

# UAP STUDIES PODCAST

JOHN  
RAMIREZ

1  
00:00:04,249 --> 00:00:01,969  
hey everybody hope you're having a great

2  
00:00:06,829 --> 00:00:04,259  
day I know we are it is our three year

3  
00:00:08,810 --> 00:00:06,839  
anniversary happy anniversary a happy

4  
00:00:11,390 --> 00:00:08,820  
anniversary Louis what is it paper this

5  
00:00:12,890 --> 00:00:11,400  
year diamond gold paper I have to look

6  
00:00:14,030 --> 00:00:12,900  
it up everything yeah I don't I don't

7  
00:00:16,430 --> 00:00:14,040  
know about how that applies to

8  
00:00:17,870 --> 00:00:16,440  
podcasting and UFO investigative work

9  
00:00:19,670 --> 00:00:17,880  
but yeah you might be onto something

10  
00:00:22,490 --> 00:00:19,680  
yeah it's probably the probably like a

11  
00:00:25,310 --> 00:00:22,500  
gray skin there's the three oh yeah yeah

12  
00:00:27,290 --> 00:00:25,320  
yeah or fitting yeah so uh when we did

13  
00:00:29,029 --> 00:00:27,300

our second year we had George Knapp we

14

00:00:31,189 --> 00:00:29,039

hit our 100th anniversary or 100th

15

00:00:33,350 --> 00:00:31,199

episode we have Jacques valet it just

16

00:00:34,910 --> 00:00:33,360

works out every time it's a big day for

17

00:00:37,549 --> 00:00:34,920

us we have a massive guest and today

18

00:00:39,709 --> 00:00:37,559

we've got John Ramirez uh sadly this is

19

00:00:42,350 --> 00:00:39,719

John Ramirez second last interview he's

20

00:00:44,690 --> 00:00:42,360

only doing one after this and then by

21

00:00:47,869 --> 00:00:44,700

his own declaration he's stepping back

22

00:00:49,490 --> 00:00:47,879

until disclosure happens so I'm super

23

00:00:51,590 --> 00:00:49,500

pumped up just to know that it's gonna

24

00:00:52,970 --> 00:00:51,600

happen and it's not just Stephen Bassett

25

00:00:55,310 --> 00:00:52,980

being the only one out there screaming

26

00:00:58,130 --> 00:00:55,320

that it's coming in months not years so

27

00:00:59,450 --> 00:00:58,140

uh Jay I know we also wanted to pull our

28

00:01:02,029 --> 00:00:59,460

audience I think you went with Twitter

29

00:01:04,430 --> 00:01:02,039

this time you yeah we've got a lot of a

30

00:01:05,870 --> 00:01:04,440

lot of comments and people had questions

31

00:01:07,370 --> 00:01:05,880

on Twitter it lit up like a Christmas

32

00:01:09,289 --> 00:01:07,380

tree when they knew that John was coming

33

00:01:10,850 --> 00:01:09,299

on because he said so many things under

34

00:01:13,070 --> 00:01:10,860

their podcast that we've all been paying

35

00:01:16,550 --> 00:01:13,080

attention to but he hasn't elaborated on

36

00:01:18,649 --> 00:01:16,560

so we got a few uh selected uh great

37

00:01:20,330 --> 00:01:18,659

questions from our our listeners for

38

00:01:22,789 --> 00:01:20,340

sure and maybe we can fill in some of

39

00:01:24,350 --> 00:01:22,799

those gaps and uh tie up some loose ends

40

00:01:26,330 --> 00:01:24,360

we did it with Gary Nolan right you get

41

00:01:28,130 --> 00:01:26,340

a vague answer and you ask again ask

42

00:01:30,050 --> 00:01:28,140

again next thing you know we're

43

00:01:31,789 --> 00:01:30,060

confirming that there's uh meta

44

00:01:33,350 --> 00:01:31,799

materials and bits and pieces of UFO

45

00:01:35,690 --> 00:01:33,360

craft that the government have so good

46

00:01:38,390 --> 00:01:35,700

cop good cop exactly we're gonna do in

47

00:01:40,069 --> 00:01:38,400

our usual style we will ask and if it is

48

00:01:42,350 --> 00:01:40,079

not sufficient we will ask again until

49

00:01:43,730 --> 00:01:42,360

we get the answer John is a very

50

00:01:45,890 --> 00:01:43,740

amicable guy I don't think we're gonna

51  
00:01:47,810 --> 00:01:45,900  
have to literally yank it like teeth out

52  
00:01:49,550 --> 00:01:47,820  
of his head but if we need to yank teeth

53  
00:01:50,870 --> 00:01:49,560  
out of the head we're doing it today

54  
00:01:53,389 --> 00:01:50,880  
because it's our third year anniversary

55  
00:01:55,550 --> 00:01:53,399  
I'm excited Jay I threw my back out this

56  
00:01:57,050 --> 00:01:55,560  
morning so I apologize yes she did yeah

57  
00:01:59,170 --> 00:01:57,060  
in fact I threw my backwood about 30

58  
00:02:02,569 --> 00:01:59,180  
minutes ago I had to get my wife help me

59  
00:02:05,209 --> 00:02:02,579  
shower and and get dressed not a very

60  
00:02:07,010 --> 00:02:05,219  
proud moment I'm not gonna lie but uh

61  
00:02:09,229 --> 00:02:07,020  
I'm here wouldn't miss this show for the

62  
00:02:11,690 --> 00:02:09,239  
world we've done shows with kovid you

63  
00:02:13,910 --> 00:02:11,700

were sick a few weeks ago I can't walk

64

00:02:16,550 --> 00:02:13,920

but this is what this is what commitment

65

00:02:18,589 --> 00:02:16,560

looks like buddy absolutely yeah welcome

66

00:02:20,449 --> 00:02:18,599

to it Third Year Anniversary we'll be

67

00:02:23,630 --> 00:02:20,459

right back with Mr John Ramirez right

68

00:02:27,470 --> 00:02:23,640

here on UAP studies podcasts

69

00:02:47,330 --> 00:02:41,320

[Music]

