

RYAN STACEY

EP. 98

UAP STUDIES
PODCAST

1
00:00:03,649 --> 00:00:01,850
how are you doing everybody welcome back

2
00:00:05,749 --> 00:00:03,659
it's going to be a great day how you

3
00:00:07,970 --> 00:00:05,759
feeling today Jay I'm feeling fantastic

4
00:00:09,589 --> 00:00:07,980
we got a great guest on today we do have

5
00:00:10,910 --> 00:00:09,599
a great guest on today uh you know he's

6
00:00:12,530 --> 00:00:10,920
a little bit everything he's a fellow

7
00:00:15,530 --> 00:00:12,540
podcaster he's a private investigator

8
00:00:17,330 --> 00:00:15,540
former mufon field uh investigator uh

9
00:00:19,849 --> 00:00:17,340
he's the president of the experiencers

10
00:00:22,310 --> 00:00:19,859
support Association interesting idea

11
00:00:25,130 --> 00:00:22,320
this is a group that helps people deal

12
00:00:27,109 --> 00:00:25,140
with potential PTSD from unexplained

13
00:00:28,370 --> 00:00:27,119

phenomena I mean uh there's not a whole

14

00:00:30,589 --> 00:00:28,380

lot of resources where people can

15

00:00:32,810 --> 00:00:30,599

discuss what happened at least without

16

00:00:35,030 --> 00:00:32,820

fearing of you know being judged or

17

00:00:36,530 --> 00:00:35,040

looking vulnerable or telling a close

18

00:00:38,510 --> 00:00:36,540

friend who's now maybe not going to look

19

00:00:40,670 --> 00:00:38,520

at you the same way anymore so very

20

00:00:41,810 --> 00:00:40,680

valuable resource we got into a lot of

21

00:00:44,869 --> 00:00:41,820

topics you know we discussed the

22

00:00:46,850 --> 00:00:44,879

Paranormal uh mysticism but from a nuts

23

00:00:49,310 --> 00:00:46,860

and bolts mindset if there is such a

24

00:00:51,650 --> 00:00:49,320

thing so I'm super excited to present

25

00:00:53,569 --> 00:00:51,660

our episode today Mr Ryan Stacy was a

26
00:00:56,630 --> 00:00:53,579
great guest and we'll be right back and

27
00:01:00,920 --> 00:00:56,640
let's get right into it let's do this

28
00:01:19,969 --> 00:01:14,280
[Music]

