

MELISSA TITTL

**UAP STUDIES
PODCAST**

1
00:00:04,470 --> 00:00:02,070
welcome back everybody to another

2
00:00:06,470 --> 00:00:04,480
amazing episode of uap studies podcast

3
00:00:09,270 --> 00:00:06,480
jay i'm super jacked we have another

4
00:00:11,430 --> 00:00:09,280
powerhouse woman in ufology and we've

5
00:00:12,629 --> 00:00:11,440
been getting a few lately and it's very

6
00:00:15,430 --> 00:00:12,639
refreshing

7
00:00:17,349 --> 00:00:15,440
absolutely um she's been an influence on

8
00:00:19,269 --> 00:00:17,359
us because she's produced a lot of the

9
00:00:20,790 --> 00:00:19,279
shows that we've seen she started a lot

10
00:00:22,950 --> 00:00:20,800
of the shows that we've seen before we

11
00:00:25,429 --> 00:00:22,960
even started the podcast so it's amazing

12
00:00:27,109 --> 00:00:25,439
to have melissa on today yeah i mean she

13
00:00:28,710 --> 00:00:27,119

produced ancient aliens the first four

14

00:00:30,710 --> 00:00:28,720

or five seasons and we want to ask her

15

00:00:32,549 --> 00:00:30,720

about that and she's made documentaries

16

00:00:35,110 --> 00:00:32,559

and done all kinds of cool stuff she's a

17

00:00:37,590 --> 00:00:35,120

good ambassador for the the movement as

18

00:00:39,270 --> 00:00:37,600

well as for women in ufology so

19

00:00:46,350 --> 00:00:39,280

we'll be right back and we're really

20

00:01:06,550 --> 00:01:00,160

[Music]

