

# UAP STUDIES PODCAST

DAVE  
FOLEY

HOLLYWOOD

1  
00:00:03,590 --> 00:00:01,969  
hey everybody hope you're having a great

2  
00:00:05,749 --> 00:00:03,600  
day around the globe wherever you're

3  
00:00:07,909 --> 00:00:05,759  
listening to our show uh today is sort

4  
00:00:09,830 --> 00:00:07,919  
of Hollywood uh

5  
00:00:11,509 --> 00:00:09,840  
Hollywood meets Canada really we've got

6  
00:00:14,150 --> 00:00:11,519  
an actor comedian gentleman who's been

7  
00:00:15,829 --> 00:00:14,160  
on TV and movies uh who's also a UFO guy

8  
00:00:17,870 --> 00:00:15,839  
and uh from what I've read about him

9  
00:00:20,090 --> 00:00:17,880  
he's kind of gone up and down in his

10  
00:00:22,070 --> 00:00:20,100  
belief and skepticism so I think we all

11  
00:00:24,349 --> 00:00:22,080  
do a little bit I think that's healthy

12  
00:00:26,630 --> 00:00:24,359  
and I want to get him to elaborate so

13  
00:00:28,730 --> 00:00:26,640

this is actually uh Jason's booking

14

00:00:30,170 --> 00:00:28,740

today this is Mr Dave Foley I know Jason

15

00:00:32,389 --> 00:00:30,180

you've been a fan of this guy for years

16

00:00:35,690 --> 00:00:32,399

and years huge fan of Dave Foley since

17

00:00:37,310 --> 00:00:35,700

uh Kids in the Hall news radio he did

18

00:00:39,110 --> 00:00:37,320

the voice and ants

19

00:00:41,270 --> 00:00:39,120

um he's just a fantastic Guy funny

20

00:00:42,650 --> 00:00:41,280

comedian but uh you know I fell in love

21

00:00:44,630 --> 00:00:42,660

with the guy when I found out he was

22

00:00:46,850 --> 00:00:44,640

into UFOs as much as we are and I'm like

23

00:00:48,709 --> 00:00:46,860

this guy's cool we gotta have him on

24

00:00:50,150 --> 00:00:48,719

right yeah and I mean he's just one of

25

00:00:52,490 --> 00:00:50,160

many people in Hollywood that are either

26

00:00:54,229 --> 00:00:52,500

Believers in this subject or think it's

27

00:00:55,189 --> 00:00:54,239

plausible and it's not just a Sci-Fi

28

00:00:56,750 --> 00:00:55,199

World

29

00:00:58,490 --> 00:00:56,760

um you know there's directors producers

30

00:01:00,709 --> 00:00:58,500

big name people that all think it's

31

00:01:02,270 --> 00:01:00,719

there and people have seen things and I

32

00:01:03,830 --> 00:01:02,280

mean you look at the Tic Tac video that

33

00:01:07,190 --> 00:01:03,840

was just off Catalina Island so

34

00:01:09,530 --> 00:01:07,200

California area in general is a hot spot

35

00:01:11,149 --> 00:01:09,540

and you know that whole that whole area

36

00:01:13,250 --> 00:01:11,159

of the U.S New Mexico and Arizona

37

00:01:14,929 --> 00:01:13,260

there's lots of stuff going on and you

38

00:01:16,730 --> 00:01:14,939

know be interesting to pick his brain of

39

00:01:18,710 --> 00:01:16,740

kind of what's Hollywood's take on it

40

00:01:20,870 --> 00:01:18,720

and as well as media and things like

41

00:01:22,490 --> 00:01:20,880

that so we'll hit as many topics as we

42

00:01:24,830 --> 00:01:22,500

can we'll chew the fat with our new

43

00:01:26,510 --> 00:01:24,840

friend Dave Foley and uh with that we'll

44

00:01:28,670 --> 00:01:26,520

run our credits and we'll be right back

45

00:01:34,630 --> 00:01:28,680

right here on UAP studies podcast let's

46

00:01:48,480 --> 00:01:45,969

[Music]

