

UAP STUDIES PODCAST

**KATIE
PAIGE
INVESTIGATES**

1
00:00:04,010 --> 00:00:01,790
hey everybody hope you're having a great

2
00:00:06,470 --> 00:00:04,020
day today uh we're gonna delve into a

3
00:00:09,110 --> 00:00:06,480
little-known ranch that is basically the

4
00:00:10,910 --> 00:00:09,120
Skinwalker Ranch of Colorado and this

5
00:00:13,009 --> 00:00:10,920
was news to me Jay have you ever heard

6
00:00:15,110 --> 00:00:13,019
of this place heard about it a little

7
00:00:16,970 --> 00:00:15,120
bit when we we spoke with Chuck not too

8
00:00:19,670 --> 00:00:16,980
long ago but I'm not really familiar

9
00:00:21,769 --> 00:00:19,680
with the Colorado aspect of this so it's

10
00:00:23,450 --> 00:00:21,779
it's amazing that this phenomenon is

11
00:00:25,849 --> 00:00:23,460
taking place at other locations as well

12
00:00:28,009 --> 00:00:25,859
yeah and uh phenomenon list is very

13
00:00:29,990 --> 00:00:28,019

similar to Skinwalker Ranch where you

14

00:00:31,849 --> 00:00:30,000

know it's not just lights or craft

15

00:00:35,090 --> 00:00:31,859

there's Cryptids there's balls of light

16

00:00:37,010 --> 00:00:35,100

you know Bigfoot crop circles people

17

00:00:38,630 --> 00:00:37,020

reporting hitchhiker effect and we know

18

00:00:40,190 --> 00:00:38,640

that you know the Skinwalker Ranch is

19

00:00:41,990 --> 00:00:40,200

not limited to this phenomena either

20

00:00:44,330 --> 00:00:42,000

right the whole you into Basin is a hot

21

00:00:46,430 --> 00:00:44,340

spot we chatted with Avery Tafoya and

22

00:00:49,130 --> 00:00:46,440

the Hickory Apache nationland they're

23

00:00:51,290 --> 00:00:49,140

seeing it so this is quite common

24

00:00:53,330 --> 00:00:51,300

um but we asked Katie to bring us you

25

00:00:55,430 --> 00:00:53,340

know some video and some imagery which

26

00:00:57,170 --> 00:00:55,440

will be pretty cool to help kind of uh

27

00:00:59,209 --> 00:00:57,180

explain it a little better and I think

28

00:01:01,250 --> 00:00:59,219

Linda Moulton house started this in the

29

00:01:04,009 --> 00:01:01,260

70s with her reporting of Colorado

30

00:01:05,630 --> 00:01:04,019

cattle mutilation pioneering she's just

31

00:01:06,950 --> 00:01:05,640

passing clearly yeah and we're chatting

32

00:01:09,469 --> 00:01:06,960

with her soon enough too and we're going

33

00:01:12,469 --> 00:01:09,479

to ask her about that so Katie page is a

34

00:01:14,510 --> 00:01:12,479

member of mufon she's a podcast host

35

00:01:16,370 --> 00:01:14,520

presenter she's going to be a contact in

36

00:01:18,649 --> 00:01:16,380

the desert wealth of information really

37

00:01:22,010 --> 00:01:18,659

intelligent well spoken lady yeah yeah

38

00:01:23,450 --> 00:01:22,020

44

00:01:34,310 --> 00:01:32,520

corner of your screen it does make a

45

00:01:36,649 --> 00:01:34,320

difference we have so many comments from

46

00:01:38,210 --> 00:01:36,659

people saying I wish I found you sooner

47

00:01:40,490 --> 00:01:38,220

I was looking for just this kind of

48

00:01:43,010 --> 00:01:40,500

content and we do our best to bring you

49

00:01:45,710 --> 00:01:43,020

50

00:01:48,530 --> 00:01:45,720

and we weed out the fluff so we don't do

51
00:01:50,149 --> 00:01:48,540
the woo we're science and fact based but

52
00:01:52,190 --> 00:01:50,159

00:01:53,450 --> 00:01:52,200

feedback so with that we're going to get

59
00:02:06,469 --> 00:02:04,560
Katie page from mufon here and uh let's

60
00:02:12,550 --> 00:02:06,479
roll the music Jay let's do this I'm

61
00:02:32,570 --> 00:02:22,970
[Music]