70

00:02:51,110 --> 00:02:48,890

welcome back to another very special

71

00:02:52,670 --> 00:02:51,120

episode of UAP studies podcast it is our

72

00:02:54,710 --> 00:02:52,680

third year anniversary as we mentioned

73

00:02:57,530 --> 00:02:54,720

in the intro and I couldn't think of a

74

00:02:59,449 --> 00:02:57,540

greater guest to have with us today I

75

00:03:01,190 --> 00:02:59,459

think our first year was our second year

76

00:03:03,589 --> 00:03:01,200

was George Knapp then we hit 100

77

00:03:05,750 --> 00:03:03,599

episodes we had Jacques valet yeah and

78

00:03:07,250 --> 00:03:05,760

we had the man himself John Ramirez this

79

00:03:08,750 --> 00:03:07,260

is his second last interview before

80

00:03:11,449 --> 00:03:08,760

stepping out of the Limelight a little

81

00:03:13,309 --> 00:03:11,459

bit so we're very uh proud and thankful

82

00:03:14,630 --> 00:03:13,319

that he was able to join us today and

83

00:03:16,910 --> 00:03:14,640

for those who don't know who John

84

00:03:20,809 --> 00:03:16,920

Ramirez is he served in his CIA from

85

00:03:22,729 --> 00:03:20,819

1984 to 2009 and the directorate of

86

00:03:24,649 --> 00:03:22,739

Science and Technology also the

87

00:03:27,470 --> 00:03:24,659

directorate of intelligence and the

88

00:03:29,809 --> 00:03:27,480

odini national counter proliferation

89

00:03:31,550 --> 00:03:29,819

Center I said that without screwing it

90

00:03:33,350 --> 00:03:31,560

up it's a mouthful Louie John

91

00:03:35,149 --> 00:03:33,360

specializes in signals intelligence

92

00:03:38,330 --> 00:03:35,159

ballistic missile defense weapon system

93

00:03:39,949 --> 00:03:38,340

radar technical collection operations uh

94

00:03:42,110 --> 00:03:39,959

he's the former Chief of the electronic

95

00:03:44,089 --> 00:03:42,120

intelligence analysis branch and he's

96

00:03:46,250 --> 00:03:44,099

also a member of The Association of

97

00:03:47,869 --> 00:03:46,260

Former Intelligence Officers and the

98

00:03:50,210 --> 00:03:47,879

Central Intelligence retired Diaries

99

00:03:52,610 --> 00:03:50,220

Association so now that I nailed that

100

00:03:54,350 --> 00:03:52,620

welcome to the show John Ramirez well

101  
00:03:55,970 --> 00:03:54,360  
Louie and Jason thank you very much for

102  
00:03:59,690 --> 00:03:55,980  
having me I'm kind of honored to be on

103  
00:04:01,850 --> 00:03:59,700  
your uh show for this August anniversary

104  
00:04:04,130 --> 00:04:01,860  
um and uh following the footsteps of uh

105  
00:04:06,289 --> 00:04:04,140  
my colleague Jim Simeivan so I'm very

106  
00:04:08,330 --> 00:04:06,299  
very flattered I'm just gonna say you

107  
00:04:11,630 --> 00:04:08,340  
know why have me on everything he said

108  
00:04:15,589 --> 00:04:11,640  
you know refer to Jim pay attention to

109  
00:04:18,110 --> 00:04:15,599  
him yeah yeah I was at GS-15

110  
00:04:20,509 --> 00:04:18,120  
um and that's uh the equivalent Army

111  
00:04:21,890 --> 00:04:20,519  
rank is Colonel a bird colonel wearing

112  
00:04:23,930 --> 00:04:21,900  
an eagle

113  
00:04:26,510 --> 00:04:23,940

um but Jim was uh in the equivalent of a

114

00:04:28,730 --> 00:04:26,520

general in the CIA so he was in much

115

00:04:31,610 --> 00:04:28,740

higher position did not know that much

116

00:04:33,770 --> 00:04:31,620

more accessor he he and I both earned

117

00:04:35,570 --> 00:04:33,780

the career intelligence medal I usually

118

00:04:39,770 --> 00:04:35,580

admit that in my BIOS

119

00:04:42,590 --> 00:04:39,780

uh so but yeah he's well connected

120

00:04:44,749 --> 00:04:42,600

um better more so than I I have been but

121

00:04:47,090 --> 00:04:44,759

I worked more in the uh director of

122

00:04:49,610 --> 00:04:47,100

intelligence the analytical side and of

123

00:04:51,770 --> 00:04:49,620

course Science and Technology uh obvious

124

00:04:54,170 --> 00:04:51,780

what that was all about so I worked from

125

00:04:56,810 --> 00:04:54,180

the technical side and the analysis side

126

00:04:59,749 --> 00:04:56,820

Jim worked on the operation side like he

127

00:05:03,590 --> 00:04:59,759

was the actual spy who was trained how

128

00:05:05,870 --> 00:05:03,600

to recruit foreigners to work for the

129

00:05:07,370 --> 00:05:05,880

United States government so he has those

130

00:05:08,510 --> 00:05:07,380

skills the kind of skills that you see

131

00:05:11,210 --> 00:05:08,520

in the movies

132

00:05:13,490 --> 00:05:11,220

uh we're like we're the guy uh we're

133

00:05:15,050 --> 00:05:13,500

we're the guys on my side of the CIA

134

00:05:17,150 --> 00:05:15,060

we're the guys that squirt away

135

00:05:18,950 --> 00:05:17,160

underneath the basement uh wearing the

136

00:05:21,890 --> 00:05:18,960

headphones like I am now listening and

137

00:05:24,590 --> 00:05:21,900

tuning into like signals yeah so that's

138

00:05:26,270 --> 00:05:24,600

what I did more technical side he's like

139

00:05:28,909 --> 00:05:26,280

Liam Neeson

140

00:05:31,129 --> 00:05:28,919

uh yeah I guess so yeah yeah he's more

141

00:05:34,310 --> 00:05:31,139

of the Jason uh Bjorn kind of guy yeah

142

00:05:35,870 --> 00:05:34,320

yeah yeah so usually we uh we go through

143

00:05:37,550 --> 00:05:35,880

and we explain you know or we ask the

144

00:05:39,050 --> 00:05:37,560

guests tell us you know what got you

145

00:05:40,909 --> 00:05:39,060

into the field and all that you've done

146

00:05:42,650 --> 00:05:40,919

quite a few shows so your bio is out

147

00:05:44,689 --> 00:05:42,660

there we want to make the best use of

148

00:05:46,070 --> 00:05:44,699

our time with you today so we've also

149

00:05:48,110 --> 00:05:46,080

pulled our audience I think we use

150

00:05:49,850 --> 00:05:48,120

Twitter this time to do a poll some

151  
00:05:51,529 --> 00:05:49,860  
people submitted questions so Jason's

152  
00:05:53,390 --> 00:05:51,539  
got some questions from our viewers that

153  
00:05:55,490 --> 00:05:53,400  
we're gonna intermingle throughout the

154  
00:05:56,810 --> 00:05:55,500  
episode uh and we'll just get ray to it

155  
00:05:59,330 --> 00:05:56,820  
here so I understand you are an

156  
00:06:00,529 --> 00:05:59,340  
experiencer as well uh maybe you can

157  
00:06:03,529 --> 00:06:00,539  
tell us a little bit about your personal

158  
00:06:05,689 --> 00:06:03,539  
experiences that you've had yes um I've

159  
00:06:07,490 --> 00:06:05,699  
been experienced this since um childhood

160  
00:06:10,210 --> 00:06:07,500  
and I think um

161  
00:06:14,090 --> 00:06:10,220  
four years old was the first time where

162  
00:06:17,570 --> 00:06:14,100  
I looked through a telescope and through

163  
00:06:19,430 --> 00:06:17,580

that telescope I felt like that um

164

00:06:21,490 --> 00:06:19,440

I didn't belong on the planet this is a

165

00:06:24,529 --> 00:06:21,500

strange feeling that I belong out there

166

00:06:27,290 --> 00:06:24,539

amongst the Stars I was looking at uh

167

00:06:29,809 --> 00:06:27,300

the moon and the nearby planets

168

00:06:32,809 --> 00:06:29,819

um the owner of the telescope was uh my

169

00:06:34,730 --> 00:06:32,819

parents landlord and he was an amateur

170

00:06:36,230 --> 00:06:34,740

astronomer in Japan and so he brought

171

00:06:38,330 --> 00:06:36,240

his telescope and that got me interested

172

00:06:41,210 --> 00:06:38,340

in space at a very young age

173

00:06:42,529 --> 00:06:41,220

and so I felt like yeah you know I want

174

00:06:44,510 --> 00:06:42,539

to be out in space because that's where

175

00:06:45,710 --> 00:06:44,520

I belong and I don't know how I ended up

176

00:06:47,390 --> 00:06:45,720

on this planet

177

00:06:49,370 --> 00:06:47,400

you know and you know it's been like

178

00:06:50,930 --> 00:06:49,380

that ever since where

179

00:06:52,969 --> 00:06:50,940

um when I was five years old living with

180

00:06:54,350 --> 00:06:52,979

my aunt and uncle in the state of

181

00:06:56,150 --> 00:06:54,360

Virginia

182

00:07:01,129 --> 00:06:56,160

um that I actually saw my first craft

183

00:07:02,629 --> 00:07:01,139

and it was not a blimp or dirigible or

184

00:07:04,309 --> 00:07:02,639

nothing like that

185

00:07:05,930 --> 00:07:04,319

um it had no means of propulsion it

186

00:07:08,629 --> 00:07:05,940

didn't have the Telltale Gondola

187

00:07:11,390 --> 00:07:08,639

underneath with propellers nothing like

188

00:07:13,430 --> 00:07:11,400

that it was just the shape of a of a

189

00:07:17,270 --> 00:07:13,440

blimp like a giant Tic Tac if you will

190

00:07:19,610 --> 00:07:17,280

and it Rose above the forest line uh to

191

00:07:22,189 --> 00:07:19,620

the right of where we're playing

192

00:07:24,290 --> 00:07:22,199

in front of um the place I was staying

193

00:07:28,129 --> 00:07:24,300

at it was a children's playground across

194

00:07:30,950 --> 00:07:28,139

the street and I pointed to this object

195

00:07:32,870 --> 00:07:30,960

and none of my cousins or my Playmates

196

00:07:35,150 --> 00:07:32,880

saw it they didn't know I was pointing

197

00:07:38,510 --> 00:07:35,160

to and I saw it plain as they lifting

198

00:07:41,450 --> 00:07:38,520

out of the uh above the forest line and

199

00:07:44,510 --> 00:07:41,460

going gently outward and disappearing

200

00:07:47,210 --> 00:07:44,520

so that was like the second experience I

201  
00:07:49,309 --> 00:07:47,220  
had and shortly thereafter

202  
00:07:51,770 --> 00:07:49,319  
um when my mother joined us from Japan

203  
00:07:54,170 --> 00:07:51,780  
she stayed in Japan uh to learn English

204  
00:07:59,150 --> 00:07:54,180  
and so she joined my father and my

205  
00:08:01,730 --> 00:07:59,160  
sister and I meet in Virginia and

206  
00:08:05,570 --> 00:08:01,740  
um at that time I started having these

207  
00:08:07,490 --> 00:08:05,580  
uh occurrences of remembering of um

208  
00:08:08,749 --> 00:08:07,500  
being taken to a house where I was

209  
00:08:11,270 --> 00:08:08,759  
examined

210  
00:08:13,309 --> 00:08:11,280  
by a woman leading me to the house not

211  
00:08:16,570 --> 00:08:13,319  
my mother and a doctor and a nurse there

212  
00:08:20,089 --> 00:08:16,580  
dressed up very much like we would call

213  
00:08:22,490 --> 00:08:20,099

Victorian eragar with Victorian looking

214

00:08:24,830 --> 00:08:22,500

uh instruments

215

00:08:30,770 --> 00:08:24,840

um on office excuse me I need to cough

216

00:08:36,469 --> 00:08:33,290

it's allergy season yeah I know it's

217

00:08:38,990 --> 00:08:36,479

it's plaguing us here in Arizona of all

218

00:08:40,310 --> 00:08:39,000

places but anyway long story short you

219

00:08:43,190 --> 00:08:40,320

know that was another experience I had

220

00:08:44,810 --> 00:08:43,200

of being examined by this doctor and

221

00:08:46,790 --> 00:08:44,820

this nurse

222

00:08:49,250 --> 00:08:46,800

um recently I recalled and I should have

223

00:08:51,290 --> 00:08:49,260

known before that I remember an

224

00:08:52,310 --> 00:08:51,300

inoculation of some sort being given to

225

00:08:54,410 --> 00:08:52,320

me

226  
00:08:56,509 --> 00:08:54,420  
in my arm

227  
00:08:59,030 --> 00:08:56,519  
and so

228  
00:09:01,490 --> 00:08:59,040  
these memories happen more than once

229  
00:09:05,150 --> 00:09:01,500  
that was like at least three I remember

230  
00:09:07,490 --> 00:09:05,160  
two going into this examining room on

231  
00:09:09,769 --> 00:09:07,500  
the first floor and one time going to

232  
00:09:12,170 --> 00:09:09,779  
the examining room on the second floor

233  
00:09:14,690 --> 00:09:12,180  
now you know you

234  
00:09:17,449 --> 00:09:14,700  
um look into the UFO literature the

235  
00:09:19,790 --> 00:09:17,459  
ephology literature and just this thing

236  
00:09:21,889 --> 00:09:19,800  
called You Know cover memories that this

237  
00:09:23,690 --> 00:09:21,899  
could have been a cover memory that you

238  
00:09:25,009 --> 00:09:23,700

may have been taking aboard a craft and

239

00:09:26,990 --> 00:09:25,019

you may have been examined but this is

240

00:09:29,150 --> 00:09:27,000

the memory they gave you so that you

241

00:09:30,190 --> 00:09:29,160

could handle it uh that could be true I

242

00:09:33,230 --> 00:09:30,200

don't know

243

00:09:35,509 --> 00:09:33,240

but I do know that something like that

244

00:09:37,030 --> 00:09:35,519

occurred to the point where I asked my

245

00:09:40,490 --> 00:09:37,040

mother when I was still being very young

246

00:09:43,130 --> 00:09:40,500

uh as these uh occurrences would happen

247

00:09:44,389 --> 00:09:43,140

about examining being examined by a

248

00:09:46,250 --> 00:09:44,399

doctor you like to go to the doctor's

249

00:09:47,570 --> 00:09:46,260

office mom and she says no nothing like

250

00:09:49,130 --> 00:09:47,580

that ever happened

251

00:09:51,949 --> 00:09:49,140

and so this is just a few of the

252

00:09:54,170 --> 00:09:51,959

examples that I've had in other uh

253

00:09:56,329 --> 00:09:54,180

podcasts I've mentioned them in greater

254

00:09:59,150 --> 00:09:56,339

greater detail but those were the

255

00:10:01,070 --> 00:09:59,160

beginning ones that I've had and I

256

00:10:03,590 --> 00:10:01,080

wanted to be judicious of your time so

257

00:10:05,990 --> 00:10:03,600

I'd be happy to entertain more questions

258

00:10:07,970 --> 00:10:06,000

well the uh well it's interesting that

259

00:10:09,769 --> 00:10:07,980

you've had these occurrences when you

260

00:10:12,290 --> 00:10:09,779

recall them were they at night time or

261

00:10:14,150 --> 00:10:12,300

or daytime like was this while you were

262

00:10:19,009 --> 00:10:14,160

fully awake

263

00:10:21,710 --> 00:10:19,019

when I had them which is why uh I was

264

00:10:23,750 --> 00:10:21,720

compelled to ask my mother about them it

265

00:10:26,210 --> 00:10:23,760

wasn't like I had a dream and then I

266

00:10:28,190 --> 00:10:26,220

asked my mother about the dream

267

00:10:28,910 --> 00:10:28,200

um it felt like it really did happen to

268

00:10:31,009 --> 00:10:28,920

me

269

00:10:34,130 --> 00:10:31,019

which is why you know I wanted to know

270

00:10:36,110 --> 00:10:34,140

did it happen right apparently my mother

271

00:10:37,430 --> 00:10:36,120

said nothing like that happened yet I

272

00:10:39,710 --> 00:10:37,440

have a conscious memory of something

273

00:10:41,750 --> 00:10:39,720

like that occurring and there was three

274

00:10:44,930 --> 00:10:41,760

entities or three people in the room

275

00:10:46,069 --> 00:10:44,940

with you uh the woman who led me to this

276  
00:10:48,829 --> 00:10:46,079  
house

277  
00:10:51,050 --> 00:10:48,839  
um stayed outside and picked me up after

278  
00:10:53,329 --> 00:10:51,060  
the examining examination was over and

279  
00:10:57,350 --> 00:10:53,339  
led me out of the house interesting um

280  
00:10:59,569 --> 00:10:57,360  
so the examination actually occurred in

281  
00:11:02,389 --> 00:10:59,579  
the room with the doctor and a nurse so

282  
00:11:04,250 --> 00:11:02,399  
two people examined me and the woman who

283  
00:11:05,750 --> 00:11:04,260  
led me to the examining room stayed

284  
00:11:08,150 --> 00:11:05,760  
outside

285  
00:11:10,069 --> 00:11:08,160  
interesting yeah were there any these

286  
00:11:12,230 --> 00:11:10,079  
were like human looking people yeah very

287  
00:11:14,990 --> 00:11:12,240  
much human absolutely so what do you

288  
00:11:16,790 --> 00:11:15,000

make of that were they hybrids was this

289

00:11:18,410 --> 00:11:16,800

I don't know because you know a cover

290

00:11:21,110 --> 00:11:18,420

memory they can appear to be anything

291

00:11:23,750 --> 00:11:21,120

they want you that's true remember

292

00:11:25,250 --> 00:11:23,760

and so I I can't say that they were

293

00:11:28,430 --> 00:11:25,260

hybrids they were

294

00:11:30,230 --> 00:11:28,440

et's of of the gray type or any of the

295

00:11:31,670 --> 00:11:30,240

other uh

296

00:11:33,889 --> 00:11:31,680

typical

297

00:11:35,630 --> 00:11:33,899

ETS that people have seen yeah I can't

298

00:11:38,690 --> 00:11:35,640

say that it's just that they presented

299

00:11:42,889 --> 00:11:38,700

themselves to me as human as human as uh

300

00:11:44,329 --> 00:11:42,899

you and I uh are so yeah and on that

301

00:11:45,710 --> 00:11:44,339

note what do you make of all the

302

00:11:47,569 --> 00:11:45,720

different species that people have

303

00:11:49,550 --> 00:11:47,579

reported I mean even the former Canadian

304

00:11:51,650 --> 00:11:49,560

Defense Minister Paul Hellyer he

305

00:11:54,170 --> 00:11:51,660

estimated there was over 83 species

306

00:11:56,569 --> 00:11:54,180

that's crazy like not just aliens exist

307

00:11:59,630 --> 00:11:56,579

there's dozens and dozens of them I mean

308

00:12:02,810 --> 00:11:59,640

we've got reptilians nordics Grays avian

309

00:12:07,009 --> 00:12:02,820

Blues tall gray short Grays what do you

310

00:12:10,730 --> 00:12:07,019

make yes um uh people call it uh Mr

311

00:12:12,710 --> 00:12:10,740

Hellyer and others such as the Israeli

312

00:12:14,990 --> 00:12:12,720

um equivalent of the director of nro

313

00:12:18,050 --> 00:12:15,000

called him a federation

314

00:12:19,790 --> 00:12:18,060  
and I've heard a better term

315

00:12:21,949 --> 00:12:19,800  
um Commonwealth

316

00:12:24,310 --> 00:12:21,959  
and as Canadians your Canadian owners

317

00:12:27,050 --> 00:12:24,320  
knows that uh you're part of the

318

00:12:29,690 --> 00:12:27,060  
historic British Commonwealth because

319

00:12:32,990 --> 00:12:29,700  
your head of state is King Charles III

320

00:12:35,870 --> 00:12:33,000  
but you're head of government is uh Mr

321

00:12:37,550 --> 00:12:35,880  
Trudeau and so in that sense it's more

322

00:12:41,150 --> 00:12:37,560  
of a commonwealth it's independent

323

00:12:43,550 --> 00:12:41,160  
countries or independent races uh joined

324

00:12:46,730 --> 00:12:43,560  
together for a common purpose

325

00:12:49,370 --> 00:12:46,740  
and they themselves may have their own

326

00:12:51,230 --> 00:12:49,380

agendas they may then regulate

327

00:12:53,150 --> 00:12:51,240

themselves independently of the others

328

00:12:55,009 --> 00:12:53,160

with their own agendas and so I think

329

00:12:56,930 --> 00:12:55,019

that's what Mr Heller was referring to

330

00:12:58,550 --> 00:12:56,940

it's more of a commonwealth than a than

331

00:13:02,090 --> 00:12:58,560

a federation

332

00:13:04,790 --> 00:13:02,100

um as far as those who interact with us

333

00:13:07,069 --> 00:13:04,800

um I've heard and I can't attribute how

334

00:13:08,990 --> 00:13:07,079

I heard them unfortunately but I heard

335

00:13:11,269 --> 00:13:09,000

that there's only a limited number of

336

00:13:12,829 --> 00:13:11,279

them actually interfacing with humans

337

00:13:15,829 --> 00:13:12,839

that are allowed to interface with

338

00:13:18,170 --> 00:13:15,839

humans and like half a dozen and we tend

339

00:13:20,449 --> 00:13:18,180

to see these half dozen all the time and

340

00:13:22,490 --> 00:13:20,459

it's usually the typical reptilian

341

00:13:24,470 --> 00:13:22,500

looking pers uh person and I call them

342

00:13:27,170 --> 00:13:24,480

people because it's easier to think of

343

00:13:29,750 --> 00:13:27,180

them as people really seriously instead

344

00:13:31,790 --> 00:13:29,760

of like this creature from

345

00:13:33,230 --> 00:13:31,800

another place even though they might be

346

00:13:34,370 --> 00:13:33,240

creatures from another place I call them

347

00:13:42,530 --> 00:13:34,380

people

348

00:13:45,470 --> 00:13:42,540

to be at least a couple of types of

349

00:13:48,590 --> 00:13:45,480

Grays one taller than the other and then

350

00:13:50,889 --> 00:13:48,600

there is the Nordic a more human looking

351

00:13:53,990 --> 00:13:50,899

um as well and on The Reptilian side

352

00:13:56,449 --> 00:13:54,000

apparently there is a race that has been

353

00:13:58,250 --> 00:13:56,459

associated with the the Moon the Moon

354

00:14:00,530 --> 00:13:58,260

our moon on The Far Side of the Moon

355

00:14:02,569 --> 00:14:00,540

where remote viewers who've removed

356

00:14:05,629 --> 00:14:02,579

remote view The Far Side of the Moon

357

00:14:07,790 --> 00:14:05,639

were told explicitly by them never to

358

00:14:10,069 --> 00:14:07,800

come back do not do this

359

00:14:11,210 --> 00:14:10,079

and that was reported back to the U.S

360

00:14:13,190 --> 00:14:11,220

government because these were government

361

00:14:16,850 --> 00:14:13,200

remote viewers and that's in the

362

00:14:18,650 --> 00:14:16,860

literature now as well and uh so

363

00:14:20,690 --> 00:14:18,660

I would say maybe there's a half a dozen

364

00:14:22,550 --> 00:14:20,700

interfacing with us interacting with us

365

00:14:25,190 --> 00:14:22,560

oh I forgot one more the Blue Bean

366

00:14:26,389 --> 00:14:25,200

there's a being that has a kind of a

367

00:14:28,970 --> 00:14:26,399

blue scan

368

00:14:31,030 --> 00:14:28,980

and so these might be the folks who are

369

00:14:33,590 --> 00:14:31,040

uh interfacing with us and could be

370

00:14:36,410 --> 00:14:33,600

representing this Commonwealth of other

371

00:14:38,389 --> 00:14:36,420

beings that are out there as well

372

00:14:39,710 --> 00:14:38,399

we've explored the like the

373

00:14:41,449 --> 00:14:39,720

possibilities because there's a lot of

374

00:14:43,250 --> 00:14:41,459

theories out there about what these

375

00:14:45,710 --> 00:14:43,260

entities could be I mean Michael Paul

376

00:14:47,810 --> 00:14:45,720

Masters says they could be ultra

377

00:14:49,250 --> 00:14:47,820

tempestal meaning they may be us from

378

00:14:51,829 --> 00:14:49,260

the future they might be

379

00:14:54,769 --> 00:14:51,839

inter-dimensional as well right they

380

00:14:56,389 --> 00:14:54,779

occupy a dimension we can't see uh they

381

00:14:58,430 --> 00:14:56,399

could be extraterrestrial or it could be

382

00:15:00,829 --> 00:14:58,440

a collective of all of them there could

383

00:15:02,509 --> 00:15:00,839

be so much different variety and

384

00:15:05,509 --> 00:15:02,519

complexities to each one of these

385

00:15:07,069 --> 00:15:05,519

situations that that's what makes it

386

00:15:09,530 --> 00:15:07,079

difficult that even if we come out with

387

00:15:10,790 --> 00:15:09,540

disclosure and people are aware we don't

388

00:15:13,310 --> 00:15:10,800

understand the full picture because

389

00:15:15,470 --> 00:15:13,320

there's just so much that we're not at

390

00:15:17,810 --> 00:15:15,480

that stage in our Evolution to people

391

00:15:19,370 --> 00:15:17,820

who comprehend properly so it's

392

00:15:21,410 --> 00:15:19,380

interesting because it's more reaction

393

00:15:22,670 --> 00:15:21,420

of how we are going to interact now

394

00:15:25,790 --> 00:15:22,680

socially

395

00:15:29,210 --> 00:15:25,800

and globally uh once we all admit that

396

00:15:32,389 --> 00:15:29,220

we have this issue in common yeah

397

00:15:37,250 --> 00:15:35,810

those are hypotheses that have been out

398

00:15:40,009 --> 00:15:37,260

there for a while

399

00:15:42,949 --> 00:15:40,019

um uh if you talk to Mr sunnyvan which

400

00:15:45,650 --> 00:15:42,959

you did um he uh here's to what he calls

401  
00:15:48,290 --> 00:15:45,660  
the ultra terrestrial hypotheses and the

402  
00:15:49,970 --> 00:15:48,300  
interdimensional hypotheses and along

403  
00:15:53,870 --> 00:15:49,980  
with that interdimensional hypotheses

404  
00:15:56,389 --> 00:15:53,880  
come the uh extra tempestral hypotheses

405  
00:15:59,569 --> 00:15:56,399  
as well it's blended into it

406  
00:16:00,970 --> 00:15:59,579  
um I I just concluded a week-long

407  
00:16:04,610 --> 00:16:00,980  
um

408  
00:16:06,530 --> 00:16:04,620  
conference hosted by a physicist

409  
00:16:09,230 --> 00:16:06,540  
associated with CIA that many people

410  
00:16:12,590 --> 00:16:09,240  
don't know but people should know his

411  
00:16:15,889 --> 00:16:12,600  
name is Dr Jack serfati and if you

412  
00:16:18,290 --> 00:16:15,899  
listen to his story in 1953 when he's a

413  
00:16:19,430 --> 00:16:18,300

teenager he says that he got a phone

414

00:16:22,069 --> 00:16:19,440

call

415

00:16:25,090 --> 00:16:22,079

when he was a kid living in Brooklyn New

416

00:16:29,090 --> 00:16:25,100

York where he was contacted by

417

00:16:31,610 --> 00:16:29,100

identified A.I from the future who

418

00:16:33,889 --> 00:16:31,620

talked to her and receive he received

419

00:16:36,350 --> 00:16:33,899

downloads and that the ultimate message

420

00:16:38,810 --> 00:16:36,360

was that you're not going to be able to

421

00:16:40,550 --> 00:16:38,820

use this information right now but in

422

00:16:43,550 --> 00:16:40,560

your future you will

423

00:16:47,329 --> 00:16:43,560

and strange enough in his future he was

424

00:16:50,090 --> 00:16:47,339

he was contacted by CIA to work on these

425

00:16:51,110 --> 00:16:50,100

special projects related to this entire

426  
00:16:54,230 --> 00:16:51,120  
topic

427  
00:16:57,530 --> 00:16:54,240  
and so he has a lot of knowledge and so

428  
00:16:58,670 --> 00:16:57,540  
he is a strong proponent of the AI from

429  
00:17:01,970 --> 00:16:58,680  
the future

430  
00:17:04,789 --> 00:17:01,980  
and the more I think about it I think we

431  
00:17:06,230 --> 00:17:04,799  
can't discount that because people are

432  
00:17:07,549 --> 00:17:06,240  
wondering you know why are they back

433  
00:17:09,890 --> 00:17:07,559  
here are they trying to warn us of

434  
00:17:12,189 --> 00:17:09,900  
something that's occurring right now and

435  
00:17:16,730 --> 00:17:12,199  
you know what's occurring right now is

436  
00:17:19,549 --> 00:17:16,740  
Humanity's nascent exploration of AI

437  
00:17:22,010 --> 00:17:19,559  
and where that could lead good or bad

438  
00:17:24,710 --> 00:17:22,020

and if they're back from the future

439

00:17:26,689 --> 00:17:24,720

let's say they could be here to warn us

440

00:17:29,270 --> 00:17:26,699

that what we're doing with AI the way

441

00:17:31,370 --> 00:17:29,280

we're going about it will have a very

442

00:17:33,110 --> 00:17:31,380

bad outcome or not very positive

443

00:17:35,090 --> 00:17:33,120

outcomes and they're here to help us

444

00:17:36,230 --> 00:17:35,100

steer what we should be doing with AI

445

00:17:37,310 --> 00:17:36,240

because I think it's a very powerful

446

00:17:40,850 --> 00:17:37,320

tool

447

00:17:43,070 --> 00:17:40,860

it's the next level of Technology more

448

00:17:46,130 --> 00:17:43,080

so than the nuclear age or any of the

449

00:17:47,870 --> 00:17:46,140

other ages Industrial Age the aih is an

450

00:17:50,090 --> 00:17:47,880

extension of what we would call the

451  
00:17:52,070 --> 00:17:50,100  
computer information technology age it's

452  
00:17:54,350 --> 00:17:52,080  
the ultimate expression because now

453  
00:17:59,230 --> 00:17:54,360  
we're dealing with

454  
00:18:02,630 --> 00:17:59,240  
um a non-organic entity AI taking on

455  
00:18:05,270 --> 00:18:02,640  
organic-like behaviors and properties

456  
00:18:08,270 --> 00:18:05,280  
and gosh the last thing I want is a

457  
00:18:09,590 --> 00:18:08,280  
Terminator coming back to us right so

458  
00:18:13,310 --> 00:18:09,600  
I'm not of course this is all

459  
00:18:16,130 --> 00:18:13,320  
speculation but um uh it I think it has

460  
00:18:18,409 --> 00:18:16,140  
a lot of traction and um and again I'm

461  
00:18:22,909 --> 00:18:18,419  
sorry for your audience I can't

462  
00:18:25,010 --> 00:18:22,919  
I cannot uh go back and uh accredit what

463  
00:18:25,909 --> 00:18:25,020

I know but

464

00:18:29,450 --> 00:18:25,919

um

465

00:18:30,950 --> 00:18:29,460

I would not discount the uh

466

00:18:33,710 --> 00:18:30,960

time travelers from the future

467

00:18:35,930 --> 00:18:33,720

hypotheses at all I would I would hold

468

00:18:37,789 --> 00:18:35,940

that somewhat lightly

469

00:18:39,890 --> 00:18:37,799

but I would not discount it at all

470

00:18:41,750 --> 00:18:39,900

because I'm hearing more and more that

471

00:18:45,289 --> 00:18:41,760

this could be the answer to what's going

472

00:18:46,970 --> 00:18:45,299

on and in this conference uh Dr Safari

473

00:18:50,330 --> 00:18:46,980

laid out beautifully

474

00:18:52,070 --> 00:18:50,340

and and what I call layman's terms uh

475

00:18:54,830 --> 00:18:52,080

much to the disappointment of the other

476  
00:18:57,710 --> 00:18:54,840  
PhD physicists there who wanted to see

477  
00:19:01,370 --> 00:18:57,720  
math equations uh he laid out this case

478  
00:19:04,190 --> 00:19:01,380  
for this AI from the future how the tech

479  
00:19:07,430 --> 00:19:04,200  
Tac and other such Vehicles may have a

480  
00:19:09,830 --> 00:19:07,440  
Time component and time aspect to its

481  
00:19:11,990 --> 00:19:09,840  
technology and that its propulsion

482  
00:19:14,450 --> 00:19:12,000  
system and Consciousness melded together

483  
00:19:17,029 --> 00:19:14,460  
now whenever you say Consciousness in

484  
00:19:18,770 --> 00:19:17,039  
front of a physicist theoretical or

485  
00:19:21,289 --> 00:19:18,780  
applied they're going to completely

486  
00:19:23,210 --> 00:19:21,299  
dismiss you this Consciousness oh get

487  
00:19:25,250 --> 00:19:23,220  
out of here you're you're like you're a

488  
00:19:27,650 --> 00:19:25,260

Looney Tune you know get out of here

489

00:19:31,789 --> 00:19:27,660

um but he actually believes that there

490

00:19:34,250 --> 00:19:31,799

is a Consciousness aspect and I can say

491

00:19:36,169 --> 00:19:34,260

that he's on the right track

492

00:19:37,669 --> 00:19:36,179

that the Consciousness aspect of this

493

00:19:40,370 --> 00:19:37,679

phenomena is something that government

494

00:19:43,610 --> 00:19:40,380

became very interested in

495

00:19:45,830 --> 00:19:43,620

and has always been interested in

496

00:19:48,470 --> 00:19:45,840

um going back to maybe perhaps Roswell

497

00:19:50,690 --> 00:19:48,480

because if you read the literature and

498

00:19:52,490 --> 00:19:50,700

if you believe the literature apparently

499

00:19:54,830 --> 00:19:52,500

there was some telepathic communication

500

00:19:56,630 --> 00:19:54,840

between one of the beings who survived

501  
00:19:59,930 --> 00:19:56,640  
and the humans

502  
00:20:01,610 --> 00:19:59,940  
some telepathy occurred and so if you

503  
00:20:04,070 --> 00:20:01,620  
look at the Roswell story and the

504  
00:20:06,110 --> 00:20:04,080  
aftermath of the Roswell story that

505  
00:20:09,110 --> 00:20:06,120  
becomes part of that narrative and was

506  
00:20:12,890 --> 00:20:09,120  
that true well so happens in 1947

507  
00:20:15,650 --> 00:20:12,900  
keeping in mind July 47 is Roswell and a

508  
00:20:17,630 --> 00:20:15,660  
few weeks later CIA was authorized to be

509  
00:20:21,289 --> 00:20:17,640  
created and was created on September

510  
00:20:24,289 --> 00:20:21,299  
1847 the later that year the Office of

511  
00:20:25,909 --> 00:20:24,299  
Naval intelligence and the CIA got

512  
00:20:27,770 --> 00:20:25,919  
together and started something called

513  
00:20:32,450 --> 00:20:27,780

project chatter

514

00:20:34,850 --> 00:20:32,460

chatter do exploring uh the use of uh

515

00:20:37,310 --> 00:20:34,860

actually uh psychedelics

516

00:20:39,710 --> 00:20:37,320

in order to expand consciousness

517

00:20:42,830 --> 00:20:39,720

that's one of the program goals and that

518

00:20:45,409 --> 00:20:42,840

led to what we now know is MK Ultra and

519

00:20:47,510 --> 00:20:45,419

it's not about so much mind control as

520

00:20:52,070 --> 00:20:47,520

behavior modification

521

00:20:54,529 --> 00:20:52,080

and the purpose of MK Ultra was to

522

00:20:56,210 --> 00:20:54,539

modify the behavior of a foreign

523

00:20:58,430 --> 00:20:56,220

National who's highly placed in the

524

00:21:01,610 --> 00:20:58,440

government to convince that person that

525

00:21:03,650 --> 00:21:01,620

it's a good thing to be a traitor to his

526

00:21:05,750 --> 00:21:03,660

or her country to provide us with

527

00:21:07,669 --> 00:21:05,760

information that was the ultimate goal

528

00:21:09,950 --> 00:21:07,679

of MK Ultra

529

00:21:12,710 --> 00:21:09,960

um and so um

530

00:21:15,110 --> 00:21:12,720

leading off of that remote viewing which

531

00:21:17,510 --> 00:21:15,120

is all about communication you know like

532

00:21:20,390 --> 00:21:17,520

telepathic communication or I guess

533

00:21:22,070 --> 00:21:20,400

you say projecting one's Consciousness

534

00:21:23,930 --> 00:21:22,080

to a distant place

535

00:21:25,970 --> 00:21:23,940

in order to discern what might be at

536

00:21:27,950 --> 00:21:25,980

that distant place and it was part of uh

537

00:21:30,830 --> 00:21:27,960

spy tradecraft

538

00:21:32,630 --> 00:21:30,840

so all that could add up together for

539

00:21:34,730 --> 00:21:32,640

that compelling story that you know

540

00:21:36,789 --> 00:21:34,740

there's something to do with this higher

541

00:21:40,370 --> 00:21:36,799

Consciousness aspect of the phenomenon

542

00:21:43,010 --> 00:21:40,380

more so and Beyond just the cool

543

00:21:46,250 --> 00:21:43,020

propulsion system that makes it fly

544

00:21:49,490 --> 00:21:46,260

a conscious aspect plus a time travel as

545

00:21:52,970 --> 00:21:49,500

a source of that phenomenon coming back

546

00:21:55,250 --> 00:21:52,980

all melded together and so that combines

547

00:21:56,450 --> 00:21:55,260

already several conspiracy theories

548

00:21:59,750 --> 00:21:56,460

several things that are considered

549

00:22:02,630 --> 00:21:59,760

conspiracy theories and I'm hoping as

550

00:22:05,990 --> 00:22:02,640

um we go toward an era of disclosure

551

00:22:09,110 --> 00:22:06,000

which I can say is more truth Than

552

00:22:11,810 --> 00:22:09,120

Fiction and I just refer to Dr Gary

553

00:22:15,110 --> 00:22:11,820

Nolan's talk he gave in New York City

554

00:22:17,330 --> 00:22:15,120

just recently he pretty much laid out

555

00:22:19,549 --> 00:22:17,340

what the government could say

556

00:22:21,649 --> 00:22:19,559

let's put it that way in the first round

557

00:22:25,310 --> 00:22:21,659

of disclosure which in itself is

558

00:22:27,529 --> 00:22:25,320

explosive but you know that all of this

559

00:22:30,590 --> 00:22:27,539

other all these other aspects may may

560

00:22:32,270 --> 00:22:30,600

come come forward from that point you

561

00:22:34,190 --> 00:22:32,280

mentioned your colleague Jackson fatty

562

00:22:36,110 --> 00:22:34,200

and also some of your other friends and

563

00:22:38,210 --> 00:22:36,120

colleagues like Jacques Valley Gary

564

00:22:41,870 --> 00:22:38,220

Nolan Jim semivan all have had

565

00:22:44,210 --> 00:22:41,880

experiences all are somehow enlightened

566

00:22:46,549 --> 00:22:44,220

as a result so do you think that those

567

00:22:47,750 --> 00:22:46,559

people were chosen maybe based on what

568

00:22:50,810 --> 00:22:47,760

they knew they were going to become in

569

00:22:52,549 --> 00:22:50,820

the future or you know they they have a

570

00:22:53,930 --> 00:22:52,559

um an audience or they have the ear of

571

00:22:56,210 --> 00:22:53,940

the people therefore that's a good

572

00:22:57,950 --> 00:22:56,220

person for somebody to try to you know

573

00:22:59,450 --> 00:22:57,960

interface with do you think there's any

574

00:23:01,850 --> 00:22:59,460

connection with some of the bigger name

575

00:23:04,070 --> 00:23:01,860

people in our our topic also having

576

00:23:06,950 --> 00:23:04,080

experiences

577

00:23:09,770 --> 00:23:06,960

um it's interesting that members of the

578

00:23:12,890 --> 00:23:09,780

uh defense and civilian intelligence

579

00:23:16,190 --> 00:23:12,900

communities uh seem to have experiences

580

00:23:18,169 --> 00:23:16,200

and whether that's by choice uh then

581

00:23:20,570 --> 00:23:18,179

instead of you know by choice I mean

582

00:23:22,909 --> 00:23:20,580

because they were in CIA because they

583

00:23:26,450 --> 00:23:22,919

made a conscious decision to CCI career

584

00:23:28,789 --> 00:23:26,460

that these experiences happen or it was

585

00:23:30,770 --> 00:23:28,799

the experience that led them to CIA in

586

00:23:34,250 --> 00:23:30,780

my case it was my experiences that got

587

00:23:35,870 --> 00:23:34,260

me interested in CIA that this was one

588

00:23:37,970 --> 00:23:35,880

one of my downloads you ought to work

589

00:23:40,730 --> 00:23:37,980

for CIA

590

00:23:42,950 --> 00:23:40,740

um so I I that's up to them to to

591

00:23:44,450 --> 00:23:42,960

describe I would preface this that um

592

00:23:47,090 --> 00:23:44,460

other than Jim simeivan none of these

593

00:23:49,730 --> 00:23:47,100

folks are are I consider colleagues I'd

594

00:23:52,549 --> 00:23:49,740

never work with them directly I've had

595

00:23:54,289 --> 00:23:52,559

uh conversations with Mr sunnyvan

596

00:23:56,870 --> 00:23:54,299

um but with others uh it's more

597

00:24:00,289 --> 00:23:56,880

ancillary I know them through cutouts to

598

00:24:03,110 --> 00:24:00,299

I never spoke with Dr Nolan directly or

599

00:24:06,049 --> 00:24:03,120

these other individuals Dr valet I did

600

00:24:08,870 --> 00:24:06,059

meet at a conference uh Polo Harris's

601  
00:24:11,690 --> 00:24:08,880  
starworks USA conference in 2021.

