00:00:31,550 --> 00:00:25,160
hey what's up everybody I'm Emmett i'm

2
00:00:33,920 --> 00:00:31,560
joe and we are the uff oh hey now gross

3
00:00:39,439 --> 00:00:33,930
and we're coming to your life from the

4
00:00:42,110 --> 00:00:39,449
facility again what facel I the favela

5
00:00:46,149 --> 00:00:42,120
like where we are continually monitored

6
00:00:48,919 --> 00:00:46,159
on a minute per minute basis tiffany is

7
00:00:51,709 --> 00:00:48,929
from the eighties and she was discovered

8
00:00:53,419 --> 00:00:51,719
as a mall reactor I'm sorry yes you

9
00:00:56,389 --> 00:00:53,429
should be Donald Trump because you don't

10
00:00:59,090 --> 00:00:56,399
know who tiffany really is wrong no i'm

11
00:01:01,039 --> 00:00:59,100
completely right that's right thank you

12
00:01:03,229 --> 00:01:01,049
so we're gonna go ahead and move on with

13
00:01:06,170 --> 00:01:03,239

this and we're really excited because

14

00:01:07,850 --> 00:01:06,180

today we haven't really got a chance to

15

00:01:10,760 --> 00:01:07,860

talk about this because not even a

16

00:01:13,330 --> 00:01:10,770

naughty there's big because we've been

17

00:01:16,310 --> 00:01:13,340

so wrapped up in the whole roswell a

18

00:01:19,100 --> 00:01:16,320

three-part i guess you could call it you

19

00:01:21,430 --> 00:01:19,110

know documentary episode it's just about

20

00:01:24,080 --> 00:01:21,440

there guys just hang a little bit longer

21

00:01:26,750 --> 00:01:24,090

just hold your horses a little bit

22

00:01:32,990 --> 00:01:26,760

longer for the third episode and you'll

23

00:01:35,450 --> 00:01:33,000

get to see what we find when we trespass

24

00:01:38,030 --> 00:01:35,460

on private property and make our way out

25

00:01:39,920 --> 00:01:38,040

into the middle of the middle of nowhere

26

00:01:41,120 --> 00:01:39,930

where there is something quite

27

00:01:42,530 --> 00:01:41,130

interesting there that a lot of people

28

00:01:44,870 --> 00:01:42,540

don't know about so you'll find out

29

00:01:45,980 --> 00:01:44,880

about that in the third episode and then

30

00:01:49,640 --> 00:01:45,990

of course you know we do a little

31

00:01:51,950 --> 00:01:49,650

digging around but once we get this done

32

00:01:53,270 --> 00:01:51,960

and we kind of get through the Roswell

33

00:01:55,340 --> 00:01:53,280

thing i'm excited because i think i

34

00:01:58,670 --> 00:01:55,350

think what's up next on the list is our

35

00:02:01,460 --> 00:01:58,680

area 51 stuff so that was actually

36

00:02:03,390 --> 00:02:01,470

pretty fun to be honest with you that

37

00:02:06,000 --> 00:02:03,400

was

38

00:02:08,430 --> 00:02:06,010

awesome and just for the listeners and

39

00:02:11,610 --> 00:02:08,440

followers at home it was totally spur of

40

00:02:13,050 --> 00:02:11,620

the moment we were having a kind of a

41

00:02:14,970 --> 00:02:13,060

weird couple days and we were like let's

42

00:02:19,020 --> 00:02:14,980

do something crazy what are we going to

43

00:02:22,620 --> 00:02:19,030

do and we hopped in the van and we went

44

00:02:24,570 --> 00:02:22,630

down to area 51 and first night this was

45

00:02:27,780 --> 00:02:24,580

at off our trip and that is what

46

00:02:31,700 --> 00:02:27,790

actually made us want to be the UFO bros

47

00:02:34,470 --> 00:02:31,710

because it was such a spontaneous trip

48

00:02:37,440 --> 00:02:34,480

with like with like no money we slept in

49

00:02:39,960 --> 00:02:37,450

the van the whole time and it was

50

00:02:44,760 --> 00:02:39,970

actually totally magnificent and amazing

51
00:02:47,220 --> 00:02:44,770
and just everything you could expect out

52
00:02:50,820 --> 00:02:47,230
of a last-minute super exciting

53
00:02:52,620 --> 00:02:50,830
adventure yes and there is something to

54
00:02:55,410 --> 00:02:52,630
