3
00:00:08,570 --> 00:00:05,700

8
00:00:19,130 --> 00:00:17,640
government like it seems no matter which

9
00:00:21,109 --> 00:00:19,140

00:00:23,630 --> 00:00:21,119
we're not going to be hurting for Choice

11
00:00:25,250 --> 00:00:23,640
Jay I don't think so he's uh definitely

12
00:00:27,290 --> 00:00:25,260
an intelligent man like you said like

13
00:00:28,730 --> 00:00:27,300

and it's a pattern isn't it Louie that

14

00:00:31,910 --> 00:00:28,740

you know it's always intelligent people

15

00:00:34,190 --> 00:00:31,920

that are contactees or researchers it's

16

00:00:35,630 --> 00:00:34,200

not the the way they used to do it back

17

00:00:38,630 --> 00:00:35,640

in the 80s or they would show like some

18

00:00:40,729 --> 00:00:38,640

slack jaw Yokel in the back field no

19

00:00:41,990 --> 00:00:40,739

sign I saw an alien it's actually really

20

00:00:43,610 --> 00:00:42,000

21

00:00:45,350 --> 00:00:43,620

24

00:00:50,690 --> 00:00:49,140

to come for the the lesser of the

25

00:00:52,369 --> 00:00:50,700

species you're gonna come for the best

26

00:00:53,990 --> 00:00:52,379

00:01:06,830 --> 00:01:04,860

humbled by the experience it's the ones

33

00:01:09,230 --> 00:01:06,840

53
00:02:12,710 --> 00:02:11,400
Louie absolutely we kind of take it for

54
00:02:14,390 --> 00:02:12,720
granted but it's just like yeah let's

55
00:02:16,610 --> 00:02:14,400

00:02:36,170 --> 00:02:33,900

vocational nurse as well from what I

65

00:02:38,089 --> 00:02:36,180

read and uh he's also a published

66

00:02:40,430 --> 00:02:38,099

musician he's got like three CD albums

67

00:02:41,869 --> 00:02:40,440

to his credit so a guy with many talents

68

00:02:43,369 --> 00:02:41,879

he's got some cool stuff in the

69

00:02:45,650 --> 00:02:43,379

background I want to ask him about later

70

00:02:47,089 --> 00:02:45,660

mufon friendly we have lots of move on

75

00:02:58,250 --> 00:02:55,800

people on on here and they all tell us

76
00:03:00,170 --> 00:02:58,260
different things and everyone has still

77
00:03:02,089 --> 00:03:00,180
their own individual experience even

78
00:03:04,550 --> 00:03:02,099
while doing the same Collective things

79
00:03:06,050 --> 00:03:04,560
and that's pretty cool so for those who

80
00:03:07,850 --> 00:03:06,060
don't know you I mean you're pretty busy

81
00:03:09,290 --> 00:03:07,860
you're doing three four shows a week

82
00:03:11,449 --> 00:03:09,300
sometimes in various channels and

83
00:03:13,970 --> 00:03:11,459
podcasts and you're like the traveling

84
00:03:15,710 --> 00:03:13,980
Earl Gray show uh but tell us a bit

85
00:03:18,290 --> 00:03:15,720
about yourself and what got you into the

86
00:03:20,509 --> 00:03:18,300
whole world of ufology hmm you want you

87
00:03:22,430 --> 00:03:20,519
want the origin story right let's have

88
00:03:23,930 --> 00:03:22,440

it yeah yeah the Peter Parker version we

89

00:03:26,089 --> 00:03:23,940

get right into it we don't dance around

90

00:03:29,210 --> 00:03:26,099

the table we'll give you the everything

91

00:03:30,410 --> 00:03:29,220

to Bagel the full monty if you followed

92

00:03:32,750 --> 00:03:30,420

you here

93

00:03:35,030 --> 00:03:32,760

um well I I we were talking a little bit

94

00:03:38,809 --> 00:03:35,040

about this before we went on air

95

00:03:40,550 --> 00:03:38,819

um my mom back in the 1950s she worked

96

00:03:42,289 --> 00:03:40,560

for Howard Hughes as one of his

97

00:03:44,530 --> 00:03:42,299

secretaries

98

00:03:49,009 --> 00:03:44,540

um she worked at the old Sepulveda

99

00:03:50,990 --> 00:03:49,019

facility which was the uh it was Hughes

100

00:03:54,530 --> 00:03:51,000

aircraft that he had the movie studio

101
00:03:57,890 --> 00:03:54,540
and he had other various uh offices but

102
00:04:00,050 --> 00:03:57,900
but this was uh he was usually there he

103
00:04:02,750 --> 00:04:00,060
had an office that was next to my mom's

104
00:04:05,089 --> 00:04:02,760
but they they would communicate over an

105
00:04:06,890 --> 00:04:05,099
intercom system because he was a

106
00:04:08,990 --> 00:04:06,900
germaphobe all that stuff in the movie

107
00:04:11,750 --> 00:04:09,000
The Aviator that was true and that was

108
00:04:14,809 --> 00:04:11,760
that period of time

109
00:04:17,870 --> 00:04:14,819
um but he trusted my mom for some reason

110
00:04:20,330 --> 00:04:17,880
a lot of the secretaries that he got he

111
00:04:22,490 --> 00:04:20,340
would you tend to hire Mormons or people

112
00:04:23,990 --> 00:04:22,500
that didn't drink smoke or you know he

113
00:04:24,950 --> 00:04:24,000

felt he wanted people that he could

114

00:04:27,290 --> 00:04:24,960

trust

115

00:04:29,570 --> 00:04:27,300

and my mom had a background in law

116

00:04:32,810 --> 00:04:29,580

enforcement from back when she was a a

117

00:04:34,370 --> 00:04:32,820

girl in in Iowa Muscatine Iowa is where

118

00:04:38,749 --> 00:04:34,380

she grew up

119

00:04:40,969 --> 00:04:38,759

um and she uh they deputized her more or

120

00:04:43,670 --> 00:04:40,979

less so they had somebody to put people

121

00:04:46,790 --> 00:04:43,680

into the drunk tank over the weekend

122

00:04:49,909 --> 00:04:46,800

so that was my mom's first real job you

123

00:04:51,170 --> 00:04:49,919

know she was I think she was about 18 I

124

00:04:53,150 --> 00:04:51,180

think she was I mean she would have had

125

00:04:55,969 --> 00:04:53,160

to have been I think to be deputized

126

00:04:57,950 --> 00:04:55,979

yeah but um I think if that helped her

127

00:05:00,710 --> 00:04:57,960

get a foot in the door there and it was

128

00:05:03,409 --> 00:05:00,720

no this was no news I mean we all knew

129

00:05:05,930 --> 00:05:03,419

that Mom worked for Hughes and and when

130

00:05:08,330 --> 00:05:05,940

she gave birth to me she she retired and

131

00:05:11,510 --> 00:05:08,340

became she thought she became a

132

00:05:14,689 --> 00:05:11,520

housewife but she she later on went into

133

00:05:17,270 --> 00:05:14,699

uh as a Headhunter for the aerospace

134

00:05:20,689 --> 00:05:17,280

companies

135

00:05:23,330 --> 00:05:20,699

three uh I was five years old I'll never

136

00:05:26,390 --> 00:05:23,340

forget this uh we sat down for breakfast

137

00:05:29,210 --> 00:05:26,400

our cheery little kitchenette and uh

138

00:05:30,710 --> 00:05:29,220

Venice California and yellow paint on

139

00:05:33,469 --> 00:05:30,720

the walls and it was just this bright

140

00:05:35,870 --> 00:05:33,479

room and and we sat down and my mom

141

00:05:38,749 --> 00:05:35,880

started talking to me as though she were

142

00:05:40,430 --> 00:05:38,759

talking to another adult

143

00:05:42,950 --> 00:05:40,440

um she said you know son when I was

144

00:05:44,390 --> 00:05:42,960

working for Howard Hughes a really weird

145

00:05:47,150 --> 00:05:44,400

thing happened

146

00:05:49,370 --> 00:05:47,160

um she said that they they took they

147

00:05:52,249 --> 00:05:49,380

took me out to the middle of nowhere

148

00:05:53,210 --> 00:05:52,259

with a little security team a couple of

149

00:05:56,810 --> 00:05:53,220

guys

150

00:06:00,230 --> 00:05:56,820

and uh and all there was was just the

151

00:06:03,469 --> 00:06:00,240

desert and this concrete Shack is what

152

00:06:04,850 --> 00:06:03,479

she called it like a bunker

153

00:06:06,830 --> 00:06:04,860

um and she wondered why they took her

154

00:06:09,710 --> 00:06:06,840

out to the middle of nowhere to look at

155

00:06:11,990 --> 00:06:09,720

a tool Shack or you know where they kept

156

00:06:13,129 --> 00:06:12,000

their tractors yeah it didn't look like

157

00:06:15,529 --> 00:06:13,139

much

158

00:06:17,390 --> 00:06:15,539

so but they unlocked this thing and they

159

00:06:19,550 --> 00:06:17,400

took her in and there is an elevator and

160

00:06:21,590 --> 00:06:19,560

she said that she got in the elevator

161

00:06:23,210 --> 00:06:21,600

she thought maybe we'd go down a floor

162

00:06:26,330 --> 00:06:23,220

or two yeah

163

00:06:28,129 --> 00:06:26,340

yeah well it kept going down and and Mom

164

00:06:30,830 --> 00:06:28,139

said well I felt butterflies in my

165

00:06:33,170 --> 00:06:30,840

stomach I mean this it was going she

166

00:06:36,230 --> 00:06:33,180

said that it went a mile below the

167

00:06:38,450 --> 00:06:36,240

desert floor wow

168

00:06:40,550 --> 00:06:38,460

and she said when the door is open that

169

00:06:42,890 --> 00:06:40,560

there was a little city Down Under the

170

00:06:45,230 --> 00:06:42,900

Desert a lot of scientists were working

171

00:06:46,790 --> 00:06:45,240

down there uh they got around in golf

172

00:06:49,309 --> 00:06:46,800

carts

173

00:06:51,350 --> 00:06:49,319

um she said that there were cafes she

174

00:06:53,809 --> 00:06:51,360

mentioned one that had yellow umbrellas

175

00:06:56,270 --> 00:06:53,819

over the tables and she laughed because

176
00:06:57,050 --> 00:06:56,280
she said you don't need an umbrella in a

177
00:06:59,930 --> 00:06:57,060
cave

178
00:07:01,610 --> 00:06:59,940
uh but she you know she she then

179
00:07:03,290 --> 00:07:01,620
expressed well it was it was to make

180
00:07:05,870 --> 00:07:03,300
people feel comfortable you know people

181
00:07:07,790 --> 00:07:05,880
were down there for long periods of time

182
00:07:09,770 --> 00:07:07,800
and she mentioned that they had a barber

183
00:07:13,430 --> 00:07:09,780
shop and that they had a guy there that

184
00:07:16,550 --> 00:07:13,440
could do her hair for her that's crazy I

185
00:07:19,370 --> 00:07:16,560
know and then she sort of addended this

186
00:07:21,050 --> 00:07:19,380
all with oh and by the way son so you

187
00:07:23,210 --> 00:07:21,060
know I was working with you know German

188
00:07:26,689 --> 00:07:23,220

rocket scientists it was a redstone

189

00:07:29,870 --> 00:07:26,699

program was going on and she said uh but

190

00:07:32,510 --> 00:07:29,880

UFOs and extraterrestrial life is real

191

00:07:33,950 --> 00:07:32,520

and and we knew that way back then and

192

00:07:36,170 --> 00:07:33,960

she said the government knows that

193

00:07:37,909 --> 00:07:36,180

they're never going to tell everybody

194

00:07:39,770 --> 00:07:37,919

they're they're afraid of how people

195

00:07:42,170 --> 00:07:39,780

react

196

00:07:44,330 --> 00:07:42,180

that was the end of the conversation and

197

00:07:45,830 --> 00:07:44,340

and I I you know I went off to

198

00:07:47,510 --> 00:07:45,840

kindergarten

199

00:07:50,210 --> 00:07:47,520

uh

200

00:07:52,850 --> 00:07:50,220

so years later I mean I always had that

201
00:07:54,589 --> 00:07:52,860
you know I always had that and I held on

202
00:07:57,409 --> 00:07:54,599
to that memory and I remember it still

203
00:08:00,050 --> 00:07:57,419
today like I remember you know having

204
00:08:01,909 --> 00:08:00,060
breakfast this morning it's that you

205
00:08:04,189 --> 00:08:01,919
know those early memories just tend to

206
00:08:08,210 --> 00:08:04,199
cling to you

207
00:08:10,129 --> 00:08:08,220
um so back and forth grade uh we had a

208
00:08:11,150 --> 00:08:10,139
show and tell day what do your parents

209
00:08:13,490 --> 00:08:11,160
do

210
00:08:16,430 --> 00:08:13,500
and I went up there and I talked about

211
00:08:19,189 --> 00:08:16,440
my dad's landscaping business

212
00:08:21,890 --> 00:08:19,199
and then I talked about my mom I talked

213
00:08:26,270 --> 00:08:21,900

about the underground uh city under the

214

00:08:28,309 --> 00:08:26,280

desert and UFOs are real oh so the

215

00:08:30,290 --> 00:08:28,319

teacher called my mom in for a

216

00:08:32,269 --> 00:08:30,300

parent-teacher conference

217

00:08:35,570 --> 00:08:32,279

and I was out there playing on the swing

218

00:08:37,490 --> 00:08:35,580

sets uh it was maybe I don't know it

219

00:08:39,350 --> 00:08:37,500

seems like it was out you know like four

220

00:08:43,430 --> 00:08:39,360

in the afternoon or something at this

221

00:08:45,949 --> 00:08:43,440

point and my mom is driving me home and

222

00:08:49,130 --> 00:08:45,959

she looks really concerned and she

223

00:08:51,410 --> 00:08:49,140

looked at me and she said son I'm not

224

00:08:54,230 --> 00:08:51,420

angry at you because I didn't tell you

225