29
00:01:23,929 --> 00:01:21,830
welcome back everybody to another great

30
00:01:25,789 --> 00:01:23,939
episode UAP studies podcast I am Louis

31
00:01:27,770 --> 00:01:25,799
Borges joining me as always my good

32
00:01:30,170 --> 00:01:27,780
friend and illustrious co-host Mr Jason

33
00:01:31,850 --> 00:01:30,180
Gilman how are you I'm good brother I'm

34
00:01:32,990 --> 00:01:31,860
really excited about today's uh guest

35
00:01:34,910 --> 00:01:33,000
we've been looking forward to this

36
00:01:36,530 --> 00:01:34,920
interview for a while now yeah we have a

37
00:01:39,350 --> 00:01:36,540
fellow Canadian most of our guests are

38
00:01:40,969 --> 00:01:39,360

American or in Jacque Valley's case from

39

00:01:42,289 --> 00:01:40,979

France and you know Australia and all

40

00:01:44,149 --> 00:01:42,299

around the world so good to have some

41

00:01:48,230 --> 00:01:44,159

Hometown Blood on the show with us today

42

00:01:50,510 --> 00:01:48,240

and uh a proper mind on the subject we

43

00:01:52,910 --> 00:01:50,520

have a private investigator a fellow

44

00:01:54,530 --> 00:01:52,920

podcaster a citizen journalist uh

45

00:01:56,109 --> 00:01:54,540

president of Tessa which is the

46

00:01:58,370 --> 00:01:56,119

experencer support Association

47

00:02:00,469 --> 00:01:58,380

providing resources and information on

48

00:02:03,410 --> 00:02:00,479

people who are dealing with experiences

49

00:02:04,910 --> 00:02:03,420

paranormal extraterrestrial and also for

50

00:02:07,010 --> 00:02:04,920

people who are just interested in the

51
00:02:09,229 --> 00:02:07,020
field and what it might be about it's a

52
00:02:11,869 --> 00:02:09,239
very good resource as well so we want to

53
00:02:13,850 --> 00:02:11,879
extend a warm welcome to Mr Ryan Stacy

54
00:02:16,369 --> 00:02:13,860
hello thank you for having me yeah

55
00:02:18,350 --> 00:02:16,379
thanks for being here so um explain a

56
00:02:19,790 --> 00:02:18,360
little bit about sort of your uh your

57
00:02:22,190 --> 00:02:19,800
life prior to what you're doing now what

58
00:02:24,050 --> 00:02:22,200
got you interested in these topics and

59
00:02:25,430 --> 00:02:24,060
uh before the show we were chatting a

60
00:02:26,990 --> 00:02:25,440
bit and I heard you mention that you

61
00:02:28,550 --> 00:02:27,000
were able to create the job that you

62
00:02:30,650 --> 00:02:28,560
wanted for yourself which is something

63
00:02:32,270 --> 00:02:30,660

that a million and one self-help books

64

00:02:33,949 --> 00:02:32,280

tell you how to do so

65

00:02:35,869 --> 00:02:33,959

um yeah elaborate a little bit on what

66

00:02:37,250 --> 00:02:35,879

that Journey was like for you

67

00:02:38,809 --> 00:02:37,260

all right so well I've always been a

68

00:02:41,809 --> 00:02:38,819

Paranormal Investigator that's kind of

69

00:02:43,130 --> 00:02:41,819

where it started uh in terms of the

70

00:02:46,070 --> 00:02:43,140

hobby

71

00:02:48,710 --> 00:02:46,080

um I got into investigations around 2005

72

00:02:50,750 --> 00:02:48,720

uh professionally

73

00:02:52,550 --> 00:02:50,760

um and I always like had that paranormal

74

00:02:53,690 --> 00:02:52,560

interest you know while I was kind of

75

00:02:56,449 --> 00:02:53,700

building the business or what no I

76

00:02:58,190 --> 00:02:56,459

started my company in 2015 as a private

77

00:03:01,009 --> 00:02:58,200

investigating company uh it's also

78

00:03:02,930 --> 00:03:01,019

private security but along the ways I

79

00:03:04,610 --> 00:03:02,940

kind of I had different names and titles

80

00:03:06,350 --> 00:03:04,620

to call this like paranormal group that

81

00:03:07,430 --> 00:03:06,360

I had I used to do you know the stuff

82

00:03:09,770 --> 00:03:07,440

that you would

83

00:03:11,930 --> 00:03:09,780

see on TV because that was kind of the

84

00:03:13,009 --> 00:03:11,940

way we thought I thought it was supposed

85

00:03:15,949 --> 00:03:13,019

to be and that's kind of like what

86

00:03:18,589 --> 00:03:15,959

everybody else was doing and uh along

87

00:03:21,790 --> 00:03:18,599

the way I got uh caught up with a bug

88

00:03:25,009 --> 00:03:21,800

called mufon and I spent a

89

00:03:27,530 --> 00:03:25,019

good five no three to yeah three to five

90

00:03:29,690 --> 00:03:27,540

years I can't remember two thousand

91

00:03:30,890 --> 00:03:29,700

fifteen is when I got in I don't know I

92

00:03:34,610 --> 00:03:30,900

can't remember when I got out it's kind

93

00:03:37,190 --> 00:03:34,620

of like Service uh to the military

94

00:03:38,990 --> 00:03:37,200

um so I spent some time there moved up

95

00:03:40,850 --> 00:03:39,000

the ranks in the in the in the

96

00:03:42,350 --> 00:03:40,860

investigative sides will eventually I

97

00:03:45,410 --> 00:03:42,360

became the chief investigator for move

98

00:03:46,789 --> 00:03:45,420

on Canada and then I assisted mufon

99

00:03:48,830 --> 00:03:46,799

National being the field investigator

100

00:03:50,030 --> 00:03:48,840

trainer so I was able I was responsible

101
00:03:55,430 --> 00:03:50,040
for

102
00:03:57,470 --> 00:03:55,440
move on University and teach field

103
00:03:58,550 --> 00:03:57,480
investigators how to investigate you

104
00:04:00,830 --> 00:03:58,560
know things that we can't find

105
00:04:03,589 --> 00:04:00,840
unidentified buying officers objects now

106
00:04:05,690 --> 00:04:03,599
UAP so alongside running a private

107
00:04:08,270 --> 00:04:05,700
investigating company and uh in a

108
00:04:10,550 --> 00:04:08,280
security business so to get to where I

109
00:04:11,869 --> 00:04:10,560
am now was like a long hard work of you

110
00:04:12,890 --> 00:04:11,879
know moving things and selling the

111
00:04:14,929 --> 00:04:12,900
business and doing all these other

112
00:04:16,849 --> 00:04:14,939
things building a good team that's able

113
00:04:20,270 --> 00:04:16,859

to run the company to make me free where

114

00:04:23,210 --> 00:04:20,280

I am now so so as a CEO

115

00:04:25,850 --> 00:04:23,220

um I like I could be relaxing I should

116

00:04:27,950 --> 00:04:25,860

be relaxing but now I'm I'm doing this

117

00:04:30,290 --> 00:04:27,960

full-time because this is what

118

00:04:33,530 --> 00:04:30,300

I now want to do I feel like I have to

119

00:04:35,629 --> 00:04:33,540

do because of the time I invested

120

00:04:38,450 --> 00:04:35,639

um especially with mufon

121

00:04:40,550 --> 00:04:38,460

to the people because I you know as I

122

00:04:42,650 --> 00:04:40,560

evolve and and learn through the people

123

00:04:44,629 --> 00:04:42,660

there is something going on I do have

124

00:04:47,330 --> 00:04:44,639

these skills

125

00:04:49,610 --> 00:04:47,340

um that can be applied to the human

126
00:04:51,710 --> 00:04:49,620
being sensor that that bedside Manner

127
00:04:55,070 --> 00:04:51,720
and I just so happen to

128
00:04:56,570 --> 00:04:55,080
fall into it and now I've created a

129
00:04:58,189 --> 00:04:56,580
second business which is the experience

130
00:05:00,650 --> 00:04:58,199
your support Association which is

131
00:05:03,830 --> 00:05:00,660
actually a media company and which is

132
00:05:07,850 --> 00:05:03,840
responsible for assisting people like

133
00:05:09,469 --> 00:05:07,860
myself who struggle to get into

134
00:05:11,390 --> 00:05:09,479
um you know the Limelight I guess if you

135
00:05:13,370 --> 00:05:11,400
will on this subject

136
00:05:16,310 --> 00:05:13,380
um and now so we now have resources that

137
00:05:19,730 --> 00:05:16,320
kind of help create content as well uh

138
00:05:20,629 --> 00:05:19,740

but Focus around creating

139

00:05:23,029 --> 00:05:20,639

um

140

00:05:25,430 --> 00:05:23,039

support mechanisms for those who are

141

00:05:28,249 --> 00:05:25,440

affected by the phenomenon so while I'm

142

00:05:31,070 --> 00:05:28,259

also pushing disclosure here in Canada

143

00:05:32,930 --> 00:05:31,080

behind the scenes helping a few people

144

00:05:35,749 --> 00:05:32,940

as well I won't mention any names for

145

00:05:38,330 --> 00:05:35,759

now because uh The Works kind of uh

146

00:05:41,570 --> 00:05:38,340

developing but I am while I'm helping

147

00:05:43,390 --> 00:05:41,580

with that it helps me

148

00:05:45,950 --> 00:05:43,400

understand

149

00:05:48,770 --> 00:05:45,960

the human element so investigate all

150

00:05:52,670 --> 00:05:48,780

things so uh what which I call the ultra

151

00:05:54,890 --> 00:05:52,680

Spectrum it's a paranormal Cryptid UFOs

152

00:05:59,810 --> 00:05:54,900

and trying to connect it all together

153

00:06:02,029 --> 00:05:59,820

and essentially where I'm at now is

154

00:06:04,670 --> 00:06:02,039

um trying to prepare for what happens

155

00:06:06,650 --> 00:06:04,680

after disclosure so or after

156

00:06:08,689 --> 00:06:06,660

confirmation if you say disabiliter in

157

00:06:11,270 --> 00:06:08,699

my opinion has already happened uh we're

158

00:06:14,270 --> 00:06:11,280

just waiting for that confession or that

159

00:06:16,310 --> 00:06:14,280

that validation that what we believe is

160

00:06:17,689 --> 00:06:16,320

going on has happened so now I'm

161

00:06:19,730 --> 00:06:17,699

focusing on

162

00:06:20,990 --> 00:06:19,740

what happens next because a lot of

163

00:06:24,110 --> 00:06:21,000

people are pushing to get that

164

00:06:25,189 --> 00:06:24,120

confirmation but not realizing right I

165

00:06:27,950 --> 00:06:25,199

hope they

166

00:06:30,290 --> 00:06:27,960

realize but I don't see the focus too

167

00:06:32,749 --> 00:06:30,300

much focus on how the human population

168

00:06:34,309 --> 00:06:32,759

is going to be affected by that so so

169

00:06:37,309 --> 00:06:34,319

those we have those Skeptics we have

170

00:06:38,870 --> 00:06:37,319

those who don't believe we have those

171

00:06:40,430 --> 00:06:38,880

um who are trying to debunk and trying

172

00:06:42,050 --> 00:06:40,440

to do all these things to get the truth

173

00:06:43,370 --> 00:06:42,060

which is balance everything and being in

174

00:06:44,749 --> 00:06:43,380

the middle as an investigator's heart

175

00:06:47,029 --> 00:06:44,759

because I got to be I got to balance

176

00:06:49,189 --> 00:06:47,039

this and in order to balance it I always

177

00:06:51,230 --> 00:06:49,199

I always end up with with human human

178

00:06:54,550 --> 00:06:51,240

being the source

179

00:06:57,550 --> 00:06:54,560

um so the challenges that I have is when

180

00:07:02,809 --> 00:06:57,560

you get into the abduction phenomenon

181

00:07:05,029 --> 00:07:02,819

where you have sexual abuse you have uh

182

00:07:08,870 --> 00:07:05,039

injuries yeah so assault yeah like all

183

00:07:10,909 --> 00:07:08,880

these criminal offenses uh that you know

184

00:07:13,790 --> 00:07:10,919

that occur

185

00:07:16,790 --> 00:07:13,800

when we find out that UFOs or uaps exist

186

00:07:19,550 --> 00:07:16,800

there's that in inclination or that

187

00:07:22,129 --> 00:07:19,560

um implied thought that those exist as

188

00:07:24,290 --> 00:07:22,139

well and so we need to there has to be

189

00:07:27,890 --> 00:07:24,300

something to prepare the people

190

00:07:29,930 --> 00:07:27,900

um now I do put a lot of I don't put a l

191

00:07:33,110 --> 00:07:29,940

put some trust in the government we'll

192

00:07:35,689 --> 00:07:33,120

just say that uh to to balance it to to

193

00:07:37,610 --> 00:07:35,699

to have that that that belief to think

194

00:07:40,309 --> 00:07:37,620

that even though they haven't told us

195

00:07:42,890 --> 00:07:40,319

everything they told us enough and when

196

00:07:45,409 --> 00:07:42,900

we need to we need to know so there may

197

00:07:47,210 --> 00:07:45,419

be resources that could come out

198

00:07:48,830 --> 00:07:47,220

available with that package if you

199

00:07:50,089 --> 00:07:48,840

decide to say hey these things exist

200

00:07:52,249 --> 00:07:50,099

because if you say yes to one you're

201
00:07:53,510 --> 00:07:52,259
going to say yes to everything

202
00:07:56,809 --> 00:07:53,520
um so there's a lot that's going to go

203
00:07:58,969 --> 00:07:56,819
into it at the same time if they don't

204
00:08:01,309 --> 00:07:58,979
say anything at all

205
00:08:02,390 --> 00:08:01,319
we kind of still have to focus on on the

206
00:08:03,589 --> 00:08:02,400
people because there is something

207
00:08:05,330 --> 00:08:03,599
happening that's what I get into

208
00:08:06,469 --> 00:08:05,340
Consciousness and all that other shot

209
00:08:08,629 --> 00:08:06,479
too

210
00:08:10,790 --> 00:08:08,639
so that's that's where I was that's

211
00:08:13,550 --> 00:08:10,800
where I am

212
00:08:15,170 --> 00:08:13,560
a question you mentioned the disclosure

213
00:08:16,790 --> 00:08:15,180

versus confirmation we were on Dave

214

00:08:18,650 --> 00:08:16,800

Scott spaced out radio the other night

215

00:08:20,270 --> 00:08:18,660

and that's one of the questions he asked

216

00:08:21,350 --> 00:08:20,280

us and he says you know what's the

217

00:08:23,529 --> 00:08:21,360

difference and what are your thoughts

218

00:08:25,730 --> 00:08:23,539

and I said well you know from my opinion

219

00:08:27,650 --> 00:08:25,740

disclosure is important for those people

220

00:08:29,450 --> 00:08:27,660

who need the validation of their career

221

00:08:31,610 --> 00:08:29,460

like George Knapp you know you spend 35

222

00:08:33,350 --> 00:08:31,620

years doing this you want that to

223

00:08:35,630 --> 00:08:33,360

officially come out just to be able to

224

00:08:38,209 --> 00:08:35,640

tell all your naysayers this is real I

225

00:08:41,389 --> 00:08:38,219

Told You So and validation is more I

226

00:08:42,949 --> 00:08:41,399

think for people who were skeptic and

227

00:08:44,750 --> 00:08:42,959

didn't really have any good proof and

228

00:08:46,370 --> 00:08:44,760

that's a big problem with ufology is the

229

00:08:49,370 --> 00:08:46,380

lack of physical evidence that we can

230

00:08:50,630 --> 00:08:49,380

all agree on you know and so that's a

231

00:08:53,090 --> 00:08:50,640

very important thing to acknowledge

232

00:08:54,170 --> 00:08:53,100

because where where I'm at in terms of

233

00:08:56,870 --> 00:08:54,180

this

234

00:08:59,470 --> 00:08:56,880

um movement well at least where I feel I

235

00:09:02,329 --> 00:08:59,480

feel like I'm I'm I'm

236

00:09:03,710 --> 00:09:02,339

inadvertently competing with what was

237

00:09:06,530 --> 00:09:03,720

already there because I have a different

238

00:09:08,269 --> 00:09:06,540

view when I'm and I'm working on a new

239

00:09:11,090 --> 00:09:08,279

system for a future I have a future

240

00:09:12,889 --> 00:09:11,100

Vision whether we have uh disclosure or

241

00:09:15,730 --> 00:09:12,899

not I'm I'm moving past that and

242

00:09:18,530 --> 00:09:15,740

whatever happens I'll apply that but I I

243

00:09:20,570 --> 00:09:18,540

my assessment on on the steps that have

244

00:09:22,310 --> 00:09:20,580

been taken place does not appear to me

245

00:09:23,630 --> 00:09:22,320

as if disclosure is going to happen or

246

00:09:24,949 --> 00:09:23,640

confirmation is going to happen it just

247

00:09:27,110 --> 00:09:24,959

kind of appears as if they're going to

248

00:09:29,150 --> 00:09:27,120

contain it and normalize it so we stop

249

00:09:30,470 --> 00:09:29,160

worrying about it and then we kind of

250

00:09:32,750 --> 00:09:30,480

move on

251
00:09:34,850 --> 00:09:32,760
um the fear with that is when you have

252
00:09:35,870 --> 00:09:34,860
uh like here in Canada we got Grant

253
00:09:39,949 --> 00:09:35,880
Cameron

254
00:09:42,050 --> 00:09:39,959
um and Chris rutowski those who have

255
00:09:44,090 --> 00:09:42,060
been trying to get answers for for a

256
00:09:46,970 --> 00:09:44,100
very very long time longer than I have

257
00:09:49,130 --> 00:09:46,980
of course and if we don't if we don't

258
00:09:52,009 --> 00:09:49,140
get an answer then then their life's

259
00:09:53,389 --> 00:09:52,019
work was for nothing in in terms not for

260
00:09:55,250 --> 00:09:53,399
nothing but I mean that they need they

261
00:09:56,870 --> 00:09:55,260
don't get that validation so a lot of

262
00:10:00,470 --> 00:09:56,880
these people are fighting now because

263
00:10:02,870 --> 00:10:00,480

it's so close in their lifetime yeah

264

00:10:04,370 --> 00:10:02,880

but I need to put on the pi hat the risk

265

00:10:06,590 --> 00:10:04,380

analysis had look at things and

266

00:10:08,030 --> 00:10:06,600

understand how things were moving how

267

00:10:10,730 --> 00:10:08,040

the balance of probabilities I don't

268

00:10:12,350 --> 00:10:10,740

think we're going to get that but that

269

00:10:14,509 --> 00:10:12,360

might be a generational thinking as well

270

00:10:16,269 --> 00:10:14,519

we're getting close to all yeah what do

271

00:10:19,430 --> 00:10:16,279

you think about the Canadian

272

00:10:21,889 --> 00:10:19,440

media's angle on all this like we

273

00:10:24,230 --> 00:10:21,899

haven't really seen anything really

274

00:10:25,790 --> 00:10:24,240

solid like you know I know CNN and stuff

275

00:10:28,370 --> 00:10:25,800

like that in the states are covering the

276

00:10:30,290 --> 00:10:28,380

subject but it seems like Canada we were

277

00:10:31,130 --> 00:10:30,300

always behind the times and we don't

278

00:10:35,269 --> 00:10:31,140

want to

279

00:10:37,610 --> 00:10:35,279

you think about the media right now does

280

00:10:39,889 --> 00:10:37,620

it need to cover the subject a lot more

281

00:10:43,130 --> 00:10:39,899

yeah it is

282

00:10:44,630 --> 00:10:43,140

doesn't need to well it needs it's uh it

283

00:10:45,949 --> 00:10:44,640

depends on the opinion of it like we're

284

00:10:48,769 --> 00:10:45,959

liberal right now but there's

285

00:10:51,730 --> 00:10:48,779

conservatives right now that's uh that's

286

00:10:54,170 --> 00:10:51,740

pushing pushing the narrative so

287

00:10:56,090 --> 00:10:54,180

my assessment on that essentially is

288

00:10:57,470 --> 00:10:56,100

like you know we don't I don't know

289

00:10:59,870 --> 00:10:57,480

enough about it whether or not they're

290

00:11:01,910 --> 00:10:59,880

just pushing it so they can help their

291

00:11:02,990 --> 00:11:01,920

election to get information in if they

292

00:11:04,610 --> 00:11:03,000

can you know

293

00:11:08,449 --> 00:11:04,620

through all these other things but like

294

00:11:11,329 --> 00:11:08,459

Canada's always been uh piggybacking off

295

00:11:12,470 --> 00:11:11,339

of news all the news gets piggybacked uh

296

00:11:13,730 --> 00:11:12,480

when you go to high school and things

297

00:11:15,470 --> 00:11:13,740

like that too you learn about American

298

00:11:19,069 --> 00:11:15,480

history before you learn about Canadian

299

00:11:20,630 --> 00:11:19,079

history you know so so so so does it

300

00:11:22,370 --> 00:11:20,640

need to happen in terms of a cultural

301

00:11:24,350 --> 00:11:22,380

sense sure why not

302

00:11:26,150 --> 00:11:24,360

um does it have to happen you know I

303

00:11:27,829 --> 00:11:26,160

like Canadian Canada's kind of

304

00:11:29,630 --> 00:11:27,839

perspective in that sense because it's

305

00:11:31,910 --> 00:11:29,640

it's it's nothing it's not important

306

00:11:33,949 --> 00:11:31,920

it's like it's a machine we have it you

307

00:11:37,310 --> 00:11:33,959

know kind of sense like don't worry

308

00:11:39,829 --> 00:11:37,320

about it we're safe uh let's move on

309

00:11:42,470 --> 00:11:39,839

um the thing is though is there are

310

00:11:45,470 --> 00:11:42,480

people pressing for answers so they're

311

00:11:48,470 --> 00:11:45,480

show you familiar with MP Larry McGuire

312

00:11:50,449 --> 00:11:48,480

yeah so he uh so I've been following

313

00:11:51,829 --> 00:11:50,459

that a lot and a couple people I'm

314

00:11:55,550 --> 00:11:51,839

working with behind the scenes are all

315

00:11:58,610 --> 00:11:55,560

helping uh all that stuff uh on on Ravel

316

00:12:00,350 --> 00:11:58,620

um recently he's posed questions to uh

317

00:12:03,470 --> 00:12:00,360

the House of Commons to uh to get

318

00:12:06,050 --> 00:12:03,480

answered so that 45-day window

319

00:12:07,610 --> 00:12:06,060

um that uh you know that originally

320

00:12:09,110 --> 00:12:07,620

started in America is now starting with

321

00:12:11,329 --> 00:12:09,120

Canada so we're hoping to get some

322

00:12:12,769 --> 00:12:11,339

answers from the House of Commons in

323

00:12:16,009 --> 00:12:12,779

respect to that through Larry McGuire

324

00:12:18,350 --> 00:12:16,019

now previous to that journalist by the

325

00:12:23,750 --> 00:12:18,360

name of Daniel Otis had made a

326

00:12:27,470 --> 00:12:23,760

um a report that the new Minister uh for

327

00:12:29,990 --> 00:12:27,480

transport Omar I can't say his last name

328

00:12:33,710 --> 00:12:30,000

um has been briefed and prepped on to

329

00:12:36,110 --> 00:12:33,720

what to say uh if pressed on the topic

330

00:12:37,730 --> 00:12:36,120

of UFOs or uaps in Canada so there's a

331

00:12:39,410 --> 00:12:37,740

document I have the queued up too if you

332

00:12:41,509 --> 00:12:39,420

need to see it but

333

00:12:43,790 --> 00:12:41,519

um so so what's interesting about that

334

00:12:46,550 --> 00:12:43,800

is he's kind of told old in a sense what

335

00:12:49,370 --> 00:12:46,560

to say if pressed by the media so

336

00:12:51,710 --> 00:12:49,380

he's essentially told for my regulation

337

00:12:53,389 --> 00:12:51,720

recollection is just to refer to the

338

00:12:55,009 --> 00:12:53,399

caterer reports refer to Transport

339

00:12:57,350 --> 00:12:55,019

Canada refer to all the things that we

340

00:13:00,769 --> 00:12:57,360

already know here in the subculture

341

00:13:04,129 --> 00:13:00,779

and kind of deflected my

342

00:13:07,129 --> 00:13:04,139

current thought with the move with

343

00:13:09,290 --> 00:13:07,139

Maguire is now that we know that there's

344

