

UAP STUDIES PODCAST

1
00:00:03,710 --> 00:00:01,969
hey everybody how you doing Jay I always

2
00:00:05,269 --> 00:00:03,720
ask you how you doing today you said

3
00:00:07,369 --> 00:00:05,279
you're not feeling so good it's not so

4
00:00:09,950 --> 00:00:07,379
good not so I had one of those I don't

5
00:00:12,350 --> 00:00:09,960
know if it's covid or if it's a virus of

6
00:00:15,470 --> 00:00:12,360
some sort of the last 24 about 48 hours

7
00:00:17,390 --> 00:00:15,480
now uh just rough coughing up along you

8
00:00:19,609 --> 00:00:17,400
know congested like crazy I didn't want

9
00:00:21,890 --> 00:00:19,619
to miss this recording because we've had

10
00:00:24,590 --> 00:00:21,900
Darren scheduled for quite some time but

11
00:00:26,929 --> 00:00:24,600
uh I I popped some pills I'm ready to go

12
00:00:29,630 --> 00:00:26,939
no blue orbs or blue meanies or anything

13
00:00:31,490 --> 00:00:29,640

like that not yet I made I may pass out

14

00:00:32,870 --> 00:00:31,500

during the interview but so far so good

15

00:00:34,310 --> 00:00:32,880

yeah all right I got you buddy that's

16

00:00:35,690 --> 00:00:34,320

why we do this for two of us it's the

17

00:00:38,150 --> 00:00:35,700

reason you have two pilots in a plane

18

00:00:40,549 --> 00:00:38,160

just in case 100 dies

19

00:00:42,290 --> 00:00:40,559

passes out you know we don't eat the

20

00:00:44,750 --> 00:00:42,300

same meal we don't even stay in the same

21

00:00:46,310 --> 00:00:44,760

house we're that safe about it so just

22

00:00:48,049 --> 00:00:46,320

the way we're kidding aside though

23

00:00:49,610 --> 00:00:48,059

today's an awesome day we uh there's a

24

00:00:51,170 --> 00:00:49,620

new communications director for the John

25

00:00:52,850 --> 00:00:51,180

Mack Institute you know we're big fans

26

00:00:55,549 --> 00:00:52,860

of John Mack love his work with

27

00:00:57,350 --> 00:00:55,559

Psychiatry and kids and he wasn't scared

28

00:00:59,689 --> 00:00:57,360

to go after the UFO phenomenon even

29

00:01:01,610 --> 00:00:59,699

though Harvard damn near fired him over

30

00:01:03,529 --> 00:01:01,620

it you know they later came to his aid

31

00:01:05,210 --> 00:01:03,539

but we want to chat with somebody who

32

00:01:07,130 --> 00:01:05,220

also is in the world of research and has

33

00:01:09,289 --> 00:01:07,140

their own podcast somebody who knows

34

00:01:11,270 --> 00:01:09,299

everything about John Mack but also kind

35

00:01:13,250 --> 00:01:11,280

of understands this on a different level

36

00:01:15,530 --> 00:01:13,260

in terms of the phenomenon wouldn't you

37

00:01:17,210 --> 00:01:15,540

get that many reports and cases you have

38

00:01:19,730 --> 00:01:17,220

so much food for thought that you can

39

00:01:20,929 --> 00:01:19,740

get a really broad understanding and we

40

00:01:22,850 --> 00:01:20,939

love chatting with these people because

41

00:01:24,410 --> 00:01:22,860

we always learn something so it's going

42

00:01:26,870 --> 00:01:24,420

to be a fun day we're going to get

43

00:01:29,230 --> 00:01:26,880

Darren King on also known as EXO

with Darren King who also goes by the

66

00:02:42,830 --> 00:02:41,280

handle EXO academian uh he's a podcaster

67

00:02:44,690 --> 00:02:42,840

and a researcher he's also the

68

00:02:47,030 --> 00:02:44,700

communications director for the John E

69

00:02:49,670 --> 00:02:47,040

Mack Institute and that's basically a

70

00:02:51,470 --> 00:02:49,680

multi-disciplinary initiative to try to

71

00:02:53,990 --> 00:02:51,480

shed some light on the meaning of

72

00:02:55,150 --> 00:02:54,000

reality and deep questions so I'm very

73

00:02:57,890 --> 00:02:55,160

excited we're going to chat about

74

00:03:00,350 --> 00:02:57,900

Darren's career as well as John Mack and

75

00:03:02,150 --> 00:03:00,360

some of his work and uh yeah it's gonna

76
00:03:04,070 --> 00:03:02,160
be fun so with that welcome to the show

77
00:03:05,690 --> 00:03:04,080
Darren King

78
00:03:06,830 --> 00:03:05,700
thanks so much guys I'm really happy to

79
00:03:09,530 --> 00:03:06,840
join you I've heard great things about

80
00:03:10,550 --> 00:03:09,540
your podcast so uh I'm uh happy to do

81
00:03:12,050 --> 00:03:10,560
this and I think we're gonna have a

82
00:03:13,369 --> 00:03:12,060
great conversation well we hope we won't

83
00:03:15,830 --> 00:03:13,379
let you down we're going to do our best

84
00:03:17,449 --> 00:03:15,840
to keep that high standard up so tell us

85
00:03:20,030 --> 00:03:17,459
a little bit about yourself what got you

86
00:03:22,910 --> 00:03:20,040
into the topic and uh what led you into

87
00:03:24,890 --> 00:03:22,920
uh working at the John Mack Institute

88
00:03:26,690 --> 00:03:24,900

well that's the uh six million dollar

89

00:03:28,250 --> 00:03:26,700

question uh that's a complex one

90

00:03:30,410 --> 00:03:28,260

whenever asked people asking me how did

91

00:03:31,610 --> 00:03:30,420

you get into it in some ways I could

92

00:03:33,229 --> 00:03:31,620

sort of pick different moments in my

93

00:03:35,390 --> 00:03:33,239

life and start from there and it would

94

00:03:36,410 --> 00:03:35,400

still make sense uh I think one of the

95

00:03:39,710 --> 00:03:36,420

things that's really interesting about

96

00:03:41,449 --> 00:03:39,720

this phenomenon is that as time goes on

97

00:03:43,309 --> 00:03:41,459

and you have certain experiences it

98

00:03:47,030 --> 00:03:43,319

tends to recontextualize your entire

99

00:03:48,710 --> 00:03:47,040

life and so as time goes forward in a

100

00:03:51,949 --> 00:03:48,720

linear way at least how we perceive it

101

00:03:53,990 --> 00:03:51,959

it also feels like my my contextualized

102

00:03:55,850 --> 00:03:54,000

understanding of how this phenomenon has

103

00:03:57,770 --> 00:03:55,860

impacted me goes back further and

104

00:03:59,149 --> 00:03:57,780

further into my past so that's been an

105

00:04:01,250 --> 00:03:59,159

interesting

106

00:04:02,930 --> 00:04:01,260

thing to notice but I would say if

107

00:04:04,309 --> 00:04:02,940

there's one thing or a couple things I

108

00:04:07,490 --> 00:04:04,319

would point to

109

00:04:09,770 --> 00:04:07,500

I just had an an unusually strong draw

110

00:04:11,990 --> 00:04:09,780

to this topic really was drawn to

111

00:04:13,610 --> 00:04:12,000

Whitley strieber's books you know

112

00:04:16,069 --> 00:04:13,620

communion transformation breakthrough

113

00:04:17,930 --> 00:04:16,079

all those original ones secret School

114

00:04:19,370 --> 00:04:17,940

was fascinated by that also a little bit

115

00:04:21,949 --> 00:04:19,380

terrified by it as well I remember

116

00:04:23,810 --> 00:04:21,959

driving up to Mountain Cabins and

117

00:04:25,070 --> 00:04:23,820

sometimes you know flood lights would

118

00:04:26,930 --> 00:04:25,080

come on because there would be like the

119

00:04:28,790 --> 00:04:26,940

salt machine that you know they store

120

00:04:30,050 --> 00:04:28,800

all the salt into the floodlights if it

121

00:04:31,310 --> 00:04:30,060

come on you see this light flashing

122

00:04:32,030 --> 00:04:31,320

through the trees you think ah this is

123

00:04:34,070 --> 00:04:32,040

it

124

00:04:36,110 --> 00:04:34,080

you know abduction time after I had just

125

00:04:37,610 --> 00:04:36,120

read communion kind of thing and in fact

126

00:04:39,469 --> 00:04:37,620

we went up to this cabin funny quick

127

00:04:41,030 --> 00:04:39,479

story in the middle of the night the

128

00:04:43,730 --> 00:04:41,040

wind blew open like the door of the

129

00:04:44,990 --> 00:04:43,740

cabin and everyone around the table was

130

00:04:46,189 --> 00:04:45,000

just an interesting sociological

131

00:04:48,110 --> 00:04:46,199

experiment because everyone around the

132

00:04:50,090 --> 00:04:48,120

table had a different expectation or

133

00:04:51,710 --> 00:04:50,100

interpretation of what that was somebody

134

00:04:53,210 --> 00:04:51,720

thought ax murder somebody else thought

135

00:04:56,270 --> 00:04:53,220

bear or somebody else thought you know

136

00:04:57,710 --> 00:04:56,280

cougar I thought gray aliens you know so

137

00:05:00,590 --> 00:04:57,720

it's just funny how our expectations

138

00:05:02,629 --> 00:05:00,600

shape our our understanding of reality

139

00:05:04,129 --> 00:05:02,639

and then later on I had some anomalous

140

00:05:05,990 --> 00:05:04,139

experiences of my own

141

00:05:08,930 --> 00:05:06,000

really kind of mind-blowing experiences

142

00:05:10,490 --> 00:05:08,940

uh one really stands out is both my

143

00:05:14,030 --> 00:05:10,500

ex-wife and I

144

00:05:16,670 --> 00:05:14,040

woke up to find a female entity at the

145

00:05:19,550 --> 00:05:16,680

end of our bed that seems surprised that

146

00:05:21,710 --> 00:05:19,560

we could see her slash it and then this

147

00:05:24,290 --> 00:05:21,720

entity proceeded to pass through the

148

00:05:26,270 --> 00:05:24,300

wall and then I did a funny thing which

149

00:05:27,890 --> 00:05:26,280

was actually not so funny or not so

150

00:05:29,570 --> 00:05:27,900

uncommon according to this literature

151

00:05:31,670 --> 00:05:29,580

I'm sure you both have heard about this

152

00:05:34,310 --> 00:05:31,680

I turned around went straight to bed as

153

00:05:37,550 --> 00:05:34,320

if nothing unusual had happened at all

154

00:05:39,170 --> 00:05:37,560

thankfully my ex-wife shook me awake and

155

00:05:40,129 --> 00:05:39,180

said what are you doing before I went to

156

00:05:41,629 --> 00:05:40,139

sleep and said you know what are you

157

00:05:43,550 --> 00:05:41,639

doing trying to go back to sleep we know

158

00:05:45,590 --> 00:05:43,560

what we both saw and that kind of shook

159

00:05:47,510 --> 00:05:45,600

me out of my stupor which is really

160

00:05:49,730 --> 00:05:47,520

fascinating to me because if I had not

161

00:05:50,930 --> 00:05:49,740

been sort of shaken out of my studio I

162

00:05:52,070 --> 00:05:50,940

probably would have gone to sleep and

163

00:05:54,469 --> 00:05:52,080

probably would have forgotten about it

164

00:05:56,450 --> 00:05:54,479

or assumed it was a dream but we both

165

00:05:57,710 --> 00:05:56,460

saw it it wasn't hallucination it wasn't

166

00:05:59,810 --> 00:05:57,720

a dream

167

00:06:02,150 --> 00:05:59,820

we uh we hightailed each other pretty

168

00:06:03,950 --> 00:06:02,160

quickly after that it was only years

169

00:06:06,170 --> 00:06:03,960

later when I started really researching

170

00:06:08,390 --> 00:06:06,180

the UFO phenomenon that I began to

171

00:06:11,330 --> 00:06:08,400

encounter all of the high strangeness

172

00:06:15,170 --> 00:06:11,340

and learned how that particular response

173

00:06:18,050 --> 00:06:15,180

almost that behavioral uh control of my

174

00:06:19,909 --> 00:06:18,060

my actions by some other intelligence is

175

00:06:21,350 --> 00:06:19,919

very very common in this phenomenon I'm

176

00:06:23,510 --> 00:06:21,360

sure you both know

177

00:06:25,550 --> 00:06:23,520

so that's kind of how that happened

178

00:06:27,409 --> 00:06:25,560

then I started up this podcast thinking

179

00:06:28,790 --> 00:06:27,419

it was going to be just me and five

180

00:06:31,909 --> 00:06:28,800

people listening

181

00:06:33,409 --> 00:06:31,919

than that and I just was going to

182

00:06:35,090 --> 00:06:33,419

reflect on my own experiences and

183

00:06:36,770 --> 00:06:35,100

reflect on what I was learning about

184

00:06:39,290 --> 00:06:36,780

other people's experiences and the

185

00:06:41,749 --> 00:06:39,300

Nuance of all of this because I think

186

00:06:43,490 --> 00:06:41,759

about it in spiritual terms too I have a

187

00:06:45,890 --> 00:06:43,500

religious studies background as well and

188

00:06:47,629 --> 00:06:45,900

so I really wanted to make sense of that

189

00:06:48,950 --> 00:06:47,639

how does that fit in with non-duality

190

00:06:50,749 --> 00:06:48,960

which is so common in people's

191

00:06:54,590 --> 00:06:50,759

experience kind of ego death in these

192

00:06:57,290 --> 00:06:54,600

situations so a lot to parse through and

193

00:06:59,510 --> 00:06:57,300

then because of that podcast

194

00:07:01,550 --> 00:06:59,520

being pretty widespread I was then

195

00:07:03,950 --> 00:07:01,560

invited to go to some some Retreats and

196

00:07:05,270 --> 00:07:03,960

some conferences and begin to speak I

197

00:07:06,590 --> 00:07:05,280

went to a retreat last year at the

198

00:07:08,749 --> 00:07:06,600

Monroe Institute which was really really

199

00:07:11,510 --> 00:07:08,759

interesting and we had some very

200

00:07:13,969 --> 00:07:11,520

interesting experiences we engaged in

201
00:07:16,629 --> 00:07:13,979
ce5 slash The Heist protocols and had

202
00:07:19,189 --> 00:07:16,639
experiences there captured it on film

203
00:07:21,230 --> 00:07:19,199
soon after that I actually began to get

204
00:07:24,050 --> 00:07:21,240
kind of telepathic downloads because of

205
00:07:26,330 --> 00:07:24,060
that experience woke up with new bits of

206
00:07:28,370 --> 00:07:26,340
information in my mind that only as the

207
00:07:30,050 --> 00:07:28,380
days went on with this sort of slot into

208
00:07:31,189 --> 00:07:30,060
place and I go oh this was this is where

209
00:07:32,689 --> 00:07:31,199
that makes sense but I wouldn't know

210
00:07:35,510 --> 00:07:32,699
initially

211
00:07:38,510 --> 00:07:35,520
and as I began to continue to talk about

212
00:07:41,089 --> 00:07:38,520
these things and just really delve into

213
00:07:42,770 --> 00:07:41,099

the nuances of it turns out people

214

00:07:44,570 --> 00:07:42,780

associated with the John Mack Institute

215

00:07:46,610 --> 00:07:44,580

happened to hear my podcast while

216

00:07:48,950 --> 00:07:46,620

traveling across the country listen to

217

00:07:51,170 --> 00:07:48,960

episodes back to back to back really

218

00:07:54,050 --> 00:07:51,180

appreciated the nuanced way that I I

219

00:07:56,689 --> 00:07:54,060

tackled the topic and also really helped

220

00:07:59,330 --> 00:07:56,699

to Champion the cause of experiencers

221

00:08:00,770 --> 00:07:59,340

who've had many of these experiences so

222

00:08:02,570 --> 00:08:00,780

that's kind of how I got involved with

223

00:08:03,589 --> 00:08:02,580

them and that's the long story short how

224

00:08:05,689 --> 00:08:03,599

I ended up being the communications

225

00:08:09,469 --> 00:08:05,699

director for the John Mack Institute

226

00:08:12,830 --> 00:08:09,479

nice uh Darren I'm curious about the

227

00:08:15,409 --> 00:08:12,840

details on this uh this woman won

228

00:08:17,029 --> 00:08:15,419

because you were almost like nonchalant

229

00:08:19,129 --> 00:08:17,039

about it like oh whatever I'll just go

230

00:08:21,170 --> 00:08:19,139

back to bed it's weird but people do do

231

00:08:23,809 --> 00:08:21,180

that when some weird stuff just happened

232

00:08:25,790 --> 00:08:23,819

to them uh but do you do you

233

00:08:28,189 --> 00:08:25,800

specifically remember any details about

234

00:08:31,129 --> 00:08:28,199

this woman like did she look human like

235

00:08:33,050 --> 00:08:31,139

how what was her look did dark hair or

236

00:08:36,589 --> 00:08:33,060

or pale or

237

00:08:38,870 --> 00:08:36,599

so my first my first assumption was that

238

00:08:40,430 --> 00:08:38,880

it was our three-year-old daughter that

239

00:08:42,350 --> 00:08:40,440

was sleeping in the bed besides us but

240

00:08:44,269 --> 00:08:42,360

really that's only because your mind

241

00:08:47,030 --> 00:08:44,279

tries to rationally come up with some

242

00:08:49,670 --> 00:08:47,040

sort of solution right when I sort of

243

00:08:52,790 --> 00:08:49,680

got up it was clear that this being was

244

00:08:56,750 --> 00:08:52,800

too tall to be my daughter and didn't

245

00:08:58,430 --> 00:08:56,760

really look like her had had blonde hair

246

00:08:59,930 --> 00:08:58,440

looked mostly human there was something

247

00:09:01,790 --> 00:08:59,940

a little bit weird

248

00:09:04,550 --> 00:09:01,800

more angular or something but I couldn't

249

00:09:06,650 --> 00:09:04,560

quite put my finger on it

250

00:09:09,230 --> 00:09:06,660

but other than that looks mostly human

251

00:09:11,750 --> 00:09:09,240

what's interesting is that

252

00:09:14,269 --> 00:09:11,760

my ex-wife and I both saw the same

253

00:09:15,650 --> 00:09:14,279

entity to subscribe to the same way but

254

00:09:17,509 --> 00:09:15,660

there were subtle differences in what we

255

00:09:19,190 --> 00:09:17,519

perceived as well which was really

256

00:09:20,690 --> 00:09:19,200

fascinating and really I think throws us

257

00:09:22,610 --> 00:09:20,700

for a loop and I think that really

258

00:09:24,530 --> 00:09:22,620

raises some interesting questions about

259

00:09:27,410 --> 00:09:24,540

how Consciousness and perception come

260

00:09:29,449 --> 00:09:27,420

into this entire Endeavor for instance

261

00:09:31,910 --> 00:09:29,459

she saw flowing hair as if there was

262

00:09:33,949 --> 00:09:31,920

like wind blowing the hair I saw a hair

263

00:09:35,930 --> 00:09:33,959

that was just flat against the the head

264

00:09:37,490 --> 00:09:35,940

so little things like that I'm sorry

265

00:09:38,449 --> 00:09:37,500

really you saw that I did not see that I

266

00:09:40,310 --> 00:09:38,459

saw this

267

00:09:42,230 --> 00:09:40,320

so yeah that's that's kind of what we

268

00:09:43,850 --> 00:09:42,240

both saw very similar but subtle

269

00:09:45,829 --> 00:09:43,860

differences too and in fact to give you

270

00:09:47,690 --> 00:09:45,839

a bit more of the story when I turned

271

00:09:50,030 --> 00:09:47,700

around to come back to bed

272

00:09:52,009 --> 00:09:50,040

which again makes no sense

273

00:09:53,750 --> 00:09:52,019

because I remember feeling that sense of

274

00:09:55,610 --> 00:09:53,760

what is this what is going on but then I

275

00:09:58,130 --> 00:09:55,620

just turned around went back to bed as I

276

00:10:00,230 --> 00:09:58,140

did that my ex-wife saw this being come

277

00:10:02,150 --> 00:10:00,240

back through the wall proceed to walk

278

00:10:03,949 --> 00:10:02,160

down the front of the hotel room and

279

00:10:06,829 --> 00:10:03,959

then through the front door of the hotel

280

00:10:08,930 --> 00:10:06,839

uh room so we got one bed here another

281

00:10:10,910 --> 00:10:08,940

bed here sort of this passageway to the

282

00:10:12,050 --> 00:10:10,920

front door over here so walk down the

283

00:10:13,850 --> 00:10:12,060

hall and went right through the door so

284

00:10:15,949 --> 00:10:13,860

I didn't see any of that she saw that

285

00:10:18,230 --> 00:10:15,959

and that's again and then she woke or

286

00:10:20,030 --> 00:10:18,240

shook me out of my stupor and then we we

287

00:10:22,670 --> 00:10:20,040

talked it over and hightailed it out of

288

00:10:24,230 --> 00:10:22,680

there after that I bet what do you make

289

00:10:26,269 --> 00:10:24,240

the sort of the overlapping

290

00:10:28,070 --> 00:10:26,279

characteristics of the phenomenon I mean

291

00:10:29,449 --> 00:10:28,080

there's so much it's not just nuts and

292

00:10:31,790 --> 00:10:29,459

bolt craft anymore right you've got

293

00:10:33,290 --> 00:10:31,800

sightings non-human intelligence

294

00:10:35,570 --> 00:10:33,300

interactions you've got outer body

295

00:10:37,790 --> 00:10:35,580

experiences even when you get into the

296

00:10:41,210 --> 00:10:37,800

talk of Consciousness and parapsychology

297

00:10:43,250 --> 00:10:41,220

things like precognition or telekinesis

298

00:10:46,430 --> 00:10:43,260

what do you make of it are they all

299

00:10:48,769 --> 00:10:46,440

related or are they all individual just

300

00:10:50,630 --> 00:10:48,779

accessed at different levels of reality

301
00:10:52,670 --> 00:10:50,640
somehow what do you think

302
00:10:55,310 --> 00:10:52,680
yeah well what's interesting is it seems

303
00:10:57,230 --> 00:10:55,320
like any one of those different kinds of

304
00:10:59,810 --> 00:10:57,240
what are known as the contact modalities

305
00:11:02,090 --> 00:10:59,820
is what Ray Hernandez called them is any

306
00:11:04,370 --> 00:11:02,100
one of those can sort of trigger the

307
00:11:05,630 --> 00:11:04,380
arrival of the other ones yeah because

308
00:11:07,490 --> 00:11:05,640
someone who's had a near-death

309
00:11:09,769 --> 00:11:07,500
experience quite often afterwards will

310
00:11:11,269 --> 00:11:09,779
be able to sometimes see entities around

311
00:11:12,650 --> 00:11:11,279
sometimes in the corner of their eyes

312
00:11:14,030 --> 00:11:12,660
sometimes straight onto other people

313
00:11:15,650 --> 00:11:14,040

don't notice

314

00:11:17,930 --> 00:11:15,660

as you mentioned some people come back

315

00:11:19,370 --> 00:11:17,940

from a near-death experience or from an

316

00:11:20,150 --> 00:11:19,380

encounter with apparently non-human

317

00:11:22,009 --> 00:11:20,160

intelligence or at least

318

00:11:23,269 --> 00:11:22,019

non-conventionally human intelligence we

319

00:11:26,030 --> 00:11:23,279

can get into that later

320

00:11:28,370 --> 00:11:26,040

and they they both have precognitive

321

00:11:30,290 --> 00:11:28,380

dreams or precognitive visions and that

322

00:11:31,790 --> 00:11:30,300

kind of thing sometimes these people

323

00:11:33,710 --> 00:11:31,800

feel very frustrated by this because

324

00:11:35,090 --> 00:11:33,720

sometimes it's not in enough time to do

325

00:11:36,829 --> 00:11:35,100

anything about this kind of thing and

326

00:11:39,829 --> 00:11:36,839

it's not even necessarily precise enough

327

00:11:41,329 --> 00:11:39,839

to do anything about it to prevent it

328

00:11:43,790 --> 00:11:41,339

on the other hand I do know people

329

00:11:46,190 --> 00:11:43,800

