

UAP STUDIES PODCAST

WHITLEY STRIEBER

1
00:00:03,710 --> 00:00:01,670
welcome back everybody hope you're

2
00:00:06,349 --> 00:00:03,720
having a great day we are riding the woo

3
00:00:07,970 --> 00:00:06,359
Train Jason we don't do this often but

4
00:00:10,549 --> 00:00:07,980
if we're going to discuss the things

5
00:00:12,650 --> 00:00:10,559
that cannot be explained crazy

6
00:00:15,770 --> 00:00:12,660
experiences some of them downright scary

7
00:00:18,769 --> 00:00:15,780
uh who better than Mr Whitley streber

8
00:00:20,929 --> 00:00:18,779
himself the legendary storyteller yeah

9
00:00:22,490 --> 00:00:20,939
no uh you know what I I remember Louis

10
00:00:24,529 --> 00:00:22,500
when I was a kid I would go to the

11
00:00:26,689 --> 00:00:24,539
library downtown and I would take out

12
00:00:28,730 --> 00:00:26,699
every UFO book that I could

13
00:00:30,470 --> 00:00:28,740

accept communion because that book

14

00:00:32,749 --> 00:00:30,480

scared the crap out of me just a cover

15

00:00:35,690 --> 00:00:32,759

of it itself and it took me years I just

16

00:00:37,130 --> 00:00:35,700

read the book maybe five years ago it

17

00:00:39,470 --> 00:00:37,140

took me this long to be able to read it

18

00:00:42,290 --> 00:00:39,480

but you know at least such a Pioneer in

19

00:00:44,990 --> 00:00:42,300

this Louis like his his work with other

20

00:00:46,490 --> 00:00:45,000

abductees people like Bud Hopkins and

21

00:00:47,930 --> 00:00:46,500

and John Mack

22

00:00:49,430 --> 00:00:47,940

um you know he's at the top of the list

23

00:00:51,950 --> 00:00:49,440

we definitely will learn something from

24

00:00:53,510 --> 00:00:51,960

today for sure absolutely yeah and we're

25

00:00:55,310 --> 00:00:53,520

gonna ask him some viewer questions we

26
00:00:57,350 --> 00:00:55,320
pulled our uh our audience on Facebook

27
00:00:58,850 --> 00:00:57,360
couple weeks ago and said hey what do

28
00:01:01,010 --> 00:00:58,860
you guys want us to ask Whitley so we

29
00:01:03,170 --> 00:01:01,020
have our list here I got a big fat list

30
00:01:05,390 --> 00:01:03,180
Jason's got a big fat list we're gonna

31
00:01:06,890 --> 00:01:05,400
see what we can make of it but uh more

32
00:01:08,149 --> 00:01:06,900
than anything we are humbled I mean this

33
00:01:10,850 --> 00:01:08,159
gentleman's been doing this for years

34
00:01:13,370 --> 00:01:10,860
yeah I tried to find a book list I

35
00:01:15,830 --> 00:01:13,380
stopped at 46. I mean he must be

36
00:01:18,170 --> 00:01:15,840
upgraded because how can some people

37
00:01:19,789 --> 00:01:18,180
we've had many authors and some of them

38
00:01:22,190 --> 00:01:19,799

tell us it takes five ten years to write

39

00:01:24,289 --> 00:01:22,200

a book properly how can somebody have

40

00:01:27,350 --> 00:01:24,299

done so much in such a short lifespan

41

00:01:29,270 --> 00:01:27,360

without you know some kind a special

42

00:01:31,609 --> 00:01:29,280

scale or something and maybe that's as a

43

00:01:33,710 --> 00:01:31,619

result of his experiences we'll ask him

44

00:01:35,090 --> 00:01:33,720

that but uh yeah it's going to be an

45

00:01:37,550 --> 00:01:35,100

exciting day we're going to go down the

46

00:01:40,010 --> 00:01:37,560

Wu train Whitley is the self-proclaimed

47

00:01:43,550 --> 00:01:40,020

king of Wu but we want to keep this on

48

00:01:45,770 --> 00:01:43,560

the terms of UAP what do we know what

49

00:01:47,569 --> 00:01:45,780

can we safely say we don't know and

50

00:01:49,429 --> 00:01:47,579

let's keep our wits about us so it's

51
00:01:51,170 --> 00:01:49,439
going to be a fun time let's roll the

52
00:01:52,910 --> 00:01:51,180
music here we'll be right back in just a

53
00:01:58,910 --> 00:01:52,920
moment with Mr Whitley strieber right

54
00:02:14,020 --> 00:02:00,190
all right

55
00:02:14,030 --> 00:02:19,910
[Music]