47

00:01:54,109 --> 00:01:48,490

thank you

48

00:01:57,950 --> 00:01:56,030

welcome back to another episode of UAP

49

00:01:59,630 --> 00:01:57,960

studies podcast my name is Louis Borges

50

00:02:01,609 --> 00:01:59,640

joining me as always my best buddy Jason

51  
00:02:03,050 --> 00:02:01,619  
Gilman you know I love that you saved my

52  
00:02:05,090 --> 00:02:03,060  
best buddy almost on every single

53  
00:02:06,350 --> 00:02:05,100  
episode that just it's true you know

54  
00:02:07,730 --> 00:02:06,360  
what I mean yeah I know but it feels

55  
00:02:09,350 --> 00:02:07,740  
good you know it's just like that we

56  
00:02:11,449 --> 00:02:09,360  
started doing this show for fun as

57  
00:02:13,130 --> 00:02:11,459  
friends and it comes through in all of

58  
00:02:14,809 --> 00:02:13,140  
our interviews right we genuinely like

59  
00:02:17,150 --> 00:02:14,819  
our guests too we don't invite people on

60  
00:02:19,729 --> 00:02:17,160  
that we don't like or think are hurting

61  
00:02:21,890 --> 00:02:19,739  
the the field and today is a proud

62  
00:02:23,510 --> 00:02:21,900  
Canadian meets Hollywood you know I mean

63  
00:02:26,270 --> 00:02:23,520

Dave Foley is a Canadian actor and

64

00:02:28,070 --> 00:02:26,280

comedian he also produces directs rights

65

00:02:30,050 --> 00:02:28,080

uh he was the co-founder of the comedy

66

00:02:33,110 --> 00:02:30,060

group Kids in the Hall which turn into a

67

00:02:35,210 --> 00:02:33,120

subsequent Tv show uh he's also voiced

68

00:02:37,130 --> 00:02:35,220

some pretty cool animated characters and

69

00:02:40,670 --> 00:02:37,140

big Hollywood films Like A Bug's Life

70

00:02:42,830 --> 00:02:40,680

and Monsters University appearances on

71

00:02:44,869 --> 00:02:42,840

It's Always Sunny in Philadelphia and

72

00:02:47,690 --> 00:02:44,879

Hot in Cleveland I could go on and on

73

00:02:49,190 --> 00:02:47,700

the fun fact I found about Dave is uh

74

00:02:51,650 --> 00:02:49,200

and correct me if I'm wrong Dave but

75

00:02:53,869 --> 00:02:51,660

when you're on set you can drink upwards

76

00:02:56,570 --> 00:02:53,879

of what 50 cups of coffee a day is it

77

00:02:58,550 --> 00:02:56,580

true uh that that used to be true I

78

00:03:02,330 --> 00:02:58,560

don't not anymore but I yeah I'm

79

00:03:05,330 --> 00:03:02,340

definitely a news radio or uh uh our

80

00:03:07,550 --> 00:03:05,340

props Master uh she clocked me at 50

81

00:03:09,350 --> 00:03:07,560

cups wow are we talking about little

82

00:03:12,949 --> 00:03:09,360

cops or are we talking like I'm talking

83

00:03:15,410 --> 00:03:12,959

like like 10 basically we're going uh 10

84

00:03:17,690 --> 00:03:15,420

cup uh carafes of coffee and I'd go

85

00:03:20,330 --> 00:03:17,700

through five you know five of them wow

86

00:03:24,110 --> 00:03:20,340

you must have to pee the whole time

87

00:03:25,390 --> 00:03:24,120

oh and those days no the boy in the

88

00:03:27,949 --> 00:03:25,400

bladder was still working

89

00:03:29,990 --> 00:03:27,959

but it was uh superhuman back in those

90

00:03:31,250 --> 00:03:30,000

days awesome well we're very glad to

91

00:03:33,410 --> 00:03:31,260

have you we want to have some fun today

92

00:03:35,270 --> 00:03:33,420

and pick your brain on all things UFO

93

00:03:37,070 --> 00:03:35,280

related I know you're an Enthusiast and

94

00:03:38,869 --> 00:03:37,080

you've done other Big Show appearances

95

00:03:40,670 --> 00:03:38,879

uh you know like Joe Rogan podcast and

96

00:03:43,309 --> 00:03:40,680

everything else so we appreciate your

97

00:03:44,449 --> 00:03:43,319

time uh but for those of us if there's a

98

00:03:45,530 --> 00:03:44,459

few people out there who aren't familiar

99

00:03:47,690 --> 00:03:45,540

with you maybe tell us a little bit

100

00:03:50,869 --> 00:03:47,700

about yourself and what got you into the

101  
00:03:52,070 --> 00:03:50,879  
whole field of uh UFO interest

102  
00:03:54,289 --> 00:03:52,080  
um well I guess well you covered almost

103  
00:03:56,750 --> 00:03:54,299  
everything they've done so uh oh you've

104  
00:04:00,170 --> 00:03:56,760  
done a lot more than that yeah so I'm a

105  
00:04:04,610 --> 00:04:00,180  
comedian uh which qualifies me in no way

106  
00:04:08,449 --> 00:04:04,620  
at all uh this does UFOs but but yeah I

107  
00:04:10,070 --> 00:04:08,459  
guess a lifelong interest in them uh but

108  
00:04:13,429 --> 00:04:10,080  
it's an interest that's gone up and down

109  
00:04:17,210 --> 00:04:13,439  
uh in intensity over the years

110  
00:04:19,189 --> 00:04:17,220  
um I definitely I was went up around the

111  
00:04:20,810 --> 00:04:19,199  
time of the Phoenix Lights that kind of

112  
00:04:23,810 --> 00:04:20,820  
caught my eye and I've started made me

113  
00:04:26,810 --> 00:04:23,820

think well this that seems pretty uh

114

00:04:29,770 --> 00:04:26,820

unexplained and the ex and the

115

00:04:32,450 --> 00:04:29,780

explanation seems pretty ridiculous yeah

116

00:04:34,370 --> 00:04:32,460

so and and that's that got me going I

117

00:04:37,550 --> 00:04:34,380

remember reading the cometa report in

118

00:04:40,189 --> 00:04:37,560

the early 2000s from from Paris that

119

00:04:43,670 --> 00:04:40,199

basically the French study that came out

120

00:04:46,070 --> 00:04:43,680

and said well UFOs are real and you know

121

00:04:48,350 --> 00:04:46,080

said that an extraterrestrial hypothesis

122

00:04:50,150 --> 00:04:48,360

was most likely explanation and I

123

00:04:51,590 --> 00:04:50,160

thought that got my attention

124

00:04:53,270 --> 00:04:51,600

and then it sort of faded for a while

125

00:04:55,550 --> 00:04:53,280

and so that's that and then I saw James

126  
00:04:56,689 --> 00:04:55,560  
Fox's movie out of the blue about 10

127  
00:04:58,310 --> 00:04:56,699  
years ago

128  
00:05:00,650 --> 00:04:58,320  
and that was the first time I really

129  
00:05:02,390 --> 00:05:00,660  
that that really took me sort of led me

130  
00:05:05,270 --> 00:05:02,400  
by the hand through the real history of

131  
00:05:06,409 --> 00:05:05,280  
the UFO uh phenomenon and the story and

132  
00:05:10,430 --> 00:05:06,419  
uh

133  
00:05:12,530 --> 00:05:10,440  
of

134  
00:05:14,930 --> 00:05:12,540  
these really incredible well not

135  
00:05:17,450 --> 00:05:14,940  
incredible credible people uh credible

136  
00:05:19,550 --> 00:05:17,460  
military and government officials from

137  
00:05:20,629 --> 00:05:19,560  
all over the world and you know so it

138  
00:05:23,210 --> 00:05:20,639

was uh

139

00:05:26,510 --> 00:05:23,220

that again that got me really taking it

140

00:05:29,570 --> 00:05:26,520

quite seriously after that and that's

141

00:05:32,210 --> 00:05:29,580

been ongoing for about the last 10 years

142

00:05:35,330 --> 00:05:32,220

right and then of course 2017 something

143

00:05:37,850 --> 00:05:35,340

happened yeah it was huge yeah that New

144

00:05:39,590 --> 00:05:37,860

York Times article uh

145

00:05:41,450 --> 00:05:39,600

which I thought would I really thought

146

00:05:45,050 --> 00:05:41,460

would have would change would change

147

00:05:47,749 --> 00:05:45,060

everything more than it has uh but it's

148

00:05:50,210 --> 00:05:47,759

been remarkable how

149

00:05:52,490 --> 00:05:50,220

how the conditioning like helped 70

150

00:05:54,950 --> 00:05:52,500

years maybe in a 70 60 years of

151  
00:05:57,830 --> 00:05:54,960  
conditioning to not think about UFOs

152  
00:05:59,749 --> 00:05:57,840  
has is is so effective that even now

153  
00:06:01,850 --> 00:05:59,759  
after even after the Pentagon comes out

154  
00:06:03,950 --> 00:06:01,860  
and says they're real no one seems to

155  
00:06:07,010 --> 00:06:03,960  
care in the in the main main in the

156  
00:06:09,050 --> 00:06:07,020  
mainstream of the public I guess right

157  
00:06:10,550 --> 00:06:09,060  
which is weird what do you attribute

158  
00:06:12,890 --> 00:06:10,560  
that to like I heard you say in other

159  
00:06:14,450 --> 00:06:12,900  
shows that some people they're just um

160  
00:06:16,610 --> 00:06:14,460  
the average person has this total

161  
00:06:18,230 --> 00:06:16,620  
reluctance uh to even consider the

162  
00:06:19,730 --> 00:06:18,240  
phenomenon and you I think it was on Joe

163  
00:06:21,230 --> 00:06:19,740

Rogan you said that you have friends who

164

00:06:23,809 --> 00:06:21,240

read the New York Times cover to cover

165

00:06:26,270 --> 00:06:23,819

if you ask them about something else on

166

00:06:29,210 --> 00:06:26,280

that day that that 2017 article came out

167

00:06:30,950 --> 00:06:29,220

they read that article but somehow they

168

00:06:33,290 --> 00:06:30,960

didn't see the front page cover they

169

00:06:34,370 --> 00:06:33,300

didn't even know now it actually made a

170

00:06:35,689 --> 00:06:34,380

good point we were chatting before the

171

00:06:37,129 --> 00:06:35,699

show and he goes well maybe it's like a

172

00:06:39,290 --> 00:06:37,139

religious thing if you're not religious

173

00:06:41,210 --> 00:06:39,300

front page news is something to do with

174

00:06:42,950 --> 00:06:41,220

religion you're just gonna skim by and

175

00:06:44,689 --> 00:06:42,960

you may never but why do you think

176

00:06:47,629 --> 00:06:44,699

specifically with something like UFOs

177

00:06:49,370 --> 00:06:47,639

that's so out there what is it with the

178

00:06:51,230 --> 00:06:49,380

maybe even like they're not

179

00:06:53,090 --> 00:06:51,240

intentionally doing this but some people

180

00:06:55,969 --> 00:06:53,100

just gloss right over as soon as you

181

00:06:57,290 --> 00:06:55,979

bring it I think they is I what I find

182

00:06:58,850 --> 00:06:57,300

is people don't it's not even like they

183

00:07:00,890 --> 00:06:58,860

just they that they don't read it or

184

00:07:02,210 --> 00:07:00,900

they ignore it it doesn't register in

185

00:07:04,309 --> 00:07:02,220

their Consciousness that it was in front

186

00:07:07,850 --> 00:07:04,319

of them yeah that

187

00:07:09,830 --> 00:07:07,860

the just those like the letters UFO will

188

00:07:12,409 --> 00:07:09,840

cause that some part of their brain to

189

00:07:17,090 --> 00:07:12,419

shut down so they don't even consciously

190

00:07:19,969 --> 00:07:17,100

uh uh absorb the information at all and

191

00:07:23,749 --> 00:07:19,979

and I think it's it's I think it is a

192

00:07:26,990 --> 00:07:23,759

direct result of a very deliberate

193

00:07:29,870 --> 00:07:27,000

uh program that was started in the in

194

00:07:32,450 --> 00:07:29,880

the you know in the 50s to debunk and

195

00:07:35,390 --> 00:07:32,460

ridicule and uh you know and put forward

196

00:07:37,189 --> 00:07:35,400

just any any explanation we'll do uh

197

00:07:40,249 --> 00:07:37,199

answers to what UFOs are

198

00:07:42,589 --> 00:07:40,259

and to create uh a public atmosphere

199

00:07:44,390 --> 00:07:42,599

where anyone who does talk about UFOs is

200

00:07:46,189 --> 00:07:44,400

crazy

201  
00:07:48,230 --> 00:07:46,199  
um and will be ridiculed and to the

202  
00:07:51,409 --> 00:07:48,240  
extent that not only that it can ruin

203  
00:07:54,350 --> 00:07:51,419  
your life yeah and I think that that

204  
00:07:56,150 --> 00:07:54,360  
attitude and and I think particularly

205  
00:07:57,350 --> 00:07:56,160  
amongst people like myself left left

206  
00:08:00,290 --> 00:07:57,360  
wing people

207  
00:08:02,270 --> 00:08:00,300  
were even more reluctant to deal with it

208  
00:08:03,409 --> 00:08:02,280  
uh because we like to think because we

209  
00:08:06,110 --> 00:08:03,419  
really have bought the idea that we're

210  
00:08:07,670 --> 00:08:06,120  
the rational scientific ones and so we

211  
00:08:09,409 --> 00:08:07,680  
will you know we'll ignore all the crazy

212  
00:08:12,350 --> 00:08:09,419  
people

213  
00:08:14,089 --> 00:08:12,360

um and uh as a result this this

214

00:08:16,730 --> 00:08:14,099

incredible story is right in front of us

215

00:08:18,650 --> 00:08:16,740

and people are just not not paying

216

00:08:20,210 --> 00:08:18,660

attention you know you know like I'm

217

00:08:21,710 --> 00:08:20,220

still astonished whenever I talk to

218

00:08:24,529 --> 00:08:21,720

someone and they don't know about the

219

00:08:25,969 --> 00:08:24,539

Tic Tac you know event yeah

220

00:08:27,650 --> 00:08:25,979

yeah and you're right it should have

221

00:08:29,390 --> 00:08:27,660

been a bigger issue than it actually

222

00:08:31,490 --> 00:08:29,400

turned out to be

223

00:08:33,949 --> 00:08:31,500

um yeah in the stigma of UFOs I mean

224

00:08:36,409 --> 00:08:33,959

that's been built now for a long time we

225

00:08:39,649 --> 00:08:36,419

know the CIA had a huge hand to play in

226

00:08:41,690 --> 00:08:39,659

that to discredit people that saw UFOs

227

00:08:44,089 --> 00:08:41,700

and even when you hear somebody say I

228

00:08:47,269 --> 00:08:44,099

couldn't believe my eyes

229

00:08:49,550 --> 00:08:47,279

why your eyes don't deceive you right

230

00:08:51,710 --> 00:08:49,560

they've never deceived you before and

231

00:08:53,750 --> 00:08:51,720

it's just the mind and our conditioning

232

00:08:55,970 --> 00:08:53,760

by Society saying that you can't believe

233

00:08:57,829 --> 00:08:55,980

that this happened because nobody else

234

00:08:59,630 --> 00:08:57,839

will believe you it's a weird

235

00:09:01,250 --> 00:08:59,640

psychological thing that we all do to

236

00:09:04,009 --> 00:09:01,260

each other right

237

00:09:05,509 --> 00:09:04,019

yeah I know and and I mean it's getting

238

00:09:07,430 --> 00:09:05,519

better but I definitely know that even

239

00:09:09,530 --> 00:09:07,440

now when if I start to talk it's weird

240

00:09:12,110 --> 00:09:09,540

if I start to talk about the UFO subject

241

00:09:13,730 --> 00:09:12,120

in front of some people there is that

242

00:09:16,070 --> 00:09:13,740

sort of a glaze comes over their eyes

243

00:09:17,570 --> 00:09:16,080

and just that quiet that you can see

244

00:09:21,889 --> 00:09:17,580

them going well how do I get out of this

245

00:09:24,110 --> 00:09:21,899

room you know exit yeah um but if you

246

00:09:27,530 --> 00:09:24,120

can keep them on it for more than about

247

00:09:29,090 --> 00:09:27,540

15 minutes suddenly their the glaze goes

248

00:09:32,030 --> 00:09:29,100

away and they and you start to see that

249

00:09:33,829 --> 00:09:32,040

look of really and they go this is

250

00:09:37,070 --> 00:09:33,839

happening and you know and you can

251

00:09:39,050 --> 00:09:37,080

direct them to you know uh good sources

252

00:09:40,970 --> 00:09:39,060

of information so I think it's it's

253

00:09:43,610 --> 00:09:40,980

possible to break through it but it's

254

00:09:46,370 --> 00:09:43,620

it's really difficult and and

255

00:09:48,290 --> 00:09:46,380

and people do want to even once they do

256

00:09:50,269 --> 00:09:48,300

acknowledge it they kind of want to

257

00:09:52,630 --> 00:09:50,279

expunge it from their minds as quickly

258

00:09:55,670 --> 00:09:52,640

as possible because it's scary right

259

00:09:57,050 --> 00:09:55,680

it's what's confusing and it's and it's

260

00:09:58,670 --> 00:09:57,060

and it makes you question you have to

261

00:10:00,769 --> 00:09:58,680

question everything once you once you

262

00:10:04,190 --> 00:10:00,779

accept that this is going on

263

00:10:07,070 --> 00:10:04,200

yeah yeah so it reshapes it reshapes

264

00:10:10,250 --> 00:10:07,080

reality and it makes you rethink like uh

265

00:10:11,269 --> 00:10:10,260

maybe we don't have you know I don't

266

00:10:13,550 --> 00:10:11,279

know if you guys were paying attention

267

00:10:14,930 --> 00:10:13,560

but um uh to the there was an article I

268

00:10:17,630 --> 00:10:14,940

think it was NASA they're saying that we

269

00:10:19,329 --> 00:10:17,640

haven't or the recent NASA um meetings

270

00:10:22,430 --> 00:10:19,339

and we're saying well we haven't found

271

00:10:24,230 --> 00:10:22,440

extraterrestrial life yet okay good for

272

00:10:26,329 --> 00:10:24,240

us but what if they found us before we

273

00:10:28,190 --> 00:10:26,339

found them like why isn't that being

274

00:10:29,570 --> 00:10:28,200

brought up as a question right it's like

275

00:10:32,090 --> 00:10:29,580

there can only be one way that we'll

276

00:10:33,170 --> 00:10:32,100

find extraterrestrial life is if we find

277

00:10:35,329 --> 00:10:33,180

them first

278

00:10:37,730 --> 00:10:35,339

and there's that thing once and yeah and

279

00:10:40,550 --> 00:10:37,740

you can it's kind of when you throw out

280

00:10:42,530 --> 00:10:40,560

the phrase uh no evidence of

281

00:10:44,870 --> 00:10:42,540

extraterrestrials

282

00:10:46,910 --> 00:10:44,880

um it's kind of a code and and it's a

283

00:10:49,790 --> 00:10:46,920

it's an escape hatch for the media to

284

00:10:52,970 --> 00:10:49,800

not pay any attention all the papers all

285

00:10:54,290 --> 00:10:52,980

the report is no extraterrestrials right

286

00:10:56,870 --> 00:10:54,300

they won't report the fact that there's

287

00:10:58,490 --> 00:10:56,880

all this mysterious uh Machinery in this

288

00:11:00,949 --> 00:10:58,500

guy that no one can explain that doing

289

00:11:02,210 --> 00:11:00,959

things that are impossible they won't

290

00:11:04,389 --> 00:11:02,220

report that they'll just report no

291

00:11:06,530 --> 00:11:04,399

extraterrestrials

292

00:11:08,569 --> 00:11:06,540

same thing with like The Arrow hearing

293

00:11:10,250 --> 00:11:08,579

you know once once he says that then the

294

00:11:12,470 --> 00:11:10,260

Press gets a free out

295

00:11:13,790 --> 00:11:12,480

yeah and on the topic of media I wanted

296

00:11:15,829 --> 00:11:13,800

to ask you about that there was this

297

00:11:17,870 --> 00:11:15,839

NASA meeting so of course it makes

298

00:11:19,670 --> 00:11:17,880

Canada never really has any headlines in

299

00:11:21,290 --> 00:11:19,680

relation to this unless it's big news in

300

00:11:24,170 --> 00:11:21,300

the states so sure enough we're in

301  
00:11:25,910 --> 00:11:24,180  
Canada night of the NASA thing Global

302  
00:11:27,530 --> 00:11:25,920  
News which is a massive Network Canada

303  
00:11:29,750 --> 00:11:27,540  
wide here they're running their story

304  
00:11:30,590 --> 00:11:29,760  
they run it right at the end they teased

305  
00:11:32,690 --> 00:11:30,600  
it the whole way through the news

306  
00:11:35,690 --> 00:11:32,700  
broadcast so I thought well maybe that's

307  
00:11:37,250 --> 00:11:35,700  
cool they this is a growing topic so

308  
00:11:39,170 --> 00:11:37,260  
they're kind of dangling that carrot as

309  
00:11:40,910 --> 00:11:39,180  
if it was some other big expose so

310  
00:11:43,790 --> 00:11:40,920  
that's fine and you know you get that

311  
00:11:46,009 --> 00:11:43,800  
glimmer of hope that it's gonna be uh a

312  
00:11:47,810 --> 00:11:46,019  
serious based topic sure enough they

313  
00:11:49,610 --> 00:11:47,820

start off with you know clips of The

314

00:11:51,410 --> 00:11:49,620

X-Files music playing in the background

315

00:11:54,350 --> 00:11:51,420

I'm like I thought we were over this I

316

00:11:56,389 --> 00:11:54,360

thought this was pre-2017 it still

317

00:11:58,130 --> 00:11:56,399

happens and I mean there have been a few

318

00:12:00,410 --> 00:11:58,140

networks that have kind of there's been

319

00:12:02,509 --> 00:12:00,420

ebb and flow like James Fox was on CNN

320

00:12:04,970 --> 00:12:02,519

the first time it was all woo and cool

321

00:12:06,050 --> 00:12:04,980

music second time I think he made a

322

00:12:07,910 --> 00:12:06,060

comment at the end of his first

323

00:12:09,889 --> 00:12:07,920

interview saying next time if you want

324

00:12:11,810 --> 00:12:09,899

to do a serious look I'd love to come

325

00:12:14,509 --> 00:12:11,820

