1
00:00:04,670 --> 00:00:02,330
welcome back everybody I could not be

2
00:00:06,110 --> 00:00:04,680
more excited about today's show Jason

3
00:00:08,089 --> 00:00:06,120
you know it's a couple weeks in the

4
00:00:09,830 --> 00:00:08,099
making we got a big name guy in the show

5
00:00:10,790 --> 00:00:09,840
today we won't say his name yet even

6
00:00:12,709 --> 00:00:10,800
though everybody knows because they

7
00:00:14,749 --> 00:00:12,719
clicked it but what are your thoughts on

8
00:00:17,510 --> 00:00:14,759
our illustrious guests oh this is gonna

9
00:00:20,450 --> 00:00:17,520
be awesome uh I've been geeking out over

10
00:00:22,490 --> 00:00:20,460
this with you over uh the last few days

11
00:00:26,090 --> 00:00:22,500
just talking about it excited about this

12
00:00:28,310 --> 00:00:26,100
moment so yeah I'm pumped uh this is uh

13
00:00:30,650 --> 00:00:28,320

you know talking with Mr Dolan which

14

00:00:32,389 --> 00:00:30,660

everybody knows uh is is gonna be

15

00:00:34,010 --> 00:00:32,399

freaking fantastic so yeah I'm looking

16

00:00:35,410 --> 00:00:34,020

for a long time in the making uh we've

17

00:00:38,270 --> 00:00:35,420

been in communication for a while

18

00:00:40,430 --> 00:00:38,280

sometimes things get lost emails get

19

00:00:42,229 --> 00:00:40,440

lost things long story short we're not

20

00:00:44,630 --> 00:00:42,239

recording on a usual day you folks are

21

00:00:46,369 --> 00:00:44,640

seeing us on a normal day but uh when it

22

00:00:48,410 --> 00:00:46,379

comes to chatting with people with this

23

00:00:51,110 --> 00:00:48,420

amount of experience this kind of an

24

00:00:53,150 --> 00:00:51,120

open mindset and you know he's never

25

00:00:55,970 --> 00:00:53,160

stepped wrong he's not been you know

26

00:00:58,310 --> 00:00:55,980

caught with a fake UFO video or trying

27

00:01:01,729 --> 00:00:58,320

to make money or any hoax Richard is

28

00:01:05,090 --> 00:01:01,739

factual on point he doesn't step astray

29

00:01:07,310 --> 00:01:05,100

so I'm super pumped right now is the

30

00:01:09,289 --> 00:01:07,320

best part of my day because I get to say

31

00:01:17,030 --> 00:01:09,299

we'll be right back with Mr Richard

32

00:01:35,770 --> 00:01:30,840

[Music]

33

00:01:40,969 --> 00:01:38,810

welcome back everyone to a very amazing

34

00:01:43,249 --> 00:01:40,979

episode of UAP studies podcast my name

35

00:01:44,870 --> 00:01:43,259

is Louis Borges joining me as always my

36

00:01:46,789 --> 00:01:44,880

good friend and illustrious co-host Mr

37

00:01:48,230 --> 00:01:46,799

Jason Gilman how's it going this is a

38

00:01:49,910 --> 00:01:48,240

good day isn't it Louie it is a very

39

00:01:52,130 --> 00:01:49,920

good day it's uh anytime I get to

40

00:01:54,469 --> 00:01:52,140

welcome into show a legend of this

41

00:01:57,410 --> 00:01:54,479

caliber it's uh it's my favorite thing

42

00:01:59,270 --> 00:01:57,420

to do and I mean nobody for the one guy

43

00:02:00,889 --> 00:01:59,280

in the whole UFO world who doesn't know

44

00:02:02,630 --> 00:02:00,899

our guest I'll just tell you a little

45

00:02:04,609 --> 00:02:02,640

bit about him but obviously an

46

00:02:06,469 --> 00:02:04,619

award-winning author at least eight

47

00:02:08,410 --> 00:02:06,479

books that I could find just doing my

48

00:02:10,490 --> 00:02:08,420

you know futile studying online

49

00:02:12,650 --> 00:02:10,500

television and film

50

00:02:15,110 --> 00:02:12,660

um presenter you've seen him on doing

51
00:02:16,850 --> 00:02:15,120
Cameo bits and you know also running the

52
00:02:20,030 --> 00:02:16,860
whole show some of the TV shows like

53
00:02:22,550 --> 00:02:20,040
hanging one UFO files Ancient Aliens the

54
00:02:24,470 --> 00:02:22,560
underground sci-fi's investigates I

55
00:02:26,630 --> 00:02:24,480
could go on and on and on we are very

56
00:02:27,830 --> 00:02:26,640
excited to welcome the show today Mr

57
00:02:30,530 --> 00:02:27,840
Richard

58
00:02:31,970 --> 00:02:30,540
thank you very much you mentioned sci-fi

59
00:02:35,449 --> 00:02:31,980
investigates I got a little bit of a

60
00:02:39,190 --> 00:02:35,459
chuckle I have to say that's 15 16.

61
00:02:41,630 --> 00:02:39,200
eight no a long long time ago

62
00:02:43,970 --> 00:02:41,640
that was a fun show you've been doing

63
00:02:45,830 --> 00:02:43,980

this a long time in a field where people

64

00:02:47,449 --> 00:02:45,840

are throwing stones and we were kind of

65

00:02:49,850 --> 00:02:47,459

chatting briefly about that and the only

66

00:02:51,589 --> 00:02:49,860

way you really have staying power is to

67

00:02:55,130 --> 00:02:51,599

be like yourself in the likes of Stanton

68

00:02:57,650 --> 00:02:55,140

Friedman Jacques valet try tested uh you

69

00:02:59,509 --> 00:02:57,660

know you take it seriously in fact um

70

00:03:00,890 --> 00:02:59,519

the your wife we were chatting with she

71

00:03:03,050 --> 00:03:00,900

goes oh we like the fact that you guys

72

00:03:04,490 --> 00:03:03,060

dress up and take it seriously and we

73

00:03:06,290 --> 00:03:04,500

only interview people that do the same

74

00:03:08,330 --> 00:03:06,300

so we're extremely happy to have you

75

00:03:10,130 --> 00:03:08,340

it's been a long time in the making uh

76

00:03:12,170 --> 00:03:10,140

but for again those of you who obviously

77

00:03:14,270 --> 00:03:12,180

know your UFO career we want to learn a

78

00:03:16,430 --> 00:03:14,280

little bit about you before all of this

79

00:03:19,550 --> 00:03:16,440

so tell us a bit about who was Richard

80

00:03:21,229 --> 00:03:19,560

Dolan before UFOs my god well uh thank

81

00:03:23,390 --> 00:03:21,239

you it's really I'm glad I'm here I'm

82

00:03:26,990 --> 00:03:23,400

glad we got to make this happen

83

00:03:29,630 --> 00:03:27,000

um well you know earlier uh I just my

84

00:03:31,790 --> 00:03:29,640

last birthday I turned 60. I'm 60 now

85

00:03:34,009 --> 00:03:31,800

you're 60. you look great that's crazy

86

00:03:35,869 --> 00:03:34,019

oh thank you thank you I wasn't trying

87

00:03:39,350 --> 00:03:35,879

to aim for that but you don't look stay

88

00:03:41,210 --> 00:03:39,360

over fabulous all right I'm amazed I'm

89

00:03:44,089 --> 00:03:41,220

amazed at it when I think so I was born

90

00:03:46,250 --> 00:03:44,099

in the early 60s and in the New York

91

00:03:48,770 --> 00:03:46,260

City area I was born in Brooklyn

92

00:03:50,390 --> 00:03:48,780

I grew up there grew up on Long Island I

93

00:03:54,890 --> 00:03:50,400

used to have the accent really strong

94

00:03:57,710 --> 00:03:54,900

kind of went away when I was a kid I uh

95

00:04:00,530 --> 00:03:57,720

I wanted I alternated between between

96

00:04:02,089 --> 00:04:00,540

wanting to be a baseball star and some

97

00:04:04,130 --> 00:04:02,099

kind of writer and I actually did go

98

00:04:07,130 --> 00:04:04,140

back and forth I didn't have the talent

99

00:04:10,009 --> 00:04:07,140

for baseball and so I went into the

100

00:04:12,710 --> 00:04:10,019

university uh world I studied literature

101
00:04:14,710 --> 00:04:12,720
I studied politics studied history kind

102
00:04:17,390 --> 00:04:14,720
of fell in love with history and

103
00:04:19,490 --> 00:04:17,400
literature and philosophy I was all

104
00:04:22,129 --> 00:04:19,500
about liberal arts I thought I would

105
00:04:23,870 --> 00:04:22,139
like to be a professor of history at

106
00:04:26,810 --> 00:04:23,880
some University that's really what I

107
00:04:29,330 --> 00:04:26,820
thought my goal was going to be uh

108
00:04:32,390 --> 00:04:29,340
through all of my 20s I was a very

109
00:04:36,110 --> 00:04:32,400
serious student I was I was pretty good

110
00:04:38,150 --> 00:04:36,120
at what I did I feel and I just uh you

111
00:04:39,770 --> 00:04:38,160
know I was a sponge I just wanted to

112
00:04:43,189 --> 00:04:39,780
absorb everything that I could absorb

113
00:04:45,249 --> 00:04:43,199

about European history and American

114

00:04:51,710 --> 00:04:45,259

history and world history

115

00:04:55,070 --> 00:04:53,749

still like in this mode I was working on

116

00:04:58,870 --> 00:04:55,080

a PhD

117

00:05:01,370 --> 00:04:58,880

in U.S national security strategy

118

00:05:03,950 --> 00:05:01,380

diplomacy and so forth

119

00:05:05,870 --> 00:05:03,960

and I was at a new age bookstore in uh

120

00:05:07,010 --> 00:05:05,880

the city of Syracuse New York I'll never

121

00:05:11,330 --> 00:05:07,020

forget this

122

00:05:13,430 --> 00:05:11,340

and I saw a UFO book on the book stand

123

00:05:15,830 --> 00:05:13,440

and it was Timothy Goods a very classic

124

00:05:17,390 --> 00:05:15,840

work Above Top Secret I think this was

125

00:05:18,950 --> 00:05:17,400

1993.

