

# UAP STUDIES PODCAST

**BEN HANSEN**

1  
00:00:03,649 --> 00:00:02,090  
welcome back everybody a cool little

2  
00:00:05,930 --> 00:00:03,659  
show today it's a bit of a shorter show

3  
00:00:08,030 --> 00:00:05,940  
uh we've got uh Mr Ben Hansen on the

4  
00:00:09,830 --> 00:00:08,040  
show today uh and he's a bit pressed for

5  
00:00:11,930 --> 00:00:09,840  
time so we told him to keep it short and

6  
00:00:13,970 --> 00:00:11,940  
on point and I'm excited what do you

7  
00:00:16,849 --> 00:00:13,980  
think Jay I'm looking forward to this uh

8  
00:00:19,490 --> 00:00:16,859  
he's uh been on TV and he's a fantastic

9  
00:00:21,170 --> 00:00:19,500  
guy to talk to and uh I think you posted

10  
00:00:23,029 --> 00:00:21,180  
online not too long ago that he's coming

11  
00:00:24,710 --> 00:00:23,039  
on and you mentioned that people were

12  
00:00:26,450 --> 00:00:24,720  
really reacting to this so I'm I'm

13  
00:00:28,429 --> 00:00:26,460

looking forward to this yeah he's super

14

00:00:30,170 --> 00:00:28,439

popular right now and again you've seen

15

00:00:32,389 --> 00:00:30,180

him on UFO witness and uh some other

16

00:00:34,430 --> 00:00:32,399

shows been doing it for a while and uh

17

00:00:36,229 --> 00:00:34,440

we can ask him anything and in our usual

18

00:00:38,569 --> 00:00:36,239

flavor we're gonna try to get right to

19

00:00:40,250 --> 00:00:38,579

the the brass tacks of things so uh

20

00:00:42,110 --> 00:00:40,260

stick around we'll be right back with Mr

21

00:00:45,950 --> 00:00:42,120

Ben hence

22

00:01:04,149 --> 00:00:59,760

[Music]