00:08:56,210 --> 00:08:54,240

that you couldn't talk about this stuff

226

00:08:59,210 --> 00:08:56,220

and then she looked at me and she said

227

00:09:00,470 --> 00:08:59,220

how did you remember that you were just

228

00:09:03,350 --> 00:09:00,480

a baby

229

00:09:05,329 --> 00:09:03,360

and she was just looked horrified and

230

00:09:08,210 --> 00:09:05,339

she's trying to drive you know and still

231

00:09:10,430 --> 00:09:08,220

talk to me and be you know rational and

232

00:09:12,050 --> 00:09:10,440

not angry about it which I appreciate

233

00:09:13,850 --> 00:09:12,060

you know and then I'm older and I think

234

00:09:15,769 --> 00:09:13,860

about it

235

00:09:18,710 --> 00:09:15,779

um so she said you know some people

236

00:09:21,230 --> 00:09:18,720

don't know about cities Under the Desert

237

00:09:23,870 --> 00:09:21,240

they don't know about UFOs and they

238

00:09:26,570 --> 00:09:23,880

don't know about aliens and you can't

239

00:09:28,310 --> 00:09:26,580

talk about that I I thought that you

240

00:09:32,329 --> 00:09:28,320

were too young that you would never

241

00:09:35,269 --> 00:09:32,339

remember what I told you and but to my

242

00:09:37,970 --> 00:09:35,279

horror you you you're telling your class

243

00:09:40,009 --> 00:09:37,980

yeah and your teachers know and she said

244

00:09:42,050 --> 00:09:40,019

your mom could get into really bad

245

00:09:45,170 --> 00:09:42,060

trouble your mom could actually go to

246

00:09:48,590 --> 00:09:45,180

prison if you talk about this son

247

00:09:51,530 --> 00:09:48,600

and um and that laid the foundation for

248

00:09:56,090 --> 00:09:51,540

my interest in ufology and you know it

249

00:09:58,730 --> 00:09:56,100

was like from from birth somehow and I

250

00:10:01,430 --> 00:09:58,740

always it seems like you know my mom

251
00:10:03,410 --> 00:10:01,440
said once she said you know you were

252
00:10:04,730 --> 00:10:03,420
down there too Earl and I is like what

253
00:10:06,410 --> 00:10:04,740
what do you mean I was down there she

254
00:10:09,350 --> 00:10:06,420
said the little city under the desert I

255
00:10:11,870 --> 00:10:09,360
was pregnant with you and and I was I

256
00:10:14,870 --> 00:10:11,880
was still working there so technically

257
00:10:16,910 --> 00:10:14,880
you you went down that's got the image

258
00:10:19,790 --> 00:10:16,920
to picture as well just a pregnant lady

259
00:10:22,610 --> 00:10:19,800
in a bunker underneath the desert where

260
00:10:24,889 --> 00:10:22,620
possibly aliens were captured some sort

261
00:10:27,050 --> 00:10:24,899
of Technology that's just crazy what an

262
00:10:29,090 --> 00:10:27,060
image she never mentioned working with

263
00:10:31,310 --> 00:10:29,100

aliens you know she just mentioned it

264

00:10:34,250 --> 00:10:31,320

was a real thing and you know I tried to

265

00:10:37,550 --> 00:10:34,260

get her to talk more I mean 1977 after

266

00:10:39,769 --> 00:10:37,560

Star Wars black she she one more time I

267

00:10:41,690 --> 00:10:39,779

got disclosure you know she said you

268

00:10:44,750 --> 00:10:41,700

have no idea how close the truth that

269

00:10:46,670 --> 00:10:44,760

movie is and you know the spaceships the

270

00:10:48,050 --> 00:10:46,680

different races

271

00:10:49,730 --> 00:10:48,060

um but they're never going to tell the

272

00:10:51,230 --> 00:10:49,740

public they're afraid of how people are

273

00:10:54,170 --> 00:10:51,240

going to react

274

00:10:55,850 --> 00:10:54,180

and that and then on her death bed you

275

00:10:59,269 --> 00:10:55,860

know I mean she wasn't gonna tell me

276

00:11:02,750 --> 00:10:59,279

more and I was hoping she would but she

277

00:11:05,630 --> 00:11:02,760

confirmed that what she told me was true

278

00:11:08,210 --> 00:11:05,640

and so when she passed away that was the

279

00:11:10,850 --> 00:11:08,220

end of my the possibility of getting my

280

00:11:14,870 --> 00:11:10,860

my golden ticket of disclosure as she

281

00:11:17,329 --> 00:11:14,880

was gone she didn't leave any documents

282

00:11:18,530 --> 00:11:17,339

so uh that's that's when I you know

283

00:11:21,290 --> 00:11:18,540

started

284

00:11:23,690 --> 00:11:21,300

um researching the phenomenon for myself

285

00:11:26,090 --> 00:11:23,700

just kind of reading every bit of

286

00:11:29,210 --> 00:11:26,100

literature I got my hands on

287

00:11:31,730 --> 00:11:29,220

and everybody was contradicting each

288

00:11:34,130 --> 00:11:31,740

other and this guy says he's absolutely

289

00:11:37,130 --> 00:11:34,140

correct and this guy says no that guy is

290

00:11:39,710 --> 00:11:37,140

wrong and I'm so I decided the only way

291

00:11:41,930 --> 00:11:39,720

to do this is to go Hands-On then the

292

00:11:45,829 --> 00:11:41,940

one name that kept popping up in from

293

00:11:49,670 --> 00:11:45,839

book to book to show to periodical was

294

00:11:52,250 --> 00:11:49,680

mufon the mutual UFO Network

295

00:11:54,410 --> 00:11:52,260

um and I you know did a little study on

296

00:11:58,130 --> 00:11:54,420

them they they when Project Blue Book

297

00:11:59,930 --> 00:11:58,140

closed their doors in 1969 Buffon opened

298

00:12:02,030 --> 00:11:59,940

theirs and we've been doing the Air

299

00:12:04,190 --> 00:12:02,040

Force's job ever since

300

00:12:06,230 --> 00:12:04,200

and that's that's how I got here you

301
00:12:07,910 --> 00:12:06,240
guys I've seen that on mufon t-shirts

302
00:12:10,190 --> 00:12:07,920
before I think that's awesome

303
00:12:12,769 --> 00:12:10,200
I want that shirt I don't think they

304
00:12:15,889 --> 00:12:12,779
print that one anymore it's a good one

305
00:12:18,829 --> 00:12:15,899
so from the early onset your mom tells

306
00:12:20,690 --> 00:12:18,839
you quite bombshell about reality saying

307
00:12:23,150 --> 00:12:20,700
that you know she wasn't hiding anything

308
00:12:25,850 --> 00:12:23,160
from you which is good I mean you know

309
00:12:28,370 --> 00:12:25,860
when we had our kids were little they're

310
00:12:29,990 --> 00:12:28,380
not so little now but we were dead

311
00:12:31,730 --> 00:12:30,000
serious about never telling that the

312
00:12:34,430 --> 00:12:31,740
Tooth Fairy was real that Santa Claus

313
00:12:36,110 --> 00:12:34,440

was real right because you're teaching

314

00:12:37,850 --> 00:12:36,120

that it's okay to believe in something

315

00:12:40,130 --> 00:12:37,860

and then have it cut off from you and

316

00:12:41,930 --> 00:12:40,140

not being real right my dad sounds like

317

00:12:44,269 --> 00:12:41,940

that too maybe oh really a lot of in

318

00:12:46,129 --> 00:12:44,279

Santa Claus or the you know tooth fairy

319

00:12:47,810 --> 00:12:46,139

or any of that yeah yeah but just

320

00:12:50,509 --> 00:12:47,820

telling your kids honestly look this

321

00:12:53,150 --> 00:12:50,519

might be the reality that we're in and

322

00:12:54,889 --> 00:12:53,160

it I wouldn't say indoctrinates but it

323

00:12:56,810 --> 00:12:54,899

does allow the child to keep an open

324

00:12:59,690 --> 00:12:56,820

mind saying that isn't this possibly

325

00:13:01,490 --> 00:12:59,700

real that says this is An Occurrence I

326

00:13:03,650 --> 00:13:01,500

think we we teach our kids or condition

327

00:13:06,470 --> 00:13:03,660

our kids to stop looking at this stuff

328

00:13:08,569 --> 00:13:06,480

as as valid and to dismiss it if it

329

00:13:11,389 --> 00:13:08,579

doesn't fit the mold of what Society

330

00:13:13,190 --> 00:13:11,399

tells you is reality right so it's good

331

00:13:14,569 --> 00:13:13,200

on your mom for for being honest with

332

00:13:19,490 --> 00:13:14,579

you right

333

00:13:21,889 --> 00:13:19,500

I've had uh since I uh joined mufon it

334

00:13:24,170 --> 00:13:21,899

hasn't been a regular occurrence but a

335

00:13:28,850 --> 00:13:24,180

couple of times I've had like a couple

336

00:13:32,210 --> 00:13:28,860

people from the dod uh most recently uh

337

00:13:33,530 --> 00:13:32,220

and and he is a guy he is a DOD

338

00:13:36,829 --> 00:13:33,540

operative

339

00:13:39,530 --> 00:13:36,839

and he told me you know Earl I've read

340

00:13:42,170 --> 00:13:39,540

your mom's bio I said your mom did not

341

00:13:44,329 --> 00:13:42,180

lie to you it's like she has a file I'm

342

00:13:46,970 --> 00:13:44,339

like can I read it you know it's like no

343

00:13:48,889 --> 00:13:46,980

no you you know in fact I shouldn't even

344

00:13:51,769 --> 00:13:48,899

be telling you that I read it but he

345

00:13:53,569 --> 00:13:51,779

said no your mom's file is sealed but

346

00:13:55,550 --> 00:13:53,579

your mom didn't lie to you and you could

347

00:13:57,829 --> 00:13:55,560

be very proud of your mom she was a

348

00:14:00,470 --> 00:13:57,839

patriotic American and and she was

349

00:14:02,690 --> 00:14:00,480

telling you the truth that's a wonderful

350

00:14:06,230 --> 00:14:02,700

confirmation it is awesome so you've

351

00:14:07,610 --> 00:14:06,240

researched over 900 cases with mufon yep

352

00:14:09,170 --> 00:14:07,620

what are some of the ones that really

353

00:14:11,810 --> 00:14:09,180

stand out in your mind as being

354

00:14:13,490 --> 00:14:11,820

phenomenal cases oh wow you know that's

355

00:14:15,650 --> 00:14:13,500

a loaded question but if you could think

356

00:14:17,449 --> 00:14:15,660

of a couple uh you know there are

357

00:14:19,610 --> 00:14:17,459

certain cases that stick with you we had

358

00:14:23,870 --> 00:14:19,620

one case where uh there were two women

359

00:14:26,389 --> 00:14:23,880

that took uh Chase in their little uh oh

360

00:14:29,030 --> 00:14:26,399

you know the little Austin power British

361

00:14:31,670 --> 00:14:29,040

cars with what were those called mini

362

00:14:34,310 --> 00:14:31,680

yeah many a Mini Cooper all right okay

363

00:14:36,650 --> 00:14:34,320

so it wasn't a race car but they took

364

00:14:38,889 --> 00:14:36,660

chase after uh two

365

00:14:42,250 --> 00:14:38,899

spherical red

366

00:14:45,370 --> 00:14:42,260

UFOs that were traveling at quite a clip

367

00:14:48,769 --> 00:14:45,380

this was in Azusa California

368

00:14:52,790 --> 00:14:48,779

Azu says named the the name of Azusa is

369

00:14:55,730 --> 00:14:52,800

a to z America right Azusa or USA A to Z

370

00:14:58,670 --> 00:14:55,740

USA so but anyways it's kind of like

371

00:15:01,730 --> 00:14:58,680

this uh All-American town in the middle

372

00:15:04,090 --> 00:15:01,740

of San Bernardino area so they took

373

00:15:07,189 --> 00:15:04,100

chase after these two orbs

374

00:15:09,829 --> 00:15:07,199

and they got caught in a cul-de-sac and

375

00:15:10,990 --> 00:15:09,839

they couldn't follow them any further so

376

00:15:17,930 --> 00:15:11,000

they

377

00:15:20,030 --> 00:15:17,940

watching these two red spheres doing

378

00:15:21,769 --> 00:15:20,040

what we call the Falling Leaf motion

379

00:15:24,590 --> 00:15:21,779

over the mountains there where they're

380

00:15:27,590 --> 00:15:24,600

just staying in place but they're kind

381

00:15:29,810 --> 00:15:27,600

of going back and forth up and down

382

00:15:31,389 --> 00:15:29,820

um and that that is a thing we see that

383

00:15:34,370 --> 00:15:31,399

probably has something to do with

384

00:15:36,230 --> 00:15:34,380

electromagnetic propulsion

385

00:15:39,350 --> 00:15:36,240

um well anyhow they're watching this and

386

00:15:41,389 --> 00:15:39,360

they think well you know so much for you

387

00:15:43,610 --> 00:15:41,399

know chasing after the UFO at least we

388

00:15:46,850 --> 00:15:43,620

can see it from a distance when

389

00:15:49,550 --> 00:15:46,860

everything lights up behind them

390

00:15:51,410 --> 00:15:49,560

wow everything lit up behind them it was

391

00:15:53,449 --> 00:15:51,420

it was dusk

392

00:15:55,850 --> 00:15:53,459

um there was a park here there was a

393

00:15:58,910 --> 00:15:55,860

residential area to their right

394

00:16:01,069 --> 00:15:58,920

and uh they turn around in about 200

395

00:16:04,790 --> 00:16:01,079

feet away from them as a flying saucer

396

00:16:08,449 --> 00:16:04,800

handing over a two-story house

397

00:16:10,250 --> 00:16:08,459

