

UAP STUDIES PODCAST

DR. LYNNE KITEI

1
00:00:04,789 --> 00:00:02,570
everybody how you doing a very special

2
00:00:07,369 --> 00:00:04,799
day today we wanted to get very specific

3
00:00:09,350 --> 00:00:07,379
on a very well-known UFO flap we're

4
00:00:11,330 --> 00:00:09,360
talking about the Phoenix Lights and uh

5
00:00:13,610 --> 00:00:11,340
Jason we've got Dr Lynn kitai in the

6
00:00:16,430 --> 00:00:13,620
show today she's quite the wealth of

7
00:00:18,170 --> 00:00:16,440
knowledge she uh knows a lot on the

8
00:00:20,450 --> 00:00:18,180
Phoenix Lights for sure she's one of the

9
00:00:21,830 --> 00:00:20,460
leading experts on it and I'm looking

10
00:00:23,870 --> 00:00:21,840
forward to talking with her for sure

11
00:00:25,490 --> 00:00:23,880
yeah and in our quest to find more

12
00:00:27,470 --> 00:00:25,500
science-minded and science trained

13
00:00:29,330 --> 00:00:27,480

people to really give their opinions on

14

00:00:31,250 --> 00:00:29,340

this stuff I mean she's a medical doctor

15

00:00:33,650 --> 00:00:31,260

she's a physician who had an experience

16

00:00:35,870 --> 00:00:33,660

she's the only lady that ever got 35 mil

17

00:00:37,490 --> 00:00:35,880

footage and you know the images you see

18

00:00:39,229 --> 00:00:37,500

in the paper and that those were all

19

00:00:41,389 --> 00:00:39,239

hers she went through it herself

20

00:00:43,549 --> 00:00:41,399

captured it and it changed her entire

21

00:00:45,650 --> 00:00:43,559

life and how could it not so today we're

22

00:00:47,990 --> 00:00:45,660

super excited to interview her uh we're

23

00:00:49,610 --> 00:00:48,000

gonna let her have the floor and just

24

00:00:50,690 --> 00:00:49,620

tell us everything she needs to tell I

25

00:00:52,310 --> 00:00:50,700

don't know how much she can fit in an

26

00:00:54,049 --> 00:00:52,320

hour but today we're going to learn

27

00:00:55,850 --> 00:00:54,059

about the Phoenix Lights on another

28

00:00:58,430 --> 00:00:55,860

great episode of UAP studies podcast

29

00:01:02,270 --> 00:00:58,440

let's do this

30

00:01:21,950 --> 00:01:16,080

[Music]

