great guests lined up already uh you

7
00:00:17,570 --> 00:00:16,020
posted a lot of it on Facebook and uh

8
00:00:19,490 --> 00:00:17,580
yeah I'm totally stoked about this year

9
00:00:21,590 --> 00:00:19,500
for sure yeah I was worried that you

10
00:00:23,150 --> 00:00:21,600
know we had a hell of a year in 2023 how

11
00:00:24,890 --> 00:00:23,160
do you beat the likes of Jacques valet

12
00:00:26,870 --> 00:00:24,900
and Avi Loeb and Ross coldheart and

13
00:00:29,029 --> 00:00:26,880

George Knapp and Leslie Kane and I could

14

00:00:31,910 --> 00:00:29,039

go on and on and on that in like nine

15

00:00:34,190 --> 00:00:31,920

months what are we gonna do for 2023 and

16

00:00:36,049 --> 00:00:34,200

uh it's like manifesting right you

17

00:00:37,910 --> 00:00:36,059

petition the universe and it just

18

00:00:40,790 --> 00:00:37,920

happens and we're now booked three

19

00:00:42,530 --> 00:00:40,800

months out so it's it's crazy it's a

20

00:00:44,930 --> 00:00:42,540

very interesting time today's guests

21

00:00:48,290 --> 00:00:44,940

super cool guy uh former military

22

00:00:51,290 --> 00:00:48,300

investigator CIA operative he is the

23

00:00:54,350 --> 00:00:51,300

alien Hunter himself Mr Daryl Sims 38

24

00:00:56,630 --> 00:00:54,360

plus years of uh of uh like forensic

25

00:01:00,229 --> 00:00:56,640

investigation this guy goes at it with a

26
00:01:02,389 --> 00:01:00,239
cop mentality not a UFO mentality um and

27
00:01:05,030 --> 00:01:02,399
I mean he's spoken in 19 countries he's

28
00:01:07,070 --> 00:01:05,040
been on every paranormal TV show you can

29
00:01:08,270 --> 00:01:07,080
think of and on all the channels so

30
00:01:10,609 --> 00:01:08,280
we're going to ask them all the big

31
00:01:12,890 --> 00:01:10,619
questions as normal and uh super stoked

32
00:01:19,990 --> 00:01:12,900
for 2023 so we'll be back in just a

33
00:01:40,249 --> 00:01:33,800
[Music]

34
00:01:44,390 --> 00:01:41,870
welcome back everyone to our first

35
00:01:46,490 --> 00:01:44,400
recording of 2023 of UAP studies podcast

36
00:01:48,770 --> 00:01:46,500
I am Louis Borges joining me as always

37
00:01:50,330 --> 00:01:48,780
my best buddy Jason gilmette how you

38
00:01:52,370 --> 00:01:50,340

doing how's it going it's you know what

39

00:01:54,230 --> 00:01:52,380

I uh we haven't seen each other in a few

40

00:01:56,389 --> 00:01:54,240

weeks because we've had some episodes in

41

00:01:58,069 --> 00:01:56,399

the bank for the month of December we

42

00:01:59,690 --> 00:01:58,079

kind of took a break but uh how have you

43

00:02:01,550 --> 00:01:59,700

been I've been really good it's been

44

00:02:03,469 --> 00:02:01,560

nice to spend time with family and uh

45

00:02:05,929 --> 00:02:03,479

I've missed it I've been super ready for

46

00:02:08,389 --> 00:02:05,939

today and to get back into it our lineup

47

00:02:10,430 --> 00:02:08,399

is unbelievable for this year we grew

48

00:02:12,650 --> 00:02:10,440

like crazy last year and uh we're

49

00:02:14,570 --> 00:02:12,660

continuing with that growth and today's

50

00:02:17,089 --> 00:02:14,580

guest is uh somebody's been doing this

51
00:02:19,070 --> 00:02:17,099
38 plus years I mean he's a reality TV

52
00:02:21,530 --> 00:02:19,080
star presented in over 19 different

53
00:02:23,869 --> 00:02:21,540
countries uh this person operates the

54
00:02:26,089 --> 00:02:23,879
Houston UFO network uh he's a licensed

55
00:02:29,210 --> 00:02:26,099
private investigator uh former police

56
00:02:31,070 --> 00:02:29,220
officer and CIA operative I've seen him

57
00:02:32,390 --> 00:02:31,080
personally on TV many times but he's

58
00:02:36,470 --> 00:02:32,400
appeared on like the History Channel

59
00:02:38,030 --> 00:02:36,480
Science Channel uh Fox News CBS and many

60
00:02:40,670 --> 00:02:38,040
more in fact he was interviewed for the

61
00:02:43,070 --> 00:02:40,680
X-Files movie and they told him you're

62
00:02:44,330 --> 00:02:43,080
the real life Moulder so uh we're super

63
00:02:47,089 --> 00:02:44,340

excited to have on the show today Mr

64

00:02:49,490 --> 00:02:47,099

Daryl Sims uh welcome to the show

65

00:02:52,130 --> 00:02:49,500

I am delighted to be here you guys are

66

00:02:53,990 --> 00:02:52,140

they've got your own history and uh I'm

67

00:02:55,850 --> 00:02:54,000

very proud to even be on your program

68

00:02:57,350 --> 00:02:55,860

well we appreciate that we're glad to

69

00:02:59,330 --> 00:02:57,360

have you we'd be remiss if we didn't

70

00:03:01,610 --> 00:02:59,340

include you know the people who really

71

00:03:02,869 --> 00:03:01,620

have made an impact in this field uh

72

00:03:05,630 --> 00:03:02,879

there's a lot of newcomers you know

73

00:03:07,190 --> 00:03:05,640

since 2017 in the Tic Tac video a lot of

74

00:03:08,690 --> 00:03:07,200

people don't really know who's been

75

00:03:10,550 --> 00:03:08,700

doing this for years and years and years

76
00:03:12,770 --> 00:03:10,560
and we wanted to have you on the show

77
00:03:14,270 --> 00:03:12,780
and talk about uh your past and your

78
00:03:15,290 --> 00:03:14,280
history so maybe let's start with that

79
00:03:17,630 --> 00:03:15,300
you know tell us a little bit about

80
00:03:19,369 --> 00:03:17,640
yourself uh what you did professionally

81
00:03:22,550 --> 00:03:19,379
and what got you into this crazy world

82
00:03:25,070 --> 00:03:22,560
of high strangeness and aliens the crazy

83
00:03:25,729 --> 00:03:25,080
it is to say the least

84
00:03:28,729 --> 00:03:25,739
um

85
00:03:32,210 --> 00:03:28,739
I guess my background first

86
00:03:37,190 --> 00:03:35,030
I went into the I volunteered during the

87
00:03:39,110 --> 00:03:37,200
Vietnam War uh

88
00:03:41,570 --> 00:03:39,120

and uh volunteered for the purpose of

89

00:03:44,449 --> 00:03:41,580

helping the country uh in a in a time of

90

00:03:46,369 --> 00:03:44,459

War I didn't particularly agree with the

91

00:03:48,710 --> 00:03:46,379

war but that's neither here nor there if

92

00:03:50,750 --> 00:03:48,720

you're called you the needs there you go

93

00:03:52,789 --> 00:03:50,760

so I volunteered for that during the

94

00:03:55,789 --> 00:03:52,799

time I was in the middle I became a

95

00:03:59,089 --> 00:03:55,799

senior military police officer and then

96

00:04:01,610 --> 00:03:59,099

I was uh sheep dipped which means uh the

97

00:04:03,050 --> 00:04:01,620

CIA dips into the Sheep which is the

98

00:04:05,330 --> 00:04:03,060

military and placed in the Central

99

00:04:09,170 --> 00:04:05,340

Intelligence Agency for two years

100

00:04:13,809 --> 00:04:09,180

after I finished my tour I got out and

101
00:04:18,110 --> 00:04:13,819
uh and then I started in detail

102
00:04:19,969 --> 00:04:18,120
concerning my UFO uh research and work

103
00:04:22,129 --> 00:04:19,979
and the reason I was so interested in

104
00:04:25,129 --> 00:04:22,139
the UFO research even when I was in the

105
00:04:27,170 --> 00:04:25,139
company and in the military was simply

106
00:04:31,070 --> 00:04:27,180
because I was a captive audience at age

107
00:04:34,430 --> 00:04:31,080
four that was in 1952.