be said about driving out in the desert

55
00:02:57,570 --> 00:02:55,420
at night and just seeing it as only

56
00:02:59,400 --> 00:02:57,580
makes common sense that's something that

57
00:03:02,160 --> 00:02:59,410
everybody should do right Donald because

58
00:03:05,460 --> 00:03:02,170
you go out under the stars you see the

59
00:03:08,490 --> 00:03:05,470
Milky Way you see all of the beautiful

60
00:03:10,080 --> 00:03:08,500
stars just which are normally drowned

61
00:03:13,380 --> 00:03:10,090
out by light pollution in cities and

62
00:03:17,070 --> 00:03:13,390
crap like that so thank you for noticing

63
00:03:19,170 --> 00:03:17,080

though and you know I think that's where

64

00:03:20,699 --> 00:03:19,180

we really got our not long I think

65

00:03:23,759 --> 00:03:20,709

that's where we got our first case to

66

00:03:27,270 --> 00:03:23,769

that taste taste taste of cows wouldn't

67

00:03:29,490 --> 00:03:27,280

you say Joe yeah well not I mean I mean

68

00:03:34,410 --> 00:03:29,500

not taste like well actually we had a

69

00:03:36,150 --> 00:03:34,420

hamburger they had no real didn't care

70

00:03:37,860 --> 00:03:36,160

then we'll stand right in the middle of

71

00:03:40,020 --> 00:03:37,870

it they'll look at you yeah you to hit

72

00:03:42,360 --> 00:03:40,030

it you guys if you know head out there

73

00:03:44,810 --> 00:03:42,370

in 51 make sure you have double

74

00:03:47,789 --> 00:03:44,820

brightness because those sons of [h__h]

75

00:03:52,020 --> 00:03:47,799

yeah you can be out in the middle of the

76

00:03:54,960 --> 00:03:52,030

dark firkin desert holland acid 75 miles

77

00:03:56,250 --> 00:03:54,970

an hour and just dilute and hit and hit

78

00:03:59,300 --> 00:03:56,260

a cow hanging out in the middle of the

79

00:04:01,949 --> 00:03:59,310

road so we went that hit the spot it did

80

00:04:04,380 --> 00:04:01,959

it did many cows were hitting that spot

81

00:04:05,910 --> 00:04:04,390

it was there's so many cows we did a

82

00:04:07,949 --> 00:04:05,920

couple little things you guys will see

83

00:04:09,840 --> 00:04:07,959

later on so there's nothing out there

84

00:04:12,509 --> 00:04:09,850

man and we drive out to what's called

85

00:04:15,780 --> 00:04:12,519

Rachel Nevada and we end up at the alien

86

00:04:17,160 --> 00:04:15,790

and for those of you who don't know you

87

00:04:21,840 --> 00:04:17,170

got to check out the movie

88

00:04:24,840 --> 00:04:21,850

all that will explain what the alien is

89

00:04:26,700 --> 00:04:24,850

all businesses explain it but it's

90

00:04:28,530 --> 00:04:26,710

featured in that movie and it is

91

00:04:31,590 --> 00:04:28,540

literally a little literally a little

92

00:04:33,840 --> 00:04:31,600

diner out in middle of the desert your

93

00:04:37,410 --> 00:04:33,850

file yeah hey sorry my tongue is a

94

00:04:39,480 --> 00:04:37,420

tripping tonight and they make breakfast

95

00:04:42,180 --> 00:04:39,490

and lunch and they have a bar there and

96

00:04:44,250 --> 00:04:42,190

table in that little gift area yeah and

97

00:04:46,170 --> 00:04:44,260

it's these nice little ladies that come

98

00:04:47,790 --> 00:04:46,180

out and they run it and they're they're

99

00:04:49,980 --> 00:04:47,800

great to interact with they love to talk

100

00:04:51,690 --> 00:04:49,990

about UFOs and they'll be the first to

101
00:04:54,870 --> 00:04:51,700
sit down and chat with the audit I all

102
00:04:57,810 --> 00:04:54,880
kinds of pictures of famous people yeah

103
00:05:00,980 --> 00:04:57,820
they've got pictures with Bob Lazar yeah

104
00:05:03,810 --> 00:05:00,990
pictures with George Knapp pictures with

105
00:05:08,130 --> 00:05:03,820
Stanton Friedman petrie pictures with

106
00:05:10,260 --> 00:05:08,140
Linda Moulton Howe pictures with dr.

