00:00:03,649 --> 00:00:02,270  
hey everybody welcome back we have been

2  
00:00:06,110 --> 00:00:03,659

3  
00:00:07,610 --> 00:00:06,120  
saying what does the government know you

4  
00:00:09,290 --> 00:00:07,620  
know we have people on the show ever

5  
00:00:11,209 --> 00:00:09,300

about governments are now starting to

7  
00:00:15,289 --> 00:00:13,259  
discuss he was at a Consortium in Europe

8  
00:00:17,330 --> 00:00:15,299  
and the U.S was there which was very

9  
00:00:18,769 --> 00:00:17,340  
interesting in itself then you have Ross

10  
00:00:21,230 --> 00:00:18,779  
goldthard from Australia talking about

11  
00:00:22,970 --> 00:00:21,240

66

00:02:39,949 --> 00:02:38,520

the other day and said hey don't don't

67

00:02:41,390 --> 00:02:39,959

do that we don't want to know how you

68

00:02:43,850 --> 00:02:41,400

are well I don't give a [h\_\_h] how you

69

00:02:45,229 --> 00:02:43,860

doing you're a friend this is who we are

70

00:02:47,330 --> 00:02:45,239

this is our show and you're in our

71

00:02:49,130 --> 00:02:47,340

living room right now yeah so be a good

72

00:02:51,589 --> 00:02:49,140

fly on the wall for all of us would you

73

00:02:53,210 --> 00:02:51,599

yeah but uh excited today

74

00:02:55,610 --> 00:02:53,220

um you know it's fitting within our

75

00:02:57,830 --> 00:02:55,620

chain of recent episodes and discussing

76

00:02:59,869 --> 00:02:57,840

governments and what they actually know

77

00:03:01,610 --> 00:02:59,879

and are we getting anywhere and you know

78

00:03:04,009 --> 00:03:01,620

we had Jacques valet for our 100th

79

00:03:06,170 --> 00:03:04,019

episode he recently discussed uh sort of

80

00:03:07,790 --> 00:03:06,180

a Consortium happening in Europe with

81

00:03:09,770 --> 00:03:07,800

the UK and France and a bunch of

82

00:03:11,690 --> 00:03:09,780

countries that are participating oddly

83

00:03:13,850 --> 00:03:11,700

enough the US wasn't there we found that

84

00:03:15,710 --> 00:03:13,860

very interesting as well and then we had

85

00:03:17,390 --> 00:03:15,720

Ross Cole tart on a couple weeks ago and

86

00:03:19,790 --> 00:03:17,400

he was chatting about the Australian

87

00:03:21,770 --> 00:03:19,800

connection what that's all about and we

88

00:03:24,410 --> 00:03:21,780

are Canadian and there's not very many

89

00:03:26,869 --> 00:03:24,420

Frontline Canadian reputable people who

90

00:03:29,390 --> 00:03:26,879

know much about this so our guest today

91

00:03:32,210 --> 00:03:29,400

Mr Grant Cameron not only is he an

92

00:03:34,850 --> 00:03:32,220

award-winning author UFO researcher in

93

00:03:37,430 --> 00:03:34,860

fact his book UFOs Area 51 and

94

00:03:39,110 --> 00:03:37,440

government informants uh it's on our

95

00:03:41,149 --> 00:03:39,120

read list for sure you should definitely

96

00:03:43,789 --> 00:03:41,159

check it out recently revised with some

97

00:03:46,070 --> 00:03:43,799

new info as well but yeah he's a

98

00:03:49,309 --> 00:03:46,080

foremost expert on presidents

99

00:03:52,009 --> 00:03:49,319

governments UFO connection U.S Canada

100

00:03:54,050 --> 00:03:52,019

and all the rest so he promises to give

101  
00:03:56,210 --> 00:03:54,060  
us some some goodies and some Insider

102  
00:03:58,490 --> 00:03:56,220  
things that maybe some people haven't

103  
00:04:00,830 --> 00:03:58,500  
heard before while obviously maintaining

104  
00:04:03,050 --> 00:04:00,840  
his disclosure so a big welcome to the

105  
00:04:04,610 --> 00:04:03,060  
show today Mr Grant Cameron well thank

106  
00:04:07,190 --> 00:04:04,620  
you for having me on and I really don't

107  
00:04:09,530 --> 00:04:07,200  
have any uh stuff I hold I'm I'm sort of

108  
00:04:11,690 --> 00:04:09,540  
notorious for being the guy that they

109  
00:04:12,890 --> 00:04:11,700  
say if you want to keep a secret don't

110  
00:04:14,990 --> 00:04:12,900  
tell to Grant Cameron he'll tell

111  
00:04:16,670 --> 00:04:15,000  
everybody but I've gotten in a lot of

112  
00:04:19,189 --> 00:04:16,680  
trouble with uh what used to be called

113  
00:04:22,129 --> 00:04:19,199

the Avery if you were familiar with the

114

00:04:24,170 --> 00:04:22,139

Avery these high level all intelligence

115

00:04:26,870 --> 00:04:24,180

people and military people who contacted

116

00:04:28,189 --> 00:04:26,880

Bill Moore back in the 1980s and they

117

00:04:30,230 --> 00:04:28,199

all have stayed together over the years

118

00:04:32,390 --> 00:04:30,240

they talked to each other and you know

119

00:04:34,430 --> 00:04:32,400

channels and emails and stuff like that

120

00:04:36,469 --> 00:04:34,440

and I used to know them and have some

121

00:04:38,150 --> 00:04:36,479

interaction with some of these guys and

122

00:04:39,890 --> 00:04:38,160

then I sort of blew it with uh talking

123

00:04:41,749 --> 00:04:39,900

too much and they said you know it's

124

00:04:43,249 --> 00:04:41,759

sort of like all the emails stopped and

125

00:04:44,770 --> 00:04:43,259

and I think that's part of what this

126  
00:04:47,450 --> 00:04:44,780  
whole thing people always want to know

127  
00:04:49,670 --> 00:04:47,460  
why does the highest levels of people

128  
00:04:51,950 --> 00:04:49,680  
why did why do they not talk you know

129  
00:04:53,570 --> 00:04:51,960  
like how put off or you know people like

130  
00:04:55,730 --> 00:04:53,580  
that but why don't they just come out

131  
00:04:57,409 --> 00:04:55,740  
and you know blow it wide open or people

132  
00:05:00,409 --> 00:04:57,419  
inside the government and it's always

133  
00:05:01,850 --> 00:05:00,419  
because according to what I know is that

134  
00:05:03,230 --> 00:05:01,860  
all these people don't have it all

135  
00:05:04,730 --> 00:05:03,240  
figured out either and they're trying to

136  
00:05:06,290 --> 00:05:04,740  
figure it out the same as you and I so

137  
00:05:08,570 --> 00:05:06,300  
they may they have these sources above

138  
00:05:09,650 --> 00:05:08,580

them one of them for example I don't

139

00:05:12,110 --> 00:05:09,660

know if you know the story but there's

140

00:05:13,430 --> 00:05:12,120

one of them famously was asked could you

141

00:05:16,010 --> 00:05:13,440

name the 12 guys who are actually

142

00:05:17,629 --> 00:05:16,020

running the show and he said yeah I

143

00:05:18,950 --> 00:05:17,639

probably could and he said well why

144

00:05:20,749 --> 00:05:18,960

don't you name them and he said well

145

00:05:22,670 --> 00:05:20,759

because you go to the New York Times new

146

00:05:24,409 --> 00:05:22,680

Advertiser read an article I'd have to

147

00:05:26,330 --> 00:05:24,419

deny it and then nobody would ever talk

148

00:05:27,650 --> 00:05:26,340

to me again and that's the whole deal as

149

00:05:28,610 --> 00:05:27,660

the people above them they're trying to

150

00:05:30,350 --> 00:05:28,620

figure out what's going on they're

151  
00:05:32,450 --> 00:05:30,360  
trying to talk to people above them and

152  
00:05:35,210 --> 00:05:32,460  
they're making these these allegiance to

153  
00:05:38,029 --> 00:05:35,220  
different people and so I'm sort of the

154  
00:05:40,189 --> 00:05:38,039  
guy who I I have I by the biblical

155  
00:05:42,050 --> 00:05:40,199  
expression you know too much is given

156  
00:05:43,969 --> 00:05:42,060  
much is expected and and why would you

157  
00:05:46,430 --> 00:05:43,979  
hold you know keep your light under a

158  
00:05:49,129 --> 00:05:46,440  
bushel to me it's basically if I know

159  
00:05:51,650 --> 00:05:49,139  
it's you know again the Bible says

160  
00:05:53,870 --> 00:05:51,660  
um you know what profitable what profit

161  
00:05:56,029 --> 00:05:53,880  
of the man Begins the whole world and

162  
00:05:57,469 --> 00:05:56,039  
loses his own soul and so to me that

163  
00:05:58,909 --> 00:05:57,479

thing is like why would I hold on to

164

00:06:00,529 --> 00:05:58,919

this I tell people like you know I've

165

00:06:02,210 --> 00:06:00,539

got two cases I'd mentioned in the last

166

00:06:04,010 --> 00:06:02,220

couple of days that were I'm trying to

167

00:06:05,570 --> 00:06:04,020

force these people to openly disclose it

168

00:06:07,310 --> 00:06:05,580

themselves I said well why would you

169

00:06:09,710 --> 00:06:07,320

disclose this and you know they said

170

00:06:10,969 --> 00:06:09,720

well the person who had it died and then

171

00:06:12,110 --> 00:06:10,979

the other person got it and just wanted

172

00:06:15,110 --> 00:06:12,120

to disclose it because he might die and

173

00:06:17,029 --> 00:06:15,120

I said well if you hold a video of this

174

00:06:18,770 --> 00:06:17,039

importance and you're the only person

175

00:06:19,969 --> 00:06:18,780

that knows who's got it you're gone I

176

00:06:22,610 --> 00:06:19,979

mean they're gonna take you out why

177

00:06:24,650 --> 00:06:22,620

wouldn't you know but if everybody knows

178

00:06:26,270 --> 00:06:24,660

it's harder to take you out and people

179

00:06:27,469 --> 00:06:26,280

have these ideas you know that you know

180

00:06:28,909 --> 00:06:27,479

if they sort of keep it secret they

181

00:06:31,010 --> 00:06:28,919

don't realize that everything's being

182

00:06:32,930 --> 00:06:31,020

monitored and and uh you know there's

183

00:06:35,150 --> 00:06:32,940

not much that they don't know and so uh

184

00:06:38,330 --> 00:06:35,160

I I'm pretty I'm I try to be as open as

185

00:06:39,950 --> 00:06:38,340

possible as to uh what I know and that's

186

00:06:41,330 --> 00:06:39,960

what Bob Lazar even said I mean

187

00:06:43,730 --> 00:06:41,340

originally when he came out with George

188

00:06:45,770 --> 00:06:43,740

Knapp he was a cloaked silhouette with a

189

00:06:47,930 --> 00:06:45,780

modified voice and then when it started

190

00:06:49,909 --> 00:06:47,940

to get weird he basically said yeah I

191

00:06:51,650 --> 00:06:49,919

had to make myself known in case

192

00:06:54,350 --> 00:06:51,660

something happens to me because right

193

00:06:56,629 --> 00:06:54,360

now as a dark figure I disappear nobody

194

00:06:58,969 --> 00:06:56,639

even knows so yeah yeah that's one thing

195

00:07:01,610 --> 00:06:58,979

that I I always I when I wrote up the uh

196

00:07:03,350 --> 00:07:01,620

I think it's in the area 51 book I I've

197

00:07:05,749 --> 00:07:03,360

got a much different opinion than most

198

00:07:07,249 --> 00:07:05,759

people on bubbles are but Bob Lazar most

199

00:07:09,350 --> 00:07:07,259

people don't realize he was never fired

200

00:07:11,090 --> 00:07:09,360

he was never fired from Area 51 they

201  
00:07:12,770 --> 00:07:11,100  
took him up to Indian Springs and he

202  
00:07:14,930 --> 00:07:12,780  
tells a story about how they put the gun

203  
00:07:16,670 --> 00:07:14,940  
to his head and said you know when we

204  
00:07:17,990 --> 00:07:16,680  
when we told you this was secret that

205  
00:07:20,390 --> 00:07:18,000  
didn't mean to bring your friends out to

206  
00:07:22,430 --> 00:07:20,400  
watch the test and all this sort of

207  
00:07:23,930 --> 00:07:22,440  
stuff and and they they threatened and

208  
00:07:25,610 --> 00:07:23,940  
scared to live in Daylights out of him

209  
00:07:26,870 --> 00:07:25,620  
but all they did was suspend his

210  
00:07:28,550 --> 00:07:26,880  
security clearance because they said his

211  
00:07:31,189 --> 00:07:28,560  
wife was having an affair with the the

212  
00:07:33,110 --> 00:07:31,199  
pilot guy that she was training with and

213  
00:07:34,670 --> 00:07:33,120

we'll suspend your security clearance

214

00:07:36,469 --> 00:07:34,680

and they actually called him back to the

215

00:07:39,350 --> 00:07:36,479

base he didn't go because of this whole

216

00:07:41,749 --> 00:07:39,360

deal that he had been drinking this very

217

00:07:43,909 --> 00:07:41,759

um talk you know uh stuff that they've

218

00:07:45,170 --> 00:07:43,919

given them to drink and he couldn't

219

00:07:46,490 --> 00:07:45,180

remember what happened after he drank

220

00:07:48,050 --> 00:07:46,500

that stuff and he was scared to go back

221

00:07:49,850 --> 00:07:48,060

on the base so that was the whole deal

222

00:07:51,409 --> 00:07:49,860

he never got fired so if if he was

223

00:07:52,730 --> 00:07:51,419

actually you know what people are

224

00:07:53,809 --> 00:07:52,740

claiming well they would have killed him

225

00:07:55,909 --> 00:07:53,819

they would have fired him they would

226

00:07:58,670 --> 00:07:55,919

have you know done whatever uh but he

227

00:08:01,070 --> 00:07:58,680

did go uh public when he realized that

228

00:08:02,510 --> 00:08:01,080

you know he if he stood by himself I

229

00:08:05,450 --> 00:08:02,520

mean that's the worst position you can

230

00:08:08,029 --> 00:08:05,460

be in is nobody knows I mean where you

231

00:08:10,010 --> 00:08:08,039

are or what's going on and uh it's very

232

00:08:11,570 --> 00:08:10,020

easy if if they're if they're going to

233

00:08:13,850 --> 00:08:11,580

want to keep the secret and I was told

234

00:08:15,230 --> 00:08:13,860

like Jimmy semivans told

235

00:08:18,350 --> 00:08:15,240

um

236

00:08:19,670 --> 00:08:18,360

my friend Chris Bledsoe he said to him

237

00:08:20,869 --> 00:08:19,680

because he goes to his birthday every

238

00:08:21,950 --> 00:08:20,879

birthday party every year and they're

239

00:08:24,409 --> 00:08:21,960

very close friends because they're both

240

00:08:26,390 --> 00:08:24,419

experiencers and he said to Chris and

241

00:08:28,610 --> 00:08:26,400

his family he said if we wanted you dead

242

00:08:30,110 --> 00:08:28,620

you would have been dead 10 years ago we

243

00:08:31,249 --> 00:08:30,120

don't do that kind of stuff anymore and

244

00:08:33,110 --> 00:08:31,259

that's been my experience like people

245

00:08:34,730 --> 00:08:33,120

say oh that you know the the CIA and I

246

00:08:36,949 --> 00:08:34,740

said well take a look at me I'm a

247

00:08:39,949 --> 00:08:36,959

Canadian I mean I don't even have a

248

00:08:41,029 --> 00:08:39,959

constitutional uh position where I'm

249

00:08:43,010 --> 00:08:41,039

being protected like in the United

250

00:08:44,449 --> 00:08:43,020

States you can't like if you're CIA you

251  
00:08:45,949 --> 00:08:44,459  
can't engage with the American people

252  
00:08:47,750 --> 00:08:45,959  
and all those kind of stuff and people

253  
00:08:49,250 --> 00:08:47,760  
have all these Amendment rights you know

254  
00:08:50,810 --> 00:08:49,260  
the first second Fourth Amendment and

255  
00:08:52,730 --> 00:08:50,820  
everybody knows their their rights and

256  
00:08:53,990 --> 00:08:52,740  
all this kind of stuff and in Canada I

257  
00:08:56,269 --> 00:08:54,000  
mean they could take me out anytime they

258  
00:08:58,250 --> 00:08:56,279  
want and and and it would be totally

259  
00:09:00,710 --> 00:08:58,260  
legal yeah I'm a non I'm a foreign

260  
00:09:02,389 --> 00:09:00,720  
National and I'm a foreign spy and stuff

261  
00:09:03,949 --> 00:09:02,399  
and so they could take me out and I said

262  
00:09:05,509 --> 00:09:03,959  
I've gone after the president of the

263  
00:09:07,610 --> 00:09:05,519

United States the highest level guy

264

00:09:09,590 --> 00:09:07,620

there is and it went after all the the

265

00:09:11,810 --> 00:09:09,600

intelligence people like kit green and

266

00:09:13,490 --> 00:09:11,820

and Ron pandolfi and all these guys and

267

00:09:15,470 --> 00:09:13,500

I talked openly about them and I exposed

268

00:09:16,910 --> 00:09:15,480

them and Ron was very upset a couple of

269

00:09:18,650 --> 00:09:16,920

times when I got the a video about him

270

00:09:20,150 --> 00:09:18,660

talking about the portal I mean they've

271

00:09:22,310 --> 00:09:20,160

been very upset

272

00:09:24,110 --> 00:09:22,320

but again I mean if they haven't taken

273

00:09:26,990 --> 00:09:24,120

me out as a foreign National if you're

274

00:09:28,250 --> 00:09:27,000

an American I mean it's pretty a little

275

00:09:29,210 --> 00:09:28,260

bit harder for them to take you up

276

00:09:30,889 --> 00:09:29,220

because you've got these all these

277

00:09:32,750 --> 00:09:30,899

constitutional rights and the government

278

00:09:35,269 --> 00:09:32,760

always has to wonder is it worth taking

279

00:09:36,470 --> 00:09:35,279

this person out if this gets revealed

280

00:09:37,670 --> 00:09:36,480

the whole government will fall and then

281

00:09:39,650 --> 00:09:37,680

they say well no it's not really worth

282

00:09:41,990 --> 00:09:39,660

that that thing so they always weigh the

283

00:09:43,730 --> 00:09:42,000

the you know what it's worth versus the

284

00:09:46,130 --> 00:09:43,740

the potential costs

285

00:09:47,870 --> 00:09:46,140

right and there's kind of like uh you

286

00:09:50,030 --> 00:09:47,880

know the whistleblowers that we're

287

00:09:51,829 --> 00:09:50,040

expecting to come out do you know of any

288

00:09:53,930 --> 00:09:51,839

that you know do we have a list of

