bigfoots encrypted and outer body

6
00:00:16,490 --> 00:00:14,340
experiences and astral projection we

7
00:00:18,470 --> 00:00:16,500
went down the rabbit hole pretty good

8
00:00:21,170 --> 00:00:18,480
today uh with a man who's been doing

9
00:00:22,790 --> 00:00:21,180
this for 35 years and you'd be surprised

10
00:00:25,009 --> 00:00:22,800
at how legitimate some of these

11
00:00:27,470 --> 00:00:25,019
experiences are it's not as Fringe as

uh we like to pride ourselves on having

38
00:01:47,510 --> 00:01:45,060

big name people and reputable people and

39

00:01:49,190 --> 00:01:47,520

uh you are in fact one of the the bigger

40

00:01:51,350 --> 00:01:49,200

names as well in the field so we're

41

00:01:53,749 --> 00:01:51,360

really happy to have you to continue our

42

00:01:54,950 --> 00:01:53,759

sort of uh discovery of this topic and

43

00:01:56,929 --> 00:01:54,960

talk to other people who've been doing

44

00:01:59,270 --> 00:01:56,939

it for a while and have some really

45

00:02:00,710 --> 00:01:59,280

interesting perspectives so uh but for

46

00:02:02,030 --> 00:02:00,720

those of our viewers that may not know

47

00:02:04,249 --> 00:02:02,040

who you are maybe tell us a little bit

48

00:02:06,410 --> 00:02:04,259

about yourself and what got you into the

49

00:02:08,330 --> 00:02:06,420

whole world of ufology and where that's

50

00:02:11,089 --> 00:02:08,340

led to today

51
00:02:14,110 --> 00:02:11,099
yeah thanks um well I came to this field

52
00:02:16,850 --> 00:02:14,120
complete Skype dick I really hated UFOs

53
00:02:18,350 --> 00:02:16,860
uh I didn't like to talk about them I

54
00:02:21,290 --> 00:02:18,360
just didn't believe I thought people who

55
00:02:22,729 --> 00:02:21,300
saw UFOs were Liars or on drugs or

56
00:02:24,949 --> 00:02:22,739
misperceiving

57
00:02:27,589 --> 00:02:24,959
kind of bought into the old Air Force

58
00:02:29,930 --> 00:02:27,599
you know Project Blue Book explanations

59
00:02:34,369 --> 00:02:29,940
for this lies hoaxes hallucinations

60
00:02:37,010 --> 00:02:34,379
misperceptions swamp gas yeah exactly uh

61
00:02:40,010 --> 00:02:37,020
that all changed when I was pretty young

62
00:02:41,809 --> 00:02:40,020
man 21 years old it was 1986.