602  
00:24:13,250 --> 00:24:11,700  
so I got a chance to uh to meet and

603  
00:24:15,590 --> 00:24:13,260  
greet with him

604  
00:24:17,149 --> 00:24:15,600  
um but uh yeah I would say you know it

605  
00:24:20,270 --> 00:24:17,159  
there seems to be

606  
00:24:22,130 --> 00:24:20,280  
a correlation of put it that way between

607  
00:24:23,090 --> 00:24:22,140  
those in intelligence Community working

608  
00:24:26,810 --> 00:24:23,100  
this

609  
00:24:30,110 --> 00:24:26,820  
and these folks being experiencers but

610  
00:24:32,570 --> 00:24:30,120  
they're kind of hesitant to say so and

611  
00:24:34,970 --> 00:24:32,580  
so very few of them have come forward

612  
00:24:37,549 --> 00:24:34,980  
uh but maybe after disclosure they'd be

613  
00:24:39,649 --> 00:24:37,559

a little more uh Freer to talk about

614

00:24:42,289 --> 00:24:39,659

their experiences and there'll be the

615

00:24:45,529 --> 00:24:42,299

stigma of disclosure is not just to

616

00:24:47,750 --> 00:24:45,539

inform us who are UFO enthusiasts uh

617

00:24:49,549 --> 00:24:47,760

about this topic but you know how many

618

00:24:52,010 --> 00:24:49,559

of us are there are there like a million

619

00:24:54,110 --> 00:24:52,020

maybe two million but there are eight

620

00:24:55,970 --> 00:24:54,120

billion people on the planet and the

621

00:24:58,250 --> 00:24:55,980

purpose is to reach out to those eight

622

00:25:00,350 --> 00:24:58,260

billion people who don't even give this

623

00:25:03,049 --> 00:25:00,360

topic a second thought

624

00:25:05,330 --> 00:25:03,059

well but we do I mean we you know we

625

00:25:07,310 --> 00:25:05,340

love this topic it's we're enthusiastic

626  
00:25:08,510 --> 00:25:07,320  
for this topic we don't need to be

627  
00:25:11,029 --> 00:25:08,520  
convinced

628  
00:25:12,710 --> 00:25:11,039  
it's the others that we need to reach

629  
00:25:15,529 --> 00:25:12,720  
out to and I think that's the purpose of

630  
00:25:18,169 --> 00:25:15,539  
disclosures to bring everyone on board

631  
00:25:20,750 --> 00:25:18,179  
uh and then furthermore to allow

632  
00:25:24,230 --> 00:25:20,760  
governments like yours in Canada uh the

633  
00:25:26,450 --> 00:25:24,240  
UK the other five eyes partners of ours

634  
00:25:29,269 --> 00:25:26,460  
Australian New Zealand I believe they're

635  
00:25:31,789 --> 00:25:29,279  
sitting on a lot of information and uh

636  
00:25:34,490 --> 00:25:31,799  
Mr Heller the late uh Mr Hellyer would

637  
00:25:36,289 --> 00:25:34,500  
not have said what he said unless he

638  
00:25:39,169 --> 00:25:36,299

knew that he could back it up but he

639

00:25:41,149 --> 00:25:39,179

wasn't able to reveal any information to

640

00:25:42,890 --> 00:25:41,159

back up his claims

641

00:25:45,769 --> 00:25:42,900

um and I think all of that information

642

00:25:47,930 --> 00:25:45,779

is sitting there might come forward but

643

00:25:50,269 --> 00:25:47,940

Canada UK New Zealand and Australia

644

00:25:51,649 --> 00:25:50,279

waiting for the U.S to make that first

645

00:25:55,130 --> 00:25:51,659

step forward

646

00:25:57,230 --> 00:25:55,140

and then I am hoping to see a floodgates

647

00:26:00,110 --> 00:25:57,240

the floodgates open for more information

648

00:26:01,010 --> 00:26:00,120

to come out removing the stigma from uh

649

00:26:02,810 --> 00:26:01,020

everyone

650

00:26:04,789 --> 00:26:02,820

not just those who work in government

651  
00:26:08,810 --> 00:26:04,799  
but the civilian population in general

652  
00:26:11,149 --> 00:26:08,820  
who are not able to uh talk about this

653  
00:26:12,590 --> 00:26:11,159  
topic with their family with their

654  
00:26:14,510 --> 00:26:12,600  
friends and definitely not co-workers

655  
00:26:18,049 --> 00:26:14,520  
for fear of losing their job

656  
00:26:21,169 --> 00:26:18,059  
and so once we remove that stigma

657  
00:26:24,890 --> 00:26:21,179  
um I think uh the number of experiencers

658  
00:26:28,490 --> 00:26:24,900  
will be far greater than what we think

659  
00:26:30,409 --> 00:26:28,500  
well in the 1990s there was a Roper pole

660  
00:26:33,470 --> 00:26:30,419  
that was taken and they were saying that

661  
00:26:36,289 --> 00:26:33,480  
one well the the the final results were

662  
00:26:37,909 --> 00:26:36,299  
that one out of 50 people have been

663  
00:26:40,789 --> 00:26:37,919

abducted or had some sort of abduction

664

00:26:43,490 --> 00:26:40,799

experience that was in the 1990s when it

665

00:26:45,230 --> 00:26:43,500

was still not okay to talk about this

666

00:26:47,029 --> 00:26:45,240

you know what I mean when everybody kept

667

00:26:49,430 --> 00:26:47,039

quiet the government didn't partake in

668

00:26:50,930 --> 00:26:49,440

that Roper pole so we had no money on

669

00:26:53,570 --> 00:26:50,940

the inside like CIA members like

670

00:26:55,130 --> 00:26:53,580

yourself or the the defense department

671

00:26:57,710 --> 00:26:55,140

coming out they wouldn't say anything

672

00:27:00,769 --> 00:26:57,720

back then my guess is there's a lot more

673

00:27:02,810 --> 00:27:00,779

than one percent that you know or one

674

00:27:04,669 --> 00:27:02,820

out of 50. you know globally you

675

00:27:07,130 --> 00:27:04,679

mentioned eight billion people how many

676

00:27:08,930 --> 00:27:07,140

people is that globally that are

677

00:27:10,250 --> 00:27:08,940

experiencing this right 50 off of that

678

00:27:12,890 --> 00:27:10,260

if you can do the math real quick and

679

00:27:15,649 --> 00:27:12,900

that's uh that's quite a number of uh

680

00:27:17,570 --> 00:27:15,659

people and no discrimination like it

681

00:27:19,610 --> 00:27:17,580

doesn't matter your Creed your race your

682

00:27:21,590 --> 00:27:19,620

sexuality where you're from what you do

683

00:27:23,870 --> 00:27:21,600

for a living who you are what you're

684

00:27:26,510 --> 00:27:23,880

going through in your life specific

685

00:27:29,570 --> 00:27:26,520

people are somehow selected for this and

686

00:27:32,450 --> 00:27:29,580

it's crazy to think that that many

687

00:27:34,190 --> 00:27:32,460

people are all mentally ill right

688

00:27:36,110 --> 00:27:34,200

because I mentioned this before it's

689

00:27:38,750 --> 00:27:36,120

either it's a mental illness that is

690

00:27:40,730 --> 00:27:38,760

globally rampant right now or it's

691

00:27:43,810 --> 00:27:40,740

actually happening there's no middle

692

00:27:50,870 --> 00:27:47,450

absolutely it's it's it seems like um

693

00:27:55,850 --> 00:27:54,110

well it's hard to disc I'm surprised

694

00:27:59,690 --> 00:27:55,860

that people discount it as much as they

695

00:28:02,510 --> 00:27:59,700

do right uh because you know um

696

00:28:03,590 --> 00:28:02,520

in the United States now you can convict

697

00:28:06,289 --> 00:28:03,600

someone

698

00:28:09,230 --> 00:28:06,299

from eyewitness testimony yep I

699

00:28:11,630 --> 00:28:09,240

witnessed this person do this

700

00:28:14,149 --> 00:28:11,640

and uh eyewitness testimony can convict

701  
00:28:15,110 --> 00:28:14,159  
someone and put them in jail but on this

702  
00:28:18,470 --> 00:28:15,120  
topic

703  
00:28:20,330 --> 00:28:18,480  
you have to prove it you have to show

704  
00:28:22,669 --> 00:28:20,340  
um more than just eyewitness testimony

705  
00:28:23,690 --> 00:28:22,679  
or even when we have evidence people

706  
00:28:25,430 --> 00:28:23,700  
discount

707  
00:28:27,769 --> 00:28:25,440  
yeah you know there's evidence of this

708  
00:28:30,110 --> 00:28:27,779  
and people discount it because uh their

709  
00:28:32,510 --> 00:28:30,120  
belief system gets in the way

710  
00:28:36,830 --> 00:28:32,520  
but I would say this that you know if if

711  
00:28:38,390 --> 00:28:36,840  
one is a adherent of a belief system and

712  
00:28:40,669 --> 00:28:38,400  
I'll just pick Christianity because

713  
00:28:44,630 --> 00:28:40,679

that's the tradition I grew up in uh

714

00:28:46,850 --> 00:28:44,640

Catholic and so a person believes uh

715

00:28:49,789 --> 00:28:46,860

that I believe in in one God and I

716

00:28:53,690 --> 00:28:49,799

believe that Jesus Christ was his son

717

00:28:56,750 --> 00:28:53,700

no one comes out and disparages them no

718

00:28:59,870 --> 00:28:56,760

one comes out to attack them no one they

719

00:29:02,810 --> 00:28:59,880

said oh okay I respect that belief

720

00:29:05,870 --> 00:29:02,820

yet when you say I believe in in this

721

00:29:07,970 --> 00:29:05,880

phenomenon I believe that our non-humans

722

00:29:10,130 --> 00:29:07,980

um across this universe and that some of

723

00:29:12,590 --> 00:29:10,140

them are visiting us and then you get

724

00:29:14,510 --> 00:29:12,600

attacked immediately why is that

725

00:29:17,090 --> 00:29:14,520

why is one belief system accepted and

726

00:29:18,830 --> 00:29:17,100

another isn't so I just throw that out

727

00:29:21,950 --> 00:29:18,840

there I I'm not a philosopher in any way

728

00:29:23,330 --> 00:29:21,960

I can't answer it but you're right um it

729

00:29:26,210 --> 00:29:23,340

seems like

730

00:29:29,350 --> 00:29:26,220

you know it there's no middle ground you

731

00:29:31,730 --> 00:29:29,360

know it and can that this many people

732

00:29:34,610 --> 00:29:31,740

experience something and all be

733

00:29:36,370 --> 00:29:34,620

delusional yeah same detail too like a

734

00:29:38,810 --> 00:29:36,380

lot of them have repeating details

735

00:29:41,570 --> 00:29:38,820

description of these entities or how

736

00:29:43,130 --> 00:29:41,580

they they say they fly the craft that's

737

00:29:44,690 --> 00:29:43,140

interesting we're all wondering what

738

00:29:46,549 --> 00:29:44,700

these things are flying around at night

739

00:29:48,649 --> 00:29:46,559

it might be somebody that has taken up

740

00:29:51,529 --> 00:29:48,659

for a test drive like it's crazy but

741

00:29:53,810 --> 00:29:51,539

yeah you're right there's no um we don't

742

00:29:56,269 --> 00:29:53,820

believe it when I first got involved

743

00:29:57,769 --> 00:29:56,279

with mufon and the podcast started I

744

00:30:00,230 --> 00:29:57,779

mean I was a nobody had three people

745

00:30:03,169 --> 00:30:00,240

that listened to us this is before Louie

746

00:30:04,669 --> 00:30:03,179

came on and the the show picked up and

747

00:30:06,769 --> 00:30:04,679

uh you know I was struggling but I

748

00:30:09,049 --> 00:30:06,779

wanted to be an investigator and when

749

00:30:11,510 --> 00:30:09,059

the guys at work were laughing about it

750

00:30:12,889 --> 00:30:11,520

with some of their uh customers the

751  
00:30:14,630 --> 00:30:12,899  
customers would approach me afterwards

752  
00:30:16,430 --> 00:30:14,640  
and go hey uh

753  
00:30:19,909 --> 00:30:16,440  
just happened to me and it would tell me

754  
00:30:21,169 --> 00:30:19,919  
that happened to them and so they

755  
00:30:22,730 --> 00:30:21,179  
wouldn't admit it in front of the other

756  
00:30:25,010 --> 00:30:22,740  
guys but to me they'll be like hey when

757  
00:30:26,750 --> 00:30:25,020  
I was you know one guy creeped me out so

758  
00:30:28,190 --> 00:30:26,760  
much he was an older gentleman and

759  
00:30:30,169 --> 00:30:28,200  
everything was going fine I'm doing this

760  
00:30:32,149 --> 00:30:30,179  
transaction I forgot what I was doing

761  
00:30:34,549 --> 00:30:32,159  
and he leaned in and he looked at me

762  
00:30:38,090 --> 00:30:34,559  
right in the eye he said I saw them once

763  
00:30:39,889 --> 00:30:38,100

you know dude the hair on my arms went

764

00:30:42,409 --> 00:30:39,899

up I had not mentioned to him at all

765

00:30:44,450 --> 00:30:42,419

that I was into UFOs my co-workers

766

00:30:46,430 --> 00:30:44,460

hadn't mentioned anything he just knew

767

00:30:48,769 --> 00:30:46,440

automatically that it was into it right

768

00:30:50,029 --> 00:30:48,779

it's it's crazy the amount of people out

769

00:30:52,850 --> 00:30:50,039

there that have had these experiences

770

00:30:54,110 --> 00:30:52,860

that are just keeping it quiet right and

771

00:30:56,690 --> 00:30:54,120

I think that's what disclosure is going

772

00:30:58,850 --> 00:30:56,700

to do like you mentioned bring people to

773

00:31:01,010 --> 00:30:58,860

say you know what I've seen it too right

774

00:31:03,669 --> 00:31:01,020

I keep joking it's like a me too

775

00:31:06,409 --> 00:31:03,679

movement of UFOs you know like hashtag

776

00:31:08,090 --> 00:31:06,419

btufos but that's what's happening it's

777

00:31:10,250 --> 00:31:08,100

and it's people like yourself sir that

778

00:31:11,810 --> 00:31:10,260

have served in their con you know their

779

00:31:13,190 --> 00:31:11,820

country regardless of what country

780

00:31:15,289 --> 00:31:13,200

you're in if you've served your military

781

00:31:17,510 --> 00:31:15,299

or the government and you've had

782

00:31:19,610 --> 00:31:17,520

experiences that validates what your

783

00:31:22,010 --> 00:31:19,620

citizens are going through as well right

784

00:31:23,810 --> 00:31:22,020

and to me it seems like this issue is

785

00:31:26,210 --> 00:31:23,820

bigger than any government or military

786

00:31:28,490 --> 00:31:26,220

that we have on this planet it's about

787

00:31:30,529 --> 00:31:28,500

humanity and what we're all going

788

00:31:32,930 --> 00:31:30,539

through what we're all experiencing

789

00:31:34,430 --> 00:31:32,940

so that's why disclosure is so weird

790

00:31:36,230 --> 00:31:34,440

because we're just waiting for the

791

00:31:38,149 --> 00:31:36,240

government to just validate what we

792

00:31:40,970 --> 00:31:38,159

already know is going on and that

793

00:31:42,950 --> 00:31:40,980

something's not right right and I think

794

00:31:46,430 --> 00:31:42,960

to your you know to your credit like

795

00:31:48,470 --> 00:31:46,440

saying that uh disclosure is is coming

796

00:31:50,630 --> 00:31:48,480

we just got to hang in there I'm looking

797

00:31:53,149 --> 00:31:50,640

forward to how much of it is going to be

798

00:31:55,310 --> 00:31:53,159

validated and how much of it is real

799

00:32:00,110 --> 00:31:55,320

right and I can say this much

800

00:32:05,330 --> 00:32:03,649

um will have been uh not only the people

801  
00:32:07,610 --> 00:32:05,340  
coming forward

802  
00:32:11,750 --> 00:32:07,620  
but also the information they will be

803  
00:32:15,889 --> 00:32:11,760  
sharing the people have been vetted

804  
00:32:19,430 --> 00:32:15,899  
and the information has been validated

805  
00:32:21,710 --> 00:32:19,440  
and how do we do that because you know

806  
00:32:24,830 --> 00:32:21,720  
you have UFO Twitter

807  
00:32:26,750 --> 00:32:24,840  
and people making claims on social media

808  
00:32:28,430 --> 00:32:26,760  
so forth and so on how do you how do you

809  
00:32:29,090 --> 00:32:28,440  
sort that out it's very difficult right

810  
00:32:32,090 --> 00:32:29,100  
now

811  
00:32:32,870 --> 00:32:32,100  
but the people coming forward

812  
00:32:35,750 --> 00:32:32,880  
um

813  
00:32:38,090 --> 00:32:35,760

they have served in the positions with

814

00:32:40,130 --> 00:32:38,100

the clearances necessary to know the

815

00:32:42,230 --> 00:32:40,140

information they're sharing

816

00:32:44,450 --> 00:32:42,240

and so there are ways to do that and

817

00:32:46,850 --> 00:32:44,460

because you know if I provided my name

818

00:32:49,430 --> 00:32:46,860

social security number place in date of

819

00:32:52,130 --> 00:32:49,440

birth into a database called scattered

820

00:32:54,529 --> 00:32:52,140

castles I will come forward out in that

821

00:32:56,510 --> 00:32:54,539

database and you'll see that I work for

822

00:32:58,490 --> 00:32:56,520

CIA between this date and that date and

823

00:33:01,610 --> 00:32:58,500

it'll have the dates

824

00:33:05,090 --> 00:33:01,620

of every compartment I ever held when I

825

00:33:07,909 --> 00:33:05,100

was read into them and the massive date

826

00:33:11,269 --> 00:33:07,919

um back in September of 2009 when I was

827

00:33:13,730 --> 00:33:11,279

read out of them in Mass the whole

828

00:33:17,269 --> 00:33:13,740

two dozen or so of these compartments I

829

00:33:19,310 --> 00:33:17,279

had and so these folks are in the same

830

00:33:22,730 --> 00:33:19,320

situation that we know that they worked

831

00:33:26,690 --> 00:33:22,740

where they say they worked we know that

832

00:33:29,090 --> 00:33:26,700

um they their information is valid and

833

00:33:31,190 --> 00:33:29,100

now the difference is we are allowing

834

00:33:33,110 --> 00:33:31,200

them to come forward with this

835

00:33:35,630 --> 00:33:33,120

information because now they have

836

00:33:37,789 --> 00:33:35,640

legislation to protect them

837

00:33:40,850 --> 00:33:37,799

and so that is the biggest contribution

838

00:33:42,169 --> 00:33:40,860

to this should go to senator gillibrand

839

00:33:43,850 --> 00:33:42,179

of New York

840

00:33:46,610 --> 00:33:43,860

because she'll go down in history as

841

00:33:48,470 --> 00:33:46,620

having made this possible

842

00:33:50,090 --> 00:33:48,480

we'll stop that legislation none of this

843

00:33:51,409 --> 00:33:50,100

would happen

844

00:33:54,169 --> 00:33:51,419

um so

845

00:33:56,750 --> 00:33:54,179

you know yeah they'll be

846

00:33:58,730 --> 00:33:56,760

um further vetting and validation of

847

00:34:00,049 --> 00:33:58,740

these people as this first round comes

848

00:34:01,789 --> 00:34:00,059

forward I'm sure there are others who

849

00:34:03,470 --> 00:34:01,799

have come forward afterwards and that

850

00:34:07,610 --> 00:34:03,480

opens it up to the civilian world as

851  
00:34:11,169 --> 00:34:07,620  
well because we basically I mean so we

852  
00:34:13,669 --> 00:34:11,179  
have like many many

853  
00:34:16,070 --> 00:34:13,679  
uh government and military people coming

854  
00:34:17,510 --> 00:34:16,080  
forward well that's interesting but it's

855  
00:34:20,389 --> 00:34:17,520  
even more interesting to hear from

856  
00:34:22,550 --> 00:34:20,399  
civilians having the same experiences

857  
00:34:25,430 --> 00:34:22,560  
and the only difference is like job

858  
00:34:27,109 --> 00:34:25,440  
title so yeah I was an engineer I worked

859  
00:34:28,750 --> 00:34:27,119  
for this on this project for the

860  
00:34:33,109 --> 00:34:28,760  
government and I know this information

861  
00:34:35,089 --> 00:34:33,119  
uh but I mean that's not any more uh or

862  
00:34:37,550 --> 00:34:35,099  
less valid than someone who says yeah

863  
00:34:41,329 --> 00:34:37,560

I've had Direct experiences and I was on

864

00:34:42,829 --> 00:34:41,339

board of craft and I I flew it

865

00:34:45,470 --> 00:34:42,839

um you know I mean what's the difference

866

00:34:49,250 --> 00:34:45,480

there it's just job title but the

867

00:34:51,290 --> 00:34:49,260

experience itself is valid

868

00:34:53,089 --> 00:34:51,300

um so yeah I look forward to that time

869

00:34:55,909 --> 00:34:53,099

and I think

870

00:34:58,130 --> 00:34:55,919

I'm pretty confident it will happen I'll

871

00:35:01,130 --> 00:34:58,140

be very disappointed if it did not

872

00:35:03,770 --> 00:35:01,140

happen because basically um I wasted two

873

00:35:05,870 --> 00:35:03,780

two years of my life doing this

874

00:35:07,609 --> 00:35:05,880

yeah and I wanted to ask you about what

875

00:35:10,790 --> 00:35:07,619

some people report just sort of the

876

00:35:13,010 --> 00:35:10,800

trans medium nature of UFOs I mean you

877

00:35:14,990 --> 00:35:13,020

look at the Tic Tac incident it's 80 000

878

00:35:16,970 --> 00:35:15,000

feet and then it's sea level and we

879

00:35:18,530 --> 00:35:16,980

asked Richard Dolan about Usos and he

880

00:35:20,329 --> 00:35:18,540

goes on for half an hour with all the

881

00:35:22,609 --> 00:35:20,339

data and evidence and under underwater

882

00:35:25,130 --> 00:35:22,619

bases and everything else so what are

883

00:35:27,290 --> 00:35:25,140

your thoughts on how they Traverse from

884

00:35:29,510 --> 00:35:27,300

outer space to our atmosphere under the

885

00:35:30,770 --> 00:35:29,520

water what do you uh what do you think

886

00:35:35,270 --> 00:35:30,780

about all that

887

00:35:37,490 --> 00:35:35,280

well um this people really concentrate

888

00:35:38,690 --> 00:35:37,500

on anti-gravity anti-gravity

889

00:35:40,490 --> 00:35:38,700

anti-gravity

890

00:35:43,010 --> 00:35:40,500

because they think gravity is one of the

891

00:35:44,630 --> 00:35:43,020

uh four forces of the Universe

892

00:35:47,270 --> 00:35:44,640

um but if you talk to people who

893

00:35:49,430 --> 00:35:47,280

actually know like Dr Jack Safari he

894

00:35:50,810 --> 00:35:49,440

would discount gravity as being one of

895

00:35:54,050 --> 00:35:50,820

the four

896

00:35:57,589 --> 00:35:54,060

CES of the universe he'll say yes strong

897

00:36:00,770 --> 00:35:57,599

nuclear weak nuclear but electromagnetic

898

00:36:03,069 --> 00:36:00,780

and I spent 25 years in a CIA in six

899

00:36:06,589 --> 00:36:03,079

years in the Navy in the field of

900

00:36:08,089 --> 00:36:06,599

electromagnetic emissions radar is

901  
00:36:11,329 --> 00:36:08,099  
electromagnetic

902  
00:36:12,650 --> 00:36:11,339  
emissions and so

903  
00:36:15,710 --> 00:36:12,660  
um

904  
00:36:18,890 --> 00:36:15,720  
this is what I can say like you we all

905  
00:36:21,650 --> 00:36:18,900  
heard of metamaterials yeah yeah and um

906  
00:36:24,470 --> 00:36:21,660  
I said before magnesium bismuth and zinc

907  
00:36:26,630 --> 00:36:24,480  
and a purity that can't be manufactured

908  
00:36:29,089 --> 00:36:26,640  
or found on Earth but whatever they are

909  
00:36:31,550 --> 00:36:29,099  
let's just call them meta materials and

910  
00:36:33,589 --> 00:36:31,560  
let's imagine that they have what we

911  
00:36:36,349 --> 00:36:33,599  
know as wave guides inside of them

912  
00:36:38,150 --> 00:36:36,359  
infused in them and a wave guide is

913  
00:36:41,810 --> 00:36:38,160

basically a transmission line for

914

00:36:44,089 --> 00:36:41,820

electromagnetic magnetic waveforms

915

00:36:47,930 --> 00:36:44,099

um at extremely extremely high frequency

916

00:36:50,630 --> 00:36:47,940

we're talking like uh billions and

917

00:36:52,730 --> 00:36:50,640

trillions of cycles per second

918

00:36:54,530 --> 00:36:52,740

uh so let's say there are these waveguys

919

00:36:56,030 --> 00:36:54,540

that are very tiny like we call them

920

00:37:00,589 --> 00:36:56,040

millimeter wave

921

00:37:02,870 --> 00:37:00,599

anytime we go to the airport and we're

922

00:37:05,210 --> 00:37:02,880

asked to raise our hands and step stand

923

00:37:08,030 --> 00:37:05,220

on the yellow little Footprints there

924

00:37:10,089 --> 00:37:08,040

and zoom zoom that's you you just got

925

00:37:13,370 --> 00:37:10,099

blasted by millimeter wave

926  
00:37:15,050 --> 00:37:13,380  
and so that type of radiation

927  
00:37:17,030 --> 00:37:15,060  
um that type of it's not radiation but

928  
00:37:20,210 --> 00:37:17,040  
that type of uh emission

929  
00:37:23,150 --> 00:37:20,220  
let's say it's infused into or generated

930  
00:37:26,030 --> 00:37:23,160  
and Infused into that meta material that

931  
00:37:27,349 --> 00:37:26,040  
material may show some properties that

932  
00:37:30,410 --> 00:37:27,359  
are very interesting

933  
00:37:32,089 --> 00:37:30,420  
including properties that will then

934  
00:37:33,710 --> 00:37:32,099  
overcome

935  
00:37:37,970 --> 00:37:33,720  
um the weight

936  
00:37:41,210 --> 00:37:37,980  
and drag that aircraft feel and what you

937  
00:37:44,510 --> 00:37:41,220  
have is thrust and lift

938  
00:37:46,970 --> 00:37:44,520

and so when you're on board that craft

939

00:37:49,250 --> 00:37:46,980

and people say well you know

940

00:37:50,270 --> 00:37:49,260

it's impossible you know all the G's

941

00:37:53,690 --> 00:37:50,280

they pull

942

00:37:56,990 --> 00:37:53,700

well that's from The Observer whether

943

00:37:59,089 --> 00:37:57,000

you're in your fa-18 piloting it or if

944

00:38:02,210 --> 00:37:59,099

you're on the ground seeing it whatever

945

00:38:04,130 --> 00:38:02,220

however you encounter these crafts

946

00:38:05,930 --> 00:38:04,140

you think it's impossible you know

947

00:38:09,050 --> 00:38:05,940

there's probably no one in there because

948

00:38:11,030 --> 00:38:09,060

you know no one can withstand that many

949

00:38:13,310 --> 00:38:11,040

G's well if you're on board the craft

950

00:38:15,290 --> 00:38:13,320

you don't feel a damn thing

951  
00:38:16,310 --> 00:38:15,300  
uh instead you'll see everything around

952  
00:38:18,589 --> 00:38:16,320  
you

953  
00:38:20,750 --> 00:38:18,599  
shift away

954  
00:38:22,490 --> 00:38:20,760  
in various directions like you're

955  
00:38:23,510 --> 00:38:22,500  
spinning the globe like I got right

956  
00:38:25,190 --> 00:38:23,520  
behind me it's almost like you're

957  
00:38:27,230 --> 00:38:25,200  
spinning the globe it's the globe that

958  
00:38:28,609 --> 00:38:27,240  
changes you yourself your perspective

959  
00:38:30,829 --> 00:38:28,619  
doesn't change you're just moving around

960  
00:38:33,230 --> 00:38:30,839  
exactly yeah Dr safadi would use the

961  
00:38:35,210 --> 00:38:33,240  