289

00:09:55,910 --> 00:09:53,940

people coming out or is it a very short

290

00:09:57,889 --> 00:09:55,920

list of whistleblowers you think are

291

00:10:00,290 --> 00:09:57,899

going to come out well that's my that's

292

00:10:01,910 --> 00:10:00,300

my thing that I'm I'm I differ a little

293

00:10:03,170 --> 00:10:01,920

bit on the people on disclosure I'm

294

00:10:05,690 --> 00:10:03,180

actually going to write an article like

295

00:10:07,730 --> 00:10:05,700

a sort of an article about

296

00:10:10,370 --> 00:10:07,740

um sort of against disclosure because we

297

00:10:12,650 --> 00:10:10,380

we dealt with in that area 51 government

298

00:10:15,110 --> 00:10:12,660

informant book we dealt with Dr Eric

299

00:10:16,610 --> 00:10:15,120

Walker and he was a guy who knew exactly

300

00:10:17,990 --> 00:10:16,620

what was going on he had 14 honorary

301  
00:10:19,250 --> 00:10:18,000  
doctorate degrees he was the chairman of

302  
00:10:22,130 --> 00:10:19,260  
the board of the institute for defense

303  
00:10:23,389 --> 00:10:22,140  
analysis and that's where uh Bob McGuire

304  
00:10:25,370 --> 00:10:23,399  
comes from if you ever talk to Bob

305  
00:10:28,190 --> 00:10:25,380  
McGuire I mean this is everything was

306  
00:10:30,170 --> 00:10:28,200  
top secret and and higher in in this um

307  
00:10:31,430 --> 00:10:30,180  
in this organization this is the top

308  
00:10:33,290 --> 00:10:31,440  
military think tank for the United

309  
00:10:34,850 --> 00:10:33,300  
States and Walker used to challenge us

310  
00:10:37,370 --> 00:10:34,860  
all the time he said so what do you want

311  
00:10:39,230 --> 00:10:37,380  
to know for it's just curiosity admit it

312  
00:10:40,910 --> 00:10:39,240  
all it is is curiosity that's the only

313  
00:10:43,009 --> 00:10:40,920

reason you want to know and that when

314

00:10:44,990 --> 00:10:43,019

you look at it that's actually true the

315

00:10:46,730 --> 00:10:45,000

people most people it's just like a new

316

00:10:48,710 --> 00:10:46,740

story let's let's get a new story let's

317

00:10:50,870 --> 00:10:48,720

get the truths and stuff like that and

318

00:10:53,090 --> 00:10:50,880

he said why should we change the rules

319

00:10:56,210 --> 00:10:53,100

to satisfy your curiosity this is back

320

00:10:58,370 --> 00:10:56,220

in 1991 1990 and so from then on I

321

00:11:00,110 --> 00:10:58,380

always realized they have rules there's

322

00:11:01,310 --> 00:11:00,120

uh they're actually the government is

323

00:11:03,530 --> 00:11:01,320

sort of controlling this thing there are

324

00:11:05,150 --> 00:11:03,540

rules as to how this this situation is

325

00:11:06,769 --> 00:11:05,160

being held now it's being held sort of

326

00:11:09,290 --> 00:11:06,779

outside the government and and this sort

327

00:11:11,509 --> 00:11:09,300

of thing but what's I think is going to

328

00:11:12,710 --> 00:11:11,519

happen like people say well okay we want

329

00:11:13,970 --> 00:11:12,720

disclosure and say well what do you mean

330

00:11:15,350 --> 00:11:13,980

by Disclosure what the government says

331

00:11:18,350 --> 00:11:15,360

Okay so the government has already come

332

00:11:19,850 --> 00:11:18,360

out and said yeah UFOs exist and where

333

00:11:21,530 --> 00:11:19,860

do we go from here and people are

334

00:11:23,230 --> 00:11:21,540

waiting for them to say you know what

335

00:11:25,430 --> 00:11:23,240

the crafts made out of How It's

336

00:11:26,870 --> 00:11:25,440

propulsion has done and I said what do

337

00:11:28,310 --> 00:11:26,880

you know now after the Congressional

338

00:11:30,170 --> 00:11:28,320

hearings that you did not know before

339

00:11:31,910 --> 00:11:30,180

this Congressional hearing things and

340

00:11:33,290 --> 00:11:31,920

the answer is absolutely nothing you

341

00:11:35,870 --> 00:11:33,300

know that they have a report and there

342

00:11:37,550 --> 00:11:35,880

was 144 sightings and one of them was

343

00:11:39,410 --> 00:11:37,560

identified as a natural phenomena and

344

00:11:41,030 --> 00:11:39,420

the other 43 we can't tell you 143 we

345

00:11:42,889 --> 00:11:41,040

can't tell you about it's all happening

346

00:11:45,470 --> 00:11:42,899

behind closed doors and people forget

347

00:11:47,389 --> 00:11:45,480

this is is that this may not come out

348

00:11:50,389 --> 00:11:47,399

it'll be held in so people are all

349

00:11:52,009 --> 00:11:50,399

supporting this and these guys are

350

00:11:53,150 --> 00:11:52,019

getting money but the guys that are

351

00:11:54,650 --> 00:11:53,160

getting the money are going to be in the

352

00:11:56,389 --> 00:11:54,660

black world so all we're doing is

353

00:11:58,310 --> 00:11:56,399

subsidizing the black world it's almost

354

00:11:59,750 --> 00:11:58,320

like they can't get the answers because

355

00:12:01,430 --> 00:11:59,760

there's this um

356

00:12:02,930 --> 00:12:01,440

the idea if you've if you're familiar

357

00:12:04,850 --> 00:12:02,940

with the Wilson leaked document that I

358

00:12:06,530 --> 00:12:04,860

leaked the Wilson League document at the

359

00:12:08,329 --> 00:12:06,540

very end it says

360

00:12:09,170 --> 00:12:08,339

um we have a craft and we think it'll

361

00:12:11,690 --> 00:12:09,180

fly

362

00:12:13,009 --> 00:12:11,700

and so when I saw that I said oh I know

363

00:12:14,449 --> 00:12:13,019

exactly what that means they've got a

364

00:12:15,889 --> 00:12:14,459

craft that's completely intact and they

365

00:12:17,630 --> 00:12:15,899

can't they can't make it go they can't

366

00:12:20,090 --> 00:12:17,640

make it take off because it has to have

367

00:12:22,370 --> 00:12:20,100

a Consciousness interface I'm about to

368

00:12:24,530 --> 00:12:22,380

drop a box a book I think it may

369

00:12:28,250 --> 00:12:24,540

actually be up on Kindle today and it's

370

00:12:30,889 --> 00:12:28,260

it's called UFO Sky pilots and I ran

371

00:12:32,150 --> 00:12:30,899

into one woman in 2013 who claimed she'd

372

00:12:33,350 --> 00:12:32,160

flown the craft and I thought she was

373

00:12:35,449 --> 00:12:33,360

absolutely insane like why would the

374

00:12:37,250 --> 00:12:35,459

like 75 year old lady fly the crop this

375

00:12:38,269 --> 00:12:37,260

was insane I was ready to throw her out

376

00:12:39,410 --> 00:12:38,279

of the house I couldn't believe she was

377

00:12:40,550 --> 00:12:39,420

talking about it and then all these

378

00:12:42,590 --> 00:12:40,560

people started coming to me one after

379

00:12:45,170 --> 00:12:42,600

another after another after another and

380

00:12:46,970 --> 00:12:45,180

they they came to me and they

381

00:12:48,769 --> 00:12:46,980

um told me these stories of flying the

382

00:12:51,710 --> 00:12:48,779

Craftsman so I put 36 of them in the

383

00:12:54,290 --> 00:12:51,720

book and this includes like a 747 United

384

00:12:56,030 --> 00:12:54,300

Airlines pilot includes a U.S Air Force

385

00:12:57,590 --> 00:12:56,040

retired Colonel uh and everybody's

386

00:12:58,850 --> 00:12:57,600

saying the same thing and it has to do

387

00:13:00,530 --> 00:12:58,860

this Consciousness interface it's

388

00:13:02,690 --> 00:13:00,540

conscious Consciousness is how this

389

00:13:05,210 --> 00:13:02,700

thing is is propelled that's how they

390

00:13:06,710 --> 00:13:05,220

they move it around and uh the craft is

391

00:13:08,930 --> 00:13:06,720

alive and you become one with the craft

392

00:13:13,250 --> 00:13:08,940

and all these these kind of things and

393

00:13:15,170 --> 00:13:13,260

so when I um I went down this road I

394

00:13:17,750 --> 00:13:15,180

realized that the government didn't have

395

00:13:19,430 --> 00:13:17,760

that connection so what's happening if

396

00:13:20,690 --> 00:13:19,440

you hear listen to Eric Davis who I say

397

00:13:22,190 --> 00:13:20,700

is the main witness if you talk about

398

00:13:24,590 --> 00:13:22,200

whistleblowers all you need is Eric

399

00:13:27,050 --> 00:13:24,600

Davis to go out there and testify this

400

00:13:28,250 --> 00:13:27,060

guy knows he spent his whole life trying

401  
00:13:29,930 --> 00:13:28,260  
to figure out what was going on in the

402  
00:13:31,370 --> 00:13:29,940  
black world and he will tell what he

403  
00:13:34,430 --> 00:13:31,380  
knows and it's it's pretty significant

404  
00:13:36,829 --> 00:13:34,440  
or Hell put off and so

405  
00:13:39,470 --> 00:13:36,839  
um I what I say is going to happen is

406  
00:13:41,389 --> 00:13:39,480  
that uh the black world can't figure out

407  
00:13:44,090 --> 00:13:41,399  
a lot of this stuff and they they it's

408  
00:13:46,129 --> 00:13:44,100  
all stove piped so they they have this

409  
00:13:47,810 --> 00:13:46,139  
classification problem of you you don't

410  
00:13:49,430 --> 00:13:47,820  
see my part I don't see your part and

411  
00:13:50,930 --> 00:13:49,440  
nobody talks to each other and stuff so

412  
00:13:52,670 --> 00:13:50,940  
if you move it into the white world then

413  
00:13:54,350 --> 00:13:52,680

all the lead scientists in the world are

414

00:13:55,490 --> 00:13:54,360

going to work on it and all that stuff's

415

00:13:57,829 --> 00:13:55,500

going to filter black into the back

416

00:13:59,509 --> 00:13:57,839

black world and they're going to build

417

00:14:01,009 --> 00:13:59,519

whatever they want they're they're stuck

418

00:14:02,210 --> 00:14:01,019

they need the white world so they're

419

00:14:03,410 --> 00:14:02,220

they're getting this money and that's

420

00:14:04,910 --> 00:14:03,420

exactly what happened they're getting

421

00:14:06,590 --> 00:14:04,920

this funding the money from Congress

422

00:14:08,690 --> 00:14:06,600

they're getting this stuff but it's all

423

00:14:10,610 --> 00:14:08,700

again it's all behind closed doors so

424

00:14:12,050 --> 00:14:10,620

the Congress will know that it's under

425

00:14:13,490 --> 00:14:12,060

control and that there's this stuff but

426

00:14:15,769 --> 00:14:13,500

it's all going to be classified because

427

00:14:17,750 --> 00:14:15,779

weapon Secrets as I pointed out right

428

00:14:20,090 --> 00:14:17,760

from the word go I wrote my first book

429

00:14:21,889 --> 00:14:20,100

back in 1990 and I've said it right from

430

00:14:23,870 --> 00:14:21,899

the word go that the the number one

431

00:14:26,569 --> 00:14:23,880

thing for the black world and for the

432

00:14:29,629 --> 00:14:26,579

military is a thing called lead time on

433

00:14:31,610 --> 00:14:29,639

weapons so if you build atomic bomb and

434

00:14:33,530 --> 00:14:31,620

you're two weeks ahead of their the

435

00:14:34,670 --> 00:14:33,540

Japanese in building the atomic bomb and

436

00:14:36,350 --> 00:14:34,680

you use the atomic bomb it's over

437

00:14:38,629 --> 00:14:36,360

because Japanese haven't got time to

438

00:14:39,829 --> 00:14:38,639

respond so then we go to the emperor and

439

00:14:40,910 --> 00:14:39,839

say oh man you're dropping these atomic

440

00:14:42,110 --> 00:14:40,920

bombs on us what are we going to do and

441

00:14:43,610 --> 00:14:42,120

then the emperor says oh I'll build an

442

00:14:45,230 --> 00:14:43,620

atomic bomb we'll go drop it on them I

443

00:14:46,550 --> 00:14:45,240

was losing their taken you so well I

444

00:14:48,230 --> 00:14:46,560

don't know seven or eight years you

445

00:14:49,970 --> 00:14:48,240

haven't got seven and that says lead

446

00:14:52,370 --> 00:14:49,980

time if you're even if you're one day

447

00:14:53,509 --> 00:14:52,380

ahead of the opposition in developing so

448

00:14:55,250 --> 00:14:53,519

it's always got to do with this lead

449

00:14:56,750 --> 00:14:55,260

time that you're you're you're trying to

450

00:14:59,210 --> 00:14:56,760

get ahead of the opposition and you may

451  
00:15:01,069 --> 00:14:59,220  
not use the weapon and the the the the

452  
00:15:03,350 --> 00:15:01,079  
excuse they'll always use for clipping

453  
00:15:04,310 --> 00:15:03,360  
keeping this classified is that we don't

454  
00:15:06,230 --> 00:15:04,320  
want to give it to the Russians don't

455  
00:15:07,670 --> 00:15:06,240  
want to give it to Chinese and when it's

456  
00:15:08,990 --> 00:15:07,680  
the time is right we'll give it to the

457  
00:15:11,990 --> 00:15:09,000  
the public and the one they always point

458  
00:15:13,970 --> 00:15:12,000  
point out is GPS GPS used to be

459  
00:15:15,769 --> 00:15:13,980  
classified US military and then we

460  
00:15:17,389 --> 00:15:15,779  
handed it off and you guys got to

461  
00:15:19,430 --> 00:15:17,399  
benefit from it but we get to use it

462  
00:15:20,990 --> 00:15:19,440  
first so we get to develop bombs and

463  
00:15:22,490 --> 00:15:21,000

whatever we're going to do with it and

464

00:15:24,470 --> 00:15:22,500

then we'll spin off the stuff into

465

00:15:25,790 --> 00:15:24,480

technology and a lot of the guys you're

466

00:15:28,610 --> 00:15:25,800

asking about whistleblowers a lot of the

467

00:15:32,170 --> 00:15:28,620

guys are guys like um Gary Nolan has got

468

00:15:35,269 --> 00:15:32,180

whatever 50 patents 40 patents whatever

469

00:15:36,530 --> 00:15:35,279

Timothy Taylor's got 40 patents uh Eric

470

00:15:38,090 --> 00:15:36,540

Davis I don't know if he's got any

471

00:15:39,590 --> 00:15:38,100

patents help put us probably got a

472

00:15:41,150 --> 00:15:39,600

couple of patents and so if you're in

473

00:15:43,610 --> 00:15:41,160

the background and you're in this

474

00:15:45,050 --> 00:15:43,620

invisible College are you gonna give

475

00:15:46,069 --> 00:15:45,060

this thing up or are you going to sit

476

00:15:47,509 --> 00:15:46,079

there and wait for the information so

477

00:15:48,889 --> 00:15:47,519

you can follow the patent and be a

478

00:15:50,210 --> 00:15:48,899

multi-millionaire and live on the top of

479

00:15:51,769 --> 00:15:50,220

the hill and so there's all these

480

00:15:54,470 --> 00:15:51,779

different reasons why these guys will be

481

00:15:56,269 --> 00:15:54,480

sitting in the background and uh not

482

00:15:58,730 --> 00:15:56,279

disclosing I don't think the one of of

483

00:16:00,530 --> 00:15:58,740

ridicule is any more because that was

484

00:16:03,350 --> 00:16:00,540

when I started in the 75 that was a big

485

00:16:04,970 --> 00:16:03,360

thing was the ridicule but since the New

486

00:16:06,470 --> 00:16:04,980

York Times article which I was totally

487

00:16:08,810 --> 00:16:06,480

surprised I never believed it would

488

00:16:10,009 --> 00:16:08,820

happen uh I used to say disclosure he

489

00:16:12,889 --> 00:16:10,019

used to tell Steve Bassett the

490

00:16:14,329 --> 00:16:12,899

disclosure to 2042 if you're lucky I

491

00:16:16,370 --> 00:16:14,339

mean they're never going to let it no

492

00:16:18,889 --> 00:16:16,380

way but what they've done and I've done

493

00:16:20,930 --> 00:16:18,899

two books I did the the well two at

494

00:16:22,910 --> 00:16:20,940

least two books I did the one uh UFOs

495

00:16:25,250 --> 00:16:22,920

Area 51 in government performance and

496

00:16:26,990 --> 00:16:25,260

also managing magic and both those books

497

00:16:29,389 --> 00:16:27,000

talk about how the government has been

498

00:16:31,490 --> 00:16:29,399

leaking material and you'll hear Chris

499

00:16:33,710 --> 00:16:31,500

melon Chris melon said this is absolute

500

00:16:35,569 --> 00:16:33,720

nonsense uh there's there's nobody

501

00:16:37,970 --> 00:16:35,579

leaking this breadcrumb thing this is

502

00:16:39,230 --> 00:16:37,980

totally insane uh this is bottom up this

503

00:16:41,090 --> 00:16:39,240

it's coming up from the bottom and

504

00:16:42,470 --> 00:16:41,100

forcing the government and in some ways

505

00:16:44,389 --> 00:16:42,480

some of the people are coming up from

506

00:16:45,710 --> 00:16:44,399

the bottom like Elizondo and melon and

507

00:16:47,269 --> 00:16:45,720

and they're forcing the government to do

508

00:16:49,189 --> 00:16:47,279

stuff but the idea that they're not

509

00:16:50,389 --> 00:16:49,199

dropping stuff is absolutely insane all

510

00:16:52,850 --> 00:16:50,399

you have to do is take a look at Tom

511

00:16:54,470 --> 00:16:52,860

Delong going into a Lockheed skiff and

512

00:16:56,269 --> 00:16:54,480

and they was talking to him and he's

513

00:16:57,769 --> 00:16:56,279

saying oh I can get to this to the young

514

00:16:59,870 --> 00:16:57,779

people you can't get to see young people

515

00:17:01,310 --> 00:16:59,880

your your message is being missed or

516

00:17:03,710 --> 00:17:01,320

whatever and then they sit there and

517

00:17:05,390 --> 00:17:03,720

then the guy says okay introduce them to

518

00:17:07,010 --> 00:17:05,400

the general and that that's the thing so

519

00:17:08,809 --> 00:17:07,020

then he gets he didn't find those guys

520

00:17:10,130 --> 00:17:08,819

everybody has Tom DeLonge did this whole

521

00:17:12,169 --> 00:17:10,140

