

**REV. MICHAEL
CARTER**

**UAP STUDIES
PODCAST**

1
00:00:03,710 --> 00:00:01,730
welcome back everybody it's going to be

2
00:00:05,990 --> 00:00:03,720
another great day today uh today we're

3
00:00:08,450 --> 00:00:06,000
talking about spirituality and not in

4
00:00:10,669 --> 00:00:08,460
the sense of you know keeping it vague

5
00:00:12,709 --> 00:00:10,679
and just you know us as sentient beings

6
00:00:13,910 --> 00:00:12,719
we want to get specific and I'm sure

7
00:00:16,550 --> 00:00:13,920
we're going to ruffle some feathers

8
00:00:19,310 --> 00:00:16,560
today because we have a uh a Christian

9
00:00:21,890 --> 00:00:19,320
Reverend who is a Believer and an

10
00:00:23,750 --> 00:00:21,900
experiencer who's not scared to say that

11
00:00:25,849 --> 00:00:23,760
religion may not have all the answers

12
00:00:28,130 --> 00:00:25,859
and I don't know about you Jay but I

13
00:00:31,070 --> 00:00:28,140

think that's a pretty difficult thing to

14

00:00:33,110 --> 00:00:31,080

say as an artist it's a huge move you

15

00:00:35,270 --> 00:00:33,120

don't see that very often I know that

16

00:00:37,729 --> 00:00:35,280

John Mack and Bud Hopkins said that

17

00:00:39,590 --> 00:00:37,739

people from all walks in life uh you

18

00:00:41,330 --> 00:00:39,600

know have these experiences we've had

19

00:00:43,490 --> 00:00:41,340

people on the podcast that we're super

20

00:00:46,250 --> 00:00:43,500

religious and have had these experiences

21

00:00:48,290 --> 00:00:46,260

as well so hearing it from you know a

22

00:00:50,750 --> 00:00:48,300

reverend that is

23

00:00:52,850 --> 00:00:50,760

such a cool guy and I'm looking forward

24

00:00:54,910 --> 00:00:52,860

to this interview very much yeah and I

25

00:00:57,830 --> 00:00:54,920

think we we all have kind of little

26
00:00:59,450 --> 00:00:57,840
grasps of stuff like we we understand a

27
00:01:01,130 --> 00:00:59,460
little bit of Consciousness spirituality

28
00:01:03,950 --> 00:01:01,140
and we kind of think aliens are real and

29
00:01:05,870 --> 00:01:03,960
UFOs but how do you make sense of all of

30
00:01:08,330 --> 00:01:05,880
that we really need our brain wants to

31
00:01:09,830 --> 00:01:08,340
rank and file everything so I know at

32
00:01:11,990 --> 00:01:09,840
least for myself and a lot of other

33
00:01:14,030 --> 00:01:12,000
people we're on this quest to try to

34
00:01:15,890 --> 00:01:14,040
learn more and really make sense of it

35
00:01:17,570 --> 00:01:15,900
and how do you reconcile that with your

36
00:01:19,609 --> 00:01:17,580
faith or with what you've been taught

37
00:01:21,350 --> 00:01:19,619
your entire life so we're going to ask

38
00:01:23,270 --> 00:01:21,360

them some very specific questions we're

39

00:01:25,969 --> 00:01:23,280

going to talk about multiple religions

40

00:01:28,730 --> 00:01:25,979

around the world Doctrine accuracies

41

00:01:30,410 --> 00:01:28,740

fallacies uh it's going to be a

42

00:01:33,289 --> 00:01:30,420

different kind of show but I think a

43

00:01:34,850 --> 00:01:33,299

show that is overdue and uh with a

44

00:01:36,109 --> 00:01:34,860

character like Michael I don't say oh

45

00:01:38,090 --> 00:01:36,119

anybody's not going to love them I know

46

00:01:39,289 --> 00:01:38,100

we do and I'm ready to bring them on so

47

00:01:41,210 --> 00:01:39,299

we'll be right back we're going to run

48

00:01:42,710 --> 00:01:41,220

our intro music and we're going to bring

49

00:01:45,170 --> 00:01:42,720

on Reverend Michael Carter right after

50

00:01:48,990 --> 00:01:45,180

this let's do it

51
00:02:09,609 --> 00:02:02,800
[Music]

52
00:02:14,030 --> 00:02:12,229
podcast my name is Louis Borges joining

53
00:02:16,610 --> 00:02:14,040
me as always my good friend and co-host

54
00:02:18,290 --> 00:02:16,620
Mr Jason Gilman how you doing I'm doing

55
00:02:20,510 --> 00:02:18,300
very good the reverend's in the house

56
00:02:23,030 --> 00:02:20,520
today so we're gonna have some fun

57
00:02:24,410 --> 00:02:23,040
Reverend is here hey y'all and we're

58
00:02:25,670 --> 00:02:24,420
gonna uh we're probably gonna ruffle

59
00:02:27,410 --> 00:02:25,680
some feathers today because we're gonna

60
00:02:28,790 --> 00:02:27,420
we're gonna talk about a topic that a

61
00:02:31,130 --> 00:02:28,800
lot of people are really polarized on

62
00:02:32,089 --> 00:02:31,140
whether you're a believer of you know

63
00:02:34,510 --> 00:02:32,099

God

64

00:02:37,070 --> 00:02:34,520
quote unquote uh you know very religious

65

00:02:39,410 --> 00:02:37,080
spiritual agnostic whatever you define

66

00:02:40,670 --> 00:02:39,420
your faith as there are implications

67

00:02:42,710 --> 00:02:40,680
when it comes to this whole ET

68

00:02:43,970 --> 00:02:42,720
phenomenon and today's guest knows more

69

00:02:46,070 --> 00:02:43,980
about that than anybody we've ever

70

00:02:48,470 --> 00:02:46,080
spoken to uh he's author of several

71

00:02:49,970 --> 00:02:48,480
books including alien scriptures uh he's

72

00:02:52,790 --> 00:02:49,980
appeared on television programs like

73

00:02:55,130 --> 00:02:52,800
Ancient Aliens multiple Seasons uh he is

74

00:02:58,130 --> 00:02:55,140
an ordained minister and legit Reverend

75

00:02:59,690 --> 00:02:58,140
uh multiple ET experiencer himself it

76
00:03:02,210 --> 00:02:59,700
doesn't get any more qualified than that

77
00:03:04,430 --> 00:03:02,220
so with a warm welcome Mr Reverend

78
00:03:06,710 --> 00:03:04,440
Michael Carter welcome to the show hey

79
00:03:08,150 --> 00:03:06,720
y'all how you doing thanks for having me

80
00:03:10,670 --> 00:03:08,160
you know what I should have kept my suit

81
00:03:12,949 --> 00:03:10,680
on I'm just I'm just looking here I mean

82
00:03:15,110 --> 00:03:12,959
I I had service today so I came home and

83
00:03:17,030 --> 00:03:15,120
I I just took it off you guys look great

84
00:03:18,530 --> 00:03:17,040
I know you had something on with how do

85
00:03:21,350 --> 00:03:18,540
you like us and how suit and ties it's

86
00:03:22,790 --> 00:03:21,360
classy yes we started doing it last year

87
00:03:24,710 --> 00:03:22,800
and we thought like we wear suits for

88
00:03:27,410 --> 00:03:24,720

our day jobs where this is our business

89

00:03:29,089 --> 00:03:27,420

attire and one day we uh we were just

90

00:03:30,530 --> 00:03:29,099

off work and did a show and we thought

91

00:03:32,509 --> 00:03:30,540

you know what looks good nobody else is

92

00:03:34,790 --> 00:03:32,519

doing it some guys are wearing it and

93

00:03:36,949 --> 00:03:34,800

rip t-shirts and jeans and stuff so

94

00:03:39,229 --> 00:03:36,959

let's uh let's take it seriously yeah

95

00:03:40,910 --> 00:03:39,239

yeah if we take ourselves seriously

96

00:03:42,949 --> 00:03:40,920

other people take us seriously you know

97

00:03:45,470 --> 00:03:42,959

that's that's why it is right what a

98

00:03:48,170 --> 00:03:45,480

concept exactly so we want to get to

99

00:03:50,089 --> 00:03:48,180

know you in terms of uh your life uh

100

00:03:52,490 --> 00:03:50,099

your experiences and what eventually you

101
00:03:54,470 --> 00:03:52,500
know kind of sparked that fire to really

102
00:03:56,570 --> 00:03:54,480
become a man of God and help other

103
00:03:57,949 --> 00:03:56,580
people understand God themselves so tell

104
00:03:59,990 --> 00:03:57,959
us a little bit about your your

105
00:04:02,449 --> 00:04:00,000
experiences growing up and what got you

106
00:04:03,770 --> 00:04:02,459
on the path thank you and again thanks

107
00:04:05,210 --> 00:04:03,780
for having me on guys I've been looking

108
00:04:07,130 --> 00:04:05,220
forward to it

109
00:04:09,350 --> 00:04:07,140
um you know I was raised in the

110
00:04:12,170 --> 00:04:09,360
African-American Baptist tradition

111
00:04:15,589 --> 00:04:12,180
and so that's that's where I was raised

112
00:04:17,330 --> 00:04:15,599
you know and I remember you know just

113
00:04:19,430 --> 00:04:17,340

studying and I could give you Bible

114

00:04:22,730 --> 00:04:19,440

quotes but Matthew was my favorite book

115

00:04:24,409 --> 00:04:22,740

and and part of that guys was you know

116

00:04:25,670 --> 00:04:24,419

as a kid you want to please your parents

117

00:04:27,830 --> 00:04:25,680

but I don't know whether it was a past

118

00:04:30,290 --> 00:04:27,840

life thing or whatever but I was I'm

119

00:04:32,870 --> 00:04:30,300

always comfortable in houses of worship

120

00:04:35,310 --> 00:04:32,880

now I couldn't articulate that as a kid

121

00:04:36,590 --> 00:04:35,320

and so I remember

122

00:04:37,790 --> 00:04:36,600

[Music]