personally experiencers who do sometimes

330

00:11:47,990 --> 00:11:46,200

have a premonition of something coming

331

00:11:49,850 --> 00:11:48,000

and then actually are able to at the

332

00:11:51,590 --> 00:11:49,860

last minute recognize they're in that

333

00:11:53,750 --> 00:11:51,600

very scenario and they are able to

334

00:11:54,889 --> 00:11:53,760

change their behavior subtly and avoid

335

00:11:56,329 --> 00:11:54,899

something that would have been not so

336

00:11:58,730 --> 00:11:56,339

good after all

337

00:12:00,410 --> 00:11:58,740

if they had not noticed that so yeah I

338

00:12:02,870 --> 00:12:00,420

think near-death experience Out of Body

339

00:12:04,970 --> 00:12:02,880

Experience parapsychological

340

00:12:06,949 --> 00:12:04,980

kind of features like precognition

341

00:12:09,230 --> 00:12:06,959

telekinesis

342

00:12:10,910 --> 00:12:09,240

all this kind of thing is somehow

343

00:12:13,490 --> 00:12:10,920

related it says something about I think

344

00:12:15,230 --> 00:12:13,500

broader reality and this is where I'm

345

00:12:18,290 --> 00:12:15,240

really fascinated by people like Donald

346

00:12:20,509 --> 00:12:18,300

Hoffman and his work in terms of

347

00:12:22,069 --> 00:12:20,519

him helping to us us to understand that

348

00:12:24,410 --> 00:12:22,079

what we actually perceive as everyday

349

00:12:26,930 --> 00:12:24,420

reality and consensus reality is

350

00:12:28,490 --> 00:12:26,940

actually not even just a slice of a much

351

00:12:30,889 --> 00:12:28,500

larger reality but actually a

352

00:12:33,590 --> 00:12:30,899

translation into a kind of interface

353

00:12:35,750 --> 00:12:33,600

with icons that allow us to navigate and

354

00:12:37,610 --> 00:12:35,760

stay alive and propagate the species but

355

00:12:40,009 --> 00:12:37,620

we're actually not seeing is base

356

00:12:41,449 --> 00:12:40,019

reality so when people have these

357

00:12:43,790 --> 00:12:41,459

experiences perhaps what they're seeing

358

00:12:44,930 --> 00:12:43,800

is more of what's all around us and this

359

00:12:47,090 --> 00:12:44,940

is one of the things I think science

360

00:12:48,590 --> 00:12:47,100

really needs to reckon with this is not

361

00:12:51,170 --> 00:12:48,600

about seeing things that are not really

362

00:12:53,389 --> 00:12:51,180

real but actually that perhaps what we

363

00:12:55,730 --> 00:12:53,399

perceive is not exactly real it's more

364

00:12:58,430 --> 00:12:55,740

like a translation an interphase not a

365

00:13:00,829 --> 00:12:58,440

one-to-one kind of analogy he uses the

366

00:13:03,710 --> 00:13:00,839

the analogy of a trash icon in your

367

00:13:05,810 --> 00:13:03,720

desktop screen that's useful we can use

368

00:13:08,150 --> 00:13:05,820

it to navigate and do things with files

369

00:13:09,829 --> 00:13:08,160

but of course the underlying reality of

370

00:13:11,269 --> 00:13:09,839

binary code and whatnot has nothing to

371

00:13:13,970 --> 00:13:11,279

do with the appearance of that trash

372

00:13:16,370 --> 00:13:13,980

icon so from his point of view and this

373

00:13:18,949 --> 00:13:16,380

is Bath backed up by mathematical proofs

374

00:13:20,750 --> 00:13:18,959

on top of that what we actually perceive

375

00:13:23,750 --> 00:13:20,760

as more like icons like that on a

376

00:13:25,009 --> 00:13:23,760

desktop screen we share those icons much

377

00:13:26,509 --> 00:13:25,019

of the time because we have the same

378

00:13:29,389 --> 00:13:26,519

evolutionary background and this is

379

00:13:31,069 --> 00:13:29,399

partly a product of evolution but this

380

00:13:32,389 --> 00:13:31,079

opens up some really interesting

381

00:13:34,610 --> 00:13:32,399

possibilities when we think about this

382

00:13:36,290 --> 00:13:34,620

phenomenon and people experiencing

383

00:13:38,810 --> 00:13:36,300

things that don't seem to fit within

384

00:13:41,449 --> 00:13:38,820

consensus reality again it may be

385

00:13:43,790 --> 00:13:41,459

because they don't render on our screen

386

00:13:45,350 --> 00:13:43,800

a perception but again the differences

387

00:13:47,090 --> 00:13:45,360

our screen of perception is not

388

00:13:49,430 --> 00:13:47,100

necessarily based reality in fact he

389

00:13:50,810 --> 00:13:49,440

says it's almost completely the case

390

00:13:53,509 --> 00:13:50,820

that it cannot be

391

00:13:56,030 --> 00:13:53,519

right even studying stuff like Jacque

392

00:13:58,190 --> 00:13:56,040

Valley like how many times these changes

393

00:14:00,350 --> 00:13:58,200

ideas or looked at different aspects of

394

00:14:02,690 --> 00:14:00,360

the phenomenon and he still doesn't even

395

00:14:05,090 --> 00:14:02,700

have a clear answer as to what this is

396

00:14:07,250 --> 00:14:05,100

like it's it seems to be almost like a

397

00:14:09,170 --> 00:14:07,260

like a non-practical joke but it almost

398

00:14:11,870 --> 00:14:09,180

seems like it's it's never ending like

399

00:14:13,910 --> 00:14:11,880

this is just way beyond our our pay

400

00:14:16,250 --> 00:14:13,920

grade or our understanding as a species

401
00:14:17,870 --> 00:14:16,260
you know because and we talk about this

402
00:14:19,790 --> 00:14:17,880
quite a bit with different people and

403
00:14:23,150 --> 00:14:19,800
you know you know this as much as we do

404
00:14:24,829 --> 00:14:23,160
but we all know our world based on the

405
00:14:27,170 --> 00:14:24,839
five senses that we have and our five

406
00:14:28,910 --> 00:14:27,180
senses are very limited we could only

407
00:14:30,230 --> 00:14:28,920
hear it to a certain frequency can only

408
00:14:32,269 --> 00:14:30,240
see a certain amount of the light

409
00:14:35,150 --> 00:14:32,279
spectrum like we're Limited

410
00:14:38,030 --> 00:14:35,160
and you're right maybe it exists in our

411
00:14:40,069 --> 00:14:38,040
reality in actually coexist with us it's

412
00:14:41,569 --> 00:14:40,079
just we can't see it no more than a

413
00:14:43,490 --> 00:14:41,579

bacteria can see when it's being

414

00:14:46,550 --> 00:14:43,500

observed by somebody in a microscope

415

00:14:48,230 --> 00:14:46,560

right so it's uh it's important it's

416

00:14:50,210 --> 00:14:48,240

it's important that we sort of put

417

00:14:51,710 --> 00:14:50,220

ourselves a little bit lower down the

418

00:14:54,350 --> 00:14:51,720

intelligence change that we thought we

419

00:14:56,389 --> 00:14:54,360

were and maybe admit that we're maybe

420

00:14:58,009 --> 00:14:56,399

not as high on a totem pole

421

00:15:00,470 --> 00:14:58,019

well and what's what's also interesting

422

00:15:02,990 --> 00:15:00,480

about that again Hoffman's point in his

423

00:15:04,790 --> 00:15:03,000

research is that science basically is a

424

00:15:06,889 --> 00:15:04,800

little bit unscientific about some of

425

00:15:08,750 --> 00:15:06,899

our assumptions because we have these

426

00:15:10,250 --> 00:15:08,760

intuitions that we trust because they're

427

00:15:12,350 --> 00:15:10,260

so close to us like you said the five

428

00:15:14,269 --> 00:15:12,360

senses that's all we've most of us

429

00:15:15,410 --> 00:15:14,279

that's all we've used to ever behold

430

00:15:17,930 --> 00:15:15,420

reality

431

00:15:20,090 --> 00:15:17,940

but if it turns out that research

432

00:15:21,829 --> 00:15:20,100

actually suggests is in the data in the

433

00:15:23,509 --> 00:15:21,839

mathematical theorems right when you run

434

00:15:25,670 --> 00:15:23,519

game theory and whatnot that's what he's

435

00:15:27,949 --> 00:15:25,680

done with his team

436

00:15:30,350 --> 00:15:27,959

it's not just unlikely that what we

437

00:15:32,030 --> 00:15:30,360

perceive as reality is not really the

438

00:15:34,850 --> 00:15:32,040

underlying construct but it's almost

439

00:15:37,370 --> 00:15:34,860

guaranteed it's not and this is one of

440

00:15:39,470 --> 00:15:37,380

the things that an assumption that

441

00:15:41,030 --> 00:15:39,480

science needs to get Beyond because the

442

00:15:43,189 --> 00:15:41,040

assumption is sure we don't see

443

00:15:45,889 --> 00:15:43,199

everything but what we see is accurate

444

00:15:48,290 --> 00:15:45,899

its representationally accurate right in

445

00:15:50,629 --> 00:15:48,300

in terms of allowing us to navigate in a

446

00:15:53,150 --> 00:15:50,639

way that keeps us alive but the point is

447

00:15:55,009 --> 00:15:53,160

the actual raw data is so immense

448

00:15:56,449 --> 00:15:55,019

there's so much volume to it that we

449

00:15:58,430 --> 00:15:56,459

would be completely overwhelmed we would

450

00:16:00,470 --> 00:15:58,440

have been eaten by lions our ancestors

451
00:16:01,910 --> 00:16:00,480
would have been and in fact he even goes

452
00:16:04,310 --> 00:16:01,920
as far as saying that perhaps the people

453
00:16:06,590 --> 00:16:04,320
who saw more of reality just didn't

454
00:16:09,110 --> 00:16:06,600
survive and they didn't propagate to

455
00:16:11,750 --> 00:16:09,120
have you know Offspring and so we by

456
00:16:13,610 --> 00:16:11,760
definition of being alive today are The

457
00:16:15,829 --> 00:16:13,620
Offspring of these ancestors who learn

458
00:16:18,710 --> 00:16:15,839
these shortcuts these these interface

459
00:16:20,629 --> 00:16:18,720
and icons that allow us to make our way

460
00:16:22,850 --> 00:16:20,639
through an incredibly diverse and

461
00:16:24,590 --> 00:16:22,860
complex array of data and we've learned

462
00:16:26,210 --> 00:16:24,600
to just see enough of it and hear enough

463
00:16:28,550 --> 00:16:26,220

of it and smell enough of it and touch

464

00:16:30,889 --> 00:16:28,560

enough of it that we can stay alive but

465

00:16:33,050 --> 00:16:30,899

again I think that opens up some really

466

00:16:35,210 --> 00:16:33,060

fascinating Avenues to pursue when you

467

00:16:36,650 --> 00:16:35,220

sort of pair those together because not

468

00:16:37,490 --> 00:16:36,660

only do people experience broader

469

00:16:39,650 --> 00:16:37,500

reality

470

00:16:41,150 --> 00:16:39,660

but as I'm sure you both know so many

471

00:16:42,910 --> 00:16:41,160

people come back from near-death

472

00:16:45,829 --> 00:16:42,920

experiences out of body experiences

473

00:16:47,509 --> 00:16:45,839

encounters with others and say that

474

00:16:49,670 --> 00:16:47,519

actually felt more real than this

475

00:16:52,310 --> 00:16:49,680

there's this element of more real than

476
00:16:53,810 --> 00:16:52,320
real and those situations than here what

477
00:16:55,610 --> 00:16:53,820
is that about these are things that we

478
00:16:56,329 --> 00:16:55,620
should uh we should pursue in research I

479
00:16:58,189 --> 00:16:56,339
think

480
00:17:00,350 --> 00:16:58,199
what are your thoughts on the sort of

481
00:17:02,210 --> 00:17:00,360
spiritual transformation that a lot of

482
00:17:04,309 --> 00:17:02,220
experiencers have even people that were

483
00:17:06,590 --> 00:17:04,319
atheists or don't consider themselves

484
00:17:08,449 --> 00:17:06,600
religious they almost have the same

485
00:17:11,270 --> 00:17:08,459
effects that you know people that are

486
00:17:13,490 --> 00:17:11,280
doing work with DMT or psilocybin where

487
00:17:16,250 --> 00:17:13,500
the chemical has a profound effect on

488
00:17:18,409 --> 00:17:16,260

the brain and on the reality well if you

489

00:17:20,750 --> 00:17:18,419

see a crafter you know have an exchange

490

00:17:22,970 --> 00:17:20,760

with an ET there's no drugs involved but

491

00:17:25,189 --> 00:17:22,980

somehow the brain has changed and we

492

00:17:28,069 --> 00:17:25,199

even chatted with like Gary Nolan and he

493

00:17:30,350 --> 00:17:28,079

talks about the the basal ganglia being

494

00:17:32,450 --> 00:17:30,360

changed and like Dr Bob Davis saying

495

00:17:34,669 --> 00:17:32,460

they do EEG scans on people that are

496

00:17:36,590 --> 00:17:34,679

Clairvoyant and there's like random

497

00:17:38,810 --> 00:17:36,600

parts of the brain that will communicate

498

00:17:40,970 --> 00:17:38,820

with the whole brain and very anomalous

499

00:17:43,010 --> 00:17:40,980

things so what are your thoughts not

500

00:17:46,070 --> 00:17:43,020

specifically like religion in this case

501
00:17:48,650 --> 00:17:46,080
but like just the spiritual world people

502
00:17:50,270 --> 00:17:48,660
seem to unlock when they have crazy

503
00:17:52,549 --> 00:17:50,280
encounters

504
00:17:54,490 --> 00:17:52,559
right I think what that speaks to is

505
00:17:56,990 --> 00:17:54,500
that again I think in our in our

506
00:17:59,870 --> 00:17:57,000
truncated understanding of reality and

507
00:18:01,970 --> 00:17:59,880
experience of reality we buy into this

508
00:18:03,350 --> 00:18:01,980
illusion of being separate selves right

509
00:18:05,750 --> 00:18:03,360
so this is where my my background

510
00:18:09,890 --> 00:18:05,760
non-duality comes in the more we believe

511
00:18:11,390 --> 00:18:09,900
that a Body Mind Is All We Are end of

512
00:18:12,890 --> 00:18:11,400
the story when when that body mind

513
00:18:15,110 --> 00:18:12,900

dissolves there's nothing to us there's

514

00:18:16,909 --> 00:18:15,120

nothing to our Consciousness then that's

515

00:18:18,529 --> 00:18:16,919

going to fundamentally change our

516

00:18:19,190 --> 00:18:18,539

relationship with reality and with each

517

00:18:20,870 --> 00:18:19,200

other

518

00:18:23,150 --> 00:18:20,880

but what happens in like you say in

519

00:18:26,090 --> 00:18:23,160

psychedelic experiences and encounters

520

00:18:27,650 --> 00:18:26,100

with the others in you know different

521

00:18:28,669 --> 00:18:27,660

parapsychological experiences people

522

00:18:30,350 --> 00:18:28,679

have

523

00:18:32,810 --> 00:18:30,360

they suddenly

524

00:18:34,610 --> 00:18:32,820

change their view on reality they

525

00:18:36,350 --> 00:18:34,620

changed their view on their relationship

526

00:18:38,690 --> 00:18:36,360

with reality and each other the question

527

00:18:40,789 --> 00:18:38,700

is why I would suggest that actually

528

00:18:42,289 --> 00:18:40,799

everything is connected again things

529

00:18:43,430 --> 00:18:42,299

like quantum physics are pointing in

530

00:18:46,669 --> 00:18:43,440

this direction and have been for about

531

00:18:48,350 --> 00:18:46,679

100 years right where does the rock that

532

00:18:50,150 --> 00:18:48,360

you know splintered off in the mountains

533

00:18:52,130 --> 00:18:50,160

separate from the mountain that it's a

534

00:18:53,810 --> 00:18:52,140

part of and to what degree is that

535

00:18:55,730 --> 00:18:53,820

mountain separate from the Bedrock that

536

00:18:57,169 --> 00:18:55,740

makes up you know a continent and what

537

00:18:59,510 --> 00:18:57,179

degree is that continent separate from

538

00:19:01,510 --> 00:18:59,520

the earth goes on and on the more we get

539

00:19:03,950 --> 00:19:01,520

down to these really fundamental

540

00:19:05,330 --> 00:19:03,960

minuscule particles of nature it seems

541

00:19:07,430 --> 00:19:05,340

like there's not even much there there's

542

00:19:09,950 --> 00:19:07,440

no solidity there there's just fields

543

00:19:12,049 --> 00:19:09,960

and energy that manifest like a

544

00:19:13,970 --> 00:19:12,059

Whirlpool is a manifestation of water

545

00:19:16,789 --> 00:19:13,980

but ultimately the whirlpool is just

546

00:19:18,529 --> 00:19:16,799

water so in the ultimate sense I would

547

00:19:20,029 --> 00:19:18,539

suggest this is pointing to everything

548

00:19:23,210 --> 00:19:20,039

being connected everything ultimately

549

00:19:25,370 --> 00:19:23,220

being one and part of the illusion part

550

00:19:27,590 --> 00:19:25,380

of the sort of secondary reality we

551
00:19:29,990 --> 00:19:27,600
experience is that we are separate and

552
00:19:32,270 --> 00:19:30,000
so when you experience that Oneness that

553
00:19:33,950 --> 00:19:32,280
Unity that sense of being connected to

554
00:19:35,930 --> 00:19:33,960
everything the same way that it wouldn't

555
00:19:38,090 --> 00:19:35,940
make any sense for me to slice my left

556
00:19:40,130 --> 00:19:38,100
arm because it took a cookie that my

557
00:19:41,630 --> 00:19:40,140
right arm wanted that makes no sense in

558
00:19:43,310 --> 00:19:41,640
the same way when we once once we start

559
00:19:44,990 --> 00:19:43,320
seeing each other that way and these

560
00:19:47,930 --> 00:19:45,000
others that way and everything around us

561
00:19:51,350 --> 00:19:47,940
it fundamentally changes our perspective

562
00:19:53,990 --> 00:19:51,360
and inherently is spiritual because you

563
00:19:55,850 --> 00:19:54,000

feel you feel it's not just a cognitive

564

00:19:58,190 --> 00:19:55,860

sense in fact it's not really cognitive

565

00:19:59,630 --> 00:19:58,200

at all it's a failed sense a somatic

566

00:20:01,190 --> 00:19:59,640

embodiment of this connection to

567

00:20:02,810 --> 00:20:01,200

everything and I think that's what

568

00:20:05,150 --> 00:20:02,820

happens across all of those experiences

569

00:20:07,430 --> 00:20:05,160

so you think this is like a big bang

570

00:20:09,230 --> 00:20:07,440

entanglement related thing why they're

571

00:20:11,570 --> 00:20:09,240

we're all from that Singularity is that

572

00:20:13,070 --> 00:20:11,580

how you does that make sense in terms of

573

00:20:14,570 --> 00:20:13,080

why we are all one or do you think it's

574

00:20:16,190 --> 00:20:14,580

on like a Consciousness level we're all

575

00:20:18,470 --> 00:20:16,200

one yeah I think it's on a Consciousness

576

00:20:21,350 --> 00:20:18,480

level I go deeper than that I think we

577

00:20:24,470 --> 00:20:21,360

can see correlation we correlations

578

00:20:26,570 --> 00:20:24,480

um sort of secondary representations in

579

00:20:27,950 --> 00:20:26,580

what we conceive of as physical reality

580

00:20:29,750 --> 00:20:27,960

but one of the things I've talked about

581

00:20:32,690 --> 00:20:29,760

my podcast is you have Cutting Edge

582

00:20:33,950 --> 00:20:32,700

physicists like Mima arkani Hamed who

583

00:20:35,810 --> 00:20:33,960

are saying and this is they have nothing

584

00:20:38,330 --> 00:20:35,820

to do with the UFO phenomenon nothing to

585

00:20:40,970 --> 00:20:38,340

do with paranormality but he is saying

586

00:20:44,210 --> 00:20:40,980

space time is doomed what he means by

587

00:20:46,370 --> 00:20:44,220

that is that as an explanatory model for

588

00:20:48,770 --> 00:20:46,380

reality it does not work it's not even

589

00:20:51,890 --> 00:20:48,780

tenable and it's been that way for a

590

00:20:53,750 --> 00:20:51,900

while but because in society we get very

591

00:20:56,690 --> 00:20:53,760

accustomed to thinking in terms of a

592

00:20:58,490 --> 00:20:56,700

physical reality it's dying slowly but

593

00:21:00,110 --> 00:20:58,500

his point it's already dead we need to

594

00:21:02,690 --> 00:21:00,120

look to a deeper structure from which

595

00:21:05,390 --> 00:21:02,700

you get derivative aspects like Spanish

596

00:21:07,250 --> 00:21:05,400

time and quantum theory so yes I think

597

00:21:09,890 --> 00:21:07,260

we see it in something like the big bang

598

00:21:11,990 --> 00:21:09,900

it's a secondary approximation of what's

599

00:21:13,970 --> 00:21:12,000

happening in a deep Perkins construct

600

00:21:15,529 --> 00:21:13,980

where I think Consciousness is probably

601
00:21:16,789 --> 00:21:15,539
primary that's kind of my working model

602
00:21:19,610 --> 00:21:16,799
anyway

603
00:21:21,049 --> 00:21:19,620
yeah and with you know all the data

604
00:21:23,210 --> 00:21:21,059
research that we've had you know from

605
00:21:25,789 --> 00:21:23,220
the stuff that uh John Mack Bud Hopkins

606
00:21:26,930 --> 00:21:25,799
and and other investigators and

607
00:21:28,730 --> 00:21:26,940
researchers in this field have

608
00:21:31,310 --> 00:21:28,740
discovered is that most of the people

609
00:21:33,230 --> 00:21:31,320
that have had these experiences or these

610
00:21:34,490 --> 00:21:33,240
anomalies take place over you know

611
00:21:35,990 --> 00:21:34,500
several occurrences throughout their

612
00:21:38,330 --> 00:21:36,000
lives

613
00:21:40,130 --> 00:21:38,340

you know from all walks of life there's

614

00:21:42,169 --> 00:21:40,140

no you know we used to make jokes back

615

00:21:45,230 --> 00:21:42,179

in the 90s on TV and stuff like that it

616

00:21:47,330 --> 00:21:45,240

was some guy in the South you know just

617

00:21:49,610 --> 00:21:47,340

you know Farm going well they landed in

618

00:21:51,350 --> 00:21:49,620

my backyard and that was the joke but

619

00:21:54,110 --> 00:21:51,360

honestly people that are experiencing

620

00:21:57,230 --> 00:21:54,120

this are like judges you know Hollywood

621

00:21:59,690 --> 00:21:57,240

Executives and you know big names small

622

00:22:01,430 --> 00:21:59,700

names could be firefighters policemen

623

00:22:04,909 --> 00:22:01,440

you know people that we respect in our

624

00:22:06,230 --> 00:22:04,919

society are having these experiences but

625

00:22:07,730 --> 00:22:06,240

yet they're told not to talk about

626
00:22:09,710 --> 00:22:07,740
because the rest of us are not going to

627
00:22:11,149 --> 00:22:09,720
believe in them but it's becoming a lot

628
00:22:13,190 --> 00:22:11,159
more talked about people are coming

629
00:22:15,529 --> 00:22:13,200
forward a lot more now talking about

630
00:22:18,110 --> 00:22:15,539
these experiences and we realize how

631
00:22:20,690 --> 00:22:18,120
many of us or I can't say us like myself

632
00:22:23,090 --> 00:22:20,700
included but how many experiencers are

633
00:22:25,010 --> 00:22:23,100
out there um there was a Roper poll back

634
00:22:28,730 --> 00:22:25,020
in the 1990s that said one out of 50

635
00:22:30,950 --> 00:22:28,740
people could be abductees one out of 50.