62
00:02:36,410 --> 00:02:34,430
welcome back to another episode of UAP

63
00:02:38,210 --> 00:02:36,420

studies podcast my name is Louis Borges

64
00:02:40,670 --> 00:02:38,220
joining me as always my best buddy Jason

65
00:02:42,890 --> 00:02:40,680
Gilman hey how's it going going good

66
00:02:45,050 --> 00:02:42,900
it's uh it's been a cool week we've put

67
00:02:47,270 --> 00:02:45,060
out a lot of episodes and it's been

68
00:02:49,009 --> 00:02:47,280
super busy cattle mutilation talk and

69
00:02:51,170 --> 00:02:49,019
all kinds of you know Arrow hearing was

70
00:02:52,550 --> 00:02:51,180
a couple weeks ago and so we wanted to

71
00:02:54,890 --> 00:02:52,560
bring a friend of our show back on again

72
00:02:56,570 --> 00:02:54,900
uh Katie page for those who don't know

73
00:02:58,670 --> 00:02:56,580
Katie is an author and investigator

74
00:03:01,729 --> 00:02:58,680
she's the mufon state director in

75
00:03:03,949 --> 00:03:01,739
Colorado a host of mufon what's up radio

76

00:03:06,830 --> 00:03:03,959

show she's appeared on coast to coast

77

00:03:08,990 --> 00:03:06,840

and she's also writing a new book her

78

00:03:11,449 --> 00:03:09,000

first book was letters of love and light

79

00:03:13,729 --> 00:03:11,459

four Decades of UFO encounters and now

80

00:03:15,649 --> 00:03:13,739

her new book is a high strangeness on a

81

00:03:17,809 --> 00:03:15,659

Colorado Ranch so she's going to show us

82

00:03:19,850 --> 00:03:17,819

some cool video and some articles and

83

00:03:21,890 --> 00:03:19,860

correspondence about this essentially

84

00:03:24,649 --> 00:03:21,900

this is the Skinwalker Ranch of Colorado

85

00:03:26,809 --> 00:03:24,659

and uh I think that it needs to be more

86

00:03:28,729 --> 00:03:26,819

well known so welcome to the show Katie

87

00:03:30,290 --> 00:03:28,739

it's great to have you thank you so much

88

00:03:32,390 --> 00:03:30,300

for having me it's a pleasure to be here

89

00:03:33,770 --> 00:03:32,400

yeah we uh I think we've been chatting

90

00:03:35,990 --> 00:03:33,780

with quite a few move-on people lately

91

00:03:37,670 --> 00:03:36,000

we're uh questions member we're always

92

00:03:38,869 --> 00:03:37,680

supportive we encourage people to get

93

00:03:40,850 --> 00:03:38,879

involved

94

00:03:42,830 --> 00:03:40,860

um you know there's good and bad and uh

95

00:03:45,589 --> 00:03:42,840

everybody's opinion right some show slam

96

00:03:47,930 --> 00:03:45,599

mufon we're promo fun you know without

97

00:03:49,369 --> 00:03:47,940

mufon what would we have just oh the

98

00:03:51,289 --> 00:03:49,379

German and arrow and I don't want to

99

00:03:52,550 --> 00:03:51,299

think about that so yeah right you know

100

00:03:55,309 --> 00:03:52,560

there's there's a lot of great

101
00:03:57,890 --> 00:03:55,319
hard-working Volunteers in Colorado and

102
00:03:58,670 --> 00:03:57,900
you know Colorado uh Arizona so many

103
00:04:03,350 --> 00:03:58,680
states

104
00:04:05,030 --> 00:04:03,360
in need of State directors and in their

105
00:04:06,289 --> 00:04:05,040
fund groups so

106
00:04:08,449 --> 00:04:06,299
um if you're interested in that always

107
00:04:10,610 --> 00:04:08,459
reach out you can find your local States

108
00:04:12,710 --> 00:04:10,620
and chapters on mufon.com but you know

109
00:04:15,110 --> 00:04:12,720
we are we're all just volunteers and we

110
00:04:17,569 --> 00:04:15,120
all have a passion like-minded people we

111
00:04:20,270 --> 00:04:17,579
meet every other Saturday

112
00:04:22,550 --> 00:04:20,280
um of every month once a month and we

113
00:04:24,290 --> 00:04:22,560

bring in speakers and it's just you know

114

00:04:26,030 --> 00:04:24,300

it's a good organization I've always

115

00:04:28,189 --> 00:04:26,040

enjoyed being a part of mufon and I like

116

00:04:31,010 --> 00:04:28,199

their scientific lean as well and think

117

00:04:33,590 --> 00:04:31,020

that's important history documents all

118

00:04:35,689 --> 00:04:33,600

that super important in this field yeah

119

00:04:37,310 --> 00:04:35,699

sure so tell us a bit about yourself and

120

00:04:39,770 --> 00:04:37,320

what got you interested in the field of

121

00:04:41,510 --> 00:04:39,780

ufology to begin with yeah like so many

122

00:04:43,189 --> 00:04:41,520

people I think you know when we're young

123

00:04:45,469 --> 00:04:43,199

we're growing up and we have unusual

124

00:04:47,749 --> 00:04:45,479

things that occur to us both you know

125

00:04:50,330 --> 00:04:47,759

both in ufology and in the Paranormal

126

00:04:53,210 --> 00:04:50,340

world you know we question those things

127

00:04:55,310 --> 00:04:53,220

and and like so many people you know you

128

00:04:57,290 --> 00:04:55,320

go through school you get married have

129

00:04:59,150 --> 00:04:57,300

children go through college work your

130

00:05:00,650 --> 00:04:59,160

degrees and those things that happen

131

00:05:03,469 --> 00:05:00,660

were kind of always in the back of my

132

00:05:06,110 --> 00:05:03,479

mind left unresolved and really kind of

133

00:05:08,930 --> 00:05:06,120

got interested in Ghost Hunters way back

134

00:05:10,310 --> 00:05:08,940

in like the late 90s and uh wondered all

135

00:05:11,930 --> 00:05:10,320

about those paranormal encounters

136

00:05:14,689 --> 00:05:11,940

because I had a lot of that go on as

137

00:05:16,850 --> 00:05:14,699

well in the family in the house and it's

138

00:05:19,310 --> 00:05:16,860

watching a documentary that I heard

139

00:05:21,170 --> 00:05:19,320

about mufon for the first time and I

140

00:05:23,210 --> 00:05:21,180

recalled all these unusual things that

141

00:05:25,370 --> 00:05:23,220

occurred on a ranch in Colorado and I'm

142

00:05:27,230 --> 00:05:25,380

like you know what I think I'll become a

143

00:05:29,330 --> 00:05:27,240

field investigator so when I joined and

144

00:05:32,330 --> 00:05:29,340

entered into mufon I came right in as a

145

00:05:33,830 --> 00:05:32,340

field investigator and Doug Wilson was

146

00:05:36,129 --> 00:05:33,840

the state director at the time and he

147

00:05:38,689 --> 00:05:36,139

was such a great awesome Mentor

148

00:05:40,909 --> 00:05:38,699

so many people actually with him mufan

149

00:05:43,550 --> 00:05:40,919

mentored me and trained me and and that

150

00:05:46,490 --> 00:05:43,560

and really I kind of joined for selfish

151

00:05:48,409 --> 00:05:46,500

reasons just to investigate the ranch

152

00:05:50,210 --> 00:05:48,419

and and what all that was about because

153

00:05:53,749 --> 00:05:50,220

so many things happened out there I mean

154

00:05:56,330 --> 00:05:53,759

this was from the years 1975 to 1978

155

00:05:58,129 --> 00:05:56,340

Linda Moulton Howe at the time was an

156

00:05:59,930 --> 00:05:58,139

investigative journalist out here in

157

00:06:01,550 --> 00:05:59,940

Colorado and there was this rash of

158

00:06:03,469 --> 00:06:01,560

mutilations which by the way they're

159

00:06:07,370 --> 00:06:03,479

amping up again

160

00:06:09,529 --> 00:06:07,380

um and so it kind of started there and

161

00:06:12,110 --> 00:06:09,539

what I really would like the listeners

162

00:06:14,150 --> 00:06:12,120

to understand is both my mom my sister

163

00:06:15,650 --> 00:06:14,160

and I my older sister and I we were

164

00:06:18,050 --> 00:06:15,660

threatened and were never to talk about

165

00:06:20,150 --> 00:06:18,060

what happened out there we never knew

166

00:06:22,430 --> 00:06:20,160

anybody investigated it we never knew

167

00:06:24,590 --> 00:06:22,440

anybody knew anything about it it was

168

00:06:25,510 --> 00:06:24,600

just like this family secret this heavy

169

00:06:28,610 --> 00:06:25,520

thing

170

00:06:31,029 --> 00:06:28,620

and also until skinwalkers at the

171

00:06:32,749 --> 00:06:31,039

Pentagon came out I kind of

172

00:06:35,330 --> 00:06:32,759

compartmentalized all these different

173

00:06:37,490 --> 00:06:35,340

phenomenon the blue orbs the Paranormal

174

00:06:39,650 --> 00:06:37,500

things the the lucid dreaming the

175

00:06:40,969 --> 00:06:39,660

psychic kind of stuff the UFO stuff and

176

00:06:43,390 --> 00:06:40,979

I put them all in these separate little

177

00:06:46,370 --> 00:06:43,400

boxes the Sasquatch sightings all this

178

00:06:48,710 --> 00:06:46,380

and it wasn't really until they opened

179

00:06:51,110 --> 00:06:48,720

that all up and you know even Jacques

180

00:06:54,050 --> 00:06:51,120

valet talks about you know there's this

181

00:06:56,150 --> 00:06:54,060

is a much deeper subject than you know

182

00:06:59,330 --> 00:06:56,160

we're all led to believe like these are

183

00:07:02,330 --> 00:06:59,340

all intertwined and interconnected and

184

00:07:04,969 --> 00:07:02,340

that's really what keeps me going and to

185

00:07:07,909 --> 00:07:04,979

try and find these answers like so many

186

00:07:09,890 --> 00:07:07,919

and it's a it's an in-depth a thing

187

00:07:11,990 --> 00:07:09,900

Louie and I you know the more we do this

188

00:07:15,050 --> 00:07:12,000

podcast we mentioned it several times

189

00:07:17,749 --> 00:07:15,060

now but it it is almost like a

190

00:07:20,930 --> 00:07:17,759

university course just to understand the

191

00:07:22,249 --> 00:07:20,940

basics of what's involved in ufology and

192

00:07:24,350 --> 00:07:22,259

each

193

00:07:27,290 --> 00:07:24,360

different topic requires different

194

00:07:30,170 --> 00:07:27,300

experts different qualifications to be

195

00:07:32,689 --> 00:07:30,180

able to solve that and even so true and

196

00:07:35,570 --> 00:07:32,699

it intertwines with daily life as well

197

00:07:36,710 --> 00:07:35,580

because only does it impact people uh if

198

00:07:38,330 --> 00:07:36,720

you know it turns out that the

199

00:07:41,629 --> 00:07:38,340

government does one day come out and say

200

00:07:44,270 --> 00:07:41,639

hey these things are actually happening

201
00:07:45,589 --> 00:07:44,280
because even Katie Louie and I were

202
00:07:48,230 --> 00:07:45,599
talking about that long ago we're saying

203
00:07:49,730 --> 00:07:48,240
that if the government admits that these

204
00:07:52,010 --> 00:07:49,740
objects are in their skies and most

205
00:07:53,330 --> 00:07:52,020
likely they're non-human that means all

206
00:07:56,390 --> 00:07:53,340
the other topics that we've been

207
00:07:58,969 --> 00:07:56,400
covering as ufologists for however long

208
00:08:00,589 --> 00:07:58,979
are valid as well or will become valid

209
00:08:02,510 --> 00:08:00,599
at some point too they'll have to come

210
00:08:04,670 --> 00:08:02,520
out and say yes the abduction phenomenon

211
00:08:07,189 --> 00:08:04,680
is a possibility yes the cattle

212
00:08:09,710 --> 00:08:07,199
mutilation is a possibility and bullet

213
00:08:11,510 --> 00:08:09,720

point after bullet point right so true

214

00:08:14,029 --> 00:08:11,520

and you bring up such a good point I

215

00:08:16,070 --> 00:08:14,039

mean I mean here in my my library I

216

00:08:18,050 --> 00:08:16,080

can't really see it but all around me is

217

00:08:20,170 --> 00:08:18,060

just loaded with books and old magazines

218

00:08:24,050 --> 00:08:20,180

and you can literally spend a lifetime

219

00:08:26,270 --> 00:08:24,060

just going back and reading and getting

220

00:08:28,790 --> 00:08:26,280

caught up on all the Pioneers that came

221

00:08:30,529 --> 00:08:28,800

before us and you know in writing that

222

00:08:34,130 --> 00:08:30,539

book Letters of love and light the four

223

00:08:36,889 --> 00:08:34,140

Decades of UFO encounters um that were

224

00:08:38,870 --> 00:08:36,899

sent to our Leo sprinkle PhD who was a

225

00:08:41,269 --> 00:08:38,880

Pioneer in the field for contact these

226

00:08:44,089 --> 00:08:41,279

abductees and past life regression now

227

00:08:46,850 --> 00:08:44,099

out of Laramie Wyoming he I learned

228

00:08:49,070 --> 00:08:46,860

through George Knapp and Kelly hers book

229

00:08:51,050 --> 00:08:49,080

hunt for the skinwalker he was actually

230

00:08:52,910 --> 00:08:51,060

out on the Albert County Ranch property

231

00:08:55,130 --> 00:08:52,920

as one of the investigators along with

232

00:08:57,850 --> 00:08:55,140

two other phds Peter Van Arsdale and

233

00:09:00,170 --> 00:08:57,860

John Derr PhD he was a seismologist

234

00:09:02,030 --> 00:09:00,180

so to learn that there were actually

235

00:09:04,130 --> 00:09:02,040

people investigating this property was

236

00:09:07,370 --> 00:09:04,140

mind-blowing to me but what I learned in

237

00:09:08,690 --> 00:09:07,380

writing that book was in Reading letters

238

00:09:10,190 --> 00:09:08,700

from people all around the world and

239

00:09:11,870 --> 00:09:10,200

getting to read Dr sprinkle's

240

00:09:14,329 --> 00:09:11,880

correspondence with other Professionals

241

00:09:16,130 --> 00:09:14,339

in the field it's like oh my gosh we're

242

00:09:18,829 --> 00:09:16,140

always constantly Reinventing the wheel

243

00:09:20,750 --> 00:09:18,839

like when I think like oh my gosh this

244

00:09:22,310 --> 00:09:20,760

is the new discovery no it's not they

245

00:09:23,870 --> 00:09:22,320

were like talking about it in the 60s

246

00:09:27,290 --> 00:09:23,880

and I think that's the beauty of these

247

00:09:29,210 --> 00:09:27,300

podcasts and social media and the way we

248

00:09:32,509 --> 00:09:29,220

all communicate now we don't have to

249

00:09:34,370 --> 00:09:32,519

spend all those years getting caught up

250

00:09:36,710 --> 00:09:34,380

because everybody's communicating and

251
00:09:38,990 --> 00:09:36,720
talking so much faster so we're getting

252
00:09:40,310 --> 00:09:39,000
you know educated quicker and that's

253
00:09:41,690 --> 00:09:40,320
kind of the purpose of us doing this

254
00:09:43,130 --> 00:09:41,700
show we want to give everybody a little

255
00:09:45,170 --> 00:09:43,140
snippet you know we don't do three hour

256
00:09:47,570 --> 00:09:45,180
long episodes it's an hour we cover

257
00:09:50,210 --> 00:09:47,580
multiple angles we have our own opinions

258
00:09:51,769 --> 00:09:50,220
internally but it's not for us to censor

259
00:09:53,990 --> 00:09:51,779
that right we're not here to only do

260
00:09:55,430 --> 00:09:54,000
episodes on things we think are cool if

261
00:09:57,650 --> 00:09:55,440
we think there's plausible information

262
00:09:59,810 --> 00:09:57,660
there if we've search the person talking

263
00:10:01,190 --> 00:09:59,820

we know they're legit it's food for

264

00:10:03,410 --> 00:10:01,200

thought you you know the viewers does

265

00:10:05,449 --> 00:10:03,420

what they want with it the the burden of

266

00:10:06,769 --> 00:10:05,459

proof is not on us I think Ross coalart

267

00:10:08,090 --> 00:10:06,779

said when we interviewed him the burden

268

00:10:10,130 --> 00:10:08,100

of proof's not on the journalists and

269

00:10:12,170 --> 00:10:10,140

the investigator it's in the Observer to

270

00:10:14,150 --> 00:10:12,180

make up their own mind take it all in

271

00:10:16,070 --> 00:10:14,160

don't just take in the side that you

272

00:10:17,870 --> 00:10:16,080

like because it's easy to kind of throw

273

00:10:19,630 --> 00:10:17,880

everything away that doesn't fit with

274

00:10:22,430 --> 00:10:19,640

what you kind of had your your

275

00:10:24,530 --> 00:10:22,440

pre-conceived notion so it's important

276

00:10:26,090 --> 00:10:24,540

to take it all in and you go down this

277

00:10:28,850 --> 00:10:26,100

Rabbit Hole now it's not just nuts and

278

00:10:30,829 --> 00:10:28,860

bolts craft it's you know Interstellar

279

00:10:33,050 --> 00:10:30,839

and perhaps Cryptids are related and

280

00:10:34,490 --> 00:10:33,060

Consciousness and you know ghosts and

281

00:10:36,110 --> 00:10:34,500

all that stuff maybe they're not all

282

00:10:38,889 --> 00:10:36,120

separate phenomena as you mentioned

283

00:10:41,210 --> 00:10:38,899

maybe there is these are just multiple

284

00:10:43,250 --> 00:10:41,220

species so to speak right it's a very

285

00:10:45,050 --> 00:10:43,260

general way of saying it this realm

286

00:10:47,210 --> 00:10:45,060

exists and there's all kinds of stuff

287

00:10:48,530 --> 00:10:47,220

and I wanted to ask you about the ranch

288

00:10:49,910 --> 00:10:48,540

because a lot of people don't know about

289

00:10:52,130 --> 00:10:49,920

it we're probably very familiar with

290

00:10:53,990 --> 00:10:52,140

skin walker Ranch and that doesn't just

291

00:10:56,930 --> 00:10:54,000

happen at Skinwalker Ranch in fact the

292

00:10:59,030 --> 00:10:56,940

whole Uintah Basin and all those areas

293

00:11:00,949 --> 00:10:59,040

are a hot spot and there are many hot

294

00:11:02,930 --> 00:11:00,959

spots across the U.S and the world

295

00:11:04,850 --> 00:11:02,940

really so tell us a little bit about

296

00:11:06,650 --> 00:11:04,860

this Ranch in Colorado I know you've

297

00:11:09,050 --> 00:11:06,660

prepared some material as well that we

298

00:11:10,550 --> 00:11:09,060

think is super cool so feel free to tell

299

00:11:11,210 --> 00:11:10,560

us about the ranch and show us what you

300

00:11:13,310 --> 00:11:11,220

got

301

00:11:15,170 --> 00:11:13,320

well first of all you bring up another

302

00:11:16,730 --> 00:11:15,180

really great point if somebody tells you

303

00:11:19,910 --> 00:11:16,740

they have all the answers to something

304

00:11:22,310 --> 00:11:19,920

run that's right right absolutely the

305

00:11:24,710 --> 00:11:22,320

Messiah complex that's in ufology is

306

00:11:26,269 --> 00:11:24,720

unreal yeah and some good people are

307

00:11:28,430 --> 00:11:26,279

going down that path they're getting

308

00:11:30,350 --> 00:11:28,440

into the click bait the funny meme

309

00:11:32,269 --> 00:11:30,360

pictures they're I don't want to say

310

00:11:34,670 --> 00:11:32,279

they're making a farce of it but as a

311

00:11:36,650 --> 00:11:34,680

content creator I feel like that I know

312

00:11:38,210 --> 00:11:36,660

the viewers may not feel that way but

313

00:11:40,430 --> 00:11:38,220

you know we kind of have our own ethical

314

00:11:42,410 --> 00:11:40,440

obligation I think to only put out good

315

00:11:44,389 --> 00:11:42,420

stuff and when you see some of these

316

00:11:46,730 --> 00:11:44,399

guys that have the following they have

317

00:11:49,009 --> 00:11:46,740

the the people that love them what they

318

00:11:50,870 --> 00:11:49,019

do with it is not is not so appetizing

319

00:11:53,030 --> 00:11:50,880

but we're all in this we're all trying

320

00:11:54,710 --> 00:11:53,040

to do the same thing and as we learn

321

00:11:56,750 --> 00:11:54,720

more I mean for me

322

00:11:58,069 --> 00:11:56,760

um just a little background on the ranch

323

00:12:00,110 --> 00:11:58,079

um it's important to know I didn't live

324

00:12:02,150 --> 00:12:00,120

there are full time it's also important

325

00:12:04,790 --> 00:12:02,160

to know this phenomenon wasn't just

326

00:12:07,009 --> 00:12:04,800

centrally located on that 60 acre ranch

327

00:12:09,130 --> 00:12:07,019

property in Albert County Colorado in a

328

00:12:12,829 --> 00:12:09,140

small town called Kiowa

329

00:12:15,410 --> 00:12:12,839

but it affected pretty much the whole

330

00:12:17,210 --> 00:12:15,420

range of Elbert County and I had

331

00:12:19,490 --> 00:12:17,220

mentioned earlier Linda Moulton Howe

332

00:12:22,790 --> 00:12:19,500

there was a whole rash of cattle

333

00:12:26,990 --> 00:12:22,800

mutilations going on at this time not

334

00:12:29,769 --> 00:12:27,000

only of cattle but of horse and sheep I

335

00:12:34,370 --> 00:12:29,779

even found newspaper articles about dog

336

00:12:36,769 --> 00:12:34,380

being mutilated so different animals but

337

00:12:39,410 --> 00:12:36,779

once I went to Dr sprinkle's archives

338

00:12:42,590 --> 00:12:39,420

and I pulled all the the information and

339

00:12:44,090 --> 00:12:42,600

file from the ranch you know it started

340

00:12:47,449 --> 00:12:44,100

to become clear and one of the first

341

00:12:50,030 --> 00:12:47,459

questions I had was now how much of this

342

00:12:51,530 --> 00:12:50,040

was black access military projects that

343

00:12:53,269 --> 00:12:51,540

were going on at the time we have so

344

00:12:56,750 --> 00:12:53,279

many military bases that are pretty

345

00:12:59,629 --> 00:12:56,760

close in proximity to Albert County and

346

00:13:01,850 --> 00:12:59,639

the town of Kiowa in Colorado Springs I

347

00:13:03,829 --> 00:13:01,860

think I sent I showed you a map where I

348

00:13:05,690 --> 00:13:03,839

sent you a map of the different military

349

00:13:08,810 --> 00:13:05,700

installations but there's the Air Force

350

00:13:12,230 --> 00:13:08,820

Academy and Camp Carson there's even

351

00:13:14,090 --> 00:13:12,240

Butte which has one of the nation's

352

00:13:15,949 --> 00:13:14,100

largest collection of helicopters which

353

00:13:18,350 --> 00:13:15,959

is a whole other phenomenon is these

354

00:13:20,810 --> 00:13:18,360

unmarked mysterious helicopters we can

355

00:13:23,050 --> 00:13:20,820

get into that and and this was just it

356

00:13:27,290 --> 00:13:23,060

just spiraled into so many different

357

00:13:29,389 --> 00:13:27,300

areas of research both Cryptid creatures

358

00:13:31,250 --> 00:13:29,399

these large birds were spotted out there

359

00:13:34,850 --> 00:13:31,260

Sasquatch creatures were spotted out

360

00:13:36,590 --> 00:13:34,860

there ET beans craft light orbs circles

361

00:13:38,629 --> 00:13:36,600

on the ground I mean humming sounds

362

00:13:41,090 --> 00:13:38,639

these sounds and bangs you know what is

363

00:13:43,490 --> 00:13:41,100

that all about and as you go through and

364

00:13:46,310 --> 00:13:43,500

you're trying to to do interviews it's

365

00:13:47,930 --> 00:13:46,320

so important as an investigator to I

366

00:13:50,509 --> 00:13:47,940

mean I know it's tempting and a lot of

367

00:13:52,430 --> 00:13:50,519

the work we do in mufon is you know

368

00:13:54,829 --> 00:13:52,440

looking at the laptop and going on

369

00:13:56,870 --> 00:13:54,839

stellarium and heavens above and and

370

00:13:58,069 --> 00:13:56,880

flight radar and all that but it's also

371

00:14:00,889 --> 00:13:58,079

just as important when you have a really

372

00:14:02,930 --> 00:14:00,899

a good case to get out of the house and

373

00:14:05,030 --> 00:14:02,940

jump in your vehicle and go interviewing

374

00:14:07,730 --> 00:14:05,040

be on location

375

00:14:09,530 --> 00:14:07,740

um as as many listeners know you know

376

00:14:11,449 --> 00:14:09,540

until you really physically get out

377

00:14:13,250 --> 00:14:11,459

there it's really hard to investigate

378

00:14:15,470 --> 00:14:13,260

something properly

379

00:14:18,050 --> 00:14:15,480

um you know and to face-to-face talk

380

00:14:20,329 --> 00:14:18,060

with people even Zoom it's not the same

381

00:14:23,269 --> 00:14:20,339

as meeting somebody face to face and so

382

00:14:24,829 --> 00:14:23,279

I really made an effort to track down a

383

00:14:27,050 --> 00:14:24,839

lot of these witnesses that and I'm

384

00:14:29,210 --> 00:14:27,060

still finding them today

385

00:14:30,949 --> 00:14:29,220

um and do face-to-face interviews with

386

00:14:33,530 --> 00:14:30,959

them you know and go out there and

387

00:14:36,110 --> 00:14:33,540

research and really dig on what what all

388

00:14:37,670 --> 00:14:36,120

of this means and why and you're right

389

00:14:40,670 --> 00:14:37,680

there's so many different places you

390

00:14:42,290 --> 00:14:40,680

know Skinwalker Marley Woods Trey Hudson

391

00:14:43,970 --> 00:14:42,300

who's a great friend of mine the South

392

00:14:45,470 --> 00:14:43,980

skin walker

393

00:14:47,810 --> 00:14:45,480

um and there's a really interesting case

394

00:14:49,910 --> 00:14:47,820

called the Ohio pile creature case so

395

00:14:52,490 --> 00:14:49,920

out in Pennsylvania you know there's

396

00:14:54,769 --> 00:14:52,500

just so many of these areas and and

397

00:14:56,750 --> 00:14:54,779

um I think David Pilates is doing some

398

00:14:58,850 --> 00:14:56,760

good work with these missing people in

399

00:15:00,710 --> 00:14:58,860

the missing 4-1-1 and and tie an

400

00:15:02,629 --> 00:15:00,720

impossible aquifer so when he brought

401
00:15:04,370 --> 00:15:02,639
that up in his UFO connection film I'm

402
00:15:05,990 --> 00:15:04,380
like oh is there that under the Albert

403
00:15:08,389 --> 00:15:06,000
County Ranch and sure enough there sure

404
00:15:10,670 --> 00:15:08,399
is not only that but two right where the

405
00:15:12,230 --> 00:15:10,680
ranch sits there's two Aqua right

406
00:15:14,329 --> 00:15:12,240
together now I don't know how that ties

407
00:15:16,850 --> 00:15:14,339
in and I'm not a scientist I don't know

408
00:15:19,129 --> 00:15:16,860
what that means exactly other than I

409
00:15:22,310 --> 00:15:19,139
know there these locations tend to be

410
00:15:24,829 --> 00:15:22,320
highly magnetic locations they tend to

411
00:15:27,350 --> 00:15:24,839
have water around them and maybe it's

412
00:15:29,150 --> 00:15:27,360
just this magical combination of these

413
00:15:30,949 --> 00:15:29,160

things military bases are close by

414

00:15:32,569 --> 00:15:30,959

what's up with that I don't know

415

00:15:34,310 --> 00:15:32,579

um so all these different things and as

416

00:15:36,410 --> 00:15:34,320

an investigator and a researcher you

417

00:15:38,329 --> 00:15:36,420

have to be open-minded to whatever data

418

00:15:39,889 --> 00:15:38,339

comes your way and whatever you learn

419

00:15:41,509 --> 00:15:39,899

and be willing to change your mind and

420

00:15:43,310 --> 00:15:41,519

go a different direction

421

00:15:45,829 --> 00:15:43,320

you know yeah

422

00:15:48,470 --> 00:15:45,839