21

00:01:10,149 --> 00:01:08,230

all right welcome back to another uap

22

00:01:12,230 --> 00:01:10,159

studies episode my name is louis borges

23

00:01:14,310 --> 00:01:12,240

joining me as always my good buddy and

24

00:01:16,310 --> 00:01:14,320

illustrious co-host jason gilman how are

25

00:01:17,830 --> 00:01:16,320

you i'm doing good brother how are you

26

00:01:19,350 --> 00:01:17,840

i'm good i'm doing really good i'm

27

00:01:21,109 --> 00:01:19,360

really happy we've been getting some

28

00:01:22,469 --> 00:01:21,119

really powerful women on the on the

29

00:01:24,550 --> 00:01:22,479

topic and in the field on the show

30

00:01:26,950 --> 00:01:24,560

lately absolutely today is no exception

31

00:01:29,590 --> 00:01:26,960

we're super excited uh today's guest is

32

00:01:31,749 --> 00:01:29,600

a tv and filmmaker she's a producer an

33

00:01:34,149 --> 00:01:31,759

investigative journalist uh right now

34

00:01:36,789 --> 00:01:34,159

she's the creative ceo for hathor uh

35

00:01:39,670 --> 00:01:36,799

studios um their topics range from like

36

00:01:42,230 --> 00:01:39,680

meditation and human potential to you

37

00:01:43,990 --> 00:01:42,240

know ancient aliens and civilizations

38

00:01:45,510 --> 00:01:44,000

and all that good stuff uh you've

39

00:01:48,870 --> 00:01:45,520

probably seen her on shows like hanger

40

00:01:50,469 --> 00:01:48,880

one ufo files and ufo witness and she's

41

00:01:53,429 --> 00:01:50,479

done a lot so we're

42

00:01:55,670 --> 00:01:53,439

welcome to the show today melissa tittle

43

00:01:57,190 --> 00:01:55,680

hey everybody so awesome to be here

44

00:01:59,590 --> 00:01:57,200

thanks we're super excited to have you

45

00:02:01,830 --> 00:01:59,600

here we sent a lot of requests out to

46

00:02:04,389 --> 00:02:01,840

big name people and people are busy so

47

00:02:06,310 --> 00:02:04,399

we really appreciate your time and uh we

48

00:02:08,309 --> 00:02:06,320

kind of have similar thoughts on things

49

00:02:10,710 --> 00:02:08,319

as to you you know let's not get too

50

00:02:12,309 --> 00:02:10,720

caught up in the minutia more like what

51
00:02:14,949 --> 00:02:12,319
does this actually mean

52
00:02:16,470 --> 00:02:14,959
and where is this all going so um so

53
00:02:17,670 --> 00:02:16,480
yeah excited to have you maybe tell a

54
00:02:19,830 --> 00:02:17,680
little bit tell us a little bit about

55
00:02:22,150 --> 00:02:19,840
yourself uh before you got into this

56
00:02:24,309 --> 00:02:22,160
stuff and uh what led you to getting

57
00:02:25,750 --> 00:02:24,319
into it and where you're at now

58
00:02:27,830 --> 00:02:25,760
awesome first of all i will say i'm so

59
00:02:30,070 --> 00:02:27,840
honored to be here um you guys have a

60
00:02:31,910 --> 00:02:30,080
great platform for just talking about

61
00:02:33,589 --> 00:02:31,920
the space and

62
00:02:36,550 --> 00:02:33,599
what could be happening out there so

63
00:02:37,750 --> 00:02:36,560

thank you so much thank you thank you

64

00:02:39,670 --> 00:02:37,760

um

65

00:02:43,270 --> 00:02:39,680

i love this question

66

00:02:46,470 --> 00:02:43,280

i like i feel like where do you get

67

00:02:48,869 --> 00:02:46,480

started right so

68

00:02:50,470 --> 00:02:48,879

um i'll say that from a very young age i

69

00:02:51,990 --> 00:02:50,480

was always pretty fascinated with the

70

00:02:54,790 --> 00:02:52,000

unknown you know whether it was the

71

00:02:56,869 --> 00:02:54,800

understanding of like ghosts or

72

00:02:59,430 --> 00:02:56,879

even from like i think age 10 i was into

73

00:03:01,910 --> 00:02:59,440

ancient egyptian stuff and and my dad

74

00:03:04,550 --> 00:03:01,920

was in the military when i was younger

75

00:03:06,869 --> 00:03:04,560

so we uh we talked about aliens we

76

00:03:08,229 --> 00:03:06,879

talked about other religious beliefs um

77

00:03:09,910 --> 00:03:08,239

that was one of the things my parents

78

00:03:11,670 --> 00:03:09,920

really wanted to teach us was all the

79

00:03:14,070 --> 00:03:11,680

different religions and

80

00:03:15,270 --> 00:03:14,080

and um and from an early age i realized

81

00:03:16,470 --> 00:03:15,280

that the stories were sort of the same

82

00:03:19,830 --> 00:03:16,480

so

83

00:03:22,790 --> 00:03:19,840

it was no coincidence that once i chose

84

00:03:24,550 --> 00:03:22,800

my career path which was storytelling um

85

00:03:26,550 --> 00:03:24,560

and i went to school for tv and film and

86

00:03:28,070 --> 00:03:26,560

then found myself in la that i

87

00:03:29,110 --> 00:03:28,080

immediately

88

00:03:31,430 --> 00:03:29,120

um

89

00:03:33,430 --> 00:03:31,440

find myself working at paramount studios

90

00:03:34,949 --> 00:03:33,440

for sci-fi films because i've been a

91

00:03:36,949 --> 00:03:34,959

huge nerd for that stuff since i was

92

00:03:39,910 --> 00:03:36,959

little you know comic books

93

00:03:42,869 --> 00:03:39,920

i'm like that like tomboy like tough

94

00:03:43,830 --> 00:03:42,879

chick like growing up who like loved

95

00:03:48,710 --> 00:03:43,840

nerdy

96

00:03:52,070 --> 00:03:50,949

and then from there i i worked on a nasa

97

00:03:53,430 --> 00:03:52,080

show

98

00:03:57,990 --> 00:03:53,440

with history channels the first time

99

00:03:59,910 --> 00:03:58,000

history channel had attempted to do uh

100

00:04:02,070 --> 00:03:59,920

trying to word this the right way a

101
00:04:03,110 --> 00:04:02,080
smart show trying to explain what was

102
00:04:04,949 --> 00:04:03,120
happening in the universe because

103
00:04:06,869 --> 00:04:04,959
remember mainstream is just copying

104
00:04:08,869 --> 00:04:06,879
where the audience is at

105
00:04:11,270 --> 00:04:08,879
and this show is called the universe and

106
00:04:13,750 --> 00:04:11,280
this was our collaboration with nasa and

107
00:04:15,110 --> 00:04:13,760
professors trying to explain how space

108
00:04:16,949 --> 00:04:15,120
worked and

109
00:04:18,150 --> 00:04:16,959
awesome show pretty fascinating and then

110
00:04:20,870 --> 00:04:18,160
from there

111
00:04:22,629 --> 00:04:20,880
ancient aliens and that just took it to

112
00:04:24,629 --> 00:04:22,639
another level so i produced the first

113
00:04:26,230 --> 00:04:24,639

five seasons of ancient aliens

114

00:04:28,469 --> 00:04:26,240

and um

115

00:04:30,390 --> 00:04:28,479

yeah i just kept going deeper and deeper

116

00:04:32,629 --> 00:04:30,400

because those were the questions i had

117

00:04:34,230 --> 00:04:32,639

and now that there was a platform that

118

00:04:36,150 --> 00:04:34,240

was successful

119

00:04:37,830 --> 00:04:36,160

this was just the beginning and it was

120

00:04:40,469 --> 00:04:37,840

the beginning of people

121

00:04:42,710 --> 00:04:40,479

in mainstream asking but wait a second

122

00:04:44,629 --> 00:04:42,720

there's all these strange ironic

123

00:04:46,550 --> 00:04:44,639

coincidences

124

00:04:49,430 --> 00:04:46,560

are they connected is there something

125

00:04:51,110 --> 00:04:49,440

supernatural happening aliens something

126

00:04:52,550 --> 00:04:51,120

else like what

127

00:04:53,590 --> 00:04:52,560

there's something weird going on and

128

00:04:56,950 --> 00:04:53,600

that has

129

00:04:58,950 --> 00:04:56,960

escalated i'd say for the last 10 years

130

00:05:01,270 --> 00:04:58,960

so you you mentioned that you talked to

131

00:05:03,590 --> 00:05:01,280

your dad quite a bit about different

132

00:05:05,749 --> 00:05:03,600

stuff he talked about ufos did was he

133

00:05:06,790 --> 00:05:05,759

ever witnessed to a ufo or anything like

134

00:05:10,870 --> 00:05:06,800

that

135

00:05:12,870 --> 00:05:10,880

no no he not in the military uh my

136

00:05:14,950 --> 00:05:12,880

grandfather

137

00:05:18,150 --> 00:05:14,960

was stationed at

138

00:05:19,590 --> 00:05:18,160

oh my god not edwards air force base

139

00:05:21,430 --> 00:05:19,600

um

140

00:05:23,189 --> 00:05:21,440

oh my god i can't remember it it's in

141

00:05:26,710 --> 00:05:23,199

washington state

142

00:05:29,590 --> 00:05:26,720

he was stationed there in 1952

143

00:05:32,550 --> 00:05:29,600

um and the day my dad was born there was

144

00:05:34,710 --> 00:05:32,560

a ufo sighting on the base oh wow and my

145

00:05:36,230 --> 00:05:34,720

grandfather had saved the newspaper

146

00:05:37,990 --> 00:05:36,240

article we used to talk about it all the

147

00:05:40,390 --> 00:05:38,000

time we used to tease my dad that he was

148

00:05:43,590 --> 00:05:40,400

from outer space or something

149

00:05:44,550 --> 00:05:43,600

but it really got my dad thinking

150

00:05:47,029 --> 00:05:44,560

um

151
00:05:48,710 --> 00:05:47,039
and talking about it with us because

152
00:05:51,990 --> 00:05:48,720
as his military career went on in the

153
00:05:55,270 --> 00:05:52,000
air force there was talk about well in

154
00:05:57,029 --> 00:05:55,280
small circles well if that's true i mean

155
00:05:59,510 --> 00:05:57,039
what what of our capabilities from a

156
00:06:01,110 --> 00:05:59,520
military standpoint yeah and always

157
00:06:03,189 --> 00:06:01,120
thought that was funny because people

158
00:06:06,390 --> 00:06:03,199
think oh it's our technology well you go

159
00:06:08,070 --> 00:06:06,400
back to 1952 like you mentioned

160
00:06:10,309 --> 00:06:08,080
that wasn't our technology we didn't

161
00:06:11,990 --> 00:06:10,319
have that at the time and i still don't

162
00:06:14,230 --> 00:06:12,000
think that we have that technology now

163
00:06:16,230 --> 00:06:14,240

right but yeah it's interesting to hear

164

00:06:18,870 --> 00:06:16,240

stories like that that usually somebody

165

00:06:21,350 --> 00:06:18,880

in the family or a friend

166

00:06:23,189 --> 00:06:21,360

knows an event that took place or had an

167

00:06:25,909 --> 00:06:23,199

event that took place

168

00:06:27,590 --> 00:06:25,919

i often mentioned it um before that you

169

00:06:29,189 --> 00:06:27,600

know when i was doing insurance i'd had

170

00:06:31,029 --> 00:06:29,199

people that would just start talking to

171

00:06:32,710 --> 00:06:31,039

me about their experiences and i never

172

00:06:34,390 --> 00:06:32,720

asked them a single thing

173

00:06:37,029 --> 00:06:34,400

they're just leaning over like i saw

174

00:06:38,710 --> 00:06:37,039

them once you know i'd be like what

175

00:06:40,790 --> 00:06:38,720

like the hair on my arms would just

176
00:06:42,469 --> 00:06:40,800
stand up like i didn't ask him you knew

177
00:06:44,309 --> 00:06:42,479
you were a safest place man that you

178
00:06:45,909 --> 00:06:44,319
didn't talk to you about that stuff yeah

179
00:06:48,070 --> 00:06:45,919
talking about life insurance why are we

180
00:06:49,749 --> 00:06:48,080
talking about aliens yeah it was just

181
00:06:51,749 --> 00:06:49,759
crazy they would just bring it up and

182
00:06:53,270 --> 00:06:51,759
then i would be like wow it's amazing

183
00:06:55,749 --> 00:06:53,280
the amount of people that

184
00:06:58,550 --> 00:06:55,759
have experiences and that

185
00:07:00,230 --> 00:06:58,560
it motivates me to to continue to you

186
00:07:03,029 --> 00:07:00,240
know research this and it's awesome to

187
00:07:05,909 --> 00:07:03,039
see that your career uh that was also

188
00:07:07,909 --> 00:07:05,919