636
00:22:34,070 --> 00:22:30,960
that is a lot of people on this planet

637
00:22:35,390 --> 00:22:34,080
right that's like six and 6.6 million

638
00:22:37,610 --> 00:22:35,400

Americans or something like that right

639

00:22:40,730 --> 00:22:37,620

ridiculous but it globally how many

640

00:22:42,590 --> 00:22:40,740

people is that Global it's crazy so you

641

00:22:44,510 --> 00:22:42,600

know the fact that this is happening a

642

00:22:46,490 --> 00:22:44,520

lot more than we think it is and we

643

00:22:48,830 --> 00:22:46,500

joked around it's either it's a mental

644

00:22:50,630 --> 00:22:48,840

illness that we've never studied before

645

00:22:53,930 --> 00:22:50,640

but is obviously rampant throughout

646

00:22:55,730 --> 00:22:53,940

Humanity or it's really happening

647

00:22:57,529 --> 00:22:55,740

I don't see there's an in-between in

648

00:22:59,810 --> 00:22:57,539

there at all do you

649

00:23:01,669 --> 00:22:59,820

no and and I think again one thing that

650

00:23:03,710 --> 00:23:01,679

John Mack really helped to establish is

651
00:23:07,370 --> 00:23:03,720
that this is not Psychopathology these

652
00:23:09,110 --> 00:23:07,380
people are credible sane people who

653
00:23:11,690 --> 00:23:09,120
only sought him out because they were

654
00:23:14,390 --> 00:23:11,700
experiencing aspects of reality that our

655
00:23:15,710 --> 00:23:14,400
society had no place for I know people

656
00:23:18,169 --> 00:23:15,720
personally that were involved with him

657
00:23:21,649 --> 00:23:18,179
back in the 90s who tried to go to NASA

658
00:23:23,029 --> 00:23:21,659
first try to go to scientists first and

659
00:23:25,190 --> 00:23:23,039
we just sort of laughed out of those

660
00:23:27,830 --> 00:23:25,200
those circles so they had nowhere to go

661
00:23:29,930 --> 00:23:27,840
but John Mack because he developed a bit

662
00:23:31,490 --> 00:23:29,940
of a reputation as being open to hearing

663
00:23:33,950 --> 00:23:31,500

about this and actually considering it

664

00:23:36,409 --> 00:23:33,960

as something valid and real in some way

665

00:23:38,870 --> 00:23:36,419

even if the way it's real stretches our

666

00:23:40,789 --> 00:23:38,880

very understanding of what reality is if

667

00:23:42,950 --> 00:23:40,799

it's your your earlier point

668

00:23:43,850 --> 00:23:42,960

absolutely it's fascinating because we

669

00:23:45,590 --> 00:23:43,860

know

670

00:23:47,390 --> 00:23:45,600

not only is there behavioral control

671

00:23:50,029 --> 00:23:47,400

like what happened in my case but

672

00:23:53,090 --> 00:23:50,039

there's also memory control there's

673

00:23:55,070 --> 00:23:53,100

screen memories right so we don't know

674

00:23:56,870 --> 00:23:55,080

how many people that are reporting

675

00:23:58,909 --> 00:23:56,880

themselves as experiencers that might

676

00:24:01,070 --> 00:23:58,919

just be a small slice of a much larger

677

00:24:02,570 --> 00:24:01,080

population you could make the argument

678

00:24:05,090 --> 00:24:02,580

because we don't have any evidence to

679

00:24:06,710 --> 00:24:05,100

the contrary that perhaps perhaps most

680

00:24:09,529 --> 00:24:06,720

people are having these experiences and

681

00:24:11,630 --> 00:24:09,539

only a subset actually remember them in

682

00:24:13,789 --> 00:24:11,640

fact there's some evidence that

683

00:24:16,130 --> 00:24:13,799

people who've had disassociative

684

00:24:17,990 --> 00:24:16,140

experiences as children for instance in

685

00:24:19,669 --> 00:24:18,000

child abuse or some sort of traumatic

686

00:24:22,250 --> 00:24:19,679

experience where they learn to

687

00:24:24,590 --> 00:24:22,260

disassociate sometimes there seems to be

688

00:24:27,649 --> 00:24:24,600

some evidence that those people not only

689

00:24:29,810 --> 00:24:27,659

can disassociate easier which makes us

690

00:24:31,669 --> 00:24:29,820

wonder is it possible that they are more

691

00:24:33,529 --> 00:24:31,679

prone to these experiences of other

692

00:24:36,830 --> 00:24:33,539

elements to reality because they can

693

00:24:39,049 --> 00:24:36,840

disassociate and or is it the case that

694

00:24:40,430 --> 00:24:39,059

they just can remember more because

695

00:24:41,810 --> 00:24:40,440

they've learned to disassociate like

696

00:24:44,330 --> 00:24:41,820

that and the rest of us just perhaps

697

00:24:46,250 --> 00:24:44,340

just don't remember it's possible I am

698

00:24:48,169 --> 00:24:46,260

and Jason you mentioned the whole uh

699

00:24:49,850 --> 00:24:48,179

mental illness thing and John Mack

700

00:24:52,490 --> 00:24:49,860

looked at that in the early 90s he just

701
00:24:54,049 --> 00:24:52,500
study 200 men and women and initially he

702
00:24:56,210 --> 00:24:54,059
thought it must be some kind of mental

703
00:24:58,070 --> 00:24:56,220
illness until there was no evidence of

704
00:25:00,230 --> 00:24:58,080
that right so a lot of people say well

705
00:25:01,909 --> 00:25:00,240
you know where's the evidence of UFOs or

706
00:25:03,529 --> 00:25:01,919
this or that well you know there's

707
00:25:05,870 --> 00:25:03,539
there's no evidence one way or the other

708
00:25:08,690 --> 00:25:05,880
but somebody's already looked into the

709
00:25:10,430 --> 00:25:08,700
fact that this could be a psychiatric

710
00:25:12,770 --> 00:25:10,440
issue you know like one of the top

711
00:25:14,450 --> 00:25:12,780
psychiatrists in the world so it's easy

712
00:25:16,490 --> 00:25:14,460
to just throw it away and say well

713
00:25:17,930 --> 00:25:16,500

people are crazy when they see these

714

00:25:20,210 --> 00:25:17,940

things no no one of the best and

715

00:25:22,130 --> 00:25:20,220

brightest has already gone there and we

716

00:25:24,710 --> 00:25:22,140

can almost safely take off that box

717

00:25:27,110 --> 00:25:24,720

right it's I think it's so far of spread

718

00:25:28,850 --> 00:25:27,120

that it would be the numbers would far

719

00:25:30,890 --> 00:25:28,860

exceed any other psychiatric illness

720

00:25:32,630 --> 00:25:30,900

that we know of and maybe Darren you

721

00:25:35,510 --> 00:25:32,640

could shed some light on that too as the

722

00:25:37,789 --> 00:25:35,520

as more of an expert on this than we are

723

00:25:40,070 --> 00:25:37,799

yeah indeed and not only did did John

724

00:25:41,450 --> 00:25:40,080

vouch for these people's sanity and

725

00:25:43,789 --> 00:25:41,460

their credibility but he would often

726

00:25:45,769 --> 00:25:43,799

bring in other therapists to put people

727

00:25:47,930 --> 00:25:45,779

through a battery of tests because he

728

00:25:49,610 --> 00:25:47,940

didn't want to be just rely on his

729

00:25:50,990 --> 00:25:49,620

subjective impression of them because

730

00:25:53,090 --> 00:25:51,000

some people might say well you're

731

00:25:54,529 --> 00:25:53,100

sympathetic so maybe you're biased so he

732

00:25:56,149 --> 00:25:54,539

would actually have other therapists

733

00:25:57,409 --> 00:25:56,159

come in put them through a battery of

734

00:25:59,090 --> 00:25:57,419

tests and

735

00:26:00,649 --> 00:25:59,100

you know they just did not find that

736

00:26:03,169 --> 00:26:00,659

these people were suffering from any

737

00:26:05,870 --> 00:26:03,179

kind of pathology of course what's

738

00:26:09,769 --> 00:26:05,880

interesting is when John was kind of put

739

00:26:11,330 --> 00:26:09,779

through a bit of a tribunal at Harvard

740

00:26:12,769 --> 00:26:11,340

it's interesting that people came up to

741

00:26:15,950 --> 00:26:12,779

him afterwards that were involved with

742

00:26:18,010 --> 00:26:15,960

the tribunal and said to him you know if

743

00:26:20,029 --> 00:26:18,020

you had just identified a new kind of

744

00:26:21,769 --> 00:26:20,039

Psychopathology that we need to include

745

00:26:23,390 --> 00:26:21,779

in the DSM you know that would be fine

746

00:26:25,250 --> 00:26:23,400

but instead you asked us to reconsider

747

00:26:27,230 --> 00:26:25,260

our Notions of reality

748

00:26:30,230 --> 00:26:27,240

but indeed that's exactly what this

749

00:26:32,330 --> 00:26:30,240

phenomenon asks us to do so

750

00:26:35,029 --> 00:26:32,340

that's where we are and as you mentioned

751

00:26:37,850 --> 00:26:35,039

earlier this attack you know this is for

752

00:26:39,470 --> 00:26:37,860

everyone across all walks of life and to

753

00:26:41,930 --> 00:26:39,480

your point it's just that some people

754

00:26:44,390 --> 00:26:41,940

feel more able to come forward people

755

00:26:46,070 --> 00:26:44,400

who are on professional circles the more

756

00:26:48,289 --> 00:26:46,080

you're sort of like a white color kind

757

00:26:49,370 --> 00:26:48,299

of worker and above kind of thing you're

758

00:26:50,930 --> 00:26:49,380

not going to want to talk about this

759

00:26:53,810 --> 00:26:50,940

because people will assume you're crazy

760

00:26:55,549 --> 00:26:53,820

so we hear sort of an abundance of

761

00:26:57,169 --> 00:26:55,559

information coming up from people who

762

00:26:58,549 --> 00:26:57,179

maybe aren't concerned about those

763

00:26:59,450 --> 00:26:58,559

things they're just truth tellers

764

00:27:02,269 --> 00:26:59,460

they're not concerned about their

765

00:27:03,470 --> 00:27:02,279

reputation in society and whatnot but

766

00:27:05,090 --> 00:27:03,480

yeah if you think about the number of

767

00:27:07,430 --> 00:27:05,100

people who are not coming forward or

768

00:27:09,230 --> 00:27:07,440

have not historically but maybe now are

769

00:27:10,490 --> 00:27:09,240

beginning to because this is all

770

00:27:12,649 --> 00:27:10,500

changing

771

00:27:14,149 --> 00:27:12,659

and then it raises some interesting

772

00:27:16,430 --> 00:27:14,159

questions for me around

773

00:27:18,529 --> 00:27:16,440

how does our civilization-wide

774

00:27:21,169 --> 00:27:18,539

relationship with reality and with

775

00:27:23,029 --> 00:27:21,179

elements of this phenomenon change as

776

00:27:24,890 --> 00:27:23,039

more and more people come forward in

777

00:27:26,390 --> 00:27:24,900

other words in what way does our

778

00:27:28,549 --> 00:27:26,400

Consciousness interface with this

779

00:27:30,710 --> 00:27:28,559

phenomenon and the two together kind of

780

00:27:32,330 --> 00:27:30,720

create a reality construct and what

781

00:27:33,710 --> 00:27:32,340

happens when you suddenly have millions

782

00:27:36,230 --> 00:27:33,720

and hundreds of millions of people

783

00:27:37,909 --> 00:27:36,240

perhaps even billions beginning to

784

00:27:40,250 --> 00:27:37,919

really reckon with this once we have

785

00:27:41,990 --> 00:27:40,260

some sort of official acknowledgment

786

00:27:43,610 --> 00:27:42,000

not just the fact that we're seeing

787

00:27:46,010 --> 00:27:43,620

things in the sky but that there are

788

00:27:47,810 --> 00:27:46,020

apparently beings of a non-conventional

789

00:27:50,570 --> 00:27:47,820

nature that are here as well

790

00:27:52,070 --> 00:27:50,580

yeah and that's a scarier bit right

791

00:27:55,070 --> 00:27:52,080

there is the beings right because the

792

00:27:57,169 --> 00:27:55,080

technology and anybody can see a UFO and

793

00:27:59,149 --> 00:27:57,179

be amazed because you're not close to it

794

00:28:01,909 --> 00:27:59,159

but it's the people that get close to

795

00:28:04,370 --> 00:28:01,919

these crafts or when the crafts land and

796

00:28:06,110 --> 00:28:04,380

they interact with people or on some

797

00:28:07,610 --> 00:28:06,120

occasions take them without their

798

00:28:10,610 --> 00:28:07,620

consent

799

00:28:12,289 --> 00:28:10,620

what you know that part fascinates me

800

00:28:14,690 --> 00:28:12,299

because a lot of people have you know

801

00:28:16,190 --> 00:28:14,700

obviously the nighttime visitations is

802

00:28:19,130 --> 00:28:16,200

in the currents and it's always around

803

00:28:20,390 --> 00:28:19,140

two three o'clock in the morning that

804

00:28:22,130 --> 00:28:20,400

makes sense that's when everybody's

805

00:28:23,390 --> 00:28:22,140

asleep and you have less chances of

806

00:28:25,490 --> 00:28:23,400

being spotted

807

00:28:30,049 --> 00:28:25,500

it's brilliant but they keep that

808

00:28:32,169 --> 00:28:30,059

schedule going 24 7. this is an ongoing

809

00:28:34,850 --> 00:28:32,179

thing that they seem to do every day

810

00:28:36,350 --> 00:28:34,860

non-stop they just go around not the

811

00:28:38,330 --> 00:28:36,360

same people over and over again but they

812

00:28:40,490 --> 00:28:38,340

have a schedule they sort of have

813

00:28:41,870 --> 00:28:40,500

just like rats in the lab do you have to

814

00:28:43,730 --> 00:28:41,880

go through a certain amount every day

815

00:28:45,649 --> 00:28:43,740

and do your thing that's what they're

816

00:28:47,330 --> 00:28:45,659

doing to us our seems to be that they're

817

00:28:49,190 --> 00:28:47,340

doing to us now it's not just the

818

00:28:51,289 --> 00:28:49,200

nighttime visitations being woken up in

819

00:28:52,789 --> 00:28:51,299

the middle of the night usually there's

820

00:28:54,649 --> 00:28:52,799

three entities this is something that we

821

00:28:56,510 --> 00:28:54,659

found as a commonality is that there's

822

00:28:58,610 --> 00:28:56,520

always three entities they seem to come

823

00:29:00,409 --> 00:28:58,620

in pairs of threes

824

00:29:02,090 --> 00:29:00,419

um but it's the people that are awake

825

00:29:04,190 --> 00:29:02,100

like people that are driving down the

826

00:29:06,409 --> 00:29:04,200

road like the the Barney and Betty Hill

827

00:29:08,570 --> 00:29:06,419

and so many other countless stories

828

00:29:10,630 --> 00:29:08,580

since where people earn cars and the

829

00:29:13,070 --> 00:29:10,640

whole family experiences

830

00:29:14,990 --> 00:29:13,080

an abduction right the whole family

831

00:29:16,669 --> 00:29:15,000

experiences or the Allagash incident

832

00:29:18,590 --> 00:29:16,679

where the I think it was two twin

833

00:29:20,389 --> 00:29:18,600

brothers and two friends

834

00:29:23,029 --> 00:29:20,399

were all taken at the same time on the

835

00:29:24,889 --> 00:29:23,039

boat so those people fascinate me

836

00:29:27,230 --> 00:29:24,899

because they were fully awake it's not a

837

00:29:28,370 --> 00:29:27,240

sleep paralysis it's not something that

838

00:29:29,630 --> 00:29:28,380

happens in the middle of the night that

839

00:29:31,669 --> 00:29:29,640

maybe your brain wakes up and you're

840

00:29:33,769 --> 00:29:31,679

still half asleep these are fully awake

841

00:29:37,070 --> 00:29:33,779

people having the same experiences as

842

00:29:39,710 --> 00:29:37,080

those that report having visitations at

843

00:29:41,450 --> 00:29:39,720

night that's a fascinating story they're

844

00:29:42,590 --> 00:29:41,460

not different they're they're both

845

00:29:45,230 --> 00:29:42,600

involve the same thing medical

846

00:29:47,990 --> 00:29:45,240

examinations and Darren what fascinates

847

00:29:50,450 --> 00:29:48,000

us too is these ships have medical rooms

848

00:29:52,669 --> 00:29:50,460

they're designed to have a human lay on

849

00:29:54,590 --> 00:29:52,679

this table and have devices come out I

850

00:29:57,649 --> 00:29:54,600

mean it's a big operation very costly

851
00:29:58,970 --> 00:29:57,659
operation right so this is what's crazy

852
00:30:01,130 --> 00:29:58,980
because when you start thinking about

853
00:30:02,210 --> 00:30:01,140
how big an operation this must be for

854
00:30:05,029 --> 00:30:02,220
them

855
00:30:06,649 --> 00:30:05,039
we have to be a big deal we have to be

856
00:30:08,269 --> 00:30:06,659
there's a reason why they're here why

857
00:30:10,370 --> 00:30:08,279
they're spending this much money on us

858
00:30:13,389 --> 00:30:10,380
and time

859
00:30:15,350 --> 00:30:13,399
indeed and I think your point about

860
00:30:17,090 --> 00:30:15,360
abductions that happen in broad daylight

861
00:30:18,889 --> 00:30:17,100
while people are driving their cars is a

862
00:30:21,110 --> 00:30:18,899
point well taken and I think again

863
00:30:24,649 --> 00:30:21,120

Skeptics will say like you said you know

864

00:30:26,570 --> 00:30:24,659

slip sleep paralysis you know hypnagogic

865

00:30:29,450 --> 00:30:26,580

experiences that that explains all of

866

00:30:31,610 --> 00:30:29,460

this right but no there are people that

867

00:30:33,110 --> 00:30:31,620

have this happen in broad daylight

868

00:30:36,169 --> 00:30:33,120

and again I think this speaks to the

869

00:30:38,990 --> 00:30:36,179

fact that they are seen basically when

870

00:30:40,370 --> 00:30:39,000

they want to be seen and it's not just

871

00:30:42,649 --> 00:30:40,380

about

872

00:30:44,029 --> 00:30:42,659

you know cloaking their craft although I

873

00:30:46,250 --> 00:30:44,039

I think there's evidence they can do

874

00:30:47,570 --> 00:30:46,260

that as well but they don't even need to

875

00:30:50,269 --> 00:30:47,580

do it at that level because they can

876

00:30:51,889 --> 00:30:50,279

just directly control our perception so

877

00:30:54,669 --> 00:30:51,899

you can have someone driving down the

878

00:30:57,769 --> 00:30:54,679

I-5 in California in a busy LA traffic

879

00:30:59,510 --> 00:30:57,779

and three people perhaps might see a

880

00:31:02,330 --> 00:30:59,520

giant Mothership that's like covering

881

00:31:04,970 --> 00:31:02,340

the interstate no one else sees it right

882

00:31:07,190 --> 00:31:04,980

so this speaks to the degree of control

883

00:31:08,930 --> 00:31:07,200

they have and it also raises again some

884

00:31:11,269 --> 00:31:08,940

really interesting questions of what is

885

00:31:12,710 --> 00:31:11,279

reality what is physical reality is It

886

00:31:15,470 --> 00:31:12,720

ultimately physical

887

00:31:18,110 --> 00:31:15,480

when we have dreams we experience

888

00:31:21,230 --> 00:31:18,120

physicality we don't say to ourselves

889

00:31:23,810 --> 00:31:21,240

this is all just phenomenological uh

890

00:31:25,909 --> 00:31:23,820

byproducts of mental firings in my brain

891

00:31:27,710 --> 00:31:25,919

we assume it's it's a real physical

892

00:31:29,630 --> 00:31:27,720

experience and then when we wake up we

893

00:31:32,090 --> 00:31:29,640

go okay phew I'm back in the real

894

00:31:34,310 --> 00:31:32,100

physical world but the thing is we have

895

00:31:36,110 --> 00:31:34,320

no way of really knowing that because we

896

00:31:38,029 --> 00:31:36,120

have no way of separating ourselves from

897

00:31:40,070 --> 00:31:38,039

the experiment to try to isolate

898

00:31:42,529 --> 00:31:40,080

variables and determine that because

899

00:31:44,090 --> 00:31:42,539

again even quantum theory points to this

900

00:31:45,590 --> 00:31:44,100

too we are

901
00:31:47,810 --> 00:31:45,600
you know wrapped up with the entire

902
00:31:49,730 --> 00:31:47,820
thing the entire thing is entangled so

903
00:31:52,130 --> 00:31:49,740
there is no way to do that so we have

904
00:31:54,590 --> 00:31:52,140
the impression I certainly have a strong

905
00:31:56,090 --> 00:31:54,600
impression of a physical reality that

906
00:31:58,970 --> 00:31:56,100
seems separate from us but again we

907
00:32:01,010 --> 00:31:58,980
don't really know that and in some ways

908
00:32:02,690 --> 00:32:01,020
I think Bernardo Castro we've talked

909
00:32:04,070 --> 00:32:02,700
before we went on about philosophy and

910
00:32:06,470 --> 00:32:04,080
bringing philosophy back into this

911
00:32:08,149 --> 00:32:06,480
question and that this uh entire

912
00:32:09,769 --> 00:32:08,159
research Endeavor and I absolutely agree

913
00:32:11,870 --> 00:32:09,779

with that and he's one of my favorite

914

00:32:12,830 --> 00:32:11,880

philosophers and I lean towards idealism

915

00:32:15,710 --> 00:32:12,840

now

916

00:32:17,510 --> 00:32:15,720

that basically realities is mental in

917

00:32:20,230 --> 00:32:17,520

nature and this is more like a

918

00:32:24,169 --> 00:32:20,240