23

00:01:08,450 --> 00:01:06,410

welcome back to another episode of UAP

24

00:01:10,310 --> 00:01:08,460

studies podcast my name is Louis Borges

25

00:01:12,770 --> 00:01:10,320

joining me as always my good buddy Jason

26

00:01:14,210 --> 00:01:12,780

Gilman hey how's it going Louie it's

27

00:01:16,010 --> 00:01:14,220

going really well excited for our guest

28

00:01:18,109 --> 00:01:16,020

today uh you've seen this guy on the

29

00:01:19,910 --> 00:01:18,119

Discovery Channel he's the host of UFO

30

00:01:22,429 --> 00:01:19,920

witness you've also seen him on shows

31

00:01:25,130 --> 00:01:22,439

like ghost of Morgan City uh Fact or

32

00:01:26,210 --> 00:01:25,140

Faked among a few others and uh he's

33

00:01:28,429 --> 00:01:26,220

somebody that's on The Cutting Edge

34

00:01:30,350 --> 00:01:28,439

right now of putting out good quality

35

00:01:32,390 --> 00:01:30,360

information if you haven't checked out

36

00:01:34,190 --> 00:01:32,400

his shows you definitely should but we

37

00:01:35,990 --> 00:01:34,200

wanted to have a brief chat today with a

38

00:01:38,030 --> 00:01:36,000

friend of ours now Mr Ben Hansen so

39

00:01:39,830 --> 00:01:38,040

welcome to the show thank you thanks

40

00:01:41,330 --> 00:01:39,840

guys thanks for having me on yeah thanks

41

00:01:42,890 --> 00:01:41,340

for finding some time for us we know

42

00:01:44,749 --> 00:01:42,900

you're a busy guy and you've got paid

43

00:01:46,210 --> 00:01:44,759

gigs and this isn't one of them so thank

44

00:01:49,249 --> 00:01:46,220

you for your time

45

00:01:50,810 --> 00:01:49,259

but tell our guests or our viewers a

46

00:01:52,850 --> 00:01:50,820

little bit about yourself and what got

47

00:01:55,069 --> 00:01:52,860

you into this whole making TV shows

48

00:01:57,710 --> 00:01:55,079

about UFOs and aliens

49

00:02:01,249 --> 00:01:57,720

well you know the the UFO subject's

50

00:02:02,690 --> 00:02:01,259

always been probably my first low well I

51  
00:02:05,270 --> 00:02:02,700  
guess you could say you know back in the

52  
00:02:08,089 --> 00:02:05,280  
day it all used to be called paranormal

53  
00:02:11,330 --> 00:02:08,099  
um and now they they begin to say

54  
00:02:13,369 --> 00:02:11,340  
paranormal is the ghost stuff and UFOs

55  
00:02:14,869 --> 00:02:13,379  
is a separate thing and now it's uaps

56  
00:02:17,630 --> 00:02:14,879  
and anyways

57  
00:02:20,449 --> 00:02:17,640  
um I I remember you know like clipping

58  
00:02:23,210 --> 00:02:20,459  
out newspaper clippings in the 80s and

59  
00:02:25,910 --> 00:02:23,220  
and that was kind of my first

60  
00:02:29,030 --> 00:02:25,920  
I was really into space wanted to be an

61  
00:02:31,130 --> 00:02:29,040  
astronaut like the kids too

62  
00:02:32,030 --> 00:02:31,140  
um but every now and then I'd see these

63  
00:02:35,869 --> 00:02:32,040

articles

64

00:02:38,630 --> 00:02:35,879

on um these UFOs in the 80s was a pretty

65

00:02:41,210 --> 00:02:38,640

big flap this is when you eat out this

66

00:02:44,150 --> 00:02:41,220

is when you know Close Encounters that

67

00:02:47,270 --> 00:02:44,160

was the 70s but it was like

68

00:02:49,550 --> 00:02:47,280

something to me that it was almost like

69

00:02:52,490 --> 00:02:49,560

forbidden to think about and it was

70

00:02:55,250 --> 00:02:52,500

really geeky I mean like if if you

71

00:02:57,170 --> 00:02:55,260

talked about UFOs people like they put

72

00:02:59,390 --> 00:02:57,180

that in the Tabloid section you know the

73

00:03:00,830 --> 00:02:59,400

grocery store and so I was afraid to

74

00:03:03,589 --> 00:03:00,840

tell anybody I was into it except my

75

00:03:06,589 --> 00:03:03,599

parents really encouraged me uh my dad

76

00:03:08,750 --> 00:03:06,599

would bring me books instead of like

77

00:03:10,610 --> 00:03:08,760

reading novels like most kids I guess do

78

00:03:13,610 --> 00:03:10,620

that they made in school I would read

79

00:03:15,290 --> 00:03:13,620

Project Blue Book or you know stuff

80

00:03:16,070 --> 00:03:15,300

about Roswell and

81

00:03:17,570 --> 00:03:16,080

and

82

00:03:20,030 --> 00:03:17,580

um so I always had an open mind to it

83

00:03:21,770 --> 00:03:20,040

and then later uh you know through high

84

00:03:23,990 --> 00:03:21,780

school and stuff I

85

00:03:26,149 --> 00:03:24,000

kind of stumbled into the the paranormal

86

00:03:27,830 --> 00:03:26,159

ghost hunting things and that's when

87

00:03:30,949 --> 00:03:27,840

when the show

88

00:03:34,250 --> 00:03:30,959

Hector faked came along

89  
00:03:37,070 --> 00:03:34,260  
um and and not to you know Nag on any of

90  
00:03:38,449 --> 00:03:37,080  
the other TV shows but a lot of them I I

91  
00:03:40,490 --> 00:03:38,459  
think were kind of formed because

92  
00:03:42,589 --> 00:03:40,500  
someone was a good host

93  
00:03:43,970 --> 00:03:42,599  
and maybe an actor right and then

94  
00:03:45,289 --> 00:03:43,980  
they're like hey do you like the

95  
00:03:48,110 --> 00:03:45,299  
Paranormal too

96  
00:03:49,850 --> 00:03:48,120  
instead of the other way around you know

97  
00:03:51,289 --> 00:03:49,860  
where somebody was totally into this

98  
00:03:53,210 --> 00:03:51,299  
stuff and knew a lot and then they're

99  
00:03:54,830 --> 00:03:53,220  
like hey do you want to do TV

100  
00:03:56,809 --> 00:03:54,840  
so that was me I never planned on being

101  
00:03:58,550 --> 00:03:56,819  
on TV at all

102  
00:04:01,130 --> 00:03:58,560  
um you know my degrees and background

103  
00:04:03,530 --> 00:04:01,140  
were in totally different things but

104  
00:04:06,530 --> 00:04:03,540  
when the opportunity came along

105  
00:04:09,110 --> 00:04:06,540  
they wanted to do just a ghost

106  
00:04:11,690 --> 00:04:09,120  
um and and kind of be a sister you know

107  
00:04:12,890 --> 00:04:11,700  
uh show to Ghost Hunters which was on

108  
00:04:15,170 --> 00:04:12,900  
sci-fi

109  
00:04:17,750 --> 00:04:15,180  
and uh there's a lot of viral videos

110  
00:04:19,610 --> 00:04:17,760  
YouTube and people you know looking up

111  
00:04:22,850 --> 00:04:19,620  
stuff and and so that's how the concept

112  
00:04:25,189 --> 00:04:22,860  
we helped create was but I convinced

113  
00:04:27,170 --> 00:04:25,199

them I give myself credit you got to do

114

00:04:28,730 --> 00:04:27,180

UFOs you got to do everything

115

00:04:30,830 --> 00:04:28,740

yeah right because there's so much of

116

00:04:33,050 --> 00:04:30,840

this and people are putting out videos

117

00:04:35,990 --> 00:04:33,060

of of things that are obviously hoaxed

118

00:04:38,090 --> 00:04:36,000

some that you know we're not sure

119

00:04:38,930 --> 00:04:38,100

and people want to know what the truth

120

00:04:42,650 --> 00:04:38,940

is

121

00:04:44,270 --> 00:04:42,660

so that's kind of how that was born and

122

00:04:46,969 --> 00:04:44,280

um then when I moved over to travel

123

00:04:48,350 --> 00:04:46,979

channel I've done some ghost shows but

124

00:04:51,650 --> 00:04:48,360

um they kind of wanted me to take over

125

00:04:53,870 --> 00:04:51,660

the UFO stuff and um as you guys know

126

00:04:56,030 --> 00:04:53,880

because you're totally into this it's uh

127

00:04:57,770 --> 00:04:56,040

it's almost like you could teach a whole

128

00:04:59,450 --> 00:04:57,780

curriculum

129

00:05:01,550 --> 00:04:59,460

um in a cult and there are people

130

00:05:03,650 --> 00:05:01,560

pushing for this to teach a degree in

131

00:05:05,270 --> 00:05:03,660

ufology like there's enough info out

132

00:05:07,730 --> 00:05:05,280

there because it's all about uh history

133

00:05:08,990 --> 00:05:07,740

of the world really right yeah you know

134

00:05:11,270 --> 00:05:09,000

and everything that you could cover and

135

00:05:13,790 --> 00:05:11,280

everything to know about cases and you

136

00:05:15,770 --> 00:05:13,800

know development of technology so

137

00:05:17,210 --> 00:05:15,780

anyways I could talk forever about that

138

00:05:19,969 --> 00:05:17,220

but it's uh

139

00:05:23,710 --> 00:05:19,979

it's fascinating to me well there's two

140

00:05:27,529 --> 00:05:23,720

aspects to ufology I think before 2017

141

00:05:30,290 --> 00:05:27,539

uh you know that the big bomb shell from

142

00:05:32,270 --> 00:05:30,300

the article for New York Times

143

00:05:33,890 --> 00:05:32,280

um that changed things in ufology I

144

00:05:35,990 --> 00:05:33,900

think that you know more people came out

145

00:05:38,450 --> 00:05:36,000

of the Woodworks and said hey I've had