31

00:01:25,789 --> 00:01:23,749

welcome back to another episode of UAP

32

00:01:28,070 --> 00:01:25,799

studies podcast I am Louis Borges

33

00:01:30,050 --> 00:01:28,080

joining me as always my good friend and

34

00:01:32,210 --> 00:01:30,060

illustrious co-host Jason gilmap how are

35

00:01:33,590 --> 00:01:32,220

you man I'm doing good it's been a it's

36

00:01:35,510 --> 00:01:33,600

been a heck of a week but you know what

37

00:01:37,010 --> 00:01:35,520

this is going to be a great episode I've

38

00:01:39,410 --> 00:01:37,020

been looking forward to this all week

39

00:01:43,370 --> 00:01:39,420

and uh looking forward to uh hearing

40

00:01:45,050 --> 00:01:43,380

more about uh uh Dr Lynn kitai I

41

00:01:46,609 --> 00:01:45,060

pronounced that correctly I'm looking

42

00:01:49,670 --> 00:01:46,619

forward to talking with her a bit about

43

00:01:51,770 --> 00:01:49,680

the Phoenix Phoenix Lights in uh yeah

44

00:01:53,270 --> 00:01:51,780

discovering more about it yeah and so

45

00:01:55,130 --> 00:01:53,280

we're super excited because you know

46

00:01:57,469 --> 00:01:55,140

we're more science-minded than kind of

47

00:01:59,030 --> 00:01:57,479

Fringe or you know outer minded I would

48

00:02:01,730 --> 00:01:59,040

say and whenever you have somebody who's

49

00:02:03,770 --> 00:02:01,740

a trained scientist a doctor I mean I

50

00:02:05,209 --> 00:02:03,780

was a med student and I decided to be an

51

00:02:06,709 --> 00:02:05,219

entrepreneur because to be a

52

00:02:09,169 --> 00:02:06,719

cardiologist would have been damn near

53

00:02:10,729 --> 00:02:09,179

13 years of schooling for me so these

54

00:02:12,470 --> 00:02:10,739

are people that have a high level of

55

00:02:15,470 --> 00:02:12,480

intellect the ability to retain

56

00:02:16,729 --> 00:02:15,480

information record it correctly and so

57

00:02:18,770 --> 00:02:16,739

when you have somebody like that who has

58

00:02:21,470 --> 00:02:18,780

an experience and then shifts their

59

00:02:22,670 --> 00:02:21,480

entire life from being a physician to I

60

00:02:24,229 --> 00:02:22,680

want to figure out what what's going on

61

00:02:26,089 --> 00:02:24,239

and help other people understand that

62

00:02:28,190 --> 00:02:26,099

that's respect worthy for sure

63

00:02:30,290 --> 00:02:28,200

absolutely and uh you know Dr Lynn has

64

00:02:31,610 --> 00:02:30,300

been on over 100 TV and radio programs

65

00:02:34,250 --> 00:02:31,620

she's internationally acclaimed

66

00:02:35,990 --> 00:02:34,260

physician and health educator she's the

67

00:02:38,210 --> 00:02:36,000

author of Phoenix Lights a Skeptics

68

00:02:40,250 --> 00:02:38,220

discovery that we are not alone and

69

00:02:42,350 --> 00:02:40,260

today she's going to inform us about the

70

00:02:44,089 --> 00:02:42,360

whole Phoenix Lights in fact there's a

71

00:02:45,949 --> 00:02:44,099

lot of things people don't know and

72

00:02:48,290 --> 00:02:45,959

she's going to come on the show and uh

73

00:02:50,449 --> 00:02:48,300

and uh Enlighten us all so with very

74

00:02:51,350 --> 00:02:50,459

warm welcome Dr Lynn kitai welcome to

75

00:02:54,589 --> 00:02:51,360

the show

76

00:02:57,530 --> 00:02:54,599

it is my Supreme pleasure to be with you

77

00:03:00,229 --> 00:02:57,540

guys uh Louis and Jason and your

78

00:03:01,670 --> 00:03:00,239

audience particularly since I had no

79

00:03:03,470 --> 00:03:01,680

interest or knowledge in this topic at

80

00:03:06,170 --> 00:03:03,480

all I knew nothing about this topic

81

00:03:08,449 --> 00:03:06,180

before my husband who's also a physician

82

00:03:10,369 --> 00:03:08,459

and a healthy skeptic one must be open

83

00:03:12,890 --> 00:03:10,379

when you're a physician for whoever

84

00:03:15,670 --> 00:03:12,900

walks through the door had a very close

85

00:03:20,589 --> 00:03:15,680

sighting to our home two years before

86

00:03:23,869 --> 00:03:20,599

the historic Mass sighting of March 13

87

00:03:27,350 --> 00:03:23,879

1997 which has become the most witness

88

00:03:30,110 --> 00:03:27,360

most documented most important anomalous

89

00:03:32,390 --> 00:03:30,120

aerial Mass sighting in modern history

90

00:03:33,949 --> 00:03:32,400

if not all of history and as you

91

00:03:36,410 --> 00:03:33,959

mentioned Louis

92

00:03:38,869 --> 00:03:36,420

um I take this very seriously as a

93

00:03:41,149 --> 00:03:38,879

scientist I come to this forum as a

94

00:03:44,089 --> 00:03:41,159

scientist to uh and I've tried my best

95

00:03:46,670 --> 00:03:44,099

to really document things as credibly

96

00:03:50,330 --> 00:03:46,680

and professionally and share them as

97

00:03:52,430 --> 00:03:50,340

possible as well as a physician

98

00:03:54,470 --> 00:03:52,440

to let people know they're not crazy

99

00:03:57,229 --> 00:03:54,480

even though most anomalies can be

100

00:03:59,750 --> 00:03:57,239

explained only a small percentage cannot

101
00:04:01,729 --> 00:03:59,760
but just because we can't definitively

102
00:04:03,589 --> 00:04:01,739
Define what these things are it doesn't

103
00:04:05,690 --> 00:04:03,599
mean they're not real we may just be

104
00:04:07,729 --> 00:04:05,700
looking on the am dial for an FM

105
00:04:09,110 --> 00:04:07,739
frequency so it's important that we get

106
00:04:11,570 --> 00:04:09,120
this topic out in the open and we

107
00:04:13,850 --> 00:04:11,580
address it we accept it and study it so

108
00:04:16,069 --> 00:04:13,860
we can move forward and not only find

109
00:04:18,530 --> 00:04:16,079
out who's driving these things but also

110
00:04:20,449 --> 00:04:18,540
move forward in our own Evolution and

111
00:04:23,390 --> 00:04:20,459
when someone has

112
00:04:25,249 --> 00:04:23,400
um a paranormal experience it's real to

113
00:04:27,890 --> 00:04:25,259

them even though it might be able to be

114

00:04:29,570 --> 00:04:27,900

explained if they don't share it with

115

00:04:32,810 --> 00:04:29,580

even just one person and I always

116

00:04:35,450 --> 00:04:32,820

welcome people to uh message me on

117

00:04:37,010 --> 00:04:35,460

Facebook Phoenix Lights Network page on

118

00:04:38,570 --> 00:04:37,020

Facebook or Phoenix Lights Network

119

00:04:42,050 --> 00:04:38,580

website

120

00:04:44,990 --> 00:04:42,060

one person it's healing it's cathartic

121

00:04:47,749 --> 00:04:45,000

and certainly as an experiencer up close

122

00:04:50,270 --> 00:04:47,759

and personal as we'll get to I know how

123

00:04:52,850 --> 00:04:50,280

that feels and of course as an educator

124

00:04:54,530 --> 00:04:52,860

for over 50 years when the reality of

125

00:04:57,110 --> 00:04:54,540

vital health issues I have a company

126
00:04:58,790 --> 00:04:57,120
health education learning programs that

127
00:05:01,189 --> 00:04:58,800
produces video and workable curriculums

128
00:05:03,530 --> 00:05:01,199
on vital health issues for classrooms

129
00:05:05,510 --> 00:05:03,540
worldwide award-winning Discovery

130
00:05:06,950 --> 00:05:05,520
Education was Distributing for a couple

131
00:05:09,650 --> 00:05:06,960
decades

132
00:05:11,689 --> 00:05:09,660
um how could I not share what I

133
00:05:15,770 --> 00:05:11,699
documented particularly since it's on 35

134
00:05:18,590 --> 00:05:15,780
millimeter I documented these UAP on 35

135
00:05:21,050 --> 00:05:18,600
millimeter they cannot be explained

136
00:05:23,510 --> 00:05:21,060
or deny they're in the negative by

137
00:05:25,850 --> 00:05:23,520
military or university Optical experts

138
00:05:27,590 --> 00:05:25,860

and there is so much more to this story

139

00:05:30,230 --> 00:05:27,600

because there's so much Miss and

140

00:05:32,330 --> 00:05:30,240

disinformation out there even

141

00:05:34,610 --> 00:05:32,340

um many of the facts that ufologists

142

00:05:37,670 --> 00:05:34,620

don't even know because I pushed my

143

00:05:40,909 --> 00:05:37,680

entire medical career aside for seven

144

00:05:42,230 --> 00:05:40,919

years searching for a logical sorts of

145

00:05:43,969 --> 00:05:42,240

meaning for what I witnessed and

146

00:05:46,969 --> 00:05:43,979

photographed I've yet to buy the 25

147

00:05:49,850 --> 00:05:46,979

years later and what I found was so

148

00:05:53,029 --> 00:05:49,860

mind-boggling that I ended up with a 750

149

00:05:54,409 --> 00:05:53,039

page Journal seven years later that I

150

00:05:55,850 --> 00:05:54,419

didn't know what to do with I did not

151

00:05:58,310 --> 00:05:55,860

want to come forward and I really did

152

00:06:01,070 --> 00:05:58,320

stay Anonymous only a hand a handful of

153

00:06:03,529 --> 00:06:01,080

people knew what I had which was very

154

00:06:05,510 --> 00:06:03,539

significant as I've learned

155

00:06:07,969 --> 00:06:05,520

um but nonetheless finally after much

156

00:06:11,090 --> 00:06:07,979

slow searching I did come forward in in

157

00:06:13,430 --> 00:06:11,100

2004 with the first edition of the book

158

00:06:14,990 --> 00:06:13,440

The Phoenix Lights a Skeptics discovery

159

00:06:16,249 --> 00:06:15,000

that we are not alone and now it's in a

160

00:06:18,529 --> 00:06:16,259

sports print

161

00:06:21,230 --> 00:06:18,539

for anybody interested

162

00:06:22,670 --> 00:06:21,240

um it is offered on Amazon and Barnes

163

00:06:25,010 --> 00:06:22,680

Noble but

164

00:06:27,590 --> 00:06:25,020

um I uh recommend the ebook because it

165

00:06:29,749 --> 00:06:27,600

has color pictures and live links that

166

00:06:31,370 --> 00:06:29,759

they can explore I'm an educator go go

167

00:06:32,629 --> 00:06:31,380

explore if you're interested in

168

00:06:36,170 --> 00:06:32,639

something

169

00:06:38,390 --> 00:06:36,180

um but going back to uh you know how it

170

00:06:39,590 --> 00:06:38,400

all began if you want me to to get into

171

00:06:43,309 --> 00:06:39,600

that

172

00:06:45,830 --> 00:06:43,319

don't know about the Phoenix Lights

173

00:06:47,930 --> 00:06:45,840

maybe just broadly explain what it was

174

00:06:49,370 --> 00:06:47,940

what happened you know what they looked

175

00:06:50,930 --> 00:06:49,380

like and who saw it kind of thing oh

176

00:06:53,350 --> 00:06:50,940

yeah we we will definitely get to that

177

00:06:57,050 --> 00:06:53,360

and depending anybody's near a computer

178

00:06:58,430 --> 00:06:57,060

a lot of this is a visual the Phoenix

179

00:07:00,350 --> 00:06:58,440

Lights network if you just Google

180

00:07:02,450 --> 00:07:00,360

Phoenix Lights Network it usually comes

181

00:07:04,430 --> 00:07:02,460

up first and go to the photo page

182

00:07:06,290 --> 00:07:04,440

because I want to be referring to some

183

00:07:08,330 --> 00:07:06,300

of the photos which are really really

184

00:07:11,210 --> 00:07:08,340

important data

185

00:07:13,550 --> 00:07:11,220

um not proof but definite evidence of

186

00:07:15,610 --> 00:07:13,560

something anomalous that cannot be

187

00:07:18,290 --> 00:07:15,620

explained to this day

188

00:07:20,390 --> 00:07:18,300

1995 that this was my first introduction

189

00:07:22,790 --> 00:07:20,400

again had no interest or knowledge in

190

00:07:25,270 --> 00:07:22,800

the topic at all and I don't believe in

191

00:07:28,730 --> 00:07:25,280

coincidence anymore

192

00:07:30,529 --> 00:07:28,740

everything's for a reason okay it

193

00:07:34,010 --> 00:07:30,539

happened to be the eve of my birthday

194

00:07:35,270 --> 00:07:34,020

what an Incredible Gift actually in

195

00:07:38,390 --> 00:07:35,280

retrospect

196

00:07:42,290 --> 00:07:38,400

we're we're pretty high on a mountain in

197

00:07:44,390 --> 00:07:42,300

Paradise Valley and our Viewpoint

198

00:07:47,870 --> 00:07:44,400

overlooks the valley they call it the

199

00:07:50,930 --> 00:07:47,880

Valley of the Sun and some distance from

200

00:07:54,050 --> 00:07:50,940

US 20 miles away are two mountain ranges

201
00:07:56,990 --> 00:07:54,060
South Mountain and a few miles back the

202
00:07:59,330 --> 00:07:57,000
Estrella Mountain range and in front of

203
00:08:01,969 --> 00:07:59,340
South Mountain is the airport

204
00:08:03,710 --> 00:08:01,979
so we're very familiar with what planes

205
00:08:06,050 --> 00:08:03,720
look like and helicopters and street

206
00:08:08,570 --> 00:08:06,060
lights and car lights and so forth again

207
00:08:10,790 --> 00:08:08,580
it was the eve of my birthday I'm in a

208
00:08:14,029 --> 00:08:10,800
bath in a room adjacent to our bedroom

209
00:08:15,710 --> 00:08:14,039
and has one wall that's a window and

210
00:08:17,689 --> 00:08:15,720
anything that pops up out there we get

211
00:08:20,270 --> 00:08:17,699
to see and my husband happened to be

212
00:08:22,309 --> 00:08:20,280
standing by the window talking to my

213
00:08:24,469 --> 00:08:22,319

mother-in-law on the phone to wish me a

214

00:08:26,270 --> 00:08:24,479

happy birthday and he was on several

215

00:08:28,010 --> 00:08:26,280

State and Hospital medical boards

216

00:08:30,230 --> 00:08:28,020

nothing ever ruffled his feathers and he

217

00:08:33,290 --> 00:08:30,240

sat at alarm he says get over here quick

218

00:08:36,529 --> 00:08:33,300

what the hell is that I grabbed my towel

219

00:08:38,930 --> 00:08:36,539

ringing wet run to the window dripping

220

00:08:41,389 --> 00:08:38,940

and a little below us and you have to if

221

00:08:43,250 --> 00:08:41,399

you can get on that website photo page

222

00:08:45,230 --> 00:08:43,260

which isn't a really unique collection

223

00:08:48,170 --> 00:08:45,240

of the 35 millimeter

224

00:08:50,570 --> 00:08:48,180

you'll see the first picture shows that

225

00:08:53,150 --> 00:08:50,580

there is a car on the road and I did

226

00:08:56,690 --> 00:08:53,160

that purposely because cars with lights

227

00:08:59,030 --> 00:08:56,700

reflect onto the road a very unlike the

228

00:09:02,150 --> 00:08:59,040

true unknowns that are self-contained

229

00:09:04,430 --> 00:09:02,160

okay and there's skylights to the right

230

00:09:05,930 --> 00:09:04,440

of that car which was significant

231

00:09:08,030 --> 00:09:05,940

because if you look up from those

232

00:09:10,070 --> 00:09:08,040

skylights on a house

233

00:09:12,590 --> 00:09:10,080

you can see South Mountain and the

234

00:09:14,990 --> 00:09:12,600

Estrella Mountain range right there well

235

00:09:16,370 --> 00:09:15,000

we'll get to that in a second

236

00:09:19,190 --> 00:09:16,380

um

237

00:09:20,990 --> 00:09:19,200

as I'm looking a little below us and

238

00:09:24,410 --> 00:09:21,000

we're kind of nestled in the mountain

239

00:09:27,650 --> 00:09:24,420

range it's a it's a no-fly zone it's

240

00:09:30,230 --> 00:09:27,660

gated there should be no one there and

241

00:09:34,009 --> 00:09:30,240

it's a very treacherous desert landscape

242

00:09:36,110 --> 00:09:34,019

under these three orbs in a pyramid

243

00:09:38,030 --> 00:09:36,120