108
00:04:37,670 --> 00:04:34,440
so basically I was an abductee at age

109
00:04:40,070 --> 00:04:37,680
four years old and uh the uh from that

110
00:04:42,350 --> 00:04:40,080
moment on that forever changed and

111
00:04:44,450 --> 00:04:42,360
colored My Life as a

112
00:04:47,390 --> 00:04:44,460
literally a four-year-old they don't

113
00:04:49,490 --> 00:04:47,400

know anything they I never watched

114

00:04:52,249 --> 00:04:49,500

monster movies or anything so I was not

115

00:04:53,990 --> 00:04:52,259

influenced in any way in 1952 there

116

00:04:56,810 --> 00:04:54,000

weren't there weren't any Alien movies

117

00:05:00,530 --> 00:04:56,820

on so to speak that I knew about

118

00:05:03,050 --> 00:05:00,540

and uh I simply remembered the entity

119

00:05:04,430 --> 00:05:03,060

coming into my room uh he was in the

120

00:05:06,290 --> 00:05:04,440

room I couldn't figure out what he was

121

00:05:08,689 --> 00:05:06,300

doing there because he didn't have any

122

00:05:11,270 --> 00:05:08,699

clothes on and he was walking away from

123

00:05:13,070 --> 00:05:11,280

me he was skinny and I was laying in bed

124

00:05:15,469 --> 00:05:13,080

and I couldn't I thought he was going to

125

00:05:17,390 --> 00:05:15,479

bump into the wall and as soon as I

126
00:05:19,129 --> 00:05:17,400
thought that in my head he turned around

127
00:05:21,770 --> 00:05:19,139
and he said

128
00:05:23,629 --> 00:05:21,780
something very strange because it was

129
00:05:26,270 --> 00:05:23,639
the first time I'd ever heard a voice in

130
00:05:28,730 --> 00:05:26,280
my head that wasn't mine

131
00:05:30,350 --> 00:05:28,740
and he said it's awake

132
00:05:31,969 --> 00:05:30,360
and at that point I realized he's

133
00:05:33,590 --> 00:05:31,979
talking about me because we're the only

134
00:05:36,350 --> 00:05:33,600
two people in the room

135
00:05:38,210 --> 00:05:36,360
he turned around he had large black eyes

136
00:05:41,390 --> 00:05:38,220
that were perfectly round inch and a

137
00:05:44,270 --> 00:05:41,400
half across inch and a half across and

138
00:05:46,730 --> 00:05:44,280

uh as the kids look at things

139

00:05:49,310 --> 00:05:46,740

differently than adults they just do

140

00:05:50,749 --> 00:05:49,320

and as a four-year-old I noticed he

141

00:05:52,670 --> 00:05:50,759

didn't have any clothes so I'm freezing

142

00:05:54,409 --> 00:05:52,680

to death in my room it's winter in

143

00:05:58,610 --> 00:05:54,419

Midland Texas

144

00:06:00,950 --> 00:05:58,620

that's cold and he had no clothes on I

145

00:06:04,070 --> 00:06:00,960

looked at from his eyes of course which

146

00:06:05,629 --> 00:06:04,080

were stunning to me and uh looked down

147

00:06:08,629 --> 00:06:05,639

at his chest noticed he didn't have any

148

00:06:11,150 --> 00:06:08,639

nipples on his chest and he didn't have

149

00:06:13,189 --> 00:06:11,160

a belly button and he didn't have a

150

00:06:16,430 --> 00:06:13,199

genitalia and I couldn't figure that out

151

00:06:18,409 --> 00:06:16,440

at all that just floored me I figured if

152

00:06:20,270 --> 00:06:18,419

I have a TT why doesn't he have one you

153

00:06:21,650 --> 00:06:20,280

know why didn't it why where's his belly

154

00:06:24,290 --> 00:06:21,660

button I have one

155

00:06:27,050 --> 00:06:24,300

and this just was a total mystery to me

156

00:06:28,510 --> 00:06:27,060

the long and the short of it is that

157

00:06:31,430 --> 00:06:28,520

during the course of that event

158

00:06:34,309 --> 00:06:31,440

something remarkable happened

159

00:06:37,730 --> 00:06:34,319

he at that point switched me off so I

160

00:06:39,950 --> 00:06:37,740

was not supposed to remember anything

161

00:06:42,290 --> 00:06:39,960

and I don't know how this happened with

162

00:06:44,809 --> 00:06:42,300

accidental or I don't know

163

00:06:46,610 --> 00:06:44,819

uh I learned how to switch myself back

164

00:06:49,189 --> 00:06:46,620

on

165

00:06:51,710 --> 00:06:49,199

now that that didn't mean a whole lot at

166

00:06:54,110 --> 00:06:51,720

the point at that point but later on in

167

00:06:57,409 --> 00:06:54,120

my Abduction of other abduction events

168

00:07:00,170 --> 00:06:57,419

till uh they ended at age 17 I learned

169

00:07:02,210 --> 00:07:00,180

how to turn myself on in those events

170

00:07:03,830 --> 00:07:02,220

now what does that mean that means

171

00:07:05,450 --> 00:07:03,840

basically you get to hear what they're

172

00:07:07,010 --> 00:07:05,460

really talking about and what they don't

173

00:07:08,990 --> 00:07:07,020

want you to hear

174

00:07:11,210 --> 00:07:09,000

and they don't know you're doing it

175

00:07:11,809 --> 00:07:11,220

because they think you're still Switched

176

00:07:13,730 --> 00:07:11,819

Off

177

00:07:16,129 --> 00:07:13,740

so that's where I picked up a lot of

178

00:07:18,650 --> 00:07:16,139

information about the alien that I was

179

00:07:21,230 --> 00:07:18,660

not privy to because I didn't read

180

00:07:22,909 --> 00:07:21,240

UFO books and that sort of thing so

181

00:07:24,050 --> 00:07:22,919

that's how that's how I got started in

182

00:07:25,969 --> 00:07:24,060

the UFO

183

00:07:28,730 --> 00:07:25,979

business because I was a captive

184

00:07:31,850 --> 00:07:28,740

audience and my events ended violently

185

00:07:34,610 --> 00:07:31,860

at age 17 uh in Alamogordo New Mexico

186

00:07:37,790 --> 00:07:34,620

right outside Holloman Air Force Base

187

00:07:40,730 --> 00:07:37,800

it ended violently

188

00:07:44,089 --> 00:07:40,740

my last event was not uh

189

00:07:46,010 --> 00:07:44,099

related at all to the UFO phenomena in

190

00:07:48,890 --> 00:07:46,020

the sense the word that they were aliens

191

00:07:53,029 --> 00:07:48,900

the entities in my

192

00:07:55,730 --> 00:07:53,039

in in my taxonomy of the alien and my

193

00:07:57,830 --> 00:07:55,740

taxonomy of what I think is out there is

194

00:07:59,330 --> 00:07:57,840

a little different than other people

195

00:08:01,490 --> 00:07:59,340

uh

196

00:08:03,890 --> 00:08:01,500

I think that the alien that we're

197

00:08:06,050 --> 00:08:03,900

looking at the fight the seven primary

198

00:08:08,770 --> 00:08:06,060

creatures that are often mentioned in

199

00:08:12,650 --> 00:08:08,780

the UFO phenomena the reptile the Grays

200

00:08:15,050 --> 00:08:12,660

the Nordic uh this sort of thing these

201
00:08:17,450 --> 00:08:15,060
particular entities the DNA of each one

202
00:08:19,969 --> 00:08:17,460
of those uh originates here on planet

203
00:08:23,210 --> 00:08:19,979
Earth that's my opinion

204
00:08:24,170 --> 00:08:23,220
and after 38 years of work I haven't had

205
00:08:26,270 --> 00:08:24,180
much

206
00:08:28,309 --> 00:08:26,280
to change my opinion

207
00:08:32,630 --> 00:08:28,319
but the entities that showed up in my

208
00:08:35,089 --> 00:08:32,640
room when I was age 17 my last event

209
00:08:37,610 --> 00:08:35,099
concerning the UFO alien phenomena

210
00:08:41,209 --> 00:08:37,620
whatever that is

211
00:08:43,070 --> 00:08:41,219
occurred uh with five entities that

212
00:08:47,290 --> 00:08:43,080
don't show up in any UFO literature

213
00:08:50,329 --> 00:08:47,300

whatsoever these entities in my opinion

214

00:08:52,009 --> 00:08:50,339

uh were the ones who made hatch cloned

215

00:08:55,850 --> 00:08:52,019

and manufactured these so-called seven

216

00:09:00,350 --> 00:08:55,860

alien entities that we have

217

00:09:02,990 --> 00:09:01,190

um

218

00:09:05,570 --> 00:09:03,000

I've heard you say on other programs

219

00:09:06,790 --> 00:09:05,580

that you know they don't seem like

220

00:09:08,990 --> 00:09:06,800

actual

221

00:09:11,389 --> 00:09:09,000

extraterrestrials or beings more like

222

00:09:13,850 --> 00:09:11,399

entities refrain from the term alien

223

00:09:15,470 --> 00:09:13,860

quote unquote because you think maybe

224

00:09:17,389 --> 00:09:15,480

they're these are manufactured maybe

225

00:09:20,150 --> 00:09:17,399

these are hybrid workers or as Jason

226

00:09:22,370 --> 00:09:20,160

says worker bees and uh you know they're

227

00:09:23,750 --> 00:09:22,380

the lesser of the actual intelligent

228

00:09:28,009 --> 00:09:23,760

species

229

00:09:30,350 --> 00:09:28,019

that's uh that's a again it's just

230

00:09:33,050 --> 00:09:30,360

information it's nothing that I argue

231

00:09:35,150 --> 00:09:33,060

one way or another it's informational at

232

00:09:37,670 --> 00:09:35,160

you know any information can change it

233

00:09:40,190 --> 00:09:37,680

at any time as a police officer or

234

00:09:42,050 --> 00:09:40,200

former police officer uh

235

00:09:43,550 --> 00:09:42,060

and as a currently as a private

236

00:09:47,269 --> 00:09:43,560

investigator licensed in the state of

237

00:09:49,430 --> 00:09:47,279

Texas uh any case you you involve

238

00:09:51,290 --> 00:09:49,440

yourself in whether murder cases whether

239

00:09:55,670 --> 00:09:51,300

kidnapping which I've been involved in

240

00:09:57,710 --> 00:09:55,680

all of these as an investigator uh as

241

00:10:00,949 --> 00:09:57,720

soon as your information changes that

242

00:10:02,509 --> 00:10:00,959

changes your view so to speak so if I

243

00:10:05,030 --> 00:10:02,519

get new and better information I'm

244

00:10:06,530 --> 00:10:05,040

certainly open to that but my best

245

00:10:08,509 --> 00:10:06,540

information

246

00:10:11,210 --> 00:10:08,519

has shown us that these entities are

247

00:10:13,850 --> 00:10:11,220

hats clone made or manufactured for the

248

00:10:15,350 --> 00:10:13,860

purpose of convincing uh people they're

249

00:10:17,990 --> 00:10:15,360

abducting that they are aliens from

250

00:10:19,430 --> 00:10:18,000

other planets do I believe in aliens

251
00:10:21,350 --> 00:10:19,440
from other plants do I believe there are

252
00:10:24,050 --> 00:10:21,360
entities out there out there beyond

253
00:10:26,570 --> 00:10:24,060
Earth of course I do I don't think these

254
00:10:27,530 --> 00:10:26,580
are them I think these are something

255
00:10:31,670 --> 00:10:27,540
else

256
00:10:34,850 --> 00:10:31,680
that uh we're we're basically being

257
00:10:37,310 --> 00:10:34,860
played and uh that's just my view after

258
00:10:40,730 --> 00:10:37,320
all these years of doing the research

259
00:10:42,009 --> 00:10:40,740
and one example I can give if uh if I

260
00:10:44,690 --> 00:10:42,019
may

261
00:10:48,410 --> 00:10:44,700
uh in nineteen uh

262
00:10:49,610 --> 00:10:48,420
I think it was 1990 95 of one of my

263
00:10:52,190 --> 00:10:49,620

abductees

264

00:10:54,350 --> 00:10:52,200

um complained of

265

00:10:56,690 --> 00:10:54,360

that they they were they had threatened

266

00:10:59,150 --> 00:10:56,700

her they said if they told her if you

267

00:11:02,290 --> 00:10:59,160

give him any more information him or his

268

00:11:05,030 --> 00:11:02,300

team we're going to abduct your children

269

00:11:07,250 --> 00:11:05,040

and I said young lady do you think that

270

00:11:09,530 --> 00:11:07,260

they're not going to do that anyway

271

00:11:11,930 --> 00:11:09,540

and she said yes and I said

272

00:11:14,870 --> 00:11:11,940

doesn't make any difference and does it

273

00:11:18,350 --> 00:11:14,880

I said it's a bail threat of course if

274

00:11:20,210 --> 00:11:18,360

it if true and uh long story short she

275

00:11:22,430 --> 00:11:20,220

cried and cried and said please help me

276

00:11:24,410 --> 00:11:22,440

defend my children one of them's deaf

277

00:11:26,449 --> 00:11:24,420

and all this and I said

278

00:11:28,250 --> 00:11:26,459

I said from a

279

00:11:30,290 --> 00:11:28,260

from an investigative point of view

280

00:11:32,630 --> 00:11:30,300

that's kind of important to me

281

00:11:34,910 --> 00:11:32,640

getting a deaf person or a blind person

282

00:11:38,090 --> 00:11:34,920

abducted is kind of important

283

00:11:40,670 --> 00:11:38,100

what sensory modalities would they use

284

00:11:42,829 --> 00:11:40,680

or could they be activated during that

285

00:11:44,509 --> 00:11:42,839

event I said that's that's as an

286

00:11:46,130 --> 00:11:44,519

investigator it's important

287

00:11:50,690 --> 00:11:46,140

I said

288

00:11:53,569 --> 00:11:50,700

interesting humanity and you as a person

289

00:11:55,790 --> 00:11:53,579

and a friend of mine

290

00:11:58,550 --> 00:11:55,800

if you're in any way I can

291

00:12:00,350 --> 00:11:58,560

long story short again if this story is

292

00:12:03,350 --> 00:12:00,360

true and I think that it is

293

00:12:04,970 --> 00:12:03,360

uh she assaulted her captor during the

294

00:12:06,110 --> 00:12:04,980

next abduction happened about a month

295

00:12:10,009 --> 00:12:06,120

later

296

00:12:12,170 --> 00:12:10,019

and she tore his eye cover off oh

297

00:12:15,230 --> 00:12:12,180

well if his eye cover comes off then

298

00:12:19,009 --> 00:12:15,240

it's obviously manufactured

299

00:12:21,550 --> 00:12:19,019

so I saw a red stipple screen

300

00:12:24,590 --> 00:12:21,560

with uh

301

00:12:27,050 --> 00:12:24,600

five or five or seven if I forget which

302

00:12:29,690 --> 00:12:27,060

it was little lines that ran across the

303

00:12:31,970 --> 00:12:29,700

red stipple screen like a pattern you

304

00:12:35,630 --> 00:12:31,980

might see in a like a sine wave as an

305

00:12:41,630 --> 00:12:35,640

example on a on an oscilloscope

306

00:12:46,730 --> 00:12:42,949

wow

307

00:12:49,250 --> 00:12:46,740

so anyway long story short uh people

308

00:12:51,949 --> 00:12:49,260

said what happened is you hypnotized

309

00:12:53,990 --> 00:12:51,959

this woman to believe all that stuff and

310

00:12:55,670 --> 00:12:54,000

it never really happened the red eye is

311

00:12:56,810 --> 00:12:55,680

just something that you made up and I

312

00:12:58,970 --> 00:12:56,820

said okay

313

00:13:01,370 --> 00:12:58,980

uh that's a you know it's a fair attack

314

00:13:03,889 --> 00:13:01,380

you say whatever you want

315

00:13:06,110 --> 00:13:03,899

you'll never convince her of that I said

316

00:13:07,970 --> 00:13:06,120

because he came back about uh 30 days

317

00:13:11,090 --> 00:13:07,980

later they came back and she tore it off

318

00:13:13,370 --> 00:13:11,100

again completely torn off this time but

319

00:13:15,110 --> 00:13:13,380

this time I left a suggestion with her I

320

00:13:17,930 --> 00:13:15,120

wanted the eye cover back because I

321

00:13:21,170 --> 00:13:17,940

wanted to see I basically wanted uh

322

00:13:24,650 --> 00:13:21,180

Freddy Krueger's hat sold out so to

323

00:13:28,069 --> 00:13:24,660

speak to use a metaphor the interesting

324

00:13:30,949 --> 00:13:28,079

thing about that is in 1996 an incident

325

00:13:33,410 --> 00:13:30,959

happened in Virginia Brazil where the

326

00:13:35,569 --> 00:13:33,420

famous Virginia incident occurred all

327

00:13:38,990 --> 00:13:35,579

the aliens had bright red eye patterns

328

00:13:41,690 --> 00:13:39,000

yeah no eye covers now this everybody

329

00:13:43,850 --> 00:13:41,700

then apologized I said oh well you must

330

00:13:45,590 --> 00:13:43,860

have been telling the truth I said our

331

00:13:47,629 --> 00:13:45,600

research is solid I don't really care

332

00:13:50,930 --> 00:13:47,639

what you think or what I think about it

333

00:13:53,690 --> 00:13:50,940

the only thing I care about was that was

334

00:13:54,650 --> 00:13:53,700

actually show and does it stand to this

335

00:13:57,230 --> 00:13:54,660

day

336

00:13:59,329 --> 00:13:57,240

right that's the bottom line for about

337

00:14:02,030 --> 00:13:59,339

and as an investigator you're looking

338

00:14:03,230 --> 00:14:02,040

for proof and forensically and again we

339

00:14:05,329 --> 00:14:03,240

have a lot of people wanting to know

340

00:14:07,250 --> 00:14:05,339

like who actually has proof and I

341

00:14:11,269 --> 00:14:07,260

understand you have the largest Personal

342

00:14:13,250 --> 00:14:11,279

Collection of alien implants either you

343

00:14:15,829 --> 00:14:13,260

know excreted naturally from the body or

344

00:14:17,509 --> 00:14:15,839

surgically removed and that's a direct

345

00:14:19,670 --> 00:14:17,519

link I mean if anyone's looking for

346

00:14:22,370 --> 00:14:19,680

definitive proof if something was

347

00:14:25,670 --> 00:14:22,380

implanted in a person it shows a direct

348

00:14:28,490 --> 00:14:25,680

contact in a physical Manner and B that

349

00:14:30,290 --> 00:14:28,500

there's items of you know meteor they're

350

00:14:32,629 --> 00:14:30,300

made of like meteor Metals it's not even

351

00:14:34,370 --> 00:14:32,639

things that originate on this planet as