123

00:04:40,490 --> 00:04:37,800

um

124

00:04:42,650 --> 00:04:40,500

you know I mean I got baptized on Easter

125

00:04:45,290 --> 00:04:42,660

Sunday 1980 at Trinity Baptist Church

126

00:04:47,270 --> 00:04:45,300

and you know I did I did the things that

127

00:04:49,310 --> 00:04:47,280

one does I was visiting Catholic

128

00:04:52,310 --> 00:04:49,320

churches and other churches there was a

129

00:04:54,230 --> 00:04:52,320

a girl I had a crush on when I was a

130

00:04:56,990 --> 00:04:54,240

teenager she was she went to Saint

131

00:04:59,990 --> 00:04:57,000

Ambrose uh Catholic church and so did I

132

00:05:02,810 --> 00:05:00,000

because I just wanted to see her so you

133

00:05:04,790 --> 00:05:02,820

know I did those things and my parents

134

00:05:06,730 --> 00:05:04,800

are still you know steeped in that

135

00:05:10,969 --> 00:05:06,740

tradition they're elderly

136

00:05:12,830 --> 00:05:10,979

I would not even look at uh you know I

137

00:05:14,870 --> 00:05:12,840

just didn't believe in UFOs and I said

138

00:05:17,990 --> 00:05:14,880

why because they weren't in the Bible

139

00:05:21,830 --> 00:05:18,000

and um so that's that's kind of my

140

00:05:24,050 --> 00:05:21,840

background it's not now I'm 360 away

141

00:05:26,270 --> 00:05:24,060

from that and part of that was because

142

00:05:29,450 --> 00:05:26,280

of my experiences but you know I wear

143

00:05:32,029 --> 00:05:29,460

many hats I try to be you know grounded

144

00:05:34,070 --> 00:05:32,039

I mean I got a a well she'll be 17 next

145

00:05:38,450 --> 00:05:34,080

month I got a daughter I just got

146

00:05:40,909 --> 00:05:38,460

married again uh in November I got I got

147

00:05:42,350 --> 00:05:40,919

it I just bought a house you know so you

148

00:05:44,270 --> 00:05:42,360

know you you know you don't want to be

149

00:05:46,610 --> 00:05:44,280

so Heavenly minded that you know Earthly

150

00:05:47,990 --> 00:05:46,620

good Thoreau reminds us so you know you

151

00:05:49,189 --> 00:05:48,000

got to get up in the morning pay the

152

00:05:52,969 --> 00:05:49,199

bills go to work

153

00:05:57,830 --> 00:05:55,730

um encounter that I knew of as an adult

154

00:05:59,930 --> 00:05:57,840

now looking back you know Kierkegaard

155

00:06:01,430 --> 00:05:59,940

one of my favorite favorite philosophers

156

00:06:03,770 --> 00:06:01,440

says life has lived forward but it's

157

00:06:05,570 --> 00:06:03,780

only understood backwards and you know

158

00:06:08,870 --> 00:06:05,580

looking back when I was a child I could

159

00:06:14,629 --> 00:06:08,880

say oh my God I was having visits then

160

00:06:18,710 --> 00:06:14,639

but July I'm sorry uh December 28 1989

161

00:06:22,610 --> 00:06:18,720

was when I first had

162

00:06:25,730 --> 00:06:22,620

no doubt that I had I was being visited

163

00:06:27,770 --> 00:06:25,740

by by they looked the people look like

164

00:06:30,469 --> 00:06:27,780

this

165

00:06:32,629 --> 00:06:30,479

I don't know if you can see it okay so I

166

00:06:34,430 --> 00:06:32,639

come closer yeah for those who are

167

00:06:36,590 --> 00:06:34,440

listening to the podcast and can't see

168

00:06:38,749 --> 00:06:36,600

the visuals it looks like a great person

169

00:06:41,210 --> 00:06:38,759

with a big pear-shaped head and and and

170

00:06:42,529 --> 00:06:41,220

and let me put him in here they weren't

171

00:06:45,290 --> 00:06:42,539

dressed like that they had on like a

172

00:06:47,029 --> 00:06:45,300

jumpsuit I I had this artist put a

173

00:06:47,990 --> 00:06:47,039

Buddha robe on her because that's what I

174

00:06:50,510 --> 00:06:48,000

want

175

00:06:53,330 --> 00:06:50,520

um but December 28 1989 I was coming

176

00:06:55,850 --> 00:06:53,340

back from the pyramids at chitsunizza

177

00:06:57,050 --> 00:06:55,860

and Tulum and I want to uh preference

178

00:06:59,510 --> 00:06:57,060

this with

179

00:07:01,670 --> 00:06:59,520

you know guys once I once I started

180

00:07:04,370 --> 00:07:01,680

moving away from the Baptist tradition

181

00:07:06,950 --> 00:07:04,380

you know I was starting to read reading

182

00:07:09,830 --> 00:07:06,960

existential philosophers I was starting

183

00:07:12,590 --> 00:07:09,840

to read about auras and tarot card you

184

00:07:14,450 --> 00:07:12,600

know I was broadening my scope now my my

185

00:07:16,249 --> 00:07:14,460

more conservative friends would probably

186

00:07:18,469 --> 00:07:16,259

say well that's the devil you would do

187

00:07:20,330 --> 00:07:18,479

it but I don't look at it that way so I

188

00:07:22,010 --> 00:07:20,340

was just reading and studying I was

189

00:07:25,430 --> 00:07:22,020

going to you know Unity Church

190

00:07:28,450 --> 00:07:25,440

metaphysics uh signs of mind I was

191

00:07:32,150 --> 00:07:28,460

exploring I was broadening my horizons

192

00:07:35,150 --> 00:07:32,160

December 28 1989 I was living in New

193

00:07:38,469 --> 00:07:35,160

York I was an actor there uh I was I

194

00:07:44,089 --> 00:07:38,479

lived there for 28 years 27 years

195

00:07:46,490 --> 00:07:44,099

and we came home we got off at JFK my

196

00:07:49,309 --> 00:07:46,500

girlfriend at the time

197

00:07:51,290 --> 00:07:49,319

um said I'm gonna stay home it was

198

00:07:53,450 --> 00:07:51,300

freezing and we just come back from 85

199

00:07:55,129 --> 00:07:53,460

Degrees I kind of wanted to show off a

200

00:07:57,050 --> 00:07:55,139

little bit show the picture you know I

201
00:07:58,850 --> 00:07:57,060
just wanted to hang out so I went down

202
00:08:02,210 --> 00:07:58,860
to Hell's Kitchen in Times Square that's

203
00:08:05,629 --> 00:08:02,220
where this Gathering was and you know

204
00:08:08,330 --> 00:08:05,639
just kind of hung out I was nice and

205
00:08:10,490 --> 00:08:08,340
copper and the hair was lighter and you

206
00:08:12,350 --> 00:08:10,500
were looking good I didn't have

207
00:08:15,469 --> 00:08:12,360
dreadlocks then but

208
00:08:19,189 --> 00:08:15,479
um you know and and so we talked no

209
00:08:22,249 --> 00:08:19,199
adult beverages were served none uh but

210
00:08:23,390 --> 00:08:22,259
I'm a deviled egg freak so I just ate I

211
00:08:26,089 --> 00:08:23,400
stuffed myself

212
00:08:28,670 --> 00:08:26,099
uh and then I went back home

213
00:08:30,170 --> 00:08:28,680

caught the subway back to the upper west

214

00:08:32,269 --> 00:08:30,180

side and

215

00:08:35,870 --> 00:08:32,279

like I said to this day I don't know

216

00:08:39,110 --> 00:08:35,880

whether I had to get up to go to the

217

00:08:41,630 --> 00:08:39,120

bathroom I don't know but I just felt

218

00:08:44,350 --> 00:08:41,640

the presence in the room and I sleep on

219

00:08:48,350 --> 00:08:44,360

my stomach and when I turned around

220

00:08:50,090 --> 00:08:48,360

this guy was there about four feet tall

221

00:08:52,009 --> 00:08:50,100

no it couldn't have been taller I

222

00:08:55,550 --> 00:08:52,019

couldn't have I mean what a little

223

00:08:57,949 --> 00:08:55,560

person and had on a jumpsuit that looked

224

00:09:00,590 --> 00:08:57,959

it was like a lot of like a turtleneck

225

00:09:02,750 --> 00:09:00,600

you know it was just one piece

226

00:09:04,130 --> 00:09:02,760

um and it was like Reynolds Wrap it

227

00:09:07,190 --> 00:09:04,140

would look like it looked like aluminum

228

00:09:10,910 --> 00:09:07,200

foil that he had on

229

00:09:12,710 --> 00:09:10,920

my girlfriend Sandy did not budge she

230

00:09:15,590 --> 00:09:12,720

was like out

231

00:09:17,150 --> 00:09:15,600

and this guy looked at me and it could

232

00:09:18,590 --> 00:09:17,160

have been a woman but I'm going to say

233

00:09:19,970 --> 00:09:18,600

guy

234

00:09:21,350 --> 00:09:19,980

um I don't want to offend anybody but

235

00:09:24,350 --> 00:09:21,360

that's

236

00:09:27,829 --> 00:09:24,360

and they're around him at the foot of my

237

00:09:30,290 --> 00:09:27,839

bed was a blue light like a Lapis cobalt

238

00:09:33,170 --> 00:09:30,300

blue and then around that was just like

239

00:09:34,870 --> 00:09:33,180

my my my my apartment was lit up like

240

00:09:40,370 --> 00:09:34,880

Times Square

241

00:09:43,070 --> 00:09:40,380

I have never been so scared in my life

242

00:09:45,590 --> 00:09:43,080

and I've been in some scary situations I

243

00:09:47,630 --> 00:09:45,600

had a cop put a gun up to my head when I

244

00:09:49,970 --> 00:09:47,640

was 17 years old and I'm going to tell

245

00:09:51,889 --> 00:09:49,980

you you talk about meditation you want

246

00:09:54,829 --> 00:09:51,899

to talk about things coming alive I was

247

00:09:59,630 --> 00:09:54,839

like whoa colors were brighter it was

248

00:10:02,389 --> 00:09:59,640

weird but that was fear but this was it

249

00:10:04,310 --> 00:10:02,399

was an existential fear because he

250

00:10:07,430 --> 00:10:04,320

didn't look like

251

00:10:10,250 --> 00:10:07,440

you know a human being

252

00:10:12,410 --> 00:10:10,260

I pulled the covers up over my head and

253

00:10:14,750 --> 00:10:12,420

got into the fetal position

254

00:10:16,509 --> 00:10:14,760

I didn't do that with the cop

255

00:10:20,509 --> 00:10:16,519

right and so

256

00:10:21,530 --> 00:10:20,519

I mean we were outside but anyway

257

00:10:26,750 --> 00:10:21,540

um

258

00:10:34,250 --> 00:10:30,110

and it was like like the wind was in my

259

00:10:36,230 --> 00:10:34,260

apartment Sandy's still out and for and

260

00:10:39,050 --> 00:10:36,240

then it felt like I was outside

261

00:10:41,030 --> 00:10:39,060

and this was at the Excelsior Hotel it's

262

00:10:43,670 --> 00:10:41,040

a residential Hotel it's still there 45

263

00:10:46,670 --> 00:10:43,680

West 81st Street between Central Park

264

00:10:48,949 --> 00:10:46,680

West and Columbus Avenue and I was like

265

00:10:50,230 --> 00:10:48,959

freezing all of a sudden and my mind is

266

00:10:52,430 --> 00:10:50,240

trying to

267

00:10:56,389 --> 00:10:52,440

compartmentalize and deal with all this

268

00:11:01,550 --> 00:10:56,399

stuff I finally uh grew a pair and I

269

00:11:05,930 --> 00:11:03,550

no one was there

270

00:11:08,389 --> 00:11:05,940

Sandy wakes up

271

00:11:10,130 --> 00:11:08,399

I tell her what happened she was freaked

272

00:11:12,590 --> 00:11:10,140

out not because of what I told him

273

00:11:13,790 --> 00:11:12,600

because of me I mean I was shaking I was

274

00:11:16,069 --> 00:11:13,800

so scared

275

00:11:18,889 --> 00:11:16,079

and so

276

00:11:21,650 --> 00:11:18,899

um you know she she hung in there with

277

00:11:23,329 --> 00:11:21,660

me those many years I mean we later uh

278

00:11:24,829 --> 00:11:23,339

got divorced and separated but not

279

00:11:30,470 --> 00:11:24,839

because of that it was a life

280

00:11:32,990 --> 00:11:30,480

circumstances and so that was my first

281

00:11:36,710 --> 00:11:33,000

kind of contact

282

00:11:38,930 --> 00:11:36,720

where I could see them how many floors

283

00:11:43,250 --> 00:11:38,940

up were you in this hotel

284

00:11:46,670 --> 00:11:43,260

well in that at that time it was at 15th

285

00:11:48,290 --> 00:11:46,680

floor 15 floors that's crazy yeah it is

286

00:11:50,150 --> 00:11:48,300

crazy it's not like Betty and Barney

287

00:11:52,190 --> 00:11:50,160

Hill where you're on this Rural Road

288

00:11:54,350 --> 00:11:52,200

yeah because Bud Hawkins had that case

289

00:11:57,410 --> 00:11:54,360

too about that lady in New York uh the

290

00:12:03,650 --> 00:11:59,150

were very friendly

291

00:12:07,009 --> 00:12:03,660

we just saw blood regressed me

292

00:12:09,530 --> 00:12:07,019

um we just saw the thing we just saw we

293

00:12:11,750 --> 00:12:09,540

just saw it from a different way

294

00:12:13,009 --> 00:12:11,760

um because he well I'll get into it with

295

00:12:15,710 --> 00:12:13,019

my brother but

296

00:12:21,590 --> 00:12:18,769

I was getting I was I was getting visits

297

00:12:24,290 --> 00:12:21,600

twice a month for about eight months

298

00:12:28,250 --> 00:12:24,300

maybe almost a year

299

00:12:29,150 --> 00:12:28,260

and they would come on a full moon in a

300

00:12:32,269 --> 00:12:29,160

new moon

301

00:12:34,790 --> 00:12:32,279

it got to be like clockwork

302

00:12:36,350 --> 00:12:34,800

and they would paralyze me they'd been

303

00:12:38,210 --> 00:12:36,360

the little short people because I've

304

00:12:41,750 --> 00:12:38,220

seen other races and we can talk about

305

00:12:44,569 --> 00:12:41,760

that and they wouldn't talk they would

306

00:12:46,250 --> 00:12:44,579

show me pictures here in my third eye

307

00:12:47,210 --> 00:12:46,260

but they would always paralyze me I

308

00:12:49,490 --> 00:12:47,220

don't know whether it was their

309

00:12:51,470 --> 00:12:49,500

protection or for mine

310

00:12:52,670 --> 00:12:51,480

they showed me a past life where I was a

311

00:12:54,889 --> 00:12:52,680

monk

312

00:12:56,750 --> 00:12:54,899

okay so this whole religion thing I see

313

00:12:58,370 --> 00:12:56,760

why it comes easy to me because I've

314

00:13:00,290 --> 00:12:58,380

been doing it for years

315

00:13:02,930 --> 00:13:00,300

they showed me a picture of a future

316

00:13:05,629 --> 00:13:02,940

event that did happen I was I was

317

00:13:08,210 --> 00:13:05,639

speaking at this big church man and I

318

00:13:11,990 --> 00:13:08,220

had this three-piece suit on that I

319

00:13:15,410 --> 00:13:12,000

later wound up getting it was eerie

320

00:13:17,930 --> 00:13:15,420

and but at that time I started uh you

321

00:13:20,210 --> 00:13:17,940

know I was I I I I went to a therapist I

322

00:13:21,290 --> 00:13:20,220

was I wasn't sleeping I still have a

323

00:13:22,569 --> 00:13:21,300

little

324

00:13:28,310 --> 00:13:22,579

um

325

00:13:30,410 --> 00:13:28,320

to go to sleep sometime at night and

326

00:13:31,550 --> 00:13:30,420

especially like my wife's going out of

327

00:13:33,410 --> 00:13:31,560

town tomorrow for a couple days

328

00:13:35,449 --> 00:13:33,420

sometimes it's hard for me to sleep by

329

00:13:37,490 --> 00:13:35,459

myself but I want to be clear not

330

00:13:40,069 --> 00:13:37,500

because they've hurt me but because they

331

00:13:42,290 --> 00:13:40,079

could just pop up they can just walk in

332

00:13:44,329 --> 00:13:42,300

the wall I could be looking here and

333

00:13:48,410 --> 00:13:44,339

turn around and they're there that gets

334

00:13:50,389 --> 00:13:48,420

your heart going I bet yeah so so so but

335

00:13:52,730 --> 00:13:50,399

now now I'm studying all these different

336

00:13:55,250 --> 00:13:52,740

religious paths these existential

337

00:13:56,750 --> 00:13:55,260

philosophers those type of things and it

338

00:13:58,370 --> 00:13:56,760

took me a long time to let go of the

339

00:14:02,030 --> 00:13:58,380

Baptist tradition I was trying to put a

340

00:14:04,850 --> 00:14:02,040

a round peg in a square oh but I started

341

00:14:06,769 --> 00:14:04,860

to see Jesus differently and all then I

342

00:14:08,509 --> 00:14:06,779

run into

343

00:14:10,850 --> 00:14:08,519

uh

344

00:14:13,129 --> 00:14:10,860

a friend of mine but we weren't friends

345

00:14:16,250 --> 00:14:13,139

then uh we didn't know each other Dr

346

00:14:18,470 --> 00:14:16,260

Barry Downing wrote a book back in 1968

347

00:14:20,750 --> 00:14:18,480

called the Bible in flying saucers he's

348

00:14:22,370 --> 00:14:20,760

a Rhodes scholar he's a retired

349

00:14:24,769 --> 00:14:22,380

Presbyterian Minister he's not an

350

00:14:26,930 --> 00:14:24,779

experienter and then when I found

351
00:14:29,750 --> 00:14:26,940

Barry's book

352
00:14:32,449 --> 00:14:29,760

oh my God because the way I'm wired is

353
00:14:34,430 --> 00:14:32,459

I'm not into propulsion systems and back

354
00:14:36,290 --> 00:14:34,440

engineering greater minds than I can do

355
00:14:38,569 --> 00:14:36,300

that I want to know how does it change

356
00:14:40,490 --> 00:14:38,579

you once you once you look one of these