146

00:05:40,310 --> 00:05:38,460

some experiences programs have started

147

00:05:43,310 --> 00:05:40,320

heck this podcast started right after

148

00:05:45,830 --> 00:05:43,320

that right so it's it was like a a

149

00:05:48,830 --> 00:05:45,840

movement but then there's the before

150

00:05:50,930 --> 00:05:48,840

where I couldn't even address the

151  
00:05:54,350 --> 00:05:50,940  
subject with co-workers at work without

152  
00:05:56,629 --> 00:05:54,360  
getting laughed at right and uh that

153  
00:05:58,430 --> 00:05:56,639  
lasted forever and I just remember that

154  
00:06:00,890 --> 00:05:58,440  
growing up I never shut up about my

155  
00:06:03,950 --> 00:06:00,900  
experiences and uh or my experience I

156  
00:06:05,510 --> 00:06:03,960  
should say and uh as a kid but people

157  
00:06:06,710 --> 00:06:05,520  
just regarded me as being completely

158  
00:06:08,450 --> 00:06:06,720  
crazy

159  
00:06:11,330 --> 00:06:08,460  
um you lived through those times as well

160  
00:06:13,550 --> 00:06:11,340  
like did you notice a shift after 2017

161  
00:06:16,490 --> 00:06:13,560  
like was were people treating you

162  
00:06:18,469 --> 00:06:16,500  
differently at that point

163  
00:06:19,969 --> 00:06:18,479

um yeah my shift probably came a little

164

00:06:21,290 --> 00:06:19,979

bit earlier though because when I was

165

00:06:23,510 --> 00:06:21,300

into TV

166

00:06:25,309 --> 00:06:23,520

um you become kind of like the BART or

167

00:06:28,010 --> 00:06:25,319

the psychologist said it's okay to talk

168

00:06:30,290 --> 00:06:28,020

to right so like if if I'm sitting there

169

00:06:32,870 --> 00:06:30,300

and and at a party or even a grocery

170

00:06:35,210 --> 00:06:32,880

store and someone's like so what do you

171

00:06:37,249 --> 00:06:35,220

do and you know I say well I host TV

172

00:06:40,129 --> 00:06:37,259

shows and stuff and they like

173

00:06:42,529 --> 00:06:40,139

oh what kind and and then sometimes I'm

174

00:06:45,350 --> 00:06:42,539

a little embarrassed there used to be

175

00:06:47,210 --> 00:06:45,360

oh it's like ghosts and UFOs oh really

176

00:06:50,029 --> 00:06:47,220

and then then they're like let me tell

177

00:06:52,129 --> 00:06:50,039

you about the thing I saw and so

178

00:06:55,070 --> 00:06:52,139

um I I think people were drawn to me

179

00:06:56,870 --> 00:06:55,080

earlier on than the 2017 but I think

180

00:06:59,570 --> 00:06:56,880

you're right in general

181

00:07:02,890 --> 00:06:59,580

um when that came out it was almost like

182

00:07:05,390 --> 00:07:02,900

okay for people professionally

183

00:07:07,490 --> 00:07:05,400

government-wise everything for people to

184

00:07:09,830 --> 00:07:07,500

say like well they were waiting for that

185

00:07:11,390 --> 00:07:09,840

stamp of approval right

186

00:07:15,469 --> 00:07:11,400

um kind of from the government and then

187

00:07:17,330 --> 00:07:15,479

also the the 2001

188

00:07:19,969 --> 00:07:17,340

um you know release of the Congressional

189

00:07:21,409 --> 00:07:19,979

report and and once they got that the

190

00:07:24,589 --> 00:07:21,419

approval that said look we're not going

191

00:07:26,450 --> 00:07:24,599

to say alien but it it could be this

192

00:07:27,770 --> 00:07:26,460

other thing we don't know because we

193

00:07:30,890 --> 00:07:27,780

can't solve this

194

00:07:32,689 --> 00:07:30,900

for the first time ever you know then it

195

00:07:34,969 --> 00:07:32,699

is weird but I think there has been a

196

00:07:36,529 --> 00:07:34,979

shift like that and you'll see it in the

197

00:07:39,110 --> 00:07:36,539

survey polls with people you know

198

00:07:40,490 --> 00:07:39,120

claiming that um more that believe or

199

00:07:42,589 --> 00:07:40,500

believe the government's not telling us

200

00:07:43,670 --> 00:07:42,599

everything yeah yeah I find it

201  
00:07:45,589 --> 00:07:43,680  
interesting too that you know we

202  
00:07:48,650 --> 00:07:45,599  
interview guys like Jim semivan a former

203  
00:07:49,850 --> 00:07:48,660  
CIA spy and he's having experiences guys

204  
00:07:51,409 --> 00:07:49,860  
like George Knapp who've been

205  
00:07:53,390 --> 00:07:51,419  
investigating it they had weird things

206  
00:07:54,589 --> 00:07:53,400  
happen and I I saw you were on

207  
00:07:57,770 --> 00:07:54,599  
Entertainment Tonight talking about

208  
00:07:59,749 --> 00:07:57,780  
celebrities and their UFO encounters and

209  
00:08:01,430 --> 00:07:59,759  
experiences anything you can share in

210  
00:08:05,029 --> 00:08:01,440  
regards to that because it is a global

211  
00:08:07,129 --> 00:08:05,039  
phenomenon yeah and celebrities it seems

212  
00:08:08,870 --> 00:08:07,139  
like they they seem to well they both

213  
00:08:10,670 --> 00:08:08,880

care and they don't care

214

00:08:12,710 --> 00:08:10,680

you know like when they come out and say

215

00:08:15,409 --> 00:08:12,720

something and it's like they don't care

216

00:08:17,210 --> 00:08:15,419

standing out some of them you know if if

217

00:08:19,490 --> 00:08:17,220

they make you know something that could

218

00:08:22,490 --> 00:08:19,500

be shocking some news announcement

219

00:08:24,589 --> 00:08:22,500

but we don't care because I think people

220

00:08:26,270 --> 00:08:24,599

put them on a battle and they think well

221

00:08:28,550 --> 00:08:26,280

they're not like us

222

00:08:31,610 --> 00:08:28,560

no they're almost exactly they watch the

223

00:08:34,550 --> 00:08:31,620

same shows they do the same things and

224

00:08:36,589 --> 00:08:34,560

um so I've I've had a few of them you

225

00:08:39,230 --> 00:08:36,599

know like that I've heard about

226

00:08:41,930 --> 00:08:39,240

um you know like just the other day for

227

00:08:43,610 --> 00:08:41,940

example uh you know Ricky Schroeder had

228

00:08:45,290 --> 00:08:43,620

talked about some stuff he's seeing on

229

00:08:48,110 --> 00:08:45,300

his Ranch you know

230

00:08:50,210 --> 00:08:48,120

and um you've got of course people who

231

00:08:52,130 --> 00:08:50,220

get into it Demi Lovato and Jack Osborne

232

00:08:54,410 --> 00:08:52,140

and you know I've helped and done stuff

233

00:08:56,509 --> 00:08:54,420

with both of their shows and and and

234

00:08:58,130 --> 00:08:56,519

it's like they get into kind of this

235

00:09:00,290 --> 00:08:58,140

quest of Their Own

236

00:09:01,970 --> 00:09:00,300

you know so I think they do represent in

237

00:09:02,769 --> 00:09:01,980

that sense the majority of the

238

00:09:05,870 --> 00:09:02,779

population

239

00:09:08,570 --> 00:09:05,880

that you know are saying um there's

240

00:09:10,250 --> 00:09:08,580

something to this and

241

00:09:12,590 --> 00:09:10,260

um you know like are we ever gonna see

242

00:09:15,470 --> 00:09:12,600

in our lifetime I think that's kind of

243

00:09:18,590 --> 00:09:15,480

like the the uh the place where people

244

00:09:20,090 --> 00:09:18,600

kind of differentiate themselves is like

245

00:09:22,970 --> 00:09:20,100

the optimism whether we're gonna have

246

00:09:25,250 --> 00:09:22,980

disclosure or not right you know

247

00:09:26,389 --> 00:09:25,260

um so it things are accelerating though

248

00:09:28,250 --> 00:09:26,399

I'd say

249

00:09:30,410 --> 00:09:28,260

we were talking about

250

00:09:32,389 --> 00:09:30,420

um not too long ago but just experiences

251  
00:09:34,190 --> 00:09:32,399  
and you know the amount of people that

252  
00:09:36,710 --> 00:09:34,200  
have had experiences and that includes

253  
00:09:38,210 --> 00:09:36,720  
the celebrities because even the people

254  
00:09:40,610 --> 00:09:38,220  
in the Department of Defense I mean we

255  
00:09:42,590 --> 00:09:40,620  
were talking about uh Jim semivan uh

256  
00:09:43,910 --> 00:09:42,600  
while he's a CIA agent he wakes up

257  
00:09:46,430 --> 00:09:43,920  
middle of the night with three little

258  
00:09:48,170 --> 00:09:46,440  
gray guys you know in his room

259  
00:09:50,329 --> 00:09:48,180  
he's working for the Department of

260  
00:09:53,750 --> 00:09:50,339  
Defense for Crown out loud like he's an

261  
00:09:57,470 --> 00:09:53,760  
active agent and yet he's experiencing

262  
00:10:00,710 --> 00:09:57,480  
these you know uh effects or these uh

263  
00:10:02,389 --> 00:10:00,720

entities so for me it's like okay if the

264

00:10:05,090 --> 00:10:02,399

people inside the Department of Defense

265

00:10:06,829 --> 00:10:05,100

are experiencing this that means it's a

266