63
00:02:45,830 --> 00:02:41,819

I remember the exact date actually it's

64

00:02:48,250 --> 00:02:45,840

November 17. oh really yeah there was a

65

00:02:51,470 --> 00:02:48,260

news report about a sighting over Alaska

66

00:02:55,070 --> 00:02:51,480

you may have heard of the JLA Airline

67

00:02:57,350 --> 00:02:55,080

sighting yeah Captain kenju tarochi yep

68

00:03:00,130 --> 00:02:57,360

it's not like a massive round Mothership

69

00:03:02,509 --> 00:03:00,140

around this plane right right right

70

00:03:04,670 --> 00:03:02,519

exactly tracked his plane for like an

71

00:03:07,850 --> 00:03:04,680

hour he requested a course change it

72

00:03:08,690 --> 00:03:07,860

still followed him with on radar a big

73

00:03:10,309 --> 00:03:08,700

case

74

00:03:12,710 --> 00:03:10,319

of course none of that was in the news

75

00:03:15,770 --> 00:03:12,720

report it was very tongue-in-cheek very

76
00:03:16,910 --> 00:03:15,780
brief very jokey and kind of a

77
00:03:19,490 --> 00:03:16,920
just

78
00:03:21,470 --> 00:03:19,500
almost made fun of the subject yeah

79
00:03:23,390 --> 00:03:21,480
but it interested me because I

80
00:03:25,670 --> 00:03:23,400
remembered my brother Mark my older

81
00:03:28,670 --> 00:03:25,680
brother I have three older brothers

82
00:03:32,330 --> 00:03:28,680
an older sister and a younger sister and

83
00:03:35,210 --> 00:03:32,340
uh Mark is unique among them and he came

84
00:03:36,290 --> 00:03:35,220
into the house one day I saw UFO and we

85
00:03:37,670 --> 00:03:36,300
all kind of just looked at him and

86
00:03:41,470 --> 00:03:37,680
rolled her eyes and like you know go

87
00:03:44,449 --> 00:03:41,480
away shut up I did I should say

88
00:03:46,250 --> 00:03:44,459

uh found out later my sisters both

89

00:03:48,649 --> 00:03:46,260

believed in UFOs they've never seen him

90

00:03:51,589 --> 00:03:48,659

but my other brothers were skeptical but

91

00:03:53,869 --> 00:03:51,599

Mark said he'd seen one so I approached

92

00:03:56,630 --> 00:03:53,879

him after seeing this news report I'm

93

00:03:58,550 --> 00:03:56,640

like Mark tell me about that UFO you saw

94

00:04:00,229 --> 00:03:58,560

it's like I tried to tell you you didn't

95

00:04:02,930 --> 00:04:00,239

want to hear about it well tell me now

96

00:04:05,270 --> 00:04:02,940

yeah and uh he described a really

97

00:04:08,449 --> 00:04:05,280

incredible sighting do you have it

98

00:04:09,830 --> 00:04:08,459

basically long story short chased a UFO

99

00:04:13,250 --> 00:04:09,840

down the street

100

00:04:15,350 --> 00:04:13,260

Reseda Boulevard in Southern California

101
00:04:17,810 --> 00:04:15,360
wow and I'm like wow you're kidding it's

102
00:04:21,110 --> 00:04:17,820
like no no it was a metallic disc it was

103
00:04:26,210 --> 00:04:23,870
sighting lasts about 20 minutes

104
00:04:28,730 --> 00:04:26,220
he got very close to it with a couple

105
00:04:31,249 --> 00:04:28,740
hundred feet oh wow

106
00:04:34,490 --> 00:04:31,259
yeah and colored lights on it silent

107
00:04:36,110 --> 00:04:34,500
like Mark you know really like hey if

108
00:04:37,310 --> 00:04:36,120
you don't believe me talk to Phil talk

109
00:04:39,590 --> 00:04:37,320
to Greg

110
00:04:42,650 --> 00:04:39,600
which were his friends who who were with

111
00:04:44,810 --> 00:04:42,660
him like oh you have other Witnesses

112
00:04:47,570 --> 00:04:44,820
I kind of thought everyone who saw UFO I

113
00:04:49,129 --> 00:04:47,580

don't know why he was alone uh turned

114

00:04:51,469 --> 00:04:49,139

out not to be true

115

00:04:52,490 --> 00:04:51,479

um so I did call them they just said the

116

00:04:54,950 --> 00:04:52,500

same thing

117

00:04:57,050 --> 00:04:54,960

and so then I'm like huh

118

00:04:59,270 --> 00:04:57,060

this is weird I wonder if anyone else I

119

00:05:00,590 --> 00:04:59,280

know has seen the UFO so I asked

120

00:05:04,310 --> 00:05:00,600

everyone

121

00:05:07,490 --> 00:05:04,320

started asking other people

122

00:05:09,830 --> 00:05:07,500

found out my sister-in-law the wife of

123

00:05:12,409 --> 00:05:09,840

my other brother Stephen

124

00:05:14,570 --> 00:05:12,419

uh I asked her it's like oh yeah I saw

125

00:05:16,969 --> 00:05:14,580

uh unexplained lights over Van Nuys

126

00:05:18,770 --> 00:05:16,979

Airport's Reserve Base she described him

127

00:05:19,969 --> 00:05:18,780

there in a triangular formation hovering

128

00:05:22,129 --> 00:05:19,979

pretty close

129

00:05:24,170 --> 00:05:22,139

like really just well if you don't

130

00:05:25,670 --> 00:05:24,180

believe me ask adley that was her friend

131

00:05:27,710 --> 00:05:25,680

who I also you know

132

00:05:30,409 --> 00:05:27,720

so I called him up

133

00:05:33,230 --> 00:05:30,419

and he described the same thing in more

134

00:05:35,870 --> 00:05:33,240

detail actually wow that that got the

135

00:05:38,210 --> 00:05:35,880

ball rolling and boy what a shock to

136

00:05:41,150 --> 00:05:38,220

find out that I had a couple of friends

137

00:05:42,290 --> 00:05:41,160

who had very close upsightings one at

138

00:05:45,230 --> 00:05:42,300

missing time

139

00:05:48,050 --> 00:05:45,240

and stupid me I bring it up at work

140

00:05:50,210 --> 00:05:48,060

the lady I you know his desk was right

141

00:05:52,490 --> 00:05:50,220

next to mine I worked as a you know that

142

00:05:54,350 --> 00:05:52,500

time data entry and eventually

143

00:05:56,510 --> 00:05:54,360

bookkeeping but

144

00:05:58,850 --> 00:05:56,520

she's like oh yeah me and my whole

145

00:06:00,529 --> 00:05:58,860

family watched this thing for an hour

146

00:06:02,090 --> 00:06:00,539

like what do you mean she said it was a

147

00:06:04,010 --> 00:06:02,100

star-like object it would stop it would

148

00:06:05,390 --> 00:06:04,020

Dart it was moving all over the sky we

149

00:06:07,070 --> 00:06:05,400

all watched it

150

00:06:09,890 --> 00:06:07,080

I'm like let me talk to your daughter

151
00:06:11,110 --> 00:06:09,900
let me talk to her husband wouldn't talk

152
00:06:13,550 --> 00:06:11,120
to me

153
00:06:16,010 --> 00:06:13,560
he would just didn't want to talk oh

154
00:06:17,570 --> 00:06:16,020
yeah that's fine but the daughter did

155
00:06:20,689 --> 00:06:17,580
she's like well I also had figures

156
00:06:23,090 --> 00:06:20,699
entering into my bedroom like figures

157
00:06:26,330 --> 00:06:23,100
and by this point I picked up a few

158
00:06:28,490 --> 00:06:26,340
books and she described Gray's

159
00:06:29,930 --> 00:06:28,500
and actually

160
00:06:31,430 --> 00:06:29,940
talked about how she'd been taken on

161
00:06:32,930 --> 00:06:31,440
board of craft

162
00:06:34,550 --> 00:06:32,940
she didn't really realize that she just

163
00:06:35,870 --> 00:06:34,560

described you know a small rounded room

164

00:06:40,610 --> 00:06:35,880

and

165

00:06:42,469 --> 00:06:40,620

what did these guys look like she says

166

00:06:44,390 --> 00:06:42,479

honestly I can't really give you a great

167

00:06:46,550 --> 00:06:44,400

description because I didn't want to

168

00:06:49,249 --> 00:06:46,560

look at them but she said they had large

169

00:06:51,890 --> 00:06:49,259

heads dark eyes pale skin

170

00:06:54,469 --> 00:06:51,900

your typical Grays right

171

00:06:55,969 --> 00:06:54,479

found out my other sister-in-law or

172

00:06:58,670 --> 00:06:55,979

actually the same one who had a sighting

173

00:06:59,930 --> 00:06:58,680

had seen Grays as well she told me like

174

00:07:02,570 --> 00:06:59,940

a year later she's like well you might

175

00:07:04,490 --> 00:07:02,580

be interested no I saw this like why

176

00:07:06,350 --> 00:07:04,500

didn't you tell me

177

00:07:08,629 --> 00:07:06,360

yeah so that was kind of my introduction

178

00:07:10,249 --> 00:07:08,639

and that made me buy every darn look I

179

00:07:12,050 --> 00:07:10,259

could find I was going to disprove them

180

00:07:13,969 --> 00:07:12,060

I'm like it's swamp gas you guys you

181

00:07:16,850 --> 00:07:13,979

know it is

182

00:07:17,990 --> 00:07:16,860

of course it wasn't it was not swamp gas

183

00:07:19,850 --> 00:07:18,000

and

184

00:07:21,730 --> 00:07:19,860

found out a good quarter of the people I

185

00:07:24,409 --> 00:07:21,740

knew had had really dramatic encounters

186

00:07:26,689 --> 00:07:24,419

I joined mufon became a field

187

00:07:29,089 --> 00:07:26,699

investigator started going to all the

188

00:07:30,770 --> 00:07:29,099

groups and subscribed to every UFO

189

00:07:33,770 --> 00:07:30,780

Journal

190

00:07:36,230 --> 00:07:33,780

and I just I'm still trying to get over

191

00:07:38,870 --> 00:07:36,240

it honestly 35 years later I'm like what

192

00:07:41,150 --> 00:07:38,880

is going on yeah you know you could try

193

00:07:43,010 --> 00:07:41,160

somebody and send to jail if you have

194

00:07:46,550 --> 00:07:43,020

two witnesses right

195

00:07:48,950 --> 00:07:46,560

and the amount of witnesses and people

196

00:07:50,990 --> 00:07:48,960

experiences that are in the world should

197

00:07:52,909 --> 00:07:51,000

give the indication that this is a legit

198

00:07:54,890 --> 00:07:52,919

thing that's actually happening

199

00:07:56,870 --> 00:07:54,900

and the stigma like you explained

200

00:07:59,210 --> 00:07:56,880

especially in the 80s when you know you

201
00:08:01,969 --> 00:07:59,220
started all of this the stigma was

202
00:08:04,670 --> 00:08:01,979
really out there like you could not talk

203
00:08:06,290 --> 00:08:04,680
about UFOs people would laugh at you so

204
00:08:08,689 --> 00:08:06,300
it's amazing that you started your

205
00:08:11,809 --> 00:08:08,699
career in the midst of one of the most

206
00:08:16,129 --> 00:08:11,819
difficult times to talk about UFOs

207
00:08:18,770 --> 00:08:16,139
yeah I got a lot of eye rolling Snickers

208
00:08:21,050 --> 00:08:18,780
you know some people were very skeptical

209
00:08:23,390 --> 00:08:21,060
and I eventually did start going on the

210
00:08:26,710 --> 00:08:23,400
radio and stuff they'd bring on

211
00:08:30,230 --> 00:08:26,720
debunkers and on TV occasionally right

212
00:08:32,630 --> 00:08:30,240
uh and it was definitely different than

213
00:08:34,969 --> 00:08:32,640

it is today and would you say that you

214

00:08:37,550 --> 00:08:34,979

were more of a somebody who wanted to

215

00:08:40,010 --> 00:08:37,560

debunk this and you became

216

00:08:42,290 --> 00:08:40,020

somebody who now investigates it and

217

00:08:45,110 --> 00:08:42,300

believes in what's happening or are you

218

00:08:48,829 --> 00:08:45,120

still uh like on the more investigative

219

00:08:52,730 --> 00:08:50,870

um skeptical I would say I won't I

220

00:08:55,009 --> 00:08:52,740

wouldn't say I was debunking but finding

221

00:08:57,590 --> 00:08:55,019

out that this stuff was real

222

00:08:59,750 --> 00:08:57,600

just almost collapsed my belief system

223

00:09:01,370 --> 00:08:59,760

in a way right because I was so sure

224

00:09:04,070 --> 00:09:01,380

they weren't and I was very

225

00:09:06,290 --> 00:09:04,080

scientifically minded I you know I know

226
00:09:07,009 --> 00:09:06,300
from astronomy how far away the stars

227
00:09:09,290 --> 00:09:07,019
are

228
00:09:11,269 --> 00:09:09,300
but you know there's just no way and if

229
00:09:13,190 --> 00:09:11,279
ETS were real they wouldn't look like us

230
00:09:15,769 --> 00:09:13,200
they'd have tentacles and Claws they'd

231
00:09:18,889 --> 00:09:15,779
look like the blob or something these

232
00:09:21,410 --> 00:09:18,899
were all just false assumptions uh and I

233
00:09:22,790 --> 00:09:21,420
really had to just step back and be very

234
00:09:25,670 --> 00:09:22,800
objective

235
00:09:28,670 --> 00:09:25,680
and uh let the facts speak for

236
00:09:31,370 --> 00:09:28,680
themselves so I became

237
00:09:33,230 --> 00:09:31,380
much more interested in really getting

238
00:09:35,269 --> 00:09:33,240

at the truth and not and throwing away

239

00:09:38,509 --> 00:09:35,279

my prior beliefs and

240

00:09:40,370 --> 00:09:38,519

because uh this wasn't taught in schools

241

00:09:42,290 --> 00:09:40,380

and people you know there was a cover-up

242

00:09:44,210 --> 00:09:42,300

I couldn't believe that my tax dollars

243

00:09:46,930 --> 00:09:44,220

were being used to cover up information

244

00:09:50,210 --> 00:09:46,940

and that's demonstrable that wasn't

245

00:09:53,030 --> 00:09:50,220

speculation this is easily provable

246

00:09:54,050 --> 00:09:53,040

right in a weird way it did make me more

247

00:09:58,190 --> 00:09:54,060

skeptical

248

00:10:00,230 --> 00:09:58,200

of things and I really question people

249

00:10:02,570 --> 00:10:00,240

deeply when they're a report an

250

00:10:04,550 --> 00:10:02,580

encounter there's all kinds of ways of

251

00:10:07,009 --> 00:10:04,560

course you can vet a witness

252

00:10:08,449 --> 00:10:07,019

but you know their emotional reaction

253

00:10:10,610 --> 00:10:08,459

and

254

00:10:13,009 --> 00:10:10,620

other little details that certainly

255

00:10:15,170 --> 00:10:13,019

weren't well known back then about what

256

00:10:19,790 --> 00:10:15,180

ETS look like and how they act and the

257

00:10:23,090 --> 00:10:19,800

interior of a UFO and so forth right but

258

00:10:25,009 --> 00:10:23,100

uh yeah I I became obsessed absolutely

259

00:10:26,810 --> 00:10:25,019

100 obsessed

260

00:10:30,110 --> 00:10:26,820

you should see the number of books I

261

00:10:32,509 --> 00:10:30,120

have on this subject I've filled up a

262

00:10:35,150 --> 00:10:32,519

room with them were you uh from the

263

00:10:36,590 --> 00:10:35,160

onset a believer in the abduction

264

00:10:38,269 --> 00:10:36,600

phenomenon or did you think that that

265

00:10:40,790 --> 00:10:38,279

was some sort of psychological thing

266

00:10:43,130 --> 00:10:40,800

that the people talking to you about it

267

00:10:45,650 --> 00:10:43,140

were experiencing

268

00:10:47,030 --> 00:10:45,660

um I wanted to believe that but it was

269

00:10:49,970 --> 00:10:47,040

pretty clear from the beginning that

270

00:10:51,650 --> 00:10:49,980

that wasn't the case right because I

271

00:10:53,990 --> 00:10:51,660

mean even back then there was stories

272

00:10:55,490 --> 00:10:54,000

about implants and uh

273

00:10:57,829 --> 00:10:55,500

some of the people I interviewed were

274

00:10:59,150 --> 00:10:57,839

missing you know their family was

275

00:11:00,949 --> 00:10:59,160

searching for them when they were having

276

00:11:02,090 --> 00:11:00,959

their encounter they weren't in their

277

00:11:04,310 --> 00:11:02,100

rooms

278

00:11:06,110 --> 00:11:04,320

uh so it was clear to me this wasn't

279

00:11:06,829 --> 00:11:06,120

psychological pretty much from the

280

00:11:09,889 --> 00:11:06,839

beginning

281

00:11:11,750 --> 00:11:09,899

and there's lots of cases involving I

282

00:11:14,930 --> 00:11:11,760

guess we determine physiological

283

00:11:17,569 --> 00:11:14,940

evidence medical evidence one of the

284

00:11:19,670 --> 00:11:17,579

first ladies I interviewed was a very

285

00:11:22,850 --> 00:11:19,680

extensive contactee

286

00:11:25,490 --> 00:11:22,860

and she had been healed of assist

287

00:11:27,170 --> 00:11:25,500

and I'm like wow really she said yeah

288

00:11:29,210 --> 00:11:27,180

she had a

289

00:11:31,430 --> 00:11:29,220

she was diagnosed with a cyst nerve

290

00:11:35,050 --> 00:11:31,440

Fallopian tubes causing all kinds of

291

00:11:38,569 --> 00:11:35,060

pain and bleeding and real problems

292

00:11:41,269 --> 00:11:38,579

she had the MRIs which showed up that it

293

00:11:42,949 --> 00:11:41,279

was there and was going to have it

294

00:11:45,829 --> 00:11:42,959

removed and the day before surgery

295

00:11:48,170 --> 00:11:45,839

literally that night she was visited

296

00:11:50,870 --> 00:11:48,180

and she didn't really remember what

297

00:11:54,350 --> 00:11:50,880

happened but she suspected that you know

298

00:11:56,269 --> 00:11:54,360

it had to do with this cyst and I went

299

00:11:58,250 --> 00:11:56,279

to the doctor the next day and they took

300

00:12:00,290 --> 00:11:58,260

the pre-op Imaging

301

00:12:03,350 --> 00:12:00,300

and couldn't find her cyst

302

00:12:06,350 --> 00:12:03,360

and they said listen you've had surgery

303

00:12:08,509 --> 00:12:06,360

which hospital did you go to she's like

304

00:12:10,670 --> 00:12:08,519

what are you talking about knowing you

305

00:12:13,370 --> 00:12:10,680

know and she they said well your

306

00:12:14,990 --> 00:12:13,380

sister's gone it's not there and we know

307

00:12:16,730 --> 00:12:15,000

you had surgery because there's fluid

308

00:12:18,290 --> 00:12:16,740

here that's present only after someone

309

00:12:20,410 --> 00:12:18,300

has surgery

310

00:12:23,030 --> 00:12:20,420

and she denied it and said well you know

311

00:12:25,250 --> 00:12:23,040

what are these little laser marks on

312

00:12:27,410 --> 00:12:25,260

your abdomen

313

00:12:30,769 --> 00:12:27,420

or what looked like that

314

00:12:32,449 --> 00:12:30,779

and uh she's just like I don't know she

315

00:12:36,350 --> 00:12:32,459

played dumb

316

00:12:38,150 --> 00:12:36,360

uh so uh that was one of the first cases

317

00:12:40,970 --> 00:12:38,160

I researched she ended up actually

318

00:12:45,110 --> 00:12:40,980

showing me a UFO she called it Bound for

319

00:12:47,509 --> 00:12:45,120

me oh wow yeah it was crazy I was

320

00:12:50,690 --> 00:12:47,519

actually transcribing her interview

321

00:12:53,269 --> 00:12:50,700

and she described how Grace came around

322

00:12:54,470 --> 00:12:53,279

her bed and woke her up scared The

323

00:12:56,629 --> 00:12:54,480

Living Daylights out of her and she

324

00:12:57,850 --> 00:12:56,639

jumps out of bed and kicks one in the

325

00:12:59,990 --> 00:12:57,860

neck

326

00:13:00,650 --> 00:13:00,000

I don't know I think I may have killed

327

00:13:04,910 --> 00:13:00,660

it

328

00:13:06,410 --> 00:13:04,920

no no I don't know you know but I can

329

00:13:07,250 --> 00:13:06,420

tell you it scared the living Delights

330

00:13:09,710 --> 00:13:07,260

out of me

331

00:13:11,930 --> 00:13:09,720

and I'd heard a few cases like that you

332

00:13:15,250 --> 00:13:11,940

know like Travis Walton he reached out

333

00:13:17,930 --> 00:13:15,260

and punched one of these guys yeah

334

00:13:20,509 --> 00:13:17,940

all right right so when she said that

335

00:13:22,550 --> 00:13:20,519

I'm like huh and I I did a whole

336

00:13:26,810 --> 00:13:22,560

interview with her and I recorded it and

337

00:13:29,990 --> 00:13:26,820

this was in 1994 about maybe 93.