357
00:14:41,870 --> 00:14:40,500

brothers and sisters in their eyes you

358
00:14:43,629 --> 00:14:41,880

are changed

359
00:14:47,030 --> 00:14:43,639

and so

360
00:14:48,710 --> 00:14:47,040

Barry wrote This Book

361
00:14:50,449 --> 00:14:48,720

and I started looking at the bible

362
00:14:54,170 --> 00:14:50,459

really differently and then I started

363
00:14:56,269 --> 00:14:54,180

Mars K Jessup wrote a book a Bible UFOs

364

00:14:58,670 --> 00:14:56,279

in the Bible died under mysterious

365

00:15:00,769 --> 00:14:58,680

circumstances in the 50s

366

00:15:02,689 --> 00:15:00,779

um Virginia brazington right here and

367

00:15:05,269 --> 00:15:02,699

from North Carolina wrote a book called

368

00:15:06,230 --> 00:15:05,279

UFOs in the Bible back in the 50s and

369

00:15:08,449 --> 00:15:06,240

you know there are a couple other

370

00:15:10,389 --> 00:15:08,459

ministers who wrote about this Mars gay

371

00:15:15,350 --> 00:15:10,399

Joseph was the minister

372

00:15:17,870 --> 00:15:15,360

and it it was like water to a a parched

373

00:15:19,550 --> 00:15:17,880

man in the desert because I had a

374

00:15:21,530 --> 00:15:19,560

reference point because that's how I

375

00:15:25,970 --> 00:15:21,540

view the world

376

00:15:29,210 --> 00:15:25,980

and so I was looking at the Old

377

00:15:31,910 --> 00:15:29,220

Testament and and the New Testament and

378

00:15:34,310 --> 00:15:31,920

Jesus and I started reading it and I

379

00:15:37,129 --> 00:15:34,320

said and Barry was the template and I

380

00:15:38,269 --> 00:15:37,139

said if you put the word

381

00:15:40,610 --> 00:15:38,279

um

382

00:15:42,949 --> 00:15:40,620

wherever you see the word angel in the

383

00:15:44,689 --> 00:15:42,959

Bible or the Quran

384

00:15:46,189 --> 00:15:44,699

and you put

385

00:15:48,410 --> 00:15:46,199

star person

386

00:15:50,389 --> 00:15:48,420

I don't like the word alien but whatever

387

00:15:53,389 --> 00:15:50,399

floats your boat

388

00:15:55,790 --> 00:15:53,399

it makes so much more sense

389

00:15:57,110 --> 00:15:55,800

and then I started putting together well

390

00:16:01,069 --> 00:15:57,120

wait a minute

391

00:16:06,050 --> 00:16:03,230

Passover

392

00:16:08,210 --> 00:16:06,060

there's no Jewish religion

393

00:16:10,370 --> 00:16:08,220

until after the Exodus

394

00:16:12,910 --> 00:16:10,380

there's no Jewish religion before it's

395

00:16:16,790 --> 00:16:12,920

just a ragtag group of folks

396

00:16:20,269 --> 00:16:16,800

Pharaoh is not a nice person and he's

397

00:16:22,370 --> 00:16:20,279

carrying on and he won't let them go

398

00:16:24,769 --> 00:16:22,380

I you know then you know and it was

399

00:16:26,930 --> 00:16:24,779

scary because Yahweh I looked at Yahweh

400

00:16:29,870 --> 00:16:26,940

as an astronaut who would anger

401
00:16:32,870 --> 00:16:29,880
management problems uh he's too obsessed

402
00:16:34,490 --> 00:16:32,880
with circumcision and interracial

403
00:16:36,650 --> 00:16:34,500
marriages what kind of God cares about

404
00:16:39,110 --> 00:16:36,660
that and you know you're going into

405
00:16:41,329 --> 00:16:39,120
people's hitting going babies up against

406
00:16:42,829 --> 00:16:41,339
the wall that kind of thing but it took

407
00:16:45,650 --> 00:16:42,839
me a while to get that and then to sit

408
00:16:47,629 --> 00:16:45,660
with that one could argue that Jesus is

409
00:16:49,430 --> 00:16:47,639
talking about a whole different when he

410
00:16:51,610 --> 00:16:49,440
talks about his father one could argue

411
00:16:54,470 --> 00:16:51,620
he's talking about a whole different

412
00:16:57,230 --> 00:16:54,480
intelligence than Yahweh even though

413
00:16:58,069 --> 00:16:57,240

Yahweh does mellow out as the years go

414

00:17:00,470 --> 00:16:58,079

by

415

00:17:02,930 --> 00:17:00,480

and and I'm and I'm still having these

416

00:17:04,870 --> 00:17:02,940

experiences I still have them now just

417

00:17:09,530 --> 00:17:04,880

sometimes years in between

418

00:17:10,789 --> 00:17:09,540

uh and so it opened up a whole new world

419

00:17:14,929 --> 00:17:10,799

for me

420

00:17:19,610 --> 00:17:17,449

and it's obviously because I'm you know

421

00:17:21,530 --> 00:17:19,620

I I'm a minister I went to a semi

422

00:17:24,770 --> 00:17:21,540

Seminary train

423

00:17:26,270 --> 00:17:24,780

they're not so much worried about what

424

00:17:28,549 --> 00:17:26,280

their parents and friends will think

425

00:17:31,669 --> 00:17:28,559

even though they are but the first thing

426

00:17:35,810 --> 00:17:31,679

they say to me can I still be religious

427

00:17:37,970 --> 00:17:35,820

and believe in UFOs it's almost like you

428

00:17:40,190 --> 00:17:37,980

know you help me you gotta because you

429

00:17:43,370 --> 00:17:40,200

gotta wrap your mind around now I say

430

00:17:45,529 --> 00:17:43,380

yes but I also say

431

00:17:48,169 --> 00:17:45,539

it's going to change you it changed the

432

00:17:51,529 --> 00:17:48,179

way I looked at Christianity it changed

433

00:17:53,210 --> 00:17:51,539

the way you know I was trying to find I

434

00:17:55,250 --> 00:17:53,220

used to say I'm not a Christian I'm a

435

00:17:57,230 --> 00:17:55,260

follower of the teachings of Jesus and

436

00:18:00,169 --> 00:17:57,240

to my friends I'm not a Christian

437

00:18:03,169 --> 00:18:00,179

uh because I don't go into the doctrinal

438

00:18:05,930 --> 00:18:03,179

stuff so much you know I'm in that way

439

00:18:08,390 --> 00:18:05,940

the theology but if you're trying to

440

00:18:09,710 --> 00:18:08,400

find these teachings because Jesus

441

00:18:10,990 --> 00:18:09,720

wasn't a Christian obviously he was he

442

00:18:14,270 --> 00:18:11,000

was a Jewish man

443

00:18:16,789 --> 00:18:14,280

then you you've kind of broadened what

444

00:18:19,010 --> 00:18:16,799

that means and so you got to be able to

445

00:18:21,890 --> 00:18:19,020

be comfortable with that

446

00:18:23,810 --> 00:18:21,900

and let's talk a little bit let's talk a

447

00:18:26,090 --> 00:18:23,820

little bit about you know ET references

448

00:18:29,029 --> 00:18:26,100

not only in Christian scriptures but in

449

00:18:31,490 --> 00:18:29,039

you know like uh 4 000 year old Hindu

450

00:18:33,110 --> 00:18:31,500

texts yes depictions of craft flying

451

00:18:35,690 --> 00:18:33,120

around shooting each other so yeah

452

00:18:37,909 --> 00:18:35,700

there's nothing new we all kind of know

453

00:18:40,430 --> 00:18:37,919

that the Ancients had a relationship

454

00:18:42,289 --> 00:18:40,440

with God or in some cases what they

455

00:18:43,669 --> 00:18:42,299

thought was God maybe it was ET or

456

00:18:45,350 --> 00:18:43,679

whatever but but let's talk a little bit

457

00:18:48,049 --> 00:18:45,360

about that specifically like within the

458

00:18:51,110 --> 00:18:48,059

Bible and other you know uh ancient

459

00:18:53,450 --> 00:18:51,120

doctrines there's a lot of talk about

460

00:18:55,070 --> 00:18:53,460

ETS and craft and everything else and

461

00:18:57,350 --> 00:18:55,080

yeah so where where do you kind of make

462

00:18:59,330 --> 00:18:57,360

sense of the whole this is the language

463

00:19:01,549 --> 00:18:59,340

they use thousands of years ago to

464

00:19:03,590 --> 00:19:01,559

describe something phenomenal you know

465

00:19:06,350 --> 00:19:03,600

the angel implication even the demon

466

00:19:08,510 --> 00:19:06,360

implication Poltergeist it's all like a

467

00:19:10,789 --> 00:19:08,520

salad that's being tossed how do you

468

00:19:13,250 --> 00:19:10,799

make sense of all that you know I think

469

00:19:15,049 --> 00:19:13,260

you make sense of it by just being you

470

00:19:17,510 --> 00:19:15,059

have to be uncomfortable with history

471

00:19:18,230 --> 00:19:17,520

and you have to be able to say I don't

472

00:19:21,350 --> 00:19:18,240

know

473

00:19:23,390 --> 00:19:21,360

uh if we look at um

474

00:19:26,210 --> 00:19:23,400

if we look at the Hindu scriptures the

475

00:19:27,950 --> 00:19:26,220

Mahabharata the upanishads if we look at

476

00:19:30,110 --> 00:19:27,960

that they're talking about vimanas

477

00:19:32,390 --> 00:19:30,120

flying craft and they're talking about

478

00:19:35,570 --> 00:19:32,400

the battles that are being fought these

479

00:19:37,970 --> 00:19:35,580

These are dogfights and so and and you

480

00:19:40,430 --> 00:19:37,980

know Krishna he's krishna's blue

481

00:19:42,590 --> 00:19:40,440

reminds me of what octurians you know

482

00:19:45,470 --> 00:19:42,600

Edgar Casey talks about them in his

483

00:19:47,330 --> 00:19:45,480

writings but so so we say you know

484

00:19:49,310 --> 00:19:47,340

that's five thousand years ago so it's

485

00:19:53,810 --> 00:19:49,320

not a new relationship

486

00:19:56,630 --> 00:19:53,820

uh uh uh even even if you look at the

487

00:19:59,510 --> 00:19:56,640

books taken out of the Bible like Enoch

488

00:20:02,990 --> 00:19:59,520

you know when he and he kind of goes on

489

00:20:05,750 --> 00:20:03,000

and rips on Genesis 6 talking about uh

490

00:20:07,850 --> 00:20:05,760

he expands on that talking about the

491

00:20:09,610 --> 00:20:07,860

names of these so-called Fallen uh

492

00:20:12,110 --> 00:20:09,620

fallen angels I think they're

493

00:20:15,169 --> 00:20:12,120

extraterrestrials and you know they they

494

00:20:17,690 --> 00:20:15,179

they mate with Earth women and they

495

00:20:19,789 --> 00:20:17,700

create this race of giants which you

496

00:20:22,909 --> 00:20:19,799

find some of that in the Old Testament

497

00:20:26,270 --> 00:20:22,919

as well and it's always these Native

498

00:20:28,430 --> 00:20:26,280

American spirituality uh we're the star

499

00:20:30,350 --> 00:20:28,440

people they they they're bringing

500

00:20:33,049 --> 00:20:30,360

civilization well that's not really the

501
00:20:36,350 --> 00:20:33,059
word they're bringing wisdom and human

502
00:20:38,270 --> 00:20:36,360
and and a more humane way of dealing on

503
00:20:41,210 --> 00:20:38,280
the planet they're coming from the sky

504
00:20:43,130 --> 00:20:41,220
whether it's ezekeiel's wheel whether

505
00:20:45,169 --> 00:20:43,140
it's Elijah in the flying chariots

506
00:20:47,570 --> 00:20:45,179
whether it's the pillar of cloud by day

507
00:20:50,870 --> 00:20:47,580
the pillar of Fire by night and you said

508
00:20:52,310 --> 00:20:50,880
it Louie they're using the vernacular of

509
00:20:54,590 --> 00:20:52,320
their time

510
00:20:57,350 --> 00:20:54,600
and they would these beings would be

511
00:20:59,930 --> 00:20:57,360
Godlike because of the technology

512
00:21:02,570 --> 00:20:59,940
to me that's not to say that there's no

513
00:21:04,850 --> 00:21:02,580

single Source or God or force or

514

00:21:06,710 --> 00:21:04,860

whatever you want to call it I I'm not

515

00:21:09,409 --> 00:21:06,720

I'm not saying that doesn't exist at all

516

00:21:14,450 --> 00:21:09,419

I'm saying but we create in our own

517

00:21:17,390 --> 00:21:14,460

image and that we anthropomorphize

518

00:21:19,250 --> 00:21:17,400

this God and any God you can create any

519

00:21:22,070 --> 00:21:19,260

God that you is really not God because

520

00:21:25,010 --> 00:21:22,080

the finite can never comprehend the

521

00:21:26,690 --> 00:21:25,020

infinite yeah now maybe when we're not

522

00:21:29,690 --> 00:21:26,700

in these bodies and we're just pure

523

00:21:31,250 --> 00:21:29,700

spirit and we then that's something else

524

00:21:33,890 --> 00:21:31,260

but

525

00:21:35,630 --> 00:21:33,900

the thing about God is that at least

526

00:21:37,010 --> 00:21:35,640

here on Earth everybody's made God in

527

00:21:40,190 --> 00:21:37,020

their own image you know God doesn't

528

00:21:42,649 --> 00:21:40,200

like the same things I don't like right

529

00:21:44,710 --> 00:21:42,659

or he's a man on a cloud you know

530

00:21:47,990 --> 00:21:44,720

casting judgment and condemning yeah

531

00:21:50,149 --> 00:21:48,000

exactly Yahweh God he's very vindictive

532

00:21:52,270 --> 00:21:50,159

and yeah almost like the Sumerian gods

533

00:21:55,310 --> 00:21:52,280

and their uh epics where

534

00:21:58,730 --> 00:21:55,320

they're enslaving Us in the Nephilim and

535

00:22:00,649 --> 00:21:58,740

breeding with people and and gold you

536

00:22:02,750 --> 00:22:00,659

know and he's and he so he's a warrior

537

00:22:04,970 --> 00:22:02,760

God and so

538

00:22:09,049 --> 00:22:04,980

and he's very jealous and you know he's

539

00:22:11,330 --> 00:22:09,059

he's got these traits that he needs to

540

00:22:12,710 --> 00:22:11,340

look at if you will but they're human

541

00:22:14,750 --> 00:22:12,720

traits that's the thing that I always

542

00:22:17,390 --> 00:22:14,760

find funny with the gods is that they

543

00:22:21,350 --> 00:22:17,400

have human traits they won't agree they

544

00:22:23,570 --> 00:22:21,360

get jealous yeah exactly yeah well they

545

00:22:26,029 --> 00:22:23,580

get horny they will eat they will and

546

00:22:28,330 --> 00:22:26,039

even even in the Greek pantheon

547

00:22:31,370 --> 00:22:28,340

see

548

00:22:33,470 --> 00:22:31,380

that's I think I think that's very

549

00:22:35,390 --> 00:22:33,480

crucial what you said

550

00:22:37,610 --> 00:22:35,400

because

551
00:22:39,890 --> 00:22:37,620
a lot of these beings are more

552
00:22:40,730 --> 00:22:39,900
spiritually Advanced and some of them

553
00:22:43,850 --> 00:22:40,740
aren't

554
00:22:46,789 --> 00:22:43,860
and some of them are in process

555
00:22:49,430 --> 00:22:46,799
this this this this this intelligence

556
00:22:51,310 --> 00:22:49,440
this entity that you could use the word

557
00:22:54,529 --> 00:22:51,320
God or whatever you want to call it

558
00:22:57,049 --> 00:22:54,539
that's very different

559
00:22:59,990 --> 00:22:57,059
from what we're reading in the Bible

560
00:23:01,669 --> 00:23:00,000
what we're reading in in some of these

561
00:23:05,990 --> 00:23:01,679
Sacred Scriptures

562
00:23:08,149 --> 00:23:06,000
and so that right there is enough to get

563
00:23:11,510 --> 00:23:08,159

people going because you've been taught

564

00:23:13,549 --> 00:23:11,520

this way for so long and now you got

565

00:23:17,330 --> 00:23:13,559

quantum physics telling us about energy

566

00:23:20,630 --> 00:23:17,340

about different dimensions and so it's

567

00:23:24,049 --> 00:23:20,640

an as we move into this time it's an

568

00:23:27,169 --> 00:23:24,059

eye-opening time and if you don't have a

569

00:23:28,970 --> 00:23:27,179

center or you're not working on it

570

00:23:31,909 --> 00:23:28,980

um and then you can do that in many ways

571

00:23:35,029 --> 00:23:31,919

but but you're going to be tossed around

572

00:23:38,029 --> 00:23:35,039

like a bottle in the sea because there's

573

00:23:40,549 --> 00:23:38,039

all this information coming at us from

574

00:23:43,010 --> 00:23:40,559

the government from other people from

575

00:23:43,970 --> 00:23:43,020

what's just going on in the world and

576

00:23:49,669 --> 00:23:43,980

you

577

00:23:51,409 --> 00:23:49,679

based on that and based on like we'll

578

00:23:53,570 --> 00:23:51,419

come back with some of your experiences

579

00:23:55,730 --> 00:23:53,580

that you've had but with the church

580

00:23:58,970 --> 00:23:55,740

being what it is now which is a big

581

00:24:00,830 --> 00:23:58,980

decline in in I would say attendees or

582

00:24:02,870 --> 00:24:00,840

people being brought to the church right

583

00:24:04,310 --> 00:24:02,880

now in North America you got the

584

00:24:06,470 --> 00:24:04,320

government that's coming out and saying

585

00:24:09,169 --> 00:24:06,480

yeah these uaps are real we're trying to

586

00:24:10,970 --> 00:24:09,179

study them we don't know that is a huge

587

00:24:13,789 --> 00:24:10,980

bill to take for somebody who's already

588

00:24:16,250 --> 00:24:13,799

billed you know their their box and says

589

00:24:18,830 --> 00:24:16,260

no this is what reality is where in fact