Dreamscape it has consistency to it

919

00:32:26,210 --> 00:32:24,179

because we exist within a like a larger

920

00:32:27,649 --> 00:32:26,220

mind mind at large is what he would call

921

00:32:29,570 --> 00:32:27,659

it some people might call it the mind of

922

00:32:32,930 --> 00:32:29,580

God whatever you want to say

923

00:32:35,810 --> 00:32:32,940

but all that we see and touch and feel

924

00:32:37,490 --> 00:32:35,820

in physical reality could easily be all

925

00:32:39,409 --> 00:32:37,500

of that so

926

00:32:43,010 --> 00:32:39,419

if that's true and these others have

927

00:32:45,889 --> 00:32:43,020

learned how to work at that substrate

928

00:32:48,529 --> 00:32:45,899

level then they can in the same way you

929

00:32:50,630 --> 00:32:48,539

can in a dream they can suggest things

930

00:32:52,450 --> 00:32:50,640

they can manipulate the Dreamscape of

931

00:32:55,130 --> 00:32:52,460

itself so you have situations like that

932

00:32:56,389 --> 00:32:55,140

where again three people in broad

933

00:32:57,889 --> 00:32:56,399

daylight so you have a Mothership and

934

00:33:01,070 --> 00:32:57,899

nobody else sees it I've had experiences

935

00:33:02,690 --> 00:33:01,080

myself where I've had sightings that you

936

00:33:06,289 --> 00:33:02,700

know a quarter of the sky that lights up

937

00:33:08,510 --> 00:33:06,299

just like a light bulb and I'm thinking

938

00:33:10,310 --> 00:33:08,520

to myself why is everyone not calling

939

00:33:12,590 --> 00:33:10,320

you know the Air Force and whatnot

940

00:33:14,029 --> 00:33:12,600

saying what is that because I'm seeing

941

00:33:16,070 --> 00:33:14,039

and two other people with me are seeing

942

00:33:18,649 --> 00:33:16,080

it and no one else is what does that

943

00:33:19,909 --> 00:33:18,659

mean not just about the phenomenon but

944

00:33:21,529 --> 00:33:19,919

the nature of reality these are

945

00:33:23,029 --> 00:33:21,539

questions I think occur to me that I

946

00:33:25,310 --> 00:33:23,039

think we really need to broaden the

947

00:33:26,810 --> 00:33:25,320

scope and and go there

948

00:33:29,210 --> 00:33:26,820

you know we chat with a lot of people

949

00:33:31,789 --> 00:33:29,220

that have had experiences seeing things

950

00:33:33,889 --> 00:33:31,799

and then things seem to happen after the

951

00:33:36,049 --> 00:33:33,899

afterwards it's not just at the time of

952

00:33:38,930 --> 00:33:36,059

even people that research it heavily

953

00:33:40,730 --> 00:33:38,940

guys like George Knapp Colin Kelleher uh

954

00:33:42,710 --> 00:33:40,740

even people with the CIA like Jim

955

00:33:44,210 --> 00:33:42,720

semivan they seem to have I mean it's

956

00:33:46,430 --> 00:33:44,220

called The Hitchhiker effect usually

957

00:33:48,529 --> 00:33:46,440

when referring to Skinwalker Ranch but

958

00:33:51,409 --> 00:33:48,539

essentially it's the prolonged

959

00:33:53,210 --> 00:33:51,419

repetition of phenomena sometimes it

960

00:33:55,250 --> 00:33:53,220

appears as Poltergeist sometimes it's

961

00:33:57,889 --> 00:33:55,260

orbs sometimes it's physiological

962

00:34:00,529 --> 00:33:57,899

effects and actual like illnesses that

963

00:34:02,870 --> 00:34:00,539

are provable like weird Hashimoto's and

964

00:34:03,649 --> 00:34:02,880

very obscure things so what do you make

965

00:34:07,970 --> 00:34:03,659

of

966

00:34:10,070 --> 00:34:07,980

phenomenon interacting with it seeing it

967

00:34:11,570 --> 00:34:10,080

researching it you know what what do you

968

00:34:14,149 --> 00:34:11,580

make of that sort of lingering effect

969

00:34:15,889 --> 00:34:14,159

that a lot of people report

970

00:34:19,010 --> 00:34:15,899

yes it's one of the most fascinating

971

00:34:20,869 --> 00:34:19,020

aspects I'm aware of a situation that a

972

00:34:22,070 --> 00:34:20,879

friend of mine met from the good trouble

973

00:34:24,169 --> 00:34:22,080

podcast

974

00:34:26,930 --> 00:34:24,179

good triple show he he told me about a

975

00:34:28,010 --> 00:34:26,940

situation he experienced where he was on

976
00:34:29,450 --> 00:34:28,020
the because we're all used to hearing

977
00:34:31,970 --> 00:34:29,460
about skin marker ranch we're quite

978
00:34:32,810 --> 00:34:31,980
familiar with that and The Hitchhiker

979
00:34:35,389 --> 00:34:32,820
effect

980
00:34:37,490 --> 00:34:35,399
there but it happens in all sorts of

981
00:34:39,829 --> 00:34:37,500
different ways and sometimes it's not

982
00:34:42,409 --> 00:34:39,839
nefarious or malevolent or you know

983
00:34:44,450 --> 00:34:42,419
Insidious in his case he was talking on

984
00:34:46,909 --> 00:34:44,460
the phone with Robert Hastings

985
00:34:49,669 --> 00:34:46,919
who has historically done research on

986
00:34:51,409 --> 00:34:49,679
UFOs and nukes and was going around

987
00:34:52,669 --> 00:34:51,419
and I'm going to tell an extended story

988
00:34:54,290 --> 00:34:52,679

here because I think this is really

989

00:34:55,790 --> 00:34:54,300

fascinating it speaks to some of what we

990

00:34:57,470 --> 00:34:55,800

talked about earlier

991

00:35:00,050 --> 00:34:57,480

so Robert Hastings was going around to

992

00:35:01,970 --> 00:35:00,060

the college campuses in the 90s and

993

00:35:03,349 --> 00:35:01,980

whatnot trying to educate people on the

994

00:35:05,089 --> 00:35:03,359

fact that UFOs were showing up at

995

00:35:07,670 --> 00:35:05,099

nuclear weapons facilities and sometimes

996

00:35:10,730 --> 00:35:07,680

disabling nukes sometimes in the Soviet

997

00:35:13,030 --> 00:35:10,740

Union apparently turning them on and

998

00:35:16,130 --> 00:35:13,040

just trying to get people's attention

999

00:35:18,109 --> 00:35:16,140

fascinatingly it was only decades later

1000

00:35:19,430 --> 00:35:18,119

I think he was probably in his 50s or

1001
00:35:21,829 --> 00:35:19,440
something before he suddenly started

1002
00:35:24,530 --> 00:35:21,839
having memories of encountering beings

1003
00:35:26,569 --> 00:35:24,540
as a child so his entire adult life he

1004
00:35:28,910 --> 00:35:26,579
just thought this was his motivation his

1005
00:35:30,589 --> 00:35:28,920
inspiration something he felt called to

1006
00:35:32,569 --> 00:35:30,599
do didn't think of there being any kind

1007
00:35:34,730 --> 00:35:32,579
of impetus outside of his own

1008
00:35:37,490 --> 00:35:34,740
Consciousness but then he started having

1009
00:35:38,870 --> 00:35:37,500
memories of encounters even one very

1010
00:35:40,790 --> 00:35:38,880
specific one where he was sitting around

1011
00:35:42,349 --> 00:35:40,800
the kitchen table with his family and

1012
00:35:44,690 --> 00:35:42,359
they all freeze framed like they just

1013
00:35:46,430 --> 00:35:44,700

went into suspended animation while he

1014

00:35:49,069 --> 00:35:46,440

could keep moving like local space time

1015

00:35:51,050 --> 00:35:49,079

was just frozen and then you know he

1016

00:35:52,310 --> 00:35:51,060

actually remembers vaguely like alien

1017

00:35:55,250 --> 00:35:52,320

beings being there and then he has

1018

00:35:57,170 --> 00:35:55,260

missing time right so then decades later

1019

00:36:00,950 --> 00:35:57,180

he starts remembering this only then

1020

00:36:02,569 --> 00:36:00,960

right and that makes him wonder is this

1021

00:36:05,030 --> 00:36:02,579

why I'm passionate about this was this

1022

00:36:07,370 --> 00:36:05,040

thought implanted in my mind does it

1023

00:36:10,390 --> 00:36:07,380

even perhaps go back before then we here

1024

00:36:12,829 --> 00:36:10,400

in this phenomenon many people have

1025

00:36:15,109 --> 00:36:12,839

pre-incarnation kind of memories that

1026

00:36:17,990 --> 00:36:15,119

come up now some people that think of as

1027

00:36:19,310 --> 00:36:18,000

as nefarious excuse me

1028

00:36:20,810 --> 00:36:19,320

will think well they're just planting

1029

00:36:23,569 --> 00:36:20,820

that but I don't think it's that simple

1030

00:36:25,490 --> 00:36:23,579

I think who we are is a fascinating uh

1031

00:36:27,890 --> 00:36:25,500

aspect of this

1032

00:36:29,990 --> 00:36:27,900

anyway my friend Matt was talking to

1033

00:36:31,910 --> 00:36:30,000

Robert Hastings on the phone

1034

00:36:33,050 --> 00:36:31,920

hearing about his Encounters in his his

1035

00:36:35,089 --> 00:36:33,060

life story

1036

00:36:37,069 --> 00:36:35,099

only afterwards to match started

1037

00:36:39,230 --> 00:36:37,079

experiencing seeing orbs in and around

1038

00:36:40,910 --> 00:36:39,240

his house along with his wife after

1039

00:36:42,829 --> 00:36:40,920

speaking with Robert Hayes things on the

1040

00:36:44,569 --> 00:36:42,839

phone so he sees that as a direct kind

1041

00:36:46,849 --> 00:36:44,579

of Hitchhiker effect

1042

00:36:49,250 --> 00:36:46,859

so you've got that entire thing wrapped

1043

00:36:51,829 --> 00:36:49,260

up in this which again I think might

1044

00:36:54,530 --> 00:36:51,839

hint or indicate maybe again this is a

1045

00:36:56,930 --> 00:36:54,540

mental construct that you can I think

1046

00:36:58,550 --> 00:36:56,940

George Knapp has used the term

1047

00:37:01,490 --> 00:36:58,560

along with calm Kelly hair and whatnot

1048

00:37:03,230 --> 00:37:01,500

of social contagion right you could say

1049

00:37:04,910 --> 00:37:03,240

it's a kind of mental contagion clearly

1050

00:37:06,530 --> 00:37:04,920

no one's when you're doing it on the

1051
00:37:08,990 --> 00:37:06,540
phone clearly you're not being exposed

1052
00:37:11,390 --> 00:37:09,000
to a physical virus right

1053
00:37:13,130 --> 00:37:11,400
it's something about just having that

1054
00:37:15,470 --> 00:37:13,140
mental connection with someone is enough

1055
00:37:17,030 --> 00:37:15,480
for this to pass through so that might

1056
00:37:19,250 --> 00:37:17,040
speak to the fact that reality itself

1057
00:37:22,370 --> 00:37:19,260
might ultimately be more like that like

1058
00:37:24,109 --> 00:37:22,380
mentation processes and by having a

1059
00:37:26,089 --> 00:37:24,119
certain interaction of mentation but

1060
00:37:28,609 --> 00:37:26,099
with another human being that allows

1061
00:37:30,950 --> 00:37:28,619
this whatever it is a viral kind of

1062
00:37:32,990 --> 00:37:30,960
energetic thing to pass through so I

1063
00:37:36,050 --> 00:37:33,000

think those things are fascinating and

1064

00:37:38,450 --> 00:37:36,060

and are worthy of research

1065

00:37:40,190 --> 00:37:38,460

um Bud Hopkins and John Mack sort of

1066

00:37:41,990 --> 00:37:40,200

came to different conclusions when it

1067

00:37:44,089 --> 00:37:42,000

came down to the experiences and what

1068

00:37:45,710 --> 00:37:44,099

they were going through but Hopkins

1069

00:37:47,750 --> 00:37:45,720

was a little bit more on like these

1070

00:37:50,030 --> 00:37:47,760

people are victims and treated them like

1071

00:37:52,609 --> 00:37:50,040

it was more of a traumatic

1072

00:37:54,589 --> 00:37:52,619

process that they were trying to you

1073

00:37:56,450 --> 00:37:54,599

know correct or talk about where John

1074

00:37:57,710 --> 00:37:56,460

Mack thought you know maybe they're

1075

00:37:59,870 --> 00:37:57,720

trying to tell us something because

1076

00:38:02,329 --> 00:37:59,880

there's recurring patterns of and you

1077

00:38:03,950 --> 00:38:02,339

need to watch out for your planet and

1078

00:38:05,690 --> 00:38:03,960

you know some of the people we've talked

1079

00:38:08,510 --> 00:38:05,700

to in the past were mentioning you know

1080

00:38:10,069 --> 00:38:08,520

even being tucked back into bed by these

1081

00:38:12,050 --> 00:38:10,079

entities that they actually cared enough

1082

00:38:14,030 --> 00:38:12,060

to go back and tuck them back into bed

1083

00:38:16,670 --> 00:38:14,040

when they were little like it doesn't

1084

00:38:19,670 --> 00:38:16,680

seem to be malicious although it can be

1085

00:38:22,010 --> 00:38:19,680

perceived as you know very scary because

1086

00:38:24,109 --> 00:38:22,020

it's not you know it's an alien

1087

00:38:26,030 --> 00:38:24,119

experience it's not something that is

1088

00:38:27,290 --> 00:38:26,040

that we have any point of reference when

1089

00:38:30,170 --> 00:38:27,300

you talk to somebody that's really been

1090

00:38:32,030 --> 00:38:30,180

on a ship I was it was like this it was

1091

00:38:33,230 --> 00:38:32,040

like that because there's no there's no

1092

00:38:34,490 --> 00:38:33,240

point of reference they can't tell you

1093

00:38:35,270 --> 00:38:34,500

what it was because it doesn't make

1094

00:38:38,329 --> 00:38:35,280

sense

1095

00:38:40,310 --> 00:38:38,339

so you know hearing that uh and the

1096

00:38:43,010 --> 00:38:40,320

differences between their two views what

1097

00:38:45,290 --> 00:38:43,020

is your view on on this whole situation

1098

00:38:48,290 --> 00:38:45,300

if there is an abduction phenomenon in

1099

00:38:51,970 --> 00:38:48,300

the hybridization program or some sort

1100

00:38:54,109 --> 00:38:51,980

is it for a mutual beneficial

1101
00:38:56,690 --> 00:38:54,119
relationship between us and whatever

1102
00:38:58,609 --> 00:38:56,700
these entities are is it more on a

1103
00:39:00,050 --> 00:38:58,619
malicious level is it more like they're

1104
00:39:03,470 --> 00:39:00,060
selfish they're doing it for their own

1105
00:39:06,170 --> 00:39:03,480
reason what what is your consensus on

1106
00:39:08,630 --> 00:39:06,180
that what was your ideas

1107
00:39:10,190 --> 00:39:08,640
yeah great question I think it's one of

1108
00:39:11,990 --> 00:39:10,200
the most Paramount questions that people

1109
00:39:13,550 --> 00:39:12,000
are engaged with

1110
00:39:15,609 --> 00:39:13,560
I think I would say a couple things one

1111
00:39:18,770 --> 00:39:15,619
caveat I always like to offer is I think

1112
00:39:21,829 --> 00:39:18,780
my my leaning is that

1113
00:39:24,950 --> 00:39:21,839

the universe whatever that is is much

1114

00:39:27,349 --> 00:39:24,960

more diverse and multi-faceted than we

1115

00:39:28,550 --> 00:39:27,359

can even imagine enough yet so all that

1116

00:39:30,349 --> 00:39:28,560

is to say I think there are different

1117

00:39:33,890 --> 00:39:30,359

kinds of entities coming from different

1118

00:39:35,690 --> 00:39:33,900

kinds of origin sources some are what I

1119

00:39:37,609 --> 00:39:35,700

would suggest is psychologically and

1120

00:39:38,870 --> 00:39:37,619

sociologically more mature than others

1121

00:39:40,970 --> 00:39:38,880

so we're talking about developmental

1122

00:39:43,010 --> 00:39:40,980

levels here and the more mature they are

1123

00:39:44,510 --> 00:39:43,020

they also seem to be tied into that

1124

00:39:46,130 --> 00:39:44,520

sense of Oneness that we talked about

1125

00:39:48,950 --> 00:39:46,140

earlier that sense of everything being

1126

00:39:51,230 --> 00:39:48,960

connected and when that's the case

1127

00:39:54,470 --> 00:39:51,240

that's your perspective then your own

1128

00:39:57,050 --> 00:39:54,480

self-interest is to act in such a way as

1129

00:39:58,910 --> 00:39:57,060

to benefit the the whole and to act in

1130

00:40:01,010 --> 00:39:58,920

the greatest good

1131

00:40:02,930 --> 00:40:01,020

but that is to say you know there are

1132

00:40:05,270 --> 00:40:02,940

some entities I think are immature that

1133

00:40:07,670 --> 00:40:05,280

are kind of more like parasitical kind

1134

00:40:09,650 --> 00:40:07,680

of viral kind of entities people do

1135

00:40:11,329 --> 00:40:09,660

experience that and of course what is

1136

00:40:12,890 --> 00:40:11,339

sometimes inhibiting to people and it's

1137

00:40:15,050 --> 00:40:12,900

going to be a lot to reckon with when

1138

00:40:17,569 --> 00:40:15,060

our society begins to really take this

1139

00:40:20,050 --> 00:40:17,579

more seriously is your own Consciousness

1140

00:40:22,190 --> 00:40:20,060

and your own sort of energetic imprint

1141

00:40:23,569 --> 00:40:22,200

becomes kind of like something that

1142

00:40:25,069 --> 00:40:23,579

attracts these different kinds of

1143

00:40:26,329 --> 00:40:25,079

entities we see some of this talked

1144

00:40:28,430 --> 00:40:26,339

about in spiritual and religious

1145

00:40:30,770 --> 00:40:28,440

tradition I think there's some overlap

1146

00:40:32,630 --> 00:40:30,780

here right and we can get Beyond sort of

1147

00:40:34,730 --> 00:40:32,640

the interpretation of what that means

1148

00:40:36,890 --> 00:40:34,740

which is sort of more dogmatic and just

1149

00:40:38,569 --> 00:40:36,900

look at the raw experience itself I

1150

00:40:41,450 --> 00:40:38,579

think people do kind of experience those

1151

00:40:44,150 --> 00:40:41,460

parasitical kind of viral entities and

1152

00:40:45,770 --> 00:40:44,160

if you have a lot of fear anger shame

1153

00:40:48,410 --> 00:40:45,780

these kind of low density kind of

1154

00:40:50,270 --> 00:40:48,420

vibrations or wavelengths if you will

1155

00:40:51,589 --> 00:40:50,280

especially if if reality is ultimately

1156

00:40:54,050 --> 00:40:51,599

energetic

1157

00:40:55,849 --> 00:40:54,060

then I think you you're kind of like a

1158

00:40:58,370 --> 00:40:55,859

light bulb that shines in the dark and

1159

00:41:00,109 --> 00:40:58,380

they they you attract them because of

1160

00:41:02,390 --> 00:41:00,119

that whereas if you are motivated by

1161

00:41:05,390 --> 00:41:02,400

love and connection

1162

00:41:07,250 --> 00:41:05,400

and those kinds of vibrations those

1163

00:41:09,770 --> 00:41:07,260

kinds of associations I think that

1164

00:41:11,150 --> 00:41:09,780

changes the energetic signature and

1165

00:41:13,130 --> 00:41:11,160

perhaps attracts different entities

1166

00:41:15,410 --> 00:41:13,140

that's my first caveat

1167

00:41:17,630 --> 00:41:15,420

but in terms of these specific groups of

1168

00:41:19,490 --> 00:41:17,640

entities that seem to be very intimately

1169

00:41:21,230 --> 00:41:19,500

involved with our society our

1170

00:41:23,329 --> 00:41:21,240

civilization and who knows how far back

1171

00:41:25,190 --> 00:41:23,339

it goes right in terms of there's some

1172

00:41:27,790 --> 00:41:25,200

suggestion there's been genetic tweaking

1173

00:41:30,290 --> 00:41:27,800

over time of our entire genome right

1174

00:41:32,690 --> 00:41:30,300

but I think what we should do is take

1175

00:41:34,849 --> 00:41:32,700

the experiencers testimony seriously

1176

00:41:37,370 --> 00:41:34,859

first and foremost we should not have

1177

00:41:39,950 --> 00:41:37,380

outside researchers coming in and

1178

00:41:41,030 --> 00:41:39,960

presuming to know what's going on I

1179

00:41:43,609 --> 00:41:41,040

think we should first and foremost

1180

00:41:45,890 --> 00:41:43,619

listen to experiencers and across the

1181

00:41:48,109 --> 00:41:45,900

board you find that absolutely it's

1182

00:41:49,970 --> 00:41:48,119

ontologically shocking with John Mack

1183

00:41:52,190 --> 00:41:49,980

came up with that term because he was

1184

00:41:55,010 --> 00:41:52,200

Reckoning with sure if if things that

1185

00:41:56,150 --> 00:41:55,020

look like giant insects appear at the

1186

00:41:58,010 --> 00:41:56,160

end of your bed in the middle of the

1187

00:41:59,990 --> 00:41:58,020

night with no warning

1188

00:42:02,270 --> 00:42:00,000

that's going to be an absolutely

1189

00:42:04,970 --> 00:42:02,280

terrifying ontologically shocking

1190

00:42:07,010 --> 00:42:04,980

experience not just because you you feel

1191

00:42:08,750 --> 00:42:07,020

so vulnerable but these things aren't

1192

00:42:11,210 --> 00:42:08,760

even supposed to exist according to what

1193

00:42:13,130 --> 00:42:11,220

you've been taught so the shock is sort

1194

00:42:14,930 --> 00:42:13,140

of twofold because of that

1195

00:42:16,670 --> 00:42:14,940

and you recognize they're actually there

1196

00:42:17,450 --> 00:42:16,680

in your room they're interacting with

1197

00:42:19,370 --> 00:42:17,460

you

1198

00:42:20,690 --> 00:42:19,380

one friend of mine had the experience of

1199

00:42:22,790 --> 00:42:20,700