338

00:13:31,250 --> 00:13:30,000

I was in my condo in Canoga Park third

339

00:13:33,650 --> 00:13:31,260

story right

340

00:13:35,750 --> 00:13:33,660

I'm transcribing the interview because I

341

00:13:36,710 --> 00:13:35,760

record all the interview interviews I do

342

00:13:38,990 --> 00:13:36,720

with people

343

00:13:41,269 --> 00:13:39,000

and uh I got to that part where she's

344

00:13:42,949 --> 00:13:41,279

describing this incident I remember I'm

345

00:13:46,190 --> 00:13:42,959

leaning back to my children is this lady

346

00:13:47,990 --> 00:13:46,200

for real I know she believes it and

347

00:13:49,430 --> 00:13:48,000

she's obviously sincere she was very

348

00:13:50,269 --> 00:13:49,440

emotional when she described all this

349

00:13:51,829 --> 00:13:50,279

stuff

350

00:13:54,170 --> 00:13:51,839

I'm leaning back in my chair thinking

351
00:13:56,930 --> 00:13:54,180
Hmm I'm not sure if I can wrap my head

352
00:13:59,629 --> 00:13:56,940
around this when I got an overpowering

353
00:14:00,590 --> 00:13:59,639
Impulse to run under the roof of the

354
00:14:02,750 --> 00:14:00,600
condo

355
00:14:05,870 --> 00:14:02,760
and before I even knew it I was doing

356
00:14:07,910 --> 00:14:05,880
that I grabbed my glasses which I use

357
00:14:10,430 --> 00:14:07,920
for driving pretty much exclusively I'm

358
00:14:12,350 --> 00:14:10,440
slightly near nearsighted

359
00:14:14,629 --> 00:14:12,360
and I grounded the roof of the condo

360
00:14:18,170 --> 00:14:14,639
you're not allowed up there by the way

361
00:14:20,509 --> 00:14:18,180
but uh I went up there anyway and I

362
00:14:22,430 --> 00:14:20,519
thought what am I doing you know why am

363
00:14:24,949 --> 00:14:22,440

I up here and I wasn't up there more

364

00:14:26,030 --> 00:14:24,959

than 30 seconds probably closer to 10

365

00:14:29,329 --> 00:14:26,040

seconds

366

00:14:30,769 --> 00:14:29,339

when a UFO appeared honest to God right

367

00:14:33,650 --> 00:14:30,779

across the street

368

00:14:36,590 --> 00:14:33,660

this is a densely populated area but my

369

00:14:38,210 --> 00:14:36,600

condo overlooked the LA River there

370

00:14:40,550 --> 00:14:38,220

and right across the street was some

371

00:14:43,189 --> 00:14:40,560

apartment buildings and palm trees and

372

00:14:45,230 --> 00:14:43,199

there was this huge orange yellow light

373

00:14:47,750 --> 00:14:45,240

kind of oval

374

00:14:49,490 --> 00:14:47,760

and I can't tell you precisely how big

375

00:14:51,769 --> 00:14:49,500

it was but it was big you know 10 feet

376

00:14:53,990 --> 00:14:51,779

across maybe a little more

377

00:14:56,350 --> 00:14:54,000

right above the palm trees

378

00:14:59,449 --> 00:14:56,360

and it blasted me with this message

379

00:15:01,189 --> 00:14:59,459

that's a you know it's us we're Wendy's

380

00:15:03,650 --> 00:15:01,199

et's that's not her real name she

381

00:15:06,050 --> 00:15:03,660

doesn't want but that was and it wasn't

382

00:15:07,850 --> 00:15:06,060

word so much but the message was clear

383

00:15:11,030 --> 00:15:07,860

it's like the task look you don't

384

00:15:13,550 --> 00:15:11,040

believe watch this right and this darn

385

00:15:14,990 --> 00:15:13,560

thing starts darting back and forth

386

00:15:16,910 --> 00:15:15,000

fast

387

00:15:18,650 --> 00:15:16,920

and it's totally silent it's close

388

00:15:20,269 --> 00:15:18,660

enough where there's just no chance of

389

00:15:23,990 --> 00:15:20,279

misperception

390

00:15:26,030 --> 00:15:24,000

and uh it went for about 30 seconds 20

391

00:15:28,250 --> 00:15:26,040

getting lower and lower until it was

392

00:15:30,410 --> 00:15:28,260

actually behind the palm trees so I knew

393

00:15:34,970 --> 00:15:30,420

this thing was maybe 50 feet up in the

394

00:15:37,970 --> 00:15:34,980

air tops right and disappeared

395

00:15:39,590 --> 00:15:37,980

and I'm like oh my God and I called her

396

00:15:41,210 --> 00:15:39,600

the next day because it was quite late

397

00:15:43,970 --> 00:15:41,220

I'm like you're not gonna believe it

398

00:15:45,410 --> 00:15:43,980

your ETS showed up and told me gave me

399

00:15:47,150 --> 00:15:45,420

this message

400

00:15:48,310 --> 00:15:47,160

which was so weird for me because I'd

401
00:15:50,629 --> 00:15:48,320
heard people talk about you know

402
00:15:52,790 --> 00:15:50,639
telepathic messages

403
00:15:54,170 --> 00:15:52,800
you know I'd never experienced anything

404
00:15:57,170 --> 00:15:54,180
like that

405
00:15:58,790 --> 00:15:57,180
and uh it was very clear

406
00:16:00,050 --> 00:15:58,800
sometimes I'm like oh my God this

407
00:16:01,910 --> 00:16:00,060
happened she's like I told you I was

408
00:16:04,550 --> 00:16:01,920
telling the truth I'm like yeah I know I

409
00:16:06,530 --> 00:16:04,560
mean I just I'm sorry not that I didn't

410
00:16:08,509 --> 00:16:06,540
believe you it's just a lot

411
00:16:10,009 --> 00:16:08,519
so it's kind of scary because I mean

412
00:16:11,930 --> 00:16:10,019
they're obviously paying attention to

413
00:16:14,509 --> 00:16:11,940

who she's talking to if they're trying

414

00:16:16,370 --> 00:16:14,519

to convince you or or convinced you that

415

00:16:18,290 --> 00:16:16,380

hey it's actually us so that means that

416

00:16:20,650 --> 00:16:18,300

they're watching that they're paying

417

00:16:23,750 --> 00:16:20,660

attention right that's kind of freaky

418

00:16:25,610 --> 00:16:23,760

freaks me out I can tell it yeah I told

419

00:16:27,470 --> 00:16:25,620

and I told her I'm like you know I'd

420

00:16:28,850 --> 00:16:27,480

really like to have another she's like

421

00:16:30,410 --> 00:16:28,860

well I'm going to telepath contact with

422

00:16:32,509 --> 00:16:30,420

them all the time I'm like well can you

423

00:16:35,990 --> 00:16:32,519

call them down and she's like well maybe

424

00:16:37,610 --> 00:16:36,000

I'm like let I want to see them and she

425

00:16:38,990 --> 00:16:37,620

says well you just saw them I'm like but

426

00:16:41,210 --> 00:16:39,000

I wasn't ready you know I didn't have a

427

00:16:42,889 --> 00:16:41,220

camera I wasn't expecting it

428

00:16:45,530 --> 00:16:42,899

he's like well I'll see what I can do

429

00:16:47,090 --> 00:16:45,540

and she calls me up a few days later

430

00:16:48,230 --> 00:16:47,100

she's like okay they've agreed to come

431

00:16:50,090 --> 00:16:48,240

down for you

432

00:16:52,129 --> 00:16:50,100

I really because I've done this with

433

00:16:54,050 --> 00:16:52,139

other Witnesses and I'd interviewed a

434

00:16:56,749 --> 00:16:54,060

lot of people by this point

435

00:16:58,310 --> 00:16:56,759

and uh and they said oh yeah I can bring

436

00:17:00,710 --> 00:16:58,320

one and they don't you know it doesn't

437

00:17:02,389 --> 00:17:00,720

come you're out there for an hour or two

438

00:17:06,470 --> 00:17:02,399

and nothing happens

439

00:17:08,809 --> 00:17:06,480

so I'm like okay let's do this and she's

440

00:17:10,970 --> 00:17:08,819

like okay and we went off I took my

441

00:17:12,350 --> 00:17:10,980

sister-in-law who does a lot of the art

442

00:17:16,189 --> 00:17:12,360

for my books

443

00:17:17,270 --> 00:17:16,199

and my nephew her son and Wendy all four

444

00:17:20,510 --> 00:17:17,280

of us

445

00:17:23,090 --> 00:17:20,520

went off the 210 Freeway in Pasadena

446

00:17:24,530 --> 00:17:23,100

uh late one night it was just a week or

447

00:17:26,390 --> 00:17:24,540

two later

448

00:17:28,130 --> 00:17:26,400

and we climb up this little we parked on

449

00:17:30,049 --> 00:17:28,140

the freeway I'm like oh we're really not

450

00:17:32,030 --> 00:17:30,059

supposed to do this she's like well this

451
00:17:34,370 --> 00:17:32,040
is where they said they would come

452
00:17:36,770 --> 00:17:34,380
I went to this hill with a dirt fire

453
00:17:38,570 --> 00:17:36,780
brick going up to the top

454
00:17:41,810 --> 00:17:38,580
and we climbed up to the top me and

455
00:17:44,930 --> 00:17:41,820
Wendy got ahead of Christy and James

456
00:17:48,409 --> 00:17:44,940
um you know my sister-in-law and nephew

457
00:17:50,390 --> 00:17:48,419
uh we had just reached the top and Wendy

458
00:17:54,049 --> 00:17:50,400
grabs my shoulders she's screaming like

459
00:17:55,190 --> 00:17:54,059
oh look and Spins me around and there's

460
00:17:56,990 --> 00:17:55,200
right

461
00:17:59,870 --> 00:17:57,000
50 feet away

462
00:18:02,990 --> 00:17:59,880
is this huge object well

463
00:18:05,750 --> 00:18:03,000

a spear a glowing sphere

464

00:18:09,230 --> 00:18:05,760

that was covered with scintillating

465

00:18:10,130 --> 00:18:09,240

Golden Lights was really pretty and this

466

00:18:13,190 --> 00:18:10,140

thing was

467

00:18:14,870 --> 00:18:13,200

about as big as a house a small house a

468

00:18:17,570 --> 00:18:14,880

large room

469

00:18:20,570 --> 00:18:17,580

hovering maybe 20 feet off the ground 50

470

00:18:23,029 --> 00:18:20,580

feet away totally silent

471

00:18:25,070 --> 00:18:23,039

all right I mean oh I don't even know

472

00:18:26,990 --> 00:18:25,080

how to describe it it was huge

473

00:18:29,210 --> 00:18:27,000

I'm just sitting there and we're like

474

00:18:31,789 --> 00:18:29,220

jumping up and down I could not take my

475

00:18:34,250 --> 00:18:31,799

eyes off of it so I completely ignored

476

00:18:37,730 --> 00:18:34,260

the camera around my neck

477

00:18:39,590 --> 00:18:37,740

uh and just watch this thing with her

478

00:18:42,049 --> 00:18:39,600

and it stayed there for a few seconds

479

00:18:44,210 --> 00:18:42,059

you know 10 maybe

480

00:18:46,130 --> 00:18:44,220

and then started moving very slowly and

481

00:18:47,690 --> 00:18:46,140

then zipped around the mountain

482

00:18:48,770 --> 00:18:47,700

and it must have been a thousand miles

483

00:18:51,049 --> 00:18:48,780

per hour

484

00:18:53,090 --> 00:18:51,059

because within one second was a couple

485

00:18:55,370 --> 00:18:53,100

of miles away but see it's a tiny little

486

00:18:57,890 --> 00:18:55,380

Dot and then off it went

487

00:19:00,950 --> 00:18:57,900

yeah they tend to do that

488

00:19:02,690 --> 00:19:00,960

yeah that was really cool though so that

489

00:19:05,150 --> 00:19:02,700

was one of my best sightings

490

00:19:06,950 --> 00:19:05,160

of all the different uh phenomenon that

491

00:19:09,169 --> 00:19:06,960

you've like researched and written about

492

00:19:11,390 --> 00:19:09,179

do you have a favorite or is there

493

00:19:12,890 --> 00:19:11,400

anything that you find you know like

494

00:19:14,450 --> 00:19:12,900

what is your favorite area because

495

00:19:16,490 --> 00:19:14,460

there's so many things encompassed with

496

00:19:19,610 --> 00:19:16,500

it especially now it's not just nuts and

497

00:19:21,710 --> 00:19:19,620

bolts UFOs it's Cryptids and orbs and

498

00:19:23,270 --> 00:19:21,720

you know Poltergeist and you know the

499

00:19:26,510 --> 00:19:23,280

deeper you go down the rabbit hole the

500

00:19:28,370 --> 00:19:26,520

more obscure this is becoming so of all

501
00:19:30,830 --> 00:19:28,380
the things in this field like what are

502
00:19:32,870 --> 00:19:30,840
some of your favorite either Concepts or

503
00:19:35,510 --> 00:19:32,880
just you know what what is your brain

504
00:19:37,270 --> 00:19:35,520
chewing on right now with 35 years into

505
00:19:40,010 --> 00:19:37,280
this

506
00:19:42,049 --> 00:19:40,020
all of it yeah you're you're so right

507
00:19:44,510 --> 00:19:42,059
there's layers and layers to this and

508
00:19:46,730 --> 00:19:44,520
very early on people started reporting

509
00:19:48,830 --> 00:19:46,740
well I had a near-death experience or

510
00:19:51,049 --> 00:19:48,840
you know my house is haunted

511
00:19:53,210 --> 00:19:51,059
we had a good family friend who claimed

512
00:19:56,210 --> 00:19:53,220
to have levitated as a child

513
00:20:00,049 --> 00:19:56,220

oh Mary you're kidding me he's like no

514

00:20:02,810 --> 00:20:00,059

no I flew I flew No One Believes Me

515

00:20:06,710 --> 00:20:02,820

and so I realized early on that there

516

00:20:08,630 --> 00:20:06,720

was a lot of stuff going on that sent to

517

00:20:09,890 --> 00:20:08,640

some degree it's connected to all of

518

00:20:11,990 --> 00:20:09,900

this

519

00:20:13,789 --> 00:20:12,000

and at the same time as I started

520

00:20:15,350 --> 00:20:13,799

researching UFOs

521

00:20:16,370 --> 00:20:15,360

I started to experience a lot of stuff

522

00:20:19,850 --> 00:20:16,380

myself

523

00:20:22,130 --> 00:20:19,860

because I wasn't enough for me to just

524

00:20:23,810 --> 00:20:22,140

interview people or read about it like

525

00:20:24,529 --> 00:20:23,820

hey if you're singing UFO I want to see

526

00:20:26,090 --> 00:20:24,539

one

527

00:20:28,490 --> 00:20:26,100

so I was out in the fields looking for

528

00:20:30,230 --> 00:20:28,500

them and I did I saw them

529

00:20:32,750 --> 00:20:30,240

and if someone reported ghosts I'm like

530

00:20:35,990 --> 00:20:32,760

I'm coming over I want to experience

531

00:20:38,690 --> 00:20:36,000

this and I did I was able to start to

532

00:20:41,570 --> 00:20:38,700

experience a wide variety of stuff

533

00:20:44,390 --> 00:20:41,580

uh and at some point Bigfoot reared its

534

00:20:46,789 --> 00:20:44,400

ugly head added voided researching

535

00:20:48,830 --> 00:20:46,799

Bigfoot for a while on six I thought it

536

00:20:51,350 --> 00:20:48,840

might be real and I didn't really want

537

00:20:53,690 --> 00:20:51,360

to open up up that can of worms

538

00:20:56,510 --> 00:20:53,700

uh but when I got my first Bigfoot case

539

00:20:59,029 --> 00:20:56,520

I'm like fine fine let's look into

540

00:20:59,870 --> 00:20:59,039

Bigfoot and found out of course that was

541

00:21:02,750 --> 00:20:59,880

real

542

00:21:05,150 --> 00:21:02,760

so yeah I researched all aspects of the

543

00:21:08,510 --> 00:21:05,160

Paranormal I think probably my favorite

544

00:21:11,230 --> 00:21:08,520

is out of body experiences

545

00:21:15,650 --> 00:21:11,240

because that was something you could

546

00:21:16,730 --> 00:21:15,660

research subjectively personally

547

00:21:18,230 --> 00:21:16,740

um you know I read a book by Robert

548

00:21:20,870 --> 00:21:18,240

Monroe

549

00:21:23,510 --> 00:21:20,880

uh who's the really famous Auto Body guy

550

00:21:25,970 --> 00:21:23,520

it was called Journeys out of the body

551
00:21:28,789 --> 00:21:25,980
and fire Journeys and then the ultimate

552
00:21:30,649 --> 00:21:28,799
Journey he wrote three books

553
00:21:32,270 --> 00:21:30,659
um in his first book he gave exercises

