me a

115

00:04:52,870 --> 00:04:49,520

bunch of counties around pittsburgh i

116

00:04:55,350 --> 00:04:52,880

said okay and uh it wasn't uh i don't

117

00:04:57,590 --> 00:04:55,360

know a month later he goes how about i

118

00:05:01,350 --> 00:04:57,600

guess he looked at my profile hit a

119

00:05:03,430 --> 00:05:01,360

security you know a multi-state security

120

00:05:05,590 --> 00:05:03,440

director i had three states pennsylvania

121

00:05:07,590 --> 00:05:05,600

west virginia and virginia because i

122

00:05:09,670 --> 00:05:07,600

kind of played along with mufa

123

00:05:12,150 --> 00:05:09,680

you know the way they have multi-state

124

00:05:14,469 --> 00:05:12,160

directors and uh you know and he said

125

00:05:16,070 --> 00:05:14,479

hey do you want to be the state director

126

00:05:18,070 --> 00:05:16,080

you know and i'm not trying to throw the

127

00:05:22,390 --> 00:05:18,080

previous director under the bus and i

128

00:05:25,270 --> 00:05:22,400

said yeah and uh so i took over uh mufon

129

00:05:27,350 --> 00:05:25,280

pennsylvania and west virginia

130

00:05:30,230 --> 00:05:27,360

then they gave me five more states they

131

00:05:31,189 --> 00:05:30,240

gave me delaware massachusetts

132

00:05:33,110 --> 00:05:31,199

uh

133

00:05:37,590 --> 00:05:33,120

i can't remember new hampshire rhode

134

00:05:40,310 --> 00:05:37,600

island uh vermont i had seven states

135

00:05:42,790 --> 00:05:40,320

oh yeah but you know what i demonstrated

136

00:05:44,870 --> 00:05:42,800

same thing at work is that

137

00:05:46,950 --> 00:05:44,880

and i know how to manage big groups a

138

00:05:50,150 --> 00:05:46,960

lot of people that type of stuff is i

139

00:05:52,070 --> 00:05:50,160

got it all done i mean we were over 95

140

00:05:53,590 --> 00:05:52,080

completed on all our cases i got

141

00:05:55,909 --> 00:05:53,600

everything caught up

142

00:05:58,390 --> 00:05:55,919

and you find other people you don't you

143

00:06:00,230 --> 00:05:58,400

can't do it yourself obviously if i

144

00:06:02,390 --> 00:06:00,240

found the best people in each of those

145

00:06:05,029 --> 00:06:02,400

states and i made them the you know

146

00:06:07,670 --> 00:06:05,039

assistant state director and and from

147

00:06:09,670 --> 00:06:07,680

just promoted people that and then not

148

00:06:12,070 --> 00:06:09,680

hold them accountable but just give them

149

00:06:13,990 --> 00:06:12,080

the cases and follow up and we got it

150

00:06:17,110 --> 00:06:14,000

done and you know i tell you the

151
00:06:19,749 --> 00:06:17,120
pennsylvania chapter uh a few years ago

152
00:06:21,909 --> 00:06:19,759
it was up there in the top five all the

153
00:06:24,629 --> 00:06:21,919
time you know and it was it was a great

154
00:06:25,830 --> 00:06:24,639
experience but um

155
00:06:27,270 --> 00:06:25,840
you know and i want to give you a little

156
00:06:29,510 --> 00:06:27,280
more background then i'm going to come

157
00:06:31,830 --> 00:06:29,520
into this so you know the rest of my my

158
00:06:34,629 --> 00:06:31,840
background is you know i've

159
00:06:36,950 --> 00:06:34,639
i've written 10 books on five different

160
00:06:40,469 --> 00:06:36,960
subjects they're not all ufos i think

161
00:06:42,790 --> 00:06:40,479
five of them was ufos and i i started

162
00:06:45,270 --> 00:06:42,800
getting involved politically uh in the

163
00:06:48,469 --> 00:06:45,280

county here ranford county commissioner

164

00:06:50,790 --> 00:06:48,479

head of the lo of the county party

165

00:06:53,270 --> 00:06:50,800

and i ran for governor this year

166

00:06:55,830 --> 00:06:53,280

last year i campaigned for eight months

167

00:06:58,950 --> 00:06:55,840

and i can tell you

168

00:07:00,390 --> 00:06:58,960

that the newspapers deliberately

169

00:07:03,029 --> 00:07:00,400

slandered me

170

00:07:04,870 --> 00:07:03,039

that i put my press release out you know

171

00:07:05,990 --> 00:07:04,880

that i'm running for governor they

172

00:07:06,870 --> 00:07:06,000

change it

173

00:07:09,350 --> 00:07:06,880

uh

174

00:07:11,749 --> 00:07:09,360

local resident former head of a ufo

175

00:07:15,110 --> 00:07:11,759

organization running for governor i

176
00:07:17,430 --> 00:07:15,120
didn't say a word about ufos i honestly

177
00:07:19,909 --> 00:07:17,440
spent

178
00:07:22,230 --> 00:07:19,919
i'd say the first five months

179
00:07:27,350 --> 00:07:22,240
trying to convince the pennsylvania

180
00:07:30,629 --> 00:07:27,360
media that mufon was an unpaid hobby i

181
00:07:33,110 --> 00:07:30,639
never got paid i used it for research it

182
00:07:35,830 --> 00:07:33,120
was an interest obviously but research

183
00:07:38,309 --> 00:07:35,840
to write those five books and you know

184
00:07:40,150 --> 00:07:38,319
what they were deliberately

185
00:07:41,510 --> 00:07:40,160
playing me as though i had no chance to

186
00:07:44,550 --> 00:07:41,520
win well

187
00:07:45,990 --> 00:07:44,560
guess what i put the best plan together

188
00:07:47,909 --> 00:07:46,000

of any of the candidates and they

189

00:07:51,110 --> 00:07:47,919

started taking

190

00:07:54,550 --> 00:07:51,120

my bullet points right i participated in

191

00:07:57,029 --> 00:07:54,560

four debates i won all four i beat the

192

00:07:59,350 --> 00:07:57,039

other candidates so bad in the second

193

00:08:00,710 --> 00:07:59,360

and third debate when we got to the

194

00:08:03,189 --> 00:08:00,720

fourth debate

195

00:08:06,390 --> 00:08:03,199

and there were 12 of us

196

00:08:08,469 --> 00:08:06,400

only four showed up and two left before

197

00:08:10,070 --> 00:08:08,479

the debate started now think about that

198

00:08:11,670 --> 00:08:10,080

these are the guys that want to be

199

00:08:13,909 --> 00:08:11,680

governor of the state they didn't want

200

00:08:15,990 --> 00:08:13,919

to debate me but

201
00:08:17,510 --> 00:08:16,000
my point being that you know the you

202
00:08:20,469 --> 00:08:17,520
even though you think disclosure's

203
00:08:23,749 --> 00:08:20,479
coming and you know you got dan bongino

204
00:08:26,150 --> 00:08:23,759
and tucker and and rubio and jillian all

205
00:08:28,230 --> 00:08:26,160
these congress people talking about this

206
00:08:30,230 --> 00:08:28,240
does not enhance you

207
00:08:31,830 --> 00:08:30,240
if you want to get into a local race and

208
00:08:33,909 --> 00:08:31,840
stuff and they know about this they're

209
00:08:36,949 --> 00:08:33,919
going to use it to hurt you and use it

210
00:08:39,190 --> 00:08:36,959
against you and it really took the first

211
00:08:43,029 --> 00:08:39,200
five months before they stopped talking

212
00:08:44,710 --> 00:08:43,039
about former head of a ufo organization

213
00:08:46,949 --> 00:08:44,720

and actually started talking about my

214

00:08:49,509 --> 00:08:46,959

platform and my resume i was the only

215

00:08:51,430 --> 00:08:49,519

executive so so that's how i got you

216

00:08:53,509 --> 00:08:51,440

know really that's the background that's

217

00:08:54,949 --> 00:08:53,519

how i get started and all of that and

218

00:08:58,070 --> 00:08:54,959

then

219

00:08:59,670 --> 00:08:58,080

so i joined move on in 98

220

00:09:01,829 --> 00:08:59,680

after i was doing my research on that

221

00:09:04,110 --> 00:09:01,839

book and uh you know i guess i became

222

00:09:05,750 --> 00:09:04,120

the state director it was

223

00:09:07,910 --> 00:09:05,760

0607

224

00:09:10,070 --> 00:09:07,920

probably beginning of 07 is when i

225

00:09:11,509 --> 00:09:10,080

became the state director and then we

226

00:09:15,110 --> 00:09:11,519

get this huge

227

00:09:17,750 --> 00:09:15,120

uh ufo wave in 08.

228

00:09:20,870 --> 00:09:17,760

and that was like boy you talked about

229

00:09:23,990 --> 00:09:20,880

you know it just propelled us into the

230

00:09:26,150 --> 00:09:24,000

media and uh you know do you want me to

231

00:09:28,870 --> 00:09:26,160

tell you about that and yeah please yeah

232

00:09:31,509 --> 00:09:28,880

absolutely yeah so uh you know i'm

233

00:09:33,110 --> 00:09:31,519

getting i'm you know i i read every

234

00:09:35,590 --> 00:09:33,120

report obviously

235

00:09:37,350 --> 00:09:35,600

and then i send it to the other uh you

236

00:09:39,590 --> 00:09:37,360

know state section directors or

237

00:09:42,389 --> 00:09:39,600

assistant directors so i start seeing

238

00:09:45,190 --> 00:09:42,399

here in pennsylvania

239

00:09:47,190 --> 00:09:45,200

uh some cases and somebody sent this one

240

00:09:49,509 --> 00:09:47,200

to me when they when it all started but

241

00:09:52,389 --> 00:09:49,519

to put it in order there were some cases

242

00:09:54,310 --> 00:09:52,399

coming out of lake erie of objects

243

00:09:57,110 --> 00:09:54,320

coming out of lake erie in east lake

244

00:09:59,030 --> 00:09:57,120

ohio ohio's not my area but as they

245

00:10:00,710 --> 00:09:59,040

started showing up here that's what i'm

246

00:10:02,630 --> 00:10:00,720

saying that per ohio sent me the

247

00:10:03,430 --> 00:10:02,640

information um

248

00:10:05,990 --> 00:10:03,440

then

249

00:10:09,269 --> 00:10:06,000

and you follow it south it's it's it's

250

00:10:11,590 --> 00:10:09,279

in ohio it's coming down route 79s we're

251
00:10:14,389 --> 00:10:11,600
getting cases it's in wheeling west

252
00:10:17,430 --> 00:10:14,399
virginia then it's across the state like

253
00:10:19,990 --> 00:10:17,440
whatever's coming out is then turning

254
00:10:21,269 --> 00:10:20,000
and going across the straight

255
00:10:23,910 --> 00:10:21,279
state

256
00:10:26,630 --> 00:10:23,920
you know i got some cases that we got

257
00:10:29,110 --> 00:10:26,640
the case in wheeling and

258
00:10:31,910 --> 00:10:29,120
like 20 minutes later there's a sighting

259
00:10:35,030 --> 00:10:31,920
in state college penn state right same

260
00:10:37,030 --> 00:10:35,040
object same description then it's coming

261
00:10:39,350 --> 00:10:37,040
across almost following some of them

262
00:10:41,509 --> 00:10:39,360
following the turnpike and they're

263
00:10:43,430 --> 00:10:41,519

coming out in philadelphia and bucks

264

00:10:44,949 --> 00:10:43,440

county so

265

00:10:46,550 --> 00:10:44,959

all of a sudden

266

00:10:49,910 --> 00:10:46,560

it it's probably

267

00:10:52,790 --> 00:10:49,920

may april into may now this is a state

268

00:10:54,150 --> 00:10:52,800

that averages 98 cases a year let's say

269

00:10:55,790 --> 00:10:54,160

under 100.