00:13:11,710 --> 00:13:09,300

a prepped response for Transport Canada

345

00:13:14,690 --> 00:13:11,720

even though he's asking a higher body

346

00:13:15,889 --> 00:13:14,700

you know are they going to give a

347

00:13:17,990 --> 00:13:15,899

different answer are they going to fall

348

00:13:19,610 --> 00:13:18,000

in suit because a this is just something

349

00:13:22,610 --> 00:13:19,620

that was heard about that freedom

350

00:13:24,170 --> 00:13:22,620

information request was gathered

351

00:13:27,650 --> 00:13:24,180

um you know so there's a lot of things

352

00:13:31,750 --> 00:13:27,660

going on so it's in the news it's it's

353

00:13:37,790 --> 00:13:31,760

not mainstream but it's getting

354

00:13:41,210 --> 00:13:37,800

and I think it's important if

355

00:13:44,150 --> 00:13:41,220

what's going on in America is you know

356

00:13:45,710 --> 00:13:44,160

so you know legitimate because it

357

00:13:47,810 --> 00:13:45,720

affects us with borders and things like

358

00:13:51,170 --> 00:13:47,820

that too we do know

359

00:13:54,170 --> 00:13:51,180

um that you know with service reports uh

360

00:13:55,850 --> 00:13:54,180

Canada does have to pass information off

361

00:13:57,050 --> 00:13:55,860

to the United States and Iran and all

362

00:13:58,490 --> 00:13:57,060

that other stuff too so there's a

363

00:14:00,230 --> 00:13:58,500

transfer of information we don't have

364

00:14:02,629 --> 00:14:00,240

control of the information we start the

365

00:14:04,250 --> 00:14:02,639

investigations we hand it off so there's

366

00:14:06,050 --> 00:14:04,260

a lot of push over on the American side

367

00:14:08,449 --> 00:14:06,060

to get that confirmation because that'll

368

00:14:12,590 --> 00:14:08,459

kind of help but when Canada looks at

369

00:14:14,210 --> 00:14:12,600

an American stuff they can the answers

370

00:14:16,310 --> 00:14:14,220

that are coming back are more so like

371

00:14:19,490 --> 00:14:16,320

it's we only respond to things that are

372

00:14:20,930 --> 00:14:19,500

incredible which kind of implies that

373

00:14:24,470 --> 00:14:20,940

these are incredible things or these

374

00:14:26,509 --> 00:14:24,480

aren't things of threats so if I were to

375

00:14:29,269 --> 00:14:26,519

step outside of all those disclosure

376

00:14:31,790 --> 00:14:29,279

stuff and and and listen to or look at

377

00:14:34,790 --> 00:14:31,800

the facts of what's being said

378

00:14:38,449 --> 00:14:34,800

I'm seeing that these objects are not

379

00:14:40,910 --> 00:14:38,459

threatening so when you get the Navy in

380

00:14:43,069 --> 00:14:40,920

America recently through John Greenwald

381

00:14:45,110 --> 00:14:43,079

we recently got them to say that yeah

382

00:14:48,230 --> 00:14:45,120

these UFO files exist but we're not

383

00:14:50,750 --> 00:14:48,240

releasing them because uh they release

384

00:14:52,310 --> 00:14:50,760

information about our technologies that

385

00:14:54,050 --> 00:14:52,320

could damage National Security now

386

00:14:56,750 --> 00:14:54,060

that's a valid response but in the same

387

00:14:59,269 --> 00:14:56,760

time they say UFOs exist unidentified

388

00:15:01,850 --> 00:14:59,279

flying objects but they're unidentified

389

00:15:03,230 --> 00:15:01,860

to them or unidentified to us and that's

390

00:15:05,389 --> 00:15:03,240

perspective and that doesn't necessarily

391

00:15:07,069 --> 00:15:05,399

mean aliens but what I'm being told by

392

00:15:08,750 --> 00:15:07,079

that is that they know what it is they

393

00:15:10,610 --> 00:15:08,760

have it they're aware of it and they're

394

00:15:14,150 --> 00:15:10,620

not giving the evidence because they're

395

00:15:15,949 --> 00:15:14,160

worried about what their machines might

396

00:15:18,350 --> 00:15:15,959

uh how that would affect National

397

00:15:20,870 --> 00:15:18,360

Security they're not worried about the

398

00:15:22,730 --> 00:15:20,880

crafts that are seen in these videos

399

00:15:24,189 --> 00:15:22,740

they're more worried about ourselves so

400

00:15:26,569 --> 00:15:24,199

if they're so so if it's

401
00:15:28,910 --> 00:15:26,579
extraterrestrial or if it's human they

402
00:15:30,769 --> 00:15:28,920
know what it is and it's non-threatening

403
00:15:32,150 --> 00:15:30,779
and and

404
00:15:34,990 --> 00:15:32,160
um or at least appears to be and I'm

405
00:15:38,150 --> 00:15:35,000
okay with that the issue that I have

406
00:15:40,430 --> 00:15:38,160
with which drives me is this whole I'm

407
00:15:43,430 --> 00:15:40,440
being abducted I'm being uh you know

408
00:15:45,050 --> 00:15:43,440
assaulted I'm being kidnapped uh you

409
00:15:46,970 --> 00:15:45,060
know brainwashed all these all these

410
00:15:49,610 --> 00:15:46,980
nightmares and drama Associated

411
00:15:52,490 --> 00:15:49,620
phenomenon that might be linked to these

412
00:15:54,230 --> 00:15:52,500
crafts might be you know they could be

413
00:15:55,730 --> 00:15:54,240

something totally different reverse

414

00:15:57,470 --> 00:15:55,740

engineer and all that other stuff we can

415

00:15:58,970 --> 00:15:57,480

figure that out once we get confirmation

416

00:16:01,670 --> 00:15:58,980

of something

417

00:16:03,170 --> 00:16:01,680

but I have a Declassified document on on

418

00:16:05,689 --> 00:16:03,180

my website

419

00:16:08,449 --> 00:16:05,699

um in the timeline there in 1952 it's in

420

00:16:10,970 --> 00:16:08,459

our Royal Canadian Armed Air Force and

421

00:16:12,530 --> 00:16:10,980

RCMP interrogation of a German engineer

422

00:16:15,230 --> 00:16:12,540

who claims it's just German technology

423

00:16:16,550 --> 00:16:15,240

and that's the end Case Closed

424

00:16:18,829 --> 00:16:16,560

um but

425

00:16:22,790 --> 00:16:18,839

you know that's just one document you

426

00:16:26,569 --> 00:16:22,800

know so I'm I don't see this this UAP

427

00:16:30,530 --> 00:16:26,579

UFO phenomenon any different than

428

00:16:32,449 --> 00:16:30,540

um you know the new new Air Force and I

429

00:16:35,269 --> 00:16:32,459

I know in the states Ryan they're trying

430

00:16:37,009 --> 00:16:35,279

to really push the threat narrative you

431

00:16:38,329 --> 00:16:37,019

know like that's a huge thing for them

432

00:16:39,710 --> 00:16:38,339

you know it's a threat and they're

433

00:16:42,050 --> 00:16:39,720

approaching all the other countries like

434

00:16:44,810 --> 00:16:42,060

this is a Potential Threat

435

00:16:46,249 --> 00:16:44,820

um Canada's angle on this seems to be a

436

00:16:48,050 --> 00:16:46,259

little bit more like well let's focus on

437

00:16:49,850 --> 00:16:48,060

the science of it like let's focus where

438

00:16:52,249 --> 00:16:49,860

they come from what's their technology

439

00:16:54,590 --> 00:16:52,259

it seems a little bit more sound to

440

00:16:55,389 --> 00:16:54,600

approach it that way and not scare the

441

00:16:58,129 --> 00:16:55,399

public

442

00:16:59,990 --> 00:16:58,139

but we have these two you know Polar

443

00:17:03,050 --> 00:17:00,000

Opposites we got Canada going hey let's

444

00:17:05,409 --> 00:17:03,060

explore this as a possible yay situation

445

00:17:09,230 --> 00:17:05,419

where you got the states

446

00:17:11,030 --> 00:17:09,240

has also been open like like 1995 they

447

00:17:13,850 --> 00:17:11,040

they transferred the documents from the

448

00:17:15,829 --> 00:17:13,860

uh NRC to The Archives of a library of

449

00:17:17,210 --> 00:17:15,839

yeah Canadian library of archives or

450

00:17:18,890 --> 00:17:17,220

whatever so like there's there's

451
00:17:20,689 --> 00:17:18,900
thousands and thousands of Declassified

452
00:17:22,250 --> 00:17:20,699
documents that no one's going through

453
00:17:23,569 --> 00:17:22,260
they're just perusing it and trying to

454
00:17:25,370 --> 00:17:23,579
find these things but like it's it's

455
00:17:27,470 --> 00:17:25,380
it's missing information right it's not

456
00:17:29,450 --> 00:17:27,480
it's not but they're open about it they

457
00:17:32,210 --> 00:17:29,460
have coins that have been minted about

458
00:17:34,430 --> 00:17:32,220
you know Falcon Lake shag Harbor you

459
00:17:37,310 --> 00:17:34,440
know so Canada accepts the possibility

460
00:17:40,789 --> 00:17:37,320
they're not like denying the existence

461
00:17:43,190 --> 00:17:40,799
they're not really pushing into it so I

462
00:17:45,409 --> 00:17:43,200
mean like we're okay with it but I kind

463
00:17:47,169 --> 00:17:45,419

of feel like that approach is because

464

00:17:49,669 --> 00:17:47,179

they know more

465

00:17:51,470 --> 00:17:49,679

then they can tell us but they can't

466

00:17:53,930 --> 00:17:51,480

tell us because it's the states that has

467

00:17:56,570 --> 00:17:53,940

has control of the information

468

00:17:58,190 --> 00:17:56,580

so so perhaps that kind of in your face

469

00:18:02,330 --> 00:17:58,200

here's your stuff here's uh here's

470

00:18:07,370 --> 00:18:05,570

um I mean if you look at the Avro uh 52

471

00:18:09,770 --> 00:18:07,380

I think when that was made World War

472

00:18:11,570 --> 00:18:09,780

still two of them already made and then

473

00:18:13,130 --> 00:18:11,580

all of a sudden uh they gave the patent

474

00:18:15,590 --> 00:18:13,140

to the United States so the technology

475

00:18:17,870 --> 00:18:15,600

for a software shape

476

00:18:20,330 --> 00:18:17,880

um you know crap does exist it did exist

477

00:18:23,270 --> 00:18:20,340

they reversed engineered something

478

00:18:24,830 --> 00:18:23,280

fast forward 80 years we now have a

479

00:18:26,029 --> 00:18:24,840

space force

480

00:18:27,529 --> 00:18:26,039

um and you know what here's an

481

00:18:29,270 --> 00:18:27,539

interesting fact too we had planes

482

00:18:30,470 --> 00:18:29,280

before we had the Air Force that's why

483

00:18:32,750 --> 00:18:30,480

they called it the Air Force because

484

00:18:34,370 --> 00:18:32,760

they had planes right so we now have a

485

00:18:36,950 --> 00:18:34,380

space force but where are the spaceships

486

00:18:39,470 --> 00:18:36,960

I mentioned that Ryan I said which one

487

00:18:41,570 --> 00:18:39,480

comes first the crew or the space for

488

00:18:43,310 --> 00:18:41,580

the spaceships are coming and how do you

489

00:18:45,650 --> 00:18:43,320

and how do you uh

490

00:18:47,029 --> 00:18:45,660

and how do you say that you gotta you

491

00:18:48,350 --> 00:18:47,039

gotta prep it you gotta take the

492

00:18:49,730 --> 00:18:48,360

information you got to control it and

493

00:18:52,070 --> 00:18:49,740

you got to put it out but what happened

494

00:18:54,529 --> 00:18:52,080

as a result of that well you have this

495

00:18:57,049 --> 00:18:54,539

information being leaked out now you've

496

00:18:58,669 --> 00:18:57,059

got to contain a data breach that's more

497

00:19:01,250 --> 00:18:58,679

important it doesn't matter what whether

498

00:19:02,630 --> 00:19:01,260

the video is considered a drone uh by

499

00:19:03,950 --> 00:19:02,640

Congress or whatever and that last thing

500

00:19:05,870 --> 00:19:03,960

or whatever happened whatever they

501
00:19:07,789 --> 00:19:05,880
consider it to be

502
00:19:09,890 --> 00:19:07,799
um you can't ignore the fact that

503
00:19:12,529 --> 00:19:09,900
information was supposed to be protected

504
00:19:13,789 --> 00:19:12,539
was not protected and and people of the

505
00:19:15,950 --> 00:19:13,799
government went against the government

506
00:19:18,230 --> 00:19:15,960
for whatever reason they want to breach

507
00:19:20,390 --> 00:19:18,240
information so they can do that with

508
00:19:21,890 --> 00:19:20,400
that they can do that with anything and

509
00:19:23,690 --> 00:19:21,900
these guys you know it's actually the

510
00:19:25,850 --> 00:19:23,700
criminal offense it's against the law

511
00:19:28,610 --> 00:19:25,860
and and so so

512
00:19:30,230 --> 00:19:28,620
um as a business owner uh and who has

513
00:19:32,210 --> 00:19:30,240

employees I kind of look at that like

514

00:19:34,549 --> 00:19:32,220

you know how do you how do you change

515

00:19:35,930 --> 00:19:34,559

your policies when with when you have so

516

00:19:37,669 --> 00:19:35,940

many employees in the United States

517

00:19:39,310 --> 00:19:37,679

government have so many employees and

518

00:19:42,230 --> 00:19:39,320

whatever their policy was in place

519

00:19:44,029 --> 00:19:42,240

allowed this information to get out it

520

00:19:45,409 --> 00:19:44,039

created this upward now they're doing

521

00:19:48,590 --> 00:19:45,419

damage control

522

00:19:51,409 --> 00:19:48,600

and at the same time removing the stigma

523

00:19:52,789 --> 00:19:51,419

so it normalizes and what I think might

524

00:19:53,810 --> 00:19:52,799

just happen is they're not going to tell

525

00:19:55,490 --> 00:19:53,820

us anything they're just going to say

526

00:19:57,470 --> 00:19:55,500

okay everything's up and running we'll

527

00:20:00,049 --> 00:19:57,480

give a report here's the report nothing

528

00:20:02,090 --> 00:20:00,059

to see here and then

529

00:20:04,130 --> 00:20:02,100

and just continue to say that every year

530

00:20:06,289 --> 00:20:04,140

that there's nothing here but show that

531

00:20:08,210 --> 00:20:06,299

they're looking into them right do you

532

00:20:10,310 --> 00:20:08,220

think there's a recent Catalyst on the

533

00:20:12,950 --> 00:20:10,320

Canadian side because I mean I think of

534

00:20:15,049 --> 00:20:12,960

Paul Heller you know responding to a

535

00:20:16,370 --> 00:20:15,059

crash in Manitoba somewhere and the

536

00:20:17,990 --> 00:20:16,380

Americans are already there cleaning it

537

00:20:20,150 --> 00:20:18,000

up and he's the head of the Canadian

538

00:20:22,130 --> 00:20:20,160

defense and that's what charged him up

539

00:20:24,230 --> 00:20:22,140

to you know join the National

540

00:20:25,730 --> 00:20:24,240

um Press Club and all the rest to say I

541

00:20:28,070 --> 00:20:25,740

was the highest guy in the military and

542

00:20:29,870 --> 00:20:28,080

I was in privy to this so what the hell

543

00:20:32,150 --> 00:20:29,880

is going on if it's above my pay grade

544

00:20:34,490 --> 00:20:32,160

so was there like a separate Catalyst

545

00:20:36,470 --> 00:20:34,500

event in Canada or is this all a result

546

00:20:38,330 --> 00:20:36,480

of like Tic Tac in the last five years

547

00:20:40,730 --> 00:20:38,340

where everybody's really starting to

548

00:20:42,049 --> 00:20:40,740

open their eyes and talk uh you think

549

00:20:44,210 --> 00:20:42,059

it's just like like most things

550

00:20:46,549 --> 00:20:44,220

piggybacking on American trickle effect

551
00:20:48,830 --> 00:20:46,559
or was something did something happen on

552
00:20:51,650 --> 00:20:48,840
our side of the Border well that I'm

553
00:20:53,390 --> 00:20:51,660
aware of I like I mean I know with the

554
00:20:56,750 --> 00:20:53,400
history of rutowski in the history of

555
00:20:59,990 --> 00:20:56,760
Cameron uh Chris Styles like a few

556
00:21:02,570 --> 00:21:00,000
others uh you know to name and even

557
00:21:06,350 --> 00:21:02,580
Friedman in the past you know like so so

558
00:21:07,970 --> 00:21:06,360
like they in their times they pushed and

559
00:21:09,529 --> 00:21:07,980
they've been on the news and they pushed

560
00:21:11,510 --> 00:21:09,539
the narrative to a certain point it just

561
00:21:17,090 --> 00:21:11,520
wasn't popular in American television

562
00:21:19,970 --> 00:21:17,100
America right so now we are piggybacking

563
00:21:22,549 --> 00:21:19,980

because we have to yeah

564

00:21:24,950 --> 00:21:22,559

um to to take the momentum it's an

565

00:21:26,390 --> 00:21:24,960

opportunity why not right so we had to

566

00:21:30,730 --> 00:21:26,400

kind of had a private discussion with

567

00:21:35,570 --> 00:21:33,350

should we do our own thing but you know

568

00:21:37,570 --> 00:21:35,580

we're kind of doing or doing our own

569

00:21:40,310 --> 00:21:37,580

thing but to get this into

570

00:21:42,049 --> 00:21:40,320

mainstream media took a lot of movement

571

00:21:44,029 --> 00:21:42,059

a lot of Shifting but we had to

572

00:21:45,770 --> 00:21:44,039

piggyback up that momentum because to

573

00:21:48,890 --> 00:21:45,780

say the metoo kind of like in a sense

574

00:21:50,570 --> 00:21:48,900

right like and not to not to talk ill of

575

00:21:54,470 --> 00:21:50,580

that movement separate movement but that

576

00:21:56,570 --> 00:21:54,480

kind of uh that example in terms of you

577

00:21:58,490 --> 00:21:56,580

know we have UFO too we were there at

578

00:22:01,010 --> 00:21:58,500

the Cold War we uh you know we have

579

00:22:02,750 --> 00:22:01,020

issues we this is uh there is no wall

580

00:22:04,370 --> 00:22:02,760

between us and them like you know we're

581

00:22:08,289 --> 00:22:04,380

at risk and all these other things too

582

00:22:11,510 --> 00:22:08,299

so the narrative is there and people

583

00:22:15,529 --> 00:22:11,520

optimized on it and they took it

584

00:22:18,110 --> 00:22:15,539

and now we're at that point in real time

585

00:22:20,029 --> 00:22:18,120

that in 45 days we should get a response

586

00:22:22,970 --> 00:22:20,039

from the house comments on what they say

587

00:22:24,890 --> 00:22:22,980

which puts us in the same spot as the

588

00:22:26,270 --> 00:22:24,900

Americans were a few years back or a

589

00:22:28,370 --> 00:22:26,280

year back I can't remember what time it

590

00:22:29,149 --> 00:22:28,380

is with the pandemic

591

00:22:31,789 --> 00:22:29,159

um

592

00:22:34,250 --> 00:22:31,799

and then if they if America closes the

593

00:22:36,830 --> 00:22:34,260

lid on it from Canada closes the lid on

594

00:22:39,110 --> 00:22:36,840

it then that's the end of it and the

595

00:22:41,570 --> 00:22:39,120

rest of it is speculation

596

00:22:43,789 --> 00:22:41,580

but if it's the end of it is it is it

597

00:22:45,770 --> 00:22:43,799

the truth then that's the issue with

598

00:22:47,270 --> 00:22:45,780

with with this movement is there's

599

00:22:48,529 --> 00:22:47,280

different versions of truth there's

600

00:22:51,110 --> 00:22:48,539

perspectives

601
00:22:53,510 --> 00:22:51,120
everyone wants to do like I mean if you

602
00:22:55,010 --> 00:22:53,520
analyze the facts and you accept them as

603
00:22:56,990 --> 00:22:55,020
they are it's already been figured out

604
00:22:58,730 --> 00:22:57,000
it's not a threat it's not an issue we

605
00:23:00,529 --> 00:22:58,740
got it we want to know about it we can't

606
00:23:02,149 --> 00:23:00,539
tell you we've already told you what we

607
00:23:04,130 --> 00:23:02,159
can but you want more and we can't do

608
00:23:06,049 --> 00:23:04,140
anything about that it's like you know

609
00:23:07,430 --> 00:23:06,059
firing someone like you can't do it it

610
00:23:08,450 --> 00:23:07,440
can't I understand you're upset you're

611
00:23:09,770 --> 00:23:08,460
losing your house and all these other

612
00:23:12,409 --> 00:23:09,780
things but I've still got to let you go

613
00:23:15,770 --> 00:23:12,419

you know like it's it's a difficult it's

614

00:23:17,810 --> 00:23:15,780

a difficult uh thing to say and that

615

00:23:19,970 --> 00:23:17,820

to me indicates that there's something

616

00:23:21,409 --> 00:23:19,980

else going on which is why I focus on

617

00:23:23,510 --> 00:23:21,419

studying with people

618

00:23:26,450 --> 00:23:23,520

so the expansion support Association is

619

00:23:28,549 --> 00:23:26,460

is uh is a study of the people and why

620

00:23:30,409 --> 00:23:28,559

how they are affected by the phenomenon

621

00:23:32,810 --> 00:23:30,419

and why they are affected by the

622

00:23:35,210 --> 00:23:32,820

phenomenon and which types of phenomenon

623

00:23:38,090 --> 00:23:35,220

they're affected with and what methods

624

00:23:40,610 --> 00:23:38,100

they use to interact with the phenomenon

625

00:23:42,770 --> 00:23:40,620

to figure out what parallels between all

626

00:23:43,850 --> 00:23:42,780

phenomenons to understand what might be

627

00:23:45,590 --> 00:23:43,860

happening

628

00:23:47,510 --> 00:23:45,600

so

629

00:23:49,430 --> 00:23:47,520

um the common denominator or the common

630

00:23:51,830 --> 00:23:49,440

link between all phenomenons is the

631

00:23:53,149 --> 00:23:51,840

human being you know we all have faith

632

00:23:54,350 --> 00:23:53,159

we all have different beliefs we all

633

00:23:56,270 --> 00:23:54,360

have different understandings we all

634

00:23:58,250 --> 00:23:56,280

have all these other things but we also

635

00:23:59,210 --> 00:23:58,260

have these different layers of psychic

636

00:24:02,630 --> 00:23:59,220

abilities

637

00:24:07,250 --> 00:24:04,850

um and I'm also trying to

638

00:24:10,130 --> 00:24:07,260

work with the Paranormal community and

639

00:24:12,049 --> 00:24:10,140

the UFO UAP Community to kind of bridge

640

00:24:13,549 --> 00:24:12,059

the data together

641

00:24:16,370 --> 00:24:13,559

so that

642

00:24:19,130 --> 00:24:16,380

more information can be shared to

643

00:24:20,390 --> 00:24:19,140

understand a deeper root of things so if

644

00:24:22,190 --> 00:24:20,400

these are just machines and they're

645

00:24:24,470 --> 00:24:22,200

probably human oriented unless they're

646

00:24:25,909 --> 00:24:24,480

controlled consciously with remote

647

00:24:27,590 --> 00:24:25,919

viewing

648

00:24:28,850 --> 00:24:27,600

and that's it for that's something that

649

00:24:30,289 --> 00:24:28,860

needs to be explained and all that other

650

00:24:32,210 --> 00:24:30,299

stuff too but if you take that

651
00:24:33,909 --> 00:24:32,220
Consciousness perspective in the UFO

652
00:24:36,350 --> 00:24:33,919
side and you look at

653
00:24:38,390 --> 00:24:36,360
uh telekinesis that's still

654
00:24:40,010 --> 00:24:38,400
Consciousness activity right it's just

655
00:24:40,970 --> 00:24:40,020
in that paranormal Spectrum so there's a

656
00:24:42,590 --> 00:24:40,980