example of a surfer

962  
00:38:37,670 --> 00:38:35,220  
um so you can Surfer on a surfboard and

963  
00:38:40,010 --> 00:38:37,680

he's riding this way the surfer on the

964

00:38:44,990 --> 00:38:42,589

is on the surfboard he feels like he's

965

00:38:48,530 --> 00:38:45,000

steady on that surfboard and the wave

966

00:38:50,750 --> 00:38:48,540

he's riding is going past him yeah all

967

00:38:52,670 --> 00:38:50,760

right and so it's almost like that

968

00:38:55,370 --> 00:38:52,680

um get on an airplane

969

00:38:57,589 --> 00:38:55,380

um the fastest one can go 585 miles per

970

00:39:00,470 --> 00:38:57,599

hour if they really really want to pump

971

00:39:02,810 --> 00:39:00,480

it up and they're running late 585 let's

972

00:39:03,650 --> 00:39:02,820

say miles per hour

973

00:39:05,390 --> 00:39:03,660

um

974

00:39:08,150 --> 00:39:05,400

your body doesn't feel like you're just

975

00:39:10,010 --> 00:39:08,160

going 585 miles per hour

976  
00:39:12,170 --> 00:39:10,020  
at all

977  
00:39:14,150 --> 00:39:12,180  
um your body couldn't withstand 585

978  
00:39:16,370 --> 00:39:14,160  
miles per hour if it was like on the

979  
00:39:18,890 --> 00:39:16,380  
surface going that fast but you're in a

980  
00:39:19,730 --> 00:39:18,900  
container that's going 585 miles per

981  
00:39:22,370 --> 00:39:19,740  
hour

982  
00:39:25,490 --> 00:39:22,380  
and the sky is going past you and that's

983  
00:39:27,890 --> 00:39:25,500  
the closest non-technical analogy to

984  
00:39:30,349 --> 00:39:27,900  
describe how this phenomenon can happen

985  
00:39:33,530 --> 00:39:30,359  
and oh by the way part of that

986  
00:39:36,050 --> 00:39:33,540  
phenomenon is this

987  
00:39:39,829 --> 00:39:36,060  
um I hesitate to call melding of

988  
00:39:41,569 --> 00:39:39,839

Consciousness with the technology but

989

00:39:43,849 --> 00:39:41,579

it's part of that

990

00:39:45,310 --> 00:39:43,859

technology Consciousness is part of that

991

00:39:48,349 --> 00:39:45,320

technology

992

00:39:51,230 --> 00:39:48,359

and also there's a little bit of time

993

00:39:53,569 --> 00:39:51,240

and spatial displacement the time and

994

00:39:56,030 --> 00:39:53,579

space displacement occurring

995

00:39:58,730 --> 00:39:56,040

so that when an aircraft like fa-18

996

00:40:01,609 --> 00:39:58,740

approaches it and it zips away

997

00:40:05,870 --> 00:40:01,619

The Observer the pilot sees it zipping

998

00:40:08,630 --> 00:40:05,880

away but the but the uh the occupant of

999

00:40:10,970 --> 00:40:08,640

that craft that slipped away

1000

00:40:13,010 --> 00:40:10,980

um that that document already has

1001  
00:40:15,650 --> 00:40:13,020  
already discerned that craft being there

1002  
00:40:18,290 --> 00:40:15,660  
and got out of the way before the

1003  
00:40:19,490 --> 00:40:18,300  
Observer senses that that craft got out

1004  
00:40:21,650 --> 00:40:19,500  
of the way and

1005  
00:40:24,890 --> 00:40:21,660  
Dr Safari has beautiful math to explain

1006  
00:40:26,990 --> 00:40:24,900  
all that uh and I couldn't even like

1007  
00:40:29,870 --> 00:40:27,000  
hope to explain it but uh if you want an

1008  
00:40:32,690 --> 00:40:29,880  
interesting guest I mean this is the guy

1009  
00:40:35,150 --> 00:40:32,700  
yeah yeah I have him on board uh

1010  
00:40:36,770 --> 00:40:35,160  
on your podcasts and and trying to nail

1011  
00:40:39,109 --> 00:40:36,780  
them down to explain it in a way that

1012  
00:40:41,390 --> 00:40:39,119  
people could understand because he does

1013  
00:40:44,150 --> 00:40:41,400

get into the math uh quite heavily but

1014

00:40:45,829 --> 00:40:44,160

Beth and I are not friends John we had a

1015

00:40:47,930 --> 00:40:45,839

Ginny Blanchette couple episodes the

1016

00:40:49,310 --> 00:40:47,940

same idea he's using geometric harmonics

1017

00:40:51,170 --> 00:40:49,320

I think we did a pretty good job

1018

00:40:52,910 --> 00:40:51,180

breaking it down I mean if it's over

1019

00:40:54,829 --> 00:40:52,920

it's over your head it's over your head

1020

00:40:56,750 --> 00:40:54,839

but I think there's a lot of good

1021

00:40:58,430 --> 00:40:56,760

information you can glean from that and

1022

00:40:59,930 --> 00:40:58,440

you mentioned meta materials and I don't

1023

00:41:01,849 --> 00:40:59,940

want to forget this point because I'm a

1024

00:41:04,190 --> 00:41:01,859

big fan of meta material when we had

1025

00:41:06,650 --> 00:41:04,200

Gary Nolan on our show I started asking

1026  
00:41:08,690 --> 00:41:06,660  
about you know there's this medal that

1027  
00:41:10,370 --> 00:41:08,700  
was supposedly given from our Bell to

1028  
00:41:12,829 --> 00:41:10,380  
Linda Moulton how it was supposed to be

1029  
00:41:14,589 --> 00:41:12,839  
a piece of UFO and as I'm talking he

1030  
00:41:16,730 --> 00:41:14,599  
disappears off the screen and he's like

1031  
00:41:17,569 --> 00:41:16,740  
rummaging and doing something and I

1032  
00:41:19,370 --> 00:41:17,579  
didn't know what the hell he's doing

1033  
00:41:20,990 --> 00:41:19,380  
finally I said man you better be

1034  
00:41:23,030 --> 00:41:21,000  
reaching for something like a piece of

1035  
00:41:24,589 --> 00:41:23,040  
that stuff and sure enough he grabs it

1036  
00:41:26,270 --> 00:41:24,599  
and holds it up he's like yeah it's this

1037  
00:41:27,349 --> 00:41:26,280  
stuff right here yeah and I'm like and

1038  
00:41:29,270 --> 00:41:27,359

that's the same thing you were just

1039

00:41:32,089 --> 00:41:29,280

mentioning John the Magnesium layered

1040

00:41:34,010 --> 00:41:32,099

bismuth and perhaps but again he wanted

1041

00:41:35,450 --> 00:41:34,020

to kind of play a little bit he was like

1042

00:41:37,390 --> 00:41:35,460

well how do we know it's not from the

1043

00:41:39,230 --> 00:41:37,400

Slag out of a smelting Factory

1044

00:41:41,030 --> 00:41:39,240

explaining the levels now this was

1045

00:41:43,150 --> 00:41:41,040

previous to him making those statements

1046

00:41:45,890 --> 00:41:43,160

the other day where it was very clear

1047

00:41:48,050 --> 00:41:45,900

aliens exist we have the craft we're

1048

00:41:50,030 --> 00:41:48,060

reverse engineering them and I believe

1049

00:41:52,130 --> 00:41:50,040

this within a hundred percent certainty

1050

00:41:53,510 --> 00:41:52,140

that's big like we're in Big Boy land

1051  
00:41:56,030 --> 00:41:53,520  
right now but I wanted to get your

1052  
00:41:57,650 --> 00:41:56,040  
thoughts again on do we have and again

1053  
00:42:00,650 --> 00:41:57,660  
you can't give anything away because

1054  
00:42:02,930 --> 00:42:00,660  
you're former CIA but so what you know

1055  
00:42:05,450 --> 00:42:02,940  
or have been told do we actually have

1056  
00:42:06,650 --> 00:42:05,460  
some of these exotic off-earth materials

1057  
00:42:08,690 --> 00:42:06,660  
that we're playing with trying to

1058  
00:42:10,670 --> 00:42:08,700  
reverse engineer well I'll say this why

1059  
00:42:12,829 --> 00:42:10,680  
was that CIA I've never been I was never

1060  
00:42:15,230 --> 00:42:12,839  
exposed to the materials itself

1061  
00:42:17,270 --> 00:42:15,240  
I was exposed to the fact that uh a

1062  
00:42:19,490 --> 00:42:17,280  
craft may exist

1063  
00:42:21,710 --> 00:42:19,500

made of these materials though I've

1064

00:42:24,710 --> 00:42:21,720

never seen a craft I would say this much

1065

00:42:27,230 --> 00:42:24,720

you've heard of dirts the irds the

1066

00:42:30,550 --> 00:42:27,240

defense intelligence reference documents

1067

00:42:33,530 --> 00:42:30,560

that were released

1068

00:42:35,810 --> 00:42:33,540

write that down yep what happened was

1069

00:42:37,849 --> 00:42:35,820

that a foil request was sent to the

1070

00:42:41,290 --> 00:42:37,859

defense intelligence agency

1071

00:42:44,510 --> 00:42:41,300

uh which actually sponsored uh alsat

1072

00:42:47,030 --> 00:42:44,520

and uh the foyer Crest was for any

1073

00:42:48,530 --> 00:42:47,040

materials or any kind of reporting as a

1074

00:42:51,410 --> 00:42:48,540

result of the study

1075

00:42:53,750 --> 00:42:51,420

called all set all right so the DIA

1076  
00:42:55,490 --> 00:42:53,760  
released oh there were these dirt these

1077  
00:42:57,290 --> 00:42:55,500  
defense intelligence

1078  
00:42:58,970 --> 00:42:57,300  
um reference documents that were

1079  
00:43:02,690 --> 00:42:58,980  
released and there they are and they're

1080  
00:43:04,550 --> 00:43:02,700  
all like mostly like short white papers

1081  
00:43:07,010 --> 00:43:04,560  
and a white paper is just a think piece

1082  
00:43:08,870 --> 00:43:07,020  
you know yeah um and so you know the

1083  
00:43:10,609 --> 00:43:08,880  
cast of characters you know uh who

1084  
00:43:13,250 --> 00:43:10,619  
submitted them one of them was Dr Eric W

1085  
00:43:14,990 --> 00:43:13,260  
Davis he submitted one of his and so

1086  
00:43:19,490 --> 00:43:15,000  
forth into other scientists submitted

1087  
00:43:22,309 --> 00:43:19,500  
them as well well what I saw was the

1088  
00:43:25,430 --> 00:43:22,319

cover and I'll say this much it was

1089

00:43:26,630 --> 00:43:25,440

the cover of not a thin little

1090

00:43:30,650 --> 00:43:26,640

third

1091

00:43:32,950 --> 00:43:30,660

it was a manual a government manual on

1092

00:43:35,390 --> 00:43:32,960

UAP propulsion and how they work

1093

00:43:38,089 --> 00:43:35,400

interesting wow that's all I'm gonna say

1094

00:43:40,670 --> 00:43:38,099

it's Bob was our stuff yeah

1095

00:43:42,410 --> 00:43:40,680

um I I don't I hesitated to call it Bob

1096

00:43:44,930 --> 00:43:42,420

Lazar stuff

1097

00:43:49,370 --> 00:43:44,940

uh let's just much more advanced than

1098

00:43:52,490 --> 00:43:49,380

that or I I just not a fan of Bob no I I

1099

00:43:54,770 --> 00:43:52,500

cannot validate or verify

1100

00:43:56,750 --> 00:43:54,780

Bob Lazar in any way shape or form

1101  
00:43:59,390 --> 00:43:56,760  
because I don't know him I've never met

1102  
00:44:00,710 --> 00:43:59,400  
him I've only heard about him because of

1103  
00:44:03,950 --> 00:44:00,720  
Art Bell

1104  
00:44:06,890 --> 00:44:03,960  
one and uh John Lear introduced him to

1105  
00:44:08,930 --> 00:44:06,900  
the Art Bell crowd Coast AM and that's

1106  
00:44:12,170 --> 00:44:08,940  
how I heard about him

1107  
00:44:13,730 --> 00:44:12,180  
um so I can't validate him and I'm not

1108  
00:44:16,010 --> 00:44:13,740  
going to associate anything I know

1109  
00:44:17,870 --> 00:44:16,020  
officially with anything Bob Lazar may

1110  
00:44:18,950 --> 00:44:17,880  
have said unofficially I'll put it that

1111  
00:44:20,930 --> 00:44:18,960  
way yeah

1112  
00:44:23,150 --> 00:44:20,940  
um let's put let's call it Gary Nolan

1113  
00:44:25,010 --> 00:44:23,160

stuff I mean it's like what he would

1114

00:44:27,710 --> 00:44:25,020

know uh what these other scientists like

1115

00:44:30,470 --> 00:44:27,720

Hal putoff and Eric W Davis would know

1116

00:44:33,589 --> 00:44:30,480

and so it was a manual it was a manual

1117

00:44:35,630 --> 00:44:33,599

uh of how propulsion systems worked I

1118

00:44:38,089 --> 00:44:35,640

wasn't supposed to see it

1119

00:44:40,550 --> 00:44:38,099

and the person who laid out that manual

1120

00:44:42,829 --> 00:44:40,560

on his desk wasn't supposed to leave it

1121

00:44:45,650 --> 00:44:42,839

out there like the way he did I did not

1122

00:44:47,270 --> 00:44:45,660

open it I saw the cover I did not open

1123

00:44:49,089 --> 00:44:47,280

it because if I opened it I would have

1124

00:44:53,569 --> 00:44:49,099

been charged with a security violation

1125

00:44:55,730 --> 00:44:53,579

with uh bad consequences so I saw it and

1126

00:44:57,530 --> 00:44:55,740

the the security violations on the my

1127

00:45:00,349 --> 00:44:57,540

engineer who left it out because she

1128

00:45:02,390 --> 00:45:00,359

should have left it in the safe that I

1129

00:45:05,329 --> 00:45:02,400

provided for him and his colleague my

1130

00:45:07,670 --> 00:45:05,339

other co uh his co-worker both of whom I

1131

00:45:08,990 --> 00:45:07,680

supervised who I sent to the orb working

1132

00:45:13,250 --> 00:45:09,000

group

1133

00:45:16,930 --> 00:45:13,260

um and so they looked at not only the

1134

00:45:20,650 --> 00:45:16,940

orbs that fly but also the Legacy craft

1135

00:45:23,270 --> 00:45:20,660

that we may know about and that's more

1136

00:45:25,790 --> 00:45:23,280

I like that is that the official term

1137

00:45:26,690 --> 00:45:25,800

used on the inside for this Legacy

1138

00:45:30,950 --> 00:45:26,700

program

1139

00:45:32,809 --> 00:45:30,960

to happen because of Roswell and

1140

00:45:35,150 --> 00:45:32,819

thereafter right and anything we may

1141

00:45:38,510 --> 00:45:35,160

have exploited from them that time

1142

00:45:40,970 --> 00:45:38,520

uh cie is the uh

1143

00:45:42,770 --> 00:45:40,980

ran that Legacy program I mean that's

1144

00:45:45,170 --> 00:45:42,780

not classified because if you look at

1145

00:45:47,510 --> 00:45:45,180

Roswell in 1947 the only two

1146

00:45:49,130 --> 00:45:47,520

intelligence agencies that existed is

1147

00:45:50,930 --> 00:45:49,140

the Office of Naval intelligence CIA

1148

00:45:53,270 --> 00:45:50,940

when the C actually stood for Central

1149

00:45:55,490 --> 00:45:53,280

before they broke it apart and you know

1150

00:45:58,250 --> 00:45:55,500

created NSA and Dia and all these other

1151

00:46:00,470 --> 00:45:58,260

agencies after it

1152

00:46:01,490 --> 00:46:00,480

so why are they um with the new Arrow

1153

00:46:03,410 --> 00:46:01,500

office they're saying well we're only

1154

00:46:05,390 --> 00:46:03,420

going to go back to o4 because that's

1155

00:46:07,430 --> 00:46:05,400

when the Nimitz happened and that's the

1156

00:46:09,230 --> 00:46:07,440

first time that the Spy one radar the

1157

00:46:12,290 --> 00:46:09,240

upgraded system started capturing things

1158

00:46:14,569 --> 00:46:12,300

we all know in our heart of hearts these

1159

00:46:16,550 --> 00:46:14,579

Legacy programs existed there is data

1160

00:46:19,309 --> 00:46:16,560

going back to Roswell if this is

1161

00:46:21,470 --> 00:46:19,319

supposed to be the all domain or all you

1162

00:46:24,349 --> 00:46:21,480

know anomaly resolution office why are

1163

00:46:26,329 --> 00:46:24,359

they not taking celebrities yeah it is

1164

00:46:28,130 --> 00:46:26,339

selective uh Jason you you nailed it

1165

00:46:30,770 --> 00:46:28,140

right there they did not want to talk

1166

00:46:33,950 --> 00:46:30,780

about the Legacy programs back then

1167

00:46:36,910 --> 00:46:33,960

um so they tied it to uh November 2004

1168

00:46:39,650 --> 00:46:36,920

which was the Tic Tac uh occurrence

1169

00:46:42,530 --> 00:46:39,660

going forward and so and they also

1170

00:46:44,630 --> 00:46:42,540

restricted it to uh just military

1171

00:46:46,790 --> 00:46:44,640

observations

1172

00:46:47,870 --> 00:46:46,800

and discounted all of the civilian

1173

00:46:51,109 --> 00:46:47,880

information

1174

00:46:53,210 --> 00:46:51,119

whatsoever they just threw that out uh

1175

00:46:54,770 --> 00:46:53,220

so yeah I was very selective and

1176  
00:46:57,530 --> 00:46:54,780  
basically they were more interested

1177  
00:47:00,349 --> 00:46:57,540  
although uh alsap looked at UFOs

1178  
00:47:03,349 --> 00:47:00,359  
illnessly and looked at high strangeness

1179  
00:47:05,690 --> 00:47:03,359  
earnestly such as Skinwalker Ranch uh

1180  
00:47:08,750 --> 00:47:05,700  
what the uep task force did was to just

1181  
00:47:11,569 --> 00:47:08,760  
look at military observations of these

1182  
00:47:13,430 --> 00:47:11,579  
craft uh or this phenomenon because they

1183  
00:47:16,130 --> 00:47:13,440  
hesitate to call it craft

1184  
00:47:19,430 --> 00:47:16,140  
yeah this phenomenon

1185  
00:47:21,770 --> 00:47:19,440  
um uh as it relates to Aviation safety

1186  
00:47:25,490 --> 00:47:21,780  
so they tie everything to Aviation

1187  
00:47:26,809 --> 00:47:25,500  
safety in order to at least get it out

1188  
00:47:28,430 --> 00:47:26,819

from

1189

00:47:30,829 --> 00:47:28,440

just the

1190

00:47:32,690 --> 00:47:30,839

um behind the scenes discussion into the

1191

00:47:34,609 --> 00:47:32,700

public forum through Congress let's talk

1192

00:47:36,950 --> 00:47:34,619

about Aviation safety oh everybody's

1193

00:47:39,410 --> 00:47:36,960

comfortable with that you didn't say UFO

1194

00:47:42,230 --> 00:47:39,420

thank goodness just Aviation safety

1195

00:47:43,670 --> 00:47:42,240

right and then they opened it up to oh

1196

00:47:45,290 --> 00:47:43,680

we don't know what they are they could

1197

00:47:47,329 --> 00:47:45,300

be Chinese they could be Russian Maybe

1198

00:47:49,670 --> 00:47:47,339

not maybe maybe not foreign adversaries

1199

00:47:51,530 --> 00:47:49,680

or maybe they're balloons maybe there's

1200

00:47:54,589 --> 00:47:51,540

that whatever right but they never talk

1201

00:47:56,750 --> 00:47:54,599

about non-human craft

1202

00:47:58,430 --> 00:47:56,760

right that's the Smoking Gun right

1203

00:48:01,069 --> 00:47:58,440

because I think Jason you said it many

1204

00:48:02,809 --> 00:48:01,079

times once she once you admit craft you

1205

00:48:04,870 --> 00:48:02,819

have to go places you don't want to go

1206

00:48:07,609 --> 00:48:04,880

you have to talk about abductions beings

1207

00:48:09,710 --> 00:48:07,619

Cryptids maybe even Bigfoot like it just

1208

00:48:12,410 --> 00:48:09,720

we all go down that rabbit hole like a

1209

00:48:14,809 --> 00:48:12,420

slide as soon as that first layer of the

1210

00:48:17,030 --> 00:48:14,819

onion comes off it's all coming off

1211

00:48:18,710 --> 00:48:17,040

because now it's like well if that was

1212

00:48:21,050 --> 00:48:18,720

the craziest thing that we had come up

1213

00:48:22,849 --> 00:48:21,060

with and we were all nuts now a portion

1214

00:48:24,230 --> 00:48:22,859

of that is true so hey you got to look

1215

00:48:27,050 --> 00:48:24,240

at the rest of it because now we're not

1216

00:48:29,329 --> 00:48:27,060

nuts and we're validating that right so

1217

00:48:31,849 --> 00:48:29,339

yeah yeah yeah I was gonna say even more

1218

00:48:34,190 --> 00:48:31,859

aggravating than that we have all these

1219

00:48:35,750 --> 00:48:34,200

different agencies government agencies

1220

00:48:38,390 --> 00:48:35,760

yeah I think there's too many cooks in

1221

00:48:40,970 --> 00:48:38,400

the kitchen personally but none of them

1222

00:48:42,770 --> 00:48:40,980

are looking at the abductees the

1223

00:48:44,930 --> 00:48:42,780

abductive should be priority number one

1224

00:48:47,530 --> 00:48:44,940

or at least if they are they're not open

1225

00:48:50,089 --> 00:48:47,540

about it they're not open about it yeah

1226

00:48:52,069 --> 00:48:50,099

that should be party number one that

1227

00:48:53,510 --> 00:48:52,079

should be our base what's going on with

1228

00:48:55,010 --> 00:48:53,520

the abductees what have they witnessed

1229

00:48:57,230 --> 00:48:55,020

what did they experience what did they

1230

00:48:59,089 --> 00:48:57,240

talk about these entities but maybe they

1231

00:49:01,430 --> 00:48:59,099

give away their position by doing that

1232

00:49:03,530 --> 00:49:01,440

same thing possible trying to just gloss

1233

00:49:05,569 --> 00:49:03,540

over it then there are no such thing as

1234

00:49:08,210 --> 00:49:05,579

UFOs there are no aliens there are no

1235

00:49:10,490 --> 00:49:08,220

abductees so it's kind of implicating

1236

00:49:12,410 --> 00:49:10,500

when you're you know doing research with

1237

00:49:14,150 --> 00:49:12,420

those people we know it we've always

1238

00:49:15,950 --> 00:49:14,160

kind of known but it's a difference

1239

00:49:17,569 --> 00:49:15,960

between suspecting that and then

1240

00:49:20,210 --> 00:49:17,579

confirming yeah we're doing it yeah yeah

1241

00:49:22,270 --> 00:49:20,220

I I I would go with

1242

00:49:25,790 --> 00:49:22,280

um

1243

00:49:28,910 --> 00:49:25,800

more along the lines of

1244

00:49:31,430 --> 00:49:28,920

before we go there we need to start here

1245

00:49:33,589 --> 00:49:31,440

yeah and you need to start with what

1246

00:49:36,109 --> 00:49:33,599

Jason has said and what you've said now

1247

00:49:39,170 --> 00:49:36,119

just now Louis about non-human

1248

00:49:41,569 --> 00:49:39,180

that word non-human attached to this

1249

00:49:44,990 --> 00:49:41,579

phenomenon is the biggest stumbling

1250

00:49:47,690 --> 00:49:45,000

block over the past Decades of

1251

00:49:50,870 --> 00:49:47,700

discussing this out in the open

1252

00:49:53,569 --> 00:49:50,880

at all so let's just give them a chance

1253

00:49:55,490 --> 00:49:53,579

to say non-human now right now you have

1254

00:49:58,430 --> 00:49:55,500

not seen an official statement about

1255

00:50:02,089 --> 00:49:58,440

non-human and I mean official statement

1256

00:50:05,150 --> 00:50:02,099

not just Dr Gary Nolan yeah in his role

1257

00:50:08,750 --> 00:50:05,160

as a consultant to the government

1258

00:50:11,390 --> 00:50:08,760

and people call him a CIA agent no he is

1259

00:50:13,130 --> 00:50:11,400

not he's not a CI officer or CI agent

1260

00:50:15,470 --> 00:50:13,140

he's not associated with CIA in that way

1261

00:50:17,270 --> 00:50:15,480

but he does consult with the people who

1262

00:50:19,309 --> 00:50:17,280

are working this who happen to be in

1263

00:50:22,609 --> 00:50:19,319

government so let's he's a consultant

1264

00:50:24,650 --> 00:50:22,619

but beyond just one person saying it and

1265

00:50:25,790 --> 00:50:24,660

a lot of rumors floating around in

1266

00:50:29,750 --> 00:50:25,800

social media

1267

00:50:32,089 --> 00:50:29,760

we need to hear officially non-human and

1268

00:50:33,710 --> 00:50:32,099

we got real close because that

1269

00:50:37,790 --> 00:50:33,720

legislation called the intelligence

1270

00:50:40,550 --> 00:50:37,800

authorization Act of fiscal year 2023

1271

00:50:43,130 --> 00:50:40,560

uh that came through the intelligence

1272

00:50:45,530 --> 00:50:43,140

Community uh intelligence Committees of

1273

00:50:47,990 --> 00:50:45,540

our Congress they actually had that

1274

00:50:52,849 --> 00:50:48,000

non-human language in it what happened

1275

00:50:54,710 --> 00:50:52,859

to it well the that strong language

1276

00:50:56,809 --> 00:50:54,720

uh that would have set up something

1277

00:50:57,710 --> 00:50:56,819

Beyond Arrow would have gotten rid of

1278

00:50:59,569 --> 00:50:57,720

Arrow

1279

00:51:03,950 --> 00:50:59,579

and would have set up a joint program

1280

00:51:06,349 --> 00:51:03,960

office for uh Aerospace and undersea

1281

00:51:08,630 --> 00:51:06,359

phenomenon

1282

00:51:09,470 --> 00:51:08,640

and then you know

1283

00:51:11,750 --> 00:51:09,480

um

1284

00:51:12,950 --> 00:51:11,760

bringing forward uh the idea that you

1285

00:51:16,250 --> 00:51:12,960

know there's trans medium Vehicles

1286

00:51:19,609 --> 00:51:16,260

involved that would have actually

1287

00:51:22,250 --> 00:51:19,619

been brought to the public domain the

1288

00:51:24,710 --> 00:51:22,260

non-human aspect immediately

1289

00:51:27,890 --> 00:51:24,720

that legislation got blended with the

1290

00:51:30,230 --> 00:51:27,900

ndaa everyone knows about the ndaa that

1291

00:51:33,829 --> 00:51:30,240

only refers to the Department of Defense

1292

00:51:36,410 --> 00:51:33,839

uniform on Services title 10 NDA that's

1293

00:51:40,069 --> 00:51:36,420

that's all DOD

1294

00:51:40,790 --> 00:51:40,079

the iaa's civilian CIA mostly a lot of

1295

00:51:43,490 --> 00:51:40,800

it

1296

00:51:44,510 --> 00:51:43,500

back up Linden and part of the blending

1297

00:51:46,970 --> 00:51:44,520

process

1298

00:51:48,470 --> 00:51:46,980

someone arranged for all of that lenders

1299

00:51:51,349 --> 00:51:48,480

to be taken out

1300

00:51:53,930 --> 00:51:51,359

so if you look at the NDA for FY 23 and

1301  
00:51:56,329 --> 00:51:53,940  
you do a word search for non-human not

1302  
00:51:59,809 --> 00:51:56,339  
going to find it if you go back to the

1303  
00:52:01,790 --> 00:51:59,819  
iaas passed by the Senate

1304  
00:52:04,549 --> 00:52:01,800  
and it passed the intelligence Committee

1305  
00:52:06,650 --> 00:52:04,559  
in the Senate by 16-0

1306  
00:52:08,150 --> 00:52:06,660  
both for Democrats and Republicans all

1307  
00:52:10,490 --> 00:52:08,160  
voted for it

1308  
00:52:12,710 --> 00:52:10,500  
if you look in that legislation and look

1309  
00:52:15,349 --> 00:52:12,720  
for non-human you're going to find it

1310  
00:52:19,370 --> 00:52:15,359  
those terms are in there but it's not in

1311  
00:52:22,069 --> 00:52:19,380  
what was passed that sustained arrows

1312  
00:52:23,930 --> 00:52:22,079  
work we I think the intelligence

1313  
00:52:25,130 --> 00:52:23,940

Community wanted to get rid of Arrow and

1314

00:52:26,750 --> 00:52:25,140

replace it with something more

1315

00:52:29,089 --> 00:52:26,760

meaningful that would have addressed

1316

00:52:30,470 --> 00:52:29,099

those aspects of it but that's not

1317

00:52:32,870 --> 00:52:30,480

happening

1318

00:52:35,450 --> 00:52:32,880