270

00:11:00,389 --> 00:10:55,800

we get

271

00:11:02,310 --> 00:11:00,399

254 cases in a three-month period i mean

272

00:11:05,829 --> 00:11:02,320

it was incredible the amount of

273

00:11:09,910 --> 00:11:05,839

sightings and i would say 70 of them was

274

00:11:12,470 --> 00:11:09,920

in the bucks county philadelphia area

275

00:11:13,910 --> 00:11:12,480

so so you know we're working this and at

276

00:11:16,470 --> 00:11:13,920

the time you know we're building the

277

00:11:17,269 --> 00:11:16,480

chapter up and and you know we may have

278

00:11:19,750 --> 00:11:17,279

had

279

00:11:22,630 --> 00:11:19,760

20 field investigators at the time and

280

00:11:25,430 --> 00:11:22,640

bob gardner was in bucks county and he

281

00:11:27,590 --> 00:11:25,440

he must have had a hundred cases himself

282

00:11:29,750 --> 00:11:27,600

so uh you know you know we're working

283

00:11:32,069 --> 00:11:29,760

this but there's we then we move on

284

00:11:34,870 --> 00:11:32,079

headquarters calls and says we're doing

285

00:11:37,030 --> 00:11:34,880

a tv show and james carrion called me

286

00:11:40,389 --> 00:11:37,040

and he said we got two cases one in

287

00:11:42,710 --> 00:11:40,399

north carolina one in uh mexico

288

00:11:44,870 --> 00:11:42,720

and we need one more case and yours is

289

00:11:46,870 --> 00:11:44,880

becoming big i said all right we'll do

290

00:11:49,590 --> 00:11:46,880

that so

291

00:11:51,430 --> 00:11:49,600

i wouldn't suggest bringing the media in

292

00:11:53,829 --> 00:11:51,440

in the middle of an investigation you

293

00:11:58,230 --> 00:11:53,839

want to get that stuff done first

294

00:11:59,430 --> 00:11:58,240

but they were hugely um helpful

295

00:12:01,430 --> 00:11:59,440

because you know

296

00:12:03,350 --> 00:12:01,440

we try to do stuff and you got to pay

297

00:12:05,030 --> 00:12:03,360

for it yourself you know i'm in

298

00:12:07,670 --> 00:12:05,040

pittsburgh so i'm driving to philly

299

00:12:09,990 --> 00:12:07,680

that's 300 miles and the tolls in this

300

00:12:11,990 --> 00:12:10,000

state are the second highest in the

301

00:12:14,470 --> 00:12:12,000

country so you they're not doing any

302

00:12:16,870 --> 00:12:14,480

favors when you go across space you know

303

00:12:18,949 --> 00:12:16,880

and but they paid for everything so it

304

00:12:21,670 --> 00:12:18,959

turned out really good so they said give

305

00:12:23,829 --> 00:12:21,680

us your two best cases and you may have

306

00:12:26,389 --> 00:12:23,839

seen these they were on i came up to

307

00:12:28,870 --> 00:12:26,399

canada to for discovery science the

308

00:12:31,190 --> 00:12:28,880

close encounters showed i was airing out

309

00:12:33,750 --> 00:12:31,200

of toronto in canada we filmed up there

310

00:12:35,829 --> 00:12:33,760

a couple of years later but

311

00:12:38,550 --> 00:12:35,839

this was the discovery channel and a new

312

00:12:41,190 --> 00:12:38,560

show called ufos over earth

313

00:12:44,870 --> 00:12:41,200

so uh they came in town and i gave them

314

00:12:48,310 --> 00:12:44,880

the two cases and it was the denise case

315

00:12:51,190 --> 00:12:48,320

the blonde lady that had the uh

316

00:12:52,629 --> 00:12:51,200

the triangular craft and it was dropping

317

00:12:55,829 --> 00:12:52,639

these metallic

318

00:12:57,829 --> 00:12:55,839

sprinkles into her tree in the backyard

319

00:13:00,550 --> 00:12:57,839

they were probes i don't know if you

320

00:13:03,350 --> 00:13:00,560

remember the case or not so that one and

321

00:13:05,670 --> 00:13:03,360

then we had cliff who was a retired

322

00:13:07,269 --> 00:13:05,680

contractor and you know it's a retired

323

00:13:09,269 --> 00:13:07,279

guy living in i don't know it's like a 4

324

00:13:11,750 --> 00:13:09,279

million 5 million home and stuff and

325

00:13:15,430 --> 00:13:11,760

he's saying john i've had

326

00:13:18,310 --> 00:13:15,440

two in particular encounters where i see

327

00:13:20,790 --> 00:13:18,320

a mother ship this thing is the size of

328

00:13:22,389 --> 00:13:20,800

an aircraft carrier it as big as a

329

00:13:24,230 --> 00:13:22,399

football field

330

00:13:26,230 --> 00:13:24,240

slowly

331

00:13:28,710 --> 00:13:26,240

uh coming in the sky

332

00:13:31,910 --> 00:13:28,720

and in both cases with denise and cliff

333

00:13:34,470 --> 00:13:31,920

the dog starts barking and woke them up

334

00:13:36,470 --> 00:13:34,480

at like 3 4 in the morning and that's

335

00:13:40,230 --> 00:13:36,480

where they go to see what's what's going

336

00:13:43,509 --> 00:13:40,240

on what's a dog so upset about and uh so

337

00:13:46,629 --> 00:13:43,519

in cliff's case he sees this mothership

338

00:13:49,670 --> 00:13:46,639

and um that was in april then in may it

339

00:13:51,430 --> 00:13:49,680

comes back and they go outside him and

340

00:13:54,230 --> 00:13:51,440

his wife and there's a heat lightning

341

00:13:58,230 --> 00:13:54,240

storm so the lightning is like lighting

342

00:14:00,790 --> 00:13:58,240

up the sky and he sees a six-sided craft

343

00:14:03,030 --> 00:14:00,800

and it's gigantic it's taking up you

344

00:14:05,590 --> 00:14:03,040

know two-thirds of the sky

345

00:14:08,550 --> 00:14:05,600

and it looks like it's a docking station

346

00:14:10,150 --> 00:14:08,560

where you got six triangular like almost

347

00:14:13,110 --> 00:14:10,160

shaped like pizza you know they were

348

00:14:15,350 --> 00:14:13,120

long you know docked in in a circle

349

00:14:17,670 --> 00:14:15,360

there and he can see through the seams

350

00:14:20,710 --> 00:14:17,680

when the lightning flashes he can see

351
00:14:23,269 --> 00:14:20,720
through the seams of it you know

352
00:14:25,750 --> 00:14:23,279
and uh and then you know it seemed to

353
00:14:26,870 --> 00:14:25,760
then take off slowly he goes john i

354
00:14:29,829 --> 00:14:26,880
don't know how it's staying up in the

355
00:14:31,189 --> 00:14:29,839
sky it's moving 20 miles an hour and it

356
00:14:33,670 --> 00:14:31,199
leaves

357
00:14:36,790 --> 00:14:33,680
towards the northeast so bob gardner

358
00:14:39,670 --> 00:14:36,800
goes to the philadelphia airport and uh

359
00:14:41,990 --> 00:14:39,680
they clear him and they let him in and

360
00:14:46,069 --> 00:14:42,000
he's he he says what do you have at this

361
00:14:50,069 --> 00:14:46,079
time and they said we had a large object

362
00:14:52,470 --> 00:14:50,079
with no transponder on the screen and it

363
00:14:55,910 --> 00:14:52,480

it went off to the northeast it matched

364

00:14:57,269 --> 00:14:55,920

exactly what cliff said

365

00:15:00,389 --> 00:14:57,279

then the thing was

366

00:15:02,949 --> 00:15:00,399

how do we get the radar and at the same

367

00:15:05,269 --> 00:15:02,959

time this discovery channel's with us

368

00:15:07,910 --> 00:15:05,279

they're making all these contacts and

369

00:15:09,269 --> 00:15:07,920

trying to get the radar and all of that

370

00:15:10,870 --> 00:15:09,279

and uh

371

00:15:12,550 --> 00:15:10,880

you know what's funny is we filmed the

372

00:15:15,990 --> 00:15:12,560

denise episode and i'll tell you about

373

00:15:19,910 --> 00:15:16,000

that in a second we filmed it first

374

00:15:21,430 --> 00:15:19,920

and at the cliff uh episode uh no excuse

375

00:15:23,430 --> 00:15:21,440

me that was all done at the same time

376

00:15:24,949 --> 00:15:23,440

with discovery i'll tell you about ufo

377

00:15:27,110 --> 00:15:24,959

hunters next

378

00:15:28,150 --> 00:15:27,120

we did denise first and then cliff but

379

00:15:29,829 --> 00:15:28,160

uh

380

00:15:32,790 --> 00:15:29,839

so um

381

00:15:35,350 --> 00:15:32,800

so that all matched up we couldn't get

382

00:15:37,990 --> 00:15:35,360

by the time discovery filming ended for

383

00:15:40,870 --> 00:15:38,000

that show we were in the process of i

384

00:15:43,189 --> 00:15:40,880

was filing foyers trying to get them in

385

00:15:45,829 --> 00:15:43,199

writing to say what they have and the

386

00:15:47,749 --> 00:15:45,839

foyers were coming back it was beyond

387

00:15:49,910 --> 00:15:47,759

the record retention

388

00:15:51,910 --> 00:15:49,920

period and they had nothing so i said

389

00:15:54,069 --> 00:15:51,920

what's going on here you know my guy

390

00:15:56,150 --> 00:15:54,079

went up to the tower and they showed it

391

00:15:58,870 --> 00:15:56,160

to him and they won't give him any any

392

00:16:00,230 --> 00:15:58,880

evidence now the denise case

393

00:16:02,230 --> 00:16:00,240

uh she

394

00:16:04,710 --> 00:16:02,240

there was about four times she went out

395

00:16:08,150 --> 00:16:04,720

saw a triangular craft and it had a

396

00:16:11,030 --> 00:16:08,160

light on each of the three sides

397

00:16:13,189 --> 00:16:11,040

and one time it came close to the house

398

00:16:15,269 --> 00:16:13,199

and it dropped these metallic sprinkles

399

00:16:17,430 --> 00:16:15,279

into her tree she said it looked like

400

00:16:19,910 --> 00:16:17,440

christmas it was the tree was lit up

401
00:16:22,069 --> 00:16:19,920
right and then they just got like a

402
00:16:24,069 --> 00:16:22,079
magnet they got pulled back up and i i

403
00:16:26,629 --> 00:16:24,079
would say they were probes is what they

404
00:16:29,110 --> 00:16:26,639
were they they got pulled back up into

405
00:16:31,829 --> 00:16:29,120
the tree so she tells us and this is

406
00:16:34,710 --> 00:16:31,839
where uh discovery channel was helpful

407
00:16:35,590 --> 00:16:34,720
they pay for the labs to analyze it so

408
00:16:38,470 --> 00:16:35,600
bob

409
00:16:40,389 --> 00:16:38,480
cuts the leaves some leaves off the tree

410
00:16:42,710 --> 00:16:40,399
then he takes other samples from other

411
00:16:45,189 --> 00:16:42,720
trees across the street the other corner

412
00:16:47,350 --> 00:16:45,199
of the uh backyard and we send it to the

413
00:16:49,829 --> 00:16:47,360

labs well

414

00:16:52,790 --> 00:16:49,839

uh two couple of different lamps the one

415

00:16:54,470 --> 00:16:52,800

lab comes back and says the leaves were

416

00:16:57,430 --> 00:16:54,480

subject to

417

00:17:00,710 --> 00:16:57,440

uh high heat or radiation

418

00:17:01,590 --> 00:17:00,720

just her tree not the others right and

419

00:17:04,669 --> 00:17:01,600

and it

420

00:17:06,390 --> 00:17:04,679

that produces a natural enzyme called

421

00:17:09,429 --> 00:17:06,400

anthrocyanide

422

00:17:10,949 --> 00:17:09,439

so here we got trace evidence right yeah

423

00:17:14,390 --> 00:17:10,959

um

424

00:17:16,949 --> 00:17:14,400

then we we sent it to uh another lab she

425

00:17:18,470 --> 00:17:16,959

found she found something on the leaves

426

00:17:21,429 --> 00:17:18,480

and and and

427

00:17:22,549 --> 00:17:21,439

that one turned out to be bird urine

428

00:17:24,870 --> 00:17:22,559

so

429

00:17:26,949 --> 00:17:24,880

but linda how i got her involved and she

430

00:17:29,510 --> 00:17:26,959

was saying this this lines up with a

431

00:17:31,990 --> 00:17:29,520

case she had in nevada but it it didn't

432

00:17:34,950 --> 00:17:32,000

turn out to be the the phosphorus on it

433

00:17:36,789 --> 00:17:34,960

didn't turn out to be what what we uh

434

00:17:39,190 --> 00:17:36,799

we thought it would be so then the third

435

00:17:41,110 --> 00:17:39,200

lab looks at it and they find high

436

00:17:42,470 --> 00:17:41,120

levels of boron

437

00:17:44,390 --> 00:17:42,480

on the leaves

438

00:17:47,110 --> 00:17:44,400

you know and and i said well you know

439

00:17:49,510 --> 00:17:47,120

boron you know isn't boric acid and

440

00:17:51,430 --> 00:17:49,520

fertilizer and they said

441

00:17:54,230 --> 00:17:51,440

boric we would have checked we checked

442

00:17:57,510 --> 00:17:54,240

for boric acid it's not boric acid it's

443

00:17:59,669 --> 00:17:57,520

boron so i look up what's boron used in

444

00:18:03,669 --> 00:17:59,679

it's used in stealth fighters

445

00:18:06,470 --> 00:18:03,679

it's used to line in paints and enamels

446

00:18:10,310 --> 00:18:06,480

in nuclear reactors what is this doing

447

00:18:12,549 --> 00:18:10,320

on a tree so i asked i asked denise

448

00:18:13,750 --> 00:18:12,559

in your spice cabinet do you have boron

449

00:18:16,150 --> 00:18:13,760

of course you had no idea what i was

450

00:18:18,150 --> 00:18:16,160

talking about she said what the borrowed

451
00:18:22,070 --> 00:18:18,160
what's that but you know but we had all

452
00:18:24,549 --> 00:18:22,080
this trace evidence on that tree and um

453
00:18:26,950 --> 00:18:24,559
so we got what we needed but you know

454
00:18:28,870 --> 00:18:26,960
discovery channel paid for those labs

455
00:18:30,870 --> 00:18:28,880
and all of that so you know that's the

456
00:18:32,789 --> 00:18:30,880
hard thing with mufon is like if we

457
00:18:34,950 --> 00:18:32,799
didn't have their help

458
00:18:36,630 --> 00:18:34,960
you know i would have had the story but

459
00:18:38,789 --> 00:18:36,640
you know maybe we would have gone to a

460
00:18:40,150 --> 00:18:38,799
local college then and asked them to

461
00:18:42,390 --> 00:18:40,160
look at the leaves i don't think we

462
00:18:44,789 --> 00:18:42,400
would have had what we had but uh yeah

463
00:18:47,669 --> 00:18:44,799

so that show ended and like i said we

464

00:18:49,750 --> 00:18:47,679

had so many cases there uh that we

465

00:18:53,190 --> 00:18:49,760

investigated so it's like a couple of

466

00:18:56,549 --> 00:18:53,200

months later now bill burns contacts me

467

00:18:59,590 --> 00:18:56,559

and he lives close by he's only 10 miles

468

00:19:02,150 --> 00:18:59,600

so he's following this in bucks county

469

00:19:05,270 --> 00:19:02,160

and he goes john we need you for a ufo

470

00:19:08,310 --> 00:19:05,280

and an uh episode on ufo hunters i said

471

00:19:10,230 --> 00:19:08,320

yes my favorite show so uh

472

00:19:12,870 --> 00:19:10,240

so yeah i go out there and we meet him

473

00:19:15,190 --> 00:19:12,880

there and we do the denise case and he

474

00:19:18,390 --> 00:19:15,200

does some different things gets this uh

475

00:19:20,230 --> 00:19:18,400

a um a police sergeant and they

476

00:19:22,390 --> 00:19:20,240

and they do sketches they interview all

477

00:19:25,029 --> 00:19:22,400

the people and all the sketches were the

478

00:19:26,630 --> 00:19:25,039

same that type of stuff so so he took a

479

00:19:28,230 --> 00:19:26,640

little different angle but then the

480

00:19:31,990 --> 00:19:28,240

interesting thing is you know i'm still

481

00:19:34,390 --> 00:19:32,000

trying to get the uh foyer reports from

482

00:19:36,870 --> 00:19:34,400

the faa and they're they're lying to me

483

00:19:37,669 --> 00:19:36,880

saying they don't have anything right

484

00:19:39,750 --> 00:19:37,679

so

485

00:19:41,669 --> 00:19:39,760

i get a call from the

486

00:19:43,990 --> 00:19:41,679

we did the denise episode we're still

487

00:19:46,230 --> 00:19:44,000

filming it i'm driving down the turnpike

488

00:19:48,310 --> 00:19:46,240

to finish up the denise episode three

489

00:19:51,590 --> 00:19:48,320

weeks later we're going to do cliff

490

00:19:54,070 --> 00:19:51,600

and i get a call from the philly tower

491

00:19:56,390 --> 00:19:54,080

saying you can come up to the tower and

492

00:19:59,029 --> 00:19:56,400

interview us so i called the producer of

493

00:20:00,630 --> 00:19:59,039

the show uh john greenwald was that was

494

00:20:03,190 --> 00:20:00,640

the producer and he goes wait a minute

495

00:20:05,270 --> 00:20:03,200

let me call history and they said no you

496

00:20:07,669 --> 00:20:05,280

can't we're doing this one you can't

497

00:20:09,350 --> 00:20:07,679

break off and start the second one we're

498

00:20:12,230 --> 00:20:09,360

going to do that in three weeks so i

499

00:20:13,510 --> 00:20:12,240

call that producer kevin berry and he

500

00:20:15,350 --> 00:20:13,520

goes i'll get back to you it's about a

501
00:20:18,549 --> 00:20:15,360
half hour later he calls back he goes

502
00:20:21,270 --> 00:20:18,559
john i got bad news the new york faa

503
00:20:23,990 --> 00:20:21,280
said we're not allowed up to the philly

504
00:20:25,990 --> 00:20:24,000
tower so they squashed it

505
00:20:28,149 --> 00:20:26,000
i'm driving i'm probably at harrisburg

506
00:20:30,310 --> 00:20:28,159
at that point and i'm moving on to

507
00:20:33,830 --> 00:20:30,320
philly i get another call 20 minutes

508
00:20:35,510 --> 00:20:33,840
later oops sorry john the episode's been

509
00:20:37,830 --> 00:20:35,520
canceled

510
00:20:41,270 --> 00:20:37,840
the episode was cancelled and that's the

511
00:20:44,070 --> 00:20:41,280
one that we had radar evidence for right

512
00:20:45,750 --> 00:20:44,080
but i i keep pursuing this

513
00:20:48,390 --> 00:20:45,760

because i said you know what the woman

514

00:20:50,390 --> 00:20:48,400

at the tower there was helpful

515

00:20:53,750 --> 00:20:50,400

in charge the supervisor whatever she

516

00:20:55,909 --> 00:20:53,760

was so i keep talking to her and i find

517

00:20:59,430 --> 00:20:55,919

out from mufon glenn schultz i don't

518

00:21:01,830 --> 00:20:59,440

even know if he's still with us or not

519

00:21:05,029 --> 00:21:01,840

he tells me the procedure on the radar

520

00:21:07,350 --> 00:21:05,039

so i tell her you got it it's in a disc

521

00:21:09,350 --> 00:21:07,360

it's in the file drawer and you know if

522

00:21:11,750 --> 00:21:09,360

you ran an efficient office you would be

523

00:21:13,350 --> 00:21:11,760

able to you have it it's not maybe right

524

00:21:14,950 --> 00:21:13,360

out in front of you but you file it

525

00:21:18,149 --> 00:21:14,960

right

526
00:21:20,710 --> 00:21:18,159
so we get into it she mails me the disc

527
00:21:23,590 --> 00:21:20,720
with the radar that the faa is saying

528
00:21:26,549 --> 00:21:23,600
they don't have right wow with a note

529
00:21:28,230 --> 00:21:26,559
that says uh we run an official office

530
00:21:30,149 --> 00:21:28,240
and and i can't remember the exact

531
00:21:32,789 --> 00:21:30,159
wording but here's the radar so i take

532
00:21:35,350 --> 00:21:32,799
it i send it to glenn schultz he's able

533
00:21:38,070 --> 00:21:35,360
to pull i think eight screens six or

534
00:21:40,870 --> 00:21:38,080
eight screens and you have the the green

535
00:21:43,590 --> 00:21:40,880
is the objects without a transponder and

536
00:21:47,669 --> 00:21:43,600
there it is it's on the screen right so

537
00:21:50,630 --> 00:21:47,679
we we've we finally got it so uh

538
00:21:53,190 --> 00:21:50,640

so then uh yeah in her notes says we run

539

00:21:55,430 --> 00:21:53,200

an efficient office and all that and all

540

00:21:57,430 --> 00:21:55,440

of that and uh but glenn said that the

541

00:22:00,470 --> 00:21:57,440

the disc was was

542

00:22:02,390 --> 00:22:00,480

corrupt they taped over it over it

543

00:22:06,710 --> 00:22:02,400

before they sent us the disk now think

544

00:22:09,110 --> 00:22:06,720

about that and her next note to me says

545

00:22:11,590 --> 00:22:09,120

wow i'm surprised you were able to get

546

00:22:13,830 --> 00:22:11,600

anything off that screen

547

00:22:15,909 --> 00:22:13,840

why would you say that when i told you i

548

00:22:18,230 --> 00:22:15,919

was messing with you man yeah oh they

549

00:22:20,950 --> 00:22:18,240

didn't think we could pull it is what it

550

00:22:22,149 --> 00:22:20,960

was so i said wow what a reaction and i

551
00:22:24,470 --> 00:22:22,159
have all of that and i give a

552
00:22:26,870 --> 00:22:24,480
presentation on it i kept it i put it in

553
00:22:28,390 --> 00:22:26,880
my powerpoint you know and so you sent

554
00:22:30,310 --> 00:22:28,400
me to this but you didn't expect me to

555
00:22:32,789 --> 00:22:30,320
get anything and when i got the the

556
00:22:34,230 --> 00:22:32,799
slides you you said wow i'm surprised

557
00:22:36,070 --> 00:22:34,240
you were able to pull anything off of

558
00:22:38,710 --> 00:22:36,080
that well you copied over it thinking

559
00:22:41,029 --> 00:22:38,720
you crushed it you know and uh and they

560
00:22:43,350 --> 00:22:41,039
removed some columns of information and

561
00:22:45,190 --> 00:22:43,360
all of that but uh so i got all of those

562
00:22:47,190 --> 00:22:45,200
uh foyer

563
00:22:48,870 --> 00:22:47,200

requests i got the discs i got

564

00:22:51,190 --> 00:22:48,880

everything to prove that the radar

565

00:22:53,669 --> 00:22:51,200

matched up and in the denise case you

566

00:22:56,070 --> 00:22:53,679

know we were able to prove that uh she

567

00:22:59,029 --> 00:22:56,080

had trace evidence on that and you know

568

00:23:01,750 --> 00:22:59,039

that was so cool to get started in mufon

569

00:23:03,669 --> 00:23:01,760

be the state director and a year later

570

00:23:05,750 --> 00:23:03,679

you're in you're on the discovery

571

00:23:07,909 --> 00:23:05,760

channel and you know the producer sarah

572

00:23:10,070 --> 00:23:07,919

kozak we met with her and she goes john

573

00:23:12,630 --> 00:23:10,080

we're going international with this show

574

00:23:14,710 --> 00:23:12,640

and we're going to uh you know we may

575

00:23:15,750 --> 00:23:14,720

need you and i said i got look i got

576

00:23:18,230 --> 00:23:15,760

like uh

577

00:23:20,149 --> 00:23:18,240

five years to retire and i got six weeks

578

00:23:22,310 --> 00:23:20,159

vacation and i'm not quitting my job you

579

00:23:24,470 --> 00:23:22,320

know but uh but you know it turned out

580

00:23:26,710 --> 00:23:24,480

that the three episodes aired on

581

00:23:29,270 --> 00:23:26,720

discovery

582

00:23:31,029 --> 00:23:29,280

and the way it was presented

583

00:23:33,430 --> 00:23:31,039

there was like

584

00:23:36,950 --> 00:23:33,440

almost like debunking

585

00:23:40,549 --> 00:23:36,960

uh you know like what what the producer

586

00:23:44,390 --> 00:23:40,559

of my episode did was bring a another

587

00:23:45,909 --> 00:23:44,400

botanist on and and dispute uh the the

588

00:23:49,029 --> 00:23:45,919

anthrocyanide

589

00:23:49,830 --> 00:23:49,039

the way the leaves had holes in them and

590

00:23:54,710 --> 00:23:49,840

and

591

00:23:56,950 --> 00:23:54,720

sides they weren't trying to prove that

592

00:23:58,470 --> 00:23:56,960

this was alien so it's like we're

593

00:24:00,549 --> 00:23:58,480

watching and i'm disappointed so why are

594

00:24:03,669 --> 00:24:00,559

they doing that why are they

595

00:24:06,070 --> 00:24:03,679

bringing the the skeptic in to say that

596

00:24:08,549 --> 00:24:06,080

this is not good and then there was the

597

00:24:09,990 --> 00:24:08,559

episode down in north carolina and the

598

00:24:12,149 --> 00:24:10,000

polygraph and the guy failed the

599

00:24:14,710 --> 00:24:12,159

polygraph so you know they do three

600

00:24:16,470 --> 00:24:14,720

episodes the third episode they air

601
00:24:18,390 --> 00:24:16,480
is um

602
00:24:20,230 --> 00:24:18,400
north carolina

603
00:24:21,909 --> 00:24:20,240
uh i can't think of the guy's name now

604
00:24:24,149 --> 00:24:21,919
and uh

605
00:24:25,750 --> 00:24:24,159
i think he uh excuse me that was the one

606
00:24:28,789 --> 00:24:25,760
he failed the polygraph the third

607
00:24:29,590 --> 00:24:28,799
episode was was uh mexico

608
00:24:31,269 --> 00:24:29,600
and

609
00:24:33,750 --> 00:24:31,279
it was

610
00:24:36,549 --> 00:24:33,760
carry on and then

611
00:24:39,430 --> 00:24:36,559
launching mylor balloons to see the

612
00:24:41,590 --> 00:24:39,440
reaction of the people and they're

613
00:24:43,430 --> 00:24:41,600

getting all kinds of ufo reports so it

614

00:24:47,350 --> 00:24:43,440

was a staged

615

00:24:50,149 --> 00:24:47,360

ufo and us in the field who who are true

616

00:24:51,430 --> 00:24:50,159

believers are watching the show saying

617

00:24:53,590 --> 00:24:51,440

what is this

618

00:24:55,669 --> 00:24:53,600

and they got so many complaints that you

619

00:24:57,750 --> 00:24:55,679

didn't do the show right why did you do

620

00:25:00,230 --> 00:24:57,760

it this way and you know and i spoke to

621

00:25:02,630 --> 00:25:00,240

the camera guy the producer the the

622

00:25:05,669 --> 00:25:02,640

director i would say uh

623

00:25:07,909 --> 00:25:05,679

and i i said to him do you believe ufos

624

00:25:09,750 --> 00:25:07,919

are real and he said no

625

00:25:12,310 --> 00:25:09,760

so i mean i got my answer and robert

626

00:25:14,310 --> 00:25:12,320

wise was his name bob weiss he did

627

00:25:16,470 --> 00:25:14,320

unsolved mysteries i mean he was a big

628

00:25:19,190 --> 00:25:16,480

name producer director you know he did

629

00:25:21,029 --> 00:25:19,200

the unsolved mysteries show with robert

630

00:25:24,470 --> 00:25:21,039

stack and all of that you know so i said

631

00:25:27,350 --> 00:25:24,480

all right so that's why it was presented

632

00:25:29,990 --> 00:25:27,360

as both sides were presented it wasn't

633

00:25:32,549 --> 00:25:30,000

presented like this was factual but you

634

00:25:34,630 --> 00:25:32,559

know then i went on to toronto we did i

635

00:25:38,710 --> 00:25:34,640

think three episodes close encounters i

636

00:25:41,110 --> 00:25:38,720

did the denise episode on four shows and

637

00:25:44,470 --> 00:25:41,120

then i get a call in 2012

638

00:25:46,310 --> 00:25:44,480

weeks before i ret i'm retiring so now i

639

00:25:48,230 --> 00:25:46,320

figure i'm emboldened i can say anything

640

00:25:49,510 --> 00:25:48,240

i want you know so

641

00:25:51,830 --> 00:25:49,520

because i'm retiring in a couple of

642

00:25:54,230 --> 00:25:51,840

weeks they fly me to new york city and

643

00:25:55,110 --> 00:25:54,240

you know i grew up in new york i grew up

644

00:25:56,789 --> 00:25:55,120

in

645

00:25:59,190 --> 00:25:56,799

bronx brooklyn queens but i knew

646

00:26:01,430 --> 00:25:59,200

manhattan so they take me in there and

647

00:26:03,110 --> 00:26:01,440

i'm on the anderson cooper show now but

648

00:26:05,190 --> 00:26:03,120

you know i said it's going to be cool

649

00:26:07,029 --> 00:26:05,200

and denise is there

650

00:26:09,909 --> 00:26:07,039

and then there's two other girls from

651
00:26:12,630 --> 00:26:09,919
kentucky who were abducted in a totally

652
00:26:15,430 --> 00:26:12,640
different case so i'm there to defend

653
00:26:19,190 --> 00:26:15,440
the three women and joe nicol is there

654
00:26:21,430 --> 00:26:19,200
the uh skeptic uh magazine skeptic on

655
00:26:23,269 --> 00:26:21,440
their board right and i didn't really

656
00:26:25,510 --> 00:26:23,279
know a lot about joe i know i had seen

657
00:26:27,590 --> 00:26:25,520
him before but he is the like the main

658
00:26:29,669 --> 00:26:27,600
skeptic that's used so they put me up

659
00:26:32,070 --> 00:26:29,679
against like the best which didn't

660
00:26:34,310 --> 00:26:32,080
matter because i i did very well against

661
00:26:36,549 --> 00:26:34,320
him and and i you know and they didn't

662
00:26:39,750 --> 00:26:36,559
even tell me this until i'm there but

663
00:26:41,590 --> 00:26:39,760

let me just digress one second

664

00:26:44,230 --> 00:26:41,600

in third grade

665

00:26:47,590 --> 00:26:44,240

in flushing queens

666

00:26:48,710 --> 00:26:47,600