it's also an interest of yours this is

189

00:07:09,670 --> 00:07:07,919

usually there's a drive behind that like

190

00:07:10,550 --> 00:07:09,680

somebody has a sighting or stuff like

191

00:07:12,469 --> 00:07:10,560

that

192

00:07:15,350 --> 00:07:12,479

what did you ever have a sighting or is

193

00:07:16,870 --> 00:07:15,360

this just an interest that you have

194

00:07:19,430 --> 00:07:16,880

no um

195

00:07:20,629 --> 00:07:19,440

which uh is always disappointing i feel

196

00:07:22,150 --> 00:07:20,639

good i'm being interviewed i've never

197

00:07:24,629 --> 00:07:22,160

had a sighting

198

00:07:26,629 --> 00:07:24,639

um i haven't seen any little aliens i

199

00:07:27,990 --> 00:07:26,639

haven't had but i've had really strange

200

00:07:29,589 --> 00:07:28,000

supernatural experiences and i use the

201
00:07:32,230 --> 00:07:29,599
word supernatural because i really don't

202
00:07:33,990 --> 00:07:32,240
think we know what's in any dimension

203
00:07:36,230 --> 00:07:34,000
um what we think is a ghost could be

204
00:07:37,909 --> 00:07:36,240
alien right so i'll just use it as a

205
00:07:40,309 --> 00:07:37,919
blanket term i've definitely had

206
00:07:41,430 --> 00:07:40,319
experiences with things that don't seem

207
00:07:42,469 --> 00:07:41,440
human

208
00:07:45,670 --> 00:07:42,479
um

209
00:07:48,070 --> 00:07:45,680
but i think my drive from a young age

210
00:07:53,029 --> 00:07:48,080
and especially getting into

211
00:07:58,469 --> 00:07:55,830
was that i just found

212
00:08:00,869 --> 00:07:58,479
that it's it's not i don't want to find

213
00:08:03,189 --> 00:08:00,879

the truth because i think the truth is

214

00:08:06,150 --> 00:08:03,199

is relevant to the person

215

00:08:08,790 --> 00:08:06,160

listening or talking right yeah i think

216

00:08:11,830 --> 00:08:08,800

that the most important thing to do

217

00:08:12,790 --> 00:08:11,840

is to gather data create patterns and

218

00:08:14,629 --> 00:08:12,800

say

219

00:08:17,589 --> 00:08:14,639

what is going on in this field of

220

00:08:19,909 --> 00:08:17,599

existence that we can then understand

221

00:08:22,309 --> 00:08:19,919

because once we accept

222

00:08:24,070 --> 00:08:22,319

that aliens are real or that we accept

223

00:08:25,749 --> 00:08:24,080

that we saw ufo or we accept that

224

00:08:28,390 --> 00:08:25,759

there's other interdimensional beings

225

00:08:29,749 --> 00:08:28,400

living they do exist and that doesn't

226

00:08:31,670 --> 00:08:29,759

mean that they exist because we think

227

00:08:35,670 --> 00:08:31,680

they are they exist because now we're

228

00:08:38,550 --> 00:08:35,680

ready to see it so i think like my job

229

00:08:39,750 --> 00:08:38,560

is to dive into the many truths of the

230

00:08:41,670 --> 00:08:39,760

the people that have been collecting

231

00:08:42,949 --> 00:08:41,680

data for years the people that have had

232

00:08:44,389 --> 00:08:42,959

sightings the people that are dragged

233

00:08:45,590 --> 00:08:44,399

out of their bed at night

234

00:08:48,230 --> 00:08:45,600

um

235

00:08:50,070 --> 00:08:48,240

all of those people are relevant into

236

00:08:51,350 --> 00:08:50,080

understanding what's happening in the

237

00:08:53,030 --> 00:08:51,360

unknown

238

00:08:54,790 --> 00:08:53,040

i have a lot of respect for people in

239

00:08:57,110 --> 00:08:54,800

your field that actually produce this

240

00:08:58,870 --> 00:08:57,120

media and these shows and documentaries

241

00:09:00,630 --> 00:08:58,880

and we all kind of take it for granted

242

00:09:02,710 --> 00:09:00,640

there's a common wealth of knowledge

243

00:09:05,110 --> 00:09:02,720

right now that most people that are

244

00:09:06,710 --> 00:09:05,120

enthusiasts sort of know about this but

245

00:09:08,310 --> 00:09:06,720

if it wasn't for the programming and the

246

00:09:10,150 --> 00:09:08,320

ancient aliens and all these other

247

00:09:11,750 --> 00:09:10,160

documentaries we've watched like 30

248

00:09:13,990 --> 00:09:11,760

years ago there was nothing about aliens

249

00:09:15,670 --> 00:09:14,000

on tv it's just sci-fi movies now

250

00:09:17,910 --> 00:09:15,680

there's legitimate information on

251
00:09:20,389 --> 00:09:17,920
networks like history and discovery that

252
00:09:22,310 --> 00:09:20,399
you can kind of feed that thirst in your

253
00:09:24,310 --> 00:09:22,320
brain with good stuff and that's the

254
00:09:26,790 --> 00:09:24,320
only reason we do this show it's a

255
00:09:28,710 --> 00:09:26,800
tsunami of bad information out there but

256
00:09:30,550 --> 00:09:28,720
there is some good info so i have a lot

257
00:09:33,110 --> 00:09:30,560
of respect for again people like

258
00:09:35,110 --> 00:09:33,120
yourself and and really committed to not

259
00:09:36,790 --> 00:09:35,120
just making movies i mean you went to

260
00:09:39,110 --> 00:09:36,800
school to be a filmmaker you could make

261
00:09:40,949 --> 00:09:39,120
films about anything but without people

262
00:09:43,590 --> 00:09:40,959
that know about it enough to make sure

263
00:09:45,110 --> 00:09:43,600

that it's accurately represented like to

264

00:09:47,190 --> 00:09:45,120

you know otherwise the fans would say

265

00:09:49,509 --> 00:09:47,200

well it's nonsense it's all mixed and

266

00:09:51,030 --> 00:09:49,519

garbled it wouldn't be a good resource

267

00:09:53,910 --> 00:09:51,040

but you guys are putting out like

268

00:09:56,070 --> 00:09:53,920

encyclopedia worthy stuff and maybe in

269

00:09:57,350 --> 00:09:56,080

40 years it will be an encyclopedia as

270

00:09:59,829 --> 00:09:57,360

the initial

271

00:10:01,269 --> 00:09:59,839

kind of trickle effect of this info so

272

00:10:03,269 --> 00:10:01,279

kudos to you guys

273

00:10:04,550 --> 00:10:03,279

hopefully um i mean you know just to

274

00:10:06,310 --> 00:10:04,560

finish that thought because you know you

275

00:10:08,550 --> 00:10:06,320

want to know because what you really

276

00:10:10,150 --> 00:10:08,560

asked was well what's the root like okay

277

00:10:12,949 --> 00:10:10,160

we get you want to

278

00:10:15,750 --> 00:10:12,959

investigate people in the many truths

279

00:10:18,310 --> 00:10:15,760

and create patterns but i think

280

00:10:21,030 --> 00:10:18,320

the only way we are going to understand

281

00:10:23,030 --> 00:10:21,040

who we are as humans is if we figure out

282

00:10:24,550 --> 00:10:23,040

and discover something that's not human

283

00:10:27,269 --> 00:10:24,560

i feel like that we're

284

00:10:29,990 --> 00:10:27,279

chasing our tales talking about policies

285

00:10:32,470 --> 00:10:30,000

and um people and things and religious

286

00:10:35,110 --> 00:10:32,480

beliefs all this crap and the thing is

287

00:10:38,310 --> 00:10:35,120

is that we haven't found out the one

288

00:10:40,470 --> 00:10:38,320

thing that would make any other species

289

00:10:43,269 --> 00:10:40,480

investigate us in the first place

290

00:10:45,269 --> 00:10:43,279

and i think that that is the goal for me

291

00:10:47,509 --> 00:10:45,279

is if let's define

292

00:10:49,269 --> 00:10:47,519

what that human potential is in the

293

00:10:51,590 --> 00:10:49,279

field of discovering

294

00:10:52,630 --> 00:10:51,600

how big this universe is and what's out

295

00:10:55,110 --> 00:10:52,640

there

296

00:10:57,190 --> 00:10:55,120

so a question for you

297

00:10:59,269 --> 00:10:57,200

has anything changed

298

00:11:02,230 --> 00:10:59,279

in your way of thinking since the start

299

00:11:04,470 --> 00:11:02,240

of this did you like before didn't

300

00:11:05,430 --> 00:11:04,480

believe in abduction cases but as you

301
00:11:07,910 --> 00:11:05,440
were

302
00:11:09,829 --> 00:11:07,920
going along you become more convinced

303
00:11:11,750 --> 00:11:09,839
that it might be a thing or is there

304
00:11:13,910 --> 00:11:11,760
anything like that that you've changed

305
00:11:15,509 --> 00:11:13,920
your opinion on because we've changed

306
00:11:17,590 --> 00:11:15,519
our opinion quite a bit

307
00:11:19,750 --> 00:11:17,600
on a lot of subjects and we're now

308
00:11:21,750 --> 00:11:19,760
covering those subjects so did you have

309
00:11:26,389 --> 00:11:21,760
anything like that

310
00:11:29,269 --> 00:11:27,430
okay i have to get out of my

311
00:11:32,550 --> 00:11:29,279
journalistic head so my journalistic

312
00:11:34,389 --> 00:11:32,560
head i would say no because um i don't

313
00:11:36,949 --> 00:11:34,399

want to attach myself to any belief

314

00:11:39,910 --> 00:11:36,959

system because i want to keep it open

315

00:11:41,750 --> 00:11:39,920

so that i'm a conduit coming through of

316

00:11:43,190 --> 00:11:41,760

knowledge so people can decide what they

317

00:11:45,910 --> 00:11:43,200

think is real

318

00:11:47,509 --> 00:11:45,920

but if i take that hat off

319

00:11:49,110 --> 00:11:47,519

i'm just melissa

320

00:11:51,350 --> 00:11:49,120

um

321

00:11:53,670 --> 00:11:51,360

i would say

322

00:11:55,670 --> 00:11:53,680

because there's so many stories coming

323

00:11:57,670 --> 00:11:55,680

out more and more

324

00:11:59,350 --> 00:11:57,680

every year every month it's increasing

325

00:12:00,710 --> 00:11:59,360

no matter what resource is collecting

326

00:12:03,829 --> 00:12:00,720

the data

327

00:12:05,829 --> 00:12:03,839

um i would say in the last

328

00:12:07,829 --> 00:12:05,839

four months i believe that we are

329

00:12:10,150 --> 00:12:07,839

getting closer and closer to some kind

330

00:12:12,470 --> 00:12:10,160

of contact situation considering the

331

00:12:14,870 --> 00:12:12,480

government is ramping up their

332

00:12:17,030 --> 00:12:14,880

involvement and they're

333

00:12:19,590 --> 00:12:17,040

wanting to tell people that they're

334

00:12:21,350 --> 00:12:19,600

interested in them and

335

00:12:23,030 --> 00:12:21,360

i think people will say

336

00:12:25,990 --> 00:12:23,040

well that's because they have an agenda

337

00:12:28,150 --> 00:12:26,000

well of course maybe they do but

338

00:12:29,910 --> 00:12:28,160

but why unless something might be

339

00:12:32,230 --> 00:12:29,920

happening sooner than we think i mean

340

00:12:33,990 --> 00:12:32,240

we're making oxygen on mars right now

341

00:12:36,629 --> 00:12:34,000

i mean what are the probabilities that

342

00:12:38,389 --> 00:12:36,639

we are going to run into some other

343

00:12:40,230 --> 00:12:38,399

species some other

344

00:12:42,310 --> 00:12:40,240

being you know whether it's biological

345

00:12:45,110 --> 00:12:42,320

or some other kind of makeup i think

346

00:12:47,430 --> 00:12:45,120

that we are getting closer to that

347

00:12:49,670 --> 00:12:47,440

i think one of the statements like are

348

00:12:52,949 --> 00:12:49,680

we alone in the universe is going to be

349

00:12:54,949 --> 00:12:52,959

the most laughed at question in history

350

00:12:57,110 --> 00:12:54,959

because once we find out the amount of

351
00:12:59,030 --> 00:12:57,120
life forms that are out there we might

352
00:13:02,069 --> 00:12:59,040
be in shock and it's going to make us

353
00:13:03,960 --> 00:13:02,079
feel super super small

354
00:13:05,110 --> 00:13:03,970
i often think that maybe

355
00:13:06,790 --> 00:13:05,120
[Music]