formation what I'm talking too closely

244

00:09:39,470 --> 00:09:38,040

aligned underneath and I admittedly

245

00:09:40,250 --> 00:09:39,480

looked underneath because again nobody

246

00:09:42,470 --> 00:09:40,260

should be there and it's very

247

00:09:43,490 --> 00:09:42,480

treacherous you know a cacti and all

248

00:09:44,990 --> 00:09:43,500

that

249

00:09:48,170 --> 00:09:45,000

Pitch Black

250

00:09:49,670 --> 00:09:48,180

and I'm looking at these three orbs and

251
00:09:51,410 --> 00:09:49,680
I'm thinking whoa I should get my camera

252
00:09:52,670 --> 00:09:51,420
but I didn't want to miss anything and

253
00:09:54,530 --> 00:09:52,680
you might hear that from other people

254
00:09:55,910 --> 00:09:54,540
out there that have had paranormal

255
00:09:57,650 --> 00:09:55,920
experience you don't know how long it's

256
00:09:59,690 --> 00:09:57,660
going to last so I try to take

257
00:10:01,730 --> 00:09:59,700
everything in mentally the size of shape

258
00:10:02,870 --> 00:10:01,740
the color they were about three to six

259
00:10:04,910 --> 00:10:02,880
feet each

260
00:10:07,310 --> 00:10:04,920
they were depending on how close they

261
00:10:08,990 --> 00:10:07,320
were they were oval shaped which is

262
00:10:11,630 --> 00:10:09,000
interesting now that we've learned that

263
00:10:14,269 --> 00:10:11,640

the Nimitz Navy Pilots describe their

264

00:10:16,550 --> 00:10:14,279

Tic-Tac UFOs that they've been seeing as

265

00:10:18,410 --> 00:10:16,560

oval shape or laws in shape I don't know

266

00:10:21,050 --> 00:10:18,420

if it's the same phenomena but

267

00:10:22,550 --> 00:10:21,060

nonetheless they were oval shape and I

268

00:10:24,949 --> 00:10:22,560

call them an orb

269

00:10:27,050 --> 00:10:24,959

because the light did not extend outside

270

00:10:29,389 --> 00:10:27,060

the edge it was self-contained and it

271

00:10:32,329 --> 00:10:29,399

was a uniform amber color throughout

272

00:10:35,090 --> 00:10:32,339

very soothing very mesmerizing every

273

00:10:36,889 --> 00:10:35,100

other light out there glared these did

274

00:10:37,910 --> 00:10:36,899

not and I thought if I don't get a

275

00:10:39,530 --> 00:10:37,920

picture of this no one's going to

276

00:10:41,750 --> 00:10:39,540

believe it so I go running to the closet

277

00:10:44,690 --> 00:10:41,760

I collect sunsets in fact all these

278

00:10:46,850 --> 00:10:44,700

books behind me or or success that I

279

00:10:50,269 --> 00:10:46,860

collect and I I just kept the cheap

280

00:10:52,550 --> 00:10:50,279

instamatic Canon camera in the closet

281

00:10:54,530 --> 00:10:52,560

and I go to grab it my husband calls me

282

00:10:56,329 --> 00:10:54,540

back and I always go back to this site

283

00:10:58,790 --> 00:10:56,339

because I saw this up close and personal

284

00:11:00,470 --> 00:10:58,800

and they were just yards from our home

285

00:11:04,009 --> 00:11:00,480

he says one of them is disappearing get

286

00:11:06,829 --> 00:11:04,019

over here quick and as we both watched

287

00:11:08,449 --> 00:11:06,839

the top award without budget from the

288

00:11:11,230 --> 00:11:08,459

other two very closely aligned

289

00:11:14,930 --> 00:11:11,240

underneath starts to shrink

290

00:11:17,329 --> 00:11:14,940

very very slowly mechanically

291

00:11:18,889 --> 00:11:17,339

but it's really difficult to describe in

292

00:11:21,410 --> 00:11:18,899

logical terms like it's dimmer switch

293

00:11:24,230 --> 00:11:21,420

like like it was an intelligent presence

294

00:11:26,690 --> 00:11:24,240

behind it getting smaller and smaller

295

00:11:27,530 --> 00:11:26,700

and smaller and smaller until it was pea

296

00:11:30,530 --> 00:11:27,540

size

297

00:11:31,850 --> 00:11:30,540

and then it disappeared but it felt like

298

00:11:34,190 --> 00:11:31,860

it was still there

299

00:11:35,870 --> 00:11:34,200

where did it go in fact the only thing

300

00:11:37,970 --> 00:11:35,880

that popped into my mind was we had two

301
00:11:40,130 --> 00:11:37,980
young boys at the time we did watch the

302
00:11:43,550 --> 00:11:40,140
original Star Trek series with William

303
00:11:45,769 --> 00:11:43,560
Shatner and also uh E.T and close

304
00:11:47,569 --> 00:11:45,779
encounters that was it okay

305
00:11:49,970 --> 00:11:47,579
what popped into my mind was a real

306
00:11:51,470 --> 00:11:49,980
Romulan cloaking device I don't know if

307
00:11:54,050 --> 00:11:51,480
you remember that from Star Trek but it

308
00:11:56,810 --> 00:11:54,060
kind of wavered before it cloaked this

309
00:11:59,210 --> 00:11:56,820
did not I really noted that that

310
00:12:01,190 --> 00:11:59,220
but it seemed like it was cloaking at

311
00:12:03,170 --> 00:12:01,200
any rate I jumped out on the balcony got

312
00:12:05,750 --> 00:12:03,180
a quick picture of the two lower orbs

313
00:12:08,230 --> 00:12:05,760

that's a second picture in the top row

314

00:12:12,230 --> 00:12:08,240

on the Phoenix Lights Network photo page

315

00:12:14,389 --> 00:12:12,240

and immediately noticed an eerie silence

316

00:12:17,630 --> 00:12:14,399

as if time had stopped it was just

317

00:12:19,550 --> 00:12:17,640

bizarre and as intently as I was

318

00:12:21,350 --> 00:12:19,560

watching these two lower orbs and I

319

00:12:24,050 --> 00:12:21,360

didn't share this with the soul until

320

00:12:26,210 --> 00:12:24,060

two years later after the mass sighting

321

00:12:29,389 --> 00:12:26,220

it felt like something was watching me

322

00:12:31,490 --> 00:12:29,399

it just did and going through my mind at

323

00:12:33,290 --> 00:12:31,500

that exact moment I was thinking

324

00:12:35,630 --> 00:12:33,300

who are you what are you do you know

325

00:12:38,030 --> 00:12:35,640

that I'm here I'd love to meet you

326

00:12:40,009 --> 00:12:38,040

the next thing I remember the left

327

00:12:42,170 --> 00:12:40,019

bottom orb started to shrink just like

328

00:12:43,910 --> 00:12:42,180

the top one did and I quickly shot a

329

00:12:46,310 --> 00:12:43,920

picture of that that was the only one

330

00:12:48,889 --> 00:12:46,320

that turned out at the time but for me

331

00:12:50,690 --> 00:12:48,899

it was confirmatory that we did see

332

00:12:53,509 --> 00:12:50,700

something unusual I didn't know what it

333

00:12:56,090 --> 00:12:53,519

was but I got a picture of it one half

334

00:12:57,470 --> 00:12:56,100

disappeared and one's still there but I

335

00:12:59,629 --> 00:12:57,480

didn't even know who to show it to I

336

00:13:03,350 --> 00:12:59,639

know no one who was into the topic I

337

00:13:05,449 --> 00:13:03,360

wondered for two years why we saw this

338

00:13:07,250 --> 00:13:05,459

what kind of advanced technology was

339

00:13:09,650 --> 00:13:07,260

this right outside our bedroom window

340

00:13:12,110 --> 00:13:09,660

why my husband happened to see it with

341

00:13:14,269 --> 00:13:12,120

me and interestingly he didn't want to

342

00:13:17,030 --> 00:13:14,279

talk about it okay he would get agitated

343

00:13:18,829 --> 00:13:17,040

when I brought it up he was inside I was

344

00:13:20,690 --> 00:13:18,839

outside

345

00:13:21,889 --> 00:13:20,700

um something might have happened I don't

346

00:13:23,090 --> 00:13:21,899

know but everybody comes from a

347

00:13:25,069 --> 00:13:23,100

different background from a different

348

00:13:27,710 --> 00:13:25,079

offering from a different world view

349

00:13:29,569 --> 00:13:27,720

some people can't deal with this topic

350

00:13:32,389 --> 00:13:29,579

some people don't want to and that's

351

00:13:34,970 --> 00:13:32,399

okay that's okay everyone in their own

352

00:13:36,889 --> 00:13:34,980

time but now we have data to really look

353

00:13:38,810 --> 00:13:36,899

at and I'm just quickly going to go

354

00:13:40,009 --> 00:13:38,820

through a couple things for you number

355

00:13:41,690 --> 00:13:40,019

one

356

00:13:44,509 --> 00:13:41,700

um and if you go on the website the 21

357

00:13:46,550 --> 00:13:44,519

page report is there a year after the

358

00:13:50,030 --> 00:13:46,560

mass sighting which is in some of the

359

00:13:52,430 --> 00:13:50,040

footages in the documentary a year after

360

00:13:54,650 --> 00:13:52,440

the mass saying we had a huge sighting

361

00:13:56,389 --> 00:13:54,660

40 miles wide 20 minutes of straight

362

00:13:58,310 --> 00:13:56,399

lines and mirror images and the final

363

00:14:00,829 --> 00:13:58,320

thing was a giant

364

00:14:02,870 --> 00:14:00,839

um pyramid in the same spot again and we

365

00:14:05,389 --> 00:14:02,880

can tell because we have those skylights

366

00:14:09,710 --> 00:14:05,399

there okay we're going to get to that

367

00:14:11,750 --> 00:14:09,720

but um but at any rate uh two years

368

00:14:13,430 --> 00:14:11,760

later after the year after the mass

369

00:14:15,050 --> 00:14:13,440

sighting three years after this close

370

00:14:18,410 --> 00:14:15,060

sighting

371

00:14:20,389 --> 00:14:18,420

um I had alerted people from Village

372

00:14:23,329 --> 00:14:20,399

Labs which was a Clearinghouse for many

373

00:14:25,730 --> 00:14:23,339

of the reports that I had seen these

374

00:14:27,829 --> 00:14:25,740

lights through a fog it was very muted

375

00:14:30,350 --> 00:14:27,839

but they might come back a third night

376

00:14:32,690 --> 00:14:30,360

and alert the other videographers which

377

00:14:34,550 --> 00:14:32,700

coincidentally were positioned north

378

00:14:35,810 --> 00:14:34,560

south east and west

379

00:14:38,090 --> 00:14:35,820

um that they might come back and they

380

00:14:41,269 --> 00:14:38,100

did with a Vengeance and now I had four

381

00:14:44,449 --> 00:14:41,279

videos taken at the same time I've been

382

00:14:46,310 --> 00:14:44,459

told that Dr Bruce Maccabee uh the uh

383

00:14:49,069 --> 00:14:46,320

Navy Optical physicist very well

384

00:14:50,569 --> 00:14:49,079

respected should see my data so I

385

00:14:53,449 --> 00:14:50,579

finally got in touch with him and as an

386

00:14:55,670 --> 00:14:53,459

afterthought I stuck in now by then I

387

00:14:58,310 --> 00:14:55,680

went back to the strips and found that I

388

00:14:59,870 --> 00:14:58,320

had additional photos so I gave I sent

389

00:15:01,730 --> 00:14:59,880

him the first and the last photo he

390

00:15:03,650 --> 00:15:01,740

calls me up a couple weeks later he said

391

00:15:05,569 --> 00:15:03,660

you you're you said you're closed

392

00:15:07,430 --> 00:15:05,579

sighting in 95 was a couple minutes I

393

00:15:08,930 --> 00:15:07,440

said right he said are you sure I said

394

00:15:11,389 --> 00:15:08,940

that's what I remember he said ask your

395

00:15:13,550 --> 00:15:11,399

husband I said he won't talk about it he

396

00:15:14,810 --> 00:15:13,560

said you got to corroborate and I sat my

397

00:15:16,850 --> 00:15:14,820

husband down I said you don't have to

398

00:15:19,430 --> 00:15:16,860

talk about it how long was I closed

399

00:15:21,650 --> 00:15:19,440

sighting in 95. he said I don't know two

400

00:15:23,870 --> 00:15:21,660

three four minutes tops went back to Dr

401
00:15:26,269 --> 00:15:23,880
McAfee said that's impossible I said

402
00:15:27,470 --> 00:15:26,279
what do you mean he said first of all he

403
00:15:29,230 --> 00:15:27,480
noticed and if you look at those

404
00:15:32,269 --> 00:15:29,240
pictures is right there in the negative

405
00:15:34,670 --> 00:15:32,279
the orbs themselves from the first

406
00:15:37,490 --> 00:15:34,680
picture to the last picture moved from

407
00:15:40,069 --> 00:15:37,500
on the left side of those skylights to

408
00:15:42,710 --> 00:15:40,079
the right side so they moved number one

409
00:15:44,210 --> 00:15:42,720
number two if you look at the in the

410
00:15:47,870 --> 00:15:44,220
distance on

411
00:15:49,910 --> 00:15:47,880
the skyline the same exact phenomenon

412
00:15:51,410 --> 00:15:49,920
this is where the data gets really

413
00:15:53,650 --> 00:15:51,420

really important

414

00:15:56,090 --> 00:15:53,660

is in the same exact location

415

00:15:58,670 --> 00:15:56,100

disappearing at a distance

416

00:16:00,230 --> 00:15:58,680

as two months before the mass lighting

417

00:16:02,689 --> 00:16:00,240

which we'll get to and during the main

418

00:16:04,790 --> 00:16:02,699

sighting that I also captured on 35

419

00:16:06,290 --> 00:16:04,800

millimeter and video

420

00:16:08,750 --> 00:16:06,300

but he said that's not the most

421

00:16:10,850 --> 00:16:08,760

important thing the skyline is very

422

00:16:12,769 --> 00:16:10,860

different I said what do you mean he

423

00:16:14,810 --> 00:16:12,779

said there are many groups of lights on

424

00:16:17,449 --> 00:16:14,820

and I would have never noticed this data

425

00:16:18,769 --> 00:16:17,459

in the first picture that are off in the

426

00:16:20,389 --> 00:16:18,779

last picture he said that doesn't happen

427

00:16:21,949 --> 00:16:20,399

in a couple minutes he said I want you

428

00:16:23,930 --> 00:16:21,959

to do an experiment he was very

429

00:16:26,030 --> 00:16:23,940

meticulous with this he said stand on

430

00:16:28,790 --> 00:16:26,040

the balcony proximately where you were

431

00:16:30,590 --> 00:16:28,800

standing during the closed sighting and

432

00:16:32,389 --> 00:16:30,600

take a picture of the skyline and it's

433

00:16:34,189 --> 00:16:32,399

three years later but nonetheless one

434

00:16:35,689 --> 00:16:34,199

night every hour next to every half hour

435

00:16:37,069 --> 00:16:35,699

I also took it for another night every

436

00:16:40,430 --> 00:16:37,079

15 minutes and we'll see when these

437

00:16:41,870 --> 00:16:40,440

lights start going out well the I

438

00:16:43,370 --> 00:16:41,880

usually take a bath when we're home

439

00:16:44,810 --> 00:16:43,380

between seven and eight so let's be

440

00:16:47,389 --> 00:16:44,820

conservative and say eight o'clock

441

00:16:49,310 --> 00:16:47,399

starting point the groups of lights are

442

00:16:51,949 --> 00:16:49,320

going out at nine o'clock

443

00:16:54,410 --> 00:16:51,959

the last picture is indicative of 10 30

444

00:16:55,970 --> 00:16:54,420

11 o'clock we actually did it again with

445

00:16:57,290 --> 00:16:55,980

better software a few years ago for

446

00:16:59,509 --> 00:16:57,300

National Geographic there were more

447

00:17:01,069 --> 00:16:59,519

lights that were on in the first picture

448

00:17:02,210 --> 00:17:01,079

that were off in the last picture he

449

00:17:03,829 --> 00:17:02,220

said

450

00:17:06,890 --> 00:17:03,839

um can I present this case at the

451
00:17:08,449 --> 00:17:06,900
upcoming mufon Mutual UFO Network

452
00:17:10,970 --> 00:17:08,459
um International Symposium in Washington

453
00:17:13,610 --> 00:17:10,980
DC I said hey Dr McAfee this is your

454
00:17:16,250 --> 00:17:13,620
baby I would have never known this data