126

00:05:21,290 --> 00:05:18,960

I actually can't remember the exact year

127

00:05:22,909 --> 00:05:21,300

I think it was 93. so this book had been

128

00:05:24,890 --> 00:05:22,919

out for a little while but I had not

129

00:05:25,969 --> 00:05:24,900

heard of it and it was a it's a for

130

00:05:29,270 --> 00:05:25,979

those who don't know it's a very fat

131

00:05:31,790 --> 00:05:29,280

book and I just remember flipping

132

00:05:34,129 --> 00:05:31,800

through it thinking

133

00:05:36,590 --> 00:05:34,139

I didn't know anything about UFOs I knew

134

00:05:39,290 --> 00:05:36,600

nothing but I knew a lot about history

135

00:05:43,249 --> 00:05:39,300

and I'm seeing names in the book that I

136

00:05:45,469 --> 00:05:43,259

recognized from my academic research

137

00:05:48,170 --> 00:05:45,479

but I'm seeing that here in this book

138

00:05:51,050 --> 00:05:48,180

Timothy goes putting them in this UFO

139

00:05:53,330 --> 00:05:51,060

context and it was very jarring to me I

140

00:05:55,490 --> 00:05:53,340

kept thinking wait what

141

00:05:57,650 --> 00:05:55,500

this guy read his Diaries I didn't know

142

00:05:59,689 --> 00:05:57,660

about anything concerning you UFOs I

143

00:06:02,270 --> 00:05:59,699

read all about that department they were

144

00:06:04,249 --> 00:06:02,280

doing UFOs why was I not informed you

145

00:06:05,810 --> 00:06:04,259

know this type of thing and so I was

146

00:06:08,390 --> 00:06:05,820

curious I think that's really what it

147

00:06:10,909 --> 00:06:08,400

was I thought this looks like a serious

148

00:06:13,610 --> 00:06:10,919

book he seems to put it together pretty

149

00:06:16,730 --> 00:06:13,620

well I could tell that an academic

150

00:06:18,950 --> 00:06:16,740

Professor probably wouldn't count it but

151

00:06:21,230 --> 00:06:18,960

I thought looks like it did a pretty

152

00:06:22,670 --> 00:06:21,240

good job I'd like to know more so I

153

00:06:26,629 --> 00:06:22,680

bought the book

154

00:06:28,909 --> 00:06:26,639

and I read it and I got online with what

155

00:06:32,570 --> 00:06:28,919

was the internet at the time this is all

156

00:06:34,430 --> 00:06:32,580

pre uh you know this is all like very

157

00:06:37,189 --> 00:06:34,440

basic interface there's no graphic

158

00:06:39,110 --> 00:06:37,199

anything it was all bulletin boards but

159

00:06:42,110 --> 00:06:39,120

there were a couple of UFO groups that

160

00:06:43,850 --> 00:06:42,120

were out there and I got into that and

161

00:06:46,969 --> 00:06:43,860

the next thing I knew I just became

162

00:06:49,430 --> 00:06:46,979

obsessed with this subject because

163

00:06:51,050 --> 00:06:49,440

what started out was it was basically me

164

00:06:54,170 --> 00:06:51,060

just thinking you know what I don't like

165

00:06:56,510 --> 00:06:54,180

having this big question mark hanging

166

00:06:59,689 --> 00:06:56,520

over my head like I'm studying American

167

00:07:01,490 --> 00:06:59,699

policy of the 1940s and early 50s and

168

00:07:05,510 --> 00:07:01,500

here I'm encountering all these UFO

169

00:07:08,150 --> 00:07:05,520

people who are focusing on 1947 and the

170

00:07:10,370 --> 00:07:08,160

early 1950s and it was weird I thought

171

00:07:11,990 --> 00:07:10,380

if there's anything to this I would like

172

00:07:14,270 --> 00:07:12,000

to know and if there's nothing to it I'd

173

00:07:16,790 --> 00:07:14,280

like to know that as well so I thought I

174

00:07:19,029 --> 00:07:16,800

would take literally two maybe three

175

00:07:22,010 --> 00:07:19,039

months out of my life read a few books

176

00:07:24,650 --> 00:07:22,020

and decide like is there something to

177

00:07:28,249 --> 00:07:24,660

this or not that's how simple my thought

178

00:07:29,930 --> 00:07:28,259

processes was back then and what ended

179

00:07:31,730 --> 00:07:29,940

up happening is well I bought Goods book

180

00:07:35,029 --> 00:07:31,740

I as I said and I thought that was very

181

00:07:37,969 --> 00:07:35,039

good and um I started buying a few other

182

00:07:39,950 --> 00:07:37,979

books and I looked for

183

00:07:41,689 --> 00:07:39,960

government documents through Freedom of

184

00:07:43,010 --> 00:07:41,699

Information and the next thing I knew I

185

00:07:45,230 --> 00:07:43,020

was completely hooked I was like down

186

00:07:47,570 --> 00:07:45,240

the rabbit hole and

187

00:07:49,550 --> 00:07:47,580

I laugh now and I think back oh yeah I

188

00:07:52,909 --> 00:07:49,560

could just settle this in three months

189

00:07:56,870 --> 00:07:52,919

like no not exactly but what did happen

190

00:07:59,330 --> 00:07:56,880

is I became persuaded early on that not

191

00:08:02,390 --> 00:07:59,340

that UFOs necessarily were alien at that

192

00:08:03,950 --> 00:08:02,400

time I was a lot more conservative back

193

00:08:06,110 --> 00:08:03,960

then and I just

194

00:08:08,629 --> 00:08:06,120

but I did conclude that

195

00:08:10,610 --> 00:08:08,639

that this was a historical phenomenon

196

00:08:12,790 --> 00:08:10,620

that was being that had been taken

197

00:08:15,230 --> 00:08:12,800

seriously by the highest level

198

00:08:16,850 --> 00:08:15,240

individuals within the American national

199

00:08:19,430 --> 00:08:16,860

security community so that was

200

00:08:20,930 --> 00:08:19,440

absolutely unarguable and then that led

201
00:08:23,689 --> 00:08:20,940
to the next question why were they

202
00:08:25,249 --> 00:08:23,699
interested and I quickly learned well

203
00:08:27,050 --> 00:08:25,259
there are a lot of violations of very

204
00:08:29,749 --> 00:08:27,060
sensitive airspace by objects that were

205
00:08:31,790 --> 00:08:29,759
not supposed to exist that were said to

206
00:08:33,829 --> 00:08:31,800
be shaped like flying saucers well

207
00:08:35,870 --> 00:08:33,839
that's interesting next question do they

208
00:08:39,230 --> 00:08:35,880
ever resolve this did they figure it out

209
00:08:41,630 --> 00:08:39,240
I looked through it and no they clearly

210
00:08:43,370 --> 00:08:41,640
didn't figure it out next question where

211
00:08:44,750 --> 00:08:43,380
is the media in all this where is the

212
00:08:46,550 --> 00:08:44,760
academic Community like all the

213
00:08:47,930 --> 00:08:46,560

professors the smart professors who

214

00:08:50,150 --> 00:08:47,940

think they know everything we're the

215

00:08:53,509 --> 00:08:50,160

politicians well that led me into a

216

00:08:55,670 --> 00:08:53,519

study of manipulation of media of

217

00:08:58,430 --> 00:08:55,680

politics and of the academic Community

218

00:09:00,110 --> 00:08:58,440

by the intelligence community and it

219

00:09:03,470 --> 00:09:00,120

just you just go on and on I mean it

220

00:09:05,570 --> 00:09:03,480

just became a series of the most uh

221

00:09:07,610 --> 00:09:05,580

intense rabbit holes but it's not just

222

00:09:09,530 --> 00:09:07,620

one rabbit you know I wish it were that

223

00:09:11,090 --> 00:09:09,540

easy it's like in the movie The Matrix

224

00:09:13,550 --> 00:09:11,100

one of the great movies of all time

225

00:09:15,350 --> 00:09:13,560

Morpheus gives Neo the red pill it's

226

00:09:17,509 --> 00:09:15,360

like here's the truth dude

227

00:09:20,509 --> 00:09:17,519

if it were only that easy if there were

228

00:09:24,050 --> 00:09:20,519

only just one pill you have to take what

229

00:09:25,790 --> 00:09:24,060

really is the case is it's like

230

00:09:28,009 --> 00:09:25,800

it's like you're walking through life

231

00:09:30,889 --> 00:09:28,019

with all these veils in front of you and

232

00:09:32,509 --> 00:09:30,899

you finally you realize oh wow there's

233

00:09:35,030 --> 00:09:32,519

this veil in front of me blocking my

234

00:09:37,009 --> 00:09:35,040

vision so you finally rip it

235

00:09:39,050 --> 00:09:37,019

and you see a little bit better

236

00:09:40,670 --> 00:09:39,060

but then you realize there are more

237

00:09:43,790 --> 00:09:40,680

veils and you have to keep ripping those

238

00:09:44,750 --> 00:09:43,800

and each time your vision gets a little

239

00:09:47,810 --> 00:09:44,760

bit better

240

00:09:50,210 --> 00:09:47,820

but there's it's I'm still you know I've

241

00:09:53,090 --> 00:09:50,220

been doing this now for 30 years and I'm

242

00:09:55,310 --> 00:09:53,100

still ripping through more males wow and

243

00:09:57,170 --> 00:09:55,320

you've developed quite the style too and

244

00:09:58,910 --> 00:09:57,180

uh I mean for me though I think I've

245

00:10:01,310 --> 00:09:58,920

obviously seen you on TV for years but

246

00:10:04,610 --> 00:10:01,320

the first interview I saw you really um

247

00:10:07,490 --> 00:10:04,620

conduct was in 2013 uh and it was with

248

00:10:08,990 --> 00:10:07,500

uh like a dying CIA agent essentially

249

00:10:11,150 --> 00:10:09,000

had a few months to live he thought

250

00:10:12,889 --> 00:10:11,160

because his kidneys were failing and he

251

00:10:15,650 --> 00:10:12,899

basically told a story of you know Area

252

00:10:17,269 --> 00:10:15,660

51 being real and he worked with the

253

00:10:18,710 --> 00:10:17,279

government and part of teams that would

254

00:10:20,870 --> 00:10:18,720

fly around and go to Italy and

255

00:10:23,449 --> 00:10:20,880

everywhere else and he is just so

256

00:10:25,970 --> 00:10:23,459

believable and why would you want to

257

00:10:27,710 --> 00:10:25,980

fake that as your last like will and

258

00:10:29,690 --> 00:10:27,720

testament you know I think everybody

259

00:10:31,610 --> 00:10:29,700

becomes a little spiritual when it's you

260

00:10:33,530 --> 00:10:31,620

know time to meet the maker you're not

261

00:10:35,329 --> 00:10:33,540

going to really do that devious of an

262

00:10:38,090 --> 00:10:35,339

act three months before you know you're

263

00:10:39,829 --> 00:10:38,100

gonna expire so for me it was amazing

264

00:10:43,130 --> 00:10:39,839

that hey you got somebody with that

265

00:10:44,569 --> 00:10:43,140

story willing to talk to you and I I

266

00:10:46,069 --> 00:10:44,579

assume the gentleman has passed since

267

00:10:48,350 --> 00:10:46,079

then but maybe you can talk a little bit

268

00:10:50,630 --> 00:10:48,360

about that yes I'm actually very glad

269

00:10:52,430 --> 00:10:50,640

you did so first of all I I wanted I

270

00:10:54,889 --> 00:10:52,440

have to give props to Linda Moulin on

271

00:10:57,069 --> 00:10:54,899

this because that man was originally her

272

00:11:00,050 --> 00:10:57,079

witness she had interviewed him

273

00:11:02,210 --> 00:11:00,060

uh many years prior when his health was

274

00:11:04,610 --> 00:11:02,220

much better and his story was quite

275

00:11:08,329 --> 00:11:04,620

consistent with her by the way

276

00:11:09,889 --> 00:11:08,339

um I didn't know this when I was asked

277

00:11:12,710 --> 00:11:09,899

to interview him I was actually asked by

278

00:11:14,210 --> 00:11:12,720

Steve Bassett who was this is during the

279

00:11:18,050 --> 00:11:14,220

time of the citizen hearings on

280

00:11:19,850 --> 00:11:18,060

disclosure which was in 2013. and um

281

00:11:21,769 --> 00:11:19,860

long story short there were other people

282

00:11:23,150 --> 00:11:21,779

involved in this but I was asked to

283

00:11:25,910 --> 00:11:23,160

interview this man

284

00:11:28,069 --> 00:11:25,920

so I went up there we drove up to

285

00:11:30,290 --> 00:11:28,079

Northern Minnesota

286

00:11:31,490 --> 00:11:30,300

I had to fly there and then we drove uh

287

00:11:34,370 --> 00:11:31,500

from Minneapolis it was quite a long

288

00:11:37,910 --> 00:11:34,380

drive and I see it was winter time

289

00:11:41,870 --> 00:11:37,920

um and we met at a very like tiny little

290

00:11:43,250 --> 00:11:41,880

Motel I met him and I met his son-in-law

291

00:11:45,949 --> 00:11:43,260

I'm very glad I met this man's

292

00:11:48,710 --> 00:11:45,959

son-in-law and incidentally um

293

00:11:50,990 --> 00:11:48,720

so the gentleman was not a CIA agent he

294

00:11:54,050 --> 00:11:51,000

was inaccurately portrayed in the

295

00:11:55,310 --> 00:11:54,060

YouTube video as that but what he he was

296

00:11:57,530 --> 00:11:55,320

was

297

00:12:00,350 --> 00:11:57,540

um I'm trying to get this right from

298

00:12:03,530 --> 00:12:00,360

memories a decade ago U.S army

299

00:12:06,410 --> 00:12:03,540

who was brought in to coordinate with

300

00:12:08,870 --> 00:12:06,420

CIA as he said it so he was working in

301
00:12:12,949 --> 00:12:08,880
the United States uh he originally said

302
00:12:16,009 --> 00:12:13,670
um

303
00:12:18,170 --> 00:12:16,019
coordinate with CIA overseas and they

304
00:12:20,509 --> 00:12:18,180
were analyzing UFO photographs and

305
00:12:22,610 --> 00:12:20,519
somehow his office he was roped into

306
00:12:27,410 --> 00:12:22,620
doing this I can't remember the detail

307
00:12:33,069 --> 00:12:27,420
why but um but then what he he

308
00:12:36,170 --> 00:12:33,079
stated that he was his supervisor

309
00:12:38,030 --> 00:12:36,180
uh went to the White House this is under

310
00:12:39,710 --> 00:12:38,040
Dwight Eisenhower and we're the very

311
00:12:41,210 --> 00:12:39,720
late 1950s

312
00:12:43,970 --> 00:12:41,220
and they

313
00:12:45,650 --> 00:12:43,980

according to what he said went to uh

314

00:12:48,470 --> 00:12:45,660

Area 51

315

00:12:51,889 --> 00:12:48,480

where he encountered

316

00:12:54,710 --> 00:12:51,899

um a variety of craft that he saw

317

00:12:56,090 --> 00:12:54,720

and and stated well you know this has

318

00:12:58,850 --> 00:12:56,100

been a while since I've even reviewed

319

00:13:00,829 --> 00:12:58,860

his my notes on him but

320

00:13:02,750 --> 00:13:00,839

he stated that

321

00:13:05,629 --> 00:13:02,760

the most dramatic thing was that there

322

00:13:07,730 --> 00:13:05,639

was a glass I think there was a glass

323

00:13:10,910 --> 00:13:07,740

window and beyond that he saw an alien

324

00:13:13,790 --> 00:13:10,920

being and he believed he had a

325

00:13:17,090 --> 00:13:13,800

telepathic message which was something

326

00:13:20,090 --> 00:13:17,100

like we mean you no harm or or to that

327

00:13:22,910 --> 00:13:20,100

effect I'll say this about him

328

00:13:25,310 --> 00:13:22,920

um you know

329

00:13:27,710 --> 00:13:25,320

he was I don't think he was deceptive in

330

00:13:29,210 --> 00:13:27,720

any way I'll never believe that

331

00:13:31,069 --> 00:13:29,220

um I had an experience with my own

332

00:13:33,530 --> 00:13:31,079

father toward the end of his life my dad

333

00:13:36,829 --> 00:13:33,540

was a New York city cop and uh I will

334

00:13:38,329 --> 00:13:36,839

just say I knew every single story from

335

00:13:40,310 --> 00:13:38,339

my dad's career he repeated them

336

00:13:42,050 --> 00:13:40,320

countless times I knew them by heart and

337

00:13:45,410 --> 00:13:42,060

I know that toward the end of my Dad's

338

00:13:47,210 --> 00:13:45,420

life he uh his story started to change

339

00:13:48,530 --> 00:13:47,220

and I said to him hey that's not how

340

00:13:50,449 --> 00:13:48,540

that thing went down and he was saying

341

00:13:52,430 --> 00:13:50,459

no no that's exactly how it happened but

342

00:13:54,350 --> 00:13:52,440

I know it wasn't the case so I wondered

343

00:13:56,569 --> 00:13:54,360

about this gentleman he was quite

344

00:13:58,790 --> 00:13:56,579

elderly and

345

00:14:00,590 --> 00:13:58,800

um but I here's the thing I spoke to his

346

00:14:05,690 --> 00:14:00,600

son-in-law

347

00:14:09,350 --> 00:14:05,700

said my father-in-law has been telling

348

00:14:11,269 --> 00:14:09,360

the story consistently for years

349

00:14:13,550 --> 00:14:11,279

there were there were one or two things

350

00:14:14,990 --> 00:14:13,560

I don't think that they made it to the

351
00:14:16,550 --> 00:14:15,000
YouTube video because we spoke for a

352
00:14:18,590 --> 00:14:16,560
long time they were one of two things

353
00:14:20,449 --> 00:14:18,600
this man said

354
00:14:23,210 --> 00:14:20,459
that the son-in-law said I'd never heard

355
00:14:25,370 --> 00:14:23,220
before so that makes me wonder but I

356
00:14:27,769 --> 00:14:25,380
think overall this man was was truthful

357
00:14:31,310 --> 00:14:27,779
and I will say since he's now passed

358
00:14:34,790 --> 00:14:31,320
away and he absolutely never wanted this

359
00:14:37,129 --> 00:14:34,800
out and uh but he's gone uh he talked

360
00:14:39,410 --> 00:14:37,139
very openly about domestic CIA

361
00:14:40,910 --> 00:14:39,420
assassination teams back in the 1950s

362
00:14:43,550 --> 00:14:40,920
and

363
00:14:45,550 --> 00:14:43,560

um presumably the 60s he seemed to like

364

00:14:48,889 --> 00:14:45,560

have absolutely no question about it

365

00:14:51,170 --> 00:14:48,899

which may not sound like a

366

00:14:53,210 --> 00:14:51,180

radical thing in the world that we live

367

00:14:55,430 --> 00:14:53,220

in today but for him it was a very very

368

00:14:58,250 --> 00:14:55,440

important thing and he did not he

369

00:14:59,810 --> 00:14:58,260

literally whispered into my ear we're in

370

00:15:01,850 --> 00:14:59,820

a hotel room

371

00:15:03,650 --> 00:15:01,860

and he uh

372

00:15:05,269 --> 00:15:03,660

wouldn't even say it out loud in the

373

00:15:07,850 --> 00:15:05,279

hotel room

374

00:15:09,650 --> 00:15:07,860

so I of all the things that he said to

375

00:15:12,350 --> 00:15:09,660

me that was the thing that actually

376

00:15:13,790 --> 00:15:12,360

struck me as the most dramatic uh meat