thing he built this thing no he didn't

522

00:17:13,730 --> 00:17:12,179

he he the first thing they sent him to

523

00:17:15,590 --> 00:17:13,740

these two intelligence guys outside the

524

00:17:16,909 --> 00:17:15,600

Pentagon in Pentagon City and that's

525

00:17:18,949 --> 00:17:16,919

where the big meeting took place with

526

00:17:22,309 --> 00:17:18,959

Leslie Kane the same day that Elizondo

527

00:17:24,350 --> 00:17:22,319

retired uh unless he can't help it off

528

00:17:26,449 --> 00:17:24,360

um all these uh Jim semi van they were

529

00:17:27,829 --> 00:17:26,459

all in the room with with Elizondo and

530

00:17:29,930 --> 00:17:27,839

they made this plan that they were gonna

531

00:17:31,430 --> 00:17:29,940

drop this video and they got the video

532

00:17:33,530 --> 00:17:31,440

out and I always say how do you get the

533

00:17:35,450 --> 00:17:33,540

video out how did they get the video out

534

00:17:37,370 --> 00:17:35,460

you can't just it's like the the whole

535

00:17:39,710 --> 00:17:37,380

Trump thing you can't because you've got

536

00:17:41,270 --> 00:17:39,720

it in your possession it may be nine

537

00:17:42,770 --> 00:17:41,280

tenths of the law but it only the

538

00:17:44,930 --> 00:17:42,780

government owns it you can't walk away

539

00:17:46,669 --> 00:17:44,940

if you resign like Elizondo and say I'm

540

00:17:48,110 --> 00:17:46,679

disgusted with how UFOs are being held

541

00:17:50,029 --> 00:17:48,120

and I'm just resigning they don't give

542

00:17:51,049 --> 00:17:50,039

you videos for a goodbye president those

543

00:17:52,789 --> 00:17:51,059

are it doesn't matter whether they're

544

00:17:54,350 --> 00:17:52,799

classified unclassified they still

545

00:17:55,789 --> 00:17:54,360

belong to the government and how did

546

00:17:57,890 --> 00:17:55,799

they get them out and now they're

547

00:17:59,330 --> 00:17:57,900

actually admitted that somebody helped

548

00:18:01,250 --> 00:17:59,340

them sneak them out and they gave them

549

00:18:03,230 --> 00:18:01,260

to the New York Times so that disclosure

550

00:18:04,370 --> 00:18:03,240

took place and now people ask me well

551  
00:18:05,630 --> 00:18:04,380  
when do you think the ultimate

552  
00:18:06,650 --> 00:18:05,640  
disclosure will take place I said I

553  
00:18:08,570 --> 00:18:06,660  
wouldn't be surprised if it happens this

554  
00:18:09,950 --> 00:18:08,580  
afternoon because I was so wrong on this

555  
00:18:10,850 --> 00:18:09,960  
thing I never believed they would do

556  
00:18:13,789 --> 00:18:10,860  
this

557  
00:18:14,990 --> 00:18:13,799  
thing but they're keeping control of the

558  
00:18:17,390 --> 00:18:15,000  
story you don't want to Spill the milk

559  
00:18:19,549 --> 00:18:17,400  
so you you go back and you see Disney

560  
00:18:22,190 --> 00:18:19,559  
was approached to do UFO documentaries

561  
00:18:24,950 --> 00:18:22,200  
my friend Bob animator was posted in in

562  
00:18:27,650 --> 00:18:24,960  
uh he didn't believe it he you know the

563  
00:18:30,169 --> 00:18:27,660

guy said you know uh I want you to do a

564

00:18:33,169 --> 00:18:30,179

UFO uh documentary this is the head of

565

00:18:35,390 --> 00:18:33,179

security at Norton Air Force Base where

566

00:18:36,529 --> 00:18:35,400

all the films kept for the military and

567

00:18:38,390 --> 00:18:36,539

he said I want you to do these eight

568

00:18:40,669 --> 00:18:38,400

documentaries and then under it I want

569

00:18:41,870 --> 00:18:40,679

you to do this documentary on UFOs and I

570

00:18:43,789 --> 00:18:41,880

want you to hide it under the other

571

00:18:46,070 --> 00:18:43,799

eight documentaries and Alan Sadler and

572

00:18:47,750 --> 00:18:46,080

and emanager said what what do you mean

573

00:18:49,610 --> 00:18:47,760

and then Bob Emmanuel says what do you

574

00:18:51,049 --> 00:18:49,620

mean this is real he's he said I used to

575

00:18:52,250 --> 00:18:51,059

tell my wife quit reading that stuff in

576

00:18:54,110 --> 00:18:52,260

the National Enquirer about the alien

577

00:18:56,330 --> 00:18:54,120

had my baby this is absolute nonsense

578

00:18:58,010 --> 00:18:56,340

and then he said to to Charlotte he says

579

00:18:59,390 --> 00:18:58,020

I mean this is actually true there

580

00:19:00,950 --> 00:18:59,400

actually are and he said and then

581

00:19:02,450 --> 00:19:00,960

Charlotte says what right what would you

582

00:19:04,190 --> 00:19:02,460

say if I told you that there'd been a

583

00:19:05,450 --> 00:19:04,200

landing in Haldeman Air Force Base it

584

00:19:07,549 --> 00:19:05,460

was filmed from three different angles

585

00:19:09,289 --> 00:19:07,559

at six o'clock in the morning and uh

586

00:19:12,770 --> 00:19:09,299

we'll give you this film for the end of

587

00:19:13,909 --> 00:19:12,780

the documentary and uh the annicker is

588

00:19:15,529 --> 00:19:13,919

just blown away and they gave him the

589

00:19:16,909 --> 00:19:15,539

story about channeling the alien at the

590

00:19:19,549 --> 00:19:16,919

Pentagon we never knew that story in

591

00:19:21,169 --> 00:19:19,559

1959 and they gave them eight seconds of

592

00:19:23,029 --> 00:19:21,179

the film in the end the story was oh

593

00:19:24,529 --> 00:19:23,039

they took the film back we had to give

594

00:19:25,850 --> 00:19:24,539

back this film of this Landing that they

595

00:19:27,650 --> 00:19:25,860

filmed where these aliens come out and

596

00:19:28,970 --> 00:19:27,660

meet these generals and they all this

597

00:19:30,950 --> 00:19:28,980

sort of stuff and it's all caught on

598

00:19:32,810 --> 00:19:30,960

film and we had to give the film back

599

00:19:35,690 --> 00:19:32,820

and then I said to Bob at the end I said

600

00:19:37,490 --> 00:19:35,700

Bob you got eight seconds that film is

601  
00:19:40,190 --> 00:19:37,500  
in the film isn't that is that right and

602  
00:19:42,049 --> 00:19:40,200  
he said well yeah I thought you said

603  
00:19:43,310 --> 00:19:42,059  
they took the film back I mean you

604  
00:19:44,690 --> 00:19:43,320  
couldn't use it and it's like the old

605  
00:19:46,250 --> 00:19:44,700  
thing is disclosure and this is a

606  
00:19:48,169 --> 00:19:46,260  
gradual disclosure so he said well yeah

607  
00:19:50,090 --> 00:19:48,179  
there's eight seconds but it didn't show

608  
00:19:51,909 --> 00:19:50,100  
anything and it you could see this thing

609  
00:19:55,190 --> 00:19:51,919  
coming over the mountain coming in in

610  
00:19:56,750 --> 00:19:55,200  
daylight to land and it didn't show the

611  
00:19:57,770 --> 00:19:56,760  
aliens up close and it didn't show the

612  
00:19:58,909 --> 00:19:57,780  
craft and that would be the classified

613  
00:20:00,470 --> 00:19:58,919

part so they're given this little eight

614

00:20:02,510 --> 00:20:00,480

seconds and they put it in there they've

615

00:20:04,909 --> 00:20:02,520

been doing this in 83 emanager was

616

00:20:06,230 --> 00:20:04,919

approached again and and he said the

617

00:20:08,330 --> 00:20:06,240

government the government liked what you

618

00:20:09,710 --> 00:20:08,340

did in the 1970s they'd like you to do

619

00:20:12,409 --> 00:20:09,720

another documentary and they'd like to

620

00:20:15,770 --> 00:20:12,419

have a hell put on off not to help off

621

00:20:18,529 --> 00:20:15,780

um Jacques valet and uh jail and heineck

622

00:20:19,730 --> 00:20:18,539

involved and Heineken ballet canva thing

623

00:20:20,810 --> 00:20:19,740

they said Dragon Ball we know what

624

00:20:22,070 --> 00:20:20,820

happened in the hole in our first base

625

00:20:22,789 --> 00:20:22,080

film we're not getting involved in this

626

00:20:23,930 --> 00:20:22,799

thing they're just going to grab

627

00:20:26,630 --> 00:20:23,940

everything and pull it at the end and

628

00:20:30,409 --> 00:20:26,640

we're gonna look like fools and um so

629

00:20:32,990 --> 00:20:30,419

then emenegger immediately said is this

630

00:20:35,750 --> 00:20:33,000

is Reagan doing this because in he had

631

00:20:37,730 --> 00:20:35,760

known Holloman from the Nixon

632

00:20:40,789 --> 00:20:37,740

Administration and he knew the head of

633

00:20:42,529 --> 00:20:40,799

communications for Nixon so he had these

634

00:20:44,029 --> 00:20:42,539

inside people and the the head of

635

00:20:45,230 --> 00:20:44,039

communications for Nixon was watching

636

00:20:46,730 --> 00:20:45,240

this documentary every day he was

637

00:20:48,350 --> 00:20:46,740

phoning up how's the documentary coming

638

00:20:49,789 --> 00:20:48,360

and all that sort of stuff and he got a

639

00:20:52,250 --> 00:20:49,799

letter from Nixon at the very end which

640

00:20:53,870 --> 00:20:52,260

he still hasn't released he's still sort

641

00:20:55,430 --> 00:20:53,880

of claiming he doesn't have it that said

642

00:20:57,169 --> 00:20:55,440

thank you for your cooperation on the

643

00:20:59,510 --> 00:20:57,179

project we worked on and that was a

644

00:21:01,070 --> 00:20:59,520

signed letter from Richard Nixon so yeah

645

00:21:02,630 --> 00:21:01,080

the government is doing it they are

646

00:21:05,690 --> 00:21:02,640

leaking the stuff you can't have people

647

00:21:06,830 --> 00:21:05,700

back in 1947 in their intelligence even

648

00:21:08,870 --> 00:21:06,840

um if you I don't know if you followed

649

00:21:11,330 --> 00:21:08,880

the story of Chase Brandon he was a CIA

650

00:21:12,830 --> 00:21:11,340

guy who went uh he retired third it's

651  
00:21:14,390 --> 00:21:12,840  
always the retired like all these guys

652  
00:21:15,890 --> 00:21:14,400  
are retired Elizondo and all these guys

653  
00:21:17,750 --> 00:21:15,900  
and that's when they can sort of talk so

654  
00:21:18,770 --> 00:21:17,760  
they go on the contract and they're not

655  
00:21:20,210 --> 00:21:18,780  
really the government they're under

656  
00:21:22,310 --> 00:21:20,220  
contract and all assessments and stuff

657  
00:21:24,110 --> 00:21:22,320  
and so Chase Brandon wrote this book

658  
00:21:26,150 --> 00:21:24,120  
about how this how the CIA handled the

659  
00:21:28,250 --> 00:21:26,160  
Roswell crash and then he said it was

660  
00:21:29,810 --> 00:21:28,260  
reviewed eight times by the CIA and they

661  
00:21:31,730 --> 00:21:29,820  
made the change this change that you

662  
00:21:33,409 --> 00:21:31,740  
know change the names change the place

663  
00:21:34,669 --> 00:21:33,419

and all sort of stuff and then he got it

664

00:21:36,710 --> 00:21:34,679

he got it released and he said if he

665

00:21:38,029 --> 00:21:36,720

wanted a good read the book if you want

666

00:21:40,430 --> 00:21:38,039

to learn something read between the

667

00:21:42,830 --> 00:21:40,440

lines and he's and he was the head of in

668

00:21:44,930 --> 00:21:42,840

a CIA for for Hollywood so they do this

669

00:21:47,029 --> 00:21:44,940

on everything in Hollywood so if you're

670

00:21:50,390 --> 00:21:47,039

Chase Brandon your job is to go to

671

00:21:52,669 --> 00:21:50,400

Hollywood and say hey uh

672

00:21:55,610 --> 00:21:52,679

Jason I heard you're uh doing a uh

673

00:21:57,649 --> 00:21:55,620

documentary uh a film uh it involves the

674

00:21:59,870 --> 00:21:57,659

cia's involved in you got in them in the

675

00:22:01,909 --> 00:21:59,880

film yeah you ever been to the CIA no

676

00:22:03,230 --> 00:22:01,919

you like to go to the CI hey we'll take

677

00:22:04,430 --> 00:22:03,240

care we'll show you around we'll try and

678

00:22:05,990 --> 00:22:04,440

then what they're trying to do is not

679

00:22:07,370 --> 00:22:06,000

stop you from doing it they're trying to

680

00:22:08,810 --> 00:22:07,380

direct you in a certain direction they

681

00:22:10,070 --> 00:22:08,820

want this they want to spin it in a

682

00:22:11,149 --> 00:22:10,080

certain direction so they make friends

683

00:22:12,529 --> 00:22:11,159

with everybody in Hollywood and it

684

00:22:14,510 --> 00:22:12,539

happens all the time they need a couple

685

00:22:15,890 --> 00:22:14,520

of jets to say yeah okay we will give

686

00:22:17,750 --> 00:22:15,900

you a couple of jets for your film but

687

00:22:19,370 --> 00:22:17,760

you know uh could you do this and then

688

00:22:20,930 --> 00:22:19,380

and they get to review the script and

689

00:22:22,370 --> 00:22:20,940

and so the government is I don't care

690

00:22:24,169 --> 00:22:22,380

what nobody says the government is

691

00:22:25,909 --> 00:22:24,179

gradually releasing this stuff they're

692

00:22:28,490 --> 00:22:25,919

they're dropping this stuff and you see

693

00:22:29,870 --> 00:22:28,500

it over and over again and but yet melon

694

00:22:31,610 --> 00:22:29,880

is running around it's like nah but then

695

00:22:34,669 --> 00:22:31,620

that melon he was on Coast to Coast with

696

00:22:36,529 --> 00:22:34,679

me in 19 in 2016 and he said I could

697

00:22:39,409 --> 00:22:36,539

absolutely assure you there is no UFO

698

00:22:41,270 --> 00:22:39,419

cover-up there is no UFO investigation I

699

00:22:43,190 --> 00:22:41,280

had this big position if there was a

700

00:22:44,990 --> 00:22:43,200

cover-up I would have known about it I

701  
00:22:46,909 --> 00:22:45,000  
was at Area 51 he tells the whole story

702  
00:22:48,590 --> 00:22:46,919  
so I would have known and then now you

703  
00:22:50,330 --> 00:22:48,600  
know a year later suddenly he's on stage

704  
00:22:52,250 --> 00:22:50,340  
with Tom DeLong and like oh we're gonna

705  
00:22:54,169 --> 00:22:52,260  
least this government's covering up and

706  
00:22:55,250 --> 00:22:54,179  
stuff so he basically was out of the

707  
00:22:57,590 --> 00:22:55,260  
loop and they brought him back in the

708  
00:22:59,570 --> 00:22:57,600  
loop but again you even have the thing

709  
00:23:01,070 --> 00:22:59,580  
with um if you know the story of Jim

710  
00:23:02,690 --> 00:23:01,080  
semivan

711  
00:23:04,610 --> 00:23:02,700  
um if you ever get him on he's he's an

712  
00:23:06,950 --> 00:23:04,620  
interesting guy you you mentioned quite

713  
00:23:08,630 --> 00:23:06,960

a few names and pretty well all of them

714

00:23:10,730 --> 00:23:08,640

with the exception of how put off we've

715

00:23:13,250 --> 00:23:10,740

had on the show so Leslie Kane Jacques

716

00:23:15,230 --> 00:23:13,260

valet Jim semivan uh you know George

717

00:23:17,149 --> 00:23:15,240

Knapp all these guys talking about and

718

00:23:19,490 --> 00:23:17,159

we asked them the same thing about the

719

00:23:22,010 --> 00:23:19,500

Tic Tac video George Knapp had done a

720

00:23:23,690 --> 00:23:22,020

lot of preliminary work before that and

721

00:23:25,070 --> 00:23:23,700

then he basically said yeah if it didn't

722

00:23:26,870 --> 00:23:25,080

go through Tom DeLong and they didn't

723

00:23:28,730 --> 00:23:26,880

have that media exposure they weren't

724

00:23:30,230 --> 00:23:28,740

going to run the story Leslie Kane

725

00:23:31,730 --> 00:23:30,240

corroborated the same thing as she was

726

00:23:33,649 --> 00:23:31,740

on last week she's a New York Times

727

00:23:36,770 --> 00:23:33,659

Reporter yeah and was part of that right

728

00:23:39,110 --> 00:23:36,780

so and Jim semivan is a former CIA spy

729

00:23:41,930 --> 00:23:39,120

so we're asking him like man give us the

730

00:23:43,370 --> 00:23:41,940

goods and basically to sum it all up a

731

00:23:45,289 --> 00:23:43,380

lot of these comments we get from people

732

00:23:46,850 --> 00:23:45,299

are like you know the government's in on

733

00:23:49,669 --> 00:23:46,860

it or there's some type of Nefarious

734

00:23:50,990 --> 00:23:49,679

agenda maybe maybe back in the day they

735

00:23:52,789 --> 00:23:51,000

handled things different early maybe

736

00:23:55,190 --> 00:23:52,799

there was a real risk of getting shot or

737

00:23:56,750 --> 00:23:55,200

disappearing as you said you know they

738

00:23:59,330 --> 00:23:56,760

don't quite do things the same anymore

739

00:24:00,830 --> 00:23:59,340

they've kind of evolved and you know you

740

00:24:02,270 --> 00:24:00,840

can't really make people disappear and

741

00:24:03,890 --> 00:24:02,280

maybe they never did maybe they did

742

00:24:05,870 --> 00:24:03,900

Richard Doty makes it that much more

743

00:24:07,370 --> 00:24:05,880

confusing right yeah yeah but to sum it

744

00:24:09,529 --> 00:24:07,380

up all these people we talked to all

745

00:24:11,330 --> 00:24:09,539

basically said the same thing yes the

746

00:24:13,669 --> 00:24:11,340

government knows yes they've always

747

00:24:15,169 --> 00:24:13,679

known uh you know they've done projects

748

00:24:17,149 --> 00:24:15,179

to kind of give out a little bit but

749

00:24:18,590 --> 00:24:17,159

really not give it out and you know

750

00:24:20,510 --> 00:24:18,600

Stephen Bassett was another name you

751  
00:24:21,770 --> 00:24:20,520  
brought up we asked him and he said the

752  
00:24:24,049 --> 00:24:21,780  