so let's see you got some uh give us

423

00:15:51,230 --> 00:15:48,480

your your slides there Katie okay got

424

00:15:53,990 --> 00:15:51,240

some videos let me see if I can do this

425

00:15:57,050 --> 00:15:54,000

without uh we're hoping you make it a

426
00:15:59,090 --> 00:15:57,060
light day at the shop for Jason and I

427
00:16:00,949 --> 00:15:59,100
do you know but this this is cool

428
00:16:02,150 --> 00:16:00,959
because this as a feature

429
00:16:04,610 --> 00:16:02,160
um you know as

430
00:16:07,009 --> 00:16:04,620
um people that are listening to this

431
00:16:08,870 --> 00:16:07,019
their their interest in in this is as

432
00:16:11,090 --> 00:16:08,880
high as ours and to be able to actually

433
00:16:13,670 --> 00:16:11,100
see research and charts and stuff like

434
00:16:15,590 --> 00:16:13,680
that it gives us data yeah and it it is

435
00:16:17,629 --> 00:16:15,600
a really cool feature that we you know

436
00:16:20,870 --> 00:16:17,639
now that the the podcast is is a little

437
00:16:22,490 --> 00:16:20,880
bit more visual uh if you're in audio

438
00:16:24,110 --> 00:16:22,500

only mode right now you're missing out

439

00:16:26,210 --> 00:16:24,120

on the slides we'll try to describe them

440

00:16:27,650 --> 00:16:26,220

as best as we can but if you get a

441

00:16:29,329 --> 00:16:27,660

chance go on YouTube and check this out

442

00:16:30,949 --> 00:16:29,339

this is really cool and Spotify has

443

00:16:34,129 --> 00:16:30,959

video as well now we're running a video

444

00:16:35,629 --> 00:16:34,139

on YouTube Spotify but uh yeah it's we

445

00:16:38,030 --> 00:16:35,639

can talk about these places and have

446

00:16:39,650 --> 00:16:38,040

people Envision it but having uh you

447

00:16:42,710 --> 00:16:39,660

know maps and testimony and there's a

448

00:16:44,810 --> 00:16:42,720

few videos here of uh of um the

449

00:16:46,550 --> 00:16:44,820

undersheriff at the time in the 70s and

450

00:16:48,170 --> 00:16:46,560

uh Linda Moulton Howe did do quite a bit

451

00:16:49,850 --> 00:16:48,180

of work with this back in the day and

452

00:16:51,829 --> 00:16:49,860

it's like Katie has taken that and

453

00:16:53,689 --> 00:16:51,839

continued this forward so so thanks for

454

00:16:55,370 --> 00:16:53,699

this Katie this is awesome oh of course

455

00:16:57,530 --> 00:16:55,380

my pleasure I mean that's what it's all

456

00:17:00,470 --> 00:16:57,540

about and the more I share and the more

457

00:17:02,269 --> 00:17:00,480

you and people you know that do these

458

00:17:04,370 --> 00:17:02,279

podcasts and these shows you know it's

459

00:17:06,230 --> 00:17:04,380

almost every single time somebody will

460

00:17:08,030 --> 00:17:06,240

come for forward with you know either an

461

00:17:10,069 --> 00:17:08,040

encounter or an experience they had or

462

00:17:12,049 --> 00:17:10,079

or with information so it's really

463

00:17:14,030 --> 00:17:12,059

important to you know talk about I mean

464

00:17:15,710 --> 00:17:14,040

what's the point if you don't I research

465

00:17:17,870 --> 00:17:15,720

for you know I think it was like year

466

00:17:19,490 --> 00:17:17,880

number seven I'm like well I guess I

467

00:17:23,030 --> 00:17:19,500

should probably start talking about this

468

00:17:24,650 --> 00:17:23,040

yeah you know and so you have to do it

469

00:17:26,689 --> 00:17:24,660

eventually but uh hopefully everybody

470

00:17:29,270 --> 00:17:26,699

can see the screen and the big red star

471

00:17:31,130 --> 00:17:29,280

at the top of the picture is Albert the

472

00:17:33,049 --> 00:17:31,140

Albert Ranch where it's located in the

473

00:17:35,330 --> 00:17:33,059

Black Forest is right under it which

474

00:17:37,549 --> 00:17:35,340

Black Forest has a lot of sightings in

475

00:17:39,169 --> 00:17:37,559

of itself so that's interesting and back

476

00:17:41,090 --> 00:17:39,179

in the late 70s the Air Force Academy

477

00:17:43,789 --> 00:17:41,100

there to the left the the rain star

478

00:17:45,770 --> 00:17:43,799

their property kind of ran back up

479

00:17:47,750 --> 00:17:45,780

through the Black Forest into Albert

480

00:17:50,510 --> 00:17:47,760

County so they owned a lot of that land

481

00:17:52,190 --> 00:17:50,520

and and we do know through the archives

482

00:17:56,210 --> 00:17:52,200

and the research that there's no

483

00:17:59,350 --> 00:17:56,220

question that we were aware that the Air

484

00:18:02,930 --> 00:17:59,360

Force property

485

00:18:04,370 --> 00:18:02,940

and I'll share a site uh with a soldier

486

00:18:06,289 --> 00:18:04,380

that was there from Camp Carson that I

487

00:18:07,789 --> 00:18:06,299

found really interesting so you have you

488

00:18:10,070 --> 00:18:07,799

know of course Cheyenne Mountain NORAD

489

00:18:13,250 --> 00:18:10,080

is in Colorado Springs for Fort Carson

490

00:18:15,049 --> 00:18:13,260

and then down below that you uh have

491

00:18:17,510 --> 00:18:15,059

Butte which has a lot of military

492

00:18:19,669 --> 00:18:17,520

helicopters you have a shrivener and

493

00:18:22,669 --> 00:18:19,679

Peterson Air Force Base so it's just

494

00:18:24,230 --> 00:18:22,679

surrounded out there and and you know on

495

00:18:29,090 --> 00:18:24,240

the other side of the Springs you have

496

00:18:30,710 --> 00:18:29,100

Alamosa and this in 1967 was snippy the

497

00:18:33,110 --> 00:18:30,720

horse which I believe

498

00:18:35,810 --> 00:18:33,120

um snippy was its sister's name I think

499

00:18:37,669 --> 00:18:35,820

her name was lady but Dr Leo sprinkle

500

00:18:40,010 --> 00:18:37,679

was one of the initial investigators

501
00:18:41,570 --> 00:18:40,020
with snippy the horse so he was right

502
00:18:43,789 --> 00:18:41,580
there on the front lines through all

503
00:18:45,230 --> 00:18:43,799
these mutilations and stuff so so wait

504
00:18:46,970 --> 00:18:45,240
Katie just so I get this straight just

505
00:18:48,950 --> 00:18:46,980
snippy the horses in the vicinity of

506
00:18:50,750 --> 00:18:48,960
this yeah it's on the other side of

507
00:18:52,789 --> 00:18:50,760
Colorado Springs

508
00:18:54,230 --> 00:18:52,799
um yeah yeah and that's interesting

509
00:18:56,270 --> 00:18:54,240
because we just interviewed Chuck

510
00:18:58,010 --> 00:18:56,280
Zukowski about that and he mentioned it

511
00:19:01,010 --> 00:18:58,020
and for those who don't know snippy the

512
00:19:03,710 --> 00:19:01,020
horse was a horse that was found totally

513
00:19:06,830 --> 00:19:03,720

intact but the long neck and head had

514

00:19:08,450 --> 00:19:06,840

been decent skin or the hide removed and

515

00:19:09,950 --> 00:19:08,460

the flesh removed so you have a

516

00:19:12,409 --> 00:19:09,960

perfectly normal horse and then a

517

00:19:14,450 --> 00:19:12,419

skeleton neck and head like right down

518

00:19:16,370 --> 00:19:14,460

to the bone like it got dipped in acid

519

00:19:19,669 --> 00:19:16,380

or something exactly something dissolves

520

00:19:21,770 --> 00:19:19,679

all the flash off the neck up right and

521

00:19:23,390 --> 00:19:21,780

and you know as a researcher an

522

00:19:25,250 --> 00:19:23,400

investigator there's so many rabbit

523

00:19:27,470 --> 00:19:25,260

holes to go down and you know cattle

524

00:19:29,270 --> 00:19:27,480

mutilations for me was not my area of

525

00:19:31,490 --> 00:19:29,280

Interest or specialty I mean really

526
00:19:34,070 --> 00:19:31,500
that's to The Experts I I consider Chuck

527
00:19:36,110 --> 00:19:34,080
Zukowski to be the lead expert on that

528
00:19:38,570 --> 00:19:36,120
phenomenon along with Christopher

529
00:19:40,789 --> 00:19:38,580
O'Brien you know Linda Moulton Howe

530
00:19:42,770 --> 00:19:40,799
paved the way on that as well

531
00:19:44,750 --> 00:19:42,780
um so many great books about it

532
00:19:47,690 --> 00:19:44,760
um but for me it wasn't a high interest

533
00:19:49,310 --> 00:19:47,700
to me until recently because I think

534
00:19:51,770 --> 00:19:49,320
there's a lot of misinformation out

535
00:19:53,390 --> 00:19:51,780
there about these mutilations you know I

536
00:19:56,450 --> 00:19:53,400
think I don't know how many years ago it

537
00:19:59,390 --> 00:19:56,460
was but it was like oh mystery solved

538
00:20:01,549 --> 00:19:59,400

these are all like um the intestines

539

00:20:03,350 --> 00:20:01,559

exploding or something like the cow gets

540

00:20:05,090 --> 00:20:03,360

gas and you know whatever and I'm just

541

00:20:08,270 --> 00:20:05,100

like wait well wait a minute that

542

00:20:10,130 --> 00:20:08,280

doesn't explain you know the cauterized

543

00:20:12,110 --> 00:20:10,140

incisions I mean the big thing is the

544

00:20:14,090 --> 00:20:12,120

lack of blood blood being completely

545

00:20:16,010 --> 00:20:14,100

drained out or missing tongues missing

546

00:20:17,210 --> 00:20:16,020

ear missing eye all these interesting

547

00:20:19,130 --> 00:20:17,220

things I'm like why don't they take the

548

00:20:20,750 --> 00:20:19,140

T-Bones why don't they take the fillet I

549

00:20:22,490 --> 00:20:20,760

don't get that

550

00:20:24,590 --> 00:20:22,500

um I don't know you know and then of

551
00:20:26,330 --> 00:20:24,600
course there's well no no no no it's all

552
00:20:28,130 --> 00:20:26,340
the military doing that it's all that

553
00:20:29,990 --> 00:20:28,140
but through my interviews that I've done

554
00:20:32,270 --> 00:20:30,000
and I'll share a story with you guys

555
00:20:34,130 --> 00:20:32,280
here in a little bit there's some really

556
00:20:36,470 --> 00:20:34,140
high strangeness cases with these

557
00:20:38,450 --> 00:20:36,480
mutilations that it doesn't make sense

558
00:20:40,370 --> 00:20:38,460
that this would be human

559
00:20:42,409 --> 00:20:40,380
um you know especially going on for all

560
00:20:43,850 --> 00:20:42,419
these decades like eventually and

561
00:20:45,650 --> 00:20:43,860
another thing people don't realize in

562
00:20:47,690 --> 00:20:45,660
Albert County at the time so again this

563
00:20:49,190 --> 00:20:47,700

is the late 70s kind of Aging myself

564

00:20:51,650 --> 00:20:49,200

here I was a little girl at the time I

565

00:20:54,169 --> 00:20:51,660

was a young girl and um

566

00:20:56,150 --> 00:20:54,179

um people there was the Cattlemen's

567

00:20:57,650 --> 00:20:56,160

Association I found newspaper articles

568

00:21:00,529 --> 00:20:57,660

that were offering ten thousand dollar

569

00:21:02,510 --> 00:21:00,539

rewards for anybody that they could

570

00:21:05,029 --> 00:21:02,520

catch doing because everybody was on

571

00:21:07,669 --> 00:21:05,039

edge this this was happening on daily

572

00:21:10,490 --> 00:21:07,679

out there this this was people had

573

00:21:12,350 --> 00:21:10,500

loaded shotguns by their door

574

00:21:14,570 --> 00:21:12,360

um you didn't go up to anybody house at

575

00:21:17,150 --> 00:21:14,580

anybody's house at night without warning

576
00:21:19,549 --> 00:21:17,160
you'd get shot people there were people

577
00:21:21,950 --> 00:21:19,559
out there actively looking to catch

578
00:21:23,930 --> 00:21:21,960
these perpetrators you know at the time

579
00:21:26,029 --> 00:21:23,940
they thought maybe these were satanic

580
00:21:28,010 --> 00:21:26,039
Cults or something doing this there were

581
00:21:30,890 --> 00:21:28,020
so many different theories and nobody

582
00:21:32,630 --> 00:21:30,900
was ever caught nobody was ever caught

583
00:21:35,630 --> 00:21:32,640
how was that

584
00:21:37,190 --> 00:21:35,640
possible after all these years and also

585
00:21:39,350 --> 00:21:37,200
what I was going to say Katie is that we

586
00:21:41,149 --> 00:21:39,360
we um I think Linda was was right when

587
00:21:43,490 --> 00:21:41,159
she called it a harvest because these

588
00:21:45,230 --> 00:21:43,500

things aren't we say mutilations but

589

00:21:47,330 --> 00:21:45,240

they're harvested the way that

590

00:21:48,890 --> 00:21:47,340

everything is taken from them is a

591

00:21:51,409 --> 00:21:48,900

harvest of some sort and it's always the

592

00:21:53,230 --> 00:21:51,419

same organs the same patterns the same

593

00:21:56,330 --> 00:21:53,240

puncture wounds like there's a

594

00:21:59,330 --> 00:21:56,340

repeatable evidence here and if this is

595

00:22:02,270 --> 00:21:59,340

evidence of whatever this phenomenon is

596

00:22:04,430 --> 00:22:02,280

it is evidence right and this is a huge

597

00:22:05,810 --> 00:22:04,440

deal right everyone's looking for that

598

00:22:07,490 --> 00:22:05,820

evidence and you followed you where's

599

00:22:09,350 --> 00:22:07,500

the proof where's the proof we have all

600

00:22:12,890 --> 00:22:09,360

this forensic proof over ten thousand

601
00:22:14,990 --> 00:22:12,900
cases police files in the us alone yeah

602
00:22:16,850 --> 00:22:15,000
yeah that's so true

603
00:22:19,789 --> 00:22:16,860
um I have a seven minute video actually

604
00:22:23,330 --> 00:22:19,799
that a friend of mine made Dennis

605
00:22:25,010 --> 00:22:23,340
faramuth out of Phoenix I don't know if

606
00:22:27,529 --> 00:22:25,020
if you guys want me to share but it

607
00:22:29,390 --> 00:22:27,539
gives you a great background and the the

608
00:22:31,130 --> 00:22:29,400
first part of it kind of tells us a

609
00:22:32,630 --> 00:22:31,140
little background about the the area

610
00:22:35,930 --> 00:22:32,640
Albert County what was going on at the

611
00:22:38,029 --> 00:22:35,940
time the second part is actually from an

612
00:22:41,270 --> 00:22:38,039
uh audio clips of an interview I did I

613
00:22:44,510 --> 00:22:41,280

drove to Wyoming now this witness

614

00:22:46,250 --> 00:22:44,520

um her family basically pioneered this

615

00:22:48,890 --> 00:22:46,260

little town so if you go to the Elbert

616

00:22:51,289 --> 00:22:48,900

County Historical Museum you know you

617

00:22:53,090 --> 00:22:51,299

see her ancestors on the wall right so

618

00:22:55,070 --> 00:22:53,100

that they they have been ranchers for

619

00:22:57,289 --> 00:22:55,080

for a long time and ranchers no other

620

00:23:00,230 --> 00:22:57,299

ranchers and when I went out there to

621

00:23:02,149 --> 00:23:00,240

interview her her testimony was so

622

00:23:03,950 --> 00:23:02,159

profound and that you know they had many

623

00:23:06,110 --> 00:23:03,960

mutilations on their branches and their

624

00:23:08,990 --> 00:23:06,120

friends had many as well she actually

625

00:23:10,430 --> 00:23:09,000

pulled out her phone and and this is an

626

00:23:12,110 --> 00:23:10,440

actual photo she found she's like oh

627

00:23:14,570 --> 00:23:12,120

you're not going to believe this I found

628

00:23:16,610 --> 00:23:14,580

the picture of the calf and she sent the

629

00:23:19,370 --> 00:23:16,620

original photos on to me on Facebook

630

00:23:21,110 --> 00:23:19,380

this was the one that was mutilated and

631

00:23:22,909 --> 00:23:21,120

and Drug

632

00:23:24,350 --> 00:23:22,919

um blood drained and everything this the

633

00:23:26,870 --> 00:23:24,360

one on the right sorry for the graphic

634

00:23:29,750 --> 00:23:26,880

nature but this was a photograph she had

635

00:23:32,330 --> 00:23:29,760

of a coyote kill and you can see the

636

00:23:34,010 --> 00:23:32,340

difference yeah yeah absolutely yeah I

637

00:23:37,190 --> 00:23:34,020

know this is a little graphic um but

638

00:23:39,830 --> 00:23:37,200

coyotes will jump on the rear hind of a

639

00:23:42,289 --> 00:23:39,840

calf and just tear at it right

640

00:23:43,690 --> 00:23:42,299

um and this was something completely

641

00:23:46,430 --> 00:23:43,700

different

642

00:23:48,470 --> 00:23:46,440

yeah yeah but she had a couple amazing

643

00:23:49,730 --> 00:23:48,480

encounters and what was fascinating

644

00:23:51,890 --> 00:23:49,740

though is she pulled out her phone and

645

00:23:53,990 --> 00:23:51,900

she goes yeah a friend a Rancher friend

646

00:23:56,570 --> 00:23:54,000

of ours just sent this mutilation just

647

00:23:58,850 --> 00:23:56,580

the other week but they don't want

648

00:24:01,070 --> 00:23:58,860

publicity they don't want it report they

649

00:24:02,690 --> 00:24:01,080

don't report them and and this I found

650

00:24:05,750 --> 00:24:02,700

to be true when I was just back in

651

00:24:07,909 --> 00:24:05,760

Albert a month or so ago same thing

652

00:24:09,950 --> 00:24:07,919

these are still occurring they're just

653

00:24:12,409 --> 00:24:09,960

not reporting them because it's been

654

00:24:14,270 --> 00:24:12,419

going on for so long they know they

655

00:24:16,190 --> 00:24:14,280

don't want the stigma they they know

656

00:24:17,690 --> 00:24:16,200

nothing's going to happen they don't get

657

00:24:19,730 --> 00:24:17,700

reimbursed I think they can write them

658

00:24:21,470 --> 00:24:19,740

off on their taxes perhaps but so

659

00:24:23,870 --> 00:24:21,480

oftentimes these ranchers just don't

660

00:24:25,850 --> 00:24:23,880

even report them anymore you know so

661

00:24:27,409 --> 00:24:25,860

yeah that's kind of interesting and they

662

00:24:29,630 --> 00:24:27,419

don't want looky lose going there and

663

00:24:31,490 --> 00:24:29,640

turning their Ranch into an amusement

664

00:24:33,529 --> 00:24:31,500

park right people that want to do you

665

00:24:35,450 --> 00:24:33,539

know Private Investigations right

666

00:24:37,190 --> 00:24:35,460

exactly exactly

667

00:24:38,930 --> 00:24:37,200

um okay so I think this is a video here

668

00:24:42,409 --> 00:24:38,940

let me go to the

669

00:25:11,330 --> 00:24:44,170

yep all right here we go

670

00:25:13,080 --> 00:25:11,340

[Music]

671

00:25:23,690 --> 00:25:13,090

foreign

672

00:25:30,230 --> 00:25:26,750

U.S senator Floyd Haskell represented

673

00:25:32,390 --> 00:25:30,240

Colorado in 1975 when the rash of cattle

674

00:25:35,029 --> 00:25:32,400

mutilations were happening Senator

675

00:25:38,029 --> 00:25:35,039

Haskell sent a letter to Theodore rocik

676
00:25:40,070 --> 00:25:38,039
a special FBI agent in Denver expressing

677
00:25:42,289 --> 00:25:40,080
his concerns by noting the bizarreness

678
00:25:44,450 --> 00:25:42,299
of the mutilations the lack of Blood on

679
00:25:46,010 --> 00:25:44,460
the ground the lack of footprints and

680
00:25:49,130 --> 00:25:46,020
the numerous reports of unmarked

681
00:25:50,930 --> 00:25:49,140
helicopters he went on to say there had

682
00:25:53,210 --> 00:25:50,940
been reports of a helicopter that had

683
00:25:55,250 --> 00:25:53,220
mutilated cattle and how several people

684
00:25:57,830 --> 00:25:55,260
had been chased by a similar helicopter

685
00:26:00,590 --> 00:25:57,840
the senator then closed by expressing

686
00:26:02,510 --> 00:26:00,600
his concerns about the investigation it

687
00:26:04,370 --> 00:26:02,520
seems to have progressed little except

688
00:26:07,130 --> 00:26:04,380

for the recognition at long last that

689

00:26:09,110 --> 00:26:07,140

the incidents must be taken seriously

690

00:26:11,210 --> 00:26:09,120

it appears that ranchers are arming

691

00:26:12,710 --> 00:26:11,220

themselves to protect their livestock as

692

00:26:14,630 --> 00:26:12,720

well as their families and themselves

693

00:26:16,610 --> 00:26:14,640

because they are frustrated by the

694

00:26:18,409 --> 00:26:16,620

unsuccessful investigation

695

00:26:19,909 --> 00:26:18,419

clearly something must be done before

696

00:26:23,690 --> 00:26:19,919

someone gets hurt

697

00:26:25,970 --> 00:26:23,700

August 1975 a big meeting was held with

698

00:26:27,710 --> 00:26:25,980

60 law enforcement Personnel from three

699

00:26:30,230 --> 00:26:27,720

states in the Colorado Bureau of

700

00:26:32,450 --> 00:26:30,240

Investigation the leader of the meeting

701
00:26:34,669 --> 00:26:32,460
was Sheriff George Yarnell of Albert

702
00:26:43,210 --> 00:26:34,679
County because his County had suffered

703
00:26:49,850 --> 00:26:46,669
probably 75 because I didn't have my

704
00:26:51,950 --> 00:26:49,860
license yet and I graduated in 78 so

705
00:26:54,049 --> 00:26:51,960
we've gone to a 4-H meeting with my

706
00:26:56,870 --> 00:26:54,059
brother and I and some neighbors lived

707
00:26:59,810 --> 00:26:56,880
on 86th and my mom

708
00:27:02,149 --> 00:26:59,820
and mutilation stuff was high alert I

709
00:27:03,350 --> 00:27:02,159
mean you were watching the sky surgery

710
00:27:07,370 --> 00:27:03,360
now was

711
00:27:09,350 --> 00:27:07,380
was always out and about in planes and

712
00:27:10,970 --> 00:27:09,360
everything and you were just if you saw

713
00:27:12,289 --> 00:27:10,980

any strange things in the sky you're

714

00:27:14,269 --> 00:27:12,299

supposed to notify the sheriff's

715

00:27:16,730 --> 00:27:14,279

department and it was just high high

716

00:27:18,590 --> 00:27:16,740

mutilation time and we were on our way

717

00:27:22,850 --> 00:27:18,600

home we probably gotten three miles out

718

00:27:24,529 --> 00:27:22,860

of town when this huge bright light and

719

00:27:26,990 --> 00:27:24,539

I always described it as the sun sitting

720

00:27:30,590 --> 00:27:27,000

on the ground because it was just it was

721

00:27:32,810 --> 00:27:30,600

my mom pulled over it was on the same

722

00:27:35,750 --> 00:27:32,820

side of the road right there is those

723

00:27:39,049 --> 00:27:35,760

trees start huge and it's bright and it

724

00:27:40,850 --> 00:27:39,059

was just I remember seeing what looked

725

00:27:45,049 --> 00:27:40,860

like a

726

00:27:48,230 --> 00:27:45,059

platform come out of it to the side and

727

00:27:49,789 --> 00:27:48,240

so in my mind from that point on I

728

00:27:52,130 --> 00:27:49,799

thought oh they lift the animal in the

729

00:27:55,250 --> 00:27:52,140

air and do surgery and then drop it down

730

00:27:56,990 --> 00:27:55,260

but I saw this little lip it was a lit

731

00:27:59,810 --> 00:27:57,000

platform that went off to the side of

732

00:28:02,330 --> 00:27:59,820

this it just disappeared as fast as it

733

00:28:04,789 --> 00:28:02,340

was there and it was gone and I said no

734

00:28:05,870 --> 00:28:04,799

sound no nothing so we don't you know

735

00:28:08,029 --> 00:28:05,880

there's a lot of sightings for the

736

00:28:10,970 --> 00:28:08,039

helicopters but this was it was it was

737

00:28:13,430 --> 00:28:10,980

silent my mom was so scared that's why I

738

00:28:15,890 --> 00:28:13,440

knew I was not driving that because I

739

00:28:18,590 --> 00:28:15,900

had to drive home because she couldn't

740

00:28:20,210 --> 00:28:18,600

and we did College birthday now and they

741

00:28:23,330 --> 00:28:20,220

went out you know exploring but they

742

00:28:31,370 --> 00:28:26,590

so then you skip forward to

743

00:28:35,450 --> 00:28:31,380

78 I would say that's probably 78.79 and

744

00:28:39,590 --> 00:28:35,460

my husband and I lived outside of Rhema

745

00:28:41,450 --> 00:28:39,600

off of 86 Highway 86 South so we're out

746

00:28:43,549 --> 00:28:41,460

there in the middle of nowhere didn't

747

00:28:46,450 --> 00:28:43,559

have a lot of close neighbors or

748

00:28:50,269 --> 00:28:46,460

anything there he was out on Horseback

749

00:28:52,970 --> 00:28:50,279

checking accounts for cats

750

00:28:55,669 --> 00:28:52,980

I just remember him coming back telling

751

00:28:58,130 --> 00:28:55,679

me if I didn't have cell phones and

752

00:29:02,510 --> 00:28:58,140

saying that we have a countdown it's

753

00:29:05,690 --> 00:29:02,520

really weird it's it's dead the mom had

754

00:29:09,830 --> 00:29:05,700

just had it but something had cut a

755

00:29:12,289 --> 00:29:09,840

square of fur off of the top of it

756

00:29:13,909 --> 00:29:12,299

the skin was still there from what I

757

00:29:16,310 --> 00:29:13,919

recall the skin was still there and the

758

00:29:18,230 --> 00:29:16,320

fur just was in a perfect square

759

00:29:20,810 --> 00:29:18,240

when we went back out there when I went

760

00:29:23,570 --> 00:29:20,820

with him in the pickup which counted the

761

00:29:26,510 --> 00:29:23,580

whole trip with maybe take 30 minutes or

762

00:29:29,090 --> 00:29:26,520

something they had been back and there

763

00:29:32,090 --> 00:29:29,100

was a very clean cut

764

00:29:34,730 --> 00:29:32,100

circle with organs removed

765

00:29:35,930 --> 00:29:34,740

I said I my calf was just a brand new

766

00:29:38,210 --> 00:29:35,940

calf

767

00:29:40,370 --> 00:29:38,220

okay freaked out because it looks like

768

00:29:41,810 --> 00:29:40,380

she's like something had been there when

769

00:29:43,909 --> 00:29:41,820

and he caught him in the middle of the

770

00:29:46,190 --> 00:29:43,919

act or something

771

00:29:49,789 --> 00:29:46,200

because I was like okay they'd come back

772

00:29:52,669 --> 00:29:49,799

and done more work to the same calf

773

00:29:54,110 --> 00:29:52,679

only blood was what was just sitting in

774

00:29:57,289 --> 00:29:54,120

the cavity

775

00:29:59,029 --> 00:29:57,299

but I do remember that and um but there

776
00:30:00,649 --> 00:29:59,039
was no tracks no drag marks no nothing

777
00:30:01,730 --> 00:30:00,659
other than what he had done with the

778
00:30:07,190 --> 00:30:01,740
horse

779
00:30:12,110 --> 00:30:09,409
we never saw anything in the air we

780
00:30:13,970 --> 00:30:12,120
never saw any tracks and this was off

781
00:30:17,029 --> 00:30:13,980
the County Road

782
00:30:18,529 --> 00:30:17,039
I don't know a couple miles it wasn't

783
00:30:20,750 --> 00:30:18,539
it's like somebody stopped along the

784
00:30:23,930 --> 00:30:20,760
county road and did something we've had

785
00:30:25,730 --> 00:30:23,940
coyote kills before I've got a picture

786
00:30:28,010 --> 00:30:25,740
of one of them the cat was still alive

787
00:30:30,550 --> 00:30:28,020
while the coyote was eating on it they

788
00:30:31,970 --> 00:30:30,560

don't they don't just cut a clean

789

00:30:35,090 --> 00:30:31,980

[Music]