352

00:14:37,610 --> 00:14:34,380

the implant itself and that's pretty

353

00:14:38,750 --> 00:14:37,620

hard to refute so uh would you mind you

354

00:14:40,490 --> 00:14:38,760

know talking a little bit about your uh

355

00:14:43,490 --> 00:14:40,500

your implant collection and how that all

356

00:14:49,009 --> 00:14:43,500

happened I'll be glad to uh to address

357

00:14:50,810 --> 00:14:49,019

the implant situation if I may uh their

358

00:14:52,310 --> 00:14:50,820

you know first of all there are

359

00:14:54,530 --> 00:14:52,320

qualifications for a person being

360

00:14:56,269 --> 00:14:54,540

implanted number one we have to go at it

361

00:14:58,910 --> 00:14:56,279

again from a police point of view not a

362

00:15:00,949 --> 00:14:58,920

quote unquote UFO point of view from a

363

00:15:03,230 --> 00:15:00,959

police point of view or an investigative

364

00:15:04,970 --> 00:15:03,240

point of view we want to know the

365

00:15:06,350 --> 00:15:04,980

qualifications of the person that's

366

00:15:08,750 --> 00:15:06,360

getting implanted

367

00:15:11,389 --> 00:15:08,760

are there qualifications are there only

368

00:15:13,189 --> 00:15:11,399

certain people being taken 45 percent of

369

00:15:15,889 --> 00:15:13,199

the people taken in UFO events are

370

00:15:19,009 --> 00:15:15,899

Native American Indian Irish Celtic or

371

00:15:20,750 --> 00:15:19,019

Scottish that's just the truth and when

372

00:15:23,210 --> 00:15:20,760

I went to Turkey they said your

373

00:15:25,550 --> 00:15:23,220

presentation was wonderful but Mr Sims

374

00:15:27,350 --> 00:15:25,560

you were incorrect uh we are Turks we

375

00:15:29,990 --> 00:15:27,360

are not any of those other things and I

376

00:15:32,150 --> 00:15:30,000

said our research stands on its own it

377

00:15:34,670 --> 00:15:32,160

doesn't matter if you're Turk or Chinese

378

00:15:37,910 --> 00:15:34,680

I said you're not listening to me

379

00:15:40,189 --> 00:15:37,920

I said if you're if you're Turks and

380

00:15:43,250 --> 00:15:40,199

that's the only separation then you're

381

00:15:45,470 --> 00:15:43,260

the you're the 55 percent that is no

382

00:15:48,050 --> 00:15:45,480

American Irish said you're missing the

383

00:15:49,610 --> 00:15:48,060

point yeah but I said I you're still

384

00:15:51,170 --> 00:15:49,620

wrong I said well do you know it or not

385

00:15:53,329 --> 00:15:51,180

I said your people in ancient times

386

00:15:55,370 --> 00:15:53,339

lived in teepees

387

00:15:58,069 --> 00:15:55,380

TPS

388

00:15:59,629 --> 00:15:58,079

with a little squiggly line on the top I

389

00:16:02,949 --> 00:15:59,639

said you don't know that about your own

390

00:16:05,750 --> 00:16:02,959

people a year later a a

391

00:16:07,610 --> 00:16:05,760

scientist a a professor from a

392

00:16:09,650 --> 00:16:07,620

university came to the United States

393

00:16:11,750 --> 00:16:09,660

took Native American Indian blood

394

00:16:14,990 --> 00:16:11,760

samples back with him

395

00:16:19,009 --> 00:16:15,000

to Turkey took the various native

396

00:16:22,069 --> 00:16:19,019

peoples around the Turk all over the

397

00:16:25,430 --> 00:16:22,079

Turkish country and compared the DNA and

398

00:16:28,250 --> 00:16:25,440

said oh my God we're Native American too

399

00:16:29,870 --> 00:16:28,260

I said I told you that from day one just

400

00:16:31,129 --> 00:16:29,880

because you don't know it doesn't make

401
00:16:34,310 --> 00:16:31,139
it not true

402
00:16:36,470 --> 00:16:34,320
that's it you've got native blood as

403
00:16:39,110 --> 00:16:36,480
well and they didn't know then they had

404
00:16:42,290 --> 00:16:39,120
the biggest uh powwow you ever saw and

405
00:16:43,910 --> 00:16:42,300
and kid or a turkey the the capital

406
00:16:45,769 --> 00:16:43,920
because they they brought her a bunch of

407
00:16:47,150 --> 00:16:45,779
Native Indians and had a gigantic powwow

408
00:16:48,590 --> 00:16:47,160
because they were so happy that they

409
00:16:51,530 --> 00:16:48,600
were all Native

410
00:16:53,329 --> 00:16:51,540
I already know that I don't need some

411
00:16:55,370 --> 00:16:53,339
scientist to tell me that already the

412
00:16:58,370 --> 00:16:55,380
evidence is already there historically

413
00:17:00,590 --> 00:16:58,380

and the fact is that the qualifications

414

00:17:06,829 --> 00:17:00,600

some of these people is they might might

415

00:17:09,250 --> 00:17:06,839

be Native American and Irish uh their uh

416

00:17:11,870 --> 00:17:09,260

literally the the devices themselves

417

00:17:13,189 --> 00:17:11,880

that determines what what kind of device

418

00:17:16,010 --> 00:17:13,199

you're going to get

419

00:17:17,689 --> 00:17:16,020

or if it is and they're not devices in

420

00:17:23,809 --> 00:17:17,699

the sense they're

421

00:17:28,669 --> 00:17:26,090

they're not uh

422

00:17:30,289 --> 00:17:28,679

they're not human origin there's no

423

00:17:32,390 --> 00:17:30,299

there's going to be no discernible

424

00:17:36,049 --> 00:17:32,400

technology in these implants

425

00:17:39,049 --> 00:17:36,059

I told 250 doctors and surgeons that at

426

00:17:42,650 --> 00:17:39,059

a presentation in 1995 at John Muir

427

00:17:44,810 --> 00:17:42,660

Medical Hospital 1994 excuse me a year

428

00:17:46,490 --> 00:17:44,820

before we did any public surgeries I

429

00:17:49,130 --> 00:17:46,500

said four things are going to be present

430

00:17:51,230 --> 00:17:49,140

if these are if the objects I'm showing

431

00:17:53,450 --> 00:17:51,240

you in these x-rays are real and they're

432

00:17:57,350 --> 00:17:53,460

alien there'll be no discernible

433

00:17:59,990 --> 00:17:57,360

technology though they will be um

434

00:18:01,490 --> 00:18:00,000

hidden from the body of wrapped in a

435

00:18:02,870 --> 00:18:01,500

containment that's going to be

436

00:18:05,210 --> 00:18:02,880

biological

437

00:18:07,669 --> 00:18:05,220

it will show no signs of inflammatory

438

00:18:09,830 --> 00:18:07,679

response either chronic or acute and so

439

00:18:11,450 --> 00:18:09,840

on so on I went down the line of course

440

00:18:14,029 --> 00:18:11,460

naturally everybody's sitting there you

441

00:18:15,830 --> 00:18:14,039

know like you've got to be smoking

442

00:18:18,169 --> 00:18:15,840

something pretty weird

443

00:18:20,570 --> 00:18:18,179

and a year later during the first cert

444

00:18:22,970 --> 00:18:20,580

two surgeries We performed

445

00:18:25,310 --> 00:18:22,980

uh the Pathologists looked at the

446

00:18:28,610 --> 00:18:25,320

biology and said well that's probably an

447

00:18:30,590 --> 00:18:28,620

inflammatory response that said uh I

448

00:18:32,750 --> 00:18:30,600

would like it analyze anyway I know what

449

00:18:36,049 --> 00:18:32,760

it looks like but please analyze it he

450

00:18:38,210 --> 00:18:36,059

did he said I'm not believing this those

451
00:18:40,190 --> 00:18:38,220
are non-inflammatory cells

452
00:18:42,770 --> 00:18:40,200
and I said can you tell us specifically

453
00:18:45,650 --> 00:18:42,780
what it is he said well it's keratin

454
00:18:47,630 --> 00:18:45,660
I said translate that for the rest of

455
00:18:48,529 --> 00:18:47,640
the people around me he said well your

456
00:18:50,990 --> 00:18:48,539
hair

457
00:18:52,310 --> 00:18:51,000
your fingernails your surface skin is

458
00:18:53,930 --> 00:18:52,320
keratin

459
00:18:55,730 --> 00:18:53,940
where did you find this that's a deep

460
00:18:57,950 --> 00:18:55,740
inside the body next to the Bone he said

461
00:18:59,750 --> 00:18:57,960
that didn't happen that's impossible

462
00:19:02,390 --> 00:18:59,760
those are the exact words I loved

463
00:19:06,470 --> 00:19:02,400

scientists and doctors to say because

464

00:19:09,169 --> 00:19:06,480

they I said we we had this thing filmed

465

00:19:11,210 --> 00:19:09,179

with two doctors present I'm a hypnotic

466

00:19:14,510 --> 00:19:11,220

anesthesia therapist I did the hypnotic

467

00:19:16,850 --> 00:19:14,520

anesthesia and uh

468

00:19:19,070 --> 00:19:16,860

two doctors several nurses and and and

469

00:19:21,350 --> 00:19:19,080

others present they had 17 Witnesses

470

00:19:23,450 --> 00:19:21,360

including an attorney he said I don't

471

00:19:24,350 --> 00:19:23,460

care if God was there he said keratin

472

00:19:26,330 --> 00:19:24,360

does not

473

00:19:28,610 --> 00:19:26,340

cannot be inside deep inside the body

474

00:19:30,950 --> 00:19:28,620

next to Bone it's impossible I said okay

475

00:19:32,210 --> 00:19:30,960

good I'm glad to hear it put it in

476

00:19:34,310 --> 00:19:32,220

writing he did

477

00:19:36,590 --> 00:19:34,320

I was delighted to hear that because

478

00:19:41,690 --> 00:19:36,600

there's the Keratin deep inside the body

479

00:19:44,450 --> 00:19:41,700

with the hemoseterin uh complex uh to

480

00:19:47,150 --> 00:19:44,460

that was inside next to the implant

481

00:19:49,610 --> 00:19:47,160

so what does all that mean well what

482

00:19:52,010 --> 00:19:49,620

that suggests to me is that it's

483

00:19:53,570 --> 00:19:52,020

attached to the human mechanism and that

484

00:19:56,330 --> 00:19:53,580

that's part of the transmission of

485

00:19:57,590 --> 00:19:56,340

information to or from the alien through

486

00:20:03,770 --> 00:19:57,600

you

487

00:20:05,690 --> 00:20:03,780

is it more that the lower part of the

488

00:20:07,909 --> 00:20:05,700

body like the legs that the implants are

489

00:20:09,230 --> 00:20:07,919

in is it in the arms is it located in

490

00:20:12,070 --> 00:20:09,240

the chest like where's the most

491

00:20:14,750 --> 00:20:12,080

prevalent uh location of these devices

492

00:20:16,850 --> 00:20:14,760

brilliant question thank you for asking

493

00:20:17,810 --> 00:20:16,860

no one ever asked great questions like

494

00:20:19,789 --> 00:20:17,820

this

495

00:20:22,789 --> 00:20:19,799

they just asked do you think I have an

496

00:20:25,549 --> 00:20:22,799

implant well the implants are extremely

497

00:20:26,810 --> 00:20:25,559

rare extremely rare when I meet all

498

00:20:30,470 --> 00:20:26,820

kinds of people I look at hundreds of

499

00:20:32,450 --> 00:20:30,480

x-rays every year right 99.9 of them are

500

00:20:34,549 --> 00:20:32,460

not alien implants

501
00:20:37,789 --> 00:20:34,559
it's just stuff artifacts and things

502
00:20:40,669 --> 00:20:37,799
it's even people misreading uh an x-ray

503
00:20:42,470 --> 00:20:40,679
or a CAT scan as an example

504
00:20:43,970 --> 00:20:42,480
but then the answer to answer your

505
00:20:45,650 --> 00:20:43,980
question where are the implants actually

506
00:20:50,029 --> 00:20:45,660
found the real ones

507
00:20:52,730 --> 00:20:50,039
uh my former colleague wrote a book when

508
00:20:54,110 --> 00:20:52,740
after the first two surgeries it did and

509
00:20:56,270 --> 00:20:54,120
he said um

510
00:20:58,970 --> 00:20:56,280
he said well implants are found on the

511
00:21:01,789 --> 00:20:58,980
left side of the body and I said uh Dr

512
00:21:03,470 --> 00:21:01,799
Lear that's just not true

513
00:21:04,909 --> 00:21:03,480

well that's what you told me I said I

514

00:21:06,770 --> 00:21:04,919

never said that

515

00:21:08,270 --> 00:21:06,780

with the implants you showed me are on

516

00:21:11,810 --> 00:21:08,280

the left side of the body I said that's

517

00:21:13,190 --> 00:21:11,820

the left side want to look on the right

518

00:21:15,470 --> 00:21:13,200

you want to look at the middle of the

519

00:21:18,430 --> 00:21:15,480

part of the body you want to look at the

520

00:21:20,990 --> 00:21:18,440

extremities the hands the feet

521

00:21:23,930 --> 00:21:21,000

I said you're

522

00:21:25,610 --> 00:21:23,940

you're a UFO guy you're looking at this

523

00:21:28,070 --> 00:21:25,620

thing like a UFO guy and you're making

524

00:21:30,590 --> 00:21:28,080

these assumptions like absolutes

525

00:21:32,149 --> 00:21:30,600

that are just not true I said they're

526

00:21:35,390 --> 00:21:32,159

they're in different parts of the body

527

00:21:37,190 --> 00:21:35,400

where they are in the body it has great

528

00:21:40,909 --> 00:21:37,200

significance

529

00:21:43,250 --> 00:21:40,919

uh where they're located uh how they're

530

00:21:45,529 --> 00:21:43,260

even presented to you in other words

531

00:21:47,810 --> 00:21:45,539

sometimes the alien will they they

532

00:21:49,310 --> 00:21:47,820

reason got my arm they held my arm like

533

00:21:51,529 --> 00:21:49,320

that so they touched me on the shoulder

534

00:21:53,630 --> 00:21:51,539

or they touched me on the head they did

535

00:21:55,130 --> 00:21:53,640

this I said all those are significant

536

00:21:57,830 --> 00:21:55,140

things that you should have been looking

537

00:21:59,149 --> 00:21:57,840

at as an investigator you missed the

538

00:22:00,950 --> 00:21:59,159

whole message

539

00:22:02,450 --> 00:22:00,960

you're shooting at a barn and you're

540

00:22:04,130 --> 00:22:02,460

inside the barn with you you've got a

541

00:22:05,270 --> 00:22:04,140

shotgun and you missed the barn by 15

542

00:22:08,930 --> 00:22:05,280

yards

543

00:22:11,690 --> 00:22:08,940

my point is that how the implant is even

544

00:22:13,730 --> 00:22:11,700

presented to you how the the location of

545

00:22:16,909 --> 00:22:13,740

where it it's actually going to be

546

00:22:17,690 --> 00:22:16,919

attached to you as an example

547

00:22:20,390 --> 00:22:17,700

um

548

00:22:23,390 --> 00:22:20,400

in one case the implant was in the hand

549

00:22:25,370 --> 00:22:23,400

this was in uh Italy I was doing a

550

00:22:28,250 --> 00:22:25,380

presentation there and a physicist was

551
00:22:29,990 --> 00:22:28,260
there and he said he congratulated me on

552
00:22:31,789 --> 00:22:30,000
our discoveries of implants and all that

553
00:22:34,250 --> 00:22:31,799
and he said one of the things we found

554
00:22:36,529 --> 00:22:34,260
was one in the hand he said this guy had

555
00:22:38,450 --> 00:22:36,539
a huge behavioral problem he said his

556
00:22:40,490 --> 00:22:38,460
behavior began to change after the

557
00:22:44,750 --> 00:22:40,500
implant after his contact with the alien

558
00:22:46,850 --> 00:22:44,760
and that implant and I said you found

559
00:22:49,549 --> 00:22:46,860
that it was probably directed toward

560
00:22:52,130 --> 00:22:49,559
Meridian he said that's exactly the

561
00:22:53,870 --> 00:22:52,140
conclusion we came to I said all these

562
00:22:57,950 --> 00:22:53,880
are points people are missing in my

563
00:23:00,289 --> 00:22:57,960

opinion in the uh the so-called study of

564

00:23:02,630 --> 00:23:00,299

the implant I just

565

00:23:03,950 --> 00:23:02,640

it's it's much more involved than we

566

00:23:06,230 --> 00:23:03,960

even imagined

567

00:23:07,730 --> 00:23:06,240

and even the type of implants there are

568

00:23:10,549 --> 00:23:07,740

varied like I've seen you have pictures

569

00:23:12,289 --> 00:23:10,559

of ones that are like tendon masses it

570

00:23:14,450 --> 00:23:12,299

almost looks like diamonds stuck to a

571

00:23:17,029 --> 00:23:14,460

tendon and other ones that are like like

572

00:23:19,010 --> 00:23:17,039

brass ball bearings that's some infant

573

00:23:20,630 --> 00:23:19,020

like had them in their nose or something

574

00:23:22,850 --> 00:23:20,640

like that like all kinds of crazy stuff

575

00:23:25,070 --> 00:23:22,860

you are you're so correct there are

576

00:23:27,710 --> 00:23:25,080

implants that are we have implants that

577

00:23:30,529 --> 00:23:27,720

that are ferrous metal

578

00:23:32,750 --> 00:23:30,539

we have implants that are non-ferrous we

579

00:23:35,810 --> 00:23:32,760

have implants that are ferrous and also

580

00:23:37,909 --> 00:23:35,820

have ferrous metals in the same body

581

00:23:40,909 --> 00:23:37,919

the same ability

582

00:23:43,549 --> 00:23:40,919

we have implants that were glass-like

583

00:23:46,370 --> 00:23:43,559

material not glass glass light we have

584

00:23:47,690 --> 00:23:46,380

implants that were uh it's one of them

585

00:23:49,510 --> 00:23:47,700

studied by the University of Houston

586

00:23:52,490 --> 00:23:49,520

that turned out to be

587

00:23:54,890 --> 00:23:52,500

ceramic like material with a soft

588

00:23:57,710 --> 00:23:54,900

cushion on the inside we think it housed

589

00:24:00,789 --> 00:23:57,720

a biological camera that was attached to

590

00:24:03,409 --> 00:24:00,799

the lady's eye in the in our amazing

591

00:24:05,390 --> 00:24:03,419

disembrace massive double Mass abduction

592

00:24:09,049 --> 00:24:05,400

in 1992.