455
00:17:17,929 --> 00:17:16,260
just keep my name out of it and he along

456
00:17:20,329 --> 00:17:17,939
with a handful of other people were very

457
00:17:23,150 --> 00:17:20,339
kind to do that for seven years he

458
00:17:25,490 --> 00:17:23,160
presented the case in 1999 and I never

459
00:17:27,049 --> 00:17:25,500
even shared it with anyone until the

460
00:17:31,549 --> 00:17:27,059
second edition of the book it's in this

461
00:17:34,270 --> 00:17:31,559
fourth edition now in 2010 as the first

462
00:17:37,010 --> 00:17:34,280
and as far as we know the only

463
00:17:39,350 --> 00:17:37,020

authenticated photographic evidence of

464

00:17:41,570 --> 00:17:39,360

missing time

465

00:17:44,630 --> 00:17:41,580

and the reason that I decided to share

466

00:17:47,270 --> 00:17:44,640

it was number one our concept of time

467

00:17:49,789 --> 00:17:47,280

might not be what time really is linear

468

00:17:52,010 --> 00:17:49,799

time past present and future may be

469

00:17:55,430 --> 00:17:52,020

primitive the time is very different

470

00:17:57,950 --> 00:17:55,440

than what we think it is plus by then

471

00:18:00,289 --> 00:17:57,960

quantum physics quantum mechanics had

472

00:18:02,330 --> 00:18:00,299

talked about uh the possibility of 10 or

473

00:18:04,250 --> 00:18:02,340

11 different dimensions bubble Theory

474

00:18:06,770 --> 00:18:04,260

and string theory well if there are

475

00:18:09,289 --> 00:18:06,780

other times and spaces along with ours

476

00:18:11,810 --> 00:18:09,299

why is it such a leap to think that

477

00:18:14,090 --> 00:18:11,820

there may be other intelligences

478

00:18:16,970 --> 00:18:14,100

in those other times and spaces that we

479

00:18:19,370 --> 00:18:16,980

get glimpses of if we're open to them or

480

00:18:20,930 --> 00:18:19,380

invited so I finally did share it so

481

00:18:24,110 --> 00:18:20,940

that's a little tidbit for you guys and

482

00:18:27,289 --> 00:18:24,120

21 page report is on the website now

483

00:18:29,810 --> 00:18:27,299

fast forward two years without seeing

484

00:18:32,270 --> 00:18:29,820

anything remotely similar to the close

485

00:18:34,370 --> 00:18:32,280

orbs and mind you I didn't even know the

486

00:18:40,789 --> 00:18:34,380

far away orders were there

487

00:18:43,850 --> 00:18:40,799

I notice January 22nd 1997 three huge

488

00:18:46,370 --> 00:18:43,860

orbs at a distance equidistant from each

489

00:18:47,750 --> 00:18:46,380

other hovering for many minutes and I'm

490

00:18:50,110 --> 00:18:47,760

watching them and I'm thinking wait a

491

00:18:52,250 --> 00:18:50,120

minute they're Amber their information

492

00:18:56,169 --> 00:18:52,260

even though it's a line formation

493

00:18:59,750 --> 00:18:56,179

equidistant from each other they're

494

00:19:00,890 --> 00:18:59,760

huge bowls and I watched each one seem

495

00:19:02,930 --> 00:19:00,900

to shrink

496

00:19:05,090 --> 00:19:02,940

like the close ones did from right to

497

00:19:06,409 --> 00:19:05,100

left and I even mentioned it to my

498

00:19:08,210 --> 00:19:06,419

husband he said do you still do I still

499

00:19:10,549 --> 00:19:08,220

have to go to work tomorrow that was his

500

00:19:12,950 --> 00:19:10,559

comment and the next night he happened

501
00:19:15,710 --> 00:19:12,960
to be at a medical board meeting and I

502
00:19:17,270 --> 00:19:15,720
come upstairs and from that sliding

503
00:19:19,130 --> 00:19:17,280
glass door that's perpendicular to the

504
00:19:22,250 --> 00:19:19,140
big picture window I noticed the same

505
00:19:24,350 --> 00:19:22,260
three lights in a row are now far south

506
00:19:25,250 --> 00:19:24,360
in front of South Mountain and I knew

507
00:19:28,730 --> 00:19:25,260
they were in front of the mountain

508
00:19:30,409 --> 00:19:28,740
because there are blinking red lights on

509
00:19:32,330 --> 00:19:30,419
top of the mountain to alert jets that

510
00:19:35,450 --> 00:19:32,340
are coming into the airport that there's

511
00:19:37,490 --> 00:19:35,460
a mountain there so I said enough I run

512
00:19:40,370 --> 00:19:37,500
downstairs grab my video camera that was

513
00:19:43,370 --> 00:19:40,380

fully charged go outside get about 18

514

00:19:46,789 --> 00:19:43,380

seconds worth and the battery went dead

515

00:19:48,110 --> 00:19:46,799

went back inside hooked it up went

516

00:19:50,210 --> 00:19:48,120

outside they were gone it's about eight

517

00:19:52,549 --> 00:19:50,220

o'clock about 8 30. my husband comes up

518

00:19:53,810 --> 00:19:52,559

the drive and I go outside I said honey

519

00:19:56,570 --> 00:19:53,820

remember I told you about the three

520

00:19:58,010 --> 00:19:56,580

lights in a row last night that were Far

521

00:19:59,870 --> 00:19:58,020

West well about a half an hour ago they

522

00:20:02,450 --> 00:19:59,880

were right in front of South Mountain as

523

00:20:04,850 --> 00:20:02,460

I'm pointing like this they reappeared

524

00:20:07,070 --> 00:20:04,860

in the same spot it was like whoa I

525

00:20:08,690 --> 00:20:07,080

gotta get a picture of this and luckily

526

00:20:11,150 --> 00:20:08,700

and I have to say again don't believe in

527

00:20:13,130 --> 00:20:11,160

coincidence in video anybody that's seen

528

00:20:15,350 --> 00:20:13,140

the video it doesn't do the lights

529

00:20:17,810 --> 00:20:15,360

Justice they're much smaller they're

530

00:20:19,310 --> 00:20:17,820

white they flicker nonetheless if you

531

00:20:20,990 --> 00:20:19,320

really study them the formations are

532

00:20:23,570 --> 00:20:21,000

very compelling but they could be

533

00:20:25,789 --> 00:20:23,580

mistaken for something else but in 35

534

00:20:27,730 --> 00:20:25,799

millimeters they're in the negative they

535

00:20:31,130 --> 00:20:27,740

can't be fudge they can't be manipulated

536

00:20:32,870 --> 00:20:31,140

I run upstairs grab my 35 millimeter get

537

00:20:35,270 --> 00:20:32,880

out on the balcony just as I'm ready to

538

00:20:38,330 --> 00:20:35,280

shoot the three suddenly six lights

539

00:20:41,990 --> 00:20:38,340

across appear massive span over a mile

540

00:20:44,570 --> 00:20:42,000

wide above the three it was so unnerving

541

00:20:46,909 --> 00:20:44,580

not having an explanation patient for 95

542

00:20:49,490 --> 00:20:46,919

closed sighting that I started to shake

543

00:20:52,250 --> 00:20:49,500

and if you look at that picture it's

544

00:20:53,930 --> 00:20:52,260

wavy because I was shaking but I kept my

545

00:20:57,409 --> 00:20:53,940

words about me thank goodness because

546

00:20:58,909 --> 00:20:57,419

the second picture is real to me it's a

547

00:21:01,610 --> 00:20:58,919

Smoking Gun

548

00:21:04,010 --> 00:21:01,620

because what it shows are five lights

549

00:21:06,590 --> 00:21:04,020

that look like a V with two underneath

550

00:21:09,289 --> 00:21:06,600

well two months later and we're going to

551
00:21:12,950 --> 00:21:09,299
get to that very shortly during the mass

552
00:21:15,289 --> 00:21:12,960
saying March 13th 1997 thousands of

553
00:21:17,930 --> 00:21:15,299
people would describe what they saw as

554
00:21:19,190 --> 00:21:17,940
five lights in a V formation with two

555
00:21:21,529 --> 00:21:19,200
trailing lights

556
00:21:24,049 --> 00:21:21,539
this is two months before the mass lady

557
00:21:26,029 --> 00:21:24,059
and as I continued photographing them it

558
00:21:28,789 --> 00:21:26,039
seemed that whatever I was photographing

559
00:21:31,130 --> 00:21:28,799
head on turned into a v-shape you can

560
00:21:32,570 --> 00:21:31,140
see it right there and you know I didn't

561
00:21:34,490 --> 00:21:32,580
sleep well that night but I got up the

562
00:21:36,590 --> 00:21:34,500
next morning I figured you know what

563
00:21:38,210 --> 00:21:36,600

there must be a logical explanation for

564

00:21:40,010 --> 00:21:38,220

this I'll just search it out the night

565

00:21:41,930 --> 00:21:40,020

before as the three were disappearing

566

00:21:43,789 --> 00:21:41,940

from underneath I called the Arizona

567

00:21:45,169 --> 00:21:43,799

Republic and I said you got to get

568

00:21:46,909 --> 00:21:45,179

somebody out there quick there's strange

569

00:21:49,310 --> 00:21:46,919

lights in front of South Mountain it's

570

00:21:51,710 --> 00:21:49,320

massive please get a picture of it and

571

00:21:53,270 --> 00:21:51,720

tell me what it is they were gone so the

572

00:21:55,010 --> 00:21:53,280

first call I made the next morning was

573

00:21:56,990 --> 00:21:55,020

to the Arizona Republic and I said did

574

00:21:59,870 --> 00:21:57,000

anybody call last night to report

575

00:22:02,090 --> 00:21:59,880

strange lights in front of SAS Mountain

576

00:22:04,250 --> 00:22:02,100

she gets off she comes right back on she

577

00:22:06,710 --> 00:22:04,260

said nope nobody called well I know I

578

00:22:08,930 --> 00:22:06,720

called so I said well I said my husband

579

00:22:10,909 --> 00:22:08,940

and I did see something strange we even

580

00:22:13,430 --> 00:22:10,919

got pictures of it who can I find out

581

00:22:15,950 --> 00:22:13,440

from what this might have been she says

582

00:22:18,110 --> 00:22:15,960

well sometimes Luke Air Force Base sends

583

00:22:19,630 --> 00:22:18,120

experimental Maneuvers out and they

584

00:22:22,250 --> 00:22:19,640

don't tell the public about it I thought

585

00:22:24,470 --> 00:22:22,260

that sounds reasonable I call them try

586

00:22:26,029 --> 00:22:24,480

to be very professional my husband and I

587

00:22:28,190 --> 00:22:26,039

are both Physicians we live now inside

588

00:22:29,690 --> 00:22:28,200

of Paradise Valley we saw some strange

589

00:22:31,190 --> 00:22:29,700

lights in front of South Mountain last

590

00:22:32,450 --> 00:22:31,200

night where the airport is

591

00:22:34,070 --> 00:22:32,460

um do you know

592

00:22:36,770 --> 00:22:34,080

um what they might have been and from

593

00:22:37,970 --> 00:22:36,780

the get-go she had an attitude and she

594

00:22:38,990 --> 00:22:37,980

said they didn't come into Luke Air

595

00:22:41,090 --> 00:22:39,000

Force Base they didn't come out from

596

00:22:43,070 --> 00:22:41,100

here so we had nothing to do with them I

597

00:22:45,230 --> 00:22:43,080

said be that as it may we did see

598

00:22:47,149 --> 00:22:45,240

something strange I did get pictures of

599

00:22:48,169 --> 00:22:47,159

them who can I contact to find out what

600

00:22:50,330 --> 00:22:48,179

it might have been I'm sure it's a

601
00:22:51,830 --> 00:22:50,340
logical explanation she says well you

602
00:22:54,169 --> 00:22:51,840
said it was near the airport maybe they

603
00:22:56,149 --> 00:22:54,179
saw something there haha now it was a

604
00:22:58,669 --> 00:22:56,159
mission which was very not unlike me I

605
00:23:00,950 --> 00:22:58,679
have to say I called the FAA

606
00:23:02,450 --> 00:23:00,960
and I got a very nice operator on the

607
00:23:04,130 --> 00:23:02,460
phone told her the same thing she says

608
00:23:05,690 --> 00:23:04,140
well you know there was a group here

609
00:23:07,430 --> 00:23:05,700
last night and they did mention that

610
00:23:09,770 --> 00:23:07,440
they saw some strange lights I said oh

611
00:23:11,930 --> 00:23:09,780
could you please see if you can get one

612
00:23:14,090 --> 00:23:11,940
of them on the phone just to confirm

613
00:23:15,529 --> 00:23:14,100

again the sciences and they confirmed

614

00:23:18,890 --> 00:23:15,539

that we saw the same

615

00:23:21,529 --> 00:23:18,900

you think so it took forever finally

616

00:23:23,149 --> 00:23:21,539

this guy gets on the phone very low key

617

00:23:25,430 --> 00:23:23,159

because we met him afterwards at Village

618

00:23:26,990 --> 00:23:25,440

labs for a briefing he was more excited

619

00:23:27,950 --> 00:23:27,000

than me he said did you see the success

620

00:23:29,390 --> 00:23:27,960

where you put different from each other

621

00:23:31,430 --> 00:23:29,400

hovering an information last night at 8

622

00:23:32,870 --> 00:23:31,440

30. I said yes that's why I'm calling he

623

00:23:35,210 --> 00:23:32,880

said actually there were three at eight

624

00:23:38,510 --> 00:23:35,220

o'clock I said I saw that too he said

625

00:23:40,850 --> 00:23:38,520

when they popped up mind you over Class

626
00:23:42,289 --> 00:23:40,860
B restricted airspace there's a 30 mile

627
00:23:44,750 --> 00:23:42,299
radius around the center of the airport

628
00:23:46,730 --> 00:23:44,760
anything that comes into that air space

629
00:23:49,970 --> 00:23:46,740
particularly a thousand feet altitude

630
00:23:52,370 --> 00:23:49,980
and five miles away must call into the

631
00:23:55,190 --> 00:23:52,380
tower and no one did so they looked on

632
00:23:57,169 --> 00:23:55,200
radar did not show up on radar and they

633
00:23:59,510 --> 00:23:57,179
got nervous and then they disappeared

634
00:24:01,549 --> 00:23:59,520
when the six popped up it was a massive

635
00:24:03,230 --> 00:24:01,559
spent he said then they really got

636
00:24:05,930 --> 00:24:03,240
nervous they looked on radar didn't show

637
00:24:07,549 --> 00:24:05,940
up on radar same spot 100 000 feet

638
00:24:09,409 --> 00:24:07,559

altitude over Class B restricted

639

00:24:11,390 --> 00:24:09,419

airspace and they took their

640

00:24:13,070 --> 00:24:11,400

high-powered binoculars to look and in

641

00:24:14,750 --> 00:24:13,080

their his own words he said there were

642

00:24:17,270 --> 00:24:14,760

six points of light totally equal

643

00:24:20,149 --> 00:24:17,280

distance from each other or massive span

644

00:24:21,710 --> 00:24:20,159

over a mile wide that seemed to be

645

00:24:23,870 --> 00:24:21,720

attached to something

646

00:24:26,390 --> 00:24:23,880

but they couldn't quite see what these

647

00:24:28,190 --> 00:24:26,400

lights were attached to or had a force

648

00:24:30,529 --> 00:24:28,200

field holding them a rock solid

649

00:24:33,830 --> 00:24:30,539

formation and he was a meteorologist

650

00:24:36,649 --> 00:24:33,840

lucky enough that he said also

651

00:24:40,310 --> 00:24:36,659

interesting was that the entire thing

652

00:24:43,730 --> 00:24:40,320

turned as a unit Against the Wind very

653

00:24:46,909 --> 00:24:43,740

important data elevated slowly and moved

654

00:24:49,730 --> 00:24:46,919

in synchrony behind South Mountain so I

655

00:24:51,049 --> 00:24:49,740

said so what was it and he said beats me

656

00:24:52,430 --> 00:24:51,059

I said you're an air traffic control

657

00:24:54,350 --> 00:24:52,440

you're supposed to know it's in our

658

00:24:56,210 --> 00:24:54,360

airspace he was very they were very

659

00:24:57,950 --> 00:24:56,220

forthcoming initially another guy came

660

00:24:59,149 --> 00:24:57,960

out to Florida too that saw them both

661

00:25:01,250 --> 00:24:59,159

times

662

00:25:03,950 --> 00:25:01,260

