00:00:03,590 --> 00:00:01,969
welcome back everybody today we're going

2
00:00:05,329 --> 00:00:03,600
to do something a little different we

3
00:00:06,889 --> 00:00:05,339
for the last couple years we've been

4
00:00:09,290 --> 00:00:06,899
getting so many people reach out to us

5
00:00:10,850 --> 00:00:09,300
sharing their personal experiences uh

6
00:00:13,669 --> 00:00:10,860
their thoughts on things suggesting

7
00:00:15,410 --> 00:00:13,679
guests and ideas and we had somebody uh

8
00:00:17,750 --> 00:00:15,420
starting to like and comment on our our

9
00:00:19,849 --> 00:00:17,760
content and uh just kind of becoming

10
00:00:22,670 --> 00:00:19,859
friends on Facebook and chatting and we

11
00:00:24,470 --> 00:00:22,680
encounter this new podcaster who is very

12
00:00:27,230 --> 00:00:24,480
well spoken thinks right very

13
00:00:28,910 --> 00:00:27,240

open-minded and sounds amazing behind

14

00:00:31,550 --> 00:00:28,920

the mic I mean he's a professional voice

15

00:00:33,410 --> 00:00:31,560

actor uh this guy seemed to be made for

16

00:00:35,270 --> 00:00:33,420

broadcasting and we thought you know

17

00:00:37,190 --> 00:00:35,280

what how could we give back you know

18

00:00:38,810 --> 00:00:37,200

what's a small thing we can do to say

19

00:00:40,790 --> 00:00:38,820

thank you for all the support we've had

20

00:00:43,430 --> 00:00:40,800

and we thought we're going to give him

21

00:00:45,350 --> 00:00:43,440

an opportunity to come on our show get

22

00:00:47,810 --> 00:00:45,360

some eyeballs on his new program we've

23

00:00:49,790 --> 00:00:47,820

never done this before he is just an

24

00:00:51,590 --> 00:00:49,800

intelligent guy who started off like us

25

00:00:54,049 --> 00:00:51,600

and we're going to invite him into our

26

00:00:56,689 --> 00:00:54,059

living room today to chat about uaps

27

00:00:58,790 --> 00:00:56,699

government all the usual uh but uh get a

28

00:01:00,650 --> 00:00:58,800

little different perspective and uh we

29

00:01:03,229 --> 00:01:00,660

have a cool video that he made for us

30

00:01:05,690 --> 00:01:03,239

and voice narrated as well and that will

31

00:01:07,850 --> 00:01:05,700

be our intro for today's show so are you

32

00:01:09,230 --> 00:01:07,860

ready Jay I'm ready to do this let's do

33

00:01:12,109 --> 00:01:09,240

it all right we'll be right back with

34

00:01:15,170 --> 00:01:12,119

Marquis Williams on UAP studies podcast

35

00:01:16,250 --> 00:01:15,180

are we alone in the universe why are we

36

00:01:21,170 --> 00:01:16,260

here

37

00:01:24,530 --> 00:01:21,180

Galactic Federation of extraterrestrial

38

00:01:27,170 --> 00:01:24,540

civilizations does the government know

39

00:01:29,810 --> 00:01:27,180

if you're not asking these questions how

40

00:01:32,149 --> 00:01:29,820

can you come to definitive conclusions

41

00:01:34,850 --> 00:01:32,159

if you're not open to all things

42

00:01:37,609 --> 00:01:34,860

how can you truly know anything

43

00:01:40,609 --> 00:01:37,619

there may only be one way to God

44

00:01:42,550 --> 00:01:40,619

but there are many ways of understanding

45

00:01:45,410 --> 00:01:42,560

and the only way to wisdom and knowledge

46

00:01:46,990 --> 00:01:45,420

is exploration

47

00:01:52,310 --> 00:01:47,000

be inquisitive

48

00:01:55,550 --> 00:01:52,320

be curious be open-minded and start from

49

00:01:58,249 --> 00:01:55,560

a place of Truth and Love therein lies

50

00:02:01,130 --> 00:01:58,259

the truth of your very existence

51
00:02:04,730 --> 00:02:01,140
let's figure this out together

52
00:02:08,210 --> 00:02:06,950
are you paying attention

53
00:02:10,910 --> 00:02:08,220
all right welcome back to another

54
00:02:12,589 --> 00:02:10,920
episode of UAP studies podcast uh that

55
00:02:15,170 --> 00:02:12,599
cool little video intro is actually

56
00:02:17,330 --> 00:02:15,180
created by Our Guest today uh he created

57
00:02:19,309 --> 00:02:17,340
it for us and uh this is kind of our

58
00:02:21,229 --> 00:02:19,319
viewer appreciation episode so we're

59
00:02:23,390 --> 00:02:21,239
super excited to uh to promote that for

60
00:02:25,430 --> 00:02:23,400
him uh hi everyone I'm Louis Borges

61
00:02:27,470 --> 00:02:25,440
joining me as always my good friend and

62
00:02:29,869 --> 00:02:27,480
illustrious co-host Jason gilmap how you

63
00:02:31,190 --> 00:02:29,879

doing I'm having a fantastic morning so

64

00:02:33,830 --> 00:02:31,200

far I've been running a little bit

65

00:02:35,690 --> 00:02:33,840

behind but we made it to the podcast so

66

00:02:38,089 --> 00:02:35,700

you know we made it in time and I'm

67

00:02:40,430 --> 00:02:38,099

excited for this episode Louisa we're

68

00:02:42,350 --> 00:02:40,440

always on time we're usually early and

69

00:02:44,509 --> 00:02:42,360

uh you know sometimes we uh we have life

70

00:02:45,890 --> 00:02:44,519

that happens but we've never been never

71

00:02:47,990 --> 00:02:45,900

been a minute late for our recording

72

00:02:49,910 --> 00:02:48,000

time so we're proud of that and uh so

73

00:02:51,830 --> 00:02:49,920

very special guest today um you know

74

00:02:53,690 --> 00:02:51,840

over the last two years we've got so

75

00:02:56,330 --> 00:02:53,700

much feedback people contact us on our

76

00:02:59,089 --> 00:02:56,340

Facebook page Twitter uh they go to our

77

00:03:01,790 --> 00:02:59,099

UAP studies podcast.com website and

78

00:03:03,470 --> 00:03:01,800

contact us there our YouTube channel and

79

00:03:05,330 --> 00:03:03,480

uh some people are very talented in

80

00:03:07,850 --> 00:03:05,340

their own right they they think well and

81

00:03:09,890 --> 00:03:07,860

we admire some of their some of their

82

00:03:11,809 --> 00:03:09,900

thoughts and we chatted with a brand new

83

00:03:14,210 --> 00:03:11,819

up-and-coming podcaster named Marquis

84

00:03:15,470 --> 00:03:14,220

Williams and uh you know after becoming

85

00:03:16,850 --> 00:03:15,480

a friend and

86

00:03:18,410 --> 00:03:16,860

um you know seeing that this guy is

87

00:03:20,330 --> 00:03:18,420

really driven and wants to start a

88

00:03:22,790 --> 00:03:20,340

podcast of his own and I mean he's a

89

00:03:25,309 --> 00:03:22,800

brilliant voice actor so he's made for

90

00:03:26,930 --> 00:03:25,319

broadcasting uh so we sent his info to a

91

00:03:29,030 --> 00:03:26,940

few of our affiliate programs to get him

92

00:03:30,770 --> 00:03:29,040

some exposure and either people are

93

00:03:32,869 --> 00:03:30,780

really busy or a little threatened by

94

00:03:34,130 --> 00:03:32,879

the new kid on the Block but uh either

95

00:03:36,110 --> 00:03:34,140

way we said you know what we're going to

96

00:03:37,970 --> 00:03:36,120

put him on our show and we're gonna make

97

00:03:40,670 --> 00:03:37,980

this sort of our way of giving back for

98

00:03:42,050 --> 00:03:40,680

all the people that contact us if if you

99

00:03:44,030 --> 00:03:42,060

want some help with this if you think

100

00:03:45,649 --> 00:03:44,040

right hell we may just call you one day

101
00:03:47,990 --> 00:03:45,659
and ask you to be a guest on the show so

102
00:03:49,910 --> 00:03:48,000
today's guest is Marquis Williams we're

103
00:03:51,470 --> 00:03:49,920
super happy to have him we're gonna get

104
00:03:54,170 --> 00:03:51,480
to know him really well today so welcome

105
00:03:56,030 --> 00:03:54,180
to the show Marquis it is a pleasure to

106
00:03:57,890 --> 00:03:56,040
be here a great pleasure thanks

107
00:03:59,390 --> 00:03:57,900
everybody and this is the first time

108
00:04:00,830 --> 00:03:59,400
Jason's meeting you actually I've been

109
00:04:03,589 --> 00:04:00,840
chatting with you for a couple weeks but

110
00:04:04,910 --> 00:04:03,599
but uh yeah he contacted me once yeah he

111
00:04:08,210 --> 00:04:04,920
contacted me once to talk about the

112
00:04:10,369 --> 00:04:08,220
upcoming cast that's true so there was

113
00:04:12,530 --> 00:04:10,379

there was a moment of contact there's a

114

00:04:14,570 --> 00:04:12,540

moment of contact it was exciting I had

115

00:04:16,430 --> 00:04:14,580

a sighting perfectly fitting after our

116

00:04:18,349 --> 00:04:16,440

James Fox episode from last week so

117

00:04:20,509 --> 00:04:18,359

wonderful yeah so tell us a little bit

118

00:04:22,069 --> 00:04:20,519

about yourself uh how you got into the

119

00:04:24,469 --> 00:04:22,079

whole topic of this

120

00:04:25,909 --> 00:04:24,479

um sort of career and now uh what made

121

00:04:27,290 --> 00:04:25,919

you decide to get into the crazy world

122

00:04:29,629 --> 00:04:27,300

of podcasting

123

00:04:31,790 --> 00:04:29,639

well um for the longest time I was in

124

00:04:33,890 --> 00:04:31,800

sales several years and I loved it you

125

00:04:35,210 --> 00:04:33,900

know Management corporate type thing I

126

00:04:36,469 --> 00:04:35,220

managed several cell phone stores I

127

00:04:38,150 --> 00:04:36,479

worked with a lot of people that were

128

00:04:39,950 --> 00:04:38,160

that were kind of damaged relationships

129

00:04:42,050 --> 00:04:39,960

at certain places and I repaired them

130

00:04:44,090 --> 00:04:42,060

and through that communication between

131

00:04:46,010 --> 00:04:44,100

myself and some of the Departments that

132

00:04:48,110 --> 00:04:46,020

I work with a lot of times it would say

133

00:04:49,610 --> 00:04:48,120

things like hey why don't you um I don't

134

00:04:51,590 --> 00:04:49,620

do voice acting why don't you do

135

00:04:53,030 --> 00:04:51,600

audiobooks because they liked how I

136

00:04:55,790 --> 00:04:53,040

talked they liked they thought that the

137

00:04:57,890 --> 00:04:55,800

way that I talked was was not just um

138

00:04:59,510 --> 00:04:57,900

sultry as some of them would say but it

139

00:05:00,590 --> 00:04:59,520

was very clear and it was very concise

140

00:05:02,090 --> 00:05:00,600

people could understand what I had to

141

00:05:03,710 --> 00:05:02,100

say and it was great so they were like

142

00:05:06,170 --> 00:05:03,720

hey why don't you just do that do a

143

00:05:07,550 --> 00:05:06,180

podcast you know do an audiobook so I

144

00:05:08,510 --> 00:05:07,560

played around a little bit with some

145

00:05:11,150 --> 00:05:08,520

audio

146

00:05:13,670 --> 00:05:11,160

um software and some voiceovers of my

147

00:05:15,170 --> 00:05:13,680

own and they turned out great

148

00:05:17,870 --> 00:05:15,180

um even though I had bad audio at first

149

00:05:19,310 --> 00:05:17,880

but they turned out great and um but I

150

00:05:20,870 --> 00:05:19,320

still worked a lot to make a lot of I

151

00:05:22,670 --> 00:05:20,880

wanted to make money so I stayed in

152

00:05:25,310 --> 00:05:22,680

sales for years and years and it was

153

00:05:27,170 --> 00:05:25,320

actually my partner who said listen you

154

00:05:29,570 --> 00:05:27,180

know you you need to stop doing this

155

00:05:31,610 --> 00:05:29,580

this chasing money thing and I want you

156

00:05:32,990 --> 00:05:31,620

to do something that you love and I

157

00:05:34,310 --> 00:05:33,000

thought well if I do that you know we're

158

00:05:36,050 --> 00:05:34,320

gonna we're gonna lose money We're Not

159

00:05:38,330 --> 00:05:36,060

Gonna Keep amassing all this or

160

00:05:40,189 --> 00:05:38,340

acquiring this this backup money so to

161

00:05:42,350 --> 00:05:40,199

speak given that the pandemic hit

162

00:05:45,290 --> 00:05:42,360

um it was it was a bit risky but I did

163

00:05:47,450 --> 00:05:45,300

it anyway so I took the leap and I left

164

00:05:49,310 --> 00:05:47,460

all that behind the money making the

165

00:05:52,430 --> 00:05:49,320

chasing behind and I took a voice

166

00:05:54,529 --> 00:05:52,440

acting and it was great

167

00:05:56,150 --> 00:05:54,539

the voice acting went really well

168

00:05:57,830 --> 00:05:56,160

um even as a new voice actor people were

169

00:05:59,270 --> 00:05:57,840

like wow you're so great and they loved

170

00:06:01,730 --> 00:05:59,280

it they loved the content they loved my

171

00:06:03,170 --> 00:06:01,740

voice they loved my delivery and it grew

172

00:06:04,730 --> 00:06:03,180

and grew and grew until it was like you

173

00:06:07,129 --> 00:06:04,740

know what maybe I can maybe I can take

174

00:06:09,650 --> 00:06:07,139

this on my own in another way with the

175

00:06:11,270 --> 00:06:09,660

podcasting as well and I did but

176

00:06:12,890 --> 00:06:11,280

everybody else was doing it everybody

177

00:06:14,930 --> 00:06:12,900

else was podcasting there were so many

178

00:06:17,150 --> 00:06:14,940

intelligent and well-informed people and

179

00:06:19,790 --> 00:06:17,160

I was new and I wanted to talk about

180

00:06:22,129 --> 00:06:19,800

technology and human civilization and

181

00:06:24,290 --> 00:06:22,139

where we're going and where we could be

182

00:06:26,210 --> 00:06:24,300

um but I also had a passion for the UFO

183

00:06:28,969 --> 00:06:26,220

phenomena but I was afraid to talk about

184

00:06:30,650 --> 00:06:28,979

it because there's a stigma you know you

185

00:06:32,510 --> 00:06:30,660

talk about UFOs and aliens you're a

186

00:06:34,730 --> 00:06:32,520

crazy person and people already think

187

00:06:37,490 --> 00:06:34,740

I'm crazy so maybe it's not a great idea

188

00:06:40,189 --> 00:06:37,500

but then the UAP report came out the

189

00:06:41,990 --> 00:06:40,199

first one and I was like oh my gosh this

190

00:06:43,850 --> 00:06:42,000

is this is real it's no longer just

191

00:06:45,170 --> 00:06:43,860

something I believe now it's something

192

00:06:47,330 --> 00:06:45,180

that's in the mainstream it's something

193

00:06:49,309 --> 00:06:47,340

that Congress is talking about Congress

194

00:06:51,230 --> 00:06:49,319

people congressmen and women were coming

195

00:06:53,029 --> 00:06:51,240

out and saying there's something to this

196

00:06:55,249 --> 00:06:53,039

Pilots were coming out and saying

197

00:06:56,990 --> 00:06:55,259

there's something to this and I thought

198

00:06:58,430 --> 00:06:57,000

I think I think I'm gonna change

199

00:06:59,809 --> 00:06:58,440

everything and just I'm just gonna go

200

00:07:02,330 --> 00:06:59,819

for it I'm gonna do what I really want

201
00:07:04,129 --> 00:07:02,340
to do I want to talk about UFOs I want

202
00:07:05,749 --> 00:07:04,139
to talk about extraterrestrials I want

203
00:07:07,790 --> 00:07:05,759
to talk about all of it and I want to

204
00:07:09,590 --> 00:07:07,800
talk to people about it and so I took my

205
00:07:11,749 --> 00:07:09,600
Niche which was a voice acting and I

206
00:07:13,370 --> 00:07:11,759
said let's just add that to the flavor

207
00:07:15,529 --> 00:07:13,380
because again there's already people

208
00:07:17,390 --> 00:07:15,539
doing what you're doing interviewing

209
00:07:19,010 --> 00:07:17,400
these high profile people and having

210
00:07:21,950 --> 00:07:19,020
these informed conversations you've been

211
00:07:23,330 --> 00:07:21,960
in it for so long and I'm brand new but

212
00:07:25,249 --> 00:07:23,340
I have something I can add to the

213
00:07:28,070 --> 00:07:25,259

conversation with this dramatic effect

214

00:07:30,230 --> 00:07:28,080

and so here we are here we are I just

215

00:07:32,270 --> 00:07:30,240

did it I took the leap and added my

216

00:07:34,070 --> 00:07:32,280

flavor to it and here we are yeah and

217

00:07:35,930 --> 00:07:34,080

your show is uh dimensions of reality

218

00:07:37,909 --> 00:07:35,940

and uh you have a few shows you've come

219

00:07:40,490 --> 00:07:37,919

out with already and a couple sort of

220

00:07:42,129 --> 00:07:40,500

just like you know seven minute long

221

00:07:44,809 --> 00:07:42,139

um sort of thought-provoking

222

00:07:46,790 --> 00:07:44,819

dramatizations uh similar to the intro

223

00:07:48,409 --> 00:07:46,800

you recorded for us here right and I

224

00:07:50,930 --> 00:07:48,419

think that's a cool aspect it's sort of

225

00:07:53,510 --> 00:07:50,940

uh of a pause and listen almost has like

226

00:07:56,210 --> 00:07:53,520

a meditation effect rather than getting

227

00:07:57,469 --> 00:07:56,220

just a visual or or seeing a format like

228

00:07:59,450 --> 00:07:57,479

this where it's kind of like a virtual

229

00:08:01,430 --> 00:07:59,460

living room you're kind of creating

230

00:08:03,650 --> 00:08:01,440

those little little junkets those Food

231

00:08:05,990 --> 00:08:03,660

For Thought Snippets and again using

232

00:08:07,909 --> 00:08:06,000

your voice acting um which is your your

233

00:08:10,430 --> 00:08:07,919

gift uh it seemed like a very natural

234

00:08:13,550 --> 00:08:10,440

thing for you you know so so good on you

235

00:08:15,050 --> 00:08:13,560

for that thank you it's it's it is

236

00:08:16,490 --> 00:08:15,060

natural I've always been a very

237

00:08:18,110 --> 00:08:16,500

thoughtful person

238

00:08:19,249 --> 00:08:18,120

um a little too deep at times some

239

00:08:21,050 --> 00:08:19,259

people are telling me to kind of come

240

00:08:23,150 --> 00:08:21,060

out of that deep thought and be normal

241

00:08:25,249 --> 00:08:23,160

and so to speak

242

00:08:26,749 --> 00:08:25,259

um I I like to in you know delve into

243

00:08:28,189 --> 00:08:26,759

philosophy and psychology in the human

244

00:08:30,350 --> 00:08:28,199

mind and how we think and why we think

245

00:08:31,930 --> 00:08:30,360

the way we do and explore the experience

246

00:08:34,790 --> 00:08:31,940

that we have here on this in this life

247