593

00:24:11,450 --> 00:24:09,059

so implants are made in my opinion

594

00:24:14,330 --> 00:24:11,460

and I told these doctors this I said I

595

00:24:16,549 --> 00:24:14,340

want you to not believe a word I say but

596

00:24:18,230 --> 00:24:16,559

I want you to listen to the abductees

597

00:24:21,470 --> 00:24:18,240

that come to you because I brought two

598

00:24:24,289 --> 00:24:21,480

abductees with me to that 250 doctor

599

00:24:26,390 --> 00:24:24,299

presentation I said listen to your

600

00:24:28,310 --> 00:24:26,400

patients carefully I don't care if you

601
00:24:32,330 --> 00:24:28,320
believe them all I want you to do is

602
00:24:35,570 --> 00:24:32,340
test them do a biopsy of the area in

603
00:24:37,549 --> 00:24:35,580
some of these cases and I said I think

604
00:24:39,049 --> 00:24:37,559
we're going to see something amazing I

605
00:24:41,029 --> 00:24:39,059
said the implants you're looking at here

606
00:24:44,149 --> 00:24:41,039
the metal ones and so on most of those

607
00:24:46,070 --> 00:24:44,159
are are literally uh

608
00:24:49,549 --> 00:24:46,080
out of date

609
00:24:50,870 --> 00:24:49,559
they're passe they're 40 years old

610
00:24:52,850 --> 00:24:50,880
the ones where you're going to be

611
00:24:56,210 --> 00:24:52,860
looking for in the future in my opinion

612
00:24:58,370 --> 00:24:56,220
are going to be biological in origin and

613
00:25:01,310 --> 00:24:58,380

if you do a biopsy of and you find one

614

00:25:03,409 --> 00:25:01,320

of these locations if that happens if if

615

00:25:04,310 --> 00:25:03,419

my thesis is correct and that's all it

616

00:25:06,470 --> 00:25:04,320

is

617

00:25:08,630 --> 00:25:06,480

you're going to find nerve cells that

618

00:25:11,930 --> 00:25:08,640

are not representative of that part of

619

00:25:15,230 --> 00:25:11,940

the body not like the one we had in the

620

00:25:16,549 --> 00:25:15,240

initial operation where we found keratin

621

00:25:17,690 --> 00:25:16,559

you're going to find something quite

622

00:25:19,789 --> 00:25:17,700

different

623

00:25:22,130 --> 00:25:19,799

and a biological implant I think you're

624

00:25:24,950 --> 00:25:22,140

going to find central nervous systems

625

00:25:28,070 --> 00:25:24,960

CNN as cells a central nervous system

626

00:25:29,870 --> 00:25:28,080

cells in that location you're basically

627

00:25:32,810 --> 00:25:29,880

going to have a mini brain in that

628

00:25:34,610 --> 00:25:32,820

little tiny area

629

00:25:36,710 --> 00:25:34,620

and have you found that there's any

630

00:25:39,710 --> 00:25:36,720

health issues with the people that have

631

00:25:41,510 --> 00:25:39,720

these implants like did do they have a

632

00:25:45,250 --> 00:25:41,520

commonality of being sick are they

633

00:25:48,289 --> 00:25:45,260

healthy people uh is it a mixed bag

634

00:25:50,930 --> 00:25:48,299

remarkably good questions I I love your

635

00:25:53,769 --> 00:25:50,940

I love that inquiring minds wants a note

636

00:26:00,230 --> 00:25:53,779

right or people want to know the truth

637

00:26:06,769 --> 00:26:03,289

the in the answer to your questions it

638

00:26:08,990 --> 00:26:06,779

it's difficult to uh

639

00:26:11,210 --> 00:26:09,000

to answer that question because it there

640

00:26:13,669 --> 00:26:11,220

is not enough work really done on what I

641

00:26:16,130 --> 00:26:13,679

want to do is take all our abductees all

642

00:26:17,750 --> 00:26:16,140

our implants I want to take abductees

643

00:26:19,789 --> 00:26:17,760

that have had implants removed and

644

00:26:22,970 --> 00:26:19,799

abductees who still have the objects in

645

00:26:25,430 --> 00:26:22,980

them to a university setting where these

646

00:26:26,810 --> 00:26:25,440

people can be interviewed analyzed

647

00:26:29,269 --> 00:26:26,820

hooked up to equipment and everything

648

00:26:31,850 --> 00:26:29,279

else and then in another room activate

649

00:26:33,470 --> 00:26:31,860

implants that are removed to see if they

650

00:26:34,669 --> 00:26:33,480

have any effect on any of the people in

651
00:26:36,289 --> 00:26:34,679
the other room

652
00:26:38,630 --> 00:26:36,299
we also want to take some of the

653
00:26:41,870 --> 00:26:38,640
implants and reinstall them

654
00:26:44,210 --> 00:26:41,880
and animals and or uh people who've

655
00:26:45,950 --> 00:26:44,220
actually volunteered there are a lot of

656
00:26:48,409 --> 00:26:45,960
things that need to be done we have not

657
00:26:50,810 --> 00:26:48,419
done now it just it just simply don't

658
00:26:53,029 --> 00:26:50,820
have the money for it to do this sort of

659
00:26:55,610 --> 00:26:53,039
thing but uh I discovered the implants

660
00:26:58,430 --> 00:26:55,620
in 1960. I'll give you a hint as to some

661
00:27:01,850 --> 00:26:58,440
of the possibilities

662
00:27:03,769 --> 00:27:01,860
in 1960 I was age 12. I was wide awake

663
00:27:05,870 --> 00:27:03,779

during my abduction

664

00:27:08,570 --> 00:27:05,880

uh

665

00:27:11,330 --> 00:27:08,580

long story short I walked outside of my

666

00:27:14,510 --> 00:27:11,340

room and uh because I was instructed to

667

00:27:17,690 --> 00:27:14,520

do so mentally and there's a huge light

668

00:27:19,730 --> 00:27:17,700

on the on the horizon it's like I hate

669

00:27:21,470 --> 00:27:19,740

using movies as an illustration but like

670

00:27:23,450 --> 00:27:21,480

the movie phenomenon

671

00:27:25,610 --> 00:27:23,460

where the liking this guy and hits uh

672

00:27:26,810 --> 00:27:25,620

John Travolta in the face and kind of

673

00:27:28,430 --> 00:27:26,820

knocks him on the ground it was kind of

674

00:27:29,810 --> 00:27:28,440

like that there was a huge light and I

675

00:27:32,990 --> 00:27:29,820

realized it's getting brighter and

676
00:27:34,370 --> 00:27:33,000
brighter beautiful a clear night and I

677
00:27:37,610 --> 00:27:34,380
realize it's not getting brighter and

678
00:27:39,470 --> 00:27:37,620
brighter it's coming toward me fast the

679
00:27:43,850 --> 00:27:39,480
next thing I know I'm in a lighted room

680
00:27:46,250 --> 00:27:43,860
in a in a what I I think is a UFO

681
00:27:47,990 --> 00:27:46,260
because it was a circular room it said

682
00:27:51,409 --> 00:27:48,000
all the descriptions of anything anyone

683
00:27:55,370 --> 00:27:51,419
ever described of UFO inside

684
00:27:57,110 --> 00:27:55,380
and in that event uh again I'm switched

685
00:28:00,169 --> 00:27:57,120
off at a certain point I'm not supposed

686
00:28:02,690 --> 00:28:00,179
to know or remember anything and I

687
00:28:04,789 --> 00:28:02,700
somehow or another use that same

688
00:28:07,250 --> 00:28:04,799

mechanism to switch myself back on

689

00:28:10,549 --> 00:28:07,260

because I want to hear what's going on

690

00:28:13,610 --> 00:28:10,559

I'm only 12 years old when I overhear

691

00:28:16,130 --> 00:28:13,620

what they're going to do and why

692

00:28:18,169 --> 00:28:16,140

I broke down and started crying

693

00:28:19,850 --> 00:28:18,179

I said I've never harmed or done

694

00:28:21,529 --> 00:28:19,860

anything bad to anybody

695

00:28:23,390 --> 00:28:21,539

why in the world would they want to do

696

00:28:26,510 --> 00:28:23,400

this to me

697

00:28:28,850 --> 00:28:26,520

and I was just mortified by what I found

698

00:28:31,789 --> 00:28:28,860

out and I've never told anybody what

699

00:28:34,430 --> 00:28:31,799

that was all about because again it's uh

700

00:28:36,470 --> 00:28:34,440

that I I don't know how I'd prove that I

701
00:28:37,549 --> 00:28:36,480
have anecdotal evidence that supports it

702
00:28:41,990 --> 00:28:37,559
completely

703
00:28:46,010 --> 00:28:42,000
but um one of the qualifications of uh

704
00:28:48,710 --> 00:28:46,020
and and I and I ask your audience to to

705
00:28:51,169 --> 00:28:48,720
if they're interested to do that they

706
00:28:54,710 --> 00:28:51,179
can email me on the site at the

707
00:28:56,930 --> 00:28:54,720
alienhunter.com and on that site you can

708
00:28:59,390 --> 00:28:56,940
email me and and ask the simple question

709
00:29:00,830 --> 00:28:59,400
what are the six things the six reasons

710
00:29:02,990 --> 00:29:00,840
they take you

711
00:29:05,029 --> 00:29:03,000
now that doesn't mean that you're an

712
00:29:06,529 --> 00:29:05,039
implantee but it does mean that they

713
00:29:08,990 --> 00:29:06,539

take you there's six at least six

714

00:29:11,149 --> 00:29:09,000

reasons there may be 600 but there are

715

00:29:13,850 --> 00:29:11,159

six that I'm that I'll put my hand on

716

00:29:16,669 --> 00:29:13,860

the Bible so to speak and say thus saith

717

00:29:19,010 --> 00:29:16,679

I think those are true and those six

718

00:29:21,409 --> 00:29:19,020

reasons uh

719

00:29:28,190 --> 00:29:21,419

two of those six reasons I fall into

720

00:29:32,450 --> 00:29:30,350

one of those things that I fit in the

721

00:29:34,190 --> 00:29:32,460

category of is how to how to do things

722

00:29:38,630 --> 00:29:34,200

without being taught

723

00:29:40,490 --> 00:29:38,640

and uh I told this in a presentation in

724

00:29:43,130 --> 00:29:40,500

front of Michael Lindemann of time

725

00:29:44,930 --> 00:29:43,140

passed if you remember him and there

726
00:29:47,210 --> 00:29:44,940
were a number of people present Dr Carla

727
00:29:48,950 --> 00:29:47,220
Turner and her husband were sitting next

728
00:29:53,149 --> 00:29:48,960
to me and uh

729
00:29:55,250 --> 00:29:53,159
uh uh after the conference but they were

730
00:29:57,110 --> 00:29:55,260
in the same room and I was giving this

731
00:29:59,029 --> 00:29:57,120
presentation six reasons why they take

732
00:30:00,769 --> 00:29:59,039
you and the lady challenged me to no end

733
00:30:03,409 --> 00:30:00,779
she was screaming

734
00:30:05,210 --> 00:30:03,419
well I don't believe that and I said I I

735
00:30:06,409 --> 00:30:05,220
okay that doesn't mean anything there

736
00:30:07,970 --> 00:30:06,419
are people don't believe in a Great Wall

737
00:30:09,590 --> 00:30:07,980
of China either

738
00:30:12,049 --> 00:30:09,600

well there's pictures of it and I said

739

00:30:14,029 --> 00:30:12,059

well there's pictures of you opposed to

740

00:30:15,649 --> 00:30:14,039

that doesn't mean anything I mean you

741

00:30:17,029 --> 00:30:15,659

can use the same logic disprove anything

742

00:30:19,310 --> 00:30:17,039

it doesn't

743

00:30:21,710 --> 00:30:19,320

logic is not truth it's a system of

744

00:30:24,529 --> 00:30:21,720

thinking it's a good system of thinking

745

00:30:26,330 --> 00:30:24,539

but it's not the truth it's just a

746

00:30:30,350 --> 00:30:26,340

system of thinking

747

00:30:33,110 --> 00:30:30,360

so she's well prove it and I said I two

748

00:30:35,529 --> 00:30:33,120

of these of six reasons I said one of

749

00:30:38,029 --> 00:30:35,539

them is learning to do things without

750

00:30:39,289 --> 00:30:38,039

with either Little Instruction or not

751
00:30:42,350 --> 00:30:39,299
being taught

752
00:30:43,850 --> 00:30:42,360
and she said oh private and I she I mean

753
00:30:44,810 --> 00:30:43,860
she screamed it she just stood up in

754
00:30:46,549 --> 00:30:44,820
front of the audience just made

755
00:30:48,110 --> 00:30:46,559
everybody really upset it was at the

756
00:30:52,789 --> 00:30:48,120
Laughlin conference

757
00:30:55,370 --> 00:30:52,799
and I said okay uh I said I have a at

758
00:30:56,990 --> 00:30:55,380
the time I have a fourth now but I would

759
00:30:59,029 --> 00:30:57,000
say I'm a third degree black belt in the

760
00:31:01,549 --> 00:30:59,039
martial arts lots of people are

761
00:31:05,269 --> 00:31:01,559
blackmails in the martial arts so what

762
00:31:08,510 --> 00:31:05,279
and I said uh that's true I said but

763
00:31:10,370 --> 00:31:08,520

they probably uh took a course and were

764

00:31:13,010 --> 00:31:10,380

under years of instruction

765

00:31:14,630 --> 00:31:13,020

before that happened

766

00:31:18,470 --> 00:31:14,640

what do you mean

767

00:31:20,690 --> 00:31:18,480

I said I've never had a teacher

768

00:31:22,610 --> 00:31:20,700

I said I am a bon applied third degree

769

00:31:25,370 --> 00:31:22,620

black belt in the martial arts

770

00:31:28,789 --> 00:31:25,380

and I've competed in major competitions

771

00:31:31,130 --> 00:31:28,799

the the guy the martial art Master of

772

00:31:32,810 --> 00:31:31,140

masoyama the eighth Dan Black Belt to

773

00:31:35,210 --> 00:31:32,820

kill bulls with these left and right

774

00:31:37,549 --> 00:31:35,220

punches he's a personal friend of mine

775

00:31:40,909 --> 00:31:37,559

he's coming to he was coming to New

776

00:31:43,190 --> 00:31:40,919

Mexico to promote me personally I said

777

00:31:44,810 --> 00:31:43,200

so I I have a pedigree you couldn't

778

00:31:47,750 --> 00:31:44,820

touch

779

00:31:49,850 --> 00:31:47,760

and well what else and I said well uh

780

00:31:54,110 --> 00:31:49,860

good night um

781

00:31:56,269 --> 00:31:54,120

I said I'm a Master Level NOP I'm a

782

00:31:58,310 --> 00:31:56,279

handwriting analyst and so on well

783

00:32:00,950 --> 00:31:58,320

anybody can do that and I said yes yes

784

00:32:02,690 --> 00:32:00,960

but uh it's going to cost you a lot of

785

00:32:04,730 --> 00:32:02,700

money and a lot of time to be able to do

786

00:32:06,230 --> 00:32:04,740

these things

787

00:32:11,090 --> 00:32:06,240

I said I

788

00:32:14,149 --> 00:32:11,100