377

00:15:17,930 --> 00:15:13,800

seeing an alien that's absolutely

378

00:15:20,930 --> 00:15:17,940

top-notch uh seeing uh uh Alien craft

379

00:15:24,110 --> 00:15:20,940

yes absolutely but here's this man

380

00:15:26,990 --> 00:15:24,120

telling me about CIA domestic uh hit

381

00:15:29,689 --> 00:15:27,000

squads I thought very interesting but

382

00:15:31,970 --> 00:15:29,699

yes I I believed him I certainly believe

383

00:15:35,210 --> 00:15:31,980

this is honesty

384

00:15:37,490 --> 00:15:35,220

uh you know I I will say

385

00:15:39,009 --> 00:15:37,500

just because someone is honest doesn't

386

00:15:41,449 --> 00:15:39,019

mean that what they're saying is 100

387

00:15:43,610 --> 00:15:41,459

confirmable and there's still things

388

00:15:46,310 --> 00:15:43,620

that he said I don't I don't know how to

389

00:15:47,569 --> 00:15:46,320

confirm or you know disprove some of his

390

00:15:49,189 --> 00:15:47,579

claims but

391

00:15:50,750 --> 00:15:49,199

it was an interesting interview and I'm

392

00:15:52,790 --> 00:15:50,760

glad I got to do it

393

00:15:55,069 --> 00:15:52,800

nice and

394

00:15:58,610 --> 00:15:55,079

I want to ask you about like the global

395

00:16:00,410 --> 00:15:58,620

UFO or UAP events right now so it seems

396

00:16:03,590 --> 00:16:00,420

like we haven't had

397

00:16:05,389 --> 00:16:03,600

anything good since 2017 really we we

398

00:16:08,689 --> 00:16:05,399

have this I talked about the event in

399

00:16:10,370 --> 00:16:08,699

Europe in uh in Europe right now yeah so

400

00:16:11,810 --> 00:16:10,380

yeah so there's a few things happening

401
00:16:13,850 --> 00:16:11,820
worldwide so I thought maybe you could

402
00:16:15,650 --> 00:16:13,860
maybe fill us in on on what you know of

403
00:16:18,710 --> 00:16:15,660
what's taken place

404
00:16:20,269 --> 00:16:18,720
probably not a lot uh I'm not I'm not

405
00:16:23,389 --> 00:16:20,279
involved with that I'm not affiliated

406
00:16:25,129 --> 00:16:23,399
with it and I'm not really sure what

407
00:16:26,329 --> 00:16:25,139
their focus is to be honest with you

408
00:16:28,730 --> 00:16:26,339
it's probably something I should know

409
00:16:30,470 --> 00:16:28,740
there have been a number of UFO

410
00:16:33,170 --> 00:16:30,480
initiatives that have sprung up just

411
00:16:35,269 --> 00:16:33,180
among people among academic types and

412
00:16:37,069 --> 00:16:35,279
others and some of them I think are

413
00:16:40,129 --> 00:16:37,079

really interesting this one I can't

414

00:16:42,530 --> 00:16:40,139

really say very much about unfortunately

415

00:16:44,210 --> 00:16:42,540

yeah apparently um was it San Marino

416

00:16:46,310 --> 00:16:44,220

some tiny little country on the Italian

417

00:16:48,290 --> 00:16:46,320

shows they're petitioning the U.N to

418

00:16:50,210 --> 00:16:48,300

take this seriously and it almost seems

419

00:16:52,189 --> 00:16:50,220

like they're doing the betting for

420

00:16:53,329 --> 00:16:52,199

somebody else it's like they have a

421

00:16:54,889 --> 00:16:53,339

ticket that doesn't really matter one

422

00:16:56,749 --> 00:16:54,899

way or the other so but it's like the US

423

00:16:59,749 --> 00:16:56,759

doesn't want to use theirs or anyone

424

00:17:01,189 --> 00:16:59,759

else or be you know have to answer the

425

00:17:02,810 --> 00:17:01,199

barrage of questions that's going to

426

00:17:05,630 --> 00:17:02,820

come with why would you bring that to

427

00:17:07,610 --> 00:17:05,640

the U.N so it almost seems like they're

428

00:17:09,110 --> 00:17:07,620

just being used for that but regardless

429

00:17:10,669 --> 00:17:09,120

I think that's an awesome I want an

430

00:17:12,590 --> 00:17:10,679

annual conference I think they're kind

431

00:17:15,049 --> 00:17:12,600

of uh positioning themselves for an

432

00:17:17,329 --> 00:17:15,059

annual event am I I thought that's the

433

00:17:20,449 --> 00:17:17,339

impression I got yeah right the UN

434

00:17:21,829 --> 00:17:20,459

initiative yeah yeah but it's possible I

435

00:17:24,049 --> 00:17:21,839

mean look the United Nations is

436

00:17:26,329 --> 00:17:24,059

dominated by the United States and it's

437

00:17:29,210 --> 00:17:26,339

and its allies and

438

00:17:30,890 --> 00:17:29,220

um the UN almost never does anything

439

00:17:33,549 --> 00:17:30,900

that the US doesn't want it to do and

440

00:17:35,930 --> 00:17:33,559

the US is is run by

441

00:17:40,070 --> 00:17:35,940

hardcore Empire Builders National

442

00:17:42,230 --> 00:17:40,080

Security people neocons essentially if

443

00:17:43,490 --> 00:17:42,240

they allowed us to proceed well I'll be

444

00:17:45,169 --> 00:17:43,500

a little bit surprised you know this

445

00:17:47,270 --> 00:17:45,179

initiative there was something like this

446

00:17:50,870 --> 00:17:47,280

back in the late 1970s as many people

447

00:17:53,289 --> 00:17:50,880

know the tiny little nation of Grenada

448

00:17:57,350 --> 00:17:53,299

maybe a tiny bit larger than San Marino

449

00:18:00,350 --> 00:17:57,360

they also uh led by their prime minister

450

00:18:03,110 --> 00:18:00,360

a man named sir Edward Gary he'd been a

451
00:18:05,630 --> 00:18:03,120
UFO witness he was into UFOs he rounds

452
00:18:07,430 --> 00:18:05,640
up a bunch of UFO researchers J Allen

453
00:18:08,450 --> 00:18:07,440
heineck Leonard Stringfield a bunch of

454
00:18:11,930 --> 00:18:08,460
other people

455
00:18:13,549 --> 00:18:11,940
and and made a pretty good go at it

456
00:18:14,810 --> 00:18:13,559
Jacques valet was there a lot of people

457
00:18:17,210 --> 00:18:14,820
were there

458
00:18:19,370 --> 00:18:17,220
um and you know it it absolutely was

459
00:18:21,710 --> 00:18:19,380
squashed by us and and uh UK

460
00:18:25,370 --> 00:18:21,720
intelligence they killed it behind the

461
00:18:26,570 --> 00:18:25,380
scenes so I don't know this this one

462
00:18:28,190 --> 00:18:26,580
you know we're in a slightly different

463
00:18:31,490 --> 00:18:28,200

world

464

00:18:35,029 --> 00:18:31,500

uh today where the in public we're able

465

00:18:36,890 --> 00:18:35,039

to discuss UAP now much more openly than

466

00:18:39,770 --> 00:18:36,900

before so that's not a terrible thing

467

00:18:40,970 --> 00:18:39,780

that's a good thing pardon me the real

468

00:18:43,669 --> 00:18:40,980

question is how far can this

469

00:18:45,529 --> 00:18:43,679

conversation really go right and and is

470

00:18:49,190 --> 00:18:45,539

it being positioned in a way to descend

471

00:18:51,110 --> 00:18:49,200

to to uh sanitize it to defang it which

472

00:18:52,909 --> 00:18:51,120

I I don't know that that was the

473

00:18:54,350 --> 00:18:52,919

intention of the original folks who

474

00:18:56,090 --> 00:18:54,360

really pushed to get this out in the

475

00:18:58,190 --> 00:18:56,100

open I'm not saying Lou Elizondo and

476

00:19:00,289 --> 00:18:58,200

Chris Mellon

477

00:19:01,909 --> 00:19:00,299

um or the journalist Ralph Blumenthal

478

00:19:03,950 --> 00:19:01,919

Leslie Kane I I'm not saying that that's

479

00:19:06,110 --> 00:19:03,960

that was their intention but I do think

480

00:19:08,210 --> 00:19:06,120

that when you're when you are a faction

481

00:19:11,270 --> 00:19:08,220

that takes on the National Security

482

00:19:14,270 --> 00:19:11,280

state that has a vested interest in

483

00:19:15,289 --> 00:19:14,280

managing this subject the way they do

484

00:19:16,789 --> 00:19:15,299

um

485

00:19:19,909 --> 00:19:16,799

it's going to be very tough to outsmart

486

00:19:22,730 --> 00:19:19,919

them this is like a a chess game

487

00:19:25,190 --> 00:19:22,740

where they are their Grandmasters

488

00:19:26,750 --> 00:19:25,200

and what what have they done they have

489

00:19:29,029 --> 00:19:26,760

taken

490

00:19:30,710 --> 00:19:29,039

this this narrative just the UFO subject

491

00:19:34,250 --> 00:19:30,720

gets pushed out into the open over the

492

00:19:36,950 --> 00:19:34,260

last five years and and

493

00:19:40,130 --> 00:19:36,960

you know many many people the New York

494

00:19:42,230 --> 00:19:40,140

Times made it happen

495

00:19:44,690 --> 00:19:42,240

um I always felt that the New York Times

496

00:19:46,669 --> 00:19:44,700

leadership above Leslie and Ralph was

497

00:19:49,070 --> 00:19:46,679

very much

498

00:19:50,330 --> 00:19:49,080

wanting to put this out there only to

499

00:19:51,710 --> 00:19:50,340

get out ahead of the story because it

500

00:19:52,490 --> 00:19:51,720

was inevitable that was going to come

501
00:19:55,610 --> 00:19:52,500
out

502
00:19:57,650 --> 00:19:55,620
ttsa had done their press conference uh

503
00:19:59,570 --> 00:19:57,660
Elizondo and melon were about to release

504
00:20:01,730 --> 00:19:59,580
those videos there was nothing to stop

505
00:20:03,049 --> 00:20:01,740
it and I I think that Leslie and Ralph

506
00:20:06,230 --> 00:20:03,059
convinced the New York Times to take the

507
00:20:07,909 --> 00:20:06,240
story New York Times actually forced as

508
00:20:10,250 --> 00:20:07,919
skeptical a spin on it as you could

509
00:20:12,890 --> 00:20:10,260
imagine in one of those two stories that

510
00:20:15,710 --> 00:20:12,900
came out in 2017 they had people like

511
00:20:18,230 --> 00:20:15,720
skeptic James oberg quoted and this

512
00:20:20,390 --> 00:20:18,240
skeptic Yale nobody who had nothing to

513
00:20:22,789 --> 00:20:20,400

do with UFOs they throw these skeptical

514

00:20:25,070 --> 00:20:22,799

voices out there so it wasn't as if the

515

00:20:26,390 --> 00:20:25,080

New York Times was sanctioning a UFO

516

00:20:29,210 --> 00:20:26,400

disclosure

517

00:20:31,310 --> 00:20:29,220

I think what we're seeing is factions

518

00:20:32,750 --> 00:20:31,320

fighting it out that's what I've always

519

00:20:34,789 --> 00:20:32,760

believed since just about the beginning

520

00:20:36,169 --> 00:20:34,799

I think you're seeing

521

00:20:43,970 --> 00:20:36,179

a

522

00:20:45,950 --> 00:20:43,980

full disclosure but

523

00:20:47,990 --> 00:20:45,960

yes I think that there is an interest in

524

00:20:49,850 --> 00:20:48,000

opening the subject up a bit

525

00:20:51,110 --> 00:20:49,860

and then you're seeing a faction that's

526
00:20:53,270 --> 00:20:51,120
like

527
00:20:55,970 --> 00:20:53,280
absolutely no way and we will stop this

528
00:20:58,010 --> 00:20:55,980
with every inch of our you know of our

529
00:21:00,890 --> 00:20:58,020
every fiber of our being

530
00:21:02,690 --> 00:21:00,900
and I think that has not ended so what

531
00:21:06,289 --> 00:21:02,700
we're seeing is

532
00:21:08,150 --> 00:21:06,299
there's permission now in the mainstream

533
00:21:11,090 --> 00:21:08,160
very controlled media

534
00:21:13,010 --> 00:21:11,100
to talk a little bit once in a while a

535
00:21:14,810 --> 00:21:13,020
tiny bit about UAP

536
00:21:16,370 --> 00:21:14,820
and even that's almost gone away I mean

537
00:21:18,770 --> 00:21:16,380
who's really talking about it Tucker

538
00:21:21,710 --> 00:21:18,780

Carlson once in a while and in America

539

00:21:23,930 --> 00:21:21,720

he's about it that's it among the the

540

00:21:26,210 --> 00:21:23,940

you know mainstream

541

00:21:28,669 --> 00:21:26,220

um but when it's discussed no

542

00:21:30,529 --> 00:21:28,679

conspiracies no no don't talk about

543

00:21:32,330 --> 00:21:30,539

abductions don't talk about Crash

544

00:21:34,669 --> 00:21:32,340

retrievals don't talk about acquired

545

00:21:37,190 --> 00:21:34,679

technology don't talk about conspiracies

546

00:21:39,529 --> 00:21:37,200

don't talk about a cover-up don't talk

547

00:21:40,850 --> 00:21:39,539

about lies and government complicity

548

00:21:42,770 --> 00:21:40,860

because

549

00:21:44,390 --> 00:21:42,780

that's where in an era in which you're

550

00:21:46,970 --> 00:21:44,400

not supposed to believe in conspiracy

551
00:21:49,370 --> 00:21:46,980
theories what what is bigger than the

552
00:21:51,830 --> 00:21:49,380
UFO cover there's no conspiracy bigger

553
00:21:55,549 --> 00:21:51,840
than this one I mean maybe 911 okay

554
00:21:58,190 --> 00:21:55,559
maybe coven okay UFOs arguably can be

555
00:21:59,930 --> 00:21:58,200
the biggest of all and so it would be an

556
00:22:03,169 --> 00:21:59,940
extremely awkward to say the least

557
00:22:04,909 --> 00:22:03,179
position for the U.S government to say

558
00:22:06,470 --> 00:22:04,919
uh well don't believe in any of these

559
00:22:07,970 --> 00:22:06,480
other conspiracies yeah the UFO one

560
00:22:10,010 --> 00:22:07,980
that's kind of true okay we did lie

561
00:22:11,690 --> 00:22:10,020
about that one but all the other ones uh

562
00:22:14,990 --> 00:22:11,700
those are just conspiracy theories like

563
00:22:17,510 --> 00:22:15,000

they can't do that so the UFO cover-up

564

00:22:21,710 --> 00:22:17,520

there are certain red lines that cannot

565

00:22:24,049 --> 00:22:21,720

be crossed and the primary red line is

566

00:22:25,730 --> 00:22:24,059

that one that implicates the US

567

00:22:29,450 --> 00:22:25,740

government and cover-up

568

00:22:32,210 --> 00:22:29,460

and and that means no talk about Crasher

569

00:22:33,950 --> 00:22:32,220

tables no talk about acquisition of of

570

00:22:36,289 --> 00:22:33,960

any kind of exotic Hardware although

571

00:22:38,270 --> 00:22:36,299

anyone who has looked into this field

572

00:22:41,810 --> 00:22:38,280

with any

573

00:22:43,970 --> 00:22:41,820

amount of diligence and Care knows

574

00:22:45,770 --> 00:22:43,980

there's an overwhelming preponderance of

575

00:22:48,289 --> 00:22:45,780

testimony that speaks of this good

576

00:22:50,930 --> 00:22:48,299

testimony a lot of it

577

00:22:53,149 --> 00:22:50,940

there's a lot to say and

578

00:22:57,230 --> 00:22:53,159

so I guess what I'm saying is I think

579

00:22:58,909 --> 00:22:57,240

the conversation uh is is still very

580

00:23:01,870 --> 00:22:58,919

tightly controlled

581

00:23:04,490 --> 00:23:01,880

and the United States government has

582

00:23:06,649 --> 00:23:04,500

extremely close relationships with all

583

00:23:08,090 --> 00:23:06,659

big Tech and obviously with all the

584

00:23:10,789 --> 00:23:08,100

Legacy Media

585

00:23:12,770 --> 00:23:10,799

they are able to get their messaging out

586

00:23:15,730 --> 00:23:12,780

very very well

587

00:23:20,870 --> 00:23:15,740

um and I don't I don't see that changing

588

00:23:23,270 --> 00:23:20,880

as long as the this entire system stays

589

00:23:26,390 --> 00:23:23,280

in place so as long as the the

590

00:23:29,210 --> 00:23:26,400

Washington uh Nexus of power remains

591

00:23:33,830 --> 00:23:31,669

I I don't think it's going to change so

592

00:23:35,810 --> 00:23:33,840

where do you think that leaves these U.S

593

00:23:38,750 --> 00:23:35,820

you know Congressional hearings and

594

00:23:40,430 --> 00:23:38,760

reports and for me it looks like show I

595

00:23:42,049 --> 00:23:40,440

don't think they can admit openly that

596

00:23:44,210 --> 00:23:42,059

we've been lying for 70 years without

597

00:23:46,070 --> 00:23:44,220

totally losing everybody's whatever

598

00:23:47,330 --> 00:23:46,080

Faith they have in the government so but

599

00:23:50,149 --> 00:23:47,340

what I'm curious to know what are your

600

00:23:51,710 --> 00:23:50,159

thoughts on the last two years of UFO

601
00:23:53,810 --> 00:23:51,720
Reporting according to the government

602
00:23:56,510 --> 00:23:53,820
well let's talk about the last one first

603
00:24:00,049 --> 00:23:56,520
one from last uh was it late May Ronald

604
00:24:02,090 --> 00:24:00,059
Moultrie and uh uh Scott Brown or the

605
00:24:03,950 --> 00:24:02,100
two who are there I mean on a certain

606
00:24:05,990 --> 00:24:03,960
level I feel bad for these two guys you

607
00:24:08,390 --> 00:24:06,000
know obviously I don't think they knew

608
00:24:09,710 --> 00:24:08,400
anything of substance about the UFO

609
00:24:11,390 --> 00:24:09,720
subject if they did they certainly

610
00:24:13,669 --> 00:24:11,400
weren't showing it

611
00:24:15,470 --> 00:24:13,679
they go up there

612
00:24:18,590 --> 00:24:15,480
and

613
00:24:20,810 --> 00:24:18,600

you know Moultrie I recall him saying he

614

00:24:23,029 --> 00:24:20,820

basically gave the line that the United

615

00:24:26,270 --> 00:24:23,039

States Air Force was giving in the 1950s

616

00:24:28,669 --> 00:24:26,280

so we've graduated to that level where

617

00:24:30,830 --> 00:24:28,679

the Air Force at their famous press

618

00:24:33,049 --> 00:24:30,840

conference all those 70 plus years ago

619

00:24:34,669 --> 00:24:33,059

said well there's something out there we

620

00:24:37,370 --> 00:24:34,679

don't know what it is but it's nothing

621

00:24:39,710 --> 00:24:37,380

for anyone to worry about we can handle

622

00:24:41,390 --> 00:24:39,720

it it's we don't it's not aliens there's

623

00:24:43,190 --> 00:24:41,400

no evidence that's exactly what Moultrie

624

00:24:45,770 --> 00:24:43,200

said he said well with enough evidence

625

00:24:48,169 --> 00:24:45,780

information we know that we can identify

626
00:24:49,789 --> 00:24:48,179
and then he said mitigate all of these

627
00:24:51,590 --> 00:24:49,799
objects I kept thinking you're not

628
00:24:53,390 --> 00:24:51,600
mitigating anything you've been trying

629
00:24:55,250 --> 00:24:53,400
to you haven't mitigated this for 70

630
00:24:58,070 --> 00:24:55,260
plus years you think you're going to be

631
00:25:00,169 --> 00:24:58,080
in control of this situation now but