back and they did have him back and he

326

00:12:16,790 --> 00:12:14,519

did do that so there seems to be change

327

00:12:17,990 --> 00:12:16,800

but as much as we think there is it's

328

00:12:20,090 --> 00:12:18,000

either the media is getting this

329

00:12:21,889 --> 00:12:20,100

directive or they're the same people

330

00:12:24,650 --> 00:12:21,899

whose eyes gloss over and they're like

331

00:12:26,509 --> 00:12:24,660

okay stick it in the end after the puppy

332

00:12:28,810 --> 00:12:26,519

dogs you know like or with you know the

333

00:12:31,430 --> 00:12:28,820

cat doing tricks so on a lighter note

334

00:12:33,050 --> 00:12:31,440

UFOs yeah so like what do you think

335

00:12:34,970 --> 00:12:33,060

about mainstream media are they helping

336

00:12:37,490 --> 00:12:34,980

in any way or are they simply just

337

00:12:41,930 --> 00:12:37,500

burning they're not really helping at

338

00:12:43,670 --> 00:12:41,940

all yeah I agree and and Canada I'm sad

339

00:12:47,210 --> 00:12:43,680

as a candidate does seem to be even

340

00:12:50,509 --> 00:12:47,220

further behind than the U.S coverage

341

00:12:52,370 --> 00:12:50,519

um and and even more for me sadly that

342

00:12:54,410 --> 00:12:52,380

most of the coverage is coming from Far

343

00:12:58,129 --> 00:12:54,420

Right news or outfits you know it's like

344

00:13:00,889 --> 00:12:58,139

news nation and fox and you know

345

00:13:03,350 --> 00:13:00,899

um so very little although I um

346

00:13:05,569 --> 00:13:03,360

although at least with the NASA panel I

347

00:13:07,750 --> 00:13:05,579

noticed it did get coverage on MSNBC

348

00:13:10,790 --> 00:13:07,760

which was nice and there's an NBC

349

00:13:12,829 --> 00:13:10,800

reporter named Gotti Schwartz who was

350

00:13:14,990 --> 00:13:12,839

one of the few people that's actually uh

351  
00:13:17,449 --> 00:13:15,000  
in the mainstream media who's actually

352  
00:13:19,610 --> 00:13:17,459  
you know going out and covering UFOs the

353  
00:13:21,769 --> 00:13:19,620  
UFO story without playing The X-Files

354  
00:13:22,790 --> 00:13:21,779  
theme yeah right you know yeah because I

355  
00:13:25,550 --> 00:13:22,800  
know I've been watching that I've been

356  
00:13:27,290 --> 00:13:25,560  
watching my my buddy uh Jeremy Corbell

357  
00:13:29,509 --> 00:13:27,300  
doing interviews over this last few

358  
00:13:30,350 --> 00:13:29,519  
years and it's especially you've been

359  
00:13:32,210 --> 00:13:30,360  
doing a lot of interviews with

360  
00:13:35,090 --> 00:13:32,220  
Australians and it's been interesting to

361  
00:13:36,889 --> 00:13:35,100  
watch them gradually you know start when

362  
00:13:39,650 --> 00:13:36,899  
he first would go on it was the X-Files

363  
00:13:41,329 --> 00:13:39,660

constantly and and they've gradually uh

364

00:13:42,769 --> 00:13:41,339

stopped giggling and started taking it

365

00:13:45,769 --> 00:13:42,779

more seriously and stopped playing this

366

00:13:48,590 --> 00:13:45,779

the uh you know that theme music yeah

367

00:13:50,810 --> 00:13:48,600

but it's taken you know it's taken years

368

00:13:51,889 --> 00:13:50,820

of Jeremy just saying guys this is real

369

00:13:55,069 --> 00:13:51,899

serious

370

00:13:57,110 --> 00:13:55,079

you know stop giggling yeah we chatted

371

00:13:59,269 --> 00:13:57,120

with Mary Rodwell from Australia and

372

00:14:00,949 --> 00:13:59,279

same thing they she does like studies

373

00:14:02,210 --> 00:14:00,959

and collects data and reports and the

374

00:14:04,310 --> 00:14:02,220

numbers are the same as they would be

375

00:14:06,949 --> 00:14:04,320

anywhere else per capita but the number

376

00:14:08,690 --> 00:14:06,959

of people willing to talk is far less in

377

00:14:10,370 --> 00:14:08,700

fact she said that there are single moms

378

00:14:12,290 --> 00:14:10,380

that don't even want to bring that up or

379

00:14:14,329 --> 00:14:12,300

tell anybody because they're scared that

380

00:14:15,470 --> 00:14:14,339

like Child Protective Services is going

381

00:14:17,329 --> 00:14:15,480

to take their kids away because they

382

00:14:19,250 --> 00:14:17,339

think they're crazy and this is in

383

00:14:22,190 --> 00:14:19,260

today's age not like 10 or 20 years ago

384

00:14:24,769 --> 00:14:22,200

when it was more stigma and uh the UK in

385

00:14:26,449 --> 00:14:24,779

a lot of areas they have a very rich and

386

00:14:28,850 --> 00:14:26,459

and happy

387

00:14:31,129 --> 00:14:28,860

um Enthusiast group but in terms of the

388

00:14:32,569 --> 00:14:31,139

general population it's a like don't go

389

00:14:35,090 --> 00:14:32,579

there don't talk about it you're still

390

00:14:37,310 --> 00:14:35,100

crazy they seem to be more conservative

391

00:14:39,530 --> 00:14:37,320

in their views and Canada as well it

392

00:14:41,269 --> 00:14:39,540

seems like America really is the only

393

00:14:42,769 --> 00:14:41,279

place where there's enough interest that

394

00:14:44,689 --> 00:14:42,779

they can have these conferences and

395

00:14:46,129 --> 00:14:44,699

things like that and then you hear

396

00:14:48,230 --> 00:14:46,139

things like they come at a report coming

397

00:14:50,750 --> 00:14:48,240

out of France Italy there's other

398

00:14:52,550 --> 00:14:50,760

countries doing work and maybe it's

399

00:14:54,710 --> 00:14:52,560

because they never had that stigma at a

400

00:14:56,150 --> 00:14:54,720

break they the government didn't make it

401  
00:14:58,310 --> 00:14:56,160  
a negative thing and that you're a

402  
00:14:59,930 --> 00:14:58,320  
Looney Tune if you believe it so they

403  
00:15:01,970 --> 00:14:59,940  
can actually do the work without you

404  
00:15:03,949 --> 00:15:01,980  
know the the trauma of 70 years of

405  
00:15:05,629 --> 00:15:03,959  
denial so yeah I think it's definitely

406  
00:15:07,550 --> 00:15:05,639  
true especially in I think in South

407  
00:15:10,490 --> 00:15:07,560  
America where culturally they've never

408  
00:15:12,110 --> 00:15:10,500  
had the the taboo about uh I mean I

409  
00:15:15,530 --> 00:15:12,120  
think Mexico has had less of a taboo

410  
00:15:18,350 --> 00:15:15,540  
UFOs historically

411  
00:15:19,670 --> 00:15:18,360  
um yeah and as I said I can't um I mean

412  
00:15:20,810 --> 00:15:19,680  
at least yeah the US you do have

413  
00:15:23,629 --> 00:15:20,820

## Congress

414

00:15:26,210 --> 00:15:23,639

tackling it on some level and I don't

415

00:15:28,310 --> 00:15:26,220

know that and I I know there's one

416

00:15:31,970 --> 00:15:28,320

Member of Parliament in Canada who keeps

417

00:15:33,590 --> 00:15:31,980

pushing for yeah Larry McGuire yeah and

418

00:15:35,150 --> 00:15:33,600

uh and that's the only person I've ever

419

00:15:37,430 --> 00:15:35,160

heard of in Canada who's pushing for

420

00:15:40,009 --> 00:15:37,440

government to be open and talk about

421

00:15:41,990 --> 00:15:40,019

UFOs yeah since Paul Hellyer anyway Paul

422

00:15:44,449 --> 00:15:42,000

was big on it but he was later in his

423

00:15:47,150 --> 00:15:44,459

age when he started his work and we all

424

00:15:49,189 --> 00:15:47,160

expire at some point right yes yeah and

425

00:15:51,290 --> 00:15:49,199

of course there's a I was talking to

426  
00:15:52,730 --> 00:15:51,300  
Ralph Blumenthal recently you know and

427  
00:15:55,610 --> 00:15:52,740  
he wrote the book believer about John

428  
00:15:57,110 --> 00:15:55,620  
Mack yeah and and then and I said it's

429  
00:16:01,250 --> 00:15:57,120  
interesting you use that title because

430  
00:16:03,410 --> 00:16:01,260  
that word is used to dismiss people who

431  
00:16:06,110 --> 00:16:03,420  
um like I'm like I've heard people

432  
00:16:08,150 --> 00:16:06,120  
dismissing Leslie Kane uh who wrote The

433  
00:16:11,210 --> 00:16:08,160  
New York Times article whiplomothill you

434  
00:16:12,230 --> 00:16:11,220  
know uh by saying of course she's a

435  
00:16:18,769 --> 00:16:12,240  
believer

436  
00:16:20,090 --> 00:16:18,779  
like again it's that free pass or that

437  
00:16:22,250 --> 00:16:20,100  
for everyone to just dismiss everything

438  
00:16:24,769 --> 00:16:22,260

they're saying not look at any of the

439

00:16:25,850 --> 00:16:24,779

data not listen to any of the uh the

440

00:16:28,370 --> 00:16:25,860

sources

441

00:16:31,370 --> 00:16:28,380

uh just using that phrase

442

00:16:34,550 --> 00:16:31,380

shuts everything down which is a

443

00:16:36,650 --> 00:16:34,560

you know uh and that seems like Paul

444

00:16:37,970 --> 00:16:36,660

Heller I think he was constantly labeled

445

00:16:41,030 --> 00:16:37,980

as a believer

446

00:16:43,129 --> 00:16:41,040

and which is synonymous with lunatic

447

00:16:44,990 --> 00:16:43,139

and they used his age against him too

448

00:16:48,050 --> 00:16:45,000

they're like oh he's lost it the poor

449

00:16:49,910 --> 00:16:48,060

guy you know anything he could uh you

450

00:16:52,490 --> 00:16:49,920

know expose a vulnerability or make it

451  
00:16:54,590 --> 00:16:52,500  
seem like there existed one but they did

452  
00:16:56,389 --> 00:16:54,600  
that to that uh General in Israel too

453  
00:16:59,810 --> 00:16:56,399  
that recently well a couple years ago

454  
00:17:01,850 --> 00:16:59,820  
yeah yeah some sort of federation it's

455  
00:17:04,250 --> 00:17:01,860  
like dude the guy ran the program for

456  
00:17:05,990 --> 00:17:04,260  
what 30 years and we're not going to

457  
00:17:08,090 --> 00:17:06,000  
give him credit or at least go okay what

458  
00:17:10,069 --> 00:17:08,100  
are you saying like everybody just

459  
00:17:12,169 --> 00:17:10,079  
dismissed it and you know we got guys

460  
00:17:14,449 --> 00:17:12,179  
like Paul Heller and that dude that I

461  
00:17:17,630 --> 00:17:14,459  
can't pronounce his name I am a shed

462  
00:17:20,750 --> 00:17:17,640  
yeah yes yeah no it's yeah very serious

463  
00:17:23,390 --> 00:17:20,760

guy yeah great credentials yeah ran

464

00:17:25,429 --> 00:17:23,400

their space program you know yeah he's

465

00:17:27,169 --> 00:17:25,439

at risk of like treasonous charges if

466

00:17:28,490 --> 00:17:27,179

he's just making stuff up his

467

00:17:30,350 --> 00:17:28,500

government's gonna string him out

468

00:17:32,390 --> 00:17:30,360

they're not going to stand behind him so

469

00:17:34,250 --> 00:17:32,400

when you have these people in positions

470

00:17:36,529 --> 00:17:34,260

of power saying big things and nobody

471

00:17:39,409 --> 00:17:36,539

says anything probably because it's true

472

00:17:41,510 --> 00:17:39,419

yeah well you you've got the UFO

473

00:17:43,190 --> 00:17:41,520

subjects is the only one where you have

474

00:17:44,930 --> 00:17:43,200

somebody who has incredible credentials

475

00:17:48,230 --> 00:17:44,940

you know like a science like scientist

476  
00:17:50,510 --> 00:17:48,240  
like uh Gary Nolan you know impeccable

477  
00:17:52,070 --> 00:17:50,520  
credentials long history of doing great

478  
00:17:54,529 --> 00:17:52,080  
work starting companies you know

479  
00:17:56,990 --> 00:17:54,539  
advancing advancing the state of science

480  
00:17:57,710 --> 00:17:57,000  
for his whole career

481  
00:17:59,390 --> 00:17:57,720  
um

482  
00:18:02,930 --> 00:17:59,400  
so when he comes out and starts talking

483  
00:18:04,730 --> 00:18:02,940  
seriously about about uaps uh you know

484  
00:18:06,890 --> 00:18:04,740  
in any other subject it would be this is

485  
00:18:08,150 --> 00:18:06,900  
a very serious credible person we should

486  
00:18:10,909 --> 00:18:08,160  
probably pay attention to what he's

487  
00:18:12,710 --> 00:18:10,919  
saying but when it's UFOs the response

488  
00:18:15,110 --> 00:18:12,720

is we should dismiss everything he's

489

00:18:17,150 --> 00:18:15,120

ever done in his life yeah the cancer

490

00:18:19,070 --> 00:18:17,160

culture yeah we should downplay

491

00:18:21,409 --> 00:18:19,080

everything about this man we should we

492

00:18:23,810 --> 00:18:21,419

should uh start disparaging his

493

00:18:27,049 --> 00:18:23,820

scientific achievements

494

00:18:29,510 --> 00:18:27,059

um because he's taking you seriously

495

00:18:31,490 --> 00:18:29,520

yeah yeah and you mentioned John Mack

496

00:18:33,710 --> 00:18:31,500

John Mack had a huge influence on me

497

00:18:35,810 --> 00:18:33,720

I've always been obsessed with the alien

498

00:18:38,150 --> 00:18:35,820

abduction phenomenon which I really shot

499

00:18:39,409 --> 00:18:38,160

myself in the foot because as a kid I

500

00:18:40,730 --> 00:18:39,419

know if you remember this but like I

501  
00:18:42,110 --> 00:18:40,740  
would go to the library and you guys

502  
00:18:44,390 --> 00:18:42,120  
probably went through this too you would

503  
00:18:46,610 --> 00:18:44,400  
go to the UFO section it was almost like

504  
00:18:48,710 --> 00:18:46,620  
taking up porn like you didn't want to

505  
00:18:50,029 --> 00:18:48,720  
be seen you know you would bring it up

506  
00:18:52,490 --> 00:18:50,039  
to the front you would hide the cover

507  
00:18:54,830 --> 00:18:52,500  
until you got to the front and it was

508  
00:18:56,049 --> 00:18:54,840  
ridiculous but uh John checked out a lot

509  
00:18:58,190 --> 00:18:56,059  
of porn

510  
00:18:59,930 --> 00:18:58,200  
well you know we've all been in there

511  
00:19:01,130 --> 00:18:59,940  
we've all been there yeah oh you didn't

512  
00:19:03,470 --> 00:19:01,140  
have the internet for you speak your

513  
00:19:05,510 --> 00:19:03,480

UFOs inside the porn

514

00:19:07,669 --> 00:19:05,520

they're less they're less taboo than the

515

00:19:09,110 --> 00:19:07,679

poor

516

00:19:11,210 --> 00:19:09,120

they're just reading jugs I'm not

517

00:19:13,850 --> 00:19:11,220

reading UFO magazine yeah oh how did

518

00:19:16,370 --> 00:19:13,860

that end up there I have no idea why I

519

00:19:18,590 --> 00:19:16,380

might as well buy it while I'm here yeah

520

00:19:19,730 --> 00:19:18,600

I'm sorry but it was stupid because you

521

00:19:21,409 --> 00:19:19,740

know throughout your teen years you're

522

00:19:23,390 --> 00:19:21,419

developing you're you know you're going

523

00:19:25,130 --> 00:19:23,400

through all these paranoid phases and

524

00:19:26,810 --> 00:19:25,140

I'm reading about abduction phenomenon

525

00:19:29,210 --> 00:19:26,820

I'm totally terrified to go to bed at

526

00:19:31,549 --> 00:19:29,220

night you know yeah but John Mack had a

527

00:19:33,950 --> 00:19:31,559

huge influence and he again you know he

528

00:19:36,049 --> 00:19:33,960

was a sort of a Pioneer somebody to push

529

00:19:38,390 --> 00:19:36,059

through all the stigma and said look

530

00:19:40,130 --> 00:19:38,400

there's something here because you

531

00:19:42,230 --> 00:19:40,140

recently you mentioned this I think was

532

00:19:43,549 --> 00:19:42,240

on Chrissy Newton or maybe it would have

533

00:19:45,350 --> 00:19:43,559

been Joe Rogan that you had changed your

534

00:19:46,669 --> 00:19:45,360

mind on the uh Alien Abduction

535

00:19:49,370 --> 00:19:46,679

phenomenon

536

00:19:51,110 --> 00:19:49,380

at recently right and yeah there's

537

00:19:53,150 --> 00:19:51,120

something to it it's either it's a new

538

00:19:55,130 --> 00:19:53,160

mental illness that millions of people

539

00:19:56,890 --> 00:19:55,140

across the world have or it's actually

540

00:20:00,169 --> 00:19:56,900

happening there's no in between here

541

00:20:01,730 --> 00:20:00,179

yeah and it seems like

542

00:20:03,110 --> 00:20:01,740

um yeah and I guess it's one of these I

543

00:20:04,970 --> 00:20:03,120

guess I just I

544

00:20:07,190 --> 00:20:04,980

didn't deal with it because I guess

545

00:20:10,210 --> 00:20:07,200

because it is scary and it is you know

546

00:20:12,289 --> 00:20:10,220

it does seem weird uh

547

00:20:14,450 --> 00:20:12,299

but after after a certain point of

548

00:20:16,549 --> 00:20:14,460

someone well if I'm not if I'm accepting

549

00:20:18,470 --> 00:20:16,559

that these machines are in the air

550

00:20:19,970 --> 00:20:18,480

uh I don't know who's flying but what

551  
00:20:23,049 --> 00:20:19,980  
they're doing here but if I'm accepting

552  
00:20:27,230 --> 00:20:23,059  
that they're here then it's kind of

553  
00:20:29,390 --> 00:20:27,240  
illogical to just deny any like any

554  
00:20:30,950 --> 00:20:29,400  
possibility of abductions right because

555  
00:20:32,450 --> 00:20:30,960  
if there are if they are from somewhere

556  
00:20:34,850 --> 00:20:32,460  
else it should make sense they would

557  
00:20:37,610 --> 00:20:34,860  
abduct us why you know why wouldn't they

558  
00:20:39,409 --> 00:20:37,620  
you know you're gonna you know it just

559  
00:20:41,630 --> 00:20:39,419  
doesn't uh

560  
00:20:44,390 --> 00:20:41,640  
you know it just there was no real logic

561  
00:20:46,370 --> 00:20:44,400  
to continuing to deny it so I'm and I

562  
00:20:48,590 --> 00:20:46,380  
don't know what the what the abduction

563  
00:20:51,650 --> 00:20:48,600

phenomena is I don't know if it's

564

00:20:52,970 --> 00:20:51,660

you know I mean I I my sense is that

565

00:20:54,590 --> 00:20:52,980

it's something that is really happening

566

00:20:56,690 --> 00:20:54,600

it is a physical occurrence that is

567

00:20:59,810 --> 00:20:56,700

happening to people

568

00:21:01,310 --> 00:20:59,820

um I know I think uh I think John Max

569

00:21:04,490 --> 00:21:01,320

started to believe that it was something

570

00:21:06,830 --> 00:21:04,500

that wasn't necessarily happening in in

571

00:21:08,210 --> 00:21:06,840

our reality but but it might be

572

00:21:10,130 --> 00:21:08,220

something that's occurring for with

573

00:21:12,350 --> 00:21:10,140

these people in another reality or in

574

00:21:13,789 --> 00:21:12,360

another like another sort of plane of

575

00:21:17,150 --> 00:21:13,799

consciousness

576

00:21:19,850 --> 00:21:17,160

and uh but I know uh

577

00:21:22,190 --> 00:21:19,860

uh who wrote missing time blanking on

578

00:21:25,010 --> 00:21:22,200

his name now but Hopkins Bud Hopkins

579

00:21:26,510 --> 00:21:25,020

thank you I got you back I was on the

580

00:21:28,549 --> 00:21:26,520

other end of the other side of it he and

581

00:21:30,590 --> 00:21:28,559

David Jacobs were very adamant that no

582

00:21:32,630 --> 00:21:30,600

these people are physically being

583

00:21:34,250 --> 00:21:32,640

removed from their space they're taken

584

00:21:37,010 --> 00:21:34,260

into a physical craft and things are

585

00:21:39,770 --> 00:21:37,020

physically being done to them

586

00:21:43,010 --> 00:21:39,780

um and that that is a dark part of the

587

00:21:44,510 --> 00:21:43,020

whole UFO story absolutely and if it's

588

00:21:47,029 --> 00:21:44,520

true and if it's happening to millions

589

00:21:50,450 --> 00:21:47,039

of people which I guess bud Hopkins and

590

00:21:52,310 --> 00:21:50,460

David Jacobs did a poll I guess trying

591

00:21:53,870 --> 00:21:52,320

to determine how many people and and

592

00:21:57,169 --> 00:21:53,880

they kept trying to reduce the number in

593

00:21:58,430 --> 00:21:57,179

their poll as much as they could uh but

594

00:22:00,350 --> 00:21:58,440

they kept coming up with a huge number

595

00:22:01,909 --> 00:22:00,360

that's millions of like millions of

596

00:22:04,130 --> 00:22:01,919

people in the US alone

597

00:22:06,649 --> 00:22:04,140

who have had an abduction experience

598

00:22:08,930 --> 00:22:06,659

yeah one in 50 I think was the result

599

00:22:10,490 --> 00:22:08,940

out of that Roper poll so I think that's

600

00:22:12,649 --> 00:22:10,500

like over six and a half million people

601  
00:22:15,230 --> 00:22:12,659  
just in the U.S if you go off that alone

602  
00:22:16,549 --> 00:22:15,240  
so it's insane yeah that is yeah and

603  
00:22:18,470 --> 00:22:16,559  