56
00:02:23,869 --> 00:02:21,770
welcome back to another episode of UAP

57
00:02:25,550 --> 00:02:23,879
studies podcast my name is Louis Borges

58
00:02:27,770 --> 00:02:25,560
joining me as always my good friend Mr

59
00:02:29,570 --> 00:02:27,780
Jason gilmette how's it going Louis it's

60
00:02:31,250 --> 00:02:29,580
going great we're in the house with the

61
00:02:33,650 --> 00:02:31,260
ultimate Storyteller Mr Whitley

62
00:02:35,150 --> 00:02:33,660
Schreiber we are as you said before we

63
00:02:37,250 --> 00:02:35,160

started recording we're geeking out big

64

00:02:39,229 --> 00:02:37,260

time today uh one of our favorite people

65

00:02:41,750 --> 00:02:39,239

that we haven't yet spoken to so this is

66

00:02:43,369 --> 00:02:41,760

a great opportunity for us and uh if

67

00:02:45,530 --> 00:02:43,379

anybody is unfamiliar with him we're

68

00:02:47,869 --> 00:02:45,540

gonna have him explain sort of what got

69

00:02:49,850 --> 00:02:47,879

him into all this and his experiences so

70

00:02:52,910 --> 00:02:49,860

today's guest is an award-winning author

71

00:02:55,430 --> 00:02:52,920

I did a book search and I I found like

72

00:02:56,990 --> 00:02:55,440

46 titles I'm sure there are more I

73

00:02:59,270 --> 00:02:57,000

don't know how

74

00:03:01,250 --> 00:02:59,280

somebody can complete this in a one

75

00:03:03,170 --> 00:03:01,260

human life Workhorse amazing maybe

76
00:03:04,910 --> 00:03:03,180
Whitley has been upgraded because his

77
00:03:07,250 --> 00:03:04,920
work would certainly allude to that

78
00:03:10,190 --> 00:03:07,260
obviously his most popular book in this

79
00:03:11,750 --> 00:03:10,200
topic is communion written in 1987 and

80
00:03:14,030 --> 00:03:11,760
we'll also chat about his recent book

81
00:03:16,130 --> 00:03:14,040
them but Whitley also has a show called

82
00:03:18,050 --> 00:03:16,140
Dreamland which is hosted on the Onyx

83
00:03:20,809 --> 00:03:18,060
Network the network that we are also

84
00:03:22,070 --> 00:03:20,819
broadcasted on so we're super excited we

85
00:03:25,190 --> 00:03:22,080
can't wait to chat with them so big

86
00:03:27,589 --> 00:03:25,200
welcome to the show Mr Whitley's Dreamer

87
00:03:30,410 --> 00:03:27,599
well it's great to be here and thank you

88
00:03:32,410 --> 00:03:30,420

very much for inviting me I'm I'm always

89

00:03:34,790 --> 00:03:32,420

glad to do this it's important

90

00:03:36,530 --> 00:03:34,800

absolutely yeah and we understand you

91

00:03:38,869 --> 00:03:36,540

were in the UK at the moment there's a

92

00:03:40,729 --> 00:03:38,879

bit of a storm happening so your laptop

93

00:03:43,190 --> 00:03:40,739

was getting a bit of a delay so you're

94

00:03:45,050 --> 00:03:43,200

on your mobile device but uh thank you

95

00:03:47,570 --> 00:03:45,060

for making this happen uh we really

96

00:03:48,770 --> 00:03:47,580

appreciate it absolutely so for uh some

97

00:03:50,570 --> 00:03:48,780

of the people in our audience that are

98

00:03:53,270 --> 00:03:50,580

fairly new to the topic that aren't as

99

00:03:54,530 --> 00:03:53,280

familiar with yourself uh shame on you

100

00:03:56,330 --> 00:03:54,540

but if you haven't heard of Whitley

101
00:04:00,070 --> 00:03:56,340
streamer uh tell us what happened

102
00:04:04,670 --> 00:04:00,080
December 26 1985 Whitley

103
00:04:06,949 --> 00:04:04,680
well I was asleep in bed in uh a cabin

104
00:04:09,530 --> 00:04:06,959
in Upstate New York I was married my

105
00:04:12,229 --> 00:04:09,540
wife was beside me my seven-year-old son

106
00:04:14,690 --> 00:04:12,239
was downstairs in his bedroom

107
00:04:16,610 --> 00:04:14,700
and it was a perfectly ordinary night

108
00:04:20,030 --> 00:04:16,620
night after Christmas it's been a very

109
00:04:22,969 --> 00:04:20,040
beautiful afternoon with light snow and

110
00:04:25,909 --> 00:04:22,979
evening we'd gone on a walk and

111
00:04:28,550 --> 00:04:25,919
had a a post Christmas dinner of

112
00:04:31,010 --> 00:04:28,560
leftovers and it was a very pleasant way

113
00:04:33,530 --> 00:04:31,020

to spend a day and uh

114

00:04:35,150 --> 00:04:33,540

we went to bed about 9 30 perfect

115

00:04:37,610 --> 00:04:35,160

everything was perfectly quiet and

116

00:04:41,530 --> 00:04:37,620

perfectly normal in every way

117

00:04:49,249 --> 00:04:44,510

I believe I was aware became aware of

118

00:04:52,070 --> 00:04:49,259

movement or noises and I opened my eyes

119

00:04:54,770 --> 00:04:52,080

and the first thing I saw were these big

120

00:04:56,629 --> 00:04:54,780

black insect eyes

121

00:04:58,850 --> 00:04:56,639

staring at me

122

00:05:00,770 --> 00:04:58,860

I thought oh God you're having a

123

00:05:03,050 --> 00:05:00,780

nightmare here Whitley

124

00:05:05,030 --> 00:05:03,060

I actually crossed my mind you know I

125

00:05:06,890 --> 00:05:05,040

was writing horror novels I had written

126

00:05:08,990 --> 00:05:06,900

I hadn't written in some years but I had

127

00:05:11,390 --> 00:05:09,000

written a number of horror novels

128

00:05:14,270 --> 00:05:11,400

and um

129

00:05:15,770 --> 00:05:14,280

I I thought maybe this is an idea here

130

00:05:19,310 --> 00:05:15,780

for me

131

00:05:21,590 --> 00:05:19,320

but the face

132

00:05:24,950 --> 00:05:21,600

took on

133

00:05:27,230 --> 00:05:24,960

an ominous and very real quality and I

134

00:05:32,029 --> 00:05:27,240

started trying to

135

00:05:35,870 --> 00:05:32,039

wake myself up and get be back in bed

136

00:05:37,550 --> 00:05:35,880

but my bed was not there I was somewhere

137

00:05:40,490 --> 00:05:37,560

else

138

00:05:42,890 --> 00:05:40,500

on a more like a cot

139

00:05:44,689 --> 00:05:42,900

a little narrow cot

140

00:05:46,210 --> 00:05:44,699

and

141

00:05:54,110 --> 00:05:46,220

I

142

00:05:58,430 --> 00:05:54,120

and

143

00:06:00,050 --> 00:05:58,440

I was began to be assaulted

144

00:06:03,230 --> 00:06:00,060

and it became

145

00:06:07,189 --> 00:06:03,240

very terrifying I didn't know what to

146

00:06:10,070 --> 00:06:07,199

make of this I was raped with a machine

147

00:06:12,350 --> 00:06:10,080

a device that was thrust into my rectum

148

00:06:14,330 --> 00:06:12,360

and caused some erection and an

149

00:06:16,070 --> 00:06:14,340

ejaculation that was taken in a little

150

00:06:21,170 --> 00:06:16,080

silver

151

00:06:23,150 --> 00:06:21,180

and one of these little spindly

152

00:06:26,270 --> 00:06:23,160

creatures ran away with it and by that

153

00:06:29,330 --> 00:06:26,280

time I was in an insane panic I I was

154

00:06:31,689 --> 00:06:29,340

absolutely terrified and screaming

155

00:06:34,129 --> 00:06:31,699

obviously because there was a

156

00:06:36,409 --> 00:06:34,139

machine-like voice that kept saying what

157

00:06:38,710 --> 00:06:36,419

can we do to help you stop screening

158

00:06:41,930 --> 00:06:38,720

and

159

00:06:43,670 --> 00:06:41,940

it ended at some point after that they

160

00:06:45,950 --> 00:06:43,680

shot a needle into the side of my head

161

00:06:48,050 --> 00:06:45,960

and I remember it saying later I

162

00:06:49,490 --> 00:06:48,060

remembered saying you'll ruin a

163

00:06:52,010 --> 00:06:49,500

beautiful mind

164

00:06:55,129 --> 00:06:52,020

but they did it anyway

165

00:07:02,270 --> 00:06:58,129

the next morning I I don't have any real

166

00:07:04,150 --> 00:07:02,280

memories of the way the thing ended I uh

167

00:07:05,870 --> 00:07:04,160

so

168

00:07:08,150 --> 00:07:05,880

I

169

00:07:12,290 --> 00:07:08,160

woke up

170

00:07:13,850 --> 00:07:12,300

and I was feeling very bad I was not

171

00:07:15,590 --> 00:07:13,860

comfortable

172

00:07:18,050 --> 00:07:15,600

and I

173

00:07:21,350 --> 00:07:18,060

noticed something

174

00:07:24,770 --> 00:07:21,360

I I thought to myself what happened

175

00:07:26,689 --> 00:07:24,780

and I asked my wife if there had been

176

00:07:29,629 --> 00:07:26,699

any disturbance in the night and she

177

00:07:31,370 --> 00:07:29,639

said no it was quiet

178

00:07:32,930 --> 00:07:31,380

and then I decided there must have been

179

00:07:34,969 --> 00:07:32,940

an owl in the house because I could

180

00:07:37,370 --> 00:07:34,979

remember these big eyes

181

00:07:38,870 --> 00:07:37,380

but the problem was there's no way an AI

182

00:07:41,749 --> 00:07:38,880

could have gotten into the house at all

183

00:07:44,270 --> 00:07:41,759

let alone gotten out if it did get in

184

00:07:46,550 --> 00:07:44,280

so that wasn't it

185

00:07:48,770 --> 00:07:46,560

and over the next few days I became

186

00:07:51,770 --> 00:07:48,780

increasingly distressed

187

00:07:53,510 --> 00:07:51,780

I began to remember bits and pieces of

188

00:07:56,029 --> 00:07:53,520

what had happened

189

00:07:58,129 --> 00:07:56,039

and I was completely confused and

190

00:08:00,230 --> 00:07:58,139

blindsided because I knew nothing

191

00:08:02,029 --> 00:08:00,240

whatsoever about alien abductions or

192

00:08:05,150 --> 00:08:02,039

anything like that

193

00:08:08,150 --> 00:08:05,160

and I didn't even know that could happen

194

00:08:09,890 --> 00:08:08,160

and I went through a long period

195

00:08:12,350 --> 00:08:09,900

of struggle

196

00:08:14,150 --> 00:08:12,360

with my doctor trying to figure out what

197

00:08:17,210 --> 00:08:14,160

was going on and

198

00:08:18,830 --> 00:08:17,220

uh I at one point I described my

199

00:08:21,409 --> 00:08:18,840

experience to him

200

00:08:22,790 --> 00:08:21,419

and he said well quickly it sounds like

201
00:08:25,369 --> 00:08:22,800
you're telling me you were taking an

202
00:08:28,249 --> 00:08:25,379
order of flying saucer by little men

203
00:08:29,990 --> 00:08:28,259
then I thought oh my God I'm I'm losing

204
00:08:32,329 --> 00:08:30,000
and I'm going crazy

205
00:08:34,550 --> 00:08:32,339
and I tried to get in to leave me

206
00:08:36,889 --> 00:08:34,560
because I thought

207
00:08:38,510 --> 00:08:36,899
if she turned out to be married to a

208
00:08:41,149 --> 00:08:38,520
psychotic she couldn't get a divorce and

209
00:08:42,829 --> 00:08:41,159
I would come unable to work

210
00:08:45,110 --> 00:08:42,839
so

211
00:08:46,850 --> 00:08:45,120
it was an awful time in our lives those

212
00:08:50,389 --> 00:08:46,860
next few months

213
00:08:53,389 --> 00:08:50,399

and but eventually

214

00:08:55,670 --> 00:08:53,399

I I took all kinds of physical tests and

215

00:08:56,949 --> 00:08:55,680

psychological tests and there was

216

00:08:59,990 --> 00:08:56,959

nothing

217

00:09:02,449 --> 00:09:00,000

identifiably wrong with me

218

00:09:03,829 --> 00:09:02,459

so I eventually

219

00:09:06,410 --> 00:09:03,839

um

220

00:09:08,150 --> 00:09:06,420

decided and I've been trying to get a

221

00:09:10,610 --> 00:09:08,160

divorcement our marriage was really on

222

00:09:13,250 --> 00:09:10,620

the Rocks because of all this and

223

00:09:19,430 --> 00:09:13,260

I

224

00:09:22,190 --> 00:09:19,440

ask for a separation

225

00:09:24,889 --> 00:09:22,200

I told a friend Timothy Greenfield's son

226

00:09:26,990 --> 00:09:24,899

is what I remembered previously previous

227

00:09:29,269 --> 00:09:27,000

to talking to Ann because how do you

228

00:09:31,790 --> 00:09:29,279

tell somebody a thing like that

229

00:09:33,889 --> 00:09:31,800

and I finally said to her honey I think

230

00:09:35,509 --> 00:09:33,899

I was taken aboard a flying saucer by

231

00:09:37,310 --> 00:09:35,519

little men

232

00:09:38,449 --> 00:09:37,320

and she looked at me and I looked back

233

00:09:42,230 --> 00:09:38,459

at her

234

00:09:45,290 --> 00:09:42,240

and she said oh thank God

235

00:09:47,750 --> 00:09:45,300

I now I don't have to get a divorce

236

00:09:49,730 --> 00:09:47,760

or she may have said now I oh thank God

237

00:09:51,350 --> 00:09:49,740

and I thought you were crazy she said

238

00:09:53,690 --> 00:09:51,360

one of those two things

239

00:09:56,750 --> 00:09:53,700

and we just

240

00:09:59,030 --> 00:09:56,760

sort of flew into each other's arms and

241

00:10:02,150 --> 00:09:59,040

that was when the next rest of my life

242

00:10:05,030 --> 00:10:02,160

began really and hers too

243

00:10:08,030 --> 00:10:05,040

and you had mentioned in your book I

244

00:10:10,070 --> 00:10:08,040

believe I'm I'm I may be wrong but when

245

00:10:12,350 --> 00:10:10,080

that entity was telling you what can we

246

00:10:13,850 --> 00:10:12,360

do to make you quiet you had said

247

00:10:14,870 --> 00:10:13,860

something to the effect of let me smell

248

00:10:22,310 --> 00:10:14,880

you

249

00:10:25,130 --> 00:10:22,320

that is close to that smell not well I

250

00:10:27,650 --> 00:10:25,140

it's been a long time I recall writing

251
00:10:30,710 --> 00:10:27,660
that it smelled like cinnamon right uh

252
00:10:33,889 --> 00:10:30,720
but I don't directly remember the odor

253
00:10:35,930 --> 00:10:33,899
anymore right but it was It was a

254
00:10:38,690 --> 00:10:35,940
dry

255
00:10:40,550 --> 00:10:38,700
not very organic odor as I recall

256
00:10:42,829 --> 00:10:40,560
cinnamon would be the best way to

257
00:10:45,290 --> 00:10:42,839
describe it a little sweet Edge to it

258
00:10:47,569 --> 00:10:45,300
yeah so I did ask that because I was

259
00:10:49,750 --> 00:10:47,579
trying to I think I was instinctively

260
00:10:52,250 --> 00:10:49,760
trying to ground myself and find

261
00:10:53,630 --> 00:10:52,260
someplace in reality where this would

262
00:10:56,690 --> 00:10:53,640
fit

263
00:10:58,610 --> 00:10:56,700

yeah and your son also had an abduction

264

00:11:00,170 --> 00:10:58,620

in later years as well I remember

265

00:11:01,730 --> 00:11:00,180

hearing you tell a story about that

266

00:11:04,430 --> 00:11:01,740

maybe you could a lot of the children

267

00:11:05,990 --> 00:11:04,440

who came to the cabin did and we told

268

00:11:08,210 --> 00:11:06,000

their parents

269

00:11:09,949 --> 00:11:08,220

what was happening and if you don't want

270

00:11:11,329 --> 00:11:09,959

your children to get involved in this

271

00:11:13,550 --> 00:11:11,339

don't send them

272

00:11:15,290 --> 00:11:13,560

but everyone sent them anyway

273

00:11:20,329 --> 00:11:15,300

uh

274

00:11:21,530 --> 00:11:20,339

there were quite a number we also had a

275

00:11:25,190 --> 00:11:21,540

few

276

00:11:28,430 --> 00:11:25,200

human Witnesses adult Witnesses at this

277

00:11:33,470 --> 00:11:30,350

and when it comes down to this

278

00:11:35,750 --> 00:11:33,480

um phenomenon which is crazy but you

279

00:11:38,269 --> 00:11:35,760

know having read your work but Hopkins

280

00:11:40,910 --> 00:11:38,279

and John Mack which the three of you are

281

00:11:43,550 --> 00:11:40,920

really the you know major Pioneers in

282

00:11:46,970 --> 00:11:43,560

this field to study uh what's amazing is

283

00:11:48,769 --> 00:11:46,980

you got two sort of events you got the

284

00:11:51,170 --> 00:11:48,779

uh the one-offs which is just somebody

285

00:11:53,329 --> 00:11:51,180

driving down the road all of a sudden

286

00:11:56,329 --> 00:11:53,339

something happens to get taken in your

287

00:11:58,430 --> 00:11:56,339

case in other families it seems to run

288

00:12:00,829 --> 00:11:58,440

in the family so Mom and Dad had an

289

00:12:03,350 --> 00:12:00,839

experience you're having experience the

290

00:12:04,790 --> 00:12:03,360

kids have an experience it follows the

291

00:12:06,470 --> 00:12:04,800

family line

292

00:12:13,329 --> 00:12:06,480

um what can you tell us a bit about that

293

00:12:18,889 --> 00:12:17,389

not much that I could put my finger on

294

00:12:20,509 --> 00:12:18,899

there does seem to be a family

295

00:12:22,970 --> 00:12:20,519

connection though

296

00:12:25,490 --> 00:12:22,980

in my case it has to do with the Roswell

297

00:12:28,250 --> 00:12:25,500

incident because one of my uncles was

298

00:12:31,610 --> 00:12:28,260

involved in the was at the air material

299

00:12:34,130 --> 00:12:31,620

command in Roswell I mean in uh right at

300

00:12:35,569 --> 00:12:34,140

right field when the debris was brought

301
00:12:37,850 --> 00:12:35,579
from Roswell

302
00:12:40,490 --> 00:12:37,860
so while I didn't know anything about

303
00:12:42,170 --> 00:12:40,500
this at the time after the book was

304
00:12:45,650 --> 00:12:42,180
published he did level with me about

305
00:12:48,290 --> 00:12:45,660
this and so it was a in the family

306
00:12:51,949 --> 00:12:48,300
and I think it runs down family line

307
00:12:54,290 --> 00:12:51,959
somehow I'm not the only person who's

308
00:12:57,170 --> 00:12:54,300
had members of their family engaged to

309
00:13:00,110 --> 00:12:57,180
and then they were also engaged later

310
00:13:02,569 --> 00:13:00,120
so there's a familial connection

311
00:13:03,530 --> 00:13:02,579
and in in fact in one of the letters in

312
00:13:06,290 --> 00:13:03,540
them

313
00:13:08,449 --> 00:13:06,300

but what we did was uh

314

00:13:12,470 --> 00:13:08,459

and collected all of the communion

315

00:13:15,769 --> 00:13:12,480

letters and around 30 000 of them

316

00:13:18,050 --> 00:13:15,779

wow ended up in an archive at Rice

317

00:13:20,690 --> 00:13:18,060

University in Texas thankfully they were

318

00:13:23,930 --> 00:13:20,700

preserved by a a wonderful man my

319

00:13:25,269 --> 00:13:23,940

co-author on Supernatural Jeff [h__h]