590

00:24:20,990 --> 00:24:18,840

they're not really living or accepting

591

00:24:23,029 --> 00:24:21,000

what reality is because this is part of

592

00:24:25,970 --> 00:24:23,039

nature if we're being visited or you

593

00:24:27,890 --> 00:24:25,980

know an Overlord species is you know

594

00:24:29,990 --> 00:24:27,900

overlooking us or whatever it's part of

595

00:24:32,029 --> 00:24:30,000

nature right and they're if they're

596

00:24:32,810 --> 00:24:32,039

there that's they just beat us to the

597

00:24:35,570 --> 00:24:32,820

punch

598

00:24:36,250 --> 00:24:35,580

but not accepting that like being uh you

599

00:24:38,450 --> 00:24:36,260

know

600

00:24:41,570 --> 00:24:38,460

cocooned in your religion is a big

601
00:24:44,270 --> 00:24:41,580
problem and I come from a religious uh

602
00:24:47,330 --> 00:24:44,280
background I'm no longer religious I'm

603
00:24:50,570 --> 00:24:47,340
no longer uh spiritual if you would say

604
00:24:52,669 --> 00:24:50,580
yeah but some some people are and and

605
00:24:54,169 --> 00:24:52,679
that's the issue is like I'm worried

606
00:24:56,510 --> 00:24:54,179
about how do we approach that with them

607
00:24:58,789 --> 00:24:56,520
because I have family that are still

608
00:25:00,770 --> 00:24:58,799
very gripping to the idea that you know

609
00:25:02,270 --> 00:25:00,780
you know with the Christianity and just

610
00:25:03,830 --> 00:25:02,280
trying to say look these are real has

611
00:25:05,029 --> 00:25:03,840
nothing to do with your you know your

612
00:25:07,610 --> 00:25:05,039
faith your belief doesn't change

613
00:25:09,110 --> 00:25:07,620

anything doesn't take away from it but

614

00:25:12,169 --> 00:25:09,120

we need to address it with the people

615

00:25:15,169 --> 00:25:12,179

that don't want to look at it right well

616

00:25:16,909 --> 00:25:15,179

I I I I I that's a great question I

617

00:25:18,529 --> 00:25:16,919

think there are many layers to it I

618

00:25:20,930 --> 00:25:18,539

don't know

619

00:25:22,669 --> 00:25:20,940

first of all coming from the religious

620

00:25:24,710 --> 00:25:22,679

background that you and I have come from

621

00:25:26,870 --> 00:25:24,720

and probably Louis

622

00:25:30,470 --> 00:25:26,880

we can be bilingual

623

00:25:32,649 --> 00:25:30,480

because many people speak the language

624

00:25:35,510 --> 00:25:32,659

that we used to speak

625

00:25:38,570 --> 00:25:35,520

God or you know healing we may say

626

00:25:41,390 --> 00:25:38,580

energy whatever but we know what and and

627

00:25:43,909 --> 00:25:41,400

I think it's important to say

628

00:25:45,710 --> 00:25:43,919

when you say God

629

00:25:47,210 --> 00:25:45,720

and I say god let's let's make sure

630

00:25:49,370 --> 00:25:47,220

we're talking about the same thing

631

00:25:51,590 --> 00:25:49,380

that's number one

632

00:25:54,710 --> 00:25:51,600

but I would say

633

00:25:56,930 --> 00:25:54,720

Jason that number two is

634

00:25:58,430 --> 00:25:56,940

you can plant the seed but if people

635

00:26:01,669 --> 00:25:58,440

aren't ready to hear it I mean even

636

00:26:03,110 --> 00:26:01,679

Jesus there was you know he basically he

637

00:26:05,930 --> 00:26:03,120

was trying to meet people at their map

638

00:26:08,090 --> 00:26:05,940

of the world he had Parables and stories

639

00:26:09,950 --> 00:26:08,100

that he would tell in public and then in

640

00:26:12,769 --> 00:26:09,960

private with his disciples he would give

641

00:26:14,269 --> 00:26:12,779

them the real meaning because he knew

642

00:26:16,310 --> 00:26:14,279

you could not force these things on

643

00:26:18,470 --> 00:26:16,320

people because people are at different

644

00:26:22,250 --> 00:26:18,480

stages of their development

645

00:26:25,510 --> 00:26:22,260

right you know and so for me for

646

00:26:29,510 --> 00:26:25,520

instance my sister is evangelical

647

00:26:33,169 --> 00:26:29,520

we love each other to death

648

00:26:34,310 --> 00:26:33,179

but she cannot deal with the work that I

649

00:26:41,090 --> 00:26:34,320

do

650

00:26:44,210 --> 00:26:41,100

bit because of my experiences the energy

651
00:26:45,409 --> 00:26:44,220
is different that comes out of my hands

652
00:26:48,049 --> 00:26:45,419
but

653
00:26:50,029 --> 00:26:48,059
she says you don't mention Jesus when

654
00:26:53,269 --> 00:26:50,039
you talk about that

655
00:26:55,970 --> 00:26:53,279
so there's nothing I can do to to you

656
00:26:57,470 --> 00:26:55,980
know and she'll say well the other day I

657
00:26:59,810 --> 00:26:57,480
said to her well

658
00:27:02,450 --> 00:26:59,820
then look you love me you know me I'm

659
00:27:04,190 --> 00:27:02,460
your brother look at the work I do I'm

660
00:27:06,230 --> 00:27:04,200
not harming people I'm helping people

661
00:27:08,029 --> 00:27:06,240
but that's still not good enough it's

662
00:27:10,909 --> 00:27:08,039
well how do you know that's not the

663
00:27:13,250 --> 00:27:10,919

devil it reminds me of Hamlet right uh

664

00:27:14,990 --> 00:27:13,260

you know the the when he says the to a

665

00:27:16,789 --> 00:27:15,000

ratio the spirit I've seen may be the

666

00:27:19,190 --> 00:27:16,799

devil and the devil had power to assume

667

00:27:20,690 --> 00:27:19,200

a pleasing shape so some people are just

668

00:27:21,890 --> 00:27:20,700

not ready to hear it and I let it go

669

00:27:24,769 --> 00:27:21,900

with that

670

00:27:27,529 --> 00:27:24,779

because you know what's the parable some

671

00:27:29,870 --> 00:27:27,539

seeds some seed will go on ground that

672

00:27:32,810 --> 00:27:29,880

is fertile some seed will go on the

673

00:27:34,970 --> 00:27:32,820

ground and it will be choked some you

674

00:27:37,490 --> 00:27:34,980

know so I kind of

675

00:27:40,610 --> 00:27:37,500

I kind of just roll if someone seems

676

00:27:42,289 --> 00:27:40,620

open to it I will talk about it listen I

677

00:27:44,510 --> 00:27:42,299

almost got fired someone tried to get me

678

00:27:46,070 --> 00:27:44,520

fired from my church years ago because

679

00:27:47,510 --> 00:27:46,080

they saw me on Ancient Aliens and they

680

00:27:49,430 --> 00:27:47,520

said well I don't want my Minister

681

00:27:53,210 --> 00:27:49,440

talking about Little Green Men

682

00:27:55,010 --> 00:27:53,220

but luckily in the denomination I'm in

683

00:27:57,110 --> 00:27:55,020

the Unitarian Universalist

684

00:27:59,029 --> 00:27:57,120

the board runs the church not the

685

00:28:02,269 --> 00:27:59,039

minister I work for the board

686

00:28:05,269 --> 00:28:02,279

and so she was a big donor

687

00:28:08,570 --> 00:28:05,279

um she complained to the board and the

688

00:28:10,250 --> 00:28:08,580

board said he's not forcing it down your

689

00:28:11,990 --> 00:28:10,260

throat

690

00:28:14,570 --> 00:28:12,000

he's not preaching it here in other

691

00:28:17,510 --> 00:28:14,580

words this is not a UFO Church

692

00:28:19,010 --> 00:28:17,520

and so what's the harm and and he may be

693

00:28:22,310 --> 00:28:19,020

right

694

00:28:24,890 --> 00:28:22,320

so I I think it's the situational kind

695

00:28:27,909 --> 00:28:24,900

of thing because you don't want to force

696

00:28:32,269 --> 00:28:27,919

people for stuff on people and

697

00:28:34,970 --> 00:28:32,279

eventually things will play out where

698

00:28:37,970 --> 00:28:34,980

they'll have to make a decision I I

699

00:28:40,610 --> 00:28:37,980

would like to be there if I can

700

00:28:43,370 --> 00:28:40,620

as a guide you know people come to me

701
00:28:46,310 --> 00:28:43,380
for counseling that kind of thing but I

702
00:28:48,890 --> 00:28:46,320
would never never force that on people

703
00:28:51,049 --> 00:28:48,900
because it's a game changer because it

704
00:28:53,750 --> 00:28:51,059
basically everything we've been taught

705
00:28:55,370 --> 00:28:53,760
has been a lot yeah and not to mention

706
00:28:57,169 --> 00:28:55,380
the people within the church or any

707
00:28:59,330 --> 00:28:57,179
other religion in the world are also

708
00:29:01,549 --> 00:28:59,340
experiencers as well we've interviewed

709
00:29:04,370 --> 00:29:01,559
people that you know have written books

710
00:29:06,409 --> 00:29:04,380
about people that are in the church that

711
00:29:08,390 --> 00:29:06,419
are experiencing you know abduction

712
00:29:10,310 --> 00:29:08,400
cases for crying out loud and they're

713
00:29:12,590 --> 00:29:10,320

looking at it more like is it a devil

714

00:29:14,690 --> 00:29:12,600

thing am I being punished by hell like

715

00:29:16,610 --> 00:29:14,700

they can't make sense of it because they

716

00:29:18,529 --> 00:29:16,620

don't have let's say a reverend like you

717

00:29:20,149 --> 00:29:18,539

who've had these experiences they could

718

00:29:21,710 --> 00:29:20,159

say well actually it might be this let's

719

00:29:23,750 --> 00:29:21,720

look at it on this hand everything has

720

00:29:26,029 --> 00:29:23,760

got to be well yeah it's probably a

721

00:29:29,269 --> 00:29:26,039

spiritual attack you know like you need

722

00:29:31,970 --> 00:29:29,279

to pray more yeah exactly very fearful

723

00:29:33,769 --> 00:29:31,980

yeah you know you look in the Bible I

724

00:29:35,930 --> 00:29:33,779

mean Elijah

725

00:29:38,389 --> 00:29:35,940

is the contact e

726

00:29:39,950 --> 00:29:38,399

and he gets taken up in the Chariot so

727

00:29:43,250 --> 00:29:39,960

is Paul

728

00:29:44,630 --> 00:29:43,260

you know he's a contactee obviously I

729

00:29:47,630 --> 00:29:44,640

Think Jesus was

730

00:29:50,510 --> 00:29:47,640

um uh uh you know you look in the Bible

731

00:29:51,350 --> 00:29:50,520

these These are contactees you look at

732

00:29:56,269 --> 00:29:51,360

um

733

00:29:58,310 --> 00:29:56,279

John the Baptist his mother you know and

734

00:29:59,930 --> 00:29:58,320

uh Elizabeth and you know they're

735

00:30:02,149 --> 00:29:59,940

meeting these beings they're calling

736

00:30:03,409 --> 00:30:02,159

them angels and there's usually a

737

00:30:05,330 --> 00:30:03,419

message

738

00:30:08,450 --> 00:30:05,340

okay and what do they say something

739

00:30:11,510 --> 00:30:08,460

don't be afraid it's at night with the

740

00:30:12,409 --> 00:30:11,520

Lord yeah yeah don't don't you know and

741

00:30:15,889 --> 00:30:12,419

um

742

00:30:18,710 --> 00:30:15,899

I I want to be clear the Bible has a

743

00:30:21,409 --> 00:30:18,720

beauty to it and lots of wisdom and and

744

00:30:23,570 --> 00:30:21,419

approach to it I'm not just saying I

745

00:30:26,690 --> 00:30:23,580

don't want to I'm not denigrating it I I

746

00:30:28,970 --> 00:30:26,700

still use it I I draw wisdom from it but

747

00:30:32,029 --> 00:30:28,980

I draw wisdom from other sources as well

748

00:30:34,669 --> 00:30:32,039

I so I I I I don't think you throw out

749

00:30:37,370 --> 00:30:34,679

the baby with the bath water and a lot

750

00:30:39,830 --> 00:30:37,380

of people have because religion has

751

00:30:41,450 --> 00:30:39,840

taught us fear that the only the only

752

00:30:43,250 --> 00:30:41,460

reason these people say was it a devil

753

00:30:44,510 --> 00:30:43,260

is the devil because the church has said

754

00:30:46,850 --> 00:30:44,520

well if you don't look at it this way

755

00:30:49,430 --> 00:30:46,860

you're demise right and we got to

756

00:30:51,710 --> 00:30:49,440

reverse that in some ways

757

00:30:54,710 --> 00:30:51,720

um and and you reverse it by learning to

758

00:30:56,930 --> 00:30:54,720

love number one

759

00:30:58,250 --> 00:30:56,940

um that's what it's all about you don't

760

00:30:58,970 --> 00:30:58,260

need

761

00:31:02,810 --> 00:30:58,980

um

762

00:31:06,409 --> 00:31:02,820

you don't need a reptilian or you don't

763

00:31:10,730 --> 00:31:06,419

need a praying mantis person you don't

764

00:31:14,870 --> 00:31:10,740

need uh a Nordic person uh to teach you

765

00:31:17,570 --> 00:31:14,880

that I know people or ndes or obes they

766

00:31:19,669 --> 00:31:17,580

may accelerate the process I know a guy

767

00:31:22,970 --> 00:31:19,679

who was had a mystical experience

768

00:31:25,010 --> 00:31:22,980

jogging in San Francisco at Sunrise and

769

00:31:27,350 --> 00:31:25,020

he said I can't explain it but I forgot

770

00:31:29,510 --> 00:31:27,360

it was like I wasn't here anymore and I

771

00:31:32,090 --> 00:31:29,520

felt connected to everything through the

772

00:31:33,889 --> 00:31:32,100

trees to the mountains to other people I

773

00:31:36,649 --> 00:31:33,899

felt such love now he couldn't sustain

774

00:31:39,529 --> 00:31:36,659

that that went away

775

00:31:41,470 --> 00:31:39,539

but once you've had an experience like

776

00:31:45,529 --> 00:31:41,480

that whether it's ET

777

00:31:47,870 --> 00:31:45,539

or jogging or meditating look the Hindus

778

00:31:50,690 --> 00:31:47,880

do the tantric saps you can have an

779

00:31:53,750 --> 00:31:50,700

orgasm that can make you have uh that

780

00:31:55,909 --> 00:31:53,760

kind of you you change you you you

781

00:31:58,130 --> 00:31:55,919

changed

782

00:32:00,230 --> 00:31:58,140

um and and so reminds me but I'm not

783

00:32:02,450 --> 00:32:00,240

comparing this to war at all I have a

784

00:32:05,750 --> 00:32:02,460

lot of friends who were in Vietnam and

785

00:32:07,490 --> 00:32:05,760

you know you're 18 19 you know people

786

00:32:08,810 --> 00:32:07,500

shooting you and act you know once

787

00:32:10,669 --> 00:32:08,820

you've been there

788

00:32:12,649 --> 00:32:10,679

and then you come back you have to say

789

00:32:15,529 --> 00:32:12,659

now how am I gonna how am I going to

790

00:32:17,510 --> 00:32:15,539

live now I've seen the worst that people

791

00:32:18,409 --> 00:32:17,520

can do to one another or maybe I've done

792

00:32:20,649 --> 00:32:18,419

that

793

00:32:22,330 --> 00:32:20,659

and and those are the transformational

794

00:32:26,690 --> 00:32:22,340

experiences

795

00:32:31,250 --> 00:32:26,700

that we need to grow

796

00:32:35,269 --> 00:32:31,260

and hopefully uh they can be

797

00:32:37,850 --> 00:32:35,279

a pathway to to learning to love

798

00:32:40,430 --> 00:32:37,860

yeah well said and I think sometimes

799

00:32:42,889 --> 00:32:40,440

religion gives God like quote unquote

800

00:32:45,649 --> 00:32:42,899

God a bad name and let's be honest

801
00:32:48,169 --> 00:32:45,659
religion is a man-made construct yes

802
00:32:50,450 --> 00:32:48,179
himself said do not build a church do

803
00:32:54,529 --> 00:32:50,460
not worship idols your relationship with

804
00:32:57,529 --> 00:32:54,539
God is you and the Creator so it's man's

805
00:33:00,409 --> 00:32:57,539
feeble attempt in all scripture to try

806
00:33:03,350 --> 00:33:00,419
to you know record what God's words are

807
00:33:06,470 --> 00:33:03,360
and we are limited by our vessel right

808
00:33:08,750 --> 00:33:06,480
we are exactly can't comprehend God so

809
00:33:10,190 --> 00:33:08,760
we do our best to write stories that I

810
00:33:12,409 --> 00:33:10,200
remember at the time of the Bible

811
00:33:14,810 --> 00:33:12,419
nobody's literate other than the high

812
00:33:17,570 --> 00:33:14,820
priests and the Kings and everybody else

813
00:33:19,610 --> 00:33:17,580

like people believe what they saw and

814

00:33:21,710 --> 00:33:19,620

what they were told and the whole idea

815

00:33:23,810 --> 00:33:21,720

of Parables is you make a story that

816

00:33:25,669 --> 00:33:23,820

imparts some greater meaning at the end

817

00:33:28,610 --> 00:33:25,679

of the story whether a story is real or

818

00:33:31,250 --> 00:33:28,620

not who cares if you got the lesson good

819

00:33:33,049 --> 00:33:31,260

enough and I think that's basically the

820

00:33:35,029 --> 00:33:33,059

purpose of scripture give you examples

821

00:33:37,850 --> 00:33:35,039

of how you should live and how you

822

00:33:39,830 --> 00:33:37,860

should think more like the Creator and

823

00:33:41,450 --> 00:33:39,840

myself as Jason said like I was raised