i'm in third grade with fran drescher

667

00:26:49,669 --> 00:26:48,720

right

668

00:26:50,630 --> 00:26:49,679

so

669

00:26:52,710 --> 00:26:50,640

i am

670

00:26:55,669 --> 00:26:52,720

she was in your class yeah she was in my

671

00:26:58,070 --> 00:26:55,679

in flushing queens in third grade so i

672

00:27:00,549 --> 00:26:58,080

have no idea who the guest is that's on

673

00:27:01,909 --> 00:27:00,559

before me had 15 minutes right and i had

674

00:27:04,149 --> 00:27:01,919

45 minutes

675

00:27:06,630 --> 00:27:04,159

so they got me miked up and then now

676

00:27:08,549 --> 00:27:06,640

it's commercial get in there who walks

677

00:27:10,230 --> 00:27:08,559

out for andresha

678

00:27:12,310 --> 00:27:10,240

i said fran

679

00:27:14,070 --> 00:27:12,320

you know my mind like i was shocked and

680

00:27:15,909 --> 00:27:14,080

she goes oh hi how are you and she kept

681

00:27:18,710 --> 00:27:15,919

going and they're pushing me

682

00:27:20,149 --> 00:27:18,720

but she her and her husband had a ufo

683

00:27:21,909 --> 00:27:20,159

encounter they believed they were

684

00:27:24,710 --> 00:27:21,919

abducted took skin

685

00:27:27,750 --> 00:27:24,720

samples they got those divots and she's

686

00:27:30,230 --> 00:27:27,760

very outspoken in hindsight i should

687

00:27:32,310 --> 00:27:30,240

have said fran turn around i was in

688

00:27:34,230 --> 00:27:32,320

third grade with you in flushing come on

689

00:27:36,549 --> 00:27:34,240

back in i need your help with these

690

00:27:38,870 --> 00:27:36,559

girls we're going to defend them

691

00:27:40,149 --> 00:27:38,880

against the skeptic what a show that

692

00:27:41,590 --> 00:27:40,159

would have been but i didn't think to

693

00:27:43,990 --> 00:27:41,600

say it i didn't know what i was going to

694

00:27:46,470 --> 00:27:44,000

get into that again they were going to

695

00:27:49,110 --> 00:27:46,480

try to debunk the whole thing you know

696

00:27:50,950 --> 00:27:49,120

so um the weird the bad thing with the

697

00:27:53,430 --> 00:27:50,960

anderson cooper show was

698

00:27:54,549 --> 00:27:53,440

uh it was pre-taped

699

00:27:56,630 --> 00:27:54,559

and

700

00:27:58,710 --> 00:27:56,640

so they they aired i don't know 10 days

701
00:28:00,710 --> 00:27:58,720
later and i'm sitting there i remember i

702
00:28:03,430 --> 00:28:00,720
went home for lunch it was his daytime

703
00:28:06,070 --> 00:28:03,440
show and i'm watching it at home and i

704
00:28:08,149 --> 00:28:06,080
say wait a second i said this i said

705
00:28:10,950 --> 00:28:08,159
that they cut

706
00:28:14,470 --> 00:28:10,960
probably 70 percent of the good things i

707
00:28:16,230 --> 00:28:14,480
said the intelligent things um

708
00:28:18,710 --> 00:28:16,240
you know the audience laughed at joe

709
00:28:20,789 --> 00:28:18,720
nickel they cut the laughter out

710
00:28:22,789 --> 00:28:20,799
when i said something about defending

711
00:28:24,870 --> 00:28:22,799
these women who who show a lot of

712
00:28:27,269 --> 00:28:24,880
fortitude to come forward with their

713
00:28:28,389 --> 00:28:27,279

case they all applauded they cut that

714

00:28:30,630 --> 00:28:28,399

scene out

715

00:28:34,310 --> 00:28:30,640

you know i brought up uh

716

00:28:36,310 --> 00:28:34,320

the uh case in uh o'hare airport and uh

717

00:28:38,230 --> 00:28:36,320

you know the fact that the that was uh

718

00:28:40,070 --> 00:28:38,240

he you know he said it was a natural

719

00:28:41,909 --> 00:28:40,080

phenomenon where the ice comes through

720

00:28:45,430 --> 00:28:41,919

the clouds i said wait a second and

721

00:28:48,070 --> 00:28:45,440

hovers above hovers of the tower yeah

722

00:28:50,870 --> 00:28:48,080

but it was 56 degrees that day you can't

723

00:28:53,590 --> 00:28:50,880

have that ice falling through the clouds

724

00:28:56,149 --> 00:28:53,600

if it's 56 degrees you know they cut

725

00:28:57,590 --> 00:28:56,159

they cut so much out

726

00:28:59,990 --> 00:28:57,600

and you know it's kind of a shame

727

00:29:02,149 --> 00:29:00,000

because we held our own with joe nickel

728

00:29:03,750 --> 00:29:02,159

and you know hey i could say i was on

729

00:29:05,350 --> 00:29:03,760

the anderson cooper show but it wasn't

730

00:29:06,710 --> 00:29:05,360

the best experience

731

00:29:09,350 --> 00:29:06,720

that's the problem with these shows is

732

00:29:10,950 --> 00:29:09,360

that they they edit it to

733

00:29:12,470 --> 00:29:10,960

involve their narrative and it makes you

734

00:29:14,310 --> 00:29:12,480

look like the fool like even you were

735

00:29:15,590 --> 00:29:14,320

mentioning about running for governor

736

00:29:18,070 --> 00:29:15,600

all of a sudden they're mentioning oh

737

00:29:20,149 --> 00:29:18,080

this guy believes in aliens oh that's

738

00:29:22,149 --> 00:29:20,159

cue the music and make you look

739

00:29:23,750 --> 00:29:22,159

ridiculous when in fact there's probably

740

00:29:25,350 --> 00:29:23,760

something actually there we're not

741

00:29:27,669 --> 00:29:25,360

wasting our time which is absolutely

742

00:29:29,990 --> 00:29:27,679

ahead of the curve right so every yeah

743

00:29:32,310 --> 00:29:30,000

we were way ahead of the curve and every

744

00:29:33,750 --> 00:29:32,320

i never questioned the witness well

745

00:29:37,190 --> 00:29:33,760

i'll take that back i was head of

746

00:29:39,190 --> 00:29:37,200

security i was trained in uh body

747

00:29:41,590 --> 00:29:39,200

language behavioral analysis

748

00:29:43,510 --> 00:29:41,600

interviewing i read your body as i'm

749

00:29:45,750 --> 00:29:43,520

questioning you to see if you're getting

750

00:29:48,549 --> 00:29:45,760

defensive that type of stuff but and

751
00:29:51,190 --> 00:29:48,559
we're able to prove maybe you know five

752
00:29:53,190 --> 00:29:51,200
six eight percent or made up and the

753
00:29:55,669 --> 00:29:53,200
best way on an interview is they're

754
00:29:57,510 --> 00:29:55,679
describing what happened and you ask

755
00:29:59,510 --> 00:29:57,520
them what happened next what happened

756
00:30:01,430 --> 00:29:59,520
next if all of a sudden they can't

757
00:30:03,029 --> 00:30:01,440
remember and you could see that they're

758
00:30:05,430 --> 00:30:03,039
making stuff up you know they're making

759
00:30:07,750 --> 00:30:05,440
it up you know but i would say you know

760
00:30:10,070 --> 00:30:07,760
on eight at least 80 of the cases they

761
00:30:12,149 --> 00:30:10,080
experienced what they experienced you

762
00:30:13,909 --> 00:30:12,159
know and like i said on our cases there

763
00:30:16,870 --> 00:30:13,919

in bucks county

764

00:30:18,789 --> 00:30:16,880

we got radar and and we have uh

765

00:30:20,950 --> 00:30:18,799

trace evidence and i got all the reports

766

00:30:23,590 --> 00:30:20,960

and a really good uh you know powerpoint

767

00:30:26,230 --> 00:30:23,600

to show step by step that that was those

768

00:30:27,750 --> 00:30:26,240

were two real cases

769

00:30:29,750 --> 00:30:27,760

and again you're also very well known

770

00:30:31,590 --> 00:30:29,760

for your appearances on hanger one the

771

00:30:33,510 --> 00:30:31,600

ufo files yeah that was a very good

772

00:30:35,590 --> 00:30:33,520

series and for those that don't know it

773

00:30:37,669 --> 00:30:35,600

was basically the mufon files and they

774

00:30:39,269 --> 00:30:37,679

would reenact these really popular cases

775

00:30:41,110 --> 00:30:39,279

so what we thought we would do at some

776

00:30:43,909 --> 00:30:41,120

point today is bring up some popular

777

00:30:45,510 --> 00:30:43,919

cases not to drone on about them forever

778

00:30:47,750 --> 00:30:45,520

everybody knows what they're about but

779

00:30:50,149 --> 00:30:47,760

just to get your opinion right and

780

00:30:52,710 --> 00:30:50,159

let me first comment on hanger one yeah

781

00:30:57,110 --> 00:30:52,720

yeah get into that the main thing with

782

00:30:59,190 --> 00:30:57,120

hanger one was that we had a case file

783

00:31:01,269 --> 00:30:59,200

for every one of those cases

784

00:31:04,310 --> 00:31:01,279

you know and this is totally different

785

00:31:06,549 --> 00:31:04,320

than ancient aliens right where you know

786

00:31:07,269 --> 00:31:06,559

to me that a lot of that stuff is you

787

00:31:09,669 --> 00:31:07,279

know

788

00:31:11,990 --> 00:31:09,679

supposition they're making stuff up you

789

00:31:13,750 --> 00:31:12,000

know they're substituting aliens for

790

00:31:15,110 --> 00:31:13,760

angels in the bible you know there's a

791

00:31:17,590 --> 00:31:15,120

lot of you can't prove anything that

792

00:31:20,789 --> 00:31:17,600

they say very little right but our we

793

00:31:23,029 --> 00:31:20,799

had a case file on every one of them and

794

00:31:27,029 --> 00:31:23,039

when and you got to remember the the way

795

00:31:29,830 --> 00:31:27,039

this thing flowed the ufo files were on

796

00:31:33,029 --> 00:31:29,840

for three years with bill burns right

797

00:31:34,950 --> 00:31:33,039

then it was ufo hunters maybe bill burns

798

00:31:36,950 --> 00:31:34,960

wasn't in that or made some appearances

799

00:31:39,590 --> 00:31:36,960

then three years of ufo hunters would

800

00:31:43,750 --> 00:31:39,600

bill burns right

801
00:31:45,350 --> 00:31:43,760
then ancient aliens came out in 2010 so

802
00:31:48,789 --> 00:31:45,360
it had already been three years of

803
00:31:52,310 --> 00:31:48,799
ancient aliens we were told if anger was

804
00:31:54,389 --> 00:31:52,320
successful we would then be the new show

805
00:31:57,430 --> 00:31:54,399
and ancient aliens is gone and the

806
00:31:59,430 --> 00:31:57,440
producer uh paul villa deloitte

807
00:32:01,590 --> 00:31:59,440
absolutely believed that and he kept

808
00:32:04,470 --> 00:32:01,600
saying it to us in seconds the second

809
00:32:06,870 --> 00:32:04,480
season this is the important season if

810
00:32:09,669 --> 00:32:06,880
we do well in the second season we get

811
00:32:11,110 --> 00:32:09,679
the third season and everybody gets paid

812
00:32:12,549 --> 00:32:11,120
properly

813
00:32:14,710 --> 00:32:12,559

which is one of the reasons they don't

814

00:32:17,110 --> 00:32:14,720

go 10 years with shows you know because

815

00:32:19,269 --> 00:32:17,120

you start paying big bucks to the people

816

00:32:22,389 --> 00:32:19,279

in it because they become celebrities so

817

00:32:24,389 --> 00:32:22,399

i said okay so i'm watching uh you know

818

00:32:28,149 --> 00:32:24,399

pulling up the ratings and stuff

819

00:32:29,990 --> 00:32:28,159

we're right we're averaging 1.5 1.5

820

00:32:32,230 --> 00:32:30,000

million viewers

821

00:32:34,389 --> 00:32:32,240

ancient aliens is barely breaking a

822

00:32:36,389 --> 00:32:34,399

million a lot of times under a million

823

00:32:38,630 --> 00:32:36,399

so we got them by a third

824

00:32:41,750 --> 00:32:38,640

and they're on at nine we're on a 10

825

00:32:43,830 --> 00:32:41,760

which is the tougher hour to draw i said

826

00:32:46,710 --> 00:32:43,840

we're in like flint you know

827

00:32:49,590 --> 00:32:46,720

so we we're done with season two and

828

00:32:51,110 --> 00:32:49,600

we're waiting to hear about season three

829

00:32:54,230 --> 00:32:51,120

and we got notified that they dropped

830

00:32:56,310 --> 00:32:54,240

tango one i said how's that possible

831

00:32:59,350 --> 00:32:56,320

you know we got a half a million more

832

00:33:01,990 --> 00:32:59,360

viewers put us on at nine put ancient

833

00:33:03,909 --> 00:33:02,000

aliens on at 10. and we would we would

834

00:33:06,630 --> 00:33:03,919

easily draw on over two million people

835

00:33:08,950 --> 00:33:06,640

because that was a good show and uh

836

00:33:11,669 --> 00:33:08,960

their answer was although you're drawing

837

00:33:15,509 --> 00:33:11,679

more the people that

838

00:33:17,509 --> 00:33:15,519

are watching your show are over 46 the

839

00:33:20,149 --> 00:33:17,519

people watching ancient aliens are under

840

00:33:22,549 --> 00:33:20,159

46 and marketing wise they spend more

841

00:33:25,669 --> 00:33:22,559

money so we're sticking with that

842

00:33:27,430 --> 00:33:25,679

because the commercials will pay more

843

00:33:30,149 --> 00:33:27,440

so that's what it was about this

844

00:33:33,029 --> 00:33:30,159

decision yeah yeah business but again if

845

00:33:35,029 --> 00:33:33,039

you had put us on at nine we would have

846

00:33:37,029 --> 00:33:35,039

got the younger people because you know

847

00:33:39,350 --> 00:33:37,039

at the time and even now i'm divorced

848

00:33:40,950 --> 00:33:39,360

i'm single 10 o'clock on a friday night

849

00:33:43,029 --> 00:33:40,960

i just want to head out

850

00:33:44,310 --> 00:33:43,039

so you know i don't but people were

851
00:33:46,149 --> 00:33:44,320
staying

852
00:33:47,750 --> 00:33:46,159
around to watch our show

853
00:33:50,950 --> 00:33:47,760
you know so i don't know that i thought

854
00:33:52,310 --> 00:33:50,960
that was kind of unfortunate and uh

855
00:33:54,070 --> 00:33:52,320
you know i really stopped watching

856
00:33:55,750 --> 00:33:54,080
ancient aliens when they said da vinci

857
00:33:57,110 --> 00:33:55,760
was an alien so

858
00:33:59,110 --> 00:33:57,120
and that's what i mean there's so many

859
00:34:01,430 --> 00:33:59,120
things in that show that i don't know

860
00:34:03,669 --> 00:34:01,440
season eight that was really the last

861
00:34:05,190 --> 00:34:03,679
season for me was season eight yeah that

862
00:34:07,590 --> 00:34:05,200
i just stopped watching it the vintage

863
00:34:10,629 --> 00:34:07,600

is an alien i said what

864

00:34:13,829 --> 00:34:10,639

did aliens create blocks yeah yeah yeah

865

00:34:16,550 --> 00:34:13,839

well you know what i used to do it at

866

00:34:19,030 --> 00:34:16,560

my conferences i run the three here in

867

00:34:21,349 --> 00:34:19,040

erie pittsburgh in philly and i used to

868

00:34:24,629 --> 00:34:21,359

make fun of giorgio a lot i would like

869

00:34:28,710 --> 00:34:24,639

take my glasses and say see this

870

00:34:31,349 --> 00:34:28,720

this could not have been made by humans

871

00:34:33,190 --> 00:34:31,359

this was made by aliens

872

00:34:34,950 --> 00:34:33,200

you know that's the issue with this

873

00:34:37,909 --> 00:34:34,960

field right everybody

874

00:34:39,510 --> 00:34:37,919

is crazy as the reach is even though we

875

00:34:41,430 --> 00:34:39,520

think we're based on more facts and

876

00:34:43,669 --> 00:34:41,440

we've read more legitimate things

877

00:34:46,149 --> 00:34:43,679

because there's no hard steadfast

878

00:34:49,270 --> 00:34:46,159

evidence that hasn't been dumbed down or

879

00:34:52,149 --> 00:34:49,280

censored or sequestered away

880

00:34:54,149 --> 00:34:52,159

nobody can really disprove anything so

881

00:34:56,629 --> 00:34:54,159

they get an equal plate at the table

882

00:34:58,310 --> 00:34:56,639

unfortunately in some cases and because

883

00:35:00,310 --> 00:34:58,320

there's grains of truth and a lot of it

884

00:35:02,710 --> 00:35:00,320

as well you can't throw the baby out

885

00:35:04,390 --> 00:35:02,720

with the bath water so you know we have

886

00:35:06,150 --> 00:35:04,400

our internal opinions we talk to a lot

887

00:35:08,470 --> 00:35:06,160

of people you know we see the world of

888

00:35:10,550 --> 00:35:08,480

commenting on ufo twitter and facebook

889

00:35:12,630 --> 00:35:10,560

and everything else so we kind of we

890

00:35:14,230 --> 00:35:12,640

think we know what's what but i mean you

891

00:35:15,750 --> 00:35:14,240

got guys like george knapp that used to

892

00:35:17,670 --> 00:35:15,760

think it was only this way and then

893

00:35:19,589 --> 00:35:17,680

humbly change their mind and say yeah

894

00:35:21,510 --> 00:35:19,599

i've been schooled i really didn't know

895

00:35:23,589 --> 00:35:21,520

anything let me let me create you more

896

00:35:26,150 --> 00:35:23,599

than now one more quick story before we

897

00:35:27,829 --> 00:35:26,160

get into some cases uh

898

00:35:30,230 --> 00:35:27,839

my friend out in minnesota and i can't

899

00:35:32,069 --> 00:35:30,240

think of his name now uh what kind of

900

00:35:33,670 --> 00:35:32,079

friend is that you don't even remember

901
00:35:36,470 --> 00:35:33,680
you know i haven't talked to these guys

902
00:35:39,190 --> 00:35:36,480
in a while i retired from the ufo field

903
00:35:41,670 --> 00:35:39,200
five years ago but yet uh everybody

904
00:35:44,470 --> 00:35:41,680
pulls me back in i'm on a radio show now

905
00:35:45,990 --> 00:35:44,480
uh every year tonight i'm here we didn't

906
00:35:47,829 --> 00:35:46,000
forget about you bro that's why you're

907
00:35:49,670 --> 00:35:47,839
here i wrote more books i still run the

908
00:35:52,150 --> 00:35:49,680
conferences for the pa chapter even

909
00:35:53,750 --> 00:35:52,160
though i retired but he he does the

910
00:35:54,950 --> 00:35:53,760
first uh

911
00:35:58,310 --> 00:35:54,960
ancient

912
00:36:00,790 --> 00:35:58,320
uh alien conference in the country and

913
00:36:03,349 --> 00:36:00,800

the history channel is there so the cast

914

00:36:04,870 --> 00:36:03,359

of ancient aliens is there in minnesota

915

00:36:06,390 --> 00:36:04,880

in 2012

916

00:36:08,470 --> 00:36:06,400

and

917

00:36:10,710 --> 00:36:08,480

i think myself

918

00:36:11,510 --> 00:36:10,720

and maybe one or two other people were

919

00:36:13,349 --> 00:36:11,520

not

920

00:36:16,150 --> 00:36:13,359

cast members but everybody was there

921

00:36:18,550 --> 00:36:16,160

except david childress uh georgiov and

922

00:36:20,150 --> 00:36:18,560

danican all of them are there the other

923

00:36:22,069 --> 00:36:20,160

guy i can't think of his name anymore

924

00:36:24,150 --> 00:36:22,079

the one that passed away he was like

925

00:36:25,750 --> 00:36:24,160

40-something and all of a sudden he got

926
00:36:28,390 --> 00:36:25,760
some uh

927
00:36:29,750 --> 00:36:28,400
glandular disease and he passed away i

928
00:36:31,190 --> 00:36:29,760
don't know if you remember the guy he

929
00:36:32,710 --> 00:36:31,200
kind of had a beard and almost like a

930
00:36:33,589 --> 00:36:32,720
french name but he had been on the show

931
00:36:36,630 --> 00:36:33,599
for

932
00:36:41,109 --> 00:36:38,870
yeah i i don't you know i wish i'm 40

933
00:36:43,030 --> 00:36:41,119
something oh god my memory was better

934
00:36:45,589 --> 00:36:43,040
but you know so i'm doing the show and i

935
00:36:47,589 --> 00:36:45,599
meet giorgio and of course i get a uh

936
00:36:49,030 --> 00:36:47,599
autograph from him even though at the

937
00:36:50,470 --> 00:36:49,040
time i had been i've been on the

938
00:36:52,150 --> 00:36:50,480

anderson cooper show i'd been on a

939

00:36:53,589 --> 00:36:52,160

couple of tv series so i get his

940

00:36:55,829 --> 00:36:53,599

autograph and i said hey i run these

941

00:36:57,990 --> 00:36:55,839

conferences in pittsburgh and philly

942

00:36:59,829 --> 00:36:58,000

primarily and we'd like to have you come

943

00:37:02,470 --> 00:36:59,839

he goes all right i'll i'll talk to you

944

00:37:04,550 --> 00:37:02,480

i'll i'll speak for you right so

945

00:37:08,150 --> 00:37:04,560

we're doing the conference and ian

946

00:37:10,870 --> 00:37:08,160

pundit is the uh narrator right and uh

947

00:37:13,109 --> 00:37:10,880

moderator and there was a couple of

948

00:37:15,190 --> 00:37:13,119

questions in a row that

949

00:37:18,790 --> 00:37:15,200

they you know people would ask

950

00:37:21,589 --> 00:37:18,800

ask giorgio you know order ian would ask

951
00:37:24,069 --> 00:37:21,599
and there was one with the those discs

952
00:37:26,390 --> 00:37:24,079
that were found in in china

953
00:37:28,950 --> 00:37:26,400
and georgio says nobody knows where they

954
00:37:30,069 --> 00:37:28,960
are right now so so ian says john what

955
00:37:31,910 --> 00:37:30,079
do you what do you think about that and

956
00:37:34,950 --> 00:37:31,920
i said wait a second those discs were

957
00:37:36,950 --> 00:37:34,960
taken to russia and in the grooves of

958
00:37:39,430 --> 00:37:36,960
the discs they found

959
00:37:40,950 --> 00:37:39,440
like information like you like almost

960
00:37:43,349 --> 00:37:40,960
you could play it on a victrola but

961
00:37:45,510 --> 00:37:43,359
there was information in those grooves

962
00:37:47,270 --> 00:37:45,520
so they're up in russia

963
00:37:49,190 --> 00:37:47,280

where giorgio then gets really annoyed

964

00:37:50,710 --> 00:37:49,200

and says well like i said nobody knows

965

00:37:52,390 --> 00:37:50,720

where they are right now so that

966

00:37:55,030 --> 00:37:52,400

happened on about three different

967

00:37:57,510 --> 00:37:55,040

questions that were asked right so after

968

00:37:59,750 --> 00:37:57,520

and this true story after the conference

969

00:38:01,190 --> 00:37:59,760

was done giorgio came up to me and said

970

00:38:04,390 --> 00:38:01,200

i want to tell you something i will

971

00:38:07,030 --> 00:38:04,400

never ever do a conference for you

972

00:38:08,870 --> 00:38:07,040

i said okay and he never did he never

973

00:38:10,230 --> 00:38:08,880

came to our conference you know so do

974

00:38:12,069 --> 00:38:10,240

you think it's that people don't want

975

00:38:14,550 --> 00:38:12,079

their glass house shattered or they want

976

00:38:16,870 --> 00:38:14,560

to be the only opinion and don't uh

977

00:38:18,230 --> 00:38:16,880

don't add or don't cut me off is it an

978

00:38:20,950 --> 00:38:18,240

ego thing or what do you think that's

979

00:38:22,710 --> 00:38:20,960

from i've had everybody on i've had

980

00:38:24,630 --> 00:38:22,720

everybody at my conferences travis

981

00:38:25,750 --> 00:38:24,640

walton uh

982

00:38:27,990 --> 00:38:25,760

nick pope

983

00:38:29,670 --> 00:38:28,000

everybody in the field except for the

984

00:38:33,349 --> 00:38:29,680

ancient alien people

985

00:38:35,990 --> 00:38:33,359

and with him in particular it's ego

986

00:38:37,589 --> 00:38:36,000

it is the biggest he's like tom cruise

987

00:38:39,510 --> 00:38:37,599

ego i've never seen anything like it in

988

00:38:41,670 --> 00:38:39,520

a human being you know but

989

00:38:42,710 --> 00:38:41,680

and that's my opinion you know if you

990

00:38:45,270 --> 00:38:42,720

ask me

991

00:38:47,430 --> 00:38:45,280

most conferences i go to

992

00:38:49,109 --> 00:38:47,440

i don't charge a speaking fee i really

993

00:38:50,790 --> 00:38:49,119

don't you know if they offer me a couple

994

00:38:52,630 --> 00:38:50,800

hundred 100 or two i said all right you

995

00:38:54,710 --> 00:38:52,640

know i got to park my car i got to drive

996

00:38:57,589 --> 00:38:54,720

to the airport you know i've never asked

997

00:38:59,190 --> 00:38:57,599

more than 200 to speak anywhere

998

00:39:00,870 --> 00:38:59,200

and i base that on the sides of the

999

00:39:02,550 --> 00:39:00,880

conference you know there's a lot of

1000

00:39:04,310 --> 00:39:02,560

small conferences i know they're not

1001

00:39:06,870 --> 00:39:04,320

making a lot of money i speak for free

1002

00:39:09,190 --> 00:39:06,880

even now you know but the ancient alien

1003

00:39:11,270 --> 00:39:09,200

guys started asking childress

1004

00:39:13,030 --> 00:39:11,280

you know fifteen hundred dollars you

1005

00:39:14,950 --> 00:39:13,040

know i said come on david we you know we

1006

00:39:17,510 --> 00:39:14,960

do the whole event and only make two

1007

00:39:19,510 --> 00:39:17,520

thousand and i'm going to give you 1500

1008

00:39:21,750 --> 00:39:19,520

you know i'm a better speaker than you

1009

00:39:24,069 --> 00:39:21,760

so i don't need you i'll speak again you

1010

00:39:25,589 --> 00:39:24,079

know that type of stuff so you know so i

1011

00:39:27,109 --> 00:39:25,599

don't know i think it's kind of ego with

1012

00:39:28,710 --> 00:39:27,119

some of that stuff but you know i'm not

1013

00:39:31,829 --> 00:39:28,720

in this for the money never been in it

1014

00:39:34,310 --> 00:39:31,839

for the money i spent more money uh

1015

00:39:36,470 --> 00:39:34,320

running around on investigations and and

1016

00:39:37,190 --> 00:39:36,480

helping other people with conferences

1017

00:39:38,950 --> 00:39:37,200

that

1018

00:39:41,990 --> 00:39:38,960

there's no money in this i published 10

1019

00:39:44,150 --> 00:39:42,000

books and i'm lucky i broke even

1020

00:39:45,750 --> 00:39:44,160

we had similar decision to make too like

1021

00:39:47,910 --> 00:39:45,760

for all of our viewers on our youtube

1022

00:39:49,510 --> 00:39:47,920

channel i hope you notice there's no

1023

00:39:50,710 --> 00:39:49,520

commercial when you click our video

1024

00:39:52,550 --> 00:39:50,720

there isn't one in the middle and there

1025

00:39:56,630 --> 00:39:52,560

isn't one at the end either and i'm also

1026
00:39:58,069 --> 00:39:56,640
not sponsoring coffee or jeans or uh you

1027
00:39:59,829 --> 00:39:58,079
know um

1028
00:40:01,589 --> 00:39:59,839
pest starbucks

1029
00:40:03,829 --> 00:40:01,599
yeah where i mean we could take the

1030
00:40:05,910 --> 00:40:03,839
money but uh and there will come a time

1031
00:40:07,589 --> 00:40:05,920
where it will only be feasible if we're

1032
00:40:10,390 --> 00:40:07,599
into that i think because it is a

1033
00:40:12,550 --> 00:40:10,400
full-time job in addition to our lives

1034
00:40:14,950 --> 00:40:12,560
our families and everything else right

1035
00:40:17,270 --> 00:40:14,960
but yeah we've chosen to not

1036
00:40:19,030 --> 00:40:17,280
go that route instantly and just as soon

1037
00:40:20,790 --> 00:40:19,040
as you can monetize bang let's start

1038
00:40:22,309 --> 00:40:20,800

getting subscriptions we're at the level

1039

00:40:24,790 --> 00:40:22,319

now where we could probably get a decent

1040

00:40:26,390 --> 00:40:24,800

buck for what we do but we feel like

1041

00:40:27,990 --> 00:40:26,400

that's almost a bit of a sellout you

1042

00:40:29,190 --> 00:40:28,000

know we've had people that we've asked

1043

00:40:31,109 --> 00:40:29,200

come on the show and they're like yeah

1044

00:40:32,630 --> 00:40:31,119

well you know due to my contract with my

1045

00:40:34,950 --> 00:40:32,640

agent i got to charge a thousand bucks

1046

00:40:37,190 --> 00:40:34,960

like what are you a neurosurgeon for one

1047

00:40:39,750 --> 00:40:37,200

hour

1048

00:40:41,910 --> 00:40:39,760

these episodes are 45 minutes long so

1049

00:40:43,510 --> 00:40:41,920

i tell those people thanks but no thanks

1050

00:40:46,390 --> 00:40:43,520

and oh yeah

1051
00:40:47,990 --> 00:40:46,400
i was so much a believer in this that we

1052
00:40:49,589 --> 00:40:48,000
have to find out because this is the

1053
00:40:52,309 --> 00:40:49,599
biggest

1054
00:40:54,150 --> 00:40:52,319
question in humanity i think that you

1055
00:40:55,990 --> 00:40:54,160
know with mufon you know i was on the

1056
00:40:57,910 --> 00:40:56,000
board for

1057
00:41:00,470 --> 00:40:57,920
three years it was kind of they called

1058
00:41:02,850 --> 00:41:00,480
it like a temporary board member and i'm

1059
00:41:04,349 --> 00:41:02,860
telling you the finances in

1060
00:41:07,990 --> 00:41:04,359
[Music]