you know they kind of got up on the bed

1200

00:42:25,130 --> 00:42:22,800

and when you feel the mattress pressed

1201
00:42:27,650 --> 00:42:25,140
down it's this shot of adrenaline goes

1202
00:42:29,569 --> 00:42:27,660
this is happening this is not a vision

1203
00:42:31,490 --> 00:42:29,579
scape you know that's where I would pee

1204
00:42:32,290 --> 00:42:31,500
myself get over reality yeah

1205
00:42:34,609 --> 00:42:32,300
yeah

1206
00:42:36,050 --> 00:42:34,619
but when you when you then when you

1207
00:42:38,210 --> 00:42:36,060
delve into the experiences once you get

1208
00:42:40,310 --> 00:42:38,220
past all that initial shock and there is

1209
00:42:42,410 --> 00:42:40,320
no doubt initial shock initial trauma

1210
00:42:44,390 --> 00:42:42,420
and sometimes that goes on for years you

1211
00:42:47,450 --> 00:42:44,400
have someone like Susie Hanson

1212
00:42:49,010 --> 00:42:47,460
who talks about now having a very uh

1213
00:42:50,930 --> 00:42:49,020

kind of mutual relationship with them

1214

00:42:52,190 --> 00:42:50,940

even sees herself as kind of a hybrid

1215

00:42:54,829 --> 00:42:52,200

being

1216

00:42:58,370 --> 00:42:54,839

she says for 20 years she was terrified

1217

00:43:00,230 --> 00:42:58,380

of these kinds of encounters so again

1218

00:43:02,150 --> 00:43:00,240

there's a lot of complexity here a lot

1219

00:43:04,730 --> 00:43:02,160

of nuance and I think the more we are

1220

00:43:07,069 --> 00:43:04,740

identified with this small self with the

1221

00:43:09,530 --> 00:43:07,079

body mind that this is the more that's

1222

00:43:11,930 --> 00:43:09,540

going to feel ontologically shocking and

1223

00:43:15,410 --> 00:43:11,940

destabilizing discombobulating as I like

1224

00:43:17,690 --> 00:43:15,420

to say because ego death seems to be one

1225

00:43:20,210 --> 00:43:17,700

of the you know outcomes of these kinds

1226

00:43:21,589 --> 00:43:20,220

of experiences but again it's it's for

1227

00:43:23,270 --> 00:43:21,599

the sake of I would argue this

1228

00:43:26,270 --> 00:43:23,280

Transcendent experience of being

1229

00:43:29,870 --> 00:43:26,280

connected to everything and

1230

00:43:31,910 --> 00:43:29,880

one of the most productive ways to

1231

00:43:33,230 --> 00:43:31,920

actually allow for real spiritual

1232

00:43:35,450 --> 00:43:33,240

transformation and Whitley strippers

1233

00:43:38,390 --> 00:43:35,460

talked about this in his own case is

1234

00:43:40,190 --> 00:43:38,400

trauma when you go through trauma it

1235

00:43:42,410 --> 00:43:40,200

breaks down things to such a degree that

1236

00:43:44,870 --> 00:43:42,420

you really can reconstitute a completely

1237

00:43:47,150 --> 00:43:44,880

different transformational understanding

1238

00:43:49,550 --> 00:43:47,160

of reality so he says on the one hand

1239

00:43:51,829 --> 00:43:49,560

initially I felt like I was raped like

1240

00:43:54,589 --> 00:43:51,839

that's just a blunt way to put it on the

1241

00:43:58,069 --> 00:43:54,599

other hand this experience has been so

1242

00:44:00,230 --> 00:43:58,079

mind expanding for him that he sees as a

1243

00:44:01,609 --> 00:44:00,240

civilization this perhaps being the

1244

00:44:04,309 --> 00:44:01,619

greatest opportunity for Spiritual

1245

00:44:06,829 --> 00:44:04,319

transformation on a society-wide kind of

1246

00:44:08,990 --> 00:44:06,839

scale in the history of mankind

1247

00:44:10,190 --> 00:44:09,000

when you pair that with the messages

1248

00:44:13,910 --> 00:44:10,200

about

1249

00:44:16,309 --> 00:44:13,920

cataclysm coming right some sort of

1250

00:44:17,990 --> 00:44:16,319

Apocalypse again you could even argue is

1251

00:44:20,930 --> 00:44:18,000

this what we see evidenced in religious

1252

00:44:23,990 --> 00:44:20,940

history then you could argue perhaps you

1253

00:44:26,329 --> 00:44:24,000

would justify or understand why there's

1254

00:44:28,250 --> 00:44:26,339

some of this traumatic kind of

1255

00:44:30,770 --> 00:44:28,260

you know shaking of our

1256

00:44:33,770 --> 00:44:30,780

small self ego identities is necessary

1257

00:44:35,770 --> 00:44:33,780

for the sake of this cracking open to a

1258

00:44:38,990 --> 00:44:35,780

more Transcendent expanded understanding

1259

00:44:41,450 --> 00:44:39,000

that is consistently what experiencers

1260

00:44:42,770 --> 00:44:41,460

report now it's not a hundred percent so

1261

00:44:44,329 --> 00:44:42,780

I'm actually just saying it was not a

1262

00:44:46,849 --> 00:44:44,339

good experience it never was never going

1263

00:44:48,410 --> 00:44:46,859

to be but that's not the majority and

1264

00:44:50,329 --> 00:44:48,420

especially when people have time to

1265

00:44:52,970 --> 00:44:50,339

reflect on their experiences

1266

00:44:55,130 --> 00:44:52,980

they they change their perspective to

1267

00:44:57,410 --> 00:44:55,140

give you one really small analogy that

1268

00:44:59,450 --> 00:44:57,420

doesn't really work one-to-one but it

1269

00:45:00,829 --> 00:44:59,460

gives you some sense of this I had an

1270

00:45:04,910 --> 00:45:00,839

experience one time

1271

00:45:06,950 --> 00:45:04,920

in fact I was hiking in your backyard uh

1272

00:45:09,290 --> 00:45:06,960

I was hiking in Golden Ears Provincial

1273

00:45:11,390 --> 00:45:09,300

Park oh yeah that's back home and I came

1274

00:45:13,250 --> 00:45:11,400

across a mountain lion stepped up from

1275

00:45:17,390 --> 00:45:13,260

behind a tree like a few feet away from

1276

00:45:19,190 --> 00:45:17,400

me and and I was completely alone not a

1277

00:45:21,890 --> 00:45:19,200

good experience right immediately

1278

00:45:23,630 --> 00:45:21,900

adrenaline floods through the body I'm

1279

00:45:25,490 --> 00:45:23,640

dead you know this is this is not good

1280

00:45:27,829 --> 00:45:25,500

I'm in shorts than a t-shirt I have no

1281

00:45:30,890 --> 00:45:27,839

weapons I have nothing to defend myself

1282

00:45:32,210 --> 00:45:30,900

so I kind of stood off and and tried to

1283

00:45:34,430 --> 00:45:32,220

like look big and make a lot of noise

1284

00:45:36,290 --> 00:45:34,440

eventually it kind of moved off I went

1285

00:45:37,910 --> 00:45:36,300

around the corner of the trail and then

1286

00:45:40,130 --> 00:45:37,920

started started running right because

1287

00:45:41,870 --> 00:45:40,140

again just the terror right

1288

00:45:43,790 --> 00:45:41,880

not a good move there everything was

1289

00:45:45,290 --> 00:45:43,800

right up until that point but then you

1290

00:45:47,450 --> 00:45:45,300

know the park ranger liter told me that

1291

00:45:48,890 --> 00:45:47,460

you know they can feel through the pads

1292

00:45:50,510 --> 00:45:48,900

of their feet that you're running and it

1293

00:45:52,849 --> 00:45:50,520

kicks in their Predator prey Instinct

1294

00:45:54,650 --> 00:45:52,859

came chasing after me

1295

00:45:55,910 --> 00:45:54,660

so I looked up the back of the trail see

1296

00:45:57,829 --> 00:45:55,920

this thing coming like twice the speed

1297

00:46:00,950 --> 00:45:57,839

that I'm running I'm 20 minutes from my

1298

00:46:03,410 --> 00:46:00,960

car so I I had to turn it around and run

1299

00:46:06,050 --> 00:46:03,420

back at it as it was running at me and

1300

00:46:07,970 --> 00:46:06,060

it stopped you know on a dime about 10

1301
00:46:10,130 --> 00:46:07,980
feet away and I gained the same thing I

1302
00:46:11,809 --> 00:46:10,140
kicked rocks at it I I shouted I tried

1303
00:46:13,309 --> 00:46:11,819
to look big eventually it just got bored

1304
00:46:15,829 --> 00:46:13,319
and moved off the trail

1305
00:46:18,410 --> 00:46:15,839
now that was extremely traumatic for me

1306
00:46:19,730 --> 00:46:18,420
I had post-traumatic stress symptoms for

1307
00:46:22,490 --> 00:46:19,740
years afterwards I could be in the

1308
00:46:24,170 --> 00:46:22,500
middle of a city environment in a and

1309
00:46:25,910 --> 00:46:24,180
there'd be like three trees a Grove of

1310
00:46:27,770 --> 00:46:25,920
three trees and I would see a dog and I

1311
00:46:29,569 --> 00:46:27,780
would suddenly think you know it's it's

1312
00:46:31,430 --> 00:46:29,579
a mountain lion right

1313
00:46:33,890 --> 00:46:31,440

over time though in reflection I

1314

00:46:35,210 --> 00:46:33,900

realized it never made me harm if it

1315

00:46:37,370 --> 00:46:35,220

wanted me for lunch I would have been

1316

00:46:38,809 --> 00:46:37,380

dead already because when mountain lions

1317

00:46:40,730 --> 00:46:38,819

attack you they jump from behind they

1318

00:46:41,990 --> 00:46:40,740

try to snap the back of your neck it

1319

00:46:44,930 --> 00:46:42,000

came from behind and just walked around

1320

00:46:47,089 --> 00:46:44,940

it was curious it clearly it had plenty

1321

00:46:48,710 --> 00:46:47,099

to eat it already that day but my

1322

00:46:51,170 --> 00:46:48,720

initial impression was this thing's an

1323

00:46:53,930 --> 00:46:51,180

enemy it means me harm my life is

1324

00:46:55,250 --> 00:46:53,940

threatened all of that right only later

1325

00:46:58,130 --> 00:46:55,260

with with

1326
00:46:59,569 --> 00:46:58,140
real retrospective analysis and real

1327
00:47:01,849 --> 00:46:59,579
understanding and talking and and

1328
00:47:03,470 --> 00:47:01,859
researching about the nature of these

1329
00:47:04,609 --> 00:47:03,480
creatures that I realized actually I

1330
00:47:06,290 --> 00:47:04,619
don't think it made me harm at all it's

1331
00:47:08,270 --> 00:47:06,300
probably playing with me the same way

1332
00:47:09,770 --> 00:47:08,280
the dog runs after you but that doesn't

1333
00:47:13,190 --> 00:47:09,780
change the fact that initially it was

1334
00:47:14,390 --> 00:47:13,200
extremely traumatic yeah wow I want to

1335
00:47:15,650 --> 00:47:14,400
take you back to something you said just

1336
00:47:18,230 --> 00:47:15,660
a few minutes ago about people

1337
00:47:19,790 --> 00:47:18,240
interacting with parasitic entities and

1338
00:47:21,170 --> 00:47:19,800

it triggered something in my mind I've

1339

00:47:23,510 --> 00:47:21,180

been doing a lot of research lately on

1340

00:47:26,150 --> 00:47:23,520

remote viewing particularly the days of

1341

00:47:28,550 --> 00:47:26,160

like Ingo Swan and Pat price and things

1342

00:47:31,430 --> 00:47:28,560

like that and a lot of people claim to

1343

00:47:32,750 --> 00:47:31,440

have these Powers most of them don't you

1344

00:47:34,370 --> 00:47:32,760

know there's some cool things on Twitter

1345

00:47:35,809 --> 00:47:34,380

where a guy holds up an envelope and

1346

00:47:37,849 --> 00:47:35,819

he's like what's in the envelope and

1347

00:47:39,650 --> 00:47:37,859

everybody posts it but but the people

1348

00:47:41,750 --> 00:47:39,660

that are tried and true the ones that

1349

00:47:44,089 --> 00:47:41,760

work for the government have been proven

1350

00:47:46,130 --> 00:47:44,099

to be accurate essentially they have to

1351
00:47:48,770 --> 00:47:46,140
manipulate Consciousness at some level

1352
00:47:51,829 --> 00:47:48,780
to be able to go and do these viewings

1353
00:47:53,809 --> 00:47:51,839
and many times they've reported sort of

1354
00:47:56,630 --> 00:47:53,819
encountering beings like their remote

1355
00:47:58,910 --> 00:47:56,640
viewing bases underground if they exist

1356
00:48:00,650 --> 00:47:58,920
and they become aware of these entities

1357
00:48:02,930 --> 00:48:00,660
and the entities become aware that

1358
00:48:05,390 --> 00:48:02,940
they're being observed and all of this

1359
00:48:06,890 --> 00:48:05,400
has recently blown my mind so as a

1360
00:48:08,990 --> 00:48:06,900
believer in these type of things and

1361
00:48:10,790 --> 00:48:09,000
Consciousness and all that what are your

1362
00:48:13,670 --> 00:48:10,800
thoughts on sort of genuine remote

1363
00:48:16,490 --> 00:48:13,680

viewing is it possible and could you

1364

00:48:19,250 --> 00:48:16,500

shed any light on that

1365

00:48:21,290 --> 00:48:19,260

yes I absolutely am a believer in that

1366

00:48:24,290 --> 00:48:21,300

because again there's a lot of overlap

1367

00:48:26,750 --> 00:48:24,300

and I think that um

1368

00:48:28,250 --> 00:48:26,760

when again you really reckon with this

1369

00:48:29,630 --> 00:48:28,260

notion that a Hoffman puts forward that

1370

00:48:31,790 --> 00:48:29,640

what we experience is actually not

1371

00:48:34,790 --> 00:48:31,800

reality it's an interface with icons

1372

00:48:36,890 --> 00:48:34,800

then that suggests that there's actually

1373

00:48:38,450 --> 00:48:36,900

vast aspects of reality that are

1374

00:48:40,609 --> 00:48:38,460

coexisting with us right now that we're

1375

00:48:42,650 --> 00:48:40,619

just not usually aware of

1376

00:48:44,510 --> 00:48:42,660

so through these different means we

1377

00:48:46,430 --> 00:48:44,520

become aware of more

1378

00:48:49,010 --> 00:48:46,440

and in the case of the Stargate program

1379

00:48:50,750 --> 00:48:49,020

you know different versions of that ran

1380

00:48:53,030 --> 00:48:50,760

for 20 years were fully funded by the

1381

00:48:56,450 --> 00:48:53,040

CIA for 20 years

1382

00:48:58,390 --> 00:48:56,460

you know they have to actually show

1383

00:49:00,829 --> 00:48:58,400

evidence suggesting that it's actually

1384

00:49:02,390 --> 00:49:00,839

producing material that's usable that's

1385

00:49:04,309 --> 00:49:02,400

actionable otherwise they would not

1386

00:49:06,170 --> 00:49:04,319

continue to have their contract renewed

1387

00:49:08,870 --> 00:49:06,180

for 20 years they were able to

1388

00:49:10,730 --> 00:49:08,880

corroborate the details through other

1389

00:49:12,770 --> 00:49:10,740

means they would say they would have

1390

00:49:14,210 --> 00:49:12,780

like actual hard intelligence that after

1391

00:49:16,309 --> 00:49:14,220

the fact that it said it turns out

1392

00:49:18,710 --> 00:49:16,319

that's absolutely right remember one

1393

00:49:20,809 --> 00:49:18,720

time hearing about a case where

1394

00:49:23,030 --> 00:49:20,819

someone just didn't didn't believe this

1395

00:49:23,870 --> 00:49:23,040

right they were someone in the CIA but

1396

00:49:26,030 --> 00:49:23,880

they just thought the whole thing was

1397

00:49:27,530 --> 00:49:26,040

hogwash why are we paying for this and

1398

00:49:29,510 --> 00:49:27,540

so they said okay I'm going to give you

1399

00:49:31,130 --> 00:49:29,520

some coordinates and this is really

1400

00:49:33,170 --> 00:49:31,140

fascinating by the way the the less

1401
00:49:34,849 --> 00:49:33,180
information you have the better because

1402
00:49:36,710 --> 00:49:34,859
it's people like urugueller and Ingo

1403
00:49:38,329 --> 00:49:36,720
swamp will tell you memory and

1404
00:49:40,010 --> 00:49:38,339
Imagination are your biggest enemies

1405
00:49:41,569 --> 00:49:40,020
when it comes to actually remote viewing

1406
00:49:43,730 --> 00:49:41,579
or clairvoyances it's been known

1407
00:49:45,770 --> 00:49:43,740
historically remote viewing is like a

1408
00:49:48,410 --> 00:49:45,780
specific protocol that the the military

1409
00:49:50,270 --> 00:49:48,420
along with SRI came up with but it's

1410
00:49:53,450 --> 00:49:50,280
basically Clairvoyance as the underlying

1411
00:49:55,309 --> 00:49:53,460
psychological sort of apparatus there

1412
00:49:56,510 --> 00:49:55,319
but he gave this guy coordinates

1413
00:49:59,030 --> 00:49:56,520

thinking that he's going to say

1414

00:50:00,230 --> 00:49:59,040

something Fantastical but the guy that

1415

00:50:02,270 --> 00:50:00,240

gave the coordinates knew that it was

1416

00:50:04,069 --> 00:50:02,280

just his cabin in the woods somewhere in

1417

00:50:05,990 --> 00:50:04,079

the in the north eastern United States

1418

00:50:07,430 --> 00:50:06,000

and so he thought this guy would make

1419

00:50:09,230 --> 00:50:07,440

something up and they could catch him in

1420

00:50:09,890 --> 00:50:09,240

the act and say see there's nothing to

1421

00:50:12,109 --> 00:50:09,900

it

1422

00:50:13,730 --> 00:50:12,119

so the guy says yeah I'm seeing an

1423

00:50:15,170 --> 00:50:13,740

underground base and there's these this

1424

00:50:16,970 --> 00:50:15,180

these really interesting machines and

1425

00:50:20,150 --> 00:50:16,980

there's like people under the ground and

1426
00:50:22,069 --> 00:50:20,160
Boba and he says aha you know I catch

1427
00:50:23,450 --> 00:50:22,079
you at least that's what he thinks turns

1428
00:50:27,109 --> 00:50:23,460
out he did some research and found out

1429
00:50:29,210 --> 00:50:27,119
there was a top secret facility under

1430
00:50:31,130 --> 00:50:29,220
the ground not far from his mountain

1431
00:50:32,930 --> 00:50:31,140
cabin so that's an example of that kind

1432
00:50:34,190 --> 00:50:32,940
of thing another case that's really

1433
00:50:37,190 --> 00:50:34,200
fascinating

1434
00:50:40,130 --> 00:50:37,200
is I think it was Erie Geller it was

1435
00:50:42,829 --> 00:50:40,140
this this particular case where he was

1436
00:50:45,410 --> 00:50:42,839
tasked with trying to

1437
00:50:47,630 --> 00:50:45,420
read the documents or something uh

1438
00:50:50,030 --> 00:50:47,640

within kind of this iron container that

1439

00:50:51,890 --> 00:50:50,040

was you know really thick iron no way

1440

00:50:54,829 --> 00:50:51,900

you can get into it kind of thing

1441

00:50:55,910 --> 00:50:54,839

and to sort of watch over this

1442

00:50:57,650 --> 00:50:55,920

experiment and make sure that it was

1443

00:51:00,109 --> 00:50:57,660

legit they brought in these nuclear

1444

00:51:03,109 --> 00:51:00,119

physicists who had no history no

1445

00:51:04,970 --> 00:51:03,119

interest in anything paranormal or

1446

00:51:06,829 --> 00:51:04,980

parapsychological they were just there

1447

00:51:09,290 --> 00:51:06,839

to make sure that all the protocols were

1448

00:51:10,790 --> 00:51:09,300

followed he didn't so nobody slipped him

1449

00:51:12,890 --> 00:51:10,800

the information or anything like that or

1450

00:51:15,530 --> 00:51:12,900

he didn't get to go in they verified

1451
00:51:17,569 --> 00:51:15,540
sure enough it was a valid experiment

1452
00:51:19,130 --> 00:51:17,579
and he seemed to produce valid Intel

1453
00:51:20,809 --> 00:51:19,140
which you can understand for the

1454
00:51:22,730 --> 00:51:20,819
intelligence Community this is valid

1455
00:51:24,770 --> 00:51:22,740
this is Vital Information in fact

1456
00:51:26,809 --> 00:51:24,780
because if it turns out that there are

1457
00:51:28,910 --> 00:51:26,819
ultimately no secrets no way to keep

1458
00:51:30,710 --> 00:51:28,920
something secret then this has vast

1459
00:51:33,170 --> 00:51:30,720
implications for National Security and

1460
00:51:36,109 --> 00:51:33,180
whatnot and they knew that the Soviets

1461
00:51:37,490 --> 00:51:36,119
had you know a decade or so more

1462
00:51:39,290 --> 00:51:37,500
experience with this and we're taking it

1463
00:51:41,809 --> 00:51:39,300

seriously and that's partly what made

1464

00:51:42,890 --> 00:51:41,819

the the United States take it more

1465

00:51:44,569 --> 00:51:42,900

seriously

1466

00:51:46,790 --> 00:51:44,579

but what's interesting is not just that

1467

00:51:48,950 --> 00:51:46,800

they verified sure enough he seemed to

1468

00:51:50,450 --> 00:51:48,960

produce valid Intel in ways that we

1469

00:51:51,770 --> 00:51:50,460

don't understand according to our

1470

00:51:52,609 --> 00:51:51,780

conventional understanding how he could

1471

00:51:54,770 --> 00:51:52,619

do that

1472

00:51:58,790 --> 00:51:54,780

but these nuclear physicists went home

1473

00:52:00,770 --> 00:51:58,800

and began to see orbs in their houses

1474

00:52:02,630 --> 00:52:00,780

so again you have that kind of social

1475

00:52:04,609 --> 00:52:02,640

contagion again right you have this kind

1476
00:52:06,530 --> 00:52:04,619
of Hitchhiker effect for people who were

1477
00:52:09,470 --> 00:52:06,540
not closely associated with him with

1478
00:52:11,809 --> 00:52:09,480
Eric Geller they were just there as you

1479