824

00:33:43,669 --> 00:33:41,460

in a Catholic household I went to

825

00:33:45,230 --> 00:33:43,679

Catholic school had all the sacraments I

826

00:33:47,570 --> 00:33:45,240

never had a bad experience with

827

00:33:50,509 --> 00:33:47,580

Catholicism I know some people have but

828

00:33:52,970 --> 00:33:50,519

for me it was it was the starter of

829

00:33:55,190 --> 00:33:52,980

understanding God you read the scripture

830

00:33:56,690 --> 00:33:55,200

it's philosophy that you now have to

831

00:33:58,850 --> 00:33:56,700

battle in your own mind and say well

832

00:34:01,549 --> 00:33:58,860

what does that mean and in terms of God

833

00:34:03,230 --> 00:34:01,559

being a vengeful God or you know sending

834

00:34:05,149 --> 00:34:03,240

you to hell maybe I'm a bad Catholic but

835

00:34:08,329 --> 00:34:05,159

I don't believe in Hell the kind of God

836

00:34:10,609 --> 00:34:08,339

I believe in only knows about love and

837

00:34:13,550 --> 00:34:10,619

creating and would not create you to

838

00:34:15,470 --> 00:34:13,560

suffer again how do you explain sickos

839

00:34:17,389 --> 00:34:15,480

and pedophiles that deserve to burn in

840

00:34:19,129 --> 00:34:17,399

hell quote unquote I don't have an

841

00:34:20,230 --> 00:34:19,139

answer for that either but no I don't

842

00:34:23,990 --> 00:34:20,240

either

843

00:34:26,030 --> 00:34:24,000

yeah and God is getting lost in in the

844

00:34:29,329 --> 00:34:26,040

man-made rules of look at the Christian

845

00:34:31,310 --> 00:34:29,339

faith how many denominations of Jesus

846

00:34:32,810 --> 00:34:31,320

believing people are there you have

847

00:34:36,290 --> 00:34:32,820

Catholics you have Protestants you have

848

00:34:38,990 --> 00:34:36,300

Baptists you have Unitarian Presbyterian

849

00:34:40,790 --> 00:34:39,000

I mean Pentecostal Evangelical it goes

850

00:34:42,530 --> 00:34:40,800

on and on and on and on even the

851
00:34:45,230 --> 00:34:42,540
Jehovah's Witness believe in Jesus and

852
00:34:47,389 --> 00:34:45,240
like do you believe or not let's not get

853
00:34:49,250 --> 00:34:47,399
caught up in my God is better than your

854
00:34:51,050 --> 00:34:49,260
God because people have been killing

855
00:34:53,750 --> 00:34:51,060
each other for thousands of years over

856
00:34:55,730 --> 00:34:53,760
whose definition of God is right and

857
00:34:57,950 --> 00:34:55,740
they're all wrong so that's right you

858
00:34:59,630 --> 00:34:57,960
know if you get too rigid in a book that

859
00:35:02,750 --> 00:34:59,640
didn't simply didn't have the language

860
00:35:05,329 --> 00:35:02,760
at the time it was written to to Really

861
00:35:07,730 --> 00:35:05,339
impart where we're at now yeah because

862
00:35:10,550 --> 00:35:07,740
it means everything else you know no I

863
00:35:12,349 --> 00:35:10,560

agree and the thing is and I say this

864

00:35:13,790 --> 00:35:12,359

guys

865

00:35:18,349 --> 00:35:13,800

um and it upsets some people because

866

00:35:22,670 --> 00:35:20,450

by how you treat me

867

00:35:24,650 --> 00:35:22,680

that tells me how you treat

868

00:35:27,349 --> 00:35:24,660

the planet how you treat the animal

869

00:35:30,170 --> 00:35:27,359

kingdom that's what I know and even even

870

00:35:31,790 --> 00:35:30,180

even even Yeshua said that by their

871

00:35:34,130 --> 00:35:31,800

fruits you shall know them I know people

872

00:35:35,510 --> 00:35:34,140

who go to church Bible study on

873

00:35:37,430 --> 00:35:35,520

Wednesday night

874

00:35:39,290 --> 00:35:37,440

they're in the church they're in the

875

00:35:40,730 --> 00:35:39,300

synagogue they're in the mosque on

876

00:35:43,010 --> 00:35:40,740

Fridays

877

00:35:44,810 --> 00:35:43,020

and they will treat you like you are

878

00:35:47,569 --> 00:35:44,820

something that they stepped on on the

879

00:35:49,430 --> 00:35:47,579

sidewalk but yet they're doing the

880

00:35:53,150 --> 00:35:49,440

outward thing

881

00:35:54,470 --> 00:35:53,160

but but it comes back to and I'm not

882

00:35:56,450 --> 00:35:54,480

talking about being judgmental people

883

00:36:00,710 --> 00:35:56,460

have bad days I have bad days but

884

00:36:03,349 --> 00:36:00,720

basically you know how people live and

885

00:36:04,670 --> 00:36:03,359

that shows you oh you know I live in a

886

00:36:08,150 --> 00:36:04,680

country that says it's a Christian

887

00:36:10,730 --> 00:36:08,160

Nation my God if that's Christian then

888

00:36:13,849 --> 00:36:10,740

save me from it because we've gone crazy

889

00:36:16,069 --> 00:36:13,859

here and there are some there are some

890

00:36:17,990 --> 00:36:16,079

bible-thumping people that are flag

891

00:36:19,370 --> 00:36:18,000

waving Christians and if you step foot

892

00:36:20,750 --> 00:36:19,380

on their property they will shoot you in

893

00:36:23,210 --> 00:36:20,760

the head and not think twice about it

894

00:36:25,790 --> 00:36:23,220

you know so gun comes before the God

895

00:36:28,250 --> 00:36:25,800

sometimes and I think we really need to

896

00:36:30,829 --> 00:36:28,260

step back and get a 10 000 foot look at

897

00:36:32,210 --> 00:36:30,839

what we're actually doing because every

898

00:36:34,609 --> 00:36:32,220

Doctrine and it doesn't my own personal

899

00:36:37,490 --> 00:36:34,619

opinion but every religion every

900

00:36:39,290 --> 00:36:37,500

Doctrine it's the same story nobody's

901
00:36:41,630 --> 00:36:39,300
allowed nobody says you can commit

902
00:36:43,250 --> 00:36:41,640
murder or adultery or theft or you

903
00:36:45,050 --> 00:36:43,260
shouldn't respect your parents they all

904
00:36:47,690 --> 00:36:45,060
say the same thing they've had different

905
00:36:50,150 --> 00:36:47,700
Messengers over thousands of years to

906
00:36:52,430 --> 00:36:50,160
approach different populations of people

907
00:36:55,310 --> 00:36:52,440
they all say the same thing you were

908
00:36:57,230 --> 00:36:55,320
created with love God actually cares

909
00:36:59,089 --> 00:36:57,240
whatever God is or looks like whether

910
00:37:01,310 --> 00:36:59,099
it's light or energy who knows we can't

911
00:37:04,190 --> 00:37:01,320
figure that out but we are important

912
00:37:06,170 --> 00:37:04,200
enough that God gives a damn and in

913
00:37:08,329 --> 00:37:06,180

order to to prove that you give a damn

914

00:37:10,670 --> 00:37:08,339

back you should live a certain way like

915

00:37:12,829 --> 00:37:10,680

like God would want you to live and

916

00:37:14,930 --> 00:37:12,839

we've just complicated it to Hell after

917

00:37:16,910 --> 00:37:14,940

that and now we have people killing each

918

00:37:19,010 --> 00:37:16,920

other over whose definition of God is

919

00:37:23,150 --> 00:37:19,020

correct it's totally ridiculous it's

920

00:37:26,750 --> 00:37:23,160

ridiculous and and and and so the best

921

00:37:31,010 --> 00:37:26,760

thing that we can do I think

922

00:37:33,470 --> 00:37:31,020

is to keep in front of us the things we

923

00:37:36,470 --> 00:37:33,480

can control and the things we can't

924

00:37:38,210 --> 00:37:36,480

control I mean my government is doing a

925

00:37:39,770 --> 00:37:38,220

lot of things that I don't

926
00:37:41,810 --> 00:37:39,780
think is right

927
00:37:44,450 --> 00:37:41,820
I um

928
00:37:47,270 --> 00:37:44,460
vote

929
00:37:49,609 --> 00:37:47,280
um you know I will write so and so and

930
00:37:54,349 --> 00:37:49,619
go hey man what what are you doing but

931
00:37:55,490 --> 00:37:54,359
basically my life will be you know my

932
00:37:58,490 --> 00:37:55,500
Testament

933
00:38:01,190 --> 00:37:58,500
and so that's what I do I I don't I

934
00:38:04,310 --> 00:38:01,200
don't worry about things I can't control

935
00:38:07,190 --> 00:38:04,320
I try to be an informed citizen I always

936
00:38:10,069 --> 00:38:07,200
have gratitude I count my blessings you

937
00:38:13,069 --> 00:38:10,079
know I got a family here you know I I

938
00:38:15,829 --> 00:38:13,079

try to I try not to let the things I

939

00:38:20,089 --> 00:38:15,839

want make me forget the things that I

940

00:38:21,650 --> 00:38:20,099

have and you know I don't know if you

941

00:38:23,810 --> 00:38:21,660

ever saw that Meme on Facebook with

942

00:38:25,849 --> 00:38:23,820

William Shatner he's dressed you know

943

00:38:28,010 --> 00:38:25,859

he's doing a Star Trek thing and he goes

944

00:38:29,270 --> 00:38:28,020

why would what would God need with a

945

00:38:31,490 --> 00:38:29,280

Starship

946

00:38:34,130 --> 00:38:31,500

that's true you know what I mean yeah

947

00:38:37,670 --> 00:38:34,140

yeah what is so so

948

00:38:40,250 --> 00:38:37,680

I I just say all that to say is that a

949

00:38:42,010 --> 00:38:40,260

lot of times the problems of the world

950

00:38:45,530 --> 00:38:42,020

are so

951
00:38:49,430 --> 00:38:45,540
many and so varied that it's easily to

952
00:38:52,130 --> 00:38:49,440
get overwhelmed what's the use nothing I

953
00:38:54,890 --> 00:38:52,140
do matters what do and that's not true

954
00:38:56,990 --> 00:38:54,900
and you do what you can and you let the

955
00:38:59,510 --> 00:38:57,000
universe take care of the rest just

956
00:39:01,609 --> 00:38:59,520
doing that you are raising the frequency

957
00:39:03,650 --> 00:39:01,619
of the planet because you're taking care

958
00:39:05,930 --> 00:39:03,660
of your business

959
00:39:08,030 --> 00:39:05,940
you know no one's called me to go talk

960
00:39:09,710 --> 00:39:08,040
to Putin or go talk about it and

961
00:39:11,150 --> 00:39:09,720
probably no one will

962
00:39:13,810 --> 00:39:11,160
but

963
00:39:17,450 --> 00:39:13,820

you know when I go out of here every day

964

00:39:20,089 --> 00:39:17,460

I try to be the best me that I can be

965

00:39:23,390 --> 00:39:20,099

you know to be to be compassionate to be

966

00:39:26,329 --> 00:39:23,400

kind to be loving believe me that's

967

00:39:28,490 --> 00:39:26,339

everybody's not going to be Dr King or

968

00:39:30,829 --> 00:39:28,500

Joan of Arc or what have you if you're

969

00:39:33,530 --> 00:39:30,839

called to do that then by all means do

970

00:39:34,790 --> 00:39:33,540

it but it's just the everyday things we

971

00:39:38,089 --> 00:39:34,800

can do

972

00:39:39,710 --> 00:39:38,099

to make people believe that they are

973

00:39:41,270 --> 00:39:39,720

significant

974

00:39:43,550 --> 00:39:41,280

it's like the 11th commandment should

975

00:39:45,109 --> 00:39:43,560

have been don't be a dick you know what

976

00:39:49,130 --> 00:39:45,119

I mean just yeah that should have been

977

00:39:53,270 --> 00:39:49,140

the last one just be good you know don't

978

00:39:58,490 --> 00:39:55,730

now it's Thou shalt not get caught yeah

979

00:40:04,370 --> 00:40:01,370

you know it's it's a mess yeah but but

980

00:40:07,010 --> 00:40:04,380

but but but they're good people like you

981

00:40:09,530 --> 00:40:07,020

and I'm very serious uh this is a

982

00:40:11,870 --> 00:40:09,540

Ministry you are raising people's

983

00:40:13,490 --> 00:40:11,880

vibration you are bringing them a

984

00:40:15,250 --> 00:40:13,500

message and hopefully they will walk

985

00:40:19,609 --> 00:40:15,260

away from this

986

00:40:22,849 --> 00:40:19,619

thinking feeling and going on I mean

987

00:40:24,530 --> 00:40:22,859

this is sacred time and it's not going

988

00:40:28,670 --> 00:40:24,540

to be on Fox it's not going to be on

989

00:40:31,310 --> 00:40:28,680

MSNBC but I remember the James Baldwin

990

00:40:33,530 --> 00:40:31,320

the late writer said the World Turns by

991

00:40:36,650 --> 00:40:33,540

the love of a very few people

992

00:40:40,609 --> 00:40:36,660

and so you just keep doing what you're

993

00:40:42,950 --> 00:40:40,619

doing and little by little uh it's like

994

00:40:45,290 --> 00:40:42,960

a ripple effect you're bringing people

995

00:40:46,670 --> 00:40:45,300

uh knowledge you're stretching them of

996

00:40:49,130 --> 00:40:46,680

course you're making them uncomfortable

997

00:40:51,650 --> 00:40:49,140

but that's how we grow if they don't

998

00:40:53,630 --> 00:40:51,660

like it they'll see your next guest next

999

00:40:55,430 --> 00:40:53,640

week you know they'll see I'm sure we

1000

00:40:57,890 --> 00:40:55,440

will get comments on today's episode

1001
00:41:00,710 --> 00:40:57,900
every time we talk about Consciousness

1002
00:41:02,630 --> 00:41:00,720
some people lose their mind every time

1003
00:41:05,089 --> 00:41:02,640
we get into the realm of God or

1004
00:41:07,670 --> 00:41:05,099
understanding because we were nuts and

1005
00:41:09,710 --> 00:41:07,680
bolts UFO guys doing this as a just a

1006
00:41:11,450 --> 00:41:09,720
fun hobby people really started to like

1007
00:41:13,310 --> 00:41:11,460
it and we thought well we're going to be

1008
00:41:14,990 --> 00:41:13,320
true to ourselves and stay fact-based

1009
00:41:17,810 --> 00:41:15,000
it's the hardest thing in the world to

1010
00:41:20,030 --> 00:41:17,820
find facts and evidence on the UFO topic

1011
00:41:22,190 --> 00:41:20,040
all you can do is get little fading

1012
00:41:24,650 --> 00:41:22,200
glimpses and try to connect the dots

1013
00:41:27,589 --> 00:41:24,660

using scripture speaking to people that

1014

00:41:29,030 --> 00:41:27,599

are educated better spoken than us and

1015

00:41:30,890 --> 00:41:29,040

some people give us a hard time and say

1016

00:41:32,870 --> 00:41:30,900

you know somebody made a outlandish

1017

00:41:35,510 --> 00:41:32,880

claim why didn't you Hammer them for

1018

00:41:38,450 --> 00:41:35,520

proof it's not our business or our job

1019

00:41:40,670 --> 00:41:38,460

to get your kind of proof you make your

1020

00:41:42,050 --> 00:41:40,680

own decision you think the person's nuts

1021

00:41:44,930 --> 00:41:42,060

that's your opinion you're going to form

1022

00:41:48,050 --> 00:41:44,940

one anyway we have our own but it's not

1023

00:41:51,410 --> 00:41:48,060

about us it's the message yeah I agree I

1024

00:41:54,470 --> 00:41:51,420

agree listen and Preston's Preston's a

1025

00:41:56,810 --> 00:41:54,480

friend of mine yeah um you know Preston

1026

00:41:59,510 --> 00:41:56,820

even says in his books I'm not

1027

00:42:02,569 --> 00:41:59,520

trying to prove this wrong or right I'm

1028

00:42:05,030 --> 00:42:02,579

telling you what this person said to me

1029

00:42:08,270 --> 00:42:05,040

and you

1030

00:42:12,290 --> 00:42:08,280

take it or not yeah you know and yes and

1031

00:42:12,300 --> 00:42:14,990

this

1032

00:42:19,550 --> 00:42:16,490

community

1033

00:42:22,730 --> 00:42:19,560

for lack of a better word

1034

00:42:24,770 --> 00:42:22,740

the UFO Community it's uh that's all I

1035

00:42:25,730 --> 00:42:24,780

don't even know what the hell that is

1036

00:42:29,450 --> 00:42:25,740

but

1037

00:42:32,450 --> 00:42:29,460

it's because people want to belong

1038

00:42:34,849 --> 00:42:32,460

there's a lot of Fringe people

1039

00:42:36,710 --> 00:42:34,859

that because they want to meet they want

1040

00:42:38,810 --> 00:42:36,720

to be significant they want to be

1041

00:42:41,150 --> 00:42:38,820

special that or what they think is

1042

00:42:43,310 --> 00:42:41,160

special and so

1043

00:42:47,510 --> 00:42:43,320

it and and then you have disinformation

1044

00:42:50,510 --> 00:42:47,520

people so it's hard to say well this is

1045

00:42:53,510 --> 00:42:50,520

really true and this isn't but one thing

1046

00:42:54,589 --> 00:42:53,520

you know is true is that things are

1047

00:43:00,550 --> 00:42:54,599

changing

1048

00:43:04,609 --> 00:43:00,560

you know go read uh Ray Hernandez book

1049

00:43:06,109 --> 00:43:04,619

uh uh on on Consciousness and and UFOs

1050

00:43:08,089 --> 00:43:06,119

I'm in that book you don't have to buy

1051

00:43:10,270 --> 00:43:08,099

just because I'm in it but it's it's

1052

00:43:13,250 --> 00:43:10,280

about it and there's scientists in it

1053

00:43:17,089 --> 00:43:13,260

physicists who are experiencers

1054

00:43:19,069 --> 00:43:17,099