320

00:13:29,629 --> 00:13:25,279

and

321

00:13:33,350 --> 00:13:29,639

those one of those letters

322

00:13:36,230 --> 00:13:33,360

involves of a woman who's

323

00:13:38,750 --> 00:13:36,240

was abducted with her daughter in the

324

00:13:41,329 --> 00:13:38,760

desert in Arizona

325

00:13:43,190 --> 00:13:41,339

and they were kept separately much of

326

00:13:46,129 --> 00:13:43,200

the woman's discomfort

327

00:13:48,550 --> 00:13:46,139

but the daughter eventually said that

328

00:13:50,990 --> 00:13:48,560

she was an alien

329

00:13:53,389 --> 00:13:51,000

and um

330

00:13:54,230 --> 00:13:53,399

the the

331

00:13:56,509 --> 00:13:54,240

um

332

00:13:58,790 --> 00:13:56,519

I mean not that she was an alien but

333

00:14:01,190 --> 00:13:58,800

that she was they the aliens excuse me

334

00:14:02,870 --> 00:14:01,200

had told her that she was very ill and

335

00:14:05,150 --> 00:14:02,880

she couldn't be cured

336

00:14:07,730 --> 00:14:05,160

and the mother

337

00:14:09,470 --> 00:14:07,740

had been told that they were

338

00:14:11,810 --> 00:14:09,480

that she and the daughter were members

339

00:14:14,750 --> 00:14:11,820

of a very very ancient family and that

340

00:14:17,449 --> 00:14:14,760

this these family members that were

341

00:14:21,110 --> 00:14:17,459

there were her family essentially

342

00:14:22,129 --> 00:14:21,120

so there was a familial connection of

343

00:14:25,670 --> 00:14:22,139

some kind

344

00:14:29,810 --> 00:14:25,680

the little daughter did develop a few

345

00:14:31,430 --> 00:14:29,820

months later a rare form of cancer and

346

00:14:34,430 --> 00:14:31,440

she did die

347

00:14:36,350 --> 00:14:34,440

so it was a very profound and intense

348

00:14:39,710 --> 00:14:36,360

experience of course all the way down

349

00:14:42,350 --> 00:14:39,720

the line not only what happened to me

350

00:14:43,490 --> 00:14:42,360

but the hap the things that happen to

351
00:14:47,870 --> 00:14:43,500
other people

352
00:14:51,889 --> 00:14:47,880
uh and the things that

353
00:14:54,410 --> 00:14:51,899
fit a a general category of being

354
00:14:57,949 --> 00:14:54,420
similar to other stories

355
00:15:03,590 --> 00:14:57,959
are worth witnessing anyway

356
00:15:05,750 --> 00:15:03,600
um uh quite a few of those so it's a

357
00:15:07,310 --> 00:15:05,760
it's a very strange experience but it's

358
00:15:09,350 --> 00:15:07,320
got something to do with family there's

359
00:15:11,810 --> 00:15:09,360
no question about that

360
00:15:13,250 --> 00:15:11,820
right before recording Today's Show we

361
00:15:14,810 --> 00:15:13,260
pulled our audience and said hey if

362
00:15:17,030 --> 00:15:14,820
anyone's got some cool questions for

363
00:15:18,769 --> 00:15:17,040

Whitley send them our way and you

364

00:15:20,329 --> 00:15:18,779

mentioned Jeff [h__h] and that was one

365

00:15:23,389 --> 00:15:20,339

of the questions brought up and somebody

366

00:15:26,990 --> 00:15:23,399

had said ask him about his incident in a

367

00:15:29,449 --> 00:15:27,000

hotel with Jeff [h__h] and uh he told

368

00:15:32,210 --> 00:15:29,459

me roughly what uh what had taken place

369

00:15:36,889 --> 00:15:32,220

and I found it fascinating so maybe I

370

00:15:36,899 --> 00:15:39,710

um

371

00:15:39,720 --> 00:15:43,189

okay I

372

00:15:48,470 --> 00:15:46,670

can run it by me again I'm so the story

373

00:15:50,150 --> 00:15:48,480

as the viewer had said was that you were

374

00:15:53,389 --> 00:15:50,160

sharing a hotel room with this gentleman

375

00:15:54,769 --> 00:15:53,399

and they were sort of 50 50 on the

376

00:15:57,290 --> 00:15:54,779

phenomenon and something happened

377

00:16:02,090 --> 00:15:57,300

throughout the night to make them yeah

378

00:16:04,310 --> 00:16:02,100

right sharing with Jeff yeah I was um

379

00:16:06,050 --> 00:16:04,320

yeah well that was not a hotel room I

380

00:16:08,150 --> 00:16:06,060

was at the essling and that's what threw

381

00:16:09,949 --> 00:16:08,160

me off I was trying to remember this

382

00:16:12,110 --> 00:16:09,959

happening in a hotel room it never has

383

00:16:15,410 --> 00:16:12,120

with someone else it happened at the

384

00:16:18,050 --> 00:16:15,420

esselen institute in in uh Big Sur okay

385

00:16:20,090 --> 00:16:18,060

and when I go to the sln Institute they

386

00:16:23,810 --> 00:16:20,100

usually put me in a certain room

387

00:16:25,430 --> 00:16:23,820

which overlooks the Pacific and is a is

388

00:16:27,590 --> 00:16:25,440

a kind of place that someone could

389

00:16:29,750 --> 00:16:27,600

easily who especially someone who could

390

00:16:32,389 --> 00:16:29,760

fly could easily enter from the outside

391

00:16:35,269 --> 00:16:32,399

without being disturbed

392

00:16:38,090 --> 00:16:35,279

and quite a few people over the years

393

00:16:39,949 --> 00:16:38,100

have wanted to sleep with stay in the

394

00:16:41,990 --> 00:16:39,959

same room with me to see if something

395

00:16:44,749 --> 00:16:42,000

would happen and one or two times it has

396

00:16:49,069 --> 00:16:44,759

and one of those times was with Jeff

397

00:16:51,050 --> 00:16:49,079

and uh Jeff uh was uh I was sleeping

398

00:16:53,870 --> 00:16:51,060

beside the window in the and there's a

399

00:16:56,230 --> 00:16:53,880

little deck and a bit of lawn and then a

400

00:17:00,170 --> 00:16:56,240

cliff in the Pacific beyond that

401
00:17:02,689 --> 00:17:00,180
and uh I was there in the and in the

402
00:17:04,549 --> 00:17:02,699
middle of the night that was a time when

403
00:17:06,350 --> 00:17:04,559
the visitors were waking me up pretty

404
00:17:09,230 --> 00:17:06,360
regularly at three o'clock in the

405
00:17:11,870 --> 00:17:09,240
morning to do an exercise I'd call the

406
00:17:14,150 --> 00:17:11,880
fencing exercise which is to an exercise

407
00:17:15,530 --> 00:17:14,160
of attention to place the attention on

408
00:17:17,870 --> 00:17:15,540
the physical body

409
00:17:20,990 --> 00:17:17,880
that you do to

410
00:17:23,150 --> 00:17:21,000
over over time it gradually engages the

411
00:17:25,909 --> 00:17:23,160
second or ethereal body

412
00:17:29,270 --> 00:17:25,919
and it takes many many years I've done

413
00:17:31,430 --> 00:17:29,280

been doing it now for 60 years but when

414

00:17:34,190 --> 00:17:31,440

they came into my life after my wife

415

00:17:36,529 --> 00:17:34,200

died in 2015 they wanted a lot more and

416

00:17:38,630 --> 00:17:36,539

they specifically wanted it done at

417

00:17:40,909 --> 00:17:38,640

three o'clock in the morning and the

418

00:17:43,669 --> 00:17:40,919

reason is that this is a time which in

419

00:17:46,070 --> 00:17:43,679

some yoga Traditions is called Brahma

420

00:17:48,110 --> 00:17:46,080

hertha time or the time of greatest

421

00:17:51,950 --> 00:17:48,120

openness of the Mind

422

00:17:53,630 --> 00:17:51,960

so uh I was doing the exercise then and

423

00:17:57,710 --> 00:17:53,640

I did the exercise

424

00:17:59,710 --> 00:17:57,720

and a short time later Jeff had a very

425

00:18:02,870 --> 00:17:59,720

intense experience

426

00:18:05,570 --> 00:18:02,880

what happened to me was one of these

427

00:18:06,710 --> 00:18:05,580

little figures came in the window in the

428

00:18:09,110 --> 00:18:06,720

doorway

429

00:18:12,529 --> 00:18:09,120

and because they had a door as well as a

430

00:18:13,909 --> 00:18:12,539

window out onto the deck and uh blue on

431

00:18:16,310 --> 00:18:13,919

my hand

432

00:18:20,150 --> 00:18:16,320

and a moment later

433

00:18:22,250 --> 00:18:20,160

while I was still awake it woke uh Jeff

434

00:18:25,070 --> 00:18:22,260

up I Believe by Brewing on his finger or

435

00:18:28,610 --> 00:18:25,080

his hand and

436

00:18:31,250 --> 00:18:28,620

so when he experienced this

437

00:18:32,470 --> 00:18:31,260

he experienced the collapse of world

438

00:18:35,510 --> 00:18:32,480

view

439

00:18:39,770 --> 00:18:35,520

he no longer cared

440

00:18:41,210 --> 00:18:39,780

up about the uh about the details of

441

00:18:44,029 --> 00:18:41,220

what was happening

442

00:18:47,990 --> 00:18:44,039

what he experienced was a kind of

443

00:18:51,529 --> 00:18:48,000

implosion of his sense of reality and he

444

00:18:53,390 --> 00:18:51,539

when the in entity touched him

445

00:18:56,450 --> 00:18:53,400

he uh

446

00:18:59,630 --> 00:18:56,460

uh uh he felt like

447

00:19:02,990 --> 00:18:59,640

he felt he heard his own voice coming

448

00:19:06,710 --> 00:19:03,000

from deep within his body saying oh my

449

00:19:08,570 --> 00:19:06,720

God and then it was like glass crashing

450

00:19:11,690 --> 00:19:08,580

all around him and I'm pretty sure that

451
00:19:15,590 --> 00:19:11,700
that's this is what he said or something

452
00:19:18,470 --> 00:19:15,600
very close to it and it's a there's a

453
00:19:22,570 --> 00:19:18,480
sense of annihilation when they come to

454
00:19:28,430 --> 00:19:22,580
you and I think that in my opinion

455
00:19:32,110 --> 00:19:28,440
my theory is excuse me that it is a um

456
00:19:35,810 --> 00:19:32,120
it is a uh

457
00:19:38,930 --> 00:19:35,820
a reaction to the fact that they are

458
00:19:41,029 --> 00:19:38,940
coming in from outside of time we live

459
00:19:44,090 --> 00:19:41,039
in the time stream like fish swimming in

460
00:19:45,770 --> 00:19:44,100
water and the threat of taking us out of

461
00:19:48,650 --> 00:19:45,780
the stream of time

462
00:19:52,450 --> 00:19:48,660
literally destroys our reason for living

463
00:19:56,029 --> 00:19:52,460

we're here to experience to have

464

00:19:58,130 --> 00:19:56,039

sequential experience and on always

465

00:19:59,330 --> 00:19:58,140

sense of the new about everything that's

466

00:20:02,510 --> 00:19:59,340

happening

467

00:20:06,049 --> 00:20:02,520

and when they come near you there's the

468

00:20:09,230 --> 00:20:06,059

threat exists that you will come out of

469

00:20:11,350 --> 00:20:09,240

that state and the second you do you see

470

00:20:14,570 --> 00:20:11,360

your whole future and your whole past

471

00:20:17,330 --> 00:20:14,580

and you're we're here to have novel

472

00:20:19,850 --> 00:20:17,340

experience for it to be imprinted on our

473

00:20:21,890 --> 00:20:19,860

minds as if it was entire our souls as

474

00:20:24,590 --> 00:20:21,900

if it was entirely new

475

00:20:26,930 --> 00:20:24,600

and the threat of being pulled out of

476

00:20:28,909 --> 00:20:26,940

the time stream is what is so

477

00:20:31,250 --> 00:20:28,919

frightening to people and it's for what

478

00:20:34,310 --> 00:20:31,260

frightened Jeff and made him feel like

479

00:20:37,430 --> 00:20:34,320

the world was ending at that moment in

480

00:20:38,270 --> 00:20:37,440

my opinion so that's pretty much that

481

00:20:42,049 --> 00:20:38,280

story

482

00:20:44,510 --> 00:20:42,059

wow yeah it's crazy too because if

483

00:20:46,070 --> 00:20:44,520

they do have control over manipulation

484

00:20:48,529 --> 00:20:46,080

of time like a lot of people have

485

00:20:51,289 --> 00:20:48,539

commented the quietness that comes with

486

00:20:52,789 --> 00:20:51,299

it like um I was talking to one of the

487

00:20:54,830 --> 00:20:52,799

twins in England I forgot their names

488

00:20:56,990 --> 00:20:54,840

now uh they'll come to me in a minute

489

00:20:59,630 --> 00:20:57,000

but uh he was describing almost like a

490

00:21:01,850 --> 00:20:59,640

snowfall and when you have a nice quiet

491

00:21:05,270 --> 00:21:01,860

snowfall is super quiet he says it was

492

00:21:07,430 --> 00:21:05,280

just like that and it seems like time is

493

00:21:08,930 --> 00:21:07,440

irrelevant it doesn't matter and you're

494

00:21:11,810 --> 00:21:08,940

stuck in this different

495

00:21:13,250 --> 00:21:11,820

perspective or world view and in your

496

00:21:15,110 --> 00:21:13,260

case like it's

497

00:21:16,610 --> 00:21:15,120

my heart goes out to you and anybody

498

00:21:18,230 --> 00:21:16,620

else that has these reoccurring

499

00:21:19,789 --> 00:21:18,240

experiences

500

00:21:22,190 --> 00:21:19,799

because I can't imagine what it's like

501
00:21:25,070 --> 00:21:22,200
to be pulled out of bed at 3am have

502
00:21:27,110 --> 00:21:25,080
these quick just Snippets of

503
00:21:29,390 --> 00:21:27,120
memory of what took place and then the

504
00:21:31,370 --> 00:21:29,400
next day you got to go to work and you

505
00:21:33,649 --> 00:21:31,380
got to face everybody everybody's not

506
00:21:35,750 --> 00:21:33,659
aware of what you're going through and

507
00:21:38,330 --> 00:21:35,760
there's thousands of people in the world

508
00:21:41,090 --> 00:21:38,340
going through that if not a million uh

509
00:21:42,770 --> 00:21:41,100
and it's horrible oh yeah yeah it's it

510
00:21:44,390 --> 00:21:42,780
well thank you for saying it's horrible

511
00:21:46,310 --> 00:21:44,400
because it's pretty difficult that's for

512
00:21:50,770 --> 00:21:46,320
certain yeah

513
00:21:54,350 --> 00:21:50,780

yeah and it is a the this business of

514

00:21:57,010 --> 00:21:54,360

being threatened by it's not

515

00:22:00,529 --> 00:21:57,020

they're not threatening us

516

00:22:03,230 --> 00:22:00,539

intentionally it's their proximity that

517

00:22:04,610 --> 00:22:03,240

may draw us out of a stream of time and

518

00:22:06,529 --> 00:22:04,620

the second you're drawn out of the

519

00:22:09,890 --> 00:22:06,539

stream of time you're going to know your

520

00:22:12,409 --> 00:22:09,900

whole life not just from this life but

521

00:22:14,570 --> 00:22:12,419

from all lives if you if there is a such

522

00:22:16,490 --> 00:22:14,580

thing as an afterlife you will know it

523

00:22:18,590 --> 00:22:16,500

all in just a second

524

00:22:20,690 --> 00:22:18,600

and where then

525

00:22:23,510 --> 00:22:20,700

is the reason for living

526
00:22:26,210 --> 00:22:23,520
there is none not at all

527
00:22:28,130 --> 00:22:26,220
you have no reason to be alive and

528
00:22:29,470 --> 00:22:28,140
you've spent all this time and money and

529
00:22:33,529 --> 00:22:29,480
effort

530
00:22:35,810 --> 00:22:33,539
on the becoming a living part

531
00:22:37,870 --> 00:22:35,820
of the world order

532
00:22:41,510 --> 00:22:37,880
and

533
00:22:43,909 --> 00:22:41,520
it's just premature to assume that we

534
00:22:46,490 --> 00:22:43,919
could form classes with the visitors or

535
00:22:49,850 --> 00:22:46,500
something and make a lot of this we're

536
00:22:50,930 --> 00:22:49,860
going to have to take a long hard

537
00:22:55,010 --> 00:22:50,940
journey

538
00:22:57,110 --> 00:22:55,020

in order to find our footing with this

539

00:22:59,330 --> 00:22:57,120

right yeah and I like how you refer to

540

00:23:01,730 --> 00:22:59,340

them as the visitors and I've heard you

541

00:23:03,770 --> 00:23:01,740

uh say that they may not be

542

00:23:05,690 --> 00:23:03,780

extraterrestrial you know not

543

00:23:07,610 --> 00:23:05,700

necessarily and the first thing that

544

00:23:09,529 --> 00:23:07,620

came to my mind is uh Michael Paul

545

00:23:12,049 --> 00:23:09,539

Masters we've interviewed him before on

546

00:23:14,930 --> 00:23:12,059

our show he has his theory which is the

547

00:23:17,330 --> 00:23:14,940

extra tempestal Theory now as somebody

548

00:23:19,250 --> 00:23:17,340

who is um you know an archaeologist an

549

00:23:21,710 --> 00:23:19,260

anthropologist he's looking at the