that's and that's the smallest number

604  
00:22:20,570 --> 00:22:18,480  
they can make the poll turn out I think

605  
00:22:22,250 --> 00:22:20,580  
yeah yeah and that's the people that

606  
00:22:23,750 --> 00:22:22,260  
remember the experience right there's

607  
00:22:25,250 --> 00:22:23,760  
some people that won't they'll live

608  
00:22:28,610 --> 00:22:25,260  
their entire life not remembering what

609  
00:22:30,770 --> 00:22:28,620  
took place right yeah that's trippy yeah

610  
00:22:33,289 --> 00:22:30,780  
it could be two out of 50 or 3 out of 50

611  
00:22:36,830 --> 00:22:33,299  
like we don't and that was in the 1990s

612  
00:22:38,750 --> 00:22:36,840  
let's retake the polls right now we're a

613  
00:22:41,390 --> 00:22:38,760

lot more open about it I know we've uh

614

00:22:44,029 --> 00:22:41,400

talked to people in the military the CIA

615

00:22:47,090 --> 00:22:44,039

uh people in government are having these

616

00:22:48,950 --> 00:22:47,100

experiences if they themselves haven't

617

00:22:52,430 --> 00:22:48,960

seen something they know somebody who

618

00:22:53,990 --> 00:22:52,440

has yeah and it's crazy for me I don't

619

00:22:56,630 --> 00:22:54,000

know why I attract people to tell me

620

00:22:57,890 --> 00:22:56,640

their stories like out of nowhere like I

621

00:22:59,750 --> 00:22:57,900

mentioned this a few times on the

622

00:23:01,549 --> 00:22:59,760

podcast but people would just start like

623

00:23:04,010 --> 00:23:01,559

hey I seen them once you know like out

624

00:23:05,330 --> 00:23:04,020

of no nowhere yeah which to me scares

625

00:23:08,390 --> 00:23:05,340

the crap out of me just like how many

626

00:23:10,370 --> 00:23:08,400

people in locally you know in my area

627

00:23:13,430 --> 00:23:10,380

have seen these things much less

628

00:23:15,950 --> 00:23:13,440

worldwide so it is a phenomenon that we

629

00:23:19,310 --> 00:23:15,960

all I think it supersedes government and

630

00:23:21,409 --> 00:23:19,320

Military it's a humanitarian issue and

631

00:23:23,390 --> 00:23:21,419

they should be upfront about it yeah

632

00:23:26,090 --> 00:23:23,400

because it's really traumatizing for

633

00:23:28,070 --> 00:23:26,100

people and and so the the event itself

634

00:23:31,310 --> 00:23:28,080

is traumatizing but then to be dismissed

635

00:23:35,270 --> 00:23:31,320

and uh told you're crazy is doubtly

636

00:23:38,090 --> 00:23:35,280

traumatizing yeah have you guys seen

637

00:23:39,830 --> 00:23:38,100

um the uh the aerial phenomena yeah yeah

638

00:23:41,149 --> 00:23:39,840

we interviewed Randall Nickerson and

639

00:23:42,590 --> 00:23:41,159

we've we've brought it up in a few

640

00:23:44,630 --> 00:23:42,600

different shows but that's exactly

641

00:23:47,149 --> 00:23:44,640

correct what we're talking about now the

642

00:23:48,710 --> 00:23:47,159

the whole trauma of the girl even going

643

00:23:51,230 --> 00:23:48,720

back to the school now as an adult

644

00:23:53,149 --> 00:23:51,240

everything come rushing back and it's

645

00:23:54,649 --> 00:23:53,159

I've we've had people with experiences I

646

00:23:57,350 --> 00:23:54,659

think Kevin day and I said what was more

647

00:23:59,270 --> 00:23:57,360

traumatizing the event or the way people

648

00:24:00,950 --> 00:23:59,280

treated you after the fact making you

649

00:24:02,990 --> 00:24:00,960

know belittling your claims and he said

650

00:24:05,090 --> 00:24:03,000

it was both they're both both equally as

651  
00:24:07,970 --> 00:24:05,100  
damaging and I think that's the case

652  
00:24:10,130 --> 00:24:07,980  
with the aerial school kids too yeah you

653  
00:24:11,810 --> 00:24:10,140  
just see how much that that all these

654  
00:24:13,730 --> 00:24:11,820  
kids they've scattered all around the

655  
00:24:15,830 --> 00:24:13,740  
world and but they still have they're

656  
00:24:17,029 --> 00:24:15,840  
all they're still they're dealing with

657  
00:24:19,430 --> 00:24:17,039  
this event in their lives even though

658  
00:24:22,610 --> 00:24:19,440  
the event itself wasn't

659  
00:24:25,490 --> 00:24:22,620  
um a dark event for them but it was

660  
00:24:28,190 --> 00:24:25,500  
frightening yeah and then but then to

661  
00:24:29,630 --> 00:24:28,200  
not be taken seriously and and to not be

662  
00:24:30,950 --> 00:24:29,640  
able to talk about it and to have this

663  
00:24:32,750 --> 00:24:30,960

you know your whole life like that girl

664

00:24:35,169 --> 00:24:32,760

you know she's been painting this

665

00:24:40,250 --> 00:24:35,179

painting that scene for her whole life

666

00:24:41,810 --> 00:24:40,260

and uh and hasn't been able to kind of

667

00:24:44,870 --> 00:24:41,820

um I guess what do you say incorporated

668

00:24:48,830 --> 00:24:44,880

into her life in a in a healthy way and

669

00:24:50,750 --> 00:24:48,840

so this so the the stigma isn't just uh

670

00:24:52,549 --> 00:24:50,760

an inconvenience it actually does real

671

00:24:55,310 --> 00:24:52,559

damage in people's lives it can destroy

672

00:24:57,649 --> 00:24:55,320

people I mean there's uh

673

00:25:00,529 --> 00:24:57,659

was it the the scientist James McDonald

674

00:25:01,610 --> 00:25:00,539

back in the 50s who or you know or after

675

00:25:03,830 --> 00:25:01,620

uh

676

00:25:06,830 --> 00:25:03,840

in the 60s I guess it was after Blue

677

00:25:09,590 --> 00:25:06,840

Book was shut down uh because he

678

00:25:11,029 --> 00:25:09,600

protested and said this there is a

679

00:25:12,950 --> 00:25:11,039

serious thing here we really should be

680

00:25:15,830 --> 00:25:12,960

studying this and this and that the uh

681

00:25:18,529 --> 00:25:15,840

you know the Condon report was was uh

682

00:25:20,330 --> 00:25:18,539

was a whitewash so he was going public

683

00:25:21,830 --> 00:25:20,340

destroyed his scientific career and he

684

00:25:22,730 --> 00:25:21,840

wound up committing suicide like a year

685

00:25:25,130 --> 00:25:22,740

later

686

00:25:26,870 --> 00:25:25,140

right you know he no one took him

687

00:25:29,570 --> 00:25:26,880

seriously even though he was a really

688

00:25:32,330 --> 00:25:29,580

credible you know physicist

689

00:25:33,289 --> 00:25:32,340

do you think that oh sorry Louie sorry I

690

00:25:34,669 --> 00:25:33,299

was just going to say we're mentioning

691

00:25:36,169 --> 00:25:34,679

the change that happens with people

692

00:25:38,029 --> 00:25:36,179

there may even be physiologically

693

00:25:39,649 --> 00:25:38,039

changes I know Dr Gary Nolan we

694

00:25:41,450 --> 00:25:39,659

interviewed him and he mentioned that

695

00:25:43,490 --> 00:25:41,460

they're doing studies on regions of the

696

00:25:46,549 --> 00:25:43,500

brain the basal ganglion stuff like that

697

00:25:48,590 --> 00:25:46,559

to see if in fact after a contact event

698

00:25:49,850 --> 00:25:48,600

we have somehow changed like there's

699

00:25:52,010 --> 00:25:49,860

areas of the brain that normally

700

00:25:53,870 --> 00:25:52,020

wouldn't fire now they fire like crazy

701  
00:25:56,390 --> 00:25:53,880  
and the only thing they can find common

702  
00:25:58,610 --> 00:25:56,400  
to that are like yogis or people that

703  
00:26:00,950 --> 00:25:58,620  
are trained in like deep tantric yoga

704  
00:26:02,210 --> 00:26:00,960  
and guys like Deepak Chopra that can

705  
00:26:04,310 --> 00:26:02,220  
just go into these really deep

706  
00:26:06,890 --> 00:26:04,320  
meditative States and they can activate

707  
00:26:08,330 --> 00:26:06,900  
those parts of their brain so we brought

708  
00:26:09,769 --> 00:26:08,340  
up Consciousness earlier I wanted to

709  
00:26:12,769 --> 00:26:09,779  
sort of get your opinion on the whole

710  
00:26:15,649 --> 00:26:12,779  
Consciousness aspect in relation to UAP

711  
00:26:17,690 --> 00:26:15,659  
and UFO sightings in general

712  
00:26:20,570 --> 00:26:17,700  
yeah well it definitely seems to be a

713  
00:26:21,289 --> 00:26:20,580

big part of it I mean you know

714

00:26:23,450 --> 00:26:21,299

um

715

00:26:26,390 --> 00:26:23,460

and and I actually after all these years

716

00:26:29,570 --> 00:26:26,400

I actually did have a UFO experience

717

00:26:32,870 --> 00:26:29,580

um like a year ago January

718

00:26:35,269 --> 00:26:32,880

um with with Jeremy Corbell he and I

719

00:26:38,210 --> 00:26:35,279

were out walking his dog and we saw we

720

00:26:39,970 --> 00:26:38,220

saw what was a UFO we saw this orangey

721

00:26:43,190 --> 00:26:39,980

golden craft

722

00:26:45,710 --> 00:26:43,200

uh traveling in his big you know half

723

00:26:47,810 --> 00:26:45,720

circle around this Valley

724

00:26:49,310 --> 00:26:47,820

and uh and one of the one of the things

725

00:26:51,169 --> 00:26:49,320

that was really interesting about it was

726

00:26:52,850 --> 00:26:51,179

that there seemed it seemed to be

727

00:26:55,010 --> 00:26:52,860

interacting with our Consciousness it

728

00:26:55,870 --> 00:26:55,020

seemed to be controlling our emotional

729

00:26:58,430 --> 00:26:55,880

state

730

00:27:00,049 --> 00:26:58,440

uh as we were viewing it like because

731

00:27:02,210 --> 00:27:00,059

neither one of us got excited and

732

00:27:04,549 --> 00:27:02,220

neither one of us took out took a

733

00:27:07,310 --> 00:27:04,559

picture of it not another one of us

734

00:27:08,990 --> 00:27:07,320

spoke for the entire event

735

00:27:11,090 --> 00:27:09,000

um except for at one point when Jeremy

736

00:27:12,409 --> 00:27:11,100

just said unprompted I'm not even gonna

737

00:27:14,750 --> 00:27:12,419

take a picture

738

00:27:18,350 --> 00:27:14,760

like he was responding Jeremy Corbell

739

00:27:20,029 --> 00:27:18,360

said that yeah wow yeah and uh you know

740

00:27:22,490 --> 00:27:20,039

this is a guy who practices getting his

741

00:27:23,870 --> 00:27:22,500

camera out as fast as he can so that

742

00:27:28,070 --> 00:27:23,880

he'd be ready for this sort of thing

743

00:27:29,269 --> 00:27:28,080

that's crazy but yeah so then and so it

744

00:27:32,390 --> 00:27:29,279

definitely felt like like all of our

745

00:27:36,110 --> 00:27:32,400

emotions were being tamped down and we

746

00:27:38,029 --> 00:27:36,120

were just very quietly watching and just

747

00:27:39,350 --> 00:27:38,039

you know it felt like the idea was that

748

00:27:41,149 --> 00:27:39,360

we were just supposed to be quiet and

749

00:27:44,810 --> 00:27:41,159

pay attention

750

00:27:47,330 --> 00:27:44,820

and uh you know and then again the next

751

00:27:50,149 --> 00:27:47,340

day I went to my iPad to try and draw it

752

00:27:52,430 --> 00:27:50,159

and I can't draw at all I have no

753

00:27:54,529 --> 00:27:52,440

artistic ability uh but within 15

754

00:27:56,930 --> 00:27:54,539

minutes I was able to find I was able to

755

00:27:59,930 --> 00:27:56,940

find the app I needed uh find all the

756

00:28:01,789 --> 00:27:59,940

tools within the app I needed uh the

757

00:28:04,909 --> 00:28:01,799

colors I needed the effects to make to

758

00:28:06,289 --> 00:28:04,919

get the right sort of softness of it and

759

00:28:08,930 --> 00:28:06,299

and was able to find everything I need

760

00:28:10,430 --> 00:28:08,940

in 15 minutes draw exactly what we had

761

00:28:13,430 --> 00:28:10,440

seen

762

00:28:15,769 --> 00:28:13,440

and uh and and it's beyond my actual

763

00:28:18,470 --> 00:28:15,779

abilities to do that

764

00:28:20,210 --> 00:28:18,480

so you've been upgraded yeah and and the

765

00:28:23,210 --> 00:28:20,220

thing and I think if I tried to draw it

766

00:28:24,950 --> 00:28:23,220

again now I probably couldn't

767

00:28:26,529 --> 00:28:24,960

you were meant to do it at that time

768

00:28:28,490 --> 00:28:26,539

yeah

769

00:28:29,990 --> 00:28:28,500

instead of Jeremy said is that what we

770

00:28:32,810 --> 00:28:30,000

saw and you said yeah that's exactly

771

00:28:35,090 --> 00:28:32,820

what we saw but it's crazy that these

772

00:28:37,610 --> 00:28:35,100

because we hear this often obviously in

773

00:28:39,950 --> 00:28:37,620

the world of ufology how these crafts

774

00:28:41,990 --> 00:28:39,960

seem to operate in a way that we're like

775

00:28:44,690 --> 00:28:42,000

oh that's not a big deal or control

776

00:28:46,549 --> 00:28:44,700

masses like there's uh that event that

777

00:28:48,529 --> 00:28:46,559

took place at a I think was a drive-in

778

00:28:50,750 --> 00:28:48,539

theater in the 1990s where everybody saw

779

00:28:53,390 --> 00:28:50,760

this massive craft and nobody moved

780

00:28:54,950 --> 00:28:53,400

they're just like like it's nothing and

781

00:28:57,169 --> 00:28:54,960

that's a part of this concerning it's

782

00:28:58,730 --> 00:28:57,179

like well okay are we in control of the

783

00:29:01,370 --> 00:28:58,740

Consciousness or do they just take

784

00:29:03,289 --> 00:29:01,380

control of it once they're around I

785

00:29:04,669 --> 00:29:03,299

don't carry a bit well that's the thing

786

00:29:07,730 --> 00:29:04,679

is I think we're realizing that

787

00:29:10,070 --> 00:29:07,740

Consciousness is is a trickier subject

788

00:29:13,370 --> 00:29:10,080

than we ever imagined

789

00:29:15,950 --> 00:29:13,380

um and we're I mean we're only the early

790

00:29:18,710 --> 00:29:15,960

stages realizing that that Consciousness

791

00:29:20,690 --> 00:29:18,720

has effects outside of our brains right

792

00:29:22,850 --> 00:29:20,700

there's there's like

793

00:29:25,010 --> 00:29:22,860

um the uh Princeton's been doing their

794

00:29:26,389 --> 00:29:25,020

global Consciousness study for over 20

795

00:29:28,970 --> 00:29:26,399

years now

796

00:29:30,850 --> 00:29:28,980

where they where they look at how uh

797

00:29:34,250 --> 00:29:30,860

human consciousness and attention

798

00:29:36,470 --> 00:29:34,260

affects uh random number generators

799

00:29:39,289 --> 00:29:36,480

yeah I did not hear about that that's

800

00:29:40,909 --> 00:29:39,299

cool it's like Dean Raiden and uh I

801  
00:29:41,990 --> 00:29:40,919  
think it's the center for noetic studies

802  
00:29:43,490 --> 00:29:42,000  
or something it's called they've been

803  
00:29:45,710 --> 00:29:43,500  
doing that for quite a few decades now

804  
00:29:47,389 --> 00:29:45,720  
seeing you know things like entanglement

805  
00:29:49,310 --> 00:29:47,399  
and if you can affect random number

806  
00:29:51,049 --> 00:29:49,320  
generators and I don't know if they're

807  
00:29:53,330 --> 00:29:51,059  
any closer to the answer but apparently

808  
00:29:54,529 --> 00:29:53,340  
it works there's something to it yeah I

809  
00:29:57,350 --> 00:29:54,539  
don't think they know what that what the

810  
00:29:59,090 --> 00:29:57,360  
mechanism is that's at play but they

811  
00:30:01,190 --> 00:29:59,100  
just keep piling up more and more data

812  
00:30:03,649 --> 00:30:01,200  
that it works and and coincidentally

813  
00:30:06,350 --> 00:30:03,659

they they set up the the global study

814

00:30:08,389 --> 00:30:06,360

right before 9 11 happened

815

00:30:10,190 --> 00:30:08,399

so they had set up all these random

816

00:30:12,950 --> 00:30:10,200

number generators all over the all over

817

00:30:14,750 --> 00:30:12,960

the planet and to monitor what happens

818

00:30:17,510 --> 00:30:14,760

when large numbers of people are paying

819

00:30:20,570 --> 00:30:17,520

attention to a single event and then on

820

00:30:22,610 --> 00:30:20,580

cue 911 happened and all of these random

821

00:30:25,130 --> 00:30:22,620

number generators all around the planet

822

00:30:26,630 --> 00:30:25,140

started going off Randomness to an

823

00:30:28,549 --> 00:30:26,640

extent that this I think they said the

824

00:30:31,789 --> 00:30:28,559

likelihood of it was in the billions

825

00:30:35,149 --> 00:30:31,799

billions to one against that the the

826

00:30:36,649 --> 00:30:35,159

machines would all do this wow and they

827

00:30:38,990 --> 00:30:36,659

they just keep they've been piling up

828

00:30:41,990 --> 00:30:39,000

the data ever since then I think one of

829

00:30:44,149 --> 00:30:42,000

the events that they listed was um uh

830

00:30:46,250 --> 00:30:44,159

Pierre Trudeau's funeral when Justin

831

00:30:48,289 --> 00:30:46,260

Trudeau was reading the eulogy because

832

00:30:50,029 --> 00:30:48,299

they said almost every single Canadian

833

00:30:53,210 --> 00:30:50,039

was listening to the eulogy at the time

834

00:30:56,450 --> 00:30:53,220

yeah and so also the random number

835

00:30:58,250 --> 00:30:56,460

generators in Canada went off randomness

836

00:31:01,190 --> 00:30:58,260

at that moment

837

00:31:03,889 --> 00:31:01,200

that's crazy yeah so what do you make of

838

00:31:05,750 --> 00:31:03,899

like the ce5 you know in terms of uh

839

00:31:07,250 --> 00:31:05,760

everybody putting their attention on the

840

00:31:09,409 --> 00:31:07,260

same thing and trying to have

841

00:31:11,090 --> 00:31:09,419

manifestations and all that do you think

842

00:31:13,130 --> 00:31:11,100

it's possible do you think it's a good

843

00:31:14,690 --> 00:31:13,140

or bad idea what do you think it is

844

00:31:17,510 --> 00:31:14,700

possible uh well one of the things

845

00:31:20,930 --> 00:31:17,520

that's about my experience was that

846

00:31:22,310 --> 00:31:20,940

right before it uh I had we'd been I'd

847

00:31:23,930 --> 00:31:22,320

been just looking at all the uh

848

00:31:25,010 --> 00:31:23,940

commercial air traffic off in the

849

00:31:26,990 --> 00:31:25,020

distance and thinking what a beautiful

850

00:31:28,669 --> 00:31:27,000

clear night it was the stars are very

851  
00:31:30,590 --> 00:31:28,679  
bright I don't even think there was a

852  
00:31:32,149 --> 00:31:30,600  
moon in the sky

853  
00:31:33,710 --> 00:31:32,159  
um and I said this would be a great

854  
00:31:35,750 --> 00:31:33,720  
night to see something

855  
00:31:37,909 --> 00:31:35,760  
and three minutes later Jeremy said Dave

856  
00:31:39,230 --> 00:31:37,919  
turn around and there was this thing on

857  
00:31:42,230 --> 00:31:39,240  
the sky

858  
00:31:43,909 --> 00:31:42,240  
so it's it seemed like we asked for it

859  
00:31:46,130 --> 00:31:43,919  
and it showed up

860  
00:31:47,389 --> 00:31:46,140  
uh so I think and and I definitely know

861  
00:31:48,649 --> 00:31:47,399  
there's there's a lot of groups I know

862  
00:31:50,810 --> 00:31:48,659  
in Los Angeles there's a group that

863  
00:31:52,549 --> 00:31:50,820

gathers uh I haven't gone out I've never

864

00:31:54,409 --> 00:31:52,559

gone out with them but I've heard they

865

00:31:56,930 --> 00:31:54,419

they gather in Los Angeles and do

866

00:31:59,630 --> 00:31:56,940

summoning they call it

867

00:32:01,190 --> 00:31:59,640

um and uh and it seems to work they see

868

00:32:04,970 --> 00:32:01,200

mostly it seems like they've summoned

869

00:32:07,370 --> 00:32:04,980

these sort of uh spheres of light

870

00:32:09,169 --> 00:32:07,380

um I I don't think you need to pay

871

00:32:11,330 --> 00:32:09,179

anyone thousands of dollars to learn how

872

00:32:14,510 --> 00:32:11,340

to do it this is I would I would caution

873

00:32:15,950 --> 00:32:14,520

people not to do that good advice if

874

00:32:17,750 --> 00:32:15,960

somebody would also caution people not

875

00:32:19,130 --> 00:32:17,760

to do that yeah someone wants to charge

876

00:32:21,529 --> 00:32:19,140

you thousands of dollars to go out to

877

00:32:22,970 --> 00:32:21,539

the desert and you know just especially

878

00:32:24,950 --> 00:32:22,980

if you have these inherent abilities

879

00:32:26,810 --> 00:32:24,960

just as a human being you can just train

880

00:32:28,190 --> 00:32:26,820

them or maybe we had them and then they

881

00:32:30,289 --> 00:32:28,200

kind of got dumbed down through the

882

00:32:32,389 --> 00:32:30,299

process of growing up and yeah you know