lot of

657
00:24:45,289 --> 00:24:42,600
um

658
00:24:46,789 --> 00:24:45,299
stigma that the UFO community that wants

659
00:24:48,169 --> 00:24:46,799
to avoid in the Paranormal Community

660
00:24:49,970 --> 00:24:48,179
because they don't want uh they need to

661
00:24:51,529 --> 00:24:49,980
focus on their nuts and bolts but the

662
00:24:54,649 --> 00:24:51,539
reality of it

663
00:24:56,149 --> 00:24:54,659

um this abduction phenomenon and this

664

00:24:58,669 --> 00:24:56,159

interaction with these species there

665

00:25:02,210 --> 00:24:58,679

it's there's some sort of

666

00:25:04,070 --> 00:25:02,220

space that I've you know that our minds

667

00:25:06,529 --> 00:25:04,080

are able to go to whether We're Dreaming

668

00:25:07,669 --> 00:25:06,539

whether we're meditating

669

00:25:09,649 --> 00:25:07,679

um whether

670

00:25:12,350 --> 00:25:09,659

um near-death experience you know we're

671

00:25:14,090 --> 00:25:12,360

getting information from a place and

672

00:25:16,310 --> 00:25:14,100

we're seeing a variance of things and

673

00:25:18,590 --> 00:25:16,320

calling them different things so when I

674

00:25:20,510 --> 00:25:18,600

work with the people and I ask them you

675

00:25:21,890 --> 00:25:20,520

know describe a light and describe what

676
00:25:24,230 --> 00:25:21,900
you saw and they're talking about what I

677
00:25:26,029 --> 00:25:24,240
call sensory display aerial activity

678
00:25:28,430 --> 00:25:26,039
it's either level one or level two which

679
00:25:30,409 --> 00:25:28,440
is either a machine or a light

680
00:25:32,750 --> 00:25:30,419
um and

681
00:25:34,970 --> 00:25:32,760
you know how would you how would you

682
00:25:36,409 --> 00:25:34,980
describe it and looking at archetypes so

683
00:25:38,330 --> 00:25:36,419
we have a light in the sky that's moving

684
00:25:40,610 --> 00:25:38,340
around so in the UFO Community we would

685
00:25:43,190 --> 00:25:40,620
call that a UAP some still might call

686
00:25:45,529 --> 00:25:43,200
that a UFO but I I tend to use the word

687
00:25:47,390 --> 00:25:45,539
UFO for machines UAP for lights it's

688
00:25:49,370 --> 00:25:47,400

kind of how I separate it okay despite

689

00:25:50,090 --> 00:25:49,380

how we're told

690

00:25:52,430 --> 00:25:50,100

um

691

00:25:54,049 --> 00:25:52,440

and but some people also call paranormal

692

00:25:56,570 --> 00:25:54,059

like as a ghost or

693

00:25:59,330 --> 00:25:56,580

you know so so that is a

694

00:26:01,690 --> 00:25:59,340

um perspective but when you remove that

695

00:26:04,010 --> 00:26:01,700

archetype and you look at the image

696

00:26:06,710 --> 00:26:04,020

it's still a light in the sky which is

697

00:26:09,769 --> 00:26:06,720

why it's a Sentry display because

698

00:26:11,870 --> 00:26:09,779

um a sensor one of your senses was used

699

00:26:14,269 --> 00:26:11,880

to observe it you either saw it or you

700

00:26:16,310 --> 00:26:14,279

heard it uh or perhaps it was in your

701
00:26:20,029 --> 00:26:16,320
mind so it allows the possibility of

702
00:26:21,710 --> 00:26:20,039
psychic uh sightings to happen because

703
00:26:23,149 --> 00:26:21,720
um uh just because somebody isn't able

704
00:26:24,350 --> 00:26:23,159
to take a picture of it or they took

705
00:26:25,549 --> 00:26:24,360
these pictures and it's not there

706
00:26:27,049 --> 00:26:25,559
anymore it doesn't mean it wasn't

707
00:26:28,310 --> 00:26:27,059
actually there and you validate the

708
00:26:29,510 --> 00:26:28,320
witness will characterize all those

709
00:26:30,890 --> 00:26:29,520
other things it's possible they might

710
00:26:33,529 --> 00:26:30,900
have seen it in their mind

711
00:26:35,330 --> 00:26:33,539
so the way that I do my study when I do

712
00:26:37,370 --> 00:26:35,340
that with each individual people and

713
00:26:39,830 --> 00:26:37,380

they approach it and I'm doing reports

714

00:26:41,269 --> 00:26:39,840

on this of course to show this show this

715

00:26:43,010 --> 00:26:41,279

study

716

00:26:43,970 --> 00:26:43,020

um I'm seeing

717

00:26:45,590 --> 00:26:43,980

um

718

00:26:47,090 --> 00:26:45,600

that people are calling it different

719

00:26:49,070 --> 00:26:47,100

things and they have different methods

720

00:26:51,470 --> 00:26:49,080

some people can take pictures of it some

721

00:26:53,330 --> 00:26:51,480

people can don't have pictures of it but

722

00:26:55,549 --> 00:26:53,340

or having dreams of it some people

723

00:26:56,930 --> 00:26:55,559

meditate and then they see it and when

724

00:26:59,510 --> 00:26:56,940

they all draw you look at these images

725

00:27:01,010 --> 00:26:59,520

together it doesn't matter how they got

726

00:27:04,070 --> 00:27:01,020

there it's just you have you know it's

727

00:27:06,409 --> 00:27:04,080

it appears to be interdimensional if

728

00:27:07,549 --> 00:27:06,419

this object is the same object that all

729

00:27:09,289 --> 00:27:07,559

these people are seeing so the

730

00:27:10,970 --> 00:27:09,299

resemblance the comparing contrast that

731

00:27:13,010 --> 00:27:10,980

I see is that they're all seeing these

732

00:27:15,110 --> 00:27:13,020

different types of orbs so there's a

733

00:27:17,870 --> 00:27:15,120

consonant this orb exists

734

00:27:20,990 --> 00:27:17,880

but we have this variance of where it

735

00:27:22,669 --> 00:27:21,000

might be and what reality it might be

736

00:27:24,649 --> 00:27:22,679

but we have a bunch of different

737

00:27:27,289 --> 00:27:24,659

witnesses that are able to see it so the

738

00:27:29,570 --> 00:27:27,299

so when I focus on the people then I

739

00:27:31,430 --> 00:27:29,580

look at their uh the biological data

740

00:27:33,529 --> 00:27:31,440

that they provide with their reports on

741

00:27:35,269 --> 00:27:33,539

our system so you know a hair color eye

742

00:27:37,310 --> 00:27:35,279

color blood type all those other things

743

00:27:39,950 --> 00:27:37,320

there seems to be commonalities with

744

00:27:42,529 --> 00:27:39,960

that as well literally so so there seems

745

00:27:44,210 --> 00:27:42,539

to be patterns that certain types of

746

00:27:46,430 --> 00:27:44,220

people at certain types of Ages and

747

00:27:47,090 --> 00:27:46,440

things like that are able to

748

00:27:50,750 --> 00:27:47,100

um

749

00:27:52,490 --> 00:27:50,760

to observe this activity so and that

750

00:27:53,810 --> 00:27:52,500

kind of like doesn't make us crazy it's

751

00:27:55,490 --> 00:27:53,820

just trying to understand where to look

752

00:27:57,169 --> 00:27:55,500

now of course I can understand the nuts

753

00:27:58,669 --> 00:27:57,179

in both Community where you how do you

754

00:28:00,289 --> 00:27:58,679

prove Consciousness how do you prove the

755

00:28:02,090 --> 00:28:00,299

stuff in your mind how can you prove

756

00:28:03,710 --> 00:28:02,100

it's not a dream that's where the

757

00:28:05,750 --> 00:28:03,720

investigating skill comes in because you

758

00:28:07,549 --> 00:28:05,760

got to build a case and you need

759

00:28:09,169 --> 00:28:07,559

multiple Witnesses and you've got to

760

00:28:11,570 --> 00:28:09,179

build the case the same way and take

761

00:28:14,570 --> 00:28:11,580

that and remove that fluff and then

762

00:28:18,350 --> 00:28:14,580

create a a new regulated system

763

00:28:20,990 --> 00:28:18,360

so I created an a classification system

764

00:28:23,510 --> 00:28:21,000

which is an homage to Heineken ballet's

765

00:28:26,029 --> 00:28:23,520

classification scale I haven't had the

766

00:28:27,890 --> 00:28:26,039

privilege to talk to valet about it I

767

00:28:30,890 --> 00:28:27,900

did reach out to him

768

00:28:33,230 --> 00:28:30,900

um but I did speak to Paul heineck

769

00:28:35,269 --> 00:28:33,240

um about it before I made it and then he

770

00:28:37,610 --> 00:28:35,279

uh told me there was no offense taken if

771

00:28:39,470 --> 00:28:37,620

I try to you know do a different scale

772

00:28:41,330 --> 00:28:39,480

but essentially it's the Heineken valet

773

00:28:43,130 --> 00:28:41,340

classification scale just one little

774

00:28:45,909 --> 00:28:43,140

section in it and the rest is all new

775

00:28:48,470 --> 00:28:45,919

and the point of that is to break down

776

00:28:50,529 --> 00:28:48,480

all of this phenomenon and put it in

777

00:28:53,090 --> 00:28:50,539

these new baskets to try to understand

778

00:28:55,370 --> 00:28:53,100

what it could be while removing the

779

00:28:58,789 --> 00:28:55,380

archetype so another example would be

780

00:29:00,590 --> 00:28:58,799

beings observed so we just agree that

781

00:29:02,330 --> 00:29:00,600

it's a being that was observed you can

782

00:29:04,430 --> 00:29:02,340

call it an alien you can call it a ghost

783

00:29:06,649 --> 00:29:04,440

you could call it a pull uh a shadow

784

00:29:08,930 --> 00:29:06,659

figure you can call whatever you want

785

00:29:11,750 --> 00:29:08,940

that's you know it's just like a

786

00:29:13,490 --> 00:29:11,760

different religions we all have a God uh

787

00:29:15,230 --> 00:29:13,500

so so that's that's what brings us

788

00:29:16,610 --> 00:29:15,240

together we can agree that there is a

789

00:29:17,990 --> 00:29:16,620

higher power but we might have different

790

00:29:19,490 --> 00:29:18,000

characteristics or different thoughts on

791

00:29:21,169 --> 00:29:19,500

that so it's kind of that same concept

792

00:29:24,769 --> 00:29:21,179

and then

793

00:29:27,049 --> 00:29:24,779

um so I'm noticing that when I see like

794

00:29:28,430 --> 00:29:27,059

shadow figures drawn and I ask for the

795

00:29:30,950 --> 00:29:28,440

archetype what they think it is they're

796

00:29:33,769 --> 00:29:30,960

calling these beings that I know in the

797

00:29:36,350 --> 00:29:33,779

UFO Community are technically aliens but

798

00:29:39,049 --> 00:29:36,360

they're calling them ghosts or there's

799

00:29:40,850 --> 00:29:39,059

these alien figures uh

800

00:29:42,649 --> 00:29:40,860

um some of these ghostly figures and

801
00:29:45,350 --> 00:29:42,659
they're calling them aliens so the

802
00:29:46,909 --> 00:29:45,360
people themselves also don't know what

803
00:29:48,950 --> 00:29:46,919
to call them but they're observing

804
00:29:51,049 --> 00:29:48,960
similar things so when I remove the

805
00:29:52,970 --> 00:29:51,059
labels and look at that again I do start

806
00:29:54,889 --> 00:29:52,980
to see characteristics and some of these

807
00:29:56,269 --> 00:29:54,899
photos that I have or drawings that I

808
00:29:58,250 --> 00:29:56,279
have

809
00:30:00,409 --> 00:29:58,260
um there's this cloak this cloak seems

810
00:30:02,510 --> 00:30:00,419
to be common I have these shadow figures

811
00:30:05,269 --> 00:30:02,520
wearing cloaks I have reptilians wearing

812
00:30:07,190 --> 00:30:05,279
cloaks I have police have Pleiadians

813
00:30:08,570 --> 00:30:07,200

wearing cloaks so different people in

814

00:30:11,870 --> 00:30:08,580

different stages remember different

815

00:30:14,269 --> 00:30:11,880

pieces of information that these cloaks

816

00:30:15,590 --> 00:30:14,279

seem to be common just in this

817

00:30:17,630 --> 00:30:15,600

particular a study that I'm working on

818

00:30:20,330 --> 00:30:17,640

so what that tells me is that like

819

00:30:22,430 --> 00:30:20,340

there's there's cloak idea that we need

820

00:30:24,470 --> 00:30:22,440

to focus on that's kind of all that

821

00:30:26,510 --> 00:30:24,480

because when the person perceives it

822

00:30:28,610 --> 00:30:26,520

when the person remember remembers it

823

00:30:31,010 --> 00:30:28,620

there's so many things going on and you

824

00:30:33,169 --> 00:30:31,020

got to look at the individual and and

825

00:30:35,690 --> 00:30:33,179

there's got to be a lot of belief this

826

00:30:36,950 --> 00:30:35,700

is also very important the reason why

827

00:30:39,049 --> 00:30:36,960

I'm able to get this much information

828

00:30:41,450 --> 00:30:39,059

because I I believe that something

829

00:30:43,190 --> 00:30:41,460

happened I just don't necessarily

830

00:30:45,409 --> 00:30:43,200

believe that what they think happened is

831

00:30:47,630 --> 00:30:45,419

what actually happened and there are

832

00:30:50,330 --> 00:30:47,640

some cases where especially with sexual

833

00:30:52,510 --> 00:30:50,340

assault I've mentioned before

834

00:30:55,610 --> 00:30:52,520

um it's just oppressed or or suppressed

835

00:30:58,430 --> 00:30:55,620

childhood trauma uh that they Mass

836

00:30:59,750 --> 00:30:58,440

between an alien uh it was just used to

837

00:31:02,930 --> 00:30:59,760

say it was abducted by aliens than to

838

00:31:05,029 --> 00:31:02,940

admit that uh you know a step parent had

839

00:31:07,130 --> 00:31:05,039

to abuse them so like there's a lot of

840

00:31:08,990 --> 00:31:07,140

those things that kind of go in when you

841

00:31:11,090 --> 00:31:09,000

get into these abduction cases

842

00:31:14,169 --> 00:31:11,100

so what I'm finding

843

00:31:17,210 --> 00:31:14,179

is that there is the government

844

00:31:19,070 --> 00:31:17,220

who is forced to respond as they should

845

00:31:21,049 --> 00:31:19,080

as our leaders and they need to need to

846

00:31:22,610 --> 00:31:21,059

do something because it got out of hand

847

00:31:25,610 --> 00:31:22,620

so they're Recon you know they're

848

00:31:27,350 --> 00:31:25,620

containing uh containing control of the

849

00:31:30,649 --> 00:31:27,360

information to move on to the next step

850

00:31:32,570 --> 00:31:30,659

and then you have

851

00:31:33,950 --> 00:31:32,580

people that are experiencing a

852

00:31:37,130 --> 00:31:33,960

phenomenon without any support

853

00:31:40,010 --> 00:31:37,140

whatsoever and there's this great deal

854

00:31:42,409 --> 00:31:40,020

of trauma anxiety

855

00:31:44,930 --> 00:31:42,419

um I wouldn't say Mental Illness but

856

00:31:45,889 --> 00:31:44,940

there are these

857

00:31:48,110 --> 00:31:45,899

foreign

858

00:31:50,630 --> 00:31:48,120

fears that they might be perceived as

859

00:31:52,430 --> 00:31:50,640

being mentally ill because they uh

860

00:31:54,529 --> 00:31:52,440

Associated these things with that so

861

00:31:56,750 --> 00:31:54,539

there's still

862

00:31:57,830 --> 00:31:56,760

the people need to be taken care of so

863

00:31:59,750 --> 00:31:57,840

the point of experience to support

864

00:32:01,130 --> 00:31:59,760

association with the investigations and

865

00:32:04,250 --> 00:32:01,140

all this other stuff is to provide

866

00:32:05,990 --> 00:32:04,260

resources to help live and cope with the

867

00:32:08,149 --> 00:32:06,000

experience no matter what it is because

868

00:32:10,190 --> 00:32:08,159

even if it's if I tell them it's not an

869

00:32:12,110 --> 00:32:10,200

alien I have no proof of that it's just

870

00:32:13,730 --> 00:32:12,120

a belief but they're living with it

871

00:32:15,409 --> 00:32:13,740

every day and think it's negative so the

872

00:32:17,570 --> 00:32:15,419

easiest thing for me to do is try to

873

00:32:18,769 --> 00:32:17,580

help them take that negative and make it

874

00:32:20,029 --> 00:32:18,779

a positive

875

00:32:21,110 --> 00:32:20,039

right

876

00:32:22,250 --> 00:32:21,120

um and if they're changing the way

877

00:32:24,110 --> 00:32:22,260

they're thinking then they change the

878

00:32:25,549 --> 00:32:24,120

way they feel like they change the way

879

00:32:27,769 --> 00:32:25,559

they feel

880

00:32:30,169 --> 00:32:27,779

um then uh then everything kind of

881

00:32:32,810 --> 00:32:30,179

changes from there in a positive way so

882

00:32:34,190 --> 00:32:32,820

if disclosure see it depends on who

883

00:32:35,750 --> 00:32:34,200

we're asking what we're going to get in

884

00:32:37,549 --> 00:32:35,760

confirmations we'll get confirmation

885

00:32:39,110 --> 00:32:37,559

from a government source of human source

886

00:32:41,750 --> 00:32:39,120

to give us answers about human

887

00:32:44,090 --> 00:32:41,760

engineered machines that may have come

888

00:32:46,190 --> 00:32:44,100

from ancestors that aren't even here

889

00:32:48,049 --> 00:32:46,200

anymore or we're never here to begin

890

00:32:50,810 --> 00:32:48,059

with that doesn't matter we have control

891

00:32:55,250 --> 00:32:50,820

of the information or the machines now

892

00:32:56,450 --> 00:32:55,260

but then to this Supernatural kind of

893

00:32:58,250 --> 00:32:56,460

thing that may not actually be

894

00:33:00,830 --> 00:32:58,260

Supernatural it's paranormal might not

895

00:33:03,470 --> 00:33:00,840

even be paranormal is normal now whereas

896

00:33:05,930 --> 00:33:03,480

we have these abilities that that may

897

00:33:08,149 --> 00:33:05,940

have always existed and because we were

898

00:33:11,269 --> 00:33:08,159

not able to explore that we're now

899

00:33:13,130 --> 00:33:11,279

learning that and um as an example I was

900

00:33:14,570 --> 00:33:13,140

like I'm always when I get experiential

901
00:33:16,430 --> 00:33:14,580
reports

902
00:33:18,409 --> 00:33:16,440
um from Witnesses I get them to report

903
00:33:19,850 --> 00:33:18,419
all their experiences some might be UFO

904
00:33:22,370 --> 00:33:19,860
paranormal Cryptid all these other

905
00:33:24,590 --> 00:33:22,380
things and then I timeline the ones that

906
00:33:26,330 --> 00:33:24,600
are that I can't identify at least and

907
00:33:27,830 --> 00:33:26,340
just because I can't identify it doesn't

908
00:33:28,909 --> 00:33:27,840
mean it's an unknown it just means I

909
00:33:30,889 --> 00:33:28,919
don't know what it is and I'm hoping

910
00:33:33,529 --> 00:33:30,899
somebody else will

911
00:33:35,029 --> 00:33:33,539
um but I'm seeing this pattern where it

912
00:33:37,190 --> 00:33:35,039
starts with some sort of what I call

913
00:33:38,990 --> 00:33:37,200

visitation because I don't like the word

914

00:33:40,730 --> 00:33:39,000

abduction it implies negative off the

915

00:33:42,710 --> 00:33:40,740

but so I say visitation so it could be

916

00:33:44,029 --> 00:33:42,720

negative or positive I'm also measuring

917

00:33:46,490 --> 00:33:44,039

positive experiences because that's

918

00:33:47,990 --> 00:33:46,500

information as well well some people

919

00:33:49,730 --> 00:33:48,000

don't want to talk about the positive

920

00:33:50,990 --> 00:33:49,740

stuff because it doesn't it doesn't have

921

00:33:52,970 --> 00:33:51,000

that threat negative you know a

922

00:33:54,409 --> 00:33:52,980

narrative if it bleeds it leads kind of

923

00:33:56,389 --> 00:33:54,419

type deal but you can still get good

924

00:33:57,769 --> 00:33:56,399

information from those who believe and

925

00:33:59,330 --> 00:33:57,779

and the angels and all that other stuff

926
00:34:00,590 --> 00:33:59,340
because there's those if you know how to

927
00:34:01,850 --> 00:34:00,600
build a case

928
00:34:03,289 --> 00:34:01,860
so

929
00:34:05,690 --> 00:34:03,299
we're getting into this Evolution

930
00:34:07,190 --> 00:34:05,700
pattern that I'm seeing is that these

931
00:34:09,790 --> 00:34:07,200
experiencers have some sort of

932
00:34:13,790 --> 00:34:09,800
visitation or contact at an early age

933
00:34:17,389 --> 00:34:13,800
and their Early Child ages uh you know

934
00:34:19,609 --> 00:34:17,399
might have a paranormal experience

935
00:34:22,250 --> 00:34:19,619
um and then in their teenage years

936
00:34:23,869 --> 00:34:22,260
there's some Poltergeist activity and

937
00:34:26,869 --> 00:34:23,879
then as they get older they have this

938
00:34:28,990 --> 00:34:26,879

interest in in pseudomedicine or like

939

00:34:31,190 --> 00:34:29,000

Reiki or uh

940

00:34:32,810 --> 00:34:31,200

meditation and things like that and then

941

00:34:34,430 --> 00:34:32,820

all of a sudden close to end of life

942

00:34:35,930 --> 00:34:34,440

they're like a blown out psychic and

943

00:34:38,389 --> 00:34:35,940

Tarot reader and all these other things

944

00:34:39,889 --> 00:34:38,399

so when you meet these people at

945

00:34:41,329 --> 00:34:39,899

different parts of their life when you

946

00:34:43,970 --> 00:34:41,339

understand their history as an

947

00:34:47,450 --> 00:34:43,980

individual there's signs of evolution

948

00:34:50,329 --> 00:34:47,460

and it's it's possible that there was

949

00:34:52,129 --> 00:34:50,339

contact that was made

950

00:34:54,290 --> 00:34:52,139

whether that's and if that's human

951
00:34:55,669 --> 00:34:54,300
contact and that would be the MK Ultra

952
00:34:57,349 --> 00:34:55,679
kind of scenario where they're

953
00:34:58,670 --> 00:34:57,359
experimenting with you know with the

954
00:35:00,170 --> 00:34:58,680
mind because we know that exists they

955
00:35:02,870 --> 00:35:00,180
know that they knew something in order

956
00:35:04,310 --> 00:35:02,880
to test with this whether those uh still

957
00:35:07,130 --> 00:35:04,320
happens that's that's the thing but

958
00:35:09,890 --> 00:35:07,140
something happened then we've evolved

959
00:35:15,109 --> 00:35:09,900
over the years and perhaps this this

960
00:35:16,790 --> 00:35:15,119
paranormal thing is is actually the real

961
00:35:19,010 --> 00:35:16,800
um back

962
00:35:21,109 --> 00:35:19,020
I guess walked in sheep's clothing if

963
00:35:24,170 --> 00:35:21,119

you will were real nastas kind of tells

964

00:35:26,089 --> 00:35:24,180

us that we as beings aren't uh as

965

00:35:28,310 --> 00:35:26,099

Superior as we should be because we're

966

00:35:30,410 --> 00:35:28,320

afraid of these ghosts we're afraid of

967

00:35:32,450 --> 00:35:30,420

this Poltergeist activity we're afraid

968

00:35:33,950 --> 00:35:32,460

of this psychic stuff but really if it's

969

00:35:36,050 --> 00:35:33,960

evolution

970

00:35:37,550 --> 00:35:36,060

then this is the way we are is the way

971

00:35:38,990 --> 00:35:37,560

we should be so with the expansion

972

00:35:40,430 --> 00:35:39,000

support Association through the studies

973

00:35:42,829 --> 00:35:40,440