so I think part of this disclosure

1319

00:52:38,270 --> 00:52:35,460

process was to redress that when it got

1320

00:52:41,210 --> 00:52:38,280

taken out of the legislation thereby

1321

00:52:43,430 --> 00:52:41,220

restricting Dr Kirk Packard on what he

1322

00:52:44,809 --> 00:52:43,440

can address under the legislation what

1323

00:52:46,970 --> 00:52:44,819

he's funded for

1324

00:52:48,530 --> 00:52:46,980

very narrow

1325

00:52:50,750 --> 00:52:48,540

um compared to what he could have been

1326

00:52:52,790 --> 00:52:50,760

doing I think that would be redressed

1327

00:52:54,650 --> 00:52:52,800

through this disclosure process that's

1328

00:52:57,829 --> 00:52:54,660

going forward and then we can bring in

1329

00:52:59,870 --> 00:52:57,839

non-human and thanks to Dr Gary Nolan he

1330

00:53:00,890 --> 00:52:59,880

fired their first shot across the bow as

1331

00:53:02,210 --> 00:53:00,900

we said

1332

00:53:03,829 --> 00:53:02,220

as we say

1333

00:53:06,170 --> 00:53:03,839

um so I think you hear more about that

1334

00:53:09,170 --> 00:53:06,180

and and then you can open up the other

1335

00:53:11,329 --> 00:53:09,180

discussion because I mean had doctors uh

1336

00:53:13,549 --> 00:53:11,339

you had uh Jim Sumi van on and he talked

1337

00:53:15,589 --> 00:53:13,559

about his experiences I talk about my

1338

00:53:18,349 --> 00:53:15,599

experiences I have a good friend a CIA

1339

00:53:20,630 --> 00:53:18,359

who's retired who saw the lady in white

1340

00:53:23,030 --> 00:53:20,640

a la Chris Bledsoe's lady in white

1341

00:53:24,710 --> 00:53:23,040

before anyone knew about Chris Bless

1342

00:53:27,049 --> 00:53:24,720

someone before he knew that there was a

1343

00:53:28,549 --> 00:53:27,059

lady in white long before Chris Bless

1344

00:53:32,089 --> 00:53:28,559

those experiences he said yeah I saw this

1345

00:53:33,589 --> 00:53:32,099

lady in Hawaii and he's a CIA officer

1346

00:53:36,049 --> 00:53:33,599

um so you know that discussion about

1347

00:53:38,390 --> 00:53:36,059

abductions and so forth that's all I

1348

00:53:40,250 --> 00:53:38,400

think that will come forward

1349

00:53:42,349 --> 00:53:40,260

um hopefully it's it wasn't the US

1350

00:53:44,150 --> 00:53:42,359

military doing that I don't want to go

1351  
00:53:47,450 --> 00:53:44,160  
there because I mean that could go and

1352  
00:53:50,329 --> 00:53:47,460  
get into some legal ramifications of

1353  
00:53:51,770 --> 00:53:50,339  
taking people against their will right

1354  
00:53:55,010 --> 00:53:51,780  
um so I don't want to even go there

1355  
00:53:56,690 --> 00:53:55,020  
that's that's a legal thing uh let let

1356  
00:53:58,849 --> 00:53:56,700  
uh Danny Sheehan take care of that

1357  
00:54:01,069 --> 00:53:58,859  
because he's a lawyer and yeah he's the

1358  
00:54:03,410 --> 00:54:01,079  
official UFO uh lawyer of Congress

1359  
00:54:05,569 --> 00:54:03,420  
lawyer yeah exactly so I mean he can

1360  
00:54:08,390 --> 00:54:05,579  
address that but let's let's just let

1361  
00:54:11,210 --> 00:54:08,400  
the government say non-human first and

1362  
00:54:14,089 --> 00:54:11,220  
then uh not human craft and then I hope

1363  
00:54:17,329 --> 00:54:14,099

people then ask

1364

00:54:18,950 --> 00:54:17,339

um who's driving them right and then the

1365

00:54:20,809 --> 00:54:18,960

discussion can come forward that oh

1366

00:54:21,970 --> 00:54:20,819

they're non-human beings driving on

1367

00:54:24,530 --> 00:54:21,980

human craft

1368

00:54:27,109 --> 00:54:24,540

yeah and so that just it's just a

1369

00:54:30,230 --> 00:54:27,119

logical progression from from that point

1370

00:54:32,690 --> 00:54:30,240

forward that would occur and John what

1371

00:54:34,490 --> 00:54:32,700

do you think are the repercussions of

1372

00:54:36,589 --> 00:54:34,500

let's say being

1373

00:54:38,150 --> 00:54:36,599

let's say halfway through disclosure

1374

00:54:40,430 --> 00:54:38,160

let's say that they admit to a lot of

1375

00:54:41,630 --> 00:54:40,440

stuff not everything but to a lot of

1376

00:54:43,250 --> 00:54:41,640

stuff

1377

00:54:46,130 --> 00:54:43,260

um the people that have been keeping the

1378

00:54:47,690 --> 00:54:46,140

secret these clandestine organizations a

1379

00:54:49,549 --> 00:54:47,700

lot of people have died with their

1380

00:54:51,770 --> 00:54:49,559

secrets especially when they grow up in

1381

00:54:52,970 --> 00:54:51,780

different times or it's shut up you

1382

00:54:54,950 --> 00:54:52,980

don't tell anybody about it and people

1383

00:54:56,809 --> 00:54:54,960

kept their word men were different back

1384

00:54:59,569 --> 00:54:56,819

then we we kept two of our word and we

1385

00:55:02,089 --> 00:54:59,579

didn't say anything right but a lot of

1386

00:55:03,950 --> 00:55:02,099

people's lives have been ruined uh by

1387

00:55:06,589 --> 00:55:03,960

these organizations or other people

1388

00:55:08,450 --> 00:55:06,599

trying to keep this quiet and there's

1389

00:55:10,370 --> 00:55:08,460

got to be at some point some people are

1390

00:55:12,589 --> 00:55:10,380

going to say hey wait a minute

1391

00:55:14,450 --> 00:55:12,599

you guys did this to me back in the 80s

1392

00:55:16,190 --> 00:55:14,460

you were aware of this long before you

1393

00:55:18,410 --> 00:55:16,200

came up with disclosure and you kept you

1394

00:55:20,390 --> 00:55:18,420

told us to be quiet there is going to be

1395

00:55:23,210 --> 00:55:20,400

those people and it's going to come out

1396

00:55:24,890 --> 00:55:23,220

that people are going to be upset uh in

1397

00:55:27,829 --> 00:55:24,900

your personal experience or your

1398

00:55:29,170 --> 00:55:27,839

personal uh opinion what do you think

1399

00:55:31,549 --> 00:55:29,180

that's gonna

1400

00:55:34,309 --> 00:55:31,559

snowball into like what what is that

1401

00:55:36,349 --> 00:55:34,319

going to create for us as a society to

1402

00:55:37,970 --> 00:55:36,359

now have the government come out and say

1403

00:55:40,490 --> 00:55:37,980

it's really happening

1404

00:55:43,190 --> 00:55:40,500

yes in the US government

1405

00:55:45,230 --> 00:55:43,200

um U.S citizens um people here in this

1406

00:55:47,030 --> 00:55:45,240

country have the right of redressing the

1407

00:55:48,410 --> 00:55:47,040

government I redress of grievances to

1408

00:55:50,270 --> 00:55:48,420

the government and send the Constitution

1409

00:55:52,910 --> 00:55:50,280

right so there's a legal process for

1410

00:55:55,069 --> 00:55:52,920

that to happen and so let that process

1411

00:55:57,770 --> 00:55:55,079

go forward if if they have a case um

1412

00:55:59,930 --> 00:55:57,780

they will be heard but now at least they

1413

00:56:02,390 --> 00:55:59,940

have some ammunition in court if it

1414

00:56:04,670 --> 00:56:02,400

comes to that where they can say well

1415

00:56:06,829 --> 00:56:04,680

the government has said this you know

1416

00:56:10,430 --> 00:56:06,839

that's part of the uh

1417

00:56:11,750 --> 00:56:10,440

the discovery phase of any case like

1418

00:56:13,490 --> 00:56:11,760

that where you gather all the evidence

1419

00:56:16,069 --> 00:56:13,500

that you have and

1420

00:56:17,450 --> 00:56:16,079

um now instead of saying oh we're going

1421

00:56:18,650 --> 00:56:17,460

to dismiss this case because it has no

1422

00:56:21,530 --> 00:56:18,660

merit what are you talking about

1423

00:56:24,470 --> 00:56:21,540

non-human oh now you can bring that in

1424

00:56:26,030 --> 00:56:24,480

to you as ammunition for your case so

1425

00:56:28,010 --> 00:56:26,040

there's a redress of government process

1426

00:56:30,470 --> 00:56:28,020

and again I'm going back to Dana Sheehan

1427

00:56:32,510 --> 00:56:30,480

he would know how that works I'm not a

1428

00:56:34,970 --> 00:56:32,520

lawyer so I can I hesitate to answer

1429

00:56:36,890 --> 00:56:34,980

your question I don't know how to answer

1430

00:56:38,990 --> 00:56:36,900

it actually yeah but I would say that

1431

00:56:41,450 --> 00:56:39,000

you know generally uh there's a redress

1432

00:56:44,089 --> 00:56:41,460

of grievances process guarantee in the

1433

00:56:46,309 --> 00:56:44,099

U.S Constitution where individuals who

1434

00:56:48,109 --> 00:56:46,319

feel like they are harmed can then bring

1435

00:56:49,849 --> 00:56:48,119

forth their case and bring forth the

1436

00:56:54,710 --> 00:56:49,859

evidence for that case and call

1437

00:56:57,290 --> 00:56:54,720

witnesses and the witnesses uh uh

1438

00:56:59,450 --> 00:56:57,300

might be for people who you know who

1439

00:57:02,390 --> 00:56:59,460

worked in the program says yes I can

1440

00:57:05,930 --> 00:57:02,400

confirm that these things happen and and

1441

00:57:07,910 --> 00:57:05,940

then uh and then uh they'll be having a

1442

00:57:09,950 --> 00:57:07,920

case against those who are in the

1443

00:57:11,870 --> 00:57:09,960

government and you know we have two

1444

00:57:13,910 --> 00:57:11,880

sides and let that Discovery process

1445

00:57:15,109 --> 00:57:13,920

happen and see what settles out there

1446

00:57:17,930 --> 00:57:15,119

but I don't want to go there because

1447

00:57:19,790 --> 00:57:17,940

that's law legal it is I don't want to

1448

00:57:20,990 --> 00:57:19,800

Prejudice anything like saying oh see I

1449

00:57:23,210 --> 00:57:21,000

know I don't want to be part of that

1450

00:57:25,730 --> 00:57:23,220

conversation the CIA officer John

1451  
00:57:27,349 --> 00:57:25,740  
Ramirez uh said this and I don't want to

1452  
00:57:30,049 --> 00:57:27,359  
be used as evidence either for or

1453  
00:57:31,549 --> 00:57:30,059  
against yeah but I just want to say that

1454  
00:57:33,710 --> 00:57:31,559  
there is a process for that and for

1455  
00:57:36,710 --> 00:57:33,720  
those who are personally injured in the

1456  
00:57:38,750 --> 00:57:36,720  
sense that they had experience uh some

1457  
00:57:41,630 --> 00:57:38,760  
psychological damage there are

1458  
00:57:44,630 --> 00:57:41,640  
organizations to help them and one of

1459  
00:57:49,549 --> 00:57:44,640  
them is the UAP medical coalition

1460  
00:57:51,770 --> 00:57:49,559  
the uh there is a site uh for them and I

1461  
00:57:53,630 --> 00:57:51,780  
wish I had it on my fingertips

1462  
00:57:54,530 --> 00:57:53,640  
uh but

1463  
00:57:56,750 --> 00:57:54,540

um

1464

00:57:58,490 --> 00:57:56,760

that's uh by Ted Rowe right Ted Rowe

1465

00:57:59,990 --> 00:57:58,500

works on that uh Ted Rowe is part of

1466

00:58:01,309 --> 00:58:00,000

that yes that yeah that organization

1467

00:58:02,930 --> 00:58:01,319

there

1468

00:58:05,150 --> 00:58:02,940

um that's a great resource because then

1469

00:58:08,630 --> 00:58:05,160

he can uh through that organization you

1470

00:58:10,910 --> 00:58:08,640

can see other resources out there in in

1471

00:58:12,829 --> 00:58:10,920

your community uh who there might be

1472

00:58:15,530 --> 00:58:12,839

therapists out there who are trained to

1473

00:58:18,109 --> 00:58:15,540

work with these experiences because they

1474

00:58:21,109 --> 00:58:18,119

themselves are experiencers so these are

1475

00:58:23,270 --> 00:58:21,119

uh um like a psychologist a psychiatrist

1476

00:58:25,490 --> 00:58:23,280

for example are they're not going to

1477

00:58:27,950 --> 00:58:25,500

like first thing oh we need to cure you

1478

00:58:29,510 --> 00:58:27,960

of this like craziness and here take

1479

00:58:30,710 --> 00:58:29,520

this then I'll go do that I think

1480

00:58:32,870 --> 00:58:30,720

they're going to be very sympathetic

1481

00:58:34,730 --> 00:58:32,880

toward what you're saying uh to

1482

00:58:37,730 --> 00:58:34,740

understand and coming from a place of

1483

00:58:39,470 --> 00:58:37,740

like compassion it's very important uh

1484

00:58:42,470 --> 00:58:39,480

that they understand what you're saying

1485

00:58:44,329 --> 00:58:42,480

and to provide resources for you to help

1486

00:58:46,849 --> 00:58:44,339

you with that experience that you may

1487

00:58:48,410 --> 00:58:46,859

have had all minded positive but I

1488

00:58:51,710 --> 00:58:48,420

recognize they're not all are positive

1489

00:58:54,170 --> 00:58:51,720

some are very negative so I would I

1490

00:58:56,630 --> 00:58:54,180

would go with Ted Rose organization if

1491

00:58:59,329 --> 00:58:56,640

you could put at in a link somewhere

1492

00:59:00,410 --> 00:58:59,339

uh for this that would be very helpful

1493

00:59:02,390 --> 00:59:00,420

to people

1494

00:59:03,890 --> 00:59:02,400

sure yeah and if anybody has had an

1495

00:59:05,870 --> 00:59:03,900

experience we have quite a few reach out

1496

00:59:07,670 --> 00:59:05,880

to us we provide them resources or right

1497

00:59:09,230 --> 00:59:07,680

yeah even if they have videos and things

1498

00:59:11,150 --> 00:59:09,240

that they won't investigated we get them

1499

00:59:13,069 --> 00:59:11,160

in the hands this last week we had two

1500

00:59:14,870 --> 00:59:13,079

or three sent to us and um you know

1501  
00:59:16,849 --> 00:59:14,880  
we're happy to help in that respect but

1502  
00:59:19,670 --> 00:59:16,859  
I know you're a techie guy weapon

1503  
00:59:21,170 --> 00:59:19,680  
systems guy radar guy and when I was

1504  
00:59:22,490 --> 00:59:21,180  
making my notes last night the first

1505  
00:59:24,230 --> 00:59:22,500  
thing that came into my mind was a

1506  
00:59:26,690 --> 00:59:24,240  
recent interview we did with filmmaker

1507  
00:59:29,510 --> 00:59:26,700  
Darcy Weir he documented everything at

1508  
00:59:30,410 --> 00:59:29,520  
Nasa he's done like 15 movies his latest

1509  
00:59:32,510 --> 00:59:30,420  
one

1510  
00:59:33,710 --> 00:59:32,520  
um is in regards to NASA and we were

1511  
00:59:36,109 --> 00:59:33,720  
chatting with him he was going into

1512  
00:59:37,609 --> 00:59:36,119  
these I think they're called DS2 spy

1513  
00:59:39,430 --> 00:59:37,619

satellites I could be wrong with that

1514

00:59:44,510 --> 00:59:39,440

but basically

1515

00:59:46,490 --> 00:59:44,520

what's that DSP DSP yes so the long and

1516

00:59:49,250 --> 00:59:46,500

short of it was that we know there's

1517

00:59:51,289 --> 00:59:49,260

high quality imagery captured because

1518

00:59:52,430 --> 00:59:51,299

there exists this network of satellites

1519

00:59:54,710 --> 00:59:52,440

now I'm not going to ask you to talk

1520

00:59:56,630 --> 00:59:54,720

about specifics because you did work in

1521

00:59:59,809 --> 00:59:56,640

intelligence but what are your thoughts

1522

01:00:01,609 --> 00:59:59,819

on sort of NASA you know in his film

1523

01:00:04,130 --> 01:00:01,619

he's got video yo that's NASA video

1524

01:00:06,710 --> 01:00:04,140

showing UAP doing amazing things so many

1525

01:00:08,870 --> 01:00:06,720

things now just yeah how are they now

1526

01:00:10,730 --> 01:00:08,880

just waking up we kind of read through

1527

01:00:12,890 --> 01:00:10,740

that but I wanted to get your thoughts

1528

01:00:17,150 --> 01:00:12,900

on the whole NASA joining the search for

1529

01:00:22,069 --> 01:00:19,970

uh yeah I can address that uh in fact I

1530

01:00:25,069 --> 01:00:22,079

can there's a lot of things I can't talk

1531

01:00:27,289 --> 01:00:25,079

about our our systems uh particularly in

1532

01:00:32,390 --> 01:00:27,299

this day and age uh the nro celebrated

1533

01:00:35,030 --> 01:00:32,400

its 60th anniversary uh in 2021 and they

1534

01:00:36,910 --> 01:00:35,040

released a brochure uh pretty much

1535

01:00:39,950 --> 01:00:36,920

describing everything that they fly

1536

01:00:42,289 --> 01:00:39,960

including today and so they talked about

1537

01:00:46,130 --> 01:00:42,299

what was once a top secret uh

1538

01:00:48,950 --> 01:00:46,140

compartmented program called uh the uh

1539

01:00:52,490 --> 01:00:48,960

kh11 Keenan program

1540

01:00:55,309 --> 01:00:52,500

the cage 11 was once uh compartmented

1541

01:00:57,710 --> 01:00:55,319

under top secret buyman b-y-e-m-a-n

1542

01:01:00,410 --> 01:00:57,720

byman and byman protected all of these

1543

01:01:03,589 --> 01:01:00,420

overhead programs and byman was like

1544

01:01:06,470 --> 01:01:03,599

gone it's no longer applicable so yeah

1545

01:01:09,410 --> 01:01:06,480

there were a lot of these sensor uh

1546

01:01:12,650 --> 01:01:09,420

detections of this phenomenon that were

1547

01:01:15,530 --> 01:01:12,660

not uh human they were not Advanced

1548

01:01:18,650 --> 01:01:15,540

aircraft by our adversaries or us

1549

01:01:22,190 --> 01:01:18,660

that did display those five observables

1550

01:01:25,910 --> 01:01:22,200

that uh louisano talks about

1551

01:01:30,470 --> 01:01:25,920

um and so as far as NASA's role in it

1552

01:01:32,870 --> 01:01:30,480

um uh we have witnesses eyewitnesses

1553

01:01:34,730 --> 01:01:32,880

called astronauts who are likely told

1554

01:01:39,049 --> 01:01:34,740

not to talk about this

1555

01:01:40,970 --> 01:01:39,059

to not say what you see what you've seen

1556

01:01:43,250 --> 01:01:40,980

um and

1557

01:01:45,530 --> 01:01:43,260

I would think that if NASA was being

1558

01:01:47,750 --> 01:01:45,540

honest about what they're doing in the

1559

01:01:48,589 --> 01:01:47,760

UAP field

1560

01:01:51,530 --> 01:01:48,599

um

1561

01:01:56,510 --> 01:01:51,540

ultimately they should release the on

1562

01:01:58,670 --> 01:01:56,520

the non-air brushed photos that they had

1563

01:02:00,950 --> 01:01:58,680

and I will say that much

1564

01:02:04,690 --> 01:02:00,960

and then that would be another

1565

01:02:08,329 --> 01:02:04,700

interesting discussion uh with NASA

1566

01:02:11,930 --> 01:02:08,339

NASA is supposed to be a civilian uh

1567

01:02:13,730 --> 01:02:11,940

space agency the classified space agency

1568

01:02:17,750 --> 01:02:13,740

is called nro

1569

01:02:20,750 --> 01:02:17,760

so NASA is the civilian unclassified

1570

01:02:22,069 --> 01:02:20,760

version of the nro classified Space

1571

01:02:24,650 --> 01:02:22,079

Program

1572

01:02:26,569 --> 01:02:24,660

and so it's in our role that designs

1573

01:02:28,970 --> 01:02:26,579

builds and launches

1574

01:02:30,309 --> 01:02:28,980

um many of what we uh almost everything

1575

01:02:32,990 --> 01:02:30,319

what we have

1576

01:02:35,089 --> 01:02:33,000

circling the globe controlled by the US

1577

01:02:38,690 --> 01:02:35,099

government on behalf of the Australian

1578

01:02:41,089 --> 01:02:38,700

and UK governments and also Canada as

1579

01:02:43,430 --> 01:02:41,099

one of the recipients of the data from

1580

01:02:44,990 --> 01:02:43,440

the satellites on you see anything as

1581

01:02:45,910 --> 01:02:45,000

well so let's share amongst the five

1582

01:02:50,030 --> 01:02:45,920

eyes

1583

01:02:52,970 --> 01:02:50,040

uh there's there is going to be a lot of

1584

01:02:54,950 --> 01:02:52,980

data there and uh so that's what started

1585

01:02:58,010 --> 01:02:54,960

the orb working group is that they

1586

01:03:00,170 --> 01:02:58,020

actually saw this data they thought it

1587

01:03:02,630 --> 01:03:00,180

was something wrong with the uh well

1588

01:03:06,170 --> 01:03:02,640

first uh they thought you know Occam's

1589

01:03:08,150 --> 01:03:06,180

razor uh oh it could be uh Advanced

1590

01:03:11,150 --> 01:03:08,160

adversarial technology

1591

01:03:13,430 --> 01:03:11,160

and so my Branch the elant or electronic

1592

01:03:15,470 --> 01:03:13,440

intelligence analysis Branch was given

1593

01:03:17,390 --> 01:03:15,480

the task of looking at the adversary

1594

01:03:20,630 --> 01:03:17,400

aircraft that are very advanced

1595

01:03:22,370 --> 01:03:20,640

uh what we see uh I could say this much

1596

01:03:25,730 --> 01:03:22,380

let's see very careful

1597

01:03:27,650 --> 01:03:25,740

um let's say when something of uh high

1598

01:03:29,750 --> 01:03:27,660

technology belonged in an adversary is

1599

01:03:32,150 --> 01:03:29,760

still in the planning stages uh usually

1600

01:03:33,530 --> 01:03:32,160

CIA gets to know about it beforehand and

1601

01:03:35,510 --> 01:03:33,540

that's all I'm going to say

1602

01:03:38,349 --> 01:03:35,520

so they might like

1603

01:03:41,510 --> 01:03:38,359

design one or two and fly them covertly

1604

01:03:43,250 --> 01:03:41,520

uh but we can uh if we're lucky detect

1605

01:03:45,650 --> 01:03:43,260

that and so we can gather information

1606

01:03:49,130 --> 01:03:45,660

about it so we had some information

1607

01:03:51,890 --> 01:03:49,140

about some advanced technology that

1608

01:03:54,589 --> 01:03:51,900

um was the Russians were experimenting

1609

01:03:57,829 --> 01:03:54,599

with and it's called plasma stealth

1610

01:04:00,650 --> 01:03:57,839

where they would take a uh a spot plasma

1611

01:04:02,210 --> 01:04:00,660

stealth generator and attach it to one

1612

01:04:04,849 --> 01:04:02,220

or their aircraft and it creates a

1613

01:04:09,109 --> 01:04:04,859

plasma fuel around the aircraft which uh

1614

01:04:11,089 --> 01:04:09,119

radar uh cannot uh lock onto

1615

01:04:13,490 --> 01:04:11,099

it's much more sophisticated than what

1616

01:04:14,510 --> 01:04:13,500

we did which was use conformal faceted

1617

01:04:16,670 --> 01:04:14,520

arrays

1618

01:04:19,789 --> 01:04:16,680

you know what uh if you look at the

1619

01:04:23,089 --> 01:04:19,799

F-117 it's all faceted that's what we

1620

01:04:25,370 --> 01:04:23,099

did but with radar materials ablative

1621

01:04:27,170 --> 01:04:25,380

materials they call it but they did this

1622

01:04:29,990 --> 01:04:27,180

generator you could just hook it up on

1623

01:04:32,089 --> 01:04:30,000

an aircraft and boom yourself

1624

01:04:34,549 --> 01:04:32,099

um so we knew about their experiments

1625

01:04:38,329 --> 01:04:34,559

with that we looked at the two aircraft

1626  
01:04:42,289 --> 01:04:38,339  
in particular uh one is called the uh s

1627  
01:04:44,809 --> 01:04:42,299  
u Sukhoi su-34 fullback

1628  
01:04:48,530 --> 01:04:44,819  
of the fallback aircraft and the other

1629  
01:04:49,970 --> 01:04:48,540  
was the um mig-31 off

1630  
01:04:54,829 --> 01:04:49,980  
flanker

1631  
01:04:55,430 --> 01:04:54,839  
I'm sorry mig-31

1632  
01:04:57,289 --> 01:04:55,440  
um

1633  
01:05:00,470 --> 01:04:57,299  
Foxtown

1634  
01:05:03,650 --> 01:05:00,480  
so the mig-31 foxhound is holds the uh

1635  
01:05:06,650 --> 01:05:03,660  
altitude record for an air breathing jet

1636  
01:05:09,109 --> 01:05:06,660  
it went up to 123 000 feet

1637  
01:05:11,030 --> 01:05:09,119  
it reached there I don't think it stayed

1638  
01:05:14,990 --> 01:05:11,040

there very long because there's not a

1639

01:05:18,470 --> 01:05:15,000

lot of combustibile like air for its

1640

01:05:20,809 --> 01:05:18,480

engines but it got up there

1641

01:05:22,849 --> 01:05:20,819

um and it flew around a little bit and

1642

01:05:27,049 --> 01:05:22,859

had to come back down but that aircraft

1643

01:05:30,289 --> 01:05:27,059

is phenomenal it it flies combat

1644

01:05:32,870 --> 01:05:30,299

uh mode 85 to 100 000 feet it was

1645

01:05:35,690 --> 01:05:32,880

designed to shoot down the SR-71

1646

01:05:37,130 --> 01:05:35,700

which is why the SR-71 will not fly they

1647

01:05:39,829 --> 01:05:37,140

grounded them all

1648

01:05:42,890 --> 01:05:41,210

um so

1649

01:05:45,109 --> 01:05:42,900

it wasn't that it wasn't these two

1650

01:05:47,329 --> 01:05:45,119

aircraft or any other aircraft that's in

1651  
01:05:48,849 --> 01:05:47,339  
the Russian inventory and we knew when

1652  
01:05:51,770 --> 01:05:48,859  
they would take off because you know

1653  
01:05:54,170 --> 01:05:51,780  
afterburners or jet you know

1654  
01:05:55,970 --> 01:05:54,180  
go back to your defense Support Program

1655  
01:05:57,650 --> 01:05:55,980  
satellites which are no longer flying

1656  
01:06:00,049 --> 01:05:57,660  
anymore they've been taken offline long

1657  
01:06:02,510 --> 01:06:00,059  
time ago we have other sensors that are

1658  
01:06:05,150 --> 01:06:02,520  
IR sensors that can detect missile

1659  
01:06:06,950 --> 01:06:05,160  
launches and aircraft

1660  
01:06:09,049 --> 01:06:06,960  
um weren't any of those there were no

1661  
01:06:10,309 --> 01:06:09,059  
events like that so we we know when they

1662  
01:06:14,930 --> 01:06:10,319  
as soon as they light off from the

1663  
01:06:17,390 --> 01:06:14,940

runway yep here they go and um so it

1664

01:06:20,569 --> 01:06:17,400

wasn't any of that they were actually

1665

01:06:23,089 --> 01:06:20,579

like unusual things that wasn't

1666

01:06:25,130 --> 01:06:23,099

explained uh oh it must be something

1667

01:06:26,510 --> 01:06:25,140

wrong with the satellite nope not wrong

1668

01:06:28,970 --> 01:06:26,520

satellite not wrong with software

1669

01:06:31,670 --> 01:06:28,980

processing satellite images all of that

1670

01:06:34,970 --> 01:06:31,680

so let's start at the orb working group

1671

01:06:36,710 --> 01:06:34,980

which actually met because I I signed

1672

01:06:38,930 --> 01:06:36,720

the travel documents for my two

1673

01:06:39,470 --> 01:06:38,940

Engineers I sent

1674

01:06:41,569 --> 01:06:39,480

um

1675

01:06:43,730 --> 01:06:41,579

and they went there

1676  
01:06:47,210 --> 01:06:43,740  