it was it was right over the tree and

398

00:16:12,829 --> 00:16:10,260

they said that it would blink in and out

399

00:16:15,410 --> 00:16:12,839

of existence like it was like had some

400

00:16:17,990 --> 00:16:15,420

kind of cloaking technology that was not

401
00:16:20,870 --> 00:16:18,000
working properly so they would see like

402
00:16:24,110 --> 00:16:20,880
four spherical lights that would change

403
00:16:26,150 --> 00:16:24,120
colors and that would pain there and

404
00:16:28,910 --> 00:16:26,160
then every couple of seconds they would

405
00:16:31,970 --> 00:16:28,920
see the outline of a

406
00:16:34,970 --> 00:16:31,980
of a disc shaped craft

407
00:16:38,329 --> 00:16:34,980
so they're watching this thing and uh

408
00:16:39,829 --> 00:16:38,339
and then it takes off takes off into the

409
00:16:41,810 --> 00:16:39,839
vanishing point

410
00:16:43,610 --> 00:16:41,820
now that is a pretty darn good though

411
00:16:45,590 --> 00:16:43,620
those were two witnesses they had

412
00:16:48,949 --> 00:16:45,600
nothing to gain nothing everything to

413
00:16:51,889 --> 00:16:48,959

lose you know by by you know

414

00:16:54,290 --> 00:16:51,899

by putting in a report about this what

415

00:16:57,530 --> 00:16:54,300

was interesting is five miles away there

416

00:16:58,970 --> 00:16:57,540

was a veteran Air Force guy who watched

417

00:17:01,790 --> 00:16:58,980

the whole thing from a distance

418

00:17:03,949 --> 00:17:01,800

completely unrelated to them nobody knew

419

00:17:06,409 --> 00:17:03,959

each other it was he and his wife he

420

00:17:07,850 --> 00:17:06,419

called her out to watch and they watched

421

00:17:10,130 --> 00:17:07,860

the say they watched the whole thing

422

00:17:12,829 --> 00:17:10,140

they saw The Two Reds you know the two

423

00:17:15,530 --> 00:17:12,839

red objects and the disc shaped object

424

00:17:19,309 --> 00:17:15,540

and he watched it take off and shoot off

425

00:17:23,510 --> 00:17:19,319

into the vanishing point so that's uh

426

00:17:25,189 --> 00:17:23,520

three really good Witnesses two well

427

00:17:27,470 --> 00:17:25,199

actually Four because of the the guy

428

00:17:31,010 --> 00:17:27,480

called his wife out she saw the last bit

429

00:17:34,310 --> 00:17:31,020

of it so four pairs of eyes on this

430

00:17:36,950 --> 00:17:34,320

thing and uh and one was a friend who

431

00:17:39,049 --> 00:17:36,960

was a veteran uh Corman from the air

432

00:17:41,990 --> 00:17:39,059

force that was a good case

433

00:17:45,169 --> 00:17:42,000

for sure it BuzzFeed a little you know

434

00:17:49,190 --> 00:17:45,179

video and sent a crew out uh on that one

435

00:17:52,070 --> 00:17:49,200

and that was one of my first unknowns uh

436

00:17:56,210 --> 00:17:52,080

it's about six years ago I think around

437

00:17:59,750 --> 00:17:56,220

there so okay and you also work with

438

00:18:01,190 --> 00:17:59,760

mufon uh the uh ERT I believe it's how

439

00:18:03,830 --> 00:18:01,200

we pronounce it uh the emergency

440

00:18:06,230 --> 00:18:03,840

response or no it's the experience or

441

00:18:08,270 --> 00:18:06,240

resource team I got it totally backwards

442

00:18:11,390 --> 00:18:08,280

yeah yeah totally backwards thank you

443

00:18:14,090 --> 00:18:11,400

not emergency but it can be yeah and I

444

00:18:15,770 --> 00:18:14,100

see the John Mack books behind you

445

00:18:17,630 --> 00:18:15,780

um obviously this is a subject that we

446

00:18:20,270 --> 00:18:17,640

cover quite a bit as well is the

447

00:18:22,310 --> 00:18:20,280

experiencers and there's different

448

00:18:24,490 --> 00:18:22,320

experiences not everybody has the same

449

00:18:27,710 --> 00:18:24,500

experience but have you found

450

00:18:29,210 --> 00:18:27,720

commonalities in the cases that you've

451

00:18:31,190 --> 00:18:29,220

investigated the people that you work

452

00:18:33,350 --> 00:18:31,200

with what are the commonalities that you

453

00:18:37,010 --> 00:18:33,360

have seen

454

00:18:39,710 --> 00:18:37,020

um you know people come from all manner

455

00:18:41,510 --> 00:18:39,720

of backgrounds but I I noticed that a

456

00:18:44,029 --> 00:18:41,520

lot of people who are either abductees

457

00:18:47,590 --> 00:18:44,039

or visitees contactees

458

00:18:50,450 --> 00:18:47,600

uh it seems to be

459

00:18:52,370 --> 00:18:50,460

hyper-intelligent folks oftentimes

460

00:18:56,570 --> 00:18:52,380

people where the family has a military

461

00:18:59,750 --> 00:18:56,580

background like people like myself uh

462

00:19:02,330 --> 00:18:59,760

with with my mom and official them uh I

463

00:19:05,810 --> 00:19:02,340

I have another case that's an ongoing

464

00:19:08,870 --> 00:19:05,820

one that was from my hometown and and uh

465

00:19:11,810 --> 00:19:08,880

the the whole family they were all taken

466

00:19:14,270 --> 00:19:11,820

they had about four hours five hours of

467

00:19:18,950 --> 00:19:14,280

missing time after the house flooded

468

00:19:21,049 --> 00:19:18,960

with light uh to to uh Fireball blue

469

00:19:24,169 --> 00:19:21,059

Fireballs were aiming over their house

470

00:19:26,510 --> 00:19:24,179

first one crashed into the horse pasture

471

00:19:29,210 --> 00:19:26,520

in front of their house but their father

472

00:19:32,090 --> 00:19:29,220

was uh actually he was in the Air Force

473

00:19:34,610 --> 00:19:32,100

and he was part of uh Project Blue Book

474

00:19:36,830 --> 00:19:34,620

you know he took you know the Son and

475

00:19:39,950 --> 00:19:36,840

the and the father you know these the

476

00:19:42,830 --> 00:19:39,960

sons saw the the initial blue uh

477

00:19:45,110 --> 00:19:42,840

Fireball hit the horse pasture the night

478

00:19:48,350 --> 00:19:45,120

before but the father hadn't he he just

479

00:19:51,110 --> 00:19:48,360

heard word of mouth so they uh they they

480

00:19:52,549 --> 00:19:51,120

brought the the two of them went out and

481

00:19:55,070 --> 00:19:52,559

they're standing there and they see

482

00:19:57,230 --> 00:19:55,080

these two blue Fireballs just hovering

483

00:19:59,630 --> 00:19:57,240

over the house and at that point the

484

00:20:02,750 --> 00:19:59,640

father knew what was going on I mean

485

00:20:05,330 --> 00:20:02,760

they had been I guess targeted because

486

00:20:06,950 --> 00:20:05,340

of his background and apparently he

487

00:20:09,289 --> 00:20:06,960

worked in a deep underground base as

488

00:20:11,270 --> 00:20:09,299

well I mean they told a story about you

489

00:20:13,010 --> 00:20:11,280

know Take Your Kids To Work Day and

490

00:20:16,130 --> 00:20:13,020

apparently the dad took him in an

491

00:20:20,270 --> 00:20:16,140

elevator to this giant computer complex

492

00:20:23,630 --> 00:20:20,280

under in White Sands New Mexico

493

00:20:25,789 --> 00:20:23,640

which by the way is where where uh we're

494

00:20:27,650 --> 00:20:25,799

in Braun was was stationed when we

495

00:20:30,230 --> 00:20:27,660

brought him over with with Operation

496

00:20:32,270 --> 00:20:30,240

Paperclip and my mom said that she you

497

00:20:34,909 --> 00:20:32,280

know Werner was a friend of hers he'd

498

00:20:36,650 --> 00:20:34,919

pop up on on Disney or something and Mom

499

00:20:39,350 --> 00:20:36,660

would go oh that's that's my friend

500

00:20:42,950 --> 00:20:39,360

Warner and his Charming Man it's like

501
00:20:44,750 --> 00:20:42,960
Mom isn't it or not see you know it's

502
00:20:47,210 --> 00:20:44,760
like no they forced him to do that son

503
00:20:50,090 --> 00:20:47,220
he he just wanted to go to the moon and

504
00:20:54,230 --> 00:20:50,100
and uh he's actually a good American and

505
00:20:56,450 --> 00:20:54,240
Charming guy so I you know there's this

506
00:20:58,250 --> 00:20:56,460
connection I think military is a

507
00:21:00,650 --> 00:20:58,260
powerful one

508
00:21:03,169 --> 00:21:00,660
um other people it just seems like the

509
00:21:06,770 --> 00:21:03,179
abduction or the visitation phenomenon

510
00:21:09,770 --> 00:21:06,780
runs with certain Bloodlines uh people

511
00:21:12,669 --> 00:21:09,780
with O negative O positive blood uh seem

512
00:21:16,549 --> 00:21:12,679
to be more commonly experiencers

513
00:21:17,930 --> 00:21:16,559

positive and O Negative okay

514

00:21:22,549 --> 00:21:17,940

um

515

00:21:25,310 --> 00:21:22,559

I mean I I find that you know I mean I'm

516

00:21:27,350 --> 00:21:25,320

an experimenter myself it's a long story

517

00:21:29,149 --> 00:21:27,360

and I don't know if you want me to go go

518

00:21:31,610 --> 00:21:29,159

down that path because this is your

519

00:21:33,590 --> 00:21:31,620

episode my friend this is yours but my

520

00:21:35,810 --> 00:21:33,600

wife and I well we've experienced what

521

00:21:39,409 --> 00:21:35,820

what we call our weird week and it was

522

00:21:43,070 --> 00:21:39,419

when I first came to mufon uh I tried

523

00:21:47,330 --> 00:21:43,080

sort of my version of a ce5 meditation I

524

00:21:49,789 --> 00:21:47,340

I sent I was very out of my naivete I

525

00:21:51,890 --> 00:21:49,799

was sending out the message you know I

526

00:21:54,289 --> 00:21:51,900

want to meet you and you can abduct me

527

00:21:57,169 --> 00:21:54,299

and you can even take my DNA if you want

528

00:22:00,110 --> 00:21:57,179

and that is what I send out there is

529

00:22:02,029 --> 00:22:00,120

like don't don't do that kids not not

530

00:22:05,090 --> 00:22:02,039

not something you want or you might want

531

00:22:07,490 --> 00:22:05,100

to specify because I got the little gray

532

00:22:09,830 --> 00:22:07,500

guys and and they're not talkative

533

00:22:11,810 --> 00:22:09,840

they're all business and they yeah

534

00:22:15,770 --> 00:22:11,820

indeed they they took a lot of blood

535

00:22:17,210 --> 00:22:15,780

from me which is DNA didn't get probed

536

00:22:19,730 --> 00:22:17,220

but

537

00:22:22,610 --> 00:22:19,740

um you know I couldn't move I mean they

538

00:22:25,909 --> 00:22:22,620

they used portal technology to get into

539

00:22:28,370 --> 00:22:25,919

our room it flooded with light like you

540

00:22:30,950 --> 00:22:28,380

hear all the time and it's light that is

541

00:22:33,590 --> 00:22:30,960

not what we think of as light there's

542

00:22:35,810 --> 00:22:33,600

some calming thing about it it's a

543

00:22:37,669 --> 00:22:35,820

bluish tinge to it

544

00:22:39,529 --> 00:22:37,679

uh my wife thought that I had had a

545

00:22:42,350 --> 00:22:39,539

mental breakdown I mean when I could

546

00:22:45,169 --> 00:22:42,360

finally move and some yell that's what I

547

00:22:48,169 --> 00:22:45,179

was doing it was two at 2 am

548

00:22:49,909 --> 00:22:48,179

and you know her whole attitude was was

549

00:22:52,190 --> 00:22:49,919

oh my God you know is this what I have

550

00:22:55,070 --> 00:22:52,200

to look forward to you know you joined

551
00:22:57,289 --> 00:22:55,080
this crazy UFO group

552
00:22:59,630 --> 00:22:57,299
um and I just curled into a fetal

553
00:23:01,250 --> 00:22:59,640
position I was confused I didn't know

554
00:23:02,830 --> 00:23:01,260
who to talk to

555
00:23:05,870 --> 00:23:02,840
and uh

556
00:23:07,669 --> 00:23:05,880
two nights later my wife is the one

557
00:23:09,770 --> 00:23:07,679
who's shaking me

558
00:23:11,810 --> 00:23:09,780
and again our room was flooded with

559
00:23:14,390 --> 00:23:11,820
light it's flooded with light with no

560
00:23:16,610 --> 00:23:14,400
Source there's no you know the way

561
00:23:18,770 --> 00:23:16,620
photons work you have to have a source

562
00:23:22,370 --> 00:23:18,780
and they you know whether they're waves

563
00:23:25,610 --> 00:23:22,380

or particles or wave equals uh they they

564

00:23:29,029 --> 00:23:25,620

don't just come out of nowhere but these

565

00:23:32,330 --> 00:23:29,039

it was as though it were its own source

566

00:23:34,190 --> 00:23:32,340

somehow and she's shaking me awake and

567

00:23:35,990 --> 00:23:34,200

she started pacing next to the bed and

568

00:23:38,510 --> 00:23:36,000

she said oh my God Earl you need to tell

569

00:23:39,970 --> 00:23:38,520

your little friends I didn't explain

570

00:23:42,590 --> 00:23:39,980