632
00:25:02,870 --> 00:25:00,179
their whole point was to downplay this

633
00:25:05,029 --> 00:25:02,880
to the public to

634
00:25:07,130 --> 00:25:05,039
whether it in bureaucratic language and

635
00:25:09,950 --> 00:25:07,140
make it as boring a presentation as

636
00:25:14,210 --> 00:25:09,960
possible but they succeeded there

637
00:25:16,430 --> 00:25:14,220
they did say that there were some un uh

638
00:25:18,770 --> 00:25:16,440

unexplained unknown reports they got

639

00:25:22,070 --> 00:25:18,780

their number up to about 400 they said

640

00:25:24,649 --> 00:25:22,080

this is over a 20-year span though

641

00:25:27,649 --> 00:25:24,659

um I personally for the 21st century

642

00:25:29,630 --> 00:25:27,659

have roughly 400 U.S military UFO

643

00:25:32,930 --> 00:25:29,640

encounters that I've collected

644

00:25:34,370 --> 00:25:32,940

so I mean I'm one person on my own you

645

00:25:36,409 --> 00:25:34,380

can't tell me that the best they could

646

00:25:39,230 --> 00:25:36,419

do is 400 reports

647

00:25:41,510 --> 00:25:39,240

uh the ones that I've collected are in

648

00:25:43,130 --> 00:25:41,520

all Declassified military documents I

649

00:25:44,870 --> 00:25:43,140

collect a lot of things that are in the

650

00:25:47,029 --> 00:25:44,880

public domain witness testimony and the

651

00:25:50,870 --> 00:25:47,039

like but hey if it if it involves a

652

00:25:52,789 --> 00:25:50,880

Chase of it by a jet of an unknown craft

653

00:25:54,350 --> 00:25:52,799

that counts in my book so that goes in

654

00:25:57,409 --> 00:25:54,360

my my database

655

00:25:58,789 --> 00:25:57,419

so they they said that they had all of

656

00:26:02,029 --> 00:25:58,799

these reports but they didn't describe

657

00:26:04,610 --> 00:26:02,039

really any of them and in the uh

658

00:26:07,669 --> 00:26:04,620

statement that just recently came out

659

00:26:09,610 --> 00:26:07,679

um you know they they described

660

00:26:12,289 --> 00:26:09,620

zero they didn't describe a single case

661

00:26:14,390 --> 00:26:12,299

they will not they'll never do that

662

00:26:17,210 --> 00:26:14,400

unless they are absolutely forced and no

663

00:26:19,669 --> 00:26:17,220

one's forcing them Congress is

664

00:26:21,529 --> 00:26:19,679

a bunch of National Security lap dogs

665

00:26:24,110 --> 00:26:21,539

does anyone really think that they have

666

00:26:26,090 --> 00:26:24,120

any Independence on this matter I don't

667

00:26:28,070 --> 00:26:26,100

I know a few people behind the scenes

668

00:26:30,409 --> 00:26:28,080

who have belief and faith in some of

669

00:26:31,430 --> 00:26:30,419

these members of Congress

670

00:26:34,190 --> 00:26:31,440

um

671

00:26:37,490 --> 00:26:34,200

I'm just not one of them so I I think

672

00:26:40,010 --> 00:26:37,500

what we're looking at is uh

673

00:26:41,630 --> 00:26:40,020

situation where these guys I'm talking

674

00:26:44,269 --> 00:26:41,640

about the people who really manage this

675

00:26:45,950 --> 00:26:44,279

bureaucracy of secrecy if they could

676
00:26:47,210 --> 00:26:45,960
drag the secrecy out for another five

677
00:26:49,970 --> 00:26:47,220
years they'll do that if they could drag

678
00:26:52,430 --> 00:26:49,980
it out for 50 years they will do that if

679
00:26:55,130 --> 00:26:52,440
they could drag it out for 500 they'll

680
00:26:56,570 --> 00:26:55,140
do that so they'll take it for as long

681
00:26:58,490 --> 00:26:56,580
as they can and

682
00:27:00,230 --> 00:26:58,500
you know so the fact that where we now

683
00:27:02,390 --> 00:27:00,240
acknowledge UAP

684
00:27:04,430 --> 00:27:02,400
whereas five little over five years ago

685
00:27:06,710 --> 00:27:04,440
we didn't or they didn't

686
00:27:09,590 --> 00:27:06,720
you could say that's a win

687
00:27:11,870 --> 00:27:09,600
okay I'll agree with that but think of

688
00:27:14,510 --> 00:27:11,880

it as like a football game you know you

689

00:27:16,610 --> 00:27:14,520

got 100 yards and

690

00:27:19,010 --> 00:27:16,620

the uh

691

00:27:22,570 --> 00:27:19,020

you know you're they're playing defense

692

00:27:26,450 --> 00:27:22,580

you're on your own uh 10 yard line

693

00:27:29,750 --> 00:27:26,460

and and you force the defense to move

694

00:27:31,909 --> 00:27:29,760

back you know five yards

695

00:27:33,649 --> 00:27:31,919

so okay good now you're on your 15 yard

696

00:27:35,390 --> 00:27:33,659

line but they're still playing good

697

00:27:38,210 --> 00:27:35,400

defense and they will do everything

698

00:27:40,730 --> 00:27:38,220

possible to

699

00:27:42,710 --> 00:27:40,740

stop forward motion on this manner

700

00:27:45,010 --> 00:27:42,720

and now of course we're going into an

701
00:27:47,149 --> 00:27:45,020
era which we're looking at a global

702
00:27:48,649 --> 00:27:47,159
globalist Revolution it's happening

703
00:27:50,750 --> 00:27:48,659
right all around us

704
00:27:53,149 --> 00:27:50,760
it's a national security Revolution it's

705
00:27:55,970 --> 00:27:53,159
a 24 7 surveillance Revolution

706
00:27:57,289 --> 00:27:55,980
it's a digital Revolution a panopticon I

707
00:27:59,450 --> 00:27:57,299
mean

708
00:28:02,690 --> 00:27:59,460
there will no there will be no privacy

709
00:28:04,430 --> 00:28:02,700
for anybody there will be uh fewer and

710
00:28:05,810 --> 00:28:04,440
fewer jobs I mean we have an AI

711
00:28:07,310 --> 00:28:05,820
Revolution happening right now that's

712
00:28:08,029 --> 00:28:07,320
scaring the living hell out of a lot of

713
00:28:12,169 --> 00:28:08,039

people

714

00:28:14,029 --> 00:28:12,179

well

715

00:28:16,070 --> 00:28:14,039

one thing they won't be allowed to do I

716

00:28:17,330 --> 00:28:16,080

think is protest and complain and I

717

00:28:20,029 --> 00:28:17,340

think we we're already seeing that

718

00:28:22,789 --> 00:28:20,039

around uh a lot of the world so I think

719

00:28:23,750 --> 00:28:22,799

in the UFO phenomenon the UFO field

720

00:28:25,909 --> 00:28:23,760

rather

721

00:28:28,730 --> 00:28:25,919

we're going to be seeing an Ever

722

00:28:29,950 --> 00:28:28,740

tightening of what is permissible there

723

00:28:32,330 --> 00:28:29,960

will be certain things that are

724

00:28:35,090 --> 00:28:32,340

continued to be permissible and other

725

00:28:37,190 --> 00:28:35,100

things such as cover-up and and criminal

726

00:28:38,630 --> 00:28:37,200

cover-up which I think increasingly are

727

00:28:41,690 --> 00:28:38,640

going to be

728

00:28:44,149 --> 00:28:41,700

uh just shunted aside it'll be

729

00:28:46,669 --> 00:28:44,159

not proper to talk about these things

730

00:28:48,590 --> 00:28:46,679

I can all you can already see the

731

00:28:50,390 --> 00:28:48,600

writing on the wall with this

732

00:28:53,450 --> 00:28:50,400

as far as I can tell

733

00:28:54,769 --> 00:28:53,460

it's funny too because when all this

734

00:28:57,230 --> 00:28:54,779

took place they announced that they're

735

00:28:59,870 --> 00:28:57,240

going to form this task force or skin

736

00:29:01,909 --> 00:28:59,880

we're all happy about it these

737

00:29:03,830 --> 00:29:01,919

clandestine organizations that have been

738

00:29:05,990 --> 00:29:03,840

running the show for all these years

739

00:29:07,669 --> 00:29:06,000

they're not just gonna disappear and

740

00:29:09,409 --> 00:29:07,679

wither away in the darkness they're

741

00:29:11,810 --> 00:29:09,419

still active they're still doing their

742

00:29:13,669 --> 00:29:11,820

jobs the job might have changed their

743

00:29:16,370 --> 00:29:13,679

tactics might have changed but they're

744

00:29:18,409 --> 00:29:16,380

still there they didn't go away and so

745

00:29:21,110 --> 00:29:18,419

we have this progress and sense of okay

746

00:29:23,090 --> 00:29:21,120

maybe you know Global consciousness of

747

00:29:25,970 --> 00:29:23,100

the issue but there's still going to be

748

00:29:27,950 --> 00:29:25,980

groups out there that it's in their best

749

00:29:31,549 --> 00:29:27,960

interests and interests of whoever is

750

00:29:33,289 --> 00:29:31,559

above them to keep this down low and so

751
00:29:34,370 --> 00:29:33,299
we're competing against these two groups

752
00:29:36,230 --> 00:29:34,380
and

753
00:29:39,529 --> 00:29:36,240
I'm sorry those two guys that are part

754
00:29:40,490 --> 00:29:39,539
of that um that new task force I I don't

755
00:29:41,990 --> 00:29:40,500
think they know what the hell they're

756
00:29:44,570 --> 00:29:42,000
doing they have no knowledge or

757
00:29:46,250 --> 00:29:44,580
background really and UFOs or uaps why

758
00:29:48,230 --> 00:29:46,260
have they contacted people like yourself

759
00:29:49,789 --> 00:29:48,240
who have been researched in this for

760
00:29:51,889 --> 00:29:49,799
years so this is the team that I would

761
00:29:54,529 --> 00:29:51,899
assemble not you know oh let's start

762
00:29:56,149 --> 00:29:54,539
from scratch I got this hold my beer

763
00:29:59,210 --> 00:29:56,159

um you know this is a sort of attitude

764

00:30:01,490 --> 00:29:59,220

that we have right you're laboring under

765

00:30:03,289 --> 00:30:01,500

the assumption a good assumption a noble

766

00:30:05,810 --> 00:30:03,299

assumption that we have a system that

767

00:30:08,330 --> 00:30:05,820

actually is designed to do what we think

768

00:30:10,850 --> 00:30:08,340

it's supposed to do and it and it just

769

00:30:12,110 --> 00:30:10,860

is not but you know you mentioned the

770

00:30:14,330 --> 00:30:12,120

military and the National Security

771

00:30:17,450 --> 00:30:14,340

Community uh you're right they're not

772

00:30:19,490 --> 00:30:17,460

going away I do think we are we want to

773

00:30:23,029 --> 00:30:19,500

keep a close eye

774

00:30:27,470 --> 00:30:23,039

on events in the coming year

775

00:30:29,870 --> 00:30:27,480

because I I do wonder if outside events

776

00:30:31,430 --> 00:30:29,880

having nothing to do with UFOs may

777

00:30:34,070 --> 00:30:31,440

actually shake up the United States

778

00:30:36,110 --> 00:30:34,080

military in a way that might affect UFOs

779

00:30:38,870 --> 00:30:36,120

and I'm talking about the war in Ukraine

780

00:30:40,730 --> 00:30:38,880

and uh look I it's not I have I have a

781

00:30:42,830 --> 00:30:40,740

lot of thoughts about that I I talk

782

00:30:44,870 --> 00:30:42,840

about this on my website quite a bit but

783

00:30:47,450 --> 00:30:44,880

what I will say is whether whether you

784

00:30:48,950 --> 00:30:47,460

sub side with one uh the combatants or

785

00:30:51,830 --> 00:30:48,960

the other

786

00:30:55,130 --> 00:30:51,840

uh it's become quite clear that Ukraine

787

00:30:56,930 --> 00:30:55,140

has its game set match Ukraine has like

788

00:30:58,909 --> 00:30:56,940

I would say zero chance of winning this

789

00:31:00,289 --> 00:30:58,919

war particularly on the terms that

790

00:31:02,149 --> 00:31:00,299

they've set out which is the recapture

791

00:31:04,310 --> 00:31:02,159

of Crimea like it's not going to happen

792

00:31:06,230 --> 00:31:04,320

uh not even remote

793

00:31:08,870 --> 00:31:06,240

I followed that those events very

794

00:31:10,430 --> 00:31:08,880

carefully and and so what's happened is

795

00:31:12,649 --> 00:31:10,440

that the United States military is going

796

00:31:14,570 --> 00:31:12,659

to be in a very awkward position where

797

00:31:17,750 --> 00:31:14,580

the U.S has spent a hundred billion

798

00:31:18,950 --> 00:31:17,760

dollars to prop up what was

799

00:31:20,450 --> 00:31:18,960

before the war started everyone

800

00:31:21,710 --> 00:31:20,460

acknowledged the single most corrupt

801
00:31:25,250 --> 00:31:21,720
nation in Europe

802
00:31:28,549 --> 00:31:25,260
uh 100 billion dollars goes there

803
00:31:30,289 --> 00:31:28,559
and it's done it's done essentially

804
00:31:33,049 --> 00:31:30,299
nothing and will do nothing so there's

805
00:31:35,990 --> 00:31:33,059
going to be recriminations within the

806
00:31:37,909 --> 00:31:36,000
United States military uh there's going

807
00:31:38,930 --> 00:31:37,919
to be someone's going to have to be

808
00:31:41,630 --> 00:31:38,940
blamed

809
00:31:44,930 --> 00:31:41,640
and the real question will be are there

810
00:31:47,269 --> 00:31:44,940
any people who are angry enough to raise

811
00:31:49,970 --> 00:31:47,279
real hell about this

812
00:31:52,190 --> 00:31:49,980
I'm sure there's many a very angry U.S

813
00:31:55,970 --> 00:31:52,200

military people about this

814

00:31:58,070 --> 00:31:55,980

um many and the question is will this

815

00:32:01,070 --> 00:31:58,080

cause a shake-up

816

00:32:03,649 --> 00:32:01,080

within the U.S military probably not but

817

00:32:05,990 --> 00:32:03,659

you never know and would that shake-up

818

00:32:08,149 --> 00:32:06,000

have anything any repercussions on the

819

00:32:11,149 --> 00:32:08,159

UFO UAP subject and I say this because

820

00:32:12,950 --> 00:32:11,159

one thing I've noticed over uh the

821

00:32:15,769 --> 00:32:12,960

course of history

822

00:32:18,289 --> 00:32:15,779

is that every once in a while when a

823

00:32:20,990 --> 00:32:18,299

nation goes into significant political

824

00:32:24,950 --> 00:32:22,549

sometimes

825

00:32:27,889 --> 00:32:24,960

there is a repercussion with the UFO

826

00:32:30,529 --> 00:32:27,899

subject in in which case uh you have

827

00:32:33,590 --> 00:32:30,539

important UFO information comes out so

828

00:32:36,049 --> 00:32:33,600

probably the the greatest example was

829

00:32:38,870 --> 00:32:36,059

the breakup of the Soviet Union in the

830

00:32:41,330 --> 00:32:38,880

early 1990s when a tremendous amount of

831

00:32:43,850 --> 00:32:41,340

old Soviet UFO data came out

832

00:32:46,070 --> 00:32:43,860

uh George Knapp uh made a big score and

833

00:32:47,870 --> 00:32:46,080

got a lot of it of some of the old KGB

834

00:32:50,269 --> 00:32:47,880

what were called the Blue files

835

00:32:52,310 --> 00:32:50,279

uh but it also happened in the United

836

00:32:54,049 --> 00:32:52,320

States after Watergate in Vietnam we had

837

00:32:57,049 --> 00:32:54,059

our own crisis didn't cause regime

838

00:32:58,669 --> 00:32:57,059

change but Nixon resigned and before

839

00:33:02,029 --> 00:32:58,679

that though he strengthened the Freedom

840

00:33:05,389 --> 00:33:02,039

of Information Act which was directly a

841

00:33:07,610 --> 00:33:05,399

response to Vietnam and Watergate and

842

00:33:10,549 --> 00:33:07,620

all of the crises and strengthening a

843

00:33:12,169 --> 00:33:10,559

foia led to uh thousands and thousands

844

00:33:14,269 --> 00:33:12,179

of documents to UFO related being

845

00:33:15,889 --> 00:33:14,279

released so that was a political crisis

846

00:33:18,230 --> 00:33:15,899

and there have been a few other

847

00:33:20,450 --> 00:33:18,240

instances where uh the death of a

848

00:33:22,909 --> 00:33:20,460

longtime dictator whether in China or in

849

00:33:24,230 --> 00:33:22,919

Spain also led to the release of UFO

850

00:33:27,230 --> 00:33:24,240

information

851

00:33:29,450 --> 00:33:27,240

so what I'm saying is if there's a

852

00:33:30,830 --> 00:33:29,460

significant enough political crisis in

853

00:33:32,870 --> 00:33:30,840

the United States

854

00:33:35,210 --> 00:33:32,880

and and it could happen

855

00:33:37,310 --> 00:33:35,220

because this the war is not going to go

856

00:33:38,210 --> 00:33:37,320

the way the current Administration wants

857

00:33:40,909 --> 00:33:38,220

it that's

858

00:33:43,070 --> 00:33:40,919

you can take that to the bank so when

859

00:33:45,649 --> 00:33:43,080

things go really really bad and when

860

00:33:47,570 --> 00:33:45,659

they are undeniably bad

861

00:33:51,049 --> 00:33:47,580

uh when you are at the point not just of

862

00:33:55,970 --> 00:33:53,750

um I wonder what will happen and if it

863

00:33:58,490 --> 00:33:55,980

will have an effect on the UFO subject

864

00:33:59,870 --> 00:33:58,500

um at all probably not but it's just

865

00:34:01,850 --> 00:33:59,880

something to keep in mind

866

00:34:04,610 --> 00:34:01,860

it makes you wonder too you hear people

867

00:34:06,649 --> 00:34:04,620

say well you know when you see a Tic Tac

868

00:34:09,649 --> 00:34:06,659

or something is it ours is it Russia is

869

00:34:11,450 --> 00:34:09,659

it China if Russia had UFO attack this

870

00:34:13,070 --> 00:34:11,460

would be game over a long time ago this

871

00:34:14,869 --> 00:34:13,080

wouldn't be a long drawn-out thing

872

00:34:16,730 --> 00:34:14,879

unless you want to hide that maybe what

873

00:34:18,649 --> 00:34:16,740

are your thoughts on that absolutely I

874

00:34:20,290 --> 00:34:18,659

agree with you uh well let's talk about

875

00:34:23,149 --> 00:34:20,300

the Tic Tac case so that's November

876

00:34:24,889 --> 00:34:23,159

2004. it's almost 20 years ago now

877

00:34:27,349 --> 00:34:24,899

uh

878

00:34:28,430 --> 00:34:27,359

yeah I mean there's zero chance that

879

00:34:30,530 --> 00:34:28,440

that could have been Russia or China

880

00:34:33,950 --> 00:34:30,540

first of all you look at Russia in 2004

881

00:34:36,230 --> 00:34:33,960

Russia was still just recovering from

882

00:34:39,409 --> 00:34:36,240

the disastrous 1990s in which their

883

00:34:40,310 --> 00:34:39,419

entire military basically fell to total

884

00:34:43,389 --> 00:34:40,320

crap

885

00:34:46,849 --> 00:34:43,399

uh Russia Russia's military didn't begin

886

00:34:49,070 --> 00:34:46,859

to start revamping until after 2008.