um as representing CIA along with other

1677  
01:06:49,789 --> 01:06:47,220  
CIA officers I was invited to join to be

1678  
01:06:52,370 --> 01:06:49,799  
read into the full program that they had

1679  
01:06:54,109 --> 01:06:52,380  
and I go no thank you if I got read in

1680  
01:06:55,849 --> 01:06:54,119  
you would never hear from me you

1681  
01:06:57,170 --> 01:06:55,859  
wouldn't have heard from me right so I

1682  
01:06:59,809 --> 01:06:57,180  
did get read in but I knew what it was

1683  
01:07:02,270 --> 01:06:59,819  
about and everything and um so people

1684  
01:07:03,589 --> 01:07:02,280  
are saying well you're lying because if

1685  
01:07:06,109 --> 01:07:03,599  
this was a real program you wouldn't be

1686  
01:07:07,609 --> 01:07:06,119  
able to talk about it ah I wrote the CIA

1687  
01:07:10,069 --> 01:07:07,619  
before it came out and saying I know

1688  
01:07:13,670 --> 01:07:10,079

these things is it okay and they go it's

1689

01:07:15,650 --> 01:07:13,680

unclassified so okay you know so yeah

1690

01:07:18,289 --> 01:07:15,660

there were there were programs to detect

1691

01:07:21,349 --> 01:07:18,299

these objects um

1692

01:07:23,930 --> 01:07:21,359

uh and NASA probably has a lot of

1693

01:07:26,029 --> 01:07:23,940

information there and I would not doubt

1694

01:07:27,890 --> 01:07:26,039

that they got rid of

1695

01:07:29,809 --> 01:07:27,900

um data by airbrushing it out and

1696

01:07:32,150 --> 01:07:29,819

telling astronauts not to talk about it

1697

01:07:34,069 --> 01:07:32,160

so as far as this group that's uh I

1698

01:07:36,109 --> 01:07:34,079

think they're reporting on May 31st in a

1699

01:07:37,430 --> 01:07:36,119

few days yeah have you seen the list of

1700

01:07:40,970 --> 01:07:37,440

questions though that they're supposedly

1701

01:07:42,650 --> 01:07:40,980

asking I would like to see that people

1702

01:07:44,210 --> 01:07:42,660

and these were the most popular

1703

01:07:47,270 --> 01:07:44,220

questions they definitely didn't pull

1704

01:07:51,109 --> 01:07:47,280

anybody who's a UFO not or interested in

1705

01:07:54,289 --> 01:07:51,119

this topic be aware that uh Beware I

1706

01:07:56,690 --> 01:07:54,299

guess beware that some of this is like

1707

01:07:58,370 --> 01:07:56,700

uh orchestrated in some way yeah I want

1708

01:07:59,950 --> 01:07:58,380

to give NASA some credit though that

1709

01:08:03,230 --> 01:07:59,960

they're going to do the what they can

1710

01:08:06,049 --> 01:08:03,240

but NASA at this meeting is operating

1711

01:08:08,029 --> 01:08:06,059

prior to disclosure

1712

01:08:10,490 --> 01:08:08,039

so they're going to be restricted like

1713

01:08:12,230 --> 01:08:10,500

uh Dr Patrick

1714

01:08:14,750 --> 01:08:12,240

and what you can say they're going to be

1715

01:08:16,309 --> 01:08:14,760

restricted about what they can say so I

1716

01:08:19,189 --> 01:08:16,319

wouldn't it would not surprise me that

1717

01:08:21,890 --> 01:08:19,199

NASA now in a few days will say things

1718

01:08:23,150 --> 01:08:21,900

and then NASA after disclosure will say

1719

01:08:24,950 --> 01:08:23,160

something different

1720

01:08:27,650 --> 01:08:24,960

and after disclosure they'll be a little

1721

01:08:29,630 --> 01:08:27,660

more honest about what they know

1722

01:08:32,390 --> 01:08:29,640

um there are there is a CIA officer

1723

01:08:34,430 --> 01:08:32,400

embedded in that uh study group

1724

01:08:35,990 --> 01:08:34,440

I'm not going to call out his name but

1725

01:08:38,450 --> 01:08:36,000

he was in CIA

1726

01:08:39,169 --> 01:08:38,460

uh in the imagery field

1727

01:08:40,970 --> 01:08:39,179

um

1728

01:08:42,530 --> 01:08:40,980

he worked for an organization called the

1729

01:08:44,510 --> 01:08:42,540

national photographic interpretation

1730

01:08:47,570 --> 01:08:44,520

Center which was part of the director of

1731

01:08:49,370 --> 01:08:47,580

science technology when I was there and

1732

01:08:51,650 --> 01:08:49,380

now it's called The National geospatial

1733

01:08:54,349 --> 01:08:51,660

Intelligence Agency which has all of the

1734

01:08:56,450 --> 01:08:54,359

photographic and video data of all of

1735

01:08:58,189 --> 01:08:56,460

these uaps

1736

01:09:00,110 --> 01:08:58,199

um and he's there but he you know he was

1737

01:09:02,150 --> 01:09:00,120

associated with uh digital globe and

1738

01:09:05,150 --> 01:09:02,160

maxar Technologies which provide the

1739

01:09:07,430 --> 01:09:05,160

imagery for Google Earth for example and

1740

01:09:08,930 --> 01:09:07,440

he's there and I don't I'm not saying

1741

01:09:10,910 --> 01:09:08,940

that he's there as a plant or anything

1742

01:09:12,890 --> 01:09:10,920

but he would know the background

1743

01:09:15,890 --> 01:09:12,900

information

1744

01:09:18,229 --> 01:09:15,900

um as to what we are really interested

1745

01:09:20,209 --> 01:09:18,239

in and maybe he won't be prepared to uh

1746

01:09:22,550 --> 01:09:20,219

at that at this time reveal anything

1747

01:09:24,110 --> 01:09:22,560

that he might know and I know I'm going

1748

01:09:25,249 --> 01:09:24,120

to get a phone call about what just told

1749

01:09:27,950 --> 01:09:25,259

you

1750

01:09:29,630 --> 01:09:27,960

basically it's it's disclosure foreplay

1751

01:09:30,829 --> 01:09:29,640

you know what I mean you gotta kiss a

1752

01:09:32,090 --> 01:09:30,839

little bit before you progress to

1753

01:09:33,410 --> 01:09:32,100

anything else and that's yeah I would

1754

01:09:35,390 --> 01:09:33,420

say it seems like that's what's going on

1755

01:09:36,650 --> 01:09:35,400

first absolutely exactly take her out to

1756

01:09:38,809 --> 01:09:36,660

dinner you know what I mean like do

1757

01:09:41,630 --> 01:09:38,819

something yeah when is this disclosure

1758

01:09:43,749 --> 01:09:41,640

date though I mean I know you can't say

1759

01:09:48,890 --> 01:09:43,759

are we talking months years

1760

01:09:51,050 --> 01:09:48,900

a decade I was surprised that uh Steve

1761

01:09:54,410 --> 01:09:51,060

Steve Bassett

1762

01:09:56,390 --> 01:09:54,420

you know he he hashtag months not years

1763

01:09:58,310 --> 01:09:56,400

that was the episode we made with him he

1764

01:09:59,750 --> 01:09:58,320

basically came right up now to the

1765

01:10:01,550 --> 01:09:59,760

defense of people that are a little bit

1766

01:10:04,070 --> 01:10:01,560

critical of Steve he's been saying this

1767

01:10:06,950 --> 01:10:04,080

for decades but yeah never as loud and

1768

01:10:09,890 --> 01:10:06,960

as affirmative as right now saying but

1769

01:10:13,250 --> 01:10:09,900

but I also think Steve in his

1770

01:10:16,250 --> 01:10:13,260

quest to find the truth is a little bit

1771

01:10:19,010 --> 01:10:16,260

jumping to conclusions like has to be

1772

01:10:20,810 --> 01:10:19,020

aliens they have to be in craft no such

1773

01:10:23,090 --> 01:10:20,820

thing as Interstellar interdimensional

1774

01:10:26,090 --> 01:10:23,100

and I I don't think it's good for people

1775

01:10:28,130 --> 01:10:26,100

to throw out the baby yeah yeah yeah I

1776

01:10:30,290 --> 01:10:28,140

don't know right I would tell them and

1777

01:10:31,310 --> 01:10:30,300

uh full disclosure he and I did have a

1778

01:10:33,770 --> 01:10:31,320

conversation

1779

01:10:35,390 --> 01:10:33,780

at the UFO conference 2023 in San

1780

01:10:38,990 --> 01:10:35,400

Francisco

1781

01:10:40,669 --> 01:10:39,000

and all I did was uh Mr Bassett I

1782

01:10:42,530 --> 01:10:40,679

endorse what you're saying and it's all

1783

01:10:44,209 --> 01:10:42,540

I'm going to say you know we're talking

1784

01:10:46,850 --> 01:10:44,219

mine's not doing good work you're doing

1785

01:10:48,410 --> 01:10:46,860

good work keep it up keep it up but I

1786

01:10:49,790 --> 01:10:48,420

think he's on the right track

1787

01:10:51,950 --> 01:10:49,800

um

1788

01:10:54,709 --> 01:10:51,960

that time is right especially since we

1789

01:10:56,630 --> 01:10:54,719

have uh in the United States uh there's

1790

01:10:59,270 --> 01:10:56,640

these this presidential primary

1791

01:11:01,970 --> 01:10:59,280

campaigns revving up and traditionally

1792

01:11:05,649 --> 01:11:01,980

it revs up after our Labor Day uh which

1793

01:11:08,870 --> 01:11:05,659

is in uh the first is it first Monday in

1794

01:11:11,270 --> 01:11:08,880

in September I believe yes

1795

01:11:13,850 --> 01:11:11,280

um and between that time and the holiday

1796

01:11:15,950 --> 01:11:13,860

season which is Thanksgiving day here in

1797

01:11:18,110 --> 01:11:15,960

the United States so between those two

1798

01:11:20,630 --> 01:11:18,120

dates I would say that's a good time for

1799

01:11:23,209 --> 01:11:20,640

it to come forward because it captures

1800

01:11:26,030 --> 01:11:23,219

that early uh that presidential campaign

1801

01:11:28,189 --> 01:11:26,040

season and before the holidays when you

1802

01:11:30,770 --> 01:11:28,199

know no one cares uh the only thing they

1803

01:11:33,229 --> 01:11:30,780

want to see in the sky is Santa Claus so

1804

01:11:37,189 --> 01:11:33,239

they don't care about

1805

01:11:38,330 --> 01:11:37,199

any non-humans flying uh but uh boy that

1806

01:11:40,970 --> 01:11:38,340

would be something Santa Claus is

1807

01:11:43,430 --> 01:11:40,980

actually not human but anyway

1808

01:11:46,310 --> 01:11:43,440

um yeah I think it's in those in that

1809

01:11:47,570 --> 01:11:46,320

time frame it'll be a good time for the

1810

01:11:50,570 --> 01:11:47,580

government to do whatever it's going to

1811

01:11:52,490 --> 01:11:50,580

do nice so I I have one more question

1812

01:11:54,770 --> 01:11:52,500

from me and then we'll get into some

1813

01:11:56,689 --> 01:11:54,780

listener questions if that's okay sure

1814

01:11:58,669 --> 01:11:56,699

really quickly but my my last questions

1815

01:12:01,010 --> 01:11:58,679

is

1816

01:12:02,510 --> 01:12:01,020

sort of the the party that's waiting in

1817

01:12:04,910 --> 01:12:02,520

the wings right now which I think will

1818

01:12:08,270 --> 01:12:04,920

have a huge impact going forward after

1819

01:12:09,890 --> 01:12:08,280

disclosure is space force right because

1820

01:12:11,810 --> 01:12:09,900

we're not hearing much about them right

1821

01:12:13,850 --> 01:12:11,820

now but there's some things afoot there

1822

01:12:15,770 --> 01:12:13,860

yeah and you know with disclosure I

1823

01:12:19,130 --> 01:12:15,780

think space force will come more into

1824

01:12:21,350 --> 01:12:19,140

play uh because now be you know it's our

1825

01:12:25,310 --> 01:12:21,360

defense system in space so obviously

1826

01:12:28,189 --> 01:12:25,320

anything alien related or inter or uh

1827

01:12:30,050 --> 01:12:28,199

you know uh terrestrial versus

1828

01:12:32,810 --> 01:12:30,060

extraterrestrial that they're in charge

1829

01:12:35,090 --> 01:12:32,820

of that defense so just in your personal

1830

01:12:36,590 --> 01:12:35,100

uh opinion like do do you think space

1831

01:12:38,810 --> 01:12:36,600

force is gonna have a big part to play

1832

01:12:39,830 --> 01:12:38,820

going forward with this disclosure

1833

01:12:43,010 --> 01:12:39,840

movement

1834

01:12:45,110 --> 01:12:43,020

well uh going back to uh what the US

1835

01:12:48,709 --> 01:12:45,120

government can detect those detection

1836

01:12:51,649 --> 01:12:48,719

systems uh for space and for the space

1837

01:12:53,390 --> 01:12:51,659

domain as they call it part of this what

1838

01:12:57,890 --> 01:12:53,400

space force likes to call space

1839

01:12:58,430 --> 01:12:57,900

situational awareness part of that um

1840

01:13:01,550 --> 01:12:58,440

um

1841

01:13:03,770 --> 01:13:01,560

area of space force

1842

01:13:07,070 --> 01:13:03,780

will come into play for sure because

1843

01:13:10,070 --> 01:13:07,080

they own the systems they operate the

1844

01:13:11,390 --> 01:13:10,080

systems that have detected these objects

1845

01:13:13,970 --> 01:13:11,400

in space

1846

01:13:15,649 --> 01:13:13,980

so it's not just the nro

1847

01:13:16,790 --> 01:13:15,659

which is more for the intelligence

1848

01:13:18,709 --> 01:13:16,800

community

1849

01:13:21,229 --> 01:13:18,719

for people like me who are intelligence

1850

01:13:25,310 --> 01:13:21,239

analysts to be able to do their work and

1851  
01:13:27,470 --> 01:13:25,320  
Reporting on developments of our foreign

1852  
01:13:29,630 --> 01:13:27,480  
adversaries but they're they're looking

1853  
01:13:31,010 --> 01:13:29,640  
at everything we we an intelligence

1854  
01:13:32,810 --> 01:13:31,020  
Community don't look over the United

1855  
01:13:35,990 --> 01:13:32,820  
States we're not allowed to look over

1856  
01:13:38,149 --> 01:13:36,000  
the United States we can't spy on our

1857  
01:13:41,570 --> 01:13:38,159  
five eyes partners

1858  
01:13:43,550 --> 01:13:41,580  
at all so we by the way Canadians can

1859  
01:13:46,070 --> 01:13:43,560  
spy on Americans and Americans can spy

1860  
01:13:49,070 --> 01:13:46,080  
on Canadians but we can't spy on our own

1861  
01:13:51,110 --> 01:13:49,080  
people uh just in a hint about you know

1862  
01:13:54,290 --> 01:13:51,120  
information exchanges that might happen

1863  
01:13:56,090 --> 01:13:54,300

uh but I won't go there I don't want to

1864

01:13:57,950 --> 01:13:56,100

talk I'll get in trouble with the

1865

01:14:02,330 --> 01:13:57,960

Canadian Security establishment I think

1866

01:14:03,649 --> 01:14:02,340

it's called CCSC yes yeah yeah they're

1867

01:14:05,450 --> 01:14:03,659

pretty good at their job too because

1868

01:14:07,490 --> 01:14:05,460

you'll never hear anything from them

1869

01:14:11,149 --> 01:14:07,500

like you've never heard oh it's a thesis

1870

01:14:13,070 --> 01:14:11,159

leak never ever listening right now so

1871

01:14:15,350 --> 01:14:13,080

hello everybody yeah exactly nice to see

1872

01:14:16,850 --> 01:14:15,360

you today yeah the CE certain Stanford

1873

01:14:18,590 --> 01:14:16,860

Canada should stand for covert because

1874

01:14:21,229 --> 01:14:18,600

they you're right they're very good at

1875

01:14:22,610 --> 01:14:21,239

what they do very good yeah but back to

1876  
01:14:24,830 --> 01:14:22,620  
space force you know they do have the

1877  
01:14:27,229 --> 01:14:24,840  
sensors that have detected uh these

1878  
01:14:29,090 --> 01:14:27,239  
objects uh they do have them

1879  
01:14:30,770 --> 01:14:29,100  
um I contend that they didn't have to

1880  
01:14:33,229 --> 01:14:30,780  
filter anything in the radar because I

1881  
01:14:34,729 --> 01:14:33,239  
know how Radars work yeah um The Radars

1882  
01:14:36,890 --> 01:14:34,739  
collected everything and it's in truck

1883  
01:14:38,930 --> 01:14:36,900  
files that they can go back uh what they

1884  
01:14:40,850 --> 01:14:38,940  
did filter was not any thing that the

1885  
01:14:43,130 --> 01:14:40,860  
radar did but what the humans did and

1886  
01:14:45,350 --> 01:14:43,140  
that what the humans did was to ignore

1887  
01:14:47,390 --> 01:14:45,360  
these other objects

1888  
01:14:49,010 --> 01:14:47,400

and when they say well let's pay

1889

01:14:51,649 --> 01:14:49,020

attention to these objects uh they're

1890

01:14:53,450 --> 01:14:51,659

there and that's what happened so you

1891

01:14:56,149 --> 01:14:53,460

know I did a whole thing with Chris Ledo

1892

01:14:59,090 --> 01:14:56,159

about how The Radars work and what The

1893

01:15:01,010 --> 01:14:59,100

Radars are uh most of them are across

1894

01:15:02,510 --> 01:15:01,020

your country as part of the north

1895

01:15:04,250 --> 01:15:02,520

warning system

1896

01:15:06,050 --> 01:15:04,260

um so

1897

01:15:07,430 --> 01:15:06,060

you know I I think space force is going

1898

01:15:10,189 --> 01:15:07,440

to be very important because they own

1899

01:15:13,370 --> 01:15:10,199

the sensors uh if anything and their

1900

01:15:16,130 --> 01:15:13,380

domain goes from 50 miles above

1901

01:15:19,189 --> 01:15:16,140

Earth all the way up

1902

01:15:23,149 --> 01:15:19,199

to above and beyond you know yeah

1903

01:15:24,830 --> 01:15:23,159

Buzz Lightyear territory you know so and

1904

01:15:27,050 --> 01:15:24,840

here we have City looking for radio

1905

01:15:29,450 --> 01:15:27,060

signals I don't understand study at all

1906

01:15:31,610 --> 01:15:29,460

no me neither talk to Jimmy Blanchett

1907

01:15:32,990 --> 01:15:31,620

and you know I I joined Jimmy and

1908

01:15:35,630 --> 01:15:33,000

scratching our heads what are they

1909

01:15:37,910 --> 01:15:35,640

looking for yeah yeah don't you only

1910

01:15:39,590 --> 01:15:37,920

have to look up there too far it's like

1911

01:15:41,209 --> 01:15:39,600

looking through a keyhole and then

1912

01:15:42,950 --> 01:15:41,219

expecting that you're gonna solve the

1913

01:15:44,510 --> 01:15:42,960

problem like well and look at the amount

1914

01:15:46,610 --> 01:15:44,520

of time involved right I watched the

1915

01:15:48,110 --> 01:15:46,620

thing the other day on the wow signal we

1916

01:15:50,689 --> 01:15:48,120

all really want to believe but we're

1917

01:15:53,030 --> 01:15:50,699

looking for radio Transmissions which is

1918

01:15:55,850 --> 01:15:53,040

very archaic but just the amount of time

1919

01:15:58,189 --> 01:15:55,860

involved if they did send a response

1920

01:16:00,890 --> 01:15:58,199

from some Galaxy that's how many light

1921

01:16:02,810 --> 01:16:00,900

years away maybe that was sent a million

1922

01:16:04,490 --> 01:16:02,820

years ago we got the wow signal we're

1923

01:16:06,470 --> 01:16:04,500

waiting for something else maybe they

1924

01:16:09,110 --> 01:16:06,480

that doesn't exist anymore maybe that

1925

01:16:11,510 --> 01:16:09,120

Civilization is gone and it's just

1926

01:16:13,850 --> 01:16:11,520

because of the the nature of just

1927

01:16:15,229 --> 01:16:13,860

physics being what they are it's not a

1928

01:16:16,910 --> 01:16:15,239

practical way of communicating with

1929

01:16:19,669 --> 01:16:16,920

anything I know a little bit of wattage

1930

01:16:22,370 --> 01:16:19,679

can go very far into outer space it it's

1931

01:16:24,110 --> 01:16:22,380

cheap and you can sort of spray and pray

1932

01:16:26,030 --> 01:16:24,120

you can hit a massive area and that's

1933

01:16:27,590 --> 01:16:26,040

what Jimmy's doing but to your point

1934

01:16:29,689 --> 01:16:27,600

John you don't have to go very far

1935

01:16:30,950 --> 01:16:29,699

they're right here people send them to

1936

01:16:33,590 --> 01:16:30,960

us they catch them with their cell

1937

01:16:36,050 --> 01:16:33,600

phones you know they come around in the

1938

01:16:38,330 --> 01:16:36,060

middle of the night yeah you don't need

1939

01:16:41,750 --> 01:16:38,340

to have stuff that's that big you don't

1940

01:16:43,970 --> 01:16:41,760

need to look for archaic modes of of uh

1941

01:16:45,709 --> 01:16:43,980

of communication right and any again

1942

01:16:48,169 --> 01:16:45,719

we're thinking about this phenomenon

1943

01:16:49,790 --> 01:16:48,179

like humans not like non-human

1944

01:16:51,830 --> 01:16:49,800

intelligence as wood and maybe that's

1945

01:16:54,350 --> 01:16:51,840

impossible for us to do because we're

1946

01:16:55,970 --> 01:16:54,360

limited by our sensors and what we can

1947

01:16:57,830 --> 01:16:55,980

see and what we can hear and all that

1948

01:16:59,810 --> 01:16:57,840

but but last question I want to ask you

1949

01:17:01,669 --> 01:16:59,820

before we get into the a few viewer

1950

01:17:04,310 --> 01:17:01,679

questions from Jason is the idea of

1951

01:17:06,530 --> 01:17:04,320

hybrids a lot of these abduction cases

1952

01:17:09,050 --> 01:17:06,540

talk about genetic material being

1953

01:17:12,050 --> 01:17:09,060

removed uh you know Whitley streepers

1954

01:17:14,270 --> 01:17:12,060

very graphic but essentially they're

1955

01:17:17,209 --> 01:17:14,280

taking seed from males and over them

1956

01:17:18,770 --> 01:17:17,219

from females for some purpose and you

1957

01:17:21,169 --> 01:17:18,780

can really go down the Wu train and the

1958

01:17:24,110 --> 01:17:21,179

rabbit hole on that but what are your

1959

01:17:26,570 --> 01:17:24,120

thoughts just as as an opinion on sort

1960

01:17:28,550 --> 01:17:26,580

of hybrids and what the need for this

1961

01:17:29,689 --> 01:17:28,560

genetic material from humans could

1962

01:17:31,729 --> 01:17:29,699

potentially be

1963

01:17:34,430 --> 01:17:31,739

well I've always contended that we are

1964

01:17:36,770 --> 01:17:34,440

all hybrids all humans are hybrids from

1965

01:17:38,510 --> 01:17:36,780

the very beginning even if uh if you

1966

01:17:40,370 --> 01:17:38,520

don't believe in any of this or don't

1967

01:17:43,189 --> 01:17:40,380

even follow any of this as we

1968

01:17:45,470 --> 01:17:43,199

enthusiasts do yeah let's say that you

1969

01:17:47,630 --> 01:17:45,480

believe in the Book of Genesis

1970

01:17:49,010 --> 01:17:47,640

let's go there and in the Book of

1971

01:17:52,970 --> 01:17:49,020

Genesis you have a Divine being

1972

01:17:56,030 --> 01:17:52,980

non-human who imparted its image onto

1973

01:17:59,149 --> 01:17:56,040

humans yeah okay so that right there

1974

01:18:01,430 --> 01:17:59,159

tells you that humans if you are very

1975

01:18:05,149 --> 01:18:01,440

religious and believe in Genesis humans

1976

01:18:08,030 --> 01:18:05,159

are part Divine that is non-human and

1977

01:18:11,450 --> 01:18:08,040

part human that and then if you further

1978

01:18:14,630 --> 01:18:11,460

believe in uh in the Bible let's say the

1979

01:18:17,209 --> 01:18:14,640

New Testament you would believe that you

1980

01:18:18,229 --> 01:18:17,219

know that Jesus was part Divine and part

1981

01:18:20,270 --> 01:18:18,239

human

1982

01:18:21,890 --> 01:18:20,280

that's the definition

1983

01:18:25,490 --> 01:18:21,900

instead of saying Divine we can say

1984

01:18:27,770 --> 01:18:25,500

non-human uh a human of a non-human

1985

01:18:28,689 --> 01:18:27,780

being of advanced Consciousness let's

1986

01:18:32,689 --> 01:18:28,699

say

1987

01:18:34,490 --> 01:18:32,699

and Incorporated uh with the DNA of a

1988

01:18:38,090 --> 01:18:34,500

human so right there

1989

01:18:43,130 --> 01:18:38,100

you have if I could rewrite the Bible

1990

01:18:46,130 --> 01:18:43,140

I would make it into what I call an EXO

1991

01:18:48,110 --> 01:18:46,140

EXO Bible that is uh something that

1992

01:18:50,630 --> 01:18:48,120

incorporates this phenomenon because

1993

01:18:52,550 --> 01:18:50,640

then if you rewrite it that way using

1994

01:18:54,410 --> 01:18:52,560

what we know so far about this

1995

01:18:56,930 --> 01:18:54,420

phenomenon you'll have a remarkable

1996

01:18:59,030 --> 01:18:56,940

story of visitations by non-humans with

1997

01:19:00,229 --> 01:18:59,040

humans and the interactions between the

1998

01:19:03,290 --> 01:19:00,239

two

1999

01:19:05,750 --> 01:19:03,300

because then who you know in in the

2000

01:19:08,990 --> 01:19:05,760

Bible it says that Mary was like visited

2001

01:19:12,470 --> 01:19:09,000

by Angels taking up somewhere and I was

2002

01:19:15,830 --> 01:19:12,480

told that she would carry this baby

2003

01:19:18,890 --> 01:19:15,840

and that the baby would be not from a

2004

01:19:23,450 --> 01:19:18,900

her human uh Joseph

2005

01:19:25,250 --> 01:19:23,460

right and so did she get implanted

2006

01:19:27,530 --> 01:19:25,260

and then brought back

2007

01:19:28,570 --> 01:19:27,540

it was middle of the night right it was

2008

01:19:31,669 --> 01:19:28,580

good

2009

01:19:32,990 --> 01:19:31,679

it's classic thing you know and then you

2010

01:19:34,850 --> 01:19:33,000

have Jesus

2011

01:19:36,709 --> 01:19:34,860

um you know with the transit call it

2012

01:19:38,750 --> 01:19:36,719

this is called the Transfiguration or

2013

01:19:41,209 --> 01:19:38,760

something uh you have the old prophets

2014

01:19:43,430 --> 01:19:41,219

coming down and one of the disciples uh

2015

01:19:45,649 --> 01:19:43,440

in the Garden of Gethsemane uh was

2016

01:19:48,110 --> 01:19:45,659

awakens and witnessed it oh there's

2017

01:19:49,910 --> 01:19:48,120

Moses there's you know these other old

2018

01:19:52,250 --> 01:19:49,920

prophets of all with Jesus and it was

2019

01:19:54,770 --> 01:19:52,260

like shimmering light you know my God I

2020

01:19:58,550 --> 01:19:54,780

mean that's the whole Bible is full of

2021

01:20:02,209 --> 01:19:58,560

experiences written by experiencers

2022

01:20:04,610 --> 01:20:02,219

profits are like channelers right so

2023

01:20:06,590 --> 01:20:04,620

going back to um your hyper question and

2024

01:20:08,930 --> 01:20:06,600

we're all hybrids I think

2025

01:20:14,689 --> 01:20:08,940

um but what I was told

2026

01:20:19,430 --> 01:20:16,729

um and I wish I'd have taken the meeting

2027

01:20:21,169 --> 01:20:19,440

agenda which was unclassified and the

2028

01:20:23,570 --> 01:20:21,179

meeting uh attendees which was

2029

01:20:26,990 --> 01:20:23,580

unclassified at the time

2030

01:20:32,390 --> 01:20:27,000

um what I was told that the um the CIA

2031

01:20:38,290 --> 01:20:36,050

and that the interest goes back to after

2032