and they are saying I was this way I was

1055

00:43:21,950 --> 00:43:19,079

pure nuts and bolts before I had this

1056

00:43:25,309 --> 00:43:21,960

experience and now uh you know now now

1057

00:43:27,349 --> 00:43:25,319

I'm I'm I'm I'm studying massage I'm I'm

1058

00:43:30,650 --> 00:43:27,359

meditating more I'm you know what I mean

1059

00:43:32,809 --> 00:43:30,660

so there's a [h__h] happening you know

1060

00:43:35,329 --> 00:43:32,819

what sometimes you can miss the forest

1061

00:43:38,630 --> 00:43:35,339

for the trees yeah I mean distance from

1062

00:43:41,030 --> 00:43:38,640

disinformation is uh they give you some

1063

00:43:42,710 --> 00:43:41,040

truth and then they kind of wrap it up

1064

00:43:44,210 --> 00:43:42,720

in a whole bunch of disinformation so

1065

00:43:46,190 --> 00:43:44,220

you don't throw the baby out the bath

1066

00:43:48,829 --> 00:43:46,200

water you but we've not we've been

1067

00:43:50,990 --> 00:43:48,839

taught not to trust ourselves so I need

1068

00:43:54,230 --> 00:43:51,000

I don't need my government to tell me

1069

00:43:57,589 --> 00:43:54,240

that UFOs exist it would be nice but I

1070

00:44:00,589 --> 00:43:57,599

don't that's not my thing I know what I

1071

00:44:02,750 --> 00:44:00,599

saw I know what's happened to me now if

1072

00:44:05,809 --> 00:44:02,760

they ever come out with this I love it

1073

00:44:07,490 --> 00:44:05,819

but if they don't I know what I saw but

1074

00:44:10,970 --> 00:44:07,500

what we're so used to giving our power

1075

00:44:13,609 --> 00:44:10,980

away that unless someone affirms it or

1076

00:44:14,990 --> 00:44:13,619

confirms it then it's not true and you

1077

00:44:17,750 --> 00:44:15,000

just don't want to live your life that

1078

00:44:20,270 --> 00:44:17,760

way right now we got a question for both

1079

00:44:22,490 --> 00:44:20,280

of you Louie I give this question uh I

1080

00:44:23,750 --> 00:44:22,500

didn't let you know those questions I

1081

00:44:25,309 --> 00:44:23,760

know right

1082

00:44:27,890 --> 00:44:25,319

um but recently uh somebody Michael

1083

00:44:29,990 --> 00:44:27,900

Shermer saw another Michael yeah yes yes

1084

00:44:31,670 --> 00:44:30,000

stated that uh believing in Aliens is

1085

00:44:33,829 --> 00:44:31,680

like a religion and there are some

1086

00:44:35,990 --> 00:44:33,839

similarities he says it's all

1087

00:44:38,569 --> 00:44:36,000

imagination and speculation based on

1088

00:44:41,270 --> 00:44:38,579

reason logic and argument but we still

1089

00:44:43,609 --> 00:44:41,280

don't have any any evidence for either

1090

00:44:46,190 --> 00:44:43,619

and I thought that's that's a good point

1091

00:44:48,349 --> 00:44:46,200

like how do we prevent ufology or the

1092

00:44:50,270 --> 00:44:48,359

belief in in what's happening right now

1093

00:44:52,190 --> 00:44:50,280

from becoming a religion because look at

1094

00:44:53,210 --> 00:44:52,200

the way that we're behaving on social

1095

00:44:55,309 --> 00:44:53,220

media

1096

00:44:57,589 --> 00:44:55,319

Twitter everybody's fighting everybody's

1097

00:44:59,030 --> 00:44:57,599

got the answer one guy is a messiah that

1098

00:45:02,089 --> 00:44:59,040

will charge you thirty five hundred

1099

00:45:03,890 --> 00:45:02,099

dollars for a night out looking at UFOs

1100

00:45:06,710 --> 00:45:03,900

you know like it's just it's gotten

1101
00:45:08,450 --> 00:45:06,720
ridiculous right so um I'll pick your

1102
00:45:11,270 --> 00:45:08,460
brain first Louie like what do you think

1103
00:45:14,210 --> 00:45:11,280
is there a danger there of ufology again

1104
00:45:16,309 --> 00:45:14,220
too religion the term religion has those

1105
00:45:19,010 --> 00:45:16,319
negative connotations that a lot of

1106
00:45:21,950 --> 00:45:19,020
religion isms have affected people's

1107
00:45:25,069 --> 00:45:21,960
belief in God so in the sense of making

1108
00:45:27,290 --> 00:45:25,079
it some occult thing it's possible that

1109
00:45:29,569 --> 00:45:27,300
it can get into that realm but all

1110
00:45:31,609 --> 00:45:29,579
religion we don't have proof I don't

1111
00:45:33,470 --> 00:45:31,619
have a piece of Jesus's cross I believe

1112
00:45:36,290 --> 00:45:33,480
the man lived I believe the message he

1113
00:45:38,630 --> 00:45:36,300

sent so yeah the people that are looking

1114

00:45:41,030 --> 00:45:38,640

for where is the proof and call it a

1115

00:45:42,890 --> 00:45:41,040

religion you're leaving out the faith

1116

00:45:44,809 --> 00:45:42,900

part you don't have proof of any of this

1117

00:45:46,609 --> 00:45:44,819

you don't have proof Jesus existed not

1118

00:45:48,770 --> 00:45:46,619

forensic proof you have historical

1119

00:45:50,930 --> 00:45:48,780

records and accounts but there's no

1120

00:45:53,510 --> 00:45:50,940

proof with any of it you either believe

1121

00:45:55,250 --> 00:45:53,520

or you don't believe and there's no no

1122

00:45:57,890 --> 00:45:55,260

right or wrong answer and you don't owe

1123

00:45:59,690 --> 00:45:57,900

an explanation to anybody you know your

1124

00:46:02,150 --> 00:45:59,700

relationship with the Divine you're

1125

00:46:05,030 --> 00:46:02,160

either communicating or you're not so I

1126

00:46:07,730 --> 00:46:05,040

don't think there's any risk of alien

1127

00:46:09,950 --> 00:46:07,740

religions having good or bad because

1128

00:46:11,870 --> 00:46:09,960

it's that same putting it in a little

1129

00:46:13,550 --> 00:46:11,880

box that you know comes with that

1130

00:46:15,230 --> 00:46:13,560

statement if you're going to be an

1131

00:46:17,089 --> 00:46:15,240

open-minded person you believe in

1132

00:46:19,069 --> 00:46:17,099

everything you become the Buddha you

1133

00:46:21,710 --> 00:46:19,079

believe in creation you believe in love

1134

00:46:22,910 --> 00:46:21,720

you believe in support and kindness you

1135

00:46:25,490 --> 00:46:22,920

don't worry about your neighbor anymore

1136

00:46:27,829 --> 00:46:25,500

you worry about yourself you you accept

1137

00:46:30,109 --> 00:46:27,839

the universe within you that you're made

1138

00:46:32,150 --> 00:46:30,119

of the same stuff and you stop putting

1139

00:46:34,849 --> 00:46:32,160

things in boxes and calling it this and

1140

00:46:37,849 --> 00:46:34,859

labeling at that so my personal opinion

1141

00:46:41,089 --> 00:46:37,859

is the term religion is at the worst

1142

00:46:43,309 --> 00:46:41,099

connotation and I to me nothing speaks

1143

00:46:44,390 --> 00:46:43,319

more highly to God's creative power than

1144

00:46:46,609 --> 00:46:44,400

the fact that there might be life

1145

00:46:49,250 --> 00:46:46,619

elsewhere my kind of God doesn't have

1146

00:46:52,010 --> 00:46:49,260

limits on just humans on Earth he is

1147

00:46:54,410 --> 00:46:52,020

omnipotent so I I don't put it in a box

1148

00:46:56,030 --> 00:46:54,420

and I don't put the whole UFO and alien

1149

00:46:57,829 --> 00:46:56,040

thing in a box either because it's not

1150

00:47:00,290 --> 00:46:57,839

I've said it before it's not Stranger

1151
00:47:03,589 --> 00:47:00,300
Than You Think Stranger than you can

1152
00:47:05,569 --> 00:47:03,599
think and if we try to Define it boy you

1153
00:47:07,250 --> 00:47:05,579
got a big ego because you'd be the only

1154
00:47:09,770 --> 00:47:07,260
one to figure it out for all of us if

1155
00:47:11,270 --> 00:47:09,780
that's the true case nobody knows don't

1156
00:47:14,329 --> 00:47:11,280
put in a box

1157
00:47:18,470 --> 00:47:14,339
yeah yeah yeah I I I I that resonates

1158
00:47:20,990 --> 00:47:18,480
with me I I I I would say this so that

1159
00:47:24,650 --> 00:47:21,000
we already have UFO religions yeah

1160
00:47:26,750 --> 00:47:24,660
that's true Judaism Christianity and

1161
00:47:28,609 --> 00:47:26,760
Islam are all religions that were

1162
00:47:30,950 --> 00:47:28,619
started by star people I'm not saying it

1163
00:47:32,710 --> 00:47:30,960

was intentional but the beings that

1164

00:47:35,030 --> 00:47:32,720

they're taught look

1165

00:47:37,910 --> 00:47:35,040

we know that

1166

00:47:43,069 --> 00:47:39,589

Stars

1167

00:47:45,470 --> 00:47:43,079

do not float across the sky

1168

00:47:47,329 --> 00:47:45,480

and shine light down on mangers if they

1169

00:47:50,630 --> 00:47:47,339

did the whole gravitational pull of the

1170

00:47:53,930 --> 00:47:50,640

earth so you know I mean we already have

1171

00:47:56,690 --> 00:47:53,940

it we already have the angel of Maroney

1172

00:47:58,970 --> 00:47:56,700

talking to uh the Mormon you know that's

1173

00:48:00,170 --> 00:47:58,980

how Mormonism started we already have

1174

00:48:06,050 --> 00:48:00,180

that

1175

00:48:09,890 --> 00:48:06,060

trying to say is is these from my point

1176

00:48:12,109 --> 00:48:09,900

of view is that let's look at this story

1177

00:48:15,290 --> 00:48:12,119

these stories

1178

00:48:18,589 --> 00:48:15,300

Judaism Christianity and Islam

1179

00:48:21,109 --> 00:48:18,599

the three monotheistic faiths

1180

00:48:22,250 --> 00:48:21,119

and say what are they really trying to

1181

00:48:25,670 --> 00:48:22,260

tell us

1182

00:48:26,930 --> 00:48:25,680

not about whether uh uh

1183

00:48:29,390 --> 00:48:26,940

um

1184

00:48:33,589 --> 00:48:29,400

virgins have babies or what have you

1185

00:48:36,410 --> 00:48:33,599

that's in there but are we were we being

1186

00:48:39,589 --> 00:48:36,420

visited we're our ancestors

1187

00:48:42,530 --> 00:48:39,599

try to describe to us

1188

00:48:45,650 --> 00:48:42,540

in the nomenclature the language of

1189

00:48:49,069 --> 00:48:45,660

their day the experiences they were

1190

00:48:52,370 --> 00:48:49,079

having with other worldly intelligences

1191

00:48:54,890 --> 00:48:52,380

because we've made religions out of them

1192

00:48:56,990 --> 00:48:54,900

yeah we've made religions out of them

1193

00:48:58,910 --> 00:48:57,000

already now I'm being a little

1194

00:49:00,890 --> 00:48:58,920

disingenuous because what you're saying

1195

00:49:02,690 --> 00:49:00,900

is you know there have been UFO

1196

00:49:05,390 --> 00:49:02,700

religions I got books on them where you

1197

00:49:07,849 --> 00:49:05,400

get these charismatic uh priests called

1198

00:49:09,410 --> 00:49:07,859

leaders yeah yes I see with that and

1199

00:49:11,210 --> 00:49:09,420

that's what you're really saying yeah

1200

00:49:14,270 --> 00:49:11,220

and so

1201

00:49:16,970 --> 00:49:14,280

um I don't know if we can stop that

1202

00:49:19,010 --> 00:49:16,980

because people are gullible and you know

1203

00:49:21,109 --> 00:49:19,020

you've always had that even in in

1204

00:49:23,390 --> 00:49:21,119

biblical times you always had these

1205

00:49:27,589 --> 00:49:23,400

little calls Christianity was a cult at

1206

00:49:30,710 --> 00:49:27,599

one time but what we can do

1207

00:49:33,230 --> 00:49:30,720

is to work on our own spirituality

1208

00:49:35,510 --> 00:49:33,240

to to to study like the Buddha said

1209

00:49:38,089 --> 00:49:35,520

don't take my word for it go out and

1210

00:49:41,630 --> 00:49:38,099

experience it go out and study for

1211

00:49:44,030 --> 00:49:41,640

yourselves and that way that's how we we

1212

00:49:45,950 --> 00:49:44,040

grow because you can't lead where you

1213

00:49:49,670 --> 00:49:45,960

haven't been

1214

00:49:54,010 --> 00:49:49,680

so again answer your question on one

1215

00:49:56,870 --> 00:49:54,020

level our our religions are based on

1216

00:49:59,030 --> 00:49:56,880

contactees reports but on what you're

1217

00:50:00,829 --> 00:49:59,040

saying is

1218

00:50:03,770 --> 00:50:00,839

um but I don't think

1219

00:50:08,230 --> 00:50:03,780

you there's no way you can stop that

1220

00:50:10,670 --> 00:50:08,240

except by people wanting to be educated

1221

00:50:12,829 --> 00:50:10,680

encouraging them

1222

00:50:16,370 --> 00:50:12,839

look don't take Michael Carter's word

1223

00:50:18,410 --> 00:50:16,380

for it go read the literature go reread

1224

00:50:20,990 --> 00:50:18,420

some of these you know do the research

1225

00:50:23,450 --> 00:50:21,000

yourself that way whatever conclusion

1226

00:50:26,390 --> 00:50:23,460

you come to you come to it on your own

1227

00:50:29,030 --> 00:50:26,400

not because you were Hoodwinked or you

1228

00:50:32,450 --> 00:50:29,040

know someone guilted you into it and

1229

00:50:34,069 --> 00:50:32,460

then you can start seeing okay you know

1230

00:50:36,589 --> 00:50:34,079

you like like Louie said you start

1231

00:50:38,630 --> 00:50:36,599

looking at life from a higher altitude

1232

00:50:41,510 --> 00:50:38,640

I think that's what we can encourage

1233

00:50:43,609 --> 00:50:41,520

which is what your show does does it

1234

00:50:45,650 --> 00:50:43,619

make people uncomfortable yeah you know

1235

00:50:48,290 --> 00:50:45,660

what if people are writing you and and

1236

00:50:50,930 --> 00:50:48,300

they're all off kilter that means you've

1237

00:50:52,609 --> 00:50:50,940

done your job I like that sometimes yeah

1238

00:50:54,290 --> 00:50:52,619

it feels like that sometimes it's uh

1239

00:50:57,290 --> 00:50:54,300

that means because we're not all going

1240

00:51:00,170 --> 00:50:57,300

to hold hands and sing Kumbaya but if

1241

00:51:04,069 --> 00:51:00,180

you've done your job you how did Dr King

1242

00:51:05,510 --> 00:51:04,079

put it I come my job is to comfort The

1243

00:51:08,150 --> 00:51:05,520

Afflicted

1244

00:51:11,030 --> 00:51:08,160

and to afflict the comfortable those who

1245

00:51:12,829 --> 00:51:11,040

all said oh I got it all figured out I

1246

00:51:14,870 --> 00:51:12,839

know what it is and then you come along

1247

00:51:18,410 --> 00:51:14,880

with this show or whatever and they go

1248

00:51:20,990 --> 00:51:18,420

like oh holy that's the job for those

1249

00:51:23,150 --> 00:51:21,000

people who are complacent and for those

1250

00:51:25,790 --> 00:51:23,160

people who are in the margin saying man

1251

00:51:28,190 --> 00:51:25,800

I I wish I could talk to somebody about

1252

00:51:30,890 --> 00:51:28,200

what just happened to me I don't know

1253

00:51:34,549 --> 00:51:30,900

you comfort them because you have other

1254

00:51:36,589 --> 00:51:34,559

people like me on other people who say I

1255

00:51:39,710 --> 00:51:36,599

know what you went through you you're

1256

00:51:42,470 --> 00:51:39,720

not crazy uh talk to me about I'm here

1257

00:51:43,849 --> 00:51:42,480

here's my email here's my phone here's

1258

00:51:45,890 --> 00:51:43,859

what I've

1259

00:51:47,569 --> 00:51:45,900

that's what you do

1260

00:51:50,030 --> 00:51:47,579

you know it's actually uh that's what

1261

00:51:52,549 --> 00:51:50,040

you guys do yeah it's always fascinating

1262

00:51:54,370 --> 00:51:52,559

when we talk to an experimenter or

1263

00:51:56,390 --> 00:51:54,380

somebody who's had

1264

00:51:58,130 --> 00:51:56,400

multiple experiences throughout their

1265

00:52:00,530 --> 00:51:58,140

lifetime and somebody like yourself sir

1266

00:52:02,990 --> 00:52:00,540

who's you're humble at the same time

1267

00:52:04,549 --> 00:52:03,000

you're kind I we have not yet to

1268

00:52:07,430 --> 00:52:04,559

interview somebody who's a complete

1269

00:52:08,750 --> 00:52:07,440

a-hole that isn't abductee you know what

1270

00:52:10,370 --> 00:52:08,760

I mean like they don't seem to come for

1271

00:52:12,109 --> 00:52:10,380

those types of people they seem to come

1272

00:52:14,510 --> 00:52:12,119

for the people that are open that are

1273

00:52:16,549 --> 00:52:14,520

spiritual that are kind like everybody

1274

00:52:18,530 --> 00:52:16,559

we talk to happens to fall that way

1275

00:52:21,290 --> 00:52:18,540

they're just you know really genuine

1276

00:52:24,710 --> 00:52:21,300

people and you happen to be one of those

1277

00:52:26,210 --> 00:52:24,720

people so that your stories are you know

1278

00:52:29,030 --> 00:52:26,220

it makes it easier for us to understand

1279

00:52:31,190 --> 00:52:29,040