356
00:13:08,870 --> 00:13:06,800
we're not ready for disclosure because

357
00:13:10,790 --> 00:13:08,880
we're not ready to deal with like even

358
00:13:13,670 --> 00:13:10,800
the war that's going on right now in

359
00:13:16,150 --> 00:13:13,680
ukraine and russia we fight ourselves we

360
00:13:18,870 --> 00:13:16,160
kill ourselves i i don't know if we're

361
00:13:20,389 --> 00:13:18,880
capable of accepting another species

362
00:13:22,470 --> 00:13:20,399
unless they're going to intervene and

363
00:13:23,829 --> 00:13:22,480

show us a different way of life

364

00:13:25,990 --> 00:13:23,839

you know and share with us their

365

00:13:28,550 --> 00:13:26,000

technology i don't know what the effects

366

00:13:30,230 --> 00:13:28,560

of that is going to be socially if it's

367

00:13:31,750 --> 00:13:30,240

going to be accepted or if it's going to

368

00:13:33,350 --> 00:13:31,760

be an issue

369

00:13:35,350 --> 00:13:33,360

yeah but i think that's why there's so

370

00:13:37,750 --> 00:13:35,360

much talk happening about

371

00:13:40,230 --> 00:13:37,760

because i feel that um the more and more

372

00:13:43,350 --> 00:13:40,240

people believe it could be a possibility

373

00:13:45,190 --> 00:13:43,360

the less panic i mean will be definitely

374

00:13:46,389 --> 00:13:45,200

some panic but

375

00:13:49,030 --> 00:13:46,399

um

376

00:13:50,230 --> 00:13:49,040

i think uh

377

00:13:52,389 --> 00:13:50,240

there's always going to be people that i

378

00:13:53,910 --> 00:13:52,399

want to believe right yeah

379

00:13:55,829 --> 00:13:53,920

i mean no offense to the people that

380

00:13:57,430 --> 00:13:55,839

believe there's a flat earth but there's

381

00:13:58,230 --> 00:13:57,440

a percentage of people that no matter

382

00:14:00,150 --> 00:13:58,240

what

383

00:14:01,269 --> 00:14:00,160

the earth is flat and that's it so no

384

00:14:03,350 --> 00:14:01,279

matter what those people are going to

385

00:14:04,150 --> 00:14:03,360

hide out and say aliens aren't real

386

00:14:05,670 --> 00:14:04,160

done

387

00:14:07,990 --> 00:14:05,680

great but

388

00:14:10,550 --> 00:14:08,000

for 80 percent 88 of the rest of the

389

00:14:12,949 --> 00:14:10,560

world that is witnessing something on tv

390

00:14:15,509 --> 00:14:12,959

and and interacting with something

391

00:14:19,829 --> 00:14:15,519

that might be real so

392

00:14:23,910 --> 00:14:21,750

i don't think i think it's going to take

393

00:14:26,389 --> 00:14:23,920

something monumental for people to let

394

00:14:28,870 --> 00:14:26,399

go of these things that that they feel

395

00:14:31,269 --> 00:14:28,880

they have to believe

396

00:14:32,470 --> 00:14:31,279

right um we're crying there's

397

00:14:34,870 --> 00:14:32,480

governments all over the world trying to

398

00:14:36,310 --> 00:14:34,880

create policies over

399

00:14:41,189 --> 00:14:36,320

how to

400

00:14:42,389 --> 00:14:41,199

but that needs to come from

401
00:14:43,990 --> 00:14:42,399
humans

402
00:14:45,350 --> 00:14:44,000
that's what they demand that there is

403
00:14:47,509 --> 00:14:45,360
nothing else that doesn't have anything

404
00:14:50,069 --> 00:14:47,519
to do with republicans or democrats or

405
00:14:52,230 --> 00:14:50,079
any other party or any other country

406
00:14:55,750 --> 00:14:52,240
that is the human potential that you're

407
00:14:57,750 --> 00:14:55,760
talking about that i feel that the

408
00:15:00,230 --> 00:14:57,760
discovery of

409
00:15:02,150 --> 00:15:00,240
extraterrestrial life will immediately

410
00:15:03,430 --> 00:15:02,160
bring to the forefront

411
00:15:05,430 --> 00:15:03,440
who are we

412
00:15:06,230 --> 00:15:05,440
what are our capabilities

413
00:15:08,949 --> 00:15:06,240

and

414

00:15:11,430 --> 00:15:08,959

we survive

415

00:15:13,350 --> 00:15:11,440

right yeah they didn't get advanced by

416

00:15:15,430 --> 00:15:13,360

blowing themselves up it was from

417

00:15:17,750 --> 00:15:15,440

probably collecting resources pooling

418

00:15:19,750 --> 00:15:17,760

advancing consciousness they they

419

00:15:22,550 --> 00:15:19,760

stopped the game and they realized what

420

00:15:24,710 --> 00:15:22,560

we're actually capable of as sentient

421

00:15:26,310 --> 00:15:24,720

beings you know and that's probably yeah

422

00:15:28,069 --> 00:15:26,320

they probably had a head start in terms

423

00:15:30,230 --> 00:15:28,079

of years i guess you would need one

424

00:15:32,230 --> 00:15:30,240

maybe not maybe if they just you know

425

00:15:34,550 --> 00:15:32,240

collaborated more efficiently it doesn't

426

00:15:35,910 --> 00:15:34,560

take billions of years to become more

427

00:15:38,230 --> 00:15:35,920

advanced than we are maybe we're

428

00:15:40,470 --> 00:15:38,240

retarding our progress because we're so

429

00:15:42,710 --> 00:15:40,480

busy just making weaponry and

430

00:15:44,389 --> 00:15:42,720

looking at the minutia and not actually

431

00:15:46,230 --> 00:15:44,399

seeing what else could be out there you

432

00:15:47,910 --> 00:15:46,240

know and that's where we spend our money

433

00:15:49,670 --> 00:15:47,920

so you know it would be fitting that

434

00:15:51,910 --> 00:15:49,680

that's the result

435

00:15:52,829 --> 00:15:51,920

yeah i mean and there's also that whole

436

00:15:54,949 --> 00:15:52,839

idea

437

00:15:57,189 --> 00:15:54,959

of um

438

00:15:59,030 --> 00:15:57,199

you know in the future

439

00:16:00,310 --> 00:15:59,040

will half of us be

440

00:16:02,230 --> 00:16:00,320

ai

441

00:16:03,350 --> 00:16:02,240

right that's that conversation shall we

442

00:16:04,949 --> 00:16:03,360

starting we're starting with the chips

443

00:16:07,030 --> 00:16:04,959

in the brain and then

444

00:16:09,030 --> 00:16:07,040

if we can replace parts of the body like

445

00:16:10,389 --> 00:16:09,040

when just think of that like let's check

446

00:16:11,509 --> 00:16:10,399

the aliens out hold let's take the

447

00:16:13,189 --> 00:16:11,519

aliens out of the whole thing we're

448

00:16:15,990 --> 00:16:13,199

going to have a crisis on this planet

449

00:16:19,910 --> 00:16:16,000

deciding who's really human if half of

450

00:16:22,550 --> 00:16:19,920

your body is ai yeah right so if we

451
00:16:23,670 --> 00:16:22,560
never discover any other life form

452
00:16:25,910 --> 00:16:23,680
we're going to have a crisis on the

453
00:16:27,829 --> 00:16:25,920
planet with that conversation so we're

454
00:16:30,310 --> 00:16:27,839
headed into something we can't even

455
00:16:34,230 --> 00:16:30,320
figure out if babies are human until

456
00:16:39,269 --> 00:16:36,949
exactly we can't even figure that out um

457
00:16:40,949 --> 00:16:39,279
yeah you make a very valid point and as

458
00:16:43,189 --> 00:16:40,959
technology progresses

459
00:16:44,949 --> 00:16:43,199
we would change biologically as well

460
00:16:47,910 --> 00:16:44,959
because we start modifying ourselves

461
00:16:50,790 --> 00:16:47,920
like even michael paul masters when he

462
00:16:53,350 --> 00:16:50,800
was on was describing how we change

463
00:16:55,749 --> 00:16:53,360

physically from when we first started as

464

00:16:57,829 --> 00:16:55,759

humans to now and if you continue down

465

00:17:00,069 --> 00:16:57,839

that road in the future like louis

466

00:17:01,509 --> 00:17:00,079

explain it better than i i can do you

467

00:17:03,269 --> 00:17:01,519

want to explain what he meant yeah well

468

00:17:05,029 --> 00:17:03,279

basically he's an anthropologist so he's

469

00:17:07,350 --> 00:17:05,039

used to looking at bones and you know

470

00:17:09,429 --> 00:17:07,360

like old things and he basically

471

00:17:11,429 --> 00:17:09,439

theorizes that we're look we look

472

00:17:12,870 --> 00:17:11,439

different than we did as neanderthals

473

00:17:15,110 --> 00:17:12,880

right our jaws are shrinking that's why

474

00:17:16,470 --> 00:17:15,120

we're having wisdom tooth issues uh our

475

00:17:18,789 --> 00:17:16,480

hands are changing because we're not

476

00:17:20,789 --> 00:17:18,799

hunting and foraging or you know our

477

00:17:22,390 --> 00:17:20,799

heads are growing so he goes if you just

478

00:17:24,949 --> 00:17:22,400

continue that progression and fast

479

00:17:27,270 --> 00:17:24,959

forward our heads continue to grow our

480

00:17:28,630 --> 00:17:27,280

jaws shrink uh you know our ears and

481

00:17:31,029 --> 00:17:28,640

everything else that causes like a

482

00:17:32,630 --> 00:17:31,039

protrusion of our eyes if we're maybe

483

00:17:34,710 --> 00:17:32,640

living somewhere else with thinner

484

00:17:37,510 --> 00:17:34,720

gravity or whatever less of it we have

485

00:17:40,150 --> 00:17:37,520

no more muscle mass we basically become

486

00:17:41,590 --> 00:17:40,160

greys in a million years anyway

487

00:17:44,310 --> 00:17:41,600

regardless so

488

00:17:46,470 --> 00:17:44,320

maybe it's not aliens maybe it's us in

489

00:17:48,630 --> 00:17:46,480

the future and he has a theory it's

490

00:17:51,110 --> 00:17:48,640

called the is extra tempestrial

491

00:17:52,789 --> 00:17:51,120

extraterrestrial super cool idea that

492

00:17:55,029 --> 00:17:52,799

this is nothing none other than us in

493

00:17:56,789 --> 00:17:55,039

the future who figured out time travel

494

00:17:58,710 --> 00:17:56,799

who are now coming back to harvest

495

00:18:01,029 --> 00:17:58,720

genetic material or

496

00:18:03,590 --> 00:18:01,039

maybe prevent some huge

497

00:18:05,190 --> 00:18:03,600

destruction event or who knows right or

498

00:18:07,830 --> 00:18:05,200

maybe it's a seeding and it's an

499

00:18:09,270 --> 00:18:07,840

acceleration of our um you know us

500

00:18:11,430 --> 00:18:09,280

getting there we're trying to come back

501
00:18:13,029 --> 00:18:11,440
and speed it up for the benefit of the

502
00:18:15,190 --> 00:18:13,039
future it's pretty deep i mean you'd

503
00:18:17,110 --> 00:18:15,200
have to read his book but but yeah very

504
00:18:18,870 --> 00:18:17,120
cool theory coming from a science

505
00:18:20,870 --> 00:18:18,880
doctorate you know

506
00:18:22,470 --> 00:18:20,880
yeah that's fascinating i mean i i've

507
00:18:23,830 --> 00:18:22,480
heard that theory before maybe it was

508
00:18:24,710 --> 00:18:23,840
him and i just didn't put that together

509
00:18:27,830 --> 00:18:24,720
but

510