that they were little

571

00:23:45,230 --> 00:23:42,600

diminutive she said your little friends

572

00:23:49,669 --> 00:23:45,240

to leave us that I won't use the word

573

00:23:52,909 --> 00:23:49,679

alone I didn't sign up for this yeah

574

00:23:56,090 --> 00:23:52,919

and while I was horrified that my wife

575

00:23:57,830 --> 00:23:56,100

had had a similar experience to what I

576
00:24:00,830 --> 00:23:57,840
had had

577
00:24:05,090 --> 00:24:00,840
um at least now she knew I wasn't insane

578
00:24:07,850 --> 00:24:05,100
which which was thank God you know

579
00:24:10,130 --> 00:24:07,860
um two nights after that we both woke up

580
00:24:12,110 --> 00:24:10,140
to our room being flooded with light

581
00:24:15,350 --> 00:24:12,120
again but this time it was also coming

582
00:24:17,630 --> 00:24:15,360
from above our house we lived in

583
00:24:19,310 --> 00:24:17,640
downtown Burbank I mean it was not a

584
00:24:23,029 --> 00:24:19,320
rural area right

585
00:24:24,590 --> 00:24:23,039
so you know whatever was going on I I

586
00:24:28,549 --> 00:24:24,600
don't know how many other people could

587
00:24:30,470 --> 00:24:28,559
see or but uh what I know is is that our

588
00:24:33,529 --> 00:24:30,480

visitors are in control and when they

589

00:24:36,130 --> 00:24:33,539

make your space into their space the

590

00:24:38,810 --> 00:24:36,140

time is different sounds are different

591

00:24:40,190 --> 00:24:38,820

uh your thought processes are not even

592

00:24:42,710 --> 00:24:40,200

your own

593

00:24:44,270 --> 00:24:42,720

um they're in control

594

00:24:45,590 --> 00:24:44,280

um I mean I've had a close encounter

595

00:24:48,649 --> 00:24:45,600

with a craft

596

00:24:50,149 --> 00:24:48,659

since that happened and again it was a

597

00:24:53,149 --> 00:24:50,159

teachable moment I don't think they were

598

00:24:55,549 --> 00:24:53,159

doing an air show or you know circus act

599

00:24:57,649 --> 00:24:55,559

for my benefit they were trying to teach

600

00:25:00,529 --> 00:24:57,659

me something and and what they were

601
00:25:02,390 --> 00:25:00,539
trying to teach me was was that uh yeah

602
00:25:04,310 --> 00:25:02,400
you you're not going to grab your phone

603
00:25:06,230 --> 00:25:04,320
and take videos or photographs you're

604
00:25:08,390 --> 00:25:06,240
not going to get you know you're not

605
00:25:10,850 --> 00:25:08,400
going to call the muffon Star team in

606
00:25:12,169 --> 00:25:10,860
and call the press and Etc what you're

607
00:25:14,690 --> 00:25:12,179
going to do is you're going to drive

608
00:25:16,850 --> 00:25:14,700
right past that Miracle because the

609
00:25:19,730 --> 00:25:16,860
biggest worry in the world right now is

610
00:25:22,549 --> 00:25:19,740
is that you might be late for work for a

611
00:25:25,130 --> 00:25:22,559
job that you don't really even like

612
00:25:27,289 --> 00:25:25,140
so I was two miles away from this

613
00:25:30,470 --> 00:25:27,299

miracle that I saw it was a v-shaped

614

00:25:32,570 --> 00:25:30,480

craft boxy looking hating their Defying

615

00:25:35,029 --> 00:25:32,580

Gravity is this massive tonnage and

616

00:25:38,149 --> 00:25:35,039

there's no way to explain how it was

617

00:25:41,029 --> 00:25:38,159

there in the sky and it was 35 40 feet

618

00:25:42,950 --> 00:25:41,039

away from me and but I drove right past

619

00:25:43,850 --> 00:25:42,960

it because I was going to be late for

620

00:25:47,390 --> 00:25:43,860

work

621

00:25:51,830 --> 00:25:47,400

uh I was maybe a minute away from the

622

00:25:54,529 --> 00:25:51,840

118 freeway out here which goes to the

623

00:25:57,110 --> 00:25:54,539

the town that I worked in when I came to

624

00:25:58,549 --> 00:25:57,120

my senses I pulled my car over

625

00:26:00,409 --> 00:25:58,559

um this was like six o'clock in the

626

00:26:04,610 --> 00:26:00,419

morning it wasn't at night you know I

627

00:26:06,470 --> 00:26:04,620

wasn't asleep it wasn't sleep paralysis

628

00:26:08,810 --> 00:26:06,480

um and I just I I was ready to fire

629

00:26:11,029 --> 00:26:08,820

myself for mufon you know because I

630

00:26:12,890 --> 00:26:11,039

didn't I I'm a trained Observer and yet

631

00:26:15,590 --> 00:26:12,900

I didn't do any of the things that I was

632

00:26:18,649 --> 00:26:15,600

trained to do at that point I was Chief

633

00:26:22,010 --> 00:26:18,659

investigator in Southern California and

634

00:26:24,409 --> 00:26:22,020

I couldn't explain it except

635

00:26:26,090 --> 00:26:24,419

they're in control and they were letting

636

00:26:28,730 --> 00:26:26,100

me know that

637

00:26:30,649 --> 00:26:28,740

um since then I mean I I didn't even put

638

00:26:31,669 --> 00:26:30,659

a report into mufant I was so

639

00:26:34,070 --> 00:26:31,679

embarrassed

640

00:26:36,950 --> 00:26:34,080

uh but then our state director at the

641

00:26:40,490 --> 00:26:36,960

time Jeff Kraus had a similar occurrence

642

00:26:43,789 --> 00:26:40,500

with his son where they watched a a disk

643

00:26:46,250 --> 00:26:43,799

raft fly across the mountains of San

644

00:26:48,289 --> 00:26:46,260

Luis Obispo where they lived and I asked

645

00:26:50,149 --> 00:26:48,299

him I said well did you get a photo did

646

00:26:53,510 --> 00:26:50,159

you get a video did you get it's like

647

00:26:56,029 --> 00:26:53,520

none of the above no I I can't explain

648

00:26:59,149 --> 00:26:56,039

it I I didn't do any of the things that

649

00:27:01,370 --> 00:26:59,159

I would I would normally do you know

650

00:27:02,630 --> 00:27:01,380

crazy we checked we chatted with Whitley

651

00:27:05,330 --> 00:27:02,640

strieber and he said when he wrote

652

00:27:07,909 --> 00:27:05,340

communion he got 30 000 letters from

653

00:27:09,950 --> 00:27:07,919

people about their experience and going

654

00:27:12,470 --> 00:27:09,960

through them all he was explaining that

655

00:27:15,890 --> 00:27:12,480

you know this stereotypical abduction

656

00:27:17,269 --> 00:27:15,900

story very rarely if ever happens and a

657

00:27:19,130 --> 00:27:17,279

lot of times it's just maybe how those

658

00:27:22,250 --> 00:27:19,140

people remembered things happening he

659

00:27:25,490 --> 00:27:22,260

goes usually it's this shoddy Patchwork

660

00:27:27,350 --> 00:27:25,500

of I don't remember maybe that happened

661

00:27:29,630 --> 00:27:27,360

I don't know why I said what I said or

662

00:27:32,330 --> 00:27:29,640

thought what I thought basically to what

663

00:27:34,549 --> 00:27:32,340

you had just said that they are so far

664

00:27:36,350 --> 00:27:34,559

away from being in control of this they

665

00:27:38,990 --> 00:27:36,360

don't even remember if it was a dream or

666

00:27:41,090 --> 00:27:39,000

real it was that sort of delusional so

667

00:27:43,909 --> 00:27:41,100

do you find that with the bulk of your

668

00:27:45,830 --> 00:27:43,919

mufon cases that most of them are

669

00:27:47,930 --> 00:27:45,840

Patchwork they're not able to get a

670

00:27:49,490 --> 00:27:47,940

photo or video it's not like what the

671

00:27:51,049 --> 00:27:49,500

debunkers think you know if this is

672

00:27:54,049 --> 00:27:51,059

happening all the time where's all the

673

00:27:55,310 --> 00:27:54,059

pigs maybe you're not able to do that so

674

00:27:57,230 --> 00:27:55,320

is that something that's a pattern

675

00:28:01,190 --> 00:27:57,240

within the investigations you've looked

676
00:28:02,149 --> 00:28:01,200
at yeah it is actually I mean people you

677
00:28:04,730 --> 00:28:02,159
know

678
00:28:06,890 --> 00:28:04,740
may think that they're going to react a

679
00:28:09,950 --> 00:28:06,900
certain way but when this happens when

680
00:28:13,310 --> 00:28:09,960
you when you have a face to face with

681
00:28:17,570 --> 00:28:13,320
the ineffable that which isn't supposed

682
00:28:19,909 --> 00:28:17,580
to exist it it causes ontological shock

683
00:28:22,250 --> 00:28:19,919
in a person it's like it pulls your

684
00:28:25,669 --> 00:28:22,260
sense of reality out from under you like

685
00:28:26,350 --> 00:28:25,679
a rug and you're left there kind of you

686
00:28:34,490 --> 00:28:26,360
know

687
00:28:37,310 --> 00:28:34,500
something to hold on to it's it's you

688
00:28:41,029 --> 00:28:37,320

know people wind up with the PTSD and

689

00:28:44,570 --> 00:28:41,039

and uh and people do not react the way

690

00:28:48,110 --> 00:28:44,580

that they've been trained to I I

691

00:28:51,230 --> 00:28:48,120

but you know people react in meaningful

692

00:28:54,289 --> 00:28:51,240

ways once they look at it again from

693

00:28:57,769 --> 00:28:54,299

afar uh usually it seems to me that

694

00:29:00,049 --> 00:28:57,779

there are teachable things going on here

695

00:29:03,049 --> 00:29:00,059

um I mean I had one case where Maureen

696

00:29:06,230 --> 00:29:03,059

was uh literally abducted through the

697

00:29:09,710 --> 00:29:06,240

roof of Camp Pendleton from his bunk

698

00:29:11,029 --> 00:29:09,720

after a weird weird day I mean he he saw

699

00:29:14,029 --> 00:29:11,039

a UFO

700

00:29:16,730 --> 00:29:14,039

and his he was this guy was a kind of a

701
00:29:19,909 --> 00:29:16,740
Motorhead he loved he had this hot rod

702
00:29:22,010 --> 00:29:19,919
right like a Ford Galaxy except it

703
00:29:25,010 --> 00:29:22,020
wasn't a Ford Galaxy I have to look at

704
00:29:29,110 --> 00:29:25,020
his at his file but but you get the idea

705
00:29:33,590 --> 00:29:29,120
and he was watching like Tesla style

706
00:29:36,769 --> 00:29:33,600
electricity going through the the all

707
00:29:39,289 --> 00:29:36,779
the controls of his car on the radio and

708
00:29:40,970 --> 00:29:39,299
and so he had shut the car down he was

709
00:29:43,669 --> 00:29:40,980
afraid that it was gonna its Car

710
00:29:46,010 --> 00:29:43,679
electrical system was gonna burn out

711
00:29:47,930 --> 00:29:46,020
and he was told telepathically that he

712
00:29:50,810 --> 00:29:47,940
needed to go back to his Barracks you

713
00:29:53,510 --> 00:29:50,820

know this was his he was his Champs to

714

00:29:54,409 --> 00:29:53,520

get out you know and he was he was off

715

00:29:57,230 --> 00:29:54,419

duty

716

00:29:59,149 --> 00:29:57,240

but this voice told them you're very

717

00:30:02,389 --> 00:29:59,159

very tired and you need to go back to

718

00:30:05,090 --> 00:30:02,399

your bunk and he did as he he went there

719

00:30:07,190 --> 00:30:05,100

he said is his uh bunk mate was there he

720

00:30:09,710 --> 00:30:07,200

said hello and he

721

00:30:12,169 --> 00:30:09,720

well the this bunk mate looked for him

722

00:30:15,230 --> 00:30:12,179

about 15 minutes later and he was not

723

00:30:17,210 --> 00:30:15,240

there it was like he had disappeared

724

00:30:19,730 --> 00:30:17,220

and what happened was was he said that

725

00:30:23,389 --> 00:30:19,740

he uh he had been taken through the roof

726

00:30:25,850 --> 00:30:23,399

he could see the Earth down below and he

727

00:30:28,250 --> 00:30:25,860

was suddenly in the inside of this disc

728

00:30:30,889 --> 00:30:28,260

shaped Craft

729

00:30:34,070 --> 00:30:30,899

um these entities were brooding they

730

00:30:37,250 --> 00:30:34,080

were like tall Grays that he saw uh

731

00:30:40,250 --> 00:30:37,260

brooding and threatening towards him

732

00:30:43,430 --> 00:30:40,260

uh they told him that you know we've

733

00:30:45,289 --> 00:30:43,440

taken you and now you are under our

734

00:30:49,070 --> 00:30:45,299

control and next thing we're going to do

735

00:30:54,110 --> 00:30:52,789

he instead of reacting violently started

736

00:30:58,850 --> 00:30:54,120

praying

737

00:31:01,370 --> 00:30:58,860

like a Christian background and in fact

738

00:31:03,529 --> 00:31:01,380

this was why he was on the road earlier

739

00:31:05,630 --> 00:31:03,539

that evening he had left a party because

740

00:31:08,269 --> 00:31:05,640

somebody brought out a Ouija board and

741

00:31:10,430 --> 00:31:08,279

that bothered him so he left the party

742

00:31:12,950 --> 00:31:10,440

so he thought that these were the you

743

00:31:14,510 --> 00:31:12,960

know demons and Devils that he they were

744

00:31:15,950 --> 00:31:14,520