887

00:34:52,430 --> 00:34:49,080

until they had their nose blooded in um

888

00:34:55,070 --> 00:34:52,440

in osichia placed there in Georgia so

889

00:34:57,530 --> 00:34:55,080

after that they did a a revamp and their

890

00:35:00,770 --> 00:34:57,540

militaries absolutely Stellar at this

891

00:35:02,150 --> 00:35:00,780

point but it took a while 2004

892

00:35:04,370 --> 00:35:02,160

and not just the military but their

893

00:35:05,990 --> 00:35:04,380

whole Tech infrastructure there's no way

894

00:35:10,069 --> 00:35:06,000

Russia is going to have a Tic-Tac UFO

895

00:35:12,650 --> 00:35:10,079

and also in 2004 Russia was very very uh

896

00:35:13,790 --> 00:35:12,660

wanting trying to be part of the Western

897

00:35:15,950 --> 00:35:13,800

Alliance

898

00:35:18,530 --> 00:35:15,960

Putin at that point maybe people forget

899

00:35:20,810 --> 00:35:18,540

this but he was actively seeking

900

00:35:22,310 --> 00:35:20,820

integration into the Western system he

901
00:35:24,829 --> 00:35:22,320
was still trying to get in at that point

902
00:35:26,810 --> 00:35:24,839
uh I think he was starting to realize

903
00:35:28,970 --> 00:35:26,820
the West didn't want him in but he was

904
00:35:30,230 --> 00:35:28,980
he was trying so there's there's no way

905
00:35:32,390 --> 00:35:30,240
Russia would have done anything like

906
00:35:34,430 --> 00:35:32,400
that and China

907
00:35:36,050 --> 00:35:34,440
even less so let China

908
00:35:37,910 --> 00:35:36,060
you know they have they've got very good

909
00:35:40,130 --> 00:35:37,920
technical capabilities now and they had

910
00:35:42,470 --> 00:35:40,140
decent capabilities in o4 but nothing

911
00:35:45,710 --> 00:35:42,480
nothing like what could account for a

912
00:35:48,170 --> 00:35:45,720
Tic Tac UFO some people uh believe that

913
00:35:50,450 --> 00:35:48,180

it could have been U.S black budget

914

00:35:52,609 --> 00:35:50,460

I remember early on I had a little bit

915

00:35:55,250 --> 00:35:52,619

of a private argument with Jimmy Church

916

00:35:57,530 --> 00:35:55,260

who did I think believe that

917

00:36:00,230 --> 00:35:57,540

I never bought that I I just never

918

00:36:01,790 --> 00:36:00,240

thought that that was a possibility it's

919

00:36:04,270 --> 00:36:01,800

not that we don't have radically

920

00:36:08,270 --> 00:36:04,280

advanced black budget Tech it's possible

921

00:36:10,490 --> 00:36:08,280

but Tic Tac I just I don't think so and

922

00:36:12,530 --> 00:36:10,500

I've never seen any hint that that's

923

00:36:14,329 --> 00:36:12,540

anything that we're making I think that

924

00:36:16,730 --> 00:36:14,339

this was and you know keep in mind

925

00:36:19,250 --> 00:36:16,740

something when uh fraver and his people

926
00:36:20,690 --> 00:36:19,260
encountered that object out there there

927
00:36:23,690 --> 00:36:20,700
were two objects it wasn't just one

928
00:36:26,829 --> 00:36:23,700
there was a apparently there was an

929
00:36:29,930 --> 00:36:26,839
underwater object that was quite large

930
00:36:33,370 --> 00:36:29,940
station or something right

931
00:36:35,870 --> 00:36:33,380
it was it was a Uso it was an underwater

932
00:36:38,650 --> 00:36:35,880
fairly substantially large object that's

933
00:36:40,790 --> 00:36:38,660
the next note on my page here USA yeah

934
00:36:43,670 --> 00:36:40,800
that weighed beautifully let's talk

935
00:36:47,030 --> 00:36:43,680
about Usos well yeah this is something

936
00:36:48,470 --> 00:36:47,040
that I've I've been um

937
00:36:51,170 --> 00:36:48,480
you know I've always everyone's who's

938
00:36:53,450 --> 00:36:51,180

not interested in underwater UFOs or

939

00:36:56,589 --> 00:36:53,460

UFOs it's fascinating subject

940

00:36:58,849 --> 00:36:56,599

but uh about a year ago

941

00:37:01,069 --> 00:36:58,859

on my I have a website it's called

942

00:37:02,569 --> 00:37:01,079

Richard Allen members and it's got a

943

00:37:04,310 --> 00:37:02,579

really active Community I've got really

944

00:37:05,870 --> 00:37:04,320

great members there I love those people

945

00:37:08,510 --> 00:37:05,880

and

946

00:37:10,790 --> 00:37:08,520

um somehow I can't remember but I think

947

00:37:12,890 --> 00:37:10,800

someone asked about

948

00:37:16,069 --> 00:37:12,900

a UFO sighting

949

00:37:19,069 --> 00:37:16,079

in a place called adak Alaska

950

00:37:20,329 --> 00:37:19,079

and if you uh if you ever look at where

951
00:37:22,069 --> 00:37:20,339
a deck is

952
00:37:23,990 --> 00:37:22,079
you look at the Alaska and then there's

953
00:37:25,370 --> 00:37:24,000
the Aleutian Islands that come all the

954
00:37:28,370 --> 00:37:25,380
way out into the Pacific and they the

955
00:37:30,710 --> 00:37:28,380
Aleutian Islands stand way out I mean

956
00:37:32,510 --> 00:37:30,720
almost reaching Russia

957
00:37:35,750 --> 00:37:32,520
as you get toward the end of the

958
00:37:38,450 --> 00:37:35,760
Aleutian Islands truly in the middle of

959
00:37:42,589 --> 00:37:38,460
nowhere you find this little rock called

960
00:37:43,970 --> 00:37:42,599
uh a DAC or is it adak Island it's it's

961
00:37:46,430 --> 00:37:43,980
a rock

962
00:37:48,170 --> 00:37:46,440
but the U.S

963
00:37:49,550 --> 00:37:48,180

um during the Cold War the United States

964

00:37:51,530 --> 00:37:49,560

actually did have a base there because

965

00:37:52,849 --> 00:37:51,540

it was in the proximity of a Soviet

966

00:37:55,609 --> 00:37:52,859

Union

967

00:38:01,069 --> 00:37:55,619

but anyway there was a pretty well

968

00:38:03,849 --> 00:38:01,079

known UFO USO encounter from 1945.