550

00:23:23,630 --> 00:23:21,720

evolution of man and his theory is that

551
00:23:25,730 --> 00:23:23,640
if you just fast forward Evolution a

552
00:23:28,070 --> 00:23:25,740
couple million years we get the big

553
00:23:30,169 --> 00:23:28,080
bulbous foreheads our eyes will change

554
00:23:33,230 --> 00:23:30,179
we're no longer hunting and Gathering

555
00:23:35,149 --> 00:23:33,240
therefore the spindly arms and even to

556
00:23:36,950 --> 00:23:35,159
the point of like Philip Corso in his

557
00:23:39,529 --> 00:23:36,960
book The Day After Roswell said that

558
00:23:41,630 --> 00:23:39,539
these beings had human genomes so I

559
00:23:43,430 --> 00:23:41,640
wanted to get your opinion on the

560
00:23:45,049 --> 00:23:43,440
visitors where do you think they're

561
00:23:47,450 --> 00:23:45,059
coming from and is there a chance they

562
00:23:49,669 --> 00:23:47,460
could be us in the future just looking

563
00:23:50,930 --> 00:23:49,679

different due to Evolution perhaps we

564

00:23:53,330 --> 00:23:50,940

live in a different planet different

565

00:23:55,669 --> 00:23:53,340

gravity what are your thoughts on who

566

00:23:58,250 --> 00:23:55,679

these visitors actually are

567

00:24:00,529 --> 00:23:58,260

the question is still completely open

568

00:24:02,450 --> 00:24:00,539

from beginning to end and there are

569

00:24:04,490 --> 00:24:02,460

people out there who have decided where

570

00:24:07,130 --> 00:24:04,500

they're from what planets they're all

571

00:24:08,810 --> 00:24:07,140

from who's at war with who else and all

572

00:24:11,149 --> 00:24:08,820

of that and that's all as far as I'm

573

00:24:13,669 --> 00:24:11,159

concerned it's all unproven

574

00:24:15,529 --> 00:24:13,679

and you know you can't say someone is a

575

00:24:19,010 --> 00:24:15,539

military whistleblower and then

576

00:24:20,690 --> 00:24:19,020

uh and then say that they've said this

577

00:24:24,230 --> 00:24:20,700

and because they were in the military it

578

00:24:25,070 --> 00:24:24,240

must be true it doesn't work that way uh

579

00:24:28,190 --> 00:24:25,080

first

580

00:24:30,649 --> 00:24:28,200

it's a pretty rare thing when somebody

581

00:24:32,930 --> 00:24:30,659

gives up classified information to the

582

00:24:36,470 --> 00:24:32,940

public there's a case in point going on

583

00:24:39,950 --> 00:24:36,480

right now where a young man gave serious

584

00:24:42,230 --> 00:24:39,960

case in point information to foreign

585

00:24:44,590 --> 00:24:42,240

powers and uh because he wanted to show

586

00:24:46,850 --> 00:24:44,600

his friends on the internet how U.S

587

00:24:50,570 --> 00:24:46,860

intelligence really worked

588

00:24:52,570 --> 00:24:50,580

so you have a situation where

589

00:24:56,090 --> 00:24:52,580

uh

590

00:24:58,250 --> 00:24:56,100

it's not really useful I don't think to

591

00:24:59,450 --> 00:24:58,260

try to speculate about where they're

592

00:25:02,270 --> 00:24:59,460

from

593

00:25:06,409 --> 00:25:02,280

because we can't know

594

00:25:09,289 --> 00:25:06,419

uh as things now stand what is useful

595

00:25:12,950 --> 00:25:09,299

and important is to try to make the

596

00:25:14,890 --> 00:25:12,960

relationship work from our end and later

597

00:25:17,690 --> 00:25:14,900

on we can make the relationship work

598

00:25:20,270 --> 00:25:17,700

hopefully from other ends

599

00:25:23,529 --> 00:25:20,280

but basically

600

00:25:23,539 --> 00:25:29,950

this this relationship such as it is

601
00:25:34,850 --> 00:25:32,630
too unknown to pin down like people will

602
00:25:36,890 --> 00:25:34,860
say oh well if it's not aliens it must

603
00:25:38,510 --> 00:25:36,900
be inter-dimensionals well what in the

604
00:25:41,029 --> 00:25:38,520
world does that word mean I don't even

605
00:25:44,029 --> 00:25:41,039
know yeah what it means it doesn't mean

606
00:25:46,669 --> 00:25:44,039
anything to me and but I think that

607
00:25:49,430 --> 00:25:46,679
there's also a possibility that movement

608
00:25:50,750 --> 00:25:49,440
Through Time may be possible and if

609
00:25:53,029 --> 00:25:50,760
that's the case

610
00:25:55,430 --> 00:25:53,039
then I think it's inevitable they would

611
00:25:58,430 --> 00:25:55,440
be here

612
00:26:00,470 --> 00:25:58,440
right what's that yeah because even

613
00:26:02,810 --> 00:26:00,480

um you know looking at

614

00:26:05,690 --> 00:26:02,820

people like Michio Kaku who talks about

615

00:26:07,810 --> 00:26:05,700

different classes of civilization humans

616

00:26:11,210 --> 00:26:07,820

are not even the class one civilization

617

00:26:12,890 --> 00:26:11,220

but you expand that to let's say not

618

00:26:16,850 --> 00:26:12,900

only our galaxy but the Universe At

619

00:26:18,769 --> 00:26:16,860

Large any advanced civilization that is

620

00:26:21,649 --> 00:26:18,779

higher class in us as more of an

621

00:26:23,810 --> 00:26:21,659

understanding of the reality of

622

00:26:26,390 --> 00:26:23,820

what this all is

623

00:26:28,610 --> 00:26:26,400

in we used to have science and

624

00:26:32,090 --> 00:26:28,620

philosophy used to be one and the same

625

00:26:34,130 --> 00:26:32,100

and somehow they they both went apart I

626
00:26:35,210 --> 00:26:34,140
think this phenomenon requires both of

627
00:26:37,730 --> 00:26:35,220
these things to come back together

628
00:26:40,010 --> 00:26:37,740
because it's not just the nuts and bolts

629
00:26:42,350 --> 00:26:40,020
like Louie and I love to talk about as

630
00:26:45,230 --> 00:26:42,360
well but there's also this other aspect

631
00:26:47,450 --> 00:26:45,240
of it as well that is consciousness what

632
00:26:50,090 --> 00:26:47,460
does it mean for a place as a society

633
00:26:52,250 --> 00:26:50,100
what does it mean as an individual this

634
00:26:56,570 --> 00:26:52,260
topic bleeds in every aspect of

635
00:26:58,549 --> 00:26:56,580
everybody everyday life and this is what

636
00:27:01,250 --> 00:26:58,559
I think maybe disclosure is hard to

637
00:27:04,970 --> 00:27:01,260
bring about because it sort of shatters

638
00:27:06,710 --> 00:27:04,980

the lies and and contributions that we

639

00:27:08,269 --> 00:27:06,720

do for society I mean it's all human

640

00:27:11,029 --> 00:27:08,279

stuff that it's not

641

00:27:12,710 --> 00:27:11,039

applicable to space and time right it's

642

00:27:16,090 --> 00:27:12,720

just our delusions we all contribute to

643

00:27:18,409 --> 00:27:16,100

it but this phenomenon is real I I I I

644

00:27:20,149 --> 00:27:18,419

discussed this business of disclosure

645

00:27:22,010 --> 00:27:20,159

extensively in the second part of my

646

00:27:24,230 --> 00:27:22,020

book them the new book

647

00:27:26,210 --> 00:27:24,240

and I I don't think the government's in

648

00:27:29,330 --> 00:27:26,220

a position to tell what's really going

649

00:27:32,450 --> 00:27:29,340

on they can't do that and I and here's

650

00:27:35,750 --> 00:27:32,460

why you in order to do that they have to

651
00:27:38,390 --> 00:27:35,760
either tell a really monstrous lie and

652
00:27:41,210 --> 00:27:38,400
say all of the abductees are liars or

653
00:27:42,710 --> 00:27:41,220
they're delusional and and that's a

654
00:27:44,930 --> 00:27:42,720
terrible thing to do to those people

655
00:27:48,169 --> 00:27:44,940
because they know very well they're not

656
00:27:50,750 --> 00:27:48,179
liars and they're not uh they think of

657
00:27:57,409 --> 00:27:50,760
themselves as valid people

658
00:27:59,870 --> 00:27:57,419
and then to go on and say that uh that

659
00:28:02,149 --> 00:27:59,880
since it's not that

660
00:28:04,070 --> 00:28:02,159
since it's not happening that the

661
00:28:06,470 --> 00:28:04,080
abductions aren't happening

662
00:28:09,710 --> 00:28:06,480
uh this all is not happening and it's

663
00:28:11,810 --> 00:28:09,720

all in delusional in people's minds like

664

00:28:15,169 --> 00:28:11,820

a few months ago there was a article in

665

00:28:17,450 --> 00:28:15,179

the Wall Street Journal by a an aviator

666

00:28:20,450 --> 00:28:17,460

who had been worked who'd worked u-2s

667

00:28:23,149 --> 00:28:20,460

and was obviously quite well-known in

668

00:28:26,810 --> 00:28:23,159

his community saying why don't we just

669

00:28:29,930 --> 00:28:26,820

get rid of all this U.S UFO stuff my

670

00:28:33,710 --> 00:28:29,940

parents have never seen a UFO I've never

671

00:28:36,350 --> 00:28:33,720

seen one none of my colleagues in the on

672

00:28:40,430 --> 00:28:36,360

the flight path ever ever have seen one

673

00:28:41,510 --> 00:28:40,440

and the truth is that a lot of people do

674

00:28:44,870 --> 00:28:41,520

see them

675

00:28:47,510 --> 00:28:44,880

they are there and the government can't

676

00:28:50,930 --> 00:28:47,520

do a darn thing about it and you get

677

00:28:53,690 --> 00:28:50,940

from that point to the stealing of semen

678

00:28:56,390 --> 00:28:53,700

and eggs and of course the government

679

00:29:00,169 --> 00:28:56,400

doesn't want to do anything about it

680

00:29:02,330 --> 00:29:00,179

they rather we give the hell

681

00:29:03,890 --> 00:29:02,340

wait do you think it's above the pay

682

00:29:07,490 --> 00:29:03,900

grade of the government at this point

683

00:29:09,649 --> 00:29:07,500

like is this uh yeah I don't think

684

00:29:12,590 --> 00:29:09,659

yeah I think that's been put above the

685

00:29:14,289 --> 00:29:12,600

pay grade by the visitors themselves the

686

00:29:17,110 --> 00:29:14,299

visitors uh

687

00:29:20,450 --> 00:29:17,120

engineered this abduction program

688

00:29:21,850 --> 00:29:20,460

they uh and they they put us in the

689

00:29:25,610 --> 00:29:21,860

position the government in a position

690

00:29:27,529 --> 00:29:25,620

where they can't go out and say yes

691

00:29:29,930 --> 00:29:27,539

people are being abducted yes their

692

00:29:33,230 --> 00:29:29,940

sexual material is being stolen yes

693

00:29:34,909 --> 00:29:33,240

their children are affected and no we

694

00:29:37,850 --> 00:29:34,919

can't do anything about it and no we

695

00:29:40,870 --> 00:29:37,860

don't understand why it's being done uh

696

00:29:44,450 --> 00:29:40,880

they can't do that but because that

697

00:29:47,330 --> 00:29:44,460

renders the most fundamental promise of

698

00:29:50,029 --> 00:29:47,340

government fallacious the government is

699

00:29:50,810 --> 00:29:50,039

there to protect us and if it cannot do

700

00:29:55,850 --> 00:29:50,820

so

701
00:29:58,250 --> 00:29:55,860
then it's failing in its in its Duty and

702
00:30:00,710 --> 00:29:58,260
in this case not only

703
00:30:03,529 --> 00:30:00,720
is it unable to do so

704
00:30:05,389 --> 00:30:03,539
it has been very cagey about writing

705
00:30:09,250 --> 00:30:05,399
about this I mean about admitting

706
00:30:11,389 --> 00:30:09,260
anything about this because uh

707
00:30:14,029 --> 00:30:11,399
they don't want to let the cat out of

708
00:30:16,549 --> 00:30:14,039
the bag they don't want to be seen as

709
00:30:20,090 --> 00:30:16,559
powerless and they don't want to be seen

710
00:30:23,870 --> 00:30:20,100
as someone in which they have done does

711
00:30:26,090 --> 00:30:23,880
it use social engineering to dismiss the

712
00:30:28,669 --> 00:30:26,100
claims of the close encounter Witnesses

713
00:30:31,789 --> 00:30:28,679

and in some cases even to get them into

714

00:30:35,630 --> 00:30:31,799

mental institutions and that is just

715

00:30:36,649 --> 00:30:35,640

terribly wrong they can't admit it they

716

00:30:40,130 --> 00:30:36,659

can't

717

00:30:41,930 --> 00:30:40,140

yeah I think if disclosure comes it's

718

00:30:43,610 --> 00:30:41,940

going to come from the visitors not from

719

00:30:47,450 --> 00:30:43,620

the government

720

00:30:50,149 --> 00:30:47,460

had a memo sent to me I think it was

721

00:30:52,370 --> 00:30:50,159

from 1973 and it was from the legendary

722

00:30:55,029 --> 00:30:52,380

remote viewer Pat price and he was

723

00:30:58,430 --> 00:30:55,039

writing a memo to how put off basically

724

00:31:00,889 --> 00:30:58,440

insinuating that the visitors have

725

00:31:04,070 --> 00:31:00,899

already infiltrated state government

726

00:31:07,010 --> 00:31:04,080

religion it's not they're not they don't

727

00:31:09,409 --> 00:31:07,020

care about our day-to-day mundane lives

728

00:31:11,389 --> 00:31:09,419

but they do care about not being

729

00:31:13,669 --> 00:31:11,399

revealed and they've infiltrated certain

730

00:31:15,230 --> 00:31:13,679

positions in order to maintain that and

731

00:31:17,389 --> 00:31:15,240

I was blown away because we all know Hal

732

00:31:19,430 --> 00:31:17,399

put off very well we're also familiar

733

00:31:21,409 --> 00:31:19,440

with remote viewing and the accuracy of

734

00:31:22,909 --> 00:31:21,419

a lot of those things so do you have any

735

00:31:25,010 --> 00:31:22,919

thoughts on because you just kind of

736

00:31:27,529 --> 00:31:25,020

mentioned that it is their decision

737

00:31:29,690 --> 00:31:27,539

really do you think this has gone as far

738

00:31:32,630 --> 00:31:29,700

as they are in government and perhaps

739

00:31:35,990 --> 00:31:32,640

the leaders of religion and you know to

740

00:31:38,029 --> 00:31:36,000

that extent to keep this a secret

741

00:31:41,510 --> 00:31:38,039

I think that they will do what they have

742

00:31:43,850 --> 00:31:41,520

to to keep the secret because this

743

00:31:48,409 --> 00:31:43,860

abduction program is important to them

744

00:31:51,830 --> 00:31:48,419

and they have no intention of allowing

745

00:31:53,810 --> 00:31:51,840

it to fail now that said the abductions

746

00:31:57,769 --> 00:31:53,820

have dropped off dramatically in the

747

00:32:01,130 --> 00:31:57,779

past few years they're very rare now

748

00:32:03,409 --> 00:32:01,140

and uh I think it could be

749

00:32:06,769 --> 00:32:03,419

that that part of their program here is

750

00:32:09,350 --> 00:32:06,779

over and what they may do next I I can't

751

00:32:13,250 --> 00:32:09,360

predict but I do know that someone like

752

00:32:16,370 --> 00:32:13,260

Hal whom I also know very well uh is not

753

00:32:18,470 --> 00:32:16,380

in a position to make that decision and

754

00:32:22,310 --> 00:32:18,480

in fact nobody is in a position to make

755

00:32:26,269 --> 00:32:22,320

that decision uh the visitors are going

756

00:32:28,909 --> 00:32:26,279

to either show up or not show up and we

757

00:32:31,909 --> 00:32:28,919

will have a decision of some kind when

758

00:32:34,190 --> 00:32:31,919

that happens I'm sorry to say

759

00:32:35,330 --> 00:32:34,200

yeah what is your best guess for the

760

00:32:37,970 --> 00:32:35,340

reasoning behind the abduction

761

00:32:40,250 --> 00:32:37,980

phenomenon and is it genetics that they

762

00:32:42,049 --> 00:32:40,260

need like are they do they need to boost

763

00:32:44,510 --> 00:32:42,059

themselves up is this a hybrid program

764

00:32:47,389 --> 00:32:44,520

again nobody knows but what is your best

765

00:32:50,930 --> 00:32:47,399

guess as to why and why the sexual

766

00:32:52,610 --> 00:32:50,940

nature of some of these abductions

767

00:32:53,930 --> 00:32:52,620

well I can only tell you what I've

768

00:32:59,269 --> 00:32:53,940

observed

769

00:33:01,370 --> 00:32:59,279

sexual material was taken from me in

770

00:33:04,610 --> 00:33:01,380

1988.