tormenting him and he thought it had

745

00:31:17,210 --> 00:31:15,960

something to do with the Ouija board

746

00:31:19,730 --> 00:31:17,220

coming out

747

00:31:21,889 --> 00:31:19,740

but then he found out no that these no

748

00:31:25,970 --> 00:31:21,899

that wasn't what was going on that these

749

00:31:28,610 --> 00:31:25,980

were ETS that had time uh taken him

750

00:31:30,769 --> 00:31:28,620

um when he started reacting in a

751
00:31:33,230 --> 00:31:30,779
non-violent way and remember this was a

752
00:31:35,570 --> 00:31:33,240
soldier he had been in Vietnam he didn't

753
00:31:38,389 --> 00:31:35,580
he said that he didn't have PTSD from

754
00:31:40,250 --> 00:31:38,399
Vietnam and I believe him I spoke with

755
00:31:43,250 --> 00:31:40,260
his whole family I spoke with his kids

756
00:31:46,430 --> 00:31:43,260
and with his wife it's like Dad talks

757
00:31:49,250 --> 00:31:46,440
about this all the time and he has PTSD

758
00:31:51,769 --> 00:31:49,260
but not from fighting in Vietnam it's

759
00:31:53,750 --> 00:31:51,779
from his encounter

760
00:31:56,930 --> 00:31:53,760
um when he started praying and he

761
00:31:59,510 --> 00:31:56,940
started asking Jesus for compassion you

762
00:32:01,909 --> 00:31:59,520
know and to save him and rescue him

763
00:32:03,549 --> 00:32:01,919

he suddenly found himself back in his

764

00:32:06,289 --> 00:32:03,559

Barracks he was kind of in this

765

00:32:09,549 --> 00:32:06,299

crouching there he had black splotches

766

00:32:13,190 --> 00:32:09,559

and like red you know skin irritations

767

00:32:16,310 --> 00:32:13,200

all over his body his bunk mate found

768

00:32:20,090 --> 00:32:16,320

him uh was perplexed took him and you

769

00:32:22,909 --> 00:32:20,100

know made him shower and and uh but this

770

00:32:24,769 --> 00:32:22,919

followed this guy all these years all

771

00:32:27,529 --> 00:32:24,779

these years now he started having dreams

772

00:32:30,769 --> 00:32:27,539

that were realer than dreams this first

773

00:32:33,529 --> 00:32:30,779

episode was the only one where where he

774

00:32:35,870 --> 00:32:33,539

was sort of attacked you know although

775

00:32:37,549 --> 00:32:35,880

they didn't actually hurt him but they

776

00:32:40,010 --> 00:32:37,559

were threatening him and I think that it

777

00:32:41,990 --> 00:32:40,020

was to see his reaction they're very

778

00:32:44,389 --> 00:32:42,000

interested in our military I think

779

00:32:47,330 --> 00:32:44,399

they're very interested in Mankind's

780

00:32:49,010 --> 00:32:47,340

propensity to war with each other and

781

00:32:51,769 --> 00:32:49,020

then how could we be you know

782

00:32:54,350 --> 00:32:51,779

compassionate empathic creatures and yet

783

00:32:56,690 --> 00:32:54,360

do this terrible thing to each other and

784

00:32:58,789 --> 00:32:56,700

and if we're going to go into outer

785

00:33:01,789 --> 00:32:58,799

space I mean I don't think that our

786

00:33:03,950 --> 00:33:01,799

visitors went Star Wars they went you

787

00:33:05,930 --> 00:33:03,960

know Star Trek sure you know and I guess

788

00:33:08,149 --> 00:33:05,940

if Captain Kirk wants to punch uh you

789

00:33:11,450 --> 00:33:08,159

know Gorn in the nose or something maybe

790

00:33:13,669 --> 00:33:11,460

that's all right but but the war stuff

791

00:33:18,169 --> 00:33:13,679

and I think that that's part of what's

792

00:33:20,269 --> 00:33:18,179

going on I a lot of visitors and

793

00:33:22,430 --> 00:33:20,279

abductees come from a military

794

00:33:24,590 --> 00:33:22,440

background and I've heard the story over

795

00:33:26,810 --> 00:33:24,600

and over and over same thing they're

796

00:33:29,450 --> 00:33:26,820

taken up they see the earth below

797

00:33:32,210 --> 00:33:29,460

another guy that was like energy beings

798

00:33:34,789 --> 00:33:32,220

of light that that took him and and they

799

00:33:37,430 --> 00:33:34,799

showed him the uh

800

00:33:40,250 --> 00:33:37,440

like the volcanoes in the Pacific Rim

801
00:33:42,230 --> 00:33:40,260
exploding they wanted to gather how he

802
00:33:44,269 --> 00:33:42,240
would react to that

803
00:33:46,789 --> 00:33:44,279
um again this guy didn't react with

804
00:33:49,870 --> 00:33:46,799
anger he reacted with sadness and

805
00:33:53,029 --> 00:33:49,880
compassion and like prayerful thought

806
00:33:54,230 --> 00:33:53,039
and he said that he felt enveloped by

807
00:33:56,690 --> 00:33:54,240
love

808
00:33:59,870 --> 00:33:56,700
from his entities

809
00:34:03,289 --> 00:33:59,880
and uh and he was brought back and and

810
00:34:05,570 --> 00:34:03,299
with this Arcane strange knowledge this

811
00:34:08,149 --> 00:34:05,580
happened on an aircraft carrier that guy

812
00:34:10,250 --> 00:34:08,159
and it happened for a reason

813
00:34:13,669 --> 00:34:10,260

um the cat Camp Pendleton thing happened

814

00:34:15,169 --> 00:34:13,679

back in the like 1968.

815

00:34:18,710 --> 00:34:15,179

um but those

816

00:34:21,230 --> 00:34:18,720

stories stick with you and I I see like

817

00:34:23,889 --> 00:34:21,240

a gist behind the way that they're

818

00:34:27,530 --> 00:34:23,899

treating these these uh

819

00:34:30,050 --> 00:34:27,540

experiencers it's it's to find out what

820

00:34:32,810 --> 00:34:30,060

our motives are to reveal those motives

821

00:34:35,629 --> 00:34:32,820

to ourselves and I think they're trying

822

00:34:37,930 --> 00:34:35,639

to change us you know the that are it's

823

00:34:41,270 --> 00:34:37,940

a great concern to them nuclear weapons

824

00:34:44,329 --> 00:34:41,280

are worry natures and the way that we

825

00:34:47,530 --> 00:34:44,339

treat the Earth like a trash pile uh

826

00:34:51,290 --> 00:34:47,540

those all three I think have have

827

00:34:55,190 --> 00:34:51,300

accentuated us in their eyes and I think

828

00:34:57,050 --> 00:34:55,200

this is why why there's such this such

829

00:34:59,270 --> 00:34:57,060

an interest in US

830

00:35:02,930 --> 00:34:59,280

on their part

831

00:35:04,849 --> 00:35:02,940

yeah we're a weird mix of you know well

832

00:35:07,849 --> 00:35:04,859

you know like you go on YouTube and you

833

00:35:09,950 --> 00:35:07,859

can see the most amazing things that a

834

00:35:13,310 --> 00:35:09,960

person is capable of doing from singing

835

00:35:14,870 --> 00:35:13,320

to stunts to like just wow videos of

836

00:35:17,390 --> 00:35:14,880

like I can't believe this person has

837

00:35:19,190 --> 00:35:17,400

this ability and yet there's this other

838

00:35:22,250 --> 00:35:19,200

aspect to our civilization which is

839

00:35:24,170 --> 00:35:22,260

about destruction of another group of

840

00:35:26,569 --> 00:35:24,180

people we've always been like that since

841

00:35:28,609 --> 00:35:26,579

the evolution of our species

842

00:35:30,849 --> 00:35:28,619

uh we were talking with Abby Loeb and he

843

00:35:33,530 --> 00:35:30,859

was mentioning that you know most likely

844

00:35:36,130 --> 00:35:33,540

space-faring entities that are able to

845

00:35:38,510 --> 00:35:36,140

visit other civilizations are peaceful

846

00:35:40,250 --> 00:35:38,520

species because if you're a violent

847

00:35:42,410 --> 00:35:40,260

species you're most likely to destroy

848

00:35:45,890 --> 00:35:42,420

yourself or pick a fight with the First

849

00:35:47,510 --> 00:35:45,900

new species that you discover right so

850

00:35:49,550 --> 00:35:47,520

it made sense when you described that

851
00:35:52,069 --> 00:35:49,560
now we were talking about like the

852
00:35:53,870 --> 00:35:52,079
disorientation that you get when a nail

853
00:35:55,490 --> 00:35:53,880
and abduction happens and I was trying

854
00:35:58,670 --> 00:35:55,500
to search for a word that would describe

855
00:36:00,230 --> 00:35:58,680
it discombobulating is probably the word

856
00:36:02,630 --> 00:36:00,240
that describes the word yes right

857
00:36:04,430 --> 00:36:02,640
exactly you're just you're taken out of

858
00:36:06,109 --> 00:36:04,440
it and nothing makes sense uh your

859
00:36:08,329 --> 00:36:06,119
brain's trying to process

860
00:36:10,730 --> 00:36:08,339
new information and alien experience

861
00:36:12,349 --> 00:36:10,740
that has no point of reference for

862
00:36:13,609 --> 00:36:12,359
um and that's what makes it hard for

863
00:36:15,349 --> 00:36:13,619

these people is that they're trying to

864

00:36:18,170 --> 00:36:15,359

compartmentalize or make sense of

865

00:36:20,510 --> 00:36:18,180

something that is is way beyond our

866

00:36:22,250 --> 00:36:20,520

ability to comprehend

867

00:36:24,410 --> 00:36:22,260

um Louie you say it all the time what's

868

00:36:26,329 --> 00:36:24,420

that quote that uh you say yeah it's not

869

00:36:29,030 --> 00:36:26,339

Stranger Than You Think it's stranger

870

00:36:30,829 --> 00:36:29,040

than you can think so your brain just

871

00:36:33,290 --> 00:36:30,839

wants to make sense of it that's the

872

00:36:35,349 --> 00:36:33,300

nature of your mind is just rank and

873

00:36:38,089 --> 00:36:35,359

file it somewhere it's like peridolia

874

00:36:40,490 --> 00:36:38,099

Jesus in the clouds or something right

875

00:36:42,829 --> 00:36:40,500

your brain just wants to latch on to the

876

00:36:46,069 --> 00:36:42,839

closest familiar thing it can so we can

877

00:36:47,990 --> 00:36:46,079

process it and keep you the alien and

878

00:36:51,109 --> 00:36:48,000

the woodwork yes

879

00:36:53,150 --> 00:36:51,119

or the the eyes and the mouth on the

880

00:36:55,910 --> 00:36:53,160

back of every single car right yeah

881

00:36:58,490 --> 00:36:57,410

you can try to make sense out of

882

00:37:00,890 --> 00:36:58,500

everything yeah there's a mouth there

883

00:37:03,230 --> 00:37:00,900

there's a couple eyes but it's all you

884

00:37:04,730 --> 00:37:03,240

know about um yeah the Observer but I

885

00:37:07,190 --> 00:37:04,740

heard you mentioning um the military

886

00:37:10,370 --> 00:37:07,200

bases and I wanted to ask your thoughts

887

00:37:12,950 --> 00:37:10,380

on two things one sort of the sort of

888

00:37:14,870 --> 00:37:12,960

Robert Salas Malmstrom type things where

889

00:37:17,150 --> 00:37:14,880

they're shutting down our nukes Robert's

890

00:37:19,490 --> 00:37:17,160

a great friend he was just at our muffon

891

00:37:20,870 --> 00:37:19,500

meeting uh last Sunday yeah we've

892

00:37:22,670 --> 00:37:20,880

chatted with him a couple show it up as

893

00:37:24,589 --> 00:37:22,680

well yeah so I mean that's been

894

00:37:26,690 --> 00:37:24,599

happening so there's validation on the

895

00:37:28,310 --> 00:37:26,700

military end but I mean look at the

896

00:37:30,470 --> 00:37:28,320

recent Arrow hearings and we've been

897

00:37:33,109 --> 00:37:30,480

talking about witness testimony and

898

00:37:35,930 --> 00:37:33,119

experiencers nowhere in that in their

899

00:37:37,790 --> 00:37:35,940

dialogue is there space for that it's

900

00:37:39,829 --> 00:37:37,800

like if our sensor data didn't collect

901
00:37:41,630 --> 00:37:39,839
it it didn't happen we're not talking

902
00:37:43,370 --> 00:37:41,640
about it like that's like saying a

903
00:37:45,710 --> 00:37:43,380
murder didn't happen because the Navy

904
00:37:49,069 --> 00:37:45,720
didn't have sensors to capture it at the

905
00:37:52,370 --> 00:37:49,079
time like it's it's infuriating to hear

906
00:37:54,230 --> 00:37:52,380
it so as an experimenter as a child of

907
00:37:56,450 --> 00:37:54,240
somebody who's worked with the military

908
00:37:57,770 --> 00:37:56,460
you're kind of the perfect link what do

909
00:38:00,950 --> 00:37:57,780
you think about hearing government

910
00:38:03,349 --> 00:38:00,960
dialogue that has no room for just

911
00:38:04,670 --> 00:38:03,359
anyone with a camera as Kirkpatrick said

912
00:38:09,890 --> 00:38:04,680
yeah

913
00:38:11,930 --> 00:38:09,900

quandary because on one hand the genie

914

00:38:14,569 --> 00:38:11,940

is out of the bottle Pandora is out of

915

00:38:18,290 --> 00:38:14,579

the box I mean you know when the Tic Tac

916

00:38:21,589 --> 00:38:18,300

and the go fast and you know the all

917

00:38:23,810 --> 00:38:21,599

those videos came out in 2017.