00:52:13,609 --> 00:52:11,819
know objective observers and yet

1480
00:52:15,530 --> 00:52:13,619
something happened and they began to

1481
00:52:17,390 --> 00:52:15,540
experience things and the reason we know

1482
00:52:19,069 --> 00:52:17,400
that because again according to what we

1483
00:52:20,690 --> 00:52:19,079
were talking about earlier probably they

1484
00:52:21,950 --> 00:52:20,700
don't want to admit this right this is

1485
00:52:23,210 --> 00:52:21,960
not something that they're going to

1486
00:52:26,030 --> 00:52:23,220
think they're going to be fired or like

1487
00:52:28,609 --> 00:52:26,040
sent for a psychiatric evaluation

1488
00:52:30,049 --> 00:52:28,619

but the thing is you have to whenever

1489

00:52:31,430 --> 00:52:30,059

you're going into these facilities these

1490

00:52:34,309 --> 00:52:31,440

top secret facilities these nuclear

1491

00:52:35,750 --> 00:52:34,319

facilities you have to recount to the

1492

00:52:37,490 --> 00:52:35,760

security people everything that's

1493

00:52:38,990 --> 00:52:37,500

happened to you and if you're not

1494

00:52:40,790 --> 00:52:39,000

absolutely truthful they will like pull

1495

00:52:42,410 --> 00:52:40,800

your security clearance so it's because

1496

00:52:43,309 --> 00:52:42,420

of that they said well it turns out this

1497

00:52:45,170 --> 00:52:43,319

has happened

1498

00:52:46,670 --> 00:52:45,180

so that's how we know about it but again

1499

00:52:49,190 --> 00:52:46,680

I think this speaks to the fact that

1500

00:52:50,809 --> 00:52:49,200

it's not just people making claims but

1501
00:52:53,150 --> 00:52:50,819
there's remarkable objective evidence

1502
00:52:55,609 --> 00:52:53,160
from things like a 20-year long

1503
00:52:57,170 --> 00:52:55,619
you know CIA funded program I'm sure

1504
00:53:00,109 --> 00:52:57,180
those things are still going on they're

1505
00:53:02,030 --> 00:53:00,119
just again using different names now uh

1506
00:53:03,589 --> 00:53:02,040
you don't have that kind of valid Intel

1507
00:53:05,390 --> 00:53:03,599
it's funded for that long unless it's

1508
00:53:08,270 --> 00:53:05,400
really it's really real it's really

1509
00:53:10,849 --> 00:53:08,280
producing actionable intelligence

1510
00:53:12,109 --> 00:53:10,859
and this social contagion comes in here

1511
00:53:13,730 --> 00:53:12,119
as well which is interesting because we

1512
00:53:16,250 --> 00:53:13,740
already talked about it before with the

1513
00:53:17,690 --> 00:53:16,260

UFO phenomenon and whatnot yeah and the

1514

00:53:19,910 --> 00:53:17,700

interesting thing with that is I have a

1515

00:53:21,890 --> 00:53:19,920

friend who is has been trained to do

1516

00:53:23,809 --> 00:53:21,900

this has been doing it for a while and I

1517

00:53:25,549 --> 00:53:23,819

asked him I'm like how do I how do I

1518

00:53:27,470 --> 00:53:25,559

learn this how do I give it a shot and

1519

00:53:29,329 --> 00:53:27,480

he was he warned me it's instant

1520

00:53:31,370 --> 00:53:29,339

hitchhiker effect don't go there don't

1521

00:53:33,770 --> 00:53:31,380

mess with it even the people that are

1522

00:53:36,230 --> 00:53:33,780

trained still get this hitchhiker effect

1523

00:53:38,569 --> 00:53:36,240

quote unquote and they need to consult

1524

00:53:40,370 --> 00:53:38,579

each other to help rid themselves of

1525

00:53:42,290 --> 00:53:40,380

these nuisances right and like you said

1526

00:53:43,849 --> 00:53:42,300

the guys of the nuclear base they had

1527

00:53:47,030 --> 00:53:43,859

nothing to do with it and they get weird

1528

00:53:48,950 --> 00:53:47,040

stuff going on so to to caution people

1529

00:53:51,530 --> 00:53:48,960

on that and a lot of people even say

1530

00:53:52,730 --> 00:53:51,540

with things like ce5 like don't mess

1531

00:53:55,069 --> 00:53:52,740

with that you don't know what you're

1532

00:53:56,510 --> 00:53:55,079

doing it's kind of like a Ouija board do

1533

00:53:58,309 --> 00:53:56,520

you have an opinion one way or the other

1534

00:53:59,990 --> 00:53:58,319

is it a good thing should we leave it

1535

00:54:00,829 --> 00:54:00,000

alone and just not mess with that sort

1536

00:54:03,109 --> 00:54:00,839

of stuff

1537

00:54:05,870 --> 00:54:03,119

I love that question and I I have a

1538

00:54:07,010 --> 00:54:05,880

nuanced response to it so I'm I'm one of

1539

00:54:09,230 --> 00:54:07,020

those people that had an experience like

1540

00:54:11,809 --> 00:54:09,240

that right so when I went to the Monroe

1541

00:54:13,370 --> 00:54:11,819

Institute and we used the C5 kind of

1542

00:54:15,349 --> 00:54:13,380

highest protocols

1543

00:54:17,210 --> 00:54:15,359

we you know for instance we kind of had

1544

00:54:18,650 --> 00:54:17,220

like a grab bag of all these different

1545

00:54:19,670 --> 00:54:18,660

phenomena we're talking about here

1546

00:54:22,430 --> 00:54:19,680

because

1547

00:54:24,470 --> 00:54:22,440

the Monroe Institute is known for trying

1548

00:54:25,970 --> 00:54:24,480

to help people have out-of-body

1549

00:54:27,589 --> 00:54:25,980

experiences right

1550

00:54:30,049 --> 00:54:27,599

so we were first going to our little

1551
00:54:31,730 --> 00:54:30,059
cubicles where it's blacked out room you

1552
00:54:32,690 --> 00:54:31,740
pull a curtain clothes and you're lying

1553
00:54:34,910 --> 00:54:32,700
on a bed and everything's completely

1554
00:54:36,950 --> 00:54:34,920
dark and they're beaming audio signals

1555
00:54:38,870 --> 00:54:36,960
into both sides of your you know both

1556
00:54:40,549 --> 00:54:38,880
sides of your head right you can also

1557
00:54:42,410 --> 00:54:40,559
listen to on headphones

1558
00:54:44,930 --> 00:54:42,420
and this is to help

1559
00:54:46,370 --> 00:54:44,940
loosen your attachment to your physical

1560
00:54:48,109 --> 00:54:46,380
body what makes it more likely that

1561
00:54:50,630 --> 00:54:48,119
you're going to have an out-of-body

1562
00:54:52,609 --> 00:54:50,640
stated kind of experience

1563
00:54:56,510 --> 00:54:52,619

so we were doing that

1564

00:54:58,309 --> 00:54:56,520

in each of our cubicles and then also

1565

00:54:59,690 --> 00:54:58,319

having a shared intention for having

1566

00:55:02,569 --> 00:54:59,700

some sort of experience together that

1567

00:55:04,490 --> 00:55:02,579

night in the meadow right so we we did

1568

00:55:06,890 --> 00:55:04,500

this in our cubicles then we went out

1569

00:55:10,970 --> 00:55:06,900

into the meadow we sat in a in a circle

1570

00:55:13,609 --> 00:55:10,980

on chairs and we had this intention and

1571

00:55:15,410 --> 00:55:13,619

we had people filming it we had people

1572

00:55:17,870 --> 00:55:15,420

that were experts in knowing what is a

1573

00:55:19,670 --> 00:55:17,880

satellite what is a what is a meteor you

1574

00:55:22,010 --> 00:55:19,680

know what is starlink all these things

1575

00:55:23,630 --> 00:55:22,020

so we could say pretty quickly uh yeah

1576

00:55:25,670 --> 00:55:23,640

that's that that's that so we're not

1577

00:55:28,549 --> 00:55:25,680

going to be fooled by you know something

1578

00:55:30,230 --> 00:55:28,559

that is actually just something prosaic

1579

00:55:32,270 --> 00:55:30,240

but we had things to happen like for

1580

00:55:33,890 --> 00:55:32,280

instance uh what looks like a satellite

1581

00:55:36,410 --> 00:55:33,900

initially comes tracking across the sky

1582

00:55:38,390 --> 00:55:36,420

but then things like it'll just stop

1583

00:55:41,270 --> 00:55:38,400

right and then just sort of like Fade

1584

00:55:42,770 --> 00:55:41,280

Out things like that uh and sort of like

1585

00:55:44,750 --> 00:55:42,780

the flashlight thing right that's coming

1586

00:55:47,450 --> 00:55:44,760

across the screen that kind of thing

1587

00:55:49,309 --> 00:55:47,460

and what happened to me was it was after

1588

00:55:51,109 --> 00:55:49,319

those experiences that I began to have

1589

00:55:52,849 --> 00:55:51,119

again these kind of downloads where I

1590

00:55:54,710 --> 00:55:52,859

would wake up with information to my

1591

00:55:57,950 --> 00:55:54,720

mind that wasn't there before

1592

00:56:00,410 --> 00:55:57,960

it felt very

1593

00:56:02,270 --> 00:56:00,420

tangential you know it felt like it was

1594

00:56:04,849 --> 00:56:02,280

from somewhere else and I didn't even

1595

00:56:06,170 --> 00:56:04,859

know how it really really fit and as I

1596

00:56:08,450 --> 00:56:06,180

say that as I walk out my daily

1597

00:56:10,069 --> 00:56:08,460

experience throughout the week it would

1598

00:56:11,450 --> 00:56:10,079

drop in and someone would say something

1599

00:56:13,450 --> 00:56:11,460

and it would drop in right there that's

1600

00:56:16,490 --> 00:56:13,460

relevant there so it's like I'm getting

1601
00:56:18,410 --> 00:56:16,500
uh uh pre-delivery of information that's

1602
00:56:22,069 --> 00:56:18,420
going to be useful and relevant but

1603
00:56:24,890 --> 00:56:22,079
later in my experience of linear reality

1604
00:56:25,750 --> 00:56:24,900
what I would say is again this speaks to

1605
00:56:29,870 --> 00:56:25,760
what I was saying earlier about

1606
00:56:31,670 --> 00:56:29,880
energetic resonance and what kind of

1607
00:56:32,750 --> 00:56:31,680
vibration are you sending out I

1608
00:56:35,510 --> 00:56:32,760
understand some people with a science

1609
00:56:37,130 --> 00:56:35,520
background will just get Driven Crazy by

1610
00:56:39,530 --> 00:56:37,140
that kind of language

1611
00:56:42,650 --> 00:56:39,540
but just think about it as again if

1612
00:56:45,290 --> 00:56:42,660
you're focused on fear shame those kinds

1613
00:56:47,089 --> 00:56:45,300

of uh things you're going to

1614

00:56:50,630 --> 00:56:47,099

emit a certain kind of energetic

1615

00:56:52,790 --> 00:56:50,640

signature into the cosmos and just like

1616

00:56:54,890 --> 00:56:52,800

someone with a weak immune system is

1617

00:56:57,410 --> 00:56:54,900

vulnerable to some viruses that we might

1618

00:56:59,450 --> 00:56:57,420

not be right it's the same sort of idea

1619

00:57:02,710 --> 00:56:59,460

here I think there's some analogy here

1620

00:57:05,329 --> 00:57:02,720

on the other hand if you have really

1621

00:57:06,650 --> 00:57:05,339

employed spiritual hygiene so you've

1622

00:57:08,630 --> 00:57:06,660

actually used techniques to make sure

1623

00:57:10,849 --> 00:57:08,640

that you are aware of your spiritual

1624

00:57:12,470 --> 00:57:10,859

energy your your energetic signature

1625

00:57:14,329 --> 00:57:12,480

again people sometimes get triggered by

1626
00:57:16,069 --> 00:57:14,339
the word spiritual but just think about

1627
00:57:17,870 --> 00:57:16,079
this as energy right if and everything

1628
00:57:20,569 --> 00:57:17,880
underlyingly is a kind of energetic

1629
00:57:22,490 --> 00:57:20,579
signature and then we have to some

1630
00:57:25,130 --> 00:57:22,500
degree kind of an energetic immune

1631
00:57:27,049 --> 00:57:25,140
system as well and if you are focused on

1632
00:57:29,030 --> 00:57:27,059
sort of these more High vibrational kind

1633
00:57:32,089 --> 00:57:29,040
of perspectives like love connection

1634
00:57:33,770 --> 00:57:32,099
truth things like this then you're going

1635
00:57:35,690 --> 00:57:33,780
to have a resilience to those kinds of

1636
00:57:37,910 --> 00:57:35,700
things which coming around to your

1637
00:57:40,670 --> 00:57:37,920
question about should we practice C5 and

1638
00:57:42,290 --> 00:57:40,680

Heist is it safe I think that's where I

1639

00:57:43,790 --> 00:57:42,300

say that comes in so if you're a very

1640

00:57:46,250 --> 00:57:43,800

fearful person who tends to think

1641

00:57:48,109 --> 00:57:46,260

anything that's unknown is a threat and

1642

00:57:49,730 --> 00:57:48,119

you have that kind of perspective then

1643

00:57:52,250 --> 00:57:49,740

maybe it's not the thing for you maybe

1644

00:57:54,710 --> 00:57:52,260

you need to do some some energetic work

1645

00:57:57,230 --> 00:57:54,720

to work through that because that I

1646

00:57:59,150 --> 00:57:57,240

think does prime the experience to some

1647

00:58:02,450 --> 00:57:59,160

degree on the other hand if you're going

1648

00:58:04,250 --> 00:58:02,460

with this very set intention to have an

1649

00:58:05,510 --> 00:58:04,260

experience with benevolent entities that

1650

00:58:07,390 --> 00:58:05,520

are coming with the same sort of

1651

00:58:10,309 --> 00:58:07,400

energetic signature that you're

1652

00:58:11,750 --> 00:58:10,319

outputting then you're very likely to

1653

00:58:13,849 --> 00:58:11,760

have that kind of experience I've looked

1654

00:58:16,069 --> 00:58:13,859

pretty closely at the the data

1655

00:58:20,510 --> 00:58:16,079

historically for C5 and Heist kind of

1656

00:58:22,970 --> 00:58:20,520

protocols and it's very highly positive

1657

00:58:24,650 --> 00:58:22,980

and the few cases I know where there was

1658

00:58:26,450 --> 00:58:24,660

a not so great experience I think there

1659

00:58:29,510 --> 00:58:26,460

are mitigating circumstances in those

1660

00:58:31,849 --> 00:58:29,520

situations either people again had

1661

00:58:33,290 --> 00:58:31,859

energetic wavelengths that were

1662

00:58:34,190 --> 00:58:33,300

attracting perhaps things that were not

1663

00:58:35,210 --> 00:58:34,200

good

1664

00:58:37,609 --> 00:58:35,220

and this is one of the things people

1665

00:58:39,230 --> 00:58:37,619

need to be aware of you might go saying

1666

00:58:41,150 --> 00:58:39,240

I want to have this kind of contact but

1667

00:58:42,829 --> 00:58:41,160

if your actual energetic signature is

1668

00:58:44,569 --> 00:58:42,839

not aligned with

1669

00:58:46,069 --> 00:58:44,579

your intention

1670

00:58:48,829 --> 00:58:46,079

they're going to read the energetic

1671

00:58:51,109 --> 00:58:48,839

signature not your sort of intention so

1672

00:58:52,849 --> 00:58:51,119

this is speaks to the the kind of

1673

00:58:54,470 --> 00:58:52,859

hygienic work we need to do this is

1674

00:58:55,670 --> 00:58:54,480

something that's not well known in our

1675

00:58:57,770 --> 00:58:55,680

society specifically in western

1676

00:59:00,049 --> 00:58:57,780

civilization but these are the kind of

1677

00:59:01,670 --> 00:59:00,059

things people do need to be taught and

1678

00:59:02,870 --> 00:59:01,680

it's taught in you know shamanic

1679

00:59:04,190 --> 00:59:02,880

cultures and whatnot around the world

1680

00:59:05,870 --> 00:59:04,200

but we don't talk about it here because

1681

00:59:07,490 --> 00:59:05,880

we assume it's not real

1682

00:59:08,930 --> 00:59:07,500

so these are all things need to come

1683

00:59:10,849 --> 00:59:08,940

into the four these are things that I

1684

00:59:13,010 --> 00:59:10,859

think people will begin to practice but

1685

00:59:14,690 --> 00:59:13,020

initially there will be a lot of shock I

1686

00:59:16,789 --> 00:59:14,700

think in our civilization when people

1687

00:59:19,430 --> 00:59:16,799

recognize on mass that this is part of

1688

00:59:21,230 --> 00:59:19,440

what reality is but that's my my long

1689

00:59:23,809 --> 00:59:21,240

answer to that is that yes I think it's

1690

00:59:25,730 --> 00:59:23,819

safe but you have to be aware of kind of

1691

00:59:27,230 --> 00:59:25,740

who you're calling on the other end and

1692

00:59:29,210 --> 00:59:27,240

the number you're dialing is is

1693

00:59:32,089 --> 00:59:29,220

determined to a large degree by your

1694

00:59:33,890 --> 00:59:32,099

energetic output so I think that that's

1695

00:59:36,049 --> 00:59:33,900

something to keep in mind for sure

1696

00:59:37,549 --> 00:59:36,059

I think it's funny because there's a

1697

00:59:39,650 --> 00:59:37,559

there's been a few times there's

1698

00:59:41,690 --> 00:59:39,660

contests going on I think it was UFO con

1699

00:59:44,690 --> 00:59:41,700

or something a couple of years ago where

1700

00:59:46,370 --> 00:59:44,700

you could win a camping overnight with

1701

00:59:50,630 --> 00:59:46,380

Travis Walton

1702

00:59:52,789 --> 00:59:50,640

what's like no no thank you yeah or like

1703

00:59:55,490 --> 00:59:52,799

oh go hang out for uh you know a night

1704

00:59:57,710 --> 00:59:55,500

in a cabin with Whitley streber no no

1705

00:59:59,990 --> 00:59:57,720

thank you Jeffrey Cripe will try that it

1706

01:00:02,569 --> 01:00:00,000

didn't turn out very well it's just yeah

1707

01:00:04,010 --> 01:00:02,579

and I just think you know there's we

1708

01:00:05,569 --> 01:00:04,020

were talking about the one-offs of

1709

01:00:07,190 --> 01:00:05,579

course that you know people just have

1710

01:00:09,589 --> 01:00:07,200

this one-time occurrence where they're

1711

01:00:11,390 --> 01:00:09,599

taken or there's the ones that occur

1712

01:00:13,069 --> 01:00:11,400

over and over again I think the ones

1713

01:00:15,349 --> 01:00:13,079

that occur over and over again are the

1714

01:00:16,970 --> 01:00:15,359

scariest ones for sure because your

1715

01:00:20,030 --> 01:00:16,980

chances are being taken when you're with

1716

01:00:22,730 --> 01:00:20,040

them were probably higher than not

1717

01:00:24,230 --> 01:00:22,740

um but there's also you know in cases in

1718

01:00:26,510 --> 01:00:24,240

the past where kids have been sleeping

1719

01:00:30,349 --> 01:00:26,520

over somebody else's house for the

1720

01:00:31,609 --> 01:00:30,359

evening and then they get taken along

1721

01:00:33,289 --> 01:00:31,619

with their friend because their friend

1722

01:00:35,630 --> 01:00:33,299

is the abductee but they end up getting

1723

01:00:37,549 --> 01:00:35,640

taken along with them because they were

1724

01:00:39,410 --> 01:00:37,559

staying over that night or just somebody

1725

01:00:42,230 --> 01:00:39,420

that happens to be in the room with you

1726
01:00:43,430 --> 01:00:42,240
know you know a relationship that just

1727
01:00:45,710 --> 01:00:43,440
started or something it's only six

1728
01:00:47,210 --> 01:00:45,720
months in and the woman wakes up middle

1729
01:00:48,710 --> 01:00:47,220
of the night to find out that her

1730
01:00:51,770 --> 01:00:48,720
boyfriend's an abductee and she gets

1731
01:00:53,690 --> 01:00:51,780
taken too so this happens to to people

1732
01:00:55,250 --> 01:00:53,700
just randomly seems like they select

1733
01:00:57,109 --> 01:00:55,260
certain people but if somebody's in

1734
01:00:59,510 --> 01:00:57,119
close proximity to them that person has

1735
01:01:01,490 --> 01:00:59,520
experiences as well and that's almost

1736
01:01:02,870 --> 01:01:01,500
like a hitchhiker effect too it's like

1737
01:01:04,609 --> 01:01:02,880
well if you're there you're going to be

1738
01:01:07,250 --> 01:01:04,619

you're going to be taking along for the

1739

01:01:08,809 --> 01:01:07,260

ride but sometimes they don't and that's

1740

01:01:10,250 --> 01:01:08,819

the ones I'm always interested in it's

1741

01:01:12,650 --> 01:01:10,260

like what is it about that one person

1742

01:01:14,510 --> 01:01:12,660

that they want nothing to do with

1743

01:01:17,089 --> 01:01:14,520

and I think it was Kathleen Martin that

1744

01:01:18,530 --> 01:01:17,099

was uh describing an incident where a

1745

01:01:21,170 --> 01:01:18,540

woman was taken out of bed with her

1746

01:01:23,390 --> 01:01:21,180

husband and then by little gray and when

1747

01:01:24,950 --> 01:01:23,400

she approached the craft with this gray

1748

01:01:26,690 --> 01:01:24,960

a taller Gray

1749

01:01:28,309 --> 01:01:26,700

told the shorter one they'll bring her

1750

01:01:29,450 --> 01:01:28,319

back she can't have children she's no

1751

01:01:31,490 --> 01:01:29,460

use to us

1752

01:01:32,569 --> 01:01:31,500

and she heard him communicate that and

1753

01:01:34,069 --> 01:01:32,579

then went back to the house I'm

1754

01:01:35,690 --> 01:01:34,079

wondering if like they're only

1755

01:01:37,730 --> 01:01:35,700

interested if we can have something to

1756

01:01:39,950 --> 01:01:37,740

offer to them in a physical sense

1757

01:01:42,710 --> 01:01:39,960