same thing if you're never going to get

753  
00:24:26,090 --> 00:24:24,059  
it like they already know it's not like

754  
00:24:27,710 --> 00:24:26,100  
you know and maybe that makes sense why

755  
00:24:29,149 --> 00:24:27,720  
Jacques Valley says hey I go to this

756  
00:24:30,409 --> 00:24:29,159  
Consortium the Americans aren't there

757  
00:24:32,210 --> 00:24:30,419  
why are you going to show up because

758  
00:24:33,830 --> 00:24:32,220  
then you have to comment if you already

759  
00:24:35,330 --> 00:24:33,840  
know this is legit and real and

760  
00:24:36,950 --> 00:24:35,340  
happening you're just gonna say yeah no

761  
00:24:38,810 --> 00:24:36,960  
we're good because you don't want to

762  
00:24:41,330 --> 00:24:38,820  
have to go there and make any statements

763  
00:24:43,490 --> 00:24:41,340

on this uh and and for the people that

764

00:24:45,770 --> 00:24:43,500

are very like government conspiracy

765

00:24:47,090 --> 00:24:45,780

minded you brought up a great Point some

766

00:24:49,549 --> 00:24:47,100

of these people that are in these

767

00:24:51,830 --> 00:24:49,559

positions of power have patents and have

768

00:24:53,570 --> 00:24:51,840

businesses and and it's about making

769

00:24:55,250 --> 00:24:53,580

money as well so it's not that they want

770

00:24:57,470 --> 00:24:55,260

to hide this secret and use it for their

771

00:24:59,390 --> 00:24:57,480

own technology but really the military

772

00:25:01,070 --> 00:24:59,400

is going to gonna take it before anybody

773

00:25:02,930 --> 00:25:01,080

gets their hands on it they're going to

774

00:25:05,510 --> 00:25:02,940

put bombs on spaceships before they find

775

00:25:06,890 --> 00:25:05,520

a cure for cancer or let us have it you

776

00:25:08,570 --> 00:25:06,900

know it's always going to be a

777

00:25:11,330 --> 00:25:08,580

military-based thing that's just the

778

00:25:13,850 --> 00:25:11,340

nature of who we are but it may not be

779

00:25:15,890 --> 00:25:13,860

as evil as some people think and it may

780

00:25:18,169 --> 00:25:15,900

not be total nonsense like other people

781

00:25:19,909 --> 00:25:18,179

think it's definitely in between and

782

00:25:21,950 --> 00:25:19,919

every big name Person we've ever had on

783

00:25:23,510 --> 00:25:21,960

this show we asked they all have the

784

00:25:25,610 --> 00:25:23,520

same thing in common and they know

785

00:25:27,950 --> 00:25:25,620

they're on the inside yeah I would say

786

00:25:30,710 --> 00:25:27,960

the Insiders are are the the if there's

787

00:25:32,930 --> 00:25:30,720

ever a cabal it's it's big money it's

788

00:25:34,850 --> 00:25:32,940

big big business because I mean you get

789

00:25:36,649 --> 00:25:34,860

a situation where

790

00:25:37,850 --> 00:25:36,659

um you know some billionaire comes in

791

00:25:39,529 --> 00:25:37,860

like with the what is it the Wisconsin

792

00:25:42,110 --> 00:25:39,539

he came in and dropped 10 million

793

00:25:43,850 --> 00:25:42,120

dollars into this campaign I mean 10

794

00:25:45,529 --> 00:25:43,860

million you got to pay this guy back and

795

00:25:48,289 --> 00:25:45,539

that's how it works whoever's financing

796

00:25:49,909 --> 00:25:48,299

your campaign you have to back so these

797

00:25:52,370 --> 00:25:49,919

big business guys they're throwing piles

798

00:25:54,649 --> 00:25:52,380

of money and this thing and um you know

799

00:25:55,669 --> 00:25:54,659

you'd vote for it's the same sort of

800

00:25:57,049 --> 00:25:55,679

thing you're going to get an advantage

801  
00:25:58,610 --> 00:25:57,059  
the same as if you're a big money guy

802  
00:26:00,169 --> 00:25:58,620  
and you get somebody who's going to cut

803  
00:26:01,490 --> 00:26:00,179  
taxes for the rich well of course you're

804  
00:26:03,289 --> 00:26:01,500  
going to drop 10 million to make sure

805  
00:26:04,370 --> 00:26:03,299  
those guys get control of the senate in

806  
00:26:05,390 --> 00:26:04,380  
the United States the rule I said

807  
00:26:06,830 --> 00:26:05,400  
there's only three rules in the United

808  
00:26:08,269 --> 00:26:06,840  
States there's money money and money

809  
00:26:10,070 --> 00:26:08,279  
those are the three top rules in the

810  
00:26:11,810 --> 00:26:10,080  
United States and it's all worked on

811  
00:26:13,490 --> 00:26:11,820  
who's your friend and who's got the

812  
00:26:14,630 --> 00:26:13,500  
money and the government's changing and

813  
00:26:16,130 --> 00:26:14,640

they always want to play this game you

814

00:26:17,690 --> 00:26:16,140

know like the president's stupid he

815

00:26:19,610 --> 00:26:17,700

doesn't know what's going on with UFOs

816

00:26:20,990 --> 00:26:19,620

oh you know he's a he's an idiot and

817

00:26:22,730 --> 00:26:21,000

stuff and it's what you said this thing

818

00:26:24,950 --> 00:26:22,740

when you go to Europe you have possible

819

00:26:26,330 --> 00:26:24,960

deniability where you say you know if

820

00:26:28,850 --> 00:26:26,340

you need to be briefed we'll tell you

821

00:26:31,010 --> 00:26:28,860

but otherwise and Obama went looking for

822

00:26:33,110 --> 00:26:31,020

it and Clinton went looking for it and

823

00:26:34,669 --> 00:26:33,120

uh they they got some material but it's

824

00:26:37,370 --> 00:26:34,679

it's always this plausible and liability

825

00:26:38,810 --> 00:26:37,380

that if if you if somebody you stand up

826

00:26:40,250 --> 00:26:38,820

and you could ask a question you can say

827

00:26:41,450 --> 00:26:40,260

I don't know and they they want to

828

00:26:43,010 --> 00:26:41,460

protect us they make the president look

829

00:26:44,570 --> 00:26:43,020

like he's an idiot every President is

830

00:26:47,930 --> 00:26:44,580

known I've talked about this I even

831

00:26:49,549 --> 00:26:47,940

talked about uh a study I've been leaked

832

00:26:51,649 --> 00:26:49,559

a lot of documents the one I got was

833

00:26:53,149 --> 00:26:51,659

this this study for President Johnson

834

00:26:54,769 --> 00:26:53,159

Johnson looked like he was out of the

835

00:26:56,690 --> 00:26:54,779

loop and I got this whole study here

836

00:26:58,250 --> 00:26:56,700

that Johnson did and the guy was the guy

837

00:26:59,390 --> 00:26:58,260

that was in charge of the study was

838

00:27:02,570 --> 00:26:59,400

going to

839

00:27:04,669 --> 00:27:02,580

he dies and his his daughter gets hold

840

00:27:06,409 --> 00:27:04,679

of it and then somebody else gets copy

841

00:27:07,909 --> 00:27:06,419

and some photographs and then they send

842

00:27:09,769 --> 00:27:07,919

me the photographs of this I'm trying to

843

00:27:11,210 --> 00:27:09,779

get the whole manuscript but basically

844

00:27:13,070 --> 00:27:11,220

it's it's exactly what you see today

845

00:27:15,049 --> 00:27:13,080

it's no different it's like yeah UFOs

846

00:27:16,850 --> 00:27:15,059

exist and beyond that we haven't got a

847

00:27:18,830 --> 00:27:16,860

clue what's going on I mean yeah they're

848

00:27:20,390 --> 00:27:18,840

running the show and the same thing when

849

00:27:22,970 --> 00:27:20,400

you even see the people that they picked

850

00:27:25,310 --> 00:27:22,980

were basically the same people who are

851  
00:27:27,470 --> 00:27:25,320  
picked today they had the head of uh the

852  
00:27:29,450 --> 00:27:27,480  
head of the the weird desk at that time

853  
00:27:32,570 --> 00:27:29,460  
was was Arthur lundahl and now we've

854  
00:27:37,310 --> 00:27:32,580  
we've got uh rumored that uh

855  
00:27:39,169 --> 00:27:37,320  
uh Jim uh pandolf is involved you have

856  
00:27:41,210 --> 00:27:39,179  
um the head of Lockheed Skunk Works was

857  
00:27:43,310 --> 00:27:41,220  
involved in in the 19th in this Johnson

858  
00:27:44,649 --> 00:27:43,320  
study and here you have when when the

859  
00:27:47,750 --> 00:27:44,659  
the the

860  
00:27:49,430 --> 00:27:47,760  
documents leaked from uh Tom DeLonge you

861  
00:27:52,190 --> 00:27:49,440  
had Robert Weiss head of Lucky Skunk

862  
00:27:54,649 --> 00:27:52,200  
Works uh they had a in the 60s they had

863  
00:27:56,390 --> 00:27:54,659

a uh Tom DeLong had a two-star general

864

00:27:57,950 --> 00:27:56,400

at Ray Patterson Air Force Base they had

865

00:27:59,990 --> 00:27:57,960

a four-star general right better and it

866

00:28:01,909 --> 00:28:00,000

was the same list of characters and it's

867

00:28:03,230 --> 00:28:01,919

like they run that same pattern if you

868

00:28:04,730 --> 00:28:03,240

need to study then you need Lockheed

869

00:28:06,169 --> 00:28:04,740

Skunk Works and stuff and that may be

870

00:28:08,330 --> 00:28:06,179

one of the problems that you if you hear

871

00:28:10,010 --> 00:28:08,340

if you read between lines what Elizondo

872

00:28:12,110 --> 00:28:10,020

saying Alexander says well there's

873

00:28:14,450 --> 00:28:12,120

problems with the disclosure because you

874

00:28:16,850 --> 00:28:14,460

know maybe one company got something

875

00:28:18,590 --> 00:28:16,860

that another company may not have gotten

876

00:28:19,850 --> 00:28:18,600

and that's the kind of thing where if

877

00:28:22,010 --> 00:28:19,860

you really realize that they gave it to

878

00:28:23,570 --> 00:28:22,020

Lockheed Skunk Works and you know the

879

00:28:25,430 --> 00:28:23,580

the all these other companies that start

880

00:28:26,810 --> 00:28:25,440

to sue and say you gave them a special

881

00:28:28,789 --> 00:28:26,820

Advantage with government government

882

00:28:30,529 --> 00:28:28,799

money with taxpayer money and stuff like

883

00:28:32,510 --> 00:28:30,539

that so there's these issues but

884

00:28:34,789 --> 00:28:32,520

ultimately I cannot see them Disco

885

00:28:37,490 --> 00:28:34,799

closing anything beyond dropping little

886

00:28:40,430 --> 00:28:37,500

breadcrumbs as to what's going on

887

00:28:42,710 --> 00:28:40,440

because to them the military it's always

888

00:28:44,870 --> 00:28:42,720

going to be you need an enemy it's US

889

00:28:46,730 --> 00:28:44,880

versus them in the whole UFO Community I

890

00:28:48,590 --> 00:28:46,740

say that the UFO message is always

891

00:28:50,510 --> 00:28:48,600

Oneness all the beings there's always

892

00:28:52,669 --> 00:28:50,520

Oneness them it's always separation it's

893

00:28:54,769 --> 00:28:52,679

US versus them and the military will and

894

00:28:55,669 --> 00:28:54,779

that's how I can tell you this whole

895

00:28:57,289 --> 00:28:55,679

story if you want to hear the story

896

00:29:00,289 --> 00:28:57,299

about how the Canadian thing fell apart

897

00:29:03,710 --> 00:29:00,299

so we were negotiating I had made a I

898

00:29:05,390 --> 00:29:03,720

just got a brilliant idea that uh Dave

899

00:29:08,330 --> 00:29:05,400

Scott started this thing

900

00:29:09,890 --> 00:29:08,340

and one of the MPS that was the main guy

901  
00:29:12,950 --> 00:29:09,900  
who was involved was Larry McGuire who's

902  
00:29:15,710 --> 00:29:12,960  
out of Manitoba and I'm in Manitoba and

903  
00:29:17,750 --> 00:29:15,720  
um so McGuire and another guy I was

904  
00:29:19,850 --> 00:29:17,760  
asked by a big money business guy same

905  
00:29:22,490 --> 00:29:19,860  
thing big money business guy can you

906  
00:29:24,409 --> 00:29:22,500  
provide the Canadians documents from the

907  
00:29:25,730 --> 00:29:24,419  
1950s from Wilbur Smith for these guys I

908  
00:29:28,010 --> 00:29:25,740  
said yeah so I gave them a link on the

909  
00:29:29,330 --> 00:29:28,020  
internet on a OneDrive on my on my

910  
00:29:30,950 --> 00:29:29,340  
OneDrive and they could access all the

911  
00:29:32,810 --> 00:29:30,960  
documents or whatever and then a couple

912  
00:29:34,549 --> 00:29:32,820  
years later I hear Dave Scott talking

913  
00:29:36,409 --> 00:29:34,559

about Larry McGuire who wants to do

914

00:29:39,110 --> 00:29:36,419

something whatever and then I'm thinking

915

00:29:41,870 --> 00:29:39,120

to myself well I could get a panel of uh

916

00:29:43,789 --> 00:29:41,880

top government people and and

917

00:29:47,269 --> 00:29:43,799

um I heard there was more than one so I

918

00:29:49,789 --> 00:29:47,279

I approached McGuire's assistant who had

919

00:29:51,409 --> 00:29:49,799

contacted me a couple years ago and I

920

00:29:54,950 --> 00:29:51,419

said well if I put a panel together and

921

00:29:57,590 --> 00:29:54,960

I put Lou alizando Chris Mellon

922

00:29:59,630 --> 00:29:57,600

um uh Avi Loeb from Harvard and who was

923

00:30:02,930 --> 00:29:59,640

the fourth one oh Nolan if I put him on

924

00:30:04,909 --> 00:30:02,940

a panel and you get the 10 the MPS the

925

00:30:06,529 --> 00:30:04,919

couple of MPS and we just have a panel

926

00:30:08,990 --> 00:30:06,539

and we have on the internet and we

927

00:30:10,250 --> 00:30:09,000

broadcast live and these MPS because

928

00:30:11,690 --> 00:30:10,260

they don't know what's going on and

929

00:30:13,549 --> 00:30:11,700

McGuire was briefing these people I

930

00:30:15,230 --> 00:30:13,559

didn't realize this McGuire was briefing

931

00:30:16,850 --> 00:30:15,240

these MPS behind the scenes there's a

932

00:30:17,870 --> 00:30:16,860

bunch of people who are interested but

933

00:30:19,549 --> 00:30:17,880

they don't want to come forward so

934

00:30:20,750 --> 00:30:19,559

McGuire's giving them these documents

935

00:30:23,210 --> 00:30:20,760

and bringing them up to speed who's

936

00:30:24,649 --> 00:30:23,220

bubbles are what's one all this kind of

937

00:30:27,950 --> 00:30:24,659

stuff and just feeding them this stuff

938

00:30:30,710 --> 00:30:27,960

so I hit the aid came back and said yeah

939

00:30:34,669 --> 00:30:30,720

we can do that and I said oh okay so I

940

00:30:37,970 --> 00:30:34,679

contact uh as indirectly I contact uh Lu

941

00:30:39,710 --> 00:30:37,980

Elizondo and it comes back and uh

942

00:30:41,330 --> 00:30:39,720

Elizondo says sure I'll do that sounds

943

00:30:42,889 --> 00:30:41,340

sounds good because he'd already talked

944

00:30:45,409 --> 00:30:42,899

to McGuire he had already had a

945

00:30:46,549 --> 00:30:45,419

conversation with him and I said exactly

946

00:30:48,529 --> 00:30:46,559

the same as the first time when when

947

00:30:50,029 --> 00:30:48,539

McGuire talked to him he's just a

948

00:30:50,930 --> 00:30:50,039

general conversation I want to know

949

00:30:53,149 --> 00:30:50,940

about this I want to know about that

950

00:30:54,470 --> 00:30:53,159

there's no you know you just the MPS ask

951  
00:30:56,330 --> 00:30:54,480  
whatever they want and that's when I

952  
00:30:57,590 --> 00:30:56,340  
learned there was 10 MPS and there was

953  
00:30:59,750 --> 00:30:57,600  
from the three different parties from

954  
00:31:01,730 --> 00:30:59,760  
the NDP from the the Liberals and the

955  
00:31:03,830 --> 00:31:01,740  
conservatives and the the Quebec party

956  
00:31:05,810 --> 00:31:03,840  
they we would have had a translator I

957  
00:31:07,190 --> 00:31:05,820  
did get a translator but it was too much

958  
00:31:09,649 --> 00:31:07,200  
trouble because they they said it had to

959  
00:31:11,269 --> 00:31:09,659  
be broadcast in French as well otherwise

960  
00:31:13,370 --> 00:31:11,279  
they wouldn't participate but so we had

961  
00:31:17,210 --> 00:31:13,380  
these 10 MPS and so we're gonna have 10

962  
00:31:19,669 --> 00:31:17,220  
MPS would have lozondo Nolan Abby Loeb

963  
00:31:21,289 --> 00:31:19,679

and melon on a panel and they would just

964

00:31:22,549 --> 00:31:21,299

ask these questions so I went through

965

00:31:23,450 --> 00:31:22,559

the first one and they didn't like I

966

00:31:24,769 --> 00:31:23,460

used

967

00:31:27,169 --> 00:31:24,779

um

968

00:31:29,750 --> 00:31:27,179

uh I'm not going to forget his name oh

969

00:31:31,130 --> 00:31:29,760

shoot I had a moderator so I was going

970

00:31:32,029 --> 00:31:31,140

to make it like a like a moderator it

971

00:31:34,370 --> 00:31:32,039

wasn't going to be me I was going to

972

00:31:35,990 --> 00:31:34,380

sort of stay out of it and Kurt Kurt

973

00:31:38,269 --> 00:31:36,000

jamungo was going to be the moderator

974

00:31:40,130 --> 00:31:38,279

and for some reason they don't like Kurt

975

00:31:41,990 --> 00:31:40,140

German gold they just like they said oh

976

00:31:44,510 --> 00:31:42,000

I heard it indirectly oh they didn't

977

00:31:47,930 --> 00:31:44,520

like him being on we had a we had a a

978

00:31:49,310 --> 00:31:47,940

pod like a zoom meeting and they were

979

00:31:50,389 --> 00:31:49,320

all for it and they seemed all good and

980

00:31:52,549 --> 00:31:50,399

then after the meeting it was like

981

00:31:54,169 --> 00:31:52,559

what's your mango we want him and they

982

00:31:55,789 --> 00:31:54,179

had all the stuff we don't like this guy

983

00:31:57,049 --> 00:31:55,799

and you got to pull him and stuff so

984

00:31:58,730 --> 00:31:57,059

then when the second meeting came along

985