918

00:38:25,730 --> 00:38:23,820

and Leslie Keane wrote her article that

919

00:38:27,650 --> 00:38:25,740

was on the front page of the New York

920

00:38:29,510 --> 00:38:27,660

Times

921

00:38:31,910 --> 00:38:29,520

um that was disclosure I mean I don't

922

00:38:33,530 --> 00:38:31,920

know what more people could ask for I

923

00:38:34,930 --> 00:38:33,540

mean if you got the president of the

924

00:38:37,849 --> 00:38:34,940

United States

925

00:38:39,290 --> 00:38:37,859

like three years ago half the country

926

00:38:41,329 --> 00:38:39,300

wouldn't have believed it they would

927

00:38:43,370 --> 00:38:41,339

have said all right lion again if

928

00:38:45,470 --> 00:38:43,380

they've got if they had the president of

929

00:38:48,290 --> 00:38:45,480

the United States now go out and

930

00:38:50,990 --> 00:38:48,300

disclose it'd say oh he's finally got

931

00:38:52,970 --> 00:38:51,000

you know his Alzheimer's symptoms are

932

00:38:55,069 --> 00:38:52,980

overcoming him

933

00:38:58,370 --> 00:38:55,079

um we don't have a Walter Cronkite and

934

00:39:00,950 --> 00:38:58,380

people don't trust each other so

935

00:39:04,609 --> 00:39:00,960

you know I I don't know who would be

936

00:39:08,630 --> 00:39:04,619

able to go and and disclose maybe the

937

00:39:09,770 --> 00:39:08,640

United Nations but you know I mean I

938

00:39:11,089 --> 00:39:09,780

don't know I don't know if that would

939

00:39:13,250 --> 00:39:11,099

work

940

00:39:15,170 --> 00:39:13,260

um it seems like this one-on-one-on-one

941

00:39:17,329 --> 00:39:15,180

thing you know through the experience or

942

00:39:20,329 --> 00:39:17,339

phenomena is the way they're doing it

943

00:39:23,150 --> 00:39:20,339

slow and I guess they're patient yeah

944

00:39:25,430 --> 00:39:23,160

but um I'm not surprised with the way

945

00:39:28,250 --> 00:39:25,440

that the hearings went and the way that

946

00:39:30,230 --> 00:39:28,260

the arrow guys are treating this uh the

947

00:39:32,990 --> 00:39:30,240

the one thing the Air Force does not

948

00:39:36,829 --> 00:39:33,000

want to tell the public is is what they

949

00:39:39,710 --> 00:39:36,839

know that this is real uh does things

950

00:39:42,530 --> 00:39:39,720

that we can't do we are not sure who's

951
00:39:44,810 --> 00:39:42,540
flying these machines they're underwater

952
00:39:46,970 --> 00:39:44,820
as well messing with submarines as well

953
00:39:50,210 --> 00:39:46,980
as in the air messing with our highest

954
00:39:53,270 --> 00:39:50,220
technological Jets we have and we can't

955
00:39:54,290 --> 00:39:53,280
protect you from it there's nothing we

956
00:39:58,069 --> 00:39:54,300
can do

957
00:40:00,410 --> 00:39:58,079
huh I mean how are they you know even

958
00:40:02,569 --> 00:40:00,420
gonna have a budget if they go on

959
00:40:04,670 --> 00:40:02,579
recording this they don't want to say

960
00:40:06,890 --> 00:40:04,680
that they never did want to say it they

961
00:40:07,630 --> 00:40:06,900
don't want to say it now you know back

962
00:40:11,030 --> 00:40:07,640
in

963
00:40:13,130 --> 00:40:11,040

1952 after the White House fly over you

964

00:40:15,829 --> 00:40:13,140

know they convened the Robertson panel

965

00:40:18,829 --> 00:40:15,839

to and more or less figure out how to

966

00:40:21,290 --> 00:40:18,839

react to the American public and it was

967

00:40:23,750 --> 00:40:21,300

with ridicule and by getting scientists

968

00:40:26,810 --> 00:40:23,760

to make fun of these people and act like

969

00:40:29,150 --> 00:40:26,820

they were you know if you report a UFO

970

00:40:32,030 --> 00:40:29,160

that's synonymous with reporting a

971

00:40:34,370 --> 00:40:32,040

leprechaun swimming in your bathtub you

972

00:40:36,829 --> 00:40:34,380

know and they they wanted to put you

973

00:40:39,170 --> 00:40:36,839

know and now you know I mean okay they

974

00:40:41,750 --> 00:40:39,180

want to Rebrand everything it was flying

975

00:40:44,569 --> 00:40:41,760

saucers okay is Kenneth Arnold's term

976
00:40:46,910 --> 00:40:44,579
you know that the Press picked up right

977
00:40:49,430 --> 00:40:46,920
away they changed it to UFO they don't

978
00:40:51,050 --> 00:40:49,440
want anybody to be thinking flying

979
00:40:53,150 --> 00:40:51,060
saucers they want to control the

980
00:40:55,370 --> 00:40:53,160
conversation

981
00:40:58,370 --> 00:40:55,380
um here we are again now you know it's

982
00:41:01,730 --> 00:40:58,380
UFO is look we're not using that acronym

983
00:41:04,310 --> 00:41:01,740
anymore now it's UAP and I wonder what

984
00:41:06,349 --> 00:41:04,320
next week what what new acronym acronym

985
00:41:07,910 --> 00:41:06,359
they're going to have for it because the

986
00:41:10,670 --> 00:41:07,920
last thing they want to do is say well

987
00:41:14,210 --> 00:41:10,680
we've known about this for at least 75

988
00:41:16,670 --> 00:41:14,220

years uh we have downed materials and we

989

00:41:19,190 --> 00:41:16,680

can't figure out much about them we we

990

00:41:20,930 --> 00:41:19,200

don't know how these things fly and

991

00:41:25,069 --> 00:41:20,940

we're sort of in the same position that

992

00:41:27,589 --> 00:41:25,079

we were 75 years ago uh after Roswell we

993

00:41:29,690 --> 00:41:27,599

can't say honestly that we can protect

994

00:41:31,730 --> 00:41:29,700

you from this

995

00:41:35,030 --> 00:41:31,740

the good news

996

00:41:37,250 --> 00:41:35,040

is that if it's an alien invasion

997

00:41:39,650 --> 00:41:37,260

they're doing a horrible job of it I

998

00:41:42,770 --> 00:41:39,660

mean you know they've been here at least

999

00:41:45,530 --> 00:41:42,780

since the Roswell crash in 1947. I mean

1000

00:41:47,690 --> 00:41:45,540

if they wanted to take us over I think

1001
00:41:50,150 --> 00:41:47,700
they could have done it within minutes

1002
00:41:53,150 --> 00:41:50,160
you know yeah but they're not here to

1003
00:41:54,829 --> 00:41:53,160
destroy us I think obvious is correct

1004
00:41:57,829 --> 00:41:54,839
um you know that was the same way Arthur

1005
00:42:01,130 --> 00:41:57,839
C Clarke felt about intelligence that if

1006
00:42:03,290 --> 00:42:01,140
you are an evil self-serving race you're

1007
00:42:05,450 --> 00:42:03,300
going to destroy yourself before you

1008
00:42:07,970 --> 00:42:05,460
have a chance to destroy other cultures

1009
00:42:11,569 --> 00:42:07,980
out there I think the light year is our

1010
00:42:13,730 --> 00:42:11,579
friend in that instance you know yeah

1011
00:42:16,550 --> 00:42:13,740
and our species is unique as we create

1012
00:42:18,410 --> 00:42:16,560
countries you know these imaginary lines

1013
00:42:20,329 --> 00:42:18,420

we say you can't cross and I mean it

1014

00:42:21,770 --> 00:42:20,339

causes a lot of problems

1015

00:42:23,569 --> 00:42:21,780

I think the biggest problem with

1016

00:42:26,450 --> 00:42:23,579

disclosure is the fact that we have

1017

00:42:29,089 --> 00:42:26,460

governments for different countries

1018

00:42:31,910 --> 00:42:29,099

there's no unity in this problem there's

1019

00:42:33,410 --> 00:42:31,920

no Global work really where everybody's

1020

00:42:36,109 --> 00:42:33,420

saying hey we have a unified problem

1021

00:42:38,329 --> 00:42:36,119

right now with these entities like UAP

1022

00:42:40,130 --> 00:42:38,339

could be you know Universal alien

1023

00:42:40,790 --> 00:42:40,140

problem because that's exactly what it

1024

00:42:44,710 --> 00:42:40,800

is

1025

00:42:47,329 --> 00:42:44,720

investigate it

1026
00:42:49,609 --> 00:42:47,339
compartmentalizing it per country right

1027
00:42:50,990 --> 00:42:49,619
so Russia has its own program the United

1028
00:42:52,970 --> 00:42:51,000
States has its own program they're all

1029
00:42:55,930 --> 00:42:52,980
keeping tight-lipped about it because

1030
00:42:59,390 --> 00:42:55,940
it's always about military purposes

1031
00:43:02,390 --> 00:42:59,400
weaponization and money always send

1032
00:43:05,089 --> 00:43:02,400
money yeah exactly so it's huge how can

1033
00:43:08,150 --> 00:43:05,099
we use this in war yeah and as soon as

1034
00:43:10,370 --> 00:43:08,160
we share with the American people what

1035
00:43:12,890 --> 00:43:10,380
we know we're also sharing it with the

1036
00:43:15,230 --> 00:43:12,900
foreign Nationals we're sharing with

1037
00:43:17,809 --> 00:43:15,240
Russia with China where we're we're

1038
00:43:22,190 --> 00:43:17,819

sharing with with people that are not

1039

00:43:26,210 --> 00:43:22,200

necessarily good actors so I I get their

1040

00:43:28,430 --> 00:43:26,220

quandary I understand it and do you want

1041

00:43:29,809 --> 00:43:28,440

official them to disclose anyway I mean

1042

00:43:32,690 --> 00:43:29,819

do you think they're the right guys to

1043

00:43:34,730 --> 00:43:32,700

do it the military I don't think so that

1044

00:43:36,970 --> 00:43:34,740

means kind of shoot first ask questions

1045

00:43:40,250 --> 00:43:36,980

later I think it's much better for

1046

00:43:42,470 --> 00:43:40,260

disclosure to happen like this right now

1047

00:43:44,990 --> 00:43:42,480

this is disclosure right now what we're

1048

00:43:46,970 --> 00:43:45,000

doing people are well actually this or

1049

00:43:49,309 --> 00:43:46,980

listening to it and it's going to make

1050

00:43:52,069 --> 00:43:49,319

them think and think differently and

1051
00:43:53,750 --> 00:43:52,079
that's how it probably shouldn't be done

1052
00:43:55,730 --> 00:43:53,760
you know and it may come from private

1053
00:43:57,710 --> 00:43:55,740
sector too like Javi lobes Galileo

1054
00:43:59,089 --> 00:43:57,720
project we ask him similar questions

1055
00:44:00,829 --> 00:43:59,099
about arrow and he goes I don't care

1056
00:44:04,069 --> 00:44:00,839
about the government he's like they

1057
00:44:06,050 --> 00:44:04,079
don't want to declassify things that are

1058
00:44:07,550 --> 00:44:06,060
man-made he's like it's military they're

1059
00:44:09,170 --> 00:44:07,560
never going to do it stop asking him

1060
00:44:11,390 --> 00:44:09,180
he's like I don't want any information

1061
00:44:13,490 --> 00:44:11,400
on anything man-made he's like we have

1062
00:44:16,309 --> 00:44:13,500
our own sensors we collect our own data

1063
00:44:18,349 --> 00:44:16,319

we have private funding basically if you

1064

00:44:20,089 --> 00:44:18,359

detach from that government they don't

1065

00:44:21,410 --> 00:44:20,099

have oversight on your project and it's

1066

00:44:23,270 --> 00:44:21,420

kind of like what they do with black

1067

00:44:26,109 --> 00:44:23,280

budget stuff right you can't foil

1068

00:44:32,030 --> 00:44:29,030

once it goes private it's gone so yeah

1069

00:44:34,370 --> 00:44:32,040

but if you use that in a good sense uh

1070

00:44:36,650 --> 00:44:34,380

you can actually help move this a little

1071

00:44:38,690 --> 00:44:36,660

bit forward rather than do the same I

1072

00:44:41,630 --> 00:44:38,700

mean it was Project sign project Grudge

1073

00:44:45,109 --> 00:44:41,640

Project Blue Book then it was UAP task

1074

00:44:47,150 --> 00:44:45,119

force you know atip Aero nibs if there's

1075

00:44:48,730 --> 00:44:47,160

been a hundred of these things they all

1076

00:44:51,349 --> 00:44:48,740

do the same thing and even in the last

1077

00:44:52,609 --> 00:44:51,359

hearing Kirkpatrick's basically saying

1078

00:44:54,890 --> 00:44:52,619

yeah hopefully in a couple years you

1079

00:44:56,990 --> 00:44:54,900

won't need another arrow like it'll be

1080

00:44:58,550 --> 00:44:57,000

we'll just be able to filter out the

1081

00:45:01,010 --> 00:44:58,560

garbage and give it back to the same

1082

00:45:03,589 --> 00:45:01,020

bodies that have done a horrible job

1083

00:45:05,630 --> 00:45:03,599

building in the first place like this is

1084

00:45:07,550 --> 00:45:05,640

going nowhere and uh I don't know why we

1085

00:45:10,490 --> 00:45:07,560

get so upset and myself included because

1086

00:45:12,109 --> 00:45:10,500

we want to know but it's I'm done I

1087

00:45:14,450 --> 00:45:12,119

posted something on Facebook the other

1088

00:45:16,370 --> 00:45:14,460

day it's a meme of a guy and I put the

1089

00:45:18,349 --> 00:45:16,380

header as getting ready for the next

1090

00:45:20,870 --> 00:45:18,359

Arrow hearing and he's putting Tabasco

1091

00:45:23,630 --> 00:45:20,880

in his eyes that's how I feel about it

1092

00:45:25,010 --> 00:45:23,640

right like get ready for another you

1093

00:45:26,450 --> 00:45:25,020

know that's pretty good what do they

1094

00:45:28,069 --> 00:45:26,460

call it nothing Burger that's yeah

1095

00:45:30,890 --> 00:45:28,079

nothing floating around Twitter ever

1096

00:45:32,510 --> 00:45:30,900

since another nothing Burger um for me

1097

00:45:34,190 --> 00:45:32,520

was this statement of I want to make it

1098

00:45:35,809 --> 00:45:34,200

somebody else's problem or I'm

1099

00:45:40,309 --> 00:45:35,819

paraphrasing God yeah he wants to turn

1100

00:45:42,530 --> 00:45:40,319

UAP to SCP yeah and you know how angry

1101

00:45:45,050 --> 00:45:42,540

Robert Solace is after all this when

1102

00:45:47,569 --> 00:45:45,060

they claim that they have absolutely

1103

00:45:50,870 --> 00:45:47,579

they have no information about what

1104

00:45:54,109 --> 00:45:50,880

happened at the Malmstrom base in 1967.