00:08:35,870 --> 00:08:34,800

and my conversations tend to be very

248

00:08:37,790 --> 00:08:35,880

deep they don't they're not very

249

00:08:40,430 --> 00:08:37,800

superficial a lot of times they they

250

00:08:42,050 --> 00:08:40,440

people tend to tell me more about the

251
00:08:43,370 --> 00:08:42,060
real deep recesses of their minds what

252
00:08:45,290 --> 00:08:43,380
they feel and think about the world and

253
00:08:47,210 --> 00:08:45,300
they're experiencing it themselves and I

254
00:08:49,190 --> 00:08:47,220
love that interaction so I wanted to be

255
00:08:51,470 --> 00:08:49,200
able to share that with people much

256
00:08:53,090 --> 00:08:51,480
broader like in a broader way and again

257
00:08:54,650 --> 00:08:53,100
that's how I added my flavor to it I

258
00:08:56,150 --> 00:08:54,660
wanted to be thought provoking I wanted

259
00:08:58,009 --> 00:08:56,160
to be meditative

260
00:08:59,090 --> 00:08:58,019
um and use that gift that you say I'd

261
00:09:00,350 --> 00:08:59,100
really appreciate that you call it a

262
00:09:02,210 --> 00:09:00,360
gift and that it's appreciated because

263
00:09:04,250 --> 00:09:02,220

that's what I wanted I wanted it to have

264

00:09:06,889 --> 00:09:04,260

an impact my you know a personal touch

265

00:09:08,630 --> 00:09:06,899

to this to this entire thing

266

00:09:10,490 --> 00:09:08,640

have you had people

267

00:09:13,310 --> 00:09:10,500

um reach out to you like since you've

268

00:09:16,250 --> 00:09:13,320

started you know sort of coming out in a

269

00:09:17,690 --> 00:09:16,260

sense of in the UAP world and uh you

270

00:09:19,070 --> 00:09:17,700

know doing this podcast if you had

271

00:09:21,710 --> 00:09:19,080

people reach out to you and say you know

272

00:09:23,810 --> 00:09:21,720

I actually I've seen some stuff or you

273

00:09:25,250 --> 00:09:23,820

know what I've experienced some stuff as

274

00:09:27,350 --> 00:09:25,260

well because once you start putting

275

00:09:29,269 --> 00:09:27,360

yourself out there I find that it's

276

00:09:30,650 --> 00:09:29,279

easier for people to like

277

00:09:33,230 --> 00:09:30,660

tell you that they're going through

278

00:09:37,009 --> 00:09:33,240

experiences have you had that happen in

279

00:09:38,750 --> 00:09:37,019

your life as well yes so one of my my

280

00:09:41,090 --> 00:09:38,760

one of my very first conversations is

281

00:09:43,009 --> 00:09:41,100

with a friend named Drew Dodson he's a

282

00:09:44,570 --> 00:09:43,019

very intelligent thinker himself he's a

283

00:09:46,790 --> 00:09:44,580

he's got a lot of

284

00:09:48,590 --> 00:09:46,800

um history on philosophy and I mean like

285

00:09:50,389 --> 00:09:48,600

poetry philosophy and all the thinkers

286

00:09:52,670 --> 00:09:50,399

of History we have we had some really

287

00:09:54,530 --> 00:09:52,680

good conversations at first and I was it

288

00:09:56,210 --> 00:09:54,540

was like I decided to talk about my

289

00:09:57,949 --> 00:09:56,220

personal experience I'm something I was

290

00:09:59,990 --> 00:09:57,959

afraid to talk about because I thought

291

00:10:02,030 --> 00:10:00,000

people would think I'm crazy and I had

292

00:10:03,530 --> 00:10:02,040

I've had a two abduction experiences

293

00:10:05,530 --> 00:10:03,540

myself

294

00:10:07,730 --> 00:10:05,540

um I don't like talking about it because

295

00:10:09,290 --> 00:10:07,740

I'm still afraid to have the

296

00:10:11,030 --> 00:10:09,300

conversation but I'm just doing it

297

00:10:12,470 --> 00:10:11,040

because you know what I'm not the only

298

00:10:14,690 --> 00:10:12,480

one there are some high profile people

299

00:10:16,250 --> 00:10:14,700

who had similar experiences and so it's

300

00:10:18,290 --> 00:10:16,260

okay for me I feel like it's okay to

301
00:10:20,210 --> 00:10:18,300
talk about it now yeah and I told them

302
00:10:21,410 --> 00:10:20,220
about it on my podcast and people have

303
00:10:23,750 --> 00:10:21,420
reached out to me and said Hey listen

304
00:10:25,490 --> 00:10:23,760
they appreciate that I took that leap

305
00:10:28,310 --> 00:10:25,500
you know to hear it from someone who's

306
00:10:29,690 --> 00:10:28,320
in the public view who's being being

307
00:10:31,190 --> 00:10:29,700
scrutinized

308
00:10:32,630 --> 00:10:31,200
um for the content they put out and

309
00:10:34,550 --> 00:10:32,640
they're still not afraid to have that

310
00:10:35,690 --> 00:10:34,560
conversation about their experience it

311
00:10:37,370 --> 00:10:35,700
makes them feel comfortable enough to

312
00:10:39,769 --> 00:10:37,380
have it with me too and to tell me these

313
00:10:43,250 --> 00:10:39,779

things right so yes they have and I

314

00:10:44,990 --> 00:10:43,260

think it means a lot to me because it

315

00:10:47,449 --> 00:10:45,000

means that I'm having a real impact on

316

00:10:49,790 --> 00:10:47,459

someone's life internally that's that's

317

00:10:52,430 --> 00:10:49,800

what I want to connect with people and

318

00:10:54,889 --> 00:10:52,440

now I can do it with so many more people

319

00:10:57,290 --> 00:10:54,899

um so it's it's yes and it's great I

320

00:10:59,630 --> 00:10:57,300

love it and I like your flavor of you

321

00:11:01,130 --> 00:10:59,640

know Consciousness connectivity the only

322

00:11:02,990 --> 00:11:01,140

way to understand what's going on is

323

00:11:05,329 --> 00:11:03,000

really to understand ourselves as a

324

00:11:07,910 --> 00:11:05,339

species and how we think and our flaws

325

00:11:09,650 --> 00:11:07,920

and everything else and we you know are

326

00:11:10,970 --> 00:11:09,660

exactly the same way in fact that's why

327

00:11:12,949 --> 00:11:10,980

you and I bonded because I'm like hey

328

00:11:14,750 --> 00:11:12,959

this guy thinks like this he's not out

329

00:11:16,550 --> 00:11:14,760

there putting people down he's just

330

00:11:19,069 --> 00:11:16,560

saying hey we all need a collective

331

00:11:20,750 --> 00:11:19,079

mindset here you know you don't get

332

00:11:22,130 --> 00:11:20,760

anything accomplished with fighting and

333

00:11:24,050 --> 00:11:22,140

I was thinking about this before the

334

00:11:26,030 --> 00:11:24,060

show and it's like you know imagine you

335

00:11:27,949 --> 00:11:26,040

have a union that's negotiating a

336

00:11:29,750 --> 00:11:27,959

contract for its employees how many

337

00:11:31,910 --> 00:11:29,760

times does the mediator have to like

338

00:11:33,769 --> 00:11:31,920

suspend the talk and kick everybody out

339

00:11:35,630 --> 00:11:33,779

because they're too heated up they're

340

00:11:37,790 --> 00:11:35,640

fighting and they know nothing is going

341

00:11:39,889 --> 00:11:37,800

to get accomplished so even that's just

342

00:11:42,769 --> 00:11:39,899

within us it seems you know even at a

343

00:11:44,990 --> 00:11:42,779

top level in a corporate world sometimes

344

00:11:47,630 --> 00:11:45,000

you know we need time and space to go

345

00:11:49,910 --> 00:11:47,640

away digest change our thoughts come

346

00:11:51,650 --> 00:11:49,920

back and say okay how about this and I

347

00:11:52,850 --> 00:11:51,660

think we're doing that every day and

348

00:11:54,050 --> 00:11:52,860

we're not going to get anywhere with the

349

00:11:56,030 --> 00:11:54,060

infighting you know we had Ross

350

00:11:57,710 --> 00:11:56,040

goldheart on the program we told them

351
00:11:59,569 --> 00:11:57,720
before the show hey Ross if you want to

352
00:12:01,910 --> 00:11:59,579
get something off your chest go go ahead

353
00:12:04,130 --> 00:12:01,920
and he went nuts on UFO Twitter and

354
00:12:06,530 --> 00:12:04,140
called them all out because he believes

355
00:12:08,810 --> 00:12:06,540
that so strongly too and uh and his

356
00:12:10,910 --> 00:12:08,820
perspective was hey I'm a journalist I'm

357
00:12:13,430 --> 00:12:10,920
not submitting work for peer review I

358
00:12:14,870 --> 00:12:13,440
don't owe you the full story and my data

359
00:12:17,690 --> 00:12:14,880
calculations he's like I'm not a

360
00:12:19,250 --> 00:12:17,700
scientist I'm a journalist and so so in

361
00:12:20,690 --> 00:12:19,260
that space I'm allowed to do and say

362
00:12:23,210 --> 00:12:20,700
what I want and we're allowed to be

363
00:12:25,310 --> 00:12:23,220

wrong and I I also have a right not to

364

00:12:27,290 --> 00:12:25,320

get my head ripped off for being wrong

365

00:12:28,910 --> 00:12:27,300

as a journalist so I think it's

366

00:12:31,009 --> 00:12:28,920

important to make a stance to what you

367

00:12:33,110 --> 00:12:31,019

stand for like you mentioned we do as

368

00:12:35,269 --> 00:12:33,120

well because people want to know where

369

00:12:37,790 --> 00:12:35,279

you stand and we're quick to polarize

370

00:12:40,490 --> 00:12:37,800

but that's also a problem in

371

00:12:42,410 --> 00:12:40,500

understanding disclosure and I think our

372

00:12:44,590 --> 00:12:42,420

brains will adapt just from trying to

373

00:12:46,069 --> 00:12:44,600

understand that these may not be

374

00:12:48,410 --> 00:12:46,079

extraterrestrial They Might Be

375

00:12:51,110 --> 00:12:48,420

interdimensional Right ultra-terrestrial

376

00:12:53,090 --> 00:12:51,120

Time Travelers it could be all kinds of

377

00:12:54,829 --> 00:12:53,100

potential theories and some of the

378

00:12:56,629 --> 00:12:54,839

greatest Minds like Jacques valet and

379

00:12:59,449 --> 00:12:56,639

Hal put off they have more of an

380

00:13:01,550 --> 00:12:59,459

open-minded hypothesis like we used to

381

00:13:03,530 --> 00:13:01,560

think this don't think that anymore now

382

00:13:05,090 --> 00:13:03,540

it could be multiple things right and

383

00:13:08,210 --> 00:13:05,100

you need to suspend judgment and open

384

00:13:09,829 --> 00:13:08,220

your mind in new ways and I think by all

385

00:13:11,210 --> 00:13:09,839

of us being Collective and sharing

386

00:13:13,550 --> 00:13:11,220

that's how we're going to get the new

387

00:13:15,829 --> 00:13:13,560

ideas not by you know making it scary

388

00:13:17,870 --> 00:13:15,839

for someone to come forward and you know

389

00:13:19,129 --> 00:13:17,880

Grand Cameron even said if we keep going

390

00:13:20,930 --> 00:13:19,139

like that these people aren't going to

391

00:13:23,509 --> 00:13:20,940

testify anymore because they're going to

392

00:13:25,069 --> 00:13:23,519

say screw it look at the UK they've had

393

00:13:26,690 --> 00:13:25,079

what five liters in three years or

394

00:13:28,370 --> 00:13:26,700

something like that nobody wants to do

395

00:13:29,449 --> 00:13:28,380

that job anymore how many how old are

396

00:13:31,790 --> 00:13:29,459

you going to get their head ripped off

397

00:13:34,430 --> 00:13:31,800

so it can become a dangerous thing not

398

00:13:37,250 --> 00:13:34,440

just with the UFO topic but as a people

399

00:13:38,690 --> 00:13:37,260

you know this cancel culture is really

400

00:13:40,670 --> 00:13:38,700

dangerous when we're trying to make

401
00:13:43,610 --> 00:13:40,680
progress on things

402
00:13:45,590 --> 00:13:43,620
I I I thought that that interview with

403
00:13:48,050 --> 00:13:45,600
Russ coldheart was refreshing because

404
00:13:49,850 --> 00:13:48,060
you know being new to invest you know

405
00:13:52,310 --> 00:13:49,860
actually investigating the phenomena and

406
00:13:54,110 --> 00:13:52,320
not just like having an interest in it

407
00:13:55,190 --> 00:13:54,120
um I came across some people on and I

408
00:13:56,629 --> 00:13:55,200
don't want to mention their names and

409
00:13:58,069 --> 00:13:56,639
specify I don't want to Target anybody

410
00:13:59,990 --> 00:13:58,079
but it came across some pretty high

411
00:14:04,250 --> 00:14:00,000
profile people that have been around for

412
00:14:06,230 --> 00:14:04,260
a long time and I saw you know them

413
00:14:08,269 --> 00:14:06,240

essentially attacking people that were

414

00:14:11,269 --> 00:14:08,279

new coming out about their experiences

415

00:14:12,530 --> 00:14:11,279

in like U.S the Air Force and navy

416

00:14:14,269 --> 00:14:12,540

Pilots that were coming out and talking

417

00:14:16,970 --> 00:14:14,279

about this this their their experience

418

00:14:19,430 --> 00:14:16,980

with engaging the phenomena engaging

419

00:14:21,650 --> 00:14:19,440

these these objects in ways that they're

420

00:14:24,710 --> 00:14:21,660

they just defy you know physics As We

421

00:14:26,329 --> 00:14:24,720

Know It And even conceivable thought

422

00:14:28,490 --> 00:14:26,339

they don't even get it like what's

423

00:14:30,350 --> 00:14:28,500

happening here and then there are and

424

00:14:32,269 --> 00:14:30,360

then I've seen these people attacking

425

00:14:33,889 --> 00:14:32,279

them and then attacking people that are

426

00:14:35,150 --> 00:14:33,899

that are in that are also investigating

427

00:14:37,790 --> 00:14:35,160

the phenomena

428

00:14:39,170 --> 00:14:37,800

from a pretty credible perspective and

429

00:14:40,610 --> 00:14:39,180

it felt like it's it's like there's

430

00:14:42,230 --> 00:14:40,620

Gatekeepers

431

00:14:44,269 --> 00:14:42,240

yeah you know like

432

00:14:46,310 --> 00:14:44,279

if the information doesn't come from me

433

00:14:48,769 --> 00:14:46,320

then you shouldn't trust it and here's

434

00:14:50,030 --> 00:14:48,779

why and that felt like it just felt so

435

00:14:51,889 --> 00:14:50,040

counterproductive and it didn't make any

436

00:14:53,870 --> 00:14:51,899

sense if you're if your goal is for

437

00:14:56,090 --> 00:14:53,880

disclosure well you're literally

438

00:14:58,430 --> 00:14:56,100

suppressing your own people from coming

439

00:14:59,990 --> 00:14:58,440

out in the first place to push for

440

00:15:01,730 --> 00:15:00,000

disclosure you're making people talk

441

00:15:03,170 --> 00:15:01,740

about not even wanting to come out

442

00:15:05,210 --> 00:15:03,180

anymore or just

443

00:15:07,430 --> 00:15:05,220

leaving the scene entirely and not even

444

00:15:09,470 --> 00:15:07,440

in publicly talking about the phenomena

445

00:15:11,870 --> 00:15:09,480

because you're scaring them away with

446

00:15:13,730 --> 00:15:11,880

this scrutiny and I I really thought

447

00:15:16,250 --> 00:15:13,740

that Ross called heart's perspective in

448

00:15:18,650 --> 00:15:16,260

that podcast was refreshing I mean he

449

00:15:20,569 --> 00:15:18,660

went off he was yeah he said what I feel

450

00:15:22,430 --> 00:15:20,579

I'm like what is wrong with you people I

451
00:15:24,650 --> 00:15:22,440
don't wanna I'm new so who am I to say

452
00:15:26,629 --> 00:15:24,660
to these people like stop it you need to

453
00:15:28,610 --> 00:15:26,639
stop you need to be respectful

454
00:15:30,710 --> 00:15:28,620
um you can't do that because I'm nobody

455
00:15:32,750 --> 00:15:30,720
but he said it and I felt like he was

456
00:15:34,670 --> 00:15:32,760
speaking what's in my heart too yeah so

457
00:15:35,870 --> 00:15:34,680
yeah man it's it's wild it's wild the

458
00:15:38,329 --> 00:15:35,880
world is is

459
00:15:40,610 --> 00:15:38,339
the whole idea of cancer culture is is

460
00:15:42,530 --> 00:15:40,620
odd because on the one hand there are

461
00:15:44,269 --> 00:15:42,540
some things that need to be you know

462
00:15:46,790 --> 00:15:44,279
there need they need to be checked but I

463
00:15:49,430 --> 00:15:46,800

think that people we can decide how to

464

00:15:51,290 --> 00:15:49,440

check that information you know we the

465

00:15:52,490 --> 00:15:51,300

world it's confusing when everything's

466

00:15:54,769 --> 00:15:52,500

obfuscated whenever the government

467

00:15:56,930 --> 00:15:54,779

doesn't give us Clarity on on things

468

00:15:59,329 --> 00:15:56,940

whenever politicians are causing

469

00:16:00,829 --> 00:15:59,339

division by their speech and and

470

00:16:02,389 --> 00:16:00,839

confusing the people with what they

471

00:16:03,710 --> 00:16:02,399

should believe in the first place and

472

00:16:05,569 --> 00:16:03,720

now the citizens have a hard time

473

00:16:07,490 --> 00:16:05,579

understanding the reality itself they're

474

00:16:09,949 --> 00:16:07,500

literally manipulating reality for all

475

00:16:11,990 --> 00:16:09,959

of us and if we don't decide not let

476
00:16:13,910 --> 00:16:12,000
them decide for us what to believe about

477
00:16:16,189 --> 00:16:13,920
our reality then we're going to always

478
00:16:19,129 --> 00:16:16,199
have these divisions we have to do this

479
00:16:21,110 --> 00:16:19,139
without the help of some governing body

480
00:16:24,110 --> 00:16:21,120
we need to do it within ourselves and

481
00:16:26,090 --> 00:16:24,120
with each other yeah so it's it's it's

482
00:16:29,090 --> 00:16:26,100
it's kind of messed up the government

483
00:16:30,530 --> 00:16:29,100
sort of reminds me of uh was it the

484
00:16:32,930 --> 00:16:30,540
South Park

485
00:16:34,449 --> 00:16:32,940
sheriff or the cop that's oh there's

486
00:16:37,009 --> 00:16:34,459
nothing to see here

487
00:16:38,629 --> 00:16:37,019
yeah exactly this whole brutal scene

488
00:16:41,329 --> 00:16:38,639

full of blood behind him he's like

489

00:16:43,009 --> 00:16:41,339

nothing to see here uh that's what it

490

00:16:46,189 --> 00:16:43,019

reminds me of but we still don't have a

491

00:16:48,710 --> 00:16:46,199

report from uh the second uh report from

492

00:16:49,970 --> 00:16:48,720

uh for congress right now like that's

493

00:16:53,689 --> 00:16:49,980

still being withheld That was supposed

494