107
00:05:12,930 --> 00:05:10,270
Steven Greer there's less basically

108
00:05:15,840 --> 00:05:12,940
anybody or an authority art bells etc

109
00:05:18,480 --> 00:05:15,850
that is popular within the you follow G

110
00:05:21,590 --> 00:05:18,490
community is somebody who have probably

111
00:05:23,760 --> 00:05:21,600
been there and they'll tell you yeah and

112
00:05:26,190 --> 00:05:23,770
by the way when you go make sure you

113
00:05:27,900 --> 00:05:26,200

check out under the bar there is just

114

00:05:31,170 --> 00:05:27,910

like I don't even know how many dollar

115

00:05:33,330 --> 00:05:31,180

bills I don't know probably hundreds and

116

00:05:35,280 --> 00:05:33,340

hundreds of one dollar bills just yeah

117

00:05:37,290 --> 00:05:35,290

floating from the bar ceiling it's

118

00:05:38,850 --> 00:05:37,300

pretty it's pretty like it's a spectacle

119

00:05:41,010 --> 00:05:38,860

it's like really cool and lots of people

120

00:05:42,870 --> 00:05:41,020

have signed them and stuff so make sure

121

00:05:45,420 --> 00:05:42,880

you go check about check out the alien

122

00:05:48,150 --> 00:05:45,430

when you're there just make a plan to

123

00:05:51,660 --> 00:05:48,160

stop there and then give you the best

124

00:05:53,750 --> 00:05:51,670

direction to and by the way there is

125

00:05:56,520 --> 00:05:53,760

multiple ways and there's multiple gates

126

00:05:59,550 --> 00:05:56,530

multiple gates and multiple ways to

127

00:06:03,240 --> 00:05:59,560

actually get into area 51 well not get

128

00:06:06,240 --> 00:06:03,250

in but get into the vicinity of and I

129

00:06:10,170 --> 00:06:06,250

will say we were not expecting to take

130

00:06:12,330 --> 00:06:10,180

our soccer mom van off roading that's

131

00:06:16,380 --> 00:06:12,340

right I'm like us we're gonna get a flat

132

00:06:20,490 --> 00:06:16,390

tire here to reload I well at least it

133

00:06:23,330 --> 00:06:20,500

was in Roswell shooting on you least it

134

00:06:25,470 --> 00:06:23,340

was in Roswell and not an area 51 cuz

135

00:06:27,150 --> 00:06:25,480

actually they were both just as equally

136

00:06:31,600 --> 00:06:27,160

remote you think that

137

00:06:33,219 --> 00:06:31,610

so we get there and all of this

138

00:06:36,070 --> 00:06:33,229

excitement you just can't wait to get

139

00:06:38,680 --> 00:06:36,080

there and then and then you're there and

140

00:06:41,080 --> 00:06:38,690

it's exactly what everybody says it is

141

00:06:43,270 --> 00:06:41,090

it's exactly what's shown on all

142

00:06:48,339 --> 00:06:43,280

websites on all movies etc it is

143

00:06:51,370 --> 00:06:48,349

literally a line a few posts with very

144

00:06:54,249 --> 00:06:51,380

specific and straight to the point no

145

00:06:56,710 --> 00:06:54,259

trespassing signs that deadly force is

146

00:06:59,350 --> 00:06:56,720

authorized no drones basically they

147

00:07:04,409 --> 00:06:59,360

don't want you there and if you step

148

00:07:08,200 --> 00:07:04,419

over the line they can legally shoot you

149

00:07:10,960 --> 00:07:08,210

so our it's a felony yes the you know

150

00:07:13,180 --> 00:07:10,970

dollar fine six months in jail type of

151

00:07:14,860 --> 00:07:13,190

thing yes but the ultimate thing that

152

00:07:17,260 --> 00:07:14,870

could happen is you they have the legal

153

00:07:18,730 --> 00:07:17,270

authority to terminate yeah it is

154

00:07:20,050 --> 00:07:18,740

there's also a wall-e out there that's

155

00:07:22,540 --> 00:07:20,060

watching you so you don't worry about it

156

00:07:27,490 --> 00:07:22,550

you guys there is this wall-e robot it

157

00:07:30,850 --> 00:07:27,500

is super weird you go out there I'll

158

00:07:32,830 --> 00:07:30,860

tell you we went to the how is it what

159

00:07:34,629 --> 00:07:32,840

gate that is we were the first of those

160

00:07:36,460 --> 00:07:34,639

decimal it took us like an almost an

161

00:07:38,409 --> 00:07:36,470

hour and a half to get there I think

162

00:07:40,779 --> 00:07:38,419

