

SARAH BRESKMAN COSME

UAP STUDIES
PODCAST

1
00:00:04,150 --> 00:00:01,590
hey everybody how you doing welcome to

2
00:00:05,749 --> 00:00:04,160
another show of uh our beautiful uap

3
00:00:07,349 --> 00:00:05,759
studies podcast

4
00:00:09,750 --> 00:00:07,359
today we are going to delve into the

5
00:00:11,749 --> 00:00:09,760
world of like higher consciousness uh

6
00:00:15,110 --> 00:00:11,759
we're going to talk to a lady who

7
00:00:18,310 --> 00:00:15,120
practices quantum healing hypnosis so

8
00:00:20,630 --> 00:00:18,320
basically how to access your third eye

9
00:00:22,790 --> 00:00:20,640
but not having to be like a meditation

10
00:00:24,870 --> 00:00:22,800
genius to get there there's a hypnotic

11
00:00:26,950 --> 00:00:24,880
way that you can be put into that state

12
00:00:29,029 --> 00:00:26,960
and you can heal yourself you can learn

13
00:00:30,950 --> 00:00:29,039

about past lives and all kinds of crazy

14

00:00:35,430 --> 00:00:30,960

stuff we asked her about remote viewing

15

00:00:38,069 --> 00:00:35,440

and astro projection and esp and even

16

00:00:40,229 --> 00:00:38,079

yeah exactly atlantis and lemuria so

17

00:00:41,510 --> 00:00:40,239

it's really interesting and uh i hope

18

00:00:48,470 --> 00:00:41,520

you guys are gonna like this show i know

19

00:01:08,789 --> 00:01:02,280

[Music]