00:32:00,409 --> 00:31:58,740

I talked to my assistant Nicole sakich

986

00:32:02,330 --> 00:32:00,419

who was doing a lot of the interaction

987

00:32:04,789 --> 00:32:02,340

with me and I said well are they are

988

00:32:07,190 --> 00:32:04,799

they coming on Kirk germungle has the

989

00:32:08,570 --> 00:32:07,200

the link are they coming on and then I

990

00:32:10,130 --> 00:32:08,580

heard yeah he's coming on and I figure

991

00:32:11,690 --> 00:32:10,140

oh they're they're not that concerned

992

00:32:13,430 --> 00:32:11,700

then they came on and they were all

993

00:32:15,230 --> 00:32:13,440

they're all eager about this and Lou

994

00:32:16,430 --> 00:32:15,240

Elizondo says oh I'm ready for another

995

00:32:17,690 --> 00:32:16,440

meeting I said no we don't need another

996

00:32:19,190 --> 00:32:17,700

meeting let's just say when we're going

997

00:32:22,370 --> 00:32:19,200

to do this and the date was going to be

998

00:32:23,690 --> 00:32:22,380

August the 28th I think at two o'clock

999

00:32:25,490 --> 00:32:23,700

in the afternoon because that's when MPS

1000

00:32:27,169 --> 00:32:25,500

are available it was going to only be

1001  
00:32:29,269 --> 00:32:27,179  
two hours we're gonna have two different

1002  
00:32:30,710 --> 00:32:29,279  
panels one for the first two of them in

1003  
00:32:32,510 --> 00:32:30,720  
the first hour two of them second hour

1004  
00:32:34,549 --> 00:32:32,520  
so that the MPS wouldn't get bored and

1005  
00:32:35,810 --> 00:32:34,559  
walk away or whatever and they would

1006  
00:32:37,549 --> 00:32:35,820  
just ask questions anything they wanted

1007  
00:32:38,210 --> 00:32:37,559  
and then suddenly

1008  
00:32:45,830 --> 00:32:38,220  
um

1009  
00:32:47,750 --> 00:32:45,840  
spokesman said oh we did you're going to

1010  
00:32:49,250 --> 00:32:47,760  
turn this into they pulled out they said

1011  
00:32:50,870 --> 00:32:49,260  
oh we don't like your Mongol you put

1012  
00:32:53,110 --> 00:32:50,880  
them in there and we said we didn't want

1013  
00:32:55,610 --> 00:32:53,120

him whatever and then uh the other

1014

00:32:57,230 --> 00:32:55,620

concern they had was oh you're going to

1015

00:32:59,149 --> 00:32:57,240

turn this into a spectacle and I said

1016

00:33:00,889 --> 00:32:59,159

well yeah I'm gonna exactly I'm gonna

1017

00:33:03,049 --> 00:33:00,899

turn into spectacle what else would I do

1018

00:33:04,490 --> 00:33:03,059

and and and they said we we're not going

1019

00:33:06,470 --> 00:33:04,500

to answer questions that people can

1020

00:33:09,110 --> 00:33:06,480

answer on Google and I'm going like are

1021

00:33:11,090 --> 00:33:09,120

you kidding me so some dumb is some MP

1022

00:33:12,289 --> 00:33:11,100

doesn't know he's a dummy on UFOs and

1023

00:33:14,210 --> 00:33:12,299

because he asked a stupid question what

1024

00:33:15,710 --> 00:33:14,220

are you gonna tell him to get lost come

1025

00:33:17,389 --> 00:33:15,720

on this is like kids I mean this is what

1026  
00:33:19,549 --> 00:33:17,399  
I suppose educating people you want to

1027  
00:33:21,470 --> 00:33:19,559  
educate these guys but the main thing

1028  
00:33:23,330 --> 00:33:21,480  
was and this is the difference between

1029  
00:33:24,470 --> 00:33:23,340  
Canadians and Americans so Canadians

1030  
00:33:25,970 --> 00:33:24,480  
don't really have they wanted us to go

1031  
00:33:26,990 --> 00:33:25,980  
to the military Military Road exactly

1032  
00:33:28,130 --> 00:33:27,000  
what they're doing in the states and

1033  
00:33:29,750 --> 00:33:28,140  
that scared the living [h\_\_\h] out of

1034  
00:33:31,009 --> 00:33:29,760  
everybody so they go and say you know

1035  
00:33:32,450 --> 00:33:31,019  
there's a threat there's a possible

1036  
00:33:33,710 --> 00:33:32,460  
threat there's Footprints in your the

1037  
00:33:35,570 --> 00:33:33,720  
door is locked and your Footprints

1038  
00:33:36,769 --> 00:33:35,580

across your your your your living room

1039

00:33:37,850 --> 00:33:36,779

and stuff like you know we hear these

1040

00:33:39,289 --> 00:33:37,860

stories they keep telling the same story

1041

00:33:40,970 --> 00:33:39,299

all the time and you know that could be

1042

00:33:43,190 --> 00:33:40,980

a threat could be a threat and the thing

1043

00:33:44,269 --> 00:33:43,200

is unless it's a threat you're not going

1044

00:33:45,710 --> 00:33:44,279

to get any money because all the

1045

00:33:48,169 --> 00:33:45,720

Committees in in Congress are going to

1046

00:33:49,610 --> 00:33:48,179

go well it's not our job to do UFOs we

1047

00:33:51,409 --> 00:33:49,620

don't care even the Air Force we we're

1048

00:33:53,570 --> 00:33:51,419

here to fly planes we're not here to you

1049

00:33:54,950 --> 00:33:53,580

know Chase UFOs and figure out what UFO

1050

00:33:57,169 --> 00:33:54,960

is about and everybody will just turn it

1051  
00:33:58,789 --> 00:33:57,179  
down and so it's when it's a threat then

1052  
00:34:00,289 --> 00:33:58,799  
you say well you everybody could die I

1053  
00:34:01,789 --> 00:34:00,299  
mean these they could take over there

1054  
00:34:03,350 --> 00:34:01,799  
look at their go after nuclear weapons

1055  
00:34:05,029 --> 00:34:03,360  
and they they turned on nuclear weapons

1056  
00:34:06,230 --> 00:34:05,039  
and stuff and and then the Congress says

1057  
00:34:07,850 --> 00:34:06,240  
how much money do you want and then they

1058  
00:34:09,470 --> 00:34:07,860  
walk away and all this money goes into

1059  
00:34:10,849 --> 00:34:09,480  
the black world and they get all this

1060  
00:34:13,550 --> 00:34:10,859  
information for the white world coming

1061  
00:34:15,230 --> 00:34:13,560  
through and so the the key was that

1062  
00:34:16,730 --> 00:34:15,240  
Ella's that they wanted us to do it now

1063  
00:34:17,990 --> 00:34:16,740

we said we can't do this you don't

1064

00:34:20,210 --> 00:34:18,000

understand how the Canadian government

1065

00:34:21,889 --> 00:34:20,220

works our committees not like the

1066

00:34:23,329 --> 00:34:21,899

Americans like the Americans have the

1067

00:34:26,270 --> 00:34:23,339

Appropriations Committee that actually

1068

00:34:28,129 --> 00:34:26,280

investigated UFOs when I can tell you

1069

00:34:29,450 --> 00:34:28,139

that story but we don't have the

1070

00:34:31,190 --> 00:34:29,460

Appropriations Committee that can just

1071

00:34:33,589 --> 00:34:31,200

say okay we're gonna we're gonna demand

1072

00:34:35,869 --> 00:34:33,599

so much money and so the the plan that

1073

00:34:38,629 --> 00:34:35,879

they had for

1074

00:34:40,010 --> 00:34:38,639

um this whole thing in Canada was there

1075

00:34:42,349 --> 00:34:40,020

was a

1076

00:34:44,329 --> 00:34:42,359

um I guess I better not mention specific

1077

00:34:45,710 --> 00:34:44,339

because it may blow it but there was

1078

00:34:47,810 --> 00:34:45,720

somebody who was going to write a report

1079

00:34:50,030 --> 00:34:47,820

for the Prime Minister and this person

1080

00:34:51,589 --> 00:34:50,040

is going to use this thing as cover they

1081

00:34:53,869 --> 00:34:51,599

had to have cover so we were going to

1082

00:34:55,310 --> 00:34:53,879

provide the cover for the government to

1083

00:34:56,990 --> 00:34:55,320

get the story out so it would be all

1084

00:34:58,609 --> 00:34:57,000

everybody talking oh you hear all these

1085

00:35:00,410 --> 00:34:58,619

MPS are involved in UFOs they want to

1086

00:35:02,210 --> 00:35:00,420

know why UFOs and stuff and then this

1087

00:35:03,770 --> 00:35:02,220

person would write a report and say it

1088

00:35:05,030 --> 00:35:03,780

looks like we should investigate UFOs

1089

00:35:06,349 --> 00:35:05,040

and it would go to the Prime Minister

1090

00:35:07,730 --> 00:35:06,359

because we didn't have the Committees

1091

00:35:08,930 --> 00:35:07,740

the Committees can't spend money they

1092

00:35:09,829 --> 00:35:08,940

don't have any we kept telling them we

1093

00:35:11,810 --> 00:35:09,839

don't have any we don't have any

1094

00:35:13,370 --> 00:35:11,820

military people chasing Jets or Chasing

1095

00:35:14,390 --> 00:35:13,380

UFOs we don't have any at least we don't

1096

00:35:16,849 --> 00:35:14,400

have any reports that we can actually

1097

00:35:18,710 --> 00:35:16,859

bring up and our committees can't spend

1098

00:35:20,450 --> 00:35:18,720

money so this is not going to work and

1099

00:35:22,190 --> 00:35:20,460

we want to do this thing through science

1100

00:35:23,870 --> 00:35:22,200

we wanted to write this science report

1101  
00:35:26,210 --> 00:35:23,880  
and we want to put it to the Prime

1102  
00:35:28,849 --> 00:35:26,220  
Minister and that's when luau is that's

1103  
00:35:31,310 --> 00:35:28,859  
when Chris melon said that's the poison

1104  
00:35:32,630 --> 00:35:31,320  
pill I'm gone and it was like you're

1105  
00:35:33,829 --> 00:35:32,640  
gonna do science you're gonna put this

1106  
00:35:35,510 --> 00:35:33,839  
through the science committee or through

1107  
00:35:36,710 --> 00:35:35,520  
the slides nope nope it has to go

1108  
00:35:38,569 --> 00:35:36,720  
military house goes through the military

1109  
00:35:40,609 --> 00:35:38,579  
and this is this whole deal was it's

1110  
00:35:42,349 --> 00:35:40,619  
this military wants to run they want the

1111  
00:35:44,390 --> 00:35:42,359  
Black Ops and we went money and stuff

1112  
00:35:45,890 --> 00:35:44,400  
like that and that was it that was the

1113  
00:35:49,010 --> 00:35:45,900

that's why melon pulled out he said

1114

00:35:51,410 --> 00:35:49,020

that's the poison pill I'm gone and uh

1115

00:35:52,550 --> 00:35:51,420

the Canadians were very adamant we're

1116

00:35:54,470 --> 00:35:52,560

going to go through science we're going

1117

00:35:55,970 --> 00:35:54,480

to have a scientific investigation we're

1118

00:35:57,890 --> 00:35:55,980

not going to play the threat game and

1119

00:35:59,030 --> 00:35:57,900

stuff like that and even if we wanted to

1120

00:36:00,290 --> 00:35:59,040

play the threat game we don't have the

1121

00:36:01,490 --> 00:36:00,300

military Witnesses like they have in the

1122

00:36:02,750 --> 00:36:01,500

United States we don't have a Nimitz

1123

00:36:04,190 --> 00:36:02,760

case where we can go to the government

1124

00:36:06,710 --> 00:36:04,200

and say look at this you know the

1125

00:36:08,569 --> 00:36:06,720

they're chasing our boats around and

1126

00:36:10,190 --> 00:36:08,579

planes and stuff like that so that was

1127

00:36:11,930 --> 00:36:10,200

the Canadian story and it fell apart and

1128

00:36:13,010 --> 00:36:11,940

it sounds like now the latest thing I've

1129

00:36:15,290 --> 00:36:13,020

heard

1130

00:36:17,270 --> 00:36:15,300

is that there's about four they named

1131

00:36:18,050 --> 00:36:17,280

four of these people

1132

00:36:19,970 --> 00:36:18,060

um

1133

00:36:20,690 --> 00:36:19,980

there's one guy

1134

00:36:22,430 --> 00:36:20,700

um

1135

00:36:23,990 --> 00:36:22,440

oh the names were escaping one guy at a

1136

00:36:26,450 --> 00:36:24,000

Hamilton an empty Kia out of Hamilton

1137

00:36:28,490 --> 00:36:26,460

there's another conservative out of

1138

00:36:32,630 --> 00:36:28,500

Winnipeg there's conservative out of

1139

00:36:34,790 --> 00:36:32,640

um uh White Rock BC I think and then

1140

00:36:36,290 --> 00:36:34,800

um so what I've heard is that I kept

1141

00:36:38,030 --> 00:36:36,300

saying to them at the beginning I said

1142

00:36:40,790 --> 00:36:38,040

well what you got to do in Canada is you

1143

00:36:42,410 --> 00:36:40,800

gotta bite the bullet and stand in the

1144

00:36:44,390 --> 00:36:42,420

floor and In The Floor Of The House of

1145

00:36:45,950 --> 00:36:44,400

Commons and ask a question to to the

1146

00:36:47,930 --> 00:36:45,960

military and say have you investigated

1147

00:36:49,310 --> 00:36:47,940

this and nobody wants to ask the

1148

00:36:50,990 --> 00:36:49,320

question nobody wants to stand because

1149

00:36:52,790 --> 00:36:51,000

that's how it's done in Canada he's you

1150

00:36:53,810 --> 00:36:52,800

force these people to answer questions

1151  
00:36:55,970 --> 00:36:53,820  
in the house they have to answer

1152  
00:36:59,329 --> 00:36:55,980  
questions so they never did but now I

1153  
00:37:02,990 --> 00:36:59,339  
hear that there's about four MPS who are

1154  
00:37:04,310 --> 00:37:03,000  
getting ready to either engage during a

1155  
00:37:06,890 --> 00:37:04,320  
committee bring up the question during

1156  
00:37:08,930 --> 00:37:06,900  
committee the same as as uh

1157  
00:37:10,790 --> 00:37:08,940  
um uh Larry McGuire did on the one

1158  
00:37:12,710 --> 00:37:10,800  
committee that he was involved with but

1159  
00:37:14,870 --> 00:37:12,720  
it was natural resources so it's way far

1160  
00:37:16,550 --> 00:37:14,880  
away from the issue and or they're going

1161  
00:37:18,170 --> 00:37:16,560  
to ask in the house so if they ask in

1162  
00:37:19,670 --> 00:37:18,180  
the house it could change everything if

1163  
00:37:21,589 --> 00:37:19,680

somebody stands up and asks a question

1164

00:37:23,030 --> 00:37:21,599

about uh the Americans are doing this

1165

00:37:25,069 --> 00:37:23,040

they've got this investigation going

1166

00:37:26,510 --> 00:37:25,079

what is the Canadians doing the Prime

1167

00:37:27,710 --> 00:37:26,520

Minister has to answer the question and

1168

00:37:29,150 --> 00:37:27,720

that that's what I said they had to do

1169

00:37:31,010 --> 00:37:29,160

right from the beginning is just bite

1170

00:37:32,450 --> 00:37:31,020

the bullet and take it as an issue that

1171

00:37:34,069 --> 00:37:32,460

you're going to promote this issue now

1172

00:37:35,990 --> 00:37:34,079

maybe the conservative leadership that

1173

00:37:37,250 --> 00:37:36,000

takes over says nah I don't want to talk

1174

00:37:38,750 --> 00:37:37,260

about UFOs I don't want you pushing this

1175

00:37:40,849 --> 00:37:38,760

issue because you could get three or

1176  
00:37:42,710 --> 00:37:40,859  
four MPS you just hammer away at this

1177  
00:37:44,690 --> 00:37:42,720  
issue every single day but you're going

1178  
00:37:46,569 --> 00:37:44,700  
to need the permission of the The Head

1179  
00:37:49,069 --> 00:37:46,579  
and the head of the conservative party

1180  
00:37:50,390 --> 00:37:49,079  
changed on September the 10th that's

1181  
00:37:52,670 --> 00:37:50,400  
what they told us they said we had to

1182  
00:37:55,010 --> 00:37:52,680  
run this this panel before September the

1183  
00:37:56,569 --> 00:37:55,020  
10th because after after September the

1184  
00:37:57,530 --> 00:37:56,579  
10th everything's up in the air we don't

1185  
00:37:59,569 --> 00:37:57,540  
know what's going to happen we don't

1186  
00:38:01,069 --> 00:37:59,579  
know if the new leaders his positions

1187  
00:38:02,690 --> 00:38:01,079  
are going to be what he wants to do so

1188  
00:38:04,790 --> 00:38:02,700

we've got to do it before September 10th

1189

00:38:08,750 --> 00:38:04,800

and because they're these these guys all

1190

00:38:10,250 --> 00:38:08,760

pulled out uh we we never ran the the uh

1191

00:38:12,230 --> 00:38:10,260

the thing but it was all ready to go we

1192

00:38:14,690 --> 00:38:12,240

had uh people broadcast we were going to

1193

00:38:17,329 --> 00:38:14,700

live broadcast this uh through about uh

1194

00:38:18,530 --> 00:38:17,339

up to 100 channels 100 channels we could

1195

00:38:20,390 --> 00:38:18,540

do but we're gonna do as many channels

1196

00:38:22,370 --> 00:38:20,400

we anybody wanted to do it we would give

1197

00:38:24,109 --> 00:38:22,380

them access to live broadcast I think

1198

00:38:25,609 --> 00:38:24,119

and then do a pre-game show on their sh

1199

00:38:27,170 --> 00:38:25,619

on their Channel or post game show or

1200

00:38:28,190 --> 00:38:27,180

something like that and that's where he

1201

00:38:29,510 --> 00:38:28,200

said you're turning this into a

1202

00:38:31,310 --> 00:38:29,520

spectacle and I said you damn right so

1203

00:38:33,050 --> 00:38:31,320

I'm turning it into a spectacle what do

1204

00:38:35,450 --> 00:38:33,060

you expect so that was the Canadian

1205

00:38:36,589 --> 00:38:35,460

disclosure story and and the other one I

1206

00:38:38,089 --> 00:38:36,599

can tell you that I don't know if you

1207

00:38:41,210 --> 00:38:38,099

know this story

1208

00:38:42,710 --> 00:38:41,220

um Paul Hellyer I told the story I mean

1209

00:38:44,210 --> 00:38:42,720

America is the old deal people used to

1210

00:38:45,770 --> 00:38:44,220

ask me for years

1211

00:38:46,730 --> 00:38:45,780

what are the Canadians doing and I said

1212

00:38:47,690 --> 00:38:46,740

well I really don't know what the

1213

00:38:49,430 --> 00:38:47,700

Canadians do and I don't know if they're

1214

00:38:50,569 --> 00:38:49,440

doing anything I mean I've never heard

1215

00:38:52,370 --> 00:38:50,579