883

00:32:34,850 --> 00:32:32,399

uh conditioning from external sources

884

00:32:36,049 --> 00:32:34,860

but we all are a little bit psychic and

885

00:32:38,870 --> 00:32:36,059

that's the point of those random number

886

00:32:40,549 --> 00:32:38,880

generator tests and ESP I think if

887

00:32:42,889 --> 00:32:40,559

there's five ESP cards the average

888

00:32:45,470 --> 00:32:42,899

person will get two some will get more

889

00:32:47,210 --> 00:32:45,480

some fewer but still even to randomly

890

00:32:49,070 --> 00:32:47,220

guess two out of five those are high

891

00:32:51,110 --> 00:32:49,080

percentages like for people that are

892

00:32:52,970 --> 00:32:51,120

quote unquote not psychic you know yeah

893

00:32:55,490 --> 00:32:52,980

no and look and Stanford had some pretty

894

00:32:57,769 --> 00:32:55,500

amazing results with their remote

895

00:32:59,450 --> 00:32:57,779

viewing studies you know that again

896

00:33:01,850 --> 00:32:59,460

people will bring those up to dismiss

897

00:33:06,010 --> 00:33:01,860

people that were involved in them but uh

898

00:33:09,409 --> 00:33:06,020

but they got they got results yeah right

899

00:33:11,930 --> 00:33:09,419

yeah any nail like they'll give them a

900

00:33:13,549 --> 00:33:11,940

geographic location and like I'll just

901  
00:33:15,169 --> 00:33:13,559  
go there I don't understand how they do

902  
00:33:16,310 --> 00:33:15,179  
it personally but that's pretty trippy

903  
00:33:18,350 --> 00:33:16,320  
because they'll give them details of

904  
00:33:20,269 --> 00:33:18,360  
what's taking place right now

905  
00:33:22,370 --> 00:33:20,279  
like how is that possible you're

906  
00:33:23,630 --> 00:33:22,380  
thousands of miles and they try to trick

907  
00:33:26,149 --> 00:33:23,640  
them too they don't just take these

908  
00:33:28,009 --> 00:33:26,159  
people's word at face value they'll give

909  
00:33:30,289 --> 00:33:28,019  
them some random coordinates for a gas

910  
00:33:31,789 --> 00:33:30,299  
station somewhere just to see if the

911  
00:33:34,310 --> 00:33:31,799  
guy's gonna say oh it's an underground

912  
00:33:36,110 --> 00:33:34,320  
base you know like they're already going

913  
00:33:37,970 --> 00:33:36,120

at it with a skeptical mind because they

914

00:33:40,310 --> 00:33:37,980

know that people in peer review are just

915

00:33:42,289 --> 00:33:40,320

going to shred their work if it's not

916

00:33:44,269 --> 00:33:42,299

legit and a lot of people I think think

917

00:33:46,250 --> 00:33:44,279

they have these abilities maybe aren't

918

00:33:48,169 --> 00:33:46,260

as polished I think it's a very small

919

00:33:49,850 --> 00:33:48,179

percentage it can actually do it and I

920

00:33:51,830 --> 00:33:49,860

formed this opinion off of chatting with

921

00:33:53,149 --> 00:33:51,840

people in that field people who are

922

00:33:55,250 --> 00:33:53,159

trained remote viewers and have

923

00:33:58,070 --> 00:33:55,260

connections with some legitimate big

924

00:33:59,690 --> 00:33:58,080

names I think uh yeah I think there's

925

00:34:01,370 --> 00:33:59,700

definitely something there but it's kind

926

00:34:03,110 --> 00:34:01,380

of spooky when you start reading some of

927

00:34:05,870 --> 00:34:03,120

the things that they've seen again

928

00:34:08,030 --> 00:34:05,880

underground bases bases on the moon you

929

00:34:09,530 --> 00:34:08,040

know they talk about going somewhere and

930

00:34:11,450 --> 00:34:09,540

seeing entities and then the entities

931

00:34:13,010 --> 00:34:11,460

become aware they're being watched like

932

00:34:15,770 --> 00:34:13,020

it can get pretty dark when you start

933

00:34:17,270 --> 00:34:15,780

going down that yeah yeah which is then

934

00:34:20,349 --> 00:34:17,280

and of course that takes you takes you

935

00:34:24,349 --> 00:34:23,750

the possibility that that you know

936

00:34:25,970 --> 00:34:24,359

um

937

00:34:29,810 --> 00:34:25,980

that what people experience when they do

938

00:34:32,089 --> 00:34:29,820

DMT might be connected to the UFO uh

939

00:34:33,770 --> 00:34:32,099

phenomenon that the you know the

940

00:34:37,010 --> 00:34:33,780

entities that are experienced there may

941

00:34:38,930 --> 00:34:37,020

may have a baby tied into all of this so

942

00:34:42,710 --> 00:34:38,940

in you know very much

943

00:34:46,010 --> 00:34:42,720

uh Consciousness may be at the root of

944

00:34:48,530 --> 00:34:46,020

of uh of all of this right you know and

945

00:34:50,270 --> 00:34:48,540

and I mean was it this Donald Hoffman

946

00:34:52,730 --> 00:34:50,280

who's been doing his studies

947

00:34:54,710 --> 00:34:52,740

about Evolution where he believes that

948

00:34:56,270 --> 00:34:54,720

uh Evolution not only did Evolution not

949

00:35:01,390 --> 00:34:56,280

uh

950

00:35:05,150 --> 00:35:01,400

allow us to perceive reality as it is

951  
00:35:07,250 --> 00:35:05,160  
that uh Evolution actually prevents us

952  
00:35:10,069 --> 00:35:07,260  
from seeing reality as it is because

953  
00:35:13,490 --> 00:35:10,079  
there's no uh Fitness outcome to it

954  
00:35:15,770 --> 00:35:13,500  
there's no need to see reality right and

955  
00:35:19,069 --> 00:35:15,780  
all we all we we only need senses to get

956  
00:35:20,510 --> 00:35:19,079  
us uh you know and to let us know if a

957  
00:35:22,190 --> 00:35:20,520  
tiger is going to eat us to let us know

958  
00:35:24,109 --> 00:35:22,200  
if there's something we can eat and if

959  
00:35:25,730 --> 00:35:24,119  
there's someone we can mate with

960  
00:35:28,370 --> 00:35:25,740  
and that's those are the only or the

961  
00:35:29,750 --> 00:35:28,380  
other way around right yeah yeah so

962  
00:35:32,210 --> 00:35:29,760  
that's the only senses those are the

963  
00:35:33,950 --> 00:35:32,220

only things we need senses for right so

964

00:35:35,750 --> 00:35:33,960

so we you know

965

00:35:37,370 --> 00:35:35,760

and he you know and he and I don't

966

00:35:40,910 --> 00:35:37,380

understand his theory but he thinks that

967

00:35:43,730 --> 00:35:40,920

the the base unit of of reality is

968

00:35:45,770 --> 00:35:43,740

conscious entities and I have no idea

969

00:35:47,270 --> 00:35:45,780

what that means or what he's talking

970

00:35:49,430 --> 00:35:47,280

about and I've heard him talk about it

971

00:35:51,470 --> 00:35:49,440

several times and I still don't get it

972

00:35:53,930 --> 00:35:51,480

but that he believes that space and time

973

00:35:56,450 --> 00:35:53,940

space-time is not uh fundamental to the

974

00:35:58,609 --> 00:35:56,460

universe but that Consciousness is

975

00:36:00,230 --> 00:35:58,619

fundamental to the universe

976

00:36:02,329 --> 00:36:00,240

which is interesting

977

00:36:04,370 --> 00:36:02,339

and I love that theory because what if

978

00:36:06,770 --> 00:36:04,380

it is a natural progression of the

979

00:36:08,750 --> 00:36:06,780

universe is that it creates life life

980

00:36:11,510 --> 00:36:08,760

creates Consciousness and Consciousness

981

00:36:13,069 --> 00:36:11,520

whatever you know Evolution we're

982

00:36:15,410 --> 00:36:13,079

dealing with that you know because I'm

983

00:36:16,310 --> 00:36:15,420

curious as to your thoughts on this but

984

00:36:23,390 --> 00:36:16,320

if

985

00:36:24,710 --> 00:36:23,400

um civilizations out there right what do

986

00:36:26,390 --> 00:36:24,720

you think we're dealing with like if

987

00:36:28,490 --> 00:36:26,400

this is complex

988

00:36:30,050 --> 00:36:28,500

and everything looks like magic to us we

989

00:36:31,730 --> 00:36:30,060

can't wrap our head around it like what

990

00:36:33,290 --> 00:36:31,740

class of civilization do you think we're

991

00:36:36,410 --> 00:36:33,300

dealing with

992

00:36:38,210 --> 00:36:36,420

oh gosh I don't know what is well

993

00:36:40,250 --> 00:36:38,220

you're talking Kardashian scale right

994

00:36:42,109 --> 00:36:40,260

Jason I think so like you're saying if

995

00:36:44,810 --> 00:36:42,119

you're class five you can manipulate the

996

00:36:46,910 --> 00:36:44,820

universe to your will and yeah we're a

997

00:36:49,910 --> 00:36:46,920

level zero yeah we're not even class one

998

00:36:51,710 --> 00:36:49,920

no yeah no yes so class one is where you

999

00:36:54,010 --> 00:36:51,720

can control all the energy on the planet

1000

00:36:56,450 --> 00:36:54,020

yeah right right

1001  
00:36:58,730 --> 00:36:56,460  
and then plus two you control all the

1002  
00:37:00,290 --> 00:36:58,740  
energy of your son yeah and that's what

1003  
00:37:01,790 --> 00:37:00,300  
the things like Dyson spheres and

1004  
00:37:04,430 --> 00:37:01,800  
theories like you know mechanical

1005  
00:37:06,109 --> 00:37:04,440  
structures around a star that's a class

1006  
00:37:08,390 --> 00:37:06,119  
too and then class three is all the

1007  
00:37:09,890 --> 00:37:08,400  
power in the galaxy and it goes from

1008  
00:37:12,349 --> 00:37:09,900  
there right I mean it's all theoretical

1009  
00:37:13,790 --> 00:37:12,359  
but yeah we are not even a class one in

1010  
00:37:17,089 --> 00:37:13,800  
the grand scheme of things

1011  
00:37:18,589 --> 00:37:17,099  
yeah no and definitely I think

1012  
00:37:21,290 --> 00:37:18,599  
um because that's the thing with the UFO

1013  
00:37:22,790 --> 00:37:21,300

thing you know and also look so many

1014

00:37:24,890 --> 00:37:22,800

things so so many things that fall into

1015

00:37:26,750 --> 00:37:24,900

the category of paranormal there's the

1016

00:37:28,790 --> 00:37:26,760

attitude of a

1017

00:37:31,430 --> 00:37:28,800

this is something that this is something

1018

00:37:33,170 --> 00:37:31,440

that can't happen so it isn't happening

1019

00:37:34,970 --> 00:37:33,180

so the same thing with like psychic

1020

00:37:37,490 --> 00:37:34,980

phenomena it can't happen so it isn't

1021

00:37:39,290 --> 00:37:37,500

even even if there's you know

1022

00:37:41,150 --> 00:37:39,300

the the amount of even if it's just

1023

00:37:42,829 --> 00:37:41,160

anecdotal evidence even if you know it's

1024

00:37:44,390 --> 00:37:42,839

an overwhelming amount of anecdotal

1025

00:37:46,730 --> 00:37:44,400

evidence

1026

00:37:49,130 --> 00:37:46,740

um the attitude of science is just that

1027

00:37:51,410 --> 00:37:49,140

uh and and this we still have this

1028

00:37:55,069 --> 00:37:51,420

notion that we still keep thinking in

1029

00:37:56,089 --> 00:37:55,079

terms of human scales that's right

1030

00:37:58,670 --> 00:37:56,099

um you know it's like people keep

1031

00:38:00,230 --> 00:37:58,680

wanting you know bringing up you know

1032

00:38:03,349 --> 00:38:00,240

people keep bringing up the Fermi

1033

00:38:05,089 --> 00:38:03,359

Paradox even now which really you can

1034

00:38:06,890 --> 00:38:05,099

sort of go well all right but that

1035

00:38:08,510 --> 00:38:06,900

Paradox kind of falls apart if there's

1036

00:38:10,849 --> 00:38:08,520

UFOs

1037

00:38:12,589 --> 00:38:10,859

yeah you know where is everyone well

1038

00:38:15,530 --> 00:38:12,599

people keep telling you where they are

1039

00:38:18,170 --> 00:38:15,540

they're here they're they're hovering

1040

00:38:20,150 --> 00:38:18,180

over nuclear missile bases they're uh

1041

00:38:23,210 --> 00:38:20,160

they're splashing into the ocean next to

1042

00:38:25,730 --> 00:38:23,220

uh you know aircraft carriers

1043

00:38:27,829 --> 00:38:25,740

um they're all over the place

1044

00:38:30,770 --> 00:38:27,839

um but the attitude is still well it it

1045

00:38:33,349 --> 00:38:30,780

can't be happening so it isn't right no

1046

00:38:36,170 --> 00:38:33,359

matter how many times they're told it is

1047

00:38:37,849 --> 00:38:36,180

happening they'll just you know

1048

00:38:39,770 --> 00:38:37,859

and you go through go through any sort

1049

00:38:43,970 --> 00:38:39,780

of any kind of you know uh

1050

00:38:46,790 --> 00:38:43,980

uh just tortured debunking theories you

1051  
00:38:50,870 --> 00:38:46,800  
know of of how somehow every every

1052  
00:38:53,089 --> 00:38:50,880  
single the the top you know uh

1053  
00:38:55,609 --> 00:38:53,099  
surveillance systems in the world all

1054  
00:38:57,230 --> 00:38:55,619  
glitch at the exact right time endings

1055  
00:38:59,329 --> 00:38:57,240  
and in complete synchrony with

1056  
00:39:01,190 --> 00:38:59,339  
eyewitnesses

1057  
00:39:03,170 --> 00:39:01,200  
um and the glitch just happens to pump

1058  
00:39:05,870 --> 00:39:03,180  
out data that totally supports the

1059  
00:39:09,109 --> 00:39:05,880  
eyewitness accounts and the and the on

1060  
00:39:10,790 --> 00:39:09,119  
Craft you know flear footage so it's you

1061  
00:39:12,829 --> 00:39:10,800  
have to believe that everything went

1062  
00:39:14,870 --> 00:39:12,839  
wrong at the same time in the same way

1063  
00:39:16,430 --> 00:39:14,880

and that all the people involved all had

1064

00:39:18,050 --> 00:39:16,440

the exact same hallucination or

1065

00:39:21,050 --> 00:39:18,060

misidentification

1066

00:39:22,849 --> 00:39:21,060

yeah right and that's considered more

1067

00:39:24,770 --> 00:39:22,859

plausible and they'll call that outcomes

1068

00:39:26,569 --> 00:39:24,780

razor which is it's the exact opposite

1069

00:39:27,470 --> 00:39:26,579

set of outcomes razor outcomes razor

1070

00:39:29,510 --> 00:39:27,480

says

1071

00:39:30,890 --> 00:39:29,520

probably the simplest answer is they saw

1072

00:39:32,450 --> 00:39:30,900

what they saw

1073

00:39:35,150 --> 00:39:32,460

yeah right

1074

00:39:36,829 --> 00:39:35,160

and no matter the uh Observer like you

1075

00:39:38,990 --> 00:39:36,839

mentioned doesn't matter the credentials

1076

00:39:40,910 --> 00:39:39,000

of the individual like we have fighter

1077

00:39:43,970 --> 00:39:40,920

pilots these people are trained to

1078

00:39:46,190 --> 00:39:43,980

defend countries and drop bombs on

1079

00:39:48,710 --> 00:39:46,200

people these are highly trained military

1080

00:39:50,630 --> 00:39:48,720

people millions of dollars spent on

1081

00:39:52,069 --> 00:39:50,640

their like learning to observe and stuff

1082

00:39:54,530 --> 00:39:52,079

like that and they see something well

1083

00:39:57,530 --> 00:39:54,540

like well let's be seagulls

1084

00:39:59,510 --> 00:39:57,540

yeah like that that baffles me and like

1085

00:40:00,829 --> 00:39:59,520

even Louis and I always can't uh talk

1086

00:40:03,050 --> 00:40:00,839

about this but they'll always have like

1087

00:40:04,849 --> 00:40:03,060

an expert on like you know Gary Nolan

1088

00:40:06,349 --> 00:40:04,859

and then some guy who just disagrees

1089

00:40:08,990 --> 00:40:06,359

with it but doesn't have the same level

1090

00:40:10,910 --> 00:40:09,000

of credentials at all no and well and

1091

00:40:13,069 --> 00:40:10,920

that's the thing is the uh and the

1092

00:40:14,810 --> 00:40:13,079

people like to trot out the notion uh

1093

00:40:16,310 --> 00:40:14,820

well you know eyewitness testimony is

1094

00:40:18,890 --> 00:40:16,320

the worst kind of evidence

1095

00:40:19,970 --> 00:40:18,900

and and they're right when you're

1096

00:40:20,569 --> 00:40:19,980

talking about

1097

00:40:22,790 --> 00:40:20,579

um

1098

00:40:24,650 --> 00:40:22,800

uh a bank robbery you're in a bank

1099

00:40:27,349 --> 00:40:24,660

people run in with guns and they hold up

1100

00:40:29,390 --> 00:40:27,359

a bank yes your eyewitness testimony is

1101  
00:40:31,190 --> 00:40:29,400  
going to be flawed because of adrenaline

1102  
00:40:33,470 --> 00:40:31,200  
and fear and you're not you're not

1103  
00:40:35,750 --> 00:40:33,480  
taking the time to observe the data as

1104  
00:40:38,270 --> 00:40:35,760  
it's coming through uh so yeah that kind

1105  
00:40:39,050 --> 00:40:38,280  
of eyewitness testimony isn't great uh

1106  
00:40:42,770 --> 00:40:39,060  
but

1107  
00:40:44,750 --> 00:40:42,780  
walked through a park and then after I

1108  
00:40:47,089 --> 00:40:44,760  
walk the park you ask me all right how

1109  
00:40:49,250 --> 00:40:47,099  
what uh what kind of what kind of

1110  
00:40:50,810 --> 00:40:49,260  
vegetation did you see in the park and I

1111  
00:40:53,150 --> 00:40:50,820  
go oh well there was some trees there's

1112  
00:40:55,130 --> 00:40:53,160  
a I guess somewhere deciduous some were

1113  
00:40:57,650 --> 00:40:55,140

conifers I think there was a palm tree

1114

00:40:59,210 --> 00:40:57,660

there was grass and some shrubs so

1115

00:41:01,069 --> 00:40:59,220

that's my eyewitness a cat walking

1116

00:41:07,010 --> 00:41:01,079

through the park

1117

00:41:09,470 --> 00:41:07,020

um but if you have uh uh it trained uh

1118

00:41:11,390 --> 00:41:09,480

biologists walked through the park you

1119

00:41:13,010 --> 00:41:11,400

know uh they're gonna have a different

1120

00:41:15,290 --> 00:41:13,020

eyewitness account it's going to be a

1121

00:41:17,870 --> 00:41:15,300

lot more detailed you know they're gonna

1122

00:41:20,329 --> 00:41:17,880

and so so expert with expert

1123

00:41:21,950 --> 00:41:20,339

eyewitnesses it is different it is

1124

00:41:24,230 --> 00:41:21,960

quantitatively different

1125

00:41:26,950 --> 00:41:24,240

so yes eyewitness testimony is flawed

1126

00:41:28,849 --> 00:41:26,960

but when you're trained as you said

1127

00:41:30,109 --> 00:41:28,859

except so much training and they're

1128

00:41:31,730 --> 00:41:30,119

training they're trained to know what

1129

00:41:34,790 --> 00:41:31,740

should be in the sky because if they

1130

00:41:36,770 --> 00:41:34,800

don't know they get killed right right

1131

00:41:38,510 --> 00:41:36,780

that's their job is to go up and kill

1132

00:41:39,890 --> 00:41:38,520

other people and not get killed

1133

00:41:42,829 --> 00:41:39,900

themselves

1134

00:41:45,050 --> 00:41:42,839

you know so it's very serious work yeah

1135

00:41:47,450 --> 00:41:45,060

and I went to maintenance too right

1136

00:41:49,910 --> 00:41:47,460

Louis like the like these guys they do

1137

00:41:52,910 --> 00:41:49,920

maintenances on their eyes like they get

1138

00:41:54,290 --> 00:41:52,920

checked all the time so yeah yeah and

1139

00:41:55,790 --> 00:41:54,300

they go into they go into every

1140

00:41:57,770 --> 00:41:55,800

operation knowing they're going to be

1141

00:41:59,990 --> 00:41:57,780

debriefed at the end of it

1142

00:42:01,370 --> 00:42:00,000

like you know normal eyewitness accounts

1143

00:42:02,750 --> 00:42:01,380

you don't have that you don't you don't

1144

00:42:05,450 --> 00:42:02,760

go well today I'm gonna go out and

1145

00:42:07,730 --> 00:42:05,460

witness a bank robbery right I better be

1146

00:42:08,870 --> 00:42:07,740

prepared but they're prepared they know

1147

00:42:11,569 --> 00:42:08,880

they're going to be debriefed after

1148

00:42:12,770 --> 00:42:11,579

that's right they fly yeah and even in

1149

00:42:14,510 --> 00:42:12,780

their day-to-day lives those military

1150

00:42:15,950 --> 00:42:14,520

guys they seem to always have a

1151  
00:42:18,170 --> 00:42:15,960  
situational awareness they're always

1152  
00:42:20,030 --> 00:42:18,180  
looking for an exit it's just in their

1153  
00:42:22,370 --> 00:42:20,040  
training and you know we talk about

1154  
00:42:24,710 --> 00:42:22,380  
eyewitness testimony conveniently in the

1155  
00:42:26,150 --> 00:42:24,720  
UFO topic it doesn't count but we've

1156  
00:42:28,730 --> 00:42:26,160  
been convicting people and putting them

1157  
00:42:30,950 --> 00:42:28,740  
to death in courts of law based on one

1158  
00:42:33,589 --> 00:42:30,960  
or two people's eyewitness testimony for

1159  
00:42:35,569 --> 00:42:33,599  
hundreds if not thousands of years if 10

1160  
00:42:37,609 --> 00:42:35,579  
people stand in a line and say that guy

1161  
00:42:39,950 --> 00:42:37,619  
killed that dude you're going to jail