too we kind of want to encourage people

974

00:35:44,390 --> 00:35:42,839

to develop these abilities as well if

975

00:35:46,910 --> 00:35:44,400

they have it to prove it and to test it

976
00:35:48,290 --> 00:35:46,920
in the parapsychology side

977
00:35:50,870 --> 00:35:48,300
so

978
00:35:53,870 --> 00:35:50,880
the interesting thing is this

979
00:35:57,349 --> 00:35:53,880
Poltergeist phenomenon is you know you

980
00:35:59,510 --> 00:35:57,359
get into this part where

981
00:36:01,010 --> 00:35:59,520
you come home and all of a sudden these

982
00:36:02,150 --> 00:36:01,020
cupboards are opening up and closing and

983
00:36:04,010 --> 00:36:02,160
all these other things and then you

984
00:36:05,810 --> 00:36:04,020
automatically think nine times out of

985
00:36:07,550 --> 00:36:05,820
ten it's a ghost it's threatening

986
00:36:08,690 --> 00:36:07,560
because it's terrifying we want to leave

987
00:36:09,710 --> 00:36:08,700
your house you want to do all these

988
00:36:11,270 --> 00:36:09,720

other things you don't want to be around

989

00:36:13,130 --> 00:36:11,280

it but

990

00:36:15,349 --> 00:36:13,140

when I get in and I talk to him and ask

991

00:36:17,569 --> 00:36:15,359

put the put it cross-examine if you will

992

00:36:19,790 --> 00:36:17,579

and say things like you know is it

993

00:36:22,069 --> 00:36:19,800

possible that you move them and when you

994

00:36:24,530 --> 00:36:22,079

start thinking about it it's like you

995

00:36:27,170 --> 00:36:24,540

know what I was stressed that day I was

996

00:36:29,089 --> 00:36:27,180

uh it was in my teenage years you know

997

00:36:30,349 --> 00:36:29,099

all these studies that suggest that you

998

00:36:32,810 --> 00:36:30,359

know I was going through puberty like

999

00:36:34,430 --> 00:36:32,820

all these markers that we that have been

1000

00:36:36,470 --> 00:36:34,440

studied kind of exist and you're like

1001
00:36:38,329 --> 00:36:36,480
you know what maybe I didn't

1002
00:36:39,410 --> 00:36:38,339
and then it becomes a conversation of

1003
00:36:40,910 --> 00:36:39,420
like well why don't you try and move

1004
00:36:42,410 --> 00:36:40,920
them the next time you're feeling stress

1005
00:36:43,910 --> 00:36:42,420
and I've had some cases where people

1006
00:36:46,190 --> 00:36:43,920
come back and said you know what Ryan I

1007
00:36:47,930 --> 00:36:46,200
tried and I moved them what you got it

1008
00:36:49,550 --> 00:36:47,940
recorded and things like that I know of

1009
00:36:50,870 --> 00:36:49,560
course but you know I'm having

1010
00:36:52,609 --> 00:36:50,880
conversations like that so by

1011
00:36:54,950 --> 00:36:52,619
encouraging them to develop these

1012
00:36:56,930 --> 00:36:54,960
abilities

1013
00:36:58,849 --> 00:36:56,940

um it's it's not threatening because

1014

00:37:01,310 --> 00:36:58,859

it's it's spreading light

1015

00:37:04,730 --> 00:37:01,320

encouraging them to

1016

00:37:07,730 --> 00:37:04,740

um you know to do these healing things

1017

00:37:09,230 --> 00:37:07,740

and embrace the beings that they are so

1018

00:37:10,849 --> 00:37:09,240

that way they can help other people and

1019

00:37:11,870 --> 00:37:10,859

if they help other people love each

1020

00:37:14,210 --> 00:37:11,880

other

1021

00:37:17,329 --> 00:37:14,220

then there's less anger and there's less

1022

00:37:20,510 --> 00:37:17,339

fighting and if confirmation is going to

1023

00:37:23,329 --> 00:37:20,520

happen they need more of more loving

1024

00:37:25,609 --> 00:37:23,339

people to give this information to

1025

00:37:28,609 --> 00:37:25,619

when the pandemic happened they gave

1026
00:37:31,310 --> 00:37:28,619
information and they gave instructions

1027
00:37:34,490 --> 00:37:31,320
and we as a human race did not handle

1028
00:37:36,890 --> 00:37:34,500
that well we did what was the paper rush

1029
00:37:39,470 --> 00:37:36,900
we prior yeah we prioritize toilet paper

1030
00:37:41,450 --> 00:37:39,480
so so if that was an experiment or if

1031
00:37:43,370 --> 00:37:41,460
that was real or if that was like a

1032
00:37:47,870 --> 00:37:43,380
judgment on whether or not we can handle

1033
00:37:49,730 --> 00:37:47,880
aliens we failed mm-hmm so so so I

1034
00:37:52,430 --> 00:37:49,740
acknowledge and I accept all of these

1035
00:37:54,349 --> 00:37:52,440
possibilities my study shows me that

1036
00:37:56,210 --> 00:37:54,359
it's not a threat it's more focused on

1037
00:37:58,730 --> 00:37:56,220
the people we are the key and we are the

1038
00:37:59,990 --> 00:37:58,740

link so I'm focusing on the people for

1039

00:38:02,990 --> 00:38:00,000

the future

1040

00:38:05,510 --> 00:38:03,000

so that way we can be ready to help

1041

00:38:07,609 --> 00:38:05,520

those that might just realize that you

1042

00:38:10,550 --> 00:38:07,619

know their their mutants you know like

1043

00:38:12,250 --> 00:38:10,560

mutant x x y uh X-Men that kind of

1044

00:38:15,050 --> 00:38:12,260

scenario because

1045

00:38:17,630 --> 00:38:15,060

we want disclosure to happen I know some

1046

00:38:19,190 --> 00:38:17,640

people do but there's no one prepping at

1047

00:38:21,710 --> 00:38:19,200

least what I can see or at least anymore

1048

00:38:23,150 --> 00:38:21,720

for what to do afterwards My Generation

1049

00:38:25,310 --> 00:38:23,160

the Next Generation the children's

1050

00:38:27,230 --> 00:38:25,320

generation they're the ones that are

1051

00:38:28,609 --> 00:38:27,240

going to take this home

1052

00:38:31,430 --> 00:38:28,619

um it's not gonna be us

1053

00:38:34,010 --> 00:38:31,440

yeah what do you say to Skeptics and

1054

00:38:37,190 --> 00:38:34,020

people that are you know polarized

1055

00:38:39,650 --> 00:38:37,200

either straight up nuts and bolts UFO or

1056

00:38:41,030 --> 00:38:39,660

totally paranormal Fringe and those

1057

00:38:43,430 --> 00:38:41,040

people in the middle that say the two

1058

00:38:45,109 --> 00:38:43,440

don't exist in the same realm in fact I

1059

00:38:47,089 --> 00:38:45,119

had somebody on Facebook a few days ago

1060

00:38:49,010 --> 00:38:47,099

comment that and it was towards Preston

1061

00:38:51,170 --> 00:38:49,020

Dennett we had an episode with him and

1062

00:38:53,450 --> 00:38:51,180

he's written books on both paranormal

1063

00:38:55,609 --> 00:38:53,460

and ufology so it's a relevant topic to

1064

00:38:57,530 --> 00:38:55,619

ask them those questions and some people

1065

00:38:59,270 --> 00:38:57,540

had said you know he brought up a lot of

1066

00:39:00,530 --> 00:38:59,280

really Sensational experiences and

1067

00:39:02,089 --> 00:39:00,540

they're like why didn't you Hammer them

1068

00:39:04,430 --> 00:39:02,099

and say Hey where's the proof and this

1069

00:39:05,930 --> 00:39:04,440

and that and you know again that's not

1070

00:39:08,210 --> 00:39:05,940

our flavor of show we don't do that

1071

00:39:10,370 --> 00:39:08,220

anyway we believe totally and I think

1072

00:39:12,050 --> 00:39:10,380

myself personally said ever since

1073

00:39:13,490 --> 00:39:12,060

speaking to George Knapp when he's

1074

00:39:15,470 --> 00:39:13,500

describing you know the hitchhiker

1075

00:39:17,750 --> 00:39:15,480

effect from going to Skinwalker Ranch

1076
00:39:19,970 --> 00:39:17,760
and you know in nuts and bolts ufology

1077
00:39:21,829 --> 00:39:19,980
guy is now having weird Poltergeist

1078
00:39:24,290 --> 00:39:21,839
stuff happen at home and his wife and

1079
00:39:26,630 --> 00:39:24,300
even Colin Keller his partner and his

1080
00:39:28,310 --> 00:39:26,640
wife and all the rest so I'm more open

1081
00:39:31,069 --> 00:39:28,320
to it but we're also in the field we're

1082
00:39:32,569 --> 00:39:31,079
talking experts every week and we're and

1083
00:39:34,550 --> 00:39:32,579
on the front line of this stuff but

1084
00:39:36,710 --> 00:39:34,560
there's still a generation of ufologists

1085
00:39:39,050 --> 00:39:36,720
that want to believe that don't see the

1086
00:39:40,849 --> 00:39:39,060
intersect and do you think there's a

1087
00:39:42,770 --> 00:39:40,859
disconnect there or is that just our own

1088
00:39:45,109 --> 00:39:42,780

bias you know what and I myself included

1089

00:39:47,630 --> 00:39:45,119

I was like that uh in the beginning I

1090

00:39:49,790 --> 00:39:47,640

think first time we had Ryan on I was

1091

00:39:51,530 --> 00:39:49,800

still on the fence I was not convinced

1092

00:39:53,810 --> 00:39:51,540

that this stuff happens and I'm more

1093

00:39:56,569 --> 00:39:53,820

convinced so

1094

00:39:58,490 --> 00:39:56,579

yeah it I mean it's

1095

00:40:02,510 --> 00:39:58,500

okay there's a lot to do to break down

1096

00:40:06,109 --> 00:40:02,520

there so so it either all exists or none

1097

00:40:09,410 --> 00:40:06,119

of it exists I agree okay so so if none

1098

00:40:11,150 --> 00:40:09,420

of it exists then we just have this

1099

00:40:13,190 --> 00:40:11,160

fantasy and this is the hope that we

1100

00:40:14,630 --> 00:40:13,200

want to we've created this religion

1101

00:40:18,470 --> 00:40:14,640

we've created to know that there's life

1102

00:40:20,150 --> 00:40:18,480

after there so we have a a a reason to

1103

00:40:22,609 --> 00:40:20,160

be slaves to the government and pay our

1104

00:40:24,770 --> 00:40:22,619

taxes you know there's this hope or so

1105

00:40:26,630 --> 00:40:24,780

death isn't so scary you know also death

1106

00:40:28,490 --> 00:40:26,640

isn't so scary so so yeah exactly

1107

00:40:31,010 --> 00:40:28,500

there's got to be a purpose for it if it

1108

00:40:33,290 --> 00:40:31,020

does exist then therefore what we're

1109

00:40:34,550 --> 00:40:33,300

doing is we're a reason to help a higher

1110

00:40:37,849 --> 00:40:34,560

power for something else for whatever

1111

00:40:41,630 --> 00:40:37,859

reason so either way there's purpose

1112

00:40:43,790 --> 00:40:41,640

um so to be right wing and left wing or

1113

00:40:46,310 --> 00:40:43,800

one side or the other side and not be

1114

00:40:47,810 --> 00:40:46,320

able to tether there's there's there's a

1115

00:40:49,670 --> 00:40:47,820

there's personality in that there's

1116

00:40:51,050 --> 00:40:49,680

culture in that there's there's hard

1117

00:40:53,030 --> 00:40:51,060

beliefs

1118

00:40:54,290 --> 00:40:53,040

um there's economic motivation behind

1119

00:40:56,270 --> 00:40:54,300

that

1120

00:40:58,490 --> 00:40:56,280

um so so if you're a science guy you

1121

00:40:59,930 --> 00:40:58,500

can't talk to talk about these taboo

1122

00:41:00,710 --> 00:40:59,940

stuff because you literally you lose

1123

00:41:04,550 --> 00:41:00,720

your

1124

00:41:06,109 --> 00:41:04,560

like that so A lot of people are

1125

00:41:08,270 --> 00:41:06,119

tight-lipped because they don't want to

1126
00:41:10,430 --> 00:41:08,280
lose their Academia and all these other

1127
00:41:11,589 --> 00:41:10,440
alumni others associations and things

1128
00:41:15,170 --> 00:41:11,599
like that too

1129
00:41:18,170 --> 00:41:15,180
paranormal side I mean they dream to be

1130
00:41:19,730 --> 00:41:18,180
honored as an academic but they can't be

1131
00:41:21,770 --> 00:41:19,740
welcomed into that because they're

1132
00:41:23,930 --> 00:41:21,780
ridiculed with people from like Ghost

1133
00:41:26,810 --> 00:41:23,940
Adventures that think that you can wear

1134
00:41:28,910 --> 00:41:26,820
tight shirts and and and scare the ghost

1135
00:41:30,890 --> 00:41:28,920
in weights you know and as a risk

1136
00:41:32,569 --> 00:41:30,900
analysis you know the worst thing that I

1137
00:41:34,550 --> 00:41:32,579
would the last thing I would do is

1138
00:41:37,849 --> 00:41:34,560

entice anything

1139

00:41:40,430 --> 00:41:37,859

without knowing its true capability and

1140

00:41:42,410 --> 00:41:40,440

if you're you know yelling at an unseen

1141

00:41:44,569 --> 00:41:42,420

force in the middle of a dark area by

1142

00:41:46,609 --> 00:41:44,579

yourself and this this entity does exist

1143

00:41:48,349 --> 00:41:46,619

you're going to lose so Stephen Hawking

1144

00:41:49,910 --> 00:41:48,359

said that I think we shouldn't be out

1145

00:41:51,710 --> 00:41:49,920

there shouting in the universe because

1146

00:41:54,109 --> 00:41:51,720

we don't know what's out there and what

1147

00:41:56,450 --> 00:41:54,119

might happen could be nasty so another

1148

00:41:59,150 --> 00:41:56,460

interesting parallel to help you guys

1149

00:42:00,589 --> 00:41:59,160

understand where I'm at like I said it

1150

00:42:03,170 --> 00:42:00,599

all exists and the reason why it all

1151
00:42:05,569 --> 00:42:03,180
exists is because the people exist the

1152
00:42:08,030 --> 00:42:05,579
people are experiencing phenomenon

1153
00:42:10,010 --> 00:42:08,040
what's not being completely understood

1154
00:42:12,230 --> 00:42:10,020
on a whole because we're lack of answers

1155
00:42:14,810 --> 00:42:12,240
is what's the cause of the phenomenon

1156
00:42:16,790 --> 00:42:14,820
but but we are able to experience it so

1157
00:42:18,829 --> 00:42:16,800
we compare ourselves and what we do and

1158
00:42:21,230 --> 00:42:18,839
how we do then we can understand that we

1159
00:42:22,609 --> 00:42:21,240
have the ability to

1160
00:42:25,550 --> 00:42:22,619
um do these things like with the auras

1161
00:42:28,250 --> 00:42:25,560
uh um the energy healing with Reiki like

1162
00:42:31,370 --> 00:42:28,260
that's all human normal stuff but like

1163
00:42:33,829 --> 00:42:31,380

the when you get into propaganda and and

1164

00:42:35,510 --> 00:42:33,839

mainstream media and all these uh you

1165

00:42:36,589 --> 00:42:35,520

know subliminal messaging and stuff I

1166

00:42:38,810 --> 00:42:36,599

kind of feel like

1167

00:42:41,810 --> 00:42:38,820

paranormal and ufology were kind of

1168

00:42:44,329 --> 00:42:41,820

twins at Birth and then separated uh you

1169

00:42:46,970 --> 00:42:44,339

know in in terms of

1170

00:42:48,710 --> 00:42:46,980

um making fun of one which is actually

1171

00:42:51,230 --> 00:42:48,720

the truth

1172

00:42:53,450 --> 00:42:51,240

um and then now we're starting to focus

1173

00:42:55,550 --> 00:42:53,460

more on the science side

1174

00:42:58,190 --> 00:42:55,560

um you know to kind of have control of

1175

00:43:00,109 --> 00:42:58,200

that it's almost like you know if the in

1176

00:43:02,030 --> 00:43:00,119

the witch burning ages when the women

1177

00:43:04,250 --> 00:43:02,040

were more uh still are you know of

1178

00:43:07,010 --> 00:43:04,260

course but but then uh you know they

1179

00:43:09,470 --> 00:43:07,020

were afraid of of them because they they

1180

00:43:12,710 --> 00:43:09,480

had an understanding of science at a

1181

00:43:14,809 --> 00:43:12,720

greater level than uh than the mended at

1182

00:43:19,069 --> 00:43:14,819

that time so there's there's these fear

1183

00:43:22,430 --> 00:43:19,079

things going on so with the

1184

00:43:23,990 --> 00:43:22,440

let's look at the Ouija board as a

1185

00:43:28,190 --> 00:43:24,000

medium as a tool

1186

00:43:31,329 --> 00:43:28,200

and then we compare that to a ce5 which

1187

00:43:34,970 --> 00:43:31,339

is a um you know a meditation practice

1188

00:43:36,290 --> 00:43:34,980

uh that you would do to try and summon

1189

00:43:37,670 --> 00:43:36,300

UFOs

1190

00:43:40,130 --> 00:43:37,680

so

1191

00:43:43,490 --> 00:43:40,140

the ce5 movement would use a radio

1192

00:43:44,809 --> 00:43:43,500

signal a machine they would meditate and

1193

00:43:47,809 --> 00:43:44,819

then they would intentionally try to

1194

00:43:50,270 --> 00:43:47,819

make contact with extraterrestrials the

1195

00:43:52,130 --> 00:43:50,280

Seance is a board with letters and all

1196

00:43:54,770 --> 00:43:52,140

these other things on it they would set

1197

00:43:56,690 --> 00:43:54,780

the mood set candles meditate and try to

1198

00:43:58,069 --> 00:43:56,700

make a connection with

1199

00:44:00,710 --> 00:43:58,079

spirit

1200

00:44:02,450 --> 00:44:00,720

so the human is a constant in that

1201
00:44:03,890 --> 00:44:02,460
they're both meditating in that sense

1202
00:44:06,470 --> 00:44:03,900
and they're both putting intentional

1203
00:44:08,569 --> 00:44:06,480
thought out there and when you get that

1204
00:44:09,890 --> 00:44:08,579
response that immediate reaction we

1205
00:44:11,450 --> 00:44:09,900
don't we don't know if it's

1206
00:44:13,490 --> 00:44:11,460
extraterrestrial there's an assumption

1207
00:44:15,170 --> 00:44:13,500
and we don't know if it's ghost it's an

1208
00:44:17,569 --> 00:44:15,180
assumption but the other thing that

1209
00:44:19,510 --> 00:44:17,579
we're not taking into effect

1210
00:44:22,609 --> 00:44:19,520
is there's other people in that room

1211
00:44:24,829 --> 00:44:22,619
projecting thoughts so how do we know as

1212
00:44:26,569 --> 00:44:24,839
receivers of this information we're not

1213
00:44:29,089 --> 00:44:26,579

receiving a thought from some other

1214

00:44:31,190 --> 00:44:29,099

human being from somewhere else so if

1215

00:44:33,770 --> 00:44:31,200

I'm meditating right now and my goal is

1216

00:44:35,390 --> 00:44:33,780

to put energy out there in love out

1217

00:44:37,130 --> 00:44:35,400

there to say you know what so for all

1218

00:44:38,510 --> 00:44:37,140

the people that are having a bad day I'm

1219

00:44:39,829 --> 00:44:38,520

going to say this Mantra this is going

1220

00:44:41,750 --> 00:44:39,839

to be for everyone and then somewhere

1221

00:44:43,250 --> 00:44:41,760

else you guys are meditating in your

1222

00:44:45,589 --> 00:44:43,260

space or praying to your God because

1223

00:44:46,910 --> 00:44:45,599

you're having a bad day and you want an

1224

00:44:49,430 --> 00:44:46,920

answer and then all of a sudden you hear

1225

00:44:52,609 --> 00:44:49,440

my words of wisdom and you think it's

1226

00:44:54,710 --> 00:44:52,619

God but you don't know that but you hear

1227

00:44:57,109 --> 00:44:54,720

it you picked it up and you go on your

1228

00:44:58,970 --> 00:44:57,119

date so so there's there's if you

1229

00:45:02,089 --> 00:44:58,980

normalize it

1230

00:45:03,710 --> 00:45:02,099

it's not it's uh it's us it's basically

1231

00:45:05,809 --> 00:45:03,720

what I'm getting which makes which kind

1232

00:45:08,210 --> 00:45:05,819

of removes the Woo which doesn't make it

1233

00:45:10,190 --> 00:45:08,220

all fancy but the reason why

1234

00:45:12,349 --> 00:45:10,200

that's not all fancies because there's a

1235

00:45:14,890 --> 00:45:12,359

lot of people in this industry who are

1236

00:45:17,329 --> 00:45:14,900

making a lot of profit off of it yeah

1237

00:45:19,010 --> 00:45:17,339

and selling the threat narrative you

1238

00:45:20,390 --> 00:45:19,020

know if you're a military trained

1239

00:45:21,829 --> 00:45:20,400

through and through I like to say when

1240

00:45:23,329 --> 00:45:21,839

you're a hammer I think Stephen Greer

1241

00:45:24,890 --> 00:45:23,339

said it and I've kind of stole it but

1242

00:45:27,770 --> 00:45:24,900

when you're a hammer all you see are

1243

00:45:29,089 --> 00:45:27,780

nails so it would make sense that those

1244

00:45:30,950 --> 00:45:29,099

who were trained that way to be

1245

00:45:33,829 --> 00:45:30,960

constantly paranoid and for good reason

1246

00:45:36,470 --> 00:45:33,839

in war but in your day-to-day and social

1247

00:45:38,569 --> 00:45:36,480

interactions that's not necessarily the

1248

00:45:41,030 --> 00:45:38,579

best way to go about things right that

1249

00:45:42,950 --> 00:45:41,040

in itself is a limiting bias because

1250

00:45:45,950 --> 00:45:42,960

you're not necessarily as open to the

1251
00:45:47,930 --> 00:45:45,960
other side hence is this Paradigm where

1252
00:45:50,329 --> 00:45:47,940
we're all somewhere on this spectrum in

1253
00:45:52,250 --> 00:45:50,339
terms of our belief and we mentioned it

1254
00:45:53,450 --> 00:45:52,260
on Dave Scott show that they say you

1255
00:45:55,490 --> 00:45:53,460
should never discuss religion in

1256
00:45:57,770 --> 00:45:55,500
politics with your friends well this

1257
00:45:59,270 --> 00:45:57,780
topic delves into both of those terms

1258
00:46:01,609 --> 00:45:59,280
you know it has religious implications

1259
00:46:03,349 --> 00:46:01,619
and political ones especially if they've

1260
00:46:07,250 --> 00:46:03,359
been withholding things and are

1261
00:46:09,050 --> 00:46:07,260
continuing to do that so yeah and it's a

1262
00:46:11,390 --> 00:46:09,060
big rabbit hole and and who wants to

1263
00:46:13,490 --> 00:46:11,400

admit to that you know so like it's it's

1264

00:46:15,109 --> 00:46:13,500

it's the way it was I mean with our the

1265

00:46:16,309 --> 00:46:15,119

queen passing too things are going to

1266

00:46:19,010 --> 00:46:16,319

change with the King you know like

1267

00:46:21,230 --> 00:46:19,020

there's there's the world's in for a big

1268

00:46:23,150 --> 00:46:21,240

shift and and you know why not you know

1269

00:46:25,970 --> 00:46:23,160

this could be a different type of reset

1270

00:46:27,109 --> 00:46:25,980

but the world is resetting

1271

00:46:30,710 --> 00:46:27,119

um

1272

00:46:32,990 --> 00:46:30,720

yeah so like where I'm where my heart's

1273

00:46:35,210 --> 00:46:33,000

at though is is it's just trying to be

1274

00:46:37,609 --> 00:46:35,220

available and understanding

1275

00:46:41,809 --> 00:46:37,619

um to the experiencers because like my

1276

00:46:43,430 --> 00:46:41,819

job I have to like my career I need to

1277

00:46:45,530 --> 00:46:43,440

balance thoughts I need to balance

1278

00:46:47,390 --> 00:46:45,540

evidence and I need to cater to the

1279

00:46:50,270 --> 00:46:47,400

emotions of either party

1280

00:46:52,430 --> 00:46:50,280

so like uh if I'm dealing with a child

1281

00:46:53,630 --> 00:46:52,440

custody dispute you know both parents

1282

00:46:56,510 --> 00:46:53,640

are trying to prove the other parent

1283

00:46:58,309 --> 00:46:56,520

unfit but I you know but the things that

1284