that was like I'm not sure what gated is

163

00:07:44,230 --> 00:07:40,789

folks but it was a long way to get there

164

00:07:46,330 --> 00:07:44,240

we arrived and we we just kind of get

165

00:07:49,180 --> 00:07:46,340

out start walking around checking things

166

00:07:51,520 --> 00:07:49,190

out we see the camo dudes up on the hill

167

00:07:54,249 --> 00:07:51,530

so we go a little duck so we kind of got

168

00:07:57,310 --> 00:07:54,259

ya on a hill across from it you know of

169

00:07:58,959 --> 00:07:57,320

course on the safe side and we're up

170

00:08:00,580 --> 00:07:58,969

there messing around you know just talk

171

00:08:03,070 --> 00:08:00,590

in Willow and we're seeing they were

172

00:08:04,870 --> 00:08:03,080

like why is your campfire over here yeah

173

00:08:06,520 --> 00:08:04,880

we were looking at this campfire and by

174

00:08:08,620 --> 00:08:06,530

the way that's when we realize you can

175

00:08:10,420 --> 00:08:08,630

actually you can camp out there because

176
00:08:12,100 --> 00:08:10,430
you can so if you guys want to go out

177
00:08:14,110 --> 00:08:12,110
there just find where the campfire is

178
00:08:15,999 --> 00:08:14,120
put your 10 up you get sleep with the

179
00:08:17,560 --> 00:08:16,009
slot you could sleep under the school I

180
00:08:19,180 --> 00:08:17,570
can with the clever thing is is that

181
00:08:21,249 --> 00:08:19,190
when we were walking down alley in the

182
00:08:24,580 --> 00:08:21,259
wali I shut the hell up when I was

183
00:08:25,689 --> 00:08:24,590
walking down I notice I like looked and

184
00:08:27,279 --> 00:08:25,699
all of a sudden that thing's staring

185
00:08:28,480 --> 00:08:27,289
right at me and it's extended I'm like

186
00:08:30,040 --> 00:08:28,490
dinner things watching me is like no

187
00:08:32,809 --> 00:08:30,050
it's not I was like

188
00:08:35,269 --> 00:08:32,819

no it's not always walk down and get to

189

00:08:37,189 --> 00:08:35,279

the road and we look at it in it it it

190

00:08:39,639 --> 00:08:37,199

turned towards us and went down and just

191

00:08:43,999 --> 00:08:39,649

look straight at it so there's always

192

00:08:45,680 --> 00:08:44,009

creepiest thing to describe you're out

193

00:08:48,650 --> 00:08:45,690

in the middle of frickin nowhere and

194

00:08:50,960 --> 00:08:48,660

your soccer mom van and you're with your

195

00:08:54,170 --> 00:08:50,970

bro and you're hanging out big-ass green

196

00:08:59,329 --> 00:08:54,180

alien and a big blowup alien with eb art

197

00:09:02,030 --> 00:08:59,339

r EV and you see these eyes from a robot

198

00:09:04,009 --> 00:09:02,040

you know telescope up and start

199

00:09:06,079 --> 00:09:04,019

following you and it's crazy because as

200

00:09:09,199 --> 00:09:06,089

you walk side to side the thing follows

201
00:09:11,480 --> 00:09:09,209
you yeah and there's also they have oh

202
00:09:13,340 --> 00:09:11,490
hey we've got people in the chat room we

203
00:09:15,740 --> 00:09:13,350
need to turn that over oh right take a

204
00:09:19,280 --> 00:09:15,750
break people take a break we're 51 hey

205
00:09:22,009 --> 00:09:19,290
we've got a lien on board board by the

206
00:09:23,720 --> 00:09:22,019
way where have you been we have not seen

207
00:09:27,079 --> 00:09:23,730
you for a while it has been a while I

208
00:09:28,519 --> 00:09:27,089
mean inedible unacceptable we want to

209
00:09:32,600 --> 00:09:28,529
see more alien on board you're one of

210
00:09:34,790 --> 00:09:32,610
our favs so he says guys I just had

211
00:09:37,420 --> 00:09:34,800
someone on Twitter who said he was

212
00:09:41,210 --> 00:09:37,430
hiking near the Air Force Base s4 and

213
00:09:44,720 --> 00:09:41,220

saw something he should some kind of

214

00:09:47,300 --> 00:09:44,730

teleportation device I guess silently

215

00:09:52,579 --> 00:09:47,310

hovering and has some videos and

216

00:09:55,280 --> 00:09:52,589

pictures of it and I guess he's used

217

00:09:56,679 --> 00:09:55,290

techno cool use texted these pictures of

218