554
00:21:33,830 --> 00:21:32,280
on how to do it

555
00:21:35,330 --> 00:21:33,840
and by this point you know my

556
00:21:37,310 --> 00:21:35,340
sister-in-law had described her out of

557
00:21:39,169 --> 00:21:37,320
body experience and

558
00:21:40,070 --> 00:21:39,179
a couple of other people I'm like wow

559
00:21:42,409 --> 00:21:40,080
hmm

560
00:21:45,830 --> 00:21:42,419
this is something I can try

561
00:21:48,529 --> 00:21:45,840
and I did the exercises and it worked

562
00:21:49,850 --> 00:21:48,539
I ended up writing a whole book about my

563
00:21:51,470 --> 00:21:49,860

own experiences

564

00:21:53,330 --> 00:21:51,480

with it because

565

00:21:55,010 --> 00:21:53,340

after I had one I'm like well I want to

566

00:21:58,610 --> 00:21:55,020

do that again

567

00:22:01,549 --> 00:21:58,620

and I did it didn't fix you out

568

00:22:05,210 --> 00:22:01,559

oh yeah sure did

569

00:22:07,010 --> 00:22:05,220

it was really very cool though I mean it

570

00:22:08,870 --> 00:22:07,020

was a little scary at first

571

00:22:10,789 --> 00:22:08,880

there was a couple of experiments that

572

00:22:12,409 --> 00:22:10,799

were just really and I thought I died

573

00:22:14,210 --> 00:22:12,419

honestly

574

00:22:15,350 --> 00:22:14,220

yeah and we'll talk about that because a

575

00:22:17,930 --> 00:22:15,360

lot of people think of these as

576

00:22:20,149 --> 00:22:17,940

near-death experiences where you have

577

00:22:21,890 --> 00:22:20,159

something out or body happen but the two

578

00:22:24,590 --> 00:22:21,900

can be separate like you don't have to

579

00:22:26,330 --> 00:22:24,600

almost die or you know drown for 40

580

00:22:28,970 --> 00:22:26,340

seconds have an outer body experience

581

00:22:31,850 --> 00:22:28,980

and then get brought back like so like

582

00:22:34,789 --> 00:22:31,860

what from what you know what is an

583

00:22:36,289 --> 00:22:34,799

actual outer body or this phenomenon

584

00:22:38,750 --> 00:22:36,299

that happens with near-death experiences

585

00:22:40,789 --> 00:22:38,760

like what is it is it a conscious realm

586

00:22:43,430 --> 00:22:40,799

is are you actually detaching physically

587

00:22:44,690 --> 00:22:43,440

from your flesh like maybe elaborate a

588

00:22:46,850 --> 00:22:44,700

little bit on that for those of us I

589

00:22:49,310 --> 00:22:46,860

mean I'm super into it and I'd like to

590

00:22:51,830 --> 00:22:49,320

do more so I'm genuinely asking like

591

00:22:54,710 --> 00:22:51,840

tell me about outer body experiences

592

00:22:57,049 --> 00:22:54,720

Yeah by that point I had read uh Raymond

593

00:22:57,950 --> 00:22:57,059

Moody's books on near-death experiences

594

00:22:59,930 --> 00:22:57,960

and

595

00:23:01,610 --> 00:22:59,940

loved them so I bought every book on

596

00:23:03,409 --> 00:23:01,620

near death experiences I could find and

597

00:23:06,590 --> 00:23:03,419

was interviewing people

598

00:23:08,870 --> 00:23:06,600

and also all the actual travel books the

599

00:23:11,330 --> 00:23:08,880

auto body books yeah and they are

600

00:23:13,130 --> 00:23:11,340

essentially the same thing the only

601
00:23:14,750 --> 00:23:13,140
difference is the near-death experiences

602
00:23:17,570 --> 00:23:14,760
forced

603
00:23:21,409 --> 00:23:17,580
and follows a very set pattern

604
00:23:24,770 --> 00:23:21,419
and is caused by trauma whereas the

605
00:23:26,330 --> 00:23:24,780
out-of-body experience can is sort of an

606
00:23:29,390 --> 00:23:26,340
intentional

607
00:23:32,210 --> 00:23:29,400
event that you can Foster and cultivate

608
00:23:34,970 --> 00:23:32,220
and do yourself through meditation

609
00:23:36,830 --> 00:23:34,980
and is more open-ended so you can

610
00:23:38,750 --> 00:23:36,840
because in the near-death experiences

611
00:23:41,090 --> 00:23:38,760
usually people will reach a border and

612
00:23:43,610 --> 00:23:41,100
they're not allowed into the higher

613
00:23:45,710 --> 00:23:43,620

Realms and they're forced back

614

00:23:48,350 --> 00:23:45,720

uh whereas with out of body experiences

615

00:23:50,350 --> 00:23:48,360

it's completely up to you how far you

616

00:23:53,630 --> 00:23:50,360

want to take it

617

00:23:56,090 --> 00:23:53,640

for me the first experience I had was

618

00:23:57,950 --> 00:23:56,100

just lying down and I'd been doing the

619

00:24:01,730 --> 00:23:57,960

exercises which are basically just

620

00:24:03,710 --> 00:24:01,740

relaxation and visualization type things

621

00:24:05,990 --> 00:24:03,720

and you're supposed to read what reach

622

00:24:08,810 --> 00:24:06,000

What's called the vibratory state

623

00:24:11,590 --> 00:24:08,820

which you know when your body starts to

624

00:24:13,789 --> 00:24:11,600

vibrate intensely yeah your third eye

625

00:24:16,490 --> 00:24:13,799

your pineal gland

626
00:24:18,710 --> 00:24:16,500
yeah and uh Robert Monroe described it

627
00:24:21,230 --> 00:24:18,720
as oh it's a mild electric shock

628
00:24:23,810 --> 00:24:21,240
and when I did it I thought I was being

629
00:24:25,310 --> 00:24:23,820
electrocuted I thought I'd stuck my

630
00:24:28,010 --> 00:24:25,320
finger in the light socket next to my

631
00:24:29,870 --> 00:24:28,020
bed I was rationalizing I'm like what's

632
00:24:32,510 --> 00:24:29,880
happening to me oh my God

633
00:24:34,669 --> 00:24:32,520
hi because my my whole body was shaking

634
00:24:37,250 --> 00:24:34,679
like you know a rattlesnake

635
00:24:38,570 --> 00:24:37,260
and when it was loud and very physical

636
00:24:40,549 --> 00:24:38,580
feeling

637
00:24:43,070 --> 00:24:40,559
and then Pop I popped right out and I'm

638
00:24:44,990 --> 00:24:43,080

floating across my room out of control

639

00:24:46,130 --> 00:24:45,000

right across the hallway and into the

640

00:24:48,409 --> 00:24:46,140

bathroom

641

00:24:50,029 --> 00:24:48,419

in a kind of oriented myself and I

642

00:24:51,590 --> 00:24:50,039

looked in the mirror I'm like oh my God

643

00:24:54,310 --> 00:24:51,600

I'm out of body

644

00:24:57,590 --> 00:24:54,320

if this is real there's life after death

645

00:25:01,250 --> 00:24:57,600

all at once you just know I mean all it

646

00:25:03,470 --> 00:25:01,260

takes is one real Obe

647

00:25:05,390 --> 00:25:03,480

and you know I got pulled right back

648

00:25:06,409 --> 00:25:05,400

into my body did it again the next

649

00:25:08,990 --> 00:25:06,419

weekend

650

00:25:12,289 --> 00:25:09,000

the third time I did thought I had died

651
00:25:13,850 --> 00:25:12,299
that cop I woke up already out of body

652
00:25:16,850 --> 00:25:13,860
and looked down on my bed and I saw

653
00:25:19,850 --> 00:25:16,860
myself lying there oh I'm dead

654
00:25:22,370 --> 00:25:19,860
this is horrifying I dived right back in

655
00:25:23,210 --> 00:25:22,380
and I woke up I'm like Oh yay I did it

656
00:25:26,990 --> 00:25:23,220
again

657
00:25:29,810 --> 00:25:27,000
so and uh so I really buckled down

658
00:25:31,970 --> 00:25:29,820
and did the exercises and started having

659
00:25:33,890 --> 00:25:31,980
them pretty much every weekend

660
00:25:37,909 --> 00:25:33,900
but I just try to pop out and be like

661
00:25:40,730 --> 00:25:37,919
yeah I'm out right back in so it took me

662
00:25:42,590 --> 00:25:40,740
a year to basically just calm down see

663
00:25:43,610 --> 00:25:42,600

if you can stay out more than a three

664

00:25:46,190 --> 00:25:43,620

seconds

665

00:25:48,289 --> 00:25:46,200

honestly it took me a full year of that

666

00:25:50,570 --> 00:25:48,299

and I extended it to a minute and then

667

00:25:54,049 --> 00:25:50,580

two minutes and then 15.

668

00:25:56,330 --> 00:25:54,059

and got really good at it could walk

669

00:25:58,730 --> 00:25:56,340

through walls and visit places in the

670

00:26:01,130 --> 00:25:58,740

neighborhood and other people and

671

00:26:03,789 --> 00:26:01,140

extended that more and more and at some

672

00:26:07,490 --> 00:26:03,799

point got my mom who had passed away

673

00:26:09,049 --> 00:26:07,500

some years earlier up here and pulled me

674

00:26:11,990 --> 00:26:09,059

over to the other side

675

00:26:14,210 --> 00:26:12,000

and give me a tour of what I guess I

676

00:26:17,990 --> 00:26:14,220

would call the Heavenly Realms I'm not

677

00:26:19,250 --> 00:26:18,000

religious really at all right but it's a

678

00:26:21,169 --> 00:26:19,260

good way of describing it because

679

00:26:23,330 --> 00:26:21,179

they're beautiful beautiful there very

680

00:26:25,970 --> 00:26:23,340

pastoral and everything's glowing and

681

00:26:28,070 --> 00:26:25,980

sparkling with light and love and our

682

00:26:29,690 --> 00:26:28,080

people and trees and Gardens and flowers

683

00:26:32,029 --> 00:26:29,700

and Brooks and

684

00:26:33,169 --> 00:26:32,039

it's great so that that's how it all

685

00:26:36,470 --> 00:26:33,179

began

686

00:26:38,690 --> 00:26:36,480

and since then I've had all kinds oh and

687

00:26:41,029 --> 00:26:38,700

it's amazing the stuff you can do right

688

00:26:42,049 --> 00:26:41,039

you learn about past lives visit healing

689

00:26:44,990 --> 00:26:42,059

temples

690

00:26:47,269 --> 00:26:45,000

go to the akashic library talk to

691

00:26:49,070 --> 00:26:47,279

enlightened beings enlightened Masters

692

00:26:52,850 --> 00:26:49,080

that sort of thing

693

00:26:54,169 --> 00:26:52,860

visit all your deceased loved ones it's

694

00:26:57,890 --> 00:26:54,179

wild

695

00:26:59,570 --> 00:26:57,900

I mean I can't recommend it enough was

696

00:27:01,070 --> 00:26:59,580

there a silver cord because I keep

697

00:27:03,289 --> 00:27:01,080

hearing about the silver cord that's

698

00:27:05,210 --> 00:27:03,299

attached to your body to your

699

00:27:07,250 --> 00:27:05,220

um you know Soul or Consciousness which

700

00:27:08,330 --> 00:27:07,260

are out of the body did you see that at

701
00:27:15,110 --> 00:27:08,340
all

702
00:27:16,370 --> 00:27:15,120
people always had like a spirit guide

703
00:27:18,649 --> 00:27:16,380
with them I'm like well what the heck

704
00:27:19,490 --> 00:27:18,659
I'm alone out here where's my spirit

705
00:27:21,350 --> 00:27:19,500
guide

706
00:27:23,390 --> 00:27:21,360
and I did eventually you know meet up

707
00:27:25,490 --> 00:27:23,400
with some of them and I'm like well how

708
00:27:27,049 --> 00:27:25,500
come I'm not seeing the silver card

709
00:27:28,430 --> 00:27:27,059
and I'm started looking back through the

710
00:27:29,510 --> 00:27:28,440
books like well look behind you look

711
00:27:31,669 --> 00:27:29,520
behind you

712
00:27:33,710 --> 00:27:31,679
and uh I would and I wouldn't see it

713
00:27:35,510 --> 00:27:33,720

until one day I did

714

00:27:37,370 --> 00:27:35,520

I woke up I'm like oh I'm out about it

715

00:27:38,870 --> 00:27:37,380

again I'm pulling above my bed and what

716

00:27:41,630 --> 00:27:38,880

what is this that's all wrapped around

717

00:27:44,510 --> 00:27:41,640

me was a fire hose and I'm looking at it

718

00:27:46,850 --> 00:27:44,520

I'm holding I'm like this is weird

719

00:27:48,110 --> 00:27:46,860

and then Dawn at me like oh this is the

720

00:27:49,909 --> 00:27:48,120

cord

721

00:27:52,130 --> 00:27:49,919

and later when I got much better at it

722

00:27:54,590 --> 00:27:52,140

because that was early right I'm very

723

00:27:56,149 --> 00:27:54,600

it's disorienting and it's a new State

724

00:27:57,169 --> 00:27:56,159

of Consciousness which is somewhat

725

00:27:59,090 --> 00:27:57,179

delicate

726

00:28:00,470 --> 00:27:59,100

it's easy to fall back into a dream or

727

00:28:02,930 --> 00:28:00,480

just forget

728

00:28:05,990 --> 00:28:02,940

but after I got better at it I woke up

729

00:28:08,750 --> 00:28:06,000

one day all right I was able to just go

730

00:28:10,310 --> 00:28:08,760

out of body you kind of Deuce it right

731

00:28:11,690 --> 00:28:10,320

and I popped out and I'm wandering

732

00:28:14,570 --> 00:28:11,700

around in my living room and I'm like oh

733

00:28:15,470 --> 00:28:14,580

let's see if I can find my silver cord I

734

00:28:18,890 --> 00:28:15,480

did

735

00:28:20,810 --> 00:28:18,900

and it was coming out of what my uh

736

00:28:22,250 --> 00:28:20,820

abdomen at that point comes out of

737

00:28:24,409 --> 00:28:22,260

different places sometimes your head or

738

00:28:27,230 --> 00:28:24,419

your back or wherever

739

00:28:29,630 --> 00:28:27,240

I felt it I'm like oh and I was feeling

740

00:28:31,430 --> 00:28:29,640

it and it made up all these tiny little

741

00:28:34,370 --> 00:28:31,440

filaments

742

00:28:36,470 --> 00:28:34,380

uh and I'm like wow this is amazing and

743

00:28:39,169 --> 00:28:36,480

they're all kind of energetic

744

00:28:43,010 --> 00:28:39,179

yeah the silver card some people see it

745

00:28:44,930 --> 00:28:43,020

some people don't I generally don't wait

746

00:28:46,730 --> 00:28:44,940

did all kinds of experiments like

747

00:28:47,990 --> 00:28:46,740

someone asked me are you wearing clothes

748

00:28:49,250 --> 00:28:48,000

I'm like you know I never actually

749

00:28:52,070 --> 00:28:49,260

checked

750

00:28:54,110 --> 00:28:52,080

and uh I'm like I have to check that out

751
00:28:55,909 --> 00:28:54,120
popped out one day and then like looking

752
00:28:58,190 --> 00:28:55,919
I'm like oh shoot I'm dressed up for

753
00:28:59,330 --> 00:28:58,200
work I have shoes with my dress shirt is

754
00:29:01,850 --> 00:28:59,340
on

755
00:29:03,769 --> 00:29:01,860
all right I dress up for my auto body

756
00:29:06,610 --> 00:29:03,779
experiences nice

757
00:29:11,330 --> 00:29:09,289
I ended up undressing too because I

758
00:29:15,010 --> 00:29:11,340
wanted to see I'm like oh yeah I'm

759
00:29:19,610 --> 00:29:17,870
oh really so like you can can you see

760
00:29:23,630 --> 00:29:19,620
yourself you like your reflection in the

761
00:29:25,310 --> 00:29:23,640
mirror yeah if you want you know you can

762
00:29:27,889 --> 00:29:25,320
do it uh

763
00:29:31,669 --> 00:29:27,899

sometimes you can sometimes you can't

764

00:29:32,990 --> 00:29:31,679

um but yeah you absolutely can and uh I

765

00:29:34,610 --> 00:29:33,000

used to work out a lot when I was a

766

00:29:36,409 --> 00:29:34,620

young man because I was pretty skinny

767

00:29:37,430 --> 00:29:36,419

I'm like I need to build bulk up a

768

00:29:39,590 --> 00:29:37,440

little bit

769

00:29:43,610 --> 00:29:39,600

and when I pop out of body I'm like oof

770

00:29:45,020 --> 00:29:43,620

you should see me oh my God damn I look

771

00:29:47,149 --> 00:29:45,030

good looking good

772

00:29:49,010 --> 00:29:47,159

[Music]