anything about the Canadian government

1216

00:38:54,290 --> 00:38:52,380

it was like they they make the right

1217

00:38:56,690 --> 00:38:54,300

decision so if you don't want the story

1218

00:38:58,370 --> 00:38:56,700

out like the Amer like the America like

1219

00:39:00,410 --> 00:38:58,380

what happens in the United States don't

1220

00:39:02,690 --> 00:39:00,420

talk about it so you get all these top

1221

00:39:04,010 --> 00:39:02,700

governed people talking about it well if

1222

00:39:05,870 --> 00:39:04,020

you want to keep it secret just don't

1223

00:39:07,430 --> 00:39:05,880

hug that's the Canadians Canadians just

1224

00:39:09,170 --> 00:39:07,440

never talked about it and so it came

1225

00:39:10,790 --> 00:39:09,180

down to this the issue just disappears

1226  
00:39:11,990 --> 00:39:10,800  
and nobody talks about it and everybody

1227  
00:39:14,089 --> 00:39:12,000  
forgets about it and you don't know

1228  
00:39:15,290 --> 00:39:14,099  
what's going on and then you ask well

1229  
00:39:17,270 --> 00:39:15,300  
who's doing it I don't know because

1230  
00:39:19,250 --> 00:39:17,280  
nobody's talking about it and but there

1231  
00:39:22,069 --> 00:39:19,260  
was one Paul Hellyer was asked that

1232  
00:39:23,329 --> 00:39:22,079  
question and he was like you know he's

1233  
00:39:25,010 --> 00:39:23,339  
sort of like the Vice President Kennedy

1234  
00:39:27,230 --> 00:39:25,020  
was the you know deputy prime minister

1235  
00:39:29,510 --> 00:39:27,240  
at one point under Trudeau so he was

1236  
00:39:31,069 --> 00:39:29,520  
asked well what are the Canadians are

1237  
00:39:33,349 --> 00:39:31,079  
doing and he and he could see he was

1238  
00:39:35,349 --> 00:39:33,359

sort of guessing he was going well I

1239

00:39:38,210 --> 00:39:35,359

guess uh the head of the privy Council

1240

00:39:39,650 --> 00:39:38,220

and uh he's thinking and then the next

1241

00:39:41,210 --> 00:39:39,660

time we had we were at a panel and there

1242

00:39:42,890 --> 00:39:41,220

was these reporters all asking questions

1243

00:39:44,510 --> 00:39:42,900

so next time I was sitting right beside

1244

00:39:46,069 --> 00:39:44,520

Hillary the camera's around and coming

1245

00:39:47,569 --> 00:39:46,079

to second question and Paul before we

1246

00:39:48,950 --> 00:39:47,579

answered the question he said you know I

1247

00:39:51,050 --> 00:39:48,960

actually know somebody in Canada that

1248

00:39:53,930 --> 00:39:51,060

did know what was going on and he said I

1249

00:39:55,250 --> 00:39:53,940

was approached by an Air Force guy who

1250

00:39:57,170 --> 00:39:55,260

phoned me up and he said they're the

1251  
00:39:59,870 --> 00:39:57,180  
head of Emergency Management in Canada

1252  
00:40:02,329 --> 00:39:59,880  
former head of Emergency Management is

1253  
00:40:03,470 --> 00:40:02,339  
dying of ALS Lou Gehrig's Disease and

1254  
00:40:05,270 --> 00:40:03,480  
he's got something he wants to get off

1255  
00:40:06,890 --> 00:40:05,280  
his chest and he's he's decided you're

1256  
00:40:08,390 --> 00:40:06,900  
the guy he wants to talk to so Paul

1257  
00:40:09,530 --> 00:40:08,400  
Heller said okay I'll phone him up and

1258  
00:40:11,089 --> 00:40:09,540  
I'll find out what he wants to do and

1259  
00:40:12,530 --> 00:40:11,099  
you know and Paul doesn't fall into the

1260  
00:40:14,270 --> 00:40:12,540  
air force guy phones him up and he says

1261  
00:40:16,069 --> 00:40:14,280  
you better phone him he's about to go

1262  
00:40:18,470 --> 00:40:16,079  
off the cliff be better phone him so

1263  
00:40:19,970 --> 00:40:18,480

Paul phones this guy and the guy says I

1264

00:40:21,410 --> 00:40:19,980

just want you to let you know before I

1265

00:40:23,690 --> 00:40:21,420

die I just want to let you know this is

1266

00:40:24,950 --> 00:40:23,700

for real this is for real I know and

1267

00:40:26,150 --> 00:40:24,960

that would make sense that the head of

1268

00:40:28,310 --> 00:40:26,160

the Emergency Management would know

1269

00:40:29,990 --> 00:40:28,320

because if suddenly there's a crash of a

1270

00:40:31,250 --> 00:40:30,000

UFO in the middle of Washington or

1271

00:40:32,810 --> 00:40:31,260

Ottawa or something like that and they

1272

00:40:34,250 --> 00:40:32,820

can't control the story and starts to

1273

00:40:35,210 --> 00:40:34,260

break and it goes viral they don't know

1274

00:40:36,410 --> 00:40:35,220

what's going to happen so you're going

1275

00:40:38,150 --> 00:40:36,420

to have to have all these plants put

1276

00:40:40,490 --> 00:40:38,160

money in the bank to stop the bank from

1277

00:40:41,810 --> 00:40:40,500

crashing the stock market all these

1278

00:40:43,010 --> 00:40:41,820

contingencies what do we do here what do

1279

00:40:44,510 --> 00:40:43,020

we do here is this going to be effective

1280

00:40:46,430 --> 00:40:44,520

and they would have a plan just a

1281

00:40:47,870 --> 00:40:46,440

hypothetical plan even though if they

1282

00:40:49,730 --> 00:40:47,880

don't believe in UFOs in case this

1283

00:40:52,130 --> 00:40:49,740

happens and so I have emergency

1284

00:40:53,450 --> 00:40:52,140

management running that plan so he said

1285

00:40:57,170 --> 00:40:53,460

the guy told him he said is this for

1286

00:41:00,170 --> 00:40:57,180

real he said I I was taken to Langley at

1287

00:41:02,930 --> 00:41:00,180

CIA and I signed my life away with all

1288

00:41:03,890 --> 00:41:02,940

these uh agreements and non-disclosure

1289

00:41:05,750 --> 00:41:03,900

agreements and all this kind of stuff

1290

00:41:07,190 --> 00:41:05,760

and then they took me to Area 51 I

1291

00:41:09,230 --> 00:41:07,200

actually sat inside one of the crafts

1292

00:41:10,250 --> 00:41:09,240

and he told this to Paul Heller and he

1293

00:41:12,770 --> 00:41:10,260

said I just want to let you know before

1294

00:41:14,870 --> 00:41:12,780

I die this is for real I actually was

1295

00:41:16,490 --> 00:41:14,880

involved in this and beyond that I

1296

00:41:18,290 --> 00:41:16,500

really don't know too much about it and

1297

00:41:20,990 --> 00:41:18,300

uh so that was a story that Paul told me

1298

00:41:23,270 --> 00:41:21,000

and I'm going whoa It's like oh this

1299

00:41:25,370 --> 00:41:23,280

story forgot to tell and it was like it

1300

00:41:27,470 --> 00:41:25,380

really uh sort of gave the the

1301  
00:41:29,089 --> 00:41:27,480  
impression that you know there is some

1302  
00:41:30,589 --> 00:41:29,099  
sort of plan but it's really not on

1303  
00:41:31,490 --> 00:41:30,599  
anybody's radar because you look in the

1304  
00:41:33,710 --> 00:41:31,500  
United States what's the number one

1305  
00:41:36,290 --> 00:41:33,720  
issue or even I would say if you take a

1306  
00:41:38,270 --> 00:41:36,300  
poll I'll guarantee a UFOs is not in the

1307  
00:41:39,710 --> 00:41:38,280  
top 100 of any country if you say what

1308  
00:41:41,870 --> 00:41:39,720  
are the most important issues it's

1309  
00:41:43,550 --> 00:41:41,880  
always the economy the Democracy you

1310  
00:41:45,170 --> 00:41:43,560  
know women's rights you know and it goes

1311  
00:41:48,470 --> 00:41:45,180  
on and it's money issues bread and

1312  
00:41:49,910 --> 00:41:48,480  
butter issues UFOs as Eric Walker says

1313  
00:41:51,349 --> 00:41:49,920

tell me you just want to know because

1314

00:41:52,910 --> 00:41:51,359

you're curious right that's that's all

1315

00:41:54,650 --> 00:41:52,920

you want is you want to know and he said

1316

00:41:56,450 --> 00:41:54,660

forget it you're never going to get the

1317

00:41:57,650 --> 00:41:56,460

answer give up go study something else

1318

00:41:58,849 --> 00:41:57,660

that's what he said you're never going

1319

00:42:01,010 --> 00:41:58,859

to get the answer go study something

1320

00:42:02,510 --> 00:42:01,020

else and it was uh okay so I'm going to

1321

00:42:05,270 --> 00:42:02,520

write this article that sort of looks at

1322

00:42:06,770 --> 00:42:05,280

this the government's issue why Walker

1323

00:42:08,870 --> 00:42:06,780

was very confident in order to say that

1324

00:42:09,829 --> 00:42:08,880

because he had kit green go to him and I

1325

00:42:11,390 --> 00:42:09,839

don't know if you know that story kit

1326  
00:42:12,950 --> 00:42:11,400  
green goes to Eric Walker at Penn State

1327  
00:42:16,130 --> 00:42:12,960  
he was former president of Penn State

1328  
00:42:17,569 --> 00:42:16,140  
for 15 years so kid green hears all

1329  
00:42:19,130 --> 00:42:17,579  
these stories that I'm telling us in my

1330  
00:42:20,870 --> 00:42:19,140  
book so kid green reads the book and he

1331  
00:42:22,130 --> 00:42:20,880  
decides oh I gotta go this walker guy's

1332  
00:42:23,690 --> 00:42:22,140  
in exactly the right position I'm gonna

1333  
00:42:25,790 --> 00:42:23,700  
go talk to this guy so he gets a

1334  
00:42:28,250 --> 00:42:25,800  
clearance to go talk to Walker who's at

1335  
00:42:30,170 --> 00:42:28,260  
that time was the uh president Emeritus

1336  
00:42:32,870 --> 00:42:30,180  
at Penn State and he had an office there

1337  
00:42:35,210 --> 00:42:32,880  
so he goes there and they talk about uh

1338  
00:42:37,550 --> 00:42:35,220

the glomar Explorer they were both

1339

00:42:39,170 --> 00:42:37,560

involved in goldmar Explorer where they

1340

00:42:41,210 --> 00:42:39,180

recovered the Russian submarine and

1341

00:42:42,890 --> 00:42:41,220

stuff with the Hughes Hughes boat and

1342

00:42:44,569 --> 00:42:42,900

all this stuff stuff and if for a half

1343

00:42:47,870 --> 00:42:44,579

hour they talk and it's all friendly and

1344

00:42:50,569 --> 00:42:47,880

also and then suddenly uh kid green

1345

00:42:52,790 --> 00:42:50,579

brings up the the the subject of UFOs

1346

00:42:54,589 --> 00:42:52,800

and everything just goes left and it's

1347

00:42:56,329 --> 00:42:54,599

like Walker starts yelling and he's

1348

00:42:57,770 --> 00:42:56,339

talking to a bunch of books in the

1349

00:42:59,569 --> 00:42:57,780

corner to sort of indicate the room is

1350

00:43:01,550 --> 00:42:59,579

bugged and stuff and he says to me you

1351

00:43:03,770 --> 00:43:01,560

give me two reasons this is a kid

1352

00:43:05,450 --> 00:43:03,780

Green's version or uh written up by

1353

00:43:07,910 --> 00:43:05,460

Jacque Valley you give me two reasons

1354

00:43:10,010 --> 00:43:07,920

why we should tell people why we people

1355

00:43:11,809 --> 00:43:10,020

should know about this and and then kid

1356

00:43:13,550 --> 00:43:11,819

green says well there the the

1357

00:43:15,349 --> 00:43:13,560

information is coming out all backwards

1358

00:43:17,150 --> 00:43:15,359

and I'm not really sure we should

1359

00:43:18,050 --> 00:43:17,160

release it and he said apparently I

1360

00:43:21,050 --> 00:43:18,060

didn't give him the right answers

1361

00:43:22,370 --> 00:43:21,060

because he threw me out of the office he

1362

00:43:24,290 --> 00:43:22,380

said you bring me a letter from the

1363

00:43:25,910 --> 00:43:24,300

president of the United States and I'll

1364

00:43:26,990 --> 00:43:25,920

check it I'll phone him up to make sure

1365

00:43:28,550 --> 00:43:27,000

it's coming from the president United

1366

00:43:30,530 --> 00:43:28,560

States and that's this thing of order

1367

00:43:32,030 --> 00:43:30,540

like unless you're the president the

1368

00:43:33,710 --> 00:43:32,040

president needs to know he don't need to

1369

00:43:35,690 --> 00:43:33,720

know and basically this kit green and

1370

00:43:36,890 --> 00:43:35,700

Kate green had this security clearance

1371

00:43:38,089 --> 00:43:36,900

to actually talk to him about this and

1372

00:43:40,130 --> 00:43:38,099

he basically like throwing it out of the

1373

00:43:41,650 --> 00:43:40,140

office so you can see that that there

1374

00:43:44,089 --> 00:43:41,660

are people who know and they're very

1375

00:43:45,290 --> 00:43:44,099

Walker had a file on us we used to he

1376

00:43:46,490 --> 00:43:45,300

used to play games with us you know he

1377

00:43:47,750 --> 00:43:46,500

just we'd say and they're all on the

1378

00:43:49,490 --> 00:43:47,760

book you know we'd send a letter to him

1379

00:43:51,349 --> 00:43:49,500

and he'd write notes on the letter and

1380

00:43:52,430 --> 00:43:51,359

send it back and and he you know he sort

1381

00:43:53,930 --> 00:43:52,440

of told us that how do you know

1382

00:43:55,609 --> 00:43:53,940

everybody at Roz will die how do you

1383

00:43:56,890 --> 00:43:55,619

know all the all the buddies maybe they

1384

00:43:58,849 --> 00:43:56,900

all got up and walked away and they went

1385

00:44:00,230 --> 00:43:58,859

what does he tell us and that's what

1386

00:44:02,690 --> 00:44:00,240

Kate green is trying to figure out is he

1387

00:44:04,670 --> 00:44:02,700

telling the truth or what's going on and

1388

00:44:06,710 --> 00:44:04,680

so he had a file on us and we knew he

1389

00:44:08,329 --> 00:44:06,720

had this file because he would photocopy

1390

00:44:09,829 --> 00:44:08,339

somebody's letter and send it to

1391

00:44:10,790 --> 00:44:09,839

somebody else so we knew he would get

1392

00:44:13,130 --> 00:44:10,800

all this stuff and he's playing games

1393

00:44:14,630 --> 00:44:13,140

you like to play games so anyway at the

1394

00:44:16,790 --> 00:44:14,640

end when when

1395

00:44:18,410 --> 00:44:16,800

um he died we went to actually to his

1396

00:44:20,270 --> 00:44:18,420

secretary who had signed one of the

1397

00:44:21,770 --> 00:44:20,280

letters and we asked her if this file

1398

00:44:23,930 --> 00:44:21,780

was there and she said well I remember

1399

00:44:25,190 --> 00:44:23,940

typing the letter but I I you know I I

1400

00:44:26,870 --> 00:44:25,200

don't think it was a file here I think

1401

00:44:29,450 --> 00:44:26,880

he had it personal and we talked to his

1402

00:44:31,190 --> 00:44:29,460

son who was then a medical doctor and he

1403

00:44:32,510 --> 00:44:31,200

maybe he's going to be pretty old now

1404

00:44:34,430 --> 00:44:32,520

but we talked to him and he said yeah

1405

00:44:37,130 --> 00:44:34,440

there was a UFO file and he said it was

1406

00:44:39,470 --> 00:44:37,140

at the house and he said there was two

1407

00:44:40,910 --> 00:44:39,480

crashes that were in the file one was in

1408

00:44:42,530 --> 00:44:40,920

the west and one was in Pennsylvania

1409

00:44:44,510 --> 00:44:42,540

which would be because we asked him at

1410

00:44:46,370 --> 00:44:44,520

the Kecksburg crash we said because he

1411

00:44:48,290 --> 00:44:46,380

indicated with somebody asked him we're

1412

00:44:50,089 --> 00:44:48,300

at texberg because he talked about I was

1413

00:44:51,950 --> 00:44:50,099

only involved one time and it was only

1414

00:44:53,329 --> 00:44:51,960

for a couple days I'm going I wonder if

1415

00:44:54,650 --> 00:44:53,339

they called him in for the taxberg crash

1416

00:44:56,329 --> 00:44:54,660

because he's only 100 miles away and he

1417

00:44:58,130 --> 00:44:56,339

had a pilot's license and he had an

1418

00:45:00,710 --> 00:44:58,140

airport at the at the he could take off

1419

00:45:02,210 --> 00:45:00,720

right from the walk out of the uh the

1420

00:45:04,550 --> 00:45:02,220

building and walk into his plane and fly

1421

00:45:06,230 --> 00:45:04,560

to Kecksburg and check on this thing and

1422

00:45:07,730 --> 00:45:06,240

then fly back because someone said they

1423

00:45:09,230 --> 00:45:07,740

had seen these two guys walking around

1424

00:45:11,030 --> 00:45:09,240

in trench coats like look like they're

1425

00:45:13,069 --> 00:45:11,040

government people and then we asked him

1426

00:45:15,530 --> 00:45:13,079

were you at texberg and he said yeah I

1427

00:45:16,790 --> 00:45:15,540

was there so what and then they started

1428

00:45:18,109 --> 00:45:16,800

you know and I'm not gonna talk about it

1429

00:45:21,290 --> 00:45:18,119

was and you know you go through that

1430

00:45:22,970 --> 00:45:21,300

sort of thing and um so the this is the

1431

00:45:24,950 --> 00:45:22,980

thing the sun said this this was there

1432

00:45:27,050 --> 00:45:24,960

and then he said when he went to move

1433

00:45:28,370 --> 00:45:27,060

those files from the house to the

1434

00:45:30,230 --> 00:45:28,380

archives at Penn State University which

1435

00:45:32,089 --> 00:45:30,240

I looked through massive massive

1436

00:45:33,950 --> 00:45:32,099

collection of files I can't believe some

1437

00:45:35,569 --> 00:45:33,960

guy could produce so much paper but he

1438

00:45:37,370 --> 00:45:35,579

he said he moved the files he said the

1439

00:45:39,530 --> 00:45:37,380

UFO file was gone when he moved it so

1440

00:45:41,809 --> 00:45:39,540

you get this sort of stuff and so when

1441

00:45:44,030 --> 00:45:41,819

before he died he was patriotic guy

1442

00:45:45,410 --> 00:45:44,040

saluted handed the files back all the

1443

00:45:47,390 --> 00:45:45,420

