

THE ROAD TO ROSWELL

(PART 3)

PROBECAST
WITH THE UFO BROS

1
00:00:27,609 --> 00:00:26,029
yeah yeah okay you know Christic if you

2
00:00:29,450 --> 00:00:27,619
guys ever want to know what the gate is

3
00:00:41,550 --> 00:00:29,460
why stop off the gates

4
00:01:07,310 --> 00:01:00,280
[Music]

5
00:01:11,490 --> 00:01:08,640
we made it

6
00:01:13,140 --> 00:01:11,500
I found the crash site and the monument

7
00:01:16,950 --> 00:01:13,150
and the crash site member on the

8
00:01:20,880 --> 00:01:16,960
monument found the sci-fi channel said

9
00:01:23,550 --> 00:01:20,890
if it's done it's just just the monument

10
00:01:26,550 --> 00:01:23,560
you just telling over there and what

11
00:01:29,279 --> 00:01:26,560
they found and I mean we literally found

12
00:01:30,810 --> 00:01:29,289
a needle in a haystack ya know if

13
00:01:33,480 --> 00:01:30,820

nowhere and we're hearing and there's

14

00:01:35,310 --> 00:01:33,490

people in the gave them the museum and

15

00:01:36,779 --> 00:01:35,320

the gift shops never see no you can't go

16

00:01:38,669 --> 00:01:36,789

out there they got rid of that stuff

17

00:01:40,680 --> 00:01:38,679

can't go out there the monuments down

18

00:01:43,320 --> 00:01:40,690

because of an earthquake and you can't

19

00:01:44,790 --> 00:01:43,330

go because of the gate and we lock the

20

00:01:48,960 --> 00:01:44,800

gate there's a piece of rope aha just

21

00:01:51,800 --> 00:01:48,970

remember what they tell you at the at

22

00:01:55,800 --> 00:01:51,810

the UFO places in Roswell be like that

23

00:01:58,380 --> 00:01:55,810

your first Center and stuff but just let

24

00:02:00,080 --> 00:01:58,390

you know when you get out here make sure

25

00:02:04,440 --> 00:02:00,090

you have a spare tire

26

00:02:07,139 --> 00:02:04,450

fix-a-flat a tire repair kit if you can

27

00:02:10,550 --> 00:02:07,149

get one and also a air pump through

28

00:02:13,330 --> 00:02:10,560

tires like electric compressor NF Annex

29

00:02:15,350 --> 00:02:13,340

xanax and

30

00:02:17,479 --> 00:02:15,360

because I popped the tire on the way out

31

00:02:20,850 --> 00:02:17,489

here and the right rear housing down

32

00:02:31,380 --> 00:02:20,860

it's really gonna flower any pops it up