00:18:30,549 --> 00:18:27,840
lot of these abduction stories where

511
00:18:31,990 --> 00:18:30,559
they're harvesting eggs or sperm or

512
00:18:33,430 --> 00:18:32,000
genetic material

513
00:18:35,510 --> 00:18:33,440

um

514

00:18:37,990 --> 00:18:35,520

they do say that they're harvesting it

515

00:18:39,430 --> 00:18:38,000

because they're helping us as a human

516

00:18:40,549 --> 00:18:39,440

race um

517

00:18:42,549 --> 00:18:40,559

also

518

00:18:44,150 --> 00:18:42,559

there was a case i was i was just uh

519

00:18:46,470 --> 00:18:44,160

interviewed for the whitley stribber

520

00:18:47,830 --> 00:18:46,480

series on discovery plus

521

00:18:50,470 --> 00:18:47,840

called the visitors

522

00:18:52,870 --> 00:18:50,480

um little plug it's really good it's

523

00:18:56,390 --> 00:18:52,880

actually really scary but it's it's done

524

00:18:58,150 --> 00:18:56,400

really well um it's called the visitors

525

00:19:00,710 --> 00:18:58,160

there's this woman on there who was

526

00:19:02,710 --> 00:19:00,720

interviewed and her experience was she

527

00:19:05,190 --> 00:19:02,720

was she was already pregnant

528

00:19:07,190 --> 00:19:05,200

uh she was laying in bed and

529

00:19:09,270 --> 00:19:07,200

the couple grays came in and there was

530

00:19:10,710 --> 00:19:09,280

like a big tall

531

00:19:12,310 --> 00:19:10,720

gray i don't know if it's a tall white

532

00:19:13,909 --> 00:19:12,320

but tall gray

533

00:19:15,830 --> 00:19:13,919

um and

534

00:19:18,950 --> 00:19:15,840

they because i'm not sure what sex it is

535

00:19:21,510 --> 00:19:18,960

came over and put their hand on her

536

00:19:23,110 --> 00:19:21,520

belly and she of course freaked out

537

00:19:25,029 --> 00:19:23,120

because she's like six seven months

538

00:19:26,630 --> 00:19:25,039

pregnant right right

539

00:19:28,230 --> 00:19:26,640

and um

540

00:19:30,470 --> 00:19:28,240

they said that there was

541

00:19:32,230 --> 00:19:30,480

something wrong with the child and she's

542

00:19:34,310 --> 00:19:32,240

like why are you doing this and they

543

00:19:36,390 --> 00:19:34,320

said why are you so scared and she said

544

00:19:38,710 --> 00:19:36,400

because you're ugly and then

545

00:19:39,909 --> 00:19:38,720

the bean said you're going to be us very

546

00:19:42,070 --> 00:19:39,919

soon

547

00:19:43,590 --> 00:19:42,080

yeah yeah i've heard other people say

548

00:19:45,350 --> 00:19:43,600

that they ask like who are you and

549

00:19:47,190 --> 00:19:45,360

they're like we are you

550

00:19:48,310 --> 00:19:47,200

you are us like we are the same kind of

551
00:19:50,950 --> 00:19:48,320
thing so

552
00:19:53,110 --> 00:19:50,960
right cool lots of commonality with that

553
00:19:55,510 --> 00:19:53,120
yeah yeah and before again that was a

554
00:19:57,270 --> 00:19:55,520
theory that i threw out

555
00:19:59,430 --> 00:19:57,280
um out the window because i didn't think

556
00:20:01,110 --> 00:19:59,440
ah that that's not logical but again the

557
00:20:03,110 --> 00:20:01,120
more we talk to people the more that

558
00:20:05,029 --> 00:20:03,120
keeps popping up and we imagine the

559
00:20:07,350 --> 00:20:05,039
scary scenario is that it's all of the

560
00:20:10,390 --> 00:20:07,360
above it's us from the future it's

561
00:20:12,470 --> 00:20:10,400
interdimensional entities it's extra

562
00:20:13,350 --> 00:20:12,480
extraterrestrial identities you know it

563
00:20:15,270 --> 00:20:13,360

could be

564

00:20:16,870 --> 00:20:15,280

a multitude of things that's why we're

565

00:20:20,549 --> 00:20:16,880

seeing different things in the sky

566

00:20:22,630 --> 00:20:20,559

that's why ufos are uaps now uh don't

567

00:20:25,110 --> 00:20:22,640

look the same you know they all have a

568

00:20:26,870 --> 00:20:25,120

different shape and the classic saucer

569

00:20:29,430 --> 00:20:26,880

shape we don't see that as much anymore

570

00:20:31,190 --> 00:20:29,440

we see the orbs you know popping up you

571

00:20:32,549 --> 00:20:31,200

know three at a time or whatever doing

572

00:20:33,350 --> 00:20:32,559

stuff in the sky

573

00:20:35,190 --> 00:20:33,360

so

574

00:20:37,830 --> 00:20:35,200

it's interesting i i think that we're

575

00:20:40,310 --> 00:20:37,840

dealing with a multitude of of species

576

00:20:42,149 --> 00:20:40,320

it's not just one and you've covered

577

00:20:44,070 --> 00:20:42,159

that many times on on your different

578

00:20:45,909 --> 00:20:44,080

programs that you know you're talking

579

00:20:48,470 --> 00:20:45,919

about the tall whites there's the tall

580

00:20:51,669 --> 00:20:48,480

grays the short grays the brown grays

581

00:20:52,870 --> 00:20:51,679

which is weird they called soundtracks

582

00:20:54,710 --> 00:20:52,880

reptilians

583

00:20:56,070 --> 00:20:54,720

exactly a mile long

584

00:20:59,669 --> 00:20:56,080

yes

585

00:21:01,350 --> 00:20:59,679

the nordic blondes yeah blue avians

586

00:21:03,190 --> 00:21:01,360

that's like the anunnaki the blue

587

00:21:04,470 --> 00:21:03,200

feather people yep the blue feather

588

00:21:05,909 --> 00:21:04,480

people

589

00:21:07,270 --> 00:21:05,919

yeah

590

00:21:08,710 --> 00:21:07,280

that'd be interesting you never hear an

591

00:21:10,470 --> 00:21:08,720

abduction about that right the blue

592

00:21:11,830 --> 00:21:10,480

feathered people they don't even you

593

00:21:13,830 --> 00:21:11,840

theologists who think you're nuts at

594

00:21:15,430 --> 00:21:13,840

that point like come on man tell

595

00:21:17,590 --> 00:21:15,440

everyone it was a gray don't be talking

596

00:21:19,909 --> 00:21:17,600

about bird people with blue feathers

597

00:21:22,470 --> 00:21:19,919

what the hell's the matter with you

598

00:21:24,390 --> 00:21:22,480

cat beans you know i've heard that not

599

00:21:26,470 --> 00:21:24,400

so much in abduction cases but people

600

00:21:27,669 --> 00:21:26,480

like come in contact with cat beans i

601
00:21:28,470 --> 00:21:27,679

guess

602
00:21:33,669 --> 00:21:28,480

but

603
00:21:35,750 --> 00:21:33,679

like a whole cast of characters that

604
00:21:37,110 --> 00:21:35,760

seem to be coming here a lot in the

605
00:21:41,029 --> 00:21:37,120

ladies and nordics everyone's like

606
00:21:45,270 --> 00:21:42,950

yeah you mentioned uh changing opinions

607
00:21:47,110 --> 00:21:45,280

and not only do we and everybody else

608
00:21:48,710 --> 00:21:47,120

have to kind of wrap our brains around

609
00:21:49,909 --> 00:21:48,720

this but it's interesting to hear people

610
00:21:51,669 --> 00:21:49,919

that have like

611
00:21:53,430 --> 00:21:51,679

many decade-long careers like george

612
00:21:55,510 --> 00:21:53,440

knapp for example we had him on a couple

613
00:21:56,950 --> 00:21:55,520

months ago and we love george knapp so

614

00:21:58,710 --> 00:21:56,960

we're like talking about bob lazar and

615

00:22:00,950 --> 00:21:58,720

all this and he was talking about his

616

00:22:03,190 --> 00:22:00,960

book skinwalkers at the pentagon and i

617

00:22:05,669 --> 00:22:03,200

said you know explain that like what is

618

00:22:07,029 --> 00:22:05,679

the connection here and he basically

619

00:22:09,270 --> 00:22:07,039

like went into it and said look i've

620

00:22:10,149 --> 00:22:09,280

been a nuts and bolts ufo guy for 30

621

00:22:12,789 --> 00:22:10,159

years

622

00:22:15,909 --> 00:22:12,799

and now it's everything it's cryptids

623

00:22:17,669 --> 00:22:15,919

and bigfoot and portals and you know

624

00:22:20,470 --> 00:22:17,679

blue orbs and all this [h__\h] and people

625

00:22:22,789 --> 00:22:20,480

are taking home uh random illnesses when

626
00:22:24,710 --> 00:22:22,799
they have contact with these things and

627
00:22:27,350 --> 00:22:24,720
you know obscure autoimmune diseases

628
00:22:28,789 --> 00:22:27,360
like hashimoto's and his wife has had

629
00:22:30,549 --> 00:22:28,799
really weird stuff that he didn't even

630
00:22:32,789 --> 00:22:30,559
want to talk about and we're just like

631
00:22:35,110 --> 00:22:32,799
holy cow like george knapp has changed

632
00:22:37,110 --> 00:22:35,120
his opinion on what this actually is

633
00:22:39,909 --> 00:22:37,120
it's he went down the rabbit hole and

634
00:22:41,430 --> 00:22:39,919
it's crazier than he even thought and i

635
00:22:42,870 --> 00:22:41,440
think more and more that's coming out

636
00:22:45,029 --> 00:22:42,880
now as you mentioned the government's

637
00:22:46,950 --> 00:22:45,039
starting to really look at this and

638
00:22:49,029 --> 00:22:46,960

maybe this is just the natural course of

639

00:22:51,190 --> 00:22:49,039

how it was going to go anyway maybe it's

640

00:22:53,110 --> 00:22:51,200

spurred on from the tic tac video and

641

00:22:55,350 --> 00:22:53,120

movements like guys like tom delong and

642

00:22:56,870 --> 00:22:55,360

all the rest maybe it's been from good

643

00:22:59,350 --> 00:22:56,880

tv programming that you've been

644

00:23:01,430 --> 00:22:59,360

producing for a decade right but either

645

00:23:02,789 --> 00:23:01,440

way i think it's positive and i think

646

00:23:05,350 --> 00:23:02,799

it's good to have

647

00:23:07,350 --> 00:23:05,360

uh not a fixed opinion and in fact we

648

00:23:09,750 --> 00:23:07,360

have jock valley coming on for our 100th

649

00:23:11,510 --> 00:23:09,760

episode and the biggest thing i took

650

00:23:14,390 --> 00:23:11,520

away from that interview with him was he

651
00:23:16,549 --> 00:23:14,400
said we have to suspend judgment

652
00:23:19,190 --> 00:23:16,559
and like he's a guy that should be fixed

653
00:23:21,590 --> 00:23:19,200
in his ways and no you guys are crazy

654
00:23:23,510 --> 00:23:21,600
it's always been this way and he's just

655
00:23:25,029 --> 00:23:23,520
like suspend judgment just when you

656
00:23:27,669 --> 00:23:25,039
think you've got this it's like a

657
00:23:29,590 --> 00:23:27,679
handful or a fistful of sand you have it

658
00:23:32,230 --> 00:23:29,600
one second and then it's gone a second

659
00:23:34,710 --> 00:23:32,240
later so suspend judgment because it

660
00:23:37,909 --> 00:23:34,720
really is stranger than you can think at

661
00:23:39,350 --> 00:23:37,919
some point yeah and i think the more we

662
00:23:42,070 --> 00:23:39,360
can talk about it it's not so strange

663
00:23:44,470 --> 00:23:42,080

anymore yeah that's true um