00:16:55,550 --> 00:16:53,699

to be released back in October and uh

495

00:16:58,850 --> 00:16:55,560

we're going to mid-november we still

496

00:17:01,310 --> 00:16:58,860

don't have any information or any leads

497

00:17:03,350 --> 00:17:01,320

on what's going on there so it feels

498

00:17:05,150 --> 00:17:03,360

like we're almost going backwards like

499

00:17:06,470 --> 00:17:05,160

there's you know we made some progress

500

00:17:09,110 --> 00:17:06,480

and now they're starting to say oh no

501

00:17:13,730 --> 00:17:09,120

it's uh what was it Airborne garbage

502

00:17:15,829 --> 00:17:13,740

yeah or clutter yeah like just bags of

503

00:17:18,350 --> 00:17:15,839

garbage floating up in the air like what

504

00:17:20,510 --> 00:17:18,360

is this Avatar one thing is happening I

505

00:17:22,010 --> 00:17:20,520

mean Leslie Kane our good friend the New

506

00:17:24,590 --> 00:17:22,020

York Times Reporter who was involved

507

00:17:27,650 --> 00:17:24,600

with that atip disclosure article in

508

00:17:29,090 --> 00:17:27,660

2017. she even said hey I know there was

509

00:17:30,470 --> 00:17:29,100

an article that just came out in the New

510

00:17:32,330 --> 00:17:30,480

York Times that says a lot of

511

00:17:33,650 --> 00:17:32,340

contradictory stuff she's like I had

512

00:17:35,930 --> 00:17:33,660

nothing to do with it I didn't write it

513

00:17:37,850 --> 00:17:35,940

I don't even know the guy so she's

514

00:17:39,010 --> 00:17:37,860

distancing herself from the author of

515

00:17:41,330 --> 00:17:39,020

some of these recent articles

516

00:17:43,669 --> 00:17:41,340

something's going on either people are

517

00:17:45,590 --> 00:17:43,679

realizing hey this thing's got more more

518

00:17:47,690 --> 00:17:45,600

momentum than we wanted it to we need to

519

00:17:50,630 --> 00:17:47,700

kind of dial this back again and we're

520

00:17:53,150 --> 00:17:50,640

going back 70 years or it's that maybe

521

00:17:55,370 --> 00:17:53,160

disinformation to confuse it and kind of

522

00:17:57,409 --> 00:17:55,380

dilute down what's actually going on

523

00:17:59,390 --> 00:17:57,419

make it abstract again so people just

524

00:18:02,090 --> 00:17:59,400

say ah it's the same [h__h] for 50 you

525

00:18:03,650 --> 00:18:02,100

know for 50 or 60 or 70 years but

526

00:18:05,090 --> 00:18:03,660

something's definitely happening to the

527

00:18:07,190 --> 00:18:05,100

point that she's willing to socially

528

00:18:08,990 --> 00:18:07,200

come out and say I got nothing to do

529

00:18:10,250 --> 00:18:09,000

with it like she's worried about her

530

00:18:12,650 --> 00:18:10,260

reputation because people are going to

531

00:18:14,510 --> 00:18:12,660

say Leslie you work for the times you

532

00:18:15,950 --> 00:18:14,520

know so something is happening for sure

533

00:18:18,110 --> 00:18:15,960

in my opinion

534

00:18:19,730 --> 00:18:18,120

I agree I mean it's

535

00:18:21,049 --> 00:18:19,740

um the cat's out of the bag though I

536

00:18:23,330 --> 00:18:21,059

mean you can't you can't we can't go

537

00:18:25,490 --> 00:18:23,340

back now if they were to try to go back

538

00:18:26,750 --> 00:18:25,500

at this point they'd be making a really

539

00:18:29,270 --> 00:18:26,760

big mistake They're Gonna Hurt public

540

00:18:30,890 --> 00:18:29,280

trust because now there are people that

541

00:18:33,049 --> 00:18:30,900

are in the deal that are that were part

542

00:18:34,730 --> 00:18:33,059

of programs within the dod that are

543

00:18:36,650 --> 00:18:34,740

talking about they're investigating the

544

00:18:37,970 --> 00:18:36,660

phenomena now there are people like

545

00:18:39,710 --> 00:18:37,980

Christopher melon that are coming out

546

00:18:41,150 --> 00:18:39,720

and talking about the phenomena and

547

00:18:43,430 --> 00:18:41,160

about his perspective on the phenomena

548

00:18:44,810 --> 00:18:43,440

now you got people like Gary Nolan from

549

00:18:46,850 --> 00:18:44,820

Stanford University that are talking

550

00:18:49,430 --> 00:18:46,860

about his investigating his working with

551

00:18:50,750 --> 00:18:49,440

with the military I believe on the

552

00:18:52,850 --> 00:18:50,760

phenomena on the effects of the

553

00:18:55,430 --> 00:18:52,860

phenomenon biologically on on human

554

00:18:58,490 --> 00:18:55,440

biology it's not you can't you can't

555

00:18:59,750 --> 00:18:58,500

take that back his interview that

556

00:19:03,230 --> 00:18:59,760

documentary that was just released by

557

00:19:05,090 --> 00:19:03,240

Ross coldheart and um Bryce it it

558

00:19:07,430 --> 00:19:05,100

interviews you know

559

00:19:08,990 --> 00:19:07,440

um Gary Nolan and Gary Nolan said

560

00:19:11,150 --> 00:19:09,000

something that I will never forget it's

561

00:19:12,950 --> 00:19:11,160

just sins into my brain he said that

562

00:19:14,930 --> 00:19:12,960

when you're looking at the phenomena you

563

00:19:16,610 --> 00:19:14,940

need to think about it not from from the

564

00:19:20,150 --> 00:19:16,620

perspective or from this on the spectrum

565

00:19:21,590 --> 00:19:20,160

of angels demons and God and it's not

566

00:19:23,270 --> 00:19:21,600

that they're Angels demons and God he

567

00:19:24,770 --> 00:19:23,280

said he also said that that doesn't mean

568

00:19:27,289 --> 00:19:24,780

he believes that that's what they are

569

00:19:29,029 --> 00:19:27,299

but historically we see that phenomena

570

00:19:30,830 --> 00:19:29,039

we see you know we think of things from

571

00:19:33,289 --> 00:19:30,840

a religious perspective you know our

572

00:19:34,970 --> 00:19:33,299

humanity is thought about God forever

573

00:19:36,950 --> 00:19:34,980

all cultures have thought about a god of

574

00:19:38,630 --> 00:19:36,960

some kind and they talk about a good and

575

00:19:40,490 --> 00:19:38,640

an evil and the Christian Bible they

576

00:19:42,890 --> 00:19:40,500

talk about the devil in God and Jesus

577

00:19:45,590 --> 00:19:42,900

right so there is there is a phenomena

578

00:19:47,570 --> 00:19:45,600

that is interacting with Humanity that

579

00:19:50,690 --> 00:19:47,580

is similar to what we would consider

580

00:19:52,669 --> 00:19:50,700

culturally Angels demons and God right

581

00:19:54,650 --> 00:19:52,679

you can you can attach whatever you want

582

00:19:56,450 --> 00:19:54,660

to to that but the bottom line is it's

583

00:19:58,070 --> 00:19:56,460

not just extraterrestrial this thing has

584

00:20:00,710 --> 00:19:58,080

been and it's not just been here since

585

00:20:02,390 --> 00:20:00,720

1947. he's been here for thousands of

586

00:20:03,770 --> 00:20:02,400

years we've been interact it's been

587

00:20:07,010 --> 00:20:03,780

interacting with us for thousands of

588

00:20:09,650 --> 00:20:07,020

years and it's being talked about by by

589

00:20:11,570 --> 00:20:09,660

reputable people not just you know some

590

00:20:13,010 --> 00:20:11,580

guy in this basement somebody who said

591

00:20:15,650 --> 00:20:13,020

he saw a reptilian in his bedroom and

592

00:20:17,870 --> 00:20:15,660

had babies with them this is real this

593

00:20:19,430 --> 00:20:17,880

is this is big cats out of the back they

594

00:20:21,890 --> 00:20:19,440

can't go backwards it's too late now

595

00:20:24,409 --> 00:20:21,900

it's too late yeah well even when you

596

00:20:26,210 --> 00:20:24,419

have guys like uh and Louie you know the

597

00:20:29,390 --> 00:20:26,220

name of the the general that I'm talking

598

00:20:32,950 --> 00:20:29,400

about the israelian general that talked

599

00:20:35,510 --> 00:20:32,960

about this oh yeah oh that's High um

600

00:20:37,549 --> 00:20:35,520

he knows all the names yeah I got a bit

601
00:20:39,529 --> 00:20:37,559
of a photographic memory so I can read

602
00:20:41,870 --> 00:20:39,539
something 20 years ago and it'll just

603
00:20:43,669 --> 00:20:41,880
stay here I'm sure there's important

604
00:20:46,669 --> 00:20:43,679
stuff that I don't remember because I

605
00:20:49,250 --> 00:20:46,679
have all this crap that I do but yeah if

606
00:20:50,630 --> 00:20:49,260
it's a name from 15 years ago or a week

607
00:20:52,490 --> 00:20:50,640
ago and you can't remember I probably

608
00:20:54,230 --> 00:20:52,500
got it somewhere so we gotta go hit

609
00:20:56,450 --> 00:20:54,240
Jeopardy or something one of these days

610
00:20:57,710 --> 00:20:56,460
just see what was the one our last guest

611
00:20:59,690 --> 00:20:57,720
was talking about somebody who wrote a

612
00:21:02,570 --> 00:20:59,700
book about like the Sumerians and it was

613
00:21:04,970 --> 00:21:02,580

Zachariah sitchin right I think it was

614

00:21:06,890 --> 00:21:04,980

uh Chuck Zukowski we were talking to

615

00:21:08,150 --> 00:21:06,900

yeah yeah and that episode will be

616

00:21:09,409 --> 00:21:08,160

coming out in a couple weeks but he

617

00:21:11,330 --> 00:21:09,419

couldn't for the life of him remember

618

00:21:12,830 --> 00:21:11,340

the name of the guy and I started

619

00:21:15,350 --> 00:21:12,840

thinking halfway and I was like oh yeah

620

00:21:17,690 --> 00:21:15,360

Zacharias Hitchin he's just good with

621

00:21:19,549 --> 00:21:17,700

names it's just uh the opposite of me I

622

00:21:21,529 --> 00:21:19,559

I run into people that I've known my

623

00:21:23,810 --> 00:21:21,539

entire life and if it's outside the

624

00:21:25,730 --> 00:21:23,820

setting that I normally see them in

625

00:21:27,470 --> 00:21:25,740

I can't remember their names for the

626

00:21:31,510 --> 00:21:27,480

life of me like I know that I know them

627

00:21:36,169 --> 00:21:34,610

you threw me off you're shopping I

628

00:21:38,149 --> 00:21:36,179

worked with a guy in sales that used to

629

00:21:39,590 --> 00:21:38,159

say hi to absolutely everybody and he

630

00:21:41,029 --> 00:21:39,600

was an older guy and I'm like man did

631

00:21:42,830 --> 00:21:41,039

you sell all these people or like are

632

00:21:44,750 --> 00:21:42,840

they your customers he's like I don't

633

00:21:46,310 --> 00:21:44,760

know if they are or aren't my mind is so

634

00:21:48,049 --> 00:21:46,320

bad he's like I don't want to take a

635

00:21:49,789 --> 00:21:48,059

chance I walk by a guy I've been selling

636

00:21:51,230 --> 00:21:49,799

to for 20 years and I don't even

637

00:21:54,830 --> 00:21:51,240

recognize him so he couldn't remember

638

00:21:56,390 --> 00:21:54,840

faces names he was good but face he

639

00:21:57,649 --> 00:21:56,400

wouldn't be able to connect it so he

640

00:21:59,450 --> 00:21:57,659

would make a point of saying hi to

641

00:22:00,770 --> 00:21:59,460

absolutely everyone so nobody got

642

00:22:04,190 --> 00:22:00,780

offended that he didn't know who the

643

00:22:06,049 --> 00:22:04,200

hell they were [h__\h] ironically I I am

644

00:22:08,529 --> 00:22:06,059

for some reason I I'm not very good at

645

00:22:10,730 --> 00:22:08,539

remembering things like uh like in a

646

00:22:12,470 --> 00:22:10,740

those casual experiences that you're

647

00:22:14,450 --> 00:22:12,480

talking you know somebody's name they

648

00:22:17,210 --> 00:22:14,460

mention it once and that to me is like

649

00:22:19,730 --> 00:22:17,220

it's too it's too impersonal however the

650

00:22:21,169 --> 00:22:19,740

personalities and how someone thinks

651

00:22:22,789 --> 00:22:21,179

they're the energy that you get from

652

00:22:25,250 --> 00:22:22,799

just being around them I remember that

653

00:22:27,110 --> 00:22:25,260

forever yeah when I when I that's kind

654

00:22:29,029 --> 00:22:27,120

of how my mind works with with you know

655

00:22:30,710 --> 00:22:29,039

remembering anything but it's also

656

00:22:32,450 --> 00:22:30,720

unfortunate because because I don't

657

00:22:34,130 --> 00:22:32,460

remember anybody I'm like I'm like you

658

00:22:35,570 --> 00:22:34,140

you know Jason I'm like you or I don't

659

00:22:39,770 --> 00:22:35,580

remember anybody's name he said it's

660

00:22:44,510 --> 00:22:42,770

do that to my wife when she's being a

661

00:22:46,070 --> 00:22:44,520

little bit angry and I want to kind of

662

00:22:48,770 --> 00:22:46,080

dig back a little bit so I'll let her

663

00:22:52,430 --> 00:22:48,780

blow off all this Steam and I'll go it's

664

00:22:54,590 --> 00:22:52,440

Nicole right oh no first time wasn't

665

00:22:56,029 --> 00:22:54,600

cool now it doesn't work anymore now she

666

00:22:58,370 --> 00:22:56,039

just knows I'm being stupid she doesn't

667

00:22:59,810 --> 00:22:58,380

even care she keeps going you're lucky

668

00:23:01,789 --> 00:22:59,820

to have that photograph memory because I

669

00:23:05,450 --> 00:23:01,799

don't have it I do not have that not at

670

00:23:07,490 --> 00:23:05,460

all like it's the same like I'll read a

671

00:23:09,770 --> 00:23:07,500

book I'll remember the uh the book I

672

00:23:11,390 --> 00:23:09,780

remember what happens in it can't

673

00:23:13,490 --> 00:23:11,400

remember the names of the characters to

674

00:23:15,289 --> 00:23:13,500

save my life you know it's the same

675

00:23:16,909 --> 00:23:15,299

thing in life like I remember the events

676
00:23:18,710 --> 00:23:16,919
that took place I remembered you know

677
00:23:21,289 --> 00:23:18,720
the like you mentioned like the feeling

678
00:23:23,570 --> 00:23:21,299
The Vibes you get that from people uh

679
00:23:24,830 --> 00:23:23,580
but you don't for whatever reason they

680
00:23:26,750 --> 00:23:24,840
could say their names three times and

681
00:23:28,930 --> 00:23:26,760
it's like oh right

682
00:23:33,890 --> 00:23:31,070
yeah I'm gonna put you into somebody

683
00:23:35,870 --> 00:23:33,900
there's a guy named Paul Sheely

684
00:23:38,090 --> 00:23:35,880
um and uh

685
00:23:39,409 --> 00:23:38,100
Peter Bissonnet Bissonnet I'm not trying

686
00:23:41,750 --> 00:23:39,419
to pronounce it I think it's this and

687
00:23:43,310 --> 00:23:41,760
that is how you pronounce it they Peter

688
00:23:44,690 --> 00:23:43,320

Bissonnet was the one who created the

689

00:23:47,870 --> 00:23:44,700

Mind mapping

690

00:23:49,810 --> 00:23:47,880

um technique okay and and um that's like

691

00:23:53,570 --> 00:23:49,820

Furniture in your house right

692

00:23:56,750 --> 00:23:53,580

that's that is um that's called oh my

693

00:23:58,970 --> 00:23:56,760

gosh that's called the mental mental

694

00:24:01,610 --> 00:23:58,980

Palace I believe it's where you attach

695

00:24:03,590 --> 00:24:01,620

memories and and information to objects

696

00:24:06,289 --> 00:24:03,600

in your house yeah this is more along

697

00:24:08,270 --> 00:24:06,299

the lines of how your brain thinks I

698

00:24:10,370 --> 00:24:08,280

guess you can say fractally so or

699

00:24:12,049 --> 00:24:10,380

branches out like a tree and it's more

700

00:24:14,090 --> 00:24:12,059

colorful it's more it's it's more

701
00:24:16,250 --> 00:24:14,100
emotional and you have to when you write

702
00:24:17,690 --> 00:24:16,260
about something it shouldn't just be a

703
00:24:19,610 --> 00:24:17,700
linear thing it should be more it should

704
00:24:21,110 --> 00:24:19,620
be more engaging to your brain because

705
00:24:22,970 --> 00:24:21,120
your brain doesn't just think in words

706
00:24:25,070 --> 00:24:22,980
it thinks in colors things and smells

707
00:24:27,110 --> 00:24:25,080
things and feelings so when you're when

708
00:24:29,029 --> 00:24:27,120
you're trying to learn something you can

709
00:24:31,010 --> 00:24:29,039
use the Mind mapping technique to try to

710
00:24:32,510 --> 00:24:31,020
engage more of your brain which helps

711
00:24:35,090 --> 00:24:32,520
you it helps you to remember better

712
00:24:37,250 --> 00:24:35,100
however again it's it's I'm still not

713
00:24:41,570 --> 00:24:37,260

the best at remembering the Casual

714

00:24:42,110 --> 00:24:41,580

things and with um with uh Peter or with

715

00:24:45,710 --> 00:24:42,120

um

716

00:24:48,830 --> 00:24:45,720

I'm so sorry uh with the uh what's his

717

00:24:51,529 --> 00:24:48,840

name again oh my gosh yeah he missing

718

00:24:53,270 --> 00:24:51,539

that he has he he has um he's developed

719

00:24:54,950 --> 00:24:53,280

that technique and and it works really

720

00:24:56,750 --> 00:24:54,960

well when it comes to learning something

721

00:24:58,610 --> 00:24:56,760

not necessarily just memory but

722

00:24:59,870 --> 00:24:58,620

understanding the stuff that you got you

723

00:25:01,970 --> 00:24:59,880

got to check him out you gotta check him

724

00:25:04,730 --> 00:25:01,980

out if you guys I have some interesting

725

00:25:06,169 --> 00:25:04,740

stuff so before we uh before as I

726

00:25:07,730 --> 00:25:06,179

mentioned we were gonna you know get you

727

00:25:09,890 --> 00:25:07,740

some exposure on some other programs and

728

00:25:11,149 --> 00:25:09,900

I said I didn't know how you thought or

729

00:25:12,710 --> 00:25:11,159

what your thoughts were on things so I

730

00:25:14,690 --> 00:25:12,720

said you know what put together a list

731

00:25:16,430 --> 00:25:14,700

of things if if we do get you a spot on

732

00:25:18,289 --> 00:25:16,440

a show what would you want to talk about

733

00:25:20,450 --> 00:25:18,299

what would you want to ask you know as a

734

00:25:22,250 --> 00:25:20,460

brand new guy observing now you're in

735

00:25:25,070 --> 00:25:22,260

this field you know what would your

736

00:25:27,230 --> 00:25:25,080

questions be so uh I think you know you

737

00:25:28,490 --> 00:25:27,240