00:47:00,230 --> 00:46:58,319

they do to prove the other parent unfit

1285

00:47:01,370 --> 00:47:00,240

isn't fair to the children so we've got

1286

00:47:02,510 --> 00:47:01,380

to think of the children it's what

1287

00:47:03,890 --> 00:47:02,520

matters for the children and then you

1288

00:47:05,210 --> 00:47:03,900

got to do the job get paid and do all

1289

00:47:07,010 --> 00:47:05,220

these other things hopefully that that

1290

00:47:09,290 --> 00:47:07,020

child has has a thing so these

1291

00:47:11,870 --> 00:47:09,300

experiences are the children you know

1292

00:47:13,849 --> 00:47:11,880

and and and and and the parents I guess

1293

00:47:15,349 --> 00:47:13,859

is is the you know mainstream media and

1294

00:47:16,910 --> 00:47:15,359

the government you know like all

1295

00:47:19,069 --> 00:47:16,920

fighting over truth and answers whatever

1296

00:47:23,150 --> 00:47:19,079

but like like who's who's taking care of

1297

00:47:24,170 --> 00:47:23,160

of her children because what happens you

1298

00:47:25,730 --> 00:47:24,180

know there's there's a lot all that

1299

00:47:27,550 --> 00:47:25,740

stuff needs to be taken into

1300

00:47:29,990 --> 00:47:27,560

consideration but there's

1301
00:47:32,870 --> 00:47:30,000
untreated having it untreated is

1302
00:47:35,210 --> 00:47:32,880
dangerous as well so if if the

1303
00:47:38,089 --> 00:47:35,220
phenomenon exists there are people that

1304
00:47:40,069 --> 00:47:38,099
are affected by PTSD anxiety and traumas

1305
00:47:42,109 --> 00:47:40,079
and things like that that should be

1306
00:47:44,750 --> 00:47:42,119
getting mental health support or a

1307
00:47:46,550 --> 00:47:44,760
mental health guidance meaning not don't

1308
00:47:48,170 --> 00:47:46,560
necessarily need to be medicated but

1309
00:47:51,109 --> 00:47:48,180
they need to at least be able to talk to

1310
00:47:52,790 --> 00:47:51,119
mental health professionals uh to rule

1311
00:47:54,589 --> 00:47:52,800
out a couple things is maybe they do

1312
00:47:55,970 --> 00:47:54,599
have schizophrenia maybe they do have

1313
00:47:58,309 --> 00:47:55,980

things like that but they might not even

1314

00:48:00,950 --> 00:47:58,319

be related to the event but maybe they

1315

00:48:04,309 --> 00:48:00,960

are psychic maybe they are special maybe

1316

00:48:05,530 --> 00:48:04,319

they are gifted you know um so I kind of

1317

00:48:10,130 --> 00:48:05,540

view

1318

00:48:12,290 --> 00:48:10,140

this community of experiencers as

1319

00:48:14,270 --> 00:48:12,300

like you know a group of people that are

1320

00:48:17,390 --> 00:48:14,280

experiencing a phenomenon that is

1321

00:48:19,309 --> 00:48:17,400

untreated and and and by treated I don't

1322

00:48:21,770 --> 00:48:19,319

mean it needs to be cured or it needs to

1323

00:48:23,809 --> 00:48:21,780

be fixed it just needs to be identified

1324

00:48:26,450 --> 00:48:23,819

and balanced so we can

1325

00:48:28,849 --> 00:48:26,460

stop being afraid of it

1326

00:48:31,970 --> 00:48:28,859

right I think Kevin day is a perfect

1327

00:48:33,290 --> 00:48:31,980

example of a guy who has PTSD as a

1328

00:48:35,329 --> 00:48:33,300

result of this you know he was involved

1329

00:48:37,309 --> 00:48:35,339

with the Tic Tac incident and you see

1330

00:48:39,470 --> 00:48:37,319

him on Caroline Corey's a tear in the

1331

00:48:41,450 --> 00:48:39,480

sky and he's noticeably shaking and

1332

00:48:43,550 --> 00:48:41,460

emotional about this now he doesn't have

1333

00:48:45,710 --> 00:48:43,560

PTSD from seeing his buddy get blown to

1334

00:48:47,870 --> 00:48:45,720

Pieces beside him it's from a UAP

1335

00:48:49,970 --> 00:48:47,880

experience or whatever paranormal

1336

00:48:52,490 --> 00:48:49,980

whatever you want to classify it as some

1337

00:48:53,990 --> 00:48:52,500

weird [h__h] happened and he was ridiculed

1338

00:48:56,510 --> 00:48:54,000

and everything else and that is

1339

00:48:59,329 --> 00:48:56,520

partially part of the PTSD was the after

1340

00:49:01,910 --> 00:48:59,339

effect but it's cause and effect and the

1341

00:49:04,069 --> 00:49:01,920

cause was one of these experiences and

1342

00:49:06,530 --> 00:49:04,079

it for some people that I maybe are

1343

00:49:08,630 --> 00:49:06,540

already borderline in that dealing with

1344

00:49:10,430 --> 00:49:08,640

other things as well this is enough to

1345

00:49:11,809 --> 00:49:10,440

really push him over the edge and good

1346

00:49:13,970 --> 00:49:11,819

on you for having a support group

1347

00:49:15,890 --> 00:49:13,980

because people need it they don't know

1348

00:49:18,530 --> 00:49:15,900

who to talk to and you don't want to be

1349

00:49:20,569 --> 00:49:18,540

made a fool of or look you know weak to

1350

00:49:23,390 --> 00:49:20,579

people or be vulnerable so they need

1351
00:49:24,309 --> 00:49:23,400
this type of support they do and we're

1352
00:49:27,109 --> 00:49:24,319
not

1353
00:49:29,450 --> 00:49:27,119
the only ones doing this type type of

1354
00:49:32,329 --> 00:49:29,460
philosophy

1355
00:49:33,650 --> 00:49:32,339
or if you will this type of there's a

1356
00:49:35,750 --> 00:49:33,660
lot of people trying to help

1357
00:49:39,170 --> 00:49:35,760
experiencers who understand this concept

1358
00:49:42,170 --> 00:49:39,180
what I'm trying to do is regulate it so

1359
00:49:43,970 --> 00:49:42,180
that way when I make referrals that I'm

1360
00:49:45,470 --> 00:49:43,980
referring them to actual people that

1361
00:49:47,710 --> 00:49:45,480
have the credentials that they claim

1362
00:49:50,870 --> 00:49:47,720
that they have because when you get into

1363
00:49:53,089 --> 00:49:50,880

pseudotherapy or pseudo um

1364

00:49:56,569 --> 00:49:53,099

uh yeah students therapy I think that's

1365

00:49:59,210 --> 00:49:56,579

fine with that like hypnosis and Reiki

1366

00:50:00,770 --> 00:49:59,220

um you know they have to make money off

1367

00:50:02,450 --> 00:50:00,780

of that but they're going to buy into

1368

00:50:04,490 --> 00:50:02,460

there are some people in this industry

1369

00:50:07,490 --> 00:50:04,500

that buy into the UFO Abduction

1370

00:50:09,230 --> 00:50:07,500

phenomenon and buy into uh the

1371

00:50:12,170 --> 00:50:09,240

possibility of them being abducted so

1372

00:50:15,109 --> 00:50:12,180

that way they can receive payment to do

1373

00:50:16,210 --> 00:50:15,119

their treatment on it but some of these

1374

00:50:18,349 --> 00:50:16,220

Hypno

1375

00:50:19,970 --> 00:50:18,359

hypnotherapists are re-victimizing

1376

00:50:21,050 --> 00:50:19,980

because they're not psychologists

1377

00:50:23,030 --> 00:50:21,060

they're not doing all these other things

1378

00:50:26,450 --> 00:50:23,040

not the proper mental health so there's

1379

00:50:27,890 --> 00:50:26,460

there are supports out there that I can

1380

00:50:30,349 --> 00:50:27,900

refer these people to but they're not

1381

00:50:32,750 --> 00:50:30,359

good enough so I want better supports

1382

00:50:34,849 --> 00:50:32,760

for these people and when I find more

1383

00:50:36,170 --> 00:50:34,859

regulated data I added to the website to

1384

00:50:39,109 --> 00:50:36,180

be free and things like that of course

1385

00:50:42,710 --> 00:50:39,119

too but I I can only

1386

00:50:46,430 --> 00:50:42,720

like my role is like

1387

00:50:48,349 --> 00:50:46,440

how do I I need experts okay so like I I

1388

00:50:50,750 --> 00:50:48,359

I'm a jack of all trades master of none

1389

00:50:52,609 --> 00:50:50,760

but I don't I need a team of experts in

1390

00:50:53,870 --> 00:50:52,619

which I can take all this samples and

1391

00:50:55,849 --> 00:50:53,880

all the study and all these people that

1392

00:50:57,770 --> 00:50:55,859

are coming to me for answers and I need

1393

00:50:59,890 --> 00:50:57,780

to I need to

1394

00:51:02,750 --> 00:50:59,900

um refer them to people that I can trust

1395

00:51:04,670 --> 00:51:02,760

so another example that I could use for

1396

00:51:06,410 --> 00:51:04,680

that is if you go to a crime scene as a

1397

00:51:07,790 --> 00:51:06,420

police officer you don't know what to

1398

00:51:09,109 --> 00:51:07,800

cry I've seen but you identify as a

1399

00:51:11,630 --> 00:51:09,119

crime scene in the book and there's

1400

00:51:13,670 --> 00:51:11,640

blood everywhere you know enough in your

1401
00:51:15,470 --> 00:51:13,680
police training that that is forensic

1402
00:51:17,809 --> 00:51:15,480
evidence and that can't be touched and

1403
00:51:20,690 --> 00:51:17,819
it needs to stay that way until the

1404
00:51:23,569 --> 00:51:20,700
experts come and control the sample

1405
00:51:24,770 --> 00:51:23,579
right so so in here Garden scene talking

1406
00:51:26,390 --> 00:51:24,780
to Witnesses getting all this

1407
00:51:27,950 --> 00:51:26,400
information making my notes as the

1408
00:51:30,230 --> 00:51:27,960
police officer doing all those things

1409
00:51:32,030 --> 00:51:30,240
and then the forensic unit comes in

1410
00:51:33,470 --> 00:51:32,040
takes a sample and then we wait and

1411
00:51:35,690 --> 00:51:33,480
laugh comes back and tells me and I

1412
00:51:37,910 --> 00:51:35,700
match the blood then I need to rest so

1413
00:51:39,950 --> 00:51:37,920

I'm in that police officer kind of stage

1414

00:51:41,870 --> 00:51:39,960

but I don't have any

1415

00:51:43,849 --> 00:51:41,880

without having CSI

1416

00:51:46,130 --> 00:51:43,859

I don't have I have all these people

1417

00:51:48,470 --> 00:51:46,140

that I've spoken to have all these

1418

00:51:50,690 --> 00:51:48,480

people that need help I have I know all

1419

00:51:52,910 --> 00:51:50,700

the things that could help I could refer

1420

00:51:54,470 --> 00:51:52,920

them to but I don't have any experts and

1421

00:51:56,210 --> 00:51:54,480

the reason why I don't have any experts

1422

00:51:59,030 --> 00:51:56,220

is everyone's that have come my way when

1423

00:52:00,589 --> 00:51:59,040

I asked them to prove me that they have

1424

00:52:02,930 --> 00:52:00,599

the credentials that they claim that

1425

00:52:05,930 --> 00:52:02,940

they have they don't have them

1426
00:52:07,790 --> 00:52:05,940
and I can't in good faith refer someone

1427
00:52:10,549 --> 00:52:07,800
to someone who's not licensed or

1428
00:52:13,130 --> 00:52:10,559
practiced in that practice to treat the

1429
00:52:14,450 --> 00:52:13,140
experiencer with anything I'm not going

1430
00:52:17,450 --> 00:52:14,460
to send them to a doctor who doesn't

1431
00:52:20,150 --> 00:52:17,460
have a you know a license to practice so

1432
00:52:21,710 --> 00:52:20,160
so that's what I'm trying to also do is

1433
00:52:23,510 --> 00:52:21,720
find people that do have these

1434
00:52:25,670 --> 00:52:23,520
credentials that are able to break that

1435
00:52:27,410 --> 00:52:25,680
stigma and and maybe are self-employed

1436
00:52:31,730 --> 00:52:27,420
like myself when there's no one can fire

1437
00:52:33,650 --> 00:52:31,740
me you know uh and I can be free and say

1438
00:52:35,270 --> 00:52:33,660

whatever I want and practice that and

1439

00:52:37,910 --> 00:52:35,280

then and then create these resources for

1440

00:52:40,010 --> 00:52:37,920

these people because and if it's not my

1441

00:52:42,829 --> 00:52:40,020

job to prove that aliens exist or if

1442

00:52:45,230 --> 00:52:42,839

ghost exists it's just a it's to treat

1443

00:52:47,710 --> 00:52:45,240

the anxieties as it is because once I

1444

00:52:50,870 --> 00:52:47,720

de-escalate and I get another report

1445

00:52:51,950 --> 00:52:50,880

they either rationalize it as something

1446

00:52:54,790 --> 00:52:51,960

logical

1447

00:52:57,710 --> 00:52:54,800

we move on or they give me information

1448

00:52:59,329 --> 00:52:57,720

that gives me closer to identifying what

1449

00:53:01,490 --> 00:52:59,339

it may or may not be in a kind of narrow

1450

00:53:03,230 --> 00:53:01,500

it all down and remove uh remove the

1451
00:53:04,670 --> 00:53:03,240
trauma right and they have a better

1452
00:53:06,589 --> 00:53:04,680
understanding of what it is that I'm

1453
00:53:08,150 --> 00:53:06,599
looking at and then even when I do all

1454
00:53:10,250 --> 00:53:08,160
that roll all these things out and

1455
00:53:11,809 --> 00:53:10,260
compound it you do a comparing contrast

1456
00:53:14,030 --> 00:53:11,819
I'm still luck with things that these

1457
00:53:15,530 --> 00:53:14,040
people are seeing and observing that

1458
00:53:17,270 --> 00:53:15,540
don't make sense they're not

1459
00:53:20,150 --> 00:53:17,280
biologically sent out so there is

1460
00:53:22,430 --> 00:53:20,160
evidence of something existing but it

1461
00:53:24,410 --> 00:53:22,440
just in it's in this space

1462
00:53:26,150 --> 00:53:24,420
that at least with a crime scene you

1463
00:53:28,549 --> 00:53:26,160

have the physical blood you can visually

1464

00:53:30,650 --> 00:53:28,559

see it you're investigating things that

1465

00:53:33,230 --> 00:53:30,660

are in people's minds their thoughts

1466

00:53:35,630 --> 00:53:33,240

they're they're either super you know

1467

00:53:37,849 --> 00:53:35,640

elevated in terms of receiving or in

1468

00:53:40,750 --> 00:53:37,859

terms of sending so that's a hard thing

1469

00:53:43,630 --> 00:53:40,760

to quantify I mean that's the main thing

1470

00:53:47,030 --> 00:53:43,640

Twitter how do you quantify

1471

00:53:51,530 --> 00:53:47,040

UFO Twitter is a disease but oh it's fun

1472

00:53:54,230 --> 00:53:51,540

well said I I so anyone who listens uh I

1473

00:53:56,630 --> 00:53:54,240

always say this uh as a preface I'm on

1474

00:53:58,670 --> 00:53:56,640

UFO Twitter to work I'm not I'm on

1475

00:54:02,089 --> 00:53:58,680

Facebook to play so you want to have fun

1476

00:54:04,010 --> 00:54:02,099

come to Facebook you want to have a you

1477

00:54:06,049 --> 00:54:04,020

want to have a bad time troll me on

1478

00:54:07,370 --> 00:54:06,059

Twitter speaking of which where can

1479

00:54:08,930 --> 00:54:07,380

people find you if they want to get

1480

00:54:12,069 --> 00:54:08,940

involved with your organization or learn

1481

00:54:14,690 --> 00:54:12,079

more where can they find your uh yeah so

1482

00:54:15,770 --> 00:54:14,700

you can find everything that I do on the

1483

00:54:18,349 --> 00:54:15,780

Tesla website so it's

1484

00:54:20,150 --> 00:54:18,359

experienceyoursupport.org

1485

00:54:21,650 --> 00:54:20,160

um that's where my research is my

1486

00:54:23,150 --> 00:54:21,660

investigations and all that other stuff

1487

00:54:24,950 --> 00:54:23,160

as well as some program items that we

1488

00:54:26,870 --> 00:54:24,960

have if you want to follow me as an

1489

00:54:29,809 --> 00:54:26,880

individual I'm on Facebook I hate the

1490

00:54:32,450 --> 00:54:29,819

world and on Twitter see the world RS

1491

00:54:34,309 --> 00:54:32,460

underscore RS I'm all over the place but

1492

00:54:35,870 --> 00:54:34,319

trying that Tick Tock thing that don't

1493

00:54:37,849 --> 00:54:35,880

work it'll work well I'm not one of

1494

00:54:39,890 --> 00:54:37,859

those guys it's hard to get a hold of

1495

00:54:41,870 --> 00:54:39,900

like just the hang of the whole thing

1496

00:54:44,030 --> 00:54:41,880

and well I can't make fun of it it's not

1497

00:54:46,190 --> 00:54:44,040

it's not a game it kind of it's serious

1498

00:54:48,109 --> 00:54:46,200

this is people are getting uh there's

1499

00:54:49,430 --> 00:54:48,119

something serious going on yeah and

1500

00:54:51,770 --> 00:54:49,440

you're not gonna do a shuffle dance with

1501
00:54:54,650 --> 00:54:51,780
an alien standing beside you no it's no

1502
00:54:56,930 --> 00:54:54,660
it's not and that's not my style

1503
00:54:58,970 --> 00:54:56,940
um and I'm taking this as a criminal

1504
00:55:01,870 --> 00:54:58,980
approach right and it's the same thing I

1505
00:55:04,010 --> 00:55:01,880
do every day whether I'm investigating a

1506
00:55:07,490 --> 00:55:04,020
infidelity like cheating husband or

1507
00:55:09,710 --> 00:55:07,500
spouse or wife or me uh Missing Children

1508
00:55:11,329 --> 00:55:09,720
I do that too whatever I'm trying to

1509
00:55:13,069 --> 00:55:11,339
trying to figure out the investigating

1510
00:55:15,290 --> 00:55:13,079
process is the same and I'm trying to

1511
00:55:17,569 --> 00:55:15,300
find the person or persons that are

1512
00:55:19,609 --> 00:55:17,579
responsible so that's why it's so easy

1513
00:55:22,450 --> 00:55:19,619

for me to find all this information to

1514

00:55:25,190 --> 00:55:22,460

to land into this human element to know

1515

00:55:26,390 --> 00:55:25,200

and trust that okay that it's not

1516

00:55:28,549 --> 00:55:26,400

something

1517

00:55:30,770 --> 00:55:28,559

that the whole world is going to lose

1518

00:55:32,569 --> 00:55:30,780

its mind over so now we can kind of dial

1519

00:55:34,370 --> 00:55:32,579

in and focus in on these people and be

1520

00:55:35,210 --> 00:55:34,380

like and reassure them that I don't

1521

00:55:37,010 --> 00:55:35,220

think

1522

00:55:39,290 --> 00:55:37,020

uh but perhaps you're able to see

1523

00:55:40,849 --> 00:55:39,300

another space in time maybe they're able

1524

00:55:43,370 --> 00:55:40,859

to see the future maybe they're able to

1525

00:55:45,470 --> 00:55:43,380

see the patterns and it's not up to me

1526
00:55:47,150 --> 00:55:45,480
there's no way that anyone could tell

1527
00:55:48,890 --> 00:55:47,160
anybody

1528
00:55:50,450 --> 00:55:48,900
to control their thoughts or what they

1529
00:55:53,030 --> 00:55:50,460
oh how their dreams were give or like

1530
00:55:54,470 --> 00:55:53,040
have a dream and wonder you know where

1531
00:55:55,849 --> 00:55:54,480
the hell that came from like where does

1532
00:55:58,370 --> 00:55:55,859
that stuff come from like there's no way

1533
00:56:01,069 --> 00:55:58,380
to regulate that but the people

1534
00:56:02,329 --> 00:56:01,079
if it leads to people to do good then I

1535
00:56:05,450 --> 00:56:02,339
want to encourage them to do more of

1536
00:56:07,250 --> 00:56:05,460
that what I don't want to see is the

1537
00:56:08,870 --> 00:56:07,260
fear and the panic and anxiety from them

1538
00:56:10,309 --> 00:56:08,880

thinking that they're being abducted or

1539

00:56:13,190 --> 00:56:10,319

they're being harmed or they're being

1540

00:56:15,230 --> 00:56:13,200

taken and if these things do happen I

1541

00:56:17,270 --> 00:56:15,240

kind of want them I want to kind of have

1542

00:56:19,250 --> 00:56:17,280

them believe that it's a dream if it's

1543

00:56:21,290 --> 00:56:19,260

possible but if it's if they think it's

1544

00:56:22,609 --> 00:56:21,300

not a dream it's a reality and all these

1545

00:56:25,130 --> 00:56:22,619

things happen

1546

00:56:26,990 --> 00:56:25,140

can't argue that so then that's when you

1547

00:56:28,490 --> 00:56:27,000

just continue to have these they

1548

00:56:30,710 --> 00:56:28,500

continue to report and they continue to

1549

00:56:32,630 --> 00:56:30,720

provide images and things like that

1550

00:56:34,670 --> 00:56:32,640

they're

1551
00:56:38,329 --> 00:56:34,680
a lot of her people are seeing the same

1552
00:56:42,470 --> 00:56:40,549
shared phenomenon

1553
00:56:44,450 --> 00:56:42,480
that's where I need experts like ballet

1554
00:56:46,309 --> 00:56:44,460
and all these other people to kind of

1555
00:56:48,650 --> 00:56:46,319
say like yeah this this is what that

1556
00:56:50,930 --> 00:56:48,660
means this is what that means you know

1557
00:56:53,150 --> 00:56:50,940
parapsychology is kind of kind of in my

1558
00:56:54,589 --> 00:56:53,160
alley too most people understand the

1559
00:56:58,069 --> 00:56:54,599
human element

1560
00:57:01,809 --> 00:56:58,079
but it's it it's it is connected to UFOs

1561
00:57:04,250 --> 00:57:01,819
because if if if the Paranormal people

1562
00:57:06,230 --> 00:57:04,260
can connect through Consciousness

1563
00:57:08,990 --> 00:57:06,240

there's remote viewing which uses

1564

00:57:11,690 --> 00:57:09,000

Consciousness to some degree to control

1565

00:57:14,630 --> 00:57:11,700

these UFOs or these drones or these UAP

1566

00:57:16,549 --> 00:57:14,640

we talked about that before Ryan uh on

1567

00:57:19,370 --> 00:57:16,559

the podcast a few times about how the

1568

00:57:21,109 --> 00:57:19,380

consciousness of these crafts the crafts

1569

00:57:23,930 --> 00:57:21,119

appear to be conscious like they they

1570

00:57:25,849 --> 00:57:23,940

can see all around they're able to fly

1571

00:57:27,290 --> 00:57:25,859

at the speed of thought because that's

1572

00:57:28,910 --> 00:57:27,300

literally the speed at which these

1573

00:57:30,950 --> 00:57:28,920

things take off is the speed of thought

1574

00:57:33,349 --> 00:57:30,960

at least the speed of my thoughts uh

1575

00:57:35,569 --> 00:57:33,359

maybe some people are faster but yeah we

1576

00:57:37,370 --> 00:57:35,579

we talked about that a bit even some um

1577

00:57:39,770 --> 00:57:37,380

alien abductions where some of the kids

1578

00:57:41,470 --> 00:57:39,780

were allowed to fly the crafts and that

1579

00:57:45,349 --> 00:57:41,480

the crafts

1580

00:57:47,390 --> 00:57:45,359

exactly it's it's not uh it's not old

1581

00:57:48,950 --> 00:57:47,400

it's old news it's it's just it's just

1582

00:57:51,770 --> 00:57:48,960

we don't have confirmation and that's

1583

00:57:54,290 --> 00:57:51,780

the way that it is we have documentation

1584

00:57:56,210 --> 00:57:54,300

that shows they were studying it we have

1585

00:57:58,849 --> 00:57:56,220

a documentation that they were trying

1586

00:58:01,069 --> 00:57:58,859

they were aware of sausage technology

1587

00:58:02,930 --> 00:58:01,079

and then we're perhaps trying to reverse

1588

00:58:04,370 --> 00:58:02,940

engineer it and all these other things

1589

00:58:07,069 --> 00:58:04,380

we have evidence of all these things

1590

00:58:09,349 --> 00:58:07,079

taking place what's missing is the

1591

00:58:11,150 --> 00:58:09,359