00:10:08,690 --> 00:10:06,839

lot more prevalent than you know

267

00:10:11,030 --> 00:10:08,700

previously thought I don't know what

268

00:10:13,009 --> 00:10:11,040

you're right your thoughts are on the

269

00:10:15,230 --> 00:10:13,019

abduction phenomenon but do you think

270

00:10:17,570 --> 00:10:15,240

that it's as much linked to this UAP

271

00:10:20,690 --> 00:10:17,580

issue or like what are your thoughts on

272

00:10:25,790 --> 00:10:23,329

um well I kind of see it as a Continuum

273

00:10:27,290 --> 00:10:25,800

so if you have on the far left you know

274

00:10:28,790 --> 00:10:27,300

like when let's say you get into

275

00:10:30,230 --> 00:10:28,800

researching this and and you're like

276

00:10:31,430 --> 00:10:30,240

okay I'm opening the possibility of

277

00:10:33,650 --> 00:10:31,440

sightings

278

00:10:36,590 --> 00:10:33,660

right Close Encounters of the first

279

00:10:38,150 --> 00:10:36,600

second kind and then you go along with

280

00:10:39,829 --> 00:10:38,160

the Continuum it's like okay well if

281

00:10:41,930 --> 00:10:39,839

people have seen them is it possible

282

00:10:44,090 --> 00:10:41,940

they've landed all right I'm open to

283

00:10:45,470 --> 00:10:44,100

that and then have they physically

284

00:10:49,250 --> 00:10:45,480

interacted and so you have your

285

00:10:51,470 --> 00:10:49,260

abductions and not necessarily A logical

286

00:10:53,389 --> 00:10:51,480

linear progression but you could say

287

00:10:55,490 --> 00:10:53,399

there's people over way over here now

288

00:10:57,650 --> 00:10:55,500

who are saying they know the agenda

289

00:11:00,170 --> 00:10:57,660

right and you get the hybridization

290

00:11:01,910 --> 00:11:00,180

programs and and all of that so it

291

00:11:03,410 --> 00:11:01,920

doesn't necessarily follow that just

292

00:11:06,650 --> 00:11:03,420

because you believe something back here

293

00:11:09,650 --> 00:11:06,660

that this also is true down here

294

00:11:11,210 --> 00:11:09,660

um but as far as abductions go I had a

295

00:11:14,210 --> 00:11:11,220

real hard time with that and I still do

296

00:11:17,810 --> 00:11:14,220

it with lots of them because

297

00:11:20,449 --> 00:11:17,820

um there there is obviously a larger

298

00:11:22,069 --> 00:11:20,459

proportion of people in this field of

299

00:11:24,530 --> 00:11:22,079

study who do have

300

00:11:25,670 --> 00:11:24,540

special conditions I would say some of

301  
00:11:27,410 --> 00:11:25,680  
them it might be a mental health

302  
00:11:29,509 --> 00:11:27,420  
concerns but also

303  
00:11:31,610 --> 00:11:29,519  
sleep paralysis for things that could be

304  
00:11:33,650 --> 00:11:31,620  
mistaken for it

305  
00:11:35,630 --> 00:11:33,660  
um but

306  
00:11:37,610 --> 00:11:35,640  
um I think the most well-known and

307  
00:11:38,750 --> 00:11:37,620  
documented case is the Travis Walton one

308  
00:11:41,210 --> 00:11:38,760  
in my mind

309  
00:11:43,730 --> 00:11:41,220  
and and call it lucky or not

310  
00:11:46,069 --> 00:11:43,740  
but he was lucky enough to have six

311  
00:11:47,930 --> 00:11:46,079  
other Witnesses with him right and and

312  
00:11:48,829 --> 00:11:47,940  
so a lot of these cases that don't have

313  
00:11:52,190 --> 00:11:48,839

that

314

00:11:54,710 --> 00:11:52,200

uh they you know like you may never even

315

00:11:56,930 --> 00:11:54,720

heard of their story but with Travis

316

00:11:59,569 --> 00:11:56,940

says that he was physically gone for

317

00:12:01,310 --> 00:11:59,579

three days you had seven people taking

318

00:12:03,410 --> 00:12:01,320

polygraphs multiple times law

319

00:12:06,230 --> 00:12:03,420

enforcement everything that the trace

320

00:12:09,590 --> 00:12:06,240

evidence that you know that was found

321

00:12:11,750 --> 00:12:09,600

it builds a really strong case that if

322

00:12:13,970 --> 00:12:11,760

you want to call it an abduction

323

00:12:15,769 --> 00:12:13,980

that something happened with an

324

00:12:18,710 --> 00:12:15,779

interaction from beings from another

325

00:12:21,050 --> 00:12:18,720

world or dimension right so if that one

326

00:12:23,569 --> 00:12:21,060

case might be true that's what really

327

00:12:26,269 --> 00:12:23,579

opened my mind that how can you just

328

00:12:29,210 --> 00:12:26,279

easily dismiss other things you know

329

00:12:32,090 --> 00:12:29,220

Betty and Barney Hill or

330

00:12:34,730 --> 00:12:32,100

um you know the Pascagoula you know case

331

00:12:36,350 --> 00:12:34,740

or stuff like that and so it's bizarre

332

00:12:38,389 --> 00:12:36,360

as it sounds that's what really opened

333

00:12:40,009 --> 00:12:38,399

my mind to abductions now that doesn't

334

00:12:41,389 --> 00:12:40,019

mean though that I get emails all the

335

00:12:43,850 --> 00:12:41,399

time people are like oh well okay he

336

00:12:46,430 --> 00:12:43,860

believes so let me tell you my story you

337

00:12:47,870 --> 00:12:46,440

know I woke up and I was in a ship and

338

00:12:51,110 --> 00:12:47,880

everything and

339

00:12:52,550 --> 00:12:51,120

and they they have nothing else not

340

00:12:54,110 --> 00:12:52,560

their fault perhaps but they have

341

00:12:56,389 --> 00:12:54,120

nothing else to say that it was nothing

342

00:12:58,970 --> 00:12:56,399

more than a really weird dream right

343

00:13:01,129 --> 00:12:58,980

does that make sense and so I can't I

344

00:13:03,710 --> 00:13:01,139

don't put my stamp up of approval on

345

00:13:06,470 --> 00:13:03,720

things and say this is true this is not

346

00:13:08,750 --> 00:13:06,480

science is a matter of probability

347

00:13:11,389 --> 00:13:08,760

and so I say look likelihood that

348

00:13:13,009 --> 00:13:11,399

something happened to Travis Walton very

349

00:13:15,410 --> 00:13:13,019

likely in my book

350

00:13:17,269 --> 00:13:15,420

but we weren't there right so we don't

351

00:13:19,850 --> 00:13:17,279

know exactly how it happened

352

00:13:21,590 --> 00:13:19,860

yeah and I think I think your new uh

353

00:13:23,569 --> 00:13:21,600

your new show UFO witness does a good

354

00:13:25,490 --> 00:13:23,579

job of giving those people the

355

00:13:26,990 --> 00:13:25,500

opportunity to tell their story and

356

00:13:29,269 --> 00:13:27,000

again like we get the same thing people

357

00:13:30,410 --> 00:13:29,279

feel like we're a safe space so they

358

00:13:32,210 --> 00:13:30,420

know they know they're not going to get

359

00:13:34,310 --> 00:13:32,220

judgment per se so they tell us

360

00:13:36,230 --> 00:13:34,320

everything and some of it's pretty crazy

361

00:13:38,329 --> 00:13:36,240

like in a good way and some of it is

362

00:13:40,910 --> 00:13:38,339

just like you have to be crazy because

363

00:13:43,009 --> 00:13:40,920

there's no way right but it's hard but

364

00:13:44,329 --> 00:13:43,019

one thing I wanted to talk about is on

365

00:13:46,009 --> 00:13:44,339

your show and we've had a few people

366

00:13:47,690 --> 00:13:46,019

from your show like Melissa Tittle who's

367

00:13:49,910 --> 00:13:47,700

co-hosted a few episodes with you she

368

00:13:52,370 --> 00:13:49,920

was on uh Thomas ferrario we've had on

369

00:13:54,470 --> 00:13:52,380

but it to me I found it interesting that

370

00:13:56,090 --> 00:13:54,480

in your the last season anyway the

371

00:13:58,430 --> 00:13:56,100

number of different species these people

372

00:14:00,230 --> 00:13:58,440

are reporting they're not just Grays

373

00:14:02,090 --> 00:14:00,240

there's like manted creatures and all

374

00:14:03,650 --> 00:14:02,100

this other stuff so what are your

375

00:14:05,449 --> 00:14:03,660

thoughts on the I mean I guess it makes

376

00:14:07,069 --> 00:14:05,459

sense that it wouldn't just be one

377

00:14:09,170 --> 00:14:07,079

species if there's one there's probably

378

00:14:11,449 --> 00:14:09,180

Millions but what are your thoughts on

379

00:14:13,129 --> 00:14:11,459

the the varying number of different

380

00:14:14,090 --> 00:14:13,139

kinds of encounters that people are

381

00:14:16,550 --> 00:14:14,100

reporting

382

00:14:18,650 --> 00:14:16,560

well I think you make an excellent point

383

00:14:19,550 --> 00:14:18,660

there too that you know

384

00:14:23,329 --> 00:14:19,560

um

385

00:14:25,009 --> 00:14:23,339

there there's uh the the very important

386

00:14:27,050 --> 00:14:25,019

thing is that you let people feel like

387

00:14:28,629 --> 00:14:27,060

they can talk and be open about it and

388

00:14:31,610 --> 00:14:28,639