1061
00:41:09,829 --> 00:41:08,000
2010 11 maybe 09 you know when we had

1062
00:41:12,390 --> 00:41:09,839
the housing crisis i guess was then an

1063
00:41:13,430 --> 00:41:12,400

08 yeah their finances were in the

1064

00:41:18,150 --> 00:41:13,440

toilet

1065

00:41:19,829 --> 00:41:18,160

i donated 13 000 to move on you know

1066

00:41:22,950 --> 00:41:19,839

it was a tax write-off because they're a

1067

00:41:25,670 --> 00:41:22,960

non-profit you know so it counts

1068

00:41:27,349 --> 00:41:25,680

but uh you know i felt good about that

1069

00:41:29,910 --> 00:41:27,359

you know i said i'm helping them stay

1070

00:41:32,309 --> 00:41:29,920

afloat and you know i was probably in

1071

00:41:34,150 --> 00:41:32,319

those two years their biggest donor you

1072

00:41:36,150 --> 00:41:34,160

know and and then they were able to

1073

00:41:37,510 --> 00:41:36,160

recover and now i understand they're

1074

00:41:40,150 --> 00:41:37,520

doing very well

1075

00:41:42,150 --> 00:41:40,160

and that's why even um having joined

1076

00:41:43,430 --> 00:41:42,160

mufon several years back and some people

1077

00:41:45,589 --> 00:41:43,440

are really upset about you know

1078

00:41:47,349 --> 00:41:45,599

sometimes they have an investigation and

1079

00:41:49,910 --> 00:41:47,359

the investigator comes back with you

1080

00:41:53,589 --> 00:41:51,430

basically

1081

00:41:55,030 --> 00:41:53,599

what happened on the the certain events

1082

00:41:56,710 --> 00:41:55,040

you know that took place their reports

1083

00:41:58,630 --> 00:41:56,720

and all that they don't understand it

1084

00:42:00,309 --> 00:41:58,640

comes out like we're not funded there's

1085

00:42:02,150 --> 00:42:00,319

no money coming in you know they're not

1086

00:42:03,430 --> 00:42:02,160

going to buy us or they're not paying

1087

00:42:05,510 --> 00:42:03,440

for the fuel they're not paying for the

1088

00:42:07,829 --> 00:42:05,520

equipment that we need like oh get you

1089

00:42:09,190 --> 00:42:07,839

need a to-go bag well it's a go bag

1090

00:42:11,270 --> 00:42:09,200

there's a lot of junk in there and

1091

00:42:14,230 --> 00:42:11,280

that's that's all costly right so yes

1092

00:42:16,390 --> 00:42:14,240

it's you might not agree with the uh the

1093

00:42:18,790 --> 00:42:16,400

end result that uh your mufon

1094

00:42:21,750 --> 00:42:18,800

investigator has for your case but keep

1095

00:42:23,829 --> 00:42:21,760

in mind that you know he she or they uh

1096

00:42:25,510 --> 00:42:23,839

with these days you gotta say that um

1097

00:42:26,390 --> 00:42:25,520

yeah you gotta you know you don't know

1098

00:42:28,069 --> 00:42:26,400

what

1099

00:42:30,069 --> 00:42:28,079

their expense you know how much money

1100

00:42:32,069 --> 00:42:30,079

they can spend on your case right it's a

1101

00:42:33,670 --> 00:42:32,079

cattle mutilation go nuts you know i'll

1102

00:42:35,190 --> 00:42:33,680

probably spend several

1103

00:42:36,950 --> 00:42:35,200

you know at least a thousand bucks on

1104

00:42:39,030 --> 00:42:36,960

that investigation but you know just for

1105

00:42:41,349 --> 00:42:39,040

something's floating in the sky like no

1106

00:42:43,190 --> 00:42:41,359

um yeah it costs it costs money to do

1107

00:42:45,750 --> 00:42:43,200

this but i tell you what though with the

1108

00:42:47,829 --> 00:42:45,760

conferences we did i i paid for the

1109

00:42:48,790 --> 00:42:47,839

first conference we did in montgomery

1110

00:42:51,430 --> 00:42:48,800

county

1111

00:42:53,430 --> 00:42:51,440

and the first conference it was we did

1112

00:42:56,309 --> 00:42:53,440

you know i was smart about this we got

1113

00:42:58,710 --> 00:42:56,319

this case in bucks county it's getting

1114

00:43:02,150 --> 00:42:58,720

all the it's in all the newspapers it's

1115

00:43:05,670 --> 00:43:02,160

on the tv news right the tv show airs in

1116

00:43:07,349 --> 00:43:05,680

november so january i run a ufo

1117

00:43:10,230 --> 00:43:07,359

conference there do you know how many

1118

00:43:12,790 --> 00:43:10,240

people showed up

1119

00:43:14,790 --> 00:43:12,800

600 are you serious the biggest

1120

00:43:17,990 --> 00:43:14,800

conference i ever did in my life we

1121

00:43:19,910 --> 00:43:18,000

charged ten dollars i paid to rent these

1122

00:43:22,069 --> 00:43:19,920

the science hall at the montgomery

1123

00:43:25,030 --> 00:43:22,079

community college i bought the screen

1124

00:43:27,829 --> 00:43:25,040

the projector brought my laptop i funded

1125

00:43:29,670 --> 00:43:27,839

that stuff and we made six grand because

1126

00:43:32,230 --> 00:43:29,680

it was two ten dollars to get in bill

1127

00:43:34,950 --> 00:43:32,240

burns david jacobs and myself were the

1128

00:43:37,190 --> 00:43:34,960

speakers we made six grand on that and

1129

00:43:40,309 --> 00:43:37,200

and we had gotten up to almost thirty

1130

00:43:43,190 --> 00:43:40,319

thousand dollars from our conferences

1131

00:43:46,309 --> 00:43:43,200

and we were then able to reimburse

1132

00:43:48,550 --> 00:43:46,319

investigators and fund stuff and send

1133

00:43:50,550 --> 00:43:48,560

things off to labs for reports and all

1134

00:43:52,390 --> 00:43:50,560

of that so yeah but that's how you do it

1135

00:43:55,270 --> 00:43:52,400

and you know and i had a

1136

00:43:56,710 --> 00:43:55,280

public television i'm at an event in

1137

00:43:59,190 --> 00:43:56,720

pittsburgh

1138

00:44:01,430 --> 00:43:59,200

and some guy walks up to me and and says

1139

00:44:03,990 --> 00:44:01,440

hey i've seen you on on television with

1140

00:44:07,270 --> 00:44:04,000

hangar one and all of that we have a

1141

00:44:09,349 --> 00:44:07,280

public tv show and he says

1142

00:44:12,069 --> 00:44:09,359

would you come in

1143

00:44:14,630 --> 00:44:12,079

and and do some half-hour episodes for

1144

00:44:17,270 --> 00:44:14,640

us and we air it on pittsburgh channel

1145

00:44:19,270 --> 00:44:17,280

11 tv at night and i said yeah i said

1146

00:44:20,710 --> 00:44:19,280

you know uh and i didn't get paid for

1147

00:44:22,710 --> 00:44:20,720

any of this so now i'm driving into

1148

00:44:25,750 --> 00:44:22,720

pittsburgh paying tolls and gas and all

1149

00:44:28,390 --> 00:44:25,760

of that and we we i named the show ufos

1150

00:44:31,270 --> 00:44:28,400

over pittsburgh which was cool and i'm

1151

00:44:33,670 --> 00:44:31,280

able to skype uh people in we had travis

1152

00:44:36,309 --> 00:44:33,680

we had everybody on the show and it was

1153

00:44:38,390 --> 00:44:36,319

free and it was on tv i never got paid

1154

00:44:39,829 --> 00:44:38,400

but i said you know what

1155

00:44:42,309 --> 00:44:39,839

we'll get more

1156

00:44:45,430 --> 00:44:42,319

investigators and more people at the

1157

00:44:48,710 --> 00:44:45,440

conferences and when i retired

1158

00:44:51,150 --> 00:44:48,720

as state director in 2012

1159

00:44:56,150 --> 00:44:51,160

we had 178

1160

00:44:57,829 --> 00:44:56,160

subscribers we had 43 investigators and

1161

00:44:59,990 --> 00:44:57,839

i think about that when you know 10

1162

00:45:02,230 --> 00:45:00,000

years earlier when i took it over

1163

00:45:04,790 --> 00:45:02,240

i'm lucky i had a dozen investigators

1164

00:45:06,950 --> 00:45:04,800

and you know now we're at 43. you know

1165

00:45:08,870 --> 00:45:06,960

we we really built this state up but

1166

00:45:10,550 --> 00:45:08,880

that's how you do it but i want to segue

1167

00:45:12,230 --> 00:45:10,560

into one other thing before you start

1168

00:45:13,589 --> 00:45:12,240

that because since we're talking about

1169

00:45:15,670 --> 00:45:13,599

funding

1170

00:45:17,910 --> 00:45:15,680

so you know i'm on the board of mufon

1171

00:45:20,150 --> 00:45:17,920

and all of a sudden we we're told that

1172

00:45:22,069 --> 00:45:20,160

robert bigelow

1173

00:45:25,750 --> 00:45:22,079

wants to get involved

1174

00:45:28,390 --> 00:45:25,760

and he will fund our investigations and

1175

00:45:30,870 --> 00:45:28,400

this is like oh nine so again it's right

1176

00:45:33,430 --> 00:45:30,880

there with the tv show and i just gotten

1177

00:45:36,230 --> 00:45:33,440

state director two years earlier robert

1178

00:45:39,109 --> 00:45:36,240

big and i meet the guy we have we have a

1179

00:45:41,270 --> 00:45:39,119

uh um the symposium i believe it was in

1180

00:45:44,950 --> 00:45:41,280

denver and there's billionaire robert

1181

00:45:47,670 --> 00:45:44,960

bigelow and i'm having a vodka and and i

1182

00:45:50,390 --> 00:45:47,680

have i i drink the vodka gin martinis

1183

00:45:53,270 --> 00:45:50,400

like james bond nice yeah shaken not

1184

00:45:54,950 --> 00:45:53,280

stirred that's right yeah and so we have

1185

00:45:57,030 --> 00:45:54,960

like here's a billionaire he don't know

1186

00:46:00,150 --> 00:45:57,040

me from anybody and we had like a

1187

00:46:03,109 --> 00:46:00,160

20-minute conversation about uh

1188

00:46:07,030 --> 00:46:03,119

colonizing mars you know it was it was

1189

00:46:08,870 --> 00:46:07,040

really cool but still again with people

1190

00:46:11,109 --> 00:46:08,880

you know you start getting

1191

00:46:13,750 --> 00:46:11,119

what's bigelow getting out of this and

1192

00:46:16,390 --> 00:46:13,760

what's going on with this and all i knew

1193

00:46:17,910 --> 00:46:16,400

is that if we had an investigation you

1194

00:46:20,309 --> 00:46:17,920

submitted an expense

1195

00:46:21,990 --> 00:46:20,319

report if you had to stay in a hotel if

1196

00:46:24,230 --> 00:46:22,000

you had it and they had to authorize it

1197

00:46:26,630 --> 00:46:24,240

first you know if you had to rent a car

1198

00:46:28,150 --> 00:46:26,640

you know gas and they're reimbursing you

1199

00:46:31,109 --> 00:46:28,160

you know i said this is the way it

1200

00:46:32,790 --> 00:46:31,119

should be we need and that kind of

1201
00:46:35,109 --> 00:46:32,800
funding and i don't remember the exact

1202
00:46:37,430 --> 00:46:35,119
figures seven hundred thousand dollars

1203
00:46:40,150 --> 00:46:37,440
is what bigelow put up

1204
00:46:42,150 --> 00:46:40,160
for a year to do these investigations

1205
00:46:44,309 --> 00:46:42,160
and of course then you get people you

1206
00:46:46,390 --> 00:46:44,319
know you know the crazies uh what's

1207
00:46:48,390 --> 00:46:46,400
bigelow getting is it being compromised

1208
00:46:51,109 --> 00:46:48,400
is he taking all the reports is he

1209
00:46:53,109 --> 00:46:51,119
getting all he wanted to do for seven

1210
00:46:54,230 --> 00:46:53,119
hundred thousand dollars was read the

1211
00:46:57,349 --> 00:46:54,240
report

1212
00:47:00,150 --> 00:46:57,359
you know he wanted to see it first

1213
00:47:02,710 --> 00:47:00,160

and if there was anything there for uh

1214

00:47:04,950 --> 00:47:02,720

that would describe the propulsion

1215

00:47:06,470 --> 00:47:04,960

anything that he could use because he's

1216

00:47:09,990 --> 00:47:06,480

building those

1217

00:47:12,309 --> 00:47:10,000

Pods in in you know his hotel right in

1218

00:47:13,670 --> 00:47:12,319

the atmosphere there you know he wanted

1219

00:47:15,589 --> 00:47:13,680

the information i thought it was the

1220

00:47:18,270 --> 00:47:15,599

best thing and that whole thing just

1221

00:47:21,510 --> 00:47:18,280

kind of de-evolved into

1222

00:47:23,190 --> 00:47:21,520

finger-pointing and James carry on he he

1223

00:47:25,990 --> 00:47:23,200

goes on vacation he comes back he's

1224

00:47:27,910 --> 00:47:26,000

fired as MUFON International director i

1225

00:47:29,109 --> 00:47:27,920

thought carry on was a good guy you know

1226

00:47:30,470 --> 00:47:29,119

they said well he didn't report

1227

00:47:32,390 --> 00:47:30,480

something right i don't you know the

1228

00:47:34,309 --> 00:47:32,400

whole thing just and the people on the

1229

00:47:35,990 --> 00:47:34,319

board and other people

1230

00:47:37,589 --> 00:47:36,000

state directors pointing fingers and the

1231

00:47:39,750 --> 00:47:37,599

whole thing fell a minute the minute

1232

00:47:41,829 --> 00:47:39,760

money gets involved

1233

00:47:43,109 --> 00:47:41,839

everything falls apart and bigelow is

1234

00:47:45,030 --> 00:47:43,119

one of those guys that we always think

1235

00:47:47,190 --> 00:47:45,040

like oh if i was a billionaire i would

1236

00:47:49,190 --> 00:47:47,200

spend money on investigating ufos well

1237

00:47:51,030 --> 00:47:49,200

that's exactly what he's doing

1238

00:47:52,950 --> 00:47:51,040

right so it's it's not like it's a

1239

00:47:55,270 --> 00:47:52,960

secret thing the guy's got the money to

1240

00:47:57,270 --> 00:47:55,280

spend on it let him spend it and i'll

1241

00:48:00,150 --> 00:47:57,280

tell you something else this is my

1242

00:48:01,990 --> 00:48:00,160

opinion what you're seeing right now

1243

00:48:04,230 --> 00:48:02,000

with the pentagon

1244

00:48:07,829 --> 00:48:04,240

with all of that you know they might put

1245

00:48:11,030 --> 00:48:07,839

tom delonge out as the front man and uh

1246

00:48:14,069 --> 00:48:11,040

elizondo i guarantee you in the

1247

00:48:16,549 --> 00:48:14,079

background bigelow's involved in this

1248

00:48:18,309 --> 00:48:16,559

i am straight from skinwalker ranch

1249

00:48:21,670 --> 00:48:18,319

onwards he's never really left it

1250

00:48:24,069 --> 00:48:21,680

wouldn't make sense i am 99.9 certain

1251

00:48:25,670 --> 00:48:24,079

that bigelow's in the middle of this and

1252

00:48:28,230 --> 00:48:25,680

because i you know he wants that

1253

00:48:29,910 --> 00:48:28,240

technology or something that's going to

1254

00:48:32,390 --> 00:48:29,920

help him with that space station that

1255

00:48:34,870 --> 00:48:32,400

he's got up there hotel thing but i

1256

00:48:37,270 --> 00:48:34,880

guarantee you he's behind that you know

1257

00:48:39,510 --> 00:48:37,280

so you know so it's a race to the patent

1258

00:48:41,190 --> 00:48:39,520

for this crazy science like even mosque

1259

00:48:44,150 --> 00:48:41,200

in everybody we're trying to go from

1260

00:48:47,109 --> 00:48:44,160

burning fossil fuels to using you know

1261

00:48:49,910 --> 00:48:47,119

antimatter as propulsion so whoever gets

1262

00:48:51,990 --> 00:48:49,920

it right first wins the monopoly game is

1263

00:48:54,390 --> 00:48:52,000

over when you land on the whole you know

1264

00:48:55,910 --> 00:48:54,400

the park place with a hotel you're done

1265

00:48:57,589 --> 00:48:55,920

huge it's huge

1266

00:48:59,430 --> 00:48:57,599

i'm looking i'm looking at motor trend

1267

00:49:00,950 --> 00:48:59,440

and you know i love the hummer and it's

1268

00:49:02,390 --> 00:49:00,960

electric now so i don't have to worry

1269

00:49:04,470 --> 00:49:02,400

about eight miles per gallon

1270

00:49:05,750 --> 00:49:04,480

if i say you know i just go snowmobiling

1271

00:49:08,069 --> 00:49:05,760

i'm not certain i could take that

1272

00:49:09,910 --> 00:49:08,079

electric hummer up in the mountains well

1273

00:49:11,910 --> 00:49:09,920

here's a caveat to that i also work in

1274

00:49:14,309 --> 00:49:11,920

the automotive business we both do and

1275

00:49:16,470 --> 00:49:14,319

uh we had uh we viewed one of the new

1276

00:49:19,910 --> 00:49:16,480

hummer electrics it was at the facility

1277

00:49:21,910 --> 00:49:19,920

we were at and uh this unit sold for 245

1278

00:49:23,990 --> 00:49:21,920

thousand dollars

1279

00:49:25,510 --> 00:49:24,000

it weighs 10 000 pounds

1280

00:49:27,589 --> 00:49:25,520

it feels like the equivalent of a

1281

00:49:29,270 --> 00:49:27,599

thousand horsepower when you nail it

1282

00:49:30,950 --> 00:49:29,280

right the whole idea if you look at how

1283

00:49:33,270 --> 00:49:30,960

much pollution was made mining the

1284

00:49:34,710 --> 00:49:33,280

lithium to make those batteries i know

1285

00:49:36,549 --> 00:49:34,720

you'd have been wait if it just burned

1286

00:49:38,470 --> 00:49:36,559

gas the rest of its life the next 20

1287

00:49:41,510 --> 00:49:38,480

years it would do the planet a bigger

1288

00:49:43,589 --> 00:49:41,520

favor and 29 000 to replace the

1289

00:49:45,510 --> 00:49:43,599

batteries you're not saving the planet

1290

00:49:47,510 --> 00:49:45,520

by buying electric cars i hate to tell

1291

00:49:49,270 --> 00:49:47,520

people that i ruffle people's feathers

1292

00:49:51,510 --> 00:49:49,280

but that's what they're doing california

1293

00:49:54,230 --> 00:49:51,520

said they're not going to produce uh gas

1294

00:49:55,910 --> 00:49:54,240

vehicles uh same in europe 2030 you

1295

00:49:57,430 --> 00:49:55,920

can't sell gas i think north america

1296

00:49:58,390 --> 00:49:57,440

they don't have any gas they got to get

1297

00:50:00,950 --> 00:49:58,400

it from russia

1298

00:50:02,870 --> 00:50:00,960

yeah that's a whole other show in itself

1299

00:50:05,030 --> 00:50:02,880

here everybody's riding bikes the

1300

00:50:07,109 --> 00:50:05,040

e-bikes

1301
00:50:09,030 --> 00:50:07,119
yeah that's what needs to happen again

1302
00:50:11,030 --> 00:50:09,040
ask me about cases let's get into some

1303
00:50:12,710 --> 00:50:11,040
cases this is viewer requested so that's

1304
00:50:14,069 --> 00:50:12,720
why i'm like i gotta get it done i'm

1305
00:50:16,549 --> 00:50:14,079
gonna get my head ripped off we're gonna

1306
00:50:18,309 --> 00:50:16,559
go two hours here social media hey if we

1307
00:50:20,230 --> 00:50:18,319
go and it's good content we keep this

1308
00:50:21,750 --> 00:50:20,240
baby running okay so we'll start with

1309
00:50:24,069 --> 00:50:21,760
the easy one and i know you're you're

1310
00:50:25,670 --> 00:50:24,079
polarized on this one so we don't want

1311
00:50:28,950 --> 00:50:25,680
to beat it to death but roswell new

1312
00:50:31,510 --> 00:50:28,960
mexico yay or nay okay it's uh it's a

1313
00:50:33,750 --> 00:50:31,520

nay and i'll tell you why and nick pope

1314

00:50:36,309 --> 00:50:33,760

actually now is mimicking my logic

1315

00:50:37,990 --> 00:50:36,319

because i had him in philly and i said

1316

00:50:39,750 --> 00:50:38,000

to the crowd what i believed about

1317

00:50:41,829 --> 00:50:39,760

roswell the heat and i was saying it on

1318

00:50:43,109 --> 00:50:41,839

tv but uh

1319

00:50:46,710 --> 00:50:43,119

roswell

1320

00:50:48,630 --> 00:50:46,720

in 1936 there was a ufo crash in the

1321

00:50:50,390 --> 00:50:48,640

black forest of germany

1322

00:50:52,790 --> 00:50:50,400

we ended up getting all of that with

1323

00:50:54,470 --> 00:50:52,800

operation paper clip we got all of them

1324

00:50:56,390 --> 00:50:54,480

we didn't know what we had hitler didn't

1325

00:50:58,630 --> 00:50:56,400

know what he had that's why he tried to

1326
00:50:59,910 --> 00:50:58,640
dig lock and all these other things he

1327
00:51:01,750 --> 00:50:59,920
was trying to do

1328
00:51:06,829 --> 00:51:01,760
my belief is

1329
00:51:09,109 --> 00:51:06,839
that uh the roswell crash was hours

1330
00:51:11,349 --> 00:51:09,119
experimentation trying to get the

1331
00:51:13,829 --> 00:51:11,359
anti-gravity to work and it crashed

1332
00:51:15,910 --> 00:51:13,839
there now as far as the bodies go maybe

1333
00:51:18,790 --> 00:51:15,920
there was an issue with weight maybe

1334
00:51:21,030 --> 00:51:18,800
they were you know dwarves midgets i

1335