silence that when the day they decided

1592

00:58:12,349 --> 00:58:11,160

you know we're not we're keeping this

1593

00:58:14,329 --> 00:58:12,359

quiet

1594

00:58:15,950 --> 00:58:14,339

you know all these years and whether or

1595

00:58:19,910 --> 00:58:15,960

not they continue to work on these

1596

00:58:22,250 --> 00:58:19,920

projects in in silence and now we are

1597

00:58:23,750 --> 00:58:22,260

getting to an age where everyone has a

1598

00:58:25,370 --> 00:58:23,760

cell phone everyone can take pictures

1599

00:58:28,970 --> 00:58:25,380

everyone can do all these other things

1600

00:58:32,210 --> 00:58:30,470

um and eventually is going to get to a

1601
00:58:33,530 --> 00:58:32,220
point that if it does exist someone's

1602
00:58:36,650 --> 00:58:33,540
going to catch something

1603
00:58:38,569 --> 00:58:36,660
yeah and then and to your point about

1604
00:58:40,430 --> 00:58:38,579
you know ESP and people who can do

1605
00:58:43,069 --> 00:58:40,440
remote viewing and all that I like to

1606
00:58:46,010 --> 00:58:43,079
think of it as we are not human beings

1607
00:58:47,870 --> 00:58:46,020
having spiritual experiences We Are

1608
00:58:50,089 --> 00:58:47,880
Spiritual Beings having a human

1609
00:58:52,730 --> 00:58:50,099
experience and when you look at it that

1610
00:58:55,250 --> 00:58:52,740
way the idea of inter travel and all the

1611
00:58:57,710 --> 00:58:55,260
rest is not so crazy because we can

1612
00:59:00,230 --> 00:58:57,720
become transmedium and I mean even the

1613
00:59:02,450 --> 00:59:00,240

art of meditation is to access or

1614

00:59:05,329 --> 00:59:02,460

download from that main Consciousness

1615

00:59:07,490 --> 00:59:05,339

right so this is a temporary phase and I

1616

00:59:09,710 --> 00:59:07,500

think that fits within religion too that

1617

00:59:11,089 --> 00:59:09,720

says there was a before you there's your

1618

00:59:13,309 --> 00:59:11,099

life but then there's going to be an

1619

00:59:15,109 --> 00:59:13,319

afterlife somehow and whether that's

1620

00:59:17,270 --> 00:59:15,119

just in a reassuring sense or whether

1621

00:59:19,309 --> 00:59:17,280

it's actually true we don't know but it

1622

00:59:21,890 --> 00:59:19,319

makes more sense to me if we are indeed

1623

00:59:23,630 --> 00:59:21,900

Spiritual Beings that have the potential

1624

00:59:26,210 --> 00:59:23,640

of multiple lives or no been No

1625

00:59:29,210 --> 00:59:26,220

Beginning No End if we are that seed of

1626
00:59:31,670 --> 00:59:29,220
creation we don't expire our bodies may

1627
00:59:33,470 --> 00:59:31,680
but you know that spark that's within

1628
00:59:35,270 --> 00:59:33,480
everything and in life itself it never

1629
00:59:38,210 --> 00:59:35,280
goes away this is just a human

1630
00:59:40,609 --> 00:59:38,220
experience for a spiritual body and the

1631
00:59:41,450 --> 00:59:40,619
people are the body and becoming the

1632
00:59:43,250 --> 00:59:41,460
evidence

1633
00:59:46,190 --> 00:59:43,260
but so are the entities as well sorry

1634
00:59:48,829 --> 00:59:46,200
Ryan uh yeah just because some of the

1635
00:59:51,109 --> 00:59:48,839
entities as well they can't you know

1636
00:59:52,970 --> 00:59:51,119
they express the Consciousness is the

1637
00:59:54,349 --> 00:59:52,980
same that you know when somebody looks

1638
00:59:56,750 --> 00:59:54,359

at a gray and the gray says you and I

1639

00:59:59,450 --> 00:59:56,760

are the same whatever what are they

1640

01:00:01,549 --> 00:59:59,460

referring to right physically we're not

1641

01:00:03,349 --> 01:00:01,559

the same at all but consciously we might

1642

01:00:06,349 --> 01:00:03,359

all be the same there might be some sort

1643

01:00:08,510 --> 01:00:06,359

of Galactic Consciousness that every

1644

01:00:10,849 --> 01:00:08,520

species becomes aware of and we become a

1645

01:00:12,349 --> 01:00:10,859

collective who knows or they're them or

1646

01:00:14,329 --> 01:00:12,359

they're us in the future if you didn't

1647

01:00:16,309 --> 01:00:14,339

look at Michael okay we got to look at

1648

01:00:18,470 --> 01:00:16,319

the Timeline we either coexist or or

1649

01:00:20,569 --> 01:00:18,480

pre-exist or future and pro-exist

1650

01:00:22,150 --> 01:00:20,579

whatever that would be

1651

01:00:25,670 --> 01:00:22,160

um

1652

01:00:28,490 --> 01:00:25,680

the first degree in masonry working

1653

01:00:30,230 --> 01:00:28,500

tools part of that lecture says the the

1654

01:00:31,910 --> 01:00:30,240

root material receives its fine finish

1655

01:00:34,730 --> 01:00:31,920

from repeated efforts alone and nothing

1656

01:00:36,049 --> 01:00:34,740

short and difficult exertion so induced

1657

01:00:38,809 --> 01:00:36,059

to habit of virtue and lighten the mind

1658

01:00:41,569 --> 01:00:38,819

and render the soul cure that line is

1659

01:00:44,510 --> 01:00:41,579

speaking about Consciousness and and so

1660

01:00:46,910 --> 01:00:44,520

so like the there is a lot of

1661

01:00:47,569 --> 01:00:46,920

Consciousness discussion

1662

01:00:49,609 --> 01:00:47,579

um

1663

01:00:52,789 --> 01:00:49,619

if you were to look at the at the

1664

01:00:54,289 --> 01:00:52,799

rituals and amazingly so and I just kind

1665

01:00:56,569 --> 01:00:54,299

of want to put that out there to kind of

1666

01:00:59,150 --> 01:00:56,579

show give evidence to an ancient

1667

01:01:02,589 --> 01:00:59,160

tradition that has existed for a long

1668

01:01:06,049 --> 01:01:02,599

time so this knowledge has been known

1669

01:01:08,270 --> 01:01:06,059

and it got to a point where they didn't

1670

01:01:10,970 --> 01:01:08,280

want us to know this anymore

1671

01:01:13,730 --> 01:01:10,980

and now we're getting to the point where

1672

01:01:17,210 --> 01:01:13,740

we're evolving and we're we don't know

1673

01:01:18,770 --> 01:01:17,220

what's going on we can't control it and

1674

01:01:22,309 --> 01:01:18,780

it's like we're going through puberty

1675

01:01:23,870 --> 01:01:22,319

but as a social yeah I want to touch on

1676
01:01:26,270 --> 01:01:23,880
your your working tools lecture because

1677
01:01:28,849 --> 01:01:26,280
I'm also a Freemason and to the point of

1678
01:01:30,829 --> 01:01:28,859
you know imagine taking a block in rude

1679
01:01:33,530 --> 01:01:30,839
form and making it straight and whatever

1680
01:01:36,170 --> 01:01:33,540
you have the hammer and the Chisel so if

1681
01:01:38,870 --> 01:01:36,180
the establishment is the hammer it is

1682
01:01:42,049 --> 01:01:38,880
nothing without that indefiable or into

1683
01:01:43,789 --> 01:01:42,059
fatigable effort of that chisel you

1684
01:01:47,930 --> 01:01:43,799
cannot take a hammer and make something

1685
01:01:49,910 --> 01:01:47,940
precise it is rude and unrefined whereas

1686
01:01:52,309 --> 01:01:49,920
the Chisel is where you put on you find

1687
01:01:54,410 --> 01:01:52,319
out you need them both we are the

1688
01:01:56,150 --> 01:01:54,420

chisels of ufology people that's right

1689

01:01:58,609 --> 01:01:56,160

so you understand that little Cryptid

1690

01:02:00,109 --> 01:01:58,619

they're at borderline whether it was

1691

01:02:01,549 --> 01:02:00,119

that's not really a secret that's just

1692

01:02:03,890 --> 01:02:01,559

just that's just a passage nothing you

1693

01:02:05,390 --> 01:02:03,900

can't find on Google at this point but I

1694

01:02:07,970 --> 01:02:05,400

mean the point is

1695

01:02:11,390 --> 01:02:07,980

uh everybody knows this or everybody

1696

01:02:13,670 --> 01:02:11,400

knew this and then they stopped

1697

01:02:15,770 --> 01:02:13,680

telling us that but then it's by

1698

01:02:17,210 --> 01:02:15,780

stopping I mean it was replaced with

1699

01:02:19,670 --> 01:02:17,220

Christianity

1700

01:02:21,109 --> 01:02:19,680

I guess for Catholicism and there's

1701

01:02:22,910 --> 01:02:21,119

still the Holy Trinity which is

1702

01:02:26,030 --> 01:02:22,920

consciousness too so Consciousness is

1703

01:02:28,670 --> 01:02:26,040

present in in a lot of things and it's

1704

01:02:30,530 --> 01:02:28,680

overlooked in mainstream media so I

1705

01:02:34,010 --> 01:02:30,540

don't care too much about the UFOs and

1706

01:02:37,190 --> 01:02:34,020

the uaps because like that is not uh

1707

01:02:41,690 --> 01:02:37,200

that is like that's man's problem you

1708

01:02:43,849 --> 01:02:41,700

know man wants to uh be man you know and

1709

01:02:45,589 --> 01:02:43,859

and they want to put the you know a

1710

01:02:48,770 --> 01:02:45,599

spaceship on the moon and they can't

1711

01:02:50,630 --> 01:02:48,780

even do that again but you know it seems

1712

01:02:53,089 --> 01:02:50,640

like we're having a rough time doing

1713

01:02:54,589 --> 01:02:53,099

that yeah yeah so let's put before

1714

01:02:56,329 --> 01:02:54,599

putting the cart before the horse I

1715

01:02:58,910 --> 01:02:56,339

guess in that sense but like

1716

01:03:01,910 --> 01:02:58,920

you know that's a man's issue so the the

1717

01:03:04,089 --> 01:03:01,920

intellectual part the the the the magic

1718

01:03:07,970 --> 01:03:04,099

if you will all exist North mythology

1719

01:03:09,950 --> 01:03:07,980

witches like you know I mean it's a

1720

01:03:12,950 --> 01:03:09,960

positive a positive thing male and

1721

01:03:14,390 --> 01:03:12,960

female was never negative uh if you if

1722

01:03:16,130 --> 01:03:14,400

you have to go back and look at all the

1723

01:03:17,870 --> 01:03:16,140

things that we oppress that we had

1724

01:03:20,270 --> 01:03:17,880

oppressed that we're now all of a sudden

1725

01:03:22,730 --> 01:03:20,280

accepting where all the things that were

1726

01:03:25,069 --> 01:03:22,740

plentiful back in the day too you know

1727

01:03:28,609 --> 01:03:25,079

you know um you know all these things

1728

01:03:30,829 --> 01:03:28,619

like African-Americans females uh

1729

01:03:33,829 --> 01:03:30,839

homosexuality all those things like that

1730

01:03:36,230 --> 01:03:33,839

those were those were banned and but at

1731

01:03:38,809 --> 01:03:36,240

one point prior to now they were also

1732

01:03:40,370 --> 01:03:38,819

accepted and and there was and all these

1733

01:03:41,809 --> 01:03:40,380

things were common and the way that

1734

01:03:43,370 --> 01:03:41,819

people lived their life and that

1735

01:03:44,930 --> 01:03:43,380

spiritual and unconsciousness and that

1736

01:03:47,329 --> 01:03:44,940

magic all the things was there in

1737

01:03:48,890 --> 01:03:47,339

mythology if it was myth but if it was

1738

01:03:51,109 --> 01:03:48,900

reality

1739

01:03:52,910 --> 01:03:51,119

it was oppressed it was stopped so we

1740

01:03:56,210 --> 01:03:52,920

couldn't do that anymore so man could

1741

01:03:58,190 --> 01:03:56,220

take over I don't know but now we're

1742

01:04:01,190 --> 01:03:58,200

starting to take back and we're fighting

1743

01:04:02,930 --> 01:04:01,200

so so like there's there's

1744

01:04:06,289 --> 01:04:02,940

it's interesting the way that the human

1745

01:04:08,030 --> 01:04:06,299

is evolving what does that mean for the

1746

01:04:10,730 --> 01:04:08,040

rest of the world I don't know but I

1747

01:04:13,910 --> 01:04:10,740

just I just kind of feel with my efforts

1748

01:04:15,770 --> 01:04:13,920

if I focus on the people today

1749

01:04:18,710 --> 01:04:15,780

then the future will be better no matter

1750

01:04:21,530 --> 01:04:18,720

where we end up because if

1751

01:04:24,109 --> 01:04:21,540

if I'm wrong which I could very well be

1752

01:04:25,430 --> 01:04:24,119

and aliens do exist and UFOs do have an

1753

01:04:27,829 --> 01:04:25,440

extraterrestrial nature because that's

1754

01:04:29,450 --> 01:04:27,839

still a possibility

1755

01:04:32,750 --> 01:04:29,460

um I hope that a lot of people don't

1756

01:04:33,770 --> 01:04:32,760

like radar toilet paper as a response to

1757

01:04:36,170 --> 01:04:33,780

hearing that

1758

01:04:38,569 --> 01:04:36,180

yeah because you know

1759

01:04:41,750 --> 01:04:38,579

I take care of the people

1760

01:04:43,069 --> 01:04:41,760

but right Ryan in your experience have

1761

01:04:45,589 --> 01:04:43,079

you had some people that you're just

1762

01:04:48,049 --> 01:04:45,599

like there's no way that this is legit

1763

01:04:50,510 --> 01:04:48,059

like they're pulling your leg they're

1764

01:04:52,670 --> 01:04:50,520

not cooperating with you or their story

1765

01:04:54,530 --> 01:04:52,680

doesn't seem to be collaborating with

1766

01:04:56,450 --> 01:04:54,540

somebody else's like there's got to be

1767

01:05:00,589 --> 01:04:56,460

those cases that you get occasionally

1768

01:05:05,089 --> 01:05:00,599

that don't add up yeah so I mean that is

1769

01:05:07,970 --> 01:05:05,099

subjected to my uh my interpretation and

1770

01:05:10,130 --> 01:05:07,980

my own understanding of the of the of

1771

01:05:12,890 --> 01:05:10,140

what I'm trying to prove as well so like

1772

01:05:15,049 --> 01:05:12,900

I try to do statement analysis analysis

1773

01:05:17,990 --> 01:05:15,059

on everything as well

1774

01:05:20,150 --> 01:05:18,000

um I I try to take like the statement as

1775

01:05:21,770 --> 01:05:20,160

it is verbatim and then I summarize it

1776

01:05:23,210 --> 01:05:21,780

and then I try to add in all the things

1777

01:05:24,589 --> 01:05:23,220

that I need to have to come to the

1778

01:05:27,289 --> 01:05:24,599

conclusion and then I ask these

1779

01:05:29,450 --> 01:05:27,299

questions to the to the witnesses so

1780

01:05:31,549 --> 01:05:29,460

sometimes even with my phone yeah they

1781

01:05:32,510 --> 01:05:31,559

get a response so you don't right so if

1782

01:05:33,950 --> 01:05:32,520

you don't get a response it's

1783

01:05:35,150 --> 01:05:33,960

inconclusive because you don't you don't

1784

01:05:38,089 --> 01:05:35,160

have these answers you don't know why

1785

01:05:41,270 --> 01:05:38,099

they they did all these things so and to

1786

01:05:44,329 --> 01:05:41,280

it's everything is possible

1787

01:05:48,289 --> 01:05:44,339

um to some things that don't line up

1788

01:05:50,630 --> 01:05:48,299

might be like a day or two off of the uh

1789

01:05:53,690 --> 01:05:50,640

the date like it there has to be it has

1790

01:05:56,329 --> 01:05:53,700

to be reasonable right so if if someone

1791

01:05:57,890 --> 01:05:56,339

tells me that the date was this and they

1792

01:06:00,049 --> 01:05:57,900

send me the file and it was two days

1793

01:06:01,789 --> 01:06:00,059

before you know that doesn't mean

1794

01:06:03,470 --> 01:06:01,799

they're lying it was interesting or just

1795

01:06:05,390 --> 01:06:03,480

just remembering right but they did have

1796

01:06:07,309 --> 01:06:05,400

the evidence so that evidence kind of uh

1797

01:06:09,950 --> 01:06:07,319

reinforces the fact that the event could

1798

01:06:12,770 --> 01:06:09,960

occur right right so if there's lack of

1799

01:06:14,750 --> 01:06:12,780

evidence is hard so when they don't have

1800

01:06:16,130 --> 01:06:14,760

evidence so they can't take uh by

1801
01:06:18,589 --> 01:06:16,140
evidence and mean demonstrative evidence

1802
01:06:21,410 --> 01:06:18,599
so they can't take a photo or a video

1803
01:06:23,390 --> 01:06:21,420
and ask them to draw so if they're

1804
01:06:24,349 --> 01:06:23,400
drawing things and they're spending the

1805
01:06:26,329 --> 01:06:24,359
time

1806
01:06:27,589 --> 01:06:26,339
doing it

1807
01:06:30,650 --> 01:06:27,599
um they're answering my questions

1808
01:06:32,450 --> 01:06:30,660
they're going back and forth they're not

1809
01:06:34,010 --> 01:06:32,460
arguing with me I look I look kind of

1810
01:06:36,470 --> 01:06:34,020
look at it that way to see was their

1811
01:06:37,910 --> 01:06:36,480
participation level is

1812
01:06:39,230 --> 01:06:37,920
um and then from there I kind of

1813
01:06:41,990 --> 01:06:39,240

established a credibility of the

1814

01:06:43,849 --> 01:06:42,000

character whether I believe the scenario

1815

01:06:44,809 --> 01:06:43,859

to be true or not that's not up to me

1816

01:06:47,029 --> 01:06:44,819

because that's what I'm trying to figure

1817

01:06:48,470 --> 01:06:47,039

out what exactly is happening but I'm

1818

01:06:50,510 --> 01:06:48,480

understanding this report with the

1819

01:06:52,849 --> 01:06:50,520

experimenter that I know that if I need

1820

01:06:55,549 --> 01:06:52,859

to ask questions they'll answer them for

1821

01:06:58,069 --> 01:06:55,559

you know and and then if I rule out all

1822

01:07:00,230 --> 01:06:58,079

these things and investigate properly

1823

01:07:02,390 --> 01:07:00,240

then I should be at this this this

1824

01:07:03,650 --> 01:07:02,400

situation where I'm comfortable and I'm

1825

01:07:05,089 --> 01:07:03,660

confident that the experience should

1826
01:07:08,390 --> 01:07:05,099
believes what they believe and what they

1827
01:07:10,970 --> 01:07:08,400
think they know and they respect me

1828
01:07:12,650 --> 01:07:10,980
enough to challenge these beliefs and

1829
01:07:15,289 --> 01:07:12,660
this is where we end up together in the

1830
01:07:17,690 --> 01:07:15,299
middle because if I say it's this when

1831
01:07:19,130 --> 01:07:17,700
in with the same amount of proof or same

1832
01:07:21,650 --> 01:07:19,140
amount of evidence that's just my

1833
01:07:23,150 --> 01:07:21,660
interpretation that's my belief and that

1834
01:07:24,829 --> 01:07:23,160
person might accept it because they

1835
01:07:26,089 --> 01:07:24,839
think whatever they think of you in that

1836
01:07:27,589 --> 01:07:26,099
moment I might be the only person

1837
01:07:30,410 --> 01:07:27,599
they've ever talked to in this subject

1838
01:07:32,210 --> 01:07:30,420

you know or they might have talked to uh

1839

01:07:33,950 --> 01:07:32,220

you know valet before me I think I'm

1840

01:07:35,029 --> 01:07:33,960

just I'm out to lunch you know like

1841

01:07:36,710 --> 01:07:35,039

there's there's different perspectives

1842

01:07:38,990 --> 01:07:36,720

and whoever I'm talking to but I always

1843

01:07:41,390 --> 01:07:39,000

treat it as if I'm the only person that

1844

01:07:44,210 --> 01:07:41,400

they have and I need to make sure uh and

1845

01:07:47,990 --> 01:07:44,220

that we we come to a balanced thought so

1846

01:07:51,230 --> 01:07:48,000

when I do that process I never get a

1847

01:07:53,390 --> 01:07:51,240

feeling that they're being deceitful or

1848

01:07:55,789 --> 01:07:53,400

dishonest because they're putting a lot

1849

01:07:57,890 --> 01:07:55,799

of effort into that

1850

01:07:59,630 --> 01:07:57,900

um there's because at that point it's

1851

01:08:00,950 --> 01:07:59,640

private there's no monetary gain there's

1852

01:08:03,170 --> 01:08:00,960

nothing that they can get all those

1853

01:08:05,450 --> 01:08:03,180

rules are kind of defined and it's done

1854

01:08:07,670 --> 01:08:05,460

in an anonymous setting when some people

1855

01:08:09,650 --> 01:08:07,680

are kind of hoaxing it's kind of obvious

1856

01:08:11,390 --> 01:08:09,660

in the things but like if I send an

1857

01:08:13,150 --> 01:08:11,400

email out to them and I don't get a

1858

01:08:16,309 --> 01:08:13,160

response back and I don't get evidence

1859

01:08:18,289 --> 01:08:16,319

whether they're a crackpot or not or or

1860

01:08:19,550 --> 01:08:18,299

just simply out of touch or they don't

1861

01:08:20,749 --> 01:08:19,560

want to respond because they're afraid

1862

01:08:22,970 --> 01:08:20,759

and things like that that doesn't matter

1863

01:08:25,669 --> 01:08:22,980

I don't have evidence I can't do my job

1864

01:08:29,090 --> 01:08:25,679

that case is closed I'm focusing on

1865

01:08:31,450 --> 01:08:29,100

those that do connect less is more and

1866

01:08:34,249 --> 01:08:31,460

so I spend more time with less people

1867

01:08:35,930 --> 01:08:34,259

asking and and going back and forth and

1868

01:08:36,950 --> 01:08:35,940

studying and then comparing them to

1869

01:08:38,749 --> 01:08:36,960

others

1870

01:08:41,150 --> 01:08:38,759

I learned more about the phenomenon

1871

01:08:43,370 --> 01:08:41,160

through the people and have you found a

1872

01:08:46,130 --> 01:08:43,380

demographic like something you know

1873

01:08:48,709 --> 01:08:46,140

either so each group or a specific type

1874

01:08:51,349 --> 01:08:48,719

of person that gets taken so I'm working

1875

01:08:53,090 --> 01:08:51,359

on two reports right now I'm doing my

1876

01:08:56,269 --> 01:08:53,100

Canadian current event survey for the

1877

01:08:58,249 --> 01:08:56,279

year 2021 which is my drone and UFO

1878

01:09:00,349 --> 01:08:58,259

report for Canada

1879

01:09:02,809 --> 01:09:00,359

um I do that report for the for the

1880

01:09:04,249 --> 01:09:02,819

science that's both guys because to

1881

01:09:05,990 --> 01:09:04,259

remove the Paranormal forward but

1882

01:09:08,510 --> 01:09:06,000

basically all these UFO sightings that

1883

01:09:10,010 --> 01:09:08,520

you see me post for caters I get all the

1884

01:09:11,390 --> 01:09:10,020

premium information requests I do an

1885

01:09:13,490 --> 01:09:11,400

investigation with all the evidence and

1886

01:09:15,349 --> 01:09:13,500

then I try to I try to debunk all of

1887

01:09:16,970 --> 01:09:15,359

them try to prove that they're all like

1888

01:09:19,130 --> 01:09:16,980

normal things

1889

01:09:21,050 --> 01:09:19,140

um once that report's done the other

1890

01:09:25,010 --> 01:09:21,060

report that I'm doing is the experimenter

1891

01:09:27,590 --> 01:09:25,020

side which is the the civilian uh uaps

1892

01:09:29,269 --> 01:09:27,600

and UFO reports paranormal uh cryptic

1893

01:09:31,189 --> 01:09:29,279

beings all that other stuff all that fun

1894

01:09:32,749 --> 01:09:31,199

stuff if you will

1895

01:09:34,910 --> 01:09:32,759

um and that's actually I'm calling it

1896

01:09:39,050 --> 01:09:34,920

the pandemic Edition because it's going

1897

01:09:41,570 --> 01:09:39,060

to be year 2020 21 and 22.