and I feel kind of like I'm a journalist

389

00:14:33,350 --> 00:14:31,620

just gathering information in this

390

00:14:35,509 --> 00:14:33,360

series because

391

00:14:39,710 --> 00:14:35,519

uh some of it is pretty far out there

392

00:14:41,629 --> 00:14:39,720

and I try not to place my judgment on it

393

00:14:43,189 --> 00:14:41,639

um sometimes the way that you know the

394

00:14:46,430 --> 00:14:43,199

the edit of the show comes out it makes

395

00:14:48,290 --> 00:14:46,440

it sound like I'm full in on an agenda

396

00:14:50,930 --> 00:14:48,300

perhaps you know that they're like

397

00:14:53,449 --> 00:14:50,940

they're here to invade us or

398

00:14:55,250 --> 00:14:53,459

something like that and and those topics

399

00:14:57,290 --> 00:14:55,260

are explored because those are theories

400

00:14:59,329 --> 00:14:57,300

that a lot of people are you know

401  
00:15:00,230 --> 00:14:59,339  
pushing and saying this is what's going

402  
00:15:01,790 --> 00:15:00,240  
on

403  
00:15:02,389 --> 00:15:01,800  
and then I get emails from people saying

404  
00:15:04,009 --> 00:15:02,399  
well you're not looking at the

405  
00:15:05,930 --> 00:15:04,019  
benevolent stuff and everything I say

406  
00:15:07,790 --> 00:15:05,940  
well those are also important

407  
00:15:12,110 --> 00:15:07,800  
this particular show and and the

408  
00:15:14,810 --> 00:15:12,120  
witnesses have ex very traumatic things

409  
00:15:17,689 --> 00:15:14,820  
um and I think just about anybody who

410  
00:15:20,750 --> 00:15:17,699  
has had a so-called abduction experience

411  
00:15:23,150 --> 00:15:20,760  
would not tell you that they there was

412  
00:15:25,129 --> 00:15:23,160  
no you know in a tinge of fear initially

413  
00:15:27,290 --> 00:15:25,139

some of them come to terms with it but

414

00:15:28,970 --> 00:15:27,300

for most people like it's so weird and

415

00:15:29,810 --> 00:15:28,980

strange and scary they're terrified at

416

00:15:32,689 --> 00:15:29,820

first

417

00:15:34,610 --> 00:15:32,699

and some you know change later and like

418

00:15:37,490 --> 00:15:34,620

okay I'm all right with it so the point

419

00:15:39,170 --> 00:15:37,500

is um when it comes to the species right

420

00:15:40,670 --> 00:15:39,180

um I don't think there had really been

421

00:15:42,889 --> 00:15:40,680

another show that tried to break down

422

00:15:44,750 --> 00:15:42,899

and look for the patterns

423

00:15:46,069 --> 00:15:44,760

um now drawing the connections

424

00:15:47,569 --> 00:15:46,079

personally

425

00:15:50,629 --> 00:15:47,579

I don't think there's enough information

426

00:15:52,850 --> 00:15:50,639

out there to say we explore the topic

427

00:15:54,350 --> 00:15:52,860

but to definitively say these ones are

428

00:15:55,790 --> 00:15:54,360

flying this type of craft or this or

429

00:15:58,910 --> 00:15:55,800

that there's just not enough info for

430

00:16:02,930 --> 00:15:58,920

that right um we listen to people

431

00:16:03,710 --> 00:16:02,940

we we try to draw patterns but the truth

432

00:16:09,110 --> 00:16:03,720

is

433

00:16:11,090 --> 00:16:09,120

like the grays for example and and

434

00:16:13,009 --> 00:16:11,100

people debate this when were they did

435

00:16:15,949 --> 00:16:13,019

they come into

436

00:16:17,509 --> 00:16:15,959

um pop culture at what point you know it

437

00:16:19,670 --> 00:16:17,519

may have been the movie that was done

438

00:16:21,470 --> 00:16:19,680

you know betting Barney Hill in the late

439

00:16:23,509 --> 00:16:21,480

60s

440

00:16:26,750 --> 00:16:23,519

um or Whitley Schreiber you know and and

441

00:16:28,970 --> 00:16:26,760

the picture on communion that that face

442

00:16:32,210 --> 00:16:28,980

but a lot of this stuff predates

443

00:16:33,889 --> 00:16:32,220

anything coming in in the pop culture so

444

00:16:36,410 --> 00:16:33,899

it's like how were people coming up with

445

00:16:37,790 --> 00:16:36,420

these exact descriptions of reptilians

446

00:16:38,930 --> 00:16:37,800

or things like that they didn't know

447

00:16:41,749 --> 00:16:38,940

each other

448

00:16:43,970 --> 00:16:41,759

and kind of peeling that apart

449

00:16:45,350 --> 00:16:43,980

and seeing how there might be something

450

00:16:46,970 --> 00:16:45,360

to this

451  
00:16:48,829 --> 00:16:46,980  
you know that they might be working

452  
00:16:51,949 --> 00:16:48,839  
together

453  
00:16:54,829 --> 00:16:51,959  
um it's it's a phenomena that is just so

454  
00:16:56,389 --> 00:16:54,839  
confusing and complex what I really

455  
00:16:57,889 --> 00:16:56,399  
turns me off though is When someone

456  
00:16:59,389 --> 00:16:57,899  
tells me they know the whole thing and

457  
00:17:01,610 --> 00:16:59,399  
they're like no these ones do this that

458  
00:17:04,010 --> 00:17:01,620  
one does that I know I know I I'm a

459  
00:17:07,309 --> 00:17:04,020  
liaison to them I know everything right

460  
00:17:08,870 --> 00:17:07,319  
I'm like well I can't refute that but I

461  
00:17:12,110 --> 00:17:08,880  
don't think anybody knows personally

462  
00:17:14,090 --> 00:17:12,120  
well that's so much going on yeah but

463  
00:17:15,770 --> 00:17:14,100

that's a problem within the realm of

464

00:17:18,110 --> 00:17:15,780

ufology

465

00:17:20,329 --> 00:17:18,120

um it's just there's a messiah complex

466

00:17:23,270 --> 00:17:20,339

right like I'm the person that knows the

467

00:17:25,370 --> 00:17:23,280

answer yeah or I I will show you the

468

00:17:26,990 --> 00:17:25,380

answer but for a fee

469

00:17:30,049 --> 00:17:27,000

um there's a lot of people that do that

470

00:17:32,450 --> 00:17:30,059

right so it's and that's a problem right

471

00:17:35,210 --> 00:17:32,460

and I I think uh we mentioned that

472

00:17:37,010 --> 00:17:35,220

before in a another podcast that uh you

473

00:17:39,830 --> 00:17:37,020

know what's more important is that

474

00:17:41,990 --> 00:17:39,840

especially in this field is that we all

475

00:17:44,630 --> 00:17:42,000

get along right we don't have to have

476

00:17:46,370 --> 00:17:44,640

the same theories or the same ideas but

477

00:17:48,650 --> 00:17:46,380

that we get along on because there's no

478

00:17:51,049 --> 00:17:48,660

like definitive proof there's nobody

479

00:17:53,090 --> 00:17:51,059

that knows the answer at least not one

480

00:17:54,770 --> 00:17:53,100

person right so yeah that's cool that

481

00:17:56,150 --> 00:17:54,780

you said that yeah it's cool yeah I

482

00:17:58,010 --> 00:17:56,160

absolutely agree and it comes to the

483

00:17:59,990 --> 00:17:58,020

sightings as well because

484

00:18:01,850 --> 00:18:00,000

one uh the things I've been doing

485

00:18:05,029 --> 00:18:01,860

recently with these um the pilot

486

00:18:07,070 --> 00:18:05,039

reported UAP sightings

487

00:18:09,710 --> 00:18:07,080

um the likelihood that most of this

488

00:18:11,210 --> 00:18:09,720

stuff now which which I fully admit in

489

00:18:14,570 --> 00:18:11,220

the videos I've been making

490

00:18:16,250 --> 00:18:14,580

um that I had brought up the idea that

491

00:18:17,450 --> 00:18:16,260

there might be some new configuration of

492

00:18:20,990 --> 00:18:17,460

satellites

493

00:18:22,549 --> 00:18:21,000

you know and that uh some orbits we

494

00:18:24,770 --> 00:18:22,559

don't understand in ways that they look

495

00:18:27,049 --> 00:18:24,780

like they're turning they may not be

496

00:18:29,390 --> 00:18:27,059

and I brought that up but I gave it a

497

00:18:32,150 --> 00:18:29,400

very low likelihood you know and looking

498

00:18:33,830 --> 00:18:32,160

into it and researching it more

499

00:18:37,310 --> 00:18:33,840

um I do believe the majority of these

500

00:18:39,650 --> 00:18:37,320

are probably some new satellite but

501

00:18:41,510 --> 00:18:39,660

um what I don't understand like why

502

00:18:43,970 --> 00:18:41,520

can't we all go back to like high school

503

00:18:45,950 --> 00:18:43,980

science you know and learn the

504

00:18:47,450 --> 00:18:45,960

scientific method again what what is

505

00:18:50,450 --> 00:18:47,460

wrong with people like

506

00:18:52,010 --> 00:18:50,460

yeah you know scientists if if ever a

507

00:18:54,830 --> 00:18:52,020

scientist and I had a professor who told

508

00:18:57,590 --> 00:18:54,840

me this I took a class in my undergrad

509

00:18:59,150 --> 00:18:57,600

and it was called does ET exist it was

510

00:19:01,070 --> 00:18:59,160

it totally fulfilled one of my you know

511