969

00:38:07,069 --> 00:38:03,859

um in the summer of 1945 so the U.S

970

00:38:09,230 --> 00:38:07,079

Europe let me just say the Allied Powers

971

00:38:10,910 --> 00:38:09,240

were still at war with Japan

972

00:38:13,430 --> 00:38:10,920

U.S would step forward with Japan though

973

00:38:16,790 --> 00:38:13,440

the European war was over at this point

974

00:38:19,069 --> 00:38:16,800

and there was um

975

00:38:20,690 --> 00:38:19,079

there was a story in fact I've got this

976

00:38:22,910 --> 00:38:20,700

let me see if I can pull this up in

977

00:38:25,010 --> 00:38:22,920

front of me do I have this

978

00:38:29,329 --> 00:38:25,020

yes I do okay good

979

00:38:32,270 --> 00:38:29,339

uh yeah so this was uh there was this

980

00:38:35,510 --> 00:38:32,280

was investigated in the 60s by Dr James

981

00:38:37,190 --> 00:38:35,520

McDonald who is a very famous UFO Legend

982

00:38:38,810 --> 00:38:37,200

and

983

00:38:43,190 --> 00:38:38,820

um he interviewed a guy named Robert

984

00:38:45,230 --> 00:38:43,200

Crawford who was a radio man aboard the

985

00:38:48,890 --> 00:38:45,240

U.S transport ship was called the de la

986

00:38:51,470 --> 00:38:48,900

Roth and it was headed back to Seattle

987

00:38:54,109 --> 00:38:51,480

uh and it was near a deck

988

00:38:56,690 --> 00:38:54,119

and they

989

00:38:59,569 --> 00:38:56,700

had this bizarre it was around Sunset

990

00:39:01,750 --> 00:38:59,579

they're in the open sea and an object

991

00:39:04,310 --> 00:39:01,760

appeared

992

00:39:06,230 --> 00:39:04,320

seemingly coming out of the water the

993

00:39:08,390 --> 00:39:06,240

only thing about it is that no one

994

00:39:11,930 --> 00:39:08,400

apparently saw it literally come out of

995

00:39:16,430 --> 00:39:11,940

the water but they did see it uh low

996

00:39:18,589 --> 00:39:16,440

Over The Water Rising until it Rose uh

997

00:39:21,589 --> 00:39:18,599

to a higher altitude it was about a mile

998

00:39:24,470 --> 00:39:21,599

away at Sea when there's nothing else to

999

00:39:28,010 --> 00:39:24,480

be seen that's that's pretty close by

1000

00:39:30,109 --> 00:39:28,020

when you really think about it so it was

1001
00:39:31,970 --> 00:39:30,119
the sun was setting it was getting kind

1002
00:39:34,370 --> 00:39:31,980
of dark but they saw this object

1003
00:39:36,470 --> 00:39:34,380
perfectly against the sunset it was

1004
00:39:38,990 --> 00:39:36,480
circular uh they thought it was maybe

1005
00:39:40,910 --> 00:39:39,000
200 feet in diameter it's as it goes on

1006
00:39:43,490 --> 00:39:40,920
straight up it makes a turn and it

1007
00:39:45,970 --> 00:39:43,500
circles around their ship two or three

1008
00:39:48,710 --> 00:39:45,980
times uh Crawford said this to McDonald

1009
00:39:50,990 --> 00:39:48,720
he said it wasn't super fast he said

1010
00:39:52,849 --> 00:39:51,000
maybe about 100 miles per hour kind of a

1011
00:39:55,250 --> 00:39:52,859
leisurely speed for an Airborne object

1012
00:39:57,589 --> 00:39:55,260
but he said what was remarkable about it

1013
00:39:59,390 --> 00:39:57,599

is that its speed was totally uniform

1014

00:40:01,730 --> 00:39:59,400

there was no

1015

00:40:04,609 --> 00:40:01,740

um oscillation it didn't it was

1016

00:40:06,650 --> 00:40:04,619

absolutely a solid uh movement and then

1017

00:40:08,990 --> 00:40:06,660

it just flew away and it disappeared and

1018

00:40:11,930 --> 00:40:09,000

I think it left a couple of flashes of

1019

00:40:14,270 --> 00:40:11,940

light in its wake so I looked into that

1020

00:40:16,490 --> 00:40:14,280

I did a bit of a presentation on that

1021

00:40:20,270 --> 00:40:16,500

for my website

1022

00:40:22,970 --> 00:40:20,280

and that just got me on to a

1023

00:40:24,970 --> 00:40:22,980

a series I I just said from that point

1024

00:40:28,130 --> 00:40:24,980

onward I've just done a lot of Uso

1025

00:40:31,069 --> 00:40:28,140

research where I've done

1026

00:40:33,230 --> 00:40:31,079

um I've researched the history of Usos

1027

00:40:35,990 --> 00:40:33,240

fully in the 20th century and in the

1028

00:40:37,609 --> 00:40:36,000

21st century and I've just collected

1029

00:40:41,150 --> 00:40:37,619

um I should count but it's well over 100

1030

00:40:43,730 --> 00:40:41,160

good Uso reports uh with a lot of detail

1031

00:40:47,390 --> 00:40:43,740

good citations and I am actually writing

1032

00:40:48,170 --> 00:40:47,400

a book on it so I hope to have that done

1033

00:40:50,630 --> 00:40:48,180

um

1034

00:40:52,250 --> 00:40:50,640

maybe the first half of this year but

1035

00:40:54,530 --> 00:40:52,260

it's an absolutely fascinating subject

1036

00:40:56,870 --> 00:40:54,540

and what uh you know one of the things

1037

00:40:58,849 --> 00:40:56,880

that comes out to me is that the United

1038

00:41:00,829 --> 00:40:58,859

States Navy

1039

00:41:03,650 --> 00:41:00,839

among other navies but certainly the US

1040

00:41:06,230 --> 00:41:03,660

Navy has had numerous encounters with

1041

00:41:09,349 --> 00:41:06,240

these types of objects many these are

1042

00:41:10,730 --> 00:41:09,359

mostly unofficial reports so it's not

1043

00:41:12,770 --> 00:41:10,740

these are not things you're going to

1044

00:41:14,930 --> 00:41:12,780

find from Freedom of Information these

1045

00:41:17,270 --> 00:41:14,940

are things that come from U.S Navy

1046

00:41:19,430 --> 00:41:17,280

personnel and they tell they might

1047

00:41:21,410 --> 00:41:19,440

report it to the National UFO Reporting

1048

00:41:23,150 --> 00:41:21,420

Center they might report it to mufon or

1049

00:41:25,849 --> 00:41:23,160

they might report it to George feiler

1050

00:41:27,950 --> 00:41:25,859

one of my heroes of filer's files George

1051

00:41:30,170 --> 00:41:27,960

has been collecting UFO reports for

1052

00:41:32,870 --> 00:41:30,180

years but they could they get out there

1053

00:41:35,450 --> 00:41:32,880

and I've just been uh collecting them

1054

00:41:37,130 --> 00:41:35,460

from every good source that I can and

1055

00:41:39,670 --> 00:41:37,140

I'm putting them together into a book

1056

00:41:42,290 --> 00:41:39,680

and it's an absolutely fascinating thing

1057

00:41:43,490 --> 00:41:42,300

you know you think 70 of the world is

1058

00:41:46,370 --> 00:41:43,500

covered in water

1059

00:41:48,950 --> 00:41:46,380

yeah we we have we've mapped uh from

1060

00:41:50,569 --> 00:41:48,960

what I understand the tiniest portion of

1061

00:41:53,750 --> 00:41:50,579

the ocean floor

1062

00:41:55,250 --> 00:41:53,760

so uh what is down there

1063

00:41:57,410 --> 00:41:55,260

what's down there

1064

00:41:59,390 --> 00:41:57,420

yeah I think we know more about the the

1065

00:42:02,569 --> 00:41:59,400

surface of Mars than we do about our own

1066

00:42:03,950 --> 00:42:02,579

oceans could it be yeah it could be yeah

1067

00:42:05,810 --> 00:42:03,960

I I don't think

1068

00:42:07,310 --> 00:42:05,820

uh it's difficult you know the the

1069

00:42:08,870 --> 00:42:07,320

environment going down there you think

1070

00:42:10,550 --> 00:42:08,880

it's only two to three miles down at the

1071

00:42:12,890 --> 00:42:10,560

bottom of an ocean floor

1072

00:42:14,750 --> 00:42:12,900

uh trenches of course are deeper but

1073

00:42:16,670 --> 00:42:14,760

basically the bottom of the Pacific

1074

00:42:18,410 --> 00:42:16,680

Ocean is about 15 000 feet about three

1075

00:42:22,970 --> 00:42:18,420

miles

1076

00:42:24,770 --> 00:42:22,980

except you get down to the bottom of the

1077

00:42:26,690 --> 00:42:24,780

Pacific Ocean and the pressures are so

1078

00:42:28,670 --> 00:42:26,700

intense they just crush it like a paper

1079

00:42:31,849 --> 00:42:28,680

cup long before the bottom you

1080

00:42:33,950 --> 00:42:31,859

experience that absolutely absolutely

1081

00:42:36,470 --> 00:42:33,960

uh so it's it's a very daunting

1082

00:42:39,109 --> 00:42:36,480

environment and uh forget you know

1083

00:42:41,329 --> 00:42:39,119

divers my God I think I was reading if

1084

00:42:42,650 --> 00:42:41,339

if you dive anywhere close to that depth

1085

00:42:45,050 --> 00:42:42,660

it takes

1086

00:42:47,690 --> 00:42:45,060

you could get down to a deep deep level

1087

00:42:51,770 --> 00:42:47,700

in a short period of time but it could

1088

00:42:54,710 --> 00:42:51,780

take you hours many many hours like more

1089

00:42:56,690 --> 00:42:54,720

than 12 hours I think safely to rise to

1090

00:42:58,250 --> 00:42:56,700

the surface because otherwise you get

1091

00:43:00,710 --> 00:42:58,260

nitrogen bubbles right in your blood

1092

00:43:02,990 --> 00:43:00,720

absolutely yeah and you're done so it's

1093

00:43:05,210 --> 00:43:03,000

a very very dangerous process very

1094

00:43:07,190 --> 00:43:05,220

careful you have to be tricky so we

1095

00:43:10,550 --> 00:43:07,200

don't easily get down there but there

1096

00:43:11,990 --> 00:43:10,560

are Use encounters that have uh

1097

00:43:14,030 --> 00:43:12,000

consistently

1098

00:43:16,730 --> 00:43:14,040

and I would say with a lot of

1099

00:43:19,069 --> 00:43:16,740

reliability and a lot of detail been

1100

00:43:22,010 --> 00:43:19,079

reported and they're not all from 1945

1101
00:43:24,710 --> 00:43:22,020
some of them are you know from

1102
00:43:26,870 --> 00:43:24,720
the last decade I uh

1103
00:43:28,910 --> 00:43:26,880
let me I I have can I pull can I tell

1104
00:43:31,309 --> 00:43:28,920
you one from yeah of course 2012.