773

00:29:52,549 --> 00:29:49,020

viewed a lady last week and she's

774

00:29:54,950 --> 00:29:52,559

basically practicing that qhht Quantum

775

00:29:57,230 --> 00:29:54,960

healing hypnosis technique so

776

00:29:59,630 --> 00:29:57,240

essentially instead of being like a

777

00:30:01,669 --> 00:29:59,640

meditative master and getting into those

778

00:30:03,470 --> 00:30:01,679

Realms and really you know sort of like

779

00:30:05,690 --> 00:30:03,480

the Buddhist monks are trying to do

780

00:30:07,370 --> 00:30:05,700

there's a meditative way or no sorry

781

00:30:09,950 --> 00:30:07,380

there's a hypnotic way that you can be

782

00:30:12,289 --> 00:30:09,960

induced into that deep trance and have

783

00:30:14,690 --> 00:30:12,299

that same past life regression maybe

784

00:30:17,029 --> 00:30:14,700

help deal with traumatic events

785

00:30:19,310 --> 00:30:17,039

um UFO Abduction type things people that

786

00:30:20,570 --> 00:30:19,320

are kind of fuzzy on the topic but I

787

00:30:23,870 --> 00:30:20,580

thought it was very interesting that

788

00:30:26,029 --> 00:30:23,880

it's so inherently possible that even if

789

00:30:27,889 --> 00:30:26,039

you can't get there on your own studies

790

00:30:30,289 --> 00:30:27,899

you could just be put into that state

791

00:30:31,669 --> 00:30:30,299

and still reap the same benefit and I

792

00:30:33,710 --> 00:30:31,679

thought that was very encouraging that

793

00:30:36,350 --> 00:30:33,720

it's not that far out of everybody's

794

00:30:38,210 --> 00:30:36,360

grasp it's possible and it's a practice

795

00:30:41,330 --> 00:30:38,220

and this is something very attainable

796

00:30:43,669 --> 00:30:41,340

it's not just kind of a weird idea I

797

00:30:46,610 --> 00:30:43,679

genuinely believe that we can all access

798

00:30:49,370 --> 00:30:46,620

this and improve our lives as a result

799

00:30:52,310 --> 00:30:49,380

yeah I mean if you want to see a UFO you

800

00:30:53,990 --> 00:30:52,320

can go out to UFO hotspots wave areas

801
00:30:55,549 --> 00:30:54,000
hanging out with someone who's having

802
00:30:57,830 --> 00:30:55,559
encounters you want to see a ghost there

803
00:31:00,169 --> 00:30:57,840
are places you can go

804
00:31:02,510 --> 00:31:00,179
and uh that's what I like about the auto

805
00:31:06,110 --> 00:31:02,520
body thing it's easy access to the

806
00:31:07,490 --> 00:31:06,120
Paranormal anyone can do it it's a steep

807
00:31:10,130 --> 00:31:07,500
learning curve for some people but

808
00:31:12,350 --> 00:31:10,140
others do it boom first night

809
00:31:15,769 --> 00:31:12,360
I have the Obe

810
00:31:19,070 --> 00:31:15,779
it took me about two months of really a

811
00:31:22,250 --> 00:31:19,080
month and a half doing the exercises

812
00:31:25,490 --> 00:31:22,260
and it worked and I was thrilled and

813
00:31:26,990 --> 00:31:25,500

yeah seeing a UFO for the first time was

814

00:31:30,889 --> 00:31:27,000

amazing

815

00:31:33,590 --> 00:31:30,899

I it happened in 92 actually about

816

00:31:36,830 --> 00:31:33,600

six years in my research

817

00:31:39,529 --> 00:31:36,840

and uh I was driving home one day after

818

00:31:41,389 --> 00:31:39,539

talking to Mark and Christy who were you

819

00:31:43,669 --> 00:31:41,399

know she's she encountered blue beings

820

00:31:45,470 --> 00:31:43,679

when she was a little girl and Mark of

821

00:31:47,090 --> 00:31:45,480

course had seen a UFO

822

00:31:50,389 --> 00:31:47,100

so they were helping me through this

823

00:31:52,430 --> 00:31:50,399

because I was a wreck I

824

00:31:55,370 --> 00:31:52,440

just having a hard time adjusting to all

825

00:31:57,289 --> 00:31:55,380

of this a little bit and uh

826

00:31:58,669 --> 00:31:57,299

had left their home late one in the

827

00:31:59,810 --> 00:31:58,679

evening I'm like I gotta go you know

828

00:32:02,330 --> 00:31:59,820

I've got to work

829

00:32:03,889 --> 00:32:02,340

and was driving the five miles to my

830

00:32:05,330 --> 00:32:03,899

home in Canoga Park they lived in

831

00:32:08,090 --> 00:32:05,340

Woodland Hills

832

00:32:11,269 --> 00:32:08,100

it was late at night July 1992 and I

833

00:32:12,529 --> 00:32:11,279

just left their house I was maybe two to

834

00:32:14,750 --> 00:32:12,539

three minutes away from their house

835

00:32:17,029 --> 00:32:14,760

coming around this tiny little Street

836

00:32:19,789 --> 00:32:17,039

hairpin corner

837

00:32:21,710 --> 00:32:19,799

uh maybe a few miles an hour you know

838

00:32:23,450 --> 00:32:21,720

it's a steep little Hill so you can't

839

00:32:26,750 --> 00:32:23,460

really drive fast at all

840

00:32:28,250 --> 00:32:26,760

and I saw this light swooping down

841

00:32:31,010 --> 00:32:28,260

towards my car

842

00:32:33,350 --> 00:32:31,020

my first thought was that it's a bird

843

00:32:35,630 --> 00:32:33,360

coming towards me and looking up at I

844

00:32:36,830 --> 00:32:35,640

could see it was not a bird it was a

845

00:32:39,529 --> 00:32:36,840

round ball of light and I thought well

846

00:32:41,930 --> 00:32:39,539

it's a firecracker It's Late July and

847

00:32:44,630 --> 00:32:41,940

this is just where my mind is going

848

00:32:46,250 --> 00:32:44,640

and uh it comes right down in front of

849

00:32:50,029 --> 00:32:46,260

my windshield I'm like well that's not a

850

00:32:52,070 --> 00:32:50,039

firecracker that is an orb and I'm

851
00:32:53,690 --> 00:32:52,080
staring at this thing and that's is that

852
00:32:55,970 --> 00:32:53,700
a reflection you know this is not a

853
00:32:56,990 --> 00:32:55,980
reflection was it about the size of a

854
00:32:59,330 --> 00:32:57,000
golf ball

855
00:33:02,630 --> 00:32:59,340
kind of bright yellow white

856
00:33:04,850 --> 00:33:02,640
and very solid looking at me I mean you

857
00:33:07,130 --> 00:33:04,860
could sense intelligence in this thing

858
00:33:09,289 --> 00:33:07,140
it was behaving intelligent it was a I

859
00:33:11,870 --> 00:33:09,299
don't know right there looking at me I

860
00:33:13,370 --> 00:33:11,880
put two feet away moved back and forth

861
00:33:16,070 --> 00:33:13,380
in front of my windshield two or three

862
00:33:18,950 --> 00:33:16,080
times stops again looking at me I'm like

863
00:33:19,669 --> 00:33:18,960

holy cow and are you driving at this

864

00:33:23,509 --> 00:33:19,679

point

865

00:33:24,190 --> 00:33:23,519

I'd stopped my car ripping the steering

866

00:33:26,930 --> 00:33:24,200

wheel

867

00:33:28,370 --> 00:33:26,940

looking at this thing going what is

868

00:33:30,710 --> 00:33:28,380

going on

869

00:33:32,149 --> 00:33:30,720

and this thing dips down it's right over

870

00:33:34,370 --> 00:33:32,159

the hood of my car right

871

00:33:35,810 --> 00:33:34,380

dips down it almost touches the cement

872

00:33:37,730 --> 00:33:35,820

and goes straight up

873

00:33:39,590 --> 00:33:37,740

and really the last thing I remember is

874

00:33:41,450 --> 00:33:39,600

leaning over my windshield and looking

875

00:33:43,430 --> 00:33:41,460

up this thing goes straight up through

876

00:33:45,049 --> 00:33:43,440

the canopy of trees

877

00:33:46,669 --> 00:33:45,059

and uh

878

00:33:49,310 --> 00:33:46,679

that's where it got weird I'd always

879

00:33:51,529 --> 00:33:49,320

tell people that's my sighting and some

880

00:33:55,610 --> 00:33:51,539

years later someone said well

881

00:33:58,789 --> 00:33:55,620

what happened next I'm like hmm

882

00:34:01,070 --> 00:33:58,799

I don't remember driving home I forgot

883

00:34:02,750 --> 00:34:01,080

about the whole darn thing I didn't

884

00:34:05,330 --> 00:34:02,760

remember seeing that

885

00:34:07,610 --> 00:34:05,340

for a couple of months

886

00:34:09,230 --> 00:34:07,620

and I've interviewed people like oh I

887

00:34:11,450 --> 00:34:09,240

forgot about the UFO that landed in

888

00:34:13,190 --> 00:34:11,460

front of my car I'm like here how can

889

00:34:14,750 --> 00:34:13,200

you forget about something like that

890

00:34:17,869 --> 00:34:14,760

wait

891

00:34:19,849 --> 00:34:17,879

but this is you know missing time it's

892

00:34:21,349 --> 00:34:19,859

that aspect and it happened to me and I

893

00:34:23,629 --> 00:34:21,359

get it now

894

00:34:25,070 --> 00:34:23,639

so I think that as soon as I started

895

00:34:28,849 --> 00:34:25,080

investigating this stuff they're like oh

896

00:34:30,470 --> 00:34:28,859

here's a guy let's check him out

897

00:34:33,470 --> 00:34:30,480

because I started looking it up I'm like

898

00:34:34,790 --> 00:34:33,480

well a lot of researchers who've gotten

899

00:34:36,470 --> 00:34:34,800

into this start investigating it and

900

00:34:40,010 --> 00:34:36,480

then it'll investigate you

901
00:34:42,230 --> 00:34:40,020
have yeah I've uh George Knapp said that

902
00:34:44,089 --> 00:34:42,240
too about skin walker Ranch you go there

903
00:34:45,649 --> 00:34:44,099
with a nuts and bolts mentality next

904
00:34:47,810 --> 00:34:45,659
thing you know it's Cryptids and light

905
00:34:49,550 --> 00:34:47,820
orbs and you're getting the hitchhiker

906
00:34:52,010 --> 00:34:49,560
effect taking it home your family's

907
00:34:53,329 --> 00:34:52,020
seeing stuff like blew his mind too and

908
00:34:54,589 --> 00:34:53,339
he's been studying this [h__h] for 30

909
00:34:57,829 --> 00:34:54,599
years

910
00:34:59,690 --> 00:34:57,839
yeah I think it's cool and I yeah people

911
00:35:00,650 --> 00:34:59,700
there's a lot of fears surrounding the

912
00:35:02,870 --> 00:35:00,660
subject

913
00:35:05,210 --> 00:35:02,880

and people are like ah I'm not so sure

914

00:35:07,010 --> 00:35:05,220

this is good for us for Humanity

915

00:35:08,510 --> 00:35:07,020

and I kind of bought into that initially

916

00:35:09,710 --> 00:35:08,520

because I'm like wow people are being

917

00:35:12,650 --> 00:35:09,720

kidnapped

918

00:35:14,630 --> 00:35:12,660

because they did not ask for this and

919

00:35:15,950 --> 00:35:14,640

they're being physically examined and

920

00:35:17,450 --> 00:35:15,960

who are these guys and what are they

921

00:35:20,150 --> 00:35:17,460

doing to us

922

00:35:22,490 --> 00:35:20,160

and that pretty quickly realized that

923

00:35:23,930 --> 00:35:22,500

the fear surrounding the subject is not

924

00:35:26,510 --> 00:35:23,940

warranted

925

00:35:29,329 --> 00:35:26,520

and that they're not trying to hurt us

926
00:35:31,490 --> 00:35:29,339
and when someone sees Grays in their

927
00:35:33,650 --> 00:35:31,500
bedroom for example first thing they

928
00:35:36,710 --> 00:35:33,660
will say almost always is don't be

929
00:35:38,510 --> 00:35:36,720
afraid I have no fear no harm will come

930
00:35:39,710 --> 00:35:38,520
to you you know we are not here to hurt

931
00:35:41,930 --> 00:35:39,720
you

932
00:35:43,010 --> 00:35:41,940
that's the most common phrase people

933
00:35:45,710 --> 00:35:43,020
hear

934
00:35:47,270 --> 00:35:45,720
and they still have a strong beer

935
00:35:48,710 --> 00:35:47,280
reaction often

936
00:35:50,270 --> 00:35:48,720
but when they're actually taken on board

937
00:35:51,589 --> 00:35:50,280
the worst you know the scariest thing

938
00:35:53,150 --> 00:35:51,599

that actually happens is they're

939

00:35:54,890 --> 00:35:53,160

physically examined

940

00:35:56,210 --> 00:35:54,900

some people are bad you know fighting it

941

00:35:58,490 --> 00:35:56,220

the whole way

942

00:36:00,589 --> 00:35:58,500

but some aren't and they have really

943

00:36:03,730 --> 00:36:00,599

positive experiences

944

00:36:06,170 --> 00:36:03,740

and I think it was Thomas Bullard the

945

00:36:09,230 --> 00:36:06,180

folklorist and UFO researcher who was

946

00:36:10,609 --> 00:36:09,240

the first to statistically study what

947

00:36:13,730 --> 00:36:10,619

happens when people are taken on board

948

00:36:15,470 --> 00:36:13,740

and he outlined it very clearly or

949

00:36:16,670 --> 00:36:15,480

physically examined or taken to the

950

00:36:18,710 --> 00:36:16,680

engine room

951
00:36:21,589 --> 00:36:18,720
they're taken to the control room or the

952
00:36:24,170 --> 00:36:21,599
observation deck they're given messages

953
00:36:26,510 --> 00:36:24,180
and that's absolutely true this is

954
00:36:29,450 --> 00:36:26,520
exactly what I found in my research

955
00:36:32,270 --> 00:36:29,460
and my first book was UFO healings

956
00:36:34,910 --> 00:36:32,280
which was you know basically inspired by

957
00:36:36,589 --> 00:36:34,920
Wendy's experience I'm like huh because

958
00:36:38,450 --> 00:36:36,599
I know of a case of two police officers

959
00:36:40,609 --> 00:36:38,460
who were killed one of them had a flesh

960
00:36:43,130 --> 00:36:40,619
wound a little bite from a baby

961
00:36:45,410 --> 00:36:43,140
alligator on his finger and he was

962
00:36:47,270 --> 00:36:45,420
healed by a beam of light there was a

963
00:36:49,150 --> 00:36:47,280

Peruvian Customs official who was struck

964

00:36:51,829 --> 00:36:49,160

by a beam of light that healed him of

965

00:36:55,490 --> 00:36:51,839

nearsightedness and rheumatism

966

00:36:57,290 --> 00:36:55,500

Jacques filet had a case of a doctor a

967

00:37:00,410 --> 00:36:57,300

medical doctor was cured of an ax wound

968

00:37:02,390 --> 00:37:00,420

on his foot and partial paralysis

969

00:37:04,910 --> 00:37:02,400

so I started looking up these cases I'm

970

00:37:06,829 --> 00:37:04,920

like oh my gosh every major researcher

971

00:37:08,450 --> 00:37:06,839

out there almost without exception has

972

00:37:11,270 --> 00:37:08,460

these cases

973

00:37:13,370 --> 00:37:11,280

including David Jacobs and John Mack and

974

00:37:15,950 --> 00:37:13,380

Bud Hopkins

975

00:37:19,370 --> 00:37:15,960

you know Philip mantle Michael hesseman

976

00:37:21,950 --> 00:37:19,380

he's a fiori Barbara lamb Yvonne Smith I

977

00:37:23,870 --> 00:37:21,960

could go on they all have these cases no

978

00:37:25,970 --> 00:37:23,880

one was talking about them

979

00:37:29,089 --> 00:37:25,980

I mean it's because fear cells and the

980

00:37:31,790 --> 00:37:29,099

media loves the lurid scary story

981

00:37:35,270 --> 00:37:31,800

and uh these accounts were being pushed

982

00:37:37,430 --> 00:37:35,280

to The Fringe and not studied not given

983

00:37:39,530 --> 00:37:37,440

the attention they deserved

984

00:37:41,150 --> 00:37:39,540

and changed the way I feel about this

985

00:37:43,550 --> 00:37:41,160

phenomena

986

00:37:45,230 --> 00:37:43,560

they're not here to hurt us they're so

987

00:37:46,910 --> 00:37:45,240

opposite actually

988

00:37:48,349 --> 00:37:46,920

I know people do have traumatic

989

00:37:50,990 --> 00:37:48,359

encounters

990

00:37:54,710 --> 00:37:51,000

I'm not going to deny that but I always

991

00:37:55,970 --> 00:37:54,720

ask them what actually happened to you

992

00:37:58,250 --> 00:37:55,980

um nobody

993

00:38:01,910 --> 00:37:58,260

describes what I would call sadistic

994

00:38:03,410 --> 00:38:01,920

Behavior right or et's like I'm going to

995

00:38:04,970 --> 00:38:03,420

hurt you

996

00:38:08,510 --> 00:38:04,980

it's just not there

997

00:38:12,890 --> 00:38:08,520

uh yeah that is not their agenda at all

998

00:38:15,770 --> 00:38:12,900

well even um Terry Lovelace when uh he

999

00:38:17,750 --> 00:38:15,780

said he was on board of The Craft and uh

1000

00:38:20,450 --> 00:38:17,760

you know the doctor whoever it is the

1001
00:38:23,089 --> 00:38:20,460
main examiner that was doing the exam

1002
00:38:25,550 --> 00:38:23,099
uh he was screaming on the table like

1003
00:38:27,950 --> 00:38:25,560
crazy and the examiner sort of looked at

1004
00:38:30,550 --> 00:38:27,960
him and telepathically told them oh be

1005
00:38:33,230 --> 00:38:30,560
quiet you know we always put you back

1006
00:38:34,910 --> 00:38:33,240
that's funny right like it's like okay

1007
00:38:37,069 --> 00:38:34,920
well at least their intention is good

1008
00:38:40,069 --> 00:38:37,079
and they bring you back to your at least

1009
00:38:41,510 --> 00:38:40,079
close to where they took you so yeah I

1010
00:38:43,849 --> 00:38:41,520
don't I don't think there's there's no

1011
00:38:46,849 --> 00:38:43,859
malice there's no intent there's no evil

1012
00:38:49,069 --> 00:38:46,859
intent behind us it seems to be

1013
00:38:51,290 --> 00:38:49,079

something like they need us or we need

1014

00:38:53,569 --> 00:38:51,300

them and they're here to help us or you

1015

00:38:55,609 --> 00:38:53,579

know it could be a mix of the two but it

1016

00:38:58,430 --> 00:38:55,619

is a weird experience and the more that

1017

00:39:01,430 --> 00:38:58,440

we uh you know interview people the more

1018

00:39:03,650 --> 00:39:01,440

that we sort of grow in our thinking and

1019

00:39:05,870 --> 00:39:03,660

expand what we used to

1020

00:39:07,550 --> 00:39:05,880

not really believe in now we're like

1021

00:39:09,470 --> 00:39:07,560

well now we have to look at it right

1022

00:39:11,750 --> 00:39:09,480

because it's being brought up by

1023

00:39:13,430 --> 00:39:11,760

investigators like yourself uh you know

1024

00:39:15,890 --> 00:39:13,440

you're mentioning the Bigfoot I'm the

1025

00:39:18,050 --> 00:39:15,900

same I was like no Bigfoot doesn't exist

1026

00:39:19,790 --> 00:39:18,060

but the more I talk to other

1027

00:39:21,050 --> 00:39:19,800

investigators researchers like

1028

00:39:23,329 --> 00:39:21,060

yourselves

1029

00:39:25,010 --> 00:39:23,339

it seems to be that yeah I should

1030

00:39:27,230 --> 00:39:25,020

probably look into the Bigfoot stuff as

1031

00:39:28,910 --> 00:39:27,240

well maybe Louie and I can have a we

1032

00:39:31,069 --> 00:39:28,920

live in the Pacific Northwest right

1033

00:39:33,650 --> 00:39:31,079

right Bigfoot land here in like the

1034

00:39:36,290 --> 00:39:33,660

applications but I believe it's real I

1035

00:39:38,810 --> 00:39:36,300

just I struggle with the idea that maybe

1036

00:39:40,730 --> 00:39:38,820

it's interdimensional I think it's

1037

00:39:43,190 --> 00:39:40,740

actual Flesh and Blood I think it's a

1038

00:39:45,530 --> 00:39:43,200

species I think it's like uh what is it

1039

00:39:49,069 --> 00:39:45,540

a gigantopithecus or some actual

1040

00:39:50,690 --> 00:39:49,079

classification of giant ape that's maybe

1041

00:39:52,250 --> 00:39:50,700

just smart enough to know to stay away

1042

00:39:54,530 --> 00:39:52,260

from us because we're going to shoot you

1043

00:39:56,690 --> 00:39:54,540

we're dangerous right I know but some

1044

00:40:00,670 --> 00:39:56,700

people are saying it's more Cryptid than

1045

00:40:05,690 --> 00:40:04,130

yeah I don't know either because there

1046

00:40:08,329 --> 00:40:05,700

are cases you can March out which do

1047

00:40:10,069 --> 00:40:08,339

have terminal aspects to them yeah my

1048

00:40:13,310 --> 00:40:10,079

first Bigfoot case involved a

1049

00:40:15,650 --> 00:40:13,320

radiologist by the name of Robert Murphy

1050

00:40:18,230 --> 00:40:15,660

who had a Bigfoot encounter

1051

00:40:19,490 --> 00:40:18,240

the day after a UFO landed in its

1052

00:40:21,349 --> 00:40:19,500

backyard

1053

00:40:22,670 --> 00:40:21,359

so there was a he felt a connection

1054

00:40:24,710 --> 00:40:22,680

there

1055

00:40:26,569 --> 00:40:24,720

and he said I was telepathically in

1056

00:40:29,450 --> 00:40:26,579

communication with the Bigfoot

1057

00:40:30,829 --> 00:40:29,460

what and after researching Bigfoot I'm

1058

00:40:32,150 --> 00:40:30,839

like there's a lot of cases where people

1059

00:40:34,490 --> 00:40:32,160

claim that

1060

00:40:36,890 --> 00:40:34,500

and there is a paranormal aspect to it

1061

00:40:39,829 --> 00:40:36,900

but now these things leave Footprints

1062

00:40:44,569 --> 00:40:43,190

it's clear that they are I think they

1063

00:40:47,150 --> 00:40:44,579

are flesh and blood but that doesn't

1064

00:40:50,089 --> 00:40:47,160

necessarily preclude them from having

1065

00:40:53,030 --> 00:40:50,099

you know what we would call supernatural

1066

00:40:55,609 --> 00:40:53,040

abilities yeah I did interview one guy

1067

00:40:58,250 --> 00:40:55,619

who said he saw one appear in front of

1068

00:41:01,490 --> 00:40:58,260

him and then disappear and not by moving

1069

00:41:03,230 --> 00:41:01,500

away but turning visible and well

1070

00:41:04,910 --> 00:41:03,240

telepathically told them that they have

1071

00:41:06,890 --> 00:41:04,920

this ability

1072

00:41:09,890 --> 00:41:06,900

and I thought oh she's the Scott you

1073

00:41:11,810 --> 00:41:09,900

know this is hmm really he's like no

1074

00:41:14,690 --> 00:41:11,820

seriously this is what happened to me

1075

00:41:17,510 --> 00:41:14,700

like okay and I was really starting to

1076

00:41:19,430 --> 00:41:17,520

dig into all the books on this phenomena

1077

00:41:20,569 --> 00:41:19,440

there does seem to be two schools of

1078

00:41:22,910 --> 00:41:20,579

thought

1079

00:41:25,490 --> 00:41:22,920

and wouldn't surprise me a bit if you

1080

00:41:27,589 --> 00:41:25,500

know but there are different types as we

1081

00:41:30,530 --> 00:41:27,599

see that you know with the really tall

1082

00:41:33,589 --> 00:41:30,540

Sasquatch up in Northern California and

1083

00:41:35,390 --> 00:41:33,599

the skunk Cape of Florida and yeah

1084

00:41:39,310 --> 00:41:35,400

they're called different things in every

1085

00:41:41,770 --> 00:41:39,320

culture yowie's in Australia and Yeti

1086

00:41:44,630 --> 00:41:41,780

vomitable snowman

1087

00:41:48,290 --> 00:41:44,640

yeah there's a lot of stuff that we're

1088

00:41:51,050 --> 00:41:48,300

it's just not reaching mainstream yeah

1089

00:41:53,030 --> 00:41:51,060

you know scientific study I spoke to a

1090

00:41:54,589 --> 00:41:53,040

native Elder once I used to sell cars

1091

00:41:56,450 --> 00:41:54,599

for this company that would do sort of

1092

00:41:58,910 --> 00:41:56,460

like big tent sales they would go to a

1093

00:42:00,829 --> 00:41:58,920

town and there'd be like 400 cars at a

1094

00:42:03,530 --> 00:42:00,839

big mall or something like that and it

1095

00:42:05,930 --> 00:42:03,540

was a Northern British Columbia Canada

1096

00:42:08,210 --> 00:42:05,940

um and it was a native family that was

1097

00:42:09,589 --> 00:42:08,220

they were the royalty of their tribe and

1098

00:42:12,230 --> 00:42:09,599

like where they came from there was no

1099

00:42:13,670 --> 00:42:12,240

roads that's how deep they had come and

1100

00:42:14,990 --> 00:42:13,680

they were in like proper dress and

1101
00:42:17,150 --> 00:42:15,000
everything else really interesting

1102
00:42:18,470 --> 00:42:17,160
people and I was chatting with the older

1103
00:42:20,329 --> 00:42:18,480
man the Elder because it was his

1104
00:42:22,130 --> 00:42:20,339
granddaughter who bought the car so I

1105
00:42:24,650 --> 00:42:22,140
was chatting with them and I said hey

1106
00:42:26,870 --> 00:42:24,660
like you're way in the woods like you

1107
00:42:28,849 --> 00:42:26,880
ever see Bigfoot and I just thought I'd

1108
00:42:31,069 --> 00:42:28,859
throw it out there and he goes I never

1109
00:42:32,810 --> 00:42:31,079
saw one but you can spell them and we

1110
00:42:35,270 --> 00:42:32,820
see their hair stuck on the trees

1111
00:42:37,490 --> 00:42:35,280
sometimes and I'm just like holy [h__\h]