00:19:03,470 --> 00:19:01,080

undergrad requirements it was on class

512

00:19:04,970 --> 00:19:03,480

but the very end of it

513

00:19:06,529 --> 00:19:04,980

um after building up all of these

514

00:19:09,049 --> 00:19:06,539

theories in the Drake equation we talked

515

00:19:11,090 --> 00:19:09,059

about he says at the very end he says

516

00:19:13,789 --> 00:19:11,100

okay knowing everything that we've

517

00:19:15,590 --> 00:19:13,799

studied now it's impossible that E.T

518

00:19:18,289 --> 00:19:15,600

could be here it's impossible

519

00:19:20,390 --> 00:19:18,299

and we're like what and he says he

520

00:19:22,610 --> 00:19:20,400

started bringing up the same tired

521

00:19:25,310 --> 00:19:22,620

explanations of like it's too far to

522

00:19:27,169 --> 00:19:25,320

travel you know when when you approach

523

00:19:29,150 --> 00:19:27,179

light speed the mass of the craft gets

524

00:19:31,669 --> 00:19:29,160

bigger blah blah blah it's not possible

525

00:19:34,010 --> 00:19:31,679

and we know everything there is 99 of

526

00:19:36,529 --> 00:19:34,020

what there is to know about physics

527

00:19:39,409 --> 00:19:36,539

and I just laughed at him how the hubris

528

00:19:41,270 --> 00:19:39,419

yeah of these people to claim that

529

00:19:44,450 --> 00:19:41,280

humans know that much

530

00:19:46,970 --> 00:19:44,460

and and so when I approached things now

531

00:19:48,950 --> 00:19:46,980

in the same way I say look

532

00:19:51,230 --> 00:19:48,960

there's a probability of what we know

533

00:19:54,110 --> 00:19:51,240

now that this is the likelihood

534

00:19:56,930 --> 00:19:54,120

explanation you know that it is likely

535

00:19:59,090 --> 00:19:56,940

that it is explained otherwise

536

00:20:00,950 --> 00:19:59,100

we get new information theories are

537

00:20:04,490 --> 00:20:00,960

refined they change

538

00:20:06,169 --> 00:20:04,500

and we have outlier cases things that

539

00:20:08,150 --> 00:20:06,179

just don't fit that mold and you can't

540

00:20:10,549 --> 00:20:08,160

just toss that out

541

00:20:14,090 --> 00:20:10,559

that's where we make grave errors that's

542

00:20:16,490 --> 00:20:14,100

where Wars are lost that's where

543

00:20:18,890 --> 00:20:16,500

um you know civilizations crumble

544

00:20:20,990 --> 00:20:18,900

because they didn't see that one thing

545

00:20:22,070 --> 00:20:21,000

you know that was like they should have

546

00:20:24,770 --> 00:20:22,080

been looking at but they had this

547

00:20:26,510 --> 00:20:24,780

confirmation bias in their mind

548

00:20:29,090 --> 00:20:26,520

um so anyways that this is kind of like

549

00:20:30,770 --> 00:20:29,100

how I try to approach it and um to have

550

00:20:32,690 --> 00:20:30,780

an open mind

551  
00:20:33,710 --> 00:20:32,700  
um and where the facts Lead You is where

552  
00:20:35,510 --> 00:20:33,720  
it leads you

553  
00:20:37,070 --> 00:20:35,520  
you've got a quote on your website that

554  
00:20:38,870 --> 00:20:37,080  
says always stay curious and you'll

555  
00:20:41,029 --> 00:20:38,880  
never be bored and I really like that

556  
00:20:43,370 --> 00:20:41,039  
our motto is are you paying attention

557  
00:20:44,750 --> 00:20:43,380  
like are your eyes open or are you

558  
00:20:46,730 --> 00:20:44,760  
looking or are you paying attention

559  
00:20:49,370 --> 00:20:46,740  
there's a difference so in terms of

560  
00:20:51,110 --> 00:20:49,380  
curiosity and in your own personal quest

561  
00:20:53,029 --> 00:20:51,120  
to find answers what do you kind of

562  
00:20:54,950 --> 00:20:53,039  
what's your brain chewing the fat on

563  
00:20:57,169 --> 00:20:54,960

right now like what's getting your mind

564

00:20:59,150 --> 00:20:57,179

going and what what are you thinking

565

00:21:02,690 --> 00:20:59,160

about these days

566

00:21:04,070 --> 00:21:02,700

well um yeah I it's funny you mentioned

567

00:21:06,770 --> 00:21:04,080

that because

568

00:21:08,990 --> 00:21:06,780

I I hate the word bored I don't even

569

00:21:11,750 --> 00:21:09,000

know what board is like

570

00:21:13,970 --> 00:21:11,760

I hear people during covert I'm so bored

571

00:21:17,150 --> 00:21:13,980

I'm like so you can't go to work

572

00:21:19,490 --> 00:21:17,160

physically and now you're bored like is

573

00:21:21,529 --> 00:21:19,500

there nothing else in life that besides

574

00:21:24,169 --> 00:21:21,539

going to work and earning money and you

575

00:21:26,810 --> 00:21:24,179

know like I'm I'm one of the lucky ones

576

00:21:30,230 --> 00:21:26,820

I think where I really love what I do

577

00:21:33,350 --> 00:21:30,240

but being curious about

578

00:21:37,010 --> 00:21:33,360

um anything really is is what drives me

579

00:21:38,990 --> 00:21:37,020

and so I I'm so busy because I never let

580

00:21:40,549 --> 00:21:39,000

myself just sit there and say like okay

581

00:21:42,770 --> 00:21:40,559

what do I do

582

00:21:45,169 --> 00:21:42,780

right so

583

00:21:47,149 --> 00:21:45,179

um at the moment I think that the thing

584

00:21:48,770 --> 00:21:47,159

that is is most interesting like we've

585

00:21:50,990 --> 00:21:48,780

talked about is how

586

00:21:52,970 --> 00:21:51,000

the government seems to have a stake and

587

00:21:55,970 --> 00:21:52,980

a vested interest in this now

588

00:21:58,549 --> 00:21:55,980

and we're seeing Academia start to break

589

00:22:00,830 --> 00:21:58,559

down its walls letting some other

590

00:22:04,250 --> 00:22:00,840

professors you know like Avi Loeb or

591

00:22:06,409 --> 00:22:04,260

Gary Nolan or people talk about it

592

00:22:09,529 --> 00:22:06,419

um and and so now we're having real

593

00:22:11,810 --> 00:22:09,539

conversations and that to me is exciting

594

00:22:13,850 --> 00:22:11,820

right and so I kind of have my feet in a

595

00:22:16,010 --> 00:22:13,860

lot of worlds

596

00:22:19,730 --> 00:22:16,020

um I'm trying to help Academia

597

00:22:21,289 --> 00:22:19,740

uh structure some lectures and series

598

00:22:23,630 --> 00:22:21,299

and things like that I'm trying to talk

599

00:22:25,789 --> 00:22:23,640

to people about Capitol Hill trying to

600

00:22:27,590 --> 00:22:25,799

change some policies regarding uh pilot

601  
00:22:29,450 --> 00:22:27,600  
reported sightings so they don't feel

602  
00:22:31,610 --> 00:22:29,460  
retribution or like they're going to

603  
00:22:33,950 --> 00:22:31,620  
lose their job for reporting it

604  
00:22:35,570 --> 00:22:33,960  
right and then I'm working with the

605  
00:22:37,430 --> 00:22:35,580  
population in general and people and

606  
00:22:38,510 --> 00:22:37,440  
trying to

607  
00:22:40,250 --> 00:22:38,520  
um

608  
00:22:43,370 --> 00:22:40,260  
well I don't know that I really have an

609  
00:22:44,570 --> 00:22:43,380  
agenda there I just feel like if there

610  
00:22:47,390 --> 00:22:44,580  
is a shift

611  
00:22:49,070 --> 00:22:47,400  
and there's a change coming

612  
00:22:51,590 --> 00:22:49,080  
um how much of it's going to be in our

613  
00:22:55,010 --> 00:22:51,600

control or not is Up For Debate

614

00:22:58,130 --> 00:22:55,020

but you know I recently did my my thesis

615

00:23:01,730 --> 00:22:58,140

on these types of rally shifting events

616

00:23:03,289 --> 00:23:01,740

and if it's not done properly I think we

617

00:23:04,430 --> 00:23:03,299

could be headed for something really

618

00:23:06,230 --> 00:23:04,440

dangerous

619

00:23:08,029 --> 00:23:06,240

not necessarily from whoever that they

620

00:23:08,990 --> 00:23:08,039

are right

621

00:23:10,970 --> 00:23:09,000

um

622

00:23:13,909 --> 00:23:10,980

people might be right you know they

623

00:23:16,549 --> 00:23:13,919

might be completely peaceful and no

624

00:23:18,649 --> 00:23:16,559

problem there but the idea that we're

625

00:23:22,130 --> 00:23:18,659

being visited will clash with a lot of

626  
00:23:24,770 --> 00:23:22,140  
people's belief systems and it only

627  
00:23:27,289 --> 00:23:24,780  
takes a small amount of people not a

628  
00:23:29,029 --> 00:23:27,299  
majority at all a small amount of that

629  
00:23:32,570 --> 00:23:29,039  
critical mass to create what we call

630  
00:23:34,970 --> 00:23:32,580  
cascading effects right and then uh you

631  
00:23:38,330 --> 00:23:34,980  
know we saw part of that in covid

632  
00:23:40,909 --> 00:23:38,340  
uh got a small taste of it but we are so

633  
00:23:43,850 --> 00:23:40,919  
interconnected across the globe Supply

634  
00:23:47,090 --> 00:23:43,860  
chains and everything else all it takes