1105
00:43:33,109 --> 00:43:31,319
absolutely just like a typical one and I

1106
00:43:35,569 --> 00:43:33,119
collected this one I think I got this

1107
00:43:36,650 --> 00:43:35,579
one from filers files and oh yeah

1108
00:43:39,829 --> 00:43:36,660
there's a group out in the Northwest

1109
00:43:42,050 --> 00:43:39,839
called UFOs Northwest I think it's run

1110
00:43:44,089 --> 00:43:42,060
by a guy named Bill Puckett yes

1111
00:43:47,750 --> 00:43:44,099
Bill Buck he collects a lot of these so

1112
00:43:50,450 --> 00:43:47,760
this one took place on April 10th 2012

1113
00:43:52,550 --> 00:43:50,460

at a place called Cannon Beach in Oregon

1114

00:43:55,250 --> 00:43:52,560

not far from where you guys are so

1115

00:43:56,569 --> 00:43:55,260

you're out uh in British Columbia it's a

1116

00:43:59,569 --> 00:43:56,579

little bit south of you on the west

1117

00:44:04,130 --> 00:43:59,579

coast of the US so this is 2012 in April

1118

00:44:06,470 --> 00:44:04,140

and uh this is where two cousins are

1119

00:44:08,510 --> 00:44:06,480

fishing they're off the coast they say

1120

00:44:11,450 --> 00:44:08,520

they're 12 miles out off the coast it's

1121

00:44:13,790 --> 00:44:11,460

about 5 p.m in April that means it's

1122

00:44:17,030 --> 00:44:13,800

laid out there's a lot of light they

1123

00:44:19,250 --> 00:44:17,040

hear a faint high-pitched hum they said

1124

00:44:22,069 --> 00:44:19,260

it was like a tuning fork if you can

1125

00:44:23,870 --> 00:44:22,079

imagine that I said the volume reduced

1126

00:44:26,569 --> 00:44:23,880

down to a low hum

1127

00:44:28,790 --> 00:44:26,579

in 30 second intervals

1128

00:44:30,410 --> 00:44:28,800

and it's cycled like this for about six

1129

00:44:32,870 --> 00:44:30,420

minutes what struck me about that

1130

00:44:35,390 --> 00:44:32,880

observation is how exact it is and how

1131

00:44:37,849 --> 00:44:35,400

unusual is if you're if you want a hoax

1132

00:44:41,809 --> 00:44:37,859

a UFO report would you think to say that

1133

00:44:44,270 --> 00:44:41,819

it sounded like a tuning fork it went it

1134

00:44:45,109 --> 00:44:44,280

had 30 second intervals I wouldn't think

1135

00:44:47,450 --> 00:44:45,119

so

1136

00:44:50,089 --> 00:44:47,460

they said they noticed seabirds

1137

00:44:52,250 --> 00:44:50,099

screeching seemingly confused and then

1138

00:44:54,650 --> 00:44:52,260

heading back to land and one of the guys

1139

00:44:55,970 --> 00:44:54,660

said our Compass was spinning like a top

1140

00:44:58,790 --> 00:44:55,980

I thought I was going to have a heart

1141

00:45:04,130 --> 00:44:58,800

attack they decided to leave the high

1142

00:45:05,690 --> 00:45:04,140

pitch noise is returned and the water is

1143

00:45:08,930 --> 00:45:05,700

according to their testimony the water

1144

00:45:11,150 --> 00:45:08,940

near the boat raised up rised up raised

1145

00:45:13,490 --> 00:45:11,160

up they said not like a bubbling but

1146

00:45:17,270 --> 00:45:13,500

like a flowing so again a very specific

1147

00:45:19,450 --> 00:45:17,280

uh detail they saw these bluish Lights

1148

00:45:22,250 --> 00:45:19,460

under the water and then a craft

1149

00:45:24,170 --> 00:45:22,260

surfaced they said it Rose to about 30

1150

00:45:25,790 --> 00:45:24,180

feet above the water they said it was

1151
00:45:28,790 --> 00:45:25,800
about the size of a baseball diamond

1152
00:45:30,530 --> 00:45:28,800
shaped like a V they said the humming

1153
00:45:32,690 --> 00:45:30,540
became higher until they could not hear

1154
00:45:34,849 --> 00:45:32,700
the hum and within a few seconds this

1155
00:45:37,670 --> 00:45:34,859
thing just flew off they said it popped

1156
00:45:40,309 --> 00:45:37,680
like a flash bulb and was gone the and

1157
00:45:44,630 --> 00:45:40,319
then the follow-up was the air smelled

1158
00:45:46,490 --> 00:45:44,640
like a salty arc welding odor hmm I have

1159
00:45:49,250 --> 00:45:46,500
to visualize everything like ozone

1160
00:45:51,349 --> 00:45:49,260
almost yeah maybe right

1161
00:45:53,510 --> 00:45:51,359
um they got they got ill in the

1162
00:45:55,970 --> 00:45:53,520
aftermath not the only time we've heard

1163
00:45:58,609 --> 00:45:55,980

of this type of an after effect uh one

1164

00:46:00,230 --> 00:45:58,619

guy uh one one witness said my hair is

1165

00:46:02,630 --> 00:46:00,240

falling out I don't know how much he

1166

00:46:05,809 --> 00:46:02,640

said my cousin's gums are bleeding

1167

00:46:07,190 --> 00:46:05,819

and um he was either losing his teeth or

1168

00:46:10,849 --> 00:46:07,200

his teeth were getting loose or whatever

1169

00:46:14,270 --> 00:46:10,859

so Bill Puckett looked into this and

1170

00:46:16,790 --> 00:46:14,280

uh I think he found it credible he put

1171

00:46:19,370 --> 00:46:16,800

his own support behind it and it's just

1172

00:46:21,170 --> 00:46:19,380

one one case it's like okay I don't have

1173

00:46:23,270 --> 00:46:21,180

a Freedom of Information Act document

1174

00:46:25,490 --> 00:46:23,280

that says the the Navy investigated this

1175

00:46:28,010 --> 00:46:25,500

and we probably never will what we are

1176

00:46:31,069 --> 00:46:28,020

left with is with witness testimony but

1177

00:46:34,069 --> 00:46:31,079

what I look for are witness testimony is

1178

00:46:37,370 --> 00:46:34,079

kind of like this that are specific that

1179

00:46:38,930 --> 00:46:37,380

have details that uh

1180

00:46:41,150 --> 00:46:38,940

you know

1181

00:46:43,370 --> 00:46:41,160

I I won't know any better than you guys

1182

00:46:45,349 --> 00:46:43,380

are gonna know did it really happen but

1183

00:46:46,430 --> 00:46:45,359

I'm gonna go out on a limb and say yes I

1184

00:46:48,589 --> 00:46:46,440

think it happened

1185

00:46:51,770 --> 00:46:48,599

I think that most of these witnesses

1186

00:46:53,750 --> 00:46:51,780

there are people who

1187

00:46:55,550 --> 00:46:53,760

for whatever reason like to just tell a

1188

00:46:57,589 --> 00:46:55,560

tall tale but I think that's quite rare

1189

00:47:00,410 --> 00:46:57,599

for the most part I think most of these

1190

00:47:02,150 --> 00:47:00,420

Witnesses are quite sincere

1191

00:47:05,510 --> 00:47:02,160

I personally have spoken to many many

1192

00:47:07,430 --> 00:47:05,520

UFO Witnesses and the vast majority have

1193

00:47:09,710 --> 00:47:07,440

always struck me is totally sincere and

1194

00:47:12,109 --> 00:47:09,720

just like these this report did so it's

1195

00:47:14,150 --> 00:47:12,119

a hell of a story it's like this V

1196

00:47:15,230 --> 00:47:14,160

object comes out of the water and just

1197

00:47:17,030 --> 00:47:15,240

shoots off

1198

00:47:19,970 --> 00:47:17,040

what is it that's off the coast of

1199

00:47:22,010 --> 00:47:19,980

Cannon Beach Oregon I might wonder is

1200

00:47:24,050 --> 00:47:22,020

there a base down there

1201

00:47:25,970 --> 00:47:24,060

I really don't know but I do think

1202

00:47:29,030 --> 00:47:25,980

there's a tremendous amount of activity

1203

00:47:31,790 --> 00:47:29,040

going on in this world that we are not

1204

00:47:34,930 --> 00:47:31,800

really very cognizant of the reports are

1205

00:47:37,370 --> 00:47:34,940

out there I find for my part very few

1206

00:47:39,530 --> 00:47:37,380

UFO researchers really bothered to look

1207

00:47:41,930 --> 00:47:39,540

into these reports uh people are talking

1208

00:47:44,750 --> 00:47:41,940

about disclosure and what the Navy is

1209

00:47:47,990 --> 00:47:44,760

going to say and you know what's the

1210

00:47:50,329 --> 00:47:48,000

latest iteration of the the uh UAP task

1211

00:47:51,950 --> 00:47:50,339

force or the arrow group

1212

00:47:53,809 --> 00:47:51,960

well those are interesting to know but

1213

00:47:55,730 --> 00:47:53,819

the fact is here's what's not being

1214

00:47:58,490 --> 00:47:55,740

discussed the fact that there are

1215

00:47:59,270 --> 00:47:58,500

countless thousands thousands every year

1216

00:48:00,410 --> 00:47:59,280

of

1217

00:48:02,569 --> 00:48:00,420

good

1218

00:48:03,829 --> 00:48:02,579

UFO sightings that take place every year

1219

00:48:05,630 --> 00:48:03,839

around the world

1220

00:48:07,250 --> 00:48:05,640

most of the world does not have a

1221

00:48:09,050 --> 00:48:07,260

reporting infrastructure to handle it so

1222

00:48:11,210 --> 00:48:09,060

we don't get too many of the reports we

1223

00:48:15,710 --> 00:48:11,220

know that they're out there

1224

00:48:17,750 --> 00:48:15,720

some of them filter to North America

1225

00:48:19,370 --> 00:48:17,760

whether it's the National UFO Reporting

1226

00:48:22,370 --> 00:48:19,380

Center or maybe mufon

1227

00:48:24,710 --> 00:48:22,380

most of them don't but I think there's a

1228

00:48:26,690 --> 00:48:24,720

lot of activity going on

1229

00:48:29,210 --> 00:48:26,700

um we never really talk about it you

1230

00:48:33,349 --> 00:48:29,220

know what what does it mean when

1231

00:48:35,270 --> 00:48:33,359

these objects rise out of the water

1232

00:48:38,569 --> 00:48:35,280

do we have any discussion of the

1233

00:48:40,190 --> 00:48:38,579

implications of what this means well

1234

00:48:42,470 --> 00:48:40,200

it's quite significant

1235

00:48:45,109 --> 00:48:42,480

UFOs are not just a problem of something

1236

00:48:47,809 --> 00:48:45,119

that's out there whatever they are

1237

00:48:49,490 --> 00:48:47,819

whoever they are they are here they're

1238

00:48:51,950 --> 00:48:49,500

on the ground they're in the oceans

1239

00:48:53,930 --> 00:48:51,960

they're in the water they're uh another

1240

00:48:57,950 --> 00:48:53,940

thing that I love studying are these

1241

00:49:01,910 --> 00:48:57,960

very bizarre but consistent reports of

1242

00:49:04,550 --> 00:49:01,920

low flying objects in the dead of night

1243

00:49:07,730 --> 00:49:04,560

at two in the morning three in the

1244

00:49:08,930 --> 00:49:07,740

morning of residential areas over

1245

00:49:10,970 --> 00:49:08,940

people's homes

1246

00:49:14,690 --> 00:49:10,980

at

1247

00:49:18,349 --> 00:49:14,700

ultra low altitude 100 feet 200 feet

1248

00:49:21,530 --> 00:49:18,359

uh almost not visible but they're

1249

00:49:23,630 --> 00:49:21,540

visible a typical report a guy will say

1250

00:49:26,030 --> 00:49:23,640

uh couldn't sleep I went outside to have

1251

00:49:27,589 --> 00:49:26,040

a cigarette or my dog needed to go

1252

00:49:29,569 --> 00:49:27,599

outside or something some reason they

1253

00:49:31,609 --> 00:49:29,579

had to go out it's 2 30 in the morning

1254

00:49:34,069 --> 00:49:31,619

and he said they would say I'm out there

1255

00:49:36,589 --> 00:49:34,079

and I look up and I see this usually

1256

00:49:38,930 --> 00:49:36,599

it'd be like a black triangle sometimes

1257

00:49:41,390 --> 00:49:38,940

it's a disc shaped object

1258

00:49:43,550 --> 00:49:41,400

and typically they would say it was in

1259

00:49:46,430 --> 00:49:43,560

silhouette but I I was able to see it I

1260

00:49:48,349 --> 00:49:46,440

saw it it wasn't easy and then sometimes

1261

00:49:50,690 --> 00:49:48,359

people will describe a light coming down

1262

00:49:53,630 --> 00:49:50,700

from it and they'll often say it's over

1263

00:49:55,130 --> 00:49:53,640

my neighbor's home or over my home

1264

00:49:58,550 --> 00:49:55,140

and

1265

00:50:00,230 --> 00:49:58,560

most of the time they'll just Glide off

1266

00:50:03,770 --> 00:50:00,240

well what is that

1267

00:50:05,930 --> 00:50:03,780

what is that these there are many that's

1268

00:50:08,990 --> 00:50:05,940

most UFO reports are not of that type

1269

00:50:11,270 --> 00:50:09,000

but a certain number are and they are

1270

00:50:12,829 --> 00:50:11,280

consistently of that type

1271

00:50:14,990 --> 00:50:12,839

and I just share this I would like to

1272

00:50:17,329 --> 00:50:15,000

know who's who's operating those objects

1273

00:50:18,650 --> 00:50:17,339

is that a black budget military thing is

1274

00:50:20,809 --> 00:50:18,660

that the Russians is that the Chinese

1275

00:50:22,390 --> 00:50:20,819

somehow I don't think so

1276

00:50:25,190 --> 00:50:22,400

who is it

1277

00:50:27,589 --> 00:50:25,200

and what are they doing

1278

00:50:29,510 --> 00:50:27,599

these are to me these are some of the

1279

00:50:33,290 --> 00:50:29,520

most burning questions that I have right

1280

00:50:35,750 --> 00:50:33,300

now well there's UFO subject never lacks

1281

00:50:39,050 --> 00:50:35,760

for burning questions but but the Usos

1282

00:50:41,329 --> 00:50:39,060

and the low-flying uh overflights over

1283

00:50:43,450 --> 00:50:41,339

people's homes are two things that I am

1284

00:50:46,309 --> 00:50:43,460

just convinced

1285

00:50:48,049 --> 00:50:46,319

need a broader discussion

1286

00:50:50,270 --> 00:50:48,059

these are and these are things that will

1287

00:50:52,970 --> 00:50:50,280

never come up in Congress they're not

1288

00:50:54,770 --> 00:50:52,980

going to be discussed these are very

1289

00:50:57,589 --> 00:50:54,780

very uncomfortable things to talk

1290

00:50:58,430 --> 00:50:57,599

about and I I just think it's not going

1291

00:51:00,589 --> 00:50:58,440

to happen

1292

00:51:02,150 --> 00:51:00,599

but you know I often uh well we

1293

00:51:05,270 --> 00:51:02,160

mentioned this a few times actually on

1294

00:51:07,069 --> 00:51:05,280

the podcast but you know this uh study

1295

00:51:09,710 --> 00:51:07,079

of this phenomenon it's almost like a

1296

00:51:11,750 --> 00:51:09,720

four-year course that you would take at

1297

00:51:14,329 --> 00:51:11,760

University some just to get the basics

1298

00:51:16,069 --> 00:51:14,339

of of it all because it expands right

1299

00:51:17,390 --> 00:51:16,079

once you like you mentioned you go down

1300

00:51:19,549 --> 00:51:17,400

the rabbit hole you're like all of a

1301
00:51:21,950 --> 00:51:19,559
sudden you're you know looking at the

1302
00:51:23,569 --> 00:51:21,960
abduction phenomenon what's one of the

1303
00:51:25,609 --> 00:51:23,579
things that I don't like about this new

1304
00:51:28,490 --> 00:51:25,619
report is I find it very uh

1305
00:51:30,410 --> 00:51:28,500
narrow-minded in its research because

1306
00:51:33,410 --> 00:51:30,420
it's saying anything that's air space

1307
00:51:35,390 --> 00:51:33,420
and notice that they say space after air

1308
00:51:37,069 --> 00:51:35,400
not space first because they don't want

1309
00:51:40,609 --> 00:51:37,079
to give the illusion that they're

1310
00:51:44,630 --> 00:51:40,619
investigating UFOs or aliens uh and all

1311
00:51:47,450 --> 00:51:44,640
domains right uh it bugs me

1312
00:51:50,230 --> 00:51:47,460
um and it says resolution oh well the

1313
00:51:52,549 --> 00:51:50,240

the arrow one yeah yeah yeah

1314

00:51:55,010 --> 00:51:52,559

if they're gonna resolve this somehow

1315

00:51:57,309 --> 00:51:55,020

it's the resolution office yeah you can

1316

00:52:00,470 --> 00:51:57,319

highly of yourselves don't you yeah

1317

00:52:02,270 --> 00:52:00,480

but uh yeah and like it bugs me because

1318

00:52:04,069 --> 00:52:02,280

they're not looking at the phenomenon of

1319

00:52:06,770 --> 00:52:04,079

abduction which you know that is when

1320

00:52:09,530 --> 00:52:06,780

the the occupants of a craft that is

1321

00:52:12,109 --> 00:52:09,540

unknown is now in the domain of somebody

1322

00:52:14,329 --> 00:52:12,119

else right it's not in the domain of

1323

00:52:16,069 --> 00:52:14,339

spaces in somebody is house at this

1324

00:52:18,290 --> 00:52:16,079

point or there's an interaction of some

1325

00:52:19,730 --> 00:52:18,300

sort they're not investigating that the

1326

00:52:21,290 --> 00:52:19,740

other one that they don't investigate

1327

00:52:24,470 --> 00:52:21,300

are saying oh there's no health risks

1328

00:52:26,410 --> 00:52:24,480

according to UFOs and and Flight Risk or

1329

00:52:29,150 --> 00:52:26,420

whatever there hasn't been no medical

1330

00:52:31,490 --> 00:52:29,160

issues [h__\h]