um that they ruled out every

663

00:25:06,529 --> 00:25:03,960

conventional everything

664

00:25:09,230 --> 00:25:06,539

the craft balloons Chinese lanterns

665

00:25:11,330 --> 00:25:09,240

flares even skydivers with lights we

666

00:25:13,970 --> 00:25:11,340

kept in contact up into an including

667

00:25:15,950 --> 00:25:13,980

March 13th which for me was just another

668

00:25:17,990 --> 00:25:15,960

night I'm going to get to that in a

669

00:25:20,210 --> 00:25:18,000

second six months before the mass

670

00:25:22,789 --> 00:25:20,220

sighting

671

00:25:24,350 --> 00:25:22,799

I happen to be asked to present my

672

00:25:26,090 --> 00:25:24,360

Substance Abuse Prevention education

673

00:25:27,890 --> 00:25:26,100

program at the Gila Bend Indian

674

00:25:29,990 --> 00:25:27,900

Reservation which is in between South

675

00:25:32,330 --> 00:25:30,000

Mountain and the Estrella Mountain Range

676

00:25:34,730 --> 00:25:32,340

there's a basin in there very sacred

677

00:25:36,649 --> 00:25:34,740

ground and this is important why I'm

678

00:25:39,769 --> 00:25:36,659

sharing it now because

679

00:25:42,890 --> 00:25:39,779

um this is an added little tidbit that I

680

00:25:45,350 --> 00:25:42,900

think is really vital to the story

681

00:25:48,409 --> 00:25:45,360

um they don't talk to Outsiders but I

682

00:25:51,289 --> 00:25:48,419

help them out and after all I was taking

683

00:25:53,810 --> 00:25:51,299

all these pictures and again in science

684

00:25:57,169 --> 00:25:53,820

we look for repeatability just look at

685

00:25:59,750 --> 00:25:57,179

the data these phenomena these UAP keep

686

00:26:01,010 --> 00:25:59,760

popping up right where South Mountain in

687

00:26:02,690 --> 00:26:01,020

the Australians intersect so I called

688

00:26:04,970 --> 00:26:02,700

the principal and I said did anybody see

689

00:26:06,529 --> 00:26:04,980

strange lights on March 13th and he

690

00:26:08,149 --> 00:26:06,539

started to giggle and I said is that

691

00:26:09,649 --> 00:26:08,159

funny he said are you kidding we've been

692

00:26:12,769 --> 00:26:09,659

looking up at them for centuries we call

693

00:26:16,669 --> 00:26:12,779

them Sky people light beings I had no

694

00:26:20,149 --> 00:26:16,679

idea and uh as it turned out

695

00:26:22,190 --> 00:26:20,159

um he says to me that uh you know that's

696

00:26:26,029 --> 00:26:22,200

not only have they been seeing them for

697

00:26:29,810 --> 00:26:26,039

centuries and looking up in the sky

698

00:26:31,730 --> 00:26:29,820

um at them on March 13th but also that's

699

00:26:34,370 --> 00:26:31,740

how the Australia's got its name it

700

00:26:36,769 --> 00:26:34,380

means star in Spanish gateway to the

701
00:26:39,110 --> 00:26:36,779
stars and there's petroglyphs etched out

702
00:26:41,149 --> 00:26:39,120
drawings of the same exact thing that my

703
00:26:44,029 --> 00:26:41,159
husband and I saw one South Mountain of

704
00:26:46,070 --> 00:26:44,039
the three oars in a pyramid or triangle

705
00:26:49,850 --> 00:26:46,080
formation and they believe there's a

706
00:26:52,190 --> 00:26:49,860
portal or Gateway in that area I put

707
00:26:53,690 --> 00:26:52,200
that out there decide for yourself but

708
00:26:56,330 --> 00:26:53,700
the fact is that these phenomena keep

709
00:26:58,070 --> 00:26:56,340
popping up in the same location okay now

710
00:27:00,470 --> 00:26:58,080
we fast forward

711
00:27:03,230 --> 00:27:00,480
a couple weeks before the mass sighting

712
00:27:06,590 --> 00:27:03,240
it was getting ridiculous my husband was

713
00:27:08,630 --> 00:27:06,600

not uh he was getting agitated every

714

00:27:10,610 --> 00:27:08,640

time I saw these lights the scientists

715

00:27:13,190 --> 00:27:10,620

in me felt like I had to document them

716

00:27:16,070 --> 00:27:13,200

on film so I started showing the video

717

00:27:18,289 --> 00:27:16,080

to my friends and this is how close I

718

00:27:20,690 --> 00:27:18,299

was guys a friend of a friend had a

719

00:27:23,029 --> 00:27:20,700

neighbor who had a friend who knew the

720

00:27:24,470 --> 00:27:23,039

past president of mufon mutual UFO

721

00:27:27,049 --> 00:27:24,480

Network which I had never heard of

722

00:27:28,730 --> 00:27:27,059

before I called him up I said I'm seeing

723

00:27:30,590 --> 00:27:28,740

these strange lights he didn't hear

724

00:27:32,930 --> 00:27:30,600

about it but there were other people

725

00:27:34,970 --> 00:27:32,940

along with myself that were seeing them

726
00:27:37,310 --> 00:27:34,980
and documenting them on film one even

727
00:27:38,990 --> 00:27:37,320
called move on up to their balcony the

728
00:27:40,970 --> 00:27:39,000
night of the mass sighting and they put

729
00:27:43,730 --> 00:27:40,980
an arrowhead of five likes just look at

730
00:27:45,649 --> 00:27:43,740
that video they're attached to something

731
00:27:47,810 --> 00:27:45,659
or have a force field holding on Rock

732
00:27:50,510 --> 00:27:47,820
Solid formation and I said I have a

733
00:27:52,370 --> 00:27:50,520
picture from 95 that I'd like somebody

734
00:27:53,990 --> 00:27:52,380
of credence to take a look at he refers

735
00:27:57,110 --> 00:27:54,000
me to a field investigator for the

736
00:27:58,070 --> 00:27:57,120
following uh Wednesday who calls me on

737
00:27:59,930 --> 00:27:58,080
Tuesday

738
00:28:01,310 --> 00:27:59,940

to postpone because the then state

739

00:28:03,890 --> 00:28:01,320

director wanted to be there and his mom

740

00:28:06,049 --> 00:28:03,900

had passed on Saturday Wednesday was the

741

00:28:08,269 --> 00:28:06,059

funeral the only window of opportunity I

742

00:28:09,890 --> 00:28:08,279

had for another two three weeks was

743

00:28:12,830 --> 00:28:09,900

Friday morning at 10 o'clock he said

744

00:28:15,350 --> 00:28:12,840

fine I knock on his door he opens the

745

00:28:17,390 --> 00:28:15,360

door the first thing he says to me did

746

00:28:19,490 --> 00:28:17,400

you see the Man sighting last night

747

00:28:22,370 --> 00:28:19,500

and I said well I saw something similar

748

00:28:24,830 --> 00:28:22,380

to what I told you I saw two months ago

749

00:28:27,289 --> 00:28:24,840

in fact not only did I take video of it

750

00:28:29,510 --> 00:28:27,299

last night but I called air traffic

751
00:28:31,370 --> 00:28:29,520
controllers to confirm because it looked

752
00:28:32,930 --> 00:28:31,380
like the same exact phenomena the same

753
00:28:36,169 --> 00:28:32,940
exact location and they confirmed that

754
00:28:38,930 --> 00:28:36,179
it was plus a couple Pilots called in a

755
00:28:40,490 --> 00:28:38,940
commercial airline pilot on uh departure

756
00:28:43,010 --> 00:28:40,500
that said what the hell are these lights

757
00:28:46,850 --> 00:28:43,020
over me that's significant okay right

758
00:28:48,649 --> 00:28:46,860
over the tarmac and a Private Pilot who

759
00:28:50,390 --> 00:28:48,659
he didn't say his name but we'll get to

760
00:28:52,310 --> 00:28:50,400
that a little later who came forward

761
00:28:55,130 --> 00:28:52,320
just a couple years ago

762
00:28:58,130 --> 00:28:55,140
um who was actually reporting deciding

763
00:29:00,529 --> 00:28:58,140

while I was filming it and he said NBC

764

00:29:02,930 --> 00:29:00,539

was coming to interview him in a half an

765

00:29:05,930 --> 00:29:02,940

hour well I have done Health reporting

766

00:29:08,210 --> 00:29:05,940

for NBC in Philadelphia in 76 and in

767

00:29:09,649 --> 00:29:08,220

Phoenix in the early 80s and I said to

768

00:29:13,789 --> 00:29:09,659

him look I don't know what we're dealing

769

00:29:16,010 --> 00:29:13,799

with here a hoax or military or whatever

770

00:29:17,870 --> 00:29:16,020

um it's not about me it's about the diet

771

00:29:20,630 --> 00:29:17,880

it's never been about me it's about the

772

00:29:22,010 --> 00:29:20,640

data I said I have a video take a copy

773

00:29:23,630 --> 00:29:22,020

of the video

774

00:29:25,430 --> 00:29:23,640

um by the time I got out there there

775

00:29:27,889 --> 00:29:25,440

were six lights that popped up first but

776

00:29:29,330 --> 00:29:27,899

but the the camera wasn't focused and

777

00:29:31,909 --> 00:29:29,340

then by the time I got it focused there

778

00:29:33,470 --> 00:29:31,919

were three endpoints of a giant v or

779

00:29:36,710 --> 00:29:33,480

triangle I said share it with whoever

780

00:29:38,269 --> 00:29:36,720

you like I'm out of here and I left by

781

00:29:40,310 --> 00:29:38,279

four o'clock that afternoon when the

782

00:29:42,769 --> 00:29:40,320

first news came on I didn't even know if

783

00:29:45,769 --> 00:29:42,779

they were going to cover it breaking

784

00:29:47,690 --> 00:29:45,779

news with my video on every news station

785

00:29:50,090 --> 00:29:47,700

it was really exciting absolutely

786

00:29:52,070 --> 00:29:50,100

because having seen these things for two

787

00:29:53,870 --> 00:29:52,080

years and documenting one film now

788

00:29:55,610 --> 00:29:53,880

people were saying what we saw by the

789

00:29:57,289 --> 00:29:55,620

nine o'clock news there were a couple

790

00:29:59,870 --> 00:29:57,299

other videos that came forward a

791

00:30:01,970 --> 00:29:59,880

boomerang video and that Arrowhead video

792

00:30:04,490 --> 00:30:01,980

which are even more spectacular than

793

00:30:06,470 --> 00:30:04,500

mine and I'm learning that you know

794

00:30:07,789 --> 00:30:06,480

thousands of people hundreds or if not

795

00:30:10,970 --> 00:30:07,799

thousands of people

796

00:30:12,590 --> 00:30:10,980

had been outside and here's where he

797

00:30:14,409 --> 00:30:12,600

gets the to the mass sightings when we

798

00:30:16,970 --> 00:30:14,419

get into it yes

799

00:30:18,230 --> 00:30:16,980

and I apologize if I'm if I'm going

800

00:30:19,909 --> 00:30:18,240

physically I know we have to squeeze a

801
00:30:21,169 --> 00:30:19,919
lot in an hour

802
00:30:22,789 --> 00:30:21,179
um but I want your audience to hear

803
00:30:25,789 --> 00:30:22,799
because it's a story unfold it's really

804
00:30:27,710 --> 00:30:25,799
really intriguing but at any rate

805
00:30:30,350 --> 00:30:27,720
um about thousands of people

806
00:30:32,510 --> 00:30:30,360
we're outside looking up purposely at

807
00:30:36,409 --> 00:30:32,520
the sky for a glimpse of the hail Bop

808
00:30:40,490 --> 00:30:36,419
comet on March 13 1997. they also put a

809
00:30:42,590 --> 00:30:40,500
glimpse of mile to eight mile wide

810
00:30:44,510 --> 00:30:42,600
according to Peter Davenport director of

811
00:30:46,549 --> 00:30:44,520
the National UFO Reporting Center from

812
00:30:49,850 --> 00:30:46,559
his data that he's collected for 25

813
00:30:52,250 --> 00:30:49,860

years either of these orbs in Rock Solid

814

00:30:54,830 --> 00:30:52,260

formation in v formation triangle

815

00:30:56,990 --> 00:30:54,840

formation Boomerang formation or actual

816

00:30:59,630 --> 00:30:57,000

craft and here's where it also gets very

817

00:31:01,610 --> 00:30:59,640

interesting because after a 12-year

818

00:31:03,110 --> 00:31:01,620

study and there's so much Miss and

819

00:31:05,690 --> 00:31:03,120

disinformation out there I'm so glad

820

00:31:08,450 --> 00:31:05,700

your your audience is hearing this

821

00:31:11,330 --> 00:31:08,460

because it's important data after a

822

00:31:13,490 --> 00:31:11,340

12-year study meticulous study of

823

00:31:16,610 --> 00:31:13,500

hundreds of reports two or more people

824

00:31:17,690 --> 00:31:16,620

had to see the same craft to be in the

825

00:31:20,930 --> 00:31:17,700

study

826

00:31:23,690 --> 00:31:20,940

it ended up that there were 10 different

827

00:31:25,370 --> 00:31:23,700

craft that were reported now

828

00:31:27,649 --> 00:31:25,380

whether it was one craft that could

829

00:31:30,409 --> 00:31:27,659

morph or the perspective from where the

830

00:31:33,590 --> 00:31:30,419

person was standing or a parade and

831

00:31:34,909 --> 00:31:33,600

that's Vital Information because not

832

00:31:36,889 --> 00:31:34,919

only were there multiple things

833

00:31:39,950 --> 00:31:36,899

happening and if you go on the Gap page

834

00:31:42,889 --> 00:31:39,960

Gap geospatial animation project you'll

835

00:31:46,669 --> 00:31:42,899

see beautiful illustrations of all 10

836

00:31:48,529 --> 00:31:46,679

craft plus animations but the main thing

837

00:31:51,590 --> 00:31:48,539

is that

838

00:31:54,049 --> 00:31:51,600

there were so many things going on at

839

00:31:55,789 --> 00:31:54,059

the same time and not for just a couple

840

00:31:59,570 --> 00:31:55,799

hours and I understand how the media

841

00:32:00,950 --> 00:31:59,580

just picked up on the 8 to 10 period

842

00:32:03,889 --> 00:32:00,960

because that's when most people were

843

00:32:05,510 --> 00:32:03,899

outside looking up at the sky and then

844

00:32:08,269 --> 00:32:05,520

saw something unusual and called the

845

00:32:10,669 --> 00:32:08,279

news and whatever but in reality the

846

00:32:12,409 --> 00:32:10,679

mass sighting began at 3 P.M in the

847

00:32:15,110 --> 00:32:12,419

afternoon daylight sightings in Arizona

848

00:32:16,730 --> 00:32:15,120

five o'clock hour Native Americans were

849

00:32:19,370 --> 00:32:16,740

seeing the same thing in New Mexico

850

00:32:21,590 --> 00:32:19,380

seven o'clock hour and Beyond in

851
00:32:23,630 --> 00:32:21,600
California 10 o'clock hour there were

852
00:32:26,330 --> 00:32:23,640
two commercial airline pilots that

853
00:32:30,610 --> 00:32:26,340
called into radar to report one of these

854
00:32:33,110 --> 00:32:30,620
massive craft covering Las Vegas and the

855
00:32:35,149 --> 00:32:33,120
reports continued and the sightings

856
00:32:37,850 --> 00:32:35,159
continued until 5 30 the next morning

857
00:32:40,549 --> 00:32:37,860
the last report I know of personally

858
00:32:42,889 --> 00:32:40,559
from a Boeing crewman the head of the

859
00:32:44,149 --> 00:32:42,899
unit actually shared with me that they

860
00:32:46,610 --> 00:32:44,159
were coming into Sky Harbor

861
00:32:48,289 --> 00:32:46,620
International Airport for work at 5 30

862
00:32:50,990 --> 00:32:48,299
next morning and one of these massive

863
00:32:53,149 --> 00:32:51,000

crap was covering their tarmac so we're

864

00:32:56,029 --> 00:32:53,159

talking about not two hours not two

865

00:32:59,750 --> 00:32:56,039

events many events over a dozen hours

866

00:33:04,130 --> 00:32:59,760

and over four states Nevada New Mexico

867

00:33:07,669 --> 00:33:04,140

California and Arizona and even though

868

00:33:10,909 --> 00:33:07,679

this all happened on March 13th

869

00:33:13,190 --> 00:33:10,919

at 3 A.M that afternoon that morning

870

00:33:14,509 --> 00:33:13,200

there was a call to the National UFO

871

00:33:16,730 --> 00:33:14,519

Reporting Center we have part of that

872

00:33:18,649 --> 00:33:16,740