1105

00:45:56,809 --> 00:45:54,119

I mean I'm sorry you have a UFO that

1106

00:46:00,470 --> 00:45:56,819

shoots a laser beam down into your ICBM

1107

00:46:04,730 --> 00:46:00,480

uh you know pet and it's and it's

1108

00:46:07,550 --> 00:46:04,740

turning it took 10 nuclear missiles

1109

00:46:09,349 --> 00:46:07,560

offline boom boom boom boom boom he

1110

00:46:11,390 --> 00:46:09,359

watched the whole thing the guy up on

1111

00:46:14,870 --> 00:46:11,400

top is screaming in the radio you know

1112

00:46:18,050 --> 00:46:14,880

there's a UFO hovering shooting laser

1113

00:46:20,030 --> 00:46:18,060

beams down the missiles I mean and they

1114

00:46:21,650 --> 00:46:20,040

claimed that they they didn't have any

1115

00:46:24,349 --> 00:46:21,660

information about this so they didn't

1116

00:46:27,829 --> 00:46:24,359

save anything it's like I got a bridge

1117

00:46:29,750 --> 00:46:27,839

you know for you and Robert testified

1118

00:46:32,329 --> 00:46:29,760

like a month and a half ago we know this

1119

00:46:34,730 --> 00:46:32,339

because hours to him and he says let me

1120

00:46:37,790 --> 00:46:34,740

testify first then I may have more that

1121

00:46:39,290 --> 00:46:37,800

I can discuss or maybe not discuss so we

1122

00:46:42,050 --> 00:46:39,300

know for a fact that he spoke to the

1123

00:46:46,130 --> 00:46:42,060

Aero panel less than 60 days ago so

1124

00:46:47,630 --> 00:46:46,140

today for hours he said yeah hours and

1125

00:46:49,970 --> 00:46:47,640

I'm pretty sure Kirkpatrick was also

1126
00:46:52,430 --> 00:46:49,980
briefed by somebody on sort of reverse

1127
00:46:54,829 --> 00:46:52,440
engineering projects that are happening

1128
00:46:56,450 --> 00:46:54,839
or have happened so to say that they're

1129
00:46:59,329 --> 00:46:56,460
not in possession of any knowledge and

1130
00:47:00,829 --> 00:46:59,339
maybe it's just like me personally I

1131
00:47:03,109 --> 00:47:00,839
don't know but you know damn well your

1132
00:47:04,430 --> 00:47:03,119
boss and everybody else knows but maybe

1133
00:47:06,470 --> 00:47:04,440
they're trying to have that plausible

1134
00:47:08,329 --> 00:47:06,480
deniability and that's why the president

1135
00:47:09,650 --> 00:47:08,339
doesn't really know everything they're

1136
00:47:11,990 --> 00:47:09,660
supposed to either because they have to

1137
00:47:14,990 --> 00:47:12,000
be able to say I genuinely didn't know

1138
00:47:16,490 --> 00:47:15,000

even if they suspect it is true right I

1139

00:47:19,069 --> 00:47:16,500

mean they compartmentalize everything

1140

00:47:21,710 --> 00:47:19,079

now you know and you get everybody gets

1141

00:47:23,870 --> 00:47:21,720

like a little bit of the story but not

1142

00:47:26,390 --> 00:47:23,880

the whole story and I think that my mom

1143

00:47:28,550 --> 00:47:26,400

when she was doing what she was doing

1144

00:47:30,010 --> 00:47:28,560

that she was in a unique position that

1145

00:47:32,690 --> 00:47:30,020

they hadn't really figured out

1146

00:47:35,150 --> 00:47:32,700

compartmentalization yet so she was

1147

00:47:38,690 --> 00:47:35,160

their stenographer for all these high

1148

00:47:42,230 --> 00:47:38,700

you know boiling meetings with you know

1149

00:47:44,630 --> 00:47:42,240

Mucky mugs and so she had to have a high

1150

00:47:47,150 --> 00:47:44,640

security clearance and that worked well

1151

00:47:50,030 --> 00:47:47,160

for her you know because later on in

1152

00:47:51,650 --> 00:47:50,040

life she realized that she hated being a

1153

00:47:56,089 --> 00:47:51,660

housewife and that she wanted to work

1154

00:47:58,130 --> 00:47:56,099

again and and she she opened up an

1155

00:48:00,650 --> 00:47:58,140

employment agency but it was kind of a

1156

00:48:02,930 --> 00:48:00,660

cover for what she was because what she

1157

00:48:05,390 --> 00:48:02,940

was doing was was she was a Headhunter

1158

00:48:07,370 --> 00:48:05,400

for you know the various Aerospace

1159

00:48:09,109 --> 00:48:07,380

corporations

1160

00:48:11,270 --> 00:48:09,119

um and she would find them broom pushers

1161

00:48:13,609 --> 00:48:11,280

up to the top scientists and that's

1162

00:48:15,230 --> 00:48:13,619

that's what she did and I watched her do

1163

00:48:18,170 --> 00:48:15,240

it I mean she got got one of my friends

1164

00:48:21,170 --> 00:48:18,180

out to a job he had a it was at Northrop

1165

00:48:23,510 --> 00:48:21,180

he was a math whiz his mom was my old

1166

00:48:26,690 --> 00:48:23,520

math teacher I'm terrible at math by the

1167

00:48:29,270 --> 00:48:26,700

way me too yeah don't give me a d l

1168

00:48:31,309 --> 00:48:29,280

think in the class but but my mom sent

1169

00:48:34,309 --> 00:48:31,319

him out because they had a problem and

1170

00:48:36,710 --> 00:48:34,319

and when he got back he was gone for a

1171

00:48:40,069 --> 00:48:36,720

couple of weeks uh I think that he might

1172

00:48:42,530 --> 00:48:40,079

have just turned 18. uh he was older

1173

00:48:44,809 --> 00:48:42,540

than me and he comes back he says he had

1174

00:48:46,870 --> 00:48:44,819

a new car first of all and a wad of cash

1175

00:48:50,030 --> 00:48:46,880

and I asked him well what did

1176
00:48:52,370 --> 00:48:50,040
how what'd you do he said I'll show you

1177
00:48:54,230 --> 00:48:52,380
what your mom got me out to he brought

1178
00:48:56,630 --> 00:48:54,240
out like an old like the old computer

1179
00:48:58,790 --> 00:48:56,640
readout sheets that fold and the the

1180
00:49:01,010 --> 00:48:58,800
green and the black and the old school

1181
00:49:04,309 --> 00:49:01,020
red line so old school and he's going

1182
00:49:07,430 --> 00:49:04,319
flop flop flute flute and he had one

1183
00:49:10,490 --> 00:49:07,440
number the big old number uh circled in

1184
00:49:13,849 --> 00:49:10,500
a orange grease pencil and it's like pre

1185
00:49:17,030 --> 00:49:13,859
flare markers right so grease pencil

1186
00:49:19,250 --> 00:49:17,040
Circle there and he said this stopped

1187
00:49:21,290 --> 00:49:19,260
the wheels at Northrop for a couple of

1188
00:49:24,109 --> 00:49:21,300

months and they were losing money and

1189

00:49:25,550 --> 00:49:24,119

losing money and losing money and but he

1190

00:49:28,430 --> 00:49:25,560

was able to look at that column of

1191

00:49:31,430 --> 00:49:28,440

numbers and intuitively know which one

1192

00:49:34,970 --> 00:49:31,440

was out of place so my mom got people

1193

00:49:38,089 --> 00:49:34,980

out for special interest projects like

1194

00:49:39,890 --> 00:49:38,099

that you know as well as you know side

1195

00:49:43,010 --> 00:49:39,900

rocket science scientists out to

1196

00:49:46,010 --> 00:49:43,020

Raytheon aerojet and all the major you

1197

00:49:48,589 --> 00:49:46,020

know movers and shakers back then if she

1198

00:49:50,390 --> 00:49:48,599

hadn't had her top secret Above Top

1199

00:49:53,210 --> 00:49:50,400

Secret security clearance she couldn't

1200

00:49:55,550 --> 00:49:53,220

have done that but this allowed her to

1201
00:49:58,010 --> 00:49:55,560
continue her work and and she was happy

1202
00:50:01,010 --> 00:49:58,020
when she was working she's a miserable

1203
00:50:02,950 --> 00:50:01,020
housewife she hated it you know I feel

1204
00:50:05,329 --> 00:50:02,960
bad for my dad

1205
00:50:08,150 --> 00:50:05,339
he's a guy that fell in love with her

1206
00:50:11,210 --> 00:50:08,160
you know yeah and I I so much respect

1207
00:50:13,970 --> 00:50:11,220
and love for my mom and she left this

1208
00:50:16,250 --> 00:50:13,980
trail of bread crumbs for me you know

1209
00:50:19,069 --> 00:50:16,260
it's a blessing I you know I love her

1210
00:50:22,550 --> 00:50:19,079
you know and and I'm as much in search

1211
00:50:25,550 --> 00:50:22,560
of her and what she was doing as as I am

1212
00:50:28,270 --> 00:50:25,560
uh E.T and and what E.T is doing here in

1213
00:50:31,309 --> 00:50:28,280

our planet so quick question for you

1214

00:50:32,870 --> 00:50:31,319

1989. you have a guy like Bob Lazar that

1215

00:50:35,329 --> 00:50:32,880

comes out and says in the middle of the

1216

00:50:39,829 --> 00:50:35,339

desert right uh they're flying or

1217

00:50:41,870 --> 00:50:39,839

testing UFOs he put S4 and really you

1218

00:50:45,170 --> 00:50:41,880

know him and George now put S4 and Area

1219

00:50:46,790 --> 00:50:45,180

51 on the map and there's also evidence

1220

00:50:48,530 --> 00:50:46,800

people say oh he has no evidence I'm

1221

00:50:50,450 --> 00:50:48,540

like no he does because he brought

1222

00:50:52,010 --> 00:50:50,460

people out in the middle of the desert

1223

00:50:53,569 --> 00:50:52,020

on the side of the highway they were

1224

00:50:55,250 --> 00:50:53,579

even having parties at the end they were

1225

00:50:57,410 --> 00:50:55,260

getting so cocky they were on top of a

1226

00:50:59,150 --> 00:50:57,420

Winnebago having full parties taking

1227

00:51:01,130 --> 00:50:59,160

pictures and videos of these crafts

1228

00:51:03,650 --> 00:51:01,140

laying in the middle of nowhere

1229

00:51:05,750 --> 00:51:03,660

every Wednesday night at 7 pm because

1230

00:51:08,089 --> 00:51:05,760

that was the best time that there'd be

1231

00:51:09,950 --> 00:51:08,099

no traffic on the highway

1232

00:51:11,329 --> 00:51:09,960

um when you hear something like that you

1233

00:51:13,130 --> 00:51:11,339

know and I know like people have

1234

00:51:13,849 --> 00:51:13,140

problems with his credibility in his

1235

00:51:15,650 --> 00:51:13,859

school

1236

00:51:17,930 --> 00:51:15,660

but you hear that knowing your your

1237

00:51:21,049 --> 00:51:17,940

mom's recruiting I know the guy used to

1238

00:51:24,170 --> 00:51:21,059

drop them off at work at College uh

1239

00:51:26,030 --> 00:51:24,180

there there's we had a mutual friend and

1240

00:51:28,309 --> 00:51:26,040

he would take him to Caltech and drop

1241

00:51:30,829 --> 00:51:28,319

him off and then pick them up but you'd

1242

00:51:33,410 --> 00:51:30,839

have his books and school work so you

1243

00:51:36,950 --> 00:51:33,420

know yeah and the security guy from

1244

00:51:39,770 --> 00:51:36,960

Caltech I know him and and he says yeah

1245

00:51:42,470 --> 00:51:39,780

we all knew Bob he was he yeah he was a

1246

00:51:44,089 --> 00:51:42,480

student yeah yeah and maybe look in the

1247

00:51:46,730 --> 00:51:44,099

wrong College you're working at MIT

1248

00:51:49,010 --> 00:51:46,740

wouldn't call Tech yeah and from the

1249

00:51:50,809 --> 00:51:49,020

get-go for me I mean I remember that uh

1250

00:51:53,329 --> 00:51:50,819

watching that on TV for the first time

1251
00:51:55,010 --> 00:51:53,339
when he was portraying himself as Dennis

1252
00:51:57,589 --> 00:51:55,020
which was the name of his Handler that

1253
00:52:00,170 --> 00:51:57,599
he hated uh but you know watching that

1254
00:52:02,150 --> 00:52:00,180
and I'm like it I remember my dad being

1255
00:52:04,549 --> 00:52:02,160
like Oh it's true it's true they're like

1256
00:52:05,990 --> 00:52:04,559
my dad was a Believer right away and I

1257
00:52:07,670 --> 00:52:06,000
was like holy crap this guy might be

1258
00:52:10,190 --> 00:52:07,680
telling the truth and that was probably

1259
00:52:12,530 --> 00:52:10,200
one of the biggest Bombshells and

1260
00:52:13,790 --> 00:52:12,540
something that is never mentioned in the

1261
00:52:16,670 --> 00:52:13,800
Senate hearings like everybody this

1262
00:52:18,770 --> 00:52:16,680
misses his testimony even though he was

1263
00:52:20,510 --> 00:52:18,780

on to something right they were up to

1264

00:52:22,970 --> 00:52:20,520

something there people have witnessed it

1265

00:52:25,609 --> 00:52:22,980

along with him and I know there's a big

1266

00:52:27,290 --> 00:52:25,619

discredited campaign against him that

1267

00:52:28,849 --> 00:52:27,300

they were trying to race his past which

1268

00:52:32,750 --> 00:52:28,859

was a lot easier to do back in the day

1269

00:52:34,790 --> 00:52:32,760

yes than it is now so I think it should

1270

00:52:36,710 --> 00:52:34,800

be mentioned you know more often that

1271

00:52:39,589 --> 00:52:36,720

maybe he did he was telling us the truth

1272

00:52:42,349 --> 00:52:39,599

from the start I agree yeah I asked my

1273

00:52:43,849 --> 00:52:42,359

mom about him oh really yeah I didn't

1274

00:52:45,530 --> 00:52:43,859

know a whole lot about the UFO

1275

00:52:48,650 --> 00:52:45,540

phenomenon while she was still alive

1276
00:52:50,569 --> 00:52:48,660
because I wanted to hear it from her but

1277
00:52:52,730 --> 00:52:50,579
I did know about the Bible is on our

1278
00:52:54,829 --> 00:52:52,740
story and I asked her I said so Mom did

1279
00:52:57,170 --> 00:52:54,839
you it sounds like one of your guys did

1280
00:53:00,650 --> 00:52:57,180
you ever get a guy who named Bob Lazar

1281
00:53:03,650 --> 00:53:00,660
out to work and she looked a little like

1282
00:53:06,530 --> 00:53:03,660
she was a little PO'd at me

1283
00:53:09,049 --> 00:53:06,540
yeah because I'm doing it again and she

1284
00:53:11,630 --> 00:53:09,059
said Bob laser that's not a name and

1285
00:53:13,870 --> 00:53:11,640
then she walked out so she wasn't

1286
00:53:17,510 --> 00:53:13,880
willing to talk

1287
00:53:20,030 --> 00:53:17,520
yeah maybe she wins the one yeah who

1288
00:53:22,910 --> 00:53:20,040

knows I want to ask you Earl in the

1289

00:53:25,910 --> 00:53:22,920

world of high strangeness you have UFOs

1290

00:53:28,309 --> 00:53:25,920

you have beings you have orbs there's