what you're coming from uh because you

1280

00:52:33,349 --> 00:52:31,200

are genuine and you you don't come

1281

00:52:36,589 --> 00:52:33,359

across at all as somebody who's fibbing

1282

00:52:39,410 --> 00:52:36,599

uh you you got a legit story now if

1283

00:52:41,270 --> 00:52:39,420

somebody is a religious person I'm going

1284

00:52:43,549 --> 00:52:41,280

to say religious or a spiritual person

1285

00:52:46,609 --> 00:52:43,559

they've experienced um you know

1286

00:52:48,829 --> 00:52:46,619

experiences of abduction or encounters

1287

00:52:50,270 --> 00:52:48,839

and they're not comfortable talking

1288

00:52:53,030 --> 00:52:50,280

about it with people of their Church

1289

00:52:56,510 --> 00:52:53,040

what would you recommend for them to do

1290

00:53:02,690 --> 00:52:56,520

I would recommend a couple of things I

1291

00:53:06,470 --> 00:53:04,910

to find a support group if not a support

1292

00:53:10,190 --> 00:53:06,480

group maybe some people who do some

1293

00:53:13,849 --> 00:53:10,200

hypnosis so you can kind of get that

1294

00:53:16,130 --> 00:53:13,859

trauma out you could always talk to me I

1295

00:53:18,950 --> 00:53:16,140

do counseling I'm not overly expensive

1296

00:53:20,569 --> 00:53:18,960

uh we could do it by Zoom Skype what

1297

00:53:22,910 --> 00:53:20,579

have you

1298

00:53:24,589 --> 00:53:22,920

I would also advise them to be gentle

1299

00:53:26,809 --> 00:53:24,599

with themselves

1300

00:53:28,849 --> 00:53:26,819

because you get a glimpse of another

1301

00:53:30,829 --> 00:53:28,859

dimension but you're still living in

1302

00:53:32,930 --> 00:53:30,839

this Dimension maybe you have kids maybe

1303

00:53:34,910 --> 00:53:32,940

you have a partner you got to get up and

1304

00:53:37,270 --> 00:53:34,920

go to work you know what I mean so you

1305

00:53:40,370 --> 00:53:37,280

got to be really gentle with yourself

1306

00:53:42,890 --> 00:53:40,380

and you know use your resources I like

1307

00:53:46,069 --> 00:53:42,900

to read up on stuff uh I read

1308

00:53:48,470 --> 00:53:46,079

voraciously anyway but when I add

1309

00:53:50,510 --> 00:53:48,480

um those experiences that's why I wrote

1310

00:53:51,890 --> 00:53:50,520

this book for experiences it's called

1311

00:53:54,589 --> 00:53:51,900

the spiritual transformation of the

1312

00:53:57,109 --> 00:53:54,599

experiencer it gives you it tells you

1313

00:53:59,569 --> 00:53:57,119

about the signs that let you know that

1314

00:54:01,549 --> 00:53:59,579

maybe you were visited what to do about

1315

00:54:02,390 --> 00:54:01,559

that it talks about

1316

00:54:04,849 --> 00:54:02,400

um

1317

00:54:06,890 --> 00:54:04,859

you know if you're in a relationship and

1318

00:54:09,470 --> 00:54:06,900

maybe you're having these encounters and

1319

00:54:11,930 --> 00:54:09,480

your partner isn't very very difficult

1320

00:54:14,809 --> 00:54:11,940

because they don't know and you're going

1321

00:54:17,390 --> 00:54:14,819

through one thing so and and I'm just

1322

00:54:21,770 --> 00:54:17,400

thinking about those things

1323

00:54:27,290 --> 00:54:24,650

there's so many people out here

1324

00:54:28,790 --> 00:54:27,300

who have had and are having your

1325

00:54:30,650 --> 00:54:28,800

experience

1326

00:54:33,010 --> 00:54:30,660

so you're not alone

1327

00:54:35,390 --> 00:54:33,020

you just need to find the safe space

1328

00:54:38,210 --> 00:54:35,400

where you can talk without being

1329

00:54:39,589 --> 00:54:38,220

ridiculed usually the church is not the

1330

00:54:43,210 --> 00:54:39,599

place to go

1331

00:54:47,990 --> 00:54:45,950

you know I I hate to say it but the

1332

00:54:49,730 --> 00:54:48,000

church is not the place to go

1333

00:54:53,750 --> 00:54:49,740

but um

1334

00:54:56,390 --> 00:54:53,760

call me pick up the book uh you you

1335

00:54:58,370 --> 00:54:56,400

there's help here

1336

00:55:01,790 --> 00:54:58,380

um but be gentle with yourself because

1337

00:55:04,549 --> 00:55:01,800

it's it's the beginning of a journey

1338

00:55:06,710 --> 00:55:04,559

uh and at the end of this journey you

1339

00:55:07,910 --> 00:55:06,720

will be a totally different person in a

1340

00:55:11,150 --> 00:55:07,920

lot of ways

1341

00:55:12,710 --> 00:55:11,160

that I promise you and speaking of the

1342

00:55:15,170 --> 00:55:12,720

journey we mentioned earlier we've gone

1343

00:55:16,730 --> 00:55:15,180

from nuts and bolts guys to giving

1344

00:55:18,650 --> 00:55:16,740

everything a little bit of space because

1345

00:55:20,510 --> 00:55:18,660

we just don't know and we've chatted

1346

00:55:22,309 --> 00:55:20,520

with some pretty well-informed people

1347

00:55:23,870 --> 00:55:22,319

like George Knapp and Jacques Valley and

1348

00:55:26,569 --> 00:55:23,880

you know when they start talking about

1349

00:55:29,809 --> 00:55:26,579

things like it's not just UFOs now it's

1350

00:55:31,250 --> 00:55:29,819

like Poltergeist and orbs and all these

1351

00:55:33,290 --> 00:55:31,260

other random energies that they didn't

1352

00:55:35,390 --> 00:55:33,300

think were affiliated with this topic

1353

00:55:37,490 --> 00:55:35,400

now it seems like there's more and more

1354

00:55:39,530 --> 00:55:37,500

to that so I wanted to get your opinion

1355

00:55:42,710 --> 00:55:39,540

on how do you make sense of the whole

1356

00:55:44,510 --> 00:55:42,720

demons and poltergeists or even just

1357

00:55:46,549 --> 00:55:44,520

like spirits that you can communicate

1358

00:55:48,530 --> 00:55:46,559

with where does that fit into the whole

1359

00:55:50,569 --> 00:55:48,540

ET phenomenon I think it does you know

1360

00:55:54,109 --> 00:55:50,579

what I've been noticing you know I went

1361

00:55:56,150 --> 00:55:54,119

to a con uh conference in Michigan last

1362

00:55:59,210 --> 00:55:56,160

September and I've been invited back and

1363

00:56:00,890 --> 00:55:59,220

what I loved about it was that you had

1364

00:56:02,510 --> 00:56:00,900

people there talking you had experiences

1365

00:56:04,069 --> 00:56:02,520

there you had people talking about the

1366

00:56:06,829 --> 00:56:04,079

nuts and bolts you had people there

1367

00:56:09,049 --> 00:56:06,839

talking about Bigfoot you know I because

1368

00:56:11,150 --> 00:56:09,059

I you know you see some of UFO sightings

1369

00:56:12,890 --> 00:56:11,160

where people say they see Bigfoot or

1370

00:56:15,770 --> 00:56:12,900

some people said I've seen Bigfoot get

1371

00:56:18,109 --> 00:56:15,780

off of a crap I think that all this is

1372

00:56:20,690 --> 00:56:18,119

lumped under one thing of the Paranormal

1373

00:56:23,089 --> 00:56:20,700

which may not be paranormal just maybe

1374

00:56:24,950 --> 00:56:23,099

some things we don't understand as yet

1375

00:56:26,630 --> 00:56:24,960

we call it Supernatural but it may not

1376
00:56:27,890 --> 00:56:26,640
be Supernatural there may be laws of

1377
00:56:29,630 --> 00:56:27,900
physics that we're just not really

1378
00:56:32,450 --> 00:56:29,640
understanding

1379
00:56:33,950 --> 00:56:32,460
I think and I like it because we're not

1380
00:56:36,950 --> 00:56:33,960
at each other's throats and we're not

1381
00:56:38,510 --> 00:56:36,960
competing and I'm noticing that more and

1382
00:56:42,530 --> 00:56:38,520
more

1383
00:56:44,770 --> 00:56:42,540
conferences you know they're having

1384
00:56:49,309 --> 00:56:44,780
speakers from the different disciplines

1385
00:56:53,089 --> 00:56:49,319
Poltergeist Bigfoot ghost I think it's

1386
00:56:55,309 --> 00:56:53,099
all they they all have that connection

1387
00:56:57,650 --> 00:56:55,319
of how do we are we trying to understand

1388
00:56:59,750 --> 00:56:57,660

something or we're trying to we're being

1389

00:57:03,770 --> 00:56:59,760

pulled to understand something that

1390

00:57:05,089 --> 00:57:03,780

we've resisted for for so long I I like

1391

00:57:10,210 --> 00:57:05,099

that

1392

00:57:15,290 --> 00:57:12,650

Poltergeist you got ghost stuff in in

1393

00:57:17,450 --> 00:57:15,300

the Bible you've got Samuel you know

1394

00:57:20,270 --> 00:57:17,460

they're channeling and then uh who was

1395

00:57:22,190 --> 00:57:20,280

it Saul goes to to bring Samuel back

1396

00:57:23,809 --> 00:57:22,200

Samuel's dead he's trying to get some

1397

00:57:26,390 --> 00:57:23,819

information from Samuel that's

1398

00:57:27,470 --> 00:57:26,400

channeling that's spiritualism it's in

1399

00:57:29,870 --> 00:57:27,480

the Bible

1400

00:57:34,849 --> 00:57:29,880

it was frowned upon

1401
00:57:36,890 --> 00:57:34,859
it wasn't understood and you had Yahweh

1402
00:57:38,690 --> 00:57:36,900
saying no no no don't don't do that

1403
00:57:43,190 --> 00:57:38,700
don't you do that

1404
00:57:45,010 --> 00:57:43,200
so I'm I I'm I'm hopeful and I'm that

1405
00:57:46,790 --> 00:57:45,020
way we can start talking to each other

1406
00:57:48,230 --> 00:57:46,800
instead of just saying what are you

1407
00:57:49,970 --> 00:57:48,240
talking about Bigfoot what is he a nut

1408
00:57:52,010 --> 00:57:49,980
what is she talking about some

1409
00:57:55,250 --> 00:57:52,020
Poltergeist you people like you said

1410
00:57:57,470 --> 00:57:55,260
people who've had entities in their home

1411
00:58:00,349 --> 00:57:57,480
have seen Poltergeist material you know

1412
00:58:03,349 --> 00:58:00,359
Poltergeist things so I think uh events

1413
00:58:04,730 --> 00:58:03,359

so I I think I think it's promising move

1414

00:58:07,130 --> 00:58:04,740

on

1415

00:58:08,690 --> 00:58:07,140

I'm not saying it's changed totally

1416

00:58:10,370 --> 00:58:08,700

but there are several move phone

1417

00:58:12,829 --> 00:58:10,380

chapters that

1418

00:58:15,170 --> 00:58:12,839

um they don't talk about I mean

1419

00:58:17,210 --> 00:58:15,180

they kind of regress but when I first

1420

00:58:18,950 --> 00:58:17,220

started to move on it was all nuts and

1421

00:58:21,710 --> 00:58:18,960

bolts even though they would print some

1422

00:58:23,510 --> 00:58:21,720

of my writings about the Bible

1423

00:58:25,970 --> 00:58:23,520

then

1424

00:58:28,730 --> 00:58:25,980

it got to be I mean I I spoke at the

1425

00:58:31,069 --> 00:58:28,740

large new phone chapter out in um

1426
00:58:33,710 --> 00:58:31,079
Arizona several years ago people it was

1427
00:58:34,970 --> 00:58:33,720
packed and people want to talk about the

1428
00:58:36,890 --> 00:58:34,980
spiritual they don't want to talk about

1429
00:58:38,990 --> 00:58:36,900
just nuts and bolts because there's

1430
00:58:42,170 --> 00:58:39,000
something about this is beyond lights in

1431
00:58:44,030 --> 00:58:42,180
the sky now move on some chapters are

1432
00:58:46,430 --> 00:58:44,040
going back to the hardcore nuts and

1433
00:58:48,530 --> 00:58:46,440
bolts but some of them are saying no no

1434
00:58:51,530 --> 00:58:48,540
no we need to we need to keep talking

1435
00:58:56,030 --> 00:58:51,540
about this so it's little baby steps and

1436
00:58:58,490 --> 00:58:56,040
increments but this phenomenon is about

1437
00:59:01,490 --> 00:58:58,500
transformation

1438
00:59:03,170 --> 00:59:01,500

that's it an elevation of consciousness

1439

00:59:05,329 --> 00:59:03,180

we keep hearing that all the time right

1440

00:59:07,309 --> 00:59:05,339

that's it that's what this is about it's

1441

00:59:10,490 --> 00:59:07,319

not about just you can get caught up

1442

00:59:12,910 --> 00:59:10,500

into that you can get caught up into it

1443

00:59:15,349 --> 00:59:12,920

was well happen this is

1444

00:59:17,450 --> 00:59:15,359

yes it happened there's enough

1445

00:59:19,609 --> 00:59:17,460

circumstantial evidence if you were in a

1446

00:59:22,490 --> 00:59:19,619

court of law that they would say this

1447

00:59:24,950 --> 00:59:22,500

happened so it's like an atheist who's

1448

00:59:27,109 --> 00:59:24,960

still arguing whether virgins have

1449

00:59:29,030 --> 00:59:27,119

babies whether Jesus rise from the dead

1450

00:59:31,730 --> 00:59:29,040

that's not the question we want to be

1451

00:59:33,289 --> 00:59:31,740

talking about now it's old it's tired we

1452

00:59:35,569 --> 00:59:33,299

want to talk about okay you're an

1453

00:59:37,730 --> 00:59:35,579

atheist I'm not how can we get together

1454

00:59:40,789 --> 00:59:37,740

and change this world

1455

00:59:42,589 --> 00:59:40,799

okay how can we get together and raise

1456

00:59:45,289 --> 00:59:42,599

the vibrate we don't have to agree

1457

00:59:47,329 --> 00:59:45,299

but how can we do this and you and we

1458

00:59:49,609 --> 00:59:47,339

can it's easy to get caught up in this

1459

00:59:52,010 --> 00:59:49,619

stuff and it keeps us divided

1460

00:59:54,890 --> 00:59:52,020

Keeps Us divided the devil lies in the

1461

00:59:57,470 --> 00:59:54,900

details right the minutia gets you off

1462

00:59:59,089 --> 00:59:57,480

your game and you miss you too many

1463

01:00:01,490 --> 00:59:59,099

trees and you missed the forest for the

1464

01:00:02,690 --> 01:00:01,500

trees yeah you know people call in what

1465

01:00:04,250 --> 01:00:02,700

are you talking about Consciousness for

1466

01:00:05,809 --> 01:00:04,260

what the president can't prove that or

1467

01:00:08,089 --> 01:00:05,819

whoever doesn't have to be president but

1468

01:00:10,730 --> 01:00:08,099

okay so okay you got a problem with that

1469

01:00:12,650 --> 01:00:10,740

what about this story uh resonates with

1470

01:00:14,270 --> 01:00:12,660

you where have you heard this before

1471

01:00:17,390 --> 01:00:14,280

have you heard five other people say

1472

01:00:19,130 --> 01:00:17,400

that all of them lying can you revisit

1473

01:00:20,270 --> 01:00:19,140

this or something that's what you want

1474

01:00:22,970 --> 01:00:20,280

to do

1475

01:00:25,069 --> 01:00:22,980

and it's not the burden of proof the

1476
01:00:26,750 --> 01:00:25,079
burden of proof is not on us the burden

1477
01:00:29,410 --> 01:00:26,760
of proof is

1478
01:00:31,970 --> 01:00:29,420
to do your own research

1479
01:00:34,190 --> 01:00:31,980
free will come into this too like people

1480
01:00:35,930 --> 01:00:34,200
say well if aliens are really taking

1481
01:00:37,730 --> 01:00:35,940
care of us or looking over us why don't

1482
01:00:39,710 --> 01:00:37,740
they fix our ozone layer and why don't

1483
01:00:43,010 --> 01:00:39,720
they you know decontaminate our planet

1484
01:00:45,349 --> 01:00:43,020
and if they are connected with God or

1485
01:00:47,450 --> 01:00:45,359
Spirit we still have free will it's not

1486
01:00:49,730 --> 01:00:47,460
that they couldn't interject but it

1487
01:00:51,950 --> 01:00:49,740
would completely remove Free Will and in

1488
01:00:54,289 --> 01:00:51,960

all of our doctrines of scripture it

1489

01:00:57,230 --> 01:00:54,299

tells us we have the right to choose we

1490

01:00:59,630 --> 01:00:57,240

can choose yes God or not so they're not

1491

01:01:02,809 --> 01:00:59,640

helping us because it's our problem it's

1492

01:01:04,430 --> 01:01:02,819

for us to choose and yeah yeah it's like

1493

01:01:06,410 --> 01:01:04,440

a kid you know it's like you know but

1494

01:01:09,530 --> 01:01:06,420

and and I like that statement because

1495

01:01:11,569 --> 01:01:09,540

why don't you fix my problem for me so I

1496

01:01:14,990 --> 01:01:11,579

don't have to grow exactly I don't have

1497

01:01:17,089 --> 01:01:15,000

to be accountable I I mess this up

1498

01:01:19,250 --> 01:01:17,099

so but you fix it because you're God you

1499

01:01:22,010 --> 01:01:19,260

fix it see there's no growth there

1500

01:01:24,349 --> 01:01:22,020

there's no growth there's entitlement

1501

01:01:26,089 --> 01:01:24,359

there's you fix this I messed it up but

1502

01:01:28,250 --> 01:01:26,099

you fixed it I don't even have time for

1503

01:01:31,190 --> 01:01:28,260

that anymore I mean my daughter knows

1504

01:01:33,049 --> 01:01:31,200

better than that my daughter's 16. yeah

1505

01:01:35,030 --> 01:01:33,059

it's like the the saying what is it give

1506