635  
00:23:49,010 --> 00:23:47,100  
is for a couple weeks shutdown for a

636  
00:23:51,409 --> 00:23:49,020  
country or the world to say like let's

637  
00:23:52,909 --> 00:23:51,419  
take a breather and absorb what we just

638  
00:23:56,149 --> 00:23:52,919

heard this news

639

00:23:58,549 --> 00:23:56,159

and few people panic and violence and

640

00:24:00,950 --> 00:23:58,559

banks on the run everything the whole

641

00:24:02,750 --> 00:24:00,960

system comes down yeah you know so I'm

642

00:24:04,850 --> 00:24:02,760

not a doom and gloom person and I'm not

643

00:24:07,789 --> 00:24:04,860

here to say that we're going to be

644

00:24:09,590 --> 00:24:07,799

vaporized by a ray gun from you know the

645

00:24:11,630 --> 00:24:09,600

ETS or anything I'm more worried about

646

00:24:14,210 --> 00:24:11,640

the people yeah I'm more and worried

647

00:24:16,310 --> 00:24:14,220

about us and and how that's going to

648

00:24:19,789 --> 00:24:16,320

happen if it's not done properly

649

00:24:21,890 --> 00:24:19,799

even uh talking about the technology

650

00:24:23,330 --> 00:24:21,900

that these things have in reverse

651  
00:24:25,730 --> 00:24:23,340  
engineering

652  
00:24:28,850 --> 00:24:25,740  
it's more dangerous for us to reverse

653  
00:24:31,669 --> 00:24:28,860  
engineer this technology than

654  
00:24:34,070 --> 00:24:31,679  
um them being posing a threat to us

655  
00:24:35,870 --> 00:24:34,080  
because I think for us it's always about

656  
00:24:38,510 --> 00:24:35,880  
Weaponry we talked about that on the

657  
00:24:40,370 --> 00:24:38,520  
previous episode it's always about

658  
00:24:42,230 --> 00:24:40,380  
um you know using the new technology for

659  
00:24:44,450 --> 00:24:42,240  
Weaponry how can we use this to kill

660  
00:24:46,310 --> 00:24:44,460  
people everything that we have in our

661  
00:24:48,950 --> 00:24:46,320  
homes like even the microwave was first

662  
00:24:51,110 --> 00:24:48,960  
invented by the military and now it's a

663  
00:24:53,090 --> 00:24:51,120

regular thing we all have at home but

664

00:24:55,430 --> 00:24:53,100

every new technology comes from

665

00:24:57,230 --> 00:24:55,440

somewhere and I'm just more worried

666

00:24:59,029 --> 00:24:57,240

about them you know doing something

667

00:25:00,890 --> 00:24:59,039

stupid with the technology we yet don't

668

00:25:02,750 --> 00:25:00,900

understand you know especially from we

669

00:25:04,250 --> 00:25:02,760

keep hearing about crash retrievals and

670

00:25:06,770 --> 00:25:04,260

reverse engineering and all that jazz

671

00:25:08,149 --> 00:25:06,780

and if it's true that it happens I'm

672

00:25:10,430 --> 00:25:08,159

more worried about that

673

00:25:11,330 --> 00:25:10,440

um just you know us doing something

674

00:25:13,370 --> 00:25:11,340

stupid

675

00:25:15,110 --> 00:25:13,380

yeah and I think we're kind of seeing

676  
00:25:17,810 --> 00:25:15,120  
the same thing that happened you know

677  
00:25:19,250 --> 00:25:17,820  
late 40s when you know we discovered

678  
00:25:21,289 --> 00:25:19,260  
that our country had invented the

679  
00:25:23,870 --> 00:25:21,299  
nuclear bomb right

680  
00:25:26,990 --> 00:25:23,880  
it's like that's why that is is the

681  
00:25:29,510 --> 00:25:27,000  
highest well aside from perhaps the UFO

682  
00:25:31,730 --> 00:25:29,520  
stuff that you know that's up there too

683  
00:25:32,750 --> 00:25:31,740  
but the highly the most highly regarded

684  
00:25:35,210 --> 00:25:32,760  
Secret

685  
00:25:37,909 --> 00:25:35,220  
and classified work is to make sure that

686  
00:25:40,370 --> 00:25:37,919  
nuclear technology doesn't get into Bad

687  
00:25:42,950 --> 00:25:40,380  
actors hands right right and we have all

688  
00:25:44,630 --> 00:25:42,960

of these uh Nations we treat like

689

00:25:47,390 --> 00:25:44,640

children basically because he's like no

690

00:25:50,450 --> 00:25:47,400

you have a history of producing

691

00:25:53,029 --> 00:25:50,460

dictators and crazy people who are would

692

00:25:55,730 --> 00:25:53,039

easily push the button you know so we

693

00:25:56,990 --> 00:25:55,740

can't let you have it and so yeah I I

694

00:26:00,230 --> 00:25:57,000

don't know that would be much different

695

00:26:02,090 --> 00:26:00,240

if we had something like that uh you

696

00:26:05,149 --> 00:26:02,100

know energy directed weapon that could

697

00:26:07,549 --> 00:26:05,159

just vaporize a whole country yeah we'd

698

00:26:10,250 --> 00:26:07,559

have those same fears

699

00:26:12,710 --> 00:26:10,260

um and uh again it goes back to fearing

700

00:26:14,029 --> 00:26:12,720

ourselves fearing people and how we

701  
00:26:16,789 --> 00:26:14,039  
treat each other

702  
00:26:18,590 --> 00:26:16,799  
you know so um not not really what

703  
00:26:20,930 --> 00:26:18,600  
they're doing in the in the Reagan years

704  
00:26:23,210 --> 00:26:20,940  
the Star Wars

705  
00:26:27,289 --> 00:26:23,220  
um you know initiative and all that talk

706  
00:26:28,850 --> 00:26:27,299  
was basically I think couched within hey

707  
00:26:30,350 --> 00:26:28,860  
we're afraid of Rush and everyone else

708  
00:26:32,570 --> 00:26:30,360  
we got to put silence but there was a

709  
00:26:34,370 --> 00:26:32,580  
large part of it like we got to protect

710  
00:26:36,049 --> 00:26:34,380  
ourselves from them

711  
00:26:38,810 --> 00:26:36,059  
whoever they are

712  
00:26:41,029 --> 00:26:38,820  
but in reality come on

713  
00:26:43,430 --> 00:26:41,039

how many thousands or millions of years

714

00:26:45,289 --> 00:26:43,440

would we be behind in them

715

00:26:47,390 --> 00:26:45,299

you know in technology so we're kind of

716

00:26:49,190 --> 00:26:47,400

at their Mercy but at the same time

717

00:26:53,690 --> 00:26:49,200

you have to

718

00:26:56,269 --> 00:26:53,700

Security Global Security

719

00:26:59,090 --> 00:26:56,279

and not just pretend that there aren't

720

00:27:01,850 --> 00:26:59,100

some that might have ill will towards us

721

00:27:04,669 --> 00:27:01,860

you know so it's a lot of things at once

722

00:27:06,230 --> 00:27:04,679

yeah even uh sorry Louie yeah I was

723

00:27:08,210 --> 00:27:06,240

going to say even talking with some of

724

00:27:09,950 --> 00:27:08,220

the the people we've had on

725

00:27:11,990 --> 00:27:09,960

um they'll mention things like you know

726

00:27:14,630 --> 00:27:12,000

be people being tucked back into bed

727

00:27:16,149 --> 00:27:14,640

after being taken so most people are

728

00:27:18,169 --> 00:27:16,159

brought back as far as we understand

729

00:27:20,450 --> 00:27:18,179

otherwise they wouldn't have a tale to

730

00:27:22,370 --> 00:27:20,460

tell uh and it's not like you know

731

00:27:24,110 --> 00:27:22,380

they've seen you know people just out

732

00:27:26,149 --> 00:27:24,120

the airlock you know once they're done

733

00:27:28,190 --> 00:27:26,159

with them that's what we would do as a

734

00:27:29,810 --> 00:27:28,200

species we'd abducted something and

735

00:27:31,010 --> 00:27:29,820

throw it out the airlock they have

736

00:27:32,510 --> 00:27:31,020

plenty more

737

00:27:34,130 --> 00:27:32,520

um well yeah there's some theories like

738

00:27:35,990 --> 00:27:34,140

that though right I mean I still get

739

00:27:37,789 --> 00:27:36,000

people telling me you know like what do

740

00:27:38,990 --> 00:27:37,799

you think about you know tens of

741

00:27:40,909 --> 00:27:39,000

thousands of the people missing in

742

00:27:42,710 --> 00:27:40,919

Alaska and I was like I think it was

743

00:27:43,970 --> 00:27:42,720

created for a fake documentary called

744

00:27:46,190 --> 00:27:43,980

The Fourth Kind

745

00:27:48,890 --> 00:27:46,200

right we don't have documentation that

746

00:27:51,830 --> 00:27:48,900

actually happened but there are people

747

00:27:53,750 --> 00:27:51,840

and there are books that try and tie

748

00:27:55,789 --> 00:27:53,760

perhaps the tens of thousands of people

749

00:27:57,470 --> 00:27:55,799

go missing every year right yeah

750

00:27:59,090 --> 00:27:57,480

something strange like that that maybe

751

00:28:00,950 --> 00:27:59,100

they are tossing them out

752

00:28:03,769 --> 00:28:00,960

uh but you're right it's all speculation

753

00:28:06,649 --> 00:28:03,779

for the most part it seems like you know

754

00:28:10,130 --> 00:28:06,659

if Bob down the street you know had an

755

00:28:12,830 --> 00:28:10,140

abduction that he comes back yeah you

756