00:10:00,050 --> 00:09:56,689

you well let me tell you alien on board

219

00:10:01,670 --> 00:10:00,060

if feel free to shoot that over to us

220

00:10:04,490 --> 00:10:01,680

I'm not really sure which Air Force Base

221

00:10:06,199 --> 00:10:04,500

is s for the s4 is one of the side the

222

00:10:09,170 --> 00:10:06,209

mountain well but that's not an Air

223

00:10:12,410 --> 00:10:09,180

Force Base that is a facility within the

224

00:10:15,110 --> 00:10:12,420

area encompasses so part of its still

225

00:10:17,210 --> 00:10:15,120

yeah s4 yeah it's still part of it i'm a

226

00:10:18,590 --> 00:10:17,220

don't know if you can be hiking near s4

227

00:10:22,129 --> 00:10:18,600

you're not supposed to be got in there

228

00:10:25,220 --> 00:10:22,139

somehow there is a gentleman i gotta

229

00:10:28,129 --> 00:10:25,230

remember his name I don't remember if

230

00:10:29,920 --> 00:10:28,139

anybody is on Twitter Instagram or you

231

00:10:32,509 --> 00:10:29,930

can join us in this freaker chat room

232

00:10:35,030 --> 00:10:32,519

tell me I know there is a man that

233

00:10:36,620 --> 00:10:35,040

actually walked through area 51 and

234

00:10:40,870 --> 00:10:36,630

literally walked through the Papoose

235

00:10:42,730 --> 00:10:40,880

lake where s4 is and came back alive

236

00:10:47,500 --> 00:10:42,740

apparently it has something to do with

237

00:10:49,990 --> 00:10:47,510

the the pioneers and going through the

238

00:10:52,510 --> 00:10:50,000

desert and leaving certain markings and

239

00:10:54,340 --> 00:10:52,520

things as they go and I guess this guy

240

00:10:56,590 --> 00:10:54,350

was able to travel and find all the

241

00:10:59,230 --> 00:10:56,600

markings except for one is but one

242

00:11:03,070 --> 00:10:59,240

specifically that was actually in huh

243

00:11:06,760 --> 00:11:03,080

that area and I don't I know he did say

244

00:11:08,620 --> 00:11:06,770

though in I believe it's an article or a

245

00:11:10,180 --> 00:11:08,630

book you guys I can't remember that he

246

00:11:12,970 --> 00:11:10,190

was sleeping out in the middle of the

247

00:11:16,060 --> 00:11:12,980

desert and he said he saw what looked

248

00:11:19,270 --> 00:11:16,070

like a door that opened up in the middle

249

00:11:23,920 --> 00:11:19,280

of nowhere with light and he said he saw

250

00:11:25,360 --> 00:11:23,930

some people and then the lights like

251

00:11:27,430 --> 00:11:25,370

like the door closed and light went away

252

00:11:29,710 --> 00:11:27,440

and it was just like it like I literally

253

00:11:32,880 --> 00:11:29,720

somebody opened up a door in the middle

254

00:11:35,500 --> 00:11:32,890

of the desert in the middle of the night

255

00:11:36,820 --> 00:11:35,510

creepy yeah I have to remember his name

256

00:11:40,080 --> 00:11:36,830

maybe you guys can help me out by the

257

00:11:44,640 --> 00:11:40,090

should we go back to our area 51 story I

286

00:13:00,990 --> 00:12:59,680

mean yeah we've got our friends here in

287

00:13:04,320 --> 00:13:01,000

the chat room they're mostly just saying

288

00:13:07,710 --> 00:13:04,330

hi and by the way I just want to make a

289

00:13:09,390 --> 00:13:07,720

correction to you know we're there there

290

00:13:11,100 --> 00:13:09,400

294

00:13:27,060 --> 00:13:26,110

one okay did you guys hear the sirens

295

00:13:29,880 --> 00:13:27,070

we're trying to be really quiet right

296

00:13:32,160 --> 00:13:29,890

now because we don't want to be seeing

297

00:13:35,220 --> 00:13:32,170

or heard we've got a minute and 30

298

00:13:37,260 --> 00:13:35,230

seconds left so back to the area 51

299

00:13:39,180 --> 00:13:37,270

story creepy and maybe that's why

300

00:13:40,410 --> 00:13:39,190

they're here I don't know probably make

301
00:13:41,400 --> 00:13:40,420
sure you check outside when we're done

302
00:13:45,240 --> 00:13:41,410
because we've only got a minute left

303
00:13:49,440 --> 00:13:45,250
yeah I'm not looking this never happened

304
00:13:52,260 --> 00:13:49,450