790

00:30:36,889 --> 00:30:35,100

Circle and take an organ out just like a

791

00:30:40,130 --> 00:30:36,899

laser which everybody's always described

792

00:30:41,570 --> 00:30:40,140

it as just like a laser sharp cut

793

00:30:44,090 --> 00:30:41,580

and the only other things that we

794

00:30:46,490 --> 00:30:44,100

noticed over the years of having friends

795

00:30:49,789 --> 00:30:46,500

and family and different ones that had

796

00:30:52,070 --> 00:30:49,799

mutilations it seemed like the cattle in

797

00:30:54,049 --> 00:30:52,080

the pasture where

798

00:30:57,169 --> 00:30:54,059

the mutilation was

799

00:31:00,409 --> 00:30:57,179

seemed to act fine but the ones in

800

00:31:02,510 --> 00:31:00,419

adjoining pastures were freaked out one

801
00:31:05,149 --> 00:31:02,520
time we thought it was the military and

802
00:31:07,130 --> 00:31:05,159
and doing research and things and then

803
00:31:10,130 --> 00:31:07,140
at other times it's like you know this

804
00:31:13,490 --> 00:31:10,140
is just too strange and too many people

805
00:31:16,310 --> 00:31:13,500
I've talked to have seen lights and

806
00:31:18,110 --> 00:31:16,320
an area between Laramie and Fort Collins

807
00:31:19,970 --> 00:31:18,120
I thought what the heck was that went in

808
00:31:22,190 --> 00:31:19,980
office meteors that crashed or something

809
00:31:24,590 --> 00:31:22,200
that just like flew through the air and

810
00:31:27,529 --> 00:31:24,600
there's so many

811
00:31:29,389 --> 00:31:27,539
unknown things that I

812
00:31:33,049 --> 00:31:29,399
I know it's almost scary to ever find

813
00:31:36,950 --> 00:31:34,850

you know you hear so many stories and

814

00:31:41,750 --> 00:31:36,960

see things and it's just I don't know

815

00:31:47,269 --> 00:31:44,149

I know what the things that I've seen

816

00:31:50,090 --> 00:31:47,279

and witnessed and the different stories

817

00:31:51,289 --> 00:31:50,100

I've heard that I I think I'm just left

818

00:31:53,090 --> 00:31:51,299

with it's

819

00:31:55,010 --> 00:31:53,100

unknown

820

00:31:56,990 --> 00:31:55,020

yeah so

821

00:31:59,149 --> 00:31:57,000

interesting thank you for sure with us

822

00:32:02,450 --> 00:31:59,159

that was amazing yeah she said something

823

00:32:04,909 --> 00:32:02,460

that really struck me and it's from my

824

00:32:07,490 --> 00:32:04,919

the thing I remember the most was that

825

00:32:09,169 --> 00:32:07,500

sense of being watched and that followed

826
00:32:11,450 --> 00:32:09,179
me home

827
00:32:14,210 --> 00:32:11,460
um you know from the ranch property we

828
00:32:16,610 --> 00:32:14,220
lived about 45 minutes to an hour away

829
00:32:18,590 --> 00:32:16,620
in Englewood Colorado and the two

830
00:32:20,149 --> 00:32:18,600
younger boys there were three sons that

831
00:32:22,130 --> 00:32:20,159
lived on the ranch the two younger boys

832
00:32:24,649 --> 00:32:22,140
lived with us during the week my mom was

833
00:32:27,830 --> 00:32:24,659
dating their father for several years

834
00:32:29,750 --> 00:32:27,840
and so we had a large school district in

835
00:32:32,029 --> 00:32:29,760
Englewood Cherry Creek High School which

836
00:32:35,330 --> 00:32:32,039
was one of the biggest best schools in

837
00:32:36,950 --> 00:32:35,340
the state and they wanted their sons to

838
00:32:38,630 --> 00:32:36,960

have the opportunities of that large

839

00:32:40,730 --> 00:32:38,640

school district so they lived with us

840

00:32:43,130 --> 00:32:40,740

during the week and we'd drive back and

841

00:32:44,690 --> 00:32:43,140

forth from our home to the ranch on the

842

00:32:46,909 --> 00:32:44,700

weekends taking the boys back to visit

843

00:32:49,870 --> 00:32:46,919

their mother and that so that's kind of

844

00:32:52,970 --> 00:32:49,880

how I fit into that puzzle of the ranch

845

00:32:55,310 --> 00:32:52,980

but what's interesting is a lot of the

846

00:32:57,230 --> 00:32:55,320

phenomena that I compartmentalized and

847

00:33:00,049 --> 00:32:57,240

put in these different boxes happened to

848

00:33:01,850 --> 00:33:00,059

me at my home in Inglewood not on the

849

00:33:04,669 --> 00:33:01,860

ranch property although both my sister

850

00:33:05,990 --> 00:33:04,679

my mom and I Alex had experiences on the

851
00:33:06,769 --> 00:33:06,000
ranch

852
00:33:09,649 --> 00:33:06,779
um

853
00:33:11,810 --> 00:33:09,659
you know I also had things that

854
00:33:13,430 --> 00:33:11,820
basically have attached to me

855
00:33:15,710 --> 00:33:13,440
um and and I think that's an interesting

856
00:33:17,269 --> 00:33:15,720
part of this phenomenon and I think

857
00:33:19,070 --> 00:33:17,279
that's

858
00:33:21,889 --> 00:33:19,080
um something that really needs to be

859
00:33:23,990 --> 00:33:21,899
investigated more I just recently had

860
00:33:26,269 --> 00:33:24,000
the opportunity to revisit the ranch for

861
00:33:28,190 --> 00:33:26,279
the first time since my childhood I

862
00:33:31,190 --> 00:33:28,200
spent you know

863
00:33:33,529 --> 00:33:31,200

um a week with a film crew out there I

864

00:33:36,590 --> 00:33:33,539

can't say non-disclosures until later

865

00:33:40,070 --> 00:33:36,600

but what what I learned and what I took

866

00:33:43,730 --> 00:33:40,080

away from that was whatever is out there

867

00:33:47,149 --> 00:33:43,740

it it seems intelligent number one

868

00:33:49,669 --> 00:33:47,159

it seemed to know that I was back which

869

00:33:51,049 --> 00:33:49,679

is quite terrifying

870

00:33:52,850 --> 00:33:51,059

um even though this happened so many

871

00:33:55,250 --> 00:33:52,860

decades ago

872

00:33:55,909 --> 00:33:55,260

so many things happened why we were out

873

00:33:58,789 --> 00:33:55,919

there

874

00:34:00,169 --> 00:33:58,799

and and to me you know in meeting the

875

00:34:02,570 --> 00:34:00,179

family so the family that lives there

876

00:34:05,149 --> 00:34:02,580

now wonderful people

877

00:34:08,030 --> 00:34:05,159

um and it's really interesting to me you

878

00:34:09,889 --> 00:34:08,040

know they've experienced some things but

879

00:34:11,570 --> 00:34:09,899

not to the degree that was happening

880

00:34:15,050 --> 00:34:11,580

then but

881

00:34:16,730 --> 00:34:15,060

we revisit the ranch I'm there and all

882

00:34:18,950 --> 00:34:16,740

of a sudden all this stuff starts

883

00:34:21,770 --> 00:34:18,960

happening and I'm like what is going on

884

00:34:24,109 --> 00:34:21,780

here and why and not only that

885

00:34:25,550 --> 00:34:24,119

um luckily I stayed um in Castle Rock in

886

00:34:26,990 --> 00:34:25,560

a hotel during the filming I didn't have

887

00:34:28,790 --> 00:34:27,000

to come here

888

00:34:29,690 --> 00:34:28,800

um later by myself but even when I got

889

00:34:31,490 --> 00:34:29,700

back

890

00:34:34,849 --> 00:34:31,500

paranormal things started happening in

891

00:34:36,710 --> 00:34:34,859

this house why what is that

892

00:34:39,530 --> 00:34:36,720

um you know and

893

00:34:42,470 --> 00:34:39,540

you know I so many contacties and

894

00:34:46,129 --> 00:34:42,480

experiences talk about how this turned

895

00:34:48,950 --> 00:34:46,139

into a very spiritual awakening a

896

00:34:49,970 --> 00:34:48,960

wonderful good thing in their lives and

897

00:34:54,470 --> 00:34:49,980

that

898

00:34:56,570 --> 00:34:54,480

of the life out there in the universe is

899

00:34:59,630 --> 00:34:56,580

probably good and they want what's good

900

00:35:03,770 --> 00:34:59,640

for Humanity and the Earth and and us as

901
00:35:05,390 --> 00:35:03,780
humans and um for me when I was young of

902
00:35:08,030 --> 00:35:05,400
course when your child you know the

903
00:35:10,370 --> 00:35:08,040
boogeyman scares you it was a very very

904
00:35:12,550 --> 00:35:10,380
scary experience and then being told not

905
00:35:15,170 --> 00:35:12,560
to talk about it and to keep it a secret

906
00:35:16,790 --> 00:35:15,180
I mean so much so were me and my sister

907
00:35:18,710 --> 00:35:16,800
like created our own little like almost

908
00:35:20,690 --> 00:35:18,720
Pig Latin language so we could talk to

909
00:35:23,270 --> 00:35:20,700
each other about it you know and I never

910
00:35:24,829 --> 00:35:23,280
slept alone and I was always feeling

911
00:35:26,510 --> 00:35:24,839
like I was being watched and I was

912
00:35:27,950 --> 00:35:26,520
always running from cars and motorcycles

913
00:35:29,150 --> 00:35:27,960

because I felt like I was going to be

914

00:35:32,150 --> 00:35:29,160

taken

915

00:35:34,310 --> 00:35:32,160

um it was a very terrifying time

916

00:35:35,810 --> 00:35:34,320

um now that I'm older and I'm processing

917

00:35:37,730 --> 00:35:35,820

and I'm researching and maybe that's

918

00:35:40,130 --> 00:35:37,740

part of the process of why I'm

919

00:35:41,930 --> 00:35:40,140

researching it to take some of that fear

920

00:35:43,750 --> 00:35:41,940

away because when we understand things

921

00:35:46,370 --> 00:35:43,760

better and we can look at it logically

922

00:35:48,349 --> 00:35:46,380

and then all of a sudden it's not so

923

00:35:50,569 --> 00:35:48,359

frightening anymore and and I'm not

924

00:35:52,250 --> 00:35:50,579

denying that there isn't this Spiritual

925

00:35:55,069 --> 00:35:52,260

Awakening truth because I've definitely

926
00:35:57,050 --> 00:35:55,079
seen that and so many people where it'll

927
00:35:59,510 --> 00:35:57,060
start out as something quite frightening

928
00:36:01,310 --> 00:35:59,520
and un you know misunderstood I mean if

929
00:36:03,890 --> 00:36:01,320
you're being abducted and taken against

930
00:36:07,030 --> 00:36:03,900
your will that's not a nice thing to be

931
00:36:11,510 --> 00:36:07,040
doing and but eventually people almost

932
00:36:12,950 --> 00:36:11,520
feel like special or like they have a

933
00:36:14,930 --> 00:36:12,960
purpose or a mission they need to

934
00:36:17,329 --> 00:36:14,940
accomplish and even Dr sprinkle talked

935
00:36:20,150 --> 00:36:17,339
about that these different stages of of

936
00:36:22,190 --> 00:36:20,160
contact or abduction so you know all of

937
00:36:25,130 --> 00:36:22,200
that has been an interesting process and

938
00:36:26,630 --> 00:36:25,140

and in researching this Ranch too you

939

00:36:28,849 --> 00:36:26,640

know I think people forget too and it's

940

00:36:30,829 --> 00:36:28,859

and I'm kind of thankful I I took some

941

00:36:32,630 --> 00:36:30,839

time off writing the book because now

942

00:36:34,730 --> 00:36:32,640

all these new things happen that'll be

943

00:36:37,730 --> 00:36:34,740

able to include in the book

944

00:36:39,530 --> 00:36:37,740

um but it's like you write you research

945

00:36:41,210 --> 00:36:39,540

and then you process you write you

946

00:36:43,569 --> 00:36:41,220

research you process you write you know

947

00:36:46,250 --> 00:36:43,579

so it's this whole kind of cathartic

948

00:36:49,010 --> 00:36:46,260

thing that I've been going through for a

949

00:36:51,109 --> 00:36:49,020

decade now but anyway so this next this

950

00:36:54,950 --> 00:36:51,119

is just a little clip before I share my

951
00:36:57,290 --> 00:36:54,960
interview with Bill was youngest son and

952
00:36:59,170 --> 00:36:57,300
his widow I flew to Florida to do a face

953
00:37:01,849 --> 00:36:59,180
to face with them as well

954
00:37:04,609 --> 00:37:01,859
fascinating interviews and wonderful

955
00:37:07,310 --> 00:37:04,619
wonderful people she was wonderful bill

956
00:37:09,470 --> 00:37:07,320
was Widow he was the under Sheriff of

957
00:37:11,089 --> 00:37:09,480
Albert County at the time in in Linda

958
00:37:14,630 --> 00:37:11,099
Moulton house film a strange Harvest she

959
00:37:17,390 --> 00:37:14,640
interviews him and his his wife comes

960
00:37:18,650 --> 00:37:17,400
out with this big folder of um it was

961
00:37:20,569 --> 00:37:18,660
actually in that little movie you just

962
00:37:23,089 --> 00:37:20,579
watched of all these newspaper articles

963
00:37:24,650 --> 00:37:23,099

she had saved all these years and I'm

964

00:37:26,210 --> 00:37:24,660

like oh can I take those and copy them

965

00:37:27,710 --> 00:37:26,220

if she let me take them home and copy

966

00:37:30,290 --> 00:37:27,720

them and all that so that was really

967

00:37:32,329 --> 00:37:30,300

cool and I got so much so much

968

00:37:34,310 --> 00:37:32,339

information from those articles but

969

00:37:36,650 --> 00:37:34,320

anyway so let me play this little clip

970

00:37:38,450 --> 00:37:36,660

here from a strange Harvest which again

971

00:37:40,250 --> 00:37:38,460

is Linda Moulton house and this whole

972

00:37:42,170 --> 00:37:40,260

film was about the mutilations during

973

00:37:43,849 --> 00:37:42,180

this time so it's really interesting I

974

00:37:47,150 --> 00:37:43,859

think you can probably Google it and

975

00:37:52,430 --> 00:37:49,310

another law enforcement officer who saw

976

00:37:55,010 --> 00:37:52,440

strange lights back in 1975 and 76 is

977

00:37:56,750 --> 00:37:55,020

Bill Watt bill was the undershare of

978

00:37:59,569 --> 00:37:56,760

Penelope County for eight years working

979

00:38:02,990 --> 00:37:59,579

with Sheriff George Yarnell he retired

980

00:38:04,609 --> 00:38:03,000

in 1979. uh persimmon and I was sitting

981

00:38:06,770 --> 00:38:04,619

out there one night the sheriff was up

982

00:38:09,290 --> 00:38:06,780

in a plane and I happened to look in the

983

00:38:11,510 --> 00:38:09,300

rearview mirror and I saw this orange

984

00:38:14,690 --> 00:38:11,520

ball of light come up

985

00:38:18,109 --> 00:38:14,700

from the ground

986

00:38:20,510 --> 00:38:18,119

so I nuds adapted or the possumen with

987

00:38:23,329 --> 00:38:20,520

me we jumped out of a car and this light

988

00:38:25,790 --> 00:38:23,339

came at us it was up then up off the

989

00:38:28,730 --> 00:38:25,800

ground flying higher than the car

990

00:38:31,130 --> 00:38:28,740

and they get up just about to the car

991

00:38:33,650 --> 00:38:31,140

and then make a complete rep

992

00:38:37,790 --> 00:38:33,660

90 degree right angle turn

993

00:38:40,670 --> 00:38:37,800

and in the cockpit I could see three

994

00:38:42,710 --> 00:38:40,680

little lights of Redmond and what looked

995

00:38:45,470 --> 00:38:42,720

like a white one had either a green or

996

00:38:46,970 --> 00:38:45,480

blue one man looked out of his window at

997

00:38:49,069 --> 00:38:46,980

night just before he went to bed and a

998

00:38:50,390 --> 00:38:49,079

horse was standing out there he got up

999

00:38:52,370 --> 00:38:50,400

the next morning so down the breakfast

1000

00:38:54,589 --> 00:38:52,380

napping plants out and the horse had

1001
00:38:56,150 --> 00:38:54,599
been mutilated right there was in the

1002
00:38:59,450 --> 00:38:56,160
summertime

1003
00:39:01,670 --> 00:38:59,460
they had three they had a house and two

1004
00:39:04,010 --> 00:39:01,680
trailers where people lived in and they

1005
00:39:06,710 --> 00:39:04,020
all had their windows open they had dogs

1006
00:39:09,530 --> 00:39:06,720
around the place no one heard any dogs

1007
00:39:15,890 --> 00:39:09,540
barking no one heard a thing

1008
00:39:21,829 --> 00:39:19,609
that's crazy yeah yeah and and like we

1009
00:39:24,410 --> 00:39:21,839
talked about was not only cow but horse

1010
00:39:26,089 --> 00:39:24,420
and sheep and dog and people who are

1011
00:39:28,790 --> 00:39:26,099
afraid they're gonna go to humans next I

1012
00:39:31,790 --> 00:39:28,800
mean like people were on edge this was a

1013
00:39:33,349 --> 00:39:31,800

really really intense time you know so

1014

00:39:35,510 --> 00:39:33,359

much so the Colorado Bureau of

1015

00:39:37,490 --> 00:39:35,520

Investigations was involved in uh

1016

00:39:38,810 --> 00:39:37,500

another interesting thing in getting out

1017

00:39:41,450 --> 00:39:38,820

there and doing these conferences and

1018

00:39:43,970 --> 00:39:41,460

stuff a people couple people I met

1019

00:39:47,210 --> 00:39:43,980

um one was in Laughlin I got to to meet

1020

00:39:49,370 --> 00:39:47,220

Richard Doty and for those of you who

1021

00:39:51,290 --> 00:39:49,380

don't know Richard Dodie was sort of you

1022

00:39:54,109 --> 00:39:51,300

know his job was to be kind of a

1023

00:39:57,530 --> 00:39:54,119

disinformation misinformation officer

1024

00:40:00,170 --> 00:39:57,540

right give some truth but also like

1025

00:40:02,569 --> 00:40:00,180

steer away to distract from whatever

1026

00:40:05,510 --> 00:40:02,579

secret projects they were were doing at

1027

00:40:07,609 --> 00:40:05,520

the military at the time and um I asked

1028

00:40:09,230 --> 00:40:07,619

him I was really curious to new to know

1029

00:40:12,650 --> 00:40:09,240

if he was aware of this property in

1030

00:40:15,170 --> 00:40:12,660

Albert County and he said he he was he

1031

00:40:17,210 --> 00:40:15,180

said absolutely they were and I found

1032

00:40:18,170 --> 00:40:17,220

that to be interesting he also told me

1033

00:40:19,970 --> 00:40:18,180

that

1034

00:40:22,250 --> 00:40:19,980

um you know if I wanted to find out more

1035

00:40:25,130 --> 00:40:22,260

about these two a7d interceptors that

1036

00:40:26,990 --> 00:40:25,140

had crashed in pursuit of a UFO

1037

00:40:28,970 --> 00:40:27,000

um to go ahead and send a foia to

1038

00:40:32,270 --> 00:40:28,980

Kirkland Air Force Base mishaps office

1039

00:40:33,890 --> 00:40:32,280

which I did and I received that back I

1040

00:40:37,370 --> 00:40:33,900

could share that with you really quickly

1041

00:40:39,770 --> 00:40:37,380

it was really it's right here

1042

00:40:40,730 --> 00:40:39,780

um but it's you know it's it's a lot of

1043

00:40:43,430 --> 00:40:40,740

information

1044

00:40:45,050 --> 00:40:43,440

um a lot of it's reduced out but what

1045

00:40:46,609 --> 00:40:45,060

that's all about let me find those

1046

00:40:48,770 --> 00:40:46,619

slides I'm not sure where they are here

1047

00:40:51,109 --> 00:40:48,780

you know I'm just going to say here this

1048

00:40:53,750 --> 00:40:51,119

is amazing Louie because here we have

1049

00:40:56,510 --> 00:40:53,760

Arrow the resolution office who shows us

1050

00:40:59,150 --> 00:40:56,520

very little and quite frankly would

1051
00:41:01,430 --> 00:40:59,160
rather be at somebody else's problem and

1052
00:41:02,930 --> 00:41:01,440
here we are sitting with Katie page and

1053
00:41:05,150 --> 00:41:02,940
she's going through all this research

1054
00:41:08,109 --> 00:41:05,160
which is more than what we get from the

1055
00:41:10,910 --> 00:41:08,119
government when they do briefings or

1056
00:41:13,310 --> 00:41:10,920
declassification of of things it's just

1057
00:41:15,890 --> 00:41:13,320
it fascinates me that they always start

1058
00:41:17,569 --> 00:41:15,900
from fresh you know what I mean 40 year

1059
00:41:19,970 --> 00:41:17,579
old information some of these articles

1060
00:41:21,290 --> 00:41:19,980
right this is not there is a he even if

1061
00:41:23,390 --> 00:41:21,300
they just went with the public record

1062
00:41:29,270 --> 00:41:23,400
they could produce more in the hearing

1063
00:41:34,430 --> 00:41:31,490

and that's what's so frustrating to

1064