664

00:23:47,590 --> 00:23:44,480

i mean the the idea of humans flying in

665

00:23:49,909 --> 00:23:47,600

the air was so strange until

666

00:23:51,669 --> 00:23:49,919

somebody figured that out now so we did

667

00:23:54,870 --> 00:23:51,679

it

668

00:23:57,110 --> 00:23:54,880

yeah so i think that um

669

00:23:59,350 --> 00:23:57,120

we create our reality and and there's

670

00:24:01,110 --> 00:23:59,360

definitely something pushing through

671

00:24:02,830 --> 00:24:01,120

really pushing our consciousness to

672

00:24:06,310 --> 00:24:02,840

understand that i mean

673

00:24:08,070 --> 00:24:06,320

it's i i think it's been so intense the

674

00:24:11,430 --> 00:24:08,080

last couple years not just because i'm

675

00:24:14,310 --> 00:24:11,440

in it but because there's just so many

676
00:24:15,590 --> 00:24:14,320
different outlets publishing things and

677
00:24:18,390 --> 00:24:15,600
it seems okay

678
00:24:20,390 --> 00:24:18,400
i mean just a couple years ago if

679
00:24:22,549 --> 00:24:20,400
you talked about aliens on a tv show

680
00:24:23,990 --> 00:24:22,559
they'd be like i mean like a little

681
00:24:27,029 --> 00:24:24,000
green man you know there's like that

682
00:24:29,029 --> 00:24:27,039
like jokey jokiness about it yeah stigma

683
00:24:30,710 --> 00:24:29,039
but now that's a conversation you can

684
00:24:32,630 --> 00:24:30,720
have with a bunch of housewives and

685
00:24:35,750 --> 00:24:32,640
they're like i've heard of that

686
00:24:38,230 --> 00:24:35,760
yeah i believe but you know

687
00:24:40,870 --> 00:24:38,240
it's more mainstream it's more it's

688
00:24:42,870 --> 00:24:40,880

happening around us yeah

689

00:24:45,269 --> 00:24:42,880

so

690

00:24:48,070 --> 00:24:45,279

there

691

00:24:50,070 --> 00:24:48,080

i was going to ask you on the the basis

692

00:24:51,510 --> 00:24:50,080

of consciousness so you do you think

693

00:24:54,310 --> 00:24:51,520

that there's

694

00:24:56,390 --> 00:24:54,320

validity to like the ce5 like the

695

00:24:58,070 --> 00:24:56,400

contacts that people are making

696

00:25:00,230 --> 00:24:58,080

or stating that they're making i've

697

00:25:02,870 --> 00:25:00,240

never participated in it myself but you

698

00:25:04,230 --> 00:25:02,880

think there's a validity there

699

00:25:06,870 --> 00:25:04,240

yes 100

700

00:25:08,549 --> 00:25:06,880

um again yeah i think so too

701

00:25:10,950 --> 00:25:08,559

i don't know but it is is definitely

702

00:25:13,029 --> 00:25:10,960

happening and and i and um there's two

703

00:25:15,830 --> 00:25:13,039

things i want to say about this

704

00:25:18,470 --> 00:25:15,840

people humans

705

00:25:20,470 --> 00:25:18,480

i mean all we know is that the sumerians

706

00:25:22,390 --> 00:25:20,480

were around 6 000 years ago and created

707

00:25:23,990 --> 00:25:22,400

a civilization but let's just say for

708

00:25:25,990 --> 00:25:24,000

hundreds of thousands of years humans or

709

00:25:28,870 --> 00:25:26,000

whatever it was of humans

710

00:25:30,870 --> 00:25:28,880

have been in contact with something in

711

00:25:32,870 --> 00:25:30,880

another dimension that has been

712

00:25:35,110 --> 00:25:32,880

happening and there's cave paintings

713

00:25:36,789 --> 00:25:35,120

about it there's whole religions written

714

00:25:38,950 --> 00:25:36,799

about written about it

715

00:25:39,990 --> 00:25:38,960

this is something that how they are

716

00:25:41,510 --> 00:25:40,000

doing it

717

00:25:42,390 --> 00:25:41,520

they're maybe not doing a ce5 but

718

00:25:43,830 --> 00:25:42,400

they're doing some other kind of

719

00:25:47,350 --> 00:25:43,840

meditation and they're connecting with

720

00:25:50,310 --> 00:25:47,360

something and they are

721

00:25:51,669 --> 00:25:50,320

simulating uh actions within that you

722

00:25:54,310 --> 00:25:51,679

know this is something that ancient

723

00:25:56,230 --> 00:25:54,320

egyptians talk about um

724

00:25:58,549 --> 00:25:56,240

in several texts in several different

725

00:26:00,549 --> 00:25:58,559

temples about how they're working with

726

00:26:02,070 --> 00:26:00,559

something on the other side

727

00:26:03,750 --> 00:26:02,080

now ce5

728

00:26:05,990 --> 00:26:03,760

their whole goal is to bring something

729

00:26:08,630 --> 00:26:06,000

into existence and then communicate with

730

00:26:11,110 --> 00:26:08,640

it and have this experience with them

731

00:26:12,310 --> 00:26:11,120

that is that isn't any different

732

00:26:14,470 --> 00:26:12,320

than all the other stuff i just

733

00:26:16,710 --> 00:26:14,480

explained that has been going on since

734

00:26:18,950 --> 00:26:16,720

the beginning of time so

735

00:26:20,549 --> 00:26:18,960

the question is what are we

736

00:26:22,390 --> 00:26:20,559

communicating with and i don't think

737

00:26:24,710 --> 00:26:22,400

it's the same being or the same group or

738

00:26:25,830 --> 00:26:24,720

the same intention or the same agenda

739

00:26:28,070 --> 00:26:25,840

and um

740

00:26:29,830 --> 00:26:28,080

my second point to that is i think this

741

00:26:31,510 --> 00:26:29,840

is where the human potential really

742

00:26:34,149 --> 00:26:31,520

needs to step up

743

00:26:36,630 --> 00:26:34,159

what are your intentions trying to

744

00:26:38,390 --> 00:26:36,640

reach into the field and bring something

745

00:26:40,870 --> 00:26:38,400

into existence

746

00:26:42,549 --> 00:26:40,880

because uh it could be good or bad

747

00:26:44,789 --> 00:26:42,559

and this is where that alien talk gets

748

00:26:46,789 --> 00:26:44,799

into they're here to conquer us verses

749

00:26:48,230 --> 00:26:46,799

are here to help us i mean

750

00:26:50,230 --> 00:26:48,240

there's humans that i think would help

751
00:26:53,110 --> 00:26:50,240
me versus humans that would hurt me

752
00:26:55,510 --> 00:26:53,120
right same thing so i think that

753
00:26:56,950 --> 00:26:55,520
the ce5s are real

754
00:26:59,669 --> 00:26:56,960
and that's been going on for a long time

755
00:27:01,110 --> 00:26:59,679
and two if if that's true

756
00:27:03,269 --> 00:27:01,120
which i think it is

757
00:27:05,110 --> 00:27:03,279
then um you need to be careful of what

758
00:27:06,390 --> 00:27:05,120
you're bringing into the field

759
00:27:08,310 --> 00:27:06,400
it's like if you mess around with

760
00:27:09,750 --> 00:27:08,320
poltergeists or things like that if you

761
00:27:11,510 --> 00:27:09,760
don't have the right

762
00:27:13,750 --> 00:27:11,520
you know state of mind or your heart's

763
00:27:15,430 --> 00:27:13,760

not in the right place you're asking for

764

00:27:17,269 --> 00:27:15,440

trouble that's when you start having

765

00:27:19,190 --> 00:27:17,279

really weird things and dangerous things

766

00:27:21,669 --> 00:27:19,200

going on if you're approaching it as you

767

00:27:23,350 --> 00:27:21,679

know i want to help you i want to learn

768

00:27:25,029 --> 00:27:23,360

do you have anything you want to tell us

769

00:27:27,350 --> 00:27:25,039

like you go with an open heart and

770

00:27:29,110 --> 00:27:27,360

usually you have a a good experience

771

00:27:30,549 --> 00:27:29,120

right i don't do that myself i never

772

00:27:33,510 --> 00:27:30,559

play with a ouija board or anything like

773

00:27:35,830 --> 00:27:33,520

that i don't like to invite things into

774

00:27:37,990 --> 00:27:35,840

my life but i also believe

775

00:27:39,750 --> 00:27:38,000

if you're if your energy is bright those

776

00:27:41,350 --> 00:27:39,760

things can't hurt you you're you know

777

00:27:43,990 --> 00:27:41,360

nobody ever got stabbed with their own

778

00:27:46,149 --> 00:27:44,000

car keys from a poltergeist right but i

779

00:27:48,149 --> 00:27:46,159

do think maybe there can be

780

00:27:49,110 --> 00:27:48,159

demonic things and weird [h__h] that goes

781

00:27:50,630 --> 00:27:49,120

on and

782

00:27:53,029 --> 00:27:50,640

i don't know what i don't know and i

783

00:27:54,710 --> 00:27:53,039

reserve comment but uh i think if you go

784

00:27:56,789 --> 00:27:54,720

at it with the right heart with anything

785

00:27:58,630 --> 00:27:56,799

even like with our show we put in a lot

786

00:28:00,470 --> 00:27:58,640

of work uh we have a lot of people that

787

00:28:01,830 --> 00:28:00,480

we could have on that we're like

788

00:28:04,230 --> 00:28:01,840

we don't think it's best for the

789

00:28:07,029 --> 00:28:04,240

movement we want science-minded people

790

00:28:09,830 --> 00:28:07,039

open-minded people and it's uh you know

791

00:28:11,669 --> 00:28:09,840

nobody knows nobody's an expert and

792

00:28:13,590 --> 00:28:11,679

there's so much infighting now like on

793

00:28:15,110 --> 00:28:13,600

twitter and everything else

794

00:28:17,430 --> 00:28:15,120

it's you know it's not helping the

795

00:28:19,830 --> 00:28:17,440

movement like let's just stop with that

796

00:28:21,830 --> 00:28:19,840

and let's let's get smarter let's not

797

00:28:23,269 --> 00:28:21,840

just dabble in the dumb stuff you know

798

00:28:25,669 --> 00:28:23,279

right there can't be

799

00:28:27,750 --> 00:28:25,679

one person who knows everything about

800

00:28:29,269 --> 00:28:27,760

what's happening exactly

801

00:28:31,110 --> 00:28:29,279

yeah i mean if we really believe that

802

00:28:33,430 --> 00:28:31,120

then we're back to like

803

00:28:34,230 --> 00:28:33,440

i don't know thirteen hundreds yeah yeah

804

00:28:35,430 --> 00:28:34,240

maybe

805

00:28:37,269 --> 00:28:35,440

years ago this whole thing started in

806

00:28:39,909 --> 00:28:37,279

the first place you know like just about

807

00:28:42,310 --> 00:28:39,919

one person that knows everything

808

00:28:45,750 --> 00:28:42,320

but there there is a few in uh

809

00:28:47,830 --> 00:28:45,760

especially the the field of ufology that

810

00:28:50,549 --> 00:28:47,840

one charge a lot of money

811

00:28:53,029 --> 00:28:50,559

for experiences and they claim to have

812

00:28:54,950 --> 00:28:53,039

all the answers and that's where i get

813

00:28:57,350 --> 00:28:54,960

mad because for me that's a charlatan

814

00:28:59,190 --> 00:28:57,360

right that's somebody selling snake oil

815

00:28:59,350 --> 00:28:59,200

and saying you can have this experience

816

00:29:00,710 --> 00:28:59,360

for

817

00:29:03,190 --> 00:29:00,720

[Music]