771

00:33:07,850 --> 00:33:04,620

and in 1990

772

00:33:10,370 --> 00:33:07,860

three I believe early 94 just before we

773

00:33:13,310 --> 00:33:10,380

left the cabin the summer before that

774

00:33:16,610 --> 00:33:13,320

a person showed up in our Woods

775

00:33:18,889 --> 00:33:16,620

he would he looked like a very wisen

776

00:33:21,950 --> 00:33:18,899

sort of 11 year old boy he did not look

777

00:33:24,590 --> 00:33:21,960

like an adult and I think he'd been

778

00:33:27,409 --> 00:33:24,600

living rough out there for some time

779

00:33:31,009 --> 00:33:27,419

and the the way I

780

00:33:33,169 --> 00:33:31,019

located him goes by my sense of smell

781

00:33:34,250 --> 00:33:33,179

because the the

782

00:33:38,889 --> 00:33:34,260

um

783

00:33:42,409 --> 00:33:41,210

I'm getting a little ahead of myself

784

00:33:45,409 --> 00:33:42,419

here

785

00:33:45,419 --> 00:33:49,310

let me see how I can put this

786

00:33:55,250 --> 00:33:52,130

I I located him I saw him I found this

787

00:33:59,090 --> 00:33:55,260

person in the woods behind our house

788

00:34:01,190 --> 00:33:59,100

and he was smoked all the time he was

789

00:34:04,370 --> 00:34:01,200

obviously very disturbed he looked like

790

00:34:07,130 --> 00:34:04,380

an 11 year old boy who was so unhealthy

791

00:34:11,710 --> 00:34:07,140

that his skin was already wrinkling it

792

00:34:14,750 --> 00:34:11,720

was a terrible thing and uh he

793

00:34:16,669 --> 00:34:14,760

he warned me off by growling at me when

794

00:34:19,669 --> 00:34:16,679

I walked up to him he was smoking Under

795

00:34:23,990 --> 00:34:19,679

a Tree near some very volatile trees

796

00:34:27,290 --> 00:34:24,000

called pitch Pines and he was uh

797

00:34:30,109 --> 00:34:27,300

uh uh I I was afraid he would cause a

798

00:34:32,510 --> 00:34:30,119

fire in the pitch Pines and I wanted to

799

00:34:35,149 --> 00:34:32,520

warn him about that and as I walked up

800

00:34:36,770 --> 00:34:35,159

to him he made this deep growling sound

801
00:34:39,050 --> 00:34:36,780
and I thought to myself there's

802
00:34:41,389 --> 00:34:39,060
something very odd here and I'm not I've

803
00:34:43,970 --> 00:34:41,399
at that point it had plenty of oddness

804
00:34:45,169 --> 00:34:43,980
in my life believe me and I went back to

805
00:34:48,409 --> 00:34:45,179
the house

806
00:34:49,730 --> 00:34:48,419
and after that we noticed the symbol

807
00:34:52,849 --> 00:34:49,740
with the cigarette smoke would come up

808
00:34:55,010 --> 00:34:52,859
at night and I could feel him in my mind

809
00:34:56,869 --> 00:34:55,020
and it felt like he was saying and

810
00:34:58,430 --> 00:34:56,879
listening a moment ago it felt like he

811
00:35:03,230 --> 00:34:58,440
was listening to my thoughts and it was

812
00:35:05,089 --> 00:35:03,240
incredibly creepy and uh we went skinny

813
00:35:08,990 --> 00:35:05,099

and I went skinny dipping once so our

814

00:35:11,450 --> 00:35:09,000

pool was quite private and he was beside

815

00:35:13,790 --> 00:35:11,460

himself he was running up and down in

816

00:35:15,890 --> 00:35:13,800

the woods behind the pool there was a

817

00:35:17,810 --> 00:35:15,900

lot of foliage it was late summer and so

818

00:35:19,790 --> 00:35:17,820

you couldn't see him but you could hear

819

00:35:22,430 --> 00:35:19,800

him running up and down and cracking

820

00:35:25,250 --> 00:35:22,440

sticks and gasping and going on like

821

00:35:28,250 --> 00:35:25,260

like us exposing ourselves naked out in

822

00:35:30,650 --> 00:35:28,260

the in the in in the open was just the

823

00:35:32,569 --> 00:35:30,660

worst thing we could possibly do and so

824

00:35:35,210 --> 00:35:32,579

we went back in the house

825

00:35:37,490 --> 00:35:35,220

uh and uh

826

00:35:40,609 --> 00:35:37,500

uh

827

00:35:41,510 --> 00:35:40,619

a few months later we lost the cabin and

828

00:35:44,450 --> 00:35:41,520

we left

829

00:35:46,250 --> 00:35:44,460

and we drove down to Texas to end up

830

00:35:48,890 --> 00:35:46,260

living in a little condo in San Antonio

831

00:35:51,349 --> 00:35:48,900

my hometown

832

00:35:54,470 --> 00:35:51,359

there was a cul-de-sac beside the condo

833

00:35:57,530 --> 00:35:54,480

it was on the ground floor and it wasn't

834

00:36:00,650 --> 00:35:57,540

but a few nights after we arrived there

835

00:36:03,170 --> 00:36:00,660

that ice it was became aware of the fact

836

00:36:04,430 --> 00:36:03,180

that someone was standing in that

837

00:36:07,130 --> 00:36:04,440

cul-de-sac

838

00:36:08,810 --> 00:36:07,140

and it was him and there was cigarette

839

00:36:10,849 --> 00:36:08,820

smoke began to drift into the apartment

840

00:36:11,870 --> 00:36:10,859

and you could I could again feel him in

841

00:36:14,810 --> 00:36:11,880

my mind

842

00:36:18,770 --> 00:36:14,820

I tried to engage with him a couple of

843

00:36:20,150 --> 00:36:18,780

times and he couldn't handle

844

00:36:23,990 --> 00:36:20,160

it

845

00:36:26,630 --> 00:36:24,000

and uh so finally I put a motion

846

00:36:29,329 --> 00:36:26,640

sensitive light in the cul-de-sac and

847

00:36:31,670 --> 00:36:29,339

when he went into it every time he moved

848

00:36:34,010 --> 00:36:31,680

the light would turn on and he would

849

00:36:35,930 --> 00:36:34,020

gasp and go on and finally

850

00:36:38,270 --> 00:36:35,940

one morning I was working in the little

851

00:36:39,950 --> 00:36:38,280

garden we had there and it came

852

00:36:41,569 --> 00:36:39,960

barreling out around the side of the

853

00:36:42,410 --> 00:36:41,579

building and went marching off down the

854

00:36:44,990 --> 00:36:42,420

street

855

00:36:47,510 --> 00:36:45,000

and that was the last I saw of him but

856

00:36:49,670 --> 00:36:47,520

it wasn't the end of the story

857

00:36:52,310 --> 00:36:49,680

because he

858

00:36:55,130 --> 00:36:52,320

it there were two men living in an

859

00:36:57,530 --> 00:36:55,140

apartment immediately behind ours and he

860

00:37:00,530 --> 00:36:57,540

was somehow associated with them

861

00:37:02,270 --> 00:37:00,540

and they were they were not of this

862

00:37:04,550 --> 00:37:02,280

world they looked human but they were

863

00:37:09,230 --> 00:37:04,560

absolutely not of this world

864

00:37:12,589 --> 00:37:09,240

and I finally called the the management

865

00:37:14,630 --> 00:37:12,599

of the condo and said that you know

866

00:37:16,790 --> 00:37:14,640

these people were very unusual and they

867

00:37:19,190 --> 00:37:16,800

had a boy with them there was no

868

00:37:21,170 --> 00:37:19,200

evidence of any no evidence that they

869

00:37:23,450 --> 00:37:21,180

were related or anything and I just

870

00:37:25,790 --> 00:37:23,460

wanted to know if you know who they were

871

00:37:28,010 --> 00:37:25,800

because I wanted to engage with them and

872

00:37:28,849 --> 00:37:28,020

talk to them and see what was going on

873

00:37:31,790 --> 00:37:28,859

there

874

00:37:33,109 --> 00:37:31,800

and the man the management guy says well

875

00:37:35,630 --> 00:37:33,119

there's no one in that apartment it's

876

00:37:37,310 --> 00:37:35,640

empty that it's owned by a man in

877

00:37:40,010 --> 00:37:37,320

Houston and he only uses it when he

878

00:37:41,930 --> 00:37:40,020

comes up to San Antonio

879

00:37:44,210 --> 00:37:41,940

so they gave me his number and I called

880

00:37:46,609 --> 00:37:44,220

him and he said and he said I'm sorry

881

00:37:48,050 --> 00:37:46,619

but my apartment is not occupied and I

882

00:37:48,770 --> 00:37:48,060

said no there are three people living in

883

00:37:50,990 --> 00:37:48,780

it

884

00:37:53,210 --> 00:37:51,000

so he had them evicted

885

00:37:55,630 --> 00:37:53,220

and that when the eviction notice came

886

00:37:58,730 --> 00:37:55,640

to you it was pasted on the door

887

00:38:00,650 --> 00:37:58,740

they came through the whole condo and

888

00:38:01,849 --> 00:38:00,660

everyone in the condo knew about this at

889

00:38:03,349 --> 00:38:01,859

this point and a lot of people did

890

00:38:05,930 --> 00:38:03,359

anyway certainly in our part of it

891

00:38:07,550 --> 00:38:05,940

trying to sell a man's Furniture to us

892

00:38:09,349 --> 00:38:07,560

like we would buy the furniture of

893

00:38:10,849 --> 00:38:09,359

someone when we knew perfectly well they

894

00:38:13,010 --> 00:38:10,859

were squatters

895

00:38:16,790 --> 00:38:13,020

and they left

896

00:38:21,230 --> 00:38:16,800

and that I had seen one of them in a

897

00:38:24,829 --> 00:38:21,240

in a drugstore down the road from us uh

898

00:38:27,950 --> 00:38:24,839

and uh during the whole course of this

899

00:38:30,650 --> 00:38:27,960

experience and he had been stealing

900

00:38:32,690 --> 00:38:30,660

smoking materials and putting them in

901
00:38:34,370 --> 00:38:32,700
big shopping bags I mean not this is

902
00:38:36,950 --> 00:38:34,380
back in the days when that stuff was all

903
00:38:39,349 --> 00:38:36,960
out on the on shelves it wasn't

904
00:38:43,430 --> 00:38:39,359
uh kept back like it is now

905
00:38:45,230 --> 00:38:43,440
and it was blatant and everyone else in

906
00:38:47,150 --> 00:38:45,240
the store except me was just standing

907
00:38:49,130 --> 00:38:47,160
there looking out straight ahead they

908
00:38:52,310 --> 00:38:49,140
weren't doing anything

909
00:38:54,410 --> 00:38:52,320
and uh he walks out of the store walks

910
00:38:57,290 --> 00:38:54,420
out beside me with this

911
00:38:59,870 --> 00:38:57,300
Sinister and amused expression on his

912
00:39:00,890 --> 00:38:59,880
face as he walks past me and boy I'm

913
00:39:03,950 --> 00:39:00,900

telling you I was looking at someone

914

00:39:07,430 --> 00:39:03,960

from another world but he was also human

915

00:39:10,250 --> 00:39:07,440

looking and the boy in my opinion

916

00:39:12,710 --> 00:39:10,260

came about because of the sexual

917

00:39:15,290 --> 00:39:12,720

material it was taken from me and God

918

00:39:18,109 --> 00:39:15,300

knows how he was created whether he was

919

00:39:21,290 --> 00:39:18,119

a hybrid or someone genetically altered

920

00:39:24,290 --> 00:39:21,300

or something but he was definitely not

921

00:39:26,870 --> 00:39:24,300

completely human and

922

00:39:29,630 --> 00:39:26,880

you extrapolate that into the government

923

00:39:31,550 --> 00:39:29,640

and into the World At Large and you just

924

00:39:33,170 --> 00:39:31,560

don't know what might be going on here

925

00:39:35,630 --> 00:39:33,180

not at all

926
00:39:37,069 --> 00:39:35,640
and people who say that this has been

927
00:39:40,370 --> 00:39:37,079
infiltrated they've been infiltrated

928
00:39:42,770 --> 00:39:40,380
into the government could be right

929
00:39:45,650 --> 00:39:42,780
I mean they could very well be right

930
00:39:47,210 --> 00:39:45,660
because I saw three of these people and

931
00:39:51,170 --> 00:39:47,220
interacted with one of them pretty

932
00:39:55,329 --> 00:39:51,180
extensively the the boy and they were

933
00:39:58,670 --> 00:39:55,339
physical beings and they were very

934
00:40:01,490 --> 00:39:58,680
unusual they had the ability to read

935
00:40:07,609 --> 00:40:01,500
minds they could control people's minds

936
00:40:09,829 --> 00:40:07,619
from a distance this happened I thought

937
00:40:12,589 --> 00:40:09,839
and this phenomenon I mean mind control

938
00:40:14,270 --> 00:40:12,599

especially on humans seems to be very

939

00:40:16,849 --> 00:40:14,280

strong not only do they have the

940

00:40:19,849 --> 00:40:16,859

capabilities of immobilizing us by

941

00:40:21,589 --> 00:40:19,859

making us not be able to move and a lot

942

00:40:23,930 --> 00:40:21,599

of people will only focus on the fact

943

00:40:24,829 --> 00:40:23,940

that people reporting abductions at

944

00:40:26,630 --> 00:40:24,839

night

945

00:40:28,130 --> 00:40:26,640

have the problem of not being able to

946

00:40:29,750 --> 00:40:28,140

move out of bed but there's actually

947

00:40:32,390 --> 00:40:29,760

several cases of people in broad

948

00:40:34,250 --> 00:40:32,400

daylight that are all sudden paralyzed

949

00:40:36,650 --> 00:40:34,260

they can't move in the presence of these

950

00:40:38,630 --> 00:40:36,660

entities so there's there's a control

951
00:40:40,910 --> 00:40:38,640
there that any of the Mind Control I

952
00:40:42,910 --> 00:40:40,920
mean it's it's scary to think about as

953
00:40:44,630 --> 00:40:42,920
an individual that you have no control

954
00:40:46,790 --> 00:40:44,640
at all

955
00:40:49,490 --> 00:40:46,800
in the presence of these entities that

956
00:40:51,890 --> 00:40:49,500
you're somehow just at their disposal

957
00:40:54,230 --> 00:40:51,900
and at their will

958
00:40:56,210 --> 00:40:54,240
here's the question for you and it's

959
00:40:59,450 --> 00:40:56,220
it's a rhetorical question I know I'm

960
00:41:01,609 --> 00:40:59,460
the one being interviewed uh

961
00:41:04,310 --> 00:41:01,619
why don't they do more

962
00:41:06,770 --> 00:41:04,320
why are they so hidden why are they so

963
00:41:09,410 --> 00:41:06,780

hesitant why are they so shy if they

964

00:41:13,069 --> 00:41:09,420

have all this power I've seen the power

965

00:41:16,870 --> 00:41:13,079

of the mind that they have it's real

966

00:41:19,550 --> 00:41:16,880

but I mean they use it to steal

967

00:41:21,710 --> 00:41:19,560

cigarettes and pipe tobacco and stuff

968

00:41:25,370 --> 00:41:21,720

not to rob a bank

969

00:41:27,349 --> 00:41:25,380

hello I mean what kind does a screw

970

00:41:30,050 --> 00:41:27,359

loose somewhere there

971

00:41:32,390 --> 00:41:30,060

and I I tell you it's not our screw it's

972

00:41:33,710 --> 00:41:32,400

theirs yeah I think what we're looking

973

00:41:38,150 --> 00:41:33,720

at here

974

00:41:41,810 --> 00:41:38,160

is some kind of an attempt to build a

975

00:41:43,849 --> 00:41:41,820

create a bridge species between us and

976

00:41:46,970 --> 00:41:43,859

whatever the other is

977

00:41:48,349 --> 00:41:46,980

and I think it failed and these people

978

00:41:51,710 --> 00:41:48,359

are out here

979

00:41:54,710 --> 00:41:51,720

in the world basically kind of left hung

980

00:41:56,230 --> 00:41:54,720

out to dry and nobody supporting them

981

00:41:59,210 --> 00:41:56,240

and nobody cares about them anymore

982

00:42:01,790 --> 00:41:59,220

because they didn't work out

983

00:42:04,490 --> 00:42:01,800

that's my strongest suspicion about

984

00:42:07,190 --> 00:42:04,500

what's going on here right yeah it would

985

00:42:09,890 --> 00:42:07,200

make sense and to the point of the

986

00:42:11,390 --> 00:42:09,900

varied array of phenomenon I've heard

987

00:42:14,390 --> 00:42:11,400

you mentioned that you've seen weird

988

00:42:16,670 --> 00:42:14,400

images on TV there's been times you felt

989

00:42:20,450 --> 00:42:16,680

like electrostatically charged you've

990

00:42:22,609 --> 00:42:20,460

seen craft lights beings even an implant

991

00:42:24,290 --> 00:42:22,619

so tell us let's get the implant thing

992

00:42:26,750 --> 00:42:24,300

out of the way I find that fascinating

993

00:42:30,770 --> 00:42:26,760

tell us about your ear

994

00:42:33,589 --> 00:42:30,780

implant yeah well it's right here under

995

00:42:36,170 --> 00:42:33,599

the earphone at the moment and here's

996

00:42:40,550 --> 00:42:36,180

this here's the story of the implant

997

00:42:42,829 --> 00:42:40,560

in 1989 it was May of 1989 in one of my

998

00:42:44,450 --> 00:42:42,839

books there's a misprint that says 1992

999

00:42:48,230 --> 00:42:44,460

but don't be fooled it was definitely

1000

00:42:51,349 --> 00:42:48,240

May of 1989. uh there was a copy editing

1001
00:42:55,310 --> 00:42:51,359
mistake in any case of

1002
00:42:57,109 --> 00:42:55,320
I was in bed in in the country house my

1003
00:42:58,849 --> 00:42:57,119
wife was asleep beside me

1004
00:43:01,130 --> 00:42:58,859
and

1005
00:43:02,870 --> 00:43:01,140
uh

1006
00:43:05,569 --> 00:43:02,880
all of a sudden

1007
00:43:07,730 --> 00:43:05,579
I heard the crunch of gravel in the

1008
00:43:10,430 --> 00:43:07,740
driveway

1009
00:43:12,829 --> 00:43:10,440
and that was disturbing because it's 11

1010
00:43:15,290 --> 00:43:12,839
o'clock at night no car lights but

1011
00:43:19,370 --> 00:43:15,300
clearly a vehicle out there

1012
00:43:21,290 --> 00:43:19,380
more disturbing a big heavy gate across

1013
00:43:24,170 --> 00:43:21,300

the driveway so I had to drive around

1014

00:43:28,130 --> 00:43:24,180

the gator God knows in this case may be

1015

00:43:32,510 --> 00:43:28,140

over it uh in any case it's there

1016

00:43:35,089 --> 00:43:32,520

and I have at this point an array of

1017

00:43:37,069 --> 00:43:35,099

floodlights all around the house which

1018

00:43:38,270 --> 00:43:37,079

can be turned on with a switch beside

1019

00:43:45,890 --> 00:43:38,280

the bed

1020

00:43:47,390 --> 00:43:45,900

shotgun

1021

00:43:50,329 --> 00:43:47,400

so

1022

00:43:53,450 --> 00:43:50,339

my immediate reaction

1023

00:43:56,630 --> 00:43:53,460

is to start to go for the lights

1024

00:43:58,609 --> 00:43:56,640

because there's it's a car is arriving

1025

00:44:00,589 --> 00:43:58,619

but there's no evidence that anyone's

1026

00:44:02,270 --> 00:44:00,599

there so I need to light the area up

1027

00:44:04,790 --> 00:44:02,280

they're not plan to get the shotgun out

1028

00:44:06,470 --> 00:44:04,800

and go to the window that was my Mo that

1029

00:44:08,870 --> 00:44:06,480

was my expectation

1030

00:44:10,809 --> 00:44:08,880

as I turned to go to the light switches

1031

00:44:12,970 --> 00:44:10,819

I saw two people at the foot of the bed

1032

00:44:15,710 --> 00:44:12,980

across the hall

1033

00:44:17,630 --> 00:44:15,720

there's a whole door at the at the end

1034

00:44:20,270 --> 00:44:17,640

of the far end of the bedroom and the

1035

00:44:23,270 --> 00:44:20,280

bed fainted so they were at standing in

1036

00:44:25,670 --> 00:44:23,280

the hall door and simultaneously heard a

1037

00:44:29,210 --> 00:44:25,680

male voice in the backyard say condition

1038

00:44:31,970 --> 00:44:29,220

red now you notice a male voice people

1039

00:44:34,430 --> 00:44:31,980