because they don't seem to be messing us

1758

01:01:45,170 --> 01:01:42,720

messing with us on the

1759

01:01:47,210 --> 01:01:45,180

a spiritual way or psychological way it

1760

01:01:48,710 --> 01:01:47,220

does affect people obviously but they're

1761

01:01:49,970 --> 01:01:48,720

not trying to harm us you know the fact

1762

01:01:52,730 --> 01:01:49,980

that they're giving us green memories

1763

01:01:54,650 --> 01:01:52,740

and wiping memories might be for our

1764

01:01:57,170 --> 01:01:54,660

benefit not to give a psychological

1765

01:01:59,870 --> 01:01:57,180

trauma or something but the physical

1766

01:02:01,609 --> 01:01:59,880

world that we inhabit they're interested

1767

01:02:04,069 --> 01:02:01,619

in they come here and they do experience

1768

01:02:06,170 --> 01:02:04,079

on the physical body that's always

1769

01:02:08,510 --> 01:02:06,180

fascinated me like why are they so

1770

01:02:10,670 --> 01:02:08,520

interested in our in our body

1771

01:02:13,789 --> 01:02:10,680

specifically and the influence that

1772

01:02:15,710 --> 01:02:13,799

they've had over the years uh and we're

1773

01:02:17,809 --> 01:02:15,720

aware of it now like a lot more of us

1774

01:02:19,730 --> 01:02:17,819

are talking about it um that this is a

1775

01:02:22,250 --> 01:02:19,740

recurring pattern that there's

1776

01:02:25,309 --> 01:02:22,260

things that are happening to people

1777

01:02:27,109 --> 01:02:25,319

as far as working for the communications

1778

01:02:29,329 --> 01:02:27,119

director for the John Mack Institute

1779

01:02:30,829 --> 01:02:29,339

what is your role now like when people

1780

01:02:32,750 --> 01:02:30,839

want to reach out to you and they've had

1781

01:02:35,030 --> 01:02:32,760

these experiences how how can you be of

1782

01:02:37,609 --> 01:02:35,040

help to them

1783

01:02:38,809 --> 01:02:37,619

let's say a couple things preface to

1784

01:02:40,309 --> 01:02:38,819

that

1785

01:02:42,530 --> 01:02:40,319

because I think it's interesting I think

1786

01:02:43,910 --> 01:02:42,540

some people are concerned maybe they're

1787

01:02:45,710 --> 01:02:43,920

full-grown adults and they're worried

1788

01:02:48,170 --> 01:02:45,720

they're going to be abducted

1789

01:02:49,910 --> 01:02:48,180

the data seems to suggest that that's

1790

01:02:51,950 --> 01:02:49,920

not how it works while there are cases

1791

01:02:53,990 --> 01:02:51,960

like what you're talking about generally

1792

01:02:56,030 --> 01:02:54,000

the people that have experience

1793

01:02:57,410 --> 01:02:56,040

abductions it happens beginning in

1794

01:02:59,510 --> 01:02:57,420

childhood and actually they can remember

1795

01:03:02,089 --> 01:02:59,520

encounters with the beings in childhood

1796

01:03:04,309 --> 01:03:02,099

then wants to become once they get to

1797

01:03:05,870 --> 01:03:04,319

reproductive age that's when sometimes

1798

01:03:06,950 --> 01:03:05,880

the full-on abductions start happening

1799

01:03:08,569 --> 01:03:06,960

and they seem to be part of a

1800

01:03:10,309 --> 01:03:08,579

hybridization program

1801
01:03:12,710 --> 01:03:10,319
very often when those people are taking

1802
01:03:13,910 --> 01:03:12,720
family members are not usually taken

1803
01:03:15,829 --> 01:03:13,920
right or people who are sleeping over

1804
01:03:16,910 --> 01:03:15,839
are not usually taken they're usually

1805
01:03:19,789 --> 01:03:16,920
actually

1806
01:03:21,349 --> 01:03:19,799
comatose right even the people sometimes

1807
01:03:23,450 --> 01:03:21,359
that are the abductees will be try to

1808
01:03:24,650 --> 01:03:23,460
wake up the person and they could hit

1809
01:03:25,849 --> 01:03:24,660
them with a sledgehammer they're not

1810
01:03:27,890 --> 01:03:25,859
going to wake up they're completely

1811
01:03:30,470 --> 01:03:27,900
subdued right so again this speaks to

1812
01:03:33,470 --> 01:03:30,480
the degree of control these others

1813
01:03:34,789 --> 01:03:33,480

manifest over us they can take who they

1814

01:03:36,829 --> 01:03:34,799

want and they can pass them through

1815

01:03:38,270 --> 01:03:36,839

physical walls and you know solid walls

1816

01:03:41,210 --> 01:03:38,280

and whatnot float them up to a craft

1817

01:03:43,970 --> 01:03:41,220

levitate them through windows but also

1818

01:03:46,370 --> 01:03:43,980

you know put to sleep uh anyone else

1819

01:03:48,650 --> 01:03:46,380

who's in the vicinity and on top of that

1820

01:03:50,690 --> 01:03:48,660

again control even if you are awake they

1821

01:03:52,430 --> 01:03:50,700

can control what you see and they can

1822

01:03:54,650 --> 01:03:52,440

say oh you didn't see us you saw a deer

1823

01:03:56,089 --> 01:03:54,660

or whatever right but to your point I

1824

01:03:57,109 --> 01:03:56,099

think that that often is for our sake

1825

01:03:59,450 --> 01:03:57,119

not because they're trying to be

1826

01:04:01,910 --> 01:03:59,460

nefarious necessarily

1827

01:04:03,650 --> 01:04:01,920

I think also a really interesting thing

1828

01:04:06,770 --> 01:04:03,660

to consider have you have you guys had

1829

01:04:08,270 --> 01:04:06,780

Michael Masters on yet yeah yeah

1830

01:04:10,130 --> 01:04:08,280

right so there's this this extra

1831

01:04:12,589 --> 01:04:10,140

tempestral notion right because to your

1832

01:04:14,450 --> 01:04:12,599

point why would they be interested in us

1833

01:04:16,549 --> 01:04:14,460

why are we such a big deal why would

1834

01:04:18,589 --> 01:04:16,559

they want to create these hybridization

1835

01:04:21,289 --> 01:04:18,599

programs

1836

01:04:23,150 --> 01:04:21,299

and the most logical answer in terms of

1837

01:04:25,370 --> 01:04:23,160

like parsimony is to say well maybe

1838

01:04:28,010 --> 01:04:25,380

somehow they're connected to us and

1839

01:04:30,890 --> 01:04:28,020

that's why we're biologically compatible

1840

01:04:33,289 --> 01:04:30,900

and on top of that many experiencers do

1841

01:04:35,210 --> 01:04:33,299

sense that they are from some sense of

1842

01:04:36,230 --> 01:04:35,220

our future now where it gets complicated

1843

01:04:38,150 --> 01:04:36,240

here

1844

01:04:39,589 --> 01:04:38,160

and I've made this point to Mike is that

1845

01:04:41,030 --> 01:04:39,599

you know again our understanding of

1846

01:04:43,069 --> 01:04:41,040

space-time I think is is really

1847

01:04:44,870 --> 01:04:43,079

truncated and probably a long ways off

1848

01:04:46,730 --> 01:04:44,880

from actual reality but whatever time

1849

01:04:48,289 --> 01:04:46,740

ultimately represents

1850

01:04:50,750 --> 01:04:48,299

if we think about our experience of it

1851

01:04:52,430 --> 01:04:50,760

anyway they may be us from the future or

1852

01:04:53,750 --> 01:04:52,440

some version of us

1853

01:04:56,210 --> 01:04:53,760

and that's why there's the the

1854

01:04:59,809 --> 01:04:56,220

biological compatibility and on top of

1855

01:05:02,089 --> 01:04:59,819

that they seem to perhaps need a certain

1856

01:05:03,950 --> 01:05:02,099

kind of genetic variance just to use the

1857

01:05:06,109 --> 01:05:03,960

the official term that Mike talks in

1858

01:05:08,510 --> 01:05:06,119

terms of they need a new kind of

1859

01:05:10,609 --> 01:05:08,520

injection of genetic variants because

1860

01:05:13,010 --> 01:05:10,619

they are lacking something they want to

1861

01:05:15,170 --> 01:05:13,020

introduce something either to themselves

1862

01:05:16,970 --> 01:05:15,180

or they want to create a third entity

1863

01:05:18,950 --> 01:05:16,980

that's sort of a bit of us and a bit of

1864

01:05:20,089 --> 01:05:18,960

them that has the best of both worlds in

1865

01:05:23,450 --> 01:05:20,099

some ways

1866

01:05:25,069 --> 01:05:23,460

so that perhaps suggests it gives us

1867

01:05:26,569 --> 01:05:25,079

some sense of why they're targeting

1868

01:05:28,549 --> 01:05:26,579

certain people not just people but

1869

01:05:30,470 --> 01:05:28,559

sometimes three generations right of

1870

01:05:33,470 --> 01:05:30,480

people because there's something about

1871

01:05:35,690 --> 01:05:33,480

that person's biological makeup that is

1872

01:05:37,010 --> 01:05:35,700

what they need specifically so the point

1873

01:05:38,270 --> 01:05:37,020

being if you're you know well into

1874

01:05:40,069 --> 01:05:38,280

adulthood and you've not had these

1875

01:05:42,470 --> 01:05:40,079

experiences you're very unlikely to

1876

01:05:44,150 --> 01:05:42,480

suddenly be you know be chosen for the

1877

01:05:46,609 --> 01:05:44,160

hybridization program because it tends

1878

01:05:48,170 --> 01:05:46,619

to happen from childhood on unless

1879

01:05:49,490 --> 01:05:48,180

you're just repressing things and it's

1880

01:05:50,270 --> 01:05:49,500

been happening all along you just don't

1881

01:05:51,770 --> 01:05:50,280

know

1882

01:05:52,609 --> 01:05:51,780

but that's something to keep in mind and

1883

01:05:54,950 --> 01:05:52,619

I think

1884

01:05:56,990 --> 01:05:54,960

again sometimes people just go this

1885

01:05:59,210 --> 01:05:57,000

sounds ridiculous they look too much

1886

01:06:00,410 --> 01:05:59,220

like us so often they're humanoid and

1887

01:06:03,170 --> 01:06:00,420

that makes some people say this sounds

1888

01:06:04,849 --> 01:06:03,180

like an X-Files episode I mean why would

1889

01:06:05,930 --> 01:06:04,859

an alien entity from a different planet

1890

01:06:08,270 --> 01:06:05,940

that has completely different

1891

01:06:10,370 --> 01:06:08,280

evolutionary pressures look anything

1892

01:06:11,510 --> 01:06:10,380

like us and be able to communicate with

1893

01:06:13,970 --> 01:06:11,520

us in any way

1894

01:06:15,470 --> 01:06:13,980

right I was again thinking about

1895

01:06:17,630 --> 01:06:15,480

something recently about how some

1896

01:06:19,010 --> 01:06:17,640

insects and bees they kind of vibrate

1897

01:06:20,870 --> 01:06:19,020

and Buzz and that's how they communicate

1898

01:06:22,609 --> 01:06:20,880

to each other why is it that they

1899

01:06:24,289 --> 01:06:22,619

continually speak to us in plain English

1900

01:06:26,990 --> 01:06:24,299

even if it's like going into our mind

1901
01:06:28,730 --> 01:06:27,000
and not coming through vocal cords again

1902
01:06:31,190 --> 01:06:28,740
it seems to suggest some sort of

1903
01:06:32,630 --> 01:06:31,200
connection and even people I know that

1904
01:06:35,109 --> 01:06:32,640
were involved in the abductions back in

1905
01:06:37,930 --> 01:06:35,119
the 90s that you know saw John out

1906
01:06:40,190 --> 01:06:37,940
that's their sense that they are somehow

1907
01:06:42,289 --> 01:06:40,200
perhaps us from the future even though

1908
01:06:44,029 --> 01:06:42,299
back then that really wasn't on the

1909
01:06:47,150 --> 01:06:44,039
radar nearly as much

1910
01:06:49,029 --> 01:06:47,160
but when you read Mike's work again he

1911
01:06:51,529 --> 01:06:49,039
has a specialty in the hominin line

1912
01:06:54,470 --> 01:06:51,539
evolutionary biology is his background

1913
01:06:57,230 --> 01:06:54,480

he's able to look at this with a

1914

01:06:58,910 --> 01:06:57,240

scientific lens and say not only is it

1915

01:07:01,250 --> 01:06:58,920

possible but from his point of view they

1916

01:07:02,569 --> 01:07:01,260

must somehow be related to us so that

1917

01:07:05,210 --> 01:07:02,579

again gives us really interesting

1918

01:07:07,370 --> 01:07:05,220

Avenues to pursue and might give us some

1919

01:07:09,829 --> 01:07:07,380

sense in terms of intention and ultimate

1920

01:07:11,329 --> 01:07:09,839

agenda in terms of who they are why

1921

01:07:13,670 --> 01:07:11,339

they're here and why they're taking some

1922

01:07:15,289 --> 01:07:13,680

of us but not necessarily all of us well

1923

01:07:17,029 --> 01:07:15,299

there's even signs of things starting to

1924

01:07:18,950 --> 01:07:17,039

go arranged even on our own Planet like

1925

01:07:20,930 --> 01:07:18,960

for example the Y chromosome in the

1926

01:07:22,490 --> 01:07:20,940

whole animal kingdom is getting less and

1927

01:07:24,529 --> 01:07:22,500

less I think they're studying Tigers

1928

01:07:26,029 --> 01:07:24,539

right now there's very few male tigers

1929

01:07:28,670 --> 01:07:26,039

reproduced they think they might have to

1930

01:07:31,190 --> 01:07:28,680

do something with DDT pesticides that

1931

01:07:33,410 --> 01:07:31,200

herbivores ate then the carnivores ate

1932

01:07:35,750 --> 01:07:33,420

the herbivores and now there's these

1933

01:07:38,270 --> 01:07:35,760

traits so if you take Michael Masters

1934

01:07:39,770 --> 01:07:38,280

theory that we evolve and if we do go to

1935

01:07:41,990 --> 01:07:39,780

another planet or something like that

1936

01:07:43,970 --> 01:07:42,000

we're no longer hunter-gatherer we don't

1937

01:07:46,130 --> 01:07:43,980

need the strong physique our heads can

1938

01:07:48,109 --> 01:07:46,140

continue to get larger as the hominid

1939

01:07:50,150 --> 01:07:48,119

line has done the CC's keep increasing

1940

01:07:52,549 --> 01:07:50,160

that would sort of protrude over the

1941

01:07:55,370 --> 01:07:52,559

forehead the eyes become bulbous the

1942

01:07:56,930 --> 01:07:55,380

arms spindly even the jaw shrinks I mean

1943

01:07:59,329 --> 01:07:56,940

anyone who has wisdom tooth issues

1944

01:08:00,950 --> 01:07:59,339

that's a result in myself included it's

1945

01:08:03,289 --> 01:08:00,960

the result of evolution we don't need

1946

01:08:04,849 --> 01:08:03,299

the extra teeth to tear meat apart so

1947

01:08:07,970 --> 01:08:04,859

we're already showing signs of evolution

1948

01:08:10,970 --> 01:08:07,980

here fast forward 10 000 years a million

1949

01:08:13,309 --> 01:08:10,980

years it might make sense that there's a

1950

01:08:15,710 --> 01:08:13,319

genetic issue maybe they can't reproduce

1951

01:08:17,809 --> 01:08:15,720

maybe there's no variation maybe the

1952

01:08:19,669 --> 01:08:17,819

planet blew up and very few or survived

1953

01:08:21,289 --> 01:08:19,679

or only the ones on a colony I mean your

1954

01:08:23,689 --> 01:08:21,299

brain can go down a million rabbit holes

1955

01:08:26,749 --> 01:08:23,699

but maybe it is specifically genetics

1956

01:08:28,669 --> 01:08:26,759

related in that sense right and a lot of

1957

01:08:30,110 --> 01:08:28,679

people that have had experiences the

1958

01:08:32,749 --> 01:08:30,120

ones that are sort of conscious enough

1959

01:08:35,150 --> 01:08:32,759

to ask a question will say like who are

1960

01:08:37,249 --> 01:08:35,160

you and a lot of times the answer is we

1961

01:08:39,590 --> 01:08:37,259

are you and that makes it easy we are

1962

01:08:41,269 --> 01:08:39,600

you and you're us yes yeah yeah we are

1963

01:08:43,610 --> 01:08:41,279

one and just I guess unless they're

1964

01:08:45,950 --> 01:08:43,620

messing with us to add insult to injury

1965

01:08:48,890 --> 01:08:45,960

but there is a lot of credence that it

1966

01:08:50,390 --> 01:08:48,900

could potentially of all the theories I

1967

01:08:51,530 --> 01:08:50,400

think that one it does hold some ground

1968

01:08:53,809 --> 01:08:51,540

for sure

1969

01:08:55,070 --> 01:08:53,819

right and to to finish the point I was

1970

01:08:56,990 --> 01:08:55,080

testing at earlier

1971

01:08:59,269 --> 01:08:57,000

in the 90s the people I know that were

1972

01:09:00,709 --> 01:08:59,279

abducted and saw John out back then no

1973

01:09:03,229 --> 01:09:00,719

one was talking about this this

1974

01:09:04,610 --> 01:09:03,239

hypothesis the extraterrestrial hypotheses

1975

01:09:06,530 --> 01:09:04,620

Mike's term

1976

01:09:08,930 --> 01:09:06,540

so they assumed they were space aliens

1977

01:09:11,030 --> 01:09:08,940

but I know those very same people that

1978

01:09:13,249 --> 01:09:11,040

now have been become familiar with his

1979

01:09:14,630 --> 01:09:13,259

hypothesis they say wait a second I

1980

01:09:17,030 --> 01:09:14,640

remember this and I remember that I

1981

01:09:18,950 --> 01:09:17,040

remember them saying we arrest you know

1982

01:09:21,169 --> 01:09:18,960

and and you are yeah we are you and you

1983

01:09:22,550 --> 01:09:21,179

were Us and Them saying things like we

1984

01:09:23,749 --> 01:09:22,560

were from so far in the future that you

1985

01:09:26,870 --> 01:09:23,759

can't even really wrap your head around

1986

01:09:29,030 --> 01:09:26,880

it right and and again it gets past the

1987

01:09:31,309 --> 01:09:29,040

ska Factor because they look humanoid

1988

01:09:32,749 --> 01:09:31,319

and they look so much like us because in

1989

01:09:34,070 --> 01:09:32,759

some way they are us right when you

1990

01:09:36,110 --> 01:09:34,080

suddenly look at it from that lens it

1991

01:09:37,849 --> 01:09:36,120

makes complete sense and not only the

1992

01:09:40,490 --> 01:09:37,859

humanoid wines and not even just the

1993

01:09:42,890 --> 01:09:40,500

Grays and by the way as you guys know

1994

01:09:44,930 --> 01:09:42,900

part of Mike's point is that when you

1995

01:09:48,349 --> 01:09:44,940

take the current evolutionary Trends

1996

01:09:50,510 --> 01:09:48,359

alone and you just like follow those out

1997

01:09:52,189 --> 01:09:50,520

that will give you something more like a

1998

01:09:53,689 --> 01:09:52,199

gray alien right we're already in that

1999

01:09:55,669 --> 01:09:53,699

that kind of trajectory and as you say

2000

01:09:57,350 --> 01:09:55,679

if we have something like some sort of

2001
01:09:59,510 --> 01:09:57,360
cataclysmic event that perhaps they're

2002
01:10:01,850 --> 01:09:59,520
here to try to warn us about where we

2003
01:10:04,189 --> 01:10:01,860
have reduced sunlight and the the Earth

2004
01:10:06,110 --> 01:10:04,199
becomes cold and we go underground then

2005
01:10:08,750 --> 01:10:06,120
suddenly it would like speed up these

2006
01:10:11,090 --> 01:10:08,760
these evolutionary shifts to have the

2007
01:10:14,750 --> 01:10:11,100
larger eyes to see in low sunlight kind

2008
01:10:17,810 --> 01:10:14,760
of situations as you say if you can

2009
01:10:19,850 --> 01:10:17,820
maybe out of necessity you know evolve

2010
01:10:21,530 --> 01:10:19,860
to take a nutrients through skin for

2011
01:10:23,990 --> 01:10:21,540
instance they talk about experiences

2012
01:10:25,430 --> 01:10:24,000
talk about seeing basically like a gel

2013
01:10:26,510 --> 01:10:25,440

like substance kind of absorbed through

2014

01:10:28,370 --> 01:10:26,520

the skin that's how they take in

2015

01:10:29,930 --> 01:10:28,380

nutrients and when you can communicate

2016

01:10:32,510 --> 01:10:29,940

telepathically why do you need a mouth

2017

01:10:34,250 --> 01:10:32,520

anymore right so we see this in in

2018

01:10:37,370 --> 01:10:34,260

evolutionary history where you get these

2019

01:10:39,590 --> 01:10:37,380

in between kind of uh manifestations of

2020

01:10:42,050 --> 01:10:39,600

creatures that you can tell they're like

2021

01:10:43,669 --> 01:10:42,060

halfway from one form to another form

2022

01:10:45,950 --> 01:10:43,679

where a certain kind of feature is no

2023

01:10:48,350 --> 01:10:45,960

longer advantageous and it's slowly

2024

01:10:49,070 --> 01:10:48,360

being evolved out of existence basically

2025

01:10:52,550 --> 01:10:49,080

yeah

2026

01:10:54,530 --> 01:10:52,560

same idea there that that the the barely

2027

01:10:56,330 --> 01:10:54,540

hint of a nose and a mouth and ears is

2028

01:10:58,729 --> 01:10:56,340

because when you become fully telepathic

2029

01:11:00,709 --> 01:10:58,739

and you no longer need mouth and teeth

2030

01:11:03,350 --> 01:11:00,719

to consume food

2031

01:11:04,970 --> 01:11:03,360

then over time those become less and

2032

01:11:07,610 --> 01:11:04,980

less pronounced until perhaps eventually

2033

01:11:08,990 --> 01:11:07,620

they fade out entirely but yeah I think

2034

01:11:10,790 --> 01:11:09,000

this makes a lot of sense and not just

2035

01:11:13,430 --> 01:11:10,800

the graves perhaps being a future

2036