818

00:29:05,669 --> 00:29:03,200

two thousand dollars and that's where i

819

00:29:08,070 --> 00:29:05,679

have an issue with it is you know i'm

820

00:29:09,990 --> 00:29:08,080

okay and open to all ideas and concepts

821

00:29:11,590 --> 00:29:10,000

but once i hear somebody makes

822

00:29:13,350 --> 00:29:11,600

tons of money doing something like that

823

00:29:15,029 --> 00:29:13,360

i'm kind of like ah

824

00:29:17,510 --> 00:29:15,039

now i'm not too sure about you know if i

825

00:29:20,149 --> 00:29:17,520

believe that because there's that

826

00:29:22,470 --> 00:29:20,159

money exchange in there right

827

00:29:24,070 --> 00:29:22,480

um but no you mentioned when louie said

828

00:29:27,430 --> 00:29:24,080

nobody ever got uh

829

00:29:29,350 --> 00:29:27,440

stabbed by keys you were like oh

830

00:29:30,549 --> 00:29:29,360

you objected a little bit yeah do you

831

00:29:32,070 --> 00:29:30,559

have a story

832

00:29:33,510 --> 00:29:32,080

story i don't have the story but there's

833

00:29:34,870 --> 00:29:33,520

got to be one story that happened you

834

00:29:36,389 --> 00:29:34,880

know like somebody's going to like write

835

00:29:37,269 --> 00:29:36,399

into you guys like wait that happened to

836

00:29:40,950 --> 00:29:37,279

me

837

00:29:43,750 --> 00:29:42,470

i think they want to get your attention

838

00:29:45,510 --> 00:29:43,760

that's what i meant i use that's the

839

00:29:47,350 --> 00:29:45,520

stabbing of the keys an example but i

840

00:29:48,870 --> 00:29:47,360

think when they throw something across

841

00:29:50,950 --> 00:29:48,880

the room or your cupboards open or

842

00:29:53,190 --> 00:29:50,960

whatever it's something and i've had a

843

00:29:55,909 --> 00:29:53,200

poltergeist experience and in my case it

844

00:29:58,230 --> 00:29:55,919

was chairs being rearranged in a

845

00:30:00,710 --> 00:29:58,240

business that i owned i'm the sole key

846

00:30:03,750 --> 00:30:00,720

holder and things are moved around and

847

00:30:06,389 --> 00:30:03,760

uh so i believe that's real but it never

848

00:30:07,430 --> 00:30:06,399

hurt me it wasn't overtly aggressive

849

00:30:08,950 --> 00:30:07,440

it's just

850

00:30:10,630 --> 00:30:08,960

i consulted with other people who know

851
00:30:11,669 --> 00:30:10,640
about these things and they're like

852
00:30:13,750 --> 00:30:11,679
something's just trying to get your

853
00:30:15,269 --> 00:30:13,760
attention and now that i look back i

854
00:30:16,630 --> 00:30:15,279
kind of think i know what it was about

855
00:30:18,870 --> 00:30:16,640
it was telling me that it was time to

856
00:30:21,990 --> 00:30:18,880
move on there was things happening

857
00:30:23,990 --> 00:30:22,000
energies that were not for me and you

858
00:30:25,909 --> 00:30:24,000
know a big page was gonna be flipped and

859
00:30:27,990 --> 00:30:25,919
that's exactly what happened so i think

860
00:30:30,149 --> 00:30:28,000
it was more of or maybe my energy was

861
00:30:31,669 --> 00:30:30,159
heightened and i was just attracting

862
00:30:32,710 --> 00:30:31,679
that kind of stuff to myself because

863
00:30:34,710 --> 00:30:32,720

maybe

864

00:30:36,630 --> 00:30:34,720

they saw that vulnerability and i

865

00:30:38,710 --> 00:30:36,640

created that vacuum and that's what came

866

00:30:40,470 --> 00:30:38,720

in so i really don't know but i know

867

00:30:41,830 --> 00:30:40,480

that things can do that for sure so i

868

00:30:43,669 --> 00:30:41,840

believe in poltergeist i just don't

869

00:30:45,110 --> 00:30:43,679

think they can really hurt you if

870

00:30:46,870 --> 00:30:45,120

you know if you have an open mind and

871

00:30:49,110 --> 00:30:46,880

you communicate with them you know i

872

00:30:51,990 --> 00:30:49,120

think we still ran superior

873

00:30:54,710 --> 00:30:52,000

or the most important thing uh

874

00:30:55,669 --> 00:30:54,720

uh is to have no fear so and that's

875

00:30:59,590 --> 00:30:55,679

really

876

00:31:01,029 --> 00:30:59,600

experiences too i feel that i've talked

877

00:31:03,190 --> 00:31:01,039

to a lot of people that have um

878

00:31:04,789 --> 00:31:03,200

abduction experiences and

879

00:31:06,070 --> 00:31:04,799

they want them to stop like they've been

880

00:31:07,110 --> 00:31:06,080

going on since they were a kid and

881

00:31:09,750 --> 00:31:07,120

they're still having them and they're

882

00:31:13,269 --> 00:31:09,760

still coming and and they they use

883

00:31:15,029 --> 00:31:13,279

techniques to say i will you to stop

884

00:31:16,830 --> 00:31:15,039

i have no fear you cannot come here

885

00:31:19,669 --> 00:31:16,840

anymore so

886

00:31:21,990 --> 00:31:19,679

um i think that the best

887

00:31:23,669 --> 00:31:22,000

explanation of that is in the well

888

00:31:25,110 --> 00:31:23,679

that's not new anymore but when they

889

00:31:28,230 --> 00:31:25,120

redid it

890

00:31:29,750 --> 00:31:28,240

and remember the clown yeah chasing them

891

00:31:32,789 --> 00:31:29,760

and they started making fun of the clown

892

00:31:35,350 --> 00:31:32,799

the clown started shrinking right yeah i

893

00:31:37,350 --> 00:31:35,360

love that movie it's not scary unless

894

00:31:39,110 --> 00:31:37,360

you make it scary yeah

895

00:31:41,350 --> 00:31:39,120

so that's where you where those kids

896

00:31:42,870 --> 00:31:41,360

figured out how much power they had

897

00:31:44,310 --> 00:31:42,880

over this thing that they were so afraid

898

00:31:46,310 --> 00:31:44,320

of

899

00:31:48,149 --> 00:31:46,320

do you find that to have a few favorite

900

00:31:49,350 --> 00:31:48,159

cases of all the cases that you had in

901
00:31:51,509 --> 00:31:49,360
the abduction

902
00:31:54,710 --> 00:31:51,519
uh phenomenon is there like a few that

903
00:31:58,549 --> 00:31:54,720
stand out for you that you you like

904
00:32:03,909 --> 00:32:01,830
well um the reason i was invited to

905
00:32:07,269 --> 00:32:03,919
kind of narrate the story of whitley

906
00:32:10,470 --> 00:32:07,279
strieber was i think that this is a very

907
00:32:11,509 --> 00:32:10,480
important abduction experience

908
00:32:13,909 --> 00:32:11,519
um

909
00:32:15,590 --> 00:32:13,919
this is a time in history in the 80s

910
00:32:17,669 --> 00:32:15,600
where there's not people talking about

911
00:32:18,549 --> 00:32:17,679
aliens yeah i mean

912
00:32:23,750 --> 00:32:18,559
there's

913
00:32:26,389 --> 00:32:23,760

in hollywood a few alien movies right

914

00:32:30,230 --> 00:32:26,399

um this is before spielberg

915

00:32:32,230 --> 00:32:30,240

this is um this is uh this is a man

916

00:32:33,750 --> 00:32:32,240

who's already

917

00:32:34,549 --> 00:32:33,760

wealthy he's

918

00:32:37,509 --> 00:32:34,559

a

919

00:32:38,950 --> 00:32:37,519

screenwriter he's uh you know successful

920

00:32:40,870 --> 00:32:38,960

yeah he's successful there's no need for

921

00:32:43,430 --> 00:32:40,880

him to come up with a story i always

922

00:32:45,430 --> 00:32:43,440

look at that too right um

923

00:32:48,630 --> 00:32:45,440

so he has this experience

924

00:32:49,909 --> 00:32:48,640

it's so powerful that he then writes the

925

00:32:50,630 --> 00:32:49,919

book communion

926
00:32:53,350 --> 00:32:50,640
and

927
00:32:56,389 --> 00:32:53,360
if he had to publish that face

928
00:32:58,149 --> 00:32:56,399
of great alien this is the first time

929
00:33:00,470 --> 00:32:58,159
the people all over the world are seeing

930
00:33:01,750 --> 00:33:00,480
a published face of what a great alien

931
00:33:03,509 --> 00:33:01,760
looks like

932
00:33:05,269 --> 00:33:03,519
and what happened was

933
00:33:07,029 --> 00:33:05,279
thousands of people all over the world

934
00:33:08,870 --> 00:33:07,039
were like i see the space it comes to me

935
00:33:11,590 --> 00:33:08,880
at night too

936
00:33:14,470 --> 00:33:11,600
so is that just because whitley created

937
00:33:15,830 --> 00:33:14,480
this phenomenon in the field or

938
00:33:17,509 --> 00:33:15,840

had it been happening and no one had a

939

00:33:19,669 --> 00:33:17,519

platform to talk about it so it's a

940

00:33:21,990 --> 00:33:19,679

famous case for me because it's a lot

941

00:33:24,710 --> 00:33:22,000

like other cases right it happens

942

00:33:27,350 --> 00:33:24,720

doesn't know why it's happening it's um

943

00:33:29,669 --> 00:33:27,360

frightening it's not like it's pleasant

944

00:33:32,149 --> 00:33:29,679

um he communicates with the thing

945

00:33:33,990 --> 00:33:32,159

eventually he realizes they tell him

946

00:33:35,750 --> 00:33:34,000

this is for the betterment of humanity

947

00:33:37,029 --> 00:33:35,760

and we want you to tell the story

948

00:33:38,470 --> 00:33:37,039

um

949

00:33:40,310 --> 00:33:38,480

i don't know how i feel about that but

950

00:33:42,470 --> 00:33:40,320

again right so now he's has

951
00:33:44,470 --> 00:33:42,480
communication with these things right

952
00:33:46,149 --> 00:33:44,480
and he still does

953
00:33:47,430 --> 00:33:46,159
to a point

954
00:33:49,350 --> 00:33:47,440
and the reason why i think this is one

955
00:33:51,590 --> 00:33:49,360
of my favorites is because it's not that

956
00:33:54,789 --> 00:33:51,600
it's different than anybody else's but

957
00:33:56,950 --> 00:33:54,799
it started the trend so to me i think

958
00:33:57,990 --> 00:33:56,960
did they purposely pick him

959
00:33:59,509 --> 00:33:58,000
to

960
00:34:01,029 --> 00:33:59,519
make themselves known within our

961
00:34:01,830 --> 00:34:01,039
consciousness

962
00:34:03,909 --> 00:34:01,840
right

963
00:34:05,269 --> 00:34:03,919

and then to work with like bud hopkins

964

00:34:07,190 --> 00:34:05,279

and john mack

965

00:34:09,190 --> 00:34:07,200

you know coming out like these these

966

00:34:10,230 --> 00:34:09,200

guys had no reason to come out and talk

967

00:34:12,069 --> 00:34:10,240

about

968

00:34:14,230 --> 00:34:12,079

you know aliens abducting people because

969

00:34:15,349 --> 00:34:14,240

they had successful careers i mean

970

00:34:17,669 --> 00:34:15,359

harvard

971

00:34:19,349 --> 00:34:17,679

for crying out loud right but yeah yeah

972

00:34:20,710 --> 00:34:19,359

they put their reputation on the line

973

00:34:23,030 --> 00:34:20,720

because they absolutely believe that

974

00:34:24,629 --> 00:34:23,040

this you know and it's either that it's

975

00:34:28,310 --> 00:34:24,639

really happening

976
00:34:30,790 --> 00:34:28,320
or it's a major mental illness that is

977
00:34:32,869 --> 00:34:30,800
known throughout the world now

978
00:34:34,550 --> 00:34:32,879
that is undiagnosed that we've never

979
00:34:35,990 --> 00:34:34,560
looked at before so it's either one of

980
00:34:38,710 --> 00:34:36,000
those two things

981
00:34:41,750 --> 00:34:38,720
so for me i think it's it's the first

982
00:34:44,389 --> 00:34:41,760
because we've talked to jim semivan who

983
00:34:46,629 --> 00:34:44,399
while working for the cia

984
00:34:47,589 --> 00:34:46,639
had an experience with gray's in his

985
00:34:49,669 --> 00:34:47,599
room

986
00:34:50,550 --> 00:34:49,679
that's crazy the people in the cia and

987
00:34:52,069 --> 00:34:50,560
the

988
00:34:54,470 --> 00:34:52,079

defense department are having

989

00:34:56,389 --> 00:34:54,480

experiences the same as we are

990

00:34:57,829 --> 00:34:56,399

so we here we are thinking like you know

991

00:34:59,750 --> 00:34:57,839

it's just happening to the public no

992

00:35:03,589 --> 00:34:59,760

it's happening to them as well they're

993

00:35:06,150 --> 00:35:03,599

humankind yeah yeah yeah to everybody

994

00:35:09,589 --> 00:35:06,160

so this is why it's becoming more and

995

00:35:10,870 --> 00:35:09,599

not having guys and and women coming on

996

00:35:13,109 --> 00:35:10,880

and saying you know i've had these

997

00:35:14,470 --> 00:35:13,119

experiences uh this is actually really

998

00:35:16,790 --> 00:35:14,480

happening

999

00:35:20,310 --> 00:35:16,800

i'm starting to believe absolutely 100

1000

00:35:23,109 --> 00:35:20,320

that these abduction cases are legit

1001

00:35:25,270 --> 00:35:23,119

yeah i i do too i mean i've i've

1002

00:35:27,030 --> 00:35:25,280

um i i'm just i'm not going to say their

1003

00:35:30,870 --> 00:35:27,040

names right now um

1004

00:35:33,829 --> 00:35:30,880

one of them is on ufo witness uh

1005

00:35:35,109 --> 00:35:33,839

she's on the colorado episode

1006

00:35:37,990 --> 00:35:35,119

she um

1007

00:35:41,430 --> 00:35:38,000

she's similar to a lot of bud hopkins

1008

00:35:42,829 --> 00:35:41,440

work with um several women where they're

1009

00:35:45,510 --> 00:35:42,839

repeatedly

1010

00:35:47,750 --> 00:35:45,520

taken and

1011

00:35:50,950 --> 00:35:47,760

eggs are harvested and then later on in

1012

00:35:52,790 --> 00:35:50,960

life they are still taken to then hold

1013

00:35:53,589 --> 00:35:52,800

the human babies

1014

00:35:55,990 --> 00:35:53,599

up in

1015

00:35:58,310 --> 00:35:56,000

the spacecraft because they need human

1016

00:36:00,790 --> 00:35:58,320

touch they can't actually even if they

1017

00:36:03,910 --> 00:36:00,800

create them in a tube right they can't

1018

00:36:05,030 --> 00:36:03,920

survive without human touch

1019

00:36:07,349 --> 00:36:05,040

and

1020

00:36:08,470 --> 00:36:07,359

um besides that that's fascinating you

1021

00:36:09,750 --> 00:36:08,480

know is that does that play into the

1022

00:36:11,109 --> 00:36:09,760

whole thing like they're trying to save

1023

00:36:12,230 --> 00:36:11,119

our human race and all that kind of

1024

00:36:13,430 --> 00:36:12,240

stuff that we talked about earlier in

1025

00:36:14,710 --> 00:36:13,440

this podcast

1026

00:36:18,310 --> 00:36:14,720

but

1027

00:36:19,829 --> 00:36:18,320

is that evidence of this thing that we

1028

00:36:21,109 --> 00:36:19,839

have not figured out about what is so

1029

00:36:22,390 --> 00:36:21,119

powerful about us

1030

00:36:24,550 --> 00:36:22,400

right

1031

00:36:26,870 --> 00:36:24,560

and i'm not saying touch

1032

00:36:30,390 --> 00:36:26,880

by itself but is there something that

1033

00:36:32,150 --> 00:36:30,400

humans radiate off of themselves like as

1034

00:36:33,589 --> 00:36:32,160

there's some kind of power yes people

1035

00:36:35,430 --> 00:36:33,599

talk about frequency and energy and all

1036

00:36:38,630 --> 00:36:35,440

that stuff but there's got to be

1037

00:36:41,750 --> 00:36:38,640

something unique about the human

1038

00:36:44,950 --> 00:36:41,760

existence for that to be special that

1039

00:36:47,430 --> 00:36:44,960

that other beans would be coming here

1040

00:36:49,990 --> 00:36:47,440

to investigate us or want to talk to us

1041

00:36:52,230 --> 00:36:50,000

or use this as food right all those

1042

00:36:54,870 --> 00:36:52,240

explanations right we're just the best

1043

00:36:58,790 --> 00:36:54,880

huggers they just date a hug that's why

1044

00:37:04,870 --> 00:37:00,230

they're so comfortable

1045

00:37:06,310 --> 00:37:04,880

[Laughter]

1046

00:37:07,829 --> 00:37:06,320

i wanted to ask you about some of your

1047

00:37:09,829 --> 00:37:07,839

current projects like you mentioned ufo

1048

00:37:11,829 --> 00:37:09,839

witness great show you've been on i've

1049

00:37:13,430 --> 00:37:11,839

seen a few episodes with you on it and

1050

00:37:14,790 --> 00:37:13,440

like what tell us about it and what else

1051

00:37:15,990 --> 00:37:14,800

are you working on

1052

00:37:18,310 --> 00:37:16,000

um

1053

00:37:21,030 --> 00:37:18,320

ufo witness i did a bunch of shock docs

1054

00:37:23,270 --> 00:37:21,040

for discovery plus uh

1055

00:37:25,349 --> 00:37:23,280

you know alien end game

1056

00:37:27,670 --> 00:37:25,359

i just talked about the whitley thing

1057

00:37:28,710 --> 00:37:27,680

um and then yeah ufo witness season two

1058

00:37:31,589 --> 00:37:28,720

with ben

1059

00:37:33,589 --> 00:37:31,599

hansen um we did we did that whole thing

1060

00:37:38,310 --> 00:37:33,599

and then um i'm actually coming out with

1061

00:37:39,589 --> 00:37:38,320

a documentary quite soon about atlantis

1062

00:37:42,230 --> 00:37:39,599

nice um

1063

00:37:44,630 --> 00:37:42,240

it's not necessarily about aliens but

1064

00:37:47,510 --> 00:37:44,640

there is

1065

00:37:50,470 --> 00:37:47,520

a code that i have found that i think

1066

00:37:51,910 --> 00:37:50,480

atlantis is a metaphor for it's i mean i

1067

00:37:54,069 --> 00:37:51,920

think it actually existed but i think

1068

00:37:57,270 --> 00:37:54,079

that the the way we understand it from

1069

00:37:58,230 --> 00:37:57,280

what plato talks about is a an actual

1070

00:37:59,990 --> 00:37:58,240

code

1071

00:38:02,390 --> 00:38:00,000

to kind of the opening of this field

1072

00:38:04,550 --> 00:38:02,400

where we can make contact

1073

00:38:06,550 --> 00:38:04,560

oh more complicated more metaphorical

1074

00:38:08,550 --> 00:38:06,560

base then atlantis is a metaphor for

1075

00:38:10,790 --> 00:38:08,560

communication metaphor like okay it's

1076

00:38:12,550 --> 00:38:10,800

this concentric circle city it's in the

1077

00:38:14,310 --> 00:38:12,560

middle of the ocean and it's

1078

00:38:17,270 --> 00:38:14,320

measurements of this

1079

00:38:19,109 --> 00:38:17,280

um blah blah blah but i think and the

1080

00:38:21,109 --> 00:38:19,119

people i've been interviewing it's

1081

00:38:22,710 --> 00:38:21,119

pretty fascinating it's like i've gotten

1082

00:38:25,030 --> 00:38:22,720

myself into a deeper

1083

00:38:26,550 --> 00:38:25,040

rabbit hole but um it's pretty cool so

1084

00:38:27,910 --> 00:38:26,560

that's coming out of the beginning of

1085

00:38:30,230 --> 00:38:27,920

2023

1086

00:38:33,270 --> 00:38:30,240

um i have a film called black knight

1087

00:38:34,950 --> 00:38:33,280

satellite where i cover that um

1088

00:38:38,069 --> 00:38:34,960

the the case of black knight satellite

1089

00:38:38,550 --> 00:38:38,079

which is in 1952-53

1090

00:38:39,910 --> 00:38:38,560

um

1091

00:38:40,950 --> 00:38:39,920

[Music]