01:20:42,530 --> 01:20:38,300

World War II

2033

01:20:44,510 --> 01:20:42,540

now do we have the means to

2034

01:20:45,770 --> 01:20:44,520

um sequence the human genome back then

2035

01:20:47,570 --> 01:20:45,780

no

2036

01:20:49,550 --> 01:20:47,580

but I always get arguments that well we

2037

01:20:52,669 --> 01:20:49,560

didn't know about DNA after World War II

2038

01:20:54,169 --> 01:20:52,679

well DNA was discovered in the 1860s

2039

01:20:56,689 --> 01:20:54,179

so they knew there was something called

2040

01:20:59,390 --> 01:20:56,699

DNA from the 1860s

2041

01:21:01,310 --> 01:20:59,400

and so DNA existed but they didn't just

2042

01:21:04,189 --> 01:21:01,320

did not was not able to they were not

2043

01:21:05,870 --> 01:21:04,199

able to sequence it all completely that

2044

01:21:08,689 --> 01:21:05,880

didn't happen until like recent years

2045

01:21:11,270 --> 01:21:08,699

and through the 90s and early 2000s when

2046

01:21:13,430 --> 01:21:11,280

we finally had the technology to do so

2047

01:21:15,110 --> 01:21:13,440

but what they discovered was oh my gosh

2048

01:21:16,790 --> 01:21:15,120

you know there's some really interesting

2049

01:21:19,669 --> 01:21:16,800

things about human DNA there's these

2050

01:21:22,550 --> 01:21:19,679

splices in human DNA that did not occur

2051  
01:21:25,729 --> 01:21:22,560  
because of Natural Evolution

2052  
01:21:28,070 --> 01:21:25,739  
yeah and so how did those splices occur

2053  
01:21:32,030 --> 01:21:28,080  
you know what happened

2054  
01:21:34,130 --> 01:21:32,040  
um so I know from sources again I'm

2055  
01:21:35,630 --> 01:21:34,140  
sorry I cannot reveal these sources so

2056  
01:21:39,890 --> 01:21:35,640  
if you don't believe me because I can't

2057  
01:21:43,850 --> 01:21:39,900  
review the sources so be it but the the

2058  
01:21:46,850 --> 01:21:43,860  
hybrid story is part of the phenomenon

2059  
01:21:50,590 --> 01:21:46,860  
story it's a very important part

2060  
01:21:52,550 --> 01:21:50,600  
as are these experiences as are implants

2061  
01:21:55,910 --> 01:21:52,560  
implants are an important part of the

2062  
01:21:58,970 --> 01:21:55,920  
story as well why are we hybrids or why

2063  
01:22:01,970 --> 01:21:58,980

are do we have implants I do not know

2064

01:22:04,310 --> 01:22:01,980

I was told I had an implant not from

2065

01:22:06,590 --> 01:22:04,320

anybody in government but by people who

2066

01:22:08,630 --> 01:22:06,600

are what we call light workers people

2067

01:22:10,970 --> 01:22:08,640

look at light workers as you know these

2068

01:22:14,689 --> 01:22:10,980

people who are like out there in a new

2069

01:22:15,350 --> 01:22:14,699

AG land and we can discount them but

2070

01:22:17,209 --> 01:22:15,360

um

2071

01:22:21,370 --> 01:22:17,219

they help me understand what was going

2072

01:22:23,810 --> 01:22:21,380

on with me my own personal self and

2073

01:22:25,790 --> 01:22:23,820

independently they said I can one of

2074

01:22:26,930 --> 01:22:25,800

them said your your implant gives me a

2075

01:22:30,189 --> 01:22:26,940

headache

2076

01:22:33,290 --> 01:22:30,199

and I just want to call out Laurette yes

2077

01:22:36,229 --> 01:22:33,300

Laurette told me that uh my implant gave

2078

01:22:38,689 --> 01:22:36,239

her a headache um I have another

2079

01:22:40,729 --> 01:22:38,699

light worker named Nancy who said the

2080

01:22:42,350 --> 01:22:40,739

same thing and

2081

01:22:43,490 --> 01:22:42,360

um it didn't give her a headache but she

2082

01:22:46,010 --> 01:22:43,500

could hear it

2083

01:22:49,070 --> 01:22:46,020

and then um my light worker Glenn

2084

01:22:52,070 --> 01:22:49,080

spelled with two ends and she uh is

2085

01:22:53,090 --> 01:22:52,080

going back to Vicenza Italy she said you

2086

01:22:55,130 --> 01:22:53,100

know

2087

01:22:57,590 --> 01:22:55,140

you're actually an alien living in a

2088

01:23:00,350 --> 01:22:57,600

human body and say well I knew that all

2089

01:23:03,010 --> 01:23:00,360

along my wife tells me that all along

2090

01:23:05,630 --> 01:23:03,020

when I'm not being a good husband

2091

01:23:07,910 --> 01:23:05,640

can't do the dishes honey Eminem yeah

2092

01:23:09,229 --> 01:23:07,920

she's an angel I'm the alien right so

2093

01:23:10,130 --> 01:23:09,239

anyway

2094

01:23:12,830 --> 01:23:10,140

um

2095

01:23:14,209 --> 01:23:12,840

but seriously yeah I think hybrids are

2096

01:23:16,550 --> 01:23:14,219

part of the story

2097

01:23:19,130 --> 01:23:16,560

um that might be revealed much later on

2098

01:23:20,689 --> 01:23:19,140

if they ever reveal it I'm saying that

2099

01:23:22,669 --> 01:23:20,699

the government knows that the hybrid's

2100

01:23:24,770 --> 01:23:22,679

real I'm saying the government knows the

2101

01:23:27,649 --> 01:23:24,780

implants are real right the implant

2102

01:23:30,169 --> 01:23:27,659

story is coming out now uh Jim Simi van

2103

01:23:32,270 --> 01:23:30,179

talked about implant

2104

01:23:35,149 --> 01:23:32,280

that's uh one of our uh one of our

2105

01:23:37,790 --> 01:23:35,159

friends Chris grant that was related to

2106

01:23:39,130 --> 01:23:37,800

this uh he asked that because you hadn't

2107

01:23:42,770 --> 01:23:39,140

mentioned it before that the government

2108

01:23:46,010 --> 01:23:42,780

admitted that Humanity are pretty much a

2109

01:23:49,250 --> 01:23:46,020

hybrid species and he was wondering uh

2110

01:23:51,229 --> 01:23:49,260

hybrids of what specifically like do we

2111

01:23:53,330 --> 01:23:51,239

kind of have an idea or is it just right

2112

01:23:55,070 --> 01:23:53,340

now it's unknown but we know that

2113

01:23:57,950 --> 01:23:55,080

there's obviously something there

2114

01:24:00,470 --> 01:23:57,960

well you know people have seen nordics

2115

01:24:04,130 --> 01:24:00,480

on board crafts right and the nordics

2116

01:24:04,850 --> 01:24:04,140

are closest to us biologically

2117

01:24:08,030 --> 01:24:04,860

um

2118

01:24:11,030 --> 01:24:08,040

that's my best guess

2119

01:24:13,189 --> 01:24:11,040

um I don't know what we're hybrids of

2120

01:24:14,810 --> 01:24:13,199

uh I do know through Natural Evolution

2121

01:24:17,209 --> 01:24:14,820

that

2122

01:24:20,330 --> 01:24:17,219

um the embryos of humans and the embryos

2123

01:24:23,330 --> 01:24:20,340

of reptiles Earth reptiles have similar

2124

01:24:25,970 --> 01:24:23,340

characteristics like not entirely

2125

01:24:29,890 --> 01:24:25,980

similar but they're like muscle groups

2126

01:24:33,830 --> 01:24:29,900

in the embryo human hand

2127

01:24:36,050 --> 01:24:33,840

that are also found in reptiles

2128

01:24:37,250 --> 01:24:36,060

even in the brain There's A Primitive

2129

01:24:39,590 --> 01:24:37,260

part of the brain that they call the

2130

01:24:42,410 --> 01:24:39,600

reptile brain it's mainly associated

2131

01:24:44,330 --> 01:24:42,420

with like um basic functions breathing

2132

01:24:45,950 --> 01:24:44,340

and things like that but yeah like we

2133

01:24:48,050 --> 01:24:45,960

have a tail when we're in uterine we're

2134

01:24:50,750 --> 01:24:48,060

in an egg it's yeah there are a lot of

2135

01:24:52,550 --> 01:24:50,760

reptilian before mammals evolve we came

2136

01:24:54,770 --> 01:24:52,560

from single-celled organisms and then

2137

01:24:57,410 --> 01:24:54,780

everything else before looking the way

2138

01:25:00,470 --> 01:24:57,420

we do so right but here's some yeah the

2139

01:25:03,410 --> 01:25:00,480

question is uh did that did we result as

2140

01:25:05,030 --> 01:25:03,420

an uh As Natural Evolution or was there

2141

01:25:06,709 --> 01:25:05,040

an intervention and then you have

2142

01:25:08,570 --> 01:25:06,719

anthropologists saying ah there's this

2143

01:25:10,010 --> 01:25:08,580

missing Gap somewhere yeah we can't

2144

01:25:13,010 --> 01:25:10,020

account for this missing Gap and I'm

2145

01:25:15,050 --> 01:25:13,020

telling you that's the part where this

2146

01:25:16,610 --> 01:25:15,060

intervention occurred that's why there's

2147

01:25:19,669 --> 01:25:16,620

no Missing Link we're trying to find a

2148

01:25:21,770 --> 01:25:19,679

fossil record of some animals connects

2149

01:25:23,870 --> 01:25:21,780

us to that to the Apes maybe there is no

2150

01:25:25,669 --> 01:25:23,880

such thing maybe we are a separate

2151  
01:25:29,450 --> 01:25:25,679  
lineage because like you said there's a

2152  
01:25:32,030 --> 01:25:29,460  
piece yeah there's acceleration of us

2153  
01:25:33,770 --> 01:25:32,040  
um uh may have occurred well there's

2154  
01:25:35,930 --> 01:25:33,780  
there's what there's five apes right

2155  
01:25:38,330 --> 01:25:35,940  
cause you got the chimpanzee the gorilla

2156  
01:25:40,430 --> 01:25:38,340  
humans are in the middle of the genome I

2157  
01:25:43,910 --> 01:25:40,440  
think you got a bonobos and then the

2158  
01:25:46,490 --> 01:25:43,920  
orangutan right but out of all the Apes

2159  
01:25:48,470 --> 01:25:46,500  
We Stand Out the most like look at what

2160  
01:25:50,990 --> 01:25:48,480  
we're able to do today you know what I

2161  
01:25:53,870 --> 01:25:51,000  
mean otherwise yeah yeah and there were

2162  
01:25:55,610 --> 01:25:53,880  
other uh proto-humans as well that

2163  
01:25:57,590 --> 01:25:55,620

didn't quite make it they didn't make it

2164

01:25:59,990 --> 01:25:57,600

uh or we may have intermarried with them

2165

01:26:02,030 --> 01:26:00,000

or evolved with them into what we are

2166

01:26:05,209 --> 01:26:02,040

now yeah right Homo sapiens sapiens with

2167

01:26:07,729 --> 01:26:05,219

other uh sapiens uh species

2168

01:26:09,709 --> 01:26:07,739

um so yeah it's a complicated story uh

2169

01:26:12,890 --> 01:26:09,719

but isn't it I find it

2170

01:26:14,570 --> 01:26:12,900

interesting that when we look at like

2171

01:26:17,450 --> 01:26:14,580

well the nordics are obvious because

2172

01:26:18,290 --> 01:26:17,460

they look more closer to us

2173

01:26:21,410 --> 01:26:18,300

um

2174

01:26:23,030 --> 01:26:21,420

but if you look at like even the gray

2175

01:26:25,490 --> 01:26:23,040

um they're kind of humanoid in the sense

2176  
01:26:27,830 --> 01:26:25,500  
that have a head of torso two arms and

2177  
01:26:30,110 --> 01:26:27,840  
two legs two eyes

2178  
01:26:31,370 --> 01:26:30,120  
little slits for nostrils but everything

2179  
01:26:33,709 --> 01:26:31,380  
is there where it's supposed to be

2180  
01:26:36,709 --> 01:26:33,719  
essentially

2181  
01:26:39,890 --> 01:26:36,719  
um so there's a lot of similarities in

2182  
01:26:43,729 --> 01:26:39,900  
what people experience as non-human and

2183  
01:26:47,090 --> 01:26:43,739  
humans so I don't know if everyone got a

2184  
01:26:49,070 --> 01:26:47,100  
chance at helping us quote unquote with

2185  
01:26:50,830 --> 01:26:49,080  
their DNA but we seem to be closer to

2186  
01:26:53,810 --> 01:26:50,840  
the nordics than than any other

2187  
01:26:55,250 --> 01:26:53,820  
non-humans uh maybe the nordics are

2188  
01:26:58,310 --> 01:26:55,260

humans maybe they've been here longer

2189

01:26:59,629 --> 01:26:58,320

than we have I don't know good points I

2190

01:27:01,370 --> 01:26:59,639

I don't know you made an interesting

2191

01:27:03,169 --> 01:27:01,380

point on another show in terms of like

2192

01:27:05,390 --> 01:27:03,179

Evolution and things like that and I

2193

01:27:07,850 --> 01:27:05,400

think the cult was like if dinosaurs

2194

01:27:10,550 --> 01:27:07,860

survived in a parallel universe and came

2195

01:27:13,250 --> 01:27:10,560

back could that explain some things that

2196

01:27:15,530 --> 01:27:13,260

we're seeing I think reptilians yeah we

2197

01:27:17,510 --> 01:27:15,540

don't know um that's all speculation

2198

01:27:18,830 --> 01:27:17,520

there's nothing I know personally from

2199

01:27:21,590 --> 01:27:18,840

anything the government knows

2200

01:27:23,750 --> 01:27:21,600

professionally I have no idea yeah it's

2201  
01:27:25,850 --> 01:27:23,760  
fun to speculate though and I you know I

2202  
01:27:28,010 --> 01:27:25,860  
tell people a lot of things I say you

2203  
01:27:29,270 --> 01:27:28,020  
know I had to like sort this out for

2204  
01:27:32,270 --> 01:27:29,280  
myself

2205  
01:27:35,149 --> 01:27:32,280  
I had to bring it into terms that made

2206  
01:27:38,990 --> 01:27:35,159  
sense so like I myself personally could

2207  
01:27:42,950 --> 01:27:39,000  
handle it otherwise I would like to be

2208  
01:27:46,370 --> 01:27:42,960  
in a compulsive obsessive mode of trying

2209  
01:27:48,530 --> 01:27:46,380  
to like put pieces together and like

2210  
01:27:50,750 --> 01:27:48,540  
spending my entire life doing it you

2211  
01:27:53,390 --> 01:27:50,760  
know and I'm telling people just live

2212  
01:27:55,310 --> 01:27:53,400  
your life and put together your own

2213  
01:27:57,530 --> 01:27:55,320

Theory of Everything it doesn't have to

2214

01:27:59,689 --> 01:27:57,540

be right for anyone else except yourself

2215

01:28:01,129 --> 01:27:59,699

and so if you have your own theory of

2216

01:28:02,930 --> 01:28:01,139

everything and this is the way things

2217

01:28:05,149 --> 01:28:02,940

are and it could be more of a

2218

01:28:07,490 --> 01:28:05,159

traditional religious kind of thing uh

2219

01:28:09,169 --> 01:28:07,500

toward Western Christianity that's fine

2220

01:28:10,850 --> 01:28:09,179

if you can live with that and this is

2221

01:28:13,970 --> 01:28:10,860

the way it is and this is why things are

2222

01:28:16,070 --> 01:28:13,980

and with my own personal Theory of

2223

01:28:18,350 --> 01:28:16,080

Everything which I've more openly

2224

01:28:20,450 --> 01:28:18,360

discussed in these podcasts you know

2225

01:28:21,410 --> 01:28:20,460

find one for yourself and just stick

2226

01:28:26,330 --> 01:28:21,420

with it

2227

01:28:28,070 --> 01:28:26,340

information and then you can change it

2228

01:28:29,870 --> 01:28:28,080

you just then don't let anyone convince

2229

01:28:31,490 --> 01:28:29,880

you that something is wrong with you

2230

01:28:33,709 --> 01:28:31,500

because of your beliefs

2231

01:28:35,990 --> 01:28:33,719

no no one challenges people's religious

2232

01:28:37,790 --> 01:28:36,000

beliefs everybody wants to challenge

2233

01:28:39,890 --> 01:28:37,800

everyone's

2234

01:28:42,050 --> 01:28:39,900

uh

2235

01:28:44,149 --> 01:28:42,060

ET beliefs you know you know that means

2236

01:28:46,310 --> 01:28:44,159

I don't know why that is and it's so

2237

01:28:48,709 --> 01:28:46,320

complex that you know we we can't

2238

01:28:51,350 --> 01:28:48,719

there's no people State absolutes

2239

01:28:52,729 --> 01:28:51,360

unfortunately in this field uh there are

2240

01:28:54,590 --> 01:28:52,739

some people that right now because

2241

01:28:56,270 --> 01:28:54,600

disclosures I think is coming at hand

2242

01:28:58,129 --> 01:28:56,280

there's two people who pop to my I'm not

2243

01:29:00,350 --> 01:28:58,139

going to name them but they're like look

2244

01:29:01,669 --> 01:29:00,360

at me look at me I'm Mr disclosure I'm

2245

01:29:04,250 --> 01:29:01,679

the one who's gonna have all the answers

2246

01:29:06,410 --> 01:29:04,260

and that's not how it's going to work we

2247

01:29:08,689 --> 01:29:06,420

need to all work together as a group of

2248

01:29:10,610 --> 01:29:08,699

people like yourself that have served

2249

01:29:12,350 --> 01:29:10,620

their country and citizens that have

2250

01:29:14,810 --> 01:29:12,360

experienced in this we all collectively

2251

01:29:16,550 --> 01:29:14,820

like you ever see somebody that or a

2252

01:29:18,709 --> 01:29:16,560

corporation or somebody says hey can I

2253

01:29:20,810 --> 01:29:18,719

get the general population to help us

2254

01:29:23,629 --> 01:29:20,820

out with this issue and some people are

2255

01:29:25,970 --> 01:29:23,639

amazing like even the CGI for Star Wars

2256

01:29:28,910 --> 01:29:25,980

some kid in his basement did better CGI

2257

01:29:30,950 --> 01:29:28,920

for Star Wars than Star Wars did and so

2258

01:29:32,570 --> 01:29:30,960

you know given that information to the

2259

01:29:34,250 --> 01:29:32,580

general population and letting people

2260

01:29:37,310 --> 01:29:34,260

that are creative that can think outside

2261

01:29:38,930 --> 01:29:37,320

the box in on it that's how we're going

2262

01:29:41,750 --> 01:29:38,940

to make progress like imagine if we had

2263

01:29:43,850 --> 01:29:41,760

a guy like Nicola Tesla alive today that

2264

01:29:45,590 --> 01:29:43,860

was investigating this phenomenon how

2265

01:29:47,510 --> 01:29:45,600

much further we would be along right

2266

01:29:50,330 --> 01:29:47,520

because of the way he thought and looked

2267

01:29:51,830 --> 01:29:50,340

at things so yeah it's so interesting

2268

01:29:54,050 --> 01:29:51,840

you made a valid point there people

2269

01:29:55,850 --> 01:29:54,060

attack everybody and we don't know

2270

01:29:58,129 --> 01:29:55,860

what's going on we're all just swinging

2271

01:30:00,950 --> 01:29:58,139

away like idiots yeah

2272

01:30:03,050 --> 01:30:00,960

um yeah yeah I have a Krista Alexander

2273

01:30:04,010 --> 01:30:03,060

uh one of our friends as well she said

2274

01:30:06,950 --> 01:30:04,020

um you mentioned that government

2275

01:30:09,470 --> 01:30:06,960

employees refer to uaps as entities of

2276

01:30:11,810 --> 01:30:09,480

light does that mean actual conscious

2277

01:30:14,750 --> 01:30:11,820

beings made of light and what are they

2278

01:30:17,090 --> 01:30:14,760

what are the implications oh uh some

2279

01:30:19,430 --> 01:30:17,100

uaps manifest themselves as light orbs

2280

01:30:22,430 --> 01:30:19,440

that's that's what I said okay and there

2281

01:30:25,610 --> 01:30:22,440

are light orbs and um that is what most

2282

01:30:28,250 --> 01:30:25,620

people are seeing today a few see uh

2283

01:30:30,110 --> 01:30:28,260

structured craft as we call it

2284

01:30:32,990 --> 01:30:30,120

um when it's last time anyone reported

2285

01:30:35,149 --> 01:30:33,000

seeing a saucer shape right it's been a

2286

01:30:37,070 --> 01:30:35,159

while yeah yeah now they're we're seeing

2287

01:30:38,510 --> 01:30:37,080

light orbs they're manifesting as light

2288

01:30:41,450 --> 01:30:38,520

orbs

2289

01:30:46,189 --> 01:30:41,460

um and what I said that the government

2290

01:30:48,910 --> 01:30:46,199

is aware that these light orbs have some

2291

01:30:52,550 --> 01:30:48,920

aspect with consciousness

2292

01:30:56,570 --> 01:30:52,560

and there I give credit to Dr Stephen

2293

01:30:59,149 --> 01:30:56,580

Greer because he had a film called uh

2294

01:31:01,189 --> 01:30:59,159

Close Encounters of the fifth kind and

2295

01:31:02,629 --> 01:31:01,199

in that film he made an accurate

2296

01:31:05,330 --> 01:31:02,639

statement that the government became

2297

01:31:07,189 --> 01:31:05,340

interested in this earnestly it went to

2298

01:31:09,410 --> 01:31:07,199

another level when it discovered that

2299

01:31:11,930 --> 01:31:09,420

there was a higher Consciousness aspect

2300

01:31:13,850 --> 01:31:11,940

to this phenomenon and that is a true

2301

01:31:16,850 --> 01:31:13,860

statement so something about

2302

01:31:18,110 --> 01:31:16,860

Consciousness and this phenomenon is

2303

01:31:20,510 --> 01:31:18,120

associated

2304

01:31:23,090 --> 01:31:20,520

and that's that's what I was saying and

2305

01:31:24,890 --> 01:31:23,100

uh this needs to come forward later as

2306

01:31:26,330 --> 01:31:24,900

part of disclosure right now with just a

2307

01:31:29,149 --> 01:31:26,340

big hurdle it's just saying not human

2308

01:31:32,030 --> 01:31:29,159

right officially from the government you

2309

01:31:35,330 --> 01:31:32,040

know non-human to have someone who was

2310

01:31:38,570 --> 01:31:35,340

in a position of authority as like a

2311

01:31:40,370 --> 01:31:38,580

head of an intelligence agency or uh a

2312

01:31:44,110 --> 01:31:40,380

secretary of a cabinet level department

2313

01:31:47,030 --> 01:31:44,120

to say non-human that that is huge

2314

01:31:49,850 --> 01:31:47,040

uh a huge emission and we let's go there

2315

01:31:51,410 --> 01:31:49,860

first but I think unless we explore the

2316

01:31:52,850 --> 01:31:51,420

higher Consciousness aspect of this

2317

01:31:54,169 --> 01:31:52,860

phenomenon

2318

01:31:55,669 --> 01:31:54,179

um this will go nowhere because it's

2319

01:31:57,229 --> 01:31:55,679

just things flying in the sky and who

2320

01:31:59,450 --> 01:31:57,239

cares about that okay they're flying in

2321

01:32:02,689 --> 01:31:59,460

the sky but why are they here

2322

01:32:05,090 --> 01:32:02,699

um and why are they interacting with us

2323

01:32:06,729 --> 01:32:05,100

what's the message they want us to

2324

01:32:09,350 --> 01:32:06,739

understand to learn

2325

01:32:10,970 --> 01:32:09,360

what is the lesson to learn and I think

2326

01:32:13,070 --> 01:32:10,980

that's important where Consciousness

2327

01:32:14,270 --> 01:32:13,080

comes into play and I wanted to convey

2328

01:32:18,290 --> 01:32:14,280

that

2329

01:32:20,870 --> 01:32:18,300

nice uh our friend Russell uh Pickering

2330

01:32:24,290 --> 01:32:20,880

Louis he asked do you do you consider

2331

01:32:26,930 --> 01:32:24,300

ce5 contact like casual experience

2332

01:32:31,669 --> 01:32:26,940

Seekers safe

2333

01:32:34,189 --> 01:32:31,679

it depends on how you approach ce5

2334

01:32:35,930 --> 01:32:34,199

and I would say that

2335

01:32:38,390 --> 01:32:35,940

um

2336

01:32:41,810 --> 01:32:38,400

and Stephen Greer is a Dr Steven Greer

2337

01:32:45,010 --> 01:32:41,820

is a good uh resource for this he he has

2338

01:32:47,450 --> 01:32:45,020

held the ce5 encounters out where he

2339

01:32:51,110 --> 01:32:47,460

facilitated the encounter

2340

01:32:53,870 --> 01:32:51,120

and people there have seen

2341

01:32:56,390 --> 01:32:53,880

uh these orbs of light

2342

01:32:58,189 --> 01:32:56,400

and other people also at that same

2343

01:32:59,510 --> 01:32:58,199

Gathering looking at the same place see

2344

01:33:01,729 --> 01:32:59,520

nothing

2345

01:33:03,530 --> 01:33:01,739

it's almost like you have to be open to

2346

01:33:06,169 --> 01:33:03,540

the experience in order to experience it

2347

01:33:09,229 --> 01:33:06,179

and if you come with fear if you come

2348

01:33:12,350 --> 01:33:09,239

with doubt and fear you might not have

2349

01:33:13,189 --> 01:33:12,360

that same experience

2350

01:33:16,910 --> 01:33:13,199

um

2351

01:33:20,209 --> 01:33:16,920

let me go to skinwalker's Ranch for a

2352

01:33:24,189 --> 01:33:20,219

second there and there you have

2353

01:33:27,530 --> 01:33:24,199

defense intelligence agency officers

2354

01:33:30,169 --> 01:33:27,540

who spend their careers looking at

2355

01:33:32,090 --> 01:33:30,179

adversarial foreign technology

2356

01:33:35,629 --> 01:33:32,100

and not necessarily from a point of fear

2357

01:33:37,729 --> 01:33:35,639

but adversarial that it's the enemy and

2358

01:33:39,709 --> 01:33:37,739

you have that mindset with anything like

2359

01:33:42,290 --> 01:33:39,719

that and you bring your instruments

2360

01:33:44,149 --> 01:33:42,300

there to make measurements

2361

01:33:46,669 --> 01:33:44,159

and then all of a sudden that phenomenon

2362

01:33:49,430 --> 01:33:46,679

presents itself as something bad to

2363

01:33:52,330 --> 01:33:49,440

something uh evil something like

2364

01:33:54,890 --> 01:33:52,340

dangerous well you brought that with you

2365

01:33:57,770 --> 01:33:54,900

yeah and you're going to take it back

2366

01:33:58,910 --> 01:33:57,780

home with you if that's if that is your

2367

01:34:00,890 --> 01:33:58,920

perspective

2368

01:34:02,930 --> 01:34:00,900

but that didn't happen to me and to

2369

01:34:04,850 --> 01:34:02,940

others who come with like more openness

2370

01:34:07,729 --> 01:34:04,860

because I had an earlier encounter with

2371

01:34:10,189 --> 01:34:07,739

the phenomenon I welcomed it and the

2372

01:34:12,890 --> 01:34:10,199

only disappointment I had was that they

2373

01:34:13,729 --> 01:34:12,900

did not let me go that I had to come

2374

01:34:16,490 --> 01:34:13,739

back

2375

01:34:17,930 --> 01:34:16,500

so I I don't like the word abducted I

2376

01:34:21,229 --> 01:34:17,940

can understand that if you think it's

2377

01:34:23,870 --> 01:34:21,239

involuntary yes it's abduction perhaps

2378

01:34:25,070 --> 01:34:23,880

I was taken and I was upset I was

2379

01:34:26,510 --> 01:34:25,080

brought back because I don't want to be

2380

01:34:29,030 --> 01:34:26,520

on this planet I want to like take a

2381

01:34:31,010 --> 01:34:29,040

ride with them I mean if I told my wife

2382

01:34:34,550 --> 01:34:31,020

and my wife have a and I have a pack and

2383

01:34:36,709 --> 01:34:34,560

if they pick us up adios goal we gave

2384

01:34:40,250 --> 01:34:36,719

our permission to go you know canceled

2385

01:34:41,870 --> 01:34:40,260

my Netflix yeah well 90 of experiencers

2386

01:34:44,270 --> 01:34:41,880

say that they would want to do it again

2387

01:34:45,890 --> 01:34:44,280

it was labeled 10 of people said it was

2388

01:34:48,649 --> 01:34:45,900