00:51:22,790 --> 00:51:21,040
don't know but i would hate to think

1336
00:51:25,910 --> 00:51:22,800
that they were

1337
00:51:27,510 --> 00:51:25,920
some human experimentation but

1338
00:51:30,150 --> 00:51:27,520

when you look at what

1339

00:51:33,510 --> 00:51:30,160

hitler did and what the japanese did to

1340

00:51:35,990 --> 00:51:33,520

the chinese in unit 231 experimenting on

1341

00:51:38,630 --> 00:51:36,000

people and we continued some of that

1342

00:51:40,470 --> 00:51:38,640

stuff with the tuskegee airmen and other

1343

00:51:43,270 --> 00:51:40,480

mk ultra and

1344

00:51:45,589 --> 00:51:43,280

yeah yeah good good point all of that

1345

00:51:48,150 --> 00:51:45,599

who knows what the bodies were but in my

1346

00:51:50,309 --> 00:51:48,160

opinion it was not alien that was our

1347

00:51:52,870 --> 00:51:50,319

technology and that makes sense because

1348

00:51:55,510 --> 00:51:52,880

the initial headline um you know it was

1349

00:51:57,750 --> 00:51:55,520

the army captures flying disc that was

1350

00:51:59,829 --> 00:51:57,760

an army disclosure so if it was a secret

1351
00:52:02,790 --> 00:51:59,839
air force project there might have been

1352
00:52:04,230 --> 00:52:02,800
some not good cooperation that just

1353
00:52:05,670 --> 00:52:04,240
because it's an air force project

1354
00:52:08,790 --> 00:52:05,680
doesn't mean every other faction of the

1355
00:52:10,470 --> 00:52:08,800
military gets that in insider info it's

1356
00:52:12,630 --> 00:52:10,480
compartmentalized and then they pulled

1357
00:52:14,790 --> 00:52:12,640
it all down two days later and yeah i

1358
00:52:16,630 --> 00:52:14,800
said it was a weather balloon sorry we

1359
00:52:18,549 --> 00:52:16,640
didn't get nuked on wednesday that was

1360
00:52:21,270 --> 00:52:18,559
the lightning strike sorry it didn't

1361
00:52:23,990 --> 00:52:21,280
happen you know this took us two days

1362
00:52:26,870 --> 00:52:24,000
but it's tinfoil okay so we're we're in

1363
00:52:28,950 --> 00:52:26,880

neon roswell so now a very polarizing

1364

00:52:32,870 --> 00:52:28,960

subject what are your thoughts on bob

1365

00:52:34,630 --> 00:52:32,880

lazar area 51 s4 because that kind of

1366

00:52:37,109 --> 00:52:34,640

comes from that like we didn't know area

1367

00:52:38,950 --> 00:52:37,119

51 existed until george knapp got the

1368

00:52:41,829 --> 00:52:38,960

story of bob lazar and released him

1369

00:52:45,030 --> 00:52:41,839

right yeah yeah no i think lazar saw

1370

00:52:47,829 --> 00:52:45,040

what he saw and uh but again

1371

00:52:50,710 --> 00:52:47,839

is it alien or is it ours because you're

1372

00:52:53,829 --> 00:52:50,720

talking now what's that 1989 or so with

1373

00:52:56,470 --> 00:52:53,839

bob lazar and uh we've had this

1374

00:52:58,549 --> 00:52:56,480

technology to an extent for 40 years at

1375

00:53:02,069 --> 00:52:58,559

that point sure and

1376

00:53:04,470 --> 00:53:02,079

i think lazar saw that craft and stuff

1377

00:53:07,190 --> 00:53:04,480

absolutely and people say well he

1378

00:53:09,670 --> 00:53:07,200

falsified his his college

1379

00:53:12,069 --> 00:53:09,680

credentials i mean how many people have

1380

00:53:14,549 --> 00:53:12,079

i think a lot of people apply for jobs

1381

00:53:16,790 --> 00:53:14,559

and they exaggerate their college

1382

00:53:18,950 --> 00:53:16,800

credentials and their resume and a lot

1383

00:53:20,470 --> 00:53:18,960

of things so i think i think he's

1384

00:53:23,190 --> 00:53:20,480

already sore

1385

00:53:23,990 --> 00:53:23,200

but my belief is

1386

00:53:26,870 --> 00:53:24,000

that

1387

00:53:30,870 --> 00:53:26,880

probably around 1980

1388

00:53:34,069 --> 00:53:30,880

we finally broke through and we have

1389

00:53:37,829 --> 00:53:34,079

a real space force trump did not

1390

00:53:39,190 --> 00:53:37,839

discover create it in 2018 or 17

1391

00:53:41,750 --> 00:53:39,200

whenever he said

1392

00:53:44,790 --> 00:53:41,760

he created the space force that has been

1393

00:53:47,589 --> 00:53:44,800

there since the early 80s and when i

1394

00:53:49,670 --> 00:53:47,599

look back at the old cases you know

1395

00:53:52,230 --> 00:53:49,680

actually if you look it up 1982 there's

1396

00:53:54,829 --> 00:53:52,240

a space force involved with satellites

1397

00:53:58,150 --> 00:53:54,839

let's say that's what the job was

1398

00:54:01,030 --> 00:53:58,160

but i look at the uh

1399

00:54:03,430 --> 00:54:01,040

uh uh what's the case uh

1400

00:54:06,549 --> 00:54:03,440

uh hudson valley yeah

1401

00:54:08,230 --> 00:54:06,559

from this from christmas of 83 for i

1402

00:54:11,030 --> 00:54:08,240

don't know what that was seven years

1403

00:54:14,470 --> 00:54:11,040

yeah six years was the flap yeah 7 000

1404

00:54:17,109 --> 00:54:14,480

reports and witnesses and it's like

1405

00:54:19,109 --> 00:54:17,119

blatant and and nobody is investigating

1406

00:54:20,950 --> 00:54:19,119

it this thing's hovering over a nuclear

1407

00:54:23,589 --> 00:54:20,960

reactor and you don't have the air force

1408

00:54:25,430 --> 00:54:23,599

flying in there that was ours they were

1409

00:54:27,030 --> 00:54:25,440

testing it probably built it somewhere

1410

00:54:29,589 --> 00:54:27,040

up there in upstate new york they're

1411

00:54:31,030 --> 00:54:29,599

flying it and testing it i'm convinced

1412

00:54:33,910 --> 00:54:31,040

that um

1413

00:54:37,670 --> 00:54:33,920

hudson valley and the phoenix lights is

1414

00:54:39,510 --> 00:54:37,680

our technology those are ours and um

1415

00:54:42,390 --> 00:54:39,520

that's why i say like lazarus already

1416

00:54:45,750 --> 00:54:42,400

saw and maybe half of all the cases ever

1417

00:54:48,309 --> 00:54:45,760

reported is ours maybe the tic tac stuff

1418

00:54:50,230 --> 00:54:48,319

is our uh secret space force that

1419

00:54:51,990 --> 00:54:50,240

they're not telling you about they're

1420

00:54:54,230 --> 00:54:52,000

not telling you everything about it but

1421

00:54:58,069 --> 00:54:54,240

those are really ours you know it's

1422

00:54:59,829 --> 00:54:58,079

interesting i had a cousin um

1423

00:55:02,549 --> 00:54:59,839

quick story two of my cousins went to

1424

00:55:04,870 --> 00:55:02,559

the air force academy in the mid 70s

1425

00:55:05,670 --> 00:55:04,880

right and i would ask them you know the

1426

00:55:08,549 --> 00:55:05,680

uh

1427

00:55:10,789 --> 00:55:08,559

the physics

1428

00:55:13,510 --> 00:55:10,799

370 book at the air force i don't know

1429

00:55:16,390 --> 00:55:13,520

if you know about this chapter 33 is on

1430

00:55:18,390 --> 00:55:16,400

ufos and the threat right so i said when

1431

00:55:19,270 --> 00:55:18,400

you were at the air force academy did

1432

00:55:21,910 --> 00:55:19,280

you

1433

00:55:24,470 --> 00:55:21,920

see that and it was only there from 68

1434

00:55:26,950 --> 00:55:24,480

69 and 70. they went to the air force

1435

00:55:29,589 --> 00:55:26,960

academy like mid 70s they said no i

1436

00:55:31,030 --> 00:55:29,599

never said anything about that but

1437

00:55:31,829 --> 00:55:31,040

interesting though we're at dinner one

1438

00:55:33,270 --> 00:55:31,839

time

1439

00:55:36,549 --> 00:55:33,280

my cousin

1440

00:55:38,069 --> 00:55:36,559

frank is a two-star air force general

1441

00:55:42,710 --> 00:55:38,079

my other cousin i don't want to use his

1442

00:55:44,870 --> 00:55:42,720

name is nsa right so um so in the car i

1443

00:55:47,030 --> 00:55:44,880

was telling frankie about all these ufo

1444

00:55:49,109 --> 00:55:47,040

cases and nasa and all these things all

1445

00:55:50,309 --> 00:55:49,119

the evidence so he brings it up and then

1446

00:55:51,750 --> 00:55:50,319

it says hey

1447

00:55:53,910 --> 00:55:51,760

tells his brother

1448

00:55:55,589 --> 00:55:53,920

cousin johnny is saying this and he's

1449

00:55:58,470 --> 00:55:55,599

laughing and says what do you think

1450

00:56:00,549 --> 00:55:58,480

about about that and the nsa guy says

1451

00:56:05,430 --> 00:56:00,559

yeah i believe that you had to see my

1452

00:56:07,349 --> 00:56:05,440

air force cousin's jaw like this large

1453

00:56:10,309 --> 00:56:07,359

like what do you mean you believe that

1454

00:56:11,910 --> 00:56:10,319

you know but he did tell me one thing

1455

00:56:15,349 --> 00:56:11,920

and i could say it now because he passed

1456

00:56:16,950 --> 00:56:15,359

away uh last january he said john i can

1457

00:56:19,589 --> 00:56:16,960

tell you this

1458

00:56:21,670 --> 00:56:19,599

we have you know it's almost like that

1459

00:56:23,270 --> 00:56:21,680

guy who's who told jan horizon from

1460

00:56:26,150 --> 00:56:23,280

lockheed whatever that we can go to the

1461

00:56:29,589 --> 00:56:26,160

stores he said john you don't have to

1462

00:56:31,109 --> 00:56:29,599

worry at night we have stuff that china

1463

00:56:32,470 --> 00:56:31,119

and russia

1464

00:56:34,789 --> 00:56:32,480

no idea

1465

00:56:36,630 --> 00:56:34,799

so advanced you could sleep good at

1466

00:56:38,950 --> 00:56:36,640

night and you know unfortunately he

1467

00:56:41,510 --> 00:56:38,960

passed away at 65

1468

00:56:43,829 --> 00:56:41,520

about 18 months ago but that's why

1469

00:56:46,390 --> 00:56:43,839

that's why i say i i think that the

1470

00:56:49,430 --> 00:56:46,400

lazar stuff that's ours phoenix lights

1471

00:56:52,069 --> 00:56:49,440

is ours and uh hudson valley was ours

1472

00:56:54,470 --> 00:56:52,079

and we we have already been to every

1473

00:56:55,910 --> 00:56:54,480

planet in the solar system i believe

1474

00:56:56,789 --> 00:56:55,920

that 100

1475

00:56:58,390 --> 00:56:56,799

so do you think there's an

1476

00:57:00,150 --> 00:56:58,400

accountability though

1477

00:57:02,390 --> 00:57:00,160

on that to have that sort of technology

1478

00:57:04,309 --> 00:57:02,400

to scare the crap out of the population

1479

00:57:06,390 --> 00:57:04,319

not only that but let's say if it is

1480

00:57:08,390 --> 00:57:06,400

american technology they're flying it

1481

00:57:09,990 --> 00:57:08,400

over canada they're flying it over

1482

00:57:11,190 --> 00:57:10,000

europa they're flying it everywhere

1483

00:57:13,030 --> 00:57:11,200

without

1484

00:57:15,030 --> 00:57:13,040

basically asking for permission to be in

1485

00:57:17,109 --> 00:57:15,040

their airspace so there is some

1486

00:57:20,150 --> 00:57:17,119

repercussions to having this sort of

1487

00:57:21,750 --> 00:57:20,160

advanced technology if we do possess it

1488

00:57:24,230 --> 00:57:21,760

because there's accountability at this

1489

00:57:25,829 --> 00:57:24,240

point some people are getting radiation

1490

00:57:27,750 --> 00:57:25,839

poisoning from it they're getting these

1491

00:57:30,870 --> 00:57:27,760

weird diseases from approaching these

1492

00:57:33,270 --> 00:57:30,880

crafts uh you know um so there is an

1493

00:57:35,190 --> 00:57:33,280

accountability there isn't there well i

1494

00:57:37,589 --> 00:57:35,200

i would say to you do you think they

1495

00:57:39,670 --> 00:57:37,599

care the answer is no and i'll give you

1496

00:57:41,589 --> 00:57:39,680

example the bet um

1497

00:57:43,990 --> 00:57:41,599

not betting bonnie hill the the two that

1498

00:57:45,829 --> 00:57:44,000

were in texas in 1980

1499

00:57:47,750 --> 00:57:45,839

where the two ladies and the kids stayed

1500

00:57:50,390 --> 00:57:47,760

in the car and mentioned that the last

1501
00:57:53,910 --> 00:57:50,400
episode yes cash landrum right yeah that

1502
00:57:55,910 --> 00:57:53,920
was absolutely ours 1980 we're testing a

1503
00:57:58,549 --> 00:57:55,920
nuclear reactor on this thing it's being

1504
00:57:59,750 --> 00:57:58,559
followed by uh helicopters like what

1505
00:58:01,589 --> 00:57:59,760
helicopters

1506
00:58:03,750 --> 00:58:01,599
yeah it's like they shoot the thing down

1507
00:58:06,230 --> 00:58:03,760
this is ours it flies right over the

1508
00:58:09,030 --> 00:58:06,240
lady they they get the radiation

1509
00:58:10,789 --> 00:58:09,040
poisoning they remove the road

1510
00:58:12,870 --> 00:58:10,799
and they want a lawsuit it's the only

1511
00:58:14,870 --> 00:58:12,880
time anyone's ever successfully sued and

1512
00:58:16,470 --> 00:58:14,880
won for damages yeah i'll give you i'll

1513
00:58:17,750 --> 00:58:16,480

give you another example that they don't

1514

00:58:19,430 --> 00:58:17,760

care

1515

00:58:21,109 --> 00:58:19,440

and this may be one of your cases you

1516

00:58:23,030 --> 00:58:21,119

want to talk about kecksburg because

1517

00:58:24,950 --> 00:58:23,040

it's seven miles from me so i don't know

1518

00:58:26,950 --> 00:58:24,960

if that's one oh yeah i got kecksburg

1519

00:58:28,870 --> 00:58:26,960

right here the little acorn bell right

1520

00:58:31,910 --> 00:58:28,880

now yeah we don't we don't have to go in

1521

00:58:34,950 --> 00:58:31,920

chronological order uh unfortunately for

1522

00:58:37,829 --> 00:58:34,960

the ufo fans in pa locally i hooked up

1523

00:58:39,990 --> 00:58:37,839

with an engineer in 2015 and we went

1524

00:58:43,109 --> 00:58:40,000

step by step over everything the

1525

00:58:46,789 --> 00:58:43,119

witnesses said and his theory was that

1526

00:58:50,950 --> 00:58:46,799

kecksburg was a spy satellite

1527

00:58:53,430 --> 00:58:50,960

after the gary powers u2 uh capture of

1528

00:58:56,069 --> 00:58:53,440

his plane we still needed to spy on

1529

00:58:58,549 --> 00:58:56,079

russia so and this is an absolute fact

1530

00:59:00,950 --> 00:58:58,559

what we started doing

1531

00:59:02,710 --> 00:59:00,960

was launching capsules they were five

1532

00:59:04,950 --> 00:59:02,720

and a half feet tall five and a half

1533

00:59:07,030 --> 00:59:04,960

feet wide and it looks just like a space

1534

00:59:09,589 --> 00:59:07,040

capsule we launched them out of the

1535

00:59:11,510 --> 00:59:09,599

south pacific by johnson island so they

1536

00:59:13,510 --> 00:59:11,520

would go over the earth would spin

1537

00:59:14,549 --> 00:59:13,520

they'd take pictures of russia come back

1538

00:59:17,190 --> 00:59:14,559

around

1539

00:59:20,069 --> 00:59:17,200

eject the camera system we'd pick it up

1540

00:59:21,829 --> 00:59:20,079

now my point is not to debunk kecksburg

1541

00:59:23,349 --> 00:59:21,839

but i think that's actually what crashed

1542

00:59:25,510 --> 00:59:23,359

in kecksburg and i could tell you all

1543

00:59:28,069 --> 00:59:25,520

about it but

1544

00:59:29,270 --> 00:59:28,079

they would pick up the camera system the

1545

00:59:31,589 --> 00:59:29,280

capsule

1546

00:59:34,630 --> 00:59:31,599

would land in the water and sink

1547

00:59:37,030 --> 00:59:34,640

it has an atomic generator on it and

1548

00:59:39,430 --> 00:59:37,040

there are hundreds of them that sunk to

1549

00:59:41,589 --> 00:59:39,440

the bottom of the pacific yeah nobody

1550

00:59:43,670 --> 00:59:41,599

cared about the radiation so when it

1551
00:59:44,710 --> 00:59:43,680
comes to the government and look i love

1552
00:59:46,870 --> 00:59:44,720
america

1553
00:59:49,109 --> 00:59:46,880
you know i am love it or leave it you

1554
00:59:50,950 --> 00:59:49,119
know i want my freedoms and i am you

1555
00:59:52,789 --> 00:59:50,960
know and people need to be

1556
00:59:54,789 --> 00:59:52,799
where they succeed on their own and not

1557
00:59:57,109 --> 00:59:54,799
with government handouts and stuff but

1558
00:59:58,150 --> 00:59:57,119
you know when it comes to the government

1559
01:00:00,470 --> 00:59:58,160
they're going to do what they're going

1560
01:00:02,789 --> 01:00:00,480
to do and there isn't accountability and

1561
01:00:04,230 --> 01:00:02,799
there's no concern for human life very

1562
01:00:05,109 --> 01:00:04,240
little because if they can get away with

1563
01:00:12,150 --> 01:00:05,119

it

1564

01:00:15,349 --> 01:00:12,160

the chinese and we've done this stuff

1565

01:00:18,390 --> 01:00:15,359

too with mk ultra you know i i think

1566

01:00:21,430 --> 01:00:18,400

the to get the technology

1567

01:00:24,150 --> 01:00:21,440

and be the most powerful country

1568

01:00:26,230 --> 01:00:24,160

is job one you know i wrote a book once

1569

01:00:28,630 --> 01:00:26,240

where the opening scene i don't remember

1570

01:00:29,270 --> 01:00:28,640

which book i've written 10. but

1571

01:00:40,069 --> 01:00:29,280

i

1572

01:00:42,309 --> 01:00:40,079

what afar whatever the guy's name was

1573

01:00:44,870 --> 01:00:42,319

where he couldn't fire and locked up his

1574

01:00:48,390 --> 01:00:44,880

weapons yeah and then but it crashed but

1575

01:00:51,510 --> 01:00:48,400

it crashed that ufo it went down so in

1576

01:00:52,710 --> 01:00:51,520

the is the novel i wrote uh they back

1577

01:00:55,349 --> 01:00:52,720

engineered it

1578

01:00:58,230 --> 01:00:55,359

so there now that's why they're so bold

1579

01:01:00,230 --> 01:00:58,240

the uh you know the iranians right so in

1580

01:01:02,549 --> 01:01:00,240

this novel i wrote it was an opening i

1581

01:01:05,670 --> 01:01:02,559

know the book it's the uh

1582

01:01:08,230 --> 01:01:05,680

apophis 2029 is the book set in the year

1583

01:01:10,069 --> 01:01:08,240

2029. they challenge us but they don't

1584

01:01:11,430 --> 01:01:10,079

know we already have back engineered it

1585

01:01:13,349 --> 01:01:11,440

and we have an encounter over the

1586

01:01:14,870 --> 01:01:13,359

atlantic and that was just the opening

1587

01:01:17,030 --> 01:01:14,880

of the book

1588

01:01:19,510 --> 01:01:17,040

the interesting thing too is that acorn

1589

01:01:21,990 --> 01:01:19,520

or bell-shaped capsule that was seen

1590

01:01:22,829 --> 01:01:22,000

apparently had some weird griff glyph

1591

01:01:25,030 --> 01:01:22,839

type

1592

01:01:26,710 --> 01:01:25,040

hieroglyphs but i mean think about it if

1593

01:01:30,230 --> 01:01:26,720

you come from a small place and you've

1594

01:01:31,910 --> 01:01:30,240

never seen arabic writing or cyrillic or

1595

01:01:32,950 --> 01:01:31,920

you know any type of a middle eastern

1596

01:01:34,870 --> 01:01:32,960

culture

1597

01:01:36,470 --> 01:01:34,880

that would look like man that's alien

1598

01:01:37,510 --> 01:01:36,480

writing for sure what the hell is that

1599

01:01:39,030 --> 01:01:37,520

it doesn't look anything like the

1600

01:01:41,430 --> 01:01:39,040

lettering systems that we're accustomed

1601

01:01:43,670 --> 01:01:41,440

to so it's plausible that it was not

1602

01:01:45,910 --> 01:01:43,680

alien writing it could have been writing

1603

01:01:47,349 --> 01:01:45,920

from another culture right here on our

1604

01:01:49,510 --> 01:01:47,359

own planet right let me tell you a

1605

01:01:51,990 --> 01:01:49,520

little bit about kecksburg so so we we

1606

01:01:54,870 --> 01:01:52,000

went into that and those capsules were

1607

01:01:57,349 --> 01:01:54,880

first sent to england they were going to

1608

01:01:59,589 --> 01:01:57,359

be used there they were also capable of

1609

01:02:02,069 --> 01:01:59,599

of carrying atomic weapons

1610

01:02:05,349 --> 01:02:02,079

or nuclear weapons at that time or maybe

1611

01:02:08,549 --> 01:02:05,359

they were atomic no atomic in 65 right

1612

01:02:10,470 --> 01:02:08,559

and then they were shipped back and so

1613

01:02:12,069 --> 01:02:10,480