1331

00:52:33,530 --> 00:52:31,500

this has been plenty of documented cases

1332

00:52:35,829 --> 00:52:33,540

of people being talked to John Burroughs

1333

00:52:39,349 --> 00:52:35,839

yeah we have them on next week actually

1334

00:52:41,510 --> 00:52:39,359

just that in this case is well known and

1335

00:52:44,089 --> 00:52:41,520

he it's well known that he I mean John

1336

00:52:46,069 --> 00:52:44,099

could have died uh he he was able to get

1337

00:52:48,890 --> 00:52:46,079

medical intervention for his heart uh

1338

00:52:50,809 --> 00:52:48,900

this happened directly it seems directly

1339

00:52:53,630 --> 00:52:50,819

as a result of the rental shim case and

1340

00:52:57,230 --> 00:52:53,640

and the uh I hope he gets to talk about

1341

00:52:59,630 --> 00:52:57,240

this his uh efforts to get health care

1342

00:53:01,130 --> 00:52:59,640

as a result of this we're very difficult

1343

00:53:03,049 --> 00:53:01,140

it was very difficult for him to do that

1344

00:53:05,329 --> 00:53:03,059

it was a tremendous amount of

1345

00:53:07,549 --> 00:53:05,339

obstruction that was baffling I think he

1346

00:53:09,290 --> 00:53:07,559

was working um he was in Arizona and at

1347

00:53:11,569 --> 00:53:09,300

the time he was working with the office

1348

00:53:13,970 --> 00:53:11,579

of Senator John McCain who of course is

1349

00:53:16,790 --> 00:53:13,980

dead now but I think

1350

00:53:19,370 --> 00:53:16,800

um that that's correct and and from what

1351

00:53:20,930 --> 00:53:19,380

I recall John will tell you this but I

1352

00:53:22,609 --> 00:53:20,940

think they were mystified at first at

1353

00:53:24,290 --> 00:53:22,619

all of the uh obfuscation and

1354

00:53:26,150 --> 00:53:24,300

obstruction they were getting

1355

00:53:28,790 --> 00:53:26,160

from the military just to get access to

1356

00:53:30,829 --> 00:53:28,800

John's records but it had to do with the

1357

00:53:33,950 --> 00:53:30,839

uh the UFO incident that he was a part

1358

00:53:36,349 --> 00:53:33,960

of in 1980 in which he got very close to

1359

00:53:38,030 --> 00:53:36,359

a landed craft and it clearly had a

1360

00:53:40,670 --> 00:53:38,040

negative effect on his health and by the

1361

00:53:43,790 --> 00:53:40,680

way in uh the British report known as

1362

00:53:47,210 --> 00:53:43,800

the condyn report which

1363

00:53:50,270 --> 00:53:47,220

um came out in 2006

1364

00:53:52,370 --> 00:53:50,280

which to my embarrassment I didn't I was

1365

00:53:54,470 --> 00:53:52,380

one of many people but I did not really

1366

00:53:58,030 --> 00:53:54,480

read that report as carefully as John

1367

00:54:01,430 --> 00:53:58,040

did he found in that report

1368

00:54:03,589 --> 00:54:01,440

that um they talked very explicitly

1369

00:54:06,349 --> 00:54:03,599

about ill health effects from these UAP

1370

00:54:08,809 --> 00:54:06,359

they were quite explicit about it so no

1371

00:54:10,609 --> 00:54:08,819

there's there's uh official evidence an

1372

00:54:11,809 --> 00:54:10,619

official determination that these

1373

00:54:13,130 --> 00:54:11,819

objects have very negative health

1374

00:54:16,910 --> 00:54:13,140

effects if you under certain

1375

00:54:18,770 --> 00:54:16,920

circumstances without a doubt yeah would

1376

00:54:19,730 --> 00:54:18,780

you either a lawsuit you said Jay I

1377

00:54:21,650 --> 00:54:19,740

think yesterday we were doing another

1378

00:54:22,970 --> 00:54:21,660

show and Jason brought up the fact that

1379

00:54:24,950 --> 00:54:22,980

there was a family that successfully

1380

00:54:26,630 --> 00:54:24,960

sued the government because they

1381

00:54:28,430 --> 00:54:26,640

couldn't you know disprove that they

1382

00:54:31,210 --> 00:54:28,440

were over the air at the time and Jason

1383

00:54:33,589 --> 00:54:31,220

knows it better than I but yeah

1384

00:54:35,750 --> 00:54:33,599

I think so right it took place in the

1385

00:54:37,970 --> 00:54:35,760

70s and it was a little boy grandmother

1386

00:54:39,349 --> 00:54:37,980

and a mother in a car right yeah you

1387

00:54:42,950 --> 00:54:39,359

want to touch up a little bit on that uh

1388

00:54:44,569 --> 00:54:42,960

does December 1980 so very close and uh

1389

00:54:46,910 --> 00:54:44,579

they were down in a place called I think

1390

00:54:49,609 --> 00:54:46,920

Huffman Texas or around there

1391

00:54:51,950 --> 00:54:49,619

and uh yeah it was a lady named Betty

1392

00:54:54,650 --> 00:54:51,960

cash Vicki Landrum and uh the boy was

1393

00:54:57,230 --> 00:54:54,660

named Colby Landrum I think he was seven

1394

00:54:58,609 --> 00:54:57,240

at the time he was a young guy and they

1395

00:55:02,870 --> 00:54:58,619

encountered

1396

00:55:05,329 --> 00:55:02,880

a diamond-shaped glowing object as they

1397

00:55:06,770 --> 00:55:05,339

were driving that was accompanied by a

1398

00:55:09,589 --> 00:55:06,780

number of double rotor helicopters

1399

00:55:12,349 --> 00:55:09,599

Chinook style helicopters quite a few so

1400

00:55:14,809 --> 00:55:12,359

it's very odd so you know you have to

1401

00:55:17,589 --> 00:55:14,819

wonder is this uh an experimental object

1402

00:55:21,589 --> 00:55:17,599

that is being accompanied by US military

1403

00:55:24,470 --> 00:55:21,599

helicopters or is it an alien UFO and

1404

00:55:25,329 --> 00:55:24,480

these military helicopters are following

1405

00:55:28,549 --> 00:55:25,339

it

1406

00:55:30,349 --> 00:55:28,559

and you know a lot of people have have

1407

00:55:33,109 --> 00:55:30,359

tried to infer that well this is clearly

1408

00:55:35,390 --> 00:55:33,119

something that we're making and you know

1409

00:55:37,069 --> 00:55:35,400

from my part I've just never found that

1410

00:55:40,069 --> 00:55:37,079

to be a slam dunk case I think it could

1411

00:55:41,450 --> 00:55:40,079

we could go either way but the fact was

1412

00:55:42,829 --> 00:55:41,460

um I'm trying I can't remember who was

1413

00:55:46,490 --> 00:55:42,839

driving I think Vicki Landrum was

1414

00:55:49,069 --> 00:55:46,500

driving she gets out of the car

1415

00:55:51,710 --> 00:55:49,079

bad move by her because she's directly

1416

00:55:54,589 --> 00:55:51,720

exposed to whatever radiation this

1417

00:55:56,569 --> 00:55:54,599

object had which was tremendous and in

1418

00:55:58,490 --> 00:55:56,579

fact if I'm remembering correctly she

1419

00:56:00,890 --> 00:55:58,500

tried to get back in and the door handle

1420

00:56:03,049 --> 00:56:00,900

was so hot it burned her hand but

1421

00:56:06,410 --> 00:56:03,059

eventually she got back in but the

1422

00:56:08,510 --> 00:56:06,420

aftermath of this was a tremendous ill

1423

00:56:10,490 --> 00:56:08,520

health effects uh all of them

1424

00:56:12,230 --> 00:56:10,500

essentially suffered severe radiation

1425

00:56:15,109 --> 00:56:12,240

poisoning

1426

00:56:17,270 --> 00:56:15,119

um they they lived in the immediate term

1427

00:56:19,849 --> 00:56:17,280

and yes they did try to get Justice from

1428

00:56:21,589 --> 00:56:19,859

the um through a lawsuit but I think

1429

00:56:25,150 --> 00:56:21,599

they lost a lawsuit I don't think they

1430

00:56:27,890 --> 00:56:25,160

won I don't think they got oh okay

1431

00:56:29,089 --> 00:56:27,900

the courts anyway which is surprising in

1432

00:56:32,030 --> 00:56:29,099

itself

1433

00:56:33,770 --> 00:56:32,040

it did yeah it made it to the court uh

1434

00:56:36,049 --> 00:56:33,780

you know former mufon director John

1435

00:56:38,930 --> 00:56:36,059

schussler was involved in investigating

1436

00:56:40,849 --> 00:56:38,940

this case and he

1437

00:56:42,530 --> 00:56:40,859

uh you know I think was really trying to

1438

00:56:45,230 --> 00:56:42,540

advocate for them he's not an attorney

1439

00:56:47,510 --> 00:56:45,240

but they I don't think they I don't

1440

00:56:49,069 --> 00:56:47,520

think they got Justice on that case

1441

00:56:50,270 --> 00:56:49,079

yeah I'm trying to remember but I don't

1442

00:56:51,710 --> 00:56:50,280

think they did well I mean the

1443

00:56:53,630 --> 00:56:51,720

government would have to admit that it

1444

00:56:55,190 --> 00:56:53,640

was either theirs or not theirs and what

1445

00:56:56,809 --> 00:56:55,200

the hell was it that's a big that's what

1446

00:56:59,329 --> 00:56:56,819

it was yeah yeah the government there

1447

00:57:00,950 --> 00:56:59,339

was no admission from any military base

1448

00:57:02,569 --> 00:57:00,960

uh having anything to do with the

1449

00:57:06,290 --> 00:57:02,579

helicopters and certainly no one's going

1450

00:57:08,390 --> 00:57:06,300

to own uh the diamond-shaped UFO uh so

1451

00:57:10,370 --> 00:57:08,400

they were the these people were just

1452

00:57:12,589 --> 00:57:10,380

totally out of luck

1453

00:57:14,809 --> 00:57:12,599

yeah that's sad that's sad but again

1454

00:57:16,069 --> 00:57:14,819

when we hear about these cases even when

1455

00:57:18,049 --> 00:57:16,079

we were talking the other night with

1456

00:57:20,390 --> 00:57:18,059

another gentleman and we're talking

1457

00:57:22,670 --> 00:57:20,400

about the case in in you know Brazil and

1458

00:57:25,309 --> 00:57:22,680

all that when they're being in 1977 when

1459

00:57:27,109 --> 00:57:25,319

people are being attacked by these orbs

1460

00:57:28,549 --> 00:57:27,119

that just caused them to be anemic or

1461

00:57:31,130 --> 00:57:28,559

get these rare diseases several people

1462

00:57:32,510 --> 00:57:31,140

died that's right when you hear stuff in

1463

00:57:34,250 --> 00:57:32,520

the reporters saying there's no ill

1464

00:57:36,950 --> 00:57:34,260

effects from these objects it's like

1465

00:57:38,630 --> 00:57:36,960

Yeah from a distance but obviously when

1466

00:57:41,450 --> 00:57:38,640

they're close to us when they're in our

1467

00:57:43,609 --> 00:57:41,460

domain uh there could be some effects

1468

00:57:45,410 --> 00:57:43,619

right so yeah I thought I thought that

1469

00:57:47,990 --> 00:57:45,420

missing out of it was

1470

00:57:50,510 --> 00:57:48,000

I I think I mean the ill health effects

1471

00:57:53,270 --> 00:57:50,520

are definitely something that that's

1472

00:57:55,970 --> 00:57:53,280

important uh when I when I think of the

1473

00:57:57,589 --> 00:57:55,980

the full impact of the UFO phenomenon I

1474

00:58:00,349 --> 00:57:57,599

mean I would have to say I think we're

1475

00:58:02,690 --> 00:58:00,359

talking about this goes beyond any

1476

00:58:05,750 --> 00:58:02,700

radiation or any uh health effects from

1477

00:58:07,250 --> 00:58:05,760

terahertz uh electromagnetic radiation

1478

00:58:09,109 --> 00:58:07,260

or whatever else they they're giving off

1479

00:58:12,710 --> 00:58:09,119

I would say

1480

00:58:15,069 --> 00:58:12,720

we are dealing with a phenomenon to this

1481

00:58:17,690 --> 00:58:15,079

day by agencies

1482

00:58:19,010 --> 00:58:17,700

unknown entities unknown we've got a

1483

00:58:21,170 --> 00:58:19,020

pretty good idea that some of them look

1484

00:58:24,950 --> 00:58:21,180

like gray aliens and maybe a few other

1485

00:58:26,690 --> 00:58:24,960

variations yes but but we don't

1486

00:58:28,790 --> 00:58:26,700

we don't have

1487

00:58:32,750 --> 00:58:28,800

I mean think about how crazy this is

1488

00:58:35,510 --> 00:58:32,760

you've got a global phenomenon

1489

00:58:37,870 --> 00:58:35,520

thousands my own personal estimate I

1490

00:58:40,849 --> 00:58:37,880

mean I would I would estimate minimum

1491

00:58:43,190 --> 00:58:40,859

minimum 50 000 good UFO sightings around

1492

00:58:44,809 --> 00:58:43,200

the world every year I I would be

1493

00:58:46,910 --> 00:58:44,819

absolutely incredulous if it were less

1494

00:58:48,710 --> 00:58:46,920

than that just my own estimates when I

1495

00:58:50,750 --> 00:58:48,720

extrapolate out what we see in North

1496

00:58:53,030 --> 00:58:50,760

America North America you have ten

1497

00:58:55,510 --> 00:58:53,040

thousand twelve thousand confirmed raw

1498

00:58:57,710 --> 00:58:55,520

reports every year between US and Canada

1499

00:58:59,750 --> 00:58:57,720

you've got mufon you've got the National

1500

00:59:02,049 --> 00:58:59,760

UFO Reporting Center you've got Chris

1501
00:59:06,049 --> 00:59:02,059
Rakowski over up in Manitoba he gets

1502
00:59:09,349 --> 00:59:06,059
1500 to 2000 a year uh you got 10 to 12

1503
00:59:11,630 --> 00:59:09,359
000 specific unique reports in Northam

1504
00:59:13,010 --> 00:59:11,640
and two countries every year which

1505
00:59:14,750 --> 00:59:13,020
comprise less than five percent of the

1506
00:59:16,309 --> 00:59:14,760
world's population

1507
00:59:18,170 --> 00:59:16,319
so what's the rest of the world dealing

1508
00:59:19,430 --> 00:59:18,180
with they simply it's not that they're

1509
00:59:21,430 --> 00:59:19,440
not seeing it they just don't have the

1510
00:59:24,530 --> 00:59:21,440
infrastructure to report it

1511
00:59:26,270 --> 00:59:24,540
only North America has a decent UFO

1512
00:59:29,089 --> 00:59:26,280
Reporting infrastructure so I think

1513
00:59:30,589 --> 00:59:29,099

we're dealing with a massive massive

1514

00:59:31,430 --> 00:59:30,599

massive phenomenon

1515

00:59:33,230 --> 00:59:31,440

um

1516

00:59:35,390 --> 00:59:33,240

I'm not saying every report that comes

1517

00:59:37,130 --> 00:59:35,400

in is a legitimate report but even if

1518

00:59:39,109 --> 00:59:37,140

you take five percent you're still

1519

00:59:41,210 --> 00:59:39,119

dealing with many many many thousands of

1520

00:59:43,549 --> 00:59:41,220

good reports of sightings every year I

1521

00:59:47,030 --> 00:59:43,559

think yeah so you've got a massive

1522

00:59:49,089 --> 00:59:47,040

phenomenon of of by entities that are

1523

00:59:51,829 --> 00:59:49,099

clearly operating

1524

00:59:53,569 --> 00:59:51,839

beyond anything that's supposed to

1525

00:59:57,289 --> 00:59:53,579

exist

1526

00:59:59,030 --> 00:59:57,299

for what reasons why

1527

01:00:02,630 --> 00:59:59,040

well

1528

01:00:04,069 --> 01:00:02,640

maybe you know maybe they're

1529

01:00:05,390 --> 01:00:04,079

I realize we're probably running out of

1530

01:00:09,289 --> 01:00:05,400

time but if we can go over a few minutes

1531

01:00:11,390 --> 01:00:09,299

I'm not going to complain I would say

1532

01:00:12,710 --> 01:00:11,400

you know I've really tried to think this

1533

01:00:15,530 --> 01:00:12,720

through and I'm not saying I have every

1534

01:00:17,510 --> 01:00:15,540

answer but my own assessment is there

1535

01:00:20,450 --> 01:00:17,520

has been a UFO phenomenon probably for

1536

01:00:22,549 --> 01:00:20,460

as long as human beings have existed in

1537

01:00:25,010 --> 01:00:22,559

this form that we have here probably for

1538

01:00:27,710 --> 01:00:25,020

many many thousands of years however

1539

01:00:30,770 --> 01:00:27,720

I don't believe that it's been all the

1540

01:00:33,410 --> 01:00:30,780

same all this time I do believe that in

1541

01:00:35,450 --> 01:00:33,420

the last century or more

1542

01:00:38,990 --> 01:00:35,460

the phenomenon has ramped up

1543

01:00:40,849 --> 01:00:39,000

considerably and I say that because you

1544

01:00:42,289 --> 01:00:40,859

know people in the 19th century were

1545

01:00:45,109 --> 01:00:42,299

very intelligent they were very

1546

01:00:46,670 --> 01:00:45,119

observant they even thought about things

1547

01:00:48,770 --> 01:00:46,680

scientifically and you know what they

1548

01:00:51,230 --> 01:00:48,780

were not seeing many of these they were

1549

01:00:52,730 --> 01:00:51,240

not noticing many of these but we

1550

01:00:54,650 --> 01:00:52,740

started noticing them in the 20th

1551

01:00:56,089 --> 01:00:54,660

century and I think that's because they

1552

01:01:00,049 --> 01:00:56,099

actually started to become more numerous

1553

01:01:02,450 --> 01:01:00,059

in the 20th century why is that well

1554

01:01:04,069 --> 01:01:02,460

that's the easy part to answer

1555

01:01:05,870 --> 01:01:04,079

when you look at the long long history

1556

01:01:07,430 --> 01:01:05,880

of our species something that I'm

1557

01:01:09,530 --> 01:01:07,440

fascinated by

1558

01:01:11,089 --> 01:01:09,540

you know for all of our history we're

1559

01:01:14,030 --> 01:01:11,099

basically either hunters and gatherers

1560

01:01:16,250 --> 01:01:14,040

for hundreds of thousands of years or

1561

01:01:18,829 --> 01:01:16,260

then we invent agriculture about let's

1562

01:01:21,589 --> 01:01:18,839

say 10 000 years ago and we develop

1563

01:01:23,750 --> 01:01:21,599

writing and we still have a society of

1564

01:01:25,609 --> 01:01:23,760

horses pulling wooden carts

1565

01:01:29,569 --> 01:01:25,619

you know it's not like we could do much

1566

01:01:31,670 --> 01:01:29,579

about UFOs or they could do much with us

1567

01:01:34,130 --> 01:01:31,680

a couple of centuries ago we discovered

1568

01:01:36,289 --> 01:01:34,140

science like serious science

1569

01:01:37,730 --> 01:01:36,299

that's like that long ago in the long

1570

01:01:39,589 --> 01:01:37,740

scheme of things

1571

01:01:42,289 --> 01:01:39,599

we discover science and the next thing

1572

01:01:44,690 --> 01:01:42,299

you know we've got railroads we've got

1573

01:01:47,150 --> 01:01:44,700

airplanes we go to the Moon we've got

1574

01:01:49,190 --> 01:01:47,160

computers we've got nukes we've got now

1575

01:01:52,190 --> 01:01:49,200

strong Ai and now we've got

1576

01:01:55,430 --> 01:01:52,200

transhumanism like whoa

1577

01:01:56,990 --> 01:01:55,440

very very fast yeah and and we're

1578

01:02:00,109 --> 01:01:57,000

talking about things like space-time

1579

01:02:02,750 --> 01:02:00,119

metric engineering out of nowhere we're

1580

01:02:05,030 --> 01:02:02,760

about to LEAP into their world

1581

01:02:06,950 --> 01:02:05,040

and do you think they don't have an

1582

01:02:10,190 --> 01:02:06,960

inkling of that I think we've brought in

1583

01:02:12,289 --> 01:02:10,200

the whole Galactic local neighborhood to

1584

01:02:14,690 --> 01:02:12,299

observe what we are doing I think

1585

01:02:17,030 --> 01:02:14,700

they're interested in what we are doing

1586

01:02:19,069 --> 01:02:17,040

and maybe they think we're not going to

1587

01:02:21,289 --> 01:02:19,079

make the transition that's a possibility

1588

01:02:23,630 --> 01:02:21,299

maybe they're collecting our DNA I don't

1589

01:02:25,930 --> 01:02:23,640

know all the reasons but I do think that

1590

01:02:28,309 --> 01:02:25,940

our transformation into something

1591

01:02:30,349 --> 01:02:28,319

fundamentally different than what we

1592

01:02:32,329 --> 01:02:30,359

have ever been in the past

1593

01:02:33,829 --> 01:02:32,339

is what's getting them here

1594

01:02:35,630 --> 01:02:33,839

and I don't know if that transformation

1595

01:02:37,970 --> 01:02:35,640

is good or bad or even if those are

1596

01:02:39,890 --> 01:02:37,980

appropriate terms to describe it it's

1597

01:02:41,990 --> 01:02:39,900

going to be radically different we're

1598

01:02:44,510 --> 01:02:42,000

we're going through a a worldwide

1599

01:02:45,770 --> 01:02:44,520

Revolution and it has to do with the

1600

01:02:48,650 --> 01:02:45,780

transformation of the entire human

1601

01:02:50,630 --> 01:02:48,660

species so I think that that's

1602

01:02:52,250 --> 01:02:50,640

if there's any one reason why I think

1603

01:02:54,170 --> 01:02:52,260

these beings are here this has got to be

1604

01:02:55,670 --> 01:02:54,180

it you know we've often said well maybe

1605

01:02:58,670 --> 01:02:55,680

because we had nukes

1606

01:02:59,870 --> 01:02:58,680

I think that's a that's a very one

1607

01:03:01,370 --> 01:02:59,880

sliver

1608

01:03:04,069 --> 01:03:01,380

you know the fact that we were able to

1609

01:03:07,609 --> 01:03:04,079

crack the code of the atom is a is a

1610

01:03:10,789 --> 01:03:07,619

symptom of what we are doing that we are

1611

01:03:12,470 --> 01:03:10,799

vaulting into this new

1612

01:03:15,470 --> 01:03:12,480

state of being

1613

01:03:18,230 --> 01:03:15,480

that's transhuman post-human whatever

1614

01:03:20,930 --> 01:03:18,240

whatever it is but we're moving into it

1615

01:03:23,450 --> 01:03:20,940

and I think that that they

1616

01:03:26,030 --> 01:03:23,460

find that interesting do they find it

1617

01:03:27,589 --> 01:03:26,040

interesting as detached scientists or do

1618

01:03:29,870 --> 01:03:27,599

they have a stake in this in one way or

1619

01:03:31,970 --> 01:03:29,880

another there's a question that I

1620

01:03:33,609 --> 01:03:31,980

sometimes ask myself I don't have an

1621

01:03:35,690 --> 01:03:33,619

answer yet but

1622

01:03:37,250 --> 01:03:35,700

the thing that I like to do at this

1623

01:03:39,890 --> 01:03:37,260

stage you know when I started out with

1624

01:03:41,630 --> 01:03:39,900

UFOs 30 years ago I was I was all about

1625

01:03:45,770 --> 01:03:41,640

the nuts and bolts and just the facts

1626
01:03:48,049 --> 01:03:45,780
and I actually did not like to speculate

1627
01:03:50,750 --> 01:03:48,059
well that's all gone I I'm at a point

1628
01:03:52,370 --> 01:03:50,760
where I'm very happy to speculate it's

1629
01:03:56,329 --> 01:03:52,380
very obvious when I speculate and

1630
01:03:58,910 --> 01:03:56,339
sometimes I'm wrong but I feel like

1631
01:04:00,589 --> 01:03:58,920
what's the point of looking at all this

1632
01:04:01,849 --> 01:04:00,599
data if you don't have a conception of

1633
01:04:03,890 --> 01:04:01,859
what it means and so that's what I'm

1634
01:04:06,470 --> 01:04:03,900
trying and I've been trying to do is

1635
01:04:07,490 --> 01:04:06,480
actually to understand what is going on

1636
01:04:09,650 --> 01:04:07,500
here

1637
01:04:11,390 --> 01:04:09,660
from a factually based

1638
01:04:13,970 --> 01:04:11,400

evidence-based

1639

01:04:15,829 --> 01:04:13,980

uh standpoint and to just try to figure

1640

01:04:18,650 --> 01:04:15,839

it out as best I can

1641

01:04:20,569 --> 01:04:18,660

yeah you're doing good job sir and like

1642

01:04:22,910 --> 01:04:20,579

I said we're big fans of yours we've

1643

01:04:24,829 --> 01:04:22,920

been watching you on TV and reading your

1644

01:04:26,690 --> 01:04:24,839

books for years and it's just it's great

1645

01:04:27,890 --> 01:04:26,700

to be able to talk with you

1646

01:04:29,809 --> 01:04:27,900

um Louie do you have any final questions

1647

01:04:31,250 --> 01:04:29,819

for us yeah where can people follow you

1648

01:04:33,710 --> 01:04:31,260

Richard if they want to get to know and

1649

01:04:35,690 --> 01:04:33,720

hear your uh brilliant thoughts more

1650

01:04:37,549 --> 01:04:35,700

where can where can people find you

1651

01:04:39,890 --> 01:04:37,559

thank you um we'll have a YouTube

1652

01:04:42,349 --> 01:04:39,900

channel which is very easy for anyone to

1653

01:04:43,849 --> 01:04:42,359

check out it's just uh Richard Allen

1654

01:04:45,289 --> 01:04:43,859

intelligent disclosure is what it's

1655

01:04:48,589 --> 01:04:45,299

called it's

1656

01:04:50,210 --> 01:04:48,599

out there I I put out uh shows

1657

01:04:51,950 --> 01:04:50,220

um not as often as you guys but I'm out

1658

01:04:54,770 --> 01:04:51,960

there I put them out I try for once a

1659

01:04:56,930 --> 01:04:54,780

week usually it's every other week

1660

01:04:59,630 --> 01:04:56,940

um and um I have a website which I think

1661

01:05:02,990 --> 01:04:59,640

I've got indicated right by my name and

1662

01:05:04,789 --> 01:05:03,000

the website is richarddolinmembers.com

1663

01:05:06,650 --> 01:05:04,799

um it is a it is a member site but

1664

01:05:09,109 --> 01:05:06,660

there's tremendous amount of free and

1665

01:05:10,609 --> 01:05:09,119

free posts up there that I put so

1666

01:05:13,970 --> 01:05:10,619

there's a little bit of everything I do

1667

01:05:16,490 --> 01:05:13,980

have most of the uh most of what I do is

1668

01:05:19,490 --> 01:05:16,500

uh behind the paywall I

1669

01:05:22,250 --> 01:05:19,500

it's it's it's the best model that I can

1670

01:05:24,470 --> 01:05:22,260

engage in right now to pay my bills but

1671

01:05:27,349 --> 01:05:24,480

it works well and I try to provide a lot

1672

01:05:29,089 --> 01:05:27,359

of a lot of information for what people

1673

01:05:31,430 --> 01:05:29,099

um pay so I do have a lot of information

1674

01:05:33,049 --> 01:05:31,440

over at that website and I've got my

1675

01:05:34,910 --> 01:05:33,059

books on um

1676

01:05:36,710 --> 01:05:34,920

uh actually I've got another website

1677

01:05:38,630 --> 01:05:36,720

called richardolinpress.com which has

1678

01:05:40,609 --> 01:05:38,640

all houses all of my books

1679

01:05:42,770 --> 01:05:40,619

nice awesome well we want to thank you

1680

01:05:44,329 --> 01:05:42,780

for being so gracious with your time we

1681

01:05:46,010 --> 01:05:44,339

learned a lot and it's the type of

1682

01:05:48,470 --> 01:05:46,020

conversation we like to have yeah a

1683

01:05:50,150 --> 01:05:48,480

little bit of imagination but based on

1684

01:05:51,950 --> 01:05:50,160

fact and as you said if you don't

1685

01:05:53,510 --> 01:05:51,960

speculate how do you wrap your brain

1686

01:05:55,970 --> 01:05:53,520

around something that's this deep or

1687

01:05:57,349 --> 01:05:55,980

this profound so thank you for spending

1688

01:05:59,150 --> 01:05:57,359

an hour of your time I know you got

1689

01:06:01,609 --> 01:05:59,160

paying gigs and this isn't one of them

1690

01:06:02,750 --> 01:06:01,619

but uh we do really appreciate that and

1691

01:06:04,250 --> 01:06:02,760

we'd love to have you back again

1692

01:06:07,510 --> 01:06:04,260

sometime

1693

01:06:09,710 --> 01:06:07,520

have me back I'm happy to do it awesome

1694

01:06:11,870 --> 01:06:09,720

thank you so much sir a lot of fun I

1695

01:06:17,590 --> 01:06:11,880

enjoyed it very much perfect thank you