1162  
00:42:42,170 --> 00:42:39,960  
for life like and we will all accept it

1163  
00:42:45,230 --> 00:42:42,180

that yeah even a jury like we believe

1164

00:42:46,670 --> 00:42:45,240

enough opinions we go with the majority

1165

00:42:49,190 --> 00:42:46,680

right but when it comes to this

1166

00:42:51,170 --> 00:42:49,200

phenomenon you get thousands hundreds of

1167

00:42:53,390 --> 00:42:51,180

thousands maybe even millions of reports

1168

00:42:54,829 --> 00:42:53,400

but oh you just can't even the arrow

1169

00:42:56,390 --> 00:42:54,839

hearing is saying the same thing like

1170

00:42:58,370 --> 00:42:56,400

they want to start a public-facing

1171

00:42:59,510 --> 00:42:58,380

version of this but they're like but you

1172

00:43:02,690 --> 00:42:59,520

know we got to be careful because

1173

00:43:04,190 --> 00:43:02,700

otherwise anyone with a camera dot dot

1174

00:43:06,230 --> 00:43:04,200

dot so what everyone who's caught some

1175

00:43:07,910 --> 00:43:06,240

something they're all idiots with a

1176  
00:43:09,829 --> 00:43:07,920  
camera like that's insulting to these

1177  
00:43:11,109 --> 00:43:09,839  
people who have had these experiences I

1178  
00:43:13,370 --> 00:43:11,119  
know that's the other amazing these

1179  
00:43:14,990 --> 00:43:13,380  
people keep saying that you know

1180  
00:43:16,550 --> 00:43:15,000  
everyone's got these high definition

1181  
00:43:18,050 --> 00:43:16,560  
cameras in their pockets now how come

1182  
00:43:19,309 --> 00:43:18,060  
we're not getting better pictures but

1183  
00:43:20,809 --> 00:43:19,319  
then when you see the pictures taken by

1184  
00:43:22,970 --> 00:43:20,819  
high definition cameras that are in our

1185  
00:43:24,530 --> 00:43:22,980  
pockets they aren't that good yeah why

1186  
00:43:25,730 --> 00:43:24,540  
do you keep saying you know we should

1187  
00:43:28,069 --> 00:43:25,740  
have better pictures when we're showing

1188  
00:43:29,690 --> 00:43:28,079

you these are the pictures these cameras

1189

00:43:31,370 --> 00:43:29,700

aren't built to take pictures of UFOs

1190

00:43:32,750 --> 00:43:31,380

like try to take a picture of an

1191

00:43:35,210 --> 00:43:32,760

airplane in the sky it won't look like

1192

00:43:36,890 --> 00:43:35,220

anything yeah try to take a picture of

1193

00:43:38,870 --> 00:43:36,900

the full moon you'll never be able to

1194

00:43:40,670 --> 00:43:38,880

convince anyone the moon exists based on

1195

00:43:42,710 --> 00:43:40,680

the point good point and that happened

1196

00:43:45,050 --> 00:43:42,720

to me last October there was a light in

1197

00:43:46,609 --> 00:43:45,060

the sky it was there for I don't know

1198

00:43:48,470 --> 00:43:46,619

five minutes I didn't think anything of

1199

00:43:50,630 --> 00:43:48,480

it came back 20 minutes later still

1200

00:43:52,430 --> 00:43:50,640

there so I called Jason film this thing

1201  
00:43:54,470 --> 00:43:52,440  
real time he checks all the air traffic

1202  
00:43:56,450 --> 00:43:54,480  
he's like there's a windstorm happening

1203  
00:43:57,890 --> 00:43:56,460  
all the planes are grounded like what

1204  
00:43:59,990 --> 00:43:57,900  
the hell is that thing and we're filming

1205  
00:44:02,210 --> 00:44:00,000  
this for 40 minutes and I'm trying to

1206  
00:44:04,130 --> 00:44:02,220  
get video and picture and the camera

1207  
00:44:06,890 --> 00:44:04,140  
does not like it I can see it clear

1208  
00:44:08,750 --> 00:44:06,900  
serious day it's an orange ring it's got

1209  
00:44:11,210 --> 00:44:08,760  
to be you know way bigger than a plane

1210  
00:44:12,650 --> 00:44:11,220  
based on the distance that it was at and

1211  
00:44:14,270 --> 00:44:12,660  
as soon as it would try to focus it

1212  
00:44:16,130 --> 00:44:14,280  
would do that sort of zoom in zoom out

1213  
00:44:19,010 --> 00:44:16,140

and then you get those distortions like

1214

00:44:21,410 --> 00:44:19,020

everybody else's video it's either that

1215

00:44:22,910 --> 00:44:21,420

it's just too dim for the aperture of

1216

00:44:24,530 --> 00:44:22,920

the camera I have a fairly good phone

1217

00:44:26,990 --> 00:44:24,540

and camera so it's not you know a

1218

00:44:28,609 --> 00:44:27,000

hardware issue but I think maybe it's

1219

00:44:30,410 --> 00:44:28,619

just we're not supposed to see it you

1220

00:44:31,670 --> 00:44:30,420

mentioned your sighting neither one of

1221

00:44:34,250 --> 00:44:31,680

you had a thought to even grab your

1222

00:44:36,470 --> 00:44:34,260

phone yeah you know a lot of people say

1223

00:44:38,569 --> 00:44:36,480

the same thing so maybe we can't get the

1224

00:44:42,109 --> 00:44:38,579

footage that we think we can get you

1225

00:44:44,569 --> 00:44:42,119

know yeah you know definitely I think uh

1226

00:44:46,430 --> 00:44:44,579

I think whatever's in the sky has full

1227

00:44:49,250 --> 00:44:46,440

control over when and how it's it's

1228

00:44:51,109 --> 00:44:49,260

viewed yeah right you know and

1229

00:44:52,849 --> 00:44:51,119

especially you look at the you know this

1230

00:44:54,470 --> 00:44:52,859

the settings that Ryan Graves talk was

1231

00:44:56,329 --> 00:44:54,480

talking about off the east coast and

1232

00:44:57,770 --> 00:44:56,339

they said I mean most of the time these

1233

00:45:00,650 --> 00:44:57,780

things would be on their radar they

1234

00:45:03,170 --> 00:45:00,660

could see them in the in um an infrared

1235

00:45:06,290 --> 00:45:03,180

but they were invisible to the naked eye

1236

00:45:07,730 --> 00:45:06,300

yeah and and again with the debunkers

1237

00:45:10,010 --> 00:45:07,740

they go we'll see that's proof it wasn't

1238

00:45:12,710 --> 00:45:10,020

there no that's proof this is weirder

1239

00:45:16,609 --> 00:45:12,720

than that these things can be invisible

1240

00:45:18,950 --> 00:45:16,619

but be detected on other systems and

1241

00:45:21,349 --> 00:45:18,960

then at will can be visible

1242

00:45:23,030 --> 00:45:21,359

they seem to be able to choose whether

1243

00:45:25,309 --> 00:45:23,040

to be visible to be seen in visible

1244

00:45:28,309 --> 00:45:25,319

light or not right

1245

00:45:30,589 --> 00:45:28,319

um so the fact that the fact you know

1246

00:45:32,870 --> 00:45:30,599

the fact that something uh isn't seen by

1247

00:45:34,730 --> 00:45:32,880

the naked eye shouldn't make it suddenly

1248

00:45:37,010 --> 00:45:34,740

oh there see there's nothing to this

1249

00:45:38,510 --> 00:45:37,020

that should be this should spark you to

1250

00:45:40,550 --> 00:45:38,520

go this is weirder

1251  
00:45:42,050 --> 00:45:40,560  
yeah there's lots of things we can't see

1252  
00:45:44,030 --> 00:45:42,060  
we can't hear doesn't mean they're not

1253  
00:45:46,130 --> 00:45:44,040  
there I mean you don't see radio waves

1254  
00:45:47,990 --> 00:45:46,140  
but you can tune into a radio station so

1255  
00:45:50,870 --> 00:45:48,000  
seeing is not necessarily believing

1256  
00:45:52,609 --> 00:45:50,880  
because we're limited by our senses we

1257  
00:45:54,650 --> 00:45:52,619  
are essentially just evolved animals

1258  
00:45:57,050 --> 00:45:54,660  
whether it was intentional involvement

1259  
00:45:59,030 --> 00:45:57,060  
or not that's a different opinion but we

1260  
00:46:01,550 --> 00:45:59,040  
are basically animals and to your point

1261  
00:46:03,530 --> 00:46:01,560  
earlier very narrow band yeah we're

1262  
00:46:05,809 --> 00:46:03,540  
built for hunting and foraging so if it

1263  
00:46:07,609 --> 00:46:05,819

doesn't suit survival or eating

1264

00:46:10,430 --> 00:46:07,619

something or preventing yourself from

1265

00:46:12,530 --> 00:46:10,440

getting eaten or reproducing you know it

1266

00:46:14,750 --> 00:46:12,540

we didn't need it essentially right so

1267

00:46:16,730 --> 00:46:14,760

we're fairly poor observers in the grand

1268

00:46:19,490 --> 00:46:16,740

scheme of things you know even bees can

1269

00:46:22,250 --> 00:46:19,500

see infrared and they see ultraviolet

1270

00:46:23,870 --> 00:46:22,260

and we can bats bats have a 360 degree

1271

00:46:26,329 --> 00:46:23,880

view of their environment from

1272

00:46:29,630 --> 00:46:26,339

echolocation that's crazy yeah you know

1273

00:46:32,329 --> 00:46:29,640

they they see everything at once

1274

00:46:35,809 --> 00:46:32,339

that's not through sound sound that

1275

00:46:38,030 --> 00:46:35,819

turns into Vision yeah so we're very

1276

00:46:40,010 --> 00:46:38,040

limited as a species on what we're able

1277

00:46:42,349 --> 00:46:40,020

to like even germs we didn't know germs

1278

00:46:44,690 --> 00:46:42,359

existed now we got microscopes we could

1279

00:46:46,309 --> 00:46:44,700

look into their world it's probably the

1280

00:46:48,530 --> 00:46:46,319

same thing with this phenomenon and

1281

00:46:50,809 --> 00:46:48,540

we're the germs right and and the

1282

00:46:52,910 --> 00:46:50,819

experts debunked germs when they when

1283

00:46:54,710 --> 00:46:52,920

they were discovered you know we fight

1284

00:46:57,050 --> 00:46:54,720

everything yeah it was the experts that

1285

00:47:00,530 --> 00:46:57,060

would you know ostentatiously refuse to

1286

00:47:02,809 --> 00:47:00,540

wash their hands in the surgery you know

1287

00:47:06,050 --> 00:47:02,819

um and uh we're doing the debunking they

1288

00:47:08,329 --> 00:47:06,060

were the Skeptics of their time yeah so

1289

00:47:10,130 --> 00:47:08,339

it's you know the uh

1290

00:47:13,309 --> 00:47:10,140

yeah the the

1291

00:47:15,770 --> 00:47:13,319

expert debunking is uh should be should

1292

00:47:17,450 --> 00:47:15,780

be looked at cynically I think

1293

00:47:19,370 --> 00:47:17,460

what are your thoughts on Skeptics

1294

00:47:21,109 --> 00:47:19,380

versus debunkers because I'm okay with

1295

00:47:23,030 --> 00:47:21,119

Skeptics the skeptic is someone with a

1296

00:47:25,910 --> 00:47:23,040

different opinion but they're willing to

1297

00:47:27,710 --> 00:47:25,920

hear information a debunker to me anyway

1298

00:47:29,210 --> 00:47:27,720

has their mind made up doesn't matter

1299

00:47:32,410 --> 00:47:29,220

what you tell them what evidence you

1300

00:47:35,690 --> 00:47:32,420

provide no it's like this end of story

1301  
00:47:43,450 --> 00:47:35,700  
yeah well the term debunking implies you

1302  
00:47:49,670 --> 00:47:46,670  
they're gonna get rid of this bunk

1303  
00:47:51,230 --> 00:47:49,680  
um and yeah it's it's it is a notion

1304  
00:47:53,809 --> 00:47:51,240  
again it comes from that notion this

1305  
00:47:56,630 --> 00:47:53,819  
can't be happening so it isn't so

1306  
00:47:59,630 --> 00:47:56,640  
all I only if they can find one element

1307  
00:48:02,030 --> 00:47:59,640  
of an incident that they can replicate

1308  
00:48:04,430 --> 00:48:02,040  
in some other means you know like if you

1309  
00:48:06,290 --> 00:48:04,440  
can again it's like I could you know I

1310  
00:48:07,609 --> 00:48:06,300  
could hang a paper plate from a string

1311  
00:48:09,829 --> 00:48:07,619  
and take a picture of it and make it

1312  
00:48:11,630 --> 00:48:09,839  
look exactly like the moon but that

1313  
00:48:14,930 --> 00:48:11,640

doesn't mean I've proven that the moon

1314

00:48:17,329 --> 00:48:14,940

doesn't exist right so you so if you can

1315

00:48:20,809 --> 00:48:17,339

if you can create a similar effect by

1316

00:48:22,250 --> 00:48:20,819

other means that in no way means that uh

1317

00:48:24,470 --> 00:48:22,260

you've proven

1318

00:48:26,390 --> 00:48:24,480

that that's what happened you know it's

1319

00:48:28,309 --> 00:48:26,400

like you know I don't I don't even like

1320

00:48:30,170 --> 00:48:28,319

to amplify him by saying his name but

1321

00:48:34,910 --> 00:48:30,180

but you I think the only guy I'm talking

1322

00:48:37,790 --> 00:48:34,920

about we just uh yeah yeah and he's and

1323

00:48:39,170 --> 00:48:37,800

it's just it's dishonest because it is

1324

00:48:41,750 --> 00:48:39,180

it's

1325

00:48:43,430 --> 00:48:41,760

they they all deliberately narrow their

1326  
00:48:46,970 --> 00:48:43,440  
their aperture to the point where they

1327  
00:48:48,710 --> 00:48:46,980  
can they can plausibly explain one

1328  
00:48:52,190 --> 00:48:48,720  
element of something

1329  
00:48:54,050 --> 00:48:52,200  
and and they ignore every all any kind

1330  
00:48:56,329 --> 00:48:54,060  
of corroborating data that says that

1331  
00:48:58,730 --> 00:48:56,339  
they're debunking is false right you

1332  
00:49:02,390 --> 00:48:58,740  
know like any of the data any of the you

1333  
00:49:05,809 --> 00:49:02,400  
know radar data uh eyewitness testimony

1334  
00:49:07,849 --> 00:49:05,819  
um you know infrared uh footage that

1335  
00:49:10,490 --> 00:49:07,859  
will ignore anything that doesn't fit

1336  
00:49:13,130 --> 00:49:10,500  
the one thing they can explain

1337  
00:49:15,109 --> 00:49:13,140  
right grab the one snippet and throw out

1338  
00:49:17,329 --> 00:49:15,119

everything else right yeah and it's

1339

00:49:19,250 --> 00:49:17,339

almost crazy here to move the stars out

1340

00:49:21,710 --> 00:49:19,260

of the way to fit the debunker story

1341

00:49:23,510 --> 00:49:21,720

then the original UFO sighting story in

1342

00:49:25,910 --> 00:49:23,520

the first place that is less crazy when

1343

00:49:28,069 --> 00:49:25,920

you look at what rationale is involved

1344

00:49:30,650 --> 00:49:28,079

with making that square peg fit in a

1345

00:49:32,870 --> 00:49:30,660

round hole for the debunker yes and you

1346

00:49:35,750 --> 00:49:32,880

know and and claiming things like that

1347

00:49:38,210 --> 00:49:35,760

uh trained Navy cruise

1348

00:49:41,870 --> 00:49:38,220

who working at the night shift

1349

00:49:45,410 --> 00:49:41,880

out in the ocean where the sky is very

1350

00:49:47,210 --> 00:49:45,420

very clear the sky is on top of you uh

1351

00:49:48,530 --> 00:49:47,220

you know a nice guy with no with no

1352

00:49:50,329 --> 00:49:48,540

light pollution

1353

00:49:53,390 --> 00:49:50,339

and these so these people are very very

1354

00:49:56,510 --> 00:49:53,400

familiar with this guy so claiming that

1355

00:50:00,410 --> 00:49:56,520

these people suddenly one night mistake

1356

00:50:01,910 --> 00:50:00,420

stars for UFOs yeah that the the Stars

1357

00:50:04,849 --> 00:50:01,920

they've been looking at every night for

1358

00:50:06,410 --> 00:50:04,859

their entire Mission but tonight they

1359

00:50:09,710 --> 00:50:06,420

can't tell the difference between stars

1360

00:50:11,930 --> 00:50:09,720

in the sky and objects moving a thousand

1361

00:50:14,270 --> 00:50:11,940

feet from their ship they can't tell the

1362

00:50:16,849 --> 00:50:14,280

difference and make it 90 degree turns

1363

00:50:19,130 --> 00:50:16,859

yeah yeah and they all have went crazy

1364

00:50:21,650 --> 00:50:19,140

the same time the entire Battleship went

1365

00:50:25,609 --> 00:50:21,660

nuts yeah yes yeah yeah yes several

1366

00:50:29,569 --> 00:50:25,619

ships yeah that's right yeah

1367

00:50:31,910 --> 00:50:29,579

yeah the uh the the the 2019 swarming

1368

00:50:34,190 --> 00:50:31,920

you know and and even then they you know

1369

00:50:36,890 --> 00:50:34,200

they'll they'll say oh it was Chinese

1370

00:50:38,630 --> 00:50:36,900

drones come from a merchant vessel

1371

00:50:40,309 --> 00:50:38,640

and you go well if that's the case we've

1372

00:50:42,410 --> 00:50:40,319

seen what happens when the Chinese have

1373

00:50:44,150 --> 00:50:42,420

uh something in our sky and we know it's

1374

00:50:46,730 --> 00:50:44,160

Chinese we saw this Bible and that's

1375

00:50:49,490 --> 00:50:46,740

what happens wall-to-wall coverage it

1376

00:50:52,670 --> 00:50:49,500

gets shot down you know it visits

1377

00:50:54,290 --> 00:50:52,680

diplomatic visits to China are canceled

1378

00:50:55,930 --> 00:50:54,300

um you know it's a blood of upper when

1379

00:50:58,730 --> 00:50:55,940

we know it's Chinese

1380

00:51:01,010 --> 00:50:58,740

uh but the uh

1381

00:51:04,250 --> 00:51:01,020

but the uh because it was the Russell

1382

00:51:07,010 --> 00:51:04,260

right the USS Russell uh it's and and

1383

00:51:10,370 --> 00:51:07,020

and about a dozen other ships by the way

1384

00:51:13,130 --> 00:51:10,380

they're sworn by hundreds of things

1385

00:51:16,309 --> 00:51:13,140

and there's no press coverage no press

1386

00:51:18,829 --> 00:51:16,319

you know no press conferences

1387

00:51:20,030 --> 00:51:18,839

um just quietly leaving it to the

1388

00:51:24,349 --> 00:51:20,040

debunkers

1389

00:51:27,530 --> 00:51:24,359

to say oh they they mistook Stars

1390

00:51:30,589 --> 00:51:27,540

it's like swamp gas 3.0 yeah yeah yeah

1391

00:51:33,230 --> 00:51:30,599

yeah yeah it's absurd and it's an insult

1392

00:51:35,390 --> 00:51:33,240

to these professionals I mean uh we

1393

00:51:37,430 --> 00:51:35,400

often say that it's no disclosure won't

1394

00:51:38,809 --> 00:51:37,440

come from a government organization

1395

00:51:40,130 --> 00:51:38,819

that's going to Spill the Beans it's

1396

00:51:42,230 --> 00:51:40,140

going to be people that serve their

1397

00:51:44,450 --> 00:51:42,240

country regardless of what country it is

1398

00:51:47,630 --> 00:51:44,460

whether it's Canada United States or

1399

00:51:49,490 --> 00:51:47,640

Uganda people stepping up and uh by the

1400

00:51:51,470 --> 00:51:49,500

way Uganda you never hear anything UFO

1401

00:51:54,109 --> 00:51:51,480

related they're up to something

1402

00:51:56,569 --> 00:51:54,119

um yeah but it's uh you know it's crazy

1403

00:51:59,089 --> 00:51:56,579

it takes the whole world to look into

1404

00:52:00,650 --> 00:51:59,099

this like scientists law enforcement

1405

00:52:02,870 --> 00:52:00,660

like we have all these people that are

1406

00:52:04,190 --> 00:52:02,880

like we you know even doctors you go to

1407

00:52:05,750 --> 00:52:04,200

your doctor your doctor tells you look

1408

00:52:08,150 --> 00:52:05,760

you got cancer

1409

00:52:10,970 --> 00:52:08,160

you take it for what you know you take

1410

00:52:12,530 --> 00:52:10,980

is is uh diagnosis seriously but if he

1411

00:52:13,670 --> 00:52:12,540

says you know what like sometimes I wake

1412

00:52:15,290 --> 00:52:13,680

up middle of the night and there's three

1413

00:52:17,809 --> 00:52:15,300

little entities at the end of my bed and

1414

00:52:20,049 --> 00:52:17,819

then I don't remember anything the guys

1415

00:52:23,150 --> 00:52:20,059

are quack right yeah

1416

00:52:26,150 --> 00:52:23,160

yeah exactly we don't weigh these

1417

00:52:27,829 --> 00:52:26,160

experiences and uh for me personally I

1418

00:52:30,349 --> 00:52:27,839

think the abduction phenomenon is like

1419

00:52:32,270 --> 00:52:30,359

our first step because that's where we

1420

00:52:33,950 --> 00:52:32,280

should look what are they doing with us

1421

00:52:36,109 --> 00:52:33,960

right and these people are telling us

1422

00:52:37,790 --> 00:52:36,119

look this is what is happening okay then

1423

00:52:39,890 --> 00:52:37,800

secondaries whether what is their

1424

00:52:41,569 --> 00:52:39,900

technology capable of doing but their

1425

00:52:43,370 --> 00:52:41,579

interaction with us globally

1426

00:52:46,250 --> 00:52:43,380

individually

1427

00:52:48,770 --> 00:52:46,260

affects us and the government and

1428

00:52:51,890 --> 00:52:48,780

religious organizations and Military can

1429

00:52:54,710 --> 00:52:51,900

do can't solve the issue this is a

1430

00:52:56,270 --> 00:52:54,720

humanitarian issue which we all face and

1431

00:52:57,470 --> 00:52:56,280

prevent it we can't explain it we can't

1432

00:52:59,030 --> 00:52:57,480

uh

1433

00:53:02,630 --> 00:52:59,040

but we can

1434

00:53:05,329 --> 00:53:02,640

not add to the cruelty you know good