I'm not talking about aliens here this

1040

00:44:36,250 --> 00:44:34,440

was a people thing or a hybrid thing but

1041

00:44:39,190 --> 00:44:36,260

in any case

1042

00:44:42,109 --> 00:44:39,200

whoever did this looked like us

1043

00:44:43,849 --> 00:44:42,119

immediately I changed my plan I'm going

1044

00:44:45,589 --> 00:44:43,859

for the shotgun because I'm there's

1045

00:44:48,170 --> 00:44:45,599

people in the house you understand

1046

00:44:51,829 --> 00:44:48,180

there's an alarm system a very

1047

00:44:55,069 --> 00:44:51,839

sophisticated one it is turned on it is

1048

00:44:57,410 --> 00:44:55,079

not disarmed I can see the red light on

1049

00:45:00,230 --> 00:44:57,420

the LED right beside the bed with my own

1050

00:45:02,750 --> 00:45:00,240

eyes at that moment while the people are

1051

00:45:05,150 --> 00:45:02,760

already in the house

1052

00:45:06,950 --> 00:45:05,160

I start to go for the shotgun and the

1053

00:45:10,010 --> 00:45:06,960

next thing I know I'm lying on my side

1054

00:45:12,770 --> 00:45:10,020

on my right side I am blinded I can't

1055

00:45:15,050 --> 00:45:12,780

see a thing it's dark I can't open my

1056

00:45:17,930 --> 00:45:15,060

eyes I can't move

1057

00:45:20,329 --> 00:45:17,940

someone is pushing down on this side of

1058

00:45:23,170 --> 00:45:20,339

my head pushing it into the pillow in

1059

00:45:26,030 --> 00:45:23,180

waves like you know like this

1060

00:45:27,710 --> 00:45:26,040

and the woman's voice is speaking very

1061

00:45:30,170 --> 00:45:27,720

softly and gently

1062

00:45:34,970 --> 00:45:30,180

and then

1063

00:45:38,030 --> 00:45:34,980

it ends that there's a big flash of

1064

00:45:40,730 --> 00:45:38,040

light a sound like people running

1065

00:45:43,069 --> 00:45:40,740

running through brush and then running

1066

00:45:47,450 --> 00:45:43,079

through the woods

1067

00:45:50,329 --> 00:45:47,460

I am able to move I jump up I grab the

1068

00:45:53,390 --> 00:45:50,339

pistol I run through the house looking

1069

00:45:56,809 --> 00:45:53,400

for open fenestrations there's the

1070

00:46:00,650 --> 00:45:56,819

everything is intact there is no sign of

1071

00:46:04,309 --> 00:46:00,660

any break-in and the alarm system is

1072

00:46:07,970 --> 00:46:04,319

still turned on I end up sitting on the

1073

00:46:09,589 --> 00:46:07,980

side of the bed thinking what the hell

1074

00:46:13,630 --> 00:46:09,599

happened

1075

00:46:16,250 --> 00:46:13,640

I decide

1076

00:46:18,230 --> 00:46:16,260

it had to be dream

1077

00:46:20,690 --> 00:46:18,240

because the alarm system didn't go off

1078

00:46:22,550 --> 00:46:20,700

and there's no window open or door or

1079

00:46:23,990 --> 00:46:22,560

anything

1080

00:46:25,970 --> 00:46:24,000

so

1081

00:46:27,829 --> 00:46:25,980

let me put it this way about sleeping

1082

00:46:29,690 --> 00:46:27,839

for the rest of the night that did not

1083

00:46:32,270 --> 00:46:29,700

really happen I lay there you know a

1084

00:46:34,910 --> 00:46:32,280

little nervous terribly on edge you know

1085

00:46:36,050 --> 00:46:34,920

and uh kept turning the floodlights on

1086

00:46:37,609 --> 00:46:36,060

and off and

1087

00:46:41,569 --> 00:46:37,619

uh

1088

00:46:46,790 --> 00:46:44,150

in the in the morning the first thing I

1089

00:46:48,770 --> 00:46:46,800

would always do is I would with Ann I

1090

00:46:51,950 --> 00:46:48,780

would say first did you notice anything

1091

00:46:53,690 --> 00:46:51,960

and if she said yes I would ask her what

1092

00:46:54,589 --> 00:46:53,700

she had noticed and sometimes there were

1093

00:46:56,510 --> 00:46:54,599

things

1094

00:46:58,609 --> 00:46:56,520

but this time I asked her and she's no

1095

00:47:00,230 --> 00:46:58,619

it seems that I only remember a quiet

1096

00:47:01,790 --> 00:47:00,240

night so I told her the whole story in

1097

00:47:03,770 --> 00:47:01,800

detail

1098

00:47:06,109 --> 00:47:03,780

then we went downstairs to make

1099

00:47:07,730 --> 00:47:06,119

breakfast our son was waking up he

1100

00:47:09,109 --> 00:47:07,740

probably had a little friend with him

1101
00:47:11,210 --> 00:47:09,119
would be my guess

1102
00:47:13,250 --> 00:47:11,220
and uh

1103
00:47:16,309 --> 00:47:13,260
uh

1104
00:47:18,770 --> 00:47:16,319
we went we were making breakfast and I

1105
00:47:21,470 --> 00:47:18,780
thought I'll go out and get the paper we

1106
00:47:23,329 --> 00:47:21,480
were by that time I was dressed and

1107
00:47:25,250 --> 00:47:23,339
because you couldn't get the paper

1108
00:47:27,650 --> 00:47:25,260
delivered there and I'm a big newspaper

1109
00:47:31,130 --> 00:47:27,660
reader and there was no internet really

1110
00:47:34,130 --> 00:47:31,140
then anyway so I went out to the garage

1111
00:47:36,589 --> 00:47:34,140
and the garage was attached I opened the

1112
00:47:39,349 --> 00:47:36,599
door into the garage the alarm system

1113
00:47:42,890 --> 00:47:39,359

was still fully alarmed but the garage

1114

00:47:45,890 --> 00:47:42,900

door was wide open wide open

1115

00:47:48,290 --> 00:47:45,900

but the alarm system was not sounding in

1116

00:47:50,450 --> 00:47:48,300

any way whatsoever it was functioning as

1117

00:47:51,950 --> 00:47:50,460

if there was no nothing open and I had

1118

00:47:54,890 --> 00:47:51,960

not looked in the garage during the

1119

00:47:57,950 --> 00:47:54,900

night I just looked at the windows

1120

00:48:00,349 --> 00:47:57,960

so then I knew someone had been in there

1121

00:48:02,329 --> 00:48:00,359

I called the alarm guy he came and he

1122

00:48:04,609 --> 00:48:02,339

found a very heavy duty magnetic field

1123

00:48:07,790 --> 00:48:04,619

free floating around the garage switch

1124

00:48:10,130 --> 00:48:07,800

which is what kept it from trip tripping

1125

00:48:11,870 --> 00:48:10,140

and he said we have no equipment that

1126

00:48:14,690 --> 00:48:11,880

created could create a magnetic field

1127

00:48:17,030 --> 00:48:14,700

this intense all I can do is replace the

1128

00:48:22,309 --> 00:48:17,040

switch which he did

1129

00:48:23,510 --> 00:48:22,319

Okay so I'm I'm left with this what the

1130

00:48:25,910 --> 00:48:23,520

hell is it

1131

00:48:26,930 --> 00:48:25,920

then a few days later my ear starts to

1132

00:48:29,450 --> 00:48:26,940

hurt

1133

00:48:31,670 --> 00:48:29,460

and I'm feeling it hit and I feel a

1134

00:48:32,630 --> 00:48:31,680

little bump in it which I feeling right

1135

00:48:35,809 --> 00:48:32,640

now

1136

00:48:37,790 --> 00:48:35,819

and I think to myself holy God I've got

1137

00:48:40,130 --> 00:48:37,800

an implant because I knew Dr Roger Lear

1138

00:48:42,950 --> 00:48:40,140

at the time I knew about alien implants

1139

00:48:44,990 --> 00:48:42,960

we we tested people trying to find them

1140

00:48:47,329 --> 00:48:45,000

so it was no secret that they existed

1141

00:48:48,650 --> 00:48:47,339

but this was not aliens I didn't think

1142

00:48:51,109 --> 00:48:48,660

of course it could have something to do

1143

00:48:55,849 --> 00:48:51,119

with the hybrids I don't know

1144

00:48:57,770 --> 00:48:55,859

um in any case I'm frantic it hurts I

1145

00:48:59,990 --> 00:48:57,780

want it out on me I feel like I'm being

1146

00:49:04,010 --> 00:49:00,000

watched It's terrifying

1147

00:49:04,849 --> 00:49:04,020

and and he says no no don't get it taken

1148

00:49:07,370 --> 00:49:04,859

out

1149

00:49:09,109 --> 00:49:07,380

let's see what it's for

1150

00:49:11,809 --> 00:49:09,119

and of course I was always her

1151
00:49:14,510 --> 00:49:11,819
experience her experimental animal uh

1152
00:49:16,250 --> 00:49:14,520
back in when I started decided I needed

1153
00:49:18,410 --> 00:49:16,260
to go out into the woods at night to

1154
00:49:20,030 --> 00:49:18,420
re-engage with the visitors when I once

1155
00:49:22,069 --> 00:49:20,040
I realized they were real

1156
00:49:24,530 --> 00:49:22,079
I said well let's do this let's go out

1157
00:49:25,970 --> 00:49:24,540
into the woods about 11 or 12 and just

1158
00:49:29,210 --> 00:49:25,980
walk out to where I think it happened

1159
00:49:32,690 --> 00:49:29,220
it's a signal for them that

1160
00:49:34,430 --> 00:49:32,700
we're ready for to to engage in some way

1161
00:49:36,109 --> 00:49:34,440
and I thought it was probably dangerous

1162
00:49:37,670 --> 00:49:36,119
as hell but I was going to do it anyway

1163
00:49:39,349 --> 00:49:37,680

because after all

1164

00:49:42,050 --> 00:49:39,359

they were real

1165

00:49:44,750 --> 00:49:42,060

uh and she says oh fine that's a great

1166

00:49:48,470 --> 00:49:44,760

idea you do it I'll stay here at the

1167

00:49:50,089 --> 00:49:48,480

house yeah but so I did I had done it

1168

00:49:52,069 --> 00:49:50,099

and I had re-engaged with them quite

1169

00:49:53,809 --> 00:49:52,079

extensively which is what the two books

1170

00:49:56,030 --> 00:49:53,819

transformation and breakthrough are

1171

00:50:00,770 --> 00:49:56,040

about that followed communion

1172

00:50:01,910 --> 00:50:00,780

uh so uh in any case going back to the

1173

00:50:05,030 --> 00:50:01,920

implant

1174

00:50:08,150 --> 00:50:05,040

it would turn on and the ear would get

1175

00:50:11,750 --> 00:50:08,160

very hot and there would be this sound

1176

00:50:13,609 --> 00:50:11,760

in my head and it has become a major

1177

00:50:16,970 --> 00:50:13,619

part of my life I tried to get it

1178

00:50:21,109 --> 00:50:16,980

removed in the mid 90s but I guess about

1179

00:50:23,329 --> 00:50:21,119

95 or 96 and Annie said we'll make a

1180

00:50:25,970 --> 00:50:23,339

compromise you get one chance but

1181

00:50:27,710 --> 00:50:25,980

quickly I I just have a feeling this

1182

00:50:29,569 --> 00:50:27,720

thing is very important

1183

00:50:32,030 --> 00:50:29,579

and um

1184

00:50:34,849 --> 00:50:32,040

don't get it removed which I'm not going

1185

00:50:37,190 --> 00:50:34,859

to say no this one time the doctor opens

1186

00:50:39,710 --> 00:50:37,200

it up and it's on video on my website

1187

00:50:43,490 --> 00:50:39,720

yeah I've seen it and then the uh yeah

1188

00:50:46,130 --> 00:50:43,500

and he says it's a white dish she says

1189

00:50:48,710 --> 00:50:46,140

it's a white disc and he's looking at it

1190

00:50:51,650 --> 00:50:48,720

it goes it moves down from here down

1191

00:50:53,990 --> 00:50:51,660

into the bottom of my ear on its own to

1192

00:50:56,390 --> 00:50:54,000

get away from the scalpel that scares

1193

00:50:58,010 --> 00:50:56,400

him and he pulls out of course I mean

1194

00:50:59,530 --> 00:50:58,020

you have to take my whole ear off to get

1195

00:51:03,710 --> 00:50:59,540

it at that point

1196

00:51:05,930 --> 00:51:03,720

so two days later it stings burns like

1197

00:51:06,950 --> 00:51:05,940

hell and comes back up to where it is to

1198

00:51:10,730 --> 00:51:06,960

this day

1199

00:51:12,470 --> 00:51:10,740

after Annie passes away

1200

00:51:14,870 --> 00:51:12,480

the implant

1201
00:51:18,049 --> 00:51:14,880
comes to life

1202
00:51:19,490 --> 00:51:18,059
a slit opens up in my right eye now it's

1203
00:51:21,470 --> 00:51:19,500
in my left eye but in the beginning it

1204
00:51:23,870 --> 00:51:21,480
was in my right eye and you can see

1205
00:51:25,549 --> 00:51:23,880
words racing through the slit at very

1206
00:51:29,270 --> 00:51:25,559
great speeds

1207
00:51:31,670 --> 00:51:29,280
I'm told by some people who show up in

1208
00:51:34,010 --> 00:51:31,680
the middle of the night and explain this

1209
00:51:37,910 --> 00:51:34,020
thing to me some some years later about

1210
00:51:43,210 --> 00:51:37,920
that and about uh uh 2020

1211
00:51:46,430 --> 00:51:43,220
that it what is doing is drawing

1212
00:51:49,730 --> 00:51:46,440
un unthought thoughts up from my

1213
00:51:52,370 --> 00:51:49,740

subconscious and it and by that time I'm

1214

00:51:53,750 --> 00:51:52,380

using it as a research tool and I'm

1215

00:51:56,569 --> 00:51:53,760

wondering what the words are because

1216

00:51:58,309 --> 00:51:56,579

they move too fast for you to read and

1217

00:51:59,510 --> 00:51:58,319

they're explaining that these are things

1218

00:52:08,870 --> 00:51:59,520

I

1219

00:52:11,329 --> 00:52:08,880

it's like it's it's like a an

1220

00:52:13,549 --> 00:52:11,339

inspirational device that uses my

1221

00:52:14,829 --> 00:52:13,559

unconscious as the source of its of its

1222

00:52:18,410 --> 00:52:14,839

information

1223

00:52:21,049 --> 00:52:18,420

and I use it all the time now it's my

1224

00:52:22,849 --> 00:52:21,059

Primo research tool that's why my the

1225

00:52:24,470 --> 00:52:22,859

research in my books in my opinion has

1226

00:52:27,770 --> 00:52:24,480

gotten of such extraordinarily high

1227

00:52:30,349 --> 00:52:27,780

quality in afterlife revolution in a new

1228

00:52:31,250 --> 00:52:30,359

world in Jesus a new vision and now in

1229

00:52:36,049 --> 00:52:31,260

them

1230

00:52:38,990 --> 00:52:36,059

the research is very strong and I think

1231

00:52:41,870 --> 00:52:39,000

that this thing has something to do and

1232

00:52:44,450 --> 00:52:41,880

this puts a whole new level on the whole

1233

00:52:47,690 --> 00:52:44,460

thing with our own dead

1234

00:52:51,410 --> 00:52:47,700

and that the visitors

1235

00:52:56,270 --> 00:52:51,420

are somehow connected with our dead and

1236

00:52:59,329 --> 00:52:56,280

may even be humans in another form

1237

00:53:01,370 --> 00:52:59,339

right because even uh talking with um it

1238

00:53:03,530 --> 00:53:01,380

was Mindy I think we were talking to uh

1239

00:53:05,270 --> 00:53:03,540

Louis and she had mentioned about her

1240

00:53:06,349 --> 00:53:05,280

brain I think she had an aneurysm or

1241

00:53:07,849 --> 00:53:06,359

something

1242

00:53:10,490 --> 00:53:07,859

um and she was talking about her

1243

00:53:12,589 --> 00:53:10,500

Consciousness being the same in her body

1244

00:53:15,170 --> 00:53:12,599

to when she popped out of her body there

1245

00:53:17,089 --> 00:53:15,180

was no difference her Consciousness was

1246

00:53:18,710 --> 00:53:17,099

the same she thought the same way like

1247

00:53:19,609 --> 00:53:18,720

it had nothing to do with her body in

1248

00:53:22,549 --> 00:53:19,619

her mind

1249

00:53:24,650 --> 00:53:22,559

and the more we delve into it I mean

1250

00:53:27,770 --> 00:53:24,660

there's a lot of subjects within the

1251
00:53:29,569 --> 00:53:27,780
study of this phenomenon that seemed

1252
00:53:31,130 --> 00:53:29,579
woo-woo when you first start but then

1253
00:53:32,569 --> 00:53:31,140
the more you talk to people the more

1254
00:53:35,030 --> 00:53:32,579
those people like no you need to look

1255
00:53:37,790 --> 00:53:35,040
into it there's a connection and we're

1256
00:53:40,730 --> 00:53:37,800
finding that more and more now as uh you

1257
00:53:43,430 --> 00:53:40,740
know we're researching this and deeping

1258
00:53:46,490 --> 00:53:43,440
or or I should say digging deeper into

1259
00:53:48,530 --> 00:53:46,500
the phenomenon and how many branches it

1260
00:53:51,950 --> 00:53:48,540
branches out on many different fields of

1261
00:53:53,870 --> 00:53:51,960
study uh as for you because I'm just

1262
00:53:56,150 --> 00:53:53,880
curious now you're uh

1263
00:53:57,829 --> 00:53:56,160

you know getting a little bit older and

1264

00:54:00,290 --> 00:53:57,839

I'm just wondering if your experiences

1265

00:54:02,390 --> 00:54:00,300

with these entities has diminished

1266

00:54:03,890 --> 00:54:02,400

somehow uh because I was speaking with

1267

00:54:05,390 --> 00:54:03,900

some people that were saying that they

1268

00:54:07,190 --> 00:54:05,400

were getting less and less visitations

1269

00:54:08,390 --> 00:54:07,200

as they were getting older that's not

1270

00:54:13,130 --> 00:54:08,400

your case

1271

00:54:16,190 --> 00:54:13,140

not at all I'm heavily engaged and uh as

1272

00:54:18,370 --> 00:54:16,200

far as woo-woo concerned is concerned I

1273

00:54:22,430 --> 00:54:18,380

am Mr woo-woo

1274

00:54:25,370 --> 00:54:22,440

and yet and yet I am describing my

1275

00:54:30,049 --> 00:54:28,549

accurately as accurately as I can I

1276

00:54:32,990 --> 00:54:30,059

would not say

1277

00:54:35,890 --> 00:54:33,000

I would not argue that what I am saying

1278

00:54:40,250 --> 00:54:35,900

and describing is exactly what happened

1279

00:54:43,430 --> 00:54:40,260

but I will argue this it is the best I

1280

00:54:45,230 --> 00:54:43,440

can do in terms of describing my own

1281

00:54:45,970 --> 00:54:45,240

memories

1282

00:54:47,630 --> 00:54:45,980

um

1283

00:54:50,750 --> 00:54:47,640

so

1284

00:54:54,170 --> 00:54:50,760

I think that if when you when you talk

1285

00:54:56,510 --> 00:54:54,180

to Witnesses whose story sound

1286

00:54:58,250 --> 00:54:56,520

very logical and believable and

1287

00:55:00,730 --> 00:54:58,260

reasonable

1288

00:55:03,710 --> 00:55:00,740

you're talking to people who have

1289

00:55:06,710 --> 00:55:03,720

blondered their stories or not telling

1290

00:55:09,829 --> 00:55:06,720

true stories because this is no way is

1291

00:55:12,890 --> 00:55:09,839

it logical believable and reasonable it

1292

00:55:17,210 --> 00:55:12,900

is completely crazy it is unbelievable

1293

00:55:21,190 --> 00:55:17,220

and it is about about as reasonable as a

1294

00:55:24,470 --> 00:55:21,200

as a as a drunk on LSD

1295

00:55:26,270 --> 00:55:24,480

that's the I mean that's the fact great

1296

00:55:28,490 --> 00:55:26,280

an analogy yeah

1297

00:55:31,549 --> 00:55:28,500

yeah and the I think one of the reasons

1298

00:55:33,589 --> 00:55:31,559

I ended up so deep in this is I'm really

1299

00:55:36,230 --> 00:55:33,599

good at describing things that are

1300

00:55:38,809 --> 00:55:36,240

extremely strange my mind does not get

1301

00:55:43,250 --> 00:55:38,819

confused by the strangeness it just

1302

00:55:45,290 --> 00:55:43,260

never has and in them I I show I go into

1303

00:55:48,170 --> 00:55:45,300

an analysis of how the brain actually

1304

00:55:50,390 --> 00:55:48,180

functions and the Brain the human brain

1305

00:55:54,109 --> 00:55:50,400

has a lot of trouble with novel

1306