classified files because he knew he was

1444

00:45:49,430 --> 00:45:47,400

dying he knew uh you know that he had

1445

00:45:52,910 --> 00:45:49,440

congestive heart failure I had so long

1446

00:45:54,050 --> 00:45:52,920

to live and so he was patriotic guy and

1447

00:45:56,270 --> 00:45:54,060

played the game right to the end you

1448

00:45:57,829 --> 00:45:56,280

would think we always obviously think oh

1449

00:45:59,329 --> 00:45:57,839

why would you not be want to be part of

1450

00:46:00,829 --> 00:45:59,339

History this is the biggest story that

1451

00:46:02,030 --> 00:46:00,839

ever happened in history and nobody's

1452

00:46:03,650 --> 00:46:02,040

even going to know you were involved why

1453

00:46:05,750 --> 00:46:03,660

would you not want to have your name on

1454

00:46:07,069 --> 00:46:05,760

this story and he didn't he was very

1455

00:46:08,990 --> 00:46:07,079

patriotic guy he was actually from

1456

00:46:10,730 --> 00:46:09,000

Britain he actually lived in Canada for

1457

00:46:12,410 --> 00:46:10,740

a period of time and then went down and

1458

00:46:13,970 --> 00:46:12,420

he was like this rags to reach this guy

1459

00:46:15,890 --> 00:46:13,980

who won all these awards for going Rags

1460

00:46:17,870 --> 00:46:15,900

to Riches for having nothing being on

1461

00:46:20,210 --> 00:46:17,880

his own and stuff like that and ending

1462

00:46:22,190 --> 00:46:20,220

up at Harvard University and owning all

1463

00:46:24,349 --> 00:46:22,200

these businesses and again he was a guy

1464

00:46:25,849 --> 00:46:24,359

who had a lot of patents and a lot of

1465

00:46:27,829 --> 00:46:25,859

business interests and and that's where

1466

00:46:29,270 --> 00:46:27,839

I say the cover-up is it's the big guys

1467

00:46:30,829 --> 00:46:29,280

that are making the money off this thing

1468

00:46:34,430 --> 00:46:30,839

because it's going to be a big business

1469

00:46:36,829 --> 00:46:34,440

I mean if you know Tyler uh Tim Taylor I

1470

00:46:38,630 --> 00:46:36,839

guess if you know that story he told me

1471

00:46:40,550 --> 00:46:38,640

the story of the first discovery it's in

1472

00:46:42,410 --> 00:46:40,560

American Cosmic you're familiar with the

1473

00:46:44,510 --> 00:46:42,420

book and he talks about the discovery

1474

00:46:46,849 --> 00:46:44,520

where he gets called it to the to the

1475

00:46:49,430 --> 00:46:46,859

Pentagon and the general says who came

1476

00:46:52,190 --> 00:46:49,440

up with this idea every points at him

1477

00:46:53,390 --> 00:46:52,200

him and and then he got it on the space

1478

00:46:54,589 --> 00:46:53,400

shuttle he told me they would he would

1479

00:46:56,569 --> 00:46:54,599

they wouldn't put this idea on the space

1480

00:46:58,309 --> 00:46:56,579

shuttle and then events eventually he

1481

00:47:01,490 --> 00:46:58,319

got a scientist to sign off and they put

1482

00:47:04,150 --> 00:47:01,500

it on the space shuttle and um I I was

1483

00:47:06,829 --> 00:47:04,160

told well I was told that the company

1484

00:47:08,750 --> 00:47:06,839

that that invention was part of sold on

1485

00:47:10,069 --> 00:47:08,760

NASDAQ for 100 million dollars so you

1486

00:47:12,109 --> 00:47:10,079

got to realize there's some money and

1487

00:47:13,970 --> 00:47:12,119

Pat and he's got 40 pounds and his are

1488

00:47:15,589 --> 00:47:13,980

all medical patents they're all he works

1489

00:47:17,270 --> 00:47:15,599

with cancer kids and stuff like that he

1490

00:47:18,829 --> 00:47:17,280

goes to hospitals and stuff like that

1491

00:47:21,770 --> 00:47:18,839

and it's all sort of operating stuff and

1492

00:47:24,770 --> 00:47:21,780

and and getting tissue to not reject

1493

00:47:26,690 --> 00:47:24,780

metal uh implants that was sort of one

1494

00:47:28,550 --> 00:47:26,700

of the the big invention he got was how

1495

00:47:29,930 --> 00:47:28,560

to meld metal and tissue together and

1496

00:47:31,309 --> 00:47:29,940

stuff like that so there's a lot of

1497

00:47:33,050 --> 00:47:31,319

there's a lot of money involved if you

1498

00:47:35,030 --> 00:47:33,060

see some of the inventions that you that

1499

00:47:36,829 --> 00:47:35,040

you can get from this even small stuff

1500

00:47:38,930 --> 00:47:36,839

like the the medals which I say is a

1501  
00:47:41,870 --> 00:47:38,940  
ports I mean they didn't come across the

1502  
00:47:43,910 --> 00:47:41,880  
Galaxy you know avoiding black holes and

1503  
00:47:45,230 --> 00:47:43,920  
and stars and stuff to get here to have

1504  
00:47:46,670 --> 00:47:45,240  
little pieces fall off the craft they're

1505  
00:47:47,930 --> 00:47:46,680  
dropping this stuff on purpose and

1506  
00:47:49,550 --> 00:47:47,940  
that's where I call the theory of wow

1507  
00:47:51,230 --> 00:47:49,560  
they they're sort of leading us along

1508  
00:47:53,270 --> 00:47:51,240  
with breadcrumbs so the government is

1509  
00:47:55,010 --> 00:47:53,280  
disclosing but so is the uh so is the

1510  
00:47:56,390 --> 00:47:55,020  
whatever the intelligence is they're

1511  
00:47:58,130 --> 00:47:56,400  
disclosing as well why do they have

1512  
00:47:59,990 --> 00:47:58,140  
lights on they want you to see them they

1513  
00:48:02,390 --> 00:48:00,000

can turn the lights off they're doing

1514

00:48:04,309 --> 00:48:02,400

all this stuff on purpose to try to move

1515

00:48:06,710 --> 00:48:04,319

people slowly down the road that they

1516

00:48:10,010 --> 00:48:06,720

want them to go it's uh two disclosures

1517

00:48:12,349 --> 00:48:10,020

ours and theirs right yeah exactly yeah

1518

00:48:13,910 --> 00:48:12,359

yeah and I find as of late it's more

1519

00:48:15,650 --> 00:48:13,920

like a seeping it's coming out of the

1520

00:48:17,450 --> 00:48:15,660

ground here and there you know different

1521

00:48:20,089 --> 00:48:17,460

parts and that they're trying to get the

1522

00:48:21,710 --> 00:48:20,099

public to be more accepting of that one

1523

00:48:24,710 --> 00:48:21,720

of the biggest problems that we have on

1524

00:48:26,750 --> 00:48:24,720

this side of the border is our news is

1525

00:48:29,329 --> 00:48:26,760

not taking this as seriously as they

1526

00:48:31,430 --> 00:48:29,339

should now there is some coverage but I

1527

00:48:33,589 --> 00:48:31,440

always find that it's more on of you

1528

00:48:36,170 --> 00:48:33,599

know we made fun of this before uh it's

1529

00:48:38,630 --> 00:48:36,180

more of a lighter impression of on a

1530

00:48:42,470 --> 00:48:38,640

lighter head on a lighter note let's

1531

00:48:44,089 --> 00:48:42,480

look at UFOs yeah like what the [h\_\_h] is

1532

00:48:47,450 --> 00:48:44,099

the lighter note I don't know this is

1533

00:48:49,730 --> 00:48:47,460

the biggest story in human history uh

1534

00:48:51,290 --> 00:48:49,740

yeah sorry for swear in there but it's

1535

00:48:53,809 --> 00:48:51,300

usually not the reporters It's usually

1536

00:48:56,870 --> 00:48:53,819

the editors I remember I knew Billy Cox

1537

00:48:59,150 --> 00:48:56,880

really well from he he runs the red the

1538

00:49:01,010 --> 00:48:59,160

block the the blog he's running it for

1539

00:49:02,750 --> 00:49:01,020

30 years I he did an article on Reagan

1540

00:49:05,270 --> 00:49:02,760

and the Reagan days and used my material

1541

00:49:07,490 --> 00:49:05,280

and he said my edit my editor simply

1542

00:49:08,630 --> 00:49:07,500

tolerated it I could do it as long as it

1543

00:49:10,309 --> 00:49:08,640

was on my own time I could write

1544

00:49:11,569 --> 00:49:10,319

articles and stuff and he would just

1545

00:49:13,370 --> 00:49:11,579

tolerate it and that's what I found it

1546

00:49:15,050 --> 00:49:13,380

was usually not the reporter it was

1547

00:49:16,849 --> 00:49:15,060

usually the editor is very conservative

1548

00:49:18,770 --> 00:49:16,859

and says hey I'm not into this stuff or

1549

00:49:20,750 --> 00:49:18,780

whatever because I remember the one uh

1550

00:49:22,550 --> 00:49:20,760

if you know how I got started in Carmen

1551  
00:49:23,630 --> 00:49:22,560  
Manitoba that's how this whole thing

1552  
00:49:24,829 --> 00:49:23,640  
that's how I would never have been

1553  
00:49:26,569 --> 00:49:24,839  
involved with administer the media

1554  
00:49:28,250 --> 00:49:26,579  
because what happened was

1555  
00:49:30,290 --> 00:49:28,260  
um the the thing was being seen every

1556  
00:49:31,490 --> 00:49:30,300  
night it started in February of 1975

1557  
00:49:33,710 --> 00:49:31,500  
that's when they put the first

1558  
00:49:35,210 --> 00:49:33,720  
anti-ballistic missile unit on the other

1559  
00:49:37,130 --> 00:49:35,220  
side of the Border in cools root North

1560  
00:49:38,870 --> 00:49:37,140  
Dakota adding another 100 nuclear

1561  
00:49:41,390 --> 00:49:38,880  
missiles on the other side of the border

1562  
00:49:43,550 --> 00:49:41,400  
from Manitoba and 20 miles or 25 miles

1563  
00:49:45,050 --> 00:49:43,560

north suddenly these UFOs start flying

1564

00:49:46,970 --> 00:49:45,060

around and I could never figure out why

1565

00:49:48,530 --> 00:49:46,980

they were there and so February it

1566

00:49:50,329 --> 00:49:48,540

started and I said to my friends we to

1567

00:49:52,910 --> 00:49:50,339

drive around the city and do nothing so

1568

00:49:54,109 --> 00:49:52,920

I said hey let's uh why don't we go to

1569

00:49:55,430 --> 00:49:54,119

Carmen instead of driving around the

1570

00:49:57,290 --> 00:49:55,440

city and see what they're looking at and

1571

00:49:59,329 --> 00:49:57,300

I never I had no interest in UFOs but I

1572

00:50:00,650 --> 00:49:59,339

I was kind of weird you know I was sort

1573

00:50:02,569 --> 00:50:00,660

of interested in paranormal stuff I said

1574

00:50:04,370 --> 00:50:02,579

let's go maybe we'll see and I knew I

1575

00:50:05,750 --> 00:50:04,380

always make the joke it was like you buy

1576

00:50:06,589 --> 00:50:05,760

the lottery ticket you know there's a

1577

00:50:08,390 --> 00:50:06,599

chance you're going to win but you're

1578

00:50:09,530 --> 00:50:08,400

not going to win I know everybody's

1579

00:50:10,550 --> 00:50:09,540

seeing it every night but when you go

1580

00:50:12,230 --> 00:50:10,560

out there there's gonna be nobody we're

1581

00:50:14,750 --> 00:50:12,240

not going to see anything so we didn't

1582

00:50:16,010 --> 00:50:14,760

go and we didn't go till May of 1975 so

1583

00:50:17,210 --> 00:50:16,020

from February to may we didn't go we

1584

00:50:18,589 --> 00:50:17,220

completely fraudible I didn't think

1585

00:50:19,849 --> 00:50:18,599

about it and it was in the newspaper

1586

00:50:22,550 --> 00:50:19,859

quite a bit and then it was suddenly it

1587

00:50:26,210 --> 00:50:22,560

was the CKY TV

1588

00:50:27,650 --> 00:50:26,220

um got the um the story The the CBC and

1589

00:50:30,170 --> 00:50:27,660

there was CTV and they were both trying

1590

00:50:32,210 --> 00:50:30,180

to get a film of this thing but they go

1591

00:50:33,890 --> 00:50:32,220

out there but CTV was big into filming

1592

00:50:36,050 --> 00:50:33,900

people so turn all the lights on and

1593

00:50:37,550 --> 00:50:36,060

they would try to you know why you here

1594

00:50:39,109 --> 00:50:37,560

what are you expecting to see and then

1595

00:50:40,670 --> 00:50:39,119

the guy said turn off the damn lights

1596

00:50:42,530 --> 00:50:40,680

we're losing our night vision like what

1597

00:50:44,450 --> 00:50:42,540

are you doing we're trying to say we're

1598

00:50:46,370 --> 00:50:44,460

trying to see stuff you know and and but

1599

00:50:47,990 --> 00:50:46,380

CKY came out and they had a crew that

1600

00:50:50,450 --> 00:50:48,000

was there and they almost got it it was

1601  
00:50:51,829 --> 00:50:50,460  
on the ground and they saw it but they

1602  
00:50:53,809 --> 00:50:51,839  
didn't get any film and so they go

1603  
00:50:55,069 --> 00:50:53,819  
running back to CKY and then they say

1604  
00:50:57,950 --> 00:50:55,079  
man we almost got it we're going back

1605  
00:50:59,450 --> 00:50:57,960  
out tomorrow night and the uh so there

1606  
00:51:01,190 --> 00:50:59,460  
was two reporters one became a big

1607  
00:51:04,430 --> 00:51:01,200  
reporter His Name Escapes Me became a

1608  
00:51:06,650 --> 00:51:04,440  
big reporter for CBC and so they all got

1609  
00:51:09,049 --> 00:51:06,660  
a volunteer film crew they didn't even

1610  
00:51:10,549 --> 00:51:09,059  
have a cameraman they used a film editor

1611  
00:51:12,589 --> 00:51:10,559  
never shot a camera before in his life

1612  
00:51:15,049 --> 00:51:12,599  
he was the film film guy he hit him to

1613  
00:51:19,370 --> 00:51:15,059

take a couple of reporters and and and

1614

00:51:22,670 --> 00:51:21,290

all right we are back sorry about that

1615

00:51:24,410 --> 00:51:22,680

we had some technical difficulties with

1616

00:51:25,609 --> 00:51:24,420

Mr Grant he had to change computers and

1617

00:51:27,650 --> 00:51:25,619

everything so maybe the government

1618

00:51:29,390 --> 00:51:27,660

really is out to get you grant be

1619

00:51:31,250 --> 00:51:29,400

careful buddy

1620

00:51:32,390 --> 00:51:31,260

so I was telling just quickly because we

1621

00:51:34,250 --> 00:51:32,400

only got a few minutes left I quickly

1622

00:51:36,470 --> 00:51:34,260

tell you so how I got involved

1623

00:51:38,329 --> 00:51:36,480

So This Crew goes up volunteer crew goes

1624

00:51:41,150 --> 00:51:38,339

out to try to catch Charlie Red Star on

1625

00:51:42,410 --> 00:51:41,160

the ground and um they it's on the

1626  
00:51:43,849 --> 00:51:42,420  
ground they see it on the ground and

1627  
00:51:45,470 --> 00:51:43,859  
they surround it so they put a car going

1628  
00:51:47,690 --> 00:51:45,480  
north around it it's one going south

1629  
00:51:49,430 --> 00:51:47,700  
around it to try to come in across so

1630  
00:51:51,829 --> 00:51:49,440  
they can run into it and they do they're

1631  
00:51:53,690 --> 00:51:51,839  
50 feet away it's it's like a drive-in

1632  
00:51:54,829 --> 00:51:53,700  
movie screen sitting on the but it's not

1633  
00:51:56,930 --> 00:51:54,839  
sitting on the ground it's a couple feet

1634  
00:51:58,370 --> 00:51:56,940  
off the ground and

1635  
00:51:59,750 --> 00:51:58,380  
um then they look around to get their

1636  
00:52:02,150 --> 00:51:59,760  
perspective and they look back in the

1637  
00:52:04,670 --> 00:52:02,160  
the UFO is gone it was it was standing

1638  
00:52:08,990 --> 00:52:04,680

there right away it was a huge craft and

1639

00:52:10,790 --> 00:52:09,000

meanwhile the guy is a TV uh editor of

1640

00:52:11,809 --> 00:52:10,800

film is on the other end eight and a

1641

00:52:13,130 --> 00:52:11,819

quarter miles away and he's sitting

1642

00:52:14,569 --> 00:52:13,140

there looking through the viewfinder and

1643

00:52:16,309 --> 00:52:14,579

he sees this thing come up and he sees

1644

00:52:17,329 --> 00:52:16,319

it go down he sees it comes up and he

1645

00:52:18,770 --> 00:52:17,339

said they got to get something on film

1646

00:52:21,410 --> 00:52:18,780

they didn't get it last night so the

1647

00:52:22,790 --> 00:52:21,420

next time this thing goes up I'm gonna

1648

00:52:25,430 --> 00:52:22,800

shoot the camera and it's almost like

1649

00:52:27,049 --> 00:52:25,440

the UFO said you ready get ready and he

1650

00:52:28,609 --> 00:52:27,059

pushes the trigger and boom nothing

1651  
00:52:32,569 --> 00:52:28,619  
jumps in the air almost like the Nimitz

1652  
00:52:35,690 --> 00:52:32,579  
why did the UF why did the the tick tack

1653  
00:52:38,030 --> 00:52:35,700  
in the USS Nimitz drop from 89 000 feet

1654  
00:52:39,950 --> 00:52:38,040  
or 80 000 feet down to sea level and

1655  
00:52:41,450 --> 00:52:39,960  
seven eighths of a second they did to

1656  
00:52:43,309 --> 00:52:41,460  
show off they want to go hey what's this

1657  
00:52:45,230 --> 00:52:43,319  
and every total story every tell story

1658  
00:52:47,809 --> 00:52:45,240  
of it and this is exactly the same thing

1659  
00:52:50,390 --> 00:52:47,819  
it went from ground level to 5000 feet

1660  
00:52:52,130 --> 00:52:50,400  
in the air in three frames of film so

1661  
00:52:53,990 --> 00:52:52,140  
one eighth of a frame a second you went

1662  
00:52:55,609 --> 00:52:54,000  
right to ground to five thousand feet in

1663  
00:52:57,170 --> 00:52:55,619

the air and the guy the thing jumped up

1664

00:52:58,430 --> 00:52:57,180

in the air and then it flew off and he

1665

00:52:59,930 --> 00:52:58,440

and every time he had the camera

1666

00:53:01,549 --> 00:52:59,940

stationary picked it up every time the

1667

00:53:03,710 --> 00:53:01,559

cameras moved he didn't so he had this

1668

00:53:05,270 --> 00:53:03,720

movement it was flying on this wave as

1669

00:53:06,829 --> 00:53:05,280

they went to 12 o'clock he stopped the

1670

00:53:08,630 --> 00:53:06,839

camera so anyway when I interviewed

1671

00:53:12,230 --> 00:53:08,640