1112
00:42:39,170 --> 00:42:37,500
he's not kidding like I asked it just as

1113
00:42:40,970 --> 00:42:39,180

a joke like hey you're in Bigfoot

1114

00:42:43,490 --> 00:42:40,980

country he's like yeah we don't see them

1115

00:42:45,170 --> 00:42:43,500

we can smell them so I wholeheartedly

1116

00:42:47,270 --> 00:42:45,180

believe this guy had no reason to lie to

1117

00:42:50,030 --> 00:42:47,280

me he wasn't like an iPhone carrying

1118

00:42:52,790 --> 00:42:50,040

individual these people still respected

1119

00:42:53,990 --> 00:42:52,800

a very ancient way of living they hunted

1120

00:42:56,569 --> 00:42:54,000

and lived off the land and everything

1121

00:42:59,569 --> 00:42:56,579

else he wouldn't do that just to mess

1122

00:43:02,089 --> 00:42:59,579

with me I so from that day on it kind of

1123

00:43:03,349 --> 00:43:02,099

changed my belief that yeah they there

1124

00:43:04,550 --> 00:43:03,359

is something to it you know they do

1125

00:43:06,470 --> 00:43:04,560

exist

1126

00:43:08,630 --> 00:43:06,480

yeah actually I did have my own

1127

00:43:11,030 --> 00:43:08,640

encounter once

1128

00:43:13,130 --> 00:43:11,040

um that same lady Wendy the contactee

1129

00:43:16,010 --> 00:43:13,140

moved out to the edge of the National

1130

00:43:18,710 --> 00:43:16,020

Forest in Acton

1131

00:43:20,990 --> 00:43:18,720

and the LA National Forest is fairly

1132

00:43:23,569 --> 00:43:21,000

large and I found out does have a long

1133

00:43:25,370 --> 00:43:23,579

history of Bigfoot encounters but she

1134

00:43:27,650 --> 00:43:25,380

calls me up one day he's like oh Bigfoot

1135

00:43:29,450 --> 00:43:27,660

showed up really

1136

00:43:31,370 --> 00:43:29,460

I'm just like honest to God you know

1137

00:43:33,410 --> 00:43:31,380

talk to my roommate talk to my son they

1138

00:43:36,109 --> 00:43:33,420

saw it looking in the window

1139

00:43:38,150 --> 00:43:36,119

and I went over there and talked to them

1140

00:43:40,910 --> 00:43:38,160

they were all very sincere there's

1141

00:43:42,050 --> 00:43:40,920

Footprints they weren't super conclusive

1142

00:43:45,410 --> 00:43:42,060

or anything but there was something

1143

00:43:47,809 --> 00:43:45,420

there because I went into this tree and

1144

00:43:50,450 --> 00:43:47,819

there was a big Branch broken

1145

00:43:53,329 --> 00:43:50,460

and uh so she's describing all of this

1146

00:43:55,130 --> 00:43:53,339

and she says it's talking to me she says

1147

00:43:57,950 --> 00:43:55,140

I think it likes me they don't kidnap

1148

00:43:59,809 --> 00:43:57,960

anyone ever do they I said oh no that

1149

00:44:02,089 --> 00:43:59,819

that never happens

1150

00:44:04,849 --> 00:44:02,099

and uh started doing research and found

1151
00:44:08,270 --> 00:44:04,859
out well actually there are you know a

1152
00:44:10,730 --> 00:44:08,280
half dozen cases or more people who have

1153
00:44:12,050 --> 00:44:10,740
allegedly been kidnapped by them

1154
00:44:14,450 --> 00:44:12,060
and certainly there's Native American

1155
00:44:15,910 --> 00:44:14,460
stories about that as well yeah so I

1156
00:44:18,109 --> 00:44:15,920
called her up I'm like well

1157
00:44:20,270 --> 00:44:18,119
that does happen but I wouldn't worry

1158
00:44:22,370 --> 00:44:20,280
about it it's pretty rare you should be

1159
00:44:24,650 --> 00:44:22,380
fine

1160
00:44:26,349 --> 00:44:24,660
but I ended up going up there so I think

1161
00:44:28,250 --> 00:44:26,359
I know where this thing is coming from

1162
00:44:30,050 --> 00:44:28,260
she lived right on the edge of the

1163
00:44:32,390 --> 00:44:30,060

forest like well let's go there let's

1164

00:44:34,250 --> 00:44:32,400

check this out and we've brought all

1165

00:44:35,510 --> 00:44:34,260

kinds of equipment right cameras and

1166

00:44:37,970 --> 00:44:35,520

sound equipment

1167

00:44:40,010 --> 00:44:37,980

and it was Dusk and we went out there on

1168

00:44:43,609 --> 00:44:40,020

this dirt road out into the forest

1169

00:44:46,309 --> 00:44:43,619

and it was really steep Ravines and very

1170

00:44:47,569 --> 00:44:46,319

harsh terrain just a few miles from our

1171

00:44:50,270 --> 00:44:47,579

house

1172

00:44:51,829 --> 00:44:50,280

which was a few miles off the freeway so

1173

00:44:54,589 --> 00:44:51,839

it's not like super far into the

1174

00:44:56,630 --> 00:44:54,599

Wilderness but deep enough

1175

00:44:58,309 --> 00:44:56,640

and no sooner had we pulled over you

1176

00:45:00,770 --> 00:44:58,319

know she gets out of the car

1177

00:45:02,630 --> 00:45:00,780

I drove and she's going to the back seat

1178

00:45:04,730 --> 00:45:02,640

to pull out the equipment

1179

00:45:06,530 --> 00:45:04,740

when I opened the door and I walk up to

1180

00:45:08,809 --> 00:45:06,540

the front of the car she's like it's in

1181

00:45:10,849 --> 00:45:08,819

that regime I'm looking at this Ravine

1182

00:45:13,670 --> 00:45:10,859

which is super Steep and

1183

00:45:15,950 --> 00:45:13,680

could not possibly climb it it's just

1184

00:45:17,450 --> 00:45:15,960

super thick with brush right so I walk

1185

00:45:18,410 --> 00:45:17,460

up to the edge of it and I'm looking at

1186

00:45:21,530 --> 00:45:18,420

it

1187

00:45:22,790 --> 00:45:21,540

and suddenly I hear this Roar really

1188

00:45:24,650 --> 00:45:22,800

loud

1189

00:45:27,370 --> 00:45:24,660

and I thought what the heck and I look

1190

00:45:30,650 --> 00:45:27,380

up thinking is there a plane overhead

1191

00:45:32,809 --> 00:45:30,660

buzzing me of course if there wasn't

1192

00:45:35,390 --> 00:45:32,819

uh but it reminded me of a time I had

1193

00:45:37,550 --> 00:45:35,400

gone to the zoo and had a lion

1194

00:45:39,170 --> 00:45:37,560

yeah it was a lion roar right next to me

1195

00:45:40,130 --> 00:45:39,180

I was right next to the lion when it

1196

00:45:41,510 --> 00:45:40,140

roared

1197

00:45:44,450 --> 00:45:41,520

and I don't know if you've ever had that

1198

00:45:47,150 --> 00:45:44,460

experience but yeah in your chest yes

1199

00:45:49,370 --> 00:45:47,160

yeah and that's what it felt like

1200

00:45:52,430 --> 00:45:49,380

and the first time in my oh my God

1201
00:45:54,650 --> 00:45:52,440
because it roared for a good 10 seconds

1202
00:45:58,130 --> 00:45:54,660
which is long

1203
00:45:59,870 --> 00:45:58,140
um you don't ex what the heck

1204
00:46:02,329 --> 00:45:59,880
and I'm looking around trying to you

1205
00:46:05,270 --> 00:46:02,339
know triangulate it pinpoint it

1206
00:46:09,109 --> 00:46:05,280
and she's freaking out she's like

1207
00:46:11,390 --> 00:46:09,119
screaming and it Roars again and this

1208
00:46:13,849 --> 00:46:11,400
time I know I can tell because you know

1209
00:46:16,370 --> 00:46:13,859
you can sort of see you know what I mean

1210
00:46:18,530 --> 00:46:16,380
you can pinpoint the sound this thing

1211
00:46:19,790 --> 00:46:18,540
was just a couple hundred yards away I'm

1212
00:46:22,490 --> 00:46:19,800
guessing

1213
00:46:25,370 --> 00:46:22,500

and I'm running towards it he's like

1214

00:46:26,349 --> 00:46:25,380

what are you doing get in the car we're

1215

00:46:30,349 --> 00:46:26,359

leaving

1216

00:46:32,990 --> 00:46:30,359

I'm like oh shoot she says it roared

1217

00:46:34,730 --> 00:46:33,000

three times I'm pretty sure it was twice

1218

00:46:36,950 --> 00:46:34,740

uh maybe she's right because it was

1219

00:46:38,870 --> 00:46:36,960

quite surprising but she made me get

1220

00:46:40,490 --> 00:46:38,880

back in the car she was absolutely

1221

00:46:43,250 --> 00:46:40,500

hysterical

1222

00:46:45,109 --> 00:46:43,260

now we've reluctantly left

1223

00:46:48,290 --> 00:46:45,119

but I'm absolutely convinced that wasn't

1224

00:46:50,030 --> 00:46:48,300

a bear we had cougar growing up where I

1225

00:46:52,790 --> 00:46:50,040

was in Topanga Canyon

1226

00:46:55,069 --> 00:46:52,800

uh we had a guy who had pet cougars

1227

00:46:56,510 --> 00:46:55,079

for the Mercury Lincoln commercials he

1228

00:46:58,130 --> 00:46:56,520

kept them in cages and we'd hear them

1229

00:46:59,390 --> 00:46:58,140

roaring all the time I know it wasn't

1230

00:47:00,890 --> 00:46:59,400

that

1231

00:47:03,050 --> 00:47:00,900

and I

1232

00:47:05,450 --> 00:47:03,060

I don't know what it was if it wasn't a

1233

00:47:07,130 --> 00:47:05,460

Bigfoot I can't say for sure

1234

00:47:08,630 --> 00:47:07,140

but I can tell you it wasn't a bear it

1235

00:47:09,710 --> 00:47:08,640

wasn't a lion

1236

00:47:11,450 --> 00:47:09,720

wasn't

1237

00:47:13,790 --> 00:47:11,460

a cougar

1238

00:47:15,410 --> 00:47:13,800

I don't know that's cool

1239

00:47:18,069 --> 00:47:15,420

but uh I wanted to stay there but she

1240

00:47:23,030 --> 00:47:21,050

so you had previous belief that this was

1241

00:47:25,130 --> 00:47:23,040

a hot spot with a good chance so you

1242

00:47:26,510 --> 00:47:25,140

were already looking for that yeah and I

1243

00:47:28,730 --> 00:47:26,520

looked it up and there were actual

1244

00:47:31,250 --> 00:47:28,740

accounts in that area you know

1245

00:47:32,809 --> 00:47:31,260

stretching throughout history yeah so it

1246

00:47:34,130 --> 00:47:32,819

wasn't just resting on her eyewitness

1247

00:47:35,930 --> 00:47:34,140

testimony

1248

00:47:37,490 --> 00:47:35,940

and she gave you all kinds of details

1249

00:47:39,950 --> 00:47:37,500

that she couldn't possibly have known

1250

00:47:43,069 --> 00:47:39,960

unless she was reading UFO books and I

1251
00:47:45,370 --> 00:47:43,079
searched her house like just you know as

1252
00:47:49,790 --> 00:47:45,380
an investigator you do you're very nosy

1253
00:47:52,430 --> 00:47:49,800
and she had not read anything on Bigfoot

1254
00:47:54,170 --> 00:47:52,440
and she was describing how they you know

1255
00:47:56,569 --> 00:47:54,180
it's she says it would scream like a

1256
00:47:59,690 --> 00:47:56,579
woman being murdered in the wash

1257
00:48:02,510 --> 00:47:59,700
and uh yeah they do that one time it

1258
00:48:04,010 --> 00:48:02,520
came to put a boulder on top of my roof

1259
00:48:06,290 --> 00:48:04,020
like yeah they're all about rock

1260
00:48:08,450 --> 00:48:06,300
throwing and this sort of thing which is

1261
00:48:11,150 --> 00:48:08,460
it took two three guys to go up on her

1262
00:48:13,910 --> 00:48:11,160
roof and pull this Boulder off

1263
00:48:15,530 --> 00:48:13,920

I like the trees upside down they

1264

00:48:18,109 --> 00:48:15,540

haven't been cut down they've been like

1265

00:48:20,870 --> 00:48:18,119

torn out roots are still intact then

1266

00:48:23,450 --> 00:48:20,880

flipped or inverted and then slam back

1267

00:48:25,190 --> 00:48:23,460

into the ground upside down with the

1268

00:48:27,470 --> 00:48:25,200

roots in the air like the amount of man

1269

00:48:30,589 --> 00:48:27,480

or muscle power you would need to do

1270

00:48:33,710 --> 00:48:30,599

that as a biological creature is immense

1271

00:48:36,290 --> 00:48:33,720

you can't imagine just imagine the the

1272

00:48:38,690 --> 00:48:36,300

chimpanzee like how strong they are oh

1273

00:48:41,390 --> 00:48:38,700

yeah they're smaller than us but they

1274

00:48:42,710 --> 00:48:41,400

are freakishly strong yeah so you think

1275

00:48:44,690 --> 00:48:42,720

about if you have something that's even

1276

00:48:47,809 --> 00:48:44,700

bigger than that like Sasquatch or

1277

00:48:51,230 --> 00:48:47,819

Bigfoot the strength of these things

1278

00:48:52,910 --> 00:48:51,240

must be immense like they could just

1279

00:48:55,790 --> 00:48:52,920

tear you apart like that if they wanted

1280

00:48:58,370 --> 00:48:55,800

to right like it's yeah that's scary

1281

00:49:00,170 --> 00:48:58,380

it's 100 real people don't believe in it

1282

00:49:02,210 --> 00:49:00,180

they have not done their homework right

1283

00:49:04,250 --> 00:49:02,220

they don't need to be rude but I agree

1284

00:49:07,670 --> 00:49:04,260

the evidence is there for those who are

1285

00:49:09,410 --> 00:49:07,680

willing to you know examine it

1286

00:49:11,089 --> 00:49:09,420

I need to explore it more because I've

1287

00:49:13,490 --> 00:49:11,099

been on the fence like I said with the

1288

00:49:15,410 --> 00:49:13,500

whole Bigfoot thing but the more I talk

1289

00:49:16,910 --> 00:49:15,420

to people the more I'm starting to

1290

00:49:18,730 --> 00:49:16,920

understand that maybe I should look at

1291

00:49:21,109 --> 00:49:18,740

it as well that's another part of

1292

00:49:24,230 --> 00:49:21,119

ufology I guess another Branch off

1293

00:49:25,190 --> 00:49:24,240

ufology that we need to explore more as

1294

00:49:27,710 --> 00:49:25,200

well

1295

00:49:29,930 --> 00:49:27,720

um have you had any cases let's say of

1296

00:49:31,849 --> 00:49:29,940

abductions or close encounters that are

1297

00:49:35,150 --> 00:49:31,859

your favorite

1298

00:49:37,069 --> 00:49:35,160

oh yeah yeah for sure I mean there's a

1299

00:49:39,170 --> 00:49:37,079

whole long list of them

1300

00:49:41,870 --> 00:49:39,180

um one guy really impressed me Kevin

1301

00:49:45,410 --> 00:49:41,880

Cannon he's a Navy medic

1302

00:49:47,270 --> 00:49:45,420

and uh I interviewed him he's approached

1303

00:49:50,329 --> 00:49:47,280

me after I'd spoken down in San Diego

1304

00:49:51,410 --> 00:49:50,339

and I was talking about praying mantis

1305

00:49:54,950 --> 00:49:51,420

CTS

1306

00:49:57,109 --> 00:49:54,960

and you know shown some images he's like

1307

00:49:58,670 --> 00:49:57,119

well I saw one of those and didn't quite

1308

00:50:01,849 --> 00:49:58,680

look like that but you were close and

1309

00:50:04,550 --> 00:50:01,859

described a very interesting

1310

00:50:07,010 --> 00:50:04,560

and Connor which he remembered in waking

1311

00:50:08,990 --> 00:50:07,020

consciousness you know without hypnosis

1312

00:50:10,010 --> 00:50:09,000

which I think does work but I've shied

1313

00:50:12,290 --> 00:50:10,020

away from it just because of the

1314

00:50:15,109 --> 00:50:12,300

controversies surrounding it and false

1315

00:50:17,510 --> 00:50:15,119

memory syndrome and yeah all that

1316

00:50:19,790 --> 00:50:17,520

I I support it I think it's a valid tool

1317

00:50:22,609 --> 00:50:19,800

but just in the interests of my own

1318

00:50:26,270 --> 00:50:22,619

research I can tell people absolutely

1319

00:50:28,670 --> 00:50:26,280

100 my cases do not rely on hypnotic

1320

00:50:30,710 --> 00:50:28,680

regression for the most part and his

1321

00:50:32,329 --> 00:50:30,720

certainly didn't he described a very

1322

00:50:33,230 --> 00:50:32,339

intense encounter where he was taken on

1323

00:50:36,950 --> 00:50:33,240

board

1324

00:50:39,410 --> 00:50:36,960

and saw three praying mantis et's she

1325

00:50:41,390 --> 00:50:39,420

said we're 15 feet tall

1326

00:50:44,030 --> 00:50:41,400

and I'm like wow that's pretty tall

1327

00:50:45,589 --> 00:50:44,040

Kevin because most of them I already

1328

00:50:47,450 --> 00:50:45,599

were like nine feet tall he's like well

1329

00:50:49,609 --> 00:50:47,460

listen one of them came right up to me

1330

00:50:51,530 --> 00:50:49,619

and grabbed my shoulder I was looking up

1331

00:50:55,730 --> 00:50:51,540

at it it was more than twice my height

1332

00:50:58,730 --> 00:50:55,740

I'm six foot two inches almost three

1333

00:51:00,530 --> 00:50:58,740

and this was 15 feet tall I'm telling

1334

00:51:02,030 --> 00:51:00,540

you it was like looking up at a

1335

00:51:05,150 --> 00:51:02,040

basketball hoop you know about

1336

00:51:08,530 --> 00:51:05,160

basketball thing is how he described it

1337

00:51:11,569 --> 00:51:08,540

phone white really thin stick like lens

1338

00:51:14,210 --> 00:51:11,579

claw like hands eyes the size of

1339

00:51:16,010 --> 00:51:14,220

basketballs so I one eyeball was bigger

1340

00:51:19,010 --> 00:51:16,020

than his head he said

1341

00:51:21,109 --> 00:51:19,020

that was a long conversation with these

1342

00:51:22,790 --> 00:51:21,119

things

1343

00:51:24,170 --> 00:51:22,800

scared The Living Daylights out of him

1344

00:51:26,450 --> 00:51:24,180

even though it was

1345

00:51:28,250 --> 00:51:26,460

really a benevolent encounter

1346

00:51:30,829 --> 00:51:28,260

that's a favorite

1347

00:51:33,049 --> 00:51:30,839

probably my most favorite is the subject

1348

00:51:35,630 --> 00:51:33,059

of my latest book which is called

1349

00:51:38,930 --> 00:51:35,640

symmetry A true UFO Adventure

1350

00:51:40,309 --> 00:51:38,940

it's about this uh Lady by the name of

1351

00:51:43,370 --> 00:51:40,319

Dolly saffron

1352

00:51:45,950 --> 00:51:43,380

and uh she contacted me

1353

00:51:47,390 --> 00:51:45,960

uh looking for you know someone to tell

1354

00:51:49,190 --> 00:51:47,400

her story

1355

00:51:50,809 --> 00:51:49,200

and after vetting her and she had

1356

00:51:52,370 --> 00:51:50,819

photographs she had corroborating

1357

00:51:55,069 --> 00:51:52,380

Witnesses

1358

00:51:57,410 --> 00:51:55,079

medical evidence and she had a lot of

1359

00:51:59,990 --> 00:51:57,420

stuff to back up her story

1360

00:52:02,390 --> 00:52:00,000

and she is what I would call a fully

1361

00:52:04,430 --> 00:52:02,400

conscious contact team

1362

00:52:07,190 --> 00:52:04,440

um you may have heard of Jim Sparks

1363

00:52:09,530 --> 00:52:07,200

he's pretty well known for not using

1364

00:52:12,349 --> 00:52:09,540

hypnosis to recall his encounters

1365

00:52:14,630 --> 00:52:12,359

and that's true with Dolly too she

1366

00:52:17,210 --> 00:52:14,640

describes a lifetime of encounters and

1367

00:52:19,430 --> 00:52:17,220

it's easily the most extensive case of

1368

00:52:21,410 --> 00:52:19,440

anyone I've ever interviewed or really

1369

00:52:24,410 --> 00:52:21,420

even read about matter

1370

00:52:25,849 --> 00:52:24,420

but she described how she was taken up

1371

00:52:28,790 --> 00:52:25,859

and are like you know would you like to

1372

00:52:31,549 --> 00:52:28,800

work with us Grace right

1373

00:52:32,690 --> 00:52:31,559