1435

00:53:09,470 --> 00:53:05,339

point I think we can do that we can we

1436

00:53:10,490 --> 00:53:09,480

cannot make people's lives worse

1437

00:53:13,309 --> 00:53:10,500

um you know that's something I think

1438

00:53:15,230 --> 00:53:13,319

that you know again going back to the

1439

00:53:18,109 --> 00:53:15,240

debunkers it's not harmless

1440

00:53:20,690 --> 00:53:18,119

these debunking it's not it's not

1441

00:53:22,609 --> 00:53:20,700

harmless at all it's harmful to people

1442

00:53:26,089 --> 00:53:22,619

who have had experiences and seen things

1443

00:53:28,609 --> 00:53:26,099

and no no they aren't crazy and who live

1444

00:53:30,410 --> 00:53:28,619

in fear of talking about it and live in

1445

00:53:32,030 --> 00:53:30,420

fear of

1446

00:53:35,030 --> 00:53:32,040

um you know of either you know losing

1447

00:53:36,430 --> 00:53:35,040

friends or being ridiculed by family or

1448

00:53:39,230 --> 00:53:36,440

losing jobs

1449

00:53:40,609 --> 00:53:39,240

uh having careers destroyed you know

1450

00:53:41,690 --> 00:53:40,619

it's like your doctor yeah your doctor

1451  
00:53:43,609 --> 00:53:41,700  
isn't going to talk about it because

1452  
00:53:47,089 --> 00:53:43,619  
he's going to lose patience

1453  
00:53:49,609 --> 00:53:47,099  
right yeah so it's it's not it's it

1454  
00:53:52,250 --> 00:53:49,619  
really isn't it isn't harmless

1455  
00:53:54,290 --> 00:53:52,260  
yeah what do you make of the very sort

1456  
00:53:55,849 --> 00:53:54,300  
of assortment of things associated with

1457  
00:53:57,829 --> 00:53:55,859  
the phenomenon I mean it's not just nuts

1458  
00:54:00,109 --> 00:53:57,839  
and bolts craft anymore there's orbs

1459  
00:54:01,670 --> 00:54:00,119  
there's talk of crippit Cryptids and

1460  
00:54:04,130 --> 00:54:01,680  
different creatures and everything else

1461  
00:54:05,569 --> 00:54:04,140  
there's the quote-unquote woo but yeah

1462  
00:54:07,430 --> 00:54:05,579  
like what do you make of all the even

1463  
00:54:10,069 --> 00:54:07,440

Poltergeist like do you think these are

1464

00:54:11,510 --> 00:54:10,079

separate phenomenon all happening or do

1465

00:54:14,630 --> 00:54:11,520

you think they're somehow related when

1466

00:54:16,849 --> 00:54:14,640

you get into that invisible world it's

1467

00:54:19,010 --> 00:54:16,859

well I mean it seems like

1468

00:54:21,049 --> 00:54:19,020

it seems related and it does seem like

1469

00:54:23,510 --> 00:54:21,059

it's all connected and that various

1470

00:54:26,930 --> 00:54:23,520

elements of the Paranormal are tied into

1471

00:54:28,730 --> 00:54:26,940

this you know and it's you know said

1472

00:54:32,150 --> 00:54:28,740

like it's like once you once you become

1473

00:54:33,530 --> 00:54:32,160

untethered from certainty uh you drift

1474

00:54:34,849 --> 00:54:33,540

you drift through a lot of weird

1475

00:54:37,130 --> 00:54:34,859

subjects

1476

00:54:40,609 --> 00:54:37,140

you know and the rabbit hole as we'd

1477

00:54:43,309 --> 00:54:40,619

call it yeah and you know the um like I

1478

00:54:45,190 --> 00:54:43,319

imagine you guys probably read uh the

1479

00:54:47,750 --> 00:54:45,200

skin markers at the Pentagon yeah

1480

00:54:49,250 --> 00:54:47,760

Georgian George napps yeah we

1481

00:54:51,170 --> 00:54:49,260

interviewed them both after it came out

1482

00:54:53,450 --> 00:54:51,180

it was fascinating to talk to them and

1483

00:54:54,710 --> 00:54:53,460

the book was super well done yeah and

1484

00:54:56,690 --> 00:54:54,720

that was your series you know and

1485

00:54:58,790 --> 00:54:56,700

they're these are serious people and

1486

00:54:59,990 --> 00:54:58,800

they and all they're saying is they're

1487

00:55:01,430 --> 00:55:00,000

not saying they understand they know

1488

00:55:05,210 --> 00:55:01,440

what's going on but they're saying this

1489

00:55:07,910 --> 00:55:05,220

is happening you know you know so you

1490

00:55:11,930 --> 00:55:07,920

you know I mean what what do you do with

1491

00:55:14,270 --> 00:55:11,940

seven foot tall bipedal wolves showing

1492

00:55:15,890 --> 00:55:14,280

up in people's backyards yeah you know

1493

00:55:18,010 --> 00:55:15,900

over the hitchhiker effect right even

1494

00:55:20,990 --> 00:55:18,020

their wives start having weird

1495

00:55:23,329 --> 00:55:21,000

children yeah and it's it's almost like

1496

00:55:25,490 --> 00:55:23,339

even if they encountered a craft or a

1497

00:55:27,950 --> 00:55:25,500

being when The Hitchhiker comes through

1498

00:55:30,049 --> 00:55:27,960

it's almost always Poltergeist it's

1499

00:55:32,630 --> 00:55:30,059

weird bizarre things a lot less tangible

1500

00:55:34,309 --> 00:55:32,640

than the initial sighting so in my mind

1501

00:55:36,470 --> 00:55:34,319

anyway it shows that that's got to be

1502

00:55:37,670 --> 00:55:36,480

some kind of a link that you know and I

1503

00:55:39,049 --> 00:55:37,680

mentioned earlier I have a friend who's

1504

00:55:40,549 --> 00:55:39,059

into remote viewing and I asked them

1505

00:55:41,930 --> 00:55:40,559

like hey can you teach me to get into

1506

00:55:44,210 --> 00:55:41,940

this and it was like don't go there

1507

00:55:45,950 --> 00:55:44,220

don't try it you will get a hitchhiker

1508

00:55:48,170 --> 00:55:45,960

effect flat out even people that are

1509

00:55:50,569 --> 00:55:48,180

professionals trained and practiced at

1510

00:55:52,309 --> 00:55:50,579

this they have things happen and they

1511

00:55:54,049 --> 00:55:52,319

just want to get rid of it so like don't

1512

00:55:55,490 --> 00:55:54,059

go there unless you know what you're

1513

00:55:59,290 --> 00:55:55,500

doing although I want to go to

1514

00:56:04,970 --> 00:56:02,329

nowadays you got to go around the TV

1515

00:56:07,130 --> 00:56:04,980

crew that's all there nowadays yeah you

1516

00:56:08,690 --> 00:56:07,140

probably he could get on there yeah I'd

1517

00:56:10,190 --> 00:56:08,700

like to go well I'm friends with well

1518

00:56:11,930 --> 00:56:10,200

I'm friends with George and Jeremy so

1519

00:56:13,370 --> 00:56:11,940

they have that's true there you could

1520

00:56:15,109 --> 00:56:13,380

pull those strings plus you're you know

1521

00:56:19,130 --> 00:56:15,119

you're a celebrity so it's you could

1522

00:56:21,230 --> 00:56:19,140

yeah right yeah exactly yeah I um I

1523

00:56:22,549 --> 00:56:21,240

think it's funny when they have the UFO

1524

00:56:24,770 --> 00:56:22,559

cons and stuff like that and they'll

1525

00:56:29,450 --> 00:56:24,780

have win a trip to go camping with

1526

00:56:31,910 --> 00:56:29,460

Travis Walton or uh uh yeah any of those

1527

00:56:34,730 --> 00:56:31,920

abductees right uh like Whitley streamer

1528

00:56:36,650 --> 00:56:34,740

I'm like why would you go camping you're

1529

00:56:38,270 --> 00:56:36,660

risking something right yeah yeah

1530

00:56:40,790 --> 00:56:38,280

there's something going on around these

1531

00:56:42,470 --> 00:56:40,800

people Yeah well yeah and I was going to

1532

00:56:45,770 --> 00:56:42,480

mention too like the NASA was mentioning

1533

00:56:47,210 --> 00:56:45,780

that orbs are Global right that it is a

1534

00:56:48,650 --> 00:56:47,220

global phenomenon they don't know what

1535

00:56:50,390 --> 00:56:48,660

it is but they're dismissing that it

1536

00:56:51,770 --> 00:56:50,400

could be aliens of course which to me is

1537

00:56:54,589 --> 00:56:51,780

like okay well if we don't know that

1538

00:56:57,290 --> 00:56:54,599

it's human what else could it be right

1539

00:56:59,510 --> 00:56:57,300

yeah and we do and we do know that it

1540

00:57:02,510 --> 00:56:59,520

isn't any of the major Nations

1541

00:57:04,490 --> 00:57:02,520

we know it isn't we know it isn't it

1542

00:57:06,710 --> 00:57:04,500

isn't the US it isn't Russia it isn't

1543

00:57:08,390 --> 00:57:06,720

China right because these things don't

1544

00:57:10,130 --> 00:57:08,400

crash if there were like drones crash

1545

00:57:12,049 --> 00:57:10,140

all the time but these things don't

1546

00:57:14,150 --> 00:57:12,059

crash they fly they maneuver they seem

1547

00:57:15,770 --> 00:57:14,160

to avoid obstacles like they're

1548

00:57:17,870 --> 00:57:15,780

intelligently controlled yet they're

1549

00:57:20,930 --> 00:57:17,880

like in the daytime they appear as

1550

00:57:22,370 --> 00:57:20,940

spheres that just move really really

1551  
00:57:24,950 --> 00:57:22,380  
fast I mean we've seen some pictures

1552  
00:57:26,390 --> 00:57:24,960  
writing videos of them flying by Jeremy

1553  
00:57:29,450 --> 00:57:26,400  
I think recently posted something

1554  
00:57:31,309 --> 00:57:29,460  
similar yeah that's happening over yeah

1555  
00:57:33,829 --> 00:57:31,319  
and it's crazy like what what do you

1556  
00:57:36,170 --> 00:57:33,839  
make of the orbs well that's the thing

1557  
00:57:38,630 --> 00:57:36,180  
that got me crazy made me crazy was the

1558  
00:57:40,730 --> 00:57:38,640  
uh the arrow hearing that

1559  
00:57:44,210 --> 00:57:40,740  
it was terrible

1560  
00:57:45,230 --> 00:57:44,220  
um but he actually showed a video of a

1561  
00:57:48,470 --> 00:57:45,240  
sphere

1562  
00:57:51,770 --> 00:57:48,480  
uh flying through a war zone in a way

1563  
00:57:54,530 --> 00:57:51,780

that things can't fly you know that's

1564

00:57:57,710 --> 00:57:54,540

fear in the spirit it had no no means of

1565

00:58:00,530 --> 00:57:57,720

lift no control surfaces and it's

1566

00:58:01,150 --> 00:58:00,540

clearly traveling as

1567

00:58:02,690 --> 00:58:01,160

it's

1568

00:58:04,370 --> 00:58:02,700

directed

1569

00:58:06,470 --> 00:58:04,380

and at speed

1570

00:58:07,730 --> 00:58:06,480

through a battle Zone and that and it

1571

00:58:09,950 --> 00:58:07,740

was obviously significant enough that

1572

00:58:12,349 --> 00:58:09,960

that it was tracked by these you know uh

1573

00:58:16,370 --> 00:58:12,359

spy drones

1574

00:58:20,990 --> 00:58:16,380

um and so you know uh Kirkpatrick shows

1575

00:58:22,430 --> 00:58:21,000

this video and no one asks any questions

1576

00:58:24,109 --> 00:58:22,440

you know and he says well this is

1577

00:58:26,150 --> 00:58:24,119

currently an unexplained

1578

00:58:28,790 --> 00:58:26,160

and then they just move on it's like no

1579

00:58:30,829 --> 00:58:28,800

you know gillibrand nobody there said

1580

00:58:32,210 --> 00:58:30,839

well what is unexplained about this what

1581

00:58:34,790 --> 00:58:32,220

what do you know about it what data do

1582

00:58:37,309 --> 00:58:34,800

you have on it you know uh how is it

1583

00:58:39,170 --> 00:58:37,319

flying what's how what what speed would

1584

00:58:40,490 --> 00:58:39,180

you say it was traveling at you know not

1585

00:58:44,630 --> 00:58:40,500

one question

1586

00:58:47,030 --> 00:58:44,640

when he just showed them this sphere

1587

00:58:48,890 --> 00:58:47,040

flying through a war zone

1588

00:58:52,609 --> 00:58:48,900

that's crazy that was their chance right

1589

00:58:55,069 --> 00:58:52,619

yeah and and he admits it's unexplained

1590

00:58:58,010 --> 00:58:55,079

but no questions I don't under I can't

1591

00:58:59,809 --> 00:58:58,020

fathom that at all and no and no

1592

00:59:01,010 --> 00:58:59,819

follow-up from the Press like no one in

1593

00:59:03,410 --> 00:59:01,020

the Press is

1594

00:59:04,730 --> 00:59:03,420

basically it has there's been no

1595

00:59:06,829 --> 00:59:04,740

coverage of it

1596

00:59:10,190 --> 00:59:06,839

you know again endless coverage of the

1597

00:59:12,890 --> 00:59:10,200

stupid spy balloon right yeah

1598

00:59:14,809 --> 00:59:12,900

but nothing on this thing that he you

1599

00:59:17,990 --> 00:59:14,819

know the head of Arrow says they can't

1600

00:59:19,430 --> 00:59:18,000

explain and clearly this is a video of

1601  
00:59:20,990 --> 00:59:19,440  
something that should not be moving the

1602  
00:59:23,870 --> 00:59:21,000  
way it is

1603  
00:59:25,130 --> 00:59:23,880  
you know yeah you know and it clearly is

1604  
00:59:28,250 --> 00:59:25,140  
not a balloon

1605  
00:59:30,890 --> 00:59:28,260  
you know it's not moving in any way like

1606  
00:59:32,809 --> 00:59:30,900  
a balloon moves or swamp gas yeah or

1607  
00:59:35,089 --> 00:59:32,819  
swamp gas remember the first Arrow

1608  
00:59:36,650 --> 00:59:35,099  
hearing they showed a little video clip

1609  
00:59:39,170 --> 00:59:36,660  
of something it was just like a quick

1610  
00:59:40,970 --> 00:59:39,180  
zip they had to rewind it and it's like

1611  
00:59:42,890 --> 00:59:40,980  
that was I guess what they were trying

1612  
00:59:44,870 --> 00:59:42,900  
to say is this is the best we got like

1613  
00:59:46,670 --> 00:59:44,880

these are the videos people are asking

1614

00:59:49,250 --> 00:59:46,680

us to enter you know it's a hint um yeah

1615

00:59:51,710 --> 00:59:49,260

investigate but you have to Tic Tac and

1616

00:59:53,329 --> 00:59:51,720

all these Pentagon released videos why

1617

00:59:55,130 --> 00:59:53,339

wouldn't they use that like they we know

1618

00:59:56,750 --> 00:59:55,140

they have footage we've seen the footage

1619

00:59:59,089 --> 00:59:56,760

and they have better versions of it

1620

01:00:01,250 --> 00:59:59,099

longer and better quality yeah but you

1621

01:00:03,230 --> 01:00:01,260

know when they put forward that as you

1622

01:00:04,789 --> 01:00:03,240

know it's almost again the Poke and I

1623

01:00:06,650 --> 01:00:04,799

and everybody who wants to see something

1624

01:00:09,170 --> 01:00:06,660

happen here it's kind of like hey

1625

01:00:10,849 --> 01:00:09,180

everybody we have to do this this is

1626

01:00:13,069 --> 01:00:10,859

what we're talking about you see how

1627

01:00:14,510 --> 01:00:13,079

stupid it is let's just move on to

1628

01:00:16,190 --> 01:00:14,520

something more important now that we've

1629

01:00:18,470 --> 01:00:16,200

given these guys you know they're

1630

01:00:21,410 --> 01:00:18,480

they're diminishing the effect and

1631

01:00:23,809 --> 01:00:21,420

what's actually going on yeah no it's a

1632

01:00:26,809 --> 01:00:23,819

great disservice and and it's and it's

1633

01:00:28,970 --> 01:00:26,819

not and it's great it's dishonest it's

1634

01:00:31,370 --> 01:00:28,980

you know I mean I think everyone at this

1635

01:00:33,770 --> 01:00:31,380

point knows that arrow is getting a lot

1636

01:00:35,990 --> 01:00:33,780

more information than they're than

1637

01:00:37,609 --> 01:00:36,000

they're feeding back to the public you

1638

01:00:39,170 --> 01:00:37,619

know you know hearing about these

1639

01:00:41,809 --> 01:00:39,180

whistleblowers that are going and giving

1640

01:00:44,270 --> 01:00:41,819

testimony well I mean we've all heard

1641

01:00:46,549 --> 01:00:44,280

Ryan Graves testimony David fravers and

1642

01:00:49,130 --> 01:00:46,559

Alex dietrich's testimony you know we

1643

01:00:51,230 --> 01:00:49,140

all know and basically anytime there's a

1644

01:00:54,109 --> 01:00:51,240

hearing anytime there's a hearing and

1645

01:00:56,450 --> 01:00:54,119

they don't talk about the Tic Tac uh

1646

01:00:57,589 --> 01:00:56,460

they're avoiding it I mean that should

1647

01:00:58,849 --> 01:00:57,599

be that should be questioned every

1648

01:01:00,710 --> 01:00:58,859

single time so what do you know now

1649

01:01:03,530 --> 01:01:00,720

about the Tic Tac how have you you know

1650

01:01:05,990 --> 01:01:03,540

what are you closer to explaining it you

1651  
01:01:09,109 --> 01:01:06,000  
know what's the data

1652  
01:01:10,789 --> 01:01:09,119  
you know and uh

1653  
01:01:11,809 --> 01:01:10,799  
so you know so if they yeah they keep

1654  
01:01:14,030 --> 01:01:11,819  
trying to come up with something that's

1655  
01:01:16,250 --> 01:01:14,040  
that's going to be boring for the public

1656  
01:01:18,049 --> 01:01:16,260  
yeah just keep trying to make it boring

1657  
01:01:19,910 --> 01:01:18,059  
for the public which is

1658  
01:01:21,829 --> 01:01:19,920  
you know exactly what the you know the

1659  
01:01:24,130 --> 01:01:21,839  
Robertson Commission

1660  
01:01:27,710 --> 01:01:24,140  
said they should do back in the 50s

1661  
01:01:30,589 --> 01:01:27,720  
demystify it debunk explain any any

1662  
01:01:32,150 --> 01:01:30,599  
mundane exploration explanation that you

1663  
01:01:33,530 --> 01:01:32,160

can come up with will do

1664

01:01:36,109 --> 01:01:33,540

and we're still we're still in that

1665

01:01:38,270 --> 01:01:36,119

exact same space

1666

01:01:40,609 --> 01:01:38,280

um yeah what blows me away is like even

1667

01:01:43,010 --> 01:01:40,619

the Randall sham Forest incident or

1668

01:01:44,690 --> 01:01:43,020

these military personnel were right next

1669

01:01:46,549 --> 01:01:44,700

to the bloody craft and then you got

1670

01:01:48,950 --> 01:01:46,559

people no I was a White House not White

1671

01:01:51,650 --> 01:01:48,960

House a lighthouse yeah at the end it's

1672

01:01:53,870 --> 01:01:51,660

like yes yeah it's an insult yeah it's

1673

01:01:55,430 --> 01:01:53,880

an insult that these men and women and

1674

01:01:57,230 --> 01:01:55,440

the medical injuries of some of those

1675

01:01:59,510 --> 01:01:57,240

guys sustained to this day that are

1676  
01:02:01,549 --> 01:01:59,520  
still proof of something happening and

1677  
01:02:04,069 --> 01:02:01,559  
he finally got it on the record that you

1678  
01:02:06,950 --> 01:02:04,079  
know he was getting he finally got uh

1679  
01:02:09,410 --> 01:02:06,960  
and got paid for the day I'm almost 30

1680  
01:02:11,990 --> 01:02:09,420  
years to do it but yeah but yeah but

1681  
01:02:13,609 --> 01:02:12,000  
yeah seeing as a lighthouse so trained

1682  
01:02:16,309 --> 01:02:13,619  
trained professionals they make notes

1683  
01:02:18,890 --> 01:02:16,319  
they're up close enough to draw pictures

1684  
01:02:22,010 --> 01:02:18,900  
of what they're seeing

1685  
01:02:25,789 --> 01:02:22,020  
um and yeah but somehow recorder too

1686  
01:02:27,589 --> 01:02:25,799  
right yeah yeah is reporting it all but

1687  
01:02:30,349 --> 01:02:27,599  
somehow no it's

1688  
01:02:32,210 --> 01:02:30,359

a lighthouse that they're all very

1689

01:02:33,109 --> 01:02:32,220

familiar with that they've seen every

1690

01:02:35,270 --> 01:02:33,119

night

1691

01:02:37,670 --> 01:02:35,280

that they've been on this base they know

1692

01:02:39,109 --> 01:02:37,680

this Lighthouse very well you know as I

1693

01:02:40,910 --> 01:02:39,119

remember Holt I think saying you know

1694

01:02:42,410 --> 01:02:40,920

I've I've got pictures of me standing

1695

01:02:43,309 --> 01:02:42,420

outside that Lighthouse I know that

1696

01:02:46,490 --> 01:02:43,319

lighthouse

1697

01:02:48,289 --> 01:02:46,500

it was nowhere near what we saw and you

1698

01:02:49,970 --> 01:02:48,299

know in a flashing light coming through

1699

01:02:51,470 --> 01:02:49,980

the woods is we're not good we're

1700

01:02:52,190 --> 01:02:51,480

professionals we're not going to mistake

1701

01:02:55,130 --> 01:02:52,200

it

1702

01:02:57,470 --> 01:02:55,140

for a triangular craft

1703

01:02:58,130 --> 01:02:57,480

you know in right in front of us you

1704

01:02:59,930 --> 01:02:58,140

know

1705

01:03:01,730 --> 01:02:59,940

and it gets weirder than that if you

1706

01:03:04,309 --> 01:03:01,740

look at the code that Jim peniston

1707

01:03:05,390 --> 01:03:04,319

supposedly got out of that a binary and

1708

01:03:07,670 --> 01:03:05,400

then it took I don't know how many

1709

01:03:09,109 --> 01:03:07,680

decades before somebody decoded it in

1710

01:03:10,970 --> 01:03:09,119

fact our next episode is with Gary

1711

01:03:12,410 --> 01:03:10,980

Osborne and he's going to break down

1712

01:03:14,809 --> 01:03:12,420

some of the stuff that come out of this

1713

01:03:16,910 --> 01:03:14,819