the engineers said look they had to be

1614

01:02:14,549 --> 01:02:12,079

some writing there had to be something

1615

01:02:18,630 --> 01:02:14,559

that they put around it but one of the

1616

01:02:20,549 --> 01:02:18,640

things we found was one of the witnesses

1617

01:02:22,230 --> 01:02:20,559

on the writing so there's some

1618

01:02:24,470 --> 01:02:22,240

scribbling and all stuff but there's a

1619

01:02:28,150 --> 01:02:24,480

five-pointed star your regular

1620

01:02:30,470 --> 01:02:28,160

five-pointed star on it in a circle

1621

01:02:32,069 --> 01:02:30,480

yeah that's an air force army symbol in

1622

01:02:34,470 --> 01:02:32,079

the united states

1623

01:02:36,470 --> 01:02:34,480

and that's on the base with the other

1624

01:02:39,109 --> 01:02:36,480

writing so that told me those were

1625

01:02:40,870 --> 01:02:39,119

military right so then the witnesses are

1626
01:02:44,309 --> 01:02:40,880
saying well when this thing's when it's

1627
01:02:46,870 --> 01:02:44,319
coming down over canada and detroit

1628
01:02:48,470 --> 01:02:46,880
uh it changes direction

1629
01:02:51,750 --> 01:02:48,480
i find a manual

1630
01:02:54,150 --> 01:02:51,760
from the air force a general statement

1631
01:02:56,549 --> 01:02:54,160
general's statement stating there's a

1632
01:02:59,029 --> 01:02:56,559
weight and balance system there they can

1633
01:03:00,870 --> 01:02:59,039
send a radio signal it it

1634
01:03:03,430 --> 01:03:00,880
tilts the weight and

1635
01:03:05,190 --> 01:03:03,440
off of the heavy air we can

1636
01:03:07,510 --> 01:03:05,200
change the direction and land it within

1637
01:03:09,589 --> 01:03:07,520
a hundred yards of where we want it to

1638
01:03:11,190 --> 01:03:09,599

so it doesn't crash into a city or kill

1639

01:03:13,670 --> 01:03:11,200

somebody right and where was this thing

1640

01:03:16,069 --> 01:03:13,680

headed straight at cleveland yeah and

1641

01:03:19,190 --> 01:03:16,079

pittsburgh so they they changed it a

1642

01:03:20,549 --> 01:03:19,200

little bit and we're 30 miles

1643

01:03:27,190 --> 01:03:20,559

south

1644

01:03:29,990 --> 01:03:27,200

the city right so that's explained

1645

01:03:32,309 --> 01:03:30,000

uh it had a copper alloy heat shield

1646

01:03:33,029 --> 01:03:32,319

which glows green because it's copper

1647

01:03:35,910 --> 01:03:33,039

right

1648

01:03:38,150 --> 01:03:35,920

people saw it glowing green coming in

1649

01:03:41,109 --> 01:03:38,160

they said four nasa guys were there

1650

01:03:43,190 --> 01:03:41,119

carrying a large box probably a lead box

1651
01:03:45,829 --> 01:03:43,200
because it had an atomic reactor they

1652
01:03:47,750 --> 01:03:45,839
were in radiation suits they saw blue

1653
01:03:49,670 --> 01:03:47,760
arcing in the woods well they're cutting

1654
01:03:52,069 --> 01:03:49,680
the thing open to get the generator out

1655
01:03:54,549 --> 01:03:52,079
of it they can't drive it down route 30

1656
01:03:55,670 --> 01:03:54,559
here with leaking radiation all over the

1657
01:03:58,789 --> 01:03:55,680
turnpike

1658
01:04:01,029 --> 01:03:58,799
you know we explained every single part

1659
01:04:02,470 --> 01:04:01,039
of that so you know as much as i like i

1660
01:04:04,710 --> 01:04:02,480
love a good story and i like all of

1661
01:04:06,870 --> 01:04:04,720
these to be true i think kecksburg was

1662
01:04:08,950 --> 01:04:06,880
the spy setup but get this

1663
01:04:11,109 --> 01:04:08,960

unsolved mysteries does their

1664

01:04:12,710 --> 01:04:11,119

investigation the sci-fi channel does

1665

01:04:15,910 --> 01:04:12,720

their investigation

1666

01:04:17,589 --> 01:04:15,920

nobody can locate one military officer

1667

01:04:20,069 --> 01:04:17,599

that was there

1668

01:04:23,270 --> 01:04:20,079

all we got is these statements and stuff

1669

01:04:24,950 --> 01:04:23,280

so we write the paper up it's the cover

1670

01:04:27,270 --> 01:04:24,960

of the pittsburgh not to cover the

1671

01:04:29,510 --> 01:04:27,280

living section cover of the pittsburgh

1672

01:04:31,589 --> 01:04:29,520

tribune uh post-gazette

1673

01:04:34,069 --> 01:04:31,599

that reporter was in the military puts

1674

01:04:37,190 --> 01:04:34,079

it on stars and stripes right

1675

01:04:40,470 --> 01:04:37,200

and then we i get contacted from a guy

1676
01:04:42,630 --> 01:04:40,480
up in maine he says my neighbor was the

1677
01:04:45,750 --> 01:04:42,640
guy who headed up the investigation he

1678
01:04:48,549 --> 01:04:45,760
would tell us all the time so he gave us

1679
01:04:51,190 --> 01:04:48,559
the the name we looked the guy up we

1680
01:04:54,390 --> 01:04:51,200
found the army officer that headed up

1681
01:04:57,270 --> 01:04:54,400
the kecksburg investiga recovery

1682
01:04:59,910 --> 01:04:57,280
retrieval so we did what nobody else was

1683
01:05:01,670 --> 01:04:59,920
able to do we identified who he was so

1684
01:05:04,069 --> 01:05:01,680
do you think that any of these cases

1685
01:05:06,390 --> 01:05:04,079
like the benny barney hill for instance

1686
01:05:09,109 --> 01:05:06,400
uh was that

1687
01:05:11,750 --> 01:05:09,119
human related technology is that

1688
01:05:12,549 --> 01:05:11,760

something that kind of borders into the

1689

01:05:14,789 --> 01:05:12,559

uh

1690

01:05:16,230 --> 01:05:14,799

sort of the gray area and that's kind of

1691

01:05:19,029 --> 01:05:16,240

pun intended there but you know there

1692

01:05:21,270 --> 01:05:19,039

were little gray men uh do do you think

1693

01:05:24,549 --> 01:05:21,280

that that the phenomenon of abduction is

1694

01:05:26,390 --> 01:05:24,559

something that is currently ongoing yeah

1695

01:05:28,470 --> 01:05:26,400

yeah i think so but the thing has

1696

01:05:30,789 --> 01:05:28,480

changed uh i believe the betty and

1697

01:05:32,950 --> 01:05:30,799

bonnie hill i believe mostly my biggest

1698

01:05:34,710 --> 01:05:32,960

belief is travis walton good friend of

1699

01:05:37,510 --> 01:05:34,720

mine i was talking to him about an hour

1700

01:05:39,990 --> 01:05:37,520

before he got on the show um

1701

01:05:41,829 --> 01:05:40,000

i believe his case he's he's passed five

1702

01:05:42,789 --> 01:05:41,839

six poly graphs

1703

01:05:44,069 --> 01:05:42,799

you know

1704

01:05:47,190 --> 01:05:44,079

but

1705

01:05:49,109 --> 01:05:47,200

it let's see that was in the 70s no

1706

01:05:51,589 --> 01:05:49,119

that's that couldn't be our technology

1707

01:05:54,069 --> 01:05:51,599

know even though he did run into these

1708

01:05:55,670 --> 01:05:54,079

officers that he thought was ours yeah

1709

01:05:59,029 --> 01:05:55,680

they looked like schwarzenegger you know

1710

01:06:01,270 --> 01:05:59,039

they were big muscular nordics

1711

01:06:02,950 --> 01:06:01,280

now yeah you better you know they took

1712

01:06:04,470 --> 01:06:02,960

them and put the gas mask on them and

1713

01:06:06,630 --> 01:06:04,480

knocked them out but

1714

01:06:09,109 --> 01:06:06,640

you know those are all good but it's a

1715

01:06:10,549 --> 01:06:09,119

strange thing this abduction thing so i

1716

01:06:13,990 --> 01:06:10,559

got a whole different view now on the

1717

01:06:16,789 --> 01:06:14,000

abduction thing is uh i agree with dr

1718

01:06:19,910 --> 01:06:16,799

david jacobs i don't agree with kathy

1719

01:06:22,789 --> 01:06:19,920

kathleen martin and uh there's a segment

1720

01:06:25,750 --> 01:06:22,799

of the ufo field with ray hernandez and

1721

01:06:27,589 --> 01:06:25,760

that free organization and you know it i

1722

01:06:28,950 --> 01:06:27,599

don't want to say they've become liberal

1723

01:06:31,029 --> 01:06:28,960

but you know they think the alien

1724

01:06:33,270 --> 01:06:31,039

abduction is a good thing you know it's

1725

01:06:35,430 --> 01:06:33,280

good to get abducted it's positive in

1726

01:06:37,589 --> 01:06:35,440

your life i remember telling ray

1727

01:06:40,230 --> 01:06:37,599

hernandez if it's so

1728

01:06:41,829 --> 01:06:40,240

good offer your grandkids up for an

1729

01:06:43,270 --> 01:06:41,839

abduction it's got to be better than

1730

01:06:45,829 --> 01:06:43,280

public school

1731

01:06:48,630 --> 01:06:45,839

you know but every case prior to the

1732

01:06:51,029 --> 01:06:48,640

last five years let's say

1733

01:06:54,069 --> 01:06:51,039

over 90 of the abductions has been

1734

01:06:56,470 --> 01:06:54,079

negative even jacques valet said it has

1735

01:06:59,510 --> 01:06:56,480

all the markers of

1736

01:07:02,230 --> 01:06:59,520

paganism and that type of stuff

1737

01:07:05,270 --> 01:07:02,240

and i think i took kenneth ring's

1738

01:07:06,950 --> 01:07:05,280

research where he compared near-death

1739

01:07:08,630 --> 01:07:06,960

experience

1740

01:07:10,150 --> 01:07:08,640

and

1741

01:07:12,630 --> 01:07:10,160

alien abduction

1742

01:07:16,710 --> 01:07:12,640

and i then read all the books on

1743

01:07:19,750 --> 01:07:16,720

exorcism and uh hauntings and i compared

1744

01:07:21,670 --> 01:07:19,760

his research to demonic infestation

1745

01:07:24,470 --> 01:07:21,680

there's about a 70

1746

01:07:28,710 --> 01:07:24,480

overlap in the alien abduction

1747

01:07:31,109 --> 01:07:28,720

to a demonic case 70 percent

1748

01:07:33,109 --> 01:07:31,119

and uh i i think i was telling this to

1749

01:07:35,270 --> 01:07:33,119

somebody recently oh i'll tell you i

1750

01:07:37,349 --> 01:07:35,280

became when i ran for governor i became

1751

01:07:39,029 --> 01:07:37,359

friends with the pittsburgh militia you

1752

01:07:41,430 --> 01:07:39,039

know the militia guys

1753

01:07:43,190 --> 01:07:41,440

right yeah i became cause somebody went

1754

01:07:44,950 --> 01:07:43,200

after them one of the other candidates i

1755

01:07:46,630 --> 01:07:44,960

came to their defense you know they're

1756

01:07:49,510 --> 01:07:46,640

not starting any trouble these guys come

1757

01:07:51,670 --> 01:07:49,520

to our political events and provide free

1758

01:07:54,630 --> 01:07:51,680

security i became real good friends with

1759

01:07:56,230 --> 01:07:54,640

them so we we we were discussing this

1760

01:07:58,710 --> 01:07:56,240

and i just lost my train of thought what

1761

01:08:01,670 --> 01:07:58,720

was we just discussing uh about the uh

1762

01:08:05,510 --> 01:08:01,680

alien abductions okay yeah abduct yeah

1763

01:08:08,789 --> 01:08:05,520

so so i i i you got a 70

1764

01:08:09,829 --> 01:08:08,799

uh overlap uh with the demonic stuff you

1765

01:08:11,829 --> 01:08:09,839

know so

1766

01:08:13,750 --> 01:08:11,839

in my mind

1767

01:08:16,309 --> 01:08:13,760

there's been a change here

1768

01:08:17,349 --> 01:08:16,319

david jacobs has always felt it was very

1769

01:08:20,309 --> 01:08:17,359

negative

1770

01:08:22,950 --> 01:08:20,319

they were here for hybridization

1771

01:08:25,749 --> 01:08:22,960

and and uh they've gone four or five

1772

01:08:27,910 --> 01:08:25,759

generations now let's say since the 40s

1773

01:08:30,309 --> 01:08:27,920

and they've infiltrated government

1774

01:08:33,030 --> 01:08:30,319

they've infiltrated uh

1775

01:08:35,910 --> 01:08:33,040

ceos of corporations i mean the google

1776

01:08:37,829 --> 01:08:35,920

guy looks looks like data to me right

1777

01:08:39,669 --> 01:08:37,839

the guy at georgia google but think

1778

01:08:41,669 --> 01:08:39,679

about it and you see in this country the

1779

01:08:43,990 --> 01:08:41,679

changes here are happening so quickly in

1780

01:08:46,309 --> 01:08:44,000

the u.s almost they're being

1781

01:08:49,189 --> 01:08:46,319

orchestrated and of course i think it's

1782

01:08:52,470 --> 01:08:49,199

soros and that type but

1783

01:08:55,269 --> 01:08:52,480

something is changing our culture here

1784

01:08:57,990 --> 01:08:55,279

very quickly but um

1785

01:09:00,470 --> 01:08:58,000

so you know i i looked i looked at it

1786

01:09:02,390 --> 01:09:00,480

and i said look

1787

01:09:05,669 --> 01:09:02,400

carla turner if you're familiar with her

1788

01:09:07,510 --> 01:09:05,679

cases uh where she was abducted her her

1789

01:09:10,229 --> 01:09:07,520

husband her son

1790

01:09:12,149 --> 01:09:10,239

all three had the same dreams

1791

01:09:16,149 --> 01:09:12,159

uh you know

1792

01:09:17,910 --> 01:09:16,159

windows rattling doors rattling uh

1793

01:09:20,550 --> 01:09:17,920

you could hear something walking with

1794

01:09:22,709 --> 01:09:20,560

nails and claws and i'm reading this

1795

01:09:25,430 --> 01:09:22,719

saying this is how is this alien how is

1796

01:09:27,349 --> 01:09:25,440

this an alien thing you know the sun

1797

01:09:28,950 --> 01:09:27,359

becomes almost possessed

1798

01:09:30,709 --> 01:09:28,960

he's in a parking lot with his

1799

01:09:32,550 --> 01:09:30,719

girlfriend and he's trying to get her

1800

01:09:34,709 --> 01:09:32,560

out from under the street lamp come over

1801

01:09:37,349 --> 01:09:34,719

here in the dark i have somebody for you

1802

01:09:40,229 --> 01:09:37,359

to meet the whole thing was absolutely

1803

01:09:43,030 --> 01:09:40,239

uh creepy and uh matter of fact her last

1804

01:09:45,110 --> 01:09:43,040

book she said some remark about

1805

01:09:48,149 --> 01:09:45,120

if you think these are

1806

01:09:49,749 --> 01:09:48,159

aliens or angels you know and i can't

1807

01:09:52,470 --> 01:09:49,759

remember the name of the book destiny of

1808

01:09:54,870 --> 01:09:52,480

angels whatever she called it uh she

1809

01:09:57,270 --> 01:09:54,880

says this is a complete uh

1810

01:10:00,470 --> 01:09:57,280

trick you know and the more you look at

1811

01:10:02,790 --> 01:10:00,480

valet even uh highnick

1812

01:10:05,990 --> 01:10:02,800

said this is interdimensional valet and

1813

01:10:07,750 --> 01:10:06,000

keel all say that this is demonic and

1814

01:10:10,870 --> 01:10:07,760

you know if this time at the end i'll

1815

01:10:12,550 --> 01:10:10,880

tell you about my one and only yeah go

1816

01:10:14,149 --> 01:10:12,560

ahead let's do it let's do it right now

1817

01:10:15,910 --> 01:10:14,159

we're right here here we go this is

1818

01:10:17,030 --> 01:10:15,920

going to change the whole show on you

1819

01:10:19,750 --> 01:10:17,040

all right um

1820

01:10:23,110 --> 01:10:19,760

and and this is really interesting

1821

01:10:26,070 --> 01:10:23,120

night i joined mufon in 98 right so in

1822

01:10:28,070 --> 01:10:26,080

99 i go to the first symposium because

1823

01:10:31,350 --> 01:10:28,080

it's close by it's in dc northern

1824

01:10:33,590 --> 01:10:31,360

virginia i drive it's only 200 miles so

1825

01:10:35,669 --> 01:10:33,600

i drive there i go to the symposium it's

1826

01:10:39,510 --> 01:10:35,679

great i meet all these people i'm loving

1827

01:10:40,950 --> 01:10:39,520

it right and uh i get home the next four

1828

01:10:43,350 --> 01:10:40,960

nights were

1829

01:10:46,870 --> 01:10:43,360

nothing but a haunting

1830

01:10:49,030 --> 01:10:46,880

uh lucid dreams there is something a

1831

01:10:51,510 --> 01:10:49,040

presence in my room

1832

01:10:53,750 --> 01:10:51,520

and and in my opinion this is not alien

1833

01:10:55,990 --> 01:10:53,760

i'm waking i'm seeing this creature

1834

01:10:58,229 --> 01:10:56,000

standing next to me i'm waking up every

1835

01:10:59,590 --> 01:10:58,239

hour swinging my fist because i know

1836

01:11:02,070 --> 01:10:59,600

it's right next to me i hit the

1837

01:11:02,870 --> 01:11:02,080

headboard uh the post almost broke my

1838

01:11:03,990 --> 01:11:02,880

wrist

1839

01:11:05,990 --> 01:11:04,000

um

1840

01:11:08,229 --> 01:11:06,000

i have an out of body experience where

1841

01:11:11,110 --> 01:11:08,239

i'm floating over the house i see my

1842

01:11:13,030 --> 01:11:11,120

green grand cherokee spark there and for

1843

01:11:14,709 --> 01:11:13,040

a second i said touch the peak of the

1844

01:11:15,669 --> 01:11:14,719

roof the peak of the roof was right

1845

01:11:17,590 --> 01:11:15,679

there

1846

01:11:18,870 --> 01:11:17,600

and i was saying touch it

1847

01:11:20,950 --> 01:11:18,880

i don't know if i woke up i might have

1848

01:11:22,149 --> 01:11:20,960

fell i don't know what would happen but

1849

01:11:24,630 --> 01:11:22,159

you know it

1850

01:11:26,709 --> 01:11:24,640

then i see these two hybrid kids

1851

01:11:29,030 --> 01:11:26,719

right there's they're there

1852

01:11:31,510 --> 01:11:29,040

and i have dobermans i always have my

1853

01:11:34,870 --> 01:11:31,520

doberman's floating in the air uh

1854

01:11:37,270 --> 01:11:34,880

horizontally his legs are sticking out

1855

01:11:39,750 --> 01:11:37,280

this kid's poking him right and i'm

1856

01:11:41,910 --> 01:11:39,760

yelling at the kid stop poking the dog

1857

01:11:43,910 --> 01:11:41,920

and i think back on it

1858

01:11:46,630 --> 01:11:43,920

i couldn't see anything else in a room

1859

01:11:48,310 --> 01:11:46,640

it was like a beige color

1860

01:11:50,870 --> 01:11:48,320

i i couldn't see furniture i couldn't

1861

01:11:54,390 --> 01:11:50,880

see anything but the kids and the kid

1862

01:11:56,310 --> 01:11:54,400

turns around he's got big bug eyes

1863

01:11:58,870 --> 01:11:56,320

hair plugs

1864

01:12:01,189 --> 01:11:58,880

gigantic forearms you know like twice

1865

01:12:03,750 --> 01:12:01,199

the size of mine the bone is like

1866

01:12:06,630 --> 01:12:03,760

sticking out on the end of the forearm

1867

01:12:08,950 --> 01:12:06,640

like some genetic mutation

1868

01:12:11,110 --> 01:12:08,960

you know and he has no shirt on and he's

1869

01:12:13,910 --> 01:12:11,120

the creepiest looking thing then there's

1870

01:12:16,950 --> 01:12:13,920

another kid standing next to him in like

1871

01:12:18,870 --> 01:12:16,960

looked like nosferatu hair was pulled

1872

01:12:20,310 --> 01:12:18,880

back and i'm talking 12 year old kids

1873

01:12:24,310 --> 01:12:20,320

you know

1874

01:12:26,790 --> 01:12:24,320

had like a rat face with the teeth

1875

01:12:28,870 --> 01:12:26,800

hair was slicked back uh wearing like a

1876

01:12:31,750 --> 01:12:28,880

black outfit like the vampire like

1877

01:12:34,630 --> 01:12:31,760

nosferatu this is the weirdest stuff so

1878

01:12:37,430 --> 01:12:34,640

i you know here i am i'm i i'm a joint

1879

01:12:40,870 --> 01:12:37,440

mufon but my girlfriend jumps on the ufo

1880

01:12:44,149 --> 01:12:40,880

site uh and she says john the night you

1881

01:12:47,030 --> 01:12:44,159

got home there's a ufo sighting in penn

1882

01:12:50,229 --> 01:12:47,040

state and in morgantown west virginia

1883

01:12:52,950 --> 01:12:50,239

your house is in direct line of those

1884

01:12:54,790 --> 01:12:52,960

two sightings so i i don't know what

1885

01:12:56,870 --> 01:12:54,800

this thing is but to me it was very

1886

01:12:58,790 --> 01:12:56,880

paranormal could have been

1887

01:13:01,270 --> 01:12:58,800

ufo right

1888

01:13:02,390 --> 01:13:01,280

the time every

1889

01:13:04,950 --> 01:13:02,400

you know

1890

01:13:08,070 --> 01:13:04,960

a lot of thanksgivings i have some sort

1891

01:13:10,229 --> 01:13:08,080

of poltergeist paranormal activity

1892

01:13:12,630 --> 01:13:10,239

and it's when my kids are here i get

1893

01:13:15,430 --> 01:13:12,640

them for thanksgiving my my ex got them

1894

01:13:17,350 --> 01:13:15,440

for uh christmas but it and it wasn't

1895

01:13:20,070 --> 01:13:17,360