and she says yes I would love that and I

1374

00:52:33,890 --> 00:52:32,700

said well what do you want to do you

1375

00:52:36,049 --> 00:52:33,900

know there's all these opportunities

1376
00:52:37,970 --> 00:52:36,059
what do you want to do with your life we

1377
00:52:39,349 --> 00:52:37,980
can assist you with that and this is

1378
00:52:40,549 --> 00:52:39,359
something I've you know other people

1379
00:52:42,290 --> 00:52:40,559
have told me

1380
00:52:45,349 --> 00:52:42,300
she's like well I'd love to learn how to

1381
00:52:48,530 --> 00:52:45,359
fly your craft I said okay

1382
00:52:50,270 --> 00:52:48,540
get in the seat and basically that for

1383
00:52:52,849 --> 00:52:50,280
you know she was 14 years old when she

1384
00:52:54,650 --> 00:52:52,859
had this fully waking encounter

1385
00:52:56,809 --> 00:52:54,660
they sat her down and took her off to

1386
00:52:58,609 --> 00:52:56,819
see the planet Saturn

1387
00:53:01,250 --> 00:52:58,619
and when she said that I'm like oh this

1388
00:53:02,390 --> 00:53:01,260

is exactly what Jay Gardner a man had

1389

00:53:05,390 --> 00:53:02,400

interviewed

1390

00:53:07,370 --> 00:53:05,400

just shortly before that described he

1391

00:53:08,390 --> 00:53:07,380

was 12 years old when they did that to

1392

00:53:12,650 --> 00:53:08,400

him

1393

00:53:15,049 --> 00:53:12,660

and he flew The Craft

1394

00:53:16,549 --> 00:53:15,059

and I've talked to other people who you

1395

00:53:18,589 --> 00:53:16,559

know said that they were taught how to

1396

00:53:21,109 --> 00:53:18,599

apply the craft so here's Dolly

1397

00:53:24,049 --> 00:53:21,119

describing it in much greater detail did

1398

00:53:27,170 --> 00:53:24,059

they use their Consciousness uh Preston

1399

00:53:28,970 --> 00:53:27,180

for their uh for flying the craft was it

1400

00:53:30,410 --> 00:53:28,980

a Consciousness thing or was there an

1401
00:53:32,210 --> 00:53:30,420
actual mechanical

1402
00:53:34,549 --> 00:53:32,220
aspect to it

1403
00:53:36,170 --> 00:53:34,559
uh Consciousness primarily I mean there

1404
00:53:38,270 --> 00:53:36,180
was they handed her this little

1405
00:53:40,250 --> 00:53:38,280
wand-like device and said this will hook

1406
00:53:43,190 --> 00:53:40,260
up to you mentally and

1407
00:53:44,690 --> 00:53:43,200
uh you will be able to use this and uh

1408
00:53:46,849 --> 00:53:44,700
just you know we'll give you the

1409
00:53:48,230 --> 00:53:46,859
coordinates and off they win

1410
00:53:51,470 --> 00:53:48,240
uh

1411
00:53:53,210 --> 00:53:51,480
and this is and I know how this must

1412
00:53:55,309 --> 00:53:53,220
sound to a skeptic like what they took

1413
00:53:58,910 --> 00:53:55,319

you to Saturn again I have another case

1414

00:54:00,589 --> 00:53:58,920

Ray Fowler of Betty Andreas and fame

1415

00:54:03,589 --> 00:54:00,599

also had the same darn experience when

1416

00:54:04,849 --> 00:54:03,599

he was a kid Leo sprinkle as well and

1417

00:54:06,530 --> 00:54:04,859

others

1418

00:54:08,210 --> 00:54:06,540

and to hear you know other people

1419

00:54:10,250 --> 00:54:08,220

telling me yes you know they sat down

1420

00:54:13,370 --> 00:54:10,260

and I mentally flew this craft

1421

00:54:15,290 --> 00:54:13,380

and Dolly described it in great detail

1422

00:54:17,930 --> 00:54:15,300

being you know having no fear of her

1423

00:54:19,670 --> 00:54:17,940

encounters and being fully awake she was

1424

00:54:22,250 --> 00:54:19,680

able to give more information about this

1425

00:54:23,750 --> 00:54:22,260

and she says you know that all the craft

1426

00:54:26,089 --> 00:54:23,760

are conscious

1427

00:54:29,690 --> 00:54:26,099

like what do you mean she says all of

1428

00:54:31,190 --> 00:54:29,700

them they are indwelt by a being that

1429

00:54:33,770 --> 00:54:31,200

flies The Craft

1430

00:54:35,329 --> 00:54:33,780

and connects up to it

1431

00:54:36,770 --> 00:54:35,339

and uh

1432

00:54:38,510 --> 00:54:36,780

I have to tell you many people have told

1433

00:54:40,970 --> 00:54:38,520

me that but couldn't quite figure it out

1434

00:54:42,589 --> 00:54:40,980

like I felt like this thing was alive

1435

00:54:45,109 --> 00:54:42,599

like what do you mean like I don't know

1436

00:54:46,970 --> 00:54:45,119

I just felt like it was and Dolly was

1437

00:54:50,690 --> 00:54:46,980

able to say oh yeah you know

1438

00:54:53,030 --> 00:54:50,700

there's an entity who dwells it and she

1439

00:54:55,309 --> 00:54:53,040

gave all kinds of detail it was you know

1440

00:54:56,329 --> 00:54:55,319

I really focused on that aspect in the

1441

00:54:57,230 --> 00:54:56,339

book because I thought it was so

1442

00:55:00,950 --> 00:54:57,240

interesting

1443

00:55:02,210 --> 00:55:00,960

well we talked about that uh sorry I

1444

00:55:03,530 --> 00:55:02,220

think your volume is a little too high

1445

00:55:05,690 --> 00:55:03,540

there Preston

1446

00:55:07,670 --> 00:55:05,700

a bit of feedback

1447

00:55:10,250 --> 00:55:07,680

all right sorry is that better new mic

1448

00:55:12,650 --> 00:55:10,260

you're still working it out

1449

00:55:15,589 --> 00:55:12,660

I can turn it down if you want no the

1450

00:55:19,069 --> 00:55:15,599

mic is perfect the feedback from our

1451

00:55:21,950 --> 00:55:19,079

yeah from us to the mic but uh no we

1452

00:55:25,010 --> 00:55:21,960

were talking about how um even listening

1453

00:55:28,370 --> 00:55:25,020

to uh the Navy or their recent incident

1454

00:55:31,450 --> 00:55:28,380

with like the Tic Tac in 2004 how these

1455

00:55:33,829 --> 00:55:31,460

things fly is

1456

00:55:36,910 --> 00:55:33,839

Consciousness like they're aware like he

1457

00:55:39,589 --> 00:55:36,920

said that uh what was it Captain fravor

1458

00:55:41,030 --> 00:55:39,599

David fravor I think

1459

00:55:43,730 --> 00:55:41,040

um he mentioned when he was going down

1460

00:55:45,650 --> 00:55:43,740

in a loop to approach this thing it

1461

00:55:48,109 --> 00:55:45,660

turned around as if it like consciously

1462

00:55:50,329 --> 00:55:48,119

knew that he was coming down

1463

00:55:52,250 --> 00:55:50,339

towards it and then it started circling

1464

00:55:53,990 --> 00:55:52,260

around him and they were doing this sort

1465

00:55:56,210 --> 00:55:54,000

of dance in the sky until it took off

1466

00:55:58,790 --> 00:55:56,220

but it takes off at the speed of thought

1467

00:56:00,230 --> 00:55:58,800

that's why they're so freaking fast it's

1468

00:56:02,750 --> 00:56:00,240

just a thought I want to be over there

1469

00:56:04,910 --> 00:56:02,760

you're there right and that's what's

1470

00:56:06,530 --> 00:56:04,920

amazing about this but we often would

1471

00:56:08,990 --> 00:56:06,540

explore that like were these things

1472

00:56:10,370 --> 00:56:09,000

operated consciously and you just

1473

00:56:11,990 --> 00:56:10,380

mentioned that you've had tons of people

1474

00:56:14,809 --> 00:56:12,000

tell you yes these are operated

1475

00:56:17,089 --> 00:56:14,819

consciously so Consciousness seems to

1476

00:56:19,010 --> 00:56:17,099

keep reoccurring as a theme

1477

00:56:20,510 --> 00:56:19,020

um whenever we interview people they

1478

00:56:23,089 --> 00:56:20,520

keep talking about Consciousness so

1479

00:56:25,849 --> 00:56:23,099

there's validity there to it

1480

00:56:26,990 --> 00:56:25,859

yeah yeah absolutely I think it's really

1481

00:56:28,730 --> 00:56:27,000

interesting because if you look into the

1482

00:56:31,430 --> 00:56:28,740

Whistleblower accounts of Crash

1483

00:56:33,470 --> 00:56:31,440

retrievals reverse engineering

1484

00:56:36,470 --> 00:56:33,480

and you know supposedly we do have these

1485

00:56:38,390 --> 00:56:36,480

craft secreted places like Area 51 and

1486

00:56:43,569 --> 00:56:38,400

Wright-Patterson

1487

00:56:49,370 --> 00:56:46,010

let's face it there's a lot more out

1488

00:56:50,690 --> 00:56:49,380

there than just Roswell yeah but you

1489

00:56:52,430 --> 00:56:50,700

know according to the Iowa eyewitness

1490

00:56:54,290 --> 00:56:52,440

reports The Whistleblower reports

1491

00:56:56,030 --> 00:56:54,300

they've gone inside some of these things

1492

00:56:58,609 --> 00:56:56,040

they're like well you know where's the

1493

00:56:59,630 --> 00:56:58,619

controls how do they operate I said that

1494

00:57:02,990 --> 00:56:59,640

too

1495

00:57:04,849 --> 00:57:03,000

right no control surfaces just uh all

1496

00:57:07,190 --> 00:57:04,859

smooth looks like one piece like it was

1497

00:57:09,650 --> 00:57:07,200

3D printed somehow yeah yeah I

1498

00:57:12,650 --> 00:57:09,660

interviewed a guy in Utah Don Anderson

1499

00:57:15,470 --> 00:57:12,660

is his name he's also woke up to his

1500

00:57:18,230 --> 00:57:15,480

experiences and didn't need hypnosis he

1501
00:57:19,549 --> 00:57:18,240
tried it but now remembers it

1502
00:57:23,450 --> 00:57:19,559
consciously

1503
00:57:25,910 --> 00:57:23,460
and uh he saw Bob Lazar's drawings

1504
00:57:28,130 --> 00:57:25,920
and he says oh that's exactly the kind

1505
00:57:30,049 --> 00:57:28,140
of crap I was on I know Bob Lazar was

1506
00:57:31,609 --> 00:57:30,059
telling you the truth there's no way

1507
00:57:35,270 --> 00:57:31,619
you could have made this up because

1508
00:57:37,250 --> 00:57:35,280
that's exactly what I was on board yeah

1509
00:57:39,530 --> 00:57:37,260
and they're strong about those are fans

1510
00:57:41,690 --> 00:57:39,540
yeah yeah we believe his story for sure

1511
00:57:43,970 --> 00:57:41,700
maybe he embellished his educational

1512
00:57:46,069 --> 00:57:43,980
record for resume purposes I mean I

1513
00:57:48,589 --> 00:57:46,079

think everybody does nowadays or always

1514

00:57:51,650 --> 00:57:48,599

has right but I think he knows too much

1515

00:57:53,150 --> 00:57:51,660

and the whole element 115 thing how do

1516

00:57:55,549 --> 00:57:53,160

you predict an element that's you know

1517

00:57:58,250 --> 00:57:55,559

20 years away and that the properties

1518

00:58:00,410 --> 00:57:58,260

would suit that type of uh you know a

1519

00:58:02,150 --> 00:58:00,420

nuclear engine sort of thing it I think

1520

00:58:04,430 --> 00:58:02,160

it's just too coincidental he gets a lot

1521

00:58:07,069 --> 00:58:04,440

of heat but uh we're big proponents of

1522

00:58:09,049 --> 00:58:07,079

bubbles are yeah and what he said is

1523

00:58:10,549 --> 00:58:09,059

certainly not unique there's a lot of

1524

00:58:12,650 --> 00:58:10,559

whistleblowers saying the same darn

1525

00:58:15,710 --> 00:58:12,660

thing he's not the only guy talking

1526
00:58:17,630 --> 00:58:15,720
about you know Area 51 yeah on George

1527
00:58:18,829 --> 00:58:17,640
Knapp and Linda Milton Howe and Bill

1528
00:58:21,710 --> 00:58:18,839
Hamilton

1529
00:58:23,470 --> 00:58:21,720
the third and a bunch of researchers

1530
00:58:25,790 --> 00:58:23,480
have first-time reports from people

1531
00:58:28,910 --> 00:58:25,800
saying the same darn thing while the

1532
00:58:31,609 --> 00:58:28,920
Czar says uh I I believe he's telling

1533
00:58:33,470 --> 00:58:31,619
the truth as well Dolly saffron says oh

1534
00:58:35,450 --> 00:58:33,480
yeah he's telling the truth he said

1535
00:58:37,010 --> 00:58:35,460
things that she knows

1536
00:58:39,170 --> 00:58:37,020
you know in terms of how these crafts

1537
00:58:40,670 --> 00:58:39,180
are flown and the power

1538
00:58:43,849 --> 00:58:40,680

sources

1539

00:58:46,730 --> 00:58:43,859

she says oh yeah he's he's legit

1540

00:58:50,150 --> 00:58:46,740

and even it was the sports model is what

1541

00:58:53,870 --> 00:58:50,160

he describes that uh I think Joe Rogan

1542

00:58:55,309 --> 00:58:53,880

has a um a model of it on his desk now I

1543

00:58:56,569 --> 00:58:55,319

think he somebody made it for him or

1544

00:58:59,030 --> 00:58:56,579

whatever so he has it right there

1545

00:59:02,150 --> 00:58:59,040

whenever he watches that program but

1546

00:59:04,370 --> 00:59:02,160

yeah no I and the thing is there was no

1547

00:59:06,589 --> 00:59:04,380

operation room or no physical

1548

00:59:09,470 --> 00:59:06,599

examination room in that craft that

1549

00:59:10,910 --> 00:59:09,480

seemed to just be like just a scouting

1550

00:59:12,230 --> 00:59:10,920

thing I think you mentioned there was

1551

00:59:15,170 --> 00:59:12,240

just like three seats or something like

1552

00:59:18,109 --> 00:59:15,180

that in it but most people when they are

1553

00:59:19,309 --> 00:59:18,119

aboard a craft always describe a medical

1554

00:59:22,549 --> 00:59:19,319

room

1555

00:59:24,349 --> 00:59:22,559

which to me means that these crafts

1556

00:59:26,210 --> 00:59:24,359

whatever they are are designed to come

1557

00:59:27,710 --> 00:59:26,220

here to do medical procedures because

1558

00:59:30,410 --> 00:59:27,720

why would they build crafts to have

1559

00:59:32,270 --> 00:59:30,420

those rooms in them right and all the

1560

00:59:34,430 --> 00:59:32,280

tools that they use are designed to work

1561

00:59:37,010 --> 00:59:34,440

on us by the looks of it right like the

1562

00:59:39,109 --> 00:59:37,020

needles and the uh whatever it is that

1563

00:59:41,750 --> 00:59:39,119

they they do to people even the implants

1564

00:59:44,870 --> 00:59:41,760

so their interest is in us and like you

1565

00:59:47,809 --> 00:59:44,880

mentioned they don't show any a threat

1566

00:59:50,089 --> 00:59:47,819

towards us but yet we know that we're of

1567

00:59:52,849 --> 00:59:50,099

interest to them and that's a

1568

00:59:54,829 --> 00:59:52,859

fascinating part of this whole thing is

1569

00:59:56,809 --> 00:59:54,839

that you know they're it's not like

1570

00:59:58,789 --> 00:59:56,819

investigating ghosts you know because

1571

01:00:00,470 --> 00:59:58,799

ghosts could just be there because of

1572

01:00:02,569 --> 01:00:00,480

they're stuck there in this case it's

1573

01:00:04,490 --> 01:00:02,579

like they're here for a reason

1574

01:00:06,230 --> 01:00:04,500

and that's the part that fascinates me

1575

01:00:09,349 --> 01:00:06,240

it's like what's that reason like why is

1576

01:00:11,690 --> 01:00:09,359

it us is it us or is it a bigger plan

1577

01:00:13,309 --> 01:00:11,700

out there uh have you come up with any

1578

01:00:16,670 --> 01:00:13,319

theories or anything like that at this

1579

01:00:18,530 --> 01:00:16,680

point being into this for like 35 years

1580

01:00:21,849 --> 01:00:18,540

oh I think we have a pretty good handle

1581

01:00:24,650 --> 01:00:21,859

on their agenda and why they're here

1582

01:00:28,849 --> 01:00:24,660

researchers like Barbara lamb and John

1583

01:00:31,670 --> 01:00:28,859

Mack and Dolores Cannon all these guys

1584

01:00:34,010 --> 01:00:31,680

their research is very much matching up

1585

01:00:35,950 --> 01:00:34,020

with what I found I think it's clear

1586

01:00:38,690 --> 01:00:35,960

they are very interested in us

1587

01:00:41,270 --> 01:00:38,700

examining us and the hybrid baby

1588

01:00:43,789 --> 01:00:41,280

phenomena is one of their agendas

1589

01:00:45,530 --> 01:00:43,799

uh people certainly asked about that I

1590

01:00:47,510 --> 01:00:45,540

had to read a lady from

1591

01:00:50,170 --> 01:00:47,520

oh she lived in California and the East

1592

01:00:53,750 --> 01:00:50,180

Coast she asked them flat out like why

1593

01:00:56,329 --> 01:00:53,760

why are you taking me I said we are

1594

01:00:58,789 --> 01:00:56,339

using your genetics to reinvigorate ours

1595

01:01:01,549 --> 01:00:58,799

which have become damaged due to space

1596

01:01:05,690 --> 01:01:01,559

travel and radiation exposure and

1597

01:01:07,609 --> 01:01:05,700

inter intervention or manipulation

1598

01:01:10,430 --> 01:01:07,619

they've lost the ability to reproduce

1599

01:01:12,170 --> 01:01:10,440

that they are basically reinvigorating

1600

01:01:14,150 --> 01:01:12,180

their genetic stock

1601
01:01:15,289 --> 01:01:14,160
she said are you planning on taking over

1602
01:01:18,049 --> 01:01:15,299
our planet

1603
01:01:19,849 --> 01:01:18,059
and they said no no the planet is far

1604
01:01:21,349 --> 01:01:19,859
too crowded there are many Earth-like

1605
01:01:24,470 --> 01:01:21,359
planets out there we have zero interest

1606
01:01:27,289 --> 01:01:24,480
and you guys are far too violent

1607
01:01:29,630 --> 01:01:27,299
we have no interest in that

1608
01:01:31,730 --> 01:01:29,640
uh but they definitely do seem to be

1609
01:01:34,010 --> 01:01:31,740
very genetics

1610
01:01:37,309 --> 01:01:34,020
uh and that sort of thing

1611
01:01:40,430 --> 01:01:37,319
I think there's multiple agendas uh they

1612
01:01:44,210 --> 01:01:40,440
are very much interested in

1613
01:01:46,430 --> 01:01:44,220

um I'd say trying to wake people up

1614

01:01:47,930 --> 01:01:46,440

because if anyone gets a message Beyond

1615

01:01:50,809 --> 01:01:47,940

you know don't be afraid we won't hurt

1616

01:01:53,630 --> 01:01:50,819

you it will be a warning

1617

01:01:56,150 --> 01:01:53,640

of some kind usually against nuclear

1618

01:02:00,230 --> 01:01:56,160

proliferation or use of nuclear

1619

01:02:03,950 --> 01:02:00,240

materials or are warlike ways greed and

1620

01:02:07,069 --> 01:02:03,960

Corruption or environmental destruction

1621

01:02:09,470 --> 01:02:07,079

one lady I never remain she had a long

1622

01:02:11,569 --> 01:02:09,480

talk with her adult hybrid son said

1623

01:02:15,890 --> 01:02:11,579

we're always watching over you

1624

01:02:17,690 --> 01:02:15,900

uh you should know that uh the greed and

1625

01:02:19,370 --> 01:02:17,700

Corruption is choking your society and

1626

01:02:21,530 --> 01:02:19,380

if you continued on that path you're

1627

01:02:23,150 --> 01:02:21,540

going to destroy your Society like we

1628

01:02:25,490 --> 01:02:23,160

did our own

1629

01:02:28,490 --> 01:02:25,500

they said we've been uh working with

1630

01:02:29,690 --> 01:02:28,500

humans for Millennia upgrading their

1631

01:02:31,490 --> 01:02:29,700

genetics

1632

01:02:33,970 --> 01:02:31,500