the worst experience of their life the

2389

01:34:51,410 --> 01:34:48,659

rest even if it seems strange or wasn't

2390

01:34:52,970 --> 01:34:51,420

comfortable even Whitley strieber like

2391

01:34:54,350 --> 01:34:52,980

he has a hard time sleeping and all the

2392

01:34:57,229 --> 01:34:54,360

rest and he's gone through some stuff

2393

01:34:58,550 --> 01:34:57,239

but he's not running and hiding like if

2394

01:35:00,530 --> 01:34:58,560

they said hey Whitley like we're gonna

2395

01:35:03,350 --> 01:35:00,540

level with you and tell you exactly why

2396

01:35:04,790 --> 01:35:03,360

do you want to know oh yeah he wants to

2397

01:35:07,490 --> 01:35:04,800

know and he would probably do it again

2398

01:35:09,649 --> 01:35:07,500

if yeah if given the chance yeah I would

2399

01:35:11,930 --> 01:35:09,659

say before you go into C5 you jump in a

2400

01:35:13,729 --> 01:35:11,940

cold uh learn something about mindful

2401  
01:35:16,070 --> 01:35:13,739  
meditation have a meditation practice

2402  
01:35:18,890 --> 01:35:16,080  
for yourself

2403  
01:35:21,110 --> 01:35:18,900  
um and there are ways to do it uh my

2404  
01:35:23,270 --> 01:35:21,120  
good friend Glenn younger uh in Italy

2405  
01:35:25,010 --> 01:35:23,280  
she has a wonderful YouTube video I'll

2406  
01:35:26,990 --> 01:35:25,020  
send you the links later if you want to

2407  
01:35:28,790 --> 01:35:27,000  
post it it's a great way to learn how to

2408  
01:35:31,070 --> 01:35:28,800  
meditate you get your mind in that place

2409  
01:35:33,649 --> 01:35:31,080  
and you just got to do it right takes

2410  
01:35:36,530 --> 01:35:33,659  
practice again practice meditation and

2411  
01:35:38,450 --> 01:35:36,540  
you you'll flow into it naturally and

2412  
01:35:39,830 --> 01:35:38,460  
then go have your ce5 experience and

2413  
01:35:41,930 --> 01:35:39,840

then you'll start getting messages

2414

01:35:43,790 --> 01:35:41,940

because if you're there and see if I

2415

01:35:45,890 --> 01:35:43,800

have just to say prove me prove to me

2416

01:35:49,129 --> 01:35:45,900

that you're real that's not gonna happen

2417

01:35:50,090 --> 01:35:49,139

for you yeah you go there to say I'm

2418

01:35:54,950 --> 01:35:50,100

here

2419

01:35:56,629 --> 01:35:54,960

humbly and I accept your presence and if

2420

01:35:59,209 --> 01:35:56,639

you have anything to share with me

2421

01:36:00,649 --> 01:35:59,219

please share it yeah for my good and for

2422

01:36:02,570 --> 01:36:00,659

the good of others come with that

2423

01:36:04,669 --> 01:36:02,580

attitude and you have a very positive

2424

01:36:06,770 --> 01:36:04,679

experience yeah you wouldn't mess around

2425

01:36:08,570 --> 01:36:06,780

with a Ouija board and be sprinkling

2426

01:36:10,729 --> 01:36:08,580

ashes and blood on the thing trying to

2427

01:36:12,290 --> 01:36:10,739

make some spookiness happen it's gonna

2428

01:36:14,090 --> 01:36:12,300

happen it's gonna happen yeah you're

2429

01:36:16,129 --> 01:36:14,100

gonna get a hitchhiker effect from it if

2430

01:36:18,169 --> 01:36:16,139

you're not strong mentally even the ones

2431

01:36:19,970 --> 01:36:18,179

that are that are very good at it and a

2432

01:36:22,370 --> 01:36:19,980

lot of remote viewers they have things

2433

01:36:23,930 --> 01:36:22,380

that have clung to them as a result of

2434

01:36:25,850 --> 01:36:23,940

messing around with that stuff and

2435

01:36:28,010 --> 01:36:25,860

they're like professional if you could

2436

01:36:29,750 --> 01:36:28,020

say such a thing right so the average

2437

01:36:32,870 --> 01:36:29,760

Joe probably should have a healthy

2438

01:36:34,610 --> 01:36:32,880

respect for you know it's like like a

2439

01:36:36,950 --> 01:36:34,620

hurricane you don't want to be near one

2440

01:36:39,410 --> 01:36:36,960

but you respect nature because you see

2441

01:36:41,149 --> 01:36:39,420

what it can do so go at it with an open

2442

01:36:43,129 --> 01:36:41,159

mind humble attitude and you probably

2443

01:36:44,810 --> 01:36:43,139

get get more out of it right that's what

2444

01:36:46,729 --> 01:36:44,820

you're looking for great Point great

2445

01:36:48,950 --> 01:36:46,739

points Louis yeah absolutely

2446

01:36:51,050 --> 01:36:48,960

take your Consciousness welcoming

2447

01:36:53,209 --> 01:36:51,060

another Consciousness to make

2448

01:36:55,250 --> 01:36:53,219

interaction with you regardless of your

2449

01:36:57,169 --> 01:36:55,260

physicality right I heard at one time

2450

01:36:59,570 --> 01:36:57,179

explain where you know now people are

2451

01:37:02,209 --> 01:36:59,580

doing these psilocybin micro doses or

2452

01:37:03,890 --> 01:37:02,219

DDP or things like that back maybe 15

2453

01:37:07,070 --> 01:37:03,900

years ago there was a substance called

2454

01:37:10,430 --> 01:37:07,080

Salvia and it was a shamanic herb and

2455

01:37:13,250 --> 01:37:10,440

people smoked it and I was actually in a

2456

01:37:15,050 --> 01:37:13,260

part of Vancouver which is very eclectic

2457

01:37:17,030 --> 01:37:15,060

there's a lot of like crystal shops and

2458

01:37:18,649 --> 01:37:17,040

things like that and I walked by and

2459

01:37:20,390 --> 01:37:18,659

they were selling it and I thought it

2460

01:37:22,310 --> 01:37:20,400

was illegal so I didn't want to have any

2461

01:37:24,110 --> 01:37:22,320

I just asked the guy like tell me a

2462

01:37:26,290 --> 01:37:24,120

little bit about this stuff and he says

2463

01:37:28,610 --> 01:37:26,300

people that use it

2464

01:37:31,250 --> 01:37:28,620

searching for answers or seeking

2465

01:37:33,410 --> 01:37:31,260

something you'll get an answer if you're

2466

01:37:35,270 --> 01:37:33,420

smoking this just to get high it will

2467

01:37:36,649 --> 01:37:35,280

scare the life out of you because it's

2468

01:37:37,970 --> 01:37:36,659

trying to tell you don't mess with

2469

01:37:40,010 --> 01:37:37,980

things that you shouldn't be messing

2470

01:37:42,410 --> 01:37:40,020

with so I think it's very much like that

2471

01:37:44,689 --> 01:37:42,420

you know like it can be used equally for

2472

01:37:47,090 --> 01:37:44,699

enlightenment or to scare the out

2473

01:37:48,470 --> 01:37:47,100

of you so Choose Wisely how do if you

2474

01:37:49,610 --> 01:37:48,480

want to go and who because you don't

2475

01:37:51,770 --> 01:37:49,620

know who you're playing with essentially

2476

01:37:55,370 --> 01:37:51,780

right right yeah and it works because

2477

01:37:57,410 --> 01:37:55,380

what you want to do is is

2478

01:38:00,410 --> 01:37:57,420

I don't know if separate is the right

2479

01:38:02,270 --> 01:38:00,420

word but I think displace I'll use this

2480

01:38:05,030 --> 01:38:02,280

place you want to displace your physical

2481

01:38:06,950 --> 01:38:05,040

senses from your Consciousness right

2482

01:38:08,990 --> 01:38:06,960

because you're so restricted by what you

2483

01:38:10,310 --> 01:38:09,000

can see smell touch here you know so

2484

01:38:12,970 --> 01:38:10,320

forth

2485

01:38:15,950 --> 01:38:12,980

um that that's where you go to and so

2486

01:38:18,590 --> 01:38:15,960

these are like psychoactive ways of

2487

01:38:20,510 --> 01:38:18,600

achieving that right you can do it I'm

2488

01:38:22,490 --> 01:38:20,520

saying that you don't need to

2489

01:38:24,229 --> 01:38:22,500

um it could help but you don't need to

2490

01:38:26,750 --> 01:38:24,239

if you you can do it through meditation

2491

01:38:30,470 --> 01:38:26,760

as well if you master meditation you get

2492

01:38:33,169 --> 01:38:30,480

the same results also uh call Tropic

2493

01:38:35,390 --> 01:38:33,179

breathing this breath exercise you can

2494

01:38:37,550 --> 01:38:35,400

do to put you in that state John Mack

2495

01:38:38,870 --> 01:38:37,560

used to do that didn't he or did he did

2496

01:38:40,010 --> 01:38:38,880

yeah yeah I think he did like a

2497

01:38:42,050 --> 01:38:40,020

breathing exercise that's how we

2498

01:38:43,610 --> 01:38:42,060

hypnotize people too he wouldn't do the

2499

01:38:46,669 --> 01:38:43,620

breath work yeah yeah the breath work

2500

01:38:49,070 --> 01:38:46,679

does help yeah uh okay one more question

2501

01:38:51,050 --> 01:38:49,080

this is uh By the way when we asked

2502

01:38:53,090 --> 01:38:51,060

people to submit their questions on

2503

01:38:55,010 --> 01:38:53,100

Twitter it lit up like a Christmas tree

2504

01:38:56,570 --> 01:38:55,020

like it went people went nuts right they

2505

01:38:58,490 --> 01:38:56,580

know you only doing two more interviews

2506

01:39:00,470 --> 01:38:58,500

so they want to give those questions in

2507

01:39:02,090 --> 01:39:00,480

but one more after this we're uh right

2508

01:39:03,770 --> 01:39:02,100

we're second left I don't know if I'm

2509

01:39:05,629 --> 01:39:03,780

happier that we got you at the end or at

2510

01:39:08,450 --> 01:39:05,639

the beginning but we're just happy that

2511

01:39:10,010 --> 01:39:08,460

we got so I I think uh now I'm able to

2512

01:39:12,169 --> 01:39:10,020

say more than I could at the beginning

2513

01:39:14,209 --> 01:39:12,179

okay perfect everything happened for a

2514

01:39:16,430 --> 01:39:14,219

reason exactly

2515

01:39:18,709 --> 01:39:16,440

um this this question comes from I guess

2516

01:39:20,750 --> 01:39:18,719

is this how you pronounce it pyert on uh

2517

01:39:23,870 --> 01:39:20,760

Twitter but he says will the average

2518

01:39:26,390 --> 01:39:23,880

person in a mass scale have a direct

2519

01:39:29,689 --> 01:39:26,400

contact whether telepathically or some

2520

01:39:32,149 --> 01:39:29,699

other way with the phenomenon

2521

01:39:33,709 --> 01:39:32,159

on a mass scale on a mass scale like

2522

01:39:36,470 --> 01:39:33,719

after disclosure

2523

01:39:38,209 --> 01:39:36,480

will people have some sort of will

2524

01:39:39,890 --> 01:39:38,219

everybody get some sort of telepathic

2525

01:39:44,030 --> 01:39:39,900

because there's two disclosures there's

2526

01:39:46,129 --> 01:39:44,040

ours and theirs right right I'd say good

2527

01:39:48,590 --> 01:39:46,139

points uh Jason

2528

01:39:50,629 --> 01:39:48,600

um what we're gonna I think what the uh

2529

01:39:52,370 --> 01:39:50,639

the US government is going to disclose

2530

01:39:54,830 --> 01:39:52,380

is the presence of non-human

2531

01:39:57,290 --> 01:39:54,840

Intelligence on the planet uh the fact

2532

01:39:59,870 --> 01:39:57,300

that the craft we see uh is non-human

2533

01:40:01,870 --> 01:39:59,880

and also the fact that uh oh by the way

2534

01:40:05,090 --> 01:40:01,880

we try to make one

2535

01:40:07,490 --> 01:40:05,100

ourselves uh everything Dr Gary Nolan

2536

01:40:09,350 --> 01:40:07,500

stated uh I would go with that I think

2537

01:40:12,110 --> 01:40:09,360

he's very accurate in what he said yeah

2538

01:40:14,090 --> 01:40:12,120

I think that's what will be disclosed

2539

01:40:16,490 --> 01:40:14,100

um as far as the mass sighting yeah it's

2540

01:40:17,930 --> 01:40:16,500

pretty much up to them that's what I

2541

01:40:21,410 --> 01:40:17,940

hope for

2542

01:40:25,430 --> 01:40:21,420

I keep asking them you know you can

2543

01:40:29,390 --> 01:40:25,440

settle it right now just show slides 2.0

2544

01:40:31,850 --> 01:40:29,400

uh yeah like everywhere and

2545

01:40:35,330 --> 01:40:31,860

um the message I get back from them is

2546

01:40:37,490 --> 01:40:35,340

uh that now's not the time

2547

01:40:39,410 --> 01:40:37,500

you know we're not ready another Phoenix

2548

01:40:42,050 --> 01:40:39,420

light incident like what took place in

2549

01:40:44,270 --> 01:40:42,060

97. oh that happens again with the

2550

01:40:46,250 --> 01:40:44,280

technology that we have all the cell

2551  
01:40:49,129 --> 01:40:46,260  
phones like thousands of images of the

2552  
01:40:51,169 --> 01:40:49,139  
same object or or whatever like dude

2553  
01:40:52,610 --> 01:40:51,179  
that thing was massive

2554  
01:40:54,350 --> 01:40:52,620  
um you know something like that is going

2555  
01:40:56,510 --> 01:40:54,360  
to happen again we've had Mass sightings

2556  
01:40:58,669 --> 01:40:56,520  
throughout history it's just now we're

2557  
01:41:00,050 --> 01:40:58,679  
going to capture it and I think that is

2558  
01:41:01,189 --> 01:41:00,060  
going to solidify things that's one

2559  
01:41:02,870 --> 01:41:01,199  
thing that

2560  
01:41:05,390 --> 01:41:02,880  
you know whatever these clandestine

2561  
01:41:07,370 --> 01:41:05,400  
operations may be operating but they

2562  
01:41:09,590 --> 01:41:07,380  
can't control that they can't control

2563  
01:41:11,149 --> 01:41:09,600

the inner comings of these entities and

2564

01:41:12,830 --> 01:41:11,159

what they're going to control yeah we

2565

01:41:14,870 --> 01:41:12,840

don't control the disclosure of them

2566

01:41:17,330 --> 01:41:14,880

they control that exactly no government

2567

01:41:18,770 --> 01:41:17,340

controls what they do

2568

01:41:19,910 --> 01:41:18,780

um but I don't think you know some

2569

01:41:22,010 --> 01:41:19,920

people think well they're here to

2570

01:41:24,169 --> 01:41:22,020

control us no

2571

01:41:25,610 --> 01:41:24,179

no they've done that already it's called

2572

01:41:29,090 --> 01:41:25,620

religion

2573

01:41:32,570 --> 01:41:29,100

um they've done that uh they imposed uh

2574

01:41:34,310 --> 01:41:32,580

a religious uh kind of uh way of dealing

2575

01:41:37,129 --> 01:41:34,320

with them way back when when they

2576

01:41:40,070 --> 01:41:37,139

instituted this institution called

2577

01:41:42,250 --> 01:41:40,080

kingship over us so it's the selected

2578

01:41:45,410 --> 01:41:42,260

certain humans to have kingship over us

2579

01:41:47,390 --> 01:41:45,420

queenship and Priests and Priestess

2580

01:41:49,669 --> 01:41:47,400

classes over us

2581

01:41:53,270 --> 01:41:49,679

and isn't it amazing though that we saw

2582

01:41:55,850 --> 01:41:53,280

the coordination of King Charles III he

2583

01:41:57,530 --> 01:41:55,860

held two things in his hand one is the

2584

01:41:59,870 --> 01:41:57,540

orb which represents his Earthly

2585

01:42:02,810 --> 01:41:59,880

Authority and the other is the scepter

2586

01:42:05,810 --> 01:42:02,820

which represents Divine Authority it's

2587

01:42:08,629 --> 01:42:05,820

the Divine Authority that is given to

2588

01:42:11,450 --> 01:42:08,639

him anointing him to have Earthly

2589

01:42:14,270 --> 01:42:11,460

Authority and that is symbolic of

2590

01:42:17,689 --> 01:42:14,280

rituals that existed since the first

2591

01:42:19,430 --> 01:42:17,699

leader of a cave group emerged out of

2592

01:42:23,030 --> 01:42:19,440

the cave to lead

2593

01:42:25,790 --> 01:42:23,040

the tribe I have rock yeah I have Rock

2594

01:42:28,850 --> 01:42:25,800

and I have stick basically that is a

2595

01:42:31,129 --> 01:42:28,860

recreation of that ritual right uh and

2596

01:42:32,870 --> 01:42:31,139

so there's kingship instituted uh

2597

01:42:34,270 --> 01:42:32,880

there's King and queenship institute

2598

01:42:36,830 --> 01:42:34,280

there's priests and priestesses

2599

01:42:38,990 --> 01:42:36,840

instituted and the priest and Priestess

2600

01:42:41,930 --> 01:42:39,000

class was there to help humans

2601  
01:42:46,669 --> 01:42:41,940  
understand the Divine to interpret the

2602  
01:42:50,629 --> 01:42:46,679  
Divine and to ordain the Earthly leader

2603  
01:42:53,209 --> 01:42:50,639  
to lead his or her people and that was

2604  
01:42:56,390 --> 01:42:53,219  
and if you go back into the Sumerian

2605  
01:42:58,070 --> 01:42:56,400  
texts if you read any of that it is said

2606  
01:42:59,689 --> 01:42:58,080  
that the Anunnaki instituted these

2607  
01:43:01,609 --> 01:42:59,699  
things not only do they gave the

2608  
01:43:03,109 --> 01:43:01,619  
Sumerians technology

2609  
01:43:04,609 --> 01:43:03,119  
um but they instituted these things long

2610  
01:43:07,669 --> 01:43:04,619  
time ago and it's been that ever since

2611  
01:43:09,590 --> 01:43:07,679  
it used to be more matriarchal and it

2612  
01:43:11,870 --> 01:43:09,600  
doesn't mean women will rule the Earth I

2613  
01:43:14,930 --> 01:43:11,880

mean I said that in a previous interview

2614

01:43:16,910 --> 01:43:14,940

I had co-interview with Anjali Schultz

2615

01:43:18,410 --> 01:43:16,920

and I said uh one of the things that my

2616

01:43:19,910 --> 01:43:18,420

happiness and matriarchal society and

2617

01:43:21,950 --> 01:43:19,920

people interpret that immediately is

2618

01:43:23,750 --> 01:43:21,960

saying oh John says that all women will

2619

01:43:25,370 --> 01:43:23,760

rule the Earth as Amazons or something

2620

01:43:27,709 --> 01:43:25,380

that is ridiculous I'm saying

2621

01:43:30,169 --> 01:43:27,719

matriarchal in the sense that instead of

2622

01:43:31,370 --> 01:43:30,179

having this adversarial like uh mind is

2623

01:43:34,430 --> 01:43:31,380

bigger than yours which is very

2624

01:43:36,410 --> 01:43:34,440

male-like uh it's more coming from a

2625

01:43:38,270 --> 01:43:36,420

place of compassion that we're looking

2626

01:43:39,830 --> 01:43:38,280

at each other as humans in a

2627

01:43:43,129 --> 01:43:39,840

compassionate sense as a loving sense

2628

01:43:44,750 --> 01:43:43,139

that's a mother uh nurtures a child and

2629

01:43:46,609 --> 01:43:44,760

loves a child that will have this

2630

01:43:48,470 --> 01:43:46,619

relationship with each other which is

2631

01:43:51,970 --> 01:43:48,480

necessary for us to we've got to get rid

2632

01:43:54,530 --> 01:43:51,980

of all these human like instituted

2633

01:43:56,149 --> 01:43:54,540

biases and prejudices based on the way

2634

01:43:58,010 --> 01:43:56,159

we look

2635

01:44:00,410 --> 01:43:58,020

um you know our national origin our

2636

01:44:02,870 --> 01:44:00,420

belief systems how much money we have in

2637

01:44:05,450 --> 01:44:02,880

the bank at all that's your status yeah

2638

01:44:08,209 --> 01:44:05,460

yeah that's ridiculous we see ourselves

2639

01:44:11,209 --> 01:44:08,219

as humans that we have so much in common

2640

01:44:11,990 --> 01:44:11,219

and we see them if they appear and how

2641

01:44:15,169 --> 01:44:12,000

much

2642

01:44:17,330 --> 01:44:15,179

we don't have in common you know that we

2643

01:44:20,629 --> 01:44:17,340

will come together and they're not here

2644

01:44:21,950 --> 01:44:20,639

to take us over that's ridiculous

2645

01:44:23,629 --> 01:44:21,960

um they did that long time ago by

2646

01:44:25,669 --> 01:44:23,639

instituting human institutions you know

2647

01:44:27,530 --> 01:44:25,679

to help us rule ourselves and they've

2648

01:44:29,209 --> 01:44:27,540

been here all the time to guide us to

2649

01:44:31,370 --> 01:44:29,219

keep us from blowing ourselves apart

2650

01:44:33,050 --> 01:44:31,380

with nuclear weapons is one of the

2651

01:44:35,990 --> 01:44:33,060

lessons that they taught us you know

2652

01:44:37,729 --> 01:44:36,000

right um and I'm here to say that I hope

2653

01:44:39,290 --> 01:44:37,739

one of the things that will be disclosed

2654

01:44:40,970 --> 01:44:39,300

is that everything that happened at

2655

01:44:43,970 --> 01:44:40,980

Maelstrom Air Force Base

2656

01:44:45,950 --> 01:44:43,980

was real that yeah they actually you

2657

01:44:49,129 --> 01:44:45,960

know it's been

2658

01:44:50,689 --> 01:44:49,139

mostly in anecdotes you know people say

2659

01:44:53,450 --> 01:44:50,699

that this happened but the government

2660

01:44:55,490 --> 01:44:53,460

has never officially said yeah it

2661

01:44:57,709 --> 01:44:55,500

happened we know it happened you know we

2662

01:45:00,050 --> 01:44:57,719

know these these incidents have happened

2663

01:45:02,930 --> 01:45:00,060

and not only at our nuclear missile

2664

01:45:05,689 --> 01:45:02,940

bases but also uh where we have the

2665

01:45:07,310 --> 01:45:05,699

department of energy National labs which

2666

01:45:10,310 --> 01:45:07,320

work on like

2667

01:45:12,470 --> 01:45:10,320

nuclear technology Nuclear Physics these

2668

01:45:14,689 --> 01:45:12,480

things happen you know well Samos

2669

01:45:16,430 --> 01:45:14,699

National Labs and all the National Labs

2670

01:45:18,669 --> 01:45:16,440

they see the phenomena

2671

01:45:21,530 --> 01:45:18,679

they need to admit that you know because

2672

01:45:23,930 --> 01:45:21,540

our stewardship of the planet is very

2673

01:45:26,149 --> 01:45:23,940

important to them as well as to us yeah

2674

01:45:27,770 --> 01:45:26,159

and they've been here if they're here as

2675

01:45:28,850 --> 01:45:27,780

Gary Nolan says they've been here a long

2676

01:45:30,830 --> 01:45:28,860

time folks

2677

01:45:33,050 --> 01:45:30,840

it's their planet and our planet and

2678

01:45:34,850 --> 01:45:33,060

they don't want us to blow up our planet

2679

01:45:36,890 --> 01:45:34,860

which is also their Planet they live on

2680

01:45:37,790 --> 01:45:36,900

yeah so I think that's part of the

2681

01:45:40,310 --> 01:45:37,800

lesson

2682

01:45:43,310 --> 01:45:40,320

that they're trying to convey it's as if

2683

01:45:44,810 --> 01:45:43,320

chimpanzees developed science and then

2684

01:45:47,390 --> 01:45:44,820

they start blowing each other up with

2685

01:45:49,129 --> 01:45:47,400

nuclear bombs we would intervene we

2686

01:45:50,990 --> 01:45:49,139

would be like wait wait we live here too

2687

01:45:53,510 --> 01:45:51,000

you guys can't do that it's a similar

2688

01:45:55,669 --> 01:45:53,520

concept right absolutely that's a good

2689

01:45:58,550 --> 01:45:55,679

analogies thanks Jason feel free to use

2690

01:46:00,169 --> 01:45:58,560

it yeah absolutely uh John it's a

2691

01:46:01,669 --> 01:46:00,179

pleasure to talk with you sir it really

2692

01:46:03,290 --> 01:46:01,679

is uh Louis do you have any final

2693

01:46:04,910 --> 01:46:03,300

questions for our guests today just a

2694

01:46:06,470 --> 01:46:04,920

big thanks John we really appreciate

2695

01:46:08,090 --> 01:46:06,480

your time and I know you're a busy guy

2696

01:46:10,250 --> 01:46:08,100

you've done a lot of these shows you're

2697

01:46:11,990 --> 01:46:10,260

very candid you answer honestly we

2698

01:46:14,450 --> 01:46:12,000

appreciate that you didn't make us work

2699

01:46:16,430 --> 01:46:14,460

hard to get some goods and our viewers

2700

01:46:18,109 --> 01:46:16,440

will appreciate that as well uh we're

2701

01:46:20,390 --> 01:46:18,119

excited about the news that you've

2702

01:46:22,550 --> 01:46:20,400

alluded to that disclosure is coming I

2703

01:46:24,290 --> 01:46:22,560

think this is very positive and we'd

2704

01:46:26,209 --> 01:46:24,300

love to see you back again after

2705

01:46:28,430 --> 01:46:26,219

disclosure if that's uh you're taking a

2706

01:46:30,350 --> 01:46:28,440

bit of a rest and then coming back in

2707

01:46:32,450 --> 01:46:30,360

please let's hit you the first time on

2708

01:46:34,490 --> 01:46:32,460

your next tour not the second last time

2709

01:46:37,189 --> 01:46:34,500

yes uh thanks very much Louie and Jason

2710

01:46:38,870 --> 01:46:37,199

for having me uh again uh it's a it's a

2711

01:46:41,750 --> 01:46:38,880

privilege to be

2712

01:46:43,490 --> 01:46:41,760

um on the UAP studies podcast uh and

2713

01:46:45,830 --> 01:46:43,500

especially since I know all your other

2714

01:46:48,050 --> 01:46:45,840

guests are so much more well informed

2715

01:46:49,850 --> 01:46:48,060

than I am and uh it goes along amongst

2716

01:46:51,950 --> 01:46:49,860

them you belong well well thank you I

2717

01:46:53,390 --> 01:46:51,960

always say this after disclosure

2718

01:46:54,890 --> 01:46:53,400

um there probably be a lot more

2719

01:46:56,450 --> 01:46:54,900

interesting people you would want to

2720

01:46:58,370 --> 01:46:56,460

talk about other than me

2721

01:47:00,649 --> 01:46:58,380

they'll be coming forth that people your

2722

01:47:03,050 --> 01:47:00,659

audience have never heard from Bring It

2723

01:47:05,570 --> 01:47:03,060

On coming on absolutely this is what

2724

01:47:07,970 --> 01:47:05,580

this is for right this yeah absolutely

2725

01:47:09,649 --> 01:47:07,980

so we'll get everyone in our viewer uh

2726

01:47:11,330 --> 01:47:09,659

world right now give us some comments

2727

01:47:13,010 --> 01:47:11,340

let us know what your thoughts are again

2728

01:47:14,689 --> 01:47:13,020

if you have any questions for John and

2729

01:47:16,790 --> 01:47:14,699

his next tour send them our way we'll be

2730

01:47:18,530 --> 01:47:16,800

happy to send them off and uh if you do

2731

01:47:19,970 --> 01:47:18,540

like our program please like and if you

2732

01:47:21,770 --> 01:47:19,980

haven't subscribed Please Subscribe

2733

01:47:23,390 --> 01:47:21,780

makes a difference helps us out it

2734

01:47:26,330 --> 01:47:23,400

allows us to keep doing what we do and

2735

01:47:28,010 --> 01:47:26,340

bring on these amazing uh interviews you

2736

01:47:30,770 --> 01:47:28,020

learn something every time I know we do

2737

01:47:32,149 --> 01:47:30,780

and we know you guys do so uh we love

2738

01:47:34,070 --> 01:47:32,159

you for it thanks for supporting the

2739

01:47:40,710 --> 01:47:34,080

show and thanks again John it was an