probably still got them somewhere I got

738

00:25:30,230 --> 00:25:28,500

them we'll turn the tables a little bit

739

00:25:32,870 --> 00:25:30,240

we'll let you be the host of The Show

740

00:25:34,370 --> 00:25:32,880

for uh we're giving you the mic and uh

741

00:25:36,289 --> 00:25:34,380

you go go through what do you want to

742

00:25:38,210 --> 00:25:36,299

chat about well

743

00:25:40,549 --> 00:25:38,220

um let's do this so so my question was

744

00:25:41,930 --> 00:25:40,559

because I I saw your content and I saw

745

00:25:44,930 --> 00:25:41,940

all the people you were talking to and I

746

00:25:46,549 --> 00:25:44,940

thought what in where how this these

747

00:25:48,830 --> 00:25:46,559

guys are the real deal and you know to

748

00:25:50,029 --> 00:25:48,840

me it's inspiring and I respect it I

749

00:25:51,950 --> 00:25:50,039

admire it

750

00:25:54,529 --> 00:25:51,960

um so I was curious as to why like what

751
00:25:56,870 --> 00:25:54,539
started the podcast what got you guys to

752
00:25:58,610 --> 00:25:56,880
want to make this leap as well I'll let

753
00:26:00,649 --> 00:25:58,620
Jason take that one since he did start

754
00:26:03,409 --> 00:26:00,659
this podcast this was his baby I just

755
00:26:07,370 --> 00:26:03,419
jumped on earlier this year the uh well

756
00:26:09,830 --> 00:26:07,380
the onset 2017 was a big big year for

757
00:26:13,490 --> 00:26:09,840
you know everybody I think and sort of

758
00:26:16,909 --> 00:26:13,500
pushed uh us to I think most of us to

759
00:26:18,649 --> 00:26:16,919
try to jump up and be active and say I

760
00:26:19,730 --> 00:26:18,659
knew it I knew that this was true I knew

761
00:26:21,830 --> 00:26:19,740
that you know I've been telling

762
00:26:22,850 --> 00:26:21,840
everybody all along and and all of a

763
00:26:25,190 --> 00:26:22,860

sudden there was some sort of

764

00:26:27,350 --> 00:26:25,200

vindication for everybody and then by

765

00:26:30,409 --> 00:26:27,360

the time the pandemic hit

766

00:26:33,350 --> 00:26:30,419

I I wanted to investigate more like

767

00:26:35,090 --> 00:26:33,360

everybody else and I thought what a

768

00:26:36,890 --> 00:26:35,100

better way to learn

769

00:26:39,350 --> 00:26:36,900

than from asking the people that are

770

00:26:41,269 --> 00:26:39,360

actually doing the job right so I

771

00:26:42,710 --> 00:26:41,279

started off slow and like I was

772

00:26:44,390 --> 00:26:42,720

mentioning to Louie you know at first

773

00:26:46,490 --> 00:26:44,400

everybody that was coming on the show

774

00:26:49,610 --> 00:26:46,500

was just giving me a huge break because

775

00:26:51,470 --> 00:26:49,620

I was a nobody right at the time and I

776

00:26:53,149 --> 00:26:51,480

didn't really know what I needed in the

777

00:26:55,490 --> 00:26:53,159

podcast

778

00:26:58,070 --> 00:26:55,500

um but I I knew that asking these people

779

00:27:01,370 --> 00:26:58,080

the questions like how do I handle a

780

00:27:03,669 --> 00:27:01,380

cattle mutilation or if I arrive at a

781

00:27:07,750 --> 00:27:03,679

crop circle what what are the procedures

782

00:27:11,630 --> 00:27:07,760

so that was really my you know initial

783

00:27:13,850 --> 00:27:11,640

push into the podcast and I was almost

784

00:27:16,370 --> 00:27:13,860

on the verge of quitting until Louie

785

00:27:18,769 --> 00:27:16,380

jumped on because I had found it to be a

786

00:27:20,870 --> 00:27:18,779

bit too much I'm like how far do I want

787

00:27:22,430 --> 00:27:20,880

to take this uh and then by the time

788

00:27:24,350 --> 00:27:22,440

that Louis jumped on

789

00:27:25,789 --> 00:27:24,360

um the podcast really took into a

790

00:27:28,130 --> 00:27:25,799

different direction and Louis I'll let

791

00:27:30,289 --> 00:27:28,140

you take over from here and talk about

792

00:27:32,029 --> 00:27:30,299

your experience yeah well I was I think

793

00:27:33,470 --> 00:27:32,039

just the guest on the show first right

794

00:27:35,510 --> 00:27:33,480

you and I were friends outside of the

795

00:27:36,830 --> 00:27:35,520

show and had similar interests and

796

00:27:38,450 --> 00:27:36,840

thought patterns and you said hey man

797

00:27:39,710 --> 00:27:38,460

you know a lot about this stuff and you

798

00:27:41,450 --> 00:27:39,720

know some names I never even heard of

799

00:27:43,610 --> 00:27:41,460

why don't you come on the show and then

800

00:27:46,610 --> 00:27:43,620

we had a blast and you said do you want

801
00:27:48,649 --> 00:27:46,620
to co-host the show with me and uh yeah

802
00:27:50,390 --> 00:27:48,659
I wanted to I wanted to respect it

803
00:27:51,890 --> 00:27:50,400
because I know that's your baby your

804
00:27:54,230 --> 00:27:51,900
hard work you know you went through the

805
00:27:55,610 --> 00:27:54,240
times of not having any guests and then

806
00:27:57,769 --> 00:27:55,620
how do you get guests we've never had

807
00:27:59,269 --> 00:27:57,779
guests and who wants to go on your show

808
00:28:01,190 --> 00:27:59,279
and if they're crazy or they're going to

809
00:28:03,649 --> 00:28:01,200
ruin your reputation yeah like you

810
00:28:05,750 --> 00:28:03,659
weathered that storm so I really had a

811
00:28:07,490 --> 00:28:05,760
lot of respect like I had the mentality

812
00:28:09,830 --> 00:28:07,500
of I'd rather leave the show than hurt

813
00:28:11,930 --> 00:28:09,840

the show so I really gave it that effort

814

00:28:13,549 --> 00:28:11,940

to um you know spread it to multiple

815

00:28:16,669 --> 00:28:13,559

platforms initially it was just on

816

00:28:19,010 --> 00:28:16,679

Spotify Apple was difficult but we're

817

00:28:20,690 --> 00:28:19,020

now on Apple we're on YouTube We're on

818

00:28:23,210 --> 00:28:20,700

Spotify you know we were on iHeartRadio

819

00:28:25,310 --> 00:28:23,220

we used to simulcast to like 15 or 20

820

00:28:26,990 --> 00:28:25,320

different podcasts but then it just kind

821

00:28:28,789 --> 00:28:27,000

of waters down all your search results

822

00:28:30,830 --> 00:28:28,799

like you're a little bit in a million

823

00:28:33,649 --> 00:28:30,840

places so now we're on Apple podcast

824

00:28:35,690 --> 00:28:33,659

Spotify and YouTube so we have a lot of

825

00:28:37,490 --> 00:28:35,700

dedicated Spotify listeners been with

826

00:28:38,690 --> 00:28:37,500

the show since the beginning if you

827

00:28:40,909 --> 00:28:38,700

haven't checked out our YouTube Channel

828

00:28:43,010 --> 00:28:40,919

please do it basically you go anywhere

829

00:28:46,250 --> 00:28:43,020

and search UAP studies podcast whether

830

00:28:48,169 --> 00:28:46,260

it's YouTube Google Facebook you know

831

00:28:50,210 --> 00:28:48,179

Twitter you're going to find us and

832

00:28:51,409 --> 00:28:50,220

you're going to find our program so

833

00:28:54,169 --> 00:28:51,419

um yeah that's what I brought to the

834

00:28:56,149 --> 00:28:54,179

show uh I've done some broadcasting and

835

00:28:58,669 --> 00:28:56,159

radio type stuff television based things

836

00:29:01,010 --> 00:28:58,679

back in the day so I enjoy it it's a

837

00:29:03,049 --> 00:29:01,020

topic I like I get to chat with my best

838

00:29:05,029 --> 00:29:03,059

buddy on Sundays sometimes we do a

839

00:29:06,830 --> 00:29:05,039

couple recordings it's a hell of a lot

840

00:29:08,390 --> 00:29:06,840

of work um you know if it wasn't for the

841

00:29:10,610 --> 00:29:08,400

two of us doing it neither one of us

842

00:29:13,490 --> 00:29:10,620

would be doing it so it is more

843

00:29:15,710 --> 00:29:13,500

challenging as a single person but again

844

00:29:18,470 --> 00:29:15,720

too you can Fast Track by not making the

845

00:29:20,389 --> 00:29:18,480

mistakes others have made you know my

846

00:29:22,549 --> 00:29:20,399

advice is always stay somewhat neutral

847

00:29:24,649 --> 00:29:22,559

because you don't know don't have an

848

00:29:26,510 --> 00:29:24,659

episode from three years ago where

849

00:29:27,950 --> 00:29:26,520

you're like it's definitely this because

850

00:29:30,529 --> 00:29:27,960

somebody will throw that in your face

851
00:29:32,330 --> 00:29:30,539
one day down the road so be humble to

852
00:29:34,789 --> 00:29:32,340
the fact that we have no clue we think

853
00:29:37,130 --> 00:29:34,799
we know we're all just couch you if you

854
00:29:39,830 --> 00:29:37,140
follow just you know like even guys like

855
00:29:41,570 --> 00:29:39,840
Avi Loeb and and big scientists they

856
00:29:43,010 --> 00:29:41,580
have all these faculties and all these

857
00:29:44,690 --> 00:29:43,020
years of schooling and degrees and

858
00:29:46,370 --> 00:29:44,700
everything else and the more they go

859
00:29:47,810 --> 00:29:46,380
down the rabbit hole the more they're

860
00:29:50,149 --> 00:29:47,820
like I don't know I thought we're

861
00:29:52,490 --> 00:29:50,159
getting somewhere I have no idea now so

862
00:29:54,529 --> 00:29:52,500
it's a phenomenon that is not Stranger

863
00:29:57,049 --> 00:29:54,539

than you think but Stranger than you can

864

00:29:59,269 --> 00:29:57,059

think so always have a humble respect

865

00:30:00,769 --> 00:29:59,279

for the topics and I think the rest will

866

00:30:02,570 --> 00:30:00,779

sort itself out

867

00:30:04,190 --> 00:30:02,580

I love that saying by the way that's it

868

00:30:06,889 --> 00:30:04,200

I feel like putting that somewhere in my

869

00:30:08,930 --> 00:30:06,899

in my office don't give me credit that's

870

00:30:09,850 --> 00:30:08,940

Dr Wayne Dyer from the power of

871

00:30:12,590 --> 00:30:09,860

intention

872

00:30:14,330 --> 00:30:12,600

describing Divinity or what that might

873

00:30:16,430 --> 00:30:14,340

possibly look like and he said you know

874

00:30:18,470 --> 00:30:16,440

it's not Stranger Than You Think it's

875

00:30:21,049 --> 00:30:18,480

Stranger Than You Can Think meaning it's

876

00:30:22,789 --> 00:30:21,059

above your pay grid so have to have some

877

00:30:23,710 --> 00:30:22,799

humility towards that

878

00:30:26,090 --> 00:30:23,720

yeah

879

00:30:28,789 --> 00:30:26,100

sorry go ahead I was going to say this

880

00:30:30,710 --> 00:30:28,799

phenomenon fits that mold exactly though

881

00:30:32,630 --> 00:30:30,720

that saying fits into this phenomenon

882

00:30:34,190 --> 00:30:32,640

for sure

883

00:30:35,630 --> 00:30:34,200

I don't remember who said it who was

884

00:30:37,250 --> 00:30:35,640

talking to Jacques Valley I wish I could

885

00:30:38,690 --> 00:30:37,260

remember his name but he said it's

886

00:30:40,510 --> 00:30:38,700

frustrating talking to jock the light

887

00:30:43,250 --> 00:30:40,520

because he will always question

888

00:30:44,630 --> 00:30:43,260

everything that you bring to him because

889

00:30:46,669 --> 00:30:44,640

even if you under if you think you

890

00:30:48,230 --> 00:30:46,679

understand something he finds a way to

891

00:30:49,789 --> 00:30:48,240

make you look even deeper into it which

892

00:30:51,470 --> 00:30:49,799

changes the entire Paradigm of the thing

893

00:30:53,029 --> 00:30:51,480

you're looking at yeah and I feel like

894

00:30:54,710 --> 00:30:53,039

every time I looked into the Phenom I'm

895

00:30:56,870 --> 00:30:54,720

literally reorganizing my belief about

896

00:30:58,250 --> 00:30:56,880

it every single week because there's

897

00:30:59,930 --> 00:30:58,260

just something new that I'm learning I'm

898

00:31:01,130 --> 00:30:59,940

like oh my God I don't even I can't even

899

00:31:03,830 --> 00:31:01,140

think that anymore because now there's

900

00:31:05,510 --> 00:31:03,840

something new that really just expands

901
00:31:08,269 --> 00:31:05,520
the Paradigm that I have about this

902
00:31:10,010 --> 00:31:08,279
phenomenon and it's a high strangeness

903
00:31:12,230 --> 00:31:10,020
there's things that are so weird about

904
00:31:14,810 --> 00:31:12,240
it that you can't put your finger on it

905
00:31:17,269 --> 00:31:14,820
so yeah I I can tell I can tell it's

906
00:31:19,010 --> 00:31:17,279
it's hard to kind of

907
00:31:21,110 --> 00:31:19,020
to clarify

908
00:31:22,789 --> 00:31:21,120
so my next question you actually

909
00:31:25,549 --> 00:31:22,799
answered that within those two ends

910
00:31:27,409 --> 00:31:25,559
within this within that um when you off

911
00:31:28,909 --> 00:31:27,419
your game already you did you did you

912
00:31:31,070 --> 00:31:28,919
got me on that one because it was

913
00:31:34,070 --> 00:31:31,080

already answered so the third question I

914

00:31:35,750 --> 00:31:34,080

have is you know about the about the uip

915

00:31:37,310 --> 00:31:35,760

UAP report

916

00:31:38,450 --> 00:31:37,320

um the one the first one that we got the

917

00:31:39,950 --> 00:31:38,460

one that we got that was so

918

00:31:41,810 --> 00:31:39,960

disappointing and so disheartening that

919

00:31:44,409 --> 00:31:41,820

people were like on Twitter and Facebook

920

00:31:46,850 --> 00:31:44,419

and social media like what was that yeah

921

00:31:49,789 --> 00:31:46,860

why do you think they only they only

922

00:31:51,710 --> 00:31:49,799

went to like 2004 talking about the

923

00:31:53,930 --> 00:31:51,720

Nimitz encounter I believe it was or was

924

00:31:55,310 --> 00:31:53,940

it the gimbal or I believe um I think it

925

00:31:57,409 --> 00:31:55,320

was anemic owner but they only talked

926
00:31:59,330 --> 00:31:57,419
about that from 2004 on they won't talk

927
00:32:01,669 --> 00:31:59,340
about anything that happened all the way

928
00:32:03,590 --> 00:32:01,679
by like Legacy programs back in 1947

929
00:32:04,370 --> 00:32:03,600
Roswell crash they won't investigate any

930
00:32:06,830 --> 00:32:04,380
of that they won't look at the

931
00:32:08,870 --> 00:32:06,840
documentation of you know the um the

932
00:32:10,730 --> 00:32:08,880
Mountain Air Force Base they won't look

933
00:32:12,590 --> 00:32:10,740
at how these these things have been

934
00:32:14,389 --> 00:32:12,600
interacting with the US military for

935
00:32:15,529 --> 00:32:14,399
decades they're only looking at things

936
00:32:18,049 --> 00:32:15,539
that have happened in more recent

937
00:32:21,529 --> 00:32:18,059
history why do you think that is that's

938
00:32:23,029 --> 00:32:21,539

the only time that their disclosure goes

939

00:32:24,889 --> 00:32:23,039

back to so yeah they acknowledge

940

00:32:27,230 --> 00:32:24,899

something happened in 2004 on the Nimitz

941

00:32:28,909 --> 00:32:27,240

it came out in 17 but if they say

942

00:32:30,590 --> 00:32:28,919

anything about previous events they're

943

00:32:31,970 --> 00:32:30,600

acknowledging they knew about it and for

944

00:32:33,950 --> 00:32:31,980

seven years they've been saying we don't

945

00:32:35,450 --> 00:32:33,960

have a clue like nothing happened go

946

00:32:38,450 --> 00:32:35,460

about your daily you know day-to-day

947

00:32:39,590 --> 00:32:38,460

life don't ask us we don't know so why

948

00:32:41,090 --> 00:32:39,600

would they shoot themselves in the head

949

00:32:43,549 --> 00:32:41,100

if they don't have to so they've only

950

00:32:45,169 --> 00:32:43,559

gone back to the report from like you

951
00:32:47,210 --> 00:32:45,179
know okay we went on the record of

952
00:32:48,710 --> 00:32:47,220
saying this happened when was that 04

953
00:32:51,289 --> 00:32:48,720
okay that must be the beginning of this

954
00:32:52,730 --> 00:32:51,299
phenomenon 0-4 so my opinion is that

955
00:32:54,350 --> 00:32:52,740
they don't want to bring up knowledge of

956
00:32:56,510 --> 00:32:54,360
anything prior to that because they've

957
00:32:59,090 --> 00:32:56,520
been denying it and it didn't happen

958
00:33:00,710 --> 00:32:59,100
remember so how can you then give data

959
00:33:03,049 --> 00:33:00,720
on it if it never happened

960
00:33:04,610 --> 00:33:03,059
I can that is a very good answer because

961
00:33:06,529 --> 00:33:04,620
honestly I've been confused as to what's

962
00:33:08,269 --> 00:33:06,539
going on with this I've been frustrated

963
00:33:10,970 --> 00:33:08,279

frankly just like everybody else is what

964

00:33:12,409 --> 00:33:10,980

do you think Jake no I think you uh you

965

00:33:14,330 --> 00:33:12,419

nailed it right on the head

966

00:33:15,950 --> 00:33:14,340

um that's exactly what took place is

967

00:33:17,870 --> 00:33:15,960

that they don't want to go back

968

00:33:20,090 --> 00:33:17,880

throughout history and saying all that

969

00:33:22,789 --> 00:33:20,100

these events that they've been trying to

970

00:33:24,649 --> 00:33:22,799

bury for you know 75 years is all of a

971

00:33:26,930 --> 00:33:24,659

sudden going back well no let's go back

972

00:33:29,029 --> 00:33:26,940

to Roswell and take a look at like it's

973

00:33:31,070 --> 00:33:29,039

it's and it's already been studied uh

974

00:33:33,529 --> 00:33:31,080

you know and interviewed and all that

975

00:33:36,350 --> 00:33:33,539

like satin Friedman did a great study on

976

00:33:37,850 --> 00:33:36,360

it and a bunch of other people uh so we

977

00:33:39,649 --> 00:33:37,860

know that it happened

978

00:33:41,269 --> 00:33:39,659

um you know I often think that the

979

00:33:42,889 --> 00:33:41,279

United States is horrible at keeping

980

00:33:44,450 --> 00:33:42,899

secrets because we know of all these

981

00:33:46,370 --> 00:33:44,460

incidences that have taken place in the

982

00:33:48,830 --> 00:33:46,380

United States right and it's like

983

00:33:51,649 --> 00:33:48,840

nothing to see here move along it's like

984

00:33:55,370 --> 00:33:51,659