you know i'm a high level executive and

1896

01:13:22,790 --> 01:13:20,080

i'm really busy and i'm on five boards

1897

01:13:24,870 --> 01:13:22,800

of charities and stuff but things would

1898

01:13:26,709 --> 01:13:24,880

happen and there were witnesses and

1899

01:13:28,709 --> 01:13:26,719

other people and my kids and my

1900

01:13:30,870 --> 01:13:28,719

girlfriends and they would say you know

1901

01:13:33,189 --> 01:13:30,880

what is this you know and then nothing

1902

01:13:35,430 --> 01:13:33,199

happens for 18 months two years three

1903

01:13:36,870 --> 01:13:35,440

years so

1904

01:13:39,430 --> 01:13:36,880

real quickly

1905

01:13:42,070 --> 01:13:39,440

uh it's it escalates

1906

01:13:44,390 --> 01:13:42,080

and more and more things start happening

1907

01:13:47,669 --> 01:13:44,400

paranormal things we hear walking in the

1908

01:13:50,149 --> 01:13:47,679

hallway um there's a hand prints like

1909

01:13:52,390 --> 01:13:50,159

this on my bathroom mirror

1910

01:13:54,709 --> 01:13:52,400

four inches longer than my arm i'm six

1911

01:13:57,350 --> 01:13:54,719

feet that puts it seven feet has six

1912

01:14:01,189 --> 01:13:57,360

fingers i have it on video

1913

01:14:02,950 --> 01:14:01,199

the mirror and a polaroid right uh my

1914

01:14:04,790 --> 01:14:02,960

kids start telling me about stuff that

1915

01:14:06,390 --> 01:14:04,800

happened in our jersey house and this is

1916

01:14:08,630 --> 01:14:06,400

all haunting stuff

1917

01:14:11,350 --> 01:14:08,640

voices in the wall a

1918

01:14:13,669 --> 01:14:11,360

rocking chair in the spare bedroom and a

1919

01:14:15,270 --> 01:14:13,679

baby crying my girlfriend at the time

1920

01:14:17,030 --> 01:14:15,280

tells me the same thing and she never

1921

01:14:19,590 --> 01:14:17,040

talked to my daughter my daughter didn't

1922

01:14:23,430 --> 01:14:19,600

tell me about that until years later we

1923

01:14:25,350 --> 01:14:23,440

moved to uh new jersey and all the boxes

1924

01:14:27,910 --> 01:14:25,360

are sliding around

1925

01:14:29,750 --> 01:14:27,920

from oklahoma we went to new jersey the

1926

01:14:31,430 --> 01:14:29,760

boxes are sliding around the garage

1927

01:14:33,350 --> 01:14:31,440

floor you can hear them sliding my

1928

01:14:35,830 --> 01:14:33,360

father comes over and says john what is

1929

01:14:38,070 --> 01:14:35,840

that said i don't know dad the moving

1930

01:14:41,270 --> 01:14:38,080

boxes slide around the floor

1931

01:14:44,070 --> 01:14:41,280

all of this stuff and um

1932

01:14:47,430 --> 01:14:44,080

and but then it starts to escalate and

1933

01:14:49,110 --> 01:14:47,440

uh my daughter has an experience they're

1934

01:14:52,149 --> 01:14:49,120

sleeping over

1935

01:14:53,910 --> 01:14:52,159

and she gets attacked by shadow people

1936

01:14:56,550 --> 01:14:53,920

she they're all around her bed one

1937

01:14:59,510 --> 01:14:56,560

presses into her body right and she

1938

01:15:01,189 --> 01:14:59,520

hears them all talking and it's the one

1939

01:15:03,350 --> 01:15:01,199

in the doorway says

1940

01:15:05,750 --> 01:15:03,360

uh when you're done with her i want to

1941

01:15:07,590 --> 01:15:05,760

try out the other two meaning my son and

1942

01:15:10,229 --> 01:15:07,600

his fiance in the next room but she

1943

01:15:13,430 --> 01:15:10,239

wouldn't have made that wording up uh

1944

01:15:15,350 --> 01:15:13,440

there's another time where i wake up at

1945

01:15:17,350 --> 01:15:15,360

five in the morning

1946

01:15:19,350 --> 01:15:17,360

and my bed sits where i could see right

1947

01:15:21,910 --> 01:15:19,360

down the hall there's somebody standing

1948

01:15:24,229 --> 01:15:21,920

there and i'm looking and you know i'm

1949

01:15:26,630 --> 01:15:24,239

rubbing my eyes smacking my face what is

1950

01:15:29,030 --> 01:15:26,640

this there's a guy standing at the end

1951

01:15:31,270 --> 01:15:29,040

of the hallway he's back lit

1952

01:15:33,990 --> 01:15:31,280

and and it's at the the door for the

1953

01:15:36,470 --> 01:15:34,000

attic right he's he's above the door

1954

01:15:38,790 --> 01:15:36,480

frame but he has a square head i'm

1955

01:15:40,070 --> 01:15:38,800

saying this is he wearing a helmet is

1956

01:15:41,189 --> 01:15:40,080

this is this

1957

01:15:44,070 --> 01:15:41,199

alien

1958

01:15:45,910 --> 01:15:44,080

the thing had about a 12-inch waist it

1959

01:15:47,350 --> 01:15:45,920

was so small

1960

01:15:50,310 --> 01:15:47,360

and slender

1961

01:15:52,070 --> 01:15:50,320

and long arms and legs and a square head

1962

01:15:54,709 --> 01:15:52,080

but i can't make our features because

1963

01:15:56,630 --> 01:15:54,719

it's backlit right so

1964

01:15:59,110 --> 01:15:56,640

i crawl to the footboard we're 20

1965

01:16:00,870 --> 01:15:59,120

seconds into this at least right i see

1966

01:16:03,430 --> 01:16:00,880

him i said okay

1967

01:16:04,870 --> 01:16:03,440

you're taking kickboxing step over the

1968

01:16:06,630 --> 01:16:04,880

footboard

1969

01:16:07,430 --> 01:16:06,640

charge him and hit him as hard as you

1970

01:16:09,110 --> 01:16:07,440

can

1971

01:16:11,510 --> 01:16:09,120

as soon as i thought that this other

1972

01:16:13,669 --> 01:16:11,520

voice in my head says

1973

01:16:15,990 --> 01:16:13,679

you don't want to do that you that could

1974

01:16:17,990 --> 01:16:16,000

be unsafe you want to step off the bed

1975

01:16:22,149 --> 01:16:18,000

and turn the light on of course i go do

1976

01:16:24,470 --> 01:16:22,159

that he's gone right and uh i go my dog

1977

01:16:26,790 --> 01:16:24,480

my doberman is sleeping in the hallway

1978

01:16:28,790 --> 01:16:26,800

at the top of the stairs i walk past

1979

01:16:30,630 --> 01:16:28,800

them he don't wake up so i go down the

1980

01:16:32,790 --> 01:16:30,640

hallway look for uh footprints there's

1981

01:16:34,790 --> 01:16:32,800

nothing there i go back to bed i look at

1982

01:16:36,550 --> 01:16:34,800

him he's sound asleep you can't walk

1983

01:16:38,709 --> 01:16:36,560

past the dog but i'm not acknowledging

1984

01:16:41,510 --> 01:16:38,719

you and waking up but i'm thinking like

1985

01:16:43,350 --> 01:16:41,520

the alien stuff you know the husband's

1986

01:16:44,790 --> 01:16:43,360

sleeping and the wife is taking that

1987

01:16:46,709 --> 01:16:44,800

that type of thing

1988

01:16:49,030 --> 01:16:46,719

um yeah i mean that's that's one

1989

01:16:54,070 --> 01:16:49,040

instance that there were just so

1990

01:16:57,270 --> 01:16:54,080

many of these things and then it in 2014

1991

01:17:00,229 --> 01:16:57,280

it escalated into what i just consider a

1992

01:17:03,270 --> 01:17:00,239

very demonic encounter

1993

01:17:05,350 --> 01:17:03,280

20th anniversary of of my divorce

1994

01:17:08,470 --> 01:17:05,360

and i'm sitting watching the baseball

1995

01:17:10,550 --> 01:17:08,480

game my i have 108 pound over and he

1996

01:17:13,590 --> 01:17:10,560

is laying on my legs

1997

01:17:14,870 --> 01:17:13,600

there's a sonic boom on the wall

1998

01:17:17,669 --> 01:17:14,880

boom

1999

01:17:20,390 --> 01:17:17,679

we both turned so the dog heard it the

2000

01:17:23,270 --> 01:17:20,400

pictures flip up on the wall

2001

01:17:25,189 --> 01:17:23,280

uh the one picture flips up and there's

2002

01:17:27,590 --> 01:17:25,199

two indian headdresses and the feathers

2003

01:17:30,390 --> 01:17:27,600

blow to the side and the dog saw it

2004

01:17:33,189 --> 01:17:30,400

because he reacted exactly with me i go

2005

01:17:34,390 --> 01:17:33,199

upstairs and um

2006

01:17:36,630 --> 01:17:34,400

there's this

2007

01:17:37,990 --> 01:17:36,640

smell in the hallway like a column like

2008

01:17:39,030 --> 01:17:38,000

rotting flesh

2009

01:17:45,750 --> 01:17:39,040

it

2010

01:17:47,189 --> 01:17:45,760

bathroom fan on i finish the game i go

2011

01:17:50,390 --> 01:17:47,199

to bed

2012

01:17:51,830 --> 01:17:50,400

it's still there right and uh again in

2013

01:17:53,030 --> 01:17:51,840

my bathroom

2014

01:17:54,950 --> 01:17:53,040

boom

2015

01:17:57,350 --> 01:17:54,960

the dog's sleeping on that little chair

2016

01:17:58,870 --> 01:17:57,360

at the footboard him and i both turn and

2017

01:18:00,870 --> 01:17:58,880

look at the same time

2018

01:18:02,870 --> 01:18:00,880

i don't know what this is but there was

2019

01:18:04,470 --> 01:18:02,880

so many of those occurrences and i'm

2020

01:18:07,350 --> 01:18:04,480

talking to

2021

01:18:09,110 --> 01:18:07,360

kathy martin nick redfearn my local

2022

01:18:10,870 --> 01:18:09,120

friends a lot of the investigators i

2023

01:18:12,630 --> 01:18:10,880

recruited or ghost hunters they're

2024

01:18:14,630 --> 01:18:12,640

saying john you got some sort of demonic

2025

01:18:17,590 --> 01:18:14,640

entity in there the ufo people are

2026

01:18:18,790 --> 01:18:17,600

telling me this is alien you know and uh

2027

01:18:21,030 --> 01:18:18,800

you know when when you went to that

2028

01:18:23,350 --> 01:18:21,040

conference in 99 that was an alien

2029

01:18:25,030 --> 01:18:23,360

encounter those are hybrid kids the

2030

01:18:27,350 --> 01:18:25,040

things standing down the hallway had a

2031

01:18:29,510 --> 01:18:27,360

square head it's probably a helmet and i

2032

01:18:32,470 --> 01:18:29,520

also when that all

2033

01:18:34,709 --> 01:18:32,480

ended when i laid down i it was like

2034

01:18:37,030 --> 01:18:34,719

this dim light outside in the windows

2035

01:18:38,149 --> 01:18:37,040

that got less and less and less so i

2036

01:18:41,110 --> 01:18:38,159

don't know but

2037

01:18:43,830 --> 01:18:41,120

my encounters with this and it really

2038

01:18:44,709 --> 01:18:43,840

went on and on to uh

2039

01:18:49,830 --> 01:18:44,719

it

2040

01:18:52,790 --> 01:18:49,840

walls this is a full-blown poltergeist

2041

01:18:54,630 --> 01:18:52,800

type encounter and uh

2042

01:18:56,310 --> 01:18:54,640

i had a priest come in and he blessed

2043

01:18:58,709 --> 01:18:56,320

the house and went away for about six

2044

01:19:00,550 --> 01:18:58,719

months but in talking to him he didn't

2045

01:19:02,310 --> 01:19:00,560

believe the devil was a real entity you

2046

01:19:04,070 --> 01:19:02,320

know so i said this ain't gonna work and

2047

01:19:07,270 --> 01:19:04,080

it didn't so

2048

01:19:08,470 --> 01:19:07,280

this thing i went through 22 months of

2049

01:19:10,229 --> 01:19:08,480

uh

2050

01:19:12,630 --> 01:19:10,239

of every night going to bed and having

2051
01:19:14,870 --> 01:19:12,640
something poking me poking me in the

2052
01:19:16,470 --> 01:19:14,880
head i had a

2053
01:19:20,630 --> 01:19:16,480
burn mark on my head i had to go to

2054
01:19:24,790 --> 01:19:21,590
it was just

2055
01:19:27,350 --> 01:19:24,800
to me was so negative and so i started

2056
01:19:30,390 --> 01:19:27,360
comparing like i had said the demonic

2057
01:19:32,470 --> 01:19:30,400
possession uh intel infiltration to

2058
01:19:35,030 --> 01:19:32,480
alien abductions and

2059
01:19:38,390 --> 01:19:35,040
so much of it was an overlap like i said

2060
01:19:40,870 --> 01:19:38,400
70 so i look at the i look at the alien

2061
01:19:43,030 --> 01:19:40,880
abduction as being demonic

2062
01:19:45,110 --> 01:19:43,040
i look at the hybridization that they

2063
01:19:47,110 --> 01:19:45,120

talk about and i don't think it's a good

2064

01:19:49,669 --> 01:19:47,120

thing i agree with david jacobs it's a

2065

01:19:51,510 --> 01:19:49,679

negative thing but i see it as a return

2066

01:19:53,350 --> 01:19:51,520

of the nephilim

2067

01:19:56,709 --> 01:19:53,360

it's the same thing that these demonic

2068

01:19:58,470 --> 01:19:56,719

entities these fallen angels did uh you

2069

01:20:00,550 --> 01:19:58,480

know when they saw the women of man and

2070

01:20:02,950 --> 01:20:00,560

they materialized and were able to mate

2071

01:20:05,590 --> 01:20:02,960

with them you know but what's the goal

2072

01:20:07,350 --> 01:20:05,600

of all of that the goal of that is to

2073

01:20:08,950 --> 01:20:07,360

corrupt the dna

2074

01:20:10,790 --> 01:20:08,960

the same thing you're doing with

2075

01:20:13,030 --> 01:20:10,800

hybridization the same thing that the

2076

01:20:17,430 --> 01:20:13,040

nephilim did i just see it as a really

2077

01:20:19,270 --> 01:20:17,440

as a repeat of the same thing now

2078

01:20:22,149 --> 01:20:19,280

there's so much more i could say but you

2079

01:20:24,790 --> 01:20:22,159

know the people who don't believe

2080

01:20:26,870 --> 01:20:24,800

let's say the religious side the uh

2081

01:20:29,189 --> 01:20:26,880

creation's true they don't believe in

2082

01:20:31,030 --> 01:20:29,199

god they think i'm nuts right because

2083

01:20:33,189 --> 01:20:31,040

but the ghost people i talked to all

2084

01:20:35,189 --> 01:20:33,199

said yep i did you had a demon in your

2085

01:20:37,910 --> 01:20:35,199

house that was not a poltergeist or a

2086

01:20:41,270 --> 01:20:37,920

ghost that was a demonic entity and so

2087

01:20:43,750 --> 01:20:41,280

the way i got rid of it uh no i was able

2088

01:20:45,669 --> 01:20:43,760

to drive it off

2089

01:20:48,149 --> 01:20:45,679

calling upon jesus you can't say

2090

01:20:50,629 --> 01:20:48,159

yourself i would use the name of jesus

2091

01:20:52,390 --> 01:20:50,639

and these things would stop and i met

2092

01:20:54,629 --> 01:20:52,400

joe jordan i don't know if you know joe

2093

01:20:57,430 --> 01:20:54,639

jordan i think i've interviewed him a

2094

01:21:00,310 --> 01:20:57,440

while while back ago yeah yeah so joe

2095

01:21:03,350 --> 01:21:00,320

jordan he was he went from florida to

2096

01:21:05,189 --> 01:21:03,360

south korea was the country mufon person

2097

01:21:07,430 --> 01:21:05,199

and he's back in florida again he's

2098

01:21:09,350 --> 01:21:07,440

telling me john this is

2099

01:21:12,310 --> 01:21:09,360

the alien abduction is demonic and he

2100

01:21:14,470 --> 01:21:12,320

wrote a book on it over 150 cases where

2101

01:21:16,870 --> 01:21:14,480

people called upon jesus so i'm

2102

01:21:18,790 --> 01:21:16,880

following his advice i meet this woman

2103

01:21:21,270 --> 01:21:18,800

out of the blue on a dating site that

2104

01:21:23,830 --> 01:21:21,280

had demonic encounters at the catholic

2105

01:21:26,870 --> 01:21:23,840

school she went to she's telling me what

2106

01:21:29,030 --> 01:21:26,880

to do and it's working i'm able to repel

2107

01:21:31,270 --> 01:21:29,040

it by using the name of jesus it's

2108

01:21:33,350 --> 01:21:31,280

really the only way you can repel it is

2109

01:21:36,390 --> 01:21:33,360

by using a divinity you know not

2110

01:21:37,110 --> 01:21:36,400

yourself because that's a challenge and

2111

01:21:40,070 --> 01:21:37,120

but

2112

01:21:43,350 --> 01:21:40,080

another time while this is in almost

2113

01:21:46,790 --> 01:21:43,360

over in april of 16

2114

01:21:48,550 --> 01:21:46,800

i go to visit my daughter i fly back

2115

01:21:50,790 --> 01:21:48,560

i sit down and i say i'm writing a book

2116

01:21:53,030 --> 01:21:50,800

on this which i did called i called it

2117

01:21:55,590 --> 01:21:53,040

the first book was the ufologist the

2118

01:21:57,910 --> 01:21:55,600

haunting of john venturing and

2119

01:22:00,550 --> 01:21:57,920

i sit down and i start typing

2120

01:22:02,790 --> 01:22:00,560

my yard bursts into flames

2121

01:22:05,189 --> 01:22:02,800

literally burst into flames i got

2122

01:22:07,830 --> 01:22:05,199

pictures of this i'm not making it up so

2123

01:22:09,750 --> 01:22:07,840

i look i see three guys i happen to live

2124

01:22:11,830 --> 01:22:09,760

next to a cemetery but i got a stockade

2125

01:22:13,830 --> 01:22:11,840

fence i see three guys in the cemetery i

2126
01:22:16,629 --> 01:22:13,840
called the police they said no they

2127
01:22:19,189 --> 01:22:16,639
reported it before you right

2128
01:22:21,910 --> 01:22:19,199
the the flames are moving against the

2129
01:22:24,629 --> 01:22:21,920
wind they never enter my yard it's

2130
01:22:26,790 --> 01:22:24,639
fenced in a chain link in the back

2131
01:22:28,709 --> 01:22:26,800
they're on the other side

2132
01:22:32,390 --> 01:22:28,719
and i counted the poles

2133
01:22:34,709 --> 01:22:32,400
72 feet it burst into flames now i had

2134
01:22:36,790 --> 01:22:34,719
put blessed pendants at the four corners

2135
01:22:37,750 --> 01:22:36,800
of my yard and the four corners of the

2136
01:22:39,910 --> 01:22:37,760
house

2137
01:22:42,790 --> 01:22:39,920
you know and i believe that's why the

2138
01:22:44,550 --> 01:22:42,800

the fire never entered my yard yet it's

2139

01:22:46,550 --> 01:22:44,560

it's burning everything on the other

2140

01:22:48,070 --> 01:22:46,560

side so

2141

01:22:49,590 --> 01:22:48,080

after the after the fire department

2142

01:22:52,070 --> 01:22:49,600

comes puts it out

2143

01:22:54,310 --> 01:22:52,080

uh i get a phone call from the uh the

2144

01:22:55,750 --> 01:22:54,320

mausoleum guy and he goes oh how you

2145

01:22:58,390 --> 01:22:55,760

like your headstone i had already

2146

01:23:00,390 --> 01:22:58,400

ordered my headstone six feet tall in

2147

01:23:03,669 --> 01:23:00,400

the shape of the holy bible says holy

2148

01:23:05,990 --> 01:23:03,679

bible religious markings and stuff

2149

01:23:08,229 --> 01:23:06,000

the minute those three guys installed

2150

01:23:11,910 --> 01:23:08,239

the six foot bible

2151

01:23:14,629 --> 01:23:11,920

headstone the yard burst into flames

2152

01:23:16,470 --> 01:23:14,639

that's something demonic entities can do

2153

01:23:18,470 --> 01:23:16,480

which is why during exorcisms they

2154

01:23:21,750 --> 01:23:18,480

remove all the furniture the curtains

2155

01:23:23,990 --> 01:23:21,760

the rugs all of that stuff right so

2156

01:23:25,669 --> 01:23:24,000

so i i write my book on it and i'm

2157

01:23:28,470 --> 01:23:25,679

totally convinced

2158

01:23:29,189 --> 01:23:28,480

and i think a lot of the cases a lot of

2159

01:23:30,709 --> 01:23:29,199

the

2160

01:23:32,390 --> 01:23:30,719

contact

2161

01:23:35,110 --> 01:23:32,400

i don't think they're alien you know

2162

01:23:36,550 --> 01:23:35,120

some travis is alien but i think the

2163

01:23:38,950 --> 01:23:36,560

abduction part and this whole

2164

01:23:42,470 --> 01:23:38,960

hybridization i think that

2165

01:23:44,950 --> 01:23:42,480

the demonic answer is just as plausible

2166

01:23:46,550 --> 01:23:44,960

as anything the ancient alien guys say

2167

01:23:48,629 --> 01:23:46,560

and that's a tough thing for people to

2168

01:23:50,709 --> 01:23:48,639

accept they don't want to hear that you

2169

01:23:51,990 --> 01:23:50,719

know that's what our uh our big name

2170

01:23:53,590 --> 01:23:52,000

professionals we've been chatting with

2171

01:23:55,430 --> 01:23:53,600

lately are saying that it used to be

2172

01:23:57,669 --> 01:23:55,440

just nuts and bolts ufos now it's

2173

01:23:59,350 --> 01:23:57,679

poltergeists and cryptids and yeah

2174

01:24:01,030 --> 01:23:59,360

everything you thought was just science

2175

01:24:03,189 --> 01:24:01,040

fiction

2176

01:24:05,430 --> 01:24:03,199

yeah the hitchhiker effect and that's

2177

01:24:06,790 --> 01:24:05,440

more poltergeist than aliens i'm glad

2178