recording very professional from an

873

00:33:20,090 --> 00:33:18,659

alleged crewman from Luke Air Force Base

874

00:33:22,789 --> 00:33:20,100

because now we're going to get into

875

00:33:27,769 --> 00:33:22,799

technology here that was unbelievably

876

00:33:30,529 --> 00:33:27,779

absurd who reported in great detail that

877

00:33:33,350 --> 00:33:30,539

Jets were sent out at 8 30 PM that night

878

00:33:35,570 --> 00:33:33,360

to intercept and get gun camera film of

879

00:33:38,750 --> 00:33:35,580

one of these massive over mile widecraft

880

00:33:40,970 --> 00:33:38,760

hovering over Central Phoenix 7th Avenue

881

00:33:43,549 --> 00:33:40,980

and Indian School as they got close and

882

00:33:45,769 --> 00:33:43,559

approached the light started to dim and

883

00:33:47,450 --> 00:33:45,779

then the entire thing blinked out and

884

00:33:49,610 --> 00:33:47,460

freaked out one of the pilots who this

885

00:33:50,930 --> 00:33:49,620

alleged crewman said he helped out of

886

00:33:52,610 --> 00:33:50,940

his aircraft

887

00:33:54,649 --> 00:33:52,620

um so there is much more to the story

888

00:33:56,509 --> 00:33:54,659

and we're talking a craft that

889

00:33:58,669 --> 00:33:56,519

disappeared and we're talking people

890

00:34:01,250 --> 00:33:58,679

were right under this craft we have a

891

00:34:03,230 --> 00:34:01,260

wonderful pilot who saw I mean we're

892

00:34:05,330 --> 00:34:03,240

talking gunmetal and windows some people

893

00:34:08,450 --> 00:34:05,340

saw beings at the windows some people

894

00:34:10,730 --> 00:34:08,460

got telepathic messages not to worry I

895

00:34:13,849 --> 00:34:10,740

mean this was a parade a major parade

896

00:34:15,230 --> 00:34:13,859

also if you look at that Gap page gap on

897

00:34:17,270 --> 00:34:15,240

the Phoenix Lights Network website

898

00:34:19,550 --> 00:34:17,280

you'll see one of the crafts split in

899

00:34:21,950 --> 00:34:19,560

two and then shot straight up some

900

00:34:23,329 --> 00:34:21,960

people saw these ords detached from the

901
00:34:25,849 --> 00:34:23,339
main object go out into the environment

902
00:34:27,589 --> 00:34:25,859
and then Red Dot with it later is that

903
00:34:29,810 --> 00:34:27,599
what happened in 95

904
00:34:32,389 --> 00:34:29,820
I don't know but nonetheless we have

905
00:34:35,149 --> 00:34:32,399
numerous people who saw this

906
00:34:37,849 --> 00:34:35,159
um as well as there was no sound

907
00:34:40,010 --> 00:34:37,859
totally silent which was very eerie to

908
00:34:42,349 --> 00:34:40,020
people because it was so massive where

909
00:34:44,389 --> 00:34:42,359
was the propulsion of this thing plus

910
00:34:46,550 --> 00:34:44,399
the fact that

911
00:34:49,010 --> 00:34:46,560
um when some people saw it take off at

912
00:34:52,310 --> 00:34:49,020
blink speed didn't even disperse the air

913
00:34:55,010 --> 00:34:52,320

so we're talking Technology Way Beyond

914

00:34:58,910 --> 00:34:55,020

anything that we have even seen in 25

915

00:35:01,130 --> 00:34:58,920

years okay you would think and who knows

916

00:35:03,290 --> 00:35:01,140

you know what's out there but you would

917

00:35:05,329 --> 00:35:03,300

think if anyone had this kind of

918

00:35:07,609 --> 00:35:05,339

Technology especially the vicarious

919

00:35:10,609 --> 00:35:07,619

situation we are in the world today that

920

00:35:14,630 --> 00:35:10,619

they would show their prowess right guys

921

00:35:16,190 --> 00:35:14,640

yeah technology anyways right yeah yeah

922

00:35:19,010 --> 00:35:16,200

I mean we're talking incredible

923

00:35:22,250 --> 00:35:19,020

technology here and yay as the story

924

00:35:25,970 --> 00:35:22,260

unfolds there was no investigation

925

00:35:28,190 --> 00:35:25,980

no explanation it was uncanny when when

926

00:35:29,390 --> 00:35:28,200

anybody officially was asked about it

927

00:35:31,910 --> 00:35:29,400

they said what something happened on

928

00:35:34,010 --> 00:35:31,920

March 13th it was just absurd when we're

929

00:35:35,930 --> 00:35:34,020

talking rooftop levels some people said

930

00:35:39,349 --> 00:35:35,940

they could have thrown a rock at it it

931

00:35:41,870 --> 00:35:39,359

was that close and yet there was nothing

932

00:35:43,490 --> 00:35:41,880

until May okay and I'm just telling you

933

00:35:44,750 --> 00:35:43,500

the tip of the iceberg here but it's so

934

00:35:46,550 --> 00:35:44,760

interesting how the story unfolded

935

00:35:49,130 --> 00:35:46,560

because by May

936

00:35:52,730 --> 00:35:49,140

there was a councilwoman for Phoenix

937

00:35:54,770 --> 00:35:52,740

vice mayor Francis Emma barwood who

938

00:35:56,210 --> 00:35:54,780

innocently she didn't see it but so many

939

00:35:58,790 --> 00:35:56,220

of her constituents over a thousand

940

00:36:01,069 --> 00:35:58,800

constituents contacted her and say this

941

00:36:02,810 --> 00:36:01,079

went over my head why isn't it just a

942

00:36:05,150 --> 00:36:02,820

public safety issue why isn't there an

943

00:36:07,730 --> 00:36:05,160

investigation she asked for one and was

944

00:36:09,950 --> 00:36:07,740

plastered by the media I was so happy to

945

00:36:11,690 --> 00:36:09,960

stay anonymous for seven years because

946

00:36:14,089 --> 00:36:11,700

there was so much ridicule so much

947

00:36:16,730 --> 00:36:14,099

snickering so much discrediting going on

948

00:36:19,069 --> 00:36:16,740

it was really scary to come forward but

949

00:36:22,990 --> 00:36:19,079

she you know plugged away I mean she was

950

00:36:25,849 --> 00:36:23,000

unbelievable and in her um

951
00:36:29,030 --> 00:36:25,859
venture to to get answers for the

952
00:36:31,190 --> 00:36:29,040
Phoenix Lights and yet you know once she

953
00:36:33,589 --> 00:36:31,200
came forward and there were jokes in the

954
00:36:36,410 --> 00:36:33,599
paper about her and Etc et cetera um

955
00:36:38,630 --> 00:36:36,420
many people stayed back okay

956
00:36:42,829 --> 00:36:38,640
um in fact I called her because I had

957
00:36:45,230 --> 00:36:42,839
seen a a news clip of the Phoenix New

958
00:36:47,450 --> 00:36:45,240
Phoenix Police Department

959
00:36:49,490 --> 00:36:47,460
um who admitted that they had a lot of

960
00:36:51,050 --> 00:36:49,500
calls but in print they said they didn't

961
00:36:53,510 --> 00:36:51,060
get any calls I mean it was just uncanny

962
00:36:54,670 --> 00:36:53,520
what was happening right okay that's

963
00:36:59,329 --> 00:36:54,680

four

964

00:37:02,329 --> 00:36:59,339

June 18th 1997. suddenly there's a front

965

00:37:05,210 --> 00:37:02,339

page article in USA Today for the first

966

00:37:08,930 --> 00:37:05,220

time people outside of Arizona were

967

00:37:10,609 --> 00:37:08,940

hearing about the Phoenix Lights and not

968

00:37:13,670 --> 00:37:10,619

only did it go viral we didn't have

969

00:37:16,690 --> 00:37:13,680

social media and then overnight it went

970

00:37:19,849 --> 00:37:16,700

viral by the morning every national news

971

00:37:21,710 --> 00:37:19,859

Morning Show uh Peter Jennings Dan

972

00:37:23,990 --> 00:37:21,720

Rather you name it we're talking about

973

00:37:26,870 --> 00:37:24,000

the Phoenix Lights and we were inundated

974

00:37:28,849 --> 00:37:26,880

overnight by media from all over the

975

00:37:31,790 --> 00:37:28,859

world and once they started talking to

976
00:37:35,210 --> 00:37:31,800
the witnesses their descriptions were so

977
00:37:36,890 --> 00:37:35,220
detailed and so heartfelt that they too

978
00:37:38,750 --> 00:37:36,900
were saying why isn't there an

979
00:37:41,210 --> 00:37:38,760
investigation why isn't there an

980
00:37:43,550 --> 00:37:41,220
explanation for the first time later

981
00:37:47,089 --> 00:37:43,560
that morning the morning after the 19th

982
00:37:49,849 --> 00:37:47,099
after the USA Today article suddenly

983
00:37:53,569 --> 00:37:49,859
we get a public announcement on the news

984
00:37:56,450 --> 00:37:53,579
on the radio that then Governor Fife

985
00:37:59,150 --> 00:37:56,460
Simington was calling for an unscheduled

986
00:38:02,329 --> 00:37:59,160
press conference that afternoon to

987
00:38:04,069 --> 00:38:02,339
reveal the culprit of the lights over

988
00:38:05,870 --> 00:38:04,079

Phoenix and people took it seriously

989

00:38:08,510 --> 00:38:05,880

including myself I was looking for any

990

00:38:11,750 --> 00:38:08,520

logical explanation he comes walking out

991

00:38:14,630 --> 00:38:11,760

one of his aides with a giant head alien

992

00:38:16,609 --> 00:38:14,640

costume and made a mockery of the

993

00:38:19,069 --> 00:38:16,619

slating which was not only very

994

00:38:21,589 --> 00:38:19,079

disconcerting for the witnesses that saw

995

00:38:23,089 --> 00:38:21,599

up close personal like myself but

996

00:38:24,890 --> 00:38:23,099

particularly parents that were with

997

00:38:26,990 --> 00:38:24,900

children that saw something two and

998

00:38:29,089 --> 00:38:27,000

three moles wide and he's making a joke

999

00:38:31,730 --> 00:38:29,099

out of it and he did mention that you

1000

00:38:35,270 --> 00:38:31,740

know people were Panic no no no this is

1001
00:38:36,650 --> 00:38:35,280
important there is not one not one

1002
00:38:40,010 --> 00:38:36,660
credible report

1003
00:38:41,750 --> 00:38:40,020
of harm threat or abduction associated

1004
00:38:43,609 --> 00:38:41,760
with the Phoenix Lights phenomena I

1005
00:38:45,470 --> 00:38:43,619
can't speak for other things cannot

1006
00:38:48,109 --> 00:38:45,480
speak for other things but can about the

1007
00:38:50,150 --> 00:38:48,119
Phoenix Lights and not only on March

1008
00:38:52,490 --> 00:38:50,160
13th but we're talking centuries

1009
00:38:54,770 --> 00:38:52,500
according to the Native Americans that

1010
00:38:56,690 --> 00:38:54,780
these orbs have been appearing for

1011
00:38:58,250 --> 00:38:56,700
centuries many of them think that their

1012
00:39:00,470 --> 00:38:58,260
spirit world coming to give them

1013
00:39:02,569 --> 00:39:00,480

guidance and comfort and knowledge and

1014

00:39:05,690 --> 00:39:02,579

inspiration and I have certainly been

1015

00:39:06,530 --> 00:39:05,700

inspired by them obviously but besides

1016

00:39:09,290 --> 00:39:06,540

that

1017

00:39:12,530 --> 00:39:09,300

what people were Furious but it put a

1018

00:39:15,230 --> 00:39:12,540

lid on it for a bit okay but not for me

1019

00:39:17,450 --> 00:39:15,240

I called every military base that next

1020

00:39:19,370 --> 00:39:17,460

month tried to get the highest that I

1021

00:39:20,870 --> 00:39:19,380

could in in military

1022

00:39:22,970 --> 00:39:20,880

they were more interested in meeting

1023

00:39:24,890 --> 00:39:22,980

with me and seeing what I documented on

1024

00:39:27,230 --> 00:39:24,900

film and giving an explanation in fact

1025

00:39:29,450 --> 00:39:27,240

they were just as curious one of them

1026

00:39:31,970 --> 00:39:29,460

even said well the only ones that know

1027

00:39:35,390 --> 00:39:31,980

this or God and whoever did this I mean

1028

00:39:37,370 --> 00:39:35,400

come on and then I get a call

1029

00:39:39,770 --> 00:39:37,380

a month later after the USA Today

1030

00:39:41,569 --> 00:39:39,780

article on July 24th from one of the

1031

00:39:43,550 --> 00:39:41,579

heads of PR at the Air National Guard

1032

00:39:45,050 --> 00:39:43,560

and she says oh Dr Lynn I think we know

1033

00:39:46,730 --> 00:39:45,060

what those lights were back in March and

1034

00:39:49,130 --> 00:39:46,740

I was thrilled again I was looking for

1035

00:39:51,650 --> 00:39:49,140

any logical explanation she said do you

1036

00:39:53,750 --> 00:39:51,660

believe that in all these months nobody

1037

00:39:55,370 --> 00:39:53,760

ever looked at the log for visiting Air

1038

00:39:57,470 --> 00:39:55,380

National Guard and the Maryland Air

1039

00:39:59,990 --> 00:39:57,480

National Guard was in town sending off

1040

00:40:02,630 --> 00:40:00,000

military illumination flares in

1041

00:40:05,329 --> 00:40:02,640

operation Snowbird which I later found

1042

00:40:08,270 --> 00:40:05,339

out means diversionary tactical

1043

00:40:10,069 --> 00:40:08,280

Maneuvers and military terms so they may

1044

00:40:11,630 --> 00:40:10,079

have been sending off flares to divert

1045

00:40:13,130 --> 00:40:11,640

attention away from the two unknowns but

1046

00:40:14,630 --> 00:40:13,140

it's certainly not what thousands of

1047

00:40:17,750 --> 00:40:14,640

people saw

1048

00:40:20,510 --> 00:40:17,760

um but she says that must be what some

1049

00:40:22,130 --> 00:40:20,520

people saw so I said wait a minute when

1050

00:40:24,410 --> 00:40:22,140

was the Maryland Air National Guard in

1051
00:40:26,569 --> 00:40:24,420
town she said March she said March 1st

1052
00:40:28,490 --> 00:40:26,579
to the 15th I said were they in town in

1053
00:40:31,849 --> 00:40:28,500
January she said oh no I said are you

1054
00:40:33,589 --> 00:40:31,859
sure she said absolutely not I said well

1055
00:40:36,290 --> 00:40:33,599
my husband and I witnessed and

1056
00:40:39,349 --> 00:40:36,300
photographed the same exact phenomenon

1057
00:40:41,089 --> 00:40:39,359
over the same exact location two months

1058
00:40:43,069 --> 00:40:41,099
before the mass site and confirmed the

1059
00:40:45,290 --> 00:40:43,079
next morning in January and the morning

1060
00:40:47,810 --> 00:40:45,300
after the mass sighting as appearing

1061
00:40:49,730 --> 00:40:47,820
over Class B restricted airspace a

1062
00:40:51,230 --> 00:40:49,740
thousand feet altitude and she says you

1063
00:40:53,990 --> 00:40:51,240

never told me that because I never told

1064

00:40:56,270 --> 00:40:54,000

him details I said besides you're trying

1065

00:40:58,849 --> 00:40:56,280

to tell me that flares and by then again

1066

00:41:00,349 --> 00:40:58,859

I I tried to educate myself to anything

1067

00:41:03,170 --> 00:41:00,359

logical

1068

00:41:06,250 --> 00:41:03,180

um that are dropped from aircraft on a

1069

00:41:08,569 --> 00:41:06,260

parachute that drift and drop in seconds

1070

00:41:10,609 --> 00:41:08,579

haphazardly to the ground have huge

1071

00:41:13,130 --> 00:41:10,619

smoke trails that are illuminated by the

1072

00:41:14,390 --> 00:41:13,140

flare itself and illuminate the area

1073

00:41:15,950 --> 00:41:14,400

around it that's what they're meant for

1074

00:41:17,990 --> 00:41:15,960

is the heat sinking so missiles will go

1075

00:41:20,690 --> 00:41:18,000

to them instead of the aircraft right I

1076
00:41:23,569 --> 00:41:20,700
said so you're telling me that Flair

1077
00:41:25,430 --> 00:41:23,579
they cannot keep a formation for more

1078
00:41:28,490 --> 00:41:25,440
than maybe a couple minutes tops

1079
00:41:32,690 --> 00:41:28,500
Traverse the entire state in a rock

1080
00:41:36,170 --> 00:41:32,700
solid equidistantly spaced mile y v for