20

00:01:12,870 --> 00:01:10,469

welcome back to another great episode of

21

00:01:14,710 --> 00:01:12,880

uap studies podcast i am louis borges

22

00:01:17,190 --> 00:01:14,720

joining me as always my good friend and

23

00:01:19,590 --> 00:01:17,200

co-host jason gilman how's it going it's

24

00:01:20,950 --> 00:01:19,600

going really good uh it's exciting today

25

00:01:23,350 --> 00:01:20,960

we're switching it up a little bit we're

26

00:01:24,469 --> 00:01:23,360

not going to be uh nuts and bolts ufo

27

00:01:27,270 --> 00:01:24,479

per se

28

00:01:29,670 --> 00:01:27,280

but more on like a quantum level um you

29

00:01:30,789 --> 00:01:29,680

know ways of uh accessing sort of your

30

00:01:32,350 --> 00:01:30,799

third eye

31

00:01:34,710 --> 00:01:32,360

cool places in the world ancient

32

00:01:36,550 --> 00:01:34,720

civilizations uh we're really gonna dig

33

00:01:37,749 --> 00:01:36,560

deep into some areas we don't go very

34

00:01:39,429 --> 00:01:37,759

often because we do have a lot of

35

00:01:42,710 --> 00:01:39,439

followers and viewers that like that as

36

00:01:44,469 --> 00:01:42,720

well again we're uap studies so this is

37

00:01:46,870 --> 00:01:44,479

the uh the university for people who are

38

00:01:48,870 --> 00:01:46,880

into this stuff and uh again in keeping

39

00:01:50,630 --> 00:01:48,880

with our usual list of uh high caliber

40

00:01:53,590 --> 00:01:50,640

guests uh we have an award-winning

41

00:01:56,550 --> 00:01:53,600

author today uh she is a practitioner of

42

00:01:58,950 --> 00:01:56,560

qhht which is quantum healing hypnosis

43

00:02:01,190 --> 00:01:58,960

technique uh a method developed by loris

44

00:02:02,950 --> 00:02:01,200

cannon some 45 years ago

45

00:02:05,510 --> 00:02:02,960

she knows a lot about ancient

46

00:02:08,229 --> 00:02:05,520

civilizations she just booked a tour

47

00:02:09,589 --> 00:02:08,239

of egypt that sold out right away uh so

48

00:02:11,670 --> 00:02:09,599

we're super excited to have on the show

49

00:02:12,630 --> 00:02:11,680

today sarah bressman kozmi welcome to

50

00:02:14,710 --> 00:02:12,640

the show

51

00:02:16,309 --> 00:02:14,720

thanks so much for having me

52

00:02:17,510 --> 00:02:16,319

thanks for being here so tell us a

53

00:02:19,990 --> 00:02:17,520

little bit about yourself for our

54

00:02:22,470 --> 00:02:20,000

viewers who may not know who you are um

55

00:02:23,830 --> 00:02:22,480

kind of what got you into this and uh

56

00:02:25,830 --> 00:02:23,840

you know how did that lead up to what

57

00:02:27,910 --> 00:02:25,840

you're working on today

58

00:02:30,070 --> 00:02:27,920

well i'm the author of a hypnotist

59

00:02:32,949 --> 00:02:30,080

journey to atlantis and a hypnotist

60

00:02:35,190 --> 00:02:32,959

journey to the secrets of the sphinx

61

00:02:37,750 --> 00:02:35,200

and i got into all of this stuff by

62

00:02:40,470 --> 00:02:37,760

accident i basically just started out

63

00:02:43,990 --> 00:02:40,480

just trying to myself because i had so

64

00:02:46,790 --> 00:02:44,000

many problems and over the years

65

00:02:49,430 --> 00:02:46,800

over the years i learned hypnosis and

66

00:02:50,390 --> 00:02:49,440

gradually i got into dolores cannon's

67

00:02:53,350 --> 00:02:50,400

method

68

00:02:55,830 --> 00:02:53,360

but i got into all this material by

69

00:02:57,670 --> 00:02:55,840

accident in fact i've never i don't

70

00:03:00,390 --> 00:02:57,680

research other people's stuff all the

71

00:03:02,949 --> 00:03:00,400

information that i get

72

00:03:05,350 --> 00:03:02,959

my own clients and i do this job

73

00:03:07,350 --> 00:03:05,360

basically almost every day where i do

74

00:03:09,190 --> 00:03:07,360

delores cannon's method which is

75

00:03:11,509 --> 00:03:09,200

bringing people to the deepest level of

76

00:03:14,070 --> 00:03:11,519

trans and then accessing their

77

00:03:16,149 --> 00:03:14,080

subconscious and then in that way they

78

00:03:18,710 --> 00:03:16,159

can find out everything they want to

79

00:03:20,390 --> 00:03:18,720

know about themselves and even other

80

00:03:22,229 --> 00:03:20,400

lifetimes they've lived and they can

81

00:03:25,430 --> 00:03:22,239

even heal their body

82

00:03:30,070 --> 00:03:25,440

but i got into this material

83

00:03:32,949 --> 00:03:30,080

by accident because i needed a client to

84

00:03:34,789 --> 00:03:32,959

regress or someone to regress to take

85

00:03:37,190 --> 00:03:34,799

this video submission

86

00:03:39,030 --> 00:03:37,200

to one of the classes i was taking

87

00:03:42,149 --> 00:03:39,040

and i

88

00:03:45,190 --> 00:03:42,159

decided to ask my friend jen who had

89

00:03:48,309 --> 00:03:45,200

been my friend for about 10 years

90

00:03:51,030 --> 00:03:48,319

and when i asked her i thought to myself

91

00:03:52,070 --> 00:03:51,040

oh my gosh why did i ask this person

92

00:03:54,550 --> 00:03:52,080

because

93

00:03:57,350 --> 00:03:54,560

she was one of those friends who wasn't

94

00:04:00,390 --> 00:03:57,360

into any of this stuff and i instantly

95

00:04:02,550 --> 00:04:00,400

regretted it and i thought oh no what is

96

00:04:05,270 --> 00:04:02,560

she going to say i just asked her if she

97

00:04:07,429 --> 00:04:05,280

would be my subject for this for this

98

00:04:10,229 --> 00:04:07,439

thing where i'm going to regress her and

99

00:04:13,830 --> 00:04:10,239

find out about another lifetime she

100

00:04:16,390 --> 00:04:13,840

lived and and i told her you know if you

101
00:04:18,629 --> 00:04:16,400
um are my willing participant you can

102
00:04:20,229 --> 00:04:18,639
even find out if you have any issues you

103
00:04:21,270 --> 00:04:20,239
can heal yourself

104
00:04:23,830 --> 00:04:21,280
and

105
00:04:25,510 --> 00:04:23,840
then she looked at me really

106
00:04:28,150 --> 00:04:25,520
really funny and i thought oh she's

107
00:04:30,070 --> 00:04:28,160
gonna think i'm totally crazy i knew it

108
00:04:31,990 --> 00:04:30,080
you know because we were friends for

109
00:04:33,110 --> 00:04:32,000
like 10 years and i would try to bring

110
00:04:35,270 --> 00:04:33,120
up

111
00:04:36,790 --> 00:04:35,280
spiritual stuff but she would just shoot

112
00:04:38,629 --> 00:04:36,800
it down so she was just one of those

113
00:04:40,790 --> 00:04:38,639

people i never talked to about that

114

00:04:43,590 --> 00:04:40,800

stuff but she looked at me and she said

115

00:04:45,270 --> 00:04:43,600

are you serious i have been looking for

116

00:04:47,110 --> 00:04:45,280

something like this

117

00:04:48,550 --> 00:04:47,120

and i was like what are you

118

00:04:50,629 --> 00:04:48,560

all this time i've been like trying to

119

00:04:53,030 --> 00:04:50,639

tell you you know different things about

120

00:04:55,189 --> 00:04:53,040

different sessions and you think it's

121

00:04:57,350 --> 00:04:55,199

crazy and she said she had been looking

122

00:04:59,670 --> 00:04:57,360

for something like this because she

123

00:05:01,749 --> 00:04:59,680

didn't tell anyone but she was suffering

124

00:05:04,790 --> 00:05:01,759

from this brain condition called

125

00:05:07,029 --> 00:05:04,800

pseudotumor cerebri and basically it was

126

00:05:09,430 --> 00:05:07,039

this really serious swelling that was

127

00:05:11,510 --> 00:05:09,440

affecting her brain and

128

00:05:13,670 --> 00:05:11,520

really closely with this team of

129

00:05:15,909 --> 00:05:13,680

specialists at the university of miami

130

00:05:17,670 --> 00:05:15,919

and they said there's no cure for this

131

00:05:18,870 --> 00:05:17,680

but we can put you on this heavy duty

132

00:05:21,189 --> 00:05:18,880

medication

133

00:05:23,430 --> 00:05:21,199

so she was just completely devastated

134

00:05:25,830 --> 00:05:23,440

she was only 32 at the time

135

00:05:28,150 --> 00:05:25,840

she said yes i will be

136

00:05:29,510 --> 00:05:28,160

willing subject definitely you can do

137

00:05:31,830 --> 00:05:29,520

whatever you want with me you can

138

00:05:32,950 --> 00:05:31,840

regress me take this video submission to

139

00:05:34,230 --> 00:05:32,960

your class

140

00:05:36,310 --> 00:05:34,240

so

141

00:05:38,710 --> 00:05:36,320

we started out and

142

00:05:40,390 --> 00:05:38,720

at first you know

143

00:05:41,830 --> 00:05:40,400

i wasn't sure what to expect with her

144

00:05:44,469 --> 00:05:41,840

because she she wasn't sure if she

145

00:05:46,230 --> 00:05:44,479

believed in having other lifetimes which

146

00:05:48,310 --> 00:05:46,240

is fine i've had clients that don't

147

00:05:49,670 --> 00:05:48,320

believe in other lifetimes that's fine

148

00:05:52,469 --> 00:05:49,680

it doesn't really matter what you

149

00:05:55,350 --> 00:05:52,479

believe but i didn't know how how she

150

00:05:57,029 --> 00:05:55,360

would feel if she saw another lifetime

151
00:05:59,350 --> 00:05:57,039

well sure enough

152
00:06:01,909 --> 00:05:59,360

as soon as she goes deep under hypnosis

153
00:06:04,950 --> 00:06:01,919

she recounts this other lifetime in this

154
00:06:06,629 --> 00:06:04,960

place called lemuria now she was not

155
00:06:09,270 --> 00:06:06,639

into any of this stuff she didn't know

156
00:06:10,230 --> 00:06:09,280

about atlantis lemuria extraterrestrials

157
00:06:12,629 --> 00:06:10,240

in fact

158
00:06:14,230 --> 00:06:12,639

when i was talking to her beforehand she

159
00:06:15,749 --> 00:06:14,240

told me she didn't believe in

160
00:06:18,469 --> 00:06:15,759

extraterrestrials

161
00:06:20,710 --> 00:06:18,479

so here she's regressed recounting

162
00:06:22,150 --> 00:06:20,720

memories of these places

163
00:06:24,629 --> 00:06:22,160

and

164

00:06:26,230 --> 00:06:24,639

after that session i asked her

165

00:06:27,110 --> 00:06:26,240

subconscious

166

00:06:31,830 --> 00:06:27,120

why

167

00:06:34,390 --> 00:06:31,840

and they said the reason behind the

168

00:06:36,550 --> 00:06:34,400

tumor was to get her to see me because

169

00:06:38,550 --> 00:06:36,560

this information that she's stored deep

170

00:06:40,870 --> 00:06:38,560

within her subconscious has been buried

171

00:06:42,710 --> 00:06:40,880

for thousands and thousands of years and

172

00:06:45,029 --> 00:06:42,720

this information is so important for

173

00:06:46,629 --> 00:06:45,039

people to understand because the world

174

00:06:48,550 --> 00:06:46,639

needs it now

175

00:06:51,110 --> 00:06:48,560

said youtube

176

00:06:52,790 --> 00:06:51,120

uncover this information

177

00:06:55,189 --> 00:06:52,800

that there's nothing that we would need

178

00:06:57,909 --> 00:06:55,199

to do they would help us share it so

179

00:06:59,909 --> 00:06:57,919

after this first session she goes back

180

00:07:01,510 --> 00:06:59,919

to her team of specialists because she

181

00:07:03,909 --> 00:07:01,520

feels better she doesn't know what's

182

00:07:05,270 --> 00:07:03,919

going on in her mind she notices that

183

00:07:07,510 --> 00:07:05,280

she doesn't

184

00:07:09,749 --> 00:07:07,520

notice the same pain that she was

185

00:07:11,270 --> 00:07:09,759

experiencing before so soon as she goes

186

00:07:14,230 --> 00:07:11,280

back

187

00:07:16,390 --> 00:07:14,240

she is completely healed and they said

188

00:07:18,950 --> 00:07:16,400

we don't understand

189

00:07:20,469 --> 00:07:18,960

i hope my internet's still working we

190

00:07:22,790 --> 00:07:20,479

don't understand

191

00:07:24,629 --> 00:07:22,800

how that's possible this must be a

192

00:07:25,909 --> 00:07:24,639

miracle i've never seen anything like

193

00:07:27,350 --> 00:07:25,919

this before

194

00:07:30,629 --> 00:07:27,360

and

195

00:07:33,029 --> 00:07:30,639

so here jen what her name is jen here

196

00:07:35,430 --> 00:07:33,039

jen was just completely

197

00:07:37,830 --> 00:07:35,440

shocked by all of this and she said okay

198

00:07:39,589 --> 00:07:37,840

sarah let's let's do

199

00:07:41,510 --> 00:07:39,599

again let's find out all this

200

00:07:43,670 --> 00:07:41,520

information that we're supposed to find

201
00:07:44,550 --> 00:07:43,680
and share this with the world

202
00:07:47,029 --> 00:07:44,560
so

203
00:07:49,110 --> 00:07:47,039
i thought that she would start from the

204
00:07:51,270 --> 00:07:49,120
beginning the beginning of that lifetime

205
00:07:53,830 --> 00:07:51,280
in lemuria where

206
00:07:55,430 --> 00:07:53,840
she was part of the ruling family in

207
00:07:57,110 --> 00:07:55,440
that lifetime and i thought she would

208
00:07:58,869 --> 00:07:57,120
start from the beginning i told her

209
00:08:00,950 --> 00:07:58,879
subconscious take us to the beginning of

210
00:08:02,869 --> 00:08:00,960
the story that you want us to uncover to

211
00:08:04,070 --> 00:08:02,879
share with the world and they didn't

212
00:08:06,469 --> 00:08:04,080
take us to the beginning of that

213
00:08:07,670 --> 00:08:06,479

lifetime instead they took us to the

214

00:08:10,390 --> 00:08:07,680

beginning

215

00:08:12,790 --> 00:08:10,400

another lifetime that jen had had when

216

00:08:14,629 --> 00:08:12,800

she was an extraterrestrial commander

217

00:08:17,589 --> 00:08:14,639

crash landing on earth for the very

218

00:08:19,270 --> 00:08:17,599

first time and i thought oh my gosh what

219

00:08:21,270 --> 00:08:19,280

is she going to think she doesn't

220

00:08:23,990 --> 00:08:21,280

believe in aliens

221

00:08:26,869 --> 00:08:24,000

and here she's completely recounting in

222

00:08:29,589 --> 00:08:26,879

full detail exactly what it was like to

223

00:08:32,389 --> 00:08:29,599

be an extraterrestrial complete with

224

00:08:34,149 --> 00:08:32,399

everything that the planet looked like

225

00:08:35,509 --> 00:08:34,159

how she powers her ship with the

226

00:08:36,949 --> 00:08:35,519

propulsion

227

00:08:39,110 --> 00:08:36,959

mechanism

228

00:08:42,389 --> 00:08:39,120

the different energies that they use and

229

00:08:44,870 --> 00:08:42,399

why they had to come to earth so

230

00:08:47,110 --> 00:08:44,880