1898

01:09:44,030 --> 01:09:41,580

9 19. it's going to be a four-year study

1899

01:09:45,530 --> 01:09:44,040

so that four years because I have to

1900

01:09:46,970 --> 01:09:45,540

play catch up and get all this data and

1901

01:09:48,289 --> 01:09:46,980

I was building a new website a little

1902

01:09:52,550 --> 01:09:48,299

bit of a pause but I'm going to have

1903

01:09:54,110 --> 01:09:52,560

four years of work so 200 plus cases of

1904

01:09:56,810 --> 01:09:54,120

experienced your data that'll be able to

1905

01:09:59,390 --> 01:09:56,820

show those demographics so

1906

01:10:02,209 --> 01:09:59,400

um I don't have the number dialed in but

1907

01:10:04,430 --> 01:10:02,219

from previous reports you know it's been

1908

01:10:08,570 --> 01:10:04,440

females have been common and it's been

1909

01:10:11,570 --> 01:10:08,580

within like the 30 to 40 age range

1910

01:10:14,630 --> 01:10:11,580

um it's believe it or not the blood type

1911

01:10:18,290 --> 01:10:14,640

is in a positive as a Common Thread not

1912

01:10:19,790 --> 01:10:18,300

the O Negative which is uh what we were

1913

01:10:21,050 --> 01:10:19,800

told at some point with the ancient

1914

01:10:22,490 --> 01:10:21,060

astronaut theory so like there's

1915

01:10:23,930 --> 01:10:22,500

different information that comes but

1916

01:10:26,030 --> 01:10:23,940

that's

1917

01:10:29,149 --> 01:10:26,040

when you see the studies also based on

1918

01:10:31,130 --> 01:10:29,159

my interpretation of of the data but

1919

01:10:34,010 --> 01:10:31,140

it's also trusting that the people are

1920

01:10:37,970 --> 01:10:34,020

giving me accurate information too so so

1921

01:10:39,709 --> 01:10:37,980

you know so I'm also seeing we're seeing

1922

01:10:41,870 --> 01:10:39,719

Trends in obviously Ontario because I'm

1923

01:10:43,550 --> 01:10:41,880

from Ontario so that's where my highest

1924

01:10:45,890 --> 01:10:43,560

marketing was coming from because it is

1925

01:10:46,669 --> 01:10:45,900

a business you got to market right so

1926

01:10:48,229 --> 01:10:46,679

there are there are certain

1927

01:10:50,209 --> 01:10:48,239

characteristics in there but that's why

1928

01:10:52,250 --> 01:10:50,219

I focus on the things that can't change

1929

01:10:55,669 --> 01:10:52,260

so blood type

1930

01:10:58,370 --> 01:10:55,679

um your skin color that can't change

1931

01:10:59,689 --> 01:10:58,380

your hair color that can't well it can

1932

01:11:01,430 --> 01:10:59,699

change but like you know you're a

1933

01:11:03,649 --> 01:11:01,440

predominant one your eye color all those

1934

01:11:06,169 --> 01:11:03,659

things that you're kind of born with

1935

01:11:08,450 --> 01:11:06,179

um is there more like more brunettes

1936

01:11:11,209 --> 01:11:08,460

being abducted than blondes or anything

1937

01:11:13,669 --> 01:11:11,219

like that that you've noticed

1938

01:11:16,310 --> 01:11:13,679

um that is in a new study so I don't

1939

01:11:19,610 --> 01:11:16,320

have that data yet the blue eyes blue

1940

01:11:21,470 --> 01:11:19,620

eyes is common there you go right so you

1941

01:11:23,570 --> 01:11:21,480

can associate that fact with other

1942

01:11:26,270 --> 01:11:23,580

things but I mean it's it's just common

1943

01:11:27,890 --> 01:11:26,280

in my study that does I haven't I

1944

01:11:29,810 --> 01:11:27,900

haven't investigated everybody in the

1945

01:11:31,370 --> 01:11:29,820

world you know like it's a you have to

1946

01:11:33,050 --> 01:11:31,380

extrapolate that but I mean it's just

1947

01:11:33,890 --> 01:11:33,060

for me what I'm trying to do when I get

1948

01:11:35,990 --> 01:11:33,900

it's

1949

01:11:37,610 --> 01:11:36,000

I asked this question on on Twitter the

1950

01:11:39,290 --> 01:11:37,620

other day too uh because I like the

1951

01:11:41,649 --> 01:11:39,300

polling option

1952

01:11:44,209 --> 01:11:41,659

um is what's more

1953

01:11:46,070 --> 01:11:44,219

is the data what is it what's more

1954

01:11:47,810 --> 01:11:46,080

important the data itself or what you do

1955

01:11:49,970 --> 01:11:47,820

with the data once you have

1956

01:11:51,709 --> 01:11:49,980

and and so because a lot of people like

1957

01:11:52,970 --> 01:11:51,719

to put stats out a lot of people like to

1958

01:11:54,530 --> 01:11:52,980

do all these things we'll read it and

1959

01:11:56,330 --> 01:11:54,540

write about and all those things like

1960

01:11:57,770 --> 01:11:56,340

rotowski does that you put stats out but

1961

01:12:00,110 --> 01:11:57,780

I mean nobody does anything with it and

1962

01:12:01,970 --> 01:12:00,120

and half the stats are from other

1963

01:12:03,290 --> 01:12:01,980

people's work smooth funds Works might

1964

01:12:05,570 --> 01:12:03,300

work because everybody else is working

1965

01:12:08,169 --> 01:12:05,580

he's the guy on on the TV but at least

1966

01:12:11,149 --> 01:12:08,179

at least it's getting around but I mean

1967

01:12:14,390 --> 01:12:11,159

the nothing's being done with that data

1968

01:12:17,570 --> 01:12:14,400

so when I get this data once I have it

1969

01:12:19,370 --> 01:12:17,580

done it's going to help me build a case

1970

01:12:23,870 --> 01:12:19,380

where

1971

01:12:27,669 --> 01:12:23,880

a I have a sample of people that

1972

01:12:30,830 --> 01:12:27,679

have this criteria that I I believe

1973

01:12:33,290 --> 01:12:30,840

gives the highest probability

1974

01:12:35,990 --> 01:12:33,300

to make some sort of contact whether

1975

01:12:38,090 --> 01:12:36,000

that's extraterrestrial or paranormal if

1976

01:12:40,729 --> 01:12:38,100

I'm going to do a ce5 or if I'm going to

1977

01:12:42,890 --> 01:12:40,739

do a sales I want these people in the

1978

01:12:46,010 --> 01:12:42,900

room because the highest probability of

1979

01:12:48,350 --> 01:12:46,020

them of me making contact and seeing

1980

01:12:50,450 --> 01:12:48,360

that it's likely that these people will

1981

01:12:52,610 --> 01:12:50,460

be able to do that because they don't

1982

01:12:54,350 --> 01:12:52,620

share these characteristics when you do

1983

01:12:56,450 --> 01:12:54,360

these things as a hobby and you go and

1984

01:12:58,189 --> 01:12:56,460

you have fun you got a variance of

1985

01:12:59,930 --> 01:12:58,199

people showing up some are enthusiasts

1986

01:13:01,189 --> 01:12:59,940

some are just curious some are drunk

1987

01:13:03,290 --> 01:13:01,199

because you get drunk when you go to

1988

01:13:05,510 --> 01:13:03,300

those ghost tours who knows but if you

1989

01:13:08,270 --> 01:13:05,520

get an actual controlled sample doing

1990

01:13:10,610 --> 01:13:08,280

these things I hypothesize that we

1991

01:13:13,010 --> 01:13:10,620

should be able to move the object you

1992

01:13:14,330 --> 01:13:13,020

know and if we can't then I narrow down

1993

01:13:15,950 --> 01:13:14,340

my study and try to figure out how to

1994

01:13:18,410 --> 01:13:15,960

get the perfect sample to figure out if

1995

01:13:22,790 --> 01:13:18,420

it's possible because that's the science

1996

01:13:25,370 --> 01:13:22,800

um then with the trauma data what I'm

1997

01:13:28,610 --> 01:13:25,380

going to kind of what I'm hoping to do

1998

01:13:31,130 --> 01:13:28,620

is kind of tackle the disclosure part at

1999

01:13:33,229 --> 01:13:31,140

the appropriate time in a different

2000

01:13:34,370 --> 01:13:33,239

angle I'm not going to be asking for

2001

01:13:36,290 --> 01:13:34,380

confirmation I'm just going to be

2002

01:13:39,110 --> 01:13:36,300

bringing awareness that there are people

2003

01:13:42,169 --> 01:13:39,120

affected mentally by this phenomenon and

2004

01:13:43,010 --> 01:13:42,179

I need resources to take care of these

2005

01:13:45,590 --> 01:13:43,020

people

2006

01:13:47,330 --> 01:13:45,600

no are you sorry Ryan are you planning

2007

01:13:49,850 --> 01:13:47,340

on going to the Canadian government with

2008

01:13:51,669 --> 01:13:49,860

this like to to get some sort of study

2009

01:13:55,430 --> 01:13:51,679

and funding going

2010

01:13:58,610 --> 01:13:55,440

awareness I uh whatever comes out of it

2011

01:14:01,370 --> 01:13:58,620

will come out of it but I mean I think

2012

01:14:02,390 --> 01:14:01,380

I would start with a peaceful peaceful

2013

01:14:04,790 --> 01:14:02,400

protest

2014

01:14:05,950 --> 01:14:04,800

in the sense of having experiences

2015

01:14:10,070 --> 01:14:05,960

together

2016

01:14:14,090 --> 01:14:10,080

where we could basically be comfortable

2017

01:14:16,250 --> 01:14:14,100

and and free and and show that we are

2018

01:14:17,689 --> 01:14:16,260

experienced and we are affected and

2019

01:14:20,270 --> 01:14:17,699

we're ready we've got to create

2020

01:14:23,149 --> 01:14:20,280

awareness to the people getting it on

2021

01:14:25,070 --> 01:14:23,159

mainstream media is is in the science

2022

01:14:26,689 --> 01:14:25,080

thing is very hard but if you get a

2023

01:14:28,070 --> 01:14:26,699

group of people together in one spot

2024

01:14:29,570 --> 01:14:28,080

that all believed that they were

2025

01:14:31,070 --> 01:14:29,580

abducted by aliens and they want

2026

01:14:33,530 --> 01:14:31,080

answered

2027

01:14:34,669 --> 01:14:33,540

right probably going to get answers a

2028

01:14:36,890 --> 01:14:34,679

little quicker

2029

01:14:38,990 --> 01:14:36,900

but that uh

2030

01:14:42,350 --> 01:14:39,000

that's not next year that's the year

2031

01:14:44,090 --> 01:14:42,360

after so I'm building I'm in year

2032

01:14:46,610 --> 01:14:44,100

um what year am I am I'm in the rebuild

2033

01:14:48,649 --> 01:14:46,620

year next year's unity and then contact

2034

01:14:49,729 --> 01:14:48,659

is the final year in my business plan

2035

01:14:53,630 --> 01:14:49,739

but

2036

01:14:56,450 --> 01:14:53,640

so you got it all laid out my man I do I

2037

01:14:59,149 --> 01:14:56,460

had well I had my own psychogenic

2038

01:15:01,070 --> 01:14:59,159

Consciousness experience so that's where

2039

01:15:02,590 --> 01:15:01,080

where I am

2040

01:15:05,149 --> 01:15:02,600

yes

2041

01:15:06,830 --> 01:15:05,159

influence so I have to that's why I kind

2042

01:15:08,510 --> 01:15:06,840

of I believe it to be human I might have

2043

01:15:09,830 --> 01:15:08,520

just picked up a radio signal or

2044

01:15:11,330 --> 01:15:09,840

something like that I don't I don't

2045

01:15:12,550 --> 01:15:11,340

think it's unspecial or anything to that

2046

01:15:16,189 --> 01:15:12,560

effect but

2047

01:15:17,450 --> 01:15:16,199

there is some sort of foresight

2048

01:15:20,510 --> 01:15:17,460

um

2049

01:15:22,310 --> 01:15:20,520

that I seem to be

2050

01:15:24,830 --> 01:15:22,320

that I seem to feel

2051
01:15:28,070 --> 01:15:24,840
and whenever I I pay attention to that

2052
01:15:30,590 --> 01:15:28,080
feeling and I work in that direction

2053
01:15:31,970 --> 01:15:30,600
everything is positive so that's where

2054
01:15:34,370 --> 01:15:31,980
the energy works

2055
01:15:36,229 --> 01:15:34,380
so there is some direction

2056
01:15:37,310 --> 01:15:36,239
um towards a need for this I just don't

2057
01:15:39,290 --> 01:15:37,320
know when

2058
01:15:41,330 --> 01:15:39,300
and is this all discovered for you Ryan

2059
01:15:43,250 --> 01:15:41,340
like it's through investigations through

2060
01:15:44,270 --> 01:15:43,260
talking to people like this was all

2061
01:15:46,550 --> 01:15:44,280
discovered

2062
01:15:47,930 --> 01:15:46,560
along the way like did you start off a

2063
01:15:50,149 --> 01:15:47,940

lot more

2064

01:15:51,590 --> 01:15:50,159

sort of I would say narrow-minded but a

2065

01:15:55,209 --> 01:15:51,600

little bit more narrow on your way of

2066

01:15:59,630 --> 01:15:55,219

thinking and it it expanded yes

2067

01:16:01,850 --> 01:15:59,640

when I started I knew nothing but about

2068

01:16:03,590 --> 01:16:01,860

even ghosts I just thought it was this

2069

01:16:05,030 --> 01:16:03,600

this cool and spooky and Halloween thing

2070

01:16:06,830 --> 01:16:05,040

and then when I started to get into

2071

01:16:08,930 --> 01:16:06,840

ufology and the nuts and Bolton science

2072

01:16:10,790 --> 01:16:08,940

and realizing that it's just a bunch of

2073

01:16:12,470 --> 01:16:10,800

ugly people doing ugly things I was

2074

01:16:14,090 --> 01:16:12,480

turned off on it but then it was taking

2075

01:16:17,090 --> 01:16:14,100

care of the people

2076

01:16:19,550 --> 01:16:17,100

and then even when I was with mufon and

2077

01:16:21,470 --> 01:16:19,560

they reported abductions and things that

2078

01:16:22,669 --> 01:16:21,480

weren't considered Consciousness just

2079

01:16:23,990 --> 01:16:22,679

things of their mind and all these

2080

01:16:25,850 --> 01:16:24,000

things that move on with trying to wrap

2081

01:16:27,830 --> 01:16:25,860

around and say it was you know with

2082

01:16:29,570 --> 01:16:27,840

stuff they didn't want to touch

2083

01:16:32,270 --> 01:16:29,580

and I started giving more attention to

2084

01:16:33,850 --> 01:16:32,280

the Consciousness part I I felt for the

2085

01:16:35,709 --> 01:16:33,860

people but I didn't really understand

2086

01:16:38,330 --> 01:16:35,719

Consciousness I didn't understand

2087

01:16:40,430 --> 01:16:38,340

Dimensions I didn't understand all these

2088

01:16:42,350 --> 01:16:40,440

things even in masonry some of that

2089

01:16:43,850 --> 01:16:42,360

stuff I had to go to a couple degrees a

2090

01:16:45,169 --> 01:16:43,860

couple times to understand the lectures

2091

01:16:47,209 --> 01:16:45,179

and things like that you don't you don't

2092

01:16:49,070 --> 01:16:47,219

you don't you know that's why they give

2093

01:16:50,510 --> 01:16:49,080

you the book that's why yeah but you

2094

01:16:52,729 --> 01:16:50,520

still you still you know every time you

2095

01:16:54,350 --> 01:16:52,739

do a first degree you're like I forgot

2096

01:16:56,689 --> 01:16:54,360

about that you know and then like you

2097

01:16:59,090 --> 01:16:56,699

know uh and all these other things my

2098

01:17:00,110 --> 01:16:59,100

Heritage is a second degree but

2099

01:17:02,030 --> 01:17:00,120

um

2100

01:17:04,250 --> 01:17:02,040

you know so then I get to this point

2101
01:17:06,890 --> 01:17:04,260
where I'm not understanding what

2102
01:17:08,810 --> 01:17:06,900
consequence is and how do I explain this

2103
01:17:10,669 --> 01:17:08,820
like I'm not a scientist I can't I'm not

2104
01:17:13,310 --> 01:17:10,679
an expert I like I need to understand it

2105
01:17:14,930 --> 01:17:13,320
in such a way that I can at least

2106
01:17:17,149 --> 01:17:14,940
work with the people because the people

2107
01:17:18,770 --> 01:17:17,159
want answers right I'm not and I can't

2108
01:17:20,149 --> 01:17:18,780
explain it because I can't get it and I

2109
01:17:22,070 --> 01:17:20,159
feel like it's got to be wrong or maybe

2110
01:17:24,229 --> 01:17:22,080
I'm silly maybe I'm stupid I can't get

2111
01:17:26,689 --> 01:17:24,239
it but then all of a sudden

2112
01:17:29,630 --> 01:17:26,699
um in this trauma the stress that I had

2113
01:17:30,950 --> 01:17:29,640

where I was didn't belong and move on I

2114

01:17:32,750 --> 01:17:30,960

didn't want to be a part of move on

2115

01:17:35,870 --> 01:17:32,760

anymore but I didn't want to abandon the

2116

01:17:37,490 --> 01:17:35,880

people and I I needed to still help the

2117

01:17:40,070 --> 01:17:37,500

people but didn't know how and I had

2118

01:17:42,410 --> 01:17:40,080

this Vision this dream this idea of this

2119

01:17:45,530 --> 01:17:42,420

map which is on the Tesla website if you

2120

01:17:48,470 --> 01:17:45,540

go to about uh us and click the map

2121

01:17:51,530 --> 01:17:48,480

you'll see this map it's a geometric map

2122

01:17:53,930 --> 01:17:51,540

this was a vision that I had of this map

2123

01:17:56,510 --> 01:17:53,940

and that's what Tesla was built off of

2124

01:17:58,310 --> 01:17:56,520

Tesa was on that but later the expansion

2125

01:18:01,490 --> 01:17:58,320

support Association came and all these

2126

01:18:03,470 --> 01:18:01,500

things and as I I this map that came to

2127

01:18:05,810 --> 01:18:03,480

me from wherever it came from when it

2128

01:18:07,850 --> 01:18:05,820

came from however it came from with no

2129

01:18:10,010 --> 01:18:07,860

instructions every time I reflected on

2130

01:18:12,169 --> 01:18:10,020

it it's got a piece of all these things

2131

01:18:13,910 --> 01:18:12,179

that I've been talking about there's

2132

01:18:15,290 --> 01:18:13,920

symbolism in there there's masonry

2133

01:18:17,090 --> 01:18:15,300

symbolism in there first I thought it

2134

01:18:19,729 --> 01:18:17,100

was my brain putting together all these

2135

01:18:21,709 --> 01:18:19,739

all these rituals but there's there's

2136

01:18:22,790 --> 01:18:21,719

some star in there there's Templars

2137

01:18:25,010 --> 01:18:22,800

there's a whole bunch of things there's

2138

01:18:27,229 --> 01:18:25,020

there's even Flat Earth stuff that's in

2139

01:18:28,669 --> 01:18:27,239

there that there's a whole bunch of uh

2140

01:18:30,830 --> 01:18:28,679

different types of things that I didn't

2141

01:18:33,110 --> 01:18:30,840

know anything about and then I started

2142

01:18:34,490 --> 01:18:33,120

talking to the people and when I started

2143

01:18:36,050 --> 01:18:34,500

talking with people and then I go back

2144

01:18:37,669 --> 01:18:36,060

and look at this map and then all of a

2145

01:18:40,270 --> 01:18:37,679

sudden I'm seeing the map in different

2146

01:18:43,430 --> 01:18:40,280

dimensions so this map although it's

2147

01:18:46,490 --> 01:18:43,440

two-dimensional my wish my prayer

2148

01:18:48,229 --> 01:18:46,500

whatever I was in my dark time that I

2149

01:18:51,709 --> 01:18:48,239

was trying to figure out help me that

2150

01:18:54,890 --> 01:18:51,719

message that I got was a two-dimensional

2151

01:18:57,470 --> 01:18:54,900

map that helped me understand 10

2152

01:18:59,209 --> 01:18:57,480

dimensions in the physical room by

2153

01:19:01,189 --> 01:18:59,219

working with this map

2154

01:19:03,830 --> 01:19:01,199

so like we don't have time to get into

2155

01:19:06,770 --> 01:19:03,840

that but I'm just I'm just saying to to

2156

01:19:09,050 --> 01:19:06,780

your point that it was at that moment

2157

01:19:11,689 --> 01:19:09,060

when I understood

2158

01:19:14,330 --> 01:19:11,699

the possibilities that breaking point

2159

01:19:18,350 --> 01:19:14,340

where like this no this can't be real it

2160

01:19:20,870 --> 01:19:18,360

became this is real it is possible but

2161

01:19:22,729 --> 01:19:20,880

it can't be proven so how do I prove it

2162

01:19:26,390 --> 01:19:22,739

now how do I prove anything that's comes

2163

01:19:28,850 --> 01:19:26,400

from my training if I go to court and I

2164

01:19:30,350 --> 01:19:28,860

need to testify against my evidence but

2165

01:19:31,669 --> 01:19:30,360

if there's a cross-examination and I

2166

01:19:32,870 --> 01:19:31,679

need to send someone to jail I need

2167

01:19:36,169 --> 01:19:32,880

Witnesses

2168

01:19:39,350 --> 01:19:36,179

I need testimony so I'm building a team

2169

01:19:41,450 --> 01:19:39,360

of witnesses with with testimony and I'm

2170

01:19:42,709 --> 01:19:41,460

regulating it because I understand how

2171

01:19:44,930 --> 01:19:42,719

the court system works I don't

2172

01:19:47,870 --> 01:19:44,940

understand the political system but I do

2173

01:19:50,209 --> 01:19:47,880

understand I do know people who do and I

2174

01:19:52,010 --> 01:19:50,219

do know how and I do help give people

2175

01:19:54,350 --> 01:19:52,020

that information so they can write their

2176

01:19:57,830 --> 01:19:54,360

articles and do these things

2177

01:19:59,570 --> 01:19:57,840

um you know so but I do know how to

2178

01:20:02,330 --> 01:19:59,580

handle myself in a courtroom so that's

2179

01:20:04,550 --> 01:20:02,340

kind of how I'm I'm prepping everything

2180

01:20:06,830 --> 01:20:04,560

so that way I'm asking the right

2181

01:20:09,229 --> 01:20:06,840

question at the right time to the right

2182

01:20:11,689 --> 01:20:09,239

people and that is a human rights

2183

01:20:13,850 --> 01:20:11,699

approach because our people

2184

01:20:17,510 --> 01:20:13,860

are the ones that are mentally being

2185

01:20:21,290 --> 01:20:17,520

hijacked or borrowed in their sleep to

2186

01:20:24,169 --> 01:20:21,300

operate these cracks or the medications

2187

01:20:26,510 --> 01:20:24,179

that all of us are prescribed to are too

2188

01:20:28,550 --> 01:20:26,520

high and we need to we need to lower the

2189

01:20:32,030 --> 01:20:28,560

dosage you know like there's something

2190

01:20:34,910 --> 01:20:32,040

going on the phenomenon is real and our

2191

01:20:37,189 --> 01:20:34,920

people are experiencing something yeah

2192

01:20:40,130 --> 01:20:37,199

and there's lots of science and theories

2193

01:20:43,010 --> 01:20:40,140

and understanding but it's just guessing

2194

01:20:46,189 --> 01:20:43,020

they don't have confirmation now either

2195

01:20:48,290 --> 01:20:46,199

but they're it it makes sense it's close

2196

01:20:49,790 --> 01:20:48,300

but then the government

2197

01:20:52,189 --> 01:20:49,800

what do we want from the government the

2198

01:20:54,649 --> 01:20:52,199

government needs to have control so the

2199

01:20:57,470 --> 01:20:54,659

government will not tell us it exists

2200

01:21:00,410 --> 01:20:57,480

unless they have control it needs to be

2201

01:21:02,570 --> 01:21:00,420

regulated marijuana wasn't legalized in

2202

01:21:05,570 --> 01:21:02,580

Canada until they were able to regulate

2203

01:21:08,590 --> 01:21:05,580

it in tax good for many many years so

2204

01:21:11,149 --> 01:21:08,600

they're going to tax abductions now

2205

01:21:13,189 --> 01:21:11,159

you've had 14 this year so yeah

2206

01:21:15,050 --> 01:21:13,199

abduction tax yeah it becomes

2207

01:21:18,110 --> 01:21:15,060

entertainment like Skinwalker Ranch but

2208

01:21:20,149 --> 01:21:18,120

they uh yeah maybe they do good work on

2209

01:21:21,950 --> 01:21:20,159

that too that's that's that is a good

2210

01:21:24,229 --> 01:21:21,960

show in terms of that's a hard show like

2211

01:21:26,450 --> 01:21:24,239

they actually do science and they kind

2212

01:21:28,010 --> 01:21:26,460

of make it entertaining so I you know

2213

01:21:30,010 --> 01:21:28,020

but that's a challenge he gets old

2214

01:21:31,630 --> 01:21:30,020

Brandon gets a lot of flat on that

2215

01:21:34,370 --> 01:21:31,640

yeah

2216

01:21:36,350 --> 01:21:34,380

the skin walk the ranch is a is this

2217

01:21:37,910 --> 01:21:36,360

it's its own thing and like we've

2218

01:21:40,370 --> 01:21:37,920

discovered by talking with George Knapp

2219

01:21:43,669 --> 01:21:40,380

uh and even Coleman Kelleher that uh

2220

01:21:46,010 --> 01:21:43,679

James Winters in as well yeah exactly

2221

01:21:47,450 --> 01:21:46,020

those guys they're legit and they're

2222

01:21:50,209 --> 01:21:47,460

saying that there's something there that

2223

01:21:51,590 --> 01:21:50,219

something weird is going on and it's you

2224

01:21:52,970 --> 01:21:51,600

know they can actually study it now

2225

01:21:55,189 --> 01:21:52,980

they've got scientists there doing

2226

01:21:57,470 --> 01:21:55,199

actual work and studying this phenomenon

2227

01:21:59,450 --> 01:21:57,480

and and you got a media company that's

2228

01:22:01,850 --> 01:21:59,460

paying them to do that work so it could

2229

01:22:04,130 --> 01:22:01,860

be broadcast and entertaining in America

2230

01:22:05,570 --> 01:22:04,140

so like you can you can there's a

2231

01:22:07,669 --> 01:22:05,580

business side of it and if you can

2232

01:22:08,930 --> 01:22:07,679

accept that it makes sense and then

2233

01:22:10,610 --> 01:22:08,940

there's the science side of that there's

2234

01:22:12,530 --> 01:22:10,620

a lot of people putting effort in

2235

01:22:14,689 --> 01:22:12,540

citizen science citizen journalism

2236

01:22:16,430 --> 01:22:14,699

citizen all these other things

2237

01:22:19,430 --> 01:22:16,440

eventually we're going to figure it out

2238

01:22:22,550 --> 01:22:19,440

and if we figure it out you know

2239

01:22:24,229 --> 01:22:22,560

there goes our jobs well well really

2240

01:22:26,390 --> 01:22:24,239

that's why I'm focusing on the people is

2241

01:22:28,189 --> 01:22:26,400

what do you do next focus on the future

2242

01:22:29,270 --> 01:22:28,199

right someone's going to figure it out I

2243

01:22:30,950 --> 01:22:29,280

mean someone doesn't figure it out

2244

01:22:33,950 --> 01:22:30,960

someone's gonna debunk it someone's

2245

01:22:35,870 --> 01:22:33,960

gonna you know uh someone is going to

2246

01:22:40,189 --> 01:22:35,880

give you both sides of that when you're

2247

01:22:43,610 --> 01:22:42,110

um that's what matters because I

2248

01:22:45,410 --> 01:22:43,620

wouldn't be here if these people didn't

2249

01:22:47,630 --> 01:22:45,420

report to me if these people didn't

2250

01:22:49,610 --> 01:22:47,640

spend time just as much time with me as

2251

01:22:52,310 --> 01:22:49,620

I spent with them I wouldn't have any

2252

01:22:54,770 --> 01:22:52,320

information to talk about to theorize to

2253

01:22:58,430 --> 01:22:54,780

hypothesize again and still could be

2254

01:23:01,130 --> 01:22:58,440

wrong but I mean I'm I'm uh I'm close

2255

01:23:02,570 --> 01:23:01,140

with some group but the groups that I'm

2256

01:23:05,570 --> 01:23:02,580

close with

2257

01:23:06,910 --> 01:23:05,580

um are not the UFO Twitter people who

2258

01:23:09,350 --> 01:23:06,920

are you know

2259

01:23:12,070 --> 01:23:09,360

still right in their own tackling the

2260

01:23:14,450 --> 01:23:12,080

same beast from a different side

2261

01:23:16,130 --> 01:23:14,460

but I'd like to see that effort that

2262

01:23:17,930 --> 01:23:16,140

same effort focused on the people but

2263

01:23:21,350 --> 01:23:17,940

there's a need for that too yeah right

2264

01:23:23,390 --> 01:23:21,360

it's all it's it's no good or there's no

2265

01:23:26,630 --> 01:23:23,400

bad investigations in towards the

2266

01:23:28,729 --> 01:23:26,640

subject whether it's ufology or or any

2267

01:23:32,330 --> 01:23:28,739

science on anything

2268

01:23:35,030 --> 01:23:32,340

we have a tremendous amount of people

2269

01:23:37,669 --> 01:23:35,040

that are dedicating their time and

2270

01:23:39,890 --> 01:23:37,679

resources yourselves included to keep

2271

01:23:41,750 --> 01:23:39,900

the narrative going and that needs to be

2272

01:23:43,729 --> 01:23:41,760

recognized

2273

01:23:46,490 --> 01:23:43,739

um as the with the experiential support

2274

01:23:48,350 --> 01:23:46,500

Association too we also help

2275

01:23:49,910 --> 01:23:48,360

um you know we we sell memberships and

2276

01:23:51,410 --> 01:23:49,920

things like that too but we also help

2277

01:23:53,510 --> 01:23:51,420

try to

2278

01:23:55,450 --> 01:23:53,520

kind of take good programs and make them

2279

01:23:58,070 --> 01:23:55,460

better there's another Masonic kind of

2280

01:24:00,290 --> 01:23:58,080

intuition right like trying to also

2281

01:24:03,709 --> 01:24:00,300

build this this

2282

01:24:06,110 --> 01:24:03,719

um this network where

2283

01:24:08,870 --> 01:24:06,120

it's not just Canadian but it's American

2284

01:24:11,270 --> 01:24:08,880

too so I'm focusing on Canada I'm doing

2285

01:24:13,130 --> 01:24:11,280

Canadian topics I could be in the U.S

2286

01:24:14,990 --> 01:24:13,140

game as well

2287

01:24:17,450 --> 01:24:15,000

but what about Canada you know these are

2288

01:24:20,510 --> 01:24:17,460

our people right so and I kind of feel

2289

01:24:22,070 --> 01:24:20,520

that if we have this network of

2290

01:24:23,750 --> 01:24:22,080

different countries that come together

2291

01:24:25,970 --> 01:24:23,760

on the citizen side and we can compare

2292

01:24:29,290 --> 01:24:25,980

notes we can come to these answers too

2293

01:24:32,270 --> 01:24:29,300

like there's we got to work together but

2294

01:24:35,450 --> 01:24:32,280

we're all like like rutowsky's doing his

2295

01:24:38,750 --> 01:24:35,460

thing Cameron's doing his thing uh Otis

2296

01:24:41,270 --> 01:24:38,760

is the journalist he's doing his thing

2297

01:24:43,189 --> 01:24:41,280

um but in the end we're all we're all

2298

01:24:45,410 --> 01:24:43,199

working on that same article we're all

2299

01:24:48,770 --> 01:24:45,420

uh we're all pushing the same thing to

2300

01:24:51,530 --> 01:24:48,780

get an answer and if Transport Canada is

2301

01:24:53,390 --> 01:24:51,540

going to say nothing then I suspect

2302

01:24:56,570 --> 01:24:53,400

house Commons is also going to say

2303

01:24:58,910 --> 01:24:56,580

nothing and then for me that's it

2304

01:25:00,590 --> 01:24:58,920

but there's going to still this UFO

2305

01:25:03,050 --> 01:25:00,600

Twitter Community is not going to accept

2306

01:25:06,770 --> 01:25:03,060

that there's no belief you still have to

2307

01:25:08,390 --> 01:25:06,780

trust the government with something

2308

01:25:10,310 --> 01:25:08,400

all right I'll kind of leave it on that

2309

01:25:12,709 --> 01:25:10,320

in terms of like

2310

01:25:14,570 --> 01:25:12,719

sure the government could lie and the

2311

01:25:16,910 --> 01:25:14,580

government has lied and the government's

2312

01:25:18,830 --> 01:25:16,920

made mistakes and can make mistakes but

2313

01:25:19,970 --> 01:25:18,840

can you what can we trust the government

2314

01:25:22,669 --> 01:25:19,980

with

2315

01:25:24,890 --> 01:25:22,679

so so if these extraterrestrials exist

2316

01:25:27,649 --> 01:25:24,900

or if these crafts exist we can trust

2317

01:25:30,169 --> 01:25:27,659

that they've been able to to keep it

2318

01:25:32,209 --> 01:25:30,179

under wraps and protect us from it we

2319

01:25:35,030 --> 01:25:32,219

can trust that every time our aircrafts

2320

01:25:36,590 --> 01:25:35,040

in Canada come across them and they're

2321

01:25:39,590 --> 01:25:36,600

not threatened by them they're not

2322

01:25:40,850 --> 01:25:39,600

getting killed by them we're not being

2323

01:25:41,630 --> 01:25:40,860

uh you know

2324

01:25:44,390 --> 01:25:41,640

um

2325

01:25:46,070 --> 01:25:44,400

and I'm blown up by them so something is

2326

01:25:47,870 --> 01:25:46,080

going on they're aware of it so we can

2327

01:25:49,729 --> 01:25:47,880

trust and even though we don't know the

2328

01:25:52,070 --> 01:25:49,739

source of it we can trust that it's

2329

01:25:53,870 --> 01:25:52,080

handled and we can trust that the

2330

01:25:56,450 --> 01:25:53,880

government is protecting us because

2331

01:25:57,890 --> 01:25:56,460

that's their job and we don't need to

2332

01:26:00,290 --> 01:25:57,900

know everything

2333

01:26:02,750 --> 01:26:00,300

on how everything works we want to know

2334

01:26:04,370 --> 01:26:02,760

because we just are trying to understand

2335

01:26:05,270 --> 01:26:04,380

why we are feeling the way that we're

2336

01:26:07,550 --> 01:26:05,280

feeling

2337

01:26:09,590 --> 01:26:07,560

and if we work more on ourselves and and

2338

01:26:12,290 --> 01:26:09,600

we and we focus on the things that bug

2339

01:26:14,689 --> 01:26:12,300

us and spread more love than and then

2340

01:26:16,010 --> 01:26:14,699

negative energy then we'll stop we don't

2341

01:26:18,350 --> 01:26:16,020

need to ask those questions anymore

2342

01:26:22,010 --> 01:26:18,360

we're happy and then we just be and then

2343

01:26:24,770 --> 01:26:22,020

we evolve so I trust that that no matter

2344

01:26:26,149 --> 01:26:24,780

what side where we get this affirmation

2345

01:26:29,330 --> 01:26:26,159

from the government whether they cover

2346

01:26:31,430 --> 01:26:29,340

it up we're going to cover it up I mean

2347

01:26:34,610 --> 01:26:31,440

um close it so that we know more

2348

01:26:37,010 --> 01:26:34,620

information can come out

2349

01:26:39,590 --> 01:26:37,020

um or they tell us a little bit it's

2350

01:26:42,110 --> 01:26:39,600

it's taken in consideration for the

2351
01:26:45,050 --> 01:26:42,120
betterment of the entire world

2352
01:26:47,750 --> 01:26:45,060
and majority of the people that need

2353
01:26:49,490 --> 01:26:47,760
that message

2354
01:26:51,530 --> 01:26:49,500
um will hear it

2355
01:26:53,870 --> 01:26:51,540
and if they decide not to tell us

2356
01:26:56,870 --> 01:26:53,880
anything then that could also be the

2357
01:26:58,810 --> 01:26:56,880
truth but if you believe it to be them

2358
01:27:03,050 --> 01:26:58,820
still covering it up

2359
01:27:05,149 --> 01:27:03,060
then trust that majority of the world is

2360
01:27:07,010 --> 01:27:05,159
not ready to handle it

2361
01:27:10,490 --> 01:27:07,020
and help me

2362
01:27:11,930 --> 01:27:10,500
and others get the world ready to accept

2363
01:27:15,169 --> 01:27:11,940

it in the future

2364

01:27:16,790 --> 01:27:15,179

right and we we are trying hard on this

2365

01:27:18,950 --> 01:27:16,800

podcast trying to have people like

2366

01:27:22,189 --> 01:27:18,960

yourselves that are talking about this

2367

01:27:24,110 --> 01:27:22,199

that are helping people out

2368

01:27:26,090 --> 01:27:24,120

um again uh Louis do you have any

2369

01:27:28,370 --> 01:27:26,100

questions for our guests before we go I

2370

01:27:30,950 --> 01:27:28,380

will just extend a very warm thanks to

2371

01:27:33,290 --> 01:27:30,960

uh Ryan Stacy it's nice to have a big

2372

01:27:35,090 --> 01:27:33,300

mind on this type of thing and sort of

2373

01:27:37,729 --> 01:27:35,100

be that middle ground between the

2374

01:27:40,430 --> 01:27:37,739

polarized ufologists mysticism

2375

01:27:42,770 --> 01:27:40,440

paranormal you know there is they all

2376

01:27:44,810 --> 01:27:42,780

intersect we're like three circles but

2377

01:27:47,149 --> 01:27:44,820

there's an overlap in between each of

2378

01:27:49,490 --> 01:27:47,159

those tri-quadrant sort of things right

2379

01:27:51,050 --> 01:27:49,500

so and these communities have challenges

2380

01:27:53,810 --> 01:27:51,060

working with each other for sure I

2381

01:27:57,950 --> 01:27:53,820

understand those challenges

2382

01:28:00,590 --> 01:27:57,960

um like the Flat Earth movement those

2383

01:28:03,229 --> 01:28:00,600

people drive a lot of people crazy

2384

01:28:04,790 --> 01:28:03,239

because of the the idea the possibility

2385

01:28:06,350 --> 01:28:04,800

and there's a lot of evidence out there

2386

01:28:08,030 --> 01:28:06,360

that we can't prove one way or another

2387

01:28:09,770 --> 01:28:08,040

but it's a different belief and it's

2388

01:28:11,570 --> 01:28:09,780

just as equal

2389

01:28:13,550 --> 01:28:11,580

um as us fighting this other topic so if

2390

01:28:15,410 --> 01:28:13,560

you look at them as human beings they're

2391

01:28:17,570 --> 01:28:15,420

fighting for a similar cause but they

2392

01:28:18,709 --> 01:28:17,580

can't talk to each other and what I

2393

01:28:20,810 --> 01:28:18,719

understand we're talking to that

2394

01:28:22,250 --> 01:28:20,820

Community is I'll tell you that I learn

2395

01:28:25,910 --> 01:28:22,260

more about

2396

01:28:27,830 --> 01:28:25,920

how possible and probable that the

2397

01:28:30,050 --> 01:28:27,840

original moon landing might have been a

2398

01:28:32,149 --> 01:28:30,060

hoax not from a ufologist but from

2399

01:28:34,129 --> 01:28:32,159

someone who who believes the Earth is

2400

01:28:37,209 --> 01:28:34,139

flat because they're also trying to

2401
01:28:40,490 --> 01:28:37,219
prove that NASA is lying so that common

2402
01:28:42,530 --> 01:28:40,500
effort helps kind of narrow down where

2403
01:28:45,709 --> 01:28:42,540
to get the app get the information from

2404
01:28:47,090 --> 01:28:45,719
so not only do I have to understand how

2405
01:28:49,850 --> 01:28:47,100
all this stuff works I need to

2406
01:28:54,050 --> 01:28:49,860
understand what all these communities

2407
01:28:56,270 --> 01:28:54,060
are fighting for and understand whether

2408
01:28:58,129 --> 01:28:56,280
or not the effort

2409
01:29:01,129 --> 01:28:58,139
you know what it all comes down to what

2410
01:29:03,350 --> 01:29:01,139
it all comes down to is that belief

2411
01:29:06,709 --> 01:29:03,360
that what we're told and what we're

2412
01:29:08,810 --> 01:29:06,719
experiencing doesn't match up

2413
01:29:10,310 --> 01:29:08,820

and we need to understand why what we

2414

01:29:12,050 --> 01:29:10,320

see and what we feel and what we're

2415

01:29:14,870 --> 01:29:12,060

understanding isn't what we're told

2416

01:29:16,910 --> 01:29:14,880

because we're smart enough to know that

2417

01:29:18,290 --> 01:29:16,920

you know

2418

01:29:20,090 --> 01:29:18,300

things don't make sense so I'm just

2419

01:29:22,070 --> 01:29:20,100

talking in general terms

2420

01:29:23,570 --> 01:29:22,080

so it's it's also connecting the

2421

01:29:25,250 --> 01:29:23,580

academic communities and all these other

2422

01:29:28,129 --> 01:29:25,260

different factions to kind of reprogram

2423

01:29:31,129 --> 01:29:28,139

their thoughts on how

2424

01:29:32,689 --> 01:29:31,139

everyone is Val everyone like all all

2425

01:29:33,950 --> 01:29:32,699

men on Deck they're every man on that

2426

01:29:36,169 --> 01:29:33,960

kind of scenario

2427

01:29:39,050 --> 01:29:36,179

and we need that it's a global effort at

2428

01:29:41,870 --> 01:29:39,060

this point to uh to get this solved uh

2429

01:29:43,370 --> 01:29:41,880

Ryan where can uh people find uh we've

2430

01:29:44,870 --> 01:29:43,380

already talked about the website but

2431

01:29:46,729 --> 01:29:44,880

let's say it again uh where can people

2432

01:29:48,649 --> 01:29:46,739

find you in your work and if somebody is

2433

01:29:50,470 --> 01:29:48,659

an experimenter where can they go

2434

01:29:52,189 --> 01:29:50,480

yeah so

2435

01:29:54,530 --> 01:29:52,199

experienceupport.org is the main site

2436

01:29:58,970 --> 01:29:54,540

you can find everything there

2437

01:30:01,070 --> 01:29:58,980

um Facebook uh search Ryan Stacy on that

2438

01:30:02,990 --> 01:30:01,080

um and Twitter I do have a podcast

2439

01:30:06,350 --> 01:30:03,000

called beyond the tinfoil hat which is

2440

01:30:08,270 --> 01:30:06,360

every Thursday at 8pm eastern time and I

2441

01:30:11,629 --> 01:30:08,280

uh I just do live interviews with people

2442

01:30:13,310 --> 01:30:11,639

off the cuff and kind of get into it

2443

01:30:15,550 --> 01:30:13,320

um from that I also do another program

2444

01:30:19,310 --> 01:30:15,560

called Uncharted Case Files every Monday

2445

01:30:21,050 --> 01:30:19,320

at 3 P.M uh eastern time where I talk

2446

01:30:23,629 --> 01:30:21,060

about the latest Declassified document

2447

01:30:26,149 --> 01:30:23,639

that I've uh I've found

2448

01:30:27,530 --> 01:30:26,159

um what I think uh it means add it to

2449

01:30:29,750 --> 01:30:27,540

the timeline and all these other things

2450

01:30:30,649 --> 01:30:29,760

and

2451

01:30:32,149 --> 01:30:30,659

um

2452

01:30:34,189 --> 01:30:32,159

yeah I think that's pretty well it

2453

01:30:36,530 --> 01:30:34,199

everything else is there perfect Ryan

2454

01:30:38,330 --> 01:30:36,540

Stacy thank you so much for your uh your

2455

01:30:40,370 --> 01:30:38,340

time and your knowledge and for uh

2456

01:30:43,010 --> 01:30:40,380

coming on the podcast today we really do

2457

01:30:44,330 --> 01:30:43,020

appreciate it and uh let's not uh make

2458

01:30:45,830 --> 01:30:44,340

this you know the only second time

2459

01:30:51,950 --> 01:30:45,840

you're on let's have you on again okay