1081
00:41:37,730 --> 00:41:36,180
hours and she says uh I have a call

1082
00:41:41,050 --> 00:41:37,740
coming and I'll get back to you well I'm

1083
00:41:45,470 --> 00:41:43,430
you mentioned that it was against the

1084
00:41:47,390 --> 00:41:45,480
wind as well so if these things were

1085
00:41:49,490 --> 00:41:47,400
dropped they'd be going against the wind

1086
00:41:51,349 --> 00:41:49,500
right and they wouldn't stay perfectly

1087
00:41:52,730 --> 00:41:51,359
equally and they wouldn't say that they

1088
00:41:55,310 --> 00:41:52,740

wouldn't all move in unison they

1089

00:41:57,109 --> 00:41:55,320

wouldn't span four states I mean this is

1090

00:41:59,270 --> 00:41:57,119

the swamp gas of the Phoenix Lights

1091

00:42:02,030 --> 00:41:59,280

let's be honest there you go there you

1092

00:42:04,190 --> 00:42:02,040

go and three years later to confirm that

1093

00:42:07,730 --> 00:42:04,200

you ready and people don't know this

1094

00:42:10,010 --> 00:42:07,740

happen except locally

1095

00:42:12,230 --> 00:42:10,020

Francis Ford was then running for

1096

00:42:14,390 --> 00:42:12,240

Secretary of State to get answers for

1097

00:42:17,750 --> 00:42:14,400

the lights over Phoenix and asking

1098

00:42:19,930 --> 00:42:17,760

brilliantly for reenactment hey I'm open

1099

00:42:23,450 --> 00:42:19,940

I'm a show me person if it was military

1100

00:42:25,730 --> 00:42:23,460

do it again right shame on you for

1101
00:42:27,230 --> 00:42:25,740
denying it for months and for doing it

1102
00:42:29,510 --> 00:42:27,240
right over people's heads but

1103
00:42:30,829 --> 00:42:29,520
nonetheless if it was military show us

1104
00:42:35,150 --> 00:42:30,839
right

1105
00:42:36,589 --> 00:42:35,160
get a public announcement that three

1106
00:42:38,510 --> 00:42:36,599
international guards were coming into

1107
00:42:40,250 --> 00:42:38,520
town to show everyone the Phoenix Lights

1108
00:42:43,130 --> 00:42:40,260
now whether they thought it would defuse

1109
00:42:44,630 --> 00:42:43,140
the issue or confuse the issue it well

1110
00:42:48,589 --> 00:42:44,640
talk about a joke

1111
00:42:49,970 --> 00:42:48,599
it what was a total failure for the

1112
00:42:51,770 --> 00:42:49,980
military in fact it was supposed to do a

1113
00:42:54,109 --> 00:42:51,780

two-week run and they scrapped it after

1114

00:42:55,550 --> 00:42:54,119

that night because if you go to the news

1115

00:42:57,829 --> 00:42:55,560

page on the Phoenix Lights Network

1116

00:43:01,010 --> 00:42:57,839

website and scroll down a bit you'll see

1117

00:43:03,589 --> 00:43:01,020

a block there that says AZ family they

1118

00:43:05,329 --> 00:43:03,599

got video of what they tried to do they

1119

00:43:07,309 --> 00:43:05,339

tried to make a triangle it was upside

1120

00:43:09,950 --> 00:43:07,319

down and fell apart immediately one of

1121

00:43:12,829 --> 00:43:09,960

them just fizzled out actually

1122

00:43:15,530 --> 00:43:12,839

um it was a travesty for them I mean it

1123

00:43:17,750 --> 00:43:15,540

really put the nail in the in the coffin

1124

00:43:20,450 --> 00:43:17,760

um besides the fact that no one to date

1125

00:43:22,309 --> 00:43:20,460

has described what flares do okay they

1126

00:43:24,290 --> 00:43:22,319

throw the two unknowns

1127

00:43:25,430 --> 00:43:24,300

um the Phoenix Lights have never been

1128

00:43:28,550 --> 00:43:25,440

recreated

1129

00:43:31,550 --> 00:43:28,560

or explain to this day although they

1130

00:43:33,950 --> 00:43:31,560

continue to appear worldwide in fact one

1131

00:43:36,230 --> 00:43:33,960

of the craft in the illustrations if you

1132

00:43:38,270 --> 00:43:36,240

look at it it's like a V with every

1133

00:43:40,730 --> 00:43:38,280

light is three lights I found a video

1134

00:43:44,210 --> 00:43:40,740

that a civilian took a month before our

1135

00:43:45,890 --> 00:43:44,220

Mass site in St Petersburg Russia they

1136

00:43:47,990 --> 00:43:45,900

had a massillating and the air traffic

1137

00:43:52,550 --> 00:43:48,000

controllers also reported it over their

1138

00:43:54,290 --> 00:43:52,560

tarmac the same exact craft okay so I

1139

00:43:55,849 --> 00:43:54,300

mean these are worldwide and have been

1140

00:43:58,130 --> 00:43:55,859

hearing not only for centuries we didn't

1141

00:44:01,430 --> 00:43:58,140

even get into that because I had no idea

1142

00:44:04,010 --> 00:44:01,440

that these phenomena had been with us

1143

00:44:06,109 --> 00:44:04,020

for since human documentation began in

1144

00:44:08,329 --> 00:44:06,119

Sumerian writings and India ratings and

1145

00:44:11,329 --> 00:44:08,339

even in the Bible ezekiel's wheel and

1146

00:44:13,250 --> 00:44:11,339

you fast forward to the uh 15th and 16th

1147

00:44:15,050 --> 00:44:13,260

centuries and we have pictures of and

1148

00:44:17,870 --> 00:44:15,060

frescoes the people living up at the sky

1149

00:44:20,630 --> 00:44:17,880

was what we would call a UFO with beings

1150

00:44:22,730 --> 00:44:20,640

in the UFO and then fast forward again a

1151
00:44:25,370 --> 00:44:22,740
hundred years before our Mass lighting

1152
00:44:28,010 --> 00:44:25,380
there was another last rating in Kansas

1153
00:44:30,589 --> 00:44:28,020
California Washington and Canada of a

1154
00:44:33,230 --> 00:44:30,599
massive they called it a massive Airship

1155
00:44:35,089 --> 00:44:33,240
that had removable life

1156
00:44:36,770 --> 00:44:35,099
sound familiar

1157
00:44:40,190 --> 00:44:36,780
that was six years before the Wright

1158
00:44:42,770 --> 00:44:40,200
brothers took flight and then Foo

1159
00:44:45,470 --> 00:44:42,780
Fighters in World War II in fact I

1160
00:44:48,170 --> 00:44:45,480
conferred with Dr Richard Haynes who was

1161
00:44:50,990 --> 00:44:48,180
one of the heads of narcap that reported

1162
00:44:52,490 --> 00:44:51,000
uh pilot sightings and in World War II

1163
00:44:54,829 --> 00:44:52,500

each side thought the other side had

1164

00:44:56,930 --> 00:44:54,839

these Advanced spy technology these orbs

1165

00:44:58,790 --> 00:44:56,940

and Rock Solid formations around their

1166

00:45:00,950 --> 00:44:58,800

aircraft it wasn't until after the war

1167

00:45:03,349 --> 00:45:00,960

that everybody found out that nobody had

1168

00:45:04,550 --> 00:45:03,359

this is by technology and then you fast

1169

00:45:06,950 --> 00:45:04,560

forward again

1170

00:45:08,030 --> 00:45:06,960

and in the 80s and 90s we have Hudson

1171

00:45:09,890 --> 00:45:08,040

Valley

1172

00:45:11,569 --> 00:45:09,900

um Belgium which is an example of what

1173

00:45:14,390 --> 00:45:11,579

should happen they're a model because

1174

00:45:16,670 --> 00:45:14,400

they had the uh scientists and

1175

00:45:19,490 --> 00:45:16,680

University and

1176

00:45:21,230 --> 00:45:19,500

um uh military and civilians get

1177

00:45:23,089 --> 00:45:21,240

together and try to study these

1178

00:45:25,309 --> 00:45:23,099

phenomena that's what should happen and

1179

00:45:27,230 --> 00:45:25,319

of course UK and then

1180

00:45:29,630 --> 00:45:27,240

um Stephenville I mean these things are

1181

00:45:31,550 --> 00:45:29,640

happening worldwide then we fast forward

1182

00:45:33,290 --> 00:45:31,560

right after the 10th anniversary and

1183

00:45:35,150 --> 00:45:33,300

again I'm just telling a major major

1184

00:45:38,210 --> 00:45:35,160

highlights here

1185

00:45:41,809 --> 00:45:38,220

the former Governor by Simonton who had

1186

00:45:44,630 --> 00:45:41,819

mocked the site in 97 came forward

1187

00:45:47,930 --> 00:45:44,640

bravely for whatever reason to disclose

1188

00:45:50,930 --> 00:45:47,940

that he actually witnessed one of these

1189

00:45:52,609 --> 00:45:50,940

mile-wide crafts and as a awarded

1190

00:45:55,010 --> 00:45:52,619

military pilot it definitely wasn't

1191

00:45:56,450 --> 00:45:55,020

players and in his own word and you

1192

00:45:58,490 --> 00:45:56,460

would hear this word

1193

00:46:00,710 --> 00:45:58,500

constantly from other countries are much

1194

00:46:01,609 --> 00:46:00,720

more open to these phenomena as being

1195

00:46:05,750 --> 00:46:01,619

real

1196

00:46:07,849 --> 00:46:05,760

he said it was other worldly okay that's

1197

00:46:11,630 --> 00:46:07,859

a very important word then we fast

1198

00:46:14,270 --> 00:46:11,640

forward again right after 2017 the

1199

00:46:15,950 --> 00:46:14,280

article big article which I'm I know you

1200

00:46:18,050 --> 00:46:15,960

guys are very familiar with in New York

1201
00:46:19,970 --> 00:46:18,060
Times it divulges to Harry Reid 22

1202
00:46:21,050 --> 00:46:19,980
million dollar study

1203
00:46:23,569 --> 00:46:21,060
um and of course they've been studying

1204
00:46:26,630 --> 00:46:23,579
it for decades but finally they admitted

1205
00:46:28,970 --> 00:46:26,640
they were studying these UAP

1206
00:46:31,250 --> 00:46:28,980
um shortly after that

1207
00:46:33,230 --> 00:46:31,260
the pilot the Private Pilot who had

1208
00:46:36,470 --> 00:46:33,240
called into the airport while I was

1209
00:46:38,270 --> 00:46:36,480
filming it came forward too and it was

1210
00:46:41,510 --> 00:46:38,280
Kurt Russell the actor

1211
00:46:42,829 --> 00:46:41,520
and his UK report which is really

1212
00:46:44,809 --> 00:46:42,839
telling

1213
00:46:46,609 --> 00:46:44,819

um is on the website as well on the news

1214

00:46:48,410 --> 00:46:46,619

page the Phoenix Lights Network website

1215

00:46:50,870 --> 00:46:48,420

so I invite people to take a peek at it

1216

00:46:54,109 --> 00:46:50,880

it's really cool so you know the story

1217

00:46:55,550 --> 00:46:54,119

continues to evolve and I really

1218

00:46:56,450 --> 00:46:55,560

appreciate thank you for letting me

1219

00:46:58,069 --> 00:46:56,460

share

1220

00:47:00,770 --> 00:46:58,079

um you know with your audience how the

1221

00:47:03,470 --> 00:47:00,780

story uh unfolded but there is so much

1222

00:47:05,270 --> 00:47:03,480

more to this story and one of the things

1223

00:47:07,430 --> 00:47:05,280

that really prompted me to come forward

1224

00:47:09,109 --> 00:47:07,440

I went back to work at the Arizona Heart

1225

00:47:11,150 --> 00:47:09,119

Institute wellness and imaging center as

1226

00:47:13,309 --> 00:47:11,160

a chief clinical consultant of the heart

1227

00:47:16,069 --> 00:47:13,319

test the calcium in your in your

1228

00:47:18,950 --> 00:47:16,079

arteries and behind closed doors I took

1229

00:47:21,069 --> 00:47:18,960

that 750 page journal and started

1230

00:47:24,710 --> 00:47:21,079

editing it down to the most credible

1231

00:47:26,510 --> 00:47:24,720

scientific and and compelling data that

1232

00:47:29,569 --> 00:47:26,520

I had found and finally after much soul

1233

00:47:31,670 --> 00:47:29,579

searching I mean in reality how could I

1234

00:47:33,050 --> 00:47:31,680

stick it in a drawer which I really

1235

00:47:34,309 --> 00:47:33,060

thought about doing by the way and

1236

00:47:37,010 --> 00:47:34,319

showing it to my grandchildren years

1237

00:47:39,530 --> 00:47:37,020

from now but I had 35 millimeter that I

1238

00:47:41,870 --> 00:47:39,540

went to extremely military and

1239

00:47:44,210 --> 00:47:41,880

University level to have explained to me

1240

00:47:45,890 --> 00:47:44,220

and no one can plus there was so much

1241

00:47:48,349 --> 00:47:45,900

Miss and disinformation I mean once the

1242

00:47:49,550 --> 00:47:48,359

flare Theory came out people ate it up I

1243

00:47:51,829 --> 00:47:49,560

mean people that were looking for a

1244

00:47:53,569 --> 00:47:51,839

logic of oxidation I get it I get it but

1245

00:47:55,250 --> 00:47:53,579

there's so much more to this story so

1246

00:47:57,109 --> 00:47:55,260

thank you again for letting me share at

1247

00:47:59,390 --> 00:47:57,119

least this little tidbit of it there is

1248

00:48:01,970 --> 00:47:59,400

much more and again the book I I

1249

00:48:04,370 --> 00:48:01,980

squeezed down to 230 Pages the first

1250

00:48:06,829 --> 00:48:04,380

edition which is there I will not do

1251
00:48:08,690 --> 00:48:06,839
another book because that every word is

1252
00:48:11,210 --> 00:48:08,700
there for a reason I keep adding

1253
00:48:12,770 --> 00:48:11,220
chapters as the story unfolds and we're

1254
00:48:14,630 --> 00:48:12,780
in its fourth print

1255
00:48:16,490 --> 00:48:14,640
um so you know I invite people to take a

1256
00:48:18,410 --> 00:48:16,500
peek at that and of course explore and

1257
00:48:20,030 --> 00:48:18,420
consider what's on the website that's

1258
00:48:22,130 --> 00:48:20,040
packed with information

1259
00:48:24,230 --> 00:48:22,140
so I would ask what what do you think

1260
00:48:27,710 --> 00:48:24,240
was about that particular time frame you

1261
00:48:29,329 --> 00:48:27,720
know 95 to 97 what caused this flap why

1262
00:48:31,790 --> 00:48:29,339
were they so prevalent why was there so

1263
00:48:34,010 --> 00:48:31,800

much activity you know do you have any

1264

00:48:35,150 --> 00:48:34,020

insight on that okay

1265

00:48:38,210 --> 00:48:35,160

um again these things have been

1266

00:48:40,190 --> 00:48:38,220

appearing for centuries okay and there's

1267

00:48:41,930 --> 00:48:40,200

a lot of activity I work with Navajo

1268

00:48:44,210 --> 00:48:41,940

Rangers now

1269

00:48:45,890 --> 00:48:44,220

um who were very forthcoming at one of

1270

00:48:47,930 --> 00:48:45,900

the conferences and I that they had a

1271

00:48:49,309 --> 00:48:47,940

sighting the day before ours that they

1272

00:48:51,410 --> 00:48:49,319

thought would be a big sighting these

1273

00:48:53,030 --> 00:48:51,420

orbs going around in circles and they're

1274

00:48:55,370 --> 00:48:53,040

very open to it the whole town came out

1275

00:48:57,470 --> 00:48:55,380

with chairs and watched it for over an

1276

00:48:59,569 --> 00:48:57,480

hour with their lawn chairs

1277

00:49:01,849 --> 00:48:59,579

um they're happening all over let's be

1278

00:49:03,470 --> 00:49:01,859

clear about that as far as the mass

1279

00:49:05,390 --> 00:49:03,480

sightings concerned

1280

00:49:07,609 --> 00:49:05,400

um my own feeling is that whoever did

1281

00:49:09,530 --> 00:49:07,619

this and I don't know who did this I

1282

00:49:11,510 --> 00:49:09,540

don't know who they are I just know that

1283

00:49:13,370 --> 00:49:11,520

they are and again it's time we get this

1284

00:49:15,349 --> 00:49:13,380

out in the open yeah so we can address

1285

00:49:17,630 --> 00:49:15,359

it and accept it and study it so we can

1286

00:49:19,430 --> 00:49:17,640

find out who is driving these things and

1287

00:49:22,430 --> 00:49:19,440

also move forward in our own Evolution

1288

00:49:25,250 --> 00:49:22,440

because we're right in the precipice of

1289

00:49:27,410 --> 00:49:25,260

like the Flat Earth time okay of going

1290