code but essentially there's a lot of

1714

01:03:19,730 --> 01:03:16,920

things both dealing with ancient history

1715

01:03:21,710 --> 01:03:19,740

and like sacred locations places that

1716

01:03:23,510 --> 01:03:21,720

are hot spots that we're just finding

1717

01:03:25,910 --> 01:03:23,520

out now that hey this all came out of

1718

01:03:27,530 --> 01:03:25,920

that code it's like they gave us that 30

1719

01:03:29,750 --> 01:03:27,540

years ago knowing we would need it now

1720

01:03:31,370 --> 01:03:29,760

right at the time it was decoded there's

1721

01:03:33,589 --> 01:03:31,380

a lot of spooky stuff that come out of

1722

01:03:36,109 --> 01:03:33,599

rendelsham not just a couple guys seeing

1723

01:03:38,870 --> 01:03:36,119

a lighthouse you know there's a lot more

1724

01:03:40,250 --> 01:03:38,880

to it yeah and even then I think I still

1725

01:03:41,690 --> 01:03:40,260

heard like Nicholas said well you know

1726

01:03:44,089 --> 01:03:41,700

Randall shimball there was a lighthouse

1727

01:03:45,829 --> 01:03:44,099

and that's you know right he doesn't

1728

01:03:49,789 --> 01:03:45,839

even want the details well I hear there

1729

01:03:51,829 --> 01:03:49,799

was a lighthouse yeah and so case closed

1730

01:03:53,390 --> 01:03:51,839

it's dumb and even uh was it John

1731

01:03:55,490 --> 01:03:53,400

Burroughs he still has to go to write

1732

01:03:57,950 --> 01:03:55,500

Patterson Air Force for the heart

1733

01:04:00,829 --> 01:03:57,960

condition that he received or got from

1734

01:04:02,569 --> 01:04:00,839

that craft yeah that's crazy that's a

1735

01:04:04,490 --> 01:04:02,579

crazy detail why isn't he allowed to go

1736

01:04:06,770 --> 01:04:04,500

to regular Hospital why does he have to

1737

01:04:09,410 --> 01:04:06,780

go to Wright-Patterson Air Force for

1738

01:04:12,410 --> 01:04:09,420

anything heart related yeah and his eye

1739

01:04:13,910 --> 01:04:12,420

too I believe that's true yeah and

1740

01:04:16,730 --> 01:04:13,920

that's that's a bit of detail that's

1741

01:04:18,589 --> 01:04:16,740

like very interesting right

1742

01:04:20,569 --> 01:04:18,599

um yeah so Tim burchett was actually on

1743

01:04:23,270 --> 01:04:20,579

our friend Christy Newton you were on

1744

01:04:24,829 --> 01:04:23,280

her podcast not too long ago and um all

1745

01:04:26,930 --> 01:04:24,839

rebelliously curious if you haven't

1746

01:04:28,430 --> 01:04:26,940

checked out that podcast please do uh

1747

01:04:30,049 --> 01:04:28,440

for our listeners

1748

01:04:31,370 --> 01:04:30,059

um but basically Tim Burchette had

1749

01:04:32,630 --> 01:04:31,380

mentioned something on the podcast that

1750

01:04:35,809 --> 01:04:32,640

really hit home and he was talking about

1751

01:04:37,549 --> 01:04:35,819

Washington DC and he said this town from

1752

01:04:41,270 --> 01:04:37,559

top to bottom and I'm paraphrasing here

1753

01:04:43,549 --> 01:04:41,280

uh is crooked broken and greedy

1754

01:04:45,349 --> 01:04:43,559

and that's the current state that

1755

01:04:47,150 --> 01:04:45,359

Washington is in and we're asking for

1756

01:04:49,910 --> 01:04:47,160

disclosure at the time where everybody's

1757

01:04:51,530 --> 01:04:49,920

just out on their own it's not about the

1758

01:04:53,990 --> 01:04:51,540

people it's about how can you further

1759

01:04:56,210 --> 01:04:54,000

your career in politics so it's an

1760

01:04:57,829 --> 01:04:56,220

interesting time in the states to see

1761

01:04:59,990 --> 01:04:57,839

what is happening and what they're

1762

01:05:01,549 --> 01:05:00,000

trying to accomplish but at the same

1763

01:05:04,210 --> 01:05:01,559

time they're dealing with some of the

1764

01:05:07,190 --> 01:05:04,220

worst corruption probably in U.S history

1765

01:05:10,250 --> 01:05:07,200

yeah I mean I I think it's always I mean

1766

01:05:13,549 --> 01:05:10,260

it's always been endemic to uh the

1767

01:05:15,770 --> 01:05:13,559

politics but certainly it's uh

1768

01:05:18,589 --> 01:05:15,780

and then I guess if there's anything to

1769

01:05:22,309 --> 01:05:18,599

be optimistic about it's the fact that

1770

01:05:25,069 --> 01:05:22,319

the UFO story is the one thing that is

1771

01:05:27,230 --> 01:05:25,079

getting bipartisan support right and

1772

01:05:30,349 --> 01:05:27,240

partisan legislature is being you know

1773

01:05:32,990 --> 01:05:30,359

legislation is being written uh and that

1774

01:05:34,549 --> 01:05:33,000

there's no other example of of uh

1775

01:05:35,569 --> 01:05:34,559

Republicans and Democrats working

1776

01:05:39,370 --> 01:05:35,579

together

1777

01:05:41,750 --> 01:05:39,380

unanimously

1778

01:05:45,349 --> 01:05:41,760

on UFOs

1779

01:05:47,569 --> 01:05:45,359

so that's that may be some sign I mean I

1780

01:05:50,089 --> 01:05:47,579

know I I know I talked to Leslie Kane

1781

01:05:52,309 --> 01:05:50,099

stays very optimistic about it and more

1782

01:05:55,370 --> 01:05:52,319

optimistic than I am

1783

01:05:57,049 --> 01:05:55,380

um she's a sweetheart yeah yeah but she

1784

01:05:59,329 --> 01:05:57,059

still stays optimistic that things are

1785

01:06:01,309 --> 01:05:59,339

going to come out and that that the

1786

01:06:03,770 --> 01:06:01,319

government is going to do something

1787

01:06:06,470 --> 01:06:03,780

so I think you know I'm hoping she's

1788

01:06:08,329 --> 01:06:06,480

right and I am encouraged by the fact

1789

01:06:10,010 --> 01:06:08,339

that you know

1790

01:06:12,950 --> 01:06:10,020

yeah the people you get like Tim

1791

01:06:15,069 --> 01:06:12,960

birchett and and and and and Jill brand

1792

01:06:18,049 --> 01:06:15,079

working together on something that's

1793

01:06:20,450 --> 01:06:18,059

impossible that that could happen but

1794

01:06:22,490 --> 01:06:20,460

it's happening you know yeah it's like

1795

01:06:24,890 --> 01:06:22,500

the only thing they agree in so far is

1796

01:06:27,589 --> 01:06:24,900

to go full subject right yes yeah yeah

1797

01:06:29,210 --> 01:06:27,599

that's kind of cool baby steps again we

1798

01:06:31,250 --> 01:06:29,220

get frustrated because we never get

1799

01:06:32,809 --> 01:06:31,260

anything out of these but there are some

1800

01:06:34,549 --> 01:06:32,819

people that are wiser and more

1801

01:06:36,529 --> 01:06:34,559

calm-headed than we are and they say

1802

01:06:38,150 --> 01:06:36,539

listen at least they're talking about it

1803

01:06:40,910 --> 01:06:38,160

okay it might seem like they're still

1804

01:06:42,829 --> 01:06:40,920

just brushing over it but it's a public

1805

01:06:45,470 --> 01:06:42,839

thing from the government talking about

1806

01:06:47,690 --> 01:06:45,480

even NASA we all know it's a joke that

1807

01:06:50,029 --> 01:06:47,700

the committee I mean one astronaut even

1808

01:06:51,950 --> 01:06:50,039

said oh wait I did see something once

1809

01:06:53,930 --> 01:06:51,960

and he goes it was a Bart Simpson mylar

1810

01:06:56,990 --> 01:06:53,940

balloon so there's still you know an

1811

01:06:58,549 --> 01:06:57,000

effort to poke in the eye but you know

1812

01:06:59,630 --> 01:06:58,559

we have some people like I said that are

1813

01:07:01,730 --> 01:06:59,640

more wise than us and they're going

1814

01:07:03,890 --> 01:07:01,740

listen this is all part of it don't

1815

01:07:05,510 --> 01:07:03,900

don't worry right there now there's

1816

01:07:07,789 --> 01:07:05,520

gonna be some accountability because

1817

01:07:10,250 --> 01:07:07,799

it's NASA you're not going to be able to

1818

01:07:12,410 --> 01:07:10,260

say we don't no right unless you want to

1819

01:07:14,930 --> 01:07:12,420

make yourself look totally useless and

1820

01:07:16,549 --> 01:07:14,940

obsolete yeah well I think Jeremy

1821

01:07:18,770 --> 01:07:16,559

Corbell and she said one thing I thought

1822

01:07:21,230 --> 01:07:18,780

was true like being you know being

1823

01:07:23,870 --> 01:07:21,240

trying to take the positive note out of

1824

01:07:26,930 --> 01:07:23,880

out of that hearing was at least they're

1825

01:07:28,910 --> 01:07:26,940

pushing for the destigmatization of the

1826  
01:07:30,710 --> 01:07:28,920  
subject yeah and they're they're saying

1827  
01:07:32,750 --> 01:07:30,720  
that we need to get rid of the stigma in

1828  
01:07:35,270 --> 01:07:32,760  
order to improve the reporting and

1829  
01:07:37,250 --> 01:07:35,280  
improve the observations and get better

1830  
01:07:40,010 --> 01:07:37,260  
data so we need to get rid of the stigma

1831  
01:07:40,849 --> 01:07:40,020  
so if if nothing else if they if they at

1832  
01:07:43,910 --> 01:07:40,859  
least

1833  
01:07:46,430 --> 01:07:43,920  
you know making Bart Simpson balloon

1834  
01:07:48,049 --> 01:07:46,440  
jokes doesn't help get rid of that

1835  
01:07:50,390 --> 01:07:48,059  
stigma

1836  
01:07:52,029 --> 01:07:50,400  
um or just get rid of that guy we can

1837  
01:07:54,529 --> 01:07:52,039  
get rid of him

1838  
01:07:57,710 --> 01:07:54,539

they truly do help diminish the stigma

1839

01:08:01,309 --> 01:07:57,720

of talking about and Reporting you know

1840

01:08:03,650 --> 01:08:01,319

then uh that'll be a good thing even if

1841

01:08:05,809 --> 01:08:03,660

we don't get the disclosure we want

1842

01:08:07,730 --> 01:08:05,819

well we made progress quite a bit over

1843

01:08:10,250 --> 01:08:07,740

the last five years I ever since the

1844

01:08:12,289 --> 01:08:10,260

article I mean you mentioned that and to

1845

01:08:13,970 --> 01:08:12,299

me it got me off the couch and saying I

1846

01:08:16,189 --> 01:08:13,980

need to get involved I don't know how

1847

01:08:18,590 --> 01:08:16,199

you know so I got involved with with

1848

01:08:20,749 --> 01:08:18,600

mufons or investigating led to the

1849

01:08:22,970 --> 01:08:20,759

podcast and get to talk to people like

1850

01:08:24,289 --> 01:08:22,980

yourself now it's crazy but there's

1851

01:08:25,610 --> 01:08:24,299

momentum there's people actually

1852

01:08:28,189 --> 01:08:25,620

standing up and saying I need to

1853

01:08:29,689 --> 01:08:28,199

contribute in some way and uh just

1854

01:08:32,749 --> 01:08:29,699

before we let you go here I'm just

1855

01:08:34,130 --> 01:08:32,759

curious uh my top two focus of studies

1856

01:08:37,130 --> 01:08:34,140

the abduction phenomenon Academy

1857

01:08:40,610 --> 01:08:37,140

mutilation what would be your top two

1858

01:08:41,930 --> 01:08:40,620

of top two Focus uh oh oh folks I'm

1859

01:08:44,570 --> 01:08:41,940

saying

1860

01:08:48,050 --> 01:08:44,580

um I guess I guess it would be a

1861

01:08:49,910 --> 01:08:48,060

recovered craft yeah be the the top one

1862

01:08:50,930 --> 01:08:49,920

and

1863

01:08:53,090 --> 01:08:50,940

um

1864

01:08:54,229 --> 01:08:53,100

and then what would be the other

1865

01:08:57,229 --> 01:08:54,239

um

1866

01:08:58,370 --> 01:08:57,239

I think I guess probably if I really

1867

01:09:01,490 --> 01:08:58,380

think about probably the abduction

1868

01:09:03,650 --> 01:09:01,500

phenomena nice choice although I you

1869

01:09:06,890 --> 01:09:03,660

know I said it's hard I I haven't

1870

01:09:09,709 --> 01:09:06,900

focused on it as much as I should really

1871

01:09:11,870 --> 01:09:09,719

but uh it certainly seems to be

1872

01:09:13,550 --> 01:09:11,880

you know the weirdest aspect of it and

1873

01:09:15,650 --> 01:09:13,560

the most personal aspect of it

1874

01:09:18,169 --> 01:09:15,660

absolutely yeah

1875

01:09:20,269 --> 01:09:18,179

and uh just before we let you go Dave I

1876

01:09:21,530 --> 01:09:20,279

know you're working on a podcast uh you

1877

01:09:22,970 --> 01:09:21,540

got something going you want to just

1878

01:09:24,709 --> 01:09:22,980

explain a little bit when that comes out

1879

01:09:26,630 --> 01:09:24,719

what what you're uh what you're planning

1880

01:09:29,090 --> 01:09:26,640

to do with it well we've we've done

1881

01:09:32,269 --> 01:09:29,100

about we've we've done six episodes sort

1882

01:09:34,430 --> 01:09:32,279

of to testing it out and we're um so

1883

01:09:37,849 --> 01:09:34,440

we're cutting those all together now and

1884

01:09:40,130 --> 01:09:37,859

gonna try and find the right spot for it

1885

01:09:42,590 --> 01:09:40,140

um hopefully hopefully in the next month

1886

01:09:45,470 --> 01:09:42,600

or so we'll start getting these up up

1887

01:09:47,510 --> 01:09:45,480

and uh running somewhere but it's gonna

1888

01:09:49,789 --> 01:09:47,520

be a podcast called um

1889

01:09:51,650 --> 01:09:49,799

a really

1890

01:09:53,209 --> 01:09:51,660

um hosted by myself and my friend Tom

1891

01:09:56,450 --> 01:09:53,219

wheeler who's a screenwriter and

1892

01:09:58,070 --> 01:09:56,460

novelist uh and showrunner

1893

01:09:59,090 --> 01:09:58,080

um and basically we're we're trying to

1894

01:10:01,669 --> 01:09:59,100

be uh

1895

01:10:03,169 --> 01:10:01,679

as I've described it as the UFO podcast

1896

01:10:06,350 --> 01:10:03,179

for people that aren't already hosting

1897

01:10:07,850 --> 01:10:06,360

their own UFO podcast nice nice

1898

01:10:10,910 --> 01:10:07,860

so we're trying to make it General

1899

01:10:12,169 --> 01:10:10,920

enough as a as an as an on-ramp for

1900

01:10:13,910 --> 01:10:12,179

people who are maybe just getting

1901

01:10:16,490 --> 01:10:13,920

curious about it

1902

01:10:19,310 --> 01:10:16,500

you know and we we said we we punctuate

1903

01:10:21,890 --> 01:10:19,320

really with uh question mark exclamation

1904

01:10:23,450 --> 01:10:21,900

mark period uh because I think that's

1905

01:10:24,770 --> 01:10:23,460

the the transition you go through once

1906

01:10:27,350 --> 01:10:24,780

you you get a little bit curious about

1907

01:10:29,030 --> 01:10:27,360

the subject either then startled by what

1908

01:10:31,669 --> 01:10:29,040

you find out and eventually you sort of

1909

01:10:34,970 --> 01:10:31,679

settle into going all right this is real

1910

01:10:38,270 --> 01:10:34,980

acceptance yeah acceptance that there

1911

01:10:40,430 --> 01:10:38,280

that there there is a UFO reality uh

1912

01:10:45,050 --> 01:10:40,440

what it is I don't think anyone knows

1913

01:10:46,310 --> 01:10:45,060

but there is one yeah well said so we're

1914

01:10:48,169 --> 01:10:46,320

just yeah we're just gonna try and

1915

01:10:51,830 --> 01:10:48,179

basically just be

1916

01:10:53,570 --> 01:10:51,840

uh a very an approachable on-ramp for

1917

01:10:54,830 --> 01:10:53,580

people who are just getting curious

1918

01:10:56,630 --> 01:10:54,840

about the subject

1919

01:10:58,610 --> 01:10:56,640

yeah which is great we need that

1920

01:10:59,870 --> 01:10:58,620

somebody commented on Twitter this

1921

01:11:02,149 --> 01:10:59,880

morning like

1922

01:11:04,310 --> 01:11:02,159

why is the bulk of the population not

1923

01:11:06,470 --> 01:11:04,320

interested in this subject and I just

1924

01:11:07,850 --> 01:11:06,480

commented below that we need to be the

1925

01:11:09,890 --> 01:11:07,860

ones that start educating these people

1926

01:11:11,810 --> 01:11:09,900

at least catch them up to speed with

1927

01:11:13,970 --> 01:11:11,820

what's going on they're not ever going

1928

01:11:16,310 --> 01:11:13,980

to accept it until we start having these

1929

01:11:19,430 --> 01:11:16,320

conversations you know it doesn't matter

1930

01:11:22,189 --> 01:11:19,440

who you are on this planet this affects

1931

01:11:23,689 --> 01:11:22,199

everybody so yeah when the more people

1932

01:11:26,570 --> 01:11:23,699

who are doing what you what you guys are

1933

01:11:28,910 --> 01:11:26,580

doing having the conversation and and

1934

01:11:31,729 --> 01:11:28,920

and and and being a place

1935

01:11:34,790 --> 01:11:31,739

where people can tell their stories you

1936

01:11:37,669 --> 01:11:34,800

know uh it's just in in you know

1937

01:11:39,890 --> 01:11:37,679

incremental change and um

1938

01:11:43,010 --> 01:11:39,900

uh and everyone contributing to the

1939

01:11:45,470 --> 01:11:43,020

conversation uh is gonna is going to eat

1940

01:11:48,890 --> 01:11:45,480

away at the sort of the this giant block

1941

01:11:50,630 --> 01:11:48,900

of uh of fiscation oh boy is it ever a

1942

01:11:52,430 --> 01:11:50,640

big block Louie do you have any final

1943

01:11:53,870 --> 01:11:52,440

questions for Dave today no just a big

1944

01:11:55,189 --> 01:11:53,880

thanks Dave we appreciate your time we

1945

01:11:57,169 --> 01:11:55,199

know you're a busy guy and you got lots

1946

01:11:58,910 --> 01:11:57,179

of stuff on the go uh but thank you for

1947

01:12:00,470 --> 01:11:58,920

making time for us

1948

01:12:03,050 --> 01:12:00,480

um and we really like your way of

1949

01:12:04,790 --> 01:12:03,060

thinking about things your humility you

1950

01:12:07,970 --> 01:12:04,800

are uh you're very Canadian and we love

1951

01:12:10,430 --> 01:12:07,980

that absolutely I can't seem to get rid

1952

01:12:11,689 --> 01:12:10,440

of it yeah no people tell us they say we

1953

01:12:13,790 --> 01:12:11,699

don't know what it is about you guys you

1954

01:12:15,350 --> 01:12:13,800

just have a certain certain niceness

1955

01:12:17,630 --> 01:12:15,360

it's called being Canadian you know

1956

01:12:19,430 --> 01:12:17,640

we're compassionate we hear people out

1957

01:12:22,669 --> 01:12:19,440

we're not here trying to put people down

1958

01:12:24,649 --> 01:12:22,679

and um I think the UFO Community as a

1959

01:12:27,110 --> 01:12:24,659

whole can learn a lot from that if you

1960

01:12:29,450 --> 01:12:27,120

go on uh UFO Twitter it's not so pretty

1961

01:12:31,490 --> 01:12:29,460

sometimes but I don't know I think if we

1962

01:12:33,590 --> 01:12:31,500

all just show a little compassion even

1963

01:12:35,750 --> 01:12:33,600

if somebody is completely out there and

1964

01:12:37,610 --> 01:12:35,760

against what you believe just leave me

1965

01:12:40,010 --> 01:12:37,620

don't go out of your way to troll people

1966

01:12:41,810 --> 01:12:40,020

people and write negative comments on

1967

01:12:43,490 --> 01:12:41,820

people's shows and everything else like

1968

01:12:45,050 --> 01:12:43,500

if I find something I don't like I just

1969

01:12:47,270 --> 01:12:45,060

keep go keep going it's not even worth

1970

01:12:47,990 --> 01:12:47,280

my time so don't be one of those people

1971

01:12:52,010 --> 01:12:48,000

to

1972

01:12:54,229 --> 01:12:52,020

yourself you know that's that's our

1973

01:12:56,090 --> 01:12:54,239

advice to the to the world but uh thank

1974

01:12:57,290 --> 01:12:56,100

you for your time and uh we'll turn it

1975

01:12:58,910 --> 01:12:57,300

over to our viewers what did you guys

1976

01:13:00,709 --> 01:12:58,920

think of today's show let us know in the

1977

01:13:02,630 --> 01:13:00,719

comment section uh if you liked it

1978

01:13:04,490 --> 01:13:02,640

please give us a like and if you haven't

1979

01:13:06,890 --> 01:13:04,500

yet subscribe please do so we're on

1980

01:13:09,830 --> 01:13:06,900

every platform YouTube Apple Spotify

1981

01:13:10,850 --> 01:13:09,840

we're on the unnext network

1982

01:13:13,370 --> 01:13:10,860

um and anywhere you get your favorite

1983

01:13:14,810 --> 01:13:13,380

podcast so with that we want to say

1984

01:13:17,209 --> 01:13:14,820

again thanks Dave we'd love to have you

1985

01:13:18,770 --> 01:13:17,219

back in the future and uh if you ever

1986

01:13:20,630 --> 01:13:18,780

want to get a couple Canadian dudes on

1987

01:13:22,850 --> 01:13:20,640

your show you let us know we'll uh I

1988

01:13:24,410 --> 01:13:22,860

will we'll be there all right that'll be

1989

01:13:25,850 --> 01:13:24,420

great and thanks thanks for having me on

1990

01:13:33,960 --> 01:13:25,860

and thanks for thanks for doing your

1991

01:13:33,970 --> 01:13:41,530

[Music]