1291

00:53:30,530 --> 00:53:28,319

Cryptids like even Bigfoot or Skin

1292

00:53:33,049 --> 00:53:30,540

Walkers or and then you have sort of the

1293

00:53:36,049 --> 00:53:33,059

world of paranormal and Poltergeist and

1294

00:53:37,609 --> 00:53:36,059

you know Shadow beings so yeah that's

1295

00:53:39,890 --> 00:53:37,619

the skinwalker cane is that what that is

1296

00:53:41,630 --> 00:53:39,900

yeah yeah exactly very nice you have to

1297

00:53:43,849 --> 00:53:41,640

use a cane you better have a cool one so

1298

00:53:45,710 --> 00:53:43,859

there you go so do you think all these

1299

00:53:47,510 --> 00:53:45,720

things are somehow connected or are they

1300

00:53:49,190 --> 00:53:47,520

just sort of different brands that all

1301
00:53:52,069 --> 00:53:49,200
kind of share space with us at the same

1302
00:53:53,990 --> 00:53:52,079
time I think that it's all the above

1303
00:53:57,109 --> 00:53:54,000
probably but I think it's kind of

1304
00:53:59,630 --> 00:53:57,119
connected uh it's not so much paranormal

1305
00:54:01,910 --> 00:53:59,640
we need to get rid of the word para and

1306
00:54:04,130 --> 00:54:01,920
just expand our idea of what normal is

1307
00:54:06,650 --> 00:54:04,140
and I think that's what's happening year

1308
00:54:09,230 --> 00:54:06,660
you know it's always been here with us

1309
00:54:12,170 --> 00:54:09,240
but we again you know it's like

1310
00:54:13,790 --> 00:54:12,180
paradilia and all that you know we just

1311
00:54:16,130 --> 00:54:13,800
love to we want to explain everything

1312
00:54:19,490 --> 00:54:16,140
and have it simple and and just

1313
00:54:22,010 --> 00:54:19,500

categorize it and put it in a file and

1314

00:54:23,950 --> 00:54:22,020

it's not like that

1315

00:54:27,530 --> 00:54:23,960

um and I uh

1316

00:54:29,329 --> 00:54:27,540

whoever this other intelligence is and I

1317

00:54:32,630 --> 00:54:29,339

don't think it's just one I think that

1318

00:54:36,170 --> 00:54:32,640

it's various intelligences I think that

1319

00:54:37,430 --> 00:54:36,180

it's been here a long long long time I

1320

00:54:40,670 --> 00:54:37,440

mean you know Christopher Columbus

1321

00:54:43,250 --> 00:54:40,680

talked about a lit object coming out of

1322

00:54:45,170 --> 00:54:43,260

the ocean and following them you know on

1323

00:54:47,870 --> 00:54:45,180

their way to the new world did not know

1324

00:54:49,609 --> 00:54:47,880

that yeah Lantern because because that's

1325

00:54:51,710 --> 00:54:49,619

how you can make sense of it was just an

1326

00:54:53,569 --> 00:54:51,720

oil lamp coming out of this yeah oh wow

1327

00:54:55,670 --> 00:54:53,579

that never heard that before that's fast

1328

00:54:58,609 --> 00:54:55,680

yeah yeah I mean you know the Romans

1329

00:55:01,730 --> 00:54:58,619

talked about flying shields uh you know

1330

00:55:04,849 --> 00:55:01,740

the Epic of Gilgamesh oh you know I mean

1331

00:55:07,190 --> 00:55:04,859

this goes way way back goes to you know

1332

00:55:09,130 --> 00:55:07,200

the same goes in Australia they had

1333

00:55:11,630 --> 00:55:09,140

lightning man who came from the sky

1334

00:55:14,809 --> 00:55:11,640

brought fire brought civilization

1335

00:55:17,089 --> 00:55:14,819

brought hunting skills language

1336

00:55:19,910 --> 00:55:17,099

um you know the same thing through the

1337

00:55:22,970 --> 00:55:19,920

mesoamerica it's up and down uh from

1338

00:55:26,030 --> 00:55:22,980

from Alaska so all the way down to

1339

00:55:28,809 --> 00:55:26,040

Argentina it's all the same story the

1340

00:55:32,150 --> 00:55:28,819

the the star people came they taught us

1341

00:55:36,410 --> 00:55:32,160

uh they taught us knowledge of hunting

1342

00:55:39,230 --> 00:55:36,420

and Agriculture and uh it's it's amazing

1343

00:55:41,210 --> 00:55:39,240

it's worldwide you know Africa as well

1344

00:55:43,790 --> 00:55:41,220

you know aerial School

1345

00:55:45,589 --> 00:55:43,800

what what a what a marvelous film by the

1346

00:55:47,329 --> 00:55:45,599

way yeah yeah we interviewed Randall

1347

00:55:50,210 --> 00:55:47,339

Nickerson about that Randall's wonderful

1348

00:55:52,450 --> 00:55:50,220

what a great film yeah it took him such

1349

00:55:55,130 --> 00:55:52,460

a long time and he had to basically

1350

00:55:56,450 --> 00:55:55,140

raise his own fines to continue the

1351

00:55:58,609 --> 00:55:56,460

progression of the movies it took him

1352

00:56:00,170 --> 00:55:58,619

over 10 years to do it and even the

1353

00:56:02,569 --> 00:56:00,180

people in the movie when they go back to

1354

00:56:04,609 --> 00:56:02,579

the aerial school they still have the

1355

00:56:06,410 --> 00:56:04,619

same trauma they did as a kid so it's

1356

00:56:09,770 --> 00:56:06,420

it's hard to fake that kind of stuff you

1357

00:56:12,950 --> 00:56:09,780

know oh yeah oh it was very just just a

1358

00:56:14,870 --> 00:56:12,960

beautiful film and and and John Max you

1359

00:56:17,450 --> 00:56:14,880

know my my guy I

1360

00:56:19,790 --> 00:56:17,460

I I have a feeling if he had lived maybe

1361

00:56:22,250 --> 00:56:19,800

I would be working with him or something

1362

00:56:24,410 --> 00:56:22,260

because I I feel the same way about

1363

00:56:26,630 --> 00:56:24,420

everything I I don't think they're all

1364

00:56:28,790 --> 00:56:26,640

space Brothers but I don't think that an

1365

00:56:31,430 --> 00:56:28,800

alien invasion you know people tend to

1366

00:56:33,710 --> 00:56:31,440

go one extreme or the other and John

1367

00:56:36,410 --> 00:56:33,720

kept a very clear mind about it and he

1368

00:56:40,549 --> 00:56:36,420

saw that you know both angles of this

1369

00:56:43,130 --> 00:56:40,559

and it was a a compassionate good person

1370

00:56:47,329 --> 00:56:43,140

and he asked great questions and he

1371

00:56:50,930 --> 00:56:47,339

listened it was a compassionate listener

1372

00:56:54,410 --> 00:56:50,940

yeah he was a he's a Pioneer him Bud

1373

00:56:56,270 --> 00:56:54,420

Hopkins and uh even uh Whitley our

1374

00:56:58,329 --> 00:56:56,280

Pioneers in the research of this

1375

00:57:02,109 --> 00:56:58,339

phenomenon you know and

1376

00:57:04,250 --> 00:57:02,119

you teach uh a course about ufology

1377

00:57:06,049 --> 00:57:04,260

which is really great because we talk

1378

00:57:07,490 --> 00:57:06,059

about it all the time how it should be a

1379

00:57:10,490 --> 00:57:07,500

university course or something like that

1380

00:57:12,049 --> 00:57:10,500

and actually teach that right and um so

1381

00:57:15,109 --> 00:57:12,059

basically do you teach the foundations

1382

00:57:17,150 --> 00:57:15,119

of ufology like from from beginning to

1383

00:57:19,910 --> 00:57:17,160

end how much we know could you talk a

1384

00:57:21,849 --> 00:57:19,920

little bit about the course sure it's at

1385

00:57:24,950 --> 00:57:21,859

Otis College of Art and Design

1386

00:57:29,270 --> 00:57:24,960

uh a beautiful School uh they're they're

1387

00:57:31,430 --> 00:57:29,280

uh complexes the old IBM uh complex so

1388

00:57:33,650 --> 00:57:31,440

the buildings are very futuristically

1389

00:57:36,290 --> 00:57:33,660

look like the old computer Punch Cards

1390

00:57:39,170 --> 00:57:36,300

yeah right and and uh but it's

1391

00:57:43,309 --> 00:57:39,180

accredited uh class that I teach with uh

1392

00:57:45,470 --> 00:57:43,319

Dr Heather Joseph Witham who's a uh she

1393

00:57:49,010 --> 00:57:45,480

has a doctorate uh she's a folkloreist

1394

00:57:52,970 --> 00:57:49,020

but she believes that the UFO is very

1395

00:57:55,309 --> 00:57:52,980

very very real is do I so I teach the

1396

00:57:57,589 --> 00:57:55,319

course with kind of an overview of all

1397

00:58:00,710 --> 00:57:57,599

the high points of ufology from you know

1398

00:58:04,370 --> 00:58:00,720

Dr heineck Project Blue Book Ancient

1399

00:58:06,049 --> 00:58:04,380

Aliens type stuff uh historically and

1400

00:58:08,329 --> 00:58:06,059

then I also bring in the artistic

1401
00:58:10,670 --> 00:58:08,339
elements I'll have Greg Bishop come and

1402
00:58:14,210 --> 00:58:10,680
and speak to the class who's an artist

1403
00:58:16,970 --> 00:58:14,220
and who's uh he he's putting out the

1404
00:58:20,150 --> 00:58:16,980
ufology tarot which is this beautiful

1405
00:58:22,609 --> 00:58:20,160
beautiful work of art that that is the

1406
00:58:25,309 --> 00:58:22,619
history of ufology you know Whitley got

1407
00:58:26,930 --> 00:58:25,319
a card he insisted on having the fool

1408
00:58:29,270 --> 00:58:26,940
card

1409
00:58:31,790 --> 00:58:29,280
um Jacque Valley is the magician the mid

1410
00:58:35,089 --> 00:58:31,800
the Mage he's holding a telescope

1411
00:58:36,890 --> 00:58:35,099
instead of a wand I just and that that's

1412
00:58:39,230 --> 00:58:36,900
the way that I teach it I try to make it

1413
00:58:42,170 --> 00:58:39,240

relevant because it is an art college

1414

00:58:44,150 --> 00:58:42,180

so they'll have written assignments but

1415

00:58:47,930 --> 00:58:44,160

they'll also have you know they'll

1416

00:58:50,630 --> 00:58:47,940

they'll turn in beautiful artwork

1417

00:58:53,690 --> 00:58:50,640

um I think this is the fourth semester

1418

00:58:55,430 --> 00:58:53,700

that we've taught that's coming up now

1419

00:58:57,230 --> 00:58:55,440

they they just in fact it looks like

1420

00:59:00,410 --> 00:58:57,240

we're going to be doing two semesters a

1421

00:59:03,109 --> 00:59:00,420

year now before it was just one but it

1422

00:59:05,630 --> 00:59:03,119

filled up the day that it the the day it

1423

00:59:08,990 --> 00:59:05,640

was announced the class filled up

1424

00:59:10,730 --> 00:59:09,000

so um anyway it's a new day in ufology

1425

00:59:13,789 --> 00:59:10,740

when you get to teach an accredited

1426

00:59:15,710 --> 00:59:13,799

course into college on this subject and

1427

00:59:18,309 --> 00:59:15,720

I put my heart into it and all my

1428

00:59:21,829 --> 00:59:18,319

knowledge and I give them my very best

1429

00:59:23,450 --> 00:59:21,839

name redacted cases I'm not gonna you

1430

00:59:26,270 --> 00:59:23,460

know yeah I'm very careful about

1431

00:59:28,910 --> 00:59:26,280

personal information of my Witnesses but

1432

00:59:31,069 --> 00:59:28,920

it's if if I could have taken that class

1433

00:59:34,270 --> 00:59:31,079

when I first got interested in this boy

1434

00:59:37,670 --> 00:59:34,280

I wish I could have you know

1435

00:59:39,829 --> 00:59:37,680

well said well thank you Earl we're

1436

00:59:41,329 --> 00:59:39,839

gonna wrap it up here soon um I I thank

1437

00:59:42,770 --> 00:59:41,339

you for your time here Louie do you have

1438

00:59:44,270 --> 00:59:42,780

any final questions for us yeah Earl

1439

00:59:46,549 --> 00:59:44,280

where can people find out more about you

1440

00:59:48,109 --> 00:59:46,559

if they want to study uh or learn about

1441

00:59:49,490 --> 00:59:48,119

the phenomenon or just you know keep

1442

00:59:51,609 --> 00:59:49,500

track of what you're working on where

1443

00:59:56,089 --> 00:59:51,619

can people find out more if you go to

1444

01:00:01,789 --> 00:59:59,150

um go to the ERT page you can see my bio

1445

01:00:04,549 --> 01:00:01,799

and information there

1446

01:00:06,890 --> 01:00:04,559

um if any of this sounds familiar to you

1447

01:00:09,230 --> 01:00:06,900

if you've seen a UFO or you've had

1448

01:00:12,710 --> 01:00:09,240

contact face-to-face contact with

1449

01:00:15,770 --> 01:00:12,720

entities if you go to moveon.com you can

1450

01:00:18,109 --> 01:00:15,780

click either report a UFO or report an

1451

01:00:20,329 --> 01:00:18,119

entity and if you live in the Southern

1452

01:00:23,150 --> 01:00:20,339

California or the he you know the

1453

01:00:25,010 --> 01:00:23,160

California region in general

1454

01:00:26,990 --> 01:00:25,020

um I'll probably I'll probably be

1455

01:00:30,049 --> 01:00:27,000

assigned that case or I will assign it

1456

01:00:32,390 --> 01:00:30,059

to one of my teammates uh same goes for

1457

01:00:34,490 --> 01:00:32,400

a UFO if you see a light in the sky or

1458

01:00:37,150 --> 01:00:34,500

if you see a freaking Starship ship up

1459

01:00:40,010 --> 01:00:37,160

there you know the Starship Enterprise

1460

01:00:42,349 --> 01:00:40,020

you can go and report that and we will

1461

01:00:44,990 --> 01:00:42,359

take you seriously uh scientific

1462

01:00:47,870 --> 01:00:45,000

background of my teammates is wonderful

1463

01:00:50,390 --> 01:00:47,880

but the compassion runs there's Perfect

1464

01:00:53,329 --> 01:00:50,400

Balance you know my I make sure that my

1465

01:00:56,510 --> 01:00:53,339

teammates are all very compassionate not

1466

01:01:00,650 --> 01:00:56,520

judgmental and open-minded because every

1467

01:01:03,410 --> 01:01:00,660

good UFO case has intentional absurdity

1468

01:01:05,630 --> 01:01:03,420

in it and it's like a signature line and

1469

01:01:08,270 --> 01:01:05,640

I think it's intentional and it's it's

1470

01:01:10,069 --> 01:01:08,280

the way that our visitors think and the

1471

01:01:12,710 --> 01:01:10,079

way that they want to present themselves

1472

01:01:14,210 --> 01:01:12,720

so it could be the craziest case in the

1473

01:01:16,250 --> 01:01:14,220

world I'm going to take you seriously

1474

01:01:19,370 --> 01:01:16,260

because that's like the little autograph

1475

01:01:20,809 --> 01:01:19,380

on the bottom of a Picasso

1476

01:01:22,670 --> 01:01:20,819