two instructorships In Scuba Diving

789

00:32:16,070 --> 00:32:14,159

she's so I said I never passed a basic

790

00:32:20,149 --> 00:32:16,080

scuba course

791

00:32:24,769 --> 00:32:22,250

you're thinking it's about ego and

792

00:32:26,029 --> 00:32:24,779

bragging and all that you're missing the

793

00:32:28,070 --> 00:32:26,039

whole point

794

00:32:29,930 --> 00:32:28,080

one of my implantees told me is well

795

00:32:32,450 --> 00:32:29,940

there's nothing unusual about me I said

796

00:32:35,269 --> 00:32:32,460

you go feed that to someone else who

797

00:32:37,190 --> 00:32:35,279

wants to hear that I said you are you

798

00:32:39,889 --> 00:32:37,200

you are

799

00:32:42,169 --> 00:32:39,899

Mr Nobody you look like Grizzly Adams

800

00:32:46,370 --> 00:32:42,179

you look a big beard and overalls and

801
00:32:48,409 --> 00:32:46,380
that's very impressive to uh to to your

802
00:32:51,529 --> 00:32:48,419
friends because they know that you're an

803
00:32:54,649 --> 00:32:51,539
apartment uh manager and you repair

804
00:32:56,330 --> 00:32:54,659
things I said that's your Forte

805
00:32:58,070 --> 00:32:56,340
that the fact is you're a computer

806
00:32:59,029 --> 00:32:58,080
genius and you and I both know about

807
00:33:01,549 --> 00:32:59,039
that

808
00:33:03,110 --> 00:33:01,559
and you completely self-taught

809
00:33:04,669 --> 00:33:03,120
there's nothing anybody can do about it

810
00:33:06,889 --> 00:33:04,679
they can call you anything in the world

811
00:33:09,049 --> 00:33:06,899
but you're so far ahead of people it is

812
00:33:10,190 --> 00:33:09,059
absolutely amazing in your particular

813
00:33:12,529 --> 00:33:10,200

area

814

00:33:15,730 --> 00:33:12,539

I said you fall into a category where

815

00:33:17,930 --> 00:33:15,740

things you learn or understand things

816

00:33:19,850 --> 00:33:17,940

and nobody knows where you get the

817

00:33:21,950 --> 00:33:19,860

information you may study something have

818

00:33:23,990 --> 00:33:21,960

an interest in it and then you just take

819

00:33:27,350 --> 00:33:24,000

off all by yourself I've seen people

820

00:33:29,149 --> 00:33:27,360

rare people do this I said in the ones

821

00:33:33,110 --> 00:33:29,159

that I've seen are actually abductees

822

00:33:34,909 --> 00:33:33,120

now are all abductees smart brilliant

823

00:33:37,310 --> 00:33:34,919

Geniuses or anything like no no no

824

00:33:40,630 --> 00:33:37,320

they're not we have abductees who are

825

00:33:44,029 --> 00:33:40,640

certified Geniuses we have abductees who

826

00:33:46,190 --> 00:33:44,039

their IQ is so low on the on the IQ

827

00:33:47,590 --> 00:33:46,200

scale I can't figure out how they find

828

00:33:50,029 --> 00:33:47,600

food

829

00:33:51,289 --> 00:33:50,039

so if you think aliens are picking up

830

00:33:53,750 --> 00:33:51,299

people because they're all genius or

831

00:33:55,370 --> 00:33:53,760

something you're absolutely 100 wrong in

832

00:33:57,470 --> 00:33:55,380

fact they are going to be the smallest

833

00:33:59,029 --> 00:33:57,480

category of people up there who's going

834

00:34:01,789 --> 00:33:59,039

to be the really brilliant ones so to

835

00:34:03,350 --> 00:34:01,799

speaking it's just generally not true

836

00:34:05,509 --> 00:34:03,360

so what are the six things you've

837

00:34:07,430 --> 00:34:05,519

alluded to it a few times you mentioned

838

00:34:09,649 --> 00:34:07,440

that in your own personal belief it's

839

00:34:11,450 --> 00:34:09,659

your ability to just know things without

840

00:34:13,669 --> 00:34:11,460

being taught so that's one of them but

841

00:34:15,349 --> 00:34:13,679

what are the other five and again these

842

00:34:16,730 --> 00:34:15,359

are general rules but what have you

843

00:34:19,430 --> 00:34:16,740

found I'm sure our audience would love

844

00:34:21,409 --> 00:34:19,440

to know well first of all for me I want

845

00:34:23,629 --> 00:34:21,419

to correct something if I may with the

846

00:34:25,669 --> 00:34:23,639

with the greatest respect uh it's not

847

00:34:29,750 --> 00:34:25,679

about my belief my beliefs are

848

00:34:32,810 --> 00:34:29,760

irrelevant to me the belief is I believe

849

00:34:36,349 --> 00:34:32,820

I I I relegate to something that has to

850

00:34:38,210 --> 00:34:36,359

do with uh something very high high

851
00:34:40,909 --> 00:34:38,220
ultimate standards that a person might

852
00:34:43,430 --> 00:34:40,919
have but uh from a personal point of

853
00:34:45,829 --> 00:34:43,440
view a belief and about what something

854
00:34:48,829 --> 00:34:45,839
is or isn't that can be changed

855
00:34:51,829 --> 00:34:48,839
immediately by more information yeah so

856
00:34:54,490 --> 00:34:51,839
uh that's the first thing the second

857
00:34:58,609 --> 00:34:54,500
thing the answer your second question

858
00:35:00,589 --> 00:34:58,619
statement is that uh

859
00:35:03,230 --> 00:35:00,599
there I'll divide this up into three

860
00:35:06,950 --> 00:35:03,240
category three categories of two each

861
00:35:08,510 --> 00:35:06,960
the first category is spiritual and

862
00:35:10,730 --> 00:35:08,520
a psychical

863
00:35:12,410 --> 00:35:10,740

uh they're not interested in Billy

864

00:35:14,510 --> 00:35:12,420

Graham they're not interested in Gene

865

00:35:16,010 --> 00:35:14,520

Dixon or any big top psychic person in

866

00:35:17,390 --> 00:35:16,020

the world they don't care anything about

867

00:35:19,910 --> 00:35:17,400

them nothing

868

00:35:22,010 --> 00:35:19,920

not anything about it they're not in

869

00:35:24,589 --> 00:35:22,020

they're not interested in that the level

870

00:35:26,810 --> 00:35:24,599

of Interest they're interested in is

871

00:35:29,450 --> 00:35:26,820

what it is you do it's a psychic or the

872

00:35:34,430 --> 00:35:29,460

spiritual level

873

00:35:36,710 --> 00:35:34,440

that uh that is unique

874

00:35:38,390 --> 00:35:36,720

it's not like anybody anywhere else you

875

00:35:40,849 --> 00:35:38,400

think it's not you think it's normal

876

00:35:43,370 --> 00:35:40,859

because you don't you've never compared

877

00:35:46,010 --> 00:35:43,380

your skill or your ability or anything

878

00:35:47,630 --> 00:35:46,020

to other people you don't do that a lot

879

00:35:50,210 --> 00:35:47,640

of people just don't know or don't they

880

00:35:52,550 --> 00:35:50,220

just don't know that for for sure that

881

00:35:54,770 --> 00:35:52,560

so it's spiritual or psychical

882

00:35:56,750 --> 00:35:54,780

do I think all psychics are all

883

00:35:58,609 --> 00:35:56,760

spiritual people get abducted no I do

884

00:36:01,730 --> 00:35:58,619

not there's no evidence for that

885

00:36:03,530 --> 00:36:01,740

whatsoever I'm just saying that that is

886

00:36:04,670 --> 00:36:03,540

two of the things that they do look for

887

00:36:07,310 --> 00:36:04,680

and that

888

00:36:10,310 --> 00:36:07,320

particular category the second one has

889

00:36:12,410 --> 00:36:10,320

to do with uh science and Technical

890

00:36:15,050 --> 00:36:12,420

and it has to do with people who have

891

00:36:17,089 --> 00:36:15,060

skill like my like my uh

892

00:36:19,130 --> 00:36:17,099

the man I just spoke about who's just a

893

00:36:22,790 --> 00:36:19,140

computer Gene it's got just absolutely

894

00:36:24,589 --> 00:36:22,800

brilliant and it has no real skills in

895

00:36:27,710 --> 00:36:24,599

the computer field he just self-taught

896

00:36:29,930 --> 00:36:27,720

himself I mean however that happens and

897

00:36:31,849 --> 00:36:29,940

these are people who again not they're

898

00:36:34,130 --> 00:36:31,859

not aliens are not looking for people

899

00:36:36,050 --> 00:36:34,140

who are computer Geniuses computer smart

900

00:36:37,849 --> 00:36:36,060

they don't care they know more about

901
00:36:40,730 --> 00:36:37,859
this than you do they could care less

902
00:36:42,890 --> 00:36:40,740
about it but they do care if the fact is

903
00:36:44,690 --> 00:36:42,900
that you do things in science and the

904
00:36:47,270 --> 00:36:44,700
technical that

905
00:36:49,430 --> 00:36:47,280
is not natural it's not

906
00:36:50,870 --> 00:36:49,440
you do it differently than than other

907
00:36:52,910 --> 00:36:50,880
people

908
00:36:54,770 --> 00:36:52,920
the other two categories which has to do

909
00:36:58,010 --> 00:36:54,780
with psychological and the physiological

910
00:37:01,910 --> 00:36:58,020
Learning Without uh much or any training

911
00:37:04,069 --> 00:37:01,920
and it usually without much training uh

912
00:37:06,050 --> 00:37:04,079
and certainly not the maximum training

913
00:37:07,310 --> 00:37:06,060

that you should have to to be able to do

914

00:37:09,530 --> 00:37:07,320

what you do

915

00:37:13,190 --> 00:37:09,540

is the categories I've found myself

916

00:37:15,050 --> 00:37:13,200

involved in from a very early stage of

917

00:37:17,450 --> 00:37:15,060

life to later but again you don't know

918

00:37:19,670 --> 00:37:17,460

this is different because you never you

919

00:37:22,430 --> 00:37:19,680

don't quantify that against other people

920

00:37:25,190 --> 00:37:22,440

or circumstances I mean when I was in

921

00:37:26,870 --> 00:37:25,200

school I didn't I didn't have any

922

00:37:29,089 --> 00:37:26,880

particular

923

00:37:31,370 --> 00:37:29,099

skills or anything I mean nothing I mean

924

00:37:33,170 --> 00:37:31,380

I was probably in the lower third of the

925

00:37:34,970 --> 00:37:33,180

class so to speak I mean there's nothing

926
00:37:38,450 --> 00:37:34,980
to brag about there

927
00:37:41,990 --> 00:37:38,460
but when it comes to doing things I want

928
00:37:44,450 --> 00:37:42,000
to do or I choose to do uh like hypnotic

929
00:37:48,530 --> 00:37:44,460
anesthesia being a fourth degree black

930
00:37:50,210 --> 00:37:48,540
belt in the martial arts uh and one lady

931
00:37:52,849 --> 00:37:50,220
the the lady at that conference that

932
00:37:54,710 --> 00:37:52,859
wanted to start the argument I I I said

933
00:37:56,569 --> 00:37:54,720
you know I said I

934
00:37:59,270 --> 00:37:56,579
I like a challenge

935
00:38:01,569 --> 00:37:59,280
I like people like you

936
00:38:06,829 --> 00:38:01,579
what do you mean I said I

937
00:38:08,990 --> 00:38:06,839
your arrogance betrays you I said I

938
00:38:11,150 --> 00:38:09,000

I said I know how to walk over a fire

939

00:38:12,290 --> 00:38:11,160

she said oh yeah Tony Robbins told

940

00:38:13,370 --> 00:38:12,300

everybody how to do that and I said

941

00:38:15,710 --> 00:38:13,380

sweetie

942

00:38:19,010 --> 00:38:15,720

I was far walking when Tony Robbins was

943

00:38:21,829 --> 00:38:20,990

I said now let me have a little fun with

944

00:38:26,750 --> 00:38:21,839

you

945

00:38:28,849 --> 00:38:26,760

can build a big fire out here and set it

946

00:38:31,190 --> 00:38:28,859

all up and I'll walk over fire and then

947

00:38:34,490 --> 00:38:31,200

I can uh

948

00:38:36,530 --> 00:38:34,500

do some interesting things not for me

949

00:38:37,970 --> 00:38:36,540

I said I would like for you to walk over

950

00:38:39,910 --> 00:38:37,980

it

951
00:38:42,890 --> 00:38:39,920
well I just get burnt and I said

952
00:38:44,810 --> 00:38:42,900
probably if you do it on your own I said

953
00:38:47,390 --> 00:38:44,820
but if you have the right kind of help

954
00:38:49,130 --> 00:38:47,400
you can do that without getting burned

955
00:38:50,329 --> 00:38:49,140
now you've got to be asking yourself a

956
00:38:53,030 --> 00:38:50,339
question

957
00:38:54,829 --> 00:38:53,040
do you want to roll the dice

958
00:38:56,990 --> 00:38:54,839
that's good I can transfer my immunity

959
00:38:59,210 --> 00:38:57,000
to you

960
00:39:01,370 --> 00:38:59,220
and she got she said I'll never said

961
00:39:03,890 --> 00:39:01,380
another word I said I didn't think you

962
00:39:06,650 --> 00:39:03,900
had it in you so we dropped the whole

963
00:39:08,870 --> 00:39:06,660

thing I said my point is I said you're

964

00:39:11,270 --> 00:39:08,880

you're arguing about ego you're arguing

965

00:39:13,430 --> 00:39:11,280

about yours is bigger than mine or

966

00:39:14,750 --> 00:39:13,440

you're you got a better car you it's not

967

00:39:17,270 --> 00:39:14,760

about any of that

968

00:39:20,630 --> 00:39:17,280

it's about somebody out there wherever

969

00:39:23,150 --> 00:39:20,640

they are noticing something else

970

00:39:25,790 --> 00:39:23,160

that you do or have a propensity to that

971

00:39:28,730 --> 00:39:25,800

you may not even know yourself

972

00:39:30,530 --> 00:39:28,740

you probably don't have a clue

973

00:39:32,990 --> 00:39:30,540

but when you're put into the right

974

00:39:35,150 --> 00:39:33,000

circumstance you may be able to do

975

00:39:39,230 --> 00:39:35,160

things you could scarcely imagine

976
00:39:41,210 --> 00:39:39,240
and uh some people are on UFO craft it

977
00:39:43,250 --> 00:39:41,220
during an abduction do things that are

978
00:39:46,790 --> 00:39:43,260
amazing the aliens are absolutely

979
00:39:49,609 --> 00:39:46,800
stunned by what they sense or think or

980
00:39:51,290 --> 00:39:49,619
imagine about these people and then they

981
00:39:53,569 --> 00:39:51,300
certain they test them they do different

982
00:39:55,250 --> 00:39:53,579
things can you do this can you do that

983
00:39:58,010 --> 00:39:55,260
and they do all these little fun things

984
00:39:59,390 --> 00:39:58,020