i started you know uncovering all that

231

00:08:49,269 --> 00:08:47,120

information and then it gets even

232

00:08:51,509 --> 00:08:49,279

crazier and i'm sorry i'll let you speak

233

00:08:52,870 --> 00:08:51,519

no go ahead this is good it gets even

234

00:08:56,230 --> 00:08:52,880

crazier

235

00:08:59,509 --> 00:08:56,240

as i'm getting all this stuff from jen

236

00:09:01,350 --> 00:08:59,519

i'm still very busy in my practice

237

00:09:02,389 --> 00:09:01,360

i'm still seeing clients on a daily

238

00:09:04,710 --> 00:09:02,399

basis

239

00:09:07,509 --> 00:09:04,720

and this weird phenomenon started

240

00:09:10,710 --> 00:09:07,519

happening in my practice where people

241

00:09:13,269 --> 00:09:10,720

who had never met and didn't know that i

242

00:09:14,550 --> 00:09:13,279

was you know working with this person

243

00:09:16,630 --> 00:09:14,560

named jen

244

00:09:20,790 --> 00:09:16,640

were coming and recounting the same

245

00:09:21,910 --> 00:09:20,800

lifetimes in atlantis or lemuria or they

246

00:09:23,430 --> 00:09:21,920

were recounting being an

247

00:09:25,350 --> 00:09:23,440

extraterrestrial

248

00:09:27,910 --> 00:09:25,360

and i thought this is strangest

249

00:09:30,070 --> 00:09:27,920

coincidence so i would ask my other

250

00:09:32,070 --> 00:09:30,080

friends that do this work as well are

251

00:09:33,750 --> 00:09:32,080

you noticing that

252

00:09:36,150 --> 00:09:33,760

a lot of people are recounting these

253

00:09:37,190 --> 00:09:36,160

same lifetimes over and over and over

254

00:09:39,269 --> 00:09:37,200

again

255

00:09:41,430 --> 00:09:39,279

and they all said no

256

00:09:45,430 --> 00:09:41,440

and then i realized it was because i was

257

00:09:47,750 --> 00:09:45,440

supposed to actually write about it

258

00:09:50,550 --> 00:09:47,760

well that's amazing so in terms of this

259

00:09:52,949 --> 00:09:50,560

hypnosis technique is it is it just

260

00:09:55,030 --> 00:09:52,959

standard hypnosis only you're

261

00:09:56,550 --> 00:09:55,040

petitioning different answers to the

262

00:09:58,470 --> 00:09:56,560

subconscious or is there something

263

00:09:59,829 --> 00:09:58,480

unique about this particular type of

264

00:10:01,750 --> 00:09:59,839

hypnotherapy

265

00:10:04,150 --> 00:10:01,760

that's a great question no it's

266

00:10:06,389 --> 00:10:04,160

definitely unique it's dolores cannon's

267

00:10:09,190 --> 00:10:06,399

method and basically it took her about

268

00:10:12,230 --> 00:10:09,200

45 years of research to really

269

00:10:15,030 --> 00:10:12,240

um make this you know perfect it is

270

00:10:17,910 --> 00:10:15,040

perfect it's very easy but basically

271

00:10:19,590 --> 00:10:17,920

what's what differ what makes this

272

00:10:22,150 --> 00:10:19,600

different than other past life

273

00:10:24,710 --> 00:10:22,160

regressions is that you're bringing the

274

00:10:27,350 --> 00:10:24,720

client to that deep level of trance

275

00:10:29,430 --> 00:10:27,360

which you do in any session but then the

276

00:10:30,790 --> 00:10:29,440

main goal is to access their

277

00:10:32,870 --> 00:10:30,800

subconscious

278

00:10:34,949 --> 00:10:32,880

and then through doing that you can

279

00:10:37,750 --> 00:10:34,959

really find out anything they want to

280

00:10:39,590 --> 00:10:37,760

learn about themselves and they can find

281

00:10:41,350 --> 00:10:39,600

out like their true purpose and

282

00:10:42,470 --> 00:10:41,360

everything like that and they can heal

283

00:10:45,030 --> 00:10:42,480

their body

284

00:10:46,870 --> 00:10:45,040

and that's why it's so popular

285

00:10:48,710 --> 00:10:46,880

it's like that's the the aim of the game

286

00:10:50,550 --> 00:10:48,720

when it comes to meditation too we all

287

00:10:52,230 --> 00:10:50,560

want to get to that level where you know

288

00:10:53,910 --> 00:10:52,240

we feel at one or

289

00:10:56,389 --> 00:10:53,920

maybe we download some cosmic

290

00:10:57,990 --> 00:10:56,399

information but maybe there's too much

291

00:10:59,670 --> 00:10:58,000

conscious mind

292

00:11:02,069 --> 00:10:59,680

fighting that just to get to the

293

00:11:04,150 --> 00:11:02,079

subconscious whereas with hypnosis

294

00:11:05,750 --> 00:11:04,160

that's gone and somebody else is now

295

00:11:07,030 --> 00:11:05,760

driving right so

296

00:11:09,190 --> 00:11:07,040

it seems like it would be easier to

297

00:11:11,030 --> 00:11:09,200

access it through hypnotherapy than

298

00:11:13,590 --> 00:11:11,040

unless you're like a really well-trained

299

00:11:15,750 --> 00:11:13,600

meditating savant right

300

00:11:17,509 --> 00:11:15,760

i mean you can access it when you wake

301

00:11:19,430 --> 00:11:17,519

up in the morning when you can still

302

00:11:21,670 --> 00:11:19,440

remember your dreams because that's the

303

00:11:23,829 --> 00:11:21,680

deep theta state and if you try to

304

00:11:25,670 --> 00:11:23,839

extend it out every morning when you

305

00:11:27,990 --> 00:11:25,680

wake up and you think oh

306

00:11:30,630 --> 00:11:28,000

i can definitely go back into my dreams

307

00:11:33,190 --> 00:11:30,640

so i'm in the theta state and just

308

00:11:35,590 --> 00:11:33,200

allow yourself to feel that oneness in

309

00:11:38,069 --> 00:11:35,600

that state you can get really good that

310

00:11:39,990 --> 00:11:38,079

way it's just easier i think

311

00:11:41,990 --> 00:11:40,000

yeah for sure so

312

00:11:44,710 --> 00:11:42,000

go ahead jay no i was gonna say so

313

00:11:46,630 --> 00:11:44,720

you're you're working with this um uh

314

00:11:48,949 --> 00:11:46,640

this person jen and you're realizing

315

00:11:50,710 --> 00:11:48,959

you're you're getting some effective

316

00:11:52,949 --> 00:11:50,720

uh methods out of it you're getting some

317

00:11:54,630 --> 00:11:52,959

good information out of it was it the

318

00:11:56,310 --> 00:11:54,640

same thing when you were working with

319

00:11:58,230 --> 00:11:56,320

other people like did you find it easy

320

00:12:01,030 --> 00:11:58,240

to get people to that state

321

00:12:03,829 --> 00:12:01,040

or is it difficult based on the person

322

00:12:05,750 --> 00:12:03,839

that uh that you're working on

323

00:12:08,550 --> 00:12:05,760

that's a great question it can be more

324

00:12:11,990 --> 00:12:08,560

challenging depending on the person's

325

00:12:15,269 --> 00:12:12,000

resistance to it because some people

326

00:12:16,550 --> 00:12:15,279

want to be more in control and aren't

327

00:12:18,790 --> 00:12:16,560

really ready

328

00:12:20,949 --> 00:12:18,800

to have the session i mean it's rare

329

00:12:23,030 --> 00:12:20,959

but sometimes it happens and they would

330

00:12:25,509 --> 00:12:23,040

be considered a little bit more

331

00:12:27,910 --> 00:12:25,519

challenging but really any

332

00:12:28,870 --> 00:12:27,920

can do it anybody can

333

00:12:31,350 --> 00:12:28,880

um

334

00:12:33,269 --> 00:12:31,360

get into that state pretty easily i

335

00:12:36,550 --> 00:12:33,279

think it just depends on the person's

336

00:12:39,750 --> 00:12:36,560

level of resistance to it basically

337

00:12:42,550 --> 00:12:39,760

but i did find that so many people

338

00:12:44,310 --> 00:12:42,560

were easily sharing this information

339

00:12:45,910 --> 00:12:44,320

with me

340

00:12:48,230 --> 00:12:45,920

yeah how do you find some people that

341

00:12:49,509 --> 00:12:48,240

are like oh i can't be hypnotized like

342

00:12:52,150 --> 00:12:49,519

i've heard of people that you know go to

343

00:12:53,590 --> 00:12:52,160

vegas they go to a show he hypnotizes a

344

00:12:56,069 --> 00:12:53,600

bunch of people makes them act like a

345

00:12:58,389 --> 00:12:56,079

chicken or a lot worse on stage and that

346

00:12:59,190 --> 00:12:58,399

type of thing and some people are you

347

00:13:00,470 --> 00:12:59,200

know

348

00:13:02,470 --> 00:13:00,480

very uh

349

00:13:03,750 --> 00:13:02,480

they don't believe and they go under and

350

00:13:06,710 --> 00:13:03,760

there's some people that just don't go

351

00:13:09,509 --> 00:13:06,720

under so is that from the person or like

352

00:13:11,509 --> 00:13:09,519

why do you think that is no i i think

353

00:13:14,069 --> 00:13:11,519

some people go under and don't believe

354

00:13:16,790 --> 00:13:14,079

they were under more like that

355

00:13:18,949 --> 00:13:16,800

but you know even jen told me that she

356

00:13:22,389 --> 00:13:18,959

went to a stage hypnotist and they

357

00:13:24,870 --> 00:13:22,399

couldn't put her under so it a hypnotist

358

00:13:27,750 --> 00:13:24,880

can't make you do anything against your

359

00:13:30,069 --> 00:13:27,760

own will basically they can't make you

360

00:13:31,990 --> 00:13:30,079

donate a thousand dollars to somebody or

361

00:13:34,230 --> 00:13:32,000

anything like that and she's comfortable

362

00:13:37,110 --> 00:13:34,240

with you as her friend so maybe she was

363

00:13:38,790 --> 00:13:37,120

less resistant and it went in smoothly

364

00:13:40,710 --> 00:13:38,800

because she trusted what you were gonna

365

00:13:42,550 --> 00:13:40,720

do she knew nothing bad would happen so

366

00:13:45,110 --> 00:13:42,560

the guard was down a bit right

367

00:13:46,870 --> 00:13:45,120

and i'm i'm sure that's how

368

00:13:49,269 --> 00:13:46,880

that's why the universe set it up that

369

00:13:51,750 --> 00:13:49,279

way was they made us friends for 10

370

00:13:53,990 --> 00:13:51,760

years first before i ever approached her

371

00:13:56,389 --> 00:13:54,000

about the subject because she was so

372

00:13:58,470 --> 00:13:56,399

resistant to any of this stuff i mean

373

00:14:01,509 --> 00:13:58,480

she was a teacher at the school and she

374

00:14:03,670 --> 00:14:01,519

was very scientific she didn't believe

375

00:14:06,310 --> 00:14:03,680

in any of this

376

00:14:08,629 --> 00:14:06,320

the more we research uh this phenomenon

377

00:14:11,189 --> 00:14:08,639

the more we find that there's different

378

00:14:13,350 --> 00:14:11,199

variations different things that happen

379

00:14:14,629 --> 00:14:13,360

and we have to explore it so as it pops

380

00:14:16,150 --> 00:14:14,639

up we're like oh well let's go look at

381

00:14:17,829 --> 00:14:16,160

this and then something else pops up

382

00:14:19,350 --> 00:14:17,839

let's go look at that

383

00:14:21,590 --> 00:14:19,360

so we find it's all over the place

384

00:14:22,790 --> 00:14:21,600

especially in ufology but what got you

385

00:14:26,069 --> 00:14:22,800

interested

386

00:14:29,430 --> 00:14:26,079

in the subject of ufos

387

00:14:31,590 --> 00:14:29,440

i got into it by accident honestly i was

388

00:14:34,629 --> 00:14:31,600

never seeking the information

389

00:14:37,269 --> 00:14:34,639

information has always just come to me

390

00:14:40,310 --> 00:14:37,279

so it's really quite interesting because

391

00:14:43,590 --> 00:14:40,320

that's how these sessions work also

392

00:14:45,670 --> 00:14:43,600

i don't lead anybody or tell them okay

393

00:14:48,150 --> 00:14:45,680

go here or go there

394

00:14:50,550 --> 00:14:48,160

this information almost has

395

00:14:52,949 --> 00:14:50,560

it's almost as if there are higher

396

00:14:54,310 --> 00:14:52,959

consciousness with an agenda and they

397

00:14:56,550 --> 00:14:54,320

use me

398

00:14:58,470 --> 00:14:56,560

basically because i'm not the one that

399

00:15:00,949 --> 00:14:58,480

writes the books

400

00:15:03,030 --> 00:15:00,959

really i just edit them

401
00:15:05,829 --> 00:15:03,040
all this information comes through the

402
00:15:07,030 --> 00:15:05,839
higher consciousness of my clients and

403
00:15:09,750 --> 00:15:07,040
also what you would call

404
00:15:12,389 --> 00:15:09,760
extraterrestrial presences that are

405
00:15:14,870 --> 00:15:12,399
coming through my clients with an agenda

406
00:15:17,189 --> 00:15:14,880
because it's stuff that they want the

407
00:15:19,670 --> 00:15:17,199
population to understand now

408
00:15:22,629 --> 00:15:19,680
do you think this is stored in the that

409
00:15:24,949 --> 00:15:22,639
individual's mind or as you said if this

410
00:15:27,030 --> 00:15:24,959
is information that many thousands of

411
00:15:28,790 --> 00:15:27,040
lifetimes wanted to come through this

412
00:15:31,590 --> 00:15:28,800
then has to be stored somewhere else in

413
00:15:33,430 --> 00:15:31,600

the quantum level and we're linking to

414

00:15:36,069 --> 00:15:33,440

that and downloading what we need at a

415

00:15:38,230 --> 00:15:36,079

time it's not actually stored within us

416

00:15:40,389 --> 00:15:38,240

consciousness is outside of us so what

417

00:15:43,350 --> 00:15:40,399

are your thoughts either way on that

418

00:15:45,350 --> 00:15:43,360

that is correct it's not just within an

419

00:15:47,990 --> 00:15:45,360

individual because i've noticed that

420

00:15:50,310 --> 00:15:48,000

when you bring a person to this this

421

00:15:53,030 --> 00:15:50,320

level this level of trance they're

422

00:15:57,269 --> 00:15:53,040

connecting with universal consciousness

423

00:15:59,749 --> 00:15:57,279

so um you one person could connect into

424

00:16:03,590 --> 00:15:59,759

another person that's why you can heal

425

00:16:05,910 --> 00:16:03,600

somebody from your family in that state

426

00:16:08,230 --> 00:16:05,920

i know it gets tricky but

427

00:16:10,710 --> 00:16:08,240

yeah i mean ultimately everybody

428

00:16:12,550 --> 00:16:10,720

everyone stores this information so

429

00:16:14,629 --> 00:16:12,560

what's some of the craziest stuff i mean

430

00:16:16,710 --> 00:16:14,639

without giving away intimate or private

431

00:16:18,150 --> 00:16:16,720

details that people will know but what's

432

00:16:20,550 --> 00:16:18,160

some of the craziest stuff people have

433

00:16:22,230 --> 00:16:20,560

told you under hypnosis

434

00:16:23,590 --> 00:16:22,240

like was somebody a dinosaur and you

435