again I keep thinking of that uh cop

985

00:33:57,950 --> 00:33:55,380

from uh uh the TV show their um South

986

00:34:00,950 --> 00:33:57,960

Park South Park Jesus I'm having a hard

987

00:34:04,070 --> 00:34:00,960

time even with uh names from TV shows

988

00:34:05,870 --> 00:34:04,080

now but uh it's that's the reality of it

989

00:34:08,270 --> 00:34:05,880

it's just that they've you know denied

990

00:34:10,129 --> 00:34:08,280

it for so long and then to come back and

991

00:34:13,010 --> 00:34:10,139

say actually these events have actually

992

00:34:14,869 --> 00:34:13,020

took place 2004 seems solid because it's

993

00:34:16,849 --> 00:34:14,879

like you know that's when all this stuff

994

00:34:20,270 --> 00:34:16,859

started taking place in the Atlantic

995

00:34:22,190 --> 00:34:20,280

Ocean was it or Pacific island yeah

996

00:34:24,950 --> 00:34:22,200

there was one on the east coast as well

997

00:34:26,990 --> 00:34:24,960

I think that was the Flying triangle

998

00:34:28,550 --> 00:34:27,000

yeah I'm not aware of that muscle or

999

00:34:30,470 --> 00:34:28,560

something I believe it wasn't there was

1000

00:34:32,149 --> 00:34:30,480

an East Coast sighting along with the

1001
00:34:33,829 --> 00:34:32,159
Tic Tac and the Gimbal and the go fast

1002
00:34:35,810 --> 00:34:33,839
well it's definitely on both sides of

1003
00:34:37,730 --> 00:34:35,820
the oceans for sure because yeah they

1004
00:34:40,190 --> 00:34:37,740
keep having incidences like that right

1005
00:34:42,290 --> 00:34:40,200
uh the Nimitz that was here in the

1006
00:34:44,270 --> 00:34:42,300
Pacific right uh Louis okay

1007
00:34:45,889 --> 00:34:44,280
okay for some reason I thought it was in

1008
00:34:47,329 --> 00:34:45,899
the Atlantic for some reason no I was

1009
00:34:49,190 --> 00:34:47,339
just off Catalina Island that's why

1010
00:34:51,290 --> 00:34:49,200
Caroline Corey when she made a tear in

1011
00:34:53,389 --> 00:34:51,300
the sky they went right there and tried

1012
00:34:55,970 --> 00:34:53,399
to triangulate three different Vantage

1013
00:34:58,070 --> 00:34:55,980

points and they caught reigning Tic Tacs

1014

00:34:59,990 --> 00:34:58,080

two days in they caught it the first day

1015

00:35:01,849 --> 00:35:00,000

but their equipment wasn't turned on it

1016

00:35:03,890 --> 00:35:01,859

was doing weird stuff to their gears so

1017

00:35:05,990 --> 00:35:03,900

I think it's a lot more prolific than we

1018

00:35:08,390 --> 00:35:06,000

think if you can take high-tech Gear

1019

00:35:10,010 --> 00:35:08,400

start filming and catch these things you

1020

00:35:11,870 --> 00:35:10,020

don't have to get lucky right it's

1021

00:35:13,370 --> 00:35:11,880

happening all the time repeatable

1022

00:35:14,990 --> 00:35:13,380

occurrences that you should actually

1023

00:35:17,030 --> 00:35:15,000

measure scientifically right yeah

1024

00:35:18,890 --> 00:35:17,040

absolutely

1025

00:35:20,930 --> 00:35:18,900

well Pilots are saying that it's

1026
00:35:22,430 --> 00:35:20,940
happening much more frequently or that

1027
00:35:24,290 --> 00:35:22,440
at least we're maybe it's the technology

1028
00:35:25,790 --> 00:35:24,300
that's being that's kind of catching up

1029
00:35:27,230 --> 00:35:25,800
to whatever the phenomena is or at least

1030
00:35:30,650 --> 00:35:27,240
to be able to preserve the phenomena

1031
00:35:32,329 --> 00:35:30,660
yeah um so I now at this point you can't

1032
00:35:34,849 --> 00:35:32,339
deny that it's something it can't be

1033
00:35:38,930 --> 00:35:34,859
just you know clutter of space junk yeah

1034
00:35:40,849 --> 00:35:38,940
air garbage like yeah I still thought

1035
00:35:43,310 --> 00:35:40,859
that was funny when they said they said

1036
00:35:45,230 --> 00:35:43,320
air it was air debris or air garbage or

1037
00:35:47,089 --> 00:35:45,240
whatever the the saying was

1038
00:35:50,329 --> 00:35:47,099

that's all I could see was just floating

1039

00:35:51,710 --> 00:35:50,339

bags of garbage yeah yeah it's like I

1040

00:35:54,109 --> 00:35:51,720

didn't know we were pumping helium into

1041

00:35:56,750 --> 00:35:54,119

our trash and was letting it fly in the

1042

00:35:59,810 --> 00:35:56,760

path of a new phenomenon that we had no

1043

00:36:01,370 --> 00:35:59,820

ideas of and like you know a pilot

1044

00:36:03,650 --> 00:36:01,380

that's a trained Observer is not going

1045

00:36:06,849 --> 00:36:03,660

to report a garbage bag that's floating

1046

00:36:09,230 --> 00:36:06,859

in the middle right

1047

00:36:11,089 --> 00:36:09,240

that's such a disrespect to the Pilot's

1048

00:36:12,710 --> 00:36:11,099

observation like how could you say

1049

00:36:13,970 --> 00:36:12,720

something like that to a pilot yeah

1050

00:36:16,790 --> 00:36:13,980

about what they've seen that's that's

1051

00:36:18,650 --> 00:36:16,800

disrespectful it's like it's it's um

1052

00:36:20,270 --> 00:36:18,660

it's degrading to them and their

1053

00:36:22,730 --> 00:36:20,280

experience and their knowledge and in

1054

00:36:24,109 --> 00:36:22,740

their training you know

1055

00:36:26,030 --> 00:36:24,119

I'm trying to tell them that it's a

1056

00:36:27,829 --> 00:36:26,040

group of Seagulls that they saw in the

1057

00:36:29,270 --> 00:36:27,839

ocean as opposed to like they're trained

1058

00:36:29,990 --> 00:36:29,280

observers for crying out loud these

1059

00:36:32,089 --> 00:36:30,000

people

1060

00:36:34,430 --> 00:36:32,099

fly you know multi-million dollar

1061

00:36:35,990 --> 00:36:34,440

equipment with you know then they're

1062

00:36:37,670 --> 00:36:36,000

trusted I mean these are the people that

1063

00:36:39,589 --> 00:36:37,680

are going to be defending

1064

00:36:41,150 --> 00:36:39,599

Country For Crying Out Loud if anything

1065

00:36:42,950 --> 00:36:41,160

goes wrong like these are the most

1066

00:36:45,170 --> 00:36:42,960

trusted you can't get higher than that

1067

00:36:46,730 --> 00:36:45,180

you know like higher than that would be

1068

00:36:48,530 --> 00:36:46,740

somebody from NASA or something like

1069

00:36:50,990 --> 00:36:48,540

that you know for as a trained Observer

1070

00:36:52,670 --> 00:36:51,000

so I find that insulting even the video

1071

00:36:54,290 --> 00:36:52,680

that I don't know if you you laughed at

1072

00:36:57,050 --> 00:36:54,300

this as much as we did but the video

1073

00:36:58,790 --> 00:36:57,060

that they showed at uh the Congress

1074

00:37:01,430 --> 00:36:58,800

hearing about you know just this really

1075

00:37:03,890 --> 00:37:01,440

fast bloop well like what the hell is

1076

00:37:05,390 --> 00:37:03,900

that like that was way better stuff on

1077

00:37:07,310 --> 00:37:05,400

the internet than this and they're like

1078

00:37:09,589 --> 00:37:07,320

yeah this is it this is what we get or

1079

00:37:11,390 --> 00:37:09,599

just use the Tic Tac video you you know

1080

00:37:13,849 --> 00:37:11,400

the government agreed hey this is actual

1081

00:37:15,410 --> 00:37:13,859

government property this happened why

1082

00:37:17,329 --> 00:37:15,420

didn't they use that it's a hell of a

1083

00:37:18,710 --> 00:37:17,339

lot more you know um if you're trying to

1084

00:37:21,290 --> 00:37:18,720

explain it to people who've never seen

1085

00:37:24,230 --> 00:37:21,300

UAP activity that's a way better video

1086

00:37:26,390 --> 00:37:24,240

but again they want to use something as

1087

00:37:28,910 --> 00:37:26,400

quick and ridiculous as possible to say

1088

00:37:30,589 --> 00:37:28,920

see like really are we done here yet

1089

00:37:32,690 --> 00:37:30,599

this is what we're talking about you

1090

00:37:34,370 --> 00:37:32,700

know it was more of the same let's think

1091

00:37:36,829 --> 00:37:34,380

about this for a second if the

1092

00:37:39,530 --> 00:37:36,839

government spends billions of dollars on

1093

00:37:42,290 --> 00:37:39,540

all this equipment every single year

1094

00:37:44,210 --> 00:37:42,300

and they are using it for National

1095

00:37:45,650 --> 00:37:44,220

Security for not for the defense of the

1096

00:37:47,510 --> 00:37:45,660

United States of America against our

1097

00:37:50,450 --> 00:37:47,520

foreign allies or foreign foreign

1098

00:37:51,890 --> 00:37:50,460

enemies then we you're telling us that

1099

00:37:53,150 --> 00:37:51,900

we can't trust it you're telling us we

1100

00:37:55,069 --> 00:37:53,160

can't trust the pilots that you are

1101
00:37:56,329 --> 00:37:55,079
you're paying to protect us you're

1102
00:37:57,950 --> 00:37:56,339
telling us you can't trust the equipment

1103
00:37:59,390 --> 00:37:57,960
that's tracking these objects you're

1104
00:38:01,190 --> 00:37:59,400
telling us that we can't trust the data

1105
00:38:03,410 --> 00:38:01,200
that's been collected on this phenomena

1106
00:38:05,630 --> 00:38:03,420
so then so then what's going what's

1107
00:38:08,270 --> 00:38:05,640
happening here are we are we that just

1108
00:38:10,310 --> 00:38:08,280
like so on are the problems so

1109
00:38:11,210 --> 00:38:10,320
unqualified is that what they're say is

1110
00:38:13,310 --> 00:38:11,220
that what they're saying is our

1111
00:38:15,890 --> 00:38:13,320
equipment so you know so out of whack

1112
00:38:17,870 --> 00:38:15,900
that we we shouldn't trust it what's hap

1113
00:38:21,589 --> 00:38:17,880

like how can they say how can anyone

1114

00:38:23,030 --> 00:38:21,599

trust that kind of assessment yeah and I

1115

00:38:24,950 --> 00:38:23,040

don't understand that to me it doesn't

1116

00:38:26,630 --> 00:38:24,960

make sense and it is frustrating it's

1117

00:38:28,310 --> 00:38:26,640

frustrating because you can't brag that

1118

00:38:30,650 --> 00:38:28,320

you have the best equipment in the world

1119

00:38:32,329 --> 00:38:30,660

yeah the best army in the world and in

1120

00:38:34,550 --> 00:38:32,339

Turner we can say well we can't trust it

1121

00:38:36,650 --> 00:38:34,560

so you know what I mean you could trust

1122

00:38:38,870 --> 00:38:36,660

it if it was like you know a foreign

1123

00:38:41,089 --> 00:38:38,880

adversary like you said coming in but if

1124

00:38:43,310 --> 00:38:41,099

it's a UAP we can't trust it because you

1125

00:38:45,530 --> 00:38:43,320

know we just it's it doesn't make sense

1126

00:38:46,190 --> 00:38:45,540

it doesn't fit within what we can you

1127

00:38:48,050 --> 00:38:46,200

know

1128

00:38:50,030 --> 00:38:48,060

um understand like if you're a fighter

1129

00:38:52,609 --> 00:38:50,040

pilot and you're dealing with something

1130

00:38:56,030 --> 00:38:52,619

that can go from 80 000 feet above sea

1131

00:38:58,630 --> 00:38:56,040

water uh into five feet above you know

1132

00:39:02,329 --> 00:38:58,640

the water within a fraction of a second

1133

00:39:04,730 --> 00:39:02,339

seven seconds oh it's a speed of thought

1134

00:39:06,530 --> 00:39:04,740

like literally I think you know I want

1135

00:39:09,109 --> 00:39:06,540

to be there and you're there like that's

1136

00:39:10,970 --> 00:39:09,119

how fast these things travel yeah you

1137

00:39:14,390 --> 00:39:10,980

can't fight that in a plane like even

1138

00:39:16,010 --> 00:39:14,400

like as fast as there was a F-18 Hornet

1139

00:39:18,410 --> 00:39:16,020

said they were flying

1140

00:39:20,810 --> 00:39:18,420

you can't maneuver that way like you

1141

00:39:22,609 --> 00:39:20,820

still need to like curve around like it

1142

00:39:25,670 --> 00:39:22,619

takes you forever to come back to any

1143

00:39:27,470 --> 00:39:25,680

point when you're flying uh they're

1144

00:39:29,630 --> 00:39:27,480

flying against you know these objects

1145

00:39:31,550 --> 00:39:29,640

that run circles around them for crying

1146

00:39:33,829 --> 00:39:31,560

out loud and just take off at velocities

1147

00:39:36,650 --> 00:39:33,839

that are unknown to us like we can't

1148

00:39:38,990 --> 00:39:36,660

fathom that from a standstill point of

1149

00:39:40,430 --> 00:39:39,000

view so when you got a pilot that says

1150

00:39:42,710 --> 00:39:40,440

you know what this is what I recorded

1151
00:39:44,690 --> 00:39:42,720
this is what we've seen this wasn't just

1152
00:39:48,470 --> 00:39:44,700
one pilot there's two of them in there

1153
00:39:50,270 --> 00:39:48,480
right there was two two uh from several

1154
00:39:51,589 --> 00:39:50,280
different Vantage points yeah yeah plus

1155
00:39:53,569 --> 00:39:51,599
multiple a lot of like multiple

1156
00:39:55,550 --> 00:39:53,579
observation like methods not just the

1157
00:39:57,050 --> 00:39:55,560
pilot seeing it but also being tracked

1158
00:39:59,390 --> 00:39:57,060
on radar so now you have cooperating

1159
00:40:01,790 --> 00:39:59,400
observation methods and you can't trust

1160
00:40:03,470 --> 00:40:01,800
any of that yeah yeah and it wasn't one

1161
00:40:04,910 --> 00:40:03,480
object you know we've all heard the

1162
00:40:07,849 --> 00:40:04,920
video snippet he's like there's a whole

1163
00:40:10,069 --> 00:40:07,859

Fleet of a fleet of them yeah one of

1164

00:40:12,109 --> 00:40:10,079

them under sites but there was dozens of

1165

00:40:14,690 --> 00:40:12,119

them you know so

1166

00:40:17,630 --> 00:40:14,700

I don't understand yeah

1167

00:40:19,970 --> 00:40:17,640

so um I really appreciate those answers

1168

00:40:21,470 --> 00:40:19,980

because you know that I thought that

1169

00:40:23,810 --> 00:40:21,480

again I I knew that I wasn't the only

1170

00:40:26,030 --> 00:40:23,820

one who felt like this just doesn't seem

1171

00:40:27,829 --> 00:40:26,040

right this doesn't seem right and you

1172

00:40:29,569 --> 00:40:27,839

mentioned Jason about NASA so that

1173

00:40:31,250 --> 00:40:29,579

actually takes me to my next question so

1174

00:40:32,990 --> 00:40:31,260

I appreciate that

1175

00:40:33,829 --> 00:40:33,000

um what do you think about about NASA

1176

00:40:35,569 --> 00:40:33,839

announcing that they're going to

1177

00:40:39,890 --> 00:40:35,579

investigate the phenomena but only from

1178

00:40:41,690 --> 00:40:39,900

the unclassified data no now I want to

1179

00:40:42,950 --> 00:40:41,700

add just a little bit to that and I hope

1180

00:40:44,390 --> 00:40:42,960

that you guys can help me with this

1181

00:40:47,329 --> 00:40:44,400

because again I'm new

1182

00:40:48,950 --> 00:40:47,339

but as far as I from my observation of

1183

00:40:50,510 --> 00:40:48,960

what's been put out there by NASA

1184

00:40:53,329 --> 00:40:50,520

themselves NASA's been observing this

1185

00:40:54,890 --> 00:40:53,339

phenomena for quite some time it's not

1186

00:40:55,730 --> 00:40:54,900

new to them just like it's not new to

1187

00:40:58,190 --> 00:40:55,740

the military

1188

00:41:00,470 --> 00:40:58,200

why are they why are they only looking

1189

00:41:02,030 --> 00:41:00,480

at the unclassified data on the

1190

00:41:04,069 --> 00:41:02,040

phenomena and why aren't they just

1191

00:41:06,050 --> 00:41:04,079

looking at their own data why are they

1192

00:41:08,329 --> 00:41:06,060

completely ignoring the data that

1193

00:41:10,069 --> 00:41:08,339

they've already had or not even not even

1194

00:41:12,109 --> 00:41:10,079

addressing it because then they have to

1195

00:41:13,790 --> 00:41:12,119

talk about what they have it's the same

1196

00:41:16,550 --> 00:41:13,800

thing as why doesn't the government talk

1197

00:41:18,470 --> 00:41:16,560

about pre-2004 because then you

1198

00:41:20,329 --> 00:41:18,480

inherently acknowledge there's stuff

1199

00:41:22,910 --> 00:41:20,339

there that you've been keeping secrets

1200

00:41:24,589 --> 00:41:22,920

so they want to make it seem like and

1201
00:41:26,930 --> 00:41:24,599
NASA is saying you know we're just now

1202
00:41:29,329 --> 00:41:26,940
going to start so they want the message

1203
00:41:30,470 --> 00:41:29,339
to be that this is a new thing nobody's

1204
00:41:32,150 --> 00:41:30,480
putting their hand up saying we've been

1205
00:41:34,430 --> 00:41:32,160
studying this [h__h] for 70 years and

1206
00:41:36,470 --> 00:41:34,440
they've never said that so the reason

1207
00:41:38,329 --> 00:41:36,480
that they're using the unclassified data

1208
00:41:40,370 --> 00:41:38,339
is to make you forget about the

1209
00:41:41,750 --> 00:41:40,380
unclassified data because technically it

1210
00:41:44,329 --> 00:41:41,760
doesn't exist we don't know nothing

1211
00:41:46,550 --> 00:41:44,339
about it we're just starting so that's

1212
00:41:48,109 --> 00:41:46,560
the narrative I see coming from NASA we

1213
00:41:50,690 --> 00:41:48,119

would be fools to think NASA doesn't

1214

00:41:53,630 --> 00:41:50,700

have the most footage and information of

1215

00:41:56,329 --> 00:41:53,640

everything NASA is military just not

1216

00:41:59,270 --> 00:41:56,339

with a military name right so

1217

00:42:00,829 --> 00:41:59,280

yeah I think this is just a ruse uh you

1218

00:42:02,750 --> 00:42:00,839

know yeah we're just gonna start now

1219

00:42:05,089 --> 00:42:02,760

sure but you didn't start when you had

1220

00:42:06,290 --> 00:42:05,099

satellites and the space program and you

1221

00:42:08,690 --> 00:42:06,300

weren't watching for what could

1222

00:42:10,250 --> 00:42:08,700

potentially you know Russia might take

1223

00:42:11,569 --> 00:42:10,260

out your rocket in space I mean you

1224

00:42:14,270 --> 00:42:11,579

didn't already have that observation

1225

00:42:15,230 --> 00:42:14,280

capability so I think it's a bunch of

1226

00:42:17,210 --> 00:42:15,240

[h__\h]