that the abductee has no clue what

985
00:40:01,190 --> 00:39:59,400
they're doing with them

986
00:40:04,370 --> 00:40:01,200
they already noticed something's there

987
00:40:05,690 --> 00:40:04,380
so is it to nurture these abilities

988
00:40:07,490 --> 00:40:05,700

um because you know we've talked to some

989

00:40:09,050 --> 00:40:07,500

people that are mentioning about being

990

00:40:11,329 --> 00:40:09,060

able to fly the craft with their

991

00:40:13,670 --> 00:40:11,339

Consciousness and you know the the

992

00:40:16,130 --> 00:40:13,680

entities let them keep that memory so is

993

00:40:19,849 --> 00:40:16,140

it to nurture these abilities in people

994

00:40:22,190 --> 00:40:19,859

or is it just to to perpetuate that more

995

00:40:24,710 --> 00:40:22,200

into the population

996

00:40:26,450 --> 00:40:24,720

well it may not be an Andor it it could

997

00:40:28,490 --> 00:40:26,460

be a chicken chicken that burst of the

998

00:40:30,650 --> 00:40:28,500

egg so to speak in other words did you

999

00:40:33,890 --> 00:40:30,660

develop those abilities after you got

1000

00:40:36,470 --> 00:40:33,900

abducted or before were they latent

1001
00:40:39,650 --> 00:40:36,480
inside you did you do this and most

1002
00:40:41,270 --> 00:40:39,660
people believe me most people in the UFO

1003
00:40:42,829 --> 00:40:41,280
community that are abductees or

1004
00:40:43,849 --> 00:40:42,839
contactees or whatever you want to call

1005
00:40:46,190 --> 00:40:43,859
them

1006
00:40:47,810 --> 00:40:46,200
uh are not people wandering around with

1007
00:40:50,329 --> 00:40:47,820
super abilities that they don't know

1008
00:40:54,710 --> 00:40:50,339
about I don't think that's true either I

1009
00:40:57,530 --> 00:40:54,720
think these are I think 98 of it or 96

1010
00:40:59,870 --> 00:40:57,540
of your DNA that they said was junk DNA

1011
00:41:02,030 --> 00:40:59,880
not discovered and so on I think that's

1012
00:41:03,589 --> 00:41:02,040
DNA it's not activated

1013
00:41:04,370 --> 00:41:03,599

I think scientists just don't have a

1014

00:41:06,349 --> 00:41:04,380

clue

1015

00:41:07,730 --> 00:41:06,359

so they think it must be junk or it must

1016

00:41:10,210 --> 00:41:07,740

be something else

1017

00:41:12,530 --> 00:41:10,220

uh I think whenever you get thrown into

1018

00:41:14,170 --> 00:41:12,540

unusual circumstances and I'll give it

1019

00:41:18,050 --> 00:41:14,180

an illustration here

1020

00:41:20,089 --> 00:41:18,060

lady a car uh a little child gets run

1021

00:41:22,250 --> 00:41:20,099

over by a car and the mother goes out

1022

00:41:23,990 --> 00:41:22,260

and lifts the car lifts it clean up off

1023

00:41:25,970 --> 00:41:24,000

of the child and how do they do that

1024

00:41:27,829 --> 00:41:25,980

well it's a adrenaline flow in the body

1025

00:41:29,450 --> 00:41:27,839

there isn't enough adrenaline in your

1026

00:41:31,370 --> 00:41:29,460

body to do that

1027

00:41:32,750 --> 00:41:31,380

you'd be dead if you had that much

1028

00:41:34,910 --> 00:41:32,760

adrenaline in there

1029

00:41:37,970 --> 00:41:34,920

the fact is there's a in the martial

1030

00:41:42,109 --> 00:41:37,980

arts we refer to this as key key is an

1031

00:41:45,349 --> 00:41:42,119

ability to uh to to to manifest the

1032

00:41:47,390 --> 00:41:45,359

physical aspect of the human body and do

1033

00:41:51,050 --> 00:41:47,400

things that you're not able to do but

1034

00:41:54,530 --> 00:41:51,060

you know that it just uh and again this

1035

00:41:57,650 --> 00:41:54,540

borders along the mystical or psychical

1036

00:42:00,710 --> 00:41:57,660

or it's not any of that these are things

1037

00:42:03,650 --> 00:42:00,720

that any any every baby has keep

1038

00:42:05,390 --> 00:42:03,660

if you if you have a baby you want to

1039

00:42:07,010 --> 00:42:05,400

set him down on the floor and he wants

1040

00:42:07,910 --> 00:42:07,020

to stand you're not going to set him

1041

00:42:10,490 --> 00:42:07,920

down

1042

00:42:12,290 --> 00:42:10,500

why you can't move these little legs

1043

00:42:15,170 --> 00:42:12,300

well they're just baby they try and do

1044

00:42:18,109 --> 00:42:15,180

it make the baby if he doesn't want to

1045

00:42:19,910 --> 00:42:18,119

make him stand if he doesn't want to my

1046

00:42:23,270 --> 00:42:19,920

little daughter when she was uh

1047

00:42:28,370 --> 00:42:23,280

about 10 years old at her hang on some

1048

00:42:30,230 --> 00:42:28,380

uh on the on a pole I said on a pull-up

1049

00:42:32,210 --> 00:42:30,240

bar I said hang yourself there just

1050

00:42:34,910 --> 00:42:32,220

stand see how long you can hold on and

1051

00:42:37,670 --> 00:42:34,920

she's finally after about a minute she

1052

00:42:39,410 --> 00:42:37,680

dropped and so I I said okay now we're

1053

00:42:41,510 --> 00:42:39,420

gonna do it again said so I stood her up

1054

00:42:44,150 --> 00:42:41,520

there and I had her focus on me and I

1055

00:42:45,829 --> 00:42:44,160

talked to her for about 10 minutes

1056

00:42:47,150 --> 00:42:45,839

and she held on that bar never ever

1057

00:42:49,190 --> 00:42:47,160

thought about it

1058

00:42:51,950 --> 00:42:49,200

that's key

1059

00:42:54,230 --> 00:42:51,960

I mean it doesn't make everybody has it

1060

00:42:55,970 --> 00:42:54,240

it's not magical it's not your special

1061

00:42:58,609 --> 00:42:55,980

and unique and different and I no that's

1062

00:43:00,530 --> 00:42:58,619

just not true we're all made basically

1063

00:43:01,329 --> 00:43:00,540

the same way

1064

00:43:05,089 --> 00:43:01,339

um

1065

00:43:06,890 --> 00:43:05,099

and it's the question is do you do you

1066

00:43:10,730 --> 00:43:06,900

want to or do you have an interest in

1067

00:43:13,130 --> 00:43:10,740

accessing that or not it's that simple I

1068

00:43:14,990 --> 00:43:13,140

could give you 100 examples uh and even

1069

00:43:16,970 --> 00:43:15,000

did a demonstration for a bunch of

1070

00:43:21,470 --> 00:43:16,980

psychologists psychiatrists and

1071

00:43:24,290 --> 00:43:21,480

ufologists on uh on this sort of subject

1072

00:43:28,130 --> 00:43:24,300

and and on screen memories and how

1073

00:43:31,370 --> 00:43:28,140

aliens use they are the they are the

1074

00:43:32,690 --> 00:43:31,380

presenters if in my opinion of the false

1075

00:43:34,970 --> 00:43:32,700

memory syndrome

1076

00:43:36,530 --> 00:43:34,980

they are the ones who develop that to

1077

00:43:40,069 --> 00:43:36,540

give you false memories so that you

1078

00:43:42,349 --> 00:43:40,079

won't remember the truth and if if a

1079

00:43:44,210 --> 00:43:42,359

person is skilled retrieving memory

1080

00:43:47,329 --> 00:43:44,220

through a different number of different

1081

00:43:49,670 --> 00:43:47,339

methods well you can uncover that you

1082

00:43:51,650 --> 00:43:49,680

can and find out amazing things about

1083

00:43:54,470 --> 00:43:51,660

what you

1084

00:43:55,790 --> 00:43:54,480

thought was lost in memory and in fact

1085

00:43:57,890 --> 00:43:55,800

it's real

1086

00:43:59,450 --> 00:43:57,900

easy too yeah sorry jay I was just going

1087

00:44:01,670 --> 00:43:59,460

to say so in terms of these entities and

1088

00:44:03,710 --> 00:44:01,680

I've heard you say that they've never

1089

00:44:05,329 --> 00:44:03,720

been honest with us it's all been smoke

1090

00:44:08,030 --> 00:44:05,339

and mirrors and games and what they tell

1091

00:44:10,910 --> 00:44:08,040

us isn't true you know it's almost like

1092

00:44:12,589 --> 00:44:10,920

we don't really know the truth and it's

1093

00:44:13,970 --> 00:44:12,599

not that they're here to like take over

1094

00:44:16,609 --> 00:44:13,980

but they don't seem to have that

1095

00:44:18,290 --> 00:44:16,619

benevolent flavor and I also heard you

1096

00:44:21,230 --> 00:44:18,300

mention that you know the species

1097

00:44:23,690 --> 00:44:21,240

everybody's familiar with are not really

1098

00:44:25,309 --> 00:44:23,700

aliens from another planet coming here

1099

00:44:27,530 --> 00:44:25,319

and I've also heard you say that people

1100

00:44:30,470 --> 00:44:27,540

have even signed a alien craft and

1101

00:44:32,450 --> 00:44:30,480

Saturn's ring so what do you make of the

1102

00:44:34,849 --> 00:44:32,460

whole thing is there like a higher level

1103

00:44:37,490 --> 00:44:34,859

and then the species we know of coming

1104

00:44:39,770 --> 00:44:37,500

here to do the work is it their agenda

1105

00:44:41,990 --> 00:44:39,780

like to sum it up for people who aren't

1106

00:44:43,609 --> 00:44:42,000

as familiar with this topic as us like

1107

00:44:46,250 --> 00:44:43,619

what do you think is actually going on

1108

00:44:50,410 --> 00:44:46,260

right from the top to what we experience

1109

00:44:53,210 --> 00:44:50,420

in a nutshell I suspect that um

1110

00:44:55,670 --> 00:44:53,220

that uh and we have to go back to the

1111

00:44:58,490 --> 00:44:55,680

beginning uh

1112

00:45:01,550 --> 00:44:58,500

uh in my opinion the human being is

1113

00:45:03,410 --> 00:45:01,560

unique I think yeah there's never been

1114

00:45:05,990 --> 00:45:03,420

anything like you anywhere in the

1115

00:45:07,550 --> 00:45:06,000

universe period well we're just Pawn

1116

00:45:10,790 --> 00:45:07,560

scum that's what your scientists are

1117

00:45:13,490 --> 00:45:10,800

telling you someone from a long long way

1118

00:45:16,430 --> 00:45:13,500

out there wherever that is

1119

00:45:18,530 --> 00:45:16,440

doesn't agree with that Viewpoint at all

1120

00:45:20,450 --> 00:45:18,540

they came along let's say they came you

1121

00:45:23,329 --> 00:45:20,460

said reticula or wherever

1122

00:45:25,550 --> 00:45:23,339

they came here to get what you have they

1123

00:45:28,270 --> 00:45:25,560

didn't come here to observe Pond scum

1124

00:45:32,270 --> 00:45:28,280

they probably have better things to do

1125

00:45:34,309 --> 00:45:32,280

and the fact is that in my view that the

1126

00:45:38,510 --> 00:45:34,319

taxonomy of the whole UFO phenomena

1127

00:45:45,170 --> 00:45:41,809

it would take a half a dozen of these

1128

00:45:46,609 --> 00:45:45,180

shows to illustrate this to any real

1129

00:45:49,670 --> 00:45:46,619

degree to

1130

00:45:51,829 --> 00:45:49,680

to anybody so this is just an opinion at

1131

00:45:55,430 --> 00:45:51,839

this point it's just my opinion

1132

00:45:56,750 --> 00:45:55,440

in my opinion here we are on this

1133

00:45:59,150 --> 00:45:56,760

incredible

1134

00:46:02,510 --> 00:45:59,160

blue ball called Earth

1135

00:46:05,809 --> 00:46:02,520

and we're in this incredible situation

1136

00:46:08,270 --> 00:46:05,819

where I think again we're unique I think

1137

00:46:10,370 --> 00:46:08,280

there's never been anything like you I

1138

00:46:12,890 --> 00:46:10,380

think if you divorce yourself from the

1139

00:46:14,930 --> 00:46:12,900

spiritual you Divorce Yourself to the

1140

00:46:17,210 --> 00:46:14,940

psychological you divorce yourself from

1141

00:46:19,250 --> 00:46:17,220

the physiological any of that you take

1142

00:46:22,010 --> 00:46:19,260

any of that out of the equation you're

1143

00:46:23,870 --> 00:46:22,020

already at a great loss you you've

1144

00:46:26,750 --> 00:46:23,880

already shot yourself you're like the

1145

00:46:29,210 --> 00:46:26,760

scientist says you're a pun scum well

1146

00:46:31,430 --> 00:46:29,220

maybe he doesn't have a clue maybe he's

1147

00:46:35,329 --> 00:46:31,440

he's looking at it from the box that he

1148

00:46:37,970 --> 00:46:35,339

lives in that box is Pond scum that's it

1149

00:46:40,010 --> 00:46:37,980

to beings outside that box they have a

1150

00:46:41,870 --> 00:46:40,020

different view totally they're coming

1151

00:46:43,790 --> 00:46:41,880

here to get what you have

1152

00:46:46,010 --> 00:46:43,800

you're not there's not anything like you

1153

00:46:47,630 --> 00:46:46,020

in the universe that's number one number

1154

00:46:50,990 --> 00:46:47,640

two

1155

00:46:53,089 --> 00:46:51,000

that uniqueness is uh is portrayed I

1156

00:46:56,690 --> 00:46:53,099

think from the beginning of our history

1157

00:46:59,390 --> 00:46:56,700

if we if we accept uh ancient Sumerian

1158

00:47:01,730 --> 00:46:59,400

biblical and other documents is a is an

1159

00:47:04,370 --> 00:47:01,740

illustration of our Origins so to speak

1160

00:47:05,270 --> 00:47:04,380

I think that's kind of Illustrated I

1161

00:47:09,109 --> 00:47:05,280

mean

1162

00:47:10,670 --> 00:47:09,119

what came into the Garden of Eden

1163

00:47:12,890 --> 00:47:10,680

to Adam and Eve

1164

00:47:14,510 --> 00:47:12,900

it was a reptile wasn't it

1165

00:47:17,030 --> 00:47:14,520

uh oh

1166

00:47:20,690 --> 00:47:17,040

well how does that happen

1167

00:47:23,569 --> 00:47:20,700

somebody has a distinct interest in

1168

00:47:24,710 --> 00:47:23,579

changing your world view

1169

00:47:26,690 --> 00:47:24,720

from

1170

00:47:30,290 --> 00:47:26,700

if you're gonna if you accept the

1171

00:47:32,990 --> 00:47:30,300

biblical version and I do that

1172

00:47:35,510 --> 00:47:33,000

these people were placed on this place

1173

00:47:37,130 --> 00:47:35,520

for a particular reason like for

1174

00:47:40,010 --> 00:47:37,140

whatever reason whatever whatever God

1175

00:47:42,589 --> 00:47:40,020

has in mind and that somebody had a

1176

00:47:46,309 --> 00:47:42,599