00:16:26,150 --> 00:16:23,600

know like

436

00:16:28,949 --> 00:16:26,160

my brain only can imagine so much about

437

00:16:31,430 --> 00:16:28,959

that because i know a limited amount but

438

00:16:33,590 --> 00:16:31,440

enlighten us give us some cool stuff oh

439

00:16:36,870 --> 00:16:33,600

i thought one of the craziest things was

440

00:16:38,470 --> 00:16:36,880

somebody remembering being um an aunt

441

00:16:40,470 --> 00:16:38,480

they remembered being an aunt and they

442

00:16:43,509 --> 00:16:40,480

could describe perfectly what it was

443

00:16:46,710 --> 00:16:43,519

like with the mandibles they didn't um

444

00:16:48,870 --> 00:16:46,720

they didn't taste anything but they knew

445

00:16:51,749 --> 00:16:48,880

when it was time to eat and they felt

446

00:16:53,030 --> 00:16:51,759

like a deep curiosity and they had to

447

00:16:55,269 --> 00:16:53,040

keep moving

448

00:16:58,550 --> 00:16:55,279

but when they when they died they didn't

449

00:17:00,069 --> 00:16:58,560

feel any pain or anything like that they

450

00:17:02,470 --> 00:17:00,079

weren't upset

451

00:17:04,470 --> 00:17:02,480

there was still the curiosity it was

452

00:17:06,230 --> 00:17:04,480

really interesting sometimes these

453

00:17:08,230 --> 00:17:06,240

extraterrestrial lifetimes are really

454

00:17:10,390 --> 00:17:08,240

interesting it's like consciousness

455

00:17:12,150 --> 00:17:10,400

knows there's more coming so the ant has

456

00:17:14,390 --> 00:17:12,160

no fear of dying because he knows he's

457

00:17:15,829 --> 00:17:14,400

gonna pop up again as something right it

458

00:17:20,309 --> 00:17:15,839

was there was

459

00:17:22,549 --> 00:17:20,319

absolutely no fear and no um emotions

460

00:17:24,150 --> 00:17:22,559

around it just oh i can't wait to see

461

00:17:25,990 --> 00:17:24,160

what's next you know kind of thing it

462

00:17:28,549 --> 00:17:26,000

was really interesting it's really

463

00:17:31,350 --> 00:17:28,559

fascinating when people remember being

464

00:17:34,950 --> 00:17:31,360

an animal like a bear i mean there was

465

00:17:36,070 --> 00:17:34,960

one mother bear who missed her cubs and

466

00:17:37,669 --> 00:17:36,080

she was

467

00:17:39,669 --> 00:17:37,679

just after they

468

00:17:41,270 --> 00:17:39,679

grew up and they went on with their

469

00:17:43,190 --> 00:17:41,280

lives and she would

470

00:17:45,510 --> 00:17:43,200

sit down by the river and think about

471

00:17:47,110 --> 00:17:45,520

them and wonder what they're doing

472

00:17:49,110 --> 00:17:47,120

it's really interesting it's very

473

00:17:51,029 --> 00:17:49,120

fascinating but the extraterrestrial

474

00:17:54,150 --> 00:17:51,039

lifetimes are really fascinating

475

00:17:57,270 --> 00:17:54,160

sometimes i mean i had one client that

476

00:17:59,990 --> 00:17:57,280

remembered just being part of

477

00:18:01,270 --> 00:18:00,000

a team that would go from different

478

00:18:03,350 --> 00:18:01,280

parts of the

479

00:18:04,549 --> 00:18:03,360

universe to look for different planets

480

00:18:07,190 --> 00:18:04,559

that would be

481

00:18:09,510 --> 00:18:07,200

seedable basically and they would take

482

00:18:13,270 --> 00:18:09,520

different elements from the planets like

483

00:18:14,870 --> 00:18:13,280

a rock or a liquid or gas

484

00:18:16,070 --> 00:18:14,880

and they would take it aboard their

485

00:18:18,150 --> 00:18:16,080

mothership

486

00:18:19,750 --> 00:18:18,160

and then they would focus with these

487

00:18:22,150 --> 00:18:19,760

special tools they would focus

488

00:18:23,669 --> 00:18:22,160

consciousness into it to see if there

489

00:18:25,430 --> 00:18:23,679

was a reaction

490

00:18:28,230 --> 00:18:25,440

um to that

491

00:18:30,070 --> 00:18:28,240

that liquid solid or gas or whatever and

492

00:18:32,789 --> 00:18:30,080

if there was a reaction then they knew

493

00:18:34,470 --> 00:18:32,799

the entire planet could sustain life

494

00:18:36,310 --> 00:18:34,480

that was really interesting

495

00:18:38,710 --> 00:18:36,320

and the planet had to have some

496

00:18:40,630 --> 00:18:38,720

consciousness about itself to be

497

00:18:43,029 --> 00:18:40,640

conducive for more life and

498

00:18:44,310 --> 00:18:43,039

consciousness yes i thought that was so

499

00:18:46,310 --> 00:18:44,320

interesting

500

00:18:48,470 --> 00:18:46,320

yeah so this earth you know has a

501
00:18:50,950 --> 00:18:48,480
consciousness and that is why it can

502
00:18:52,870 --> 00:18:50,960
sustain life which is really fascinating

503
00:18:55,350 --> 00:18:52,880
well it you know we've um

504
00:18:57,190 --> 00:18:55,360
viewed cases where you know some of

505
00:19:01,830 --> 00:18:57,200
these

506
00:19:03,590 --> 00:19:01,840
crafts get out of the crafts and

507
00:19:05,430 --> 00:19:03,600
you know take some sort of sample from

508
00:19:07,029 --> 00:19:05,440
the earth and then you know take off

509
00:19:09,590 --> 00:19:07,039
whether it's a plant or

510
00:19:11,190 --> 00:19:09,600
soil or whatever right

511
00:19:12,310 --> 00:19:11,200
and it seems to them that it's very very

512
00:19:14,070 --> 00:19:12,320
important

513
00:19:16,630 --> 00:19:14,080

that they talk about the environment

514

00:19:19,830 --> 00:19:16,640

like even we were studying the zimbabwe

515

00:19:22,630 --> 00:19:19,840

um case the aerial school one and in

516

00:19:24,549 --> 00:19:22,640

they were all spoken to at the same time

517

00:19:26,870 --> 00:19:24,559

by this one entity to seem to be

518

00:19:27,830 --> 00:19:26,880

cerebrally way much more advanced than

519

00:19:30,230 --> 00:19:27,840

we are

520

00:19:32,070 --> 00:19:30,240

and was able to talk to each one of them

521

00:19:34,549 --> 00:19:32,080

individually not

522

00:19:36,230 --> 00:19:34,559

just as a collective but on their own

523

00:19:37,350 --> 00:19:36,240

personal terms

524

00:19:39,510 --> 00:19:37,360

and

525

00:19:41,750 --> 00:19:39,520

that sort of intrigues me because it

526

00:19:43,909 --> 00:19:41,760

sort of says can we do that as as a

527

00:19:45,350 --> 00:19:43,919

species because if we're able to receive

528

00:19:46,950 --> 00:19:45,360

that from them

529

00:19:49,510 --> 00:19:46,960

uh there's got to be some way for us to

530

00:19:52,710 --> 00:19:49,520

be able to reciprocate that as well uh

531

00:19:54,310 --> 00:19:52,720

have you had any sort of

532

00:19:57,590 --> 00:19:54,320

clients that have mentioned any

533

00:19:59,830 --> 00:19:57,600

telepathy or consciousness with these

534

00:20:02,310 --> 00:19:59,840

entities at any point in time oh

535

00:20:04,630 --> 00:20:02,320

definitely and it does seem to happen

536

00:20:08,230 --> 00:20:04,640

like that especially amongst tribes and

537

00:20:10,150 --> 00:20:08,240

tribal people one entity or one group of

538

00:20:12,390 --> 00:20:10,160

entities will communicate with all of

539

00:20:13,110 --> 00:20:12,400

them at the same time

540

00:20:15,590 --> 00:20:13,120

or

541

00:20:18,789 --> 00:20:15,600

during ceremonies they'll all receive

542

00:20:21,190 --> 00:20:18,799

the same information right spread out

543

00:20:23,909 --> 00:20:21,200

all over it's really fascinating but yes

544

00:20:26,870 --> 00:20:23,919

i think that's how the communication is

545

00:20:28,870 --> 00:20:26,880

um held on many other realms

546

00:20:31,669 --> 00:20:28,880

is that what happens when people do

547

00:20:34,630 --> 00:20:31,679

you know like an ayahuasca ceremony or

548

00:20:35,830 --> 00:20:34,640

dmt or any type of psychedelic you know

549

00:20:37,669 --> 00:20:35,840

they claim

550

00:20:39,590 --> 00:20:37,679

i mean lots of stuff i've never done

551
00:20:41,110 --> 00:20:39,600
psychedelics they kind of freaked me out

552
00:20:43,190 --> 00:20:41,120
i think i tried mushrooms once when i

553
00:20:45,590 --> 00:20:43,200
was a kid nothing happened and i saw my

554
00:20:47,590 --> 00:20:45,600
buddies how their how their reaction was

555
00:20:49,190 --> 00:20:47,600
and i'm like yeah not for me but i've

556
00:20:52,390 --> 00:20:49,200
heard stories of people being like yeah

557
00:20:54,710 --> 00:20:52,400
i felt like i was a frog for 30 years

558
00:20:56,549 --> 00:20:54,720
and then or even people smoking salvia

559
00:20:58,070 --> 00:20:56,559
and stuff like that they all seemed to

560
00:21:00,310 --> 00:20:58,080
have these weird

561
00:21:02,470 --> 00:21:00,320
very tribal like they were shaman and

562
00:21:05,110 --> 00:21:02,480
they felt very like almost like in an

563
00:21:06,630 --> 00:21:05,120

aztec type of scenario and they were

564

00:21:09,830 --> 00:21:06,640

living a different life as a different

565

00:21:12,870 --> 00:21:09,840

person or on a different planet so is

566

00:21:15,190 --> 00:21:12,880

that just inducing them to that level or

567

00:21:18,630 --> 00:21:15,200

is that just chemicals playing with your

568

00:21:21,110 --> 00:21:18,640

brain on a trip well i've never done um

569

00:21:22,390 --> 00:21:21,120

those things either but i someday maybe

570

00:21:25,029 --> 00:21:22,400

i would love to

571

00:21:25,990 --> 00:21:25,039

but um i've had other clients that say

572

00:21:29,110 --> 00:21:26,000

when they're

573

00:21:30,390 --> 00:21:29,120

doing a qhht session it's very similar

574

00:21:32,710 --> 00:21:30,400

to ayahuasca

575

00:21:34,870 --> 00:21:32,720

without feeling sick

576

00:21:36,789 --> 00:21:34,880

it's it's i guess it's the same level

577

00:21:39,430 --> 00:21:36,799

but i'm not really sure i think i'd have

578

00:21:41,830 --> 00:21:39,440

to try it just to know

579

00:21:42,870 --> 00:21:41,840

so it's it's a way then um the way that

580

00:21:51,110 --> 00:21:42,880

you

581

00:21:53,430 --> 00:21:51,120

that have this level level 3 right

582

00:21:55,510 --> 00:21:53,440

and so you're weaving your way you're

583

00:21:57,590 --> 00:21:55,520

learning how to do this

584

00:21:58,950 --> 00:21:57,600

how do you know when you're tapped in to

585

00:22:00,149 --> 00:21:58,960

something that is going to give you that

586

00:22:01,430 --> 00:22:00,159

information there's got to be a point

587

00:22:02,630 --> 00:22:01,440

where you're like oh that's it that's a

588

00:22:05,830 --> 00:22:02,640

sweet spot

589

00:22:07,270 --> 00:22:05,840

right so how do you develop that as

590

00:22:08,310 --> 00:22:07,280

a hypnosis

591

00:22:10,789 --> 00:22:08,320

therapist

592

00:22:14,789 --> 00:22:10,799

you can usually tell because when a soul

593

00:22:18,070 --> 00:22:14,799

when an individual person like the ego

594

00:22:21,350 --> 00:22:18,080

whenever somebody leaves this lifetime

595

00:22:23,430 --> 00:22:21,360

they are automatically speaking as a we

596

00:22:25,029 --> 00:22:23,440

so i can tell because

597

00:22:27,750 --> 00:22:25,039

if i'm speaking with them and all of a

598

00:22:30,549 --> 00:22:27,760

sudden they start saying we or

599

00:22:33,190 --> 00:22:30,559

uh they as when they start to speak as

600

00:22:34,390 --> 00:22:33,200

if they are multiple then i know oh okay

601
00:22:36,789 --> 00:22:34,400

here they are

602
00:22:41,750 --> 00:22:36,799

right as a collective as a collective so

603
00:22:46,710 --> 00:22:43,830

and that is a big part of our issues on

604
00:22:48,470 --> 00:22:46,720

the planet but without that ego in your

605
00:22:50,070 --> 00:22:48,480

foreconscious and you know your

606
00:22:52,630 --> 00:22:50,080

forefront mind

607
00:22:55,510 --> 00:22:52,640

it is we we've always been we and we

608
00:22:57,830 --> 00:22:55,520

still are we it's so true and when you

609
00:23:00,710 --> 00:22:57,840

remove that you're a we and you start

610
00:23:03,029 --> 00:23:00,720

speaking as we yeah so it's really fast

611
00:23:05,110 --> 00:23:03,039

and with the benefit of all the other

612
00:23:07,430 --> 00:23:05,120

people as well right you're you would

613
00:23:10,070 --> 00:23:07,440

not think anything negative because that

614

00:23:12,230 --> 00:23:10,080

affects you and all of us right so it

615

00:23:13,909 --> 00:23:12,240

just becomes it be it's a very

616

00:23:15,430 --> 00:23:13,919

interesting concept for sure i

617

00:23:17,430 --> 00:23:15,440

definitely want to learn more about this

618

00:23:18,710 --> 00:23:17,440

moving forward maybe you can give me

619

00:23:20,710 --> 00:23:18,720

some materials

620

00:23:22,230 --> 00:23:20,720

sure i will we'll post a link on our

621

00:23:24,470 --> 00:23:22,240

youtube video where people can learn

622

00:23:26,470 --> 00:23:24,480

more about this your website oh awesome

623

00:23:28,789 --> 00:23:26,480

yeah i think it's it's worth getting

624

00:23:30,070 --> 00:23:28,799

into it's brain food if you don't flex

625

00:23:32,310 --> 00:23:30,080

that muscle even though it's not a

626

00:23:34,149 --> 00:23:32,320

muscle but so to speak if you don't go

627

00:23:36,470 --> 00:23:34,159

looking i mean we wouldn't be as

628

00:23:38,470 --> 00:23:36,480

advanced on the topic of uap studies and

629

00:23:39,830 --> 00:23:38,480

learning about things and quantum

630

00:23:41,590 --> 00:23:39,840

physics and quantum mechanics

631

00:23:44,070 --> 00:23:41,600

entanglement if somebody didn't think

632

00:23:46,070 --> 00:23:44,080

about it and not stop at well that's

633

00:23:48,310 --> 00:23:46,080

crazy they just kept thinking about it

634

00:23:49,830 --> 00:23:48,320

and collectively thought about it and

635

00:23:51,830 --> 00:23:49,840

you know we chatted with jacques vale

636

00:23:54,149 --> 00:23:51,840

earlier which is our 100th episode

637

00:23:56,950 --> 00:23:54,159

coming up shortly and he basically said

638

00:23:59,270 --> 00:23:56,960

exactly the same thing right so uh yeah

639

00:24:01,510 --> 00:23:59,280

i find that very interesting

640

00:24:04,149 --> 00:24:01,520

we're getting more and more into like

641

00:24:07,750 --> 00:24:04,159

the consciousness aspect of the

642

00:24:10,070 --> 00:24:07,760

phenomenon and that is something that i