1092

00:38:42,790 --> 00:38:40,960

and

1093

00:38:43,990 --> 00:38:42,800

that one

1094

00:38:45,430 --> 00:38:44,000

what's really interesting about that

1095

00:38:47,430 --> 00:38:45,440

that's already out that's on forbidden

1096

00:38:48,870 --> 00:38:47,440

knowledge tv

1097

00:38:50,630 --> 00:38:48,880

and we'll be selling that to major

1098

00:38:52,310 --> 00:38:50,640

platforms soon

1099

00:38:53,990 --> 00:38:52,320

that was that's really disgusting that

1100

00:38:56,310 --> 00:38:54,000

there's a signal that's been trying to

1101
00:38:57,750 --> 00:38:56,320
reach us so we talk about the fact that

1102
00:38:59,109 --> 00:38:57,760
it could be this black knight satellite

1103
00:39:01,829 --> 00:38:59,119
since it keeps showing up and people

1104
00:39:03,750 --> 00:39:01,839
keep seeing it and it keeps

1105
00:39:05,589 --> 00:39:03,760
you know we have more technology now to

1106
00:39:06,710 --> 00:39:05,599
detect things like this and

1107
00:39:08,710 --> 00:39:06,720
um

1108
00:39:11,990 --> 00:39:08,720
but it talks about that people have been

1109
00:39:13,349 --> 00:39:12,000
receiving signals and messages from this

1110
00:39:14,630 --> 00:39:13,359
thing

1111
00:39:16,550 --> 00:39:14,640
and so

1112
00:39:18,310 --> 00:39:16,560
is it an ancestral thing

1113
00:39:19,910 --> 00:39:18,320

or is it just

1114

00:39:22,550 --> 00:39:19,920

something from

1115

00:39:33,670 --> 00:39:26,069

species that's monitoring us right

1116

00:39:38,310 --> 00:39:35,750

flew weird like that's not you know if

1117

00:39:40,470 --> 00:39:38,320

it was a a rock or anything in space it

1118

00:39:42,230 --> 00:39:40,480

would have a trajectory that is pretty

1119

00:39:45,109 --> 00:39:42,240

much predictable this one just veered

1120

00:39:46,069 --> 00:39:45,119

right off yeah and uh you know you got

1121

00:39:48,069 --> 00:39:46,079

the

1122

00:39:50,550 --> 00:39:48,079

avilope now researching that he's

1123

00:39:52,069 --> 00:39:50,560

looking in the ocean as well

1124

00:39:54,069 --> 00:39:52,079

that's his new thing so i was kind of

1125

00:39:56,630 --> 00:39:54,079

thinking maybe the whole atlantis thing

1126
00:39:59,910 --> 00:39:56,640
and what he's looking for might be you

1127
00:40:01,589 --> 00:39:59,920
know correlating somehow but

1128
00:40:03,829 --> 00:40:01,599
i'm i used to be on the fence about

1129
00:40:05,670 --> 00:40:03,839
atlantis and again more i talked to

1130
00:40:07,589 --> 00:40:05,680
people the more i realized that maybe

1131
00:40:10,390 --> 00:40:07,599
there's something there

1132
00:40:12,710 --> 00:40:10,400
yeah i think everything's a metaphor

1133
00:40:15,430 --> 00:40:12,720
you know

1134
00:40:16,790 --> 00:40:15,440
again my expertise is like meditation

1135
00:40:19,030 --> 00:40:16,800
aliens

1136
00:40:20,230 --> 00:40:19,040
ancient stuff quantum physics right we

1137
00:40:21,750 --> 00:40:20,240
talk about all this stuff and then

1138
00:40:23,589 --> 00:40:21,760

somehow they get put all in the same

1139

00:40:26,550 --> 00:40:23,599

category which is kind of strange but in

1140

00:40:29,190 --> 00:40:26,560

a way it's this unknown place right yeah

1141

00:40:31,349 --> 00:40:29,200

but with atlantis and some of these

1142

00:40:32,870 --> 00:40:31,359

ancient cultures and even like ready

1143

00:40:35,589 --> 00:40:32,880

ancient aliens

1144

00:40:37,510 --> 00:40:35,599

i think everything is just a code if you

1145

00:40:39,829 --> 00:40:37,520

can crack it

1146

00:40:41,510 --> 00:40:39,839

i think that they couldn't

1147

00:40:44,470 --> 00:40:41,520

really say what they had to say they had

1148

00:40:46,790 --> 00:40:44,480

to leave it behind in a code because at

1149

00:40:49,430 --> 00:40:46,800

a certain time we will figure out what

1150

00:40:51,349 --> 00:40:49,440

it is that we are supposed to know

1151
00:40:53,030 --> 00:40:51,359
can't be revealed when they wrote some

1152
00:40:55,270 --> 00:40:53,040
of those texts only a couple people in

1153
00:40:57,510 --> 00:40:55,280
the world understood it

1154
00:40:59,349 --> 00:40:57,520
yeah right and even during the abduction

1155
00:41:00,710 --> 00:40:59,359
cases a lot of people say there's always

1156
00:41:03,190 --> 00:41:00,720
some sort of

1157
00:41:04,630 --> 00:41:03,200
message that's given about humanity

1158
00:41:05,589 --> 00:41:04,640
right like you guys

1159
00:41:07,510 --> 00:41:05,599
there's something wrong with your

1160
00:41:10,309 --> 00:41:07,520
species or you guys are killing the

1161
00:41:12,470 --> 00:41:10,319
planet or so there's always a message

1162
00:41:14,790 --> 00:41:12,480
that they give to people which i i find

1163
00:41:16,870 --> 00:41:14,800

that to be hopeful because that i don't

1164

00:41:18,309 --> 00:41:16,880

believe in the threat narrative i know a

1165

00:41:19,670 --> 00:41:18,319

lot of people are pushing that threat

1166

00:41:20,790 --> 00:41:19,680

narrative saying like you know we don't

1167

00:41:22,950 --> 00:41:20,800

know what these things are they could be

1168

00:41:23,670 --> 00:41:22,960

a threat to the united states or canada

1169

00:41:26,150 --> 00:41:23,680

or

1170

00:41:27,589 --> 00:41:26,160

england australia

1171

00:41:29,270 --> 00:41:27,599

i don't believe that i believe that if

1172

00:41:31,109 --> 00:41:29,280

they're going to do some harm to us they

1173

00:41:32,550 --> 00:41:31,119

already would have done that

1174

00:41:34,710 --> 00:41:32,560

we're supposed to be slaves we'd be

1175

00:41:36,390 --> 00:41:34,720

slaves exactly and even the abduction

1176

00:41:37,829 --> 00:41:36,400

cases i was talking somebody was

1177

00:41:39,670 --> 00:41:37,839

mentioning about how people are being

1178

00:41:41,270 --> 00:41:39,680

tucked back into bed

1179

00:41:43,589 --> 00:41:41,280

you know like being brought back like

1180

00:41:45,990 --> 00:41:43,599

just yeah it's just and it's crazy

1181

00:41:48,870 --> 00:41:46,000

because you know i know the experiences

1182

00:41:50,230 --> 00:41:48,880

must be terrifying but when you look at

1183

00:41:52,230 --> 00:41:50,240

the overall

1184

00:41:55,750 --> 00:41:52,240

was there really damage done besides the

1185

00:41:57,510 --> 00:41:55,760

psychological aspect of it to the person

1186

00:41:59,190 --> 00:41:57,520

yes if it's the pregnancy like you

1187

00:42:00,790 --> 00:41:59,200

mentioned the hybrid

1188

00:42:02,950 --> 00:42:00,800

situation

1189

00:42:05,270 --> 00:42:02,960

but overall they don't seem to be

1190

00:42:06,390 --> 00:42:05,280

there's no malice there there's no evil

1191

00:42:08,630 --> 00:42:06,400

intent

1192

00:42:11,109 --> 00:42:08,640

as far as we can tell

1193

00:42:13,349 --> 00:42:11,119

yeah i mean i'm i'm in i'm going to play

1194

00:42:15,670 --> 00:42:13,359

neutral on that i mean there's a lot of

1195

00:42:18,150 --> 00:42:15,680

shows that i get invited to

1196

00:42:19,670 --> 00:42:18,160

be interviewed on that they do use the

1197

00:42:21,190 --> 00:42:19,680

they do talk about the threat narrative

1198

00:42:23,589 --> 00:42:21,200

but i think it's because people like

1199

00:42:25,990 --> 00:42:23,599

drama right right or a show about how

1200

00:42:27,109 --> 00:42:26,000

everybody's super nice it's like okay

1201

00:42:28,470 --> 00:42:27,119

well

1202

00:42:30,550 --> 00:42:28,480

it doesn't get the blood going when

1203

00:42:33,190 --> 00:42:30,560

you're watching entertainment but i

1204

00:42:34,870 --> 00:42:33,200

think that just with anything nothing is

1205

00:42:36,470 --> 00:42:34,880

good and nothing is bad and i think you

1206

00:42:38,150 --> 00:42:36,480

have to really feel that out for

1207

00:42:39,510 --> 00:42:38,160

yourself i think that i've talked to a

1208

00:42:41,270 --> 00:42:39,520

lot of people that

1209

00:42:42,870 --> 00:42:41,280

have not um

1210

00:42:44,390 --> 00:42:42,880

turned that corner and said that was a

1211

00:42:46,790 --> 00:42:44,400

positive experience they still think

1212

00:42:48,230 --> 00:42:46,800

that that was pretty negative right

1213

00:42:49,510 --> 00:42:48,240

and i don't want to be taken against my

1214

00:42:51,430 --> 00:42:49,520

will

1215

00:42:52,870 --> 00:42:51,440

um and there's people that are like okay

1216

00:42:54,150 --> 00:42:52,880

i'm going to embrace this because i got

1217

00:42:55,510 --> 00:42:54,160

a message

1218

00:42:56,710 --> 00:42:55,520

and there's a reason

1219

00:42:58,309 --> 00:42:56,720

and

1220

00:43:00,870 --> 00:42:58,319

so i don't know i play kind of neutral

1221

00:43:02,309 --> 00:43:00,880

on that i i don't i think like we

1222

00:43:03,750 --> 00:43:02,319

discussed earlier in this documentary

1223

00:43:05,589 --> 00:43:03,760

like there's so many people picking

1224

00:43:06,870 --> 00:43:05,599

other people apart and finding all these

1225

00:43:08,470 --> 00:43:06,880

problems with everybody else that we're

1226

00:43:10,470 --> 00:43:08,480

not helping the field

1227

00:43:12,390 --> 00:43:10,480

so i feel that if i stay neutral in that

1228

00:43:14,630 --> 00:43:12,400

and and just uncover

1229

00:43:15,990 --> 00:43:14,640

more of these truths then then we're

1230

00:43:17,430 --> 00:43:16,000

actually get to the bottom of what's

1231

00:43:19,190 --> 00:43:17,440

happening why

1232

00:43:21,510 --> 00:43:19,200

yeah that's the right mindset to have

1233

00:43:23,430 --> 00:43:21,520

again if you go at it with this is right

1234

00:43:25,030 --> 00:43:23,440

this is wrong or you're only going to

1235

00:43:26,470 --> 00:43:25,040

research your bias you're only going to

1236

00:43:28,790 --> 00:43:26,480

look at stuff that you believe to be

1237

00:43:30,390 --> 00:43:28,800

true you could be missing most of it

1238

00:43:32,230 --> 00:43:30,400

because you're you've got blinders on

1239

00:43:34,470 --> 00:43:32,240

you're so focused on no no it's got to

1240

00:43:36,550 --> 00:43:34,480

be this well what if it isn't and your

1241

00:43:40,309 --> 00:43:36,560

entire career has been for nothing right

1242

00:43:41,910 --> 00:43:40,319

so if you want to find the answer don't

1243

00:43:44,470 --> 00:43:41,920

sort of look for what you think is the

1244

00:43:46,390 --> 00:43:44,480

answer listen to everything our show is

1245

00:43:47,910 --> 00:43:46,400

the same platform sometimes we have

1246

00:43:50,550 --> 00:43:47,920

people on here and they have certain

1247

00:43:52,230 --> 00:43:50,560

opinions we may not share but it's good

1248

00:43:54,390 --> 00:43:52,240

for the whole subject let's bring all

1249

00:43:56,309 --> 00:43:54,400

the information to the table let's not

1250

00:43:58,309 --> 00:43:56,319

look at half the data you know i think

1251
00:43:59,990 --> 00:43:58,319
jacques valet was mentioning that on the

1252
00:44:01,829 --> 00:44:00,000
nimitz when they came and took the

1253
00:44:03,829 --> 00:44:01,839
footage after the tick tock or the tic

1254
00:44:05,670 --> 00:44:03,839
tac video how do you really study

1255
00:44:07,190 --> 00:44:05,680
something with half the data there's not

1256
00:44:08,790 --> 00:44:07,200
a scientist in the world that would say

1257
00:44:11,270 --> 00:44:08,800
that's the right way to go about doing

1258
00:44:13,109 --> 00:44:11,280
it so bring it all to the table

1259
00:44:15,430 --> 00:44:13,119
we all have an equal seat because nobody

1260
00:44:18,150 --> 00:44:15,440
has proof nobody knows for sure and

1261
00:44:20,150 --> 00:44:18,160
nobody's a quote unquote expert so let's

1262
00:44:22,790 --> 00:44:20,160
have some humility and who knows maybe

1263
00:44:24,870 --> 00:44:22,800

the study of ufology makes us more

1264

00:44:26,710 --> 00:44:24,880

understanding and tolerant of each other

1265

00:44:29,510 --> 00:44:26,720

maybe that's just good for humanity in

1266

00:44:32,069 --> 00:44:29,520

general it's just this topic that lights

1267

00:44:33,910 --> 00:44:32,079

that fire this is the catalyst so

1268

00:44:35,990 --> 00:44:33,920

all positive things moving forward it

1269

00:44:37,829 --> 00:44:36,000

made me realize that people are idiots

1270

00:44:39,829 --> 00:44:37,839

usually you know as a whole like you

1271

00:44:41,510 --> 00:44:39,839

know as a species i think it's pretty

1272

00:44:43,670 --> 00:44:41,520

well a guarantee at this point yeah i

1273

00:44:45,430 --> 00:44:43,680

mean that's pretty much it my revelation

1274

00:44:48,710 --> 00:44:45,440

was about this whole thing

1275

00:44:51,349 --> 00:44:48,720

people are idiots yeah

1276

00:44:53,109 --> 00:44:51,359

like you in in a day you keep a pen and

1277

00:44:54,790 --> 00:44:53,119

paper handy and at the end of the day

1278

00:44:56,870 --> 00:44:54,800

you'll have at least 40 names on there

1279

00:44:57,750 --> 00:44:56,880

right like it's just crazy the world's

1280

00:45:01,349 --> 00:44:57,760

nuts

1281

00:45:03,030 --> 00:45:01,359

uh where can people find you online

1282

00:45:05,990 --> 00:45:03,040

sure um

1283

00:45:09,589 --> 00:45:06,000

i have um social media facebook

1284

00:45:12,630 --> 00:45:09,599

instagram uh just melissa.tittle

1285

00:45:14,230 --> 00:45:12,640

and then um you can look up my studio to

1286

00:45:16,829 --> 00:45:14,240

see when things are launching

1287

00:45:19,750 --> 00:45:16,839

hackerstudios.com

1288

00:45:21,349 --> 00:45:19,760

um and

1289

00:45:23,190 --> 00:45:21,359

i think that's it

1290

00:45:24,950 --> 00:45:23,200

yeah but you're pretty much everywhere

1291

00:45:26,069 --> 00:45:24,960

somebody can just google you and they'll

1292

00:45:27,750 --> 00:45:26,079

find you

1293

00:45:30,069 --> 00:45:27,760

yeah apparently if you google me i'm

1294

00:45:33,109 --> 00:45:30,079

worth like 20 million dollars oh really

1295

00:45:34,790 --> 00:45:33,119

wow yeah my um my stepson brought that

1296

00:45:37,030 --> 00:45:34,800

up to me he's like i heard you're worth

1297

00:45:38,790 --> 00:45:37,040

20 million dollars it's crazy the stuff

1298

00:45:40,470 --> 00:45:38,800

you find online once your name starts

1299

00:45:42,069 --> 00:45:40,480

getting out there right and you've your

1300

00:45:44,550 --> 00:45:42,079

name is out there so it's crazy the

1301

00:45:46,630 --> 00:45:44,560

stuff that you'll you'll find right uh

1302

00:45:47,990 --> 00:45:46,640

that's crazy louie do you have any final

1303

00:45:50,069 --> 00:45:48,000

questions for a guest today no i just

1304

00:45:52,069 --> 00:45:50,079

want to extend a really warm thanks

1305

00:45:55,589 --> 00:45:52,079

melissa for coming on our show you're a

1306

00:45:57,829 --> 00:45:55,599

powerhouse for women uh just in like tv

1307

00:45:59,589 --> 00:45:57,839

and filmmaking but as well as the field

1308

00:46:01,510 --> 00:45:59,599

of ufology and consciousness and

1309

00:46:02,710 --> 00:46:01,520

everything uh we're super happy to have

1310

00:46:05,030 --> 00:46:02,720

you on we'd love to have you back

1311

00:46:06,309 --> 00:46:05,040

anytime if you have any cool new

1312

00:46:08,470 --> 00:46:06,319

projects or anything in the future you

1313

00:46:09,990 --> 00:46:08,480

want to discuss any time you're among

1314

00:46:11,510 --> 00:46:10,000

family here we'd love to have you back

1315

00:46:14,470 --> 00:46:11,520

so thanks again for being on our show

1316

00:46:21,990 --> 00:46:14,480

and best of luck uh keep killing it