1227

00:42:19,490 --> 00:42:17,220

didn't they have that one uh space lady

1228

00:42:22,609 --> 00:42:19,500

too like back in the 90s completely

1229

00:42:24,950 --> 00:42:22,619

freak out when uh a craft approached the

1230

00:42:27,950 --> 00:42:24,960

International Space Station she was

1231

00:42:29,870 --> 00:42:27,960

freaking out and they turned off oh it

1232

00:42:31,670 --> 00:42:29,880

was okay it was just space debris or

1233

00:42:32,870 --> 00:42:31,680

whatever like I don't think space debris

1234

00:42:34,550 --> 00:42:32,880

would have freaked her out that much

1235

00:42:36,290 --> 00:42:34,560

like you know and here's the problem

1236

00:42:38,390 --> 00:42:36,300

with space debris okay because

1237

00:42:40,430 --> 00:42:38,400

everything is like infinite velocity

1238

00:42:42,950 --> 00:42:40,440

even like the amount of space junk out

1239

00:42:45,109 --> 00:42:42,960

there is a problem right so a little nut

1240

00:42:48,170 --> 00:42:45,119

or bolt that was dropped 40 years ago

1241

00:42:50,810 --> 00:42:48,180

could be going 28 000 miles an hour in

1242

00:42:53,089 --> 00:42:50,820

orbit so the whole idea of space debris

1243

00:42:55,310 --> 00:42:53,099

it's not gentle things floating around

1244

00:42:57,890 --> 00:42:55,320

they may appear that way but you're not

1245

00:43:00,050 --> 00:42:57,900

gonna have anything of any danger around

1246

00:43:02,870 --> 00:43:00,060

your like that bolt will go straight

1247

00:43:05,270 --> 00:43:02,880

through the ISS so that would be it you

1248

00:43:07,730 --> 00:43:05,280

know like they're in a bubble in the

1249

00:43:09,410 --> 00:43:07,740

atmosphere like they're in space so the

1250

00:43:11,089 --> 00:43:09,420

whole idea of oh there's just random

1251

00:43:13,550 --> 00:43:11,099

space debris they know where every piece

1252

00:43:14,930 --> 00:43:13,560

of junk is everywhere because of the

1253

00:43:16,910 --> 00:43:14,940

dangers associated with those little

1254

00:43:18,770 --> 00:43:16,920

pieces is a junk everywhere

1255

00:43:20,630 --> 00:43:18,780

another thing too with NASA

1256

00:43:22,430 --> 00:43:20,640

investigating cases that have already

1257

00:43:25,010 --> 00:43:22,440

happened to me that's as useful as a

1258

00:43:26,990 --> 00:43:25,020

butthole right here right

1259

00:43:29,510 --> 00:43:27,000

because

1260

00:43:31,609 --> 00:43:29,520

I've already been doing it uh you know

1261

00:43:33,170 --> 00:43:31,619

investigating it already and they can't

1262

00:43:35,089 --> 00:43:33,180

do anything like they're not going to

1263

00:43:37,790 --> 00:43:35,099

come out with any new data you know what

1264

00:43:39,410 --> 00:43:37,800

I mean it's useless and to them it's

1265

00:43:41,630 --> 00:43:39,420

just to be able to come out with like oh

1266

00:43:43,309 --> 00:43:41,640

here's what we found on this case but

1267

00:43:44,690 --> 00:43:43,319

it's not going to be anything more

1268

00:43:46,730 --> 00:43:44,700

useful than the people that have already

1269

00:43:48,470 --> 00:43:46,740

been doing it some great organizations

1270

00:43:50,990 --> 00:43:48,480

like move on and stuff like that have

1271

00:43:53,809 --> 00:43:51,000

been have great investigators better

1272

00:43:56,510 --> 00:43:53,819

investigators than I will ever be um and

1273

00:43:58,309 --> 00:43:56,520

they do solid work I think those are the

1274

00:44:00,230 --> 00:43:58,319

organizations really that we should be

1275

00:44:02,450 --> 00:44:00,240

praising or the people that have been

1276

00:44:05,510 --> 00:44:02,460

doing it already and saying hey well

1277

00:44:07,730 --> 00:44:05,520

NASA was taking a snooze we were on the

1278

00:44:09,170 --> 00:44:07,740

ball and we did this right so

1279

00:44:11,270 --> 00:44:09,180

yeah

1280

00:44:12,609 --> 00:44:11,280

Jason please click that

1281

00:44:16,010 --> 00:44:12,619

um

1282

00:44:17,569 --> 00:44:16,020

what's that that was that was that was

1283

00:44:19,069 --> 00:44:17,579

fantastic I hope you clipped that

1284

00:44:22,809 --> 00:44:19,079

because I would love to go back and

1285

00:44:27,589 --> 00:44:25,430

sorry I lost my composure there for a

1286

00:44:30,290 --> 00:44:27,599

second all right so no worries

1287

00:44:32,089 --> 00:44:30,300

it's I I again I appreciate that because

1288

00:44:33,290 --> 00:44:32,099

again it's it doesn't make sense we know

1289

00:44:35,089 --> 00:44:33,300

we know it's ridiculous we know that

1290

00:44:37,550 --> 00:44:35,099

they're just again obfuscating the truth

1291

00:44:38,809 --> 00:44:37,560

about what they know yeah and they're

1292

00:44:41,150 --> 00:44:38,819

not going to tell us anything about the

1293

00:44:43,790 --> 00:44:41,160

best Legacy programs and such

1294

00:44:46,250 --> 00:44:43,800

so now I want to ask a little bit more

1295

00:44:47,630 --> 00:44:46,260

like a kind of a a question I think

1296

00:44:49,790 --> 00:44:47,640

everybody wants to know people that like

1297

00:44:50,870 --> 00:44:49,800

my listeners they they're still they're

1298

00:44:52,550 --> 00:44:50,880

a lot of them a lot of people that

1299

00:44:54,050 --> 00:44:52,560

listen to me are not even I'm not even

1300

00:44:55,370 --> 00:44:54,060

familiar with any of the data they're

1301
00:44:56,450 --> 00:44:55,380
not familiar with all the people that we

1302
00:44:57,650 --> 00:44:56,460
talk about they're not familiar with all

1303
00:44:59,450 --> 00:44:57,660
the people the guests that you've had

1304
00:45:01,910 --> 00:44:59,460
and they're not familiar with what we

1305
00:45:04,309 --> 00:45:01,920
know about the phenomenon publicly

1306
00:45:05,930 --> 00:45:04,319
um and officially so what do you think

1307
00:45:08,569 --> 00:45:05,940
at least at this point with the general

1308
00:45:09,829 --> 00:45:08,579
consensus of the phenomena is according

1309
00:45:11,630 --> 00:45:09,839
to like what you know people like

1310
00:45:13,430 --> 00:45:11,640
Jacques valet and people like Julio

1311
00:45:14,809 --> 00:45:13,440
zondo and people like you know because

1312
00:45:16,970 --> 00:45:14,819
Jacques filet has mentioned that they

1313
00:45:19,250 --> 00:45:16,980

might this this phenomenon is associated

1314

00:45:21,230 --> 00:45:19,260

with a lot of different things and it

1315

00:45:22,490 --> 00:45:21,240

could be interdimensional in nature and

1316

00:45:24,470 --> 00:45:22,500

that it could be you know associated

1317

00:45:27,349 --> 00:45:24,480

with Poltergeist for example like in

1318

00:45:29,210 --> 00:45:27,359

Skinwalker Ranch the phenomena there has

1319

00:45:31,730 --> 00:45:29,220

this what's called this The Hitchhiker

1320

00:45:33,710 --> 00:45:31,740

effect which is pretty scary from what I

1321

00:45:35,510 --> 00:45:33,720

understand and there's also this is

1322

00:45:37,550 --> 00:45:35,520

everything even think about ghosts and

1323

00:45:39,230 --> 00:45:37,560

demons and fairies and gnomes all the

1324

00:45:41,329 --> 00:45:39,240

things that we have looked back and said

1325

00:45:43,910 --> 00:45:41,339

this stuff is just fairy tales and it's

1326

00:45:46,490 --> 00:45:43,920

just crap it may have been associated

1327

00:45:48,290 --> 00:45:46,500

with the phenomena so what do you what

1328

00:45:51,650 --> 00:45:48,300

do you think personally what the general

1329

00:45:53,569 --> 00:45:51,660

consensus is about the phenom I would

1330

00:45:55,069 --> 00:45:53,579

say I think there is no consensus you

1331

00:45:57,050 --> 00:45:55,079

look at the infighting on Twitter and

1332

00:45:59,390 --> 00:45:57,060

that's exactly what it is it's everybody

1333

00:46:01,550 --> 00:45:59,400

grasping onto what their version of the

1334

00:46:03,530 --> 00:46:01,560

truth is and then throwing stones at

1335

00:46:04,970 --> 00:46:03,540

everybody else so that's part of our

1336

00:46:07,069 --> 00:46:04,980

issue the fact that we don't have a

1337

00:46:08,450 --> 00:46:07,079

consensus in a good way I mean we'll

1338

00:46:09,950 --> 00:46:08,460

never all agree and it's that

1339

00:46:11,870 --> 00:46:09,960

open-minded debate that we're actually

1340

00:46:14,270 --> 00:46:11,880

looking for that I think is healthy for

1341

00:46:17,150 --> 00:46:14,280

the movement but I think the consensus

1342

00:46:19,790 --> 00:46:17,160

is more more generally we don't know and

1343

00:46:21,410 --> 00:46:19,800

I'm glad we're trending there but yeah I

1344

00:46:22,670 --> 00:46:21,420

don't think there is a consensus just my

1345

00:46:25,370 --> 00:46:22,680

opinion

1346

00:46:27,710 --> 00:46:25,380

yeah I think that uh the more we delve

1347

00:46:29,510 --> 00:46:27,720

into it ourselves the more we discover

1348

00:46:31,190 --> 00:46:29,520

that there's a bunch of junk behind it

1349

00:46:33,589 --> 00:46:31,200

that we're like holy crap like we even

1350

00:46:35,030 --> 00:46:33,599

think about exploring this and I think

1351

00:46:37,370 --> 00:46:35,040

that's the good thing about you know

1352

00:46:39,650 --> 00:46:37,380

your podcasts as well as this one or any

1353

00:46:42,530 --> 00:46:39,660

other one that deals with the phenomenon

1354

00:46:44,870 --> 00:46:42,540

is that it allows for

1355

00:46:46,790 --> 00:46:44,880

specific episodes to take place you know

1356

00:46:48,530 --> 00:46:46,800

you might talk to somebody that it looks

1357

00:46:50,150 --> 00:46:48,540

at it more from a religious point of

1358

00:46:52,609 --> 00:46:50,160

view that you know has worked with

1359

00:46:55,550 --> 00:46:52,619

people within the church that are

1360

00:46:57,290 --> 00:46:55,560

abductees for instance how do they view

1361

00:46:59,930 --> 00:46:57,300

their abductions or for them it's a

1362

00:47:02,510 --> 00:46:59,940

demonic thing they don't look at it as

1363

00:47:04,849 --> 00:47:02,520

an alien entity you know doing medical

1364

00:47:08,270 --> 00:47:04,859

procedures for them it's being you know

1365

00:47:09,710 --> 00:47:08,280

loomed over by demons or something uh so

1366

00:47:11,930 --> 00:47:09,720

there's different perspective and that

1367

00:47:14,270 --> 00:47:11,940

could be just the way that we are as

1368

00:47:16,970 --> 00:47:14,280

humans you know based on how we you know

1369

00:47:18,950 --> 00:47:16,980

how we compartmentalize everything uh

1370

00:47:21,230 --> 00:47:18,960

everything's in a box like religion is

1371

00:47:23,809 --> 00:47:21,240

very you know keeps you kind of in a box

1372

00:47:25,309 --> 00:47:23,819

in a way uh you're gonna try to fit

1373

00:47:27,770 --> 00:47:25,319

whatever it is that's happening to you

1374

00:47:29,690 --> 00:47:27,780

to fit that mold and I think that's the

1375

00:47:32,089 --> 00:47:29,700

biggest problem with us as a species is

1376
00:47:34,609 --> 00:47:32,099
that everything is already molded by the

1377
00:47:36,650 --> 00:47:34,619
time we're adults that something like

1378
00:47:39,170 --> 00:47:36,660
this comes along that might be so

1379
00:47:41,569 --> 00:47:39,180
freaking you know like Louie says

1380
00:47:43,609 --> 00:47:41,579
Stranger than we can think it doesn't

1381
00:47:45,349 --> 00:47:43,619
fit within the bar boxes that we have

1382
00:47:47,630 --> 00:47:45,359
and that's what's so frustrating is

1383
00:47:50,630 --> 00:47:47,640
we're like toddlers trying to put those

1384
00:47:52,609 --> 00:47:50,640
blocks in like fit and it's not fitting

1385
00:47:53,870 --> 00:47:52,619
right and that's the biggest problem

1386
00:47:56,930 --> 00:47:53,880
that we have so we have to keep

1387
00:47:58,910 --> 00:47:56,940
expanding our search and

1388
00:48:01,730 --> 00:47:58,920

um you know different

1389

00:48:04,790 --> 00:48:01,740

ideas and explore different uh you know

1390

00:48:06,470 --> 00:48:04,800

hypothesis and theories because we don't

1391

00:48:09,829 --> 00:48:06,480

know what this phenomenon is and I think

1392

00:48:11,750 --> 00:48:09,839

it spans far more than just one species

1393

00:48:14,329 --> 00:48:11,760

you know visiting us I think it's

1394

00:48:16,370 --> 00:48:14,339

multiple there's also inter-dimensional

1395

00:48:19,069 --> 00:48:16,380

there could be extra tempestal as well

1396

00:48:21,770 --> 00:48:19,079

I think it's a collateral like just a a

1397

00:48:24,589 --> 00:48:21,780

combination of everything all of it yeah

1398

00:48:27,650 --> 00:48:24,599

all just a big ball of a big cluster

1399

00:48:29,510 --> 00:48:27,660

[h__\h] of stuff that's happening right and

1400

00:48:31,130 --> 00:48:29,520

I think that's literally what it is it's

1401

00:48:33,109 --> 00:48:31,140

just it's just a bunch of different

1402

00:48:34,790 --> 00:48:33,119

activities and you can't have the

1403

00:48:36,349 --> 00:48:34,800

government come out and go you know what

1404

00:48:38,150 --> 00:48:36,359

things are really strange and we don't

1405

00:48:39,650 --> 00:48:38,160

know what the hell is happening but all

1406

00:48:40,790 --> 00:48:39,660

these things are true

1407

00:48:43,670 --> 00:48:40,800

um you know how would the general

1408

00:48:46,870 --> 00:48:43,680

population then react to that we

1409

00:48:49,609 --> 00:48:46,880

couldn't right like as just look at the

1410

00:48:52,010 --> 00:48:49,619

toilet paper incident of uh

1411

00:48:54,170 --> 00:48:52,020

2020 right like everybody going crazy

1412

00:48:55,849 --> 00:48:54,180

over toilet paper at least here in

1413

00:48:57,710 --> 00:48:55,859

Canada people literally punching each

1414

00:48:59,750 --> 00:48:57,720

other in the face yeah over toilet paper

1415

00:49:01,010 --> 00:48:59,760

as if that was the solution to our

1416

00:49:02,510 --> 00:49:01,020

problem

1417

00:49:05,089 --> 00:49:02,520

um so you can tell that you know if

1418

00:49:07,370 --> 00:49:05,099

anything big like that was to ever

1419

00:49:10,010 --> 00:49:07,380

be disclosed I don't think we would

1420

00:49:11,930 --> 00:49:10,020

handle it uh very well and James Fox

1421

00:49:13,550 --> 00:49:11,940

told us that after our recording with

1422

00:49:14,870 --> 00:49:13,560

them when we did our show and he

1423

00:49:17,270 --> 00:49:14,880

basically said that he had had lunch

1424

00:49:18,770 --> 00:49:17,280

with Bigelow you know years ago and he'd

1425

00:49:20,510 --> 00:49:18,780

asked him about that and basically what

1426

00:49:21,589 --> 00:49:20,520

he said is during his time at nids and

1427

00:49:23,870 --> 00:49:21,599

everything else the government did

1428

00:49:26,150 --> 00:49:23,880

studies on if we just tell the people

1429

00:49:28,190 --> 00:49:26,160

and just come clean right what happened

1430

00:49:30,589 --> 00:49:28,200

and they ran many different scenarios if

1431

00:49:32,569 --> 00:49:30,599

it was soft disclosure with capital D or

1432

00:49:34,790 --> 00:49:32,579

lowercase so to speak and the

1433

00:49:36,710 --> 00:49:34,800

overwhelming consensus at the end of all

1434

00:49:38,390 --> 00:49:36,720

those different studies the world will

1435

00:49:40,010 --> 00:49:38,400

fall apart people will lose their

1436

00:49:41,750 --> 00:49:40,020

freaking mind they won't pay they won't

1437

00:49:44,089 --> 00:49:41,760

be patriotic to their country or their

1438

00:49:45,950 --> 00:49:44,099

religion or the same leaders that have

1439

00:49:47,930 --> 00:49:45,960

been feeding them information for years

1440

00:49:50,870 --> 00:49:47,940

say screw you you're just like us

1441

00:49:53,870 --> 00:49:50,880

there's something above us it's it was

1442

00:49:55,609 --> 00:49:53,880

catastrophe in every scenario and I

1443

00:49:58,250 --> 00:49:55,619

genuine I tend to believe that I think

1444

00:49:59,870 --> 00:49:58,260

we are quite sheepish still as people I

1445

00:50:01,130 --> 00:49:59,880

believe most of what we read even though

1446

00:50:02,690 --> 00:50:01,140

we know you shouldn't you know believe

1447

00:50:05,030 --> 00:50:02,700

everything you see don't believe

1448

00:50:07,130 --> 00:50:05,040

everything you read most people do and

1449

00:50:09,170 --> 00:50:07,140

and I think it would be a big problem if

1450

00:50:11,390 --> 00:50:09,180

disclosure happened and they said both

1451

00:50:13,250 --> 00:50:11,400

even from a military standpoint these

1452

00:50:15,170 --> 00:50:13,260

things can come into our air space with

1453

00:50:16,970 --> 00:50:15,180

impunity we can't catch them we can't

1454

00:50:19,430 --> 00:50:16,980

shoot them down they can turn off our

1455

00:50:22,430 --> 00:50:19,440

weapons right they can you know they can

1456

00:50:23,930 --> 00:50:22,440

interface with us telepathically and you

1457

00:50:26,150 --> 00:50:23,940

know and that also speaks volumes about

1458

00:50:28,430 --> 00:50:26,160

our capacity too and maybe we could have

1459

00:50:30,950 --> 00:50:28,440

advanced more if we knew we had this

1460

00:50:33,410 --> 00:50:30,960

ability to and I again I tend to believe

1461

00:50:36,050 --> 00:50:33,420

that it would be more problematic than

1462

00:50:38,270 --> 00:50:36,060

we think we think we're ready but we may

1463

00:50:40,430 --> 00:50:38,280

be ready yeah but not on the topic

1464

00:50:42,410 --> 00:50:40,440

already we're more ready than ever but

1465

00:50:44,809 --> 00:50:42,420

the general population

1466

00:50:48,109 --> 00:50:44,819

not so much

1467

00:50:49,549 --> 00:50:48,119

I I I want to add check me on this

1468

00:50:52,190 --> 00:50:49,559

because again I'm still new and I'm

1469

00:50:54,530 --> 00:50:52,200

still developing my perspective on it

1470

00:50:56,510 --> 00:50:54,540

um I think you're right I've come to

1471

00:50:58,370 --> 00:50:56,520

believe that people are most people are

1472

00:51:00,170 --> 00:50:58,380

not ready I've been having conversations

1473

00:51:01,790 --> 00:51:00,180

since I started investigating phenomena

1474

00:51:03,109 --> 00:51:01,800

and listening to all the people that you

1475

00:51:03,829 --> 00:51:03,119

know like jock valet and all these

1476
00:51:05,450 --> 00:51:03,839

people

1477
00:51:07,370 --> 00:51:05,460

um and what they say and when I talk to

1478
00:51:08,809 --> 00:51:07,380

somebody about that what about what they

1479
00:51:10,130 --> 00:51:08,819

say about it what's being said about the

1480
00:51:11,630 --> 00:51:10,140

phenomena

1481
00:51:13,609 --> 00:51:11,640

um there's this moment you know Louis

1482
00:51:16,609 --> 00:51:13,619

Lozano said that if if we were to know

1483
00:51:18,410 --> 00:51:16,619

right now if you were to describe it in

1484
00:51:21,670 --> 00:51:18,420

one word what people would feel you know

1485
00:51:23,770 --> 00:51:21,680

he said somber and that is literally

1486
00:51:26,270 --> 00:51:23,780

literally the feeling the the the

1487
00:51:27,829 --> 00:51:26,280

atmosphere of a conversation when I have

1488
00:51:29,829 --> 00:51:27,839

it with people and sometimes they only

1489

00:51:32,450 --> 00:51:29,839

they just change the subject

1490

00:51:33,710 --> 00:51:32,460

they ask me you know now that I'm doing

1491

00:51:34,970 --> 00:51:33,720

this they're like well tell me what do

1492

00:51:37,430 --> 00:51:34,980

you know and I'm like well I don't know

1493

00:51:38,750 --> 00:51:37,440

but here's what people think and they're

1494

00:51:40,970 --> 00:51:38,760

and they're just like

1495

00:51:43,370 --> 00:51:40,980

um well you know I'm doing this thing

1496

00:51:45,710 --> 00:51:43,380

here and it just completely off off the

1497

00:51:48,349 --> 00:51:45,720

topic they don't want it it scares them

1498

00:51:50,270 --> 00:51:48,359

they don't want to have to think about

1499

00:51:51,770 --> 00:51:50,280

what all the possibilities because

1500

00:51:52,670 --> 00:51:51,780

they're trying to cook dinner tonight

1501

00:51:53,870 --> 00:51:52,680

they're trying to go to football

1502

00:51:55,790 --> 00:51:53,880

practice tomorrow they're trying to have

1503

00:51:57,410 --> 00:51:55,800

a life and they have friends and just do

1504

00:51:59,809 --> 00:51:57,420

things they don't want to know that

1505

00:52:01,670 --> 00:51:59,819

there's a deeper uh meaning to all this

1506

00:52:05,030 --> 00:52:01,680

stuff there's more to our reality than

1507

00:52:06,530 --> 00:52:05,040

what we see so yeah I agree I have come

1508

00:52:10,010 --> 00:52:06,540

to that conclusion that people are just

1509

00:52:12,530 --> 00:52:10,020

not ready right they're not ready so our

1510

00:52:15,290 --> 00:52:12,540

spouses are you know are now warming up

1511

00:52:17,150 --> 00:52:15,300

to the idea of you know what what is

1512

00:52:20,030 --> 00:52:17,160

that we do and and what we believe in

1513

00:52:22,069 --> 00:52:20,040

have you found that to be your case as

1514

00:52:24,829 --> 00:52:22,079

well with your spouse that you know is

1515

00:52:27,109 --> 00:52:24,839

this some a subject you can Broach very

1516

00:52:30,170 --> 00:52:27,119

easily or is it something that still

1517

00:52:31,849 --> 00:52:30,180

scares them like well I don't know how

1518

00:52:36,710 --> 00:52:31,859

what you can tell about my conversation

1519

00:52:38,450 --> 00:52:36,720

but sometimes I I can be wording

1520

00:52:40,670 --> 00:52:38,460

um I can be a little intense actually

1521

00:52:43,010 --> 00:52:40,680

really intense

1522

00:52:44,930 --> 00:52:43,020

very dramatic you know like my the way

1523

00:52:47,150 --> 00:52:44,940

that I talk about things it's never just

1524

00:52:48,770 --> 00:52:47,160