distinct impression and interest to

1177

00:47:49,370 --> 00:47:46,319

alter that to separate you from

1178

00:47:51,109 --> 00:47:49,380

your your beliefs in God and so on and

1179

00:47:53,569 --> 00:47:51,119

so on well that doesn't mean anything to

1180

00:47:55,430 --> 00:47:53,579

do it actually does the uh there's there

1181

00:47:57,470 --> 00:47:55,440

are whole economies out there designed

1182

00:48:00,710 --> 00:47:57,480

to do just that one of them is called

1183

00:48:02,930 --> 00:48:00,720

communism and he said well that's that's

1184

00:48:05,270 --> 00:48:02,940

just a world view agreed I understand

1185

00:48:07,670 --> 00:48:05,280

that my point is

1186

00:48:10,370 --> 00:48:07,680

that when you go to UFO conferences and

1187

00:48:11,990 --> 00:48:10,380

ask all kinds of questions and I do one

1188

00:48:13,910 --> 00:48:12,000

of the questions I'll ask him how many

1189

00:48:15,890 --> 00:48:13,920

of you regardless of how well you were

1190

00:48:19,010 --> 00:48:15,900

raised how well you your parents loved

1191

00:48:20,390 --> 00:48:19,020

you how many of you know for a fact that

1192

00:48:21,890 --> 00:48:20,400

your parents are not your parents and

1193

00:48:24,950 --> 00:48:21,900

you'd be shocked at the hands that'll

1194

00:48:27,050 --> 00:48:24,960

come up that are abductees they do not

1195

00:48:28,609 --> 00:48:27,060

believe for an instant their parents or

1196

00:48:30,829 --> 00:48:28,619

really their parents even though they

1197

00:48:33,050 --> 00:48:30,839

can genetically prove it because you're

1198

00:48:35,750 --> 00:48:33,060

told from a very young age

1199

00:48:38,870 --> 00:48:35,760

start at age four for me your parents

1200

00:48:40,190 --> 00:48:38,880

are not your parents we are

1201

00:48:44,870 --> 00:48:40,200

we

1202

00:48:47,210 --> 00:48:44,880

you need to be paying attention to

1203

00:48:47,930 --> 00:48:47,220

therefore if they are the focus so to

1204

00:48:49,490 --> 00:48:47,940

speak

1205

00:48:51,290 --> 00:48:49,500

and there is nothing else there's no God

1206

00:48:53,990 --> 00:48:51,300

there's no anything get through the

1207

00:48:56,329 --> 00:48:54,000

highest Authority in the universe is

1208

00:48:59,569 --> 00:48:56,339

will that be them because that's the box

1209

00:49:01,250 --> 00:48:59,579

they've created for you and they're in

1210

00:49:03,890 --> 00:49:01,260

charge of that box

1211

00:49:05,329 --> 00:49:03,900

so that puts you at a tremendous uh

1212

00:49:08,030 --> 00:49:05,339

disadvantage if you want to do

1213

00:49:12,050 --> 00:49:08,040

self-defense if you want to do anything

1214

00:49:13,730 --> 00:49:12,060

outside their will and uh anyway that's

1215

00:49:15,589 --> 00:49:13,740

that's kind of tough

1216

00:49:28,010 --> 00:49:15,599

the

1217

00:49:29,990 --> 00:49:28,020

on Genesis as a good example it's also

1218

00:49:32,210 --> 00:49:30,000

in other motives I've been to India I've

1219

00:49:34,910 --> 00:49:32,220

been around the world uh those same

1220

00:49:37,270 --> 00:49:34,920

images are carved on Stone all over the

1221

00:49:40,250 --> 00:49:37,280

world so they've been around for a while

1222

00:49:43,910 --> 00:49:40,260

and they have a vested interest in

1223

00:49:45,589 --> 00:49:43,920

altering our world view and and why oh

1224

00:49:47,809 --> 00:49:45,599

I'd love to know the answer that myself

1225

00:49:50,030 --> 00:49:47,819

I don't know the big answers I wish they

1226

00:49:52,670 --> 00:49:50,040

did that's why I'm doing the research I

1227

00:49:54,890 --> 00:49:52,680

want to know what's going on with these

1228

00:49:57,170 --> 00:49:54,900

particular beings if you look at the DNA

1229

00:50:00,290 --> 00:49:57,180

carefully and honestly

1230

00:50:03,050 --> 00:50:00,300

without a quote unquote UFO hat on just

1231

00:50:08,089 --> 00:50:03,060

get rid of your UFO hat and just ask

1232

00:50:12,890 --> 00:50:10,609

how does all where do you suppose you

1233

00:50:15,109 --> 00:50:12,900

get uh the so-called blonde hair

1234

00:50:17,030 --> 00:50:15,119

blue-eyed alien the Nordic where do you

1235

00:50:20,210 --> 00:50:17,040

suppose you get Nordic DNA I'm gonna

1236

00:50:23,390 --> 00:50:20,220

take a wild guess here Norway

1237

00:50:26,089 --> 00:50:23,400

hmm maybe that would work uh where would

1238

00:50:28,130 --> 00:50:26,099

you get DNA of a reptile probably

1239

00:50:30,349 --> 00:50:28,140

planted earth we have hundreds of

1240

00:50:32,870 --> 00:50:30,359

species of them you're probably not

1241

00:50:36,290 --> 00:50:32,880

going to find it on Jupiter probably not

1242

00:50:38,750 --> 00:50:36,300

going to find it on Mars so I think

1243

00:50:40,670 --> 00:50:38,760

probably the genetic

1244

00:50:42,550 --> 00:50:40,680

pool that you'll be looking for all that

1245

00:50:45,650 --> 00:50:42,560

stuff from is right here on this planet

1246

00:50:47,510 --> 00:50:45,660

and every one of these people uh I asked

1247

00:50:49,549 --> 00:50:47,520

my friend Cliff mahuty before he passed

1248

00:50:51,410 --> 00:50:49,559

away we were hanging out together for

1249

00:50:53,990 --> 00:50:51,420

hours driving up down the roads to the

1250

00:50:56,270 --> 00:50:54,000

conference and I said tell me where the

1251
00:50:59,630 --> 00:50:56,280
explain to me who the Grays are and he

1252
00:51:01,010 --> 00:50:59,640
said well they said uh they are the star

1253
00:51:04,309 --> 00:51:01,020
people I said

1254
00:51:08,930 --> 00:51:07,010
I am Native American Indian Irish

1255
00:51:11,569 --> 00:51:08,940
Celtic myself

1256
00:51:13,130 --> 00:51:11,579
don't feed me the stuff you feed white

1257
00:51:24,829 --> 00:51:13,140
people

1258
00:51:28,670 --> 00:51:27,049
that stuff works on white folks it

1259
00:51:31,670 --> 00:51:28,680
doesn't work on me

1260
00:51:34,250 --> 00:51:31,680
I know better our people never referred

1261
00:51:38,930 --> 00:51:34,260
to them like that and they're not

1262
00:51:41,390 --> 00:51:38,940
I said they come down in the UFO so that

1263
00:51:43,370 --> 00:51:41,400

suggests to everybody oh they're the

1264

00:51:46,250 --> 00:51:43,380

star people

1265

00:51:48,910 --> 00:51:46,260

that makes a lot of sense the only

1266

00:51:51,710 --> 00:51:48,920

problem is it just ain't true

1267

00:51:53,750 --> 00:51:51,720

well you put me in a spaceship and bring

1268

00:51:55,309 --> 00:51:53,760

me down from out there I guess I'm a

1269

00:51:56,990 --> 00:51:55,319

star people too

1270

00:51:59,150 --> 00:51:57,000

funny I think I live right here in

1271

00:52:02,049 --> 00:51:59,160

Houston Texas

1272

00:52:05,150 --> 00:52:02,059

and Daryl because most of these um

1273

00:52:07,130 --> 00:52:05,160

experiences are you know experiencers

1274

00:52:10,069 --> 00:52:07,140

people have been abducted usually come

1275

00:52:11,930 --> 00:52:10,079

from a line of people that either been

1276
00:52:13,609 --> 00:52:11,940
abducted themselves or their children

1277
00:52:15,410 --> 00:52:13,619
gets abducted

1278
00:52:17,270 --> 00:52:15,420
um have you ever inquired about that

1279
00:52:20,089 --> 00:52:17,280
with your parents to see if either one

1280
00:52:23,990 --> 00:52:20,099
of them ever had these experiences

1281
00:52:26,210 --> 00:52:24,000
sharpest attack I knew it yes

1282
00:52:30,950 --> 00:52:26,220
I never told my parents anything until

1283
00:52:33,170 --> 00:52:30,960
one day my mother uh was died this this

1284
00:52:35,329 --> 00:52:33,180
year uh she one day when she was

1285
00:52:36,589 --> 00:52:35,339
watching the ancient alien she said

1286
00:52:37,970 --> 00:52:36,599
why

1287
00:52:39,710 --> 00:52:37,980
well they

1288
00:52:41,210 --> 00:52:39,720

they when you were on there they said

1289

00:52:42,530 --> 00:52:41,220

you were an abductee well that's not

1290

00:52:44,750 --> 00:52:42,540

right

1291

00:52:46,790 --> 00:52:44,760

I said uh

1292

00:52:48,890 --> 00:52:46,800

well

1293

00:52:52,010 --> 00:52:48,900

um yeah it actually is Mom

1294

00:52:54,170 --> 00:52:52,020

well you never told us that

1295

00:52:57,170 --> 00:52:54,180

screw

1296

00:52:59,390 --> 00:52:57,180

why did why did you not tell me that I

1297

00:53:01,970 --> 00:52:59,400

said because of that goofy looking Boo

1298

00:53:04,069 --> 00:53:01,980

Radley look on your face

1299

00:53:05,270 --> 00:53:04,079

that I see now I did not want to see at

1300

00:53:07,010 --> 00:53:05,280

age four

1301
00:53:09,349 --> 00:53:07,020
I knew you would say it's a dream you

1302
00:53:11,750 --> 00:53:09,359
made it all up you had a bad dream I

1303
00:53:14,450 --> 00:53:11,760
didn't have any bad anything except bad

1304
00:53:16,490 --> 00:53:14,460
experience the next morning after my

1305
00:53:19,430 --> 00:53:16,500
abduction I had a scoot Mark about that

1306
00:53:23,390 --> 00:53:19,440
big as big as your thumb on my little

1307
00:53:25,730 --> 00:53:23,400
tiny skinny leg on my shin it had been

1308
00:53:27,650 --> 00:53:25,740
cauterized overnight I didn't I was

1309
00:53:29,510 --> 00:53:27,660
playing with it touching it

1310
00:53:32,569 --> 00:53:29,520
wondering where's the boo-boo where's

1311
00:53:34,490 --> 00:53:32,579
the scab why because little kids pick at

1312
00:53:36,950 --> 00:53:34,500
scabs that's what they do

1313
00:53:39,770 --> 00:53:36,960

I didn't have one the thing was already

1314

00:53:42,109 --> 00:53:39,780

smooth car to rise and we've done

1315

00:53:46,010 --> 00:53:42,119

analysis on things like that

1316

00:53:48,829 --> 00:53:46,020

and it appears to be carterized by a a

1317

00:53:50,870 --> 00:53:48,839

process in which a an intense

1318

00:53:53,150 --> 00:53:50,880

ultraviolet light cauterizes the wound

1319

00:53:54,049 --> 00:53:53,160

instantly once this once the scoop is

1320

00:53:56,690 --> 00:53:54,059

taken

1321

00:53:59,150 --> 00:53:56,700

and that's the same exact material that

1322

00:54:01,309 --> 00:53:59,160

we found around the burst implants

1323

00:54:02,270 --> 00:54:01,319

the same exact stuff to answer your

1324

00:54:05,510 --> 00:54:02,280

question

1325

00:54:08,089 --> 00:54:05,520

do is this familial is it within the

1326

00:54:10,970 --> 00:54:08,099

family lineage it is uh are all

1327

00:54:12,410 --> 00:54:10,980

abductees all going to have people in

1328

00:54:14,990 --> 00:54:12,420

her family that needs that are abductees

1329

00:54:17,990 --> 00:54:15,000

not necessarily some cases they don't

1330

00:54:21,349 --> 00:54:18,000

but many cases they do in our case my

1331

00:54:24,109 --> 00:54:21,359

brother myself my dad are all abductees

1332

00:54:25,790 --> 00:54:24,119

none of the girls are none of them and

1333

00:54:28,150 --> 00:54:25,800

your son too right your son had an

1334

00:54:31,870 --> 00:54:28,160

encounter my son is an abductee as well

1335

00:54:35,630 --> 00:54:31,880

uh they uh

1336

00:54:37,730 --> 00:54:35,640

uh he was people say well you've had

1337

00:54:40,309 --> 00:54:37,740

horrific events or your son had aerobic

1338

00:54:42,950 --> 00:54:40,319

events so therefore that colors your

1339

00:54:45,230 --> 00:54:42,960

your your view and it makes you

1340

00:54:47,690 --> 00:54:45,240

anti-alien so to speak I said you're

1341

00:54:50,089 --> 00:54:47,700

missing the whole point again I said

1342

00:54:52,309 --> 00:54:50,099

when I started my investigations I made

1343

00:54:55,490 --> 00:54:52,319

sure that I did I eliminated things like

1344

00:54:57,470 --> 00:54:55,500

the negative aspect and uh religious

1345

00:54:59,990 --> 00:54:57,480

contacts and all these other things I

1346

00:55:02,210 --> 00:55:00,000

didn't want to start with any of that

1347

00:55:05,990 --> 00:55:02,220

I wanted to see if anyone ever showed up

1348

00:55:08,270 --> 00:55:06,000

and it did anyway I said so you're

1349

00:55:10,010 --> 00:55:08,280

you're you're you're questioning the

1350

00:55:13,250 --> 00:55:10,020

wrong person if you're going to take

1351

00:55:15,829 --> 00:55:13,260

that approach I said the fact is that

1352

00:55:19,609 --> 00:55:15,839

many of many of these people uh

1353

00:55:22,309 --> 00:55:19,619

abductees are are it is it is related to

1354

00:55:24,410 --> 00:55:22,319

your family in a sense and they say well

1355

00:55:27,950 --> 00:55:24,420

that's a alienated you've got an alien

1356

00:55:30,049 --> 00:55:27,960

implant because you're you're uh because

1357

00:55:31,490 --> 00:55:30,059

it's a tracking device this is not a

1358

00:55:34,730 --> 00:55:31,500

tracking device for you and your family

1359

00:55:36,109 --> 00:55:34,740

or anybody that's that they know who you

1360

00:55:38,510 --> 00:55:36,119

are

1361

00:55:40,370 --> 00:55:38,520

they know where you're at Stanton

1362

00:55:43,670 --> 00:55:40,380

Friedman asked me the same question are

1363

00:55:45,470 --> 00:55:43,680

these implants uh uh transponders or

1364

00:55:48,410 --> 00:55:45,480

tracking device I said no they're not

1365

00:55:49,490 --> 00:55:48,420

Stanton I said they already know where

1366

00:55:52,069 --> 00:55:49,500

you're at

1367

00:55:55,250 --> 00:55:52,079

they have no problem finding me at any

1368

00:55:57,109 --> 00:55:55,260

time anywhere they want to find me and

1369

00:55:59,870 --> 00:55:57,119

they can also avoid being the same way

1370

00:56:01,790 --> 00:55:59,880