and not only humans but animals

1633

01:02:36,770 --> 01:02:33,980

specifically dogs and cats they told her

1634

01:02:39,230 --> 01:02:36,780

to make them more emotionally compatible

1635

01:02:40,730 --> 01:02:39,240

to humans I thought that was really

1636

01:02:43,789 --> 01:02:40,740

interesting because you know everyone

1637

01:02:46,730 --> 01:02:43,799

loves their dogs and cats they are so

1638

01:02:48,049 --> 01:02:46,740

human-like in so many ways they are but

1639

01:02:50,450 --> 01:02:48,059

she said

1640

01:02:53,329 --> 01:02:50,460

they told her uh

1641

01:02:55,309 --> 01:02:53,339

Hurricane Katrina was nothing compared

1642

01:02:56,390 --> 01:02:55,319

to what's coming which turned out to be

1643

01:02:58,309 --> 01:02:56,400

true

1644

01:02:59,690 --> 01:02:58,319

I told her there's a large earthquake

1645

01:03:01,549 --> 01:02:59,700

Vault running down the center of the

1646

01:03:03,829 --> 01:03:01,559

United States that at one point will

1647

01:03:05,450 --> 01:03:03,839

probably be triggered

1648

01:03:07,970 --> 01:03:05,460

they said if people should start

1649

01:03:10,670 --> 01:03:07,980

disappearing from this planet it's being

1650

01:03:12,890 --> 01:03:10,680

done by us for the greater good

1651
01:03:14,510 --> 01:03:12,900
and now we have all these reports of the

1652
01:03:17,750 --> 01:03:14,520
missing 4-1-1

1653
01:03:19,250 --> 01:03:17,760
phenomena people just disappearing

1654
01:03:21,950 --> 01:03:19,260
so

1655
01:03:25,370 --> 01:03:21,960
the these are their agendas you know

1656
01:03:27,289 --> 01:03:25,380
warning us another is to wake us up

1657
01:03:29,630 --> 01:03:27,299
I guess the best way to put it would be

1658
01:03:31,870 --> 01:03:29,640
psychically or spiritually

1659
01:03:34,010 --> 01:03:31,880
and almost without exception

1660
01:03:37,490 --> 01:03:34,020
contactees people who have regular

1661
01:03:40,370 --> 01:03:37,500
contact are profoundly psychic

1662
01:03:42,170 --> 01:03:40,380
and it's not unusual for them to say

1663
01:03:44,510 --> 01:03:42,180

that they have you know healing

1664

01:03:46,849 --> 01:03:44,520

abilities you're doing Hands-On healing

1665

01:03:51,010 --> 01:03:46,859

or mediumship

1666

01:03:53,630 --> 01:03:51,020

or astral travel or precognition or

1667

01:03:55,190 --> 01:03:53,640

levitation even you know Whitley streber

1668

01:03:56,630 --> 01:03:55,200

claimed to have levitated and I thought

1669

01:03:58,789 --> 01:03:56,640

well that's interesting because so did

1670

01:04:01,250 --> 01:03:58,799

Stephen Greer I'm like wait a second

1671

01:04:03,710 --> 01:04:01,260

Jacque Valley had that case same guy who

1672

01:04:05,990 --> 01:04:03,720

was healed had spontaneously levitated

1673

01:04:07,670 --> 01:04:06,000

twice along his encounter

1674

01:04:08,809 --> 01:04:07,680

I end up asking Dolly I'm like I don't

1675

01:04:10,789 --> 01:04:08,819

suppose you've ever had a levitation

1676

01:04:11,930 --> 01:04:10,799

experience and she kind of looked at me

1677

01:04:14,569 --> 01:04:11,940

and smiled I was like well yeah I wasn't

1678

01:04:17,809 --> 01:04:14,579

going to tell you but yeah I've had that

1679

01:04:20,210 --> 01:04:17,819

happen at least three times like really

1680

01:04:22,069 --> 01:04:20,220

tell me about it so I ended up doing a

1681

01:04:25,370 --> 01:04:22,079

whole study on that and I fought a bunch

1682

01:04:27,589 --> 01:04:25,380

of you know contactees who reported

1683

01:04:31,309 --> 01:04:27,599

physical levitation

1684

01:04:33,470 --> 01:04:31,319

this fits in they are waking people up

1685

01:04:35,089 --> 01:04:33,480

to our own I won't even call them

1686

01:04:36,309 --> 01:04:35,099

Supernatural or superhuman abilities

1687

01:04:39,770 --> 01:04:36,319

they're natural

1688

01:04:41,210 --> 01:04:39,780

we have these abilities to you know we

1689

01:04:44,270 --> 01:04:41,220

call past lives

1690

01:04:46,730 --> 01:04:44,280

this is a huge part of contact there's a

1691

01:04:49,250 --> 01:04:46,740

spiritual aspect that is not talked

1692

01:04:51,049 --> 01:04:49,260

about by the nuts and bolts folks

1693

01:04:53,510 --> 01:04:51,059

I know I talked to a lady who was

1694

01:04:56,450 --> 01:04:53,520

interviewed by Bud Hopkins hypnotized

1695

01:04:57,470 --> 01:04:56,460

and she says that he absolutely did not

1696

01:05:00,230 --> 01:04:57,480

write about

1697

01:05:02,270 --> 01:05:00,240

spiritual aspects of her encounter

1698

01:05:04,130 --> 01:05:02,280

probably because he didn't want you know

1699

01:05:05,630 --> 01:05:04,140

it's a lot to swallow

1700

01:05:07,010 --> 01:05:05,640

it's a big pill swallow when you're

1701
01:05:09,109 --> 01:05:07,020
talking about not only being contacted

1702
01:05:10,910 --> 01:05:09,119
by aliens but levitation and going

1703
01:05:13,250 --> 01:05:10,920
through walls and telepathy and

1704
01:05:15,289 --> 01:05:13,260
precognition and healing and channeling

1705
01:05:18,289 --> 01:05:15,299
and psychic reading

1706
01:05:21,950 --> 01:05:18,299
ah it opens up

1707
01:05:24,109 --> 01:05:21,960
it opens up a box of possibilities and

1708
01:05:27,650 --> 01:05:24,119
abilities for these people after this

1709
01:05:29,690 --> 01:05:27,660
contact and one could almost ask do you

1710
01:05:31,190 --> 01:05:29,700
think it's because they're open to these

1711
01:05:33,349 --> 01:05:31,200
experiences that they're having the

1712
01:05:35,030 --> 01:05:33,359
abduction phenomenon or is the abduction

1713
01:05:36,349 --> 01:05:35,040

phenomenon opening up these different

1714

01:05:38,710 --> 01:05:36,359

experiences

1715

01:05:40,609 --> 01:05:38,720

yeah I think it goes both ways right

1716

01:05:43,309 --> 01:05:40,619

absolutely because I know there are

1717

01:05:44,930 --> 01:05:43,319

people who have not you know had a

1718

01:05:46,370 --> 01:05:44,940

lifetime of psychic experiences until

1719

01:05:48,650 --> 01:05:46,380

they had contact

1720

01:05:50,390 --> 01:05:48,660

and other people who are you know do

1721

01:05:52,730 --> 01:05:50,400

have all kinds of stuff going on from

1722

01:05:55,010 --> 01:05:52,740

childhood on and men have contact wait

1723

01:05:57,049 --> 01:05:55,020

so I think it probably goes both ways

1724

01:05:57,890 --> 01:05:57,059

but I can tell you with that lady in

1725

01:06:00,230 --> 01:05:57,900

Maine

1726

01:06:02,510 --> 01:06:00,240

they told her this is our gift to you

1727

01:06:05,210 --> 01:06:02,520

for what you have given to us

1728

01:06:08,930 --> 01:06:05,220

it was another lady from Louisiana they

1729

01:06:10,549 --> 01:06:08,940

said this is our gift to you same words

1730

01:06:12,829 --> 01:06:10,559

and uh

1731

01:06:14,569 --> 01:06:12,839

there was another lady I interviewed uh

1732

01:06:15,890 --> 01:06:14,579

Pat Brown is her name she's a telephone

1733

01:06:18,109 --> 01:06:15,900

operator

1734

01:06:20,270 --> 01:06:18,119

she went to see a Channeler in Sedona

1735

01:06:21,950 --> 01:06:20,280

one day her friend's like let's go see

1736

01:06:24,589 --> 01:06:21,960

the channelers and she had no one Chris

1737

01:06:26,690 --> 01:06:24,599

and her friend just begged him back

1738

01:06:28,670 --> 01:06:26,700

so they go to see this Channel and the

1739

01:06:30,950 --> 01:06:28,680

channel is like I'm

1740

01:06:33,289 --> 01:06:30,960

this guy from a planet Crouton or

1741

01:06:35,930 --> 01:06:33,299

whatever yeah I like that she's like

1742

01:06:38,089 --> 01:06:35,940

you're an alien huh and uh

1743

01:06:41,029 --> 01:06:38,099

she uh

1744

01:06:43,970 --> 01:06:41,039

described going to see this Channeler

1745

01:06:46,130 --> 01:06:43,980

and uh this challenge that I am you know

1746

01:06:47,870 --> 01:06:46,140

gray and from

1747

01:06:49,309 --> 01:06:47,880

and she's like I'd like to see your

1748

01:06:51,529 --> 01:06:49,319

ships

1749

01:06:54,049 --> 01:06:51,539

and uh they said okay we will arrange it

1750

01:06:57,710 --> 01:06:54,059

and she started having

1751

01:06:59,150 --> 01:06:57,720

uh visitations

1752

01:07:01,370 --> 01:06:59,160

and uh

1753

01:07:04,069 --> 01:07:01,380

it was very scary for her she did not

1754

01:07:05,630 --> 01:07:04,079

like it at all it was terrifying right

1755

01:07:07,309 --> 01:07:05,640

and just got to the point where she

1756

01:07:09,170 --> 01:07:07,319

could not take the fear anymore she's

1757

01:07:10,490 --> 01:07:09,180

just living her life in just absolute

1758

01:07:12,049 --> 01:07:10,500

Terror she's like that's it I'm not

1759

01:07:14,150 --> 01:07:12,059

dealing with this anymore if you're if

1760

01:07:15,770 --> 01:07:14,160

I'm truly being abducted take me on

1761

01:07:18,049 --> 01:07:15,780

board right now

1762

01:07:20,630 --> 01:07:18,059

it was after an evening of contact right

1763

01:07:23,510 --> 01:07:20,640

boom they pulled her on board

1764

01:07:25,549 --> 01:07:23,520

and they took her to her quarters

1765

01:07:27,349 --> 01:07:25,559

I'm like whoa your quarters I'd had a

1766

01:07:28,730 --> 01:07:27,359

few people tell me that Dolly talked

1767

01:07:30,170 --> 01:07:28,740

about that she's like oh yeah I have

1768

01:07:33,470 --> 01:07:30,180

this little room they take me to there's

1769

01:07:34,789 --> 01:07:33,480

my bed there's no she's hot there's my

1770

01:07:36,410 --> 01:07:34,799

hairbrush I was wondering where that

1771

01:07:38,750 --> 01:07:36,420

airbrush was

1772

01:07:40,490 --> 01:07:38,760

that's cool yeah this is what Pat Brown

1773

01:07:42,109 --> 01:07:40,500

described it was a very spiritual

1774

01:07:44,450 --> 01:07:42,119

experience for her they took her out of

1775

01:07:46,670 --> 01:07:44,460

her body this is your mask inside this

1776

01:07:48,710 --> 01:07:46,680

is your feminine side did you see that

1777

01:07:50,930 --> 01:07:48,720

dark ring surrounding your planet

1778

01:07:53,510 --> 01:07:50,940

those are negative thought points from

1779

01:07:55,549 --> 01:07:53,520

all the fear you guys are putting out

1780

01:07:58,730 --> 01:07:55,559

and it was a long-involved experience

1781

01:08:01,190 --> 01:07:58,740

but uh long story short she ended up

1782

01:08:03,710 --> 01:08:01,200

quitting her job and becoming a massage

1783

01:08:05,329 --> 01:08:03,720

therapist and healing people

1784

01:08:06,770 --> 01:08:05,339

she's got all these testimonials of

1785

01:08:08,210 --> 01:08:06,780

people she's healed

1786

01:08:11,029 --> 01:08:08,220

because the president's the weirdest

1787

01:08:12,230 --> 01:08:11,039

thing when I'm there doing my healing

1788

01:08:13,670 --> 01:08:12,240

work

1789

01:08:15,410 --> 01:08:13,680

um blue light comes out of my hands and

1790

01:08:17,510 --> 01:08:15,420

I can see the Grays in my mind's eye

1791

01:08:19,789 --> 01:08:17,520

working on their little knobs and panels

1792

01:08:21,650 --> 01:08:19,799

to facilitate the healing

1793

01:08:24,829 --> 01:08:21,660

I don't know

1794

01:08:26,870 --> 01:08:24,839

so I and her case is not unique another

1795

01:08:29,329 --> 01:08:26,880

lady told me the same thing so I'm like

1796

01:08:31,669 --> 01:08:29,339

can I get a healing I'd like to try that

1797

01:08:33,530 --> 01:08:31,679

she said sure and she was doing that

1798

01:08:35,689 --> 01:08:33,540

healing healing I kept seeing these

1799

01:08:38,269 --> 01:08:35,699

pastel lights coming out of her hands

1800

01:08:40,789 --> 01:08:38,279

I'm thinking you know what's going on

1801

01:08:43,189 --> 01:08:40,799

when I told her I'm like I swear I see

1802

01:08:45,050 --> 01:08:43,199

this you know pastel green light coming

1803

01:08:48,470 --> 01:08:45,060

out of her hands and she smiled oh you

1804

01:08:50,870 --> 01:08:48,480

see it some people can some people can't

1805

01:08:52,130 --> 01:08:50,880

and another lady she you know because

1806

01:08:54,769 --> 01:08:52,140

when they if they claim his abilities

1807

01:08:57,530 --> 01:08:54,779

I'm like let's do it I want to try it

1808

01:08:59,689 --> 01:08:57,540

she was able to run energy through my

1809

01:09:01,849 --> 01:08:59,699

legs and it felt like honest to God

1810

01:09:04,249 --> 01:09:01,859

electricity going right up through my

1811

01:09:07,490 --> 01:09:04,259

body made my whole body up and go oh I

1812

01:09:09,289 --> 01:09:07,500

feel that that is amazing I mean I could

1813

01:09:12,349 --> 01:09:09,299

physically feel the energy coming out of

1814

01:09:14,150 --> 01:09:12,359

her hands right I wouldn't say I'm a

1815

01:09:17,570 --> 01:09:14,160

super sensitive guy to that sort of

1816

01:09:19,970 --> 01:09:17,580

thing but I felt that for sure

1817

01:09:22,370 --> 01:09:19,980

and who knows what possibilities the

1818

01:09:24,709 --> 01:09:22,380

human mind the human body is capable of

1819

01:09:27,530 --> 01:09:24,719

and we're still discovering that I mean

1820

01:09:28,789 --> 01:09:27,540

some people to have the the more of a

1821

01:09:30,890 --> 01:09:28,799

religious

1822

01:09:32,209 --> 01:09:30,900

um inclination they're able to do some

1823

01:09:34,249 --> 01:09:32,219

stuff sometimes in the name of the

1824

01:09:36,110 --> 01:09:34,259

religion that is amazing I think it's

1825

01:09:38,390 --> 01:09:36,120

just because of the meditation and the

1826

01:09:40,729 --> 01:09:38,400

practice that they put into it when I

1827

01:09:43,189 --> 01:09:40,739

see the monks do their fighting stuff or

1828

01:09:46,669 --> 01:09:43,199

being able to stand on what looks like a

1829

01:09:48,709 --> 01:09:46,679

pencil you know for hours on on end you

1830

01:09:50,930 --> 01:09:48,719

know and just seem content that is

1831

01:09:53,450 --> 01:09:50,940

amazing like that's just the

1832

01:09:55,610 --> 01:09:53,460

our species is capable of amazing things

1833

01:09:57,590 --> 01:09:55,620

but like you mentioned there's a lot of

1834

01:09:59,990 --> 01:09:57,600

negative energy out there there's you

1835

01:10:01,970 --> 01:10:00,000

know between kovid the political pull

1836

01:10:03,709 --> 01:10:01,980

right now in the states and what's

1837

01:10:06,229 --> 01:10:03,719

happening in Ukraine and Russia I mean

1838

01:10:09,350 --> 01:10:06,239

it's it's let's just face it 2022 hasn't

1839

01:10:11,630 --> 01:10:09,360

been that great but yeah I'm starting to

1840

01:10:13,610 --> 01:10:11,640

believe a lot more into

1841

01:10:16,430 --> 01:10:13,620

um you know the possibilities of the

1842

01:10:18,229 --> 01:10:16,440

human mind the human body and all that

1843

01:10:19,669 --> 01:10:18,239

jazz that comes with it Louie do you

1844

01:10:21,470 --> 01:10:19,679

have any final questions to ask our

1845

01:10:23,630 --> 01:10:21,480

guest today no I just want to extend a

1846

01:10:25,070 --> 01:10:23,640

really warm welcome uh and thanks to

1847

01:10:27,350 --> 01:10:25,080

Preston Dennett for being on our show

1848

01:10:29,090 --> 01:10:27,360

it's super cool to talk about these

1849

01:10:31,250 --> 01:10:29,100

topics with you and you need somebody

1850

01:10:34,130 --> 01:10:31,260

who's equally open-minded to sort of

1851
01:10:35,810 --> 01:10:34,140
toss these things around you know if you

1852
01:10:37,310 --> 01:10:35,820
have it like you said if people are

1853
01:10:39,169 --> 01:10:37,320
Skeptics and say no there's no such

1854
01:10:40,850 --> 01:10:39,179
there's no such thing don't talk to me

1855
01:10:43,790 --> 01:10:40,860
about it that's all you're gonna see

1856
01:10:46,550 --> 01:10:43,800
right so uh it's it's amazing to have a

1857
01:10:48,770 --> 01:10:46,560
like-minded people on our show and to um

1858
01:10:51,350 --> 01:10:48,780
you know have an educated discussion

1859
01:10:53,510 --> 01:10:51,360
about something nobody fully knows about

1860
01:10:55,310 --> 01:10:53,520
and that's a difficult thing you

1861
01:10:57,410 --> 01:10:55,320
mentioned the spiritual aspect you know

1862
01:10:59,090 --> 01:10:57,420
they say never discuss religion in

1863
01:11:01,370 --> 01:10:59,100

politics with your friends well

1864

01:11:04,370 --> 01:11:01,380

everything we discuss dives into both of

1865

01:11:06,590 --> 01:11:04,380

those Realms somehow so it's tough to

1866

01:11:09,709 --> 01:11:06,600

ride that line and stay open-minded but

1867

01:11:11,390 --> 01:11:09,719

you've done that for 35 years and uh you

1868

01:11:13,790 --> 01:11:11,400

know you're welcome

1869

01:11:15,709 --> 01:11:13,800

um a really strong mind to the field and

1870

01:11:17,149 --> 01:11:15,719

we need people like you to keep going so

1871

01:11:19,250 --> 01:11:17,159

keep doing what you're doing we

1872

01:11:22,130 --> 01:11:19,260

appreciate you and we'd love to have you

1873

01:11:24,050 --> 01:11:22,140

back again sometime absolutely yeah yeah

1874

01:11:26,570 --> 01:11:24,060

that'd be great I'm gonna send you guys

1875

01:11:29,630 --> 01:11:26,580

the book symmetry because I think you

1876

01:11:30,830 --> 01:11:29,640

just yeah let's do it let's do it and if

1877

01:11:33,290 --> 01:11:30,840

you want I can put you in touch with

1878

01:11:36,169 --> 01:11:33,300

Dolly because she does have a lot to say

1879

01:11:38,209 --> 01:11:36,179

about this phenomena absolutely anybody

1880

01:11:40,430 --> 01:11:38,219

who's legitimate we would love to have a

1881

01:11:41,990 --> 01:11:40,440

chat with and uh further everybody's

1882

01:11:45,890 --> 01:11:42,000

knowledge on what is potentially

1883

01:11:46,970 --> 01:11:45,900

possible so thank you yeah yeah thanks

1884

01:11:48,410 --> 01:11:46,980

for having me on the show I really

1885

01:11:50,030 --> 01:11:48,420

appreciate it I think this is an

1886

01:11:52,370 --> 01:11:50,040

important subject I know people are

1887

01:11:54,290 --> 01:11:52,380

skeptical the they'll find out soon

1888

01:11:57,050 --> 01:11:54,300

enough because it's real that's true

1889

01:11:58,970 --> 01:11:57,060

that's true yeah Preston Dennett thank

1890

01:12:05,990 --> 01:11:58,980

you so much for being our guest today