these guys I went to the guy and doing

1672

00:53:15,349 --> 00:53:12,240

the film we shot the film and uh I

1673

00:53:17,030 --> 00:53:15,359

suddenly realized it was not when I got

1674

00:53:20,030 --> 00:53:17,040

it but a couple years later I thought to

1675

00:53:21,589 --> 00:53:20,040

myself hey there wasn't an accident when

1676  
00:53:23,450 --> 00:53:21,599  
he shot the film it just as this thing

1677  
00:53:25,010 --> 00:53:23,460  
jumped in the air they knew I had to go

1678  
00:53:26,510 --> 00:53:25,020  
out I would never have gone out of

1679  
00:53:29,630 --> 00:53:26,520  
Heaven as I felt it was viral and

1680  
00:53:30,770 --> 00:53:29,640  
Winnipeg TV I had had a eight-minute

1681  
00:53:32,329 --> 00:53:30,780  
documentary and they were breaking it

1682  
00:53:34,430 --> 00:53:32,339  
down frame by frame and stuff like that

1683  
00:53:36,230 --> 00:53:34,440  
and now they don't have it when I did

1684  
00:53:37,490 --> 00:53:36,240  
the book I went back and they said no we

1685  
00:53:38,930 --> 00:53:37,500  
don't know where that film went I know

1686  
00:53:40,970 --> 00:53:38,940  
where it went the guy that they never

1687  
00:53:42,890 --> 00:53:40,980  
paid the crew because as volunteer crew

1688  
00:53:44,630 --> 00:53:42,900

and they got this famous NBC had the

1689

00:53:46,010 --> 00:53:44,640

film and it was a big film and the guy

1690

00:53:47,930 --> 00:53:46,020

said they never paid for the damn thing

1691

00:53:49,849 --> 00:53:47,940

I took it when I left so he stole this

1692

00:53:51,770 --> 00:53:49,859

film from CKY but anyway I thought to

1693

00:53:53,390 --> 00:53:51,780

myself this was the thing they wanted me

1694

00:53:54,770 --> 00:53:53,400

out as part of the plan that I would

1695

00:53:56,150 --> 00:53:54,780

never would have gone up and that's what

1696

00:53:57,770 --> 00:53:56,160

I said to my friends they said hey man

1697

00:53:59,210 --> 00:53:57,780

do you see a film on TV come on let's go

1698

00:54:00,650 --> 00:53:59,220

let's go and see what it is and I went

1699

00:54:03,170 --> 00:54:00,660

out there and we were driving around for

1700

00:54:04,250 --> 00:54:03,180

an hour and then my my friend says we're

1701  
00:54:05,809 --> 00:54:04,260  
looking around and couldn't figure out

1702  
00:54:06,890 --> 00:54:05,819  
whatever he's looking at and and my

1703  
00:54:08,329 --> 00:54:06,900  
friend says okay we'll go back into

1704  
00:54:10,069 --> 00:54:08,339  
carbon one more time if we don't see

1705  
00:54:11,630 --> 00:54:10,079  
anything let's go home I said fantastic

1706  
00:54:13,069 --> 00:54:11,640  
it's been a total waste of time we

1707  
00:54:15,470 --> 00:54:13,079  
turned the car around to go back in and

1708  
00:54:17,569 --> 00:54:15,480  
boom right in front of the car clearest

1709  
00:54:19,130 --> 00:54:17,579  
day right brother there it is it's like

1710  
00:54:21,589 --> 00:54:19,140  
nobody asked me decided that's not what

1711  
00:54:23,450 --> 00:54:21,599  
they're looking at is there it is and so

1712  
00:54:24,829 --> 00:54:23,460  
that's how it started for me and and

1713  
00:54:26,270 --> 00:54:24,839

then it went and I wanted to know the

1714

00:54:27,890 --> 00:54:26,280

second night came right at us and flew

1715

00:54:29,390 --> 00:54:27,900

on an angle away from us and then I'm

1716

00:54:30,650 --> 00:54:29,400

thinking it's like what's it doing it's

1717

00:54:32,030 --> 00:54:30,660

not doing anything and that's why I

1718

00:54:34,010 --> 00:54:32,040

asked people I said when you saw the UFO

1719

00:54:35,450 --> 00:54:34,020

what was it doing I was just sitting

1720

00:54:37,130 --> 00:54:35,460

here and it's like it was making a

1721

00:54:38,510 --> 00:54:37,140

triangle in the air what's it making a

1722

00:54:40,250 --> 00:54:38,520

triangle in there and it's like it's

1723

00:54:42,710 --> 00:54:40,260

it's prodding people it's dragging

1724

00:54:44,329 --> 00:54:42,720

people into it and uh so that's how I

1725

00:54:45,410 --> 00:54:44,339

went and I wanted to know that why that

1726

00:54:46,730 --> 00:54:45,420

thing was in Carmen I couldn't figure

1727

00:54:48,290 --> 00:54:46,740

out what's it doing what's this all

1728

00:54:49,370 --> 00:54:48,300

about and I said I may not know but

1729

00:54:50,329 --> 00:54:49,380

somebody's got to know and that's when

1730

00:54:52,250 --> 00:54:50,339

they're after the Canadian government

1731

00:54:53,510 --> 00:54:52,260

that's why after the president of the

1732

00:54:55,190 --> 00:54:53,520

president United States has got to know

1733

00:54:57,109 --> 00:54:55,200

what's going on here and then I went

1734

00:54:59,569 --> 00:54:57,119

after CIA guys and all these top level

1735

00:55:02,750 --> 00:54:59,579

guys in the Avery and all these guys and

1736

00:55:04,549 --> 00:55:02,760

now my my position is yes they know they

1737

00:55:06,410 --> 00:55:04,559

know a little bit about uh the

1738

00:55:08,930 --> 00:55:06,420

Consciousness is a big factor they know

1739

00:55:10,730 --> 00:55:08,940

that for a fact uh but other than that

1740

00:55:12,170 --> 00:55:10,740

they really haven't got a clue it's

1741

00:55:14,030 --> 00:55:12,180

almost like the story I tell to

1742

00:55:15,530 --> 00:55:14,040

understand what's actually going on you

1743

00:55:17,150 --> 00:55:15,540

listen to Leslie Kane's story when I

1744

00:55:18,829 --> 00:55:17,160

interviewed her all I wanted to ask us

1745

00:55:20,510 --> 00:55:18,839

okay nothing about UFOs this one saying

1746

00:55:22,790 --> 00:55:20,520

blessing tell me about this tell me

1747

00:55:24,290 --> 00:55:22,800

about hand did that actually happen she

1748

00:55:27,049 --> 00:55:24,300

said yeah it actually happened and now

1749

00:55:28,430 --> 00:55:27,059

she's at a physical medium uh session

1750

00:55:30,410 --> 00:55:28,440

and I've done a lot of writing about

1751

00:55:32,329 --> 00:55:30,420

that as well where this hand appears

1752

00:55:33,710 --> 00:55:32,339

that this watery stuff comes up on the

1753

00:55:35,150 --> 00:55:33,720

table she's got this little table she's

1754

00:55:36,950 --> 00:55:35,160

sitting at comes up and it turns into

1755

00:55:38,870 --> 00:55:36,960

this hand and she feels the hand and

1756

00:55:41,329 --> 00:55:38,880

it's completely solid she says it's got

1757

00:55:42,950 --> 00:55:41,339

you could feel it it's warm it's soft

1758

00:55:44,930 --> 00:55:42,960

like a child's child's hands I can feel

1759

00:55:46,490 --> 00:55:44,940

the knuckles and their tendons and

1760

00:55:48,250 --> 00:55:46,500

everything like that and that bangs on

1761

00:55:50,270 --> 00:55:48,260

the table a couple times and then just

1762

00:55:52,309 --> 00:55:50,280

disappears and that's what's going on

1763

00:55:54,109 --> 00:55:52,319

this phenomenon is coming in from some

1764

00:55:56,270 --> 00:55:54,119

other vibrational level it's it's

1765

00:55:58,609 --> 00:55:56,280

manifesting itself it appears and then

1766

00:56:00,170 --> 00:55:58,619

just like nothing because that's the key

1767

00:56:01,790 --> 00:56:00,180

inside out four times and I say unless

1768

00:56:03,290 --> 00:56:01,800

they can Kane tells a story about the

1769

00:56:04,490 --> 00:56:03,300

hand that's the story you gotta listen

1770

00:56:06,410 --> 00:56:04,500

to Because Leslie Kane's not just

1771

00:56:07,970 --> 00:56:06,420

anybody he's the New York Times Reporter

1772

00:56:09,770 --> 00:56:07,980

and that is the most significant story

1773

00:56:11,390 --> 00:56:09,780

I've ever heard that explains what's

1774

00:56:12,890 --> 00:56:11,400

going on we have these various levels

1775

00:56:14,870 --> 00:56:12,900

and these things are in other levels

1776

00:56:16,370 --> 00:56:14,880

it's like a radio station we're on one

1777

00:56:18,170 --> 00:56:16,380

station they're on another station they

1778

00:56:20,030 --> 00:56:18,180

can come onto our station we can go even

1779

00:56:22,309 --> 00:56:20,040

like there's a uh I know if you've

1780

00:56:24,710 --> 00:56:22,319

interviewed him there's a is really uh

1781

00:56:28,190 --> 00:56:24,720

contactee who was told when we come into

1782

00:56:29,870 --> 00:56:28,200

your world uh we uh take on a body we

1783

00:56:31,549 --> 00:56:29,880

have to take on a body we can take on

1784

00:56:33,230 --> 00:56:31,559

whatever form we want we don't need it

1785

00:56:35,930 --> 00:56:33,240

you can do the same thing you just don't

1786

00:56:38,510 --> 00:56:35,940

know about it you'll see Ronin

1787

00:56:40,309 --> 00:56:38,520

yeah yeah interesting guy yeah so very

1788

00:56:41,870 --> 00:56:40,319

interesting though the whole topic of uh

1789

00:56:43,730 --> 00:56:41,880  
of Consciousness we get a lot of

1790

00:56:47,390 --> 00:56:43,740  
negative comments from people that are

1791

00:56:48,950 --> 00:56:47,400  
like it's UFO not UAP and there's no

1792

00:56:51,530 --> 00:56:48,960  
such thing as Consciousness quit

1793

00:56:53,750 --> 00:56:51,540  
bringing that [h\_\_h] up well I'm sorry but

1794

00:56:55,069 --> 00:56:53,760  
it's there and it's not necessarily you

1795

00:56:57,349 --> 00:56:55,079  
know we're all going to become Yogi

1796

00:56:59,990 --> 00:56:57,359  
Masters and meditate but if these craft

1797

00:57:01,370 --> 00:57:00,000  
are operating by Consciousness and you

1798

00:57:02,930 --> 00:57:01,380  
know they're communicating with us

1799

00:57:04,430 --> 00:57:02,940  
through Consciousness even in you know

1800

00:57:07,490 --> 00:57:04,440  
child sightings and aerial School

1801

00:57:10,670 --> 00:57:07,500

phenomenon it's all telepathic

1802

00:57:12,650 --> 00:57:10,680

um so maybe it's them communicating with

1803

00:57:14,569 --> 00:57:12,660

us through multiple levels maybe we need

1804

00:57:17,390 --> 00:57:14,579

a body we would never understand them or

1805

00:57:19,430 --> 00:57:17,400

what the hell it is so as much as we

1806

00:57:21,770 --> 00:57:19,440

want to stay nuts and bolts UFO guys

1807

00:57:23,809 --> 00:57:21,780

it's not always a flying object

1808

00:57:26,809 --> 00:57:23,819

sometimes it's an unexplained phenomena

1809

00:57:29,390 --> 00:57:26,819

and it is not always you know nuts and

1810

00:57:31,430 --> 00:57:29,400

bolts it is consciousness based on many

1811

00:57:33,109 --> 00:57:31,440

many levels and we've said it many times

1812

00:57:35,089 --> 00:57:33,119

you know it's not Stranger Than You

1813

00:57:37,190 --> 00:57:35,099

Think it's Stranger than you can think

1814

00:57:39,589 --> 00:57:37,200

and if you want to have the blinders on

1815

00:57:41,990 --> 00:57:39,599

fine and fair enough but to really look

1816

00:57:43,549 --> 00:57:42,000

at this and to apply the science you

1817

00:57:45,890 --> 00:57:43,559

need to look at quantum physics quantum

1818

00:57:47,510 --> 00:57:45,900

mechanics because it's the spookier

1819

00:57:49,430 --> 00:57:47,520

science that says well maybe this [h\_\_\h]

1820

00:57:52,010 --> 00:57:49,440

isn't that crazy and maybe there is

1821

00:57:54,710 --> 00:57:52,020

possibility of time Travel Intermediate

1822

00:57:56,690 --> 00:57:54,720

travel the five observables Lou Elizondo

1823

00:57:58,309 --> 00:57:56,700

describes it all makes a little more

1824

00:58:00,290 --> 00:57:58,319

sense when you look at quantum mechanics

1825

00:58:02,329 --> 00:58:00,300

and it doesn't make a whole lot of sense

1826  
00:58:04,250 --> 00:58:02,339  
when you look at the old-fashioned nuts

1827  
00:58:05,990 --> 00:58:04,260  
and bolts model and we even asked

1828  
00:58:07,309 --> 00:58:06,000  
Jacques valet in our 100th episode like

1829  
00:58:10,370 --> 00:58:07,319  
what do you want to tell everybody

1830  
00:58:11,870 --> 00:58:10,380  
Jacques and he said suspend judgment so

1831  
00:58:14,450 --> 00:58:11,880  
he's changed his mind a dozen times

1832  
00:58:16,250 --> 00:58:14,460  
already as you learned so don't get too

1833  
00:58:18,530 --> 00:58:16,260  
rigid in your belief patterns be

1834  
00:58:20,690 --> 00:58:18,540  
open-minded to this stuff it's real the

1835  
00:58:22,130 --> 00:58:20,700  
brightest Minds on the topic and you

1836  
00:58:23,930 --> 00:58:22,140  
mentioned Abby Loeb he's coming on our

1837  
00:58:26,150 --> 00:58:23,940  
show in November we're going to ask him

1838  
00:58:28,130 --> 00:58:26,160

the same stuff but everybody wants

1839

00:58:29,510 --> 00:58:28,140

scientific research but then they don't

1840

00:58:31,309 --> 00:58:29,520

necessarily like the answers they're

1841

00:58:33,290 --> 00:58:31,319

getting from the scientific

1842

00:58:35,630 --> 00:58:33,300

so we need bigger Minds than we've ever

1843

00:58:37,309 --> 00:58:35,640

needed at this point in time and you're

1844

00:58:39,589 --> 00:58:37,319

one of the greatest Minds that we've had

1845

00:58:41,030 --> 00:58:39,599

on the show I mean you're you have so

1846

00:58:43,069 --> 00:58:41,040

much information you can barely get it

1847

00:58:45,230 --> 00:58:43,079

up fast enough we could do a Five Hour

1848

00:58:47,630 --> 00:58:45,240

episode and I mean I thought I spoke

1849

00:58:49,130 --> 00:58:47,640

fast but you are you're 100 miles an

1850

00:58:50,809 --> 00:58:49,140

hour standing still and we love it

1851  
00:58:52,910 --> 00:58:50,819  
because that's how we feel about it

1852  
00:58:54,829 --> 00:58:52,920  
we're just as passionate uh we're just

1853  
00:58:56,030 --> 00:58:54,839  
as jacked up and where can people find

1854  
00:58:57,770 --> 00:58:56,040  
you if they want to learn more about

1855  
00:59:00,230 --> 00:58:57,780  
Grand camera and follow your material

1856  
00:59:03,349 --> 00:59:00,240  
where can they find most of my stuff

1857  
00:59:04,670 --> 00:59:03,359  
I've uh is all linked at um it's all

1858  
00:59:06,109 --> 00:59:04,680  
connected which is one word because

1859  
00:59:08,349 --> 00:59:06,119  
that's the main message they have

1860  
00:59:10,910 --> 00:59:08,359  
Oneness it's all connected one word

1861  
00:59:13,190 --> 00:59:10,920  
publishing if you Google that you'll

1862  
00:59:14,990 --> 00:59:13,200  
come to the site it has my books and my

1863  
00:59:15,950 --> 00:59:15,000

latest book is the key book that kills

1864

00:59:17,569 --> 00:59:15,960

the Consciousness thing if you don't

1865

00:59:20,510 --> 00:59:17,579

think Consciousness is involved

1866

00:59:22,490 --> 00:59:20,520

Gary Nolan said one story is is an

1867

00:59:24,770 --> 00:59:22,500

anecdotal story two stories is evidence

1868

00:59:26,990 --> 00:59:24,780

I've got 36 people who are telling this

1869

00:59:28,370 --> 00:59:27,000

bizarre story about flying the craft

1870

00:59:29,930 --> 00:59:28,380

they're all saying exactly the same

1871

00:59:32,089 --> 00:59:29,940

thing so you can't discount that when

1872

00:59:34,190 --> 00:59:32,099

you say that you go holy cow I mean or

1873

00:59:35,809 --> 00:59:34,200

you're the stories we have in the book

1874

00:59:37,849 --> 00:59:35,819

some of them where people describe they

1875

00:59:39,650 --> 00:59:37,859

go inside the craft and it's 100 times

1876

00:59:41,270 --> 00:59:39,660

bigger on inside outside is 30 feet

1877

00:59:42,589 --> 00:59:41,280

inside it's like a football stadium and

1878

00:59:44,450 --> 00:59:42,599

Hal cutoff said boy I'd like to figure

1879

00:59:45,530 --> 00:59:44,460

out how that works when you start seeing

1880

00:59:47,569 --> 00:59:45,540

when you start listening to the

1881

00:59:49,490 --> 00:59:47,579

experiences who everybody's ignored the

1882

00:59:50,870 --> 00:59:49,500

experiencers will tell you this weird

1883

00:59:52,370 --> 00:59:50,880

stuff you can look at all the lights in

1884

00:59:54,349 --> 00:59:52,380

the sky you want you're you're going to

1885

00:59:56,030 --> 00:59:54,359

be back in 1947. I said how many times

1886

00:59:57,770 --> 00:59:56,040

do we got to go to grade one this is

1887

00:59:59,569 --> 00:59:57,780

like the 73rd year we've gone to grade

1888

01:00:00,890 --> 00:59:59,579

one let's move on and move on to

1889

01:00:02,210 --> 01:00:00,900

something else sightings tell us

1890

01:00:04,730 --> 01:00:02,220

something's going on you got to get past

1891

01:00:06,770 --> 01:00:04,740

the side and talk to the people who are

1892

01:00:08,450 --> 01:00:06,780

engaging the phenomena those are the

1893

01:00:11,089 --> 01:00:08,460

people that are most important to me

1894

01:00:12,710 --> 01:00:11,099

nice Grant Cameron we thank you so much

1895

01:00:15,109 --> 01:00:12,720

for coming on the podcast we hope to

1896

01:00:17,270 --> 01:00:15,119

have you back on if it's uh anytime

1897

01:00:20,289 --> 01:00:17,280

anytime you are welcome on this podcast

1898

01:00:23,089 --> 01:00:20,299

sir yeah you are a Canadian icon

1899

01:00:31,110 --> 01:00:23,099

okay thanks thank you so much sir okay