and do in my opinion but in the

1371

00:56:04,250 --> 00:56:01,800

beginning for the first 13 years of my

1372

00:56:06,049 --> 00:56:04,260

life after age four they were able to

1373

00:56:08,750 --> 00:56:06,059

find me at least once a year during

1374

00:56:10,370 --> 00:56:08,760

these events and I've encountered most

1375

00:56:13,849 --> 00:56:10,380

of the entities that we've talked about

1376

00:56:15,650 --> 00:56:13,859

already I've encountered the grace

1377

00:56:19,250 --> 00:56:15,660

the two kinds

1378

00:56:21,849 --> 00:56:19,260

the reptile the Mantis and so on I said

1379

00:56:25,609 --> 00:56:21,859

so my point is this

1380

00:56:27,890 --> 00:56:25,619

also in my opinion the last entities

1381

00:56:29,569 --> 00:56:27,900

that showed up in my room I said they

1382

00:56:32,809 --> 00:56:29,579

weren't any of the aliens they were the

1383

00:56:36,290 --> 00:56:32,819

ones who hatched clone made or

1384

00:56:38,390 --> 00:56:36,300

manufactured them and I said that is the

1385

00:56:40,730 --> 00:56:38,400

part that bothered me the most I don't

1386

00:56:43,010 --> 00:56:40,740

care about the alien he's just doing his

1387

00:56:46,730 --> 00:56:43,020

job are they good or are they evil

1388

00:56:49,370 --> 00:56:46,740

they're doing their job if we have we

1389

00:56:52,010 --> 00:56:49,380

have a Nordic entity that was just

1390

00:56:54,170 --> 00:56:52,020

treated one man as kind as anything

1391

00:56:57,230 --> 00:56:54,180

you've ever seen

1392

00:56:59,750 --> 00:56:57,240

later the same entity

1393

00:57:02,630 --> 00:56:59,760

tortured him

1394

00:57:04,609 --> 00:57:02,640

he's just doing his job he does what

1395

00:57:06,290 --> 00:57:04,619

he's told to do you know kind of like

1396

00:57:08,930 --> 00:57:06,300

the Nazis

1397

00:57:11,870 --> 00:57:08,940

we didn't do anything wrong we were just

1398

00:57:13,849 --> 00:57:11,880

doing what we were told yeah you you

1399

00:57:16,069 --> 00:57:13,859

were doing wrong you you knew you were

1400

00:57:18,890 --> 00:57:16,079

and you now you don't want to admit it

1401
00:57:21,770 --> 00:57:18,900
because you're going trial uh the fact

1402
00:57:23,150 --> 00:57:21,780
is that people in power tend to give

1403
00:57:24,650 --> 00:57:23,160
orders and they expect those to be

1404
00:57:26,390 --> 00:57:24,660
carried out even if they are illegally

1405
00:57:28,730 --> 00:57:26,400
immoral and everything else

1406
00:57:31,549 --> 00:57:28,740
and the fact is at some point there's

1407
00:57:32,329 --> 00:57:31,559
always there's there's an old saying I

1408
00:57:34,849 --> 00:57:32,339
like

1409
00:57:36,589 --> 00:57:34,859
it says the hand that delivered us into

1410
00:57:39,290 --> 00:57:36,599
thine hand

1411
00:57:41,270 --> 00:57:39,300
will deliver you into a greater hand now

1412
00:57:43,250 --> 00:57:41,280
that's not a Biblical or it's just a

1413
00:57:46,130 --> 00:57:43,260

it's just a statement an affirmation

1414

00:57:48,170 --> 00:57:46,140

from one Countryman to another in

1415

00:57:50,210 --> 00:57:48,180

ancient times and he realized there's

1416

00:57:52,910 --> 00:57:50,220

always somebody bigger coming so to

1417

00:57:54,589 --> 00:57:52,920

speak it's going to get beat up on your

1418

00:57:58,670 --> 00:57:54,599

takeover whoever a bigger country

1419

00:58:01,069 --> 00:57:58,680

whatever that's just the way it is and I

1420

00:58:03,410 --> 00:58:01,079

think that uh that the the family

1421

00:58:06,230 --> 00:58:03,420

lineage aspect of this is fascinating

1422

00:58:08,990 --> 00:58:06,240

it's not only family lineage it's also

1423

00:58:11,270 --> 00:58:09,000

racial it's racial in the sense the word

1424

00:58:12,950 --> 00:58:11,280

Native American Indian Irish Celtic and

1425

00:58:15,589 --> 00:58:12,960

when I first came up with these stats in

1426

00:58:20,030 --> 00:58:15,599

the 1980s people looked at me like I had

1427

00:58:21,950 --> 00:58:20,040

uh green worms crawling out of my hair

1428

00:58:22,730 --> 00:58:21,960

where'd you make that up at I said we

1429

00:58:24,710 --> 00:58:22,740

didn't

1430

00:58:26,990 --> 00:58:24,720

we analyzed every one of our abductees

1431

00:58:29,690 --> 00:58:27,000

and 50 45 percent of them are Native

1432

00:58:33,349 --> 00:58:29,700

American Indian Irish Celtic I said our

1433

00:58:35,630 --> 00:58:33,359

statistics are staggering when I told my

1434

00:58:37,789 --> 00:58:35,640

dentist I have a rare drug allergy to to

1435

00:58:40,670 --> 00:58:37,799

proteins that many of our abductees do

1436

00:58:42,589 --> 00:58:40,680

he just he said that's a that's wrong

1437

00:58:47,569 --> 00:58:42,599

you're absolutely wrong it's not only

1438

00:58:50,150 --> 00:58:47,579

correct 35 35 one out of 35 000 people

1439

00:58:53,329 --> 00:58:50,160

have a rare drug allergy to proteins

1440

00:58:55,430 --> 00:58:53,339

that's equivalent to three out of every

1441

00:58:57,589 --> 00:58:55,440

10 astronauts going into the astronaut

1442

00:58:59,450 --> 00:58:57,599

program all having a rare drug allergy

1443

00:59:02,450 --> 00:58:59,460

to proteins it ain't going to happen

1444

00:59:05,510 --> 00:59:02,460

it'll never happen it won't happen

1445

00:59:07,730 --> 00:59:05,520

and for us to have up to 33 percent in

1446

00:59:10,670 --> 00:59:07,740

some of our small Studies have that kind

1447

00:59:13,130 --> 00:59:10,680

of those kind of stats it's impossible

1448

00:59:15,410 --> 00:59:13,140

and any dentist will tell you they don't

1449

00:59:17,589 --> 00:59:15,420

even check for it

1450

00:59:21,650 --> 00:59:17,599

what are the conditions and conditions

1451

00:59:24,230 --> 00:59:21,660

can be hives Tacoma and we had one of

1452

00:59:28,010 --> 00:59:24,240

our abductees fall over in coma when the

1453

00:59:29,390 --> 00:59:28,020

doctor is is he was going in for the

1454

00:59:31,849 --> 00:59:29,400

doctors looking to die because he had a

1455

00:59:35,270 --> 00:59:31,859

hematoma in his eye a puncture in his

1456

00:59:37,430 --> 00:59:35,280

eye he got that from an alien it's all

1457

00:59:38,750 --> 00:59:37,440

good a needle stuck through his eye he

1458

00:59:40,010 --> 00:59:38,760

didn't want to tell his doctor that he

1459

00:59:41,809 --> 00:59:40,020

finally told the doctor and the doctor

1460

00:59:45,470 --> 00:59:41,819

said

1461

00:59:47,569 --> 00:59:45,480

you what and the doctor hand to God true

1462

00:59:50,630 --> 00:59:47,579

story pick up the phone

1463

00:59:51,829 --> 00:59:50,640

and this is the top ophthalmologist in

1464

00:59:54,710 --> 00:59:51,839

Houston

1465

00:59:57,770 --> 00:59:54,720

called a gastroenterologist I know who

1466

00:59:59,930 --> 00:59:57,780

it is and he called him and said

1467

01:00:02,450 --> 00:59:59,940

we got another one

1468

01:00:05,690 --> 01:00:02,460

and a god true story actually happened

1469

01:00:07,730 --> 01:00:05,700

in his office and uh Dale look at him

1470

01:00:10,010 --> 01:00:07,740

said that's that stuff you're gonna put

1471

01:00:12,049 --> 01:00:10,020

on my that's that's got a propane in it

1472

01:00:14,089 --> 01:00:12,059

he said well so what he said I'm

1473

01:00:16,069 --> 01:00:14,099

allergic to Pro case he said Dale

1474

01:00:18,650 --> 01:00:16,079

procaine allergy is so rare we don't

1475

01:00:20,750 --> 01:00:18,660

even test for them they put the propane

1476

01:00:22,609 --> 01:00:20,760

on his eye anyway and Dale fell over and

1477

01:00:26,030 --> 01:00:22,619

he took him away in an ambulance he

1478

01:00:31,370 --> 01:00:28,130

so there's there's some repercussions to

1479

01:00:33,710 --> 01:00:31,380

the uh you know yeah like I tell doctors

1480

01:00:35,750 --> 01:00:33,720

pay attention no I don't care whether

1481

01:00:39,109 --> 01:00:35,760

you believe me or not just pay attention

1482

01:00:40,849 --> 01:00:39,119

that's all that matters protect yourself

1483

01:00:43,430 --> 01:00:40,859

Daryl we're gonna have to have you back

1484

01:00:44,990 --> 01:00:43,440

on because I think uh you're the type of

1485

01:00:47,390 --> 01:00:45,000

person that we can just pick your brain

1486

01:00:49,309 --> 01:00:47,400

for hours and hours so we'll definitely

1487

01:00:51,890 --> 01:00:49,319

have you back on if you're willing to

1488

01:00:53,569 --> 01:00:51,900

come and grace us again with uh some

1489

01:00:55,069 --> 01:00:53,579

amazing stories in your investigative

1490

01:00:57,410 --> 01:00:55,079

work Louie do you have any final

1491

01:00:59,270 --> 01:00:57,420

questions you have one final quickie I

1492

01:01:01,010 --> 01:00:59,280

don't want to get into Roswell but I did

1493

01:01:03,109 --> 01:01:01,020

hear you say a couple years ago that to

1494

01:01:05,870 --> 01:01:03,119

your knowledge there was a living being

1495

01:01:07,490 --> 01:01:05,880

from Roswell and it was still alive as

1496

01:01:09,589 --> 01:01:07,500

of a few years ago and I thought that

1497

01:01:11,329 --> 01:01:09,599

was the coolest thing I'd heard

1498

01:01:14,030 --> 01:01:11,339

anything you could say quickly on that

1499

01:01:16,069 --> 01:01:14,040

yeah Roswell was a setup

1500

01:01:17,870 --> 01:01:16,079

I look I'm from the intelligence

1501

01:01:20,510 --> 01:01:17,880

community in the past

1502

01:01:24,109 --> 01:01:20,520

Roswell was the best best intelligence

1503

01:01:25,910 --> 01:01:24,119

operation in my entire knowledge ever

1504

01:01:29,109 --> 01:01:25,920

put on anybody

1505

01:01:31,609 --> 01:01:29,119

our our military was was literally

1506

01:01:34,370 --> 01:01:31,619

Hoodwinked from day one

1507

01:01:36,770 --> 01:01:34,380

we how do you convince an alien to land

1508

01:01:38,329 --> 01:01:36,780

and convince him that they're here to

1509

01:01:40,730 --> 01:01:38,339

say the plan fix those on holding all

1510

01:01:42,349 --> 01:01:40,740

the wonderful things nobody intelligent

1511

01:01:46,010 --> 01:01:42,359

Community is going to believe you

1512

01:01:48,410 --> 01:01:46,020

however if we you're allowed if we're

1513

01:01:50,450 --> 01:01:48,420

allowed to catch you in other words the

1514

01:01:52,309 --> 01:01:50,460

ship crashed we we were drinking that

1515

01:01:54,530 --> 01:01:52,319

night we must have been drinking some

1516

01:01:56,870 --> 01:01:54,540

Bud Light or something and uh we just

1517

01:01:58,670 --> 01:01:56,880

crashed into another ship and there are

1518

01:01:59,870 --> 01:01:58,680

at least two crashes that happened at

1519

01:02:01,670 --> 01:01:59,880

least two

1520

01:02:03,470 --> 01:02:01,680

and I guarantee you they were done on

1521

01:02:05,870 --> 01:02:03,480

purpose they didn't care how many aliens

1522

01:02:08,630 --> 01:02:05,880

died they only cared that you got the

1523

01:02:09,530 --> 01:02:08,640

material and that you got one of them

1524

01:02:11,510 --> 01:02:09,540

alive

1525

01:02:13,250 --> 01:02:11,520

it's an intelligence operation that's

1526
01:02:14,809 --> 01:02:13,260
how they got inside our intelligence

1527
01:02:17,030 --> 01:02:14,819
agency

1528
01:02:19,970 --> 01:02:17,040
we'll talk about it next time yeah

1529
01:02:21,890 --> 01:02:19,980
that's absolutely is the alien still

1530
01:02:24,289 --> 01:02:21,900
alive though is what I want to know

1531
01:02:25,789 --> 01:02:24,299
probably at Wright-Patterson I was just

1532
01:02:27,230 --> 01:02:25,799
there here a while back doing a

1533
01:02:29,210 --> 01:02:27,240
conference near there

1534
01:02:31,010 --> 01:02:29,220
they didn't show you either eh

1535
01:02:32,809 --> 01:02:31,020
they didn't let me in they let me into

1536
01:02:35,510 --> 01:02:32,819
the air museum which I found well

1537
01:02:39,770 --> 01:02:35,520
because I wanted to look at the uh at

1538
01:02:41,870 --> 01:02:39,780

the uh at the uh the the the this

1539

01:02:44,450 --> 01:02:41,880

place the aircraft that was used to

1540

01:02:48,410 --> 01:02:44,460

spawn the Russians what did they call it

1541

01:02:50,569 --> 01:02:48,420

the uh uh the the

1542

01:02:52,430 --> 01:02:50,579

Who was the

1543

01:02:54,589 --> 01:02:52,440

the pilot that was flying it they got

1544

01:02:56,390 --> 01:02:54,599

shot down over Russia yeah I don't

1545

01:02:59,589 --> 01:02:56,400

remember the name Gary Powers

1546

01:03:03,170 --> 01:02:59,599

well anyway when I was in the CIA we

1547

01:03:05,329 --> 01:03:03,180

kept him at our our location

1548

01:03:07,430 --> 01:03:05,339

we kept him away from her but we didn't

1549

01:03:10,010 --> 01:03:07,440

want anybody to tell he was supposed to

1550

01:03:12,530 --> 01:03:10,020

have taken his medication his medication

1551
01:03:14,390 --> 01:03:12,540
was cyanide he's you're paid in advance

1552
01:03:17,150 --> 01:03:14,400
to do stuff like that

1553
01:03:19,849 --> 01:03:17,160
he didn't do it he squealed and told him

1554
01:03:22,430 --> 01:03:19,859
everything they wanted to know yeah

1555
01:03:24,470 --> 01:03:22,440
wow is that like old school cyanide pill

1556
01:03:26,930 --> 01:03:24,480
in uh fake tooth or something like that

1557
01:03:28,849 --> 01:03:26,940
right then back then

1558
01:03:31,250 --> 01:03:28,859
we'll talk about that next episode

1559
01:03:32,990 --> 01:03:31,260
that'll be awesome absolutely and Daryl

1560
01:03:34,910 --> 01:03:33,000

01:03:53,030 --> 01:03:51,420

answered I said I can't answer for other