01:24:09,310 --> 01:24:06,800

you're hearing that because when i

2179

01:24:13,350 --> 01:24:09,320

started talking about this in

2180

01:24:16,070 --> 01:24:13,360

2014 and you know really in 14 my whole

2181

01:24:18,470 --> 01:24:16,080

mindset changed where i was a firm

2182

01:24:21,189 --> 01:24:18,480

believer and i gave some of the best

2183

01:24:23,510 --> 01:24:21,199

case for ufos i mean i wrote this book

2184

01:24:26,149 --> 01:24:23,520

here case for ufos

2185

01:24:28,870 --> 01:24:26,159

i think it should be a manual for mufon

2186

01:24:31,270 --> 01:24:28,880

with all the cases and the history and

2187

01:24:32,310 --> 01:24:31,280

all of that but then i started taking a

2188

01:24:35,510 --> 01:24:32,320

look

2189

01:24:37,830 --> 01:24:35,520

at the uh at the religious view of it

2190

01:24:39,590 --> 01:24:37,840

and why what would you know like people

2191

01:24:41,910 --> 01:24:39,600

say what would jesus do well i say what

2192

01:24:43,750 --> 01:24:41,920

would satan do you know and and i think

2193

01:24:46,709 --> 01:24:43,760

a lot of this is so i'm glad to hear i'm

2194

01:24:49,669 --> 01:24:46,719

not the only one although that theory

2195

01:24:51,430 --> 01:24:49,679

had died out for years with john keel

2196

01:24:53,830 --> 01:24:51,440

and ballet and

2197

01:24:55,669 --> 01:24:53,840

i think when i came out and started

2198

01:24:58,470 --> 01:24:55,679

saying it a lot of other people started

2199

01:25:01,110 --> 01:24:58,480

listening you know and i know with mufon

2200

01:25:04,390 --> 01:25:01,120

uh the head of the abduction research

2201

01:25:07,350 --> 01:25:04,400

the ert team doc medic he used to be a

2202

01:25:10,390 --> 01:25:07,360

field investigator for me he teaches in

2203

01:25:12,550 --> 01:25:10,400

his class to the investigators there who

2204

01:25:15,750 --> 01:25:12,560

do the abduction research

2205

01:25:19,030 --> 01:25:15,760

i gave him the markers and he tells them

2206

01:25:22,070 --> 01:25:19,040

about my case and how it started at the

2207

01:25:23,990 --> 01:25:22,080

mufon symposium and how the whole thing

2208

01:25:26,310 --> 01:25:24,000

progressed and how i was able to repel

2209

01:25:30,070 --> 01:25:26,320

it how joe jordan has found all these

2210

01:25:32,229 --> 01:25:30,080

cases that can repel the abduction so

2211

01:25:34,229 --> 01:25:32,239

you know i'm glad that he's using that

2212

01:25:35,669 --> 01:25:34,239

you know and uh

2213

01:25:37,430 --> 01:25:35,679

that's the way i see it i see it with a

2214

01:25:39,830 --> 01:25:37,440

different set of eyes now

2215

01:25:42,149 --> 01:25:39,840

it's i'm not the true believer i used to

2216

01:25:43,910 --> 01:25:42,159

be but i don't question what the people

2217

01:25:45,990 --> 01:25:43,920

say because it did happen

2218

01:25:48,709 --> 01:25:46,000

they experienced what they experienced

2219

01:25:51,110 --> 01:25:48,719

but we have never been able to explain

2220

01:25:53,030 --> 01:25:51,120

why or who's doing it on any of these

2221

01:25:54,390 --> 01:25:53,040

cases you know

2222

01:25:56,790 --> 01:25:54,400

you know and that's the thing too about

2223

01:25:58,470 --> 01:25:56,800

the abduction phenomenon is that it is

2224

01:25:59,430 --> 01:25:58,480

strange everybody seems to have these

2225

01:26:01,910 --> 01:25:59,440

different

2226

01:26:03,590 --> 01:26:01,920

variations of what takes place there are

2227

01:26:05,510 --> 01:26:03,600

some common

2228

01:26:06,950 --> 01:26:05,520

features that that you know or themes

2229

01:26:09,110 --> 01:26:06,960

that reoccur

2230

01:26:10,709 --> 01:26:09,120

but yeah it is strange and is one

2231

01:26:12,709 --> 01:26:10,719

subject that we haven't really covered

2232

01:26:13,430 --> 01:26:12,719

much i know that spirituality is very

2233

01:26:15,669 --> 01:26:13,440

much

2234

01:26:18,310 --> 01:26:15,679

coming into play when it comes down to

2235

01:26:21,110 --> 01:26:18,320

uaps like you know people saying

2236

01:26:23,510 --> 01:26:21,120

uh ce5 you know contact

2237

01:26:25,750 --> 01:26:23,520

and more spiritual people are able to to

2238

01:26:27,750 --> 01:26:25,760

somehow communicate or something with

2239

01:26:30,070 --> 01:26:27,760

these it's the open-mindedness right

2240

01:26:32,229 --> 01:26:30,080

right even if you relate that to ancient

2241

01:26:33,590 --> 01:26:32,239

cultures with sort of your third eye and

2242

01:26:36,149 --> 01:26:33,600

yeah i even read an article the other

2243

01:26:37,990 --> 01:26:36,159

day that that the pineal gland which is

2244

01:26:38,950 --> 01:26:38,000

just about to say that the pineal gland

2245

01:26:43,590 --> 01:26:38,960

yeah

2246

01:26:45,910 --> 01:26:43,600

piezoelectric crystals in that gland so

2247

01:26:48,149 --> 01:26:45,920

meaning it could hold the vibration or

2248

01:26:50,070 --> 01:26:48,159

maybe attract or produce one so there's

2249

01:26:51,910 --> 01:26:50,080

a lot more that we think we know we

2250

01:26:55,110 --> 01:26:51,920

don't have a clue about see this guy

2251

01:26:57,590 --> 01:26:55,120

standing behind me here yeah on my right

2252

01:26:59,590 --> 01:26:57,600

handsome fellow yep yeah do you know the

2253

01:27:02,310 --> 01:26:59,600

first sketch of the gray

2254

01:27:04,229 --> 01:27:02,320

how that came about no

2255

01:27:06,790 --> 01:27:04,239

1918

2256

01:27:10,149 --> 01:27:06,800

alister crowley the self-proven

2257

01:27:12,390 --> 01:27:10,159

professed antichrist demon worshiper he

2258

01:27:14,709 --> 01:27:12,400

does the ritual of babylon and i don't

2259

01:27:16,070 --> 01:27:14,719

know all the details of it he conjures

2260

01:27:18,870 --> 01:27:16,080

up an entity

2261

01:27:21,030 --> 01:27:18,880

it's a gray with the big head it had

2262

01:27:24,390 --> 01:27:21,040

small eyes didn't have big eyes but it

2263

01:27:26,790 --> 01:27:24,400

was the first gray ever um ever ever

2264

01:27:29,750 --> 01:27:26,800

drawn you know

2265

01:27:31,350 --> 01:27:29,760

so i in that book i wrote the uh i call

2266

01:27:32,709 --> 01:27:31,360

it now the string theory of the

2267

01:27:34,550 --> 01:27:32,719

unexplained

2268

01:27:36,550 --> 01:27:34,560

and i looked at probably

2269

01:27:38,470 --> 01:27:36,560

10 ufo cases

2270

01:27:41,189 --> 01:27:38,480

famous ones and i pointed out all the

2271

01:27:43,750 --> 01:27:41,199

demonic markers to it and all my

2272

01:27:45,669 --> 01:27:43,760

explanations and all of that but

2273

01:27:46,470 --> 01:27:45,679

i have all of this stuff in the book all

2274

01:27:48,310 --> 01:27:46,480

the

2275

01:27:51,669 --> 01:27:48,320

oddities that point

2276

01:27:53,189 --> 01:27:51,679

to me more that this is a deception

2277

01:27:56,070 --> 01:27:53,199

and a trick

2278

01:27:58,310 --> 01:27:56,080

so we look at the pentagon now all right

2279

01:28:00,229 --> 01:27:58,320

why are they telling us

2280

01:28:04,229 --> 01:28:00,239

the guys that debunked it for all those

2281

01:28:05,910 --> 01:28:04,239

years right who ran mk ultra and i don't

2282

01:28:08,470 --> 01:28:05,920

know if you know about the collins elite

2283

01:28:10,550 --> 01:28:08,480

and operation often and all of that

2284

01:28:13,110 --> 01:28:10,560

right now the same people are telling us

2285

01:28:15,110 --> 01:28:13,120

that they need that ufos are real

2286

01:28:18,070 --> 01:28:15,120

it's a cover story for something else

2287

01:28:19,510 --> 01:28:18,080

you know but colin's elite was a very

2288

01:28:20,310 --> 01:28:19,520

interesting

2289

01:28:24,870 --> 01:28:20,320

uh

2290

01:28:27,189 --> 01:28:24,880

the fbi took a look at alistair crowley

2291

01:28:28,470 --> 01:28:27,199

and uh

2292

01:28:31,030 --> 01:28:28,480

jpl

2293

01:28:32,229 --> 01:28:31,040

uh the guy who found it at parkins

2294

01:28:35,590 --> 01:28:32,239

perkins

2295

01:28:38,470 --> 01:28:35,600

and ray bradbury and uh another famous

2296

01:28:41,110 --> 01:28:38,480

guy and they were investigating him for

2297

01:28:43,910 --> 01:28:41,120

demonic occult activity aleister crowley

2298

01:28:45,350 --> 01:28:43,920

in the u.s they then turned it over to

2299

01:28:51,750 --> 01:28:45,360

the cia

2300

01:28:54,950 --> 01:28:51,760

of uh cia people

2301

01:28:57,830 --> 01:28:54,960

that investigate the paranormal and then

2302

01:29:01,590 --> 01:28:57,840

they started investigating ufos

2303

01:29:05,910 --> 01:29:01,600

down the road their conclusion was there

2304

01:29:08,629 --> 01:29:05,920

are no ufos it's all paranormal activity

2305

01:29:10,709 --> 01:29:08,639

it comes through a dimension and i i got

2306

01:29:12,310 --> 01:29:10,719

to agree with that we

2307

01:29:14,629 --> 01:29:12,320

i i don't say a hundred percent i'm not

2308

01:29:17,830 --> 01:29:14,639

gonna say a hundred percent uh then

2309

01:29:21,270 --> 01:29:17,840

operation often was we try to harness

2310

01:29:23,669 --> 01:29:21,280

the powers of the paranormal with mk

2311

01:29:26,070 --> 01:29:23,679

ultra remote viewing we were trying to

2312

01:29:28,629 --> 01:29:26,080

figure out where sodom hussein was

2313

01:29:31,430 --> 01:29:28,639

hiding that type of stuff so

2314

01:29:33,910 --> 01:29:31,440

we've done all of these things you know

2315

01:29:35,430 --> 01:29:33,920

and so that's why i i say i can't i

2316

01:29:37,030 --> 01:29:35,440

can't trust the government a whole lot

2317

01:29:38,870 --> 01:29:37,040

in what they tell you and what their

2318

01:29:39,669 --> 01:29:38,880

motivation is and what they would do to

2319

01:29:41,910 --> 01:29:39,679

you

2320

01:29:44,629 --> 01:29:41,920

yeah just look at cattle mutilations and

2321

01:29:47,030 --> 01:29:44,639

the my labs and that that stuff happens

2322

01:29:49,430 --> 01:29:47,040

these ranchers are losing you know 20

2323

01:29:51,110 --> 01:29:49,440

head of steer and and 10 you know

2324

01:29:53,830 --> 01:29:51,120

they're losing thousands of dollars and

2325

01:29:54,629 --> 01:29:53,840

they see helicopters nearby

2326

01:29:56,470 --> 01:29:54,639

yeah

2327

01:29:59,110 --> 01:29:56,480

like one one of these bulls are like

2328

01:30:01,350 --> 01:29:59,120

what three grand yeah there was that one

2329

01:30:03,990 --> 01:30:01,360

ranch was it lopez or i don't remember

2330

01:30:05,510 --> 01:30:04,000

the name he lost like 25 head in one one

2331

01:30:07,350 --> 01:30:05,520

clip it was the biggest

2332

01:30:10,390 --> 01:30:07,360

you know one that they they lost the

2333

01:30:12,629 --> 01:30:10,400

most uh steers yeah spontaneous barbecue

2334

01:30:13,590 --> 01:30:12,639

that's what uh would happen after that

2335

01:30:16,550 --> 01:30:13,600

just yeah

2336

01:30:18,870 --> 01:30:16,560

invite everybody over we gotta

2337

01:30:21,510 --> 01:30:18,880

invite the whole county over and do a

2338

01:30:24,070 --> 01:30:21,520

texas barbecue on that stuff but my

2339

01:30:26,229 --> 01:30:24,080

thinking has changed on it but

2340

01:30:28,229 --> 01:30:26,239

you know uh i don't know you know nick

2341

01:30:29,830 --> 01:30:28,239

pope was out here we did the conference

2342

01:30:32,950 --> 01:30:29,840

in philly and they're telling all these

2343

01:30:34,790 --> 01:30:32,960

stories we did a panel and you know and

2344

01:30:37,430 --> 01:30:34,800

i said well hold on a second everybody

2345

01:30:38,950 --> 01:30:37,440

before we get too far out there

2346

01:30:41,590 --> 01:30:38,960

there no

2347

01:30:43,430 --> 01:30:41,600

life has been found yet in outer space i

2348

01:30:45,350 --> 01:30:43,440

believe all the stories

2349

01:30:48,149 --> 01:30:45,360

and i think you're interdimensional but

2350

01:30:50,070 --> 01:30:48,159

we we've only found viruses or bacteria

2351
01:30:52,149 --> 01:30:50,080
we have not found

2352
01:30:54,629 --> 01:30:52,159
any life in space

2353
01:30:56,709 --> 01:30:54,639
it just hasn't happened yet and then you

2354
01:30:59,830 --> 01:30:56,719
know if you read the christian

2355
01:31:03,270 --> 01:30:59,840
version life is only here on this planet

2356
01:31:05,510 --> 01:31:03,280
you know and i said to uh michael heiser

2357
01:31:07,590 --> 01:31:05,520
who's a theologian

2358
01:31:09,510 --> 01:31:07,600
uh and he says to me

2359
01:31:11,510 --> 01:31:09,520
do you think god's a little god or a big

2360
01:31:13,669 --> 01:31:11,520
god i said a big god you think he has a

2361
01:31:15,510 --> 01:31:13,679
budget and i said no he says so he

2362
01:31:16,390 --> 01:31:15,520
created trillions of stars because he

2363
01:31:19,669 --> 01:31:16,400

could

2364

01:31:23,189 --> 01:31:19,679

but he only put life on one and that

2365

01:31:25,189 --> 01:31:23,199

very well may be the truth but there are

2366

01:31:27,669 --> 01:31:25,199

other dimensions

2367

01:31:30,470 --> 01:31:27,679

heaven's a dimension tells the dimension

2368

01:31:33,030 --> 01:31:30,480

the physicists say they're 11 so it's us

2369

01:31:34,310 --> 01:31:33,040

heaven and hell there's still eight more

2370

01:31:35,350 --> 01:31:34,320

and i i

2371

01:31:38,550 --> 01:31:35,360

wonder

2372

01:31:40,629 --> 01:31:38,560

does everything evolve around earth

2373

01:31:42,470 --> 01:31:40,639

and and there's different dimensions you

2374

01:31:45,430 --> 01:31:42,480

know there's different maybe there's a

2375

01:31:47,990 --> 01:31:45,440

dimension where hitler won

2376

01:31:50,070 --> 01:31:48,000

you know and they've got flying saucers

2377

01:31:52,390 --> 01:31:50,080

and maybe they're able to come through

2378

01:31:54,790 --> 01:31:52,400

but it takes so much energy they have to

2379

01:31:56,550 --> 01:31:54,800

just go back i i don't know because a

2380

01:31:59,910 --> 01:31:56,560

lot of them seem to just dissipate or

2381

01:32:02,149 --> 01:31:59,920

they fly away they're gone you know

2382

01:32:04,470 --> 01:32:02,159

the entities that are encountered i

2383

01:32:07,189 --> 01:32:04,480

don't know but you know i'd love there

2384

01:32:08,550 --> 01:32:07,199

to be uh independence day peaceful where

2385

01:32:10,950 --> 01:32:08,560

they show up

2386

01:32:13,110 --> 01:32:10,960

and they tell us the truth you know

2387

01:32:15,590 --> 01:32:13,120

what's going on but you know

2388

01:32:17,830 --> 01:32:15,600

i've done this 24 years

2389

01:32:20,550 --> 01:32:17,840

there's no real proof you know i've got

2390

01:32:22,229 --> 01:32:20,560

my radar and i got my trace evidence

2391

01:32:24,830 --> 01:32:22,239

what is it proof could have been a

2392

01:32:28,149 --> 01:32:24,840

government craft a matter of fact that

2393

01:32:31,270 --> 01:32:28,159

tr3b the the triangular with the three

2394

01:32:33,189 --> 01:32:31,280

lights matched up exactly to the denise

2395

01:32:36,390 --> 01:32:33,199

case i didn't know about it

2396

01:32:38,310 --> 01:32:36,400

in 08 but now i do and it matched up

2397

01:32:42,149 --> 01:32:38,320

perfectly i don't know what the answer

2398

01:32:45,030 --> 01:32:42,159

is and there was a guy uh what's his

2399

01:32:47,590 --> 01:32:45,040

name he put a curse on the field he was

2400

01:32:50,070 --> 01:32:47,600

uh one of the big debunkers i think

2401

01:32:51,430 --> 01:32:50,080

these names have escaped me here on his

2402

01:32:55,590 --> 01:32:51,440

deathbed

2403

01:32:58,870 --> 01:32:55,600

uh philip class right philip k-l-a-s-s

2404

01:33:03,189 --> 01:32:58,880

phil class on his deathbed he said

2405

01:33:06,550 --> 01:33:03,199

you will never know any more about ufos

2406

01:33:09,910 --> 01:33:06,560

than you know today on your deathbed you

2407

01:33:12,950 --> 01:33:09,920

will ask what a real and you will know

2408

01:33:15,830 --> 01:33:12,960

no more on your death bed than i know

2409

01:33:19,189 --> 01:33:15,840

today on my deathbed and you will never

2410

01:33:21,270 --> 01:33:19,199

know the answer to ufos and i i always

2411

01:33:23,430 --> 01:33:21,280

think about that because if it's

2412

01:33:25,910 --> 01:33:23,440

interdimensional

2413

01:33:28,550 --> 01:33:25,920

then maybe you can't really

2414

01:33:30,070 --> 01:33:28,560

get it you can't grab it you know it's

2415

01:33:32,709 --> 01:33:30,080

like a ghost that they has to

2416

01:33:34,629 --> 01:33:32,719

de-materialize it has to go back i don't

2417

01:33:37,030 --> 01:33:34,639

know but it doesn't explain some of the

2418

01:33:39,270 --> 01:33:37,040

crashes that i you know i think the 1936

2419

01:33:41,669 --> 01:33:39,280

one in the black forest was good i think

2420

01:33:43,510 --> 01:33:41,679

that travis walton was good or we're

2421

01:33:45,590 --> 01:33:43,520

just dealing with multiple stuff i don't

2422

01:33:47,830 --> 01:33:45,600

know nice and i don't think i'm ever

2423

01:33:50,149 --> 01:33:47,840

going to know i i think right now it's a

2424

01:33:53,110 --> 01:33:50,159

mystery for all of us i think but that's

2425

01:33:55,350 --> 01:33:53,120

the the fun part of it is to talk to

2426

01:33:57,590 --> 01:33:55,360

people like yourselves

2427

01:33:59,270 --> 01:33:57,600

yeah and i'm the same right and get to

2428

01:34:00,709 --> 01:33:59,280

look at things from a different angle

2429

01:34:02,870 --> 01:34:00,719

and that's really the point of the

2430

01:34:04,629 --> 01:34:02,880

podcast we decided that we're going to

2431

01:34:06,310 --> 01:34:04,639

give everybody a chance to give us you

2432

01:34:07,990 --> 01:34:06,320

know what's your angle on this what's

2433

01:34:09,590 --> 01:34:08,000

you know what's your thoughts on that uh

2434

01:34:11,189 --> 01:34:09,600

louis do you have any final questions

2435

01:34:13,350 --> 01:34:11,199

for our guest today no i just want to

2436

01:34:15,030 --> 01:34:13,360

give a very special thanks to john uh

2437

01:34:17,350 --> 01:34:15,040

it's been very informative we'll have to

2438

01:34:19,430 --> 01:34:17,360

do a part two of this because there's so

2439

01:34:21,270 --> 01:34:19,440

much more knowledge that you've uh asked

2440

01:34:23,350 --> 01:34:21,280

in your career an hour and change

2441

01:34:25,750 --> 01:34:23,360

doesn't really do it justice so yeah go

2442

01:34:27,910 --> 01:34:25,760

to my website johniventry.com my books

2443

01:34:29,430 --> 01:34:27,920

are on kindle and nook i i actually have

2444

01:34:31,510 --> 01:34:29,440

102

2445

01:34:33,510 --> 01:34:31,520

lectures i've done at my house in that

2446

01:34:35,750 --> 01:34:33,520

studio in pittsburgh and they're out

2447

01:34:37,430 --> 01:34:35,760

there everything in the ufo and now

2448

01:34:39,430 --> 01:34:37,440

paranormal stuff they're all out there

2449

01:34:41,189 --> 01:34:39,440

for people and we could talk about

2450

01:34:42,709 --> 01:34:41,199

almost any subject

2451

01:34:44,629 --> 01:34:42,719

well we'll have you back on again one

2452

01:34:47,270 --> 01:34:44,639

day soon and we'll we'll dive into some

2453

01:34:49,030 --> 01:34:47,280

other areas maybe not ufo related per se

2454

01:34:51,030 --> 01:34:49,040

because it is refreshing to get that

2455

01:34:52,550 --> 01:34:51,040

perspective as well so okay so thanks

2456

01:34:54,070 --> 01:34:52,560

again john we loved having you man

2457

01:35:02,310 --> 01:34:54,080

you're welcome back here anytime all

2458

01:35:02,320 --> 01:35:05,470

so