00:55:56,390 --> 00:55:54,119

experience it will try to shoehorn that

1307

00:55:58,790 --> 00:55:56,400

experience into something it already

1308

00:56:01,069 --> 00:55:58,800

understands and that's how you end up

1309

00:56:04,250 --> 00:56:01,079

with folklore and Imagination and all

1310

00:56:07,250 --> 00:56:04,260

that stuff for whatever reason my my

1311

00:56:10,130 --> 00:56:07,260

gray matter doesn't do that and in the

1312

00:56:13,630 --> 00:56:10,140

book also there is one letter where you

1313

00:56:17,210 --> 00:56:13,640

can see the visitors were trying

1314

00:56:20,569 --> 00:56:17,220

to take this person through an

1315

00:56:23,569 --> 00:56:20,579

experience with them in such a way that

1316

00:56:26,030 --> 00:56:23,579

their brain wouldn't confuse things and

1317

00:56:28,370 --> 00:56:26,040

and that they took it step by step so

1318

00:56:31,490 --> 00:56:28,380

the brain always had something to rely

1319

00:56:33,490 --> 00:56:31,500

on as it as it moved from one level of

1320

00:56:37,309 --> 00:56:33,500

strangeness to the next it was brilliant

1321

00:56:39,589 --> 00:56:37,319

brilliantly done uh so

1322

00:56:41,329 --> 00:56:39,599

you know they're here and they are

1323

00:56:45,290 --> 00:56:41,339

trying to communicate with us and by the

1324

00:56:46,849 --> 00:56:45,300

way there are 11 letters in them not one

1325

00:56:49,730 --> 00:56:46,859

of them is a conventional abduction

1326
00:56:52,130 --> 00:56:49,740
experience because when you go into the

1327
00:56:53,930 --> 00:56:52,140
communion letters archive you find the

1328
00:56:56,809 --> 00:56:53,940
conventional deduction experiences are

1329
00:57:00,410 --> 00:56:56,819
few and far between the actual things

1330
00:57:03,230 --> 00:57:00,420
that are happening to people are much

1331
00:57:04,910 --> 00:57:03,240
much Stranger Than The abduction

1332
00:57:07,309 --> 00:57:04,920
experience

1333
00:57:09,710 --> 00:57:07,319
yeah for me one of the coolest things in

1334
00:57:11,630 --> 00:57:09,720
the quest to try to find proof or to

1335
00:57:13,609 --> 00:57:11,640
have somebody with some type of artifact

1336
00:57:16,130 --> 00:57:13,619
or something is the thought of

1337
00:57:17,930 --> 00:57:16,140
metamaterials and we had Dr Gary Nolan

1338
00:57:20,089 --> 00:57:17,940

on a couple of uh maybe two months ago

1339

00:57:22,910 --> 00:57:20,099

Jay something like this and so I asked

1340

00:57:24,770 --> 00:57:22,920

them about you know Arts Parts uh and I

1341

00:57:26,390 --> 00:57:24,780

know you know all about it but I I

1342

00:57:28,370 --> 00:57:26,400

explained you know this was given from

1343

00:57:31,609 --> 00:57:28,380

Art Bell to Linda Moulton Howe and then

1344

00:57:34,250 --> 00:57:31,619

bought by ttsaa and Gary Nolan and as

1345

00:57:36,470 --> 00:57:34,260

I'm talking he's like rummaging for

1346

00:57:38,569 --> 00:57:36,480

something off camera so I just kept

1347

00:57:40,250 --> 00:57:38,579

asking my question and finally I said

1348

00:57:42,170 --> 00:57:40,260

like what are you doing you better be

1349

00:57:45,349 --> 00:57:42,180

reaching for something and he pulls out

1350

00:57:48,530 --> 00:57:45,359

a piece of that exact magnesium bismuth

1351
00:57:50,990 --> 00:57:48,540
layered atomically engineered material

1352
00:57:53,569 --> 00:57:51,000
and he started to talk about it now I

1353
00:57:55,609 --> 00:57:53,579
know you had a piece of this as well and

1354
00:57:59,089 --> 00:57:55,619
I got a piece right now in my office in

1355
00:58:00,530 --> 00:57:59,099
in uh in California absolutely amazing

1356
00:58:02,809 --> 00:58:00,540
and I've heard you say that you believe

1357
00:58:04,849 --> 00:58:02,819
this is not even from this universe let

1358
00:58:07,089 --> 00:58:04,859
alone from this planet now well no the

1359
00:58:10,309 --> 00:58:07,099
that's not quite accurate

1360
00:58:12,829 --> 00:58:10,319
there was a study done and I could be

1361
00:58:17,329 --> 00:58:12,839
wrong I believe it was by Jacque Valley

1362
00:58:17,950 --> 00:58:17,339
that where they analyzed the the

1363
00:58:21,430 --> 00:58:17,960

um

1364

00:58:25,730 --> 00:58:21,440

uh the uh

1365

00:58:29,390 --> 00:58:25,740

isotopic ratios in some of the material

1366

00:58:31,790 --> 00:58:29,400

and understand it's not just Arts Parts

1367

00:58:34,490 --> 00:58:31,800

when when when the defense department

1368

00:58:37,010 --> 00:58:34,500

says they have no materials

1369

00:58:39,170 --> 00:58:37,020

they're probably not lying because they

1370

00:58:41,329 --> 00:58:39,180

are so screwed up in terms of their

1371

00:58:44,690 --> 00:58:41,339

records especially when it comes with

1372

00:58:46,789 --> 00:58:44,700

this level of classification where 50 or

1373

00:58:50,329 --> 00:58:46,799

more of the of the meetings are are all

1374

00:58:52,430 --> 00:58:50,339

pencils up and at this point in time so

1375

00:58:55,190 --> 00:58:52,440

much of the materials have been farmed

1376

00:58:57,049 --> 00:58:55,200

out into private defense and defense

1377

00:59:00,049 --> 00:58:57,059

contractors that they don't even have

1378

00:59:03,289 --> 00:59:00,059

records of them anymore but in fact

1379

00:59:05,930 --> 00:59:03,299

there's a lot more than Arts Parks Arts

1380

00:59:09,349 --> 00:59:05,940

Parts are just a little handful compared

1381

00:59:14,569 --> 00:59:09,359

to what's available and what's there and

1382

00:59:17,809 --> 00:59:14,579

uh and has been studied and used in uh

1383

00:59:20,870 --> 00:59:17,819

uh in processes that have been been

1384

00:59:23,510 --> 00:59:20,880

developed by US based on the way these

1385

00:59:25,370 --> 00:59:23,520

materials operated and functioned back

1386

00:59:28,670 --> 00:59:25,380

in 1980

1387

00:59:30,829 --> 00:59:28,680

six before I even published communion I

1388

00:59:34,309 --> 00:59:30,839

was trying to get some kind of a handle

1389

00:59:35,870 --> 00:59:34,319

on the materials but on not on the

1390

00:59:37,490 --> 00:59:35,880

materials I didn't know about them at

1391

00:59:39,890 --> 00:59:37,500

the time but on whether or not there was

1392

00:59:43,549 --> 00:59:39,900

any kind of physical evidence of this

1393

00:59:46,069 --> 00:59:43,559

stuff and I Bud Hopkins introduced me to

1394

00:59:49,490 --> 00:59:46,079

Stanton Friedman who in turn introduced

1395

00:59:52,190 --> 00:59:49,500

me to Dr Robert sauerbacher and Dr Sarah

1396

00:59:54,650 --> 00:59:52,200

Barker was a metallurgist a very high

1397

00:59:56,510 --> 00:59:54,660

place metallurgist and he left letters

1398

00:59:59,329 --> 00:59:56,520

on the that are public on the internet

1399

01:00:00,890 --> 00:59:59,339

now he didn't hold with the secrecy and

1400

01:00:03,710 --> 01:00:00,900

he was very Frank about the work he was

1401

01:00:08,030 --> 01:00:03,720

doing and he told me yes we have

1402

01:00:10,130 --> 01:00:08,040

materials and we have used them in in

1403

01:00:12,829 --> 01:00:10,140

all kinds of processes that we've

1404

01:00:18,190 --> 01:00:12,839

developed and improved the creating

1405

01:00:22,010 --> 01:00:18,200

things like super hard metals and uh

1406

01:00:23,990 --> 01:00:22,020

something else I think he said uh super

1407

01:00:27,410 --> 01:00:24,000

durable coatings

1408

01:00:29,569 --> 01:00:27,420

uh he probably would have said radar uh

1409

01:00:31,730 --> 01:00:29,579

deflecting Coatings but he I don't think

1410

01:00:33,890 --> 01:00:31,740

I think that was very classified at the

1411

01:00:36,890 --> 01:00:33,900

time and I don't but he didn't he said

1412

01:00:39,289 --> 01:00:36,900

he deferred to Coatings and then he said

1413

01:00:41,390 --> 01:00:39,299

to me I would like you to write down

1414

01:00:42,829 --> 01:00:41,400

everything that has happened to you and

1415

01:00:45,289 --> 01:00:42,839

send it to me

1416

01:00:46,309 --> 01:00:45,299

uh as soon as you can and gave me his

1417

01:00:49,190 --> 01:00:46,319

address

1418

01:00:50,690 --> 01:00:49,200

and the next day for the first time it

1419

01:00:53,329 --> 01:00:50,700

occurred to me I should write this down

1420

01:00:56,329 --> 01:00:53,339

and I wrote it all down on five or six

1421

01:00:58,609 --> 01:00:56,339

sheets of paper uh typed paper and sent

1422

01:01:02,210 --> 01:00:58,619

it to him overnight

1423

01:01:04,970 --> 01:01:02,220

I got a call from the UPS overnight guy

1424

01:01:07,069 --> 01:01:04,980

the a couple of days later saying

1425

01:01:08,410 --> 01:01:07,079

that he couldn't deliver my parcel

1426

01:01:11,270 --> 01:01:08,420

because the

1427

01:01:14,390 --> 01:01:11,280

the recipient had died

1428

01:01:16,010 --> 01:01:14,400

Dr sauerbacher died the day after we

1429

01:01:19,490 --> 01:01:16,020

talked

1430

01:01:21,410 --> 01:01:19,500

and he said he his family said he died

1431

01:01:23,630 --> 01:01:21,420

of natural causes but I don't know

1432

01:01:25,849 --> 01:01:23,640

whether that was true or not scared The

1433

01:01:28,309 --> 01:01:25,859

Living Daylights out of me

1434

01:01:30,049 --> 01:01:28,319

because at that time I was beginning to

1435

01:01:32,510 --> 01:01:30,059

become aware that there was a lot of

1436

01:01:34,730 --> 01:01:32,520

secrecy involved in this whole thing

1437

01:01:36,890 --> 01:01:34,740

and I thought did someone kill him

1438

01:01:39,770 --> 01:01:36,900

because he's talking too much

1439

01:01:43,250 --> 01:01:39,780

and I know enough about intelligence

1440

01:01:46,789 --> 01:01:43,260

work to know that that does happen and I

1441

01:01:49,130 --> 01:01:46,799

I so when you read communion I refer to

1442

01:01:51,049 --> 01:01:49,140

it all very obliquely not very directly

1443

01:01:53,870 --> 01:01:51,059

because I was scared to

1444

01:01:56,870 --> 01:01:53,880

be more blatant about it I'd tell the

1445

01:02:00,770 --> 01:01:56,880

story in much more detail in them

1446

01:02:05,569 --> 01:02:00,780

anyway we have materials we have been

1447

01:02:07,549 --> 01:02:05,579

studying them for years they have been a

1448

01:02:09,890 --> 01:02:07,559

lot of what has been found has been

1449

01:02:12,349 --> 01:02:09,900

expressed into Private Industry and into

1450

01:02:14,329 --> 01:02:12,359

the defense industry in various ways and

1451
01:02:16,670 --> 01:02:14,339
probably not just by the United States

1452
01:02:20,030 --> 01:02:16,680
probably by other countries as well

1453
01:02:22,490 --> 01:02:20,040
so that is what is real

1454
01:02:24,289 --> 01:02:22,500
and what Gary showed you is quite real

1455
01:02:27,890 --> 01:02:24,299
and what Jacques found on getting back

1456
01:02:31,069 --> 01:02:27,900
to that was that the isotopic ratios in

1457
01:02:32,329 --> 01:02:31,079
some of this material could not exist on

1458
01:02:35,569 --> 01:02:32,339
Earth

1459
01:02:39,770 --> 01:02:35,579
or anywhere in the known universe

1460
01:02:41,030 --> 01:02:39,780
the the ratios were not of this world at

1461
01:02:43,190 --> 01:02:41,040
all

1462
01:02:45,890 --> 01:02:43,200
yeah and I asked Gary that and again

1463
01:02:47,510 --> 01:02:45,900

he's he's a doctor so he has his own you

1464

01:02:49,549 --> 01:02:47,520

know if he can't prove it you can't talk

1465

01:02:51,170 --> 01:02:49,559

about it but I was asking about that and

1466

01:02:53,630 --> 01:02:51,180

I said look if this is supposedly a

1467

01:02:55,069 --> 01:02:53,640

piece of a crash from the 40s obviously

1468

01:02:57,109 --> 01:02:55,079

it was Kept For This many years because

1469

01:02:59,569 --> 01:02:57,119

of its importance the only way and I'm

1470

01:03:01,370 --> 01:02:59,579

not a physicist or you know a scientist

1471

01:03:04,130 --> 01:03:01,380

but the only way you can rearrange

1472

01:03:06,289 --> 01:03:04,140

isotopic ratio is through a particle

1473

01:03:08,510 --> 01:03:06,299

accelerator that didn't exist in the 40s

1474

01:03:10,069 --> 01:03:08,520

and again we wanted to keep it friendly

1475

01:03:12,349 --> 01:03:10,079

and happy we're not in the habit of

1476
01:03:15,530 --> 01:03:12,359
hammering on our guests I sensed there

1477
01:03:17,270 --> 01:03:15,540
was a reluctance to go there and to just

1478
01:03:19,970 --> 01:03:17,280
let's stop talking about this so I just

1479
01:03:22,430 --> 01:03:19,980
said look it to what you know or have

1480
01:03:24,349 --> 01:03:22,440
been told are we in possession of exotic

1481
01:03:26,690 --> 01:03:24,359
materials that did not originate on this

1482
01:03:29,329 --> 01:03:26,700
planet and he threw me a bone and he

1483
01:03:30,410 --> 01:03:29,339
said you know uh I haven't seen it but

1484
01:03:32,870 --> 01:03:30,420
from what I've been told from

1485
01:03:34,910 --> 01:03:32,880
high-ranking people yes so he confirmed

1486
01:03:36,829 --> 01:03:34,920
it in a roundabout way that was good

1487
01:03:39,289 --> 01:03:36,839
enough for me but I just can't get over

1488
01:03:41,329 --> 01:03:39,299

the fact that it's so hard to get that

1489

01:03:43,910 --> 01:03:41,339

out of people like There's no practical

1490

01:03:46,910 --> 01:03:43,920

use for this stuff the way it's layered

1491

01:03:48,710 --> 01:03:46,920

and you know Nano layers thin nobody

1492

01:03:51,230 --> 01:03:48,720

would do that the cost would be so

1493

01:03:53,809 --> 01:03:51,240

astronomical to make a handful of it

1494

01:03:56,270 --> 01:03:53,819

there'd be no practical commercials more

1495

01:03:59,809 --> 01:03:56,280

than the cost the amount of energy

1496

01:04:02,569 --> 01:03:59,819

necessary exactly isotopic ratios in

1497

01:04:03,770 --> 01:04:02,579

that way is immense that's right I don't

1498

01:04:06,230 --> 01:04:03,780

even know that we could do it

1499

01:04:08,049 --> 01:04:06,240

technologically even if we wanted to I

1500

01:04:10,849 --> 01:04:08,059

mean we theoretically it's possible yes

1501
01:04:11,930 --> 01:04:10,859
but I'm I'm not at all sure we could do

1502
01:04:16,609 --> 01:04:11,940
it

1503
01:04:18,349 --> 01:04:16,619
materials aren't from another level of

1504
01:04:21,770 --> 01:04:18,359
reality or Another Universe because

1505
01:04:23,990 --> 01:04:21,780
there's you have to get really deep into

1506
01:04:25,730 --> 01:04:24,000
the cracks of this experience to begin

1507
01:04:29,329 --> 01:04:25,740
to understand it

1508
01:04:34,970 --> 01:04:29,339
and I can never forget the fact that one

1509
01:04:41,809 --> 01:04:38,690
she heard them one of them say we

1510
01:04:47,930 --> 01:04:41,819
rearrange atoms

1511
01:04:49,849 --> 01:04:47,940
can do essentially anything they want

1512
01:04:52,730 --> 01:04:49,859
with the material world

1513
01:04:55,069 --> 01:04:52,740

yeah that statement when I heard her say

1514

01:04:57,109 --> 01:04:55,079

that I thought to myself

1515

01:05:01,549 --> 01:04:57,119

this means

1516

01:05:05,630 --> 01:05:01,559

that they are limitlessly powerful they

1517

01:05:09,650 --> 01:05:05,640

have control over the most fundamental

1518

01:05:13,670 --> 01:05:09,660

level of material reality

1519

01:05:16,970 --> 01:05:13,680

yeah so we can't ever forget that and as

1520

01:05:20,450 --> 01:05:16,980

far as the Bismuth magnesium layering is

1521

01:05:22,670 --> 01:05:20,460

concerned uh we examine that at

1522

01:05:26,710 --> 01:05:22,680

Southwest research many years ago and

1523

01:05:31,430 --> 01:05:26,720

did a 600 power microscopic image of it

1524

01:05:33,829 --> 01:05:31,440

and the layers this foamed magnesium and

1525

01:05:35,650 --> 01:05:33,839

then a layer of bismuth like a sandwich

1526

01:05:38,329 --> 01:05:35,660

with many layers

1527

01:05:40,549 --> 01:05:38,339

and or a layer cake

1528

01:05:42,770 --> 01:05:40,559

and but between the layers it's just

1529

01:05:44,089 --> 01:05:42,780

empty there's no nothing there there's

1530

01:05:46,490 --> 01:05:44,099

no adherent

1531

01:05:49,370 --> 01:05:46,500

so why are they how are they kept

1532

01:05:52,730 --> 01:05:49,380

together yeah it sits in my office right

1533

01:05:55,130 --> 01:05:52,740

now and it's a it's a it's a it's a

1534

01:05:56,930 --> 01:05:55,140

miracle it doesn't it can't exist but

1535

01:05:59,390 --> 01:05:56,940

there it is

1536

01:06:01,789 --> 01:05:59,400

yeah just even the technology of what

1537

01:06:03,670 --> 01:06:01,799

people describe on these ships

1538

01:06:06,470 --> 01:06:03,680

um you know in Hollywood we have we

1539

01:06:08,569 --> 01:06:06,480

fantasize a lot about what aliens are

1540

01:06:11,510 --> 01:06:08,579

like and we put a lot of our own nature

1541

01:06:13,130 --> 01:06:11,520

in the alien nature that they're here

1542

01:06:15,530 --> 01:06:13,140

for our resources they're here you know

1543

01:06:19,130 --> 01:06:15,540

basically invade us the same

1544

01:06:20,329 --> 01:06:19,140

Homo Sapien nature we inflect on them we

1545

01:06:21,950 --> 01:06:20,339

think that they're this is what they

1546

01:06:23,809 --> 01:06:21,960

must be up to because we can't think the

1547

01:06:25,670 --> 01:06:23,819

way that they think right it's an alien

1548

01:06:27,170 --> 01:06:25,680

way of thinking even the experiences

1549

01:06:29,690 --> 01:06:27,180

you're talking about they're alien

1550

01:06:32,210 --> 01:06:29,700

experiences the brain cannot categorize

1551

01:06:34,370 --> 01:06:32,220

it or put it in the box they're foreign

1552

01:06:35,930 --> 01:06:34,380

they're alien to us

1553

01:06:38,029 --> 01:06:35,940

um you were talking about the hybrids

1554

01:06:40,370 --> 01:06:38,039

and the hybrids could be kind of like a

1555

01:06:41,870 --> 01:06:40,380

liaison between our species and their

1556

01:06:45,950 --> 01:06:41,880

species

1557

01:06:49,370 --> 01:06:45,960

might not work but if you have a

1558

01:06:50,809 --> 01:06:49,380

middleman that can be on either side and

1559

01:06:53,329 --> 01:06:50,819

sort of make connections and

1560

01:06:55,069 --> 01:06:53,339

communication communion uh between

1561

01:06:57,289 --> 01:06:55,079

entities

1562

01:06:59,630 --> 01:06:57,299

that makes sense that that sort of

1563

01:07:01,849 --> 01:06:59,640

connection between us and them there's

1564

01:07:03,349 --> 01:07:01,859