643

00:24:12,710 --> 00:24:10,080

and i mentioned that to louis before uh

644

00:24:14,870 --> 00:24:12,720

i was never really a big fan of before

645

00:24:16,390 --> 00:24:14,880

when i would read it into books and

646

00:24:17,669 --> 00:24:16,400

in magazines and watch you know

647

00:24:20,149 --> 00:24:17,679

documentaries they would talk about

648

00:24:23,750 --> 00:24:20,159

consciousness i'd be like ah that's just

649

00:24:25,190 --> 00:24:23,760

it's bs i can't be right uh but you know

650

00:24:26,950 --> 00:24:25,200

when you keep hearing you need to raise

651
00:24:29,269 --> 00:24:26,960
your consciousness you need to raise

652
00:24:31,590 --> 00:24:29,279
your i didn't know that my

653
00:24:33,110 --> 00:24:31,600
consciousness wasn't as aware as acute

654
00:24:34,950 --> 00:24:33,120
as it's supposed to be but i guess

655
00:24:37,750 --> 00:24:34,960
that's the case is that

656
00:24:39,750 --> 00:24:37,760
some of us are more in tuned to what is

657
00:24:41,190 --> 00:24:39,760
going on or maybe a different aspect of

658
00:24:42,789 --> 00:24:41,200
reality that

659
00:24:43,750 --> 00:24:42,799
some of us in the west have forgotten

660
00:24:45,269 --> 00:24:43,760
about

661
00:24:49,430 --> 00:24:45,279
uh

662
00:24:50,549 --> 00:24:49,440
hypnotherapy and then bringing people

663
00:24:52,149 --> 00:24:50,559

back to

664

00:24:54,789 --> 00:24:52,159

you know

665

00:24:57,029 --> 00:24:54,799

past life or a traumatic event like

666

00:24:59,110 --> 00:24:57,039

there's you've got to have maybe a few

667

00:25:00,470 --> 00:24:59,120

stories of maybe an abduction or two

668

00:25:01,510 --> 00:25:00,480

that took place

669

00:25:03,669 --> 00:25:01,520

uh

670

00:25:05,110 --> 00:25:03,679

those those are more the scary ones i

671

00:25:07,510 --> 00:25:05,120

would assume that's the ones that the

672

00:25:08,950 --> 00:25:07,520

one that people aren't too comfortable

673

00:25:09,990 --> 00:25:08,960

going into

674

00:25:13,269 --> 00:25:10,000

because they're afraid of what they're

675

00:25:16,070 --> 00:25:13,279

gonna find out they often start out as

676
00:25:18,789 --> 00:25:16,080
scary and then end up not so scary when

677
00:25:20,789 --> 00:25:18,799
they really get to the bottom of it all

678
00:25:21,830 --> 00:25:20,799
right but sometimes

679
00:25:24,390 --> 00:25:21,840
i'm in

680
00:25:26,870 --> 00:25:24,400
knowing or remembering that they've been

681
00:25:28,230 --> 00:25:26,880
abducted so to speak and they want to

682
00:25:30,789 --> 00:25:28,240
work on that they want to find out

683
00:25:32,549 --> 00:25:30,799
exactly what happened to them

684
00:25:33,430 --> 00:25:32,559
um in detail

685
00:25:35,990 --> 00:25:33,440
and

686
00:25:38,149 --> 00:25:36,000
what's interesting is a lot of times

687
00:25:41,669 --> 00:25:38,159
what they find out is that

688
00:25:44,549 --> 00:25:41,679

it's really them abducting them because

689

00:25:47,110 --> 00:25:44,559

there is no such thing as time so if you

690

00:25:47,990 --> 00:25:47,120

think about time as

691

00:25:50,149 --> 00:25:48,000

um

692

00:25:51,990 --> 00:25:50,159

as if you are multi-dimensional so

693

00:25:55,590 --> 00:25:52,000

you're living a lifetime as a different

694

00:25:56,710 --> 00:25:55,600

version of yourself on different planets

695

00:25:58,390 --> 00:25:56,720

often

696

00:25:59,669 --> 00:25:58,400

times

697

00:26:02,230 --> 00:25:59,679

well especially for certain

698

00:26:04,470 --> 00:26:02,240

extraterrestrials they bred out their

699

00:26:06,230 --> 00:26:04,480

emotions so they

700

00:26:08,950 --> 00:26:06,240

their future

701

00:26:10,789 --> 00:26:08,960

you could say version of us

702

00:26:13,190 --> 00:26:10,799

according to my clients i don't know

703

00:26:14,230 --> 00:26:13,200

what other people say but according to

704

00:26:16,149 --> 00:26:14,240

my clients

705

00:26:19,110 --> 00:26:16,159

there are future versions of us that

706

00:26:20,310 --> 00:26:19,120

come back to try to work on us

707

00:26:23,669 --> 00:26:20,320

so that

708

00:26:26,549 --> 00:26:23,679

them in the future will be doing better

709

00:26:29,830 --> 00:26:26,559

so that's why they choose us because we

710

00:26:31,710 --> 00:26:29,840

are them basically and that's the that's

711

00:26:33,990 --> 00:26:31,720

michael paul masters theory

712

00:26:36,390 --> 00:26:34,000

extraterrestrial he's named it where

713

00:26:38,549 --> 00:26:36,400

it's really just us in the future either

714

00:26:39,430 --> 00:26:38,559

coming back to fix an issue prevent an

715

00:26:41,430 --> 00:26:39,440

issue

716

00:26:43,750 --> 00:26:41,440

or maybe harvest genetic material

717

00:26:45,909 --> 00:26:43,760

because we can no longer reproduce

718

00:26:47,750 --> 00:26:45,919

maybe our planet is not really that good

719

00:26:49,350 --> 00:26:47,760

for us wherever we're living

720

00:26:51,669 --> 00:26:49,360

how many years down the road so that's

721

00:26:53,350 --> 00:26:51,679

exactly his theory oh wow i have to

722

00:26:54,549 --> 00:26:53,360

what's his name again michael paul

723

00:26:56,950 --> 00:26:54,559

masters

724

00:26:59,590 --> 00:26:56,960

yeah he's a uh he's an anthropologist

725

00:27:02,789 --> 00:26:59,600

but he's also into ufology and he kind

726

00:27:04,950 --> 00:27:02,799

of has that good mix of the the historic

727

00:27:07,669 --> 00:27:04,960

archaeological science guy with

728

00:27:09,590 --> 00:27:07,679

evolution and i mean he proposed that

729

00:27:11,830 --> 00:27:09,600

when you picture a gray alien right you

730

00:27:13,830 --> 00:27:11,840

know the big head a small chin

731

00:27:16,710 --> 00:27:13,840

that if you take what we evolve from

732

00:27:18,950 --> 00:27:16,720

until now and then just fast forward now

733

00:27:21,750 --> 00:27:18,960

into the future our jaws continue to

734

00:27:24,630 --> 00:27:21,760

shrink our heads become bulbous maybe

735

00:27:26,310 --> 00:27:24,640

that causes some protrusion of the eyes

736

00:27:28,710 --> 00:27:26,320

we lose our muscle mass because we're

737

00:27:31,110 --> 00:27:28,720

not foraging for food and hunting or

738

00:27:32,470 --> 00:27:31,120

doing manual labor maybe the gravity's

739

00:27:35,029 --> 00:27:32,480

different wherever the hell we are in

740

00:27:37,269 --> 00:27:35,039

the future so his theory is that greys

741

00:27:39,590 --> 00:27:37,279

could actually be us in the future

742

00:27:41,190 --> 00:27:39,600

just coming back and people have even

743

00:27:43,510 --> 00:27:41,200

reported in their abduction events and

744

00:27:45,750 --> 00:27:43,520

they're like who are you a lot of times

745

00:27:49,350 --> 00:27:45,760

the answer is we are you

746

00:27:51,510 --> 00:27:49,360

that that happens all the time and also

747

00:27:54,789 --> 00:27:51,520

other races are us in the future

748

00:27:57,350 --> 00:27:54,799

depending on what path is taken

749

00:27:59,830 --> 00:27:57,360

so just like the mandela effect where

750

00:28:01,190 --> 00:27:59,840

some people remember mandela

751
00:28:03,430 --> 00:28:01,200
dying in prison

752
00:28:05,029 --> 00:28:03,440
other people don't and so there's many

753
00:28:05,990 --> 00:28:05,039
different paths for

754
00:28:11,669 --> 00:28:06,000
uh

755
00:28:14,789 --> 00:28:11,679
so some people the future version of

756
00:28:17,430 --> 00:28:14,799
them are like arcturians so it's really

757
00:28:20,230 --> 00:28:17,440
it depends but from what my clients have

758
00:28:22,389 --> 00:28:20,240
said the gray extraterrestrials lost

759
00:28:24,710 --> 00:28:22,399
their planet so their eyes are a certain

760
00:28:25,750 --> 00:28:24,720
way because they've lived for eons in

761
00:28:27,830 --> 00:28:25,760
space

762
00:28:30,230 --> 00:28:27,840
and basically don't

763
00:28:32,549 --> 00:28:30,240

actually have a real body anymore they

764

00:28:33,909 --> 00:28:32,559

use like avatar bodies

765

00:28:35,990 --> 00:28:33,919

and um

766

00:28:37,350 --> 00:28:36,000

that's how they're able to come in and

767

00:28:39,590 --> 00:28:37,360

out but

768

00:28:41,669 --> 00:28:39,600

there a lot of if you think about it

769

00:28:43,190 --> 00:28:41,679

some of these different versions of

770

00:28:45,750 --> 00:28:43,200

ourselves are

771

00:28:48,549 --> 00:28:45,760

time travelers as well so there's no you

772

00:28:51,350 --> 00:28:48,559

know trouble for them to come back into

773

00:28:53,269 --> 00:28:51,360

this time-space reality because that's a

774

00:28:55,269 --> 00:28:53,279

very easy thing that they've mastered a

775

00:28:57,029 --> 00:28:55,279

long time ago

776

00:28:59,590 --> 00:28:57,039

well we've heard it theorized that there

777

00:29:01,510 --> 00:28:59,600

are many levels of intelligence and some

778

00:29:03,750 --> 00:29:01,520

of them are just light beings they don't

779

00:29:06,070 --> 00:29:03,760

take a form and a lot of people have

780

00:29:08,310 --> 00:29:06,080

suspected that the reason we mainly see

781

00:29:10,149 --> 00:29:08,320

the grays is because it needs to come in

782

00:29:12,630 --> 00:29:10,159

a package that our anatomy would

783

00:29:15,029 --> 00:29:12,640

recognize looks like a mammal similar to

784

00:29:17,190 --> 00:29:15,039

us we'll pay attention to that if it

785

00:29:19,269 --> 00:29:17,200

showed up as a plume of fog we wouldn't

786

00:29:21,590 --> 00:29:19,279

know what the hell that is so you know

787

00:29:23,350 --> 00:29:21,600

maybe that's intentional so that we do

788

00:29:25,430 --> 00:29:23,360

interact because we're so primitive

789

00:29:27,669 --> 00:29:25,440

compared to that's what they say that's

790

00:29:30,149 --> 00:29:27,679

what they say that a lot of them

791

00:29:31,750 --> 00:29:30,159

that they have only a light body on

792

00:29:34,149 --> 00:29:31,760

their other planet but they actually do

793

00:29:35,830 --> 00:29:34,159

feel the light body but that when

794

00:29:37,590 --> 00:29:35,840

they're interacting with humans they'll

795

00:29:39,350 --> 00:29:37,600

take a body

796

00:29:41,669 --> 00:29:39,360

well we have an aura too right people

797

00:29:43,710 --> 00:29:41,679

say they can see some people glow more

798

00:29:46,070 --> 00:29:43,720

than others we are magnetic and there is

799

00:29:48,070 --> 00:29:46,080

electromagnetic things happening

800

00:29:50,950 --> 00:29:48,080

that's all light is anyway it's just you

801
00:29:53,269 --> 00:29:50,960
know excited electrons so right

802
00:29:55,350 --> 00:29:53,279
interesting but if we leave our body

803
00:29:57,350 --> 00:29:55,360
we're in our light body so it's not

804
00:29:59,110 --> 00:29:57,360
something totally foreign to us yeah the

805
00:30:01,350 --> 00:29:59,120
soul is separate and that's the light

806
00:30:03,510 --> 00:30:01,360
body yeah that was the other aspect of

807
00:30:05,990 --> 00:30:03,520
it as well is that you know as we're

808
00:30:08,470 --> 00:30:06,000
delving deeper into the phenomena we

809
00:30:09,909 --> 00:30:08,480
realize that you know such things as uh

810
00:30:12,149 --> 00:30:09,919
what we were talking about astral

811
00:30:15,029 --> 00:30:12,159
projections and uh what was the other

812
00:30:16,630 --> 00:30:15,039
one as well the um remote viewing yeah

813
00:30:18,870 --> 00:30:16,640

yeah

814

00:30:20,389 --> 00:30:18,880

people are able to do that have you had

815

00:30:22,710 --> 00:30:20,399

any experience with people that are

816

00:30:24,870 --> 00:30:22,720

capable of performing these tasks we

817

00:30:27,510 --> 00:30:24,880

keep hearing that the cia had

818

00:30:29,510 --> 00:30:27,520

a secret uh group that were you know

819

00:30:31,830 --> 00:30:29,520

operating with people that were capable

820

00:30:33,350 --> 00:30:31,840

of doing this this is project stargate

821

00:30:35,750 --> 00:30:33,360

it was called with english oh is that

822

00:30:37,590 --> 00:30:35,760

what it's called yeah ingo swan was a

823

00:30:40,470 --> 00:30:37,600

big one he was able to

824

00:30:41,830 --> 00:30:40,480

project and also go to places and i

825

00:30:43,110 --> 00:30:41,840

think there was a time where it was

826

00:30:44,950 --> 00:30:43,120

during the cold war and there was a

827

00:30:47,190 --> 00:30:44,960

russian plane that went down somewhere

828

00:30:49,110 --> 00:30:47,200

in africa and the russians couldn't find

829

00:30:50,630 --> 00:30:49,120

it and the americans wanted to get like

830

00:30:52,630 --> 00:30:50,640

their hands on it to know what the hell

831

00:30:54,789 --> 00:30:52,640

kind of technology they might have and

832

00:30:56,870 --> 00:30:54,799

they use remote viewers to kind of

833

00:30:58,549 --> 00:30:56,880

roughly give them a close enough idea

834

00:31:00,310 --> 00:30:58,559

and they found the plane it actually

835

00:31:01,830 --> 00:31:00,320

worked so that's when they start

836

00:31:03,909 --> 00:31:01,840

spending money on that

837

00:31:05,909 --> 00:31:03,919

yeah i've had clients under hypnosis

838

00:31:09,350 --> 00:31:05,919

talk about these different projects and

839

00:31:10,230 --> 00:31:09,360

the and just those um secret levels of

840

00:31:11,430 --> 00:31:10,240

uh

841

00:31:13,510 --> 00:31:11,440

programs

842

00:31:15,269 --> 00:31:13,520

they don't sound very fun or

843

00:31:17,909 --> 00:31:15,279

i they sound like the people are taken

844

00:31:20,549 --> 00:31:17,919

against their will yeah and that's

845

00:31:21,909 --> 00:31:20,559

another thing too is that as disclosure

846

00:31:23,830 --> 00:31:21,919

comes about

847

00:31:27,350 --> 00:31:23,840

um there's accountability right because

848

00:31:29,510 --> 00:31:27,360

we got 75 years of what we know

849

00:31:31,750 --> 00:31:29,520

of uap activity and there's a bunch of

850

00:31:34,310 --> 00:31:31,760

people that had their lives wrecked

851
00:31:35,990 --> 00:31:34,320
because of this secrecy um that they're

852
00:31:37,669 --> 00:31:36,000