01:01:36,910 --> 01:01:35,040

a man a fish he eats for a day but teach

1507

01:01:40,609 --> 01:01:36,920

a man to fish and he eats for a lifetime

1508

01:01:43,069 --> 01:01:40,619

so if somebody just does for us we don't

1509

01:01:45,049 --> 01:01:43,079

get the the skill set to prevent it from

1510

01:01:46,789 --> 01:01:45,059

happening and if let's say miraculously

1511

01:01:49,190 --> 01:01:46,799

they did fix our planet we would do some

1512

01:01:51,530 --> 01:01:49,200

other stupid nonsense and be right back

1513

01:01:54,289 --> 01:01:51,540

to where we are now it's the it's the

1514

01:01:56,809 --> 01:01:54,299

human condition is the issue and again

1515

01:01:59,150 --> 01:01:56,819

we need to connect globally whether

1516

01:02:01,370 --> 01:01:59,160

that's on a conscious level but if we

1517

01:02:03,470 --> 01:02:01,380

all raise our vibration and start with

1518

01:02:05,809 --> 01:02:03,480

just fixing ourselves stop worrying

1519

01:02:07,730 --> 01:02:05,819

about your neighbor fix you because if

1520

01:02:10,130 --> 01:02:07,740

everybody did that it would be a much

1521

01:02:11,630 --> 01:02:10,140

better place because not everybody's

1522

01:02:15,349 --> 01:02:11,640

doing that you know it will be it would

1523

01:02:18,049 --> 01:02:15,359

be a very different one yeah and on that

1524

01:02:19,910 --> 01:02:18,059

um just one last question for me do you

1525

01:02:23,270 --> 01:02:19,920

guys think that Consciousness is

1526

01:02:24,770 --> 01:02:23,280

universal in nature meaning that you

1527

01:02:26,690 --> 01:02:24,780

know you got the big bang that happened

1528

01:02:29,150 --> 01:02:26,700

and you got the cool down that happened

1529

01:02:32,329 --> 01:02:29,160

you know clusters or rocks are informing

1530

01:02:34,609 --> 01:02:32,339

planets and Suns and that's all nature

1531

01:02:36,289 --> 01:02:34,619

but the Consciousness seems to be the

1532

01:02:38,750 --> 01:02:36,299

next step in the evolution of the

1533

01:02:40,010 --> 01:02:38,760

universe because we're conscious these

1534

01:02:42,710 --> 01:02:40,020

things seem to be conscious as well

1535

01:02:44,930 --> 01:02:42,720

whatever these entities are and it might

1536

01:02:46,849 --> 01:02:44,940

be something that is universal that the

1537

01:02:49,069 --> 01:02:46,859

universe itself is conscious through

1538

01:02:51,530 --> 01:02:49,079

these minute little groups of different

1539

01:02:53,990 --> 01:02:51,540

species and they're just trying to

1540

01:02:55,609 --> 01:02:54,000

Elevate us to that what we should be at

1541

01:02:58,670 --> 01:02:55,619

to match up with what's already out

1542

01:03:01,309 --> 01:02:58,680

there so that's just a theory but Louie

1543

01:03:03,230 --> 01:03:01,319

do you think this is possible I I do

1544

01:03:05,390 --> 01:03:03,240

think everything it's like the Planck

1545

01:03:08,030 --> 01:03:05,400

scale the Consciousness look at quantum

1546

01:03:10,309 --> 01:03:08,040

physics and quantum mechanics nothing is

1547

01:03:13,309 --> 01:03:10,319

anything unless it's observed or unless

1548

01:03:15,349 --> 01:03:13,319

it has a purpose a reason to be and the

1549

01:03:17,030 --> 01:03:15,359

big bang and Consciousness to me is a

1550

01:03:19,250 --> 01:03:17,040

chicken in the egg you don't have one

1551

01:03:20,630 --> 01:03:19,260

without the other okay the Big Bang it's

1552

01:03:22,789 --> 01:03:20,640

a scientific explanation How the

1553

01:03:25,730 --> 01:03:22,799

Universe started who made the Big Bang

1554

01:03:28,430 --> 01:03:25,740

or said Let It Be it doesn't refute God

1555

01:03:30,770 --> 01:03:28,440

in my mind at all I think we get so

1556

01:03:33,109 --> 01:03:30,780

wrapped up in that it doesn't conform to

1557

01:03:34,549 --> 01:03:33,119

what we think therefore we throw the

1558

01:03:35,930 --> 01:03:34,559

whole thing out like Michael said you

1559

01:03:38,510 --> 01:03:35,940

throw the baby out and the bath water

1560

01:03:40,730 --> 01:03:38,520

like we need to really just a lot of

1561

01:03:43,130 --> 01:03:40,740

kids then judgment Jacques valet told us

1562

01:03:44,329 --> 01:03:43,140

that we said Jacques you're like 80 what

1563

01:03:47,210 --> 01:03:44,339

do you want to tell the world and he

1564

01:03:49,730 --> 01:03:47,220

goes suspend judgment like don't be so

1565

01:03:52,250 --> 01:03:49,740

big on yourself get rid of your ego you

1566

01:03:53,950 --> 01:03:52,260

know so but to answer the question I do

1567

01:03:56,510 --> 01:03:53,960

believe Consciousness isn't everything

1568

01:03:59,870 --> 01:03:56,520

the only difference between potential

1569

01:04:01,730 --> 01:03:59,880

energy and matter is consciousness and

1570

01:04:04,010 --> 01:04:01,740

quantum mechanics and quantum physics is

1571

01:04:06,470 --> 01:04:04,020

proving that now so I think it is in

1572

01:04:09,650 --> 01:04:06,480

everything yes yes I I agree I I would

1573

01:04:11,870 --> 01:04:09,660

just say this I I I'm I I wrote a sermon

1574

01:04:13,130 --> 01:04:11,880

that I'll do a couple weeks from now

1575

01:04:15,789 --> 01:04:13,140

called

1576

01:04:19,370 --> 01:04:15,799

um uh what does it mean to be sentient

1577

01:04:21,289 --> 01:04:19,380

and you know Aboriginal People's First

1578

01:04:23,930 --> 01:04:21,299

Nations peoples here on our continent

1579

01:04:26,630 --> 01:04:23,940

have original people's uh

1580

01:04:29,809 --> 01:04:26,640

Viking I mean they knew that creation

1581

01:04:32,990 --> 01:04:29,819

was sacred and they knew that even the

1582

01:04:35,089 --> 01:04:33,000

very Stones had a consciousness uh that

1583

01:04:38,809 --> 01:04:35,099

the Earth was consciousness

1584

01:04:41,390 --> 01:04:38,819

uh that the trees that the plants were

1585

01:04:43,510 --> 01:04:41,400

all conscious and we know that now they

1586

01:04:47,750 --> 01:04:43,520

did they just was saying it in their way

1587

01:04:50,870 --> 01:04:47,760

and to the eurocentric Western notion it

1588

01:04:54,349 --> 01:04:50,880

was so unscientific a lot of the things

1589

01:04:56,569 --> 01:04:54,359

that Western science is discovering our

1590

01:05:00,230 --> 01:04:56,579

ancestors already knew

1591

01:05:02,809 --> 01:05:00,240

they already knew and so I think we need

1592

01:05:04,309 --> 01:05:02,819

so when people talk about new age or

1593

01:05:06,230 --> 01:05:04,319

what have you I say there's no such

1594

01:05:09,470 --> 01:05:06,240

thing as new age there's new wisdom

1595

01:05:11,470 --> 01:05:09,480

being rediscovered yeah math was always

1596

01:05:14,329 --> 01:05:11,480

there we just figured it out you know

1597

01:05:15,589 --> 01:05:14,339

we've been there yeah well you know and

1598

01:05:16,730 --> 01:05:15,599

we thought that we thought these people

1599

01:05:18,950 --> 01:05:16,740

were crazy what are you talking about

1600

01:05:21,349 --> 01:05:18,960

the trees and the Rock people and the

1601
01:05:23,630 --> 01:05:21,359
stone Nations and whatever but they were

1602
01:05:26,030 --> 01:05:23,640
trying to say that

1603
01:05:27,049 --> 01:05:26,040
um there was a sacred energy in all

1604
01:05:28,789 --> 01:05:27,059
things

1605
01:05:31,130 --> 01:05:28,799
because we all come from that Source

1606
01:05:33,230 --> 01:05:31,140
there's an intelligence yeah it's

1607
01:05:35,329 --> 01:05:33,240
entanglement we come from The Big Bang

1608
01:05:38,210 --> 01:05:35,339
everything is therefore entangled

1609
01:05:40,250 --> 01:05:38,220
because of it it was one and now it is

1610
01:05:42,530 --> 01:05:40,260
many but we are still connected on some

1611
01:05:43,910 --> 01:05:42,540
level that we don't quite understand

1612
01:05:46,130 --> 01:05:43,920
yeah because they keep talking about how

1613
01:05:48,829 --> 01:05:46,140

the universe will eventually just die

1614

01:05:51,349 --> 01:05:48,839

out will fade out all the Suns will stop

1615

01:05:52,910 --> 01:05:51,359

burning and it'll just go cold I'm like

1616

01:05:54,530 --> 01:05:52,920

that's not it what about all the

1617

01:05:56,030 --> 01:05:54,540

Consciousness that's been created from

1618

01:05:58,730 --> 01:05:56,040

that the Consciousness is the next

1619

01:06:01,490 --> 01:05:58,740

evolution in the universe it's the next

1620

01:06:03,650 --> 01:06:01,500

step it's what's supposed to happen and

1621

01:06:05,630 --> 01:06:03,660

we're just now the infancy of our

1622

01:06:08,030 --> 01:06:05,640

awareness and being able to treat each

1623

01:06:09,710 --> 01:06:08,040

other with somewhat moderate you know

1624

01:06:11,210 --> 01:06:09,720

respect

1625

01:06:13,309 --> 01:06:11,220

um and and you look at everything that's

1626

01:06:15,170 --> 01:06:13,319

taken place to lead us to this point I

1627

01:06:18,710 --> 01:06:15,180

mean we're here we are in uh you know

1628

01:06:20,569 --> 01:06:18,720

2023 talking on Zoom that's amazing like

1629

01:06:22,370 --> 01:06:20,579

you know it would take us months to

1630

01:06:24,950 --> 01:06:22,380

travel to you Michael and and talk to

1631

01:06:27,589 --> 01:06:24,960

you back you know even 56 well not 50

1632

01:06:29,690 --> 01:06:27,599

but let's say uh you know 60 to 100

1633

01:06:32,270 --> 01:06:29,700

years ago like it would take forever and

1634

01:06:34,250 --> 01:06:32,280

here we are able to do it and that is

1635

01:06:36,770 --> 01:06:34,260

creating connections between people that

1636

01:06:38,510 --> 01:06:36,780

have never happened before and making us

1637

01:06:40,730 --> 01:06:38,520

realize the world's a lot smaller and

1638

01:06:42,230 --> 01:06:40,740

maybe you know every time somebody's

1639

01:06:44,390 --> 01:06:42,240

being a douchebag somebody's recording

1640

01:06:46,130 --> 01:06:44,400

them now and posting them on Tech talk

1641

01:06:48,289 --> 01:06:46,140

or Facebook so I mean everybody's

1642

01:06:50,210 --> 01:06:48,299

exposed for the bad things that they do

1643

01:06:51,230 --> 01:06:50,220

which sort of forces us to be good in

1644

01:06:53,329 --> 01:06:51,240

public because you never know when

1645

01:06:55,549 --> 01:06:53,339

you're going to be recorded right but

1646

01:06:57,470 --> 01:06:55,559

yeah I I think personally uh

1647

01:06:59,690 --> 01:06:57,480

Consciousness is really cool and it's

1648

01:07:02,089 --> 01:06:59,700

got some sort of part to play in all of

1649

01:07:05,210 --> 01:07:02,099

this for sure uh Michael where could we

1650

01:07:10,010 --> 01:07:05,220

find your uh your book sir

1651

01:07:13,069 --> 01:07:10,020

um if you go to uh amazon.com uh all

1652

01:07:15,109 --> 01:07:13,079

five books are there you can go to

1653

01:07:18,349 --> 01:07:15,119

Barnes and Nobles

1654

01:07:21,589 --> 01:07:18,359

and uh you could find all the books

1655

01:07:25,430 --> 01:07:21,599

there you can reach me at Michael J S

1656

01:07:27,410 --> 01:07:25,440

Carter gmail.com you can email me I I

1657

01:07:31,910 --> 01:07:27,420

don't use my website much but it is

1658

01:07:34,490 --> 01:07:31,920

Michael J S carter.com and uh you can

1659

01:07:36,589 --> 01:07:34,500

reach me that way Facebook

1660

01:07:38,510 --> 01:07:36,599

I have a Facebook fan page and I have a

1661

01:07:41,390 --> 01:07:38,520

regular page but I answer everything

1662

01:07:44,089 --> 01:07:41,400

there so those are the ways you can get

1663

01:07:45,470 --> 01:07:44,099

in touch with me nice Louie do you have

1664

01:07:47,569 --> 01:07:45,480

any final questions for our guest today

1665

01:07:49,370 --> 01:07:47,579

no I just want to extend a warm thanks

1666

01:07:51,529 --> 01:07:49,380

for uh sitting with us in our virtual

1667

01:07:52,789 --> 01:07:51,539

living room here and uh many thousands

1668

01:07:54,770 --> 01:07:52,799

of people to listen to our show and

1669

01:07:57,410 --> 01:07:54,780

watch our videos we do really appreciate

1670

01:08:00,230 --> 01:07:57,420

it uh it's difficult to find

1671

01:08:01,789 --> 01:08:00,240

people that have an educated opinion and

1672

01:08:04,130 --> 01:08:01,799

you've gone through you know formal

1673

01:08:06,349 --> 01:08:04,140

theology theological training

1674

01:08:08,690 --> 01:08:06,359

um but you've adapted your your mindset

1675

01:08:10,490 --> 01:08:08,700

your beliefs you've become universally

1676

01:08:12,170 --> 01:08:10,500

minded and I think we all need to be a

1677

01:08:14,589 --> 01:08:12,180

little more that way yes a little less

1678

01:08:18,050 --> 01:08:14,599

rigid just because you were told a story

1679

01:08:20,450 --> 01:08:18,060

90 years ago or you know 20 years ago if

1680

01:08:22,910 --> 01:08:20,460

you're young it doesn't mean it's meant

1681

01:08:25,130 --> 01:08:22,920

to be taken word for word fact for fact

1682

01:08:27,470 --> 01:08:25,140

there are important points but don't

1683

01:08:29,450 --> 01:08:27,480

have your blinders on because you're

1684

01:08:31,910 --> 01:08:29,460

always being enlightened and as you grow

1685

01:08:34,430 --> 01:08:31,920

you can absorb more so don't limit

1686

01:08:37,729 --> 01:08:34,440

yourself to just what your Bible of

1687

01:08:40,010 --> 01:08:37,739

Doctrine said is that and much more and

1688

01:08:41,870 --> 01:08:40,020

it's just to try to help you get that

1689

01:08:43,729 --> 01:08:41,880

understanding so thank you for breaking

1690

01:08:45,590 --> 01:08:43,739

that down in a logical way that

1691

01:08:46,970 --> 01:08:45,600

everybody can understand and uh thank

1692

01:08:48,590 --> 01:08:46,980

you so much for being our guest we'd

1693

01:08:52,370 --> 01:08:48,600

love to have you back sometime listen

1694

01:08:54,229 --> 01:08:52,380

anytime anytime anytime

1695

01:08:56,390 --> 01:08:54,239

awesome you need me to fill in or

1696

01:08:58,490 --> 01:08:56,400

something if I can do it you called well

1697

01:08:59,870 --> 01:08:58,500

we appreciate it and we will call you on

1698

01:09:01,450 --> 01:08:59,880

that but not that we need you to fill in

1699

01:09:04,450 --> 01:09:01,460

just that we want to have you back

1700

01:09:08,530 --> 01:09:04,460

anytime we want you back yeah

1701

01:09:11,329 --> 01:09:08,540

we'd be great guests for panels yeah

1702

01:09:12,650 --> 01:09:11,339

let me know hey guys oh so would you

1703

01:09:14,689 --> 01:09:12,660

send me a link when this comes out

1704

01:09:16,669 --> 01:09:14,699

absolutely for sure we're gonna wrap our

1705

01:09:18,289 --> 01:09:16,679

show right now it'll be out this evening

1706

01:09:19,789 --> 01:09:18,299

and uh we'll distribute it on all our

1707

01:09:21,890 --> 01:09:19,799

Pages for those of you who don't know

1708

01:09:23,329 --> 01:09:21,900

all of our Pages we are on YouTube uh

1709

01:09:25,490 --> 01:09:23,339

it's a fairly new channel seven months

1710

01:09:27,289 --> 01:09:25,500

we started uh so please subscribe if you

1711

01:09:29,749 --> 01:09:27,299

haven't already please modify as always

1712

01:09:31,490 --> 01:09:29,759

we're now posting video on Spotify so if

1713

01:09:33,050 --> 01:09:31,500

you like the audio only that's still

1714

01:09:35,870 --> 01:09:33,060

there if you do want to see the video

1715

01:09:38,209 --> 01:09:35,880

and you prefer Spotify that's now all of

1716

01:09:40,610 --> 01:09:38,219

our episodes uh are that way and also

1717

01:09:43,150 --> 01:09:40,620

Apple podcast and you can also check us

1718

01:09:45,229 --> 01:09:43,160

out at uapstudiespodcast.com

1719

01:09:47,209 --> 01:09:45,239

Reverend Michael Carter thank you so

1720

01:09:50,030 --> 01:09:47,219

much for being here man we we have love

1721

01:09:52,309 --> 01:09:50,040

for you we feel Brotherly Love Yes uh

1722

01:09:53,930 --> 01:09:52,319

you made our day so thanks very much and

1723

01:09:56,630 --> 01:09:53,940

uh thanks from all of our fans I'm sure

1724

01:09:59,090 --> 01:09:56,640

shout out again brother give me a call

1725

01:10:04,710 --> 01:09:59,100

be safe both of you perfect thank you