got to be a middle guy because otherwise

1565

01:07:05,809 --> 01:07:03,359

it's going to be too foreign too alien

1566

01:07:08,270 --> 01:07:05,819

we won't understand it their technology

1567

01:07:10,849 --> 01:07:08,280

seems simplistic but it's super

1568

01:07:11,690 --> 01:07:10,859

complicated on you know the the quantum

1569

01:07:14,569 --> 01:07:11,700

level

1570

01:07:17,089 --> 01:07:14,579

I take it or leave it Louie and I are

1571

01:07:19,670 --> 01:07:17,099

huge friends of and of the story of Bob

1572

01:07:22,549 --> 01:07:19,680

Lazar and the way he describes about how

1573

01:07:24,349 --> 01:07:22,559

this material looks just mundane but it

1574

01:07:26,510 --> 01:07:24,359

does the most amazing thing and once you

1575

01:07:29,270 --> 01:07:26,520

get down to the molecular level

1576

01:07:31,010 --> 01:07:29,280

it's it's not here we can't do this we

1577

01:07:33,289 --> 01:07:31,020

can't reproduce this and this supposedly

1578

01:07:35,270 --> 01:07:33,299

is old technology so their new

1579

01:07:37,430 --> 01:07:35,280

technology must be a lot scarier more

1580

01:07:39,589 --> 01:07:37,440

impressive and to us would just appear

1581

01:07:41,390 --> 01:07:39,599

as magic we would know the difference

1582

01:07:43,309 --> 01:07:41,400

between

1583

01:07:45,349 --> 01:07:43,319

you know something that looks mundane

1584

01:07:47,510 --> 01:07:45,359

you know

1585

01:07:50,089 --> 01:07:47,520

the little piece I have is Magic it's

1586

01:07:52,910 --> 01:07:50,099

it's it's it's it's adherent but there's

1587

01:07:56,210 --> 01:07:52,920

nothing gluing it together right except

1588

01:07:58,250 --> 01:07:56,220

empty space that's Magic

1589

01:07:59,930 --> 01:07:58,260

um because it it's not magic it's

1590

01:08:03,170 --> 01:07:59,940

something somebody understands but not

1591

01:08:06,349 --> 01:08:03,180

us but let's talk a little bit about

1592

01:08:08,870 --> 01:08:06,359

okay I never say I'm sure they're aliens

1593

01:08:12,410 --> 01:08:08,880

because I'm not but

1594

01:08:14,390 --> 01:08:12,420

let's assume that they are there they're

1595

01:08:17,090 --> 01:08:14,400

as I say visitors and they are someone

1596

01:08:19,130 --> 01:08:17,100

other than us

1597

01:08:21,530 --> 01:08:19,140

and we think to ourselves okay how are

1598

01:08:23,090 --> 01:08:21,540

we going to communicate with them

1599

01:08:25,669 --> 01:08:23,100

now

1600

01:08:28,130 --> 01:08:25,679

on this planet

1601
01:08:31,430 --> 01:08:28,140
there are no such thing as two species

1602
01:08:34,870 --> 01:08:31,440
that can communicate together

1603
01:08:37,490 --> 01:08:34,880
at on each other's

1604
01:08:40,669 --> 01:08:37,500
wavelengths they have to be like the

1605
01:08:44,590 --> 01:08:40,679
dogs and the cats and us and find a

1606
01:08:48,829 --> 01:08:44,600
common ground of signaling to each other

1607
01:08:51,709 --> 01:08:48,839
or and we we have a more a species with

1608
01:08:55,910 --> 01:08:51,719
a much more complex mind the Dolphins

1609
01:08:58,849 --> 01:08:55,920
and we have been we have no idea

1610
01:09:01,849 --> 01:08:58,859
what their language means to them

1611
01:09:05,030 --> 01:09:01,859
we can only speculate about it and this

1612
01:09:07,010 --> 01:09:05,040
is because their brains are constructed

1613
01:09:09,229 --> 01:09:07,020

differently from ours and it's true of

1614

01:09:12,890 --> 01:09:09,239

the dogs and cats too and all the other

1615

01:09:14,870 --> 01:09:12,900

animals or if you look at a mouse and a

1616

01:09:18,650 --> 01:09:14,880

and an elephant

1617

01:09:20,570 --> 01:09:18,660

the mouse cannot hear the elephant

1618

01:09:23,870 --> 01:09:20,580

because its ears won't pick up a sound

1619

01:09:26,390 --> 01:09:23,880

that low the elephant cannot hear the

1620

01:09:29,450 --> 01:09:26,400

mouse because its ears won't pick up a

1621

01:09:31,550 --> 01:09:29,460

sound that high the mouse cannot

1622

01:09:34,370 --> 01:09:31,560

perceive the elephant because it's too

1623

01:09:37,130 --> 01:09:34,380

big the elephant cannot perceive the

1624

01:09:40,789 --> 01:09:37,140

mouse because it's too small

1625

01:09:44,329 --> 01:09:40,799

they are can be side by side and not

1626

01:09:45,769 --> 01:09:44,339

even know one another exists

1627

01:09:48,410 --> 01:09:45,779

now

1628

01:09:49,849 --> 01:09:48,420

if you look at the world around us is

1629

01:09:53,209 --> 01:09:49,859

like that

1630

01:09:55,970 --> 01:09:53,219

now aliens from another planet who were

1631

01:09:58,250 --> 01:09:55,980

evolved in a different star system

1632

01:10:01,910 --> 01:09:58,260

perhaps with different light uh

1633

01:10:05,030 --> 01:10:01,920

wavelengths of light a whole different

1634

01:10:07,310 --> 01:10:05,040

ecology everything different from this

1635

01:10:08,990 --> 01:10:07,320

are gonna have radically different

1636

01:10:11,209 --> 01:10:09,000

brains

1637

01:10:12,890 --> 01:10:11,219

they're not going to be even close to

1638

01:10:15,169 --> 01:10:12,900

mammal brains they're going to be brains

1639

01:10:18,110 --> 01:10:15,179

that are very different from ours and

1640

01:10:20,810 --> 01:10:18,120

their whole perceptual process is going

1641

01:10:22,729 --> 01:10:20,820

to be completely different from ours and

1642

01:10:25,550 --> 01:10:22,739

you can see in this in the communion

1643

01:10:28,490 --> 01:10:25,560

letters the efforts they are making to

1644

01:10:30,229 --> 01:10:28,500

communicate are when they try this

1645

01:10:31,729 --> 01:10:30,239

they're not all they don't always try

1646

01:10:33,110 --> 01:10:31,739

this they don't want to communicate in

1647

01:10:35,930 --> 01:10:33,120

many cases

1648

01:10:37,970 --> 01:10:35,940

but with like this it's very difficult

1649

01:10:40,370 --> 01:10:37,980

and we have to you know when you hear

1650

01:10:42,590 --> 01:10:40,380

all these things that people are mistake

1651

01:10:45,110 --> 01:10:42,600

well they told me this they told me that

1652

01:10:47,630 --> 01:10:45,120

come on I mean let's let's be real here

1653

01:10:50,750 --> 01:10:47,640

we may not we may think they told us

1654

01:10:54,169 --> 01:10:50,760

things but we I mean they may not know

1655

01:10:57,590 --> 01:10:54,179

how we understood what they communicated

1656

01:10:58,970 --> 01:10:57,600

and we probably will not know what they

1657

01:11:01,910 --> 01:10:58,980

thought they were communicating either

1658

01:11:03,830 --> 01:11:01,920

the Gap is going to be too great

1659

01:11:06,169 --> 01:11:03,840

and that's where we are with this right

1660

01:11:07,970 --> 01:11:06,179

now there's something here something's

1661

01:11:10,790 --> 01:11:07,980

going on with the gap between us is so

1662

01:11:12,110 --> 01:11:10,800

great we can't really pin down what the

1663

01:11:14,390 --> 01:11:12,120

heck it is

1664

01:11:16,070 --> 01:11:14,400

that's really well said that that kind

1665

01:11:19,189 --> 01:11:16,080

of strings it all together and fills in

1666

01:11:21,169 --> 01:11:19,199

a lot of gaps even myself otherwise yeah

1667

01:11:22,850 --> 01:11:21,179

and I wanted to ask you about sort of

1668

01:11:25,250 --> 01:11:22,860

the same kind of question involving the

1669

01:11:26,750 --> 01:11:25,260

beings but more in terms of craft a lot

1670

01:11:28,490 --> 01:11:26,760

of people have said it's impractical

1671

01:11:30,830 --> 01:11:28,500

even if they are you know on another

1672

01:11:32,689 --> 01:11:30,840

planet they're gonna do what we do and

1673

01:11:35,090 --> 01:11:32,699

again maybe this is just using the human

1674

01:11:37,669 --> 01:11:35,100

brain to think like a human but we would

1675

01:11:40,669 --> 01:11:37,679

probably send probes or craft or AI

1676

01:11:42,830 --> 01:11:40,679

rather than creatures in a in a ship

1677

01:11:46,430 --> 01:11:42,840

initially so what are your thoughts on

1678

01:11:50,030 --> 01:11:46,440

the fact that some UAP may just be AI

1679

01:11:53,030 --> 01:11:50,040

Bots maybe Grays potentially could be

1680

01:11:55,130 --> 01:11:53,040

some type of AI with a bit of you know

1681

01:11:57,830 --> 01:11:55,140

genetics mixed in what are your thoughts

1682

01:12:00,110 --> 01:11:57,840

on the whole AI phenomenon as it

1683

01:12:02,270 --> 01:12:00,120

pertains to UAP

1684

01:12:04,189 --> 01:12:02,280

I don't think there's I don't know of

1685

01:12:07,610 --> 01:12:04,199

any connection I mean AI is a big

1686

01:12:11,209 --> 01:12:07,620

buzzword right now but uh I have no idea

1687

01:12:14,450 --> 01:12:11,219

what that may mean all I can say is that

1688

01:12:16,550 --> 01:12:14,460

I once had a very profound physical

1689

01:12:18,189 --> 01:12:16,560

experience with one of them

1690

01:12:20,689 --> 01:12:18,199

who made

1691

01:12:22,490 --> 01:12:20,699

three sounds

1692

01:12:24,410 --> 01:12:22,500

prize

1693

01:12:25,850 --> 01:12:24,420

and they were

1694

01:12:27,950 --> 01:12:25,860

the most

1695

01:12:28,970 --> 01:12:27,960

emotionally Rich sounds I have ever

1696

01:12:31,070 --> 01:12:28,980

heard

1697

01:12:34,070 --> 01:12:31,080

they were also the most precisely

1698

01:12:38,149 --> 01:12:34,080

delivered sounds I have ever heard the

1699

01:12:40,189 --> 01:12:38,159

Precision was almost Supernatural in its

1700

01:12:42,890 --> 01:12:40,199

effect on me and I know that sounds

1701

01:12:45,410 --> 01:12:42,900

weird because but you know we don't have

1702

01:12:46,250 --> 01:12:45,420

Precision like that of any kind in our

1703

01:12:49,990 --> 01:12:46,260

world

1704

01:12:53,510 --> 01:12:50,000

and it was so profoundly

1705

01:12:56,090 --> 01:12:53,520

moving and so shocking that I love

1706

01:12:58,370 --> 01:12:56,100

classical music and it took me a year to

1707

01:13:00,830 --> 01:12:58,380

be able to listen to a great string

1708

01:13:03,649 --> 01:13:00,840

quartet again because it all sounded

1709

01:13:06,709 --> 01:13:03,659

money muddy after the few seconds of

1710

01:13:10,030 --> 01:13:06,719

those three cries it was unbelievable

1711

01:13:13,189 --> 01:13:10,040

but you have two things here you have

1712

01:13:15,610 --> 01:13:13,199

enormous emotional resonance

1713

01:13:19,550 --> 01:13:15,620

and you have

1714

01:13:21,709 --> 01:13:19,560

extraordinary machine-like precision

1715

01:13:25,669 --> 01:13:21,719

so what was I listening to

1716

01:13:27,530 --> 01:13:25,679

what was there was that essentially a

1717

01:13:30,770 --> 01:13:27,540

perfect machine

1718

01:13:33,410 --> 01:13:30,780

what was it or was it a living creature

1719

01:13:37,729 --> 01:13:33,420

so precisely organized that it was

1720

01:13:40,910 --> 01:13:37,739

something like a a machine on a higher

1721

01:13:44,090 --> 01:13:40,920

level of being because the combination

1722

01:13:46,790 --> 01:13:44,100

of super powerful emotional resonance

1723

01:13:51,110 --> 01:13:46,800

and absolute perfection

1724

01:13:53,350 --> 01:13:51,120

uh makes it sound like a super conscious

1725

01:13:56,030 --> 01:13:53,360

machine

1726

01:13:57,530 --> 01:13:56,040

lately we're gonna let you go here

1727

01:13:59,570 --> 01:13:57,540

shortly we know it's getting late where

1728

01:14:01,669 --> 01:13:59,580

you're at uh right now but uh we have a

1729

01:14:03,530 --> 01:14:01,679

question from Michael Allens which was a

1730

01:14:05,630 --> 01:14:03,540

guest we've had on recently he's an

1731

01:14:07,370 --> 01:14:05,640

experiencer and he's actually where you

1732

01:14:10,729 --> 01:14:07,380

are right now he's in uh he's in England

1733

01:14:13,010 --> 01:14:10,739

that's where he resides and uh he was

1734

01:14:15,530 --> 01:14:13,020

he's asked the question on Instagram he

1735

01:14:17,510 --> 01:14:15,540

says what is Whitley's opinion on how

1736

01:14:22,070 --> 01:14:17,520

the visitors telepathic communication

1737

01:14:24,709 --> 01:14:22,080

work is it biological or something else

1738

01:14:27,590 --> 01:14:24,719

uh I don't know the answer I I've

1739

01:14:29,990 --> 01:14:27,600

experienced it somewhat and uh I will

1740

01:14:32,149 --> 01:14:30,000

say this though there's something more

1741

01:14:34,430 --> 01:14:32,159

than I've experienced telepathic

1742

01:14:35,870 --> 01:14:34,440

communication once that sounded like a

1743

01:14:39,050 --> 01:14:35,880

radio in my head

1744

01:14:40,669 --> 01:14:39,060

and I've speculate in them about how

1745

01:14:43,010 --> 01:14:40,679

that probably works it probably has

1746

01:14:45,709 --> 01:14:43,020

something to do with microwaves and

1747

01:14:48,290 --> 01:14:45,719

because you can induce sounds in a in a

1748

01:14:51,169 --> 01:14:48,300

brain with microwaves fairly easily and

1749

01:14:53,750 --> 01:14:51,179

I don't think it's too far from being

1750

01:14:57,470 --> 01:14:53,760

able to do that to being able to uh

1751

01:15:00,169 --> 01:14:57,480

generate words in the brain

1752

01:15:03,470 --> 01:15:00,179

um so but but there's another level of

1753

01:15:05,450 --> 01:15:03,480

it which I think is very very important

1754

01:15:09,050 --> 01:15:05,460

to understand and fairly pernicious

1755

01:15:11,630 --> 01:15:09,060

which is the ability to project thoughts

1756

01:15:15,050 --> 01:15:11,640

into someone's brain that they don't

1757

01:15:17,330 --> 01:15:15,060

know aren't their own and one of the

1758

01:15:18,530 --> 01:15:17,340

things being close to the hybrids excuse

1759

01:15:27,290 --> 01:15:18,540

me

1760

01:15:29,810 --> 01:15:27,300

taste of what it's like to know that

1761

01:15:32,450 --> 01:15:29,820

it's someone else's mind touching your

1762

01:15:34,370 --> 01:15:32,460

mind and I'm really sensitive to that

1763

01:15:35,689 --> 01:15:34,380

now and I have had it happen a few times

1764

01:15:38,810 --> 01:15:35,699

since

1765

01:15:41,209 --> 01:15:38,820

but I think most people would have no

1766

01:15:44,209 --> 01:15:41,219

idea that their mind was being entered

1767

01:15:47,510 --> 01:15:44,219

by another mind and I think that mind

1768

01:15:49,250 --> 01:15:47,520

control would be quite easy for them and

1769

01:15:51,290 --> 01:15:49,260

I sometimes wonder if they aren't

1770

01:15:55,550 --> 01:15:51,300

playing a game with us

1771

01:15:57,770 --> 01:15:55,560

and that like all of our politicians

1772

01:16:01,430 --> 01:15:57,780

are their control and people keep doing

1773

01:16:03,050 --> 01:16:01,440

crazy things like Hitler or Putin or you

1774

01:16:05,450 --> 01:16:03,060

know the things that just you seem to

1775

01:16:08,410 --> 01:16:05,460

make no sense whatsoever and are

1776

01:16:11,390 --> 01:16:08,420

terribly negative and other people do

1777

01:16:14,149 --> 01:16:11,400

extraordinary things and very positive

1778

01:16:16,250 --> 01:16:14,159

things and you have to wonder

1779

01:16:18,770 --> 01:16:16,260

Where We Are

1780

01:16:20,570 --> 01:16:18,780

and we'll close with this in the larger

1781

01:16:24,950 --> 01:16:20,580

scheme of things

1782

01:16:27,590 --> 01:16:24,960

are we independent entities

1783

01:16:29,390 --> 01:16:27,600

pieces on a chessboard

1784

01:16:30,950 --> 01:16:29,400

or something

1785

01:16:33,950 --> 01:16:30,960

else

1786

01:16:35,990 --> 01:16:33,960

that we ourselves have not yet fully

1787

01:16:37,850 --> 01:16:36,000

understood

1788

01:16:40,610 --> 01:16:37,860

I think let's leave it there

1789

01:16:42,290 --> 01:16:40,620

is the ultimate question uh your latest

1790

01:16:43,850 --> 01:16:42,300

book is called van Whitley where can

1791

01:16:45,290 --> 01:16:43,860

people find your book and where can they

1792

01:16:46,910 --> 01:16:45,300

learn more about you if they want to

1793

01:16:48,770 --> 01:16:46,920

follow your work

1794

01:16:51,590 --> 01:16:48,780

well it's pretty easy they can find my

1795

01:16:54,470 --> 01:16:51,600

book on Amazon it's on it's in Kindle in

1796

01:16:56,390 --> 01:16:54,480

paperback and hardcover probably find it

1797

01:16:59,390 --> 01:16:56,400

on Barnes and Noble and other sites in

1798

01:17:01,490 --> 01:16:59,400

paperback and hardcover and it is

1799

01:17:05,330 --> 01:17:01,500

available as an audio book from Amazon

1800

01:17:08,270 --> 01:17:05,340

or audible or Apple Books nice Whitley

1801
01:17:10,310 --> 01:17:08,280
was there so we can I read it we could

1802
01:17:11,510 --> 01:17:10,320
be uh you know talking about this for a

1803
01:17:13,310 --> 01:17:11,520
whole weekend with you and probably

1804
01:17:15,530 --> 01:17:13,320
still haven't scratched the surface of

1805
01:17:17,450 --> 01:17:15,540
this phenomenon but again I want to say

1806
01:17:19,370 --> 01:17:17,460
a huge thank you uh not only from UAP

1807
01:17:21,590 --> 01:17:19,380
studies podcast but to all the listeners

1808
01:17:23,570 --> 01:17:21,600
and supporters that you have out there I

1809
01:17:25,910 --> 01:17:23,580
know you don't get to meet you yeah you

1810
01:17:27,950 --> 01:17:25,920
don't get to meet everybody but you're a

1811
01:17:30,709 --> 01:17:27,960
Pioneer in this field of study along

1812
01:17:33,830 --> 01:17:30,719
with a few other Giants and we really do

1813
01:17:35,990 --> 01:17:33,840

appreciate your work and thank you very

1814

01:17:37,850 --> 01:17:36,000

much for having me on and yeah you guys

1815

01:17:39,950 --> 01:17:37,860

are a lot younger than I am and thank

1816

01:17:42,530 --> 01:17:39,960

God keep the ball rolling because it's

1817

01:17:43,850 --> 01:17:42,540

going to be in your work very soon we

1818

01:17:45,410 --> 01:17:43,860

appreciate it carry that torch for you

1819

01:17:47,750 --> 01:17:45,420

anytime Whitley we'd love to have you

1820

01:17:48,770 --> 01:17:47,760

back again and uh let's turn it over to

1821

01:17:50,870 --> 01:17:48,780

our viewers what did you think of

1822

01:17:53,390 --> 01:17:50,880

today's episode good bad and different

1823

01:17:55,189 --> 01:17:53,400

let us know we love our feedback and

1824

01:17:57,050 --> 01:17:55,199

again big thanks to Mr Whitley strieber

1825

01:17:59,390 --> 01:17:57,060

you're a busy guy you're weathering a

1826
