<https://youtu.be/5pYvc5a7F9M> Time Travelers w Dr. Michael Masters

Are UFOs piloted by time travelers from the future? What about cattle mutilations? Is Skinny Bob real? What about the alien autopsy film? Are these mysterious events the result of our future selves visiting the past? We discuss this and more with Dr. Michael P. Masters, a biological anthropologist specializing in human evolutionary anatomy, archeology, and biomedicine.

Executive Producer of Unidentified w Demi Lovato spills the tea on UFO evidence

UNIDENTIFIED WITH DEMI LOVATO is streaming now on Peacock.

EXCLUSIVE! Executive Producer of Unidentified w/ Demi Lovato, Andrew Nock, talks UFO evidence!

Demi Lovato brings viewers on a road trip in search of definitive answers to some of the biggest questions about extraterrestrial life; joined by their sister, a few skeptical friends, leading alien experts, and the occasional guest star, Demi investigates recent eyewitness alien encounters, uncovers secret government reports and conducts tests at UFO hot spots in hopes of exposing the truth.

About Andrew Nock

For the past 20 years, Andrew Nock has written, produced, and directed a wide variety of TV shows all over the world with a proven track record of telling compelling stories. From life and death struggles in the developing countries to the search for the truth behind the UFO Phenomena—he has captured and shaped hundreds of riveting stories of the human condition, its obsessions, flaws, and triumphs.

Andrew is a native of the United Kingdom and has produced and directed shows with Oscar-winning actors, Navy SEALs, troubled teens, comedians, psychics, musicians, chefs, and celebrities.

Andrew is the owner of Levitation Productions based in Los Angeles

<https://youtu.be/U2Ar70kk1vA> Former Area 51 Employee Shares Chilling Extraterrestrial Encounter

Rick Doty is a controversial figure in the world of UFOlogy. He has admitted, in detail, what he did as a UFO disinformation agent for the US military. We continue to probe into his history as an Area 51 Employee and his encounters with extraterrestrial beings. In this episode Rick shares with us a NEVER BEFORE TOLD alien abduction story that will chill you to the bone. Also, in this episode, we chat about the Skinny Bob alien video featured on our Travel Channel special 'Storming Area 51'.

Emmett & Joe, the UFOBROS, discuss their attendance of the world premier of Dr. Greer's newest UFO and ALIEN documentary "Unacknowledged". While at the premier we listened to a 30 minute lecture by Dr Steven Greer on his book and movie unacknowledged. We give two thumbs up! Here is our full unedited most hated review of Unacknowledged.