00:28:14,390 --> 00:28:12,840

know so I guess there's that yeah and

757

00:28:16,789 --> 00:28:14,400

you know they often get told you know

758

00:28:18,710 --> 00:28:16,799

we're not here to harm you or this is

759

00:28:20,090 --> 00:28:18,720

going to be okay so you try to calm us

760

00:28:21,890 --> 00:28:20,100

down as freaky is probably that

761

00:28:25,310 --> 00:28:21,900

experience might be for uh these people

762

00:28:27,289 --> 00:28:25,320

but uh yeah at least I understand that

763

00:28:29,870 --> 00:28:27,299

they're trying not to freak the out

764

00:28:30,909 --> 00:28:29,880

of us but uh they're not wearing clown

765

00:28:33,830 --> 00:28:30,919

masks

766

00:28:35,990 --> 00:28:33,840

yeah they come at you looking like it

767

00:28:37,789 --> 00:28:36,000

yeah that would be worse for sure yeah

768

00:28:39,169 --> 00:28:37,799

Ben I know we don't have a whole lot of

769

00:28:41,409 --> 00:28:39,179

time with you today but I wanted to ask

770

00:28:43,669 --> 00:28:41,419

like what's in store for you for 2023

771

00:28:45,950 --> 00:28:43,679

UFO witness continuing are you working

772

00:28:47,570 --> 00:28:45,960

on anything else

773

00:28:49,490 --> 00:28:47,580

um so we're we're still waiting to hear

774

00:28:50,870 --> 00:28:49,500

back generally I say that I can't

775

00:28:53,269 --> 00:28:50,880

comment on anything

776

00:28:54,830 --> 00:28:53,279

um because if it had been purchased you

777

00:28:56,810 --> 00:28:54,840

know they want to make the announcements

778

00:28:58,970 --> 00:28:56,820

first but basically

779

00:29:00,710 --> 00:28:58,980

um the the network stuff is doing their

780

00:29:01,909 --> 00:29:00,720

Network stuff they had a merger with

781

00:29:03,950 --> 00:29:01,919

Time Warner

782

00:29:05,690 --> 00:29:03,960

and a lot of it just has to do with

783

00:29:07,970 --> 00:29:05,700

budgeting there's a lot of shows waiting

784

00:29:11,810 --> 00:29:07,980

you know to get renewed we really hope

785

00:29:14,269 --> 00:29:11,820

uh that it will but um I'm continuing

786

00:29:16,549 --> 00:29:14,279

doing mostly YouTube stuff

787

00:29:19,370 --> 00:29:16,559

um creating these videos on these pilot

788

00:29:20,630 --> 00:29:19,380

reports and trying to work with um you

789

00:29:21,830 --> 00:29:20,640

know like I said different people up on

790

00:29:25,430 --> 00:29:21,840

Capitol Hill

791

00:29:27,110 --> 00:29:25,440

and trying to get some change you know

792

00:29:29,389 --> 00:29:27,120

here involved and we're all waiting for

793

00:29:30,830 --> 00:29:29,399

the new UAP report

794

00:29:32,090 --> 00:29:30,840

I don't really think much is going to

795

00:29:33,889 --> 00:29:32,100

come out in it

796

00:29:35,090 --> 00:29:33,899

but it's going to generate more

797

00:29:39,350 --> 00:29:35,100

discussion

798

00:29:42,529 --> 00:29:39,360

and um hopefully hopefully it's not

799

00:29:45,110 --> 00:29:42,539

an effort to shut down the conversation

800

00:29:47,690 --> 00:29:45,120

and that there's actually more unknown

801  
00:29:49,070 --> 00:29:47,700  
more hey this is what we're doing we

802  
00:29:51,710 --> 00:29:49,080  
agree with you

803  
00:29:53,330 --> 00:29:51,720  
you know let's bring new Witnesses a new

804  
00:29:55,549 --> 00:29:53,340  
round of that would be great

805  
00:29:56,810 --> 00:29:55,559  
you know with the UFO um with the

806  
00:29:58,730 --> 00:29:56,820  
Congressional hearings we've been

807  
00:30:00,110 --> 00:29:58,740  
hearing that that they're serious about

808  
00:30:02,330 --> 00:30:00,120  
doing that again

809  
00:30:04,490 --> 00:30:02,340  
so there's a lot of momentum you know

810  
00:30:07,070 --> 00:30:04,500  
and I just try to kind of Trot alongside

811  
00:30:07,970 --> 00:30:07,080  
of it and whoever wants to have you join

812  
00:30:12,590 --> 00:30:07,980  
in

813  
00:30:15,169 --> 00:30:12,600

contact uh Congress or stuff like that

814

00:30:17,990 --> 00:30:15,179

um I'm happy to help and uh

815

00:30:19,370 --> 00:30:18,000

so I I think a lot of that and then if

816

00:30:21,889 --> 00:30:19,380

there's TV shows that come along there's

817

00:30:24,110 --> 00:30:21,899

a lot of great stories a lot of great

818

00:30:26,269 --> 00:30:24,120

things that haven't been told yet so I I

819

00:30:27,769 --> 00:30:26,279

think people it's going to be a big year

820

00:30:30,470 --> 00:30:27,779

okay and where can people find you

821

00:30:33,409 --> 00:30:30,480

what's the name of your YouTube channel

822

00:30:35,269 --> 00:30:33,419

um the YouTube is called hypocenter 101

823

00:30:36,649 --> 00:30:35,279

and it's kind of a long word so probably

824

00:30:37,669 --> 00:30:36,659

the easiest way is just to go to my

825

00:30:39,710 --> 00:30:37,679

Twitter

826

00:30:40,970 --> 00:30:39,720

you know on Facebook as always posts on

827

00:30:44,450 --> 00:30:40,980

Twitter and then that will guide you to

828

00:30:46,430 --> 00:30:44,460

it but it's um Ben Hanson zero zero h a

829

00:30:50,269 --> 00:30:46,440

and scn00 I was on my Twitter Instagram

830

00:30:51,110 --> 00:30:50,279

Facebook and uh I post uh the links

831

00:30:56,090 --> 00:30:51,120

there

832

00:30:58,010 --> 00:30:56,100

Channel playlist now

833

00:31:00,350 --> 00:30:58,020

sometimes people come in and they just

834

00:31:03,230 --> 00:31:00,360

click on the one video and they like

835

00:31:04,730 --> 00:31:03,240

this is satellites or how could you say

836

00:31:06,649 --> 00:31:04,740

this is satellites I'm like well

837

00:31:08,570 --> 00:31:06,659

unfortunately

838

00:31:11,269 --> 00:31:08,580

something that's complex and I'm not

839

00:31:14,269 --> 00:31:11,279

just saying this so that I get the the

840

00:31:16,870 --> 00:31:14,279

clicks on my channel but some things do

841

00:31:19,610 --> 00:31:16,880

require you you listen and you read

842

00:31:21,769 --> 00:31:19,620

right and people want to make up their

843

00:31:24,649 --> 00:31:21,779

mind right away and I'm like if you

844

00:31:26,470 --> 00:31:24,659

really want informed opinion go back and

845

00:31:28,970 --> 00:31:26,480

see how this whole thing broke in August

846

00:31:31,370 --> 00:31:28,980

and the progression of where we've gone

847

00:31:34,190 --> 00:31:31,380

and what we've looked at uh and then

848

00:31:36,710 --> 00:31:34,200

form your opinion you know I do the same

849

00:31:37,909 --> 00:31:36,720

thing like if somebody comes out and

850

00:31:39,409 --> 00:31:37,919

says what do you think about the such

851  
00:31:41,450 --> 00:31:39,419  
and such case

852  
00:31:42,889 --> 00:31:41,460  
I was like well I haven't read any books

853  
00:31:45,769 --> 00:31:42,899  
on it yet I'm sorry

854  
00:31:47,510 --> 00:31:45,779  
do you think so-and-so is a hoaxer like

855  
00:31:50,570 --> 00:31:47,520  
my gut tells me there's something going

856  
00:31:53,810 --> 00:31:50,580  
on but I'm not gonna make an opinion

857  
00:31:55,789 --> 00:31:53,820  
until I have an informed opinion right

858  
00:31:57,289 --> 00:31:55,799  
um you know and that takes time it's

859  
00:31:59,389 --> 00:31:57,299  
worth having an opinion it's worth doing

860  
00:32:02,870 --> 00:31:59,399  
your own research so anyway that's it's

861  
00:32:04,610 --> 00:32:02,880  
my little soapbox uh to tell people if

862  
00:32:06,769 --> 00:32:04,620  
any of this matters to you

863  
00:32:08,810 --> 00:32:06,779

you got to pick up some books and you

864

00:32:11,510 --> 00:32:08,820

got to spend some time in researching

865

00:32:12,590 --> 00:32:11,520

and looking into it well said Louie do

866

00:32:14,690 --> 00:32:12,600

you got any final questions for our

867

00:32:16,130 --> 00:32:14,700

guest today no again thanks again Ben I

868

00:32:17,450 --> 00:32:16,140

know we're pressed for time I really

869

00:32:18,830 --> 00:32:17,460

appreciate you cutting out a little

870

00:32:21,529 --> 00:32:18,840

piece of time for us maybe in the new

871

00:32:22,909 --> 00:32:21,539

year uh or later on in 2023 we can get

872

00:32:24,830 --> 00:32:22,919

together give us an update on what

873

00:32:26,149 --> 00:32:24,840

you're working on but uh big fans of

874

00:32:28,669 --> 00:32:26,159

your work I know a lot of our viewers

875

00:32:30,529 --> 00:32:28,679

are as well and uh yeah we wish you all

876

00:32:33,169 --> 00:32:30,539

the best and I hope you keep killing it

877

00:32:37,990 --> 00:32:33,179

awesome thank you absolutely we'll do it

878

00:32:38,000 --> 00:32:45,789

[Music]