like oh this happened it's very dramatic

1525

00:52:50,390 --> 00:52:48,780

I use words that are dramatic and I use

1526

00:52:52,370 --> 00:52:50,400

the feeling that you know my voice

1527

00:52:54,470 --> 00:52:52,380

acting comes out all the time and so

1528

00:52:57,049 --> 00:52:54,480

sometimes it's overwhelming

1529

00:52:59,030 --> 00:52:57,059

and she'll tell me like Hey listen you

1530

00:53:02,030 --> 00:52:59,040

gotta so let's take it back tell me just

1531

00:53:04,609 --> 00:53:02,040

give me the data do not try to sell me

1532

00:53:06,710 --> 00:53:04,619

on anything just give me the data and I

1533

00:53:08,750 --> 00:53:06,720

really appreciate that because because

1534

00:53:10,609 --> 00:53:08,760

that's what people want that's that's

1535

00:53:13,069 --> 00:53:10,619

how my listeners are they're they're

1536

00:53:15,290 --> 00:53:13,079

people like her my listeners are in in

1537

00:53:17,329 --> 00:53:15,300

my content because they like they they

1538

00:53:19,370 --> 00:53:17,339

feel what I have to say they're really

1539

00:53:21,170 --> 00:53:19,380

interested in how I make them feel not

1540

00:53:23,150 --> 00:53:21,180

necessarily specifically what I have to

1541

00:53:24,829 --> 00:53:23,160

say but it doesn't Inspire them to to

1542

00:53:26,270 --> 00:53:24,839

take a look at this phenomena from the

1543

00:53:27,410 --> 00:53:26,280

from the perspective of how will it

1544

00:53:29,750 --> 00:53:27,420

affect me

1545

00:53:33,410 --> 00:53:29,760

you know how will how will this connect

1546

00:53:35,870 --> 00:53:33,420

us all so she is my listener she is my

1547

00:53:37,190 --> 00:53:35,880

demographic and so yes she has come

1548

00:53:39,290 --> 00:53:37,200

around she used to be like you're crazy

1549

00:53:40,670 --> 00:53:39,300

you're you're just crazy she believes me

1550

00:53:41,930 --> 00:53:40,680

then after having a conversation and

1551
00:53:44,089 --> 00:53:41,940
talking about the event the accounts of

1552
00:53:46,370 --> 00:53:44,099
these high-profile people she started to

1553
00:53:48,410 --> 00:53:46,380
say maybe there is something to this and

1554
00:53:50,690 --> 00:53:48,420
started asking me questions you know

1555
00:53:52,670 --> 00:53:50,700
well what about this and what about this

1556
00:53:54,829 --> 00:53:52,680
and and then and then we would have

1557
00:53:57,470 --> 00:53:54,839
casual conversations and she would

1558
00:53:59,109 --> 00:53:57,480
casually I love this do you think the

1559
00:54:01,730 --> 00:53:59,119
aliens

1560
00:54:04,069 --> 00:54:01,740
I'm like and when and the first time she

1561
00:54:06,290 --> 00:54:04,079
did that my heart leaked out

1562
00:54:08,150 --> 00:54:06,300
I've I've won someone over that does

1563
00:54:10,430 --> 00:54:08,160

that's so she's so skeptical of

1564

00:54:12,049 --> 00:54:10,440

everything I say no because she

1565

00:54:14,329 --> 00:54:12,059

challenges me to be better to be more

1566

00:54:16,190 --> 00:54:14,339

specific to be more clear about what I

1567

00:54:18,230 --> 00:54:16,200

say because I can be like all over the

1568

00:54:19,549 --> 00:54:18,240

place and I respect that and I

1569

00:54:21,230 --> 00:54:19,559

appreciate that so much because that's

1570

00:54:23,270 --> 00:54:21,240

again that's what my listeners want from

1571

00:54:24,950 --> 00:54:23,280

me that's who I'm talking to yeah she's

1572

00:54:26,809 --> 00:54:24,960

come around she has come around full

1573

00:54:30,290 --> 00:54:26,819

circle man it's wild

1574

00:54:32,390 --> 00:54:30,300

what's up nice no it's been same with uh

1575

00:54:35,870 --> 00:54:32,400

my spouse before we weren't able to talk

1576

00:54:37,670 --> 00:54:35,880

about it but now she's a lot more open

1577

00:54:39,410 --> 00:54:37,680

to it and we talk about it all the time

1578

00:54:41,270 --> 00:54:39,420

she's so much so she's asking like you

1579

00:54:43,190 --> 00:54:41,280

know who's on your show today were you

1580

00:54:45,589 --> 00:54:43,200

guys talking about today so it's nice to

1581

00:54:47,089 --> 00:54:45,599

get to that point but she came from a

1582

00:54:50,569 --> 00:54:47,099

very conservative uh Christian

1583

00:54:53,450 --> 00:54:50,579

background so it was very difficult to

1584

00:54:55,490 --> 00:54:53,460

bring this subject uh through right even

1585

00:54:57,290 --> 00:54:55,500

we had a sighting together and she

1586

00:54:59,150 --> 00:54:57,300

didn't want to talk about it for years

1587

00:55:01,670 --> 00:54:59,160

because it scared the crap out of her

1588

00:55:03,170 --> 00:55:01,680

but once you know she starts becoming a

1589

00:55:04,730 --> 00:55:03,180

little bit more open to the subject we

1590

00:55:06,770 --> 00:55:04,740

can actually talk about the sighting and

1591

00:55:08,990 --> 00:55:06,780

then compare notes you know what did you

1592

00:55:10,490 --> 00:55:09,000

see what did I see type thing

1593

00:55:12,349 --> 00:55:10,500

um but I think a lot of people are in

1594

00:55:13,549 --> 00:55:12,359

that mindset as well and it just reminds

1595

00:55:15,650 --> 00:55:13,559

me of

1596

00:55:17,690 --> 00:55:15,660

the people out there that have sightings

1597

00:55:19,370 --> 00:55:17,700

that always dismiss them

1598

00:55:20,870 --> 00:55:19,380

they'll see something strange and go huh

1599

00:55:22,549 --> 00:55:20,880

and you get inside their car and you

1600

00:55:24,710 --> 00:55:22,559

take off and they never talk about that

1601
00:55:26,390 --> 00:55:24,720
yeah but there's so many people every

1602
00:55:28,250 --> 00:55:26,400
day that that happens to and they just

1603
00:55:30,770 --> 00:55:28,260
look at it as huh that was weird and

1604
00:55:32,510 --> 00:55:30,780
just move on right go to McDonald's and

1605
00:55:34,730 --> 00:55:32,520
Melissa Tittle when she was on our show

1606
00:55:36,109 --> 00:55:34,740
said that she was like walking and there

1607
00:55:38,990 --> 00:55:36,119
was a little old lady walking her dog

1608
00:55:41,089 --> 00:55:39,000
and they had a legit UFO sighting and

1609
00:55:42,710 --> 00:55:41,099
the lady looked up and goes huh you know

1610
00:55:44,690 --> 00:55:42,720
what would you know about that and then

1611
00:55:46,670 --> 00:55:44,700
just continued on walking her dog like

1612
00:55:48,109 --> 00:55:46,680
it never happened it's like their brain

1613
00:55:50,690 --> 00:55:48,119

just couldn't grasp what the hell that

1614

00:55:52,250 --> 00:55:50,700

beat what was and it's better to just go

1615

00:55:55,370 --> 00:55:52,260

about my Merry way I'm sure it was

1616

00:55:57,250 --> 00:55:55,380

something and they're okay I'm walking a

1617

00:56:00,049 --> 00:55:57,260

little faster now

1618

00:56:01,490 --> 00:56:00,059

well I mean Gary Nolan when he was he

1619

00:56:03,609 --> 00:56:01,500

said that he had an experience right

1620

00:56:06,349 --> 00:56:03,619

where not just the the the

1621

00:56:09,230 --> 00:56:06,359

face-to-face contact it seemed like he

1622

00:56:10,370 --> 00:56:09,240

he said that he saw a crafts once and he

1623

00:56:12,650 --> 00:56:10,380

just thought you know he's riding his

1624

00:56:14,630 --> 00:56:12,660

bike you know and and then and it was at

1625

00:56:16,730 --> 00:56:14,640

night time and the trees were the Shadow

1626
00:56:18,230 --> 00:56:16,740
from the trees were changing you can see

1627
00:56:20,990 --> 00:56:18,240
that there's a light that was clearly

1628
00:56:24,170 --> 00:56:21,000
shutting down on Shining the shadow

1629
00:56:26,569 --> 00:56:24,180
casting Shadow below him and he saw when

1630
00:56:28,730 --> 00:56:26,579
he looked up a craft a circular disc to

1631
00:56:30,109 --> 00:56:28,740
craft and he said oh that that must be

1632
00:56:31,250 --> 00:56:30,119
his thought was it just must be

1633
00:56:33,770 --> 00:56:31,260
something the military's working on

1634
00:56:35,329 --> 00:56:33,780
right he just went about his day and

1635
00:56:38,270 --> 00:56:35,339
that was that was when he was a kid and

1636
00:56:41,569 --> 00:56:38,280
again I I've had experiences where

1637
00:56:43,130 --> 00:56:41,579
I'm like what do I do with that like I I

1638
00:56:45,530 --> 00:56:43,140

mean what am I gonna do with it just

1639

00:56:46,910 --> 00:56:45,540

something happened to me and I I'm not

1640

00:56:48,230 --> 00:56:46,920

gonna tell someone if I tell someone

1641

00:56:50,450 --> 00:56:48,240

how's it going to turn out is it gonna

1642

00:56:52,190 --> 00:56:50,460

how is it gonna viscerally affect my

1643

00:56:53,990 --> 00:56:52,200

life yeah and I think that is exactly

1644

00:56:56,390 --> 00:56:54,000

how people are thinking one time my my

1645

00:56:58,490 --> 00:56:56,400

partner she says Okay can the aliens

1646

00:56:59,750 --> 00:56:58,500

help me cook dinner and I'm like clearly

1647

00:57:01,069 --> 00:56:59,760

not then she doesn't have the

1648

00:57:02,930 --> 00:57:01,079

conversation sometimes it's just she

1649

00:57:05,630 --> 00:57:02,940

just doesn't happen so again that's yeah

1650

00:57:07,250 --> 00:57:05,640

people are people or more people have

1651
00:57:09,049 --> 00:57:07,260
these experiences and you can than are

1652
00:57:11,329 --> 00:57:09,059
being documented

1653
00:57:13,250 --> 00:57:11,339
yeah yeah and some people want to talk

1654
00:57:14,870 --> 00:57:13,260
about it some people don't right some

1655
00:57:17,210 --> 00:57:14,880
people have had experiences that are

1656
00:57:18,829 --> 00:57:17,220
probably amazing stories but will never

1657
00:57:21,170 --> 00:57:18,839
talk about it because

1658
00:57:22,730 --> 00:57:21,180
either one they're dead or told never to

1659
00:57:25,309 --> 00:57:22,740
talk about it or you know whatever

1660
00:57:26,870 --> 00:57:25,319
circumstances happen but I think there's

1661
00:57:29,210 --> 00:57:26,880
tons of stories out there that have got

1662
00:57:31,069 --> 00:57:29,220
to exist that you know we'll never hear

1663
00:57:33,230 --> 00:57:31,079

from it's never going to be on Unsolved

1664

00:57:35,210 --> 00:57:33,240

Mysteries or anything like that

1665

00:57:38,150 --> 00:57:35,220

speaking of Unsolved Mysteries Robert

1666

00:57:40,849 --> 00:57:38,160

Stacks was such a huge uh influence on

1667

00:57:43,609 --> 00:57:40,859

me when I was a kid uh his voice was the

1668

00:57:46,730 --> 00:57:43,619

creepiest voice ever to report record

1669

00:57:49,069 --> 00:57:46,740

anything on a TV show so do you do that

1670

00:57:52,490 --> 00:57:49,079

at all in your on your uh podcast and

1671

00:57:56,450 --> 00:57:52,500

creep anybody out well nobody has been

1672

00:57:58,430 --> 00:57:56,460

my goal my goal is to is to kind of

1673

00:58:00,290 --> 00:57:58,440

again I'm my Target demographic is

1674

00:58:02,109 --> 00:58:00,300

people that don't know right they're not

1675

00:58:05,750 --> 00:58:02,119

into the field they're not interested

1676
00:58:07,790 --> 00:58:05,760
but they but I want them to be so that's

1677
00:58:11,270 --> 00:58:07,800
my target I do not want to freak them

1678
00:58:13,549 --> 00:58:11,280
out so not nobody has come to me yet and

1679
00:58:15,650 --> 00:58:13,559
said hey man not not on my you know with

1680
00:58:18,950 --> 00:58:15,660
my content this freaks me out most the

1681
00:58:20,990 --> 00:58:18,960
time it's like wow like this is I feel

1682
00:58:22,069 --> 00:58:21,000
this I feel and even though there are

1683
00:58:24,470 --> 00:58:22,079
people that aren't even interested in

1684
00:58:26,210 --> 00:58:24,480
the phenomena it's it's the way that I

1685
00:58:27,349 --> 00:58:26,220
make them feel that makes them I've

1686
00:58:28,549 --> 00:58:27,359
already I've thought this too I've

1687
00:58:29,930 --> 00:58:28,559
wondered is there something out there

1688
00:58:31,849 --> 00:58:29,940

I've wondered and that's what people are

1689

00:58:33,890 --> 00:58:31,859

telling me people are saying I never

1690

00:58:35,510 --> 00:58:33,900

really say anything about it but I've

1691

00:58:37,190 --> 00:58:35,520

wondered and they're like you know I'm

1692

00:58:39,770 --> 00:58:37,200

just this person that does this and I

1693

00:58:42,470 --> 00:58:39,780

have this job and so so they're just

1694

00:58:44,930 --> 00:58:42,480

regular people who are who are now

1695

00:58:46,549 --> 00:58:44,940

talking to me about how they've always

1696

00:58:49,130 --> 00:58:46,559

thought and wondered the same things

1697

00:58:50,569 --> 00:58:49,140

people are people are they've all

1698

00:58:51,950 --> 00:58:50,579

thought it they're just not talking

1699

00:58:55,250 --> 00:58:51,960

about it

1700

00:58:57,349 --> 00:58:55,260

and we don't need to to delve into your

1701

00:58:59,809 --> 00:58:57,359

um experiences or anything like that if

1702

00:59:01,370 --> 00:58:59,819

you don't want to but what age did those

1703

00:59:03,890 --> 00:59:01,380

occurrences happen for you were you

1704

00:59:05,150 --> 00:59:03,900

younger when that took place I'm gonna

1705

00:59:06,710 --> 00:59:05,160

I'm just gonna tell you okay because

1706

00:59:09,109 --> 00:59:06,720

there were two experiences and I'm going

1707

00:59:10,370 --> 00:59:09,119

to tell you why I I wasn't talking about

1708

00:59:11,990 --> 00:59:10,380

them

1709

00:59:13,490 --> 00:59:12,000

um because I feel like there is

1710

00:59:15,470 --> 00:59:13,500

significant as they were to me they're

1711

00:59:17,390 --> 00:59:15,480

insignificant in story

1712

00:59:21,410 --> 00:59:17,400

when the first experience I had I was a

1713

00:59:23,089 --> 00:59:21,420

teenager about I think 13 or 14. and I

1714

00:59:24,710 --> 00:59:23,099

was at my grandmother's house in New

1715

00:59:25,910 --> 00:59:24,720

Jersey and a lot of weird things

1716

00:59:28,309 --> 00:59:25,920

happened at my grandmother's house in

1717

00:59:32,210 --> 00:59:28,319

Jersey but this one experience I want it

1718

00:59:34,789 --> 00:59:32,220

was just it was such it was monumental

1719

00:59:37,370 --> 00:59:34,799

um I was there's a there's a room that

1720

00:59:39,530 --> 00:59:37,380

is like a second living room and had a

1721

00:59:41,750 --> 00:59:39,540

it had a sectional in the corner of the

1722

00:59:43,370 --> 00:59:41,760

room and to the opposite side of that

1723

00:59:45,410 --> 00:59:43,380

section was a big window that's like

1724

00:59:47,150 --> 00:59:45,420

almost the entire wall right so you can

1725

00:59:48,710 --> 00:59:47,160

because it's white curtains that you can

1726

00:59:50,690 --> 00:59:48,720

see through kind of right right but

1727

00:59:52,549 --> 00:59:50,700

night at night time

1728

00:59:54,049 --> 00:59:52,559

um if there's a car there's neighbors

1729

00:59:55,490 --> 00:59:54,059

that she built onto the side of the

1730

00:59:58,190 --> 00:59:55,500

house that have she rents out that part

1731

00:59:59,390 --> 00:59:58,200

of the house to other people and so at

1732

01:00:00,950 --> 00:59:59,400

night time sometimes the neighbors will

1733

01:00:02,750 --> 01:00:00,960

drive in and park and you'll see like

1734

01:00:04,430 --> 01:00:02,760

lights shining through the window but

1735

01:00:05,270 --> 01:00:04,440

this night I woke up and it was really

1736

01:00:08,210 --> 01:00:05,280

late

1737

01:00:10,190 --> 01:00:08,220

and there was this super bright light

1738

01:00:11,750 --> 01:00:10,200

that was outside and it was like I was

1739

01:00:13,309 --> 01:00:11,760

like man it must be like something going

1740

01:00:14,930 --> 01:00:13,319

on like a party or maybe there's cops

1741

01:00:17,030 --> 01:00:14,940

out there or something like that

1742

01:00:19,370 --> 01:00:17,040

and I looked I walked out over to the

1743

01:00:21,710 --> 01:00:19,380

window and I just pulled the curtain to

1744

01:00:25,010 --> 01:00:21,720

the side and looked out and I saw this

1745

01:00:26,510 --> 01:00:25,020

beam of light that was in a cone you

1746

01:00:28,789 --> 01:00:26,520

know like it ConEd out to the bottom of

1747

01:00:30,410 --> 01:00:28,799

the ground to the grass and I looked I

1748

01:00:32,270 --> 01:00:30,420

don't know why I did I don't know why I

1749

01:00:33,829 --> 01:00:32,280

started looking at it this way but I

1750

01:00:35,690 --> 01:00:33,839

started looking at it from the from the

1751

01:00:38,630 --> 01:00:35,700

grass like there's a beam of light

1752

01:00:41,089 --> 01:00:38,640

that's weird and I followed the beam of

1753

01:00:43,910 --> 01:00:41,099

light slowly to its source and and it

1754

01:00:46,549 --> 01:00:43,920

ConEd you know smaller and smaller and I

1755

01:00:48,829 --> 01:00:46,559

saw a disc hovering just above the trees

1756

01:00:49,609 --> 01:00:48,839

and it was like slowly wobbling like

1757

01:00:51,950 --> 01:00:49,619

this

1758

01:00:53,150 --> 01:00:51,960

and I was like I wasn't scared I wasn't

1759

01:00:55,609 --> 01:00:53,160

excited I was just like wow that's

1760

01:00:57,589 --> 01:00:55,619

that's a that's a flying saucer that's a

1761

01:01:00,230 --> 01:00:57,599

disc man and I was just like Curious

1762

01:01:02,210 --> 01:01:00,240

like wow that's that's weird and the

1763

01:01:04,309 --> 01:01:02,220

light as soon as I noticed that and

1764

01:01:07,069 --> 01:01:04,319

thought that the light slowly moved

1765

01:01:09,710 --> 01:01:07,079

towards me following the grass and I

1766

01:01:11,030 --> 01:01:09,720

followed the light at the bottom and

1767

01:01:12,650 --> 01:01:11,040

just watched it slowly moved towards me

1768

01:01:14,210 --> 01:01:12,660

didn't move didn't just just stand in

1769

01:01:17,890 --> 01:01:14,220

there and as soon as the light hit me

1770

01:01:17,900 --> 01:01:24,849

and I woke up and it was hours later

1771

01:01:28,670 --> 01:01:27,049

I was laying down I was laying down in

1772

01:01:30,890 --> 01:01:28,680

the bed now I was laying down in the bed

1773

01:01:33,410 --> 01:01:30,900

I went from standing up to just SEC like

1774

01:01:34,549 --> 01:01:33,420

in a millisecond opened my eyes and like

1775

01:01:36,650 --> 01:01:34,559

I blacked out and then opened my eyes

1776

01:01:38,809 --> 01:01:36,660

and it was just like I'm in bed what the

1777

01:01:40,490 --> 01:01:38,819

heck just happened why am I and I look

1778

01:01:41,690 --> 01:01:40,500

at and I look and it's like several

1779

01:01:43,549 --> 01:01:41,700

hours later

1780

01:01:45,950 --> 01:01:43,559

and the second experience I had was as

1781

01:01:48,410 --> 01:01:45,960

an adult I was 24 years old

1782

01:01:50,270 --> 01:01:48,420

and I was staying at my cousin's house

1783

01:01:52,970 --> 01:01:50,280

living at my cousin's house

1784

01:01:55,069 --> 01:01:52,980

and he was a big alien person too he's

1785

01:01:57,109 --> 01:01:55,079

like but he was he was on the deep end I

1786

01:01:58,549 --> 01:01:57,119

was you know things that now I look at

1787

01:02:00,289 --> 01:01:58,559

and I'm like maybe there's some maybe

1788

01:02:01,970 --> 01:02:00,299

there's some real you know he would just

1789

01:02:03,349 --> 01:02:01,980

on the deep end of it

1790

01:02:05,150 --> 01:02:03,359

and we were having all these

1791

01:02:06,470 --> 01:02:05,160

conversations and he he really liked how

1792

01:02:07,910 --> 01:02:06,480

I thought about things he was trying to

1793

01:02:09,289 --> 01:02:07,920

help me help him write a book and all

1794

01:02:10,970 --> 01:02:09,299

this stuff and

1795

01:02:12,410 --> 01:02:10,980

it's not linguistic abilities are

1796

01:02:16,609 --> 01:02:12,420

they're okay

1797

01:02:18,170 --> 01:02:16,619

and um one night I'm laying down on I

1798

01:02:19,549 --> 01:02:18,180

lived I slept in the living room and if

1799

01:02:21,589 --> 01:02:19,559

you were if I don't know how to describe

1800

01:02:24,109 --> 01:02:21,599

this but the living room and the kitchen

1801
01:02:26,270 --> 01:02:24,119
and in there and in the dining room are

1802
01:02:27,770 --> 01:02:26,280
all like there's no door you can see

1803
01:02:30,349 --> 01:02:27,780
straight through them all the way to the

1804
01:02:32,329 --> 01:02:30,359
back door where the sunroom is and

1805
01:02:34,190 --> 01:02:32,339
there's the sunroom has a glass door on

1806
01:02:35,630 --> 01:02:34,200
like a glass door on one side and a

1807
01:02:37,130 --> 01:02:35,640
glass door going outside to the to the

1808
01:02:39,589 --> 01:02:37,140
backyard you can see straight through

1809
01:02:42,890 --> 01:02:39,599
and I was laying down and it was 11

1810
01:02:45,170 --> 01:02:42,900
o'clock at night 11 11 30. that's

1811
01:02:48,170 --> 01:02:45,180
remember 11 o'clock and

1812
01:02:49,490 --> 01:02:48,180
I I had this feeling in my the thought

1813
01:02:52,010 --> 01:02:49,500

of my mind was

1814

01:02:56,150 --> 01:02:52,020

oh no they're coming

1815

01:02:57,650 --> 01:02:56,160

and I was terrified like the fear that I

1816

01:03:00,230 --> 01:02:57,660

had was beyond it wasn't just like I was

1817

01:03:02,150 --> 01:03:00,240

scared I was terrified there was like

1818

01:03:04,190 --> 01:03:02,160

this overwhelming Terror that I couldn't

1819

01:03:06,470 --> 01:03:04,200

move I was just laying there and I'm

1820

01:03:09,349 --> 01:03:06,480

like I thought why are they coming I

1821

01:03:10,549 --> 01:03:09,359

wasn't thinking about them no idea why I

1822

01:03:12,349 --> 01:03:10,559

thought that that's the most the most

1823

01:03:13,549 --> 01:03:12,359

bizarre thing is why did I think that

1824

01:03:15,230 --> 01:03:13,559