00:41:36,170 --> 00:41:34,440

watch these these these hearings they

1065

00:41:38,089 --> 00:41:36,180

don't know the history of ufology they

1066

00:41:40,250 --> 00:41:38,099

don't know anything did we start from

1067

00:41:41,750 --> 00:41:40,260

scratch Katie from scratch every time

1068

00:41:43,730 --> 00:41:41,760

and always grab an idiot that doesn't

1069

00:41:46,010 --> 00:41:43,740

know anything about the subject like

1070

00:41:49,370 --> 00:41:46,020

here you handle this it's like why not

1071

00:41:51,829 --> 00:41:49,380

go like it's oh man yeah they just don't

1072

00:41:53,930 --> 00:41:51,839

know and and maybe it's not of any fault

1073

00:41:55,010 --> 00:41:53,940

of their own all these phenomenon

1074

00:41:57,170 --> 00:41:55,020

they've been buried they've been

1075

00:41:59,450 --> 00:41:57,180

compartmentalized they've been you know

1076

00:42:02,390 --> 00:41:59,460

mocked and ridiculed and this is silly

1077

00:42:04,250 --> 00:42:02,400

and and so it's the whole thing uh but

1078

00:42:06,410 --> 00:42:04,260

really they need to get up to speed on

1079

00:42:08,750 --> 00:42:06,420

on these topics and and all these

1080

00:42:11,390 --> 00:42:08,760

different parts or you know different

1081

00:42:13,550 --> 00:42:11,400

things that were happening and and still

1082

00:42:15,290 --> 00:42:13,560

are to a degree

1083

00:42:17,210 --> 00:42:15,300

um and that's what's fascinating to me

1084

00:42:19,730 --> 00:42:17,220

and I'll get get into that as we close

1085

00:42:22,609 --> 00:42:19,740

this off but really quickly before

1086

00:42:25,130 --> 00:42:22,619

um I go to these are some of the

1087

00:42:27,650 --> 00:42:25,140

articles that um that bill Wall's Widow

1088

00:42:29,089 --> 00:42:27,660

had shared with me um helicopter menaces

1089

00:42:33,290 --> 00:42:29,099

girls related to Stockbridge these were

1090

00:42:35,329 --> 00:42:33,300

all Albert County so I asked um uh

1091

00:42:37,130 --> 00:42:35,339

Richard Dodie I'm like why would these

1092

00:42:38,829 --> 00:42:37,140

helicopters these unmarked helicopters

1093

00:42:41,450 --> 00:42:38,839

be chasing

1094

00:42:43,670 --> 00:42:41,460

young kid like teenager kids like

1095

00:42:46,370 --> 00:42:43,680

scaring the the tar out of these and he

1096

00:42:48,170 --> 00:42:46,380

said as a distraction a distraction for

1097

00:42:49,790 --> 00:42:48,180

what what are they doing so the question

1098

00:42:52,849 --> 00:42:49,800

was always chicken or egg right were

1099

00:42:55,069 --> 00:42:52,859

they out there investigating the unknown

1100

00:42:56,569 --> 00:42:55,079

who you know these mutilations and all

1101

00:42:58,250 --> 00:42:56,579

these other strange things that were

1102

00:43:00,410 --> 00:42:58,260

happening they knew they were aware of

1103

00:43:02,930 --> 00:43:00,420

the Sasquatch in the area and everything

1104

00:43:04,910 --> 00:43:02,940

were they out there trying to figure out

1105

00:43:07,069 --> 00:43:04,920

what's going on or were they out there

1106

00:43:08,690 --> 00:43:07,079

causing it you know which came first or

1107

00:43:11,150 --> 00:43:08,700

was it a combination of both I don't

1108

00:43:14,050 --> 00:43:11,160

know that's always been uh

1109

00:43:16,609 --> 00:43:14,060

a question I've had but this was a

1110

00:43:19,609 --> 00:43:16,619

research study it's an interesting

1111

00:43:21,650 --> 00:43:19,619

little booklet I came across called the

1112

00:43:23,990 --> 00:43:21,660

Choppers and the Choppers and and this

1113

00:43:26,569 --> 00:43:24,000

kind of was research done

1114

00:43:29,150 --> 00:43:26,579

um looking at the mystery helicopters

1115

00:43:31,010 --> 00:43:29,160

and animal mutilations and they they

1116

00:43:32,990 --> 00:43:31,020

went through and took all these reports

1117

00:43:37,730 --> 00:43:33,000

and there were hundreds of them and you

1118

00:43:40,250 --> 00:43:37,740

know two 207 uh events here they

1119

00:43:42,170 --> 00:43:40,260

you know by month when what months are

1120

00:43:45,410 --> 00:43:42,180

more active what days of the week are

1121

00:43:47,690 --> 00:43:45,420

more active August one right so August

1122

00:43:51,370 --> 00:43:47,700

seems to be good for the listeners yeah

1123

00:43:54,349 --> 00:43:51,380

August summer days and October 2nd yeah

1124

00:43:56,030 --> 00:43:54,359

so from basically August October is a

1125

00:43:58,130 --> 00:43:56,040

more activity and Monday and Thursdays

1126

00:43:59,450 --> 00:43:58,140

look like hot days right which is

1127

00:44:03,349 --> 00:43:59,460

something home on Monday and Thursday

1128

00:44:08,270 --> 00:44:05,390

guys those are those are days to watch

1129

00:44:09,890 --> 00:44:08,280

right that's awesome and Thursdays

1130

00:44:11,450 --> 00:44:09,900

um but look at these different states

1131

00:44:12,829 --> 00:44:11,460

because these mutilations they were

1132

00:44:15,410 --> 00:44:12,839

occurring you know across the Midwest

1133

00:44:18,050 --> 00:44:15,420

you know you had a mutilation happening

1134

00:44:19,790 --> 00:44:18,060

in Montana and one in Colorado almost at

1135

00:44:21,710 --> 00:44:19,800

the same time so these different police

1136

00:44:25,190 --> 00:44:21,720

departments were communicating with one

1137

00:44:26,809 --> 00:44:25,200

another and they had like maps in their

1138

00:44:29,089 --> 00:44:26,819

offices of these different mutilations

1139

00:44:31,550 --> 00:44:29,099

and tracking when and where they were

1140

00:44:34,490 --> 00:44:31,560

happening so you have one in Montana and

1141

00:44:35,930 --> 00:44:34,500

one in Colorado same day same time like

1142

00:44:37,910 --> 00:44:35,940

why does that happen but you could kind

1143

00:44:39,410 --> 00:44:37,920

of see here Arizona Arkansas Colorado

1144

00:44:41,630 --> 00:44:39,420

was definitely hit the hardest there

1145

00:44:43,670 --> 00:44:41,640

Illinois Iowa Kansas Minnesota Missouri

1146

00:44:45,430 --> 00:44:43,680

Montana and Nebraska and on down the

1147

00:44:47,930 --> 00:44:45,440

line so that was a really interesting

1148

00:44:48,890 --> 00:44:47,940

I'm gonna talk about this real quick I

1149

00:44:50,329 --> 00:44:48,900

don't have time to share the whole

1150

00:44:52,970 --> 00:44:50,339

presentation but

1151

00:44:54,530 --> 00:44:52,980

um no I will be at contact in the desert

1152

00:44:56,690 --> 00:44:54,540

given this presentation there's going to

1153

00:44:58,309 --> 00:44:56,700

be a whole much much more added to it so

1154

00:45:00,410 --> 00:44:58,319

I hope to see you guys out of contact in

1155

00:45:02,690 --> 00:45:00,420

the desert um but anyway

1156

00:45:04,370 --> 00:45:02,700

um so these were doctor this was Dr

1157

00:45:06,410 --> 00:45:04,380

sprinkles how underwriting right here

1158

00:45:08,270 --> 00:45:06,420

and this says Bill while the

1159

00:45:09,849 --> 00:45:08,280

undersheriff wants to talk to someone he

1160

00:45:12,770 --> 00:45:09,859

has seen ships going into the ground

1161

00:45:14,510 --> 00:45:12,780

boxes and mutilations being done nobody

1162

00:45:16,490 --> 00:45:14,520

will talk he doesn't want investigation

1163

00:45:18,470 --> 00:45:16,500

because of the publicity doesn't want

1164

00:45:20,870 --> 00:45:18,480

the stigma his credentials are an

1165

00:45:24,410 --> 00:45:20,880

important factor John would go back now

1166

00:45:26,710 --> 00:45:24,420

John is the gentleman who was the man

1167

00:45:29,329 --> 00:45:26,720

who lived at the ranch okay

1168

00:45:31,970 --> 00:45:29,339

NORAD Colonel said bluntly to forget

1169

00:45:34,730 --> 00:45:31,980

about it and to shut up the Air Force

1170

00:45:36,890 --> 00:45:34,740

head has a directive to handle UFOs and

1171

00:45:38,569 --> 00:45:36,900

Bigfoot what's really interesting about

1172

00:45:41,329 --> 00:45:38,579

the Sasquatch creature scene out there

1173

00:45:43,190 --> 00:45:41,339

Elbert County it's a pretty rural area

1174

00:45:44,870 --> 00:45:43,200

it's not very mountainy it's not like

1175

00:45:47,210 --> 00:45:44,880

squatchy I hate to use that with

1176
00:45:50,930 --> 00:45:47,220
squatchy but you know there's these big

1177
00:45:54,109 --> 00:45:50,940
patches of like uh Ponderosa Pines right

1178
00:45:55,370 --> 00:45:54,119
but yet these Sasquatch were seen out

1179
00:45:56,809 --> 00:45:55,380
there not only that they were like

1180
00:45:59,270 --> 00:45:56,819
banging on things they would stand

1181
00:46:01,490 --> 00:45:59,280
behind the barn they collected hair they

1182
00:46:04,670 --> 00:46:01,500
collected Footprints

1183
00:46:06,290 --> 00:46:04,680
um they seem to me and this is just my

1184
00:46:08,930 --> 00:46:06,300
opinion and I know it's controversial

1185
00:46:12,230 --> 00:46:08,940
and there's a really good book by Stan

1186
00:46:14,690 --> 00:46:12,240
Gordon that kind of also says kind of

1187
00:46:17,089 --> 00:46:14,700
the same thing I feel that these

1188
00:46:18,710 --> 00:46:17,099

Sasquatch creatures in this instant were

1189

00:46:21,050 --> 00:46:18,720
connected to the craft they were

1190

00:46:22,430 --> 00:46:21,060
connected to the UFOs it was all one

1191

00:46:23,809 --> 00:46:22,440
phenomenal that was going on I don't

1192

00:46:25,910 --> 00:46:23,819
know if they were like bodyguards or

1193

00:46:28,370 --> 00:46:25,920
workers or if they were the actual ETS

1194

00:46:30,410 --> 00:46:28,380
themselves I mean why couldn't they be

1195

00:46:32,450 --> 00:46:30,420
ETS themselves a whole race from a

1196

00:46:34,849 --> 00:46:32,460
different I don't know but I'm just

1197

00:46:36,050 --> 00:46:34,859
saying out there it seemed like they

1198

00:46:37,730 --> 00:46:36,060
were connected

1199

00:46:39,170 --> 00:46:37,740
um so I'm going to play this again this

1200

00:46:40,849 --> 00:46:39,180
interview before you move the slide

1201
00:46:42,710 --> 00:46:40,859
though look at the very last bullet

1202
00:46:47,450 --> 00:46:42,720
point and what year is this from roughly

1203
00:46:50,510 --> 00:46:47,460
are we talking 70. 76 76. so as of 1976

1204
00:46:53,210 --> 00:46:50,520
the Air Force head has a directive to

1205
00:46:54,890 --> 00:46:53,220
handle UFOs and Bigfoot so this talk of

1206
00:46:56,690 --> 00:46:54,900
oh we're just starting to investigate

1207
00:46:59,450 --> 00:46:56,700
now the government's starting to take it

1208
00:47:01,750 --> 00:46:59,460
seriously it's nonsense yeah no in fact

1209
00:47:05,510 --> 00:47:01,760
let me find it so this so

1210
00:47:07,910 --> 00:47:05,520
David Marler who you know he's my hero

1211
00:47:09,950 --> 00:47:07,920
of ufology he you know has his big

1212
00:47:12,170 --> 00:47:09,960
archives historical archives out there

1213
00:47:14,150 --> 00:47:12,180

outside of Albuquerque New Mexico and

1214

00:47:16,069 --> 00:47:14,160

I've I've done some research you know at

1215

00:47:17,270 --> 00:47:16,079

his place a few times and I'm digging

1216

00:47:18,950 --> 00:47:17,280

through his things trying to find things

1217

00:47:20,630 --> 00:47:18,960

from this this decade it's my favorite

1218

00:47:22,609 --> 00:47:20,640

decade to research and I come across

1219

00:47:24,470 --> 00:47:22,619

this the North American Air Defense

1220

00:47:26,930 --> 00:47:24,480

command NORAD has acknowledged publicly

1221

00:47:28,670 --> 00:47:26,940

that an unidentifying flying object was

1222

00:47:30,890 --> 00:47:28,680

tracked on radar and Jet interceptors

1223

00:47:32,450 --> 00:47:30,900

were scrambled after it and this was

1224

00:47:34,910 --> 00:47:32,460

like I don't know how many pages this

1225

00:47:36,829 --> 00:47:34,920

thing was it was several Pages

1226

00:47:39,470 --> 00:47:36,839

um this was out of Canada actually

1227

00:47:42,170 --> 00:47:39,480

um go Canada so our NORAD facility there

1228

00:47:45,349 --> 00:47:42,180

in Canada and um so early in the morning

1229

00:47:46,790 --> 00:47:45,359

of November 11 1975 so we're right

1230

00:47:50,510 --> 00:47:46,800

around the same time as Albert County

1231

00:47:52,609 --> 00:47:50,520

you know they scrambled a an Interceptor

1232

00:47:54,950 --> 00:47:52,619

so I'm like oh my gosh that that's

1233

00:47:57,410 --> 00:47:54,960

they're admitting that they did that and

1234

00:47:59,210 --> 00:47:57,420

in this document it stated that they

1235

00:48:01,550 --> 00:47:59,220

they did an article on it and Dave

1236

00:48:03,109 --> 00:48:01,560

Dave's like oh I bet I have that article

1237

00:48:05,870 --> 00:48:03,119

and he's all organized in his file

1238

00:48:08,089 --> 00:48:05,880

cabinets and sure enough we pulled it

1239

00:48:10,849 --> 00:48:08,099

out and there it is Air Force scrambled

1240

00:48:12,770 --> 00:48:10,859

Jets to intercept UFO Dave is unreal

1241

00:48:14,569 --> 00:48:12,780

isn't he like he's unreal yeah was that

1242

00:48:16,849 --> 00:48:14,579

when the National Enquirer wasn't a

1243

00:48:19,550 --> 00:48:16,859

tabloid mag or were they still no I

1244

00:48:22,670 --> 00:48:19,560

think they were a tabloid like oh my

1245

00:48:24,950 --> 00:48:22,680

gosh nobody took National Enquirer very

1246

00:48:27,710 --> 00:48:24,960

seriously but now looking back I'm like

1247

00:48:29,349 --> 00:48:27,720

wait a minute we were Bamboozled a lot

1248

00:48:32,329 --> 00:48:29,359

of this stuff was true

1249

00:48:33,710 --> 00:48:32,339

so that's really interesting so I know

1250

00:48:35,329 --> 00:48:33,720

I'm kind of skipping around here but

1251

00:48:37,010 --> 00:48:35,339

this was

1252

00:48:39,349 --> 00:48:37,020

um you know you could see the redactions

1253

00:48:42,950 --> 00:48:39,359

but what's interesting about this so two

1254

00:48:46,550 --> 00:48:42,960

interceptors in Dr sprinkle's archives

1255

00:48:48,170 --> 00:48:46,560

said they crashed in pursuit of a UFO

1256

00:48:50,329 --> 00:48:48,180

and I'm like well certainly there must

1257

00:48:51,890 --> 00:48:50,339

be an article about that

1258

00:48:55,250 --> 00:48:51,900

um and I found the article I got the

1259

00:48:56,870 --> 00:48:55,260

date and I foiled about these things and

1260

00:48:59,210 --> 00:48:56,880

what's interesting is one of the causes

1261

00:49:02,150 --> 00:48:59,220

and there were several supposedly it was

1262

00:49:04,430 --> 00:49:02,160

a instructor and a student that were

1263

00:49:06,890 --> 00:49:04,440

scrambled um out of Buckley Air Force

1264

00:49:10,609 --> 00:49:06,900

Base outside of Albert County at night

1265

00:49:12,770 --> 00:49:10,619

with 255 live rounds of ammunition over

1266

00:49:15,349 --> 00:49:12,780

residential areas over Elizabeth and

1267

00:49:16,910 --> 00:49:15,359

Albert County and one of the causes it

1268

00:49:19,309 --> 00:49:16,920

says right here the instructor pilot

1269

00:49:21,109 --> 00:49:19,319

misidentified the rotating Beacon of

1270

00:49:23,270 --> 00:49:21,119

another aircraft as the student's

1271

00:49:25,010 --> 00:49:23,280

aircraft nowhere else in all of these

1272

00:49:26,930 --> 00:49:25,020

pages does it identify what that

1273

00:49:28,910 --> 00:49:26,940

aircraft was it doesn't say it was a

1274

00:49:30,470 --> 00:49:28,920

Cessna it doesn't even in the

1275

00:49:32,510 --> 00:49:30,480

transcripts from the tower it never

1276

00:49:34,790 --> 00:49:32,520

identifies another aircraft in the

1277

00:49:37,490 --> 00:49:34,800

vicinity so I found found that to be

1278

00:49:39,890 --> 00:49:37,500

suspicious and unusual both Pilots

1279

00:49:41,510 --> 00:49:39,900

ejected both Pilots

1280

00:49:42,829 --> 00:49:41,520

um survived

1281

00:49:45,730 --> 00:49:42,839

um so if you're out there and you're

1282

00:49:48,890 --> 00:49:47,270

anyway

1283

00:49:50,510 --> 00:49:48,900

um so you know that just goes to show

1284

00:49:54,410 --> 00:49:50,520

you here's the original article I found

1285

00:49:56,870 --> 00:49:54,420

how important research is to go and do

1286

00:50:00,589 --> 00:49:56,880

the work to do the digging I I found

1287

00:50:03,309 --> 00:50:00,599

that article there November 12 1975 sure

1288

00:50:06,170 --> 00:50:03,319

enough these two interceptors collided

1289

00:50:08,450 --> 00:50:06,180

and in Dr sprinkles it says they were in

1290

00:50:10,309 --> 00:50:08,460

pursuit of a UFO and to find oh here's

1291

00:50:11,750 --> 00:50:10,319

the original thing from the report I

1292

00:50:13,069 --> 00:50:11,760

also understand the two National Guard

1293

00:50:14,990 --> 00:50:13,079

interceptors were up and then it's

1294

00:50:16,849 --> 00:50:15,000

redacted and we went down in pursuit of

1295

00:50:18,530 --> 00:50:16,859

a UFO at night

1296

00:50:20,450 --> 00:50:18,540

um all of this was a little unnerving so

1297

00:50:21,710 --> 00:50:20,460

I was going to stop my own inquiry I was

1298

00:50:22,970 --> 00:50:21,720

just going to quietly mind my own

1299

00:50:26,150 --> 00:50:22,980

business so that's from the sheriff

1300

00:50:28,250 --> 00:50:26,160

that's a quote from the sheriff so it

1301
00:50:30,290 --> 00:50:28,260
we're not colliding with these objects

1302
00:50:32,089 --> 00:50:30,300
necessarily in mid-air but we're

1303
00:50:34,190 --> 00:50:32,099
colliding with ourselves trying to chase

1304
00:50:36,410 --> 00:50:34,200
these objects in a minute right all

1305
00:50:38,450 --> 00:50:36,420
right gotcha yeah they collided and and

1306
00:50:40,130 --> 00:50:38,460
also on the report it stated that the

1307
00:50:42,349 --> 00:50:40,140
instructor

1308
00:50:45,109 --> 00:50:42,359
um the student had turned off his Beacon

1309
00:50:47,210 --> 00:50:45,119
Light and so the instructor hit the tail

1310
00:50:49,790 --> 00:50:47,220
and that and they both went down

1311
00:50:52,130 --> 00:50:49,800
um so both both ejected both Pilots

1312
00:50:54,049 --> 00:50:52,140
survived so there's that

1313
00:50:57,170 --> 00:50:54,059

um so this was interesting again let me

1314

00:50:58,849 --> 00:50:57,180

play this little audio clip um back to

1315

00:51:01,670 --> 00:50:58,859

this again I know we kind of diverted

1316

00:51:04,250 --> 00:51:01,680

off of there a little bit but this is

1317

00:51:06,470 --> 00:51:04,260

um billwell's son talking about what

1318

00:51:09,589 --> 00:51:06,480

where he remembers and he actually

1319

00:51:12,650 --> 00:51:09,599

remembers going to Norad with his father

1320

00:51:16,010 --> 00:51:12,660

so this is that little interview here

1321

00:51:20,390 --> 00:51:16,020

um it's what two minutes long

1322

00:51:23,870 --> 00:51:20,400

again it was in the daytime and

1323

00:51:26,150 --> 00:51:23,880

a helicopter one or two of them

1324

00:51:28,069 --> 00:51:26,160

took off from our backfield

1325

00:51:30,230 --> 00:51:28,079

and the thing about helicopters they

1326

00:51:33,109 --> 00:51:30,240

make a lot of noise I threw off dust

1327

00:51:35,510 --> 00:51:33,119

but they did they took off but I

1328

00:51:37,630 --> 00:51:35,520

remember dad got in touch with NORAD

1329

00:51:40,490 --> 00:51:37,640

and I think I rode with him all one time

1330

00:51:43,490 --> 00:51:40,500