not hiding very well because we all know

853
00:31:38,630 --> 00:31:37,679
about these different programs and stuff

854
00:31:40,310 --> 00:31:38,640
like that

855
00:31:42,710 --> 00:31:40,320
supposed to be like it's a secret no

856
00:31:44,549 --> 00:31:42,720
it's not everybody knows right now

857
00:31:45,990 --> 00:31:44,559
yeah you mentioned roswell everybody

858
00:31:47,750 --> 00:31:46,000
will think of the crash with the three

859
00:31:50,070 --> 00:31:47,760
little guys right that's just it's

860
00:31:53,350 --> 00:31:50,080
embedded in our our psyche

861
00:31:56,710 --> 00:31:53,360
uh but yeah you hear more and more about

862
00:31:58,630 --> 00:31:56,720
um you know this projection of you know

863
00:32:00,870 --> 00:31:58,640

people on crafts but they can't see

864

00:32:02,070 --> 00:32:00,880

their hands or they they're one of the

865

00:32:04,789 --> 00:32:02,080

entities

866

00:32:06,710 --> 00:32:04,799

uh as well uh so it's just it's crazy

867

00:32:08,549 --> 00:32:06,720

like i said but i'm i'm

868

00:32:11,029 --> 00:32:08,559

i'm personally learning to let go of

869

00:32:13,190 --> 00:32:11,039

that louie's a lot more into the uh c

870

00:32:15,509 --> 00:32:13,200

well he likes the ce5 and stuff like

871

00:32:17,269 --> 00:32:15,519

that aspect of things where i've been a

872

00:32:19,590 --> 00:32:17,279

lot more reserved on it

873

00:32:21,590 --> 00:32:19,600

what are your thoughts on you know dr

874

00:32:22,549 --> 00:32:21,600

greer and stuff like that doing

875

00:32:24,230 --> 00:32:22,559

um

876

00:32:25,909 --> 00:32:24,240

what they're doing with you know

877

00:32:27,430 --> 00:32:25,919

basically calling people in with their

878

00:32:29,990 --> 00:32:27,440

consciousness and all that do you think

879

00:32:33,269 --> 00:32:30,000

there's a validity to that

880

00:32:35,509 --> 00:32:33,279

i'm still on the fence about it myself

881

00:32:36,630 --> 00:32:35,519

i'm not really sure exac i

882

00:33:06,310 --> 00:32:36,640

i

883

00:33:08,070 --> 00:33:06,320

told from

884

00:33:10,549 --> 00:33:08,080

countless numbers of clients under

885

00:33:12,789 --> 00:33:10,559

hypnosis is that we're being bombarded

886

00:33:15,350 --> 00:33:12,799

with this energy on the planet right now

887

00:33:18,070 --> 00:33:15,360

so it's raising people's vibrations

888

00:33:21,190 --> 00:33:18,080

there's not much you really have to do

889

00:33:23,590 --> 00:33:21,200

i mean earth is moving in a direction of

890

00:33:25,430 --> 00:33:23,600

what people consider the ascension and

891

00:33:27,590 --> 00:33:25,440

people are ascending

892

00:33:30,710 --> 00:33:27,600

are people going along with that too

893

00:33:32,470 --> 00:33:30,720

we're holding a lot more light frequency

894

00:33:33,750 --> 00:33:32,480

and we're just being bombarded with it

895

00:33:34,870 --> 00:33:33,760

basically

896

00:33:36,630 --> 00:33:34,880

so

897

00:33:38,389 --> 00:33:36,640

there's not it's not like oh my gosh

898

00:33:40,310 --> 00:33:38,399

there's a rush you better hurry up and

899

00:33:42,789 --> 00:33:40,320

figure it out

900

00:33:44,149 --> 00:33:42,799

versions of yourself do you just mean in

901
00:33:46,950 --> 00:33:44,159
terms of like

902
00:33:49,750 --> 00:33:46,960
other probabilities like in one world

903
00:33:52,470 --> 00:33:49,760
hitler wasn't a dictator and in another

904
00:33:54,149 --> 00:33:52,480
world he was or he got killed by a bus

905
00:33:56,070 --> 00:33:54,159
like is it just

906
00:33:58,389 --> 00:33:56,080
at all those forks and crossroads of

907
00:33:59,830 --> 00:33:58,399
life does time just split off and keep

908
00:34:02,310 --> 00:33:59,840
going and is that what you're referring

909
00:34:03,590 --> 00:34:02,320
to when you say

910
00:34:06,230 --> 00:34:03,600
i was referring to different

911
00:34:08,149 --> 00:34:06,240
extraterrestrial versions of yourself or

912
00:34:09,829 --> 00:34:08,159
what you would consider to be

913
00:34:13,109 --> 00:34:09,839

extraterrestrial

914

00:34:16,389 --> 00:34:13,119

but they're i they're not really i mean

915

00:34:17,430 --> 00:34:16,399

they're just other versions of yourself

916

00:34:20,389 --> 00:34:17,440

basically

917

00:34:22,950 --> 00:34:20,399

but that's what we do i mean we we all

918

00:34:25,109 --> 00:34:22,960

do this we're all part of the same group

919

00:34:27,190 --> 00:34:25,119

of this like ancient group you know that

920

00:34:28,310 --> 00:34:27,200

goes from planet to planet

921

00:34:33,190 --> 00:34:28,320

and

922

00:34:35,510 --> 00:34:33,200

has to offer we live at we live on the

923

00:34:38,069 --> 00:34:35,520

planet until it's done on its life cycle

924

00:34:40,470 --> 00:34:38,079

because planets have a life cycle and

925

00:34:43,030 --> 00:34:40,480

travel to a different planet and we're

926
00:34:44,869 --> 00:34:43,040
countlessly we're doing this constantly

927
00:34:48,310 --> 00:34:44,879
but i noticed that

928
00:34:50,710 --> 00:34:48,320
for i had maybe like five clients who

929
00:34:53,430 --> 00:34:50,720
were post-menopausal come in

930
00:34:54,629 --> 00:34:53,440
and say they knew they were pregnant but

931
00:34:56,790 --> 00:34:54,639
they would go to the doctor and the

932
00:34:58,550 --> 00:34:56,800
doctor said oh no that's impossible and

933
00:35:00,870 --> 00:34:58,560
they would do scans and everything like

934
00:35:03,190 --> 00:35:00,880
that but and nothing would show up so

935
00:35:05,270 --> 00:35:03,200
they ended up in my office

936
00:35:07,589 --> 00:35:05,280
and each time the higher consciousness

937
00:35:10,310 --> 00:35:07,599
would said say oh yes they are pregnant

938
00:35:12,069 --> 00:35:10,320

but they're seeding a different planet

939

00:35:13,829 --> 00:35:12,079

because there always has to be a backup

940

00:35:16,550 --> 00:35:13,839

planet so

941

00:35:18,150 --> 00:35:16,560

we're right now even seeding another

942

00:35:21,030 --> 00:35:18,160

planet it's just

943

00:35:23,270 --> 00:35:21,040

it always keeps going it's like a figure

944

00:35:25,829 --> 00:35:23,280

eight it's constantly moving we're

945

00:35:27,990 --> 00:35:25,839

always just doing this so we can keep

946

00:35:31,589 --> 00:35:28,000

evolving and keep learning

947

00:35:33,109 --> 00:35:31,599

so it's like us a a a galactic um it's

948

00:35:34,550 --> 00:35:33,119

more than galactic universal

949

00:35:36,950 --> 00:35:34,560

consciousness

950

00:35:38,550 --> 00:35:36,960

that is living life

951
00:35:40,710 --> 00:35:38,560
in what it created like it's

952
00:35:43,510 --> 00:35:40,720
experiencing its own creation

953
00:35:45,349 --> 00:35:43,520
right exactly yeah and some of some of

954
00:35:47,109 --> 00:35:45,359
us are more aware of that than others

955
00:35:49,430 --> 00:35:47,119
right so right

956
00:35:51,829 --> 00:35:49,440
are we just one faction of that like or

957
00:35:53,589 --> 00:35:51,839
are there you know other like bad guys

958
00:35:55,270 --> 00:35:53,599
over there or different factions in

959
00:35:56,870 --> 00:35:55,280
different parts of the universe that

960
00:35:59,670 --> 00:35:56,880
have their own totally different story

961
00:36:01,829 --> 00:35:59,680
like are we just a tribe amongst many or

962
00:36:04,150 --> 00:36:01,839
are we all really connected like you

963
00:36:06,069 --> 00:36:04,160

know no we're all really connected

964

00:36:08,230 --> 00:36:06,079

because i keep asking that question are

965

00:36:10,150 --> 00:36:08,240

we separate from these other beings and

966

00:36:11,670 --> 00:36:10,160

the answer is always no

967

00:36:13,030 --> 00:36:11,680

we're all part of the same group and

968

00:36:15,349 --> 00:36:13,040

when you

969

00:36:18,710 --> 00:36:15,359

there's no difference

970

00:36:19,589 --> 00:36:18,720

oh and an extraterrestrial at all

971

00:36:20,790 --> 00:36:19,599

nothing

972

00:36:22,390 --> 00:36:20,800

no difference at all what are your

973

00:36:24,069 --> 00:36:22,400

thoughts on the different types then

974

00:36:26,870 --> 00:36:24,079

that people report like they call them

975

00:36:29,109 --> 00:36:26,880

species some look like praying mantis

976

00:36:30,950 --> 00:36:29,119

some look like grays some are like

977

00:36:32,069 --> 00:36:30,960

nordic blondes i mean there's dozens and

978

00:36:34,230 --> 00:36:32,079

dozens

979

00:36:35,190 --> 00:36:34,240

yeah whatever right so it's just like

980

00:36:40,630 --> 00:36:35,200

different

981

00:36:43,670 --> 00:36:40,640

like you or an animal and a human i mean

982

00:36:45,829 --> 00:36:43,680

it's the same consciousness apparently

983

00:36:47,829 --> 00:36:45,839

yeah it's just the different points of

984

00:36:49,990 --> 00:36:47,839

evolution of

985

00:36:51,670 --> 00:36:50,000

because even with uh

986

00:36:53,589 --> 00:36:51,680

paul masters in his book and he

987

00:36:56,470 --> 00:36:53,599

describes that all these incidences that

988

00:36:58,470 --> 00:36:56,480

took place and there's always a human

989

00:37:00,470 --> 00:36:58,480

representative on board

990

00:37:03,589 --> 00:37:00,480

and that was true of travis walton's

991

00:37:05,670 --> 00:37:03,599

incident i mean there was a a gentleman

992

00:37:07,349 --> 00:37:05,680

that took him out and he saw some other

993

00:37:09,109 --> 00:37:07,359

human looking people but there was

994

00:37:11,510 --> 00:37:09,119

something different with their eyes

995

00:37:13,430 --> 00:37:11,520

um even calvin parker talking with him

996

00:37:14,710 --> 00:37:13,440

that the main

997

00:37:17,109 --> 00:37:14,720

oh it froze

998

00:37:19,430 --> 00:37:17,119

the the mean uh what you would say ins

999

00:37:21,589 --> 00:37:19,440

not spectre a doctor that was performing

1000

00:37:23,829 --> 00:37:21,599

the procedures on him was female and

1001
00:37:26,069 --> 00:37:23,839
human or human looking

1002
00:37:27,910 --> 00:37:26,079
and he's now wondering if that was

1003
00:37:29,750 --> 00:37:27,920
something that uh

1004
00:37:31,270 --> 00:37:29,760
basically they put on

1005
00:37:32,870 --> 00:37:31,280
for us that they look actually quite

1006
00:37:34,230 --> 00:37:32,880
different

1007
00:37:36,310 --> 00:37:34,240
so

1008
00:37:39,030 --> 00:37:36,320
did we lose sarah here i think we lost

1009
00:37:41,109 --> 00:37:39,040
her guess oh no she's back she's like

1010
00:37:43,109 --> 00:37:41,119
what happened

1011
00:37:44,790 --> 00:37:43,119
it's my internet i'm sorry

1012
00:37:46,390 --> 00:37:44,800
yeah it's been a little glitchy but it's

1013
00:37:48,550 --> 00:37:46,400

been not too bad so

1014

00:37:51,270 --> 00:37:48,560

okay maybe wear a foil hat or something

1015

00:37:53,349 --> 00:37:51,280

i don't know

1016

00:37:55,510 --> 00:37:53,359

get better reception

1017

00:37:57,510 --> 00:37:55,520

studio here with all this it completely

1018

00:37:59,990 --> 00:37:57,520

destroyed my wi-fi i have to literally

1019

00:38:01,990 --> 00:38:00,000

hardwire in my cell phone doesn't work

1020

00:38:04,150 --> 00:38:02,000

in here anymore it's like blocked

1021

00:38:06,230 --> 00:38:04,160

everything it's so good at soundproofing

1022

00:38:07,829 --> 00:38:06,240

nothing gets through yeah even the

1023

00:38:10,310 --> 00:38:07,839

internet can't make it yeah i have no

1024

00:38:11,430 --> 00:38:10,320

bars on my phone it's it's a paperweight

1025

00:38:13,750 --> 00:38:11,440

down here

1026

00:38:16,069 --> 00:38:13,760

oh my gosh yeah i

1027

00:38:17,190 --> 00:38:16,079

have to be right by the router it's like

1028

00:38:18,710 --> 00:38:17,200

oh really

1029

00:38:20,230 --> 00:38:18,720

that's a pain in the butt for interviews

1030

00:38:22,390 --> 00:38:20,240

right when you you're just stuck to one

1031

00:38:24,310 --> 00:38:22,400

part inside the house that's

1032

00:38:26,550 --> 00:38:24,320

well at least i know it usually works

1033

00:38:28,310 --> 00:38:26,560

best yeah that's good i miss what you

1034

00:38:30,230 --> 00:38:28,320

said i'm sorry

1035

00:38:32,630 --> 00:38:30,240

um well let's talk about michael paul

1036

00:38:34,870 --> 00:38:32,640

masters i think in different instances

1037

00:38:36,550 --> 00:38:34,880

and how different instances uh instances

1038

00:38:38,870 --> 00:38:36,560

i i'm having a hard time with my words

1039

00:38:41,349 --> 00:38:38,880

today i'm telling you uh where there was

1040

00:38:43,109 --> 00:38:41,359

humans on board of these crafts even

1041

00:38:46,069 --> 00:38:43,119

calvin parker had

1042

00:38:48,630 --> 00:38:46,079

the examiner being a female but human

1043

00:38:51,030 --> 00:38:48,640

looking and he's now wondering if it was

1044

00:38:52,950 --> 00:38:51,040

something that was put on mentally that

1045

00:38:54,550 --> 00:38:52,960

she actually looked different than what

1046

00:38:56,550 --> 00:38:54,560

she he perceived

1047

00:38:57,430 --> 00:38:56,560

that it was put on for him to not freak

1048

00:39:00,310 --> 00:38:57,440

him out

1049

00:39:02,630 --> 00:39:00,320

but uh there's different you know

1050

00:39:04,310 --> 00:39:02,640

currents where people get out of crafts

1051
00:39:06,150 --> 00:39:04,320
and they look human

1052
00:39:08,069 --> 00:39:06,160
so his theory is that yes they are from

1053
00:39:11,349 --> 00:39:08,079
the future and the further you go into

1054
00:39:13,349 --> 00:39:11,359
the future the further uh we

1055
00:39:15,349 --> 00:39:13,359
don't identify with these

1056
00:39:16,710 --> 00:39:15,359
entities like the greys we don't look at

1057
00:39:18,470 --> 00:39:16,720
them as us

1058
00:39:19,990 --> 00:39:18,480
but obviously there's there's different

1059
00:39:22,710 --> 00:39:20,000
things that would affect us in the

1060
00:39:24,870 --> 00:39:22,720
future social construct technologies

1061
00:39:26,870 --> 00:39:24,880
affecting us environment environment

1062
00:39:29,190 --> 00:39:26,880
even look at what's going on today like

1063
00:39:31,030 --> 00:39:29,200

today um there's ash all over my car in

1064

00:39:33,109 --> 00:39:31,040