00:49:30,170 --> 00:49:27,420

to that next step and really realizing

1291

00:49:31,910 --> 00:49:30,180

that there is so much to the story of

1292

00:49:32,870 --> 00:49:31,920

the Phoenix Lights first of all whoever

1293

00:49:35,210 --> 00:49:32,880

did this

1294

00:49:38,270 --> 00:49:35,220

wanted to wake us up to their presence

1295

00:49:39,470 --> 00:49:38,280

in a very gentle non-threatening way my

1296

00:49:41,030 --> 00:49:39,480

own feeling is that they've had it with

1297

00:49:43,370 --> 00:49:41,040

the government military they wanted to

1298

00:49:45,230 --> 00:49:43,380

show themselves okay and touch one

1299

00:49:46,670 --> 00:49:45,240

person at a time which they did because

1300

00:49:49,630 --> 00:49:46,680

we'll talk about that in a second and

1301
00:49:53,569 --> 00:49:49,640
touched people in a very deep very deep

1302
00:49:56,150 --> 00:49:53,579
profound level across the board but they

1303
00:49:58,490 --> 00:49:56,160
also wanted to wake us up to who we are

1304
00:50:01,609 --> 00:49:58,500
as human beings and we have so much more

1305
00:50:02,750 --> 00:50:01,619
potential that we're not being told as

1306
00:50:04,670 --> 00:50:02,760
well

1307
00:50:07,210 --> 00:50:04,680
um we're we're in our little reality box

1308
00:50:11,750 --> 00:50:07,220
here to make this world a better world

1309
00:50:13,309 --> 00:50:11,760
and well in my inquiries there were a

1310
00:50:15,589 --> 00:50:13,319
number of people this is an important

1311
00:50:18,230 --> 00:50:15,599
aspect half the book is about this

1312
00:50:20,930 --> 00:50:18,240
that it had near-death experiences as

1313
00:50:24,170 --> 00:50:20,940

children that was reawakened by the mass

1314

00:50:26,510 --> 00:50:24,180

sighting and I found that very profound

1315

00:50:29,450 --> 00:50:26,520

because I did too and I lay it all out

1316

00:50:32,630 --> 00:50:29,460

there and there in fact I met three

1317

00:50:36,230 --> 00:50:32,640

beings at eight years old in giant

1318

00:50:39,170 --> 00:50:36,240

glowing White Rose giant beings three of

1319

00:50:42,710 --> 00:50:39,180

them in a row that I have felt have been

1320

00:50:45,770 --> 00:50:42,720

with me ever since as my guides and I

1321

00:50:47,569 --> 00:50:45,780

meditate I have actually 10 ways to

1322

00:50:49,670 --> 00:50:47,579

connect with these other intelligences

1323

00:50:52,370 --> 00:50:49,680

in the book If people care to it is a

1324

00:50:54,170 --> 00:50:52,380

choice and uh not trying to convince

1325

00:50:56,089 --> 00:50:54,180

anybody of anything it's a choice of

1326

00:50:59,450 --> 00:50:56,099

each individual how you want to take

1327

00:51:00,950 --> 00:50:59,460

this data but whenever I come to a

1328

00:51:02,630 --> 00:51:00,960

crossword and we won't have time but

1329

00:51:05,089 --> 00:51:02,640

I've come to quite a few including the

1330

00:51:07,370 --> 00:51:05,099

Phoenix Lights where I meditate and ask

1331

00:51:10,549 --> 00:51:07,380

for guidance I just get feelings

1332

00:51:12,770 --> 00:51:10,559

Strong's feelings for things so you know

1333

00:51:15,290 --> 00:51:12,780

again it's not about me I thought whoa

1334

00:51:16,609 --> 00:51:15,300

could there be a connection between all

1335

00:51:18,109 --> 00:51:16,619

unexplained phenomena whether it's

1336

00:51:20,809 --> 00:51:18,119

near-death experience Out of Body

1337

00:51:23,270 --> 00:51:20,819

Experience unexplained aerial phenomena

1338

00:51:25,430 --> 00:51:23,280

that have a mystical light associated

1339

00:51:26,870 --> 00:51:25,440

with its experience and lo and behold

1340

00:51:29,450 --> 00:51:26,880

when I started looking again I looked

1341

00:51:31,430 --> 00:51:29,460

for the most credible data I found at

1342

00:51:32,990 --> 00:51:31,440

University level the Omega project it's

1343

00:51:35,450 --> 00:51:33,000

like this thick of like three or four

1344

00:51:37,790 --> 00:51:35,460

inches thick like Dr Kenneth ring Dr

1345

00:51:39,770 --> 00:51:37,800

John Mack at Harvard was also studying

1346

00:51:42,650 --> 00:51:39,780

the connection and many others between

1347

00:51:44,870 --> 00:51:42,660

all unexplained phenomena not only the

1348

00:51:47,329 --> 00:51:44,880

experience I laid out very simply in the

1349

00:51:49,910 --> 00:51:47,339

book is very similar whatever the

1350

00:51:52,849 --> 00:51:49,920

unexplained phenomena it's uncanny but

1351
00:51:55,370 --> 00:51:52,859
the after effect the Awakening the

1352
00:51:57,890 --> 00:51:55,380
enlightenment the connectiveness that

1353
00:52:01,130 --> 00:51:57,900
one feels for the first time many people

1354
00:52:03,290 --> 00:52:01,140
to the universe and to the Earth and to

1355
00:52:05,750 --> 00:52:03,300
each other for the very first time I

1356
00:52:09,049 --> 00:52:05,760
have people still telling me 25 years

1357
00:52:11,930 --> 00:52:09,059
later that they feel blessed to have had

1358
00:52:15,230 --> 00:52:11,940
the Phoenix Lights experience in fact we

1359
00:52:16,609 --> 00:52:15,240
are now doing a scientific study because

1360
00:52:21,650 --> 00:52:16,619
I thought it was really important to

1361
00:52:24,530 --> 00:52:21,660
quantitate not only these uh you know uh

1362
00:52:26,390 --> 00:52:24,540
profound After Effects but even in Real

1363
00:52:29,329 --> 00:52:26,400

Time We Touch on this in the in the

1364

00:52:31,569 --> 00:52:29,339

documentary that um we're so inundated

1365

00:52:34,010 --> 00:52:31,579

with threat threat threat and harm harm

1366

00:52:35,270 --> 00:52:34,020

that Dr Gary Schwartz the head of the

1367

00:52:37,130 --> 00:52:35,280

conscious of study Department in the

1368

00:52:39,470 --> 00:52:37,140

University of Arizona

1369

00:52:41,690 --> 00:52:39,480

very poignant statement says if you're

1370

00:52:43,130 --> 00:52:41,700

primed to fear something how do you

1371

00:52:45,950 --> 00:52:43,140

think you're going to react when you see

1372

00:52:47,210 --> 00:52:45,960

that something and children who a lot

1373

00:52:49,190 --> 00:52:47,220

many of them had just seen the movie

1374

00:52:52,130 --> 00:52:49,200

Independence Day which was very popular

1375

00:52:53,569 --> 00:52:52,140

at the time in 97 we're jumping up and

1376

00:52:57,109 --> 00:52:53,579

down Independence Day independence day

1377

00:52:59,630 --> 00:52:57,119

but as it came closer

1378

00:53:02,750 --> 00:52:59,640

the calmness came over everyone

1379

00:53:04,549 --> 00:53:02,760

a connectiveness to the phenomenon that

1380

00:53:05,930 --> 00:53:04,559

after it passed they wanted to follow it

1381

00:53:09,170 --> 00:53:05,940

they wanted their parents to get into

1382

00:53:11,809 --> 00:53:09,180

the car and Chase it in real time

1383

00:53:14,410 --> 00:53:11,819

profound positive

1384

00:53:17,329 --> 00:53:14,420

transformation I started calling all up

1385

00:53:20,089 --> 00:53:17,339

unexplained phenomena and up because it

1386

00:53:23,089 --> 00:53:20,099

is so positive our Consciousness whoever

1387

00:53:24,950 --> 00:53:23,099

did this is definitely touching one

1388

00:53:28,670 --> 00:53:24,960

person at a time and waking their

1389

00:53:31,609 --> 00:53:28,680

Consciousness up to their presence and

1390

00:53:34,010 --> 00:53:31,619

to the positive potentials we have as

1391

00:53:36,710 --> 00:53:34,020

human beings to make this world a better

1392

00:53:38,690 --> 00:53:36,720

world and the message across the board

1393

00:53:40,790 --> 00:53:38,700

not only with the Phoenix Lights with

1394

00:53:43,430 --> 00:53:40,800

many people but also with near-death

1395

00:53:45,950 --> 00:53:43,440

experience is wake up to what you're

1396

00:53:48,890 --> 00:53:45,960

doing to your planet and yourselves

1397

00:53:50,870 --> 00:53:48,900

before it's too late and if that's not

1398

00:53:52,370 --> 00:53:50,880

an important message to get across I

1399

00:53:56,630 --> 00:53:52,380

don't know what is

1400

00:53:59,450 --> 00:53:56,640

no even the uh the fact that we're being

1401
00:54:01,849 --> 00:53:59,460
not told the truth about what's really

1402
00:54:04,730 --> 00:54:01,859
going on is a disservice to humanity

1403
00:54:07,609 --> 00:54:04,740
because it's not telling us about the

1404
00:54:10,430 --> 00:54:07,619
reality of the universe if they are here

1405
00:54:13,190 --> 00:54:10,440
if we're again visited visitations from

1406
00:54:15,650 --> 00:54:13,200
some outside Source or From Another

1407
00:54:17,569 --> 00:54:15,660
Dimension it doesn't matter it's a fact

1408
00:54:19,790 --> 00:54:17,579
of revealing that to the general public

1409
00:54:21,349 --> 00:54:19,800
to let them know hey this is what

1410
00:54:23,329 --> 00:54:21,359
reality is like and this is what's

1411
00:54:25,250 --> 00:54:23,339
really going on Louis do you have any

1412
00:54:26,870 --> 00:54:25,260
final questions for our guests today no

1413
00:54:28,490 --> 00:54:26,880

I just want to extend a very warm

1414

00:54:30,950 --> 00:54:28,500

welcome we might have to do a 2.0

1415

00:54:33,349 --> 00:54:30,960

because this is such a big phenomenon

1416

00:54:34,970 --> 00:54:33,359

story you can condense it to an hour we

1417

00:54:37,490 --> 00:54:34,980

like to keep our episodes around an hour

1418

00:54:38,750 --> 00:54:37,500

so you get a nice little snippet but

1419

00:54:40,430 --> 00:54:38,760

um you know just a wealth of information

1420

00:54:42,530 --> 00:54:40,440

Dr Lynn we really appreciate you coming

1421

00:54:44,510 --> 00:54:42,540

on the show it's rare to have

1422

00:54:46,250 --> 00:54:44,520

science-minded people like yourself and

1423

00:54:47,990 --> 00:54:46,260

I mean we have Avi lobe coming on in

1424

00:54:51,170 --> 00:54:48,000

November so we're really making an

1425

00:54:52,730 --> 00:54:51,180

effort to get science-minded people

1426

00:54:54,470 --> 00:54:52,740

um and not just people that think think

1427

00:54:56,329 --> 00:54:54,480

they know but people that are humble

1428

00:54:58,069 --> 00:54:56,339

enough to say I don't have a freaking

1429

00:54:59,510 --> 00:54:58,079

clue but I know I'm going to find out

1430

00:55:01,970 --> 00:54:59,520

and I want to help other people get

1431

00:55:03,589 --> 00:55:01,980

there and bring that attention to this

1432

00:55:04,970 --> 00:55:03,599

because a lot of people that reach out

1433

00:55:06,829 --> 00:55:04,980

to us we get a lot of emails people

1434

00:55:08,990 --> 00:55:06,839

share their experience we've had people

1435

00:55:10,549 --> 00:55:09,000

say hey I've never told anybody this I'm

1436

00:55:12,710 --> 00:55:10,559

embarrassed and at least I know you guys

1437

00:55:15,470 --> 00:55:12,720

are open-minded it's cathartic for them

1438

00:55:17,630 --> 00:55:15,480

just to get it off their chest so if we

1439

00:55:19,609 --> 00:55:17,640

you know play a very small role in this

1440

00:55:21,950 --> 00:55:19,619

whole thing then that's good enough for

1441

00:55:23,210 --> 00:55:21,960

us and you are not only experimenter but

1442

00:55:25,790 --> 00:55:23,220

you've helped other people deal with

1443

00:55:27,530 --> 00:55:25,800

theirs and yeah it's been a great show

1444

00:55:28,910 --> 00:55:27,540

we're really impressed by your your

1445

00:55:31,609 --> 00:55:28,920

knowledge and we'd love to have you back

1446

00:55:33,470 --> 00:55:31,619

on again sometime absolutely and there

1447

00:55:35,809 --> 00:55:33,480

is so much more in the book I have to

1448

00:55:37,490 --> 00:55:35,819

tell you if people care to take a look

1449

00:55:39,650 --> 00:55:37,500

at because they were talking about

1450

00:55:42,890 --> 00:55:39,660

coincidences and paranormal activity

1451
00:55:44,750 --> 00:55:42,900
after the bad sighting that's like whoa

1452
00:55:47,690 --> 00:55:44,760
um and even automatic writing and all

1453
00:55:48,890 --> 00:55:47,700
kinds of neat things but you hit on

1454
00:55:51,770 --> 00:55:48,900
something that's the most important

1455
00:55:54,109 --> 00:55:51,780
reason I came forward was to let people

1456
00:55:56,990 --> 00:55:54,119
know it's okay okay to talk about this

1457
00:55:58,790 --> 00:55:57,000
it's time we need to talk about this and

1458
00:56:01,790 --> 00:55:58,800
it's wonderful that now the military and

1459
00:56:03,589 --> 00:56:01,800
government are coming forward

1460
00:56:05,569 --> 00:56:03,599
um at least to let us know that there is

1461
00:56:06,770 --> 00:56:05,579
something in our airspace something

1462
00:56:09,049 --> 00:56:06,780
visiting us it's something that might

1463
00:56:10,910 --> 00:56:09,059

have been here I mean look 70 of the

1464

00:56:13,069 --> 00:56:10,920

earth is is ocean they could have been

1465

00:56:15,650 --> 00:56:13,079

down at the bottom of the ocean that we

1466

00:56:17,150 --> 00:56:15,660

can't reach for Millennia and and who

1467

00:56:18,410 --> 00:56:17,160

knows what they are like you mentioned

1468

00:56:20,089 --> 00:56:18,420

whether they're Interstellar or

1469

00:56:22,490 --> 00:56:20,099

Interstellar Time Travelers

1470

00:56:25,069 --> 00:56:22,500

interdimensional okay that we get

1471

00:56:26,450 --> 00:56:25,079

glimpses of if we're open to them or

1472

00:56:28,730 --> 00:56:26,460

invited

1473

00:56:31,910 --> 00:56:28,740

um it's still a question that we need to

1474

00:56:34,309 --> 00:56:31,920

study and we need to discover and I I so

1475

00:56:37,250 --> 00:56:34,319

appreciate you letting me share this

1476

00:56:39,170 --> 00:56:37,260

data and I hope people will look further

1477

00:56:40,670 --> 00:56:39,180

um into the Phoenix Lights and go to the

1478

00:56:43,130 --> 00:56:40,680

website it's packed with with

1479

00:56:44,930 --> 00:56:43,140

information and actually the the um our

1480

00:56:47,450 --> 00:56:44,940

award-winning documentary we're so proud

1481

00:56:50,210 --> 00:56:47,460

of it it's a real Grassroots effort um

1482

00:56:53,030 --> 00:56:50,220

it's now free on 2B if anybody has to be

1483

00:56:55,010 --> 00:56:53,040

and also Amazon Prime I believe it's

1484

00:56:56,569 --> 00:56:55,020

still free on there too I just want to

1485

00:56:58,309 --> 00:56:56,579

get the information out there so people

1486

00:57:01,010 --> 00:56:58,319

can learn and grow and decide for

1487

00:57:02,750 --> 00:57:01,020

themselves how they want to accept this

1488

00:57:04,609 --> 00:57:02,760

information or not

1489

00:57:08,510 --> 00:57:04,619

um but it's out there now so thank you

1490

00:57:10,190 --> 00:57:08,520

for letting me share it awesome Dr kitai

1491

00:57:11,809 --> 00:57:10,200

we appreciate your time thank you so

1492

00:57:13,910 --> 00:57:11,819

much for coming on the podcast

1493

00:57:15,349 --> 00:57:13,920

and keep looking up you know now it's a

1494

00:57:21,550 --> 00:57:15,359

double entendre

1495

00:57:31,970 --> 00:57:30,190