but you probably did he asked them to

1331

00:51:45,170 --> 00:51:43,500

make sure to keep you know the army or

1332

00:51:46,970 --> 00:51:45,180

whatever out of the county and doing

1333

00:51:49,010 --> 00:51:46,980

this investigations

1334

00:51:52,010 --> 00:51:49,020

because they didn't want anything going

1335

00:51:54,770 --> 00:51:52,020

on when people saw this I mean you could

1336

00:51:56,270 --> 00:51:54,780

tell a helicopter from something that

1337

00:51:58,849 --> 00:51:56,280

does not make noise

1338

00:52:00,890 --> 00:51:58,859

and they had a Stapleton airport at the

1339

00:52:02,809 --> 00:52:00,900

time you know they would work with the

1340

00:52:05,569 --> 00:52:02,819

tracking and the radar they would send

1341

00:52:07,370 --> 00:52:05,579

planes up flying around and Stapleton

1342

00:52:09,589 --> 00:52:07,380

airport would tell them it's like you

1343

00:52:11,630 --> 00:52:09,599

got a fly flying object directly below

1344

00:52:14,329 --> 00:52:11,640

you with one of the ranchers most of the

1345

00:52:16,670 --> 00:52:14,339

ranchers had their own little plane and

1346

00:52:18,530 --> 00:52:16,680

they had notified the Air Force Academy

1347

00:52:20,690 --> 00:52:18,540

out of Colorado Springs they had

1348

00:52:24,230 --> 00:52:20,700

notified Stapleton Airport

1349

00:52:26,510 --> 00:52:24,240

to not have any flyovers at this

1350

00:52:28,549 --> 00:52:26,520

particular time and they were up in the

1351

00:52:30,589 --> 00:52:28,559

and he was up in this plane minus my

1352

00:52:31,970 --> 00:52:30,599

husband's up in this plane right next to

1353

00:52:34,549 --> 00:52:31,980

him came this

1354

00:52:36,470 --> 00:52:34,559

look is white whatever it was came up

1355

00:52:37,790 --> 00:52:36,480

beside them and they could see a black

1356

00:52:39,650 --> 00:52:37,800

object

1357

00:52:42,170 --> 00:52:39,660

sitting in a pilot seat

1358

00:52:44,390 --> 00:52:42,180

and they radioed Stapleton and find out

1359

00:52:47,809 --> 00:52:44,400

who was there and they said there's not

1360

00:52:50,930 --> 00:52:47,819

nothing on radar and that thing but

1361

00:52:52,609 --> 00:52:50,940

took off I don't want the stories that

1362

00:52:54,589 --> 00:52:52,619

he told me when they were up there and

1363

00:52:57,349 --> 00:52:54,599

it was Stapleton notified him that

1364

00:52:59,870 --> 00:52:57,359

there's something unidentified flying

1365

00:53:02,089 --> 00:52:59,880

next to him and then it just disappeared

1366

00:53:04,790 --> 00:53:02,099

off the screen off the radar it was gone

1367

00:53:06,829 --> 00:53:04,800

that's why my dad talked to the people

1368

00:53:08,390 --> 00:53:06,839

at Nora at Cheyenne Mountain told them

1369

00:53:11,329 --> 00:53:08,400

to keep the helicopters out of the

1370

00:53:13,270 --> 00:53:11,339

county at the time because you know

1371

00:53:16,670 --> 00:53:13,280

ranchers

1372

00:53:18,650 --> 00:53:16,680

they'll shoot at him yeah great I mean

1373

00:53:20,930 --> 00:53:18,660

you just got to put yourself in the

1374

00:53:23,089 --> 00:53:20,940

mindset of this Talent at the time this

1375

00:53:25,970 --> 00:53:23,099

is a small town and you know it wasn't

1376
00:53:27,829 --> 00:53:25,980
just Kiowa Kyle was the hardest hit but

1377
00:53:30,049 --> 00:53:27,839
you have Elizabeth and Rhema in this

1378
00:53:33,069 --> 00:53:30,059
whole area just like the Uinta Basin

1379
00:53:35,750 --> 00:53:33,079
kinda you know and what what is causing

1380
00:53:38,750 --> 00:53:35,760
this activity you know is it

1381
00:53:43,849 --> 00:53:38,760
interdimensional is it the military is

1382
00:53:46,250 --> 00:53:43,859
it Are UFOs coming in and you know I I

1383
00:53:48,890 --> 00:53:46,260
just don't I just don't know and and for

1384
00:53:50,690 --> 00:53:48,900
me I think as an investigator as

1385
00:53:52,430 --> 00:53:50,700
somebody who wants simple answers like

1386
00:53:54,109 --> 00:53:52,440
we all want to say oh they're all good

1387
00:53:56,210 --> 00:53:54,119
they're all bad they're all it's all

1388
00:53:58,849 --> 00:53:56,220

military it's all this so I think it's

1389

00:54:00,410 --> 00:53:58,859

just so complex and I I just think we're

1390

00:54:02,750 --> 00:54:00,420

looking at so many different answers

1391

00:54:04,910 --> 00:54:02,760

well what makes it really interesting is

1392

00:54:07,130 --> 00:54:04,920

is when you start looking at it and you

1393

00:54:09,230 --> 00:54:07,140

think you put apply logic and reason to

1394

00:54:11,510 --> 00:54:09,240

it it doesn't make sense because the

1395

00:54:13,490 --> 00:54:11,520

animal uh when we're talking to Chuck

1396

00:54:15,230 --> 00:54:13,500

was saying that there's and Louis you

1397

00:54:16,910 --> 00:54:15,240

mentioned this too and when we spoke

1398

00:54:18,950 --> 00:54:16,920

with them is that there's you know

1399

00:54:22,130 --> 00:54:18,960

location a where the animals taken it's

1400

00:54:24,049 --> 00:54:22,140

taken to location B wherever procedures

1401

00:54:26,510 --> 00:54:24,059

is done to it then it's dropped off at

1402

00:54:28,370 --> 00:54:26,520

location C which is in the vicinity of

1403

00:54:32,150 --> 00:54:28,380

location a where it was first picked up

1404

00:54:33,650 --> 00:54:32,160

but it happened so fast like you know

1405

00:54:35,690 --> 00:54:33,660

the ranchers were saying how they they

1406

00:54:37,609 --> 00:54:35,700

had the video you played how they had

1407

00:54:40,730 --> 00:54:37,619

just seen the animal all what was wrong

1408

00:54:42,410 --> 00:54:40,740

with it was just a diamond cut square on

1409

00:54:44,390 --> 00:54:42,420

it with firmness square cut with fur

1410

00:54:46,910 --> 00:54:44,400

yeah yeah then he leave for 30 minutes

1411

00:54:49,370 --> 00:54:46,920

come back whatever had done that to the

1412

00:54:52,309 --> 00:54:49,380

animal came back and finished the job

1413

00:54:53,990 --> 00:54:52,319

right so it's it's weird there's like a

1414

00:54:57,049 --> 00:54:54,000

Consciousness you're where it's aware

1415

00:54:58,010 --> 00:54:57,059

that you were there right right and in

1416

00:54:59,990 --> 00:54:58,020

my mind

1417

00:55:02,750 --> 00:55:00,000

um you know I I've just recently got to

1418

00:55:04,670 --> 00:55:02,760

know and speak with um Dr Simeon Hein

1419

00:55:07,670 --> 00:55:04,680

he's out of Boulder Colorado here and

1420

00:55:09,230 --> 00:55:07,680

he's a brilliant physicist and you know

1421

00:55:11,630 --> 00:55:09,240

he does a lot of work with these crop

1422

00:55:14,450 --> 00:55:11,640

circles a whole other area that I

1423

00:55:16,010 --> 00:55:14,460

haven't really gotten into and again you

1424

00:55:17,809 --> 00:55:16,020

know we're fed oh no those are all

1425

00:55:19,910 --> 00:55:17,819

man-made they're not all man-made not

1426

00:55:21,650 --> 00:55:19,920

all of them a great majority of them

1427

00:55:24,170 --> 00:55:21,660

probably are man-made but not all of

1428

00:55:26,630 --> 00:55:24,180

them are and there's really even the

1429

00:55:29,569 --> 00:55:26,640

man-made crop circles Dr Simeon was

1430

00:55:32,210 --> 00:55:29,579

telling me that they can go in and look

1431

00:55:34,910 --> 00:55:32,220

at the the magnetic anomalies of even

1432

00:55:37,309 --> 00:55:34,920

the man-made circles and they're super

1433

00:55:40,190 --> 00:55:37,319

highly magnetic and then it got me

1434

00:55:43,670 --> 00:55:40,200

thinking you know these balls of energy

1435

00:55:46,069 --> 00:55:43,680

or these orbs that some people claim May

1436

00:55:49,010 --> 00:55:46,079

perhaps create some of these crop

1437

00:55:51,170 --> 00:55:49,020

circles are these same things mutilating

1438

00:55:53,210 --> 00:55:51,180

cattle are they balls of light are they

1439

00:55:54,950 --> 00:55:53,220

because it happens that fast and then

1440

00:55:56,990 --> 00:55:54,960

you have that sense of being watched can

1441

00:55:59,630 --> 00:55:57,000

something like like that do something

1442

00:56:01,970 --> 00:55:59,640

like that drain blood and put I don't

1443

00:56:04,490 --> 00:56:01,980

know I'm just my mind kind of goes like

1444

00:56:06,589 --> 00:56:04,500

you know I don't know but so many

1445

00:56:08,390 --> 00:56:06,599

mysterious things and you you I think

1446

00:56:10,309 --> 00:56:08,400

there was Chuck Zukowski might know the

1447

00:56:11,990 --> 00:56:10,319

answer to this I or Christopher O'Brien

1448

00:56:13,609 --> 00:56:12,000

I think talks about one of the cattle

1449

00:56:15,710 --> 00:56:13,619

mutilated was actually put on the

1450

00:56:17,870 --> 00:56:15,720

doorstep of NORAD I think that's in one

1451

00:56:20,809 --> 00:56:17,880

of the books you I think there was one

1452

00:56:23,569 --> 00:56:20,819

like under like a bull under like a huge

1453

00:56:25,790 --> 00:56:23,579

the way they're found in positions are

1454

00:56:28,309 --> 00:56:25,800

very unusual like it doesn't make any

1455

00:56:29,809 --> 00:56:28,319

sense again yeah sorry I was just gonna

1456

00:56:32,870 --> 00:56:29,819

say there's also been cases where the

1457

00:56:34,609 --> 00:56:32,880

animals weren't killed but were put in

1458

00:56:36,410 --> 00:56:34,619

weird places like a farmer went out was

1459

00:56:38,450 --> 00:56:36,420

missing a whole bunch of bulls and they

1460

00:56:41,150 --> 00:56:38,460

were all stacked in a barn that was

1461

00:56:42,890 --> 00:56:41,160

padlocked from the outside like a jigsaw

1462

00:56:45,410 --> 00:56:42,900

puzzle like they were all holding each

1463

00:56:47,210 --> 00:56:45,420

other in such a way and this these are 2

1464

00:56:48,829 --> 00:56:47,220

500 pound animals some of them right so

1465

00:56:51,470 --> 00:56:48,839

right they weren't killed or mutilated

1466

00:56:53,030 --> 00:56:51,480

but taken from where they were and it's

1467

00:56:54,770 --> 00:56:53,040

like almost like the entity or the

1468

00:56:57,650 --> 00:56:54,780

intelligence is trying to mess with

1469

00:56:59,030 --> 00:56:57,660

people exactly that that's a sense I

1470

00:57:01,010 --> 00:56:59,040

really got from researching this like

1471

00:57:02,390 --> 00:57:01,020

there's a so many weird things and it's

1472

00:57:03,890 --> 00:57:02,400

a sense of that and that was out at

1473

00:57:06,230 --> 00:57:03,900

Skinwalker yeah they were all put in

1474

00:57:07,730 --> 00:57:06,240

that yeah the trailer do you have that

1475

00:57:09,530 --> 00:57:07,740

slide that was talking where about the

1476

00:57:11,510 --> 00:57:09,540

Mind Control where somebody yeah this is

1477

00:57:14,210 --> 00:57:11,520

it yeah can you just see the yeah this

1478

00:57:16,490 --> 00:57:14,220

is the MK so this was in Dr sprinkle's

1479

00:57:19,309 --> 00:57:16,500

notes again Warren blank last name

1480

00:57:21,950 --> 00:57:19,319

redacted from Camp Carson he visits the

1481

00:57:23,690 --> 00:57:21,960

ranch so number one I'm like well is

1482

00:57:25,190 --> 00:57:23,700

there somebody from Camp Carson visiting

1483

00:57:27,290 --> 00:57:25,200

the ranch what is that about number

1484

00:57:29,510 --> 00:57:27,300

that's my first question but he felt

1485

00:57:32,329 --> 00:57:29,520

something wrong he wouldn't go into the

1486

00:57:34,490 --> 00:57:32,339

woods something took over his mind made

1487

00:57:36,349 --> 00:57:34,500

him walk towards the woods would release

1488

00:57:38,690 --> 00:57:36,359

him and he could run back and this did

1489

00:57:41,329 --> 00:57:38,700

this to him five times five freaking

1490

00:57:45,290 --> 00:57:43,250

mind control what is that we haven't

1491

00:57:46,849 --> 00:57:45,300

even got into like the disappearing

1492

00:57:49,309 --> 00:57:46,859

boxes which I didn't talk about for a

1493

00:57:51,530 --> 00:57:49,319

long time but these boxes were witnessed

1494

00:57:54,049 --> 00:57:51,540

by several people including the

1495

00:57:56,210 --> 00:57:54,059

undersheriff bill wall and his posse men

1496

00:57:59,270 --> 00:57:56,220

out on patrol one night not only did he

1497

00:58:00,710 --> 00:57:59,280

say he saw this lit box disappear into

1498

00:58:02,270 --> 00:58:00,720

the ground but the tree next to it

1499

00:58:03,950 --> 00:58:02,280

disappeared as if they went into the

1500

00:58:06,230 --> 00:58:03,960

ground

1501
00:58:08,329 --> 00:58:06,240
um you know uh several people on the

1502
00:58:11,750 --> 00:58:08,339
ranch witnessed these boxes I witnessed

1503
00:58:13,790 --> 00:58:11,760
the box in the daytime in the daytime it

1504
00:58:15,650 --> 00:58:13,800
was about three four feet off in the

1505
00:58:17,990 --> 00:58:15,660
tree line and we were in the pickup

1506
00:58:19,849 --> 00:58:18,000
truck they had their dogs and

1507
00:58:22,970 --> 00:58:19,859
um we were just driving around in the

1508
00:58:25,250 --> 00:58:22,980
Ponderosa Pines and this humming sound

1509
00:58:26,809 --> 00:58:25,260
would start up and it was loud sometimes

1510
00:58:28,549 --> 00:58:26,819
that sound would get so loud you

1511
00:58:31,010 --> 00:58:28,559
couldn't talk over it that's how loud

1512
00:58:33,109 --> 00:58:31,020
this noise would get and we had pulled

1513
00:58:34,670 --> 00:58:33,119

the truck over to get some things out of

1514

00:58:36,950 --> 00:58:34,680

this little out building there by the

1515

00:58:38,870 --> 00:58:36,960

tree line that humming sound started up

1516

00:58:41,030 --> 00:58:38,880

and the adult in the situation was like

1517

00:58:43,130 --> 00:58:41,040

get in the truck get in the truck I look

1518

00:58:44,690 --> 00:58:43,140

back and three to four feet off the

1519

00:58:45,770 --> 00:58:44,700

ground of course I'm nine years old at

1520

00:58:49,309 --> 00:58:45,780

the time

1521

00:58:52,069 --> 00:58:49,319

um is this lit box this lit box and it

1522

00:58:53,750 --> 00:58:52,079

started making this like weird uh like

1523

00:58:56,809 --> 00:58:53,760

have you ever stood under like an

1524

00:58:59,150 --> 00:58:56,819

electrical power lines like yeah yeah

1525

00:59:02,270 --> 00:58:59,160

like a hum yeah

1526

00:59:04,250 --> 00:59:02,280

like that and this the tone of it

1527

00:59:05,870 --> 00:59:04,260

started to shift we look back there

1528

00:59:07,609 --> 00:59:05,880

yelling at us to get in the truck in the

1529

00:59:10,430 --> 00:59:07,619

truck and then I look over and that box

1530

00:59:14,030 --> 00:59:10,440

is gone just like that just gone

1531

00:59:16,670 --> 00:59:14,040

and um when John schussler learned of my

1532

00:59:18,410 --> 00:59:16,680

connection to the ranch property he very

1533

00:59:21,170 --> 00:59:18,420

quickly bestowed upon me the original

1534

00:59:23,870 --> 00:59:21,180

briefing document from that property and

1535

00:59:25,190 --> 00:59:23,880

it talks about talk about validation of

1536

00:59:29,390 --> 00:59:25,200

my memories

1537

00:59:32,210 --> 00:59:29,400

um talks about you know these boxes and

1538

00:59:33,470 --> 00:59:32,220

um in one instance it it's not when I

1539

00:59:35,089 --> 00:59:33,480

was there and I didn't witness this but

1540

00:59:39,170 --> 00:59:35,099

in the back of the ranch house the

1541

00:59:42,230 --> 00:59:39,180

adults witnessed that same box and they

1542

00:59:43,970 --> 00:59:42,240

claimed to have a contact with the two

1543

00:59:46,430 --> 00:59:43,980

different ET types that were out on the

1544

00:59:48,890 --> 00:59:46,440

ranch poverty I never saw ETS personally

1545

00:59:51,230 --> 00:59:48,900

out there but they claim to have seen

1546

00:59:53,870 --> 00:59:51,240

these two different ETS out there and

1547

00:59:58,190 --> 00:59:53,880

they said that those boxes were lethal

1548

01:00:00,410 --> 00:59:58,200

and they experi they they showed them

1549

01:00:03,109 --> 01:00:00,420

this by having one of the Sasquatch

1550

01:00:05,750 --> 01:00:03,119

creatures walk up to the box and that

1551

01:00:08,450 --> 01:00:05,760

tone started and it dropped it to its

1552

01:00:10,849 --> 01:00:08,460

knees as sort of like a warning like

1553

01:00:12,950 --> 01:00:10,859

don't mess with us we're here doing our

1554

01:00:15,470 --> 01:00:12,960

thing we'll stay out of your hair you'll

1555

01:00:18,349 --> 01:00:15,480

stay out of ours and you know these

1556

01:00:20,089 --> 01:00:18,359

boxes are lethal so and somebody came up

1557

01:00:22,849 --> 01:00:20,099

to me at a conference and said you know

1558

01:00:24,349 --> 01:00:22,859

those boxes and these humming noises do

1559

01:00:26,569 --> 01:00:24,359

you think that they were like

1560

01:00:28,190 --> 01:00:26,579

hypnotizing or

1561

01:00:30,289 --> 01:00:28,200

um doing something to the cattle to

1562

01:00:32,990 --> 01:00:30,299

maybe because you heard our one witness

1563

01:00:35,510 --> 01:00:33,000

in Wyoming say in the pastures where

1564

01:00:37,069 --> 01:00:35,520

these mutilations were occurring the

1565

01:00:38,510 --> 01:00:37,079

cattle were calm and they were all

1566

01:00:40,849 --> 01:00:38,520

huddled together

1567

01:00:43,490 --> 01:00:40,859

in the adjoining pastures they were all

1568

01:00:47,329 --> 01:00:43,500

freaked out right so were they using

1569

01:00:49,309 --> 01:00:47,339

these tones the sound frequencies

1570

01:00:53,210 --> 01:00:49,319

and these two

1571

01:00:55,130 --> 01:00:53,220

like calm the cattle or communicate were

1572

01:00:57,530 --> 01:00:55,140

they communication devices were they

1573

01:01:00,410 --> 01:00:57,540

hypnotic devices were they mind control

1574

01:01:03,650 --> 01:01:00,420

devices so many different theories that

1575

01:01:05,450 --> 01:01:03,660

could possibly I I have no idea but even

1576

01:01:09,589 --> 01:01:05,460

yeah because even this gentleman here

1577

01:01:11,510 --> 01:01:09,599

Warren blank whoever he was I mean if we

1578

01:01:13,549 --> 01:01:11,520

think about this the fact that he would

1579

01:01:15,829 --> 01:01:13,559

go towards the woods like as if he was

1580

01:01:17,750 --> 01:01:15,839

controlled under mind control and in

1581

01:01:19,670 --> 01:01:17,760

release he would run back who knows how

1582

01:01:21,589 --> 01:01:19,680

far and all of a sudden he would like no

1583

01:01:24,170 --> 01:01:21,599

I need to come back to the woods and he

1584

01:01:26,870 --> 01:01:24,180

did this five times I'd been crying by

1585

01:01:28,250 --> 01:01:26,880

the end of it like let me go right

1586

01:01:30,289 --> 01:01:28,260

um what's concerning is that if they're

1587

01:01:32,030 --> 01:01:30,299

able and we've covered this a few times

1588

01:01:35,270 --> 01:01:32,040

where these things are able to control

1589

01:01:37,430 --> 01:01:35,280

not only a person but persons meaning

1590

01:01:39,770 --> 01:01:37,440

multiple sometimes it's it's either a

1591

01:01:41,569 --> 01:01:39,780

dozen it could be up to a hundred uh

1592

01:01:43,370 --> 01:01:41,579

just people just mesmerized by whatever

1593

01:01:45,650 --> 01:01:43,380

is happening it's easy to do that

1594

01:01:48,049 --> 01:01:45,660

probably to an animal as well there's no

1595