the house same with louie because we got

1065

00:39:34,470 --> 00:39:33,119

uh forest fires like basically all

1066

00:39:36,630 --> 00:39:34,480

around us

1067

00:39:38,550 --> 00:39:36,640

pacific northwest is beautiful but it's

1068

00:39:39,589 --> 00:39:38,560

uh with you know climate change and all

1069

00:39:41,589 --> 00:39:39,599

the rest

1070

00:39:43,750 --> 00:39:41,599

it rears its ugly head we had some bad

1071

00:39:46,550 --> 00:39:43,760

floods this year and yeah look at europe

1072

00:39:49,270 --> 00:39:46,560

i mean it's uh right you know i think it

1073

00:39:50,550 --> 00:39:49,280

is just a touch on on um global warming

1074

00:39:52,150 --> 00:39:50,560

a lot of people say there's no such

1075

00:39:53,990 --> 00:39:52,160

thing you know this is a natural

1076

00:39:56,230 --> 00:39:54,000

phenomenon well technically it's true

1077

00:39:59,030 --> 00:39:56,240

ever since the last ice age we've been

1078

00:40:00,710 --> 00:39:59,040

gradually warming but at a rate that the

1079

00:40:03,670 --> 00:40:00,720

planet could adapt

1080

00:40:06,950 --> 00:40:03,680

not do you know 10 000 years damage in

1081

00:40:08,870 --> 00:40:06,960

150 that's not good right so right i

1082

00:40:10,630 --> 00:40:08,880

think it is you know but i think this is

1083

00:40:13,190 --> 00:40:10,640

all happening for a reason even if you

1084

00:40:15,990 --> 00:40:13,200

look at ancient cultures they all have

1085

00:40:18,950 --> 00:40:16,000

stories of the world got great we got

1086

00:40:21,589 --> 00:40:18,960

greedy we destroyed it it reset and then

1087

00:40:23,589 --> 00:40:21,599

life was again redone so this is just

1088

00:40:26,630 --> 00:40:23,599

part of a cycle somehow

1089

00:40:28,710 --> 00:40:26,640

i'm sure i mean it's obvious that it's

1090

00:40:31,190 --> 00:40:28,720

supposed to get to a point where people

1091

00:40:32,470 --> 00:40:31,200

start doing something it just

1092

00:40:34,630 --> 00:40:32,480

you know see there has to be an

1093

00:40:37,349 --> 00:40:34,640

awakening moment at some point right

1094

00:40:40,630 --> 00:40:37,359

right like anything just like an illness

1095

00:40:43,430 --> 00:40:40,640

in your body even too yeah or your house

1096

00:40:46,069 --> 00:40:43,440

needs to burn down or some

1097

00:40:47,430 --> 00:40:46,079

you know get a new house

1098

00:40:50,230 --> 00:40:47,440

what are your thoughts on

1099

00:40:51,750 --> 00:40:50,240

poltergeists and stuff like that in

1100

00:40:54,630 --> 00:40:51,760

relation to

1101
00:40:56,150 --> 00:40:54,640
flesh and blood creatures or you know

1102
00:40:57,349 --> 00:40:56,160
things that go bump in the night like

1103
00:40:58,550 --> 00:40:57,359
what are your thoughts on that type of

1104
00:41:01,030 --> 00:40:58,560
phenomena

1105
00:41:03,750 --> 00:41:01,040
well you know i didn't know that i used

1106
00:41:04,950 --> 00:41:03,760
to see ghosts at all because i used to

1107
00:41:07,990 --> 00:41:04,960
in my

1108
00:41:09,910 --> 00:41:08,000
grandparents old house i used to talk to

1109
00:41:11,510 --> 00:41:09,920
this older woman all the time and she

1110
00:41:13,270 --> 00:41:11,520
had a consciousness

1111
00:41:15,190 --> 00:41:13,280
and she would talk to me all the time

1112
00:41:16,950 --> 00:41:15,200
about my mom and tell me really

1113
00:41:18,069 --> 00:41:16,960

embarrassing stories about her and i

1114

00:41:20,550 --> 00:41:18,079

loved her

1115

00:41:23,589 --> 00:41:20,560

after about everything and then i

1116

00:41:26,309 --> 00:41:23,599

learned later like many years later that

1117

00:41:28,309 --> 00:41:26,319

she had died way before i was born so to

1118

00:41:29,990 --> 00:41:28,319

me i never saw

1119

00:41:32,150 --> 00:41:30,000

her as a ghost

1120

00:41:33,910 --> 00:41:32,160

but i do you know

1121

00:41:36,550 --> 00:41:33,920

think that there are poltergeists or

1122

00:41:38,550 --> 00:41:36,560

there are different energies that are

1123

00:41:41,190 --> 00:41:38,560

sometimes um

1124

00:41:43,829 --> 00:41:41,200

kind of stuck in a place yeah

1125

00:41:45,910 --> 00:41:43,839

and i think like even with uh with

1126
00:41:48,069 --> 00:41:45,920
atlantis or with lemuria you know there

1127
00:41:53,030 --> 00:41:48,079
was so much karma and

1128
00:41:58,150 --> 00:41:55,910
fields have poltergeists so to speak or

1129
00:42:00,790 --> 00:41:58,160
have a lot of energy kind of trapped

1130
00:42:02,630 --> 00:42:00,800
there i think it's different than

1131
00:42:04,150 --> 00:42:02,640
what you would consider a ghost or what

1132
00:42:07,589 --> 00:42:04,160
you could would consider like a

1133
00:42:09,750 --> 00:42:07,599
conscious being because i think even

1134
00:42:11,910 --> 00:42:09,760
well different parts of us can actually

1135
00:42:14,870 --> 00:42:11,920
get stuck there so you can even have a

1136
00:42:17,990 --> 00:42:14,880
part of you like stuck in a place or you

1137
00:42:19,910 --> 00:42:18,000
can even be haunting a house

1138
00:42:21,750 --> 00:42:19,920

the craziest thing i ever heard though

1139

00:42:24,150 --> 00:42:21,760

one of the craziest things was i once

1140

00:42:26,470 --> 00:42:24,160

had a client who had really bad

1141

00:42:28,470 --> 00:42:26,480

poltergeists i mean they were terrible

1142

00:42:31,109 --> 00:42:28,480

they would just keep them up all night

1143

00:42:33,510 --> 00:42:31,119

and they didn't know to say to get out

1144

00:42:36,390 --> 00:42:33,520

well there was a robber in the area who

1145

00:42:38,870 --> 00:42:36,400

was stealing everybody's tv and it came

1146

00:42:41,910 --> 00:42:38,880

into their house obviously tried to take

1147

00:42:44,870 --> 00:42:41,920

the tv but the poultry guys scared them

1148

00:42:46,470 --> 00:42:44,880

out of the house so that's that's a

1149

00:42:50,390 --> 00:42:46,480

story he's never going to tell to

1150

00:42:52,470 --> 00:42:50,400

anybody what'd you stop stealing tvs

1151

00:42:54,710 --> 00:42:52,480

i don't want to talk about it

1152

00:42:56,470 --> 00:42:54,720

you mentioned atlantis and lemuria and

1153

00:42:58,710 --> 00:42:56,480

again we could do a whole episode just

1154

00:43:00,470 --> 00:42:58,720

on that but briefly what are your

1155

00:43:01,270 --> 00:43:00,480

thoughts on that what happened where is

1156

00:43:03,349 --> 00:43:01,280

it

1157

00:43:04,790 --> 00:43:03,359

what's uh what is your brain

1158

00:43:06,390 --> 00:43:04,800

what does it think

1159

00:43:08,390 --> 00:43:06,400

well i think there are different

1160

00:43:11,190 --> 00:43:08,400

realities just like the mandela effect

1161

00:43:12,790 --> 00:43:11,200

so some people remember certain um time

1162

00:43:15,829 --> 00:43:12,800

in atlantis and some people don't i

1163

00:43:18,230 --> 00:43:15,839

think it span but all those cons

1164

00:43:20,550 --> 00:43:18,240

and for thousands and thousands of years

1165

00:43:23,190 --> 00:43:20,560

but atlantis was founded founded by an

1166

00:43:25,990 --> 00:43:23,200

extraterrestrial according to my clients

1167

00:43:26,870 --> 00:43:26,000

uh this extraterrestrial was a pleiadian

1168

00:43:27,910 --> 00:43:26,880

and

1169

00:43:30,630 --> 00:43:27,920

he came

1170

00:43:32,950 --> 00:43:30,640

down to kind of be a part of setting up

1171

00:43:36,309 --> 00:43:32,960

this grid system for the earth at that

1172

00:43:38,230 --> 00:43:36,319

time but his ship crashed and that was

1173

00:43:40,230 --> 00:43:38,240

intentional they were supposed to have

1174

00:43:42,309 --> 00:43:40,240

one-way missions although no one knew

1175

00:43:43,990 --> 00:43:42,319

that at the time

1176

00:43:46,710 --> 00:43:44,000

but this extraterrestrial couldn't get

1177

00:43:48,470 --> 00:43:46,720

home to his home planet and so he took

1178

00:43:50,150 --> 00:43:48,480

whatever technology he could from his

1179

00:43:52,630 --> 00:43:50,160

ship and he went through one of the

1180

00:43:55,349 --> 00:43:52,640

ancient transport devices like

1181

00:43:57,030 --> 00:43:55,359

stonehenge one of those stone circles

1182

00:43:59,190 --> 00:43:57,040

and through that ancient transport

1183

00:44:02,630 --> 00:43:59,200

devices ended up to where you would

1184

00:44:03,990 --> 00:44:02,640

consider atlantis to be in like uh

1185

00:44:05,910 --> 00:44:04,000

where there's a big space in the

1186

00:44:06,790 --> 00:44:05,920

atlantic ocean basically it was very

1187

00:44:09,030 --> 00:44:06,800

large

1188

00:44:12,390 --> 00:44:09,040

and he set up atlantis there and just

1189

00:44:13,990 --> 00:44:12,400

created human hybrid slaves basically to

1190

00:44:14,870 --> 00:44:14,000

create this massive

1191

00:44:16,230 --> 00:44:14,880

um

1192

00:44:18,630 --> 00:44:16,240

civilization

1193

00:44:21,589 --> 00:44:18,640

so to speak um lemuria was different it

1194

00:44:23,510 --> 00:44:21,599

was more advanced spiritually atlantis

1195

00:44:25,190 --> 00:44:23,520

was very advanced with their technology

1196

00:44:27,910 --> 00:44:25,200

because the founder of atlantis that

1197

00:44:29,190 --> 00:44:27,920

extraterrestrial was able to find and

1198

00:44:31,910 --> 00:44:29,200

salvage

1199

00:44:34,390 --> 00:44:31,920

technology that he was able to use but

1200

00:44:35,990 --> 00:44:34,400

illinois did not have that technology

1201

00:44:38,550 --> 00:44:36,000

because that was also founded by an

1202

00:44:40,230 --> 00:44:38,560

extraterrestrial as well who didn't have

1203

00:44:42,390 --> 00:44:40,240

the same type of technology with them

1204

00:44:45,349 --> 00:44:42,400

but they advanced spiritually and

1205

00:44:47,990 --> 00:44:45,359

lemuria was a matriarchal society

1206

00:44:49,829 --> 00:44:48,000

basically um the women were the rulers

1207

00:44:52,150 --> 00:44:49,839

because they could they contained

1208

00:44:53,990 --> 00:44:52,160

special knowledge subconsciously that

1209

00:44:54,950 --> 00:44:54,000

they would pass on from mother to

1210

00:44:56,710 --> 00:44:54,960

daughter

1211

00:44:58,550 --> 00:44:56,720

and they would they were able to know

1212

00:45:00,470 --> 00:44:58,560

which plants would kill you and which

1213

00:45:01,190 --> 00:45:00,480

plants were beneficial which would heal

1214

00:45:02,870 --> 00:45:01,200

you

1215

00:45:04,870 --> 00:45:02,880

and things like that

1216

00:45:06,630 --> 00:45:04,880

so that's basically the difference

1217

00:45:08,870 --> 00:45:06,640

between the two but according to my

1218

00:45:10,870 --> 00:45:08,880

clients that kept coming

1219

00:45:13,589 --> 00:45:10,880

what happened to both of those places

1220

00:45:15,510 --> 00:45:13,599

was that lemuria had this special type

1221

00:45:17,589 --> 00:45:15,520

of immunity and there were a lot of

1222

00:45:20,550 --> 00:45:17,599

illnesses going on in atlantis at the

1223

00:45:21,270 --> 00:45:20,560

time because of all their experiments

1224

00:45:23,670 --> 00:45:21,280

now

1225

00:45:26,150 --> 00:45:23,680

lemuria didn't have this whatsoever and

1226

00:45:28,470 --> 00:45:26,160

so the atlanteans wanted whatever

1227

00:45:30,710 --> 00:45:28,480

immunity the lemurians had but it wasn't

1228

00:45:33,670 --> 00:45:30,720

something they could give them and so

1229

00:45:36,069 --> 00:45:33,680

after a little bit of fighting they took

1230

00:45:38,390 --> 00:45:36,079

a prisoner from lumeria and they

1231

00:45:40,790 --> 00:45:38,400

destroyed it with atomic-like devices

1232

00:45:43,430 --> 00:45:40,800

set in rifts they created these massive

1233

00:45:45,829 --> 00:45:43,440

tidal waves and just sunk the entire

1234

00:45:47,910 --> 00:45:45,839

continent of lemuria and i can't tell

1235

00:45:50,550 --> 00:45:47,920

you how many countless clients i've had

1236

00:45:52,630 --> 00:45:50,560

that remember this big wave

1237

00:45:55,750 --> 00:45:52,640

like so many clients they've just always

1238

00:45:58,630 --> 00:45:55,760

have a had a fear of the ocean or of

1239

00:46:01,190 --> 00:45:58,640

these massive tidal waves and it's from

1240

00:46:03,349 --> 00:46:01,200

that time for most of them

1241

00:46:04,550 --> 00:46:03,359

because so many of us

1242

00:46:11,030 --> 00:46:04,560

again now

1243

00:46:15,349 --> 00:46:14,309

time that's kind of coming back in our

1244

00:46:18,230 --> 00:46:15,359

um

1245

00:46:20,550 --> 00:46:18,240

it says my connection is unstable but

1246

00:46:22,309 --> 00:46:20,560

coming back again now sort of as like a

1247

00:46:23,910 --> 00:46:22,319

karmic cycle

1248

00:46:25,589 --> 00:46:23,920

do you think that's another version of

1249

00:46:27,430 --> 00:46:25,599

the the flood story i mean a lot of

1250

00:46:29,910 --> 00:46:27,440

religions have that

1251

00:46:31,910 --> 00:46:29,920

you know pre and anti-deluvian

1252

00:46:33,270 --> 00:46:31,920

societies right like there was

1253

00:46:34,950 --> 00:46:33,280

things were going wrong there was a

1254

00:46:37,030 --> 00:46:34,960

flood whether you believe it was

1255

00:46:39,510 --> 00:46:37,040

punishment for the world or whatever

1256

00:46:42,150 --> 00:46:39,520

there's not only archaeological proof of

1257

00:46:44,150 --> 00:46:42,160

a big flood but it exists in so many

1258

00:46:46,550 --> 00:46:44,160

religious texts and

1259

00:46:48,230 --> 00:46:46,560

varying beliefs of the same so and i

1260

00:46:50,230 --> 00:46:48,240

guess it would be fitting roughly around

1261

00:46:52,230 --> 00:46:50,240

the same time frame too right so maybe

1262

00:46:55,030 --> 00:46:52,240

that's there were so many

1263

00:46:58,069 --> 00:46:55,040

there was so much destruction like

1264

00:46:59,030 --> 00:46:58,079

i think um there were so many presets

1265

00:47:01,190 --> 00:46:59,040

before

1266

00:47:04,309 --> 00:47:01,200

there were it was flooding

1267

00:47:06,390 --> 00:47:04,319

uh gosh there were extraterrestrial wars

1268

00:47:08,790 --> 00:47:06,400

that kind of affected this planet as

1269