01:11:15,229 --> 01:11:13,440

version of us but if you think about the

2037

01:11:16,729 --> 01:11:15,239

giant mantis beings you know I'm a good

2038

01:11:19,610 --> 01:11:16,739

friend with Stuart Davis and he's had

2039

01:11:23,090 --> 01:11:19,620

encounters with a giant mantis why would

2040

01:11:25,610 --> 01:11:23,100

an alien look like a giant version of an

2041

01:11:28,189 --> 01:11:25,620

insect we see outside when we go out

2042

01:11:29,930 --> 01:11:28,199

right it doesn't make any sense even the

2043

01:11:31,610 --> 01:11:29,940

reptilians look a little bit like a

2044

01:11:34,189 --> 01:11:31,620

cross between a human being and kind of

2045

01:11:36,110 --> 01:11:34,199

a reptile or a lizard these are all

2046

01:11:38,030 --> 01:11:36,120

forms we already see on our very own

2047

01:11:40,430 --> 01:11:38,040

planet and again based on what we

2048

01:11:42,830 --> 01:11:40,440

learned in science there's no reason why

2049

01:11:44,689 --> 01:11:42,840

those same forms would really

2050

01:11:46,070 --> 01:11:44,699

arise on a different planet with

2051

01:11:48,229 --> 01:11:46,080

completely different evolutionary

2052

01:11:50,090 --> 01:11:48,239

pressures so this I think hints at least

2053

01:11:52,970 --> 01:11:50,100

at some possibilities and we really need

2054

01:11:54,470 --> 01:11:52,980

to engage science to begin to do some

2055

01:11:56,990 --> 01:11:54,480

research here because there are some

2056

01:11:58,610 --> 01:11:57,000

tantalizing Clues

2057

01:12:00,110 --> 01:11:58,620

what do you think and just and this will

2058

01:12:02,450 --> 01:12:00,120

be my last question for you because

2059

01:12:03,950 --> 01:12:02,460

we'll have to let you go here soon won't

2060

01:12:05,950 --> 01:12:03,960

keep you too long but we've got to do a

2061

01:12:09,709 --> 01:12:05,960

part two one of these days oh absolutely

2062

01:12:12,169 --> 01:12:09,719

uh but what do you think that means for

2063

01:12:15,229 --> 01:12:12,179

Humanity to sort

2064

01:12:17,689 --> 01:12:15,239
of just start focusing on this subject

2065

01:12:19,310 --> 01:12:17,699
focusing on what is happening we have a

2066

01:12:21,110 --> 01:12:19,320
slogan on the show are you paying

2067

01:12:22,310 --> 01:12:21,120
attention because really if you're

2068

01:12:24,189 --> 01:12:22,320
paying attention you're starting to

2069

01:12:26,570 --> 01:12:24,199
notice that there's something not right

2070

01:12:28,550 --> 01:12:26,580
and it hasn't been right for a long time

2071

01:12:30,649 --> 01:12:28,560
it's just nobody's talking about it it's

2072

01:12:32,450 --> 01:12:30,659
kind of like a back in the 1950s when

2073

01:12:34,370 --> 01:12:32,460
you knew your next door neighbor was

2074

01:12:35,990 --> 01:12:34,380
beating up his wife but you still wave

2075

01:12:38,689 --> 01:12:36,000
to him every morning and pretends if

2076

01:12:41,630 --> 01:12:38,699

nothing happened right this is exactly

2077

01:12:43,130 --> 01:12:41,640

what the UFO phenomenon feels like we're

2078

01:12:45,050 --> 01:12:43,140

all aware of it we just pretend it

2079

01:12:46,070 --> 01:12:45,060

doesn't exist and don't talk about it

2080

01:12:48,830 --> 01:12:46,080

right

2081

01:12:51,410 --> 01:12:48,840

what do you think within the next I I'd

2082

01:12:53,810 --> 01:12:51,420

say next year how far along are we going

2083

01:12:55,850 --> 01:12:53,820

to get to bring this subject forward to

2084

01:12:57,950 --> 01:12:55,860

the mainstream media and to people at

2085

01:12:59,330 --> 01:12:57,960

large like do you think we're on the

2086

01:13:02,149 --> 01:12:59,340

right path do you think something big is

2087

01:13:03,830 --> 01:13:02,159

going to happen at this point

2088

01:13:07,310 --> 01:13:03,840

great question

2089

01:13:08,930 --> 01:13:07,320

so part of me doing my podcast and

2090

01:13:10,729 --> 01:13:08,940

speaking at conferences and bidding

2091

01:13:12,649 --> 01:13:10,739

asked to attend different private

2092

01:13:16,130 --> 01:13:12,659

Retreats and whatnot is I made a lot of

2093

01:13:17,570 --> 01:13:16,140

connections and so so I'm privy to some

2094

01:13:21,050 --> 01:13:17,580

of the internal workings of what's going

2095

01:13:24,410 --> 01:13:21,060

on and I'll say that to say that

2096

01:13:26,330 --> 01:13:24,420

there are people right now Gary Nolan uh

2097

01:13:28,189 --> 01:13:26,340

John Ramirez people like this making

2098

01:13:32,450 --> 01:13:28,199

strong hands and making some pretty bold

2099

01:13:34,189 --> 01:13:32,460

claims just yesterday uh Gary said some

2100

01:13:35,390 --> 01:13:34,199

pretty bold things in front of an

2101

01:13:37,729 --> 01:13:35,400

audience that they're not even familiar

2102

01:13:39,350 --> 01:13:37,739

with this topic but it's an audience

2103

01:13:41,930 --> 01:13:39,360

that might be able to take it and invest

2104

01:13:45,590 --> 01:13:41,940

money and research and whatnot

2105

01:13:47,689 --> 01:13:45,600

so people are becoming more bold about

2106

01:13:49,130 --> 01:13:47,699

the things they're saying and I would

2107

01:13:51,470 --> 01:13:49,140

suggest you that's by Design because

2108

01:13:53,689 --> 01:13:51,480

there's there's a sense growing that

2109

01:13:58,010 --> 01:13:53,699

something's going to break and it's

2110

01:14:00,350 --> 01:13:58,020

going to be uh kind of like the 2017 as

2111

01:14:02,930 --> 01:14:00,360

the cane article but but Eclipse that

2112

01:14:05,330 --> 01:14:02,940

even so that's my sense of what's coming

2113

01:14:06,890 --> 01:14:05,340

and that's not just based on you know my

2114

01:14:08,810 --> 01:14:06,900

imagination and what I want to be but

2115

01:14:12,050 --> 01:14:08,820

that's what I'm actually hearing that

2116

01:14:14,630 --> 01:14:12,060

this will be much more of a mainstream

2117

01:14:16,669 --> 01:14:14,640

concern and I think all of us like you

2118

01:14:18,169 --> 01:14:16,679

say intimately familiar with this topic

2119

01:14:20,149 --> 01:14:18,179

wonder why is this not headline news

2120

01:14:24,050 --> 01:14:20,159

already why is this always like you know

2121

01:14:25,970 --> 01:14:24,060

page 15 if it gets anything at all

2122

01:14:28,370 --> 01:14:25,980

well I think that's that's going to

2123

01:14:30,110 --> 01:14:28,380

change and but of course that creates

2124

01:14:32,630 --> 01:14:30,120

all sorts of interesting secondary

2125

01:14:34,669 --> 01:14:32,640

effects like I was talking about what

2126

01:14:37,070 --> 01:14:34,679

happens when people shift their

2127

01:14:38,930 --> 01:14:37,080

Consciousness to to allow for this

2128

01:14:40,729 --> 01:14:38,940

broader reality how does that change our

2129

01:14:42,890 --> 01:14:40,739

relationship with reality

2130

01:14:44,870 --> 01:14:42,900

I would also suggest that you know back

2131

01:14:46,729 --> 01:14:44,880

in the 90s when experiencers were were

2132

01:14:48,830 --> 01:14:46,739

having these encounters and were warned

2133

01:14:50,810 --> 01:14:48,840

about us being kind of on a bad track

2134

01:14:52,490 --> 01:14:50,820

and if we didn't change our ways bad

2135

01:14:55,130 --> 01:14:52,500

things awaited us

2136

01:14:56,930 --> 01:14:55,140

well we're 30 years on and

2137

01:14:58,250 --> 01:14:56,940

everybody I talked to that was part of

2138

01:15:00,470 --> 01:14:58,260

that initial group that had those

2139

01:15:02,090 --> 01:15:00,480

experiences I feel like things are much

2140

01:15:03,950 --> 01:15:02,100

worse now than they were then

2141

01:15:05,270 --> 01:15:03,960

environmentally and whatnot in many

2142

01:15:07,250 --> 01:15:05,280

other ways as well

2143

01:15:09,290 --> 01:15:07,260

there's you know you can count numerous

2144

01:15:11,270 --> 01:15:09,300

ways we could destroy ourselves in a

2145

01:15:13,610 --> 01:15:11,280

heartbeat whether it's some sort of

2146

01:15:16,610 --> 01:15:13,620

viral contagion that breaks out of a lab

2147

01:15:18,350 --> 01:15:16,620

or is used deliberately or we just

2148

01:15:20,149 --> 01:15:18,360

suddenly have a biosphere collapse

2149

01:15:22,250 --> 01:15:20,159

because we we didn't pay attention to

2150

01:15:24,229 --> 01:15:22,260

the warning signs these are things that

2151

01:15:26,870 --> 01:15:24,239

have been told to experiences for

2152

01:15:28,970 --> 01:15:26,880

decades and everybody I know from those

2153

01:15:32,209 --> 01:15:28,980

earlier times feel like it's it's much

2154

01:15:35,689 --> 01:15:32,219

worse now much more

2155

01:15:37,310 --> 01:15:35,699

imminent now than was then and not just

2156

01:15:38,510 --> 01:15:37,320

their sense but that's the telepathic

2157

01:15:42,229 --> 01:15:38,520

downloads that are happening now too

2158

01:15:44,090 --> 01:15:42,239

there's even been an uptick in in the

2159

01:15:47,030 --> 01:15:44,100

telepathic downloads so some people kind

2160

01:15:49,729 --> 01:15:47,040

of had a a close-off of those encounters

2161

01:15:50,810 --> 01:15:49,739

around the year 2000 and 20 years went

2162

01:15:52,430 --> 01:15:50,820

by but they did not really have any

2163

01:15:54,890 --> 01:15:52,440

experiences but now they're kicking off

2164

01:15:57,229 --> 01:15:54,900

again and but most of it's telepathic

2165

01:16:00,830 --> 01:15:57,239

and it's about things are about to

2166

01:16:02,149 --> 01:16:00,840

happen you know be prepared and to some

2167

01:16:03,770 --> 01:16:02,159

degree some people feel like they were

2168

01:16:08,270 --> 01:16:03,780

prepared in those earlier encounters to

2169

01:16:10,130 --> 01:16:08,280

help be part of uh an orientation crew

2170

01:16:12,590 --> 01:16:10,140

that helps Humanity get through whatever

2171

01:16:14,390 --> 01:16:12,600

we're about to go through many questions

2172

01:16:15,890 --> 01:16:14,400

around that and I would suggest you even

2173

01:16:18,290 --> 01:16:15,900

that there's there's some suggestion

2174

01:16:20,209 --> 01:16:18,300

that even the 2017

2175

01:16:23,209 --> 01:16:20,219

shift from a governmental perspective

2176
01:16:26,630 --> 01:16:23,219
towards more openness and a slow bleed

2177
01:16:28,850 --> 01:16:26,640
towards disclosure was by Design as well

2178
01:16:31,430 --> 01:16:28,860
so I think all of these things are

2179
01:16:34,130 --> 01:16:31,440
connected the fact that we are in such a

2180
01:16:35,810 --> 01:16:34,140
perilous place on this planet

2181
01:16:37,610 --> 01:16:35,820
the fact that

2182
01:16:39,350 --> 01:16:37,620
when we hear about our Naval groups in

2183
01:16:41,330 --> 01:16:39,360
the U.S for instance being encountering

2184
01:16:43,850 --> 01:16:41,340
these things 30 a day sometimes and

2185
01:16:46,669 --> 01:16:43,860
different shapes

2186
01:16:49,550 --> 01:16:46,679
to the point where politicians have no

2187
01:16:52,310 --> 01:16:49,560
choice right but to to engage with this

2188
01:16:54,110 --> 01:16:52,320

to talk about it to acknowledge it I

2189

01:16:56,570 --> 01:16:54,120

would suggest that it's because the

2190

01:16:57,830 --> 01:16:56,580

others elements of them are actually

2191

01:17:01,370 --> 01:16:57,840

pushing that forward because again

2192

01:17:02,870 --> 01:17:01,380

because their control is so complete if

2193

01:17:04,669 --> 01:17:02,880

they didn't want disclosure it would not

2194

01:17:06,229 --> 01:17:04,679

be happening but I think we are on the

2195

01:17:08,750 --> 01:17:06,239

cusp of that kind of

2196

01:17:10,669 --> 01:17:08,760

Global recognition and all of those

2197

01:17:12,530 --> 01:17:10,679

things are connected

2198

01:17:14,149 --> 01:17:12,540

something needs to change something's

2199

01:17:16,610 --> 01:17:14,159

got to give and I think that's why we're

2200

01:17:18,229 --> 01:17:16,620

seeing an uptick in in activity from

2201
01:17:21,709 --> 01:17:18,239
some of these others we're seeing more

2202
01:17:23,149 --> 01:17:21,719
engagement from politicians and for very

2203
01:17:25,510 --> 01:17:23,159
long I think we're going to reckon with

2204
01:17:28,669 --> 01:17:25,520
all of these things hopefully together

2205
01:17:31,010 --> 01:17:28,679
and I'm My Hope Is that there'll be some

2206
01:17:33,410 --> 01:17:31,020
fundamental changes made this is part of

2207
01:17:34,790 --> 01:17:33,420
what we really want to see with the John

2208
01:17:36,649 --> 01:17:34,800
Mack Institute

2209
01:17:39,169 --> 01:17:36,659
we're very much about this notion of

2210
01:17:41,570 --> 01:17:39,179
Earth 2.0 how can we

2211
01:17:42,950 --> 01:17:41,580
live as a species differently with each

2212
01:17:45,050 --> 01:17:42,960
other in our relationship with the

2213
01:17:47,330 --> 01:17:45,060

planet embracing this notion of being

2214

01:17:48,950 --> 01:17:47,340

part of a cosmic Community that's all

2215

01:17:51,470 --> 01:17:48,960

things we want to move towards in fact

2216

01:17:53,570 --> 01:17:51,480

that's the main goal in the long run is

2217

01:17:56,149 --> 01:17:53,580

to actually find ways to actually have

2218

01:17:58,130 --> 01:17:56,159

alternative models of a way of being not

2219

01:18:00,770 --> 01:17:58,140

just as individuals not a little commune

2220

01:18:02,450 --> 01:18:00,780

in the forest but a scalable model for a

2221

01:18:04,130 --> 01:18:02,460

different kind of reality

2222

01:18:05,630 --> 01:18:04,140

relationship with ourselves with the

2223

01:18:07,310 --> 01:18:05,640

environment with the others

2224

01:18:08,810 --> 01:18:07,320

and which leads me to your earlier

2225

01:18:12,470 --> 01:18:08,820

question which I didn't get a chance to

2226

01:18:13,850 --> 01:18:12,480

answer what do experiencers uh how can

2227

01:18:15,590 --> 01:18:13,860

they be helped by the John Mack

2228

01:18:17,390 --> 01:18:15,600

institute there's different resources

2229

01:18:19,790 --> 01:18:17,400

around right now that people can reach

2230

01:18:21,530 --> 01:18:19,800

out to to help make sense of these

2231

01:18:23,630 --> 01:18:21,540

discombobulating experiences we're one

2232

01:18:26,090 --> 01:18:23,640

of them so if people have experiences

2233

01:18:28,010 --> 01:18:26,100

and they're either you know wowed by it

2234

01:18:29,930 --> 01:18:28,020

and feeling inspired with some of the

2235

01:18:31,910 --> 01:18:29,940

changes I'm talking about then you know

2236

01:18:33,890 --> 01:18:31,920

reach out and connect and we can conform

2237

01:18:36,050 --> 01:18:33,900

Community if you're on the other hand

2238

01:18:37,669 --> 01:18:36,060

feeling discombobulated and overwhelmed

2239

01:18:39,830 --> 01:18:37,679

and shocked by experiences that you

2240

01:18:41,750 --> 01:18:39,840

can't make sense of again reach out and

2241

01:18:43,910 --> 01:18:41,760

we're one of different a few different

2242

01:18:45,350 --> 01:18:43,920

resources that can help with that

2243

01:18:47,450 --> 01:18:45,360

but again I think in the long run

2244

01:18:50,090 --> 01:18:47,460

whether you're an experimenter or not our

2245

01:18:52,070 --> 01:18:50,100

goal is to actually unite around a new

2246

01:18:55,370 --> 01:18:52,080

vision that these messages are there for

2247

01:18:58,250 --> 01:18:55,380

a purpose and we need to act on those

2248

01:19:00,770 --> 01:18:58,260

messages that again it's not like we

2249

01:19:02,630 --> 01:19:00,780

don't see evidence backing up what these

2250

01:19:05,030 --> 01:19:02,640

evidence what these messages are saying

2251

01:19:06,470 --> 01:19:05,040

we are in perilous times we do need to

2252

01:19:08,510 --> 01:19:06,480

change something and that's that's our

2253

01:19:10,790 --> 01:19:08,520

ultimate goal that that will happen

2254

01:19:12,050 --> 01:19:10,800

amazing well we have you Darren where

2255

01:19:13,669 --> 01:19:12,060

can people if they want to learn more

2256

01:19:15,890 --> 01:19:13,679

about you follow some of your personal

2257

01:19:17,750 --> 01:19:15,900

work where can they find you and your

2258

01:19:21,350 --> 01:19:17,760

podcasts

2259

01:19:22,729 --> 01:19:21,360

I'm involved in point of conversions is

2260

01:19:25,910 --> 01:19:22,739

is the one I've been doing since around

2261

01:19:27,950 --> 01:19:25,920

2020 where I take basically one

2262

01:19:29,209 --> 01:19:27,960

particular topic it's called point of

2263

01:19:31,729 --> 01:19:29,219

convergence because of what we talked

2264

01:19:33,410 --> 01:19:31,739

about earlier parapsychology near-death

2265

01:19:35,870 --> 01:19:33,420

experiences out of body experiences

2266

01:19:37,310 --> 01:19:35,880

contact with alien intelligence

2267

01:19:38,810 --> 01:19:37,320

apparently alien intelligence right

2268

01:19:40,729 --> 01:19:38,820

that's why I say non-conventionally

2269

01:19:43,189 --> 01:19:40,739

human intelligence because perhaps they

2270

01:19:45,530 --> 01:19:43,199

are somehow us at least some of them so

2271

01:19:47,209 --> 01:19:45,540

that podcast I do is sort of a 30 to 40

2272

01:19:48,470 --> 01:19:47,219

minute treatises on a particular topic

2273

01:19:50,750 --> 01:19:48,480

related to that

2274

01:19:52,310 --> 01:19:50,760

I'm also involved in a podcast called

2275

01:19:55,070 --> 01:19:52,320

liminal frames with it spelled with a

2276

01:19:58,010 --> 01:19:55,080

pdh at sort of in honor of a phenomenon

2277

01:20:00,110 --> 01:19:58,020

there uh we're my friend Nathan and I do

2278

01:20:01,250 --> 01:20:00,120

a 90-minute kind of Deep dive into a

2279

01:20:03,770 --> 01:20:01,260

particular topic and it's more

2280

01:20:05,689 --> 01:20:03,780

conversational so people can find those

2281

01:20:07,010 --> 01:20:05,699

on my YouTube channel which is EXO

2282

01:20:10,250 --> 01:20:07,020

academian

2283

01:20:12,530 --> 01:20:10,260

they can find both of those shows on

2284

01:20:14,630 --> 01:20:12,540

there all the videos are there and I

2285

01:20:16,130 --> 01:20:14,640

also have you know individual podcasts

2286

01:20:17,930 --> 01:20:16,140

so liminal frames is its own dedicated

2287

01:20:19,669 --> 01:20:17,940

podcast and whatever podcast platform

2288

01:20:22,250 --> 01:20:19,679

you use same thing with point of

2289

01:20:24,770 --> 01:20:22,260

convergence and I'm on Twitter I'm on

2290

01:20:27,050 --> 01:20:24,780

Facebook and uh yeah people are welcome

2291

01:20:28,610 --> 01:20:27,060

to reach out to me awesome it's been

2292

01:20:30,290 --> 01:20:28,620

great having you man I know Jason and I

2293

01:20:32,209 --> 01:20:30,300

both really enjoyed it we'll have to do

2294

01:20:34,430 --> 01:20:32,219

a part two maybe a deep dive on a cool

2295

01:20:36,110 --> 01:20:34,440

topic we all enjoy we try to keep our

2296

01:20:38,330 --> 01:20:36,120

shows to around the hour mark we find

2297

01:20:40,669 --> 01:20:38,340

it's a a good sized junket where it's

2298

01:20:42,590 --> 01:20:40,679

not too long but we still can do a deep

2299

01:20:44,990 --> 01:20:42,600

enough dive on the topic and get new

2300

01:20:46,669 --> 01:20:45,000

information for everybody so with that

2301

01:20:47,870 --> 01:20:46,679

we'll turn it over to our viewers let us

2302

01:20:50,030 --> 01:20:47,880

know what you think of today's show in

2303

01:20:51,709 --> 01:20:50,040

the comments if you're not on YouTube

2304

01:20:53,810 --> 01:20:51,719

hop on over there feel free to leave

2305

01:20:55,790 --> 01:20:53,820

comments we respond to them all if you

2306

01:20:57,830 --> 01:20:55,800

like our shows please hit like and if

2307

01:21:00,890 --> 01:20:57,840

you haven't subscribed yet we're gonna

2308

01:21:02,450 --> 01:21:00,900

do it yeah there's a red button on the

2309

01:21:04,010 --> 01:21:02,460

screen telling you to subscribe two

2310

01:21:06,110 --> 01:21:04,020

seconds right just do it we do

2311

01:21:07,550 --> 01:21:06,120

appreciate it and again Darren thank you

2312

01:21:10,130 --> 01:21:07,560

2313

01:21:11,870 --> 01:21:10,140

2314

01:21:13,310 --> 01:21:11,880

fun and I'll be back whenever you want