01:01:50,690 --> 01:01:48,059

sign of protest to these mutilations

1596

01:01:52,849 --> 01:01:50,700

it's like the cows either knocked out

1597

01:01:54,289 --> 01:01:52,859

and it doesn't know what's happening or

1598

01:01:56,750 --> 01:01:54,299

it's just there's nothing they could do

1599

01:01:59,809 --> 01:01:56,760

and it happened so fast

1600

01:02:00,710 --> 01:01:59,819

right yeah and and the scary part to me

1601
01:02:02,569 --> 01:02:00,720
is

1602
01:02:06,890 --> 01:02:02,579
um you know they're in the reports and

1603
01:02:08,809 --> 01:02:06,900
in in my interviews and I experienced it

1604
01:02:10,370 --> 01:02:08,819
um one night at my house coming back

1605
01:02:11,750 --> 01:02:10,380
from the scariest night on the ranch and

1606
01:02:13,670 --> 01:02:11,760
that's where we had that disembodied

1607
01:02:15,109 --> 01:02:13,680
electrical voice basically warning us to

1608
01:02:16,670 --> 01:02:15,119
keep our mouth shut

1609
01:02:18,770 --> 01:02:16,680
um also was in the report which was

1610
01:02:20,809 --> 01:02:18,780
mind-blowing to see the actual quote

1611
01:02:22,789 --> 01:02:20,819
from that but um

1612
01:02:24,950 --> 01:02:22,799
and it was very mechanical sounding like

1613
01:02:26,329 --> 01:02:24,960

almost robotic and all the power in the

1614

01:02:28,430 --> 01:02:26,339

house was out and it came out of every

1615

01:02:29,990 --> 01:02:28,440

orifice in the house you know we have

1616

01:02:31,309 --> 01:02:30,000

allowed you to remain your friends will

1617

01:02:32,930 --> 01:02:31,319

be instructed to remain silent

1618

01:02:34,910 --> 01:02:32,940

concerning us blah blah I'm thinking was

1619

01:02:37,150 --> 01:02:34,920

that the military scaring us and why

1620

01:02:39,710 --> 01:02:37,160

would they do that that's another theory

1621

01:02:43,190 --> 01:02:39,720

if it was the military trying to scare

1622

01:02:44,870 --> 01:02:43,200

us that property sat bacon for like 10

1623

01:02:46,970 --> 01:02:44,880

years they could have purchased the

1624

01:02:49,670 --> 01:02:46,980

property yeah why would they go through

1625

01:02:53,030 --> 01:02:49,680

all this elaborate hoaxing and all this

1626

01:02:55,970 --> 01:02:53,040

trouble to acquire the property and for

1627

01:02:59,510 --> 01:02:55,980

what like it none of that makes any

1628

01:03:01,549 --> 01:02:59,520

sense to me but um you know these guys

1629

01:03:03,829 --> 01:03:01,559

being out there

1630

01:03:06,289 --> 01:03:03,839

um the Mind Control kind of thing it

1631

01:03:08,809 --> 01:03:06,299

makes you wonder like

1632

01:03:10,970 --> 01:03:08,819

so many things were reported like

1633

01:03:12,710 --> 01:03:10,980

people were paralyzed I went paralyzed

1634

01:03:15,170 --> 01:03:12,720

that night the people in The Ranch House

1635

01:03:17,569 --> 01:03:15,180

were paralyzed and if they have the

1636

01:03:19,670 --> 01:03:17,579

ability to do that that's pretty

1637

01:03:21,170 --> 01:03:19,680

terrifying and then you throw in you

1638

01:03:23,450 --> 01:03:21,180

know David Pilates work with missing

1639

01:03:25,370 --> 01:03:23,460

4011 and then it gets really scary you

1640

01:03:27,349 --> 01:03:25,380

know are they taking people and the

1641

01:03:30,049 --> 01:03:27,359

types of people they're taking you know

1642

01:03:32,150 --> 01:03:30,059

German physicists I mean what's that all

1643

01:03:33,770 --> 01:03:32,160

about you know that's to me that's

1644

01:03:36,530 --> 01:03:33,780

terrifying

1645

01:03:39,650 --> 01:03:36,540

um that that could be connected

1646

01:03:41,690 --> 01:03:39,660

too yeah it and it's mental because it

1647

01:03:44,030 --> 01:03:41,700

depends on the person even here in BC we

1648

01:03:46,910 --> 01:03:44,040

had a I think his name is Taylor Granger

1649

01:03:49,370 --> 01:03:46,920

or Granger Taylor either or I'm bad with

1650

01:03:51,349 --> 01:03:49,380

names but he was a person that was

1651
01:03:54,289 --> 01:03:51,359
talking to people around town saying he

1652
01:03:56,750 --> 01:03:54,299
was receiving Communications from Aliens

1653
01:03:58,730 --> 01:03:56,760
but he was incredibly smart he was

1654
01:04:00,349 --> 01:03:58,740
rebuilding things in his yard all the

1655
01:04:02,270 --> 01:04:00,359
time he even built a flying saucer in

1656
01:04:04,250 --> 01:04:02,280
his backyard which he ended up sleeping

1657
01:04:08,450 --> 01:04:04,260
in and he was talking about propulsion

1658
01:04:10,430 --> 01:04:08,460
and this advanced stuff and uh he told

1659
01:04:11,930 --> 01:04:10,440
his friends one rainy night that he was

1660
01:04:13,190 --> 01:04:11,940
leaving that was the last thing that

1661
01:04:15,289 --> 01:04:13,200
they've ever heard from him was that he

1662
01:04:17,510 --> 01:04:15,299
said he was leaving that night and sure

1663
01:04:19,250 --> 01:04:17,520

enough there was a storm that night and

1664

01:04:21,890 --> 01:04:19,260

it was a big loud bang his car was found

1665

01:04:23,870 --> 01:04:21,900

the next or was never found I think and

1666

01:04:26,150 --> 01:04:23,880

he just disappeared off the map he never

1667

01:04:28,069 --> 01:04:26,160

reappeared again so that's what's scary

1668

01:04:29,210 --> 01:04:28,079

yeah that's that's where you're like

1669

01:04:30,950 --> 01:04:29,220

okay I'm glad they're bringing the

1670

01:04:33,289 --> 01:04:30,960

cattle back bring some of these people

1671

01:04:34,970 --> 01:04:33,299

back yeah yeah

1672

01:04:36,349 --> 01:04:34,980

um so this was really quick and we'll

1673

01:04:38,569 --> 01:04:36,359

finish this up here

1674

01:04:40,010 --> 01:04:38,579

um this was an interesting email I got

1675

01:04:41,750 --> 01:04:40,020

from Bob Salas

1676

01:04:45,170 --> 01:04:41,760

um I again spoke with him at a

1677

01:04:47,870 --> 01:04:45,180

conference and he was telling me that um

1678

01:04:51,650 --> 01:04:47,880

and basically he said and also Richard

1679

01:04:54,470 --> 01:04:51,660

he said hey you should foia the um

1680

01:04:56,750 --> 01:04:54,480

the agricultural Office of the Air Force

1681

01:04:58,250 --> 01:04:56,760

which is also very interesting and I

1682

01:05:00,650 --> 01:04:58,260

still need to do that I'm gonna get on

1683

01:05:02,210 --> 01:05:00,660

that I promise but why the agricultural

1684

01:05:04,250 --> 01:05:02,220

office and is that tied into the

1685

01:05:06,950 --> 01:05:04,260

mutilations another question I have but

1686

01:05:11,270 --> 01:05:06,960

he said basically in Cascade County in

1687

01:05:12,710 --> 01:05:11,280

Montana in the 70s he served served on a

1688

01:05:14,450 --> 01:05:12,720

special team secretly funded by the

1689

01:05:16,370 --> 01:05:14,460

Department of Agriculture so there it is

1690

01:05:18,230 --> 01:05:16,380

again and and Richard Doty had mentioned

1691

01:05:20,030 --> 01:05:18,240

that the purpose of which was determine

1692

01:05:21,890 --> 01:05:20,040

the cause of many cattle mutilations UFO

1693

01:05:23,690 --> 01:05:21,900

sightings and Bigfoot reports he was

1694

01:05:26,089 --> 01:05:23,700

asked many times to polygraph tests of

1695

01:05:29,390 --> 01:05:26,099

Airmen stationed at Malmstrom who had

1696

01:05:31,789 --> 01:05:29,400

seen UFOs and one letter she states I am

1697

01:05:33,829 --> 01:05:31,799

an artist and in 1977 was called to the

1698

01:05:35,569 --> 01:05:33,839

Sheriff's Office to draw a picture of

1699

01:05:37,250 --> 01:05:35,579

Bigfoot from an eyewitness who passed

1700

01:05:39,349 --> 01:05:37,260

the polygraph this is confirmation for

1701

01:05:40,970 --> 01:05:39,359

your story he also recommended this

1702

01:05:43,130 --> 01:05:40,980

really great book mystery stocks a

1703

01:05:46,250 --> 01:05:43,140

prairie unexplained cattle killings and

1704

01:05:48,410 --> 01:05:46,260

UFOs in Montana by Keith Wolverton but

1705

01:05:50,049 --> 01:05:48,420

the photo next to the book The One there

1706

01:05:53,089 --> 01:05:50,059

on the right side

1707

01:05:55,010 --> 01:05:53,099

the one closer to the book was in the

1708

01:05:57,349 --> 01:05:55,020

file from the Albert County Ranch that

1709

01:06:00,410 --> 01:05:57,359

was a Sasquatch creature seen on that

1710

01:06:03,410 --> 01:06:00,420

property it was in Dr sprinkle's

1711

01:06:05,150 --> 01:06:03,420

archives the one on the left was the one

1712

01:06:08,930 --> 01:06:05,160

that Bob Salas sent me from Montana

1713

01:06:11,150 --> 01:06:08,940

around the same year in Montana I don't

1714

01:06:15,230 --> 01:06:11,160

know about you guys but look at the nose

1715

01:06:17,450 --> 01:06:15,240

the eyes the mouth the the the scarce

1716

01:06:19,250 --> 01:06:17,460

little hair like the hair is not like

1717

01:06:21,410 --> 01:06:19,260

super thick like you would think of a

1718

01:06:24,349 --> 01:06:21,420

Bigfoot you know what I'm saying they're

1719

01:06:26,750 --> 01:06:24,359

so similar in the way they appear and

1720

01:06:28,549 --> 01:06:26,760

when I was a little girl my mom would

1721

01:06:30,470 --> 01:06:28,559

refer to the Sasquatch scene out there

1722

01:06:32,510 --> 01:06:30,480

on the ranch as white fuzzies because

1723

01:06:35,089 --> 01:06:32,520

they were gray in color they were not

1724

01:06:36,950 --> 01:06:35,099

black or brown they were gray and she

1725

01:06:40,010 --> 01:06:36,960

called them white fuzzies I think so I

1726

01:06:43,210 --> 01:06:40,020

wasn't so afraid of them you know

1727

01:06:46,490 --> 01:06:43,220

sounded less scary so again

1728

01:06:49,190 --> 01:06:46,500

all these interconnected phenomenon

1729

01:06:51,349 --> 01:06:49,200

going on at the time and uh this was

1730

01:06:53,450 --> 01:06:51,359

another thing South arama where that

1731

01:06:55,250 --> 01:06:53,460

calf was mutilated mysterious blanket of

1732

01:06:57,650 --> 01:06:55,260

metal found in the field and there's a

1733

01:06:59,710 --> 01:06:57,660

photograph of it and in this article it

1734

01:07:02,150 --> 01:06:59,720

says you know it was taken to be tested

1735

01:07:03,829 --> 01:07:02,160

who knows where this medal is this metal

1736

01:07:05,710 --> 01:07:03,839

material looks like nothing I've ever

1737

01:07:09,710 --> 01:07:05,720

seen before

1738

01:07:11,630 --> 01:07:09,720

blanket of metal it almost has uh um you

1739

01:07:13,490 --> 01:07:11,640

know the the mylar material that you see

1740

01:07:15,230 --> 01:07:13,500

from the Jesse Marcel photo that's what

1741

01:07:17,809 --> 01:07:15,240

comes to mind blanket being something

1742

01:07:20,390 --> 01:07:17,819

flexible and you know of decent enough

1743

01:07:25,430 --> 01:07:20,400

size that's and what year is this 1975

1744

01:07:28,849 --> 01:07:25,440

yep yep 1975 July 3rd 1975 during this

1745

01:07:31,010 --> 01:07:28,859

whole High strangeness time you know and

1746

01:07:33,950 --> 01:07:31,020

and um I'm gonna stop sharing my screen

1747

01:07:35,690 --> 01:07:33,960

oh here's the ETS uh this one last thing

1748

01:07:37,609 --> 01:07:35,700

um the image on your right with the

1749

01:07:39,770 --> 01:07:37,619

tubes that come out this was in Dr

1750

01:07:42,410 --> 01:07:39,780

sprinkles archives from

1751
01:07:44,390 --> 01:07:42,420
the being that was seen on the ranch he

1752
01:07:47,329 --> 01:07:44,400
was very unusual looking with these

1753
01:07:48,890 --> 01:07:47,339
wrinkles these big almond dyes but not

1754
01:07:50,930 --> 01:07:48,900
the wrap around eyes like we so often

1755
01:07:53,690 --> 01:07:50,940
see with the Grays wrinkles around the

1756
01:07:55,190 --> 01:07:53,700
mouth you have these tubes

1757
01:07:57,230 --> 01:07:55,200
um this weird looking

1758
01:07:58,970 --> 01:07:57,240
protective thing over his chest and

1759
01:08:02,510 --> 01:07:58,980
these spindly arms and these spindly

1760
01:08:04,910 --> 01:08:02,520
legs and I had invited a guest speaker

1761
01:08:06,470 --> 01:08:04,920
to speak for Colorado mufon

1762
01:08:08,750 --> 01:08:06,480
like three or four years into my

1763
01:08:10,549 --> 01:08:08,760

investigation of this property and I had

1764

01:08:12,109 --> 01:08:10,559

never shared this drawing with anybody I

1765

01:08:13,730 --> 01:08:12,119

just kind of kept it in my desk to see

1766

01:08:15,529 --> 01:08:13,740

if I could ever find anything similar to

1767

01:08:17,329 --> 01:08:15,539

it and I'm sitting in the third row

1768

01:08:19,729 --> 01:08:17,339

watching a gentleman named Sean Bartok

1769

01:08:22,970 --> 01:08:19,739

who wrote a book about a property he

1770

01:08:25,729 --> 01:08:22,980

owned in Castle Rock Colorado during the

1771

01:08:27,709 --> 01:08:25,739

same time and come to find out his

1772

01:08:30,229 --> 01:08:27,719

property was 14 miles away from the

1773

01:08:32,450 --> 01:08:30,239

ranch property of my youth and the one

1774

01:08:35,150 --> 01:08:32,460

the drawing on the left was the drawing

1775

01:08:37,430 --> 01:08:35,160

of of aliens they encountered during

1776

01:08:40,610 --> 01:08:37,440

that same time the heavy brow same shape

1777

01:08:43,390 --> 01:08:40,620

eyes these these tubes are in his neck

1778

01:08:45,829 --> 01:08:43,400

but he said they came out and in fact

1779

01:08:47,510 --> 01:08:45,839

there is another drawing of Sean's where

1780

01:08:50,570 --> 01:08:47,520

the tubes came out

1781

01:08:53,090 --> 01:08:50,580

from the neck wow that's weird so these

1782

01:08:55,370 --> 01:08:53,100

these two drawings are from two separate

1783

01:08:58,249 --> 01:08:55,380

people who knew nothing of each other 14

1784

01:09:01,010 --> 01:08:58,259

miles apart decades later

1785

01:09:02,930 --> 01:09:01,020

and I they're really really similar

1786

01:09:06,590 --> 01:09:02,940

so

1787

01:09:08,930 --> 01:09:06,600

of a diet like different dimension like

1788

01:09:10,789 --> 01:09:08,940

it doesn't look alien it's just its

1789

01:09:13,849 --> 01:09:10,799

shape in the way that uh it's drawn

1790

01:09:15,650 --> 01:09:13,859

looks yeah I did a composite of the two

1791

01:09:17,150 --> 01:09:15,660

because they're so similar I overlaid

1792

01:09:19,370 --> 01:09:17,160

them and kind of composited them

1793

01:09:21,110 --> 01:09:19,380

together and I'm wondering to me they

1794

01:09:23,570 --> 01:09:21,120

look AI

1795

01:09:25,189 --> 01:09:23,580

um artificial intelligence perhaps um

1796

01:09:26,689 --> 01:09:25,199

and the reason I said that is because I

1797

01:09:28,550 --> 01:09:26,699

I was at the grocery store and I saw

1798

01:09:30,470 --> 01:09:28,560

this and I thought oh my God the tubes

1799

01:09:32,030 --> 01:09:30,480

maybe that's what they were like are

1800

01:09:34,910 --> 01:09:32,040

they some sort of AI and then I thought

1801

01:09:38,809 --> 01:09:34,920

about the mechanical voices that you

1802

01:09:40,189 --> 01:09:38,819

know the boxes could they be robotic in

1803

01:09:42,590 --> 01:09:40,199

nature because that voice that came

1804

01:09:45,650 --> 01:09:42,600

through the speaker was very robotic in

1805

01:09:47,749 --> 01:09:45,660

nature so oh so much there's so much

1806

01:09:49,610 --> 01:09:47,759

more we didn't even touch on all the

1807

01:09:51,769 --> 01:09:49,620

hitchhiker phenomenon and all that it

1808

01:09:52,910 --> 01:09:51,779

just goes on and on and on and on it's

1809

01:09:55,370 --> 01:09:52,920

unreal

1810

01:09:58,010 --> 01:09:55,380

I just you know I I'm doing this full

1811

01:10:00,050 --> 01:09:58,020

time now I used to have a graphic design

1812

01:10:02,990 --> 01:10:00,060

studio and I just do this full-time

1813

01:10:05,150 --> 01:10:03,000

because I mean I could spend the rest of

1814

01:10:08,030 --> 01:10:05,160

my life trying to unravel this mystery

1815

01:10:10,430 --> 01:10:08,040

even though it was so many years ago and

1816

01:10:12,709 --> 01:10:10,440

what I just learned recently is you know

1817

01:10:14,270 --> 01:10:12,719

meeting these locals in the local bar

1818

01:10:16,370 --> 01:10:14,280

and another reason why it's important to

1819

01:10:17,990 --> 01:10:16,380

actually get out and meet people this is

1820

01:10:20,390 --> 01:10:18,000

still going on at the state even the

1821

01:10:23,030 --> 01:10:20,400

Sasquatch somebody literally had their

1822

01:10:26,149 --> 01:10:23,040

cell phone and like we my brother and I

1823

01:10:27,470 --> 01:10:26,159

were out in Albert County we're hunting

1824

01:10:29,450 --> 01:10:27,480

um elk

1825

01:10:30,470 --> 01:10:29,460

and look what we captured in this

1826

01:10:32,630 --> 01:10:30,480

photograph

1827

01:10:34,189 --> 01:10:32,640

and I was like why aren't you getting

1828

01:10:36,530 --> 01:10:34,199

rich off of this Photograph you could

1829

01:10:38,330 --> 01:10:36,540

see the Elk Lane in the photo so you

1830

01:10:41,450 --> 01:10:38,340

have size comparison to this big

1831

01:10:43,430 --> 01:10:41,460

Sasquatch creature in the photo and this

1832

01:10:45,530 --> 01:10:43,440

just happened he didn't give you a copy

1833

01:10:48,950 --> 01:10:45,540

no I'm gonna go meet with him and his

1834

01:10:50,510 --> 01:10:48,960

wife and do an official yeah and then

1835

01:10:52,490 --> 01:10:50,520

he's like oh yeah and then this was on

1836

01:10:54,350 --> 01:10:52,500

the back of a property it says like blue

1837

01:10:56,570 --> 01:10:54,360

beam of light it was not a helicopter it

1838

01:10:58,610 --> 01:10:56,580

was not a plane no sound just coming

1839

01:11:01,250 --> 01:10:58,620

down in the tree line I'm like you've

1840

01:11:04,250 --> 01:11:01,260

got to be kidding me this stuff is still

1841

01:11:06,770 --> 01:11:04,260

going on you know yeah and it's you know

1842

01:11:08,390 --> 01:11:06,780

it's just a matter of time now before we

1843

01:11:11,990 --> 01:11:08,400

have another huge incident I think we're

1844

01:11:15,410 --> 01:11:12,000

interviewing Sean uh heard tomorrow

1845

01:11:18,709 --> 01:11:15,420

um and yeah he's he witnessed in 1997 it

1846

01:11:23,090 --> 01:11:18,719

was a 97 right the the Phoenix Lights uh

1847

01:11:24,770 --> 01:11:23,100

and it seems weird but 77 87 and you

1848

01:11:27,229 --> 01:11:24,780

know 2007 like it just seems like

1849

01:11:29,390 --> 01:11:27,239

there's a repeated yeah because it's 77

1850

01:11:30,890 --> 01:11:29,400

so much UFO activity took place I only

1851

01:11:33,410 --> 01:11:30,900

remember that year because that's when

1852

01:11:34,729 --> 01:11:33,420

Star Wars came out okay yeah yeah me too

1853

01:11:37,070 --> 01:11:34,739

and Close Encounters of the Third Kind

1854

01:11:38,209 --> 01:11:37,080

exactly which is so funny because I'm

1855

01:11:40,070 --> 01:11:38,219

you know I'm a little girl thinking

1856

01:11:41,450 --> 01:11:40,080

that's a documentary all these years it

1857

01:11:43,130 --> 01:11:41,460

was until just recently I was like wait

1858

01:11:45,890 --> 01:11:43,140

a minute not everybody thought about

1859

01:11:47,209 --> 01:11:45,900

that you know it's as fictitious as it

1860

01:11:49,550 --> 01:11:47,219

is it's still probably one of the

1861

01:11:51,410 --> 01:11:49,560