00:47:12,230 --> 00:47:08,800

well and the inhabitants and many had to

1270

00:47:13,430 --> 00:47:12,240

go underground in these tunnel systems i

1271

00:47:15,750 --> 00:47:13,440

mean

1272

00:47:17,190 --> 00:47:15,760

i think we're pretty lucky right now to

1273

00:47:19,109 --> 00:47:17,200

be living in this time even though it's

1274

00:47:20,950 --> 00:47:19,119

very chaotic do you think there are

1275

00:47:23,349 --> 00:47:20,960

things living in tunnels on the earth

1276

00:47:25,030 --> 00:47:23,359

like is it true that apparently yeah

1277

00:47:27,109 --> 00:47:25,040

antarctica and all that stuff there's

1278

00:47:28,550 --> 00:47:27,119

underground civilizations hollow earth

1279

00:47:29,510 --> 00:47:28,560

theory that type of thing what do you

1280

00:47:33,670 --> 00:47:29,520

think

1281

00:47:36,870 --> 00:47:33,680

tunnel systems underneath the ground a

1282

00:47:39,430 --> 00:47:36,880

lot of times they're not human though in

1283

00:47:41,270 --> 00:47:39,440

nature but different races living in

1284

00:47:44,390 --> 00:47:41,280

these tunnel systems

1285

00:47:47,990 --> 00:47:44,400

and then some of the races that go in

1286

00:47:49,430 --> 00:47:48,000

and out of the dimensional plane

1287

00:47:51,109 --> 00:47:49,440

sometimes

1288

00:47:53,990 --> 00:47:51,119

i'm in the tunnel system

1289

00:47:56,710 --> 00:47:54,000

even like the lemurians that um go in

1290

00:47:58,790 --> 00:47:56,720

and out of mount shasta tell us they're

1291

00:48:01,910 --> 00:47:58,800

ascended and is

1292

00:48:04,470 --> 00:48:01,920

from lemuria but they don't always stay

1293

00:48:06,150 --> 00:48:04,480

in the mountain according to them they

1294

00:48:08,870 --> 00:48:06,160

go in and out because they've already

1295

00:48:11,030 --> 00:48:08,880

ascended but by them having their

1296

00:48:13,910 --> 00:48:11,040

presence there they're helping us kind

1297

00:48:16,630 --> 00:48:13,920

of like the 100 monkey effect

1298

00:48:18,230 --> 00:48:16,640

they're helping us ascend because that

1299

00:48:20,390 --> 00:48:18,240

was a small group that's already

1300

00:48:22,069 --> 00:48:20,400

ascended but we're

1301

00:48:24,390 --> 00:48:22,079

they're planning for this large group

1302

00:48:26,150 --> 00:48:24,400

like this big population on earth to

1303

00:48:27,349 --> 00:48:26,160

ascend now so they're helping us by

1304

00:48:29,270 --> 00:48:27,359

being there

1305

00:48:31,829 --> 00:48:29,280

do you think that we're changing enough

1306

00:48:33,510 --> 00:48:31,839

as a species to be able to accommodate

1307

00:48:35,670 --> 00:48:33,520

more of a

1308

00:48:37,510 --> 00:48:35,680

i'm not saying universal consciousness

1309

00:48:39,349 --> 00:48:37,520

but even a global consciousness would be

1310

00:48:43,109 --> 00:48:39,359

nice where we all

1311

00:48:45,430 --> 00:48:43,119

identify as as as one we stop the stupid

1312

00:48:47,589 --> 00:48:45,440

wars that we got going on

1313

00:48:49,190 --> 00:48:47,599

do you see a shift now in the population

1314

00:48:51,750 --> 00:48:49,200

because it seems like the the youth of

1315

00:48:53,430 --> 00:48:51,760

today have a different

1316

00:48:55,430 --> 00:48:53,440

take on things i mean they're very

1317

00:48:57,750 --> 00:48:55,440

sensitive to everybody's feelings and

1318

00:49:00,069 --> 00:48:57,760

emotions and everybody's welcome which

1319

00:49:01,829 --> 00:49:00,079

is great to see because you know

1320

00:49:03,990 --> 00:49:01,839

growing up in the 80s and 90s i don't

1321

00:49:06,470 --> 00:49:04,000

know about you guys but i remember there

1322

00:49:08,870 --> 00:49:06,480

was just there was so much going on and

1323

00:49:10,790 --> 00:49:08,880

people did not agree at all i remember

1324

00:49:13,030 --> 00:49:10,800

seeing fist fights ever all the time

1325

00:49:15,109 --> 00:49:13,040

downtown chilliwack and it you know

1326

00:49:17,349 --> 00:49:15,119

people were different and now you you

1327

00:49:19,670 --> 00:49:17,359

see a big difference in the culture

1328

00:49:21,510 --> 00:49:19,680

um are we approaching something that's

1329

00:49:23,430 --> 00:49:21,520

closer to what

1330

00:49:26,309 --> 00:49:23,440

they want us to be at like more of a

1331

00:49:28,069 --> 00:49:26,319

unity or is it just consciously that's

1332

00:49:30,470 --> 00:49:28,079

all they care about

1333

00:49:32,309 --> 00:49:30,480

i mean it totally doesn't look like that

1334

00:49:33,030 --> 00:49:32,319

but that's what i've been told that we

1335

00:49:35,829 --> 00:49:33,040

are

1336

00:49:38,390 --> 00:49:35,839

i hear this countless times and i keep

1337

00:49:40,390 --> 00:49:38,400

asking are you sure are you sure

1338

00:49:43,030 --> 00:49:40,400

i don't see it

1339

00:49:45,589 --> 00:49:43,040

and they keep saying yes we're right on

1340

00:49:47,589 --> 00:49:45,599

track this is really exciting

1341

00:49:50,710 --> 00:49:47,599

everybody's excited for the progress

1342

00:49:53,349 --> 00:49:50,720

that humanity has made but like you said

1343

00:49:55,190 --> 00:49:53,359

a lot of it is the new generation

1344

00:49:56,870 --> 00:49:55,200

this new generation but there are

1345

00:49:59,430 --> 00:49:56,880

countless volunteers from different

1346

00:50:01,829 --> 00:49:59,440

planets that are they're embodied right

1347

00:50:04,470 --> 00:50:01,839

now that are just waiting to fulfill

1348

00:50:06,230 --> 00:50:04,480

their mission on this planet and they're

1349

00:50:09,030 --> 00:50:06,240

not really used to earth at all and

1350

00:50:11,030 --> 00:50:09,040

they're super sensitive and have a very

1351
00:50:13,510 --> 00:50:11,040
high vibration and they don't have to do

1352
00:50:15,510 --> 00:50:13,520
anything at all but they're jaded you

1353
00:50:16,549 --> 00:50:15,520
know like of course who you know who

1354
00:50:19,030 --> 00:50:16,559
wouldn't be

1355
00:50:21,270 --> 00:50:19,040
being this super sensitive volunteer

1356
00:50:23,990 --> 00:50:21,280
from a different planet who's never

1357
00:50:26,309 --> 00:50:24,000
fought before you know yeah so here they

1358
00:50:28,950 --> 00:50:26,319
are on this planet having to be exposed

1359
00:50:29,910 --> 00:50:28,960
to such cruelty it's pretty hard for

1360
00:50:30,950 --> 00:50:29,920
them

1361
00:50:34,230 --> 00:50:30,960
but yeah

1362
00:50:36,230 --> 00:50:34,240
i keep hearing this is right on track

1363
00:50:39,030 --> 00:50:36,240

and we we often talk about you know

1364

00:50:40,870 --> 00:50:39,040

there's um a threat narrative

1365

00:50:42,630 --> 00:50:40,880

involved in all this but some of the

1366

00:50:43,910 --> 00:50:42,640

people that we've talked to

1367

00:50:45,589 --> 00:50:43,920

they're like no there's no threat

1368

00:50:48,230 --> 00:50:45,599

narrative like there's we know there's

1369

00:50:49,910 --> 00:50:48,240

no attacks on us so far as we can tell

1370

00:50:50,870 --> 00:50:49,920

every time that we've approached them

1371

00:50:52,870 --> 00:50:50,880

even

1372

00:50:54,710 --> 00:50:52,880

speaking with uh jacques there he was

1373

00:50:57,589 --> 00:50:54,720

mentioned that there's two differences

1374

00:50:58,950 --> 00:50:57,599

between how uaps approach craps one

1375

00:51:01,349 --> 00:50:58,960

being civilian the other one being

1376
00:51:02,710 --> 00:51:01,359
military military seems to be more

1377
00:51:04,950 --> 00:51:02,720
standoffish

1378
00:51:07,349 --> 00:51:04,960
um a little bit more personal and well

1379
00:51:09,829 --> 00:51:07,359
as civilian crafts they're just

1380
00:51:11,910 --> 00:51:09,839
wasn't by seeing what was going on right

1381
00:51:13,829 --> 00:51:11,920
so they act very differently

1382
00:51:15,430 --> 00:51:13,839
this shows us there's a consciousness

1383
00:51:18,230 --> 00:51:15,440
the other aspect of it is that these

1384
00:51:19,990 --> 00:51:18,240
crafts appear to work on consciousness

1385
00:51:21,829 --> 00:51:20,000
the

1386
00:51:23,510 --> 00:51:21,839
let's just face it when we've louis said

1387
00:51:24,710 --> 00:51:23,520
this before they they move at the speed

1388
00:51:26,710 --> 00:51:24,720

of thought

1389

00:51:28,069 --> 00:51:26,720

so if you're thinking i'm here and i

1390

00:51:30,790 --> 00:51:28,079

need to be over there

1391

00:51:32,150 --> 00:51:30,800

you travel and it's fast because it's

1392

00:51:34,150 --> 00:51:32,160

traveling at the speed of thought like

1393

00:51:35,349 --> 00:51:34,160

that's how these crafts operate through

1394

00:51:36,950 --> 00:51:35,359

consciousness

1395

00:51:38,710 --> 00:51:36,960

so obviously there is something to

1396

00:51:40,710 --> 00:51:38,720

consciousness and the technology like

1397

00:51:42,950 --> 00:51:40,720

they got to be linked somehow

1398

00:51:45,910 --> 00:51:42,960

but i think we don't do that like you

1399

00:51:47,990 --> 00:51:45,920

know you mentioned spirituality and

1400

00:51:50,150 --> 00:51:48,000

technology also goes together with this

1401
00:51:51,349 --> 00:51:50,160
phenomenon which is another aspect with

1402
00:51:53,910 --> 00:51:51,359
that's you know

1403
00:51:57,030 --> 00:51:53,920
mind-boggling when you look at it uh do

1404
00:51:58,790 --> 00:51:57,040
you think that with that like we've lost

1405
00:52:00,630 --> 00:51:58,800
what we used to have in atlantis which

1406
00:52:03,910 --> 00:52:00,640
was maybe a little bit more of that

1407
00:52:06,309 --> 00:52:03,920
spiritual and technologically advanced

1408
00:52:09,109 --> 00:52:06,319
uh machinery like we've lost that

1409
00:52:10,790 --> 00:52:09,119
connection somehow through the reset

1410
00:52:11,990 --> 00:52:10,800
well i mean

1411
00:52:14,710 --> 00:52:12,000
you know

1412
00:52:17,990 --> 00:52:14,720
from what i from what i learned in

1413
00:52:20,150 --> 00:52:18,000

about atlantis it didn't seem like they

1414

00:52:21,270 --> 00:52:20,160

at the time right before the final

1415

00:52:23,430 --> 00:52:21,280

destruction

1416

00:52:25,750 --> 00:52:23,440

they didn't seem to be very spiritual

1417

00:52:27,990 --> 00:52:25,760

now that was just the information that

1418

00:52:31,349 --> 00:52:28,000

kept coming to me through clients they

1419

00:52:35,270 --> 00:52:31,359

were not syria was very uh spiritual

1420

00:52:37,910 --> 00:52:35,280

okay you know i i only got skewed um

1421

00:52:40,309 --> 00:52:37,920

opinions from my own from my clients who

1422

00:52:41,510 --> 00:52:40,319

remembered this time right before the

1423

00:52:43,670 --> 00:52:41,520

reset

1424

00:52:46,549 --> 00:52:43,680

so there were other times when they were

1425

00:52:49,270 --> 00:52:46,559

very spiritually advanced in it but it

1426
00:52:51,750 --> 00:52:49,280
seemed like they had lost that somehow

1427
00:52:54,069 --> 00:52:51,760
right before the final destruction

1428
00:52:55,670 --> 00:52:54,079
and i know there were groups that were

1429
00:52:57,349 --> 00:52:55,680
you know doing things that were very

1430
00:53:00,710 --> 00:52:57,359
superior i just received that

1431
00:53:02,390 --> 00:53:00,720
information from clients right but you

1432
00:53:08,390 --> 00:53:02,400
know if you look at the arcturians

1433
00:53:18,150 --> 00:53:09,349
future

1434
00:53:20,470 --> 00:53:18,160
you've obviously

1435
00:53:22,630 --> 00:53:20,480
doubt on the timeline

1436
00:53:24,069 --> 00:53:22,640
you know as far as using

1437
00:53:27,430 --> 00:53:24,079
but i think

1438
00:53:31,190 --> 00:53:27,440

it's really who holds the hand

1439

00:53:33,430 --> 00:53:31,200

or who's in the technology right now

1440

00:53:35,430 --> 00:53:33,440

is a little questionable

1441

00:53:38,150 --> 00:53:35,440

so i think it's um

1442

00:53:39,030 --> 00:53:38,160

something that we have a lot of help

1443

00:53:41,430 --> 00:53:39,040

with

1444

00:53:42,390 --> 00:53:41,440

that is something that we're being

1445

00:53:44,950 --> 00:53:42,400

monitored

1446

00:53:46,790 --> 00:53:44,960

definitely there's a lot of help on the

1447

00:53:49,510 --> 00:53:46,800

planet right now

1448

00:53:52,870 --> 00:53:49,520

for sure everywhere i mean

1449

00:53:55,430 --> 00:53:52,880

all over the skies are just crowded

1450

00:53:57,270 --> 00:53:55,440

right now i've been told

1451

00:53:59,430 --> 00:53:57,280

well let's hope that uh this closure

1452

00:54:01,109 --> 00:53:59,440

comes soon enough louie do you have any

1453

00:54:02,630 --> 00:54:01,119

uh final questions for our guest today

1454

00:54:05,270 --> 00:54:02,640

no i just want to say thanks very much

1455

00:54:07,030 --> 00:54:05,280

to sarah bressman cosmi where can people

1456

00:54:08,470 --> 00:54:07,040

find you follow learn more about what

1457

00:54:10,710 --> 00:54:08,480

you're working on

1458

00:54:13,109 --> 00:54:10,720

um they can go to my website at the

1459

00:54:15,430 --> 00:54:13,119

holistic hypnotist.com

1460

00:54:17,670 --> 00:54:15,440

i'm almost on my third book but you can

1461

00:54:19,910 --> 00:54:17,680

buy my other two a hypnotist journey to

1462

00:54:23,030 --> 00:54:19,920

atlantis and a hypnotist journey to the

1463

00:54:25,349 --> 00:54:23,040

secrets of the sphinx on amazon

1464

00:54:26,870 --> 00:54:25,359

and there's a link to that on my website

1465

00:54:29,430 --> 00:54:26,880

very good and we'll put a link to that

1466

00:54:31,430 --> 00:54:29,440

on this video page as well so once again

1467

00:54:32,870 --> 00:54:31,440

thanks very much for being our guest uh

1468

00:54:35,030 --> 00:54:32,880

it's very enlightening to have these

1469

00:54:36,710 --> 00:54:35,040

discussions about being enlightened and

1470

00:54:39,030 --> 00:54:36,720

maybe that's exactly how we get there is

1471

00:54:41,270 --> 00:54:39,040

just by talking about it absorbing

1472

00:54:43,190 --> 00:54:41,280

comparing notes and we hope all of our

1473

00:54:45,109 --> 00:54:43,200

viewers enjoyed it as well so thanks

1474

00:54:51,430 --> 00:54:45,119

very much again for being on the show