it's almost like they've come before

1825

01:03:16,549 --> 01:03:15,240

more than just the one time and I'm

1826

01:03:18,470 --> 01:03:16,559

aware I'm like very aware of it

1827

01:03:20,690 --> 01:03:18,480

somewhere in my mind I'm aware of it so

1828

01:03:23,150 --> 01:03:20,700

I looked up and I'm like oh no they're

1829

01:03:27,230 --> 01:03:23,160

coming they're coming I wasn't thinking

1830

01:03:33,349 --> 01:03:30,109

there were these three you know

1831

01:03:35,809 --> 01:03:33,359

big heads you know big black eyes tiny

1832

01:03:37,730 --> 01:03:35,819

little things long skinny arms

1833

01:03:40,730 --> 01:03:37,740

they were they were they went straight

1834

01:03:42,950 --> 01:03:40,740

through the freaking back the back sun

1835

01:03:45,049 --> 01:03:42,960

room door they didn't open the door

1836

01:03:47,150 --> 01:03:45,059

they just went straight through it and

1837

01:03:50,150 --> 01:03:47,160

they were not walking they were hovering

1838

01:03:52,430 --> 01:03:50,160

they were freaking hovering and I was

1839

01:03:54,230 --> 01:03:52,440

just like begging please please like not

1840

01:03:56,750 --> 01:03:54,240

not now like not today please I was

1841

01:03:58,010 --> 01:03:56,760

begging and then they slowly moved

1842

01:04:00,109 --> 01:03:58,020

towards me through the kitchen through

1843

01:04:01,730 --> 01:04:00,119

the dining room and and then they just

1844

01:04:04,370 --> 01:04:01,740

circled me

1845

01:04:05,930 --> 01:04:04,380

and they looked down at me all at one

1846

01:04:08,030 --> 01:04:05,940

time and they were like I'm getting

1847

01:04:10,190 --> 01:04:08,040

freaked out right just just it's it's

1848

01:04:12,349 --> 01:04:10,200

freaky it's like kind of makes me want

1849

01:04:13,970 --> 01:04:12,359

to literally just drop tears and they

1850

01:04:17,089 --> 01:04:13,980

looked at me and and it was like they

1851

01:04:18,770 --> 01:04:17,099

were like right here in my face the big

1852

01:04:21,049 --> 01:04:18,780

freaking black eyes and that big head

1853

01:04:23,809 --> 01:04:21,059

was just right in my face and they said

1854

01:04:27,049 --> 01:04:23,819

don't worry it won't hurt you in my head

1855

01:04:27,849 --> 01:04:27,059

don't worry they won't hurt you blacked

1856

01:04:29,809 --> 01:04:27,859

out

1857

01:04:33,049 --> 01:04:29,819

instantly woke up it was three o'clock

1858

01:04:35,030 --> 01:04:33,059

in the morning wow I was like what do

1859

01:04:37,130 --> 01:04:35,040

you do with it I mean I don't I don't

1860

01:04:38,329 --> 01:04:37,140

know what to do with that so you know

1861

01:04:40,549 --> 01:04:38,339

it's

1862

01:04:42,230 --> 01:04:40,559

when I think about other people and what

1863

01:04:43,730 --> 01:04:42,240

other people have said I realize I'm not

1864

01:04:47,150 --> 01:04:43,740

the only one who's had that experience

1865

01:04:48,829 --> 01:04:47,160

but I can imagine somebody who is afraid

1866

01:04:50,569 --> 01:04:48,839

to have to talk about it because what do

1867

01:04:52,250 --> 01:04:50,579

you do with it yeah I don't know what

1868

01:04:54,650 --> 01:04:52,260

they I don't know what they did I don't

1869

01:04:56,089 --> 01:04:54,660

know if like what what is that but I was

1870

01:04:58,609 --> 01:04:56,099

not sleeping I know the difference

1871

01:05:00,410 --> 01:04:58,619

between sleeping and dreaming and lucid

1872

01:05:03,049 --> 01:05:00,420

dreams I know the difference I think we

1873

01:05:04,490 --> 01:05:03,059

all do you know I wasn't tired I just I

1874

01:05:05,690 --> 01:05:04,500

know what happened

1875

01:05:07,549 --> 01:05:05,700

so

1876
01:05:10,010 --> 01:05:07,559
that's the thing that people forget when

1877
01:05:11,270 --> 01:05:10,020
they ask somebody or like were you

1878
01:05:13,010 --> 01:05:11,280
sleeping were you dreaming you forget

1879
01:05:15,109 --> 01:05:13,020
that you have you know and I don't know

1880
01:05:17,990 --> 01:05:15,119
how whole how old you are

1881
01:05:20,510 --> 01:05:18,000
but in my case I'm like 41. I have 41

1882
01:05:22,069 --> 01:05:20,520
years of experience of being human and

1883
01:05:24,049 --> 01:05:22,079
knowing when I'm awake and when I'm

1884
01:05:26,510 --> 01:05:24,059
asleep right 41 years that makes me an

1885
01:05:28,549 --> 01:05:26,520
expert right let's do an expert it makes

1886
01:05:30,410 --> 01:05:28,559
all of us experts on being human right

1887
01:05:32,870 --> 01:05:30,420
so somebody says you sure it wasn't a

1888
01:05:34,490 --> 01:05:32,880

helicopter like like it's not a

1889

01:05:37,370 --> 01:05:34,500

helicopter like I know what a helicopter

1890

01:05:39,470 --> 01:05:37,380

is and I know what reality is uh in that

1891

01:05:41,329 --> 01:05:39,480

case when you're older did you tell

1892

01:05:43,670 --> 01:05:41,339

anybody the next day or was this

1893

01:05:46,609 --> 01:05:43,680

something you kept secret for I kept it

1894

01:05:49,130 --> 01:05:46,619

to myself until a couple years ago when

1895

01:05:50,450 --> 01:05:49,140

I met my fiance she was like she you

1896

01:05:52,490 --> 01:05:50,460

know we were having the conversation

1897

01:05:54,289 --> 01:05:52,500

about just everything and I talked about

1898

01:05:56,089 --> 01:05:54,299

aliens I believe in aliens you know on

1899

01:05:58,910 --> 01:05:56,099

this and I told her about it and she

1900

01:06:01,309 --> 01:05:58,920

believed me she didn't judge me she just

1901

01:06:03,049 --> 01:06:01,319

asked me are you sure you were you know

1902

01:06:05,329 --> 01:06:03,059

are you sure you were awake do you what

1903

01:06:07,250 --> 01:06:05,339

about Lucy dreaming I said I know what

1904

01:06:09,170 --> 01:06:07,260

lucid dreaming is I know ex I've had

1905

01:06:11,569 --> 01:06:09,180

them where you wake up and you're like

1906

01:06:14,030 --> 01:06:11,579

was that real I know what that is yeah I

1907

01:06:16,190 --> 01:06:14,040

know what that is that was not this I

1908

01:06:18,410 --> 01:06:16,200

was awake I'm awake right now I'm not

1909

01:06:21,410 --> 01:06:18,420

sleeping yeah I was awake

1910

01:06:23,510 --> 01:06:21,420

you know so um yeah it was that's when I

1911

01:06:25,990 --> 01:06:23,520

first said it and then when I had when I

1912

01:06:29,569 --> 01:06:26,000

started the podcast I was like I think

1913

01:06:30,950 --> 01:06:29,579

it's okay it's okay now because I'm not

1914

01:06:32,750 --> 01:06:30,960

the only one who's had this experience

1915

01:06:34,190 --> 01:06:32,760

and if I'm gonna do this thing I want to

1916

01:06:37,789 --> 01:06:34,200

be honest with people I want people to

1917

01:06:39,890 --> 01:06:37,799

trust that I am I am them I am I am just

1918

01:06:41,870 --> 01:06:39,900

like them just because I have a podcast

1919

01:06:44,089 --> 01:06:41,880

and I'm creating content and you know

1920

01:06:45,650 --> 01:06:44,099

maybe you think that I'm maybe you think

1921

01:06:47,329 --> 01:06:45,660

that I'm intelligent which I don't I

1922

01:06:49,789 --> 01:06:47,339

don't think if you ask my fiance she

1923

01:06:52,130 --> 01:06:49,799

thinks I'm a little out there but but

1924

01:06:53,329 --> 01:06:52,140

I'm just like everybody else and I have

1925

01:06:55,670 --> 01:06:53,339

flaws

1926

01:06:56,870 --> 01:06:55,680

and I've had experiences just like some

1927

01:06:58,190 --> 01:06:56,880

of the other people out there that have

1928

01:06:59,450 --> 01:06:58,200

said they've seen things they've had

1929

01:07:01,549 --> 01:06:59,460

experiences too

1930

01:07:03,049 --> 01:07:01,559

I had to be honest so

1931

01:07:04,849 --> 01:07:03,059

so where is where are you going to take

1932

01:07:05,930 --> 01:07:04,859

the flavor of your show is it going to

1933

01:07:08,029 --> 01:07:05,940

be

1934

01:07:09,950 --> 01:07:08,039

um sort of like dramatized recordings

1935

01:07:13,130 --> 01:07:09,960

with music are you going to do q a

1936

01:07:15,470 --> 01:07:13,140

guests uh are you doing video audio only

1937

01:07:16,849 --> 01:07:15,480

what can uh what can we expect from you

1938

01:07:19,130 --> 01:07:16,859

and maybe that's too much to know right

1939

01:07:21,410 --> 01:07:19,140

now since you're this new but what do

1940

01:07:24,829 --> 01:07:21,420

you think very good question so I'm

1941

01:07:25,910 --> 01:07:24,839

going to I I have a full intention of I

1942

01:07:27,890 --> 01:07:25,920

want to make sure that I create the

1943

01:07:29,630 --> 01:07:27,900

dramatization because I want to connect

1944

01:07:32,270 --> 01:07:29,640

with my list I want that to be my unique

1945

01:07:33,829 --> 01:07:32,280

flavor and to connect with my listeners

1946

01:07:35,150 --> 01:07:33,839

um but I do think that it's important

1947

01:07:36,349 --> 01:07:35,160

for me to have conversations like this

1948

01:07:38,210 --> 01:07:36,359

too with people within the community

1949

01:07:39,770 --> 01:07:38,220

because I think that while I'm doing

1950

01:07:41,450 --> 01:07:39,780

this thing because I believe in in

1951

01:07:42,890 --> 01:07:41,460

disclosure I want disclosure I want

1952

01:07:45,049 --> 01:07:42,900

people to be aware of it I want to

1953

01:07:46,370 --> 01:07:45,059

inspire people to think about this stuff

1954

01:07:48,410 --> 01:07:46,380

they also want to hear about the

1955

01:07:49,670 --> 01:07:48,420

phenomena what do I think just like your

1956

01:07:51,289 --> 01:07:49,680

listeners want to hear what you think

1957

01:07:53,450 --> 01:07:51,299

there are people that listen to a

1958

01:07:55,010 --> 01:07:53,460

podcast just one because they trust the

1959

01:07:56,870 --> 01:07:55,020

person that's speaking and then

1960

01:07:58,490 --> 01:07:56,880

everybody else they don't even like I

1961

01:08:00,349 --> 01:07:58,500

want to be someone that people trust

1962

01:08:01,970 --> 01:08:00,359

just you know have that audience that

1963

01:08:04,130 --> 01:08:01,980

trust me

1964

01:08:05,569 --> 01:08:04,140

um but I also have to have to respect

1965

01:08:07,970 --> 01:08:05,579

that and I have to be a part of the

1966

01:08:09,529 --> 01:08:07,980

conversations that are pushing for

1967

01:08:11,390 --> 01:08:09,539

disclosure and they're trying to get

1968

01:08:14,029 --> 01:08:11,400

that information out there in a credible

1969

01:08:14,990 --> 01:08:14,039

way as credible as they possibly can so

1970

01:08:16,669 --> 01:08:15,000

I'm going to do both I'm going to do

1971

01:08:18,950 --> 01:08:16,679

interviews I'm going to do I'm going to

1972

01:08:19,729 --> 01:08:18,960

do the dramatization and I am going to

1973

01:08:21,229 --> 01:08:19,739

do

1974

01:08:23,930 --> 01:08:21,239

um something along the lines of like

1975

01:08:26,510 --> 01:08:23,940

giving a a kind of a um a weekly news

1976

01:08:28,249 --> 01:08:26,520

which I'm working on because the hardest

1977

01:08:30,289 --> 01:08:28,259

thing about the new situation is that it

1978

01:08:31,550 --> 01:08:30,299

changes yeah

1979

01:08:34,550 --> 01:08:31,560

and

1980

01:08:36,950 --> 01:08:34,560

I don't know how yet to implement a news

1981

01:08:39,470 --> 01:08:36,960

cycle into this because of the

1982

01:08:40,669 --> 01:08:39,480

inconsistencies with the news as it is I

1983

01:08:41,990 --> 01:08:40,679

don't want people to not be able to

1984

01:08:43,669 --> 01:08:42,000

trust me

1985

01:08:45,650 --> 01:08:43,679

so I haven't really figured out I

1986

01:08:47,269 --> 01:08:45,660

haven't figured out how to approach that

1987

01:08:50,030 --> 01:08:47,279

um that kind of writing for for that

1988

01:08:51,590 --> 01:08:50,040

segment my podcast but I will I will and

1989

01:08:53,570 --> 01:08:51,600

I'm gonna add that for people

1990

01:08:55,849 --> 01:08:53,580

my face is going to be in it my face you

1991

01:08:57,229 --> 01:08:55,859

you know I will take your advice oh and

1992

01:08:58,610 --> 01:08:57,239

I'm gonna I'm gonna I'm gonna put my

1993

01:09:00,289 --> 01:08:58,620

face in it I'm not gonna just do the

1994

01:09:01,910 --> 01:09:00,299

recordings and the drama stations I'm

1995

01:09:04,070 --> 01:09:01,920

gonna put my face on it because people

1996

01:09:06,289 --> 01:09:04,080

do want to see us they when I see you

1997

01:09:07,789 --> 01:09:06,299

guys right and I'm like wow this these

1998

01:09:09,110 --> 01:09:07,799

guys are look at these guys they're

1999

01:09:11,450 --> 01:09:09,120

doing this thing if I didn't see your

2000

01:09:13,070 --> 01:09:11,460

faces it wouldn't be as personal right I

2001

01:09:15,050 --> 01:09:13,080

feel like it would just be so impersonal

2002

01:09:16,789 --> 01:09:15,060

I see your faces I get your Expressions

2003

01:09:19,430 --> 01:09:16,799

we are like we've been friends before

2004

01:09:21,829 --> 01:09:19,440

we've been friends I see I know you like

2005

01:09:23,269 --> 01:09:21,839

I I can feel who you are you know right

2006

01:09:24,650 --> 01:09:23,279

that's what I want I want that

2007

01:09:26,570 --> 01:09:24,660

connection with my listeners too so I'm

2008

01:09:28,189 --> 01:09:26,580

gonna I'm gonna be showing my face

2009

01:09:30,769 --> 01:09:28,199

um with those interviews and with those

2010

01:09:32,630 --> 01:09:30,779

new decisions awesome and where can

2011

01:09:33,950 --> 01:09:32,640

people find you uh we know your show's

2012

01:09:35,510 --> 01:09:33,960

dimensions of reality do you have any

2013

01:09:37,490 --> 01:09:35,520

other media properties that you want to

2014

01:09:40,490 --> 01:09:37,500

attract people to yes dimensions of

2015

01:09:41,930 --> 01:09:40,500

reality is on Tick Tock and Facebook and

2016

01:09:43,550 --> 01:09:41,940

Twitter as well

2017

01:09:45,590 --> 01:09:43,560

um I'm working on the YouTube situation

2018

01:09:47,030 --> 01:09:45,600

but it's not my specialty I'm just doing

2019

01:09:49,189 --> 01:09:47,040

it because I know that it can funnel

2020

01:09:51,169 --> 01:09:49,199

people to where I want them which is my

2021

01:09:52,010 --> 01:09:51,179

podcast which is my Tick Tock and

2022

01:09:53,749 --> 01:09:52,020

Facebook

2023

01:09:55,490 --> 01:09:53,759

which are my main ones and they're all

2024

01:09:57,470 --> 01:09:55,500

the same dimensions of reality on Tick

2025

01:10:03,590 --> 01:09:57,480

Tock dimensions of reality on Facebook

2026
01:10:07,850 --> 01:10:05,390
Marquis Williams and thank you so much

2027
01:10:09,770 --> 01:10:07,860
for coming on the podcast today well

2028
01:10:11,930 --> 01:10:09,780
it's been great to actually get to talk

2029
01:10:14,750 --> 01:10:11,940
with you and I've heard a lot about you

2030
01:10:16,850 --> 01:10:14,760
from Louise been talking you up now for

2031
01:10:18,470 --> 01:10:16,860
the last little bit I think we gotta get

2032
01:10:20,810 --> 01:10:18,480
this guy on this guy's awesome my new

2033
01:10:22,729 --> 01:10:20,820
friends yeah yeah I had to help him out

2034
01:10:24,709 --> 01:10:22,739
you know we're regular people right and

2035
01:10:26,630 --> 01:10:24,719
this all stem from we went from being

2036
01:10:28,850 --> 01:10:26,640
guys watching and listening to shows to

2037
01:10:31,130 --> 01:10:28,860
having a show and then people contacting

2038
01:10:34,010 --> 01:10:31,140

us trusting us enough to give us their

2039

01:10:35,870 --> 01:10:34,020

personal experiences asking am I crazy

2040

01:10:39,050 --> 01:10:35,880

where can I get information on things

2041

01:10:40,910 --> 01:10:39,060

some people suggest guests or content so

2042

01:10:43,189 --> 01:10:40,920

this is our way of giving back we were

2043

01:10:45,350 --> 01:10:43,199

just regular people two years ago it

2044

01:10:48,229 --> 01:10:45,360

wasn't easy your start note it's not

2045

01:10:50,390 --> 01:10:48,239

easy if we can uh if we can dedicate an

2046

01:10:52,610 --> 01:10:50,400

episode to helping you and getting some

2047

01:10:55,270 --> 01:10:52,620

some eyes on you and your content we're

2048

01:10:57,470 --> 01:10:55,280

happy to do that so absolutely

2049

01:10:59,149 --> 01:10:57,480

I appreciate that and there was one

2050

01:11:01,370 --> 01:10:59,159

thing that I wanted to say before we end

2051

01:11:02,510 --> 01:11:01,380

this uh conversation

2052

01:11:04,010 --> 01:11:02,520

um because you know what again my

2053

01:11:06,229 --> 01:11:04,020

listeners there's something that I want

2054

01:11:09,709 --> 01:11:06,239

them to know and to think about

2055

01:11:12,470 --> 01:11:09,719

the the the human brain is is been said

2056

01:11:14,510 --> 01:11:12,480

to be a pattern recognition machine when

2057

01:11:16,490 --> 01:11:14,520

we see something that we can recognize

2058

01:11:19,669 --> 01:11:16,500

it becomes a part of our everyday

2059

01:11:22,250 --> 01:11:19,679

reality if we see animals we don't say

2060

01:11:24,709 --> 01:11:22,260

well that's not real we say oh that's

2061

01:11:26,330 --> 01:11:24,719

familiar to me I recognize it and you

2062

01:11:27,709 --> 01:11:26,340

accept it as part of your reality the

2063

01:11:29,270 --> 01:11:27,719

first time people saw a whale they

2064

01:11:30,890 --> 01:11:29,280

thought it was a monster a sea creature

2065

01:11:33,169 --> 01:11:30,900

but now we know it's just it's just

2066

01:11:35,090 --> 01:11:33,179

ocean life the first time somebody saw

2067

01:11:37,130 --> 01:11:35,100

you know I don't know birds in the sky

2068

01:11:38,630 --> 01:11:37,140

and they came back in caveman times he

2069

01:11:40,250 --> 01:11:38,640

didn't think you know that thing's gonna

2070

01:11:41,930 --> 01:11:40,260

eat me or whatever they thought they

2071

01:11:42,709 --> 01:11:41,940

just accept it as a reality so on and so

2072

01:11:44,930 --> 01:11:42,719

forth

2073

01:11:46,910 --> 01:11:44,940

today we understand Convention of

2074

01:11:50,390 --> 01:11:46,920

conventional technology we know we know

2075

01:11:52,070 --> 01:11:50,400

what a plane looks like we know what

2076

01:11:54,290 --> 01:11:52,080

um a boat looks like we know what a car

2077

01:11:56,689 --> 01:11:54,300

looks like and we understand we we have

2078

01:11:59,630 --> 01:11:56,699

the pattern of what those things how

2079

01:12:02,030 --> 01:11:59,640

they function and recognize them these

2080

01:12:03,649 --> 01:12:02,040

objects that the pilots are seeing they

2081

01:12:05,630 --> 01:12:03,659

are not functioning like anything that

2082

01:12:09,229 --> 01:12:05,640

any human on this planet has recognized

2083

01:12:10,610 --> 01:12:09,239

it is not China because if it was then

2084

01:12:12,470 --> 01:12:10,620

you would see that technology bleed into

2085

01:12:14,510 --> 01:12:12,480

other areas or aspects of their civil of

2086

01:12:16,130 --> 01:12:14,520

our civilization it's not Russia it's

2087

01:12:18,470 --> 01:12:16,140

not us because we're seeing it's not us

2088

01:12:20,149 --> 01:12:18,480

it's something else and if you think

2089

01:12:22,850 --> 01:12:20,159

about it from the perspective of how

2090

01:12:25,669 --> 01:12:22,860

humans recognize things in our reality

2091

01:12:27,830 --> 01:12:25,679

these things are unrecognizable we're

2092

01:12:29,930 --> 01:12:27,840

not they're not ours and whatever they

2093

01:12:31,850 --> 01:12:29,940

are they're beyond our comprehension and

2094

01:12:34,189 --> 01:12:31,860

they're beyond a recognition they're

2095

01:12:36,470 --> 01:12:34,199

just now becoming part of our reality

2096

01:12:38,209 --> 01:12:36,480

so nicely said

2097

01:12:39,470 --> 01:12:38,219

nice I said

2098

01:12:41,330 --> 01:12:39,480

well thank you for being on the show

2099

01:12:43,790 --> 01:12:41,340

today again brother uh we'll be happy to

2100

01:12:45,470 --> 01:12:43,800

uh have you back on again sometime hey

2101
01:12:47,510 --> 01:12:45,480
maybe one day you get us on your show

2102
01:12:49,370 --> 01:12:47,520
and we'll come on you can Grill us and

2103
01:12:51,169 --> 01:12:49,380
shine a flashlight in our eyes right

2104
01:12:53,810 --> 01:12:51,179
that would be awesome I look forward to

2105
01:12:55,850 --> 01:12:53,820
that man perfect thank you so much for

2106
01:12:58,370 --> 01:12:55,860
coming on the podcast today sir thank

2107
01:13:00,110 --> 01:12:58,380
you guys are we alone in the universe

2108
01:13:02,390 --> 01:13:00,120
why are we here

2109
01:13:04,550 --> 01:13:02,400
do aliens really exist

2110
01:13:06,709 --> 01:13:04,560
is there a Galactic Federation of

2111
01:13:08,750 --> 01:13:06,719
extraterrestrial civilizations

2112
01:13:11,030 --> 01:13:08,760
does the government know

2113
01:13:13,729 --> 01:13:11,040

if you're not asking these questions how

2114

01:13:16,070 --> 01:13:13,739

can you come to definitive conclusions

2115

01:13:18,189 --> 01:13:16,080

if you're not open to all things

2116

01:13:21,530 --> 01:13:18,199

how can you truly know anything

2117

01:13:24,470 --> 01:13:21,540

there may only be one way to God

2118

01:13:26,470 --> 01:13:24,480

but there are many ways of understanding

2119

01:13:29,270 --> 01:13:26,480

and the only way to wisdom and knowledge

2120

01:13:31,370 --> 01:13:29,280

is exploration

2121

01:13:35,270 --> 01:13:31,380

be inquisitive

2122

01:13:37,990 --> 01:13:35,280

be curious be open-minded

2123

01:13:40,490 --> 01:13:38,000

and start from a place of Truth and Love

2124

01:13:42,110 --> 01:13:40,500

therein lies the truth of your very

2125

01:13:45,050 --> 01:13:42,120

existence