closest movie to the actual phenomenon

1862

01:11:54,470 --> 01:11:51,420

that there is you know what I mean it's

1863

01:11:55,910 --> 01:11:54,480

crazy but yeah no so 77 was a huge year

1864

01:11:57,890 --> 01:11:55,920

because even in Brazil they were having

1865

01:12:00,229 --> 01:11:57,900

those uh little orbs that were zapping

1866

01:12:01,850 --> 01:12:00,239

people and making them anemic and a

1867

01:12:04,189 --> 01:12:01,860

couple people died and I mean there was

1868

01:12:06,649 --> 01:12:04,199

just a very active year so when I saw

1869

01:12:08,870 --> 01:12:06,659

that Sasquatch strong that you just

1870

01:12:10,490 --> 01:12:08,880

showed us and they said in 1977 I was

1871

01:12:12,830 --> 01:12:10,500

called I'm like of course you did like

1872

01:12:14,570 --> 01:12:12,840

right it's just crazy here yeah and I

1873

01:12:17,270 --> 01:12:14,580

think it's James Keenan who had

1874

01:12:20,450 --> 01:12:17,280

mentioned these cycles of it's It's

1875

01:12:22,850 --> 01:12:20,460

almost like if you did a graph like it

1876

01:12:24,830 --> 01:12:22,860

quiets down it amps up it quiets down it

1877

01:12:27,770 --> 01:12:24,840

amps up and I think James took a good

1878

01:12:29,570 --> 01:12:27,780

look at that and and kind of theorized

1879

01:12:32,450 --> 01:12:29,580

that perhaps these are going with our

1880

01:12:34,729 --> 01:12:32,460

solar Cycles or you know the position of

1881

01:12:36,950 --> 01:12:34,739

Earth and the magnetic fields the

1882

01:12:39,169 --> 01:12:36,960

magnetic anomalies all these things we

1883

01:12:41,209 --> 01:12:39,179

need our you know best and brightest

1884

01:12:43,010 --> 01:12:41,219

looking at all these different

1885

01:12:45,410 --> 01:12:43,020

connections that these high strangest

1886

01:12:47,450 --> 01:12:45,420

locations have and I think that's so why

1887

01:12:49,910 --> 01:12:47,460

it's so critical you know the Colorado

1888

01:12:52,729 --> 01:12:49,920

Ranch isn't a very well-known Ranch and

1889

01:12:55,070 --> 01:12:52,739

it predates the Skinwalker Ranch

1890

01:12:56,689 --> 01:12:55,080

um but there's so much documentation on

1891

01:12:59,030 --> 01:12:56,699

it there's so many articles about it

1892

01:13:00,649 --> 01:12:59,040

there's so many witnesses to it

1893

01:13:04,310 --> 01:13:00,659

um you know there's that military

1894

01:13:05,990 --> 01:13:04,320

connection to it this this Ranch is an

1895

01:13:07,790 --> 01:13:06,000

important piece of this puzzle and I

1896

01:13:10,550 --> 01:13:07,800

think it's so important that all these

1897

01:13:14,090 --> 01:13:10,560

different locations really try to work

1898

01:13:15,590 --> 01:13:14,100

together and not get so I you know I

1899

01:13:19,550 --> 01:13:15,600

don't want to say commercialized about

1900

01:13:22,010 --> 01:13:19,560

it but sort of like you know for me it's

1901

01:13:25,070 --> 01:13:22,020

finding the answers period bottom line

1902

01:13:26,689 --> 01:13:25,080

you know it's all wonderful and great to

1903

01:13:28,490 --> 01:13:26,699

write a book and go do a show or

1904

01:13:30,350 --> 01:13:28,500

whatever but that's the only way to get

1905

01:13:32,270 --> 01:13:30,360

the information out there so you can get

1906

01:13:33,890 --> 01:13:32,280

other more data and more information and

1907

01:13:35,570 --> 01:13:33,900

then at some point I always joke about

1908

01:13:37,130 --> 01:13:35,580

it but it's really no joke because I've

1909

01:13:39,530 --> 01:13:37,140

had a couple interesting encounters

1910

01:13:41,630 --> 01:13:39,540

already with people that maybe are

1911

01:13:43,430 --> 01:13:41,640

watching what I'm saying and I say if

1912

01:13:44,990 --> 01:13:43,440

one day you ask me to be on the show and

1913

01:13:47,990 --> 01:13:45,000

I'm like I'm sorry I'm not doing this

1914

01:13:49,430 --> 01:13:48,000

anymore I'm you know baking a cake in my

1915

01:13:52,490 --> 01:13:49,440

kitchen downstairs you'll know something

1916

01:13:54,830 --> 01:13:52,500

happened they got the Katie they got it

1917

01:13:57,350 --> 01:13:54,840

got the big daughter

1918

01:13:59,390 --> 01:13:57,360

no but I was yeah so just quickly before

1919

01:14:01,070 --> 01:13:59,400

we close I was just going to mention

1920

01:14:03,290 --> 01:14:01,080

um you know move on and the way things

1921

01:14:05,689 --> 01:14:03,300

are right now with move on we have

1922

01:14:06,890 --> 01:14:05,699

always been a big supporter of mufon um

1923

01:14:08,630 --> 01:14:06,900

that's how I start with my

1924

01:14:10,669 --> 01:14:08,640

investigations and although I haven't

1925

01:14:13,669 --> 01:14:10,679

done anything with the organization in

1926

01:14:15,590 --> 01:14:13,679

over a year uh we still support them we

1927

01:14:17,630 --> 01:14:15,600

have people on all the time they're part

1928

01:14:20,390 --> 01:14:17,640

of the organization and we keep telling

1929

01:14:22,610 --> 01:14:20,400

uh the listener if you are out there and

1930

01:14:24,410 --> 01:14:22,620

you want to join regardless of where you

1931

01:14:26,330 --> 01:14:24,420

are in the in the world move on we'll

1932

01:14:28,550 --> 01:14:26,340

make it happen you could become active

1933

01:14:32,630 --> 01:14:28,560

and actually do something and contribute

1934

01:14:34,189 --> 01:14:32,640

to this um investigation and uh but it's

1935

01:14:36,290 --> 01:14:34,199

it's been hard because a lot of people

1936

01:14:38,270 --> 01:14:36,300

like you know Louie and I do some

1937

01:14:39,830 --> 01:14:38,280

podcasts and radio shows every once in a

1938

01:14:41,689 --> 01:14:39,840

while well I would say quite a bit these

1939

01:14:45,649 --> 01:14:41,699

days but there's a lot of people sort of

1940

01:14:47,510 --> 01:14:45,659

poo pooing on mufon and um because we

1941

01:14:49,850 --> 01:14:47,520

have this plethora of

1942

01:14:51,709 --> 01:14:49,860

availability of this information from

1943

01:14:54,649 --> 01:14:51,719

all these different sources podcasts and

1944

01:14:56,750 --> 01:14:54,659

all that that it's easy to forget the

1945

01:14:58,610 --> 01:14:56,760

people that were Pioneers in this and

1946

01:15:01,669 --> 01:14:58,620

that sort of help establish a foundation

1947

01:15:03,770 --> 01:15:01,679

for data and collecting data and uh so

1948

01:15:04,430 --> 01:15:03,780

yeah I just I just want to to say you

1949

01:15:07,130 --> 01:15:04,440

know

1950

01:15:10,130 --> 01:15:07,140

um if you had anything to to add to that

1951

01:15:12,590 --> 01:15:10,140

just because I we fully support move on

1952

01:15:15,350 --> 01:15:12,600

and they have not done anything for us

1953

01:15:17,330 --> 01:15:15,360

yeah I totally get I think that's like

1954

01:15:19,550 --> 01:15:17,340

the double-edged sort of you know we

1955

01:15:21,229 --> 01:15:19,560

mentioned all the positive things of

1956

01:15:23,630 --> 01:15:21,239

social media and podcasts but there's

1957

01:15:24,890 --> 01:15:23,640

also the downside to it too and that's

1958

01:15:26,390 --> 01:15:24,900

one of them

1959

01:15:27,649 --> 01:15:26,400

um where you get

1960

01:15:30,350 --> 01:15:27,659

um you know

1961

01:15:32,030 --> 01:15:30,360

not so much misinformation but I think I

1962

01:15:34,310 --> 01:15:32,040

would like to tell people like the

1963

01:15:37,250 --> 01:15:34,320

majority of people the vast majority of

1964

01:15:38,630 --> 01:15:37,260

people within mufon they're volunteers

1965

01:15:40,070 --> 01:15:38,640

they're doing it because they have a

1966

01:15:41,450 --> 01:15:40,080

passion for it they're interested in the

1967

01:15:44,750 --> 01:15:41,460

topic and they're really good

1968

01:15:47,570 --> 01:15:44,760

hard-working people and that's been my

1969

01:15:50,709 --> 01:15:47,580

I've never met a person within mufon

1970

01:15:54,530 --> 01:15:50,719

forget the drama at the top

1971

01:15:55,669 --> 01:15:54,540

yeah you know through the years but you

1972

01:15:56,630 --> 01:15:55,679

know they're just really good good

1973

01:15:59,270 --> 01:15:56,640

people

1974

01:16:00,890 --> 01:15:59,280

um just doing what they can and and

1975

01:16:03,590 --> 01:16:00,900

another thing you know being the

1976

01:16:07,189 --> 01:16:03,600

administer for the Mars project which

1977

01:16:09,770 --> 01:16:07,199

was you know from 1969 to when we went

1978

01:16:11,630 --> 01:16:09,780

to the case management system all those

1979

01:16:13,669 --> 01:16:11,640

paper reports

1980

01:16:15,590 --> 01:16:13,679

um there was a team of 15 that kind of

1981

01:16:17,149 --> 01:16:15,600

headed to redact all the sensitive

1982

01:16:19,070 --> 01:16:17,159

information out of their you know names

1983

01:16:21,470 --> 01:16:19,080

phone numbers addresses places of

1984

01:16:25,310 --> 01:16:21,480

employment medical anything medical

1985

01:16:27,770 --> 01:16:25,320

sensitive and the the goal was to make

1986

01:16:29,209 --> 01:16:27,780

these reports available to the public to

1987

01:16:30,770 --> 01:16:29,219

share these reports all of mufons

1988

01:16:33,709 --> 01:16:30,780

archives because I think

1989

01:16:34,970 --> 01:16:33,719

some people like get mad at mufon like

1990

01:16:37,930 --> 01:16:34,980

you're hoarding all this data but you're

1991

01:16:40,490 --> 01:16:37,940

not doing anything with it and and that

1992

01:16:42,470 --> 01:16:40,500

ramped up again oh Debbie ziegelmeier

1993

01:16:45,290 --> 01:16:42,480

Chuck sakowski's sister

1994

01:16:48,770 --> 01:16:45,300

um Bob spiering and a team of us were

1995

01:16:51,590 --> 01:16:48,780

were moving that project forward so we

1996

01:16:52,850 --> 01:16:51,600

can meet that goal to actually get a lot

1997

01:16:55,850 --> 01:16:52,860

of this data out I think that's

1998

01:16:57,229 --> 01:16:55,860

important role mufon has for the people

1999

01:16:59,330 --> 01:16:57,239

um you know it's nothing that we want to

2000

01:17:01,610 --> 01:16:59,340

keep hidden because it's valuable

2001
01:17:03,229 --> 01:17:01,620
research information and and maybe some

2002
01:17:04,790 --> 01:17:03,239
people think you won't find a lot of

2003
01:17:06,050 --> 01:17:04,800
answers and looking at all of these

2004
01:17:08,090 --> 01:17:06,060
cases

2005
01:17:10,130 --> 01:17:08,100
um but I think there is valuable data

2006
01:17:11,630 --> 01:17:10,140
there that people can take a look at and

2007
01:17:13,430 --> 01:17:11,640
you know get the best and brightest

2008
01:17:16,070 --> 01:17:13,440
looking at this data and do something

2009
01:17:17,510 --> 01:17:16,080
with it so you know like any

2010
01:17:20,689 --> 01:17:17,520
organization you're going to have the

2011
01:17:23,390 --> 01:17:20,699
drama and um just got to keep your head

2012
01:17:26,750 --> 01:17:23,400
down do what you enjoy yeah so just

2013
01:17:29,209 --> 01:17:26,760

directly when I I joined I think like a

2014

01:17:32,270 --> 01:17:29,219

month later Jen arson

2015

01:17:34,729 --> 01:17:32,280

case blew up and I was like ah man like

2016

01:17:36,770 --> 01:17:34,739

I just joined the organization yeah it

2017

01:17:37,910 --> 01:17:36,780

just looks bad but I've been fighting

2018

01:17:39,649 --> 01:17:37,920

you know I've been fighting everybody

2019

01:17:41,390 --> 01:17:39,659

that has been saying something about it

2020

01:17:44,090 --> 01:17:41,400

I always try to defend the organization

2021

01:17:45,770 --> 01:17:44,100

because it is the people like you and uh

2022

01:17:47,750 --> 01:17:45,780

you know uh Shane that's coming on like

2023

01:17:50,510 --> 01:17:47,760

it's the actual researchers doing the

2024

01:17:52,550 --> 01:17:50,520

real work Stacy right in Phoenix I mean

2025

01:17:54,890 --> 01:17:52,560

we there's so many great people so many

2026

01:17:56,570 --> 01:17:54,900

people Mindy tail Fest in Oklahoma yeah

2027

01:17:58,189 --> 01:17:56,580

I mean they're just out there doing what

2028

01:17:59,750 --> 01:17:58,199

they love to do and they're all good

2029

01:18:01,550 --> 01:17:59,760

friends they're like a second family to

2030

01:18:03,890 --> 01:18:01,560

me and you know then you have the whole

2031

01:18:08,030 --> 01:18:03,900

government you know government they're

2032

01:18:10,310 --> 01:18:08,040

run by whoever and um that may or may

2033

01:18:13,310 --> 01:18:10,320

not be true I don't know I don't think

2034

01:18:15,110 --> 01:18:13,320

that it is quite frankly but even if the

2035

01:18:17,390 --> 01:18:15,120

government took a look or atip Lou

2036

01:18:18,229 --> 01:18:17,400

Alexander whoever's looked at mufon's

2037

01:18:20,510 --> 01:18:18,239

data

2038

01:18:22,669 --> 01:18:20,520

I I look at it from the perspective is

2039

01:18:24,530 --> 01:18:22,679

we're flying secretive things up there

2040

01:18:25,790 --> 01:18:24,540

and it doesn't surprise me that they

2041

01:18:27,169 --> 01:18:25,800

would be interested in knowing what

2042

01:18:29,649 --> 01:18:27,179

people are reporting because they want

2043

01:18:33,169 --> 01:18:29,659

to know if we're reporting secret

2044

01:18:35,390 --> 01:18:33,179

aircraft or secret drones or whatever so

2045

01:18:36,890 --> 01:18:35,400

it makes sense to me and I think of it

2046

01:18:38,750 --> 01:18:36,900

as kind of like a good thing well good

2047

01:18:41,390 --> 01:18:38,760

they're like paying attention to what

2048

01:18:43,490 --> 01:18:41,400

people are seeing in the skies and we do

2049

01:18:45,290 --> 01:18:43,500

need to keep secrets right from other

2050

01:18:48,250 --> 01:18:45,300

countries I mean that's just part of the

2051

01:18:50,510 --> 01:18:48,260

deal you know so I kind of

2052

01:18:52,910 --> 01:18:50,520

yeah go back and forth on that whole

2053

01:18:55,130 --> 01:18:52,920

thing well there's again it's within

2054

01:18:56,390 --> 01:18:55,140

reason and and logic like you know

2055

01:18:58,729 --> 01:18:56,400

obviously I understand that there's

2056

01:19:01,189 --> 01:18:58,739

flying crafts that are amazing but when

2057

01:19:02,870 --> 01:19:01,199

people are reporting these uh triangles

2058

01:19:05,090 --> 01:19:02,880

and with like the three lights on the

2059

01:19:07,610 --> 01:19:05,100

corner red light in the center all over

2060

01:19:09,950 --> 01:19:07,620

the world right right all over the

2061

01:19:12,770 --> 01:19:09,960

planet I doubt that the US is flying

2062

01:19:14,630 --> 01:19:12,780

multiple size crafts like that all over

2063

01:19:17,330 --> 01:19:14,640

the world to try to see if it's spotted

2064

01:19:19,610 --> 01:19:17,340

because if they are they suck at it too

2065

01:19:21,350 --> 01:19:19,620

many people seeing them right so I

2066

01:19:24,590 --> 01:19:21,360

understand there's a secretive aspect to

2067

01:19:27,110 --> 01:19:24,600

the military but there's too much

2068

01:19:30,590 --> 01:19:27,120

things fly in our airspace that don't

2069

01:19:33,169 --> 01:19:30,600

make logic or Reason to the homo sapien

2070

01:19:35,930 --> 01:19:33,179

species that it defies our understanding

2071

01:19:38,689 --> 01:19:35,940

of physics and reality and there's no

2072

01:19:40,910 --> 01:19:38,699

way that in another adult like we're all

2073

01:19:42,470 --> 01:19:40,920

adults here there's no another adult has

2074

01:19:44,630 --> 01:19:42,480

figured out how to make that and they

2075

01:19:47,930 --> 01:19:44,640

have kept it silent there's no way right

2076

01:19:50,270 --> 01:19:47,940

100 and I you know I came in kind of as

2077

01:19:52,070 --> 01:19:50,280

a skeptic or not so much a skeptic but a

2078

01:19:54,709 --> 01:19:52,080

lot of my thought at the time when I

2079

01:19:56,630 --> 01:19:54,719

came in was this was probably mostly our

2080

01:19:59,930 --> 01:19:56,640

own our military out there doing

2081

01:20:02,330 --> 01:19:59,940

whatever and it took me a lot of years

2082

01:20:04,250 --> 01:20:02,340

to see a lot of these really fabulous

2083

01:20:06,770 --> 01:20:04,260

cases where you're like okay wait a

2084

01:20:08,689 --> 01:20:06,780

minute this is this is not us and I'll

2085

01:20:10,970 --> 01:20:08,699

never forget I don't know it's maybe six

2086

01:20:13,370 --> 01:20:10,980

seven months ago now I took another trip

2087

01:20:16,070 --> 01:20:13,380

down to Albuquerque to do some research

2088

01:20:18,410 --> 01:20:16,080

at The Archives and Dave Dave marlar who

2089

01:20:19,970 --> 01:20:18,420

by the way is the triangle expert so you

2090

01:20:22,790 --> 01:20:19,980

know I recommend his book on triangles

2091

01:20:25,310 --> 01:20:22,800

on that topic but um there was two big

2092

01:20:27,890 --> 01:20:25,320

boxes sitting on his table and he's like

2093

01:20:30,830 --> 01:20:27,900

hey Katie all of those reports in these

2094

01:20:34,130 --> 01:20:30,840

two boxes are nothing but pilot reports

2095

01:20:37,250 --> 01:20:34,140

military and civilian pilots and I just

2096

01:20:40,550 --> 01:20:37,260

started like whoa you can't tell me

2097

01:20:42,229 --> 01:20:40,560

there's nothing going on no right no

2098

01:20:44,390 --> 01:20:42,239

there's something going on and like I

2099

01:20:45,890 --> 01:20:44,400

said if it's military and they have that

2100

01:20:47,990 --> 01:20:45,900

much David Marler has that much

2101
01:20:50,090 --> 01:20:48,000
information they really suck at keeping

2102
01:20:51,050 --> 01:20:50,100
secrets right or there's something else

2103
01:20:53,270 --> 01:20:51,060
going on

2104
01:20:55,130 --> 01:20:53,280
Katie it's an awesome it's just always

2105
01:20:56,270 --> 01:20:55,140
awesome to have you on and we'll have

2106
01:20:58,010 --> 01:20:56,280
you on again because there's just so

2107
01:21:00,830 --> 01:20:58,020
much we can talk with you about I mean

2108
01:21:03,470 --> 01:21:00,840
this this subject is so I I read a

2109
01:21:06,350 --> 01:21:03,480
comment online uh not too long ago Louis

2110
01:21:09,350 --> 01:21:06,360
that somebody said that UAP podcasts or

2111
01:21:10,669 --> 01:21:09,360
related UFO podcasts run short and run

2112
01:21:14,149 --> 01:21:10,679
out because there's nothing to talk

2113
01:21:16,070 --> 01:21:14,159

about and I was like okay yeah exactly

2114

01:21:17,930 --> 01:21:16,080

there's always lots to talk oh there's

2115

01:21:19,430 --> 01:21:17,940

plenty to talk about I gotta update you

2116

01:21:21,649 --> 01:21:19,440

on everything that happened at the ranch

2117

01:21:24,890 --> 01:21:21,659

when I know people too oh my goodness

2118

01:21:26,689 --> 01:21:24,900

yeah yeah once your production releases

2119

01:21:28,370 --> 01:21:26,699

come on back and let's chat about it

2120

01:21:29,630 --> 01:21:28,380

yeah we do want to thank you we know

2121

01:21:32,149 --> 01:21:29,640

2122

01:21:34,070 --> 01:21:32,159

both with mufon and contact in the

2123

01:21:36,050 --> 01:21:34,080

desert so thank you for giving a bit of

2124

01:21:37,490 --> 01:21:36,060

time uh you're always welcome here and

2125

2135

01:21:58,669 --> 01:21:56,699

how do you not have more subscribers so

2137

01:22:02,870 --> 01:22:00,600
